FIRST AMENDMENT
TO
CONDOMINIUM OFFERING PLAN
THE COCOA EXCHANGE

INTRODUCTION

This First Amendment modifies and supplements the terms of the Condominium Offering Plan for The Cocoa Exchange, One Wall Street Court, New York, New York 10005, dated March 17, 2006 ("the Plan") and should be incorporated into and read in conjunction with the Plan.

The terms of this First Amendment are as follows:

1. OFFERING OF RESIDENTIAL UNITS

As more particularly set forth in the Plan, Sponsor intends to eventually sell the Units under the terms of the Plan. However, the Property is subject to certain leases (the "Chevron Agreements"). Under the terms of the Chevron Agreements, Sponsor is only permitted to sell the twenty (20) Residential Units during the five year period beginning on that date which is five (5) years from the date the building is put into service (the "Restricted Period"). However, under the Chevron Agreements, Sponsor reserves the right to and is negotiating with Chevron for the right to sell more than the allowable twenty (20) Residential Units before the end of the Restricted Period. Annexed hereto as Exhibit A is a revised Schedule A, "Prices of Units and Related Information" which reflects the Purchase Prices, Common Charges and real estate taxes for all of the Residential Units. Until such time as Chevron agrees otherwise, Sponsor will only enter into purchase agreements for any twenty (20) of the 126 Residential Units.

2. REVISED AGREEMENT

Sponsor hereby modifies the Plan by adding a new last paragraph to the Agreement set forth in Part II of the Plan entitled "Option":

"The parties acknowledge that, for federal income tax purposes only, this Agreement shall be deemed an option."

Purchasers should note that the Agreement pursuant to which they will purchase the Unit is sometimes referred to as an "option agreement." This characterization of the Agreement as an option agreement is consistent with Sponsor's intention to treat the Agreement for purposes of applicable provisions of the Internal Revenue Code as similar to an option. If this characterization is respected, the Sponsor will be able to account for the sale of the Units for federal income tax purposes in the same manner as it would be able to account for such sale if the Unit had constituted a separate townhouse or other separate dwelling. Purchaser is not receiving any "options" and if the Purchaser does not close on the Agreement, Purchaser will forfeit Purchaser's Deposit as liquidated damages. Purchasers should note that Sponsor's characterization of the Agreement is not binding on the Internal Revenue Service ("IRS") which may challenge such characterization. However, even if the IRS was to successfully challenge Sponsor's tax characterization of the Agreement and the Deposit, as described above, there will be no adverse tax or other consequences to the Purchaser. Sponsor **cannot** compel specific performance as a remedy against the Purchaser. Sponsor is bound, however, to sell to a Purchaser that elects to perform all of Purchaser's obligations under the Agreement and specific performance is a remedy available to Purchaser in the event of a Sponsor default under the Agreement.

3. INCORPORATION OF THE PLAN

The Plan, as modified and supplemented hereby, is incorporated herein by reference with the same effect as if set forth at length.

4. DEFINITIONS

All terms used in this Amendment not otherwise defined herein shall have the same meanings ascribed to them in the Plan.

5. NO MATERIAL CHANGES

Except as set forth in this Amendment, there have been no material changes of facts or circumstances affecting the Property or the offering.

6. EFFECTIVE PERIOD FOR USING THE PLAN IS EXTENDED

The Plan, as modified and supplemented hereby, may not be used after the longer of the following: (i) the Expiration Date of the Plan or; (ii) six (6) months following the Filing Date of this Amendment, unless the Plan is extended or amended.

HO-Home Office
RM-Resident Manager's Unit

The accompanying notes should be read in conjunction with this Schedule.

Notes to Schedule A

1. Residential Unit Plans depicting layouts of Residential Units appear in Part II of the Plan. Purchasers should note that the square footage of each Residential Unit as reflected in Schedule A and the Floor Plans set forth in Part II of the Plan is approximate within reasonable tolerances and may change due to field conditions and construction variances and tolerances. Because dimensions listed are based on measurements from exterior walls, they do not accurately represent the interior space in the unit and may significantly exceed the actual floor area. Floor area may include columns, mechanical pipes shafts, shaftways, chases, chaseways and conduits which may be incorporated behind protruding walls or may be separately enclosed as freestanding columns thereby reducing the available floor area. The clearance between the top of the floor slab on one floor and the top of the floor slab on the next floor will vary among the Units and certain Units may have less clearance and certain rooms within other Units may have a lesser clearance as the result of construction variances or the presence of beams and mechanical spaces in such Units. Kitchens, bathrooms and hallways typically have dropped ceilings. Each Unit will be measured horizontally from the exterior side of the exterior walls (columns, mechanical pipes shafts, shaftways, chases, chaseways and conduits are not deducted) to the centerline of the partitions separating one Unit from another Unit, corridors, stairs, elevators and other mechanical equipment spaces or any Common Elements not within a Unit or to the exterior side of the opposite exterior walls. Each Unit will be measured vertically from the top of the floor to the underside of the ceiling.

   As is often the case in New York, these square foot areas exceed the usable floor area of each Unit and include columns, mechanical pipes shafts, shaftways, chases, chaseways and conduits which may be incorporated behind protruding walls or may be separately enclosed as freestanding columns thereby reducing the available floor area. The clearance between the top of the floor slab and the bottom of the finish ceiling in the Units will generally be about eleven feet two inches (11'2") for Units on Floors 1 and 2 and nine feet six inches (9'6" for Units on Floors 3 and higher. However, certain Units may have less clearance and certain rooms within other Units may have a lesser clearance as the result of construction variances or the presence of beams and mechanical spaces in such Units. Kitchens, bathrooms and hallways typically have dropped ceilings. Purchasers are further advised that Sponsor has reserved the right to negotiate with individual purchasers to perform special work which may require a modification in floor plans for certain Residential Units and accordingly the layout of the Units and Common Elements may vary. The room count for each Unit was determined by Sponsor's architect in accordance with industry practice for new construction condominiums and does not necessarily conform to the zoning room count or the method utilized by the Real Estate Board of New York.

2. No change will be made in the purchase prices other than pursuant to a duly filed amendment to the Plan filed in advance of any such change, except that Sponsor reserves the right to decrease purchase prices or modify other terms of sale without filing an

amendment to the Plan at any time during the offering period if such a decrease in the purchase price or modification of such other terms of sale does not constitute a general offering or an advertised price but is rather the result of an individually negotiated transaction. In addition to the purchase price, Purchaser will be responsible at Closing for certain closing costs as explained in the Section entitled "Closing Costs and Adjustments" in Part I of the Plan including, without limitation, the obligation to contribute one (1) month's Common Charges to the Working Capital Fund of the Condominium. Purchasers are advised to consult with their attorneys as to the exact closing costs they will incur in purchasing their Units.

3(a). The respective Common Interest of each Unit in the Common Elements, in accordance with the provisions of Section 339-i(1)(iv) of the New York Condominium Act, is based upon floor space, subject to the location of such space and the additional factors of relative value to other space in the Condominium, the uniqueness of the Unit, the availability of Common Elements for exclusive or shared use and the overall dimensions of the particular Unit. In the event that, prior to the First Closing, Sponsor negotiates with individual purchasers to change the layout or dimensions of their respective Residential Units and such changes involves the inclusion, in the Residential Unit, of areas formerly designated as Common Elements, or involves adding to the Common Elements, space that was previously incorporated in the Residential Units, the Common Interest of all of the Residential Units may change slightly. Any such change in the Common Interest allocated to a Residential Unit prior to the recording of the Declaration shall not be deemed a material change and shall not give rise to a right of rescission on the part of any purchaser.

3(b). The percent interest of each Residential Unit in the Residential Common Elements is apportioned in the same proportion that the Common Interest of such Residential Unit bears to the aggregate Common Interests of all Residential Units.

4. The estimates contained in this schedule were prepared on the assumption that the first year of Condominium operation will be the year from April 1, 2006 through March 31, 2007, and are only an estimate of the receipts and expenses of the Condominium for the projected year. Sponsor makes no representation regarding the commencement date or the estimated receipts and expenses for the first year of Condominium operation which may be greater than or less than the estimated figures set forth in the proposed budget. The actual first year of Condominium operation may be earlier or later than such year. If the actual or anticipated date of commencement of condominium operation is delayed by more than six (6) months from the commencement of the projected first year of condominium operation, Sponsor will amend the Plan to include a revised budget disclosing current projections. If such amended projections exceed original projections by twenty-five (25%) percent or more, Sponsor will offer all purchasers the right to rescind for a period of fifteen (15) days after the date of the presentation of the amendment setting forth the right to rescind.

The estimated monthly Residential Common Charges for each Residential Unit are based on the Schedule B - Projected Budget for First Year of Condominium Operation. The estimated monthly Residential Common Charges include the cost of central heating for the Units. Each individual Residential Unit is provided with an incremental HVAC air conditioning unit. The Maintenance and operating cost of the HVAC units are borne by the individual Residential Unit Owners. Please refer to Schedule B-1 "Energy Costs Projection" from Jack Green Associates, consulting engineer, for further information regarding estimated energy costs. In addition to these estimated payments, each Residential Unit Owner will be responsible for real estate taxes for such Residential Unit, mortgage payments under a loan or loans, if any, obtained to finance the purchase of the Residential Unit, the cost of electricity supplied to the Residential Unit which will be separately metered and payable directly to the utility company, the insurance which must be carried by each Residential Unit Owner with respect to liability and casualty to the contents of the Unit and the cost of interior repairs and decorations to the Residential Unit. Until the Units are separately assessed, real estate taxes shall be part of Common Expenses. In the event that the payments made by Unit Owners are less than or more than the amount of taxes paid for the period in question, Unit Owners will be reimbursed for any overpayment of taxes or assessed for an underpayment. In addition, capital repairs, additions, improvements, alterations and restorations to the Residential Section are Residential Common Expenses, which will be borne solely by the Residential Unit Owners.

5. Assuming the Property does not receive any abatement from real estate taxes, it is estimated that the aggregate real estate taxes attributable to all Residential Unit Owners for the first year of Condominium operation will total approximately $1,085,871, based on an opinion prepared by Stroock & Stroock & Lavan LLP dated September 19, 2005 which assumes (a) a total tentative assessment attributable to the residential portion of the Property of $3,025,010 for the 2005 through 2006 fiscal tax year, assumes (b) a total actual assessment attributable to the residential portion of the Property of $10,897,880 for the 2006 through 2007 fiscal tax year, (c) a projected tax rate of $140 per gross square foot. SPONSOR MAKES NO REPRESENTATION THAT THE ASSESSED VALUE OF THE PROPERTY, THE ESTIMATED ALLOCATIONS OR THE TAX RATE WILL NOT BE CHANGED. PURCHASERS ARE ADVISED THAT THE NEW YORK CITY TAXING AUTHORITIES HAVE IMPLEMENTED SIGNIFICANT INCREASES IN THE TENTATIVE ASSESSED VALUATIONS FOR NEW CONSTRUCTION CONDOMINIUMS FOR THE TAX YEAR 2005/2006 WHICH DO NOT APPEAR CONSISTENT WITH THEIR VALUATIONS IN PRIOR YEARS. SPONSOR MAKES NO REPRESENTATIONS REGARDING THE METHODOLOGY WHICH THE TAXING AUTHORITIES WILL USE IN FUTURE TAX YEARS.

Sponsor intends to apply for partial abatement from real estate taxes with respect to the Building pursuant to Real Property Tax Law § 421-g. The 421-g Program is designed to provide tax incentives for the physical renovation and conversion of commercial property to residential use in lower Manhattan. It is available in the area generally south of

Murray Street. To be eligible, at least 75% of the floor area of a non-residential building (or a separately-assessed non-residential parcel within a building) must be converted to a Class A Multiple Dwelling which is not used as a hotel.

Please refer to the Section of the Plan entitled "Real Estate Taxes" and the opinion of the Stroock & Stroock & Lavan LLP set forth in Part I of the Plan for further discussion regarding real estate taxes and benefits under the for the residential portion of the Property.

The real estate tax estimates for each Residential Unit were calculated on the assumption that the real estate taxes for the residential portion of the Building payable with respect to each Residential Unit for the first year of Condominium operation will be allocated in proportion to each Residential Unit's Common Interest as set forth on Schedule A. Upon determination of individual tax lots and individual Residential Unit assessments, the New York City tax authorities may allocate taxes between the Residential Units in proportion to each Residential Unit's purchase price rather than its Common Interest, and, if so, Residential Units having the same or similar percentage interest which are determined to have a higher purchase price or market value will pay higher real estate taxes than are reflected on Schedule A.

PURCHASERS ARE ADVISED THAT THE FOREGOING INFORMATION IS NOT A GUARANTEE OR WARRANTY (i) regarding the method to be employed by the New York City tax assessor in allocating individual Residential Unit assessments; (ii) of the assessed values of the Residential Section during the first year of Condominium operation, (iii) of the tax rates for the first year of Condominium operation, or (iv) that the Residential Section will qualify for or receive benefits under the 421-g Program.

See the Section entitled "Income Tax Deductions to Residential Unit Owners and Tax Status of Condominium" and the Attorney's Income Tax Opinion in Part I of the Plan for a discussion concerning the deductibility of real estate taxes paid with respect to a Residential Unit. Purchasers should note that the deductibility of mortgage interest and real estate taxes in future years may vary due to changes in the interest rate on the unit owner's mortgage (if any) or from changes in the allocation of constant debt service payments to interest and principal, or due to changes in real property taxes resulting from the expiration of real estate tax benefits, or from changes in the assessed value, the tax rate or the method of assessing real property.

PART I

SPECIAL RISKS TO BE CONSIDERED BY PURCHASERS

(See the "Definitions" Section of this Plan for definitions of capitalized terms used but not defined in this Section.)

1. At the time an Agreement is executed, a Purchaser is required to make a Deposit in an amount equal to at least ten (10%) percent of the purchase price with an additional ten percent (10%) of the purchase price due and payable no later than the earlier to occur of: (i) four (4) months after the date of the Agreement or (ii) fifteen (15) days after Sponsor presents an amendment declaring the Plan effective, but in no event later than the Closing, subject to collection. The Initial Deposit and the Additional Deposit are hereinafter collectively referred to as the "Deposit." In the event a Purchaser defaults under the Agreement, time being of the essence with regard to the obligations of the Purchaser thereunder, and does not cure such default within thirty (30) days after Sponsor gives written notice to the Purchaser of such default, Sponsor may, at its option, either (i) cancel such Agreement and retain, as liquidated damages, the Deposit made by the Purchaser, together with interest earned thereon, if any (which Deposit may be in excess of ten percent (10%) of the Downpayment, or (ii) bring an action against such Purchaser for specific performance, in which event Purchaser could be compelled to complete the transaction. Additionally, if a Purchaser fails for any reason to close title to the Residential Unit on the originally scheduled Closing Date and Sponsor elects not to cancel the Purchaser's Agreement as a result of the same, (a) the closing apportionments to be made at the Closing will be made as of midnight of the day preceding the originally scheduled Closing Date, and (b) the Purchaser will be required to pay to Sponsor an amount equal to 0.03% of the purchase price of the Residential Unit for each day that the Closing is adjourned. Purchasers are further advised that (i) if a Purchaser makes a Deposit in excess of $100,000 for the purchase of a unit, such Deposit will not be federally insured in excess of $100,000; and (ii) while the Deposit is in the non-interest bearing checking portion of the Master Escrow Account, the Deposit may not be fully federally insured even if the Deposit does not exceed $100,000. Funds drawn on out-of-state or foreign banks will not be accepted in payment of the purchase for a Residential Unit unless otherwise agreed by Sponsor. The Agreement also provides that Purchaser shall be obligated to reimburse Sponsor for any legal fees and disbursements incurred by Sponsor in defending Sponsor's rights under the Agreement or, in the event Purchaser defaults under the Agreement beyond any applicable grace period, in canceling the Agreement or otherwise enforcing Purchaser's obligations thereunder. THE AGREEMENT ALSO PROVIDES, IN CLEAR AND EXPLICIT TERMS, THAT EXCEPT AS PROHIBITED BY LAW, THE PARTIES WAIVE TRIAL BY JURY IN ANY LITIGATION ARISING OUT OF, OR CONNECTED WITH, OR RELATING TO, THE PLAN, THIS AGREEMENT OR THE RELATIONSHIP CREATED HEREBY. (See the Section entitled "Procedure to Purchase" for further discussion of the foregoing.)

2. Although a Purchaser may obtain financing from a lending institution or any other source, the obligation to purchase a Residential Unit pursuant to the Agreement shall not be contingent upon obtaining financing for such purchase. Neither Sponsor nor the Selling Agent makes any representations as to the terms or availability of any mortgage financing. Prospective Purchasers are, therefore, advised to finalize their financing arrangements before signing an

Agreement. However, prospective Purchasers should be aware that even if a loan commitment is obtained, its term may be fixed, and it could expire before the Closing Date and a Purchaser would have to close without financing or risk losing such Purchaser's Deposit. See the Section entitled "Procedure to Purchase" in Part I of the Plan for further details.

3. Prior to the closing of title to a Residential Unit, the Agreement prohibits a contract vendee from listing the Residential Unit for resale or rental with any broker or from advertising or otherwise offering, promoting or publicizing the availability of the Residential Unit for sale or lease, without Sponsor's prior written consent. In addition, a Purchaser (other than a Purchaser purchasing for such Purchaser's own or their immediate family's occupancy) may not advertise, list or sell a Residential Unit acquired from Sponsor for twelve (12) months after acquisition of such Residential Unit (provided however, such limitation shall not apply from and after the date that the Sponsor conveys title to all of the Residential Units). Any such conveyances in violation of the foregoing will be voidable by Sponsor.

4. No party other than the respective Purchasers shall have any right or benefit herein or herefrom, including without limitation, the right to insist upon or enforce against Sponsor the performance of all or any of Sponsor's obligations hereunder and no such third party (including without limitation, parties purchasing from Purchasers) shall be deemed to have received any benefit as a result of any of the provisions of the Plan. See the Section entitled "General" in Part I of the Plan for further details.

5. There is no limit on the length of time that Sponsor may control the Residential Board or the Condominium Board. The Sponsor has the right to appoint a majority of the members of the Residential Board and the Condominium Board (and therefore control such Boards) for a period ending on the date which is five (5) years from the First Closing unless the Sponsor voluntarily relinquishes such right prior to the expiration of such five-year period. After the date which is five (5) years from the First Closing, Sponsor may continue to control the Condominium Board and the Residential Board if it has sufficient votes to elect a majority of the members of the Residential Board. Accordingly during the period ending on the date which is five (5) years from the First Closing, Sponsor could control the Residential Board and the Condominium Board notwithstanding the fact that Sponsor no longer owns Units. Sponsor reserves the right to relinquish and regain voting control of the Residential Board and the Condominium Board at any time. During the period that Sponsor controls the Condominium Board or the Residential Board, as the case may be, Sponsor will have control of maintenance, facilities and services to be provided to Unit Owners and will determine the Residential Common Charges to be paid by all Residential Unit Owners. Please refer to the Section of the Plan entitled "Control by Sponsor" in Part I of the Plan for further details.

6. Sponsor and the owner of any Unsold Residential Units may exercise veto power over some actions of the Condominium Board and the Residential Board. Until Sponsor have conveyed title to all Residential Units, but in no event later than the later to occur of five (5) years after the First Closing or whenever the Unsold Units constitute less than twenty-five percent (25%) of the Common Interest, the Condominium Board or the Residential Board may not take any of the following actions without Sponsor's prior written consent: (a) make any addition, alteration or improvement to the Common Elements or to any Unit, or (b) assess any General Common Charges, or Residential Common Charges for the creation of, addition to or

replacement of all or part of a working capital, reserve, contingency or surplus fund, or (c) increase or decrease the number, or change the kind of, employees referred to in the Plan, or (d) enter into any service or maintenance contract for work not covered by contracts in existence on the date of the First Closing or otherwise provide services in excess of those referred to in the Plan, except as is required to reflect normal annual increases in operating services, or (e) borrow money on behalf of the Condominium, or the Residential Section, or (f) exercise a right of first refusal to lease or purchase a Residential Unit; provided, however, that Sponsor's written consent is not necessary to perform any function or take any action described in clauses (a) through (f) above, if the performance of such function or the carrying out of such an action is necessary to enable the Condominium Board or the Residential Board to comply with Laws, rules or regulations of any governmental authority having jurisdiction over the Condominium to remedy any notice of violation or to remedy any work order by an insurer (see the Section entitled "Control By Sponsor" for further details).

7. No amendment, modification, addition or deletion of the Declaration, By-Laws or Rules and Regulations shall be effective in any way, (a) without the prior written consent of the affected Commercial Unit Owner(s) with respect to any amendment, modification, addition or deletion of or to the By-Laws, the Declaration or the Rules and Regulations modifying the permitted uses of any Commercial Unit or affecting the rights, privileges, easements, licenses or exemptions granted to any Commercial Unit Owner or (b) without the prior written consent of Sponsor or its designee with respect to any amendment, modification, addition or deletion of or to the By-Laws, the Declaration or the Rules and Regulations modifying the permitted uses of the Building or any portion thereof or affecting the rights, privileges, easements, licenses or exemptions granted to Sponsor or its designee or otherwise adversely affecting Sponsor or its designee or the owner of any Unsold Residential Unit, as the case may be. (See the Section entitled "Rights and Obligations of Unit Owners and the Boards of Managers.")

8. At or subsequent to the First Closing, Sponsor will lease Residential Unit 209 in the Condominium to the Residential Board, to be used as the Resident Manager's residence (the "Resident Manager's Unit"). The lease for the Resident Manager's Unit will be for a five (5) year period beginning as of the First Closing. The rent for the Resident Manager's Unit will be $1 per year. The costs of utilities, Common Charges, and real estate taxes attributable to the Resident Manager's Unit will be borne by the Residential Board as a Residential Common Expense. There is no guarantee that the Sponsor will continue to make the Resident Manager's Unit available for use by the Residential Board beyond the aforementioned five (5) year period, and if the Sponsor does so make the Resident Manager's Unit available, no representations are made regarding the rental or use and occupancy which will be charged by the Sponsor therefor. In the event that after five (5) years the Sponsor does not make the Resident Manager's Unit available for the use by the Resident Manager, there may be no apartment in the Building for use of the Resident Manager in the Building. In such event: (i) the Residential Board must employ a superintendent for the Building who will be provided with an apartment within a distance of one block or two hundred feet from the Building or (ii) the New York City Housing Maintenance Code may require that the Residential Board employ a twenty-four hour a day janitorial service. The Condominium Budget for the First Year of Condominium Operation, includes expenses for the Resident Manager and the Resident Manager's Unit including, without limitation, real estate taxes and Common Charges. Please refer to Schedule B in Part I of the Plan for further details.

9. Construction is a complicated process requiring the coordination of numerous tasks, contractors and suppliers and the balancing of complex mechanical and architectural systems. No assurance can be given with regard to the accuracy of any projected completion dates set forth herein. During the first years of Condominium operations, construction workers and related personnel will be at the Property from time to time completing construction of the Building, making adjustments and corrections and performing various tasks related to the completion of construction, which may occur at all hours and could compromise the Building's security systems. During this period, various building systems, including but not limited to water supply air conditioning, heating, cooling, ventilating and elevators, may need to be shut down temporarily. Sponsor and its designees, including tenants performing work in the Commercial Units, will have the right to and may utilize elevators and other building systems and may install and retain scaffolding and other equipment on and in the Building to complete construction of the Building. Sponsor may not fully complete the decoration of portions of the Building, including, without limitation, the lobbies or corridors in the Building, the installation of light fixtures, the hanging of wall coverings or laying carpeting, until a particular portion of the Building is complete or a particular floor is fully occupied by Residential Unit Owners. The Condominium Board and or Residential Board may refuse to permit a Residential Unit Owner to perform alterations in a Residential Unit until such time as the Building has been completed and a permanent certificate of occupancy has been obtained therefor. Certain services, such as telecommunications, and other similar services may be provided by outside suppliers and delays in providing these services will not be the responsibility of Sponsor. Such suppliers may not provide these services until occupancy in the Building has reached certain levels. Portions of the Building may be completed after some or all of the Units and the fact that such portions of the Building have not been completed or are not available for use by Residential Unit Owners is not a basis for a Residential Unit Owner to refuse to close title to the Residential Unit. In addition, the presence of hoists or construction elevator shafts or similar temporary construction facilities, may delay the closing of title to certain Residential Units or lines of Residential Units until such hoists, elevators or temporary facilities are no longer needed and are removed. During the period when Sponsor is completing construction of the Building, moves into the Building may be restricted to certain periods when the elevators and other access to the Building are not being utilized by the construction trades. The first Temporary Certificate of Occupancy will issue for some but not all of the Residential Units and Sponsor may complete construction of certain Residential Units before others. Accordingly, Purchasers should be aware that they may be required to close title to their Residential Units while construction in other Units is continuing, possibly, for extended periods of time, and that noise, dust and other objectionable conditions inherent in a construction site may inconvenience Residential Unit Owners after they have taken occupancy of their Residential Units. The Project involves the complete renovation of the Building which was initially constructed in 1903-1904. As with any such renovation, Sponsor may be required to alter the plans and specifications to address existing conditions uncovered in the course of renovation. Any such material modifications will be disclosed in an amendment to the Plan and, if such modifications are materially adverse to Purchasers, such Purchasers will be given an opportunity to rescind their Agreements, as more particularly described in the Section of the Plan entitled "General." While Sponsor is performing substantial repair to the facade of the Building, the facade is an existing structural element of the Building and, as all prudent property owners are aware, a program of ongoing maintenance is typically required to insure the integrity of a building. Sponsor makes no representations or warranties regarding the facade of the Building

except as otherwise set forth in the Plan. Please refer to the Section of the Plan entitled "Description of Property" in Part I of the Plan for further details.

10. Residential Unit Plans depicting layouts of Residential Units appear in Part II of the Plan and in the Floor Plans. Purchasers should note that the square footage of each Residential Unit as reflected in Schedule A and the Floor Plans set forth in Part II of the Plan is approximate within reasonable tolerances and may change due to field conditions and construction variances and tolerances. Because dimensions listed are based on measurements from exterior walls, they do not accurately represent the interior space in the unit and may significantly exceed the actual floor area. Floor area may include columns, mechanical pipes shafts, shaftways, chases, chaseways and conduits which may be incorporated behind protruding walls or may be separately enclosed as freestanding columns thereby reducing the available floor area. The clearance between the top of the floor slab on one floor and the top of the floor slab on the next floor will vary among the Units and certain Units may have less clearance and certain rooms within other Units may have a lesser clearance as the result of construction variances or the presence of beams and mechanical spaces in such Units. Kitchens, bathrooms and hallways typically have dropped ceilings. Please refer to the Footnotes to Schedule A in Part I of the Plan the "Description of Property" in Part II of the Plan for further details.

11. The first year of condominium operation is estimated to be April 1, 2006 through March 31, 2007. As in any newly constructed project, given the vagaries of the construction process, as more particularly described above, it is difficult to predict, with precision, the date Sponsor will first be able to close title to the Residential Units. Accordingly, the First Closing may occur sooner or later than the projected first year of condominium operation and closings to certain Residential Units may occur substantially before or after closings for other Residential Units. See the Section entitled "Description of Property and Improvements" under the heading "Construction of the Building" in Part I of the Plan for further details.

12. The real estate tax estimates for each Residential Unit were calculated on the assumption that the real estate taxes for the residential portion of the Building payable with respect to each Residential Unit for the first year of Condominium operation will be allocated in proportion to each Residential Unit's percentage interest in the Common Elements. The tax figures set forth on Schedule A are estimates only and actual real estate taxes for the first year of condominium operation may be higher or lower. Upon determination of individual tax lots and individual Residential Unit assessments, the New York City tax authorities may allocate taxes between the Residential Units in proportion to each Residential Unit's purchase price rather than its Common Interest, and, if so, Residential Units having the same purchase price will pay higher real estate taxes than are reflected on Schedule A. Sponsor, at its sole cost and expense, intends to apply for partial exemption from real estate taxes with respect to the Building pursuant to Section 421-g of the New York State Real Property Tax Law. There is no guaranty or assurance that the criteria for continued availability of Section 421-g benefits for the Residential Units will be satisfied or that a Final Certificate of Eligibility will be issued by New York City Department of Housing Preservation and Development ("HPD"). If, for any reason, Sponsor's application for a Final Certificate of Eligibility is not approved, the Units will be subject to full taxation and will receive no benefits under Section 421-g. The fact that 421-g Benefits are ultimately not received shall not be a basis for a Purchaser to rescind an Agreement or otherwise fail to close title to a Unit. SPONSOR MAKES NO REPRESENTATION THAT THE ASSESSED VALUE

OF THE PROPERTY, THE ESTIMATED ALLOCATIONS OR THE TAX RATE WILL NOT BE CHANGED. PURCHASERS ARE ADVISED THAT THE NEW YORK CITY TAXING AUTHORITIES HAVE IMPLEMENTED SIGNIFICANT INCREASES IN THE TENTATIVE ASSESSED VALUATIONS FOR NEW CONSTRUCTION CONDOMINIUMS FOR THE TAX YEAR 2005/2006 WHICH DO NOT APPEAR CONSISTENT WITH THEIR VALUATIONS IN PRIOR YEARS. SPONSOR MAKES NO REPRESENTATIONS REGARDING THE METHODOLOGY WHICH THE TAXING AUTHORITIES WILL USE IN FUTURE TAX YEARS. Moreover, Purchasers should note that the real estate taxes for the first year of Condominium operation (assuming no 421-g benefits) are less than taxes would be for the second year of Condominium operation without 421-g benefits since the first year's tax estimate includes a period of assessed valuation of the Property prior to the completion of the Building, which is a substantially lower valuation. Please refer to the Section of the Plan entitled "Real Estate Taxes" in Part I of the Plan for further details

13. Sponsor and any subsequent owner of the Commercial Units have the right to subdivide and combine portions of their respective Units, subject to the provisions of the Declaration and By-Laws. The Commercial Units may be used for any lawful purposes, except as otherwise set forth herein. The Residential Unit Owners may not have control over the uses of the Commercial Units. (See "Commercial Units" for further details). The use of the Commercial Units may generate noise, traffic, fumes or other disturbances over which the Residential Unit Owners will have no control. The Commercial Units share the cost for certain expenses based upon allocable percentage interest and shares other costs based upon anticipated usage. Please refer to the "Introduction" Section of the Plan under the subsection entitled, "Features of Condominium Ownership" and Schedule B for further details regarding the allocation of Common Expenses.

14. Sponsor intends to eventually sell the Units under the terms of the Plan. However, the property is subject to a Master Lease entered into by the current owner, Cocoa Partners, L.P. to Master Cocoa Exchange, LLC which in turn subleases the Property to Master Exchange Subtenant, LLC (the "Chevron Agreements") whereby Chevron TCI, Inc. ("Chevron") is an investor member of the various entities. Under the terms of the Chevron Agreements, Sponsor is only permitted to sell the twenty (20) Residential Units during the five year period beginning on that date which is five (5) years from the date the building is put into service (the "Restricted Period"). However, under the Chevron Agreements, Sponsor reserves the right to negotiate with Chevron for the right to sell more than the allowable twenty (20) Residential Units before the end of the Restricted Period. Under the terms of this Plan, Sponsor and the owners of the Commercial Units have reserved the right to rent or lease any Commercial Unit or the Unsold Residential Units (including those one hundred six (106) Residential Units subject to the agreement with Chevron) prior to closing the sale thereof to the Purchaser thereof or any other party, to cease marketing Units for sale at any time, in Sponsor's sole discretion or to use or offer the Commercial Units and the Unsold Residential Units for any lawful purpose. Certain Residential Units may be occupied under short-term leases having a term in excess of thirty (30) days. Residents of the Condominium will be comprised of both Residential Unit Owners and tenants leasing from Sponsor or other Residential Unit Owners. Accordingly, it is possible that a significant proportion of Residential Unit Owners will not be residents of the Building and that a significant portion of tenants in the Building may not be Residential Unit Owners. As a consequence of the foregoing, a Residential Unit Owner seeking to resell or refinance a

Residential Unit may experience difficulty. Because Sponsor is not limiting the conditions under which it will rent rather than sell units, there is no commitment to sell more units than the fifteen percent (15%) necessary to declare the Plan effective and owner-occupants may never gain effective control and management of the Condominium. See the Section entitled "Introduction" under the Subsection "Features of Condominium Ownership" in Part I of the Plan for further details.

15. The By-Laws do not include a provision that after the Sponsor Control Period, a majority of the Board must be owner-occupants or members of an owner-occupant's household who are unrelated to Sponsor and its principals. In addition, non-resident owners, including Sponsor, have no investment in their Residential Units and, therefore, do not share the same economic interests as Unit Owners in the maintenance and care of the Building's facilities and amenities and owner-occupants and non-resident Unit Owners, including Sponsor, may have inherent conflicts on how the Condominium should be managed because of their different reasons for purchasing (i.e., purchase as a home as opposed to as an investment). Purchasers are referred to the By-Laws for further details.

16. Individuals leasing Units from Sponsor will not, except as expressly provided in their respective leases, have any special rights to purchase such Units. In addition, a Purchaser may be acquiring a Unit that has been previously occupied, but such Unit will be delivered at closing free and clear of all leases and tenancies except as may otherwise be agreed to in writing by the parties. Any lease for a Residential Unit entered into with a Purchaser will provide, however, among other things, that an uncured default by the Purchaser under the Agreement with respect to the Unit which is the subject of the lease will constitute a default under the lease entitling Sponsor, at its sole option, to terminate such lease in accordance with applicable Law. In addition, each Agreement may provide that an uncured default by the Purchaser under any lease with respect to the Unit which is the subject of the Agreement will constitute a default under the Agreement entitling Sponsor, at its sole option, to terminate such Agreement and to exercise any remedies therein provided. See the Section entitled "Interim Leases" in Part I for further details.

17. Pursuant to the Declaration and By-Laws, the Residential Units may be used for residential purposes or other lawful purposes subject to conditions set forth in Section 9.1 of the Declaration. Sponsor and its designee may use the Residential Units for any purpose permitted by Law and may modify the certificate of occupancy to reflect a change in use. Please refer to the Section of the Plan entitled "Rights and Obligations of Unit Owners and the Boards of Managers" under the Subsection entitled "Use of Units" for further details.

18. No bond or other security has been posted by Sponsor to secure its obligation to pay Common Charges, special assessments and real estate taxes with respect to the Commercial Units and the Unsold Residential Units or to complete renovation and construction of the Condominium. Sponsor represents that it has the financial resources to meet such obligations with respect to Unsold Residential Units. Sponsor will pay the Common Charges for the Commercial Units for so long as such Units are owned by Sponsor. Please refer to the Section of the Plan entitled "Rights and Obligations of Sponsor" in Part I of the Plan for further details.

19. The exterior surface of all windows in the Residential Section if so determined by the Residential Board shall be washed and cleaned by the Residential Board and the cost and expense thereof shall be a Residential Common Expense and be specially assessed against each Residential Unit Owner. Otherwise, the exterior of all windows in the Residential Section shall be washed or cleaned at the cost and expense of the Residential Unit Owner. The interior glass surfaces of all windows located in any Unit and the exterior glass surfaces of all windows located in the Commercial Units shall be washed and cleaned at the sole discretion of the Unit Owner or occupant thereof at such Unit Owner's sole cost and expense. Please refer to the Section of the Plan entitled "Rights and Obligations of Unit Owners and the Boards of Managers" under the subsection entitled "Repairs to and Maintenance of Units and Common Elements" in Part I of the Plan for further details. The Budget for first year of Condominium operation does not include any expenditure for window washing.

20. Purchasers shall be obligated to pay the NYC Real Property Transfer Tax and NYS Real Property Transfer Tax which by Law are the primary obligation of a seller. For purposes of calculating the taxes payable, the amounts of such taxes will be included in the consideration subject to such tax. Purchasers who acquire two or more Residential Units that have not been combined into a single residence prior to the transfer will be obligated to pay the NYC Real Property Transfer Tax at the commercial rate of 1.425% of the purchase price of a residential unit that is less than $500,000 and 2.625% of the purchase price of a Residential Unit that exceeds $500,000. If the purchase price of the Residential Unit is $1,000,000 or more, Purchaser shall also be obligated to pay the New York State Additional Tax pursuant to Article 31 of the Tax Law, commonly referred to as the "Mansion Tax," currently one percent (1%) of the purchase price, which by Law is the primary obligation of the Purchaser. (See the Section entitled "Closing Costs and Adjustments" for further details).

21. Construction of the Building is being financed by Anglo-Irish Bank Corporation PLC, for itself and as agent for any other lenders who participate in the construction loan (the "Construction Lender"), which financing is secured by, among other things, mortgages and security agreements (collectively the "Construction Loan"). Sponsor's offer to sell the Residential Units under this Plan is contingent upon the Plan being declared effective pursuant to Section 20.3(q) of Title 13 NYCRR. Under the terms of the regulations, Sponsor may not declare the Plan effective until Agreements are signed by bona fide purchasers for fifteen percent (15%) of the Residential Units offered under the Plan (or 20 Residential Units). Please refer to the Sections entitled "Effective Date" and "Rights and Obligations of the Boards of Managers and Unit Owners" in Part I of the Plan for further details.

22. Purchasers or any other persons entering into a lease or use and occupancy agreement for a Residential Unit shall be required to pay the legal fees of Sponsor's counsel in connection therewith upon execution of the lease or use and occupancy agreement. Such legal fees are estimated to be approximately $1,500 assuming that the Purchaser's counsel does not negotiate the terms of the lease. All other charges or other fees due under a lease or use and occupancy agreement shall be adjusted as of the Closing to the Unit. Notwithstanding any of the foregoing, Sponsor shall be under no obligation to enter into any lease or use and occupancy agreement. See the Section entitled "Rights and Obligations of Sponsor".

23. All legal costs, fees and expenses charged by the Purchaser's attorney shall be the sole responsibility of each Purchaser. In addition, Purchaser shall also be responsible for payment of the following fees to Sponsor's attorneys, Stroock & Stroock & Lavan LLP, in connection with the closing of title to Purchaser's Unit: (i) the sum of $2,000 to reimburse Sponsor for its legal fees, (ii) if the Purchaser requests the Closing to occur other than at the offices of Stroock & Stroock & Lavan LLP or such other place as Sponsor may designate in its closing notice and Sponsor consents to such change, an attendance fee of $500 for each Closing held within Manhattan and $700 for each Closing held in any borough outside Manhattan, (iii) if the closing is adjourned through no fault of Sponsor, an additional fee of $500 for each such adjournment to help defray the cost of preparing for and coordinating the new closing; and (iv) if Sponsor, in its sole discretion, consents to a Purchaser's request for an assignment of the Agreement, or for the addition, deletion or substitution of names on the Agreement, a fee of $1,000, payable in advance, for preparation of an assignment agreement. Please refer to the Section of the Plan entitled "Closing Costs and Adjustments" for further details.

24. It is presently contemplated, and the Budget for the First Year of Condominium Operation provides, that a uniformed doorman will be on duty at the Lobby of the Building twenty-four (24) hours a day, seven (7) days a week. The doorman's hours of duty may be reduced until title to fifty (50%) percent of the Residential Units have been conveyed to Purchasers under the Plan, provided, however, that there will be at least one (1) doorman/concierge on duty twenty-four (24) hours per day, seven (7) days per week as of the First Closing. Please refer to the Budget for the First Year of Condominium Operation set forth as Schedule B to the Offering Plan for further details.

25. Purchasers should note that in the current real estate market, banks and other lenders may be imposing various restrictions on loans. Such restrictions include requiring that a certain percentage (50% or more) of the units in a building be sold before the lender will consider making a loan. Thus it may be possible for a Purchaser to experience difficulty obtaining a loan in a building where the percentage of units purchased is lower than a lender's particular sales minimum. Even once a building undergoes conversion, lenders may still impose minimum sales requirements before granting a loan. It then may be difficult for a Purchaser to resell an apartment if prospective buyers are unable to obtain a loan due to such minimum sales requirements. Purchasers should further note that pursuant to existing Law and regulation, Sponsor may declare the Plan effective upon selling a minimum of fifteen (15%) percent of the Units offered for sale in the Building. Even if the Plan is declared effective with a minimum number of sales, it is possible that Sponsor may be able to submit the Property to a condominium regime and convey Units with fewer than the minimum number of sales if purchasers counted towards effectiveness do not ultimately purchase a Unit. Please refer to the Section entitled "Effective Date" in Part I of the Plan for further details.

26. Sponsor's offer to sell the Units under this Plan is contingent upon the Plan being declared effective pursuant to Section 20.3(q) of Title 13 NYCRR (i.e., Agreements signed by bona fide purchasers for 15% of the Units offered under the Plan). Please refer to the Section of the Plan entitled "Effective Date" for further details.

27. Sponsor may agree to modify the floor plans and finishes of certain Residential Units or to do special work or provide extras to the Residential Units if requested by individual

Purchasers and agreed to by Sponsor, in writing, in its sole discretion. Unless otherwise agreed to by Sponsor, a Purchaser shall bear the cost of such modification to floor plans and finishes. All funds received by Sponsor from Purchasers for such modified or additional work in Units, as aforesaid, shall be initially placed in escrow and shall be paid to Sponsor by the escrow agent to be used by Sponsor to pay for such work. Accordingly, in the event a Purchaser becomes entitled to rescission after the release of such funds, the Purchaser shall not receive a refund of any funds used for special work or extras. Please refer to the Section of the Plan entitled "Procedure to Purchase" in Part I of the Plan for further details.

28. The Contingency provided for in the Projected Budget for the First Year of Condominium Operation (Schedule B) is intended to provide a fund for unanticipated expenses not included in the budget and, for increases in operating expenses above the amounts projected. No other reserve fund for capital expenditures has been established. The Contingency is not intended and may not be sufficient to meet the cost of any major capital repairs or replacements which may be required. If funds are required to meet such costs, it may be necessary to increase monthly Common Charges or institute a special assessment of Common Charges. There are no limitations as to how the Working Capital Fund may be employed during any period, including the period that Sponsor controls the Residential Board (see the Section entitled "Control By Sponsor"). See the Section of the Plan entitled "Working Capital Fund" for further discussion.

29. As more fully set forth in the Section of the Plan entitled "Rights and Obligations of Sponsor" Sponsor is obligated to construct the Building in accordance with all applicable codes and filed building plans and specifications as well as the provisions of the Plan. The Housing Merchant Implied Warranty Law (General Business Law Article 36-B) is not applicable to this offering. Sponsor is not making any express or implied warranties of fitness for a particular purpose, merchantability or habitability. Unless caused by a violation of the Sound Transmission Code or other applicable code, there is no warranty as to sound transmission. Unless caused by a violation of an applicable code with regard to the ventilation system or other applicable code, there is no warranty as to odors. Unless caused by a code violation, there is no warranty with respect to mold, mildew, spores, fungi or other toxins. There is no warranty as to view or light quality. The sponsor's obligation, regardless of any limitations in the warranty, is to construct the premises in accordance with al applicable codes and files plans and specifications, and any conflict between the disclaimers and the Sponsor's obligation to construct the premises in accordance with all applicable codes and filed plans and specifications shall be resolved in favor of the latter. In no event will Sponsor be liable for incidental or consequential damages (whether based on negligence, breach of contract, warranty, or otherwise). In the event of any conflict between the foregoing disclaimers and Sponsor's obligations to construct the Building in accordance with all applicable codes and filed building plans and specifications as well as the provisions of the Plan, Sponsor's obligations to construct the Building in accordance with all applicable codes and filed building plans and specifications as well as the provisions of the Plan will control. See the Section entitled "Rights and Obligations of Sponsor" under the Subsection entitled "Sponsor's Obligations With Respect to the Building" in Part I of the Plan for further discussion.

30. The Condominium Board, the Residential Board and the Commercial Board, at the request of Sponsor or a Commercial Unit Owner, will enter into a recognition agreement with any tenant with which Sponsor or a Commercial Unit Owner has entered into a lease for all or

any portion of the Commercial Units. Under the terms of the recognition agreement, the tenant will acknowledge that the lease is subject and subordinate to the Declaration and the Boards will agree that the rights of the tenants under the lease(s) will not be disturbed in the event of a default by the Commercial Unit Owner. Please refer to the Section of the Plan entitled "Commercial Units" for further details.

31. In order to meet the possible varying demand for number and type of Residential Units, or to meet particular requirements of prospective purchasers, or for any other reason, Sponsor reserves the right at any time and from time to time, before and after the recording of the Declaration, without giving prior notice and without the consent of any Board, Unit Owner or mortgagee, to (a) change the layout of, or number of rooms in, any Unsold Residential Unit, (b) change the size and/or number of Unsold Residential Units by dividing one or more such Units into two or more separate Unsold Residential Units, combining separate Unsold Residential Units (including those resulting from such subdivision or otherwise) into one or more Unsold Residential Units, altering any boundary walls between one or more Unsold Residential Units, or otherwise, including incorporating Common Elements (such as a portion of a hallway) which exclusively benefit an Unsold Residential Unit into such Unsold Residential Unit (without changing the Common Interests), (c) designate a Common Element as part of a newly created or expanded Residential Unit or Commercial Unit or designate all or part of a Residential Unit or a Commercial Unit as a newly created or expanded Residential Unit, Commercial Unit, Residential Common Element, Commercial Common Element or Limited Common Element and (d) if appropriate, reapportion among the Unsold Units affected by any such change, their aggregate Common Interests. No change will be made in the size or number of Units and/or their respective percentages of common interest, and no material change will be made in the size or quality of Common Elements, except by amendment to the Plan and, when applicable, to the Declaration. After the Condominium Documents have been recorded any such amendment to the Plan will also require an amendment to the Condominium Documents. Sponsor may not change the size, location of the building or Units or other improvements or Common Elements if such changes affect the percentage of Common Interests or adversely affect the value of any unit to which title has closed or for which an Agreement has been executed and is in effect unless all affected Unit Owners and contract vendees consent in writing to such change. After the Condominium Documents have been recorded any such amendment to the Plan will also require an amendment to the Condominium Documents. Please see the Section of the Plan entitled "Changes in Prices and Units" for further details.

32. Each Purchaser will be obligated to enter into a power of attorney at the closing of title to the Unit (the "Power of Attorney"). The form of Power of Attorney, set forth in Part II of the Plan, grants broad powers to the Condominium Board and the Residential Board to enter into agreements affecting the General Common Elements and Residential Common Elements, as the case may be. The Power of Attorney also grants to Sponsor certain rights, including the right to amend the Condominium Declaration with respect to Unsold Residential Units and the Commercial Units. Please refer to the form of Power of Attorney set forth in its entirety in Part II of the Plan.

33. The Building is located in the Special Lower Manhattan District, and has been designated as an Individual Landmark by the New York City Landmarks Preservation Commission and is governed by the provisions of Title 25, Chapter 3, Sections 25-301 *et seq.*,

formerly known as Chapter 8-A, of the Administrative Code of the City of New York entitled "Landmarks Preservation and Historic Districts" pursuant to Notice recorded June 15, 1991 in Reel 3305 page 998. This designation imposes special restrictions upon the construction, alteration, demolition and reconstruction of the Building. In the event any such construction, alteration, demolition or reconstruction of the Building would affect the exterior of the Building, the Condominium will have to apply to the Landmarks Preservation Commission ("LPC") for permission to perform such work. LPC, before approving the work could impose additional requirements or conditions which could increase the cost and time required to complete the work. In addition, where proposed work in the Building requires a building permit, notwithstanding the fact that such work does not affect the protected exterior of the Building, the LPC requires that a "certificate of no effect on protected architectural features" be issued and a Unit Owner will be required to comply with all applicable Law with respect to any proposed work.

34. The roofs of the Building will include a common roof deck and laundry room which will be available for the common use of all Residential Unit Owners. Cooling towers and other mechanical equipment necessary for the maintenance and operation of the Building and the Units will be located on the roof. The Condominium Board with respect to the Common Elements, the Residential Board with respect to the Residential Common Elements and Residential Limited Common Elements and the Commercial Board with respect to the Commercial Common Elements and Commercial Limited Common Elements will be responsible for ensuring that the mechanical equipment is operated in accordance with Law, including requirements governing acceptable levels of noise and odor emissions. In addition, Sponsor shall have, and the Units and Common Elements shall be subject to, an easement to use the Common Elements of the Building other than those portions which comprise Residential Limited Common Elements for any lawful purposes including, but not limited to, the purposes of (a) installing, utilizing, operating, maintaining, repairing, altering, rebuilding, restoring and replacing satellite dishes and other communication equipment and similar equipment on the roofs and facade of the Building and elsewhere on the Common Elements and within the conduit and other Facilities relating thereto and (b) maintaining any encroachment on any Unit, or any Common Elements or elsewhere on the Property resulting from the installation, operation, maintenance, repair, alteration, rebuilding, restoration or replacement thereof; provided that access to any Unit or Common Element in furtherance of such easements shall be exercised in a manner as will not unreasonably interfere with the normal conduct of business of the tenants and occupants of the Commercial Section or with the use of the Residential Units for their permitted purposes. The aforementioned easements may be used by Sponsor for its own account or the account of any designee, assignee, tenant, licensee or other transferee of Sponsor or any purpose permitted by Law, and shall remain in effect after the Sponsor Control Period and after the Sponsor no longer owns any Units in the Building. The Condominium shall not be entitled to any portion of fees, compensation or other profits received by Sponsor for the use of the aforesaid easements or equipment. Any satellite dishes or other facilities placed upon the roof or facade of the Building or elsewhere on the Common Elements by Sponsor or its designee, assignee, tenant, licensee or other transferee shall be the exclusive property of Sponsor, its designee, assignee, tenant, licensee or other transferee and neither the Condominium nor any other Unit Owners shall have any rights with respect thereto. Please see the Section of the Plan entitled "Rights and Obligations of Unit Owners and the Boards of Managers" under the subsection entitled "Easements" for further details.

35. It is the responsibility of each Residential Unit Owner to notify the Managing Agent in writing when a child or children under the age of eleven (11) years lives or resides (even temporarily) in the Residential Unit. It is the responsibility of each Residential Unit Owner to install, at such Unit Owner's expense, the required window guards in all windows of the Residential Unit. The Residential Unit Owner shall maintain all window guards, if any, installed in the Residential Unit and shall not remove same until permitted by applicable Law and in any event, without full knowledge of the Managing Agent. Sponsor makes no representations whether Residential Unit Owners will comply with the foregoing obligations. See "Rights and Obligations of Unit Owners and the Board of Managers" for further details.

36. There is no provision for a specific reserve fund for the Condominium for the purpose of paying the cost of future capital repairs, replacements or improvements to the Premises (except that each Purchaser of a Unit shall pay into the Working Capital Fund of the Condominium a sum of equal to one (1) month of Common Charges for the Unit being purchased). Therefore, Unit Owners shall be obligated to pay their share of the cost of repair, replacements and improvements to the Common Elements as the need for the same arises, unless there are sufficient Working Capital or other funds available. See the Section entitled "Reserve Fund" in Part I of the Plan for further details.

37. In addition, Unit Owners shall be deemed "owners" of their respective Units with the obligation to comply with the requirements of Local Law 38 of 1999 regarding lead-based paint, if and to the extent the validity of such law is upheld by the courts. See "Rights and Obligations of Unit Owners and the Board of Managers."

38. The proposed insurance coverage for the first year of Condominium operation includes terrorism insurance, which is typically not maintained in the City of New York for residential buildings. There is no assurance that such insurance will be available in the future or at a price that the Condominium Board would be prepared to spend. It can be reasonably anticipated that without terrorist insurance, in the event of a terrorist attack, the Property would not be insured or would have insufficient insurance to rebuild or repair any damage and Unit Owners could be assessed to cover the costs of restoration and failure to pay such assessment could lead to a foreclosure of the Unit. Purchasers should further note that the insurance coverage maintained on behalf of the Condominium does not cover the individual Units or any Unit or any property contained in a Unit (including without limits, windows facing into each Unit which comprise part of the Unit). Pursuant to the By-Laws, each Residential Unit Owner will, at the Residential Unit Owner's own cost and expense, obtain and keep in full force and effect (a) comprehensive personal liability insurance against any and all claims for personal injury, death or property damage (including, but not limited to, loss due to water damage) occurring in, upon, or from the Unit or any Limited Common Element appurtenant thereto or any part thereof, with minimum combined single limits of liability of $1,000,000 for bodily injury or death arising out of any one occurrence including $1,000,000 for damage to property plus at least $2,000,000 umbrella liability coverage and (b) tenant's "all-risk" property insurance in respect of property damage occurring in, upon, or from the Unit or any part thereof (including, but not limited to appropriate coverage for additions, alterations improvements and betterments and loss due to water damage as well as personal property). The limits of liability and other requirements with respect to the Unit Owner's insurance may be modified by the Condominium Board from time to time.

39. Sponsor anticipates that it is likely that the Condominium will qualify as a homeowners association under Section 528 of the Internal Revenue Code. Assuming the Condominium does not qualify as a homeowners association, or if it does but chooses not to make the election to be a homeowners association, the present state of the Law is uncertain as to the tax treatment of any income of the Condominium in excess of appropriate deductions and credits. As discussed in the Attorney's Income Tax Opinion prepared by Stroock & Stroock & Lavan LLP and set forth in Part I of the Plan, the tax authorities may take the position that the Condominium is a separate taxable entity and that some or all of such income (including the nonmembership, and possibly membership, income described above less expenses related to such income) is subject to Federal corporate income tax, New York State Corporation Franchise Tax and New York City Corporate Franchise or Unincorporated Business Tax. Schedule B, Budget for the First Year of Condominium Operation, does not contemplate any substantial income which might be taxable and accordingly does not specifically budget any amounts for taxes for nonmembership or membership income. Alternatively, it is possible that some or all of such income might be reportable directly by the Unit Owners or otherwise treated. The tax treatment of the Condominium may be affected by certain United States Treasury Department regulations relating to entity classification. Please refer to the Attorney's Income Tax Opinion and the Section entitled "Taxes—Deductions to Residential Unit Owners and Tax Status of Condominium" in Part I of the Plan for further discussion.]

40. While Unsold Residential Units are being constructed and offered for sale or lease by Sponsor or its designees there will be a greater number of visitors to the Residential Section than would otherwise be the case. No representation or warranty is made and no assurance is given as to when such construction, selling or leasing activity will terminate. Neither Sponsor or its designee nor the Managing Agent shall be liable or responsible for any personal injury or for any loss or damage to personal property which may result from the failure of the Residential Section's or the Condominium's security systems and procedures, including, without limitation, those procedures with regard to any delivery of packages, provided that any such failure is not caused by the gross negligence of Sponsor or its designees, the Managing Agent or their respective agents. No representation or warranty is made and no assurance is given that the security systems and procedures of the Residential Section and of the Condominium will prevent personal injury or damage to or loss of personal property. Please refer to the Section of the Plan entitled "Description of Property and Improvements" under the subsection entitled "General" for further details.

41. Sponsor makes no representations or warranties regarding building construction in the area of the Condominium or whether the existing structures in the area will remain. Purchasers are advised that adjacent parcels or buildings may be further developed and such development could adversely impact upon the views from a Residential Unit.

42. The By-Laws provide that each Unit and all portions of the Common Elements will be kept in first-class condition (and with respect to any roof or other part of the Property exposed to the elements, free of snow, ice and accumulation of water to the extent same will cause damage to the Building) by the Unit Owner or appropriate Board, whichever is responsible for the maintenance thereof. In the event a Unit Owner fails to keep such Unit Owner's Unit in such condition, the appropriate Board may, at the expense of such Unit Owner, enter such Unit and perform such acts as are necessary to cure such default. (See the subsection entitled "Rights

of Access"). Each Unit Owner will be obligated to heat and cool such Unit Owner's Unit so as to maintain the appropriate temperature in such Unit Owner's Unit in order to avoid causing damage to the Common Elements or the Units, including, without limitation, freezing pipes and damage to the wood floors and moldings.

43. The wood floors can be sanded three (3) times before being replaced. In the event a Unit Owner fails to so maintain the Unit, such Unit Owner may be liable for any damage arising from such failure, including, without limitation, any claims pertaining to environmental hazards such as mold or other bacterial contamination.

44. All references in the Plan to "floors" are "marketing" designations and not the designation given to the floors on the plans submitted to the New York City Department of Buildings.

45. All determinations with respect to the continuance of services provided to the Residential Section, if initially made available, will be made by the Residential Board, which will be controlled by Sponsor during the Sponsor Control Period as described in the Section of the Plan entitled "Control by Sponsor." Please refer to the "Description of Property" set forth in its entirety in Part I of the Plan under the subsection entitled "Services and Facilities" for further details regarding services and facilities at the Property.

46. As set forth in the Description of the Property in Part II of the Plan, there are lot line windows on the west elevations of the Building which occur on Floors 5 through 15, at Unit 1 and Unit 9. Purchasers should note that if a Building is constructed on a neighboring parcel, or if an addition is constructed on an existing neighboring building, the lot line windows (which are located in each of the Residential Units as noted on the Floor Plans for each of the Residential Units), which are within 60 feet in a direct line (whether horizontally, vertically or diagonally) of such neighboring building, will have to be permanently closed and covered from the interior side with sheet rock. The obligation to permanently close the windows and the cost therefor, will be borne by each Unit Owner. Sponsor estimates the cost therefor to be approximately $2,000 per window. In the event that any windows must be covered as aforesaid, space within a Residential Unit, which had previously been constructed as a separate bedroom, may no longer be legally utilized as such. Sponsor has no actual knowledge of any plans by owners of neighboring buildings to either construct a new building or to increase the height of any existing building although Sponsor makes no representations or guarantees with respect thereto. Please refer to the "Description of Property" and the Floor Plans in Part II of the Plan for further details regarding the windows.

47. If Purchaser obtains a mortgage loan for the purchase of the Residential Unit (the "Purchase Money Mortgage"), the Purchaser will pay to Sponsor a sum equal to the partial mortgage tax credit to which Purchaser may be entitled pursuant to Section 339-ee(2) of the Condominium Act, which sum will be paid as a reimbursement for the mortgage recording tax previously paid by Sponsor in connection with any existing mortgage(s). Alternatively, Sponsor may require, in its sole discretion, that a Purchaser who is financing the purchase of said Unit with a Purchase Money Mortgage, must cause the lender making such loan to accept from the Sponsor an assignment of a portion of any mortgage securing the Property in an amount up to the Purchase Money Mortgage as determined by Sponsor. Upon such assignment, that portion of the

Purchase Money Mortgage assigned by Sponsor, will be exempt from mortgage recording tax under Section 255 of the Real Property Tax Law. Sponsor shall be solely entitled to the benefits of such exemption and accordingly, Purchaser must pay to Sponsor an amount equal to the mortgage recording tax which would have otherwise been due in connection with the recording of the Purchase Money Mortgage. (See the Section entitled "Closing Costs and Adjustments" in Part I of the Plan for further details).

48. The By-Laws provide that the Residential Board has the right, but not the obligation to require that before any Residential Unit is conveyed to a government or governmental mission, or to a department, agency or consulate of a government, or to any other party who or which may be entitled under applicable laws, conventions or treaties (including, without limitation, the United States Foreign Sovereign Immunities Act as same may be amended) to any present or future claim to any immunity, whether characterized as sovereign immunity or otherwise (or diplomatic or consular immunity, if applicable), from any legal or equitable proceedings in the United States of America or elsewhere, may occur or be valid or effective, the Residential Board may require that certain additional conditions be satisfied. Specifically, the Residential Board may require that the potential grantee enter into an agreement with the Residential Board, on terms acceptable to the Residential Board and its counsel, in which the potential grantee (i) agrees to a specified arrangement for service of process, (ii) expressly and irrevocably waives, to the full extent permitted by law (including, without limitation, the United States Foreign Sovereign Immunities Act, as same may be amended), with respect to the potential grantee, and with respect to any and all other intended occupants of the Unit, any present or future claim to any immunity, whether characterized as sovereign immunity or otherwise, (and diplomatic and consular immunity, if applicable) from any legal or equitable proceedings in the United States of America or elsewhere, brought by the Residential Board or any other party claiming with respect to the Unit (including without limitation, immunity from service of process, immunity from jurisdiction of any court or tribunal, and immunity of any of that party's property from attachment prior to entry of judgment and from attachment in aid of execution, and from execution itself, upon a judgment), (iii) agrees that any legal action or proceeding with respect to the Unit may be brought in the courts of the State of New York, and in the City of New York, or in the United States District Court for the Southern District of New York, as the Residential Board shall elect, and (iii) permits execution and enforcement of any judgment obtained by the Residential Board. The foregoing provisions do not apply to sales of Unsold Residential Units.

49. Purchasers are advised that there is a laundry room planned in the Building, to be located at the rooftop penthouse. In addition, Sponsor is providing washer/dryer hook-ups in each Residential Unit numbered 1, 5 and 9 on each of floors 2 through 14. The dryer hook-up will not include external ventilation, and Purchasers wishing to purchase a dryer for such a Unit must purchase a dryer which does not require external ventilation. Please refer to the "Description of Property" in Part II of the Plan for further details.

50. It is anticipated that electricity for the Building will be provided by Consolidated Edison Company or such other utility company providing electricity to the Building. The electricity consumed by each Unit will be separately metered and paid for by the individual Unit Owners. All electricity supplied to the General Common Elements of the Building will be separately metered and accounted as part of the Common Charges payable by all Unit Owners.

Purchasers are advised that utility costs may increase dramatically during certain periods and there is no guaranty that the utility costs will be as estimated in the Plan given the current energy situation. Please refer to "Schedule B- Projected Budget for First Year Of Condominium Operation", "Schedule B-1 – Projected Energy Costs" in Part I of the Plan and the "Description of Property" in Part II of the Plan for further details.

51. Sponsor has reserved the right to rent or lease any Unit prior to closing the sale thereof to the Purchaser thereof or any other party, to cease marketing Units for sale at any time, in Sponsor's sole discretion or to use or offer the Unsold Units for any lawful purpose. Except where otherwise prohibited by Law, certain Units may be occupied under short term leases, having a term in excess of thirty (30) days. Accordingly, residents of the Condominium will be comprised of both Unit Owners and tenants leasing from Sponsor or other Unit Owners. Accordingly, it is possible that a significant proportion of Unit Owners will not be residents of the Building and that a significant portion of tenants in the Building may not be Unit Owners. As a consequence, a Unit Owner seeking to resell or refinance a Unit may experience difficulty. In addition, residents of the Condominium who are not Unit Owners have no investment in their Units and, therefore, do not share the same economic interests as Unit Owners in the maintenance and care of the Building's facilities and amenities and owner-occupants and non-resident Unit Owners, including Sponsor, may have inherent conflicts on how the Condominium should be managed because of their different reasons for purchasing (i.e. purchase as a home as opposed to as an investment). Because Sponsor is not limiting the conditions under which it will rent rather than sell Units, there is no commitment to sell more than the fifteen percent (15%) necessary to declare the Plan effective and owner-occupants may never gain effective control and management of the Condominium. See the Section entitled "Introduction" under the Subsection entitled "Features of Condominium Ownership" in Part I of the Plan for further details.

52. (a) Pursuant to Section 17(h) of the Internal Revenue Code (the "Code"), the Board of Managers of the Condominium has the power and right to execute and deliver to an architectural trust of its choosing, in its sole discretion (the "Trust") a Conservation Deed of Easement (the "Facade Easement"). The Easement is to be delivered to the Trust and will be recorded in the Office of the City Register, New York County (such date of recordation is referred to as the "Easement Date").

(b) Such Easement shall provide, among other things, as follows: The Trust will have a permanent easement with respect to the exterior surfaces of the Building, including all walls, roofs and chimneys (such exterior surfaces are referred to in the Easement as the "Facade"). The Condominium may not undertake any of the following actions with respect to the Facade, without the express written consent of the Trust, which consent may be withheld, conditioned or delayed in the sole and absolute discretion of the Trust: (A) any alteration, construction or remodeling of existing improvements, or the placement of a sign or marker that would materially alter or change the appearance of the Facade; (B) the exterior extension of existing improvements or the erection of any new or additional improvements, except that the Trust will not unreasonably withhold its consent to the erection of new Improvements, including an architecturally consistent Facade, to replace existing improvements which have been wholly or partially destroyed; and (C) the painting or cleaning of the Facade in a manner incompatible with the protection and preservation of the Facade, provided that the maintenance,

reconstruction, repair and refinishing of existing elements of the Facade, damage to which has resulted from casualty loss, destruction or deterioration, is permitted as long as it is conducted in a manner which will maintain or recreate the essential appearance of the Facade, and provided further that dignified signs or markers may be placed on the Facade without the consent of the Trust so long as they (1) indicate no more than the street address and occupants of the premises, (2) are necessary to direct pedestrians or vehicular traffic, or (3) commemorate the history of the Property or the grant of the Facade Easement.

(c) Any rehabilitation work or new construction work on the Facade must comply with all applicable federal, state and local governmental laws and regulations, including the Secretary of the Interior's Standards for Rehabilitating Historic Buildings. The Trust may enter the Property at reasonable times and upon reasonable notice in order to inspect the Facade, which right of access does not include the inside of the Building. In the event of a violation of the Facade Easement and after the delivery of notice of default to the Condominium and an opportunity to propose a cure agreement to the Trust, the Trust may take any or all of the following actions: (A) commencement of legal proceedings to enjoin such violation and to require the restoration of the Property, including the Facade; (B) seek reimbursement from the Condominium of the Trust's reasonable costs and attorneys' fees in connection with such action; (C) entry upon the Property in order to correct the violation, at the expense of the Condominium; or (D) placement of a lien against the Property to secure the payment of any obligations of the Condominium arising under the Facade Basement. Any indebtedness represented by the Trust's lien under the Easement is a personal obligation of the Condominium and its successors and assigns.

(d) Each Owner of a Unit as of the Easement Date, including the Sponsor (each such Unit Owner being referred to herein as an "Eligible Unit Owner" and each such Unit being referred to as an "Eligible Unit"), should be entitled to receive a pro rata portion of the income tax charitable contribution deduction with respect to the tax year in which the façade Easement is granted (the "Easement Deduction"), as set forth in Section 170(h) of the Code. The amount of each Unit's pro rata share of the Easement Deduction should be computed by multiplying the fair market value of the Facade Easement (as determined by appraisal) by the Unit's fair market value -- both as determined by an appraiser commissioned by the Board and the Sponsor. The Sponsor has been advised that, historically, the fair market value of facade easements granted pursuant to Section 170(h) of the Code typically represents between ten percent (10%) and fifteen percent (15%) of the fair market value of the entire Property (the "Value Percentage"). Charitable contributions of property may be deducted by an individual in any year up to thirty percent (30%) (and in some cases, 50%) of an individual's adjusted gross income. Each Eligible Unit Owner who is entitled to a charitable contribution deduction (whether or not he claims such deduction for income tax purposes) must reduce the "tax basis" of his or her Unit by an amount equal to the product of the Value Percentage and the Eligible Unit Owner's tax basis. For example, if the appraiser determines that the Value Percentage is ten percent (10%) and the Eligible Unit Owner's tax basis in the Unit is $2,700,000, the tax basis would be reduced by ten percent (10%) to $2,430,000. Each Eligible Unit Owner who intends to claim the Easement Deduction on his income tax returns for the year should consult his accountant with respect to the advisability of not filing a return until such Unit Owner is notified that the Building has been listed on the National Register of Historic Places and he receives the necessary paperwork from the Trust.

(e) The Trust must maintain an endowment for the purpose of maintaining the organization in perpetuity in connection with the Facade Easement. As such, the Trust requires that a donation be made to the Trust in an amount equal to approximately four percent (4%) of the total Easement Deduction (the "Trust Donation"). Each Eligible Unit Owner must pay a proportionate share of the Trust Donation directly to the Trust within fifteen (15) days after a request by the Board to do so. Each Unit Owner's proportionate share shall be based upon a percentage calculated by dividing the fair market value of all Units by the fair market value of the particular Unit, both as determined by the appraiser. Any Eligible Unit Owner who does not pay such Unit Owner's proportionate share of the Trust Donation in a timely manner will not receive the documentation necessary to take advantage of the Easement Deduction. Each Eligible Unit Owner's share of the Trust Donation is also a charitable contribution and should be tax deductible by those Eligible Unit Owners who are otherwise entitled to the Easement Deduction.

(f) The Trust has agreed that if an Eligible Unit Owner elects not to claim the Easement Deduction or is not eligible to take the Easement Deduction, the Trust will not require him or her to pay any portion of the Trust Donation. The Trust will in no event, however, accept less than seventy-five percent (75%) of the aggregate amount that would have been paid to the Trust if each Eligible Unit Owner had made his or her share of the Trust Donation. Consequently, any shortfall below such seventy-five percent (75%) amount will be payable, pro rata based upon the respective shares of the Trust Donation, by the Eligible Unit Owners (including the Sponsor) who do pay their share of the Trust Donation. Each Eligible Unit Owner who pays his or her share of the Trust Donation will also be responsible for his or her pro rata share (as calculated above) of any fee due to the appraiser engaged to appraise the value of the Building and the Easement (the "Appraisal Fee"). THE SPONSOR MAKES NO REPRESENTATION OR WARRANTY THAT ANY DEDUCTION OR OTHER BENEFITS WILL RESULT FROM THE GRANT OF THE FACADE EASEMENT OR PAYMENT OF ANY PORTION OF THE TRUST DONATION, APPRAISAL FEE OR LEGAL FEE OR THAT A UNIT OWNER WILL BE ABLE TO CLAIM ANY SUCH DEDUCTION. ALL UNIT OWNERS AND PURCHASERS ARE URGED TO CONSULT THEIR LEGAL AND FINANCIAL ADVISORS.

53. Commercial Unit 1 is currently leased to Veteti Corporation for use in the provision of restaurant services. Veteti Corp has filed suit claiming among other causes of action, constructive eviction against Sponsor's contract vendor, Cocoa Partners, LP ("Cocoa Partners"). Cocoa Partners has answered the complaint in a timely manner, and Sponsor is not assuming any responsibility with respect to the prosecution of such litigation.

54. Although Sponsor is removing all devising walls in the Residential Units of the Condominium, Purchasers should be aware that certain walls may remain in the Commercial Units and in the Cellar which may be comprised in part of asbestos or asbestos containing materials.

55. Purchasers are advised that the Property is in the New York City Evacuation Zone A. Zone A includes all low lying coastal areas and other areas that could experience storm surge in any hurricane that makes landfall close to New York City. Zone A is described as facing the

highest risk of life threatening storm surge inundation. Please refer to the "Description of Property" in Part II of the Plan for further details.

56. The foregoing Special Risks are reasonably believed by Sponsor to involve significant risks to purchasers or be reasonably likely to affect disproportionately or unusually the Common Charges or obligations of Residential Unit Owners in future years of Condominium operation. However the foregoing does not reflect all of the material terms of the offering, which are set forth in detail in the Plan, certain of which may all be deemed by some Purchasers and not others to involve significant risks. Therefore all Purchasers should carefully review the entire Plan for complete disclosure of the terms before deciding whether or not to purchase a Residential Unit.

INTRODUCTION

Cocoa Condominium Sales, LLC, a Delaware limited liability company ("Sponsor"), hereby presents this offering plan (the "Plan") for the conversion to condominium ownership of the land (the "Land") together with the building erected thereon known as and having a street address of One Wall Street Court, New York, New York 10005, (the "Building") containing 126 residential units (the "Residential Units"), and 2 commercial units (the "Commercial Units"). The Land and the Building are collectively referred to herein as the "Property." The condominium will be known as "The Cocoa Exchange" and is herein called the "Condominium" in the Plan.

The purpose of the Plan is to set forth in detail all material facts relating to the offering by Sponsor of 20 Residential Units to Purchasers. Unit 209 is being retained by Sponsor and will be leased to the Residential Board to be used as the Resident Manager's residence. Sponsor reserves the right to divide the Commercial Unit without amendment to the Plan and to offer the Commercial Unit for sale by amendment to this Plan. Sponsor may from time to time amend or supplement the Plan by filing an amendment with the New York State Department of Law (the "Department of Law") and serving such amendment on Purchasers and Unit Owners.

Sponsor currently intends to sell the Units under the terms of the Plan. However, the Property is subject to a Master Lease by the current owner, Cocoa Partners, L.P. to Master Cocoa Exchange, LLC which in turns subleases the Property to Master Exchange Subtenant, LLC (the "Chevron Agreements") whereby Chevron TCI, Inc. ("Chevron") is an investor member of the various entities. Under the Chevron Agreements, Sponsor is currently precluded from selling more than twenty (20) Residential Units before the date which is five (5) years from the date of the Offering Plan. In the event Sponsor makes a bulk sale of all or some of the Unsold Residential Units, the transferee successor sponsor shall be bound by Sponsor's representations regarding the commitment to sell Residential Units. Sponsor reserves the right to negotiate with Chevron for the right to sell more than the allowable twenty (20) Residential Units prior to such date. Under the terms of this Plan, Sponsor and the owners of the Commercial Units have reserved the right to rent or lease any Commercial Unit or the Unsold Residential Unit (including those one hundred six (106) Residential Units subject to the agreement with Chevron) prior to closing the sale thereof to the Purchaser thereof or any other party, to cease marketing Units for sale at any time, in Sponsor's sole discretion or to use or offer the Commercial Units and the Unsold Residential Units for any lawful purpose. Certain Residential Units may be occupied under short-term leases having a term in excess of thirty (30) days. Accordingly, residents of the Condominium will be comprised of both Residential Unit Owners and tenants leasing from Sponsor or other Residential Unit Owners. Accordingly, it is possible that a significant proportion of Residential Unit Owners will not be residents of the Building and that a significant portion of tenants in the Building may not be Residential Unit Owners. As a consequence of the foregoing, a Residential Unit Owner seeking to resell or refinance a Residential Unit may experience difficulty. Because Sponsor is not limiting the conditions under which it will rent rather than sell units, there is no commitment to sell more units than the fifteen percent (15%) necessary to declare the Plan effective and owner-occupants may never gain effective control and management of the Condominium. See the Section entitled "Introduction" under the Subsection "Features of Condominium Ownership" in Part I of the Plan for further details.

The Plan is presented in two parts (in one volume) which together constitute the entire Plan. Part I sets forth a general description of the Plan and Part II contains the basic documents necessary to create the Condominium and to otherwise effectuate the provisions of the Plan. Also included in Part II is a detailed physical description of the Property, certifications of Sponsor and Sponsor's architect, certifications of an expert selected by Sponsor concerning the adequacy of the budget for the first year of Condominium operation and certain agreements to which the Condominium will be bound. In addition, Sponsor has filed exhibits to the Plan with the Department of Law, which are presented as Parts A (Certifications), B (General), C (Engineering) and D (Other Information). The Plan, including all Schedules set forth herein and Parts A, B, C and D of the exhibits, constitutes the entire offer of Sponsor. Copies of the Plan and the exhibits will be available for inspection by prospective Purchasers without charge at Sponsor's office and for inspection and copying at reasonable fees at the offices of the Department of Law and may be borrowed from Sponsor upon payment of a one hundred ($100) dollar deposit, which amount will be fully refunded upon either (i) the prompt return of all borrowed materials in good condition or (ii) the execution by the borrower of an Agreement subsequently accepted by Sponsor. All of these documents are important and should be carefully read by prospective purchasers. Prospective purchasers are also advised to consult with their own attorneys or other advisers before agreeing to purchase. Prices of Units are not subject to approval by the Department of Law or any other government agency. All capitalized terms used in the Plan shall have the meanings ascribed thereto in the Section entitled "Certain Definitions," unless otherwise indicated.

The Condominium

Sponsor is the contract vendee under a certain Purchase and Sale Agreement (the "Contract") dated as of July 1, 2005, between Sponsor as Purchaser, and Cocoa Partners, L.P., a Delaware limited partnership, as seller, having an address at c/o Cohasset Capital, 111 Pond Street, Cohasset, Massachusetts 02025. Pursuant to the Contract, Sponsor has the right to acquire the land designated as Tax Lot 17 in Block 28 on the Tax Map, and known by the street address One Wall Street Court, New York, New York and the improvements located thereon.

As more particularly described herein, the Building will include (a) a Residential Section containing the Residential Units, the Residential Common Elements and the Residential Limited Common Elements, and (b) a Commercial Section, which will contain the Commercial Units and the Commercial Common Elements.

The statute concerning condominiums in effect in the State of New York pursuant to which the Condominium will be organized is Article 9-B of the Real Property Law of the State of New York, as amended, commonly known, and hereinafter referred to as the "Condominium Act." The Property will be submitted to the provisions of the Condominium Act by Sponsor's recording of a condominium declaration in the City Register's Office (the "Declaration"). From and after the date of recording the Declaration, Sponsor will be the owner of the Units until each is sold or conveyed. The Condominium will comply with all statutes and regulations applicable to condominiums in the State of New York.

There will be available to occupants of the Residential Section, certain luxury apartment type services, including, but not limited to, 24-hour doorman service, automatic elevators, cable

television service, security systems and communication facilities. Sponsor does not warrant or guarantee that all of the foregoing services will be available until the earlier to occur of the closings of title to fifty (50%) percent of the Residential Units have been conveyed to Purchasers under the Plan, provided, however, that there will be at least one (1) doorman/concierge on duty twenty-four (24) hours per day, seven (7) days per week as of the First Closing.

The Commercial Section will initially include 2 Units: Commercial Unit 1 located on a portion of the Sub-Cellar, Cellar Floor, and a portion of the Lower Mezzanine, and Commercial Unit 2 located on a portion of the First Floor, Lower Mezzanine and Upper Mezzanine. The Commercial Units may include retail stores, commercial and professional offices, restaurants, banks, storage space or any other legal uses.

Features of Condominium Ownership

The ownership of a Residential Unit is similar in many respects to the ownership of a private home. Each Residential Unit Owner owns fee title to such Unit Owner's Residential Unit and is entitled to the exclusive possession thereof and the exclusive use of the Residential Limited Common Elements, if any appurtenant to such Residential Unit Owner's Unit subject to certain limitations more particularly described below. A Residential Unit Owner also owns, in common with the owners of all other Residential Units, an undivided interest in (and right to use) the Residential Common Elements, and, in common with the owners of all other Units, an undivided interest in (and right to use) the General Common Elements.

Subject to certain conditions contained in the By-Laws, each Residential Unit Owner may mortgage such Unit Owner's Residential Unit(s) with such lender and in such amount as the Unit Owner chooses. However, Sponsor makes no representations about the financiability of any Residential Unit. There are no limitations or restrictions upon the rights of the Commercial Unit Owners to mortgage the Commercial Units. Each Unit is separate and is not subject to the lien of any mortgage placed by other Unit Owners on their respective Units.

A Residential Unit Owner may decorate the interior of such Unit Owner's Residential Unit in any way desired except as otherwise provided herein, subject to compliance with the By-Laws, the Rules and Regulations and Law, and will be solely responsible for the cost of maintenance and interior repairs to such Unit Owner's Residential Unit after Closing. The Residential Board may not limit or restrict the rights of the Commercial Unit Owners to decorate the Commercial Units.

Each Unit will be taxed as a separate tax lot for real estate tax purposes, and after the Units have been separately assessed for taxes, no Unit Owner will be responsible for the payment of, nor will such Unit Owner's Unit be subjected to any lien arising from the non-payment of, real estate taxes on other Units. Please refer to the opinion of Stroock & Stroock & Lavan LLP, counsel to Sponsor, set forth in full in Part I of the Plan, for a discussion regarding the deductibility for federal, New York State and New York City income tax purposes, of real estate taxes and the interest paid on a mortgage, if any, on a Residential Unit.

With certain exceptions (for example, Sponsor is not required to give the Residential Board a right of first refusal with respect to any Unsold Units), any sale or lease of a Residential

Unit, will be subject to a right by the Residential Board to acquire or lease such Residential Unit or to produce a third party to acquire or lease such Residential Unit on the same terms as agreed to by the owner of such Residential Unit and the proposed transferee. Other than exercising its right of first refusal the Residential Board has no right to approve or disapprove purchasers and the By-Laws contain no requirement that such Purchasers be owner occupants of the Condominium. There is no limit on the number of purchasers who may purchase for investment rather than personal occupancy. Accordingly, there may always be a substantial percentage of owners who are non-residents. The Commercial Unit Owners may sell or lease all or any portion of the Commercial Units, without any restriction or limitation imposed pursuant to the Declaration or the By-Laws. For a more complete discussion of the foregoing, see the Section entitled "Rights and Obligations of Unit Owners and the Board of Managers" under the subsection entitled "Sales and Leases of Units."

The Residential Board will be responsible for deciding all matters solely concerning the Residential Section. Residential Unit Owners will have the right to vote for members of the Residential Board. The Commercial Board will be responsible for deciding all matters solely concerning the Commercial Section. Matters affecting both the Residential Section and the Commercial Section or affecting the General Common Elements will be decided by the Condominium Board, which shall be comprised of representatives of the Residential Board and of the Commercial Board. Sponsor will control the Condominium Board and the Residential Board during the Sponsor Control Period. Please refer to the Sections of the Plan entitled "Control by Sponsor" and "Boards of Managers" in Part I of the Plan for further details.

Sponsor currently intends to sell the Units under the terms of the Plan. However, under the terms of this Plan, Sponsor and the owners of the Commercial Units and any Unsold Residential Units have reserved the right to rent or lease any Commercial Unit or the Unsold Residential Unit prior to closing the sale thereof to the Purchaser thereof or any other party, to cease marketing Units for sale at any time, in Sponsor's sole discretion or to use or offer the Commercial Units and the Unsold Residential Units for any lawful purpose. Except where otherwise prohibited by Law, certain Residential Units may be occupied under short-term leases. Accordingly, residents of the Condominium will be comprised of both Residential Unit Owners and tenants leasing from Sponsor or other Residential Unit Owners. Accordingly, it is possible that a significant proportion of Residential Unit Owners will not be residents of the Building and that a significant portion of tenants in the Building may not be Residential Unit Owners. As a consequence of the foregoing, a Residential Unit Owner seeking to resell or refinance a Residential Unit may experience difficulty. In addition, residents of the Condominium who are not Unit Owners have no investment in their Residential Units and, therefore, do not share the same economic interests as Unit Owners in the maintenance and care of the Building's facilities and amenities and owner-occupants and non-resident Unit Owners, including Sponsor, may have inherent conflicts on how the Condominium should be managed because of their different reasons for purchasing (i.e., purchase as a home as opposed to as an investment). Because Sponsor is not limiting the conditions under which it will rent rather than sell units, there is no commitment to sell more units than the fifteen percent (15%) necessary to declare the Plan effective and owner-occupants may never gain effective control and management of the Condominium.

As more particularly set forth in the By-Laws, the Boards will have the authority to manage the Condominium, and the Unit Owners will have the right to vote for the members of the Boards. As more particularly set forth in the By-Laws and in accordance with the Condominium Act, Sections 339-i and -m, the cost of operating and maintaining the Residential Common Elements will be Residential Common Expenses borne entirely by the Residential Unit Owners, the cost of operating and maintaining the Commercial Common Elements will be Commercial Common Expenses borne entirely by the Commercial Unit Owners and the cost of operating and maintaining the General Common Elements will be shared by all Unit Owners. Residential Common Charges shall also be deemed to include any special assessment imposed by the Residential Board. To the extent practicable allocations and assessments of HVAC, water, steam and similar utilities and services (the "Utilities and Services") which are General Common Expenses will be based upon metered usage of such Utilities and Services or such other methods of allocation as the Condominium Board may determine. The Residential Board will allocate the Residential Common Expenses and the Residential Section's allocable share of General Common Expenses to the Residential Unit Owners in proportion to their respective Residential Common Interests except as otherwise expressly provided in the By-Laws. The Condominium Board cannot change the method of allocation of Common Expenses or increase the number of building employees servicing the Commercial Units as set forth in Schedule B, without the consent of the Commercial Unit Owners. Please refer to Schedule B "Projected Budget for First Year of Condominium Operation" and Schedule B-1 "Estimated Energy Costs", Purchasers should note that the amounts budgeted for projected energy usage are based upon estimates made by Sponsor's consulting engineer. However, in view of the current energy situation, and the fact that energy costs have fluctuated greatly, it is not possible to predict whether the budgeted amount will be sufficient to pay for the actual costs incurred in the First Year of Condominium Operation and actual utility costs and Common Charges may be higher than projected in the Budgets.

The cost of improvements, repairs, replacements, alterations and additions to the Residential Section, which are Residential Common Expenses, will be determined by the Residential Board and assessed against all Residential Unit Owners in proportion to their respective Residential Common Interests. The estimated Residential Common Charges for each Residential Unit for the First Year of Condominium Operation are set forth in Schedule A. The Commercial Board will be responsible for collecting all sums necessary to meet the obligations of the Commercial Section including, without limitation, payment of its pro rata share of General Common Charges.

After the closing of title to a Residential Unit, a Residential Unit Owner will be solely responsible for maintaining casualty insurance with respect to the Unit including its fixtures, equipment and personal property and improvements and betterments situated within and constituting a part of such Unit Owner's Residential Unit, as well as liability insurance with respect to occurrences in or about such Unit Owner's Residential Unit. The By-Laws require that each Unit Owner maintain such insurance coverage. The Condominium Board will be solely responsible for maintaining casualty and liability insurance with respect to the Common Elements, in accordance with the provisions of the By-Laws. All Unit Owners must comply with the terms of the Declaration, By-Laws, Rules and Regulations, Alteration Agreement and any other requirements of the Condominium Board, the Residential Board and/or the

Commercial Board, as the case may be. See the Section entitled "Rights and Obligations of Unit Owners and the Boards of Managers" for a more complete discussion of the foregoing.

There are no limitations on who may purchase Residential Units. Under the New York Real Property Law, a condominium unit may be owned by an individual, a corporation, a partnership, a limited liability company, an association, a trust or any other entity, which is permitted to take title pursuant to New York Law. Sponsor is not obligated to offer or sell any Residential Units and may, if it chooses, withhold one or more Residential Units for future sale. Sponsor hereby reserves the right at any time and from time to time for any reason whatsoever, without the consent of any of the Boards, any Residential Unit Owner or mortgagee, to refuse to approve and execute an Agreement for any Residential Unit; provided, however, that Sponsor shall not discriminate against any person because of race, creed, color, sex, sexual orientation, disability, marital status, age, ancestry, national origin or other grounds proscribed by Law. No binding obligation will arise for the sale of a Residential Unit unless and until an Agreement executed by both Purchaser and Sponsor, has been exchanged and Sponsor has collected the funds constituting Purchaser's required Deposit thereunder (see the Section entitled "Procedure to Purchase" for more details). Sponsor will not accept an offer of purchase from an individual younger than eighteen (18) years of age or an incompetent under Law.

Sponsor is financing the construction of the Building with Anglo Irish Bank Corporation PLC as more particularly described in the Part I of the Plan in the Section entitled "Rights and Obligations of Sponsor in the Subsection entitled "Sponsor's Obligations with Respect to the Building." While Sponsor currently intends to sell all of the Units in The Cocoa Exchange, Sponsor has reserved the right to stop marketing such Units and there is no restriction under the Construction Loan on the right of the Sponsor to rent Unsold Units.

The Condominium Board does not have the right to approve or disapprove purchasers, and as a result, there is no limit on the number of owners who may purchase a Unit for investment rather than for personal occupancy, and there may always be a substantial percentage of Unit Owners who are non-residents.

THE PURCHASE OF A CONDOMINIUM HAS MANY SIGNIFICANT LEGAL AND FINANCIAL CONSEQUENCES AND MAY BE ONE OF THE MOST IMPORTANT FINANCIAL TRANSACTIONS OF YOUR LIFE. THE ATTORNEY GENERAL OF THE STATE OF NEW YORK STRONGLY URGES YOU TO READ THIS OFFERING PLAN CAREFULLY AND TO CONSULT WITH AN ATTORNEY BEFORE SIGNING AN AGREEMENT TO PURCHASE A CONDOMINIUM.

Offering of Units for Sale

Sponsor hereby offers 20 Residential Units to Purchasers for sale under the Plan Unit 209 is being retained by Sponsor and leased to the Residential Board for use as the residence for the Resident Manager. All Units offered for sale under the Plan are vacant. The prices for each of the Residential Units offered under the Plan are listed in Schedule A entitled "Purchase Prices and Related Information for the Projected First Year of Condominium Operation." THESE PRICES HAVE BEEN SET BY SPONSOR AND ARE NOT SUBJECT TO APPROVAL BY ANY GOVERNMENTAL AGENCY.

Sponsor currently intends to sell the Units under the terms of the Plan. However, the Property is subject to a Master Lease by the current owner, Cocoa Partners, L.P. to Master Cocoa Exchange, LLC which in turns subleases the Property to Master Exchange Subtenant, LLC (the "Chevron Agreements") whereby Chevron TCI, Inc. ("Chevron") is an investor member of the various entities. Under the Chevron Agreements, Sponsor is currently precluded from selling more than twenty (20) Residential Units before the date which is five (5) years from the date of the Offering Plan. In the event Sponsor makes a bulk sale of all or some of the Unsold Residential Units, the transferee successor sponsor shall be bound by Sponsor's representations regarding the commitment to sell Residential Units. Sponsor reserves the right to negotiate with Chevron for the right to sell more than the allowable twenty (20) Residential Units prior to such date. Under the terms of this Plan, Sponsor and the owners of the Commercial Units have reserved the right to rent or lease any Commercial Unit or the Unsold Residential Unit (including those one hundred six (106) Residential Units subject to the agreement with Chevron) prior to closing the sale thereof to the Purchaser thereof or any other party, to cease marketing Units for sale at any time, in Sponsor's sole discretion or to use or offer the Commercial Units and the Unsold Residential Units for any lawful purpose. Certain Residential Units may be occupied under short-term leases having a term in excess of thirty (30) days. Accordingly, residents of the Condominium will be comprised of both Residential Unit Owners and tenants leasing from Sponsor or other Residential Unit Owners. Accordingly, it is possible that a significant proportion of Residential Unit Owners will not be residents of the Building and that a significant portion of tenants in the Building may not be Residential Unit Owners. As a consequence of the foregoing, a Residential Unit Owner seeking to resell or refinance a Residential Unit may experience difficulty. Because Sponsor is not limiting the conditions under which it will rent rather than sell units, there is no commitment to sell more units than the fifteen percent (15%) necessary to declare the Plan effective and owner-occupants may never gain effective control and management of the Condominium. See the Section entitled "Introduction" under the Subsection "Features of Condominium Ownership" in Part I of the Plan for further details.

The estimated Residential Common Charges for each Residential Unit for the First Year of Condominium Operation are also set forth in Schedule A.

Additionally, at Closing, each Purchaser of a Residential Unit will be required to make a contribution to the Working Capital Fund of the Residential Section. Such contribution, to be made at the time of Closing of the Residential Unit, shall be in an amount equal to one (1) month's Residential Common Charges in effect at the time of closing for each Residential Unit purchased. (See the Section entitled "Working Capital Fund and Apportionments").

In addition to the payment of Residential Common Charges, each Residential Unit Owner will be responsible for the payment of the real estate taxes which will be separately assessed against such Unit Owner's Residential Unit, interest and amortization payments on the mortgage, if any, which such Purchaser may, at such Purchaser's option, obtain, and charges for electricity consumed in such Unit Owner's Residential Unit and the costs for telephone, cable and similar services.

The charges for electricity consumed by each Unit Owner individually will be separately metered and billed directly to such Unit Owner by the utility provider. Water charges and sewer rents, assessed by The City of New York, will be billed to the Residential Section as a

Residential Common Expense. The costs and expenses of central heat and gas with respect to the Residential Section will be included in Residential Common Charges; Unit owners will be required to pay charges for electricity consumed for air conditioning for each Unit. Gas and water and sewer provided to the Commercial Units will be separately metered. Schedule A sets forth estimates of the amounts of real estate taxes which will be payable with respect to each Residential Unit. See the Notes to Schedule A with respect to the bases of such estimates.

DESCRIPTION OF PROPERTY AND IMPROVEMENTS

Construction of the Building

The Land is situated on a parcel located between Pearl Street and Beaver Street in the Borough of Manhattan.

The Building contains a Commercial Section, consisting of the Commercial Units and the Commercial Common Elements and a Residential Section consisting of the Residential Units, the Residential Common Elements and Residential Limited Common Elements.

Sponsor intends to substantially renovate an existing fifteen (15) story office building and add a Penthouse level floor to the building. The Building, including the individual Units therein, will be substantially completed in accordance with the Plans and Specifications and all applicable zoning and building Laws and other government requirements.

Under the present construction schedule it is anticipated that, except for finishing work to stairways, hallways and other areas of the Building which are not intended for the exclusive use of any particular Unit Owner and work, if any, which Sponsor agrees to perform in individual Residential Units at the request of Purchasers or Residential Unit Owners, the Residential Units will be substantially completed by June, 2006 and a first Temporary Certificate of Occupancy with respect to portions of the Building will be obtained on or about April, 2006 both subject to Unavoidable Delays. Sponsor does not, however, warrant or guarantee the foregoing completion or occupancy dates for the Building due to Unavoidable Delays. The first Temporary Certificate of Occupancy may issue for some but not all of the Residential Units and Sponsor may complete construction of certain Residential Units before others. Accordingly, Purchasers should be aware that they may be required to close title to their Residential Units while construction in other Units is continuing, possibly, for extended periods of time and that noise, dust and other objectionable conditions inherent in a construction site may inconvenience Residential Unit Owners after they have taken occupancy of their Residential Units.

Sponsor makes no representations or warranties regarding building construction in the area of the Condominium or whether the existing structures in the area will remain. Purchasers are advised that adjacent parcels or buildings may be further developed and such development could adversely impact upon the views from a Residential Unit. Sponsor does not own any adjacent parcels.

Sponsor has engaged Fifield Piaker Elman Architects PC, AIA ("Sponsor's Architect") as architects for the Building, Buro Happold Consulting Engineers as mechanical, electrical, structural and plumbing engineers of the Building. Construction of the Building is being financed by Anglo Irish Bank Corporation PLC, which financing is secured, among other things, by mortgages and security agreements.

Sponsor reserves the right to amend or modify the Plans and Specifications in any way not material to this offering or in a manner disclosed in this offering, including, without limitation, changing materials, appliances, equipment, fixtures and other construction and design details set forth therein or in the "Description of Property" set forth in Part II of the Plan and to substitute in their place similar materials, appliances, equipment and/or fixtures of substantially

equal or better quality, except that no change will be made in the size or number of Units or their respective percentages of Common Interest except by amendment to the Plan and the Declaration, if applicable. None of the foregoing shall give rise to a right of rescission on the part of any Purchaser and may be made without prior notice or amendment to the Plan.

Residential Units

Subject to the rights of Sponsor or its designee to change the number of Residential Units, there will be a total of 126 Residential Units situated on floors 2 through 14 and the Penthouse Floor of the Building. Descriptions of the Residential Units are set forth in the "Description of Property" in Part II of the Plan. See also the Section entitled "Changes in Prices and Units." Please refer to Schedule A, "Prices of Units and Related Information" for further details.

Except as otherwise agreed by the parties, the Residential Units will be delivered to Purchasers with a finish coat of paint. Each Purchaser will be obligated to do all other painting and decorating of the Residential Unit at such Unit Owner's own cost and expense. Any special work which a Purchaser desires for a Residential Unit prior to Closing shall only be performed following Sponsor's prior written consent thereto and Sponsor's designation or approval of all contractors and suppliers in connection therewith, which consent and approval shall be within the sole discretion of Sponsor. Residential Unit Owners shall install smoke detectors within 15 feet of every sleeping area or the ceiling or wall pursuant to Local Law 62 of 1981 of the City of New York, and if a child 10 years old or under lives in the Unit. Further, New York City requires the installation of carbon monoxide detectors in each Unit by owners of multiple dwellings.

Included in the sale of each Residential Unit are the following: refrigerator/freezer, kitchen cabinets, microwave, gas stove, automatic dishwasher, garbage disposal and individually controlled heating and cooling units. Additionally, the Sponsor will provide an electrical hook-up for an insinkerator. The manufacturer, model number and specifications for the foregoing appliances and equipment are set forth in the "Description of Property." As more fully set forth under the Section entitled "Description of Property and Improvements" under the Subsection entitled "Construction of the Building," these fixtures, appliances and equipment are subject to change by Sponsor. Sponsor may negotiate to make modifications or changes in any Residential Unit or to do special work therein or to provide different or additional appliances, equipment, furnishings or decorations, provided that Sponsor shall not be bound to do so unless agreed to by Sponsor in a written instrument which is incorporated as an addendum to the Agreement.

Sponsor and the owner of any Unsold Residential Unit reserve the right, without prior notice or amendment to the Plan, to use Common Elements and Unsold Residential Units on any floor of the Building as sales and leasing offices and model apartments. In the event Sponsor or its designee, thereafter, elects to sell such Unsold Residential Units, Sponsor or its designee may require the purchaser thereof to purchase all or any of the furniture, furnishings, equipment or decorations therein and pay, in addition to the purchase price for such Unsold Residential Unit, such amounts as Sponsor determines together with any sales tax due in connection therewith.

A Residential Unit Owner may only use such Unit Owner's Residential Unit for a purpose consistent with the local zoning ordinance, as amended from time to time, any other applicable ordinance or statute, and any regulation of a governmental authority with jurisdiction over the Condominium, including, but not limited to, local building codes and the Multiple Dwelling Law, as such statutes, ordinances and regulations may be amended from time to time, but in no event may a Residential Unit Owner use such Unit Owner's Residential Unit for a use violative of the By-Laws.

Resident Manager's Apartment

At or subsequent to the First Closing, Sponsor will lease Residential Unit 209 in the Condominium to the Residential Board, to be used as the Resident Manager's residence (the "Resident Manager's Unit"). The lease for the Resident Manager's Unit will be for a five (5) year period beginning as of the First Closing. The rent for the Resident Manager's Unit will be $1 per year. The costs of utilities, Common Charges, and real estate taxes attributable to the Resident Manager's Unit will be borne by the Residential Board as a Residential Common Expense. There is no guarantee that the Sponsor will continue to make the Resident Manager's Unit available for use by the Residential Board beyond the aforementioned five (5) year period, and if the Sponsor does so make the Resident Manager's Unit available, no representations are made regarding the rental or use and occupancy which will be charged by the Sponsor therefor. However, at the end of the five (5) year period, if Sponsor or the then owner of the Resident Manager's Unit has the right to appoint any members to the Residential Board, such members will not participate in any determinations by the Residential Board with respect to the Resident Manager's Unit. In the event that after five (5) years the Sponsor does not make the Resident Manager's Unit available for the use by the Resident Manager, there may be no apartment in the Building for use of the Resident Manager in the Building, in which event: (i) the Residential Board must employ a superintendent for the Building who will be provided with an apartment within a distance of one block or two hundred feet from the Building or (ii) the New York City Housing Maintenance Code will require that the Residential Board employ a twenty-four hour a day janitorial service. The Condominium Budget for the First Year of Condominium Operation, includes expenses for the Resident Manager and the Resident Manager's Unit.

Commercial Units

As more particularly described in the Section of the Plan entitled "Commercial Units," in the Declaration and the "Description of Property," the Commercial Section will be situated on portions of the Cellar, Lower Mezzanine, Upper Mezzanine and First Floors of the Building. The Commercial Units will be initially comprised of 2 Units: Commercial Unit 1 and Commercial Unit 2. The Commercial Units will include space that may be utilized for any purposes permitted by Law, except as otherwise prohibited herein and including, without limitation, use as restaurants, banks, parking, retail stores, storage or commercial and professional offices.

The following prohibited uses for the Commercial Units shall apply: Any business operation involving the exhibition, sale or rental of pornographic materials, or any obscene or pornographic or commercial sex use or any commercial use involving nude or semi-nude performances or employees, the sale of sexual paraphernalia, massage parlor, peep show store,

head shop store, topless or strip club, adult book store (which shall mean a store which primarily sells or offers for sale sexually explicit printed materials, audio or videotapes, films or sexual devices), or any other similar store, use as a social club, bowling alley, carnival, fair, arcade, game room (except areas ancillary to another permitted use), skating rink, billiard room, beauty school, barber college, reading room or any operation for the sale of fireworks, or for liquor stores or taverns; a trade school or a drug treatment clinic, discotheque, adult entertainment facility; veterinarian's office or pet shop; silk screening manufacturing for mass marketing (but a silk screening artist engaged in the sale at retail of silk-screen t-shirts or other clothing or related items shall be permitted); dry cleaning or laundry service except such shall be permitted if cleaning and other services are generally performed on an "off-premises" basis; methadone clinic; drug or alcohol rehabilitation facility, medical testing laboratory or other similar medical facility; exterminating services, bicycle messenger center; adult and/or child care facilities; tattoo parlor; amusement arcade; billiard parlor; industrial manufacturing; lottery ticket sales or gambling except as are incidental component of broader services such as the sale of newspapers, magazines, candy and the like, check cashing; excepting a high end gourmet grocer establishment, any "fast food" restaurant operation for the on or off premises sale of food or beverages, or involving food and beverage self-service; any other restaurant operation, unless same is a high end restaurant using table cloth covers; or an operation that is part of a retail chain store, excluding high end clothiers (such as Saks or Barneys).

The Residential Board will have no right to restrict or limit the method of operation or of any uses of the Commercial Units which are permitted by Law. The Commercial Board may adopt rules or approve changes relating solely to the Commercial Units, including rules of operation. No rules affecting the operation of the Commercial Units may be adopted or modified by the Condominium Board without the consent of the Commercial Board. All or any part of the Commercial Units may be leased or subleased by the Commercial Unit Owners, all as more fully set forth in the Declaration. The Commercial Units may each be sold without prior notice. The Plan must first be amended should the Commercial Unit be offered for sale. A Commercial Unit may be divided by the Commercial Unit Owner thereof. (See the Section entitled "Changes in Prices and Units"). The Residential Unit Owners will have no interest in the rents, profits or revenues from the rental or use of any space in the Commercial Units

There is appurtenant to the Building certain vault space in the Cellar which shall be available solely for the use of either the Residential Board or the Commercial Unit Owners as set forth on the Floor Plans. The Residential Board and the Commercial Unit Owners shall be responsible for vault taxes, if any, imposed as the result of the use of the vault. Routine Maintenance and repair of the vaults shall be the responsibility of the Residential Board or the Commercial Unit Owners having exclusive use thereof. However, the costs of any structural repairs, including repairs to the foundations or retaining walls adjacent to the vaults and the closing of the vaults, shall be a General Common Expense undertaken by the Condominium Board.

The Commercial Unit Owners shall have the right, without the consent of the Condominium Board or the Residential Board, and at their sole cost and expense, to alter, modify, restore or construct the exterior facade and storefronts of the Building up to the level of the Upper Mezzanine of the Building and to create additional means of egress and ingress provided that such alterations, modifications, restoration or construction are in compliance with

applicable Law and do not affect the structural integrity of the Building. The Sponsor and the Commercial Unit Owners also have an easement to use the sidewalks surrounding portions of the Building for purposes permitted by Law. In addition to basing charges on Common Interests, the Condominium Board may also make allocations and assessments of General Common Expenses in accordance with submetering, contract allocations and usage (both projected and actual) so long as such allocations are reasonable under the circumstances and are in accordance with applicable provisions of the Law.

No representation is made with respect to the continued ownership by Sponsor of all or any portion of the Commercial Units or as to who the tenants or occupants of any portion of the Commercial Units may be at any time or as to the uses to which any portion of the Commercial Units may be put at any time (except that the Commercial Units may be used for any lawful purpose or as otherwise limited by the Plan). The use of the Commercial Units may generate noise or other disturbances over which the Residential Unit Owners will have no control.

Commercial Limited Common Elements

The Commercial Limited Common Elements include those portions of the Building, if any, which are available for the exclusive use of the Commercial Unit Owner or, in the event that the Commercial Unit is subdivided, is available for the exclusive use of some but not all of the Commercial Units. The costs of maintaining and operating the Commercial Limited Common Elements shall be borne by the Commercial Unit Owner having exclusive access thereto or utilizing or benefiting from the same.

Services and Facilities

Under present plans, all of the services and facilities described herein will initially be provided and made available to Residential Unit Owners following the First Closing.

a. Doorman/Concierge

It is anticipated that a uniformed doorman/concierge will be on duty at the Lobby of the Building twenty-four (24) hours a day, seven (7) days a week, to assist those arriving and departing. The doorman's hours of duty may not be provided until title has closed to fifty (50%) percent of the Residential Units; provided, however, that there will be at least one (1) doorman/concierge on duty twenty-four (24) hours a day, seven (7) days a week as of the First Closing.

b. Elevator Service

Four (4) automatic passenger elevators will be in service, twenty-four (24) hours a day, seven (7) days a week, for the use of Residential Unit Owners. Passenger elevator Number 1 shall also be available for the use of all Unit Owners as a service elevator.

c. Cable Television Service

A cable television system will be available for the use of the Residential Unit Owners. The charges for primary connections and subsequent monthly fees related to the service will be determined by, and payable directly to the cable company. Additional cable service (e.g., Home Box Office or Showtime) will also be available from the cable company for an additional charge on the same basis. Inasmuch as the wiring of the Building may be delayed until a certain percentage of the Residential Units are occupied, Sponsor makes no representation that cable television service will be available to any Residential Unit Owner upon its initial occupancy of a Residential Unit. Sponsor may enter into an agreement with a cable company (the "Cable Company"), granting the Cable Company the right to install wires, cables and other components of its system (the "Cable Facilities") in the Building's internal conduit system and granting the Cable Company an easement for the installation, repair or replacement of the Cable Facilities and certain rights to relocate the Cable Facilities which shall remain the property of the Cable Company (the "Cable Agreement"). The Condominium would own and maintain the internal conduit system in which the Cable Facilities are located. In the event Sponsor enters into the Cable Agreement, the Condominium will be subject to and bound by the terms thereof.

d. Electrical Systems and Telephone Service

Electrical service will be provided to Residential Unit Owners by Con Edison or such other utility company, which will bill such Unit Owners directly for electricity utilized. Local and long distance telephone service will be provided by Bell Atlantic or other telephone service provider. Each Residential Unit will be prewired to permit the installation of telephone jacks and a special two-line telephone (at such Unit Owner's expense), which will permit the telephone to be used both as a building intercom and as a telephone. Sponsor will provide one such special two-line telephone in each Residential Unit, to be located in the kitchen of each such Unit.

e. Mail

All incoming mail will be delivered by the United States Postal Service to the mailboxes located adjacent to the lobby of the Building.

f. Laundry

Further, a Laundry Room will be located at the rooftop penthouse level for the use of Residential Unit Owners, and their tenants. All washers and dryers contained in the Laundry Room will be commercial type, coin or card-operated. In addition, Sponsor is providing washer/dryer hook-ups in each Residential Unit numbered 1, 5 and 9 on each of floors 2 through 14. The dryer hook-up will not include external ventilation, and Purchasers wishing to purchase a dryer for such a Unit must purchase a dryer which does not require external ventilation.

g. Refuse Disposal

There will be one (1) refuse chute serving the Residential Units leading directly to the refuse room located in the Cellar.

h. Recreation Areas

Recreation areas for exclusive use by Residential Unit Owners and their guests and tenants consist of a rooftop lounge. Upon the conveyance of a Residential Unit by Sponsor, the Purchaser thereof will have the right to use these facilities, subject to the Declaration and the By-Laws and to any rules and regulations promulgated from time to time by the Condominium Board.

The rooftop lounge includes seating and is available for the relaxation of Residential Unit Owners and their guests and tenants, subject to such rules and regulations as may be promulgated from time to time by the Condominium Board.

General

All determinations with respect to the continuance of any of the foregoing services, if initially made available, will be made by the Residential Board, which will be controlled by Sponsor during the Sponsor Control Period as described in the Section of the Plan entitled

"Control by Sponsor." Please refer to the Description of the Property set forth in its entirety in Part II of the Plan for further details regarding services and facilities at the Property.

Neither Sponsor, the Managing Agent nor the Boards will in any event be liable for the availability, interruption, discontinuance or quality of any of the foregoing services, including, but not limited to, any services provided by any outside company or person other than Building personnel, or for any injury to person or damage to property resulting from any act or omission of such company or persons or their employees or agents, except to the extent that any such injury to person or damage to property occurs as a result of the negligence of Sponsor, the Managing Agent or any of the Boards, as the case may be.

No representation or warranty is made and no assurance is given that the security systems and procedures of the Residential Section and of the Condominium will prevent personal injury or damage to or loss of personal property. While Unsold Residential Units are being offered for sale or lease by Sponsor or its designees there will be a greater number of visitors to the Residential Section than would otherwise be the case. No representation or warranty is made and no assurance is given as to when such selling or leasing activity will terminate. Neither Sponsor or its designee nor the Managing Agent shall be liable or responsible for any personal injury or for any loss or damage to personal property which may result from the failure of the Residential Section's or the Condominium's security systems and procedures, including, without limitation, those procedures with regard to any delivery of packages, provided that any such failure is not caused by the negligence of Sponsor or its designees, the Managing Agent or their respective agents.

Please refer to the Description of Property set forth in its entirety in Part II of the Plan for further details regarding security procedures.

LOCATION AND AREA INFORMATION

Location and Services

The Condominium is located in the Financial District in the City of New York, with frontage on Beaver Street and Pearl Street. Lower Manhattan is the historic core of New York City. Wall Street was the location of a wall separated the city to the south from the vast stretch of island to the north. The fort of Castle Clinton and battery remain as markers of past times. Washington slept here and treatises were penned. Step back in time at the Frances Tavern on Pearl Street. Or go one step further to learn about the original inhabitants of the island at the National Museum of the American Indian at the base of Broadway. Boat trips to Ellis Island and the Statue of Liberty depart frequently from the tip of Lower Manhattan and tell the story of immigrant arrival and the population of Lower Manhattan, particularly the lower east side. Or simply wander from river to river in just a few minutes, take a free ride on the Staten Island ferry and view the island from afar or cross the Brooklyn Bridge on foot for a legendary Grimaldi's pizza pie. A new US post office has opened across the street from One Wall Street Court.

The accompanying notes should be read in conjunction with this Schedule.

Notes to Schedule A

1 Residential Unit Plans depicting layouts of Residential Units appear in Part II of the Plan. Purchasers should note that the square footage of each Residential Unit as reflected in Schedule A and the Floor Plans set forth in Part II of the Plan is approximate within reasonable tolerances and may change due to field conditions and construction variances and tolerances. Because dimensions listed are based on measurements from exterior walls, they do not accurately represent the interior space in the unit and may significantly exceed the actual floor area. Floor area may include columns, mechanical pipes shafts, shaftways, chases, chaseways and conduits which may be incorporated behind protruding walls or may be separately enclosed as freestanding columns thereby reducing the available floor area. The clearance between the top of the floor slab on one floor and the top of the floor slab on the next floor will vary among the Units and certain Units may have less clearance and certain rooms within other Units may have a lesser clearance as the result of construction variances or the presence of beams and mechanical spaces in such Units. Kitchens, bathrooms and hallways typically have dropped ceilings. Each Unit will be measured horizontally from the exterior side of the exterior walls (columns, mechanical pipes shafts, shaftways, chases, chaseways and conduits are not deducted) to the centerline of the partitions separating one Unit from another Unit, corridors, stairs, elevators and other mechanical equipment spaces or any Common Elements not within a Unit or to the exterior side of the opposite exterior walls. Each Unit will be measured vertically from the top of the floor to the underside of the ceiling.

As is often the case in New York, these square foot areas exceed the usable floor area of each Unit and include columns, mechanical pipes shafts, shaftways, chases, chaseways and conduits which may be incorporated behind protruding walls or may be separately enclosed as freestanding columns thereby reducing the available floor area. The clearance between the top of the floor slab and the bottom of the finish ceiling in the Units will generally be about eleven feet two inches (11'2") for Units on Floors 1 and 2 and nine feet six inches (9'6" for Units on Floors 3 and higher. However, certain Units may have less clearance and certain rooms within other Units may have a lesser clearance as the result of construction variances or the presence of beams and mechanical spaces in such Units. Kitchens, bathrooms and hallways typically have dropped ceilings. Purchasers are further advised that Sponsor has reserved the right to negotiate with individual purchasers to perform special work which may require a modification in floor plans for certain Residential Units and accordingly the layout of the Units and Common Elements may vary. The room count for each Unit was determined by Sponsor's architect in accordance with industry practice for new construction condominiums and does not necessarily conform to the zoning room count or the method utilized by the Real Estate Board of New York.

2 No change will be made in the purchase prices other than pursuant to a duly filed amendment to the Plan filed in advance of any such change, except that Sponsor reserves the right to decrease purchase prices or modify other terms of sale without filing an amendment to the Plan at any time during the offering period if such a decrease in the purchase price or modification of such other terms of sale does not constitute a general offering or an advertised price but is rather the result of an individually negotiated

transaction. In addition to the purchase price, Purchaser will be responsible at Closing for certain closing costs as explained in the Section entitled "Closing Costs and Adjustments" in Part I of the Plan including, without limitation, the obligation to contribute one (1) month's Common Charges to the Working Capital Fund of the Condominium. Purchasers are advised to consult with their attorneys as to the exact closing costs they will incur in purchasing their Units.

3(a) The respective Common Interest of each Unit in the Common Elements, in accordance with the provisions of Section 339-i(1)(iv) of the New York Condominium Act, is based upon floor space, subject to the location of such space and the additional factors of relative value to other space in the Condominium, the uniqueness of the Unit, the availability of Common Elements for exclusive or shared use and the overall dimensions of the particular Unit. In the event that, prior to the First Closing, Sponsor negotiates with individual purchasers to change the layout or dimensions of their respective Residential Units and such changes involves the inclusion, in the Residential Unit, of areas formerly designated as Common Elements, or involves adding to the Common Elements, space that was previously incorporated in the Residential Units, the Common Interest of all of the Residential Units may change slightly. Any such change in the Common Interest allocated to a Residential Unit prior to the recording of the Declaration shall not be deemed a material change and shall not give rise to a right of rescission on the part of any purchaser.

3(b) The percent interest of each Residential Unit in the Residential Common Elements is apportioned in the same proportion that the Common Interest of such Residential Unit bears to the aggregate Common Interests of all Residential Units.

4 The estimates contained in this schedule were prepared on the assumption that the first year of Condominium operation will be the year from April 1, 2006 through March 31, 2007, and are only an estimate of the receipts and expenses of the Condominium for the projected year. Sponsor makes no representation regarding the commencement date or the estimated receipts and expenses for the first year of Condominium operation which may be greater than or less than the estimated figures set forth in the proposed budget. The actual first year of Condominium operation may be earlier or later than such year. If the actual or anticipated date of commencement of condominium operation is delayed by more than six (6) months from the commencement of the projected first year of condominium operation, Sponsor will amend the Plan to include a revised budget disclosing current projections. If such amended projections exceed original projections by twenty-five (25%) percent or more, Sponsor will offer all purchasers the right to rescind for a period of fifteen (15) days after the date of the presentation of the amendment setting forth the right to rescind.

The estimated monthly Residential Common Charges for each Residential Unit are based on the Schedule B - Projected Budget for First Year of Condominium Operation. The estimated monthly Residential Common Charges include the cost of central heating for the Units. Each individual Residential Unit is provided with an incremental HVAC air conditioning unit. The Maintenance and operating cost of the HVAC units are borne by the individual Residential Unit Owners. Please refer to Schedule B-1 "Energy Costs

Projection" from Jack Green Associates, consulting engineer, for further information regarding estimated energy costs. In addition to these estimated payments, each Residential Unit Owner will be responsible for real estate taxes for such Residential Unit, mortgage payments under a loan or loans, if any, obtained to finance the purchase of the Residential Unit, the cost of electricity supplied to the Residential Unit which will be separately metered and payable directly to the utility company, the insurance which must be carried by each Residential Unit Owner with respect to liability and casualty to the contents of the Unit and the cost of interior repairs and decorations to the Residential Unit. Until the Units are separately assessed, real estate taxes shall be part of Common Expenses. In the event that the payments made by Unit Owners are less than or more than the amount of taxes paid for the period in question, Unit Owners will be reimbursed for any overpayment of taxes or assessed for an underpayment. In addition, capital repairs, additions, improvements, alterations and restorations to the Residential Section are Residential Common Expenses, which will be borne solely by the Residential Unit Owners.

5 Assuming the Property does not receive any abatement from real estate taxes, it is estimated that the aggregate real estate taxes attributable to all Residential Unit Owners for the first year of Condominium operation will total approximately $1,085,871, based on an opinion prepared by Stroock & Stroock & Lavan LLP dated September 19, 2005 which assumes (a) a total tentative assessment attributable to the residential portion of the Property of $3,025,010 for the 2005 through 2006 fiscal tax year, assumes (b) a total actual assessment attributable to the residential portion of the Property of $10,897,880 for the 2006 through 2007 fiscal tax year, (c) a projected tax rate of $140 per gross square foot. SPONSOR MAKES NO REPRESENTATION THAT THE ASSESSED VALUE OF THE PROPERTY, THE ESTIMATED ALLOCATIONS OR THE TAX RATE WILL NOT BE CHANGED. PURCHASERS ARE ADVISED THAT THE NEW YORK CITY TAXING AUTHORITIES HAVE IMPLEMENTED SIGNIFICANT INCREASES IN THE TENTATIVE ASSESSED VALUATIONS FOR NEW CONSTRUCTION CONDOMINIUMS FOR THE TAX YEAR 2005/2006 WHICH DO NOT APPEAR CONSISTENT WITH THEIR VALUATIONS IN PRIOR YEARS. SPONSOR MAKES NO REPRESENTATIONS REGARDING THE METHODOLOGY WHICH THE TAXING AUTHORITIES WILL USE IN FUTURE TAX YEARS.

Sponsor intends to apply for partial abatement from real estate taxes with respect to the Building pursuant to Real Property Tax Law § 421-g. The 421-g Program is designed to provide tax incentives for the physical renovation and conversion of commercial property to residential use in lower Manhattan. It is available in the area generally south of Murray Street. To be eligible, at least 75% of the floor area of a non-residential building (or a separately-assessed non-residential parcel within a building) must be converted to a Class A Multiple Dwelling which is not used as a hotel.

Please refer to the Section of the Plan entitled "Real Estate Taxes" and the opinion of the Stroock & Stroock & Lavan LLP set forth in Part I of the Plan for further discussion regarding real estate taxes and benefits under the for the residential portion of the Property.

The real estate tax estimates for each Residential Unit were calculated on the assumption that the real estate taxes for the residential portion of the Building payable with respect to each Residential Unit for the first year of Condominium operation will be allocated in proportion to each Residential Unit's Common Interest as set forth on Schedule A. Upon determination of individual tax lots and individual Residential Unit assessments, the New York City tax authorities may allocate taxes between the Residential Units in proportion to each Residential Unit's purchase price rather than its Common Interest, and, if so, Residential Units having the same or similar percentage interest which are determined to have a higher purchase price or market value will pay higher real estate taxes than are reflected on Schedule A.

PURCHASERS ARE ADVISED THAT THE FOREGOING INFORMATION IS NOT A GUARANTEE OR WARRANTY (i) regarding the method to be employed by the New York City tax assessor in allocating individual Residential Unit assessments; (ii) of the assessed values of the Residential Section during the first year of Condominium operation, (iii) of the tax rates for the first year of Condominium operation, or (iv) that the Residential Section will qualify for or receive benefits under the 421-g Program.

See the Section entitled "Income Tax Deductions to Residential Unit Owners and Tax Status of Condominium" and the Attorney's Income Tax Opinion in Part I of the Plan for a discussion concerning the deductibility of real estate taxes paid with respect to a Residential Unit. Purchasers should note that the deductibility of mortgage interest and real estate taxes in future years may vary due to changes in the interest rate on the unit owner's mortgage (if any) or from changes in the allocation of constant debt service payments to interest and principal, or due to changes in real property taxes resulting from the expiration of real estate tax benefits, or from changes in the assessed value, the tax rate or the method of assessing real property.

Sponsor will not declare the plan effective if any material changes to the budget are not yet disclosed in an amendment to the plan.

If the Common Charges in the revised budget projections exceed the earlier budget projections by twenty-five percent (25%) or more, the Sponsor will offer all purchasers the right to rescind their Purchase Agreements and have their Deposits refunded to them, whether or not the Sponsor offers to guarantee the earlier budget projections.

(2) SALARIES, WAGES, PAYROLL TAXES & BENEFITS - (Budget - $592,119)

The budgeted amount includes base wages, worker's compensation and disability insurance, welfare and pension costs, payroll taxes and the cost of sick days, holidays and vacation pay for a projected shared building staff of one Resident Manager, 1 handyman, 4.2 concierges, and 3 porters. The full staff may not be employed until certain Building occupancy levels are achieved. The projected level of staffing for the Building complies with all applicable housing and labor laws. It is anticipated that such employees will be union members. Accordingly, the labor costs described below are computed in accordance with the current contract rates of Local 32B-32J of the Service Employees International Union, AFL-CIO, expiring April 20, 2006. For the period from April 21, 2006 through March 31, 2007, a 4% wage increase has been assumed.

Position	Weekly Base Wage Rate
(1) Resident Manager	$60,000, plus apartment and free gas, electricity & telephone.
(1) Handyman	$790.63, for 3 weeks
	$822.25, for 49 weeks
4.2 Concierges, 3 Porters	$717.63, each for 3 weeks
	$746.33, each for 49 weeks

The projections allow for 28 sick days, holidays and vacation pay and miscellaneous payroll expenses.

Total Base Wages	$ 410,812
FICA @ 7.65% of Base Wages	$ 31,427
Worker's Compensation @ 5.5% of total wages	$ 22,595
FUI and FUTA-NYS Unemployment, @ $425 per employee	$ 4,250
NYS Disability @ $60 per employee	$ 600
Union welfare (health) @ 9/12@ $9,750.64 plus 3/12 @ $10,790.64 per employee	$ 90,096
Union pension @ $49.75 per week for 39 weeks plus 13 weeks @ $58.75 per employee	$ 24,336
Legal Fund/Training School fund @ $ 369.20 per employee	$ 3,323
Union annuity plan @ $10 per employee x 52 weeks	$ 4,680
Total Benefit	$ 181,307

TOTAL WAGES, TAXES & BENEFITS ($592,119)

The employees will be devoting a substantial portion of their time and effort to service the Residential Units and the Residential Common Elements, except that a small portion of the Resident Manager and one porter's time (estimated at ten percent (10%) or four (4) hours per week per man) will be devoted to the General Common Elements. Accordingly, salaries and related expenses have been primarily allocated to the Residential Units, except for the time charged to the General Common Elements ($14,847) that has been apportioned to all of the Units within the Condominium based upon each Unit's respective Percentage of Common Interest.

(3) HEAT & HOT WATER - (Budget - $107,280)

The budgeted amount is based upon a letter from Jack Green Associates, 148 West 37th Street, New York, NY 10018, sponsor's consulting engineers dated June 9, 2005. It is anticipated that the annual consumption of gas for heat and hot water for the residential units will be approximately 97527 therm at $1.00 per therm for a total cost of $97,527. A 10% inflation factor has been added. The Retail Units will be separately metered or submetered for heat and hot water.

It is not possible to predict how closely the budgeted figure will reflect the actual cost of gas for heat and hot water during the first year of Condominium operation, because such cost will vary with the level of consumption and the price of gas. Consumption will be affected by the severity of the weather and by any conservation measures adopted by the Condominium Board or individual unit owners.

(4) COOKING GAS (Budget - $21,857)

The Residential Units will not be separately metered for gas to be used for cooking. Based on a letter dated June 9, 2005 from Jack Green Associates, 148 West 37th Street, New York, NY 10018 it is estimated that the gas cost for apartment cooking based on 13,797 therms of gas/year at $1.44 per therm will be $19,870. A 10% inflation factor has been added.

(5) ELECTRICITY - (Budget - $89,036)

The electricity consumption for the first year of Condominium operation for the common areas was estimated by Jack Green Associates, 148 West 37th Street, New York, NY 10018, in a letter dated June 9, 2005, at 578,160 kilowatt hours of electricity, at a rate of $.14 per kilowatt hour of electricity including applicable sales tax, resulting in an annual cost of $80,942.

This estimate includes costs for the common area air conditioning units, distribution pumps, miscellaneous floor loads, elevators and lighting. Electricity costs can vary depending upon consumption and demand factors. A 10% inflation factor has been added.

These costs are only the estimated electricity costs for the Common Elements within the building and have been allocated 90 percent to the Residential Common Elements and charged to the Residential Units, with the remaining 10 percent allocated to the General Common Elements within the Condominium based upon each unit's respective Percentage of Common Interest.

Each unit will be individually metered or submetered for consumption of electricity within their own units.

(6) WATER & SEWER – (Budget - $ 52,262)

The building will have a single main water meter, which will measure actual water usage. Based upon a letter from Jack Green Associates, 148 West 37th Street, New York, NY 10018 dated June 9, 2005, water and sewer charges are based upon a combined charge of $4.14 per 100 Cu. Ft. and an estimated usage of 11476 C.C.F.

The annual water and sewer charges during the first year of condominium operation is estimated at $47,510. A 10% inflation factor has been added.

The Retail Units will be separately sub-metered or metered for water and sewer and will pay the costs of water and sewer usage directly to the condominium or taxing authority.

(7) REPAIRS & MAINTENANCE – (Budget - $50,000)

Since the Building will be newly renovated it has no operating history upon which to project future costs of repairs and maintenance. No major capital repairs are included in the First Year's Budget since all major construction and mechanical systems will be new. Future major capital repairs to the Common Elements will be borne by all Unit Owners.

The budgeted figure for this item includes the cost of normal maintenance and repairs to the Common Elements of the Building that are the responsibility of the Condominium. Each Unit Owner will be responsible for the cost of the interior maintenance, repairs, decoration and painting of their respective units, including the appliances, incremental heating/air-conditioning units and any Limited Residential Common Elements appurtenant thereto. Repairs and Maintenance have been allocated to all Units based upon each unit's respective Percentage of Common Interest.

(8) SERVICE & SUPPLIES - (Budget - $85,750)

The budgeted amount includes the cost of cleaning equipment and miscellaneous supplies for the Common Elements, as well as the anticipated cost of service contracts during the first year of Condominium operation.

All of the mechanical systems within the Building will be new, and some will be under a full service maintenance contract for the first year of Condominium operation from the contractor who will install the system. No maintenance or service contracts have been entered into as of the date of the Plan. The budgeted amounts are based upon the experience of the Sponsor's budget expert in operating similar buildings. While this Schedule B includes a reasonable allowance for possible increases in cost that may occur prior to and during the first year of Condominium operations, no warranty is made that the actual cost for these or other services will be in accordance with this projection.

It is projected that the Condominium will enter into maintenance agreements for the following services:

Heating and Cooling System	$ 5,000
Elevator Maintenance	$ 14,750

Sprinkler System, Fire Protective Alarm System	$ 10,000
Metal, Wood, and Marble Maintenance	$ 10,000
Exterminator	$ 5,000
Uniform Cleaning & Maintenance	$ 8,000
Water Treatment	$ 3,000
Miscellaneous Supplies	$ 30,000

The cost for services relating to the, sprinkler system/fire protection alarm system, exterminator, and $3,000 of the $30,000 of miscellaneous supplies have been allocated to all units within the Condominium based upon each unit's respective Percentage of Common Interest.

(9) INSURANCE – (Budget - 59,800)

Based upon the proposal dated August 5, 2005 from The Rampart Group., having an office address at 1983 Marcus Avenue, Suite C130, Lake Success, NY 11042. The following insurance coverage will be obtained for the Building for the first year of Condominium operation:

The annual premium for the above mentioned insurance policy is estimated to be $59,800.

The insurance costs are for the entire Condominium and have been allocated to all units within the Condominium based upon each unit's respective Percentage of Common Interest.

The fire, casualty and general liability insurance carried by the Condominium will provide that each unit owner is an additional insured party; that there will be no cancellation without notice to the Condominium Board and Permitted Mortgagees; a waiver of subrogation; a waiver of invalidity because of the acts of the insured and Unit Owners; and a waiver of pro-rata reduction if Unit Owners obtain additional coverage.

Each individual Unit Owner should consider the desirability of obtaining additional insurance at his own cost for the following coverage, which is not included in the above coverage:

- fire or casualty losses to the contents of his unit and any replacements, additions, upgraded fixtures and improvements therein; and

- liability for personal injury or property damage as a result of occurrences in his Unit, including water damage legal liability to cover damage arising from leaks or other conditions within the Unit.

(10) MANAGEMENT FEE - (Budget - $67,500)

At or prior to the First Closing, the Condominium will enter into a management agreement with Research Management Corp., having an office address at 104 Crandon Blvd, Key Biscayne, FL., a real estate management firm. The agreement will be for an initial term of 2 year. Thereafter, the agreement will be automatically renewed from year to year, but may be cancelled by either party without cause, upon not less than sixty (60) days' prior written notice.

The Managing Agent will receive an annual fee of $67,500 payable in equal monthly installment of $5,625. The Managing Agent's fee for the first year of Condominium operation is comparable to the "going rate" for similar services in comparable buildings.

The Management Fee has been allocated to each unit based on each unit's respective Percentages of Common Interest.

See the section of the plan entitled "Agreements Affecting Building Operations" for further details.

(11) LEGAL & AUDIT FEES – (Budget - $14,000)

The Condominium will engage a law firm to act as the attorney for the Condominium. The estimated cost for these services for the Condominium's first year is $3,000. It is anticipated that the Condominium will enter into an agreement with Hyman & Associates, located at 570 Sylvia Avenue, Englewood Cliffs, NJ, to provide audit tax returns and financial statement preparation services for the Condominium. It is estimated that the first year cost for these services will be $11,000.

These professional fees are for the entire Condominium and have been allocated to all units within the Condominium based upon each unit's Percentage of Common Interest.

(12) RESIDENT MANAGER UNIT COSTS - (Budget - $10,063)

Residential Unit 209 shall be designed as the Resident Manager's Unit and will be occupied by the Resident Manager of the Building.

The Condominium will be responsible for the real estate taxes on the unit. Assuming that the property will be certified as eligible for a partial tax exemption pursuant to Section 421-G of the New York Real Property Tax Law, the estimated real estate taxes for the first year of operation of the Condominium for Unit will be $6,663. The Condominium will also be responsible for the cost of the electricity and basic telephone service for the Resident Manager's Unit as well as basic repairs. If is estimated that the cost of these items will be approximately $3,400 in the first year of Condominium operation. The estimated costs for the Resident Manager's Unit for the Condominium's first year of operation is $10,063.

Since the Resident Manager's time will be devoted mostly to the service of the Residential Units and the Residential Common elements, with only a minor portion of the Resident Manager's time (estimated at four (4) hours a week in note 2 above) devoted to General Common Elements, the costs for the Resident Manager's Unit have been allocated in the same ratio as the wage and related payroll expenses of the Resident Manager in note 2 above.

(13) ADMINISTRATION – (Budget - $10,000)

The budgeted amount includes anticipated expenses for telephone, beepers, postage, printing, miscellaneous office supplies, payroll processing costs, permits and fees and local telephone usage in the Resident Manager's office.

These costs for administrative fees have been allocated to each unit within the Condominium based upon each unit's respective Percentage of Common Interest.

(14) CONTINGENCY – (Budget - $20,000)

This item is included in the budget to provide funds for unforeseen increases in Residential Common Expenses and General Common Expenses before or after the First Closing or to cover expenses not included in this budget.

The contingency reserve is for the entire Condominium and has been allocated to all units within the Condominium based upon each unit's respective Percentage of Common Interest.

(15) TOTAL PROJECTED EXPENSES – (Budget - $1,179,667)

The projections set forth in this budget assume that the first year of Condominium operation will cover the period from April 1, 2006 through March 31, 2007.

IN THE OPINION OF PENMARK REALTY CORP., HAVING AN OFFICE AT 5 EAST 86TH STREET, NEW YORK, NEW YORK 10028. THE PROJECTED INCOME IS ADEQUATE TO MEET THE ESTIMATED EXPENSES FOR THE FIRST YEAR OF CONDOMINIUM OPERATION. THE BUDGET, HOWEVER, IS NOT INTENDED AND SHOULD NOT BE TAKEN AS A GUARANTEE OR WARRANTY BY ANYONE THAT THE ANNUAL COMMON CHARGES OR COMMON EXPENSES FOR THE FIRST OR ANY SUBSEQUENT YEAR OF OPERATION OF THE PROPERTY BY THE BOARD WILL BE AS SET FORTH IN THE BUDGET. IN FACT, IT IS LIKELY THAT THE ACTUAL INCOME AND EXPENSES FOR THE FIRST YEAR OF CONDOMINIUM OPERATION WILL VARY FROM THE AMOUNTS SHOWN IN THE BUDGET.

Dear Sir/Madam:

Cocoa Partners, L.P. ("Sponsor") of the Condominium Offering Plan ("Offering Plan") for the Property retained Penmark Realty Corporation ("Firm") to review the percentage of Common Interest in the Common Elements allocated to each Unit in the Property set forth in Schedule A of the Offering Plan.

The Firm is licensed as a real estate brokerage firm in the State of New York. The principals of the Firm have been engaged in the real estate and brokerage business for over 32 years and have been actively associated with sale and management of condominium and cooperative buildings.

In the Firm's opinion, within the framework of Real Property Law Section 339-i.(1) (iv), this method of determining Common Interest is reasonable and equitable.

The Firm certifies that it is not owned or controlled by Sponsor and that it has no financial interest in the offering other than its fee for services rendered in connection with the preparation of this letter. The Firm understands that a copy of this letter is intended to be incorporated into the Offering Plan.

The Condominium will contain 2 Commercial Units. 2 Commercial Units will initially be retained by Sponsor and are not offered for sale under this Plan.

The Commercial Units may be used for any lawful purposes, except as otherwise prohibited herein and including, without limitation, department and other retail stores, theaters, banks, restaurants and commercial and professional offices, studios and storage space.

The following prohibited uses for the Commercial Units shall apply: Any business operation involving the exhibition, sale or rental of pornographic materials, or any obscene or pornographic or commercial sex use or any commercial use involving nude or semi-nude performances or employees, the sale of sexual paraphernalia, massage parlor, peep show store, head shop store, topless or strip club, adult book store (which shall mean a store which primarily sells or offers for sale sexually explicit printed materials, audio or videotapes, films or sexual devices), or any other similar store, use as a social club, bowling alley, carnival, fair, arcade, game room (except areas ancillary to another permitted use), skating rink, billiard room, beauty school, barber college, reading room or any operation for the sale of fireworks, or for liquor stores or taverns; a trade school or a drug treatment clinic, discotheque, adult entertainment facility; veterinarian's office or pet shop; silk screening manufacturing for mass marketing (but a silk screening artist engaged in the sale at retail of silk-screen t-shirts or other clothing or related items shall be permitted); dry cleaning or laundry service except such shall be permitted if cleaning and other services are generally performed on an "off-premises" basis; methadone clinic; drug or alcohol rehabilitation facility, medical testing laboratory or other similar medical facility; exterminating services, bicycle messenger center; adult and/or child care facilities; tattoo parlor; amusement arcade; billiard parlor; industrial manufacturing; lottery ticket sales or gambling except as are incidental component of broader services such as the sale of newspapers, magazines, candy and the like, check cashing; excepting a high end gourmet grocer establishment, any "fast food" restaurant operation for the on or off premises sale of food or beverages, or involving food and beverage self-service; any other restaurant operation, unless same is a high end restaurant using table cloth covers; or an operation that is part of a retail chain store, excluding high end clothiers (such as Saks or Barneys).

The Residential Board will have no right to restrict or limit the method of operation, use or appearance of any Commercial Unit which are permitted by Law. The Commercial Board may adopt rules or approve changes relating solely to the Commercial Units, including rules of operation. No rules affecting the operation of the Commercial Units may be adopted or modified by the Condominium Board without the consent of the Commercial Board. Notwithstanding the foregoing, if the insurance premiums for the Condominium are increased as the result of a particular use of a Commercial Unit, the Commercial Unit Owner of said Unit shall be responsible for such increase in premium. All or any part of each Commercial Units may be leased or subleased by the Commercial Unit Owner, all as more fully set forth in the Declaration. The Commercial Units may be sold without prior notice. The Plan must first be amended should the Commercial Unit be offered for sale. The Residential Unit Owners, other than Sponsor, will have no interest in the rents, profits or revenues from the rental or use of any of the Commercial Units. As more particularly disclosed in the Section entitled "Commercial Unit" in Part I of the

Plan, a third party, unrelated to Sponsor has a right of first offer to purchase the Commercial Unit in the event that that Sponsor ever elects to sell the Commercial Unit.

No representation is made with respect to the continued ownership by Sponsor of all or any portion of the Commercial Units or as to who the tenants or occupants of any portion of the Commercial Units may be, at any time, or as to the uses to which any portion of the Commercial Units may be put at any time (except that the Commercial Units may be used for any lawful purpose except as otherwise prohibited herein), and no assurance is given that such tenants, occupants or uses will not be objectionable to Residential Unit Owners or other parties.

The basis for projecting the share of expenses attributable to the Commercial Units is the Common Interest of such Units except that, as described below and in Schedule B, the Commercial Unit Owners share the costs for contingencies, insurance, electricity for the Common Elements, management fees, service contracts, taxes and permits, legal and audit and repairs and Maintenance in accordance with their Common Interests and shares only a portion of other costs, such as the cost for labor and related expenses based upon estimated usage. Other costs such as the costs for heat, hot water and cooking gas, and water and sewer and the costs associated with the Resident Manager's Unit are not borne at all by the Commercial Unit Owners because such utilities and/or services are either separately metered for or not used by or do not benefit the Commercial Unit Owners.

According to the opinion of Penmark Realty Corp, the Common Charges projected to be payable by the owners of the Commercial Units are adequate to cover the Common Expenses fairly attributable to those Units.

The Declaration and By-Laws authorize the special allocation and apportionment of profit and expenses or specific expense item based on special or exclusive use or availability or exclusive control of particular Units or Common Elements. Any dispute regarding such allocation or apportionment shall be resolved by arbitration in accordance with the By-Laws, which provides for the arbitration to be conducted before one arbitrator in New York City by the American Arbitration Association.

The Commercial Unit Owners have the right to freely sell their respective Units, or to freely lease all or part of the Commercial Units, as the case may be, without having to first offer the same for sale or lease to any Board.

Certain easements have been reserved to the Commercial Unit Owners in the Declaration. The Commercial Unit Owners and their tenants, successors and assigns to the extent permitted by Law, have an easement to erect, maintain, repair and replace, from time to time, one or more signs on the Property, including but not limited to signs on the facade of the Building and on any awnings, canopies or other protrusions from the facade of the Building, for the purposes of advertising (i) the sale or lease of any of the Unsold Residential Units and all or any portion of the Commercial Units provided, however, that any such signs are in keeping with the first class luxury nature of the Building and will not block any windows in a Residential Unit, and (ii) the operation of any business of a tenant or occupant of all or any portion of any Commercial Unit. Commercial Unit Owners and their tenants, successors and assigns shall have an easement to

erect, maintain, repair and replace from time to time, lights and lighting fixtures on the Common Elements of the Condominium.

The Condominium Board, the Residential Board and the Commercial Board, at the request of Sponsor or a Commercial Unit Owner, will enter into a recognition agreement with any tenant with which Sponsor or a Commercial Unit Owner or its designee has entered into a lease for all or any part of the Commercial Unit. Under the terms of the recognition agreement, the tenant will acknowledge that the lease is subject and subordinate to the Declaration and the Boards will agree that so long as there is no event of default under said lease, as would entitle Sponsor or a Commercial Unit Owner or any successor landlord under the lease to terminate the lease or dispossess the tenant thereunder, the tenant shall not be named or joined in any action or proceeding to foreclose the Boards lien on a Commercial Unit for Common Charges or any other sums of any sort, and the Boards shall agree that the lease shall not be terminated nor shall the tenant's use, possession, or enjoyment of the Commercial Unit in question be interfered with, nor shall the leasehold estate granted by the lease be affected in any manner, nor shall any of the rights of the tenant granted under the lease be affected in any manner, in any foreclosure or other action or proceeding instituted under or in connection with such lien or in the exercise of any rights of the Boards, or, in case any Board takes possession of a Commercial Unit pursuant to any provision of the Declaration or By-Laws, or otherwise; provided however that if any Board or any other party succeeds to the interests of Sponsor or a Commercial Unit Owner under the lease the tenant will agree to be bound to such Board or party under all of the terms, covenants and conditions of the lease and the tenant will attorn to such Board or party as its landlord.

Sponsor shall have, and the Units and Common Elements shall be subject to, an easement to use the Common Elements of the Building. Sponsor's easement will not expire and will remain in effect after the Sponsor no longer owns any Units in the Building. Common Elements may be used by Sponsor for any lawful purposes including, but not limited to, the purposes of (a) installing, utilizing, operating, maintaining, repairing, altering, rebuilding, restoring and replacing satellite dishes and other communication equipment on the roofs and facade of the Building and elsewhere on the Common Elements and the conduit and other Facilities relating thereto and (b) maintaining any encroachment on any Unit, or any Common Elements or elsewhere on the Property resulting from the Maintenance thereof; provided that access to any Unit or Common Element in furtherance of such easements shall be exercised in a manner as will not unreasonably interfere with the normal conduct of business of the tenants and occupants of the Commercial Section or with the use of the Residential Units for their permitted purposes. The aforementioned easements may be used by Sponsor, its designee, tenant, assignee or licensee for its own account or the account of any designee, tenant, licensee or assignee of Sponsor for the purpose of servicing the Condominium or any other building or area. The Condominium shall not be entitled to any portion of fees, compensation or other profits received by Sponsor, its designee, tenant, assignee or licensee for the use of the aforesaid easements or equipment. Any satellite dishes or other facilities placed upon the roof, the facade of the Building or any other portion of the Common Elements by Sponsor, its assignee or licensee shall be the exclusive property of Sponsor, its designee, tenant, assignee or licensee and neither the Condominium nor any other Unit Owners shall have any rights with respect thereto.

Notwithstanding anything to the contrary contained the Plan and to the extent permitted by Law, Sponsor reserves the right any time before the Declaration is filed to redesignate either or both of the Commercial Units as a Residential Unit. Any such change may affect the Residential Common Interest and the Common Charges payable by each Residential Unit. Please refer to the Section entitled "Changes and Prices and Units" for further details.

CHANGES IN PRICES AND UNITS

Changes in the Residential Section

Sponsor reserves the right, at any time and from time to time before and after the recording of the Declaration, without giving prior notice (except as otherwise provided herein) and without the consent of any Board, Unit Owner or mortgagee, to change the price, including, without limitation, the manner of payment thereof and other terms of sale of any Residential Unit, except that no such change with respect to any Residential Unit for which an Agreement is then in effect may be made without the consent of the Purchaser. No such change will be made other than pursuant to a duly filed amendment to the Plan filed in advance of any such change, except that Sponsor reserves the right to decrease purchase prices or modify other terms of sale without filing an amendment to the Plan at any time during the offering period if such a decrease in the purchase price or modification of such other terms of sale does not constitute a general offering or an advertised price but is rather the result of an individually negotiated transaction. If any such change is made, a Purchaser of a Residential Unit affected thereby may pay more or less than other Purchasers under the Plan for similar Residential Units, but this will not affect any prior or subsequent sale of Residential Units which are not the subject of such change.

Sponsor reserves the right to individually negotiate with each Purchaser, the terms and conditions of the Agreement, including but not limited to terms and conditions pertaining to: purchase price; the amount of the Deposit; financing and other contingencies; the availability of financing; the payment of Purchaser's financing fees and other closing costs; work to be performed in the Unit or the revision of floor plans and the allocation and payment of costs therefor; the availability of Common Charge rebates, Purchase Price rebates and subsidies payable as a credit against the Purchase Price or on a periodic basis; extensions of time periods within which to perform obligations under the Agreement; the availability of interim leases and the amount of interim rent; and the application of rent towards the Purchase Price. Please refer to the Section of the Plan entitled "Rights and Obligations of Sponsor" under the Subsection entitled "Leasing and Use of Unsold Units" for further discussion regarding the terms and conditions of any interim leases.

Sponsor reserves the right from time to time to add and/or delete negotiable terms from the list set forth above for all or some Purchasers without further amendment to this Offering Plan. No Purchaser will benefit from any terms and conditions negotiated with any other Purchaser, and a Purchaser's failure to so benefit will not give rise to any rights of rescission under an Agreement.

In the event Sponsor agrees, in its sole discretion, to enter into an interim lease for a Unit, Purchasers are advised that the tenancy under such interim lease is not subject to governmental regulation as to amount of rent or terms and that a default under the interim lease will constitute a default under the Agreement.

In order to meet the possible varying demand for number and type of Residential Units, or to meet particular requirements of prospective purchasers, or for any other reason, Sponsor reserves the right (except to the extent prohibited by Law) at any time and from time to time, before and after the recording of the Declaration, without giving prior notice and without the

consent of any Board, Unit Owner or mortgagee, to (a) change the layout of, or number of rooms in, any Unsold Residential Unit, (b) change the size and/or number of Unsold Residential Units by dividing one or more such Units into two or more separate Unsold Residential Units, combining separate Unsold Residential Units (including those resulting from such subdivision or otherwise) into one or more Unsold Residential Units, altering any boundary walls between one or more Unsold Residential Units, or otherwise, including incorporating Common Elements (such as a portion of a hallway) which exclusively benefit an Unsold Residential Unit into such Unsold Residential Unit, (c) designate a Residential Common Element or Residential Limited Common Element, Commercial Common Element or Commercial Limited Common Element or General Common Element as part of a newly created or expanded Residential Unit, Commercial Unit, Commercial Common Element, Residential Common Element, Residential Limited Common Element or Commercial Limited Common Element or designate all or part of a Residential Unit as a newly created or expanded Commercial Unit, Residential Common Element, Residential Limited Common Element, Commercial Common Element or Commercial Limited Common Element and (d) if appropriate, reapportion among the Unsold Residential Units affected by any such change, their aggregate Common Interests. In the event of any change pursuant to either (b), (c) or (d) above, such change shall be disclosed in a duly filed amendment to the Plan. No such change, including any change in the Common Interest or in the amount or quality of Common Elements directly affecting or servicing a Residential Unit, will be made with respect to any Unsold Residential Unit for which an Agreement is then in effect and the Purchaser thereunder is not in default unless (i) the Purchaser consents to such change or (ii) such change is not a material change in the size, common interest, dimension, floor space or layout of such Unsold Residential Unit. The Common Interest of a Unit may change if there is a change in the floor space or the additional factors of relative value to other space in the Condominium, the uniqueness of the Unit, the availability of Common Elements for exclusive or shared use and the overall dimensions of the particular Unit.

No material change will be made in the size or number of Units and/or in the size or quality of the Common Elements except by amendment to the Plan and, when applicable, by amendment to the Declaration. Unless an affected purchaser consents, no material change will be made in Unit size, layout, or percentage of Common Interest if an Agreement has been executed and delivered to sponsor for that Unit and the Purchaser is not in default. No material change will be made in the size and no material adverse change will be made in the quality of Common Elements, and, in such event, Purchasers not in default shall receive a right to rescind and a reasonable period of time that is not less than fifteen (15) days after the date of presentation of an amendment setting forth the right to rescind. Sponsor will return any deposit or downpayment promptly to Purchasers who rescind.

Once the Declaration is recorded, no change may be made in the number of Units nor may the size of any Unit be changed by subdivision or combination or alteration of boundary walls as aforesaid or otherwise, nor may the Common Interest of any Unit be changed, unless, in each such event, the Declaration and Floor Plans and this Plan are amended with the consent of each Unit Owner whose Unit is so changed. Sponsor will have the right to amend or to cause the Residential Board or Condominium Board to amend the Declaration to reflect any such change and to file such amendment and any necessary plans and specifications in connection therewith.

As long as the layout and dimensions of a Residential Unit conform substantially to the Residential Unit Plans, a Purchaser will not be excused from purchasing the Residential Unit and will not have any claim against Sponsor as a result of any insubstantial or immaterial change or discrepancy.

INTERIM LEASES

Sponsor or its designee reserves the right with respect to any Unsold Residential Unit, prior to the date of closing thereto, to rent or lease such Unsold Residential Unit on an interim basis for such rent and term and on such other conditions as may be agreed to between Sponsor or such owner and a Purchaser. Purchasers are advised that the tenancy under such Interim Lease is not subject to governmental regulation as to amount of rent or terms. No occupancy may commence until a temporary Certificate of Occupancy has been obtained for such Unsold Residential Unit. The interim lease will provide, however, among other things, that an uncured default by the Purchaser under the Agreement with respect to the Unsold Residential Unit which is the subject of the interim lease will constitute a default under the interim lease entitling Sponsor or such owner, at its option, to terminate such interim lease in accordance with applicable Law. In addition, each Agreement may provide that an uncured default by the Purchaser under any lease or use and occupancy agreement with respect to the Unsold Residential Unit which is the subject of the Agreement will constitute a default under the Agreement entitling Sponsor or such owner, at its option, to terminate such Agreement and to exercise any remedies therein provided; provided however, that before Sponsor or such owner utilizes the default under the interim lease to declare a default under the Agreement, Sponsor or such owner will either obtain an order of eviction or other judgment or order from a court or agency of competent jurisdiction against the lessee unless the lessee has vacated the Unsold Residential Unit. A Purchaser will have thirty (30) days to vacate a Unsold Residential Unit after a default under the Agreement or the exercise of a right of rescission.

Purchasers entering into an interim lease for an Unsold Residential Unit will be required to pay the legal fees of Sponsor's counsel in connection therewith upon execution of the interim lease. All other charges or other fees due under a interim lease will be adjusted as of the Closing to the Residential Unit. Notwithstanding any of the foregoing, Sponsor will be under no obligation to enter into any interim lease and no portion of the rent paid under an interim lease will be credited towards the Purchase Price of a Unit unless the interim lease expressly provides.

PROCEDURE TO PURCHASE

A person desiring to purchase a Residential Unit will be required to execute an Agreement in quintuplicate (i.e., five (5) original copies), which will be substantially in the form set forth in Part II of the Plan.

Prospective purchasers shall be afforded not fewer than three business (3) days to review the Plan and all amendments thereto prior to executing an Agreement. If a Purchaser has not received and read the Plan at least three (3) full business days prior to executing an Agreement, a purchaser shall have the right to rescind the Agreement and have the full deposit refunded promptly within seven (7) days after delivering an executed Purchase with the required deposit. The Purchaser must either personally deliver a written notice of rescission to the Sponsor or Selling Agent within the seven (7) day period or mail the notice of rescission to the Sponsor or Selling Agent and have the mailing postmarked within the seven (7) day period. The Agreement sets forth in detail the terms of sale with respect to each Residential Unit and should be read carefully by each prospective purchaser. Prospective purchasers should be aware that if any conflict exists between the Plan and the Agreement, the provisions of the Plan shall in all events control except where such provisions were requested by Purchaser and agreed to by Sponsor.

Although a Purchaser may obtain financing from a lending institution or any other source, Purchaser's obligation to purchase a Residential Unit pursuant to the Agreement shall not be contingent on Purchaser obtaining financing for such purchase.

Agreements will not be binding on Sponsor until approved and executed by it, and delivered by Sponsor to the prospective Purchaser or such Purchaser's attorney. Sponsor will have thirty (30) days after delivery by Purchaser of an executed Agreement and the Deposit required thereby, within which to accept or reject such Agreement. Sponsor reserves the right to request thorough identification and financial information concerning any prospective purchaser, subject to any limitations and requirements imposed by Law.

If an Agreement is not accepted by Sponsor within the aforesaid thirty (30) day period (by Sponsor executing the Agreement and returning same to Purchaser or Purchaser's counsel within the aforesaid thirty (30) day period), the Agreement shall be deemed to have been rejected and canceled and all sums theretofore deposited thereunder, without interest, shall be promptly returned to the prospective purchaser. Sponsor hereby reserves the right at any time and from time to time for any reason whatsoever, without prior notice or prior amendment to the Plan and without the consent of any Board, to refuse to approve and execute an Agreement for any Residential Unit, except as prohibited by Law. No prospective purchaser will have any claim against Sponsor for Sponsor's failure to execute an Agreement.

The Agreement shall not contain, and shall in no event be modified to contain, a provision waiving the Purchaser's rights or abrogating Sponsor's obligations under the Plan or under Article 23-A of the General Business Law of the State of New York.

At the time of execution of an Agreement, a Purchaser is required to make a payment in an amount equal to at least the sum of ten percent (10%) of the purchase price (the "Initial Deposit") with an additional ten percent (10%) of the purchase price (the "Additional Deposit")

due and payable no later than the earlier to occur of: (i) four (4) months after the date of the Agreement or (ii) fifteen (15) days after Sponsor presents an amendment declaring the Plan effective, but in no event later than the Closing, subject to collection. The Initial Deposit and the Additional Deposit are hereinafter collectively referred to as the "Deposit."

All Deposit checks must be made payable to the direct order of "STROOCK & STROOCK & LAVAN LLP, ESCROW AGENT." All checks delivered in payment of the Deposit (other than any portion thereof paid at Closing) shall be accepted subject to collection, and if any such check is returned for insufficient funds or any other reason, Sponsor shall have the right, among other things, to deem such Agreement to be canceled and of no further force or effect.

Each prospective purchaser should note that Sponsor is only obligated to provide the equipment, fixtures and furnishings described in the "Description of Property" set forth in Part II of this Plan. If a person desiring to purchase a Residential Unit requests that Sponsor perform special work on such Residential Unit or provide extra furnishings, including, but not limited to, any deviation from the materials or specifications described in the "Description of Property," and Sponsor agrees to perform such special work and/or provide such furnishings, then a description of such work or furnishings shall be inserted as an addition to the Agreement and Sponsor may require such person to pay for said special work or furnishings. However, Sponsor shall be under no obligation whatsoever to agree to perform any special work or provide extra furnishings for a Purchaser, nor shall Sponsor have any obligation to allow a Purchaser or its agents to perform any special work or install extra furnishings prior to Closing. Any and all special or additional work which a Purchaser desires to be performed with regard to a Residential Unit shall be done only upon Sponsor's written consent thereto and Sponsor's approval of all contractors and suppliers in connection therewith, which consent and approval are within the sole discretion of Sponsor. In no event shall the presence of any furniture, furnishings, equipment or decorations in any model apartment or Common Element or in any advertisements with respect thereto, imply or represent that any Residential Unit will contain such furniture, furnishings, equipment or decorations upon delivery of the Residential Unit to Purchaser unless Purchaser agrees to pay Sponsor an amount determined by Sponsor in addition to the purchase price for such Residential Unit.

The balance of the purchase price shall be payable simultaneously with the delivery of the deed to the Residential Unit by an official bank check or an unendorsed certified check drawn on or issued by a New York bank or trust company which is a member of The New York Clearinghouse Association and shall be payable to the direct order of Sponsor, or otherwise if Sponsor should so notify Purchaser. The deed will be substantially in the form set forth in Part II of the Plan. Interest, if any, on Purchaser's Deposit will be credited or paid to Purchaser at Closing.

TIME IS OF THE ESSENCE AS TO PURCHASER'S OBLIGATIONS PURSUANT TO THE AGREEMENT, INCLUDING, WITHOUT LIMITATION, FOR THE PAYMENT OF THE BALANCE OF THE PURCHASE PRICE. FUNDS DRAWN ON OUT-OF-STATE OR FOREIGN BANKS WILL NOT BE ACCEPTED IN PAYMENT OF THE PURCHASE PRICE FOR A RESIDENTIAL UNIT.

After an amendment declaring the Plan effective has been accepted for filing, Sponsor will serve Purchasers with written notice of the originally scheduled Closing Date at least thirty (30) days prior to the originally scheduled Closing Date and, in the event Purchaser fails to close on the designated date, then Purchaser will have a thirty (30) day period after written notice within which to cure such default, time being of the essence, following which Sponsor shall have the remedies set forth below. A Purchaser may waive written notice of such Purchaser's Closing Date.

At the closing of title and simultaneously with the delivery of the deed conveying the Unit to Purchaser, Purchaser shall execute and acknowledge a power of attorney to the Condominium Board, the Residential Board and Sponsor substantially in the form set forth in Part II of the Plan. Failure of the Purchaser to execute and acknowledge the power of attorney shall constitute an event of default.

In the event of any default by a Purchaser under an Agreement where the Purchaser does not cure such default within thirty (30) days after Sponsor gives written notice to the Purchaser of such default, Sponsor may, at its option, either (a) cancel such Agreement and retain the Deposit made by Purchaser, together with any interest earned thereon, as liquidated damages, in which event all rights, obligations and liabilities of Sponsor and Purchaser shall wholly cease and terminate or (b) bring an action against Purchaser for specific performance. In addition, Sponsor shall also be entitled to retain (i) any costs or expenses incurred by Sponsor for special work requested by Purchaser and (ii) the reasonable cost to restore the Residential Unit to its condition prior to such special work being performed. Sponsor will be entitled to maintain an action against purchaser for such additional costs.

Sponsor will fix dates for closing title to all Unsold Residential Units for which Agreements have been executed by serving notice upon each Purchaser stating the scheduled date of the First Closing setting such Purchaser's Closing Date.

If a Purchaser fails for any reason to close title to the Residential Unit on the originally scheduled Closing Date (a) the closing apportionments described in the Section entitled "Closing Costs and Adjustments" will be made as of midnight of the day preceding the originally scheduled Closing Date, regardless of when the actual Closing occurs, and (b) Purchaser will be required to pay to Sponsor, as a reimbursement of Sponsor's higher carrying costs for the Residential Unit by virtue of the delay, and in addition to the other payments to be made to Sponsor under the Agreement and this Plan, an amount equal to 0.03% of the purchase price of the Residential Unit for each day starting from (and including) the originally scheduled Closing Date to (and including) the day before the actual Closing Date.

Prior to the closing of title to a Residential Unit, the Agreement prohibits a contract vendee from listing the Residential Unit for resale or rental with any broker or from advertising or otherwise offering, promoting or publicizing the availability of the Residential Unit for sale or lease, without Sponsor's prior written consent. In addition, a Purchaser (other than a Purchaser purchasing for such Purchaser's own occupancy) may not advertise, list or sell a Residential Unit acquired from Sponsor for twelve (12) months after acquisition of such Residential Unit (provided however, such limitation shall not apply from and after the date that the Sponsor

conveys title to all of the Residential Units). Any such conveyances in violation of the foregoing will be voidable by Sponsor.

It is anticipated that the First Closing will occur by the commencement date for the First Year of Condominium Operation as set forth in Schedule B which is January 1, 2006. If the First Closing does not occur by December 31, 2006, as such date may be extended by duly filed amendment to the Plan, Sponsor will amend the Plan to update the budget and to offer Purchasers the right to rescind their Agreements within fifteen (15) days after the presentation of the amendment disclosing the updated budget, and any Purchaser electing rescission will have their Deposits and any interest earned thereon returned. If the Plan is withdrawn or abandoned, the Deposit previously paid to and actually collected by Sponsor, together with any interest earned thereon, shall be returned to Purchaser within fifteen (15) days of the date of such withdrawal or abandonment, in accordance with the provisions herein set forth.

The risk of loss to any Residential Unit by fire or other casualty until the Closing for such Residential Unit is assumed by Sponsor (unless and until a Purchaser takes possession of such Unit pursuant to an interim lease or written agreement with Sponsor, at which time such risk to the Residential Unit (but not to any portion of the Common Elements) shall be assumed by Purchaser), but without any obligation or liability by Sponsor to repair or restore any Residential Unit. In the event of damage or destruction of a Residential Unit due to fire or other casualty prior to the Closing, but subsequent to the signing of an Agreement, provided Sponsor elects (which election shall be in its sole discretion) to repair or restore the Residential Unit, the Agreement shall continue in full force and effect, and, thereafter, Purchaser shall not have the right to reject title or receive a credit against, or abatement in, the purchase price for the subject Residential Unit. In such event Sponsor shall be entitled to a reasonable period of time within which to complete the repair or restoration, and any proceeds received from insurance or in satisfaction of any claim or action in connection with such loss shall, subject to the rights of the respective Boards and other Unit Owners, belong entirely to Sponsor. In the event of damage or destruction to any Residential Unit by fire or other casualty prior to the Closing, but subsequent to the signing of an Agreement, if Sponsor notifies Purchaser that it does not elect (which election shall be in its sole discretion) to repair or restore the Residential Unit or if the Unit Owners do not resolve to make such repair or restoration pursuant to the By-Laws (see the Section entitled "Rights and Obligations of Unit Owners and Boards of Managers"), the Agreement shall be deemed canceled and of no further force or effect and Escrow Agent shall return to Purchaser all sums deposited thereunder, together with interest earned thereon, if any, whereupon the parties to the Agreement shall be released and discharged from all obligations and liability thereunder and under this Plan; provided, however, notwithstanding anything to the contrary herein, if Purchaser is then in default under the Agreement (beyond any applicable grace period), Sponsor shall retain all such sums as and for liquidated damages.

Notwithstanding anything to the contrary set forth above, in the event that an Agreement is terminated or rescinded for any reason, Sponsor may retain escrow funds equal to the cost for special work performed at the request of the Purchaser as well as the cost of any work necessary to restore the Residential Unit to its condition prior to such work having been performed.

From and after the Closing of each Residential Unit, Purchaser will become obligated for the payment of Residential Common Charges, real estate taxes and assessments (including water

charges and sewer rents, if separately assessed) and all other expenses with respect to such Residential Unit Owner's Unit, whether or not the Residential Unit Owner has taken possession of such Residential Unit Owner's Unit, and whether or not all work required to be performed by Sponsor or anyone else in or to the Residential Unit or the Building has been completed.

Agreements are not assignable without the prior written consent of Sponsor, which consent may be granted or denied by Sponsor in its sole discretion. If Purchaser is a corporation, partnership, limited liability company, trust or other legal entity, any sale, assignment, transfer, pledge, encumbrance or other disposition of any of the ownership interest of Purchaser (including without limitation, the stock, membership or beneficial interests of the stockholders, partners, members or beneficiaries of Purchaser or its stockholders, partners, members or beneficiaries) shall be considered an assignment of this Agreement.

At the closing of title and simultaneously with the delivery of the deed conveying a Residential Unit to Purchaser, Purchaser shall execute and acknowledge a power of attorney to the Condominium Board, the Residential Board and Sponsor substantially in the form set forth in Part II of the Plan. Purchaser's failure to duly complete and sign before a notary public and deliver at closing the power of attorney will constitute an event of default under the Agreement, in which case Sponsor may, at its option, cancel such Agreement and retain the Deposit made by Purchaser, together with any interest earned thereon, as liquidated damages, in which event all rights, obligations and liabilities of Sponsor and Purchaser shall wholly cease and terminate. In addition, Sponsor shall also be entitled to retain (i) any costs or expenses incurred by Sponsor for special work requested by Purchaser and (ii) the reasonable cost to restore the Residential Unit to its condition prior to such special work being performed. Sponsor will be entitled to maintain an action against purchaser for such additional costs.

Escrow and Trust Fund Requirements

All Deposits received by Sponsor under an Agreement will be held in escrow in conformity with the provisions set forth below.

Sponsor will comply with the escrow and trust fund requirements of General Business Law Sections 352-e(2-b) and 352-h and the Attorney General's regulations promulgated pursuant thereto.

Any provision of any contract or agreement, whether oral or in writing, by which a Purchaser purports to waive or indemnify any obligation of the escrow agent holding trust funds is absolutely void. The provisions of the Attorney General's regulations concerning escrow/trust funds shall prevail over any conflicting or inconsistent provision in the Plan or in an Agreement. Purchasers shall not be obligated to pay any legal or other expense of Sponsor in connection with the establishment, maintenance or defense of obligations arising from the handling or disposition of trust funds.

All Deposits made by Purchasers prior to the closing of each individual transaction, will be placed, within five (5) business days after tender of the Deposit and executed Agreement by Purchaser to Sponsor or Selling Agent, in a segregated special escrow account of Stroock & Stroock & Lavan LLP, the escrow agent (the "Escrow Agent"), whose address is 180 Maiden

Lane, New York, New York 10038 and whose telephone number is (212) 806-5400. Escrow Agent has established a master escrow account at JPMorgan Chase Bank at its branch located at One New York Plaza, New York, New York 10081 entitled Stroock & Stroock & Lavan LLP, Escrow Account No.[redacted](the "Master Escrow Account"). The attorneys who are signatories on this account authorized to withdraw funds are: Leonard Boxer, Esq., Lewis Cole, Esq., Stuart Coleman, Esq., Brian Diamond, Esq., Michel Evanusa, Esq., Lawrence Handelsman, Esq., Thomas Heftler, Esq., Lewis Kruger, Esq., Alan Klinger, Esq., Charles Moerdler, Esq., Martin Neidell, Esq. All Deposits will be placed initially in a non-interest bearing checking portion of the Master Escrow Account. Each Purchaser is required to deliver a completed and signed Form W-9 (Request for Taxpayer Identification Number) in the form set forth in Part II of the Plan or a Form W-8BEN (Certificate of Foreign Status of Beneficial Owner for United States Tax Withholding), in the form set forth in Part II of the Plan, as applicable, to Sponsor or Selling Agent at the time Purchaser tenders the Deposit and the Agreement. If a Deposit is accompanied by a completed and signed Form W-9 or Form W-8BEN, the Deposit will thereafter be promptly transferred to an individual interest bearing sub-escrow savings account in the name of Purchaser. If a Purchaser does not deliver the Form W-9 or Form W-8BEN, signed and fully completed with the taxpayer identification number, if required, the Deposit will remain in the non-interest bearing checking portion of the Master Escrow Account and Sponsor will have no obligation to provide interest to a Purchaser. At such time as the Deposit is released, the Deposit will be transferred from the individual sub-escrow savings account to the non-interest bearing checking portion of the Master Escrow Account so that checks may be drawn thereon. JPMorgan Chase Bank is covered by federal bank deposit insurance to a maximum of $100,000 per individual deposit. The following are <u>special risks</u> of this offer: (i) if a Purchaser makes a Deposit in excess of $100,000 for the purchase of a unit, such Deposit will not be federally insured in excess of $100,000; and (ii) while the Deposit is in the non-interest bearing checking portion of the Master Escrow Account, the Deposit may not be fully federally insured even if the Deposit does not exceed $100,000.

The Deposit may be tendered by Purchaser to Sponsor or Selling Agent by either personal delivery, delivery by messenger or courier service or mailed by certified mail, return receipt requested, overnight courier or express mail service. The Deposit shall be deemed tendered by Purchaser on the date it is actually received by Sponsor or Selling Agent together with a fully executed Agreement.

Acceptance of the Deposit by Sponsor or Selling Agent and the placement of the Deposit into the special escrow account, shall not be deemed a binding agreement by Sponsor to sell to Purchaser unless and until Purchaser executes an Agreement and Sponsor or Selling Agent executes a duplicate thereof and delivers the Agreement to Purchaser in accordance with the terms of the Plan.

If a Purchaser tenders a Deposit without an executed Agreement, Sponsor shall have the right to reject the Deposit and return it to Purchaser: (i) within five (5) business days after tender, if the Deposit has not been deposited into escrow, and (ii) at any time, if the Deposit has been deposited into escrow.

The checking account portion of the Master Escrow Account will not be interest-bearing. The sub-escrow savings account portion of the Master Escrow Account will be interest-bearing.

All interest will be credited to Purchaser at such time as: (i) there is a closing under the Agreement, or (ii) Purchaser is entitled to a return of the Deposit. All interest will be credited to Sponsor only in the event Purchaser defaults. The interest rate to be earned will be the prevailing rate for these accounts which varies. When last confirmed by Sponsor, the rate was 2.30% for all deposits. Sponsor makes no representations or guaranties that the interest rate paid on Deposits will not increase or decrease and makes no representations regarding the interest which will be paid on the Deposits. Interest will begin to accrue within: (i) three (3) business days, if the Deposit is cash or cash equivalent, or (ii) five (5) business days, if the Deposit is other than cash or cash equivalent. All instruments shall be made payable directly to the order of "Stroock & Stroock & Lavan LLP, as Escrow Agent." Endorsed instruments will not be accepted. Information regarding the Escrow Account may be provided to Sponsor and Sponsor's construction lender which may be entitled to access to records with respect thereto.

ESCROW AGENT'S NOTICE THAT THE DEPOSIT HAS BEEN DEPOSITED WILL NOT MEAN THAT PURCHASER HAS BEEN APPROVED AS A PURCHASER OR THAT THE AGREEMENT HAS BEEN SIGNED BY SPONSOR. IT SIMPLY MEANS THE CHECK HAS BEEN DEPOSITED.

In the event a check delivered by a Purchaser fails of collection, the Agreement will be deemed void ab initio (as if the Agreement had never been executed) at the option of Sponsor, who reserves the right to exercise this option in its discretion by written notice to Purchaser given within five (5) business days of Sponsor receiving notice from Escrow Agent of such failure of collection.

Before funds are transferred to a new escrow account, or if the Escrow Agent is replaced, the Plan must be amended to provide the same full disclosure with respect to the new account, the escrow agent and the escrow agreement as was originally provided herein. A bond, letter of credit or other security may be substituted for the escrow account only after the Office of the Attorney General approves in writing the use of such alternate form of security.

With respect to the release of the Deposit, under no circumstances shall Sponsor apply for a release of the Deposit of a defaulting purchaser until after consummation of the Plan. The consummation of the Plan does not relieve the Sponsor of its obligations pursuant to GBL Section 352-h. Within ten (10) business days after tender of the Deposit, Escrow Agent will notify Purchaser that such funds have been deposited into escrow and will provide the account number and the initial interest rate, if any. If Purchaser does not receive notice of such Deposit within fifteen (15) business days after tender of the Deposit, Purchaser may cancel the purchase and rescind so long as the right to rescind is exercised within ninety (90) days after tender of the Deposit. Rescission may not be afforded where proof satisfactory to the Attorney General is submitted establishing that the Deposit was timely deposited and requisite notice was timely mailed to Purchaser in conformity with the Attorney General's regulations.

Escrow Agent will hold the Deposit in escrow until otherwise directed in:

(i) a writing signed by both Sponsor and Purchaser; or

(ii) a determination of the Attorney General pursuant to the dispute resolution procedures contained in the Attorney General's regulations; or

(iii) a judgment or order of a court of competent jurisdiction.

If there is no written agreement between the parties to release the Deposit, Escrow Agent will not pay the Deposit to Sponsor until Escrow Agent has given Purchaser written notice of not fewer than ten (10) business days. Thereafter, the Deposit may be paid to Sponsor unless Purchaser has already made application to the Department of Law pursuant to the dispute resolution provisions of the Attorney General's regulations and has so notified Escrow Agent in accordance with such provisions and Escrow Agent has received such notice.

Sponsor shall not object to the release of the escrowed funds to:

(1) a Purchaser who timely rescinds in accordance with an offer of rescission contained in the Plan or in an amendment to the Plan; or

(2) all Purchasers after an amendment abandoning the Plan is accepted for filing by the Department of Law.

Purchaser will not object and will be deemed to have agreed, without the need for a written agreement, to the release of the Deposit to Sponsor in the event Sponsor and Purchaser close title under the Agreement.

Purchasers and Escrow Agent <u>may</u> apply to the Attorney General in the event of a dispute for a determination on the disposition of the Deposit and any interest thereon. Sponsor <u>must</u> avail itself of this procedure if there is a dispute which needs to be resolved. A form for this purpose is set forth in Part II of the Plan. The party applying for a determination must send to all other parties by certified mail, return receipt requested, a copy of the application.

Pending the determination of the Attorney General to grant or deny the application, Sponsor, Purchaser and Escrow Agent shall abide by any interim directive issued by the Attorney General.

If the application permitting release of funds is granted, the deposit and any interest earned thereon shall be disposed of in accordance with the determination of the Attorney General, subject to any court action in which preliminary relief is granted.

The Attorney General shall act upon the application within thirty (30) days after its submission to the Office of the Attorney General, by either making a determination or notifying the parties that an extension of time in which to do so is necessary for stated reasons.

If the application seeking release of funds is denied, the escrow agent shall continue to hold the deposit and any interest earned thereon until: (1) both the sponsor and purchaser direct payment to a specified party in accordance with a written direction signed by both the sponsor and purchaser; or (2) a judgment or order of a court of competent jurisdiction is served on the escrow agent; or (3) the escrow agent deposits the disputed amount into court.

In no event shall the Escrow Agent release funds in dispute, other than a payment of such funds into court, until such dispute is finally resolved either by determination of the Attorney General or by order or judgment of a court of competent jurisdiction or by written agreement of the Sponsor and Purchaser.

Set forth in Part II of the Plan is a copy of the form of escrow agreement between Sponsor and Escrow Agent which incorporates the terms of the Attorney General's regulations.

Escrow Agent shall be permitted to act as counsel to Sponsor in any dispute as to the disbursement of the Deposit or any other dispute between Sponsor and a Purchaser whether or not Escrow Agent is in possession of the Deposit and continues to act as Escrow Agent.

Sponsor has agreed to indemnify Escrow Agent from all costs, claims, expenses and damages incurred in connection with or arising out of the escrow agreement or the performance or non-performance of Escrow Agent's duties under the escrow agreement, except with respect to actions or omissions taken or suffered by Escrow Agent in bad faith or in willful disregard of the escrow agreement or involving gross negligence of Escrow Agent.

Sponsor has agreed to compensate Escrow Agent for services rendered in connection with Escrow Agent's duties under the escrow agreement, if any. Escrow Agent's fees and disbursements will neither be paid by Sponsor from the Deposit nor deducted from the Deposit by any financial institution under any circumstance.

Escrow Agent will maintain all records concerning the Master Escrow Account for seven years after the release of funds. The Department of Law may perform random reviews and audits of any records involving escrowed accounts to determine compliance with the applicable statute and regulation.

Sponsor may agree to modify the floor plans and finishes of certain Residential Units or to do special work or provide extras to the Residential Units as requested by individual Purchasers as negotiated by Sponsor and Purchaser. Purchaser shall bear the cost of such modification to floor plans and finishes. All funds received by Sponsor from Purchasers for such modified or additional work in Units, as aforesaid, shall be initially placed in escrow and shall be paid to Sponsor by the escrow agent to be used by Sponsor to pay for such work. Accordingly, in the event a Purchaser becomes entitled to rescission after the release of such funds, the Purchaser shall not receive a refund of any funds used for special work or extras.

The Plan and all Agreements are subject to the requirements of Section 71-a(3) of the Lien Law a copy of which is set forth in Part II of the Plan and incorporated into the Plan and the Agreement by reference. Please refer to Part II of the Plan for further details.

EFFECTIVE DATE

Sponsor's offer to sell the Units under this Plan is contingent upon the Plan being declared effective pursuant to Section 20.3(q) of Title 13 NYCRR (i.e., Agreements signed by bona fide purchasers for 15% of the Units offered under the Plan). The Plan must be declared effective when Agreements have been executed by prospective purchasers and accepted by Sponsor with respect to eighty (80%) percent of the Units offered for sale. The Plan may be declared effective at an earlier date, at Sponsor's sole election, when bona fide Agreements (including those executed by investors) have been executed and accepted by Sponsor with respect to fifteen (15%) percent of the Units being offered for sale under the Plan.

The Plan will not be declared effective based on Agreements: (i) signed by purchasers who have been granted a right of rescission that has not yet expired or been waived; or (ii) signed by purchasers who have not been afforded at least three (3) business days to review this Plan and all filed amendments prior to executing an Agreement or at least seven (7) days to rescind; or (iii) signed by any purchaser who is Sponsor, the Selling Agent the Managing Agent, or a principal of either, or is related by blood, marriage or adoption or as a business associate, an employee, a shareholder or a limited partner of Sponsor, the Selling Agent, the Managing Agent or a principal of either (except that such a purchaser other than Sponsor or a principal thereof may be counted only if Sponsor has submitted proof satisfactory to the Department of Law establishing that the purchaser is bona fide).

This Plan will be declared effective either by: (a) personal service of written notice to all purchasers and, within five (5) business days following such notice, an amendment to this Plan confirming that this Plan was declared effective as of the date of such notice will be submitted to the Department of Law, which amendment, upon acceptance for filing, will be delivered to all purchasers; or (b) by duly filed amendment to this Plan. The closing of title with respect to any Unit shall in no event take place prior to the acceptance for filing of such amendment to this Plan.

Prior to being declared effective, the Plan may, at the option of Sponsor, be abandoned at any time for any reason. After the Plan has been declared effective, the Plan may be abandoned in the event of: (a) the existence of one or more title defects (including violations of record or work orders of a mortgagee or insurance carrier) affecting any one or more Units or the Property that cannot be removed, cured or complied with without litigation or for less than one-half of one percent of the total offering in the aggregate, (b) substantial damage to or destruction of the Building (or any portion thereof) by fire or other casualty that cannot be repaired prior to the date set for the First Closing for less than one half of one percent of the total offering; or (c) a taking of all or part of the Property in condemnation proceedings or by eminent domain. Any stated dollar amount relied upon as a basis for abandonment after effectiveness must exclude any attorney's fees or any such title defects or determinations of any authority or regulatory association which exist on the date of presentation of the Plan and are either known to the Sponsor or are a matter of public record.

In the event the Plan is withdrawn or abandoned, it will be by a duly filed amendment and all Deposits, together with interest earned thereon, if any, will be returned to Purchasers within fifteen (15) days following such withdrawal or abandonment. Upon the return of the

Deposits, together with any interest earned thereon, the Agreements will be null and void and Sponsor will have no further obligation or liability to Purchasers under the Plan or the Agreements. Funds received by Sponsor from a Purchaser for modified or additional work in Residential Units, if any, will not be returned to such Purchaser following withdrawal or abandonment of the Plan. Sponsor shall promptly submit an amendment to the Department of Law confirming such abandonment or withdrawal and, in the case of an abandonment, shall file a notice of abandonment on form RS-3 or such other form as the Department of Law may require and explain the reason for the abandonment and disposition of all funds received.

Sponsor is not obligated to repair any damage from a casualty or other cause that occurs before the closing of a Purchaser's Unit. If Sponsor elects to repair any such damage, Purchaser's Agreement will remain in full force and effect, and Purchaser shall not have the right to reject title or receive a credit against or an abatement in, the Purchase Price. Sponsor shall be entitled to a reasonable period of time within which to complete the repair or restoration. If Sponsor notifies Purchaser that it does not elect to repair or restore the Unit, the Agreement shall be deemed canceled and Sponsor shall return to Purchaser all sums deposited by Purchaser under the Agreement, together with interest earned thereon, if any, and neither party shall have any further liability to the other except (i) if Purchaser is in default under the Agreement, Sponsor will retain any such sums as and for liquidated damages and (ii) Sponsor may retain escrow funds equal to the cost for special work performed at the request of the Purchaser as well as the cost of any work necessary to restore the Residential Unit to its condition prior to such work having been performed.

In the event of the existence of any lien or encumbrance other than Permitted Encumbrances, the sole remedy of Purchasers under the Plan will be to rescind their respective Agreements within fifteen (15) days after receipt of notice or an amendment disclosing such lien or encumbrance. A Purchaser electing to proceed with the purchase of a Unit will not be entitled to any credit against, or abatement of, the purchase price set forth in the Agreement and will have no claim or right of action against Sponsor by reason thereof. Sponsor has no obligation to institute any action or proceeding or to expend any sum of money to make title marketable or to eliminate any encumbrances or title defects, except to incur expenses up to the aggregate amount of $50,000 in respect of the Building and of all Units.

The existence of mortgages, liens and encumbrances other than Permitted Encumbrances shall not be objections to title, provided bonds or properly executed instruments in form for recording necessary to satisfy or release Units from such impermissible liens or encumbrances are delivered at Closing and proper adjustments are made for the cost of recording or filing such instruments. Sponsor will bear the responsibility and cost of recording or filing such instruments.

The acceptance of a deed by a Purchaser shall be deemed an acknowledgment that Sponsor has performed and discharged every agreement and obligation on the part of Sponsor to be performed under the Plan except those (if any) which may be expressly stated in the Plan, in the Agreement, in 13 NYCRR, Part 20 (the regulations of the Attorney General of the State of New York governing the acceptance for filing of this Plan) and in General Business Law Section 352-e to survive delivery of the deed. The Purchaser of a Unit shall inspect such Unit prior to the Closing Date and shall execute at such time an inspection statement acknowledging Purchaser's acceptance of the Unit in good condition and in accordance with the terms of the Plan, provided that if Purchaser finds that Sponsor's improvements have not been completed as described in the Plan then Sponsor and the Purchaser in question will agree to include on the inspection statement a list of "punch list" work to be completed in the Unit by Sponsor following the Closing Date. Sponsor shall have no obligation to complete any work described herein which is not specifically designated by the Purchaser on the inspection statement. A Purchaser shall receive prior notice that a Residential Unit is available for inspection pursuant to this Paragraph. as more particularly set forth in the Agreement in Part II of the Plan and as described in the Section of the Plan entitled "Rights and Obligations of Sponsor." A Purchaser who fails to inspect such Residential Unit shall be deemed to have accepted the Residential Unit in good condition and in accordance with the terms of the Plan. After Closing of title to each Residential Unit the Purchaser thereof must comply with the procedures established by the Managing Agent regarding such Purchaser's move into the Residential Unit. This may include "move in" fees which will be refunded to the Purchaser unless the Purchaser or the Purchaser's agents damage the Common Elements or another Residential Unit during the move in.

In no event will Sponsor be responsible for any condition resulting from (i) normal wear and tear or natural deterioration or from the normal movement, settlement and/or shrinkage of the Building and/or Building materials; (ii) defects of an insubstantial nature, such as, without limitation, partial or total loss of any trees, shrubs, bushes or other landscape improvements, nail pops, protruding dry wall fastenings, ridging on gypsum board, lumber and wood trim shrinkage or warpage, door or window sticking, door warpage including, without limitation, warpage of the main entrance door within reasonable tolerances of doors of similar size and weight, scratches in plastic laminate, vitreous china, natural stone, wood, stainless steel or porcelain surfaces; bathroom finish grouting; adjustment of doors; walls not square and/or straight; electrical plates not straight; discoloration or shrinkage; slight separation between base and floors; (iii) normal settlement and deflection or any consequential damage resulting therefrom including, without limitation, cracks in roof ballast, or concrete cracks which do not reduce the structural integrity of the Building; (iv) deviations in the level or straightness of ceilings, and imperfections in ceiling finishes; (v) imperfections in painting finishes; (vi) deviations in the level or straightness of a floor or failure of finished floors and walls to be straight or on plane or at less than 90° from each other; (vii) alignment of bathroom finishes and variation in grouting thickness; (viii) air infiltration and water infiltration from windows, vents, electrical outlets and similar openings in the wall, in accordance with customary practice and professional standards (ix) noise from normal plumbing, heating, ventilating and air conditioning operation; (x) normal floor noises and creaking; (xi) carpet or floor discoloring or stretching, (xii) scratches and imperfections or variations in width, length, thickness, finish or color range of wood floor strips or other flooring or floor finishes, also, normal shrinkage or expansion of wood flooring due to changes in moisture content of wood, or due to homeowner's failure to maintain consistent temperature; (xiii) repair of chips, scratches, mars, breaks, dents, cracks or other defects in: exterior stone;

Sponsor will be obligated to repair only abnormally chipped stone, formica and porcelain surfaces, which repair will be made by filling the stone or formica or refinishing the porcelain, but Sponsor will not be obligated to replace such stone, formica or porcelain surfaces. THE ITEMS AND CONDITIONS DESCRIBED IN THIS PARAGRAPH ARE NOT DEFECTS AND MAY BE FOUND IN ANY NEWLY CONSTRUCTED BUILDING. PURCHASERS WHO PURCHASE A RESIDENTIAL UNIT IN THE BUILDING OR IN ANY OTHER NEWLY CONSTRUCTED BUILDING MAY EXPERIENCE SOME OR ALL OF THESE ITEMS AND CONDITIONS IN THEIR UNIT, THE COMMON ELEMENTS OR ELSEWHERE IN THE BUILDING. SPONSOR HAS NO OBLIGATION TO CORRECT OR REPAIR ANY OF THESE ITEMS AND CONDITIONS AND WILL NOT BE LIABLE TO ANY PURCHASER OR THE BOARD THEREFOR. IF PURCHASERS OR ANY BOARD DESIRES TO CORRECT OR REPAIR ANY OF THESE ITEMS OR CONDITIONS, TO THE EXTENT THEY CAN BE CORRECTED OR REPAIRED, THEY WILL HAVE TO PROCEED AT THEIR SOLE COST AND EXPENSE BY THEMSELVES AND/OR UNDER ANY WARRANTIES OR UNDERTAKINGS ASSIGNED TO THEM BY SPONSOR.

As more fully set forth in the Section of the Plan entitled "Rights and Obligations of Sponsor" Sponsor is obligated to construct the Building in accordance with all applicable codes and filed building plans and specifications as well as the provisions of the Plan. The Housing Merchant Implied Warranty Law (General Business Law Article 36-B) is not applicable to this offering. Sponsor is not making any express or implied warranties of fitness for a particular purpose, merchantability or habitability. Unless caused by a violation of the Sound Transmission Code or other applicable code, there is no warranty as to sound transmission. Unless caused by a violation of an applicable code with regard to the ventilation system or other applicable code, there is no warranty as to odors. Unless caused by a code violation, there is no warranty with respect to mold, mildew, spores, fungi or other toxins. There is no warranty as to view or light quality. The sponsor's obligation, regardless of any limitations in the warranty, is to construct the premises in accordance with al applicable codes and files plans and specifications, and any conflict between the disclaimers and the Sponsor's obligation to construct the premises in accordance with all applicable codes and filed plans and specifications shall be

resolved in favor of the latter. In no event will Sponsor be liable for incidental or consequential damages (whether based on negligence, breach of contract, warranty, or otherwise). In the event of any conflict between the foregoing disclaimers and Sponsor's obligations to construct the Building in accordance with all applicable codes and filed building plans and specifications as well as the provisions of the Plan, Sponsor's obligations to construct the Building in accordance with all applicable codes and filed building plans and specifications as well as the provisions of the Plan will control. See the Section entitled "Rights and Obligations of Sponsor" under the Subsection entitled "Sponsor's Obligations With Respect to the Building" in Part I of the Plan for further discussion.

Sponsor will not be obligated to correct and will not be liable to any Purchaser as a result of (i) any insubstantial variations from the Plans and Specifications or the description of any portion of the Building or a Residential Unit set forth in the Plan or (ii) variations from the Plans and Specifications or the description of any portion of the Building or a Residential Unit set forth in the Plan which are neither in violation of applicable building codes, nor require the approval of any governmental authority having jurisdiction, provided such variations are of substantially similar or better quality than as set forth in the Plans and Specifications or description in this Plan. Any such variation affecting the Property which is material will be disclosed in a duly filed amendment to the Plan.

All personal property located within the Unit on the date the Agreement is signed or located within the Common Elements on the date the Declaration is filed, that is owned by the Sponsor or the owner of the property, is included in the conveyance to Purchaser unless specifically excepted in the Plan, as same may be amended from time to time.

CLOSING COSTS AND ADJUSTMENTS

As more particularly set forth in the Agreement, in addition to Purchaser's own legal fees, Purchaser will pay the closing costs set forth below at the time of the closing of title of the Purchaser's Unit. Recording charges, fees and taxes are based on rates in effect on the date of the Plan and are subject to change without notice and a Purchaser will not be relieved of Purchaser's obligation under an Agreement by reason of any change in such charges, fees or taxes.

(a) Purchaser will pay a contribution to the Working Capital Fund of the Residential Section in an amount equal to one (1) month's Residential Common Charges then applicable to each Unit being purchased.

(b) Purchaser will pay the cost for title insurance. which will vary depending upon the purchase price of the Residential Unit. The premium as of the date of this Plan for owner's title insurance is currently seventy percent of the sum of $402 for the first $35,000 of fee insurance plus from $6.67 to $2.76 for each $1,000 of additional fee insurance or fraction thereof depending on the amount of insurance. The premium for mortgage title insurance is currently seventy percent of the sum of $344 for the first $35,000 of coverage plus from $5.55 to $2.31 for each $1,000 of additional mortgage title insurance or fraction thereof depending on the amount of insurance. These rates are subject to change without notice. Each title company utilized by a Purchaser must agree to submit all real estate transfer tax forms required to be submitted in connection with the conveyance of a deed to a Purchaser and all transfer taxes due in connection therewith (as more particularly summarized in subparagraphs (e) and (f) below) and will be obligated to indemnify Sponsor for such title company's failure to file such transfer tax forms and remit the required transfer taxes in connection therewith in a timely manner.

(c) Purchaser will pay a fee for recording the deed, Power of Attorney, mortgage, if any and any other document being $40.00 for the first page of each document plus $5.00 per page for each additional page, and $75.00 for the filing of Form 5217 as collected by Fidelity National Title (each title company establishes its own additional service and surcharges in this regard).

(d) If Purchaser obtains a mortgage loan, the Purchaser will pay Sponsor a sum equal to the partial mortgage tax credit to which Purchaser may be entitled pursuant to Section 339-ee(2) of the Condominium Act, which sum will be paid as a reimbursement for the mortgage recording tax previously paid by Sponsor in connection with any existing mortgage(s); alternatively, Sponsor may require, in its sole discretion, that a Purchaser, who is financing the purchase of said Unit with a purchase money loan secured by a mortgage (the "Purchase Money Mortgage"), must cause the lender making such loan to accept from the Sponsor an assignment of a portion of any mortgage securing the Property in an amount up to the Purchase Money Mortgage as determined by Sponsor. Upon such assignment, the Purchase Money Mortgage will be exempt from mortgage recording tax under Section 255 of the Real Property Tax Law. Sponsor shall be solely entitled to the benefits of such exemption and accordingly, Purchaser must pay

to Sponsor an amount equal to the mortgage recording tax which would have otherwise been due in connection with the recording of the Purchase Money Mortgage.

(e) Purchaser will pay the New York City Real Property Transfer Tax ("RPT Tax"), which currently, for the purchase of a single Residential Unit is one (1%) percent of the purchase price of a Unit of $500,000 or less (1.425% of the purchase price if over $500,000), and the New York State Real Estate Transfer Tax ("NYS Tax"), presently $2.00 for each $500.00 (or part thereof) of the purchase price of a Unit. Purchasers will also be obligated to pay the filing fee for the RPT Tax form which is currently $75.00. For purposes of calculating the taxes payable, the amounts of such taxes will be included in the consideration subject to tax. Therefore, the steps to compute the tax are:

I Multiply the purchase price by the RPT Tax rate to compute the City tentative tax.

II Multiply the purchase price by the NYS Tax rate to compute the tentative NYS Tax.

III Add the tentative taxes to the purchase price.

IV Multiply (iii) by the RPT Tax rate to determine the RPT Tax payable.

V Multiply (iii) by the NYS Tax rate to determine the NYS Tax payable.

Example for the purchase of a Residential Unit :

Purchase price = $575,000.00

(1)	$575,000.00 x 1.425%	=	$ 8,193.75
(2)	$575,000.00 x .4%	=	$ 2,300.00
(3)	$575,000.00 + $10,493.75	=	$585,493.75
(4)	$585,493.75 x 1.425%	=	$ 8,343.29
(5)	$585,493.75 x .4% (rounded up)	=	$ 2,350.00

Under the current policies of the City of New York Department of Finance, where a purchaser purchases two or more Residential Units that have not been physically combined into a single residence before the transfer, the NYC RPT Tax rate where the consideration is $500,000 or less will be 1.425%, while the tax rate where the consideration is in excess of $500,000 will be 2.625% (this may be the case even if the Residential Units are transferred to the purchaser pursuant to separate sales contracts with separate closing dates). The City of New York Department of Finance has taken the position that the consideration for the transfer of a Unit under a deed is not aggregated with the consideration for the transfer of other Units under separate deeds for purposes of determining total consideration. There is no guarantee that The City of New York will

not change its positions with respect to the foregoing. Purchasers of Residential Units should consult their own tax advisors regarding recent New York City Tax Appeals Tribunal decisions rejecting the above interpretation.

(f) If the purchase price of the Residential Unit is $1,000,000 or more, Purchaser will pay the New York State Additional Tax pursuant to Article 31 of the Tax Law, commonly referred to as the "Mansion Tax," which is currently one (1%) percent of the purchase price (the computation of which shall include the RPT Taxes and NYS Taxes as described above).

(g) The legal fees of Sponsor's attorneys in the amount of $2,000 will be payable by a purchaser to Stroock & Stroock & Lavan LLP. All legal costs, fees and expenses charged by the Purchaser's attorney shall be the sole responsibility of each Purchaser. In addition, Purchaser shall also be responsible for payment of the following fees to Sponsor's attorneys, Stroock & Stroock & Lavan LLP, in connection with the closing of title to Purchaser's Unit: If the Purchaser requests the Closing to occur other than at the offices of Stroock & Stroock & Lavan LLP or such other place as Sponsor may designate in its closing notice and Sponsor consents to such change, an attendance fee of $500 for each Closing held within Manhattan and $700 for each Closing held in any borough outside Manhattan. In addition, if Sponsor, in its sole discretion, consents to a Purchaser's request for an assignment of the Agreement, or for the addition, deletion or substitution of names on the Agreement, a fee of $1,000, payable in advance, for preparation of an assignment agreement. Purchaser may pay more than one fee pursuant to this paragraph with respect to a single Unit. In addition to an attendance fee in connection with a completed Unit transfer, Sponsor's attorneys shall also be entitled to an attendance fee of $500 if the scheduled closing is adjourned through no fault of Sponsor, the determination of which shall be within the sole discretion of Sponsor's attorneys. In addition, more than one assignment fee shall be payable if Sponsor consents to more than one request.

(h) If Purchaser obtains a mortgage loan, Purchaser will be responsible for the payment of all mortgage recording tax, origination, appraisal and closing costs and other expenses in connection therewith (including legal fees) in amounts determined by governmental authorities and such lender. As of June 1, 2005, the mortgage recording tax for mortgages for Residential Units where the mortgage is under $500,000 is $2.05 for each $100 of principal. The mortgage recording tax for Residential Units for mortgages in the amount of $500,000 or greater is $2.175 for each $100 of principal. The tax is reduced for Residential Units in both instances by $30.00 if the mortgage principal exceeds $10,000. No representation or warranty is made with respect to the amounts of such closing costs and expenses or the availability or cost of mortgage loans from any sources. As previously stated in paragraph (e) above, if a mortgage tax credit becomes available pursuant to Section 339-ee(2) of the Condominium Act, such credit will inure solely to the benefit of Sponsor. Accordingly, at Closing, each Purchaser utilizing mortgage financing will pay the full amount (but not in excess thereof) of the mortgage recording tax chargeable on the entire amount being financed and Sponsor will be reimbursed by Purchaser to the extent of any mortgage tax credit allowed. In addition, where a Purchaser obtains a mortgage loan, the Purchaser will be responsible for all costs

associated therewith, including, without limitation, costs incurred in connection with the mortgage application, bank's attorney, survey, appraisal, credit report and points.

The following table illustrates the projected closing costs (based on current rates) for Unit 208 at a Purchase Price of $575,000, assuming such Purchaser finances seventy five (75%) percent (i.e., $431,250) of the purchase price:

Fee Title Insurance (if purchased simultaneously with mortgage title insurance)	$ 1,971.11
Fee for recording Unit Deed (7 pages) and Unit Owner's Power of Attorney (5 pages)	$ 130.00
Mortgage Loan Closing Costs - recording mortgage (assuming 20 pages)	$ 135.00
- mortgage recording tax at 1.75% of mortgage under $500,000 or 1.875% if $500,000 or more (less $30 exemption for first $10,000) a portion of which will be paid directly to Sponsor (rounded up).	$ 7,547.00
- mortgage title insurance (if purchased simultaneously with fee title insurance)	$ 391.00
- other bank charges (appraisal fee of $275 and legal fees of $350 and assuming further that the lender does not require Purchaser to deposit funds to establish a real estate tax escrow)	$ 625.00
RPT Tax and NYS Transfer Tax (inclusive of $75 filing fee for New York State Transfer Report RP-5217NYC)	$ 10,768.00
Mansion Tax if purchase price is over $1,000,000 (increased by RPT Tax and NYS Transfer Tax bulk-up)	$ n/a
Working Capital Payment (one month's common charges)	$ 767.62
Closing Fee (assuming the closing occurs at the offices of Sponsor's counsel) +	$ 2,000.00
TOTAL	$ 24,334.73

The projected closing costs referred to above are approximate and are not guaranteed. Purchasers are advised that they are responsible for all mortgage loan closing costs which vary

widely among different lenders (who may include points) and also will vary depending on the loan program chosen.

In addition to the above-specified costs and expenses, a mortgage on a Unit may provide that the Unit Owner deposit monthly with the lender one-twelfth (1/12) of the estimated annual real estate taxes and tax assessments which are assessed or to be assessed against the Unit, together with one-twelfth (1/12) of the annual fire and casualty insurance policy premiums for the Unit, or other amounts, and, at Closing, Purchaser may be required to deposit with the lender a multiple of the aggregate of such one month's real estate taxes, tax assessments and insurance premiums, or other amounts, in order that sufficient funds will be available for the lender to pay the same when due and such sums may be due even if a real estate tax escrow is paid to the Condominium Board at Closing.

All legal costs, fees and expenses of Sponsor's attorneys, other than those specifically set forth above, will be the sole responsibility of Sponsor.

At Closing, adjustments will be made as of midnight of the day preceding the Closing Date between Sponsor and each Purchaser with respect to (a) real estate taxes and assessments, if any (including water charges and sewer rents, if separately assessed) on the basis of the period for which assessed, (b) Residential Common Charges for the month in which title closes and (c) accrued rent and any other charges pursuant to an interim lease or use and occupancy agreement, if any, covering Purchaser's Residential Unit. Sponsor may also collect, on behalf of the Condominium Board, Residential Common Charges for the month following the month in which the Closing occurs. In the event the Units have not been separately assessed for real estate tax purposes prior to the First Closing, each Unit Owner will pay a pro rata share in the proportion that such Unit's Common Interest bears to the aggregate Common Interest of Units of all real estate taxes with respect to the Property to the Condominium Board as Common Charges. (please refer to Schedule A for an estimate of real estate taxes payable during the first year of Condominium operation). In addition, to the extent the Units will not be separately assessed, Sponsor may collect at Closing, on behalf of the Condominium Board, real estate taxes due and payable for the tax periods in which the Units will not be separately assessed. The Condominium Board will pay such taxes either to the Finance Administration of The City of New York when due or directly to Sponsor if Sponsor has already paid such real estate taxes. If any Unit Owner fails to pay such Unit Owner's pro rata share as set forth above, the Condominium Board will have a lien on such Unit for non-payment of Common Charges. (See the Section entitled "Rights and Obligations of Unit Owners and the Board of Managers" under the subsection entitled "Common Charges: Collection and Lien for Non-Payment, Attachment of Rent" for further discussion.) At such time as a Unit is separately assessed and separately billed, its Unit Owner will pay such taxes directly to the taxing authority.

If a Purchaser fails for any reason to close title to the Residential Unit on the originally scheduled Closing Date, (a) the closing apportionments described above will be made as of midnight of the day preceding the originally scheduled Closing Date, regardless of when the actual Closing occurs, and (b) Purchaser will be required to pay to Sponsor, as a reimbursement of Sponsor's higher carrying costs for the Unit by virtue of the delay, and in addition to the other payments to be made to Sponsor under the Agreement and this Plan, an amount equal to 0.03%

of the purchase price of the Unit for each day starting from (and including) the originally scheduled Closing Date to (and including) the day before the actual Closing Date.

Except as specifically set out in this Plan, Sponsor must pay all costs and expenses incurred in connection with the promulgation and consummation of this Plan, the creation of the Condominium and the initial sale of Residential Units, including, but not limited to, all selling expenses and commissions payable to Selling Agent for the initial sale of Residential Units pursuant to this Plan, advertising, printing and architects' fees, the fees of Sponsor's attorneys, engineering and appraisal costs and governmental filing fees, whether incurred prior or subsequent to the effective date of the Plan, in connection with the obligations of Sponsor (see the Section entitled "Rights and Obligations of Sponsor").

RIGHTS AND OBLIGATIONS OF SPONSOR

Sponsor's Obligations
with Respect to the Building

Subject to the terms and conditions of the Plan, Sponsor shall have the following obligations and all Purchasers upon execution of their respective Agreements will be deemed to have accepted, approved and agreed to abide and be bound by the following:

(a) Sponsor will diligently, expeditiously and at its sole cost and expense, perform or cause to be performed such work, and will supply or cause to be supplied all materials, necessary to complete construction of the Building substantially in accordance with the Plans and Specifications. Sponsor shall not be obligated to correct and will not be liable to any Purchaser as a result of any insubstantial variations from the Plans and Specifications or the description of the Building or a Unit set forth in the Plan. Sponsor reserves the right to amend or modify, in any way, the Plans and Specifications (including, without limitation, changing materials, appliances, equipment, fixtures and other construction details), provided, however, that:

(i) any materials, appliances, equipment and fixtures which Sponsor may substitute shall be similar products of substantially equal or better quality or design; and

(ii) Sponsor shall not materially change the size or location of the Units or Common Elements if such changes affect the percentage of common interest or adversely affect the value of any Unit to which title has closed or for which an Agreement has been executed and is in effect, unless all affected Unit Owners and contract vendees consent in writing to such change.

Under the present construction schedule, it is anticipated that, except for finishing work to stairways, hallways and other areas of the Building which are not intended for the exclusive use of any one Unit Owner and specialized work, if any, which Sponsor agrees to perform in individual Units at the request of Residential Unit Owners, a first temporary certificate of occupancy could be issued in April, 2006 and the Building will be substantially completed by June, 2006, subject to Unavoidable Delays. Sponsor, however, makes no warranty or representation as to the date of the issuance of the temporary certificate of occupancy or the date of substantial completion due to Unavoidable Delays. Construction is a complicated process requiring the coordination of numerous tasks, contractors and suppliers and the balancing of complex mechanical and architectural systems. No assurance can be given with regard to the accuracy of any projected completion dates set forth herein. During the first years of Condominium operations, construction workers and related personnel will be at the Property from time to time completing construction of the Building, making adjustments and corrections and performing various tasks related to the completion of construction, which may occur at all hours and could compromise the Building's security systems. During this period, various building systems, including but not limited to water supply, air conditioning,

heating, cooling, ventilating and elevators, may need to be shut down temporarily. Sponsor and its designees, including tenants performing work in the Commercial Units, will have the right to complete construction of the Building and shall have an easement through all parts of the Building, including the Units and the Common Elements in furtherance thereof and may utilize elevators and other building systems and may install and retain scaffolding and other equipment on and in the Building to complete construction of the Building. Sponsor may not fully complete the decoration of portions of the Building, including, without limitation, the lobbies or corridors in the Building, the installation of light fixtures, the hanging of wall coverings or laying carpeting, until a particular Section of the Building is complete or a particular floor is fully occupied by Residential Unit Owners. The Condominium Board and or Residential Board may refuse to permit a Residential Unit Owner to perform alterations in a Residential Unit until such time as the Building has been completed and a permanent certificate of occupancy has been obtained therefor. Certain services, such as telecommunications, and other similar services may be provided by outside suppliers and delays in providing these services will not be the responsibility of Sponsor. Such suppliers may not provide these services until occupancy in the Building has reached certain levels.

(b) Sponsor will obtain a temporary or permanent certificate of occupancy for the Building. A permanent Certificate of Occupancy is required for permanent residential use of the Building and the Residential Units. Temporary residential use of the Building is permitted upon the issuance of a temporary Certificate of Occupancy, but if a temporary Certificate of Occupancy, which may be extended up to a total of two (2) years, expires prior to obtaining a permanent Certificate of Occupancy, residential occupancy of the condominium will be in violation of the Multiple Dwelling Law, subjecting the occupants of the Building, the Residential Unit Owners and the Condominium Board to penalties under the Multiple Dwelling Law, including, possibly, the eviction of residential occupants. Sponsor makes no representation or guarantee that the Department of Buildings will issue a permanent certificate of occupancy within two (2) years after issuance of the first temporary certificate of occupancy. In the event that Sponsor does not obtain a permanent certificate of occupancy for the Building, the Condominium Board will be obligated to obtain the permanent certificate of occupancy and any costs associated therewith could be assessed against all Unit Owners as a Common Expense.

(c) Each Residential Unit and the fixtures and personal property contained therein are being sold and delivered as described in the Plan, at the time of transfer of title to such Residential Unit, unless Sponsor and Purchaser otherwise agree. Sponsor will maintain each Residential Unit, and the fixtures and personalty contained therein, up to the time of the transfer of title to the Unit in question. The Purchaser of a Residential Unit shall inspect such Unit prior to the Closing Date and shall execute at such time an inspection statement acknowledging Purchaser's acceptance of the Unit in good condition and in accordance with the terms of the Plan. However, if the Purchaser finds that Sponsor's improvements to the Unit have not been completed, although such improvements have been substantially completed, then Sponsor and the Purchaser in question will immediately thereafter agree to include on the inspection statement a list of incomplete work of a nature to be completed in the Unit by Sponsor following the Closing for the Unit in question. The

failure of Sponsor to complete such work shall not be a ground for Purchaser delaying the Closing. Sponsor shall have no obligation to complete any work described herein which is not specifically designated on the inspection statement by the Purchaser, except for work necessary to cure violations and to obtain a temporary or permanent Certificate of Occupancy. Notwithstanding anything to the contrary set forth herein, nothing contained in the Plan shall be construed as to render Sponsor liable for consequential damages (whether based upon negligence, breach of contract, breach of warranty or otherwise) it being intended that Sponsor's sole obligation shall be to perform its obligations as expressly provided in the Plan. Sponsor will provide each Purchaser with notice of the date and time of the inspection of the Unit prior to closing as more particularly set forth in the Plan and will establish such procedures as may be required, in Sponsor's discretion, to complete the inspection of the Units and perform necessary punch list work therein. In the event a Purchaser fails to inspect a Unit after notification and an opportunity to perform such inspection, Sponsor reserves the right, in its discretion, to postpone the scheduled Closing or to deem Purchaser to have waived the right to cause punch list work, if any, to be completed. After closing of title to each Residential Unit, the Purchaser thereof must comply with the procedures established by the Managing Agent regarding such Purchaser's move into the Residential Unit. During the period when Sponsor is completing construction of the Building, moves into the Building may be restricted to those periods when the elevators and other access to the Building are being utilized by the construction trades.

(d) If Sponsor fails to obtain a permanent Certificate of Occupancy for the Property prior to the First Closing, Sponsor will be obligated to: (i) direct the Escrow Agent to hold and maintain those monies received pursuant to all Agreements (see the Section entitled "Procedure To Purchase") which would otherwise be payable to Sponsor in the special trust account required by the General Business Law of the State of New York, Sections 352-e(2-b)and 352-h, provided, however, that if Sponsor's Architect certifies that a lesser amount than the amount held in the special trust account is reasonably necessary to complete all alterations and improvements to be performed by Sponsor, then the amount exceeding the sum so certified by Sponsor's Architect shall be released from the special escrow account to Sponsor; or (ii) Sponsor shall deposit with Escrow Agent an unconditional, irrevocable letter of credit, deposit cash or post a surety bond, or provide other collateral acceptable to the Department of Law, in an amount Sponsor's Architect, from time to time, certifies is reasonably necessary to complete the work needed to obtain the permanent Certificate of Occupancy. Any amount held in escrow, in excess of the amount certified as reasonably necessary to complete the work needed to obtain the permanent Certificate of Occupancy, can be released from escrow upon the receipt by Escrow Agent of a request by Sponsor. Escrow Agent will rely entirely upon such certificate in releasing such funds and will not make any independent inquiry or evaluation. All interest and income on such escrowed funds may be paid to Sponsor, as and when earned and collected. The fact that various portions of the Common Elements or other Units may not have been completed prior to a scheduled Closing, shall not provide a basis for Purchaser delaying the closing or receiving any abatement or credit against the Purchase Price.

(e) Following the recording of the Declaration, Sponsor will deliver, assign or otherwise grant to the Residential Board, on behalf of all Unit Owners, or the

Condominium Board, on behalf of all Unit Owners, as the case may be, the right to proceed under any assignable warranties and other undertakings received by Sponsor from contractors, materialmen or others in connection with the construction and equipping of the Building, except that warranties and undertakings received by Sponsor which relate to appliances, equipment or fixtures located in the Unit of a Purchaser shall be assigned to such Purchaser on the date of closing of title to the Unit. Purchasers should be aware that warranties vary in length, depending partly on when the appliances, equipment and fixtures covered by such warranties are first installed. Sponsor makes no representation as to which, if any, of the warranties will continue to remain in force upon the Closing Date of any particular Unit.

(f) As more fully set forth in the Section of the Plan entitled "Rights and Obligations of Sponsor" Sponsor is obligated to construct the Building in accordance with all applicable codes and filed building plans and specifications as well as the provisions of the Plan. The Housing Merchant Implied Warranty Law (General Business Law Article 36-B) is not applicable to this offering. Sponsor is not making any express or implied warranties of fitness for a particular purpose, merchantability or habitability. Unless caused by a violation of the Sound Transmission Code or other applicable code, there is no warranty as to sound transmission. Unless caused by a violation of an applicable code with regard to the ventilation system or other applicable code, there is no warranty as to odors. Unless caused by a code violation, there is no warranty with respect to mold, mildew, spores, fungi or other toxins. There is no warranty as to view or light quality. The sponsor's obligation, regardless of any limitations in the warranty, is to construct the premises in accordance with al applicable codes and files plans and specifications, and any conflict between the disclaimers and the Sponsor's obligation to construct the premises in accordance with all applicable codes and filed plans and specifications shall be resolved in favor of the latter. In no event will Sponsor be liable for incidental or consequential damages (whether based on negligence, breach of contract, warranty, or otherwise). In the event of any conflict between the foregoing disclaimers and Sponsor's obligations to construct the Building in accordance with all applicable codes and filed building plans and specifications as well as the provisions of the Plan, Sponsor's obligations to construct the Building in accordance with all applicable codes and filed building plans and specifications as well as the provisions of the Plan will control. See the Section entitled "Rights and Obligations of Sponsor" under the Subsection entitled "Sponsor's Obligations With Respect to the Building" in Part I of the Plan for further discussion.

(g) Prior to the Closing of title for each Unit, Sponsor will cause such Unit and its appurtenant Common Interest, benefits, rights and easements as described in the Declaration and By-Laws to be released from the lien of any mortgages or security agreements encumbering the Unit (other than any mortgage or security agreements obtained by the Purchaser).

(h) Sponsor will bear all costs and expenses incurred by it in connection with the creation of the Condominium and the preparation of the Plan and all selling expenses and compensation payable to sales or other personnel of Sponsor.

(i) Sponsor will pay or cause to be paid all contractors, subcontractors and materialmen and all others involved in the construction and equipping of the Building in accordance with the New York Lien Law, for work performed and fixtures, material and equipment supplied or installed during construction thereof and will cause any and all mechanics' liens arising out of such construction and equipping, if any, to be discharged by bonding, or otherwise, promptly after the filing of any such liens.

(j) Sponsor shall have only such obligation to defend any suit or proceeding arising out of Sponsor's material acts or omissions or to indemnify any Board(s) or Unit Owner(s) in any such action or proceeding as is required by Law.

(k) Following the issuance of a permanent Certificate of Occupancy for the Building, Sponsor will deliver to the Condominium Board a complete set of "as built" mechanical, electrical and plumbing drawings for the entire Building.

(l) In accordance with Section 339-p of the Condominium Act, a registered architect or licensed professional engineer shall certify within reasonable tolerances that the Floor Plans are an accurate copy of portions of the plans of the Building as filed with and approved by the municipal or other governmental authority having jurisdiction over the issuance of permits for the construction of the Building.

(m) Sponsor will pay all Common Charges, special assessments and real estate taxes allocated to any Unsold Units or Commercial Units in accordance with the provisions of the By-Laws. Sponsor represents that it has the financial resources to meet such obligations with respect to Unsold Units. Sponsor will fund its financial obligations from proceeds from the sales of Units, rental income from Unsold Units, and financing. No bond or other security will be posted by Sponsor with respect to this obligation.

(n) In the event of damage or destruction of a Unit due to fire or other casualty prior to the Closing, but subsequent to the signing of an Agreement, provided Sponsor elects (which election shall be in its sole discretion) to repair or restore the Unit, the Agreement shall continue in full force and effect, and, thereafter, Purchaser shall not have the right to reject title or receive a credit against, or abatement in, the purchase price for the subject Unit. In such event Sponsor shall be entitled to a reasonable period of time within which to complete the repair or restoration, and any proceeds received from insurance or in satisfaction of any claim or action in connection with such loss shall, subject to the rights of the respective Boards and other Unit Owners, belong entirely to Sponsor. In the event of damage or destruction to any Unit by fire or other casualty prior to the Closing, but subsequent to the signing of an Agreement, if Sponsor notifies Purchaser that it does not elect (which election shall be in its sole discretion) to repair or restore the Unit or if the Unit Owners or the Condominium Board do not resolve to make such repair or restoration pursuant to the By-Laws, the Agreement shall be deemed canceled and of no further force or effect and Escrow Agent shall return to Purchaser all sums deposited thereunder, together with interest earned thereon, if any, whereupon the parties to the Agreement shall be released and discharged from all obligations and liability thereunder and under this Plan; provided, however, notwithstanding anything to the contrary herein, (i) if Purchaser is then in default under the Agreement (beyond any

applicable grace period), Sponsor will retain all such sums as and for liquidated damages and (ii) Sponsor will be entitled to reimbursement for the cost of any special work performed in the Residential Unit at the request of the Purchaser together with the cost to restore the Residential Unit to the condition it was in prior to the special work having been performed.

(o) Sponsor will initially procure on behalf of the Condominium Board the insurance relating to the Condominium which is required to be maintained by the Condominium Board in accordance with the provisions of the By-Laws (see the section entitled "Rights and Obligations of Unit Owners and the Boards of Managers") the cost of which insurance has been reflected in the Projected Budget set forth in Schedule B.

(p) Pursuant to the provisions of Section 352-e of the New York General Business Law, copies of the Plan and all exhibits or documents referred to herein shall be available for inspection, by prospective Purchasers and by any person who shall have purchased a Unit offered by the Plan or shall have participated in the offering of such Unit, at Sponsor's office and shall remain available for such inspection for a period of six years from the date of the recording of the Declaration. In addition, a set of Floor Plans showing the layout, location and approximate dimensions of each Unit and its unit number designation and tax lot number, certified by the appropriate governmental authority of The City of New York as conforming to the official tax lot number for each such Unit, will be filed in the City Register's office when the Declaration is recorded, and an additional set will be furnished to the Condominium Board.

(q) Sponsor is obligated to deliver to the Condominium Board all books of account and records pertaining to the Building's operation which are in Sponsor's possession on the First Closing.

(r) Sponsor may dissolve or liquidate at any time. In the event of such an occurrence or the transfer (other than to purchasers under the Plan) of ten (10) or more Units or twenty percent (20%) of the Units in the Condominium, whichever is less, the principals of Sponsor will provide financially responsible entities or individuals who will assume the status and all of the obligations of Sponsor for those Units under this Plan, applicable Law or regulations.

(s) Construction of the Building is being financed by Anglo-Irish Bank, PLC, for itself and as agent for any other lenders who participate in the construction loan (the "Construction Lender"), which financing is secured by, among other things, mortgages and security agreements (collectively the "Construction Loan"). The terms of the Construction Loan do not contain further requirements with respect to Sponsor's obligation to market the units for sale. Under the terms of the By-Laws, if required under the terms of any Permitted Mortgage, in the event of a default under such Permitted Mortgage (including the Construction Loan), the Permitted Mortgagee will be entitled to designate, remove or replace the members of the Boards which the Unit Owners whose Units are subject to the lien of said Permitted Mortgage have designated.

(t) All representations under the Plan, all obligations pursuant to the GBL and such additional obligations under the Plan which are to be performed subsequent to the closing of each Unit will survive delivery of the deed.

(u) Except as required by Law, no bond or other security has been furnished by Sponsor to secure Sponsor's obligations including Sponsor's obligations to complete construction of the Condominium.

Sponsor and its contractors, subcontractors, agents and employees will have a right of access to each Unit and to all of the Common Elements for the purpose of fulfilling Sponsor's obligations under the Plan and performing certain alterations and repairs in or about the Unsold Residential Units. Sponsor will use reasonable efforts in order to exercise such access in such a manner as will not unreasonably interfere with the use of any Residential Unit for its permitted purposes. If reasonable care under the circumstances is exercised to safeguard the Unit Owner's property, such entry shall not render Sponsor or its authorized agents liable for any damage to the Unit or to the personality or fixtures contained therein.

The foregoing sets forth the entire obligations of Sponsor hereunder and no others shall be implied, except that nothing contained herein shall be deemed to limit the rights of Residential Unit Owners under their respective Agreements or to include any financial limitation on Sponsor's liability for failure to perform its obligations under the Plan. Sponsor makes no representation or warranty as to the work, materials, appliances, equipment or fixtures to be provided or performed by Sponsor or located at the Property other than as set forth in the Plan. Notwithstanding anything to the contrary set forth herein, nothing contained in the Plan shall be construed as to render Sponsor liable for consequential damages (whether based upon negligence, breach of contract, breach of warranty or otherwise) it being intended that Sponsor's sole obligation shall be to perform its obligations as expressly provided in the Plan.

Obligations of Sponsor hereunder with respect to the Residential Section shall be enforceable by the Residential Board on behalf of Residential Unit Owners and obligations with respect to the General Common Elements shall be enforceable by the Condominium Board on behalf of all Unit Owners. To the extent permitted by Law, Sponsor will have no liability to any Purchaser, subsequent purchaser of a Unit, Unit Owner, the Residential Board or Condominium Board with respect to its obligations under the Plan (other than for actual, non-consequential damages, including property damage, personal injury or wrongful death, arising as a result of the negligence of Sponsor or its authorized agents or employees in connection with the transactions contemplated in the Plan) in excess of the net proceeds paid to Sponsor from the sale of all Unsold Residential Units after payment of, or reasonable reserve for, any liabilities of Sponsor arising out of the consummation of the transactions contemplated in the Plan.

Except as set forth above or as required by Law or governmental regulation, Sponsor has not furnished any bond or other security for the performance of the obligations of Sponsor under the Plan. The ability of Sponsor to perform its obligations hereunder will partly depend upon its financial condition at the time it is called upon to perform. No representation can be made that it will be financially able to perform any or all of such obligations. Unless expressly provided to the contrary herein, the obligations of Sponsor under the Plan shall survive the delivery of the respective Residential Unit deeds. In the event Sponsor is not financially able to perform its

obligations under the Plan, sales will cease and the Plan will be amended to offer rescission to purchasers, if any.

Sponsor has obtained construction financing for the project as more fully set forth in the Section of the Plan entitled "Description of the Property and Improvements" and anticipates obtaining a permanent certificate of occupancy for the Building within two (2) years after the First Closing.

Leasing and Use of Unsold Residential Units

Sponsor currently intends to sell the Units under the terms of the Plan. However, the Property is subject to a Master Lease by the current owner, Cocoa Partners, L.P. to Master Cocoa Exchange, LLC which in turns subleases the Property to Master Exchange Subtenant, LLC (the "Chevron Agreements") whereby Chevron TCI, Inc. ("Chevron") is an investor member of the various entities. Under the Chevron Agreements, Sponsor is currently precluded from selling more than twenty (20) Residential Units before the date which is five (5) years from the date of the Offering Plan. Upon closing of any Residential Unit, the Purchaser of such Unit shall have the right to elect to terminate the Chevron Agreement with respect to such Purchaser's Residential Unit. In the event Sponsor makes a bulk sale of all or some of the Unsold Residential Units, the transferee successor sponsor shall be bound by Sponsor's representations regarding the commitment to sell Residential Units. Sponsor reserves the right to negotiate with Chevron for the right to sell more than the allowable twenty (20) Residential Units prior to such date. Under the terms of this Plan, Sponsor and the owners of the Commercial Units have reserved the right to rent or lease any Commercial Unit or the Unsold Residential Unit (including those one hundred six (106) Residential Units subject to the agreement with Chevron) prior to closing the sale thereof to the Purchaser thereof or any other party, to cease marketing Units for sale at any time, in Sponsor's sole discretion or to use or offer the Commercial Units and the Unsold Residential Units for any lawful purpose. Certain Residential Units may be occupied under short-term leases having a term in excess of thirty (30) days. Accordingly, residents of the Condominium will be comprised of both Residential Unit Owners and tenants leasing from Sponsor or other Residential Unit Owners. Accordingly, it is possible that a significant proportion of Residential Unit Owners will not be residents of the Building and that a significant portion of tenants in the Building may not be Residential Unit Owners. As a consequence of the foregoing, a Residential Unit Owner seeking to resell or refinance a Residential Unit may experience difficulty. Because Sponsor is not limiting the conditions under which it will rent rather than sell units, there is no commitment to sell more units than the fifteen percent (15%) necessary to declare the Plan effective and owner-occupants may never gain effective control and management of the Condominium.

Accordingly, it is possible that a significant proportion of Unit Owners will not be residents of the Building and that a significant portion of tenants in the Building may not be Unit Owners. As a consequence of the foregoing, a Unit Owner seeking to resell or refinance a Unit may experience difficulty. In addition, residents of the Condominium who are not Unit Owners have no investment in their Units and, therefore, do not share the same economic interests as Unit Owners in the maintenance and care of the Building's facilities and amenities and owner-occupants and non-resident Unit Owners, including Sponsor, may have inherent conflicts on how

the Condominium should be managed because of their different reasons for purchasing (i.e. purchase as a home as opposed to as an investment).

Sponsor and its designee reserve the right, without prior notice or amendment to the Plan, to use Common Elements and Unsold Residential Units on any floor of the Building as sales and rental offices and model apartments for the Building and any other building in which Sponsor or principals of Sponsor have an interest. In the event Sponsor or its designee thereafter elects to sell any such Unsold Residential Units, Sponsor or its designee may require the purchaser thereof to purchase all or any of the furnishings, equipment or decorations therein and pay, in addition to the purchase price for such Unit, such amounts as Sponsor may determine. In no event shall the presence of any furniture, furnishings, equipment or decorations in any model apartment (or any Common Elements appurtenant thereto) or any advertisement therefor, imply or represent that any Residential Unit will contain such furniture, furnishings, equipment or decorations upon delivery of the Residential Unit to the Purchaser of the Residential Unit unless expressly agreed to by Sponsor on such terms and conditions as may be mutually agreed by the parties.

CONTROL BY SPONSOR

There is no limit on the length of time that Sponsor may control the Residential Board or the Condominium Board. The Sponsor has the right to appoint a majority of the members of the Residential Board and the Condominium Board (and therefore control such Boards) for a period ending on the date which is five (5) years from the First Closing unless the Sponsor voluntarily relinquishes such right prior to the expiration of such five year period. After the date which is five (5) years from the First Closing, Sponsor may continue to control the Condominium Board and the Residential Board if it has sufficient votes to elect a majority of the members of the Residential Board. Accordingly during the period ending on the date which is five (5) years from the First Closing, Sponsor could control the Residential Board and the Condominium Board notwithstanding the fact that Sponsor no longer owns Units. Sponsor reserves the right to relinquish and regain voting control of the Residential Board and the Condominium Board at any time. During the period that Sponsor controls the Condominium Board or the Residential Board, as the case may be, Sponsor will have control of maintenance, facilities and services to be provided to Unit Owners and will determine the Residential Common Charges to be paid by all Residential Unit Owners. The Residential Board shall initially consist of two (2) persons designated by Sponsor, and the Condominium Board shall initially consist of the two (2) members of the Residential Board, and one (1) person designated by the Commercial Unit Owner (who shall comprise the initial Commercial Board).

The Residential Board will call for a special meeting of the Residential Unit Owners to elect a new Residential Board (the "First Annual Meeting") no later than one (1) year after the First Closing. The First Annual Meeting shall be held not less than 10 days nor more than 40 days after the sending of the notice of the meeting.

Commencing with the First Annual Meeting, the Residential Board shall consist of five (5) persons. The five (5) members of the Residential Board shall also serve as members of the Condominium Board. Following the first annual meeting of Commercial Unit Owners, the Commercial Board will consist of two (2) persons. The two Commercial Board members shall serve as representatives to the Condominium Board. The number of Residential Board members and the number or composition of Condominium Board members may not be changed except in accordance with the procedures described in the By-Laws.

At the First Annual Meeting and at all times thereafter, Sponsor may be able to elect members of the Residential Board as a result of its ownership of or interest in Unsold Residential Units. Sponsor shall retain voting control of the Residential Board (and the Condominium Board) if Sponsor is able to cast sufficient votes at such meetings to establish such control. In addition, Sponsor, for so long as Sponsor owns at least one (1) Residential Unit, shall have the right, at its option, to designate at least one (1) member of the Residential Board.

Within ten (10) days after the Sponsor Control Period, one of the Sponsor designated members of the Residential Board shall resign in which event a Residential Unit Owner meeting will be held to elect a new board member unrelated to the Sponsor within thirty (30) days after the expiration of the Sponsor Control Period. Nothing contained herein shall be deemed to limit the right of Sponsor to cast its votes for individuals nominated to the Condominium Board or the Residential Board who are not nominated or designated by Sponsor, which individuals, if

elected, shall not be deemed Sponsor nominees or designees and shall not be deemed to cause Sponsor to control either the Condominium Board or the Residential Board after the Sponsor Control Period.

Until Sponsor or its designee has conveyed title to all the Residential Units, but in no event later than five (5) years after the First Closing, whichever shall first occur, the Condominium Board and the Residential Board may not take any of the following actions without Sponsor's prior written consent (notwithstanding the number of votes Sponsor controls): (a) make any addition, alteration or improvement to the Common Elements or to any Residential Unit, (b) assess any General Common Charges or Residential Common Charges for the creation of, addition to or replacement of all or part of a reserve, contingency or surplus fund, (c) increase or decrease the number, or change the kind of, employees referred to in the Plan, (d) enter into any service or maintenance contract for work not covered by contracts in existence on the date of the First Closing or otherwise provide services in excess of those referred to in the Plan, except as is required to reflect normal annual increases in operating services, (e) borrow money on behalf of the Condominium or on behalf of the Residential Section, or (f) exercise a right of first refusal to lease or purchase a Residential Unit; provided, however, that Sponsor's written consent is not necessary to perform any function or take any action described in items (a) through (f) above, if the performance of such function or the carrying out of such an action is necessary to enable the Condominium Board or the Residential Board to comply with Laws of any governmental authority having jurisdiction over the Condominium, to remedy any notice of violation or to remedy any work order by an insurer.

During Sponsor Control Period, Sponsor may not exercise veto power over expenses described in the Section entitled "Schedule B-Projected Budget for First Year of Condominium Operation" (the "Budget") or over expenses required (i) to comply with applicable laws; or (ii) to remedy any notice of violation; or (iii) to remedy any work order by an insurer. Sponsor may exercise veto power over expenses other than those described in the foregoing sentence for a period ending not more than five (5) years after the closing of the first Unit or whenever the Unsold Units constitute less than twenty-five percent (25%) of the common interest, whichever is sooner.

Notwithstanding the foregoing, for as long as Sponsor has the voting power to elect all members of both the Residential Board and the Commercial Board, the Residential Board, at the election of Sponsor, shall have three (3) members, the Commercial Board shall have two (2) members and the Condominium Board shall have five (5) members. In addition, for so long as Sponsor owns less than 50% of the Residential Units but more than 15% of the Unsold Residential Units (a) Sponsor shall have the right to vote all of the Common Interests attributable to Unsold Residential Units owned by it to designate at least two (2) members of the Residential Board and for so long as Sponsor at least two (2) of the Unsold Residential Units, Sponsor shall have the right to vote all of the Common Interests attributable to Unsold Residential Units owned by it to designate at least one member of the Residential Board.

BOARDS OF MANAGERS

Generally the affairs of the Condominium shall be governed by the Condominium Board, the affairs of the Residential Section will be governed by the Residential Board and the affairs of the Commercial Section will be governed by the Commercial Board. The Commercial Board shall initially be comprised of one (1) representative and the Residential Board shall initially be comprised of two (2) representatives, all of whom shall be designated by Sponsor and who shall comprise the initial Condominium Board. On or before the date which is one (1) year after the First Closing, the Residential Board will call for the First Annual Meeting of Residential Unit Owners, such meeting to be held not less than ten (10) days nor more than forty (40) days after such date At the First Annual Meeting, the incumbent Residential Board shall resign and the Residential Unit Owners shall elect a new Residential Board consisting of five (5) members. (See the Section entitled "Control by Sponsor.") Thereafter, at each annual meeting, members of the Residential Board shall be elected and shall serve until the next annual meeting thereof and until a successor has been elected and qualified. The five (5) members of the Residential Board shall also serve on the Condominium Board. From and after the First Annual Meeting the Commercial Board shall be comprised of two members (2), and the Condominium Board shall be comprised of seven (7) members who shall be the members of the Residential Board and Commercial Board. The Condominium Board shall meet at least annually.

The first annual meeting of the Commercial Unit Owners shall also be called by the Commercial Board for the same date as the First Annual Meeting for the Residential Unit Owners. At such meeting, the Commercial Unit Owners shall elect a new Commercial Board consisting of two (2) members who shall serve as the representatives of the Commercial Section on the Condominium Board. Thereafter, at each annual meeting of the Commercial Unit Owners, new members of the Commercial Board and new representatives to the Condominium Board shall be elected. Notwithstanding anything to the contrary set forth above, to the extent there is only one owner of the Commercial Units, such Unit Owner shall be deemed to have all of the powers of the Commercial Board in connection with the operation of the Commercial Section.

Except for Board members designated by Sponsor or its designee, all members of the Residential Board must be either Residential Unit Owners or certain parties (e.g. directors, shareholders of Unit Owners) as described in the By-Laws. No member of the Residential Board shall continue to serve on the Residential Board if, during such Unit Owner's term of office, said member shall cease to be a Residential Unit Owner or an interested party. All Board members shall serve without compensation.

The Boards shall collectively have the powers and duties necessary for or incidental to the administration of the affairs of the Condominium. Generally, all determinations which affect only the Residential Section and do not adversely affect the Commercial Section, Commercial Unit Owners or the business of the tenants or occupants thereof, shall be made by the Residential Board. Similarly, all determinations which affect only the Commercial Section and do not adversely affect the Residential Section or the use of Residential Units for their permitted purposes, shall be made by the Commercial Board. Generally, all other determinations with respect to the administration of the affairs of the Condominium including those which (i) relate

to the Residential Section and do not adversely affect the Commercial Section, and vice versa, or (ii) relate to or affect the General Common Elements, shall be made by the Condominium Board.

As more fully set forth in the By-Laws, (i) all determinations required to be made by the Residential Board or the Commercial Board shall be by majority of the votes cast at any meeting at which a quorum is present, and (ii) all determinations required to be made by the Condominium Board shall be by majority of the votes cast at any meeting at which a quorum is present. Any dispute between the Residential Board and the Commercial Board as to which Board or entity shall be entitled to make any determination or with respect to any matter the determination of which is entitled to be made by the Condominium Board shall be settled by arbitration in the manner provided in the By-Laws.

For convenience of operation of the Condominium, any Board may designate any other Board to act as its agent with respect to any matters the determination concerning which is entitled to be made by such designating entity.

Annual meetings of Residential Unit Owners shall be held within approximately thirty (30) days of each anniversary of the First Annual Meeting. At such meetings, the Residential Unit Owners shall elect the five member Residential Board, subject to any rights of Sponsor to designate Board members, and there shall also be transacted such other business as may properly come before such meetings. In addition, special meetings may be held from time to time pursuant to the By-Laws. The Secretary of the Residential Board shall mail a notice of each annual or special meeting of the Residential Section to all Residential Unit Owners of record. The notice, which will generally be given at least ten (10) days prior to any such meeting, shall state the purpose of the meeting as well as the time and place where it is to be held. Except as otherwise provided in the By-Laws or Declaration, at all meetings of Residential Unit Owners, the presence in person or by proxy of Residential Unit Owners owning more than thirty (30%) percent of the Common Interests attributable to all Residential Units shall constitute a quorum and a majority of the votes cast at any such meeting at which a quorum is present shall be binding upon all Residential Unit Owners. Except as otherwise provided in the By-Laws or Declaration, if any joint meeting between Residential Unit Owners and the Commercial Unit Owners is held, the presence in person or by proxy of more than fifty (50%) percent of the Common Interests attributable to all Units shall constitute a quorum and a majority of votes cast at any such meeting at which a quorum is present shall be binding on all Unit Owners.

At all meetings, each Unit Owner (or such Unit Owner's proxy) entitled to vote thereat (including Sponsor or its designees with respect to Unsold Residential Units) shall be entitled to cast one vote for each .0001% of interest in the Common Elements attributable to such Unit Owner's Unit or Units.

The principal officers of the Residential Board shall be a President, Vice President, Secretary and Treasurer, all of whom shall be elected by the Residential Board. The principal officers of the Condominium Board shall be a President who shall be the same person serving as President of the Residential Board, a Vice President and Treasurer who shall be the same person serving as President of the Commercial Board and a Secretary who shall be the same person serving as Secretary of the Residential Board. The initial members of the Condominium Board shall be Richard Fownes, Grant Wilson and Catherine Springer who shall serve as President,

Vice President and Treasurer and Secretary of the Condominium Board respectively. Each of these individuals is a principal of or is affiliated with Sponsor or its principals. The Condominium Board and the Residential Board may appoint additional officers. Except as otherwise provided by the Board for which such officer serves, no officer shall receive any compensation for acting as such. The By-Laws provide that all instruments of a Board are to be executed by any officer thereof or by such other person or persons as may be designated by the applicable Board. However, by resolution of such Board, any expenditure in excess of a specified amount by such Board will be countersigned by two (2) members of the said Board, one of whom is also a member of the Residential Board and the other having been designated as a member of the Condominium Board by the Commercial Board.

The term of office of the members of the Residential Board and Condominium Board shall be for one year or until their successors are elected. Members of the Residential Board and Condominium Board shall serve without compensation. Any member of the Residential Board may resign at any time by written notice hand delivered or sent by certified mail, return receipt requested, to the President or Secretary of the Residential Board. Notwithstanding the term of such member's office, such resignation shall take effect at the time specified therein.

A member of the Residential Board designated or elected by the Residential Unit Owners may be removed with or without cause by an affirmative vote of a Majority of Residential Unit Owners (as defined in the By-Laws) who are present at a meeting containing a quorum of Residential Unit Owners; provided, however, that Residential Board members designated by Sponsor may only be removed with cause and replaced by another Sponsor designee. No member of the Residential Board shall continue to serve on the Residential Board if, during such Unit Owner's term of office, said member shall cease to be a Residential Unit Owner or an interested party as described in Section 2.1 of the By-Laws; provided, however, that this provision respecting Residential Unit ownership and Residential Board membership shall not apply to members of the Residential Board designated by Sponsor or its designee.

Upon the affirmative vote of a majority of the members of the Residential Board, any officer may be removed with or without cause. A successor officer may be elected at any regular Board meeting or at any special Board meeting called for such purpose.

All officers, Board members and employees of the Residential Section and of the Condominium will be bonded at all times from and after the First Closing under fidelity bonds in favor of the Residential Section and the Condominium. The amount and cost of the bonds has been provided for in the projected budget for the first year of Condominium operation contained in Schedule B. The By-Laws provide that to the extent permitted by applicable Law, no member of any Board shall have any personal liability with respect to any contract, act or omission of any Board or of any managing agent or manager in connection with the affairs or operation of the Condominium, the Commercial Section, or the Residential Section or any Limited Common Element (except in their capacities as Unit Owners). Board members shall have no liability to Unit Owners except that a Board member shall be liable for such Board member's own bad faith or willful misconduct. All Unit Owners shall severally, to the extent of their respective interests in their Units and their appurtenant Common Interests, indemnify each Condominium Board member and each Residential or Commercial Board member, as the case may be, against any liability or claim except those arising out of such member's own bad faith or willful misconduct.

Under the terms of the By-Laws, if required under the terms of any Permitted Mortgage, in the event of a default under such Permitted Mortgage (including the Construction Loan), the Permitted Mortgagee will be entitled to designate, remove or replace the members of the Boards which the Unit Owners whose Units are subject to the lien of said Permitted Mortgage. Generally, subject to certain exceptions concerning, among other things, Sponsor, the Commercial Section, and Unsold Residential Units, and provided that required consents of the Residential Mortgage Representatives, if any, are obtained, any provision of the Declaration, By-Laws or Rules and Regulations affecting (a) only the Residential Section or the Residential Unit Owners may be amended, modified, added to or deleted by affirmative vote of at least 66 2/3% in number and in Common Interest of all Residential Unit Owners, (b) only the Commercial Section or the Commercial Unit Owners may be amended, modified, added to or deleted by affirmative vote of at least 66 2/3% in number and in Common Interest of the Commercial Unit Owners and (c) the General Common Elements or all Unit Owners may be amended, modified, added to or deleted by affirmative vote of at least 66 2/3% in number and in Common Interest of all Unit Owners; provided, however, that the Common Interest appurtenant to each Unit may not be altered without the written consent of all Unit Owners directly affected thereby.

In exercising their respective powers and performing their respective duties under the Declaration and the By-Laws, each Board shall act in good faith as, and shall be, the agent of the Unit Owners such Board represents, subject to and in accordance with the provisions of the Declaration and the By-Laws.

Notwithstanding any provision contained in the By-Laws to the contrary, no amendment, modification, addition or deletion of or to the By-Laws, the Declaration or the Rules and Regulations shall be effective in any way (a) without the prior written consent of the affected Commercial Unit Owner(s), with respect to any amendment, modification, addition or deletion of or to the By-Laws, the Declaration or the Rules and Regulations modifying the permitted uses of any Commercial Unit or affecting the rights, privileges, easements, licenses or exemptions granted to any Commercial Unit Owner, (b) without the prior written consent of Sponsor or its designee with respect to any amendment, modification, addition or deletion of or to the By-Laws, the Declaration or the Rules and Regulations modifying the permitted uses of the Building or any portion thereof or affecting the rights, privileges, easements, licenses or exemptions granted to Sponsor or its designee, or otherwise adversely affecting Sponsor or its designee or the owner of any Unsold Residential Unit or (c) without the prior written consent of the holder of any present or future mortgage, pledge, or other lien or security interest covering any Unsold Residential Unit with respect to any amendment, modification, addition or deletion of or to the By-Laws, the Declaration, or the Rules and Regulations modifying the permitted uses of such Unsold Residential Unit or affecting the rights, privileges, easements, licenses or exemptions granted to Sponsor or its designee.

It is possible that amendments, modifications, additions or deletions of or to the Declaration, By-Laws and Rules and Regulations may be necessary, appropriate or desirable in connection with the operation of the Commercial Section, the subdivision of any Commercial Unit into individual commercial condominium units and/or the offering for sale or lease of all or any portion of the Commercial Units. In connection therewith, the Commercial Board may, subject to compliance with all applicable Laws, if any, cause the Declaration, By-Laws and Rules and Regulations to be amended, modified, added to or deleted from and the resulting

provisions thereof may be similar or dissimilar to those affecting the Residential Section and Residential Unit Owners

As more particularly set forth in the Special Risk Section and the Section of the Plan entitled "Rights and Obligations of Sponsor", it is possible that a significant proportion of Residential Unit Owners will not be residents of the Building and that a significant portion of tenants in the Building may not be Residential Unit Owners. Because there is no commitment on the part of Sponsor to sell more than fifteen percent (15%) of the Residential Units, as needed to declare the Plan effective, owner-occupants may never gain effective control and management of the Condominium and may have difficulty in financing or reselling their Units. The By-Laws do not require that members of the Residential Board be owner-occupants of a Residential Unit. Owner-occupants and non-resident owners (including the Sponsor) may have inherent conflicts on how the Condominium should be managed because of their different reasons for purchasing (i.e. purchase as a home as opposed to an investment.

The By-Laws do not include a provision that after the Sponsor Control Period, a majority of the Board must be owner-occupants or members of an owner-occupant's household who are unrelated to Sponsor and its principals. In addition, non-resident owners, including Sponsor, have no investment in their Residential Units and, therefore, do not share the same economic interests as Unit Owners in the maintenance and care of the Building's facilities and amenities, and owner-occupants and non-resident Unit Owners, including Sponsor, may have inherent conflicts on how the Condominium should be managed because of their different reasons for purchasing (i.e., purchase as a home as opposed to as an investment).

RIGHTS AND OBLIGATIONS OF UNIT OWNERS AND THE BOARDS OF MANAGERS

Sales and Leases of Units

Each Residential Unit Owner may sell or lease such Unit Owner's Residential Unit provided such Unit Owner (the "Transferor") first gives the Residential Board, on behalf of all Residential Unit Owners (the "Inside Offeror"), notice of such Unit Owner's intention to sell or lease such Unit and an opportunity to purchase or lease such Unit at the same price or rental and on the same terms as were offered in good faith by a prospective purchaser or lessee, as more specifically provided in Article 8 of the By-Laws. If the Inside Offeror does not elect to purchase or lease the Residential Unit within twenty (20) days after receipt of the offering Residential Unit Owner's notice, the Transferor will have an additional sixty (60) days to enter into a written agreement with the prospective purchaser or lessee, as the case may be, embodying the terms set forth in said notice. In the event such written agreement is not executed by the Transferor within said sixty-day period or such sale or lease is not consummated within an additional sixty (60) days following the expiration of said sixty-day period, the Transferor will be required to again first offer the same to each Inside Offeror; provided that each Inside Offeror shall be entitled to waive, or to permit an extension of, either or both of such sixty day periods. The Residential Board may not exercise its option to purchase or lease any Residential Unit without prior approval of a majority in interest of Residential Unit Owners present in person or by proxy and voting at a meeting at which a quorum is present and subject to the right of Sponsor to approve such purchase or lease by the Residential Board during the period not to exceed five (5) years from the First Closing, as more particularly described in the Section of the Plan entitled "Control by Sponsor." In any vote of all the Residential Unit Owners, the Transferor shall have the right to vote in any vote conducted by the Residential Board for the purpose of determining whether the Residential Board shall exercise its right of first refusal to purchase or lease the Transferor's Unit. Any such deed given by a Transferor shall provide that the acceptance thereof by the grantee shall constitute an assumption of the provisions of the Declaration, the By-Laws and the Rules and Regulations, as the same may be amended from time to time. Any such lease shall be consistent with the By-Laws and shall provide that it may not be materially modified, amended, or extended without the prior consent in writing of the Residential Board, that the tenant shall not assign the lease or sublet the demised premises or any part thereof without the prior consent in writing of the Residential Board, and that the Residential Board, if permitted by applicable Law, shall have the power to terminate such lease and/or to bring summary proceedings to evict the tenant in the name of the landlord thereunder, in the event of default by the tenant in the performance of such lease. The form of any such lease shall be a printed, reasonably applicable form of residential lease approved by the Residential Board which is generally accepted in New York City such as an appropriate Real Estate Board of New York, Inc. or Blumberg form, except for such changes therein as provided in the By-Laws. Any lease entered into with a Residential Unit Owner, as landlord, should not be subject to state or local rent laws with respect to rent or other terms but will be subject to laws applicable to all rental leases in the State and City of New York such as requirements regarding warranties of habitability. Purchasers should refer to their own attorneys for guidance regarding their rights and obligations as a landlord under a lease for a Residential Unit.

Any purported sale or lease of a Residential Unit in violation of this section shall be voidable at the election of the Residential Board.

In the event the Residential Board exercises its right to purchase a Residential Unit, the Residential Board shall utilize available funds in the Working Capital Fund or shall make a special assessment for such purpose. With respect to the right of first refusal, the Residential Board may not discriminate against any person on the basis of race, creed, color, national origin, sex, age, disability, marital status or other grounds prohibited by law. Please see "Units Acquired by Residential Board or Condominium" in this Section of the Plan for further details regarding Units acquired or leased by the Boards.

A Residential Unit Owner may lease, sell or convey the Residential Unit to a spouse, adult child or grandchild, parent, grandparent or adult sibling, may convey such Unit Owner's Residential Unit by gift, may devise such Unit Owner's Residential Unit by will, or have it pass by intestacy, without complying with the foregoing restrictions; provided, however, that each succeeding Residential Unit Owner shall be bound by, and such Unit Owner's Residential Unit shall be subject to, the preceding restrictions. In addition, any Residential Unit Owner may lease, sell or convey the Unit to a related or controlled individual or entity, as more particularly set forth in the By-Laws.

The restrictions upon the sale and lease of Residential Units shall not apply to Sponsor or its designee with respect to any Unsold Residential Units or to Residential Units acquired by a mortgagee in foreclosure or by deed in lieu of foreclosure, and they shall be free to sell or lease without first offering to sell or lease to the Residential Board. Such restrictions shall also be inapplicable to the Commercial Units, whether owned by Sponsor or its designee or by any subsequent owner or by any mortgagee, and, subject to compliance with applicable Laws and governmental regulations, if any, the Commercial Unit Owners shall be free to sell, lease, mortgage or otherwise transfer or hypothecate all or any part of the Commercial Units.

A Residential Unit Owner may only sell or lease such Unit Owner's entire Unit. In addition, each conveyance of a Unit by a Residential Unit Owner shall include, as part of the property to be conveyed, such Residential Unit Owner's undivided interest in (a) the Residential Common Elements, Residential Limited Common Elements and the General Common Elements, (b) any Unit or Units acquired by the Residential Board on behalf of all Residential Unit Owners, or any proceeds of the sale or lease thereof and (c) any other assets of the Residential Section and the Condominium. No part of the Unit Owner's interest in the Common Elements may be sold, transferred or otherwise disposed of, except as part of a sale, transfer or other disposition of the Unit or as part of a sale, transfer or other disposition of the specific interest in the Common Elements by all affected Unit Owners.

The By-Laws provide that the Residential Board has the right, but not the obligations to require that before any Residential Unit is conveyed to a government or governmental mission, or to a department, agency or consulate of a government, or to any other party who or which may be entitled under applicable laws, conventions or treaties (including, without limitation, the United States Foreign Sovereign Immunities Act as same may be amended) to any present or future claim to any immunity, whether characterized as sovereign immunity or otherwise (or diplomatic or consular immunity, if applicable), from any legal or equitable proceedings in the

United States of America or elsewhere, may occur or be valid or effective, the Residential Board may require that certain additional conditions be satisfied. Specifically, the Residential Board may require that the potential grantee enter into an agreement with the Residential Board, on terms acceptable to the Residential Board and its counsel, in which the potential grantee (i) agrees to a specified arrangement for service of process, (ii) expressly and irrevocably waives, to the full extent permitted by law (including, without limitation, the United States Foreign Sovereign Immunities Act, as same may be amended), with respect to the potential grantee, and with respect to any and all other intended occupants of the Unit, any present or future claim to any immunity, whether characterized as sovereign immunity or otherwise, (and diplomatic and consular immunity, if applicable) from any legal or equitable proceedings in the United States of America or elsewhere, brought by the Residential Board or any other party claiming with respect to the Unit (including without limitation, immunity from service of process, immunity from jurisdiction of any court or tribunal, and immunity of any of that party's property from attachment prior to entry of judgment and from attachment in aid of execution, and from execution itself, upon a judgment), (iii) agrees that any legal action or proceeding with respect to the Unit may be brought in the courts of the State of New York, and in the City of New York, or in the United States District Court for the Southern District of New York, as the Residential Board shall elect, and (iii) permits execution and enforcement of any judgment obtained by the Residential Board. The foregoing provisions do not apply to sales of Unsold Residential Units.

A Residential Unit may not be conveyed unless all unpaid Residential Common Charges and liens against such Unit (other than Permitted Mortgages) are paid and/or satisfied at or prior to closing. In addition, the Residential Board may establish reasonable fees for the processing of sale and lease notices, which shall be payable by the selling or leasing Residential Unit Owner, as the case may be, to the Managing Agent.

Notwithstanding anything contained herein to the contrary, prior to the closing of title to a Unit, the Agreement prohibits a Purchaser from listing such Unit for resale or rental with any broker or from advertising or otherwise offering, promoting or publicizing the availability of the Unit for sale or lease, without Sponsor's prior written consent.

Use of Units

Residential Units shall be used only as a residence (except as described below). The Residential Board, may in its sole discretion, permit a Residential Unit to be used for other purposes provided such use is permitted by Law, does not violate the then existing Certificate of Occupancy and complies with all applicable governmental regulations.

Notwithstanding the preceding paragraph, Sponsor or its designee may, without the permission of the Residential Board (a) use or grant permission for the use of any Unsold Residential Unit as a professional office or for any other purpose, including, without limitation, use as a long or short term rental or other use, provided such use is permitted by Law, does not violate the then existing certificate of occupancy for such Residential Unit (subject to Sponsor's right to amend the certificate of occupancy to conform to use as provided in the By-Laws), and the user of such Unit complies with all applicable governmental regulations with respect to such use, and (b) retain ownership of one or more Residential Units for use as models and sales, rental

and/or promotion offices in connection with the sale or rental of other Residential Units in the Condominium or in buildings in which principals of Sponsor may have an interest.

Each Unit Owner shall notify the Managing Agent in writing when a child or children under the age of eleven (11) years lives or resides (even temporarily) in the Unit. Each Unit Owner shall install, at such Unit Owner's expense, the required window guards in all windows of the Unit. The Unit Owner shall maintain all window guards, if any, installed in the Unit and shall not remove same until permitted by applicable Law and in any event, without full knowledge of the Managing Agent.

The current zoning Law permits a person who resides in a Residential Unit to use up to twenty-five percent (25%) of the floor area of such Unit Owner's Unit (but in no event to exceed 500 square feet) for certain home occupations including a fine arts studio, professional offices (e.g., lawyer, doctor or dentist) and teaching of not more than four (4) persons. No transient tenant may be accommodated in a Residential Unit, except in Unsold Residential Units, as permitted by Law. Such home occupation use may only be engaged in with the consent of the Residential Board or by Sponsor, as more particularly provided in the By-Laws.

The Commercial Units may be used for any lawful purpose, except as otherwise prhibited herein, and including, but not limited to, a garage, theaters, retail stores, banks, restaurants and commercial and professional offices subject to certain limitations more fully set forth in the Section of the Plan entitled "Commercial Units." No income derived from any use of the Commercial Units will constitute income to the Condominium Board or Residential Unit Owners.

No nuisance, immoral, improper, offensive or unlawful use shall be allowed in the Residential Section or any portion thereof. All valid Laws of governmental bodies having jurisdiction thereof relating to any portion of the Property shall be complied with at the sole expense of the respective Unit Owners or Boards, whoever or whichever shall have the obligation to maintain or repair such portion of the Property.

No "For Sale," "For Rent," "For Lease" sign, or any other sign evidencing a similar purpose, or other window display or advertising shall be maintained or permitted in any Residential Unit, except that these sign restrictions shall not apply with respect to Unsold Residential Units.

No awnings, air conditioning equipment or ventilators shall be installed or modified in the Residential Section without prior written approval of the Residential Board. No radio or television aerial, satellite dishes or other similar device shall be erected by Residential Unit Owners on the roof or exterior walls or windows of the Building or on the Property, without obtaining in each instance the written consent of the Condominium Board or except as may otherwise be required by Law.

No pets other than dogs, caged birds, cats and fish (which do not cause a nuisance, health hazard or unsanitary condition) may be kept in a Residential Unit without the consent of the Residential Board or the Managing Agent. No more than two (2) pets, weighing less than fifty (50) pounds in the aggregate will be allowed in any one Residential Unit. Each Residential Unit

Owner who keeps any type of pet in such Unit Owner's Residential Unit will be required to: (a) indemnify and hold harmless the Condominium, all Unit Owners and the Managing Agent from all claims and expenses resulting from acts of such pet; and (b) abide by any and all reasonable Rules and Regulations of the Residential Board adopted with respect thereto.

Each Unit Owner shall keep such Unit Owner's Unit in a good state of preservation and cleanliness and each Unit Owner shall be obligated to maintain and keep in good order and repair such Unit Owner's own Unit in accordance with the provisions of the By-Laws and the rules and regulations of municipal departments or agencies having jurisdiction thereof. The Rules and Regulations concerning the use of Residential Units may be amended from time to time by the Residential Board provided that copies thereof are furnished to each Residential Unit Owner prior to the time that they become effective (except that no amendment thereof affecting the Commercial Units or Unsold Residential Units may be made unless agreed to by the Commercial Unit Owners or Sponsor or its designee, as the case may be). Further restrictions on the use and leasing of Residential Units are set forth in the By-Laws and Rules and Regulations.

Mortgage of Units by Unit Owners

Each Residential Unit Owner may mortgage such Unit Owner's Unit, provided that the conditions with respect thereto set forth in the By-Laws are first complied with by such Unit Owner. As more fully set forth in the By-Laws, these conditions include the requirements that (a) the mortgage be substantially in the form of the New York Board of Title Underwriters form of mortgage, or such other form approved by the Residential Board, (b) the Residential Board is notified in writing of the making of such mortgage and receives a conformed copy of the note and mortgage and (c) the Unit Owner making such mortgage first satisfies all unpaid liens against such Unit Owner's Unit, other than Permitted Mortgages. The Commercial Unit Owners shall have the right to mortgage any Commercial Unit without any restriction or limitation.

In certain instances the consent of the Residential Mortgage Representative is necessary in order to amend the Declaration, By-Laws or Rules and Regulations. The By-Laws provide that no more than three (3) Residential Mortgage Representatives shall be designated by the holders of mortgages (a) which satisfy the conditions set forth in the By-Laws (as described above) and (b) which holders of such mortgages are (i) Sponsor or its designee, (ii) a bank, trust company, insurance company, real estate investment or mortgage trust or (iii) a governmental or union employee, welfare, pension or retirement fund or system.

Common Charges:
Determination and Assessment

Residential Common Expenses, which are payable only by Residential Unit Owners and are included in their Residential Common Charges, are allocated among Residential Unit Owners in proportion to their respective Residential Common Interests. Residential Common Charges shall also be deemed to include any special assessment imposed by the Residential Board. In addition, the Residential Common Charges include the Residential Unit Owner's allocable portion of the General Common Expenses. The respective Common Interests of each Unit, as estimated by Sponsor, are based upon floor space, subject to the location of such space and the additional factors of relative value to other space in the Condominium, the uniqueness of the

Unit, the availability of Common Elements for exclusive or shared use and the overall dimensions of the particular Unit. Residential Common Expenses include, among other things, all costs and expenses (including the payment of wages) in connection with the Maintenance of the Residential Common Elements and Residential Limited Common Elements. Residential Common Expenses may include amounts for certain other items as the Residential Board may deem proper, such as amounts for reserves or in connection with the purchase or lease by the Residential Board of any Residential Unit.

Commercial Common Expenses will be determined and borne solely by the Commercial Unit Owners. Commercial Common Expenses include, among other things, all costs and expenses in connection with the Maintenance of the Commercial Common Elements.

General Common Expenses which include, among other things, the costs and expenses (including the payment of wages) in connection with the Maintenance of the General Common Elements and certain other expenses common to all Unit Owners, such as premiums for insurance covering the Building, managing agent fees and legal and accounting fees will be determined by the Condominium Board. Generally, such expenses will be allocated to the Residential Board and the Commercial Board pro rata in accordance with their aggregate respective Common Interests. The Residential Board will then allocate its pro rata share of such expenses among the Residential Unit Owners in accordance with their respective Residential Common Interests. In addition to basing charges on Common Interests, the Condominium Board may also make allocations and assessments of General Common Expenses in accordance with submetering, contract allocations and usage (both projected and actual) so long as such allocations are reasonable under the circumstances and are in accordance with applicable provisions of the Law.

In the event that the annual Common Charges levied against Unit Owners during the first year of condominium operation commencing on the date of First Closing exceed the actual expenses less income from sources other than Unit Owners for that period accounted for on an accrual basis by an amount in excess of $100,000, the receipts from Unit Owners over and above such amount may be rebated to the Unit Owners by the Condominium Board in proportion to each Unit's percentage of Common Interest. Rebates, if any, attributable to Units purchased from Sponsor during the first year of condominium operation will be distributed by the Condominium Board to Sponsor and the Residential Unit Owner(s) in proportion to the amount of time Sponsor and each Residential Unit Owner owned such Unit. Sponsor makes no representations that there will be any excess receipts for rebate to Residential Units Owners or, if rebates are made, what the tax consequences of such rebates would be to Residential Unit Owners. In the event Sponsor concludes that the Common Expenses during the First Year of Condominium Operation are less than projected due to the fact that the Building is not fully operational or occupied, Sponsor may cause the Condominium Board or the Residential Board, as the case may be to adopt an interim budget reflecting the reduced Common Expenses which will reduce the Common Charges due from each Unit Owner. See the Attorney's Income Tax Opinion in Part I of the Plan for further discussion regarding the income tax consequences of the ownership of Residential Units by individual Unit Owners.

At least annually (a) the Condominium Board will prepare a budget for General Common Expenses and allocate, as aforesaid, and assess General Common Charges to the Residential

Board and the Commercial Board to meet such expenses and (b) the Residential Board will prepare a budget for Residential Common Expenses and allocate, as aforesaid, and assess among all Residential Unit Owners, Residential Common Charges to meet (i) Residential Common Expenses and (ii) the Residential Board's pro rata share of General Common Expenses.

The Residential Board will furnish copies of each budget on which Residential Common Charges are based to all Residential Unit Owners and advise such Unit Owners of the amount of Residential Common Charges payable by them. Unless otherwise determined by the Board to which they are payable, General Common Charges and Residential Common Charges will be payable monthly in advance on the first day of each month.

Common Charges:
Collection and Lien for Non-Payment

Pursuant to Section 339-z of the Real Property Law and under the provisions of the By-Laws, (a) the Residential Board, on behalf of all Residential Unit Owners, will have a lien on each Residential Unit for unpaid Residential Common Charges together with interest thereon, assessed against such Unit (b) the Condominium Board, on behalf of all Unit Owners, will have a lien on all Residential Units, for General Common Charges unpaid to it by the Residential Board, together with interest thereon, in proportion to the respective Common Interests of the Residential Units, as well as a lien on the Commercial Units, for General Common Charges unpaid to it by the Commercial Board, together with interest thereon. All such liens, however, to the extent permitted by applicable Law, will be subordinate to the lien of any first Permitted Mortgage of record and to liens for real estate taxes on the particular Unit. Pursuant to Section 339-aa of the Real Property Law, any lien for unpaid General Common Charges or Residential Common Charges, against a Unit will be effective from and after filing of a verified notice thereof in the City Register's Office until all sums secured thereby with interest accrued thereon shall have been fully paid, or until six (6) years from the date of filing (unless foreclosure of such lien is started within such six-year period), whichever shall occur sooner. The By-Laws provide that such liens may be foreclosed by a suit brought in the name of the appropriate Board (acting on behalf of all Unit Owners or all Residential Unit Owners, as the case may be) in like manner as the foreclosure of a mortgage on real property or an action may be brought by the appropriate Board to recover unpaid Common Charges without foreclosing such lien. Notwithstanding the foregoing, during the Sponsor Control Period the Sponsor shall cause the Residential Board or the Condominium Board, as the case may be, to file a lien as provided for in Section 339-aa of the Real Property Law on Units owned by Sponsor in which Sponsor is more than thirty (30) days in arrears of Common Charges.

No Unit Owner may be exempted from liability for such Unit Owner's Common Charges by waiving use of any of the Common Elements or by abandonment of such Unit Owner's Unit. Dissatisfaction with the quantity or quality of maintenance or services furnished to the Property or the degree to which the construction in the Building shall have been complete shall not be grounds for a Unit Owner withholding or failure to pay all or any portion of the Common Charges or any other assessments. No Unit Owner, however, will be liable for the payment of any part of the Common Charges assessed against such Unit Owner's Unit subsequent to a permissible sale, transfer or other conveyance of such Unit. In addition, as more specifically set forth in the By-Laws, (a) a Residential Unit Owner may, by conveying such Unit Owner's Unit

without consideration to the Residential Board and complying with certain conditions in connection therewith, exempt himself from Residential Common Charges thereafter accruing, and (b) the Commercial Unit Owners of any Commercial Unit may, by conveying the Commercial Unit without consideration to the Condominium Board and complying with certain conditions in connection therewith, be exempt from General Common Charges thereafter accruing.

On a resale of a Residential Unit, the purchaser thereof will be liable for the payment of Residential Common Charges accrued and unpaid against such Unit prior to such Unit Owner's acquisition. Prior to the permissible sale, transfer or other conveyance of a Residential Unit, any seller or purchaser of a Residential Unit shall be entitled to a statement (an "Estoppel Letter") from the Residential Board, setting forth the amount of the unpaid Common Charges accrued against the Unit and neither such seller nor purchaser shall be liable for, nor shall the Unit be conveyed subject to a lien for, any unpaid Common Charges against such Unit accrued prior to such conveyance in excess of the amount set forth in such statement. In the event of a foreclosure by either Board of its lien on any Unit for unpaid Common Charges, if the net proceeds of the foreclosure sale shall be insufficient for the payment of such unpaid charges or if a Unit is acquired by a mortgagee or purchaser in foreclosure, the Unit Owner will remain liable for the unpaid balance. Neither (a) a Permitted Mortgagee (as defined in the Condominium Declaration) acquiring title to a Unit at foreclosure sale nor (b) a purchaser at a foreclosure sale shall be liable, and the Unit shall not be subject to a lien, for the payment of the Common Charges assessed prior to the acquisition of title to such Unit by such Permitted Mortgagee or purchaser. However, such Permitted Mortgagee or purchaser at a foreclosure sale shall be liable for payment of all Common Charges after the acquisition of title to such Unit. The Residential Board will have the right to assess such unpaid balance as a Residential Common Charge among all Residential Unit Owners.

RPL §339-jj-Borrowing by Condominium

A new subsection jj to Section 339 of the Real Property Law ("RPL"), was enacted into law on August 26, 1997 and authorizes the Condominium Board to incur debt provided that such debt (a) is incurred no earlier than the fifth anniversary of the First Closing and (b) is approved by Unit Owners owning Units to which there is appurtenant a majority of the Common Interests. Any such debt may be secured by future income and Common Charges in which event the Common Charges shall be deemed trust funds for the purpose of paying such debt. The Condominium Board cannot secure such debt by a lien on the Common Elements without the consent of all Unit Owners.

RPL §339-kk-Payment of Rent Where Default in Payment of Common Charges

A new subsection kk to Section 339 of the RPL, a copy of which is set forth in Part II of the Plan, was enacted into law July 22, 1998. RPL §339-kk is applicable to all condominiums in the State of New York. RPL §339-kk is intended to provide additional financial protection for a condominium association if a sponsor or other non-occupant unit owner of a residential unit fails to make monthly payments for common charges, assessments and late fees due in connection with such owner's units.

RPL §339-kk provides, by its terms, among other things, that with respect to unsold units of a Condominium owned by a sponsor or by any other non-occupant unit owner and occupied by a tenant:

(a) If payment of common charges, assessments or late fees by any non-occupant unit owner is more than sixty (60) days late after the expiration of any grace period within which they are due, payments from a tenant of such unit may become directly payable to the Condominium upon written notice by the Condominium to the tenant and the non-occupant unit owner. Where a majority of the Condominium Board has been elected by unit owners who are in occupancy of their respective units, the Condominium Board may elect not to require that the rental payments be paid to the Condominium. Once the common charges, assessments and late fees of the non-occupant unit owner have been brought current, the Condominium Board must notify the non-occupant unit owner and tenant within three (3) business days and thereafter the rent will be payable to the non-occupant unit owner or a designated agent.

(b) Payment by a tenant of rent or the amount required pursuant to the tenant's lease or statutory tenancy to the Condominium pursuant to the RPL §339-kk, relieves the tenant from the obligation to pay rent to the non-occupying unit owner.

(c) Any rights existing under any other Laws are not limited by RPL §339-kk.

(d) A non-occupant unit owner who disputes a Condominium's claim to rental payments is entitled to present facts supporting such owner's position at the next scheduled meeting of the Condominium Board, which must be held within thirty (30) days after receipt of notice that the unit owner seeks to dispute the Condominium's claim.

Sponsor makes no representation or guarantee that any Unit Owner (other than Sponsor), any tenant, or the Condominium, will in fact comply with RPL §339-kk, and Sponsor shall have no liability for their failure to do so.

RPL §339-kk does not address a number of issues. Accordingly, Sponsor makes no representation as to (i) RPL §339-kk 's effect on the lien priority of a loan heretofore or hereafter made to a non-occupant owner and secured by the unit, or whether RPL §339-kk's enactment or compliance therewith by a tenant constitutes a default by the unit owner under said loan, (ii) RPL §339-kk's effect on assignments of leases and rents given by a non-occupant owner to a mortgagee in connection with purchase-money financing or otherwise, (iii) the Condominium's remedies if a tenant fails or refuses to make rental payments to the Condominium Board after notice from the Condominium Board (in accordance with RPL §339-kk) to do so, (iv) the consequence of the Condominium Board's failure to give notice to a tenant (i.e., does failure constitute a waiver of the Condominium's rights?), or (v) who is responsible for designating an agent to whom rental payments are to be made after the non-occupant unit owner is brought current in payment of common charges, assessments and late fees.

Finally, no representation is made about the tax effects of RPL §339-kk.

All prospective purchasers should review RPL §339-kk to determine its effect on their own situation.

Repairs to and Maintenance
of Units and Common Elements

Generally, all painting, decorating, and routine Maintenance, (a) in or to any Unit (other than to the General Common Elements or Commercial Common Elements or Residential Common Elements included therein), including the individual cooling systems and the interior side of entrance doors thereto, will be made by the owner of such Unit at such Unit Owner's sole cost and expense, (b) in or to the General Common Elements will be made by the Condominium Board and the cost and expense thereof will be charged to the Residential Board and the Commercial Board as a General Common Expense, (c) in or to the Residential Common Elements, and the Residential Limited Common Elements will be made by the Residential Board and the cost and expense thereof will be charged to all Residential Unit Owners as a Residential Common Expense and (d) in or to the Commercial Common Elements will be made by the Commercial Board and the cost thereof will be charged to all Commercial Unit Owners as a Commercial Common Expense. Notwithstanding the foregoing, any repairs by Residential Unit Owners to the incremental heating and air conditioning units within each Residential Unit shall only be made by contractors or servicemen who have been previously approved by the Residential Board.

The Declaration further provides that if a Commercial Limited Common Element benefits only certain Commercial Unit Owners, then the Commercial Section's costs of alteration, addition, repair, replacement and restoration thereto (except in connection with a casualty or condemnation) shall be borne solely by those Commercial Unit Owners who benefit from the Commercial Limited Common Element in the proportion that the Common Interest of each benefiting Commercial Unit Owner bears to the Common Interest of all benefiting Commercial Unit Owners. In addition, except as otherwise provided in the By-Laws, such Commercial Unit Owners shall be responsible for the normal operation and Maintenance, including but not limited to the cost of staff necessary for such operation and Maintenance of any such Commercial Limited Common Element at their sole cost and expense.

The interior and exterior glass surfaces of all windows located in any Residential Unit shall not be colored or painted and are to be washed and cleaned by the Residential Unit Owner at such Residential Unit Owner's sole cost and expense. The exterior glass surfaces of all Residential Section windows may, at the option of the Residential Board, be washed and cleaned by the Residential Board and the cost thereof shall be a Residential Common Expense; otherwise Residential Unit Owners shall be obligated to clean such windows at their own cost and expense. Any replacement of glass windows in any Residential Unit because of breakage or otherwise shall be made by the Residential Board at the sole cost and expense of the owner of such Residential Unit (unless such breakage is caused by the Residential Board, the Condominium Board or the negligence of any other Unit Owner, in which event such replacement of glass windows will be at the sole cost and expense of the Residential Board, the Condominium Board or such Unit Owner). No replacement, modification or alteration may be made to or of the windows (other than replacement of the window panes) without the consent of the Condominium Board. All window treatments in a Residential Unit, when viewed from the outside of the window, must be white.

The By-Laws provide that each Unit and all portions of the Common Elements shall be kept in first-class condition (and with respect to any roof or other part of the Property exposed to the elements, free of snow, ice and accumulation of water which will cause damage to the Building) by the Unit Owner or appropriate Board, whichever is responsible for the Maintenance thereof. In the event any Unit Owner fails to keep such Unit Owner's Unit in such condition, the appropriate Board may, at the expense of such Unit Owner, enter such Unit and perform such acts as are necessary to cure such default. (See the subsection entitled "Rights of Access"). A Residential Unit Owner shall not permit excessive noise or vibrations to emanate from the Unit. Each Unit Owner will be obligated to heat and cool such Unit Owner's Unit so as to maintain the appropriate temperature in such Unit Owner's Unit in order to avoid causing damage to the Common Elements or the Units, including, without limitation, freezing pipes and damage to the wood floors and moldings. In the event a Unit Owner that fails to so maintain the Unit, such Unit Owner may be liable for any damage arising from such failure, including, without limitation, any claims pertaining to environmental hazards such as mold or other bacterial contamination.

The By-Laws further require that those public or other areas of the Building exposed to public view that are required to be maintained by each Unit Owner or each Board, be kept in good appearance in conformity with the dignity and character of the Building by such Unit Owner or Board.

In addition, the Rules and Regulations require that at least eighty (80%) percent of the floor area of Residential Units (except for kitchens, bathrooms, closets and foyers) be covered with rugs, carpeting or equally effective noise-reducing material.

Alterations and Improvements
of Units and Common Elements

No Residential Unit Owner may make any structural alteration, addition, improvement or repair in or to such Unit Owner's Unit without the prior written approval of the Residential Board but, as more fully set forth in the By-Laws, this provision does not apply to Sponsor or its designee. Except as otherwise permitted in the By-Laws, no Unit Owner may make any alteration, addition, improvement or repair in or to the Common Elements without the prior written approval of the appropriate Board. The Residential Board may impose fees upon such Unit Owner to reimburse the Condominium for costs incurred in connection with the review or supervision of such Unit Owner's work.

Prior to, and as a condition of, the granting of its consent to the making of a structural alteration, addition, improvement or repair in or to a Residential Unit, the Residential Board shall have the right to approve the Unit Owner's plans and specifications, the Unit Owner's contractors and suppliers and may, at its option, require the Unit Owner to execute an agreement in form and substance satisfactory to the Board setting forth the terms and conditions under which such alteration, addition, improvement or repair may be made, including, without limitation, the days and hours during which any work may be done. In addition, the Residential Board will have the right, as a condition to approving a Unit Owner's request to renovate kitchens and bathrooms, to require such Unit Owner to replace plumbing, steam and gas risers running

through or adjacent to the Unit or to contribute to the Condominium, the sum necessary to enable the Condominium to perform such replacements.

Any contractor performing work in the Residential Units shall not employ any personnel or means that may cause labor disturbances or stoppage in the work of Building employees or other contractors or subcontractors employed in the Building.

No application or other document shall be filed with any governmental authority for a permit covering an addition, alteration or improvement to be made in a Residential Unit, unless approved and executed, if necessary, by the Residential Board or, if required, by the Condominium Board. The Residential Board (or the Condominium Board) will not unreasonably refuse to approve and execute, if necessary, any application or other document required to be filed in connection with approved structural alterations, additions, improvements or repairs, provided that the Residential Board, the Condominium Board and the Unit Owners shall not be subject to any expense or liability by reason of such approval and execution or, by reason of such addition, alteration or improvement, including, without limitation, liability to any contractor, subcontractor, materialman, architect or engineer, or to any person having any claim for injury to person or damage to property arising therefrom. The provisions of this paragraph shall not apply to Sponsor or its designee, provided any alteration to such Unit shall be in accordance with, and only as permitted by, the Condominium Act and all governmental regulations. Under the terms of the By-Laws, Sponsor is authorized on behalf of the Boards to execute such applications, permits or other documents as may be required to undertake, perform and complete such work to the Building (including the Units and Common Elements) as Sponsor is entitled to perform in accordance with the terms of the Declaration and the By-Laws and to obtain such certificates of completion as may then be required by Law and, the appropriate Board, if requested by Sponsor is obligated to execute the aforesaid documentation. In addition, the Power of Attorney to be executed by each Residential Unit Owner upon acquisition of the Residential Unit further grants to Sponsor a power of attorney to execute such documentation. "Required Documentation" refers to such applications, permits, certifications, affidavits, forms, agreements, acknowledgments or other documents as may be required to enable the Declarant to exercise its rights or obligations under this Plan or the Declaration and the By-Laws, including, without limitation, Declarant's rights to deal with the Available Development Rights and to undertake, perform and complete such work to the Units and Common Elements.

In the event that any alterations, additions, improvements or repairs made by any Residential Unit Owner materially delay, prevent or adversely affect, or create a significant risk of materially delaying, preventing or adversely affecting, whether directly or indirectly, the issuance of a temporary or permanent certificate of occupancy for such Unit, other Units or the Building, then upon the written request of Sponsor, the Condominium Board or the Residential Board, the Unit Owner shall restore the Unit, at such Unit Owner's sole cost and expense, to its original condition. If such Unit Owner fails to commence diligently and continuously restoring the Unit within fifteen (15) days of receipt of the written request, then the party requesting such restoration shall be entitled to enter and restore the Unit at the expense of the Unit Owner and to exercise any remedies provided in the By-Laws.

Generally all alterations or improvements in or to the General Common Elements will be made by the Condominium Board and the cost and expense thereof will be charged to the

Residential Board and the Commercial Board as a General Common Expense. Maintenance of the Residential Common Elements will be made by the Residential Board and the cost and expense thereof will be charged to all Residential Unit Owners as a Residential Common Expense; and alterations, additions or improvements in or to the Commercial Common Elements will be made by the Commercial Board and the cost and expense thereof will be charged to all Commercial Unit Owners as a Commercial Common Expense.

The Commercial Unit Owners, without the consent of the Residential Board or the Condominium Board may make any alteration, addition, improvement or repair in or to any Commercial Unit or the Commercial Common Elements provided that the work is performed by the Commercial Unit Owners in compliance with governmental Laws and in accordance with all conditions described in the Declaration. Sponsor, without the consent of the Residential Board, the Commercial Board or the Condominium Board, may make any alteration, addition, improvement or repair in or to any Unsold Residential Unit or the Common Elements provided that the work is performed by Sponsor in compliance with Law and in accordance with all conditions described in the Declaration. In addition, Sponsor and the Commercial Unit Owners may erect, maintain, repair and replace, or permit their tenants to erect, maintain, repair or replace, from time to time, one or more signs on the Property for the purpose of advertising the availability for sale or rental of any Unsold Residential Unit or Commercial Unit or the operation of any business of Sponsor, a tenant, occupant managing agent or operator of the Commercial Units including, but not limited to, signs on the facade of the Building and on any awnings, canopies or other protrusions from the facade of the Building.

Rights of Access

As more fully set forth in the By-Laws, each Board and any managing agents, managers, superintendents and other persons authorized by any Board, will have a right of access to any Unit for the purposes of performing installations, alterations or repairs to the mechanical or electrical services or other Common Elements in the Unit or elsewhere in the Building, to remove violations, cure defaults by a Unit Owner, correct any condition originating in any Unit and threatening another Unit or any Common Element, and for any other purposes provided in the Plan, Declaration or as may be required by Law, provided that requests for entry (except in Emergency situations) are made in advance and that any such entry (except in Emergency situations) is at a time reasonably convenient to the Unit Owner and the tenants of any Unit. In case of an Emergency, such right of entry shall be immediate, whether the Unit Owner is present at the time or not. Provided reasonable care is exercised to safeguard the Unit Owner's property, any entry described herein shall not render the Board or its authorized agents liable for damage incurred in connection with the exercise of such right of entry. The By-Laws give Sponsor a right of access to any Unit for the purpose of performing punch-list work or for the purpose of performing or completing construction in the Building and give service providers the right to access their equipment and the conduit in which such equipment is located in order to install, maintain, operate, repair, replace and service same.

Compliance with Terms of Declaration,
By-Laws and Rules and Regulations

Each Unit Owner must strictly comply with the provisions of the Declaration, the By-Laws, and the Rules and Regulations. Pursuant to Section 339(j) of the Condominium Act, failure to comply is grounds for an action for damages or injunctive relief, or both, but such forms of relief shall not be exclusive of other remedies provided by Law. The By-Laws, together with the Rules and Regulations, will be recorded with the Declaration in the City Register's Office.

Examination of Books and Records

Each Unit Owner and each mortgagee of a Unit shall be permitted, upon prior request, to examine the books of account of the Condominium and other records of the Condominium during normal business hours on business days at the office of the Condominium.

Repair or Reconstruction
after Fire or Other Casualty

In the event that the Building or any part thereof is damaged or destroyed by fire or other casualty, the Residential Board with respect to any damage to or destruction of the Residential Section, the Commercial Board with respect to any damage to or destruction of the Commercial Section and the Condominium Board with respect to any damage to or destruction of the General Common Elements, will, except as set forth below, arrange for the prompt repair and restoration thereof.

If only the Commercial Section is destroyed or damaged by fire or other casualty and if the net insurance proceeds are insufficient to cover, or exceed, the cost of repairs and restoration, the Commercial Unit Owners will bear the entire amount of the deficit, or shall receive all of the surplus, as the case may be. Similarly, if only the Residential Section is damaged or destroyed by fire or other casualty and the insurance proceeds are insufficient to cover, or exceed, the cost of repairs and restoration, the deficit or surplus, as the case may be, will be shared entirely by all Residential Unit Owners in proportion to their respective Common Interests. If said damage or destruction by fire or other casualty affects the Commercial Section, the Residential Section and the General Common Elements, or any combination thereof, then any deficit or surplus in insurance proceeds shall be borne or shared by all Unit Owners in proportion to their respective Common Interests in the proportion that the cost of repairing the damage or destruction to the Residential Section, Commercial Section and General Common Elements bears to the total cost of repairing all damage or destruction. However, the Commercial Board shall still have the right to make all arrangements for the prompt repair and restoration of the Commercial Units to the extent they are affected by such damage or destruction. If said damage or destruction, however, affects only the General Common Elements, then any deficit or surplus in insurance proceeds shall be borne or shared by all Unit Owners in proportion to their respective Common Interests. Notwithstanding anything in this paragraph to the contrary, no payment of surplus insurance proceeds shall be made to a Unit Owner until there has first been paid out of such Unit Owner's share of such funds such amounts as may be necessary to reduce unpaid liens on such Unit

Owner's Unit, other than mortgages which are not Permitted Mortgages, in the order of priority of such liens. The provisions of this paragraph are subject to the next paragraph.

Unless the Unit Owners have elected not to restore the Building as provided below, damage or destruction to a Unit or a Limited Common Element as a result of fire or other casualty shall be promptly repaired and reconstructed by the Owner of the affected Unit(s) where such repair or reconstruction does not involve the Common Elements for which the repair or reconstruction is the obligation of the Condominium Board, the Residential Board or the Commercial Board under the Declaration and By-Laws. If a Residential Unit Owner fails to repair or reconstruct such Unit Owner's Unit, the Condominium Board or the Residential Board may cause the Residential Unit to be repaired or reconstructed and the costs incurred in connection therewith shall be a charged to the defaulting Unit Owner as a Special Assessment.

If three-fourths or more of the Building is destroyed or substantially damaged and if 75% or more of all Unit Owners do not promptly resolve to proceed with the repair or restoration thereof, the Building will not be repaired and the Property shall be subject to an action for partition instituted by any Unit Owner or lienor, as if owned in common, in which case the net proceeds of sale, together with the net proceeds of insurance policies, shall be divided among all Unit Owners in proportion to their respective Common Interests, provided, however, that no payment shall be made to a Unit Owner until there has first been paid out of such Unit Owner's share of such funds such amounts as may be necessary to discharge all unpaid liens on such Unit Owner's Unit (other than mortgages which are not Permitted Mortgages) in the order of the priority of such liens.

Notwithstanding anything contained herein to the contrary, the proceeds of all policies of physical damage insurance maintained by the Condominium Board shall be payable to the Board entitled to adjust such loss in the event of a loss amounting to $1,000,000 or less. In the event that such proceeds are in excess of $1,000,000, such proceeds shall be payable to a New York City bank or trust company designated by the Condominium Board as insurance trustee pursuant to the provisions of the By-Laws. The insurance trustee shall hold all such proceeds in accordance with Section 254-(4) of the New York Real Property Law.

Insurance

The Condominium Board is required to obtain and maintain, in accordance with the provisions of the By-Laws, to the extent obtainable and to the extent determined by the Condominium Board to be appropriate, the following insurance: (a) property insurance with all risk extended coverage, vandalism and malicious mischief endorsements, insuring the entire Building (including each Unit, but excluding fixtures, furniture, furnishings or other personal property not constituting a part of such Unit), together with all service machinery contained therein and covering the interests of the Condominium, each of the Boards and all Unit Owners and Permitted Mortgagees, as their respective interests may appear, in an amount equal to the full replacement value of the Building (exclusive of foundation and footings and, at the election of the Condominium Board in its sole and absolute discretion, terrorism insurance); (b) rent insurance in an amount equal to Residential and Commercial Common Charges for one year; (c) worker's compensation and New York State disability benefits insurance; (d) boiler and machinery insurance; (e) plate glass insurance to the extent, if any, determined by the

Condominium Board; (f) water damage insurance to the extent, if any, determined by the Condominium Board; (g) elevator liability and collision insurance; (h) fidelity insurance covering all Boards and all officers, directors and employees of the Condominium, the Residential Section and the Commercial Section; (i) directors and officers liability coverage; and (j) such other insurance as the Condominium Board may determine. Each Unit Owner shall be an additional insured.

The property insurance policies shall contain a New York standard mortgagee clause in favor of each Permitted Mortgagee which shall provide that the loss, if any, thereunder shall be payable to such Permitted Mortgagee as its interest may appear, subject, however, to the loss payment provisions described in the By-Laws.

The amount of property insurance and all risk extended coverage to be maintained until the first Condominium Board meeting following the First Annual Meeting of the Residential Unit Owners shall be in at least the sum set forth in Schedule B.

All policies of physical damage insurance shall contain, to the extent obtainable, waivers of subrogation and waivers of any defense based on (i) co-insurance, (ii) other insurance, (iii) invalidity arising from any acts of the insured or (iv) pro rata reduction of liability, and shall provide that such policies may not be canceled or substantially modified without at least ten (10) days' prior written notice to all of the insureds, including all Unit Owners and Permitted Mortgagees.

The Condominium Board shall also be required to obtain and maintain, to the extent obtainable, comprehensive general liability insurance against claims for personal injury, bodily injury or property damage occurring upon, in or about the Property, in such limits as he Condominium Board may from time to time determine, covering (1) each Board, the Managing Agent or agents thereof, each Board member and each officer and employee of the Condominium and Residential and Commercial Sections, (2) the Commercial Unit Owners, and all officers, directors and employees thereof, and (3) each Residential Unit Owner, except that such policy will not cover liability of a Unit Owner arising from occurrences within such Unit Owner's own Unit or within the Residential Limited Common Elements, if any, exclusive to such Unit Owner's Unit. The Condominium Board shall review such limits not less than once each year. Until the first meeting of the Condominium Board following the First Annual Meeting of Residential Unit Owners, such liability insurance shall be in at least the sum set forth in Schedule B with respect to bodily injury and property damage, combined single limit. The insurance discussed above shall also include cross-liability claims of one insured against another.

Any insurance maintained by the Condominium Board may provide for such deductible amounts as the Condominium Board determines. The premiums for all insurance referred to above shall be a General Common Expense allocated pro rata in accordance with the aggregate respective Common Interests of the Residential Unit Owners and the Commercial Unit Owners.

The Condominium Board is not required to obtain or maintain any insurance with respect to the Units or any property contained in a Unit. Pursuant to the By-Laws, each Unit Owner shall, at the Unit Owner's own cost and expense, obtain and keep in full force and effect (a) comprehensive personal liability insurance against any and all claims for personal injury, death

or property damage (including, but not limited to, loss due to water damage) occurring in, upon, or from the Unit or any part thereof, with minimum combined single limits of liability of $1,000,000 for bodily injury or death arising out of any one occurrence including $1,000,000 for damage to property plus at least $2,000,000 umbrella liability coverage and (b) tenant's "all-risk" property insurance in respect of property damage occurring in, upon, or from the Unit or any part thereof (including, but not limited to appropriate coverage for additions, alterations improvements and betterments and loss due to water damage and personal property). The limits of liability set forth in (a) and (b) above may be increased by the Condominium Board from time to time. Policies maintained by Unit Owners as aforesaid must provide that they cannot be canceled without at least thirty (30) days prior notice to the Condominium Board.

Liability of Boards of
Managers and Unit Owners

Every contract made by the Condominium Board or the Residential Board or by any managing agent or manager thereof shall state that (a) it is made only as agent for all Unit Owners or Residential Unit Owners, respectively, and such Board members or managing agent or manager shall have no personal liability thereon (except in their capacities as Unit Owners) and (b) the liability of any Residential Unit Owner with respect to such contract shall be limited to (i) such proportionate share of the total liability as the Common Interest of such Unit Owner bears to the aggregate Common Interests of all Unit Owners or Residential Unit Owners, as the case may be, and (ii) to the extent permitted by Law, unless otherwise determined by the appropriate Board in its sole and absolute discretion, such Unit Owner's interest in such Unit Owner's Unit and its appurtenant Common Interest. To the extent permitted by applicable Law, Board members shall have no liability to Residential Unit Owners except that a Board member shall be liable for such member's own bad faith or willful misconduct. All Residential Unit Owners shall severally, to the extent of their respective interests in their Units and their appurtenant Common Interests, indemnify each Condominium Board member and each Residential Board member, as the case may be, against any liability or claim except those arising out of such member's own bad faith or willful misconduct. Any Board may contract or effect any transaction with any Board member, any Unit Owner, Sponsor or its designee, or any affiliate of any of them without incurring any liability for self-dealing except in cases of bad faith or willful misconduct.

Reports to Unit Owners

An annual report of the receipts and expenditures of the Condominium, certified by an independent certified public accountant, shall be submitted by the Board to all Unit Owners within four (4) months after the end of each fiscal year as more particularly described in the Section of the Plan entitled "Reports to Unit Owners" in Part I of the Plan.

Termination of Condominium

The Condominium shall continue and the Property shall not be subject to an action for partition (unless terminated by casualty loss, condemnation or eminent domain as provided in the By-Laws) until such time as the Property shall be withdrawn from the provisions of the Condominium Act as a result of the vote to do so of at least eighty percent (80%) in number and

in Common Interest of all Unit Owners. Such vote shall not be effective, however, unless written consents are obtained from (a) the Residential Mortgage Representatives, if any, and (b) Sponsor, until such time as Sponsor has conveyed title to all Residential Units, provided that in no event shall Sponsor's consent be required more than five (5) years after the First Closing. In the event of withdrawal, the Property shall be subject to an action for partition by any Unit Owner or any lienor as if owned in common, in which event the net proceeds of the sale shall be divided among all Unit Owners in proportion to their respective Common Interests after first applying the share of the net proceeds of such sale otherwise payable to any Unit Owner to the payment of any liens on such Unit Owner's Unit (other than mortgages which are not Permitted Mortgages), in the order of priority of such liens.

Units Acquired by Residential
Board or Commercial Board

All Units acquired or leased by the Residential Board or the Commercial Board or their designees shall be held by such Board, or its designee, on behalf of all Residential Unit Owners or on behalf of all Commercial Unit Owners, as the case may be, and the rent or purchase price, closing costs and adjustments payable in connection therewith shall be assessed against all Residential Unit Owners or all Commercial Unit Owners, as the case may be. No Units held by either Board or the Condominium Board shall carry any voting rights.

The purchase of any Unit by the Residential Board or the Commercial Board or their designees, on behalf of their respective Unit Owners, may be made from the funds deposited in the capital and/or expense accounts of such Board. If the funds in such accounts are insufficient to effectuate any such purchase, such Board may levy an assessment against each Residential Unit Owner or Commercial Unit Owner, as the case may be, in proportion to such Unit Owner's respective Common Interest, as a Residential Common Charge or Commercial Common Charge, as the case may be, and/or such Board may, in its discretion, finance the acquisition of such Unit; provided, however, that financing may only be obtained when permitted by the By-Laws and that no such financing may be secured by an encumbrance or hypothecation of any portion of the Property other than the Unit to be purchased together with its appurtenant interests in the Common Elements.

Procedure to Review
Real Estate Tax Assessments

The Residential Board, on behalf of and as agent for all Residential Unit Owners, will be authorized to commence, pursue and settle certiorari proceedings to obtain reduced real estate tax assessments with respect to Residential Units. All Residential Unit Owners will share the costs in connection therewith and the benefits derived therefrom based on their respective Common Interests. In the event any Residential Unit Owner individually seeks to have the assessed valuation of such Unit Owner's Unit reduced by bringing a separate certiorari proceeding, the Residential Board, if necessary for such proceeding, will execute any documents or other papers required for, and otherwise cooperate with such Unit Owner in pursuing, such reduction, provided that such Unit Owner indemnifies the Residential Board from all claims, costs and expenses (including, without limitation, reasonable attorneys' fees) resulting from such

proceedings. The Commercial Unit Owners will have the right to commence certiorari proceedings on their own at their sole cost and expense.

Mechanics' Liens

Under the provisions of the Condominium Act, no lien of any nature may arise or be created against the General or Limited Common Elements except with the unanimous consent of all Unit Owners affected thereby. Liens may arise or be created against only the several Units and their respective Common Interests. Labor performed on, or materials supplied to, a Unit may not be the basis for a mechanic's lien against the Unit of a Unit Owner not expressly consenting to or requesting such work, except in the case of emergency repairs. No labor performed on, or materials furnished to, the General or Limited Common Elements shall be the basis for a lien thereon but (a) all Residential Common Charges received by the Residential Board shall constitute trust funds for the purpose of paying the cost of labor performed or materials furnished at the request or with the consent of the Residential Board or the Managing Agent for the Residential Common Elements and the Residential Limited Common Elements and (b) all General Common Charges received by the Condominium Board shall constitute trust funds for the purposes of paying the cost of labor performed or materials furnished at the request or with the consent of the Condominium Board or the Managing Agent for the General Common Elements.

Easements

In order to facilitate the operation and Maintenance of the Building and the sale or leasing of Units therein, each of the Units will be subject to certain easements including easements in favor of Sponsor, other Unit Owners and the Boards. These easements, which are more particularly set forth in the Declaration, include an easement of support and necessity in favor of all other Units and the Common Elements, and an easement in favor of each Residential Unit Owner to use the General Common Elements and the Residential Common Elements provided that such easements shall be exercised in such a manner as will not unreasonably interfere with the normal conduct of business of the tenants and occupants of the Commercial Units or with the use of the Residential Units for their permitted purposes. Sponsor and its designee shall have an easement to erect, maintain, repair and replace lights and lighting fixtures and to erect maintain and replace satellite communication equipment and similar equipment, as permitted by Law, on the roofs and facade of the Building and elsewhere on the Common Elements which shall entitle Sponsor or its designee to utilize such easement for its own account or the account of any licensee of Sponsor or its designee for the purpose of servicing the Condominium or any other building or area. In addition, Sponsor and its designee shall have an easement to erect, maintain, repair and replace any signs, awnings, marquees, canopies, banners, flags, pennants, aerials, antennas or the like (each a "Sign") permitted by Law on the Property for the purposes of advertising the sale of any Unit, the leasing of space in any Unit and the operation of any business of a tenant or occupant of any Unit.

Name of Condominium

The Condominium and the Building shall be designated and known as "The Cocoa Exchange." Declarant and Declarant's assignee shall own and control all rights and interests,

including the right to apply for any state trademark and prosecute to registration any federal trademark applications, and shall be responsible for all obligations and liabilities, including those in furtherance of protecting, policing and maintaining any applicable trademark rights, which may include litigating against those whom Declarant believes may be infringing Declarant's rights in and to the name of the Condominium and Building, appurtenant to the name of the Condominium and/or the Building. Only Declarant shall have the right to change or assign the name of the Condominium and/or the Building. In addition, Declarant shall have the right, for so long as the Property is a condominium, to maintain a plaque identifying Declarant as the sponsor of the condominium offering, together with such other information as Declarant determines in its sole discretion.

The Declaration and By-Laws

A copy of the Declaration and a copy of the By-Laws are set forth in Part II of the Plan. A prospective purchaser should read the Plan in its entirety including the Declaration and By-Laws.

REAL ESTATE TAXES

Each Unit will be taxed as a separate tax lot for real estate tax purposes, and no Unit Owner will be responsible for payment of, nor will the Unit be subjected to, any lien arising from the non-payment of real estate taxes on other Units. Generally, Units may not be separately assessed until the tax year following the tax year in which the Declaration of Condominium is recorded. Until the Units are separately assessed and billed, each Unit Owner shall pay such Unit Owner's pro rata share (in the proportion that such Unit Owner's Unit's Common Interest bears to the aggregate Common Interest of all Units) of all real estate taxes with respect to the Property to the Condominium Board as Common Charges.

Section 581 of the Real Property Tax Law provides that real property owned on a condominium basis shall be assessed for real estate tax purposes at a sum not exceeding the assessment which would be placed thereon if the property were not owned on a condominium basis. Section 339-y of the Condominium Act provides in part that each Unit and its Common Interest shall be separately assessed for tax purposes and that in no event shall the aggregate of the assessment of the Units plus their Common Interest exceed the total valuation of the property were the property assessed as one parcel.

Assuming the Property does not receive any abatement from real estate taxes, it is estimated that the aggregate real estate taxes attributable to all Residential Unit Owners for the first year of Condominium operation will total approximately $1,085,871, based on an opinion prepared by Stroock & Stroock & Lavan LLP dated September 19, 2005 which assumes (a) a total tentative assessment attributable to the residential portion of the Property of $3,025,010 for the 2005 through 2006 fiscal tax year, assumes (b) a total actual assessment attributable to the residential portion of the Property of $10,897,880 for the 2006 through 2007 fiscal tax year, (c) a projected tax rate of $140 per gross square foot. SPONSOR MAKES NO REPRESENTATION THAT THE ASSESSED VALUE OF THE PROPERTY, THE ESTIMATED ALLOCATIONS OR THE TAX RATE WILL NOT BE CHANGED. PURCHASERS ARE ADVISED THAT THE NEW YORK CITY TAXING AUTHORITIES HAVE IMPLEMENTED SIGNIFICANT INCREASES IN THE TENTATIVE ASSESSED VALUATIONS FOR NEW CONSTRUCTION CONDOMINIUMS FOR THE TAX YEAR 2005/2006 WHICH DO NOT APPEAR CONSISTENT WITH THEIR VALUATIONS IN PRIOR YEARS. SPONSOR MAKES NO REPRESENTATIONS REGARDING THE METHODOLOGY WHICH THE TAXING AUTHORITIES WILL USE IN FUTURE TAX YEARS.

Sponsor intends to apply for partial abatement from real estate taxes with respect to the Building pursuant to Real Property Tax Law § 421-g. The 421-g Program is designed to provide tax incentives for the physical renovation and conversion of commercial property to residential use in lower Manhattan.

The real estate tax estimates for each Residential Unit were calculated on the assumption that the real estate taxes payable with respect to each Residential Unit for the first year of Condominium operation will be allocated in proportion to each Residential Unit's percentage interest in the Common Elements. Upon determination of individual tax lots and individual Residential Unit assessments, the New York City tax authorities may allocate taxes between the Residential Units in proportion to each Residential Unit's purchase price rather than its percentage

interest in the Common Elements, and, if so, Residential Units having the same percentage interest may pay different real estate taxes.

PURCHASERS ARE ADVISED THAT THE FOREGOING INFORMATION IS NOT A GUARANTEE OR WARRANTY (i) regarding the method of allocating real estate taxes which will be employed by the New York City tax assessor; (ii) of the assessed value of the residential portion of the Property during the first year of Condominium Operation, (iii) of the tax rates in effect during the first year of Condominium operation or (iv) whether the Property will qualify for benefits under the 421-g Program.

The By-Laws provide that the Residential Board is entitled to execute and deliver documents necessary in connection with proceedings to obtain reduced real estate tax assessments with respect to Unit Owners, for the benefit and on behalf of (i) all Residential Unit Owners, or (ii) for individual Residential Unit Owners, provided that each such Residential Unit Owner indemnifies the Residential Board from and against all claims, costs and expenses (including, without limitation, reasonable attorneys' fees) resulting from such proceedings. There are currently no tax certiorari proceedings pending with respect to the Property.

Section 421-g Real Estate Tax Benefits

Sponsor intends to apply for partial abatement from real estate taxes with respect to the Building pursuant to Real Property Tax Law § 421-g. The 421-g Program is designed to provide tax incentives for the physical renovation and conversion of commercial property to residential use in lower Manhattan.

The 421-g Program tax incentives package is comprised of both exemption and abatement benefits.

The 421-g Program provides a real property tax exemption for a period of 12 years after the completion of the conversion. The exemption applies to real estate tax assessment increases attributable solely to the physical improvements made to convert an existing commercial property to residential use, at the following percentages of such increases: 100% for years 1 through 8 following the issuance of a 421-g Certificate of Eligibility, 80% for year 9, 60% for year 10, 40% for year 11, and 20% for year 12. (Landmarked properties may receive an additional 100% exemption year for a total of 13 exemption benefit years. A Landmark is defined in Section 32-02 of the 421-g Rules as a structure designated as a landmark or in a historic district designated by the New York City Landmarks Preservation Commission.)

The 421-g Program also provides a fourteen-year abatement of real property taxes. The abatement is equal to the following percentages of the real property taxes that would be due in the first tax year immediately following the issuance of a 421-g Certificate of Eligibility, but for the 421-g exemption: 100% for years 1 through 10, 80% for year 11, 60% for year 12, 40% for year 13, and 20% for year 14. (Landmarked properties may receive an additional 100% abatement year for a total of 15 abatement benefit years).

Sponsor will keep all records required by HPD and will make them available to HPD whenever requested to do so. HPD routinely conducts audits which can result in the reduction or revocation of benefits if proper documentation is not provided. Upon recording of the

Condominium Declaration, Sponsor will make all tax benefit documents available to the Condominium Board for inspection and copying for the life of the benefits and Sponsor will file all applications and timely comply with all procedures required to properly process and maintain the tax benefits. Please refer to the opinion of Stroock & Stroock & Lavan LLP, set forth in Part I of the Plan, for further details regarding the real estate tax assessment for the Property.

TAXES – DEDUCTIONS TO RESIDENTIAL UNIT OWNERS AND TAX STATUS OF CONDOMINIUM

The following discussion of certain income tax consequences of the ownership of Residential Units by purchasers who use such Residential Units as a personal residence was prepared by Sponsor based, in part, upon the Attorney's Income Tax Opinion prepared by Stroock & Stroock & Lavan LLP, counsel to Sponsor, a copy of which is set forth in Part I of this Plan.

STROOCK & STROOCK & LAVAN LLP IS COUNSEL TO SPONSOR AND NOT THE UNIT OWNERS. TO ENSURE COMPLIANCE WITH REQUIREMENTS IMPOSED BY THE IRS IN CIRCULAR 230, ALL UNIT OWNERS, POTENTIAL UNIT OWNERS AND THE CONDOMINIUM ARE HEREBY INFORMED THAT (I) ANY TAX ADVICE CONTAINED IN THIS PLAN AND/OR THE ATTORNEY'S INCOME TAX OPINION IS NOT INTENDED OR WRITTEN TO BE USED, AND CANNOT BE USED, FOR THE PURPOSE OF AVOIDING PENALTIES UNDER THE INTERNAL REVENUE CODE, (II) THE ADVICE IS WRITTEN TO SUPPORT THE PROMOTION OR MARKETING OF THE TRANSACTIONS OR MATTERS ADDRESSED IN THE PLAN, AND (III) EACH UNIT OWNER, POTENTIAL UNIT OWNER, AND THE CONDOMINIUM SHOULD SEEK ADVICE BASED ON ITS PARTICULAR CIRCUMSTANCES FROM AN INDEPENDENT TAX ADVISOR.

Deductibility of Mortgage Interest and Real Estate Taxes

Each Residential Unit Owner will own such Unit Owner's Residential Unit and its appurtenant interest in the Common Elements in fee simple and each Residential Unit will be a separate tax lot for purposes of New York City real estate taxes and assessments. Since each Residential Unit Owner will own such Unit Owner's Residential Unit in fee simple, the owner may mortgage such Unit and become individually liable for the payment of the principal and any finance charges or interest on such mortgage indebtedness.

It is the opinion of Stroock & Stroock & Lavan LLP that a Residential Unit Owner who uses such Unit Owner's Residential Unit as a personal residence and itemizes such Unit Owner's deductions will, under present Law, for Federal, New York State and New York City income tax purposes, be entitled to a deduction for mortgage interest and real estate taxes in the year paid in the case of cash basis taxpayers or accrued in the case of other taxpayers, subject to certain exceptions and limitations which are more particularly discussed in the Attorney's Income Tax Opinion. Purchasers should note that mortgage interest is deductible generally only with respect to (1) secured debt used to acquire or substantially improve a principal or second residence (up to a total indebtedness of $1 million), plus (2) other debt (not in excess of $100,000) secured by a principal or second residence. Interest on home mortgage debt in excess of those limitations would not be deductible. Special limitations also apply with respect to the deductibility of points and other prepaid interest, if any, on the mortgage debt and may apply to the overall allowance of itemized deductions.

Taxation of the Condominium

If the Condominium meets the requirements for qualification as a "homeowners association," under Section 528 of the Internal Revenue Code, which requirements are discussed in the Attorney's Income Tax Opinion, it may elect not to be subject to Federal income tax on amounts received as membership dues, fees or assessments from Residential Unit Owners. If such an election is made, the Condominium will remain liable for Federal income tax on any taxable income it may have from other sources, such as income earned in connection with the provision of laundry facilities, interest earned on any reserve funds, and possibly income from assessments from Commercial Unit Owners (in each case, less expenses directly connected with the production of such income). Schedule B, Budget for the First Year of Condominium Operation, does not contemplate any substantial income which might be taxable and accordingly does not specifically budget any amounts for taxes for nonmembership or membership income.

Sponsor anticipates that it is likely that the Condominium will qualify as a homeowners association. If the Condominium does not qualify as a homeowners association, or if it does but chooses not to make the election noted above, the present state of the Law is uncertain as to the tax treatment of any income of the Condominium in excess of appropriate deductions and credits. As discussed in the Attorney's Income Tax Opinion, the tax authorities may take the position that the Condominium is a separate taxable entity and that some or all of such income (including the nonmembership, and possibly membership, income described above less expenses related to such income) is subject to Federal corporate income tax, New York State Corporation Franchise Tax and New York City Corporate Franchise or Unincorporated Business Tax. Alternatively, it is possible that some or all of such income might be reportable directly by the Unit Owners or otherwise treated. The tax treatment of the Condominium may be affected by certain United States Treasury Department regulations relating to entity classification.

The qualification of an organization as a homeowners association is determined annually at the close of each taxable year, and it is possible that if the Condominium does not qualify in one year it may nevertheless qualify in one or more future years.

No warranties are given that the Internal Revenue Service, the New York State Department of Taxation and Finance or the Finance Administration of the City of New York will allow the aforementioned deductions for mortgage interest and real estate taxes. There is also no assurance that the tax laws or the regulations or rulings issued thereunder, or any judicial interpretation thereof, upon which Stroock & Stroock & Lavan LLP, as counsel to Sponsor, bases its opinion, will not change. In no event will Sponsor, Stroock & Stroock & Lavan LLP, the Selling Agent, the Managing Agent or any other person connected with this offering be liable if at any time it is held that the Residential Unit Owners, or any of them, are not entitled to such income tax deductions. In addition, none of the aforesaid give any warranties with respect to the tax consequences of this Plan or the tax consequences of ownership of any Units offered under this Plan, and no one has been authorized to give any warranties.

Re: Condominium Offering Plan
The Cocoa Exchange (the "Condominium")

Ladies and Gentlemen:

You have requested our opinion concerning (i) the deductibility, for Federal, New York State and New York City income tax purposes, of mortgage interest and real estate taxes paid by residents of New York who purchase the offered Residential Units for their own residential use pursuant to the above-referenced Condominium Offering Plan (the "Plan"), and (ii) the qualification of the Condominium as a "homeowners association" under Section 528 of the Internal Revenue Code of 1986, as amended (the "Code"). This opinion does not address the tax consequences of the ownership of Residential Units by corporations, other entities or foreign persons. Furthermore, this opinion does not address the tax consequences of (i) ownership of any Unsold Residential Units, any Residential Unit that is used for commercial or mixed residential/commercial purposes, or any Units other than the Residential Units (such as the Commercial Units), (ii) ownership or rental of any Unit purchased or rented for use by the Resident Manager (including the deductibility of any mortgage interest or real estate taxes pertaining to such Unit), (iii) ownership of any rights with respect to any vault space, or any other storage space in or appurtenant to the Condominium, or (iv) any rebates or other payments that may be made, or benefits provided, to owners of Residential Units. Except where otherwise indicated, the terms used in this opinion have the same meaning as in the Plan.

In connection with rendering this opinion, we have reviewed the Plan and have examined the schedules, exhibits and documents accompanying the Plan, including the declaration establishing, and the By-Laws governing, the operations of the Condominium (the "Plan Documents"). We have also considered the relevant sections of the Code, the New York State Tax Law, the New York City Administrative Code, the regulations promulgated thereunder and such other materials as we deemed relevant. In rendering this opinion, we have assumed that the Plan is the document pursuant to which owners of the Residential Units will acquire their Residential Units and that the relevant facts are as set forth therein.

Pursuant to the Plan, the purchaser of a Residential Unit will receive legal title in fee simple to his or her Residential Unit, coupled with ownership of an undivided interest in the appurtenant Common Elements held in common with other Unit Owners. Such purchaser will have the right to place an individual mortgage on his or her separate Residential Unit and will be liable to the local tax authority for the tax assessment with respect to his or her interest in the Property. Under these circumstances, the Internal Revenue Service (the "IRS") has ruled that the owner of a residential condominium unit may deduct interest paid on his or her mortgage indebtedness and the real estate taxes assessed and paid on his or her interest in the property. Rev. Rul. 64-31, 1964-1 (Part I) C.B. 300.

Accordingly, based on the foregoing, it is our opinion that an owner of a Residential Unit who itemizes deductions and who uses his or her Residential Unit as a personal residence will be entitled under current law to deduct from his or her gross income for Federal income tax purposes, subject to an overall limitation on itemized deductions as may be in effect under Section 68 of the Code, real estate taxes assessed against his or her Residential Unit and paid to the local tax authority. However, no deduction for real estate taxes is permitted for purposes of the Federal alternative minimum tax. Owners of the Residential Units should consult their tax advisers regarding the applicability of the overall limitation on itemized deductions to the deductibility of real estate taxes.

Purchasers are advised that an exemption from real estate taxes may be available for veterans and other purchasers under the New York State Real Property Tax Law, as amended, and/or various codes, rules and regulations of the City of New York. Prospective purchasers are advised to consult with their own attorneys or other advisers to determine whether the prospective purchaser qualifies for any exemption from real estate taxes.

A taxpayer generally is entitled to a deduction for Federal income tax purposes for interest paid with respect to a principal and one secondary residence (a "qualified residence") to the extent that the interest is attributable to indebtedness which is secured by the qualified residence and which (i) is incurred in acquiring, constructing or substantially improving the qualified residence (or which constitutes a refinancing thereof, to the extent that such indebtedness does not exceed the amount of the refinanced debt), up to a maximum of $1,000,000 for any period ($500,000 in the case of a married individual filing a separate return) ("acquisition indebtedness"), or (ii) is any indebtedness other than acquisition indebtedness, up to the excess of the fair market value of any one qualified residence over the amount of acquisition indebtedness with respect to such residence ("home equity indebtedness"), but not to exceed $100,000 ($50,000 in the case of a married individual filing a separate return) in the aggregate for all qualified residences of the

taxpayer in any period. Accordingly, an owner of a Residential Unit who itemizes deductions and uses his or her Residential Unit as a qualified residence will be entitled, under current law, to deduct from his or her gross income for Federal income tax purposes, subject to an overall limitation on itemized deductions as may be in effect under Section 68 of the Code, interest paid or accrued by him or her on (i) acquisition indebtedness incurred with respect to his or her Residential Unit to the extent that such indebtedness, when added to the amount of acquisition indebtedness incurred with respect to a second qualified residence (if any), does not exceed $1,000,000 ($500,000 in the case of a married individual filing a separate return) and (ii) home equity indebtedness with respect to his or her Residential Unit to the extent that such indebtedness, when added to the amount of home equity indebtedness incurred with respect to a second qualified residence (if any), does not exceed $100,000 ($50,000 in the case of a married individual filing a separate return). Since the rules and limitations regarding the deductibility of home mortgage interest are complex, purchasers are urged to consult their tax advisers regarding the application of such rules and limitations to them, as well as regarding the deductibility of interest with respect to their Residential Units for Federal alternative minimum tax purposes (which at present is subject to rules different than those described above for regular tax purposes). In addition, owners of Residential Units should consult their tax advisers regarding potential limitations on the deductibility of points and prepaid interest, if any, on their mortgage loans and any overall limitation on the allowance of itemized deductions.

Each owner of a Residential Unit who uses his or her Residential Unit as a residence will generally be entitled to the same deduction for mortgage interest and real estate taxes paid or accrued with respect to his or her Residential Unit for New York State and New York City income tax purposes as is allowed for Federal (regular) income tax purposes. However, under New York State and New York City income tax law, itemized deductions, such as interest and real estate tax deductions, are subject to reduction by as much as 50% in the case of individuals having income exceeding certain prescribed levels. Furthermore, purchasers should consult their tax advisers to determine the application, if any, of the New York State and New York City minimum taxes to the deduction for mortgage interest and real estate taxes with respect to their Residential Units.

If the Condominium qualifies as a homeowners association within the meaning of Section 528 of the Code, it may elect not to be subject to Federal income tax on amounts received as membership dues, fees or assessments from Residential Unit Owners. However, even if the election is made, the Condominium will remain liable for Federal income tax on any taxable income it may have from other sources such as income earned in connection with the provision of laundry facilities, interest earned on any reserve or working capital funds and possibly income

from assessments from the Commercial Unit Owners (in each case, less expenses directly connected with the production of such income).

To qualify as a homeowners association, the Condominium must meet all of the following conditions: (1) it must be organized and operated to provide for the acquisition, construction, management, maintenance and care of association property, (2) at least 60% of its gross income for each taxable year must consist solely of amounts received as membership dues, fees or assessments from Residential Unit Owners, (3) 90% or more of its expenditures for each taxable year must be made for the acquisition, construction, management, maintenance and care of association property, (4) no part of its net earnings can inure to the benefit of any private shareholder or individual (other than by acquiring, constructing, or providing management, maintenance, and care of association property, and other than by rebate of excess membership dues, fees, or assessments), (5) the Condominium must elect to be treated as a homeowners association, and (6) at least 85% of the total square footage of all units within the Condominium must be used by individuals for residential purposes. See Treasury Regulation § 1.528-4(b). The qualification of an organization under the provisions of Section 528 is to be determined annually at the close of each taxable year and it is possible, therefore, that if the Condominium does not qualify in one year, it may nevertheless qualify in one or more future years.

Based on the information contained in the Plan, including Schedule A to the Plan, and assuming that all the Residential Units are used by individuals for residential purposes under Treasury Regulation § 1.528-4, at least 85% of the total square footage of all Units of the Condominium will be used by individuals for residential purposes. Based upon the foregoing and assuming (i) that at least 85% of the total square footage of the Common Elements of the Condominium will be used by individuals for residential purposes, (ii) the actual gross income and expenditures of the Condominium for its first taxable year are the same as (or, if such taxable year is a short taxable year, are in the same proportions as) the estimated gross income and expenditures for the Condominium's first full year of operations, as set forth in Schedule B to the Plan, (iii) the Condominium otherwise operates in accordance with the terms of the Plan and the Plan Documents, and (iv) there are no changes in the facts and/or the relevant provisions of current law, it is likely that the Condominium will be eligible to elect to be treated as a homeowners association under Section 528 of the Code for its first taxable year.

Absent the application of Code Section 528, the present state of federal law is unclear as to the precise tax status of the Condominium. An entity classification regime was adopted in regulations issued by the United States Treasury Department on December 17, 1996 and there is no authority addressing the application of those entity classification regulations to condominiums. Because the

By-Laws of the Condominium provide that the Boards will act as the agent of the Unit Owners represented by each such Board, the Condominium Board may take the position that the Condominium is not a separate entity and accordingly is not subject to the classification regime. In such case, the Unit Owners would, in the aggregate, include in their gross income and be taxed on all income earned by the Condominium (which income may include, among other things, interest or similar income earned from interim investments of the amounts assessed and collected from the Unit Owners), reduced by the expenses incurred in earning such income. For this purpose, the Residential Common Charges should not be considered income earned by the Condominium with respect to the Residential Unit Owners. If, however, the Condominium is considered a separate entity it is unclear whether the Condominium would be taxable as a corporation or treated as a partnership for Federal income tax purposes. If the Condominium is taxable as a corporation, it would be considered a separate taxpayer with respect to income and deductions and return filing requirements and would be subject to Federal corporate income tax. If the Condominium is treated as a partnership, the partnership would not be subject to an entity level tax, the items of income and deduction of the partnership would generally be passed through to the Unit Owners in accordance with the provisions of Subchapter K of the Code, and the partnership would be required to file information returns.

The precise tax status of the Condominium for New York State and New York City tax purposes is also unclear. The relevant New York State and New York City laws incorporate by reference federal entity classification provisions which, as discussed above, do not specifically address the treatment of condominiums. If the Condominium is properly treated as a separate entity that is an association taxable as a corporation for Federal income tax purposes, it appears likely that the Condominium would be subject to the New York State Corporation Franchise Tax and the New York City General Corporation Tax. If the Condominium does not constitute an association that is taxable as a corporation for Federal income tax purposes, it is still possible, although not certain, that the Condominium might be subject to the New York State Corporation Franchise Tax. Further, in such event, the Condominium likely would be subject to the New York City Unincorporated Business Tax, unless it were eligible for and elected treatment under Code Section 528 as a homeowners association.

To ensure compliance with requirements imposed by the IRS in Circular 230, you are hereby informed that (i) any tax advice contained herein is not intended or written to be used, and cannot be used, for the purpose of avoiding penalties under the Code, (ii) the advice is written to support the promotion or marketing of the transactions or matters addressed in the Condominium Offering Plan, and (iii) each Unit Owner, each potential Unit Owner, the Sponsor and the

Condominium should seek advice based on its particular circumstances from an independent tax advisor.

339-i OPINION OF STROOCK & STROOCK & LAVAN LLP

Cocoa Condominium Sales, LLC
One Wall Street Court
New York, NY 10005

Re: The Cocoa Exchange
One Wall Steet Court
New York, New York 10005 (the "Condominium")

Gentlemen:

You have requested our opinion regarding the allocation of common interests to the Units at the above referenced Condominium as required by NYCRR Section 20.3(y)(5). Except where otherwise indicated, the terms used in this opinion have the same meaning as in the Offering Plan for the referenced project (the "Plan").

In connection with rendering this opinion we have reviewed the allocation of Common Interests as shown on the Schedule A of the Plan and the declaration establishing the Condominium. We have also considered the relevant sections of the New York State Condominium Act and such other materials as we deemed relevant. Our opinion is based upon the factual determinations made by Penmark Realty Corp. as set forth in its opinion contained in the Plan as required by NYCRR Section 20.3(i). We have made no independent investigation of the truth or accuracy of the factual determinations of Penmark Realty Corp.

Based upon our review of the foregoing, we have determined that Common Interests were allocated pursuant to the method set forth in Real Property Law Section ("RPL") 339-i (1)(iv), i.e., based upon floor space, subject to the location of such space and the additional factors of relative value to other space in the Condominium, the uniqueness of the Unit, the availability of Common Elements for exclusive or shared use and the overall dimensions of the particular Unit.

Accordingly, based on the foregoing it is our opinion that Real Property Law Section 339-i has been complied with in assigning Common Interests to the Units. This opinion, while based upon existing rules of law applied to the facts and documents referred to above, is not a guarantee to purchasers. In no event will the Sponsor, Stroock & Stroock & Lavan LLP, the Selling Agent or the Condominium Board be liable if there are changes in the facts on which we have relied in issuing this opinion or if there are changes in RPL Section 339 or other applicable law.

The opinion expressed herein is based solely on New York law.

Re: The Cocoa Exchange
One Wall Street
Residential Condominium Units (Block 28 part of Lot 17 Manhattan)

Gentlemen:

We have reviewed the information you have furnished us regarding the development of the above referenced property as a mixed-use residential condominium. You have requested that we furnish you with a projection of the assessed valuation and an estimate of the real estate taxes applicable only to the residential section of the condominium (the "Property") during the first full year of operation, April 1, 2006 through March 31, 2007. Our projections and estimates are based upon information supplied to us by you or your agents.

Chapter 58, Section 1504(1) of the New York City charter requires New York City to annually assess for taxation all the taxable real property in New York City and to prepare the assessment rolls. The term "assessment", as defined in Real Property Tax Law Section 102 means a determination by assessors of the taxable status and valuation of the property as of the taxable status date, (which in New York City is January 5), and to classify property into one of four classes pursuant to Real Property Tax Law Article 18. To assess each parcel of New York City real property, first the "full value" of such parcel is determined and then the assessed value is derived as a percentage of the full value.

While there has been a consistent methodology utilized by the New York City Department of Finance in assessing properties in the past, it has not been employed uniformly, and it is therefore difficult to estimate or determine the post-renovation/construction assessed valuation of this property with absolute certainty. However, the estimates indicated below are based upon what we believe are the current policies and assessment practices of the department.

SSL-DOCS1 1611471v1

New York State Real Property Tax Law Section § 581 requires in effect that condominiums are to be assessed as if they were rental properties. This suggests the use of the Income Capitalization Approach to value. We have, however, chosen not to rely solely on this approach. Our studies of the assessed valuation of newly renovated/constructed residential buildings throughout the borough of Manhattan indicate that the City's assessments of newly developed residential condominiums may differ from what would normally be indicated by capitalization of imputed income utilizing comparable rents.

The assessment comparisons allow us to derive current assessing policies and practices of the City of New York concerning newly developed residential buildings. We have relied primarily upon this information in arriving at our estimate of real estate taxes, but we cannot guarantee the continuity of those policies and practices. Further, we can not guarantee that the criteria and approaches employed in determining market value will not change in the future, resulting in an assessment differing from the estimate contained herein. Prospective purchasers are therefore advised that although our estimate of the property s assessed valuation is a good faith estimate, the assessment when actually made may be less or greater than as estimated.

You have advised us that upon completion, the residential section of the condominium will be comprised of 126 Class A dwelling units, created through renovation of the existing commercial property, and will have a total floor area of approximately 77,842 gross square feet of residential and residential facility and support space. You have further advised that first full year of condo operation will run from April 1, 2006 through March 31, 2007, which spans the last three (3) months of New York City fiscal tax year 2005/06 and the first nine (9) months of New York City fiscal tax year 2006/07.

There are three recognized appraisal methods which are utilized by appraisers and the Real Property Assessment Department of the New York City Department of Finance to determine the full market value of real property. These methods are the Cost Approach (reproduction cost less depreciation plus the value of the land), Income (capitalization) Approach, and the Sales Comparison Approach.

The Cost Method is based on the theory that the maximum value of any property is its cost of construction, less depreciation, plus the acquisition cost of the underlying land. This method is considered a significant indicator of value, especially when valuing new buildings. Items of cost include material and labor ("hard" costs), and financing,

engineering, architectural fees, land preparation, professional fees, and construction period interest and taxes ("soft" costs).

The basis of the Income Capitalization Approach is that the value of a property is represented by the present worth of anticipated future benefits to be derived from ownership. The annual streams of future income are converted into value by using a capitalization rate. New York City assessors derive discount rates or capitalization rates from the relationship between net income (real or potential) and purchase prices of comparable property.

The Income Capitalization Approach is generally the preferred method for appraising income-producing properties because it most closely reflects the investment rationale and strategy of typical buyers. In addition, because it derives the capitalization rates from, among other data, the sales of comparable properties, it is considered the most reflective of the market place.

By statute, however, aggregate sale prices of individual condominium units may not be used as the basis for arriving at the assessed valuation of a residential condominium (New York State Real Property Tax Law §581, and Real Property Law § 339-y).

Real Property Tax Law Section 581 restricts the use of market data, i.e., sales, in the assessment of residential condominiums and cooperatives, and essentially requires that such properties be treated as rental apartment buildings and valued as income producing properties. Real Property Tax Law Section 581 strips from a residential property that portion of its value which is attributable to its operation as a condominium or cooperative or its potential conversion to either form of ownership. In so doing, it establishes the income approach as the preferred method of valuing residential properties regardless of the form of ownership.

New York City, by an administrative determination in 1983, effective with the 1984/85 assessment roll, chose to assess all Tax Class 2 properties (primarily multiple dwelling residential property) and Tax Class 4 properties (primarily, commercial real property) at 45% of fair market value. Since that time New York City has maintained that policy without change for its assessment-to-market-value ratios. The Property will be classified by New York City (for real property tax assessment purposes) as a Tax Class 2 property. Accordingly, to determine the assessed value of the Property, the Market Value as determined by New York City assessors will be multiplied by 45%.

Based upon the description of the project you supplied to us, this property will be in Tax Class 2 beginning in tax year 2006/07 because it will fall within the definition of Tax Class 2 property as defined by paragraph (b) of Section 1802 of the Real Property Tax Law.

In arriving at the assessed valuation for each unit in the Condominium, the project is first assessed in its entirety. This total assessment is then apportioned among the units, each of which will be assigned a tax lot designation once the Condominium Declaration has been recorded, the floor plans filed with the office of the City Register and the tax maps changed by the City Surveyor. The apportionment will be based in part upon the proportion the projected selling price presented in the Offering Plan for each unit bears to the gross sellout price for all units available for purchase in the project ("Proportionate Valuation"), percentage of common elements assigned, and other indicia of value, including location, square footage, amenities, income-producing potential and modifications to individual unit plans. At that time, the total assessment will be apportioned among the respective residential units based primarily upon the percentage of common elements, the relative market rental value, sales prices of the units and other criteria discussed above. There is thus no guarantee that the City will apportion the assessment in exact conformity with each unit's percentage of common elements.

The total actual assessment for the unapportioned Block 28 Lot 17 for the 2005/06 fiscal tax year is $3,433,500. We estimate the total tentative assessment attributable to the Residential Section to be $3,025,010 ($3,433,500 x 88.1028%) for the 2005/2006 fiscal tax year. We estimate that the total actual assessment for the residential section of the condominium for the 2006/07 fiscal tax year will be approximately $10,897,880. This assessment is based upon an assessment factor of approximately $140 per gross square foot. Assuming a tax rate of 12.216% for Tax Class 2 in 2006/07 (and a tax rate of 11.558% for Tax Class 4 in 2005/06 while renovation/construction is in progress), we estimate that the gross real estate taxes for the first full year of operation will be approximately $1,085,871.

The above projection is an estimate. It does not take into account any future increases in the parameters applicable to assessed valuation pertaining to residential property. The above opinion is based upon our understanding of the current policies and practices of the New York City Department of Finance. It is not intended to be a guarantee or assurance that the tax assessment or taxes herein listed will be attained. Finally, it does

not constitute an opinion as to the property's eligibility for Real Property Tax Law § 421-a or 421-g tax benefits.

While we believe our opinions are well founded, they are not intended to be, and should not be construed as, representations or warranties that the assessment and taxes will be determined as set forth herein. The foregoing analysis is based upon our experience with the current New York City Department of Finance and the Tax Commission of the City of New York, and their assessment and review practices this opinion is predicated, may be revised in a manner adverse to you or your successors' interests, or there may be an adverse interpretation of the law or regulations by one or more agencies of the City of New York, the State of New York, or Courts of competent jurisdiction. We shall not be liable because of any changes in laws and/or regulations or judicial policy.

The foregoing analysis is based upon our knowledge and experience of the Real Property Assessment Department and the Tax Commission of the City of New York, and their assessment policies regarding newly constructed properties held in condominium ownership. Application of a particular approach to valuation by an individual assessor or a change in policy may yield a different result, which we believe would be inconsistent with existing statutes and court decisions.

We hereby consent to the inclusion of this letter in the Offering Plan.

Re: The Cocoa Exchange
One Wall Street Court
Residential Condominium Units (Block 28 part of Lot 17 Manhattan)

Gentlemen:

We have reviewed the information you have furnished us regarding the development of the above-referenced property as a mixed-use condominium. You have requested that we furnish you with an opinion as to the eligibility of the residential portion of the condominium for real estate tax abatement and exemption benefits available under the 421-g Program. To be eligible for 421-g Program tax benefits, the project must comply with each of the eligibility criteria set forth in the prevailing state statute (Real Property Tax Law § 421-g) and local rules (Chapter 32, Title 28, Rules of the City of New York).

The project site is on a parcel located at the intersection of Beaver and Pearl Streets in the Borough of Manhattan, corresponding to the New York City tax map designation for Block 28 Lot 17. The property address is One Wall Street Court aka 82 Beaver Street. As presently conceived, the project will involve (1) the construction of a Residential Section consisting of 126 Class A dwelling units situated on floors 2 through 14 and the Penthouse floor of the building, which will be created through physical conversion of the existing commercial building, and (2) a Commercial Section which will be situated on portions of the Cellar, Lower Mezzanine, Upper Mezzanine and First Floors of the Building. According to the records of the Department of Finance of the City of New York the building was built in 1903 and is currently used as an office building with ground floor retail.

The 421-g Program is designed to provide tax incentives for the physical renovation and conversion of commercial property to residential use in lower Manhattan. It is available in the area generally south of Murray Street. To be eligible, at least 75% of the floor area of a non-residential building (or a separately-assessed non-residential parcel within a

SSL-DOCS1 1612201v1

building) must be converted to a Class A Multiple Dwelling which is not used as a hotel.

Accordingly, only that portion of the existing office building which will be physically converted to residential use can be considered for 421-g eligibility. If any portions of the proposed condominium were created through new construction, they may not be considered for 421-g eligibility and therefore no warranty, representation, or opinion is being expressed herein as to that portion's eligibility for 421-g or any other tax benefit.

The 421-g Program tax incentives package is comprised of both exemption and abatement benefits.

The 421-g Program provides a real property tax exemption for a period of 12 years after the completion of the conversion. The exemption applies to real estate tax assessment increases attributable solely to the physical improvements made to convert an existing commercial property to residential use, at the following percentages of such increases: 100% for years 1 through 8 following the issuance of a 421-g Certificate of Eligibility, 80% for year 9, 60% for year 10, 40% for year 11, and 20% for year 12. (Landmarked properties may receive an additional 100% exemption year for a total of 13 exemption benefit years. A Landmark is defined in Section 32-02 of the 421-g Rules as a structure designated as a landmark or in a historic district designated by the New York City Landmarks Preservation Commission.)

The 421-g Program also provides a fourteen-year abatement of real property taxes. The abatement is equal to the following percentages of the real property taxes that would be due in the first tax year immediately following the issuance of a 421-g Certificate of Eligibility, but for the 421-g exemption: 100% for years 1 through 10, 80% for year 11, 60% for year 12, 40% for year 13, and 20% for year 14. (Landmarked properties may receive an additional 100% abatement year for a total of 15 abatement benefit years.

Projects completed by the January 5th taxable status date must have a complete application filed with the New York City Department of Housing Preservation and Development ("HPD") by March 31st in order to receive benefits as of the July 1st beginning of the tax year. Applicants must submit the proof of a building's non-residential status prior to conversion, an Alteration Permit for conversion of a non-residential building to a Class A Multiple Dwelling dated after July 1, 1995, an application (if needed) for tax lot apportionment filed by the December 1st preceding

the filing of the 421-g application, and a Temporary or Permanent Certificate of Occupancy for the Class A Multiple Dwelling issued prior to January 5th preceding the filing of the 421-g application.

A one-year, one-time progress-assessment exemption (based on the first increase in assessed value due to physical conversion) is available if the project is not completed by the April 15th after the first such increase and if a complete 421-g application is submitted to HPD by March 31st. (Completion of construction is defined as the issuance of a Temporary or Permanent Certificate of Occupancy).

The project must qualify as an Eligible Multiple Dwelling to qualify for 421-g tax benefits. Section 32-02 of the 421-g Rules defines an Eligible Multiple Dwelling as:

> a Class A multiple dwelling, except a Hotel, created from conversion of a Non-Residential Building, provided, however, that such multiple dwelling is located within the Eligible Area, and provided further, however, that the Aggregate Floor Area of Commercial, Community Facility and Accessory Use Space within such multiple dwelling does not exceed twenty-five percent (25%) of the Aggregate Floor Area of such multiple dwelling.

As to the first requirement, you have informed us that, after conversion, the Property will be a Class A Multiple Dwelling and will not be used as a hotel. You have also informed us that the plans approved by the New York City Department of Buildings and the Certificate(s) of Occupancy issued by the Department of Buildings and submitted with the 421-g application after physical conversion will substantiate this assertion. Accordingly, the Property will meet this requirement.

Second, the Eligible Multiple Dwelling must be created from conversion of a Non-Residential Building. Section 32-02 of the 421-g Rules defines a "Non-Residential Building" as:

> a structure or portion of a structure having at least one floor, a roof and at least three walls enclosing all or most of the space used in connection with the structure or portion of the structure, and which has a Certificate of Occupancy for commercial, manufacturing or other non-residential use for not less than ninety percent (90%) of the Aggregate Floor Area of

> such structure or portion of such structure, or other proof of such non-residential use as is acceptable to the Department.

You have indicated that the Property will satisfy the requirement of having been created through the conversion of a Non-Residential Building.

Third, the Eligible Multiple Dwelling must be located within the Eligible Area. Section 32-02 of the 421-g Rules establishes the Eligible Area generally as the area of Manhattan south of Murray Street, City Hall Park and Frankfort Street, with limited exceptions. The Property is located within the Eligible Area.

Fourth, the total Floor Area of Commercial, Community Facility and Accessory Use Space within such Eligible Multiple Dwelling may not exceed twenty-five (25%) of the Aggregate Floor Area, as further provided in Section 32-03(d) of the 421-g Rules. In addition, Section 32-03(d)(3)(i) of the 421-g Rules provides that the benefits provided pursuant to 421-g will be proportionately reduced if the Floor Area of the Commercial, Community Facility and Accessory Use Space exceeds twelve per cent (12%) of the Aggregate Floor Area.

Section 32-03(d)(iii) of the 421-g Rules provides that the Aggregate Floor Area of any separately assessed non-residential parcel shall not be considered in calculating the Aggregate Floor Area of Commercial, Community Facility And Accessory Use Space. Therefore, any non-residential space in a separate tax lot, including a tax lot receiving other tax benefits, will not be considered for the purpose of computing either (i) Aggregate Floor Area or (ii) the Floor Area of Commercial, Community Facilities, and Accessory Use Space allowed pursuant to Section 32-03(d) of the 421-g Rules.

Based on the information you have provided, we assume that the Multiple Dwelling to be created will not exceed the twenty-five percent (25%) limit for commercial and other non-residential space. Nevertheless, both that calculation and the amount of Floor Area of Commercial, Community Facility or Accessory Use Space which exceeds the twelve percent (12%) limit, and the resultant reduction, if any, in 421-g tax benefits, will be determined by HPD after physical conversion based on the plans approved by the Department of Buildings for the project "as built".

Real Property Tax Law § 421-g(i)(e), in defining the Commencement of Conversion, provides that the building permit for the conversion must have been issued by the

Department of Buildings on or after July 1, 1995 and no later than June 30, 2007. We assume that the project will comply with this requirement.

Section 32-03(c) of the 421-g Rules sets forth timing requirements for the Completion of Conversion. Paragraph (1) of this section states that projects with less than 100,000 square feet of Aggregate Floor Area must receive a Temporary or Permanent Certificate of Occupancy for at least seventy-five percent (75%) of the Aggregate Floor Area within three years of the Commencement of Conversion. Paragraph (2) of this section states that projects with 100,000 square feet or more of Aggregate Floor Area must receive a Temporary or Permanent Certificate of Occupancy for over seventy-five percent (75%) of the Aggregate Floor Area within five years of the Commencement of Conversion, provided, however, proof of partial Completion of Conversion of at least fifty percent (50%) of the Aggregate Floor Area of the building must take place within three years of the Commencement of Conversion.

We assume that the project will be timely completed in accordance with these requirements.

Section 32-04(a)(1) of the 421-g Rules provides that all applications for 421-g benefits must be received by the close of business on the March 31st immediately following the first taxable status date (January 5th) following the Completion of Conversion. We assume that the application will be timely filed.

Sections 32-04(b)(1) and (2) of the 421-g Rules provides that exemption and abatement tax benefits are available as long as the Eligible Multiple Dwelling is used or held out for use for dwelling purposes. Further, Sections 32-06(a)(1) and (2) of the 421-g Rules requires that the Recipient of 421-g tax benefits shall file annually for the duration of the Benefit Period a certificate of continuing use to establish continuing eligibility for such benefits.

We assume that the Property will be used or held out for use for dwelling purposes and that annual certifications satisfactory to HPD confirming such use will be filed as required.

Section 32-05 of the 421-g Rules requires that residential rental units be subject to rent stabilization or control for the entire Benefit Period. Accordingly, you will be obligated to subject the residential rental units in the Property to rent regulation unless they are exempted. You state and we assume that the Property will comply with this

requirement, should the project result in the creation of residential rental units which are not otherwise exempted from rent regulation.

Section 32-03(a) of the 421-g Rules requires that the applicant provide proof that all taxes, water charges and sewer rents due and owing on a property are fully paid or are being paid in timely installments pursuant to a written agreement with the New York City Department of Finance ("Finance") or other appropriate agency. We assume that the applicant will comply with this condition.

Section 32-03(b)(1) of the 421-g Rules requires that a qualified applicant (i) be obligated to pay real property taxes on the Property for which benefits are sought whether such obligation arises because of record ownership or because the obligation has been assumed by contract or (ii) be a tax exempt entity which owns or leases the property and has entered into an agreement to sell or lease such Property to another person. In the case of the latter, Section 32-03(b)(2) requires that the lessee or contract vendee be a co-applicant for benefits. We assume that the applicant and their successors-in-interest will comply with this requirement.

Section 32-03(a)(8) of the 421-g Rules provides generally that 421-g tax benefits may only be granted if the applicant furnishes a signed affidavit attesting to the fact that no person with ownership and control of an interest of more than ten percent (10%) in the property has been found to have violated Real Property Tax Law § 235 (relating to harassment and the willful failure to supply utilities and building services) or Penal Law Article 150 or any similar arson law of another jurisdiction. We assume that this requirement will be satisfied.

Based on the information provided by you and the assumptions made herein, we conclude that, the Property will be eligible for 421-g tax benefits

At the First Closing, Sponsor will apportion with the appropriate Boards the following items as of midnight of the date preceding said Closing:

(1) employees' wages, vacation and severance pay, pension and welfare benefits and accruals, uniforms and all other payments or obligations relative to the employees of the Building;

(2) deposits with utility companies, if any, and fees for assignable permits and licenses, if any;

(3) charges for electricity and other utilities for the General and Limited Common Elements;

(4) cost of fuel on hand (plus sales tax), if any;

(5) charges and receipts in connection with service, maintenance and concession contracts;

The Residential Board will be able to utilize the money in the Working Capital Fund at any time and, accordingly, no representation or warranty can be made and no assurance can be given as to the exact amount of funds available at any specific time. There is no minimum amount set for the Working Capital Fund regardless of the amount of adjustments. However, in no event shall any portion of the Working Capital Fund be used to pay any Residential Common Charges or Residential Common Charges attributable to Unsold Residential Units.

In the event that capital expenditures for renewal or replacement of building components or systems or to remedy major building defects are needed, it may be necessary to increase Common Charges or make special assessments payable by Unit Owners who are responsible for the repair and replacement of the Common Element in need of such renewal, replacement or remedy. Alternatively, a Board may determine to seek financing from a bank or other lending institution for such expenditures in accordance with the terms of the By-Laws and subject, in certain instances, to Unit Owner approval. In addition, pursuant to the By-Laws each Board is entitled to determine amounts for a reserve for replacements in establishing the annual budgets. No representation or warranty is made that the Working Capital Fund will be, or is intended to be, adequate to cover current or future expenses, for the first or any subsequent year of Condominium operation. Neither the Department of Law nor any other government agency has passed upon the adequacy of the Working Capital Fund.

RESERVE FUND

No reserve fund for capital expenditures has been established for the Condominium. The contingency fund reflected in Schedule B is not intended and may not be sufficient to meet the cost of any major capital repairs or replacements which may be required. If funds are required to meet such costs, it may be necessary to increase monthly Common Charges or institutive a special assessment of Common Charges.

MANAGEMENT AGREEMENT

The Declaration and the By-Laws will be recorded in advance of or concurrently with the First Closing. The recording of all deeds conveying individual Units will also be in the City Register's Office.

GENERAL

The Plan does not knowingly omit any material fact or knowingly contain any untrue statement of any material fact. Sponsor believes that the Plan contains a fair summary of the material provisions of the documents referred to in the Plan, including those documents contained in Part II of the Plan. Exact copies are contained in Part II of the Plan of the form of Declaration, form of By-Laws, form of Agreement, form of Residential Unit deed, form of Power of Attorney and other documents and Purchasers are urged to read the documents set forth in Part II of the Plan in their entirety. Statements made in Part I of the Plan as to the provisions of such documents or any other document referred to herein, copies of which are on file with Sponsor, are necessarily not complete. Each such statement is qualified in all respects by the contents of such documents and, in the case of any such document executed by or with the written consent of a Purchaser pursuant to the Plan, any rider or separate agreement changing or adding provisions to such document.

It should be noted that the Building was originally designed in 1903. While the Property is undergoing a substantial renovation at the present time, including repair to the facade of the Building, the facade is an existing structural element of the Building and, as all prudent property owners are aware, a program of ongoing Maintenance is typically required to insure the integrity of a building.

The Residential Units are being sold "as is" in the condition in which they exist at the time a purchaser signs an Agreement subject to ordinary wear and tear. Except as described in the "Description of Property" Sponsor makes no representations or guaranties regarding the condition of the Property and has no specific knowledge about problems with or needed repairs to the Building.

Under applicable Federal and local Law, leaded paint can no longer be used in the construction of the Building. Local Law 38 of 1999 ("Local Law 38") provides that where an owner has notice that a child under the age of six resides in the apartment, the "owner" must conduct annual inspections for peeling paint and deteriorated surfaces. An owner must abate and repair peeling paint, smooth all bare floors and repair deteriorated sub-surfaces and binding doors and windows, whenever the foregoing inspection reveals such conditions or an apartment becomes vacant. The existence of a lead paint hazard is a Class C immediately hazardous violation. The foregoing requirements would apply whenever a Unit Owner rents such Unit Owner's Unit or sells the Unit to a party other than the party residing in such Unit. For purposes of compliance with Local Law 38, Unit Owners are each deemed the "owner" of their respective Units. Local Law 38 was recently overturned by a state Supreme Court judge who found that the City Council did not follow proper environmental review procedures before passing the statute. The City of New York may appeal the decision. Sponsor makes no representation whether Local Law 38 will be upheld upon appeal, whether the City of New York will adopt another local law dealing with lead based paint or what the provisions of such law may be. Prospective purchasers are urged to review Local Law 38 or any successor statute and any regulations or requirements promulgated with respect thereto for a full description of the obligations of a Unit Owner thereunder. Under Federal Law, Sponsor must provide Purchasers with all available records and material pertaining to lead-based paint and/or lead-based hazards in the Building. Sponsor is not aware of any lead-based paint or lead-based paint hazards in the Building and has no records or

materials pertaining to same. Sponsor will comply with applicable Law concerning the use of lead-based paint. Set forth as an Exhibit in Part II of this Plan is a copy of the booklet issued by the United States Environmental Protection Agency, EPA 747-K-95-001, which details certain information regarding lead based paint. In accordance with the terms of the rider annexed to the Agreement, Purchasers have the right to inspect their Units for the presence of lead-based paint. Please refer to the Agreement set forth in Part II of the Plan for further details.

There are no lawsuits or other legal proceedings now pending, or any judgments outstanding, which could materially and adversely affect this offering, the Purchasers of Residential Units, the Property, the Condominium or the operation thereof, which are not covered by insurance.

No party other than the respective Purchasers shall have any right or benefit herein or herefrom, including without limitation, the right to insist upon or enforce against Sponsor the performance of all or any of Sponsor's obligations hereunder and no such third party (including without limitation, parties purchasing from Purchasers) shall be deemed to have received any benefit as a result of any of the provisions of the Plan.

Sponsor reserves the right, from time to time, upon amendment to the Plan, without obtaining the consent of Purchasers or others, to substantially revise the terms and conditions upon which the Units are to be sold, including changes affecting the rights, obligations and liabilities of Sponsor, the Purchasers and/or prospective Purchasers under the Plan. However, Sponsor may not unilaterally cancel an Agreement which is in effect, except as therein provided, as in the case of an uncured default, nor unilaterally change the purchase price or payment terms contained in such Agreement. All substantive or material revisions will be contained in a duly filed amendment to the Plan. If there is a material amendment to the Plan as to which rescission is required by the Department of Law, Purchasers will have a right of rescission which may only be exercised within fifteen (15) days from the date of presentation of said amendment. Escrow Agent shall promptly return any Deposit, together with any interest thereon, to Purchasers who rescind, except that Escrow Agent shall return to Sponsor the Deposit (and any interest thereon) of any Purchaser who is in default under the Agreement beyond any applicable grace period.

In accordance with the provisions of the Laws of the State of New York, neither Sponsor nor any selling agent engaged by Sponsor will discriminate against any person in the sale of Units offered by the Plan or in the leasing of any such Units because of such person's sex, race, creed, color, national origin, marital status, age, disability or any other ground proscribed by Law.

Unless the context otherwise requires, words used in the singular in Part I of the Plan include the plural and vice versa, and a reference herein to any one gender, masculine, feminine or neuter, includes the other two.

No person has been authorized to make any statement or representation or furnish any information not expressly contained herein. Any information, data, or representations not contained herein or in the documents and exhibits referred to herein must not be relied upon. The Plan may not be changed or modified orally.

The Property and the Building have not been the subject of any prior public offerings. Sponsor has previously tested the market pursuant to Cooperative Policy Statement No. 1, File No. CD-05-C312.

SPONSOR'S STATEMENT OF BUILDING CONDITION

Sponsor hereby adopts the Description of Property set forth as Exhibit 4 in Part II of the Plan and represents that it has no knowledge of any material defects or need for major repairs to the Property.

WITNESSETH:

1. THE PLAN. Purchaser acknowledges having received and read a copy of the Offering Plan for the Residential Section of The Cocoa Exchange and all amendments thereto, if any, filed with the Department of Law of the State of New York (hereinafter, collectively, referred to as the "Plan") at least three (3) days prior to Purchaser's signing this Agreement. If Purchaser has not received and read the Plan and all amendments thereto at least three (3) full days prior to Purchaser's signing this Agreement, Purchaser shall have the right to rescind this Agreement within seven (7) days from the date of this Agreement. The Plan is incorporated herein by reference and made a part hereof with the same force and effect as if set forth at length. In the event of any inconsistency between the provisions of this Agreement and the Plan, the provisions of the Plan will govern and be binding.

2. DEFINITIONS. Terms used herein which are also used in the Plan shall have the same meanings herein as therein unless the context otherwise requires.

3. THE UNIT. Upon and subject to the terms and conditions set forth herein, Sponsor agrees to sell and convey, and Purchaser agrees to purchase, the unit ("Unit") to be designated as Unit __ in the Plan, together with the ___ percentage undivided interest in the General Common Elements of the Condominium appurtenant thereto.

4. PURCHASE PRICE.

4.1 The purchase price for the Unit ("Purchase Price") is $_____.

The Purchase Price is payable as follows:

(a) $_____ (the "Initial Deposit"), due upon Purchaser's signing and submitting this Agreement, by check (subject to collection), receipt of which is hereby acknowledged.

(b) $_____ (the "Additional Deposit"), by check payable no later than the earlier to occur of: (i) _____ which is four (4) months after the date of the Agreement or (ii) fifteen (15) days after Sponsor presents an amendment declaring the Plan effective, but in no event later than the Closing, subject to collection. The Initial Deposit and the Additional Deposit are hereinafter collectively referred to as the "Deposit."

(c) $_____, constituting the balance of the Purchase Price, payable on the delivery of the deed as hereinafter provided.

4.2 All checks shall represent United States currency and shall be drawn on or issued by a New York bank or trust company which is a member of The New York Clearing House Association, unless otherwise agreed to by Sponsor. Checks for the Deposit (other than any portion of the Deposit paid at the Closing pursuant to the provisions of this Agreement) shall be made payable to "Stroock & Stroock & Lavan LLP, Escrow Agent." Checks for the balance of the Purchase Price (including any portion of the Deposit paid at the Closing pursuant to the provisions of this Agreement) shall be made payable by good certified check of Purchaser or official bank check to the direct order of "Cocoa Condominium Sales, LLC" or such other party as Sponsor may designate upon not less than two (2) days prior notice. If any check is returned for insufficient funds or any other reason, Sponsor at its option, may declare this Agreement void ab initio and of no further force and effect and may institute an action against Purchaser for the collection of the Deposit as liquidated damages or may declare a default by Purchaser under this Agreement which shall entitle Sponsor to exercise any of the remedies set forth in Article 15 hereof.

5. CLOSING OF TITLE.

5.1 The closing of title shall be held at such place in the City and State of New York and on such date and hour as Sponsor may designate to Purchaser on notice served not less than thirty (30) days' prior to the scheduled date for closing. If Sponsor consents to close at any other location as an accommodation to Purchaser, Purchaser shall pay to Sponsor's attorneys at closing an extra fee as set forth in the Plan. Sponsor, from time to time, may adjourn the date and hour for closing on written notice to Purchaser. In the event of such adjournment, a closing may be rescheduled by Sponsor upon written notice to Purchaser, which notice shall fix a new date, hour and place for the closing of title and will be given not less than two (2) business days prior to the new scheduled date and time for closing. In the event this Agreement is executed after the First Closing, the closing of title shall occur thirty (30) days after the date of this Agreement.

5.2 The closing of title shall occur only after or concurrently with the compliance with the prerequisites as set forth under "Terms of Sale' in Part I of the Plan.

5.3 The term "Closing Date" or "closing of title" or words of similar import, whenever used herein, shall mean the date designated by Sponsor on which the deed to the Unit is delivered to Purchaser, or any adjourned date fixed by Sponsor pursuant to subsection 5.1 hereof.

6. DELIVERY OF THE DEED AND POWER OF ATTORNEY.

6.1 At the closing of title, Sponsor shall deliver to Purchaser a bargain and sale deed with covenant against grantor's acts conveying title to the Unit to Purchaser. The deed shall be prepared by Sponsor in substantially the form set forth in Part II of the Plan and shall be executed and acknowledged by Sponsor in form for recording. Purchaser shall pay all New York State and New York City real property transfer taxes, and Sponsor and Purchaser shall duly execute a New York City Real Property Transfer Tax return and any other forms then required by Law, all of which shall be prepared by Sponsor.

6.2 At the closing of title and simultaneously with the delivery of the deed conveying the Unit to Purchaser, Purchaser shall execute and acknowledge a power of attorney to the Condominium Board, the Residential Board and Sponsor substantially in the form set forth in Part II of the Plan.

6.3 The deed and power of attorney to the Condominium Board, Residential Board and Sponsor shall be delivered to the representative of the title company insuring Purchaser's title (or, if no such representative is present, then to Sponsor's attorney) for recording in the City Register's Office, which recording shall be at Purchaser's expense. After being recorded, the deed shall be returned to Purchaser and the power of attorney shall be sent to the Managing Agent.

6.4 Sponsor shall deliver to Purchaser a certification stating that Sponsor is not a foreign person in the form then required by the Code Withholding Section and (ii) each party shall execute, acknowledge and deliver to the other party such instruments, and take such other actions, as such other party may reasonably request in order to comply with IRS §6045(e), as amended, or any successor provision or any regulations promulgated pursuant thereto, insofar as the same requires reporting of information in respect of real estate transactions.

7. FEE TITLE. At the closing of title, Sponsor shall convey to Purchaser fee simple title to the Unit, free and clear of all encumbrances other than those expressly agreed to by Purchaser or set forth in Schedule A annexed hereto and made a part hereof. Any encumbrance to which title is not to be subject shall not be an objection to title if (a) the instrument required to remove it of record is delivered at or prior to the closing of title to the proper party or to Purchaser's title insurance company, together with the attendant recording or filing fee, if any, or (b) Fidelity National Title, having an address at Two Park Avenue, New York, New York 10016 ((212)481-5858) (or such other title insurance company as Purchaser may utilize), is or would be willing, in a fee policy issued by it to the Purchaser, to insure Purchaser that it will not be collected out of the Unit if it is a lien, or will not be enforced against the Unit if it is not a lien.

8. CLOSING ADJUSTMENTS AND REAL ESTATE TAXES.

8.1 Subject to Paragraph 15 hereof, the following adjustments shall be made as of midnight of the day preceding the Closing Date with respect to the Unit:

(a) real estate taxes and assessments, if any (including water charges and sewer rents, if separately assessed), on the basis of the period for which assessed;

(b) Residential Common Charges for the month in which title closes; and

(c) accrued rent and any other charges pursuant to an interim lease or use and occupancy agreement, if any, covering the Unit.

8.2 If closing of title occurs before the tax rate is fixed, adjustment of taxes shall be based upon the latest tax rate applied to the most recent applicable assessed valuation. Installments for tax assessments due after the delivery of the deed, if any, shall be paid by Purchaser and shall not be considered a defect in title. If a Unit has not been separately assessed as of the Closing Date, the adjustments and collection of taxes under subsection 8.1(a) hereof and future tax payments shall be as described in the Section of the Plan entitled "Closing Costs and Adjustments."

8.3 If Sponsor obtains a refund for real estate taxes paid (or a credit for such taxes to be paid) on Purchaser's Unit, Purchaser and Sponsor will apportion the refund (as well as the costs and/or fees for obtaining the refund or credit) based on the percentage of time for which the refund or credit is obtained during which each party hereto owned the Unit in question. The provisions of this subsection shall survive the closing of title.

8.4 The "Customs in Respect of Title Closings" recommended by The Real Estate Board of New York, Inc., as amended to date, shall apply to the adjustments and other matters therein mentioned except as otherwise provided herein.

8.5 Any errors or omissions in computing apportionments at closing shall be corrected and payment made to the proper party promptly after discovery. The provisions of this subsection shall survive the closing.

9. MORTGAGE TAX CREDIT. In the event a mortgage recording tax credit becomes available pursuant to Section 339-ee(2) of the Condominium Act, it is specifically understood that such credit shall inure to the benefit of Sponsor. Accordingly, at closing, a Purchaser who elects mortgage financing will be responsible to pay the full amount (but not in excess thereof) of the mortgage recording tax chargeable on the entire amount being financed. Sponsor at closing will be reimbursed by Purchaser to the extent of any mortgage tax credit allowed.

10. CLOSING COSTS. In addition to those costs and adjustments described in Articles 8 and 9 herein, Purchaser shall be required to pay the other closing costs which are

Purchaser's responsibility as more particularly described in Part I of the Plan entitled "Closing Costs and Adjustments."

11. DEPOSIT. The Deposit made pursuant to this Agreement is subject to the requirements of Section 71-a(3) of the State of New York Lien Law (the provisions of which are set forth in Part II of the Plan and deemed incorporated herein by reference) and Sections 352-e(2-b) and 352-h of the General Business Law of the State of New York. Any Deposit received from Purchaser will be held in accordance with the provisions of the Subsection entitled "Escrow and Trust Fund Requirements" under the Section entitled "Procedure to Purchase" set forth in Part I of the Plan. By signing this Agreement, Purchaser will not object and will be deemed to have agreed, without the need for a further written agreement, to the release of the Deposit to Sponsor in the event Sponsor and Purchaser close title under this Agreement. Sponsor is required by Law to submit a Form 1099 to the Internal Revenue Service reporting interest earned on Purchaser's Deposit, if any. Purchaser will be taxed accordingly on such interest.

12. BINDING EFFECT OF DECLARATION, BY-LAWS AND RULES AND REGULATIONS. Purchaser hereby accepts and approves the Plan (including the Declaration, By-Laws and Rules and Regulations contained therein) and agrees to abide and be bound by the terms and conditions thereof.

13. AGREEMENT SUBJECT TO MORTGAGE. No encumbrance shall arise against the Property as a result of this Agreement or any monies deposited hereunder. In furtherance and not in limitation of the provisions of the preceding sentence, the provisions of this Agreement are and shall be subject and subordinate to the lien of any mortgage, including, but not limited to, any construction or building loan mortgage, heretofore or hereafter made any advances heretofore or hereafter made thereon and any payments or expenses made or incurred or which hereafter may be made or incurred, pursuant to the terms thereof, or incidental thereto, or to protect the security thereof, to the full extent thereof, without the execution of any further legal documents by Purchaser. This subordination shall apply in all cases, regardless of the timing of, or cause for, the making of advances of money or the incurring of expenses. Sponsor shall, at its option, either satisfy such mortgages or obtain a release of each Unit and its undivided interest in the Common Elements from the lien of such mortgages on or prior to the Closing Date, unless Purchaser voluntarily assumes such mortgage or consents to the continuation of the lien thereof. The existence of any mortgage or mortgages encumbering the Property, or portions thereof, other than the Unit and its (their) undivided interest in the Common Elements, shall not constitute an objection to title or excuse Purchaser from completing payment of the Purchase Price or performing all of its other obligations hereunder or be the basis of any claim against, or liability of, Sponsor, provided that any such mortgage(s) is subordinated to the Declaration.

14. PURCHASER'S REPRESENTATIONS. Purchaser represents that Purchaser has full right and authority to execute this Agreement and perform Purchaser's obligations hereunder. If Purchaser is not a natural person, Purchaser agrees to deliver at any time, such documents evidencing Purchaser's authority as may be required by Purchaser's title company or Sponsor. Purchaser acknowledges and agrees that Sponsor may desire to obtain certain information about Purchaser's (or Purchaser's principals) character, general reputation, personal characteristics and mode of living prior to counter-executing this Agreement and in order to

permit Sponsor to comply with the requirements of the Fair Credit Reporting Act, Purchaser hereby authorizes Sponsor, if Sponsor elects in its sole discretion, to obtain such information and to retain a credit reporting agency to obtain such information.

15. DEFAULT BY PURCHASER.

15.1 The following shall constitute "Events of Default" hereunder:

(i) Purchaser's failure to pay the Additional Deposit or the balance of the Purchase Price on the Closing Date designated by Sponsor; or

(ii) Purchaser's failure to duly complete and sign before a notary public and deliver at closing the power of attorney or the New York State and City transfer tax returns; or

(iii) If Purchaser is or becomes the tenant of record of the Unit, Purchaser's failure to pay rent or to otherwise comply with Purchaser's lease or tenancy obligations; or

(iv) If Purchaser is or becomes the tenant of record of the Unit and Purchaser vacates or abandons the Unit; or

(v) Purchaser's assignment of any of Purchaser's property for the benefit of creditors, or Purchaser's filing a voluntary petition in bankruptcy; or

(vi) If a non-bankruptcy trustee or receiver is appointed over Purchaser or Purchaser's property, or an involuntary petition in bankruptcy is filed against Purchaser; or

(vii) If a judgment or tax lien is filed against Purchaser and Purchaser does not pay or bond the same; or

(viii) Purchaser's failure to pay any closing costs set forth in this Agreement or the Plan, on the Closing Date designated by Sponsor; or

(ix) The failure to pay, perform or observe any of Purchaser's other obligations hereunder.

15.2 TIME IS OF THE ESSENCE with regard to Purchaser's obligations to pay the balance of the Purchase Price and to perform Purchaser's other obligations under this Agreement. If Purchaser fails to make such payment when required as herein provided or fails to perform any of Purchaser's other obligations hereunder, Sponsor shall give notice to Purchaser of such default. If such default shall not be cured within thirty (30) days thereafter, Sponsor may, at its option, cancel this Agreement by notice of cancellation to Purchaser or bring an action against Purchaser for specific performance. If Sponsor elects to cancel this Agreement, (a) Sponsor may retain all sums deposited by Purchaser hereunder (including any amounts paid by Purchaser for additional work in the Unit), together with interest earned thereon, as liquidated damages (Sponsor's actual damages being difficult or impossible to ascertain) and, upon

retaining such sum, this Agreement shall be terminated and neither party hereto shall have any further rights, obligations or liability to or against the other under this Agreement or the Plan and (b) Sponsor may sell the Unit to any third party as though this Agreement had never been made (without any obligation to account to Purchaser for any part of the proceeds of such sale).

15.3 If Purchaser fails for any reason to close title to the Unit on the originally scheduled Closing Date (a) the closing apportionments described in Section 8.1 of this Agreement will be made as of midnight of the day preceding the originally scheduled Closing Date, regardless of when the actual closing of title occurs, and (b) Purchaser will be required to pay to Sponsor, as a reimbursement of Sponsor's higher carrying costs for the Unit by virtue of the delay, and in addition to the other payments to be made to Sponsor under this Agreement and the Plan, an amount equal to 0.03% of the Purchase Price for each day starting from (and including) the originally scheduled Closing Date to (and including) the day before the actual Closing Date. If, through no fault of Purchaser, Sponsor postpones the originally scheduled Closing Date, these provisions shall apply to the rescheduled Closing Date if Purchaser fails for any reason to close title to the Unit on the rescheduled Closing Date.

16. CLOSING CONTINGENT UPON PLAN BEING DECLARED EFFECTIVE.

16.1 The respective obligations of Purchaser and Sponsor hereunder are contingent upon the Plan being declared effective. The Plan shall not be declared effective except in accordance with the prerequisites set forth in the Plan, as same may be amended from time to time. Purchaser understands and agrees that Sponsor shall have the right to abandon the Plan at any time prior to its being declared effective or thereafter in certain limited cases set forth in the Plan (see the Section in the Plan entitled "Effective Date" for full details). Sponsor shall notify Purchaser, in writing or by a duly filed amendment to the Plan, when the Plan becomes effective or is abandoned.

16.2 If the Plan is abandoned or if after being declared effective the Plan will not be consummated for any reason, this Agreement will be deemed canceled and the Deposit paid by Purchaser hereunder, together with interest earned thereon, if any, will be disbursed to Purchaser, subject to Sponsor's rights to retain certain funds deposited by Purchaser for special work in the Unit, as more particularly described in the Section of the Plan, entitled "Effective Date." After the monies are so disbursed, Purchaser and Sponsor will have no claim against each other or the Selling Agent in connection with this Agreement or the Plan, and all of same will be released and discharged from all liabilities and obligations hereunder and under the Plan.

17. SPONSOR'S INABILITY TO CONVEY THE UNIT. If Sponsor is unable to deliver title to the Unit to Purchaser in accordance with the provisions of this Agreement and the Plan, Sponsor will not be obligated to bring any action or proceeding or otherwise incur any cost or expense of any nature whatsoever in excess of its obligations set forth in the Plan in order to cure such inability, and, in such case, if Sponsor notifies Purchaser of its refusal to cure such inability and if Purchaser is not in default hereunder, Purchaser's sole remedy will be to either (a) take title to the Unit subject to such inability (without any abatement in, or credit against, the Purchase Price, or any claim or right of action against Sponsor for damages or otherwise) or (b) terminate this Agreement. If Purchaser so elects to terminate this Agreement, Sponsor will, within thirty (30) days after receipt of notice of termination from Purchaser, return to Purchaser

the Deposit paid by Purchaser hereunder, together with interest earned thereon, if any, subject to Sponsor's rights to retain certain funds deposited by Purchaser for special work in the Unit, as more particularly described in the Section of the Plan, entitled "Terms of Sale," and, upon making such payment, this Agreement will be terminated and neither party hereto will have any further rights, obligations or liability to or against the other under this Agreement or the Plan. The foregoing remedy must be exercised by notice of Purchaser in writing to Sponsor within fifteen (15) days after the giving of Sponsor's notice of refusal to cure such inability, failing which it will be conclusively deemed that Purchaser elected the remedy described in clause (a) above (i.e., to acquire title subject to such inability).

18. FIXTURES, APPLIANCES AND PERSONAL PROPERTY. Only those fixtures, appliances and items of personal property which are described in the Description of the Property in Part II of the Plan as being part of the Unit are included in the sale of the Unit pursuant to the provisions of this Agreement. At the Closing, Sponsor shall transfer to Purchaser any assignable warranties and undertakings received by Sponsor which relate to appliances, equipment or fixtures located in the Unit.

19. ACCEPTANCE OF CONDITION OF PROPERTY. Purchaser shall accept title (without abatement in, or credit against, the Purchase Price or any provision for escrow deposits at the closing of title) notwithstanding the failure to complete construction of (a) the "punch list" items in the Unit (b) other Units or (c) the Common Elements of the Property which do not prevent Purchaser's use of the Unit provided that Sponsor delivers a temporary certificate of occupancy for the Unit. The Unit and the fixtures and personal property contained therein, are being sold and delivered as described in the Plan, at the time of transfer of title to such Unit, unless Sponsor and Purchaser otherwise agree. Sponsor will maintain each Unit, and the fixtures and personality contained therein, up to the time of the transfer of title to the Unit in question. The Purchaser of a Unit shall have the right to inspect such Unit prior to the Closing Date. However, the failure of Sponsor to complete "punch list" type work shall not be a ground for Purchaser delaying the Closing provided that Sponsor agrees to complete such work promptly after closing. Purchaser will receive at least five (5) business days notice that the Unit is available for inspection and Sponsor reserves the right to postpone and/or reschedule any scheduled inspections of the Unit upon one (1) business day's notice and Sponsor reserves the right to schedule additional inspections as Sponsor deems necessary or appropriate. If Purchaser fails to inspect the Unit within said period(s), Purchaser shall be deemed to have accepted the Unit in good condition and in accordance with the terms of the Plan. Except as expressly provided in this Agreement or the Plan, including but not limited to subparagraph (f) of the subsection entitled "Sponsor's Obligations with Respect to the Building" of the Section entitled "Rights and Obligations of Sponsor," Sponsor shall have no obligation to repair or improve the Unit, any portion of the Property, or the appliances, equipment or fixtures attached to or used in connection with the Unit or the Property. Sponsor is obligated to construct the Building in accordance with all applicable codes and filed building plans and specifications as well as the provisions of the Plan. The Housing Merchant Implied Warranty Law (General Business Law Article 36-B) is not applicable to this offering. Sponsor is not making any express or implied warranties of fitness for a particular purpose, merchantability or habitability. Without limiting the generality of the foregoing, Sponsor hereby disclaims any and all express or implied warranties as to view, light quality, sound and/or odor transmission, the existence of molds, mildew, spores, fungi and/or other toxins within the Condominium. Sponsor has not given and

Purchaser has not relied on or bargained for any such warranties. In the event of any conflict between the foregoing disclaimers and Sponsor's obligations to construct the Building in accordance with all applicable codes and filed building plans and specifications as well as the provisions of the Plan, Sponsor's obligations to construct the Building in accordance with all applicable codes and filed building plans and specifications as well as the provisions of the Plan will control. In no event will Sponsor be liable for incidental or consequential damages (whether based on negligence, breach of contract, warranty, or otherwise). See the Section entitled "Rights and Obligations of Sponsor" in Part I of the Plan for further discussion.

Sponsor will not be obligated to correct, and will not be liable to any Board or Unit Owner as a result of any defects in construction, or in the installation or operation of any mechanical equipment, appliances, other equipment, finishes, materials or fixtures (including kitchen appliances and bathroom fixtures), except as more as specifically set forth in the Section of the Plan entitled "Rights and Obligations of Sponsor."

Notwithstanding the foregoing, Sponsor will be obligated to repair abnormal scratches in plastic laminate, vitreous china, natural stone, wood, porcelain and metallic surfaces by filling or refinishing the same, but Sponsor will not be obligated to replace any such surfaces. The provisions of this Article shall survive the closing of title.

20. DAMAGE TO THE UNIT. If between the date of this Agreement and the closing of title the Unit is damaged by fire or other casualty, the following shall apply:

20.1 The risk of loss to the Unit by fire or other casualty is assumed by Sponsor until the earlier of closing of title or possession of the Unit by Purchaser, but without any obligation or liability by Sponsor to repair or restore the Unit. If Sponsor elects to repair or restore the Unit, this Agreement shall continue in full force and effect, Purchaser shall not have the right to reject title or receive a credit against, or abatement in, the Purchase Price and Sponsor shall be entitled to a reasonable period of time within which to complete the repair or restoration. Any proceeds received from insurance or in satisfaction of any claim or action in connection with such loss shall, subject to the rights of the respective Boards and other Unit Owners if the Declaration has theretofore been recorded, belong entirely to Sponsor and, if such proceeds are paid to Purchaser, Purchaser shall promptly upon receipt thereof turn them over to Sponsor. The provisions of the preceding sentence shall survive the closing of title.

20.2 In the event Sponsor notifies Purchaser that it does not elect to repair or restore the Unit, or, if the Declaration has been recorded prior thereto and the Unit Owners do not resolve to make such repairs or restoration pursuant to the By-Laws, this Agreement will be deemed canceled and of no further force and effect and Sponsor will return to Purchaser the Deposit paid by Purchaser hereunder, together with interest earned thereon, if any, subject to Sponsor's rights to retain certain funds deposited by Purchaser for special work in the Unit, as more particularly described in the Section of the Plan, entitled "Terms of Sale," and neither party hereto will have any further rights, obligations or liability to or against the other hereunder or under the Plan, except that if Purchaser is then in default hereunder (beyond any applicable grace period), Sponsor will retain all such sums deposited by Purchaser hereunder, together with any interest earned thereon, as and for liquidated damages.

21. NO REPRESENTATIONS. Purchaser acknowledges that Purchaser has not relied upon any architect's plans, sales plans, selling brochures, advertisements, representations, warranties, statements or estimates of any nature whatsoever, whether written or oral, made by Sponsor, Selling Agent or otherwise, including, but not limited to, any relating to the description or physical condition of the Property, the Building or the Unit, or the size or the dimensions of the Unit or the rooms therein contained or any other physical characteristics thereof, the services to be provided to Unit Owners, the estimated Residential Common Charges allocable to the Unit, the estimated real estate taxes on the Unit, the right to any income tax deduction for any real estate taxes or mortgage interest paid by Purchaser, the right to any income tax credit with respect to the purchase of the Unit, or any other data, except as herein or in the Plan specifically represented, Purchaser having relied solely on such Purchaser's own judgment and investigation in deciding to enter into this Agreement and purchase the Unit. No person has been authorized to make any representations on behalf of Sponsor except as herein or in the Plan specifically set forth. No oral representations or statements shall be considered a part of this Agreement. Sponsor makes no representation or warranty as to the work, materials, appliances, equipment or fixtures in the Unit, the Common Elements or any other part of the Property other than as set forth herein or in the Plan. The provisions of this Article shall survive the closing of title.

22. PROHIBITION AGAINST ADVERTISING AND SELLING. Prior to the closing of title to a Residential Unit, the Agreement prohibits Purchaser from listing the Residential Unit for resale or rental with any broker or from advertising or otherwise offering, promoting or publicizing the availability of the Residential Unit for sale or lease, without Sponsor's prior written consent. In addition, a Purchaser (other than a Purchaser purchasing for such Purchaser's own occupancy) may not advertise, list or sell a Residential Unit acquired from Sponsor for twelve (12) months after acquisition of such Residential Unit (provided however, such limitation shall not apply from and after the date that the Sponsor conveys title to all of the Residential Units). Any such conveyances in violation of the foregoing will be voidable by Sponsor.

23. BROKER. Purchaser represents to Sponsor that **Selling Agent Sponsor** and [ ] (**collectively** the "Broker") **is [are]** the only broker(s) or sales agent(s) with whom Purchaser has dealt in connection with this transaction, and Sponsor agrees to pay the commission earned by the Broker pursuant to a separate agreement. Purchaser agrees that should any claim be made against Sponsor for commissions by any broker, other than the Broker, on account of any acts of Purchaser or Purchaser's representatives, Purchaser will indemnify and hold Sponsor free and harmless from and against any and all liabilities and expenses in connection therewith, including reasonable legal fees. The provisions of this Article 23 shall survive the closing of title.

24. AGREEMENT MAY NOT BE ASSIGNED. Purchaser does not have the right to assign this Agreement without the prior written consent of Sponsor. If Purchaser is a corporation, partnership, limited liability company, trust or other legal entity, any sale, assignment, transfer, pledge, encumbrance or other disposition of any of the ownership interest of Purchaser (including without limitation, the stock, membership or beneficial interests of the stockholders, partners, members or beneficiaries of Purchaser or its stockholders, partners, members or beneficiaries) shall be considered an assignment of this Agreement and shall be subject to the provisions, prohibitions and terms of this Article concerning assignment of this

Agreement. For purposes of this Agreement, it is the intent of the part(ies) that the individuals controlling Purchaser shall be deemed to be _____. Any purported assignment by Purchaser in violation of this Agreement will constitute a default hereunder and will be voidable by Sponsor. Sponsor's refusal to consent to an assignment will not entitle Purchaser to cancel this Agreement or give rise to any claim for damages against Sponsor. If Sponsor, in its sole discretion, consents to a Purchaser's request for an assignment of this Agreement, or for the addition, deletion or substitution of names on this Agreement, then Purchaser will be required to pay Sponsor's attorneys a fee of $1,000, in advance, for preparation of an assignment agreement.

25. BINDING EFFECT. This Agreement shall not be binding on Purchaser or Sponsor until a fully executed counterpart hereof has been delivered to Purchaser. If this Agreement is not accepted within thirty (30) days after delivery by Purchaser of an executed Agreement by the delivery to Purchaser of a fully executed counterpart, this Agreement shall be deemed to have been rejected and canceled and the deposit paid on the execution hereof shall be promptly returned to Purchaser.

26. NOTICES. Any notice, request, letter, consent or other communication hereunder or under the Plan (other than amendments to the Plan which shall be served in accordance with the Plan or documents for which the method of notice and or delivery is otherwise set forth in the Plan) shall be in writing and delivered by regular mail as well as hand delivered or sent, postage prepaid, by registered or certified mail, by facsimile or by Federal Express or other reputable overnight courier, to Purchaser at the address given at the beginning of this Agreement, and to Sponsor at the address given at the beginning of this Agreement, with a copy to Stroock & Stroock & Lavan LLP, 180 Maiden Lane, New York, New York 10038, Attn.: Michel Evanusa, Esq. in the same manner as notice is given to Sponsor, or to such other address as either party may hereafter designate to the other in writing. Except as otherwise expressly provided herein, the date of hand delivery or mailing shall be deemed to be the date of the giving of notice, except that the date of actual receipt shall be deemed to be the date of the giving of any notice of change of address. Any notice either of the parties hereto receives from the other party's attorneys shall be deemed to be notice from such party itself (including, without limitation, any notices of closing or default which Sponsor's counsel is hereby expressly designated and empowered to issue). A failure by Purchaser to acknowledge receipt of any notice, request, letter, consent or other communication hereunder shall not in anyway invalidate such communication. Notwithstanding anything to the contrary, notices regarding closing costs or ministerial matters, the rescheduling of Closing Dates or the scheduling or rescheduling of inspections may be made by facsimile to each party's attorneys.

27. JOINT PURCHASERS. The term "Purchaser" shall be read as "Purchasers" if more than one person are purchasers, in which case their obligations shall be joint and several.

28. PERFORMANCE BY AND LIABILITY OF SPONSOR. Purchaser's acceptance of the deed for the Unit shall be deemed to be a full performance and discharge of each and every agreement and obligation on the part of Sponsor to be performed pursuant to the provisions of this Agreement, the Plan, 13 NYCRR, Part 20 (the regulations of the Attorney General of the State of New York governing the acceptance for filing of the Plan) and General Business Law §352-e, except those (if any) herein or therein expressly stated to survive delivery of such deed.

29. FURTHER ASSURANCES. Either party shall execute, acknowledge and deliver to the other party such instruments, and take such other actions, in addition to the instruments and actions specifically provided for herein, as such other party may reasonably request in order to effectuate the provisions of this Agreement or of any transaction contemplated herein or to confirm or perfect any right to be created or transferred hereunder or pursuant to any such transaction. The provisions of this Article shall survive the closing of title.

30. AGREEMENT NOT CONTINGENT UPON FINANCING. The terms and provisions of this Agreement and Purchaser's obligations hereunder are not contingent upon Purchaser securing financing of the Purchase Price (or any portion thereof) stated in Section 4 of this Agreement, and Purchaser understands and agrees that Purchaser's failure to obtain such financing will not relieve Purchaser of Purchaser's obligations hereunder. Purchaser further understands and agrees that if Purchaser chooses to finance Purchaser's purchase of the Unit through a lending institution and obtain a commitment therefrom, neither a subsequent change in the terms of such commitment, the expiration or other termination of such commitment, nor any change in Purchaser's financial status or condition shall release or relieve Purchaser of Purchaser's obligations pursuant to this Agreement.

31. COSTS OF ENFORCING AND DEFENDING AGREEMENT. Purchaser shall be obligated to reimburse Sponsor for any legal fees and disbursements incurred by Sponsor in defending Sponsor's rights under this Agreement or, in the event Purchaser defaults under this Agreement beyond any applicable grace period, in canceling this Agreement or otherwise enforcing Purchaser's obligations hereunder.

32. SEVERABILITY. If any provision of this Agreement or the Plan is invalid or unenforceable as against any person or under certain circumstances, the remainder of this Agreement or the Plan and the applicability of such provision to other persons or circumstances shall not be affected thereby. Each provision of this Agreement or the Plan, except as otherwise herein or therein provided, shall be valid and enforced to the fullest extent permitted by Law.

33. STRICT COMPLIANCE. Any failure by Sponsor to insist upon the strict performance by Purchaser of any of the provisions of this Agreement shall not be deemed a waiver of any of the provisions hereof, and Sponsor, notwithstanding any such failure, shall have the right thereafter to insist upon the strict performance by Purchaser of any and all of the provisions of this Agreement to be performed by Purchaser.

34. GOVERNING LAW. The provisions of this Agreement shall be governed by and construed in accordance with the Laws of the State of New York applicable to agreements made and to be performed wholly in the State of New York, without regard to principles of conflicts of Law.

35. WAIVER OF JURY. EXCEPT AS PROHIBITED BY LAW, THE PARTIES SHALL, AND THEY HEREBY DO, EXPRESSLY WAIVE TRIAL BY JURY IN ANY LITIGATION ARISING OUT OF, OR CONNECTED WITH, OR RELATING TO, THE PLAN THIS AGREEMENT OR THE RELATIONSHIP CREATED HEREBY. THE PROVISIONS OF THIS ARTICLE SHALL SURVIVE THE CLOSING OF TITLE.

36. ENTIRE AGREEMENT. This Agreement together with the Plan constitutes the entire agreement between the parties and supersedes any and all understandings and agreements between the parties with respect to the subject matter hereof.

37. CERTAIN REFERENCES. A reference in this Agreement to any one gender, masculine, feminine or neuter, includes the other two, and the singular includes the plural, and vice versa, unless the context otherwise requires. The terms "herein," "hereof" or "hereunder" or similar terms used in this Agreement refer to this entire Agreement and not to the particular provision in which the term is used, unless the context otherwise requires. Unless otherwise stated, all references herein to Articles, Sections, subsections or other provisions are references to Articles, Sections, subsections or other provisions of this Agreement.

38. CAPTIONS. The captions in this Agreement are for convenience of reference only and in no way define, limit or describe the scope of this Agreement or the intent of any provision hereof.

39. RULE OF CONSTRUCTION. There shall be no presumption against the draftsman of this Agreement or the Plan.

40. SUCCESSORS AND ASSIGNS. The provisions of this Agreement shall bind and inure to the benefit of Purchaser and Purchaser's heirs, legal representatives, successors and permitted assigns and shall bind and inure to the benefit of Sponsor and its successors and assigns.

41. NO ORAL CHANGES. This Agreement cannot be changed or terminated and no provision waived orally. ANY CHANGES OR ADDITIONAL PROVISIONS MUST BE SET FORTH IN A RIDER ATTACHED HERETO OR IN A SEPARATE WRITTEN AGREEMENT SIGNED BY THE PARTIES HERETO OR BY AN AMENDMENT TO THE PLAN.

42. COUNTERPART SIGNATURES. This Agreement may be executed in any number of counterparts, any one of which shall constitute an original of this Agreement. When counterparts have been executed by all parties, they shall have the same effect as if the signatures to each counterpart were upon the same documents and shall be deemed valid as originals. The parties agree that all such signatures may be transferred to a single document upon the request of any party. This Agreement shall not be binding unless and until it shall be fully executed and delivered by all parties hereto.

43. LEAD-BASED PAINT DISCLOSURE. Annexed hereto and incorporated herein as Schedule B, is the "Disclosure of Information on Lead-Based Paint and/or Lead Based Paint Hazards" required to be executed pursuant to the provisions of Federal regulation.

IN WITNESS WHEREOF, the parties have executed this Agreement as of the date below.

1.0 Executive Summary

EMTEQUE Corporation has been retained to perform an asbestos survey at 82 Beaver Street in accordance with the requirements of Part 23 of Title 13 NYCRR, "Regulations Governing the Conversion of Occupied Residential Property to Condominium Ownership", which became effective in September 1988. Although this facility's prior use was as a commercial facility, these guidelines were employed during the survey as a result of the pending conversion of the facility to condominium. An initial asbestos inspection of the facility performed by EMTEQUE Corporation from April 26, 2004 through April 29, 2004 on floors 5, 7, 11, 12, 15, 16 and roof confirmed the presence of asbestos in the following materials:

Vinyl floor tiles and associated mastic (various types on several floors)
Window caulking
Waterproofing on coping stone (roof level)

Sample results have been included in Appendix A.

At the time of the initial inspection, these were the only vacant floors which were surveyed. The survey did not include any other areas of the building nor did it include mechanical spaces. Subsequent to the initial inspection, an abatement program was under taken which included the abatement of the vinyl floor tiles and mastic, and in some cases, asbestos-containing pipe and pipe fitting insulation on the above referenced floors. This work was performed by New York Insulation, an asbestos contractor duly licensed in the State of New York, from September 7, 2004 through October 3, 2004. The report detailing this work has been attached as Appendix B.

As part of the window replacement program at the time of this inspection, 90% of the old windows have been removed and replaced. Asbestos-containing window caulking remains associated with the windows in Stairwell "A". These windows are also scheduled for replacement.

With respect to the waterproofing material on the parapet wall, this material will be removed as part of the roof replacement program and the roof replacement is scheduled to occur within the next few months.

The balance of the areas and floors not previously inspected were inspected on May 19, 2005 and May 20, 2005. Results of this survey indicate the absence of any additional asbestos-containing materials other than those previously mentioned. Results of the more recent sampling event are located in Appendix A.

2.0 Methodology

Bulk samples of suspect asbestos-containing materials were collected and analyzed for asbestos content via Polarized Light Microscopy (PLM) with dispersion staining. In accordance with New York State Department of Health (NYSDOH) requirements, certain non-friable materials, which were analyzed and found to be negative for asbestos, have been further analyzed via Transmission Electron Microscopy (TEM) to confirm the negative PLM result. In some cases, PLM and/or TEM analysis may have confirmed the presence of asbestos in the vinyl floor tile adhesive, and on this basis, the associated vinyl floor finish is reported as an asbestos product.

Sample analysis has been subcontracted to a laboratory certified in accordance with NYSDOH, Environmental Laboratory Accreditation Program.

3.0 Results

Asbestos **has been confirmed to exist** in the following materials

Vinyl asbestos floor tile/mastic
Pipe and pipe fitting insulation (assumed)
Waterproofing on the coping stone capping parapet walls
Window caulking

Asbestos **was not detected** in the following materials

Plaster
Fireproofing
2' X 2' acoustical ceiling tile
Sheetrock
Cove base molding
12" X 12" acoustical ceiling tile
Roofing material
Roof flashing material
Select vinyl floor finishes
Paper on concrete deck
Waterproofing material on ground floor
Ash floor fill

Although select vinyl floor tile finishes did not contain asbestos, based on the majority of the tile samples being positive, all vinyl floor tiles were assumed asbestos-containing for the purposes of the abatement project. In many instances a non-asbestos floor tile has been installed on top of an asbestos-containing tile.

4.0 Observations

With the exception of the window caulking from the windows in Stairwell "A", asbestos-containing materials have been removed from floors 2 – 16. Asbestos waterproofing remains associated with the parapet wall coping stone. This material will be removed during a summer 2005 re-roofing project and it is the intent of the renovation program to remove windows in Stairwell "A". During a subsequent inspection, an asbestos-containing waterproofing material applied to the mezzanine floor was identified. This material is also scheduled for removal as part of the renovation.

Once this renovation work has been completed, all asbestos will be removed from all accessible and previously inaccessible areas. The removal of asbestos has been documented in the abatement reports.

5.0 Conclusions and Recommendations

Initial inspections of the building had been performed which identified asbestos-containing materials. For the most part, those materials were abated during interior demolition of the commercial floors. The majority of the windows have also been replaced eliminating the asbestos-containing caulking. The only asbestos known to exist in the facility at the time of the preparation of this report is the caulking associated with the Stairwell "A" windows and waterproofing on coping stone capping on the roof. Bother of these materials shall be removed during the renovation.

Re: Asbestos abatement, One Wall Street Court

EMTEQUE Corporation Project No. 04-1864

Dear Ms. Cate Springer,

EMTEQUE Corporation has been retained to monitor the removal of vinyl asbestos floor tile and mastic from the above referenced floors at One Wall Street Court, NYC, NY. The removal of asbestos containing materials was performed by New York Insulation September 7, 2004 through October 3, 2004.

The removal of vinyl asbestos floor tile was performed in accordance with requirements as outlined by the New York State Applicable Variance for floor tile and mastic removal. For compliance with the New York City Department of Environmental Protection, Asbestos Control Program, an ACP 5 form was issued and posted on site.

In accordance with the above referenced regulations, air monitoring has been performed by EMTEQUE Corporation and included the collection of air samples and subsequent analysis of those samples via Phase Contrast Microscopy (PCM), NIOSH Method 7400, both during and following abatement activities.

At the completion of abatement activities, and subsequent to a final visual inspection, final air clearance sampling was performed and revealed airborne fiber concentrations which were less than 0.010 fibers per cubic centimeter (f/cc), the generally accepted "clean air" standard. Air sample results along with daily construction logs have been attached for your review.

We appreciate this opportunity to work with Cocoa Partners LP on this project. Should you have any questions or require additional clarification, please feel free to contact me at your earliest convenience.

Sincerely,

Eric Telemaque
President

TIME	
6:00	I arrive on site 1 Wall St Court and see the workers. Empire Ed Sanitary up preparing to start tonight work. I don't see a supervisor yet. I set up my pumps and start my During Sample.
7:55	I finished setting up my pumps inside the designated area and start running them. The workers still don't have a supervisor here yet so I won't let them start any work. I also placed a pump inside the micro-trap hose.
7:10	The supervisor still haven't arrived yet workers are still sitting around waiting to continue prepping so they can start doing removal.
7:35	The supervisor has just arrived and now the workers will start and continue to prep the work area. My pumps are still running.
8:55	Workers are still doing prep. As I walk through the work area, I see that they are almost finished. I think they will start around around 10:30 or 11:00am tonight. The supervisor is inside the work area assisting them on how and where to cover/poly.
9:58	Jim about to change my cassettes for the last time tonight. I walk through the whole area and workers are still doing and continuing to prep the area. I'll change my cassettes and calibration for the remaining stage of tonight job. The supervisor is still inside the work area assisting with the prep work.
10:00	As I start to change my cassettes, all the workers have cleaned out of the work area for the ½ hour lunch break. I continue with my change of the cassettes and checking my calibration levels.
11:20	I just finished my pre-abatement inspection and they did critical all openings with 2 layers of poly and put weights on an air lock. Now they are standing around at this point in time.
12:30	I went inside work area and found workers preparing work using American water and wearing all protective suits.

The Supervisor tells me that an another shower in the deck because he has more than 8 men. I start at 7:00 now on my way to the lab to drop off these pulse samples and the background samples for the 15 floor.
8:30	The deck is noisy and the workers are still prepping the 15th

TIME	
4:55	I arrive at site to begin monitoring my post insp. the 15 floor test/job for setting up pumps so that I can be ready when the contractors are they come to at 6:00.
5:58	I always set up my 6 pumps down stairs on the 12 floor. So the contractor can start removal on the 12th floor while I run my post samples on the 15 floor. I'm always monitoring post insp. when those jobs are done. I'll take the five pumps I have there and bring down outside to run my outside samples.
7:30	I just finished my outside work area pumps on the 15 floor. I'll let them run for 2 hours then I'll be down with my post samples on the 15th floor. I'll take these samples to the lab in Queens so that we can have the results for tomorrow.
8:30	I just went inside the work area on the 12 floor and workers are performing wet, using water, following proper procedures.
9:45	All post on the 15th floor I'll remain. I'll wait until I change the cassettes at 10:30 to go to the lab to drop off my post cassette. Also workers take their break at that time.
10:45	I finished changing my cassettes on the 12th floor and workers finished their break. So now I'm on my way to the lab to drop off post samples from the 15 floor.
12:15	I'm back from the lab and workers are still doing removal on the 12 floor. I went through work areas and all is fine and safe work.
1:30	Workers are starting to finish up what time station they started back to the tail or the night TA is
2:15	I just finished collecting the samples and finishing my paperwork I'm now on my way to the lab.

5:30	I arrive on site and begin setting up my panels for tracing/strength work.
6:00	I start my panels and working suit up (2) and begin removing VAT for tracing the 12 Floor. I collect licenses for supervisor and sign my paperwork. I notify the supervisor that he has cleanout on the 15th Floor and that he can begin that floor only. He tells me, Hi Bossing out tonight and that the truck will be there at around 12 noon / 1 pm
7:15	I just did a walk through of the tracing work and am all I say well. workers are still removing, using water and following state procedures. The supervisor just sent 2 workers upstairs to begin breaking down the 15th Floor
8:30	workers are still doing removal I did my inspection to the ~~[illegible]~~ clutter my work area I'm ok
10:00	I put changes on my punch set of cobbles and workers are now taking them min-street break. I want them to work smart and they seem to be finishing with removal at least the VAT I'm up and down I see that they still need to do a lot of cleaning and bag-out.
11:30	The atc truck has arrived but workers are still doing double bagging I inspection work and am all I say well.
12:40	Bag out has begun. workers are now transporting bag from the 12 and 15 Floor to the 1st Floor where the atc is.
1:50	All bags are removed for the 12 and 15 Floor. I did my pre-post inspection on the 12 and contractor need to clean a little more on the floor.
2:20	I'm finish running cassette and the contractor has finished

6:00	I arrive on site and workers present already yet. So I station my people to take them to the 11th floor to run my Bacteria Samples. So that means that we can't start prepping the 11th floor Lecture until that the Breakroom Down to 12 the Superior then seen all his workers have vacated 21st for the Breakroom. So now they are only 4 workers in the Breakroom.
7:30	Workers are still Doing Breakroom. I so begin the work area and they still have a lot to Do.
8:00	Workers are still Doing Breakroom.
10:00	I Did my Sampling in the work area and all PI still going smoothly. Workers are still Breaking Down the 12th floor right now ~~[illegible]~~ everyone taking a ½ Break.
11:00	Workers Come Back from their Break at 10:30, I was talking to the Superior and he said He Keep on the west Deck and the Plaster Deck for the 11th floor. I mentioned the Fact and he's less than 50 feet for work area so it's legal.
12:30	Workers finish Breakroom and now all 4 are encapsulating the floor.
1:30	All encapsulation PI completed and everyone PI finishing work. I Did not have to run any Sample so I'm going home at 2:00.

Re: Asbestos Survey, One Wall Street Court
EMTEQUE Corporation Project No. 04-1864

Dear Ms. Springer,

EMTEQUE Corporation has been retained by Cocoa Partners, PL (by Realty Equity Partners, Inc. its Corporate General Partner), (Cocoa Partners), to perform a limited asbestos survey of the property located at One Wall Street Court. The survey was limited in its nature since only those floors which were vacant, along with the basement level and roof level were inspected. This summary has been presented, in lieu of a complete report, since it is anticipated that the preparation of design documents for asbestos abatement will follow.

In the execution of this survey, bulk samples have been collected of suspect asbestos containing materials by a licensed New York City Asbestos Investigator/New York State Inspector, Mr. Enayat Nassry from April 26th through April 29, 2004. Bulk samples have been submitted for analysis via Polarized Light Microscopy (PLM) with Dispersion Staining. In accordance with New York State Department of Health Environmental Laboratory Accreditation Program requirements, select samples, which tested negative for asbestos via PLM analysis, have also been tested via Transmission Electron Microscopy to confirm the negative PLM result.

In summary, it appears that asbestos exists primarily in the form of 9" x 9" vinyl floor tile (various types), window caulking and coping stone parapet wall joint caulking. In some cases, 12" X 12" vinyl floor tile also contained asbestos, and multiple layers of vinyl floor tile which contain asbestos, exist in select locations.

Vinyl asbestos floor tile quantities are summarized below:

5th floor – 5,000 square feet (2 layers), 9" X 9" vinyl floor tile
7th floor – 200 square feet, 12" X 12" vinyl floor tile and mastic
11th floor – 5,300 square feet 9" X 9" vinyl floor tile
12th floor – 7,200 square feet, 9" X 9" and 12" X 12" vinyl floor tile
15th floor – 7,000 square feet, 9" X 9" vinyl floor tile (2 layers)
16th floor – 5,000 square feet, 9" X 9" vinyl floor tile (2-3 layers)

Quantities of coping stone joint compound and window caulking have not been summarized. With your authorization, we will proceed with the next phase of work which will include the

Polarized Light Microscopy is not consistently reliable in detecting asbestos in floor coverings and similar non-friable organically bound materials. Quantitative transmission electron microscopy is currently the only method that can be used to determine if this material can be considered or treated as non-asbestos containing. The above report relates only to the items tested. This report may not be reproduced, except in full, without written approval by EMSL Analytical, Inc. The above test must not be used to claim product endorsement by NVLAP nor any agency of the United States Government.

Polarized Light Microscopy is not consistently reliable in detecting asbestos in floor coverings and similar non-friable organically bound materials. Quantitative transmission electron microscopy is currently the only method that can be used to determine if this material can be considered or treated as non-asbestos containing. The above report relates only to the items tested. This report may not be reproduced, except in full, without written approval by EMSL Analytical, Inc. The above test must not be used to claim product endorsement by NVLAP nor any agency of the United States Government.

Polarized Light Microscopy is not consistently reliable in detecting asbestos in floor coverings and similar non-friable organically bound materials. Quantitative transmission electron microscopy is currently the only method that can be used to determine if this material can be considered or treated as non-asbestos containing. The above report relates only to the items tested. This report may not be reproduced, except in full, without written approval by EMSL Analytical, Inc. The above test must not be used to claim product endorsement by NVLAP nor any agency of the United States Government.

Polarized Light Microscopy is not consistently reliable in detecting asbestos in floor coverings and similar non-friable organically bound materials. Quantitative transmission electron microscopy is currently the only method that can be used to determine if this material is considered or treated as non-asbestos containing. The above report relates only to the items tested. This report may not be reproduced, except in full, without written approval by EMSL Analytical, Inc. The above test must not be used to claim product endorsement by NVLAP nor any agency of the United States Government.

Polarized Light Microscopy is not consistently reliable in detecting asbestos in floor coverings and similar non-friable organically bound materials. Quantitative transmission electron microscopy is currently the only method that can be used to determine if this material can be considered or treated as non-asbestos containing. The above report relates only to the items tested. This report may not be reproduced, except in full, without written approval by EMSL Analytical, Inc. COVENANTS RUNNING WITH THE LAND

19.1 All provisions of this Declaration, the By-Laws and the Rules and Regulations which are annexed hereto and made a part hereof, including, without limitation, the provisions of this Article, shall to the extent applicable and unless otherwise expressly herein or therein provided to the contrary, be perpetual and be construed to be covenants running with the Land with every part thereof and interest therein, and all of the provisions hereof and thereof shall be binding upon and inure to the benefit of the owner of all or any part thereof, or interest therein, and such Unit Owner's heirs, executors, administrators, legal representatives, successors and assigns, but the same are not intended to create, nor shall they be construed as creating, any rights in or for the benefit of the general public or any other third party. All present and future owners, tenants, subtenants, licensees, and other occupants of Units shall be subject to and shall comply with the provisions of this Declaration, the By-Laws and the Rules and Regulations, as they may be amended from time to time. to each such provision as a covenant running with the Land. If any provision which is necessary to cause this Declaration and the By-Laws to be sufficient to submit the Property to the provisions of the Condominium Act is missing from this Declaration or the By-Laws, then such provision shall be deemed included as part of this Declaration or the By-Laws, as the case may be, for the purposes of submitting the Property to the provisions of the Condominium Act.

19.3 Subject to Section 19.2, if this Declaration and the By-Laws are insufficient to submit the Property to the provisions of the Condominium Act, the provisions of this Declaration and the By-Laws shall nevertheless be valid and binding upon and inure to the benefit of the owners of the Property, and their heirs, executors, administrators, legal representatives, successors and assigns, as covenants running with the Land and with every part thereof and interest therein under applicable Law to the extent permitted under such applicable Law with the same force and effect as if, immediately after the recording of this Declaration and the By-Laws, all Unit Owners had signed and recorded an instrument agreeing to each such provision as a covenant running with the Land.

ARTICLE 20

Nothing contained in this Section shall be construed to mean that the Common Interest appurtenant to any Unit not subject to any change may be reapportioned without the written consent of the Owner of such Unit.

20.4 Notwithstanding anything to the contrary set forth above (i) no amendment, modification, addition or deletion of the Declaration shall be effective in any way, (a) without the prior written consent of the affected Commercial Unit Owner(s) with respect to any amendment, modification, addition or deletion of or to the Declaration modifying the permitted uses of any Commercial Unit or affecting the rights, privileges, easements, licenses or exemptions granted to any Commercial Unit Owner and (ii) without the prior written consent of Declarant or its designee, as the case may be, with respect to any amendment, modification, addition or deletion of or to the Declaration modifying the permitted uses of the Building or any portion thereof or affecting the rights, privileges, easements, licenses or exemptions granted to Sponsor or its designee or the owner of any Unsold Residential Unit, as the case may be, or otherwise adversely affecting Declarant or its designee or the owner of any Unsold Residential Unit, as the case may be. GENERAL

1.1 **Purpose.** The purpose of these By-Laws is to set forth the rules and procedures concerning the conduct of the affairs of The Cocoa Exchange (the "Condominium"). The Condominium covers the property (the "Property") consisting of approximately 7,176 square feet of land (the "Land") which forms a part of Block 28 of Section ___ the Tax Map of the Borough of Manhattan, City, County and State of New York, the building and other improvements now or hereafter to be constructed thereon or therein, as the case may be (hereinafter collectively called the "Building"), including, without limitation, the Units and the Common Elements, all easements, rights and appurtenances belonging thereto, and all other property, real, personal or mixed, intended for use in connection therewith, all of which have been submitted to the provisions of Article 9-B of the Real Property Law of the State of New York by the recording of a Declaration (which, as the same may be amended from time to time, is herein called the "Declaration") in the New York County Office of the Register of The City of New York ("City Register's Office"), together with these By-Laws. All terms used herein which are not separately defined herein, shall have the meanings given to those terms in the Declaration or in Exhibit C thereto.

1.2 **Applicability of By-Laws.** These By-Laws are applicable to the Property and to the use and occupancy thereof. All present and future Unit Owners, mortgagees, lessees, sublessees and other occupants of Units and employees and guests of Unit Owners, as well as all other persons who may use the facilities of the Property, are and shall be subject to the Declaration, these By-Laws and the Rules and Regulations (as hereinafter defined). 1.3 **Principal Office of Condominium.** The principal office of the Condominium shall be located within the Property or at such other place within the Borough of Manhattan reasonably convenient thereto, as may be designated from time to time by the Condominium Board (as hereinafter defined).

ARTICLE 2

2.1 **Number, Term and Qualification.**

2.1.1 As more particularly set forth in Section 2.2, the affairs of the Condominium shall be governed by a board of managers of the Condominium (the "Condominium Board"), the affairs of the Residential Section shall be governed by a residential board of managers (the "Residential Board") and the affairs of the Commercial Section shall be

governed by a commercial board of managers (the "Commercial Board"). From and after the first annual meetings of Residential Unit Owners and Commercial Unit Owners as provided in Section 3.1, the Residential Board shall consist of five (5) persons elected by the Residential Unit Owners, subject to Declarant's rights under Section 3.9.3 and the Commercial Board shall consist of two (2) persons. There shall be no limit on the number of successive terms a Board member may serve.

2.1.3 Except for Board members elected or designated by Declarant or its designee (a) all members of the Residential Board shall be either Residential Unit Owners or officers, directors, shareholders, partners, principals, members, trustees, employees or beneficiaries of corporations, partnerships, limited liability companies fiduciaries or any other entities which own Residential Units, Permitted Mortgagees, or family members of any of the foregoing, and (b) all members of the Commercial Board shall be either a Commercial Unit Owner or officers, directors, shareholders, members, managers, shareholders, partners, principals, employees or beneficiaries of corporations, partnerships, fiduciaries or any other entities which may own a Commercial Unit or a managing agent for such Commercial Unit Owner or an employee thereof, Permitted Mortgagees of the Commercial Units, lessees of the Commercial Units or portions thereof, or family members of any of the foregoing. determinations which (i) relate to the Residential Section and adversely affect the Commercial Section, or (ii) relate to the Commercial Section and adversely affect the Residential Section, or (iii) relate to or affect the General Common Elements, shall be made by the Condominium Board. Any dispute between the Residential Board and the Commercial Board with respect to whether the Residential Board or the Commercial Board shall be entitled to make any determination shall be settled by Arbitration; provided, however, that no such dispute with respect to whether the determination of one adversely affects the other shall be deemed to exist unless the objecting party specifies the grounds for its objection in writing to the other party within ten (10) business days of receipt by it of notice of such determination. In addition, any dispute between the Residential Board and the Commercial Board with respect to whether any matter is entitled to be determined by the Condominium Board shall be settled by Arbitration, which Arbitration shall be determined on the basis of what is in the best interests of the Condominium.

2.3 **Managing Agents and Managers.** With respect to matters the determinations concerning which the Condominium Board is entitled to make, the Condominium Board may employ a managing agent and/or a manager at a compensation established by the Condominium Board to perform such duties and services as the Condominium Board shall authorize. 2.4 **First Board.** The Condominium Board shall initially consist of three (3) persons, two (2) of whom will comprise the initial Residential Board and one (1) of whom will comprise the initial Commercial Board. The foregoing members shall be deemed to have been "elected" as members of the Condominium Board for the purposes of these By-Laws. Within one (1) year after the date of the First Closing the Condominium Board will call for the first annual meetings of Residential Unit Owners and Commercial Unit Owners for the purpose of electing new Boards in accordance with the provisions of 3.1 of these By-Laws and subject to the rights of Declarant to designate certain members of the Residential Board as more particularly described in Section 3.9.3 of these By-Laws. The terms of each such member of the Residential Board and the Commercial Board shall expire annually. Notwithstanding the foregoing, for as long as Declarant has the voting power to elect all members of both the Residential Board and the Commercial Board, the Residential Board shall have three (3) members, the Commercial Board shall have two (2) members and the Condominium Board shall have five (5) members.

2.5 **Resignation and Removal.** Any Board member may resign at any time by written notice delivered or sent by certified mail, return receipt requested, to the Condominium Board. Notwithstanding the above, Board members designated by Declarant or its designee may only be removed by members other than Declarant or its designees with cause and such members shall be replaced as described in Section 2.6. In addition, any member of the Condominium Board who is designated as such by Declarant or its designee, may be removed by such designating party at any time, with or without cause, and the party making such removal shall have the right to designate the replacement for such member.

2.6 **Vacancies.** Subject to the provisions of Section 3.9.3, any vacancy on a Board for whatever reason shall be filled by the members of a Board then in office, at a special meeting of the Board held for that purpose promptly after the occurrence of any such vacancy even though the members present at such meeting may constitute less than a quorum, and any person so elected shall be a member of the Board until the next annual meeting of the Unit Owners when a successor shall be elected for the remainder of the term of the member creating such vacancy. Notwithstanding anything to the contrary contained in these By-Laws, in the case of a vacancy on a Board, created by the resignation, removal or any other cause which results in any Board member designated by Declarant or its designee, ceasing to be a member of any such Board, Declarant or its designee, as the case may be, shall have the sole right to designate a replacement for such member.

2.7 **Organizational Meetings of the Boards.** The first meetings of the Residential Board following each annual meeting of each of the Residential Unit Owners shall be held immediately following each such annual meeting.

2.8 **Regular Meetings of Boards.** Regular meetings of the Residential Board and Commercial Board may be held at such time and place in the Borough of Manhattan as shall be determined from time to time by a majority of the members thereof. Notice of regular meetings shall be given to each member thereof, by personal delivery, mail, facsimile or e-mail, at least five business days prior to the day named for such meeting.

2.9 **Special Meetings of Boards.** Special meetings of the Residential Board and Commercial Board may be called by the respective President or Vice President of the Residential Board or Commercial Board by giving five (5) business days' prior written notice to each member of such Board by personal delivery, mail, facsimile or e-mail, which notice shall state the time, place (in the Borough of Manhattan) and purpose of the meeting. Special meetings of the Residential Board or of the Commercial Board shall be called in like manner and on like notice on the written request of at least two (2) members of the Residential Board or one (1) member of the Commercial Board, respectively.

2.10 **Meetings of Condominium Board**. No organizational or regular meetings of the Condominium Board shall be held unless otherwise required by applicable law in which event such required meetings shall be held at such time and place in the Borough of Manhattan as shall be determined by the Condominium Board, provided that written notice thereof be given to Board members by personal delivery, mail, facsimile or e-mail at least five (5) business days prior to the day named for such meeting. Special meetings of the Condominium Board may be called by the President of the Condominium Board by giving five (5) business days' prior written notice to each

member of the Condominium Board by personal delivery, mail or telegram, which notice shall state the time, place (which shall be in the Borough of Manhattan) and purpose of the meeting.

2.11 **Resolutions of Boards.** The Residential Board and the Commercial Board shall each cause to be promptly delivered to the other copies of all resolutions adopted by it except to the extent (a) of matters privileged under applicable Law, (b) relating to the terms of the sale, leasing or subleasing of any Unit or portion of any Unit, other than the nature of the use thereof, and (c) relating to matters not related to the Property.

2.12 **Waiver of Notice.** Any Board member may at any time waive notice of any Board meeting in writing and such waiver shall be deemed equivalent to the giving of such notice. Attendance by a member of a Board at any meeting thereof shall constitute a waiver of notice by him of the time and place thereof. If all the members are present at any meeting of a Board, no notice shall be required and any business may be transacted at such meeting.

2.13 **Determinations by Board; Quorums.**

2.13.1 Except as otherwise set forth in 2.13.4, all determinations by any Board shall be made at a meeting of such Board at which a quorum thereof is present. At any Commercial, Condominium, or Residential Board meeting, a majority of the members thereof shall constitute a quorum, and the votes of a majority of such members present shall constitute the decision of such Board.

2.13.2 When the Residential Board and the Commercial Board, with each acting in accordance with the provisions of this Article 2, have made the same determination as to any matter which is required or permitted to be determined by the Condominium Board, such determination shall constitute the determination of the Condominium Board. No meeting of the Condominium Board as such shall be necessary for any determination by it to be made. However, in the event any meeting of the Condominium Board is held, a majority of the members of the Condominium Board shall constitute a quorum for the transaction of business and a majority of the votes cast at any meeting at which a quorum is present shall constitute the decision of such Board.

2.13.3 If at a Condominium Board meeting there is less than a quorum present, a majority of those present may adjourn the meeting from time to time. At any such adjourned meeting at which a quorum is present, any business which might have been transacted at the meeting originally called may be transacted without further notice.

2.13.4 Members of the Condominium Board may participate in a meeting thereof by means of a conference telephone or similar communications equipment by means of which all persons participating in such meeting can hear each other and such participation shall constitute presence at such meeting. Notwithstanding anything to the contrary contained herein, any action permitted or required to be taken at a meeting of the Condominium Board may be taken without a meeting if all members of such Board consent in writing to the adoption of a Resolution authorizing such action and the writing or writings are filed with the minutes of such Board.

2.14 **Compensation.** No member of the Condominium Board shall receive any compensation for acting as such.

2.15 **Liability of Boards and Unit Owners.**

2.15.1 To the extent permitted by applicable Law, no member of the Condominium Board shall have any personal liability with respect to any contract, act or omission of the Condominium Board or of any managing agent or manager in connection with the affairs or operation of the Condominium, the Commercial Section, or the Residential Section (except in their capacities as Unit Owners) and the liability of any Unit Owner with respect thereto shall be limited as hereinafter set forth. Every contract made by the Condominium Board or by any managing agent or manager thereof shall state or be deemed to state that it is made by such Board, managing agent or manager only as agent for all Unit Owners, Residential Unit Owners, or Commercial Unit Owners, as the case may be, that such Board members or managing agent or manager shall have no personal liability thereon (except in their capacities as Unit Owners) and shall also state the applicable limitations of liability of Unit Owners provided for in the next sentence. The liability of any Unit Owner with respect to any contract, act or omission with respect to the Condominium or the Residential or Commercial Section, as the case may be, shall be limited to such proportionate share of the total liability as the interest of such Unit Owner bears to the aggregate Common Interests of all Unit Owners, Residential Unit Owners, or Commercial Unit Owners, as the case may be, and, unless expressly stated to the contrary in such contract (as determined by the relevant Board in its sole and absolute discretion), to the extent permitted by applicable Law, shall be limited to such Unit Owner's interest in such Unit Owner's Unit and such Unit Owner's appurtenant Common Interest so that such Unit Owner shall have no personal liability for such contract, act or omission. Nothing in the preceding sentence shall limit a Unit Owner's liability for the payment of Common Charges. Any such contract or agreement may also provide that it covers the assets, if any, of the Board on whose behalf the contract or agreement is made. Board members shall have no liability to Unit Owners except that a Board member shall be liable for such member's own bad faith or willful misconduct. All Unit Owners shall severally, to the extent of their respective interests in their Units and their appurtenant Common Interests, indemnify each Condominium Board member and each Residential or Commercial Board member, as the case may be, against any liability or claim except those arising out of such member's own bad faith or willful misconduct. The Condominium Board may contract or effect any transaction with any Board member, any Unit Owner, Declarant, Declarant's designee or any affiliate of any of them without, except in cases of bad faith or willful misconduct, incurring any liability for self-dealing.

2.15.2 No Board or any member thereof shall be liable for either (i) any failure or interruption of any utility or other service to be obtained by, or on behalf of, such Board or to be paid for as a Common Expense, except when any such failure or interruption is caused by the acts of bad faith or willful misconduct of such Board or any member thereof; or (ii) any injury, loss or damage to any individual or property, occurring in or about either a Unit or any General or Limited Common Element.

2.16 **Fidelity Bonds.** Each Board shall obtain or ensure maintenance of fidelity bonds or insurance, in amounts deemed appropriate by it, for all of its members, officers and employees and for the managing agent or manager, if any, employed by it and the premiums on such bonds or insurance shall constitute General Common Expenses, Commercial Common Expenses, or Residential Common Expenses, as the case may be.

2.17 **Committees.** Each Board may, subject to such limitations and exceptions as such Board may prescribe, appoint an Executive Committee and such other committees as such Board may deem appropriate, each to consist of as many members as such Board shall deem appropriate for the purpose of making such reports and studies as each such Board deems appropriate. Any Executive Committee of the Condominium Board shall be required to consist of at least one (1) member of the Residential Board and one (1) member of the Commercial Board. For so long as Declarant is entitled to designate members to the Condominium Board, any committee appointed by any such Board shall have as at least one (1) of its members a member appointed by Declarant.

2.18 **Principal Offices of Boards.** The principal offices of the Boards shall each be located within the Property or at such other place in the Borough of Manhattan reasonably convenient thereto as may be designated from time to time by such Boards.

2.19 **Status of Boards.** In addition to the status conferred upon each of the Boards under or pursuant to the provisions of the Condominium Act, each of the Boards shall, to the extent permitted by applicable Law, be deemed to constitute a separate association for all purposes under and pursuant to the provisions of the General Associations Law of the State of New York. In the event of the incorporation of any of the Boards pursuant to the provisions of 2.20, the provisions of this Section 2.19 shall no longer be applicable to such Board.

2.20 **Incorporation of Boards.** To the extent and in the manner provided in the Condominium Act, each of the Boards may by action of such Board as provided in this Article 2, be incorporated under the applicable statutes of the State of New York. In the event that the Condominium Board so incorporates, it shall have, to the extent permitted by applicable Law, the status conferred upon it under such statutes in addition to the status conferred upon such Board under or pursuant to the provisions of the Condominium Act. The certificate of incorporation and by-laws of any such resulting corporation shall conform as closely as practicable to the provisions of the Declaration and these By-Laws and the provisions of the Declaration and these By-Laws shall control in the event of any inconsistency or conflict between the provisions hereof and the provisions of such certificate of incorporation and by-laws.

2.21 **Boards as Agents of Unit Owners.** In exercising their respective powers and performing their respective duties under the Declaration and these By-Laws, each Board shall act in good faith as, and shall be, the agent of the Unit Owners such Board represents, subject to and in accordance with the provisions of the Declaration and these By-Laws.

The members of the Residential Board shall also serve as members of the Condominium Board. No joint annual meeting of Residential Unit Owners and the Commercial Unit Owners shall be required to be held unless otherwise required by Law, in which event each such joint annual meeting shall be held on the date above specified for the annual meeting of Residential Unit Owners.

3.2 **Place of Meetings.** Meetings of all or any Unit Owners, Residential Unit Owners or Commercial Unit Owners, as the case may be, shall be held at the principal office of the Condominium or the Residential or Commercial Section, respectively, or, at such other suitable and convenient place in the Borough of Manhattan, as may be designated by the appropriate Board.

3.3 **Special Meetings.** The President of the Residential or Commercial Board shall call a special meeting of respective Unit Owners, if so directed by resolution of the respective Board or upon a petition signed and presented to the Secretary of the respective Section by not less than twenty-five percent (25%) in Common Interest of Unit Owners in such Section. The President and the Vice President of the Condominium shall call a special joint meeting of all Unit Owners if so directed by resolution of the Condominium Board or upon a petition signed and presented to the Secretary of the Condominium by not less than twenty-five percent (25%) in Common Interest of Residential Unit Owners or 66-2/3% in Common Interest of Commercial Unit Owners.

3.4 **Notice of Meetings and Actions Taken.** Notice of each annual or special meeting shall be given by the appropriate Secretary to all Unit Owners of record entitled to vote thereat as of the date of said notice. Each such notice shall state the purposes of the meeting and the time and place where it is to be held and no business shall be transacted thereat except as stated in the notice. All notices hereunder shall be given by personal delivery, regular mail, recognized overnight courier or telegram, at least ten (10) but no more than thirty (30) business days prior to the day named for the meeting and shall be given or sent to the Unit Owners entitled to receive same at their address at the Property or at such other address at the Property or

elsewhere as any Unit Owner has designated by notice in writing to the appropriate Secretary at least ten (10) days prior to the giving of notice of the applicable meeting. However, if the business to be conducted at any meeting of the Unit Owners shall include consideration of a proposed amendment to the Declaration or to these By-Laws, the notice of such meeting shall be given to all Unit Owners as provided above at least thirty (30) days prior to the day fixed for such meeting, and such notice shall be accompanied by a copy of the text of such proposed amendment.

3.5 **Adjournment of Meetings.** If any joint or separate meeting of Unit Owners cannot be held because a quorum is not present, a majority of Unit Owners who are present at such meeting, either in person or by proxy, may adjourn the meeting to a time not less than forty-eight (48) hours from the time fixed for the original meeting.

3.6 **Order of Business.** The order of business at all joint or separate meetings of Unit Owners shall be as follows:

(a) Call to order;
(b) Roll call;
(c) Proof of notice of meeting;
(d) Reading of minutes of preceding meeting;
(e) Reports of officers;
(f) Reports of members of the Board;
(g) Reports of committees;
(h) Election of inspectors of election (when so required);
(i) Election of members of the Board (when so required);
(j) Unfinished business;
(k) New business; and
(l) Adjournment.

3.7 **Title to Units.** Title to Units may be taken by any individual, corporation, partnership, association, limited liability company, trust or other entity, or any two (2) or more of such owners as joint tenants, tenants in common or tenants by the entirety, as may be appropriate, but not as owners in severalty.

3.8 **Voting.**

3.8.1 Each Unit Owner or a person designated by such Unit Owner to act as proxy on such Unit Owner's behalf and who need not be a Unit Owner, shall be entitled to cast the votes appurtenant to such Unit as set forth herein and in the Declaration at all meetings of Residential Unit Owners or Commercial Unit Owners and at all joint meetings of Unit Owners. The designation of any such proxy shall be made in writing to the Secretary of the appropriate Board and shall be revocable at any time by written notice to such Secretary by the Unit Owner so designating; provided, however, that no designation to act as a proxy shall be effective for a period in excess of six (6) months except a designation of a Permitted Mortgagee to act as the proxy of its mortgagor. A fiduciary shall be the voting member with respect to any Unit owned in a fiduciary capacity. No Board or its designee shall be entitled to vote the interest appurtenant

to any Unit owned by such Board and the Common Interest of such Unit shall be excluded from the total Common Interests when computing the interest of Unit Owners for voting purposes.

3.8.2 Except as otherwise set forth herein or in the Declaration, at all meetings of Unit Owners, each Unit Owner (or such Unit Owner's proxy) entitled to vote thereat (including Declarant with respect to Units owned by Declarant or its designee) shall be entitled to cast one vote for each .0001% (rounded off to the nearest .0001%) of Common Interest attributable to such Unit Owner's Unit.

3.8.3 Whenever a particular percentage of Common Interest must be reached for voting purposes and such required percentage is in terms of the Residential Unit Owners, as a group, or the Commercial Unit Owners as a group (as opposed to all Unit Owners as a whole), such required percentage shall mean a percentage in terms of total Common Interests attributable to that particular group and not the percentage of Common Interests attributable to all Unit Owners.

3.8.4 Notwithstanding anything to the contrary set forth above, Unit Owners may vote to amend the Declaration and these By-Laws pursuant to Article 20 of the Declaration and Article 13 of these By-Laws, without a meeting, provided that such Unit Owners receive no less than thirty (30) days notification of such proposed amendment from the Condominium Board, the Residential Board or the Commercial Board as the case may be, together with a copy of the text of such proposed amendment and a proxy with respect to such vote.

3.9 **Election of Board Members; Rights of Declarant.**

3.9.1 All elections of Board members shall be determined by plurality vote.

3.9.2 When voting for members of the Residential or Commercial Board, respectively, the voting shall be by ballot and each ballot shall state the name of the Unit Owner voting and the percentage of Common Interests owned by such Unit Owner, and in addition, the name of the proxy if such ballot is cast by a proxy. Each Unit Owner shall be entitled to cast the number of votes determined in accordance with Section 3.8.2 for each member to be elected by the Unit Owners. Nothing contained in these By-Laws shall be deemed to permit cumulative voting.

3.9.3 Notwithstanding any other provision of this Section 3.9 or any other provision of these By-Laws to the contrary, commencing with the first annual meeting of Residential Unit Owners, Declarant shall have the right to vote all of the Common Interests attributable to Unsold Units owned by it until Declarant has closed title to all of the Unsold Units owned by it. Declarant shall hold a majority of seats on the Residential Board and the Condominium Board until the later to occur of (i) five (5) years from the date of the First Closing or (ii) that date upon which the votes cast at any election of Residential Board members constitute less than a majority of the votes cast for Declarant's nominees at such meeting (the "Initial Control Period"). Any vacancy created by removal of a Board member designated by Declarant, or by any other cause which results in a Board member designated by Declarant ceasing to be a member of the Board, shall be filled by a person designated by Declarant. In addition, for so long as Declarant owns at least one (1) of the Unsold Residential Units Declarant

shall have the right to designate at least one (1) member of the Residential Board who shall also sit on the Condominium Board. For so long as Declarant owns at least two (2) of the Unsold Residential Units the number of members of the Residential Board may not be increased without the consent of Declarant. Within ten (10) days after the Initial Control Period, one (1) of the Declarant designated members of the Residential Board shall resign and in such event a Residential Unit Owner meeting will be held to elect a new board member unrelated to the Declarant within thirty (30) days after the expiration of the Initial Control Period.

3.9.4 Nothing contained herein shall be deemed to limit the right of Declarant to cast its votes for individuals nominated to the Residential Board who are not nominated or designated by Declarant, which individuals, if elected, shall not be deemed Declarant nominees or designees and shall not be deemed to cause Declarant to control either the Condominium Board or the Residential Board.

3.9.5 Until Declarant and the owner of any Unsold Residential Units have conveyed title to all Residential Units, but in no event later than five (5) years after the First Closing, the Condominium Board or the Residential Board may not take any of the following actions without Declarant's prior written consent: (a) make any addition, alteration or improvement to the Common Elements or to any Unit, or (b) assess any General Common Charges, or Residential Common Charges for the creation of, addition to or replacement of all or part of a working capital, reserve, contingency or surplus fund, or (c) increase or decrease the number, or change the kind of, employees referred to in the Plan, or (d) enter into any service or Maintenance contract for work not covered by contracts in existence on the date of the First Closing or otherwise provide services in excess of those referred to in the Plan, except as is required to reflect normal annual increases in operating services, or (e) borrow money on behalf of the Condominium, or the Residential Section, or (f) exercise a right of first refusal to lease or purchase a Residential Unit; provided, however, that Declarant's written consent is not necessary to perform any function or take any action described in clauses (a) through (f) above, if the performance of such function or the carrying out of such an action is necessary to enable the Condominium Board or the Residential Board to comply with Laws of any governmental authority having jurisdiction over the Condominium.

3.9.6 Notwithstanding anything to the contrary set forth above, if required under the terms of any Permitted Mortgage held by Declarant or a Commercial Unit Owner, in the event of a default under such Permitted Mortgage, the Permitted Mortgagee will be entitled to designate, remove or replace the members of the Boards whose Units are subject to the lien of said Permitted.

3.10 **Majority of Unit Owners.** Except as may otherwise be provided by Law, as used in these By-Laws, the terms "Majority of Residential Unit Owners," "Majority of Commercial Unit Owners" and "Majority of Unit Owners" means either those Residential Unit Owners, Commercial Unit Owners, or Unit Owners, as the case may be, having more than fifty percent (50%) of the total votes cast (in person or by proxy) at any meeting at which a quorum is present of either Residential Unit Owners, Commercial Unit Owners, or all Unit Owners, as the case may be, determined in accordance with the provisions of 3.8.

3.11 **Quorum.** Except as otherwise provided in these By-Laws, the presence in person or by proxy of (a) Residential Unit Owners owning more than thirty percent (30%) of the Common Interests attributable to all Residential Units shall constitute a quorum at all meetings of Residential Unit Owners, (b) Commercial Unit Owners owning more than fifty percent (50%) of the Common Interests attributable to all Commercial Unit Owners shall constitute a quorum at all meetings of Commercial Unit Owners, and (c) Unit Owners owning more than fifty percent (50%) of the Common Interests attributable to all Units shall constitute a quorum at all joint meetings of Unit Owners, except that the Commercial Board shall have the absolute right to require an adjournment of such joint meetings for not longer than thirty (30) days unless an Emergency exists.

3.12 **Majority Vote.** Except where otherwise provided by Law, the Declaration or these By-Laws, (a) at all separate meetings of Residential Unit Owners, the affirmative vote of a Majority of Residential Unit Owners shall be binding upon all Residential Unit Owners for all purposes, (b) at all separate meetings of Commercial Unit Owners, the affirmative vote of a Majority of Commercial Unit Owners shall be binding upon all Commercial Unit Owners for all purposes, and (c) at all joint meetings of Unit Owners, the affirmative vote of a Majority of Unit Owners shall be binding upon all Unit Owners for all purposes.

3.13 **Determination of Unit Owners.** When the Residential Unit Owners and Commercial Unit Owners, with each acting separately in accordance with the provisions of this Article 3, have made the same determination as to any matter which is required or permitted to be determined by all Unit Owners, such determination shall constitute the determination of all Unit Owners. No joint meeting of Residential Unit Owners and the Commercial Unit Owners shall be necessary for any such determination to be made by all Unit Owners. Notwithstanding anything to the contrary set forth herein as to any matter as to which the Residential Unit Owners or Commercial Unit Owners are permitted or required to act at any meeting of such Unit Owners, such action may be taken without a meeting if the requisite number of such Unit Owners, in number and Common Interest, consent in writing (by proxy or otherwise) to such action and the writing or writings are filed with the minutes of such Board.

ARTICLE 4

If both the President and the Vice President of the Residential Board, the Commercial Board, or the Condominium Board are unable to act, the Board under whom such President and Vice President serves shall appoint some member of such Board to act in the place of such President and Vice President on an interim basis. Each Vice President shall also perform such other duties as shall from time to time be imposed upon him by the Board or by the President under whom such Vice President serves.

4.6 **Secretaries.** The Secretary of the Condominium shall keep the minutes of all joint meetings of Unit Owners and of the Condominium Board. The Secretary of the Residential Section shall keep the minutes of the meetings of the Residential Board and Residential Unit

ARTICLE 6

OPERATION OF THE PROPERTY

6.1 Determination of Common Expenses and Fixing of Common Charges.

6.1.1 Except as otherwise provided herein the General Common Expenses (as hereinafter defined) shall be determined by the Condominium Board as set forth below, and shall be borne by the Residential Board and the Commercial Board. General Common Expenses shall be defined to include the following: (i) all costs and expenses attributable to the Maintenance and operation of, and any alteration, addition or improvement to, the Common Elements, (ii) all such other items provided for in the Declaration or these By-Laws to be General Common Expenses and (iii) such amounts as the Condominium Board may deem proper for a general operating reserve or for a reserve for working capital or for replacements with respect to the General Common Elements. The Condominium Board shall from time to time and at least annually prepare a budget to meet General Common Expenses and shall allocate and assess to the Residential Unit Owners and the Commercial Unit Owners, pro rata in accordance with the aggregate respective Common Interests of the Residential Unit Owners and Commercial Unit Owners (except as otherwise provided in the Declaration or these By-Laws or to the extent a different method of allocation is described in Schedule B, Projected Budget for First Year of Condominium Operation), charges as set forth in the Plan ("General Common Charges") to meet General Common Expenses. General Common Charges shall also be deemed to include any special assessment imposed by the Condominium Board on Unit Owners. In addition to basing charges on Common Interests, the Condominium Board may also make allocations and assessments of General Common Expenses in accordance with submetering, contract allocations and usage (both projected and actual) so long as such allocations are reasonable under the circumstances and are in accordance with applicable provisions of the Law. Notwithstanding anything to the contrary set forth above, the Condominium Board may not modify its method of allocations and assessments or increase the number of building employees servicing the Commercial Units or categories of services, utilities or supplies provided to the Commercial Units in such a manner as would increase the Common Charges otherwise payable by the Commercial Unit Owners, without the consent of the Commercial Unit Owners.

6.1.2 Except as otherwise provided herein Residential Common Expenses (as hereinafter defined) shall be determined exclusively by the Residential Board and shall be borne solely by the Residential Unit Owners in proportion to their respective Common Interests. Residential Common Expenses shall be defined to include the following (i) all costs and expenses in connection with the Maintenance and operation of and any alteration, addition or improvement to, Residential Common Elements or the Residential Limited Common Elements, (ii) such amounts as the Residential Board may deem proper for a general operating reserve or for a reserve for working capital or for replacements with respect to the Residential Common Elements or the Residential Limited Common Elements (including without limitation the rental

or purchase of an apartment to be used as the residence of the Building resident manager and all costs and expenses associated therewith) and (iii) all such other items provided for in the Declaration or these By-Laws to be Residential Common Expenses. Notwithstanding anything to the contrary in this Section 6.1.2, if a Residential Common Element or Residential Limited Common Element benefits only certain Residential Unit Owners, then the costs of operation, alteration, addition, repair, replacement and restoration thereto (except in connection with a casualty or condemnation) shall be borne solely by those Unit Owners who benefit from the Residential Common Element or Residential Limited Common Element in the proportion that the Common Interest of each benefiting Residential Unit Owner bears to the Common Interest of all benefiting Residential Unit Owners. In addition, except as otherwise provided in the By-Laws, such Unit Owners shall be responsible for the normal operation and Maintenance and repair, including but not limited to the cost of staff necessary for such operation and maintenance of any such Residential Common Element or Residential Limited Common Element at their sole cost and expense. The Residential Board shall from time to time and at least annually prepare a budget to meet Residential Common Expenses and shall allocate and assess to the Residential Unit Owners, pro rata in accordance with their respective Common Interests (except as otherwise provided in the Declaration or these By-Laws), charges ("Residential Common Charges") to meet (a) Residential Common Expenses and (b) the Residential Unit Owners' pro rata share of General Common Charges. Residential Common Charges shall also be deemed to include any special assessment imposed by the Residential Board on Residential Unit Owners. From time to time the Residential Board may increase or decrease the amount of Residential Common Charges payable for a fiscal year or any portion thereof to meet a revised estimate or determination of Residential Common Expenses for such fiscal year or any portion thereof. During the Condominium's initial two (2) fiscal years but not thereafter, the Residential Board's authority shall include the right to base the amount of Residential Common Charges on actual costs and expenditures and/or to make retroactive adjustments to the amount of Residential Common Charges payable by Residential Unit Owners for any period to reflect actual operating costs for such period. In addition to basing charges on Common Interests, the Residential Board may also make allocations and assessments of Residential Common Expenses in accordance with submetering, contract allocations and usage (both projected and actual) so long as such allocations are reasonable under the circumstances and are in accordance with applicable provisions of Law. The Residential Board shall advise all Residential Unit Owners promptly in writing of the amount of Residential Common Charges payable by each of them and shall furnish copies of each annual budget to all Residential Unit Owners at least five (5) days prior to the adoption thereof and provide a copy to Permitted Mortgagees upon request therefor. In the event that the annual receipts levied against Unit Owners exceed the actual expenses less income from sources other than Unit Owners for that period accounted for on an accrual basis, the receipts from Unit Owners over and above such amount may be rebated to the Unit Owners by the Condominium Board in proportion to each Unit's percentage of Common Interest. Rebates, if any, attributable to Units purchased from Declarant during the first year of condominium operation will be distributed by the Condominium Board to Declarant and the Residential Unit Owner(s) in proportion to the amount of time Declarant and each Residential Unit Owner owned such Unit.

6.1.3 Except as otherwise provided herein, all costs and expenses in connection with the Maintenance and operation of, Commercial Common Elements or Commercial Limited Common Elements ("Commercial Common Expenses") shall be determined by the Commercial

Board and shall be borne solely by the Commercial Unit Owners. Notwithstanding anything to the contrary in this Section 6.1.3, if a Commercial Common Element or Commercial Limited Common Element benefits only certain Commercial Unit Owners, then the Commercial Section's costs of alteration, addition, repair, replacement and restoration thereto (except in connection with a casualty or condemnation) shall be borne solely by those Commercial Unit Owners who benefit from the Commercial Common Element or Limited Common Element in the proportion that the Common Interest of each benefiting Commercial Unit Owner bears to the Common Interest of all benefiting Commercial Unit Owners. In addition, except as otherwise provided in the By-Laws, such Commercial Unit Owners shall be responsible for the normal operation and Maintenance, including but not limited to the cost of staff necessary for such operation and Maintenance, of any such Commercial Common Element or Commercial Limited Common Element at their sole cost and expense. Commercial Common Expenses shall also include such amounts as the Commercial Board may deem proper for a general operating reserve or for a reserve for working capital or for replacements with respect to the Commercial Common Elements, and such amounts, determined by the Commercial Board as may be required for the purchase, lease or sublease by the Commercial Board or its designee, corporate or otherwise, on behalf of all Commercial Unit Owners, of any portion of a Commercial Unit whose owner has elected to sell, lease, transfer or convey such portion of the Unit or which is to be sold at a foreclosure or other sale. Commercial Common Expenses shall also include all such other items provided for in the Declaration or these By-Laws to be Commercial Common Expenses. The Commercial Board shall from time to time and at least annually prepare a budget to meet Commercial Common Expenses and shall allocate and assess to the Commercial Unit Owners, pro rata in accordance with their respective Common Interests (except as otherwise provided in the Declaration or these By-Laws), charges ("Commercial Common Charges") to meet (a) Commercial Common Expenses, and (b) the Commercial Unit Owners' pro rata share of General Common Charges. Such budgets shall include such amounts for reserves as the Commercial Board deems appropriate. In addition to basing charges on Common Interests, the Commercial Board may also make allocations and assessments of Commercial Common Expenses in accordance with sub-metering, contract allocations and usage (both projected and actual) so long as such allocations are reasonable under the circumstances and are in accordance with applicable provisions of Law. The Commercial Board shall advise all Commercial Unit Owners promptly in writing of the amount of Commercial Common Charges payable by each of them and shall furnish copies of each budget on which such Commercial Common Charges are based to all Commercial Unit Owners at least five (5) days prior to the adoption thereof and provide a copy to Permitted Mortgagees upon request therefor.

6.1.4 The excess of all rents, profits and revenues derived from the rental or use of any space or facility forming part of or included in any General Common Element remaining after the deduction of any non-capital expenses paid or incurred in connection therewith shall be collected by the Condominium Board as agent for and on behalf of the Unit Owners, or forming a part of or included in any Residential or Commercial Common Element remaining after the deduction of any non-capital expenses paid or incurred in connection therewith shall be collected by (i) the Residential Board if a Residential Common Element is involved, as agent for and on behalf of the Residential Unit Owners or (ii) the Commercial Board if a Commercial Common Element is involved, as agent for an on behalf of the Commercial Unit Owners. Notwithstanding any provision contained in these By-Laws or in the Declaration to the contrary, in no event shall any rent, profit or revenue derived from the rental or use of any space in the Building be deemed

to be derived from the rental or use of any floor slabs, ceilings or walls delineating or enclosing such space or the incidental use of any portion of any Common Elements appurtenant to such space.

6.1.5 Common Expenses shall include real estate taxes on the Property until the Units are separately assessed.

6.1.6 Notwithstanding anything to the contrary herein, no part of the net earning of the Condominium may inure (other than by acquiring, constructing, or providing management, Maintenance, and care of association property, and other than by a rebate of excess membership dues, fees, or assessments) to the benefit of any Unit Owner or individual.

6.2 **Insurance.**

6.2.1 The Condominium Board shall be required to obtain and maintain to the extent obtainable the following insurance: (a) property insurance with all risk extended coverage, vandalism and malicious mischief endorsements and increased cost of construction endorsements, insuring the entire Building (other than the Units and all fixtures, furniture, furnishings or other personal property contained in such Units), together with all service machinery contained therein and covering the interests of the Condominium, each of the Boards and all Unit Owners and their Permitted Mortgagees, as their respective interests may appear, in an amount equal to the full replacement value of the Building (exclusive of foundation and footings and, at the election of the Condominium Board in its sole and absolute discretion, terrorism insurance), said policies shall contain a New York standard mortgagee clause in favor of each Permitted Mortgagee which shall provide that the loss, if any, thereunder shall be payable to such Permitted Mortgagee as its interest may appear, subject however, to the loss payment provisions hereinafter set forth; (b) rent insurance in an amount equal to Common Charges for one year; (c) worker's compensation and New York State disability benefits insurance; (d) boiler and machinery insurance; (e) plate glass insurance to the extent, if any, determined by the Condominium Board; (f) water damage insurance to the extent, if any, determined by the Condominium Board; (g) elevator liability and collision insurance; (h) fidelity insurance covering all Boards and all officers, directors, managing agents and employees of the Condominium, the Residential Section, and the Commercial Section; (i) directors and officers liability insurance; and (j) such other insurance as the Condominium Board may determine. The premiums for all insurance referred to above shall be a General Common Expense.

6.2.2 All such policies shall provide that adjustment of loss shall be made exclusively by (a) the Residential Board if the loss involves only the Residential Section, (b) the Commercial Board if the loss involves only the Commercial Section, (c) the Condominium Board if the loss involves both the Residential Section and the Commercial Section, or the General Common Elements. Insurance proceeds with respect to any loss shall be payable to the Board entitled to adjust such loss, as aforesaid, except that the proceeds of all policies of physical damage insurance, if in excess of $1,000,000, shall be payable to a New York City bank or trust company designated by the Condominium Board as Insurance Trustee (as hereinafter defined) pursuant to the provisions of Section 12.5. Notwithstanding anything to the contrary set forth above, to the extent required under the Permitted Mortgage, a Permitted Mortgagee holding such Permitted Mortgage secured by a Commercial Unit will have the right to participate in any

adjustments regarding loss or damage to the General Common Elements and the Commercial Section and no such adjustment will be made without the consent of such Permitted Mortgagee. Any dispute between or among the Boards under this Subsection 6.2.2 shall be determined by Arbitration.

6.2.3 All policies of physical damage insurance shall contain, to the extent obtainable, waivers of subrogation and waivers of any defense based on (i) co-insurance, (ii) other insurance, (iii) invalidity arising from any acts of the insured, or (iv) pro rata reduction of liability, and shall provide that such policies may not be canceled or substantially modified without at least ten (10) days' prior written notice to all of the insureds, including all Unit Owners and Permitted Mortgagees. The Boards and all Unit Owners hereby waive their subrogation rights.

6.2.4 Except for Workers Compensation and New York Statutory Disability Insurance coverages the Boards and the Unit Owners each agree that they shall make no claim for recovery against each other for damages to or loss of the demised premises or improvements and betterments thereon, and injury or damage arising out of operations if such damage injury or loss is covered by valid and collectible insurance protecting the Boards and the Unit Owners and which contains a clause permitting the insured to waive such rights prior to the occurrence of a loss. Such waiver of subrogation shall apply to all stated insurance coverages herein. The Boards and each Unit Owner, by acceptance of a deed for a Unit, shall be deemed to have waived their rights of subrogation.

6.2.5 The Condominium Board shall also be required to obtain and maintain, comprehensive general liability insurance against claims for personal injury, death or property damage occurring upon, in or about the Property, in such limits as such Board may from time to time determine, covering (i) each Board, the managing agent or agents thereof, each Board member, and each officer and employee of the Condominium and Residential and Commercial Section, (ii) the Commercial Unit Owners, all officers, directors and employees thereof, and its managing agent or agents and each Residential Unit Owner, except that such policy will not cover liability of a Unit Owner arising from occurrences within such Unit Owner's own Unit or within the Limited Common Elements, if any, appurtenant to such Unit Owner's Unit. The Condominium Board shall review such limits once each year. The insurance required in accordance with this Subsection 6.2.5 shall also cover cross-liability claims of one insured against another.

6.2.6 Any insurance maintained by the Condominium Board may provide for such deductible amounts as such Board determines.

6.2.7 The Condominium Board is not required to obtain or maintain any insurance with respect to the Unit or any personal property contained in a Unit. A Unit Owner shall, at the Unit Owner's own cost and expense, obtain and keep in full force and effect (a) comprehensive personal liability insurance against any and all claims for personal injury, death or property damage (including, but not limited to, loss due to water damage) occurring in, upon, or from the Unit or any part thereof, with minimum combined single limits of liability of $1,000,000 for bodily injury or death arising out of any one occurrence including $1,000,000 for damage to property plus at least $2,000,000 umbrella liability coverage and (b) tenant's "all-

risk" property insurance in respect of property damage occurring in, upon, or from the Unit or any part thereof (including, but not limited to appropriate coverage for additions, alterations improvements and betterments and loss due to water damage and personal property). The limits of liability set forth in (a) and (b) above may be increased by the Condominium Board from time to time. The insurance required above shall be written in form reasonably satisfactory to the Condominium Board by good and solvent insurance companies of recognized standing, admitted to do business in the State of New York. Upon ten (10) days' written notice from the Condominium Board or the Managing Agent, the Unit Owner shall deliver to the Condominium Board a duplicate original of the aforesaid policies, certificates evidencing such insurance or such other confirmation satisfactory to the Condominium Board. To the extent a party is insured for loss or damage to property, such party will look to its own insurance policies for recovery. Policies maintained by Unit Owners pursuant to this Subsection must provide that they cannot be canceled without at least thirty (30) days prior notice to the Condominium Board.

6.3 **Repair or Reconstruction after Fire or Other Casualty.**

6.3.1 In the event that either (i) the Building or any part thereof (other than the Units) is damaged or destroyed by fire or other casualty ("Casualty Loss") or (ii) the General Common Elements and/or Residential Common Elements and/or Residential Limited Common Expense, or any part thereof is taken in condemnation or by eminent domain ("Taking"), the net insurance proceeds payable under the insurance policies maintained by the Condominium Board pursuant to the terms of Section 6.2 hereof by reason of such Casualty Loss or the net condemnation awards receivable by reason of such Taking, as the case may be, shall be payable either to the Condominium Board, if the same shall be $1,000,000 or less in the aggregate, or to the Insurance Trustee, if the same shall exceed $ 1,000,000 in the aggregate. In either instance, all such monies actually received ("Trust Funds") shall be held in trust for the benefit of all Unit Owners, with respect to the portion thereof allocated to a Casualty Loss to or Taking of the General Common Elements and the Units, and for the benefit of all Residential Unit Owners with respect to the portion thereof allocated to a Casualty Loss to or Taking of the Residential Common Elements, the Residential Limited Common Elements and the Residential Units, and their Permitted Mortgagees and shall be disbursed pursuant to the terms of this Section 6.3. Notwithstanding anything to the contrary contained either in this Subsection 6.3.1 or elsewhere in this Section 6.3, however, no Unit Owner whose Unit, its appurtenant Residential Limited Common Elements, if any, or any portion thereof are taken in condemnation or by eminent domain (whether or not all or a part of the Common Elements are contemporaneously taken) shall be deemed to have waived whatever rights that he may have to pursue a separate claim against the condemning authority by reason thereof.

6.3.2 Except as otherwise provided herein, the Condominium Board with respect to the General Common Elements, the Residential Board with respect to the Residential Common Elements and the Residential Limited Common Elements and the Commercial Board with respect to the Commercial Common Elements shall arrange for the prompt repair or restoration ("Work") of: (i) in the event of a Casualty Loss, the portion(s) of the Building affected by such Casualty Loss or (ii) in the event of a Taking, the portion(s) of the Common Elements affected by such Taking. Damage or destruction to a Unit shall be promptly repaired and reconstructed by the Owner of the affected Unit(s). If, pursuant to the immediately preceding sentences, Work is to be performed in or to Units, Common Elements that service or enclose

Units and other Common Elements, or any combination of the foregoing, the Work shall be performed to the extent practicable, first in or to the Units, next in or to the Common Elements that service or enclose Units and then in or to the balance of the Common Elements. If a Residential Unit Owner fails to repair or reconstruct such Unit Owner's Unit, the Condominium Board or the Residential Board may cause the Residential Unit to be repaired or reconstructed and the costs incurred in connection therewith shall be a charged to the defaulting Unit Owner as a Special Assessment. Nothing contained herein shall be deemed to obligate a Commercial Unit Owner to restore a Commercial Unit except to the extent that such restoration shall be necessary to maintain that portion of the Building visible to the public in good, clean and neat appearance, in conformity with the dignity and character of the Building.

6.3.3 In the event that Work shall be performed pursuant to the terms of Subsection 6.3.1 and 6.3.2, the Condominium Board or the Insurance Trustee, as the case may be, shall disburse the Trust Funds to the contractors engaged in the Work in appropriate progress payments. If only the Commercial Section (including the Commercial Common Elements or the Commercial Limited Common Elements) is destroyed or damaged by fire or other casualty and if the net insurance proceeds are less than sufficient to cover, or exceed, the cost of repairs and restoration, the Commercial Unit Owners, in proportion to their respective Common Interests, will bear the entire amount of the deficit as a Commercial Common Expense, or shall receive all of the surplus, as the case may be. Similarly, if only the Residential Section (including the Residential Units, Residential Common Elements and/or the Residential Limited Common Elements) is damaged or destroyed by fire or other casualty and the insurance proceeds are less than sufficient to cover, or exceed, the cost of repairs and restoration, the deficit or surplus, as the case may be, will be borne as a Residential Common Expense or profit, respectively, and shared entirely by all Residential Unit Owners in proportion to their respective Common Interests. If said damage or destruction by fire or other casualty affects the Commercial Section, the Residential Section and the General Common Elements, or any combination of two thereof, then any deficit or surplus in insurance proceeds shall be borne or shared by all Unit Owners in proportion to their respective Common Interests in the proportion that the cost of repairing the damage or destruction to the Residential Section, Commercial Section and General Common Elements, as the case may be, bears to the total cost of repairing all damage or destruction. However, the Commercial Board shall still have the right to make all arrangements for the prompt repair and restoration of the Commercial Units to the extent they are affected by such damage or destruction. If said damage or destruction, however, affects only the General Common Elements, then any deficit or surplus in insurance proceeds shall be borne as a General Common Expense or profit, respectively, as provided in 6.1.1 or shared by all Unit Owners in proportion to their Common Interests. Any surplus payable to any Unit Owner pursuant to this Section 6.3 shall be lessened by such amounts as may be required to reduce unpaid liens (other than mortgages which are not Permitted Mortgages) on any such Unit in the order or priority of such liens.

6.3.4 If seventy-five percent (75%) or more of the Building is destroyed or substantially damaged by fire or other casualty, the Work shall not be performed unless seventy-five percent (75%) or more of all Unit Owners (including Declarant, if Declarant shall then own any Units), shall promptly resolve to proceed with the same. In the event that a sufficient number of Unit Owners shall so resolve, the Work shall be performed pursuant to the terms of Subsections 6.3.1 and 6.3.2 hereof. Conversely, in the event that a sufficient number of Unit Owners shall either fail or refuse to so resolve, the Work shall not be performed and the Property

shall be subject to an action for partition by any Unit Owner or lienor, as if owned in common, in which event the net proceeds of the resulting sale, together with any Trust Funds, shall be paid to all Unit Owners in proportion to their respective Common Interest, to the extent allocated to destroyed or damaged portions of the General Common Elements and to all Residential Unit Owners in proportion to their respective Residential Common Interest, to the extent allocated to destroyed or damaged portions of the Residential Units or the Residential Common Elements or the Residential Limited Common Elements, and to the Commercial Unit Owner, to the extent allocated to destroyed or damaged portions of the Commercial Unit, except that no payment shall be made to a Unit Owner until there first has been paid, out of such Unit Owner's share of such funds, such amounts as may be necessary to pay off unpaid liens on the Unit Owner's Unit (other than mortgages that are not Permitted Mortgages) in the order of priority of such liens.

6.3.5 If (i) a portion of any Unit shall be taken in condemnation or by eminent domain and (ii) the Condominium shall not be terminated by reason of a simultaneous Taking pursuant to the terms of Section 6.3.4 hereof, the Common Interest appurtenant to such Unit shall be adjusted in the proportion that the total floor area of such Unit and its appurtenant Residential Limited Common Elements, if any, after such Taking bears to the total floor area of such Unit and its appurtenant Residential Limited Common Elements, if any, prior to such Taking. The Condominium Board shall promptly prepare and record an amendment to the Declaration reflecting the new Common Interest, appurtenant to such Unit, which amendment shall be executed by the owner of such Unit together with the holders of record of any liens thereon (or, in lieu of execution by such Unit Owner and lienors, the same may execute a consent to such amendment in recordable form). Following the Taking of a portion of a Unit and the recording of the aforementioned amendment to the Declaration, the votes appurtenant to such Unit shall be based upon the new Common Interest and, in the event of a Taking of an entire Unit, the right to vote appurtenant to such Unit shall wholly terminate. In either event, the Common Interests of the other or remaining Units shall be adjusted accordingly and reflected in an amendment to the Declaration duly executed and acknowledged by the Condominium Board and the owners of, together with the holders of record of all liens upon, all of the other or remaining Units.

6.3.6 As used in this Section 6.3, the terms:

(i) "Prompt repair or restoration" shall mean that the Work is to be commenced not more than either: (a) sixty (60) days after the date upon which the Insurance Trustee notifies the Condominium Board that it has received Trust Funds sufficient to discharge the estimated cost and expense of the Work, or (b) ninety (90) days after the date upon which the Insurance Trustee notifies the Condominium Board that it has received Trust Funds insufficient to discharge the estimated cost and expense of the Work, or (c) in the event that the Trust Funds are payable to the Condominium Board pursuant to the terms of Subsection 6.3.1, sixty (60) days after the date upon which the Condominium Board notifies the Unit Owners that it has received the Trust Funds, whether or not the same are sufficient to discharge the cost and expense of the Work; and

(ii) "Promptly resolve" shall mean that a resolution shall be duly made not more than sixty (60) days after the date upon which the Condominium Board notifies the Unit Owners that it has received the Trust Funds and that the same are

or are not sufficient to discharge the estimated cost and expense of the Work, as the case may be.

6.3.7 Any dispute that may arise under this Section 6.3 between any Unit Owners or any Boards shall be resolved by Arbitration.

6.4 **Payment of Common Charges.**

6.4.1 The Residential Unit Owners and the Commercial Unit Owners shall be obligated to pay to the Condominium Board the General Common Charges assessed to them by the Condominium Board pursuant to the provisions of Section 6.1 at such time or times as the Condominium Board determines. All Residential Unit Owners and Commercial Unit Owners shall be obligated to pay Residential or Commercial Common Charges, as the case may be, assessed by the Residential and Commercial Boards pursuant to the provisions of Section 6.1 at such time or times as such Boards determine. The Boards may jointly determine to cause the Condominium Board to act as their respective agent to collect Residential Common Charges and Commercial Common Charges as applicable. Unless otherwise determined by the Board to which they are payable, Common Charges shall be payable monthly, in advance, on the first day of each month.

6.4.2 No Unit Owner shall be liable for the payment of any part of the Common Charges assessed against such Unit Owner's Unit subsequent to a sale or other conveyance by him (made in accordance with these By-Laws) of such Unit together with its appurtenant Common Interests. Any Unit Owner may, subject to the terms and conditions of these By-Laws and provided that (a) such Unit is free and clear of liens and encumbrances other than Permitted Mortgages and the statutory lien for unpaid Common Charges, and (b) no violation of any provision of the Declaration, these By-Laws or the Rules and Regulations then exists with respect to such Unit, convey for no consideration such Unit together with its appurtenant Common Interests, to the Residential or Commercial Board or the Condominium Board or their designees, corporate or otherwise, and in such event (except as hereinafter set forth), be exempt from Residential or Commercial Common Charges or General Common Charges, as the case may be, thereafter accruing. A purchaser of a Unit shall be liable for the payment of Common Charges accrued and unpaid against such Unit prior to the acquisition by him of such Unit, except that, to the extent permitted by Law, a purchaser of a Unit at a foreclosure sale of a Permitted Mortgage shall not be liable for, and such Unit shall not be subject to, a lien for the payment of Common Charges accrued and unpaid against such Unit prior to the acquisition by said purchaser of such Unit. However, in the event of a foreclosure sale of a Unit by a Permitted Mortgagee, the owner of such Unit prior to the foreclosure sale shall remain liable for the payment of all unpaid Common Charges which accrued prior to such sale. Except to the extent prohibited by Law, the Residential Board, on behalf of all Residential Unit Owners, shall have a lien on each Residential Unit for unpaid Residential Common Charges, together with interest thereon, assessed against such Unit. Except to the extent prohibited by Law, the Commercial Board, on behalf of all Commercial Unit Owners, shall have a lien on each Commercial Unit for unpaid Commercial Common Charges, together with interest thereon, assessed against such Unit. In addition, except to the extent prohibited by Law, the Condominium Board, on behalf of all Unit Owners, shall have a lien for General Common Charges unpaid to it by (i) the Residential Unit Owners, together with interest thereon, on all Residential Units, in proportion to their

respective Common Interests, and (ii) the Commercial Unit Owners, together with interest thereon, on the Commercial Units, in proportion to their respective Common Interests. No Unit Owner may be exempted from liability for such Unit Owner's Common Charges by waiving use of any Common Elements or by abandonment of such Unit Owner's Unit. Dissatisfaction with the quantity or quality of maintenance or services furnished to the Property or the degree to which the construction in the Building shall have been complete shall not be grounds for a Unit Owner withholding or failure to pay all or any portion of the Common Charges or any other assessments.

6.4.3 All liens provided for in Subsection 6.4.2, to the extent permitted by applicable Law, shall be subordinate to the lien of any first Permitted Mortgage of record and to liens for real estate taxes on the Unit.

6.4.4 Notwithstanding Subsection 6.4.2, neither the seller nor the purchaser of a Residential Unit shall be liable for, nor shall the Residential Unit be conveyed subject to a lien for, any unpaid Common Charges against such Residential Unit accrued prior to such conveyance in excess of the amount set forth in a written statement from the Residential Board.

6.4.5 In the event that prior to the Units being separately assessed for real estate tax purposes, a Board pays real estate taxes on behalf of a Unit Owner, the amount of such real estate taxes shall be deemed to be Common Charges, and such Board shall have a lien (as provided in Subsection 6.4.2) for any such accrued and unpaid amounts.

6.5 **Collection of Common Charges.** Each Board shall take prompt action to collect any Common Charges due to such Board which remain unpaid for more than thirty (30) days after the due date for payment thereof.

6.6 **Default in Payment of Common Charges and Other Obligations.** In the event any Unit Owner fails to make payment of Common Charges or Assessments when due, such Unit Owner shall be obligated to pay (a) a "late charge" equal to the greater of $150.00 or one (1%) percent of such amounts which remain unpaid for more than ten days from their due date (although nothing herein shall be deemed to extend the period within which such amounts are to be paid), and (b) interest at the rate of 1.5% per month (but in no event in excess of the maximum rate permitted by Law) on such unpaid amounts computed from the due date, thereof, together with all expenses, including, without limitation, attorneys' fees paid or incurred by the Condominium Board or by any managing agent in any proceeding brought to collect such unpaid Common Charges or in any action to foreclose the lien on such Unit arising from said unpaid Common Charges as provided in Section 339-z of the New York Condominium Act, in the manner provided in Section 339-aa thereof or in any other manner permitted by Law. All such "late charges," interest and expenses shall be added to and shall constitute Common Charges payable by such Unit Owner. Notwithstanding the foregoing, each Board may establish its own alternate fees for late payments, whether such fees are more or less than the charges set forth herein. In addition a Board may suspend a Unit Owner's voting rights and privileges for failure to pay any Common Charges or Assessments due.

6.7 Foreclosure of Liens for Unpaid Common Charges.

6.7.1 In any action brought by the Condominium Board to foreclose a lien on a Unit because of unpaid Common Charges, the Unit Owner shall be required to pay a reasonable rental for the use and occupancy of such Unit Owner's Unit and the plaintiff in such foreclosure action shall be entitled to the appointment, without notice, of a receiver to collect the same. The Residential Board, acting on behalf of all Residential Unit Owners, shall have the power to purchase any such Residential Unit, and the Commercial Board, acting on behalf of all Commercial Unit Owners, shall have the power to purchase any such Unit or portion thereof at the foreclosure sale thereof and to acquire, hold, lease, mortgage, convey or otherwise deal with such Unit or portion thereof (but not to vote the votes appurtenant to such Unit or portion thereof). A suit to recover a money judgment for unpaid Common Charges shall be maintainable without foreclosing or waiving the lien securing such charges. In the event the net proceeds received on such foreclosure sale (after deduction of all legal fees, advertising costs, brokerage commissions and other costs and expenses incurred in connection therewith) are insufficient to satisfy the defaulting Unit Owner's obligations, such Unit Owner shall remain liable for the deficit.

6.7.2 The Condominium Board at the request of the Commercial Unit Owner, will enter into a nondisturbance agreement (the "Condominium Nondisturbance Agreement") with a tenant occupying a Unit, on the terms set forth in this Section 5.7.2; provided such lease is an "arms-length" lease and provided further that such Unit Owner has not received a notice of default under the terms of the Declaration or these By-Laws at the time of such request. Under the terms of the Condominium Nondisturbance Agreement, the tenant will acknowledge that the lease is subject and subordinate to the Declaration and the Condominium Board will agree that so long as there no event of default exists under said lease, as would entitle the Unit Owner, or any successor landlord under the lease, to terminate the lease or dispossess the tenant thereunder, the tenant shall not be named or joined in any action or proceeding to foreclose the Board's lien for Common Charges on a Unit or any other sums of any sort, recognize all of tenant's rights under the lease and will not diminish, terminate or disturb tenant's possession or rights under the lease, expand any of tenant's obligations under the lease or under the Condominium Declaration or these By-Laws, or obligate tenant to comply with any of the provisions of the Declaration or these By-Laws, except as expressly provide herein, and will recognize tenant as the direct tenant of the Board or its successor on the same terms and conditions as are contained in the lease and the tenant's use, possession, or enjoyment of the Unit in question shall not be interfered with, nor shall the leasehold estate granted by the lease be affected in any manner, nor shall any of the rights of the tenant granted under the lease be affected in any manner, in any foreclosure or other action or proceeding instituted under or in connection with such lien or in the exercise of any rights of the Board, or, in case the Board takes possession of said Unit pursuant to any provision of the Declaration or By-Laws, or otherwise; provided however that if the Condominium Board or any other party succeeds to the interests of the Unit Owner under the lease the tenant will agree to be bound to the Condominium Board or party under all of the terms, covenants and conditions of the lease and the tenant will attorn to the Board or party as its landlord. The Condominium Board, at the request of the Unit Owner entering into a lease with the tenant, shall execute and deliver promptly the Condominium Nondisturbance Agreement and any other agreement that any tenant may reasonably request in confirmation of the foregoing in form reasonably satisfactory to the Board.

6.8 **Statement of Common Charges.** Each Board shall promptly provide the other Boards and any Unit Owner who so requests, with a written statement of all unpaid Common Charges due to it from Unit Owners.

6.9 **Maintenance and Repairs.**

6.9.1 Except as otherwise provided in the Declaration or these By-Laws, all Maintenance, whether structural or nonstructural, ordinary or extraordinary, (a) in or to any Unit (excluding Common Elements included therein except as otherwise provided in these By-Laws) and the entrance doors thereto shall be made by the owner of such Unit at such Unit Owner's sole cost and expense, (b) in or to the General Common Elements shall be made by the Condominium Board and the cost and expense thereof shall be charged to the Residential Unit Owners and the Commercial Unit Owners as a General Common Expense, (c) in or to the Residential Common Elements or the Residential Limited Common Elements shall be made by the Residential Board and the cost and expense thereof shall be charged to all Residential Unit Owners as a Residential Common Expense, (d) in or to the Commercial Common Elements or the Commercial Limited Common Elements shall be made by the Commercial Board and the cost and expense thereof shall be charged to all Commercial Unit Owners as a Commercial Common Expense.

6.9.2 Notwithstanding the provisions of Subsection 6.9.1:

6.9.2.1 In the event that any Maintenance to the Property or any part thereof is necessitated by the negligence, misuse or neglect of (a) any Unit Owner or any guest, agent, licensee, tenant or invitee of a Unit Owner, the entire cost thereof shall be borne by such Unit Owner, (b) the Condominium Board, the entire cost thereof shall be charged to the Residential Unit Owners and the Commercial Unit Owners as a General Common Expense, (c) the Commercial Board, the entire cost thereof shall be charged to all Commercial Unit Owners as a Commercial Common Expense, or (d) the Residential Board, the entire cost thereof shall be charged to all Residential Unit Owners as a Residential Common Expense, except in all such cases to the extent such cost is covered by the proceeds of any insurance maintained pursuant to the provisions hereof.

6.9.2.2 The interior and exterior glass surfaces of all windows located in any Residential Unit shall not be colored or painted and no neon or colored lights may emanate therefrom and the windows may not be modified, altered or replaced without the consent of the Residential Board. All window treatments in a Residential Unit, when viewed from the outside of the window, must be white. The Condominium Board and the Residential Board may establish such other rules and regulations as they deem necessary to protect the Common Elements and the Units and to insure the integrity of the Building and the health and safety of the occupants.

6.9.2.3 The exterior surface of all windows in the Residential Section if so determined by the Residential Board, shall be washed and cleaned by such Board and the cost and expense thereof shall be a Residential Common Expense. Otherwise, the exterior of all windows in the Residential Section shall be washed or cleaned at the cost and expense of the Residential Unit Owner. The interior glass surfaces of all windows located in any Unit and the

exterior glass surfaces of all windows located in the Commercial Units shall be washed and cleaned by the Unit Owner or occupant thereof at such Unit Owner's sole cost and expense. No Unit Owner or occupant shall clean or permit to be cleaned any window or require, permit or allow it to be cleaned, from the outside, in violation of Section 202 of the Labor Law of the State of New York, or any future Law of like import, or (if applicable) in violation of the rules of the Board of Standards and Appeals of the City of New York or any other governmental authority having jurisdiction over the Land or the Building. Each Unit Owner shall indemnify the Condominium Board and the other Unit Owners, and their respect agents and employees, for all losses, damages, or fines suffered by any of them as a result of a violation of Law.

6.9.2.4 The exterior of all front doors of Residential Units shall not be painted or decorated other than with the consent of the Residential Board.

6.9.2.5 No awnings, air conditioning equipment, ventilators or other Facilities or equipment will be installed or modified in the Residential Section without prior written approval of the Condominium Board.

6.9.2.6 Any repairs or Maintenance work performed with respect to the incremental HVAC units in each Residential Unit shall only be performed by a company or individual previously approved by the Residential Board.

6.9.2.7 Routine maintenance and repairs of the vault space in the Cellar shall be the obligation of the Residential Board or the Commercial Unit Owners having the exclusive use thereof. The costs of any structural repairs, including repairs to the foundations or retaining walls adjacent to the vaults and the closing of the vaults shall be performed by the Condominium Board and the cost therefor shall be a General Common Expense.

6.9.3 Each Unit and all portions of the Common Elements shall be kept in first-class condition (and with respect to any roof or other part of the Property exposed to the elements, free of snow, ice and accumulation of water to the extent same would cause damage to the Building) by the Unit Owner or Board, whichever is responsible for the Maintenance thereof as set forth herein, and such Unit Owner or Board, as the case may be, shall promptly make or perform, or cause to be made or performed, all Maintenance necessary in connection therewith. In addition, the public areas of the Building and those areas exposed to public view shall be kept in good, clean and neat appearance, in conformity with the dignity and character of the Building, by (a) each Board with respect to such parts of the Building required to be Maintained by it, (b) each Unit Owners with respect to such Unit Owner's Unit and any Limited Common Elements required to be Maintained by the Unit Owner, including, without limitation shades, venetian or other blinds, drapes, curtains or other window decorations in or in or appurtenant to such Unit Owner's Unit. Notwithstanding anything to the contrary set forth above, the Condominium Board shall not, without the consent of the Commercial Unit Owner, decrease the level of services (including, but not limited to heat and cooling) supplied to the Commercial Units as of the date of the filing of the Declaration.

6.9.4 In the event of an Emergency (i) affecting the Residential Section, Commercial Section employees will assist Residential Section employees, and (ii) affecting the Commercial Section, Residential Section employees will assist Commercial Section employees

and the costs thereof shall be appropriately allocated to the Section receiving the benefit of such assistance.

6.9.5 Each Unit Owner will be obligated to heat and cool such Unit Owner's Unit so as to maintain the appropriate temperature in such Unit Owner's Unit in order to avoid causing damage to the Common Elements or the Units, including, without limitation, freezing pipes and damage to the wood floors and moldings. In the event a Unit Owner that fails to so maintain the Unit, such Unit Owner may be liable for any damage arising from such failure, including, without limitation, any claims pertaining to environmental hazards such as mold or other bacterial contamination.

6.10 **Violations of Obligations.**

6.10.1 In the event that any Residential Unit Owner, within a reasonable time after receipt of written notice from the Residential Board, fails to perform any of its obligations with respect to the Maintenance of its Unit as provided in this Article 6 or of any Limited Common Element for which such Unit Owner is responsible under the Declaration or these By-Laws, the Residential Board may, but shall not be obligated to, perform or cause to be performed such Maintenance unless such Residential Unit Owner, within thirty (30) days after receiving notice of such default from the Residential Board (or sooner in the case of Emergency), cures such default, or in the case of a default not reasonably susceptible to cure within such period, commences and thereafter prosecutes to completion, with due diligence, the curing of such default. All sums expended and all costs and expenses incurred in connection with the making of any such Maintenance by the Residential Board, together with ten percent (10%) for overhead and interest thereon at the rate of two percent (2%) per month from the date on which such Board first incurs any cost or expense (but in no event in excess of the maximum rate permitted by Law), shall be immediately payable by such Residential Unit Owner to such Board and shall, for all purposes hereunder, constitute Common Charges payable by such Residential Unit Owner.

6.10.2 In the event that any Commercial Unit Owner fails or neglects in any way to perform any obligation with respect to the Maintenance of such Unit Owner's portion of the Commercial Units, the Commercial Board may, but shall not be obligated to, perform or cause to be performed any such Maintenance provided that (a) the Commercial Board gives the Commercial Unit Owner written notice that such repair or replacement is necessary and that the Commercial Board will complete such repair or replacement in the event the Commercial Unit Owner does not promptly act or complete the repair or replacement, and (b) the Commercial Unit Owner, within five (5) days after receiving such notice, fails to cure its default, or in the case of a default not reasonably susceptible to cure within such period, fails to commence and to thereafter prosecute to completion, with due diligence, the curing of such default. All sums expended and all costs and expenses incurred in connection with the making of any such Maintenance by the Commercial Board, together with ten percent (10%) for overhead interest thereon at the rate of two percent (2%) per month from the date on which the Commercial Board first incurs any cost or expense (but in no event in excess of the maximum rate permitted by Law) shall be payable by such Commercial Unit Owner to the Commercial Board and shall, for all purposes hereunder, constitute Commercial Common Charges payable by such Commercial Unit Owner. The Commercial Board shall have the right, in the event that the Commercial Unit Owner disputes

the amount of such payment or whether the Commercial Unit Owner is obligated to pay the same, to submit such dispute to Arbitration. The Commercial Unit Owner shall pay the cost of such repair or replacement only after a determination by Arbitration to the effect that (i) the repair or replacement was required to be performed by the Commercial Unit Owner, (ii) the Commercial Unit Owner failed to perform such repair or replacement, and (iii) the cost of such repair or replacement by the Commercial Board was reasonable. Any repair or replacement performed by the Commercial Board in accordance with the terms of this Subsection 6.10.2 shall be its sole responsibility with respect to the quality of such repair or replacement and the proper completion thereof. The Commercial Board shall indemnify the Commercial Unit Owner and hold it harmless from and against any claims, costs, expenses or liabilities whatsoever, including reasonable counsel fees, in any way incurred by the Commercial Unit Owner, in connection with the manner of completion of such Maintenance by the Commercial Board of any defect described herein (but not for the existence of the condition requiring such repair or replacement).

6.10.3 Each Unit Owner must strictly comply with the provisions of the Declaration, these By-Laws, and the rules and regulations. Failure to comply is grounds for an action for damages or injunctive relief, or both, but such forms of relief will not be exclusive of other remedies provided by Law.

6.11 **Alterations, Additions, Improvements and Repairs of Units.**

6.11.1 Except as otherwise provided in the Declaration, no Residential Unit Owner shall make any alteration, addition, improvement or repair to any Unit involving structural work or which impact upon Building systems, in or to such Unit Owner's Unit without the prior written approval of the Residential Board. No Commercial Unit Owner shall make any structural alteration, addition, improvement or repair to any Unit involving structural work or impacting upon Building systems, in or to such Unit Owner's Unit without the prior written approval of the Commercial Board which shall not be unreasonably withheld. With respect to any alteration, addition, improvement or repair the Commercial Board or the Residential Board, as the case may be, may exercise the right to reasonably approve the contractors and suppliers, performing alteration, addition, improvement or repair in any Unit and may, at its option, require the Unit Owner to execute an agreement in form and substance satisfactory to the Commercial Board or the Residential Board, as the case may be, setting forth the terms and conditions under which such alteration, addition, improvement or repair may be made, including, without limitation, the days and hours during which any work may be done. A Board may impose fees upon a Unit Owner to reimburse the Board for its costs incurred in reviewing or supervising the aforesaid work and providing appropriate security with respect thereto. In addition, the Residential Board will have the right, as a condition to approving a Unit Owner's request to renovate kitchens and bathrooms, to require such Unit Owner to replace plumbing, steam and gas risers running through or adjacent to the Unit or to contribute to the Condominium, the sum necessary to enable the Condominium to perform such replacements. The foregoing provisions shall not apply to Declarant or its designee or a Permitted Mortgagee (or its designee) of Declarant or its assignee, which shall not be required to obtain the approval of any Board for any alteration, addition, improvement or repair, whether structural or non-structural in or to Unsold Residential Units or the Commercial Unit, enter into any alteration agreement with respect thereto or perform any additional work as a condition thereof and may perform any work in the

Building required to complete the Building in accordance with the provisions of the Plan or to otherwise satisfy its obligations under the Plan.

6.11.2 All alterations, additions, improvements and repairs by Unit Owners shall be made in compliance with all Laws, rules, ordinances and regulations of all governmental authorities having jurisdiction thereof. A Unit Owner making or causing to be made any alteration, addition, improvement or repair shall agree, and shall be deemed to have agreed, to hold each Board and all other Unit Owners harmless from any costs or liability arising therefrom.

6.11.3 Any application to any department of The City of New York or to any other governmental authority having jurisdiction thereof for a permit to make a structural alteration, addition, improvement or repair in or to any Unit so approved by the appropriate Board (if such approval is required) shall, if required by Law or such department or authority, be executed by said Board or, if required, by the Condominium Board, provided that no Board shall incur any liability, cost or expense in connection with such application or to any contractor, subcontractor, materialman, architect or engineer on account of such alteration, addition, improvement or repair or to any person having any claim for injury to person or damage to property arising therefrom. Notwithstanding anything to the contrary set forth above, Declarant or its designee or a Commercial Unit Owner is hereby authorized on behalf of the Boards to execute the Required Documentation required to undertake, perform and complete such work to the Building (including the Units and Common Elements) as Declarant is obligated or entitled to perform in accordance with the terms of the Plan or the Declaration and these By-Laws (including, without limitation, any certificates as may be required to amend the existing certificate of occupancy to reflect a reconfiguration of the Units and/or a change in use) and to obtain such certificates of completion as may then be required by Law and, the appropriate Board, if requested by Declarant or its designee or a Commercial Unit Owner, shall execute the Required Documentation.

6.11.4 No alterations, additions, improvements or repairs shall made by any Residential Unit Owner shall materially delay, prevent or adversely affect, or create a significant risk of materially delaying, preventing or adversely affecting, whether directly or indirectly, the issuance or reissuance of a temporary or permanent certificate of occupancy for other Units or the Building. Prior to the issuance of the permanent certificate of occupancy for the Building, any Residential Unit Owner desiring to perform such alterations, in addition to satisfying any other requirements of these By-Laws with respect to such alterations, must also notify Declarant, in writing, of the scope of the proposed alterations and satisfy other reasonable requirements of Declarant. In furtherance thereof, a Residential Unit Owner performing alterations, shall indemnify Declarant and the Boards for any cost, expense, claim or liability incurred or suffered by Declarant or any Board as a result of any violation of Law or delay in obtaining a temporary or permanent certificate of occupancy. In the event the alterations performed by a Residential Unit Owner do adversely affect the issuance or validity of the certificate of occupancy then upon the written request of Declarant, the Condominium Board or any other Board whose Unit Owners are affected, the Unit Owner shall restore the Unit, at such Unit Owner's sole cost and expense, to its original condition. If such Unit Owner fails to commence diligently and continuously restoring the Unit within fifteen (15) days of receipt of the written request, then the Declarant or the Board, as the case may be, requesting such restoration shall be entitled to enter

and restore the Unit at the expense of the Unit Owner and to exercise any other remedies provided in these By-Laws.

6.11.5 Until such time as the initial construction of the Building is complete, including the completion of "punch list" work, no Board or Unit Owner shall use or suffer to be used in any part of the Building any labor forces incompatible with the labor forces which are completing the construction of the Building on behalf of Declarant. In addition, Declarant shall have an easement through all parts of the Building for the prosecution of the work necessary to complete initial construction of the Building, including the completion of "punch list" work by or on behalf of Declarant, which work shall take precedence over the prosecution of any other work at the Building.

6.12 **Alterations, Additions, Improvements or Repairs to Common Elements.** Except as otherwise provided in the Declaration or these By-Laws, all alterations, additions, improvements or repairs in or to (i) any General Common Elements shall be made by the Condominium Board and the cost and expense thereof shall be charged to the Residential Unit Owners and the Commercial Unit Owners as a General Common Expense (ii) in or to the Residential Common Elements shall be made by the Residential Board and the cost and expense thereof shall be charged to all Residential Unit Owners as a Residential Common Expense, (iii) in or to the Commercial Common Elements shall be made by the Commercial Board and the cost and expense thereof shall be charged to all Commercial Unit Owners as a Commercial Common Expense, (iv) in and to a Unit by the Unit Owner thereof at the Unit Owner's sole cost and expense. Whenever in the judgment of the Residential Board, the Commercial Board or the Condominium Board, as the case may be, the cost of any alteration, addition, improvement or repair would exceed $100,000 in the aggregate in any calendar year (except if such alteration, addition, improvement or repair is provided for in a duly approved budget), then such proposed alteration, addition, improvement or repair shall not be made unless first approved by a Majority of Residential Unit Owners, a Majority of Commercial Unit Owners, or a Majority of Unit Owners, as the case may be, who shall be required to bear the cost and expense thereof as aforesaid and by the Residential Mortgage Representatives (as hereinafter defined), as the case may be, if any, with respect to alterations, additions, improvements or repairs made by the Residential or Commercial Board, respectively. Except as otherwise provided in the Declaration or these By-Laws, all such alterations, additions, improvements or repairs costing in the aggregate $100,000 or less in any calendar year may be made as aforesaid without the approval of the Unit Owners or said Mortgage Representatives.

6.13 **Alterations of Certain Common Elements.**

6.13.1 In the event that pursuant to any of the provisions of these By-Laws, any consent by any Board, Mortgage Representative or Unit Owner is required as a condition precedent to any alteration, addition or improvement to any Common Element (sometimes collectively referred to in this Section 6.13 as an "Alteration"), proposed to be made by Declarant or its designee, Unit Owners or any Board (sometimes collectively referred to herein as the "Proponent"), such consent shall not be unreasonably withheld or delayed by such Board, Mortgage Representative or Unit Owner (referred to in this Section 6.13 as the "Opposing Party") whose consent is so required. The Proponent shall give to the Opposing Party notice setting forth in reasonable detail the material aspects of such proposed Alteration. If the

Opposing Party does not give notice of any objection to the Proponent within thirty (30) days after the Proponent gives its notice, then the Opposing Party shall be deemed to have consented to the making of the proposed Alteration. If the Opposing Party does give notice of objection (which notice of objection shall set forth in reasonable detail the specific objections of the Opposing Party) within such 30-day period and the Proponent considers such objection unreasonable, then the Proponent may submit to Arbitration the question of whether or not the Opposing Party unreasonably withheld its consent. If in such Arbitration it is determined that the Opposing Party unreasonably withheld its consent, the Proponent, as its sole remedy, may make the proposed Alteration. In no event shall any arbitrator in such Arbitration determine that the Opposing Party reasonably withheld its consent to such proposal if (a) the Proponent makes or causes to be made reasonable provisions providing (i) for the costs and expenses of the Alteration to be paid by it, and (ii) that all costs and expenses for Maintaining such Alteration after its completion will not be charged to Unit Owners represented by the Opposing Party as Common Expenses (b) the proposed Alteration would not materially interfere with the use and enjoyment of the owners, tenants and occupants of those Units represented by the Opposing Party; and (c) the proposed Alteration would not materially weaken the structure of the building.

6.13.2 Nothing contained in Subsection 6.13.1 shall in any way be deemed to limit (a) the Proponent's right to modify any proposal made by it thereunder in such a manner as such Proponent believes will meet the objections of the Opposing Party or of any arbitrator, or (b) any party's right, pursuant to the other applicable provisions of these By-Laws or the Declaration, to make any Alteration to a Common Element without the Opposing Party's approval.

6.13.3 A Commercial Unit Owner shall be entitled, at its sole cost and expense to make any alteration, addition, improvement or repair in or to the Commercial Common Elements or Commercial Limited Common Elements, or the exterior facade of the Building adjacent to such Unit Owner's Unit at such Unit Owner's cost and expense, with the prior written approval of the Commercial Board, which shall not be unreasonably withheld.

6.14 **Restrictions on Use of Units.**

Such permission by the Residential Board shall be in writing and shall be personal to the Residential Unit Owner. Any successor in title to such Residential Unit shall be required to obtain the prior written approval of the Residential Board before using such Residential Unit as a professional office or for any other purpose.

The Residential Unit Owner shall be obligated to Maintain all window guards, if any, installed in the Unit and not to remove same until permitted by applicable Law and in any event, without full knowledge of the Managing Agent.

6.14.2 Notwithstanding the provisions of Subsection 6.14.1, Declarant or its designee may, without the permission of the Residential Board, (a) grant permission for the use of any Unsold Residential Unit as a professional office or for any purpose including, without limitation, use as a long or short term rental or other use, provided such use is permitted by Law, does not violate the certificate of occupancy for such Residential Unit (subject to Declarant's right to amend the certificate of occupancy to conform to use as provided in Section 6.14.4 of these By-Laws) and the user of such Unit complies with all applicable governmental regulations with respect to such use, and (b) use any Unsold Residential Units as models and sales and/or promotion offices in connection with the sale or rental of the Units or for any other purpose, subject only to the provisions of the Declaration and these By-Laws and in compliance with applicable Law.

In furtherance thereof, the Condominium Board agrees to consult with the Commercial Unit Owners prior to the installation of such sidewalk bridge or other scaffolding and to permit the Commercial Unit Owners to install, at their cost and expense, signs upon the sidewalk bridge and scaffolding.

6.15.5 Except pursuant to rules adopted by the Condominium Board, which may not be adopted or amended without the Commercial Board's consent, and the terms and provisions of the Declaration and these By-Laws, in no event shall the Condominium Board or Unit Owners impair, restrict or impede the use of the General Common Elements described in the Declaration, by the Commercial Unit Owners or anyone claiming by, through or under the Commercial Unit Owners including, but not limited to, the tenants and occupants of any portion of the Commercial Units or their respective licensees or invitees.

6.15.6 The owner of any two (2) or more Residential Units, which Units are serviced or benefited by any Common Element adjacent or appurtenant to such Units (for

example, that portion at the end of any residential hallway which is directly adjacent to any such Units located on opposite sides of such hallway) shall, to the extent permitted by Law and with the consent of the Residential Board (which consent shall not be unreasonably withheld or delayed), have the exclusive right of use of such Common Element as if it were a part of such Units (including the right, in the above example of a portion of a hallway, to enclose such portion) and no amendment to the Declaration nor reallocation of Common Interests shall be made, provided such owner agrees, at its sole cost and expense, to (a) be responsible for the operation and Maintenance of such Common Element for so long as such owner exercises such exclusive right of use, and (b) restore such Common Element to its original condition, reasonable wear and tear excepted, after such owner ceases to exercise such exclusive right of use. The owner of any such Units which are Unsold Residential Units shall have the rights set forth in the preceding sentence without the necessity for obtaining the consent of the Board. The Commercial Unit Owners and the Residential Unit Owners grant a right of access to their respective Units to each of the Boards, the managing agents, managers, superintendents and/or any other person authorized by any of the foregoing for the purpose of making inspections of, or for the purpose of removing violations noted or issued by any governmental authority against, the General or Limited Common Elements or any other part of the Property, or for the purpose of curing defaults hereunder or under the Declaration or Rules and Regulations by such Unit Owner or correcting any conditions originating in such Unit Owner's Unit and threatening another Unit or all or any part of the General or Limited Common Elements, or for the purpose of performing installations, alterations or repairs to the mechanical or electrical services or other portions of the General or Limited Common Elements within such Unit Owner's Unit or elsewhere in the Building, or for the purpose of reading, Maintaining or replacing utility meters relating to the General or Limited Common Elements, Unit or any other Unit in the Building or to correct any condition which violates the provisions of any Permitted

Mortgage covering another Unit, provided that requests for such entry are made not less than one day in advance and that any such right shall be exercised in such a manner as will not unreasonably interfere with the normal conduct of business by the tenants and occupants of the Commercial Units or with the use of the Residential Units for their permitted purposes. 6.18 **Rules and Regulations.** Annexed hereto as Schedule A and made a part hereof are rules and regulations (the "Residential Rules and Regulations") concerning the use of the Residential Common Elements and the Residential Limited Common Elements. The Residential Board may from time to time, modify, amend or add to the Residential Rules and Regulations except that a Majority of Residential Unit Owners may overrule such Board with respect to any such modification, amendment or addition. The Residential Board shall also have the authority to promulgate special rules and regulations concerning the use of storage space, if any, for the personal property of the Residential Unit Owners. The Commercial Board may adopt and from time to time, modify, amend or add to reasonable Rules and Regulations as they affect the use of the Commercial Units, the Commercial Common Elements and the Commercial Limited Common Elements, except that a Majority of Commercial Unit Owners may overrule said Board with respect to any adoption, modification, amendment or addition and provided further that the Commercial Unit Owners having exclusive access to the Commercial Limited Common Elements, may overrule said board with respect to any adoption, modification, amendment or addition affecting such Commercial Unit Owners. Copies of any newly adopted Rules and Regulations, or any modifications, amendments or additions thereto, shall be furnished by the Board responsible therefor to each affected Unit Owner not less than thirty (30) days prior to the effective date thereof.

6.19 **Real Estate Taxes, Water Charges and Sewer Rents.** Water and sewer services shall be supplied to and for all of the Units and the Limited Common Elements through one or more building systems by the City of New York or such other utility servicing the Unit. Except to the extent Unit Owners are billed directly by the City Collector, the Condominium Board shall pay all such charges, together with all related sewer rents arising therefrom, promptly after the bills for the same shall have been rendered. The Commercial Board shall collect such charges from the Commercial Unit Owners based on separate submetering of such Units, and will remit such amount to the Condominium Board. The remaining costs for the Building will be paid by the Residential Unit Owners and included in Residential Common Charges. Until the Units are separately assessed for real estate tax purposes, the Residential and Commercial Unit Owners

shall pay their respective pro rata share of all real estate taxes with respect to the Property (in the proportion that the Common Interest of all Residential Units or Commercial Units, as the case may be, bears to the Common Interests of all Units) to the Condominium Board as Common Charges, which will in turn pay such taxes to the proper authorities of The City of New York. In the case of the Unsold Units, Declarant shall pay to the Condominium Board its allocable share of real estate taxes as Common Charges within two (2) business days of such real estate taxes being due and payable to the property taxing authorities. In the event that the payments made by Unit Owners are less than or more than the amount of taxes paid for the period in question, Unit Owners will be reimbursed for any overpayment of taxes or assessed for an underpayment. In the event of a proposed sale of any Residential Unit, the Residential Board, on request of the selling Residential Unit Owner, shall execute and deliver to the purchaser of such Unit or to such purchaser's title insurance company, a letter agreeing to pay all charges for water, sewer rents and real estate taxes (so long as such Board is still collecting and paying such charges) affecting such owner's Unit to the date of the closing of title to such Unit, promptly after such charges have been billed by the proper authorities.

6.20 **Fuel**. Unless and until fuel is billed directly to Residential Unit Owners by the supply company, in accordance with and subject to the provisions of the Plan, the cost and expense of fuel (for heating and cooling) serving or benefiting any Unit and/or Common Element shall be: (i) considered part of the expense of Maintaining such Unit and/or Common Element, (ii) charged as a General Common Expense if servicing the General Common Elements and/or all the Units, (iii) charged as a Residential Common Expense if solely attributable to the Residential Units and/or the Residential Common Elements and/or the Residential Limited Common Elements or (iv) charged as a Commercial Common Expense if solely attributable to the Commercial Units and/or the Commercial Common Elements. In the event there is a particular or unique use being made of a Unit and/or Common Element, the Condominium Board shall cause a survey to be made the cost of which shall be borne by the Unit Owners engaging in such unique use.

6.21 **Gas.** Gas for the Residential Section will be supplied by the utility company servicing the gas distribution system and charges therefor shall be paid by the Residential Board. The cost of gas consumed in the Residential Section will be borne by the Residential Unit Owners as a Residential Common Charge. Gas consumed in the Commercial Section will be separately metered and billed directly to each Commercial Unit Owner utilizing gas.

6.22 **Electricity.** Electricity for each Residential and Commercial Unit (including tenants occupying portions of the Commercial Units) shall be supplied by the utility company servicing the Units and separately metered for each Unit (or portion thereof). Each Unit Owner shall be required to pay the bills for electricity consumed or used in such Unit Owner's Unit (or portion thereof) and the Limited Common Elements to which such Unit has exclusive access, directly to the utility company as directed by such Board. Electricity for the Residential Common Elements shall be supplied through one or more separate meters therefor and the cost thereof will be paid by the Residential Board and will be borne by the Residential Unit Owners as Residential Common Charges.

6.23 **Utilities Serving the General Common Elements.** Except as otherwise provided in this Article 6, the cost and expense of water, sewer facilities, steam, electricity and

gas serving or benefiting (a) any General Common Element shall be (i) considered part of the expense of maintaining such General Common Element, (ii) determined by the Condominium Board, and (iii) charged as a General Common Expense, (b) any Residential Common Element shall be (i) considered part of the expense of Maintaining such Residential Common Element, (ii) determined by the Residential Board, and (iii) charged as a Residential Common Expense or (c) any Commercial Common Element shall be (i) considered part of the expense of Maintaining such Commercial Common Element, (ii) determined by the Condominium Board, and (iii) charged as a Commercial Common Expense. Any dispute as to the amount of such cost or expense shall be determined by Arbitration.

6.24 **Abatement and Enjoinment of Violations by Unit Owners.**

6.24.1 The violation of any of the Rules and Regulations or the breach of any By-Law contained herein, or the breach of any provision of the Declaration, shall give (a) the Condominium Board with respect to matters affecting the General Common Elements, (b) the Residential Board with respect to matters affecting the Residential Section, and (c) the Commercial Board with respect to matters affecting the Commercial Section, the right, in addition to such other rights set forth in these By-Laws, (i) to enter any Residential Unit or Commercial Unit or General or Limited Common Element in which, or as to which, such violation or breach exists and to summarily abate and remove, at the expense of the defaulting Unit Owner, any structure, thing or condition resulting in such violation or breach and such Board shall not thereby be deemed guilty or liable in any manner of trespass, or (ii) to enjoin, abate or remedy by appropriate legal proceedings, either at Law or in equity, the continuance of any such violation or breach.

6.24.3 In the event Condominium Board, the Residential Board, the Commercial Board and/or the Declarant (hereinafter the "Creditor Party") takes any action or brings any proceeding against a Unit Owner (hereinafter the "Defaulting Unit Owner") pursuant to the provisions of this Section, the Defaulting Unit Owner shall reimburse the Creditor Party for all reasonable costs and charges incurred by the Creditor Party in connection therewith, including without limitation, attorneys fees, together with all reasonable out-of-pocket costs and expenses incurred by the Creditor Party, together with interest on all of the foregoing at the rate of interest of 1.5% per month (but in no event in excess of the maximum rate permitted by Law) from the date of the payment or performance of the service by the Creditor Party or due date (if otherwise provided herein), until fully paid by the Defaulting Unit Owner. The Creditor Party may bill the Defaulting Unit Owner therefor at any time. Funds expended by the Creditor Party plus interest earned thereon, as aforesaid, shall be deemed a charge assessed against the Defaulting Unit Owner's Unit and the failure to make such reimbursement shall be deemed a default in the payment of Common Charges subject to the provisions governing such defaults as set forth in the

Condominium Act and the By-Laws and the Condominium Board, upon receipt of such funds from the Defaulting Party shall promptly reimburse the Creditor Party.

7.2 **Notice of Default and Unpaid Common Charges.** Whenever so requested in writing by a Permitted Mortgagee of any Unit, the Residential Board with respect to Permitted Mortgagees of Residential Units and the Commercial Board with respect to Permitted Mortgagees of any Commercial Unit, shall promptly report to such Permitted Mortgagee any default in the payment of Residential Common Charges or Commercial Common Charges, as the case may be, or any other default by the Unit Owner of such Unit under the provisions of the Declaration or these By-Laws which of which such Board may have received notice.

7.3 **Performance by Permitted Mortgagees.** The Residential Board, Commercial Board or Condominium Board, as the case may be, shall accept, by any Permitted Mortgagee of a Unit Owner, payment of any sum or performance of any act required to be paid or performed by such Unit Owner pursuant to the provisions of the Declaration, these By-Laws or the Rules and Regulations, with the same force and effect as though paid or performed by such Unit Owner. The Condominium Board or the Commercial Board, as the case may be, shall accept, by any Permitted Mortgagee of Declarant or a Commercial Unit Owner, payment of any sum or performance of any act required to be paid or performed by such Commercial Unit Owner or Declarant pursuant to the provisions of the Declaration, these By-Laws or the Rules and Regulations, with the same force and effect as though paid or performed by such Commercial Unit Owner or Declarant and in such event the Permitted Mortgagee shall be entitled to an additional ten (10) day period after expiration of applicable notice and cure periods, within which to cure any monetary default by a Unit Owner hereunder and an additional thirty (30) days after expiration of applicable notice and cure periods; provided however, that in the case of a non-monetary default that cannot, in the exercise of diligence, be cured within such the thirty (30) day period, the Permitted Mortgagee shall have such time as is reasonably necessary to cure such non-monetary default (including any time reasonably necessary to obtain possession of the Property covered by such Permitted Mortgage if possession is necessary to enable such Permitted Mortgagee to cure or remedy such default or event of default) provided that such

Permitted Mortgagee proceeds with all due diligence to cure or remedy such breach or default and/or obtain possession. In the event that more than one Permitted Mortgage is secured by a Unit, the senior Permitted Mortgagee shall be entitled to take all actions permitted under this Article unless all the Permitted Mortgagees otherwise designate a different Permitted Mortgagee to so act, by notice to the Condominium Board.

7.4 **Examination of Books.** Each Unit Owner and Permitted Mortgagee shall be permitted to examine the books of account of the Condominium (including, in the case of Residential or Commercial Unit Owners and Permitted Mortgagees thereof, the books of account of the Residential Section or the Commercial Section, as the case may be) at reasonable times, on business days, but not more than once a month.

7.5 **Representatives of Mortgagees.**

7.5.1 In the manner more particularly set forth in Subsection 7.5.2, the holders of Permitted Mortgages (as hereinafter defined) secured by Residential Units, may, at their election, designate one (1) or more (but not more than three (3)) representatives ("Residential Mortgage Representatives") who shall be empowered to act on behalf of all holders of Permitted Mortgages, with respect to any matter requiring their consent or approval under the Declaration or these By-Laws. If any Residential Mortgage Representatives are so designated and notice thereof is given to the Residential Board, the act of any such Representative (or a majority of such Representatives if more than one is so designated) shall be deemed binding upon the holders of all Permitted Mortgages. As used herein the term "Permitted Mortgage" means any first mortgage covering a Unit or Units, the initial holder of which is (i) Declarant or its designee (ii) a savings bank, savings and loan association, bank or trust company, insurance company, real estate investment trust, investment or finance company, mortgage trust or other entity which is in the business of providing loans secured by condominium units, or (iii) a federal, state, municipal, teacher's or union employee, welfare, pension or retirement fund or system.

7.5.2 Any designation of a Residential Mortgage Representative made by the holders of Institutional Residential Mortgages, constituting a majority in principal amount of all Institutional Residential Mortgages shall be binding upon the holders of all Institutional Residential Mortgages. Any such designation of any Residential Mortgage Representative shall remain effective until (a) any subsequent designation thereof is made pursuant to the provisions hereof, and (b) notice of such subsequent designation is given to the appropriate Board. Unless otherwise required by Law, all Permitted Mortgagees other than holders of an Institutional Residential Mortgage, shall have no right to participate in the selection of Residential Mortgage Representatives, but such Permitted Mortgagees shall be subject to all determinations made by such Residential Mortgage Representatives pursuant to the Declaration or these By-Laws.

7.6 **Consent of Mortgagees.** Except as otherwise expressly provided for herein or in the Declaration, no consent or approval by any mortgagee shall be required with respect to any determination or act of any Board, officer or Unit Owner; provided, however, that nothing contained herein shall be deemed to limit or affect the rights of any mortgagee against such Unit Owner's mortgagor.

ARTICLE 8

SELLING, LEASING AND MORTGAGING OF UNITS

8.1 **Selling and Leasing.** No Residential Unit Owner, other than Declarant or its designee may sell or lease such Unit Owner's Unit except by complying with the following provisions.

8.1.1 Any Residential Unit Owner who receives a bona fide offer to (a) purchase such Unit Owner's Residential Unit together with its appurtenant Common Interest, or (b) lease such Unit Owner's Residential Unit (such offer to purchase or lease a Residential Unit, as the case may be, is called an "Outside Offer," the party making any such Outside Offer is called an "Outside Offeror" and the Residential Unit Owner to whom the Outside Offer is made is called an "Offeree Unit Owner"), which the Offeree Unit Owner intends to accept, shall give notice by certified or registered mail, return receipt requested, to the Residential Board ("Inside Offeror") of the receipt of such Outside Offer. Said notice shall include the name and address of the Outside Offeror, the terms of the proposed transaction (including, but not limited to, the intended closing date in the event of a purchase or intended occupancy date in the event of a lease) and such other information as the Inside Offeror may reasonably require. The giving of such notice to the Inside Offeror, on behalf of all the Unit Owners represented by such Board, together with a copy of the fully executed contract of sale for such Unit, shall constitute an offer by the Offeree Unit Owner to sell such Unit Owner's Residential Unit together with its appurtenant Common Interest or to lease such Unit Owner's Residential Unit to the Inside Offeror, or its respective designee, corporate or otherwise, upon the same terms and conditions as contained in such Outside Offer and shall also constitute a representation and warranty by the Offeree Unit Owner to the Inside Offeror acting on behalf of all Residential Unit Owners that the Offeree Unit Owner believes the Outside Offer to be bona fide in all respects. The Offeree Unit Owner shall submit in writing such further information with respect thereto as the Inside Offeror may reasonably request. Not later than twenty (20) days after receipt of such notice together with such information as may have been requested, either of the Inside Offeror may elect, by sending written notice to such Offeree Unit Owner before the expiration of said twenty (20) day period, by hand delivery or by certified or registered mail, return receipt requested, to purchase such Residential Unit together with its appurtenant Common Interest or to lease such Residential Unit, as the case may be (or to cause the same to be purchased or leased by its designee, corporate or otherwise), in the case of the Residential Board, on behalf of all Unit Owners represented by the Residential Board, upon the same terms and conditions as contained in the Outside Offer and as stated in the notice from the Offeree Unit Owner.

8.1.2 In the event an Inside Offeror shall timely elect to purchase a Residential Unit together with its appurtenant Common Interest or to lease such Residential Unit or to cause the same to be purchased or leased by its designee, corporate or otherwise, then (a) with respect to a purchase, title shall close at the office of the attorneys for the Inside Offeror in accordance with the terms of the Outside Offer, within forty-five (45) days after the giving of notice by the Inside Offeror of its election to accept such offer and (b) with respect to a lease, the lease, upon the terms set forth in the Outside Offer, shall be executed and deemed effective on the date the Residential Board elects to accept such offer. Notwithstanding the foregoing, in the event that the closing date with respect to a purchase or the commencement date of the term of the lease, as

the case may be, set forth in the Outside Offer, shall be later than forty-five (45) days after the giving of notice by an Inside Offer's election to accept the aforesaid offer, the Inside Offeror shall be required to perform or cause to be performed all of the terms of the Outside Offer (except as otherwise expressly set forth in this Article 8) including, but not limited to, payment of a downpayment or advance rentals and security deposits, as the case may be, and such closing of title or the commencement of the term of the lease shall be the date set forth in the notice to the Inside Offeror referred to in 8.1.1 as the intended closing date or commencement date, as the case may be. If pursuant to such Outside Offer, the Outside Offeror was to assume or take title to the Residential Unit subject to the Offeree Unit Owner's existing mortgage or mortgages, the Inside Offeror may purchase the Residential Unit and assume or take title to the Residential Unit subject to said existing mortgage or mortgages, as the case may be. At the closing, the Offeree Unit Owner, if such Residential Unit together with its appurtenant Common Interest is to be sold, shall convey the same to the Inside Offeror, or to its designee, corporate or otherwise, on behalf of all Residential Unit Owners, by deed in the form required by Section 339 o of the Real Property Law of the State of New York, with all tax and/or documentary stamps affixed at the expense of such Offeree Unit Owner, who shall also pay all other taxes arising out of such sale. Real estate taxes (including water charges and sewer rents if separately assessed), mortgage interest, if any, and Common Charges shall be apportioned between the Offeree Unit Owner and the Inside Offeror, or its designee, corporate or otherwise, as of the closing date. In the event such Residential Unit is to be leased, the Offeree Unit Owner shall execute and deliver to the Inside Offeror, or to its designee, corporate or otherwise, a lease between the Offeree Unit Owner, as landlord, and the Inside Offeror, or its designee, corporate or otherwise, as tenant, covering such Residential Unit, for the rental and term contained in such Outside Offer.

8.1.3 In the event an Inside Offeror or its designee shall fail to accept such offer within twenty (20) days after receipt of notice, as aforesaid, the Offeree Unit Owner shall have an additional sixty (60) days to accept the Outside Offer by executing and delivering a contract or lease, as the case may be. In the event the Offeree Unit Owner shall not, within such sixty (60) day period, accept in writing the Outside Offer, or if the Offeree Unit Owner shall accept the Outside Offer within such sixty (60) day period but such sale or lease, as the case may be, shall not be consummated within an additional sixty (60) days following the expiration of such sixty (60) day period, then, should such Offeree Unit Owner thereafter elect to sell such Residential Unit together with its appurtenant Common Interest or to lease such Residential Unit, as the case may be, the Offeree Unit Owner shall be required to again comply with all the terms and provisions of this Section 8.1. Notwithstanding the foregoing, an Inside Offeror, in its discretion, may waive the Offeree Unit Owner's obligation to comply with either or both of the sixty (60) day periods described herein or may extend either or both such periods, provided that such waiver or extension shall only be effective if in writing.

8.1.4 Any deed to an Outside Offeror shall be deemed to provide that the acceptance thereof by the grantee shall constitute an assumption of the provisions of the Declaration, these By-Laws and the Rules and Regulations, as the same may be amended from time to time.

8.1.5 Any lease executed in connection with the acceptance of any Outside Offer to lease a Residential Unit shall be consistent with these By-Laws and shall provide that it may not be materially modified, amended or extended without the prior consent in writing of the

Residential Board, that the tenant shall not assign such Unit Owner's interest in such lease or sublet the demised premises or any part thereof without the prior consent in writing of the Residential Board and that the Residential Board, if permitted by applicable Law, shall have power to terminate such lease and/or to bring summary proceedings to evict the tenant in the name of the landlord thereunder, in the event of (i) a default by the tenant in the performance of its obligations under such lease, or (ii) a foreclosure of the lien granted by Section 339-z of the Real Property Law of the State of New York.

8.1.6 Except as hereinbefore set forth, the form of any such lease executed by the Residential Board or an Outside Offeror shall be a printed, reasonably applicable form of residential lease which is generally approved by the Board which governs the Unit to be leased and is accepted in New York City, such as an appropriate Real Estate Board of New York, Inc. or Blumberg form, and shall contain such modifications as shall be approved in writing by the Residential Board. Any lease executed by the Residential Board as tenant shall provide that the Residential Board may enter into a sublease of the premises without the consent of the landlord.

8.1.7 The foregoing restrictions of this Section 8.1 shall not apply to Unsold Residential Units, or Units rented to or by Declarant or its designee, or the Commercial Units (or any commercial condominium units into which the Commercial Units may hereafter be divided). Declarant or its designee, and the Commercial Unit Owners shall have the right to freely sell their respective Units, or to freely lease all or any part of the Unsold Residential Units or the Commercial Units, as the case may be, without having to first offer the same for sale or lease to any Board or pay any fees or costs to any Board.

8.2 **Consent of Residential Unit Owners to Purchase or Lease of Residential Units by Residential Board.** The Residential Board shall not exercise any option hereinabove set forth to purchase or lease any Residential Unit without the prior approval of a Majority of Residential Unit Owners and subject to the right of the Declarant to veto such purchase or lease in accordance with these By-Laws. However, the Residential Board shall have the right to release or waive such option without the prior approval of a Majority of Residential Unit Owners.

8.3 **Sovereign Immunity**. Notwithstanding anything to the contrary set forth above, before any Residential Unit is conveyed to a government or governmental mission, or to a department, agency or consulate of a government, or to any other party who or which may be entitled under applicable laws, conventions or treaties (including, without limitation, the United States Foreign Sovereign Immunities Act as same may be amended) to any present or future claim to any immunity, whether characterized as sovereign immunity or otherwise (or diplomatic or consular immunity, if applicable), from any legal or equitable proceedings in the United States of America or elsewhere, the Residential Board may require that the potential grantee enter into an agreement with the Residential Board, on terms acceptable to the Residential Board and its counsel, in which the potential grantee (i) agrees to a specified arrangement for service of process, (ii) expressly and irrevocably waives, to the full extent permitted by law (including, without limitation, the United States Foreign Sovereign Immunities Act, as same may be amended), with respect to the potential grantee, and with respect to any and all other intended occupants of the Unit, any present or future claim to any immunity, whether characterized as sovereign immunity or otherwise, (and diplomatic and consular immunity, if applicable) from

any legal or equitable proceedings in the United States of America or elsewhere, brought by the Residential Board or any other party claiming with respect to the Unit (including without limitation, immunity from service of process, immunity from jurisdiction of any court or tribunal, and immunity of any of that party's property from attachment prior to entry of judgment and from attachment in aid of execution, and from execution itself, upon a judgment), (iii) agrees that any legal action or proceeding with respect to the Unit may be brought in the courts of the State of New York, and in the City of New York, or in the United States District Court for the Southern District of New York, as the Residential Board shall elect, and (iii) permits execution and enforcement of any judgment obtained by the Residential Board. The foregoing provisions do not apply to sales of Unsold Residential Units.

8.4 **No Severance of Ownership.** No Unit Owner shall execute any deed, mortgage or other instrument conveying or mortgaging title to such Unit Owner's Unit without including therein its appurtenant Common Interest, it being the intention to prevent any severance of such combined ownership. Any such deed, mortgage or other instrument purporting to affect one or more of such interests without including all such interests shall be deemed and taken to include the interest or interests so omitted even though the latter shall not be expressly mentioned or described therein. No part of the Common Interest appurtenant to any Unit may be sold, conveyed or otherwise disposed of, except as part of a sale, conveyance or other disposition of the Unit to which such interest is appurtenant or as part of a sale, conveyance or other disposition of such part of the appurtenant Common Interests of all Units. Nothing in this Section 8.4 shall permit the lease of any Unit without the simultaneous lease of its appurtenant Common Interest.

8.5 **Release by Residential Board of Right of First Refusal.** The right of first refusal contained in 8.1 may be released or waived by each Inside Offeror only in the manner provided in Section 8.5. In the event an Inside Offeror shall release or waive its right of first refusal as to any Residential Unit, such Residential Unit together with its appurtenant Common Interest may be sold, conveyed or leased, free and clear of the provisions of Subsections 8.1.1 and 8.1.2, provided that such sale, conveyance or lease occurs within any applicable time periods required pursuant to Subsection 8.1.3.

8.6 **Certificate of Termination of Right of First Refusal.** A certificate executed by an officer of the Residential Section stating that the provisions of Subsection 8.1.1 have been met by a Residential Unit Owner or stating that the right of first refusal contained therein has been duly released or waived by the Inside Offeror, and that as a result thereof the rights of the Inside Offeror thereunder have terminated (provided that any sale, conveyance or lease occurs within any applicable time periods required pursuant to Subsection 8.1.3), shall be conclusive upon the Inside Offeror and the Residential Unit Owners in favor of all persons who rely on such certificate in good faith. Each Inside Offeror shall furnish such certificate upon request to any Residential Unit Owner with respect to whom the provisions of Subsection 8.1.1 have, in fact, terminated.

8.7 **Financing of Purchase of Residential Units by Residential Board.** The purchase of any Residential Unit by the Residential Board or its designee, on behalf of all Residential Unit Owners, may be made from the funds deposited in the capital and/or expense accounts of the Residential Board. If the funds in such accounts are insufficient to effectuate any such purchase, the Residential Board may levy an assessment against each Residential Unit

Owner in proportion to such Unit Owner's respective Common Interest, as a Common Charge, and/or the Residential Board may, in its discretion, finance the acquisition of such Unit; provided, however, that no such financing may be secured by an encumbrance or hypothecation of any portion of the Property other than the Unit to be purchased together with its (their) appurtenant Common Interest(s).

8.8 **Exceptions.** The provisions of Section 8.1 shall not apply with respect to any lease, sale or conveyance of any Residential Unit together with its appurtenant Common Interest by (a) the Unit Owner thereof to such Unit Owner's spouse, adult children or grandchildren, parents, grandparents, adult siblings or to any one or more of them or to any affiliate of the Unit Owner thereof, (b) Declarant or its designee, (c) the Residential Board, (d) any proper officer conducting the sale of a Residential Unit in connection with the foreclosure of a mortgage or other lien covering such Residential Unit or delivering a deed in lieu of such foreclosure, or (e) a Permitted Mortgagee or such Unit Owner's nominee, who has acquired title to any Residential Unit at any foreclosure sale of such Unit Owner's Permitted Mortgage or by deed in lieu thereof delivered in a bona fide transaction; provided, however, that each succeeding Residential Unit Owner shall be bound by, and such Unit Owner's Residential Unit subject to, the provisions of this Article 8. In addition, the provisions of Section 8.1 shall not apply to any lease, sale or conveyance of the Commercial Units or any part thereof. The term "affiliate" shall be deemed to be an individual or entity which owns more than fifty percent (50%) of the beneficial interest of such Unit Owner, or an entity with respect to which such Unit Owner owns more than fifty percent (50%) of the legal and beneficial interest. In the event a Unit Owner is not a natural person, the provisions of Section 8.1 shall apply to any lease, sale or conveyance of the beneficial or legal ownership of such Residential Unit Owner to any party which is not an affiliate of the Residential Unit Owner.

8.9 **Gifts and Devises, etc.** Any Residential Unit Owner shall be free to convey or transfer such Unit Owner's Residential Unit by gift, or may devise such Unit Owner's Residential Unit by will or have such Unit Owner's Residential Unit pass by intestacy, without being subject to the restrictions of Section 8.1; provided, however, that each succeeding Residential Unit Owner shall be bound by, and such Unit Owner's Residential Unit shall remain subject to, the provisions of this Article 8.

8.10 **Unauthorized Sales or Leases of Residential Units.** Any purported sale or lease of a Residential Unit consummated in violation of Sections 8.1, 8.3 or 8.4 shall be voidable at the election of the Residential Board and if the Residential Board shall so elect, the Residential Unit Owner shall be deemed to have authorized and empowered the Residential Board to institute legal proceedings to eject the purported purchaser (in case of an unauthorized sale) or to evict the purported tenant (in case of an unauthorized leasing), in the name of the said Residential Unit Owner as the owner or landlord, as the case may be. Said Residential Unit Owner shall reimburse the Residential Board for all expenses (including attorneys' fees and disbursements) incurred in connection with such proceedings.

8.11 **Charges Imposed on Sale or Lease of Residential Units.** If permitted by Law, the Residential Board shall be entitled to fix by resolution and collect, before any sale or lease of a Residential Unit is consummated, a reasonable charge to cover its expenses, and any fees due the Managing Agent or any attorney retained by the Residential Board, in connection with the

sale or lease. Additionally, the Residential Board may, by resolution adopt a "flip" tax in connection with such sale in order to create a reserve fund which will provide reserves for the Residential Section to use in the future for capital improvements, emergency repairs and working capital. If such charge is adopted, it shall be added to, and constitute a portion of, Common Charges payable by the selling or leasing Unit Owner. The aforementioned charge shall not apply to the lease of a Residential Unit to Declarant or its designee, to the sale or lease of Unsold Residential Units by Declarant or its designee, or to the sale or lease of Unsold Residential Units by a Permitted Mortgagee of Declarant that acquires title to Unsold Residential Units.

8.12 **Power of Attorney.** At the time of acquiring title to a Residential Unit and as a condition thereof, the new Unit Owner shall duly execute, acknowledge and make arrangements for recording in the City Register's Office, the Power of Attorney required by Article 17 of the Declaration, in the form set forth as Exhibit E to the Declaration.

8.13 **Notices Concerning Residential Unit Occupancy.** Within five (5) days following acquisition of a Residential Unit or the commencement of a lease relating thereto, the new Unit Owner or lessor, as the case may be, shall notify the Managing Agent of the Unit involved, the name of the purchaser or lessee and the names of the individuals, as permitted by the By-Laws, who will be using or occupying the Unit. The individuals so designated may be changed by the purchaser or lessor, from time to time, by further notice to the Managing Agent.

8.14 **Waiver of Right of Partition with Respect to Units Acquired on Behalf of Unit Owners as Tenants-in-Common.** In the event that any Unit shall be acquired by the Residential Board or the Commercial Board, or their respective designees, corporate or otherwise, on behalf of all Residential Unit Owners or all Commercial Unit Owners, as the case may be, as tenants-in-common, all such Unit Owners shall be deemed to have waived all rights of partition with respect to such acquired Unit as herein provided.

8.15 **Payment of Assessments.** No Residential Unit Owner shall be permitted to convey, mortgage, pledge, hypothecate or lease such Unit Owner's Residential Unit unless and until the Unit Owner shall have paid in full to the appropriate Board all unpaid Common Charges theretofore assessed by said Board against such Residential Unit and until such Residential Unit Owner shall have satisfied all unpaid liens against such Unit Owner's Residential Unit other than Permitted Mortgages.

8.16 **Mortgage of Units.** Subject to Article 7 and Section 8.15, each Unit Owner shall have the right to mortgage such Unit Owner's Unit without restriction, provided that, with respect to any mortgage covering a Residential Unit, the Residential Unit Owner making such mortgage shall notify in writing the Residential Board of the making of such mortgage.

8.17 **Lease or Purchase of Residential Unit or Other Apartment for Superintendent's/Resident Manager Residence.** The Residential Board or the Condominium Board shall have the right to lease or purchase and finance the purchase of a Residential Unit or other apartment for the resident manager's unit (whether or not in the Building) and shall have the right to amend, modify, extend, renew and otherwise deal in any way with respect to any such lease, purchase or financing without the approval of a Majority of Unit Owners.

ARTICLE 9

CONDEMNATION

In the event of the taking in condemnation or by eminent domain of all or any part of the General or Limited Common Elements, each Board, subject to the provisions set forth below, will arrange for the prompt repair and restoration of such part of the General or Limited Common Elements so taken which, pursuant to the provisions of these By-Laws, are required to be maintained by such Board. The award made for any such taking shall be payable to the Board responsible for the repair and restoration thereof, as aforesaid; provided, however, that if any such award exceeds $1,000,000, such award shall be payable to the Insurance Trustee and shall be disbursed to the contractors engaged in such repair and restoration, if any, in appropriate progress payments. If the net proceeds of any such award are insufficient to cover, or if such net proceeds exceed the cost of any repairs and restorations, the deficit or surplus, as the case may be, will be (a) borne and shared by all Unit Owners with respect to any taking of the General Common Elements pro rata, as follows: first, to the Residential Unit Owners and the Commercial Unit Owners in accordance with their respective Common Interests; thereafter, each Board shall allocate such deficit or surplus, as the case may be, pro rata, to the Residential Unit Owners and to the Commercial Unit Owners, respectively, in accordance with their respective Common Interests; (b) borne and shared by all Residential Unit Owners with respect to any taking of the Residential Common Elements pro rata in accordance with their Common Interests; and (c) borne and shared by all Residential Unit Owners having exclusive access to the Residential Limited Common Elements pro rata in accordance with their respective interest in such Residential Limited Common Interests; (d) borne and shared by all Commercial Unit Owners with respect to any taking of the Commercial Common Elements pro rata in accordance with their Common Interests, and (e) borne and shared by all Commercial Unit Owners having exclusive access to the Commercial Common Elements with respect to any taking of the Commercial Limited Common Elements pro rata in accordance with respective interest in such Commercial Limited Common Interests. Notwithstanding any provisions contained herein to the contrary, in the event that (1) seventy-five percent (75%) of all Residential Unit Owners and/or seventy-five percent (75%) of all Commercial Unit Owners do not duly and promptly resolve to proceed with such repair or restoration of their respective Limited Common Elements, or (2) seventy-five percent (75%) of all Unit Owners do not duly and promptly resolve to proceed with such repair and restoration of the General Common Elements, then such repairs or restorations of the Limited Common Elements and/or General Common Elements shall not be made and the net proceeds of any such award with respect thereto shall be divided among the Unit Owners pro rata in the same manner as is set forth in (a), (b) and (c) above, after first paying out of the share of each Unit Owner the amount of any unpaid liens on such Units other than mortgages which are not Permitted Mortgages. As used in this Article 9 the words "promptly resolve" shall mean not more than sixty (60) days from the date of such taking. Any dispute between any Boards under this Article 9 shall be settled by Arbitration.

ARTICLE 10

RECORDS AND AUDITS

10.1 **Records.** Each Board or the managing agent for that Board, if any, shall keep detailed records of the actions of such Board, minutes of the meetings of such Board, minutes of the meetings of the Unit Owners for whom such Board serves and financial records and books of account with respect to the activities of such Board, including a listing of all receipts and expenditures. In addition, the Residential Board shall keep a separate account for each Residential Unit, which, among other things, shall contain the amount of each assessment of Common Charges made by the Residential Board against each such Unit, the date when due, the amounts paid thereon and the balance, if any, remaining unpaid.

10.2 **Audits.** Within four (4) months after the end of each fiscal year, an annual report of receipts and expenditures prepared and certified by an independent certified public accountant shall be submitted by (a) the Residential Board to all Residential Unit Owners, (b) the Commercial Board to all Commercial Unit Owners, and (c) the Condominium Board to the Residential Board and the Commercial Board, and, if so requested, to any Permitted Mortgagee, as the case may be. The cost of such report submitted by (1) the Residential Board, shall be paid by the Residential Unit Owners as a Residential Common Expense, (2) the Commercial Board, shall be paid by the Commercial Unit Owners as a Commercial Common Expense, and (3) the Condominium Board shall be paid by the Residential Board and the Commercial Board as a General Common Expense.

10.3 **Availability of Documents.** Copies of the Declaration, these By-Laws, the Rules and Regulations and the Floor Plans, as the same may be amended from time to time, shall be maintained at the office of the Condominium Board and shall be available for inspection by Unit Owners and their authorized agents during reasonable business hours.

ARTICLE 11

ARBITRATION

11.1 **General Procedure.** Any arbitration provided for in these By-Laws shall be conducted in accordance with the provisions of this Article 11 (an "Arbitration"). Each Arbitration shall be conducted before one (1) arbitrator in New York City by the American Arbitration Association or any successor organization thereof, in accordance with its rules then in effect and the decision rendered in such Arbitration shall be binding upon the parties and may be entered in any court having jurisdiction. In the event that the American Arbitration Association is not then in existence and has no successor, any arbitration hereunder shall be conducted in New York City before one arbitrator appointed, on application of any party, by any justice of the highest court of appellate jurisdiction located in the County of New York having jurisdiction over the matter. The decision of the arbitrator so chosen shall be given within ten (10) days after such arbitrator's appointment. Any arbitrator appointed or selected in connection with any Arbitration under this Article 11 shall be a lawyer or real estate owner, developer, or

manager familiar with condominium properties and having general legal or real estate experience, as the case may be, of not less than fifteen (15) years.

11.2 **Costs and Expenses.** The fees, costs and expenses of the arbitrator will be borne by the losing party in the Arbitration or, if the position of neither party to the dispute will be substantially upheld by the arbitrator, such fees, costs and expenses will be borne equally by the disputants unless otherwise set by the arbitrator. Each disputant will also bear the fees and expenses of such Unit Owner's counsel and expert witnesses. All costs and expenses paid or incurred by the Condominium Board in connection with any Arbitration held hereunder, including, without limitation, the fees and expenses of counsel and expert witnesses, will constitute General Common Expenses.

11.3 **Agreement by Parties.** The parties to any dispute required or permitted to be submitted to Arbitration hereunder may, by mutual agreement between them, vary any of the provisions of Section 11.1 with respect to the Arbitration of such dispute, or may agree to resolve their dispute in any other manner, including, without limitation, the manner set forth in Section 3031 of the New York Civil Practice Law and Rules and known as the "New York Simplified Procedure for Court Determination of Disputes."

ARTICLE 12

MISCELLANEOUS

12.1 **Waiver.** No provision contained in these By-Laws or the Rules and Regulations shall be deemed to have been abrogated or waived by reason of any failure to enforce the same, irrespective of the number of violations or breaches which may occur.

12.2 **Captions.** The captions herein are inserted only as a matter of convenience and for reference, and in no way define, limit or describe the scope of these By-Laws nor the intent of any provision hereof.

12.3 **Certain References.**

12.3.1 A reference in these By-Laws to any one gender, masculine, feminine or neuter, includes the other two, and the singular includes the plural, and vice versa, unless the context otherwise requires.

12.3.2 The terms "herein," "hereof" or "hereunder" or similar terms used in these By-Laws refer to these entire By-Laws and not to the particular provision in which the terms are used, unless the context otherwise requires.

12.3.3 Unless otherwise stated, all references herein to Articles, Sections or other provisions are references to Articles, Sections or other provisions of these By-Laws.

12.4 **Severability.** Subject to the provisions of the Declaration, if any provision of these By-Laws is invalid or unenforceable as against any person, party or under certain circumstances, the remainder of these By-Laws and the applicability of such provision to other

persons, parties or circumstances shall not be affected thereby. Each provision of these By-Laws shall, except as otherwise herein provided, be valid and enforced to the fullest extent permitted by Law. In the event any provision of these By-Laws or the Rules and Regulations conflicts with the provisions of the Declaration, the provisions of the Declaration shall control.

12.5 **Insurance Trustee.** The Insurance Trustee shall be a bank or trust company in The City of New York, designated by the Condominium Board and having a capital surplus and undivided profits of $500,000,000 or more. In the event the Insurance Trustee resigns or the Condominium Board wishes to replace it, the Condominium Board shall promptly appoint a new Insurance Trustee. The Condominium Board shall pay the fees and disbursements of any Insurance Trustee and such fees and disbursements shall constitute a General Common Expense. The Insurance Trustee shall hold all such proceeds in accordance with Section 254(4) of the Real Property Law of the State of New York. If required by Declarant's construction or permanent lender, such lender shall be the Insurance Trustee until its release of all Units from the lien of its mortgage.

such instrument, or to take such action in the name of such Unit Owner or other party and such document or action shall be binding on such Unit Owner or other party.

12.7.3 If any Unit Owner, Board or other party which is subject to the terms of these By-Laws fails, within ten (10) days after request therefor, either (i) to execute, acknowledge or deliver any instrument, or to take any action which such Unit Owner, Board or party is required to execute, acknowledge and deliver or to take pursuant to these By-Laws at the request of Declarant or its designee, or (ii) to deliver a written notice to Declarant or its designee, as applicable, and to the Board representing such Unit Owners stating the reasons why such Unit Owner, Board or other party refuses to execute, acknowledge or deliver such instrument or take such action, then Declarant or its designee is hereby authorized, as attorney-in-fact for such Unit Owner, Board or other party, coupled with an interest, to execute, acknowledge and deliver such instrument, or to take such action, in the name of such Unit Owner, Board or other party and such document or action shall be binding on such Unit Owner, Board or other party, as the case may be.

13.2 **Amendments Affecting Declarant or its Designee or the Commercial Unit Owner.** Notwithstanding any provision contained herein to the contrary, no amendment, modification, addition or deletion of or to these By-Laws, the Declaration or the Rules and Regulations shall be effective in any way (a) without the prior written consent of the affected Commercial Unit Owner(s) with respect to any amendment, modification, addition or deletion of or to these by-laws, the Declaration or the Rules and Regulations modifying the permitted uses of any Commercial Unit or affecting the rights, privileges, easements, licenses or exemptions granted to any Commercial Unit Owner, (b) without the prior written consent of Declarant or its designee, as the case may be, with respect to any amendment, modification, addition or deletion of or to these by-laws, the Declaration or the Rules and Regulations modifying the permitted uses of the Building or any portion thereof or affecting the rights, privileges, easements, licenses or exemptions granted to Declarant or its designee, as the case may be, or otherwise adversely affecting Declarant or its designee or the owner of any Unsold Residential Unit, as the case may be, or (c) without the prior written consent of the holder of any present or future mortgage, pledge, or other lien or security interest covering any Unsold Residential Unit or Commercial Unit, with respect to any amendment, modification, addition or deletion of or to these by-laws, the Declaration, or the Rules and Regulations modifying the permitted uses of such Unsold Residential Unit or Commercial Unit, or affecting the rights, privileges, easements, licenses or exemptions granted to the Commercial Unit. Declarant and the Commercial Unit Owners shall have the right to amend the By-Laws, without the consent of any Board or any other Unit Owner, to effectuate the rights otherwise granted to Declarant and the Commercial Unit Owners under the terms of the Declaration and these By-Laws.

28. No Residential Unit Owner or any of such Unit Owner's agents, servants, employees, licensees, tenants, sublessees or visitors shall at any time bring into or keep in such Unit Owner's Unit any inflammable, combustible or explosive fluid, material, chemical or substance, except as shall be necessary and appropriate for the permitted uses of such Unit.

29. for injury, loss or damage of any nature whatsoever, directly or indirectly resulting therefrom or connected therewith.

30. Nothing shall be done or kept in any Residential Unit or in the General or Limited Common Elements which will increase the rate of insurance of the Building or contents thereof without the prior written consent of the Condominium Board. No Residential Unit Owner shall permit anything to be done or kept in such Unit Owner's Unit or in the General or Limited Common Elements which will result in the cancellation of insurance on the Building or which would be in violation of any Law. No waste shall be committed in the General or Limited Common Elements.

31. The Boards shall have the right from time to time to relocate any portion of the Common Elements devoted to storage or service purposes.

32. No group tour or exhibition of any Residential Unit or its contents shall be conducted, nor shall any auction sale be held in any Residential Unit, without the prior consent of the Residential Board or the managing agent of the Residential Section.

33. In the event that any Residential Unit is used for home occupation purposes which are permitted by Law and the By-Laws, in no event shall any patients, clients or other invitees be permitted to wait in any lobby, public hallway or vestibule.

36. The Residential Board reserves the right to rescind, alter, waive or add, as to one or more or all occupants, any rule or regulation at any time prescribed for the Residential Section when, in the reasonable judgment of the Residential Board, the Residential Board deems it necessary or desirable for the reputation, safety, character, security, care, appearance or interests of the Residential Section, or the preservation of good order therein, or the operation or Maintenance of the Residential Section, or the equipment thereof, or the comfort of Unit Owners, occupants or others in the Residential Section. No rescission, alteration, waiver or addition of any rule or regulation in respect of one Residential Unit Owner or other occupant shall operate as a rescission, alteration or waiver in respect of any other Residential Unit Owner or other occupant.

CONCERNING ADEQUACY OF COMMON CHARGES
PAYABLE BY THE COMMERCIAL UNIT OWNER

Re: Condominium Offering Plan
The Cocoa Exchange
One Wall Street Court
New York, New York ("Property")

The sponsor of the condominium offering plan for the captioned property retained our firm to prepare Schedule B containing projections of common charges payable by the owner of the commercial unit. Penmark Realty Corporation has been engaged in the management of residential real estate for the past 32 years, manages approximately 35 cooperative and condominium buildings. Including buildings with commercial space, and is licensed as a real estate broker in the State of New York.

We understand that we are responsible for complying with Article 23-A of the General Business Law and the regulations promulgated by the Department of Law in Part 20 insofar as they are applicable to the commercial unit listed in Schedule B.

We have reviewed Schedule B as it impacts upon the commercial unit and investigated the facts underlying it with due diligence in order to form a basis for this certification. We also have relied on our experience more fully set forth above.

We certify that the projections in Schedule B for the common charges payable by the owner of the commercial unit appear reasonable and adequate under existing circumstances to meet the anticipated operating expenses fairly attributable to such commercial unit for the projected first year of condominium operation, and that the allocation of common charges attributable to the commercial unit also reflects special or exclusive use or availability or exclusive control of particular common areas.

We certify that the estimates in Schedule B for the common charges payable by the owner of the commercial unit:

(i) sets forth in detail the projected common charges for the commercial unit for the first year of condominium operation;

5 East 86th Street • New York, NY 10028 • 212-876-4200 • F 212-876-4258

All capitalized terms not defined in this letter shall have the meaning ascribed to them in the Offering Plan.

Very truly yours,

ESCROW AGREEMENT FOR OFFERING PLAN

ESCROW AGREEMENT

AGREEMENT made this 19th day of September, 2005, between Cocoa Condominium Sales, LLC ("SPONSOR") as sponsor of the Offering Plan (defined below) and Stroock & Stroock & Lavan LLP ("ESCROW AGENT") as escrow agent.

WHEREAS, SPONSOR is the sponsor of an offering plan for premises known as The Cocoa Exchange, One Wall Street Court, New York, New York (the "Offering Plan"); and

WHEREAS, Stroock & Stroock & Lavan LLP is authorized to act as an escrow agent hereunder in accordance with General Business Law ("GBL") Section 352-e(2-b) and the Attorney General's regulations promulgated thereunder; and

WHEREAS, SPONSOR desires that ESCROW AGENT act as escrow agent for deposits and payments by purchasers or subscribers, pursuant to the terms of this Agreement.

NOW, THEREFORE, in consideration of the covenants and conditions contained herein and other good and valuable consideration, the parties hereby agree as follows:

A. ESTABLISHMENT OF THE ESCROW ACCOUNT.

1. ESCROW AGENT has established a master escrow account for the purpose of holding deposits, down payments, advances or payments ("Deposits") made by purchasers or subscribers ("Purchasers") pursuant to the Offering Plan at The Chase Manhattan Bank, N.A. at its branch located at One New York Plaza, New York, New York 10081 entitled Stroock & Stroock & Lavan LLP, Escrow Account No. [redacted] (the "Master Escrow Account").

2. All Deposits will be placed initially in a non-interest bearing checking portion of the Master Escrow Account. At such time as ESCROW AGENT receives a completed and signed Form W-9 (Request for Taxpayer Identification Number) or Form W-8BEN (Certificate of Foreign Status of Beneficial Owner for United States Tax Withholding), as applicable, from a Purchaser, the Deposit of such Purchaser will be promptly transferred from the non-interest bearing checking portion of the Master Escrow Account into an individual interest bearing sub-escrow savings account in the name of such Purchaser. At such time as the Deposit is released, the Deposit will be transferred from the individual sub-escrow savings account to the non-interest bearing checking portion of the Master Escrow Account so that checks may be drawn thereon.

3. Partners or attorneys employed by ESCROW AGENT are the sole signatories on the Master Escrow Account.

4. The Master Escrow Account is not an IOLA account established pursuant to Judiciary Law Section 497.

5. All interest will be credited to Purchaser at such time as: (i) there is a closing under the Contract of Sale (defined below), or (ii) Purchaser is entitled to a return of the Deposit. All interest will be credited to SPONSOR only in the event Purchaser defaults.

B. DEPOSITS INTO THE ESCROW ACCOUNT.

6. All funds received from Purchasers prior to closing, whether in the form of checks, drafts, money orders, wire transfers, or other instruments which identify the payor, shall be deposited into the Master Escrow Account. All instruments to be deposited into the Master Escrow Account shall be made payable directly to the order of "Stroock & Stroock & Lavan LLP, as Escrow Agent." Endorsed instruments will not be accepted. Any instrument payable other than as required hereby, and which cannot be deposited into the Master Escrow Account, shall be returned to the Purchaser promptly, but in no event more than five (5) business days following receipt of such instrument by ESCROW AGENT. In the event of such return of funds, the instrument shall be deemed not to have been delivered to ESCROW AGENT pursuant to the terms of this Agreement.

7. Within ten (10) business days after tender of the Deposit submitted with the purchase agreement or subscription agreement ("Contract of Sale"), ESCROW AGENT shall notify the Purchaser of the deposit of such funds in the Master Escrow Account, provide the account number, and disclose the initial interest rate. If the Purchaser does not receive notification of such deposit within fifteen (15) business days after tender of the Deposit, the Purchaser may cancel the Contract of Sale and rescind within ninety (90) days after tender of the Deposit, or may apply to the Attorney General for relief. Rescission may not be afforded where proof satisfactory to the Attorney General is submitted establishing that the Deposit was timely deposited in accordance with the Attorney General's regulations and requisite notice was timely mailed to the Purchaser.

C. RELEASE OF FUNDS.

8. Consummation of the Offering Plan does not relieve SPONSOR of its fiduciary obligations pursuant to GBL Section 352-h.

9. ESCROW AGENT shall continue to hold the Deposit in escrow until otherwise directed in (a) a writing signed by both Sponsor and Purchaser or (b) a determination of the Attorney General or (c) a judgment or order of a court of competent jurisdiction or until released pursuant to the regulations of the Attorney General pertaining to release of escrowed funds.

10. SPONSOR shall not object and will be deemed to have agreed, without the need for a written agreement, to the release of the Deposit to: (a) a Purchaser who timely rescinds in accordance with an offer of rescission contained in the Offering Plan or an amendment to the Offering Plan, or (b) all Purchasers after an amendment abandoning the Offering Plan is accepted for filing by the Department of Law.

11. In the event SPONSOR and a Purchaser close title under the Contract of Sale, ESCROW AGENT shall be entitled to release the Deposit to SPONSOR without the need for a written agreement from Purchaser.

12. Except as otherwise set forth above, if there is no written agreement between the parties to release the Deposit, ESCROW AGENT shall not pay the funds to SPONSOR until ESCROW AGENT has given the Purchaser written notice of not fewer than ten (10) business days. Thereafter, the Deposit may be paid to SPONSOR unless the Purchaser has made application to the Department of Law pursuant to the dispute resolution provisions

contained in the Attorney General's regulations and ESCROW AGENT has received notice from the Purchaser in accordance with such provisions.

D. RECORDKEEPING.

13. ESCROW AGENT shall maintain all records concerning the Master Escrow Account for seven years after release of the funds.

14. Upon the dissolution of ESCROW AGENT, the former partners or members of the firm shall make appropriate arrangements for the maintenance of these records by one of the partners or members of the firm or by the successor firm and shall notify the Department of Law of such transfer.

15. ESCROW AGENT shall make available to the Attorney General, upon request, all books and records of ESCROW AGENT relating to the funds deposited and disbursed hereunder.

E. GENERAL OBLIGATIONS OF ESCROW AGENT.

16. ESCROW AGENT shall maintain the Master Escrow Account under its direct supervision and control.

17. A fiduciary relationship shall exist between ESCROW AGENT and Purchasers, and ESCROW AGENT acknowledges its fiduciary obligations.

18. ESCROW AGENT shall not be liable to SPONSOR for any error in judgment, mistake of fact or law or for any act or omission on ESCROW AGENT'S part, including, without limitation, any act or omission which permits a Purchaser to rescind a Contract of Sale, unless taken or suffered in bad faith or in willful disregard of this Agreement or involving gross negligence on the part of ESCROW AGENT.

19. ESCROW AGENT shall be permitted to act as counsel for SPONSOR in any dispute as to the disbursement of the Deposit or any other dispute between SPONSOR and a Purchaser whether or not ESCROW AGENT is in possession of the Deposit and continues to act as ESCROW AGENT.

20. ESCROW AGENT may rely upon any paper or document which may be submitted to it in connection with its duties under this Agreement and which is believed by ESCROW AGENT to be genuine and to have been signed or presented by the proper party or parties and shall have no liability or responsibility with respect to the form, execution or validity thereof.

21. ESCROW AGENT may consult with legal counsel selected by it and the opinion of such counsel shall be full and complete authorization and protection to ESCROW AGENT in respect of any action taken or omitted in good faith by ESCROW AGENT hereunder in accordance with the opinion of such counsel.

F. RESPONSIBILITIES OF SPONSOR.

22. SPONSOR agrees that SPONSOR and its agents, including any selling agents, shall deliver all Deposits received by them prior to closing of an individual transaction to a designated attorney who is a member of or employed by ESCROW AGENT within two (2) business days of tender of the Deposit by a Purchaser, using such transmittal forms as required by ESCROW AGENT from time to time.

23. SPONSOR agrees that it shall not interfere with ESCROW AGENT'S performance of its fiduciary duties and compliance with the Attorney General's regulations.

24. SPONSOR shall obtain or cause the selling agent under the Offering Plan to obtain a completed and signed Form W-9 or Form W-8BEN, as applicable, from each Purchaser and deliver such form to ESCROW AGENT together with the Deposit and Contract of Sale.

G. TERMINATION OF AGREEMENT.

25. This Agreement shall remain in effect unless and until it is canceled by either

(a) Written notice given by SPONSOR to ESCROW AGENT of cancellation of designation of ESCROW AGENT to act in said capacity, which cancellation shall take effect only upon the filing of an amendment to the Offering Plan with the Department of Law providing for a successor escrow agent; or

(b) The resignation of ESCROW AGENT upon giving notice to SPONSOR of its desire to so resign. Such resignation shall take effect on the date set forth in the notice from ESCROW AGENT, except such resignation shall take effect only upon the filing of an amendment to the Offering Plan with the Department of Law providing for a successor escrow agent with respect to Deposits held in the Master Escrow Account on the date of such resignation; or

(c) all shares or units offered by SPONSOR pursuant to the Offering Plan have been sold and no Deposits of Purchasers from SPONSOR remain in the Master Escrow Account.

26. Upon termination of the duties of ESCROW AGENT as described in paragraph 7.1 (a) or (b) above, ESCROW AGENT shall deliver any and all funds held by ESCROW AGENT in escrow and any and all contracts or documents maintained by ESCROW AGENT relating to such funds to the new escrow agent.

H. SUCCESSORS AND ASSIGNS.

This Agreement shall be binding upon SPONSOR and ESCROW AGENT and their respective successors and assigns.

I. GOVERNING LAW.

This Agreement shall be construed in accordance with and governed by the laws of the State of New York.

J. ESCROW AGENT'S COMPENSATION.

SPONSOR agrees to pay ESCROW AGENT for services rendered by its attorneys and paralegals and expenses incurred by ESCROW AGENT in connection with this Agreement, including, without limitation, disputes arising with respect to the Deposit. SPONSOR shall not be charged with any administrative costs for maintenance of the Master Escrow Account. ESCROW AGENT'S fees and disbursements shall neither be

paid by SPONSOR from the Deposit nor deducted from the Deposit by any financial institution under any circumstance.

K. SEVERABILITY.

If any provision of this Agreement or the application thereof to any person or circumstance is determined to be invalid or unenforceable, the remaining provisions of this Agreement or the application of such provision to other persons or to other circumstances shall not be affected thereby and shall be valid and enforceable to the fullest extent permitted by law.

L. INDEMNIFICATION

SPONSOR agrees to defend, indemnify and hold ESCROW AGENT harmless from and against all costs, claims, expenses and damages incurred in connection with or arising out of this Agreement or the performance or non-performance of ESCROW AGENT'S duties under this Agreement, except with respect to actions or omissions taken or suffered by ESCROW AGENT in bad faith or in willful disregard of this Agreement or involving gross negligence of Escrow Agent. This indemnity includes, without limitation, disbursements and attorneys' fees either paid to retain attorneys or representing the hourly billing rates with respect to legal services rendered by ESCROW AGENT to itself.

M. ENTIRE AGREEMENT.

This Agreement, read together with GBL Section 352-e(2-b) and the Attorney General's regulations, constitutes the entire agreement between the parties with respect to the subject matter hereof.

IN WITNESS WHEREOF, the undersigned have executed this Agreement as of the day and year first written above.

Part I Taxpayer Identification Number (TIN)

Enter your TIN in the appropriate box. The TIN provided must match the name given on Line 1 to avoid backup withholding. For individuals, this is your social security number (SSN). However, for a resident alien, sole proprietor, or disregarded entity, see the Part I instructions on page 3. For other entities, it is your employer identification number (EIN). If you do not have a number, see *How to get a TIN* on page 3.

Note. If the account is in more than one name, see the chart on page 4 for guidelines on whose number to enter.

Social security number

or

Employer identification number

Part II Certification

Under penalties of perjury, I certify that:

1. The number shown on this form is my correct taxpayer identification number (or I am waiting for a number to be issued to me), and
2. I am not subject to backup withholding because: (a) I am exempt from backup withholding, or (b) I have not been notified by the Internal Revenue Service (IRS) that I am subject to backup withholding as a result of a failure to report all interest or dividends, or (c) the IRS has notified me that I am no longer subject to backup withholding, and
3. I am a U.S. person (including a U.S. resident alien).

Certification instructions. You must cross out item 2 above if you have been notified by the IRS that you are currently subject to backup withholding because you have failed to report all interest and dividends on your tax return. For real estate transactions, item 2 does not apply. For mortgage interest paid, acquisition or abandonment of secured property, cancellation of debt, contributions to an individual retirement arrangement (IRA), and generally, payments other than interest and dividends, you are not required to sign the Certification, but you must provide your correct TIN. (See the instructions on page 4.)

Sign Here **Signature of U.S. person ▶** **Date ▶**

Purpose of Form

A person who is required to file an information return with the IRS, must obtain your correct taxpayer identification number (TIN) to report, for example, income paid to you, real estate transactions, mortgage interest you paid, acquisition or abandonment of secured property, cancellation of debt, or contributions you made to an IRA.

U.S. person. Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN to the person requesting it (the requester) and, when applicable, to:

1. Certify that the TIN you are giving is correct (or you are waiting for a number to be issued),
2. Certify that you are not subject to backup withholding, or
3. Claim exemption from backup withholding if you are a U.S. exempt payee.

In 3 above, if applicable, you are also certifying that as a U.S. person, your allocable share of any partnership income from a U.S. trade or business is not subject to the withholding tax on foreign partners' share of effectively connected income.

Note. If a requester gives you a form other than Form W-9 to request your TIN, you must use the requester's form if it is substantially similar to this Form W-9.

For federal tax purposes, you are considered a person if you are:

- An individual who is a citizen or resident of the United States,
- A partnership, corporation, company, or association created or organized in the United States or under the laws of the United States, or
- Any estate (other than a foreign estate) or trust. See Regulations sections 301.7701-6(a) and 7(a) for additional information.

Special rules for partnerships. Partnerships that conduct a trade or business in the United States are generally required to pay a withholding tax on any foreign partners' share of income from such business. Further, in certain cases where a Form W-9 has not been received, a partnership is required to presume that a partner is a foreign person, and pay the withholding tax. Therefore, if you are a U.S. person that is a partner in a partnership conducting a trade or business in the United States, provide Form W-9 to the partnership to establish your U.S. status and avoid withholding on your share of partnership income.

The person who gives Form W-9 to the partnership for purposes of establishing its U.S. status and avoiding withholding on its allocable share of net income from the partnership conducting a trade or business in the United States is in the following cases:

- The U.S. owner of a disregarded entity and not the entity,

- The U.S. grantor or other owner of a grantor trust and not the trust, and
- The U.S. trust (other than a grantor trust) and not the beneficiaries of the trust.

Foreign person. If you are a foreign person, do not use Form W-9. Instead, use the appropriate Form W-8 (see Publication 515, Withholding of Tax on Nonresident Aliens and Foreign Entities).

Nonresident alien who becomes a resident alien. Generally, only a nonresident alien individual may use the terms of a tax treaty to reduce or eliminate U.S. tax on certain types of income. However, most tax treaties contain a provision known as a "saving clause." Exceptions specified in the saving clause may permit an exemption from tax to continue for certain types of income even after the recipient has otherwise become a U.S. resident alien for tax purposes.

If you are a U.S. resident alien who is relying on an exception contained in the saving clause of a tax treaty to claim an exemption from U.S. tax on certain types of income, you must attach a statement to Form W-9 that specifies the following five items:

1. The treaty country. Generally, this must be the same treaty under which you claimed exemption from tax as a nonresident alien.
2. The treaty article addressing the income.
3. The article number (or location) in the tax treaty that contains the saving clause and its exceptions.
4. The type and amount of income that qualifies for the exemption from tax.
5. Sufficient facts to justify the exemption from tax under the terms of the treaty article.

Example. Article 20 of the U.S.-China income tax treaty allows an exemption from tax for scholarship income received by a Chinese student temporarily present in the United States. Under U.S. law, this student will become a resident alien for tax purposes if his or her stay in the United States exceeds 5 calendar years. However, paragraph 2 of the first Protocol to the U.S.-China treaty (dated April 30, 1984) allows the provisions of Article 20 to continue to apply even after the Chinese student becomes a resident alien of the United States. A Chinese student who qualifies for this exception (under paragraph 2 of the first protocol) and is relying on this exception to claim an exemption from tax on his or her scholarship or fellowship income would attach to Form W-9 a statement that includes the information described above to support that exemption.

If you are a nonresident alien or a foreign entity not subject to backup withholding, give the requester the appropriate completed Form W-8.

What is backup withholding? Persons making certain payments to you must under certain conditions withhold and pay to the IRS 28% of such payments (after December 31, 2002). This is called "backup withholding." Payments that may be subject to backup withholding include interest, dividends, broker and barter exchange transactions, rents, royalties, nonemployee pay, and certain payments from fishing boat operators. Real estate transactions are not subject to backup withholding.

You will not be subject to backup withholding on payments you receive if you give the requester your correct TIN, make the proper certifications, and report all your taxable interest and dividends on your tax return.

Payments you receive will be subject to backup withholding if:

1. You do not furnish your TIN to the requester,
2. You do not certify your TIN when required (see the Part II instructions on page 4 for details),
3. The IRS tells the requester that you furnished an incorrect TIN,
4. The IRS tells you that you are subject to backup withholding because you did not report all your interest and dividends on your tax return (for reportable interest and dividends only), or
5. You do not certify to the requester that you are not subject to backup withholding under 4 above (for reportable interest and dividend accounts opened after 1983 only).

Certain payees and payments are exempt from backup withholding. See the instructions below and the separate Instructions for the Requester of Form W-9.

Also see *Special rules regarding partnerships* on page 1.

Penalties

Failure to furnish TIN. If you fail to furnish your correct TIN to a requester, you are subject to a penalty of $50 for each such failure unless your failure is due to reasonable cause and not to willful neglect.

Civil penalty for false information with respect to withholding. If you make a false statement with no reasonable basis that results in no backup withholding, you are subject to a $500 penalty.

Criminal penalty for falsifying information. Willfully falsifying certifications or affirmations may subject you to criminal penalties including fines and/or imprisonment.

Misuse of TINs. If the requester discloses or uses TINs in violation of federal law, the requester may be subject to civil and criminal penalties.

Specific Instructions

Name

If you are an individual, you must generally enter the name shown on your income tax return. However, if you have changed your last name, for instance, due to marriage without informing the Social Security Administration of the name change, enter your first name, the last name shown on your social security card, and your new last name.

If the account is in joint names, list first, and then circle, the name of the person or entity whose number you entered in Part I of the form.

Sole proprietor. Enter your individual name as shown on your income tax return on the "Name" line. You may enter your business, trade, or "doing business as (DBA)" name on the "Business name" line.

Limited liability company (LLC). If you are a single-member LLC (including a foreign LLC with a domestic owner) that is disregarded as an entity separate from its owner under Treasury regulations section 301.7701-3, enter the owner's name on the "Name" line. Enter the LLC's name on the "Business name" line. Check the appropriate box for your filing status (sole proprietor, corporation, etc.), then check the box for "Other" and enter "LLC" in the space provided.

Other entities. Enter your business name as shown on required federal tax documents on the "Name" line. This name should match the name shown on the charter or other legal document creating the entity. You may enter any business, trade, or DBA name on the "Business name" line.

Note. You are requested to check the appropriate box for your status (individual/sole proprietor, corporation, etc.).

Exempt From Backup Withholding

If you are exempt, enter your name as described above and check the appropriate box for your status, then check the "Exempt from backup withholding" box in the line following the business name, sign and date the form.

Generally, individuals (including sole proprietors) are not exempt from backup withholding. Corporations are exempt from backup withholding for certain payments, such as interest and dividends.

Note. If you are exempt from backup withholding, you should still complete this form to avoid possible erroneous backup withholding.

Exempt payees. Backup withholding is not required on any payments made to the following payees:

1. An organization exempt from tax under section 501(a), any IRA, or a custodial account under section 403(b)(7) if the account satisfies the requirements of section 401(f)(2),

2. The United States or any of its agencies or instrumentalities,

3. A state, the District of Columbia, a possession of the United States, or any of their political subdivisions or instrumentalities,

4. A foreign government or any of its political subdivisions, agencies, or instrumentalities, or

5. An international organization or any of its agencies or instrumentalities.

Other payees that may be exempt from backup withholding include:

6. A corporation,

7. A foreign central bank of issue,

8. A dealer in securities or commodities required to register in the United States, the District of Columbia, or a possession of the United States,

9. A futures commission merchant registered with the Commodity Futures Trading Commission,

10. A real estate investment trust,

11. An entity registered at all times during the tax year under the Investment Company Act of 1940,

12. A common trust fund operated by a bank under section 584(a),

13. A financial institution,

14. A middleman known in the investment community as a nominee or custodian, or

15. A trust exempt from tax under section 664 or described in section 4947.

The chart below shows types of payments that may be exempt from backup withholding. The chart applies to the exempt recipients listed above, 1 through 15.

IF the payment is for . . .	THEN the payment is exempt for . . .
Interest and dividend payments	All exempt recipients except for 9
Broker transactions	Exempt recipients 1 through 13. Also, a person registered under the Investment Advisers Act of 1940 who regularly acts as a broker
Barter exchange transactions and patronage dividends	Exempt recipients 1 through 5
Payments over $600 required to be reported and direct sales over $5,000 [1]	Generally, exempt recipients 1 through 7 [2]

[1] See Form 1099-MISC, Miscellaneous Income, and its instructions.

[2] However, the following payments made to a corporation (including gross proceeds paid to an attorney under section 6045(f), even if the attorney is a corporation) and reportable on Form 1099-MISC are not exempt from backup withholding: medical and health care payments, attorneys' fees; and payments for services paid by a federal executive agency.

Part I. Taxpayer Identification Number (TIN)

Enter your TIN in the appropriate box. If you are a resident alien and you do not have and are not eligible to get an SSN, your TIN is your IRS individual taxpayer identification number (ITIN). Enter it in the social security number box. If you do not have an ITIN, see *How to get a TIN* below.

If you are a sole proprietor and you have an EIN, you may enter either your SSN or EIN. However, the IRS prefers that you use your SSN.

If you are a single-owner LLC that is disregarded as an entity separate from its owner (see *Limited liability company (LLC)* on page 2), enter your SSN (or EIN, if you have one). If the LLC is a corporation, partnership, etc., enter the entity's EIN.

Note. See the chart on page 4 for further clarification of name and TIN combinations.

How to get a TIN. If you do not have a TIN, apply for one immediately. To apply for an SSN, get Form SS-5, Application for a Social Security Card, from your local Social Security Administration office or get this form online at *www.socialsecurity.gov*. You may also get this form by calling 1-800-772-1213. Use Form W-7, Application for IRS Individual Taxpayer Identification Number, to apply for an ITIN, or Form SS-4, Application for Employer Identification Number, to apply for an EIN. You can apply for an EIN online by accessing the IRS website at *www.irs.gov/businesses* and clicking on Employer ID Numbers under Related Topics. You can get Forms W-7 and SS-4 from the IRS by visiting *www.irs.gov* or by calling 1-800-TAX-FORM (1-800-829-3676).

If you are asked to complete Form W-9 but do not have a TIN, write "Applied For" in the space for the TIN, sign and date the form, and give it to the requester. For interest and dividend payments, and certain payments made with respect to readily tradable instruments, generally you will have 60 days to get a TIN and give it to the requester before you are subject to backup withholding on payments. The 60-day rule does not apply to other types of payments. You will be subject to backup withholding on all such payments until you provide your TIN to the requester.

Note. Writing "Applied For" means that you have already applied for a TIN or that you intend to apply for one soon.

Caution: *A disregarded domestic entity that has a foreign owner must use the appropriate Form W-8.*

Part II. Certification

To establish to the withholding agent that you are a U.S. person, or resident alien, sign Form W-9. You may be requested to sign by the withholding agent even if items 1, 4, and 5 below indicate otherwise.

For a joint account, only the person whose TIN is shown in Part I should sign (when required). Exempt recipients, see *Exempt From Backup Withholding* on page 2.

Signature requirements. Complete the certification as indicated in 1 through 5 below.

1. Interest, dividend, and barter exchange accounts opened before 1984 and broker accounts considered active during 1983. You must give your correct TIN, but you do not have to sign the certification.

2. Interest, dividend, broker, and barter exchange accounts opened after 1983 and broker accounts considered inactive during 1983. You must sign the certification or backup withholding will apply. If you are subject to backup withholding and you are merely providing your correct TIN to the requester, you must cross out item 2 in the certification before signing the form.

3. Real estate transactions. You must sign the certification. You may cross out item 2 of the certification.

4. Other payments. You must give your correct TIN, but you do not have to sign the certification unless you have been notified that you have previously given an incorrect TIN. "Other payments" include payments made in the course of the requester's trade or business for rents, royalties, goods (other than bills for merchandise), medical and health care services (including payments to corporations), payments to a nonemployee for services, payments to certain fishing boat crew members and fishermen, and gross proceeds paid to attorneys (including payments to corporations).

5. Mortgage interest paid by you, acquisition or abandonment of secured property, cancellation of debt, qualified tuition program payments (under section 529), IRA, Coverdell ESA, Archer MSA or HSA contributions or distributions, and pension distributions. You must give your correct TIN, but you do not have to sign the certification.

What Name and Number To Give the Requester

For this type of account:	Give name and SSN of:
1. Individual	The individual
2. Two or more individuals (joint account)	The actual owner of the account or, if combined funds, the first individual on the account [1]

Are You Planning To Buy, Rent, or Renovate a Home Built Before 1978?

Many houses and apartments built before 1978 have paint that contains high levels of lead (called lead-based paint). Lead from paint, chips, and dust can pose serious health hazards if not taken care of properly.

Federal law requires that individuals receive certain information before renting, buying, or renovating pre-1978 housing:

LANDLORDS have to disclose known information on lead-based paint and lead-based paint hazards before leases take effect. Leases must include a disclosure form about lead-based paint.

SELLERS have to disclose known information on lead-based paint and lead-based paint hazards before selling a house. Sales contracts must include a disclosure form about lead-based paint. Buyers have up to 10 days to check for lead.

RENOVATORS have to give you this pamphlet before starting work.

IF YOU WANT MORE INFORMATION on these requirements, call the National Lead Information Center at **1-800-424-LEAD (424-5323).**

This document is in the public domain. It may be reproduced by an individual or organization without permission. Information provided in this booklet is based upon current scientific and technical understanding of the issues presented and is reflective of the jurisdictional boundaries established by the statutes governing the co-authoring agencies. Following the advice given will not necessarily provide complete protection in all situations or against all health hazards that can be caused by lead exposure.

IMPORTANT!

Lead From Paint, Dust, and Soil Can Be Dangerous If Not Managed Properly

FACT: Lead exposure can harm young children and babies even before they are born.

FACT: Even children who seem healthy can have high levels of lead in their bodies.

FACT: People can get lead in their bodies by breathing or swallowing lead dust, or by eating soil or paint chips containing lead.

FACT: People have many options for reducing lead hazards. In most cases, lead-based paint that is in good condition is not a hazard.

FACT: Removing lead-based paint improperly can increase the danger to your family.

If you think your home might have lead hazards, read this pamphlet to learn some simple steps to protect your family.

Lead Gets in the Body in Many Ways

Childhood lead poisoning remains a major environmental health problem in the U.S.

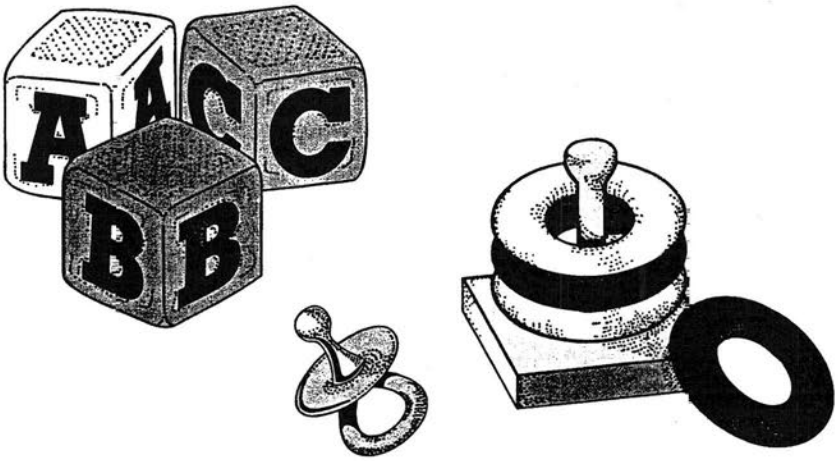
Even children who appear healthy can have dangerous levels of lead in their bodies.

People can get lead in their body if they:

- Breathe in lead dust (especially during renovations that disturb painted surfaces).
- Put their hands or other objects covered with lead dust in their mouths.
- Eat paint chips or soil that contains lead.

Lead is even more dangerous to children than adults because:

- Children's brains and nervous systems are more sensitive to the damaging effects of lead.
- Children's growing bodies absorb more lead.
- Babies and young children often put their hands and other objects in their mouths. These objects can have lead dust on them.



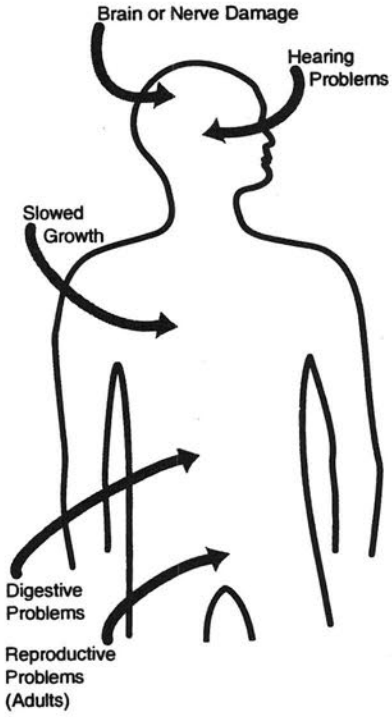
Lead's Effects

If not detected early, children with high levels of lead in their bodies can suffer from:

- Damage to the brain and nervous system
- Behavior and learning problems (such as hyperactivity)
- Slowed growth
- Hearing problems
- Headaches

Lead is also harmful to adults. Adults can suffer from:

- Difficulties during pregnancy
- Other reproductive problems (in both men and women)
- High blood pressure
- Digestive problems
- Nerve disorders
- Memory and concentration problems
- Muscle and joint pain



Lead affects the body in many ways.

Where Lead-Based Paint Is Found

In general, the older your home, the more likely it has lead-based paint.

Many homes built before 1978 have lead-based paint. The federal government banned lead-based paint from housing in 1978. Some states stopped its use even earlier. Lead can be found:

- In homes in the city, country, or suburbs.
- In apartments, single-family homes, and both private and public housing.
- Inside *and* outside of the house.
- In soil around a home. (Soil can pick up lead from exterior paint or other sources such as past use of leaded gas in cars.)

Checking Your Family for Lead

Get your children and home tested if you think your home has high levels of lead.

To reduce your child's exposure to lead, get your child checked, have your home tested (especially if your home has paint in poor condition and was built before 1978), and fix any hazards you may have. Children's blood lead levels tend to increase rapidly from 6 to 12 months of age, and tend to peak at 18 to 24 months of age.

Consult your doctor for advice on testing your children. A simple blood test can detect high levels of lead. Blood tests are usually recommended for:

- Children at ages 1 and 2.
- Children or other family members who have been exposed to high levels of lead.
- Children who should be tested under your state or local health screening plan.

Your doctor can explain what the test results mean and if more testing will be needed.

Identifying Lead Hazards

Lead from paint chips, which you can see, and lead dust, which you can't always see, can both be serious hazards.

Lead-based paint is usually not a hazard if it is in good condition, and it is not on an impact or friction surface, like a window. It is defined by the federal government as paint with lead levels greater than or equal to 1.0 milligram per square centimeter, or more than 0.5% by weight.

Deteriorating lead-based paint (peeling, chipping, chalking, cracking or damaged) is a hazard and needs immediate attention. It may also be a hazard when found on surfaces that children can chew or that get a lot of wear-and-tear, such as:

- Windows and window sills.
- Doors and door frames.
- Stairs, railings, banisters, and porches.

Lead dust can form when lead-based paint is dry scraped, dry sanded, or heated. Dust also forms when painted surfaces bump or rub together. Lead chips and dust can get on surfaces and objects that people touch. Settled lead dust can re-enter the air when people vacuum, sweep, or walk through it. The following two federal standards have been set for lead hazards in dust:

- 40 micrograms per square foot ($\mu g/ft^2$) and higher for floors, including carpeted floors.
- 250 $\mu g/ft^2$ and higher for interior window sills.

Lead in soil can be a hazard when children play in bare soil or when people bring soil into the house on their shoes. The following two federal standards have been set for lead hazards in residential soil:

- 400 parts per million (ppm) and higher in play areas of bare soil.
- 1,200 ppm (average) and higher in bare soil in the remainder of the yard.

The only way to find out if paint, dust and soil lead hazards exist is to test for them. The next page describes the most common methods used.

Checking Your Home for Lead

Just knowing that a home has lead-based paint may not tell you if there is a hazard.

You can get your home checked for lead in one of two ways, or both:

- A paint **inspection** tells you the lead content of every different type of painted surface in your home. It won't tell you whether the paint is a hazard or how you should deal with it.
- A **risk assessment** tells you if there are any sources of serious lead exposure (such as peeling paint and lead dust). It also tells you what actions to take to address these hazards.

Hire a trained, certified professional who will use a range of reliable methods when checking your home, such as:

- Visual inspection of paint condition and location.
- A portable x-ray fluorescence (XRF) machine.
- Lab tests of paint, dust, and soil samples.

There are standards in place to ensure the work is done safely, reliably, and effectively. Contact your local lead poisoning prevention program for more information, or call **1-800-424-LEAD** for a list of contacts in your area.

Home test kits for lead are available, but may not always be accurate. Consumers should not rely on these tests before doing renovations or to assure safety.

What You Can Do Now To Protect Your Family

If you suspect that your house has lead hazards, you can take some immediate steps to reduce your family's risk:

- **If you rent, notify your landlord of peeling or chipping paint.**
- **Clean up paint chips immediately.**
- **Clean floors, window frames, window sills, and other surfaces weekly**. Use a mop or sponge with warm water and a general all-purpose cleaner or a cleaner made specifically for lead. REMEMBER: NEVER MIX AMMONIA AND BLEACH PRODUCTS TOGETHER SINCE THEY CAN FORM A DANGEROUS GAS.

- **Thoroughly rinse sponges and mop heads after cleaning dirty or dusty areas**.
- **Wash children's hands often, especially before they eat and before nap time and bed time.**
- **Keep play areas clean.** Wash bottles, pacifiers, toys, and stuffed animals regularly.
- **Keep children from chewing window sills or other painted surfaces.**
- **Clean or remove shoes before entering your home to avoid tracking in lead from soil.**
- **Make sure children eat nutritious, low-fat meals high in iron and calcium,** such as spinach and dairy products. Children with good diets absorb less lead.

Reducing Lead Hazards In The Home

Removing lead improperly can increase the hazard to your family by spreading even more lead dust around the house.

Always use a professional who is trained to remove lead hazards safely.

In addition to day-to-day cleaning and good nutrition:

- You can **temporarily** reduce lead hazards by taking actions such as repairing damaged painted surfaces and planting grass to cover soil with high lead levels. These actions (called "interim controls") are not permanent solutions and will need ongoing attention.
- To **permanently** remove lead hazards, you should hire a certified lead "abatement" contractor. Abatement (or permanent hazard elimination) methods include removing, sealing, or enclosing lead-based paint with special materials. Just painting over the hazard with regular paint is not permanent removal.

Always hire a person with special training for correcting lead problems—someone who knows how to do this work safely and has the proper equipment to clean up thoroughly. Certified contractors will employ qualified workers and follow strict safety rules as set by their state or by the federal government.

Once the work is completed, dust cleanup activities must be repeated until testing indicates that lead dust levels are below the following:

- 40 micrograms per square foot ($\mu g/ft^2$) for floors, including carpeted floors;
- 250 $\mu g/ft^2$ for interior windows sills; and
- 400 $\mu g/ft^2$ for window troughs.

Call your local agency (see page 11) for help with locating certified contractors in your area and to see if financial assistance is available.

Remodeling or Renovating a Home With Lead-Based Paint

Take precautions before your contractor or you begin remodeling or renovating anything that disturbs painted surfaces (such as scraping off paint or tearing out walls):

- **Have the area tested for lead-based paint.**
- **Do not use a belt-sander, propane torch, heat gun, dry scraper, or dry sandpaper** to remove lead-based paint. These actions create large amounts of lead dust and fumes. Lead dust can remain in your home long after the work is done.
- **Temporarily move your family** (especially children and pregnant women) out of the apartment or house until the work is done and the area is properly cleaned. If you can't move your family, at least completely seal off the work area.
- **Follow other safety measures to reduce lead hazards.** You can find out about other safety measures by calling 1-800-424-LEAD. Ask for the brochure "Reducing Lead Hazards When Remodeling Your Home." This brochure explains what to do before, during, and after renovations.

If not conducted properly, certain types of renovations can release lead from paint and dust into the air.

If you have already completed renovations or remodeling that could have released lead-based paint or dust, get your young children tested and follow the steps outlined on page 7 of this brochure.

Other Sources of Lead

While paint, dust, and soil are the most common lead hazards, other lead sources also exist.

- **Drinking water.** Your home might have plumbing with lead or lead solder. Call your local health department or water supplier to find out about testing your water. You cannot see, smell or taste lead, and boiling your water will not get rid of lead. If you think your plumbing might have lead in it:
  - Use only cold water for drinking and cooking.
  - Run water for 15 to 30 seconds before drinking it, especially if you have not used your water for a few hours.
- **The job.** If you work with lead, you could bring it home on your hands or clothes. Shower and change clothes before coming home. Launder your work clothes separately from the rest of your family's clothes.
- Old painted **toys** and **furniture.**
- Food and liquids stored in **lead crystal** or **lead-glazed pottery or porcelain.**
- **Lead smelters** or other industries that release lead into the air.
- **Hobbies** that use lead, such as making pottery or stained glass or refinishing furniture.
- **Folk remedies** that contain lead, such as "greta" and "azarcon" used to treat an upset stomach.

- Wash children's hands, bottles, pacifiers, and toys often.
- Make sure children eat healthy, low-fat foods.
- Get your home checked for lead hazards.
- Regularly clean floors, window sills, and other surfaces.
- Wipe soil off shoes before entering house.
- Talk to your landlord about fixing surfaces with peeling or chipping paint.
- Take precautions to avoid exposure to lead dust when remodeling or renovating (call 1-800-424-LEAD for guidelines).
- Don't use a belt-sander, propane torch, heat gun, dry scraper, or dry sandpaper on painted surfaces that may contain lead.
- Don't try to remove lead-based paint yourself.

EXHIBIT "21"

ALTERATION AGREEMENT

ALTERATION AGREEMENT

THIS AGREEMENT made as of this _____ day of _____, _____ by and between The Board of Managers of The Cocoa Exchange (the "Board") having an address of One Wall Street Court, New York, New York 10005, Cocoa Condominium Sales, LLC ("Sponsor"), having an address 111 Pond Street, Cohasset, Massachusetts 02025 and _____ (the "Unit Owner") having an address of One Wall Street Court, New York, New York, 10005 (the "Property").

W I T N E S S E T H:

WHEREAS, pursuant to a declaration dated _____ (the "Declaration"), Sponsor submitted the Property to a condominium regime known as The Cocoa Exchange (the "Condominium").

WHEREAS, pursuant to the Declaration and the by-laws of the Condominium (the "By-Laws"), Unit Owner has requested permission to install equipment and/or make alterations in Unit ____ (the "Unit") the building situated on the Property (the "Building"); and

WHEREAS, at least until such time as Sponsor obtains the permanent certificate of occupancy for the Building, Sponsor's employees, agents, contractors, subcontractors and suppliers or any of their employees (collectively "Sponsor's Contractors") will be performing work in or delivering material to the Building.

WHEREAS, the Declaration and By-Laws provide that no equipment shall be installed and no alterations shall be made in the Unit without the consent of the Board; and

WHEREAS, Unit Owner desires to obtain such consent;

NOW, THEREFORE, the parties agree as follows:

1. **Unit Owner's Submissions**. Together with this Agreement, Unit Owner is delivering to the Sponsor and the Board:

   a. detailed plans, drawings and specifications for the equipment proposed to be installed and/or the alterations proposed to be made which, if so required by the Sponsor and/or the Board, have been prepared by a licensed architect or engineer. Such plans, drawings and specifications include a room by room list of the equipment to be installed and the alterations to be made.

   b. a check in the sum of $_____ payable to the Board for the security deposit required to be posted by Unit Owner as provided for in Section 13 of this Agreement (and/or such alternate form of security as may be required by the Board).

   c. a check in the sum of $_____ payable to _____., managing agent for the Building (the "Managing Agent"), as a processing fee in connection with this Agreement.

2. **Review of Plans, Drawings and Specification**. The plans, drawings and specifications submitted by Unit Owner shall be subject to review and approval by Sponsor and/or the Board, in their sole discretion, and may be subject to review and approval by Sponsor's and/or the Board's architect or engineer (collectively the "Designated Engineer") in the sole discretion of Sponsor or the Board, and Unit Owner shall make such changes in and to such plans, drawings and specifications as Sponsor, the Board or the Designated Engineer shall require in order to obtain such approval, including, without limitation, such changes as may be required to minimize noise or vibrations to surrounding portions of the Building. The term "Plans" as used in this Agreement shall refer to the plans, drawings and specifications as approved in writing by the Sponsor and/or the Board and the Designated Engineer and the term "Work" shall refer to the work called for by the Plans or any other work performed by or on behalf of Unit Owner. After approval by the Sponsor and/or Board and the Designated Engineer, the Plans shall not be modified without the approval of the Sponsor and/or the Board and the Designated Engineer. Notwithstanding any approval of the Plans by the Sponsor and/or Board or the Designated Engineer, Unit Owner shall be solely responsible for the Plans, for insuring compatibility with the systems and facilities of the Building and for compliance with applicable laws and codes.

The execution of this Agreement by the Sponsor and the Board does not constitute consent to the work called for by the plans, drawings and specifications submitted by Unit Owner, and the Sponsor and the Board retains all of its rights under this Agreement and the By-Laws to withhold consent. Only written approval of such plans, drawings and specifications as provided for above shall constitute the Sponsor's and Board's consent to the Work called for by the Plans, and any such consent shall be subject to the terms of this Agreement.

3. **Pre-Conditions to Commencement of Work by Unit Owner**. Unit Owner shall not commence the Work unless and until all of the following has occurred:

   a. The Sponsor and the Board and the Designated Engineer, as same may be required, shall have approved in writing the plans, drawings and specifications submitted by Unit Owner, and Unit Owner shall have received a copy of such approvals.

   b. Unit Owner shall have submitted to Sponsor and the Board (i) a designation of the general contractor or construction manager (collectively the "General Contractor") which will be principally responsible for the Work, which designation shall authorize the General Contractor to submit the information more particularly described on the letter annexed hereto as set forth on Exhibit A annexed hereto (the Contractor's Instructions"), (ii) complete copies of all agreements entered into with the General Contractor and all other such contractors, subcontractors and suppliers pertaining to the Work (collectively the "Subcontractors"), (iii) other than the communications required to be made by the General Contractor in accordance with the terms of the Contractor's Instructions, the name of the party solely authorized to communicate with Sponsor, the Board and the Managing Agent (the "Owner's Representative") (e.g. Owner, General

Contractor, Owner's architect) and (iv) telephone numbers for the Owner, the General Contractor and the Owner's Representative, if different from the foregoing. Prior to the commencement of the work, the General Contractor and the Subcontractors shall have been approved in writing by the Board. Notwithstanding the foregoing (i) prior to the issuance of a permanent certificate of occupancy for the Building, Sponsor may require that Work relating to the structural electrical, mechanical, plumbing, sprinkler or HVAC systems of the Building (collectively the "Building Systems") be performed by contractors designated by Sponsor. After the issuance of a permanent certificate of occupancy for the Building, the Board may require that Work relating to the Building Systems be performed by contractors designated by the Board.

c. Unit Owner shall have made all required filings with, and received all required permits, approvals, licenses and consents from, all governmental agencies having jurisdiction over the Work (collectively the "Governmental Authorities") including, but not limited to, the New York City Buildings Department, the New York City Fire Department and the Landmarks Preservation Commission, and Unit Owner shall have furnished copies of all such filings, permits, approvals, licenses and consents to Sponsor and to the Board. The determination of the Designated Engineer as to the need for any such filing, permit, approval, license or consent shall be conclusive. As a prerequisite to its approval of the Plans and Specifications, Sponsor and/or the Board may require Unit Owner to furnish a letter from Unit Owner's licensed architect or engineer, certifying that the electrical loads required as a result of the Work, will not adversely affect the Building's electrical service and certifying to such other matters as Sponsor and the Board may require. Sponsor may require that Unit Owner utilize a filing representative or expediter designated by Sponsor to file the Plans and Specifications with the Governmental Authorities.

d. Unit Owner shall have caused each of its contractors to furnish to the Board the insurance policies described on Exhibit B attached hereto or certificates thereof. Such policies (i) shall name the Condominium, the Board, the Board's officers and directors, the Designated Engineer, the Managing Agent, Sponsor and the other Unit Owners, as parties insured, (ii) shall be issued by companies reasonably acceptable to the Board and (iii) shall provide that they may not be cancelled or terminated without at least ten (10) days prior written notice to the Board. Unit Owner shall cause all such insurance policies to be kept in full force and effect until the completion of the Work. In the event that such insurance lapses prior to the completion of the Work, Sponsor and/or the Board will have the right to suspend the Work until Sponsor and/or the Board receives evidence of appropriate insurance and approves such insurance. Sponsor and/or the Board reserves the right to revise the parameters and scope of the insurance requirements from time to time. Unit Owner and the General Contractor shall be advised, writing, of any such changes.

e. If requested, the Unit Owner's architect or engineer shall have provided to the Board evidence of professional liability insurance in amounts reasonably acceptable to the Board.

f. The Unit Owner's architect or engineer shall have prepared and submitted to the Sponsor and the Board a schedule of all Work to be performed by the General Contract and each Subcontractor, setting forth the number of weeks and days of the various trades, the anticipated number of workmen involved and affirming that the work can be completed within the time allotted under Paragraph 5d hereof.

g. The General Contractor will be required to attend a start-up meeting approximately two (2) weeks prior to the commencement of the Work. At this meeting the General Contractor will be introduced to Sponsor and other members of the project team. The agenda for the meeting will include a review of the requirements of this Agreement and the General Contractor's construction plan as well as collection of payment to Sponsor of any charges or deposits due hereunder.

4. **Unit Owner to Give Notice Prior to Commencement of Work**. Prior to commencing the Work, the Owner's Representative shall give at least five (5) days' prior written notice to the Designated Engineer, the superintendent of the Building and the Managing Agent of the date on which the Work will commence and the estimated duration of the Work.

5. **Performance of the Work**.

a. **In General**. Unit Owner shall perform the Work strictly in accordance with the Plans in a first-class, workmanlike manner in keeping with the standards of the Building and shall not perform any Work not called for by the Plans. All materials shall be new and of high quality. In performing the Work, Unit Owner shall comply with (i) all applicable laws and codes, (ii) the requirements of all insurance policies covering the Work, the Unit or the Building, (iii) this Agreement, (iv) the By-Laws, (v) the Rules and Regulations of the Condominium, (vi) the requirements of Sponsor and the Board and (vii) any directions given by the Managing Agent, the Designated Engineer or the superintendent of the Building. The Work will not compromise the energy efficiency or increase the energy consumption of the Building, change the number of zoning rooms located within the Unit or materially delay the issuance of a permanent Certificate of Occupancy for the Building without the consent of Sponsor prior to the issuance of the permanent Certificate of Occupancy or the consent of the Board, after the issuance of the permanent Certificate of Occupancy.

b. **Work Hours and Noise**. Unit Owner shall perform the Work diligently and in a manner so as not to disturb other residents of the Building. The Work shall be performed only on Mondays through Fridays (excluding holidays) between the hours of ___ a.m. and ____ p.m.; provided however, that any noisy work which

may disturb other residents shall not be performed before ___ a.m. The Work shall not be performed on weekends or holidays. Sponsor until there are no remaining Unsold Units, and thereafter the Board, shall be the sole arbiter should there be any doubt as to noise levels which may be disturbing.

c. **Licensing and Labor Harmony**. The General Contractor and the Subcontractors, if any, shall be duly licensed to the extent required by applicable law and Unit Owner shall cause its General Contractor and the Subcontractors, to employ only such laborers as shall not conflict with any of the trade unions employed in the Building or otherwise cause disharmony with any Building service union. Unit Owner, the General Contractor and the Subcontractors, expressly acknowledge that Sponsor's contractors and subcontractors will be engaged at the Property to finish construction of the Building (other than the Unit) (the "Sponsor's Work") and Unit Owner, the General Contractor and the Subcontractors agree (i) that they the Sponsor's Work shall have priority over the Work and (ii) Unit Owner, the General Contractor and the Subcontractors must coordinate the Work with Sponsor so that no disruption of the Sponsor Work occurs. In the event such disruption occurs, Sponsor reserves the right to immediately close Unit Owner's job site. During all periods of construction, the General Contractor shall conduct or cause to be conducted all labor practices and relations with employees and subcontractors in such a manner as to avoid all strikes, picketing and boycotts of, on or about the Building. The General Contractor further agrees that if during the period of construction any of its employees or employees of its subcontractors strike, or if picket lines or boycotts or other visible activities objectionable to Sponsor are conducted or carried out by or against Sponsor, its contractors or subcontractors or any of their respective employees, on or about the Building or otherwise involving Sponsor, the General Contractor shall (or Sponsor may, but shall not be obligated so to do) immediately close Unit Owner's job site and remove or cause to be removed all personnel therefrom until the dispute giving rise to such strike, picket line, boycott or objectionable activity has been settled to Sponsor's satisfaction.

d. **Required Completion Date**. Unit Owner shall cause the Work (other than decorative work such as painting, wallpapering and carpeting) to be completed on or before the date (the "Required Completion Date") which is ___ days (excluding weekends and holidays) after the commencement of the Work. If the Work (other than decorative work as aforesaid) shall not be completed on or before the Required Completion Date, Unit Owner shall pay to the Board, as liquidated damages on account of late completion, the sum of $____ per day (excluding weekends and holidays) until the Work is completed. The determination of whether the Work is completed shall be made by the Sponsor until such time as there are no longer any Unsold Units and thereafter by the Board, and such determination shall be conclusive. The work shall diligently proceed to completion in compliance with all plans and specifications and in conformity with all permits and licenses of any governmental authority. All time limitations set forth in this paragraph shall be subject to extension for delays caused by or attributable to acts of God, unusual weather conditions or strikes not

attributable to Unit Owner or Unit Owner's General Contractor or Subcontractors or other agents bad faith, no to exceed forty-five (45) calendar days. Notwithstanding the foregoing, if, within six (6) months prior to the expiration of the temporary Certificate of Occupancy, the Board or Sponsor, in their sole discretion, determines that the progression of the Work is such that there is a potential to delay or otherwise hinder the issuance of the permanent Certificate of Occupancy for the Building, the Board or Sponsor, as the case may be, undertake to perform, a Unit Owner's sole cost and expense, those items of work necessary to be completed for the issuance of the permanent Certificate of Occupancy.

e. **Evidence of Completion**. Upon completion of the Work, Unit Owner shall obtain and deliver to Sponsor and the Board (i) a certificate from the architect or engineer who prepared the Plans certifying that the Work has been completed in accordance with all applicable laws and codes and the Plans, and (ii) all required final governmental signoffs and approvals, including if Sponsor or the Board shall require, an amended certificate of occupancy and a certificate from the Board of Fire Underwriters. The determination of the Sponsor, until such time as there are no longer any Unsold Units and thereafter the Board, as to whether the Work has been completed and/or the need for an amended certificate of occupancy and/or any other applicable governmental signoffs and approvals shall be conclusive.

f. **Security Personnel**. The Board shall have the right, at the sole cost and expense of the Unit Owner, to install or engage or require the Unit Owner to install or engage, security systems or personnel to ensure the safety and well being of persons and property in the Condominium.

g. **"As-Built" Drawings**. Upon completion of the Work, the Unit Owner shall provide the Board with an "as-built" set of drawings for the Unit.

h. **Confidentiality**. Any and all knowledge, information, data, materials, trade secrets and work product regarding the Building, obtained, produced, generated or otherwise acquired by Unit Owner or the General Contractor or their agents, employees and Subcontractors shall be confidential.

6. **Inspection and Correction of the Work**. Sponsor and the Board shall have the right from time to time to inspect or observe the Work and to ensure compliance with the terms of this Agreement, and for this purpose Unit Owner shall provide access to the Unit to Designated Engineer, the Managing Agent, the superintendent of the Building, or any other person Sponsor or the Board may authorize. The General Contractor shall be required to conduct a walkthrough with Sponsor and/or the Board for the purpose of observing the construction of the demising wall and perimeter wall assemblies. After the installation of all framing, insulation and vapor barriers General Contractor shall notify Sponsor and the Board and schedule a walkthrough to observe such portion of the Work. The General Contractor may not proceed with installation of gypsum board until written approval of Sponsor and the Board is received. Unit Owner shall promptly make all corrections required by Sponsor or the Board in order to conform to the Plans and the other requirements of this Agreement. If Sponsor or the Board so requires, such

corrections shall include the removal and replacement of non-conforming work. Sponsor's or the Board's failure to inspect shall not be considered a waiver of Unit Owner's obligation to comply with this Agreement. If Unit Owner or the General Contractor observes or otherwise becomes aware that the Work or any of their contract documents are at variance with each other or applicable laws, statutes, ordinances, building codes and regulations in any respect or otherwise are inconsistent, the General Contractor shall promptly notify Sponsor and the Board. If, in the sole judgment of Sponsor or the Board, an Emergency exists with respect to the Work, which in Sponsor's or Board's opinion requires immediate corrective action, then Sponsor may, without notice to Unit Owner's Contractor, perform such corrective work or cause it to be performed by others. In such case, any costs (including general conditions and fees) arising from such corrective work will be borne by Unit Owner and/or General Contractor.

7. **Damage or Adverse Effect Caused by the Work**. Unit Owner shall be responsible for any damage to or any other adverse effect upon the Unit or the Building (including the structure, shell, systems, equipment, fixtures and finishes of the Building) caused by or resulting from the Work, regardless of when such damage or adverse effect becomes apparent. If any such damage or adverse effect shall occur or arise, Sponsor and/or the Board may (a) require Unit Owner, at its expense, promptly to repair the damage or remedy the condition giving rise to such adverse effect and/or (b) repair such damage or remedy such condition at Unit Owner's expense.

Unit Owner acknowledges that the performance of the Work shall in no event cause any environmental hazards in the Units or the Common Elements (including, without limitation, any environmental hazards such as mold or other bacterial contamination) and that the Each Unit Owner will be obligated to heat and cool such Unit Owner's Unit so as to maintain the appropriate temperature in such Unit Owner's Unit in order to avoid causing damage to the Common Elements or the Units, including, without limitation, freezing pipes and damage to the wood floors and moldings. In the event a Unit Owner fails to so maintain the Unit, such Unit Owner may be liable for any damage arising from such failure, including, without limitation, any claims pertaining to environmental hazards such as mold or other bacterial contamination.

The remedies provided for herein and in the By-Laws shall not be exclusive and the Board shall also be entitled to exercise any of the remedies provided by applicable law.

The Board and Unit Owner acknowledge that Sponsor is the Sponsor of the offering plan for the Property, pursuant to which Sponsor has certain obligations to complete the Building and that a breach by Unit Owner of any of the provisions of this Agreement could adversely affect Sponsor's ability to perform its obligations. Accordingly the Board hereby assigns to Sponsor all of the rights of the Board pursuant to the Declaration and the By-Laws as may asserted with respect to the Work and this Agreement until such time as Sponsor has obtained a permanent certificate of occupancy for the Building. Until such time as Sponsor has obtained a permanent certificate of occupancy for the Building, the Board shall not consent to any request hereunder which would have the effect of delaying or interfering with or increasing the cost to perform the Sponsor's Work.

EXHIBIT "22"

LIEN LAW §71-a(3)

3. (a) The initial advance pursuant to a contract of sale which by its terms provides for or is incidental to a contract providing for the construction on the subject real property of residential condominium unit or any structure designed solely for residential occupancy of not more than two families living separately, on property to be purchased shall, at the vendee's option, be deposited within five business days thereafter by the recipient in an interest bearing escrow account in a bank, trust company, savings bank, state or federal savings and loan association, located in this state. Such deposit, together with the interest accumulated thereon, shall remain the property of the vendee except as otherwise provided herein. The recipient shall advise the vendee in writing of the name of the depositary where the funds have been placed within ten business days after such deposit has been made.

(b) In lieu of making the deposit of such moneys in an escrow account as provided in paragraph (a) of this subdivision, the recipient may post with the vendee a bond or contract of indemnity, issued by a surety company licensed to execute such an instrument in this state, guaranteeing the return of the moneys which otherwise would be required to be deposited in such escrow account, in which case the recipient shall not be required to deposit such money in an escrow account. Said bond or contract of indemnity shall be delivered to the vendee within ten business days after receipt of the initial advance.

(c) At any time after making the deposit of such moneys in the escrow account, the recipient may post with the vendee a bond or contract of indemnity issued by a surety company licensed to execute such an instrument in this state guaranteeing the return of such moneys, in which case the recipient shall not be required to maintain the deposit of such moneys in such account.

(d) Such advance shall be retained in the escrow account or such bond or contract of indemnity continued in effect until the trust is terminated (i) by the recipient's performance of the terms of the contract of sale, or (ii) by default of the vendee excusing the recipient's performance of the terms of the contract of sale, or (iii) by release or discharge of the recipient's liability to refund such advance to the vendee, or (iv) upon transfer of title of the real property to the vendee.

(e) Every contract of sale which by its terms provides for or is incidental to a contract providing for the construction on the subject real property of a residential condominium unit or a structure designed solely for the residential occupancy by not more than two families living apart, shall contain a statement advising the vendee of the provisions of this subdivision. Such statement shall be printed in bold type which is at least two points larger than any other printing contained thereon and shall read as follows:

> "YOU, AS THE PURCHASER OF THIS RESIDENCE, MAY REQUIRE THE RECIPIENT OR CONTRACTOR TO DEPOSIT THE INITIAL ADVANCE MADE BY YOU IN AN ESCROW ACCOUNT. IN LIEU OF SUCH DEPOSIT, THE RECIPIENT OR CONTRACTOR MAY POST A BOND OR CONTRACT OF INDEMNITY WITH YOU GUARANTEEING THE RETURN OF SUCH ADVANCE."
