SPECIAL RISKS

1) Projected monthly carrying costs for individual units for the first year of condominium operation include an allowance for real estate taxes based on Sponsor's estimate of anticipated tax benefits to be received pursuant to his application for abatement and exemption of taxes under 421-a of the Real Property Tax Law of the State of New York. Sponsor has made, and will pursue, this application and shall make all filings necessary to obtain such benefits. Upon closing, the Sponsor will make all tax benefit documents available to the Condominium for inspection and copying for the life of the benefits. The Sponsor will timely file all applications and timely comply with all procedures required to properly process and maintain the benefits. The Sponsor has also included projections in the event tax benefits are not obtained.

The Sponsor's projection of tax due for the first year of operation is based on the figures and assumptions in the accompanying expert's opinion as to real estate tax benefits. However, it is not possible to accurately determine what the increase in actual assessed valuation will be. Moreover, it is equally impossible to predict any future increases in real estate tax rates which may affect the amount of tax due on the property.

NO WARRANTY IS OR CAN BE MADE THAT THE BENEFITS SET FORTH THEREIN WILL BE OBTAINED IN THE EVENT THE BENEFITS ARE NOT OBTAINED, OR IN THE EVENT THERE ARE INCREASES IN THE TAX RATE OR THE PROPERTY'S ASSESSED VALUATION OR IN THE STATUTES GOVERNING THE TAX BENEFITS, REAL ESTATE TAXES MAY BE HIGHER THAN SET FORTH ABOVE FOR THE FIRST YEAR OF OPERATION AND IN FUTURE YEARS HENCE INDIVIDUAL CARRYING COSTS FOR ALL UNITS WOULD ALSO BE HIGHER.

Prospective purchasers are urged most strongly to read the section entitled REAL ESTATE TAX BENEFITS OPINION included herein.

2) Closing will not take place, and no individual condominium apartment will be sold until a permanent or temporary Certificate of Occupancy has been obtained for the premises. In the event closing occurs after the issuance of a temporary Certificate of Occupancy, but prior to the issuance of permanent Certificate of Occupancy, then it will remain the obligation of the Sponsor to, at its own cost and expense, obtain such permanent Certificate, and the Certificate must be obtained within two (2) years from date of closing. Prior to obtaining the permanent Certificate of Occupancy, the Sponsor is required to either: a) maintain all deposits and funds in a special escrow account required by GBL-352e(2)(b) unless the Sponsor's engineer or architect certifies that a lesser amount will be reasonably necessary to complete the work needed to obtain the permanent Certificate of Occupancy, in which case the sum exceeding the amount so certified may be released; or, b) deposit with an escrow agent an unconditional, irrevocable letter of credit, or post a surety bond, in the aforesaid specified amount, in accord with the regulations of the New York State Department of Law.

3) It is anticipate that the project will be self managing, and that no managing agent will be employed. Therefore, no amount has been included in the projected budget for the first year of operation for a management fee. In the event the Board of Managers determines that it is in the best interest of the Condominium to employ a managing agent, this item will represent an additional expense not included in the projected budget, and will require an increase in Common Charges of approximately six to ten percent. In addition, no amount is budgeted for a superintendent or custodian and, again, in the event the Board of Managers determines that it is in the best interest of the Condominium to employ a superintendent or custodian, this will also result in an increase in Common Charges. See footnotes 8 and 9 to Schedule B on page 15.

4) There are numerous time constraints imposed in the Purchase Agreement set forth in Part II of this Offering Plan. **Time is of the essence** as to all such time constraints. This means that if the Purchaser fails to perform within the applicable time frame, he may wave substantive rights, or incur a forfeiture of substantial sums of money. Purchasers are advised to consult with their attorney concerning all terms of this offering. Please see section of this Plan entitled PROCEDURE TO PURCHASE, and the PURCHASE AGREEMENT, set forth in Part II, for a statement of all applicable time limitations.

5) The terms of this Offering Plan transfer the statutory obligation to pay New York City Real Property transfer taxes (1% of purchase price for residential units, and New York State Documentary Stamp Taxes (\$4.00 per thousand) to the Purchaser, so that the cost of such taxes represent an additional closing cost to the Purchaser; and, insofar as such taxes will be considered part of the total consideration paid for the unit, transfer tax will be due on such additional taxes as well and will amount to a tax on a tax. Additionally, the Purchaser is responsible for paying to the Sponsor's attorney a document preparation fee of \$550.00, and may be responsible for certain other fees such as travel fees and default fees. Additionally, Purchaser shall pay to the Sponsor the sum of \$500.00 as partial reimbursement for the cost of preparing of the Offering Plan and submitting the application for tax exemption and abatement benefits. See section of the Offering Plan entitled UNIT CLOSING COSTS AND ADJUSTMENTS.

6) At the earlier of the second anniversary of the first closing date, or such time as less than fifty percent of the units of the Condominium constitute unsold units, control of the Condominium shall be transferred to a Board of Managers elected by unit owners other than Sponsor. Prior to that time, the Condominium will be controlled by a Board of Managers elected by the Sponsor. During the time that the Board of Managers is controlled by managers elected by the Sponsor, there are certain limitations on actions which the Board can take, which limitations are set forth at page 35 in the section of this Plan entitled CONTROL BY SPONSOR.

Until the earlier of five (5) years from the date of closing, or at the time at which the Sponsor or other Holder of Unsold Units owns units consisting of less than 25% of the common interest of the Condominium, Sponsor may exercise veto power over any expenses other than those described in Item 3 of the section entitled CONTROL BY SPONSOR in the offering plan. Additionally, so long as the sponsor retains ownership of at least one unit in the building, the By-Laws, Declaration, and Rules and Regulations of the Condominium, may not be amended or modified in any way so as to adversely affect the Sponsor without written consent by the Sponsor.

See section of the Offering Plan entitled CONTROL BY SPONSOR for a more complete explanation.

7) Sponsor is liable for all common charges, special assessments, and real estate taxes with respect to unsold units, and represents that Sponsor has financial resources to meet these obligations. However, no bond or other security has been furnished to secure the Sponsor's obligations. Please see section of the Offering Plan entitled SPONSOR'S OBLIGATIONS for a more detailed explanation.

8) Pursuant to existing law and regulation, the Sponsor may declare the plan effective by selling a minimum of fifteen (15%) percent of the apartments in the building. Even if the plan is declared effective with a minimum number of sales, it is possible that the Sponsor may be able to convert the building with fewer than the minimum number of sales, if purchasers counted towards effectiveness do not ultimately purchase an apartment.

9) Purchasers should note that in the current real estate market, banks and other lenders are imposing various restrictions on loans. Such restrictions include requiring that a certain percentage (such as 35% or 50%) of the apartments in a building be sold before the lender will consider making a loan. Thus, it may be possible for a Purchaser to experience difficulty obtaining a loan in a building where the percentage of units purchased is lower than a lender's particular sales minimum.

Even after a building undergoes conversion, lenders may still impose minimum sales requirements before granting a loan. It then may be difficult for a Purchaser to resell an apartment if prospective buyers are unable to obtain a loan due to such minimum sales requirements.

10) All funds received by the Sponsor for upgrades or extras must initially be placed in the escrow account set forth herein. However, Purchaser should note that such funds may be released from the escrow account by the escrow agent as long as the Sponsor uses the funds for such upgrades or extras. As a result, in the event the Purchaser is entitled to a rescission, the Purchaser will not receive a refund of any funds used for upgrades or extras. See PURCHASE AGREEMENT set forth in part II of this Offering Plan.

11) The cost of providing heat and hot water for individual units is not included in the monthly Common Charges. Heat and hot water are separately provided to each unit by its own heat and hot water facility; and the cost of fuel for providing such heat and hot water will be separately billed for each unit. Thus, the cost of heat and hot water represent additional costs in addition to the monthly maintenance (see FOOTNOTES TO SCHEDULE B and SECTION B1).

12) Certain apartments in the building include the use of balcony areas, or roof or yard areas. No structures of any kind may be erected on these limited common elements except for temporary structures which shall be removed immediately after completion of their purpose. See FOOTNOTES TO SCHEDULE A and DECLARATION set forth in Part II of this Offering Plan.

13) Sponsor shall only be obligated to cure title exceptions raised in a title report prepared by Lighthouse Land Services. Purchaser will take subject to exceptions raised in a title report prepared by any other title or abstract company, unless Sponsor, at Sponsor's sole discretion, elects to cure same. See TERMS OF SALE and PURCHASE AGREEMENT set forth in Part II of this Offering Plan.

14) All downpayments will be placed in an IOLA account and will be federally insured up to \$100,000. To the extent the contract deposits exceed \$100,000, they will not be federally insured.

15) The ground floor units include below-grade recreation space in the cellar of their building. This space is designated as a recreation room, and may not be used as bedrooms. Use of this recreation space as a bedroom may result in a violation being posted against the building. See DESCRIPTION AND PROPERTY BUILDING CONDITION in Part II of this Offering Plan.

INTRODUCTION

This is an Offering Plan for the sale of condominium apartments at 330-350 2nd Avenue, Brooklyn, New York. The purpose of this plan is to fully set forth all material terms of the offer. This plan may be amended from time to time, if such amendment is filed with the New York State Department of Law. Any such amendments will be served on all prospective Purchasers who have executed a Purchase Agreement for any apartment, all unit owners, any commercial or professional tenant, and all other persons entitled to service pursuant to local law or statute.

The sponsor of this offering is Park Slope Estates LLC, a New York limited liability company formed October 5, 1999. The Principals of the Sponsor are Jeshayahu Boymelgreen and Itzakh Katan. The Sponsor acquired the property on January 12, 2000. Units will be conveyed free and clear of any mortgages, liens, or other encumbrances. Units will be conveyed by delivery of a UNIT DEED set forth in Part II of this Offering Plan.

The prices contained in this offering, as set forth in SCHEDULE A, are set by the Sponsors, and are not subject to approval by the New York State Department of Law, or any other governmental agency.

This Condominium will be subject to, and in compliance with, the New York State Condominium Act, Article 9-B of the New York Real Property Law.

This plan, including all schedules and exhibits submitted herewith, constitutes the entire offering plan. Copies of the plan and Parts A, B, C and D of the exhibits will be available for inspection to potential purchasers and their attorneys at the office of the Sponsor indicated on the front cover of this offering plan, without charge; and for copying, at a reasonable charge.

The premises consists of a six contiguous buildings each containing four stories and a cellar, and located in the Park Slope section of Brooklyn. Each building will house six residential units, for a total of 36 units, with no on site parking, recreational or laundry; however individual apartments will be equipped with laundry hook-ups. Unit owners shall be solely and only responsible for supplying laundry equipment for their hookups.

This offering is made only to individuals over the age of 18.

In accordance with the provisions of the Laws of the City of New York, the Sponsor represents that neither the Sponsor, nor the Condominium nor the Selling Agent will discriminate against any person because of his race, creed, color, sex, national origin, ancestry, or any other reason prohibited by civil rights law in the sale of apartments offered by this Plan, or in the leasing of any apartment in the Building. Unit owners have an unrestricted right to lease or sell units

This is a newly constructed building. Work on the building is scheduled for completion in July 2001.

Ownership of a Condominium Unit resembles in many ways ownership of a private home. Basic aspects of condominium ownership include:

(1) Each purchaser owns his unit outright and is entitled to exclusive possession of his unit. Each purchaser also has an interest, and a right to use common elements and limited common elements of the building. However, each unit owner is obligated to comply with the Declaration, By Laws, rules and regulations, and any other requirements of the Board of Managers.

(2) Common elements are parts of the Property, in addition to his/her own Unit, which a Unit Owner owns in common with the owners of all other Units, such as entry ways, stairways, hallways, utility areas, and similar elements of the building, which serve all Unit Owners. A Unit Owner will share the non-exclusive right to use the Common Elements with all other unit owners.

Limited Common Elements are those areas appurtenant to a particular Unit or Units, the use of which is restricted to the owner(s) of such Unit or Units), but which are not owned by that unit owner. Thus, in this condominium the rear yard is a limited common element allocation to the first floor unit; and the storage area under the front steps is a limited common element allocated to the second and third floor unit.

(3) Each unit may be separately taxed and mortgaged; each unit owner may deduct from adjusted gross income for income tax purposes real estate taxes and mortgage interest;

(4) Each Unit Owner may vote for the members of the Board of Managers, which is the group elected by unit owners to operate the Condominium. The Board of Managers will set common charges based on cash needs of building operation, decide on special assessments, and, in general, make all decisions necessary to run the building.

(5) Each unit owner must pay common charges in accordance with the New York Condominium Act, any applicable state or local law. The common charges payable under the By-Laws will be based strictly on the projected cash requirements of ownership and operation of the Property and may include an allowance for contingencies, replacements, and/or repairs. Furthermore, the Board of Managers may impose special assessments in order to meet emergencies, contingencies, or other unforeseen events, which will become the financial obligation of each purchaser of a Condominium Apartment. These assessments will be levied in direct proportion to the percentage of common interest allocated to each apartment. .

(6) The By-Laws of this condominium require individual purchasers to obtain their own insurance coverage, at their own cost and expense, to insure them for such risks as fire and casualty losses in their apartments to their personal contents therein, as well as liability insurance for each occurrence which might occur within their respective apartments. Unit owners are responsible for maintenance and repairs to their individual units.

The estimated Common Charges for the first year of Condominium operation are set forth below in SCHEDULE A. The projected budget for the first year of Condominium operation is set forth below in SCHEDULE B.

THE PURCHASE OF A CONDOMINIUM APARTMENT HAS MANY SIGNIFICANT LEGAL AND FINANCIAL CONSEQUENCES AND MAY BE ONE OF THE MOST IMPORTANT FINANCIAL TRANSACTIONS OF YOUR LIFE. THE ATTORNEY GENERAL STRONGLY URGES YOU TO READ THIS OFFERING PLAN CAREFULLY AND CONSULT WITH AN ATTORNEY BEFORE SIGNING AN AGREEMENT TO PURCHASE A CONDOMINIUM.

Notes:

- 1) Minor differences in the above calculations may be caused by "rounding off".
- 2) Each 1st floor unit will have exclusive use and possession of a private garden area in the rear of the premises.

- 4) Each top floor unit will have exclusive use and possession of the balcony entering through the master bedroom and a private roof area.

FOOTNOTES TO SCHEDULE A

1. The room count is based on the method suggested by the Real Estate Board of New York. See the section entitled DESCRIPTION OF PROPERTY AND BUILDING CONDITION for a more complete description of each apartment.

2. The determination of percentages of Common Interest allocated to each unit is in the approximate proportion that the estimated fair market value of the unit as of the date of conversion to condominium status will bear to the then aggregate fair market value of all condominium units, as per Section 339-i(1)(i) of the New York State Real Property Law. The aforementioned fair market value were determined by a combination of factors as enumerated in the aforementioned section of the real property law including, but not limited to, floor space, uniqueness of each unit, overall dimensions of a particular unit, condition and amenities in each apartment, layout, location in the building, and any other factors which would have affected the relative desirability and marketability of each apartment.

3. Across-the-board changes in unit prices, advertised price changes, and increase in individual unit prices may be made by duly-filed amendments only; however, individually negotiated reductions in the purchase price of a unit may be made without prior amendment. See CHANGES IN PRICES AND UNITS.

4. Projected Common Charges for the first year of operation include only those expenses which are enumerated in SCHEDULE B. Maintenance charges do not include such expenses as repairs to the interior of the owner's unit, and the owner's individual gas, electricity, and telephone expenses. Moreover, if the purchaser should obtain financing for the purchase, the debt service on that loan will be an additional expense not covered by the Common Charges. Common Charges are arrived at by allocating to each unit a share of the Monthly Charges proportionate to the Common Interest which that unit bears in the condominium.

5. Each unit will be separately taxed for New York City real property tax purposes. Sponsor, is applying for Real Estate Tax Benefits. This will result in a exemption of the building from increase in actual assessed valuation due to improvements to the premises for a period of eleven (11) years, with the full assessment thereafter being phased in over a four (4) year period. Sponsor has obtained an opinion from Henry Comics as to the likely effects of Sponsor's application for Real Estate Tax Benefits; Purchasers are directed to the section of this Offering Plan entitled REAL ESTATE TAX BENEFITS OPINION for a complete explanation. Calculations of Real Estate Taxes in the event 421a Tax Abatement and Exemption benefits are not obtained are based on the expert's estimate of a \$1,012,500.00 assessed valuation upon completion of construction, and a current tax rate of \$10.739 per \$100.00 of the assessed value.

6. Monthly carrying charges are composed of the monthly common charges and the monthly real estate taxes projected against each unit.

7. While Sponsor is applying for real estate tax benefits, and the expert's opinion included in this Offering Plan projects that such benefits are available and will be granted, no guarantee can be, or is made, that said benefits will be obtained, or will continue to be available. Therefore Sponsor has projected in Schedule A the real estate taxes in the event no such benefits are obtained.

8. Monthly carrying charges in the event real estate tax benefits are not granted are composed of the monthly common charges and the monthly real estate taxes based on the projected full assessment for each unit, as set forth are composed of the monthly common charges and the unit's proportional share of the full assessed value of the premises projected by the Sponsor's expert. It is projected that the full assessed value after completion will be \$1,012,500.00 and that the annual real estate taxes will be approximately \$108,732.00. Thus, the monthly real estate taxes in the event real estate benefits are not granted are composed of the figures in column 4 and column 7.

9. Square footage is based on the Floor Plans and Architect's report set forth herein in Part II of the Offering plan.

IF SUCH AMENDED PROJECTION EXCEEDS ORIGINAL PROJECTIONS BY 25% OR MORE, THE SPONSOR MUST OFFER ALL PURCHASERS THE RIGHT TO RESCIND IN A REASONABLE PERIOD OF TIME THAT IS NOT LESS THAN 15 DAYS AFTER THE DATE OF PRESENTATION OF SAID AMENDED BUDGET, TO EXERCISE SAID RIGHT, WHETHER OR NOT SPONSOR OFFERS TO GUARANTEE THE PREVIOUS BUDGET PROJECTION. SPONSOR MUST RETURN ANY DEPOSIT OR DOWN-PAYMENT PROMPTLY TO SUBSCRIBER WHO RESCIND.

ADDITIONALLY, PURCHASERS WILL BE OFFERED THE OPPORTUNITY TO RESCIND THEIR PURCHASE AGREEMENTS IN THE EVENT CLOSING DOES NOT OCCUR WITHIN 12 MONTHS FROM THE ORIGINALLY PROJECTED COMMENCEMENT DATE OF THE BUDGET.

FOOTNOTES TO SCHEDULE B

1. Heat and hot water for each unit is provided by separate facilities serving each unit. No heat is provided to the common areas of the building.

2. The Sponsor's estimate of common area electrical usage for the first year of condominium operation is based on an estimate received from Apollo Electric Inc., 306 West 51st Street, New York, New York 10019, of a total of 61,250 kilowatt hours per year of electrical usage for the common area electricity at a combined winter/summer rate of approximately \$.16 per kilowatt hour. The projected figure includes a 10% inflation allowance for inflation and cost of all applicable sales taxes.

3. Projected water and sewer costs based upon a current New York City estimate of 350 gallons, or 560 cubic feet, per day per residential unit, current charges of \$1.01 per 100 cubic feet of water consumed, and sewer charges of \$1.37 per 100 cubic feet of water consumed. Projected figure also includes a 10% allowance for inflation.

4. Repairs and maintenance to building: The budgeted figure is based on normal maintenance and repairs to the common elements of the building and its systems and equipment. Individual unit owners will be responsible for the cost of interior repairs, and decorations, and painting of their respective apartments, including appliances.

5. Services and supplies: These include items expected to be consumed in the normal course of building operation, including light bulbs, cleaning supplies, paints, and hardware items.

6. Insurance: At closing, the Sponsor will deliver to the Condominium a special multi-peril insurance policy issued through Ari H. Freedman Associates, LTD, 3023 Avenue J, Brooklyn, New York 11210 in the following coverage amounts per building:

Building.....\$6,750,000 "All Risk" agreed amount
Replacement Value

Rent Loss.....Actual, up to 12 months

Liability.....\$1,000,000 per occurrence
\$2,000,000 total

Water Damage.....\$25,000 Legal Liability

Deductible.....\$5,000

The insurance broker has advised the Sponsor that in its opinion, the amount of coverage is adequate to rebuild the building structure if totally destroyed by any insured peril; however, the policy does not guaranty the replacement of individual fixture and improvements installed by individual unit owners. This policy waives a standard co-insurance clause, so that no insured thereunder shall be a co-insurer. The policy will provide that:

- (i) each unit owner will be an additional insured;
- (ii) there will be no cancellation without notice to the board of managers and individual unit owners;
- (iii) will waive subrogation;
- (iv) will waive invalidity because of the acts of the insured and individual unit owners;
- (v) and, will waive pro rata reduction if individual unit owners obtain additional individual coverage.

The policy does not include officers and directors liability, umbrella coverage, boiler coverage, or blanket fidelity, which can be provided at extra cost. Purchasers are advised of the desirability of obtaining additional insurance, at their own cost and expense, to cover such risk as fire and casualty losses to unit contents, replacements, additions, up-graded fixtures and improvements, and liability coverage for occurrences within the unit or, where applicable, on the limited common elements pertinent to the units.

7. Legal and Accounting Fees: This figure is based on the estimate received from Hadassah Buxbaum, 914 East 29th Street, Brooklyn, New York, 11210, a certified public accountant for preparation of a certified financial statement for the first year of operation and City, State and Federal tax returns, which estimate was \$1,800.00. The balance of the budgeted figure anticipates minor legal services during the first year of operation, but would be insufficient to cover any substantial litigation.

8. This projection is based on the applicable New York State and New York City taxes for unincorporated associations (condominiums qualify as unincorporated association):

New York State Franchise Tax	\$100.00
New York City Business Tax	\$325.00
New York State MTA Surcharge	\$ 96.00

9. Due to the size of the buildings, no superintendent or custodian is required by applicable law. It is anticipated that superintendent and janitorial services will be provided by the unit owners. In the event the Board of Managers should, at any time, employ a superintendent or janitorial personnel, same will be an additional expense to the Condominium which may result in an increase in common charges.

10. It is expected that the premises will be self-managing. Should the Board of Managers at any time elect to employ the services of a managing agent, this will represent an additional cost of approximately 6% to 10% of the annual operating budget, which would require a concomitant increase in the common charges.

11. The miscellaneous budgeted item is intended to provide a cushion for unforeseen costs and an opportunity for the condominium to accrue a reserve for future expenses.

SCHEDULE B1

Heat and hot water are provided to each individual unit by separate boilers and hot water heaters serving each such unit. The following are estimates of the cost of providing heat and hot water for each residential unit. The costs set forth below do not include domestic cooking gas.

UNIT	COST OF HEAT	COST OF HOT WATER	ESTIMATED INFLATION FACTOR	ESTIMATED TAXES	TOTAL COSTS
1st floor	\$1320.00	\$ 538.00	\$186.00	\$153.00	\$2197.00
2nd floor	\$ 968.00	\$ 452.00	\$142.00	\$117.00	\$1679.00
3rd floor	\$1936.00	\$ 589.00	\$253.00	\$208.00	\$1186.00

Notes:

1. The cost of providing heat is based on an estimate received from Brooklyn Union Gas Company, 8302 Ditmas Avenue, Brooklyn, New York 11201, which assumes the following:

- (a) Current Brooklyn Union gas rate of 4.83 per therm;
- (b) Estimate of 16 hours per day at 70 degrees;
- (c) Estimate of 8 hours per night at 60 degrees.

2. Taxes are based on current New York City and New York State sales taxes applicable to the sale of natural gas use for home heating purposes.

3. An inflation factor of 10% is assumed with regards to the heating costs.

4. The cost of providing hot water for domestic use (washing, bathing, etc..) is based on normal estimated usage for a family of 3, and is highly dependent both on the number of people located in the apartment, and their pattern of usage.

5. The above table includes only gas use for heating and hot water and does not include gas used for cooking or any other purpose.

CHANGES IN PRICES AND UNITS

The offering prices, as set forth in SCHEDULE A, may only be increased or decreased by a duly filed amendment to the plan when the change in price is an across-the-board change affecting one or more lines of units, or unit models, or is to be advertised; or represent a price increase for any individual unit. However, prices are negotiable, and Sponsor may enter into an agreement with a purchaser to sell one or more units at prices lower from those set forth in SCHEDULE A without filing an amendment prior to entering such agreement, as per FOOTNOTES TO SCHEDULE A.

No change will be made in the size or number of units, and/or their respective percentage of common interest; and no material change will be made in the size or quality of common elements; except by amendment to the Plan and when applicable, to the Declaration. Unless an effected purchaser consents, no material change will be made in unit size, layout or percentage of common interest, if a Purchase Agreement has been executed and delivered to the Sponsor for that unit and the Purchaser is not in default. Unless all purchasers consent, no material change will be made in the size, and no material adverse change will be made in the quality, of common elements.

COMPLIANCE WITH REAL PROPERTY LAW 339-i(1)(i)

June 20, 2000

Park Slope Estates LLC
144-21 77th Drive
Flushing, New York 11367

Dear Sirs:

You have requested an opinion from us with regards to your allocation of common interest to units in your proposed condominium at 330-350 2nd Street, Brooklyn, New York, with Section 339-i(1)(i) of the New York Real Property Law. You have informed us that the method of allocation chosen is to evaluate the approximate fair market value of the individual unit in proportion to the anticipated aggregate fair value of all units on the day the condominium Declaration will be filed. You have further informed us that, the factual basis of calculating the percentage of common interest consists of the size, layout, and location within the premises of each individual unit; and, the anticipated selling price of each unit. Based on our review of the foregoing factors, we have concluded that the proposed allocation of common interest to individual units is in compliance with Section 339-i(1)(i) of the New York State Real Property Law.

We have been licensed real estate brokers in excess of 14 years, and have managed approximately 12 buildings in this area. We have previously participated in the preparation of individual unit value appraisals for the purpose of inclusion in offering plans for the sales thereof. We are not, in any way, associated with you or any other participant in the project, and have no beneficial interest

in your business, or in profitability of the project. This is an opinion only as to the relative value of each unit in relation to the value of the project as a whole; is strictly based on the information provided to us in such reasonable inquiries as to the validity thereof as we deemed appropriate under the circumstances; and, is not intended as a guarantee of the actual value of any individual unit. We consent to the inclusion of this letter in your offering plan.

Sincerely,

PROCEDURE TO PURCHASE

Persons desiring to purchase condominium units will be required to execute a Purchase Agreement and Transferee Affidavit in the form contained in Part II of this Plan and return it to the selling agent, together with a check in the amount of 10% of the purchase price, as a down-payment, drawn to the order of HAROLD GRUBER, ESQ., AS ATTORNEY. Sponsor reserves the right to accept a lesser downpayment to accommodate Purchasers, but in no case will downpayment be less than \$1,000.

The prospective purchaser must have the Offering Plan and all filed amendments in his possession at least three (3) business days prior to executing the Purchase Agreement. In the event Purchaser has not had said Offering Plan in his possession for at least three (3) business days prior to execution, Purchaser may rescind the Purchase Agreement by mailing Notice of Rescission to Sponsor or selling agent, or by hand delivering notice, within seven (7) days after executing same. Notice by mail will be effective if it postmarked within seven (7) days of executing Purchase Agreement. Purchase Agreement shall not be binding on any party until accepted by the Sponsor. Within twenty (20) days after the prospective purchaser has delivered to the selling agent a signed Purchase Agreement, together with the required downpayment, the Sponsor must either accept the Purchase Agreement and return a fully executed counterpart, or reject the Purchase Agreement and refund in full any downpayment taken. The Plan will expire twelve (12) months from the date of acceptance unless extended by a duly filed amendment.

All downpayments will be place in an account in conformity with the disclosure contained in this Plan.

The Sponsor will comply with the escrow and trust fund requirements of General Business Law Sections 352-3(2-b) and 352-h, and Lien Law section 71-a(3) and the Attorney General's regulations promulgated pursuant thereto.

Any provision of any contract or agreement, whether oral or in writing, by which a purchaser purports to waive or indemnify any obligation of the escrow agent holding trust funds is absolutely void. The provisions of the Attorney General's regulations concerning escrow/trust funds shall prevail over any purchase. Purchasers shall not be obligated to pay any legal or other expense of the Sponsor in connection with the establishment, maintenance, or defense of obligations arising from the handling or disposition of trust funds.

All deposits, downpayments, or advances, made by purchasers prior to closing of each individual transaction, whether received before or after the date of consummation of the Plan, will be placed, within five (5) business days after the agreement is signed by all necessary parties, in a segregated special escrow account of Harold L. Gruber whose address is 563 10th Street, Brooklyn, New York 11215, and whose telephone number is (718) 788-7722. The signatory on this account authorized to withdraw funds is: HAROLD L. GRUBER, 563 10th Street, Brooklyn, New York 11215. The name of the account is HLG ESCROW - PSE, located in Citibank, N.A. at 114 Seventh Avenue, Brooklyn, New York 11215. This bank is covered by federal bank deposit insurance to a maximum of \$100,000.00. To the extent deposits in the account exceed \$100,000.00 they will not be federally insured. If the escrow agents are replaced or funds are transferred to a new escrow account, the Plan will amended to reflect same.

This account will be an IOLA account with no interest accrued to the benefit of either the purchaser or the Sponsor.

All instruments shall be made payable to or endorsed to the order of HAROLD L. GRUBER, ESQ., as escrow agent.

Within ten (10) business days after tender of the deposit submitted with the Purchase Agreement, the escrow agent will notify the purchaser that such funds have been deposited into the escrow account and will provide the account number and the initial interest rate, if applicable. If the purchaser does not receive notice of such deposit within fifteen (15) business days after tender of the deposit, the purchaser may cancel the purchase and rescind so long as the right to rescind is exercised within ninety (90) days after tender of the deposit. Such purchaser may also apply to the Attorney General for relief. Rescission may not be afforded where proof satisfactory to the Attorney General is submitted establishing that the escrowed funds were timely deposited and requisite notice was timely mailed to the purchaser in conformity with the Attorney General's regulations.

Since all contracts are contingent upon the Plan becoming effective, under no circumstances shall Sponsor apply for release of the escrowed funds of a defaulting purchaser until after consummation of the Plan.

The escrow agent will hold funds in escrow until other directed in:

- (i) a writing signed by both sponsor and purchaser; or,
- (ii) a determination of the Attorney General pursuant to the dispute resolution procedures contained in the Attorney General's regulations; or,

(iii) a judgment or order of a court of competent jurisdiction.

If there is no written agreement between the parties to release the escrowed funds, the escrow agent will not pay the funds to the Sponsor until the escrow agent has given the purchaser written notice of not fewer than ten (10) business days. Thereafter, the funds may be paid to the Sponsor unless the purchaser has already made application to the Department of Law pursuant to the dispute resolution provisions of the Attorney General regulations and has so notified the escrow agent in accordance with such provisions.

The Sponsor will not object to the release of the escrowed funds to:

(i) a purchaser who timely rescinds in accordance with an offer of rescission contained in the Plan, or an amendment to the Plan;

(ii) all purchasers after an amendment abandoning the plan is accepted for filing by the Department of Law.

Purchasers and escrow agent may apply to the Attorney General in the event of a dispute for a determination on the disposition of the downpayment and any interest thereon. The Sponsor must avail itself of this procedure if there is a dispute which needs to be resolved. A form for this purpose is included in Part II of this Offering Plan, and is also available at the New York State Department of Law, 120 Broadway, New York, NY.

Pending the determination of the Attorney General to grant or deny the application, the Sponsor, the purchaser, and the escrow agent shall abide by any interim directive issued by the Attorney General. If the application permitting release of funds is granted, the deposit and interest earned thereon shall be disposed of in accordance with the determination of the Attorney General, subject to any court action from which preliminary relief is granted. The Attorney General shall act on the application within 30 days after a submission to the Department of Law for either making a determination or notifying the parties that an extension of time in which to do so. If the application seeking release of funds is denied the escrow agent shall continue to hold the deposit and any interest earned thereon until: i) both the Sponsor and Purchaser direct payment to a specified party in accordance with the written direction signed by both Sponsor and Purchaser; or ii) judgement or order of a court of competent jurisdiction is served on the escrow agent; or iii) escrow agent deposits the disputed amount with the court.

In no event shall the escrow agent release funds in dispute, other than a payment of such funds with the court, until such dispute is finally resolved either by determination of the Attorney General, or by order of a court of competent jurisdiction, or by written agreement with the Sponsor and Purchaser.

Set forth in Part II of this Offering Plan is a copy of the escrow agreement between the Sponsor and the Escrowee which incorporates the terms of the Attorney General's regulations.

The escrow agent will maintain all records concerning the escrow account for seven years after the release of funds. The Department of Law may perform random reviews and audits of all such records involving escrow accounts to determine compliance with the statute and regulations.

The Sponsor may apply to the Attorney General to use security in the form of surety bonds or a letter of credit, in accordance with the regulations of New York State Department of Law, in lieu of escrow of such funds. In the event the Sponsor elects to use such alternative security, an amendment to that effect will be filed in the Offering Plan fully complying with all provisions of the Department of Law for proof of satisfactory insurance of said funds.

Risk of loss from fire or other casualty remains with the Sponsor until title has passed unless and until the purchaser is given the right of possession of that unit pursuant to a written agreement with the Sponsor.

Certain provisions of the Purchase Agreement are "time of the essence". This means that failure to strictly comply with the time requirements of said provisions, may result in the Purchaser losing his right to complete the purchase, and forfeiting his downpayment hereunder. Thus, a purchaser who fails to cure a default within thirty (30) days after notice of said default, will both have the Contract canceled, and lose his downpayment; however, Sponsor must make written for payment after default at least 30 days before forfeiture the deposit may be declared.. Similarly, a purchaser who fails to notify the Sponsor in the event he has failed to obtain mortgage financing within forty (40) days after executing the Purchase Agreement, will be required to proceed to closing, notwithstanding the fact that purchaser has failed to obtain mortgage financing; and, if such purchaser fails to proceed to closing, the down payment may be retained by the Sponsor.

After the Plan has been declared effective, the Sponsor will fix dates for closing title to all units for which Purchase Agreements have been executed by serving notice on each Purchaser stating the date of the first closing and setting such purchaser's closing date. Such notice will be served in compliance with the Attorney General's rules no less than 30 days prior to the closing date set therein. Purchasers may waive this 30 day provision by including such waiver in the Plan or in an amendment thereto.

The first closing of a Unit is expected to occur on or about July 1, 2001. If such closing is delayed more than twelve (12) months beyond the originally scheduled date, purchaser will be offered the right to rescind this contract. On closing, purchaser will be required to sign a Power of Attorney in favor of the Board of Managers as otherwise set forth in this Offering Plan.

The Purchase Agreement may not contain, or be modified to contain, a provision waiving purchaser's rights or abrogating Sponsor's obligations under the Offering Plan or Article 23-A of the General Business Law. Any conflict between the Purchase Agreement and the Offering Plan shall be resolved in favor of the Offering Plan. Sponsor will not permit the assignment or transfer of Purchase Agreements.

EFFECTIVE DATE

The offer to sell embodied in this offering plan is contingent upon the Plan being declared effective in accord with its terms and conditions, and the terms and conditions imposed by law.

The Plan will only be declared effective by a duly filed amendment, or by notice to all Purchasers. If declared effective by notice, an amendment to that effect will be filed within five (5) days with the New York State Department of Law. No closing on any individual unit will be held prior to the acceptance for filing of such amendment by the New York State Department of Law.

The Plan may be declared effective upon sale of 15% of the Units to bona fide purchasers. A minimum of six residential units must be sold to declare the Plan effective. The count of Purchase Agreements towards the minimum number for effectiveness shall not include those: signed by Purchasers granted a right of rescission which has neither expired nor been waived; executed by Purchasers who have had fewer than three business days to review the Offering Plan and all filed amendments; assigned or transferred without compliance with the terms of this Plan; conditioned upon an amendment to the Plan which has not been duly filed; from a Sponsor or Sponsor's principal, or any party related to the Sponsor or Sponsor's principal; or selling agent, or any party related in any way thereto; except that a party related to either the Sponsor or a principal of the Sponsor may be included, if the Sponsor has submitted proof satisfactory to the Department of Law establishing that the Purchaser is bona fide.

The Plan must be declared effective upon sale of 80% of the Residential Units. For the purposes of this Offering Plan, 80% is 29 units. Prior to the sale of 80% of such Units, or prior to being declared effective, the Plan may be abandoned by the Sponsor at his option. In such case, the Sponsor will return all monies paid by Purchasers, together with interest earned, if any, within ten business days. The Sponsor will also file with the New York State Department of Law a form RS-3, and an amendment, detailing why the Plan was abandoned, and explaining all disbursements of funds.

The Sponsor may not abandon the Plan after it has been declared effective for any reason other than: a defect in title which cannot be cured without substantial litigation, or expenditure of an amount in excess of one-half (1/2) of one percent (1%) of the total offering price, or work orders of a mortgagee, or violations, or substantial casualty damage, which cannot be cured for less than one-half (1/2) of one percent (1%) of the total offering price, or the taking of any material portion of the property by condemnation or eminent domain; however, such title defects, violations, work orders, or casualty losses, as are known to the Sponsor at time of presentation, shall be excluded from calculations under this section.

TERMS OF SALE

On closing, Sponsor will deliver to Purchaser a Bargain and Sale Deed with Covenants Against Grantor's Acts in the proper form for recording as set forth in Part II of this Offering Plan. Title, together with the appurtenant interest in the Common Elements will be conveyed at closing, free and clear of all liens, encumbrances, and title exceptions other than the easement set forth in the aforementioned Deed, the Condominium Declaration, and any state of facts an accurate survey may show, provided same does not render title unmarketable. Sponsor shall only be obligated to cure title exceptions raised in a title report prepared by Lighthouse Land Services. Purchaser will take subject to exceptions raised in a title report prepared by any other title company or abstract company.

Risk of loss from fire or other casualty remains with the Sponsor until title is passed, unless and until the Purchaser is given the right of possession of that unit pursuant to a written agreement with the Sponsor. Upon Purchaser acquiring right of possession of the unit, all risk of loss passes to Purchaser, and Sponsor shall not thereafter be responsible to repair any damage, which occurs before closing. No closing will occur unless and until a partial temporary or permanent Certificate of Occupancy for the unit to be closed has been issued.

All personal property located within the unit on the date the Purchase Agreement is signed, or located within the Common Elements on the date the Declaration is filed, which property is owned by the Sponsor or the Owner of the property, is included in the conveyance unless specifically excepted elsewhere in this Offering Plan.

The Declaration, By-Laws, and Floor Plans for the Condominium, and such other documents as are required by law, will be recorded with the New York City Register for the County of Kings in accordance with the New York Condominium Act prior to the first conveyance of title to a unit.

If existing mortgages or constructions loans encumbering the property will be not satisfied at or prior to closing of the first unit, each mortgagee will, at the time of the conveyance of the first unit, either consent to the formation of a Condominium, and acknowledge that its lien will be limited to Unsold Condominium Units; or subordinate the lien of its mortgage to the Declaration of the Condominium; or, release its lien upon the Condominium Unit being conveyed, and its interest in the Common Elements.

CLOSING COSTS AND ADJUSTMENTS

As set forth in the Purchase Agreement, the purchaser will pay the following estimated closing costs at the time of Closing of Title for the purchaser's Unit. These estimates are based on current costs and charges, which are subject to change:

(a) If a purchaser elects to obtain fee title insurance, the purchaser will pay the premium thereof which will vary depending upon the Purchase Price of the Unit. Rates set by the New York Board of Title Underwriters are currently \$1,017.00 on a Purchase Price up to \$200,000.00 and approximately \$4.00 for each additional thousand dollars or fraction thereof; or alternatively, where a mortgage title policy is simultaneously issued, the reduced rate set by the title company. Title insurance will be provided through Lighthouse Land Services. Purchaser will take subject to exceptions raised in title report prepared by any other title or abstract company, unless Sponsor, at Sponsor's sole discretion, elects to cure same.

(b) Fees for recording the Deed are \$21.00 per document plus \$4.00 per page and a \$10.00 service charge per instrument. Additionally, there is a \$25.00 charge for recording the Real Property Transfer Tax Return along with the deed;

(c) If the purchaser obtains a mortgage loan, the purchaser will pay a mortgage tax of 1.75% of the principal of the mortgage. If a mortgage tax credit is or becomes available pursuant to Section 339-ee(2) of the Condominium Act, such credit will inure to the benefit of the Sponsor. Accordingly, at closing, the Purchaser will reimburse the Sponsor for any mortgage tax credit allowed; and will pay the balance of the mortgage recording tax as provided by law.

(d) All legal costs, fees and expenses charged by the purchaser's attorney will be the sole responsibility of each purchaser;

(e) New York City Real Property Transfer taxes, currently one (1%) percent of the Purchase Price of a Unit, will be the sole responsibility of the purchaser. Insofar as the taxing authorities consider payment of this tax by the Purchaser to be an additional consideration to the Seller, Purchaser shall pay tax on this tax as well thus creating a "tax on tax situation."

(f) New York State Documentary Stamp taxes presently \$4.00 per \$1,000.00 of the Purchase Price of a Unit less existing and continuing mortgage, will be the sole responsibility of the purchaser. Insofar as the taxing authorities consider payment of this tax by the Purchaser to be an additional consideration to the Seller, Purchaser shall pay tax on this tax as well thus creating a "tax on tax situation."

(g) Each purchaser will be required to make a contribution to the Working Capital Fund is \$200.00.

(h) All costs with regard to any mortgage that the purchaser will place on his/her Unit (i.e. loan origination, application fees, appraisal fees, commitment fees, credit reports, survey fees, bank attorney fees, tax service fees, bank document preparation fees, etc.) will be his own and sole responsibility.

ALL COSTS FOR RECORDING CHARGES, MORTGAGE, TRANSFER, AND OTHER TAXES, ARE SUBJECT TO CHANGE. THESE CHARGES ARE NOT SET BY THE SPONSOR, AND SPONSOR SHALL NOT BE LIABLE ON ACCOUNT OF ANY INCREASE IN SUCH CHARGES.

Purchasers shall pay to the Sponsor's Attorney at closing a fee of \$650.00 for the preparation of closing documents. If a purchaser fails to close on the date set for first closing, or adjourns a scheduled closing date on less than three (3) days notice, there shall be a late closing adjournment fee of \$150.00 added to the above. If purchaser obtains a title report from any agency other than Lighthouse Land Services, a charge of \$350.00 will be imposed for additional expenses incurred in coordinating with said title company. If closing, at the request of the purchaser, is held outside the office of the sponsor's attorney, there shall be an additional attendance fee of \$250.00 for the closings within New York City, and \$350.00 for closings outside New York City. In the event Purchaser fails to fulfill their terms of the Purchase Agreement and Sponsor's Attorney mails a Notice of Default, there will be a \$100.00 charge for such notice. Purchaser shall also provide the Sponsor partial reimbursement for the cost of preparing an Offering Plan and tax exemption benefit application in the amount of \$1,000.00. The above closing fees are cumulative to the extent applicable to an individual closing.

If the Units have not been separately assessed for real estate tax purposes prior to the Closing of Title to the first Unit, the Sponsor will place in escrow, in the name of the Board of Managers, an amount equal to the unpaid real estate taxes (or estimates thereof based on current assessments) due for the next ensuing six months (or until the Units are separately assessed, whichever is shorter), provided, however, that as closings occur, the portion of such funds held in escrow which represent the portion allocable to the Unit being sold shall be released; and interest accrued on such escrow, if any, shall inure to the benefit of, and belong to, the Sponsor. The Sponsor will pay the real estate taxes from the escrow account when taxes are due and payable and is entitled to reimbursement from Unit Owners.

Except as specifically set forth in herein, the Sponsor will pay all costs and expenses incurred in connections with this Plan, the creation of the Condominium and the initial sale of units.

A numerical example of closing costs allocable to a typical Unit are set forth below.

OBLIGATIONS OF SPONSOR

The Sponsor is using its own capital to complete the construction of the building as set forth herein.

The Sponsor will complete the work set forth in this Plan relating to the building and the apartments contained therein in conformity with and in accordance with the Building Plans and Specifications, and all applicable New York City Administrative Code requirements, and subject to procurement of all applicable and proper permits which are required, if any. Sponsor will continue to maintain and operate the building in its present condition as described herein until closing of shares hereunder. All housing, building, or fire department violations, if any, will be cured prior to closing. The Sponsor may make changes in design, layout, and arrangement of apartments, and substitute equipment and materials, except that the Sponsor may not (i) substitute materials or equipment of lesser quality or design, or (ii) change the size, location, or value of any units, or of other improvements or public areas, if such changes adversely affect the public areas, or adversely affect the value of any unit to which title has been closed, or for which a Purchase Agreement has been fully executed and is in effect, unless all affected purchasers consent in writing to such change, and all affected contract vendees are given the opportunity to rescind their contracts and receive a refund of the deposit or downpayment given to the Sponsor. All representations under the Offering Plan, and all obligations pursuant to the GBL, and any additional obligations under the Offering Plan which are to be performed subsequent to the closing date, will survive delivery of the Deed.

Closing will not take place, and no individual condominium apartment will be sold until a permanent or temporary Certificate of Occupancy has been obtained for the premises. In the event closing occurs after the issuance of a temporary Certificate of Occupancy, but prior to the issuance of permanent Certificate of Occupancy, then it will remain the obligation of the Sponsor to, at its own cost and expense, obtain such permanent Certificate, and the Certificate must be obtained within two (2) years from date of closing. Prior to obtaining the permanent Certificate of Occupancy, the Sponsor is required to either: (a) maintain all deposits and funds in a special escrow account required by GBL-352e(2)(b) unless the Sponsor's engineer or architect certifies that a lesser amount will be reasonably necessary to complete the work needed to obtain the permanent Certificate of Occupancy, in which case the sum exceeding the amount so certified may be released; or (b) deposit with an escrow agent an unconditional, irrevocable letter of credit, or post a surety bond, in the aforesaid specified amount. In the event option "(b)" is employed, posting of the surety bond or letter of credit must be in compliance with the applicable laws and rules of the New York State Department of Law. Notwithstanding the foregoing, alterations or improvements to the common areas and public portions of the building will be completed before the closing of the first unit.

The Sponsor gives no warranty as to materials or workmanship that shall survive sale of a unit, except as required by the New York State Housing Merchant Implied Warranty Law. New York State General Business Law requires the builder of new dwelling consisting of five stories or less to provide a warranty to the Purchaser as follows:

(a) For one year, the home must be free from defects caused by workmanship or materials that do not meet the standards of the applicable building code; for the items not covered by code, the construction must be in accordance with locally accepted building practices.

(b) For two years, the plumbing, electrical, heating, cooling and ventilation systems must be free from defects caused by unskillful installation.

(c) For six years, the home must be free from physical defects in the structural elements (foundations, floors, walls, roof framing) which make it unsafe or unlivable.

Each prospective purchaser may have the building and apartments therein inspected by an architect or engineer of their own choosing, and at their own expense, to determine the quality of materials and workmanship.

The Sponsor will pay for the authorized and proper work involved in the conversion of the property that the Sponsor is obligated to complete under the Plan. All mechanic's liens that are lodged against the property by virtue of work done by the Sponsor, or in the Sponsor's behalf, will be promptly discharged or appropriately bonded. Sponsor guarantees payment of all common charges and assessments with respect to unsold units. Such guarantees will remain in effect until all units are sold. Sponsor warrants and represents that he has adequate financial resources to meet its obligations with respect to any unsold unit.

The Sponsor agrees to pay all common charges, special assessments, and real estate taxes with regards to unsold units, and has financial resources to meet its obligations with respect to such unsold units, which source of funding includes both proceeds of the sale of units and existing financial resources of the Sponsor. **No bond or other security has been furnished to secure Sponsor's obligations.** In the event of dissolution or liquidation of the Sponsor, or transfer of 20% or more of the total number of residential units in the condominium the principals of the Sponsor will provide financially responsible entities or individuals who will assume the status and all of the obligations of the Sponsor for those units under the Offering Plan, applicable laws, or regulations.

Any suits or proceedings instituted against the Sponsor, which may result in a lien against the property and any suits or proceedings against the condominium arising from the Sponsor's acts or omissions, which acts or omissions occurred prior to closing of title, will be defended by the Sponsor, and the Sponsor does hereby indemnify the condominium, the Board of Managers, and individual unit owners therefore. Nothing contained herein shall limit the rights of the condominium which are granted pursuant to law and statute.

In the event the work on the building as set forth herein is not fully completed at the time the building becomes occupied, the Sponsor will have the right to enter the premises to complete its obligations under this Plan. Such entry shall be conducted in such a manner so as to produce a minimum of discomfort to those purchasers already in possession.

In the event the Sponsor finds it necessary to enter the property after closing of title to complete work, then such work will be performed between 8 A.M. and 6 P.M. on weekdays and non-holiday weekends. Damage caused by such work will be repaired in a good and workmanlike manner.

Sponsor will secure, and provide at closing, an agreed amount replacement value multi-peril hazard policy which will prevent the Condominium from being a co-insurer. The cost of such policy will be paid by the Condominium, and is provided for in SCHEDULE B. Sponsor also agrees to deliver a set of "as built" plans to the Board of Managers upon election of the first Board of Managers after closing of the first unit. Sponsor will assign any manufacturer's warranties with respective equipment and appliances installed in any individual unit to the unit owner, and with respect to equipment and appliances installed in the common elements, same will be assigned to the Board of Managers.

The property will be conveyed free and clear of all liens. The Sponsor will not dissolve or liquidate for a minimum of six (6) years. Copies of the plans, exhibits and documents referred to herein shall be kept on file at the office of the Attorney for the sponsor for a period of six years after filing of the Declaration of Condominium. No bond or other security has been furnished to secure Sponsor's obligations hereunder. The Sponsor will maintain and operate the building in its present condition, as described in this offering, until the first closing, and will repair any damage occurring to the building prior to closing.

CONTROL BY THE SPONSOR

The Sponsor's Control of the Board of Managers of the Condominium will be subject to the following:

The By-Laws are reproduced in Part II, beginning on page BL-1. A summary of certain pertinent provisions of these By-Laws is set forth below. The By-Laws limit the number of Board of Managers (hereinafter called "Managers") to not less than three (3). The first Board of Managers to be elected by the Unit Owners shall consist of three (3) members.

At the time of the First Closing there will be three Managers designated by the Sponsor. However, the Managers will resign in favor of Managers who will be elected by the purchasers at a meeting to be convened within 60 days after First Closing; they may, however, be re-elected at such time.

The By-Laws provide that at such time as the Unsold Units constitute less than Fifty (50%) percent of the Condominium, but in no event later than the second anniversary of the Closing Date, not less than a majority of Managers to be elected at all subsequent annual meetings of Unit Owners shall be elected by Unit Owners other than the Sponsor. A meeting to elect a new Board of Managers will be held within thirty (30) days of 50% of the units being sold, or within thirty (30) days of the second anniversary of the Closing Date, whichever is sooner.

So long as a majority of the Board of Managers consists of managers elected by the sponsor or holders of unsold units, the board:

1. Shall not eliminate or reduce the number of employees, insurance coverages or any service to a level less than that provided in Schedule B unless a majority of board members elected by bona fide unit purchasers vote in favor thereof.

2. Shall, to the extent of their authority as Board Members, use all reasonable efforts to cause the Building (including its equipment, services and installations) to be kept operational, clean, and, in a good state of repair and condition;

3. Shall not veto expenditures required to comply with applicable laws or regulations and/or expenses necessary to remedy notice of violations of law or of an insurance carrier.

Until the earlier of five years from the date of closing, or at the time at which the Sponsor or other Holder of Unsold Units owns units consisting of less than 25% of the common interest of the Condominium, Sponsor may exercise veto power over any expenses other than those described in Item 3 above. Additionally, so long as the Sponsor retains ownership of at least one unit in the building, the By-Laws, Declaration, and Rules and Regulations of the Condominium, may not be amended or modified in any way so as to adversely affect the Sponsor without written consent by the Sponsor.

All Board Members shall serve without compensation. Any member of the Board of Managers, who is a designee of the Sponsor, may contract or deal with Sponsor, or a partner, affiliate or entity controlled by the Sponsor, and no other member of the Board of Managers, or any Unit Owner may claim that such designee is self-dealing.

BOARD OF MANAGERS

The Condominium shall be governed according to the By-Laws in Part II, beginning on page BL-1.

The By-Laws limit the number of Managers to not less than three (3) members. The first Board of Managers shall consist of three (3) members designated by the Sponsor. However, these Officers and Managers will resign in favor of Officers and Managers which will be elected by the Unit Owners at a meeting to be convened within 60 days after the First Closing; they may however, be re-elected at such time.

Managers shall be elected by a plurality of the votes at a meeting at which a quorum shall be present. When voting for Managers, each Unit Owner shall be entitled to cast one vote for each .01% of common interest in the condominium to such owner's Unit, which may be cast all for one nominated manager, or divided among any number of candidates. At such time as the Unsold Units constitute less than fifty percent of the Condominium, but in no event later than the second anniversary of the Closing Date, not less than a majority of Managers shall be residents of the Building and unrelated to the Sponsor. Members of the Board of Managers shall serve without compensation, except for reimbursement for expenses actually incurred in the course of any furtherance of business for the Board of Managers.

The Board of Managers shall meet at least annually, and at such regularly scheduled times as shall be adopted by resolution by the Board. Emergency meetings may be called on five (5) days written notice by any two Managers.

The Board Managers will be responsible for the operations of the affairs of the Condominium including, but not limited to, the fiscal operation, repairs and maintenance of the common areas of the Property, replacement and capital improvements to the common areas of the Property; the hiring, supervision and discharging of employees and Managing Agent (if any), and the enforcement of the provisions of the By-Laws, and shall have the powers and duties necessary for the administration of such affairs. The Managers shall serve without compensation or remuneration.

Any Manager may be removed from office at any time with or without cause upon the affirmative vote of the Unit Owners whose aggregate votes are at least 51% of the votes of the Condominium at a Unit Owner's meeting duly called for the purpose; provided, however, that the Manager(s) elected by the Holder(s) of Unsold Units can be removed only for cause by vote of a majority of the Unit Owners or without cause by the Holders of the Unsold Units.

The members of the Board of Managers shall not be liable to the Unit Owners for any mistake of judgment, negligence, or otherwise, except for willful misconduct or bad faith. The Unit Owners shall severally indemnify the members of the Board of Managers against any liability or claims except those arising out of the bad faith or willful misconduct of a member of members of the Board of Managers. It is intended that the members of the Board of Managers shall have no personal liability with respect to any contract made by them on behalf of the Condominium. The original Board of Managers, who are designated by the Sponsor, may contract with the Sponsor and affiliated corporations without being charged with self-dealing; however such Board members nevertheless have a fiduciary duty to the condominium, and are liable for a breach of fiduciary duty if they commit the Board to unfavorable contracts with Sponsor affiliates. It is also intended that the liability of any Unit Owner arising out of any contract made by the Board of Managers, or out of the aforesaid indemnity in favor of the members of the Board of Managers, shall be limited to such proportion of the total liability thereunder as his/her interest in the Common Elements of all Unit Owners.

The principal officers of the Condominium shall be the President and the Vice President, who are automatically Board Members, the Secretary and the Treasurer, all of whom shall be elected by the Board of Managers. The President and Vice-President, but no other officers, need be members of the Board of Managers. All officers shall serve without compensation or remuneration. The officers shall be elected annually by the Board of Managers; and, each officer shall hold office at the pleasure of the Board of Managers or until succession, resignation, or death. Upon the vote of a majority of the Board of Managers, any officer may be removed, with or without cause.

The President shall be the chief executive officer of the Condominium, and shall have all of the general powers and duties which are incident to the office of a president of a stock corporation organized under the Business Corporation Law of the State of New York.

The Vice-President shall take the place of the President and perform his/her duties whenever the President shall be absent or unable to act. The Vice President shall also perform such other duties as shall from time to time be imposed upon his/her by the Board of Managers or by the President.

The Secretary shall keep the minutes of all meetings of the Unit Owners and of the Board of Managers, and shall have charge of such books and papers as the Board of Managers may direct; and shall, in general, perform all the duties incident to the office of a secretary of a stock corporation organized under the Business Corporation Law of the State of New York.

The Treasurer shall have the responsibility for Condominium funds and securities and shall be responsible for: keeping full and accurate financial records and books of account; and, deposit of all moneys and other valuable effects in the name of the Board of Managers, or the Managing Agent, in such depositories as may from time to time be designated by the Board of Managers. He shall, in general, perform all the duties incident to the office of treasurer of a stock corporation organized under the Business Corporation Law of the State of New York.

The Board of Managers, or the Secretary, shall keep detailed records of the actions and minutes of the meetings of the Board of Managers, minutes of the meetings of the Unit Owners, and, financial records and books of account of the Condominium. In addition, an annual audited financial statement of the Condominium, and an income tax deduction statement certified by an independent Certified Public Accountant, shall be rendered by the Board of Managers to all Unit Owners March 1 of each calendar year.

The Secretary shall mail a notice of each annual or special meeting to all Unit Owners of record. The notice shall state the purpose of the meeting as well as the time and place where it is to be held, and the notice will be given at least ten (10), but not more than forty (40) days prior to such meeting.

Each Unit Owner and each mortgagee of a Unit shall, upon prior request, be permitted to examine the books of account of the Condominium and other records of the Condominium during normal business hours on business days at the office of the Condominium.

The By-Laws may be modified or amended by the vote of two-thirds (2/3) of the Unit Owners, as that term is defined in Article II, Section 8 of the By-Laws, at a meeting of Unit Owners duly held for such purpose. Anything herein contained to the contrary notwithstanding, so long as the Sponsor is the owner of one or more unsold units, the By-Laws may not be altered, amended, repealed, or added to, without the consent of the Sponsor.

The Condominium shall continue, unless terminated by reason of casualty, loss, or by condemnation, until such time as the Condominium shall be legally abandoned and terminated as a result of the vote of Unit Owners owning at least eighty (80%) percent of the total votes of the Condominium, at which time the Property shall be subject to an action for partition by any Unit Owner, or any lienor, as if owned in common, and the net proceeds of the sale resulting therefrom shall be divided among all Unit Owners in proportion to their respective interests in the Common Elements, after first applying the share of the net proceeds of such sale otherwise payable to each Unit Owner to the payment of any liens on his/her Unit in the order of the priority of such liens.

Copies of the Declaration and By-Laws are set forth in Part II of the Plan.

Further restrictions on the use of Units are set forth in the By-Laws Rules and Regulations made in accordance with the By-Laws, which are set forth in Part II of the Plan. Rules and Regulations concerning the use of the Units may be promulgated and amended from time to time by the Board of Managers as provided in the By-Laws.

The Board of Managers shall from time to time, but at least annually, prepare a budget for the Condominium determining the amount of the Common Charges payable by the Unit Owners. The Common expenses include, among other things, the cost of all insurance premiums on all policies of insurance required to be, or which have been, obtained by the Board of Managers. The Common Expenses may also include such amounts as the Board of Managers may deem proper for the operation and maintenance of the Property including, without limitation, an amount of working capital and a general operating reserve. The Board of Managers shall advise all Unit Owners promptly, in writing, of the amount of Common Charges payable by each of them, and shall furnish copies of each budget on which such Common Charges are based to all Unit Owners and to their mortgagees of record, if requested.

Under the provisions of Section 339-z of the Condominium Act, the Board of Managers on behalf of the Unit Owners shall have a lien on each Unit for unpaid Common Charges assessed against such Unit by the Board of Managers, together with interest thereon. Such lien shall be subordinate only to liens for real estate taxes on the Unit and to any sums unpaid on the first mortgage or record of such Unit. Any lien for unpaid Common Charges against a Unit shall be effective from and after the filing of a notice thereof in the Kings County Office of the City Register, and until all sums secured thereby with the interest thereon shall have been fully paid, or until six years from the date of filing (unless foreclosure of such lien is started within such six year period), whichever may be earlier. Such lien may be foreclosed by a suit brought in the name of the Board of Managers acting on behalf of the Unit Owners in like manner as the foreclosure of a mortgage on real property, or an action may be brought by the Board of Managers to recover the Unpaid Common Charges without foreclosing the lien. In the event the Sponsor is more than thirty (30) days in arrears on Common Charges for any unsold Unit during the time the Sponsor is in control of the Board of Managers, Sponsor will cause the Board of Managers to file a lien as provided for in section 339-aa of the Real Property law.

No Unit Owner may exempt himself from liability for Common Charges or Expenses by waiver of the use, or enjoyment of any of the Common Elements, or by abandonment of his Unit. The liability of each Unit Owner for the payment of the Common Charges and Expenses thereafter assessed or becoming due against the Unit shall terminate upon a permissible sale, transfer or other conveyance of such Unit, and the appurtenant interests in the Common Elements. In addition, any Unit Owner may, subject to the terms and conditions specified in the By-Laws, convey his/her Unit together with the said appurtenant interests to the Board of Managers or its nominee on behalf of all other Unit Owners, and in such event be exempt from all Common Charges and Expenses thereafter assessed.

All maintenance or any repair to any Unit, ordinary or extraordinary, and to the doors and windows (except the painting and decoration of the side of the elevator doors and stairwell doors which do not face into a Unit, and the exterior side of windows), electrical (except Common Elements) within the Unit or belonging to the Unit Owner, shall be at the Unit Owner's expense, except for structural elements as specifically required herein. All maintenance, repairs, and replacements to the Common Elements (including the exterior walls of the Building and exterior sides of the windows) and the painting and decorating of the side of the elevator doors and stairwell doors which do not face into a Unit shall be made at the direction of the Board of Managers, and be proportionately charged to all the Unit Owners as a Common Expense, except to the extent that the same are necessitated by the negligence, misuse or neglect of a Unit Owner, in which case such expense shall be charged to such Unit Owner.

No Unit Owner may make any structural addition, alteration or improvement in his Unit, or do any work which would jeopardize the soundness or safety of the Building, reduce the value thereof, or impair any easement or hereditament of the Property, without the prior written approval of the Board of Managers. As a condition of the granting of its consent to the above acts, the Board of Managers may require the Unit Owner to execute an agreement in form and substance satisfactory to the Board of Managers setting forth the terms and conditions under which such alteration, addition, improvement, or repair, may be made, including without limitation, the days and hours during which any work may be done. No application shall be filed with any governmental authority for a permit covering an addition, alteration, or improvement to be made in a Unit, unless approved and executed by the Board of Managers; such approval, however, shall not result in liability on the part of the Board of Managers or any of them, to a contractor, subcontractor, materialman, architect or engineer, by reason of such addition, alteration, or improvement, or to any person having any claim for injury to person, or damage to property arising therefrom. The provisions of this paragraph shall not apply to an Unsold Unit, provided that any alterations to such Unsold Units

shall be in accordance with, and only as permitted, by the Condominium Act and all governmental regulations. Non-structural alterations and improvements to Residential Units that do not affect the exterior of the Building, or the value of other Units, may be made without prior approval of the Board of Managers.

The Board of Managers shall obtain and maintain, to the extent determined by them to be appropriate; (1) hazard insurance, with extended coverage, insuring the Building and Units (but not including furniture, furnishings or other personal property supplied to, or installed by, Unit Owners), together with all service machinery contained therein covering the interests of the Condominium, The Board of Managers, and all Unit Owners and their mortgagees, as their interest may appear, in an amount equal to the full replacement value of the insured property without deduction for depreciation; (2) machinery insurance; (3) water damage legal liability insurance; (4) liability insurance for personal injury or property damage in an amount not less than one million dollars; (5) officer's and director's insurance covering the board of managers; and (6) such other insurance as the Board of Managers may determine. Each of the policies shall contain a New York standard mortgage clause in favor of each mortgagee of a Unit which shall provide that the loss, if any, thereunder shall be payable to such mortgagee as its interests may appear, subject, however, to the loss payment provisions in favor of the Board of Managers in the event of casualty or condemnation. Unit Owners shall be entitled to carry casualty insurance protection for their furniture and the interior of their Units and for personal liability coverage for their own benefit at their own expense, provided that such policies contain waivers of subrogation, and further provided that the liability of the carriers issuing insurance procured by the Board of Managers shall not be affected or diminished by reason of any other insurance carried by a Unit Owner.

Each Unit Owner shall be required to pay the Common Charges and Expenses levied by the Board of Managers. All Unit Owners, mortgagees, lessees and occupants of Units and their employees, and any other persons who may use the facilities of the Property in any manner, are subject to the By-Laws, the Declaration and the Rules and Regulations. A copy of the Declaration and By-Laws and Rules and Regulations appear in Part II of this Plan. The violation of any of the Rules and Regulations or the breach of any By-Laws or provision of the Declaration shall give the Board of Managers, in addition to other rights set forth in specific provisions of the By-Laws, the right to: (i) enter any Unit in which, or as to which, such violations or breach exists and to abate and/or remove same summarily, at the expense of the defaulting Unit Owner. The Board of Managers shall not thereby be deemed guilty or liable for trespass nor be liable for any damage to the Unit, nuisances or

fixtures incurred in connection with such rights unless such damage is caused by negligence on the part of the Board of Managers; or (ii) enjoin, abate or remedy by appropriate legal proceedings, the continuance of any such violation or breach. The costs incurred by the Board by virtue of the exercise of its rights to correct such breaches or violations, including attorney's fees, shall be due upon demand from the Unit Owner in question, and shall constitute a Common Expense against his/her Unit.

Under the provisions of Section 339-z of the Condominium Act, the Board of Managers shall have a lien for Common Charges, and any interest due thereon, against the Unit of any Unit Owner who fails to pay such Common Charges as required. Moreover, the Board of Managers, pursuant to Section 339aa of the Condominium Act, has the right to enforce such obligation of the Unit Owner by foreclosure of the statutory lien against the Unit for the amount of the unpaid Common Charges together with interest due thereon, or by suit brought to collect same directly from the Unit Owner. This means that in the event a Unit Owner fails to pay the Common Charges established by the Board of Managers, he may be subject to a lawsuit in civil court to collect the outstanding amounts; or the Board of Managers may compel seizure of the Unit and sale at a foreclosure sale. If the proceeds realized from such foreclosure sale are insufficient to satisfy the debt for Common Charges owed to the Condominium, the Board of Managers may pursue a civil suit against the individual Unit Owner for such deficiency. Thus, failure to pay Common Charges may result both in loss of the Condominium Unit, and a civil monetary judgment.

A Unit Owner by acceptance of a Deed for a Unit shall have granted a right of access to the Unit and storage areas and terrace, if any, to the Managing Agent and/or any other person authorized by the Board of Managers of the Managing Agent, for the purposed of performing installations, alterations or repairs to the mechanical or electrical services of other Common Elements in his/her Unit or elsewhere in the Building in which the Unit is located, to remove violations, cure defaults by a Unit Owner, and for any other purpose provided in the Plan, Declaration, or as may be required by law or governmental regulation, provided that requests for entry (except in emergency situations) is at a time reasonably convenient to the Unit Owner. In case of emergency, such right of entry shall be immediate, whether the Unit Owner is present at the time or not. Provided reasonable care is exercised to safeguard the Unit Owner's property, such entry shall not render the Board of Managers or its authorized agents liable for damage incurred in connection with the exercise of such right of entry. Each Unit Owner will deposit with the President of the Board of Managers a key to his/her Unit to allow for entry in an emergency. The Board of Managers may designate responsible individual(s) to hold such keys.

As part of purchase of the Unit, Purchaser will be required to execute a broad Power of Attorney in favor of the Board of Managers of the Condominium. This Power of Attorney will give the board of Managers the right to acquire and otherwise administer defaulted, abandoned or foreclosed units in the name of the condominium. It will also give the board of Managers the right to execute amendments to the Condominium Declaration, Deeds conveying condominium property, filing for severance of tax lots and other functions reasonable or necessary to effectuate the purposes set forth in the Condominium Declaration, on behalf of all of the unit Owners. Please see the POWER OF ATTORNEY set forth in Part II of this Offering Plan.

REAL PROPERTY LAW SECTION 339-kk. The board of managers has the right to require the tenant in an apartment owned by a non-occupying owner to make rental payments directly to the board of managers where such non-occupying owner is in default on payments of common charges, assessments or late fees for such unit for a period of 60 days after the expiration of any grace period after they are due. Payments by such rental tenant to the condominium pursuant to this statute relieves such rental tenant from the obligation to pay such rent to such non-occupying owner, and is an absolute defense in any nonpayment proceeding commenced by such non-occupying owner. The procedures by which the board of managers may enforce this right, including required notice, means of protest, and termination are set forth in the aforementioned section which is recited at page RE1 of this Offering Plan.

REAL ESTATE TAX BENEFITS

Each Unit Owner will be taxed as a separate tax lot for real estate tax purposes, and no Unit Owner will be responsible for the payment of, nor subject to, any lien for non-payment of taxes on any other unit. Units will not be separately assessed for the first year of condominium operation. On closing, Sponsor shall deposit with the Board of Managers a sum sufficient to pay all taxes due for the balance of 2000/2001 tax year. The Board of Managers shall be authorized to pay such taxes as and when due from such escrow fund. As each subsequent individual condominium Unit is sold, the purchasers thereof, as a standard closing adjustment, shall reimburse the Sponsor for the portion of their tax liability paid by the Sponsor from the date of closing through the end of the 1999/2000 tax year. It is anticipated that Units will be separately assessed for the 2001/2002 tax year, and that individual Unit Owners (whether purchasers, holders of unsold shares, or the Sponsor) will pay the taxes thereof as set forth in the attached SCHEDULE A.

The Property is taxed by the City of New York which, through the Department of Finance, has assessed the property at a pre-construction value of \$19,565.00 for the 1999/2000 tax year, and imposes a tax rate of 10.739%. The real estate taxes payable in SCHEDULE A are determined by applying the applicable tax rate to the non-exempt portion of the assessment as set forth in the attached letter from Moseson and Associates, and then allocating the amount due in conformity with the allocation of Common Interests. The City of New York is not bound by the allocation of Common Interests, and may allocate on a different basis. All figures are estimates.

There are no tax certiorari proceedings currently pending. Individual owners may challenge the assessment of their property by filing a tax protest in accord with the rules of the New York City Tax Commission. The Board of Managers may also file a protest on behalf of all Unit Owners. The Building benefits from the limitations imposed by Sections 581 and 1805 of the Real Property Tax Law.

The Sponsor has applied for Real Estate Tax Exemption Benefits pursuant to Section 421-A of the Real Property Tax Law of the State of New York. The benefits provided pursuant to this section are stated in more particularity in the letter, included in this offering plan from Moseson and Associates, who have filed an application on behalf of the Sponsor. Briefly stated, however, the program provides an exemption from any increase in assessed value of the property for real estate tax purposes, to the extent that such increase results from the reasonable cost of alteration or improvement to the building, for a period of eleven (11) years after granting of the exemption. Thereafter, the exemption declines by 20% per year until, after the fifteenth (15th) year, real estate taxes will be based on the full assessed value of the property. Sponsor has obtained an estimate from Moseson and Associates of a post-completion assessed value of \$1,012,500.00, for the July 2001 tax year. SCHEDULE A includes the estimated tax payments in the event 421-A Tax Benefits are not obtained.

The following table indicates the application and expiration of benefits:

YEAR	ASSESSED VALUE
1-11	\$ 35,068.00
12	\$ 230,554.00
13	\$ 426,040.00
14	\$ 621,526.00
15	\$ 817,012.00
16	\$1,012,500.00

The projections set forth herein are based on current New York City Tax rate and assessment procedures. No guarantee or warranty is or can be made that the tax rate will not change in the future, or that the assessed value of the property will not rise due to changes in assessment practices and policies or increases in market value which are reflected in the assessed value. Therefore, the estimate contained in Schedule A for monthly real estate taxes in the event 421a tax benefits are not obtained may not accurately reflect the taxes which will apply at the expiration of the benefits period.

Sponsor has made, and will pursue this application, and will make all filings necessary to obtain such benefits, including a timely filing of all applications, and timely compliance with all procedures required to properly process and maintain the benefits. Upon closing, the Sponsor will make all documents available to the Board of Managers for inspection and copying for the life of the benefits.

The explanation and projection prepared by the Sponsor's tax abatement expert, who prepared the 421-A application, is expressly adopted by the Sponsor and included as part of this offering plan.

RE: 332 to 350 2nd Street, Brooklyn
Block: 974 Lot: 22 to 31

Dear Sir:

You have requested me to advise you with respect to the applicability of The City of New York's program for partial real estate tax exemption under Section 421-A of the Real Property Tax Law and the procedure therefore.

You and your architect have represented to us that:

1. You will commence construction on the site of the six buildings based on approved new buildings permits issued by the Department of Buildings of the City of New York before January 1, 2000.
2. Upon completion of construction, the Buildings will be classified as multiple dwellings pursuant to the Multiple Dwelling Law.
3. The Site was unimproved 36 months prior to the commencement of construction (as defined in the site requirements of section 2.5(1) (a) of the Regulations).
4. These buildings will be substantially used for dwelling purposes for a period of at least fifteen years following its completion.
5. Construction of the building will be completed on or before Dec. 31, 2002.
6. An application for Preliminary Certificate of Eligibility will be filed with HPD upon start of construction.
7. Upon completion, the project will consist of a condominium consisting of thirty six residential units.

CONCLUSION

Based solely on these representations, and if (i) the buildings are constructed substantially in accordance with the plans and specifications approved by the New York City Department of Buildings and comply with the requirements of section 421-A, the Regulations and HPD, and HPD is notified of any modifications to the plans for the building or the "sell-out" price; (ii) HPD determines that the property was "underutilized" (pursuant to the provisions of Section 421-A) 36 months prior to commencement of construction; (iii) a preliminary Certificate of Eligibility is issued by HPD after commencement of construction and prior to the issuance of a temporary Certificate of Occupancy; (iv) temporary Certificates of Occupancy for all of the residential areas of the buildings or permanent Certificates of Occupancy for the two buildings are issued and filed with HPD no later than six months after an application for a Final Certificate of Eligibility is filed with HPD, or prior to December 31, 2002 which ever is earlier; (v) a copy of such Final Certification and of the temporary or permanent Certificate of Occupancy for the residential units is filed with the New York City Department of Finance succeeding the issuance of such Final Certificate of Eligibility; and (vi) there is no change in Section 421-A, the Regulations and decisional law, the Buildings would appear to be eligible for the partial real estate tax exemption prided under Section 421-A.

The units of the condominium should be entitled to Section 421-A tax benefits under present law. Generally, for predominantly residential buildings, under section 421-A, 100% of the increased assessed value of the property resulting from the improvement thereon (i.e., the assessed value above the pre-construction assessed value) is exempt from taxation during construction and during the ten (10) years following the first taxable status date immediately following completion of construction. The exemption declines to 80% of the increased assessed value for the eleventh (11) year and is further reduced by an additional 20% for each of the succeeding years. Following the 15-year period, the Unit Owners will pay real state taxes based on the full assessed valuation of their Units and the tax rate then in effect, without the benefit of any exemption.

The total assessed value of the property (i.e., the aggregate assessment of all units) following completion of construction is estimated to be approximately 1,012,500. Using the foregoing estimate of assessed value upon completion, assuming completion to be on or before December 31, 2002 and assuming the tax rate remains the same as the current rate (i.e., \$10.739 per \$100 of assessed value) during the 15 year abatement period and upon completion of construction, and using a pre-construction assessed value of the property of 19,564.51, then upon completion of the 15 year tax abatement the real estate taxes will be approximately \$108,732.00. You are advised that this projection is an estimate as it is unlikely that the post-construction assessed value or tax rate will remain constant for the

15- year Section 421-A exemption period. Thus, the actual assessment and real estate tax for each Unit may be more or less than the Unit's proportionate share of the total assessment and tax amount shown. If any of the foregoing requirements or conditions, however, should not be met to the satisfaction of HPD, or if any of the foregoing representations should prove to be inaccurate, then, unless the Regulations are modified to remove or change any requirement or condition that is not met, the buildings would not qualify for the partial real estate tax exemption provided under Section 421-A.

We have been retained by you to undertake the procedures outlined in this letter and consent to the inclusion of this letter in any offering plan with respect to the project. We make no representations and express no opinion as to whether or not any or all of the requirements and conditions set forth herein will be fulfilled.

Although the estimate of the 1999/2000 Actual Assessed Valuation is a good faith estimate, it is not possible to estimate it with any degree of certainty, and thus such assessed valuation when actually made, may be lesser or greater than as estimated. In no event will my firm, the Sponsor, the Sponsors' counsel, the Condominium Board or any other person be liable if the assessed valuation when actually made, is lesser or greater than predicted or if the Administrative Code and the applicable rules and regulations of the City of New York are in the future changed or if the facts as represented to my firm prove to be untrue.

DEDUCTIONS TO UNIT OWNERS, AND TAX STATUS OF CONDOMINIUM

Unit Owners who itemize their deductions should, for Federal Income Tax purposes, be entitled to a deduction for mortgage interest and real estate taxes in the year paid, or accrued, under Sections 163 and 164 of the IRS Code. These deductions are subject, however, to certain exceptions and limitations that are more particularly discussed in the COUNSEL'S TAX OPINION LETTER. Each individual Unit Owner should, for New York State and New York City Income Tax purposes, be entitled to similar deductions for the mortgage interest and real estate taxes paid, or accrued, during the taxable year.

The Condominium will be governed by a Board of Managers. The Board of Managers will assess and collect Common Charges from the Unit Owners, and will have certain discretionary powers over the operating expenses and the application of the assessments. While there is presently no direct authority as to the tax status of the Condominium for Federal Income Tax purposes, Sponsor's Counsel is of the opinion that the Condominium will not be treated as an association taxable as a corporation, due to the fact that it will qualify as an exempt homeowner's association under section 528 of the IRS code. As a result, the condominium may not be subject to Federal corporate income tax on its taxable income, if any.

The statements set forth herein are based upon an analysis of the Internal Revenue Code of 1986, as amended (the "Code"), New York State Tax Law, the Administrative Code of the City of New York, the applicable regulations promulgated or proposed thereunder, the current position of applicable administrative agency, in particular, the position of the IRS stated in published Revenue Rulings and Revenue Procedures, and judicial decisions. It is emphasized, however, that legislative, judicial or administrative changes may be made which would require modification of such statements, or that, the IRS or other applicable administrative agency may disagree with Counsel's interpretations and conclusions. A more detailed statement of the tax factors involved may be found in the COUNSEL'S TAX OPINION; however, each purchaser should consult with his or her own attorney with regard to tax consequences of this transaction.

COUNSEL'S TAX OPINION LETTER

June 12, 2000

Park Slope Estate LLC

Flushing, New York 11367

**Re: Offering Plan for the Conversion to Condominium Ownership of
Premises:
330-350 2nd Street, Brooklyn, New York**

Dear Sirs:

You have requested my opinion concerning (i) the availability of certain deductions for Federal, New York State, and New York City Income Tax purposes to persons who purchase units for residential use ("Unit Owners") under the Offering Plan for THE 330-350 2ND STREET CONDOMINIUM (the "Plan"), and (ii) the Federal Income Tax Treatment of the Common Charges received by the condominium association of the condominium (the "Condominium").

In connection with rendering this opinion, I have reviewed the Plan, the Schedules and Exhibits thereto, the Declaration of the Condominium Plan (the "Declaration"), the By-Laws of the Condominium (the "By-Laws"), the relevant sections of the Internal Revenue Code of 1986, as amended (the "Code"), the Regulations promulgated thereunder by the Treasury Department (the "Treas. Regs."), the New York State Tax Law, the Administrative Code of the City of New York, revenue rulings, relevant case law and such other materials as I have deemed relevant.

FACTS

You have advised me that, to the best of your knowledge, the following statements are an accurate summary of the relevant facts, and my opinion is conditioned upon the accuracy of such facts.

The Sponsor will apply to the Department of Law of the State of New York to establish the premises located at 330-350 2nd Street, Brooklyn, New York, as a condominium pursuant to the provisions of New York's Condominium Act. (See Article 9-B of the Real Property Law of the State of New York.) This condominium shall consist of 36 Units all allocated for residential use. Each holder of a Unit will own his own Unit plus an interest in the elements common to all Units (the "Common Elements"). Each unit owner will be entitled to the exclusive ownership and possession of his unit and will receive a separate deed to the Unit.

The Condominium will be operated by a Board of Managers which, pursuant to the By-Laws, will act only as an agent of all Unit Owners. The Board of Managers will be comprised of at least three members, who shall each be elected by the Unit Owners. The primary function of the Board of Managers will be to supervise the maintenance and operation of the Common Elements, and collect charges (the "Common Charges") necessary to maintain and operate the Common Elements.

DISCUSSION

I. Deductibility of Mortgage Interest and Real Estate Taxes

Under the Condominium Act, each Unit Owner will own his/her Unit and its appurtenant interest in the Common Elements in fee simple, and each Unit will be taxed as a separate tax lot for real estate tax purposes. Each Unit Owner may mortgage his Unit and become individually liable for the payment of the principal and any finance charges or interest on such mortgage indebtedness. Failure to pay his or her share of the Common Charges will result in the Board of Managers having a lien on the Unit for the unpaid Common Charges.

The deductibility of the mortgage interest and real estate taxes paid or accrued by the Unit Owner during his or her taxable year will be governed by sections 163 and 164 of the I.R.S. Code. Section 163 of the Code allows a taxpayer to deduct all interest paid or accrued during the taxable year on Bona Fide indebtedness. Section 164 of the Code allows a taxpayer to deduct real estate taxes paid or accrued during the taxable year.

Since Sections 339-g and 339-y of the Condominium Act provide that each Unit and its common interest shall be taxed as a separate tax lot for real estate purposes, Unit Owners shall be entitled to deduct real estates tax paid or incurred on their Units during the taxable year.

The deduction under Section 163 of the Code for interest is subject to certain other provisions of the Code which may limit the amount of the deduction in any one taxable year. For example under Section 461(g) of the code, prepaid interest is not deductible by a cash basis taxpayer in the year of payment but must be allocated to the taxable year or years to which it is chargeable. However, the payment of "points" (bank origination fee) is deductible under certain circumstances in the year of payment, provided that the indebtedness was incurred by the taxpayer in connection with the purchase or improvement of his principal residence, and the other requirements of Code Section 461 (g) (2) are complied with.

I note that a taxpayer who purchases a Unit for investment may find his interest deduction limited by Code Section 163(d). Under this Section a taxpayer other than a corporation will be subject to a ceiling on his deduction for investment interest. Investment interest is defined as interest paid or accrued on indebtedness incurred or continued to purchase or carry property for investment. To the extent that the taxpayer has investment income (defined as the gross income from interest, dividends, rents, royalties, net short term capital gains and recapture income), he or she increases his or her ceiling on the deduction for investment interest. See generally Code Section 163(d).

I also note that Code Section 265(2) may impact on the interest deduction otherwise allowable to a taxpayer in the event that he/she incurs debt to finance his/her purchase of a Unit rather than liquidate his or her portfolio of tax exempt securities. Under these circumstances Code Section 265(2) may disallow the taxpayer's interest deduction since he or she would be deemed to have incurred the debt to "continue to carry" the tax exempt obligations. However, revenue rulings have made an exception for debt incurred to purchase the taxpayer's principal residence.

In Revenue Ruling 64-31, 1964-1 C.B. 300, the Internal Revenue Service (the "Service") considered the deductibility of mortgage interest and real estate taxes incurred by the owner of a condominium unit. The Service ruled the Sections 163 and 164 of the Code, respectively, permitted these deductions by the Condominium Unit Owner provided that he or she itemized his or her deductions in filing his or her Federal income tax returns.

In my opinion, under Code Sections 163 and 164 respectively, a Unit Owner will, for Federal Income Tax purposes, be entitled to a deduction for interest paid or accrued with respect to mortgage indebtedness and for real estate taxes paid or accrued with respect to his or her method of accounting.

It is also my opinion that each Unit Owner will, for New York State and New York City Income Tax purposes, be entitled to the same deduction which is allowed for Federal Income Tax purposes for the mortgage interest and real estate taxes paid or accrued during the taxable year. See Section 615 of the New York State Tax Law. It should be noted, however, that for New York City Income Tax purposes, the benefit of such deduction may be reduced if the Unit Owner has more than the specified amount of tax preference items. See Section 615, 622 and 623 of the New York State Tax Law; Section T46-115.00, T46-122.0 and T46-123.0 of the City Code.

The foregoing discussion applies primarily to residential unit owners. Referenced sections of the IRS code are not applicable to owners of commercial units. However, insofar as the owners of the commercial units will be using the unit for business purposes, other sections of the code may allow such deductions. Purchasers of commercial units are strongly urged to consult with their own accountants with regards to the deductibility of the mortgage interest and real estate taxes.

II. Common Charges-Federal Income Taxation of the Condominium:

A condominium under New York law is not a corporation but an un-incorporated association.

The Treasury Regulations in Section 301.7701-2(a)(i) set forth six factors to be considered in determining whether an association will be treated as an un-incorporated association for Federal Income Tax purposes. Of these factors, the Condominium possesses five (an objective to carry on business, divide the gains, centralization of management, continuity of life, free transferability of interest). Since an un-incorporated organization will be treated as a corporation if it has more corporate characteristics than non-corporate characteristics, (see Treas. Regs. Section 301.7701-2(a)(3), Philip G. Larson, 66 T.C. 159 (1976) acq., Rev. Rul. 79-106, 1979-1 C.B. 448), it is my opinion that, although there exists no direct authority on this point, the condominium will be treated as an association taxable as a corporation for Federal Income tax purposes. In such event, and in the absence of any specific exception, the Condominium would be subject to Federal Corporate Income Tax.

Assuming that the Condominium is treated as an association taxable as a corporation, the receipt of substantially all of Common Charges, may be excluded from the income of the Condominium in the event that (i) the Condominium is acting as agent of the Unit Owners as to collection and receipt of such funds; or (ii) the Condominium is not acting as agent and receives the Common Charges as non-taxable contributions of capital, or receives the Common Charges as service income which is fully offset by the Condominium's service expenses; or (iii) the Condominium elects to be taxed under Code Section 528 and the Condominium has only "exempt function income" within the meaning of such Section.

In Revenue Ruling 75-370, 1975-2 C.B. 257 the shareholders of a condominium management corporation approved special accounts which were not commingled with the general funds of the condominium management association. The assessments could be used only to replace the roof and the elevators located in the common elements of the condominium property. The I.R.S. ruled that these special assessments were not includable in the Condominium's gross income since they did not benefit the condominium which had a fiduciary obligation to expend the funds collected in the manner approved by its unit owner-stockholders. The I.R.S. found that there was an agent and principal relationship between the condominium and its unit owner-stockholders insofar as the special assessments were concerned. However Rev. Rul. 75-370 specifically exempted funds collected by a condominium management corporation to provide services for which it was formed such as the maintenance of the common elements. Thus, funds collected by the Board for painting, general repairs, gardening and janitorial services would constitute gross income to the Condominium.

The By-Laws provide that the Board of Managers will act as the agent of the Unit Owners. If Common Charges for special capital improvements are specifically designated for capital improvements, deposited in special accounts and not commingled with the general funds, then such Common Charges should not be included in the income of the Condominium, according to Revenue Ruling 75-370, supra. Common Charges for operational expenditures would not be excluded from the income of the Condominium, because the Board of Managers does not have mere ministerial powers with respect to the operations of the Condominium.

Under certain circumstances, special assessments for specific capital improvements may be considered non-taxable contributions to the capital of the association, pursuant to Code Section 118. In Revenue Ruling 75-371, 1975-2 C.B. 52, the condominium management collected special assessments which were assessed pro-rata upon each unit owner to replace outdoor furniture. The By-Laws required that any assessment had to be approved at a stockholder meeting by a majority vote of the unit owner-stockholders. The special assessment was approved and the proceeds were deposited in a special account and were not commingled with the general assessment funds. The assessment could only be used for the specific purpose intended. The Service held that the Special Assessment was a non-taxable contribution to the capital of the condominium management corporation. Id.; See also Rev. Rul. 74-563, 1974-2 C.B. 38 (special assessments to pave a parking lot of the homeowners association are contributions to the capital of the associations).

Under this Plan the Unit Owners must approve all special improvements. Therefore, as to such amounts of Common Charges which are specifically designated for capital improvements, deposited in special accounts and not commingled with the general funds, such Common Charges should not be characterized as income of the condominium, according to Revenue Ruling 75-371, supra, but would constitute contributions to the capital of the Condominium. Even if a special capital assessment is not specifically voted upon and approved by the Unit Owners of the Condominium, there is judicial authority which would support the characterization of such assessment as capital contribution. See, Concord Village, Inc., 65 T.C. 142 (1975).

It should be noted that if the special assessment are treated as contributions to the capital of the Condominium, the subsequent expenditure of these funds (together with any other funds accumulated by the Condominium) may be viewed by the Service as a distribution to the Unit Owners, taxable under Section 301 of the Code. Each Unit Owner may therefore be subject to tax on his pro-rata share of the amounts expended. Rev. Rul. 75-371 went on to distinguish special assessments from assessments collected for the purpose of normal operating expenses and excess assessments, which could be returned directly to the individual unit owner-stockholders. These general assessments and the excess assessments which are not credited to subsequent taxable years or returned to the unit-owners, were held to constitute gross income to the condominium under Section 61 of the Code. I note, however, that to the extent to which the Condominium will be deemed to have

service income by virtue of its performance of its management functions, it will be entitled to deduct as business expenses its expenditures required to provide such services from its gross income. See Concord Village, Inc., 65 T.C. 142, 157 (1975); Park Place, 57 T.C. 767, 778 (1972). Thus, it will have taxable income only in the amount of the excess of its income from all sources over its allowable deductions.

Any net income attributable to over-assessments might constitute taxable income of the Condominium for the year of receipt, even if such excess is distributed or applied to the subsequent year's assessments. In effect, a management association will not earn income when it has no discretion as to the application of the excess, and, conversely, will have income where it does have such discretion. Since the Board of Managers will have discretion as to application of excess Common Charges, and does not intend to return excess Common Charges, if any, but intends to apply such excess to the next year's expenditures, it is possible that any excess Common Charges will constitute taxable income to the Condominium.

Code Section 528 provides a tax exemption for an organization that qualifies as a "homeowners association" which term includes a "condominium management association". A "condominium management association" is defined as an organization organized and operated to provide for the acquisition, construction, management, maintenance, and care of a condominium, provided substantially all of the units are used by individuals for residences. See Code Sections 528(c)(1)(A), and 528 (c)(2). "Substantially all" the units will be considered used by individuals for residences if at least 85% of the total square footage of all units within the project is used, or is intended to be used, by individuals for residential purposes or purposes auxiliary to residential use, such as storage rooms, laundry and maintenance areas. See Treas. Regulations, Section 1.528-4(b). The organization itself will be considered "organized and operated" for the acquisition, construction, management, maintenance, and care of such condominium, if the facts and circumstances indicate such to be the case. See Treas. Regs. Section 1.528-2. However if the articles of the Condominium reflect that is the purpose of the association, then the condominium management association will be presumed to be operated for such purpose. See Treas. Regs. Section 1.528-2(a).

In addition to the organization and operation test, the tests set forth below must be satisfied under code Section 528(c)(1) in order for a condominium to qualify as a "homeowner's association".

(1) Sixty percent (60%) or more of the gross income of the organization must be "exempt function income," that is, income derived from the payment of dues or fees from the residential unit owners in their capacity as owner-members rather than in the capacity as customers for services. Code Section 528(c)(1)(A) and Treas. Regs. Section 1.528-5 and 1.528-9. "Exempt function income" includes income which is attributable to assessments that arise as a result of the members' ownership interest, either based on value or size of their units, and used for the purpose of enhancing or maintaining the value of the residences. See Treas. Regs., Section 1.528-9(a). For example, the regulations indicate that assessments for the purpose of paying real estate taxes, removing garbage, or removing snow is "exempt function income". See Treas. Regs. Section 1.528-9(b). Income attributable to the use of laundry machines and interest earned on sinking funds is not exempt function income; See Treas. Regs. Section 1.528-9(c). Any assessments attributable to special capital improvements, which are treated as capital contributions, are not included in gross income, and therefore, are not part of the calculation of the gross income test. See Treas. Regs. Section 1.528-9(a).

(2) Ninety percent (90%) or more of the expenditures of the organization for the taxable year must be used for the acquisition, construction, management, maintenance and care of the organization's property. See Code Section 528(c)(1)(C). These expenditures include operating and capital expenditures during the taxable year. Investments in reserve funds for future expenditures are not included in this calculation.

(3) No part of the net earnings of the organization may inure to the benefit of any individual. See Code Section 528(c)(1)(D). The Code expressly excludes benefits received by a unit owner attributable to the homeowners association performing its exempt function, such as the benefit from the homeowners association acquiring, constructing, managing, maintaining and taking care of the association property.

(4) The organization must properly and timely elect to have Code Section 528 apply for the taxable year. See Code Section 528(c)(1)(E).

Based upon my understanding of the matter it is my opinion that the Condominium will be eligible to qualify as a homeowners association within the meaning of Code Section 528(c)(1) and that, to the extent the condominium has income in excess of its expenses, that income will not be subject to federal income taxation.

III. REAL ESTATE TAX BENEFITS:

I have reviewed the letter (heretofore set forth in this Offering Plan) from the sponsor's expert concerning the availability of real estate tax abatement and exemption benefits for this project. Based on existing statutes and practices, the opinions expressed therein appear to be correct, and I hereby adopt said opinion as my own. This adoption is, of course, subject to the accuracy of the facts supplied to said expert in rendering his determination and also subject to any change in existing statutes which may affect my evaluation and interpretation of the availability of such benefits. This is not a warranty that such benefits will be obtained but only an opinion based on the existing laws, regulations, and facts, this condominium project will qualify for such benefits.

IV. Compliance With RPL Section 339 (i):

I have received and reviewed the letters heretofore set forth from the sponsor's expert concerning allocation of the common interest to the units in the premises. The allocation has been made based on the fair market value each of the units bear to the fair market value of all units, pursuant to section 1(i) of Section 339-i of the RPL. The method employed is permissible pursuant to the RPL and is in compliance therewith.

CONCLUSION

I express no views as to any Federal, New York State and/or New York City tax consequences or as to any aspects of the Plan other than those tax consequences and aspects explicitly discussed in this opinion, or as to the tax consequences of the Plan under the laws of any other State or foreign jurisdiction. This opinion does not discuss the tax consequences which may result from the ownership or the leasing of a Unit to another, in connection with a Unit Owner's trade or business, for purposes of investment, or for the production of income, or tax consequences which may result to a foreign Unit Owner by reason of his foreign status. This opinion also does not consider the tax consequences which may arise if Units are acquired and/or leased by the Board of Managers, or the issue of whether a Unit Owner may be deemed to be a resident of New York State due to ownership of a Unit. I, therefore, advise each person contemplating the purchase of a Unit to consult his/her own tax advisor as to all such tax matters, as well as with respect to the tax matters discussed in this opinion.

The opinions expressed herein are based solely upon my current understanding and interpretation of the existing law, regulations, decided cases and rulings of administrative agencies and upon information set forth herein. If there has been any misstatement of a fact or omission of any fact which may be material, or any amendment or exchange in the By-Laws or the Plan, we should be notified, since any such omission, misstatement or change may require modification of part or all of this opinion. Moreover, it should be specifically noted that this opinion is not binding on the Internal Revenue Service, the New York State Department of Taxation and Finance, or the New York City Department of Taxation, and that such entities may not agree with any or all of the views stated above. Further, the Federal and State Tax Laws and Regulations and the rulings and decisions thereunder may change and thereby effect the views stated above in whole or in part.

NO WARRANTIES ARE MADE THAT THE INTERNAL REVENUE SERVICE, THE DEPARTMENT OF TAXATION AND FINANCE OF THE STATE OF NEW YORK OR THE DEPARTMENT OF FINANCE OF THE CITY OF NEW YORK WILL ALLOW INCOME TAX DEDUCTIONS. FURTHER, NO WARRANTIES OR REPRESENTATIONS ARE MADE THAT THE TAX LAWS UNDERLYING THIS BASE THEIR OPINION WILL NOT CHANGE AND IN NO SUCH EVENT WILL THE SPONSOR-SELLER, THE SPONSOR-SELLER'S COUNSEL, THE CONDOMINIUM BOARD, THE SELLING AGENT OR ANY OTHER PERSON CONNECTED WITH THIS OFFERING BE LIABLE IF FOR ANY REASON IT SHALL BE DETERMINED THAT UNIT OWNERS DO NOT MEET OR AT ANY FUTURE TIME CEASE TO MEET THE REQUIREMENTS OF THE INTERNAL REVENUE CODE OF 1986, THE NEW YORK TAX LAW OR THE NEW YORK CITY ADMINISTRATIVE CODE OR ANY AMENDMENT OF ANY THEREOF. RESERVE FUND

No fund will be created on closing as a reserve for capital expenditures. In the event a need arises for capital expenditures such as renewal or replacement of building components or systems, or to remedy major building defects, it will be necessary to raise needed capital either by assessing individual unit/owners for the cost of such expenditures. However, in the Sponsor's estimation, and in view of the fact that all building systems and components are new, it is anticipated that there will be no needed capital expenditures within the five (5) years immediately following the first closing of a condominium unit under the offering plan.

WORKING CAPITAL FUND

At closing of title to each Unit, the Unit Owner for such Unit will contribute the amount equal of \$200.00 to the capital of the Condominium as a Working Capital Fund (see CLOSING COSTS AND ADJUSTMENTS), so that the total Working Capital Fund created on closing will be \$7,200.00. Sponsor will make the required contribution for all unsold units at the time of the closing of the first unit, and will be reimbursed therefor on each subsequent closing of a unit by the unit purchaser. This Working Capital Fund will be used to make repairs and improvements, and for other appropriate purposes as determined by the Board of Managers, particularly to meet emergencies not budgeted for in SCHEDULE A. While the Sponsor controls the Board of Managers (see CONTROL BY SPONSOR), the Working Capital Fund will not be used to reduce estimated Common Charges.

The Working Capital Fund will not be reduced by any closing adjustments to the Sponsor. All closing adjustments to the Sponsor will be paid in equal monthly installments over the 12 month period following closing. All adjustments represent reimbursement for prepayment of expenses already included in the budget set forth herein as Exhibit B, and therefore do not represent an additional expense to condominium Purchasers.

No representation is made that the Working Capital Fund will be adequate to cover current or future expenses. If additional funds are required over and above the Working Capital Fund, it may be necessary to increase Common Charges or separately assess all Unit Owners. Neither the Department of Law nor any other government agency has passed upon the adequacy of the Working Capital Fund.

The Property will be offered in its present condition as described in this plan. Neither the Sponsor nor the Condominium will have any obligation to make repairs or improvements except as set forth in this plan. I RECEIVED THE PLAN, AS AMENDED, AT LEAST THREE FULL BUSINESS DAYS AND HAVE READ BOTH PARTS I AND II OF THE PLAN BEFORE EXECUTION HEREOF BY ME.

1. OFFERING PLAN READ. As Purchaser, I have received and read the Offering Plan of Condominium Organization (the Plan) with respect to 330-350 2nd Street, Brooklyn, New York.

Said premises, including all documents set forth in Part II thereof, and any amendments thereof are incorporated herein by reference with the same effect as if set forth at length. I hereby accept and approve the Plan (and all of said amendments thereto, if any) and agree to abide and be bound by the terms and conditions thereof. The terms used herein shall have the same meanings as ascribed thereto in the Plan.

2. AGREEMENT TO PURCHASE. I hereby agree to purchase the above apartment and a _____ percent of undivided appurtenant interest in the Common Elements of the Condominium in said premises.

3. DOWN PAYMENT AND BALANCE. Submitted herewith is my check to the order of "HAROLD L. GRUBER, AS ATTORNEY" for the amount of the above stated Down Payment. I agree that if after the Plan becomes effective, as therein provided, I will pay the above-stated balance of said Cash Purchase Price on closing. The payment due on closing shall be by certified check or official check drawn on a New York City bank which is a member of the New York City Clearing Housing System to the order of "HAROLD L. GRUBER, ATTORNEY". The check shall be delivered to the seller.

The Seller will give me prompt written notice thereof when the Plan either becomes effective or is abandoned, unless same has already been declared effective by a duly filed amendment to the Plan submitted to me.

4. MANNER OF PAYMENT AND BALANCE. Provided that I shall have paid the full Cash Purchase Price for said apartment, as provided herein, and shall not be in default hereunder, I am to receive a Deed for the apartment, promptly after the Closing to this apartment. The date of the commencement of my obligations under such Deed, including the payment of Common Charges, shall be the date on which I acquire title to such apartment. At the time the deed is delivered, I shall execute the Power of Attorney to the Board of Managers of the Condominium in the form contained in the Plan and whatever other documents are reasonably necessary to convey the Unit to me, such as real property transfer tax forms.

5. PAYMENTS HELD IN TRUST AT NAMED BANK. The Seller will hold all monies received by it directly or through its agents, employees or escrow agent, in trust, in compliance with the trust fund provisions of section 352-h and section 352-e(2)b of the General Business Law, until actually employed in connection with the consummation to the Offering Plan. All such monies will be deposited with Citibank N.A., 114 Seventh Avenue, Brooklyn, New York 11215, under the name of "HLG Escrow-PSE". The funds so deposited will be released by the escrow agent, an attorney at law, only for the purposes of, and in conformity with the consummation of this Plan, or returned to me as herein provided. I shall be entitled to any interest earned on the sums deposited by me. However, it is not anticipated that any interest will be earned.

6. ACCEPTANCE OF CONDITION. My signing of this Purchase Agreement shall constitute my acceptance of said apartment "As Is", except for those matters which are the responsibility of the Sponsor as stated in the Plan.

7. THIS AGREEMENT IS CONTINGENT. It is agreed that this Purchase Agreement is contingent upon the Plan being declared effective.

8. ABANDONMENT OF PLAN. The Plan may be abandoned by and thereafter only for reasons hereto set forth in the plan, the Seller at any time prior to its being declared effective and shall be abandoned by amendment duly filed with the Department of Law of the State of New York and upon notice to all prospective purchasers who have signed the Purchase Agreement.

9. REFUND AND LIMITATION ON CLAIMS. If the Plan is abandoned or does not become effective within twelve (12) months from the date of presentation and is not extended, or, if after being declared effective, the Plan shall not be consummated for any reason within 180 days thereafter, this Agreement shall be deemed canceled and the Plan terminated and I am to receive back, not later than ten (10) days thereafter, in full, all monies paid by me hereunder. Upon such payment no party shall have any claim against any other party or person, the Sponsor, the Seller, or the agent, and all parties shall be released from all obligations hereunder and under the Plan.

10. DEFAULT AND LIQUIDATED DAMAGES. I agree that if I shall fail to pay the balance of the Cash Purchase Price when due, as herein provided, or, if I am otherwise in default hereunder as such term is defined herein, the Seller may elect to cancel this Agreement by written notice to me at my residence or at the address stated above, by certified mail, and at the expiration of 30 days after the date of mailing thereof (unless I shall have theretofore paid the balance of the Cash Purchase Price in full) said notice shall be effective and this Agreement shall be deemed canceled and all rights of the parties thereunder shall terminate except that the amount of my Down Payment shall be paid over to the Seller as liquidated damages, such liquidated damages not to exceed 10% of the Cash Purchase Price plus the cost of any special work in the apartment ordered by me, together with any interest earned thereon. However, it is not anticipated that any interest will be earned. TIME IS OF THE ESSENCE TO REMEDY SUCH DEFAULT WITHIN SAID THIRTY (30) DAY PERIOD. The notice of default is hereby deemed a notice to vacate as well if I occupy the apartment under the terms of an Interim Lease. In the event of such cancellation, the Seller shall have the right to sell said Units to another purchaser as though this Agreement had never been made and without accountability to me for the proceeds received on any sale to another.

11. In the event Purchaser elects to obtain title insurance; or, in the event Purchaser obtains mortgage financing and is required to obtain title insurance; then, in such event, Purchaser agrees that the title insurance shall be ordered through Lighthouse Land Services. Seller shall not be obligated to cure any exceptions raised by any company other than the foregoing; and, in the event Purchaser orders title insurance through any other agency, and sponsor elects to cure such exceptions, there will be a charge as set forth in the CLOSING COST section of this offering plan for review of the title report prepared by such other abstract company.

12. CLOSING DATE AND PLACE. The closing of title shall occur on the date and at the time and place in the City and State of New York as Sponsor shall designate to Purchaser on not less than thirty(30) days' prior written notice. Sponsor shall have the right, from time to time, to adjourn such time and date for closing on written notice to Purchaser. If adjourned, Sponsor shall fix a new date and time for title closing and shall give Purchaser not less than ten(10) business days-prior written notice of the new scheduled date and time for closing.

In the event that a Purchaser does not close on the Closing Date set forth in the Notice of Closing, the Sponsor elects not to cancel the Purchase Agreement or if the Sponsor approves the Purchaser's request to adjourn the Purchaser's Closing to his apartment, interest shall accrue on the unpaid amount of the purchase price from the Closing Date until such amount is paid. The interest rate shall be ten percent (10%) per annum. This rate shall be in effect for as long as there is any unpaid amounts owing towards the full purchase price.

13. APPORTIONMENT OF CHARGES. At the Closing, the parties shall apportion, as of the day preceding the date of actual closing, the Common Charges, real estate taxes and other charges under the By-Laws, utility charges (if any) due to the Condominium and the use and occupancy charge, if any, to the Apartment. Assessments will not be apportioned and will be payable by the party who is the owner of the Unit when the same became due and payable. A letter from the Condominium or its Managing Agent as to status of Common Charges, utility or other charges shall be sufficient for purposes of determining the adjustments as herein described.

In the event a mortgage recording tax credit becomes available pursuant to Section 339-ee(2) of the New York Condominium Act, it is specifically understood that such credit will inure to the benefit of the Sponsor. Accordingly, on the Closing Date, I will pay the full amount (but not in excess thereof) of the mortgage recording tax chargeable on the entire amount financed, if any. The Sponsor will be reimbursed to the extent of any mortgage tax credit allowed.

14. CLOSING COSTS Purchaser shall be responsible for paying all costs as outlined in the Section of this Offering Plan entitled Closing Costs and Adjustments.

15. ENTIRE AGREEMENT, OPPORTUNITY TO EXAMINE, NON-ASSIGNABILITY. The entire contract between the parties hereto as set forth herein and in the Plan and as the Plan may be amended from time to time. The only representations made to me are those contained herein and in the Plan, as may be amended. I have not relied upon any representations, statements or warranties, written or oral, as to any matter or estimate, that is not set forth herein and in the Plan. I have had at least three days to read and review the Offering Plan and all amendments and have had the opportunity to examine all the documents filed as Exhibits, volume A, B and C to the Plan. This Agreement is not assignable by me without prior written consent of the Seller and shall bind and apply to the parties hereto and their personal legal representatives, successors and assigns and may not be amended, changed or discharged orally.

16. CONFLICTS WITH THE PLAN. Conflicts between this Agreement and the Plan shall be resolved in favor of the Plan.

17. CONDITIONS FOR BINDING AGREEMENT. This Agreement shall not be binding on me or on the Seller until a fully executed copy thereof shall have been delivered to me. If this Agreement shall not be accepted within twenty (20) days of the date hereof by the delivery to me of such endorsed and fully signed copy, this Purchase Agreement shall be deemed to be rejected and canceled and my deposit shall be promptly refunded to me.

18. CONDITIONS FOR CLOSING. It is a condition of this closing that:

(a) There shall be no claims or liens against the Unit at the time of the Closing, except for Permitted Encumbrances as described in the Plan; and

(b) The Seller has full right and authority to sell and transfer the Units.

19. WHEN TITLE PASSES. I shall acquire no right, title or interest in the aforesaid Unit until (i) the entire Cash Purchase Price has been paid in accordance with the terms hereof, and (ii) I have otherwise performed, observed and complied with the terms and conditions of this Agreement.

At the Closing of Title the Seller shall deliver to me a bargain and sale deed, with covenants against the grantor's acts, conveying the Unit to me such deed to be in the form contained in Part II of the Plan, executed and acknowledged by the Seller in form for recording.

20. IDENTIFICATION OF PURCHASER. I represent that I am a person over 18 years of age. The term "I" shall read as "we" and "purchaser" shall be read as "purchasers" if more than one person are purchasers, in which case our obligations shall be deemed joint and several. I further represent to the Condominium and to all of the persons to who are Unit Owners that I am purchasing the Unit for my own account and that Sponsor will have no interest, direct or indirect, in the Unit being purchased hereunder.

21. BONA FIDE PURCHASER. I certify that I have agreed in good faith to purchase the above-described Apartment with no discriminatory re-purchase Agreement or other discriminatory inducement.

22. NOTICES. Notices hereunder shall be delivered or mailed as follows:- To the Purchaser(s), at the address stated above; and, to the Seller at the office of the Seller's attorney. The date on which personal delivery is affected, or the date of mailing, as the case may be, shall be deemed the date of giving of notices.

23. AGREEMENT SUBJECT TO MORTGAGES. I agree that all terms and provisions of this Agreement are and shall be subject and subordinate to the lien of any building loan mortgage or development loan mortgage heretofore or hereafter made and any advances heretofore or hereafter made thereon and any payments or expenses already made or incurred or which may hereafter be made or incurred, pursuant to the terms thereof, incidental thereto, or to protect the security thereof, to the full extent hereof without the execution of any further legal documents by me. The subordination shall apply whether such advances are voluntary or involuntary and whether made in accordance with the building loan schedule of payments or accelerated thereunder by virtue of lender's right to make advances before they become due in accordance with the schedule of payments. Notwithstanding anything to the contrary contained in this paragraph, however, on the Closing Date the only mortgage to which the Unit will be subject will be the mortgage(s) obtained by me.

24. MORTGAGE FINANCING. In the event Purchaser applies for a mortgage loan, this Contract will be conditional on Purchaser obtaining such loan in an amount not less than \$ _____ on whatever rate and terms are offered by said the lending institution applied to. Purchaser shall apply for said loan within five (5) days after receipt of a fully executed copy of this Contract, and shall have forty (40) days from the signing of said Contract to obtain said mortgage commitment. Purchaser shall be required to notify Seller of the date on which an application is made and the lending institution which is applied to. Failure to so notify Seller shall result in this section be null and void. Purchaser agrees to accept any commitment offered by the aforementioned lending institution provided same is in at

least the amount set forth above. In the event Purchaser fails to obtain such commitment within forty (40) days from the date of execution of the Contract, either party may cancel this Purchase Agreement on five (5) days written notice to the other party, whereupon this Purchase Agreement shall become null and void, and the down payment shall be returned to the Purchaser. **IN THE EVENT THAT SPONSOR'S ATTORNEY DOES NOT RECEIVE SUCH NOTICE OF FAILURE TO OBTAIN FINANCING WITHIN FIVE DAYS AFTER EXPIRATION OF THE FORTY-DAY-PERIOD SET FORTH ABOVE (OR ANY EXPIRATION THEREOF), PURCHASER SHALL BE REQUIRED TO CLOSE WHETHER OR NOT PURCHASER RECEIVES FINANCING.**

Purchaser's failure to provide information to the lender promptly upon request therefor, or failure to accept a commitment offered, shall be a default for which the Seller shall have the right to cancel this Purchase Agreement and retain the down payment. Once a bank commitment is issued, Purchaser will be required to use due diligence in obtaining any and all extensions necessary to maintain such commitment in force, notwithstanding that such extension may be at a higher interest rate or require payment of additional fees, or include other changes. Failure to maintain such commitment will constitute a default under the Purchase Agreement, except that if the bank refuses to extend such commitment on any rates or terms, Purchaser may cancel the Contract, and receive return of his down payment hereunder.

25. AMENDMENTS. After acceptance of my Purchase Agreement and so long as I am not in default hereunder, there shall be no change in the amount of the Cash Purchase Price, size or layout of the apartment I intend to purchase, without my written consent first being obtained. If there is a material change in the size or quality of common areas, I shall be given written notice thereof by certified mail, return receipt requested, and I shall have fifteen (15) days therefrom to rescind my Purchase Agreement and obtain return of my Down Payment by so notifying the Sponsor or Selling Agent in writing by certified mail, return receipt requested.

26. CAPTIONS. The captions used herein are inserted only as a matter of convenience and for reference and in no way define, limit or described the scope of this Purchase Agreement or the intent of any provision hereof.

31. LAWS. The laws of the State of New York shall govern this transaction.

32. PURCHASER'S REMEDIES. In the event that the Sponsor shall for any reason (except for willful default) be unable to convey and deliver the apartment in accordance with terms of the Purchase Agreement, (except for any failure to perform any obligation imposed by applicable statute or regulation, or a failure to perform Sponsor's obligations under the Offering Plan) the sole remedy of the Purchaser shall be to rescind the Purchase Agreement and be refunded the entire downpayment with interest plus the cost of title searches, if any.

Any conflict between the plan and the Purchase Agreement shall be resolved according to the terms of the plan.

Nothing contained in the Purchase Agreement or the Plan shall be construed to waive a Purchaser's right to abrogate Sponsor's obligations under Article 23-A of the GBL.

33. APPLIANCES AND EQUIPMENT. The Unit is being sold unfurnished, without window blinds or shades and will contain only the appliances and equipment described above and in the Plan. B. There will be no modifications or extras unless agreed to in writing by the parties. All modifications and alterations must be approved by Sponsor in writing and, if approved, shall be performed by Sponsor at Purchaser's expenses (payable in the manner to be set forth in addendum to this Agreement or separate agreement).

34. CONSTRUCTION.

A. The construction of the building and the Unit, including the materials, equipment and fixtures to be installed therein, shall be substantially in accordance with the Plan and the architectural "plans and specifications" (defined in the Plan), subject to the right reserved by Sponsor to modify and amend the Plan and the "plans and specifications" in order to substitute materials, equipment or fixtures of equal or better quality and design, provided only the approval of any governmental authorities having jurisdiction thereover and the construction lender are first obtained (if required). The issuance of a Certificate of Occupancy for the Building shall be deemed presumptive evidence that the Building and the Unit have been fully completed in accordance with the Plan and the "plans and specifications". However nothing herein contained shall excuse Sponsor from its obligations to correct any defects in construction in accordance with the conditions set forth in the Plan in the section entitled "Rights and Obligations of the Sponsor.

B. The construction of the Building and the Unit and the correction of any defects in construction to the extent required under the Plan are the sole responsibility of the Sponsor. Purchaser acknowledges and agrees that Sponsor will not be liable for, and will have no obligation to correct, certain variations from the Plan and "plans and specifications" as indicated in the Plan in subparagraph 2(b) of "Rights and Obligations of Sponsor-Construction Obligations" and will only be responsible to correct any construction defects to the extent, and on the terms and conditions, set forth in subparagraph 5 of "Rights and Obligations of Sponsor: Construction Obligations."

Upon receipt of the notice, Purchaser shall promptly arrange an appointment with the Selling Agent to inspect the Unit before the lapse of such ten(10) day period. Purchaser or his duly authorized agent shall attend such inspection and shall complete, date and sign the Inspection Statement (in the form set forth as Exhibit C to this Agreement) and deliver same to the Selling Agent at the conclusion of the inspection. Failure of Purchaser either to arrange such appointment or to inspect the Unit within ten (10) days of receipt of said notice or to so sign and deliver the completed inspection Statement, shall not excuse Purchaser from

paying the Balance when due and shall constitute Purchaser's full acceptance of the Unit. However, nothing herein shall relieve Sponsor of its obligations as set forth in the "Rights and Obligations of Sponsor-- Construction Obligations."

36. NOTICES. All notices, elections, consents, demands and communications (collectively called "notices" or individually called "notice") shall be delivered personally or given in writing by registered or certified mail, return receipt requested, postage prepaid, and, if sent to Purchaser, addressed to Purchaser at Purchaser's address given in the preamble to this Agreement and, if sent to Sponsor, addressed to the Sponsor, C/O Harold L. 37. BROKER. Purchaser represent to Sponsor that the Selling Agent is the only broker or sales agent with who Purchaser has dealt in connection with this transaction. Sponsor agrees to pay the commission due the Selling Agent pursuant to separate agreement. Purchaser agrees that should any claim be made against Sponsor for commissions by any broker, other than Selling Agent, on account of any acts of Purchaser or of Purchaser's representatives, Purchaser will indemnify and hold Sponsor free and harmless from any and all liabilities and expenses in connection therewith, including (without limitation) reasonable legal fees and disbursements. The provisions of this Paragraph 26 shall survive the Closing.

38. NO LIEN. No lien or encumbrances shall arise against the Property or the Unit as a result of this Agreement or any monies deposited hereunder. This Agreement shall not be recorded and any purported recordation hereof by Purchaser shall constitute an Event of Default.

PAID

40. STRICT COMPLIANCE. Any failure by Sponsor to insist upon strict performance by Purchaser of any of the provisions of this Agreement shall not be deemed a waiver of any of the provisions hereof, irrespective of the number of violations or breaches which may occur, and Sponsor, notwithstanding any failure, shall have the right thereafter to insist upon strict performance by Purchaser of any and all of the provisions of this Agreement to be performed by Purchaser.

GENERAL BUSINESS LAW--CIVIL PRACTICE LAW AND
RULES--NEW HOMES--SALES--WARRANTIES

We ACT to amend the general business law and the civil practice law and rules, in relation to warranties on sales of new homes

Approved September 6, 1988, effective as provided in S 3.

The people of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. The general business law is amended by adding a new article S 1 thirty-six B to read as follows:

ARTICLE 36-B

Section 777. Definitions.

777-a. Housing Merchant Implied Warranty.

777-b. Exclusion or modification of warranties.

Section 777. Definitions. As used in this article, the following terms shall have the following meanings:

1. "Builder" means any person, corporation, partnership or other entity contracting with an owner for the construction or sale of a new home.

2. "Building Code" means the uniform fire prevention and building code promulgated under section three hundred seventy-seven of the executive law, local building code standards approved by the uniform fire prevention and building code council under section three hundred seventy-nine of the executive law, and building code of the City of New York, as defined in title twenty-seven of the administrative code of the City of New York.

3. "Constructed in a skillful manner" means the workmanship and materials meet or exceed the specific standards of the applicable building code. When the applicable building code does not provide a relevant specific standard, such term means that workmanship and materials meet or exceed the standards of locally accepted building practices.

4. "Material defect" means actual physical damage to the following load-bearing portions of the home caused by the failure of such load-bearing portions which affects their load-bearing functions to the extent that the home becomes unsafe, unsanitary or otherwise unliveable: foundation systems and footing, beams, girders, lintels, columns, walls and partitions, floor systems and roof framing systems.

5. "New home" or "home" means any single family house for-sale unit in a multi-unit residential structure of five stories or less in which title to the individual units is transferred to owners under condominium or cooperative regime. Such terms do not include dwellings constructed solely for lease, mobile homes as defined in section seven hundred twenty one of this chapter, or any house or unit in which the builder has resided or leased continuously for three years or more following the date of completion of construction, as evidenced by a certificate of occupancy.

6. "Owner" means the first person to whom the home is sold and, during the unexpired portion of the warranty period, each successor in title to the home and any mortgagee in possession. Owner does not include the builder of the home or any firm under common control of the builder.

7. "Plumbing, electrical, heating, cooling and ventilation systems" shall mean:

- a. in the case of the plumbing systems: gas supply lines and fittings; water supply, waste and vent pipes and their fittings; septic tanks and their drain fields; water, gas and sewer service piping, and their extensions to the tie-in of a public utility connection, or on-site well and sewage disposal system;
- b. in the case of electrical systems: all wiring, electrical boxes, switches, outlets and connections up to the public utility connections; and
- c. in the case of heating, cooling and ventilation systems: all duct work, steam, water and refrigerant lines, registers, convectors, radiation elements and dampers.

8. "Warranty date" means the date of the passing of title to the first owner for occupancy by such owner or such owner's family as a residence, or the date of first occupancy of the home as a residence, whichever first occurs.

Section 777-a. Housing merchant implied warranty.

1. Notwithstanding the provisions of section two hundred fifty-one of the real property law, a housing merchant implied warranty is implied in the contract or agreement for the sale of a new home and shall survive the passing of title. A housing merchant implied warranty shall mean that:

- a. one year from and after the warranty date the home will be free from defects due to a failure to have been constructed in a skillful manner;

- b. two years from and after the warranty date the plumbing, electrical, heating, cooling and ventilation systems of the home will be free from defects due to a failure by the builder to have installed such systems in a skillful manner; and
- c. six years from and after the warranty date the home will be free from material defects.

2. Unless the contract or agreement by its terms clearly evidences a different intention of the seller, a housing merchant implied warranty does not extend to:

- a. any defect that does not constitute (i) defective workmanship by the builder or by the agent, employee or subcontractor or the builder, (ii) defective materials supplied by the builder or by an agent, employees or subcontractor of the builder, or (iii) defective design provided by a design professional retained exclusively by the builder; or
- b. any patent defect which an examination ought in the circumstances to have revealed, when the buyer before taking title or accepting construction as complete has examined the home as fully as the buyer desired, or has refused to examine the home.

3. In the case of goods sold incidentally with or included in the sale of the home, such as stoves, refrigerators, freezers, room air conditioners, dishwashers, clothes washers and dryers, a housing merchant implied warranty shall mean that such goods shall be free from defects due to failure by the builder or any agent, employee or subcontractor of the builder to have installed such systems in a skillful manner. Merchantability, fitness and all other implied warranties with respect to goods shall be governed by part three of article two of the uniform commercial code and other applicable statutes.

4. a. Written notice of a warranty claim for breach of a housing merchant implied warranty must be received by the builder prior to the commencement of any action under paragraph b of this sub-division and no later than thirty days after the expiration of the applicable warranty period., as described in subdivision one of this section. The owner and occupant of the home shall afford the builder reasonable opportunity to inspect, test and repair the portion of the home to which the warranty claim relates.

b. An action for damages or other relief caused by the breach of a housing merchant implied warranty may be commenced prior to the expiration of one year after the applicable warranty period, as described in subdivision one of this section, or within four years after the warranty date, whichever is later.

In addition to the foregoing, if the builder makes repairs in response to a warranty claim under paragraph a of this subdivision, an action with respect to such claim may be commenced within one year after the last date on which such repairs are performed. The measure of damages shall be the reasonable cost of repair or replacement and property damage to the home proximately caused by the breach of warranty, not to exceed the replacement cost of the home exclusive of the value of the land, unless the court finds that, under the circumstances, the diminution in value of the home caused by the defect is a more equitable measure of damages.

5. Except as otherwise provided in section seven hundred seventy-seven-b of this article, any provision of a contract or agreement for the sale of a new home which excludes or modifies a housing merchant implied warranty shall be void as contrary to public policy.

6. Except as otherwise provided in section seven hundred seventy-seven-b of this article, other implied warranties may arise from the terms of the contract or agreement from course of dealing or usage of trade.

S 777-b. Exclusion or modification of warranties. 1. Except in the case of a housing merchant implied warranty, the builder or seller of a new home may exclude or modify all warranties by any clear and conspicuous terms contained in the written contract or agreement of sale which call the buyer's attention to the exclusion or modification of warranties and make the exclusion or modification plain.

2. Except in the case of a housing merchant implied warranty, the builder or seller of a new home may exclude or modify warranties with respect to particular defects by any clear and conspicuous terms contained in the written contract or agreement of sale which identify such defects, call the buyer's attention to the exclusion or modification of warranties and make the exclusion or modification plain.

3. A housing merchant implied warranty may be excluded or modified by the builder or seller of a new home only if the buyer is offered a listed warranty in accordance with the provisions of this subdivision.

a. A copy of the express terms of the limited warranty shall be provided in writing to the buyer for examination prior to the time of the buyer's execution of the contract or agreement to purchase the home.

b. A copy of the express terms of the limited warranty shall be included in, or annexed to and incorporated in, the contract or agreement.

c. The language of the contract or agreement for sale of

the home must conspicuously mention the housing merchant implied warranty and provide that the limited warranty, excludes or modifies the implied warranty. Language to exclude all implied warranties is sufficient if it states, for example, that "There are no warranties which extend beyond the face hereof".

d. The limited warranty shall meet or exceed the standard provided in subdivisions four and five of this section.

4. A limited warranty sufficient to exclude or modify a housing merchant implied warranty must be written in plain English and must clearly disclose:

a. that the warranty is a limited warranty which limits implied warranties on the sale of the home; the words "limited warranty" must be clearly and conspicuously captioned at the beginning of the warranty document;

b. the identification of the names and addresses of all warrantors;

c. the identification of the party or parties to whom the warranty is extended and whether it is extended to subsequent others; the limited warranty must be extended to the first owner of the home and survive the passing of title but may exclude any or all subsequent owners;

d. a statement of the products or parts covered by the limited warranty;

e. the clear and conspicuous identification of any parts or portions of the home or premises that are excepted or excluded from warranty coverage, and the standards that will be used to determine whether a defect has occurred, provided, however, that:

i. any exception, exclusion or standard which does not meet or exceed a relevant specific standard of the applicable building code, or in the absence of such relevant specific standard a locally accepted building practice, shall be void as contrary to public policy and shall be deemed to establish the applicable building code standard or locally accepted building practice as the warranty standard; and

ii. any exception, exclusion or standard that fails to ensure that the home is habitable, by permitting conditions to exist which render the home unsafe, shall be void as contrary to public policy.

f. what the builder and any other warrantor will do when a defect covered by the warranty does arise, and the time within which the builder and any other warrantor will act;

g. the term of the warranty coverage and when the term begins, provided, however, that such term shall be equal to or exceed the warranty periods of a housing merchant implied warranty, as defined in subdivision one of section seven hundred seventy-seven-a of this article;

h. step-by-step claims procedures required to be undertaken by the owner, if any, including directions for notification of the builder and any other warrantor; an owner shall not be required to submit to binding arbitration or to pay any fee or

charge for participation in nonbinding arbitration or any mediation process;

i. any limitations on or exclusions of consequential or incidental damages, and any limitations on the builder's and other warrantor's total liability, conspicuously expressed on the first page of the warranty. Notwithstanding the foregoing, a limited warranty shall not be construed to permit any limitation on or exclusion of property damage to the home proximately caused by a breach of the limited warranty, where the court finds that such limitation or exclusion would cause the limited warranty to fail of its essential purpose, except that such property damage may be limited by an express limitation on the builder's or other warrantor's total liability in accordance with the provisions of this paragraph.

5.a. This article shall not be construed to authorize or validate any covenant, promise, agreement or understanding which is void and unenforceable under section 5-322.1 of the general obligations law.

b. This article shall pre-empt any local law inconsistent with the provisions of this article. This article shall not pre-empt any builder subject to its provisions from complying with any local law with respect to the regulation of home builders except as expressly provided herein.

c. Nothing in this article shall be construed to repeal, invalidate, supersede or restrict any right, liability or remedy provided by any other statute of the state, except where such construction would, as a matter of law, be unreasonable.

Section 2. Subdivision two of section two hundred thirteen of the civil practice law and rules, as amended by chapter four hundred three of the laws of nineteen hundred eighty-three, is amended to read as follows:

2. an action upon a contractual obligation of liability, express or implied, except as provided in section two hundred thirteen-a of this article or article 2 of the uniform commercial code or article 36-B of the general business law;
