### SPECIAL RISKS

1) The Sponsor has made, and will pursue, an application for abatement and exemption of taxes under 421-a of the Real Property Tax Law of the State of New York, and shall make all filings necessary to obtain such benefits. Upon closing, the Sponsor will make all tax benefit documents available to the Condominium for inspection and copying for the life of the benefits. The Sponsor will timely file all applications and timely comply with all procedures required to properly process and maintain the benefits. Sponsor will make the application at his own cost and expense. Sponsor will use his best efforts to obtain the real estate tax benefits set forth herein. A preliminary Letter of Eligibility will be obtained prior to the first closing. A final Certificate of Eligibility cannot be applied for until after the Certificate of Occupancy is obtained. It is anticipated that benefits will commence within one year after said date, but will apply retroactively to the date on which the Certificate of Occupancy was obtained; so that a Purchaser who pays real estate taxes in excess of the amount due after benefits may be entitled to a refund or remission. As a result of the foregoing, if a Purchaser acquires his unit after the effective date of commencement of benefits, a portion of the benefits will have expired.

NO WARRANTY IS OR CAN BE MADE THAT THE BENEFITS SET FORTH HEREIN WILL BE OBTAINED. IN THE EVENT THE BENEFITS ARE NOT OBTAINED, OR IN THE EVENT THERE ARE INCREASES IN THE TAX RATE OR THE PROPERTY'S ASSESSED VALUATION, OR IN THE STATUTES GOVERNING THE TAX BENEFITS, REAL ESTATE TAXES MAY BE HIGHER THAN SET FORTH ABOVE FOR THE FIRST YEAR OF OPERATION AND IN FUTURE YEARS. HENCE, INDIVIDUAL CARRYING COSTS FOR ALL UNITS WOULD ALSO BE HIGHER.

Prospective purchasers are urged most strongly to read the section entitled REAL ESTATE TAX BENEFITS OPINION included herein.

2) Closing will not take place, and no individual condominium apartment will be sold until a permanent or temporary Certificate of Occupancy has been obtained for the premises. In the event closing occurs after the issuance of a temporary Certificate of Occupancy, but prior to the issuance of permanent Certificate of Occupancy, then it will remain the obligation of the Sponsor to, at its own cost and expense, obtain such permanent Certificate, and the Certificate must be obtained within two (2) years from date of closing. Prior to obtaining the permanent Certificate of Occupancy, the Sponsor is required to either: a) maintain all deposits and funds in a special escrow account required by GBL-352e (2)(b) unless the Sponsor's engineer or architect certifies that a lesser amount will be reasonably necessary to complete the work needed to obtain the permanent Certificate of Occupancy, in which

case the sum exceeding the amount so certified may be released; or, b) deposit with an escrow agent an unconditional, irrevocable letter of credit, or post a surety bond, in the aforesaid specified amount, in accord with the regulations of the New York State Department of Law. See RIGHTS AND OBLIGATIONS OF THE SPONSOR section of this Offering Plan.

3) There are numerous time constraints imposed in the Purchase Agreement set forth in Part II of this Offering Plan. **Time is of the essence** as to all such time constraints. This means that if the Purchaser fails to perform within the applicable time frame, he may waive substantive rights, or incur a forfeiture of substantial sums of money. Thus, a purchaser who fails to cure a default within thirty (30) days after receipt of written notice of said default, will both have the Contract canceled, and lose his downpayment. Similarly, a purchaser who fails to notify the Sponsor in the event he has failed to obtain mortgage financing within forty (40) days after executing the Purchase Agreement, will be required to proceed to closing, notwithstanding the fact that purchaser has failed to obtain mortgage financing; and, if such purchaser fails to proceed to closing, the down payment may be retained by the Sponsor. Purchasers are advised to consult with their attorney concerning all terms of this offering. Please see section of this Plan entitled PROCEDURE TO PURCHASE, and the PURCHASE AGREEMENT, set forth in Part II, for a statement of all applicable time limitations.

4) The terms of this Offering Plan transfer the statutory obligation to pay New York City Real Property transfer taxes (1% of purchase price for residential units, and New York State Documentary Stamp Taxes (\$4.00 per thousand) to the Purchaser, so that the cost of such taxes represent an additional closing cost to the Purchaser, and an additional item of consideration on which transfer taxes must be paid. Additionally, the Purchaser is responsible for paying to the Sponsor's attorney a document preparation fee of \$950.00, and may be responsible for certain other fees such as travel fees and default fees. Finally, Purchaser will pay Sponsor a fee of \$1,500.00 as partial reimbursement for the cost of preparing and filing the Offering Plan. See section of the Offering Plan entitled UNIT CLOSING COSTS AND ADJUSTMENTS.

5) While all residential apartments will be equipped for installation of washers, dryers, stoves, refrigerators, and dishwashers, no appliances will be provided by the Sponsor as part of this sale, except that the Sponsor will install a stove Frigidaire Model #FGF 368. To the extent the Purchaser elects to install any other appliances in their unit, same will represent an additional cost of purchasing the unit. See DESCRIPTION OF

PROPERTY AND BUILDING CONDITION included in Part II of this Offering Plan.

6) At the earlier of the second anniversary of the first closing date, or such time as less than fifty percent of the units of the Condominium constitute unsold units, control of the Condominium shall be transferred to a Board of Managers elected by unit owners other than Sponsor. Notwithstanding the end of the Sponsor control period, Sponsor may cast its votes for unit owners of its choice other than the Sponsor or other holder of unsold shares. Prior to that time, the Condominium will be controlled by a Board of Managers elected by the Sponsor. There are certain limitations on actions which can be taken by the Sponsor while he remains in control of the Board of Managers, which limitations are set forth in the CONTROL BY THE SPONSOR of this Offering Plan.

Until the earlier of five (5) years from the date of closing, or at the time at which the Sponsor or other Holder of Unsold Units owns units consisting of less than 25% of the common interest of the Condominium, Sponsor may exercise veto power over any expenses other than those expenses described in Schedule B or expenses required to comply with applicable laws or regulations, to remedy any notice of violation or to remedy any work order by an insurer. Additionally, so long as the sponsor retains ownership of at least one unit in the building, the By-Laws, Declaration, and Rules and Regulations of the Condominium, may not be amended or modified in any way so as to adversely affect the Sponsor without written consent by the Sponsor.

See section of the Offering Plan entitled CONTROL BY THE SPONSOR for a more complete explanation.

7) Sponsor is liable for all common charges, special assessments, and real estate taxes with respect to unsold units, and represents that Sponsor has financial resources to meet these obligations. However, no bond or other security has been furnished to secure the Sponsor's obligations. Please see section of the Offering Plan entitled RIGHTS AND OBLIGATIONS OF THE SPONSOR for a more detailed explanation.

8) Pursuant to existing law and regulation, the Sponsor may declare the plan effective by entering into a contract for a minimum of 15% of the apartments in the building. In the event purchase agreements counted towards the minimum number of unit sales required to declare the plan effective fail to close, it is possible that the building will be converted to condominium status with less than 15% of the apartments in the building actually sold to purchasers. Please see EFFECTIVE DATE section of this Offering Plan.

9) Purchasers should note that in the current real estate market, banks and other lenders are imposing various restrictions on loans. Such restrictions include requiring that a certain percentage (such as 50% or more) of the apartments in a building be sold before the lender will consider making a loan. Thus, it may be possible for a Purchaser to experience difficulty obtaining a loan in a building where the percentage of units purchased is lower than a lender's particular sales minimum.

Even after a building undergoes conversion, lenders may still impose minimum sales requirements before granting a loan. It then may be difficult for a Purchaser to resell an apartment if prospective buyers are unable to obtain a loan due to such minimum sales requirements. See PROCEDURE TO PURCHASE section of Offering Plan.

10) The Sponsor is not limiting the conditions under which it will rent rather than sell units. There is no commitment to sell more units than the 15% necessary to declare the plan effective. Owner-Occupants, therefore, may never gain effective control and management of the condominium. See the INTRODUCTION, RIGHTS AND OBLIGATIONS OF THE SPONSOR, CONTROL BY SPONSOR and BOARD OF MANAGERS sections of this Offering Plan for a more complete explanation.

11) The By-Laws do not include a provision that after two years, a majority of the Board of Managers must be Owner-Occupants or member of an owner occupant's household, who are unrelated to the Sponsor and its Principals. Owner-Occupants and non-resident owners, including the Sponsor, may have inherent conflicts on how the Condominium should be managed because of their different reasons for purchasing, i.e., purchase as a home, as opposed to purchase as an investment. See the INTRODUCTION, RIGHTS AND OBLIGATIONS OF THE SPONSOR, CONTROL BY SPONSOR and BOARD OF MANAGERS sections of this Offering Plan for a more complete explanation.

12) All funds received by the Sponsor for upgrades or extras must initially be placed in the escrow account set forth herein. However, Purchaser should note that such funds may be released from the escrow account by the escrow agent as long as the Sponsor uses the funds for such upgrades or extras. As a result, in the event the Purchaser is entitled to a rescission, the Purchaser will not receive a refund of any funds used for upgrades or extras. See PROCEDURE TO PURCHASE Section of this Offering Plan.

13) The cost of providing heat and hot water for individual units is not included in the monthly Common Charges. Heat and hot water are separately provided to each unit by its own heat and hot water facility; and the cost of fuel for providing such heat and

hot water will be separately billed for each unit. Thus, the cost of heat and hot water represents a cost in addition to the monthly maintenance (see FOOTNOTES TO SCHEDULE B and SCHEDULE B1).

14) All down payments will be placed in an IOLA account and will be federally insured up to \$100,000. To the extent that the total contract deposits exceed \$100,000, they will not be federally insured. IOLA stands for "interest on lawyer accounts," and is a special segregated escrow account maintained by an attorney. Interest earned on an IOLA account does not accrue to the benefit of either the buyer or the seller but is paid over to the state of New York. Please see PROCEDURE TO PURCHASE section of this Offering Plan.

15) Units 7A and 7B, and all Third Floor Units will each include as a limited common element a roof terrace. These are separate and distinct from the roof terrace units which are being offered for sale, and which will be hereinafter described. Use of the roof will require the installation of protective decking, which will be the obligation of the purchaser and will represent an additional expense. Nothing other than protective decking material, a protective railing, temporary structures such as a "succha" or screened porch may be installed on the roof without the express written permission of the Board of Managers. The Unit Owner will be responsible for maintenance of the roof area including any decking installed, and repair or replacement of surface material where damaged. The Condominium shall remain responsible for the structural elements, such as rafters, bulkheads, etc. Please see the ARCHITECT'S REPORT section of the Offering Plan for a more complete explanation.

16) All residential units on the Fourth, Fifth and Sixth Floors, and Units 7C, 7D, and 7E will each include as a limited common element a balcony area. No structures may be built on this balcony area without the express written permission of the Board of Managers, other than temporary structures such as a "succha" or screened porch. Unit owners shall be responsible for maintenance such as painting, brush sweeping, and repair or replacement of roofing or balcony surface material or damaged. The Condominium shall remain responsible for structural repairs such as girders, beams, etc. Please see the ARCHITECT'S REPORT section of the Offering Plan for a more complete explanation.

17) The owners of the Commercial and Community Facility Units will be required to maintain heat supply to his premises on a 24 hour a day basis, so as to not create an undo heating burden on residential units within the building. In the event the commercial unit owner fails to maintain his heat supply on such a basis, the condominium board shall have the power to compel compliance with

this requirement. Please see COMMERCIAL UNIT section of this Offering Plan for a more complete explanation.

18) There will be separate water meters serving the Commercial and Community Facility Units. On account of this, such unit owners will be entitled to a credit against common charges due to the condominium for its proportionate share of the water bill of the residential units included in the common charges. Please see the COMMERCIAL UNIT section of this Offering Plan for a more complete explanation.

19) One unit in the subject premises is designated as a "community facility." Community facility is special designation allowing commercial use within a residential district. Uses which fall under the community facility rubric include synagogue or other religious gathering place; community meeting room; clinic; outpatient medical facility; substance abuse treatment center; counseling center; or any other use which directly benefits the immediate community. It is currently anticipated, and the Certificate of Occupancy will reflect, that the proposed use is as a non-custodial medical facility; however, the unit owner retains the right to amend the Certificate of Occupancy to allow any use permitted by the community facility designation. Please see the COMMERCIAL UNIT section of the Offering Plan for a more complete explanation.

20) The Commercial and Community Facility unit owners have the right to sub-divide their units into any number of small units provided that the total allocation of common interest of the commercial or community facility units may not be altered by such sub-division, and further provided that all such subdivisions must be in conformity with applicable zoning rules and a Certificate of Occupancy for the premises. Additionally, a unit owner is not limited to its current anticipated use as a non-custodial medical care facility, but may utilize the unit for any purpose consistent with the community facility designation such as an outpatient clinic, a synagogue or community meeting area. Please see the COMMERCIAL UNIT section of this Offering Plan for a more complete explanation.

21) Square footages indicated for units in SCHEDULE A are the result of a "gross" square footage calculation. Measurement of gross square footage includes the entirety of exterior walls, the partition walls that divide the units from common areas, as well as one half of any wall dividing a unit from another unit. As a result, the actual floor area of each unit will be significantly smaller than the square footage set forth in SCHEDULE A. Please see FOOTNOTES TO SCHEDULE A in Part I, and the ARCHITECT'S REPORT in Part II of this Offering Plan for a more complete explanation.

6

22) The Community Facility unit contains within it, an elevator. This elevator is for the sole and exclusive use of the community facility unit. The owner of such unit shall be solely and only responsible for maintenance and repair to said elevator, as well as the cost of operating said elevator. Please see the ARCHITECT'S REPORT in Part II of this Offering Plan for a more complete explanation.

23) While there are twenty-nine (29) residential units located on the subject premises, there are only twenty-one (21) parking units, which will be sold to residential unit owners on a first-come, first-served basis. Additionally, a residential unit owner may purchase more than one space. Thus, at least eight (8) unit owners will not be able to park their cars at the subject premises. Please see the INTRODUCTION section in Part I, and the ARCHITECT'S REPORT and FLOOR PLANS in Part II of this Offering Plan for a more complete explanation.

24) The projected insurance coverage for the building does not include officers and director's liability. Officer's and director's liability is a type of coverage which protects members of the Board of Managers, or officers of the condominium, from any liability engendered by performance of their functions, to the extent such activities are within the scope of their designated capacity, and does not constitute a criminal act by such officer or manager. In the event the condominium wishes to extend such insurance coverage to its directors and managers, this will represent an additional cost on the amount projected for insurance coverage in Schedule B. Please see SCHEDULE B and FOOTNOTES thereto for a more complete explanation.

25) The labor cost projected in SCHEDULE B anticipates a full-time porter. Such person will be able to perform regular maintenance services such as cleaning, sweeping, trash removal, snow removal, and bulb replacement in the common areas. However, electrical, heating, plumbing, other mechanical or carpentry repairs will require the engagement of additional personnel. Please see SCHEDULE B and FOOTNOTE 8 thereto.

26) Some of the parking units, the roof terrace units, and the storage units are for sale to persons who are not owners of units in the subject premises. As a result, persons who are not unit owners may have access to the premises. Some persons may view this as creating a security issue. Please see the INTRODUCTION section and SCHEDULE A for a more complete explanation.

## INTRODUCTION

This is an Offering Plan for the sale of condominium apartments at 2615-2621 East 17th Street, Brooklyn, New York. The purpose of this plan is to fully set forth all material terms of the offer. This plan may be amended from time to time, if such amendment is filed with the New York State Department of Law. Any such amendments will be served on all prospective Purchasers who have executed a Purchase Agreement for any apartment, all unit owners, and all other persons entitled to service pursuant to local law or statute.

The Sponsor of this offering is 2615-2621 East 17th Street Realty LLC. The principals of the Sponsor are Naum Lokshin and Abraham Lokshin. The Sponsor acquired the property on November 12, 2002. Units will be conveyed free and clear of any mortgages, liens, or other encumbrances. Units will be conveyed by delivery of a UNIT DEED set forth in Part II of this Offering Plan.

The prices contained in this offering, as set forth in SCHEDULE A, are set by the Sponsors, and are not subject to approval by the New York State Department of Law, or any other governmental agency.

This Condominium will be subject to, and in compliance with, the New York State Condominium Act, Article 9-B of the New York Real Property Law.

This plan, including all schedules and exhibits submitted herewith, constitutes the entire Offering Plan. Copies of the plan and Parts A, B, C and D of the exhibits will be available for inspection to potential purchasers and their attorneys at the office of the Sponsor indicated on the front cover of this Offering Plan, and the New York State Department of Law, Investment Protection Bureau (Real Estate Finance Section), 120 Broadway, New York, New York, without charge; and for copying, at a reasonable charge.

The premises consists of a single building composed of seven stories and a cellar, and containing in aggregate twenty-nine (29) residential units, one (1) commercial unit, and one (1) community facility unit. There are also twenty-one (21) parking units, twelve (12) roof terrace units, and twenty two (22) storage units for sale. The Sponsor is not reserving any air or development rights. Roof terrace and storage units may be sold to owners or to non-unit owners. With regard to the parking units, fourteen (14) are reserved for the use of unit owners; a maximum of seven (7) parking spaces may be sold to persons who are not unit owners in the subject premises. The property is located in the Sheepshead Bay section of Brooklyn. There will be no on-site laundry or recreational facilities; however, individual apartments have

laundry hook-ups. No appliances will be provided by the Sponsor as part of this sale except that the Sponsor will install a stove, Frigidaire Model #FGF 368. To the extent the Purchaser elects to install any other appliances in their unit, same will represent an additional cost of purchasing the unit.

The building contains two non-residential units; a first floor Commercial Unit, which may be used as office or retail space; and a second floor Community Facility Unit, which may be used for medical, educational, religious, or other community-oriented purposes. It is currently anticipated that the Community Facility Unit will be used for non-custodial medical care. See DESCRIPTION OF PROPERTY AND BUILDING CONDITION included in Part II of this Offering Plan.

This offering is made only to individuals over the age of 18.

In accordance with the provisions of the Laws of the City of New York, the Sponsor represents that neither the Sponsor, nor the Condominium nor the Selling Agent will discriminate against any person because of his race, creed, color, sex or sexual orientation, national origin, ancestry, or any other reason prohibited by civil rights law in the sale of apartments offered by this Plan, or in the leasing of any apartment in the Building. Unit owners have an unrestricted right to lease, sell or mortgage units. Use of units is limited to residential use, and appurtenant home office use.

This is a newly constructed building. Work on the building is scheduled for completion in June of 2006. The foundation work has been completed, and construction of the exterior walls has been commenced at this time.

Ownership of a Condominium Unit resembles in many ways ownership of a private home. Basic aspects of condominium ownership include:

- (1) Each purchaser owns his unit outright and is entitled to exclusive possession of his unit. Each purchaser also has an interest, and a right to use common elements and the exclusive right to use limited common elements of the building. However, each unit owner is obligated to comply with the Declaration, By Laws, rules and regulations, and any other requirements of the Board of Managers.
- (2) Common elements are parts of the Property, in addition to his/her own Unit, which a Unit Owner owns in common with the owners of all other Units, such as entryways, stairways, hallways, utility areas, and similar elements of the building, which serve all Unit Owners. A Unit Owner will share the non-

exclusive right to use the Common Elements with all other unit owners.

Limited Common Elements are those areas appurtenant to a particular Unit or Units, the use of which is restricted to the owner(s) of such Unit or Units, but which are not owned by that unit owner. Thus, in this condominium, Units 7A and 7B, and all Third Floor Units shall each have allocated as a limited common element a roof terrace. All units on the Fourth, Fifth and Sixth Floors, and Units 7C and 7D, shall have allocated as a limited common element a balcony, as indicated on the FLOOR PLANS in Part II of this Offering Plan.

(3) After filing of the Declaration, each unit will be separately taxed and may be separately mortgaged; each unit owner may deduct from adjusted gross income for income tax purposes real estate taxes and mortgage interest. No unit owner will be responsible for payment of, or any lien arising out of non payment of, real estate taxes assessed against any other unit in the building.

(4) Each Unit Owner may vote for the members of the Board of Managers, which is the group elected by unit owners to operate the Condominium. The Board of Managers will set common charges based on cash needs of building operation, decide on special assessments, and, in general, make all decisions necessary to run the building.

(5) Each unit owner must pay common charges in accordance with the New York Condominium Act (Real Property Law Sections 339 (i) and (m)), and any applicable state or local law. The common charges payable under the By-Laws will be based strictly on the projected cash requirements of ownership and operation of the Property and may include an allowance for contingencies, replacements, and/or repairs. Furthermore, the Board of Managers may impose special assessments in order to meet emergencies, contingencies, or other unforeseen events, which will become the financial obligation of each purchaser of a Condominium Apartment. These assessments will be levied in direct proportion to the percentage of common interest allocated to each apartment.

(6) Individual purchasers should explore obtaining insurance coverage, which would be at their own cost and expense, to insure them for such risks as fire and casualty losses in their apartments to their personal contents therein, as well as liability insurance for each occurrence which might occur within their respective apartments.

(7) Unit owners are responsible for maintenance and repairs to their individual units.

(8) The condominium Board does not have the right to approve or disapprove Purchasers, so that there is no limit on the number of owners who may purchase for investment rather than personal occupancy. There may always be a substantial percentage of owners who are non-residents.

(9) Each unit owner is obligated to comply with the Declaration, the By-Laws, rules, and regulations, and any other requirements of the Board of Managers.

The purchase prices, estimated common charges and estimated real estate taxes for the first year of Condominium operation are set forth in SCHEDULE A. The projected budget for the first year of Condominium operation is set forth in SCHEDULE B.

While the Sponsor will endeavor in good faith to sell all units, the Sponsor is not limiting the conditions under which it will rent rather than sell units. There is no commitment to sell more units than the 15% necessary to declare the plan effective. Owner-Occupants, therefore, may never gain effective control and management of the condominium. Additionally, the By-Laws do not include a provision that after two years, a majority of the Board of Managers must be Owner-Occupants or member of an owner occupant's household, who are unrelated to the Sponsor and its Principals. Owner-Occupants and non-resident owners, including the Sponsor, may have inherent conflicts on how the Condominium should be managed because of their different reasons for purchasing, i.e., purchase as a home, as opposed to purchase as an investment. If the Sponsor makes a bulk sale of all or some of its unsold units, the transferee successor is bound by Sponsor's representation regarding its commitment to sell units.

THE PURCHASE OF A CONDOMINIUM APARTMENT HAS MANY SIGNIFICANT LEGAL AND FINANCIAL CONSEQUENCES AND MAY BE ONE OF THE MOST IMPORTANT FINANCIAL TRANSACTIONS OF YOUR LIFE. THE ATTORNEY GENERAL STRONGLY URGES YOU TO READ THIS OFFERING PLAN CAREFULLY AND CONSULT WITH AN ATTORNEY BEFORE SIGNING AN AGREEMENT TO PURCHASE A CONDOMINIUM.

## DESCRIPTION OF PROPERTY AND IMPROVEMENTS

The structure which is the subject of this Offering Plan consists of a single building comprised of seven stories and a cellar, and containing in aggregate twenty-nine (29) residential units, one (1) commercial unit, and one (1) community facility unit. There are also twenty-one (21) parking units and twelve (12) roof terrace units, which will be separately offered for sale to the purchasers of residential units in the subject premises. Parking and roof terrace units will each be allocated individual tax lots by the City of New York. In addition to the roof terrace units (which are located on the roof above the seventh floor and the bulk head, as indicated in the Floor Plans in PART II) units 7A and 7B will each have allocated as a limited common element a roof terrace composed of the area above the sixth floor roof; and all third floor units shall have allocated as a limited common element a roof terrace above the second floor roof. All units on the fourth, fifth, and sixth floor, and unit 7C and 7D shall have allocated as a limited common element a balcony. The property is located in the Sheepshead Bay section of Brooklyn. There will be no on-site laundry or recreational facilities; however, individual apartments have laundry hook-ups. All cabinetry and fixtures in kitchens and baths will be new. No appliances will be provided by the Sponsor as part of this sale except that the Sponsor will install a stove, Frigidaire Model #FGF 368. To the extent the Purchaser elects to install any other appliances in their unit, same will represent an additional cost of purchasing the unit. See DESCRIPTION OF PROPERTY AND BUILDING CONDITION included in Part II of this Offering Plan.

This is a newly constructed building. It is anticipated that construction will be completed in June of 2006.

The Sponsor will complete the work set forth in this plan relating to the building, and the apartments contained therein, in conformity with the Building Code section of the New York City Administrative code and the New York City Zoning Resolution of 1961 as amended, and subject to procurement of all applicable and proper permits which are required, if any. All residential units will be equipped with operable smoke and carbon monoxide detectors as required by the New York City Administrative Code.

The Sponsor hereby adopts the detailed description of property and building condition set forth in the section entitled DESCRIPTION OF PROPERTY, SPECIFICATIONS, and BUILDING CONDITION of this Offering Plan. With reference to such material, a licensed architect prepared the description of property and building condition contained therein. Prospective purchasers are urged to refer to said section for a more complete understanding of the physical condition of the subject property and building.

### LOCATION AND AREA INFORMATION

The premises are located in the Sheepshead Bay section of Brooklyn. This is a highly developed area essentially residential in character, but served by a rich and diverse assortment of shopping, recreational, medical, religious, and educational facilities, as well as a network both of streets and roads, and urban transportation. Police, Fire, Water, Sanitation, snow removal, and road maintenance are provided by the City of New York. The police precinct serving the community is the 61st Precinct. Police and fire stations are located approximately 1 mile from the project. Medical needs of the community are served by Coney Island Hospital. Students living in this project will be eligible to attend a public School approximately 4 blocks away and Sheepshead Bay High School.

Zoning of the site is C4-2, which allows mixed use as of right. The anticipated use for residential, commercial, and community facility purposes is consonant with said zoning. One of the units is designated as a community facility, which is also an as-of-right use under this zoning. The immediate vicinity consists of largely residential structures, many with ground floor commercial space.

There is no landmark designation of the site. There are no adjoining undeveloped areas of the site. Neither the Sponsor, nor any principals of the Sponsor, own in whole or in part, or have an option or right to acquire in whole or in part, any adjacent areas which are not fully developed.

## FOOTNOTES TO SCHEDULE A

1. The square footage indicated in SCHEDULE A is a "gross" square footage figure, and is calculated by the standard mathematical formula of multiplying the length of an area by the width of an area; and adding together for each apartment all of the areas contained therein. The unit boundaries used for calculating the foregoing square footage are "exterior" boundaries, and include as part of the unit the entirety of any exterior walls and any walls partitioning the unit from common elements; as well as one-half the area of any walls partitioning the unit from other units. As a result, the actual floor area of the apartment will be smaller than the measurements set forth in SCHEDULE A. The estimated square footage of each unit is based on the FLOOR PLANS and ARCHITECT'S DESCRIPTION OF PROPERTY set forth in Part II of this Offering Plan, and may vary from the "as-built" square footage as subsequently described in the condominium Declaration.

2. The room count is based on the method suggested by the Real Estate Board of New York. This method counts each fully partitioned room as one room, and each bathroom containing a sink, toilet, and shower or bath as a full bathroom. Multi-use rooms, such as living/dining rooms are counted as a single room. Baths which do not include a tub or shower are counted as half baths. Additionally, the square footage set forth in SCHEDULE A is approximate, and may differ, from the square footage specified for this unit in Schedule B to the Condominium Declaration. See the sections entitled DESCRIPTION OF PROPERTY AND BUILDING CONDITION, and FLOOR PLANS, both of which are included in Part II of this Offering Plan, for a more complete description of each apartment.

3. The determination of percentages of Common Interest allocated to each unit is based upon floor space, subject to the location of such space, and the additional factors of relative value to other space in the condominium, the uniqueness of the unit, the availability of common elements for exclusive or shared use, and the overall dimensions of a particular unit, as per Section 339(i)(1)(iv) of the New York State Real Property Law.

4. Across-the-board changes in unit prices, advertised price changes, and increase in individual unit prices may be made by duly-filed amendments only; however, individually negotiated reductions in the purchase price of a unit may be made without prior amendment. Purchasers will also incur certain closing costs in connection with the purchase of their unit. See CHANGES IN PRICES IN UNITS and CLOSING COSTS sections of this Offering Plan.

5. Projected Common Charges for the first year of operation include only those expenses which are enumerated in SCHEDULE B. Maintenance charges do not include such expenses as repairs to the interior of the owner's unit, and the owner's individual gas, electricity, and telephone expenses; individual costs for heat and hot water for each apartment is set forth in SCHEDULE B1 of this Offering Plan. Moreover, if the purchaser should obtain financing for the purchase, the debt service on that loan will be an additional expense not covered by the Common Charges. Common Charges are arrived at by allocating to each unit a share of the Monthly Charges proportionate to the Common Interest which that unit bears in the condominium.

6. After the condominium is divided into individual tax lots, each lot will be separately taxed for New York City property tax purposes. A unit owner will not be responsible for the payment of, nor will the unit be subject to, any lien arising from the non payment of taxes on other units. Sponsor is applying for Real Estate Tax Benefits pursuant to Section 421-a of the New York State Real Property tax law. This will result in an exemption of the building from increase in actual assessed valuation due to improvements to the premises for a period of eleven (11) years, with the full assessment thereafter being phased in over a five (5) year period. Sponsor has obtained an opinion from Moseson & Associates, 769 Empire Avenue, Far Rockaway, NY 11691, as to the likely effects of Sponsor's application for Real Estate Tax Benefits; Purchasers are directed to the section of this Offering Plan entitled REAL ESTATE TAX BENEFITS OPINION for a complete explanation.

The anticipated date of completion of construction is June of 2006.

Calculations of Real Estate Taxes are arrived at by applying the current tax rate to the assessed value, and then allocating the resulting taxes in direct proportion to the allocation of common interest. In the event Tax Abatement and Exemption benefits are obtained, the assessed value will be based on the pre-construction assessed value of \$205,650.00. In the event tax exemption benefits are not obtained, the assessed value used for calculations is the \$2,737,819.00 post-completion assessed value estimated by the Sponsor's real estate tax exemption and abatement expert, and set forth in his letter included in this Plan. In either case, the tax rate used for the calculation is 12.216%, which is the current tax rate. Unit owners shall be entitled to deduct real property taxes paid on the unit for income tax purposes. See TAX OPINION hereinafter set forth for a more complete discussion.

7. Monthly carrying charges are composed of the monthly common charges and the monthly real estate taxes projected against each unit.

8. While Sponsor is applying for real estate tax benefits, and the expert opinion included in this Offering Plan projects that such benefits are available and will be granted no guarantee can be, or is made, that said benefits will be obtained, or will continue to be available. Therefore, Sponsor has projected in Schedule A the real estate taxes in the event no such benefits are obtained.

9. Monthly carrying charges in the event benefits are not obtained are composed of the monthly common charges plus the monthly real estate taxes without benefits as set forth in column 9. Unit owners who itemize their deductions should, for federal income tax purposes, be entitled to a deduction for real estate taxes in the year in which same are paid or accrued. The projected tax deduction may vary in future years due to changes in the interest rate on the unit owner's mortgage (if any), or from changes in the allocation of constant debt service payments to interest and principal; or due to changes in real property taxes resulting from the expiration of real estate tax benefits, or from changes in the assessed value, tax rates, or the method of assessing real property; or from changes in the tax laws governing deductibility of mortgage interest and real estate taxes. Please see the TAX OPINION LETTER set forth in this Offering Plan for a more complete explanation.

## FOOTNOTES TO SCHEDULE B

1. Heat and hot water for each unit are provided by separate facilities serving each unit. Each purchaser will pay separately for the heat and hot water supplied to their unit. See SCHEDULE B1 hereinafter set forth for an estimate of individual heat and hot water charges.
2. The Sponsor has obtained an estimate from Andrew Katz Engineers, 1708 Ocean Avenue, Brooklyn, New York 11230, of approximately \$8,625.00 per year of electrical usage for the common areas based on 37,500 kilowatt hours at 23.0 cents per kilowatt hour. The projected cost in SCHEDULE B includes a 10% allowance for inflation, and the cost of all applicable state and local taxes. Purchasers shall be responsible for individual utility costs for their own apartments.
3. Water is supplied to the building by the City of New York through a single water meter serving the residential portion of the premises, and a separate meter serving the commercial unit. Projected water and sewer costs are based upon a current New York City estimate of 400 gallons, or 53 cubic feet, per day per residential unit, current charges of \$1.38 per 100 cubic feet of water consumed, and sewer charges of \$2.20 per 100 cubic feet of water consumed. Projected figure also includes a 10% allowance for inflation. The owner of the commercial unit will receive a rebate of \$1,133.00 per year from the condominium, as set forth in the COMMERCIAL UNIT section of this Offering Plan, which represents the return of the portion of the water charges assessed against the residential units which was paid by such commercial unit.
4. Repairs and maintenance to building: The budgeted figure is based on normal maintenance and repairs to the common elements of the building and its systems and equipment. Insofar as this is a newly constructed building it is not anticipated that any major repairs will be required. The budgeted figure includes such items of regular maintenance as cleaning, painting and minor mechanical, carpentry, or electrical work. Individual unit owners will be responsible for the cost of interior repairs, and decorations, and painting of their respective apartments, including appliances. The budgeted figure also includes the cost of elevator maintenance estimated at a cost of \$300.00 per month for an elevator maintenance contract.
5. Services and supplies: These include items expected to be consumed in the normal course of building operation, including light bulbs, cleaning supplies, paints, and hardware items.

6. Insurance: Sponsor has received a letter from All Risk Insurance Depot, 7603 5th Avenue, Brooklyn, New York 11209, estimating the cost of coverage for the building in the following coverage amounts:

Building.....\$8,000,000 "All Risk" agreed amount  
Replacement Value

Lost Common Charges.....12 Months

Liability.....\$1,000,000 Per Occurrence  
\$2,000,000 Aggregate

Deductible.....\$5,000

The foregoing insurance, including the public liability coverage included therein will be in effect at the time of closing. The insurance company has advised the Sponsor via letter that in its opinion, the amount of coverage is adequate to rebuild the building structure if totally destroyed by any insured peril; however, the policy does not guaranty the replacement of individual fixture and improvements installed by individual unit owners. This policy waives a standard co-insurance clause, so that no insured thereunder shall be a co-insurer. The policy will provide that:

- (i) each unit owner will be an additional insured;
- (ii) there will be no cancellation without notice to the board of managers and individual unit owners;
- (iii) will waive subrogation;
- (iv) will waive invalidity because of the acts of the insured and individual unit owners;
- (v) and, will waive pro rata reduction if individual unit owners obtain additional individual coverage.

The policy does not include umbrella coverage, boiler coverage, or blanket fidelity, which can be provided at extra cost. Purchasers are advised of the desirability of obtaining additional insurance, at their own cost and expense, to cover such risk as fire and casualty losses to unit contents, replacements, additions, up-graded fixtures and improvements, and liability coverage for occurrences within the unit or, where applicable, on the limited common elements pertinent to the units.

7. Legal and Accounting Fees: This figure is based on the estimate received from Stephen Kahn, CPA, 602 Merrick Avenue, East Meadow, New York 11554, a certified public accountant, by the Sponsor for preparation of a certified financial statement for the first year of operation and City, State and Federal tax returns, which estimate was \$2,500.00. The balance of the budgeted figure, \$750.00, anticipates minor legal services during the first year of

operation, but would be insufficient to cover any substantial litigation.

8. The budgeted figure anticipates one part-time porter working approximately twenty (20) hours per week at \$7.95 per hour, and includes FICA at \$633.00, state unemployment insurance at \$339.00, federal unemployment insurance at \$560.00, workers compensation at \$579.00, and disability insurance at \$300.00. The budgeted figure does not anticipate use of union personnel which would result in a higher annual cost, and would require a concomitant increase in common charges. Use of union personnel would result in a higher annual cost, and would require a concomitant increase in the common charges. The level of staffing anticipated complies with all applicable housing and labor statutes. The porter will be able to provided regular maintenance services such as changing of light bulbs, trash removal, common area cleaning, trash removal, and snow removal. Plumbing, heating, electrical, mechanical, or carpentry work will require the engagement of personnel for those purposes.

9. The Sponsor will manage the building for the first year of condominium operation without charge. Managing agent services for similar sizes and types of property in the same general vicinity as this project typically average 6% of the operating budget, therefore, in the event the condominium elects to retain a managing agent after the first year of condominium operation this will require an increase in the operating budget. Management activities will include maintenance of checking and savings accounts for the condominium; collection of monthly common charges; payment of all condominium bills; processing of all individual unit sales; supervision and payment of building employees; building maintenance; review and resolution of any problems arising in the day-to-day operation of the building; compliance with all government laws and regulations affecting building operation, ownership and maintenance; filing of annual tax returns; enforcement of condominium-adopted rules and regulations including enforcement of maintenance obligations; seizure and sale of delinquent units; and response to individual unit owner complaints, questions or issues. In addition to the foregoing, any additional issues or problems arising out of operation, maintenance, ownership and occupancy of the building will need to be dealt with by the Board of Managers. Sponsor reserves the right to retain a different managing agent providing the cost is not substantially higher than as projected herein, and the services are not substantially different.

10. The miscellaneous budgeted item is intended to provide a cushion for unforeseen costs and an opportunity for the condominium to accrue a reserve for future expense.

SCHEDULE B1

January 1, 2007 - December 31, 2007

Heat and hot water are provided to each individual unit by separate boilers and hot water heaters serving each such unit. The attached Exhibit A includes estimates for the annual cost of providing electricity, heat and hot water for each residential unit. The costs do not include an estimate of domestic cooking gas.

The estimate assumes the following:

- (a) Current KeySpan Energy Delivery Company gas rate of 1.53 cents per therm;
- (b) Estimate of 16 hours per day at 70 degrees;
- (c) Estimate of 8 hours per night at 60 degrees;
- (d) Current Con Edison rate of 23.0 cents per kilowatt hour.

Taxes are based on current New York City and New York State sales taxes applicable to the sale of natural gas use for home heating purposes and to electricity.

A 10% inflation factor has been included with regard to heating and electrical costs.

The cost of providing hot water for domestic use (washing, bathing, etc.) is based on normal estimated usage for a family of 5, and is highly dependent both on the number of people located in the apartment, and their pattern of usage.

The table includes only gas use for heating and hot water and does not include gas used for cooking or any other purpose.

## MANAGEMENT AGREEMENT

On closing, the condominium Board of Managers will enter into a management agreement with the Sponsor for an initial period of one year from the date of closing. Sponsor will manage the building for a fee of \$870.00 per month, which equals \$10,440.00 on an annual basis. The agreement will provide that it shall be automatically renewed at the expiration of each one-year period unless either party has notified the other in writing not less than 90 days prior to the expiration of the agreement term that the agreement will not be renewed. In addition, during the term of the agreement, the managing agent shall have the right to terminate same on 90 days written notice to the condominium; the condominium shall have the right to terminate same with or without cause on 30 days written notice to the managing agent. Upon termination of the managing agreement by either party, for any reason whatsoever, the managing agent shall be required to transfer all books and records in its possession to the condominium Board of Managers or to any successor managing agent named by the condominium Board of Managers.

In consideration of managing the premises, the managing agent shall receive monthly compensation of \$870.00. In addition, the managing agent shall have the right to establish reasonable fees for the processing of lease or sale applications, review of requests for permission to make improvements on individual units, and any other activity outside the normal course of building management. In addition, the managing agent shall be entitled to provide services (such as repair and maintenance) to individual unit owners where requested, and shall be entitled to charge such individual unit owners (but not the condominium) for such services.

The major duties to be provided by the managing agent shall include, but not be limited to maintenance of all condominium books and records; collection of monthly common charges and any special assessments levied by the condominium; payment of all condominium expenses from condominium funds; maintenance of condominium checking accounts; or keeping, payroll and tax reporting functions; repair and maintenance of common elements; and the hiring and firing of condominium employees. In addition, the managing agent shall be entitled to, where in its sole and exclusive discretion such is needed, retain the services of outside professionals such as accountants, attorneys, etc., which expense shall be borne by the

condominium. Additionally, where required items of repair or maintenance exceed the capabilities of building employees, the managing agent shall be entitled to contract for such services, which shall be paid for from condominium funds.

In addition to the compensation set forth above, the managing agent shall be entitled to reimbursement for expenses incurred in the normal course of its functions, such as messenger and delivery charges, travel expenses, etc. In addition, the condominium shall indemnify the managing agent against any liability or obligation incurred for acts properly performed by it pursuant to the management agreement.

The management agreement may not be assigned by the agent except to a successor entity composed of the same principals as the current management agent.

### CHANGES IN PRICES AND UNITS

The offering prices, as set forth in SCHEDULE A, may only be increased or decreased by a duly filed amendment to the plan when the change in price is an across-the-board change affecting one or more lines of units, or unit models, or is to be advertised, or represents a price increase for any individual unit. However, prices are negotiable, and Sponsor may enter into an agreement with a purchaser to sell one or more units at prices lower from those set forth in SCHEDULE A without filing an amendment prior to entering such agreement, as per FOOTNOTES TO SCHEDULE A.

No change will be made in the size or number of units, and/or their respective percentage of common interest; and no material change will be made in the size or quality of common elements; except by amendment to the Plan and when applicable, to the Declaration. Unless an effected purchaser consents, no material change will be made in unit size, layout or percentage of common interest, if a Purchase Agreement has been executed and delivered to the Sponsor for that unit and the Purchaser is not in default. Unless all purchasers consent, no material change will be made in the size, and no material adverse change will be made in the quality, of common elements. No change of any type set forth in this paragraph shall be made except by amendment duly filed with the New York State Department of Law.

2615-2621 East 17th Street Realty LLC  
151 East 3rd Street, Suite 3E  
New York, New York 10009

Dear Sirs:

You have requested an opinion from us with regards to your allocation of common interest to units in your proposed condominium at 2615-2621 East 17th Street, Brooklyn, New York, with Section 339(i)(1)(iv) of the New York Real Property Law. You have informed us that the method of allocation chosen is to evaluate the approximate fair market value of the individual unit in proportion to the anticipated aggregate fair value of all units on the day the condominium Declaration will be filed. You have further informed us that, the factual basis of calculating the percentage of common interest consists of the size, layout, and location within the premises of each individual unit; and, the anticipated selling price of each unit. Based on our review of the foregoing factors, we have concluded that the proposed allocation of common interest to individual units is in compliance with Section 339(i)(1)(iv) of the New York State Real Property Law.

I have been a licensed real estate broker for in excess of 18 years and have managed approximately 12 buildings in this area with extensive experience in the sale, management, and rental of cooperative and condominium units in Kings County. We have previously participated in the preparation of individual unit value appraisals for the purpose of inclusion in offering plans for the sales thereof. We are not, in any way, associated with you or any other participant in the project, and have no beneficial interest in your business, or in profitability of the project. This is an opinion only as to the relative value of each unit in relation to the value of the project as a whole; is strictly based on the information provided to us in such reasonable inquiries as to the validity thereof as we deemed appropriate under the circumstances; and, is not intended as a guarantee of the actual value of any individual unit. We consent to the inclusion of this letter in your Offering Plan.

Sincerely,

Rita Knox

### COMMERCIAL UNIT

There are two commercial units located on the cellar floor and first floor of the building. The first floor unit is designated for retail or office space; the second floor unit is designated as a community facility. This is designated as a community facility. Community facility is a special designation which allows a non-residential use in a residential building. Uses which qualify for community facility designation include community meeting room, religious gathering place, non-custodial medical care facility, outpatient clinic, substance abuse or counseling center, or other uses with a direct benefit to the community. While it is currently anticipated, and the Certificate of Occupancy will provide, that the commercial unit will be utilized as a non-custodial medical care facility, there are no restrictions on the use of the commercial unit, other than such use must conform to applicable zoning regulations or any variance granted thereof, and the Certificate of Occupancy for the premises or any amendment thereto. The unit owner of a commercial unit shall have the right to seek such amendment to the Certificate of Occupancy or variance in the zoning regulations without permission of the Board of Managers but at such unit owner's sole cost and expense.

The common charges payable by the commercial unit owners are sufficient to cover the expenses attributable to said Unit. Heat, hot water, cold water, and utility services are all separately metered and will, therefore, not consume any portion of the condominium budget. A commercial unit owner will be entitled to a credit against common charges for his proportionate share of the water bill for the residential units. Moreover, since a commercial unit owner is responsible for all internal repairs and maintenance, heavier wear and tear attributable to commercial use should not impact on the budget for the condominium. While it is anticipated that commercial use of the premises will increase the cost of insuring same, a commercial unit owner will remain only and solely responsible for reimbursing the condominium for any insurance cost over and above that which the condominium would incur if all units in the building were residential units; which cost is to be determined via letter delivered by the insurance carrier or agent thereof supplying insurance coverage for the building. Insofar as the exact usage of the space has not yet been determined, it is not possible to estimate such cost at this time; however, such

information will be provided to a prospective commercial unit purchaser prior to executing a contract of sale therefore.

A commercial unit owner has rights and obligations, which differ substantially from that of the residential units. A commercial unit owner may subdivide and sublet any or all of his commercial unit. A commercial unit may be divided into any number of smaller condominium units, or combined into any number of larger units, provided that the net common interest of such newly created units shall not exceed the original common interest allocated to the commercial unit involved. It is not anticipated that such differences in rights and obligations will have a materially adverse impact upon the condominium.

The owner of a commercial unit will be required to maintain heat supply to his premises on a 24 hour a day basis, so as to not create an undue heating burden on residential units within the building. In the event a commercial unit owner fails to maintain his heat supply on such a basis, the condominium board shall have the power to compel compliance with this requirement. A commercial unit owner is also responsible for cleaning, repair, refuse disposal and all other items of day-to-day maintenance, which would normally be considered "janitorial services"; and is further responsible for providing same at his own cost and expense so as not to impact on the services or budget of the condominium.

A commercial unit owner has the right to sub-divide his unit into any number of small units provided that the total allocation of common interest of the commercial units may not be altered by such sub-division and further provided that said all such subdivisions must be in conformity with applicable zoning rules and a Certificate of Occupancy for the premises. Additionally, a unit owner is not limited to its current anticipated use as a non-custodial medical care facility, but may utilize the unit for any purpose consistent with the community facility designation such as an outpatient clinic, a synagogue or community meeting area.

### INTERIM LEASE

The Sponsor may, at Sponsor's option extend an interim lease to any purchaser who has executed a contract of sale for a unit in the subject premises and is not in default thereon. It shall be in the Sponsor's sole and exclusive discretion as to whether or not to offer an interim lease. The Sponsor may for any, or for no reason may refuse to offer an interim lease to any purchaser. Interim leases or short term leases shall not be offered to any party who has not executed a Purchase Agreement for a unit. The interim lease shall not create a landlord-tenant relationship but shall be deemed the use and occupancy agreement and part of the contract. No rental protection laws are applicable to the interim leases. The interim lease will provide that in the event the contract is cancelled, or the Plan is abandoned Interim Lessee will move out on 30 days written notice. Interim lease will further provide that an uncured default under the purchase agreement is a default under the interim lease, and that an uncured default under the interim lease is a default under the purchase agreement. Notwithstanding the foregoing, before the Sponsor can utilize a default under the interim lease to declare a default under the purchase agreement, the Sponsor must either obtain an order of eviction or other judgment or order from a court or agency of competent jurisdiction against the interim lessee; unless the interim lessee has vacated the unit. Interim lessee has 30 days to vacate the unit after receipt of written notice of a default; after delivery to the Sponsor of written notice of exercise of right of rescission; or after delivery to the purchaser of written notice that the Plan has been abandoned.

## PROCEDURE TO PURCHASE

Persons desiring to purchase condominium units will be required to execute a Purchase Agreement and Transferee Affidavit in the form contained in Part II of this Plan and return it to the selling agent, together with a check in the amount of 10% of the purchase price, as a down-payment, drawn to the order of MICHAEL TAUBENBLAT, ESQ., AS ATTORNEY. Sponsor reserves the right to accept a lesser downpayment to accommodate Purchasers, but in no case will downpayment be less than \$1,000.00.

The prospective purchaser must have the Offering Plan and all filed amendments in his possession at least three (3) business days prior to executing the Purchase Agreement. In the event Purchaser has not had said Offering Plan in his possession for at least three (3) business days prior to execution, Purchaser may rescind the Purchase Agreement by mailing Notice of Rescission to Sponsor or selling agent, or by hand delivering notice, within seven (7) days after executing same. Notice by mail will be effective if it postmarked within seven (7) days of executing Purchase Agreement. Purchase Agreement shall not be binding on any party until accepted by the Sponsor. Within twenty (20) days after the prospective purchaser has delivered to the selling agent a signed Purchase Agreement, together with the required downpayment, the Sponsor must either accept the Purchase Agreement and return a fully executed counterpart, or reject the Purchase Agreement and refund in full any downpayment taken. The Plan will expire twelve (12) months from the date on which it is accepted by the New York State Department of Law, unless extended by a duly filed amendment.

All downpayments will be place in an account in conformity with the disclosure contained in this Plan.

The Sponsor will comply with the escrow and trust fund requirements of General Business Law Sections 352-3(2-b) and 352-h, and the Attorney General's regulations promulgated pursuant thereto.

Any provision of any contract or agreement, whether oral or in writing, by which a purchaser purports to waive or indemnify any obligation of the escrow agent holding trust funds is absolutely void. The provisions of the Attorney General's regulations concerning escrow/trust funds shall prevail over any purchase. Purchasers shall not be obligated to pay any legal or other expense of the Sponsor in connection with the establishment, maintenance, or defense of obligations arising from the handling or disposition of trust funds.

All deposits, downpayments, or advances, made by purchasers prior to closing of each individual transaction, whether received before or after the date of consummation of the Plan, will be placed, within five (5) business days after the agreement is signed by all necessary parties, in a segregated special escrow account of Michael Taubenblat whose address is 113 Avenue I, Brooklyn, New York 11230, and whose telephone number is (718) 692-3131. The signatory on this account authorized to withdraw funds is: MICHAEL TAUBENBLAT, 113 Avenue I, Brooklyn, New York 11230. The name of the account is MICHAEL TAUBENBLAT 2615 CONDO IOLA, located in JP Morgan Chase Bank, 4323 18th Avenue, Brooklyn, New York 11218. This bank is covered by federal bank deposit insurance to a maximum of \$100,000.00. To the extent deposits in the account exceed \$100,000.00 they will not be federally insured. If the escrow agents are replaced or funds are transferred to a new escrow account, the Plan will be amended to provide the same full disclosure with respect to the new account, escrow agent and escrow agreement as was originally provided. No transfer of funds or change of escrow agent will be made until such amendment is accepted for filing by the Department of Law.

This account will be an IOLA account with no interest accrued to the benefit of either the purchaser or the Sponsor. An IOLA is a special segregated escrow account maintained by an attorney. Interest on an IOLA account is paid to the State of New York.

All instruments shall be made payable to or endorsed to the order of MICHAEL TAUBENBLAT, ESQ., as escrow agent.

Within ten (10) business days after tender of the deposit submitted with the Purchase Agreement, the escrow agent will notify the purchaser that such funds have been deposited into the escrow account and will provide the account number and the initial interest rate, if applicable. If the purchaser does not receive notice of such deposit within fifteen (15) business days after tender of the deposit, the purchaser may cancel the purchase and rescind so long as the right to rescind is exercised within ninety (90) days after tender of the deposit. Such purchaser may also apply to the Attorney General for relief. Rescission may not be afforded where proof satisfactory to the Attorney General is submitted establishing that the escrowed funds were timely deposited and requisite notice was timely mailed to the purchaser in conformity with the Attorney General's regulations.

Since all contracts are contingent upon the Plan becoming effective, under no circumstances shall Sponsor apply for release of the escrowed funds of a defaulting purchaser until after consummation of the Plan.

The escrow agent will hold funds in escrow until otherwise directed in:

- (i) a writing signed by both Sponsor and Purchaser; or,
- (ii) a determination of the Attorney General pursuant to the dispute resolution procedures contained in the Attorney General's regulations; or,
- (iii) a judgment or order of a court of competent jurisdiction.

If there is no written agreement between the parties to release the escrowed funds, the escrow agent will not pay the funds to the Sponsor until the escrow agent has given the purchaser written notice of not fewer than ten (10) business days. Thereafter, the funds may be paid to the Sponsor unless the purchaser has already made application to the Department of Law pursuant to the dispute resolution provisions of the Attorney General regulations and has so notified the escrow agent in accordance with such provisions.

The Sponsor will not object to the release of the escrowed funds to:

- (i) a purchaser who timely rescinds in accordance with an offer of rescission contained in the Plan, or an amendment to the Plan;
- (ii) all purchasers after an amendment abandoning the plan is accepted for filing by the Department of Law.

Any notice required to be given hereunder may be given to the Attorney for the respective parties if an attorney is designated in the contract of sale. A notice may also be given by fax and regular mail, or by overnight delivery service, and will be deemed given when actually received or when delivery is attempted. Contracts may not be assigned or recorded. Any attempt to assign or record a contract will be a breach thereunder, entitling the Seller to cancel the contract and retain the downpayment deposited pursuant thereto.

Purchasers and escrow agent may apply to the Attorney General in the event of a dispute for a determination on the disposition of the downpayment and any interest thereon. The Sponsor must avail itself of this procedure if there is a dispute which needs to be resolved. A form for this purpose is included in Part II of this Offering Plan, and is also available at the New York State Department of Law, 120 Broadway, New York, NY. A party applying to

the Department of Law for determination on the disposition of a downpayment must also contemporaneously send a copy of the application to all other parties.

Pending the determination of the Attorney General to grant or deny the application, the Sponsor, the purchaser, and the escrow agent shall abide by any interim directive issued by the Attorney General. If the application permitting release of funds is granted, the deposit and interest earned thereon shall be disposed of in accordance with the determination of the Attorney General, subject to any court action from which preliminary relief is granted. The Attorney General shall act on the application within 30 days after its submission to the Department of Law by either making a determination or notifying the parties that an extension of time in which to do so is necessary for stated reasons. If the application seeking release of funds is denied the escrow agent shall continue to hold the deposit and any interest earned thereon until: i) both the Sponsor and Purchaser direct payment to a specified party in accordance with the written direction signed by both Sponsor and Purchaser; or ii) judgment or order of a court of competent jurisdiction is served on the escrow agent; or iii) escrow agent deposits the disputed amount with the court.

In no event shall the escrow agent release funds in dispute, other than a payment of such funds with the court, until such dispute is finally resolved either by determination of the Attorney General, or by order of a court of competent jurisdiction, or by written agreement with the Sponsor and Purchaser.

Set forth in Part II of this Offering Plan is a copy of the escrow agreement between the Sponsor and the Escrowee which incorporates the terms of the Attorney General's regulations.

The escrow agent will maintain all records concerning the escrow account for seven years after the release of funds. The Department of Law may perform random reviews and audits of all such records involving escrow accounts to determine compliance with the statute and regulations.

The Sponsor may apply to the Attorney General to use security in the form of surety bonds or a letter of credit, in accordance with the regulations of New York State Department of Law, in lieu of escrow of such funds. In the event the Sponsor elects to use such alternative security, an amendment to that effect will be filed in the Offering Plan fully complying with all provisions of the Department of Law for proof of satisfactory insurance of said funds.

Risk of loss from fire or other casualty remains with the Sponsor until title has passed unless and until the purchaser is given the

right of possession of that unit pursuant to a written agreement with the Sponsor.

Purchase Agreements will be contingent on Purchaser obtaining a firm written commitment for financing. Purchaser shall have 40 days from the date on which a signed and executed Purchase Agreement is delivered to such Purchaser within which to obtain such financing. If a Purchaser fails to obtain a firm written commitment for financing within such 40 day period, and fails to notify Sponsor's attorney within five days thereafter, time being of the essence thereto, Purchaser shall conclusively be deemed to have waived the financing contingency and will be required to proceed to closing, or forfeit his downpayment, whether or not a mortgage commitment is obtained. If Purchaser, after a good faith attempt to do so, fails to obtain a firm written commitment for financing, and notifies Sponsor within the prescribed time period, then Sponsor will return the downpayment or deposit within 10 days after receipt of such notice. In the event Purchaser obtains a firm written commitment for financing, and the terms of such commitment are changed prior to closing, such change in terms shall not be an allowable reason for Purchaser to cancel the contract. Similarly, if the commitment expires prior to closing, Purchaser shall be under a good faith duty to take all required actions necessary to extend such commitment, including the payment of any extension fee required by the lending institution; however in the event Purchaser has made such good faith effort to extend the commitment, and is unable to do so, then, provided that Purchaser notifies Sponsor within 10 days after receipt of a notice from a lending institution that it will not under any circumstances extend the commitment, that Purchaser is exercising his right to rescind the contract, Sponsor will return the downpayment.

Certain provisions of the Purchase Agreement are "time of the essence". This means that failure to strictly comply with the time requirements of said provisions, may result in the Purchaser losing his right to complete the purchase, and forfeiting his downpayment hereunder. Thus, a Purchaser who fails to cure a default within thirty (30) days after receipt of written notice of said default, will both have the Contract canceled, and lose his downpayment; however, Sponsor must make written demand for payment after default at least 30 days before forfeiture the deposit may be declared. Similarly, a Purchaser who fails to notify the Sponsor in the event he has failed to obtain mortgage financing within forty (40) days after executing the Purchase Agreement, will be required to proceed to closing, notwithstanding the fact that purchaser has failed to obtain mortgage financing; and, if such purchaser fails to proceed to closing, the down payment may be retained by the Sponsor.

After the Plan has been declared effective, the Sponsor will fix dates for closing title to all units for which Purchase Agreements

have been executed by serving notice on each Purchaser stating the date of the first closing and setting such purchaser's closing date. Such notice will be served in compliance with the Attorney General's rules no less than 30 days prior to the closing date set therein. Sponsor will permit Purchasers to waive this 30 day provision by delivering to Sponsor's attorney written notice that Purchaser wishes to close prior to the expiration of the 30 day notice period. While no such waiver is included herein, Sponsor reserves the right to include such waiver in a subsequent amendment.

The first closing of a Unit is expected to occur on or about July 3, 2006. If such closing is delayed more than twelve (12) months beyond the originally scheduled date, purchaser will be offered the right to rescind this contract. On closing, purchaser will be required to sign a Power of Attorney in favor of the Board of Managers as otherwise set forth in this Offering Plan.

The Purchase Agreement may not contain, or be modified to contain, a provision waiving Purchaser's rights or abrogating Sponsor's obligations under the Offering Plan or Article 23-A of the General Business Law. Any conflict between the Purchase Agreement and the Offering Plan shall be resolved in favor of the Offering Plan. Sponsor will not permit the assignment or transfer of Purchase Agreements.

### EFFECTIVE DATE

The offer to sell embodied in this Offering Plan is contingent upon the Plan being declared effective in accord with its terms and conditions, and the terms and conditions imposed by law.

The Plan will only be declared effective by a duly filed amendment, or by personal service of notice to all Purchasers. If declared effective by notice, an amendment to that effect, specifying the date on which the plan was declared effective, shall be filed within five (5) days thereafter with the New York State Department of Law. No closing on any individual unit will be held prior to the acceptance for filing of such amendment by the New York State Department of Law.

The Plan may be declared effective upon the execution of Purchase Agreements for 15% (in number, not common interest) of the units in the building to bona fide purchasers, including investors. A minimum of five (5) residential units must be sold to declare the Plan effective. The count of Purchase Agreements towards the minimum number for effectiveness shall not include those: signed by Purchasers granted a right of rescission which has neither expired nor been waived; a Purchaser who has not been afforded the protections required by 13NYCRR20.3(o)(15), to wit, the Purchaser must either have three (3) business days to review the Offering Plan and all the filed amendments prior to executing a purchase agreement, or seven (7) days after delivering an executed purchase agreement, together with the required deposit, to rescind the purchase agreement and have the full deposit refunded promptly; with any Purchaser who is the Sponsor, the selling agent, or the managing agent, or is a principal for the Sponsor, the selling agent, or the managing agent, or is related to the Sponsor, the selling agent, or the managing agent, or to any principal of the Sponsor, or the selling agent, or the managing agent by blood, marriage, or adoption, or as a business associate, employee, shareholder, or a limited partner; except that such a Purchaser, other than the Sponsor or a principal of the Sponsor, may be included if the Sponsor has submitted proof satisfactory to the Department of Law establishing that the Purchaser is bona fide. Parking and storage units are deemed accessory and shall not count towards the minimum number of units required to declare the plan effective; however, residential or commercial units purchased by an investor or for the purpose of resale shall be counted.

The Plan must be declared effective upon the execution of Purchase Agreements for 80% (in number, not common interest) of the units, which, in the case of this Plan means twenty-five (25) units. Prior to the sale of 80% of such Units, or prior to being declared effective, the Plan may be abandoned by the Sponsor at his option.

In such case, the Sponsor will return all monies paid by Purchasers, together with interest earned, if any, within ten business days. The Sponsor will also file with the New York State Department of Law an amendment abandoning the Plan and form RS-3, detailing why the Plan was abandoned, and explaining all disbursements of funds.

The Sponsor may not abandon the Plan after it has been declared effective for any reason other than: a defect in title which cannot be cured without litigation, or expenditure of an amount in excess of one-half (1/2) of one percent (1%) of the total offering price, or substantial damage or destruction of the building by fire or other casualty, which cannot be cured for less than one-half (1/2) of one percent (1%) of the total offering price, or the taking of any material portion of the property by condemnation or eminent domain; however, any stated dollar amount relied upon as a basis for abandonment after effectiveness must exclude any attorney's fees. Such title defects, violations, or substantial damage or destruction of the building by fire or other casualty, or determinations of any authority or regulatory association, which exist on the date of the presentation of the plan, and are either known to the Sponsor, or a matter of public record shall be excluded from calculations under this section. Additionally, any dollar amount relied on as a basis for abandonment after effectiveness must exclude any attorney's fees.

### TERMS OF SALE

On closing, Sponsor will deliver to Purchaser a Bargain and Sale Deed with Covenants Against Grantor's Acts in the proper form for recording as set forth in Part II of this Offering Plan. Title, together with the appurtenant interest in the Common Elements will be conveyed at closing, free and clear of all liens, encumbrances, and title exceptions other than the easement set forth in the aforementioned Deed, the Condominium Declaration, and any state of facts an accurate survey may show, provided same does not render title unmarketable.

Risk of loss from fire or other casualty remains with the Sponsor until title is passed, unless and until the Purchaser is given the right of possession of that unit pursuant to a written agreement with the Sponsor. Upon Purchaser acquiring right of possession of the unit, all risk of loss to the apartment and its contents, to the extent not covered by building insurance, passes to Purchaser, and Sponsor shall not thereafter be responsible to repair any damage, which occurs before closing. No closing will occur unless and until a partial temporary or permanent Certificate of Occupancy for the unit to be closed has been issued.

All personal property located within the unit on the date the Purchase Agreement is signed, or located within the Common Elements on the date the Declaration is filed, which property is owned by the Sponsor or the Owner of the property, is included in the conveyance unless specifically excepted elsewhere in this Offering Plan.

A closing will take place only concurrently with the issuance of a temporary or permanent Certificate of Occupancy for the entire project, or issuance of a partial, temporary or permanent Certificate of Occupancy for the unit closed or the building in which the unit is located.

The Declaration, By-Laws, and Floor Plans for the Condominium, and such other documents as are required by law, will be recorded with the New York City Register for the County of Kings in accordance with the New York Condominium Act prior to the first conveyance of title to a unit.

If any mortgages or construction loans are placed against the property, and will be not satisfied at or prior to closing of the first unit, each mortgagee will, at the time of the conveyance of the first unit, either consent to the formation of a Condominium, and acknowledge that its lien will be limited to Unsold Condominium Units; or subordinate the lien of its mortgage to the Declaration

of the Condominium; or, release its lien upon the Condominium Unit being conveyed, and its interest in the Common Elements.

### CLOSING COSTS AND ADJUSTMENTS

As set forth in the Purchase Agreement, the purchaser will pay the following estimated closing costs at the time of Closing of Title for the purchaser's Unit. These estimates are based on current costs and charges, which are subject to change:

(a) If a purchaser elects to obtain fee title insurance, the purchaser will pay the premium thereof which will vary depending upon the Purchase Price of the Unit. Rates set by the New York Board of Title Underwriters are currently \$1,117.00 on a Purchase Price up to \$200,000.00 and approximately \$4.00 for each additional thousand dollars or fraction thereof. Mortgage title insurance is currently \$806.00 on a mortgage of \$160,000.00 and \$3.50 for each additional thousand dollars or fraction thereof; however, where mortgage and fee title are obtained simultaneously the charge for mortgage insurance is reduced to 30% of the usual applicable rate, up to the amount of the fee insurance. Title insurance will be available through National Granite Title Insurance Agency.

(b) Fees for recording the Deed and Power of Attorney are \$42.00 for the first two pages, plus \$5.00 per page for every page thereafter, and a \$50.00 service charge per instrument. Additionally, there is a \$25.00 charge for recording the Real Property Transfer Tax Return along with the deed.

(c) If the purchaser obtains a mortgage loan, the purchaser will pay a mortgage tax of 1.80% of the principal amount of the mortgage if the mortgage is under \$500,000.00; 1.925% if the mortgage is over \$500,000.00. For the Commercial Unit, the mortgage recording tax will be 2.80%. If a mortgage tax credit is or becomes available pursuant to Section 339-ee(2) of the Condominium Act, such credit will inure to the benefit of the Sponsor. Accordingly, at closing, the Purchaser will reimburse the Sponsor for any mortgage tax credit allowed; and will pay the balance of the mortgage recording tax as provided by law.

(d) All legal costs, fees and expenses charged by the purchaser's attorney will be the sole responsibility of each purchaser.

(e) New York City Real Property Transfer taxes, currently one (1%) of the Purchase Price of up to \$499,999; 1.425% for those priced \$500,000 or above, will be the sole responsibility of the purchaser. The foregoing applies to Residential Units; for the Commercial Unit, the transfer tax will be 2.625%. Payment of the New York City Real Property transfer tax by the Purchaser is deemed an additional consideration to the Seller, and so is in

and of itself taxable, which will result in a "tax on a tax" effect.

(f) New York State Documentary Stamp taxes presently \$4.00 per \$1,000.00 of the Purchase Price of a Unit less existing and continuing mortgage, will be the sole responsibility of the purchaser. Payment of the New York State Documentary tax stamps by the Purchaser is deemed an additional consideration to the Seller, and so is in and of itself taxable, which will result in a "tax on a tax" effect.

(g) Each purchaser will be required to make a contribution to the Working Capital Fund in an amount equal to two-months common charges.

(h) All costs with regard to any mortgage that the purchaser will place on his/her Unit (i.e., loan origination fees, commitment fees, application fees, appraisal fees, credit reports, survey fees, bank attorney fees, tax service fees, bank document preparation fees, etc.) will be his own and sole responsibility.

(i) All purchasers will be required to make a \$1,500.00 payment to the Sponsor at closing as partial reimbursement for costs which Sponsor has incurred in preparing and submitting the Offering Plan, including preparation fees filing fees, registration fees, recording fees, etc.

(j) All closings will occur at the office of the Sponsor's Attorney. Under no circumstances will Sponsor be required to close at any place other than the offices of Sponsor's Attorney. In the event that Sponsor consents to a closing outside of the office of Sponsor's Attorney, there will be an attendance fee of \$500.00 for closings in Kings or New York counties; \$850.00 for closings in any other location.

**ALL COSTS FOR RECORDING CHARGES, MORTGAGE, TRANSFER, AND OTHER TAXES, ARE SUBJECT TO CHANGE. THESE CHARGES ARE NOT SET BY THE SPONSOR, AND SPONSOR SHALL NOT BE LIABLE ON ACCOUNT OF ANY INCREASE IN SUCH CHARGES.**

Purchasers shall pay to the Sponsor's Attorney at closing a fee of \$950.00 for the preparation of closing documents. If a purchaser fails to close on the date set for first closing, or adjourns a scheduled closing date on less than three (3) days notice, there shall be a late closing adjournment fee of \$150.00 added to the above. There will be a title clearance fee of \$350.00 imposed on Purchasers. In the event Purchaser fails to fulfill their terms of the Purchase Agreement and Sponsor's Attorney mails a Notice of Default, there will be a \$100.00 charge for such notice. Purchaser

will also pay to the Sponsor \$1,500.00 as partial reimbursement for the cost of preparing the Offering Plan; and \$350.00 reimbursement for installation of a stove. The above closing fees are cumulative to the extent applicable to an individual closing.

If the Units have not been separately assessed for real estate tax purposes prior to the Closing of Title to the first Unit, the Sponsor will place in escrow, in the name of the Board of Managers, an amount equal to the unpaid real estate taxes (or estimates thereof based on current assessments) due for the next ensuing six months (or until the Units are separately assessed, whichever is shorter), provided, however, that as closings occur, the portion of such funds held in escrow which represent the portion allocable to the Unit being sold shall be released; and interest accrued on such escrow, if any, shall inure to the benefit of, and belong to, the Sponsor. The Board of Managers will pay the real estate taxes from the escrow account when taxes are due and payable; the Sponsor shall be entitled to reimbursement from unit owners for any taxes paid on their behalf.

Except as specifically set forth in herein, the Sponsor will pay all costs and expenses incurred in connections with this Plan, the creation of the Condominium and the initial sale of units.

A numerical example of closing costs allocable to a typical Unit are set forth below.

In addition to the foregoing, the purchaser will, of course, be responsible for any fees charged by his own bank; his own Attorney; and additional fees incurred because of Default or failure to close at the scheduled time or place. Purchaser will also be responsible for the mortgage recording charge which is calculated on the basis

of \$42.00 for the first two pages, plus \$5.00 per page for every page thereafter, and a \$50.00 service charge.

## RIGHTS AND OBLIGATIONS OF THE SPONSOR

The Sponsor is using its own capital to complete the construction of the building as set forth herein.

The Sponsor will complete the work set forth in this Plan relating to the building and the apartments contained therein in conformity with and in accordance with the Building Plans and Specifications, and all applicable New York City Administrative Code requirements, and subject to procurement of all applicable and proper permits which are required, if any. Insofar as this is a newly constructed building, there are currently no housing, building, or fire department violations; however, in the event any housing, building or fire department violations arise prior to closing, all such violations, if any, will be cured prior to closing. The Sponsor may make changes in design, layout, and arrangement of apartments, and substitute equipment and materials, except that the Sponsor may not (i) substitute materials or equipment of lesser quality or design, or (ii) change the size, location of buildings or units, other improvements, or common elements, if such changes adversely affect the public areas, or affect the percentage of common interest, or adversely affect the value of, any unit to which title has been closed, or for which a Purchase Agreement has been fully executed and is in effect, unless all affected unit owners consent in writing to such change, and all affected contract vendees are given the opportunity to rescind their contracts and receive a refund of the deposit or downpayment given to the Sponsor. All representations under the Offering Plan, and all obligations pursuant to the GBL, and any additional obligations under the Offering Plan which are to be performed subsequent to the closing date, will survive delivery of the Deed.

Closing will not take place, and no individual condominium apartment will be sold until a permanent or temporary Certificate of Occupancy has been obtained for the premises. In the event closing occurs after the issuance of a temporary Certificate of Occupancy, but prior to the issuance of permanent Certificate of Occupancy, then it will remain the obligation of the Sponsor to, at its own cost and expense, obtain such permanent Certificate, and the Certificate must be obtained within two (2) years from date of closing. Prior to obtaining the permanent Certificate of Occupancy, the Sponsor is required to either: (a) maintain all deposits and funds in a special escrow account required by GBL-352e(2) (b) unless the Sponsor's engineer or architect certifies that a lesser amount will be reasonably necessary to complete the work needed to obtain the permanent Certificate of Occupancy, in which case the sum exceeding the amount so certified may be released; or (b) deposit with an escrow agent an unconditional,

irrevocable letter of credit, or post a surety bond, in the aforesaid specified amount. In the event option "(b)" is employed, posting of the surety bond or letter of credit must be in compliance with the applicable laws and rules of the New York State Department of Law. Notwithstanding the foregoing, alterations or improvements to the common areas and public portions of the building will be completed before the closing of the first unit.

The Sponsor gives no warranty as to materials or workmanship that shall survive sale of a unit. Additionally, Sponsor gives no warranty on workmanship or materials with regards to any common element or limited common element. The New York State Housing Merchant Implied Warranty Law does not apply to this project. Each prospective purchaser may have the building and apartments therein inspected by an architect or engineer of their own choosing, and at their own expense, to determine the quality of materials and workmanship.

Unless the plan has been abandoned pursuant to the EFFECTIVE DATE section of this Offering Plan, Sponsor will repair any damage from casualty or other cause that occurs prior to the closing of a unit. A Purchaser is under the obligation to inspect the unit prior to closing. Sponsor will have no liability of any kind for any damage to a unit not reported prior to closing. With regard to damage to a unit which is reported prior to closing, Sponsor will, as set forth above, repair all such damage within fifteen (15) days after closing (or such longer time as is required to accommodate the delivery of materials which must be ordered to complete any such repairs). In the event Sponsor fails to perform such obligation, Purchaser may enforce same in accord of competent jurisdiction.

The Sponsor will pay for the authorized and proper work involved in the conversion of the property that the Sponsor is obligated to complete under the Plan. All mechanic's liens that are lodged against the property by virtue of work done by the Sponsor, or in the Sponsor's behalf, will be promptly discharged or appropriately bonded. Sponsor guarantees payment of all common charges and assessments with respect to unsold units. Such guarantees will remain in effect until all units are sold. Sponsor warrants and represents that he has adequate financial resources to meet its obligations with respect to any unsold unit.

The Sponsor agrees to pay all common charges, special assessments, and real estate taxes with regards to unsold units, and has financial resources to meet its obligations with respect to such unsold units, which source of funding includes both proceeds of the sale of units and existing financial resources of the Sponsor. No bond or other security has been furnished to secure Sponsor's obligations. In the event of dissolution or liquidation of the Sponsor, or transfer of 20% or more of the total number of

residential units in the condominium the principals of the Sponsor will provide financially responsible entities or individuals who will assume the status and all of the obligations of the Sponsor for those units under the Offering Plan, applicable laws, or regulations.

Any suits or proceedings instituted against the Sponsor, which may result in a lien against the property and any suits or proceedings against the condominium arising from the Sponsor's acts or omissions, which acts or omissions occurred prior to closing of title, will be defended by the Sponsor, and the Sponsor does hereby indemnify the condominium, the Board of Managers, and individual unit owners therefore. Nothing contained herein shall limit the rights of the condominium which are granted pursuant to law and statute.

In the event the work on the building as set forth herein is not fully completed at the time the building becomes occupied, the Sponsor will have the right to enter the premises to complete its obligations under this Plan. Such entry shall be conducted in such a manner so as to produce a minimum of discomfort to those purchasers already in possession.

In the event the Sponsor finds it necessary to enter the property after closing of title to complete work, then such work will be performed between 8 A.M. and 6 P.M. on weekdays and non-holiday weekends. Damage caused by such work will be repaired in a good and workmanlike manner.

Sponsor will secure, and provide at closing, an agreed amount replacement value multi-peril hazard policy which will prevent the Condominium from being a co-insurer. The cost of such policy will be paid by the Condominium, and is provided for in SCHEDULE B. Sponsor also agrees to deliver a set of "as built" plans to the Board of Managers upon election of the first Board of Managers after closing of the first unit. Sponsor will assign any manufacturer's warranties with respective equipment and appliances installed in any individual unit to the unit owner, and with respect to equipment and appliances installed in the common elements, same will be assigned to the Board of Managers.

The property will be conveyed free and clear of all liens. The Sponsor will not dissolve or liquidate for a minimum of six (6) years. Copies of the plans, exhibits and documents referred to herein shall be kept on file at the office of the Attorney for the sponsor for a period of six years after filing of the Declaration of Condominium. No bond or other security has been furnished to secure Sponsor's obligations hereunder. The Sponsor will repair any damage from a casualty or other cause that occurs prior to the

closing of any unit; and no Purchaser shall be required to accept a damaged unit.

While the Sponsor will endeavor in good faith to sell all units, Sponsor is retaining the unconditional right to rent rather than sell units. Thus, Sponsor may never sell more than the 15% of units required to declare the plan effective. As a result of this, the plan may not result in the creation of a condominium in which a majority of the units are owned by Owner-Occupants, or investors unrelated to the Sponsor. The condominium Board does not have the right to approve or disapprove Purchaser's, so that there is no limit on the number of owners who may purchase for investment rather than personal occupancy. There may always be a substantial percentage of owners who are non-residents.

### CONTROL BY THE SPONSOR

The Sponsor's Control of the Board of Managers of the Condominium will be subject to the following:

The By-Laws are reproduced in Part II, beginning on page BL-1. A summary of certain pertinent provisions of these By-Laws is set forth below. The By-Laws limit the number of Board of Managers (hereinafter called "Managers") to not less than three (3). The first Board of Managers to be elected by the Unit Owners shall consist of three (3) members.

At the time of the First Closing there will be three Managers designated by the Sponsor. However, the Managers will resign in favor of Managers who will be elected by the purchasers at a meeting to be convened within 60 days after First Closing. If the Sponsor still owns 50% or more of the unsold units in the building, the Sponsor-appointed managers may be re-elected at such time.

The By-Laws provide that at such time as the Unsold Units constitute less than Fifty (50%) percent of the Condominium, but in no event later than the second anniversary of the Closing Date, not less than a majority of Managers to be elected at all subsequent annual meetings of Unit Owners shall be elected by Unit Owners other than the Sponsor. A meeting to elect a new Board of Managers will be held within thirty (30) days of 50% of the units being sold, or within thirty (30) days of the second anniversary of the Closing Date, whichever is sooner. Notwithstanding the foregoing, even after control is surrendered to a Board elected by unit owners, the Sponsor may vote for the unit owner of his choice at an election of Managers.

So long as a majority of the Board of Managers consists of managers elected by the Sponsor or holders of unsold units, the board:

1. Shall not eliminate or reduce the number of employees, insurance coverages or any service to a level less than that provided in Schedule B unless a majority of board members elected by bona fide unit purchasers vote in favor thereof.
2. Shall, to the extent of their authority as Board Members, use all reasonable efforts to cause the Building (including its equipment, services and installations) to be kept operational, clean, and, in a good state of repair and condition;
3. Shall not veto expenditures required to comply with applicable laws or regulations and/or expenses necessary to remedy notice of violations of law or order of an insurance carrier.

Until such time as the Sponsor has sold more than 50% of the units in the subject premises, or two years subsequent to the first closing (whichever is earlier), Sponsor may control the Board of Managers. Additionally, the By-Laws do not include a provision that a majority of the Board of Managers must be owner occupants or members of an owner occupant's household who are unrelated to the Sponsor and its Principal after the end of the initial Sponsor control period.

Until the earlier of five years from the date of closing, or at the time at which the Sponsor or other Holder of Unsold Units owns units consisting of less than 25% of the common interest of the Condominium, Sponsor may exercise veto power over any expenses other than those described in Schedule B, or which are required to comply with applicable laws or regulations; remedy any notice of a violation; or remedy any work order from an insurer. Additionally, so long as the Sponsor retains ownership of at least one unit in the building, the By-Laws, Declaration, and Rules and Regulations of the Condominium, may not be amended or modified in any way so as to adversely affect the Sponsor without written consent by the Sponsor.

All Board Members shall serve without compensation. Any member of the Board of Managers, who is a designee of the Sponsor, may contract or deal with Sponsor, or a partner, affiliate or entity controlled by the Sponsor; however, such Board members shall remain under a fiduciary duty to act in the best interest of the condominium. Additionally, such Board Members shall be required to disclose the nature of their relationship in dealing with the Sponsors to all unit owners.

## BOARD OF MANAGERS

The Condominium shall be governed according to the By-Laws in Part II, beginning on page BL-1.

The By-Laws limit the number of Managers to not less than three (3) members. The first Board of Managers shall consist of Naum Lokshin and Abraham Lokshin, who are each principals of the Sponsor, and Dov Edelkopf, who is the son-in-law of Abraham Lokshin and a business associate. However, these Officers and Managers will resign in favor of Officers and Managers which will be elected by the Unit Owners at a meeting to be convened within 60 days after the First Closing; they may however, be re-elected at such time. The By-Laws do not include a provision that a majority of the Board of Managers must be owner occupants or members of an owner occupant's household who are unrelated to the Sponsor and its Principal after the end of the initial Sponsor control period.

Managers shall be elected by a plurality of the votes at a meeting at which a quorum shall be present. When voting for Managers, each Unit Owner shall be entitled to cast one vote for each .5% of common interest in the condominium appurtenant to such Owner's Unit, which may be cast all for one nominated manager or divided among any number of candidates. At such time as the Unsold Units constitute less than fifty percent of the Condominium, but in no event later than the second anniversary of the Closing Date, not less than a majority of Managers shall be unit owners other than, and unrelated to, the Sponsor. Notwithstanding the foregoing, Sponsor may vote for unit owners from among the non-Sponsor related persons seeking election to the Board of Managers. Members of the Board of Managers shall serve without compensation, except for reimbursement for expenses actually incurred in the course of any furtherance of business for the Board of Managers.

The Board of Managers shall meet at least annually, and at such regularly scheduled times as shall be adopted by resolution by the Board. Emergency meetings may be called on five (5) days written notice by any two Managers.

The Board Managers will be responsible for the operations of the affairs of the Condominium including, but not limited to, the fiscal operation, repairs and maintenance of the common areas of the Property, replacement and capital improvements to the common areas of the Property; the hiring, supervision and discharging of employees and Managing Agent (if any), and the enforcement of the provisions of the By-Laws, and shall have the powers and duties necessary for the administration of such affairs. The Managers shall serve without compensation or remuneration.

Any Manager may be removed from office at any time with or without cause upon the affirmative vote of the Unit Owners whose aggregate votes are at least 51% of the votes of the Condominium at a Unit Owner's meeting duly called for the purpose; provided, however, that the Manager(s) elected by the Holder(s) of Unsold Units can be removed only for cause by vote of a majority of the Unit Owners or without cause by the Holders of the Unsold Units.

The members of the Board of Managers shall not be liable to the Unit Owners for any mistake of judgment, negligence, or otherwise, except for willful misconduct or bad faith. The Unit Owners shall severally indemnify the members of the Board of Managers against any liability or claims except those arising out of the bad faith or willful misconduct of a member of members of the Board of Managers. It is intended that the members of the Board of Managers shall have no personal liability with respect to any contract made by them on behalf of the Condominium. It is also intended that the liability of any Unit Owner arising out of any contract made by the Board of Managers, or out of the aforesaid indemnity in favor of the members of the Board of Managers, shall be limited to such proportion of the total liability thereunder as his/her interest in the Common Elements of all Unit Owners.

The principal officers of the Condominium shall be the President, the Vice President, Secretary and Treasurer, all whom shall be elected by the Board of Managers. All officers shall serve without compensation or remuneration. The officers shall be elected annually by the Board of Managers; and, each officer shall hold office at the pleasure of the Board of Managers or until succession, resignation, or death. Upon the vote of a majority of the Board of Managers, any officer may be removed, with or without cause.

The President shall be the chief executive officer of the Condominium, and shall have all of the general powers and duties which are incident to the office of a president of a stock corporation organized under the Business Corporation Law of the State of New York.

The Vice-President shall take the place of the President and perform his/her duties whenever the President shall be absent or unable to act. The Vice President shall also perform such other duties as shall from time to time be imposed upon his/her by the Board of Managers or by the President.

The Secretary shall keep the minutes of all meetings of the Unit Owners and of the Board of Managers, and shall have charge of such books and papers as the Board of Managers may direct; and shall, in general, perform all the duties incident to the office of a

secretary of a stock corporation organized under the Business Corporation Law of the State of New York.

The Treasurer shall have the responsibility for Condominium funds and securities and shall be responsible for: keeping full and accurate financial records and books of account; and, deposit of all moneys and other valuable effects in the name of the Board of Managers, or the Managing Agent, in such depositories as may from time to time be designated by the Board of Managers.

The Board of Managers, or the Secretary, shall keep detailed records of the actions and minutes of the meetings of the Board of Managers, minutes of the meetings of the Unit Owners, and, financial records and books of account of the Condominium. In addition, an annual audited financial statement of the Condominium, and an income tax deduction statement certified by an independent Certified Public Accountant, shall be rendered by the Board of Managers to all Unit Owners March 1 of each calendar year.

The Secretary shall mail a notice of each annual or special meeting to all Unit Owners of record. The notice shall state the purpose of the meeting as well as the time and place where it is to be held, and the notice will be given at least ten (10), but not more than forty (40) days prior to such meeting.

Each Unit Owner and each mortgagee of a Unit shall, upon prior request, be permitted to examine the books of account of the Condominium and other records of the Condominium during normal business hours on business days at the office of the Condominium.

Both the Declaration and the By-Laws may be modified or amended by the vote of two-thirds (2/3) of the Unit Owners, as that term is defined in Article II, Section 8 of the By-Laws, at a meeting of Unit Owners duly held for such purpose. Anything herein contained to the contrary notwithstanding, so long as the Sponsor is the owner of one or more unsold units, the By-Laws may not be altered, amended, repealed, or added to, without the consent of the Sponsor.

The Board of Managers shall be required to maintain hazard and casualty insurance on the building in an amount sufficient to ensure that the condominium shall not be a co-insurer (which generally means that the policy must be retained at replacement value); and it shall also maintain liability insurance in an amount which it deems appropriate. The proceeds of the hazard and fire insurance policy shall be payable to the condominium Board in the event of a loss amounting to \$100,000 or less and to the insurance trustee, if the loss exceeds \$100,000. Such proceeds shall be applied to the repairing, restoring or rebuilding the building unless otherwise determined by unit owners. In no event shall the proceeds of any such insurance policy be paid to the holder of any

mortgage on a unit unless there has been a determination by unit owners not to rebuild the building. The insurance trustee, if any, shall be a bank or trust company having an office in the city and state of New York.

The Condominium shall continue, unless terminated by reason of casualty, loss, or by condemnation, until such time as the Condominium shall be legally abandoned and terminated as a result of the vote of Unit Owners owning at least eighty (80%) percent of the total votes of the Condominium, at which time the Property shall be subject to an action for partition by any Unit Owner, or any lienor, as if owned in common, and the net proceeds of the sale resulting therefrom shall be divided among all Unit Owners in proportion to their respective interests in the Common Elements, after first applying the share of the net proceeds of such sale otherwise payable to each Unit Owner to the payment of any liens on his/her Unit in the order of the priority of such liens.

Copies of the Declaration and By-Laws are set forth in Part II of the Plan.

## RIGHTS AND OBLIGATIONS OF UNIT OWNERS AND BOARD OF MANAGERS

Unit Owners will have the right to sell, lease, or mortgage units, without restriction, except as set forth herein, subject to the requirements that all Common Charges are current. A Unit Owner may only sell or lease the entire Unit. A Unit Owner may not sell or rent only a portion of a Unit. The Board of Managers does not have a right of first refusal with regards to the sale or lease of a unit. While lease of a condominium unit, like any other contract, is subject to regulation by certain state laws (General Obligations Law, Multiple Dwelling Law, etc.) the terms of the lease (including rent) will not be subject to any state or local rent regulatory laws. The Board of Managers does not have a right of first refusal with regards to the sale or lease of any unit.

The By-Laws provide that the use of the Units shall be restricted to and be in accordance with the following provisions:

(a) A Unit Owner may only use his/her Unit for a purpose consistent with any applicable ordinance or statute, or regulation of a government authority that has jurisdiction over the Condominium, but in no event for a use that violates the By-Laws of the Condominium.

(b) The Common Elements shall be used for the furnishing of services and facilities for which they are reasonably suited and capable, and which are incident to the use and occupancy of Units.

(c) No nuisances shall be allowed on the Property, nor shall any use or practice be allowed which interferes with the peaceful possession, or use of the Property, by its residents or occupants.

(d) No improper, offensive, or unlawful use shall be made of the Property nor any part thereof. Violations of laws, orders rules, regulations, or requirements, of any governmental agency having jurisdiction thereof, relating to any portion of the Property, shall be eliminated by, and at the sole expense of, the respective Unit Owners or by the Board of Managers, whichever shall have the obligation to maintain or repair such portion of the Property, or comply with such laws.

(e) Each Unit Owner shall keep his Unit in a good state of cleanliness and repair in accordance with the provisions of the By-Laws, and the rules and regulations of municipal departments or agencies having jurisdiction thereof.

Each Unit Owner will have an undivided interest in the Common Elements in the respective percentages set forth in SCHEDULE A in Part I. Subject to the provisions of the By-Laws and Rules and Regulations the Common Elements are appurtenant to, serve and

benefit each Unit to the extent of such Unit's percentage share of the Common Elements, and the Common Elements are for the common use of all Unit Owners.

Further restrictions on the use of Units are set forth in the By-Laws, and in Rules and Regulations made in accordance with the By-Laws, which are set forth in Part II of the Plan. Rules and Regulations concerning the use of the Units may be promulgated and amended from time to time by the Board of Managers as provided in the By-Laws. Such restrictions include a restriction that the unit shall be used for private residence only, or any home occupation use permitted under applicable zoning law, ordinances, building codes or other governmental regulations. Units may also be used as a professional office by a resident thereof, provided such professional use does not violate zoning regulations. Units may not be used for any unlawful purpose and any use which amounts to a violation of law or to rules, regulations or requirements of any governmental agency having jurisdiction thereover shall be eliminated at the sole expense of the unit owner.

The Board of Managers shall from time to time, but at least annually, prepare a budget for the Condominium determining the amount of the Common Charges payable by the Unit Owners. Common charges will be established by determining the operating budget for the coming year of condominium operation and allocating to each unit owner a percentage of that budget in accordance with their percentage of ownership for common interest in the condominium. The Common expenses include, among other things, the cost of all insurance premiums on all policies of insurance required to be, or which have been, obtained by the Board of Managers. The Common Expenses may also include such amounts as the Board of Managers may deem proper for the operation and maintenance of the Property including, without limitation, an amount of working capital and a general operating reserve. The Board of Managers shall advise all Unit Owners promptly, in writing, of the amount of Common Charges payable by each of them, and shall furnish copies of each budget on which such Common Charges are based to all Unit Owners and to their mortgagees of record, if requested.

Under the provisions of Section 339-z of the Condominium Act, the Board of Managers on behalf of the Unit Owners shall have a lien on each Unit for unpaid Common Charges assessed against such Unit by the Board of Managers, together with interest thereon. Such lien shall be subordinate only to liens for real estate taxes on the Unit and to any sums unpaid on the first mortgage or record of such Unit. Any lien for unpaid Common Charges against a Unit shall be effective from and after the filing of a notice thereof in the Kings County Office of the City Register, and until all sums secured thereby with the interest thereon shall have been fully paid, or until six years from the date of filing (unless

foreclosure of such lien is started within such six year period), whichever may be earlier. Such lien may be foreclosed by a suit brought in the name of the Board of Managers acting on behalf of the Unit Owners in like manner as the foreclosure of a mortgage on real property, or an action may be brought by the Board of Managers to recover the Unpaid Common Charges without foreclosing the lien. In the event the Sponsor is more than thirty (30) days in arrears on Common Charges for any unsold Unit during the time the Sponsor is in control of the Board of Managers, Sponsor will cause the Board of Managers to file a lien as provided for in section 339-aa of the Real Property law.

Under section 339-kk of the Real Property Law, the board of managers has the right to require the tenant in an apartment owned by a non-occupying owner to make rental payments directly to the board of managers where such non-occupying owner is in default on payments of common charges, assessments or late fees for such unit for a period of 60 days after the expiration of any grace period after they are due. Payments by such rental tenant to the condominium pursuant to this statute relieves such rental tenant from the obligation to pay such rent to such non-occupying owner, and is an absolute defense in any nonpayment proceeding commenced by such non-occupying owner. The procedures by which the board of managers may enforce this right, including required notice, means of protest, and termination are set forth in the aforementioned section which is recited at page RE1 of this Offering Plan.

No Unit Owner may exempt himself from liability for Common Charges or Expenses by waiver of the use, or enjoyment of any of the Common Elements, or by abandonment of his Unit. The liability of each Unit Owner for the payment of the Common Charges and Expenses thereafter assessed or becoming due against the Unit shall terminate upon a permissible sale, transfer or other conveyance of such Unit, and the appurtenant interests in the Common Elements. In addition, any Unit Owner may, subject to the terms and conditions specified in the By-Laws, convey his/her Unit together with the said appurtenant interests to the Board of Managers or its nominee on behalf of all other Unit Owners, and in such event be exempt from all Common Charges and Expenses thereafter assessed.

All maintenance, repair or replacement to any Unit or portion thereof, ordinary or extraordinary, shall be at the Unit Owner's expense, except for structural elements as specifically required herein. All maintenance, repairs, and replacements to the Common Elements (including the exterior walls of the Building) and the painting and decorating of the side of the elevator doors and stairwell doors which do not face into a Unit shall be made at the direction of the Board of Managers, and be proportionately charged to all the Unit Owners as a Common Expense, except to the extent that the same are necessitated by the negligence, misuse or neglect

of a Unit Owner, in which case such expense shall be charged to such Unit Owner. Unit owners who enjoy use of a limited common element are responsible for regular repair and maintenance of such limited common element such as cleaning, painting, repair to surface damage, etc. Damage to the structural or mechanical systems serving such limited common element (except where directly caused by act or omission of the unit owner, their agents, employees or invitees) are the responsibility of the condominium through the Board of Managers.

No Unit Owner may make any structural addition, alteration or improvement in his Unit, or do any work which would jeopardize the soundness or safety of the Building, reduce the value thereof, or impair any easement or hereditament of the Property, without the prior written approval of the Board of Managers. As a condition of the granting of its consent to the above acts, the Board of Managers may require the Unit Owner to execute an agreement in form and substance satisfactory to the Board of Managers setting forth the terms and conditions under which such alteration, addition, improvement, or repair, may be made, including without limitation, the days and hours during which any work may be done. No application shall be filed with any governmental authority for a permit covering an addition, alteration, or improvement to be made in a Unit, unless approved and executed by the Board of Managers; such approval, however, shall not result in liability on the part of the Board of Managers or any of them, to a contractor, subcontractor, materialman, architect or engineer, by reason of such addition, alteration, or improvement, or to any person having any claim for injury to person, or damage to property arising therefrom. The provisions of this paragraph shall not apply to an Unsold Unit, provided that any alterations to such Unsold Units shall be in accordance with, and only as permitted, by the Condominium Act and all governmental regulations. Non-structural alterations and improvements to Residential Units that do not affect the exterior of the Building, or the value of other Units, may be made without prior approval of the Board of Managers.

Unit owners may perform all standard repair and maintenance items within their apartment and standard home improvements items without permission of the Board of Managers. Thus, unit owners may repair or replace fixtures, equipment, cabinetry, flooring, sheetrock, etc. without permission of the Board of Managers. However, unit owners may not relocate plumbing, heating, electric or other service lines affecting other units in the building during the course of such repairs or improvements without receiving Board permission.

The Board of Managers shall obtain and maintain, to the extent determined by them to be appropriate; (1) hazard insurance, with extended coverage, insuring the Building and Units (but not

including furniture, furnishings or other personal property supplied to, or installed by, Unit Owners), together with all service machinery contained therein covering the interests of the Condominium, The Board of Managers, and all Unit Owners and their mortgagees, as their interest may appear, in an amount equal to the full replacement value of the insured property without deduction for depreciation; (2) machinery insurance; (3) water damage legal liability insurance; (4) liability insurance for personal injury or property damage in an amount not less than one million dollars; (5) officer's and director's insurance covering the board of managers; and (6) such other insurance as the Board of Managers may determine. Each of the policies shall contain a New York standard mortgage clause in favor of each mortgagee of a Unit which shall provide that the loss, if any, thereunder shall be payable to such mortgagee as its interests may appear, subject, however, to the loss payment provisions in favor of the Board of Managers in the event of casualty or condemnation. Unit Owners shall be entitled to carry casualty insurance protection for their furniture and the interior of their Units and for personal liability coverage for their own benefit at their own expense, provided that such policies contain waivers of subrogation, and further provided that the liability of the carriers issuing insurance procured by the Board of Managers shall not be affected or diminished by reason of any other insurance carried by a Unit Owner.

The proceeds of the hazard and fire insurance policy shall be payable to the condominium Board of Managers in the event of a loss amounting to \$100,000.00 or less, and to the insurance trustee, if the loss exceeds \$100,000.00. Such proceeds shall be applied to the repairing, restoring, or rebuilding of the subject premises unless otherwise determined by unit owners. In no event shall the proceeds of any insurance policy be paid to the holder of any mortgage on a unit unless there has been a determination by unit owners not to rebuild the building. The insurance trustee, if any, shall be a bank or trust company having an office in the City and State of New York.

A Unit Owner by acceptance of a Deed for a Unit shall have granted a right of access to the Unit and to all appurtenant areas, if any, to the Managing Agent and/or any other person authorized by the Board of Managers of the Managing Agent, for the purposed of performing installations, alterations or repairs to the mechanical or electrical services of other Common Elements in his/her Unit or elsewhere in the Building in which the Unit is located, to remove violations, cure defaults by a Unit Owner, and for any other purpose provided in the Plan, Declaration, or as may be required by law or governmental regulation, provided that requests for entry (except in emergency situations) is at a time reasonably convenient to the Unit Owner. In case of emergency, such right of entry shall be immediate, whether the Unit Owner is present at the time or not.

Provided reasonable care is exercised to safeguard the Unit Owner's property, such entry shall not render the Board of Managers or its authorized agents liable for damage incurred in connection with the exercise of such right of entry. Each Unit Owner will deposit with the President of the Board of Managers a key to his/her Unit to allow for entry in an emergency. The Board of Managers may designate responsible individual(s) to hold such keys.

Each Unit Owner shall be required to pay the Common Charges and Expenses levied by the Board of Managers. All Unit Owners, mortgagees, lessees and occupants of Units and their employees, and any other persons who may use the facilities of the Property in any manner, are subject to the By-Laws, the Declaration and the Rules and Regulations. A copy of the Declaration and By-Laws and Rules and Regulations appear in Part II of this Plan. The violation of any of the Rules and Regulations or the breach of any By-Laws or provision of the Declaration shall give the Board of Managers, in addition to other rights set forth in specific provisions of the By-Laws, the right to: (i) enter any Unit in which, or as to which, such violations or breach exists and to abate and/or remove same summarily, at the expense of the defaulting Unit Owner. The Board of Managers shall not thereby be deemed guilty or liable for trespass nor be liable for any damage to the Unit, nuisances or fixtures incurred in connection with such rights unless such damage is caused by negligence on the part of the Board of Managers; or (ii) enjoin, abate or remedy by appropriate legal proceedings, the continuance of any such violation or breach. The costs incurred by the Board by virtue of the exercise of its rights to correct such breaches or violations, including attorney's fees, shall be due upon demand from the Unit Owner in question, and shall constitute a Common Expense against his/her Unit.

As part of purchase of the Unit, Purchaser will be required to execute a broad Power of Attorney in favor of the Board of Managers of the Condominium. This Power of Attorney will give the board of Managers the right to acquire and otherwise administer defaulted, abandoned or foreclosed units in the name of the condominium. It will also give the board of Managers the right to execute amendments to the Condominium Declaration, Deeds conveying condominium property, filing for severance of tax lots and other functions reasonable or necessary to effectuate the purposes set forth in the Condominium Declaration, on behalf of all of the unit Owners. Purchaser must sign the Power of Attorney at closing; failure to sign the Power of Attorney will be deemed a default and will result in cancellation of the transaction and possible loss of the downpayment. Please see the POWER OF ATTORNEY set forth in Part II of this Offering Plan.

### REAL ESTATE TAX BENEFITS

After the units are separately assessed, each Unit Owner will be taxed as a separate tax lot for real estate tax purposes, and no Unit Owner will be responsible for the payment of, nor subject to, any lien for non-payment of taxes on any other unit. Units will not be separately assessed for the first year of condominium operation. On closing, Sponsor shall deposit with the Board of Managers a sum sufficient to pay all taxes due for the balance of 2006/2007 tax year. The Board of Managers shall be authorized to pay such taxes as and when due from such escrow fund. As each subsequent individual condominium Unit is sold, the purchasers thereof, as a standard closing adjustment, shall reimburse the Sponsor for the portion of their tax liability paid by the Sponsor from the date of closing through the end of the 2006/2007 tax year. It is anticipated that Units will be separately assessed for the 2007/2008 tax year, and that individual Unit Owners (whether purchasers, holders of unsold shares, or the Sponsor) will pay the taxes thereof as set forth in the attached SCHEDULE A.

The Property is taxed by the City of New York which, through the Department of Finance, has assessed the property at a pre-construction value of \$205,650.00, and imposes a tax rate of 12.216%. The real estate taxes payable in SCHEDULE A are determined by applying the applicable tax rate to the non-exempt portion of the assessment as set forth in the attached letter from Moseson & Associates, and then allocating the amount due in conformity with the allocation of Common Interests. The City of New York is not bound by the allocation of Common Interests, and may allocate on a different basis. All figures are estimates.

There are no tax certiorari proceedings currently pending. Individual owners may challenge the assessment of their property by filing a tax protest in accord with the rules of the New York City Tax Commission. The Board of Managers may also file a protest on behalf of all Unit Owners. While there is no specific section of the By-Laws dealing with review of real estate tax assessment, the general grant of power in the Board of Managers to operate the property in the best interest of unit owners is sufficient to delegate to the Board of Managers a right to file tax protests on behalf of all unit owners. The Building benefits from the limitations imposed by Sections 581 and 1805 of the Real Property Tax Law.

The Sponsor has applied for Real Estate Tax Exemption Benefits pursuant to Section 421-a of the Real Property Tax Law of the State of New York. The benefits provided pursuant to this section are stated in more particularity in the letter, included in this Offering Plan from Moseson & Associates, who have filed an

application on behalf of the Sponsor. Briefly stated, however, the program provides an exemption from any increase in assessed value of the property for real estate tax purposes, to the extent that such increase results from the reasonable cost of alteration or improvement to the building, for a period of eleven (11) years after granting of the exemption. Thereafter, the exemption declines by 20% per year until, after the fifteenth (15th) year, real estate taxes will be based on the full assessed value of the property. Sponsor has obtained an estimate from Moseson & Associates of a post-completion assessed value of \$2,737,819.00, commencing in the July 2006 tax year. SCHEDULE A includes the estimated tax payments in the event 421-a Tax Benefits are not obtained. The following table indicates the application and expiration of benefits:

| YEAR | ASSESSED VALUE | TAXES        |
|------|----------------|--------------|
| 1-11 | \$ 205,650.00  | \$ 25,122.00 |
| 12   | \$ 712,084.00  | \$ 86,988.00 |
| 13   | \$1,218,518.00 | \$148,854.00 |
| 14   | \$1,724,952.00 | \$210,720.00 |
| 15   | \$2,231,386.00 | \$272,586.00 |
| 16   | \$2,737,819.00 | \$334,452.00 |

The projections set forth herein are based on current New York City Tax rate and assessment procedures. No guarantee or warranty is or can be made that the tax rate will not change in the future, or that the assessed value of the property will not rise due to changes in assessment practices and policies or increases in market value which are reflected in the assessed value. Therefore, the estimate contained in Schedule A for monthly real estate taxes in the event 421-a tax benefits are not obtained may not accurately reflect the taxes which will apply at the expiration of the benefits period.

Sponsor will use best efforts to obtain the aforementioned real estate tax exemption benefits, and will make all filings necessary to obtain such benefits, including a timely filing of all applications, and timely compliance with all procedures required to properly process and maintain the benefits. Upon closing, the Sponsor will make all documents available to the Board of Managers for inspection and copying for the life of the benefits. Sponsor will keep all records required by HPD, and will make them available to HPD whenever requested to do so. HPD routinely conducts audits, which can result in the reduction or revocation of benefits if proper documentation is not provided.

The explanation and projection prepared by the Sponsor's tax abatement expert, who prepared the 421-a application, is expressly adopted by the Sponsor and included as part of this Offering Plan.

RE: twenty nine units plus commercial at 2617 East 17<sup>th</sup> Street, Brooklyn  
Block: 7462 Lot:5

Dear Sir:

You have requested me to advise you with respect to the applicability of The City of New York's program for partial real estate tax exemption under Section 421-a of the Real Property Tax Law and the procedure therefore.

You and your architect have represented to us that:

1. You have commenced construction on the site of the building based on approved building plans issued by the Department of Buildings of the City of New York before January 1, 2005.
2. Upon completion of construction, the Building will be classified as multiple dwellings pursuant to the Multiple Dwelling Law.
3. The Site was unimproved 36 months prior to the commencement of construction (as defined in the site requirements of section 2.5(1) (a) of the Regulations).
4. The building will be substantially used for dwelling purposes for a period of at least fifteen years following its completion.
5. Construction of the building will be completed on or before Dec. 31, 2008.
6. An application for Preliminary Certificate of Eligibility will be filed with HPD upon start of construction.
7. Upon completion, the project will consist of a condominium consisting of twenty nine units plus commercial.

## CONCLUSION

Based solely on these representations, and if (i) the building is constructed substantially in accordance with the plans and specifications approved by the New York City Department of Buildings and comply with the requirements of section 421-a, the Regulations and HPD, and HPD is notified of any modifications to the plans for the building or the "sell-out" price; (ii) HPD determines that the property was "underutilized" (pursuant to the provisions of Section 421-a) 36 months prior to commencement of construction; (iii) a preliminary Certificate of Eligibility is issued by HPD after commencement of construction and prior to the issuance of a temporary Certificate of Occupancy; (iv) temporary Certificates of Occupancy for all of the residential areas of the building or permanent Certificates of Occupancy for the building is issued and filed with HPD no later than six months after an application for a Final Certificate of Eligibility is filed with HPD, or prior to December 31, 2008 which ever is earlier; (v) a copy of such Final Certification and of the temporary or permanent Certificate of Occupancy for the residential units is filed with the New York City Department of Finance succeeding the issuance of such Final Certificate of Eligibility; and (vi) there is no change in Section 421-a, the Regulations and decisional law, the Building would appear to be eligible for the partial real estate tax exemption provided under Section 421-a.

The units of the condominium should be entitled to Section 421-a tax benefits under present law. Generally, for predominantly residential buildings, under section 421-a, 100% of the increased assessed value of the property resulting from the improvement thereon (i.e., the assessed value above the pre-construction assessed value) is exempt from taxation during construction and during the ten (10) years following the first taxable status date immediately following completion of construction. The exemption declines to 80% of the increased assessed value for the eleventh (11) year and is further reduced by an additional 20% for each of the succeeding years. Following the 15-year period, the Unit Owners will pay real estate taxes based on the full assessed valuation of their Units and the tax rate then in effect, without the benefit of any exemption.

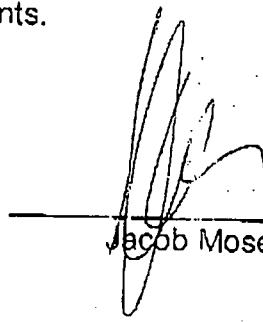

The total assessed value of the property (i.e., the aggregate assessment of all units) following completion of construction is estimated to be approximately 2,737,819. Using the foregoing estimate of assessed value upon completion, assuming completion to be on or before December 31, 2008 and assuming the tax rate remains the same as the current rate (i.e., \$12.216 per \$100 of assessed value) during the 15 year abatement period and upon completion of construction, and using a pre-construction assessed value of the property of 205,650.00 then upon completion of the 15 year tax abatement the real estate taxes will be approximately \$334,452.00. You are advised that this projection is an estimate as it is unlikely

that the post-construction assessed value or tax rate will remain constant for the 15-year Section 421-a exemption period. Thus, the actual assessment and real estate tax for each Unit may be more or less than the Unit's proportionate share of the total assessment and tax amount shown. If any of the foregoing requirements or conditions, however, should not be met to the satisfaction of HPD, or if any of the foregoing representations should prove to be inaccurate, then, unless the Regulations are modified to remove or change any requirement or condition that is not met, the building would not qualify for the partial real estate tax exemption provided under Section 421-a.

We have been retained by you to undertake the procedures outlined in this letter and consent to the inclusion of this letter in any offering plan with respect to the project. We make no representations and express no opinion as to whether or not any or all of the requirements and conditions set forth herein will be fulfilled.

Although the estimate of the 2005/2006 Actual Assessed Valuation is a good faith estimate, it is not possible to estimate it with any degree of certainty, and thus such assessed valuation when actually made, may be lesser or greater than as estimated. In no event will my firm, the Sponsor, the Sponsors' counsel, the Condominium Board or any other person be liable if the assessed valuation when actually made, is lesser or greater than predicted if the Administrative Code and the applicable rules and regulations of the City of New York are in the future changed or if the facts as represented to my firm prove to be untrue.

As president of Moseson & Associates a real estate tax consulting firm, I have represented homeowners, real estate developers, attorneys, and corporations since 1983 in dealings with the NYC Department of Housing Preservation and Development. I specialize primarily in obtaining Section 421a, 421b, ICIP, & J51 tax abatements for my clients.

## DEDUCTIONS TO UNIT OWNERS, AND TAX STATUS OF CONDOMINIUM

Unit Owners who itemize their deductions should, for Federal Income Tax purposes, be entitled to a deduction for mortgage interest and real estate taxes in the year paid, or accrued, under Sections 163 and 164 of the IRS Code. These deductions are subject, however, to certain exceptions and limitations that are more particularly discussed in the COUNSEL'S TAX OPINION LETTER. Each individual Unit Owner should, for New York State and New York City Income Tax purposes, be entitled to similar deductions for the mortgage interest and real estate taxes paid, or accrued, during the taxable year.

The Condominium will be governed by a Board of Managers. The Board of Managers will assess and collect Common Charges from the Unit Owners, and will have certain discretionary powers over the operating expenses and the application of the assessments. While there is presently no direct authority as to the tax status of the Condominium for Federal Income Tax purposes, Sponsor's Counsel is of the opinion that the Condominium will not be treated as an association taxable as a corporation, due to the fact that it will qualify as an exempt homeowner's association under section 528 of the IRS code. As a result, the condominium may not be subject to Federal corporate income tax on its taxable income, if any.

The statements set forth herein are based upon an analysis of the Internal Revenue Code of 1986, as amended (the "Code"), New York State Tax Law, the Administrative Code of the City of New York, the applicable regulations promulgated or proposed thereunder, the current position of applicable administrative agency, in particular, the position of the IRS stated in published Revenue Rulings and Revenue Procedures, and judicial decisions. It is emphasized, however, that legislative, judicial or administrative changes may be made which would require modification of such statements, or that, the IRS or other applicable administrative agency may disagree with Counsel's interpretations and conclusions. A more detailed statement of the tax factors involved may be found in the COUNSEL'S TAX OPINION; however, each purchaser should consult with his or her own attorney with regard to tax consequences of this transaction.

COUNSEL'S TAX OPINION LETTER

December 9, 2005

2615-2621 East 17th Street Realty LLC  
151 East 3rd Street  
New York, New York 10009

Re: Offering Plan for the Conversion to  
Condominium Ownership of Premises:  
2615-2621 East 17th Street  
Brooklyn, New York 11235

Gentlemen:

You have requested my opinion concerning (i) the availability of certain deductions for Federal, New York State, and New York City Income Tax purposes to persons who purchase units for residential use ("Unit Owners") under the Offering Plan for THE 2615-2621 EAST 17TH STREET CONDOMINIUM (the "Plan"), and (ii) the Federal Income Tax Treatment of the Common Charges received by the condominium association of the condominium (the "Condominium").

In connection with rendering this opinion, I have reviewed the Plan, the Schedules and Exhibits thereto, the Declaration of the Condominium Plan (the "Declaration"), the By-Laws of the Condominium (the "By-Laws"), the relevant sections of the Internal Revenue Code of 1986, as amended (the "Code"), the Regulations promulgated thereunder by the Treasury Department (the "Treas. Regs."), the New York State Tax Law, the Administrative Code of the City of New York, revenue rulings, relevant case law and such other materials as I have deemed relevant.

## FACTS

You have advised me that, to the best of your knowledge, the following statements are an accurate summary of the relevant facts, and my opinion is conditioned upon the accuracy of such facts.

The Sponsor will apply to the Department of Law of the State of New York to establish the premises located at 2615-2621 East 17th Street, Brooklyn, New York, as a condominium pursuant to the provisions of New York's Condominium Act. (See Article 9-B of the Real Property Law of the State of New York.) This condominium shall consist of 29 units allocated for residential use, 21 parking units, 12 roof terrace units, 1 commercial unit, and 1 community facility unit. Each holder of a Unit will own his own Unit plus an interest in the elements common to all Units (the "Common Elements"). Each unit owner will be entitled to the exclusive ownership and possession of his unit and will receive a separate deed to the Unit.

The Condominium will be operated by a Board of Managers which, pursuant to the By-Laws, will act only as an agent of all Unit Owners. The Board of Managers will be comprised of at least three members, who shall each be elected by the Unit Owners. The primary function of the Board of Managers will be to supervise the maintenance and operation of the Common Elements, and collect charges (the "Common Charges") necessary to maintain and operate the Common Elements.

## DISCUSSION

### I. Deductibility of Mortgage Interest and Real Estate Taxes

Under the Condominium Act, each Unit Owner will own his/her Unit and its appurtenant interest in the Common Elements in fee simple, and each Unit will be taxed as a separate tax lot for real estate tax purposes. Each Unit Owner may mortgage his Unit and become individually liable for the payment of the principal and any finance charges or interest on such mortgage indebtedness. Failure to pay his or her share of the Common Charges will result in the Board of Managers having a lien on the Unit for the unpaid Common Charges.

The deductibility of the mortgage interest and real estate taxes paid or accrued by the Unit Owner during his or her taxable year will be governed by sections 163 and 164 of the I.R.S. Code. Section 163 of the Code allows a taxpayer to deduct all interest paid or accrued during the taxable year on Bona Fide indebtedness. Section 164 of the Code allows a taxpayer to deduct real estate taxes paid or accrued during the taxable year.

Since Sections 339-g and 339-y of the Condominium Act provide that each Unit and its common interest shall be taxed as a separate tax lot for real estate purposes, Unit Owners shall be entitled to deduct real estates tax paid or incurred on their Units during the taxable year.

The deduction under Section 163 of the Code for interest is subject to certain other provisions of the Code which may limit the amount of the deduction in any one taxable year. For example, under Section 461(g) of the code, prepaid interest is not deductible by a cash basis taxpayer in the year of payment but must be allocated to the taxable year or years to which it is chargeable. However, the payment of "points" (bank origination fee) is deductible under certain circumstances in the year of payment, provided that the indebtedness was incurred by the taxpayer in connection with the purchase or improvement of his principal residence, and the other requirements of Code Section 461 (g) (2) are complied with.

I note that a taxpayer who purchases a Unit for investment may find his interest deduction limited by Code Section 163(d). Under this Section a taxpayer other than a corporation will be subject to a ceiling on his deduction for investment interest. Investment interest is defined as interest paid or accrued on indebtedness incurred or continued to purchase or carry property for investment. To the extent that the taxpayer has investment income (defined as the gross income from interest, dividends, rents, royalties, net short term capital gains and recapture income), he or she increases his or her ceiling on the deduction for investment interest. See generally Code Section 163(d).

I also note that Code Section 265(2) may impact on the interest deduction otherwise allowable to a taxpayer in the event that he/she incurs debt to finance his/her purchase of a Unit rather than liquidate his or her portfolio of tax exempt securities. Under these circumstances Code Section 265(2) may disallow the taxpayer's interest deduction since he or she would be deemed to have incurred the debt to "continue to carry" the tax exempt obligations. However, revenue rulings have made an exception for debt incurred to purchase the taxpayer's principal residence.

In Revenue Ruling 64-31, 1964-1 C.B. 300, the Internal Revenue Service (the "Service") considered the deductibility of mortgage interest and real estate taxes incurred by the owner of a condominium unit. The Service ruled the Sections 163 and 164 of the Code, respectively, permitted these deductions by the Condominium Unit Owner provided that he or she itemized his or her deductions in filing his or her Federal income tax returns.

In my opinion, under Code Sections 163 and 164 respectively, a Unit Owner will, for Federal Income Tax purposes, be entitled to a deduction for interest paid or accrued with respect to mortgage indebtedness and for real estate taxes paid or accrued with respect to his or her method of accounting.

It is also my opinion that each Unit Owner will, for New York State and New York City Income Tax purposes, be entitled to the same deduction which is allowed for Federal Income Tax purposes for the mortgage interest and real estate taxes paid or accrued during the taxable year. See Section 615 of the New York State Tax Law. It should be noted, however, that for New York City Income Tax purposes, the benefit of such deduction may be reduced if the Unit Owner has more than the specified amount of tax preference items. See Section 615, 622 and 623 of the New York State Tax Law; Section T46-115.00, T46-122.0 and T46-123.0 of the City Code.

The foregoing discussion applies primarily to residential unit owners. Referenced sections of the IRS code are not applicable to owners of commercial units, if any, or owners of units for investment or resale, if any. However, insofar as the owners of the commercial units will be using the unit for business purposes, other sections of the code may allow such deductions. Purchasers of commercial units are strongly urged to consult with their own accountants with regards to the deductibility of the mortgage interest and real estate taxes.

## II. Common Charges-Federal Income Taxation of the Condominium:

A condominium under New York law is not a corporation but an un-incorporated association.

The Treasury Regulations in Section 301.7701-2(a)(i) set forth six factors to be considered in determining whether an association will be treated as an un-incorporated association for Federal Income Tax purposes. Of these factors, the Condominium possesses five (an objective to carry on business, divide the gains, centralization of management, continuity of life, free transferability of interest).

Since an un-incorporated organization will be treated as a corporation if it has more corporate characteristics than non-corporate characteristics, (see Treas. Regs. Section 301.7701-2(a)(3), Philip G. Larson, 66 T.C. 159 (1976) acq., Rev. Rul. 79-106, 1979-1 C.B. 448), it is my opinion that, although there exists no direct authority on this point, the condominium will be treated as an association taxable as a corporation for Federal Income tax purposes. In such event, and in the absence of any specific exception, the Condominium would be subject to Federal Corporate Income Tax.

Assuming that the Condominium is treated as an association taxable as a corporation, the receipt of substantially all of Common Charges, may be excluded from the income of the Condominium in the event that (i) the Condominium is acting as agent of the Unit Owners as to collection and receipt of such funds; or (ii) the Condominium is not acting as agent and receives the Common Charges as non-taxable contributions of capital, or receives the Common Charges as service income which is fully offset by the Condominium's service expenses; or (iii) the Condominium elects to be taxed under Code Section 528 and the Condominium has only "exempt function income" within the meaning of such Section.

In Revenue Ruling 75-370, 1975-2 C.B. 257 the shareholders of a condominium management corporation approved special accounts which were not commingled with the general funds of the condominium management association. The assessments could be used only to replace the roof and the elevators located in the common elements of the condominium property. The I.R.S. ruled that these special assessments were not includable in the Condominium's gross income since they did not benefit the condominium which had a fiduciary obligation to expend the funds collected in the manner approved by its unit owner-stockholders. The I.R.S. found that there was an agent and principal relationship between the condominium and its unit owner-stockholders insofar as the special assessments were concerned. However, Rev. Rul. 75-370 specifically exempted funds collected by a condominium management corporation to provide services for which it was formed such as the maintenance of the common elements. Thus, funds collected by the Board for painting, general repairs, gardening and janitorial services would constitute gross income to the Condominium.

The By-Laws provide that the Board of Managers will act as the agent of the Unit Owners. If Common Charges for special capital improvements are specifically designated for capital improvements, deposited in special accounts and not commingled with the general funds, then such Common Charges should not be included in the income of the Condominium, according to Revenue Ruling 75-370,

supra. Common Charges for operational expenditures would not be excluded from the income of the Condominium, because the Board of Managers does not have mere ministerial powers with respect to the operations of the Condominium.

Under certain circumstances, special assessments for specific capital improvements may be considered non-taxable contributions to the capital of the association, pursuant to Code Section 118. In Revenue Ruling 75-371, 1975-2 C.B. 52, the condominium management collected special assessments which were assessed pro-rata upon each unit owner to replace outdoor furniture. The By-Laws required that any assessment had to be approved at a stockholder meeting by a majority vote of the unit owner-stockholders. The special assessment was approved and the proceeds were deposited in a special account and were not commingled with the general assessment funds. The assessment could only be used for the specific purpose intended. The Service held that the Special Assessment was a non-taxable contribution to the capital of the condominium management corporation. Id.; See also Rev. Rul. 74-563, 1974-2 C.B. 38 (special assessments to pave a parking lot of the homeowners association are contributions to the capital of the associations).

Under this Plan the Unit Owners must approve all special improvements. Therefore, as to such amounts of Common Charges which are specifically designated for capital improvements, deposited in special accounts and not commingled with the general funds, such Common Charges should not be characterized as income of the condominium, according to Revenue Ruling 75-371, supra, but would constitute contributions to the capital of the Condominium. Even if a special capital assessment is not specifically voted upon and approved by the Unit Owners of the Condominium, there is judicial authority which would support the characterization of such assessment as capital contribution. See Concord Village, Inc., 65 T.C. 142 (1975).

It should be noted that if the special assessment are treated as contributions to the capital of the Condominium, the subsequent expenditure of these funds (together with any other funds accumulated by the Condominium) may be viewed by the Service as a distribution to the Unit Owners, taxable under Section 301 of the Code. Each Unit Owner may therefore be subject to tax on his pro-rata share of the amounts expended. Rev. Rul. 75-371 went on to distinguish special assessments from assessments collected for the purpose of normal operating expenses and excess assessments, which could be returned directly to the individual unit owner-stockholders. These general assessments and the excess assessments which are not credited to subsequent taxable years or

returned to the unit-owners, were held to constitute gross income to the condominium under Section 61 of the Code. I note, however, that to the extent to which the Condominium will be deemed to have service income by virtue of its performance of its management functions, it will be entitled to deduct as business expenses its expenditures required to provide such services from its gross income. See Concord Village, Inc., 65 T.C. 142, 157 (1975); Park Place, 57 T.C. 767, 778 (1972). Thus, it will have taxable income only in the amount of the excess of its income from all sources over its allowable deductions.

Any net income attributable to over-assessments might constitute taxable income of the Condominium for the year of receipt, even if such excess is distributed or applied to the subsequent year's assessments. In effect, a management association will not earn income when it has no discretion as to the application of the excess, and, conversely, will have income where it does have such discretion. Since the Board of Managers will have discretion as to application of excess Common Charges, and does not intend to return excess Common Charges, if any, but intends to apply such excess to the next year's expenditures, it is possible that any excess Common Charges will constitute taxable income to the Condominium.

Code Section 528 provides a tax exemption for an organization that qualifies as a "homeowners association" which term includes a "condominium management association". A "condominium management association" is defined as an organization organized and operated to provide for the acquisition, construction, management, maintenance, and care of a condominium, provided substantially all of the units are used by individuals for residences. See Code Sections 528(c)(1)(A), and 528 (c)(2). "Substantially all" the units will be considered used by individuals for residences if at least 85% of the total square footage of all units within the project is used, or is intended to be used, by individuals for residential purposes or purposes auxiliary to residential use, such as storage rooms, laundry and maintenance areas. See Treas. Regulations, Section 1.528-4(b). The organization itself will be considered "organized and operated" for the acquisition, construction, management, maintenance, and care of such condominium, if the facts and circumstances indicate such to be the case. See Treas. Regs. Section 1.528-2. However, if the articles of the Condominium reflect that is the purpose of the association, then the condominium management association will be presumed to be operated for such purpose. See Treas. Regs. Section 1.528-2(a).

In addition to the organization and operation test, the tests set forth below must be satisfied under code Section 528(c)(1) in order for a condominium to qualify as a "homeowner's association".

(1) Sixty percent (60%) or more of the gross income of the organization must be "exempt function income," that is, income derived from the payment of dues or fees from the residential unit owners in their capacity as owner-members rather than in the capacity as customers for services. Code Section 528(c)(1)(A) and Treas. Regs. Section 1.528-5 and 1.528-9. "Exempt function income" includes income which is attributable to assessments that arise as a result of the members' ownership interest, either based on value or size of their units, and used for the purpose of enhancing or maintaining the value of the residences. See Treas. Regs., Section 1.528-9(a). For example, the regulations indicate that assessments for the purpose of paying real estate taxes, removing garbage, or removing snow is "exempt function income". See Treas. Regs. Section 1.528-9(b). Income attributable to the use of laundry machines and interest earned on sinking funds is not exempt function income; See Treas. Regs. Section 1.528-9(c). Any assessments attributable to special capital improvements, which are treated as capital contributions, are not included in gross income, and therefore, are not part of the calculation of the gross income test. See Treas. Regs. Section 1.528-9(a).

(2) Ninety percent (90%) or more of the expenditures of the organization for the taxable year must be used for the acquisition, construction, management, maintenance and care of the organization's property. See Code Section 528(c)(1)(C). These expenditures include operating and capital expenditures during the taxable year. Investments in reserve funds for future expenditures are not included in this calculation.

(3) No part of the net earnings of the organization may inure to the benefit of any individual. See Code Section 528(c)(1)(D). The Code expressly excludes benefits received by a unit owner attributable to the homeowners association performing its exempt function, such as the benefit from the homeowners association acquiring, constructing, managing, maintaining and taking care of the association property.

(4) The organization must properly and timely elect to have Code Section 528 apply for the taxable year. See Code Section 528(c)(1)(E).

Based upon my understanding of the matter it is my opinion that the Condominium will be eligible to qualify as a homeowners association within the meaning of Code Section 528(c)(1) and that, to the extent the condominium has income in excess of its expenses, that income will not be subject to federal income taxation.

### III. Real Estate Tax Benefits:

I have reviewed the letter (heretofore set forth in this Offering Plan) from the Sponsor's expert concerning the availability of real estate tax abatement and exemption benefits for this project. Based on existing statutes and practices, the opinions expressed therein appear to be correct, and I hereby adopt said opinion as my own. This adoption is, of course, subject to the accuracy of the facts supplied to said expert in rendering his determination and also subject to any change in existing statutes which may affect my evaluation and interpretation of the availability of such benefits. This is not a warranty that such benefits will be obtained but only an opinion based on the existing laws, regulations, and facts, this condominium project will qualify for such benefits.

### IV. Compliance With Real Property Law Section 339 (i):

I have received and reviewed the letter heretofore set forth from the Sponsor's expert concerning allocation of the common interest to the units in the premises. The determination of Common Interest allocated to each unit has been made based on the floor space of each unit subject to the location of such space, and on additional factors of relative value to other space in the condominium, the uniqueness of the unit, and on the fair market value each of the units bears to the fair market value of all units, pursuant to Real Property Law (RPL) Section 339(i)(1) subparagraph (iv). The method employed is permissible pursuant to the RPL and is in compliance therewith.

### CONCLUSION

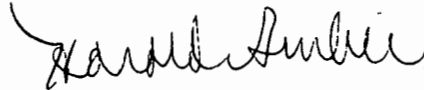

I express no views as to any Federal, New York State and/or New York City tax consequences or as to any aspects of the Plan other than those tax consequences and aspects explicitly discussed in this opinion, or as to the tax consequences of the Plan under the laws of any other State or foreign jurisdiction. This opinion does not discuss the tax consequences which may result from the ownership or the leasing of a Unit to another, in connection with a Unit Owner's trade or business, for purposes of investment, or for the production of income, or tax consequences which may result to a foreign Unit Owner by reason of his foreign status. This opinion also does not consider the tax consequences which may arise if Units are acquired and/or leased by the Board of Managers, or the issue of whether a Unit Owner may be deemed to be a resident of New York State due to ownership of a Unit. I, therefore, advise each person contemplating the purchase of a Unit to consult his/her own

tax advisor as to all such tax matters, as well as with respect to the tax matters discussed in this opinion.

The opinions expressed herein are based solely upon my current understanding and interpretation of the existing law, regulations, decided cases and rulings of administrative agencies and upon information set forth herein. If there has been any misstatement of a fact or omission of any fact which may be material, or any amendment or exchange in the By-Laws or the Plan, we should be notified, since any such omission, misstatement or change may require modification of part or all of this opinion. Moreover, it should be specifically noted that this opinion is not binding on the Internal Revenue Service, the New York State Department of Taxation and Finance, or the New York City Department of Taxation, and that such entities may not agree with any or all of the views stated above. Further, the Federal and State Tax Laws and Regulations and the rulings and decisions thereunder may change and thereby effect the views stated above in whole or in part.

I hereby authorize the use of this opinion, or a reproduction thereof, in the Plan.

Very truly yours,

Harold L. Gruber

### RESERVE FUND

No fund will be created on closing as a reserve for capital expenditures. In the event a need arises for capital expenditures such as renewal or replacement of building components or systems; or to remedy major building defects, it will be necessary to raise needed capital either by assessing individual unit/owners for the cost of such expenditures. However, in the Sponsor's estimation, and in view of the fact that all building systems and components are new, it is anticipated that there will be no needed capital expenditures within the five (5) years immediately following the first closing of a condominium unit under the Offering Plan.

### WORKING CAPITAL FUND

At closing of title to each Unit, the Unit Owner for such Unit will contribute to the working capital fund of the Condominium an amount equal to two-months common charges (see CLOSING COSTS AND ADJUSTMENTS). Thus, there will be a \$19,616.00 working capital fund created on closing. Sponsor will make the required contribution for all unsold units at the time of the closing of the first unit, and will be reimbursed therefore on each subsequent closing of a unit by the unit purchaser. This Working Capital Fund will be used to make repairs and improvements, and for other appropriate purposes as determined by the Board of Managers, particularly to meet emergencies not budgeted for in SCHEDULE A. While the Sponsor controls the Board of Managers (see CONTROL BY THE SPONSOR), the Working Capital Fund will not be used to reduce estimated Common Charges.

The Working Capital Fund will not be reduced by any closing adjustments to the Sponsor. All closing adjustments to the Sponsor will be paid in equal monthly installments over the twelve (12) month period following closing. All adjustments represent reimbursement for prepayment of expenses already included in the budget set forth herein as Exhibit B, and therefore do not represent an additional expense to Condominium Purchasers.

No representation is made that the Working Capital Fund will be adequate to cover current or future expenses. If additional funds are required over and above the Working Capital Fund, it may be necessary to increase Common Charges or separately assess all Unit Owners. Neither the Department of Law nor any other government agency has passed upon the adequacy of the Working Capital Fund.

I RECEIVED THE PLAN, AS AMENDED, AT LEAST THREE FULL BUSINESS DAYS, AND HAVE READ BOTH PARTS I AND II OF THE PLAN, BEFORE EXECUTION HEREOF BY ME.

1. OFFERING PLAN READ. As Purchaser, I have received and read the Offering Plan of Condominium Organization (the Plan) with respect to premises 2615-2621 East 17th Street, Brooklyn, New York.

The Offering Plan for said premises, including all documents set forth in Part II thereof and any amendments thereto, is incorporated herein by reference with the same effect as if set forth at length. I hereby accept and approve the Plan (and all of said amendments thereto, if any) and agree to abide and be bound by the terms and conditions thereof. The terms used herein shall have the same meanings as ascribed thereto in the Plan.

2. AGREEMENT TO PURCHASE. I hereby agree to purchase the above apartment and a \_\_\_\_\_ percent of undivided appurtenant interest in the Common Elements of the Condominium in said premises.

3. DOWN PAYMENT AND BALANCE. Submitted herewith is my check to the order of "HAROLD L. GRUBER, AS ATTORNEY" for the amount of the above stated Down Payment. I agree that after the Plan becomes effective, as therein provided, I will pay the above-stated balance of said Cash Purchase Price on closing. The payment due on closing shall be by certified check or official check drawn on a New York City bank which is a member of the New York City Clearing Housing System to the order of "HAROLD L. GRUBER, ATTORNEY". The check shall be delivered to the seller.

The Seller will give me prompt written notice thereof when the Plan either becomes effective or is abandoned, unless same has already been declared effective by a duly filed amendment to the Plan submitted to me.

4. MANNER OF PAYMENT AND BALANCE. Provided that I shall have paid the full Cash Purchase Price for said apartment, as provided herein, and shall not be in default hereunder, I am to receive a Deed for the apartment at the Closing to this apartment. The date of the commencement of my obligations under such Deed, including the payment of Common Charges, shall be the date on which I acquire title to such apartment. At the time the deed is delivered, I shall execute the Power of Attorney to the Board of Managers of the Condominium in the form contained in the Plan and whatever other documents are reasonably necessary to convey the Unit to me, such as real property transfer tax forms.

5. PAYMENTS HELD IN TRUST AT NAMED BANK. The Seller will hold all monies received by it directly or through its agents, employees or escrow agent, in trust, in compliance with the trust fund provisions of section 352-h and section 352-e(2)b of the General Business Law, until actually employed in connection with the consummation to the Offering Plan. All such monies will be deposited with Citibank N.A., 114 Seventh Avenue, Brooklyn, New York 11215, under the name of "HLG Escrow - 2615-2621". The funds so deposited will be released by the escrow agent, an attorney at law, only for the purposes of, and in conformity with the consummation of this Plan, or returned to me as herein provided. I shall be entitled to any interest earned on the sums deposited by me. Unless the escrow account is of an IOLA type, I shall be entitled to any interest earned on the sums deposited by me unless otherwise agreed to by the parties hereto. However, it is not anticipated that any interest will be earned.

6. ACCEPTANCE OF CONDITION. My signing of this Purchase Agreement shall constitute my acceptance of said apartment "As Is", except for those matters which are the responsibility of the Sponsor as stated in the Plan.

7. THIS AGREEMENT IS CONTINGENT. It is agreed that this Purchase Agreement is contingent upon the Plan being declared effective.

8. ABANDONMENT OF PLAN. The Plan may be abandoned by the Seller at any time prior to its being declared effective, and thereafter only for reasons heretofore set forth in the Plan. The Plan shall be abandoned by amendment duly filed with the Department of Law of the State of New York and upon notice to all prospective purchasers who have signed the Purchase Agreement.

9. REFUND AND LIMITATION ON CLAIMS. If the Plan is abandoned or does not become effective within twelve (12) months from the date of presentation and is not extended, or, if after being declared effective, the Plan shall not be consummated for any reason within 180 days thereafter, this Agreement shall be deemed canceled and the Plan terminated and I am to receive back, not later than ten (10) days thereafter, in full, all monies paid by me hereunder. Upon such payment no party shall have any claim against any other party or person, the Sponsor, the Seller, or the agent, and all parties shall be released from all obligations hereunder and under the Plan.

10. DEFAULT AND LIQUIDATED DAMAGES. I agree that if I shall fail to pay the balance of the Cash Purchase Price when due, as herein provided, or, if I am otherwise in default hereunder as such term is defined herein, the Seller may elect to cancel this Agreement by written notice to me at my residence or at the address stated above, by certified mail, and at the expiration of 30 days after the date of mailing thereof (unless I shall have theretofore paid the balance of the Cash Purchase Price in full) said notice shall be effective and this Agreement shall be deemed canceled and all rights of the parties thereunder shall terminate except that the amount of my Down Payment shall be paid over to the Seller as liquidated damages, such liquidated damages not to exceed 10% of the Cash Purchase Price plus the cost of any special work in the apartment ordered by me, together with any interest earned thereon. However, it is not anticipated that any interest will be earned. TIME IS OF THE ESSENCE TO REMEDY SUCH DEFAULT WITHIN SAID THIRTY (30) DAY PERIOD. The notice of default is hereby deemed a notice to vacate as well if I occupy the apartment under the terms of an Interim Lease. In the event of such cancellation, the Seller shall have the right to sell said Units to another purchaser as though this Agreement had never been made and without accountability to me for the proceeds received on any sale to another.

11. In the event Purchaser elects to obtain title insurance; or, in the event Purchaser obtains mortgage financing

and is required to obtain title insurance; then, in such event, Purchaser agrees that the title insurance shall be ordered through National Granite of New City, New York. Seller shall not be obligated to cure any exceptions raised by any company other than the foregoing; and, in the event Purchaser orders title insurance through any other agency, and Sponsor elects to cure such exceptions, there will be a charge as set forth in the CLOSING COSTS section of this Offering Plan for review of the title report prepared by such other abstract company.

12. CLOSING DATE AND PLACE. The closing of title shall occur on the date and at the time and place in the City and State of New York as Sponsor shall designate to Purchaser on not less than thirty (30) days' prior written notice. Sponsor shall have the right, from time to time, to adjourn such time and date for closing on written notice to Purchaser. If adjourned, Sponsor shall fix a new date and time for title closing and shall give Purchaser not less than ten(10) business days-prior written notice of the new scheduled date and time for closing.

In the event that a Purchaser does not close on the Closing Date set forth in the Notice of Closing, the Sponsor elects not to cancel the Purchase Agreement or if the Sponsor approves the Purchaser's request to adjourn the Purchaser's Closing to his apartment, interest shall accrue on the unpaid amount of the purchase price from the Closing Date until such amount is paid. The interest rate shall be ten percent (10%) per annum. This rate shall be in effect for as long as there are any unpaid amounts owing towards the full purchase price.

13. APPORTIONMENT OF CHARGES. At the Closing, the parties shall apportion, as of the day preceding the date of actual closing, the Common Charges, real estate taxes and other charges under the By-Laws, utility charges (if any) due to the Condominium and the use and occupancy charge, if any, to the Apartment. Assessments will not be apportioned and will be payable by the party who is the owner of the Unit when the same became due and payable. A letter from the Condominium or its Managing Agent as to status of Common Charges, utility or other charges shall be sufficient for purposes of determining the adjustments as herein described.

In the event a mortgage recording tax credit becomes available pursuant to Section 339-ee(2) of the New York Condominium Act, it is specifically understood that such credit will inure to the benefit of the Sponsor. Accordingly, on the Closing Date, I will pay the full amount (but not in excess thereof) of the mortgage recording tax chargeable on the entire amount financed, if any. The Sponsor will be reimbursed to the extent of any mortgage tax credit allowed.

14. CLOSING COSTS. Purchaser shall be responsible for paying all costs as outlined in the Section of this Offering Plan entitled Closing Costs and Adjustments.

15. ENTIRE AGREEMENT, OPPORTUNITY TO EXAMINE, NON-ASSIGNABILITY. The entire contract between the parties hereto as set forth herein and in the Plan and as the Plan may be amended from time to time. The only representations made to me are those contained herein and in the Plan, as may be amended. I have not relied upon any representations, statements or warranties, written or oral, as to any matter or estimate, that is not set forth herein and in the Plan. I have had at least three days to read and review the Offering Plan and all amendments and have had the opportunity to examine all the documents filed as Exhibits, volume A, B and C to the Plan. This Agreement is not assignable by me without prior written consent of the Seller and shall bind and apply to the parties hereto and their personal legal representatives, successors and assigns and may not be amended, changed or discharged orally.

16. CONFLICTS WITH THE PLAN. Conflicts between this Agreement and the Plan shall be resolved in favor of the Plan.

17. CONDITIONS FOR BINDING AGREEMENT. This Agreement shall not be binding on me or on the Seller until a fully executed copy thereof shall have been delivered to me. If this Agreement shall not be accepted within twenty (20) days of the date hereof by the delivery to me of such endorsed and fully signed copy, this Purchase Agreement shall be deemed to be rejected and canceled and my deposit shall be promptly refunded to me.

18. CONDITIONS FOR CLOSING. It is a condition of this closing that:

(a) There shall be no claims or liens against the Unit at the time of the Closing, except for Permitted Encumbrances as described in the Plan; and

(b) The Seller has full right and authority to sell and transfer the Units.

19. WHEN TITLE PASSES. I shall acquire no right, title or interest in the aforesaid Unit until (i) the entire Cash Purchase Price has been paid in accordance with the terms hereof, and (ii) I have otherwise performed, observed and complied with the terms and conditions of this Agreement.

At the Closing of Title the Seller shall deliver to me a bargain and sale deed, with covenants against the grantor's acts, conveying the Unit to me such deed to be in the form contained in

Part II of the Plan, executed and acknowledged by the Seller in form for recording.

20. IDENTIFICATION OF PURCHASER. I represent that I am a person over 18 years of age. The term "I" shall read as "we" and "purchaser" shall be read as "purchasers" if more than one person are purchasers, in which case our obligations shall be deemed joint and several. I further represent to the Condominium and to all of the persons to who are Unit Owners that I am purchasing the Unit for my own account and that Sponsor will have no interest, direct or indirect, in the Unit being purchased hereunder.

21. BONA FIDE PURCHASER. I certify that I have agreed in good faith to purchase the above-described Apartment with no discriminatory re-purchase Agreement or other discriminatory inducement.

22. AGREEMENT SUBJECT TO MORTGAGES. I agree that all terms and provisions of this Agreement are and shall be subject and subordinate to the lien of any building loan mortgage or development loan mortgage heretofore or hereafter made and any advances heretofore or hereafter made thereon and any payments or expenses already made or incurred or which may hereafter be made or incurred, pursuant to the terms thereof, incidental thereto, or to protect the security thereof, to the full extent hereof without the execution of any further legal documents by me. The subordination shall apply whether such advances are voluntary or involuntary and whether made in accordance with the building loan schedule of payments or accelerated thereunder by virtue of lender's right to make advances before they become due in accordance with the schedule of payments. Notwithstanding anything to the contrary contained in this paragraph, however, on the Closing Date the only mortgage to which the Unit will be subject will be the mortgage(s) obtained by me.

23. MORTGAGE FINANCING. This Contract will be conditional on Purchaser obtaining mortgage loan financing in an amount not less than \$ from an institutional lender. Purchaser shall apply for said loan within five (5) days after receipt of a fully executed copy of this Contract, and shall have forty (40) days from the signing of said Contract to obtain said mortgage commitment. Purchaser agrees to accept any commitment offered by the aforementioned lending institution provided same is in at least the amount set forth above. In the event Purchaser fails to obtain such commitment within forty (40) days from the date of execution of the Contract, either party may cancel this Purchase Agreement on five (5) days written notice to the other party, whereupon this Purchase Agreement shall become null and void, and the down payment shall be returned to the Purchaser. **IN THE EVENT THAT SPONSOR'S**

ATTORNEY DOES NOT RECEIVE SUCH NOTICE OF FAILURE TO OBTAIN FINANCING WITHIN FIVE DAYS AFTER EXPIRATION OF THE FORTY-DAY-PERIOD SET FORTH ABOVE (OR ANY EXPIRATION THEREOF), PURCHASER SHALL BE REQUIRED TO CLOSE WHETHER OR NOT PURCHASER RECEIVES FINANCING.

Purchaser's failure to provide information to the lender promptly upon request therefore, or failure to accept a commitment offered, shall be a default for which the Seller shall have the right to cancel this Purchase Agreement and retain the down payment. Once a bank commitment is issued, Purchaser will be required to use due diligence in obtaining any and all extensions necessary to maintain such commitment in force, notwithstanding that such extension may be at a higher interest rate or require payment of additional fees, or include other changes. Failure to maintain such commitment will constitute a default under the Purchase Agreement, except that if the bank refuses to extend such commitment on any rates or terms, Purchaser may cancel the Contract, and receive return of his down payment hereunder.

Purchaser has the right to apply to other lending institutions for financing, that this Contract shall not be contingent upon Purchaser obtaining such financing.

24. AMENDMENTS. After acceptance of my Purchase Agreement and so long as I am not in default hereunder, there shall be no change in the amount of the Cash Purchase Price, size or layout of the apartment I intend to purchase, without my written consent first being obtained. If there is a material change in the size or quality of common areas, I shall be given written notice thereof by certified mail, return receipt requested, and I shall have fifteen (15) days therefrom to rescind my Purchase Agreement and obtain return of my Down Payment by so notifying the Sponsor or Selling Agent in writing by certified mail, return receipt requested.

25. CAPTIONS. The captions used herein are inserted only as a matter of convenience and for reference and in no way define, limit or described the scope of this Purchase Agreement or the intent of any provision hereof.

26. RECORDING OF DEED AND POWER OF ATTORNEY. At the Closing of Title, I will deliver the executed deed received from Seller and an executed and acknowledged power of attorney to the representative of the title company, if any, or to Seller for recording in the Office of the Register of the City of New York, County of Kings. Such deed and power of attorney will be in the form set forth in the Plan.

27. JURY WAIVER. I hereby waive trial by jury in any action, proceeding, or counterclaim involving any matter whatsoever arising out of, or in any way connected with this Purchase Agreement or the

relationship of the parties as purchaser and seller, or my right to any statutory relief or remedy.

28. SURVIVAL. The Closing of Title to the Unit and the delivery and the delivery of the deed thereto shall be deemed full compliance by the Seller with each and every term of this Purchase Agreement, except as to any item specifically listed and excepted therefrom.

29. EXECUTION OF FORMS. It shall be a conditions of this contract that I shall execute and deliver to the Sponsor's attorney all forms and papers required by the State of New York and City of New York in connection with the purchase of the Unit including but not limited to the "RPT" form and gains tax transferee form.

30. LAWS. The laws of the State of New York shall govern this transaction.

31. PURCHASER'S REMEDIES. In the event that the Sponsor shall for any reason (except for willful default) be unable to convey and deliver the apartment in accordance with terms of the Purchase Agreement, (except for any failure to perform any obligation imposed by applicable statute or regulation, or a failure to perform Sponsor's obligations under the Offering Plan) the sole remedy of the Purchaser shall be to rescind the Purchase Agreement and be refunded the entire downpayment with interest plus the cost of title searches, if any.

Any conflict between the plan and the Purchase Agreement shall be resolved according to the terms of the plan.

Nothing contained in the Purchase Agreement or the Plan shall be construed to waive a Purchaser's right to abrogate Sponsor's obligations under Article 23-A of the GBL.

32. APPLIANCES AND EQUIPMENT. The Unit is being sold unfurnished, without window blinds or shades and will contain only the appliances and equipment described above and in the Plan. Furniture, wall coverings, furnishings, decorations and the like in or about any model Unit are for display purposes only and are not included in this sale. Residential Units will be offered with such surface treatments as are specified in the DESCRIPTION OF PROPERTY AND BUILDING CONDITION set for the in the Offering Plan. Purchaser will be responsible for any repainting and touch-ups necessitated from moving in. Any floor plans or sketches shown to Purchaser (including those contained in the Plan) are only approximations of the Units dimensions and arrangement, and Purchaser should not rely thereon. Sponsor shall not be liable for minor variations from any floor plans or sketches.

B. There will be no modifications or extras unless agreed to in writing by the parties. All modifications and alterations must be approved by Sponsor in writing and, if approved, shall be performed by Sponsor at Purchaser's expenses (payable in the manner to be set forth in addendum to this Agreement or separate agreement).

### 33. CONSTRUCTION.

A. The construction of the building and the Unit, including the materials, equipment and fixtures to be installed therein, shall be substantially in accordance with the Plan and the architectural "plans and specifications" (defined in the Plan), subject to the right reserved by Sponsor to modify and amend the Plan and the "plans and specifications" in order to substitute materials, equipment or fixtures of equal or better quality and design, provided only the approval of any governmental authorities having jurisdiction thereover and the construction lender are first obtained (if required). The issuance of a Certificate of Occupancy for the Building shall be deemed presumptive evidence that the Building and the Unit have been fully completed in accordance with the Plan and the "plans and specifications". However, nothing herein contained shall excuse Sponsor from its obligations to correct any defects in construction in accordance with the conditions set forth in the Plan in the section entitled "RIGHTS AND OBLIGATIONS OF THE SPONSOR."

B. The construction of the Building and the Unit and the correction of any defects in construction to the extent required under the Plan are the sole responsibility of the Sponsor. Purchaser acknowledges and agrees that Sponsor will not be liable for, and will have no obligation to correct, certain variations from the Plan and "plans and specifications" as indicated in the Plan in "RIGHTS AND OBLIGATIONS OF THE SPONSOR" and will only be responsible to correct any construction defects to the extent, and on the terms and conditions, set forth in said section.

34. INSPECTION OF UNIT. At least ten (10) days before the Balance is to be paid, the Selling Agent shall notify the Purchaser that the Unit is ready for inspection. Upon receipt of the notice, Purchaser shall promptly arrange an appointment with the Selling Agent to inspect the Unit before the lapse of such ten (10) day period. Purchaser or his duly authorized agent shall attend such inspection and shall complete, date and sign the Inspection Statement (in the form set forth as Exhibit A to this Agreement) and deliver same to the Selling Agent at the conclusion of the inspection. Failure of Purchaser either to arrange such appointment or to inspect the Unit within ten (10) days of receipt of said notice or to so sign and deliver the completed inspection

Statement, shall not excuse Purchaser from paying the Balance when due and shall constitute Purchaser's full acceptance of the Unit. However, nothing herein shall relieve Sponsor of its obligations as set forth in the "RIGHTS AND OBLIGATIONS OF THE SPONSOR."

35. NOTICES. All notices, elections, consents, demands and communications (collectively called "notices" or individually called "notice") shall be delivered personally or given in writing by registered or certified mail, return receipt requested, postage prepaid, and, if sent to Purchaser, addressed to Purchaser at Purchaser's address given in the preamble to this Agreement and, if sent to Sponsor, addressed to the Sponsor's Attorney as indicated in this Plan. Either party may, by written notice to the other, change the address to which notices are to be sent. Unless otherwise provided herein, all notices shall be deemed given when personal delivery is effected or when deposited in any branch station or depository maintained by the U.S. Postal service in the City and State of New York, except that a notice of change of address shall be deemed given when actually received. Notice may also be given by overnight delivery service or fax and regular mail, and shall be deemed effective when received or when delivery is attempted. Any notice required to be given hereunder may be given to the attorney of the respective parties.

36. BROKER. Purchaser represents to Sponsor that the Selling Agent is the only broker or sales agent with who Purchaser has dealt in connection with this transaction. Sponsor agrees to pay the commission due the Selling Agent pursuant to separate agreement. Purchaser agrees that should any claim be made against Sponsor for commissions by any broker, other than Selling Agent, on account of any acts of Purchaser or of Purchaser's representatives, Purchaser will indemnify and hold Sponsor free and harmless from any and all liabilities and expenses in connection therewith, including (without limitation) reasonable legal fees and disbursements. The provisions of this Paragraph 26 shall survive the Closing.

37. ASSIGNMENT AND RECORDATION. This contract may not be assigned or recorded, and any proposed assignment or recordation without express written permission of the Seller shall be deemed a default hereunder entitling Seller to cancel the contract and retain all sums deposited pursuant hereto. Sponsor at Sponsor's option may allow Purchaser to assign a contract; in the event of such assignment Purchaser shall pay an assignment fee of \$1,500.00.

38. NO LIEN. No lien or encumbrances shall arise against the Property or the Unit as a result of this Agreement or any monies deposited hereunder. This Agreement shall not be recorded and any purported recordation hereof by Purchaser shall constitute an Event of Default.

39. INVALIDITY. Invalidity or unenforceability of any portion or portions of this Agreement shall not affect the validity or enforceability of the other portions, which shall all be deemed valid and enforceable to the fullest extent of the law.

40. STRICT COMPLIANCE. Any failure by Sponsor to insist upon strict performance by Purchaser of any of the provisions of this Agreement shall not be deemed a waiver of any of the provisions hereof, irrespective of the number of violations or breaches which may occur, and Sponsor, notwithstanding any failure, shall have the right thereafter to insist upon strict performance by Purchaser of any and all of the provisions of this Agreement to be performed by Purchaser.

No Unit Owner shall be liable for the payment of any part of the Common Charges assessed against his Unit subsequent to a sale, transfer or other conveyance by him.

Section 4. Collection of Common Charges and Assessments: The Board of Managers shall assess Common Charges against Unit Owners from time to time at least annually and shall take prompt action to collect any Common Charge due from any Unit Owner which remains unpaid for more than thirty (30) days from the due date for payment thereof. The Board of Managers shall also take prompt action to collect any assessment due from any Unit Owner which remains unpaid for more than thirty (30) days from the due date thereof.

Section 5. Default in Payment of Common Charges or Assessments: In the event of default by any Unit Owner in paying to the Board of Managers the Common Charges or any assessment as determined by the Board of Managers, such Unit Owners shall be obligated to pay interest at the highest legal rate on such Common Charges or assessments from the due date thereof, together with all expenses, including attorney's fees, incurred by the Board of Managers in any proceeding brought to collect such unpaid Common Charges or assessments. The Board of Managers shall have the right and duty to attempt to recover such Common Charges or assessments, together with interest thereon, and the expenses of the proceeding, including attorney's fees, in an action to recover the same brought against such Unit Owner, or by foreclosure of the lien on such Unit granted by Section 339-z of the Real Property Law of the State of New York, in the manner provided in Section 339-aa thereof. A Unit Owner defaulting in payment of Common Charges or assessments shall not be permitted to vote at any regular or special meeting of Unit Owners.

Section 6. Foreclosure of Liens for Unpaid Common Charges: In any action brought by the Board of Managers to foreclose a lien on a Unit because of unpaid Common Charges, the Unit Owner shall be required to a reasonable rental for the use of his Unit and the plaintiff in such foreclosure action shall be entitled the appointment of a receiver to collect the same. The Board of Managers, acting on behalf of all Unit Owners, shall have the power to purchase such Unit at foreclosure sale and to acquire, hold, lease, mortgage (but not to vote the votes appurtenant to), convey, or otherwise deal with same. A suit to recover a money judgment for unpaid Common Charges shall be maintainable without foreclosing or waiving the lien securing the same. The proceeds from the sale of any Unit pursuant to this Section shall be used first to pay the unpaid Common Charges and/or assessments, plus reasonable attorney's fees and administrative costs and any other lawful liens on the defaulting Unit. Amounts above this, if any, will be the property of the defaulting Unit Owner. If after the sale of Unit for the nonpayment of Common Charges and/or assessments, the sale does not recover the full amount due and owing, the Board of Managers has the right to assess all the Unit Owners as a Common Expense for the difference between the amount received by the

Condominium from the sale of the Unit and the amount owed to the Condominium.

Section 7. Statement of Common Charges and Assessment: The Board of Managers shall promptly provide any Unit Owner so requesting the same in writing, with a written statement of all unpaid Common Charges due from such Unit Owner.

Section 8. Abatement and Enjoinment of Violations by Unit Owners: The violation of any rule or regulation adopted by the Board of Managers, or the breach of any provision of the Declaration, shall give the Board of Managers the right, in addition to any other right set forth in these By-Laws; (a) upon reasonable notice to the Unit Owner, to enter the Unit in which, or as to which, such violation or breach exists and to summarily abate and remove, at the expense of the defaulting Unit Owner, any structure, thing or condition that may exist therein contrary to the intent and meaning of the provisions hereof (provided, however, that no prior notice shall be required in the event the Board of Managers shall determine that action is immediately necessary for the preservation or safety of the Property of the Condominium or for the safety of residents of the Condominium or other persons or required to avoid the suspension of any necessary service to the Condominium); or (b) to enjoin, abate or remedy by appropriate legal proceedings, either at law or in equity, the continuance of any such breach.

Section 9. Maintenance and Repairs:

a) All maintenance, replacement or repair to any Unit, ordinary or extraordinary, and to the doors, windows, electrical (except Common Elements), plumbing (except Common Elements) and heating fixtures and air conditioning units within the Unit or belonging to the Unit Owner shall be at the Unit Owner's expense, excepting as otherwise specifically provided herein.

b) All maintenance, repairs and replacements to the General Common Elements as defined in the Declaration shall be made by the Board of Managers as a Common Expense, excepting to the extent that the same are necessitated by the negligence, misuse or neglect of a Unit Owner, in which case such expense shall be charged to such Unit Owner. Maintenance, repair and replacements in or to the Limited Common Elements as defined in the Declaration will be performed as per the Declaration.

Section 10. Restrictions on Use of Units: In order to provide for congenial occupancy of the Property and for the protection of the

values of the Units, the use of the Property shall be restricted to and shall be in accordance with the following:

a) The Residential Units shall be used for private residences only, except that a Unit Owner may use his Unit for any home occupation use permitted under applicable zoning law and ordinances, building code or other rules and regulations of governmental authorities having jurisdiction.

Any Unit may also be used as a professional office by a resident thereof provided such professional use does not violate zoning regulations and provided further that the prior consent of the Board of Managers to such professional use is obtained. Notwithstanding the foregoing, the Sponsor or Sponsor-Designee shall have the right, without charge, (i) to maintain general and sales offices in one or more Units or elsewhere on the Property, to use one or more Units as models and for other promotional purposes and to erect and maintain signs on the Property; (ii) to have its employees, contractors and sales agents present on the Property; (iii) to do all things necessary or appropriate, including the use of the Common Elements, to sell or lease Units and to complete construction of the Building and to comply with its obligations.

b) The Common Elements shall be used only for the furnishing of the services and facilities for which they are reasonably suited and which are incident to the use and occupancy of Units.

c) No nuisances shall be allowed on the Property nor shall any use or practice be allowed which is a source of annoyance to its residents or which interferes with the peaceful possession or proper use of the Property by its residents.

d) No unlawful use shall be made of the Property of any part thereof, and all valid laws, zoning ordinances and regulations of all governmental bodies having jurisdiction thereof shall be observed. Violations of laws, orders, rules, regulations or requirements of any governmental agency having jurisdiction thereof, relating to any portion of the Property, shall be eliminated, by and at the sole expense of the Unit Owners, or the Board of Managers, whichever shall have the obligation to maintain or repair such portion of the Property.

e) No portion of a Unit or other Limited Common Elements appurtenant thereto (other than the entire Unit including the Limited Common Elements appurtenant thereto), may be separately rented.

f) In the event the Board of Managers determines, via letter from the insurance agent providing insurance for the building, that the cost of insuring the building with the Commercial Units exceeds the cost of insuring the building without Commercial Units, then the Commercial Unit Owners shall be responsible for a special assessment in the amount of such overage. Commercial Unit Owners shall be entitled to a reimbursement equal to an amount determined by applying their common interest to the annual cost of water and sewer charges paid by the Condominium. Commercial Unit Owners shall be under a duty to maintain heat in their unit on a 24-hour basis, notwithstanding the operating hours of the business, so as to prevent any piping or building facilities which run through said Commercial Units from freezing or being otherwise damaged by any weather condition.

Section 11. Additions, Alterations or Improvements by Unit Owners:

No Unit Owner shall make any structural addition, alteration or improvement in or to his Unit, or which affects the exterior of the Building's Units, without prior written consent thereto of the Board of Managers. The Board of Managers shall have the obligation to answer in writing any written request by a Unit Owner for approval of a proposed structural addition, alteration or improvement in such Unit Owner's Unit, within thirty (30) days after such request, and failure to do so within the stipulated time shall constitute a consent by the Board of Managers to the proposed addition, alteration, or improvement. An application to any department of the City of New York or to any other governmental authority for a permit to make an addition, alteration or improvement in or to any Unit shall be executed by the Board of Managers only, without however, incurring any liability on the part of the Board of Managers or any of them to any contractor, subcontractor, or material man on account of such addition, alteration or improvement, or to any person having any claim for injury to person or damage to property arising therefrom.

In the event the Board of Managers grants its consent, either affirmatively or by its inaction, to any structural addition, alteration or improvement to be made by a Unit Owner, the consent shall provide that any such work shall be at the Unit Owner's sole cost and expense, that work shall be done in accordance with all governmental or quasi-governmental laws, rules, regulations, codes and ordinances, that all work shall be done by reputable contractors with adequate liability, property damage and worker's compensation insurances (certificates for which shall be delivered to the Board of Managers prior to the commencement of construction), that any additions, alterations or improvements, shall be maintained in their entirety by said Unit Owner who shall also be responsible for any repairs, including structural repairs, to such area in any event, and to the Unit and any Common Elements.

where such repairs become necessary due to additional stresses caused by the structural alteration, addition or improvement, or due to improper design or construction of the structural alteration, addition or improvement, and such approval shall further provide that the Unit Owner shall reimburse the Board of Managers any out-of-pocket expenses incurred by the Board of Managers in connection with the granting of such approval and in connection with any services provided to such alteration, addition or improvement; such expenses may include, but shall not be limited to, any fees of an attorney and/or fees of an architect consulted in connection with any request by a Unit Owner for approval of such work.

The provisions of this Section 11 which requires the consent of the Board of Managers in connection with a structural addition, alteration or improvement shall not apply to Units owned by the Sponsor or its designee. All other provisions of this Section 11 shall apply to all Units.

Non-structural alterations and improvements to Units that do not affect the exterior of the Buildings may be made without the prior approval of the Board of Managers.

Section 12. Use of Common Elements and Facilities: A Unit Owner shall not place or cause to be placed in the lobby, public halls, stairways or other common areas or common facilities, any furniture, packages or objects of any kind. The public halls and stairways shall be used for no purpose other than for normal transit through them. The Sponsor and any Sponsor-Designee shall have the right to use of the Common Elements, without charge, for the purpose set forth in Section II of this Article VI.

Section 13. Right of Access: A Unit Owner shall grant a right of access to his Unit, to the Manager and/or any other person authorized by the Board of Managers, the Manager or the Managing Agent, for the purpose of making inspections or for the purpose of correcting any condition originating in his Unit and threatening another Unit or a Common Element, or for the purpose of performing installations, alterations or repairs to the mechanical or electrical services or other Common Elements in his Unit or elsewhere in the Building in which the Unit is located, provided that requests for entry are made in advance and that any such entry is at a time reasonably convenient to the Unit Owner. In case of an emergency, such right of entry shall be immediate, whether the Unit Owner is present at the time or not. In the event of the exercise of the right of access provided in this Section 13, any costs for repairs shall be borne in accordance with the provisions of Section 10 of this Article VI. Each Unit Owner will be required to give a copy of his/her keys to his/her Unit to the President of

the Board of Managers who shall designate an authorized person or persons to keep the keys and use them in case of an emergency.

Section 14. Rules of Conduct: Rules and Regulations concerning the use of the Units and the Common Elements may be promulgated and amended by the Board of Managers. A majority vote of Unit Owners at a meeting may overrule the Board. Copies of such rules and regulations shall be furnished by the Board of Managers to each Unit Owner prior to the time when the same shall become effective. Initial rules and regulations, which shall be effective until amended by the Board of Managers are annexed hereto and made a part hereof as Schedule A.

Section 15. Water Charges and Sewer Rents: Water shall be supplied to all of the Units and the Common Elements through one or more building meters or pursuant to a frontage charge and, the Board of Managers shall pay, as a Common Expense except for the Commercial Unit which shall be separately metered and billed, all charges for water consumed on the Property and in the Units, together with all related sewer rents arising therefrom, promptly after the bills for the same shall have been rendered. In the event of a proposed sale of a Unit by the Owner thereof, the Board of Managers, on request of the selling Unit Owner, shall execute and deliver to the purchaser of such Unit or to the purchaser's title insurance company, a letter agreeing to pay all charges for water and sewer rents affecting the Property as of the date of closing of title to such Unit promptly after such charges shall have been billed. The Commercial Unit or Units shall be entitled to a credit against common charges for the portion of such common charges allocable to water/sewer charges for residential Units.

## ARTICLE VII

### Mortgages

Section 1. Notice to Board of Managers: A Unit Owner who mortgages his Unit shall notify the Board of Managers of the name and address of his mortgagee and shall file a confirmed copy of the note and mortgage with the Board of Managers; the Board of Managers shall maintain such information in a book entitled "Mortgages of Units".

Section 2. Notice of Unpaid Common Charges: The Board of Managers, when so requested in writing by a mortgage of a Unit, shall promptly notify any mortgagee of a Unit, of such Unit Owner's default, including non-payment of Common Charges, in the obligations of such Unit Owner under the Declaration, By-Laws, Rules and Regulations, as the same are amended from time to time,

or in any order of the Board of Managers issued with respect thereto.

Section 3. Notice of Default: The Board of Managers, when giving notice to a Unit Owner of a default in paying Common Charges or other default, shall send a copy of such notice to each holder of a mortgage covering such Unit whose name and address has heretofore been furnished to the Board of Managers.

Section 4. Examination of Books: Each Unit Owner and each mortgagee of a Unit shall be permitted to examine the books of account of the Condominium at reasonable times, on business days.

## ARTICLE VIII

### Condemnation and Termination

Section 1. Condemnation: In the event of a taking in condemnation or by eminent domain of part or all of the Common Elements, the award made for such taking shall be payable to the Board of Managers, if such award amounts to \$50,000.00 or less, and to the Insurance Trustee if such award amounts to more than \$50,000.00. If seventy-five (75%) percent or more of the Unit Owners duly and promptly approve the repair and restoration of such Common Elements, the Board of Managers or the Insurance Trustee, as the case may be, shall arrange for the repair and restoration of such Common Elements, and the Board of Managers or the Insurance Trustee, as the case may be, shall disburse the proceeds of such award to the contractors engaged in such repair and restoration in appropriate progress payments. In the event that seventy-five (75%) percent or more of the Unit Owners do not duly and promptly approve the repair and restoration of such Common Element, the Board of Managers shall disburse the net proceeds of such award in the same manner as they are required to distribute insurance proceeds where there is no repair or restoration of the damage, as provided in Section 3 of Article VI of these By-Laws. As used in this Section, the words "promptly approve" shall mean not more than sixty (60) days from the date of such taking.

Section 2. Termination: The Condominium may be terminated by the casualty loss, condemnation or eminent domain, in accordance with the provisions of the By-Laws, or by withdrawing the Property from the provisions of the New York Condominium Act if authorized by an affirmative vote of Unit Owners who own not less than eighty (80%) percent in number and in Common Interest of the Units. Sponsor or its designees will not vote its interests appurtenant to any Unsold Units for such withdrawal unless at least eighty (80%) percent in number and in Common Interest of all other Unit Owners have elected for such withdrawal, in which event the Sponsor may choose to vote

in favor of or against such withdrawal. In the event said withdrawal is authorized as aforesaid, the Property shall be subject to an action for partition by any Unit Owner or lienor as if owned in common, in which event the net proceeds of sale shall be divided among all the Unit Owners in proportion to their respective Common Interests. However, no payment shall be made to a Unit Owner until all liens to which his/her Unit are subject are paid off.

CERTIFICATION BY EXPERT ON ADEQUACY OF COMMON CHARGES PAYABLE BY  
THE COMMERCIAL UNIT OWNER PURSUANT TO SECTION 20 OF THE REGULATIONS  
ISSUED PURSUANT TO GENERAL BUSINESS LAW, ARTICLE 23-A, AS AMENDED

RE: 2615-2621 East 17th Street, New York, New York

The Sponsor of the condominium Offering Plan for the above captioned property retained me to review SCHEDULE B, which includes projections of common charges payable by owners of commercial units. Our experience in the field includes being a licensed real estate broker for over 18 years; the management of approximately 12 buildings; and, the sale of numerous condominium and rental properties. We are familiar with prices, practices, and procedures in the area of this condominium.

We understand that we are responsible for complying with Article 23-A of the General Business Law and the regulations promulgated by the Attorney General, Part 20 thereof, insofar as they are applicable to the commercial units listed in SCHEDULE B. We have reviewed the SCHEDULE as it impacts upon commercial units and investigated the facts set forth in the SCHEDULE, and the facts underlying it with due diligence in order to form a basis for this certification. We have also relied on our experience in managing residential buildings.

We certify that the projections in SCHEDULE B for common charges payable by the owners of commercial units appear reasonable and adequate under existing circumstances to meet the anticipated operating expenses fairly attributable to such commercial units for the projected first year of condominium operation, and that the allocation of common charges attributable to the commercial units also reflect special or exclusive use or availability, or exclusive control of, particular common areas.

CRT7

We certify that the estimates in SCHEDULE B for common charges payable by the owners of commercial units do:

1. Set forth in detail the projected common charges for the commercial unit for the first year of condominium operation;
2. Afford potential investors, purchasers and participants an adequate basis upon which to found their judgment concerning the common charges payable by owners of the commercial unit;
3. Not omit any material fact;
4. Not contain any untrue statement of a material fact;
5. Not contain any fraud, deception, concealment, or suppression;
