SPECIAL RISKS

1) The Sponsor is not limiting the conditions under which it will rent rather than sell units. There is no commitment to sell more units than the 15% necessary to declare the plan effective. Owner-Occupants, therefore, may never gain effective control and management of the condominium. See the INTRODUCTION, RIGHTS AND OBLIGATIONS OF THE SPONSOR, CONTROL BY SPONSOR and BOARD OF MANAGERS sections of this Offering Plan for a more complete explanation.

2) The By-Laws do not include a provision that after the initial sponsor control period, a majority of the Board of Managers must be Owner-Occupants or member of an owner occupant's household, who are unrelated to the Sponsor and its Principals. Owner-Occupants and non-resident owners, including the Sponsor, may have inherent conflicts on how the Condominium should be managed because of their different reasons for purchasing, i.e., purchase as a home, as opposed to purchase as an investment. See the INTRODUCTION, RIGHTS AND OBLIGATIONS OF THE SPONSOR, CONTROL BY SPONSOR and BOARD OF MANAGERS sections of this Offering Plan for a more complete explanation.

3) The Condominium Board does not have the right to approve or disapprove Purchasers, so that there is no limit on the number of owners who may purchase for investment rather than personal occupancy. There may always be a substantial percentage of owners who are non-residents.

4) The Sponsor has made, and will pursue, an application for abatement and exemption of taxes under 421-a of the Real Property Tax Law of the State of New York, and shall make all filings necessary to obtain such benefits. Upon closing, the Sponsor will make all tax benefit documents available to the Condominium for inspection and copying for the life of the benefits. The Sponsor will timely file all applications and timely comply with all procedures required to properly process and maintain the benefits. Sponsor will make the application at his own cost and expense. Sponsor will use his best efforts to obtain the real estate tax benefits set forth herein. A preliminary Letter of Eligibility will be obtained prior to the first closing; a Final Certificate of Eligibility cannot be applied for until after the Certificate of Occupancy is obtained. If a preliminary Certificate of Eligibility cannot be obtained, the Offering Plan will be amended, prior to any closings, to disclose the unavailability of real estate tax benefits; and the purchaser will be offered a right of recession. It is anticipated that benefits will commence within one year after said date, but will apply retroactively to the date on which the Certificate of Occupancy was obtained; so that a Purchaser who pays

real estate taxes in excess of the amount due after benefits may be entitled to a refund or remission. As a result of the foregoing, if a Purchaser acquires his unit after the effective date of commencement of benefits, a portion of the benefits will have expired.

NO WARRANTY IS OR CAN BE MADE THAT THE BENEFITS SET FORTH HEREIN WILL BE OBTAINED. IN THE EVENT THE BENEFITS ARE NOT OBTAINED, OR IN THE EVENT THERE ARE INCREASES IN THE TAX RATE OR THE PROPERTY'S ASSESSED VALUATION, OR IN THE STATUTES GOVERNING THE TAX BENEFITS, REAL ESTATE TAXES MAY HIGHER THAN SET FORTH ABOVE FOR THE FIRST YEAR OF OPERATION AND IN FUTURE YEARS. HENCE, INDIVIDUAL CARRYING COSTS FOR ALL UNITS WOULD ALSO BE HIGHER.

Prospective purchasers are urged most strongly to read the section entitled REAL ESTATE TAX BENEFITS OPINION included herein.

5) Closing will not take place, and no individual condominium apartment will be sold until a permanent or temporary Certificate of Occupancy has been obtained for the premises. In the event closing occurs after the issuance of a temporary Certificate of Occupancy, but prior to the issuance of permanent Certificate of Occupancy, then it will remain the obligation of the Sponsor to, at its own cost and expense, obtain such permanent Certificate, and the Certificate must be obtained within two (2) years from date of closing. Prior to obtaining the permanent Certificate of Occupancy, the Sponsor is required to either: a) maintain all deposits and funds in a special escrow account required by GBL-352e (2)(b) unless the Sponsor's engineer or architect certifies that a lesser amount will be reasonably necessary to complete the work needed to obtain the permanent Certificate of Occupancy, in which case the sum exceeding the amount so certified may be released; or, b) deposit with an escrow agent an unconditional, irrevocable letter of credit, or post a surety bond, in the aforesaid specified amount, in accord with the regulations of the New York State Department of Law. See RIGHTS AND OBLIGATIONS OF THE SPONSOR section of this Offering Plan.

Buyers are strongly advised to visit the Department of Buildings website/Consumer Tips, for it's recommendation concerning appropriate protective actions to be taken when buying units in the condominium that does not have a final Certificate of Occupancy.

6) There are numerous time constraints imposed in the Purchase Agreement set forth in Part II of this Offering Plan. **Time is of the essence** as to all such time constraints. This means that if the Purchaser fails to perform within the applicable time frame, he may waive substantive rights, or incur a forfeiture of substantial sums of money. Thus, a purchaser who fails to cure a default within thirty (30) days after receipt of written notice of said

default, will both have the Contract canceled, and lose his downpayment. Similarly, a purchaser who fails to notify the Sponsor in the event he has failed to obtain mortgage financing within forty (40) days after executing the Purchase Agreement, will be conclusively deemed to have waived the mortgage contingency set forth in item 23 of the PURCHASE AGREEMENT in PART II of this offering plan, and will be required to proceed to closing, notwithstanding the fact that purchaser has failed to obtain mortgage financing; and, if such purchaser fails to proceed to closing, the down payment may be retained by the Sponsor. Purchasers are advised to consult with their attorney concerning all terms of this offering. Please see section of this Plan entitled PROCEDURE TO PURCHASE, and the PURCHASE AGREEMENT, set forth in Part II, for a statement of all applicable time limitations.

7) The terms of this Offering Plan transfer the statutory obligation to pay New York City Real Property transfer taxes (1% of purchase price for residential units, and New York State Documentary Stamp Taxes (\$4.00 per thousand) to the Purchaser, so that the cost of such taxes represent an additional closing cost to the Purchaser, and an additional item of consideration on which transfer taxes must be paid. Additionally, the Purchaser is responsible for paying to the Sponsor's attorney a document preparation fee of \$1,100.00, and may be responsible for certain other fees such as travel fees and default fees. Finally, Purchaser will pay Sponsor a fee of \$2,500.00 as partial reimbursement for the cost of preparing and filing the Offering Plan. See section of the Offering Plan entitled CLOSING COSTS AND ADJUSTMENTS.

8) At the earlier of the fifth anniversary of the first closing date, or such time as less than fifty percent of the units of the Condominium constitute unsold units, control of the Condominium shall be transferred to a Board of Managers elected by unit owners other than Sponsor. Notwithstanding the foregoing, the Sponsor may cast its vote for unit owners of its choice other than those related to the Sponsor or holders of unsold units. Prior to that time, the Condominium will be controlled by a Board of Managers elected by the Sponsor. There are certain limitations on actions which can be taken by the Sponsor while he remains in control of the Board of Managers, which limitations are set forth in the CONTROL BY THE SPONSOR of this Offering Plan.

Until the earlier of five (5) years from the date of closing, or at the time at which the Sponsor or other Holder of Unsold Units owns units consisting of less than 25% of the common interest of the Condominium, Sponsor may exercise veto power over any expenses other than those expenses described in Schedule B or expenses required to comply with applicable laws or regulations, to remedy

any notice of violation or to remedy any work order by an insurer. Additionally, so long as the sponsor retains ownership of at least one unit in the building, the By-Laws, Declaration, and Rules and Regulations of the Condominium, may not be amended or modified in any way so as to adversely affect the Sponsor without written consent by the Sponsor.

See section of the Offering Plan entitled CONTROL BY THE SPONSOR for a more complete explanation.

9) Sponsor is liable for all common charges, special assessments, and real estate taxes with respect to unsold units, and represents that Sponsor has financial resources to meet these obligations. However, no bond or other security has been furnished to secure the Sponsor's obligations. Please see section of the Offering Plan entitled RIGHTS AND OBLIGATIONS OF THE SPONSOR for a more detailed explanation.

10) Pursuant to existing law and regulation, the Sponsor may declare the plan effective by entering into a contract for a minimum of 15% of the apartments in the building. In the event purchase agreements counted towards the minimum number of unit sales required to declare the plan effective fail to close, it is possible that the building will be converted to condominium status with less than 15% of the apartments in the building actually sold to purchasers. Please see EFFECTIVE DATE section of this Offering Plan.

11) Purchasers should note that in the current real estate market, banks and other lenders are imposing various restrictions on loans. Such restrictions include requiring that a certain percentage (such as 50% or more) of the apartments in a building be sold before the lender will consider making a loan. Thus, it may be possible for a Purchaser to experience difficulty obtaining a loan in a building where the percentage of units purchased is lower than a lender's particular sales minimum.

Even after a building undergoes conversion, lenders may still impose minimum sales requirements before granting a loan. It then may be difficult for a Purchaser to resell an apartment if prospective buyers are unable to obtain a loan due to such minimum sales requirements. See PROCEDURE TO PURCHASE section of Offering Plan.

12) All funds received by the Sponsor for upgrades or extras must initially be placed in the escrow account set forth herein. However, Purchaser should note that such funds may be released from the escrow account by the escrow agent as long as the Sponsor uses the funds for such upgrades or extras. As a result, in the event the Purchaser is entitled to a rescission, the Purchaser will not

receive a refund of any funds used for upgrades or extras. See PROCEDURE TO PURCHASE Section of this Offering Plan.

13) All down payments will be placed in an IOLA account. The account (but not individual deposits) will be federally insured up to \$100,000. IOLA stands for "interest on lawyer accounts," and is a special segregated escrow account maintained by an attorney. Interest earned on an IOLA account does not accrue to the benefit of either the buyer or the seller but is paid over to the state of New York. Please see PROCEDURE TO PURCHASE section of this Offering Plan.

14) Numerous apartments in the premises shall have allocated as a limited common element a terrace or balcony. No structure of any kind may be built on these areas other than temporary structures such as, wood decking, railings, screened tents, gazebos etc. Unit owners will be responsible for items of regular maintenance such as cleaning, painting, snow removal and repair and replacement of surface or railings as necessary; condominium will remain responsible for repair structural items such as girders, beams or bulkheads. These areas may not be enclosed so as to create additional dwelling rooms; use of these areas as a dwelling room may result in the violation being placed against the building which will be the obligation of the individual unit owner to remove. Please see the DESCRIPTION OF PROPERTY AND IMPROVEMENTS section of the Offering Plan for a more complete explanation.

15) Each commercial unit owner will be required to maintain heat supply to his premises on a 24 hour a day basis, so as to not create an undue heating burden on residential units within the building. Failure of the commercial unit owner to maintain such heating after regular business hours may result in substantial heat loss in the heating pipes traversing these commercial units to serve the residential units located above; and thus may substantially increase heating cost to the building. In the event the commercial unit owner fails to maintain his heat supply on such a basis, the condominium board shall have the power to compel compliance with this requirement. Please see COMMERCIAL UNITS section of this Offering Plan for a more complete explanation.

16) There will be separate water meters serving the commercial unit. On account of this the commercial unit will be entitled to a credit against common charges due to the condominium for its proportionate share of the water bill of the residential units included in the common charges. Please see the COMMERCIAL UNITS section of this Offering Plan for a more complete explanation.

17) The commercial unit located on the first floor is designated as a "community facility." Community facility is special designation allowing commercial use within a residential

district. Uses which fall under the community facility rubric include synagogue or other religious gathering place; community meeting room; clinic; outpatient medical facility; substance abuse treatment center; counseling center; or any other use which directly benefits the immediate community. It is currently anticipated, and the Certificate of Occupancy will reflect, that the proposed use is as a non-custodial medical facility; however, the commercial unit retains the right to amend the Certificate of Occupancy to allow any use permitted by the community facility designation. Additionally, medical offices may not be used as dwelling spaces. Use of these areas for dining, sleeping, or office use may result in a violation being placed against the building which would be the obligation of the individual unit owner to remove at their own cost and expense. Please see the COMMERCIAL UNITS section of the Offering Plan for a more complete explanation.

The commercial unit located in the basement of the subject premises is not designated as a community facility, and may be utilized for retail or office uses.

18) A commercial unit owner has the right to sub-divide his unit into any number of small units provided that the total allocation of common interest of the commercial units may not be altered by such sub-division and further provided that said all such subdivisions must be in conformity with applicable zoning rules and a Certificate of Occupancy for the premises. Additionally, a unit owner is not limited to its current anticipated use as a non-custodial medical care facility, but may utilize the unit for any purpose consistent with the community facility designation such as an outpatient clinic, a synagogue or community meeting area. Please see the COMMERCIAL UNITS section of this offering plan for a more complete explanation.

19) Square footages indicated for units in SCHEDULE A are the result of a "gross" square footage calculation. Measurement of gross square footage includes the entirety of exterior walls, the partition walls that divide the units from common areas, as well as one half of any wall dividing a unit from another unit. As a result, the usable floor area of each unit will be significantly smaller than the square footage set forth in SCHEDULE A. Please see FOOTNOTES TO SCHEDULE A in Part I, and the ARCHITECT'S REPORT in Part II of this Offering Plan for a more complete explanation.

20) The Sponsor may rent the required accessory off-street parking spaces to non-residents of the building, for periods of not less than one week and not more than one month. All required accessory off-street parking spaces shall be made available to residents within 30 days after written request made to the Sponsor, by such residents.

21) The heating provided by the owner of the commercial unit shall be sufficient to maintain the minimum temperatures provided by "local law, ordinance, rules, or regulation" as if the commercial unit was used for living purposes.

INTRODUCTION

This is an Offering Plan for the sale of condominium apartments at 5805 7th Avenue, Brooklyn, New York. The purpose of this plan is to fully set forth all material terms of the offer. This plan may be amended from time to time, if such amendment is filed with the New York State Department of Law. Any such amendments will be served on all prospective Purchasers who have executed a Purchase Agreement for any apartment, all unit owners, and all other persons entitled to service pursuant to local law or statute.

The Sponsor of this offering is Hang Seng Capital Group LLC. The principals of the Sponsor are Chiu Wong, Yun Yun Hui and Wei Ming Wong. The Sponsor acquired the property on February 16, 2005. Units will be conveyed free and clear of any mortgages, liens, or other encumbrances. Units will be conveyed by delivery of a UNIT DEED set forth in Part II of this Offering Plan.

The prices contained in this offering, as set forth in SCHEDULE A, are set by the Sponsors, and are not subject to approval by the New York State Department of Law, or any other governmental agency.

This Condominium will be subject to, and in compliance with, the New York State Condominium Act, Article 9-B of the New York Real Property Law.

This plan, including all schedules and exhibits submitted herewith, constitutes the entire Offering Plan. Copies of the plan and Parts A, B, C and D of the exhibits will be available for inspection to potential purchasers and their attorneys at the office of the Sponsor indicated on the front cover of this Offering Plan, and the New York State Department of Law, Investment Protection Bureau (Real Estate Financing Bureau), 120 Broadway, New York, New York, without charge; and for copying, at a reasonable charge.

The premises consists of a single building composed of seven stories and a cellar and a basement, and containing in aggregate twenty-six (26) residential units, two (2) commercial units (one of which is designated as community facility unit) and one parking unit which is not being offered for sale. The property is located in the Sunset Park section of Brooklyn. There will be no on-site laundry facilities. There is a common recreation area located on the roof of the subject premises.

The Certificate of Occupancy allows use of one of the commercial units at the subject premises as community facility unit, such as an outpatient clinic, synagogue or other religious gathering place, or community meeting room. It is currently anticipated that the commercial unit will be utilized as non-custodial medical care

facility, and that unit CB will be utilized as a retail or office space; however, the owner has the right, without board approval, to change the use so long as it is consonant with the zoning and the Certificate of Occupancy. See DESCRIPTION OF PROPERTY AND BUILDING CONDITION included in Part II of this Offering Plan.

This offering is made only to individuals over the age of 18.

In accordance with the provisions of the Laws of the City of New York, the Sponsor represents that neither the Sponsor, nor the Condominium nor the Selling Agent will discriminate against any person because of his race, creed, color, sex or sexual orientation, national origin, ancestry, or any other reason prohibited by civil rights law in the sale of apartments offered by this Plan, or in the leasing of any apartment in the Building. Unit owners have an unrestricted right to lease, sell or mortgage units. Use of units is limited to residential use, and appurtenant home office use.

This is a newly constructed building. Work on the building is scheduled for completion in June of 2008. The foundation work has been completed, and construction of the exterior walls has been commenced at this time.

Ownership of a Condominium Unit resembles in many ways ownership of a private home. Basic aspects of condominium ownership include:

(1) Each purchaser owns his unit outright and is entitled to exclusive possession of his unit. Each purchaser also has an interest, and a right to use common elements and the exclusive right to use limited common elements of the building. However, each unit owner is obligated to comply with the Declaration, By Laws, rules and regulations, and any other requirements of the Board of Managers.

(2) Common elements are parts of the Property, in addition to his/her own Unit, which a Unit Owner owns in common with the owners of all other Units, such as entryways, stairways, hallways, utility areas, and similar elements of the building, which serve all Unit Owners. A Unit Owner will share the non-exclusive right to use the Common Elements with all other unit owners.

Limited Common Elements are those areas appurtenant to a particular Unit or Units, the use of which is restricted to the owner(s) of such Unit or Units, but which are not owned by that unit owner. Thus, in this condominium, numerous elements will have allocated as a limited common element a terrace or balcony as indicated in the FLOOR PLANS in Part II of this Offering Plan.

(3) After filing of the Declaration, each unit will be separately taxed and may be separately mortgaged; each unit owner may deduct from adjusted gross income for income tax purposes real estate taxes and mortgage interest. No unit owner will be responsible for payment of, or any lien arising out of non payment of, real estate taxes assessed against any other unit in the building.

(4) Each Unit Owner may vote for the members of the Board of Managers, which is the group elected by unit owners to operate the Condominium. The Board of Managers will set common charges based on cash needs of building operation, decide on special assessments, and, in general, make all decisions necessary to run the building.

(5) Each unit owner must pay common charges in accordance with the New York Condominium Act (Real Property Law Sections 339 (i) and (m)), and any applicable state or local law. The common charges payable under the By-Laws will be based strictly on the projected cash requirements of ownership and operation of the Property and may include an allowance for contingencies, replacements, and/or repairs. Furthermore, the Board of Managers may impose special assessments in order to meet emergencies, contingencies, or other unforeseen events, which will become the financial obligation of each purchaser of a Condominium Apartment. These assessments will be levied in direct proportion to the percentage of common interest allocated to each apartment.

(6) Individual purchasers should explore obtaining insurance coverage, which would be at their own cost and expense, to insure them for such risks as fire and casualty losses in their apartments to their personal contents therein, as well as liability insurance for each occurrence which might occur within their respective apartments.

(7) Unit owners are responsible for maintenance and repairs to their individual units.

(8) The condominium Board does not have the right to approve or disapprove Purchasers, so that there is no limit on the number of owners who may purchase for investment rather than personal occupancy. There may always be a substantial percentage of owners who are non-residents.

(9) Each unit owner is obligated to comply with the Declaration, the By-Laws, rules, and regulations, and any other requirements of the Board of Managers.

The purchase prices, estimated common charges and estimated real estate taxes for the first year of Condominium operation are set forth in SCHEDULE A. The projected budget for the first year of Condominium operation is set forth in SCHEDULE B.

While the Sponsor will endeavor in good faith to sell all units, the Sponsor is not limiting the conditions under which it will rent rather than sell units. There is no commitment to sell more units than the 15% necessary to declare the plan effective. Owner-Occupants, therefore, may never gain effective control and management of the condominium. Additionally, the By-Laws do not include a provision that after expiration of the initial Sponsor control period, a majority of the Board of Managers must be Owner-Occupants or member of an owner occupant's household, who are unrelated to the Sponsor and its Principals. Owner-Occupants and non-resident owners, including the Sponsor, may have inherent conflicts on how the Condominium should be managed because of their different reasons for purchasing, i.e., purchase as a home, as opposed to purchase as an investment. If the Sponsor makes a bulk sale of all or some of its unsold units, the transferee successor is bound by Sponsor's representation regarding its commitment to sell units.

THE PURCHASE OF A CONDOMINIUM APARTMENT HAS MANY SIGNIFICANT LEGAL AND FINANCIAL CONSEQUENCES AND MAY BE ONE OF THE MOST IMPORTANT FINANCIAL TRANSACTIONS OF YOUR LIFE. THE ATTORNEY GENERAL STRONGLY URGES YOU TO READ THIS OFFERING PLAN CAREFULLY AND CONSULT WITH AN ATTORNEY BEFORE SIGNING AN AGREEMENT TO PURCHASE A CONDOMINIUM.

DESCRIPTION OF PROPERTY AND IMPROVEMENTS

The structure which is the subject of this Offering Plan consists of a single building comprised of seven stories and a cellar and a basement, and containing in aggregate twenty-six (26) residential units; two (2) commercial units; and one (1) parking unit which is not being offered for sale. The commercial units consist of a basement commercial unit which is designated for retail or office space; and a first floor commercial unit which is designated as a community facility. The parking unit contains fourteen parking spaces which will be available on a month to month rental basis to unit owners on a first-come, first-served basis, at an anticipated initial monthly rent of \$250.00 (although the Sponsor reserves the right to rent the spaces at a higher or lower rate, depending on market conditions). The Sponsor will determine the rent at the time the rental agreement is entered into. The property is located in the Sunset Park section of Brooklyn. There will be no on-site laundry facilities. There will be a roof top common recreation area of approximately 178 square feet. This roof top common recreation area will be separate and distinct from the roof top private terraces allocated to Units 7A and 7B. The area will be separated from other roof terrace areas by a fence or other divider; will be protected by the building parapet wall; and will not be covered with pavers, decking, or other protective material. All cabinetry and fixtures in kitchens and baths will be new. All residential units will be equipped with a stove (GE Model Excel 44) and to the extent the Purchaser elects to install any other appliances in their unit, same will represent an additional cost of purchasing the unit. See DESCRIPTION OF PROPERTY AND BUILDING CONDITION included in Part II of this Offering Plan.

Two (2) of the parking spaces included in the parking unit are designated as handicapped accessible. These spaces may only be leased on a month to month basis. In the event a handicapped unit owner notifies the Sponsor of his desire to rent one of these parking spaces, the existing lease must be terminated at the end of the month in which such notice is received; and the handicapped unit owner must be afforded the opportunity to rent the space.

This is a newly constructed building. It is anticipated that construction will be completed in June of 2008.

Limited Common Elements are those areas appurtenant to a particular Unit or Units, the use of which is restricted to the owner(s) of such Unit or Units, but which are not owned by that unit owner. Thus, in this condominium, numerous elements will have allocated as a limited common element a terrace or balcony as indicated in the FLOOR PLANS in Part II of this Offering Plan.

The Sponsor will complete the work set forth in this plan relating to the building, and the apartments contained therein, in conformity with the Building Code section of the New York City Administrative code and the New York City Zoning Resolution of 1961 as amended, and subject to procurement of all applicable and proper permits which are required, if any. All residential units will be equipped with operable smoke and carbon monoxide detectors as required by the New York City Administrative Code.

Each unit has attached to it certain limited common elements. Limited Common Elements are those areas appurtenant to a particular Unit or Units, the use of which is restricted to the owner(s) of such Unit or Units, but which are not owned by that unit owner. Thus, in this condominium, units on the Third through Sixth floors will have allocated as a limited common element a balcony or balconies. Also, all Second through Seventh floor units and 7A will have allocated as a limited common element, a roof terrace or terraces, as indicated on the FLOOR PLANS in Part II of this Offering Plan. The Unit Owner will be responsible for maintenance of the roof area including any decking installed (while decking, pavers, or other protective material is not required for the recreational use of the roof; unit owner may install such material at his own cost and expense, without any required approval from either the Board of Managers or the New York City Buildings Department), and repair or replacement of surface material where damaged. The Condominium shall remain responsible for the structural elements, such as rafters, bulkheads, etc.

The Sponsor hereby adopts the detailed description of property and building condition set forth in the section entitled DESCRIPTION OF PROPERTY, SPECIFICATIONS, and BUILDING CONDITION of this Offering Plan. With reference to such material, a licensed architect prepared the description of property and building condition contained therein. Prospective purchasers are urged to refer to said section for a more complete understanding of the physical condition of the subject property and building.

Each commercial unit owner will be required to maintain heat supply to his premises on a 24 hour a day basis, so as to not create an undo heating burden on residential units within the building. Failure of the commercial unit owner to maintain such heating after regular business hours may result in substantial heat loss in the heating pipes traversing these commercial units to serve the residential units located above; and thus may substantially increase heating cost to the building. In the event the commercial unit owner fails to maintain his heat supply on such a basis, the condominium board shall have the power to compel compliance with this requirement. Please see COMMERCIAL UNITS section of this Offering Plan for a more complete explanation.

There will be separate water meters serving the commercial unit. On account of this the commercial unit will be entitled to a credit against common charges due to the condominium for its proportionate share of the water bill of the residential units included in the common charges. Please see the COMMERCIAL UNITS section of this Offering Plan for a more complete explanation.

The commercial located on the first floor is designated as a "community facility." Community facility is special designation allowing commercial use within a residential district. Uses which fall under the community facility rubric include synagogue or other religious gathering place; community meeting room; clinic; outpatient medical facility; substance abuse treatment center; counseling center; or any other use which directly benefits the immediate community. It is currently anticipated, and the Certificate of Occupancy will reflect, that the proposed use is as a non-custodial medical facility; however, the commercial unit retains the right to amend the Certificate of Occupancy to allow any use permitted by the community facility designation. Additionally, medical offices may not be used as dwelling spaces. Use of these areas for dining, sleeping, or office use may result in a violation being placed against the building which would be the obligation of the individual unit owner to remove at their own cost and expense. Please see the COMMERCIAL UNITS section of the Offering Plan for a more complete explanation.

The commercial unit located in the basement of the subject premises is not designated as a community facility, and may be utilized for retail or office uses.

A commercial unit owner has the right to sub-divide his unit into any number of small units provided that the total allocation of common interest of the commercial units may not be altered by such sub-division and further provided that said all such subdivisions must be in conformity with applicable zoning rules and a Certificate of Occupancy for the premises. Additionally, a unit owner is not limited to its current anticipated use as a non-custodial medical care facility, but may utilize the unit for any purpose consistent with the community facility designation such as an outpatient clinic, a synagogue or community meeting area. Please see the COMMERCIAL UNITS section of this offering plan for a more complete explanation.

FOOTNOTES TO SCHEDULE A

1. The square footage indicated in SCHEDULE A is a "gross" square footage figure, and is calculated by the standard mathematical formula of multiplying the length of an area by the width of an area; and adding together for each apartment all of the areas contained therein. The unit boundaries used for calculating the foregoing square footage are "exterior" boundaries, and include as part of the unit the entirety of any exterior walls and any walls partitioning the unit from common elements; as well as one-half the area of any walls partitioning the unit from other units. As a result, the usable floor area of the apartment will be significantly smaller than the measurements set forth in SCHEDULE A. The estimated square footage of each unit is based on the FLOOR PLANS and ARCHITECT'S DESCRIPTION OF PROPERTY set forth in Part II of this Offering Plan, and may vary, within reasonable tolerances, from the "as-built" square footage as subsequently described in the condominium Declaration.

2. The room count is based on the method suggested by the Real Estate Board of New York. This method counts each fully partitioned room as one room, and each bathroom containing a sink, toilet, and shower or bath as a full bathroom. Multi-use rooms, such as living/dining rooms are counted as a single room. Baths which do not include a tub or shower are counted as half baths. Additionally, the square footage set forth in SCHEDULE A is approximate, and may differ, from the square footage specified for this unit in Schedule B to the Condominium Declaration. See the sections entitled DESCRIPTION OF PROPERTY AND BUILDING CONDITION, and FLOOR PLANS, both of which are included in Part II of this Offering Plan, for a more complete description of each apartment.

3. The determination of percentages of Common Interest allocated to each unit is based upon floor space, subject to the location of such space, and the additional factors of relative value to other space in the condominium, the uniqueness of the unit, the availability of common elements for exclusive or shared use, and the overall dimensions of a particular unit, as per Section 339(i)(1)(iv) of the New York State Real Property Law.

4. Across-the-board changes in unit prices, advertised price changes, and increase in individual unit prices may be made by an amendment duly-filed with the New York State Department of Law; however, individually negotiated reductions in the purchase price of a unit may be made without prior amendment. Purchasers will also incur certain closing costs in connection with the purchase of their unit. See CHANGES IN PRICES IN UNITS and CLOSING COSTS sections of this Offering Plan.

5. Projected Common Charges for the first year of operation include only those expenses which are enumerated in SCHEDULE B. Maintenance charges do not include such expenses as repairs to the interior of the owner's unit, and the owner's individual gas, electricity, and telephone expenses; individual costs for heat and hot water for each apartment is set forth in SCHEDULE B1 of this Offering Plan. Moreover, if the purchaser should obtain financing for the purchase, the debt service on that loan will be an additional expense not covered by the Common Charges. Common Charges are arrived at by allocating to each unit a share of the Monthly Charges proportionate to the Common Interest which that unit bears in the condominium.

6. After the condominium is divided into individual tax lots, each lot will be separately taxed for New York City property tax purposes. A unit owner will not be responsible for the payment of, nor will the unit be subject to, any lien arising from the non payment of taxes on other units. Sponsor is applying for Real Estate Tax Benefits pursuant to Section 421-a of the New York State Real Property tax law. This will result in an exemption of the building from increase in actual assessed valuation due to improvements to the premises for a period of twenty-one (21) years, with the full assessment thereafter being phased in over a five (5) year period. Sponsor has obtained an opinion from Ben Rottenstein Associates Inc., 56 Willoughby Street, Brooklyn, NY 11201, as to the likely effects of Sponsor's application for Real Estate Tax Benefits; Purchasers are directed to the section of this Offering Plan entitled REAL ESTATE TAX BENEFITS OPINION for a complete explanation.

The anticipated date of completion of construction is June of 2008.

Calculations of Real Estate Taxes are arrived at by applying the current tax rate to the assessed value, and then allocating the resulting taxes in direct proportion to the allocation of common interest. In the event Tax Abatement and Exemption benefits are obtained, the assessed value will be based on the pre-construction assessed value of \$32,448.00. In the event tax exemption benefits are not obtained, the assessed value used for calculations is the \$5,850,000.00 post-completion assessed value estimated by the Sponsor's real estate tax exemption and abatement expert, and set forth in his letter included in this Plan. In either case, the tax rate used for the calculation is 11.928%, which is the current tax rate. Unit owners shall be entitled to deduct real property taxes paid on the unit for income tax purposes. See TAX OPINION hereinafter set forth for a more complete discussion.

7. Monthly carrying charges are composed of the monthly common charges and the monthly real estate taxes projected against each unit.

8. While Sponsor is applying for real estate tax benefits, and the expert opinion included in this Offering Plan projects that such benefits are available and will be granted no guarantee can be, or is made, that said benefits will be obtained, or will continue to be available. Therefore, Sponsor has projected in Schedule A the real estate taxes in the event no such benefits are obtained.

9. Monthly carrying charges in the event benefits are not obtained are composed of the monthly common charges plus the monthly real estate taxes without benefits as set forth in column 9. Unit owners who itemize their deductions should, for federal income tax purposes, be entitled to a deduction for real estate taxes in the year in which same are paid or accrued. The projected tax deduction may vary in future years due to changes in the interest rate on the unit owner's mortgage (if any), or from changes in the allocation of constant debt service payments to interest and principal; or due to changes in real property taxes resulting from the expiration of real estate tax benefits, or from changes in the assessed value, tax rates, or the method of assessing real property; or from changes in the tax laws governing deductibility of mortgage interest and real estate taxes. Please see the TAX OPINION LETTER set forth in this Offering Plan for a more complete explanation.

FOOTNOTES TO SCHEDULE B

1. The projected charges set forth in SCHEDULE B are based on an estimate provided by Milestone CJ Contracting, Inc., 5212 7th Avenue, Brooklyn, New York 11220, and anticipates 20,000 therms used at a cost of \$1.50 per therm. The estimate includes a 10% allowance for inflation, and all applicable state and local taxes.
2. The Sponsor has obtained an estimate from Eric & NG Electrical Inc., 155 Suffolk Street, New York, New York 10002, of approximately 74,880 kilowatt hours per year of electrical usage for the common areas at .25 cents per kilowatt hour. The projected cost in SCHEDULE B includes a 10% allowance for inflation, and the cost of all applicable state and local taxes. Purchasers shall be responsible for individual utility costs for their own apartments.
3. Water is supplied to the building by the City of New York through a single water meter serving the residential portion of the premises, and a separate meter serving the commercial unit. Projected water and sewer costs are based upon a current New York City estimate of 400 gallons, or 53 cubic feet, per day per residential unit, current charges of \$1.81 per 100 cubic feet of water consumed, and sewer charges of \$2.87 per 100 cubic feet of water consumed. Projected figure also includes a 10% allowance for inflation.
4. Repairs and maintenance to building: The budgeted figure is based on normal maintenance and repairs to the common elements of the building and its systems and equipment. Insofar as this is a newly constructed building it is not anticipated that any major repairs will be required. The budgeted figure includes such items of regular maintenance as cleaning, painting and minor mechanical, carpentry, or electrical work. Individual unit owners will be responsible for the cost of interior repairs, and decorations, and painting of their respective apartments, including appliances. The budgeted figure also includes the cost of elevator maintenance estimated at a cost of \$250.00 per month for an elevator maintenance contract. The projection is based on the Sponsor's experience with similar buildings.
5. Services and supplies: These include items expected to be consumed in the normal course of building operation, including light bulbs, cleaning supplies, paints, and hardware items. The projection is based on the Sponsor's experience with similar buildings.

6. Insurance: Sponsor has received a letter from Eastern Brokerage Inc, 70 Bowery, Suite 402, New York, New York 10013, estimating the cost of coverage for the building in the following coverage amounts:

Building.....\$6,000,000 "All Risk" agreed amount
Replacement Value

Lost Common Charges.....12 Months

Liability.....\$1,000,000 Per Occurrence
\$2,000,000 Aggregate

Deductible.....\$5,000

The foregoing insurance, including the public liability coverage included therein will be in effect at the time of closing. The insurance company has advised the Sponsor via letter that in its opinion, the amount of coverage is adequate to rebuild the building structure if totally destroyed by any insured peril; however, the policy does not guaranty the replacement of individual fixture and improvements installed by individual unit owners. This policy waives a standard co-insurance clause, so that no insured thereunder shall be a co-insurer. The policy will provide that:

- (i) each unit owner will be an additional insured;
- (ii) there will be no cancellation without notice to the board of managers and individual unit owners;
- (iii) will waive subrogation;
- (iv) will waive invalidity because of the acts of the insured and individual unit owners;
- (v) and, will waive pro rata reduction if individual unit owners obtain additional individual coverage.

The policy does not include umbrella coverage or blanket fidelity, which can be provided at extra cost. Purchasers are advised of the desirability of obtaining additional insurance, at their own cost and expense, to cover such risk as fire and casualty losses to unit contents, replacements, additions, up-graded fixtures and improvements, and liability coverage for occurrences within the unit or, where applicable, on the limited common elements pertinent to the units.

7. Legal and Accounting Fees: This figure is based on the estimate received from Steven Flax, 875 Sixth Avenue, Suite 1716, New York, NY 10001, a certified public accountant, by the Sponsor for preparation of a certified financial statement for the first year of operation and City, State and Federal tax returns, which estimate was \$2,500.00. The balance of the budgeted figure, \$1,000.00, anticipates minor legal services during the first year

of operation, but would be insufficient to cover any substantial litigation.

8. The budgeted figure anticipates one full-time superintendent at approximately \$30,000.00 per year. The project costs include all required taxes and benefits, including FICA, state and federal unemployment insurance, workers compensation and disability insurance. The budgeted figure does not anticipate use of union personnel, which would result in a higher annual cost, and would require a concomitant increase in common charges. The level of staffing anticipated complies with all applicable housing and labor statutes. The superintendent will be able to provide regular maintenance services such as changing of light bulbs, trash removal, common area cleaning, and snow removal. Plumbing, heating, electrical, mechanical, or carpentry work will require the engagement of personnel for those purposes.

The superintendent will not reside on premises, but will be available on a twenty-four (24) hour a day, seven (7) day a week emergency basis; however, use of the superintendent for more than 40 hours per week may in result in additional charges which, exceed the miscellaneous portion of the budget, may result in an increase in common charges or an assessment against unit owners. The superintendent will be able to provide regular maintenance services such as changing of light bulbs, trash removal, common area cleaning, snow removal, painting and minor repairs. Complex plumbing heating, electrical, mechanical or carpentry work etc.

9. The Sponsor, or an entity designated by the Sponsor, will manage the building for the first year of condominium operation for the budgeted figure. If Sponsor designates another entity to manage the premises, the plan will be amended to disclose this entity. The budgeted figure is based on the Sponsor's charge to the condominium for such management services. Managing agent services for similar sizes and types of property in the same general vicinity as this project typically average 6-10% of the operating budget; therefore, the projected figure supplied by the Sponsor is fully in accord with market rates or managing agent services for this type of property in this area. Management activities will include maintenance of checking and savings accounts for the condominium; collection of monthly common charges; payment of all condominium bills; processing of all individual unit sales; supervision and payment of building employees; building maintenance; review and resolution of any problems arising in the day-to-day operation of the building; compliance with all government laws and regulations affecting building operation, ownership and maintenance; filing of annual tax returns; enforcement of condominium-adopted rules and regulations including enforcement of maintenance obligations; seizure and sale of delinquent units; and response to individual unit owner complaints,

questions or issues. In addition to the foregoing, any additional issues or problems arising out of operation, maintenance, ownership and occupancy of the building will need to be dealt with by the Board of Managers. Sponsor reserves the right to retain a different managing agent providing the cost is not substantially higher than as projected herein, and the services are not substantially different.

10. The miscellaneous budgeted item is intended to provide a cushion for unforeseen costs and an opportunity for the condominium to accrue a reserve for future expense. The miscellaneous figure is arrived at by assuming an error margin of approximately 3% in financial calculations.

CHANGES IN PRICES AND UNITS

The offering prices, as set forth in SCHEDULE A, may only be increased or decreased by an amendment to the plan which is duly filed with the New York State Department of Law, when the change in price is an across-the-board change affecting one or more lines of units, or unit models, or is to be advertised, or represents a price increase for any individual unit. However, prices are negotiable, and Sponsor may enter into an agreement with a purchaser to sell one or more units at prices lower from those set forth in SCHEDULE A without filing an amendment prior to entering such agreement, as per FOOTNOTES TO SCHEDULE A.

No change will be made in the size or number of units, and/or their respective percentage of common interest; and no material change will be made in the size or quality of common elements; except by amendment to the Plan and when applicable, to the Declaration. Unless an effected purchaser consents, no material change will be made in unit size, layout or percentage of common interest, if a Purchase Agreement has been executed and delivered to the Sponsor for that unit and the Purchaser is not in default. Unless all purchasers consent, no material change will be made in the size, and no material adverse change will be made in the quality, of common elements. No change of any type set forth in this paragraph shall be made except by amendment duly filed with the New York State Department of Law.

COMPLIANCE WITH REAL PROPERTY LAW 339(i)(1)(iv)

The Hang Seng Tower
5805 7th Avenue
Brooklyn, New York 11220

Dear Sirs:

You have requested an opinion from us with regards to your allocation of common interest to units in your proposed condominium at 5805 7th Avenue, Brooklyn, New York, with Section 339(i)(1)(iv) of the New York Real Property Law. You have informed us that the method of allocation chosen is to evaluate the approximate fair market value of the individual unit in proportion to the anticipated aggregate fair value of all units on the day the condominium Declaration will be filed. You have further informed us that, the factual basis of calculating the percentage of common interest consists of the size, layout, and location within the premises of each individual unit; and, the anticipated selling price of each unit. Based on our review of the foregoing factors, we have concluded that the proposed allocation of common interest to individual units is in compliance with Section 339(i)(1)(iv) of the New York State Real Property Law.

I have been a licensed real estate broker for in excess of 18 years and have managed approximately 12 buildings in this area with extensive experience in the sale, management, and rental of cooperative and condominium units in Kings County. We have previously participated in the preparation of individual unit value appraisals for the purpose of inclusion in offering plans for the sales thereof. We are not, in any way, associated with you or any other participant in the project, and have no beneficial interest in your business, or in profitability of the project. This is an opinion only as to the relative value of each unit in relation to the value of the project as a whole; is strictly based on the information provided to us in such reasonable inquiries as to the validity thereof as we deemed appropriate under the circumstances; and, is not intended as a guarantee of the actual value of any individual unit. We consent to the inclusion of this letter in your Offering Plan.

Sincerely,

Rita Knox

COMMERCIAL UNITS

There are two (2) commercial units located on the first floor and basement of the subject premises. The first floor unit is designated as community facility unit. Community facility is a special designation which allows a non-residential use in a residential building. Uses which qualify for community facility designation include community meeting room, religious gathering place, non-custodial medical care facility, outpatient clinic, substance abuse or counseling center, or other uses with a direct benefit to the community. It is currently anticipated that the community facility unit will be utilized as a medical office, and that the basement commercial unit will be utilized for retail or office purposes. The basement unit is not a community facility and may be used as a retail store or office. There are no restrictions on the use of the commercial units, other than such use must conform to applicable zoning regulations or any variance granted thereof, and the Certificate of Occupancy for the premises or any amendment thereto. The owner of the commercial unit shall have the right to seek such amendment to the Certificate of Occupancy or variance in the zoning regulations without permission of the Board of Managers but at such unit owner's sole cost and expense. As used herein the word commercial unit owner refers to the Sponsor or other subsequent holder of unsold shares.

The common charges payable by the commercial unit owners are sufficient to cover the expenses attributable to said Unit. Heat, hot water, cold water, and utility services are all separately metered and will, therefore, not consume any portion of the condominium budget. The commercial unit owners will be entitled to a credit against common charges for his proportionate share of the water bill for the residential units. Moreover, since the commercial unit owner is responsible for all internal repairs and maintenance, heavier wear and tear attributable to commercial use should not impact on the budget for the condominium. While it is anticipated that commercial use of the premises will increase the cost of insuring same, the commercial unit owner will remain only and solely responsible for reimbursing the condominium for any insurance cost over and above that which the condominium would incur if all units in the building were residential units; which cost is to be determined via letter delivered by the insurance carrier or agent thereof supplying insurance coverage for the building. Insofar as the

exact usage of the spaces has not yet been determined, it is not possible to estimate such cost at this time.

The commercial unit owners has rights and obligations, which differ substantially from that of the residential units. The commercial unit owner may subdivide and sublet any or all of the commercial units. The commercial units may be divided into any number of smaller condominium units, or combined into any number of larger units, provided that the total allocation of common interest of such newly created units shall not exceed the original common interest allocated to the commercial unit or units involved, and further provided that said all such subdivisions must be in conformity with applicable zoning rules and a Certificate of Occupancy for the premises. It is not anticipated that such differences in rights and obligations will have a materially adverse impact upon the condominium.

Additionally, a unit owner is not limited to its current anticipated use as a non-custodial medical care facility, but may utilize the unit for any purpose consistent with the community facility designation such as an outpatient clinic, a synagogue or community meeting area.

Each commercial unit owner will be required to maintain heat supply to his premises on a 24 hour a day basis (whether or not said units are vacant or occupied, leased, sold, or held as unsold units), so as to not create an undue heating burden on residential units within the building. Failure of the commercial unit owner to maintain such heating after regular business hours may result in substantial heat loss in the heating pipes traversing these commercial units to serve the residential units located above; and thus may substantially increase heating cost to the building. In the event the commercial unit owner fails to maintain his heat supply on such a basis, the condominium board shall have the power to compel compliance with this requirement. If the commercial unit owner fails to comply with the Board direction to maintain such heat, the Board of Managers has the right either to obtain a court injunction directing the unit owner to comply with the Board director; or in the extreme; to obtain a forfeiture of the unit for failure to abide by the Condominium By-Laws. The commercial unit owner is also responsible for cleaning, repair, refuse disposal and all other items of day-to-day maintenance, which would normally be considered "janitorial services"; and is further responsible for providing same at his own cost and expense so as not to impact on the services or budget of the condominium.

INTERIM LEASE

The Sponsor may, at Sponsor's option extend an interim lease to any purchaser who has executed a contract of sale for a unit in the subject premises and is not in default thereon. It shall be in the Sponsor's sole and exclusive discretion as to whether or not to offer an interim lease. The Sponsor may for any, or for no reason may refuse to offer an interim lease to any purchaser. Interim leases or short term leases shall not be offered to any party who has not executed a Purchase Agreement for a unit. The interim lease shall not create a landlord-tenant relationship but shall be deemed the use and occupancy agreement and part of the contract. No rental protection laws are applicable to the interim leases. The interim lease will provide that in the event the contract is cancelled, or the Plan is abandoned Interim Lessee will move out on 30 days written notice. Interim lease will further provide that an uncured default under the purchase agreement is a default under the interim lease, and that an uncured default under the interim lease is a default under the purchase agreement. Notwithstanding the foregoing, before the Sponsor can utilize a default under the interim lease to declare a default under the purchase agreement, the Sponsor must either obtain an order of eviction or other judgment or order from a court or agency of competent jurisdiction against the interim lessee; unless the interim lessee has vacated the unit. Interim lessee has 30 days to vacate the unit after receipt of written notice of a default; after delivery to the Sponsor of written notice of exercise of right of rescission; or after delivery to the purchaser of written notice that the Plan has been abandoned.

PROCEDURE TO PURCHASE

Persons desiring to purchase condominium units will be required to execute a Purchase Agreement in the form contained in Part II of this Plan and return it to the selling agent, together with a check in the amount of 10% of the purchase price, as a down-payment, drawn to the order of HAROLD L. GRUBER, HLG SPECIAL ESCROW - 5805.

Sponsor reserves the right to accept a lesser downpayment to accommodate Purchasers, but in no case will downpayment be less than \$1,000.00.

The prospective purchaser must have the Offering Plan and all filed amendments in his possession at least three (3) business days prior to executing the Purchase Agreement. In the event Purchaser has not had said Offering Plan in his possession for at least three (3) business days prior to execution, Purchaser may rescind the Purchase Agreement by mailing Notice of Rescission to Sponsor or selling agent, or by hand delivering notice, within seven (7) days after executing same. Notice by mail will be effective if it postmarked within seven (7) days of executing Purchase Agreement. Purchase Agreement shall not be binding on any party until accepted by the Sponsor. Within twenty (20) days after the prospective purchaser has delivered to the selling agent a signed Purchase Agreement, together with the required downpayment, the Sponsor must either accept the Purchase Agreement and return a fully executed counterpart, or reject the Purchase Agreement and refund in full any downpayment taken. The Plan will expire twelve (12) months from the date on which it is accepted by the New York State Department of Law, unless extended by a duly filed amendment.

All downpayments will be place in an account in conformity with the disclosure contained in this Plan.

The Sponsor will comply with the escrow and trust fund requirements of General Business Law Sections 352-3(2-b) and 352-h, and the Attorney General's regulations promulgated pursuant thereto.

Any provision of any contract or agreement, whether oral or in writing, by which a purchaser purports to waive or indemnify any obligation of the escrow agent holding trust funds is absolutely void. The provisions of the Attorney General's regulations concerning escrow/trust funds shall prevail over any purchase. Purchasers shall not be obligated to pay any legal or other expense of the Sponsor in connection with the establishment, maintenance, or defense of obligations arising from the handling or disposition of trust funds.

All deposits, downpayments, or advances, made by purchasers prior to closing of each individual transaction, whether received before or after the date of consummation of the Plan, will be placed, within five (5) business days after the agreement is signed by all necessary parties, in a segregated special escrow account of Harold L. Gruber whose address is 92 Prospect Place, Brooklyn, New York 11217, and whose telephone number is (718) 788-7722. The signatory on this account authorized to withdraw funds is: HAROLD L. GRUBER, 92 Prospect Place, Brooklyn, New York 11217. The name of the account is HLG ESCROW - 5805, located in Key Bank, at East Market Street, Red Hook, New York. This bank is covered by federal bank deposit insurance to a maximum of \$100,000.00. To the extent deposits in the account exceed \$100,000.00 they will not be federally insured. If the escrow agents are replaced or funds are transferred to a new escrow account, the Plan will be amended to provide the same full disclosure with respect to the new account, escrow agent and escrow agreement as was originally provided. No transfer of funds or change of escrow agent will be made until such amendment is accepted for filing by the Department of Law.

This account will be an IOLA account with no interest accrued to the benefit of either the purchaser or the Sponsor. An IOLA is a special segregated escrow account maintained by an attorney. Interest on an IOLA account is paid to the State of New York.

All instruments shall be made payable to or endorsed to the order of HAROLD L. GRUBER, P.C., HLG SPECIAL ESCROW - 5805, as escrow agent.

Within ten (10) business days after tender of the deposit submitted with the Purchase Agreement, the escrow agent will notify the purchaser that such funds have been deposited into the escrow account and will provide the account number and the initial interest rate, if applicable. If the purchaser does not receive notice of such deposit within fifteen (15) business days after tender of the deposit, the purchaser may cancel the purchase and rescind so long as the right to rescind is exercised within ninety (90) days after tender of the deposit. Such purchaser may also apply to the Attorney General for relief. Rescission may not be afforded where proof satisfactory to the Attorney General is submitted establishing that the escrowed funds were timely deposited and requisite notice was timely mailed to the purchaser in conformity with the Attorney General's regulations.

Since all contracts are contingent upon the Plan becoming effective, under no circumstances shall Sponsor apply for release of the escrowed funds of a defaulting purchaser until after consummation of the Plan.

The escrow agent will hold funds in escrow until otherwise directed in:

- (i) a writing signed by both Sponsor and Purchaser; or,
- (ii) a determination of the Attorney General pursuant to the dispute resolution procedures contained in the Attorney General's regulations; or,
- (iii) a judgment or order of a court of competent jurisdiction.

If there is no written agreement between the parties to release the escrowed funds, the escrow agent will not pay the funds to the Sponsor until the escrow agent has given the purchaser written notice of not fewer than ten (10) business days. Thereafter, the funds may be paid to the Sponsor unless the purchaser has already made application to the Department of Law pursuant to the dispute resolution provisions of the Attorney General regulations and has so notified the escrow agent in accordance with such provisions.

The Sponsor will not object to the release of the escrowed funds to:

- (i) a purchaser who timely rescinds in accordance with an offer of rescission contained in the Plan, or an amendment to the Plan;
- (ii) all purchasers after an amendment abandoning the plan is accepted for filing by the Department of Law.

Any notice required to be given hereunder may be given to the Attorney for the respective parties if an attorney is designated in the contract of sale. A notice may also be given by fax and regular mail, or by overnight delivery service, and will be deemed given when actually received or when delivery is attempted. Contracts may not be assigned or recorded. Any attempt to assign or record a contract will be a breach thereunder, entitling the Seller to cancel the contract and retain the downpayment deposited pursuant thereto.

Purchasers and escrow agent may apply to the Attorney General in the event of a dispute for a determination on the disposition of the downpayment and any interest thereon. The Sponsor must avail itself of this procedure if there is a dispute which needs to be resolved. A form for this purpose is included in Part II of this Offering Plan, and is also available at the New York State Department of Law, 120 Broadway, New York, NY. A party applying to the Department of Law for determination on the disposition of a

downpayment must also contemporaneously send a copy of the application to all other parties.

Pending the determination of the Attorney General to grant or deny the application, the Sponsor, the purchaser, and the escrow agent shall abide by any interim directive issued by the Attorney General. If the application permitting release of funds is granted, the deposit and interest earned thereon shall be disposed of in accordance with the determination of the Attorney General, subject to any court action from which preliminary relief is granted. The Attorney General shall act on the application within 30 days after its submission to the Department of Law by either making a determination or notifying the parties that an extension of time in which to do so is necessary for stated reasons. If the application seeking release of funds is denied the escrow agent shall continue to hold the deposit and any interest earned thereon until: i) both the Sponsor and Purchaser direct payment to a specified party in accordance with the written direction signed by both Sponsor and Purchaser; or ii) judgment or order of a court of competent jurisdiction is served on the escrow agent; or iii) escrow agent deposits the disputed amount with the court.

In no event shall the escrow agent release funds in dispute, other than a payment of such funds with the court, until such dispute is finally resolved either by determination of the Attorney General, or by order of a court of competent jurisdiction, or by written agreement with the Sponsor and Purchaser.

Set forth in Part II of this Offering Plan is a copy of the escrow agreement between the Sponsor and the Escrowee which incorporates the terms of the Attorney General's regulations.

The escrow agent will maintain all records concerning the escrow account for seven years after the release of funds. The Department of Law may perform random reviews and audits of all such records involving escrow accounts to determine compliance with the statute and regulations.

The Sponsor may apply to the Attorney General to use security in the form of surety bonds or a letter of credit, in accordance with the regulations of New York State Department of Law, in lieu of escrow of such funds. In the event the Sponsor elects to use such alternative security, an amendment to that effect will be filed in the Offering Plan fully complying with all provisions of the Department of Law for proof of satisfactory insurance of said funds.

Risk of loss from fire or other casualty remains with the Sponsor until title has passed unless and until the purchaser is given the

right of possession of that unit pursuant to a written agreement with the Sponsor.

Purchase Agreements will be contingent on Purchaser obtaining a firm written commitment for financing. Purchaser shall have 40 days from the date on which a signed and executed Purchase Agreement is delivered to such Purchaser within which to obtain such financing. If a Purchaser fails to obtain a firm written commitment for financing within such 40 day period, and fails to notify Sponsor's attorney within five days thereafter, time being of the essence thereto, Purchaser shall conclusively be deemed to have waived the financing contingency and will be required to proceed to closing, or forfeit his downpayment, whether or not a mortgage commitment is obtained. If Purchaser, after a good faith attempt to do so, fails to obtain a firm written commitment for financing, and notifies Sponsor within the prescribed time period, then Sponsor will return the downpayment or deposit within 10 days after receipt of such notice. In the event Purchaser obtains a firm written commitment for financing, and the terms of such commitment are changed prior to closing, such change in terms shall not be an allowable reason for Purchaser to cancel the contract.

Similarly, if the commitment expires prior to closing, Purchaser shall be under a good faith duty to take all required actions necessary to extend such commitment, including the payment of any extension fee required by the lending institution; however in the event Purchaser has made such good faith effort to extend the commitment, and is unable to do so, then, provided that Purchaser notifies Sponsor within 10 days after receipt of a notice from a lending institution that it will not under any circumstances extend the commitment, that Purchaser is exercising his right to rescind the contract, Sponsor will return the downpayment.

Certain provisions of the Purchase Agreement are "time of the essence". This means that failure to strictly comply with the time requirements of said provisions, may result in the Purchaser losing his right to complete the purchase, and forfeiting his downpayment hereunder. Thus, a Purchaser who fails to cure a default within thirty (30) days after receipt of written notice of said default, will both have the Contract canceled, and lose his downpayment; however, Sponsor must make written demand for payment after default at least 30 days before forfeiture the deposit may be declared. Similarly, a Purchaser who fails to notify the Sponsor in the event he has failed to obtain mortgage financing within forty (40) days after executing the Purchase Agreement, will be required to proceed to closing, notwithstanding the fact that purchaser has failed to obtain mortgage financing; and, if such purchaser fails to proceed to closing, the down payment may be retained by the Sponsor.

After the Plan has been declared effective, the Sponsor will fix dates for closing title to all units for which Purchase Agreements have been executed by serving notice on each Purchaser stating the date of the first closing and setting such purchaser's closing date. Such notice will be served in compliance with the Attorney General's rules no less than 30 days prior to the closing date set therein. Sponsor will permit Purchasers to waive this 30 day provision by delivering to Sponsor's attorney written notice that Purchaser wishes to close prior to the expiration of the 30 day notice period. While no such waiver is included herein, Sponsor reserves the right to include such waiver in a subsequent amendment.

The first closing of a Unit is expected to occur on or about July 1, 2008. If such closing is delayed more than twelve (12) months beyond the originally scheduled date, purchaser will be offered the right to rescind this contract. On closing, purchaser will be required to sign a Power of Attorney in favor of the Board of Managers as otherwise set forth in this Offering Plan.

The Purchase Agreement may not contain, or be modified to contain, a provision waiving Purchaser's rights or abrogating Sponsor's obligations under the Offering Plan or Article 23-A of the General Business Law. Any conflict between the Purchase Agreement and the Offering Plan shall be resolved in favor of the Offering Plan. Sponsor will not permit the assignment or transfer of Purchase Agreements.

EFFECTIVE DATE

The offer to sell embodied in this Offering Plan is contingent upon the Plan being declared effective in accord with its terms and conditions, and the terms and conditions imposed by law.

The Plan will only be declared effective by a duly filed amendment, or by personal service of notice to all Purchasers. If declared effective by notice, an amendment to that effect, specifying the date on which the plan was declared effective, shall be filed within five (5) days thereafter with the New York State Department of Law. No closing on any individual unit will be held prior to the acceptance for filing of such amendment by the New York State Department of Law.

The Plan may be declared effective upon the execution of Purchase Agreements for 15% (in number, not common interest) of the units in the building to bona fide purchasers, including investors. A minimum of five (5) residential units must be sold to declare the Plan effective. The count of Purchase Agreements towards the minimum number for effectiveness shall not include those: signed by Purchasers granted a right of rescission which has neither expired nor been waived; a Purchaser who has not been afforded the protections required by 13NYCRR20.3(o)(15), to wit, the Purchaser must either have three (3) business days to review the Offering Plan and all the filed amendments prior to executing a purchase agreement, or seven (7) days after delivering an executed purchase agreement, together with the required deposit, to rescind the purchase agreement and have the full deposit refunded promptly; with any Purchaser who is the Sponsor, the selling agent, or the managing agent, or is a principal for the Sponsor, the selling agent, or the managing agent, or is related to the Sponsor, the selling agent, or the managing agent, or to any principal of the Sponsor, or the selling agent, or the managing agent by blood, marriage, or adoption, or as a business associate, employee, shareholder, or a limited partner; except that such a Purchaser, other than the Sponsor or a principal of the Sponsor, may be included if the Sponsor has submitted proof satisfactory to the Department of Law establishing that the Purchaser is bona fide.

The Plan must be declared effective upon the execution of Purchase Agreements for 80% (in number, not common interest) of the units, which, in the case of this Plan means twenty-four (24) units. Prior to the sale of 80% of such Units, or prior to being declared effective, the Plan may be abandoned by the Sponsor at his option. In such case, the Sponsor will return all monies paid by Purchasers, together with interest earned, if any, within ten business days. The Sponsor will also file with the New York State Department of Law an amendment abandoning the Plan and form RS-3,

detailing why the Plan was abandoned, and explaining all disbursements of funds.

The Sponsor may not abandon the Plan after it has been declared effective for any reason other than: a defect in title which cannot be cured without litigation, or expenditure of an amount in excess of one-half (1/2) of one percent (1%) of the total offering price, or substantial damage or destruction of the building by fire or other casualty, which cannot be cured for less than one-half (1/2) of one percent (1%) of the total offering price, or the taking of any material portion of the property by condemnation or eminent domain; however, any stated dollar amount relied upon as a basis for abandonment after effectiveness must exclude any attorney's fees. Such title defects, violations, or substantial damage or destruction of the building by fire or other casualty, or determinations of any authority or regulatory association, which exist on the date of the presentation of the plan, and are either known to the Sponsor, or a matter of public record shall be excluded from calculations under this section. Additionally, any dollar amount relied on as a basis for abandonment after effectiveness must exclude any attorney's fees.

TERMS OF SALE

On closing, Sponsor will deliver to Purchaser a Bargain and Sale Deed with Covenants Against Grantor's Acts in the proper form for recording as set forth in Part II of this Offering Plan. Title, together with the appurtenant interest in the Common Elements will be conveyed at closing, free and clear of all liens, encumbrances, and title exceptions other than the easement set forth in the aforementioned Deed, the Condominium Declaration, and any state of facts an accurate survey may show, provided same does not render title unmarketable.

Risk of loss from fire or other casualty remains with the Sponsor until title is passed, unless and until the Purchaser is given the right of possession of that unit pursuant to a written agreement with the Sponsor. Upon Purchaser acquiring right of possession of the unit, all risk of loss passes to Purchaser, and Sponsor shall not thereafter be responsible to repair any damage, which occurs before closing. No closing will occur unless and until a partial temporary or permanent Certificate of Occupancy for the unit to be closed has been issued.

All personal property located within the unit on the date the Purchase Agreement is signed, or located within the Common Elements on the date the Declaration is filed, which property is owned by the Sponsor or the Owner of the property, is included in the conveyance unless specifically excepted elsewhere in this Offering Plan.

The Declaration, By-Laws, and Floor Plans for the Condominium, and such other documents as are required by law, will be recorded with the New York City Register for the County of Kings in accordance with the New York Condominium Act prior to the first conveyance of title to a unit.

The premises are currently encumbered by a construction loan in favor on United Commercial Bank. At the time of the first closing, said lender will release its lien upon the condominium unit being conveyed together with such unit's interest in the common elements.

CLOSING COSTS AND ADJUSTMENTS

As set forth in the Purchase Agreement, the purchaser will pay the following estimated closing costs at the time of Closing of Title for the purchaser's Unit. These estimates are based on current costs and charges, which are subject to change:

(a) If a purchaser elects to obtain fee title insurance, the purchaser will pay the premium thereof which will vary depending upon the Purchase Price of the Unit. Rates set by the New York Board of Title Underwriters are currently \$1,117.00 on a Purchase Price up to \$200,000.00 and approximately \$4.00 for each additional thousand dollars or fraction thereof. Mortgage title insurance is currently \$806.00 on a mortgage of \$160,000 and \$3.50 for each additional thousand dollars or fraction thereof; however, where mortgage and fee title are obtained simultaneously the charge for mortgage insurance is reduced to 30% of the usual applicable rate, up to the amount of the fee insurance. Title insurance is available through Ridge Abstract. Purchasers may order title through any title agency of their choosing without any sponsor imposed penalty; however is sponsor's opinion use of a company other than that which prepared the title work for this offering plan will result in delay and additional expense to the purchaser.

(b) Fees for recording the Deed and Power of Attorney are \$42.00 for the first two pages, plus \$5.00 per page for every page thereafter, and a \$50.00 service charge per instrument. Additionally, there is a \$25.00 charge for recording the Real Property Transfer Tax Return along with the deed.

(c) If the purchaser obtains a mortgage loan, the purchaser will pay a mortgage tax of 1.80% of the principal amount of the mortgage if the mortgage is under \$500,000.00, and 1.925% if the mortgage is over \$500,000.00. In addition, If the purchaser of a commercial unit obtains a mortgage loan, such purchaser will pay a mortgage tax of 2.05% of the principal amount of the mortgage if the mortgage is under \$500,000.00, and 2.80% on a if the mortgage is over \$500,000.00." if appropriate. If a mortgage tax credit is or becomes available pursuant to Section 339-ee(2) of the Condominium Act, such credit will inure to the benefit of the Sponsor. Accordingly, at closing, the Purchaser will reimburse the Sponsor for any mortgage tax credit allowed; and will pay the balance of the mortgage recording tax as provided by law.

(d) All legal costs, fees and expenses charged by the Purchaser's attorney will be the sole responsibility of each Purchaser.

(e) New York City Real Property Transfer taxes, currently one (1%) percent of the Purchase Price of a unit up to \$499,999, and 1.425% for those priced \$500,000 or above, will be the sole responsibility of the purchaser. Payment of the New York City Real Property transfer tax by the Purchaser is deemed an additional consideration to the Seller, and so is in and of itself taxable, which will result in a "tax on a tax" effect.

(f) New York State Documentary Stamp taxes presently \$4.00 per \$1,000.00 of the Purchase Price of a Unit less existing and continuing mortgage, will be the sole responsibility of the purchaser. Payment of the New York State Documentary tax stamps by the Purchaser is deemed an additional consideration to the Seller, and so is in and of itself taxable, which will result in a "tax on a tax" effect.

(g) Each purchaser will be required to make a contribution to the Working Capital Fund in an amount equal to two-months common charges for the unit purchased.

(h) All costs with regard to any mortgage that the purchaser will place on his/her Unit (i.e., loan origination fees, commitment fees, application fees, appraisal fees, credit reports, survey fees, bank attorney fees, tax service fees, bank document preparation fees, etc.) will be his own and sole responsibility.

(i) All Purchasers will be required to make a \$2,500.00 payment to the Sponsor at closing as partial reimbursement for costs which Sponsor has incurred in preparing and submitting the Offering Plan, including preparation fees filing fees, registration fees, recording fees, etc.

(j) All closings will occur at the office of the Sponsor's Attorney. Under no circumstances will Sponsor be required to close at any place other than the offices of Sponsor's Attorney. In the event that Sponsor consents to a closing outside of the office of Sponsor's Attorney, there will be an attendance fee of \$500.00 for closings in Kings or New York counties; \$850.00 for closings in any other location.

ALL COSTS FOR RECORDING CHARGES, MORTGAGE, TRANSFER, AND OTHER TAXES, ARE SUBJECT TO CHANGE. THESE CHARGES ARE NOT SET BY THE SPONSOR, AND SPONSOR SHALL NOT BE LIABLE ON ACCOUNT OF ANY INCREASE IN SUCH CHARGES.

Purchasers shall pay to the Sponsor's Attorney at closing a fee of \$1,100.00 for the preparation of closing documents. If a purchaser

fails to close on the date set for first closing, or adjourns a scheduled closing date on less than three (3) days notice, there shall be a late closing adjournment fee of \$150.00 added to the above. Purchasers will also pay a title clearance fee of \$350.00. In the event Purchaser fails to fulfill their terms of the Purchase Agreement and Sponsor's Attorney mails a Notice of Default, there will be a \$100.00 charge for such notice. The above closing fees are cumulative to the extent applicable to an individual closing.

If the Units have not been separately assessed for real estate tax purposes prior to the Closing of Title to the first Unit, the Sponsor will place in escrow, in the name of the Board of Managers, an amount equal to the unpaid real estate taxes (or estimates thereof based on current assessments) due for the next ensuing six months (or until the Units are separately assessed, whichever is shorter), provided, however, that as closings occur, the portion of such funds held in escrow which represent the portion allocable to the Unit being sold shall be released; and interest accrued on such escrow, if any, shall inure to the benefit of, and belong to, the Sponsor. The Board of Managers will pay the real estate taxes from the escrow account when taxes are due and payable; the Sponsor shall be entitled to reimbursement from unit owners for any taxes paid on their behalf.

Except as specifically set forth in this section, the Sponsor will pay all costs and expenses incurred in connections with this Plan, the creation of the Condominium and the initial sale of units.

A numerical example of closing costs allocable to a typical Unit are set forth below.

RIGHTS AND OBLIGATIONS OF THE SPONSOR

The Sponsor is using its own capital to complete the construction of the building as set forth herein.

The Sponsor will complete the work set forth in this Plan relating to the building and the apartments contained therein in conformity with and in accordance with the Building Plans and Specifications, and all applicable New York City Administrative Code requirements, and subject to procurement of all applicable and proper permits which are required, if any. Insofar as this is a newly constructed building, there are currently no housing, building, or fire department violations; however, in the event any housing, building or fire department violations arise prior to closing, all such violations, if any, will be cured prior to closing. The Sponsor may make changes in design, layout, and arrangement of apartments, and substitute equipment and materials, except that the Sponsor may not (i) substitute materials or equipment of lesser quality or design, or (ii) change the size, location of buildings or units, other improvements, or common elements, if such changes adversely affect the public areas, or affect the percentage of common interest, or adversely affect the value of, any unit to which title has been closed, or for which a Purchase Agreement has been fully executed and is in effect, unless all affected unit owners consent in writing to such change, and all affected contract vendees are given the opportunity to rescind their contracts and receive a refund of the deposit or downpayment given to the Sponsor. All representations under the Offering Plan, and all obligations pursuant to the GBL, and any additional obligations under the Offering Plan which are to be performed subsequent to the closing date, will survive delivery of the Deed.

Closing will not take place, and no individual condominium apartment will be sold until a permanent or temporary Certificate of Occupancy has been obtained for the premises. In the event closing occurs after the issuance of a temporary Certificate of Occupancy, but prior to the issuance of permanent Certificate of Occupancy, then it will remain the obligation of the Sponsor to, at its own cost and expense, obtain such permanent Certificate, and the Certificate must be obtained within two (2) years from date of closing. Prior to obtaining the permanent Certificate of Occupancy, the Sponsor is required to either: (a) maintain all deposits and funds in a special escrow account required by GBL-352e(2) (b) unless the Sponsor's engineer or architect certifies that a lesser amount will be reasonably necessary to complete the work needed to obtain the permanent Certificate of Occupancy, in which case the sum exceeding the amount so certified may be released; or (b) deposit with an escrow agent an unconditional,

irrevocable letter of credit, or post a surety bond, in the aforesaid specified amount. In the event option "(b)" is employed, posting of the surety bond or letter of credit must be in compliance with the applicable laws and rules of the New York State Department of Law. Notwithstanding the foregoing, alterations or improvements to the common areas and public portions of the building will be completed before the closing of the first unit. Buyers are strongly advised to visit the Department of Buildings website/Consumer Tips, for it's recommendation concerning appropriate protective actions to be taken when buying units in the condominium that does not have a final Certificate of Occupancy.

The Sponsor gives no warranty as to materials or workmanship that shall survive sale of a unit; nor with regards to any common element or limited common element. The New York State Housing Merchant Implied Warranty Law does not apply to this project since this project exceeds five (5) stories in height. Notwithstanding the foregoing, the Sponsor remains under duty to construct the premises in accordance with all applicable codes, filed plans, and specifications, and locally accepted building practices for items, which are not covered by the aforementioned codes. Each prospective purchaser may have the building and apartments therein inspected by an architect or engineer of their own choosing, and at their own expense, to determine the quality of materials and workmanship.

Unless the plan has been abandoned pursuant to the EFFECTIVE DATE section of this Offering Plan, Sponsor will repair any damage from casualty or other cause that occurs prior to the closing of a unit. A Purchaser is under the obligation to inspect the unit prior to closing. Sponsor will have no liability of any kind for any damage to a unit not reported prior to closing. With regard to damage to a unit which is reported prior to closing, Sponsor will, as set forth above, repair all such damage within fifteen (15) days after closing (or such longer time as is required to accommodate the delivery of materials which must be ordered to complete any such repairs). In the event Sponsor fails to perform such obligation, Purchaser may enforce same in accord of competent jurisdiction.

The Sponsor will pay for the authorized and proper work involved in the conversion of the property that the Sponsor is obligated to complete under the Plan. All mechanic's liens that are lodged against the property by virtue of work done by the Sponsor, or in the Sponsor's behalf, will be promptly discharged or appropriately bonded. Sponsor guarantees payment of all common charges and assessments with respect to unsold units. Such guarantees will remain in effect until all units are sold. Sponsor warrants and represents that he has adequate financial resources to meet its obligations with respect to any unsold unit.

The Sponsor agrees to pay all common charges, special assessments, and real estate taxes with regards to unsold units, and has financial resources to meet its obligations with respect to such unsold units, which source of funding includes both proceeds of the sale of units and existing financial resources of the Sponsor. Additionally, with special regards to unsold commercial units, Sponsor agrees to maintain heat supply to the premises on a twenty-four (24) hour daily basis so as to not create an undue heating burden on residential units located above the commercial units. No bond or other security has been furnished to secure Sponsor's obligations. In the event of dissolution or liquidation of the Sponsor, or transfer of 20% or more of the total number of residential units in the condominium the principals of the Sponsor will provide financially responsible entities or individuals who will assume the status and all of the obligations of the Sponsor for those units under the Offering Plan, applicable laws, or regulations.

Any suits or proceedings instituted against the Sponsor, which may result in a lien against the property and any suits or proceedings against the condominium arising from the Sponsor's acts or omissions, will be defended by the Sponsor, and the Sponsor does hereby indemnify the condominium, the Board of Managers, and individual unit owners therefore. Nothing contained herein shall limit the rights of the condominium which are granted pursuant to law and statute.

In the event the work on the building as set forth herein is not fully completed at the time the building becomes occupied, the Sponsor will have the right to enter the premises to complete its obligations under this Plan. Such entry shall be conducted in such a manner so as to produce a minimum of discomfort to those purchasers already in possession.

In the event the Sponsor finds it necessary to enter the property after closing of title to complete work, then such work will be performed between 8 A.M. and 6 P.M. on weekdays and non-holiday weekends. Damage caused by such work will be repaired in a good and workmanlike manner.

Sponsor will secure, and provide at closing, an agreed amount replacement value multi-peril hazard policy which will prevent the Condominium from being a co-insurer. The cost of such policy will be paid by the Condominium, and is provided for in SCHEDULE B. Sponsor also agrees to deliver a set of "as built" plans to the Board of Managers upon election of the first Board of Managers after closing of the first unit. Sponsor will assign any manufacturer's warranties with respective equipment and appliances installed in any individual unit to the unit owner, and with

respect to equipment and appliances installed in the common elements, same will be assigned to the Board of Managers.

The property will be conveyed free and clear of all liens. The Sponsor will not dissolve or liquidate for a minimum of six (6) years. Copies of the plans, exhibits and documents referred to herein shall be kept on file at the office of the Attorney for the sponsor for a period of six years after filing of the Declaration of Condominium. No bond or other security has been furnished to secure Sponsor's obligations hereunder. The Sponsor will repair any damage from a casualty or other cause that occurs prior to the closing of any unit; and no Purchaser shall be required to accept a damaged unit.

Sponsor is retaining the unconditional right to rent rather than sell units. Thus, Sponsor may never sell more than the 15% of units required to declare the plan effective. As a result of this, the plan may not result in the creation of a condominium in which a majority of the units are owned by Owner-Occupants, or investors unrelated to the Sponsor. The condominium Board does not have the right to approve or disapprove Purchaser's, so that there is no limit on the number of owners who may purchase for investment rather than personal occupancy. There may always be a substantial percentage of owners who are non-residents. Owner occupants and non-resident owners (including the Sponsor or investors) may have inherent conflicts on how the Condominium should be managed because of their different reasons for purchasing (i.e. purchase as a home as opposed to purchase as an investment).

CONTROL BY THE SPONSOR

Until such time as the Sponsor has sold more than 50% of the units in the subject premises, or five years subsequent to the first closing (whichever is earlier), Sponsor may control the Board of Managers. Additionally, the By-Laws do not include a provision that a majority of the Board of Managers must be owner occupants or members of an owner occupant's household who are unrelated to the Sponsor and its Principal after the end of the initial Sponsor control period. As a result, occupants may never gain effective control or management of the Condominium. Owner occupants and non-resident owners including the Sponsor or other investor may have inherent conflicts on how the Condominium should be managed because of their different reasons for purchasing (i.e. purchase as a home as opposed to purchase as an investment).

Until the earlier of five years from the date of closing, or at the time at which the Sponsor or other Holder of Unsold Units owns units consisting of less than 25% of the common interest of the Condominium, Sponsor may exercise veto power over any expenses other than those described in Schedule B, or which are required to comply with applicable laws or regulations; remedy any notice of a violation; or remedy any work order from an insurer. Additionally, so long as the Sponsor retains ownership of at least one unit in the building, the By-Laws, Declaration, and Rules and Regulations of the Condominium, may not be amended or modified in any way so as to adversely affect the Sponsor without written consent by the Sponsor.

The Sponsor's Control of the Board of Managers of the Condominium will be subject to the following:

The By-Laws are reproduced in Part II, beginning on page BL-1. A summary of certain pertinent provisions of these By-Laws is set forth below. The By-Laws limit the number of Board of Managers (hereinafter called "Managers") to not less than three (3). The first Board of Managers to be elected by the Unit Owners shall consist of three (3) members.

At the time of the First Closing there will be three Managers designated by the Sponsor. However, the Managers will resign in favor of Managers who will be elected by the purchasers at a meeting to be convened within 60 days after First Closing. If the Sponsor still owns 50% or more of the units in the building, the Sponsor-appointed managers may be re-elected at such time.

The By-Laws provide that at such time as the Unsold Units constitute less than Fifty (50%) percent of the Condominium, but in no event later than the fifth anniversary of the Closing Date, not less than a majority of Managers to be elected at all subsequent annual meetings of Unit Owners shall be elected by Unit Owners other than the Sponsor. Notwithstanding the foregoing, even after control is surrendered to a Board elected by unit owners, the Sponsor may vote for the unit owner of his choice at an election of Managers.

So long as a majority of the Board of Managers consists of managers elected by the Sponsor or holders of unsold units, the board:

1. Shall not eliminate or reduce the number of employees, insurance coverages or any service to a level less than that provided in Schedule B unless a majority of board members elected by bona fide unit purchasers vote in favor thereof.

2. Shall, to the extent of their authority as Board Members, use all reasonable efforts to cause the Building (including its equipment, services and installations) to be kept operational, clean, and, in a good state of repair and condition;

3. Shall not veto expenditures required to comply with applicable laws or regulations and/or expenses necessary to remedy notice of violations of law, or order of an insurance carrier.

All Board Members shall serve without compensation. Any member of the Board of Managers, who is a designee of the Sponsor, may contract or deal with Sponsor, or a partner, affiliate or entity controlled by the Sponsor; however, such Board members shall remain under a fiduciary duty to act in the best interest of the condominium. Additionally, such Board Members shall be required to disclose the nature of their relationship in dealing with the Sponsors to all unit owners.

BOARD OF MANAGERS

The Condominium shall be governed according to the By-Laws in Part II, beginning on page BL-1.

The By-Laws limit the number of Managers to not less than three (3) members. The first Board of Managers shall consist of Chiu Wong, Yun Yun Hui and Wei Ming Wong, who are each principals of the Sponsor. However, these Officers and Managers will resign in favor of Officers and Managers which will be elected by the Unit Owners at a meeting to be convened within 60 days after the First Closing; they may however, be re-elected at such time. The By-Laws do not include a provision that a majority of the Board of Managers must be owner occupants or members of an owner occupant's household who are unrelated to the Sponsor and its Principal after the end of the initial Sponsor control period. As a result, owner occupants may never gain effective control and management of the Condominium.

Managers shall be elected by a plurality of the votes at a meeting at which a quorum shall be present. When voting for Managers, each Unit Owner shall be entitled to cast one vote for each .01% of common interest in the condominium appurtenant to such Owner's Unit, which may be cast all for one nominated manager or divided among any number of candidates. At such time as the Unsold Units constitute less than fifty percent of the Condominium, but in no event later than the fifth anniversary of the Closing Date, not less than a majority of Managers shall be unit owners other than, and unrelated to, the Sponsor. Members of the Board of Managers shall serve without compensation, except for reimbursement for expenses actually incurred in the course of any furtherance of business for the Board of Managers.

The Board of Managers shall meet at least annually, and at such regularly scheduled times as shall be adopted by resolution by the Board. Emergency meetings may be called on five (5) days written notice by any two Managers.

The Board Managers will be responsible for the operations of the affairs of the Condominium including, but not limited to, the fiscal operation, repairs and maintenance of the common areas of the Property, replacement and capital improvements to the common areas of the Property; the hiring, supervision and discharging of employees and Managing Agent (if any), and the enforcement of the provisions of the By-Laws, and shall have the powers and duties necessary for the administration of such affairs. The Managers shall serve without compensation or remuneration.

Any Manager may be removed from office at any time with or without cause upon the affirmative vote of the Unit Owners whose aggregate

votes are at least 51% of the votes of the Condominium at a Unit Owner's meeting duly called for the purpose; provided, however, that the Manager(s) elected by the Holder(s) of Unsold Units can be removed only for cause by vote of a majority of the Unit Owners or without cause by the Holders of the Unsold Units.

The members of the Board of Managers shall not be liable to the Unit Owners for any mistake of judgment, negligence, or otherwise, except for willful misconduct or bad faith. The Unit Owners shall severally indemnify the members of the Board of Managers against any liability or claims except those arising out of the bad faith or willful misconduct of a member of members of the Board of Managers. It is intended that the members of the Board of Managers shall have no personal liability with respect to any contract made by them on behalf of the Condominium. It is also intended that the liability of any Unit Owner arising out of any contract made by the Board of Managers, or out of the aforesaid indemnity in favor of the members of the Board of Managers, shall be limited to such proportion of the total liability thereunder as his/her interest in the Common Elements of all Unit Owners.

The principal officers of the Condominium shall be the President, the Vice President, Secretary and Treasurer, all whom shall be elected by the Board of Managers. All officers shall serve without compensation or remuneration. The officers shall be elected annually by the Board of Managers; and, each officer shall hold office at the pleasure of the Board of Managers or until succession, resignation, or death. Upon the vote of a majority of the Board of Managers, any officer may be removed, with or without cause.

The President shall be the chief executive officer of the Condominium, and shall have all of the general powers and duties which are incident to the office of a president of a stock corporation organized under the Business Corporation Law of the State of New York.

The Vice-President shall take the place of the President and perform his/her duties whenever the President shall be absent or unable to act. The Vice President shall also perform such other duties as shall from time to time be imposed upon his/her by the Board of Managers or by the President.

The Secretary shall keep the minutes of all meetings of the Unit Owners and of the Board of Managers, and shall have charge of such books and papers as the Board of Managers may direct; and shall, in general, perform all the duties incident to the office of a secretary of a stock corporation organized under the Business Corporation Law of the State of New York.

The Treasurer shall have the responsibility for Condominium funds and securities and shall be responsible for: keeping full and accurate financial records and books of account; and, deposit of all moneys and other valuable effects in the name of the Board of Managers, or the Managing Agent, in such depositories as may from time to time be designated by the Board of Managers.

The Board of Managers, or the Secretary, shall keep detailed records of the actions and minutes of the meetings of the Board of Managers, minutes of the meetings of the Unit Owners, and, financial records and books of account of the Condominium. In addition, an annual audited financial statement of the Condominium, and an income tax deduction statement certified by an independent Certified Public Accountant, shall be rendered by the Board of Managers to all Unit Owners March 1 of each calendar year.

The Secretary shall mail a notice of each annual or special meeting to all Unit Owners of record. The notice shall state the purpose of the meeting as well as the time and place where it is to be held, and the notice will be given at least ten (10), but not more than forty (40) days prior to such meeting.

Each Unit Owner and each mortgagee of a Unit shall, upon prior request, be permitted to examine the books of account of the Condominium and other records of the Condominium during normal business hours on business days at the office of the Condominium.

Both the Declaration and the By-Laws may be modified or amended by the vote of two-thirds (2/3) of the Unit Owners, as that term is defined in Article II, Section 8 of the By-Laws, at a meeting of Unit Owners duly held for such purpose. Anything herein contained to the contrary notwithstanding, so long as the Sponsor is the owner of one or more unsold units, the By-Laws may not be altered, amended, repealed, or added to, without the consent of the Sponsor.

The Board of Managers shall be required to maintain hazard and casualty insurance on the building in an amount sufficient to ensure that the condominium shall not be a co-insurer (which generally means that the policy must be retained at replacement value); and it shall also maintain liability insurance in an amount which it deems appropriate. The proceeds of the hazard and fire insurance policy shall be payable to the condominium Board in the event of a loss amounting to \$100,000 or less and to the insurance trustee, if the loss exceeds \$100,000. Such proceeds shall be applied to the repairing, restoring or rebuilding the building unless otherwise determined by unit owners. In no event shall the proceeds of any such insurance policy be paid to the holder of any mortgage on a unit unless there has been a determination by unit owners not to rebuild the building. The insurance trustee, if any,

shall be a bank or trust company having an office in the city and state of New York.

The Condominium shall continue, unless terminated by reason of casualty, loss, or by condemnation, until such time as the Condominium shall be legally abandoned and terminated as a result of the vote of Unit Owners owning at least eighty (80%) percent of the total votes of the Condominium, at which time the Property shall be subject to an action for partition by any Unit Owner, or any lienor, as if owned in common, and the net proceeds of the sale resulting therefrom shall be divided among all Unit Owners in proportion to their respective interests in the Common Elements, after first applying the share of the net proceeds of such sale otherwise payable to each Unit Owner to the payment of any liens on his/her Unit in the order of the priority of such liens.

Copies of the Declaration and By-Laws are set forth in Part II of the Plan.

RIGHTS AND OBLIGATIONS OF UNIT OWNERS AND BOARD OF MANAGERS

Unit Owners will have the right to sell, lease, or mortgage units, without restriction, except as set forth herein, subject to the requirements that all Common Charges are current. A Unit Owner may only sell or lease the entire Unit. A Unit Owner may not sell or rent only a portion of a Unit. The Board of Managers does not have a right of first refusal with regards to the sale or lease of a unit. While lease of a condominium unit, like any other contract, is subject to regulation by certain state laws (General Obligations Law, Multiple Dwelling Law, etc.) the terms of the lease (including rent) will not be subject to any state or local rent regulatory laws. The Board of Managers does not have a right of first refusal with regards to the sale or lease of any unit.

The By-Laws provide that the use of the Units shall be restricted to and be in accordance with the following provisions:

(a) A Unit Owner may only use his/her Unit for a purpose consistent with any applicable ordinance or statute, or regulation of a government authority that has jurisdiction over the Condominium, but in no event for a use that violates the By-Laws of the Condominium.

(b) The Common Elements shall be used for the furnishing of services and facilities for which they are reasonably suited and capable, and which are incident to the use and occupancy of Units.

(c) No nuisances shall be allowed on the Property, nor shall any use or practice be allowed which interferes with the peaceful possession, or use of the Property, by its residents or occupants.

(d) No improper, offensive, or unlawful use shall be made of the Property nor any part thereof. Violations of laws, orders rules, regulations, or requirements, of any governmental agency having jurisdiction thereof, relating to any portion of the Property, shall be eliminated by, and at the sole expense of, the respective Unit Owners or by the Board of Managers, whichever shall have the obligation to maintain or repair such portion of the Property, or comply with such laws.

(e) Each Unit Owner shall keep his Unit in a good state of cleanliness and repair in accordance with the provisions of the By-Laws, and the rules and regulations of municipal departments or agencies having jurisdiction thereof.

Each Unit Owner will have an undivided interest in the Common Elements in the respective percentages set forth in SCHEDULE A in

Part I. Subject to the provisions of the By-Laws and Rules and Regulations the Common Elements are appurtenant to, serve and benefit each Unit to the extent of such Unit's percentage share of the Common Elements, and the Common Elements are for the common use of all Unit Owners.

Further restrictions on the use of Units are set forth in the By-Laws, and in Rules and Regulations made in accordance with the By-Laws, which are set forth in Part II of the Plan. Rules and Regulations concerning the use of the Units may be promulgated and amended from time to time by the Board of Managers as provided in the By-Laws. Such restrictions include a restriction that the unit shall be used for private residence only, or any home occupation use permitted under applicable zoning law, ordinances, building codes or other governmental regulations. Units may also be used as a professional office by a resident thereof, provided such professional use does not violate zoning regulations. Commercial units may be used for any purpose consistent with the Certificate of Occupancy and applicable zoning. Units may not be used for any unlawful purpose and any use which amounts to a violation of law or to rules, regulations or requirements of any governmental agency having jurisdiction thereover shall be eliminated at the sole expense of the unit owner.

The Board of Managers shall from time to time, but at least annually, prepare a budget for the Condominium determining the amount of the Common Charges payable by the Unit Owners. Common charges will be established by determining the operating budget for the coming year of condominium operation and allocating to each unit owner a percentage of that budget in accordance with their percentage of ownership for common interest in the condominium. The Common expenses include, among other things, the cost of all insurance premiums on all policies of insurance required to be, or which have been, obtained by the Board of Managers. The Common Expenses may also include such amounts as the Board of Managers may deem proper for the operation and maintenance of the Property including, without limitation, an amount of working capital and a general operating reserve. The Board of Managers shall advise all Unit Owners promptly, in writing, of the amount of Common Charges payable by each of them, and shall furnish copies of each budget on which such Common Charges are based to all Unit Owners and to their mortgagees of record, if requested.

Under the provisions of Section 339-z of the Condominium Act, the Board of Managers on behalf of the Unit Owners shall have a lien on each Unit for unpaid Common Charges assessed against such Unit by the Board of Managers, together with interest thereon. Such lien shall be subordinate only to liens for real estate taxes on the Unit and to any sums unpaid on the first mortgage or record of such Unit. Any lien for unpaid Common Charges against a Unit shall be

effective from and after the filing of a notice thereof in the Kings County Office of the City Register, and until all sums secured thereby with the interest thereon shall have been fully paid, or until six years from the date of filing (unless foreclosure of such lien is started within such six year period), whichever may be earlier. Such lien may be foreclosed by a suit brought in the name of the Board of Managers acting on behalf of the Unit Owners in like manner as the foreclosure of a mortgage on real property, or an action may be brought by the Board of Managers to recover the Unpaid Common Charges without foreclosing the lien. In the event the Sponsor is more than thirty (30) days in arrears on Common Charges for any unsold Unit during the time the Sponsor is in control of the Board of Managers, Sponsor will cause the Board of Managers to file a lien as provided for in section 339-aa of the Real Property law.

Under section 339-kk of the Real Property Law, the board of managers has the right to require the tenant in an apartment owned by a non-occupying owner to make rental payments directly to the board of managers where such non-occupying owner is in default on payments of common charges, assessments or late fees for such unit for a period of 60 days after the expiration of any grace period after they are due. Payments by such rental tenant to the condominium pursuant to this statute relieves such rental tenant from the obligation to pay such rent to such non-occupying owner, and is an absolute defense in any nonpayment proceeding commenced by such non-occupying owner. The procedures by which the board of managers may enforce this right, including required notice, means of protest, and termination are set forth in the aforementioned section which is recited at page RE1 of this Offering Plan.

No Unit Owner may exempt himself from liability for Common Charges or Expenses by waiver of the use, or enjoyment of any of the Common Elements, or by abandonment of his Unit. The liability of each Unit Owner for the payment of the Common Charges and Expenses thereafter assessed or becoming due against the Unit shall terminate upon a permissible sale, transfer or other conveyance of such Unit, and the appurtenant interests in the Common Elements. In addition, any Unit Owner may, subject to the terms and conditions specified in the By-Laws, convey his/her Unit together with the said appurtenant interests to the Board of Managers or its nominee on behalf of all other Unit Owners, and in such event be exempt from all Common Charges and Expenses thereafter assessed.

All maintenance, repair or replacement to any Unit or portion thereof, ordinary or extraordinary, shall be at the Unit Owner's expense, except for structural elements as specifically required herein. All maintenance, repairs, and replacements to the Common Elements (including the exterior walls of the Building) and the painting and decorating of the side of the elevator doors and

stairwell doors which do not face into a Unit shall be made at the direction of the Board of Managers, and be proportionately charged to all the Unit Owners as a Common Expense, except to the extent that the same are necessitated by the negligence, misuse or neglect of a Unit Owner, in which case such expense shall be charged to such Unit Owner. Unit owners who enjoy use of a limited common element are responsible for regular repair and maintenance of such limited common element such as cleaning, painting, repair to surface damage, etc. Damage to the structural or mechanical systems serving such limited common element (except where directly caused by act or omission of the unit owner, their agents, employees or invitees) are the responsibility of the condominium through the Board of Managers.

No Unit Owner may make any structural addition, alteration or improvement in his Unit, except cosmetic work such as surface restoration or repainting, and replacement or repair of cabinetry and appliances, without the prior written approval of the Board of Managers. As a condition of the granting of its consent to the above acts, the Board of Managers may require the Unit Owner to execute an agreement in form and substance satisfactory to the Board of Managers setting forth the terms and conditions under which such alteration, addition, improvement, or repair, may be made, including without limitation, the days and hours during which any work may be done. No application shall be filed with any governmental authority for a permit covering an addition, alteration, or improvement to be made in a Unit, unless approved and executed by the Board of Managers; such approval, however, shall not result in liability on the part of the Board of Managers or any of them, to a contractor, subcontractor, materialman, architect or engineer, by reason of such addition, alteration, or improvement, or to any person having any claim for injury to person, or damage to property arising therefrom. The provisions of this paragraph shall not apply to an Unsold Unit, provided that any alterations to such Unsold Units shall be in accordance with, and only as permitted, by the Condominium Act and all governmental regulations. Non-structural alterations and improvements to Residential Units that do not affect the exterior of the Building, or the value of other Units, may be made without prior approval of the Board of Managers.

Unit owners may perform all standard repair and maintenance items within their apartment and standard home improvements items without permission of the Board of Managers. Thus, unit owners may repair or replace fixtures, equipment, cabinetry, flooring, sheetrock, etc., without permission of the Board of Managers. However, unit owners may not relocate plumbing, heating, electric or other service lines effecting other units in the building during the course of such repairs or improvements without receiving Board permission.

The Board of Managers shall obtain and maintain, to the extent determined by them to be appropriate; (1) hazard insurance, with extended coverage, insuring the Building and Units (but not including furniture, furnishings or other personal property supplied to, or installed by, Unit Owners), together with all service machinery contained therein covering the interests of the Condominium, the Board of Managers, and all Unit Owners and their mortgagees, as their interest may appear, in an amount equal to the full replacement value of the insured property without deduction for depreciation; (2) machinery insurance; (3) water damage legal liability insurance; (4) liability insurance for personal injury or property damage in an amount not less than one million dollars; (5) officer's and director's insurance covering the board of managers; and (6) such other insurance as the Board of Managers may determine. The coverage set forth in SCHEDULE B does not include umbrella coverage (which is a higher generalized level of liability coverage (usually utilized when an entity owns more than one (1) property), and blanket fidelity coverage (which is, essentially, insurance against employee theft). Both of these coverages are readily available at additional cost. Each of the policies shall contain a New York standard mortgage clause in favor of each mortgagee of a Unit which shall provide that the loss, if any, thereunder shall be payable to such mortgagee as its interests may appear, subject, however, to the loss payment provisions in favor of the Board of Managers in the event of casualty or condemnation.

Unit Owners shall be entitled to carry casualty insurance protection for their furniture and the interior of their Units and for personal liability coverage for their own benefit at their own expense, provided that such policies contain waivers of subrogation, and further provided that the liability of the carriers issuing insurance procured by the Board of Managers shall not be affected or diminished by reason of any other insurance carried by a Unit Owner.

The proceeds of the hazard and fire insurance policy shall be payable to the condominium Board of Managers in the event of a loss amounting to \$100,000.00 or less, and to the insurance trustee, if the loss exceeds \$100,000.00. Such proceeds shall be applied to the repairing, restoring, or rebuilding of the subject premises unless otherwise determined by unit owners. In no event shall the proceeds of any insurance policy be paid to the holder of any mortgage on a unit unless there has been a determination by unit owners not to rebuild the building. The insurance trustee, if any, shall be a bank or trust company having an office in the City and State of New York.

A Unit Owner by acceptance of a Deed for a Unit shall have granted a right of access to the Unit and to all appurtenant areas, if any, to the Managing Agent and/or any other person authorized by the

Board of Managers of the Managing Agent, for the purposed of performing installations, alterations or repairs to the mechanical or electrical services of other Common Elements in his/her Unit or elsewhere in the Building in which the Unit is located, to remove violations, cure defaults by a Unit Owner, and for any other purpose provided in the Plan, Declaration, or as may be required by law or governmental regulation, provided that requests for entry (except in emergency situations) is at a time reasonably convenient to the Unit Owner. In case of emergency, such right of entry shall be immediate, whether the Unit Owner is present at the time or not. Provided reasonable care is exercised to safeguard the Unit Owner's property, such entry shall not render the Board of Managers or its authorized agents liable for damage incurred in connection with the exercise of such right of entry. Each Unit Owner will deposit with the President of the Board of Managers a key to his/her Unit to allow for entry in an emergency. The Board of Managers may designate responsible individual(s) to hold such keys.

Each Unit Owner shall be required to pay the Common Charges and Expenses levied by the Board of Managers. All Unit Owners, mortgagees, lessees and occupants of Units and their employees, and any other persons who may use the facilities of the Property in any manner, are subject to the By-Laws, the Declaration and the Rules and Regulations. A copy of the Declaration and By-Laws and Rules and Regulations appear in Part II of this Plan. The violation of any of the Rules and Regulations or the breach of any By-Laws or provision of the Declaration shall give the Board of Managers, in addition to other rights set forth in specific provisions of the By-Laws, the right to: (i) enter any Unit in which, or as to which, such violations or breach exists and to abate and/or remove same summarily, at the expense of the defaulting Unit Owner. The Board of Managers shall not thereby be deemed guilty or liable for trespass nor be liable for any damage to the Unit, nuisances or fixtures incurred in connection with such rights unless such damage is caused by negligence on the part of the Board of Managers; or (ii) enjoin, abate or remedy by appropriate legal proceedings, the continuance of any such violation or breach. The costs incurred by the Board by virtue of the exercise of its rights to correct such breaches or violations, including attorney's fees, shall be due upon demand from the Unit Owner in question, and shall constitute a Common Expense against his/her Unit.

Each commercial unit owner will be required to maintain heat supply to his premises on a 24 hour a day basis (whether or not said units are vacant or occupied, leased, sold, or held as unsold units), so as to not create an undo heating burden on residential units within the building. Failure of the commercial unit owner to maintain such heating after regular business hours may result in substantial heat loss in the heating pipes traversing these commercial units to serve the residential units located above; and thus may

substantially increase heating cost to the building. In the event the commercial unit owner fails to maintain his heat supply on such a basis, the condominium board shall have the power to compel compliance with this requirement. If the commercial unit owner fails to comply with the Board direction to maintain such heat, the Board of Managers has the right either to obtain a court injunction directing the unit owner to comply with the Board director; or in the extreme; to obtain a forfeiture of the unit for failure to abide by the Condominium By-Laws. The commercial unit owner is also responsible for cleaning, repair, refuse disposal and all other items of day-to-day maintenance, which would normally be considered "janitorial services"; and is further responsible for providing same at his own cost and expense so as not to impact on the services or budget of the condominium.

As part of purchase of the Unit, Purchaser will be required to execute a broad Power of Attorney in favor of the Board of Managers of the Condominium. This Power of Attorney will give the board of Managers the right to acquire and otherwise administer defaulted, abandoned or foreclosed units in the name of the condominium. It will also give the board of Managers the right to execute amendments to the Condominium Declaration, Deeds conveying condominium property, filing for severance of tax lots and other functions reasonable or necessary to effectuate the purposes set forth in the Condominium Declaration, on behalf of all of the unit Owners. Purchaser must sign the Power of Attorney at closing; failure to sign the Power of Attorney will be deemed a default and will result in cancellation of the transaction and possible loss of the downpayment. Please see the POWER OF ATTORNEY set forth in Part II of this Offering Plan.

REAL ESTATE TAXES AND REAL ESTATE TAX BENEFITS

After the units are separately assessed, each Unit Owner will be taxed as a separate tax lot for real estate tax purposes, and no Unit Owner will be responsible for the payment of, nor subject to, any lien for non-payment of taxes on any other unit. Units will not be separately assessed for the first year of condominium operation. On closing, Sponsor shall deposit with the Board of Managers a sum sufficient to pay all taxes due for the balance of 2008/2009 tax year. The Board of Managers shall be authorized to pay such taxes as and when due from such escrow fund. As each subsequent individual condominium Unit is sold, the purchasers thereof, as a standard closing adjustment, shall reimburse the Sponsor for the portion of their tax liability paid by the Sponsor from the date of closing through the end of the 2008/2009 tax year. It is anticipated that Units will be separately assessed for the 2009/2010 tax year, and that individual Unit Owners (whether purchasers, holders of unsold shares, or the Sponsor) will pay the taxes thereof as set forth in the attached SCHEDULE A.

The Property is taxed by the City of New York which, through the Department of Finance, has assessed the property at a pre-construction value of \$32,448.00, and imposes a tax rate of 11.928%. The real estate taxes payable in SCHEDULE A are determined by applying the applicable tax rate to the non-exempt portion of the assessment as set forth in the attached letter from Moseson & Associates, and then allocating the amount due in conformity with the allocation of Common Interests. The City of New York is not bound by the allocation of Common Interests, and may allocate on a different basis. All figures are estimates.

There are no tax certiorari proceedings currently pending. Individual owners may challenge the assessment of their property by filing a tax protest in accord with the rules of the New York City Tax Commission. The Board of Managers may also file a protest on behalf of all Unit Owners. While there is no specific section of the By-Laws dealing with review of real estate tax assessment, the general grant of power in the Board of Managers to operate the property in the best interest of unit owners is sufficient to delegate to the Board of Managers a right to file tax protests on behalf of all unit owners. The Building benefits from the limitations imposed by Sections 581 (which prevents a building from being assessed at a higher level than similarly situated rental properties merely because of its status), and 1805 (which limits the annual increases due to changes in market value) of the Real Property Tax Law.

The Sponsor has applied for Real Estate Tax Exemption Benefits pursuant to Section 421-a of the Real Property Tax Law of the State

of New York. The benefits provided pursuant to this section are stated in more particularity in the letter, included in this Offering Plan from Ben Rottenstein Associates Inc, who have filed an application on behalf of the Sponsor. Briefly stated, however, the program provides an exemption from any increase in assessed value of the property for real estate tax purposes, to the extent that such increase results from the reasonable cost of alteration or improvement to the building, for a period of twenty-one (21) years after granting of the exemption. Thereafter, the exemption declines by 20% per year until, after the twenty-fifth (25th) year, real estate taxes will be based on the full assessed value of the property. Sponsor has obtained an estimate from Ben Rottenstein Associates Inc of a post-completion assessed value of \$5,850,000.00, commencing in the July 2008 tax year. SCHEDULE A includes the estimated tax payments in the event 421-a Tax Benefits are not obtained. This projection is based on a full year of post completion assessed value. The following table indicates the application and expiration of benefits:

YEAR	ASSESSED VALUE	TAXES
1-21	\$ 32,448.00	\$ 3,870.00
22	\$1,195,958.00	\$142,654.00
23	\$2,359,468.00	\$281,437.00
24	\$3,522,978.00	\$420,221.00
25	\$4,686,488.00	\$559,004.00
26	\$5,850,000.00	\$697,788.00

The projections set forth herein are based on current New York City Tax rate and assessment procedures. No guarantee or warranty is or can be made that the tax rate will not change in the future, or that the assessed value of the property will not rise due to changes in assessment practices and policies or increases in market value which are reflected in the assessed value. Therefore, the estimate contained in Schedule A for monthly real estate taxes in the event 421-a tax benefits are not obtained may not accurately reflect the taxes which will apply at the expiration of the benefits period.

Sponsor will use best efforts to obtain the aforementioned real estate tax exemption benefits, and will make all filings necessary to obtain such benefits, including a timely filing of all applications, and timely compliance with all procedures required to properly process and maintain the benefits. Upon closing, the Sponsor will make all documents available to the Board of Managers for inspection and copying for the life of the benefits.

The explanation and projection prepared by the Sponsor's tax abatement expert, who prepared the 421-a application, is expressly adopted by the Sponsor and included as part of this Offering Plan.

Re: 421-A Application
5805 7th Avenue, Brooklyn, NY
Block: 858 Lot: 5
Twenty Six (26) Residential Condo Units
One (1) Commercial Unit

Dear Mr. Wong:

I am writing in response to your request for an opinion regarding the eligibility of a construction project at the referenced site for tax benefits pursuant to Section 421-A of the Real Property Tax Law.

1. Eligibility requirements

To be eligible for Section 421-A tax benefits, the Project must comply with each of the eligibility requirements set forth in Chapter 6 of Title 28 of the Rules of the City of New York. The application of these requirements to the project is discussed in detail below.

A. Location Requirements

1. Geographic Exclusion Area Limitation

Sections 6-02(b)(2) and 6-02(c)(10) of the Rules provide that a project in the Geographic Exclusion Area is eligible for Section 421-A benefits only if carried out with Substantial Governmental Assistance or if affordable units are created in accordance with the requirements of Section 6-08 of the Rules.

The Project is not located in the Geographic Exclusion Area and is therefore not subject to these limitations.

2. Public and Private Park Limitation

Paragraphs (5) and (6) of Section 6-02(c) bar 421-A benefits for projects situated on land mapped as a public park (with certain exceptions) or utilized for ten (10) or more consecutive years immediately prior to October 1, 1971 as a Private Park. You state, and I assume, that the Site does not fall within either category.

B. Site Requirements

Section 6-02(f) of the Rules states that for a project to be eligible for 421-A benefits, the land on which it is located must have been vacant, predominantly vacant, underutilized, or improved with a non-conforming use on the operative date. "Operative Date" means, in the case of the Project, thirty-six months prior to the Commencement of Construction.

You have stated that construction has commenced September 1, 2005. You have stated that construction has commenced in the 2005/2006 Fiscal Year. Accordingly the Operative Date will fall within New York City's 2002/2003 Fiscal Year. You have also stated that the site was underutilized prior to the commencement of construction. Accordingly the Site will qualify as underutilized for the purposes of 421-A Rules.

C. Project Requirements

1. New Multiple Dwelling

Section 6-02(b) of the Rules provides that a project is eligible for Section 421-A benefits only if it is a "new multiple dwelling" containing three or more dwelling units. Section 6-02(c)(2) states that multiple dwellings resulting from the conversion or rehabilitation of a building or structure are ineligible for benefits, and Section 6-01 of the Rules provides that:

Construction shall not commence prior to the issuance by the Department of Buildings of either (i) a building or alteration permit for the construction of an entirely new multiple dwelling, the footprint of which consisted entirely of vacant and unimproved land upon such date, or (ii) an alteration permit for the construction of a new multiple dwelling above, and on an entirely separate tax lot from, one or more existing structures which are to be retained provided that only the floor area attributable to the new multiple dwelling, and any eligible commercial, community facility or accessory use space within such new structure shall be eligible for benefits under the act.

You state that the Project will be carried out pursuant to a new building permit and, upon completion, will be a newly constructed multiple dwelling constructed on land which was entirely underutilized as of the Commencement of Construction. Accordingly, the project will meet the requirements set forth above.

You state that the new construction will consist of 26 newly constructed residential condominium units and 1 commercial unit, with expected completion date of February 2008 (Fiscal Year 2008/2009).

2. Not used as a Hotel or for Single Room occupancy

Paragraphs (3) and (4) of Section 6-02(c) of the 421-A Rules deem any building or portion thereof which is used as a hotel or for single room occupancy ineligible for 421-A benefits. You state that no such use of the Project will occur.

D. Timing Requirements

1. Project Commencement

Section 6-02 subdivision (b)(1) and (d)(5) of 421-A Rules requires that a project to be commenced on or after July 1, 1985 and is completed no later than December 31, 2007 to be eligible for Twenty Five (25) year benefits under that section. You state, and we assume that the project will be completed prior to December 31, 2007.

2. Reduction of Benefits for Excess Commercial, Community Facility or Accessory Use Space

Section 6-06(b) of the Rules provides that the tax exemption granted by 421-A will be reduced if the floor area of the Project's commercial, community facility and accessory use space exceeds twelve percent (12%) of the aggregate floor area.

The amount of commercial, community facility and accessory use space, and resulting decrease in benefits will be determined by the Department of Housing and Preservation and Development ("HPD") in accordance with the 421-A Rules based on building plans for the Project.

3. Exemption during construction

If the project satisfies all of the requirements set forth in Section 421-A and has received a Preliminary Certificate of Eligibility it shall be exempt from real property taxes, other than assessments for local improvements upon any increase in assessed valuation over the Prior Assessed Valuation during the statutorily defined period of construction or for a period of three years, whichever is less, provided that taxes shall be paid in each tax year in which full or partial exemption is in effect on the Prior Assessed Valuation, as defined in Section §6-01 of 421-A Rules.

4. Exemption after construction

After the first taxable status date immediately following the completion of the construction, any increase in assessed valuation over the Prior Assessed Valuation of the eligible Project which has received a Final Certificate of Eligibility shall be exempt from real property taxes, other than assessments for local improvements, for twenty five consecutive tax years pursuant to the following schedule. In addition, condo owners must pay full taxes on the Prior Assessed Valuation, as defined in §6-01 of Section 421-A.

In addition, condo owners must pay full real estate taxes on the Prior Assessed Valuation and any increases until the Final Certificate of Eligibility is issued, as defined in Section §6-01 of 421-A Rules.

Twenty Five Year Exemption

Year	Percent of Increased Assessed Valuation Which Is Exempt
First through Twenty-first	100%
Twenty-second	80%
Twenty-third	60%
Twenty-fourth	40%
Twenty-fifth	20%
Twenty-sixth	0%

Prior to the commencement of construction, records of the New York City Department of Finance Real Property Assessment Department reveal that assessed valuation of the subject premises is as follows: (Years 2005/2006)

BLOCK: 858 LOT: 5 (5805 7th Avenue, Brooklyn, NY)

ACTUAL VALUES

LAND: \$3,783 TOTAL: \$32,448

It is estimated the assessed value of the property upon completion of construction will be approximately \$5,850,000. The Department of Finance will allocate the assessed value to the condominium units, usually based upon the percentage of common interest as listed in the Condominium Offering Plan. The 2008/2009 Tax Class 2 tax rate is estimated at \$12.50 per \$100.

Any increase in assessment due to the physical improvements attributable to the newly constructed residential condominium units shall be exempt as per the TWENTY FIVE YEAR EXEMPTION table shown earlier.

Although the aforesaid estimate of the post construction Assessed Valuation is a good faith estimate, it is not possible to estimate it with any degree of certainty, and thus such assessed valuation when actually made may be less or greater than estimated above. In no event will the firm of BEN ROTTENSTEIN ASSOCIATES INC., the Sponsor, the Sponsor's counsel, or any other person be liable if the assessed valuation when actually made, is less or greater than predicted above or if the Administrative Code and the applicable rules and regulations of the City of New York are in the future changed or if the facts as represented to the office of BEN ROTTENSTEIN ASSOCIATES INC., prove to be untrue.

REAL ESTATE TAX CONSULTANTS

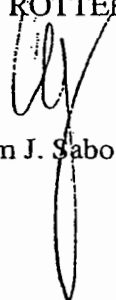

Based on the foregoing, it is our opinion that the Department of Housing and Preservation and Development ("HPD") will consider the property eligible for real estate tax exemption benefits under Section 421-A.

NO WARRANTY IS OR CAN BE MADE BY THIS FIRM THAT HPD OR THE NEW YORK CITY BUREAU OF REAL PROPERTY ASSESSMENT, OR ANY OTHER AGENCY WITH JURISDICTION WILL APPROVE SPONSOR'S APPLICATION FOR SECTION 421-A TAX BENEFITS, OR THAT THE ASSESSED VALUATION WILL BE AS ESTIMATED HEREIN, AND THE WRITER OF THIS LETTER SHALL NOT BE LIABLE, IF BECAUSE OF CHANGES IN LAWS AND/OR REGULATIONS, OR THE INTERPRETATIONS OF LAWS AND/OR REGULATIONS, OR IF THE FACTS REPRESENTED BY SPONSOR, ARCHITECT OR APPRAISER PROVE INCORRECT, THE PROPERTY FAILS TO OBTAIN SECTION 421-A BENEFITS.

We consent to the inclusion of this letter in the Offering Plan.

Very truly yours,

MANAGEMENT AGREEMENT

On closing, the condominium Board of Managers will enter into a management agreement with the Sponsor for an initial period of one year from the date of closing. The agreement will provide that it shall be automatically renewed at the expiration of each one-year period unless either party has notified the other in writing not less than 90 days prior to the expiration of the agreement term that the agreement will not be renewed. In addition, during the term of the agreement, the managing agent shall have the right to terminate same on 90 days written notice to the condominium; the condominium shall have the right to terminate same with or without cause on 30 days written notice to the managing agent. Upon termination of the managing agreement by either party, for any reason whatsoever, the managing agent shall be required to transfer all books and records in its possession to the condominium Board of Managers or to any successor managing agent named by the condominium Board of Managers.

In consideration of managing the premises, the managing agent shall receive monthly compensation of \$780.00. This fee is commensurate with building rates for management services in this area. In addition, the managing agent shall have the right to establish reasonable fees for the processing of lease or sale applications; review of requests for permission to make improvements on individual units, and any other activity outside the normal course of building management. In addition, the managing agent shall be entitled to provide services (such as repair and maintenance) to individual unit owners where requested, and shall be entitled to charge such individual unit owners (but not the condominium) for such services.

The major duties to be provided by the managing agent shall include, but not be limited to maintenance of all condominium books and records; collection of monthly common charges and any special assessments levied by the condominium; payment of all condominium expenses from condominium funds; maintenance of condominium checking accounts; or keeping, payroll and tax reporting functions; repair and maintenance of common elements; and the hiring and firing of condominium employees. In addition, the managing agent shall be entitled to, where in its sole and exclusive discretion such is needed, retain the services of outside professionals such as accountants, attorneys, etc., which expense shall be borne by the

condominium. Additionally, where required items of repair or maintenance exceed the capabilities of building employees, the managing agent shall be entitled to contract for such services, which shall be paid for from condominium funds.

In addition to the compensation set forth above, the managing agent shall be entitled to reimbursement for expenses incurred in the normal course of its functions, such as messenger and delivery charges, travel expenses, etc. In addition, the condominium shall indemnify the managing agent against any liability or obligation incurred for acts properly performed by it pursuant to the management agreement.

The management agreement may not be assigned by the agent except to a successor entity composed of the same principals as the current management agent.

DEDUCTIONS TO UNIT OWNERS, AND TAX STATUS OF CONDOMINIUM

Unit Owners who itemize their deductions should, for Federal Income Tax purposes, be entitled to a deduction for mortgage interest and real estate taxes in the year paid, or accrued, under Sections 163 and 164 of the IRS Code. These deductions are subject, however, to certain exceptions and limitations that are more particularly discussed in the COUNSEL'S TAX OPINION LETTER. Each individual Unit Owner should, for New York State and New York City Income Tax purposes, be entitled to similar deductions for the mortgage interest and real estate taxes paid, or accrued, during the taxable year.

The Condominium will be governed by a Board of Managers. The Board of Managers will assess and collect Common Charges from the Unit Owners, and will have certain discretionary powers over the operating expenses and the application of the assessments. While there is presently no direct authority as to the tax status of the Condominium for Federal Income Tax purposes, Sponsor's Counsel is of the opinion that the Condominium will be treated as an association taxable as a corporation, due to the fact that it will qualify as an exempt homeowner's association under section 528 of the IRS code. As a result, the condominium may not be subject to Federal corporate income tax on its taxable income, if any.

The statements set forth herein are based upon an analysis of the Internal Revenue Code of 1986, as amended (the "Code"), New York State Tax Law, the Administrative Code of the City of New York, the applicable regulations promulgated or proposed thereunder, the current position of applicable administrative agency, in particular, the position of the IRS stated in published Revenue Rulings and Revenue Procedures, and judicial decisions. It is emphasized, however, that legislative, judicial or administrative changes may be made which would require modification of such statements, or that, the IRS or other applicable administrative agency may disagree with Counsel's interpretations and conclusions. A more detailed statement of the tax factors involved may be found in the COUNSEL'S TAX OPINION; however, each purchaser should consult with his or her own attorney with regard to tax consequences of this transaction.

COUNSEL'S TAX OPINION LETTER

January 27, 2008

Hang Seng Capital Group LLC
6804 20th Avenue
Brooklyn, New York 11204

Re: Offering Plan for the Conversion to
Condominium Ownership of Premises:
5805 7th Avenue
Brooklyn, New York 11220

Gentlemen:

You have requested my opinion concerning (i) the availability of certain deductions for Federal, New York State, and New York City Income Tax purposes to persons who purchase units for residential use ("Unit Owners") under the Offering Plan for THE HANG SENG TOWER (the "Plan"), and (ii) the Federal Income Tax Treatment of the Common Charges received by the condominium association of the condominium (the "Condominium").

In connection with rendering this opinion, I have reviewed the Plan, the Schedules and Exhibits thereto, the Declaration of the Condominium Plan (the "Declaration"), the By-Laws of the Condominium (the "By-Laws"), the relevant sections of the Internal Revenue Code of 1986, as amended (the "Code"), the Regulations promulgated thereunder by the Treasury Department (the "Treas. Regs."), the New York State Tax Law, the Administrative Code of the City of New York, revenue rulings, relevant case law and such other materials as I have deemed relevant.

FACTS

You have advised me that, to the best of your knowledge, the following statements are an accurate summary of the relevant facts, and my opinion is conditioned upon the accuracy of such facts.

The Sponsor will submit to the office of the Registers of the City of New York a declaration establishing the premises located at 5805 7th Avenue, Brooklyn, New York, as a condominium pursuant to the provisions of New York's Condominium Act. (See Article 9-B of the Real Property Law of the State of New York.) This condominium shall consist of twenty-six (26) Units allocated for residential use, two (2) commercial units and one (1) parking unit. Each holder of a Unit will own his own Unit plus an interest in the elements common to all Units (the "Common Elements"). Each unit owner will be entitled to the exclusive ownership and possession of his unit and will receive a separate deed to the Unit.

The Condominium will be operated by a Board of Managers which, pursuant to the By-Laws, will act only as an agent of all Unit Owners. The Board of Managers will be comprised of at least three members, who shall each be elected by the Unit Owners. The primary function of the Board of Managers will be to supervise the maintenance and operation of the Common Elements, and collect charges (the "Common Charges") necessary to maintain and operate the Common Elements.

DISCUSSION

I. Deductibility of Mortgage Interest and Real Estate Taxes

Under the Condominium Act, each Unit Owner will own his/her Unit and its appurtenant interest in the Common Elements in fee simple, and each Unit will be taxed as a separate tax lot for real estate tax purposes. Each Unit Owner may mortgage his Unit and become individually liable for the payment of the principal and any finance charges or interest on such mortgage indebtedness. Failure to pay his or her share of the Common Charges will result in the Board of Managers having a lien on the Unit for the unpaid Common Charges.

The deductibility of the mortgage interest and real estate taxes paid or accrued by the Unit Owner during his or her taxable year will be governed by sections 163 and 164 of the I.R.S. Code. Section 163 of the Code allows a taxpayer to deduct all interest paid or accrued during the taxable year on Bona Fide indebtedness.

Section 164 of the Code allows a taxpayer to deduct real estate taxes paid or accrued during the taxable year.

Since Sections 339-g and 339-y of the Condominium Act provide that each Unit and its common interest shall be taxed as a separate tax lot for real estate purposes, Unit Owners shall be entitled to deduct real estates tax paid or incurred on their Units during the taxable year.

The deduction under Section 163 of the Code for interest is subject to certain other provisions of the Code which may limit the amount of the deduction in any one taxable year. For example, under Section 461(g) of the code, prepaid interest is not deductible by a cash basis taxpayer in the year of payment but must be allocated to the taxable year or years to which it is chargeable. However, the payment of "points" (bank origination fee) is deductible under certain circumstances in the year of payment, provided that the indebtedness was incurred by the taxpayer in connection with the purchase or improvement of his principal residence, and the other requirements of Code Section 461 (g) (2) are complied with.

I note that a taxpayer who purchases a Unit for investment may find his interest deduction limited by Code Section 163(d). Under this Section a taxpayer other than a corporation will be subject to a ceiling on his deduction for investment interest. Investment interest is defined as interest paid or accrued on indebtedness incurred or continued to purchase or carry property for investment. To the extent that the taxpayer has investment income (defined as the gross income from interest, dividends, rents, royalties, net short term capital gains and recapture income), he or she increases his or her ceiling on the deduction for investment interest. See generally Code Section 163(d).

I also note that Code Section 265(2) may impact on the interest deduction otherwise allowable to a taxpayer in the event that he/she incurs debt to finance his/her purchase of a Unit rather than liquidate his or her portfolio of tax exempt securities. Under these circumstances Code Section 265(2) may disallow the taxpayer's interest deduction since he or she would be deemed to have incurred the debt to "continue to carry" the tax exempt obligations. However, revenue rulings have made an exception for debt incurred to purchase the taxpayer's principal residence.

In Revenue Ruling 64-31, 1964-1 C.B. 300, the Internal Revenue Service (the "Service") considered the deductibility of mortgage interest and real estate taxes incurred by the owner of a condominium unit. The Service ruled the Sections 163 and 164 of the Code, respectively, permitted these deductions by the

Condominium Unit Owner provided that he or she itemized his or her deductions in filing his or her Federal income tax returns.

In my opinion, under Code Sections 163 and 164 respectively, a Unit Owner will, for Federal Income Tax purposes, be entitled to a deduction for interest paid or accrued with respect to mortgage indebtedness and for real estate taxes paid or accrued with respect to his or her method of accounting.

It is also my opinion that each Unit Owner will, for New York State and New York City Income Tax purposes, be entitled to the same deduction which is allowed for Federal Income Tax purposes for the mortgage interest and real estate taxes paid or accrued during the taxable year. See Section 615 of the New York State Tax Law. It should be noted, however, that for New York City Income Tax purposes, the benefit of such deduction may be reduced if the Unit Owner has more than the specified amount of tax preference items. See Section 615, 622 and 623 of the New York State Tax Law; Section T46-115.00, T46-122.0 and T46-123.0 of the City Code.

The foregoing discussion applies primarily to residential unit owners. Referenced sections of the IRS code are not applicable to owners of commercial units, if any, or owners of units for investment or resale, if any. However, insofar as the owners of the commercial units will be using the unit for business purposes, other sections of the code may allow such deductions. Purchasers of commercial units are strongly urged to consult with their own accountants with regards to the deductibility of the mortgage interest and real estate taxes.

II. Common Charges-Federal Income Taxation of the Condominium:

A condominium under New York law is not a corporation but an un-incorporated association.

The Treasury Regulations in Section 301.7701-2(a)(i) set forth six factors to be considered in determining whether an association will be treated as an un-incorporated association for Federal Income Tax purposes. Of these factors, the Condominium possesses five (an objective to carry on business, divide the gains, centralization of management, continuity of life, free transferability of interest). Since an un-incorporated organization will be treated as a corporation if it has more corporate characteristics than non-corporate characteristics, (see Treas. Regs. Section 301.7701-2(a)(3), Philip G. Larson, 66 T.C. 159 (1976) acq., Rev. Rul. 79-106, 1979-1 C.B. 448), it is my opinion that, although there exists no direct authority on this point, the condominium

will be treated as an association taxable as a corporation for Federal Income tax purposes. In such event, and in the absence of any specific exception, the Condominium would be subject to Federal Corporate Income Tax.

Assuming that the Condominium is treated as an association taxable as a corporation, the receipt of substantially all of Common Charges, may be excluded from the income of the Condominium in the event that (i) the Condominium is acting as agent of the Unit Owners as to collection and receipt of such funds; or (ii) the Condominium is not acting as agent and receives the Common Charges as non-taxable contributions of capital, or receives the Common Charges as service income which is fully offset by the Condominium's service expenses; or (iii) the Condominium elects to be taxed under Code Section 528 and the Condominium has only "exempt function income" within the meaning of such Section.

In Revenue Ruling 75-370, 1975-2 C.B. 257 the shareholders of a condominium management corporation approved special accounts which were not commingled with the general funds of the condominium management association. The assessments could be used only to replace the roof and the elevators located in the common elements of the condominium property. The I.R.S. ruled that these special assessments were not includable in the Condominium's gross income since they did not benefit the condominium which had a fiduciary obligation to expend the funds collected in the manner approved by its unit owner-stockholders. The I.R.S. found that there was an agent and principal relationship between the condominium and its unit owner-stockholders insofar as the special assessments were concerned. However, Rev. Rul. 75-370 specifically exempted funds collected by a condominium management corporation to provide services for which it was formed such as the maintenance of the common elements. Thus, funds collected by the Board for painting, general repairs, gardening and janitorial services would constitute gross income to the Condominium.

The By-Laws provide that the Board of Managers will act as the agent of the Unit Owners. If Common Charges for special capital improvements are specifically designated for capital improvements, deposited in special accounts and not commingled with the general funds, then such Common Charges should not be included in the income of the Condominium, according to Revenue Ruling 75-370, supra. Common Charges for operational expenditures would not be excluded from the income of the Condominium, because the Board of Managers does not have mere ministerial powers with respect to the operations of the Condominium.

Under certain circumstances, special assessments for specific capital improvements may be considered non-taxable contributions to the capital of the association, pursuant to Code Section 118. In Revenue Ruling 75-371, 1975-2 C.B. 52, the condominium management collected special assessments which were assessed pro-rata upon each unit owner to replace outdoor furniture. The By-Laws required that any assessment had to be approved at a stockholder meeting by a majority vote of the unit owner-stockholders. The special assessment was approved and the proceeds were deposited in a special account and were not commingled with the general assessment funds. The assessment could only be used for the specific purpose intended. The Service held that the Special Assessment was a non-taxable contribution to the capital of the condominium management corporation. *Id.*; See also Rev. Rul. 74-563, 1974-2 C.B. 38 (special assessments to pave a parking lot of the homeowners association are contributions to the capital of the associations).

Under this Plan the Unit Owners must approve all special improvements. Therefore, as to such amounts of Common Charges which are specifically designated for capital improvements, deposited in special accounts and not commingled with the general funds, such Common Charges should not be characterized as income of the condominium, according to Revenue Ruling 75-371, supra, but would constitute contributions to the capital of the Condominium. Even if a special capital assessment is not specifically voted upon and approved by the Unit Owners of the Condominium, there is judicial authority which would support the characterization of such assessment as capital contribution. See Concord Village, Inc., 65 T.C. 142 (1975).

It should be noted that if the special assessment are treated as contributions to the capital of the Condominium, the subsequent expenditure of these funds (together with any other funds accumulated by the Condominium) may be viewed by the Service as a distribution to the Unit Owners, taxable under Section 301 of the Code. Each Unit Owner may therefore be subject to tax on his pro-rata share of the amounts expended. Rev. Rul. 75-371 went on to distinguish special assessments from assessments collected for the purpose of normal operating expenses and excess assessments, which could be returned directly to the individual unit owner-stockholders. These general assessments and the excess assessments which are not credited to subsequent taxable years or returned to the unit-owners, were held to constitute gross income to the condominium under Section 61 of the Code. I note, however, that to the extent to which the Condominium will be deemed to have service income by virtue of its performance of its management functions, it will be entitled to deduct as business expenses its

expenditures required to provide such services from its gross income. See Concord Village, Inc., 65 T.C. 142, 157 (1975); Park Place, 57 T.C. 767, 778 (1972). Thus, it will have taxable income only in the amount of the excess of its income from all sources over its allowable deductions.

Any net income attributable to over-assessments might constitute taxable income of the Condominium for the year of receipt, even if such excess is distributed or applied to the subsequent year's assessments. In effect, a management association will not earn income when it has no discretion as to the application of the excess, and, conversely, will have income where it does have such discretion. Since the Board of Managers will have discretion as to application of excess Common Charges, and does not intend to return excess Common Charges, if any, but intends to apply such excess to the next year's expenditures, it is possible that any excess Common Charges will constitute taxable income to the Condominium.

Code Section 528 provides a tax exemption for an organization that qualifies as a "homeowners association" which term includes a "condominium management association". A "condominium management association" is defined as an organization organized and operated to provide for the acquisition, construction, management, maintenance, and care of a condominium, provided substantially all of the units are used by individuals for residences. See Code Sections 528(c)(1)(A), and 528 (c)(2). "Substantially all" the units will be considered used by individuals for residences if at least 85% of the total square footage of all units within the project is used, or is intended to be used, by individuals for residential purposes or purposes auxiliary to residential use, such as storage rooms, laundry and maintenance areas. See Treas. Regulations, Section 1.528-4(b). The organization itself will be considered "organized and operated" for the acquisition, construction, management, maintenance, and care of such condominium, if the facts and circumstances indicate such to be the case. See Treas. Regs. Section 1.528-2. However, if the articles of the Condominium reflect that is the purpose of the association, then the condominium management association will be presumed to be operated for such purpose. See Treas. Regs. Section 1.528-2(a).

In addition to the organization and operation test, the tests set forth below must be satisfied under code Section 528(c)(1) in order for a condominium to qualify as a "homeowner's association".

(1) Sixty percent (60%) or more of the gross income of the organization must be "exempt function income," that is, income derived from the payment of dues or fees from the residential unit owners in their capacity as owner-members rather than in the

capacity as customers for services. Code Section 528(c)(1)(A) and Treas. Regs. Section 1.528-5 and 1.528-9. "Exempt function income" includes income which is attributable to assessments that arise as a result of the members' ownership interest, either based on value or size of their units, and used for the purpose of enhancing or maintaining the value of the residences. See Treas. Regs., Section 1.528-9(a). For example, the regulations indicate that assessments for the purpose of paying real estate taxes, removing garbage, or removing snow is "exempt function income". See Treas. Regs. Section 1.528-9(b). Income attributable to the use of laundry machines and interest earned on sinking funds is not exempt function income; See Treas. Regs. Section 1.528-9(c). Any assessments attributable to special capital improvements, which are treated as capital contributions, are not included in gross income, and therefore, are not part of the calculation of the gross income test. See Treas. Regs. Section 1.528-9(a).

(2) Ninety percent (90%) or more of the expenditures of the organization for the taxable year must be used for the acquisition, construction, management, maintenance and care of the organization's property. See Code Section 528(c)(1)(C). These expenditures include operating and capital expenditures during the taxable year. Investments in reserve funds for future expenditures are not included in this calculation.

(3) No part of the net earnings of the organization may inure to the benefit of any individual. See Code Section 528(c)(1)(D). The Code expressly excludes benefits received by a unit owner attributable to the homeowners association performing its exempt function, such as the benefit from the homeowners association acquiring, constructing, managing, maintaining and taking care of the association property.

(4) The organization must properly and timely elect to have Code Section 528 apply for the taxable year. See Code Section 528(c)(1)(E).

Based upon my understanding of the matter it is my opinion that the Condominium will be eligible to qualify as a homeowners association within the meaning of Code Section 528(c)(1) and that, to the extent the condominium has income in excess of its expenses, that income will not be subject to federal income taxation.

III. Real Estate Tax Benefits:

I have reviewed the letter (heretofore set forth in this Offering Plan) from the Sponsor's expert concerning the availability of real estate tax abatement and exemption benefits for this project.

Based on existing statutes and practices, the opinions expressed therein appear to be correct, and I hereby adopt said opinion as my own. This adoption is, of course, subject to the accuracy of the facts supplied to said expert in rendering his determination and also subject to any change in existing statutes which may affect my evaluation and interpretation of the availability of such benefits. This is not a warranty that such benefits will be obtained but only an opinion based on the existing laws, regulations, and facts, this condominium project will qualify for such benefits.

IV. Compliance With Real Property Law Section 339 (i):

I have received and reviewed the letter heretofore set forth from the Sponsor's expert concerning allocation of the common interest to the units in the premises. The determination of Common Interest allocated to each unit has been made based on the floor space of each unit subject to the location of such space, and on additional factors of relative value to other space in the condominium, the uniqueness of the unit, and on the fair market value each of the units bears to the fair market value of all units, pursuant to Real Property Law (RPL) Section 339(i)(1) subparagraph (iv). The method employed is permissible pursuant to the RPL and is in compliance therewith.

CONCLUSION

I express no views as to any Federal, New York State and/or New York City tax consequences or as to any aspects of the Plan other than those tax consequences and aspects explicitly discussed in this opinion, or as to the tax consequences of the Plan under the laws of any other State or foreign jurisdiction. This opinion does not discuss the tax consequences which may result from the ownership or the leasing of a Unit to another, in connection with a Unit Owner's trade or business, for purposes of investment, or for the production of income, or tax consequences which may result to a foreign Unit Owner by reason of his foreign status. This opinion also does not consider the tax consequences which may arise if Units are acquired and/or leased by the Board of Managers, or the issue of whether a Unit Owner may be deemed to be a resident of New York State due to ownership of a Unit. I, therefore, advise each person contemplating the purchase of a Unit to consult his/her own tax advisor as to all such tax matters, as well as with respect to the tax matters discussed in this opinion.

The opinions expressed herein are based solely upon my current understanding and interpretation of the existing law, regulations,

decided cases and rulings of administrative agencies and upon information set forth herein. If there has been any misstatement of a fact or omission of any fact which may be material, or any amendment or exchange in the By-Laws or the Plan, we should be notified, since any such omission, misstatement or change may require modification of part or all of this opinion. Moreover, it should be specifically noted that this opinion is not binding on the Internal Revenue Service, the New York State Department of Taxation and Finance, or the New York City Department of Taxation, and that such entities may not agree with any or all of the views stated above. Further, the Federal and State Tax Laws and Regulations and the rulings and decisions thereunder may change and thereby effect the views stated above in whole or in part.

I hereby authorize the use of this opinion, or a reproduction thereof, in the Plan.

Very truly yours,

Harold L. Gruber

RESERVE FUND

No fund will be created on closing as a reserve for capital expenditures. In the event a need arises for capital expenditures such as renewal or replacement of building components or systems, or to remedy major building defects, it will be necessary to raise needed capital either by assessing individual unit/owners for the cost of such expenditures. However, in the Sponsor's estimation, and in view of the fact that all building systems and components are new, it is anticipated that there will be no needed capital expenditures within the five (5) years immediately following the first closing of a condominium unit under the Offering Plan.

WORKING CAPITAL FUND

At closing of title to each Unit, the Unit Owner for such Unit will contribute to the working capital fund of the Condominium an amount equal to two-months common charges (see CLOSING COSTS AND ADJUSTMENTS). Thus, there will be a \$23,938.00 working capital fund created on closing. Sponsor will make the required contribution for all unsold units at the time of the closing of the first unit, and will be reimbursed therefore on each subsequent closing of a unit by the unit purchaser. This Working Capital Fund will be used to make repairs and improvements, and for other appropriate purposes as determined by the Board of Managers, particularly to meet emergencies not budgeted for in SCHEDULE A. While the Sponsor controls the Board of Managers (see CONTROL BY THE SPONSOR), the Working Capital Fund will not be used to reduce estimated Common Charges.

The Working Capital Fund will not be reduced by any closing adjustments to the Sponsor. All closing adjustments to the Sponsor will be paid in equal monthly installments over the twelve (12) month period following closing. All adjustments represent reimbursement for prepayment of expenses already included in the budget set forth herein as Exhibit B, and therefore do not represent an additional expense to Condominium Purchasers.

No representation is made that the Working Capital Fund will be adequate to cover current or future expenses. If additional funds are required over and above the Working Capital Fund, it may be necessary to increase Common Charges or separately assess all Unit Owners. Neither the Department of Law nor any other government agency has passed upon the adequacy of the Working Capital Fund.

In the event a mortgage recording tax credit becomes available pursuant to Section 339-ee(2) of the New York Condominium Act, it is specifically understood that such credit will inure to the benefit of the Sponsor. Accordingly, on the Closing Date, I will pay the full amount (but not in excess thereof) of the mortgage recording tax chargeable on the entire amount financed, if any. The Sponsor will be reimbursed to the extent of any mortgage tax credit allowed.

I have not relied upon any representations, statements or warranties, written or oral, as to any matter or estimate, that is not set forth herein and in the Plan. I have had at least three days to read and review the Offering Plan and all amendments and have had the opportunity to examine all the documents filed as Exhibits, volume A, B and C to the Plan. This Agreement is not assignable by me without prior written consent of the Seller and shall bind and apply to the parties hereto and their personal legal representatives, successors and assigns and may not be amended, changed or discharged orally.

16. CONFLICTS WITH THE PLAN. Conflicts between this Agreement and the Plan shall be resolved in favor of the Plan.

17. CONDITIONS FOR BINDING AGREEMENT. This Agreement shall not be binding on me or on the Seller until a fully executed copy thereof shall have been delivered to me. If this Agreement shall not be accepted within twenty (20) days of the date hereof by the delivery to me of such endorsed and fully signed copy, this Purchase Agreement shall be deemed to be rejected and canceled and my deposit shall be promptly refunded to me.

18. CONDITIONS FOR CLOSING. It is a condition of this closing that:

- (a) There shall be no claims or liens against the Unit at the time of the Closing, except for Permitted Encumbrances as described in the Plan; and
- (b) The Seller has full right and authority to sell and transfer the Units.

19. WHEN TITLE PASSES. I shall acquire no right, title or interest in the aforesaid Unit until (i) the entire Cash Purchase Price has been paid in accordance with the terms hereof, and (ii) I have otherwise performed, observed and complied with the terms and conditions of this Agreement.

At the Closing of Title the Seller shall deliver to me a bargain and sale deed, with covenants against the grantor's acts, conveying the Unit to me such deed to be in the form contained in Part II of the Plan, executed and acknowledged by the Seller in form for recording.

20. IDENTIFICATION OF PURCHASER. I represent that I am a person over 18 years of age. The term "I" shall read as "we" and "purchaser" shall be read as "purchasers" if more than one person are purchasers, in which case our obligations shall be deemed joint and several. I further represent to the Condominium and to all of the persons to who are Unit Owners that I am purchasing the Unit

for my own account and that Sponsor will have no interest, direct or indirect, in the Unit being purchased hereunder.

21. BONA FIDE PURCHASER. I certify that I have agreed in good faith to purchase the above-described Apartment with no discriminatory re-purchase Agreement or other discriminatory inducement.

22. AGREEMENT SUBJECT TO MORTGAGES. I agree that all terms and provisions of this Agreement are and shall be subject and subordinate to the lien of any building loan mortgage or development loan mortgage heretofore or hereafter made and any advances heretofore or hereafter made thereon and any payments or expenses already made or incurred or which may hereafter be made or incurred, pursuant to the terms thereof, incidental thereto, or to protect the security thereof, to the full extent hereof without the execution of any further legal documents by me. The subordination shall apply whether such advances are voluntary or involuntary and whether made in accordance with the building loan schedule of payments or accelerated thereunder by virtue of lender's right to make advances before they become due in accordance with the schedule of payments. Notwithstanding anything to the contrary contained in this paragraph, however, on the Closing Date the only mortgage to which the Unit will be subject will be the mortgage(s) obtained by me.

23. MORTGAGE FINANCING. This Contract will be conditional on Purchaser obtaining such loan in an amount not less than \$ from an institutional lender. Purchaser shall apply for said loan within five (5) days after receipt of a fully executed copy of this Contract, and shall have forty (40) days from the signing of said Contract to obtain said mortgage commitment. Purchaser's failure to provide information to the lender promptly upon request therefore, or failure to accept a commitment offered, shall be a default for which the Seller shall have the right to cancel this Purchase Agreement and retain the down payment. Once a bank commitment is issued, Purchaser will be

required to use due diligence in obtaining any and all extensions necessary to maintain such commitment in force, notwithstanding that such extension may be at a higher interest rate or require payment of additional fees, or include other changes. Failure to maintain such commitment will constitute a default under the Purchase Agreement, except that if the bank refuses to extend such commitment on any rates or terms, Purchaser may cancel the Contract, and receive return of his down payment hereunder.

24. AMENDMENTS. After acceptance of my Purchase Agreement and so long as I am not in default hereunder, there shall be no change in the amount of the Cash Purchase Price, size or layout of the apartment I intend to purchase, without my written consent first being obtained. If there is a material change in the size or quality of common areas, I shall be given written notice thereof by certified mail, return receipt requested, and I shall have fifteen (15) days therefrom to rescind my Purchase Agreement and obtain return of my Down Payment by so notifying the Sponsor or Selling Agent in writing by certified mail, return receipt requested. Notice of an amendment may also be given by overnight delivery service, or fax, and regular mail, and shall be deemed made when received, or when delivery is attempted. Notice of an amendment hereunder may be made by delivering a copy thereof and notice of its acceptance for filing to the attorney for the purchaser rather than directly to the purchaser in the form or manner set forth above.

25. CAPTIONS. The captions used herein are inserted only as a matter of convenience and for reference and in no way define, limit or described the scope of this Purchase Agreement or the intent of any provision hereof.

26. RECORDING OF DEED AND POWER OF ATTORNEY. At the Closing of Title, I will deliver the executed deed received from Seller and an executed and acknowledged power of attorney to the representative of the title company, if any, or to Seller for recording in the Office of the Register of the City of New York, County of Kings. In the event that the Sponsor shall for any reason (except for willful default) be unable to convey and deliver the apartment in accordance with terms of the Purchase Agreement, (except for any failure to perform any obligation imposed by applicable statute or regulation, or a failure to perform Sponsor's obligations under the Offering Plan) the sole remedy of the Purchaser shall be to rescind the Purchase Agreement and be refunded the entire downpayment with interest plus the cost of title searches, if any.

Any conflict between the plan and the Purchase Agreement shall be resolved according to the terms of the plan.

A. The construction of the building and the Unit, including the materials, equipment and fixtures to be installed therein, shall be substantially in accordance with the Plan and the architectural "plans and specifications" (defined in the Plan), subject to the right reserved by Sponsor to modify and amend the Plan and the "plans and specifications" in order to substitute materials, equipment or fixtures of equal or better quality and design, provided only the approval of any governmental authorities having jurisdiction thereover and the construction lender are first obtained (if required). The issuance of a Certificate of Occupancy for the Building shall be deemed presumptive evidence that the Building and the Unit have been fully completed in accordance with the Plan and the "plans and specifications". However, nothing herein contained shall excuse Sponsor from its obligations to correct any defects in construction in accordance with the conditions set forth in the Plan in the section entitled "RIGHTS AND OBLIGATIONS OF THE SPONSOR."

B. The construction of the Building and the Unit and the correction of any defects in construction to the extent required under the Plan are the sole responsibility of the Sponsor. Purchaser acknowledges and agrees that Sponsor will not be liable for, and will have no obligation to correct, certain variations from the Plan and "plans and specifications" as indicated in the Plan in "RIGHTS AND OBLIGATIONS OF THE SPONSOR," and will only be responsible to correct any construction defects to the extent, and on the terms and conditions, set forth in said section.

34. INSPECTION OF UNIT. At least ten (10) days before the Balance is to be paid, the Selling Agent shall notify the Purchaser that the Unit is ready for inspection. Upon receipt of the notice, Purchaser shall promptly arrange an appointment with the Selling Agent to inspect the Unit before the lapse of such ten (10) day period. Purchaser or his duly authorized agent shall attend such inspection and shall complete, date and sign the Inspection Statement (in the form set forth as Exhibit A to this Agreement) and deliver same to the Selling Agent at the conclusion of the inspection. Failure of Purchaser either to arrange such appointment or to inspect the Unit within ten (10) days of receipt of said notice or to so sign and deliver the completed inspection Statement, shall not excuse Purchaser from paying the Balance when due and shall constitute Purchaser's full acceptance of the Unit. However, nothing herein shall relieve Sponsor of its obligations as set forth in the "RIGHTS AND OBLIGATIONS OF THE SPONSOR."

35. NOTICES. All notices, elections, consents, demands and communications (collectively called "notices" or individually called "notice") shall be delivered personally or given in writing by registered or certified mail, return receipt requested, postage prepaid, and, if sent to Purchaser, addressed to Purchaser at Purchaser's address given in the preamble to this Agreement and, if sent to Sponsor, addressed to the Sponsor's Attorney as indicated in this Plan. Either party may, by written notice to the other, change the address to which notices are to be sent. Unless otherwise provided herein, all notices shall be deemed given when personal delivery is effected or when deposited in any branch station or depository maintained by the U.S. Postal service in the City and State of New York, except that a notice of change of address shall be deemed given when actually received. Notice may also be given by overnight delivery service or fax and regular mail, and shall be deemed effective when received or when delivery is attempted. Any notice required to be given hereunder may be given to the attorney of the respective parties.

36. BROKER. Purchaser represent to Sponsor that the Selling Agent is the only broker or sales agent with who Purchaser has dealt in connection with this transaction. Sponsor agrees to pay the commission due the Selling Agent pursuant to separate agreement. Purchaser agrees that should any claim be made against Sponsor for commissions by any broker, other than Selling Agent, on account of any acts of Purchaser or of Purchaser's representatives, Purchaser will indemnify and hold Sponsor free and harmless from any and all liabilities and expenses in connection therewith, including (without limitation) reasonable legal fees and disbursements. The provisions of this Paragraph 26 shall survive the Closing.

37. ASSIGNMENT AND RECORDATION. This contract may not be assigned or recorded, and any proposed assignment or recordation without express written permission of the Seller shall be deemed a default hereunder entitling Seller to cancel the contract and retain all sums deposited pursuant hereto. Sponsor at Sponsor's option may allow Purchaser to assign a contract; in the event of such assignment Purchaser shall pay an assignment fee of \$1,500.00.

38. NO LIEN. No lien or encumbrances shall arise against the Property or the Unit as a result of this Agreement or any monies deposited hereunder. This Agreement shall not be recorded and any purported recordation hereof by Purchaser shall constitute an Event of Default.

39. INVALIDITY. Invalidity or unenforceability of any portion or portions of this Agreement shall not affect the validity or enforceability of the other portions, which shall all be deemed valid and enforceable to the fullest extent of the law.

40. STRICT COMPLIANCE. Any failure by Sponsor to insist upon strict performance by Purchaser of any of the provisions of this Agreement shall not be deemed a waiver of any of the provisions hereof, irrespective of the number of violations or breaches which may occur, and Sponsor, notwithstanding any failure, shall have the right thereafter to insist upon strict performance by Purchaser of any and all of the provisions of this Agreement to be performed by Purchaser.

2nd Comments on Engineer/architect report
Dated January 25, 2008

Dear Mr. Martinez:

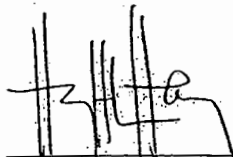

Reference is made to your second comments dated January 25, 2008 regarding the effects on the height of the proposed building.

Comment: Clarify *in detail* the effects that the height of this building will have on the adjacent building, and if any, what steps are being taken to solve the problem; submit a separate professional report, not limited to calculations.

Response: The proposed new building is 70 feet high measured from street line to main roof. This building is approximately 42' higher than the adjacent 3-story building which is located on the north side. This new building has its own exterior walls and foundation. It has no effect on its adjacent buildings.

Thank you.

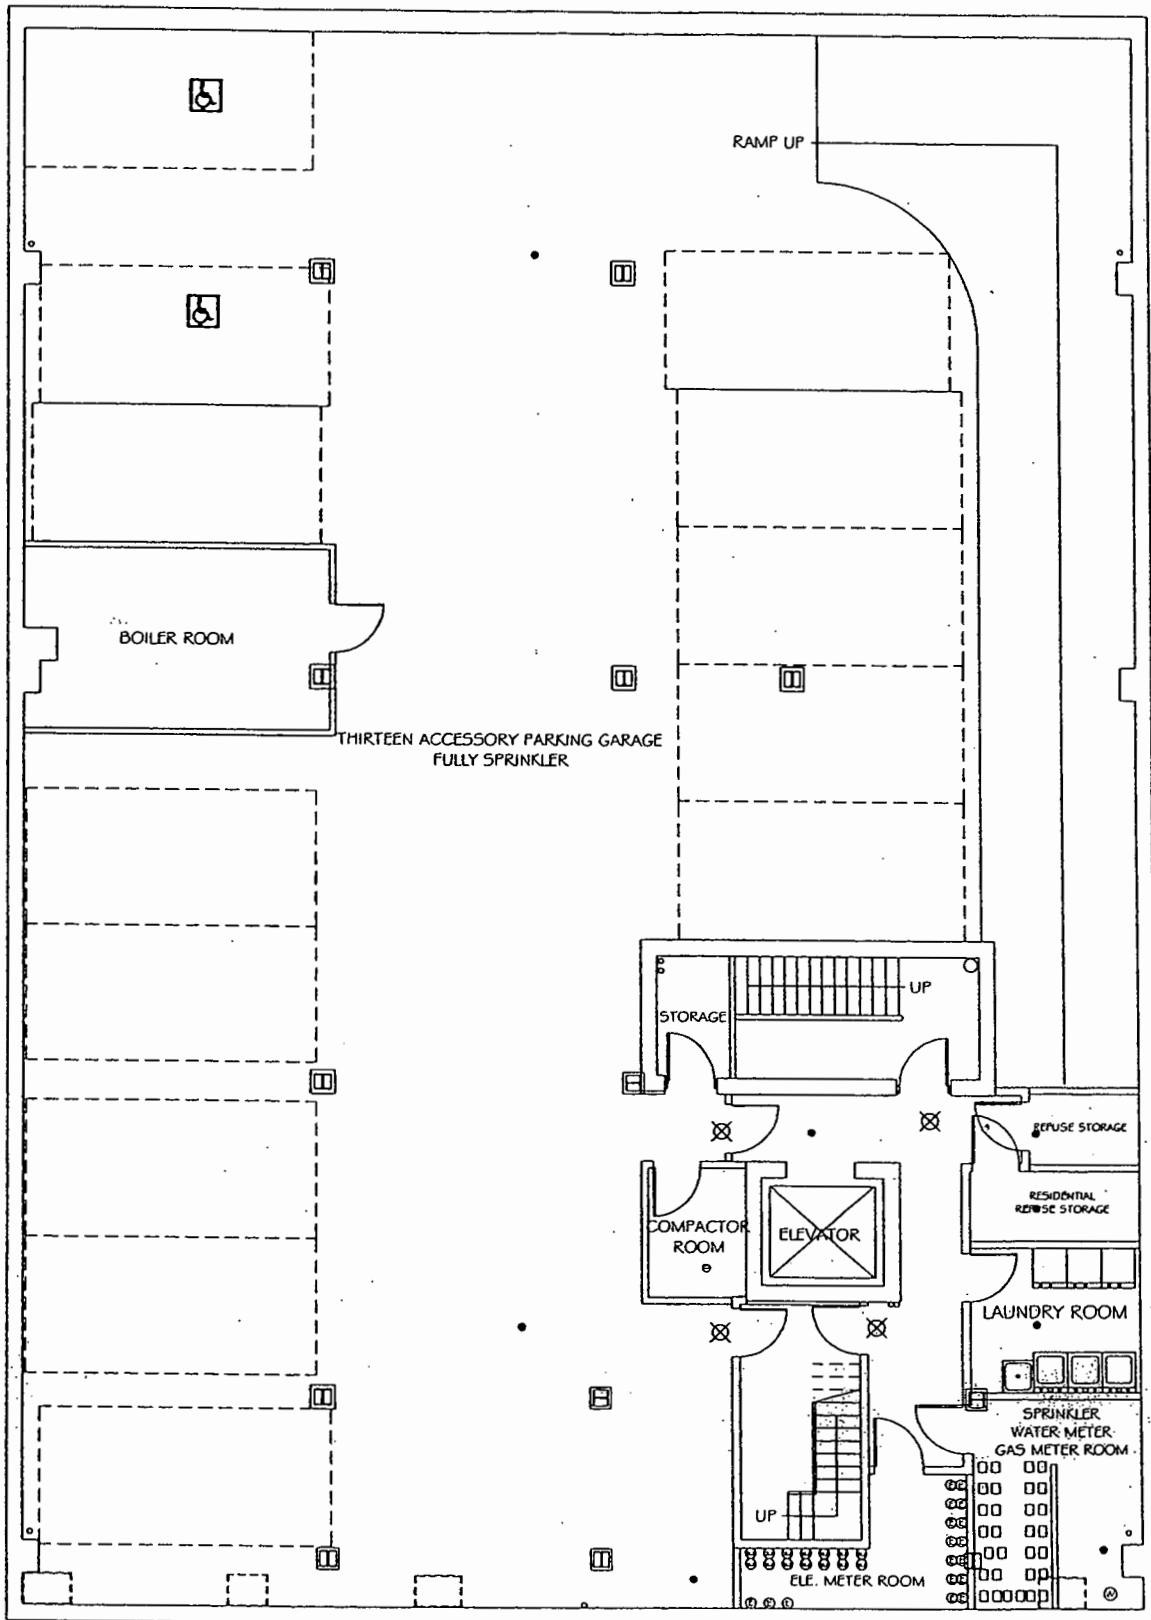

Sincerely yours,

Harry Hong, P.E.

The Sponsor hereby reserves to itself and its designee(s) the right to amend this Declaration at any time without the requirements of a vote and without the approval or consent of

any Unit Owners or mortgagees for the sole purpose of filing the Floor Plans required by the New York Real Property Law Section 339-p for any portion or portions of the Buildings and appurtenances which are incomplete upon the original filing of the Declaration provided that the verified statement of a registered architect or licensed professional engineer certifying that the plans being filed simultaneously with such amendment, fully and fairly depicting the layout, location, unit designations and approximate dimensions of the particular Unit or Units as built, as provided in said Section 339-p will be filed with such amendment.

In no case, however, may such division or consolidation result in a different percentage of common interest for the total of new Commercial Units than existed for the total of the original Commercial Units before division or consolidation. An amendment to this Declaration authorized by this paragraph may be filed by the new Unit Owner(s) without notice to or consent of the Board of Managers or any other Commercial Owner(s) provided the percentage of common interest of all other existing Commercial Units is not affected thereby.

If the number of rooms in an Unsold Commercial Unit is changed, or the size and/or number of Unsold Commercial Units is changed (whether as a result of a subdivision or combination of Unsold Commercial Units, or of boundary walls between Unsold Commercial Units, or otherwise) and the appurtenant percentage interest in the common elements is reapportioned as a result thereof, all in accordance with the provisions of this Article, then the Sponsor or its designee shall have the right to execute, or (on its request) to require any other Unit Owner or the Condominium Board of Managers to execute, and record in the Office of the Register of

If any provision that is necessary to cause this Declaration or the By-Laws to be sufficient to submit the Property to the provisions of the Condominium Act is missing from this Declaration or the By-Laws, then such provision shall be deemed included;

(b) Subject to the terms of Paragraph "a" above, if this Declaration or the By-Laws are insufficient to submit the Property to the provisions of the Condominium Act, this Declaration and By-Laws shall nevertheless be valid and binding upon, and shall inure to the benefit of, the owners of the Property and their heirs, executors, administrators, legal representatives, successors and assigns, as covenants running with the Land and with every part thereof and interest therein under other applicable law to the extent permitted under such applicable law with the same force and effect as if, immediately after the recording of this Declaration and the By-Laws, all Unit Owners had signed and recorded an instrument agreeing to each such provisions as a covenant running with the Land.

The Sponsor or its designees will not vote its interests appurtenant to any Unsold Units for such withdrawal unless at least eighty (80%) percent in Common Interest of all other Unit Owners have elected for such withdrawal, in which event the Sponsor may choose to vote in favor of or against such withdrawal. In the event said withdrawal is authorized as aforesaid, the Property shall be subject to an action for partition by any Unit Owner or lienor as

Section 9. Liability of Officers: No officer shall be liable to the Unit Owners for any mistake of judgment, negligence, or

otherwise, except for willful misconduct or bad faith. The Unit Owners shall severally indemnify each officer against any liability or claims except those arising out of the bad faith or willful misconduct of an officer. It is intended that each officer shall have no personal liability with respect to any contract made by him on behalf of the Condominium. It is and shall be permissible for each officer who is appointed by the original Board of Managers (designees of the Sponsor), to contract with the Sponsor and affiliated corporations without fear of being charged with self-dealing. It is also intended that the liability of any Unit Owner arising out of any contract made by an officer or out of the aforesaid indemnity in favor of each officer shall be limited to such proportion of the total liability thereunder as his interest in the Common Elements bears to the aggregate interest in the Common Elements of all the Unit Owners. Every agreement made by an officer on behalf of the Condominium shall provide that each officer is acting only as agent for the Unit Owners and shall have no personal liability thereunder (except as Unit Owners, except for willful misconduct or bad faith), and that each Unit Owner's liability thereunder shall be limited to such proportion of the total liability thereunder as his interest in the Common Elements bears to the aggregate interest in the Common Elements of all Unit Owners.

ARTICLE IV

Managers

Section 1. Number: The number of Managers of the Corporation shall not be less than three (3) nor more than seven (7), as may from time to time be herein provided and, in the absence of such provision shall be three (3). Commencing with the first election of Managers by Unit Owners of the Condominium, and until changed by amendment of this By-Law provision, and hereinafter provided, the number of Managers shall be three (3). The number of Managers shall not be decreased to a number less than the number of Managers then in office except at any Annual Meeting of Unit Owners. However, during the period the Sponsor, its Successor Offeror(s) or Designees(s) continue to own 50% or more of the Condominium the number of Managers shall remain fixed at three (3).

Section 2. Powers and Duties: The Board of Managers shall have the powers and duties necessary for the administration of the affairs of the Condominium, as agent of all Unit Owners. The Board shall further have the right to employ a manager or managing agent or both, and may delegate any or all of the powers conferred by this section to such managing agent. Persons employed in the operation of the property may be designated or removed by a majority vote of the Board of Managers, or without vote by the

managing agent or manager, if such a person is employed by the Board.

Section 3. Nomination and Election: The Managers shall be elected for a term of one year at the Annual Meeting of Unit Owners or at a Special Meeting called for that purpose as provided by law. Each Condominium Unit shall be entitled to cast one vote for each .01% of Common Interest in the Condominium appurtenant to the Unit, which may be cast all for one nominated Manager, or divided among any number of candidates. Their term of office shall be until their respective successors are elected and qualify.

Section 4. Quorum: A majority of the Managers then authorized by these By-Laws shall constitute a quorum.

Section 5. Vacancies: Vacancies in the Board of Managers resulting from death, resignation or otherwise may be filled without notice to any of the Unit Owners by a vote of a majority of the remaining Managers present at the meeting at which such election is held for that purpose promptly after the occurrence of any such vacancy even though no quorum is present. Each person so elected shall be a member of the Board of Managers until a successor shall be elected at the next annual meeting of Unit Owners to serve the remaining term. In the event of the failure to hold any election of Managers at the time designated for the annual election of Managers or in the event that the Board of Managers shall not have filled any such vacancy, a Special Meeting of Unit Owners shall be called to elect a new Board of Managers. Any vacancy created by amendment of these By-Laws shall be filled in the manner provided in the resolution adopting such amendment. In case of a reduction of the authorized number of Managers by amendment of these By-Laws, the Manager, if any, whose term of office shall cease, shall be determined in the manner provided in the resolution adopting such amendment.

Section 6. Meetings: The Board of Managers shall meet immediately after the Annual Meeting of Unit Owners without notice and also whenever called together by any Manager of the Condominium or upon the written request of any three Managers then holding office, upon notice given to each Manager, by delivering personally, mailing or telegraphing the same to him at least two days prior to such meeting at the last address furnished by him to the Condominium. Regular meetings may be held without notice at such times and places as the Board of Manager may determine. Any meeting of the Board at which all the Managers shall be present, or of which notice shall be duly waived by all absentees, either before or after the holding of such meeting, shall be valid for all purposes provided a quorum be present. Meetings of Managers may be held either at the principal office of the Condominium or elsewhere within the State of New York as provided in the notice calling the

meeting, unless the Board of Managers by resolution adopt some further limitation in regard thereto. At all meetings of the Board of Managers, each Manager shall be entitled to one vote. The vote of a majority of the Board of Managers present at the time of a vote of a duly constituted meeting shall be the act of the Board of Managers.

Section 7. Resignation and Removal: Any Manager may resign at any time by written notice delivered in person or sent by certified registered mail to the President or Secretary of the Condominium. Such resignation shall take effect at the time specified therein, and unless specifically requested acceptance of such resignation shall not be necessary to make it effective. Any Manager may be removed from office at any time with or without cause upon the affirmative vote of the Unit Owners whose aggregate vote is at least 51% of the votes of the Condominium at a Unit Owners' meeting duly called for the purpose; provided, however, that the Manager(s) elected by the Holders of "Unsold Units" can be removed only for cause by a vote of a majority of the Unit Owners or without cause by the Holders of Unsold Units.

Section 8. Annual Cash Requirements: The Board of Managers shall, from time to time determine the cash requirements as defined in the Condominium's By-Laws, and fix the terms and manner of payment of Common Charges as more specifically set forth in Article VI. The Board of Manager shall have discretionary power to prescribe the manner of maintaining and operating the Building, to be paid as aforesaid by the Unit Owners. Every such determination by the Board of Managers shall be final and conclusive as to all Unit Owners and any expenditures made by the Condominium's officers or its agent under authority of, or with the approval of, the Board of Managers of the Condominium shall, as against the Unit Owners, be deemed necessarily and properly made for such purpose. Until the earlier of (i) the fifth anniversary of the First Closing or (ii) such time as the Holders of Unsold Units hold less than 50% of the outstanding votes of the Residential Units, the Board of Managers of the Condominium will not take any of the following actions unless Unit Owners owning at least 51% of the votes of Residential Units of the Condominium approve in writing or by vote, in person or by proxy, at a duly constituted meeting called for such purpose:

a) Increase the number or change the type of employees from that described in the NOTES TO SCHEDULE B of the Offering Plan;

b) Provide for new or additional services from indicated in the NOTES TO SCHEDULE B, unless the annual cost of such new or additional services, when added to the annual cost of all other services, being provided, is no greater than that provided in said notes;

c) Establish any reserve other than the Reserve and/or Working Capital Funds set forth in the Offering Plan.

However, notwithstanding anything contained herein to the contrary, the Sponsor, as Holder of Unsold Units, or other Holder(s) of Unsold Units, shall not veto the expenses set forth in SCHEDULE B of the offering plan, or expenditures required to comply with applicable laws or regulations.

Section 9. Rules and Regulations: The Board of Managers may from time to time adopt and amend such rules and regulations as it may deem necessary in respect to the Building of the Condominium for the health, safety and convenience of the Unit Owners. Copies thereof and of changes therein shall be furnished to each Unit Owner.

Section 10. Compensation: No Member of the Board of Managers shall receive any compensation from the Condominium for acting as such.

Section 11. Liability of the Board of Managers: The Members of the Board of Managers shall not be liable to the Unit Owners for any mistake of judgment, negligence, or otherwise, except for their own individual willful misconduct or bad faith. The Unit Owners shall indemnify and hold harmless each of the members of the Board of Managers against all contractual liability to others arising out of contracts made by the Board of Managers on behalf of the Condominium unless any such contract shall have been made in bad faith or contrary to the provisions of the Declaration or of these By-Laws. It is intended that the members of the Board of Managers shall have no personal liability with respect to any contract made by them on behalf of the Condominium within the scope of their authority. It is understood and permissible for the original Board of Managers, who are designated by the Sponsor, to contract with the Sponsor and affiliated corporations without fear of being charged with self-dealing. It is also intended that the liability of any Unit Owner arising out of any contract made by the Board of Managers shall be limited to such proportion of the total liability thereunder as his interest in the Common Elements bears to the interest of all the Unit Owners in the Common Elements. Every agreement made by the Board of Managers, or the Managing Agent, or the Manager, on behalf of the Condominium shall provide that the members of the Board of Managers, or the Managing Agent, or the Manager as the case may be, are acting only as agent for the Unit Owners in the Common Elements. Every agreement made by the Board of Managers or by the Managing Agent or by the Manager on behalf of the Condominium shall provide that the members of the Board of Managers, or the Managing Agent, or the Manager, as the case may be, are acting only as agent for the Unit Owners and shall have no personal liability thereunder (except as Unit Owners), and that

each Unit Owner's liability thereunder shall be limited to such proportion of the total liability thereunder as his interest in the Common Elements bears to the interest of all Unit Owners in the Common Elements.

ARTICLE V

NOTICES

Section 1. Definitions: Whenever under the provisions of the Declaration or of these By-Laws, notice is required to be given to the Board of Managers, any Manager, Unit Owner or mortgagee, it shall not be construed to mean personal notice; but such notice may be given in writing, by mail, by depositing the same in a post office or letter box, in a postpaid sealed wrapper, addressed to the Board of Managers, such Managers or Unit Owner or mortgagee in such address as appears on the books of the Condominium.

Sections 2. Service of Notice Waiver: Whenever any notice is required to be given under the provisions of the Declaration or of these By-Laws, a waiver thereof, in writing, signed by the person or persons entitled to such notice, whether before or after the time stated therein, shall be deemed the equivalent thereof.

ARTICLE VI

OPERATION OF THE PROPERTY

Section 1. Determination of Common Expenses and Fixing of Common Charges: The Board of Managers shall from time to time, and at least annually, prepare a budget for the operation of the Condominium, determine the amount of the Common Charges payable by the Unit Owners to meet the Common Expenses, and allocate and assess such Common Charges and Expenses among the Unit Owners in proportion to their respective Common Interests. Such common expenses may be specially allocated and apportioned by the Board of Managers in a manner different from common profits and expenses for one (1) or more non-residential units. Additionally, common expenses may be specially allocated and apportioned to residential or non-residential units, or a combination thereof, based on special or exclusive use or availability, or exclusive control, of particular units or common areas by particular unit owners. The Common Expenses shall include, among other things, the cost of all insurance premiums on all policies of insurance required to be or which have been obtained by the Board of Managers pursuant to the provisions of these By-Laws and the fees and disbursements of the Insurance Trustee. The Common Expenses may also include such

amount as the Board of Managers may deem proper for the operation and maintenance of the Common Elements including, without limitation, an amount for working capital of the Condominium, for a general operating reserve, for a reserve fund for replacements, and to make up any deficit in the common expenses for any prior year. The Common Expenses may also include such amounts as may be required for the purchase or lease of any Unit whose Owner has elected to sell or lease such Unit, or any Unit which is to be sold at a foreclosure or other judicial sale. The Board of Managers shall advise all Unit Owners promptly, in writing, of the amount of Common Charges and Expenses payable by each of them, respectively, as determined by the Board of Managers, as aforesaid, and shall furnish copies of each budget on which such Common Charges and Expenses are based, to all Unit Owners. Any dispute relating to the expenses to be borne by the Unit Owners shall be submitted to arbitration in accordance with these By-Laws.

In addition to the general expenses of condominium operation, the Board of Managers shall determine the amount required solely and exclusively for maintenance, repair and operation of the marina portion of the Condominium; and such costs shall be deemed as additional assessment against marina units, which will be shared equally by all marina units. Funds raised from this special assessment may only be utilized for maintenance, repair and operation of the marina; funds raised through the general common charge may not be used for any cost or expense related solely to maintenance, repair and operation of the marina.

The Sponsor or Sponsor-designee shall be responsible for the Common Charges assessed against a Unit owned by it from the date of the First Unit Closing until such Unit is sold to a bona fide purchaser.

Section 2. Insurance: The Board of Managers shall be required to obtain and maintain, to the extent obtainable, the following insurance: (1) fire insurance with extended coverage, vandalism and malicious mischief endorsements, insuring the Buildings containing the Units (including all of the Units and the fixtures initially installed therein by the Sponsor or by prior construction and any other property usual to the servicing and general occupancy, but not including furniture, furnishings, or other personal property supplied or installed by Unit Owners) together with all service machinery and equipment contained therein and covering the interests of the Condominium, the Board of Managers and all Unit Owners and their mortgagees with certificates of insurance, as their interests may appear, in an amount to be determined by the Board of Managers. In the event this building includes a commercial unit, the Board of Managers shall annually obtain from the insurance broker a letter stating the extent to which the cost of insurance for the condominium, on account of the usage of the

commercial unit, exceeds the cost which would otherwise have been obtained if no commercial unit were present; and this cost shall be borne by the commercial unit owner. A copy of the letter shall be delivered to the commercial unit owner within ten (10) days after receipt thereof, and the commercial unit owner shall be obligated the amount assessed therein with fifteen (15) days after receipt thereof.

Section 3. Payment of Common Charges: All Unit Owners shall be obligated to pay the Common Charges assessed by the Board of Managers pursuant to the provisions of Section 1 of Article VI at such time or times as the Board of Managers shall determine.

No Unit Owner shall be liable for the payment of any part of the Common Charges assessed against his Unit subsequent to a sale, transfer or other conveyance by him.

Section 4. Collection of Common Charges and Assessments: The Board of Managers shall assess Common Charges against Unit Owners from time to time at least annually and shall take prompt action to collect any Common Charge due from any Unit Owner which remains unpaid for more than thirty (30) days from the due date for payment thereof. The Board of Managers shall also take prompt action to collect any assessment due from any Unit Owner which remains unpaid for more than thirty (30) days from the due date thereof.

Section 5. Default in Payment of Common Charges or Assessments: In the event of default by any Unit Owner in paying to the Board of Managers the Common Charges or any assessment as determined by the Board of Managers, such Unit Owners shall be obligated to pay interest at the highest legal rate on such Common Charges or assessments from the due date thereof, together with all expenses, including attorney's fees, incurred by the Board of Managers in any proceeding brought to collect such unpaid Common Charges or assessments. The Board of Managers shall have the right and duty to attempt to recover such Common Charges or assessments, together with interest thereon, and the expenses of the proceeding, including attorney's fees, in an action to recover the same brought against such Unit Owner, or by foreclosure of the lien on such Unit granted by Section 339-z of the Real Property Law of the State of New York, in the manner provided in Section 339-aa thereof. A Unit Owner defaulting in payment of Common Charges or assessments shall not be permitted to vote at any regular or special meeting of Unit Owners.

Section 6. Foreclosure of Liens for Unpaid Common Charges: In any action brought by the Board of Managers to foreclose a lien on a Unit because of unpaid Common Charges, the Unit Owner shall be required to a reasonable rental for the use of his Unit and the plaintiff in such foreclosure action shall be entitled the

appointment of a receiver to collect the same. The Board of Managers, acting on behalf of all Unit Owners, shall have the power to purchase such Unit at foreclosure sale and to acquire, hold, lease, mortgage (but not to vote the votes appurtenant to), convey, or otherwise deal with same. A suit to recover a money judgment for unpaid Common Charges shall be maintainable without foreclosing or waiving the lien securing the same. The proceeds from the sale of any Unit pursuant to this Section shall be used first to pay the unpaid Common Charges and/or assessments, plus reasonable attorney's fees and administrative costs and any other lawful liens on the defaulting Unit. Amounts above this, if any, will be the property of the defaulting Unit Owner. If after the sale of Unit for the nonpayment of Common Charges and/or assessments, the sale does not recover the full amount due and owing, the Board of Managers has the right to assess all the Unit Owners as a Common Expense for the difference between the amount received by the Condominium from the sale of the Unit and the amount owed to the Condominium.

Section 7. Statement of Common Charges and Assessment: The Board of Managers shall promptly provide any Unit Owner so requesting the same in writing, with a written statement of all unpaid Common Charges due from such Unit Owner.

Section 8. Abatement and Enjoinment of Violations by Unit Owners: The violation of any rule or regulation adopted by the Board of Managers, or the breach of any provision of the Declaration, shall give the Board of Managers the right, in addition to any other right set forth in these By-Laws; (a) upon reasonable notice to the Unit Owner, to enter the Unit in which, or as to which, such violation or breach exists and to summarily abate and remove, at the expense of the defaulting Unit Owner, any structure, thing or condition that may exist therein contrary to the intent and meaning of the provisions hereof (provided, however, that no prior notice shall be required in the event the Board of Managers shall determine that action is immediately necessary for the preservation or safety of the Property of the Condominium or for the safety of residents of the Condominium or other persons or required to avoid the suspension of any necessary service to the Condominium); or (b) to enjoin, abate or remedy by appropriate legal proceedings, either at law or in equity, the continuance of any such breach.

Section 9. Maintenance and Repairs:

a) All maintenance, replacement or repair to any Unit, ordinary or extraordinary, and to the doors, windows, electrical (except Common Elements), plumbing (except Common Elements) and heating fixtures and air conditioning units within the Unit or belonging to the Unit Owner shall be at

the Unit Owner's expense, excepting as otherwise specifically provided herein.

b) All maintenance, repairs and replacements to the General Common Elements as defined in the Declaration, and the painting and decorating of the exterior side of Unit entrance doors and windows shall be made by the Board of Managers as a Common Expense, excepting to the extent that the same are necessitated by the negligence, misuse or neglect of a Unit Owner, in which case such expense shall be charged to such Unit Owner. Maintenance, repair and replacements in or to the Limited Common Elements as defined in the Declaration will be performed as per the Declaration.

Section 10. Restrictions on Use of Units: In order to provide for congenial occupancy of the Property and for the protection of the values of the Units, the use of the Property shall be restricted to and shall be in accordance with the following:

a) The Residential Units shall be used for private residences only, except that a Unit Owner may use his Unit for any home occupation use permitted under applicable zoning law and ordinances, building code or other rules and regulations of governmental authorities having jurisdiction. Any Unit may also be used as a professional office by a resident thereof provided such professional use does not violate zoning regulations and provided further that the prior consent of the Board of Managers to such professional use is obtained. Notwithstanding the foregoing, the Sponsor or Sponsor-Designee shall have the right, without charge, (i) to maintain general and sales offices in one or more Units or elsewhere on the Property, to use one or more Units as models and for other promotional purposes and to erect and maintain signs on the Property; (ii) to have its employees, contractors and sales agents present on the Property; (iii) to do all things necessary or appropriate, including the use of the Common Elements, to sell or lease Units and to complete construction or the Building and to comply with its obligations.

b) The Common Elements shall be used only for the furnishing of the services and facilities for which they are reasonably suited and which are incident to the use and occupancy of Units.

c) No nuisances shall be allowed on the Property nor shall any use or practice be allowed which is a source of annoyance to its residents or which interferes with the peaceful possession or proper use of the Property by its residents.

d) No unlawful use shall be made of the Property of any part thereof, and all valid laws, zoning ordinances and regulations of all governmental bodies having jurisdiction thereof shall be observed. Violations of laws, orders, rules, regulations or requirements of any governmental agency having jurisdiction thereof, relating to any portion of the Property, shall be eliminated, by and at the sole expense of the Unit Owners, or the Board of Managers, whichever shall have the obligation to maintain or repair such portion of the Property.

e) No portion of a Unit or other Limited Common Elements appurtenant thereto (other than the entire Unit including the Limited Common Elements appurtenant thereto), may be separately rented.

f) In the event the Board of Managers determines, via letter from the insurance agent providing insurance for the building, that the cost of insuring the building with the Commercial Units exceeds the cost of insuring the building without Commercial Units, then the Commercial Unit Owners shall be responsible for a special assessment in the amount of such overage. Commercial Unit Owners shall be entitled to a reimbursement equal to an amount determined by applying their common interest to the annual cost of water and sewer charges paid by the Condominium. Commercial Unit Owners shall be under a duty to maintain heat in their unit on a 24-hour basis, notwithstanding the operating hours of the business, so as to prevent any piping or building facilities which run through said Commercial Units from freezing or being otherwise damaged by any weather condition.

Section 11. Additions, Alterations or Improvements by Unit Owners: No Unit Owner shall make any structural addition, alteration or improvement in or to his Unit, or which affects the exterior of the Building's Units, without prior written consent thereto of the Board of Managers. The Board of Managers shall have the obligation to answer in writing any written request by a Unit Owner for approval of a proposed structural addition, alteration or improvement in such Unit Owner's Unit, within thirty (30) days after such request, and failure to do so within the stipulated time shall constitute a consent by the Board of Managers to the proposed addition, alteration, or improvement. An application to any department of the City of New York or to any other governmental authority for a permit to make an addition, alteration or improvement in or to any Unit shall be executed by the Board of Managers only, without however, incurring any liability on the part of the Board of Managers or any of them to any contractor, subcontractor, or material man on account of such addition,

alteration or improvement, or to any person having any claim for injury to person or damage to property arising therefrom.

In the event the Board of Managers grants its consent, either affirmatively or by its inaction, to any structural addition, alteration or improvement to be made by a Unit Owner, the consent shall provide that any such work shall be at the Unit Owner's sole cost and expense, that work shall be done in accordance with all governmental or quasi-governmental laws, rules, regulations, codes and ordinances, that all work shall be done by reputable contractors with adequate liability, property damage and worker's compensation insurances (certificates for which shall be delivered to the Board of Managers prior to the commencement of construction), that any additions, alterations or improvements, shall be maintained in their entirety by said Unit Owner who shall also be responsible for any repairs, including structural repairs, to such area in any event, and to the Unit and any Common Elements where such repairs become necessary due to additional stresses caused by the structural alteration, addition or improvement, or due to improper design or construction of the structural alteration, addition or improvement, and such approval shall further provide that the Unit Owner shall reimburse the Board of Managers any out-of-pocket expenses incurred by the Board of Managers in connection with the granting of such approval and in connection with any services provided to such alteration, addition or improvement; such expenses may include, but shall not be limited to, any fees of an attorney and/or fees of an architect consulted in connection with any request by a Unit Owner for approval of such work.

The provisions of this Section 11 which requires the consent of the Board of Managers in connection with a structural addition, alteration or improvement shall not apply to Units owned by the Sponsor or its designee. All other provisions of this Section 11 shall apply to all Units.

Non-structural alterations and improvements to Units that do not affect the exterior of the Buildings may be made without the prior approval of the Board of Managers.

Section 12. Use of Common Elements and Facilities: A Unit Owner shall not place or cause to be placed in the lobby, public halls, stairways or other common areas or common facilities, any furniture, packages or objects of any kind. The public halls and stairways shall be used for no purpose other than for normal transit through them. The Sponsor and any Sponsor-Designee shall have the right to use of the Common Elements, without charge, for the purpose set forth in Section II of this Article VI.

Section 13. Right of Access: A Unit Owner shall grant a right of access to his Unit, to the Manager and/or any other person authorized by the Board of Managers, the Manager or the Managing Agent, for the purpose of making inspections or for the purpose of correcting any condition originating in his Unit and threatening another Unit or a Common Element, or for the purpose of performing installations, alterations or repairs to the mechanical or electrical services or other Common Elements in his Unit or elsewhere in the Building in which the Unit is located, provided that requests for entry are made in advance and that any such entry is at a time reasonably convenient to the Unit Owner. In case of an emergency, such right of entry shall be immediate, whether the Unit Owner is present at the time or not. In the event of the exercise of the right of access provided in this Section 13, any costs for repairs shall be borne in accordance with the provisions of Section 10 of this Article VI. Each Unit Owner will be required to give a copy of his/her keys to his/her Unit to the President of the Board of Managers who shall designate an authorized person or persons to keep the keys and use them in case of an emergency.

Section 14. Rules of Conduct: Rules and Regulations concerning the use of the Units and the Common Elements may be promulgated and amended by the Board of Managers. A majority vote of Unit Owners at a meeting may overrule the Board. Copies of such rules and regulations shall be furnished by the Board of Managers to each Unit Owner prior to the time when the same shall become effective. Initial rules and regulations, which shall be effective until amended by the Board of Managers are annexed hereto and made a part hereof as Schedule A.

Section 15. Water Charges and Sewer Rents: Water shall be supplied to all of the Units and the Common Elements through one or more building meters or pursuant to a frontage charge and, the Board of Managers shall pay, as a Common Expense except for the Commercial Unit which shall be separately metered and billed, all charges for water consumed on the Property and in the Units, together with all related sewer rents arising therefrom, promptly after the bills for the same shall have been rendered. In the event of a proposed sale of a Unit by the Owner thereof, the Board of Managers, on request of the selling Unit Owner, shall execute and deliver to the purchaser of such Unit or to the purchaser's title insurance company, a letter agreeing to pay all charges for water and sewer rents affecting the Property as of the date of closing of title to such Unit promptly after such charges shall have been billed. The Commercial Unit or Units shall be entitled to a credit against common charges for the portion of such common charges allocable to water/sewer charges for residential Units.

ARTICLE VII

Mortgages

Section 1. Notice to Board of Managers: A Unit Owner who mortgages his Unit shall notify the Board of Managers of the name and address of his mortgagee and shall file a confirmed copy of the note and mortgage with the Board of Managers; the Board of Managers shall maintain such information in a book entitled "Mortgages of Units".

Section 2. Notice of Unpaid Common Charges: The Board of Managers, when so requested in writing by a mortgage of a Unit, shall promptly notify any mortgagee of a Unit, of such Unit Owner's default, including non-payment of Common Charges, in the obligations of such Unit Owner under the Declaration, By-Laws, Rules and Regulations, as the same are amended from time to time, or in any order of the Board of Managers issued with respect thereto.

Section 3. Notice of Default: The Board of Managers, when giving notice to a Unit Owner of a default in paying Common Charges or other default, shall send a copy of such notice to each holder of a mortgage covering such Unit whose name and address has heretofore been furnished to the Board of Managers.

Section 4. Examination of Books: Each Unit Owner and each mortgagee of a Unit shall be permitted to examine the books of account of the Condominium at reasonable times, on business days.

ARTICLE VIII

Condemnation and Termination

Section 1. Condemnation: In the event of a taking in condemnation or by eminent domain of part or all of the Common Elements, the award made for such taking shall be payable to the Board of Managers, if such award amounts to \$50,000.00 or less, and to the Insurance Trustee if such award amounts to more than \$50,000.00. If seventy-five (75%) percent or more of the Unit Owners duly and promptly approve the repair and restoration of such Common Elements, the Board of Managers or the Insurance Trustee, as the case may be, shall arrange for the repair and restoration of such Common Elements, and the Board of Managers or the Insurance Trustee, as the case may be, shall disburse the proceeds of such award to the contractors engaged in such repair and restoration in appropriate progress payments. In the event that seventy-five (75%) percent or more of the Unit Owners do not duly and promptly

Section 2. Termination: The Condominium may be terminated by the casualty loss, condemnation or eminent domain, in accordance with the provisions of the By-Laws, or by withdrawing the Property from the provisions of the New York Condominium Act if authorized by an affirmative vote of Unit Owners who own not less than eighty (80%) percent in number and in Common Interest of the Units. Sponsor or its designees will not vote its interests appurtenant to any Unsold Units for such withdrawal unless at least eighty (80%) percent in number and in Common Interest of all other Unit Owners have elected for such withdrawal, in which event the Sponsor may choose to vote in favor of or against such withdrawal. In the event said withdrawal is authorized as aforesaid, the Property shall be subject to an action for partition by any Unit Owner or lienor as if owned in common, in which event the net proceeds of sale shall be divided among all the Unit Owners in proportion to their respective Common Interests. However, no payment shall be made to a Unit Owner until all liens to which his/her Unit are subject are paid off.

The Sponsor of the Offering Plan to convert the captioned property to condominium ownership has retained our firm to prepare a report describing the construction and/or renovation of the property (hereinafter "the Report").

I visually inspected existing portions of the property, if any, on September 4, 2007. In addition to preparing the building plans and specifications dated March 8, 2005, we also prepared the Report dated February 1, 2007, a copy of which is intended to be incorporated into the Offering Plan so that prospective purchasers may rely thereupon.

I am a registered architect in the state in which the property is located. I understand that I am responsible for complying with Article 23-A of the General Business Law and the Regulations promulgated by the Department of Law in Part 20, insofar as they are applicable to the Report.

I have read the entire Report and investigated the facts set forth therein and the facts underlying it with due diligence in order to form a basis for this certification. This certification is made for the benefit of all persons to whom this offer is made.

I certify that the Report does:

- (vi) not contain any promise or representation as to the future, which is beyond reasonable expectation or unwarranted by existing circumstances;

 - (a) knew the truth;
 - (b) with reasonable effort could have known the truth;
 - (c) made no reasonable effort to ascertain the truth;

I further certify that I am not owned or controlled by, and have no beneficial interest in the Sponsors, and that my compensation for preparing this Report is not contingent on the conversion of the property to condominium ownership, or on the profitability or price of the offering. This statement is not intended as a guarantee to warranty of the physical condition of the property.

CERTIFICATION BY EXPERT ON ADEQUACY OF COMMON CHARGES PAYABLE BY
THE COMMERCIAL UNIT OWNER PURSUANT TO SECTION 20 OF THE REGULATIONS
ISSUED PURSUANT TO GENERAL BUSINESS LAW, ARTICLE 23-A, AS AMENDED

RE: 5805 7th Avenue, Brooklyn, New York

The Sponsor of the condominium Offering Plan for the above captioned property retained me to review SCHEDULE B, which includes projections of common charges payable by owners of commercial units. Our experience in the field includes being a licensed real estate broker for over 18 years; the management of approximately 12 buildings; and, the sale of numerous condominium and rental properties. We are familiar with prices, practices, and procedures in the area of this condominium.

We understand that we are responsible for complying with Article 23-A of the General Business Law and the regulations promulgated by the Attorney General, Part 20 thereof, insofar as they are applicable to the commercial units listed in SCHEDULE B. We have reviewed the SCHEDULE as it impacts upon commercial units and investigated the facts set forth in the SCHEDULE, and the facts underlying it with due diligence in order to form a basis for this certification. We have also relied on our experience in managing residential buildings.

We certify that the projections in SCHEDULE B for common charges payable by the owners of commercial units appear reasonable and adequate under existing circumstances to meet the anticipated operating expenses fairly attributable to such commercial units for the projected first year of condominium operation, and that the allocation of common charges attributable to the commercial units also reflect special or exclusive use or availability, or exclusive control of, particular common areas.

We certify that the estimates in SCHEDULE B for common charges payable by the owners of commercial units do:

1. Set forth in detail the projected common charges for the commercial unit for the first year of condominium operation;
2. Afford potential investors, purchasers and participants an adequate basis upon which to found their judgment concerning the common charges payable by owners of the commercial unit;
3. Not omit any material fact;
4. Not contain any untrue statement of a material fact;
5. Not contain any fraud, deception, concealment, or suppression;
6. Does not contain any promise or representation as to the future which is beyond reasonable expectation or unwarranted by existing circumstances;
7. Not contain any representation or statement which is false where we:
 - a) Knew the truth;
 - b) With reasonable effort, could have known the truth;
 - c) Made no reasonable effort to ascertain the truth; or,
 - d) Did not have knowledge concerning the representations or statements made.

We further certify that we are not owned or controlled by the Sponsor. We understand that a copy of this certification is intended to be incorporated into the Offering Plan. This statement is not intended as a guarantee or warranty of the common charges fairly attributable to the commercial units for the first year of condominium operation. This certification is made under the penalty of perjury for the benefit of all persons to whom this offering is made. We understand that violations are subject to the civil and criminal penalties of the General Business Law and Penal Law.
