This plan may not be used after unless extended by a duly filed amendment.

THIS PLAN CONTAINS SPECIAL RISKS TO THE PURCHASER. SEE PAGE 1.

THIS OFFERING PLAN IS THE SPONSOR'S ENTIRE OFFER TO SELL THESE CONDOMINIUM UNITS. NEW YORK LAW REQUIRES THE SPONSOR TO DISCLOSE ALL MATERIAL INFORMATION IN THIS PLAN AND TO FILE THIS PLAN WITH THE NEW YORK STATE DEPARTMENT OF LAW PRIOR TO SELLING OR OFFERING TO SELL ANY CONDOMINIUM UNIT. FILING WITH THE DEPARTMENT OF LAW DOES NOT MEAN THAT THE DEPARTMENT OR ANY OTHER GOVERNMENTAL AGENCY HAS APPROVED THIS OFFERING.

BECAUSE THE SPONSOR IS RETAINING THE UNCONDITIONAL RIGHT TO RENT RATHER THAN SELL UNITS, THIS PLAN MAY NOT RESULT IN THE CREATION OF A CONDOMINIUM IN WHICH A MAJORITY OF THE UNITS ARE OWNED BY OWNER-OCCUPANTS OR INVESTORS UNRELATED TO THE SPONSOR. (SEE SPECIAL RISKS SECTION OF THE PLAN.)

PURCHASERS FOR THEIR OWN OCCUPANCY MAY NEVER GAIN CONTROL OF THE BOARD OF MANAGERS UNDER THE TERMS OF THIS PLAN. (SEE SPECIAL RISKS SECTION OF THE PLAN.)

SPECIAL RISKS

1) Closing will not take place, and no individual condominium apartment will be sold until a permanent or temporary Certificate of Occupancy has been obtained for the premises. It has been customary for units in newly constructed and gut-rehabilitated condominiums and cooperatives to close after a TCO covering such units has been issued. Sponsor will send closing notices for apartments covered by TCO and Purchasers will be required to close with a TCO, rather than a PCO, in place. TCO's are issued for three months at a time. Sponsor must obtain a Permanent Certificate of Occupancy at its own cost and expense within two years of the issuance of the first TCO. The NYC DOB advises purchasers of houses and apartments who close with only a TCO in place to consult with their attorneys and engineers to assure that sufficient funds are escrowed or otherwise secured for Sponsor to obtain a Permanent or Final CO. It is strongly recommended that Purchasers consult the DOB Website/CONSUMER TIPS for its recommendation when purchasing units in a condominium that does not have a Final C of O.

2) The building has been designated an individual "landmark" under, and is subject to, the Landmark Preservation Law (hereafter "Landmark Law"). Pursuant to the Landmark Law, if the Board or any unit owner desires to make any alteration, addition, improvement, or repair in or to the building or a unit (other than certain ordinary repairs and maintenance as defined in Section 302 of the Landmark Law) that affects any exterior architectural feature of the building, then, in addition to obtaining any necessary approval or consent under the condominium documents, such party must first obtain the approval and a Certificate of Appropriateness or a Certificate of No Effect (as applicable) from the Landmarks Preservation Commission of the City of New York (hereafter, "Commission" or "Landmarks Commission"). If the proposed alteration, addition, improvement, or repair is interior, is of sufficient scope to require a building or work permit, and will not affect any exterior architectural feature of the building, a submission to that effect to the Commission will issue a "Certificate of No Effect." The issuance of such certificate is a common occurrence and is issued on a ministerial basis.

3) There are numerous time constraints imposed in the Purchase Agreement set forth in Part II of this Offering Plan. **Time is of the essence** as to all such time constraints. This means that if the Purchaser fails to perform within the applicable time frame, he may waive substantive rights, or incur a forfeiture of substantial sums of money. Thus, a purchaser who fails to cure a default within thirty (30) days after receipt of written notice of said default, will both have the Contract canceled, and lose his downpayment. Similarly, a purchaser who fails to notify the Sponsor in the event he has failed to obtain mortgage financing

within forty (40) days after executing the Purchase Agreement, will be required to proceed to closing, notwithstanding the fact that purchaser has failed to obtain mortgage financing; and, if such purchaser fails to proceed to closing, the down payment may be retained by the Sponsor. Purchasers are advised to consult with their attorney concerning all terms of this offering. Please see section of this Plan entitled PROCEDURE TO PURCHASE, and the PURCHASE AGREEMENT, set forth in Part II, for a statement of all applicable time limitations.

4) The terms of this Offering Plan transfer the statutory obligation to pay New York City Real Property transfer taxes (1.425% of purchase price for residential units), and New York State Documentary Stamp Taxes ($4.00 per thousand) to the Purchaser, so that the cost of such taxes represent an additional closing cost to the Purchaser, and an additional item of consideration on which transfer taxes must be paid. Additionally, the Purchaser is responsible for paying to the Sponsor's attorney a document preparation fee of $1,100.00, and may be responsible for certain other fees such as travel fees and default fees. Finally, Purchaser will pay Sponsor a fee of $2,500.00 as partial reimbursement for the cost of preparing and filing the Offering Plan. See section of the Offering Plan entitled CLOSING COSTS AND ADJUSTMENTS.

5) At the earlier of the fifth anniversary of the first closing date, or such time as less than fifty percent of the units of the Condominium constitute unsold units, control of the Condominium shall be transferred to a Board of Managers elected by unit owners other than Sponsor. Notwithstanding the foregoing, the Sponsor may cast its vote for unit owners of its choice other than those related to the Sponsor or holders of unsold shares. Prior to that time, the Condominium will be controlled by a Board of Managers elected by the Sponsor. There are certain limitations on actions which can be taken by the Board of Managers while the Sponsor remains in control of the Board of Managers, which limitations are set forth in the CONTROL BY THE SPONSOR of this Offering Plan.

Until the earlier of five (5) years from the date of closing, or at the time at which the Sponsor or other Holder of Unsold Units owns units consisting of less than 25% of the common interest of the Condominium, Sponsor may exercise veto power over any expenses other than those expenses described in Schedule B or expenses required to comply with applicable laws or regulations, to remedy any notice of violation or to remedy any work order by an insurer. Additionally, so long as the sponsor retains ownership of at least one unit in the building, the By-Laws, Declaration, and Rules and Regulations of the Condominium, may not be amended or modified in any way so as to adversely affect the Sponsor without written consent by the Sponsor.

See section of the Offering Plan entitled CONTROL BY THE SPONSOR for a more complete explanation.

6) Sponsor is liable for all common charges, special assessments, and real estate taxes with respect to unsold units, and represents that Sponsor has financial resources to meet these obligations. However, no bond, escrow deposit, or other security has been furnished to secure the Sponsor's obligations. Please see section of the Offering Plan entitled RIGHTS AND OBLIGATIONS OF THE SPONSOR for a more detailed explanation.

7) Pursuant to existing law and regulation, the Sponsor may declare the plan effective by selling a minimum of fifteen (15%) percent of the residential units in the building. Even if the plan is declared effective with a minimum number of sales, it is possible that the Sponsor may be able to convert the building with fewer than the minimum number of sales, if purchasers counted towards effectiveness do not ultimately purchase apartments. The Plan would have to be re-declared effective in the event that there was one sale and the sole purchaser failed to close the sale. Please see EFFECTIVE DATE section of this Offering Plan.

8) Purchasers should note that in the current real estate market, banks and other lenders are imposing various restrictions on loans. Such restrictions include requiring that a certain percentage (such as 50%, 70%, or more) of the apartments in a building be sold before the lender will consider making a loan. This sales requirement is for owner-occupied units. Thus, it may be possible for a Purchaser to experience difficulty obtaining a loan in a building where the percentage of units purchased is lower than a lender's particular sales minimum.

Even after a building undergoes conversion, lenders may still impose minimum sales requirements before granting a loan. It then may be difficult for a Purchaser to resell an apartment if prospective buyers are unable to obtain a loan due to such minimum sales requirements. See PROCEDURE TO PURCHASE section of Offering Plan.

9) The Sponsor is not limiting the conditions under which it will rent rather than sell units. There is no commitment to sell more units than the 15% necessary to declare the plan effective. Owner-Occupants, therefore, may never gain effective control and management of the condominium. See the INTRODUCTION, RIGHTS AND OBLIGATIONS OF THE SPONSOR, CONTROL BY SPONSOR and BOARD OF MANAGERS sections of this Offering Plan for a more complete explanation.

10) The By-Laws do not include a provision that after the initial Sponsor control period, a majority of the Board of Managers

must be Owner-Occupants or member of an owner occupant's household, who are unrelated to the Sponsor and its Principals. Owner-Occupants and non-resident owners, including the Sponsor, may have inherent conflicts on how the Condominium should be managed because of their different reasons for purchasing, i.e., purchase as a home, as opposed to purchase as an investment. See the INTRODUCTION, RIGHTS AND OBLIGATIONS OF THE SPONSOR, CONTROL BY SPONSOR and BOARD OF MANAGERS sections of this Offering Plan for a more complete explanation.

11) All funds received by the Sponsor for upgrades or extras must initially be placed in the escrow account set forth herein. However, Purchaser should note that such funds may be released from the escrow account by the escrow agent as long as the Sponsor uses the funds for such upgrades or extras. As a result, in the event the Purchaser is entitled to a recision, the Purchaser will not receive a refund of any funds used for upgrades or extras unless the plan is not consummated. See PROCEDURE TO PURCHASE Section of this Offering Plan.

12) The cost of providing heat and hot water for individual units is not included in the monthly Common Charges. Heat and hot water are separately provided to each unit by its own heat and hot water facility; and the cost of fuel for providing such heat and hot water will be separately billed for each unit. Thus, the cost of heat and hot water represents a cost in addition to the monthly maintenance (see FOOTNOTES TO SCHEDULE B and SCHEDULE B1).

13) All down payments will be placed in an IOLA account. In a final rule dated November 21, 2008, the FDIC created an exception for IOLA accounts to deem them as "non-interest bearing," and granted them unlimited deposit insurance coverage through December 31, 2013. IOLA stands for "interest on lawyer accounts," and is a special account maintained by an attorney for the purpose of holding escrow funds. Interest earned on IOLA accounts is paid over to the state of New York. No interest is credited to either the purchaser or the seller. Please see PROCEDURE TO PURCHASE section of this Offering Plan.

14) Due to the size of the building, it is expected that the building will be self-managing. Therefore, no amount has been included in the projected budget for the first year of operation for a management fee. Should the Board of Managers at any time elect to employ the services of a managing agent, this will represent an additional cost of approximately 6% to 10% of the annual operating budget, which would require a concomitant increase in the common charges. In addition, no amount is budgeted for a superintendent or custodian and, again, in the event the Board of Managers determines that it is in the best interest of the Condominium to employ a superintendent or custodian, this will result in an increase in common charges. See FOOTNOTES 8 and 9 to

SCHEDULE B for a more complete explanation, including a listing of some of the tasks which unit owners will need to perform in the event neither a superintendent nor managing is employed.

15) Unit 1 will include, as a part of the unit, a below grade recreation room. Consistent with the floor plans, the cellar cannot be used for anything other than household storage and mechanical equipment. Only the personal effects of a unit owner shall be stored here, and in no event shall any food or other perishable item, or any flammable or explosive item, or any item which would impose a health or safety threat or cause noxious odors, dirt, or other sanitary problems or create a nuisance be stored therein. Use of this space as habitable dwelling space (bedroom, living room, dining room, etc.), or for the storage of flammable or noxious materials, may result in a violation being placed against the building, which it would be the responsibility of the unit owner to correct and remove at his sole cost and expense. Please see DESCRIPTION OF PROPERTY AND BUILDING CONDITION included in Part II of this Offering Plan for a more complete explanation.

16) Unit 1 will have a rear yard area as a limited common element. Unit 3 will have a balcony area allocated as a limited common element. Unit 4 will have a balcony area and two roof decks allocated as limited common elements. No structures of any kind may be built in or on these limited common elements except for temporary structures such as fencing, screen tent, tool sheds and "succhas," etc. The right to use and occupancy is subject to the right of the Condominium to enter into said areas for the purpose of inspection or building repairs. Please see the DESCRIPTION OF PROPERTY AND BUILDING CONDITION section of the Offering Plan for a more complete explanation.

17) The projected insurance coverage for the building does not include officers and director's liability. Officer's and director's liability is a type of coverage which protects members of the Board of Managers, or officers of the condominium, from any liability engendered by performance of their functions, to the extent such activities are within the scope of their designated capacity, and does not constitute a criminal act by such officer or manager. In the event the condominium wishes to extend such insurance coverage to its directors and managers, this will represent an additional cost on the amount projected for insurance coverage in Schedule B. Please see SCHEDULE B and FOOTNOTES thereto for a more complete explanation.

18) While Sponsor has no plans to do so, Sponsor is reserving the right to reallocate portions of the common spaces of the building to individual units as limited common elements; or to allow portions of the building to be utilized for the benefit of individual units pursuant to a license agreement. This right shall

not apply to portions of the building necessary for ingress or egress to any unit; or to any portion of the common areas designated specifically for common use, such as a common laundry, gymnasium or recreation room. This reallocation of common space shall not be deemed a material change in the Offering Plan giving rise to a right of rescission. The common interest of a unit may not be changed without such unit owner's consent. The Offering Plan will be amended in the event that the Sponsor utilizes the reallocation rights contemplated here.

19) While there are currently no development rights available for this property in excess of the development rights being utilized to erect the structure contemplated by this Offering Plan, Sponsor reserves the right, in the event a rezoning of the property creates additional development rights; or in the event a miscalculation is discovered and there are unused development rights; to sell, transfer or assign such development rights to an entity of Sponsor's choosing; and the sale, transfer or assignment of such development rights shall not be deemed a material change to this offering giving rise to a right of rescission. Such rights shall not be used to expand the building under construction that is the subject of this Offering Plan. The Offering Plan will be amended in the event that the Sponsor transfers or assigns development rights. In the event such sale, transfer or assignment of such development rights is to an adjacent property which results in a larger structure being built on said property than would otherwise be buildable, Sponsor shall amend the Offering Plan to reflect such change; and if such a sale, transfer or assignment of development rights results in a buildable structure that is more than 10% larger than the structure which could have been built without such development rights, Sponsor shall offer a right of rescission to all persons who have executed Purchase Agreements for units in this building. If the Sponsor has not utilized such development rights prior to a declaration of effectiveness for this Offering Plan, such development rights will be deemed waived.

20) At closing, the Sponsor will transfer construction documents, including "as-built" materials, maintenance manuals, and warranties, to the Purchaser and/or the Condominium, as the context requires. See ARCHITECT'S REPORT located in Part II of this Offering Plan.

21) In addition to use as private residences, the units may be used a professional office, provided that such use does not violate zoning regulations. See the INTRODUCTION section of this Offering Plan.

22) If a Purchaser intends to obtain mortgage financing, such Purchaser shall apply for said loan within five (5) days after receipt of a fully executed copy of the PURCHASE AGREEMENT, and shall have forty (40) days from the signing of said PURCHASE

AGREEMENT to obtain said mortgage commitment. Purchaser agrees to accept any commitment offered by the lending institution applied to, provided same is in at least the amount set forth in the PURCHASE AGREEMENT. In the event Purchaser obtains a firm written commitment for financing, and the terms of such commitment are changed prior to closing, such change in terms shall not be an allowable reason for Purchaser to cancel the contract. Similarly, if the commitment expires prior to closing, Purchaser shall be under a good faith duty to take all required actions necessary to extend such commitment, including the payment of any extension fee required by the lending institution; however in the event Purchaser has made such good faith effort to extend the commitment on the same terms, and is unable to do so, then, provided that Purchaser notifies Sponsor within 10 days after receipt of a notice from a lending institution that it will not under any circumstances extend the commitment, that Purchaser is exercising his right to rescind the contract, Sponsor will return the down payment. See PROCEDURE TO PURCHASE in Part I, and PURCHASE AGREEMENT located in Part II of this Offering Plan.

23) In the event a child under eleven (11) years old resides in a unit or visits a unit for an extended period of time, the owner of that unit will be required, at his own cost and expense, to install child safety window guards on all windows in conformity with applicable New York City Administrative Code sections, and shall not remove them until permitted by applicable law. Failure to do so may create great risk to the life and health of such child, and result in the imposition of a violation against the building which would be the responsibility of the unit owner to cure. Please see the ARCHITECT'S REPORT in Part II for a more complete explanation.

24) The Sponsor will install in each unit a gas range, G.E. Profile model #JPS9685HSS or equivalent, a refrigerator, G.E. Energy Star model #GCL22KGRSV or equivalent, a dishwasher, G.E. Energy Star model #PDW9280LSS or equivalent, and a microwave, G.E. Profile model #JVM1490SH or equivalent. Units will be equipped with hook-ups for a stack electric washing machine and gas dryer, but the Sponsor will not provide washer or dryer units. To the extent the Purchaser elects to install any other appliances in the unit, same will represent an additional cost of purchasing the unit. See ARCHITECT'S REPORT included in Part II of this Offering Plan.

25) With regard to the roof, no permanent structures may be built on the roof without a permit from the Building Department, and the Board of Managers. The Board of Managers will have access for inspection and repair and may regulate any one or more of the following aspects of construction:

1. Time periods during which work is permitted;
2. The manner in which construction degree will be handled;
3. Measures which must be taken to prevent compromising the

security of the building during construction;
4. Interruption of services during construction;
5. Liability insurance for contractors during construction.

The expected life span of the roof is ten to fifteen years. There will be no bond furnished other than a one (1) year guarantee from the contractor for the construction materials and workmanship; the roofing materials will have a five (5) year warranty from the manufacturer. Any roof warranty set forth in the ARCHITECT'S REPORT in Part II of this Offering Plan may be voided by improper use or care of the roof area. Failure to clear drains of leaves, dirt, or other debris that may accumulate, placement of furniture or structures on the roof in places where the roof surface is not protected, or maintenance of dirt filled planters or other structures that place an unreasonable weight burden on the roof may all result in damage to the roof that would not be covered by any Manufacturers', Contractor's, or Sponsor's Warranty set forth in Part II of this Offering Plan, and may void any such warranty with regard to any roof conditions. Any damage occurring to the roof from any of the foregoing conditions shall be the sole responsibility of the Condominium and/or any such Unit Owner causing such damage, and will need to be repaired at the Condominium or such Unit Owner's sole cost and expense as determined by the Condominium Board of Managers. The building Certificate of Occupancy and applicable zoning rules do not currently allow the construction of anything on the roof other than temporary structures such as decking or screening. See SCHEDULE A and DESCRIPTION OF PROPERTY AND BUILDING CONDITION included in this Offering Plan.

26) There will be no window screens provided by the Sponsor. Should the Purchaser decide to install window screens, such purchase and installation shall be at the unit owner's expense. Please see ARCHITECT'S REPORT located in Part II of this Offering Plan.

27) Plants maintained on balconies and roof terraces shall be contained in boxes of wood lined with metal or other material impervious to dampness, and standing on supports at least two to three inches from the adjoining wall. Suitable weep holes must be provided in the boxes to draw off water. It will be the responsibility of the unit owner to maintain the containers in good condition, and the drainage tiles and weep holes in operating condition.

28) All windows are to be insulated glass as per minimum requirements of the New York State Energy Code. The manufacturer shall provide a warranty for one (1) year limited to glass and one (1) year for product and components other than glass. Contractor's warranty shall also be for one (1) year on workmanship and installation.

29) There will be no Asbestos Containing Material (ACM) made products, partially or in whole, specified or present in insulation or fireproofing material anywhere in the building.

30) The Units will be delivered with wood floors, which should not be washed with water and need to be maintained according to the manufacturer's recommendations. Wood is also subject to changes as a result of humidity as well as chipping, scratching, and cracking. Sponsor makes no representation or warranty that the wood floors will maintain their appearance after they are subject to wear and tear.

31) No Unit Owner shall allow any unsanitary condition or fire hazard in his/her Unit in violation of applicable law. Failure to comply with this requirement is a violation of the Declaration and By-Laws and will entitle the Condominium Board, among other remedies, to enjoin such violation by appropriate lawsuit and recover from the offending Unit Owner all costs and expenses incurred in connection therewith.

32) Purchasers should be careful when placing items on the wall or drilling into the walls of their Unit; gas pipes, water pipes, and electric wires run throughout the walls of the Building.

INTRODUCTION

This is an Offering Plan for the sale of condominium apartments at 206 Prospect Place, Brooklyn, New York. The purpose of this plan is to fully set forth all material terms of the offer. This plan may be amended from time to time, if such amendment is filed with the New York State Department of Law. Any such amendments will be served on all prospective Purchasers who have executed a Purchase Agreement for any apartment, all unit owners, and all other persons entitled to service pursuant to local law or statute.

The Sponsor of this offering is 206 Prospect, LLC, a New York limited liability company formed September 18, 2006. The principal of the Sponsor is Gamal Hasan.

Units will be conveyed free and clear of any mortgages, liens, or other encumbrances. Units will be conveyed by delivery of a UNIT DEED set forth in Part II of this Offering Plan.

The prices contained in this offering, as set forth in SCHEDULE A, are set by the Sponsors, and are not subject to approval by the New York State Department of Law, or any other governmental agency.

This Condominium will be subject to, and in compliance with, the New York State Condominium Act, Article 9-B of the New York Real Property Law.

This plan, including all schedules and exhibits submitted herewith, constitutes the entire Offering Plan. Copies of the plan and Parts A, B, C and D of the exhibits will be available for inspection to potential purchasers and their attorneys at the office of the Sponsor indicated on the front cover of this Offering Plan, and the New York State Department of Law, Real Estate Finance Bureau, 120 Broadway, New York, New York, without charge; and for copying, at a reasonable charge.

The premises consists of a single building composed of four stories, a cellar, and a basement, and containing, in aggregate, four (4) residential units. The property is located in the Prospect Heights section of Brooklyn. There will be no on-site parking, common laundry, or common recreational facilities; however, individual apartments will be supplied with washer/dryer hookups. The Sponsor will install in each unit a gas range, G.E. Profile model #JPS9685HSS or equivalent, a refrigerator, G.E. Energy Star model #GCL22KGRSV or equivalent, a dishwasher, G.E. Energy Star model #PDW9280LSS or equivalent, and a microwave, G.E. Profile model #JVM1490SH or equivalent. Units will be equipped with hook-ups for a stack electric washing machine and gas dryer, but

the Sponsor will not provide washer or dryer units. To the extent the Purchaser elects to install any other appliances in the unit, same will represent an additional cost of purchasing the unit. See DESCRIPTION OF PROPERTY AND BUILDING CONDITION included in Part II of this Offering Plan.

This offering is made only to individuals over the age of 18.

In accordance with the provisions of the Laws of the City of New York, the Sponsor represents that neither the Sponsor, nor the Condominium nor the Selling Agent will discriminate against any person because of his race, creed, color, sex, sexual orientation, national origin, ancestry, or any other reason prohibited by civil rights law in the sale of apartments offered by this Plan, or in the leasing of any apartment in the Building. Unit owners have an unrestricted right to lease, sell or mortgage units. Use of units is limited to residential use, and appurtenant home office use.

This is an existing building undergoing updating and renovation of existing systems. Work on the building is scheduled for completion in January of 2012.

Ownership of a Condominium Unit resembles in many ways ownership of a private home. Basic aspects of condominium ownership include:

(1) Each purchaser owns his unit outright and is entitled to exclusive possession of his unit. Each purchaser also has an interest, and a right to use common elements and limited common elements of the building. However, each unit owner is obligated to comply with the Declaration, By Laws, rules and regulations, and any other requirements of the Board of Managers.

(2) Common elements are parts of the Property, in addition to his/her own Unit, which a Unit Owner owns in common with the owners of all other Units, such as entryways, stairways, hallways, utility areas, and similar elements of the building, which serve all Unit Owners. A Unit Owner will share the non-exclusive right to use the Common Elements with all other unit owners.

Limited Common Elements are those areas appurtenant to a particular Unit or Units, the use of which is restricted to the owner(s) of such Unit or Units, but which are not owned by that unit owner. Thus, in this condominium, unit 1 will have a rear yard area as a limited common element. Unit 3 will have a balcony area allocated as a limited common element. Unit 4 will have a balcony area and two roof decks allocated as limited common elements.

(3) After filing of the Declaration, each unit will be separately taxed and may be separately mortgaged; each unit owner may deduct from adjusted gross income for income tax purposes real estate taxes and mortgage interest. No unit owner will be responsible for payment of, or any lien arising out of non payment of, real estate taxes assessed against any other unit in the building.

(4) Each Unit Owner may vote for the members of the Board of Managers, which is the group elected by unit owners to operate the Condominium. The Board of Managers will set common charges based on cash needs of building operation, decide on special assessments, and, in general, make all decisions necessary to run the building.

(5) Each unit owner must pay common charges in accordance with the New York Condominium Act (Real Property Law Sections 339 (i) and (m)), and any applicable state or local law. The common charges payable under the By-Laws will be based strictly on the projected cash requirements of ownership and operation of the Property and may include an allowance for contingencies, replacements, and/or repairs. Furthermore, the Board of Managers may impose special assessments in order to meet emergencies, contingencies, or other unforeseen events, which will become the financial obligation of each purchaser of a Condominium Apartment. These assessments will be levied in direct proportion to the percentage of common interest allocated to each apartment.

(6) Individual purchasers should explore obtaining insurance coverage, which would be at their own cost and expense, to insure them for such risks as fire and casualty losses in their apartments to their personal contents therein, as well as liability insurance for each occurrence which might occur within their respective apartments.

(7) Unit owners are responsible for maintenance and repairs to their individual units.

(8) The condominium Board does not have the right to approve or disapprove Purchasers, so that there is no limit on the number of owners who may purchase for investment rather than personal occupancy. There may always be a substantial percentage of owners who are non-residents.

(9) Each unit owner is obligated to comply with the DECLARATION, the BYLAWS, rules and regulations, and any other requirements of the Board of Managers.

The purchase prices, estimated common charges and estimated real estate taxes for the first year of Condominium operation are set forth in SCHEDULE A. The projected budget for the first year of Condominium operation is set forth in SCHEDULE B.

While the Sponsor will endeavor in good faith to sell all units, Sponsor is not limiting the conditions under which it will rent rather than sell units. There is no commitment to sell more units than the 15% necessary to declare the plan effective. Owner-Occupants, therefore, may never gain effective control and management of the condominium. Additionally, the By-Laws do not include a provision that after expiration of the initial Sponsor Control period, a majority of the Board of Managers must be Owner-Occupants or member of an owner occupant's household, who are unrelated to the Sponsor and its Principals. Owner-Occupants and non-resident owners, including the Sponsor, may have inherent conflicts on how the Condominium should be managed because of their different reasons for purchasing, i.e., purchase as a home, as opposed to purchase as an investment. If the Sponsor makes a bulk sale of all or some of its unsold units, the transferee successor is bound by Sponsor's representation regarding its commitment to sell units.

THE PURCHASE OF A CONDOMINIUM APARTMENT HAS MANY SIGNIFICANT LEGAL AND FINANCIAL CONSEQUENCES AND MAY BE ONE OF THE MOST IMPORTANT FINANCIAL TRANSACTIONS OF YOUR LIFE. THE ATTORNEY GENERAL STRONGLY URGES YOU TO READ THIS OFFERING PLAN CAREFULLY AND CONSULT WITH AN ATTORNEY BEFORE SIGNING AN AGREEMENT TO PURCHASE A CONDOMINIUM.

DESCRIPTION OF PROPERTY AND IMPROVEMENTS

The structure which is the subject of this Offering Plan consists of a single building composed of three stories, a cellar, and a basement, and containing, in aggregate, four (4) residential units. This project is located in the Prospect Heights section of Brooklyn. There will be no on-site parking or common recreational facilities. All cabinetry and fixtures in kitchens and baths will be new. The Sponsor will install in each unit a gas range, G.E. Profile model #JPS9685HSS or equivalent, a refrigerator, G.E. Energy Star model #GCL22KGRSV or equivalent, a dishwasher, G.E. Energy Star model #PDW9280LSS or equivalent, and a microwave, G.E. Profile model #JVM1490SH or equivalent. Units will be equipped with hook-ups for a stack electric washing machine and gas dryer, but the Sponsor will not provide washer or dryer units. To the extent the Purchaser elects to install any other appliances in the unit, same will represent an additional cost of purchasing the unit. See DESCRIPTION OF PROPERTY AND BUILDING CONDITION included in Part II of this Offering Plan.

Certain of the units will have the right to exclusive use of portions of the common elements of the property. These areas are called limited common elements. Unit 1 will have a rear yard area as a limited common element. Unit 3 will have a balcony area allocated as a limited common element. Unit 4 will have a balcony area and two roof decks allocated as limited common elements.

This is an existing building undergoing updating and renovation. It is anticipated that construction will be completed in January of 2012.

The Sponsor will complete the work set forth in this plan relating to the building, and the apartments contained therein, all applicable zoning and building laws, including, but not limited to, the New York City Administrative Code and the Zoning Resolution of 1961 as amended, and subject to procurement of all applicable and proper permits which are required, if any. All residential units will be equipped with operable smoke and carbon monoxide detectors as required by the New York City Administrative Code.

The Sponsor hereby adopts the detailed description of property and building condition set forth in the section entitled DESCRIPTION OF PROPERTY, SPECIFICATIONS, and BUILDING CONDITION of this Offering Plan. With reference to such material, a licensed architect prepared the description of property and building condition contained therein. Prospective purchasers are urged to refer to said section for a more complete understanding of the physical condition of the subject property and building.

LOCATION AND AREA INFORMATION

The premises are located in the Prospect Heights section of Brooklyn. This is a highly developed area essentially residential in character, but served by a rich and diverse assortment of shopping, recreational, medical, religious, and educational facilities, as well as a network of streets, roads, and urban transportation. Police, Fire, Water, Sanitation, snow removal, and road maintenance are provided by the City of New York.

Zoning of the site is R6B, which allows residential use as of right. Neither the Sponsor, nor any principals of the Sponsor, own in whole or in part, or have an option or right to acquire in whole or in part, any adjacent areas which are not fully developed.

Notes:

1) In addition to the square footage listed, unit 1 includes a below grade recreation room of approximately 673 square feet. This recreation room may not be used as habitable space such as a bedroom, and may not be used for the storage of flammable or noxious materials. To do so may result in a violation being placed against the building, which would be the obligation of the unit owner to remove. See SPECIAL RISKS for a more complete explanation.
2) In addition to the square footages listed in SCHEDULE A, Unit 1 will have a rear yard area allocated as a limited element. Unit 3 will have a balcony area allocated as a limited common element. Unit 4 will have two roof terraces and one balcony area allocated as limited common elements.

3) In addition to the purchase price there are additional closing costs assessed against each unit, such as document preparation fee of $1,100, payment of transfer taxes, working capital fund contribution equal to one month's common charges, $2,500 reimbursement fee, etc. Additionally, Purchasers will pay their own title insurance costs, recording charges, and mortgage recording taxes. Please see the CLOSING COSTS AND ADJUSTMENTS section of this Offering Plan for a more complete explanation.

FOOTNOTES TO SCHEDULE A

1. The square footage in SCHEDULE A is calculated by the standard mathematical formula of multiplying the length of an area by the width of an area, and adding together for each apartment all of the areas contained therein. The dimensions of the units shown reflect the approximate interior dimensions of each unit. Accordingly, they measure the approximate distance from the inner face of the outer wall of the building to the inner face of partitions separating corridors, stairs, vestibules, and other units. The estimated square footage of each unit is based on the FLOOR PLANS and ARCHITECT'S DESCRIPTION OF PROPERTY set forth in Part II of this Offering Plan, and may vary within reasonable tolerances from the "as-built" square footage as subsequently described in the condominium Declaration.

2. The room count is based on the method suggested by the Real Estate Board of New York. This method counts each fully partitioned room as one room, and each bathroom containing a sink, toilet, and shower or bath as a full bathroom. Multi-use rooms, such as living/dining rooms are counted as a single room. Baths which do not include a tub or shower are counted as half baths. Additionally, the square footage set forth in SCHEDULE A is approximate, and may differ from the square footage specified for this unit in Schedule B to the Condominium Declaration (please see item 9 in this section). See the sections entitled DESCRIPTION OF PROPERTY AND BUILDING CONDITION and FLOOR PLANS, both of which are included in Part II of this Offering Plan, for a more complete description of each apartment.

3. The determination of percentages of Common Interest allocated to each unit is based upon floor space, subject to the location of such space, and the additional factors of relative value to other space in the condominium, as the uniqueness of the unit, the availability of common elements for exclusive or shared use, and the overall dimensions of a particular unit, as per Section 339-(i)(1)(iv) of the New York State Real Property Law.

4. Across-the-board changes in unit prices, advertised price changes, and increases in individual unit prices may be made by an amendment duly filed with the New York State Department of Law; however, individually negotiated reductions in the purchase price of a unit may be made without prior amendment. Purchasers will also incur certain closing costs in connection with the purchase of their unit. See CHANGES IN PRICES IN UNITS and CLOSING COSTS sections of this Offering Plan.

5. Projected Common Charges for the first year of operation include only those expenses which are enumerated in SCHEDULE B. Maintenance charges do not include such expenses as repairs to the interior of the owner's unit, and the owner's individual electricity and telephone expenses; individual costs for electricity for each apartment is set forth in SCHEDULE B1 of this Offering Plan. Moreover, if the purchaser should obtain financing for the purchase, the debt service on that loan will be an additional expense not covered by the Common Charges. Common Charges are arrived at by allocating to each unit a share of the Monthly Charges proportionate to the Common Interest which that unit bears in the condominium.

6. After the condominium is divided into individual tax lots, each lot will be separately taxed for New York City property tax purposes. A unit owner will not be responsible for the payment of, nor will the unit be subject to, any lien arising from the non payment of taxes on other units. Purchasers are directed to the section of this Offering Plan entitled REAL ESTATE TAXES for a complete explanation.

The anticipated date of completion of construction is January of 2012.

Calculations of Real Estate Taxes are arrived at by applying the current tax rate to the assessed value, and then allocating the resulting taxes in direct proportion to the allocation of common interest. Sponsor has obtained an estimate from R&M Appraisal Reports, Inc., of a post-completion assessed value of $78,880.00, with an imposed tax rate of 13.353%. Unit owners shall be entitled to deduct real property taxes paid on the unit for income tax purposes. The amounts set forth in SCHEDULE A include the increase imposed by the City of New York effective July 1, 2010. See TAX OPINION hereinafter set forth for a more complete discussion.

7. Monthly carrying charges are composed of the monthly common charges and the monthly real estate taxes projected against each unit. Monthly carrying charges, as set forth in column 7, are composed of the monthly common charges plus the monthly real estate taxes. Unit owners who itemize their deductions should, for federal income tax purposes, be entitled to a deduction for real estate taxes in the year in which same are paid or accrued. The projected tax deduction may vary in future years due to changes in the interest rate on the unit owner's mortgage (if any), or from changes in the allocation of constant debt service payments to interest and principal; or due to changes in real property taxes

resulting from the expiration of real estate tax benefits, or from changes in the assessed value, tax rates, or the method of assessing real property; or from changes in the tax laws governing deductibility of mortgage interest and real estate taxes. Please see the TAX OPINION LETTER set forth in this Offering Plan for a more complete explanation.

FOOTNOTES TO SCHEDULE B

1. Heat and hot water for each unit are provided by separate facilities serving each unit. Each purchaser will pay separately for the heat and hot water supplied to their unit. No heat is provided to the common areas of the building. See SCHEDULE B1 hereinafter set forth for an estimate of individual heat and hot water charges.

2. The Sponsor has obtained an estimate from Gee2000 Architect, P.C., 707 Fifth Avenue, Brooklyn, NY of approximately 13,460 kilowatt hours per year of electrical usage for the common areas. The projection in SCHEDULE B is based on the current Con Edison rate of approximately 25 cents per kilowatt hour, and includes a 10% allowance for inflation, and the cost of all applicable state and local taxes. Purchasers shall be responsible for individual utility costs for their own apartments.

3. Water is supplied to the building by the City of New York through a single water meter serving the entire building. Projected water and sewer costs are based upon a current New York City estimate of 150 gallons, or 20 cubic feet per day per residential unit, current charges of $2.31 per 100 cubic feet of water consumed, and sewer charges of $3.68 per 100 cubic feet of water consumed. Projected figure also includes a 10% allowance for inflation.

4. Repairs and maintenance to building: The budgeted figure is based on normal maintenance and repairs to the common elements of the building and its systems and equipment. Insofar as this is a newly renovated building it is not anticipated that any major repairs will be required. The budgeted figure includes such items of regular maintenance as cleaning, painting and minor mechanical, carpentry, or electrical work. Individual unit owners will be responsible for the cost of interior repairs, and decorations, and painting of their respective apartments, including appliances.

5. Services and supplies: These include items expected to be consumed in the normal course of building operation, including light bulbs, cleaning supplies, paints, and hardware items.

6. Insurance: Sponsor has received a letter estimating the cost of coverage for the building via a package policy through State Farm Insurance, 1559 Ralph Avenue, Brooklyn, NY 11236 in the following coverage amounts:

Building.....$1,750,000 "All Risk" agreed amount Replacement Value

Liability.....$1,000,000 Per Occurrence

Deductible.....$1,000

The foregoing insurance, including the public liability coverage included therein will be in effect at the time of closing. The insurance company has advised the Sponsor via letter that in its opinion, the amount of coverage is adequate to rebuild the building structure if totally destroyed by any insured peril; however, the policy does not guaranty the replacement of individual fixture and improvements installed by individual unit owners. This policy waives a standard co-insurance clause, so that no insured thereunder shall be a co-insurer. The policy will provide that:

(i) each unit owner will be an additional insured;
(ii) there will be no cancellation without notice to the board of managers and individual unit owners;
(iii) will waive subrogation;
(iv) will waive invalidity because of the acts of the insured and individual unit owners;
(v) and, will waive pro rata reduction if individual unit owners obtain additional individual coverage.

The policy does not include officers and directors liability, umbrella coverage, boiler coverage, or blanket fidelity, which can be provided at extra cost. Purchasers are advised of the desirability of obtaining additional insurance, at their own cost and expense, to cover such risk as fire and casualty losses to unit contents, replacements, additions, up-graded fixtures and improvements, and liability coverage for occurrences within the unit or, where applicable, on the limited common elements pertinent to the units.

7. Legal and Accounting Fees: This figure is based on the estimate received by the Sponsor from Steven Flax, C.P.A., 306 West 22nd Street, Deer Park, NY 11729, for preparation of a certified financial statement for the first year of operation and City, State and Federal tax returns, which estimate was $1,500.00. The balance of the budgeted figure, $250, anticipates minor legal services during the first year of operation but would not be sufficient to cover any substantial litigation.

8. It is expected that no superintendent will be employed. Should the Board of Managers elect at any time to employ the services of a superintendent, this will represent an additional cost, which would require a concomitant increase in the common charges. Activities which the unit owners will need to perform in the event no superintendent is employed include rubbish removal, cleaning, painting, bulb replacement, snow removal, landscaping and minor repairs.

9. It is expected that the building will be self-managing. Should the Board of Managers elect at any time to employ the services of a managing agent, this will represent an additional cost of approximately 6%-10% of the annual operating budget, which would require a concomitant increase in the common charges.

Activities which the unit owners will need to perform in the event no managing agent is employed include maintenance of checking and savings accounts for the condominium; collection of monthly common charges; payment of all condominium common charges; processing of all individual unit sales; supervision and payment of building employees; building maintenance; review and resolution of any problems arising in the day-to-day operation of the building; compliance with all government laws and regulations affecting building operation, ownership and maintenance; filing of annual tax returns; enforcement of condominium-adopted rules and regulations including enforcement of maintenance obligations; seizure and sale of delinquent units; and response to individual unit owner complaints, questions or issues. In addition to the foregoing, any additional issues or problems arising out of the operation, maintenance, ownership, or occupancy of the building, will need to be dealt with by the Board of Managers.

10. The miscellaneous budgeted item is intended to provide a cushion for unforeseen costs and an opportunity for the condominium to accrue a reserve for future expense.

11. The projected item represents a reserve for repair or replacement of major mechanical systems or structural elements of the building. The capital reserve fund may not be used for regular operating expenses or to reduce the monthly common charges.

SCHEDULE B1

Heat and hot water are provided to each individual unit by separate boilers and hot water heaters serving each such unit. The attached Exhibit A includes annual estimates for the cost of providing gas for heat, hot water, cooking, and drying for each residential unit. The costs do not include an estimate of gas used for any other purpose.

The estimate assumes the following:

(a) Current KeySpan Energy Delivery Company gas rate of $1.53 cents per therm;
(b) Estimate of 16 hours per day at 70 degrees;
(c) Estimate of 8 hours per night at 60 degrees.

Taxes are based on current New York City and New York State sales taxes applicable to the sale of natural gas use for home heating purposes and to electricity.

A 10% inflation factor has been included with regard to heating and electrical costs.

The cost of providing hot water for domestic use (washing, bathing, etc.) is based on normal estimated usage for a family of 5, and is highly dependent both on the number of people located in the apartment, and their pattern of usage.

SCHEDULE B1 - EXHIBIT A

Unit	Gas Estimate	Electricity Estimate	Taxes	Inflation	Total
1	$1,224.00	$1,790.00	$260.71	$301.40	$3,576.11
2	$1,185.00	$1,704.00	$249.90	$288.90	$3,427.80
3	$1,185.00	$1,704.00	$249.90	$288.90	$3,427.80
4	$1,234.00	$1,800.00	$262.44	$303.40	$3,599.84

CHANGES IN PRICES OF UNITS

Across-the-board changes in unit prices, advertised price changes, and increases in individual unit prices may be made only by an amendment duly filed with the New York State Department of Law. However, prices are negotiable, and Sponsor may enter into an agreement with a purchaser to sell one or more units at prices lower from those set forth in SCHEDULE A without filing an amendment prior to entering such agreement, as per FOOTNOTES TO SCHEDULE A.

No change will be made in the size or number of units, and/or their respective percentage of common interest; and no material change will be made in the size or quality of common elements; except by amendment to the Plan and when applicable, to the Declaration. Unless an affected purchaser consents, no material change will be made in unit size, layout or percentage of common interest, if a Purchase Agreement has been executed and delivered to the Sponsor for that unit and the Purchaser is not in default. Unless all purchasers consent, no material change will be made in the size, and no material adverse change will be made in the quality, of common elements. No change of any type set forth in this paragraph shall be made except by amendment duly filed with the New York State Department of Law.

COMPLIANCE WITH REAL PROPERTY LAW SECTION 339(i)(1)(iv)

206 Prospect, LLC
715 5th Avenue
Brooklyn, New York 11215

Dear Sir or Madam:

You have requested an opinion from us with regards to your allocation of common interest to units in your proposed condominium at 206 Prospect Place, Brooklyn, New York, with Section 339(i)(1)(iv) of the New York Real Property Law. You have informed us that the method of allocation chosen is to evaluate the approximate fair market value of the individual unit in proportion to the anticipated aggregate fair value of all units on the day the condominium Declaration will be filed. You have further informed us that, the factual basis of calculating the percentage of common interest consists of the size, layout, and location within the premises of each individual unit; and, the anticipated selling price of each unit. Based on our review of the foregoing factors, we have concluded that the proposed allocation of common interest to individual units is in compliance with Section 339(i)(1)(iv) of the New York State Real Property Law.

I have been a licensed real estate broker for in excess of 18 years and have managed approximately 12 buildings in this area with extensive experience in the sale, management, and rental of cooperative and condominium units in Kings County. We have previously participated in the preparation of individual unit value appraisals for the purpose of inclusion in offering plans for the sales thereof. We are not, in any way, associated with you or any other participant in the project, and have no beneficial interest in your business, or in profitability of the project. This is an opinion only as to the relative value of each unit in relation to the value of the project as a whole; is strictly based on the information provided to us in such reasonable inquiries as to the validity thereof as we deemed appropriate under the circumstances; and, is not intended as a guarantee of the actual value of any individual unit. We consent to the inclusion of this letter in your offering plan.

Sincerely,

Rita Knox

INTERIM LEASE

The Sponsor may, at Sponsor's option extend an interim lease to any purchaser who has executed a contract of sale for a unit in the subject premises and is not in default thereon. It shall be in the Sponsor's sole and exclusive discretion as to whether or not to offer an interim lease. The Sponsor may for any, or for no reason refuse to offer an interim lease to any purchaser. Interim leases or short term leases shall not be offered to any party who has not executed a Purchase Agreement for a unit. The interim lease shall not create a landlord-tenant relationship but shall be deemed the use and occupancy agreement and part of the contract. No rental protection laws are applicable to the interim leases. The interim lease will provide that in the event the contract is cancelled, or the Plan is abandoned Interim Lessee will move out on 30 days written notice. Interim lease will further provide that an uncured default under the purchase agreement is a default under the interim lease, and that an uncured default under the interim lease is a default under the purchase agreement. Notwithstanding the foregoing, before the Sponsor can utilize a default under the interim lease to declare a default under the purchase agreement, the Sponsor must either obtain an order of eviction or other judgment or order from a court or agency of competent jurisdiction against the interim lessee; unless the interim lessee has vacated the unit. Interim lessee has 30 days to vacate the unit after receipt of written notice of a default; after delivery to the Sponsor of written notice of exercise of right of rescission; or after delivery to the purchaser of written notice that the Plan has been abandoned.

PROCEDURE TO PURCHASE

Persons desiring to purchase condominium units will be required to execute a Purchase Agreement in the form contained in Part II of this Plan and return it to the selling agent, together with a check in the amount of 10% of the purchase price, as a down-payment, drawn to the order of HAROLD L. GRUBER, As Attorney. Sponsor reserves the right to accept a lesser downpayment to accommodate Purchasers, but in no case will downpayment be less than 5%.

The prospective purchaser must have the Offering Plan and all filed amendments in his possession at least three (3) business days prior to executing the Purchase Agreement. In the event Purchaser has not had said Offering Plan in his possession for at least three (3) business days prior to execution, Purchaser may rescind the Purchase Agreement by mailing Notice of Rescission to Sponsor or selling agent, or by hand delivering notice, within seven (7) days after executing same. Notice by mail will be effective if it postmarked within seven (7) days of executing Purchase Agreement. Purchase Agreement shall not be binding on any party until accepted by the Sponsor. Within twenty (20) days after the prospective purchaser has delivered to the selling agent a signed Purchase Agreement, together with the required downpayment, the Sponsor must either accept the Purchase Agreement and return a fully executed counterpart, or reject the Purchase Agreement and refund in full any downpayment taken. If the Sponsor takes no action, the Purchase Agreement will be deemed rejected. This Offering Plan will expire twelve (12) months from the date on which it is accepted by the New York State Department of Law, unless extended by a duly filed amendment hereto.

All down payments will be place in an account in conformity with the disclosure contained in this Plan.

The Sponsor will comply with the escrow and trust fund requirements of General Business Law Sections 352-3(2-b) and 352-h, and the Attorney General's regulations promulgated pursuant thereto.

Any provision of any contract or agreement, whether oral or in writing, by which a purchaser purports to waive or indemnify any obligation of the escrow agent holding trust funds is absolutely void. The provisions of the Attorney General's regulations concerning escrow/trust funds shall prevail over any purchase. Purchasers shall not be obligated to pay any legal or other expense of the Sponsor in connection with the establishment, maintenance, or defense of obligations arising from the handling or disposition of trust funds.

All deposits, downpayments, or advances, made by purchasers prior to closing of each individual transaction, whether received before or after the date of consummation of the Plan, will be placed, within five (5) business days after the agreement is signed by all necessary parties, in a segregated special escrow account of Harold L. Gruber, whose address is 92 Prospect Place, Suite 1, Brooklyn, New York 11217, and whose telephone number is (718) 788-7722. The signatory on this account authorized to withdraw funds is: HAROLD L. GRUBER, 92 Prospect Place, Suite 1, Brooklyn, New York 11217. The name of the account is HLG SPECIAL ESCROW IOLA, located in Key Bank, N.A., at 28 West Market Street, Red Hook, New York 12571. If the escrow agents are replaced or funds are transferred to a new escrow account, the Plan will be amended to provide the same full disclosure with respect to the new account, escrow agent and escrow agreement as was originally provided. No transfer of funds or change of escrow agent will be made until such amendment is accepted for filing by the Department of Law.

This account will be an IOLA account with no interest accrued to the benefit of either the purchaser or the Sponsor. In a final rule dated November 21, 2008, the FDIC created an exception for IOLA accounts to deem them as "non-interest bearing," and granted them unlimited deposit insurance coverage through December 31, 2013. An IOLA is a special segregated escrow account maintained by an attorney. Interest on an IOLA account is paid to the State of New York.

All instruments shall be made payable to or endorsed to the order of HAROLD L. GRUBER, as escrow agent.

Within ten (10) business days after tender of the deposit submitted with the Purchase Agreement, the escrow agent will notify the purchaser that such funds have been deposited into the escrow account and will provide the account number and the initial interest rate, if applicable. If the purchaser does not receive notice of such deposit within fifteen (15) business days after tender of the deposit, the purchaser may cancel the purchase and rescind so long as the right to rescind is exercised within ninety (90) days after tender of the deposit. Such purchaser may also apply to the Attorney General for relief. Rescission may not be afforded where proof satisfactory to the Attorney General is submitted establishing that the escrowed funds were timely deposited and requisite notice was timely mailed to the purchaser in conformity with the Attorney General's regulations.

Since all contracts are contingent upon the Plan becoming effective, under no circumstances shall Sponsor apply for release of the escrowed funds of a defaulting purchaser until after consummation of the Plan.

The escrow agent will hold funds in escrow until otherwise directed in:

(i) a writing signed by both Sponsor and Purchaser; or,

(ii) a determination of the Attorney General pursuant to the dispute resolution procedures contained in the Attorney General's regulations; or,

(iii) a judgment or order of a court of competent jurisdiction.

If there is no written agreement between the parties to release the escrowed funds, the escrow agent will not pay the funds to the Sponsor until the escrow agent has given the purchaser written notice of not fewer than ten (10) business days. Thereafter, the funds may be paid to the Sponsor unless the purchaser has already made application to the Department of Law pursuant to the dispute resolution provisions of the Attorney General regulations and has so notified the escrow agent in accordance with such provisions.

The Sponsor will not object to the release of the escrowed funds to:

(i) a purchaser who timely rescinds in accordance with an offer of rescission contained in the Plan, or an amendment to the Plan;

(ii) all purchasers after an amendment abandoning the plan is accepted for filing by the Department of Law.

Any notice required to be given hereunder may be given to the Attorney for the respective parties if an attorney is designated in the contract of sale. A notice may also be given by fax and regular mail, or by overnight delivery service, and will be deemed given when actually received or when delivery is attempted. Contracts may not be assigned or recorded. Any attempt to assign or record a contract will be a breach thereunder, entitling the Seller to cancel the contract and retain the down payment deposited pursuant thereto.

Purchasers and escrow agent <u>may</u> apply to the Attorney General in the event of a dispute for a determination on the disposition of the downpayment and any interest thereon. The Sponsor <u>must</u> avail itself of this procedure if there is a dispute which needs to be resolved. A form for this purpose is included in Part II of this Offering Plan, and is also available at the New York State

Department of Law, 120 Broadway, New York, NY. A party applying to the Department of Law for determination on the disposition of a downpayment must also contemporaneously send a copy of the application to all other parties.

Pending the determination of the Attorney General to grant or deny the application, the Sponsor, the purchaser, and the escrow agent shall abide by any interim directive issued by the Attorney General. If the application permitting release of funds is granted, the deposit and interest earned thereon shall be disposed of in accordance with the determination of the Attorney General, subject to any court action from which preliminary relief is granted. The Attorney General shall act on the application within 30 days after its submission to the Department of Law by either making a determination or notifying the parties that an extension of time in which to do so is necessary for stated reasons. If the application seeking release of funds is denied the escrow agent shall continue to hold the deposit and any interest earned thereon until: i) both the Sponsor and Purchaser direct payment to a specified party in accordance with the written direction signed by both Sponsor and Purchaser; or ii) judgment or order of a court of competent jurisdiction is served on the escrow agent; or iii) escrow agent deposits the disputed amount with the court.

In no event shall the escrow agent release funds in dispute, other than a payment of such funds with the court, until such dispute is finally resolved either by determination of the Attorney General, or by order of a court of competent jurisdiction, or by written agreement with the Sponsor and Purchaser.

Set forth in Part II of this Offering Plan is a copy of the escrow agreement between the Sponsor and the Escrowee which incorporates the terms of the Attorney General's regulations.

The escrow agent will maintain all records concerning the escrow account for seven years after the release of funds. The Department of Law may perform random reviews and audits of all such records involving escrow accounts to determine compliance with the statute and regulations.

Risk of loss from fire or other casualty remains with the Sponsor until title has passed unless and until the purchaser is given the right of possession of that unit pursuant to a written agreement with the Sponsor. A purchaser who takes possession prior to closing assumes the risk of losses not covered by insurance.

Purchase Agreements will be contingent on Purchaser obtaining a firm written commitment for financing. Purchaser shall have 40 days from the date on which a signed and executed Purchase Agreement is delivered to such Purchaser within which to obtain

such financing. If a Purchaser fails to obtain a firm written commitment for financing within such 40 day period, and fails to notify Sponsor's attorney within five days thereafter, time being of the essence thereto, Purchaser shall conclusively be deemed to have waived the financing contingency and will be required to proceed to closing, or forfeit his down payment, whether or not a mortgage commitment is obtained. If Purchaser, after a good faith attempt to do so, fails to obtain a firm written commitment for financing, and notifies Sponsor within the prescribed time period, then Sponsor will return the down payment or deposit within 10 days after receipt of such notice. In the event Purchaser obtains a firm written commitment for financing, and the terms of such commitment are changed prior to closing, such change in terms shall not be an allowable reason for Purchaser to cancel the contract. Similarly, if the commitment expires prior to closing, Purchaser shall be under a good faith duty to take all required actions necessary to extend such commitment, including the payment of any extension fee required by the lending institution; however in the event Purchaser has made such good faith effort to extend the commitment, and is unable to do so, then, provided that Purchaser notifies Sponsor within 10 days after receipt of a notice from a lending institution that it will not under any circumstances extend the commitment, that Purchaser is exercising his right to rescind the contract, Sponsor will return the down payment.

Certain provisions of the Purchase Agreement are "time of the essence". This means that failure to strictly comply with the time requirements of said provisions, may result in the Purchaser losing his right to complete the purchase, and forfeiting his downpayment hereunder. Thus, a Purchaser who fails to cure a default within thirty (30) days after receipt of written notice of said default, will both have the Contract canceled, and lose his downpayment; however, Sponsor must make written demand for payment after default at least 30 days before forfeiture the deposit may be declared. Similarly, a Purchaser who fails to notify the Sponsor in the event he has failed to obtain mortgage financing within forty (40) days after executing the Purchase Agreement, will be required to proceed to closing, notwithstanding the fact that purchaser has failed to obtain mortgage financing; and, if such purchaser fails to proceed to closing, the down payment may be retained by the Sponsor.

After the Plan has been declared effective, the Sponsor will fix dates for closing title to all units for which Purchase Agreements have been executed by serving notice on each Purchaser stating the date of the first closing and setting such purchaser's closing date. Such notice will be served in compliance with the Attorney General's rules no less than 30 days prior to the closing date set therein. Sponsor will permit Purchasers to waive this 30 day provision by delivering to Sponsor's attorney written notice that Purchaser wishes to close prior to the expiration of the 30 day

notice period. While no such waiver is included herein, Sponsor reserves the right to include such waiver in a subsequent amendment.

The first closing of a Unit is expected to occur on or about February 1, 2011. If such closing is delayed more than twelve (12) months beyond the originally scheduled date, purchaser will be offered the right to rescind this contract. On closing, purchaser will be required to sign a Power of Attorney in favor of the Board of Managers as otherwise set forth in this Offering Plan.

The Purchase Agreement may not contain, or be modified to contain, a provision waiving Purchaser's rights or abrogating Sponsor's obligations under the Offering Plan or Article 23-A of the General Business Law. Any conflict between the Purchase Agreement and the Offering Plan shall be resolved in favor of the Offering Plan. Sponsor will not permit the assignment or transfer of Purchase Agreements.

EFFECTIVE DATE

The offer to sell embodied in this Offering Plan is contingent upon the Plan being declared effective in accord with its terms and conditions, and the terms and conditions imposed by law.

For offerings of five or fewer units, the Plan shall be declared effective by personal service of notice on each purchaser or by commencement of service by mail stating that the plan was declared effective on a particular date, the percentage used to declare the plan effective, and a list of units being counted to meet the minimum percentage under the terms of the Plan to declare it effective. If declared effective by notice, an amendment to that effect, specifying the date on which the plan was declared effective, shall be filed within five (5) days thereafter with the New York State Department of Law. No closing on any individual unit will be held prior to the acceptance for filing of such amendment by the New York State Department of Law.

The Plan may be declared effective upon the execution of Purchase Agreements for 15% (in number, not common interest) of the units in the building to bona fide purchasers, including investors. A minimum of one (1) unit must be sold to declare the Plan effective. The count of Purchase Agreements towards the minimum number for effectiveness shall not include those: signed by Purchasers granted a right of rescission which has neither expired nor been waived; a Purchaser who has not had at least three (3) business days to review the Offering Plan and all filed amendments prior to executing a purchase agreement or not less than seven (7) days after delivering an executed purchase agreement together with the required deposit to rescind the purchase agreement and have the full deposit refunded immediately; with any Purchaser who is the Sponsor, the selling agent, or the managing agent, or is a principal for the Sponsor, the selling agent, or the managing agent, or is related to the Sponsor, the selling agent, or the managing agent, or to any principal of the Sponsor, or the selling agent, or the managing agent by blood, marriage, or adoption, or as a business associate, employee, shareholder, or a limited partner; except that such a Purchaser, other than the Sponsor or a principal of the Sponsor, may be included if the Sponsor has submitted proof satisfactory to the Department of Law establishing that the Purchaser is bona fide. Parking and storage units are deemed accessory and shall not count towards the minimum number of units required to declare the plan effective; however, residential or commercial units purchased by an investor or for the purpose of resale shall be counted.

The Plan must be declared effective upon the execution of Purchase Agreements for 80% (in number, not common interest) of the units, which, in the case of this Plan means four (4) units. Prior to the

sale of 80% of such Units, or prior to being declared effective, the Plan may be abandoned by the Sponsor at its option. The Sponsor cannot abandon the plan for any judgments or liens against the property resulting from acts of the Sponsor or any of its principals or which are known to the Sponsor on the date of the plan. If the Sponsor abandons the plan, the Sponsor will return all monies paid by Purchasers, together with interest earned, if any, within ten business days. The Sponsor will also file with the New York State Department of Law an amendment abandoning the Plan and form RS-3, detailing why the Plan was abandoned, and explaining all disbursements of funds. If payments under Purchase Agreements have been received, the amount of such funds and the manner and tme when these funds will be returned to purchasers must be disclosed. The funds must be returned within five (5) days after the amendment abandoning the Plan has been accepted for filing.

The Sponsor may not abandon the Plan after it has been declared effective for any reason other than: a defect in title which cannot be cured without litigation, or expenditure of an amount in excess of one-half (1/2) of one percent (1%) of the total offering price, or substantial damage or destruction of the building by fire or other casualty which cannot be cured for less than one-half (1/2) of one percent (1%) of the total offering price, or the taking of any material portion of the property by condemnation or eminent domain; however, any stated dollar amount relied upon as a basis for abandonment after effectiveness must exclude any attorney's fees. Such title defects, violations, or substantial damage or destruction of the building by fire or other casualty, or determinations of any authority or regulatory association, which exist on the date of the presentation of the Plan, and are either known to the Sponsor, or are a matter of public record, shall be excluded from calculations under this section. Additionally, any dollar amount relied on as a basis for abandonment after effectiveness must exclude any attorney's fees. The Sponsor may also not abandon the plan on account of any judgments or liens against the property resulting from the acts of the Sponsor or any of its Principals, or which are known to the Sponsor or any of its Principals on the date of presentation of the Plan.

TERMS OF SALE

On closing, Sponsor will deliver to Purchaser a Bargain and Sale Deed with Covenants Against Grantor's Acts in the proper form for recording as set forth in Part II of this Offering Plan. Title, together with the appurtenant interest in the Common Elements will be conveyed at closing, free and clear of all liens, encumbrances, and title exceptions other than the easement set forth in the aforementioned Deed, the Condominium Declaration, and any state of facts an accurate survey may show, provided same does not render title unmarketable.

Sponsor is retaining right to reallocate portions of the common elements as a limited common element to individual units; or to authorize individual unit owners to have exclusive use of a specific common area of the premises pursuant to a license agreement. This will not apply to areas specifically designated for common use, such as a laundry room, gymnasium or recreation room, nor may a portion of the common area necessary for ingress or egress to any individual unit be allocated to any unit other than such individual unit. The Offering Plan will be amended in the event that the Sponsor utilizes the reallocation rights contemplated here. Additionally, if any change in zoning creates development rights beyond those utilized to erect the structure contemplated by this Offering Plan; or if a re-audit of the project discloses the existence of unused development rights; Sponsor is retaining all such development rights, and may sell, transfer or assign such development rights as he chooses; subject to the limitation, that if the size of any adjoining structure is increased by 10% or more on account of the sale, assignment or transfer of such development rights, all Purchasers will be offered a right of rescission. Such rights shall not be used to expand the building under construction that is the subject of this Offering Plan. The Offering Plan will be amended in the event that the Sponsor transfers or assigns development rights. If the Sponsor has not utilized such development rights prior to a declaration of effectiveness for this Offering Plan, such development rights will be deemed waived.

Risk of loss from fire or other casualty remains with the Sponsor until title is passed, unless and until the Purchaser is given the right of possession of that unit pursuant to a written agreement with the Sponsor. Upon Purchaser acquiring right of possession of the unit, all risk of loss to the apartment and its contents, to the extent not covered by building insurance, passes to Purchaser, and Sponsor shall not thereafter be responsible to repair any damage, which occurs before closing. No closing will occur unless and until a partial temporary or permanent Certificate of Occupancy for the unit to be closed has been issued.

All personal property located within the unit on the date the Purchase Agreement is signed, or located within the Common Elements on the date the Declaration is filed, which property is owned by the Sponsor or the Owner of the property, is included in the conveyance unless specifically excepted elsewhere in this Offering Plan.

A closing will take place only concurrently with the issuance of a temporary or permanent Certificate of Occupancy for the entire project, or issuance of a partial, temporary, or permanent Certificate of Occupancy for the unit closed or the building in which the unit is located.

The Declaration, By-Laws, and Floor Plans for the Condominium, and such other documents as are required by law, will be recorded with the New York City Register for the County of Kings in accordance with the New York Condominium Act prior to the first conveyance of title to a unit.

If any mortgages or construction loans encumbering the property will not be satisfied at or prior to closing of the first unit, each mortgagee will, at the time of the conveyance of the first unit, either consent to the formation of a Condominium, and acknowledge that its lien will be limited to Unsold Condominium Units; or subordinate the lien of its mortgage to the Declaration of the Condominium; or, release its lien upon the Condominium Unit being conveyed, and its interest in the Common Elements.

CLOSING COSTS AND ADJUSTMENTS

As set forth in the Purchase Agreement, the purchaser will pay the following estimated closing costs at the time of Closing of Title for the purchaser's Unit. These estimates are based on current costs and charges, which are subject to change:

(a) If a purchaser elects to obtain fee title insurance, the purchaser will pay the premium thereof which will vary depending upon the Purchase Price of the Unit. Rates set by the New York Board of Title Underwriters are currently $1,117.00 on a Purchase Price up to $200,000.00 and approximately $4.00 for each additional thousand dollars or fraction thereof. Mortgage title insurance is currently $806.00 on a mortgage of $160,000 and $3.50 for each additional thousand dollars or fraction thereof; however, where mortgage and fee title are obtained simultaneously the charge for mortgage insurance is reduced to 30% of the usual applicable rate, up to the amount of the fee insurance. Title insurance will be available through Ridge Abstract Corp. of Brooklyn, New York. Purchasers are entitled to use a title company of their own choosing without any Sponsor-imposed penalties; however, in Sponsor's opinion, use of a title company other than that which prepared the base title report for this Offering Plan may result in delay in closing and additional cost.

(b) Fees for recording the Deed and Power of Attorney are $42.00 for the first two pages, plus $5.00 per page for every page thereafter, and a $50.00 service charge per instrument. Additionally, there is a $25.00 charge for recording the Real Property Transfer Tax Return along with the deed.

(c) If the purchaser obtains a mortgage loan, the purchaser will pay a mortgage tax of 2.05% of the principal amount of the mortgage if the mortgage is under $500,000.00; under New York State Law the lending institution is required to pay 0.25%; so that the effective rate of a residential mortgage under $500,000.00 will be 1.8%. If the residential mortgage is $500,000.00 or over the rate will be 2.175%, minus the 0.25% lending institution's contribution; for a mortgage tax rate of 1.925%. In addition, the purchaser of a unit costing over $1,000,000.00 will pay a "mansion tax" of 1.00% of the purchase price. If a mortgage tax credit is or becomes available pursuant to Section 339-ee(2) of the Condominium Act, such credit will inure to the benefit of the Sponsor. Accordingly, at closing, the Purchaser will reimburse the Sponsor for any mortgage tax credit allowed; and will pay the balance of the mortgage recording tax as provided by law.

(d) All legal costs, fees and expenses charged by the purchaser's attorney will be the sole responsibility of each purchaser.

(e) New York City Real Property Transfer taxes, currently one (1%) percent of the Purchase Price of up to $499,999, and 1.425% for those priced $500,000 or above, will be the sole responsibility of the purchaser. Payment of the New York City Real Property transfer tax by the Purchaser is deemed an additional consideration to the Seller, and so is in and of itself taxable, which will result in a "tax on a tax" effect.

(f) New York State Documentary Stamp taxes presently $4.00 per $1,000.00 of the Purchase Price of a Unit less existing and continuing mortgage, will be the sole responsibility of the purchaser. Payment of the New York State Documentary tax stamps by the Purchaser is deemed an additional consideration to the Seller, and so is in and of itself taxable, which will result in a "tax on a tax" effect.

(g) At closing, each purchaser will be required to make a contribution to the Working Capital Fund in an amount equal to one month's common charges for the unit purchased.

(h) All costs with regard to any mortgage that the purchaser will place on his/her Unit (i.e., loan origination fees, commitment fees, application fees, appraisal fees, credit reports, survey fees, bank attorney fees, tax service fees, bank document preparation fees, etc.) will be his own and sole responsibility.

(i) All purchasers will be required to make a $2,500.00 payment to the Sponsor at closing as partial reimbursement for costs which Sponsor has incurred in preparing and submitting the Offering Plan, including preparation fees, filing fees, registration fees, recording fees, etc.

(j) All closings will occur at the office of the Sponsor's Attorney. Under no circumstances will Sponsor be required to close at any place other than the offices of Sponsor's Attorney. In the event that Sponsor consents to a closing outside of the office of Sponsor's Attorney, there will be an attendance fee of $500.00 for closings in Kings or New York counties; $850 for closings in any other location.

(k) An apartment with a purchase price of $1,000,000.00 or higher will be required to pay the New York State Mansion Tax of 1% of the purchase price. Also, to the extent that the "grossed-up" consideration causes the consideration to exceed $1,000,000.00, this New York State Mansion Tax will be due.

ALL COSTS FOR RECORDING CHARGES, MORTGAGE, TRANSFER, AND OTHER TAXES, ARE SUBJECT TO CHANGE. THESE CHARGES ARE NOT SET BY THE SPONSOR, AND SPONSOR SHALL NOT BE LIABLE ON ACCOUNT OF ANY INCREASE IN SUCH CHARGES.

Purchasers shall pay to the Sponsor's Attorney at closing a fee of $1,100.00 for the preparation of closing documents. If a purchaser fails to close on the date set for first closing, or adjourns a scheduled closing date on less than three (3) days notice, there shall be a late closing adjournment fee of $150.00 added to the above. There will be a title clearance fee of $350.00 imposed on Purchasers. The title clearance fee is a fee charged by the Sponsor's attorney for time involved in responding to objections raised by the Purchaser's title company. In the event Purchaser fails to fulfill their terms of the Purchase Agreement and Sponsor's Attorney mails a Notice of Default, there will be a $100.00 charge for such notice. The above closing fees are cumulative to the extent applicable to an individual closing.

If the Units have not been separately assessed for real estate tax purposes prior to the Closing of Title to the first Unit, the Sponsor will place in escrow, in the name of the Board of Managers, an amount equal to the unpaid real estate taxes (or estimates thereof based on current assessments) due for the next ensuing six months (or until the Units are separately assessed, whichever is shorter), provided, however, that as closings occur, the portion of such funds held in escrow which represent the portion allocable to the Unit being sold shall be released; and interest accrued on such escrow, if any, shall inure to the benefit of, and belong to, the Sponsor. The Board of Managers will pay the real estate taxes from the escrow account when taxes are due and payable; the Sponsor shall be entitled to reimbursement from unit owners for any taxes paid on their behalf.

Except as specifically set forth herein, the Sponsor will pay all costs and expenses incurred in connections with this Plan, the creation of the Condominium and the initial sale of units.

A numerical example of closing costs allocable to a typical Unit are set forth below.

RIGHTS AND OBLIGATIONS OF THE SPONSOR

The Sponsor is using its own capital to complete the construction of the building as set forth herein.

The Sponsor will complete the work set forth in this Plan relating to the building and the apartments contained therein in conformity with and in accordance with the Building Plans and Specifications, and all applicable New York City Administrative Code requirements, and subject to procurement of all applicable and proper permits which are required, if any. Insofar as this is a newly constructed building, there are currently no housing, building, or fire department violations; however, in the event any housing, building or fire department violations arise prior to closing, all such violations, if any, will be cured prior to closing. The Sponsor may make changes in design, layout, and arrangement of apartments, and substitute equipment and materials, except that the Sponsor may not (i) substitute materials or equipment of lesser quality or design, or (ii) change the size, location of buildings or units, other improvements, or common elements, if such changes adversely affect the public areas, or affect the percentage of common interest, or adversely affect the value of, any unit to which title has been closed, or for which a Purchase Agreement has been fully executed and is in effect, unless all affected purchasers consent in writing to such change, and all affected purchasers are given the opportunity to rescind their contracts and receive a refund of the deposit or downpayment given to the Sponsor. All representations under the Offering Plan, and all obligations pursuant to the GBL, and any additional obligations under the Offering Plan which are to be performed subsequent to the closing date, will survive delivery of the Deed.

Closing will not take place, and no individual condominium apartment will be sold until a permanent or temporary Certificate of Occupancy has been obtained for the premises. In the event closing occurs after the issuance of a temporary Certificate of Occupancy, but prior to the issuance of permanent Certificate of Occupancy, then it will remain the obligation of the Sponsor to, at its own cost and expense, obtain such permanent Certificate, and the Certificate must be obtained within two (2) years from date of closing. Prior to obtaining the permanent Certificate of Occupancy, the Sponsor is required to either: (a) maintain all deposits and funds in a special escrow account required by GBL-352e(2)(b) unless the Sponsor's engineer or architect certifies that a lesser amount will be reasonably necessary to complete the work needed to obtain the permanent Certificate of Occupancy, in which case the sum exceeding the amount so certified may be released; or (b) deposit with an escrow agent an unconditional,

irrevocable letter of credit, or post a surety bond, in the aforesaid specified amount. In the event option "(b)" is employed, posting of the surety bond or letter of credit must be in compliance with the applicable laws and rules of the New York State Department of Law. Notwithstanding the foregoing, alterations or improvements to the common areas and public portions of the building will be completed before the closing of the first unit.

It has been customary for units in newly constructed and gut rehab co-ops and condos to close after a TCO covering such units has been issued. Sponsor will send closing notices for units covered by TCOs and purchasers will be required to close with a TCO, rather than a permanent CO in place. TCOs are issued for 3 months at a time.

The NYC Department of Buildings advises purchasers of houses and apartments who close with only a TCO in place to consult with their attorneys and engineers to assure that sufficient funds are escrowed or otherwise secured for Sponsor to obtain a permanent or final CO. It is strongly recommended that buyers consult the "DOB Website / Consumer Tips" for its recommendation when buying units in a building that does not have a permanent Certificate of Occupancy.

While the Sponsor will endeavor in good faith to sell all units, the Sponsor is retaining the unconditional right to rent rather than sell units. Thus, Sponsor may never sell more than the 15% of units required to declare the plan effective. As a result of this, the plan may not result in the creation of a condominium in which a majority of the units are owned by Owner-Occupants, or investors unrelated to the Sponsor. The condominium Board does not have the right to approve or disapprove Purchasers, so that there is no limit on the number of owners who may purchase for investment rather than personal occupancy. There may always be a substantial percentage of owners who are non-residents. Owner-occupants and non-resident owners, including Sponsor or purchasers for investment, may have inherent conflict on how the condominium should be managed because of their different reasons for purchasing (i.e., purchase as home as opposed to purchase as investment).

The Sponsor gives no warranty as to materials or workmanship that shall survive sale of a unit, except as required by the New York State Housing Merchant Implied Warranty Law, located in Part II of this Offering Plan at pages HM1-HM7. New York State General Business Law requires the builder of new dwelling consisting of five stories or less to provide a warranty to the Purchaser as follows:

(a) For one year, the home must be free from defects caused by workmanship or materials that do not meet the standards of the applicable building code; for the items not covered by

code, the construction must be in accordance with locally accepted building practices.

(b) For two years, the plumbing, electrical, heating, cooling and ventilation systems must be free from defects caused by unskillful installation.

(c) For six years, the home must be free from physical defects in the structural elements (foundations, floors, walls, roof framing) which make it unsafe or unlivable.

In addition to, and not withstanding any limitations set forth in the Housing Merchant Implied Warranty Law, Sponsor remains under a duty to construct the premises in accordance with all applicable codes, filed plans and specifications, and, for items not covered by local building codes, locally accepted building practices for such items. Notwithstanding the foregoing, all representations under this Offering Plan, all obligations pursuant to the General Business Law, and such additional obligations under the Offering Plan which are specifically to be performed subsequent to the closing date, shall survive delivery of the deed.

Each prospective purchaser may have the building and apartments therein inspected by an architect or engineer of their own choosing, and at their own expense, to determine the quality of materials and workmanship.

Unless the plan has been abandoned pursuant to the EFFECTIVE DATE section of this offering plan, Sponsor will repair any damage from casualty or other cause that occurs prior to the closing of a unit. A Purchaser is under the obligation to inspect the unit prior to closing. Sponsor will have no liability of any kind for any damage to a unit not reported prior to closing. With regard to damage to a unit which is reported prior to closing, Sponsor will, as set forth above, repair all such damage within fifteen (15) days after closing (or such longer time as is required to accommodate the delivery of materials which must be ordered to complete any such repairs). In the event Sponsor fails to perform such obligation, Purchaser may enforce same in a court of competent jurisdiction.

The Sponsor will pay for the authorized and proper work involved in the conversion of the property that the Sponsor is obligated to complete under the Plan. All mechanic's liens that are lodged against the property by virtue of work done by the Sponsor, or in the Sponsor's behalf, will be promptly discharged or appropriately bonded. Sponsor guarantees payment of all common charges and assessments with respect to unsold units. Such guarantees will remain in effect until all units are sold. Sponsor warrants and represents that he has adequate financial resources to meet its obligations with respect to any unsold unit.

The Sponsor agrees to pay all common charges, special assessments, and real estate taxes with regards to unsold units, and has financial resources to meet its obligations with respect to such unsold units, which source of funding includes both proceeds of the sale of units and existing financial resources of the Sponsor. No bond or other security has been furnished to secure Sponsor's obligations. In the event of dissolution or liquidation of the Sponsor, or transfer of 20% or more of the total number of residential units in the condominium the principals of the Sponsor will provide financially responsible entities or individuals who will assume the status and all of the obligations of the Sponsor for those units under the Offering Plan, applicable laws, or regulations.

Any suits or proceedings instituted against the Sponsor, which may result in a lien against the property and any suits or proceedings against the condominium arising from the Sponsor's acts or omissions, which acts or omissions occurred prior to closing of title, will be defended by the Sponsor, and the Sponsor does hereby indemnify the condominium, the Board of Managers, and individual unit owners therefore. Nothing contained herein shall limit the rights of the condominium which are granted pursuant to law and statute.

In the event the work on the building as set forth herein is not fully completed at the time the building becomes occupied, the Sponsor will have the right to enter the premises to complete its obligations under this Plan. Such entry shall be conducted in such a manner so as to produce a minimum of discomfort to those purchasers already in possession.

In the event the Sponsor finds it necessary to enter the property after closing of title to complete work, then such work will be performed between 8 A.M. and 6 P.M. on weekdays and non-holiday weekends. Damage caused by such work will be repaired in a good and workmanlike manner.

Sponsor will secure, and provide at closing, an agreed amount replacement value multi-peril hazard policy which will prevent the Condominium from being a co-insurer. The cost of such policy will be paid by the Condominium, and is provided for in SCHEDULE B. Sponsor also agrees to deliver a set of "as built" plans to the Board of Managers upon election of the first Board of Managers after closing of the first unit. Sponsor will assign any manufacturer's warranties with respective equipment and appliances installed in any individual unit to the unit owner, and with respect to equipment and appliances installed in the common elements, same will be assigned to the Board of Managers.

The property will be conveyed free and clear of all liens. The Sponsor will not dissolve or liquidate for a minimum of six (6) years. Copies of the plans, exhibits and documents referred to herein shall be kept on file at the office of the Attorney for the sponsor for a period of six years after filing of the Declaration of Condominium. No bond or other security has been furnished to secure Sponsor's obligations hereunder. The Sponsor will repair any damage from a casualty or other cause that occurs prior to the closing of any unit; and no Purchaser shall be required to accept a damaged unit.

CONTROL BY THE SPONSOR

The Sponsor's Control of the Board of Managers of the Condominium will be subject to the following:

The By-Laws are reproduced in Part II, beginning on page BL-1. A summary of certain pertinent provisions of these By-Laws is set forth below. The By-Laws limit the number of Board of Managers (hereinafter called "Managers") to not less than three (3). The first Board of Managers to be elected by the Unit Owners shall consist of three (3) members.

At the time of the First Closing there will be three Managers designated by the Sponsor. They will be Gamal Hasan, the principal of the Sponsor; Mohamad Hasan, a brother of Gamal Hasan; and Yosef Hasan, also a brother of Gamal Hasan. However, the Managers will resign in favor of Managers who will be elected by the purchasers at a meeting to be convened within 60 days after First Closing. If the Sponsor still owns 50% or more of the units in the building, the Sponsor-appointed managers may be re-elected at such time.

The By-Laws provide that at such time as the Unsold Units constitute less than Fifty (50%) percent of the Condominium, but in no event later than the fifth anniversary of the Closing Date, not less than a majority of Managers to be elected at all subsequent annual meetings of Unit Owners shall be elected by Unit Owners other than the Sponsor. A meeting to elect a new Board of Managers will be held within thirty (30) days of 50% of the units being sold, or within thirty (30) days of the fifth anniversary of the Closing Date, whichever is sooner. Notwithstanding the foregoing, even after control is surrendered to a Board elected by unit owners, the Sponsor may vote for the unit owner of his choice at an election of Managers.

So long as a majority of the Board of Managers consists of managers elected by the sponsor or holders of unsold units, the board:

1. Shall not eliminate or reduce the number of employees, insurance coverages or any service to a level less than that provided in Schedule B unless a majority of board members elected by bona fide unit purchasers vote in favor thereof.
2. Shall, to the extent of their authority as Board Members, use all reasonable efforts to cause the Building (including its equipment, services and installations) to be kept operational, clean, and, in a good state of repair and condition;
3. Shall not veto expenditures required to comply with applicable laws or regulations and/or expenses necessary to remedy notice of violations of law, or order of an insurance carrier.

The Sponsor may exercise veto power over other expenses for a period ending not more than five (5) years after the closing of the first unit, or whenever the unsold units constitute less than 25% of the common interest, whichever is sooner. Additionally, the By-Laws do not include a provision that a majority of the Board of Managers must be owner occupants or members of an owner occupant's household who are unrelated to the Sponsor and its Principal after the end of the initial Sponsor control period.

Until the earlier of five years from the date of closing, or at the time at which the Sponsor or other Holder of Unsold Units owns units consisting of less that 25% of the common interest of the Condominium, Sponsor may exercise veto power over any expenses other than those described in SCHEDULE B, or which are required to comply with applicable laws or regulations; remedy any notice of a violation; or remedy any work order from an insurer. Additionally, so long as the Sponsor retains ownership of at least one unit in the building, the By-Laws, Declaration, and Rules and Regulations of the Condominium, may not be amended or modified in any way so as to adversely affect the Sponsor without written consent by the Sponsor.

All Board Members shall serve without compensation. Any member of the Board of Managers, who is a designee of the Sponsor, may contract or deal with Sponsor, or a partner, affiliate or entity controlled by the Sponsor; however, such Board members shall remain under a fiduciary duty to act in the best interest of the condominium. Additionally, such Board Members shall be required to disclose the nature of their relationship in dealing with the Sponsors to all unit owners.

BOARD OF MANAGERS

The Condominium shall be governed according to the By-Laws in Part II, beginning on page BL-1.

The By-Laws limit the number of Managers to not less than three (3) members. The first Board of Managers shall consist of three (3) members designated by the Sponsor. They will be Gamal Hasan, the principal of the Sponsor; Mohamad Hasan, a brother of Gamal Hasan; and Yosef Hasan, also a brother of Gamal Hasan. However, these Officers and Managers will resign in favor of Officers and Managers which will be elected by the Unit Owners at a meeting to be convened within 60 days after the First Closing; they may however, be re-elected at such time. The By-Laws do not include a provision that a majority of the Board of Managers must be owner occupants or members of an owner occupant's household who are unrelated to the Sponsor and its Principal after the end of the initial Sponsor control period.

Managers shall be elected by a plurality of the votes at a meeting at which a quorum shall be present. When voting for Managers, each Unit Owner shall be entitled to cast one vote for each .01% of common interest in the condominium appurtenant to such Owner's Unit, which may be cast all for one nominated manager or divided among any number of candidates. At such time as the Unsold Units constitute less than fifty percent of the Condominium, but in no event later than the fifth anniversary of the Closing Date, not less than a majority of Managers shall be unit owners other than, and unrelated to, the Sponsor. Notwithstanding the foregoing, Sponsor may vote for unit owners from among the non-Sponsor related persons seeking election to the Board of Managers. Members of the Board of Managers shall serve without compensation, except for reimbursement for expenses actually incurred in the course of any furtherance of business for the Board of Managers.

The Board of Managers shall meet at least annually, and at such regularly scheduled times as shall be adopted by resolution by the Board. Special meetings may be called on five (5) days written notice by any two Managers.

The Board Managers will be responsible for the operations of the affairs of the Condominium including, but not limited to, the fiscal operation, repairs and maintenance of the common areas of the Property, replacement and capital improvements to the common areas of the Property; the hiring, supervision and discharging of employees and Managing Agent (if any), and the enforcement of the provisions of the By-Laws, and shall have the powers and duties necessary for the administration of such affairs. The Managers shall serve without compensation or remuneration.

Any Manager may be removed from office at any time with or without cause upon the affirmative vote of the Unit Owners whose aggregate votes are at least 51% of the votes of the Condominium at a Unit Owner's meeting duly called for the purpose; provided, however, that the Manager(s) elected by the Holder(s) of Unsold Units can be removed only for cause by vote of a majority of the Unit Owners or without cause by the Holders of the Unsold Units.

The members of the Board of Managers shall not be liable to the Unit Owners for any mistake of judgment, negligence, or otherwise, except for willful misconduct or bad faith. The Unit Owners shall severally indemnify the members of the Board of Managers against any liability or claims except those arising out of the bad faith or willful misconduct of a member of members of the Board of Managers. It is intended that the members of the Board of Managers shall have no personal liability with respect to any contract made by them on behalf of the Condominium. It is also intended that the liability of any Unit Owner arising out of any contract made by the Board of Managers, or out of the aforesaid indemnity in favor of the members of the Board of Managers, shall be limited to such proportion of the total liability thereunder as his/her interest in the Common Elements of all Unit Owners.

The principal officers of the Condominium shall be the President and the Vice President, Secretary and the Treasurer, all of whom shall be elected by the Board of Managers. The President and Vice-President, but no other officers, need be members of the Board of Managers. All officers shall serve without compensation or remuneration. The officers shall be elected annually by the Board of Managers; and, each officer shall hold office at the pleasure of the Board of Managers or until succession, resignation, or death. Upon the vote of a majority of the Board of Managers, any officer may be removed, with or without cause.

The President shall be the chief executive officer of the Condominium, and shall have all of the general powers and duties which are incident to the office of a president pursuant to Section 9B of the Real Property Law of the state of New York (New York's Condominium Act).

The Vice-President shall take the place of the President and perform his/her duties whenever the President shall be absent or unable to act. The Vice President shall also perform such other duties as shall from time to time be imposed upon his/her by the Board of Managers or by the President.

The Secretary shall keep the minutes of all meetings of the Unit Owners and of the Board of Managers, and shall have charge of such books and papers as the Board of Managers may direct; and shall, in

general, perform all the duties incident to the office of a secretary pursuant to Section 9B of the Real Property Law of the state of New York (New York's Condominium Act).

The Treasurer shall have the responsibility for Condominium funds and securities and shall be responsible for: keeping full and accurate financial records and books of account; and, deposit of all moneys and other valuable effects in the name of the Board of Managers, or the Managing Agent, in such depositories as may from time to time be designated by the Board of Managers.

The Board of Managers, or the Secretary, shall keep detailed records of the actions and minutes of the meetings of the Board of Managers, minutes of the meetings of the Unit Owners, and, financial records and books of account of the Condominium. In addition, an annual audited financial statement of the Condominium, and an income tax deduction statement certified by an independent Certified Public Accountant, shall be rendered by the Board of Managers to all Unit Owners March 1 of each calendar year.

The Secretary shall mail a notice of each annual or special meeting to all Unit Owners of record. The notice shall state the purpose of the meeting as well as the time and place where it is to be held, and the notice will be given at least ten (10), but not more than forty (40) days prior to such meeting.

Each Unit Owner and each mortgagee of a Unit shall, upon prior request, be permitted to examine the books of account of the Condominium and other records of the Condominium during normal business hours on business days at the office of the Condominium.

Both the Declaration and the By-Laws may be modified or amended by the vote of two-thirds (2/3) of the Unit Owners, as that term is defined in Article II, Section 8 of the By-Laws, at a meeting of Unit Owners duly held for such purpose. Anything herein contained to the contrary notwithstanding, so long as the Sponsor is the owner of one or more unsold units, the By-Laws may not be altered, amended, repealed, or added to, without the consent of the Sponsor.

The Board of Managers shall be required to maintain hazard and casualty insurance on the building in an amount sufficient to ensure that the condominium shall not be a co-insurer (which generally means that the policy must be retained at replacement value); and it shall also maintain liability insurance in an amount which it deems appropriate. The proceeds of the hazard and fire insurance policy shall be payable to the condominium Board in the event of a loss amounting to $100,000 or less and to the insurance trustee, if the loss exceeds $100,000. Such proceeds shall be applied to the repairing, restoring or rebuilding the building unless otherwise determined by unit owners. In no event shall the

proceeds of any such insurance policy be paid to the holder of any mortgage on a unit unless there has been a determination by unit owners not to rebuild the building. The insurance trustee, if any, shall be a bank or trust company having an office in the city and state of New York.

The Condominium shall continue, unless terminated by reason of casualty, loss, or by condemnation, until such time as the Condominium shall be legally abandoned and terminated as a result of the vote of Unit Owners owning at least eighty (80%) percent of the total votes of the Condominium, at which time the Property shall be subject to an action for partition by any Unit Owner, or any lienor, as if owned in common, and the net proceeds of the sale resulting therefrom shall be divided among all Unit Owners in proportion to their respective interests in the Common Elements, after first applying the share of the net proceeds of such sale otherwise payable to each Unit Owner to the payment of any liens on his/her Unit in the order of the priority of such liens.

Copies of the Declaration and By-Laws are set forth in Part II of the Plan.

RIGHTS AND OBLIGATIONS OF UNIT OWNERS AND BOARD OF MANAGERS

Unit Owners will have the right to sell, lease, or mortgage units, without restriction, except as set forth herein, subject to the requirements that all Common Charges are current. A Unit Owner may only sell or lease the entire Unit. A Unit Owner may not sell or rent only a portion of a Unit. While lease of a condominium unit, like any other contract, is subject to regulation by certain state laws (General Obligations Law, Multiple Dwelling Law, etc.) the terms of the lease (including rent) will not be subject to any state or local rent regulatory laws. The Board of Managers does not have a right of first refusal with regards to the sale or lease of any unit.

The By-Laws provide that the use of the Units shall be restricted to and be in accordance with the following provisions:

(a) A Unit Owner may only use his/her Unit for a purpose consistent with any applicable ordinance or statute, or regulation of a government authority that has jurisdiction over the Condominium, but in no event for a use that violates the By-Laws of the Condominium.

(b) The Common Elements shall be used for the furnishing of services and facilities for which they are reasonably suited and capable, and which are incident to the use and occupancy of Units.

(c) No nuisances shall be allowed on the Property, nor shall any use or practice be allowed which interferes with the peaceful possession, or use of the Property, by its residents or occupants.

(d) No improper, offensive, or unlawful use shall be made of the Property nor any part thereof. Violations of laws, orders rules, regulations, or requirements, of any governmental agency having jurisdiction thereof, relating to any portion of the Property, shall be eliminated by, and at the sole expense of, the respective Unit Owners or by the Board of Managers, whichever shall have the obligation to maintain or repair such portion of the Property, or comply with such laws.

(e) Each Unit Owner shall keep his Unit in a good state of cleanliness and repair in accordance with the provisions of the By-Laws, and the rules and regulations of municipal departments or agencies having jurisdiction thereof.

Each Unit Owner will have an undivided interest in the Common Elements in the respective percentages set forth in SCHEDULE A in Part I. Subject to the provisions of the By-Laws and Rules and Regulations the Common Elements are appurtenant to, serve and

benefit each Unit to the extent of such Unit's percentage share of the Common Elements, and the Common Elements are for the common use of all Unit Owners.

Further restrictions on the use of Units are set forth in the By-Laws, and in Rules and Regulations made in accordance with the By-Laws, which are set forth in Part II of the Plan. Rules and Regulations concerning the use of the Units may be promulgated and amended from time to time by the Board of Managers as provided in the By-Laws. Such restrictions include a restriction that the unit shall be used for private residence only, or any home occupation use permitted under applicable zoning law, ordinances, building codes or other governmental regulations. Units may also be used as a professional office by a resident thereof, provided such professional use does not violate zoning regulations. Units may not be used for any unlawful purpose, and any use which amounts to a violation of law or to rules, regulations or requirements of any governmental agency having jurisdiction thereover shall be eliminated at the sole expense of the unit owner.

The Board of Managers shall from time to time, but at least annually, prepare a budget for the Condominium determining the amount of the Common Charges payable by the Unit Owners. Common charges will be established by determining the operating budget for the coming year of condominium operation and allocating to each unit owner a percentage of that budget in accordance with their percentage of ownership for common interest in the condominium. The Common expenses include, among other things, the cost of all insurance premiums on all policies of insurance required to be, or which have been, obtained by the Board of Managers. The Common Expenses may also include such amounts as the Board of Managers may deem proper for the operation and maintenance of the Property including, without limitation, an amount of working capital and a general operating reserve. The Board of Managers shall advise all Unit Owners promptly, in writing, of the amount of Common Charges payable by each of them, and shall furnish copies of each budget on which such Common Charges are based to all Unit Owners and to their mortgagees of record, if requested.

Section 339-z of the Real Property Law

Under the provisions of Section 339-z of the Real Property Law, the Board of Managers on behalf of the Unit Owners shall have a lien on each Unit for unpaid Common Charges assessed against such Unit by the Board of Managers, together with interest thereon. Such lien shall be subordinate only to liens for real estate taxes on the Unit and to any sums unpaid on the first mortgage or record of such Unit. Any lien for unpaid Common Charges against a Unit shall be effective from and after the filing of a notice thereof in the Kings County Office of the City Register, and until all sums

secured thereby with the interest thereon shall have been fully paid, or until six years from the date of filing (unless foreclosure of such lien is started within such six year period), whichever may be earlier. Such lien may be foreclosed by a suit brought in the name of the Board of Managers acting on behalf of the Unit Owners in like manner as the foreclosure of a mortgage on real property, or an action may be brought by the Board of Managers to recover the Unpaid Common Charges without foreclosing the lien. In the event the Sponsor is more than thirty (30) days in arrears on Common Charges for any unsold Unit during the time the Sponsor is in control of the Board of Managers, Sponsor will cause the Board of Managers to file a lien as provided for in section 339-aa of the Real Property law.

Section 339-kk of the Real Property Law

Under section 339-kk of the Real Property Law, the Board of Managers has the right to require the tenant in an apartment owned by a non-occupying owner to make rental payments directly to the Board of Managers where such non-occupying owner is in default on payments of common charges, assessments or late fees for such unit for a period of 60 days after the expiration of any grace period after they are due. Payments by such rental tenant to the condominium pursuant to this statute relieves such rental tenant from the obligation to pay such rent to such non-occupying owner, and is an absolute defense in any nonpayment proceeding commenced by such non-occupying owner. The procedures by which the Board of Managers may enforce this right, including required notice, means of protest, and termination are set forth in the aforementioned section which is recited at Page RE1 of this Offering Plan.

No Unit Owner may exempt himself from liability for Common Charges or Expenses by waiver of the use, or enjoyment of any of the Common Elements, or by abandonment of his Unit. The liability of each Unit Owner for the payment of the Common Charges and Expenses thereafter assessed or becoming due against the Unit shall terminate upon a permissible sale, transfer or other conveyance of such Unit, and the appurtenant interests in the Common Elements. In addition, any Unit Owner may, subject to the terms and conditions specified in the By-Laws, convey his/her Unit together with the said appurtenant interests to the Board of Managers or its nominee on behalf of all other Unit Owners, and in such event be exempt from all Common Charges and Expenses thereafter assessed.

All maintenance, repair, or replacement to any Unit or portion thereof, ordinary or extraordinary, shall be at the Unit Owner's expense, except for structural elements as specifically required herein. All maintenance, repairs, and replacements to the Common Elements (including the exterior walls of the Building) and the painting and decorating of the side of the elevator doors and

stairwell doors which do not face into a Unit shall be made at the direction of the Board of Managers, and be proportionately charged to all the Unit Owners as a Common Expense, except to the extent that the same are necessitated by the negligence, misuse or neglect of a Unit Owner, in which case such expense shall be charged to such Unit Owner. Unit owners who enjoy use of a limited common element are responsible for regular repair and maintenance of such limited common element such as cleaning, painting, repair to surface damage, etc. Damage to the structural or mechanical systems serving such limited common element (except where directly caused by act or omission of the unit owner, their agents, employees or invitees) are the responsibility of the condominium through the Board of Managers.

No Unit Owner may make any structural addition, alteration or improvement in his Unit without the prior written approval of the Board of Managers. As a condition of the granting of its consent to the above acts, the Board of Managers may require the Unit Owner to execute an agreement in form and substance satisfactory to the Board of Managers setting forth the terms and conditions under which such alteration, addition, improvement, or repair, may be made, including without limitation, the days and hours during which any work may be done. No application shall be filed with any governmental authority for a permit covering an addition, alteration, or improvement to be made in a Unit, unless approved and executed by the Board of Managers; such approval, however, shall not result in liability on the part of the Board of Managers or any of them, to a contractor, subcontractor, materialman, architect or engineer, by reason of such addition, alteration, or improvement, or to any person having any claim for injury to person, or damage to property arising therefrom. The provisions of this paragraph shall not apply to an Unsold Unit, provided that any alterations to such Unsold Units shall be in accordance with, and only as permitted, by the Condominium Act and all governmental regulations. Non-structural alterations and improvements to Residential Units that do not affect the exterior of the Building, or the value of other Units, may be made without prior approval of the Board of Managers.

Unit owners may perform all standard repair and maintenance items within their apartment and standard home improvements items without permission of the Board of Managers. Thus, unit owners may repair or replace fixtures, equipment, cabinetry, flooring, sheetrock, etc. without permission of the Board of Managers. However, unit owners may not relocate plumbing, heating, electric or other service lines affecting other units in the building during the course of such repairs or improvements without receiving Board permission.

The Board of Managers shall obtain and maintain, to the extent determined by them to be appropriate; (1) hazard insurance, with extended coverage, insuring the Building and Units (but not including furniture, furnishings or other personal property supplied to, or installed by, Unit Owners), together with all service machinery contained therein covering the interests of the Condominium, The Board of Managers, and all Unit Owners and their mortgagees, as their interest may appear, in an amount equal to the full replacement value of the insured property without deduction for depreciation; (2) machinery insurance; (3) water damage legal liability insurance; (4) liability insurance for personal injury or property damage in an amount not less than one million dollars; (5) officer's and director's insurance covering the board of managers; and (6) such other insurance as the Board of Managers may determine. Each of the policies shall contain a New York standard mortgage clause in favor of each mortgagee of a Unit which shall provide that the loss, if any, thereunder shall be payable to such mortgagee as its interests may appear, subject, however, to the loss payment provisions in favor of the Board of Managers in the event of casualty or condemnation. Unit Owners shall be entitled to carry casualty insurance protection for their furniture and the interior of their Units and for personal liability coverage for their own benefit at their own expense, provided that such policies contain waivers of subrogation, and further provided that the liability of the carriers issuing insurance procured by the Board of Managers shall not be affected or diminished by reason of any other insurance carried by a Unit Owner.

The proceeds of the hazard and fire insurance policy shall be payable to the condominium board of managers in the event of a loss amounting to $100,000.00 or less, and to the insurance trustee, if the loss exceeds $100,000.00. Such proceeds shall be applied to the repairing, restoring, or rebuilding of the subject premises unless otherwise determined by unit owners. In no event shall the proceeds of any insurance policy be paid to the holder of any mortgage on a unit unless there has been a determination by unit owners not to rebuild the building. The insurance trustee, if any, shall be a bank or trust company having an office in the City and State of New York.

A Unit Owner by acceptance of a Deed for a Unit shall have granted a right of access to the Unit and to all appurtenant areas, if any, to the Managing Agent and/or any other person authorized by the Board of Managers of the Managing Agent, for the purposed of performing installations, alterations or repairs to the mechanical or electrical services of other Common Elements in his/her Unit or elsewhere in the Building in which the Unit is located, to remove violations, cure defaults by a Unit Owner, and for any other purpose provided in the Plan, Declaration, or as may be required by law or governmental regulation, provided that requests for entry

(except in emergency situations) is at a time reasonably convenient to the Unit Owner. In case of emergency, such right of entry shall be immediate, whether the Unit Owner is present at the time or not. Provided reasonable care is exercised to safeguard the Unit Owner's property, such entry shall not render the Board of Managers or its authorized agents liable for damage incurred in connection with the exercise of such right of entry. Each Unit Owner will deposit with the President of the Board of Managers a key to his/her Unit to allow for entry in an emergency. The Board of Managers may designate responsible individual(s) to hold such keys.

Each Unit Owner shall be required to pay the Common Charges and Expenses levied by the Board of Managers. All Unit Owners, mortgagees, lessees and occupants of Units and their employees, and any other persons who may use the facilities of the Property in any manner, are subject to the By-Laws, the Declaration and the Rules and Regulations. A copy of the Declaration and By-Laws and Rules and Regulations appear in Part II of this Plan. The violation of any of the Rules and Regulations or the breach of any By-Laws or provision of the Declaration shall give the Board of Managers, in addition to other rights set forth in specific provisions of the By-Laws, the right to: (i) enter any Unit in which, or as to which, such violations or breach exists and to abate and/or remove same summarily, at the expense of the defaulting Unit Owner. The Board of Managers shall not thereby be deemed guilty or liable for trespass nor be liable for any damage to the Unit, nuisances or fixtures incurred in connection with such rights unless such damage is caused by negligence on the part of the Board of Managers; or (ii) enjoin, abate or remedy by appropriate legal proceedings, the continuance of any such violation or breach. The costs incurred by the Board by virtue of the exercise of its rights to correct such breaches or violations, including attorney's fees, shall be due upon demand from the Unit Owner in question, and shall constitute a Common Expense against his/her Unit.

As part of purchase of the Unit, Purchaser will be required to execute a broad Power of Attorney in favor of the Board of Managers of the Condominium. This Power of Attorney will give the board of Managers the right to acquire and otherwise administer defaulted, abandoned or foreclosed units in the name of the condominium. It will also give the board of Managers the right to execute amendments to the Condominium Declaration, Deeds conveying condominium property, filing for severance of tax lots and other functions reasonable or necessary to effectuate the purposes set forth in the Condominium Declaration, on behalf of all of the unit Owners. Purchaser must sign the Power of Attorney at closing; failure to sign the Power of Attorney will be deemed a default and will result in cancellation of the transaction and possible loss of the down payment. Please see the POWER OF ATTORNEY set forth in Part II of this Offering Plan.

REAL ESTATE TAXES

After the units are separately assessed, each Unit Owner will be taxed as a separate tax lot for real estate tax purposes, and no Unit Owner will be responsible for the payment of, nor subject to, any lien for non-payment of taxes on any other unit. Units will not be separately assessed for the first year of condominium operation. On closing, Sponsor shall deposit with the Board of Managers a sum sufficient to pay all taxes due for the balance of 2011/2012 tax year. The Board of Managers shall be authorized to pay such taxes as and when due from such escrow fund. As each subsequent individual condominium Unit is sold, the purchasers thereof, as a standard closing adjustment, shall reimburse the Sponsor for the portion of their tax liability paid by the Sponsor from the date of closing through the end of the 2011/2012 tax year. It is anticipated that Units will be separately assessed for the 2012/2013 tax year, and that individual Unit Owners (whether purchasers, holders of unsold shares, or the Sponsor) will pay the taxes thereof as set forth in the attached SCHEDULE A.

The Property is taxed by the City of New York through the Department of Finance. Sponsor has obtained an estimate from R&M Appraisal Reports, Inc., of a post-completion assessed value of $78,880.00, with an imposed tax rate of 13.353%. The real estate taxes payable in SCHEDULE A are determined by applying the estimated applicable tax rate to the assessment, and then allocating the amount due in conformity with the allocation of Common Interests. The City of New York is not bound by the allocation of Common Interests, and may allocate on a different basis. All figures are estimates.

There are no tax certiorari proceedings currently pending. Individual owners may challenge the assessment of their property by filing a tax protest in accord with the rules of the New York City Tax Commission. The Board of Managers may also file a protest on behalf of all Unit Owners. While there is no specific section of the By-Laws dealing with review of real estate tax assessment, the general grant of power in the Board of Managers to operate the property in the best interest of unit owners is sufficient to delegate to the Board of Managers a right to file tax protests on behalf of all unit owners. The Building benefits from the limitations imposed by Sections 581 (which prevents a building from being assessed at a higher level than similarly situated rental properties merely because of its status) and 1805 (which limits the annual increases due to changes in market value) of the Real Property Tax Law.

The projections set forth herein are based on current New York City Tax rate and assessment procedures. No guarantee or warranty is or can be made that the tax rate will not change in the future, or that the assessed value of the property will not rise due to changes in assessment practices and policies or increases in market value which are reflected in the assessed value.

The explanation and projection prepared by the Sponsor's tax abatement expert is expressly adopted by the Sponsor and included as part of this Offering Plan.

Re: 206 Prospect Place
Brooklyn, NY 11238
Block: 1158, Lot: 34

Dear Mr. Hasen:

As per your request, we have researched the market and determined a fair market assessed valuation and real estate taxes of a 4-family building as completed. Below are the comparables we uncovered:

Address	Block	Lot	2010/2011	Tax	R.E.	Sq Ft	Assessed	R.E.
			Tentative Assessment	Rate	Taxes		Sq Ft	Sq Ft
199 Prospect Ave	1151	68	94,617	13.353	$12,634	3,693	25.62	3.42
126 St Marks Pl	1150	33	48,267	13.353	$6,445	3,420	14.11	1.88
107 St Marks Pl	1143	75	57,548	13.353	$7,684	4,200	13.70	1.82
96 St Marks Pl	1150	18	46,410	13.353	$6,197	3,715	12.49	1.66
411 Park Place	1160	54	50,122	13.353	$6,693	3,256	15.39	2.05
208 Prospect Pl	1158	35	46,410	13.353	$6,197	3,440	13.49	1.80

The assessment range above ranges from $12.49 to $25.62 per square foot. Since the subject will be renovated at completion, we weighted the upper end of value range, say $20.00 per square foot of assessment. The subject is reported to contain 3,944 square feet.

Assessment: $20.00 x 3,944 sq ft = $78,880.00
Real Estate Taxes: $78,880.00 x 13.3530 = $10,532.84
Real Estate Taxes 'P.S.F.': $10,532.84 ÷ 3,994 sq ft = $2.67 per sq ft.

DEDUCTIONS TO UNIT OWNERS, AND TAX STATUS OF CONDOMINIUM

Unit Owners who itemize their deductions should, for Federal Income Tax purposes, be entitled to a deduction for mortgage interest and real estate taxes in the year paid, or accrued, under Sections 163 and 164 of the IRS Code. These deductions are subject, however, to certain exceptions and limitations that are more particularly discussed in the COUNSEL'S TAX OPINION LETTER. Each individual Unit Owner should, for New York State and New York City Income Tax purposes, be entitled to similar deductions for the mortgage interest and real estate taxes paid, or accrued, during the taxable year.

The Condominium will be governed by a Board of Managers. The Board of Managers will assess and collect Common Charges from the Unit Owners, and will have certain discretionary powers over the operating expenses and the application of the assessments. While there is presently no direct authority as to the tax status of the Condominium for Federal Income Tax purposes, Sponsor's Counsel is of the opinion that the Condominium will not be treated as an association taxable as a corporation, due to the fact that it will qualify as an exempt homeowner's association under section 528 of the IRS code. As a result, the condominium may not be subject to Federal corporate income tax on its taxable income, if any.

The statements set forth herein are based upon an analysis of the Internal Revenue Code of 1986, as amended (the "Code"), New York State Tax Law, the Administrative Code of the City of New York, the applicable regulations promulgated or proposed thereunder, the current position of applicable administrative agency, in particular, the position of the IRS stated in published Revenue Rulings and Revenue Procedures, and judicial decisions. It is emphasized, however, that legislative, judicial or administrative changes may be made which would require modification of such statements, or that, the IRS or other applicable administrative agency may disagree with Counsel's interpretations and conclusions. A more detailed statement of the tax factors involved may be found in the COUNSEL'S TAX OPINION; however, each purchaser should consult with his or her own attorney with regard to tax consequences of this transaction.

COUNSEL'S TAX OPINION LETTER

April 13, 2011

206 Prospect, LLC
715 5th Avenue
Brooklyn, New York 11215

Re: Offering Plan for the Conversion to Condominium Ownership of Premises:
206 Prospect Place
Brooklyn, New York

Ladies and Gentlemen:

You have requested my opinion concerning (i) the availability of certain deductions for Federal, New York State, and New York City Income Tax purposes to persons who purchase units for residential use ("Unit Owners") under the Offering Plan for THE 206 PROSPECT PLACE CONDOMINIUM (the "Plan"), and (ii) the Federal Income Tax Treatment of the Common Charges received by the condominium association of the condominium (the "Condominium").

In connection with rendering this opinion, I have reviewed the Plan, the Schedules and Exhibits thereto, the Declaration of the Condominium Plan (the "Declaration"), the By-Laws of the Condominium (the "By-Laws"), the relevant sections of the Internal Revenue Code of 1986, as amended (the "Code"), the Regulations promulgated thereunder by the Treasury Department (the "Treas. Regs."), the New York State Tax Law, the Administrative Code of the City of New York, revenue rulings, relevant case law and such other materials as I have deemed relevant.

FACTS

You have advised me that, to the best of your knowledge, the following statements are an accurate summary of the relevant facts, and my opinion is conditioned upon the accuracy of such facts.

The Sponsor will submit, to the Kings County office of the city register of New York, a Declaration to establish the premises located at 206 Prospect Place, Brooklyn, New York, as a condominium pursuant to the provisions of New York's Condominium Act. (See Article 9-B of the Real Property Law of the State of New York.) This condominium shall consist of four (4) units allocated for residential use. Each holder of a Unit will own his own Unit plus an interest in the elements common to all Units (the "Common Elements"). Each unit owner will be entitled to the exclusive ownership and possession of his unit and will receive a separate deed to the Unit.

The Condominium will be operated by a Board of Managers which, pursuant to the By-Laws, will act only as an agent of all Unit Owners. The Board of Managers will be comprised of at least three members, who shall each be elected by the Unit Owners. The primary function of the Board of Managers will be to supervise the maintenance and operation of the Common Elements, and collect charges (the "Common Charges") necessary to maintain and operate the Common Elements.

DISCUSSION

I. Deductibility of Mortgage Interest and Real Estate Taxes

Under the Condominium Act, each Unit Owner will own his/her Unit and its appurtenant interest in the Common Elements in fee simple, and each Unit will be taxed as a separate tax lot for real estate tax purposes. Each Unit Owner may mortgage his Unit and become individually liable for the payment of the principal and any finance charges or interest on such mortgage indebtedness. Failure to pay his or her share of the Common Charges will result in the Board of Managers having a lien on the Unit for the unpaid Common Charges.

The deductibility of the mortgage interest and real estate taxes paid or accrued by the Unit Owner during his or her taxable year will be governed by sections 163 and 164 of the I.R.S. Code. Section 163 of the Code allows a taxpayer to deduct all interest paid or accrued during the taxable year on Bona Fide indebtedness.

Section 164 of the Code allows a taxpayer to deduct real estate taxes paid or accrued during the taxable year.

Since Sections 339-g and 339-y of the Condominium Act provide that each Unit and its common interest shall be taxed as a separate tax lot for real estate purposes, Unit Owners shall be entitled to deduct real estates tax paid or incurred on their Units during the taxable year.

The deduction under Section 163 of the Code for interest is subject to certain other provisions of the Code which may limit the amount of the deduction in any one taxable year. For example, under Section 461(g) of the code, prepaid interest is not deductible by a cash basis taxpayer in the year of payment but must be allocated to the taxable year or years to which it is chargeable. However, the payment of "points" (bank origination fee) is deductible under certain circumstances in the year of payment, provided that the indebtedness was incurred by the taxpayer in connection with the purchase or improvement of his principal residence, and the other requirements of Code Section 461 (g) (2) are complied with.

I note that a taxpayer who purchases a Unit for investment may find his interest deduction limited by Code Section 163(d). Under this Section a taxpayer other than a corporation will be subject to a ceiling on his deduction for investment interest. Investment interest is defined as interest paid or accrued on indebtedness incurred or continued to purchase or carry property for investment. To the extent that the taxpayer has investment income (defined as the gross income from interest, dividends, rents, royalties, net short term capital gains and recapture income), he or she increases his or her ceiling on the deduction for investment interest. See generally Code Section 163(d).

I also note that Code Section 265(2) may impact on the interest deduction otherwise allowable to a taxpayer in the event that he/she incurs debt to finance his/her purchase of a Unit rather than liquidate his or her portfolio of tax exempt securities. Under these circumstances Code Section 265(2) may disallow the taxpayer's interest deduction since he or she would be deemed to have incurred the debt to "continue to carry" the tax exempt obligations. However, revenue rulings have made an exception for debt incurred to purchase the taxpayer's principal residence.

In Revenue Ruling 64-31, 1964-1 C.B. 300, the Internal Revenue Service (the "Service") considered the deductibility of mortgage interest and real estate taxes incurred by the owner of a condominium unit. The Service ruled the Sections 163 and 164 of the Code, respectively, permitted these deductions by the Condominium Unit Owner provided that he or she itemized his or her deductions in filing his or her Federal income tax returns.

In my opinion, under Code Sections 163 and 164 respectively, a Unit Owner will, for Federal Income Tax purposes, be entitled to a deduction for interest paid or accrued with respect to mortgage indebtedness and for real estate taxes paid or accrued with respect to his or her method of accounting.

It is also my opinion that each Unit Owner will, for New York State and New York City Income Tax purposes, be entitled to the same deduction which is allowed for Federal Income Tax purposes for the mortgage interest and real estate taxes paid or accrued during the taxable year. See Section 615 of the New York State Tax Law. It should be noted, however, that for New York City Income Tax purposes, the benefit of such deduction may be reduced if the Unit Owner has more than the specified amount of tax preference items. See Section 615,622 and 623 of the New York State Tax Law; Section T46-115.00, T46-122.0 and T46-123.0 of the City Code.

The foregoing discussion applies primarily to residential unit owners. Referenced sections of the IRS code are not applicable to owners of parking units, if any, or owners of units for investment or resale, if any. However, insofar as the owners of the parking units, if any, will be using the unit for business purposes, other sections of the code may allow such deductions. Purchasers of parking units, if any, are strongly urged to consult with their own accountants with regards to the deductibility of the mortgage interest and real estate taxes.

II. Common Charges-Federal Income Taxation of the Condominium:

A condominium under New York law is not a corporation but an un-incorporated association.

The Treasury Regulations in Section 301.7701-2(a)(i) set forth six factors to be considered in determining whether an association will be treated as an un-incorporated association for Federal Income Tax purposes. Of these factors, the Condominium possesses five (an objective to carry on business, divide the gains, centralization of management, continuity of life, free transferability of interest). Since an un-incorporated organization will be treated as a

corporation if it has more corporate characteristics than non-corporate characteristics, (see Treas. Regs. Section 301.7701-2(a)(3), Philip G. Larson, 66 T.C. 159 (1976) acq., Rev. Rul. 79-106, 1979-1 C.B. 448), it is my opinion that, although there exists no direct authority on this point, the condominium will be treated as an association taxable as a corporation for Federal Income tax purposes. In such event, and in the absence of any specific exception, the Condominium would be subject to Federal Corporate Income Tax.

Assuming that the Condominium is treated as an association taxable as a corporation, the receipt of substantially all of Common Charges, may be excluded from the income of the Condominium in the event that (i) the Condominium is acting as agent of the Unit Owners as to collection and receipt of such funds; or (ii) the Condominium is not acting as agent and receives the Common Charges as non-taxable contributions of capital, or receives the Common Charges as service income which is fully offset by the Condominium's service expenses; or (iii) the Condominium elects to be taxed under Code Section 528 and the Condominium has only "exempt function income" within the meaning of such Section.

In Revenue Ruling 75-370, 1975-2 C.B. 257 the shareholders of a condominium management corporation approved special accounts which were not commingled with the general funds of the condominium management association. The assessments could be used only to replace the roof and the elevators located in the common elements of the condominium property. The I.R.S. ruled that these special assessments were not includable in the Condominium's gross income since they did not benefit the condominium which had a fiduciary obligation to expend the funds collected in the manner approved by its unit owner-stockholders. The I.R.S. found that there was an agent and principal relationship between the condominium and its unit owner-stockholders insofar as the special assessments were concerned. However, Rev. Rul. 75-370 specifically exempted funds collected by a condominium management corporation to provide services for which it was formed such as the maintenance of the common elements. Thus, funds collected by the Board for painting, general repairs, gardening and janitorial services would constitute gross income to the Condominium.

The By-Laws provide that the Board of Managers will act as the agent of the Unit Owners. If Common Charges for special capital improvements are specifically designated for capital improvements, deposited in special accounts and not commingled with the general funds, then such Common Charges should not be included in the income of the Condominium, according to Revenue Ruling 75-370, supra. Common Charges for operational expenditures would not be

excluded from the income of the Condominium, because the Board of Managers does not have mere ministerial powers with respect to the operations of the Condominium.

Under certain circumstances, special assessments for specific capital improvements may be considered non-taxable contributions to the capital of the association, pursuant to Code Section 118. In Revenue Ruling 75-371, 1975-2 C.B. 52, the condominium management collected special assessments which were assessed pro-rata upon each unit owner to replace outdoor furniture. The By-Laws required that any assessment had to be approved at a stockholder meeting by a majority vote of the unit owner-stockholders. The special assessment was approved and the proceeds were deposited in a special account and were not commingled with the general assessment funds. The assessment could only be used for the specific purpose intended. The Service held that the Special Assessment was a non-taxable contribution to the capital of the condominium management corporation. Id.; See also Rev. Rul. 74-563, 1974-2 C.B. 38 (special assessments to pave a parking lot of the homeowners association are contributions to the capital of the associations).

Under this Plan the Unit Owners must approve all special improvements. Therefore, as to such amounts of Common Charges which are specifically designated for capital improvements, deposited in special accounts and not commingled with the general funds, such Common Charges should not be characterized as income of the condominium, according to Revenue Ruling 75-371, supra, but would constitute contributions to the capital of the Condominium. Even if a special capital assessment is not specifically voted upon and approved by the Unit Owners of the Condominium, there is judicial authority which would support the characterization of such assessment as capital contribution. See Concord Village, Inc., 65 T.C. 142 (1975).

It should be noted that if the special assessment are treated as contributions to the capital of the Condominium, the subsequent expenditure of these funds (together with any other funds accumulated by the Condominium) may be viewed by the Service as a distribution to the Unit Owners, taxable under Section 301 of the Code. Each Unit Owner may therefore be subject to tax on his pro-rata share of the amounts expended. Rev. Rul. 75-371 went on to distinguish special assessments from assessments collected for the purpose of normal operating expenses and excess assessments, which could be returned directly to the individual unit owner-stockholders. These general assessments and the excess assessments which are not credited to subsequent taxable years or returned to the unit-owners, were held to constitute gross income

to the condominium under Section 61 of the Code. I note, however, that to the extent to which the Condominium will be deemed to have service income by virtue of its performance of its management functions, it will be entitled to deduct as business expenses its expenditures required to provide such services from its gross income. See Concord Village, Inc., 65 T.C. 142, 157 (1975); Park Place, 57 T.C. 767, 778 (1972). Thus, it will have taxable income only in the amount of the excess of its income from all sources over its allowable deductions.

Any net income attributable to over-assessments might constitute taxable income of the Condominium for the year of receipt, even if such excess is distributed or applied to the subsequent year's assessments. In effect, a management association will not earn income when it has no discretion as to the application of the excess, and, conversely, will have income where it does have such discretion. Since the Board of Managers will have discretion as to application of excess Common Charges, and does not intend to return excess Common Charges, if any, but intends to apply such excess to the next year's expenditures, it is possible that any excess Common Charges will constitute taxable income to the Condominium.

Code Section 528 provides a tax exemption for an organization that qualifies as a "homeowners association" which term includes a "condominium management association". A "condominium management association" is defined as an organization organized and operated to provide for the acquisition, construction, management, maintenance, and care of a condominium, provided substantially all of the units are used by individuals for residences. See Code Sections 528(c)(1)(A), and 528 (c)(2). "Substantially all" the units will be considered used by individuals for residences if at least 85% of the total square footage of all units within the project is used, or is intended to be used, by individuals for residential purposes or purposes auxiliary to residential use, such as storage rooms, laundry and maintenance areas. See Treas. Regulations, Section 1.528-4(b). The organization itself will be considered "organized and operated" for the acquisition, construction, management, maintenance, and care of such condominium, if the facts and circumstances indicate such to be the case. See Treas. Regs. Section 1.528-2. However, if the articles of the Condominium reflect that is the purpose of the association, then the condominium management association will be presumed to be operated for such purpose. See Treas. Regs. Section 1.528-2(a).

In addition to the organization and operation test, the tests set forth below must be satisfied under code Section 528(c)(1) in order for a condominium to qualify as a "homeowner's association".

(1) Sixty percent (60%) or more of the gross income of the organization must by "exempt function income," that is, income derived form the payment of dues or fees from the residential unit owners in their capacity as owner-members rather than in the capacity as customers for services. Code Section 528(c)(1)(A) and Treas. Regs. Section 1.528-5 and 1.528.9. "Exempt function income" includes income which is attributable to assessments that arise as a result of the members' ownership interest, either based on value or size of their units, and used for the purpose of enhancing or maintaining the value of the residences. See Treas. Regs., Section 1.528-9(a). For example, the regulations indicate that assessments for the purpose of paying real estate taxes, removing garbage, or removing snow is "exempt function income". See Treas. Regs. Section 1.528-9(b). Income attributable to the use of laundry machines and interest earned on sinking funds is not exempt function income; See Treas. Regs. Section 1.528-9(c). Any assessments attributable to special capital improvements, which are treated as capital contributions, are not included in gross income, and therefore, are not part of the calculation of the gross income test. See Treas. Regs. Section 1.528-9(a).

(2) Ninety percent (90%) or more of the expenditures of the organization for the taxable year must be used for the acquisition, construction, management, maintenance and care of the organization's property. See Code Section 528(c)(1)(C). These expenditures include operating and capital expenditures during the taxable year. Investments in reserve funds for future expenditures are not included in this calculation.

(3) No part of the net earnings of the organization may inure to the benefit of any individual. See Code Section 528(c)(1)(D). The Code expressly excludes benefits received by a unit owner attributable to the homeowners association performing its exempt function, such as the benefit from the homeowners association acquiring, constructing, managing, maintaining and taking care of the association property.

(4) The organization must properly and timely elect to have Code Section 528 apply for the taxable year. See Code Section 528(c)(1)(E).

Based upon my understanding of the matter it is my opinion that the Condominium will be eligible to qualify as a homeowners association within the meaning of Code Section 528(c)(1) and that, to the extent the condominium has income in excess of its expenses, that income will not be subject to federal income taxation.

III. Compliance With Real Property Law Section 339(i)(1)(iv):

I have received and reviewed the letter heretofore set forth from the Sponsor's expert concerning allocation of the common interest to the units in the premises. The determination of Common Interest allocated to each unit has been made based on the floor space of each unit subject to such other factors of relative value as the location of the unit within the building, the uniqueness of the unit, the availability of amenities or limited common elements for shared or exclusive use, and the overall dimensions of the unit, and the uniqueness of the unit, pursuant to the Real Property Law (RPL) Section 339 (i) (1) subparagraph (iv). The method employed is permissible pursuant to the RPL and is in compliance therewith.

CONCLUSION

I express no views as to any Federal, New York State and/or New York City tax consequences or as to any aspects of the Plan other than those tax consequences and aspects explicitly discussed in this opinion, or as to the tax consequences of the Plan under the laws of any other State or foreign jurisdiction. This opinion does not discuss the tax consequences which may result from the ownership or the leasing of a Unit to another, in connection with a Unit Owner's trade or business, for purposes of investment, or for the production of income, or tax consequences which may result to a foreign Unit Owner by reason of his foreign status. This opinion also does not consider the tax consequences which may arise if Units are acquired and/or leased by the Board of Managers, or the issue of whether a Unit Owner may be deemed to be a resident of New York State due to ownership of a Unit. I, therefore, advise each person contemplating the purchase of a Unit to consult his/her own tax advisor as to all such tax matters, as well as with respect to the tax matters discussed in this opinion.

The opinions expressed herein are based solely upon my current understanding and interpretation of the existing law, regulations, decided cases and rulings of administrative agencies and upon information set forth herein. If there has been any misstatement of a fact or omission of any fact which may be material, or any amendment or exchange in the By-Laws or the Plan, we should be notified, since any such omission, misstatement or change may require modification of part or all of this opinion. Moreover, it should be specifically noted that this opinion is not binding on the Internal Revenue Service, the New York State Department of Taxation and Finance, or the New York City Department of Taxation, and that such entities may not agree with any or all of the views

stated above. Further, the Federal and State Tax Laws and Regulations and the rulings and decisions thereunder may change and thereby effect the views stated above in whole or in part.

I hereby authorize the use of this opinion, or a reproduction thereof, in the Plan.

Very truly yours,

Harold L. Gruber

RESERVE FUND

No fund will be created on closing as a reserve for capital expenditures. In the event a need arises for capital expenditures such as renewal or replacement of building components or systems, or to remedy major building defects, it will be necessary to raise needed capital either by assessing individual unit/owners for the cost of such expenditures. However, in the Sponsor's estimation, and in view of the fact that all building systems and components are new, it is anticipated that there will be no needed capital expenditures within the five (5) years immediately following the first closing of a condominium unit under the Offering Plan.

WORKING CAPITAL FUND

At closing of title to each Unit, the Unit Owner for such Unit will contribute to the capital fund of the Condominium an amount equal to one month's common charges (see CLOSING COSTS AND ADJUSTMENTS). Thus, there will be a $1,465.00 working capital fund created on closing. Sponsor will make the required contribution for all unsold units at the time of the closing of the first unit, and will be reimbursed therefore on each subsequent closing of a unit by the unit purchaser. This Working Capital Fund will be used to make repairs and improvements, and for other appropriate purposes as determined by the Board of Managers, particularly to meet emergencies not budgeted for in SCHEDULE A. While the Sponsor controls the Board of Managers (see CONTROL BY THE SPONSOR), the Working Capital Fund will not be used to reduce estimated Common Charges.

The Working Capital Fund will not be reduced by any closing adjustments to the Sponsor. All closing adjustments to the Sponsor will be paid in equal monthly installments over the twelve (12) month period following closing. All adjustments represent reimbursement for prepayment of expenses already included in the budget set forth herein as Exhibit B, and therefore do not represent an additional expense to Condominium Purchasers.

No representation is made that the Working Capital Fund will be adequate to cover current or future expenses. If additional funds are required over and above the Working Capital Fund, it may be necessary to increase Common Charges or separately assess all Unit Owners. Neither the Department of Law nor any other government agency has passed upon the adequacy of the Working Capital Fund.

However, it is not anticipated that any interest will be earned. TIME IS OF THE ESSENCE TO REMEDY SUCH DEFAULT WITHIN SAID THIRTY (30) DAY PERIOD. If adjourned, Sponsor shall fix a new date and time for title closing and shall give Purchaser not less than ten(10) business days-prior written notice of the new scheduled date and time for closing.

In the event that a Purchaser does not close on the Closing Date set forth in the Notice of Closing, the Sponsor elects not to cancel the Purchase Agreement or if the Sponsor approves the Purchaser's request to adjourn the Purchaser's Closing to his apartment, interest shall accrue on the unpaid amount of the purchase price from the Closing Date until such amount is paid. The interest rate shall be ten percent (10%) per annum. This rate shall be in effect for as long as there is any unpaid amount owing towards the full purchase price.

13. APPORTIONMENT OF CHARGES. At the Closing, the parties shall apportion, as of the day preceding the date of actual closing, the Common Charges, real estate taxes and other charges under the By-Laws, utility charges (if any) due to the Condominium and the use and occupancy charge, if any, to the Apartment. Assessments will not be apportioned and will be payable by the party who is the owner of the Unit when the same became due and payable. A letter from the Condominium or its Managing Agent as to status of Common Charges, utility or other charges shall be sufficient for purposes of determining the adjustments as herein described.

In the event a mortgage recording tax credit becomes available pursuant to Section 339-ee(2) of the New York Condominium Act, it is specifically understood that such credit will inure to the benefit of the Sponsor. Accordingly, on the Closing Date, I will pay the full amount (but not in excess thereof) of the mortgage recording tax chargeable on the entire amount financed, if any. The Sponsor will be reimbursed to the extent of any mortgage tax credit allowed.

I have had at least three days to read and review the Offering Plan and all amendments and have had the opportunity to examine all the documents filed as Exhibits, volume A, B and C to the Plan. This Agreement is not assignable by me without prior written consent of the Seller and shall bind and apply to the parties hereto and their personal legal representatives, successors and assigns and may not be amended, changed or discharged orally.

16. CONFLICTS WITH THE PLAN. Conflicts between this Agreement and the Plan shall be resolved in favor of the Plan.

17. CONDITIONS FOR BINDING AGREEMENT. This Agreement shall not be binding on me or on the Seller until a fully executed copy thereof shall have been delivered to me. If this Agreement shall not be accepted within twenty (20) days of the date hereof by the delivery to me of such endorsed and fully signed copy, this Purchase Agreement shall be deemed to be rejected and canceled and my deposit shall be promptly refunded to me.

18. CONDITIONS FOR CLOSING. It is a condition of this closing that:

(a) There shall be no claims or liens against the Unit at the time of the Closing, except for Permitted Encumbrances as described in the Plan; and
(b) The Seller has full right and authority to sell and transfer the Units.

19. WHEN TITLE PASSES. I shall acquire no right, title or interest in the aforesaid Unit until (i) the entire Cash Purchase Price has been paid in accordance with the terms hereof, and (ii) I have otherwise performed, observed and complied with the terms and conditions of this Agreement.

At the Closing of Title the Seller shall deliver to me a bargain and sale deed, with covenants against the grantor's acts, conveying the Unit to me such deed to be in the form contained in Part II of the Plan, executed and acknowledged by the Seller in form for recording.

for my own account and that Sponsor will have no interest, direct or indirect, in the Unit being purchased hereunder.

21. BONA FIDE PURCHASER. I certify that I have agreed in good faith to purchase the above-described Apartment with no discriminatory re-purchase Agreement or other discriminatory inducement.

22. AGREEMENT SUBJECT TO MORTGAGES. I agree that all terms and provisions of this Agreement are and shall be subject and subordinate to the lien of any building loan mortgage or development loan mortgage heretofore or hereafter made and any advances heretofore or hereafter made thereon and any payments or expenses already made or incurred or which may hereafter be made or incurred, pursuant to the terms thereof, incidental thereto, or to protect the security thereof, to the full extent hereof without the execution of any further legal documents by me. The subordination shall apply whether such advances are voluntary or involuntary and whether made in accordance with the building loan schedule of payments or accelerated thereunder by virtue of lender's right to make advances before they become due in accordance with the schedule of payments. Notwithstanding anything to the contrary contained in this paragraph, however, on the Closing Date the only mortgage to which the Unit will be subject will be the mortgage(s) obtained by me.

23. MORTGAGE FINANCING. This Contract will be conditional on Purchaser obtaining such loan in an amount not less than $ from an institutional lender. Purchaser shall apply for said loan within five (5) business days after receipt of a fully executed copy of this Contract, and shall have forty (40) days from the signing of said Contract to obtain said mortgage commitment. Purchaser agrees to accept any commitment offered by the aforementioned lending institution provided same is in at least the amount set forth above, and the purchaser has reasonably determined he/she can satisfy the conditions set forth therein. In the event Purchaser fails to obtain such commitment within forty (40) days from the date of execution of the Contract, either party may cancel this Purchase Agreement on five (5) days written notice to the other party, whereupon this Purchase Agreement shall become null and void, and the down payment shall be returned to the Purchaser. **IN THE EVENT THAT SPONSOR'S ATTORNEY DOES NOT RECEIVE SUCH NOTICE OF FAILURE TO OBTAIN FINANCING WITHIN FIVE DAYS AFTER EXPIRATION OF THE FORTY-DAY-PERIOD SET FORTH ABOVE (OR ANY EXPIRATION THEREOF), PURCHASER SHALL BE REQUIRED TO CLOSE WHETHER OR NOT PURCHASER RECEIVES FINANCING.**

24. AMENDMENTS. After acceptance of my Purchase Agreement and so long as I am not in default hereunder, there shall be no change in the amount of the Cash Purchase Price, size or layout of

the apartment I intend to purchase, without my written consent first being obtained. If there is a material change in the size or quality of common areas, I shall be given written notice thereof by certified mail, return receipt requested, and I shall have fifteen (15) days therefrom to rescind my Purchase Agreement and obtain return of my Down Payment by so notifying the Sponsor or Selling Agent in writing by certified mail, return receipt requested. Notice of an amendment may also be given by overnight delivery service, or fax, and regular mail, and shall be deemed made when received, or when delivery is attempted. Notice of an amendment hereunder may be made by delivering a copy thereof and notice of its acceptance for filing to the attorney for the purchaser rather than directly to the purchaser in the form or manner set forth above. Notice of an amendment may also be given by overnight delivery service, or fax, and regular mail, and shall be deemed made when received, or when delivery is attempted. Notice of an amendment hereunder may be made by delivering a copy thereof and notice of its acceptance for filing to the attorney for the purchaser rather than directly to the purchaser in the form or manner set forth above.

25. CAPTIONS. The captions used herein are inserted only as a matter of convenience and for reference and in no way define, limit or described the scope of this Purchase Agreement or the intent of any provision hereof.

26. RECORDING OF DEED AND POWER OF ATTORNEY. At the Closing of Title, I will deliver the executed deed received from Seller and an executed and acknowledged power of attorney to the representative of the title company, if any, or to Seller for recording in the Office of the Register of the City of New York, County of Kings. Such deed and power of attorney will be in the form set forth in the Plan.

27. RISK OF LOSS. Risk of loss from fire or other casualty remains with the Sponsor until title has passed unless and until the purchaser is given the right of possession of that unit pursuant to a written agreement with the Sponsor. The Sponsor will notify a purchaser whether or not it (the Sponsor) will repair any damage resulting from a casualty prior to the closing of a unit within 15 days of said casualty. In the case of an interim lessee, if the Sponsor is not obligated to repair any such damage, the Sponsor will make insurance proceeds available to the interim lessee purchaser, subject to the rights of the condominium Board.

28. SURVIVAL. The Closing of Title to the Unit and the delivery and the delivery of the deed thereto shall be deemed full compliance by the Seller with each and every term of this Purchase Agreement, except as to any item specifically listed and excepted therefrom.

29. EXECUTION OF FORMS. It shall be a conditions of this contract that I shall execute and deliver to the Sponsor's attorney all forms and papers required by the State of New York and City of New York in connection with the purchase of the Unit including but not limited to the "RPT" form and gains tax transferee form.

30. LAWS. The laws of the State of New York shall govern this transaction.

31. PURCHASER'S REMEDIES. In the event that the Sponsor shall for any reason (except for willful default) be unable to convey and deliver the apartment in accordance with terms of the Purchase Agreement, (except for any failure to perform any obligation imposed by applicable statute or regulation, or a failure to perform Sponsor's obligations under the Offering Plan) the sole remedy of the Purchaser shall be to rescind the Purchase Agreement and be refunded the entire downpayment with interest plus the cost of title searches, if any.

Any conflict between the plan and the Purchase Agreement shall be resolved according to the terms of the plan.

Nothing contained in the Purchase Agreement or the Plan shall be construed to waive a Purchaser's right to abrogate Sponsor's obligations under Article 23-A of the GBL.

32. APPLIANCES AND EQUIPMENT. The Unit is being sold unfurnished, without window blinds or shades and will contain only the appliances and equipment described above and in the Plan. Furniture, wall coverings, furnishings, decorations and the like in or about any model Unit are for display purposes only and are not included in this sale. Residential Units will be offered with surface treatments as are specified in the DESCRIPTION OF PROPERTY AND BUILDING CONDITION set for the in the Offering Plan. Purchaser will be responsible for any repainting and touch-ups necessitated from moving in. Any floor plans or sketches shown to Purchaser (including those contained in the Plan) are only approximations of the Units dimensions and arrangement, and Purchaser should not rely thereon. Sponsor shall not be liable for minor variations from any floor plans or sketches.

B. There will be no modifications or extras unless agreed to in writing by the parties. All modifications and alterations must be approved by Sponsor in writing and, if approved, shall be performed by Sponsor at Purchaser's expenses (payable in the manner to be set forth in addendum to this Agreement or separate agreement).

33. CONSTRUCTION

A. The construction of the building and the Unit, including the materials, equipment and fixtures to be installed therein, shall be substantially in accordance with the Plan and the architectural "plans and specifications" (defined in the Plan), subject to the right reserved by Sponsor to modify and amend the Plan and the "plans and specifications" in order to substitute materials, equipment or fixtures of equal or better quality and design, provided only the approval of any governmental authorities having jurisdiction thereover and the construction lender are first obtained (if required). The issuance of a Certificate of Occupancy for the Building shall be deemed presumptive evidence that the Building and the Unit have been fully completed in accordance with the Plan and the "plans and specifications". However, nothing herein contained shall excuse Sponsor from its obligations to correct any defects in construction in accordance with the conditions set forth in the Plan in the section entitled "RIGHTS AND OBLIGATIONS OF THE SPONSOR."

B. The construction of the Building and the Unit and the correction of any defects in construction to the extent required under the Plan are the sole responsibility of the Sponsor. Purchaser acknowledges and agrees that Sponsor will not-be liable for, and will have no obligation to correct, certain variations from the Plan and "plans and specifications" as indicated in the Plan in "RIGHTS AND OBLIGATIONS OF THE SPONSOR," and will only be responsible to correct any construction defects to the extent, and on the terms and conditions, set forth in said section.

34. INSPECTION OF UNIT. At least ten (10) days before the Balance is to be paid, the Selling Agent shall notify the Purchaser that the Unit is ready for inspection. Upon receipt of the notice, Purchaser shall promptly arrange an appointment with the Selling Agent to inspect the Unit before the lapse of such ten (10) day period. Purchaser or his duly authorized agent shall attend such inspection and shall complete, date and sign the Inspection Statement (in the form set forth as Exhibit A to this Agreement) and deliver same to the Selling Agent at the conclusion of the inspection. Failure of Purchaser either to arrange such appointment or to inspect the Unit within ten (10) days of receipt of said notice or to so sign and deliver the completed inspection Statement, shall not excuse Purchaser from paying the Balance when due and shall constitute Purchaser's full acceptance of the Unit. However, nothing herein shall relieve Sponsor of its obligations as set forth in the "RIGHTS AND OBLIGATIONS OF THE SPONSOR."

35. NOTICES. All notices, elections, consents, demands and communications (collectively called "notices" or individually called "notice") shall be delivered personally or given in writing by registered or certified mail, return receipt requested, postage

prepaid, and, if sent to Purchaser, addressed to Purchaser at Purchaser's address given in the preamble to this Agreement and, if sent to Sponsor, addressed to the Sponsor's Attorney as indicated in this Plan. Either party may, by written notice to the other, change the address to which notices are to be sent. Unless otherwise provided herein, all notices shall be deemed given when personal delivery is effected or when deposited in any branch station or depository maintained by the U.S. Postal service in the City and State of New York, except that a notice of change of address shall be deemed given when actually received. Notice may also be given by overnight delivery service or fax and regular mail, and shall be deemed effective when received or when delivery is attempted. Any notice required to be given hereunder may be given to the attorney of the respective parties.

36. BROKER. Purchaser represents to Sponsor that the Selling Agent is the only broker or sales agent with who Purchaser has dealt in connection with this transaction. Sponsor agrees to pay the commission due the Selling Agent pursuant to separate agreement. Purchaser agrees that should any claim be made against Sponsor for commissions by any broker, other than Selling Agent, on account of any acts of Purchaser or of Purchaser's representatives, Purchaser will indemnify and hold Sponsor free and harmless from any and all liabilities and expenses in connection therewith, including (without limitation) reasonable legal fees and disbursements. The provisions of this Paragraph 26 shall survive the Closing.

37. ASSIGNMENT AND RECORDATION. This contract may not be assigned or recorded, and any proposed assignment or recordation without express written permission of the Seller shall be deemed a default hereunder entitling Seller to cancel the contract and retain all sums deposited pursuant hereto. Sponsor at Sponsor's option may allow Purchaser to assign a contract; in the event of such assignment Purchaser shall pay an assignment fee of $1,500.00.

38. NO LIEN. No lien or encumbrances shall arise against the Property or the Unit as a result of this Agreement or any monies deposited hereunder. This Agreement shall not be recorded and any purported recordation hereof by Purchaser shall constitute an Event of Default.

39. INVALIDITY. Invalidity or unenforceability of any portion or portions of this Agreement shall not affect the validity or enforceability of the other portions, which shall all be deemed valid and enforceable to the fullest extent of the law.

40. STRICT COMPLIANCE. Any failure by Sponsor to insist upon strict performance by Purchaser of any of the provisions of this Agreement shall not be deemed a waiver of any of the

provisions hereof, irrespective of the number of violations or breaches which may occur, and Sponsor, notwithstanding any failure, shall have the right thereafter to insist upon strict performance by Purchaser of any and all of the provisions of this Agreement to be performed by Purchaser.

5. Except as otherwise provided in section seven hundred-seven-b of this article, any provision of a contract or agreement for the sale of a new home which excludes or modifies a housing merchant implied warranty shall be void as contrary to public policy.

6. Except as otherwise provided in section seven hundred seventy-seven-b of this article, other implied warranties may arise from the terms of the contract or agreement from course of dealing or usage of trade.

is offered a listed warranty in accordance with the provisions of this subdivision.

b. A copy of the express terms of the limited warranty shall be included in, or annexed to and incorporated in, the contract or agreement.
c. The language of the contract or agreement for sale of the home must conspicuously mention the housing merchant implied warranty and provide that the limited warranty, excludes or modifies the implied warranty. Language to exclude all implied warranties is sufficient if it states, for example, that "There are no warranties which extend beyond the face hereof".
d. The limited warranty shall meet or exceed the standard provided in subdivision four and five of this section.

4. A limited warranty sufficient to exclude merchant implied warranty must be written in plain English and must clearly disclose:

ii. any exception, exclusion or standard that fails to ensure that the home is habitable, by permitting conditions to exist which render the home unsafe, shall be void as contrary to public policy.

f. what the builder and any other warrantor will do when a defect covered by the warranty does arise, and the time within which the builder and any other warrantor will act;

i. any limitations on or exclusions of consequential or incidental damages, and any limitations on the builder's and other warrantor's total liability, conspicuously expressed on the first page of the warranty. Notwithstanding the foregoing, a limited warranty shall not be construed to permit any limitation on or exclusion of property damage to the home proximately caused by a breach of the limited warranty, where the court finds that such limitation or exclusion would cause the limited to fail of its essential purpose, except that such property damage may be limited by an express limitation on the builder's or other warrantor's total liability in accordance with the provisions of this paragraph.

5. a. This article shall not be construed to authorize or validate any covenant, promise, agreement or understanding which is void and unenforceable under section 5-322.1 of the general obligations law.

b. This article shall pre-empt any local law inconsistent with the provision of this article. This article shall not pre-empt any builder subject to its provisions from complying with any local law with respect to the regulation of home builders except as expressly provided herein.

Notwithstanding the foregoing, the Declarant may, without the permission of the Board of Managers, retain ownership of one or more Units for use as rental units, models, sales and/or offices, in connection with the sale or rental of the Units. Any Non-Residential Unit may be used for any purpose allowed by the Certificate of Occupancy or applicable zoning.

10. Any utility company or public benefit corporation furnishing services to the Property, and the employees and agents of any such company or corporation, shall have the right to access of any Unit, to the Common Elements or the Limited Common Elements in furtherance of such easements, provided such right to access is exercised in such a manner as not unreasonably to interfere with the use of the Units.

15. CHANGES IN UNSOLD UNITS: For any Unit owned by the Declarant or its designee(s), if not prohibited by the New York Condominium Act (as the same may be amended), the Declarant or its designee(s) shall have the right, without the vote or consent of the Board of Managers, other Unit Owners or the holders of Unit Mortgages, to (i) make alterations, additions, or improvements in, to and upon the Unit; (ii) change the layout or number of rooms in the Unit; (iii) change in and size and/or number of such Units by subdividing a Unit, combining separate Units (including those resulting from any subdivision or otherwise) into one or more Units, altering the boundary walls between any Unit or otherwise; and (iv) reapportion among such Units affected by such change in size or number, subdivision, combination or alteration, appurtenant interests in the Common Elements; provided, however, that the Declarant or its designee(s) shall comply with all rules, ordinances and regulations of all governmental authorities having jurisdiction and shall agree to hold the Board of Managers and all other Unit Owners harmless from any liability arising therefrom. In the event the Declarant or its designee, exercising its rights pursuant to this Article so requires, the Board of Managers shall promptly amend the Declaration at the expense of the Declarant or its designee, to reflect any such alteration, addition, improvements, changes or reapportionments and shall record such amendment in the Office of the Register of Kings County.

Sponsor may reallocate portions of the common areas of the subject premises to individual units as limited common elements, or may retain (and sell, transfer, or assign) the right to utilize certain specific portions of the common area of the premises pursuant to a license agreement. This will not apply to areas specifically designated to common use, such as laundry rooms, recreation rooms, gymnasiums, etc., nor may this right be utilized so as to reallocate a portion of the building necessary for ingress or egress to a unit to any unit other than such unit.

Unit Owners in the Condominium hold title to their respective Units subject to the benefits, rights, privileges, easements, burdens, covenants, and restrictions as described herein, in the By-Laws of the Condominium and any agreement of record recorded prior or subsequent to this Declaration.

16. INVALIDITY:

a) If any provision of this Declaration or of the By-Laws is invalid under, or would cause this Declaration or the By-Laws to be insufficient to submit the Property to, the provisions of the Condominium Act, such provision shall be deemed deleted from this Declaration or the By-Laws, as the case may be, for the purpose of submitting the Property to the provisions of the Condominium Act, but shall nevertheless be valid and binding upon, and shall inure to the benefit of, the owners of the Property and their heirs, executors, administrators, legal representatives, successors and assigns, as covenants running with the Land and with every part thereof and interest therein under other applicable law with the same force and effect as if, immediately after the recording of this Declaration or the By-Laws, all Unit Owners had signed and recorded an instrument agreeing to each such provision as a covenant running with the Land. If any provision that is necessary to cause this Declaration or the By-Laws to be sufficient to submit the Property to the provisions of the Condominium Act is missing from this Declaration or the By-Laws, then such provision shall be deemed included;

(b) Subject to the terms of Paragraph "a" above, if this Declaration or the By-Laws are insufficient to submit the Property

to the provisions of the Condominium Act, this Declaration and By-Laws shall nevertheless be valid and binding upon, and shall inure to the benefit of, the owners of the Property and their heirs, executors, administrators, legal representatives, successors and assigns, as covenants running with the Land and with every part thereof and interest therein under other applicable law to the extent permitted under such applicable law with the same force and effect as if, immediately after the recording of this Declaration and the By-Laws, all Unit Owners had signed and recorded an instrument agreeing to each such provisions as a covenant running with the Land.

17. DEVELOPMENT RIGHTS: In the event any rezoning of the property subsequent to the acceptance for filing of this Offering Plan creates development rights beyond those utilized to erect the structure contemplated by this Offering Plan, or, in the event a subsequent audit discloses the existence of unused development rights, then Sponsor shall retain the right to such development rights, and may sell, transfer, or assign such development rights without restriction.

18. TERMINATION OF CONDOMINIUM: The Condominium may be terminated by casualty loss, condemnation or eminent domain, in accordance with the provisions of the By-Laws, or by withdrawing the Property from the provisions of the New York Condominium Act if authorized by an affirmative vote of Unit Owners who own not less than eighty (80%) percent in Common Interest of the Units. The Declarant or its designees will not vote its interests appurtenant to any Unsold Units for such withdrawal unless at least eighty (80%) percent in Common Interest of all other Unit Owners have elected for such withdrawal, in which event the Declarant may choose to vote in favor of or against such withdrawal. In the event said withdrawal is authorized as aforesaid, the Property shall be subject to an action for partition by any Unit Owner or lienor as if owned in common, in which event the net proceeds of sale shall be divided among all the Unit Owners in proportion to their respective Common Interests, provided however, that no payment shall be made to a Unit Owner until all lienors have first been paid off out of his share of such proceeds.

19. COMMON EXPENSE: Common Expenses of the Condominium mean and include all expenses of operation of the Property and all sums designated Common Expenses by or pursuant to the provisions of Article 9-B of the Real Property Law of the State of New York, the Declaration or the By-Laws. Common expenses shall be charged to unit owners according to their respective common interests, except that such expenses may be specially allocated and apportioned by the Board of Managers in a manner different from common profits and expenses for one (1) or more non-residential units. Additionally, common expenses may be specially allocated and apportioned to

residential or non-residential units, or a combination thereof, based on special or exclusive use or availability, or exclusive control, of particular units or common areas by particular unit owners.

20. DEFINITION OF "DECLARANT-DESIGNEE": The term "Declarant-Designee" as used in this Declaration shall mean any person or entity designated by the Declarant to acquire title to a Unit, other than a good faith Purchaser for value purchasing pursuant to a validly executed Purchase Agreement. A "Declarant-Designee" shall have the right to designate a person or entity to succeed to its rights and any such designee shall also be deemed a "Declarant-Designee."

21. WAIVER: No provision contained in this Declaration shall be deemed to have been abrogated or waived by reason of any failure to enforce the same, irrespective of the number of violations or breaches which may occur.

22. CAPTIONS: The captions herein are inserted only as a matter of convenience and for reference, and in no way define, limit or describe the scope of this Declaration nor the intent of any provision thereof.

23. GENDER: The use of the masculine gender in this Declaration shall be deemed to refer to the plural, and vice versa, whenever the context so requires.

24. MORTGAGEES RIGHTS:

a) Notwithstanding anything to the contrary set forth in any other portion of this Declaration, amendments of a material adverse nature to the interest of the mortgagees must be agreed to by mortgagees holding mortgages on units entitled to cast at least 51.00% of the votes of the Condominium allocated to all units which are subject to mortgages;

In the event notice of either of the foregoing is delivered to any mortgagee; and in the further event such mortgagee fails to submit a written response to such written notice within sixty (60) days after it receives such notice (and further provided that such notice was delivered by registered or certified mail with a return receipt requested); then in such case such mortgagee will be deemed to have consented to the notice to action.

Section 4. President: The President shall be the chief executive officer of the Condominium. He shall preside at all meetings of the Unit Owners and of the Board of Managers. He shall have all of the general powers and duties which are incident to the office of president of a stock corporation organized under the Business Corporation Law of the State of New York, including but not limited to the power to appoint committees from among the Unit Owners from time to time as he may in his discretion decide is appropriate to assist in the conduct of the affairs of the Condominium.

Section 5. Vice-President: The Vice-President shall take the place of the President and perform his duties whenever the President shall be absent or unable to act. If neither the President nor the Vice-President is able to act, the Board of Managers shall appoint some other member of the Board of Managers to act in the place of the President, on an interim basis. The Vice-President shall also perform such other duties as shall from time to time be imposed upon him by the Board of Managers or by the President.

Section 6. Secretary: The Secretary shall keep the minutes of all meetings of the Unit Owners and of the Board of Managers; he shall have charge of such books and papers as the Board of Managers may direct; and he shall in general perform all the duties incident to the office of secretary of a stock corporation organized under the Business Corporation Law of the State of New York.

Section 7. Treasurer: The Treasurer shall have the responsibility for Condominium funds and securities and shall be responsible for keeping full and accurate financial records and books of account showing all receipts and disbursements and for the preparation of all required financial data. Section 9. Liability of Officers: No officer shall be liable to the Unit Owners for any mistake of judgment, negligence, or

otherwise, except for willful misconduct or bad faith. The Unit Owners shall severally indemnify each officer against any liability or claims except those arising out of the bad faith or willful misconduct of an officer. It is intended that each officer shall have no personal liability with respect to any contract made by him on behalf of the Condominium. It is and shall be permissible for each officer who is appointed by the original Board of Managers (designees of the Sponsor), to contract with the Sponsor and affiliated corporations without fear of being charged with self-dealing. It is also intended that the liability of any Unit Owner arising out of any contract made by an officer or out of the aforesaid indemnity in favor of each officer shall be limited to such proportion of the total liability thereunder as his interest in the Common Elements bears to the aggregate interest in the Common Elements of all the Unit Owners. Every agreement made by an officer on behalf of the Condominium shall provide that each officer is acting only as agent for the Unit Owners and shall have no personal liability thereunder (except as Unit Owners, except for willful misconduct or bad faith), and that each Unit Owner's liability thereunder shall be limited to such proportion of the total liability thereunder as his interest in the Common Elements bears to the aggregate interest in the Common Elements of all Unit Owners.

ARTICLE IV

Managers

Section 1. Number: The number of Managers of the Corporation shall not be less than three (3) nor more than seven (7), as may from time to time be herein provided and, in the absence of such provision shall be three (3). Commencing with the first election of Managers by Unit Owners of the Condominium, and until changed by amendment of this By-Law provision, and hereinafter provided, the number of Managers shall be three (3). The number of Managers shall not be decreased to a number less than the number of Managers then in office except at any Annual Meeting of Unit Owners. However, during the period the Sponsor, its Successor Offeror(s) or Designees(s) continue to own 50% or more of the Condominium the number of Managers shall remain fixed at three (3).

Section 2. Powers and Duties: The Board of Managers shall have the powers and duties necessary for the administration of the affairs of the Condominium, as agent of all Unit Owners. The Board shall further have the right to employ a manager or managing agent or both, and may delegate any or all of the powers conferred by this section to such managing agent. Persons employed in the operation of the property may be designated or removed by a

majority vote of the Board of Managers, or without vote by the managing agent or manager, if such a person is employed by the Board.

Section 3. Nomination and Election: The Managers shall be elected for a term of one year at the Annual Meeting of Unit Owners or at a Special Meeting called for that purpose as provided by law. Each Condominium Unit shall be entitled to cast one vote for each .01% of Common Interest allocated to such unit, for each manager position to be filled. Such votes may be cast for one manager or divided among all three positions in such amounts as the unit owners shall deem appropriate. Their term of office shall be until their respective successors are elected and qualify.

Section 4. Quorum: A majority of the Managers then authorized by these By-Laws shall constitute a quorum.

Section 5. Vacancies: Vacancies in the Board of Managers resulting from death, resignation or otherwise may be filled without notice to any of the Unit Owners by a vote of a majority of the remaining Managers present at the meeting at which such election is held for that purpose promptly after the occurrence of any such vacancy even though no quorum is present. Each person so elected shall be a member of the Board of Managers until a successor shall be elected at the next annual meeting of Unit Owners to serve the remaining term. In the event of the failure to hold any election of Managers at the time designated for the annual election of Managers or in the event that the Board of Managers shall not have filled any such vacancy, a Special Meeting of Unit Owners shall be called to elect a new Board of Managers. Any vacancy created by amendment of these By-Laws shall be filled in the manner provided in the resolution adopting such amendment. In case of a reduction of the authorized number of Managers by amendment of these By-Laws, the Manager, if any, whose term of office shall cease, shall be determined in the manner provided in the resolution adopting such amendment.

If the Sponsor appoints a Board member and such appointee vacates during a time period when Sponsor no longer has the right to appoint a member, then the Sponsor will not have the right to appoint the replacement.

Section 6. Meetings: The Board of Managers shall meet immediately after the Annual Meeting of Unit Owners without notice and also whenever called together by any Manager of the Condominium or upon the written request of any three Managers then holding office, upon notice given to each Manager, by delivering personally, mailing or telegraphing the same to him at least two days prior to such meeting at the last address furnished by him to the Condominium. Regular meetings may be held without notice at

such times and places as the Board of Managers may determine. Any meeting of the Board at which all the Managers shall be present, or of which notice shall be duly waived by all absentees, either before or after the holding of such meeting, shall be valid for all purposes provided a quorum be present. Meetings of Managers may be held either at the principal office of the Condominium or elsewhere within the State of New York as provided in the notice calling the meeting, unless the Board of Managers by resolution adopt some further limitation in regard thereto. At all meetings of the Board of Managers, each Manager shall be entitled to one vote. The vote of a majority of the Board of Managers present at the time of a vote of a duly constituted meeting shall be the act of the Board of Managers.

Section 7. Resignation and Removal: Any Manager may resign at any time by written notice delivered in person or sent by certified registered mail to the President or Secretary of the Condominium. Such resignation shall take effect at the time specified therein, and unless specifically requested acceptance of such resignation shall not be necessary to make it effective. Any Manager may be removed from office at any time with or without cause upon the affirmative vote of the Unit Owners whose aggregate vote is at least 51% of the votes of the Condominium at a Unit Owners' meeting duly called for that purpose; provided, however, that the Manager(s) elected by the Holders of "Unsold Units" can be removed only for cause by a vote of a majority of the Unit Owners or without cause by the Holders of Unsold Units.

Section 8. Annual Cash Requirements: The Board of Managers shall, from time to time determine the cash requirements as defined in the Condominium's By-Laws, and fix the terms and manner of payment of Common Charges as more specifically set forth in Article VI. The Board of Manager shall have discretionary power to prescribe the manner of maintaining and operating the Building, to be paid as aforesaid by the Unit Owners. Every such determination by the Board of Managers shall be final and conclusive as to all Unit Owners and any expenditures made by the Condominium's officers or its agent under authority of, or with the approval of, the Board of Managers of the Condominium shall, as against the Unit Owners, be deemed necessarily and properly made for such purpose. Until the earlier of (i) the fifth anniversary of the First Closing or (ii) such time as the Holders of Unsold Units hold less than 50% of the outstanding votes of the Residential Units, the Board of Managers of the Condominium will not take any of the following actions unless Unit Owners owning at least 51% of the votes of Residential Units of the Condominium approve in writing or by vote, in person or by proxy, at a duly constituted meeting called for such purpose:

a) Increase the number or change the type of employees from that described in the FOOTNOTES TO SCHEDULE B of the Offering Plan;

b) Provide for new or additional services from those indicated in the FOOTNOTES TO SCHEDULE B, unless the annual cost of such new or additional services, when added to the annual cost of all other services, being provided, is no greater than that provided in said notes;

c) Establish any reserve other than the Reserve and/or Working Capital Funds set forth in the Offering Plan.

Until the earlier of five years from the date of closing, or at the time at which the Sponsor or other Holder of Unsold Units owns units consisting of less than 25% of the common interest of the Condominium, the Sponsor may exercise veto power over any expenses other than those described in SCHEDULE B, or which are required to comply with applicable laws or regulations; remedy any notice of a violation; or remedy any work order from an insurer. Additionally, so long as the Sponsor retains ownership of at least one unit in the building, the By-Laws, Declaration, and Rules and Regulations of the Condominium, may not be amended or modified in any way so as to adversely affect the Sponsor without written consent by the Sponsor.

Section 9. Rules and Regulations: The Board of Managers may from time to time adopt and amend such rules and regulations as it may deem necessary in respect to the Building of the Condominium for the health, safety and convenience of the Unit Owners. Copies thereof and of changes therein shall be furnished to each Unit Owner.

Section 10. Compensation: No Member of the Board of Managers shall receive any compensation from the Condominium for acting as such.

Section 11. Liability of the Board of Managers: The Members of the Board of Managers shall not be liable to the Unit Owners for any mistake of judgment, negligence, or otherwise, except for their own individual willful misconduct or bad faith. The Unit Owners shall indemnify and hold harmless each of the members of the Board of Managers against all contractual liability to others arising out of contracts made by the Board of Managers on behalf of the Condominium unless any such contract shall have been made in bad faith or contrary to the provisions of the Declaration or of these By-Laws. It is intended that the members of the Board of Managers shall have no personal liability with respect to any contract made by them on behalf of the Condominium within the scope of their authority. It is understood and permissible for the original Board of Managers, who are designated by the Sponsor, to contract with the Sponsor and affiliated corporations without fear of being

charged with self-dealing. It is also intended that the liability of any Unit Owner arising out of any contract made by the Board of Managers shall be limited to such proportion of the total liability thereunder as his interest in the Common Elements bears to the interest of all the Unit Owners in the Common Elements, and, except as prohibited by law, the Unit Owner's interest in the Unit. Every agreement made by the Board of Managers, or the Managing Agent, or the Manager, on behalf of the Condominium shall provide that the members of the Board of Managers, or the Managing Agent, or the Manager as the case may be, are acting only as agent for the Unit Owners in the Common Elements. Every agreement made by the Board of Managers or by the Managing Agent or by the Manager on behalf of the Condominium shall provide that the members of the Board of Managers, or the Managing Agent, or the Manager, as the case may be, are acting only as agent for the Unit Owners and shall have no personal liability thereunder (except as Unit Owners), and that each Unit Owner's liability thereunder shall be limited to such proportion of the total liability thereunder as his interest in the Common Elements bears to the interest of all Unit Owners in the Common Elements, and, except as prohibited by law, the Unit Owner's interest in the Unit.

ARTICLE V

NOTICES

Section 1. Definitions: Whenever under the provisions of the Declaration or of these By-Laws, notice is required to be given to the Board of Managers, any Manager, Unit Owner or mortgagee, it shall not be construed to mean personal notice; but such notice may be given in writing, by mail, by depositing the same in a post office or letter box, in a postpaid sealed wrapper, addressed to the Board of Managers, such Managers or Unit Owner or mortgagee in such address as appears on the books of the Condominium.

Sections 2. ARTICLE VI

OPERATION OF THE PROPERTY

Section 1. Determination of Common Expenses and Fixing of Common Charges: The Board of Managers shall from time to time, and at

least annually, prepare a budget for the operation of the Condominium, determine the amount of the Common Charges payable by the Unit Owners to meet the Common Expenses, and allocate and assess such Common Charges and Expenses among the Unit Owners in proportion to their respective Common Interests; except that such expenses may be specifically allocated and apportioned by the Board of Managers in a manner different from common interest to one (1) or more non-residential units; or in the case of either residential or non-residential units or any combination thereof, such expenses may be specially allocated and apportioned based on special or exclusive use or availability, or exclusive control, of particular units or common areas by particular unit owners. The Common Expenses shall include, among other things, the cost of all insurance premiums on all policies of insurance required to be or which have been obtained by the Board of Managers pursuant to the provisions of these By-Laws and the fees and disbursements of the Insurance Trustee. The Common Expenses may also include such amount as the Board of Managers may deem proper for the operation and maintenance of the Common Elements including, without limitation, an amount for working capital of the Condominium, for a general operating reserve, for a reserve fund for replacements, and to make up any deficit in the common expenses for any prior year. The Common Expenses may also include such amounts as may be required for the purchase or lease of any Unit whose Owner has elected to sell or lease such Unit, or any Unit which is to be sold at a foreclosure or other judicial sale. The Board of Managers shall advise all Unit Owners promptly, in writing, of the amount of Common Charges and Expenses payable by each of them, respectively, as determined by the Board of Managers, as aforesaid, and shall furnish copies of each budget on which such Common Charges and Expenses are based, to all Unit Owners. Any dispute relating to the expenses to be borne by the Unit Owners shall be submitted to arbitration in accordance with these By-Laws.

Until such time as units are separately assessed for New York City real estate tax purposes, real estate taxes shall be deemed part of the common expenses of the building, and individual unit owners will be assessed their proportionate share thereof. After assessment, unit owners will be reimbursed for any overpayment of taxes or assessed for any underpayment.

The Sponsor or Sponsor-designee shall be responsible for the Common Charges assessed against a Unit owned by it from the date of the First Unit Closing until such Unit is sold to a bona fide purchaser.

Section 2. Insurance: The Board of Managers shall be required to obtain and maintain, to the extent obtainable, the following insurance: (1) fire insurance with extended coverage, vandalism and malicious mischief endorsements, insuring the Buildings containing

the Units (including all of the Units and the fixtures initially installed therein by the Sponsor or by prior construction and any other property usual to the servicing and general occupancy, but not including furniture, furnishings, or other personal property supplied or installed by Unit Owners) together with all service machinery and equipment contained therein and covering the interests of the Condominium, the Board of Managers and all Unit Owners and their mortgagees with certificates of insurance, as their interests may appear, in an amount to be determined by the Board of Managers. In the event this building includes a commercial unit, the Board of Managers shall annually obtain from the insurance broker a letter stating the extent to which the cost of insurance for the condominium, on account of the usage of the commercial unit, exceeds the cost which would otherwise have been obtained if no commercial unit were present; and this cost shall be borne by the commercial unit owner. A copy of the letter shall be delivered to the commercial unit owner within ten (10) days after receipt thereof, and the commercial unit owner shall be obligated to pay the amount assessed therein within fifteen (15) days after receipt thereof.

Section 3. Payment of Common Charges: All Unit Owners shall be obligated to pay the Common Charges assessed by the Board of Managers pursuant to the provisions of Section 1 of Article VI at such time or times as the Board of Managers shall determine.

No Unit Owner shall be liable for the payment of any part of the Common Charges assessed against his Unit subsequent to a sale, transfer or other conveyance by him.

Section 4. Collection of Common Charges and Assessments: The Board of Managers shall assess Common Charges against Unit Owners from time to time at least annually and shall take prompt action to collect any Common Charge due from any Unit Owner which remains unpaid for more than thirty (30) days from the due date for payment thereof. The Board of Managers shall also take prompt action to collect any assessment due from any Unit Owner which remains unpaid for more than thirty (30) days from the due date thereof.

Section 5. Default in Payment of Common Charges or Assessments: In the event of default by any Unit Owner in paying to the Board of Managers the Common Charges or any assessment as determined by the Board of Managers, such Unit Owners shall be obligated to pay interest at the highest legal rate on such Common Charges or assessments from the due date thereof, together with all expenses, including attorney's fees, incurred by the Board of Managers in any proceeding brought to collect such unpaid Common Charges or assessments. The Board of Managers shall have the right and duty to attempt to recover such Common Charges or assessments, together with interest thereon, and the expenses of the proceeding,

including attorney's fees, in an action to recover the same brought against such Unit Owner, or by foreclosure of the lien on such Unit granted by Section 339-z of the Real Property Law of the State of New York, in the manner provided in Section 339-aa thereof. A Unit Owner defaulting in payment of Common Charges or assessments shall not be permitted to vote at any regular or special meeting of Unit Owners. During the time that the Sponsor is in control of the Board of Managers, Sponsor will cause the Board of Managers to file a lien as provided for in Section 339-aa of the Real Property Law on units in which the Sponsor is more than 30 days in arrears of common charges.

Section 6. Foreclosure of Liens for Unpaid Common Charges: In any action brought by the Board of Managers to foreclose a lien on a Unit because of unpaid Common Charges, the Unit Owner shall be required to pay a reasonable rental for the use of his Unit and the plaintiff in such foreclosure action shall be entitled the appointment of a receiver to collect the same. The Board of Managers, acting on behalf of all Unit Owners, shall have the power to purchase such Unit at foreclosure sale and to acquire, hold, lease, mortgage (but not to vote the votes appurtenant to), convey, or otherwise deal with same. A suit to recover a money judgment for unpaid Common Charges shall be maintainable without foreclosing or waiving the lien securing the same. The proceeds from the sale of any Unit pursuant to this Section shall be used first to pay the unpaid Common Charges and/or assessments, plus reasonable attorney's fees and administrative costs and any other lawful liens on the defaulting Unit. Amounts above this, if any, will be the property of the defaulting Unit Owner. If after the sale of Unit for the nonpayment of Common Charges and/or assessments, the sale does not recover the full amount due and owing, the Board of Managers has the right to assess all the Unit Owners as a Common Expense for the difference between the amount received by the Condominium from the sale of the Unit and the amount owed to the Condominium.

Section 7. Statement of Common Charges and Assessment: The Board of Managers shall promptly provide any Unit Owner so requesting the same in writing, with a written statement of all unpaid Common Charges due from such Unit Owner.

Section 8. Abatement and Enjoinment of Violations by Unit Owners: The violation of any rule or regulation adopted by the Board of Managers, or the breach of any By-Law contained herein, or the breach of any provision of the Declaration, shall give the Board of Managers the right, in addition to any other right set forth in these By-Laws; (a) upon reasonable notice to the Unit Owner, to enter the Unit in which, or as to which, such violation or breach exists and to summarily abate and remove, at the expense of the defaulting Unit Owner, any structure, thing or condition that may

exist therein contrary to the intent and meaning of the provisions hereof (provided, however, that no prior notice shall be required in the event the Board of Managers shall determine that action is immediately necessary for the preservation or safety of the Property of the Condominium or for the safety of residents of the Condominium or other persons or required to avoid the suspension of any necessary service to the Condominium); or (b) to enjoin, abate or remedy by appropriate legal proceedings, either at law or in equity, the continuance of any such breach.

Section 9. Maintenance and Repairs:

a) All maintenance, replacement, or repair to any Unit, ordinary or extraordinary, and to the doors, windows, electrical (except Common Elements), plumbing (except Common Elements) and heating fixtures and air conditioning units within the Unit or belonging to the Unit Owner shall be the responsibility of the unit owner, and the expense thereof shall be the sole responsibility of the unit owner, excepting as otherwise specifically provided herein.

b) All maintenance, repairs and replacements to the General Common Elements as defined in the Declaration, shall be made by the Board of Managers as a Common Expense, excepting to the extent that the same are necessitated by the negligence, misuse or neglect of a Unit Owner, in which case such expense shall be charged to such Unit Owner. Maintenance, repair and replacements in or to the Limited Common Elements as defined in the Declaration will be performed as per the Declaration.

c) Each unit owner shall be solely and only responsible for repair or maintenance of any limited common element appurtenant to his/her unit, including but not limited to painting, cleaning, patching, and surface repair, and, in the case of balconies (if any), structural maintenance.

d) In the event a unit owner fails properly to maintain his/her unit or limited common element, the Board of Managers may take such steps as in its exclusive judgment are necessary to maintain the areas, and the cost thereof shall be assessed against the owner of the condominium unit in question, or the owner of the unit to which such limited common elements are appurtenant.

e) To the extent any damage to a limited common element or unit is caused by a building condition or by another condition for which the condominium carries

insurance, the cost of repair of such damage shall be borne by the condominium.

Section 10. Restrictions on Use of Units: In order to provide for congenial occupancy of the Property and for the protection of the values of the Units, the use of the Property shall be restricted to and shall be in accordance with the following:

a) The Units shall be used for private residences only, except that a Unit Owner may use his Unit for any home occupation use permitted under applicable zoning law and ordinances, building code or other rules and regulations of governmental authorities having jurisdiction. Any Unit may also be used as a professional office by a resident thereof provided such professional use does not violate zoning regulations and provided further that the prior consent of the Board of Managers to such professional use is obtained. Notwithstanding the foregoing, the Sponsor or Sponsor-Designee shall have the right, without charge, (i) to maintain general and sales offices in one or more Units or elsewhere on the Property, to use one or more Units as models and for other promotional purposes and to erect and maintain signs on the Property; (ii) to have its employees, contractors and sales agents present on the Property; (iii) to do all things necessary or appropriate, including the use of the Common Elements, to sell or lease Units and to complete construction of the Building and to comply with its obligations.

b) The Common Elements shall be used only for the furnishing of the services and facilities for which they are reasonably suited and which are incident to the use and occupancy of Units.

c) No nuisances shall be allowed on the Property nor shall any use or practice be allowed which is a source of annoyance to its residents or which interferes with the peaceful possession or proper use of the Property by its residents.

d) No unlawful use shall be made of the Property or any part thereof, and all valid laws, zoning ordinances and regulations of all governmental bodies having jurisdiction thereof shall be observed. Violations of laws, orders, rules, regulations or requirements of any governmental agency having jurisdiction thereof, relating to any portion of the Property, shall be eliminated, by and at the sole expense of the Unit Owners, or the Board of Managers, whichever shall have the obligation to maintain or repair such portion of the Property.

e) No portion of a Unit or other Limited Common Elements appurtenant thereto (other than the entire Unit including the Limited Common Elements appurtenant thereto), may be separately rented.

Section 11. Additions, Alterations or Improvements by Unit Owners: No Unit Owner shall make any structural addition, alteration or improvement in or to his Unit, or which affects the exterior of the Building's Units, without prior written consent thereto of the Board of Managers. The Board of Managers shall have the obligation to answer in writing any written request by a Unit Owner for approval of a proposed structural addition, alteration or improvement in such Unit Owner's Unit, within thirty (30) days after such request, and failure to do so within the stipulated time shall constitute a consent by the Board of Managers to the proposed addition, alteration, or improvement. An application to any department of the City of New York or to any other governmental authority for a permit to make an addition, alteration or improvement in or to any Unit shall be executed by the Board of Managers only, without however, incurring any liability on the part of the Board of Managers or any of them to any contractor, subcontractor, or material man on account of such addition, alteration or improvement, or to any person having any claim for injury to person or damage to property arising therefrom.

In the event the Board of Managers grants its consent, either affirmatively or by its inaction, to any structural addition, alteration or improvement to be made by a Unit Owner, the consent shall provide that any such work shall be at the Unit Owner's sole cost and expense, that work shall be done in accordance with all governmental or quasi-governmental laws, rules, regulations, codes and ordinances, that all work shall be done by reputable contractors with adequate liability, property damage and worker's compensation insurances (certificates for which shall be delivered to the Board of Managers prior to the commencement of construction), that any additions, alterations or improvements, shall be maintained in their entirety by said Unit Owner who shall also be responsible for any repairs, including structural repairs, to such area in any event, and to the Unit and any Common Elements where such repairs become necessary due to additional stresses caused by the structural alteration, addition or improvement, or due to improper design or construction of the structural alteration, addition or improvement, and such approval shall further provide that the Unit Owner shall reimburse the Board of Managers for any out-of-pocket expenses incurred by the Board of Managers in connection with the granting of such approval and in connection with any services provided to such alteration, addition or improvement; such expenses may include, but shall not be limited to, any fees of an attorney and/or fees of an architect consulted

in connection with any request by a Unit Owner for approval of such work.

The provisions of this Section 11 which requires the consent of the Board of Managers in connection with a structural addition, alteration or improvement shall not apply to Units owned by the Sponsor or its designee. All other provisions of this Section 11 shall apply to all Units.

Non-structural alterations and improvements to Units that do not affect the exterior of the Buildings may be made without the prior approval of the Board of Managers.

Section 12. Use of Common Elements and Facilities: A Unit Owner shall not place or cause to be placed in the lobby, public halls, stairways or other common areas or common facilities, any furniture, packages or objects of any kind. The public halls and stairways shall be used for no purpose other than for normal transit through them. The Sponsor and any Sponsor-Designee shall have the right to use of the Common Elements, without charge, for the purpose set forth in Section II of this Article VI.

Section 13. Right of Access: A Unit Owner shall grant a right of access to his Unit, to the Manager and/or any other person authorized by the Board of Managers, the Manager or the Managing Agent, for the purpose of making inspections or for the purpose of correcting any condition originating in his Unit and threatening another Unit or a Common Element, or for the purpose of performing installations, alterations or repairs to the mechanical or electrical services or other Common Elements in his Unit or elsewhere in the Building in which the Unit is located, provided that requests for entry are made in advance and that any such entry is at a time reasonably convenient to the Unit Owner. In case of an emergency, such right of entry shall be immediate, whether the Unit Owner is present at the time or not. In the event of the exercise of the right of access provided in this Section 13, any costs for repairs shall be borne in accordance with the provisions of Section 10 of this Article VI. Each Unit Owner will be required to give a copy of his/her keys to his/her Unit to the President of the Board of Managers who shall designate an authorized person or persons to keep the keys and use them in case of an emergency.

Section 14. Rules of Conduct: Rules and Regulations concerning the use of the Units and the Common Elements may be promulgated and amended by the Board of Managers. A majority vote of Unit Owners at a meeting may overrule the Board. Copies of such rules and regulations shall be furnished by the Board of Managers to each Unit Owner prior to the time when the same shall become effective. Initial rules and regulations, which shall be effective until

amended by the Board of Managers are annexed hereto and made a part hereof as Schedule A.

Section 15. Water Charges and Sewer Rents: Water shall be supplied to all of the Units and the Common Elements through one or more building meters or pursuant to a frontage charge and, the Board of Managers shall pay, as a Common Expense, all charges for water consumed on the Property and in the Units, together with all related sewer rents arising therefrom, promptly after the bills for the same shall have been rendered. In the event of a proposed sale of a Unit by the Owner thereof, the Board of Managers, on request of the selling Unit Owner, shall execute and deliver to the purchaser of such Unit or to the purchaser's title insurance company, a letter agreeing to pay all charges for water and sewer rents affecting the Property as of the date of closing of title to such Unit promptly after such charges shall have been billed.

ARTICLE VII

Section 2. Notice of Unpaid Common Charges: The Board of Managers, when so requested in writing by a mortgagee of a Unit, shall promptly notify any mortgagee of a Unit, of such Unit Owner's default, including non-payment of Common Charges, in the obligations of such Unit Owner under the Declaration, By-Laws, Rules and Regulations, as the same are amended from time to time, or in any order of the Board of Managers issued with respect thereto.

Section 4. Examination of Books: Each Unit Owner and each mortgagee of a Unit shall be permitted to examine the books of account of the Condominium at reasonable times, on business days.

Section 5. Any mortgagee shall be entitled to timely written notice of:

a. Any condemnation of casualty loss that affects either a material portion of the project or the unit securing its mortgage.
b. Any sixty (60) day delinquency in the payment of assessments or charges owed by the owner of any unit on which it holds the mortgage.
c. A lapse, cancellation, or material modification of any insurance policy maintained by the Homeowner's Association.

Section 7. Notwithstanding anything to the contrary set forth elsewhere in these By-Laws, no amendment modification, addition, or deletion which shall adversely affect the lien of any mortgage may be made without the consent of the mortgagee.

If seventy-five (75%) percent or more of the Unit Owners duly and promptly approve the repair and restoration of such Common Elements, the Board of Managers or the Insurance Trustee, as the case may be, shall arrange for the repair and restoration of

such Common Elements, and the Board of Managers or the Insurance Trustee, as the case may be, shall disburse the proceeds of such award to the contractors engaged in such repair and restoration in appropriate progress payments.
