THIS PLAN CONTAINS SPECIAL RISKS TO PURCHASERS, SEE PAGE 1

THIS OFFERING PLAN IS THE SPONSOR'S ENTIRE OFFER TO SELL THESE CONDOMINIUM UNITS. NEW YORK LAW REQUIRES THE SPONSOR TO DISCLOSE ALL MATERIAL INFORMATION IN THIS PLAN AND TO FILE THIS PLAN WITH THE NEW YORK STATE DEPARTMENT OF LAW PRIOR TO SELLING OR OFFERING TO SELL ANY CONDOMINIUM UNIT. FILING WITH THE DEPARTMENT OF LAW DOES NOT MEAN THAT THE DEPARTMENT OR ANY OTHER GOVERNMENT AGENCY HAS APPROVED THIS OFFERING.

BECAUSE SPONSOR IS RETAINING THE UNCONDITIONAL RIGHT TO RENT RATHER THAN SELL UNITS, THIS PLAN MAY NOT RESULT IN THE CREATION OF A CONDOMINIUM IN WHICH A MAJORITY OF THE UNITS ARE OWNED BY OWNER-OCCUPANTS OR INVESTORS UNRELATED TO THE SPONSOR. (SEE SPECIAL RISKS SECTION OF THE PLAN.) PURCHASERS FOR THEIR OWN OCCUPANCY MAY NEVER GAIN CONTROL OF THE BOARD OF MANAGERS UNDER THE TERMS OF THIS PLAN. (SEE SPECIAL RISKS SECTION OF THE PLAN.)

PART I

SECTION A SPECIAL RISKS

1. The Sponsor has the right to retain control of the Board of Managers until all units are sold unless Sponsor voluntarily gives up the control sooner. During this period, three (3) board member assigned by the Sponsor will sit on the initial Sponsor controlled board. See Section P, Paragraph 1.

However, Purchasers of units should note that the by-laws of the Condominium do not require that after the initial Sponsor control period, which period shall not extend beyond two (2) years after the closing of title to the first unit, a majority of the Board of Managers must be owner-occupants or members of an owner-occupants' household who are unrelated to the Sponsor and its principals. This means that the purchasers for their own occupancy may never gain control of the Board of Managers under the terms of this Plan. Owner-occupants and non-resident owners, including Sponsor, may have inherent conflicts on how the Condominium should be managed because of their different reasons for purchasing, i.e., purchase as a home as opposed to as an investment. See Section P, Paragraph 1.

2. While the Sponsor is in control of the Board of Managers, the Board may take additions, alterations, or improvements to the common elements costing in excess of \$10,000 or enter into service or maintenance contracts the duration of which will extend more than a year after the Sponsor loses control of the Board of Managers, only with the approval of a majority of the unit owners, excluding the Sponsor, voting at duly held meeting of the unit owners. Notwithstanding anything stated above, Sponsor may not exercise veto power over expenses described in Schedule B or over expenses required to: (i) comply with applicable laws or regulations, or (ii) remedy any notice of violation, or (iii) remedy any work order by an insurer or (iv) for any repair or maintenance required for the health and/or safety of the occupants of the building.

If the Sponsor voluntarily gives up the control of the Board of Managers before all units are sold, so long as the Sponsor or its designee shall continue to own units representing twenty-five (25%) percent or more in common interest, but in no event later than five years from the closing of title to the first unit, the Board of Managers may not, without the Sponsor's prior written consent: (i) make any addition, alteration or improvements to the common elements costing cumulatively more than \$10,000.00, the foregoing not to include necessary repairs and maintenance work, or (ii) assess any common charges for the creation of, addition to, or replacement of all or part of a reserve, contingency or surplus fund, or (iii) hire any employee in addition to the employees referred to in the Plan of condominium ownership, or (iv) enter into any service or maintenance contract for work not covered by contracts in existence on the date the said Plan is declared effective, or (v) borrow money in excess of \$10,000 on behalf of the Condominium, or (vi) take any action which impairs Sponsor's sales program or continued use of the Condominium property in connection with such program, or (vii) increase or reduce the services of maintenance set forth in Schedule B. See Section P, Paragraph 4 and Section S, Paragraph 12K.

3. So long as the Sponsor has any unsold units remaining, no amendment to the By-Laws or the Declaration affecting the rights of the Sponsor shall take place without the written consent of the Sponsor. See Section P, Paragraph 1b.

4. At the closing, the Purchaser will be required to pay an amount equal to one (1) month's common charge as a contribution to the Condominium's Working Capital Fund. This contribution will not be credited against regular assessments. See Section U.

5. The Purchase Agreement provides that if the purchaser shall fail to pay any portion of the Total Purchase Price when due, fail to close title on the Closing Date, or fail to perform any of purchaser's other obligations under the Purchase Agreement, (including without limitation the obligation to furnish any lender promptly with such information as such lender may require), Sponsor may cancel the agreement if such default is not cured within thirty (30) days after Sponsor sends notice of intent to cancel. The Sponsor must give thirty (30) days' written notice of default before forfeiture of deposit is declared. TIME IS OF THE ESSENCE TO CURE SUCH DEFAULT WITHIN SAID THIRTY (30) DAY PERIOD. FAILURE TO CURE DEFAULT WITHIN SAID PERIOD MAY RESULT IN THE LOSS OF THE DOWN PAYMENT AND CANCELLATION OF THE PURCHASE AGREEMENT. "Time is of the Essence" means that Purchasers must strictly adhere to this 30-day period, and should in no event go beyond the 30-day period to cure the default. See Exhibit II, Paragraph 15.

6. The sponsor shall handle all management requirements as a Management Agent at an annual fee of \$7,440.40 for the first two (2) years of the condominium operation commencing upon the conveyance of the first unit. Such management fee to be collected by the Sponsor is the prevailing rate of such service which is ten (10%) percent to fifteen (15%) percent of the total common charges to be collected. Such arrangement may not be canceled at least for one (1) year. After one (1) year, either the Board of Managers or the Sponsor may terminate such arrangement upon sixty (60) days written notice to the other. See Section V.

7. The Sponsor shall be obliged to pay all common charges, special assessment and real estate taxes with respect to unsold units. The Sponsor has net worth sufficient to meet all of such obligations. No bond of security will be posted to secure the Sponsor's obligation to pay common charges and assessments, but the Sponsor will secure the fund for payment of such charges by depositing \$10,333.90, which is the amount equal to approximately 2 months of the 1st year common charges into an escrow account of the Sponsor's closing attorney, Dai & Associates, P.C., after the closing of the 1st unit. However, no bond or other security will be posted to secure such Sponsor's obligation. See Section O, Paragraph 8.

8. The Sponsor may declare the Plan effective by selling a minimum of fifteen percent of the units in the building. Even if the Plan is declared effective with a minimum number of sales, it is possible that the Sponsor may be able to convert the

building with fewer than the minimum number of sales, if purchasers counted towards effectiveness do not ultimately purchase an apartment.

9. Purchasers should note that in the current real estate market, banks and other lenders are imposing various restrictions on purchasing financing. Such restrictions include requiring that a certain percentage of the apartments in a building or group of buildings be sold before a lender will consider making a loan. Thus it may be possible for a purchaser to experience difficulty obtaining a loan in a building or group of buildings where the sponsor or holder of unsold shares has not sold a substantial percentage of the apartments in the building or group of buildings, which in some cases may be as high as 70%. Moreover, some lenders will not provide financing in a building or group of buildings where an investor other than the original sponsor has an ownership interest of 10% or more. It also may be difficult for a purchaser to resell an apartment if prospective buyers are unable to obtain a loan due to the same minimum sales and investor ownership restrictions.

10. All funds received by the Sponsor for upgrades or extras must initially be placed in the escrow account. However, purchasers should note as a special risk that such funds may be released from the escrow account by the escrow agent as long as the Sponsor uses the funds for such upgrade or extra. As a result in the event a purchaser is entitled to rescission, the purchaser will not receive a refund of any funds used for upgrades or extras. See Section K.

11. New York City Real Property Transfer Tax and New York State Deed Documentary Stamps are normally the expenses of the seller, however, by contractual arrangement they will be paid by the purchaser. The city of New York Department of Finance and the State of New York Department of Taxation and Finance have taken the position that when a purchaser assumes the obligation to pay the New York City Real Property Transfer Tax and New York State Deed Documentary Stamps, the amount of such taxes will be included in the consideration subject to tax. See Section N.

12. At the closing of each unit, the purchaser will pay the Sponsor's attorney's closing fee of \$1,500.00. There will be an additional \$250.00 attendance fee if the purchaser desires to have the closing other than at the office of the Sponsor's attorney. The purchasers of residential units are required to reimburse the Sponsor for its proportionate share of the fee paid to the City of New York Department of Finance for 421-a Partial Tax Exemption Program. The total fee paid by the Sponsor is \$82,255.75.00. This amount will be shared among the residential units according to the percentage of common interests allocated to each unit. In the event the City of New York imposes any additional fees after closing, each unit owner shall be responsible for his/her proportionate share of such additional fee. At closing the purchaser is also expected to pay the amount equal to one-month common charges as contribution to Working Capital Fund. For a complete explanation of closing costs associated with the transfer of title to the Units, see Section O "Closing Costs and Adjustments". The closing costs are in addition to the purchase price of each unit.

13. On or about July 3, 2008, the Sponsor applied to the NYC Department of Housing Preservation and Development for a partial real estate exemption benefit under New York State Real Property Tax Law Section 421-a (the "421-a Program") for the residential portion of the condominium. However, the purchaser of the unit shall note that there is no guaranty that the City of New York will approve and implement the partial tax exemptions before the commencement of the Condominium operation. (See Section F, Schedule A.)

Construction had commenced and excavation had begun in good faith on the basis of approved construction plans with the foundation fully constructed prior to June 3, 2008. (See Exhibit C-4 for a copy of the "Start of Construction Affidavit" from the architect and a copy of the Permit History from DOB. Sponsor anticipates that the Final Certificates of Occupancy will be issued on or about April 30, 2013, or as soon as feasible thereafter.

Purchasers are advised that in New York City, newly constructed and newly renovated buildings are sometimes offered as condominium projects without a final certificate of occupancy ("FCO") covering the entire building, but with only a temporary certificate of occupancy ("TCO"), and sometimes with several successive temporary certificates of occupancy. Certificates of occupancy are generally governed by Section 301 of the New York Multiple Dwelling Law and local building codes and rules. Both TCOs and FCOs are issued by the New York City Department of Buildings ("DOB"). A TCO is intended to indicate that the property is safe for occupancy, but means that not all of the construction work and/or inspection have been performed, or that not all of the required documents have been submitted to the DOB. All TCOs have an expiration date. A TCO typically expires 90 days after the date of issuance. When a TCO expires and is not renewed, it may be difficult to buy insurance, refinance, or sell units. In New York City, it is common for sponsors to commence unit closings when some or all units are covered by a TCO rather than a FCO. Sponsor anticipates this scenario may occur. Sponsor and its principals will undertake the responsibility for extending each TCO received prior to expiration thereof, and ultimately for obtaining a FCO covering the entire building within two years from the date of the issuance of the first TCO. However, Sponsor and its principals make no representation or guarantee that DOB will issue the FCO within such two year period. Furthermore, because Sponsor and the by-laws of the Condominium may permit unit owners to undertake renovations to individual units prior to the procurement of a FCO, such renovations may cause additional delays in the issuance thereof. Notwithstanding the foregoing, Sponsor and its principals are obligated to procure the FCO for the entire building, and shall exercise best efforts to obtain the FCO within such two year period while keeping the TCO current. Unit owners and the Board of Managers shall be obligated to cooperate with and refrain from obstructing Sponsor in these undertakings.

Buyers are advised to visit the DOB website for further recommendations when purchasing a unit in a building that does not have a FCO. A Factsheet on Certificates of Occupancy is available on the DOB website at http://www.nyc.gov/html/dob/downloads/pdf/co__factsheet.pdf.

14. The risk of loss from fire or other casualty to the units, common elements and limited common elements remains with Sponsor unless and until legal title to the Unit has been conveyed to Purchaser or Purchaser has taken actual possession of the Unit pursuant to a written agreement other than an Interim Lease with Sponsor. Thereafter, it passes to the Unit Owner together with the limited common elements to which the Unit Owner has access, and its proportional share of the common elements.

It should be noted that insurance for the condominium covers the Unit but the Purchaser is responsible for the contents of the Unit (i.e. Purchaser's personal property).

It is a special risk if Purchaser enters into possession prior to closing in which case, Purchaser assumes the risk of loss for property not covered by the insurance for the units and for any Purchaser who enters into possession before closing. It is recommended that Purchaser obtain insurance for his/her personal property. (See Section K.)

If an Interim Lease is entered pursuant to Section J, the risk that an Interim Lessee assumes is the risk of loss for the personal property not covered by the condominium insurance. Insurance proceeds are available to either Sponsor or the condominium for loss to the Unit and an Interim Lessee shall not assume such loss.

15. At the time of closing, the purchaser is required to sign a Power of Attorney to the Board of Managers of the Condominium, appointing the members of the Board of Managers as attorneys-in-fact to carry out any of the provisions of the Offering Plan including acquisition, leasing, or sale of the Units by the Board of Managers pursuant to Declaration and By-Laws of the Condominium and filing the amendments to the Declaration of Condominium. A form of Power of Attorney is included in Part II, Section EE of this Plan. If the purchaser refuses to sign the Power of Attorney, the purchaser will be held in default under the Purchase Agreement. (See Section K.)

16. The money deposited into escrow account by a purchaser under the Purchase Agreement in excess of \$250,000.00 will not be federally insured for the portion in excess of \$250,000.00. (See Section K.) Please note the above amount is only a temporary increase which shall, unless extended by Congress, expire on December 31, 2013, at which point FDIC insurance limits will revert to one hundred thousand dollars (\$100,000).

17. The Sponsor is reserving an unconditional right to rent rather than sell. Because the Sponsor is not limiting the conditions under which it will rent rather than sell units, there is no commitment to sell more units than the fifteen (15%) percent necessary to declare the Plan effective, and owner-occupants may never gain effective control and management of the Condominium. The Sponsor's construction lender does not impose any limits on the Sponsor's right to rent rather than sell units. (See Section P, Paragraph 1 a.)

18. Unit owners are not allowed to maintain any pets. (See Section R)

19. Column 2 of Schedule A shows the gross square footage of the units measured from the exterior surfaces of the wall of each unit plus the common area. The common area on each floor has been apportioned, and added to the square footage of each Unit to create the “gross square footage”. The limited common elements such as balconies and terraces are not included in calculation. The gross square footage shown in Column 2 are not based upon the measurements from interior surfaces of the interior walls, and the actual area comprising the unit is substantially less than the area listed in Schedule A. The measurements are approximate within reasonable tolerance. (See Section F.)

20. The budget provided in Schedule B of Section G does not include the insurance premium for officers’ and directors’ liability coverage.

21. The Sponsor has not obtained any bond or other security for the completion of construction of the Condominium building. See Section O, Paragraph 7.

22. Unit owners must notify the Managing Agent in writing when a child or children under the age of eleven (11) years lives or resides (even temporarily) in the unit. Each residential owner shall install at the residential owner’s expense, the required window guards in all windows of the unit and shall not remove them until permitted by law in any event, without the full knowledge of the Managing Agent.

23. Balconies/Terraces may not be used for any type of occupancy, including but not limited to, sleeping, dining, living room, recreation room, office, etc. To do so may result in a violation against the building being issued by the Building Department.

24. Potential purchasers should note that the commercial unit(s) is not restricted to its proposed use and the commercial unit owner(s) has the right to subdivide the unit. See Section A-(I) Paragraph 3.

25. The sponsor is not providing a NDL Manufacturer's Warranty for the roof of the condominium. This is a red flag, indicative that most likely the roofing membrane and appurtenances were not installed in accordance with the manufacturer's specifications.

26. The Sponsor anticipates that the first closing of the Unit will occur by May 31, 2013. Purchasers will be offered a right of rescission if: (i) the actual date of closing of title to the first unit; or (ii) projected date of closing of title to the first unit, occurs later than May 31, 2014, twelve months after the projected date for the first closing. If the Plan is amended to provide a later projected date for the first closing, purchasers will be entitled to an offer of rescission if the first closing occurs more than 12 months beyond that amended, later date.

However, if the first closing occurs before May 31, 2013, the Sponsor may schedule the closings of title to other units significantly later than such date. Unless your Purchaser Agreement contains an outside closing date, the Sponsor is not obligated to

schedule your closing within any specified time frame or to ensure that closing of title to your Unit will occur by any date certain.

PROSPECTIVE PURCHASERS SHOULD THEREFORE CAREFULLY CONSIDER SUCH RISKS IN THEIR DETERMINATION AS TO WHETHER TO PURCHASE A UNIT.

27. There are lot line windows located in the subject premises. Lot line windows are windows that are placed into the building where the building abuts the adjacent property line; so that if the adjacent owner erects a building on the adjacent premises the lot line windows will be precluded and all light, air, and views through those windows will be lost. In the instant case, these windows are not necessary for light and air, and so their loss would not change the legal habitability of the rooms in which they are located. Additionally, the windows are of the type and nature which do not have to be removed if they are blocked by a building on the adjoining premises.

28. There is a laundry room in the cellar with hook-ups for the two (2) clothes washers and two (2) clothes dryers. Purchase, installation and maintenance of these appliances are Unit Owner's responsibility.

29. In the event that Purchaser enters into an Interim Lease pursuant to Section J in Part I of this Plan, he/she, as Purchaser/Tenant, will have to agree to indemnify and hold Sponsor/Landlord harmless from and against any claims arising from the Condominium Declaration related to Purchaser /Tenant's acts and/or negligence.

SECTION B INTRODUCTION

Sponsor and Offer to Sell

8225 Queens Mansion LLC, a New York limited liability company with an office at 82-25 Queens Blvd., Elmhurst, NY 11373, (the “Sponsor”) with this Offering Plan (the “Plan”), offers for sale Condominium Units (the “Units”) in one (1) 6-story building with cellar floor being constructed at 82-23 Queens Blvd., Queens, New York. The Building will contain thirty (30) Residential Units and three (3) commercial units on the ground floor (or the first floor) and eighteen (18) in-door parking spaces. Each of the floors from 2nd to 6th contains either one (1) or two (2)-bedroom units. All Units on the 3rd through 6th floors have access to a balcony. Balconies are considered as limited common elements. All Units are hereby offered for sale. On December 17, 2009, the Sponsor acquired title to the property on 82-23 Queens Blvd, Elmhurst, New York. . The Residential Units are to be used solely for residential purpose and the commercial units are to be used for commercial purpose.

General

Sponsor recommends that all prospective purchasers thoroughly read this offering plan before making a final commitment. Parts I and II together with all Exhibits constitute the entire offering Plan and contain the detailed terms of the transaction. All the documents referred to in this Offering Plan are important. All the exhibits or documents referred to herein have been submitted to the New York State Department of Law, located at 120 Broadway, New York, NY 10271, in connection with the filing of this Plan, and are available there for inspection. Such exhibits and documents are also available for inspection without charge and for copying at reasonable charge to prospective purchasers and their attorneys at the office of the Selling Agent and also at the New York State Department of Law.

The purchase of this Offering Plan is to set forth all the material terms of the offer to allow prospective purchasers to make an informed decision. However, this Plan may be amended from time to time during this offering. If amended, such amendments shall be filed with the New York State Department of Law Office of the Attorney General and shall be served on all offerees, Purchasers, and Unit Owners promptly after the filing.

THE PURCHASE OF A CONDOMINIUM HAS MANY SIGNIFICANT LEGAL AND FINANCIAL CONSEQUENCES. THE ATTORNEY GENERAL STRONGLY URGES YOU TO READ THIS OFFERING PLAN CAREFULLY AND TO CONSULT WITH AN ATTORNEY BEFORE SIGNING A PURCHASE AGREEMENT.

Submission of Property to Condominium Statute

The condominium is subject to and complies with the New York Condominium Act regulating condominiums in New York. A Declaration submitting the property to Article 9-B of the Real Property Law (“the “Condominium Act”) and By-Laws will be recorded prior to

conveyance of title to the first Unit by the Sponsor. The Declaration and By-Laws will be exactly the same to those set forth in this Plan or its Amendments, if the plan is amended. This plan and the accompanying documentation should be carefully studied by prospective purchasers and their attorneys prior to the purchase of a Unit. The prices have been set by the Sponsor alone and are not subject to review or approval by the Department of Law or any other government agency.

Features of Condominium Ownership

Ownership of a condominium is similar to ownership of any real property which is used for either commercial or residential purposes. The purchaser of a Unit (“Unit Owner” or “Purchaser”) will own, in fee simple absolute, all of the interior space of that particular Unit. The exterior walls and space within the walls, roof and all of the land and improvements which are located outside of the Unit itself are owned in fee simple absolute in common, by the owners of all the Units. Each Unit owner is entitled to exclusive possession of his/her Unit together with an interest in and right to use the common elements, and an exclusive right to the limited common elements. (As to the definition of “Common Elements”, see Section C, Paragraph 7; and as to the definition of “Limited Common Elements”, see Section C, Paragraph 14.)

Each owner must pay common charges in accordance with the New York Condominium Act Section 339 (i) and (m). The Units may be purchased for all cash, or may be purchased partly for cash and the balance for the purchase price financed by mortgage loan. The Sponsor makes no representation as to the availability or cost of any financing that may be required by a purchaser. If a purchaser of a Unit requires mortgage financing, the purchase agreement will be conditioned upon such Purchaser obtaining a commitment from a lending institution of his own choosing. Any mortgage lien given by a Purchaser to a lender will be governed by the New York State Condominium Act.

Each Unit will be taxed separately for real estate purposes, and consequently no Unit Owner is responsible for the payment of real estate taxes on any other Unit, or for payment of any mortgage obligations of any other Unit. In the opinion of counsel, under the present Federal and State Income Tax Laws, a residential Unit Owner may deduct on income tax returns the amount paid for real property taxes and the amount paid for interest on a mortgage loan, if any. (See Section T, Tax Opinion of Counsel, Lawrence (Lixin) Yang, Esq. with office at 1500 Broadway, 22nd Floor, New York, NY 10036.)

A Unit Owner is required to pay monthly common charges in proportion to his/her share of ownership in the common elements assessed by the Board of Managers for the operation and maintenance of the Condominium pursuant to New York Condominium Act Sections 339 (i) and (m). Casualty and liability insurance, electricity for lighting in the common areas of the building, water and sewer charge for the entire building, wages for the superintendent and the cost of maintenance and repair of the common elements are included with other expenses as part of the common charges (See Estimated Common Charges, Section F, Schedule A). However, casualty and liability insurance for the purchaser’s personal effects and the interior of a Unit should be carried by the individual Unit Owner. Each Unit will be responsible for the cost of repairs and decoration of the interior of his Unit, as well as the initial installation of any fixtures or improvements. A separate electricity and gas meters will be installed for each Unit, and each

Unit Owner will receive his/her own utility bills. Sponsor may install a sub-meter for each Unit to register its water consumption. In such event, Unit owners will be billed by the Board of Managers for their water and sewer charge. Common charges are levied in proportion to the interest in the “common elements” appurtenant to each Unit. For possible increases in common charges upon default in payment by a Unit Owner, see Section R, Paragraph 4 (e) for lien for non-payment of Common Charges. Units can be sold or leased by a Unit Owner subject to the right of first refusal by the Board of Managers. See Section R, Paragraph 1(d) for details.

Each Unit Owner must comply with the Declaration, By-Laws, regulations and any other requirement of the Board of Managers. It is the function of the Board of Managers to administer the affairs of the Condominium and supervise the operation of the Condominium Property. The Managers shall be elected annually at the annual meeting of Unit Owners by a majority vote. (See Section R, “Right and Obligations of Unit Owners and Board of Managers”, and Sections GG and HH, the Declaration and By-Laws contained in Part II of the Offering Plan.)

Sponsor is reserving an unconditional right to rent rather than sell. Because Sponsor is not limiting the conditions under which it will rent rather than sell Units, there is no commitment to sell more units than the 15% necessary to declare the Plan effective, and owner-occupants may never gain effective control of management of the Condominium. Sponsor’s construction lender does not impose any limits on Sponsor’s right to rent rather than sell Units.

If Sponsor makes a bulk sale of all or some of its unsold units, the transferee successor Sponsor is bound by the Sponsor’s representation regarding its commitment to sell Units.

All Purchasers shall note that the Condominium Board does not have the right to approve or disapprove Purchasers, there is no limit on the number of owners who may purchase for investment rather than for personal occupancy, and there may always be a substantial percentage of owners who are non-resident.

SECTION C DEFINITIONS

Listed below are the definitions of some important terms used in the Offering Plan and also appearing in the Declaration and the By-Laws of the Condominium.

The condominium will be located on the property containing approximately 41,955 square feet floor area, including the cellar floor at 311 Saint Nicholas Avenue, Ridgewood, New York. The building is in an R-6 zoning district, which permits the uses for single to multiple dwellings, such as Class “A” apartments and community facilities.

The Condominium consists of one (1) six (6)-story building with cellar floor being constructed at 82-23 Queens Blvd., Queens, New York. The Building will contain thirty (30) Residential Units and two (2) commercial units and one (1) community facility unit on the ground floor (or the first floor). Each of the floors from 2nd to 6th contains either one (1) or two (2)-bedroom units. All Units on the 3rd through 6th floors have access to a balcony. Balconies are considered as limited common elements. All Residential Units shall be used for residential purpose only designated herein and commercial units will be used for commercial purposes. The Condominium also contains an elevator and eighteen (18) in-door parking spaces as shown in the floor plan, which will be exclusively sold or leased to the owners of the Condominium.

The property will be improved and Units will be constructed in accordance with all applicable zoning and building laws and requirements.

The offering price for the Units includes the major fixtures and appliances such as gas range, refrigerator, dishwasher, bathroom fixtures, kitchen cabinets and partition walls. See Section EE in Part II of this Plan for the details.

Effective November 5, 2004, owners of Class A multiple dwellings in New York City, which include condominium units, must install carbon monoxide detectors. The Sponsor will install smoke detectors and carbon monoxide detectors in each Residential Unit. The law requires the owners of residential condominium units to maintain the detectors.

Sponsor reserves the right to amend or modify, in any way, the Plans and Specifications (including, without limitation, changing materials, appliances, equipment, fixtures, layouts and other construction details) and substitute in place of any materials, appliances, equipment and fixtures set forth therein or in Section EE in Part II of the Plan, materials, appliances, equipment and fixtures of equal or better quality; provided only that any necessary approval of any governmental authority having jurisdiction thereover is first obtained. However, Sponsor may not change the size, location of buildings or units, other improvements or common elements, if such changes affect the percentage of common interests or adversely affect the value of any unit to which title has closed or for which a purchase agreement has been executed and is in effect unless all affected unit owners and contract vendees consent in writing to such change. Any or all of the foregoing amendments or changes may be made without prior notice or amendment to the Plan.

No additional construction works which require a building permit shall be commenced until the permanent certificate of occupancy for the Condominium building is issued because the Sponsor will not be able to obtain the permanent certificate of occupancy until all open permits are signed off. Sponsor may include Purchaser’s alteration plan in the final ‘as-built’ plan of the

Condominium building by amending the same, so that the Purchaser will be able to commence the construction work without waiting for the issuance of the permanent Certificate of Occupancy. In such event, the Offering Plan will be amended to disclose such revisions to the Building Plans including an addendum to the architect's report. However, the Sponsor does not guarantee that Sponsor will actually be able to do so. If the Purchaser asks the Sponsor to amend the building plan to include his/her alteration plan, the cost to amend the Plan must be borne by the Purchaser. Any additional construction works or alteration works such as removal or erection of interior partitions or addition or relocation of a bathroom each individual purchaser may wish to perform must conform to the applicable codes and laws including, but not limited to, the Building Code of The City of New York, the New York State Multiple Dwelling Law and the New York City Housing Maintenance Code. All construction must conform to the various building codes, which minimally require the use of proper materials, legal configurations and dimensions of rooms, adequate light and natural or mechanical ventilation for all spaces, legal plumbing and electrical systems. The Board of Managers may, and has a right to regulate the following regarding additional construction or alterations of the individual Unit owners:

- 1) The schedule for construction work, e.g., 8:00 AM to 5:00 PM except holidays;
- 2) The measures that will be taken to protect the security of the building during construction, including the manner in which each Unit owner and the construction workers will gain access to the building;
- 3) Interruption of services during construction, including interruption to water, electricity and elevator service.
- 4) Requirement of the contractor to carry liability insurance.

The additional works or alteration works each Purchaser wishes to perform on his/her Unit must be done at each Purchaser's own cost and expense.

All said additional work a purchaser desires for his Unit must be performed either by a contractor designated by Sponsor or a contractor approved by Sponsor, which approval shall not be unreasonably withheld or delayed, and which contractor will not employ any person or means that may cause labor disturbances or stoppages in the work of the Building employees or other contractors or subcontractors employed in the Building or at the Property. All units and amenities are expected to be completed on or about November 30, 2012 and. Sponsor intends to complete the construction in accordance with all applicable zoning laws, regulations, codes and any other governmental requirements. Sponsor anticipates to obtain a Certificate of Occupancy on or about December 31, 2012. No Unit will close before a Temporary Certificate of Occupancy is obtained.

Easements

Each Unit Owner will have an easement in common with all other Unit Owners for the use, maintenance and repair of all pipes, wires, conduits and public utility lines located in the common elements or located in other Units and servicing his Unit. Further, each Unit Owner will have an easement for the continuance of any encroachment by his Unit or any adjoining Unit or common elements now existing or which may come into existence hereafter as a result of the settling of the Building or repair or alteration of the Unit by the Board of Managers after damage

by fire or other casualty or as a result of condemnation or eminent domain proceeding, or any alteration made by the Board to the common elements, so that any such encroachment may remain undisturbed so long as the Unit stands. Each Unit will be subject to these encroachments and easements in favor of all other Units. The Board of Managers, its agents and employees shall have a right of access to the Units and the common elements (irrespective of the restricted nature of any common elements) to inspect, maintain, or repair the common elements or to make repairs to the Unit to prevent damage to the common elements or any other Unit.

The measurements are approximate within reasonable tolerances.

Each unit will consist of the area measured horizontally from the unit side of the window glass or concealed exterior brick wall or concealed fireproofed structural members of the exterior wall to the center line of the drywall partitions or block partitions which separate the Unit from another Unit, or to the unit side of the concealed masonry work or concealed structural members or to the surface of the drywall partitions which separate a Unit from corridors, stairs and other common or mechanical equipment spaces. Each Unit will consist of an area measured vertically from top of the concrete floor or wood subfloor at the lower level of a Unit to the underside of the concealed concrete slab, or of the fireproofed beam, as the case may be, at the highest level of a Unit, except that the structural slabs and beams separating floors and any Common Elements located within any Unit shall not be considered as part of the Unit.

3. (a) Offering prices may be increased or decreased by a duly filed amendment to the Plan when it is an “across the board” change affecting one or more lines of Units, or Unit models, or is to be advertised or is an individually negotiated price which is higher than the listed offering price. Offering prices and specified terms are negotiable and the Sponsor may enter into a Purchase Agreement with an individual Purchaser to sell one or more Units at prices lower than those set forth in Schedule A without filing an amendment. See Section I for further details.

(b) At the closing of each Unit, the Purchaser will pay the Sponsor’s attorney’s closing fee of \$1,500.00. There will be an additional \$250.00 attendance fee if Purchaser desires to have the closing other than at the office of Sponsor’s attorney. At closing, the purchaser is also expected to pay the State and City transfer taxes; his/her proportionate share of the fee relating to 421-a Partial Tax Exemption Program; and the amount equal to one-month common charge as contribution to Working Capital Fund. For a complete explanation of closing costs associated with the transfer of title to the Units, see N “Closing Costs and Adjustments”. The closing costs are in addition to the purchase price of each Unit.

4. The percentage interest of each Unit in the Common Elements shall be the approximate proportion that the fair value of the Unit at the date of Declaration bears to the then aggregate fair value of all the Units pursuant to the New York Condominium Act Section 339-i.1.(i).

5. Projected monthly common charges includes salary for a part time superintendent, water and sewer charges, cost of repair and maintenance of common area, fire and liability insurance premium, comprehensive public liability and property damage insurance premium, fidelity bonds, legal and auditing fee, and the cost of common area electricity and gas. The cost of electricity and gas is estimated by Angelo Ng, Registered Architect, of Architects Studio, P.C. with office at 66-00 Long Island Expressway, Maspeth, NY 11378. The estimate is based on current tariffs provided by Con Edison including sales tax plus ten (10%) percent anticipated increase due to inflation. The common area electricity is calculated based on 27 cents per KWH and common area gas is calculated based on \$2.10 per Therm. (See Schedule B Paragraph 3 for details.) Common charges exclude repair and decoration to interior of a Unit, electricity and gas for each Unit and insurance for personal properties. (See Schedule B-1 for estimated cost of electricity and gas for each Unit.) If a purchaser obtains financing, the debt service will be an additional expense.

6. Sponsor will apply for separate tax lots for each unit. Each purchaser of the Units will be assigned a separate tax lot number. After the Condominium is divided into individual tax lots, each Unit will be taxed as a separate tax lot for real estate tax purpose and Unit Owner will not be responsible for the payment of, nor will the Unit be subject to any lien arising from the non-payment of taxes on other units. Each Unit Owner will be solely responsible for payment of real estate tax of his/her own unit. Sponsor will not be responsible for payment of real estate tax for each unit once the title is closed.

On or about July 3, 2008, the Sponsor applied to the NYC Department of Housing Preservation and Development for partial real estate tax exemption for the residential portion of the Property under New York State Real Property Tax Law Section 421-a (the “421-a Program”). The Sponsor is advised by its counsel, Lawrence (Lixin) Yang, Esq. / Dai & Associates, P.C.,

that under the present interpretation of laws governing 421-a Program by the New York City Real Property Assessment Bureau, exemption under the 421-a Program applies only to the “increase” in assessed valuation above the assessed valuation of a portion of the land attributable to the Residential Units in the tax year prior to commencement of construction. (In the case of the Condominium, the construction commenced during the tax year of 2007/2008). If the Certificate of Occupancy is issued on or about April 30, 2013, the amount exempt from taxes will decline over 15 years as follows commencing July 1, 2013:

<u>Fiscal Tax Year (July 1 to June 30) Beginning with July 1, 2013</u>	<u>Percentage of Increased Assessment Exempt from Taxes</u>
1 st -11 th tax year:	100%
12 th tax year:	80%
13 th tax year:	60%
14 th tax year:	40%
15 th tax year:	20%
16 th tax year:	0%

The monthly real estate tax for the Residential Units during the first year of the condominium operation assuming exemption under Section 421-a, as represented in Schedule A, Column (6) is calculated as follows:

$$A \times B \times C/D \times 1/12$$

A=	The estimated assessed value of the property during 2006/07 tax year allocated to the residential portion:	(\$255,038.00)
B=	Tax rate currently in effect	(11.928%)
C=	Percentage of common interest Allocated to each Residential Unit:	
D=	Total percentage of common Interest allocated to the Residential Units:	

7. In the event the partial tax exemptions under 421-a Program are not approved or cancelled, each Unit Owner will be responsible for the full real estate taxes on his/her Unit upon acquiring the title to the Unit. Sponsor will not be responsible for payment of real estate tax for each Unit once the title is closed. Schedule A, Column (7) shows the first year real estate tax without Section 421-a. The Condominium building is expected to be completed on or about March 31, 2013 and the Sponsor anticipates that the Certificates of Occupancy will be issued on or about April 30, 2013. The calculation of Column (11) is made based on the estimated assessed

valuation without exemption under 421-a Program for the tax year of 2013/2014 after completion of the Condominium building:

$$A \times B \times C \times 1/12$$

A=	The estimated assessed value of the property during 2013/14 tax year without tax exemption:	
B=	Estimated tax rate in effect	(\$2,018,622.00) (13.903%)
C=	Percentage of common interest Allocated to each Residential Unit.	

Note: Commercial units do not qualify for tax exemption under 421-a Program. The estimated real estate taxes for the commercial units are determined on the basis of the offering price for each unit.

8. (a) Projected monthly carrying charges with 421-a exemption are shown in Column 8 and are the total of Common Charge (Column 5) and Real Estate Tax (Column 6). Projected monthly carrying charges without 421-a exemption are shown in Column 9 and are the total of Common Charge (Column 5) and Real Estate Tax (Column 7). As stated in Paragraph 4 of this Footnote, Monthly Carrying Charges do not include certain housing costs for which the Unit Owner is generally responsible, such as repairs to the interior of the Unit and the payment for electricity and gas which is separately metered.

(b) Since Sponsor does not offer nor procures mortgage financing, these costs are not included in monthly carrying charges. It is therefore necessary for the Purchaser (should he finance the purchase of his Unit) to add to his monthly carrying charges, the cost of his monthly mortgage and interest payments.

9. (a) In the absence of an individual mortgage on the Unit, the total amount of carrying charges deductible for income tax purposes for the residential unit owners would equal the monthly real estate taxes. Should Purchaser obtain financing, the projected amount deductible for income tax purposes may vary in subsequent years due to refinancing the mortgage, the application of constant debt service payments between interest and principal, or due to changes in the assessed valuation, the tax rate or in the method of assessing real property which results in change in real property taxes, or such other changes as may reasonably be expected to affect deductions.

In the opinion of Steve S. Cheung, located at 28-47 213th Street, Bayside, NY 11360, the projected receipts are adequate to meet the estimated expenses for the first fiscal year of operation commencing July 1, 2013. Steve S. Cheung is a licensed real estate broker with no affiliation with the Sponsor. The foregoing schedule, however, is not intended and should not be taken as a guaranty or warranty by anyone that the annual common charges or other income or expenses for such fiscal year or any other subsequent year of operation of the property by the Condominium will be as set forth in said schedule, and it is possible that the actual common charges and other items of income and expense will vary from the amounts shown in the schedule.

Sponsor has reserved the right to modify, renew and replace existing service, maintenance, employment, concessionaire, and other agreements and to enter into new agreement that will be binding on the Board of Managers upon commencement of Condominium operation. All such modifications, renewals and replacements of existing agreements thereto will be reflected in an amendment to this Plan if they materially alter statements made herein.

FOOTNOTES TO SCHEDULE B

1. Common Charges \$62,003.40

These estimates of operating expenses and income have been made by the Sponsor based on the operation of comparable developments in the immediate area. It cannot be construed as an assurance of the final expenses and is merely based upon monthly common charges set forth in Schedule A which will be paid by each Unit Owner.

2. Salaries and Wage \$15,100.80

It is anticipated that the building staff will consist of one part-time, non-union superintendent who works approximately 30 hours a week at the hourly rate of \$8 and benefits amounting to \$1.68 per hour to provide services necessary for maintenance of the common areas. The level of staffing complies with the applicable housing and labor laws. The budgeted amount reflects current wage rates and reasonably anticipated increases. The estimated labor cost is based on the following calculation:

Payroll:		\$ 15,100.80
Payroll Taxes & Miscellaneous Expenses:		
FICA	\$15,100.80 x 7.65%=	\$ 1,155.21
State Unemployment Insurance:		
	\$15,100.80 x 4%=	\$ 604.03
Federal Unemployment Insurance:		
	\$15,100.80 x 0.8%=	\$ 120.81
Worker's Compensation/Disability:		
Insurance:	\$15,100.80 x 4.5%=	\$ 679.54
Miscellaneous		\$ 61.21

3. Utilities – Electricity for Lighting & Elevator \$10,726.17

The projection for cost of electricity is based upon estimates provided by Angelo Ng, Registered Architect, of Architects Studio, P.C. with office at 66-00 Long Island Expressway, Maspeth, NY 11378. The following estimate is for the cost of electricity which is included and covered by the common charge such as cost of electricity for exterior and common area lighting power, and the elevator system. The rate indicated below includes tax and latest utility company surcharges for fuel adjustments. Due to inflation, 10% has been added to the rate currently in effect.

	Consumption -----	Cost -----
COMMON AREA		
ELECTRICITY:	39,726.55 KWH @ \$0.27/KWH	\$10,726.17/Year

The projection does not include the cost of electricity for each unit which shall be individually metered and billed directly to each Unit Owner. Purchasers are referred to Schedule B-1 for individual electricity costs.

In view of the current energy situation, it is not possible to predict whether the budgeted figure will reflect the actual cost to be incurred during the first year of Condominium operation, which will vary with the level of consumption and the cost of the utility. Electricity is generated by the Utility Company by means of fuel oil as the primary energy source. If the cost of oil to generate electricity increases, it is likely that electric rates will increase. It is believed that the projected figure should be sufficient to cover and reasonable increase in the cost of electricity resulting from the foregoing during the first year of Condominium operation. However, no budget item is warranted.

4. Utilities – Gas for Heating \$ 1,285.87

The projection for cost of gas is based upon estimates provided by Angelo Ng, Registered Architect, of Architects Studio, P.C. with office at 66-00 Long Island Expressway, Maspeth, NY 11378. The following estimate is for the cost of gas which is included and covered by the common charge such as cost of gas for common area heating. The rate indicated below includes tax and latest utility company surcharges for fuel adjustments. Due to inflation, 10% has been added to the rate currently in effect.

	Consumption	Cost
	-----	-----
COMMON AREA		
Gas:	612 THERMS @ \$2.10/THERM	\$ 1,285.87/Year

The projection does not include the cost of gas for each unit which shall be individually metered and billed directly to each Unit Owner. Purchasers are referred to Schedule B-1 for individual gas costs.

Although the Sponsor is under obligation to provide accurate information to prospective purchasers, factors beyond its control may substantially affect the cost of heating after the purchase of a Unit or in subsequent years. The Sponsor represents, however, that it has followed the plan and specifications provided by the manufacturer of the heating system together with the recommendation of the utility company and other experts to enable these items of equipment to operate at optimum efficiency at the lowest cost. Further, the Sponsor represents that it has not been induced to select the heating system described herein on the basis of any financial inducement other than the price of the system made to it by the manufacturer or distributor of the system or the supplier of energy to be used in connection therewith or by any of their agents or employees.

5. Water and Sewer Charges \$ 3,847.94

One (1) water meter covers the entire condominium. The Units will not be individually metered for water. The budgeted figure is based upon the water and sewer formula which

consists number of families, tubs/shower stalls, toilets that are in each unit, hose bibs, number of floors in the building and street frontages. Water costs are based upon 600 HCF/yr. at \$1.81/HCF and sewer charge is based upon 159% of water costs. The projection for water and sewer charges is based on the estimate given by Angelo Ng, Registered Architect, of Architects Studio, P.C. with office at 66-00 Long Island Expressway, Maspeth, NY 11378.

6. Repairs, Maintenance, Service & Supply: \$ 1,302.22

The budget figure is for the repair and maintenance of all the common elements such as roof, exterior (including walls, foundations, windows, doors and locks), sewer system, plumbing, electrical work, painting and flooring of the common area, and other maintenance services (\$354.22), sprinkler maintenance services (\$265.00 per year), extermination services (\$265.00 per year). The budget also includes cost of cleaning supplies, hardware, lighting bulbs and rubbish bags (\$318.00 per year). The snow removal and daily cleaning of the common area and sidewalk will be done by the superintendent. As the Condominium is newly constructed, it is estimated that \$100 is sufficient to provide for general repairs to the common areas for the first year of operation of the Condominium. Inasmuch as the Building is a new construction, no major interior and exterior repairs are anticipated. Minor repairs will be done by the Superintendent. The budgeted figure does not include improvements and repairs to, maintenance of, or supplies for individual Units and limited Common elements. Each individual Unit Owner is responsible for improvements and repairs to, maintenance of, and supplies for his Unit and those Common Elements irrevocably restricted to his/her use.

7. Insurance \$ 19,800.00

The budgeted figure for insurance is based upon an estimate provided by the insurance brokerage firm of Girafffe Professional Insurance Agency, Inc., located at 133-34 41st Avenue, Flushing, New York 11355. They have advised that they would be willing to write a policy with the following coverage:

Building-6,000,000.00 Limit, replacement cost, subject to a deductible of \$1,000.00 per occurrence

Maintenance Fee- Actual Loss, no deductible

Comprehensive General Liability- \$1,000,000 per occurrence, \$2,000,000 per aggregate

Fire Damage Legal Liability- \$50,000.00 per occurrence

Water Damage- subject to the building's deductible

Total anticipated annual premium: \$ 19,800.00

The above proposed coverage is provided by a company licensed in the State of New York with a Best's financial rating of "A", Excellent, and meets the requirement of any mortgage lender procured by the Sponsor.

The above package policy provides:

- 1) All Unit Owners as additional insureds;

- 2) Waiver of Subrogation clause is included;
- 3) Replacement cost coverage endorsement is included;
- 4) Notice to Owners and Board of Managers in the event of cancellation;
- 5) Waiver of invalidity due to acts of insured and unit owners is included;
- 6) Waiver of pro-rata reduction if Unit Owners obtain additional coverage is included; and
- 7) The fire insurance coverage in the unit owners amount of \$6,000,000.00 budget in the Plan is adequate so that insured shall not be coinsurer if the policy contains a coinsurance provision.

The budget figure does not include the coverage for interior of each Unit and Unit owner's personal properties. It is recommended that each Unit owner purchases his/her own insurance to cover losses and damages within the Unit. The following policies are recommended by Giraffe Insurance Agency, Inc., at additional costs: Directors and Officers Liability, Boiler & Machinery, Workers Compensation, Disability, Auto Liability and excess coverage.

8. Legal and Auditing \$ 2,000,00.00

The fee for the accountant's services is based on the estimate given by Barry Zhang, C.P.A., with office at 136-20 38th Avenue, Suite 9G, Flushing, New York 11354. The figure reflects the estimated cost of \$1,000 for retaining an accountant to prepare a year end audited financial statement and tax return. This budgeted amount is sufficient for such accountant's services. \$1,000.00 is provided for retaining an attorney to represent the Board of Managers in connection with the Condominium's normal business operations. The amount reflected does not cover extraordinary costs or expenses for additional services rendered or costs incurred to conduct litigation on behalf of the Condominium.

9. Management \$ 7,440.40

At or prior to the first closing of title to Unit, the Condominium will enter into management contract with the Sponsor as managing agent for a period of two (2) years. The Management Fee to be collected by the Sponsor is the prevailing rate of such service which is commonly 10% to 15% of the total common charges. After one (1) year, either the Board of Managers or the sponsor may terminate the management contract upon sixty (60) days' written notice to the other.

10. Income Tax \$ 0.00

The Condominium will not generate any taxable income during the first year of operation.

11. Contingencies \$ 500.00

This budget item is to provide a fund for unanticipated expenses or possible increases in operating expenses not now foreseen or other Condominium corporate purposes. This fund will be used in the event any income taxes are incurred to the Condominium. The budget may be modified from time to time prior to commencement of or during Condominium operation to

increase one or more items of expense and decrease the contingency fund. This fund does not include a reserve for capital repair and/or replacement.

If the projected commencement of the budget year in the Offering Plan differs by six months or more from the anticipated date of closing of the first unit, the Plan will be amended to include a revised budget which will disclose current projections. If such amended budget projections exceed the original budget projections by twenty-five (25%) percent or more, all purchasers will have the right within thirty (30) days after the receipt of the amended budget to rescind their offers to purchase and have their deposits refunded.

The Sponsor may not declare the Plan effective where there are any material changes to the budget if such changes have not been disclosed by a duly filed amendment.

Dear Sirs:

I am a real estate broker licensed in the State of New York, I have been actively involved in real estate management and sales for 8 years.

The methods used in assigning percentage of common interest to each condominium unit is provided for in the provision of the Real Property Law Section 339-i.

Section 339-i.1.(i) in part, states that "each of the units shall be in approximate proportion that the fair value of the unit at the date of declaration bears to the aggregate fair value of all the units".

It is my opinion that this method was used properly in determining the percentage of common interest for the subject condominium.

Very truly yours,

By: Steve S. Cheung

SECTION I

CHANGES IN PRICES OR UNITS

Changes in Prices.

The Offering Price set forth in Schedule A, Section F may only be changed by a duly filed amendment when the price change is an across-the-board change affecting one or more Unit lines or is to be advertised or is a price increase for an individual Purchaser. Prices are negotiable. Sponsor may enter into an agreement with an individual purchaser to sell one or more Units at prices lower than set forth in Schedule A without filing an amendment. No change in the price of a Unit, however, will increase the share of common expenses to be borne by any other Unit Owner. Likewise, no change in the price of a Unit will vary the percentage of common interest appurtenant to such Unit. Some purchasers will pay less or more for the same type of unit.

Changes in Sizes and Layout of Units

(a) Sponsor states that no changes will be made in the size or number of Units, and/or their respective percentage of common interest and that no material change will be made in the size or quality of Common Elements except by amendment to the Plan and to the Declaration, when applicable.

(b) Sponsor further states that unless an affected Purchaser consents, no material change will be made in Unit size, layout, percentage of common interest or in the amount or quality of Common Elements directly affecting or servicing the Unit if a Purchase Agreement has been executed and delivered to Sponsor for that Unit.

(c) Sponsor further states that unless all purchasers consent, no material change will be made in the size and no material adverse change will be made in the quality of common element.

SECTION J INTERIM LEASES

The Sponsor and Purchaser may enter into an interim lease (See Section MM for Form Condominium Unit Interim Lease). No rental protection laws are applicable to the interim lease. An uncured default under the Purchase Agreement shall be considered as a default under the interim lease. The interim lessee must vacate the Unit within thirty (30) days after a default under the Purchase Agreement or rescission of the Purchase Agreement by the Lessee. The Lessee's default under the lease, if such defaults are not cured by the time of closing, shall be considered as default under the Purchase Agreement. However, before Sponsor may utilize the default under the lease to declare the default under the Purchase Agreement, Sponsor must either obtain an order of eviction or other judgment or order from a court or agency of competent jurisdiction against the lessee unless the lessee has vacated the Unit.

As discussed in the Footnotes to Schedule A and in the tax opinion rendered by Sponsor's counsel in Section T of the Plan, Sponsor has applied for partial real estate exemption benefits for the Property pursuant to Section 421-a of the Real Property Tax Law of the State of New York and the rules and regulations promulgated thereunder. As required by the 421-a Rules and Regulations issued by the New York City Department of Housing and Preservation ("HPD"), if the Offering Plan has not been declared effective for filing at a time fifteen (15) months after HPD has issued the Final 421-a Certificate of Eligibility, as of such date, the Building and all Units as they become occupied shall become rent stabilized and subject to the rent stabilization laws applicable thereto for the entire period during which the Property is receiving 421-a tax benefits. As of such date, the Sponsor must register the Building and all Residential Units as they become occupied with the New York State Department of Housing and Community Renewal ("DHCR"). Sponsor shall amend the plan to disclose the building's registration with DHCR. Any leases and renewals thereof to a Residential Unit that are required to be registered with DHCR shall contain a notice at least twelve (12) point type informing any such tenant that the Residential Unit shall be subject to deregulation upon the expiration of the 421-a tax benefit period and state the approximate date on which such benefit period is expected to expire. If each lease and renewal thereof does not contain the aforementioned notice, then, the Unit shall remain rent stabilized after the expiration of the 421-a tax benefits until the Unit becomes vacant. During such rent stabilization period, the Unit shall not be subject to luxury decontrol. In the event the Plan is abandoned, the Unit shall continue to be rent stabilized for the entire period during which the Property is receiving 421-a tax benefits.

SECTION K PROCEDURE TO PURCHASE

The Sponsor hereby offers for sale the Units to be constructed in the Condominium for residential occupancy. A complete copy of the Purchase Agreement (“Agreement”) is contained in Section AA in Part II of the Plan.

1. The sales price at which the Units are being offered are shown in detail in Schedule A. Sponsor reserves the right to change the sales price (See Section I in Part I of the Plan). Any such changes will not affect the common interest of the Units; however, some purchasers may pay less or more for the same Unit.

2. Any person may accept Sponsor’s offer to sell the Units by entering into a Purchase Agreement with Sponsor. The Agreement provides that Purchasers will purchase from Sponsor a designated Unit in the Queens Mansion Condominium Declaration creating such condominium. No Purchase Agreement shall be given to a prospective purchaser for execution until the expiration of at least three (3) business days from the date on which the Offering Plan and all filed amendments thereto have been delivered to such Purchaser for review. Any conflict between the Plan and the Purchase Agreement shall be resolved in favor of the Plan. Upon signing the Purchase Agreement Purchaser shall make a down payment in the amount equal to ten (10%) percent of the purchase price or any other amount, but not less than \$10,000.00 per unit plus the cost of any special work ordered by Purchaser and itemized in the Purchase Agreement. Upon purchaser’s full payment of the purchase price at closing, in cash or with a mortgage, Purchaser will receive a bargain and sale deed with covenants against grantor’s acts, containing the provisions set forth in Section 13 Subdivision 5 of the Lien Law, which will convey good and marketable or insurable title to him/her of fee ownership in the Unit and such percentage of common interest in the common elements as set forth in Schedule A, free and clear of all liens and encumbrances other than those set forth in Section M, Paragraph 12 in Part I of the Plan. The Purchase Agreement may be modified with the consent of Purchaser and Sponsor in a manner not inconsistent with the law, or with the terms of this Plan. Within twenty (20) days after delivery by Purchaser of an executed Purchase Agreement together with the required down payment, Sponsor will either (a) accept the Agreement offer and fully execute, or (b) reject the Agreement offer and refund the down payment. If the Sponsor takes no action within said twenty (20) day period, the Purchase Agreement shall be deemed accepted by Sponsor.

3. The law firm of Dai & Associates, P.C., with an address at 1500 Broadway, 22nd Floor, New York, NY 10036, and a telephone number of (212)730-8880, shall serve as escrow agent (the “Escrow Agent”) for Sponsor and Purchaser. Escrow Agent has designated the following attorneys to serve as signatories: Lawrence (Lixin) Yang and Shang Dai. All designated signatories are admitted to practice law in the State of New York. Neither the Escrow Agent nor any authorized signatories on the account are the Sponsor, Selling Agent, Managing Agent, or any principal thereof, or have any beneficial interest in any of the foregoing.

4. The Escrow Agent has established the escrow account at Citibank, located at 38-17 Main Street, Flushing, NY 11354, in the State of New York (the “Bank”), a bank authorized to do business in the State of New York. The escrow account is entitled QUEENS MANSION CONDOMINIUM ESCROW ACCOUNT (the “Escrow Account”). The Escrow Account is an IOLA account. The Escrow Account is federally insured by the FDIC at the maximum amount of \$250,000.00 per deposit. Any deposit in excess of \$250,000.00 will not be insured.

5. All Deposits received by Purchaser shall be in the form of checks, money orders, wire transfers, or other instruments, and shall be made payable to or endorsed by the Purchaser to the order of Dai & Associates, P.C., as Escrow Agent.

6. Any Deposits made for upgrades, extras, or custom work shall be initially deposited into the Escrow Account, and released in accordance to the terms of a written agreement between Purchaser and Sponsor.

7. No fees of any kind may be deducted from the Escrow Account, and the Sponsor shall bear all costs associated with the maintenance of the Escrow Account.

8. A copy of the Purchase Agreement is attached hereto as Section AA in Part II of the Plan. The relevant escrow trust fund provisions are included in Paragraph 11 of the Purchase Agreement, which must be executed by the Escrow Agent.

9. Within five (5) business days after the Purchase Agreement has been tendered to Escrow Agent along with the Deposit, the Escrow Agent shall sign the Purchase Agreement and place the Deposit into the Escrow Account. With ten (10) business days of the placing the deposit in the Escrow Account, Escrow Agent shall provide written notice to Purchaser and Sponsor, conforming the Deposit. The notice shall provide the account number. Any Deposits made for upgrades, extras, or custom work shall be initially deposited into the Escrow Account, and released in accordance to the terms of a written agreement between Purchaser and Sponsor.

10. The Escrow Agent is obligated to send notice to the Purchaser once the Deposit is placed in the Escrow Account. If the Purchaser does not receive notice of such deposit within fifteen (15) business days after tender of the Deposit, he or she may cancel the Purchase Agreement within ninety (90) days after tender of the Purchase Agreement and Deposit to Escrow Agent. Complaints concerning the failure to honor such cancellation requests may be referred to the New York State Department of Law, Real Estate Finance Bureau, 120 Broadway, 23rd Floor, New York, N.Y. 10271. Rescission shall not be afforded where proof satisfactory to the Attorney General is submitted establishing that the Deposit was timely placed in the Escrow Account in accordance with the New York State Department of Law’s regulations concerning Deposits and requisite notice was timely mailed to the Purchaser.

11. All Deposits, except for advances made for upgrades, extras, or custom work received in connection with the Purchase Agreement, are and shall continue to be the Purchaser’s

money, and may not be comingled with any other money or pledged or hypothecated by Sponsor, as per GBL § 352-h.

12. Under no circumstances shall Sponsor seek or accept release of the Deposit of a defaulting Purchaser until after consummation of the Plan, as evidenced by the acceptance of an effectiveness amendment by the New York State Department of Law. Consummation of the Plan does not relieve the Sponsor of its obligations pursuant to GBL §§ 352-3(2-b) and 352-h.

13. The Escrow Agent shall release the Deposit if so directed:

- (a) Pursuant to the terms and conditions set forth in the Escrow Agreement and/or the Purchase Agreement upon closing of title to the Unit; or
- (b) In a subsequent writing signed by both Sponsor and Purchaser; or
- (c) By a final, non-appealable order or judgment of a court.

14. If the Escrow Agent is not directed to release the Deposit pursuant to paragraphs (a) through (c) above, and the Escrow Agent receives a request by either party to release the Deposit, then the Escrow Agent must give both the Purchaser and Sponsor prior written notice of not fewer than thirty (30) days before releasing the Deposit. If the Escrow Agent has not received notice of objection to the release of the Deposit prior to the expiration of the thirty (30) day period, the Deposit shall be released and the Escrow Agent shall provide further written notice to both parties informing them of said release. If the Escrow Agent receives a written notice from either party objecting to the release of the Deposit within said thirty (30) day period, the Escrow Agent shall continue to hold the Deposit until otherwise directed pursuant to paragraphs (a) through (c) above. Notwithstanding the foregoing, the Escrow Agent shall have the right at any time to deposit the Deposit contained in the Escrow Account with the clerk of the county where the [unit/building] is located and shall give written notice to both parties of such deposit.

15. The Sponsor shall not object to the release of the Deposit to:

- (a) A Purchaser who timely rescinds in accordance with an offer of rescission contained in the Plan or an Amendment to the Plan; or
- (b) All Purchasers after an Amendment abandoning the Plan is accepted for filing by the Department of Law.

The Department of Law may perform random reviews and audits of any records involving the Escrow Account to determine compliance with all applicable statutes and regulations.

16. Any provision of any Purchase Agreement or separate agreement, whether oral or in writing, by which a Purchaser purports to waive or indemnify any obligation of the Escrow Agent holding any Deposit in trust is absolutely void. The provisions of the Attorney General's

regulations and GBL §§ 352-e(2-b) and 352-h concerning escrow trust funds shall prevail over any conflicting or inconsistent provisions in the Purchase Agreement, Plan, or any amendment thereto.

17. In the event of a default by Purchaser under the Purchase Agreement, which default continues for thirty (30) days after written demand for payment based upon such default from Sponsor to Purchaser, the down payment to a maximum of 10% of the purchase price plus the actual cost of any special work ordered may be released to Sponsor from such account as liquidated damages and thereafter neither party shall have any rights or obligations against or to the other. The Sponsor must give 30 days written notice of default before forfeiture of deposit is declared. TIME IS OF THE ESSENCE TO CURE SUCH DEFAULT WITHIN SAID THIRTY (30) DAY PERIOD. The deposit money may be withdrawn prior to closing in the event the Plan is abandoned or Purchaser defaults or the Purchase Agreement is rescinded. If the Purchase Agreement is rescinded or Sponsor cannot convey title to the Unit for any reason other than default by Purchaser, all monies advanced by Purchaser shall be returned to Purchaser. If the Plan is abandoned, all the deposit monies shall also be returned to Purchaser together with the interest earned thereon, if any.

18. The deposit monies may be released upon mutual written consent of Sponsor and Purchaser. The deposit money may also be released if Purchaser has executed a Mortgage Rider, complied with the terms therein and failed to obtain a mortgage loan or where Purchaser can lawfully rescind the Purchase Agreement without being in default.

19. The Escrow Agent is obligated to maintain all records concerning the Escrow Account for seven (7) years after release of funds. The Attorney General's Office may review and audit any records involving escrow accounts to determine compliance with statute and regulation.

20. Before funds are transferred to a new escrow account, or if the Escrow Agent is replaced, the Plan must be amended to provide the same full disclosure with respect to the new account, the Escrow Agent and the escrow agreement as was originally provided for. A bond, letter of credit or other security may be substituted for the escrow account only after the Department of Law approves in writing the use of such alternate form of security, pursuant to the provisions of paragraph (4) of this subdivision.

21. Notwithstanding anything to the contrary set forth above, in the event that the Attorney General's Regulations are modified or changed, the effect of which is to eliminate some or all of the Escrow Agent's obligations under the Escrow Agreement, then the Plan, terms of the Escrow Agreement, this section, and all then existing Purchase Agreement, and all Purchase Agreements executed thereafter, shall be amended accordingly.

22. Purchaser should note that in the event a Purchaser is entitled to a rescission, Purchaser will not receive any funds which he initially placed in the escrow account for the upgrade or extra works, if such works have been completed and the funds have been released to the Sponsor from the escrow account.

23. Following the declaration of effectiveness of the Plan and the completion of the construction work of the Building, Purchaser will be given at least thirty (30) days prior written notice of the closing date of his Unit, which notice will also remind him of his/her obligation to pay the balance of the purchase price and execute and deliver all instruments necessary to close the transaction at the time and will state when common charges will be due and payable.

24. If the requirement for Purchaser to close the transaction is contingent upon Purchaser obtaining a written mortgage commitment letter from a mortgage lender, the balance of the purchase price is not payable until closing of title to the Unit.

25. The Sponsor anticipates that the first closing of the Unit will occur by May 31, 2013. Purchasers will be offered a right of rescission if: (i) the actual date of closing of title to the first unit; or (ii) projected date of closing of title to the first unit, occurs later than May 31, 2014, twelve months after the projected date for the first closing. If the Plan is amended to provide a later projected date for the first closing, purchasers will be entitled to an offer of rescission if the first closing occurs more than twelve (12) months beyond that amended, later date.

26. However, if the first closing occurs before May 31, 2013, the Sponsor may schedule the closings of title to other units significantly later than such date. Unless your Purchaser Agreement contains an outside closing date, the Sponsor is not obligated to schedule your closing within any specified time frame or to ensure that closing of title to your Unit will occur by any date certain.

PROSPECTIVE PURCHASERS SHOULD THEREFORE CAREFULLY CONSIDER SUCH RISKS IN THEIR DETERMINATION AS TO WHETHER TO PURCHASE A UNIT.

27. Purchaser may make his obligations under the Purchase Agreement contingent upon obtaining a commitment for financing or actual financing, if desired, for the purchase of the Unit by executing a Mortgage Addendum as attached to the Purchase Agreement. Under the Mortgage Addendum, Purchaser will have forty-five (45) days after receipt of a fully executed copy of the Purchase Agreement to obtain a commitment for financing. In the event that Purchaser is unable to obtain such commitment after a good faith effort, either party may rescind the contract. Sponsor reserves the right to grant Purchaser reasonable extensions of said period of time. But Purchaser must notify Sponsor in writing within seven calendar days by certified mail, return receipt requested, if Purchaser is unable to obtain the commitment.

28. Purchasers should note that the financing commitment for Purchaser of a Unit may have expiration dates prior to which closing of title to the Unit must occur, and the terms of the commitment may change prior to actual closing. If Purchaser's financing commitment lapses or expires prior to closing, and Purchaser has made a good faith effort to extend the commitment,

Sponsor must grant such Purchaser a right of rescission and a reasonable period of time to exercise that right.

29. Purchasers should further note that Sponsor may grant Purchaser the right to obtain financing from a second lender if Purchaser so requests, but it will entail further costs and an additional waiting period. It is a special risk for Purchaser.

30. It is also a special risk for Purchaser if Purchaser should fail to execute the Mortgage Addendum, in which case, his obligation to consummate the purchase transaction will NOT be contingent upon obtaining financing.

31. Purchaser should further note that the Purchase Agreement will provide that Purchaser's failure to provide information to the lender promptly upon request thereof, or to accept a commitment issued to Purchaser by lender on terms set forth in the Purchase Agreement shall constitute a default by Purchaser under the Agreement, whereupon Sponsor shall have remedies as set forth therein.

32. The Purchase Agreement is contingent upon effectiveness of the Plan. If the Plan is abandoned, all Purchase Agreements will be deemed cancelled.

33. The Purchase Agreement may not contain or be modified to contain a provision waiving Purchaser's rights or abrogating Sponsor's obligations under the Offering Plan or under Article 23-A of the General Obligations Law. (See Section DD in Part II of the Plan for a form copy of the Unit Deed.) Any conflict between the Offering Plan and the Purchase Agreement will be resolved in favor of the Plan.

34. The risk of loss from fire or other casualty to the Unit, common elements and limited common elements remains with Sponsor unless and until legal title to the Unit has been conveyed to Purchaser or Purchaser has taken actual possession of the Unit pursuant to a written agreement other than an Interim Lease with Sponsor. Thereafter, it passes to the Unit Owner together with the limited common elements to which the Unit Owner has access, and its proportional share of the common elements.

35. It should be noted that insurance for the condominium covers the Unit but the Purchaser is responsible for the contents of the Unit (i.e. Purchaser's personal property).

36. It is a special risk if Purchaser enters into possession prior to closing in which case, Purchaser assumes the risk of loss for property not covered by the insurance for the units and for any Purchaser who enters into possession before closing. It is recommended that Purchaser obtain insurance for his/her personal property.

37. If an Interim Lease is entered pursuant to Section J, the risk that an Interim Lessee assumes is the risk of loss for the personal property not covered by the condominium insurance. Insurance proceeds are available to either Sponsor or the condominium for loss to the Unit and an Interim Lessee shall not assume such loss.

38. At the time of closing, Purchaser is required to sign a Power of Attorney to the Board of Managers of the Condominium appointing the members of the Board of Managers as attorneys-in-fact to carry out any of the provisions of the Offering Plan including acquisition, leasing, or sale of the Units by the Board of Managers pursuant to Declaration and By-laws of the Condominium and filing the amendments to the Declaration of Condominium. A form copy of Power of Attorney is included as Section CC in Part II of this Plan.

39. The Purchase Agreement may not be assigned without prior written consent of Sponsor.

SECTION L EFFECTIVE DATE

Sponsor's offer to sell Units hereunder is contingent upon the Plan being declared effective in accordance with relevant conditions and time periods. All Purchase Agreements are contingent upon such effectiveness. In declaring the Plan effective, the following will govern:

1. Closing of title to Units will not occur before the Plan has been declared effective, and the effectiveness amendment has been accepted by Attorney General's Office for filing. The Plan will be declared effective by personal service of notice on every Purchaser or by commencement of service by regular mail or registered or certified mail with or without return receipt requested addressed to Purchaser's last known residence or if Purchaser has provided written information of an alternative address for notices, addressed to Purchaser at the alternative address.

2. The Plan may not be declared effective until Purchase Agreements executed by bona fide Purchasers have been accepted by Sponsor for not less than fifteen (15%) percent of the Units offered under the Plan, as same may be amended. The following Purchase Agreements shall not be counted toward effectiveness:

(1) Purchaser Agreements signed by Purchasers who have been granted a right of rescission that has not yet expired or been waived; or

(2) If Purchaser was not afforded no fewer than seven days after delivering an executed Purchase Agreement together with the required deposit to rescind or no fewer than three business days to review the Offering Plan prior to executing a Purchase Agreement.

(3) Purchase Agreements with any purchaser who is Sponsor, the selling agent, or the managing agent or is a principal of Sponsor, the selling agent, or the managing agent or relating to any principal of Sponsor or the selling agent or managing agent by blood, marriage, or adoption or as a business associate, an employee, a shareholder or a limited partner; except that such a Purchaser other than Sponsor or a principal of Sponsor may be included if Sponsor has submitted proof satisfactory to the Department of Law establishing that the purchaser is bona fide.

After acceptance of such Agreements, the Plan may be declared effective by Sponsor.

3. The Plan must be declared effective when Purchase Agreements are accepted for the sale of eighty (80%) percent of the Units offered under the Plan.

4. The Plan may be abandoned by Sponsor, at its sole and unrestricted option, at any time before it is declared effective or before eighty (80%) percent of Units have been purchased. In the event Sponsor has decided to abandon the Plan after it has accepted Purchase Agreements, Sponsor shall promptly submit an amendment to the Office of the Attorney General along with Form RS-3 as promulgated by the Office of the Attorney General. If any payments have been received by Sponsor under the Purchase Agreements, such payments shall be returned in the form of checks in full amount with any interest earned thereon within five (5) days after the amendment abandoning the Plan has been accepted for filing by the Office of the Attorney.

5. The Plan may not be abandoned once it has either been declared effective or eighty (80%) percent of the Units have been purchased, except as follows:

a) If there is a defect in title which cannot be cured without litigation or cannot be cured for less than one-half of one percent of the total amount of the offering; or

b) Substantial damage or destruction of the building by fire or other casualty which cannot be cured for less than one-half of one percent of the total amount of the offering; or

c) The taking of any material portion of the property by condemnation or eminent domain.

Any stated dollar amount relied upon as a basis for abandonment after effectiveness must exclude any attorney's fees or any such title defects or determinations of any authority or regulatory association which exist on the date of presentation of the Plan and are either known to Sponsor or are a matter of public record.

6. Sponsor agrees that copies of all Purchase Agreements (and any amendments or modifications) will be delivered to the Department of Law within five (5) business days of a request for inspection by the Department of Law.

7. The risk of loss from fire or other casualty remains with Sponsor unless and until Purchaser takes actual possession of a Unit pursuant to an interim lease (or any other written agreement with Sponsor) or legal title to the Unit has been conveyed to Purchaser.

SECTION M TERMS OF SALE

The terms “Closing of Title” is intended to signify the passage of title to a particular Unit from Sponsor to Purchaser. The Sponsor agrees, prior to closing, to comply with the following:

1. A temporary or permanent Certificate of Occupancy and all necessary permits will be obtained for the Condominium Building in which the Unit is located. The Sponsor declares that all Units will be constructed in accordance with the plans and specifications identified in this Plan. A closing will take place only concurrently with the issuance of a temporary or permanent certificate of occupancy for the entire project or, issuance of a partial, temporary or permanent certificate of occupancy for the Unit closed or the building in which the Unit is located. All purchasers shall close once a Temporary Certificate of Occupancy is issued.

2. The Sponsor will not provide any mortgage financing for the purchase of a Unit.

3. Purchasers are advised that in New York City, newly constructed and newly renovated buildings are sometimes offered as condominium projects without a final certificate of occupancy (“FCO”) covering the entire building, but with only a temporary certificate of occupancy (“TCO”), and sometimes with several successive temporary certificates of occupancy. Certificates of occupancy are generally governed by Section 301 of the New York Multiple Dwelling Law and local building codes and rules. Both TCOs and FCOs are issued by the New York City Department of Buildings (“DOB”). A TCO is intended to indicate that the property is safe for occupancy, but means that not all of the construction work and/or inspection have been performed, or that not all of the required documents have been submitted to the DOB. All TCOs have an expiration date. A TCO typically expires 90 days after the date of issuance. When a TCO expires and is not renewed, it may be difficult to buy insurance, refinance, or sell units. In New York City, it is common for sponsors to commence unit closings when some or all units are covered by a TCO rather than a FCO. Sponsor anticipates this scenario may occur. Sponsor and its principals will undertake the responsibility for extending each TCO received prior to expiration thereof, and ultimately for obtaining a FCO covering the entire building within two years from the date of the issuance of the first TCO. However, Sponsor and its principals make no representation or guarantee that DOB will issue the FCO within such two year period. Notwithstanding the foregoing, Sponsor and its principals are obligated to procure the FCO for the entire building, and shall exercise best efforts to obtain the FCO within such two year period while keeping the TCO current. Unit owners and the Board of Managers shall be obligated to cooperate with and refrain from obstructing Sponsor in these undertakings.

Buyers are advised to visit the DOB website for further recommendations when purchasing a unit in a building that does not have a FCO. A Factsheet on Certificates of Occupancy is available on the DOB website at http://www.nyc.gov/html/dob/downloads/pdf/co_factsheet.pdf.

4. The Declaration, By-Laws, and floor plans will be recorded and filed with the Register of Queens County in accordance with the New York Condominium Act or other applicable law.

5. At or prior to closing, all liens affecting the Unit to be closed and its undivided common interest will be discharged or a partial release obtained and duly recorded as required by Section 339-r of the Condominium Act. Sponsor shall have the right to extend the closing for a period not to exceed six (6) months, calculated from the issuance of a Temporary Certificate of Occupancy, if applicable, in order to obtain and be able to convey marketable title. If at the end of such six (6) months period, Sponsor is still unable to satisfy aforementioned condition, Purchaser shall be entitled to terminate the Purchase Agreement upon ten (10) days' written notice. Furthermore, Purchaser shall be entitled to a return of all down payments and interest, if any, thereon plus the reasonable cost incurred for any title searches or survey. The foregoing shall not limit or affect any other rights of rescission provided to the Purchaser in this Plan or under law.

6. The Purchaser will be given written notice of the closing at least thirty (30) days prior thereto, and given an opportunity to inspect the Unit and other property subject to the Declaration.

7. The Purchaser will receive a Bargain and Sale Deed with covenant against grantor's acts in proper form for recording. (See Section DD)

8. Sponsor will file an amendment to this Plan to disclose that it has been declared effective. No closing may be held until the effectiveness amendment has been accepted by Attorney General for filing.

9. All personal property located within the Unit on the date the Purchase Agreement is signed or located within the common elements on the date the Declaration is filed, that is owned by Sponsor or the owner of the property, is included in the conveyance unless specifically excepted in the Offering Plan. Sponsor will assign to the Unit Owner any manufacturers' warranties (to the extent assignable) with respect to all equipment, appliances or furnishings installed in the Unit.

10. Sponsor will assign to the Board of Managers any warranties (to the extent assignable) with respect to all equipment and appliances or furnishings installed in the common elements.

11. The Purchaser shall execute an instrument in the form set forth as Section CC, designating the Board of Managers as his Attorneys-In-Fact, coupled with an interest, for the sole purpose of managing, selling mortgaging, and leasing, voting or otherwise dealing with any Units acquired by the Board of Managers in accordance with any of the provisions of the By-Laws.

12. Title to each Unit and its appurtenant interest in the common elements will be conveyed at the closing free and clear of all liens, encumbrances and title exceptions subject to the following:

(1) Sewer, water, drainage, electricity, plumbing, heating, gas, telephone and other utility easements and consents, if any, granted or to be granted thereafter, including the right to maintain and operate lines, wires, cables, pipes, conduits, poles, and distribution boxes in, over, under and upon the Condominium.

(2) All easements set forth in the By-Laws and Declaration as they are subsequently recorded and in the Plan and Purchase Agreement including:

(a) Easements in favor of the other Unit Owners to use the pipes, wires, conduits and public utility lines located in the common elements or in the Unit itself servicing each other Units and easements of necessity in favor of the other Units or the common elements;

(b) Easements in favor of the Board of Managers, its agents, contractors and employees to have a right of access to the Units and to the common elements to inspect, maintain or repair or to make repairs to the Unit to prevent damage to the common element or any other Units;

(c) Easements in favor of those Units having restricted use to portions of the common elements;

(d) Easements for the continuance of encroachments on the Unit and on the common elements by other Units or portions of the common elements, now existing or hereafter occurring by reason of the settling or shifting of the Units, or by reason of the repair and/or restoration by the Board of Managers of the Units or the other Units or the common elements, after damage by fire or other casualty or after taking in condemnation or eminent domain proceedings, or by reason of an alteration to the common elements made by the Board of Managers, so that any such encroachment may remain as long as the Units stand;

(3) The standard printed exceptions in the title policy of the company insuring title.

(4) Consequences of the exercise and enforcement or attempted enforcement of any governmental, war or policy powers over the premises.

(5) Any laws, regulations or ordinances (including, but not limited to zoning, building, and environmental protection) as to use, and issuance of a permanent Certificate of Occupancy of the Building in which the Unit is located, subdivision or improvement of the premises adopted or imposed by any governmental body, or the effect of any noncompliance with or any violation thereof.

(6) Judgments against the insured or estates, interests, defects, objections, liens, or encumbrances created, suffered, assumed or agreed to, by or with the privity of the insured.

(7) Title to any property beyond the lines of the premises, or title to areas within or rights or easements in any abutting streets, roads, avenues, lanes, ways or waterways, or the right to maintain therein vaults, tunnels, ramps, or any other structure unless the title policy specifically provides that such titles, rights or easements are insured.

(8) Title to any personal property, whether the same be attached to or used in connection with said premises or otherwise.

(9) The Purchaser has been served with a written notice of closing date thirty (30) days in advance and opportunity to inspect the Unit and other property subject to the Declaration.

(10) Rights of Tenants, if expressly provided for in the Purchase Agreement.

(11) Sponsor assigns any manufacturers' warranties with respect to equipment installed in the unit to the Unit Owner and assigns any warranties with respect to equipment installed in common elements to the Board of Managers.

(12) Encroachments of stoops, areas, cellar steps or doors, trim, copings, retaining walls, bay windows, balconies, sidewalks, elevators, fences, fire escapes, cornices, foundations, footings, and similar projections, if any, on, over, or under the streets or sidewalks abutting the property and the rights of governmental authorities to require the removal of any such projections and variations between record lines of the property and retaining walls and the like, if any.

(13) The lien of any unpaid common charges, real estate tax, water charge or sewer rent, provided the same are adjusted at the closing of title.

(14) Any other declaration or other instrument affecting the property which Sponsor deems necessary or appropriate to comply with any law, ordinance, regulation,

zoning, resolution, or requirement of the Department of Buildings, the City Planning Commission, the Board of Standards and Appeals, or any other public authority.

(15) Any other encumbrance against the property other than mortgage or other lien for the payment of money, which does not prevent the use of the Unit or the Condominium or any part thereof for its prescribed purposes or render title unmarketable.

(16) State of facts shown in the survey of the land as made by Gerald T. O'Buckley, Professional Land Surveyor of Precision Surveys, dated September 15, 2011 and any additional state of facts which a subsequent survey or personal inspection thereof would show, provided such facts would not prevent the use of the Unit or the Condominium or any part thereof for its purposes or render title unmarketable.

(17) This Condominium Building shall **NOT** be subject to the Housing Merchant Implied Warranty under Article 36-B of the General Business Law of the State of New York. Under the relevant provisions, a housing merchant implied warranty shall mean that: a. one year from and after the warranty date (which is defined as the date of the passing of title to the first owner for occupancy by such owner or such owner's family as a residence, or the date of first occupancy of the home, in this case, the Unit, as a residence, whichever first occurs) the Unit will be free from defects due to a failure to have been constructed in a skillful manner; b. two years from and after the warranty date the plumbing, electrical, heating, cooling and ventilation systems of the Unit will be free from defects due to a failure by the builder to have installed such systems in a skillful manner; and c. six years from and after the warranty date the Unit will be free from material defects.

If requested by the purchaser, Liberty Land Abstract Inc with an address at 42-40 Bell Boulevard, Suite 201, Bayside, NY 11361, an authorized agent for Chicago Title Insurance Company, a title insurance company licensed to do business in New York State, shall agree at fees set forth below, to insure (i) that Purchaser has insurable fee title in the Unit, free and clear of all liens and encumbrances except those set forth in the Plan of paragraph 12, subparagraph(1) through (15), of Section M, subject to the provisions of the Declaration and By-Laws and any mortgage executed by Purchaser; (ii) with respect to the easements, covenants and agreement affecting title to the Unit, the title company will affirmatively insure that none of same affect the use and maintenance of the premises as a condominium; and (iii) that the Condominium was validly formed pursuant to Article 9-B of the Real Property Law. Purchasers are free to use the title insurance company of their choice and Sponsor will be obligated to convey the title to each unit and appurtenant common elements free and clear of all liens, encumbrances and title exceptions.

The Sponsor has been advised by its counsel, Lawrence Yang, Esq. / Dai & Associates, P.C. at 1500 Broadway, 22nd Floor, New York, NY 10036 that in its counsel's

opinion, none of the exceptions to title herein above set forth are contrary to the terms of the Purchase Agreement nor do they interfere with the quiet use or enjoyment of Purchaser's Unit. Sponsor represents and warrants that none of the exceptions listed above render title unmarketable.

THE UNDERLYING DOCUMENTS CONCERNING THE EXCEPTIONS NOTED ABOVE WILL BE AVAILABLE TO A PURCHASER'S ATTORNEY FOR INSPECTION AT THE OFFICE OF THE SPONSOR.

13. The risk of loss from fire or other casualty to the units, common elements and limited common elements remains with Sponsor unless and until legal title to the Unit has been conveyed to Purchaser or Purchaser has taken actual possession of the Unit pursuant to a written agreement other than an Interim Lease with Sponsor. Thereafter, it passes to the Unit Owner together with the limited common elements to which the Unit Owner has access, and its proportional share of the common elements.

It should be noted that insurance for the condominium covers the Unit but the Purchaser is responsible for the contents of the Unit (i.e. Purchaser's personal property).

It is a special risk if Purchaser enters into possession prior to closing in which case, Purchaser assumes the risk of loss for property not covered by the insurance for the units and for any Purchaser who enters into possession before closing. It is recommended that Purchaser obtain insurance for his/her personal property. (See Section K.)

If an Interim Lease is entered pursuant to Section J, the risk that an Interim Lessee assumes is the risk of loss for the personal property not covered by the condominium insurance. Insurance proceeds are available to either Sponsor of the condominium for loss to the Unit and an Interim Lessee shall not assume such loss.

In the event that loss or damages have resulted from fire or other casualty to the units, common elements and limited common elements prior to closing, Sponsor will notify a purchaser within fourteen (14) days of such occurrence whether or not it will repair any damage resulting from a casualty prior to the closing of a unit. If Sponsor elects to repair such damages, it will do so as promptly as possible and restore the unit, common elements and limited common elements to substantially the same condition as prior to the casualty. In such a case, a purchaser will be required to make a good faith effort to extend the term of the commitment to enable the Sponsor to repair the damage but in the event that an extension is not obtained, the purchaser will be offered a right of rescission (See Section K).

In the event the closing delays more than six (6) months due to Sponsor's inability to repair the damages, Purchaser may also rescind the contract and receive the refund of downpayment, in addition to any other right of rescission granted to Purchaser under the Plan.

SECTION N

UNIT CLOSING COSTS AND ADJUSTMENTS

The Purchaser will be required to pay for the following at closing:

1. Mortgage Costs. Purchaser will pay costs for obtaining mortgage financing of his Unit, including, but not limited to application costs, points, bank attorney fees, credit check and appraisal fee. Fee for recording mortgage is \$92.00 for the 1st page and \$5.00 for each additional page according to current information available. The mortgage recording fee varies depending upon the number of pages contained in the mortgage prepared by purchaser's lender.

Fee Title Insurance Charges. The current rates for such Condominium insurance charged by Liberty Land Abstract Inc, are in accordance with the schedule of rates set by the New York Board of Title Underwriters and filed with the New York State Insurance Board which presently are \$420.00 on the first \$35,000.00 of fee insurance; \$6.07 for each additional \$1,000.00 between \$35,001.00 and \$50,000.00; \$5.43 for each additional \$1,000.00 between \$50,001.00 and 100,000.00; \$4.36 for each additional \$1,000.00 between \$100,001.00 and \$500,000.00; and \$3.98 for each additional \$1,000.00 between \$500,001.00 to \$999,999.00. There will be additional premiums if Purchaser obtains mortgage insurance as well as fee insurance. The present premium for the mortgage title insurance is calculated at the following rates: \$344.00 on the first \$35,000.00 of the mortgage amount; \$5.55 for each additional \$1,000.00 between \$35,001.00 and \$50,000.00; \$4.54 for each additional \$1,000.00 between \$50,001.00 and \$100,001.00; and \$3.64 for each additional \$1,000.00 between \$100,000.00 and \$500,000.00. If a Purchaser obtains the fee title insurance and mortgage title insurance simultaneously the premium for mortgage insurance will be reduced to 30%. These rates only apply to the initial Purchaser of each Condominium Unit. Rates for subsequent Purchasers will be higher. For example, the fee title insurance charge for a Unit No. 2A with \$437,000.00 purchase price will be \$2,251.87. If the purchaser obtains a mortgage equal to approximately 80% of the purchase price (\$349,600.00), the Purchaser must pay \$283.38 additional premium for mortgage title insurance.

2. Fee collected by the City Register for recording the deed is \$73.00 and the power of attorney is \$50.00. Title Company may collect additional \$25.00 to \$75.00 for their service charge. In addition, \$125.00 for the Residential Units for the New York State Real Property Transfer Report filing fee will be collected by the City Register.

New York State Real Estate Transfer Tax is currently \$2.00 per \$500.00, or a fraction thereof, of the purchase price. This is normally the expense of Seller, however, by contractual arrangement it will be paid by Purchaser. For example, if the purchase price is \$437,000.00, New York State Real Estate Transfer Tax will approximately be \$1,748.00.

3. New York City Real Property Transfer Tax rates are as follows:

Residential Units: up to \$500,000	1%
------------------------------------	----

Over \$500,000 1.425%

This is also normally an expense of Seller, however, by contractual arrangement it will be paid by Purchaser. The City of New York Department of Finance and the State of New York Department of Taxation and Finance have taken the position that when a Purchaser assumes the obligation to pay the New York City Real Property Transfer Tax and/or New York State Real Estate Transfer Tax, the amount of such tax will be included in the consideration subject to tax. For example, the New York City Real Property Transfer Tax for \$437,000.00 purchase price will approximately be \$4,370.00.

Mortgage Recording Tax for the Residential Units currently is 2.05% of the mortgage amount up to \$500,000.00 minus \$30 and 2.175% if the mortgage amount is over \$500,000. For example, mortgage recording tax for \$363,200.00 mortgage will approximately be \$7,166.80.00 less \$30.00. However, most of the lenders offering a residential 1st mortgage will pay 0.25% of mortgage tax.

4. Proration of real estate taxes, and common charges assessed during the month in which title clears, as of the closing date, based upon the latest bill for such taxes or charges.

5. Mortgage Tax Credit. Section 339-ee(2) of the New York Real Property Law provides as follows:

“In the event the proceeds of a construction mortgage were applied to construction of a unit of a condominium submitted to the provisions of this article, or in the event that a unit submitted to the provisions of this act was subject to a blanket mortgage, and a mortgage tax was duly paid on such construction of blanket mortgage in accordance with article eleven of the tax law, then, as each unit is first conveyed, there shall be allowed a credit against the mortgage tax that would otherwise be payable on a purchase money mortgage, said credit to be in the amount resulting from the product of the purchaser’s pro rata percentage of interest in the common elements and the mortgage tax already paid on the construction or blanket mortgage.”

The Condominium is currently subject to a construction mortgage. In the event, any mortgage tax credit becomes available, pursuant to the above section, it is specifically understood that such credit shall inure to the benefit of the Sponsor. Accordingly, at closing, each Purchaser electing mortgage financing shall pay the full amount (but not in excess thereof) of the mortgage recording tax chargeable on the entire amount being financed. Sponsor at closing will be reimbursed to the extent of the mortgage tax credit allowed.

6. Purchasers shall be required to contribute one (1) month’s common charges as a contribution to working capital. This contribution shall not be credited against regular assessments.

Purchaser of a Residential Unit shall reimburse Sponsor for its proportionate share of the fee paid to the City of New York Department of Finance for 421-a Tax Exemption Program. The total fee paid by the Sponsor was \$82,255.75.00. For example, the Purchaser of Unit No. 2A will share 2.5364% of \$82,255.75.00, i.e., \$2,086.33. In the event the City of New York imposes any additional fees after closing, each Unit owner shall be responsible for his/her proportionate share of such additional fees.

7. Purchaser shall be liable for all costs incurred in obtaining mortgage financing of his Unit.

8. If Units have not been separately assessed for real estate tax purposes prior to the closing of title to the first Unit, Sponsor will place in a special escrow account with its attorneys or a proper third party, in the name of the Board of Managers, an amount equal to the unpaid real estate taxes which will be levied against the parcel for the six month period following the first closing. The Board of Managers will pay the real estate taxes from the escrow account when taxes are due and payable and Sponsor, as the funder of the escrow account, will be entitled to reimbursement from unit owners to the extent of actual assessment.

9. The following closing fees will be charged by the attorneys for Sponsor in connection with the closing of title to the Units:

A closing fee in the amount of \$1,500.00 per Unit will be charged by the attorney for Sponsor in connection with the closing of title to the Units. The closing is to be held at the office of Sponsor's Attorney located at 1500 Broadway, 22nd Floor, New York, NY10036. There will be an additional \$250 attendance fee if Purchaser desires to have the closing at a location other than the office of Sponsor's attorney.

The estimated total closing costs of Unit 2A, if the purchase price is \$437,000.00 and the Purchaser obtains a mortgage equal to 80% of the Purchase Price, will be as follows:

Title Insurance premium:	
Fee	\$ 2,251.87
Mortgage	\$ 283.38
Recording Fee:	
Deed	\$ 148.00
Power of Attorney	\$ 75.00
NYS Real Property Transfer Report	
Filing Fee	\$ 125.00
NYS Deed Real Estate Transfer Tax	\$ 1,748.00
NYC Real Property Transfer Tax	\$ 4,370.00
Mortgage Tax	\$ 7,136.80
Fee for 421-a Partial Tax	
Exemption Program	\$ 2,086.33
Closing Fee for Sponsor's Attorney	\$ 1,750.00

Contribution to Working Capital Fund	\$ 131.06
Total:	<u>\$ 20,105.44</u>

The above estimate does not include Purchaser's mortgage costs and cost for recording mortgage, which vary depending upon the lending institution.

SECTION O RIGHTS AND OBLIGATIONS OF THE SPONSOR

The rights and obligations of the Sponsor pursuant to this Plan shall be as follows:

1. a.) Sponsor is obligated to build and complete the Condominium in accordance with the building plans and specifications identified in this Plan. Sponsor has obtained sufficient construction financing to complete the construction of the Condominium. Sponsor shall have the right to substitute equipment or materials and make modifications of layout or design; provided, however, that Sponsor may not substitute equipment or materials of lesser quality or design.

 b.) Sponsor may not change the size or location of the Condominium Building, Units, other improvements or Common Elements if such changes affect the percentage of common interests or adversely affect the value of any Unit to which title has closed or for which a Purchase Agreement has been executed and is in effect unless all affected Unit Owners consent in writing to such change and all affected Purchasers are given the right to rescind and receive a fund of any deposit or down payment plus interest.

2. Sponsor agrees, prior to closing of the first Unit, to obtain a temporary or permanent Certificate of Occupancy for the Condominium Building. In the event Sponsor closes title to a Unit prior to obtaining a permanent Certificate of Occupancy, Sponsor agrees to obtain a permanent Certificate of Occupancy within two (2) years of closing title to the first Unit and, in no event, before expiration of an applicable Temporary Certificate of Occupancy, as same may be renewed, replaced, or extended. Purchasers are obligated to close, once a Temporary Certificate of Occupancy is issued.

If the first closing takes place prior to the issuance of a permanent Certificate of Occupancy for the property, Sponsor is required to maintain all deposits and funds in the special escrow account required by GBL Section 352-e (2-b) unless Sponsor's engineer, architect or other qualified expert certifies that a lesser amount will be reasonably necessary to complete the work needed to obtain a permanent Certificate of Occupancy, in which case the sum exceeding the amount so certified by Sponsor's engineer, architect or other qualified expert may be released from the special escrow account. Alternatively, Sponsor must deposit with an escrow agent an unconditional, irrevocable letter of credit, post a surety bond in the amount so certified, or provide other collateral acceptable to the Department of Law.

3. Sponsor agrees to pay for all authorized and proper work involved in the construction, establishment and sale of the Condominium Units, and the Condominium's property, and to cause all mechanics' liens with respect to such construction to be promptly discharged or bonded.

4. The Sponsor has no obligation to indemnify members of the Board or Unit Owners nor to defend any suits or proceedings, except as to claims arising out of the acts, omissions or representations of Sponsor.

5. After delivery of deed to Purchaser, Sponsor shall be required to perform all obligations imposed under this Plan, Article 23-A of the General Business Law, 13 New York CRR Part 20 and all other applicable laws.

6. Following the issuance of a permanent Certificate of Occupancy for the Building, Sponsor agrees to deliver a set of “as built” plans filed with the recording of the declaration of any amendment thereto and in addition will provide the Board with a full set of building plans filed with the local municipality together with any field changes made during the course of the construction.

7. The Sponsor has not obtained any bond or other security for the completion of construction of the Condominium Building.

8. The Sponsor shall be obligated to pay all common charges, special assessments and real estate taxes with respect to unsold units. Sponsor represents that it has the financial resources to meet its obligations with respect to unsold units. In addition, Sponsor will secure payment of such financial obligations by setting aside \$10,333.90 of the proceeds from the sale of the 1st Unit and depositing such amount into the escrow account of the Sponsor’s attorney after the closing of the 1st Unit. Said amount is equal to two (2) months’ worth of the 1st year common charges. The deposit of the Sponsor’s contribution to the condominium will be disclosed in the first post closing amendment.

NO BOND OR OTHER SECURITY HAS BEEN OR WILL BE POSTED TO SECURE SPONSOR’S OBLIGATIONS.

9. The Sponsor Agrees to procure fire and casualty insurance, as set forth in Section G, Schedule B in an amount equal to the insurance replacement value or in an amount sufficient to avoid co-insurance. Such insurance will provide that there will be no cancellation without notice to the Board of Managers and all Unit Owners.

10. Pursuant to Section 352 e(9) for the General Business Law, Sponsor agrees to keep copies of the Plan and Exhibits and documents referred to in the Plan on file at the office of Sponsor for six (6) years from the date of recording the Declaration for examination by any person who has purchased a Condominium interest offered by this Plan or otherwise participated in this offering.

11. The Sponsor will not voluntarily take any action which will prevent Sponsor from carrying out all of its obligations under the Plan. However, should Sponsor liquidate or dissolve prior to fulfillment of all obligations, the Unit Owner shall be relegated to pursue any and all remedies under law, if any. In the event of the dissolution or liquidation of Sponsor or the transfer of seven (7) or more Units or twenty percent (20%) or more of the total number of Units in the Condominium, whichever is less, the principals of Sponsor will provide financially responsible entities or individuals who will assume the status and all of

the obligations of Sponsor for those Units under the Offering Plan, applicable laws or regulations.

12. This Condominium Building will NOT be subject to the Housing Merchant Implied Warranty under Article 36-B of the General Business Law of the State of New York. Under the relevant provisions, a housing merchant implied warranty shall mean that: a. one year from and after the warranty date(which is defined as the date of the passing of title to the first owner for occupancy by such owner or such owner's family as a residence, or the date of first occupancy of the home, in this case, the Unit, as a residence, whichever first occurs)the Unit will be free from defects due to a failure to have been constructed in a skillful manner; b. two years from and after the warranty date the plumbing, electrical, heating, cooling and ventilation systems of the Unit will be free from defects due to a failure by the builder to have installed such systems in a skillful manner; and c. six years from and after the warranty date the Unit will be free from material defects.

The Sponsor will assign to the Purchaser upon the closing of title to his Unit and the Board of Managers upon the recording of the Declaration as applicable, warranties, if any, or manufacturers and subcontractors warranties relating to heating, electrical work, plumbing and appliances, as well as bonds relating to the Purchaser's unit of the common elements respectively, if any. Sponsor undertakes to do the above only to the extent that warranties are actually made by such manufacturers and subcontractors and only to the extent such warranties and bonds are assignable. Subsequent to the conveyance of title to a Unit, Sponsor shall not be responsible for paint touch-ups to a Unit, dented porcelain or formica chips. Sponsor has no obligation to make any repair to the Units or the common elements except as expressly set forth in the survival agreement or "punch list" entered between the parties at closing. Inasmuch as the Condominium Building consists of more than 5 stories, the Condominium Building will not be covered by the Housing Merchant Implied Warranty. Sponsor does not warrant materials or workmanship of each Unit or common elements except as stated in this paragraph.

Notwithstanding any warranty transferred to the Condominium or unit owners, the Sponsor remains liable to perform the construction of the premises in accordance with the Plan and applicable law. Therefore, if there are any patent or latent defects in the construction of the Condominium Unit and the common elements or in the installation or operation of any mechanical equipment therein due to materials or improper workmanship substantially at variance with the plans and specifications, Sponsor will cure such defects as promptly as possible, provided that it is notified of them in writing by certified mail within one(1) year from the date of the closing of title to the Unit in which the alleged defect exists, or in the case that such defect exists in the common elements, the date of substantial completion of such common elements, whichever later occurs.

13. The Sponsor will pay all expenses incurred prior to the establishment of the Condominium in connection with establishment, and will bear and pay all costs and expenses incurred in connection with the creation of the Condominium, whenever such costs

or expenses are incurred, or in connection with the sale of all the Units held or owned by Sponsor (Except for costs specifically made payable by Purchaser under this Plan) and will pay all selling expenses including but not limited to, advertising and printing costs, architect fees and costs of filing this plan and amendments thereto.

14. The Sponsor did not obtain construction financing and it believes that Sponsor's assets only will be sufficient to complete construction of Units offered. However, in the event Sponsor obtains a construction or building loan, Sponsor will be obligated to pay off and otherwise comply with the terms of a building loan mortgage on the entire condominium before the closing of title to the first unit, all liens and mortgages affecting the property shall be paid and satisfied on the Unit being conveyed and its appurtenant common interest shall be released therefrom by partial release.

15. In accordance with 339-p of the Real Property Law, a registered architect or licensed professional engineer shall certify that the floor plans filed with the recording of the Declaration are a substantially accurate copy of portions of the plans of the building as filed with and approved by the municipality or other governmental subdivision having jurisdiction over the issuance of permits for the construction of the building.

16. The Sponsor (its successors, assigns or designees) may offer all or any unsold Units for lease. Purchasers of any such leased Units will be purchasing Units that have been previously occupied. Sponsor will notify Purchasers of Units that have been previously occupied and will set forth the conditions in which such Unit will be delivered (including outstanding warranties, if any). There shall be no obligation of or any other offeror of such Unit to decorate, refurbish or in any way repair such unit.

The Sponsor is reserving an unconditional right to rent rather than sell. Because Sponsor is not limiting the conditions under which it will rent rather than sell Units, there is no commitment to sell more Units than the 15% necessary to declare the Plan effective, and owner-occupants may never gain effective control and management of the Condominium. Sponsor's construction control lender does not impose any limits on Sponsor's right to rent rather than sell Units. (See Section P, Paragraph 1 a.)

If Sponsor makes a bulk sale of all or some of its unsold Units, the transferee-successor of Sponsor is bound by Sponsor's representation regarding its commitment to sell Units. In the event of the dissolution or liquidation of Sponsor or the transfer of ten(10) or more Units or twenty percent (20%) or more of the total number of Units in the Condominium, whichever is less, the principals of Sponsor will provide financially responsible entities or individuals who will assume the status and all of the obligations of Sponsor for those Units under the Offering Plan, applicable laws or regulations.

All Purchasers shall note that the Condominium Board does not have the right to approve or disapprove Purchasers, there is no limit on the number of owners who may

purchase for investment rather than for personal occupancy, and there may always be a substantial percentage of owners who are non-residents.

17. As a condition of sales of Units pursuant to this Plan, Sponsor reserves to itself, its successors, assigns, designers, invitees, contractors, agents, employees and tenants any and all easements and rights of access, in and to Units and common elements consistent with the purposes of the Plan and Sponsor's rights and obligations thereunder. Such rights shall include the following, but not be limited thereto:

a.) The right to maintain general and sales and leasing office(s) and personnel on the premises, to post signs, and to conduct other activities connected with promotion, sales, leasing, such as inspection by and display of vacant or leased Units, as well as the common elements, to prospective purchasers or lessees;

b.) Right of access in and to Units and common elements for purposes of construction, repair, refurbishments correction, alterations, finishing, servicing (including, but not limited to garbage collection) and similar work; and Sponsor reserves the easements, licenses, rights and privileges of a right-of-way in, through, over under and across the common elements of the Condominium for the purpose of completing construction and sale of Units and facilities in the Condominium and, towards this end, reserves the right to grant and reserve easements and right-of-way in, through, under, over, and across the common elements for installation, maintenance and inspection of lines and appurtenances for public or private water, sewer, drainage, cable television, and other utilities and for any other materials or services necessary for the completion of the work. Sponsor also reserves the right to connect with and make use of the utility lines, wires, pipes, conduits, cable television, sewers and drainage lines which may from time to time be in or along the streets and roads of other areas of the common elements. Finally, Sponsor reserves the right to continue to use the common elements, any facilities, sales offices, model Units, signs, and parking spaces located on the common elements, in its efforts to market Units constructed in the Condominium. Sponsor will be obligated to repair any damage to the common property caused as a result of its use and the easements, licenses, rights and privileges of a right-of-way to repair the Condominium. With regard to Sponsor's right to access in and to Units, a reasonable prior notice shall be given to the Unit Owner, and Sponsor shall use its best effort not to interfere with the owner's use of his/her unit. All works shall be performed during reasonable hours

c.) Right to alter any Unit or common elements subject to filed amended plan and/or specifications, consistent with this offering.

18. The risk of loss from fire or other casualty to the units, common elements and limited common elements remains with Sponsor unless and until legal title to the Unit has been conveyed to Purchaser or Purchaser has taken actual possession of the Unit pursuant to a written agreement other than an Interim Lease with Sponsor. Thereafter, it passes to the

Unit Owner together with the limited common elements to which the Unit Owner has access, and its proportional share of the common elements.

It should be noted that insurance for the condominium covers the Unit but the Purchaser is responsible for the contents of the Unit (i.e. Purchaser's personal property).

It is a special risk if Purchaser enters into possession prior to closing in which case, Purchaser assumes the risk of loss for property not covered by the insurance for the units and for any Purchaser who enters into possession before closing. It is recommended that Purchaser obtain insurance for his/her personal property. (See Section K.)

If an Interim Lease is entered pursuant to Section J, the risk that an Interim Lessee assumes is the risk of loss for the personal property not covered by the condominium insurance. Insurance proceeds are available to either Sponsor of the condominium for loss to the Unit and an Interim Lessee shall not assume such loss.

In the event any units are damaged by a casualty or other cause before closing, Sponsor is responsible to repair such damages at Sponsor's sole costs and expenses prior to closing unless Purchaser has taken the possession of the Unit prior to closing. If the closing delays for more than six (6) months due to Sponsor's inability to repair the damages, Purchaser may rescind the contract and receive the refund of downpayment.

Sponsor's obligations as set forth in this Section will survive delivery of any Unit Deed.

Except as specifically set forth herein, no bond or other security has been furnished to secure performance of the above. All obligations pertaining to the common elements shall be enforceable only by the Board of Managers on behalf of the Unit Owners and not by the individual Unit Owners. However, nothing herein shall prevent an individual Unit Owner from bringing an action in the nature of derivative actions against the Board of Managers. During the time the principals of the Sponsor control the Board, it is within their sole power to enforce the obligation of Sponsor pertaining to the common elements and, therefore, Sponsor agrees that during such period it will, in its capacity as the Board of Managers, enforce such obligations when required to do so by a resolution duly passed by a majority of the Unit Owners, excluding Sponsor, at a special meeting of the Unit Owners called for such purpose.

SECTION P

CONTROL BY THE SPONSOR

1. The extent to which Sponsor may exercise voting control over the Board of Managers until transfer of title to all Units to be offered under this Plan as it may be hereinafter amended is as follows:

a) Until all Units are sold, Sponsor shall be entitled to designate all of the Managers. Three (3) board members designated by Sponsor will sit on the initial Sponsor controlled board. If the Sponsor voluntarily gives up control before all Units are sold, Sponsor shall be entitled to vote for Managers in accordance with the By-Laws; provided, however, that should Sponsor be unable to obtain equivalent representation in proportion to the number of Units owned by Sponsor through such electoral process, Sponsor shall be entitled to appoint one (1) Manager so long as it holds at least one of the Units for sale in the ordinary course of business. In the event all Units are sold, Sponsor control period will end immediately. Sponsor will immediately give up control over the Board of Managers, and a meeting will be held to elect new board members of three, unrelated to the Sponsor, within thirty (30) days of the expiration of the Sponsor control period. All Unit owners will vote in the same capacity for the new 3-member board. The By-Laws of the Condominium do not require that after the initial Sponsor control period, a majority of the Board of Managers must be owner-occupants or members of an owner-occupant's household who are unrelated to the Sponsor and its principals. This means that Purchasers for their own occupancy may never gain control of the Board of Managers under the terms of this Plan. Owner-occupants and non-resident owners, including Sponsor, may have inherent conflicts on how the Condominium should be managed because of their different reasons for purchasing, i.e., purchase as a home as opposed to as an investment.

b) In addition, so long as Sponsor has any unsold Units remaining, no amendment to the By-Laws or the Declaration affecting the rights of Sponsor shall take place without the written consent of Sponsor.

2. In the event that Sponsor voluntarily gives up control of the Board of Managers before all units are sold, so long as Sponsor or its designees shall continue to own Units representing 25% or more in common interest, but in no event later than five years from closing of title to the first Unit, the Board of Managers may not, without Sponsor's prior written consent: (i) make any addition, alteration or improvements to the common elements costing cumulatively more than \$10,000.00, the foregoing not to include necessary repairs and maintenance work, or (ii) assess any common charges for the creation of, addition to, or replacement of all or part of a reserve, contingency or surplus fund, or (iii) hire an employee in addition to the employees referred to in the Plan of Condominium ownership, or (iv) enter into any service or maintenance contract for work not covered by contracts in existence on the date said Plan is declared effective, or (v) borrow money in excess of \$10,000 on behalf of the Condominium, or (vi) take any action

which impairs Sponsor's sales program or continued use of the Condominium property in connection with such program, or (vii) increase or reduce the services of maintenance set forth in Schedule B. No provision stated herein can allow Sponsor to act in violation of Paragraphs 3 and 4 below.

3. Sponsor may not exercise veto power over expenses described in Schedule B, or over expenses required

- a) to comply with applicable laws or regulations; or
- b) to remedy any notice of violation; or
- c) to remedy any work order by an insurer.

4. Sponsor may exercise veto power over expenses other than those described in Paragraph 3 above, for a period ending not more than five (5) years after the closing of first Unit or whenever the unsold Units constitute less than twenty-five percent (25%) of the common interest, whichever is sooner.

SECTION Q BOARD OF MANAGERS

It is the function of the Board of Managers to administer the affairs of the Condominium and supervise the operation of the Condominium property. The following is a summary of the important sections of the Declaration and By-Laws with regard to the Board of Managers.

1. a) The number of Managers which shall constitute the initial Board shall be three (3) until succeeded by Managers elected at the first annual meeting of Unit Owners. The original Board of Managers need not be Unit Owners (or officers, directors or partners of Unit Owners). The first Board of Managers of the Condominium will be Wing Fung Chau, Bo Jin Zhu and Angela Lu, all of whom are principals of the Sponsor. Wing Fung Chau will be the president of the Board of Managers.

 b) Within thirty (30) days after title to the last Unit is conveyed by Sponsor or such earlier time at Sponsor's sole discretion, but in any event, no later than two (2) years after the closing of title to the first Unit, Sponsor shall call the first annual Unit Owners' meeting. At such meetings, a new Board of Managers unrelated to Sponsor, with three (3) members shall be elected by the Unit Owners. Except as hereinafter provided, such Managers shall be Unit Owners or officers, directors, stockholders or partners of Unit Owners. The former members of the Board shall thereupon resign. Thereafter, annual meetings shall be held on the anniversary of such date in each succeeding year; except that if such date is a Saturday, Sunday or legal holiday the annual meeting shall be held on the next succeeding business day. At such meetings, there shall be elected by ballot of the Unit Owners a Board of Managers in accordance with the requirements of Article III of the By-Laws.

 c) The Managers shall be elected annually at the annual meeting of Unit Owners by a majority vote, cumulative voting being prohibited. The Managers shall hold office until their successors have been elected.

 d) Notwithstanding the foregoing, to insure that Sponsor has at least minimum representation on the Board of Managers during its sales and marketing program, and in the event such minimum representation is not obtained pursuant to the election criteria set forth above, Sponsor shall have the right to designate one (1) of the members of the Board of Managers so long as it owns at least one (1) Unit. Members of the Board of Managers designated by Sponsor need not be Unit Owners or officers, directors, stockholders or partners of Unit Owners.

 e) Any member of the Board may be removed from office with or without cause by the vote or agreement in writing of a majority of all Unit Owners. A special meeting of the Unit Owners to recall a member or members of the Board shall be called by the President as directed by a majority of the Unit Owners or the Board. The notice of such special meeting shall state the purpose of the meetings. A majority of the remaining Managers shall elect a successor who shall hold office for the unexpired term of the

removed Managers, except that the Sponsor shall have the right to replace any Manager elected or appointed by Sponsor.

f) The rights granted to Sponsor under Article III of the By-Laws and as outlined in this Section, shall not be exercised in such a manner as to give Sponsor the right to control the Board of Managers after Sponsor calls the first annual Unit Owners meeting as provided for in Paragraph 1 (b) above and Sponsor shall agree not to cast votes to control the Board of Managers.

2. a) Written notice of the annual meeting of the Unit Owners shall be personally served upon or mailed to each member entitled to vote at such address as appears on the books of the Condominium, at least fourteen (14) but no more than thirty (30) days prior to the meeting. The post office receipt of mailing shall be proof of such mailing.

b) Written notice of a special meeting of the Unit Owners stating the time, place and object thereof shall be served upon or mailed to each member entitled to vote thereon at such address as appears on the books of the Condominium at least fourteen (14) but no more than thirty (30) days before such meetings. Notice of meetings at which disposition of Condominium property will be voted upon must also be given record mortgagees.

c) The minutes of all meetings of Unit Owners shall be kept in a book available for inspection by Unit Owners or their authorized representatives and Board members at any reasonable time. The Board shall retain these minutes for a period of not less than seven (7) years.

d) All Unit Owners will receive annually, within 3 months of the end of each fiscal year, copies of an annual report of the Condominium including a balance sheet and a profit and loss statement certified by an independent public accountant, a statement regarding any taxable income attributable to the Unit Owner and notice of the holding of the annual Unit Owners meeting. All Unit Owners shall be entitled to examine the books and records of the Condominium on reasonable notice to the Board, but not more than once a month.

e) All Units which are acquired by the Board of Managers, or its designees, subject to the Board's right of first refusal, shall be held by it on behalf of all Unit Owners. The Unit Owners shall hold their respective interests in the Unit in proportion to their percentage of common interest and the votes appurtenant to such Units shall be cast by the Board of Managers or its designee at all meetings of the Unit Owners, except that the Board will not vote in any election of members of the Board.

3. The first Board of Managers of the Condominium will be Wing Fung Chau, Bo Jin Zhu and Angela Lu. Sponsor retains the right to substitute other persons in place of the

above named individuals until the resignation of the first Board of Managers, as set forth below.

4. As stated in the By-Laws, no member of the Board of officers shall receive any compensation or fee for their services as a Manager or Officer.

5. The Board may remove any officer or management agent of the Condominium at its discretion or should said manager or management agent be appointed by contract then such removal shall be dependent upon the terms of the governing contract.

6. The member of the Board of Managers shall not be liable to the Unit Owners for any mistake of judgment, negligence or otherwise, except for their own individual willful misconduct, bad faith or gross negligence. It is intended that the members of the Board of Managers shall have no personal liability to others arising out of the contracts made by the Board of Managers on behalf of the Condominium. The Unit Owners shall indemnify and hold harmless each of the members of the Board of Managers against all contractual liability to others arising out of the contracts made by the Board of Managers on behalf of the Condominium unless any such contract shall have been made in bad faith or contrary to the provisions of the Declaration or By-Laws.

7. Each Unit Owner shall be entitled to cast one vote on each Ballot for each 0.01% of common interest he/she owns. The three (3) nominees receiving the highest number of votes on each of their ballot shall constitute the duly elected Board of Managers.

8. a) The Declaration may be amended at any regular or special meeting of the Unit Owners called or convened in accordance with the By-Laws by the affirmative vote of at least two-thirds (2/3) in number and in common interest of all Unit Owners, except where otherwise specified. Minor corrective amendments may be approved by the Board or the Sponsor. Each amendment shall be effective upon the recording in the Office of the Register of the County of Queens of an appropriate instrument setting forth the amendment and its due adoption, execution and acknowledgement by one or more officers of Sponsor or one or more members of the Board. No amendments shall be passed which shall impair or prejudice the right or priorities of any mortgagee without the prior written consent of such mortgagee which consent shall not be unreasonably withheld. No amendment shall be passed which shall in any way affect any of the rights, privileges, powers or options of Sponsor. No amendment which affects the percentage of common interest appurtenant to any Unit shall be passed without the consent of all affected Unit Owners.

b) Except where a greater percentage is required under the Declaration or the Condominium Act, the By-Laws may be amended by the affirmative vote of at least two-thirds (2/3) of the Unit Owners at a meeting duly called; provided, however, that no amendments to the By-Laws shall be passed which would operate to impair or prejudice the rights or liabilities of any mortgagee.

c) No amendment to the Declaration, the By-Laws or this Plan shall, in any manner, change the rights and privileges of Sponsor without the written approval of the appropriate party.

9. The By-Laws of the Condominium do not require that after the initial Sponsor control period, a majority of the Board of Managers must be owner-occupants or members of an owner-occupant's household who are unrelated to Sponsor and its principals. This means that Purchasers for their own occupancy may never gain control of the Board of Managers under the terms of this Plan. Owner-occupants and non-residents owners, including Sponsor, may have inherent conflicts on how the Condominium should be managed because of their different reasons for purchasing, i.e., purchase as a home as opposed to as an investment.

SECTION R

RIGHTS AND OBLIGATIONS OF THE UNIT OWNERS AND THE BOARD OF MANAGERS

The rights and obligations of Unit Owners may be summarized as follows:

1. a) A Unit Owner has the right to sell or lease his Unit providing he gives notice of the bona fide terms of any proposed sale or lease to the Board of Managers and obtains their approval for the sale and lease. The failure of the Board of Managers to approve or disapprove such proposed sale or lease within thirty (30) days after notice thereof or thirty (30) days after submission of such reasonable information as requested by the Board shall be deemed to constitute approval. If the Board disapproves the transaction, it shall within fifteen (15) days after making its decision known, produce a Purchaser or lessee who will accept the transaction upon the same terms as those terms stated in the notice to the Board. If the Board does not produce such a Purchaser or lessee within the aforesaid fifteen (15) days the Unit Owner shall have the right to effectuate such sale or lease on the terms submitted, as more specifically set forth herein.

b) Alternatively, the Board of Managers may designate itself to purchase or lease such Unit on behalf of all of the Unit Owners, in the manner set forth herein, provided that approval for such purchase or lease is obtained from Unit Owners owning Units to which not less than seventy-five (75%) percent of the common elements are appurtenant. In the event the Board of Managers does not have sufficient funds on hand for such purchase or lease from working capital, it may either borrow such funds and/or assume an existing indebtedness secured only by a mortgage on the Unit, or may assess the Unit Owners therefore in proportion to their percentage of common interest, or the Board may use any combination of these methods to undertake the acquisition.

The closing of sale of the Unit or date of the commencement of the term of lease shall be the same as set forth in the contract to sell or lease included in the notice of such proposed transaction to the Board if the transaction is disapproved.

c) Any sale or lease which is not authorized by the terms of the By-Laws or for which authorization has not been obtained pursuant to the terms hereof is voidable and may be voided in action brought by the Board of Managers.

d) A Unit Owner intending to make a sale or lease of the Unit shall give notice to the Board of Managers of such intention. He shall furnish the following information to the Board: (a) the name and address of the intended grantee or lessee; (b) financial and professional references of the transferee or lessee; (c) an executed copy of the proposed contract of sale or lease; and (d) such other information as the Board of Managers may reasonable require. He shall use the form, if any, supplied by the Board in order to supply such information. Such notice, when given, shall constitute a representation, warranty and an offer to sell or lease to the Board or any Purchaser or lessee produced by the Board and a representation that the Unit Owner believes the offer to be bona fide in all respects. The Board shall have a right of first refusal, with regard to the proposed sale or lease by the Unit Owner, upon the same terms and conditions as set forth in the notice to the Board. All notices shall be

given by registered or certified mail. Delivery shall be deemed made and notice shall be deemed given by such mailing and shall not be dependent upon acceptance by the addressee.

e) When the Board has produced a Purchaser or a lessee within the fifteen (15) day period set forth above and Purchaser or lessee so agrees, a binding contract shall be deemed to have come into existence and the Unit Owner shall be obligated to consummate the transaction with such Purchaser or lessee furnished by the Board, in accordance with the terms thereof.

f) The action by the Board of Managers consenting to a sale or lease shall be in recordable form. The failure of the Board to act on a notice given to it, together with such additional information reasonable requested, within thirty (30) days shall be deemed to constitute approval of the sale or lease. The Unit Owner, the Purchaser or lessee may demand and shall be entitled to receive from the Board consent to the sale or lease in recordable form.

g) The Board of Managers may not discriminate against any person on the basis of race, creed, color, national origin, sex, age, disability, marital status, other grounds prohibited by law.

h) If the proposed Purchaser or lessee of a Unit, or any interest therein, is other than a natural person, the approval of the sale shall be conditioned upon the approval by the Board of Managers of the entity or entities which will occupy the Unit.

i) The right of first refusal granted herein shall not be applicable to the following:

1) The sale, lease or sublease of Units by or to Sponsor;

2) The sale or lease of the Unit to an Owner's spouse, issue, parents, grandparents, or grandchildren;

3) Foreclosure or other judicial sale of Condominium Units or a conveyance by the Owner of a Unit to a mortgagee in lieu of foreclosure; and any subsequent sale, lease or sublease by a mortgagee (provided that unrelated persons acquiring the Unit from such mortgagee shall be subject to such right of first refusal herein);

4) The sale, lease or sublease from a Unit Owner to a partnership, corporation or limited liability company in which the Unit Owner is a partner, principal stockholder or member; from a partnership, corporate owner or limited liability company to the partners, stockholders or members thereof; from partners who are owners to new partners; from one co-owner to another;

5) A conveyance or transfer from a Unit Owner by gift, devise by will or intestate succession.

2. a) All units shall be used in accordance with a Certificate of Occupancy and in compliance with zoning codes.

b) Sponsor may utilize a limited number of Units for models and as a sales office in conjunction with the sale and rental of Unsold Units.

c) Restrictions on Occupancy and Use:

No immoral, improper, offensive or unlawful use shall be made of the Condominium property or any property operated by the Board or any part of it. All valid laws, zoning ordinances and regulations of all governmental bodies having jurisdiction shall be observed. No nuisance shall be allowed on the Condominium property. All parts of the Condominium shall be kept in a clean and sanitary condition, and no rubbish, refuse or garbage allowed to accumulate no any fire hazard allowed to exist. Access to common elements may not be obstructed in any way.

d) The owners of Units shall be fully responsible for the activities and actions of their guests, visitors, permittees, invitees or employees and shall take all necessary action to insure that all such persons fully comply with the provisions of the Declaration and the By-Laws and rules and regulations of the Condominium.

e) Unit owners are not allowed to maintain any pets.

3. A Unit owner shall have the right to mortgage or encumber his Unit provided that such mortgage or encumbrance is made to a mortgagee as defined in Section C, Definitions.

4. a) Each Unit owner shall be liable for that percentage of the common expenses of the Condominium that corresponds to that owner's percentage of ownership in the common elements set forth in Schedule A. However, additional services with the Unit owners may desire or other factors, can increase these charges. The Board of Managers shall have the power to fix, determine, and collect assessments to cover these common expenses. The Board of Managers may commence the collection of common charges upon the closing of title to the first Unit or at any subsequent date as in its sole discretion it may determine. The Board's collection of common charges will be in such amount as will be necessary to carry out the duties of the Board of Managers as set forth in the Plan. All such common charges shall be paid by the Unit owners and Sponsor, as the owner of the unsold units, in accordance with their respective percentage of common interest as set forth in the Plan. The Board of Managers will have a lien on each unit for unpaid common charges pursuant to and Real Property Law Section 339-z, and the lien can be made effective pursuant to Real Property Law Section 339-aa. The common charges will be placed in an account in the name of the Board of Managers.

The Sponsor shall be liable for the monthly common charges of all Units which have not been transferred to a Purchaser, commencing after the closing of title to the first Unit. Sponsor will cause the Board to file a lien as provided by Real Property Law Section 339-aa

on the Units in which Sponsor is 30 days in arrears of common charges while in control of Board.

b) The common expenses of the Condominium shall include, without limitation, management fees, salary for the building staffs, building maintenance and repair, utilities for common area, water & sewer charges, accountant, legal and insurance fees.

c) The common expenses of the Condominium shall be incurred to provide for the full enjoyment and protection of each Unit Owner's use of the Common Area of the Condominium.

d) The common charges do not include maintenance, repairs or decoration of any of the Units or portions thereof, electricity and gas consumed by each unit, or payments required pursuant to the terms of the Unit Owners Mortgages and Real Estate Taxes covering the individual Units.

e) Under the Real Property Law, the Board of Managers shall have a lien against each Unit for its unpaid common charges (plus legal interest) prior to all other liens except liens for the payment of taxes and all sums unpaid on a first mortgage of record. The lien shall also cover reasonable attorney's fees incurred to collect the unpaid assessments together with all costs of the suit. The Board may also declare the common charge assessment on the delinquent Unit owner's Unit for the balance of the fiscal year immediately due and payable. The lien shall continue in force even after resale of a Unit except that in accordance with the Declaration, the Board shall release the lien and its right to collect prior unpaid common charges against any purchaser of a Unit where the purchase arises out of a foreclosure of a first mortgage of record. The Board of Managers may foreclose the lien in the same manner as a mortgage on real property and in so doing shall be entitled to recover all costs incurred including the reasonable attorney's fees. The liability of each Unit owner for the payment of common charges thereafter assessed against his Unit shall terminate upon a sale, transfer or conveyance of the Unit in accordance with the provisions of the Declaration and By-Laws. Further, any Unit owner may convey his unit to the Board of Managers or its nominee on behalf of all other Unit owners, without any compensation, in accordance with the Declaration and By-Laws. In that case, he shall be exempt from any common charges thereafter assessed, but not relieved of his obligation to pay his mortgage loan. A Unit owner may not exempt himself from liability for his common charges by waiver of the use or enjoyment of any of the common elements or by abandonment of his Unit. Upon resale, the purchaser of a Unit shall be liable for the payment of unpaid common charges assessed against the Unit prior to the acquisition of the Unit by the purchaser, except that a first mortgagee who acquires title to a Unit or other purchaser at a foreclosure sale of a first mortgage shall not be liable and the Unit shall not be subject to a lien for the payment of common charges assessed prior to the acquisition of title to the Unit by the mortgagee or purchaser at foreclosure sale. In that case and in the event of a foreclosure by the Board of Managers of its lien on any Unit for unpaid common charges where the proceeds of the foreclosure sale are not sufficient for the payment of such unpaid common charges, the unpaid balance shall be charged to all other Unit owners as a common expense. Sponsor will cause the Board of Managers to file a lien against itself on Units, in which Sponsor is more than 30 days in arrears while it is in control of the Board.

f) Default in payment of common charges by non-occupying owners: - Real Property Law, Section 339-kk.

The Real Property Law has been amended by adding a new section 339-kk, which provides as follows:

If a Unit owner who does not occupy the unit rents such unit to a rental tenant, and then fails to make payments due for common charges, assessments or late fees for such Unit, within sixty (60) days from the expiration period after they are due, the Board of Managers shall provide a written notice to the tenant and the non-occupying owner providing that commencing immediately and until such time as all payments for common charges, assessments or late fees are made current, all payments due subsequent to the issuance of such notice are to be made payable to the Board of Managers at the address listed on the notice. Where a majority of the Board of Managers has been elected by and from among the Unit owners who are in occupancy, the Board of Managers may elect not to require that rental payments be made payable to the Board of Managers. At such time as payments for common charges, assessments and late fees from the non-occupying owners are once again current, a notice of such fact shall be given within three (3) business days to the rental tenant and non-occupying owner. Thereafter, all payments shall be made payable to the non-occupying owner or a designated agent. A non-occupying owner who disputes the Board of Managers' claim to rental payments shall be entitled to present facts supporting such owner's position at the next scheduled meeting of the Board of Managers which must be held within thirty (30) days of the date that such Board received notice that such owner seeks to dispute such claim. Payment by a rental tenant to the Board of Managers shall relieve the rental tenant from the obligation to pay such rent to the non-occupying owner and shall be an absolute defense in any non-payment proceeding commenced by such non-occupying owner against such tenant for such rent.

5. The responsibility for repairs and maintenance is as follows:

a) The maintenance and repair of the common elements shall be the responsibility of the Condominium unless such repairs or replacement become necessary as a result of the negligence or abuse of a Unit owner. The cost of such repairs or replacement shall be borne solely by the Unit owner who caused the repair or replacement due to his/her negligence or abuse. It is the obligation of each Unit owner to provide an access to their Unit and to the limited common elements to the Board of Managers for inspection or repairs, provided that such inspection and repairs are made with a reasonable prior notice and during reasonable hours, except for emergency repair.

b) Any expenses attributable to the maintenance, repair or replacement of limited common elements shall be the responsibility of the Unit owner who has exclusive use of the limited common elements. Exterior surfaces of balconies and terraces, if any, shall be treated as limited common elements for this purpose.

All maintenance to the Units, including electrical repairs, plumbing stoppage, window cleaning, painting and decorating in the Units (except for cleaning of exterior surface of the

windows), repairs and replacement to Units including windows and doors (including all glass breakage) and repairs to heating and air conditioning units, if any, pipes, wires and conduits located in and servicing the same Unit other than as set forth, shall be made by the respective Unit owner's at their expense.

6. Additions, alterations or improvements by Unit owners:

The Unit owner can make interior alterations or improvements to the Unit he desires without obtaining the consent of the Condominium so long as the alterations or improvements do not affect the building or any other common elements. No Unit owner (other than Sponsor as noted in the By-Laws) may make any structural additions, alterations or improvements in his Unit or of the common elements without the prior written approval of the Board or impair any easement without the written consent of the Board and the Unit owner or owners for whose benefit such easement exists. The Unit owners shall not employ any contractor that may cause labor disturbances or other stoppage in the work of the Building employees or other contractors or subcontractors employed in the Building or at the property. No Unit owner shall erect any privacy fence, sunscreen or similar object or enclose the balcony except as expressly permitted by the rules and regulations of the Condominium without prior written approval of the Board. No structure shall be erected on the terraces or yard. Until control of the Board is relinquished to other Unit owners, Sponsor will not make any improvements or additions to the common elements which would result in the imposition of special assessments or result in a substantial increase in the common expenses. However, this will not apply to the expenses required

- (i) To comply with applicable laws or regulations; or
- (ii) To remedy any notice of violation; or
- (iii) To remedy any work order by an insurer.

7. The Board of Managers (or Sponsor until control of the common elements is vested in the Condominium) shall maintain insurance coverage as follows:

a) Property: All Condominium property shall be insured in an amount equal to the maximum insurable replacement value, excluding foundation and excavation costs, and all personal property included in the common elements shall be insured for its maximum insurable replacement value, said value to be determined annually by the Board. Such coverage shall afford protection against

- 1) Loss or damage by fire and other hazards covered by a standard extended coverage endorsement; and,
- 2) Such other risks as from time to time shall customarily be covered with respect to buildings similar in construction location and use including, but not limited to, vandalism and malicious mischief.

b) Comprehensive General Liability: The amount and coverage shall be determined by the Board, including but not limited to, hired automobile and non-owned automobile coverage if applicable, including a cross liability endorsement to cover liabilities of the Unit Owners as a group to a Unit owner.

c) The fire casualty and general liability insurance must be on terms that provide: (1) that such Unit owner is additional insured party; (2) that there will be no cancellation without notice to the Board of Managers; (3) a waiver of subrogation; (4) a waiver of invalidity because of the acts of the insured and unit owners; and (5) waiver of pro-rata reduction if Unit owners obtain additional coverage.

d) It is important to recognize that the insurance described in sub-paragraph a), above, provides coverage for the Condominium. Each Unit owner is advised to obtain liability and casualty insurance covering his own Unit and insurance covering personal possessions and living expenses.

8. In the event that a Unit owner fails to maintain his Unit as required herein or otherwise violates the provisions hereof, the Board shall have the right to assess the Unit owner and the Unit for the sums necessary to restore the Unit to good condition, to collect such assessments and have a lien for same as provided herein. The Board shall have the right, before or after any such assessment, to have its employees or agents enter the Unit and do the work necessary to enforce compliance with the above provisions. Unit owners may also be individually assessed for any damage to the common elements or limited common elements which may be caused by such owners, their family, lessees, guests, invitees or permittees. If it becomes necessary for the Board of Managers to bring a lawsuit or any other proceeding to enforce its right to make a repair or correct a condition or to collect any sum due on account thereof, the Board of Managers shall also be entitled to collect reasonable attorneys' fees in connection with any suit or proceeding.

9. a) Each Unit owner, his family, lessees, invitees and permittees, shall be governed by and conform to the Declaration and the By-Laws and rules and regulations of the Condominium. Failure to do so shall entitle the Condominium or any Unit owner to recover damages or obtain injunctive relief or both, but such relief shall not be exclusive of other remedies provided by law.

b) The Sponsor shall enjoy certain exceptions to these Condominium documents so long as the Sponsor has any Unit of sale. These special reserved rights of the Sponsor shall cover such activities as using the Units for sales offices, selection of members of the Board of Managers and amendments to the Condominium documents. In any event, however, Sponsor may not cease sales efforts and indefinitely rent/lease or reserve units for selection of members of the Board.

10. At the time of the closing to a Unit, there will be no other lines or encumbrances on the Unit or common elements other than the lien for non-payment of common charges, the lien of the first mortgage which arises if the purchaser obtains a first mortgage on his Unit and the liens and encumbrances set forth on Section M, paragraph 10.

11. Ownership of Unit in the Condominium subjects the Unit owner to compliance with the provisions of the Declaration and By-Laws as well as any rules and regulations contained in the Declaration or By-Laws or established by the Condominium in accordance therewith. The rules and regulations set forth in the By-Laws and Declaration can be found in Section GG and HH. The Board of Managers can institute legal actions to enforce compliance with the provisions of the Declaration and By-Laws as well as the rules and regulations established therewith. Sponsor shall have the right to alter unsold Units or common elements by amending plan and/or specification. However, any construction which might be undertaken by Sponsor shall in no event undermine the structural integrity of the Building. The provisions of the By-Laws which require members of the Board of Managers to be Unit owners will not apply to the first Board of Managers.

12. The property and business of the Condominium shall be managed by the Board of Managers. The powers of the Board of Managers include, but are not limited to, the following items:

- a) To determine and levy monthly assessments ("common charges") to cover the cost of common expenses, payable in advance.
- b) To collect, use and expend the assessments collected to maintain, care for and preserve the Units, Buildings, and other common elements;
- c) To make reports, restore or alter any Unit or common elements after damage or destruction by fire or other casualty or as a result of condemnation or eminent domain proceedings;
- d) The Board of Managers and its agents, employees and contractors shall have a right of access to any unit and to all portions of the common elements for the purpose of carrying out any of its obligations under the Declaration and By-Laws.
- e) To insure and keep insured the common elements and Units;
- f) To collect delinquent assessments by suit or otherwise, to abate nuisances and to enjoin or seek damages from the Unit owners of the property for violations of the house rules or rules and regulations herein referred to;
- g) To make reasonable rules and regulations;
- h) To employ and terminate employment of employees and independent contractors and to purchase supplies and equipment, to enter into contracts, and generally to have the powers of a manager in connection with the matters hereinabove set forth.
- i) To bring and defend actions by or against more than one Unit owner and pertinent to the operation of the Condominium and to levy special assessments to pay for the cost of such litigation.

j) To acquire Units in foreclosure or as a result of abandonment and to take any or all steps necessary to repair or renovate any Unit so acquired and to vote as a Unit owner, offer such Unit for sale or lease or take any other steps regarding such Unit as shall be deemed proper by the Board of Managers;

k) To make additions, alterations, or improvements to the common elements of the Condominium of which addition, alteration, or improvement does not exceed \$10,000. The Board of Managers may make additions, alterations or improvements to the common elements costing in excess of \$10,000 only with the approval of a majority of the Unit owners. While Sponsor is in control of the Board of Managers, the Board may make additions, alterations, or improvements to the common areas elements costing in excess of \$10,000 or enter into service or maintenance contracts the duration of which will extend more than a year after Sponsor loses control of the Board of Managers, only with the approval of a majority of the Unit owners, excluding Sponsor, voting at duly held meeting of the Unit owners.

l) To borrow money on behalf of the Condominium when required in connection with the operation, care, upkeep and maintenance of the common elements, provided, however, that (i) the consent of at least 66 2/3% in number of all Unit owners, obtained at a meeting duly called and held for such purpose in accordance with the provisions of the By-Laws, shall be required for the borrowing of any sum in excess of \$10,000 and (ii) no lien to secure repayment of any sum borrowed may be created on any Unit or its appurtenant interest in the common elements without the written consent of the owner of said Unit.

m) Since each Condominium Unit is separately assessed for real estate tax purposes, each Condominium Unit owner must institute his own proceeding to review real estate tax assessments against such Unit. However, the Board of Managers may institute such proceeding on their behalf with the consent of all Unit owners.

n) Any contract, agreement or commitment made by the Board of Managers shall be made by the Board of Managers, as agent for the Unit owners as a group only. No member of the Board of Managers nor individual Unit owners shall be liable for such contract, agreement or commitment. The Unit owners shall be liable as a group under such contract, agreement or commitment but the liability of each Unit owner shall be limited to that percentage of the total liability that is equal to his percentage of common interest. The Board of Managers shall have no liability to the Unit owners in the management of the Condominium except for willful misfeasance or malfeasance and the Unit owners shall severally indemnify all members of the Board of Managers against any liabilities or claims arising from acts or omissions taken by a member of the Board of Managers in accordance with his duties as such member except acts of willful misfeasance or malfeasance. Such several liability of the Unit owners shall, however, be limited as to each Unit owner to such proportion of the total liability thereunder as such Unit owner's common interest bears to the common interest of all Unit Owners.

Upon taking title, each Unit owner will automatically have one vote at all meetings of the Unit owners for each 0.01% of interest in the common elements owned by him unless otherwise mandated by law or expressly provided for in the declaration.

The By-Laws will not be amended so as to adversely affect any Unit owner while Sponsor retains voting control of the Condominium. Sponsor will not cast any of its votes for termination of the condominium except as set forth at Section R, Paragraph 8.

o) To enter into a Management Agreement with a managing agent.

13. a) The exclusive officers of the Condominium shall be President, who shall be a Manager, Vice President, Treasurer and Secretary, all of whom shall be elected annually by the Board. The Board may appoint an Assistant Secretary, an Assistant Treasurer or such other officers as the Board determines is necessary to efficiently administer the affairs of the Condominium.

b) All officers and agents shall be subject to removal, with or without cause, at any time by the affirmative vote of a majority of the entire Board except the managers representing Sponsor. Only Sponsor has the right to replace the manger elected or appointed by Sponsor. All officers must be Unit owners or members of the first Board of Mangers. Two or more offices may not be held by the same person.

c) The President of the Condominium shall be the chief executive officer and shall preside at all meetings of the members and the Board and be an official member of all standing committees. He shall have general and active management authority over the business of the Condominium and shall have the general powers and duties of supervision and management usually vested in the office of the President of a stock corporation organized under the New York Business Corporation Law.

d) The Vice President of the Condominium shall be vested with all the powers and be required to perform all the duties of the President in his absence, together with such other duties as may be prescribed by the Board or the President.

e) The Secretary shall keep the minutes of the meetings of the members and of the Board in one (1) or more books for that purpose. The minute book shall be available for inspection by all members, or their authorized representatives, and by the Board, which minutes shall be retained for a period of not less than seven (7) years. He shall see that all notices are duly given in accordance with the provisions of the By-Laws or as otherwise required by law. In general, he shall perform all duties incident to the office of the Secretary and other duties as from time to time may be assigned to him by the President or the Board.

f) The Treasurer shall have custody of all Condominium funds and securities, keep full and accurate accounts of receipts and disbursements in books belonging to the Condominium, and shall deposit all monies and other valuable effects in the name and to the

credit of the Condominium in such depositories as may be designated by the Board. He shall disburse the funds of the Condominium as ordered by the Board and shall render to the President and the Board at the regular meetings of the Board, or whenever they may require it, an account of all his transactions as Treasurer and of the financial condition of the Condominium.

14. The Board of Managers shall be required to obtain and maintain, to the extent obtainable, the following insurance upon the Condominium property and the equipment and personal property owned by the Condominium. The policies so obtained shall be for the benefit and protection of the Condominium, Unit owners and their respective mortgagees as their interest may appear. Such policies shall include provisions that they be without contribution, that improvements to Units made by Unit owners shall not affect the valuation of the Condominium property for the purpose of insurance and that the insurer waives its rights of subrogation as to any claims against Unit owners, the Board and their respective families, employees, servants, agents and guests. The insurance maintained shall cover the following perils and contingencies.

a) All improvements upon the Condominium property and all personal property included therein, except the Units and such personal property as may be owned by the Unit owners, shall be insured in an amount equal to the maximum insurable replacement value thereof (exclusive of excavation, foundations and other construction components customarily excluded) as determined periodically by the insurance company affording such coverage. Such coverage shall afford protection against:

i) Loss of damage by fire or other hazards covered by the standard extended coverage endorsement; and

ii) Such other risks as from time to time shall customarily be covered with respect to improvements similar in construction, location and use including but not limited to vandalism, malicious mischief, windstorm and water damage.

b) Comprehensive public liability and property damage in such amount and in such forms, as shall be required by the Board, including but not limited to, water damage, legal liability, hired automobiles, non-owned automobiles and off-premises employee coverage.

c) Fidelity bonds in sufficient amounts to fully protect the interests of the Condominium on each member of the Board of Managers, officers of the Condominium, managing agents and managers including any person or persons handling or responsible for funds of the Condominium.

In addition to the above, the coverage for directors and officers liability, boiler and machinery, workers' compensation, disability, auto liability, and excess liability is generally available, but not provided by the Board of Managers.

Unit owners shall not be prohibited from carrying other insurance for their own benefit provided such policies contain waivers of subrogation and further provided that the liability of the carriers issuing insurance procured by the Board of Managers shall not be affected or diminished by reason of any Unit owner's other insurance.

15. A New York bank or trust company shall be the Insurance Trustees as designated by Sponsor unless or until replaced by a bank or trust company in the State of New York designated by the Board of Managers. If the Insurance Trustee shall resign or not qualify, the new Insurance Trustee shall also be a bank or trust company in the State of New York designated by the Board of Managers. The Insurance Trustee shall hold all proceeds of Insurance policies in accordance with Section 254(4) of the Real Property Law. The cost of all such insurance and fees and expenses of the Insurance Trustee shall be paid by the Board of the Managers and shall constitute a common expense. The Board, or the Insurance Trustee, shall hold the proceeds from any casualty policy for the benefit of the Condominium, the Unit owners and their respective mortgagees in the following manner:

a) In the event of damage to or destruction of the Condominium Building as a result of fire or other casualty (unless seventy-five (75%) percent or more of the Units are destroyed or substantially damaged and the Unit owners do not duly and promptly resolve to proceed with repair or restoration by a vote of Unit owners owning a seventy-five (75%) percent interest or more in the common elements), the Board of Managers shall arrange for the prompt repair and restoration of the Condominium Building (including any fixture initially installed therein by Sponsor, any heating, air conditioning or other service machinery which is covered by insurance but not including any wall, ceiling or door decorations or machinery or equipment installed by Unit owners in the Units), and the Board of Managers or the Insurance Trustee, as the case may be, shall disburse the proceeds of all insurance policies to the contractors engaged in such repair and restoration in appropriate progress payments. Any cost of such repair and restoration in excess of the insurance proceeds shall constitute a common expense and the Board of Managers may assess all the Unit owners for such deficit as part of the common charges.

b) If seventy-five (75%) percent or more of the Units are destroyed or substantially damaged and the Unit Owners do not duly and promptly resolve to proceed with repair or restoration by a vote of Unit owners owning a seventy-five (75%) percent interest in the common elements, the Condominium property shall be subject to an action for partition at the suit of any Unit owners or lienor, as if owned in common, in which event the net proceeds of the insurance policies (or if there shall have been a repair or restoration pursuant to sub-paragraph (a) above and the amount of insurance proceeds shall have exceeded the cost of such repair or restoration) then the excess of such insurance proceeds shall be divided by the Board of Managers or the Insurance Trustee, as the case may be, among all the Unit owners in proportion to their respective common interests, after paying out of the share of each Unit owner the amount of any unpaid liens on his Units, in the order of the priority of such liens.

16. This property shall not be withdrawn from the provision of Article 9-B of the Real Property Law unless at least eighty (80%) percent of the Unit owners in number and in common interest of such Units agree to the withdrawal of this property from the provisions of such Article. Sponsor or its nominee will not cast any of its votes for withdrawal, unless eighty (80%) percent of the Unit owners other than Sponsor so vote, in which event Sponsor will be free to cast its votes either for or against withdrawal.

17. The following is a brief summary of the tax valuation petition procedures for the City of New York:

a) Tax notices are issued annually by January 15th. A taxpayer has until March 1st to apply for a corrective hearing before the Borough Commission.

b) The decision of the Borough Commission is appealable to the City Tax Commission.

c) If the taxpayer wishes to contest the issue beyond the Tax Commission he must institute an Article 7, certiorari proceeding.

d) The Board of Managers will act as an agent of each Unit owner who has given his written authorization to apply to the local and county real estate tax assessment board of review agency by filing a single complaint on behalf of all such Unit owners pursuant to Section 512 of the Real Property Tax Law and to commence and prosecute a special proceeding for the review of assessments of real property as an aggrieved person pursuant to Section 704 of the Real Property Tax Law. The Board of Managers may retain legal counsel on behalf of all Unit owners for which it is acting as agent and to charge all such Unit owners a pro rata share of expenses, disbursements and legal fees for which charges the Board of Managers shall have a lien.

18. The undivided share in the common elements which is appurtenant to a Unit, and the exclusive right to sue all appropriate appurtenant limited common elements shall not be separated from the Unit, and shall pass with the title to the Unit. The respective shares in the common elements appurtenant to Units shall remain undivided, and no action for partition of the common elements shall lie, except as provided with respect to termination of the Condominium.

19. The Board of Managers shall have the right to accumulate reserves for capital replacement. Such reserves may be used for exterior painting, roof repair and replacement and such other capital expenses as the Board determines. The current budget set forth in Section G, Schedule B does not include a Reserve Fund for capital replacement.

20. Copies of the Declaration and By-Laws are found in Part II, Section GG and HH respectively.

SECTION S REAL ESTATE TAXES

The Sponsor will obtain individual tax lot for each Condominium Unit. After the Units are separately assessed, each unit will be taxed as a separate tax lot for real estate tax purposes and the Unit owner will not be responsible for the payment of, nor will the Unit be subjected to any lien arising from the non-payment of taxes on other Units.

If Units have not been separately assessed for real estate tax purposes prior to the closing of title to the first Unit, Sponsor will place in a special escrow account with its attorneys or a proper third party, in the name of the Board of Managers, an amount equal to the unpaid real estate taxes which will be levied against the parcel for the six month period following the first closing. The Board of Managers will pay the real estate taxes from the escrow account when taxes are due and payable and Sponsor, as funder of the escrow account, will be entitled to reimbursement from unit owners to the extent of actual assessment.

There is no provision in the by-laws applicable to the Real Estate Tax assessments. Once each condominium unit receives individual tax lot, each unit will be assessed and taxed separately.

A. Residential Units:

1. The Condominium consists of a residential portion, which is located on the first floor through fourth floors.

The Sponsor applied for a partial tax exemption under Real Property Tax Law Section 421-a to the City of New York, Department of Housing Reservation and Development (HPD) for residential portion of the building. Under the 421-a Program, “increase” in the assessed valuation over and above the assessed valuation in the tax year prior to commencement of construction (2006/07 tax year) is exempted. The real property tax for the residential portion for the 1st year of the Condominium operation (after July 1, 2013) assuming exemption under Section 421-a for the Residential Units is estimated to be \$30,421.00. This calculation is made based upon the New York City Department of Finance’s recommendation, by taking the current tax rate of 11.928% on the estimated assessed value of the property in the tax year prior to commencement of construction (2006/7 tax year) allocated to the residential portion. This amount is then apportioned among the Residential Units based on each Unit’s percentage of common interest in the Condominium property to obtain the estimated tax for individual Residential Unit.

2. Under Section 421-a Partial Tax Exemption Program, the benefits decrease during the benefits period of 15 years in the following manner:

1 st through 11 th year:	100%
12 th year:	80%
13 th year:	60%

14 th year:	40%
15 th year:	20%
16 th year:	0%

Under New York City's present method of calculation 421-a tax benefits, assuming that the Certificate of Occupancy is issued on or about December 31, 2012 as Planned by Sponsor, effective July 1, 2013 (i.e., the commencement of the 2013/2014 tax year), the Residential Units will be in the first year of the 100% exemption period following the 3-year period allowed for construction.

3. Although the City of New York has used this approach in determining taxes on properties applying for 421-a Partial Tax Exemption, Sponsor makes no representations nor guarantees that the City will continue to use the same formula. Although in the Sponsor's opinion this method of calculating the real estate taxes applicable to each Unit shown above is reasonable, there can be no assurance that the exemption will not be revoked or that this method of calculation of real estate taxes applicable to each Unit will be the final method used by the New York City taxing authorities in establishing the real estate tax assessment of each Unit. If for any reason a different method of calculation is used or a different assessment placed upon any of the Units by such authorities, real estate taxes may increase or decrease, depending upon the final decision of such taxing authorities.

4. The Sponsor will make its best effort to obtain an approval for the tax benefits from the City of New York. Sponsor anticipates, but does not guarantee, that partial exemption from Real Estate Tax will be actually applied to the Condominium units. In the event the partial exemption under the 421-a program is not approved or revoked, the Condominium Unit owners will be responsible for the entire real estate taxes against their respective Units and Sponsor shall not be liable for any portion thereof, except to the extent that it is the owner of any unsold units. The real estate tax for the entire Condominium building for 2013/2014 tax year without tax exemption is estimated to be \$280,649.08. The calculation is made by taking the current Class 2 tax rate of 13.903% for the Residential Units on the estimated assessed value of the Condominium property in the tax year of 2013/2014 after completion of the Condominium building (\$ 2,018,622.00).

5. Prospective purchasers are advised that the City of New York has not actually assessed the Units in the Condominium. The estimates of projected real estate taxes in the Offering Plan have been prepared by Sponsor and cannot be construed as an assurance of the final tax costs, but are merely estimates based upon information available to the Sponsor at this time.

6. The Sponsor will keep all records required by Department of Housing Preservation and Development (HPD) and will make them available to HPD whenever requested to do so.

7. The New York City HPD routinely conducts audits, which can result in the reduction or revocation of benefits under Section 421-a if proper documentation is not provided.

8. Upon closing, Sponsor will make all tax benefit documents available to the Board of Managers for inspection and copying for the life of the benefits and will file all applications and timely comply with all procedures required to properly process and maintain the tax benefits.

9. Prospective purchasers should also note that the Condominium may qualify as a tax exemption organization under Section 528 of the Internal Revenue Code for a “Condominium Management Association”. See Section T, “Opinion of Counsel” for details.

B. Commercial Units:

The estimated real estate taxes for the commercial units are determined on the basis of the offering price for each unit.

There are no tax certiorari proceedings are pending for the Condominium property.

HOWEVER, NEITHER SPONSOR, ANY COUNSEL TO SPONSOR, THE MANAGING AGENT, THE SELLING AGENT OF ANY OTHER PERSON, MAKES ANY WARRANTY AS TO THE AMOUNT, IF ANY, OF THE MINIMUM TAX WHICH WILL BE ASSESSED AGAINST THE CONDOMINIUM UNITS OR THE AMOUNT OF REAL ESTATE TAXES PAYABLE AT ANY TIME BY A UNIT OWNER.

SECTION T OPINION OF COUNSEL
ON REAL ESTATE TAXES AND TAX EXEMPTION

8225 Queens Mansion LLC
82-25 Queens Boulevard
Elmhurst, NY 11373

Re: Queens Mansion Condominium
 82-23 Queens Boulevard
 Elmhurst, NY 11373

Dear Sir/Madam:

We have received your Offering Plan including schedules, exhibits and documents for the Condominium known as Queens Mansion Condominium.

We have now been asked to render an opinion on (A) tax deduction on real estate taxes, (B) condominium income taxes, (C) Section 528 tax exemption, (D) eligibility of 421-a partial tax exemption, and (E) condominium common interest assignment with regard to the Unit owners as well as for said Condominium.

In rendering this opinion we have examined relevant documents including the Declaration of Condominium and the By-Laws. During this examination we have assumed the authenticity of all documents and the genuineness of all signatures. We have also considered applicable provisions of the Internal Revenue Code and the Tax Laws of the State of New York.

A. Tax Deduction on Real Estate Taxes

The Purchaser of a Condominium Unit at Queens Mansion Condominium will receive a legal title in fee simple to a Condominium Unit as well as ownership of an undivided interest in the common elements and in the limited common elements appurtenant to his Unit. As an owner in fee simple, the Purchaser has the right to take out a separate mortgage as well as the obligation to pay property taxes on his individual Unit.

Therefore, it is our opinion that at the present time the owner of a Residential Condominium Unit of Queens Mansion Condominium may deduct from his federal income taxes all interest payments made on the mortgage indebtedness and real estate taxes in the year paid or accrued covering his Condominium Unit under Section 164 and 163 of the Internal Revenue Code of 1986, respectively. Rev. Rul. 64-31 1964-1 C.B. 300. It is to be noted that for federal income tax purposes, should an owner not use his Condominium Unit as a personal residence, but rather as an investment, he may be subject to overall limitations on the deductibility of investment interest.

B. Condominium Income Taxes

Although Condominiums are considered taxable entities under the rulings of the Internal Revenue Service, receipts from capital or special assessment may not be taxable assuming these assessments are properly designated and treated as trust funds. Under these circumstances the Condominium would not be subject to any significant taxable income from receipt of such trust funds other than possible investment income such as interest earned on the funds deposited in local banks.

C. Section 528 Tax Exemption

Section 528 of the Internal Revenue Code provides that a "Condominium Management Association" could elect to be exempt from federal taxes on income from membership fees, dues and assessments from Unit owners, if the Condominium can satisfy the following requirements: (a) Substantially all of the Condominium Units must be used as residences, (b) ninety (90%) percent or more of its expenditures must be for the purposes of acquiring, constructing, managing, maintaining and caring for the Condominium property, (c) sixty (60%) percent or more of its gross income must consist of membership dues, fees and assessments, and (d) no part of the Condominium's net earnings may inure to the benefit of any private shareholder or individual.

Based on the information provided to us in the Offering Plan, we opine that the Condominium satisfies the Section 528 criteria, and the Condominium will meet the criteria to elect eligibility under Section 528.

D. Eligibility of 421-a Partial Tax Exemption

1. As discussed in the Offering Plan, you have applied for tax exemption for the residential Units under Section 421-a of the New York State Real Property Tax Law to

the New York City Department of Housing Preservation and Development("HPD). The 421-a Tax Exemption Program was enacted pursuant to Section 421-a of the Real Property Tax Law of the State of New York, Section 11-245 of the Administration Code of the City of New York and has been implemented through regulations promulgated by the New York City Department of Housing and Preservation and Development. The law is designed to encourage construction of new multiple dwellings by offering an exemption from real estate taxes for a period of years. The exemption covers the increase in assessed valuation over the prior assessed valuation on the property and eliminates for a period of years any taxation on that increase in assessed valuation. The exemption does not eliminate all real estate taxes.

To be eligible for a 421-a tax exemption, the land upon which an eligible project is located must have been vacant, predominantly vacant, under-utilized, or improved with a non-conforming use on a date thirty-six (36) months prior to the commencement of construction.

In addition, if the land upon which the project is constructed is located in the "Geographic Exclusion Area" or "GEA", additional requirements have to be satisfied, such as the requirement for substantial governmental assistance (which means the construction is carried out with substantial governmental assistance) or the requirement for affordability (which means not less than twenty percent of the onsite units in such multiple dwelling are GEA sixty (60%) percent AMI units or GEA SGA units).

2. In rendering this opinion, we have relied on the following information which you have provided or represented to us:

- a. The property is located at 82-23 Queens Blvd., Elmhurst, in the Borough of Queens, County of Queens, City and State of New York.
- b. The property was vacant, predominantly vacant, under-utilized, or improved with a non-conforming use as of 36 months prior to the start of construction.
- c. The property is not located in the Geographic Exclusion Area.
- d. Upon completion the building will contain 30 residential units.
- e. All work will be performed in accordance with applicable laws and regulations and all required filings will be made with the Department of Buildings and all agencies having appropriate jurisdiction.
- f. You have commenced construction on the site of the building.
- g. Upon completion of construction, the building will be classified as a multiple dwelling pursuant to the Multiple Dwelling Law.

- h. An application for Preliminary Certificate of Eligibility was filed with the HPD upon start of construction.

Based on the information supplied to us and subject to your timely and proper filing of the application and documentation as required under the Section 421-a program, it is our opinion that upon completion of the construction, issuance of a Certificate of Occupancy by the New York City Department of Buildings, and approval of the various New York City departments having jurisdiction thereof, the building will qualify for Section 421-a tax exemption benefits.

3. To approximate the real estate taxes that will be due on the proposed building as a result of 421-a benefits being applied following the first full tax year after completion of construction of the building, the following formula applies: Take the assessed value of the property in the year prior to construction, \$255,038.00, and multiply this assessed value by the applicable tax rate for the tax year of the first full year after completion of the building. Using this figure as a base, it will be assumed that no increase in assessed value to the property will occur for any reason other than construction (for example, increases or decreases of equalization) for the period of between the tax year that construction began and the end of the first full year after completion of construction of the building. The 2006/07 class 2 property tax rate was \$11.928.00 for each \$100.00 of assessed value. The 2013/14 class 2 property tax rate will be assumed to be \$13.903.00 for each \$100.00 of assessed value. This rate represents an increase of approximately 1.656% over the 2006/07 tax rate, and it will be assumed that this artificially designated rate will remain static through the first full tax year after completion of construction of the building. Thus, taking into account the assumptions made, an approximation of taxes due on the property following the first year after completion of construction of the building, assuming that the 421-a benefits are granted, is \$30,421.00 for all the building, combined.

In the event that the 421-a benefits are not secured, an estimate of the post construction real estate tax due on the property following the first full year of operation after completion of construction of the building can be determined by taking the then existing tax rate for the building and multiplying that rate by the 2013/2014 assessed valuation of the property, \$2,018,622.00. Using a tax rate of \$13.903 for each \$100.00 of assessed value (description of assumptions made in order to designate this rate previously described), and assuming this rate will remain static through completion of construction of the building, the real estate tax would be \$280,649.08 if 421-a tax benefits were not applied, for all of the Units, combined.

IN OUR OPINION, THE RESIDENTIAL UNITS OWNERS IN THE CONDOMINIUM WILL BE ELIGIBLE FOR THE REAL ESTATE EXEMPTION DESCRIBED ABOVE. HOWEVER, OUR OPINION IN THE PROCEEDING PARAGRAPHS IS NOT A GUARANTEE; IT IS BASED ON EXISTING RULES OF LAW APPLIED TO THE FACTS AND DOCUMENTS REFERRED TO ABOVE. NO ASSURANCE CAN BE GIVEN THAT THE TAX LAWS UPON WHICH COUNSEL BASES THIS OPINION WILL NOT CHANGE. IN NO EVENT WILL THE SPONSOR, THE SPONSOR'S COUNSEL, THE BOARD OF MANAGERS OF THE CONDOMINIUM, THE SELLING AGENT OR ANY OTHER

PERSON BE LIABLE IF THERE ARE CHNAGES IN THE FACTS ON WHICH COUNSEL RELIED IN ISSUING THIS OPINION OR IF THERE ARE CHANGES IN THE APPLICABLE STATUTES, REGULATIONS, DECISIONAL LAW OR INTERNAL REVENUE SERVICE RULINGS ON WHICH COUNSEL RELIED WHICH CAUSE THE CONDOMINIUM TO CEASE TO MEET THE REQUIREMENTS OF SECTION 528 OF THE INTERNAL REVENUE CODE OF 1986, AS AMENDED, OR THE NEW YORK STATE TAX LAW, AS AMENDED, AND CAUSE THE UNIT OWNERS NOT TO BE ENTITLED TO INCOME TAX DEDUCTIONS, OR WHICH CAUSE UNIT OWNERS NOT TO BE OR CEASE TO BE ENTITLED TO THE BENEFITS OR THE LEVEL OR DURATION OF BENEFITS DESCRIBED ABOVE.

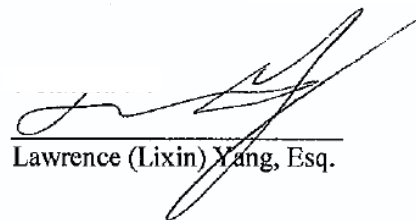

4. Commercial units do not qualify for tax exemption under 421-a Program. The estimated real estate taxes for the commercial units are determined on the basis of the offering price for each unit.

E. Condominium Common Interest Assignment

The percentage interest of each Unit in the common elements shown in Schedule A of the Offering Plan is assigned in the approximate proportion that the fair market value of the Unit at the date of Declaration bears to the aggregate fair value of all the Units. In the case of Queens Mansion Condominium, the fair value is based on the initial offering price of each Unit. In our opinion, this method of assigning the percentage of common interest to each Unit is in compliance with Real Property Law Section 339-i.1.(i). This opinion is based on other expert factual determinations as required by Section 20.1(i) of Part 20. (See Section G for a copy of the letter of real estate broker, Steve S Cheung, dated July 10, 2012)

We hereby authorize the use of this opinion, or a reproduction thereof, in the Plan.

Very truly yours,

Lawrence (Lixin) Yang, Esq.

SECTION U

RESERVE FUND AND WORKING CAPITAL FUND

1. RESERVE FUND:

(1) Under the provisions of the By-Laws, the Board has the right to establish a Reserve Fund for the future replacement of or additions to the common elements.

(2) The Board shall fix and determine the sums necessary to maintain the Reserve Fund. The amount to be reserved shall be computed by means of a formula which is based upon the estimated life and estimated replacement cost of each reserve item.

(3) The current budget set forth in Section G, Schedule B does not include a Reserve Fund for capital replacement.

(4) The Reserve Fund may not be used to reduce projected common charges while Sponsor is in control of the Board.

2. WORKING CAPITAL FUND:

(1) At the time of closing each Purchaser shall contribute one (1) month's common charges to the Condominium's Working Capital Fund. This contribution shall not be credited against the purchase price as regular assessments. This is the one time contribution until further assessments are made by the Board of Managers in the future.

(2) There is no provision in the Condominium documents permitting Sponsor to use the Working Capital Fund to reduce any estimated common charges for the Condominium while it is in control of the Board. The Working Capital shall be set aside and used for the start-up operation of the Condominium building, while each Unit owner, including Sponsor, shall commence payment of monthly common charges allocated to his Unit, the amount of which is provided in Schedule A of this Plan, as soon as the Condominium operation starts upon closing of the 1st Unit.

(3) Any budget item that has to be paid before the sale of the first Condominium Unit, e.g. insurance, shall be paid for by Sponsor and Sponsor shall be entitled to a pro-rata re-imbursement from the common charges as each Condominium Unit is sold.

(4) No representation is made that the Working Capital Fund will be sufficient to cover current or future expenses, including repair of the common elements, or other purposes as determined by the Board of Managers and its agents in their discretion. If additional funds are required over the above said funds, it may be necessary to increase common charges payable by the Units owners or collect special assessments from Unit owners. No working capital or reserve fund has been provided for except as set forth above.

NEITHER THE DEPARTMENT OF LAW OF THE STATE OF NEW YORK NOR ANY OTHER GOVERNMENTAL AGENCY HAS MADE ANY JUDGMENT AS TO THE ADEQUACY OF ANY WORKING CAPITAL FUND BUDGET ITEM.

SECTION V

MANAGEMENT AGREEMENT, CONTRACTS AND LEASES

The Board of Managers will enter into a Management Agreement with Sponsor (“the Managing Agent”). The Agreement will be for a term commencing upon the date of the conveyance of the first Unit and expiring two (2) years thereafter, at an annual fee of \$7,440.40 payable in equal monthly installments. Such management fee is the prevailing rate, which is commonly ten (10%) percent to fifteen (15%) percent of the common charges to be collected. SUCH MANAGEMENT AGREEMENT WITH THE SPONSOR SHALL NOT BE CANCELLED FOR ONE (1) YEAR. After one (1) year, it may be cancelled by either party upon sixty (60) days written notice. The Managing Agent will be obligated to bill and collect common charges, hire and fire employees, supervise alterations and repairs, maintain the Condominium’s books and records, advise the Board of Managers regarding its proposed annual budget, purchase supplies for the Condominium and generally perform the duties of a managing agent for condominium. In performing these duties, the Managing Agent may engage contractors on behalf of the Board of Managers for the purpose of carrying out the maintenance and repair of the common elements.

The Board of Managers shall reimburse the Managing Agent for its costs and expenses incurred and indemnify the Managing Agent against any liabilities for the acts properly performed pursuant to the Agreement.

The Managing Agent and the principals of the Sponsor have experience in managing the residential properties. Mr. Chau, as a principal, has experience in making real estate investment and managing residential/commercial mixed apartment and condominium buildings. Among the buildings he has managed in the past years are properties located at 88-10 51st Avenue, Elmhurst, NY 11373 and 88-27 53rd Avenue, Elmhurst, NY 11373.

Until such time as the Declaration of the Condominium is recorded, Sponsor reserves the right to designate another person or entity as managing agent as per the terms set forth above as well as the right to enter into any new service or concession contracts or to renew or replace any such contract which may expire for the services described in Schedule B to this Plan.

No such contract, however, will be for a term expiring more than two years after the recording of the Declaration, unless it provides for a cancellation thereafter upon 90 days written notice. Sponsor will endeavor to obtain all such new, renewal and replacement contracts on a competitive cost basis.

The Management Agreement is not assignable by the agent unless the Managing Agent is the Sponsor.

SECTION W IDENTITY OF PARTIES

1. Sponsor: The Sponsor, 8225 Queens Mansion LLC, with its office at 82-25 Queens Blvd., Elmhurst, NY 11373, is a New York limited liability company, formed on November 9, 2009. It has not engaged in any business other than constructing the subject buildings, and Queens Mansion Condominium is the Sponsor's first condominium development.

All designated signatories are admitted to practice law in the State of New York. Neither the Escrow Agent nor any authorized signatories on the account are the Sponsor, Selling Agent, Managing Agent, or any principal thereof, or have any beneficial interest in any of the foregoing.

11.2 Escrow Agent and all authorized signatories hereby submit to the jurisdiction of the State of New York and its Courts for any cause of action arising out of the Purchase Agreement or otherwise concerning the maintenance of release of the Deposit from escrow.

11.3 The Escrow Agent has established the escrow account at Citibank, located at 38-17 Main Street, Flushing, NY 11354, in the State of New York (the "Bank"), a bank authorized to do business in the State of New York. The Escrow Account is federally insured by the FDIC at the maximum amount of \$250,000 per deposit. Any deposit in excess of \$250,000.00 will not be insured.

11.4 All Deposits received by Purchaser shall be in the form of checks, money orders, wire transfers, or other instruments, and shall be made payable to or endorsed by the Purchaser to the order of Dai & Associates, P.C., as Escrow Agent.

11.5 No fees of any kind may be deducted from the Escrow Account, and the Sponsor shall bear all costs associated with the maintenance of the Escrow Account.

11.6 Within five (5) business days after the Purchase Agreement has been tendered to Escrow Agent along with the Deposit, the Escrow Agent shall sign the Purchase Agreement and place the Deposit into the Escrow Account. With ten (10) business days of the placing the deposit in the Escrow Account, Escrow Agent shall provide written notice to Purchaser and Sponsor, confirming the Deposit. The notice shall provide the account number. Any Deposits made for upgrades, extras, or custom work shall be initially deposited into the Escrow Account, and released in accordance to the terms of a written agreement between Purchaser and Sponsor.

11.7 The Escrow Agent is obligated to send notice to the Purchaser once the Deposit is placed in the Escrow Account. If the Purchaser does not receive notice of such deposit within fifteen (15) business days after tender of the Deposit, he or she may cancel the Purchase Agreement within ninety (90) days after tender of the Purchase Agreement and Deposit to Escrow Agent. Complaints concerning the failure to honor such cancellation requests may be referred to the New York State Department of Law, Real Estate Finance Bureau, 120 Broadway, 23rd Floor, New York, N.Y. 10271. Rescission shall not be afforded where proof satisfactory to the Attorney General is submitted establishing that the Deposit was timely placed in the Escrow Account in accordance with the New York State Department of Law's regulations concerning Deposits and requisite notice was timely mailed to the Purchaser.

11.8 All Deposits, except for advances made for upgrades, extras, or custom work received in connection with the Purchase Agreement, are and shall continue to be the Purchaser's money, and may not be comingled with any other money or pledged or hypothecated by Sponsor, as per GBL § 352-h.

11.9 Under no circumstances shall Sponsor seek or accept release of the Deposit of a defaulting Purchaser until after consummation of the Plan, as evidenced by the acceptance of an effectiveness amendment by the New York State Department of Law. Consummation of the Plan does not relieve the Sponsor of its obligations pursuant to GBL §§ 352-3(2-b) and 352-h.

11.10

(A) The Escrow Agent shall release the Deposit if so directed:

- (a) pursuant to the terms and conditions set forth in the Purchase Agreement in Paragraph 7 upon closing of title to the Unit; or
- (b) in a subsequent writing signed by both Sponsor and Purchaser; or
- (c) by a final, non-appealable order or judgment of a court.

If the Escrow Agent is not directed to release the Deposit pursuant to paragraphs (a) through (c) above, and the Escrow Agent receives a request by either party to release the Deposit, then the Escrow Agent must give both the Purchaser and Sponsor prior written notice of not fewer than thirty (30) days before releasing the Deposit. If the Escrow Agent has not received notice of objection to the release of the Deposit prior to the expiration of the thirty (30) day period, the Deposit shall be released and the Escrow Agent shall provide further written notice to both parties informing them of said release. If the Escrow Agent receives a written notice from either party objecting to the release of the Deposit within said thirty (30) day period, the Escrow Agent shall continue to hold the Deposit until otherwise directed pursuant to paragraphs (a) through (c) above. Notwithstanding the foregoing, the Escrow Agent shall have the right at any time to deposit the Deposit contained in the Escrow Account with the clerk of the county where the Unit is located and shall give written notice to both parties of such deposit.

(B) The Sponsor shall not object to the release of the Deposit to:

- (a) a Purchaser who timely rescinds in accordance with an offer of rescission contained in the Plan or an Amendment to the Plan; or
- (b) all Purchasers after an Amendment abandoning the Plan is accepted for filing by the Department of Law.

The Department of Law may perform random reviews and audits of any records involving the Escrow Account to determine compliance with all applicable statutes and regulations.

11.11 Any provision of any Purchase Agreement or separate agreement, whether oral or in writing, by which a Purchaser purports to waive or indemnify any obligation of the Escrow Agent holding any Deposit in trust is absolutely void. The provisions of the Attorney General's regulations and GBL §§ 352-e(2-b) and 352-h concerning escrow trust funds shall prevail over any conflicting or inconsistent provisions in the Purchase Agreement, Plan, or any amendment thereto.

11.12 Escrow Agent shall maintain the Escrow Account under its direct supervision and control.

11.13 A fiduciary relationship shall exist between Escrow Agent, and Purchaser, and Escrow Agent acknowledges its fiduciary and statutory obligations pursuant to GBL §§ 352(e)(2-b) and 352(h).

11.14 Escrow Agent may rely upon any paper or document which may be submitted to it in connection with its duties under this Purchase Agreement and which is believed by Escrow Agent to be genuine and to have been signed or presented by the proper party or parties and shall have no liability or responsibility with respect to the form, execution or validity thereof.

11.15 Sponsor agrees that Sponsor and its agents, including any selling agents, shall deliver the Deposit received by them prior to closing of the Unit to a designated attorney who is a member of or employed by Escrow Agent, within two (2) business days of tender of the Deposit by Purchaser.

11.16 Sponsor agrees that it shall not interfere with Escrow Agent's performance of its fiduciary duties and statutory obligations as set forth in GBL §§ 352-(e)(2-b) and 352-(h) and the New York State Department of Law's regulations.

11.17 Sponsor shall obtain or cause the selling agent under the Plan to obtain a completed and signed Form W-9 or W-8, as applicable, from Purchaser and deliver such form to Escrow Agent together with the Deposit and this Purchase Agreement.

11.18 Prior to release of the Deposit, Escrow Agent's fees and disbursements shall neither be paid by Sponsor from the Deposit nor deducted from the Deposit by any financial institution under any circumstance.

11.19 Sponsor agrees to defend, indemnify and hold Escrow Agent harmless from and against all costs, claims, expenses and damages incurred in connection with or arising out of Escrow Agent's responsibilities arising in connection with this Purchase Agreement or the performance or non-performance of Escrow Agent's duties under this Purchase Agreement, except with respect to actions or omissions taken or suffered by Escrow Agent in bad faith or in willful disregard of the obligations set forth in this Purchase Agreement or involving gross negligence of Escrow Agent. This indemnity includes, without limitation, disbursements and attorneys' fees either paid to retain attorneys or representing the hourly billing rates with respect to legal services rendered by Escrow Agent to itself.

12. Binding Effect of Declaration, By-Laws and Rules and Regulations. Purchaser hereby accepts and approves the Plan (including the Declaration, By-Laws and Rules and Regulations contained therein) and agrees to abide and be bound by the terms and conditions thereof.

13. Agreement Subject to Mortgage. No encumbrances shall arise against the Property as a result of this Agreement or any monies deposited hereunder. In furtherance and not in limitation of the provisions of the preceding sentence, Purchaser agrees that the provisions of this Agreement are and shall be subject and subordinate to the lien of any mortgages heretofore or hereafter made and any payments or expenses already made or incurred, pursuant to the terms thereof, or incidental thereto, or to protect the security thereof, to the full extent thereof without the execution of any further legal documents by Purchaser. Sponsor shall, at its option, either satisfy such mortgages or obtain a release of the Unit and its undivided interest in the Common Elements from the lien of such mortgages on or prior to the Closing Date unless Purchaser assumes such mortgages. The existence of any mortgage or mortgages encumbering the Property, or portions thereof, other than the Unit and its undivided interest in the Common Elements, shall not constitute an objection to title or excuse Purchaser from completing payment of the Purchase Price or performing all of his other obligations hereunder or be the basis of any claim against, or liability of, Sponsor, provided that any such mortgage is subordinated to the Declaration and the Unit is released from the lien of such mortgage.

Purchaser may make his obligations under the Agreement contingent upon obtaining a mortgage loan by executing the Mortgage Addendum to Purchase Agreement attached hereto and compliance with the terms therein. In the event Purchaser does not comply with the terms set forth in the Mortgage Addendum to Purchase Agreement, Seller shall be entitled to declare this Agreement in default and retain the Down Payment and interest as liquidated and agreed upon damages. Should Purchaser comply with the terms set forth in the Mortgage Addendum to Purchase Agreement and fail to obtain a mortgage loan, Seller shall return the Down Payment and interest if any to Purchaser and thereafter the parties shall be released from any obligation under this Agreement.

14. Agreement Subject to Plan Becoming Effective; Sponsor's Right to Cancel. This Purchase Agreement is contingent upon the Plan being declared effective. The Plan may be abandoned by Sponsor at any time prior to its being declared effective and shall be abandoned and deemed abandoned if it has not been declared effective within the time prescribed by the Plan. In the event Sponsor has decided to abandon the Plan after it has accepted purchase agreements, Sponsor shall promptly submit an amendment to the Office of the Attorney General along with Form RS-3 as promulgated by the Office of the Attorney General. If any payments have been received by Sponsor under the purchase agreements, such payments shall be returned in the form of checks in full amount with any interest earned thereon within five(5) days after the amendment abandoning the Plan has been accepted for filing by the Office of the Attorney.

If, after the Plan is declared effective, title to the Unit shall not close within the time set forth herein or in the Plan for any reason other than Purchaser's default, then, at Purchaser's option upon thirty (30) days written notice, this Purchase Agreement shall be deemed cancelled. If this Purchase Agreement is cancelled pursuant to the provisions of this paragraph, then not later than five days thereafter, Purchaser shall receive a refund in full, of all monies paid by Purchaser hereunder, with the interest earned thereof, if any, and upon such repayment, neither

party shall have any claim against the other and both shall be released from all obligations hereunder.

15. Default by Purchaser. In the event Purchaser shall fail to make any payment on the date hereinbefore provided or on such later date as the parties hereto shall agree upon, shall fail to close title on the closing date, or shall fail to perform any of the Purchaser's other obligations hereunder, Sponsor may send notice to Purchaser of Sponsor's intention to cancel this Agreement if such default shall not be cured within thirty days thereafter. TIME IS OF THE ESSENCE TO CURE SUCH DEFAULT WITHIN THE SAID THIRTY DAY PERIOD. If within said thirty day period Purchaser shall fail to cure such default, Sponsor may at its option, cancel this Agreement by notice of cancellation to Purchaser sent within 30 days after the sending of the said notice of intention to cancel, and there upon this Agreement shall be deemed cancelled. In the event that Sponsor shall elect so to cancel this Agreement, Sponsor shall certify to its attorney, Lawrence(Lixin) Yang, Esq./ Dai & Associates, P.C. that Purchaser has defaulted and that Sponsor has elected to cancel this Agreement by reason thereof. If, within three days after the sending of notice of cancellation, Purchaser shall have failed to object thereto by Notice to the attorney for Sponsor/Seller, sent by certified mail, return receipt requested, all payments made by Purchaser pursuant to this Agreement, together with all other sums theretofore paid by Purchaser hereunder, shall be retained by Sponsor as liquidated damages. In no event shall liquidated damages exceed 10% of the purchase price plus the cost of any special work ordered. If this Agreement shall be cancelled by Sponsor pursuant to the provisions of this paragraph, Sponsor may sell the Unit to any third party and Sponsor shall be under no obligation to account to Purchaser for any part of the proceeds of such sale. If Purchaser shall have objected to Sponsor's notice of cancellation within the aforesaid three day period, Sponsor will retain all payments made by Purchaser pursuant to this Agreement until the dispute is resolved, but Sponsor shall nevertheless have the right to sell the Unit to any third party without any obligation to account to Purchaser for any part of the proceeds of such sale.

The Sponsor's attorney may rely on the truth and accuracy of the facts contained in Sponsor's certification and the authority of the person or persons executing the same. In the event of Purchaser's default, no funds will be released to Sponsor without the signature of Sponsor's attorney.

16. Possession of Unit Prior to Closing. It is expressly understood and agreed that Purchaser shall in no event take possession of the Unit prior to the time of the delivery of the deed and full compliance by Purchaser with the terms of this Agreement, and should Purchaser violate this provision, Purchaser consents that Seller shall have the right to remove him from the Unit as a squatter and intruder by summary proceedings. Upon the Purchaser's unauthorized possession, Purchaser shall be deemed in default hereunder at the option of Sponsor, and if Sponsor so elects, the Sponsor may cancel this Agreement and the amount deposited hereunder shall belong to Sponsor as liquidated damages deemed earned hereunder. It is further understood and agreed that Sponsor will not be responsible for damage or loss to any personal property before, on or after the closing of title herein.

17. Sponsor's Inability to Convey the Unit. In the event Sponsor is unable to deliver title to the Unit to Purchaser for any reason, other than Sponsor's obligation to cure violations and title which cost up to 1/12 of 1% of the total purchase price, Sponsor's liability shall be limited to the return of the money deposited hereunder and upon return of said money, this Agreement shall be

null and void and the parties hereto released from any and all liability hereunder. In any event, Sponsor shall not be obligated to bring any action or proceeding or otherwise incur any cost or expense of any nature whatsoever to cure such inability, and in such case, if Sponsor notifies Purchaser of its refusal to cure such inability and if Purchaser is not in default hereunder, Purchaser shall have the option to (a) take title to the Unit subject to such inability (without any abatement in, or credit against, the Purchase Price, or any claim or right of action against Sponsor for damages or otherwise) or (b) terminate this Agreement. If Purchaser so elects to terminate this Agreement, Sponsor shall within ten (10) days after receipt of notice of termination from Purchaser, return to Purchaser all sums deposited hereunder, and upon making such payment, this Agreement shall be null and void and neither party shall have any further rights, obligations or liability to or against the other and the parties shall be released and discharged from all obligations and liabilities under this Agreement and the Plan. The foregoing option must be exercised by notice of Purchaser in writing to Sponsor within ten(10) days after the giving of Sponsor's notice of refusal to cure such inability. If Purchaser fails to give any notice to Sponsor, it shall be conclusively deemed that Purchaser elected the second option above to terminate this Agreement.

18. Acceptance of Condition of Unit; Risk of Loss.

18.1 Purchaser shall accept title (without abatement in or credit against the Purchase Price or provision of escrow) notwithstanding that construction of (a) minor details of the Unit or the Building in which it is located or (b) other Units or (c) the landscaped area or (d) other portions of the common elements have not been completed. Purchaser will examine his Unit with a representative of the Sponsor during normal business hours prior to the Closing Date and will sign and deliver to Sponsor on or before the Closing Date an Inspection Statement acknowledging the condition in which he has received his Unit.

18.2 (Omit this paragraph, if the Unit has not been completed.) Purchaser represents to Sponsor that he has examined the Unit and agrees that his execution of this Purchase Agreement shall constitute acceptance of the Unit and the Building and all fixtures, machinery, equipment, furnishings, appliances, installations and other personal property contained therein, in their present condition on the date of this Purchase Agreement, subject to reasonable use, wear, tear, and natural deterioration between the date of this Purchase Agreement and the Closing Date.

18.3 The risk of loss from fire or other casualty to the units, common elements and limited common elements remains with Sponsor unless and until:

18.3.1 Legal title to the Unit has been conveyed to Purchaser; or

18.3.2 the Purchaser has taken actual possession of the Unit pursuant to a written agreement other than an Interim Lease with Sponsor. The provisions of this Article shall survive the delivery of the deed.

Notwithstanding any warranty transferred to the Condominium or unit owners, the Sponsor remains liable to perform the construction of the premises in accordance with the Plan and applicable law. Therefore, if there are any patent or latent defects in the construction of the Condominium Unit and the common elements or in the installation or operation of any mechanical equipment therein due to materials or improper workmanship substantially at variance with the plans and specifications, Sponsor will cure such defects as promptly as possible, provided that it is notified of them in writing by certified mail within one(1) year from the date of the closing of title to the Unit in which the alleged defect exists, or in the case that such defect exists in the common elements, the date of substantial completion of such common elements, whichever later occurs.

Purchaser should note that:

- a. No steps taken by Seller to correct a defect shall act to extend the warranty period.
- b. Seller accepts no responsibility for any warranty obligation for incidental or consequential damage caused by any defect.
- c. These warranties give Purchaser specific legal rights. Purchaser may have other rights under State law.

The Sponsor, its successors, assigns, and purchasers, reserves the easements, licenses, rights and privileges of a right-of-way in, through, over under and across the common elements of the Condominium for the purpose of completing construction and sale of the Units and facilities in the Condominium and, towards this end, reserves the right to grant and reserve easements and rights-of-way in, through, under, over and across the common elements for the installation, maintenance and inspection of lines and appurtenances for public or private water, sewer, drainage, cable television and other utilities and for any other materials or services necessary for the completion of the work. The Sponsor, its successors, assigns, and purchasers, also reserve the right to connect with and make use of the utility lines, wires, pipes, conduits, cable television, sewer and drainage lines which may from time to time be in or along the streets and roads or other areas of the common elements. Finally, the Sponsor, its successors, assigns and purchasers reserve the right to continue to use the common elements and any facilities, sales offices, model homes, and signs located on the common elements, in its efforts to market units in the Condominium for a period ending two years after the closing to the First Unit or until 80% of the Units are conveyed to Purchasers, whichever is sooner, to market any other Units owned by Sponsor. This paragraph shall not be amended without the consent of the Sponsor.

The Sponsor, on behalf of itself and its successors and assigns who may take title to portions of the condominium for purposes of marketing and sale of Units, reserves the right to continue to use the common elements and any facilities, sales offices, model units and signs located on the common elements, in its efforts to market and sell Units in the Condominium. This paragraph shall not be amended without the written consent of the Sponsor.

NINTH: Service of Process and Building Code Violations.

Service of process on the Unit Owners in any action with relation to the common elements or more than one Unit and with regard to any violation of local building codes, zoning ordinances and other related building and zoning laws by the common elements or more than one Unit shall be made upon the Board of Managers of Queens Mansion Condominium at 82-23 Queens Blvd., Elmhurst, New York.

TENTH: Common Interest.

Each Unit Owner shall have such percentage interest in the common elements as is set forth on Schedule B attached hereto and shall bear such percentage of the common expenses of the Condominium. All expenses of the Condominium shall be common expenses and shall be apportioned among all the Unit Owners according to the method set forth in the By-Laws. Such Unit Owner shall have one vote for all voting purposes at any meeting of the Unit Owners for each 0.01% of undivided interest in the common elements unless otherwise mandated by law or expressly provided for herein. The percentage interest of the respective Units in the Common Elements has been assigned in the approximate proportion that the fair market value of the Unit at the date of Declaration bears to the aggregate fair value of all the Units.

ELEVENTH: Administration.

The administration of the Condominium and parcel of land described herein shall be in accordance with the provisions of this Declaration and with the provisions of the By-Laws which are made a part of this Declaration and are attached hereto as Section HH.

TWELFTH: Amendment and Withdrawal.

The property shall not be withdrawn from Condominium ownership unless at least 80% of the Unit Owners in number and in common interest and the first mortgagees, if any, of each of those same Units agree to such removal by duly recorded instruments. Such withdrawal of the property from Condominium ownership shall not take effect until it is duly recorded in the Office of the Clerk of the County of Queens.

The provisions of this Declaration may be modified or amended by an instrument executed by the Board of Managers upon an affirmative vote of 80% of the Unit Owners in number and in common interest held at a duly called meeting of the Unit Owners, provided, however, that:

(i) No amendment shall alter the percentages of interest in the common elements appurtenant to any Unit or alter any rights or obligations respecting portions of the common elements without the consent of the affected Unit Owners and the first Mortgagees, if any, of the same Units, which consents shall be expressed on the instrument or amendment.

(ii) No amendment shall add any parcel of land to or divest any parcel of land from the Condominium properties unless all of the Unit Owners and the first mortgagees, if any, of each of these same Unit Owners agree to such change on the instrument or amendment.

(iii) No amendment shall be passed which shall impair or prejudice the rights and priorities of mortgagees.

There shall be a presumption for a period of 60 days subsequent to the recording of the amendment that the vote of the Unit Owners was made at a duly called meeting and that the requisite voting percentage was obtained. After the 60-day period, such presumption will be deemed conclusive. Any amendment to this Declaration shall not take effect until it is recorded in the Office of the City Register of Queens County.

Irrespective of any other provision in this Declaration, no action for partition or division of the common elements shall be bought nor shall this Plan of Condominium ownership be terminated when such partition, division or termination will result in a violation of the then existing local zoning and building laws and codes.

THIRTEENTH: Subject to Declaration, By-Laws, etc.

All present or future Unit Owners, tenants, future tenants, or any other person that might use the facilities of the Condominium in any manner, are subject to the provisions of this Declaration, the By-Laws and Rules and Regulations of the Condominium and the mere acquisition or rental of any of the Units of the Condominium or the mere act of occupancy of any of said Units shall signify that the provisions of the Declaration, By-Laws and Rules and Regulations of the Condominium are accepted and ratified and all of such provisions shall be deemed and taken to be covenants running with the land that shall bind any person having at any time any interest or estate in such Unit, as though such provisions were recited and stipulated at length in each and every deed, conveyance or lease thereof.

FOURTEENTH: Common Charges.

All sums assessed as common charges by the Board of Managers of the Condominium but unpaid, together with interest at the maximum legal rate thereon, chargeable to any Unit Owner shall constitute a lien on his Unit prior to all other liens except: (a) tax or assessment liens on the Unit by the taxing subdivision of any governmental authority, including but not limited to State, County, Municipal and School District taxing agencies; and (b) all sums unpaid on any first mortgage of record encumbering any Unit. Such lien may be foreclosed when past due in accordance with the laws of the State of New York, by the Condominium, in like manner as a mortgage on real property, and the Condominium shall also have the right to recover all costs incurred including reasonable attorney's fees and late charges, if any, assessed pursuant to the By-Laws of this Declaration (but such right shall not be a lien against the Unit). In the event the proceeds of the foreclosure sale are not sufficient to pay such unpaid common charges, the unpaid balance will be charged to all Unit Owners as a common expense. However, where the holder of a mortgage of record, or other purchaser of a Unit at a foreclosure sale of a mortgage of record, obtains title to the Unit as a result of a foreclosure, or the mortgage holder obtains title by conveyance in lieu of foreclosure, such acquirer of title, his successors or assigns, shall not be liable and the Unit shall not be subject to a lien for the payment of common charges chargeable to such Unit which were assessed and became due prior to the acquisition of title to such Unit by such acquirer. In such event, the unpaid balance of common charges shall be charged to all other Unit Owners as a common expense. The term "mortgage of record" herein used shall mean a first mortgage granted by a Federal or State Savings and Loan Association, Savings or Commercial Bank, Life Insurance Company, Pension Fund, Trust Company, Agency of the United States Government or of the City or State of the New York or other similar lender or a purchase money mortgage granted by Seller.

Every Unit Owner shall pay the common charges assessed against him when due and no Unit Owner may exempt himself from liability for the payment of the common charges assessed against him by waiver of the dues or enjoyment of any of the common elements or by the abandonment of his Unit. However, no Unit Owner shall be liable for the payment of any common charges accruing subsequent to a sale, transfer or other conveyance by him of such Unit made in accordance with Section 339-X of the Real Property Law or in accordance with the provisions of this Declaration and the By-Laws.

FIFTEENTH: Unit Acquired by the Board.

In the event any Unit Owner shall convey his Unit to the Board of Managers in accordance with Section 339-X of the Real Property Law or in the event the Board of Managers shall purchase any Unit at a foreclosure sale in accordance with Article VI, Section 9 of the By-Laws, title to such Unit or the rights to the lease of such Unit shall be held by the Board of Managers or its designee on behalf of all of the other Unit Owners.

In order to carry out the provisions of this paragraph, each Unit Owner shall, upon becoming such, grant an irrevocable power of attorney, coupled with an interest, to the Board of Managers and their successors to acquire title or lease any such Unit under whatever terms the Board may in its sole discretion deem proper and to sell, lease, sublease, mortgage, vote or otherwise deal with such Unit under such terms as the Board in its sole discretion shall deem proper.

SIXTEENTH: Encroachments.

The Unit Owners agree that if any portion of a Unit or the common elements whether restricted to an individual owner or not, encroaches upon another or shall hereinafter encroach upon another as a result of original construction or setting of the Building, a valid easement from the encroachment and the maintenance of the same, so long as it stands, shall and does exist. In the event the Building is partially or totally destroyed as a result of fire or other casualty or a result of condemnation or eminent domain proceedings and is rebuilt, the Unit Owners agree that encroachments of any portion of the Unit or the common elements as afore described due to construction, shall be permitted, and that a valid easement for said encroachment and the maintenance thereof shall exist so long as the Building or reconstructed Building shall stand.

SEVENTEENTH: Unit Ownership.

Upon the closing of title to a Unit, a Purchaser shall automatically become a Unit Owner in the Condominium and shall remain a Unit Owner until such time as he ceases to own the Unit for any reason.

EIGHTEENTH: Conveyance of a Unit.

In any conveyance of a Unit, either by voluntary instrument, operation of law or judicial proceeding in accordance with this Declaration or the By-Laws, the grantee of the Unit shall be jointly and severally liable with the grantor for any unpaid common charges against the latter assessed and due up to the time of the grant or conveyance without prejudice to the grantee's right to recover from the grantor the amounts so paid by the grantee therefore. Any such grantee shall, upon 10 days written request, be entitled to a statement from the Board of Managers setting forth the amount of the unpaid common charges against the grantor and such grantee shall not be liable for, nor shall the Unit conveyed be subject to a lien for any unpaid common charges against the grantor in excess of the amount set forth in such statement. Grantee as used herein shall not include either the holder of a mortgage of record or other purchaser of a Unit at a foreclosure sale of a mortgage of record.

NINETEENTH: Covenants and Restrictions.

The use of the Unit by the Unit Owner or other occupant shall be subject to the rules, regulations and provisions of this Declaration, the By-Laws and Rules and Regulations of the Board of Managers and the following covenants and restrictions:

(a) The Unit and area restricted to Unit Owner's use shall be maintained in good repair and overall appearance.

(b) No alterations to the exterior of the Unit or any part of the common elements may be made without the written consent of the Board of Managers. No alterations to the inside of a Unit which would impair the structural soundness of the Building may be made without the written consent of the Board of Managers. Consent may be requested to the Managing Agent, if any, or to the President of the Board of Managers, by mailing a letter certified mail, return receipt requested, if no Managing Agent is employed. If building plans are required for such alteration under any applicable building code, a copy of such plans must be included with said letter. The Board of Managers shall have the obligation to answer within 30 days and failure to do so within the stipulated time shall mean that there is no objection to the proposed modification or alteration. The provisions of this paragraph shall not apply to Sponsor.

(c) Any Unit Owner who mortgages or sells his Unit shall notify the Board of Managers providing the name and address of his mortgagee or purchaser.

(d) The Board of Managers shall, at the request of the mortgagee of a Unit, report any unpaid common charges due from the Unit Owner of such Unit.

(e) No Units shall be used for the purposes other than the purpose stated in the Certificate of Occupancy.

(f) No nuisances shall be allowed upon the property nor shall any use or practice be allowed which is a source of annoyance to occupants or which interferes with the peaceful possession and proper use of the property by its occupants.

(g) No immoral, improper, offensive or unlawful use shall be made of the property nor any part thereof and all valid laws, zoning ordinances and regulations of all governmental bodies having jurisdiction shall be observed.

(h) Regulations promulgated by the Board of Managers concerning the use of the property shall be observed by the Unit Owner provided, however, that copies of such regulations are furnished to each Unit Owner prior to the time the said regulations become effective.

(i) Occupancy of the Unit shall be restricted to occupancy in accordance with the applicable zoning regulations of the municipality having jurisdiction over the Condominium.

(j) The common charges shall be paid when due.

TWENTIETH: Charges to the Condominium.

Except to the extent prohibited by law, the Sponsor or its designee shall have the right, without the vote or consent of the Board of Managers to: (a) make alterations, additions or improvements, whether structural or nonstructural, interior or exterior, ordinary or extraordinary, in, to and upon Units owned by the Sponsor or its designees ("Unsold Units"); (b) change the layout of, or number of rooms in, any unsold Units from time to time; (c) change the size and/or number of unsold Units by subdividing the one or more unsold Units into two or more separate Units, combining separate unsold Units (including those resulting from such subdivision or otherwise) into one or more Units, altering the boundary walls between any unsold Units, otherwise; and (d) if appropriate, reapportion among the unsold Units affected by such change in size or number pursuant to the preceding clause their percentages of interest in the common elements; provided, however, that the percentage of interest in the common elements of any other Units (other than unsold Units) shall not be changed by reason thereof unless the owners of such units shall consent thereto and, provided further, that the Sponsor or its designee shall comply with all laws, ordinances and regulations of all governmental authorities having jurisdiction and shall agree to hold the Board of Managers and all other Unit Owners harmless from any liability arising thereof. Sponsor further states that unless Purchaser consents, no change will be made on Unit size, layout, percentage of common interest or in the amount or quality of common elements directly affecting or servicing the Unit if a purchase agreement has been executed and delivered to Sponsor for that Unit and the purchase is not in default.

Nothing contained in this Declaration shall prohibit the division or consolidation of any Unit or Units or common interest appurtenant thereto, including but not limited to a change in the number of rooms. Any such change which will affect the structural integrity of the Building requires the prior written consent of the Board of Managers. In no case, however, may such division or consolidation result in a different percentage of common interest for the total of the new Units than existed for the total of the original units before division or consolidation. An amendment to this Declaration authorized by this paragraph of Twelfth Article may be filed by the new Unit Owner(s) without the consent of any other Unit Owner provided that the percentage of common interest of all other existing Units is not affected thereby and provided such Unit Owner(s) secure the written consent of the Board of Managers which consent may not be unreasonably withheld.

Notwithstanding other provisions of this Article, no reapportionment of the interest in the common elements appurtenant to any Unit shall be made unless there is first delivered to the Board of Managers a written certification stating that the percentages of interest of the respective Units in the common elements, immediately after such reapportionment, will be based upon the approximate proportion that the fair market value of each Unit at the date of this Declaration bears to the aggregate fair value of all Units on said date.

If the number of rooms in an Unsold Unit is changed, or the size and/or number of unsold Units is changed (whether as a result of a subdivision or combination of unsold Units or alteration of boundary walls between unsold Units, or otherwise) and the appurtenant percentage interest in the common elements is reapportioned as a result thereof, all in accordance with the provisions of the Article, then the Sponsor or its designee shall have the right to execute, or (on its request) to require any other Unit Owner or the Condominium Board of Managers to execute and record in the office of the Clerk of Queens County, an amendment to this Declaration (together with such other documents as the Sponsor or its designee deems appropriate to effectuate the same) reflecting such change in the number of rooms in an unsold Unit or in the size and/or number of unsold Units (whether as a result of said subdivision, combination, alteration or otherwise) and the reapportionment of the percentage of interest in the common elements.

In the event the Sponsor or its designee, exercising its rights pursuant to this Article so requests, the Board of Managers shall promptly amend the Declaration at the expense of the Sponsor or its designee, to reflect any such alterations, additions, improvements, changes or reapportionments as provided by clauses (a), (b), (c), and shall record such amendment in the Office of the Clerk of Queens County.

TWENTY-FIRST: Invalidity.

Invalidation of any of the covenants, limitations or provisions of this Declaration by judgment or court order shall in no way effect any of the remaining part of parts hereof, and the same shall continue in full force and effect.

TWENTY-SECOND: Gender.

The use of the masculine gender in this Declaration shall be deemed to refer to the feminine gender, and the use of the singular shall be deemed to refer to the plural, and vice versa, whenever the context so requires.

TWENTY-THIRD: Waiver.

No provisions contained in this Declaration shall be deemed to have been abrogated or waived by reason of any failure to enforce the same, irrespective of the number of violations or breaches which may occur.

TWENTY-FOURTH: Captions.

The captions herein are inserted only as a matter of convenience, and for reference, and in no way define, limit or describe the scope of this Declaration, nor the intent of any provision hereof.

IN WITNESS WHEREOF, the Sponsor has caused this Declaration to be executed this

Section 6 Payment of Common Charges

All unit owners shall be obligated to pay the common charges assessed by the Board of Managers pursuant to the provisions of section 2 of this Article at such time or times as the Board of Managers shall determine.

No unit owner shall be liable for the payment of any part of the common charges assessed against his unit subsequent to a sale, transfer or other conveyance by him (made in accordance with the provisions of Article VIII of these By-Laws) of such unit, together with the Appurtenant Interests, as defined in Section 11 of Article VIII hereof. In addition, any unit owner may, subject to the terms and conditions specified in these By-Laws, provided that his unit is free and clear of liens and encumbrances, other than permissible mortgages and the statutory lien for unpaid common charges, convey his unit, together with the "Appurtenant Interests" to the Board of Managers, or its designee, corporate or otherwise, on behalf of all other unit owners and in such event be exempt from common charges thereafter assessed. A purchaser of a unit shall be liable for the payment of common charges assessed and unpaid against such unit prior to the acquisition by him of such unit, except that a mortgagee or other purchaser of a unit at a foreclosure sale of such unit shall not be liable for and such unit shall not be subject to a lien for the payment of common charges assessed prior to the foreclosure sale.

Section 7 Collection of Assessments

The Board of Managers shall assess common charges against the unit owners from time to time at least annually and shall take prompt action to collect any common charges due from any unit owner which remain unpaid for more than thirty (30) days from the due date for payment thereof.

The Sponsor shall be liable for the monthly common charges of all units which have not been transferred to a purchaser, commencing after the closing of title to the first unit. The Sponsor will cause the Board to file a lien as provided by Real Property Law Section 339-aa on the units in which Sponsor is 30 days in arrears of common charges while in control of Board.

Section 8 Default in Payment of Common Charges

- a) In the event of default by any unit owner in paying to the Board of Managers the common charges as determined by the Board of Managers, such unit owner shall be obligated to pay interest at the legal rate on such common charges from the due date thereof, together with all expenses, including attorney's fees, incurred by the Board of Managers. The Board of Managers shall have the right and duty to attempt to recover such common charges, together with interest thereon, and the expenses of the proceeding, including attorney's fees, in an action to recover the same brought against such unit owner, or by foreclosure of the lien on such unit granted by Section 339-z of the Real Property Law of the

State of New York, in the manner provided in Section 339-aa thereof. A unit owner defaulting in payment of common charges shall not be permitted to vote at any regular or special meeting of unit owners and the Board of Managers may request the Condominium to suspend unit privileges in it until the default is cured.

b) Default in payment of common charges by non-occupying owners: - Real Property Law, Section 339-kk.

The Real Property Law has been amended by adding a new section 339-kk, which provides as follows:

If a unit owner who does not occupy the unit rents such unit to a rental tenant, and then fails to make payments due for common charges, assessments or late fees for such unit, within sixty (60) days from the expiration period after they are due, the Board of Managers shall provide a written notice to the tenant and the non-occupying owner providing that commencing immediately and until such time as all payments for common charges, assessments or late fees are made current, all payments due subsequent to the issuance of such notice are to be made payable to the Board of Managers at the address listed on the Notice. Where a majority of the Board of Managers has been elected by and from among the unit owners who are in occupancy, the Board of Managers may elect not to require that rental payments be made payable to the Board of Managers. At such time as payments for common charges, assessments and late fees from the non-occupying owners are once again current, a notice of such fact shall be given within three (3) business days to the rental tenant and non-occupying owner. Thereafter, all payments shall be made payable to the non-occupying owner or a designated agent. A non-occupying owner who disputes the Board of Managers' claim to rental payments shall be entitled to present facts supporting such owner's position at the next scheduled meeting of the Board of Managers which must be held within thirty (30) days of the date that such Board received notice that such owner seeks to dispute such claim. Payment by a rental tenant to the Board of Managers shall relieve the rental tenant from the obligation to pay such rent to the non-occupying owner and shall be an absolute defense in any non-payment proceeding commenced by such non-occupying owner against such tenant for such rent.

Section 9 Foreclosure of Liens for Unpaid Common Charges

In any action brought by the Board of Managers to foreclosure a lien on a unit because of unpaid common charges, the unit owner shall be required to pay a reasonable rental for the use of his unit and the plaintiff in such foreclosure action shall be entitled to the appointment of a receiver to collect the same. The Board of Managers, acting on behalf of all unit owners, shall have the power to lease, mortgage (but not to vote the votes appurtenant to), convey or otherwise deal with the same. A suit to recover a money judgment for unpaid common charges shall be maintainable without foreclosing or waiving the lien securing the same.

Section 10 Statement of Common Charges

The Board of Managers shall promptly provide any unit owner so requesting the same in writing, with a written statement of all unpaid common charges are due from such unit owner.

Section 11 Repairs and Maintenance

All maintenance, repairs and replacements to the common elements of the property, including but not limited to exterior walls, roof and roof members as well as all maintenance, repairs and replacements to any public utility lines, sewer lines, and drainage system that are located in the common elements and serve one or more units, and exterior maintenances shall be a common expense. All maintenance (including electrical and plumbing repairs in the units), repairs and replacements to the units including windows, (including all glass breakage), doors, windows and door which open from a unit (except painting and maintenance of the exterior surfaces which is performed by the Board of Managers), and repairs to the heating system, pipes, wires and conduits located within or without the same unit other than as set forth above shall be made by the respective unit owner at their own expense. However, the Board of Managers shall repair and replace any public utility lines, sewer line and drainage systems located underground or overhead of any irrevocably restricted common element except where such repair or replacement is necessitated because of the negligence or misuse or neglect of the unit owner to which the common element is restricted in use, in which event such unit owner shall bear the cost of such repairs or replacements. The Board of Managers and its agents, employees and contractors shall have a right of access to any unit and to all portions of the common elements for the purpose of carrying out any of its obligations under these By-Laws or the Declaration of the Condominium. The Board of Managers shall provide snow plowing for the roadways located on the property. All replacements, repairs, painting or maintenance, whether made by the unit owner or the Board of Managers to the doors, windows, or the exterior surface of the Building, including roofs, or to any generally visible portion of the common elements shall be carried out in such a manner so as to conform to the materials, style and color initially provided by the Sponsor. In the event that a unit owner fails to make any maintenance or the event that a unit owner fails to make any maintenance or repair which maintenance or repair is necessary to protect any of the common elements or any other unit, the Board of Managers shall have the right to make such maintenance or repair (after the failure of the unit owner to do so after 10 days written notice, or written or oral notice of a shorter duration in the event of an emergency situation) and to charge the unit owner for the cost of such repairs and/or maintenance. In the event that the Board of Managers charges a unit owner who fails to make prompt payment, the Board of Managers shall be entitled to bring suit thereon and, in such event, the unit owner shall be liable for the reasonable attorney's fees and costs of such suit or proceeding together with interest on all sums due.

As long as the Sponsor continues to own 25% or more units, but in no event longer than 5 years from the conveyance of the first unit, the Condominium will not be allowed to incur a substantial increase in maintenance costs (e.g. no additional employees) and cannot make any repairs or alterations greater than \$10,000, without the Sponsor's consent. However, this \$10,000.00 limitations shall not be applicable to the expenses to (i) comply with applicable laws and regulations; or (ii) remedy any notice of violation; or (iii) remedy any work order by an

insurer; or (iv) for any repair or maintenance required for the health and/or safety of the occupants of the building.

Section 12 Limited Common Elements

All repairs and maintenance of limited common elements shall be the sole responsibility of the unit owner or owners having exclusive use thereof.

Section 13 Restrictions On Use of Units

In order to provide for congenial occupancy of the Property and for the protection of the values of the units, the use of the Property shall be restricted to and shall be in accordance with the following provisions:

- (a) Each unit may only be used for its designated purpose in accordance with the Certificate of Occupancy.
- (b) The Common Elements shall be used only for the furnishing of the services and facilities for which they are reasonably suited and which are incident to the use and occupancy of units.
- (c) No nuisances shall be allowed on the Property nor shall any use or practice be allowed which is a source of annoyance to its occupants or which interferes with the peaceful possession or proper use of the Property by its occupants.
- (d) No immoral, improper, offensive, or unlawful use shall be made of the Property or any part thereof, and all valid laws, zoning ordinances and regulations of all governmental bodies having jurisdiction thereof shall be observed. Violations of laws, orders, rules, regulations or requirements of any governmental agency, shall be eliminated, by and at the sole expense of the unit owners, or the Board of Managers, whichever shall have the obligation to maintain or repair such portion of the Property.

No garbage, in cans or otherwise, shall be placed in the halls or on the staircase landings, or any other portion of the Common Elements except where designated by the Board of Managers or Managing Agent.

The Board of Managers or its designated agent, may retain a passkey to the units. No unit owner shall alter any lock or install a new lock on any door of the units without the written consent of the Board of Managers. When such consent is given, the unit owners shall provide the Board of Managers, or its agent, with an additional key.

If any keys are entrusted by a unit owner or by his agent, servant, employee, invitee, licensee or visitor, to any employee or agent of the Board of Managers, for any lock other than a lock on the door of the unit, the relinquishment of the key shall be at the sole risk of such unit owner or other person, and the Board of Managers shall not be liable for injury, loss or damage of any nature whatsoever directly or indirectly resulting therefrom or connected therewith.

Unit owners may not maintain pets in the Units.

Section 14 Additions, Alterations or Improvements by Board of Managers

Whenever in the judgment of the Board of Managers the common elements shall require additions, alterations or improvements costing in excess of \$10,000.00 and the making of such additions, alterations or improvements shall have been approved by a majority of the unit owners and by each holder of mortgages constituting first liens on 25% or more units, the Board of Managers shall proceed with such additions, alterations or improvements and shall assess all unit owners for the cost thereof as a common charge. Any additions, alterations or improvements costing \$10,000.00 or less may be made by the Board of Managers without approval of the unit owners and the cost thereof shall constitute part of the common expenses.

Notwithstanding the above, as long as the Sponsor continues to own 25% or more units, the Condominium will not be allowed without Sponsor's consents to incur a substantial increase in maintenance costs (e.g. no additional employees) and cannot make any alterations costing greater than \$10,000.

Section 15 Additions, Alterations or Improvements by Unit Owner

No unit owner shall make any structural addition, alteration or improvement or perform electrical and plumbing works in or to his unit, without prior written consent thereto of the Board of Managers. All electrical appliances and equipment of any kind of nature, installed or used in each unit shall fully comply with all rules, regulations, requirements or recommendations of the New York Board of Fire Underwriters and the Public Authorities having jurisdiction. The Board of Managers shall have the obligation to answer any written request by a unit owner for approval of a proposed structural addition, alteration or improvement in such unit owner's unit, within thirty (30) days after such request, and failure to do so within the stipulated time shall constitute a consent by the Board of Managers to the proposed addition, alteration or improvement. Any application to any department of the City of New York or to any other governmental authority for a permit to make an addition, alteration, or improvement in or to any unit shall be executed by the Board of Managers only, without incurring any liability on the subcontractor or material-man on account of such addition, alteration or improvement, or to any person having any claim for injury to person or damage to property arising therefrom. The provisions of this Section 15 shall not apply to units owned by the Sponsor until such units shall have been sold by the Sponsor and paid for. Balconies shall not be enclosed.

Section 16 Use of Common Elements and Facilities

A unit owner shall not place or cause to be placed in the lobbies, vestibules, public halls, stairways or other common areas or common facilities, any furniture, packages or objects of any kind. The public halls and stairways shall not be used for any other purpose than normal transit through them.

Section 17 Right of Access

A unit owner shall grant a right of access to his unit, to the manager and/or the managing agent and/or any other person authorized by the Board of Managers, the manager or the

managing agent, for the purpose of making the manager or the managing agent inspections or for the purpose of correcting any condition originating in his unit and threatening another unit or common element, or for the purpose of performing installations, alterations or repairs to the mechanical or electrical services or other common elements in his unit or elsewhere in the Building in which the unit is located, provided that requests for entry are made in advance and that any such entry is at a time reasonably convenient to the unit owner. In case of an emergency, such right of entry shall be immediate, whether the unit owner is present at the time or not. In the event of the exercise of the right of access provided in this Section, any costs for repairs shall be borne in accordance with the provisions of Section 11 of this Article VI.

Section 18 Rules of Conduct

Rules and regulations concerning the use of units and the common elements may be promulgated and amended by the Board of Managers. A majority vote of unit owners at a meeting may overrule the Board. Copies of such rules and regulations shall be furnished by the Board of Managers to each Unit Owner prior to the time when the same shall become effective.

Section 19 Water Charges and Sewer Rents

Water shall be supplied to all the units and the common elements through a building meter, and the Board of Managers shall pay, as a common expense, all charges for water consumed on the condominium property including the units, together with all related sewer rents arising therefrom, promptly after the bills for the same shall have been rendered. In the event of a proposed sale of a unit by the owner thereof, the Board of Managers, on request of the selling unit owner shall execute and deliver to the purchaser of such unit or to the purchaser's title insurance company, a letter agreeing to pay all charges for water and sewer rents affecting the common area as of the date of closing of title to such unit promptly after such charges shall have been billed.

Section 20 Electricity and Gas

Electricity and gas shall be supplied by the public utility company serving the area directly to each unit through a separate meter. Each unit owner shall be required to pay the bills for electricity and gas within his/her unit. The electricity and gas serving the common area shall be separately metered, and the Board of Managers shall pay all bills for electricity consumed in the portions of the common elements as common expenses.

Section 21 Operating Account

There shall be established and maintained a cash deposit account to be known as the "Operating Account" into which shall be deposited the operating portion of all monthly and special assessments as fixed and determined for all units. Disbursements from said account shall be for the general need of the operation including, but not limited to, wages, repairs, betterments, maintenance and other operating expenses of the common elements and for the purchase, lease, sale and other expenses resulting from the purchase or lease of the units.

Section 22 Other Accounts

The Board shall maintain any other accounts it shall deem necessary to carry out its purpose.

ARTICLE VII

MORTGAGES

Section 1 Notice to Board of Managers

A unit owner who mortgages his unit, shall notify the Board of Managers the name and address of his mortgagee and shall file a conformed copy of the note and mortgage with the Board of Managers; the Board of Managers shall maintain such information in a book entitled "Mortgages of Units."

Section 2 Notice of Unpaid Charges

The Board of Managers when so requested in writing by a mortgagee of a unit shall promptly notify any mortgagee of a unit of such unit owner's default, including nonpayment of common charges, in the obligations of such unit owner under the Declaration, By-Laws, Rules and Regulations, as the same are amended from time to time, or in any order of the Board of Managers issued with respect thereto.

Section 3 Notice of Default

The Board of Managers when giving notice to a unit owner of a default in paying common charges or other default, shall send a copy of such notice to each holder of a mortgage covering such unit whose name and address has heretofore been furnished to the Board of Managers.

Section 4 Examination of Books

Each unit owner and each mortgagee of a unit shall be permitted to examine the books of account of the Condominium at reasonable times, on business days.

ARTICLE VIII

SALES, LEASES AND MORTGAGES OF UNITS

Section 1 Right of First Refusal on Sale or Lease of Units by the Board of Managers

A unit owner has the right to sell or lease his unit provided he gives notice of the bona fide terms of any proposed sale or lease to the Board of Managers and obtains its waiver of first right of refusal to purchase or lease such unit. The failure of the Board of Managers to act on such proposed sale or lease within thirty (30) days after notice thereof shall be deemed to constitute the waiver. If the Board elects to exercise its right of first refusal, it shall within fifteen (15) days after making its decision known, produce a purchaser or lessee approved by it who will accept the transaction upon terms as favorable to the unit owner as the terms stated in the notice to the Board. If the Board does not produce such a purchaser or lessee within the aforesaid fifteen (15) days, the unit owner shall have the right to effectuate such sale or lease on the terms submitted, as more specifically set forth herein.

The Board of Managers or its designee, may elect to purchase or lease such unit on behalf of all of the unit owners, in the manner set forth herein, provided that approval for such purchase or lease is obtained from the unit owners of not less than 75% of the units in common interest. In the event the Board of Managers does not have sufficient funds on hand for such purchase or lease from working capital, it may either borrow such funds and/or assume an existing indebtedness secured by the unit, provided such borrowing is secured only by a mortgage, or may assess the unit owners therefore in proportion to their respective common interest, or the Board may use any combination of these methods to undertake the acquisition.

In the event the Board shall notify the selling unit owner of its intention to exercise its right to purchase or lease of the unit then, within fifteen (15) days of such notification the Purchaser or Lessee supplied by the Board, shall execute a contract to sell or lease pertaining to such unit at the purchase price and other terms set forth in the contract to sell supplied with the notice of transfer or on other terms more favorable to the owner of the unit. The closing of title of the unit or date of the commencement of the term of lease shall be the same as set forth in the contract to sell or lease included in the notice of intention to sell the unit.

Section 2 Unauthorized Sale or Lease is Voidable

Any sale, voluntary transfer, conveyance or lease which is not authorized by the terms of these By-Laws or for which authorization has not been obtained pursuant to the terms thereof is voidable and may be voided in an action brought by an immediately contiguous unit owner or the Board of Managers.

Section 3 Notice

All notices referred to in this Article VIII shall be given by registered or certified mail, return receipt requested. Delivery shall be deemed made and notice shall be deemed given by such mailing and shall not be dependent upon acceptance by the addressee.

A unit owner intending to make a transfer, sale or lease of the unit or any part thereof, or interest therein, shall give notice to the Board of Managers of such intention. He shall furnish at the time to the Board (i) the name and address of the intended grantee or lessee; (ii) a statement of all the terms of the transactions; (iii) financial references of the transferee or lessee; (iv) the specific occupation of the transferee or lessee including any areas of specialization; (v) an executed copy of the proposed contract to sell or lease; and (vi) such other information as the Board of Managers may reasonably require. He shall use the form, if any, supplied by the Board in order to supply such information. Such notice, when given, shall constitute a representation, warranty and an offer to sell or lease to any purchaser or lessee produced by the Board and a representation that the unit owner believes the offer to be bona fide in all respects.

Section 4 Unit Owner's Right to Withdraw Unit from Proposed Sale or Lease

Where the Board has failed to act on a transaction, or where the Board has acted but has not yet produced a purchaser within the fifteen (15) day period permitted, the unit owner may withdraw his offer to sell or lease, or sell or lease in accordance with the proposed terms submitted to the board.

Section 5 Form of Consent for the Board

The action by the Board of Managers consenting to a sale or lease shall be in recordable form. The failure of the Board to act on a notice given to it within thirty (30) days shall be deemed to constitute approval of the sale or lease. The unit owner, purchaser or lessee may demand and shall be entitled to receive from the Board consent to the sale or lease in recordable form.

Section 6 Approval of Occupant of Unit

If the proposed purchaser or lessee of a unit, or any interest, therein, is other than a natural person, the approval of the sale may be conditioned upon the approval of the entity or entities which will occupy the unit.

Section 7 Transaction to Which the Right of First Refusal does not Apply

The right of first refusal granted herein shall not be applicable to the following:

- (1) The sale, lease or sublease of units by or to the Sponsor;
- (2) Foreclosure or other judicial sale of Condominium units or a conveyance by the owner of a unit to a Mortgagee in lieu of foreclosure; and any subsequent sale, lease or sublease by a Mortgagee (provided that unrelated persons acquiring the unit from such Mortgagee shall be subject to such right or prior refusal herein);

(3) The sale, lease, or sublease from a unit owner to a partnership, corporation or limited liability company in which the unit owner is a partner or principal stockholder or member; from a partnership, corporate owner, or limited liability company to the partners, stockholders or members thereof; from partners who are owners to new partners; from one co-owner to another;

(4) A conveyance or transfer from a unit owner by gift, devise by will or interstate succession.

Section 8 No Severance of Ownership

No unit owner shall execute any deed, mortgage, or other instrument conveying or mortgaging title to his unit without including therein the Appurtenant Interests, it being the intention thereof to prevent any severance of such combined ownership. Any such deed, mortgage, or other instrument purporting to affect one or more of such interests, without including all such interests, shall be deemed and taken to include the interest or interest so omitted, even though the latter shall not be expressly mentioned or described therein. No part of the Appurtenant Interest of any unit may be sold, transferred, or otherwise disposed of, except as part of a sale, transfer or other dispositions of the unit to which such interest or interests are appurtenant, or as part of a sale, transfer of other disposition of such part of the Appurtenant Interests of all units.

Section 9 Waiver of Right of Partition With Respect to Such Units As Are Acquired By the Board of Managers Or Its Designee, On Behalf of All Unit Owners As Tenants in Common.

In the event that a unit shall be acquired by the Board of Managers or its designee, on behalf of all unit owners as tenants in common, all such unit owners shall be deemed to have waived all rights of partition with respect to such unit.

Section 10 Mortgage of Units

No unit owner shall mortgage his unit except by a first mortgage made to a bank, trust company, insurance company, federal savings and loan association, pension fund or other institutional lender or a purchase money mortgage made to the seller of the unit. Any such mortgage shall be made substantially in the form on file with the Board of Managers except for such charges or additions as may be required in order to permit the particular institutional lender to make the mortgage loan, or to the extent permitted by the Board of Managers.

Section 11 Selling and Leasing of Units-Payment of Assessments

No unit owner shall convey, mortgage, pledge, hypothecate, sell or lease his unit unless and until all unpaid common charges assessed against his unit shall have been paid to the board of Managers and until he has satisfied all unpaid liens against his unit except for permitted mortgages. However, such unpaid common charges can be paid out of the proceeds from the sale of a unit, or by the grantee. Further, a unit owner may convey his unit and his common interest

appurtenant thereto, to the Board of Managers on behalf of all unit owners free of any cost to the Board or the unit owners and upon such conveyance such unit owner shall not be liable for any common charges thereafter accruing against such unit. Any sale or lease of any unit in violation of this section shall be voidable at the election of the Board of Managers.

The provisions of this section shall not be applied to the acquisition or sale of a unit by a mortgagee who shall acquire title to such unit by foreclosure or by deed in lieu of foreclosure. Such provisions shall, however, apply to any purchaser from such mortgagee.

ARTICLE IX

CONDEMNATION

Section 1 Condemnation

In the event of a taking in condemnation or by eminent domain of part or all of the common elements, the award made for such taking shall be payable to the Board of Managers. If seventy-five (75%) percent or more of the unit owners duly and promptly approve the repair and restoration of such common elements, the Board of Managers shall arrange for the repair and restoration of such common elements and the Board of Managers shall disburse the proceeds of such award to the contractors engaged in such repair and restoration in appropriate progress payments. In the event that seventy-five (75%) percent or more of the unit owners do not duly and promptly approve the repair and restoration of such common elements, the Board of Managers shall disburse the net proceeds of such award in the same manner as they are required to distribute insurance proceeds where there is no repair or restoration of the damage, as provided in Section 3 of Article VI of these By-Laws. As used in the Section, the words “promptly approve” shall mean not more than sixty (60) days from the date of such taking.

ARTICLE X

RECORDS

Section 1 Record and Audits

The Board of Managers or the managing agent shall keep detailed records of the actions of the Board of Managers and the managing agent, minutes of the meetings of the Board of Managers, minutes of the meetings of the unit owners, and financial records and books of account of the Condominium, including as a separate account for each unit, which among other things, shall contain the amount of each assessment of common charges against such unit, the

date when due, the amounts paid thereon, and the balance remaining unpaid. In addition, an annual report of the receipts and expenditures of the Condominium, certified by an independent certified public accountant, shall be rendered by the Board of Managers to all unit owners. All unit owners will receive annually, within 3 months of the end of each fiscal year, copies of an annual report of the Condominium including a balance sheet and a profit and loss statement certified by an independent public accountant, a statement regarding any taxable income attributable to the unit owner and notice of the holding of the annual unit owners meeting. The cost of such report shall be paid by the Board of Managers as a common expense. All unit owners shall be entitled to examine the books and records of the Condominium on reasonable notice to the Board, but not more than once a month.
