SPECIAL RISKS

1. There is no managing agent or superintendent provided for in the projected budget. The condominium will therefore not have a manager while the Sponsor is in control. If the condominium decides to engage a management company and/or a superintendent this will entail an additional expense not included in the budget as it now appears. The common charges will therefore increase. It is estimated that retaining a management company will increase the budget by 20%. Refer to Schedule B Projected Budget page 14.

The unit owners will have to perform any maintenance and management tasks since the budget does not provide for a management agent or laborers. The direct management of the condominium will be under the control of the Board of Managers as per the Declaration and By-laws. These functions would include maintaining the books and records of the condominium, general cleaning and maintenance of the common areas, landscaping, garbage removal, and painting when necessary. In the event the condominium determines that it will employ a part-time handyman, common charges will increase by about 20%. Refer to budget footnotes page 15

2. Sponsor will complete the common elements prior to the closing of the first unit. Sponsor has not posted a bond to secure its obligations under the plan. Refer to Rights and Obligations of Sponsor page 35.

Sponsor will not close before obtaining a final certificate of occupancy (FCO) for the units.

3. The Purchaser shall be responsible for the payment of the New York City Real Property Transfer Tax and the New York State Documentary Stamp Tax. These taxes when combined are equal to 1.400% of the purchase price. Payment the transfer taxes is customarily the responsibility of the Seller. These taxes when payable by the Purchaser are considered additional consideration on which the transfer taxes are computed. Refer to Unit Costs and Adjustments page 32.

4. The contract of sale requires that any extras ordered are paid for at the time of such order. All funds received by the Sponsor for upgrades or extras must initially be placed in the escrow account. However, Purchasers should note as a special risk that such funds may be released from the escrow account by the escrow agent as long as the Sponsor uses the funds for such upgrades or extras. If the plan is abandoned, the unit upgrade funds will be returned. The Sponsor will not retain costs or expenses for custom work, as the party breaching the contract should not be able to receive consequential damages. Refer to Purchase Agreement in Part II Section A

5. The down payment received at the time a contract of purchase is executed will be placed in an attorney IOLA account. The escrow account is federally insured by the FDIC at the maximum amount of $250,000 per deposit. Any deposits in excess of $250,000 will not be insured unless the escrow agent has established multiple accounts on behalf of purchasers at various institutions. Interest on an IOLA account is paid to New York State. Refer to Procedure to Purchase page 20.

6. Cellars may not be used for any type of occupancy: including but not limited to dining, sleeping living room, office storage etc. To do so may result in a violation against the building being issued by the building department.

7. Unit owners must notify the Board of Managers in writing when a child or children age ten (10) years or younger lives or resides (even temporarily) in the unit. Each residential unit owner must install at the resident's own expense, the required window guards in all windows of the unit and shall not remove them until permitted by law and in no event without the full knowledge of the Board of Managers. This installation is required by law. Please refer to the New York City Department of health website for information regarding the installation of window guards.

8. Although Sponsor will endeavor in good faith to sell units rather than rent, Sponsor is reserving the unconditional right to rent rather than sell unsold units upon plan consummation.

Because Sponsor is not limiting the conditions under which it will rent rather than sell units upon plan consummation, there is no commitment to sell more units than the 15 percent (one unit) necessary to declare the plan effective and owner-occupants may never gain effective control and management of the condominium. Purchasers and renters may have inherent conflicts on how the condominium should be managed because of their different reasons for occupancy. Refer to Introduction page 1

9. Purchasers should note that in the current real estate market, banks and other lenders are imposing various restrictions on purchase financing. Such restrictions include requiring that a certain percentage of apartments in a building or group of buildings be sold before a lender will consider making a loan. Thus it may be possible for a purchaser to experience difficulty obtaining a loan in a building or group of buildings where the Sponsor or holder of unsold shares has not sold a substantial percentage of the apartments in the building or group of buildings, which in some cases may be as high as 70%. Moreover, some lenders will not provide financing in a building or group of buildings where an investor other than the original Sponsor has an ownership interest of 10% or more. It also may be difficult for a purchaser to resell an apartment if prospective buyers are unable to obtain a loan due to the same minimum sales and investment ownership restrictions.

10. The condominium board does not the right to approve or disapprove purchasers. There is not limit on the number of owners who may purchase for investment rather than for personal occupancy and there may always be a substantial percentage of owners who are non-residents. See page 4.

11. The square footage shown in the "Schedule A" are derived from the architects report in Part II of this Offering Plan. The architect measured the dimensions from the outside face of the masonry at the exterior walls to the non unit side of the walls and partitions dividing the units from the stairs, corridors and mechanical spaces. These dimensions include unusable space such as partitions and walls. Purchasers should verify each room and closet dimension for their interior use prior to closing. See Footnotes to Schedule A page 12.

12. The Board of Managers shall have no personal liability with respect to any contracts made by them on behalf of the condominium. The Unit owners shall indemnify and hold harmless each of the members of the Board for acts on behalf of the unit owners. Each unit owner's liability shall be limited to such proportion of the total liability as his interest in the common elements bears to the interest of all unit owners in the common elements. This indemnification liability of the unit owner's is several and not joint and several. See By-laws in Part II page 8.

13. The condominium is subject to the rules and regulations set forth in the By-Laws. All prospective purchasers should carefully review such rules and regulations. See By-laws in Part II.

14. In the event proceeds of insurance maintained by the condominium are insufficient to repair damaged units, the unit owners will bear the responsibility for the cost of the repairs. See By-laws in Part II page 13.

15. The Housing Merchant Implied Warrant applies to this development. However, the Sponsor has limited the scope of the warranty. The warranty covers no more than 75% of the purchase price and does not cover consequential, incidental special and indirect damages except as required by law. The limited warranty is subject to all applicable laws. Please refer to the Purchase Agreement in Part II Section A.

16. Notwithstanding anything to the contrary contained in the By-Laws in part II, for a period of two years after the filing of the condominium Declaration so long as Sponsor or its designee shall continue to own one Unit, the Board of managers may not, without the Sponsor's written consent (i) make any addition, alteration or improvements to the common elements or to any units; (ii) assess any common charges for the creation of, or addition to or replacement of all or part of a reserve for contingencies provided in the estimate of receipts and expenses for the First Year of operation set forth in Schedule B of the plan of condominium ownership; (iii) hire any employees in addition to the employees referred to in the plan of condominium ownership; (iv) enter into any service contract or maintenance contract for work not covered by contracts in existence as of the date of the first closing of title to a unit or; (v) borrow money on behalf of the condominium. Please refer to By-Laws in Part II Section F of the Offering Plan.

17. The Sponsor may not exercise veto power over expenses described in Schedule B or over expenses required: (i) to comply with applicable law or regulations; (ii) to remedy any notice of violation; (iii) remedy any work order by an insurer; or (iv) for any repair or replacement necessary for the preservation or safety of the building or for the safety of occupants of the building as required to avoid the suspension of any necessary services to the building.

18. After the plan has been declared effective, the closing of title shall take place upon thirty days written notice. If the purchaser fails to close within seven days of the time set for closing, interest of 16% per annum on the unpaid balance shall accrue from the date originally fixed for closing.

19. Time is of the essence in the purchase agreement with regard to purchaser's obligations to pay the balance of the purchase price and to perform purchaser's other obligations under the purchase agreement. The phrase "time of the essence" means that the deadlines set forth in the purchase agreement are extremely important and that failure by the purchaser to meet those deadlines are considered material breaches of the purchase agreement which could result in the purchaser losing his down payment and/or being penalized in some fashion. Pease refer to Purchase Agreement in Section A of Part II of this offering plan

20. There will be one laundry closet provided within each residential unit with hookups for domestic type washers and dryers. A 4 inch diameter dryer duct will be provided to exhaust dryer air to the outside. Additional kitchen appliances and fixtures, including refrigerators will be the responsibility of the unit owners.

21. The roof will have a ten (10) year warranty on materials provided by the manufacturer and a two (2) year warranty on workmanship provided by the Sponsor.

22. The time period for obtaining a mortgage commitment and the time period for completing the project may be lengthy and the commitment may expire or be revoked.

Under New York Law, when a mortgage commitment is not fulfilled through no fault of purchaser, performance is excused. Sponsor may not condition purchaser's obligation upon obtaining a commitment. If purchaser acts in good faith and lender revokes the commitment after the contingency period expires, performance by the purchaser is excused.

OFFERING PLAN

INTRODUCTION

A. The purpose of the offering plan is to set forth all the material terms of the offer. The plan may be amended from time to time when an amendment is filed with the New York State Department of Law and served on purchasers who have executed and delivered purchase agreements to the sponsor or selling agent and whose purchase agreements are in effect, unit owners and any person entitled to service pursuant to 13 NYCRR section 20.1(d)(13). The Sponsor acquired the property comprising the condominium development on March 11, 2014.

The condominium development is composed of two, two unit buildings on the development site. Each building is composed of a cellar, first and second floor. The buildings are mirror images of each other. All four units have a cellar. The front part of the Unit 1B and 2A are one car garages which are part of those units. There are two double outdoor parking pads adjacent to each of Units 1A and 2B which are limited common elements to those units. Each of the four units has as limited common element specific areas of the side yards and back yards. The specific location of these limited common elements, their size and configuration are located on the Site Plan in Part II of the Offering Plan under Section D.

The Sponsor represents that it will endeavor in good faith to sell units rather than rent.

Notwithstanding the above, Sponsor is reserving the right to rent rather than sell unsold units after plan consummation. Because Sponsor is not limiting the conditions under which it will rent rather than sell units, there is no commitment to sell more units than the one unit necessary to declare the plan effective.

Owner-occupant's may never gain control and management of the condominium. Purchasers and renters may have inherent conflicts on how the condominium should be managed because of their different reasons for occupancy.

If the Sponsor makes a bulk sale of one or both of its unsold Units, the transferee successor sponsor is bound by sponsor's representations regarding its commitment to sell Units.

The common elements consist of all areas and components of the development excluding the individual Units and their limited common elements. The common elements include hallways leading to the Units, paved sidewalks, and the exterior structure of the buildings including the roof. Each unit has its own in-unit utility closet and a mechanical room which will house the heating/ air conditioning and hook ups for a washer/dryer which will be supplied by the Purchaser.

The development is new construction. All units offered in this plan are vacant. The development is composed of two, two unit building with outdoor limited common element parking pads and yard areas.

No agreements, written or oral, have been entered into for the sale or transfer of any of the Units offered in the plan. The plan, including all Schedules and Parts A, B, and C of the Exhibits constitute the entire offer of sponsor. Copies of the plan, all documents referred to in the plan and all exhibits submitted to the Department of Law in connection with the filing of the plan will be available for inspection without charge and for copying at a reasonable charge ($.25 per page) to prospective purchasers and their attorneys at the site whenever the on site sales office is open and at the office of the selling agent or sponsor. Copies of the plan and exhibits will also be available for inspection and copying at a reasonable fee ($.25 per page) at the Real Estate Finance Bureau, New York State Department of Law, 120 Broadway, 23rd Floor, New York, New York 10271.

c. **Basic Aspects of Condominium Ownership**

The Declaration and By-Laws will be those set forth in this Offering Plan, and will not be changed so as to have a material adverse effect on the purchaser.

Each purchaser owns his or her Unit outright and is entitled to exclusive possession of that Unit together with an interest in and right to use the common elements, and the exclusive right to use their limited common element, if applicable.

The common elements of the condominium are the entire condominium including the outside structure of the buildings including the roofs, hallways leading to the units, paved sidewalks and all other areas excluding the actual units themselves and the designated limited common elements. The limited common elements are front, side and back yard areas, open porches and decks allocated to specific units. Please See Site plan and floor plans attached to the Architects Report in Part II Section D.

His Unit will be taxed as a separate tax lot for real estate tax purposes and may be separately mortgaged. Under present Federal and New York State income tax laws, his real estate taxes and the interest paid on the mortgage on his Unit may be deducted from his income.

In addition thereto, a Unit Owner will own, in common with the owners of all other Units, an undivided interest in all parts of the Property other than the Units (the "common elements") and the exclusive right to use limited common elements, as applicable. As a Unit Owner, he will have the right to vote annually for the election of members of the Board of Managers, who will supervise the Property and manage the affairs of the Condominium under the authority of the Declaration, By-Laws and applicable statutes.

The Board of Managers will assess against every Unit Owner, in proportion to his interest in the common elements, charges for the maintenance of the common elements and for the operating costs of the Property (herein referred to as "common charges" or "common expenses") which Unit Owners must pay pursuant the New York Condominium Act, Real Property Law Section 339(i) and (m).

Electricity for each Unit will be separately metered by Consolidated Edison, and each Unit Owners will pay the utility directly for the electricity which he uses for air conditioning, lighting and appliances. Gas for cooking and heating will be provided for each Unit by National Grid and also be separately metered and paid for separately by each Unit owner. The individual Unit owners will each have the obligation to pay for all other utilities, and the upkeep of the interior of the Units, as well as insurance on the interior of their Units and contents and their own casualty and liability insurance as distinguished from the obligation of the Board of Managers.

The common charges will include insurance for the buildings, landscaping, general repairs as well as City water and sewer charges and miscellaneous common expenses.

Each Unit owner is obligated to comply with the Declaration, the By-laws, rules and regulations and any other requirements of the board of managers.

Under the New York State Condominium Act, a condominium unit may be owned by an individual, a corporation, a partnership, or a fiduciary. There is no restriction as to who may purchase. There are no restrictions on the use, resale, leasing or mortgaging of a Unit.

The condominium board does not have the right to approve or disapprove purchasers, there is no limit on the number of owners who may purchase for investment rather than for personal occupancy and there may always be a substantial percentage of owners who are non-residents.

A unit owner is responsible for the maintenance of the interior of his unit. Common water and sewer pipelines which run throughout the building are the responsibility of the Condominium as is the common electrical systems. The unit interior walls as well as the walls abutting common areas or adjacent units are the responsibility of the individual owner. All electrical lines within the unit from the wire coming into the unit are the responsibility of the unit owner as is general interior unit maintenance such as painting and repairs. The Board of Managers shall maintain insurance on the building as a whole. The unit owner is responsible for maintaining casualty and liability insurance for the interior of his individual unit.

- The uninhabitable space in the units are the cellar as indicated above. These spaces may not be legally used as a bedroom or living room and to do so may result in a building code violation being issued for the building.

FOOTNOTES TO SCHEDULE A

1. Bedrooms and baths are according to N.Y.C. zoning room count. For a complete description of the unit layouts consult the description and floor plans in part two of this Offering Plan. The physical dimensions of each Unit consist of the area measured horizontally from the centerline of the wall which makes up the outmost exterior wall to the centerline of the partitions separating one unit from another unit. Each Unit will consist of a volume measured vertically from the top of the finish floor to the underside of ceiling except that any common elements located within any unit shall not be considered as part of that Unit. Doors and windows which open from a Unit and interior walls of a Unit shall be deemed to be part of the Unit. The usable floor area of the Units is significantly less than the above calculated square footage. The estimated square footage on Schedule A is approximately within reasonable tolerances.

2. The percentage of common interest of each unit shall be in equal percentages pursuant to New York State Real Property Law Section 339-i(1)(iv) " upon floor space, subject to the location of such space and the additional factors of relative value to other space in the condominium, the uniqueness of the unit, the availability of common elements for exclusive or shared use, and the overall dimensions of the particular unit".

3. The total cash purchase prices are subject to change. See "Changes in Prices or Units" for an explanation of any price changes. Please note that prices are negotiable. The closing costs for the units which are priced at $475,000 would total approximately $ 9,906 plus additional closing costs if purchaser obtains a mortgage, including escrow and attorneys fees, plus working capital of two months maintenance per unit and adjustments. See "Closing Costs and Adjustment" on page 32 for details.

As noted in Special risk # 3 and on page 33, the purchaser will be responsible for the Seller's transfer tax, an expense usually borne by the seller.

4. The sponsor at this time is not offering or procuring mortgage financing. If the purchaser obtains financing, debt service on such financing will be an additional monthly expense.

Purchasers should note that monthly carrying charges do not include certain housing costs for which the unit owner is generally responsible such as repairs to the interior or the unit, and separately metered gas and electricity for cooking, lighting and air conditioning and heating. Projections for individual gas and electricity usage set forth and explained in Schedule B-1.

5. After the Condominium is divided into individual tax lots, each unit will be taxed as a separate tax lot for real estate tax purposes and the unit owner will not be responsible for the payment of, nor will the unit owner be subject to, any lien arising from the non-payment of taxes on the other unit. Under the current tax law, real estate taxes paid on a personal residence are tax deductible as an itemized deduction on personal tax returns.

The amount deductible for taxes may vary depending upon the circumstances of the individual purchaser.

The New York City Department of Finance classifies a condominium building of three stories or less as Class 1 property. The assessed value of the property is then determined by taking the deemed market value and applying a 6% figure to arrive at the assessed value. The deemed value for each of the buildings would be approximately $580,000 with the post construction assessed value of approximately $32,460. The assessed value for an individual unit is based upon the percentage of common interest of the units which are the same. Since the units have been allocated the same percentage of common interest, the estimated assessed value for the each unit would be $17,400.

It is anticipated that the completion and reassessment of taxes will be effective for the Fiscal year commencing July 1, 2016. At the present time the tax rate is 19.191% of the assessed value. Based on the computations above, the real estate taxes for individual units would be approximately $3,340 per annum. The City of New York has the ability to increase or decrease the deemed market value, the assessed value and tax rate in the future.

The First year of operation on Schedule A is based upon a fiscal year. The City of New York establishes taxes on a fiscal year July through June. Each fiscal year the Department of Finance has the ability to change the taxes which apply to the condominium by reassessing the value of the building. And/or increasing the tax rate on the building.

The projected taxes in Schedule A are based upon percentages of common interest and the above projected post construction assessment and tax rate.

The projected tax deduction (where applicable) may vary in future years due to changes in the interest rate on the unit owners mortgage (if any) of from changes in the allocation of constant debt service payments to interest and principal, or due to changes in real property taxes resulting from the expiration of real estate tax benefits, or from changes in assessed value, the tax rate or the method of assessing real property.

If such amended projections exceed the original projection by twenty-five percent (25%) or more, the sponsor must offer all purchasers the right to rescind and a reasonable time that is not less than fifteen (15) days after the date of presentation to exercise the right, whether or not sponsor offers to guarantee the previous budget projection. Sponsor must return any deposit or down payment to purchasers who rescind within a reasonable period of time. Sponsor may not declare a plan effective where there are material changes to the budget if these changes have not been disclosed by a duly filed amendment to the offering plan.

In such case, provided that the sponsor is diligently pursuing completion of construction and issuance of a certificate of occupancy and is otherwise in compliance with its obligations under the plan, a Purchaser will

not be entitled to a right or rescission or to make claims against the Sponsor for damages or losses as a result of such delays and will not be excused from paying the full purchase price for the Unit. PROSPECTIVE PURCHASERS SHOULD THEREFORE CAREFULLY CONSIDER THE POSSIBILITY OF SUCH DELAYS IN THEIR DETERMINATION AS TO WHETHER TO PURCHASE A UNIT. In the event, however, Sponsor cannot convey title to the Unit on or before eighteen (18) months from the date of the Purchase Agreement, such Purchaser shall have the right to rescind the purchase agreement.

Re: Willowbrook Commons Condominium

Gentlemen:

We have reviewed the percentage common interest for the units shown in the schedule entitled "Schedule A Offering Price and Related Information" for inclusion in the above referenced Offering Plan. The four units are almost identical in size as to living space and all are three bedroom units. The units in one building are mirror images of the units in the other building. None of the units has any unique or unusual qualities. Their location next to each other does not significantly affect the value of the units. The respective percentage of common interest is based upon Real Property Law section 339 (i)(1)(iv) " upon floor space, subject to the location of such space and the additional factors of relative value to other space in the condominium, the uniqueness of the unit, the availability of common elements for exclusive or shared use, and the overall dimensions of the particular unit.

In our opinion, the percentage common interest as set forth in the offering plan is in compliance with Real Property Law Section 339(i)(1)(iv).

The floor space and overall dimensions were calculated and provided to the undersigned by the architect for the project Joseph M. Morace R.A. 3195 Richmond Road., Staten Island, N.Y. 10306.

The undersigned has been involved in the purchase and sale of condominium unit for the last twenty years and has provided these compliance reviews for various condominiums over the last fifteen years for new condominiums on Staten Island and Brooklyn.

I have no financial or other beneficial interest in the Sponsor, or in the profitability of the project. I am neither the selling agent nor the prospective managing agent for the property.

You have advised me of your intention to incorporate this letter into the Plan and I hereby consent to such incorporation.

VI. CHANGES IN PRICES AND UNITS

The Units will be offered for sale at the asking prices reflected in Schedule A, plus the prices of any options selected by purchasers. The Schedule A offering prices may only be increased or decreased by a duly filed amendment to the plan when the change in price is an across the board change affecting one or more lines of Units or Unit models or is to be advertised or is an individually negotiated increase.

Prices and specified terms of sale are negotiable and the sponsor may enter into an agreement with an individual purchaser to sell one or more units at prices lower than those set forth in Schedule A without filing an amendment.

No change in the price of a Unit will vary the estimated annual Common Charges for that Unit or its percentage of interest in the Common Elements. Pursuant to this paragraph, purchasers may pay different prices for similar interests.

The Sponsor also reserves the right to substitute for any of the materials specified in Part II Description of property, materials of equal or superior quality in the construction or design of the Condominium due to the unavailability of materials or as may be authorized, approved or required by the lending institution or municipal authorities having jurisdiction there over.

No changes will be made in the size or number of Units, and/or their respective percentages of common interest, and no material change will be made in the size or quality of common elements except by amendment to the plan and, when applicable, to the declaration

.

Unless an affected purchaser consents, no material change will be made in Unit size, layout, or percentage of common interest if a purchase agreement has been executed and delivered to sponsor for that Unit and is in effect.

Unless all purchasers consent, no material change will be made in the size and no material adverse change will be made in the quality of common elements.

Upon signing the Purchase Agreement the purchaser shall make a down payment of 10% of the total price of his Unit plus the cost of special work ordered by the Purchaser. At the closing, upon full payment of the purchase price in cash or by mortgage, the purchaser will receive a bargain and sale deed with covenants against grantor's acts and containing the provisions set forth in Section 13 Subdivision 5 of the Lien Law, which will convey good and marketable title of fee ownership in the Unit and such percentage of common interest in the Common Elements as is set forth on Schedule A, free and clear of all liens and encumbrances other than those set forth in the Plan. The purchase agreement may be modified with the consent of the purchaser and the Sponsor in a manner not inconsistent with law subject to the terms of the Plan.

Prospective purchasers must sign three duplicate original purchase agreements and forward them along with the down payment to Sponsor's attorney. Within fifteen days after a purchaser delivers the executed purchase agreements together with the required deposit, the sponsor must either accept the purchase agreement and return two fully executed counterparts to the purchaser or reject the purchase agreements and refund the full deposit previously tendered. Under no circumstances shall Sponsor seek or accept release of the Deposit of a defaulting Purchaser until after consummation of the Plan, as evidenced by the acceptance of post-closing amendment by the New York State Department of Law. Consummation of the Plan does not relieve the Sponsor of its obligations pursuant to GBL sections 352-3(2-b) and 352-h.

The Escrow Agent shall release the Deposit if so directed:

C. GENERAL TRUST FUND PROVISIONS

(a) The escrow agent shall maintain all records concerning the escrow account for seven years after the release of the funds. Upon the dissolution of any law firm which was the escrow agent, the former partners or members of the firm shall make appropriate arrangements for the maintenance of these records by the successor firm and shall notify the Department of law of such transfer.

(b) Nothing contained herein shall diminish or impair the sponsor's statutory obligation to each purchaser pursuant to GBL Section 352-h to hold in trust all deposits, advances or payments made in connection with the offer until consummation of the transaction with such purchaser. Consummation of the plan does not relieve sponsor of its obligations pursuant to GBL 352-h. Funds from the escrow account remain the property of the purchaser until employed in connection with the consummation of the transaction. Such funds shall not be a part of the estate of the sponsor or the escrow agent upon any bankruptcy, incapacity or death.

(c) Before funds are transferred to a new escrow account, or if the escrow agent is replaced, the plan will be amended to provide the same full disclosure with respect to the new account, the escrow agent and the escrow agreement as was originally provided. A bond, letter of credit or other security may be substituted for the escrow account only after the Department of Law approves in writing the use of such alternate form of security.

D. MISCELLANEOUS PROVISIONS CONCERNING PURCHASES

(1) The purchase agreement and the offering plan must comply with Section 71-a(3) of the Lien Law and any other applicable provisions of law.

(2) In the event that the purchaser defaults under the terms of the offering plan and purchase agreement, sponsor in addition to its other remedies may retain additional moneys paid for special work ordered by the purchaser.

(3) The Sponsor anticipates the first closing of a unit will occur on or about July 1, 2016. In the event that the closing is delayed by the Sponsor for twelve months or more, or beyond the outside closing date set forth in Purchase Agreement, in each instance the purchaser will be offered rescission of the contract of purchase.

The Sponsor is not limiting the condition under which it will rent rather than sell unsold units upon plan consummation. There is no commitment to sell more than the one unit that is necessary to declare the plan effective. There are no construction loan contingencies which would affect the sponsor obligation to sell or rent the Units.

(4) After the Plan has been declared effective the Sponsor will fix dates for closing title to all units for which purchase agreements have been executed by serving notice on each purchaser stating the date of the first closing and setting such purchaser's closing date. Such notice shall be served no less than thirty (30) days before the date set for the closing of the units. Sponsor may permit purchasers to waive this thirty (30) day provision by including such waiver in this plan or in an amendment thereto.

(5) The Sponsor is obligated to make written demand for payment after default by purchaser and afford the purchaser a thirty day period to cure said default prior to the purchaser forfeiting any money paid under the purchase agreement.

As set forth in the Purchase Agreement under Section 12 Default of Purchaser, TIME IS OF THE ESSENCE. As explained under that section, the dates set forth for the Purchaser to perform certain obligations under the Purchase Agreement are fixed and there are potential penalties if those dates are missed. Please review that section for details.

The phrase "time of the essence" means that the deadlines set forth in the purchase agreement are extremely important and that failure by the purchaser to meet those deadlines are considered material breaches of the purchase agreement which could resulting the purchaser losing his down payment and/or being penalized in some fashion.

(6) The purchasers will be afforded, at the Sponsor's sole option, either (i) no fewer than three (3) business days to review the Plan and all filed amendments prior to executing a purchase agreement, or (ii) a period of no fewer than seven days subsequent to the execution of the Purchase agreement to rescind the purchase agreement.

(7) The risk of loss from fire or other casualty remains with the Sponsor until legal title to the home or lot has been conveyed to the purchaser. This risk of loss extends to the common elements, including limited common elements. The Sponsor is obligated to repair insubstantial damage from a casualty or other cause that occurs to a unit before the closing. In the event the damage is excessive and renders the unit uninhabitable, the Sponsor will notify the purchaser within thirty days of discovering the damage whether or not the damage from the substantial casualty will be repaired. If the damage is repaired, the purchaser will be afforded an opportunity to inspect the repairs prior to the closing of title. If the substantial damage will not repaired, the purchaser has a right to cancel the purchase agreement and the down payment will be refunded to purchaser within 5 business days of notice of cancellation.

(8) The purchasers shall sign a power of attorney to the Board of Managers of the Condominium. This power shall be executed at the closing of title to the unit purchased by the purchaser and recorded simultaneously with the Deed to said unit.

The power of attorney located in Part II Section B of this Plan authorizes the Board of Managers to act on behalf of the purchaser to acquire and sell or lease a unit which is abandoned or the subject of a foreclosure sale.

(9) Any conflict between the plan and the purchase agreement will be resolved according to the terms of the plan.

(10) The purchase agreement and plan may not contain, or be modified to contain, a provision waiving purchaser's rights or abrogating sponsor's obligations under Article 23-A of the GBL.

(11) The Sponsor will not permit the assignment or transfer of purchase agreements.

(12) In the event the sponsor is not able to close title within 12 months of the projected date of commencement of the first year of operation, purchasers will be offered rescission.

MORTGAGE CONTINGENCY

Purchaser's obligation to purchase is subject to and contingent upon purchaser obtaining a conventional first mortgage in an amount up to 80% of the purchase price to run for a period of 30 years, to bear interest at the prevailing rate at the time of closing or as otherwise provided in the loan commitment and to be payable in monthly installments which may include amortization of principal, interest, taxes water rates, private mortgage insurance fee, fire and other hazard insurance premiums, and such other provisions as may be required by the lending institution.

Purchase agrees to make a diligent, truthful and proper application to a lending institution within ten (10) days after receipt of a fully executed copy of the contract and shall have forty-five (45) days from the signing of the contract to obtain a mortgage commitment. The Seller may extend the time period for an extra sixty days.

Once a bank commitment is issued, purchaser will be required to use due diligence in obtaining any and all extensions necessary to maintain such commitment in force, notwithstanding that such extension may be at a higher interest rate or required payment of additional fees, or include other charges. Failure to maintain such commitment will constitute a default under the purchase agreement.

The mortgage contingency can be deemed fulfilled and the contract binding on the Purchaser, despite the existence of outstanding conditions under the mortgage commitment. The risk of complying with all conditions of the commitment in sufficient time to be able to close title on the date set forth in the Sponsor's notice of closing is exclusively on the Purchaser. See page six of purchaser agreement in Section A of Part II

In the event that the financing commitment lapses or expires prior to closing, and the purchaser has made a good faith effort to extend the commitment, the sponsor will grant the

purchaser a right of rescission and a reasonable period of time to exercise the right.

The purchaser shall notify the Seller within five business days of the receipt by Purchaser of approval or disapproval of the mortgage application. In the event that the mortgage application is not approved, the Seller will refund the down payment and unexpended sums for special work ordered by the Purchaser within ten days of receiving notice of such non approval.

In the event the Purchaser submits a second mortgage application after the above non approval, the Purchaser agrees to pay all fees and charges imposed by the second lending institution for the mortgage application.

EFFECTIVE DATE OF PLAN

Sponsors' offer to sell is contingent upon the plan being declared effective and compliance with the relevant conditions and time periods hereinafter set forth.

The closing of the first unit by the sponsor may not occur before the plan is declared effective and the effectiveness amendment is accepted for filing by the Department of Law.

The plan must be declared effective by personal service of notice on each purchaser or by commencement of service by mail in the manner required by 13 NYCRR section 20.1(d) stating that the Plan is declared effective on a particular date, the percentage used to declare the plan effective, and a list of the units counted to meet the minimum percentage under the terms of the plan to declare it effective.

A closing may occur without the sponsor's submitting an amendment to the Department of Law to declare the plan effective; however, the sponsor must comply with the requirements of 13NYCRR 20.5(e) when submitting a post-closing amendment pursuant to 13 NYCRR 20.5(f).

The plan may not be declared effective unless bona fide purchasers, including investors, have signed purchase agreements for at least 1 unit.

The Plan will not be declared effective based upon purchase agreements:

(a) signed by purchasers who have been granted a right of rescission that has not yet expired or been waived; or

(b) if the purchaser was not afforded (i) not fewer than seven (7) days after delivering an executed purchase agreement together with the required deposit to rescind the purchase agreement and have the full deposit refunded promptly or (ii) not fewer than three (3) business days to review the offering plan and all filed amendments prior to executing a purchase agreement. See Section 20.3(o) (15) of the regulation); or

(c) with any purchaser who is the sponsor, the selling agent, or the managing agent or is a principal of the sponsor, the selling agent or the managing agent or is related to the sponsor, the selling agent or the managing agent or to any principal of the sponsor or the selling agent or the managing agent by blood, marriage or adoption or as a business associate, an employee, a

shareholder or a limited partner; except that such a purchaser other than the sponsor or a principal of the sponsor may be included if the sponsor has submitted proof satisfactory to the Department of Law establishing that the purchaser is bona fide.

The plan must be declared effective when purchase agreements have been accepted by sponsor for both units offered under the plan.

The plan may be abandoned by the sponsor, at its option, before it is declared effective. If the offering plan is to be abandoned after filing and the sponsor has accepted purchase agreements, the sponsor shall promptly submit an amendment to the Office of the Attorney General together with form RS-3 as promulgated by the Office of the Attorney General. If payments under purchase agreements have been received, the amount of such funds and the manner and time when such funds will be returned to purchasers must be disclosed. The funds must be returned within five (5) days after the amendment abandoning the plan has been accepted for filing. If there are no outstanding purchase agreements the sponsor need not submit an amendment but shall submit a form RS-3 to the Office of the Attorney General which shall be served simultaneously by the sponsor on all commercial or professional tenants, if any.

The plan may be declared effective by filing an amendment to the offering plan. All purchasers shall be identified by name, address, unit purchased, purchase price exclusive of extra features and total purchase price. No closings will be held until the effectiveness amendment has been accepted for filing.

Sponsor also agrees to submit to the Department of Law, if requested, copies of all purchase agreements (and any amendments or modifications) within five (5) business days after the request is made.

The sponsor may not abandon the Plan after the effectiveness amendment is filed for any reason other than (i) a defect in title which cannot be cured without litigation or cannot be cured for less than $6,000, or (ii) substantial damage or destruction of the buildings by fire or other casualty which cannot be cured for less than one-half of one percent of the total amount of the offering, or (iii) the taking of any material portion of the property by condemnation or eminent domain. Sponsor must provide that any stated dollar amount relied upon as basis for abandonment after effectiveness must exclude any attorney's fees or any such title defects or determinations of any authority or regulatory association which exist on the date of presentation of the plan and are either known to the sponsor or are a matter of public record.

Sponsor cannot abandon the Plan for any judgments or liens against the property resulting from acts of the sponsor or any of its principals or which are known to the sponsor on the date of the Plan.

Notwithstanding the fact that not all purchasers used for purposes of declaring the plan effective may actually close, sponsor will re-declare the plan effective if all purchaser agreements are either rescinded or terminated prior to the date of first unit closing, regardless of whether the condominium declaration has been recorded.

IX. TERMS OF SALE

The form of deed to be delivered to a Unit owner at closing of title to his unit shall be a bargain and sale deed with covenants against grantor's acts in proper form for recording. A form of unit deed is contained in Part II of the Plan.

Closing of title is the actual transfer of ownership of the condominium unit by Sponsor to the purchaser following the contract of sale. Purchaser will receive not less than thirty (30) days written notice by Sponsor prior to the closing date.

Title to each Unit and its appurtenant interest in the common elements will be conveyed at the closing free and clear of all liens, encumbrances and title exceptions other than those described in this plan and the proposed unit deed.

The Sponsor is obligated to repair any damage from a casualty or other cause that occurs before the closing of a purchase's Unit. In the event the damage is extensive and renders the Unit uninhabitable, either the sponsor or the purchaser may cancel the contract of sale and receive a full refund of the down payment. The Seller will notify the Purchaser within thirty days of discovering the damage whether or not the damage from the casualty will be repaired.

A date for the closing of title will be set by the Sponsor in accordance with the Purchase Agreement. The closing of title to the first Units are expected to commence on or about July 1, 2016. Closings will only take place after or simultaneously with the happening of the following events:

1. The issuance of a Permanent Certificate of Occupancy to the Unit or Building in which the Unit is located and any other necessary permits or certificates.

2. The Sponsor has not obtained a construction loan. In the event the sponsor obtains a construction loan in the future and that mortgage or construction loan is not satisfied at or prior to the closing of the first Unit, at the time of conveyance of the first Unit each mortgagee will (i) subordinate the lien of its mortgage to the declaration of condominium; and (ii) release its lien on the condominium unit being conveyed and its interest in the common elements.

3. Recordation and filing of the Declaration, By-Laws, floor plans for the Condominium and such other documents as required by law, in accordance with the New York Condominium Act or applicable state and local law in the office of the Clerk of Richmond County.

4. As required by Real Property Law Section 339-r, the discharge or partial release duly recorded of all liens affecting the unit to be closed except any mortgage requested by the purchaser at the time of closing representing a mortgage taken by the purchaser.

5. The purchaser being served with a written notice of the closing date at least thirty days in advance and opportunity to inspect the unit and other property subject to the declaration.

6. Amendment of the plan by sponsor to disclose that it has been declared effective and to confirm that any units to be closed have been constructed in accordance with any applicable plans and specifications and sponsor has complied with the requirements of the applicable regulations.

7. The purchaser shall execute an instrument in the form provided in Part II of this offering plan designating the Board of Managers as his attorneys in fact, coupled with an interest for the purpose of managing, selling, mortgaging, leasing, voting or otherwise dealing with any homes acquired by the Board of Managers in accordance with any of the provisions of the By-Laws and for purposes consistent with the implementation of the offering plan.

8. Purchaser or the Board of Managers shall receive subcontractors' warranty certificates for heating, plumbing, roofing and appliances relating to the purchaser's Unit or the Common Elements respectively, if any, to the extent made by such manufacturers and subcontractors and to the extent such warranties are assignable.

9. If so requested by the purchasers, a title insurance company licensed to do business in New York State shall agree to insure that such purchaser has good and marketable fee title in the Unit, free and clear of all liens and encumbrances except those set forth in the offering plan, and subject to the provisions of the Declaration and By-Laws and any mortgage executed by the purchaser and that the Condominium was validly formed pursuant to Article 9-B of the Real Property Law. The title company will affirmatively insure that none of the easements, covenants and agreements affecting title to the unit will affect the use of the premises as a condominium.

The declaration, by-laws and other documents will be recorded in accordance with the New York State Condominium Act. These documents will be recorded in accordance with all applicable laws before the first closing.

The Unit Owner, at his option, may purchase title insurance covering his interest in the Unit. Title to the Unit will be subject to the following:

(1) State of facts of the property as shown on a survey and any additional state of facts which a subsequent survey would show provided such additional state of facts would not render title unmarketable.

(2) Sewer, water, drainage, electric, plumbing, heating, gas telephone, cable television and other utility easements or consents, if any, granted or which may be granted hereafter.

(3) All of the terms, covenants and conditions of the Declaration, the By-Laws, and the Building Plans as filed or recorded and the Offering Plan and amendments thereto.

(4) All easements set forth in the By-Laws and the Declaration as they are subsequently recorded and in the Offering Plan and Purchase Agreement including:

(a) Easements in favor of the Owners of other Units to use the pipes, wires, conduits, cable television and public utility lines located in the Common Elements or in the Units itself servicing such other Units and easements of necessity in favor of the other Units and/or the common elements;

(b) Easements in favor of the Board of Managers, its agents, contractors and employees to have a right of access to the Unit and to the Common Elements to inspect, maintain or repair or to make repairs to the Unit to prevent damage to the Common Elements or any other Units, to make repairs to the Common Elements, to any wires, pipes, conduits or cable television system servicing any of the Units or to make repairs to any other Unit;

(c) Easements in favor of those Units having restricted use to portions of the Common Elements;

(d) Easements for the continuance of encroachments on the Unit or on the Common Elements by other Units or portions of the Common Elements, now existing by reason of the construction of the Units, or hereafter occurring by reason of the settling or shifting of the Units, or by reason of the repair and/or restoration by the Board of Managers of the Units or such other Units or such Common Elements, after damage by fire or other casualty or after taking in condemnation or eminent domain proceedings, or by reason of an alteration to the Common Elements made by the Board of Managers, so that any such encroachments may remain so long as the Building within which the Unit is located shall stand.

(e) Easements in favor of the Sponsor for sale and construction purposes.

(5) Covenants, restrictions, easements, charges and liens applicable to the Condominium and the Common Properties upon the filing in the Richmond County Clerk's office, prior to the transfer of title to the first Unit, of the Declaration of Covenants, Restrictions, Easements, Charges and Liens governing the Properties together with the By-Laws annexed to and made part of said instrument.

The Sponsor has been advised by its counsel that in Counsel's opinion, none of the exceptions to title hereinabove set forth are contrary to the terms of the Purchase Agreement, nor do they interfere with the quiet use and enjoyment of the purchaser's Unit as represented in this Offering Plan.

(6) All personal property located within the unit on the date the purchase agreement is signed or located within the common elements on the date the Declaration is filed, that is owned by the Sponsor or the owner of the property, is included in the conveyance unless specifically excepted in this offering plan.

X. UNIT CLOSING COSTS AND ADJUSTMENTS

At the time of title closing, the Purchaser will pay the following costs and expenses which rates are as of the date of this plan and subject to change without notice. The closing costs for a typical unit sale of $475,000 is approximately the following:

(a) Title insurance	$ 2,262.	(1)
(b) Recording deed	250.	(2)
(c) Recording POA	200.	(2)
(d) State and City Transfer tax *	6,743.	(3)
(e) Recording Mortgage	250.	(2)
(f) Mortgage Title Insurance	473.	(1)
(g) Bank charges	1,000.	(4)
(h) Mortgage tax	7,790.	(5)
(i) Capital contribution	451.	(6)
Total	$ 19,419.	

The above mortgage costs are based upon an 80% $ 380,000 thirty year mortgage and does not include such things as points or mortgage broker fees if applicable.

(1)The title and mortgage insurance are based upon statutory charts which control the amount of these expenses. The charge is based upon the size of the purchase price and the size of the mortgage.

The chart used to determine the rates is as follows:

On policies up to $35,000, the title insurance is $402. and the mortgage insurance is $343. Above $35,000 for each $1,000 or part thereof add as follows:

Up to	owners	mortgage
35,001-50,000	$ 7.92	$ 6.61
50,001-100,000	4.94	4.10
100,000-500,000	3.98	3.31

When owners and mortgage policies are being issued pursuant to the same closing, the mortgage policy shall be issued at a reduced rate known as the simultaneous mortgage rate. A simultaneous mortgage policy is charged at 30% of the applicable mortgage rate up to the amount of the owner's policy

The purchasers are free to use the title insurance company of their choice at no additional fee from the sponsor.

(2) The recording fees are standard charges imposed by the Richmond County Clerk's office to record the various papers which must be on file in the Clerk's office.

(3) As noted as special risk #3 on page (i) the purchaser will be required to pay the transfer taxes which are ordinarily a seller expense. The fee imposed upon a purchase of less than $500,000 is 1.000% to New York City and .4% to New York State. Tax imposed on a transfer above $500,000 is 1.425% to New York City and .4% to New York State.

This tax is a flat tax based upon the sales price. The following is an example:

Sales price	City Tax	State Tax	total
$ 300,000	at 1.000%= 3,000	at .4%= 1,200	$ 4,200.
$ 350,000	at 1.000%= 3,500	at .4%= 1,400	4,900.
$ 375,000	at 1.000%= 3,750	at .4%= 1,500	5,250.
$ 400,000	at 1.000%= 4,000	at .4%= 1,600	5,600.
$ 475,000	at 1.000%= 4,750	at .4%= 1,900	6,650

* Where the Purchaser pays transfer taxes which are ordinarily a Seller's expense, the taxing authorities consider such tax paid an additional consideration. The actual transfer tax due is based upon the "grossed-up" selling price which includes the transfer tax as additional consideration. The chart on the previous page includes the "grossed-up" amount.

(4) In the event a purchaser does obtain a mortgage in order to purchase a unit, there will be various bank charges. The bank charges will vary depending upon the type of loan and the requirements of the particular lending institution involved. They include bank attorney fees and such things as inspection and processing fees.

(5) The mortgage tax which is payable by the purchaser is 2.05% of the mortgage and is imposed by statute. The figure provided is based upon a $ 300,000 mortgage which will change if the mortgage amount is changed. As an example:

Mortgage	percentage tax	tax
$220,000	2.05%	$ 4,510
240,000	2.05%	$ 4,920
260,000	2.05%	$ 5,330
300,000	2.05%	$ 6,150
380,000	2.05%	$ 7,790

Furthermore, purchasers obtaining mortgage loans may be required to escrow with the mortgagee sufficient monies to pay the real estate taxes, insurance, sewer, water, or other items next coming due (the amount of such escrow cannot now be determined and will depend on the number of months remaining between the closing of title and the date these amounts are next due to be paid and the estimated amounts then payable, as well as the discretion of the mortgagee).

To the extent the above escrow is not required by a purchaser's mortgagee, or if purchaser does not have a mortgage, if units have not been separately assessed for real estate tax purposes prior to the closing of title to the first unit, sponsor must place in escrow in the name of the Board of Managers an amount equal to the unpaid real estate taxes which will be levied against the parcel for the six month period following the first closing or until the units are separately assessed, whichever is shorter. The Board of managers will pay the real estate taxes from the escrow account when taxes are due and payable and the sponsor is entitled to a pro rata reimbursement from unit owners.

(6) Purchasers shall also be required to pay two months maintenance as working capital. This amount shall be used to reimburse the sponsor for any prepaid expenses of the Condominium, if any. The working capital shall be turned over to the Board of Managers at each closing of unit owners. This working capital will not be used to reduce common charges. It is anticipated that there will be a surplus working capital after the sponsor's reimbursement of prepaid expenses. It is impossible at this time to estimate the amount of such surplus.

For individuals seeking mortgages in excess of 80% of the sales price, private insurance may be necessary at additional costs, which may include 1/2% of the mortgage at closing plus 1/4% each year until the mortgage principal reaches the level of 80% of the purchase price.

The Seller may at some point have a construction loan on the premises. According to the provisions of Real Property Law 339-ee, a credit will be allowed towards a purchase money mortgage for part of the mortgage tax imposed. Purchaser shall reimburse Seller to the extent of such credit at the closing of title. In the event a construction loan is obtained at a later date, the plan will be amended.

Purchasers shall reimburse Seller's attorney at closing the sum of $500.00 for document review and preparation.

Purchaser also agrees to pay at closing $850.00 for the preparation of a survey and $850.00 for the installation of a water meter.

The transfer taxes which are ordinarily paid by the Seller are paid by the Purchaser under this Offering Plan and the purchase agreement. New York City considers this payment by purchaser additional consideration upon which a transfer tax is due. The figures at the beginning of this section are based upon such "grossed-up" consideration. If such "grossed-up" consideration exceeds $1,000,000 by virtue of the purchaser's payment of the state and city transfer taxes, the mansion tax will apply.

The Purchasers are free to use the title insurance company of their choice at no additional fee charged by Sponsor.

As set forth in the purchase agreement in Part II of this plan, real estate taxes, water and sewer charges, and common charges and such other adjustments as agreed to in the purchase agreement will be apportioned to the date of closing. Any errors or omissions in computing

apportionments at closing shall be corrected and payment made to the proper party after discovery, which obligation shall survive the closing. In the event that real estate taxes for the units have not been separately assessed, the sponsor will pay all open real estate taxes and receive reimbursement from the unit owner at the time the individual assessments are made.

At the time of the transfer of the condominium to the unit owners, the sponsor and the condominium shall adjust certain items such as insurance, open water and sewer charges, and any prepaid Schedule B items. The post closing amendment will state the amount of tax escrow that the sponsor has deposited with the board.

If the units have not been separately assessed for real estate tax purposes prior to the closing of title to the first unit, the sponsor may place in escrow, in the name of the board of managers, an amount equal to the unpaid real estate taxes which will be levied against the parcel for the six month period following the first closing. Alternatively, the sponsor may place in escrow, in the name of the board of managers, an amount equal to the real estate taxes attributable to the unsold units for such six month period and may collect at ach closing the estimated amount of taxes attributable to such unit for the balance of the six month period. The board of managers will pay the real estate taxes from the escrow account when taxes are due and payable and the funder of the escrow account will be entitled to reimbursement form unit owners to the extent of the actual assessment.

The amount of the real estate tax escrow shall be disclosed in the initial post-closing amendment to the offering plan.

RIGHTS AND OBLIGATIONS OF SPONSOR

The sponsor shall be obligated to perform the following:

1. Sponsor retains the unconditional right to rent units after consummation of the plan rather than sell units. Because sponsor is not limiting the conditions under which it will rent rather than sell Units, there is no commitment to sell more than one unit necessary to declare the plan effective and owner-occupants may never gain effective control and management of the condominium. There are no obligations imposed on sponsor by a construction lender with regard to selling and/or renting Units.

2. Sponsor is obligated to defend any suits or proceedings arising out of sponsor's acts or omissions and to indemnify the board of managers and the Unit owners.

3. All representations under the offering plan, all obligations pursuant to the GBL, and such additional obligations under the offering plan which are to be performed subsequent to the closing date will survive delivery of the deed.

4. Disclaimers or limitations of liability on the part of the sponsor or its principals for failure to perform any obligation imposed by applicable statute or regulation may not be included. The plan may not include any financial limitation on sponsor's liability for failure to perform its obligations under the offering plan.

5. The sponsor agrees to pay all common charges, special assessments and real estate taxes with respect to unsold Units. Sponsor represents that it has the financial resources to meet its obligations with respect to unsold Units. The sponsor will fund its obligations by funds on hand. No bond or other security has been furnished to secure sponsors obligations.

6. Sponsor is obligated to repair any damage from a casualty or other cause that occurs before the closing of a purchaser's Unit. This obligation includes damage to the unit, the common elements, and the limited common elements. In the event that there is substantial damage to the structure housing the unit, the purchaser may withdraw from the contract and receive the return of his down payment plus the unexpended amount paid for upgrades. In the event that the damage is substantial, the Sponsor will notify the Purchaser within thirty days of discovering the damage whether or not the damage from a casualty will be repaired.

In the event that Sponsor elects to repair the damage, it will be done as promptly as possible and the unit/common elements will be restored to substantially the same condition as prior to the casualty.

7. Sponsor shall procure fire and casualty insurance pursuant to a replacement value policy or in an amount sufficient to avoid coinsurance.

8. In the event of the dissolution or liquidation of the sponsor or the transfer of a unit in the condominium, the principals of the sponsor will provide financially responsible entities or individuals who will assume the status and all of the obligations of the sponsor for that unit under the offering plan, applicable laws and regulations.

9. The sponsor has not obtained any construction financing. There are no plans by sponsor to obtain a construction loan. There is an acquisition loan on the premises which will be paid off at the first closing. The acquisition loan used to acquire the property has no construction-related requirements.

10. The sponsor is obligated to build and complete the condominium in accordance with the building plans and specifications identified in the plan with the right of sponsor to substitute equipment and materials and make modifications of layout and design, provided however, that sponsor may not:

(i)substitute equipment or materials of lesser quality or design; or

(ii) change the size, location of buildings or units other improvements or common elements if such changes affect the percentage common interests or adversely affect the value of any unit to which title has closed or for which a purchase agreement has been executed and is in effect unless all affected unit owners and contract vendees consent in writing to such change.

Sponsor has a right of access to complete construction of the condominium. It is obligated to repair any damages caused as a result of its work if notified during the warranty period in the manner set forth above. Sponsor will not interfere with unit owner's reasonable use of their unit during any work period. However, there may be a temporary limitation as to the use

of the public areas and common areas.

11. Prior to closing the first Unit, sponsor must obtain a Permanent Certificate of Occupancy for the Unit or the building in which the Unit to be closed is located.

12. Sponsor agrees to indemnify the Condominium Board and the Residential Unit owners against, hold them harmless from and defend on their behalf any suits, proceedings, or claims arising out of ANY ACTS OR OMISSIONS BY SPONSOR, or any default by Sponsor in performing its obligations under this Plan or any breach of any representation expressly made by Sponsor in this Plan, and resulting: (a) as to any Unit, from any occurrence taking place prior to the closing of title to such Unit; or (b) as to the Common Elements, from any occurrence taking place prior to the First Closing. However, Sponsor will not be liable for, or obligated to defend, any suits, proceedings or claims arising out of any occurrence taking place from and after the respective dates set forth above, except those arising out of any negligence or violation of Article 23A of the New York State General Business Law or of ACTS OR OMISSIONS BY SPONSOR or as explicitly stated in this Plan.

13. Effective March l, l989, a new law went into effect which grants to buyers of most newly constructed units a Housing Merchant Implied Warranty. (General Business Law Article 36-B Section 777, 777-a and 778-b)

The following is a brief summary of that law. The full text of the law appears in Part II of the Plan in Section G.

l. Housing effected: Newly constructed single-family homes and cooperative and condominium units in buildings of five stories or less.

2. Coverage:

(a) For one year, the home must be free from defects caused by workmanship or materials that do not meet the standards of the applicable building code; for items not covered by code, the construction must be in accordance with locally accepted building practices.

(b) For two years, the plumbing, electrical, heating, cooling and ventilation systems must be free from defects caused by unskillful installation.

(c) For six years, the home must be free from physical defects in the structural elements (foundation, floors, walls, roof framing) which make it unsafe or unlivable.

3. Not covered:

(a) A defect not caused by defective workmanship, materials or design.

(b) A patent defect which was obvious or would have been obvious upon inspection.

(c) Defects in items sold with the home, such as stoves, refrigerator, air conditioners, etc. There are implied warranties from the manufacturers of such goods which are described in other laws.

4. Notice: Buyer must give notice of defects in their home in writing no later than 30 days after the end of the warranty period.

5. Limitation of the Warranty: The Housing Merchant Implied Warranty can be limited. However, the limited warranty cannot permit construction which is below code or below locally accepted building practices, and the limited warranty time periods cannot be shorter than those described above. The Sponsor has limited the warranty as indicated following the purchase agreement in part II Section A of this plan.

The limited warranty in summary limits the Sponsor's liability to 75% of the purchase price set forth in the purchase agreement. The warranty also does not cover consequential, incidental, special or indirect damages except as required by law.

The limited warranty specifically identifies the builder's responsibility for defects of a latent or hidden nature and specifically excludes all other warranties of every kind, express and implied on the construction and sale of the home, its workmanship and materials and its fitness for use and habitability.

The Sponsors warranty obligations reflects this new law. For a fuller explanation of such warranty see the purchase agreement located in Part II Section A of this Plan and the full text of the law at the end of this Plan.

The Housing Merchant Implied Limited Warranty applies to the common elements as well as to the individual units.

In addition to the above warranty, the roof will have a ten (10) year warranty on materials provided by the manufacturer and a two (2) year warranty on workmanship provided by the Sponsor. See Special Risk 22.

14. At or prior to the closing of the Unit, sponsor must assign any manufacturer's warranties with respect to equipment and appliances installed in the Unit to the Unit owner and assign any warranties with respect to equipment and appliances installed in the common elements to the board of managers.

15. Sponsor agrees to pay for the authorized and proper work involved in the construction and establishment and sale of the condominium that sponsor is obligated to complete under the plan and will cause all mechanics liens with respect to such construction to be promptly discharged or bonded.

16. Sponsor shall deliver a set of "as-built" plans to the Board of Managers following completion of construction.

17. No bond or other security other than those required by this Part has been furnished to secure sponsor's obligations including sponsor's obligations to complete construction of condominium.

18. Sponsor has a right of access to complete construction of the condominium. It is obligated to repair any damages caused as the result of its work if notified during the warranty period in the manner set forth above. Sponsor will not interfere with Unit owners' reasonable use

of their unit during any work period.

The common areas and public areas of the development include the driveway and front yard. During the completion of construction access to these areas may be partially blocked due to completion of utilities, landscaping or concrete surfacing. Such construction will not affect access to the individual units.

19. Purchaser shall carefully inspect the Unit prior to closing of title and execute at such time an inspection statement. If Purchaser finds that Sponsor's improvements have not been completed, the Sponsor and the Purchaser will agree to include on the inspection statement a list of incomplete work of a material nature to be completed in the Unit by the Sponsor following closing of title (punch list items). All punch list items shall be corrected within thirty days of closing unless otherwise noted on the punch list. Sponsor shall have no obligation to complete any work to the Unit which is not specifically designated on the inspection statement by Purchaser, except for work necessary to cure violations and to obtain a permanent certificate of occupancy covering the Unit or work covered by the Housing Merchant Implied Warranty. In no event shall a purchaser be required to close if there are items of a material nature which remain to be completed.

XII CONTROL BY THE SPONSOR

The initial Board of Managers shall be appointed by the Sponsor. There will be one member of the initial board. During this period, the Sponsor will have control of maintenance, facilities and services to be provided and will determine the Common charges to be paid by all unit owners, including the Sponsor, The Sponsor will call a meeting of unit owners within sixty (60) days of the first closing to discuss the operation of the Condominium. The Sponsor will remain in control of the Board and Association after such meeting.

The Sponsors control will end at the First Annual meeting of the Unit Owners which will occur within thirty (30) days after the earlier of (i) one (1) years after the closing of the first unit, or (ii) whenever both of the units have been sold. Within this time period, the Sponsor shall call the first Annual Unit Owners meeting. At such meeting a new Board of three Managers will be elected by a vote of all unit owners, including the Sponsor. The Sponsor shall be entitled to vote the units standing in its name as of the date of the meeting. The Board of Managers so elected shall serve for a period of one year until the second annual meeting of the unit owners. Thereafter, annual meetings shall be held on the anniversary date of the first meeting.

At the second annual meeting of Unit Owners, a Board of Managers will be elected by a vote of all Unit Owners, including the Sponsor, if Sponsor still owns any Units.

The Sponsor agrees that the By-laws will not be amended while Sponsor is in control of the Board of Managers unless there is a prior approval of such amendment by the vote of 100% in number and in Common Interest of the Unit Owners a meeting of the Unit Owners held for such purpose.

Sponsor may not exercise veto power over expenses described in Schedule B, or over expenses required: (i) to comply with applicable laws and regulations; or (ii) to remedy any notice of violation or; (iii) to remedy a work order by an insurer or; (iv) for any repair or replacement necessary for the preservation or safety of the Building or for the safety of occupants of the Building or required to avoid the suspension of any necessary service to the Building.

Sponsor may exercise veto power over expenses other than those described above for a period ending not more than five (5) years after the closing of the first unit or whenever there is only one unsold unit, whichever is sooner.

During any period that the Sponsor controls the board, the board of managers may not enforce (as a result of sponsor's control thereof) the obligations of the sponsor under the Plan or as otherwise required by law and in such case, the unit owners may have to undertake at their own expense, enforcement of the obligations of the sponsor.

During any period that the Sponsor controls the board, the insurance coverage cannot be less than what is required by Part 20 of Title 12 NYCRR.

XIII BOARD OF MANAGERS

The affairs of the Condominium shall be governed by a Board of Managers. Until the first meeting of the Unit Owners, the Board of Managers shall consist of one (1) person designated by the Sponsor of the Condominium. The initial Board will be composed of Randy Franza, one of the principals of the sponsor.

The first annual meeting of owners will take place within thirty (30) days after the earlier of (i) two years after the closing of the first Unit, or (ii) whenever both units have been sold.

After the first annual meeting of Unit owners, the Board of Managers shall consist of three people elected by all Unit owners (including the Sponsor), but the Sponsor's right to elect members of the Board shall be subject to the limitations set forth in the by-laws. The by-laws do include a provision that a majority of the board of managers must be owner-occupants or members of an owner-occupant's household who are unrelated to the sponsor and its principals after the end of the initial sponsor control period.

Purchasers for their own occupancy may never gain control of the Board of Managers under the terms of this plan. Owner-occupants and non-resident owners, including sponsor, may have inherent conflicts on how the condominium should be managed because of their different reasons for purchasing, i.e. purchase as a home as opposed to as an investment.

Subject to the limitation on Sponsor's control, at the first meeting of the Unit owners, the term of office of all three members of the Board of Managers shall be fixed at one (1) year. The members of the Board of Managers shall hold office until their respective successors shall have been elected by the unit owners.

A special meeting of the Board of Managers may be called by the President on two (2) days notice of such meeting to each member either personally or by telephone, mail or telegram. Special meetings may be called by the President or Secretary in a like manner and on like notice on the written request of at least two (2) managers.

At any regular or special meeting of Unit owners, any one or more of the members of the Board of Managers may be removed with or without cause by a majority of the Unit owners and a successor may then and there or thereafter be elected to fill the vacancy thus created. Any member of the Board of Directors whose removal has been proposed by the Unit owners shall be given an opportunity to be heard at the meeting.

The Sponsor has the right to fill a vacancy of any board member appointed by Sponsor. In the event such appointee vacates his position during a period of time in which the Sponsor does not have the right to appoint a member, the sponsor will not have a right to appoint the replacement.

Officers and members of the Board of Managers serve without compensation.

Powers of the Condominium Board include, but shall not be limited to the following:

1. To determine and levy monthly charges (common charges), and to collect and expend them.

2. To make repairs, restore or alter any units or the common elements after damage or destruction.

3. To enter into and upon the unit for maintenance or repair purposes.

4. To open bank accounts on behalf of the Condominium.

5. To insure and keep insured the common elements and Units;

6. To collect delinquent assessments by suit and/or enforce compliance with basic documents and abate nuisances.

7. To purchase any Unit at a foreclosure sale on behalf of all unit owners.

8. To make and amend reasonable rules and regulations.

9. To employ and terminate the employment of employees and independent contractors and to purchase supplies and equipment and to enter into contracts.

10. To bring and defend actions by and against more than one Unit owner pertinent to the operation of the Condominium.

11. To act as an agent of each unit owner who has given his written authorization to complain or apply to the local or county real estate tax assessment agency board of review by filing a single complaint on behalf of all such unit owners pursuant to the applicable sections of the Real Property Tax Law.

The members of the Board of Managers shall not be liable to the Unit Owners for any mistake of judgment, negligence, or otherwise, except for their own individual willful misconduct or bad faith. The Unit Owners shall indemnify and hold harmless each of the members of the Board of Managers against all contractual liability to others arising out of contracts made by the Board of Managers on behalf of the Condominium unless such contracts shall have been made in bad faith or contrary to the provisions of the Declaration or of the By-Laws. The indemnification liability of the unit owners is several, not joint and several.

It is intended that the members of the Board of Managers shall have no personal liability with respect to any contract made by them on behalf of the Condominium. It is also intended that the liability of any Unit owners arising out of any contract made by the Board of Managers or out of the aforesaid indemnity in favor of the members of the Board of Managers shall be limited to such proportion of the total liability there under as his interest in the common elements bears to the interests of all Unit owners in the common elements. Every agreement made by the Board of Managers or by the Managing agent or the Manager on behalf of the Condominium shall provide that the members of the Board of Managers, or the managing agent, or the manager, as the case may be, are acting only as agents for the Unit Owners and shall have no personal liability there under (except as Unit owners), and that each Unit owners liability there under shall be limited to such proportion of the total liability there under as his interest in the common elements bears to the interest of all Unit owners in the common elements.

The Unit Owners voting rights are determined by their percentage of common interest. It requires a vote of 100% of the unit owners in number and common interest to amend the By-

Laws of the Condominium. Any change in the Declaration of the Condominium after it is filed requires a 100% vote of the unit owners in number and common interest.

XIV. RIGHTS AND OBLIGATIONS OF UNIT OWNERS AND BOARD

Each Unit Owner is free to sell or lease his Unit provided that he is not in arrears in the payment of Common Charges. A Unit Owner is free to make a gift of his Unit to anyone during his lifetime or to devise his Unit by last will and testament or to have it pass by intestacy without any restriction provided, however, that such new Unit Owner shall be bound by Condominium Plan. No Unit can be sold or leased without a simultaneous sale or lease of the undivided interest in the Common Elements. These provisions are subject to change by amendment to the By-laws. Procedures for their implementation may be set forth in the Rules and Regulations.

The Sponsor or any mortgagee acquiring title to a Unit in foreclosure can sell or lease a Unit free of any of the foregoing restrictions.

In order to provide for congenial occupancy of the Property and for the protection of the values of the units, the use of the Property shall be restricted to and shall be in accordance with the following provisions as per the By-laws.

(a) The Units shall be used by Unit owners (other than the Sponsor) only for one family residential use and in compliance with the occupancy restrictions imposed and as amended from time to time. While the Sponsor or its designee owns any Unit, it shall have the right to use such Unit for general and sales office purposes and as sales models. Except upon the prior written consent of the Board of Managers, occupants of a unit must be members of the family of the Unit owner or lessee (or if the Unit owner is a partnership, a corporation or a trust, members of the family of a partner or of an officer, director, shareholder or employee of the corporation or of the beneficiary of the trust, as the case may be), but not more than one family may occupy a Unit at one time. "Members of the family" as used herein shall be deemed to mean spouse, parents, parent-in-law, brothers, sisters, children and grandchildren.

(b) The common elements shall be used only for the furnishing of the services and facilities for which they are reasonably suited and which are incident to the use and occupancy of units. No unit owner may place furniture or other object on the common elements except limited common elements.

(c) No nuisances shall be allowed on the Property nor shall any use or practice be allowed which unreasonably interferes with the peaceful possession or proper use of the Property by its residents or occupants.

(d) No immoral, improper, offensive, or unlawful use shall be made of the Property or any part thereof, and all valid laws, zoning ordinances and regulations of all governmental bodies having jurisdiction thereof, relating to any portion of the Property, shall be complied with, by and at the sole expense of the unit owners or the Board of Managers, whichever shall have the obligation to maintain or repair such portion of the Property.

(e) No portion of a Unit (other than the entire Unit) may be rented, and no transient tenants may be accommodated therein.

(f) Rules and regulations concerning the use of the Units may be promulgated and amended from time to time by the Board of Managers provided that copies of such rules and regulations are furnished to each unit owner not less than five (5) days prior to the time that they become effective.

The Board of Managers does not have a right of first refusal with respect to the sale or lease of a unit or other option to acquire a unit except through foreclosure as set out in the Declaration and By-Laws.

B. Mortgage of Unit By Unit Owner

The Unit Owner may mortgage his Unit at any time after he acquires title thereto (or simultaneously with acquiring title) in whatever amount and under whatever terms he can obtain. Any Unit Owner may, upon the resale of his Unit, grant a purchase money mortgage to a purchaser of his Unit.

C. Common Charges and Assessments

The Board of Managers will prepare and furnish its budget to the Unit Owners (and their mortgagees if requested) from time to time and at least once a year. Based upon such budget and any modification thereof approved by the Board of Managers, the Unit Owners will be charged for the cost of the operation of the Condominium in accordance with their percentage interest in the Common Elements. The charges assessed by the Board of Managers ("Common Charges"), in addition to the cost of repairing and maintaining the Common Elements, fire and liability insurance covering the Common Elements, water, exterminator services, and management, audit and legal expenses, may include, in the discretion of the Board of Managers, reserves, working capital and other sums necessary to carry on the affairs of the Condominium.

There are no restrictions on the right of the Board of Managers to accumulate reserves for capital expenditures.

The Common Charges do not include maintenance, repairs or decoration of any or all of the Units or portions thereof, the cost of electricity and gas for the Units which are individually metered, payments required pursuant to the terms of any Unit Owner's mortgages or real estate taxes covering the individual Units. Real estate taxes will be included in the common charges until the units are separately assessed.

The Board of Managers may commence the collection of Common Charges upon the closing of title to the first Unit or thereafter in such amount as will be necessary to carry out the duties of the Board of Managers as set forth in this Offering Plan and such Common Charges shall be paid by the Unit Owners and the Sponsor as Owner of the unsold Units in accordance with their respective Common Interest percentages as set forth herein. Each Unit Owner will be

responsible to pay the Common Charges allocable to his Unit monthly in advance, commencing with the closing of title to his Unit. Common Charges assessed during the month in which title closes shall be adjusted as of the closing date if collection of charges has commenced.

Where a Unit is damaged by casualty and the proceeds of insurance are not sufficient to cover the repair of the damage, the amount necessary to restore the Unit over and above the proceeds from any fire insurance on the Units will be a Common Charge to all Unit Owners. In order to attempt to protect the Unit Owner against the possibility of such Common Charges, the Board of Managers shall determine the amount of blanket casualty insurance covering all Units (the cost of such insurance is part of the Common Charges) and review the amount of such coverage annually.

The Sponsor shall be liable for monthly Common Charges of all Units, title to which has not been transferred to a bona fide purchaser, commencing with the closing of title to the first Unit.

Under the provisions of Sec. 339-z of the Real Property Law of the State of New York, the Board of Managers, on behalf of the Unit Owners, shall have a lien on each Unit for unpaid Common Charges assessed against such Unit by the Board of Managers. Such lien, however, shall be subordinate to liens for taxes on the Unit and any sums unpaid on a first mortgage of record on such Unit. Any lien for unpaid Common Charges against a Unit shall be effective from and after a filing thereof in the Office of the County Clerk, and until all sums secured thereby with the interest thereon shall have been fully paid or until six years from the date of filing unless foreclosure of such lien is commenced within such six year period, whichever shall be sooner. Such lien may be foreclosed by a suit brought in the name of the Board of Managers, acting on behalf of the Unit Owners, in like manner as a suit for the foreclosure of a mortgage on real property.

The Sponsor will cause the Board of Managers to file a lien as provided in Section 339-aa of the Real Property Law on Units in which the Sponsor is more than 30 days in arrears of common charges while it is in control of the Board of Managers.

The obligation to pay common charges ends at the time of the sale of the unit, except for common charges accruing during the time of ownership.

D. Repairs

All maintenance, repairs and replacement to the common elements of the Condominium including but not limited to exterior walls, roof and roof members as well as all maintenance, repairs and replacements to any pipes, wires, conduits, cables and public utility lines, any portion of which is located in one Unit and services another Unit or more than one Unit or so much of any pipes, wires, conduits and public utility lines as are located in the common elements but service one or more Units shall be made by the Board of Managers and the cost thereof shall be a common expense. The Board of Managers shall repair all plumbing stoppages and electrical problems occurring in the common elements.

Except as is otherwise specifically provided, all maintenance to the Units, including electrical repairs, plumbing stoppages, window cleaning, painting and decorating in the Units, and repairs and replacements to the Units including windows and doors (including all glass breakage) and repairs to pipes, wires, cables and conduits located in and servicing the same Unit, other than as set forth above, shall be made by the respective Unit Owners at their expense.

All irrevocably restricted common elements shall be maintained and repaired by the Unit Owner to whom such common element is restricted in use. However, the Board of Managers shall repair and replace any pipes, wires, conduits, cables and public utility lines located underground or overhead any restricted common element, except where such repair or replacement is necessitated because of the negligence or misuse or neglect of this Unit Owner to which the common element is restricted in use, in which event such cost and expense shall be assessed to and paid for by such Unit Owner.

In the event that a Unit Owner fails to perform any maintenance, painting or repair, which maintenance, painting or repair is necessary to protect any of the common elements, any other Unit, or, in the event of the service of a Building Department violation notice covering the Unit upon the Board of Managers, the Board of Managers shall have the right to perform such maintenance, painting or repairs (after failure of the Unit Owner to do so after ten (10) days written notice, or written or oral notice of a shorter duration in the event of an emergency situation) and to charge the Unit Owner for the cost of all such repairs, painting and/or maintenance. In the event that the Board of Managers charges a Unit Owner for the painting or maintenance to any common element restricted in use to such Unit Owner, and the Unit Owner fails to make prompt payment, such charges shall be considered additional common charges due from said Unit Owner, and the Board of Managers shall be entitled to bring suit thereon. In the event the Board of Managers brings such suit, the Unit Owner shall be liable for the reasonable attorney fees and costs of such suit or proceeding along with interest on all such sums due.

A Unit owner shall grant a right of access to his Unit to the manager and/or managing agent and/or any other person authorized by the Board of Managers, the manager or the managing agent, for the purpose of making inspections or for the purpose of correcting any condition originating in his Unit and threatening another Unit or the common element, or for the purpose of performing installations, alterations or repairs to the mechanical or electrical services or other common elements in his Unit or elsewhere in the building, or to correct any condition which violates the provisions of any mortgage covering another Unit, provided that requests for entry are made in advance and that such entry is at a time reasonably convenient to the Unit owner and further provided that such right shall be exercised in such manner as will not unreasonably interfere with the use of the Unit for residential purposes. In case of an emergency, such right of entry shall be immediate, whether the Unit owner is present at the time or not.

E. Additions, Alterations and Improvements

The Unit Owner may make any non-structural alterations or improvements to the Unit he desires without obtaining the consent of the Board of Managers so long as such alterations or improvements do not affect the building in which the Unit is located or any other Common Element.

All painting, decorating, maintenance, repairs and replacements to any Unit or the common elements or limited common elements performed by the Board of Managers shall be charged directly to Unit Owners except as otherwise determined by the Board of Managers.

No Unit Owner shall make any structural addition, alteration or improvement in or to his unit or his limited common elements, without the prior written consent thereto of the Board of Managers. The Board of Managers have the obligation to answer any written request by a unit owner for approval of a proposed structural addition, alteration or improvement in such owners unit, within thirty (30) days after such request, and failure to do so within the stipulated time shall constitute a consent by the Board of Managers to the proposed addition, alteration or improvement.

The unit owner may not do any construction or build any structures on his limited common element without the prior written permission of the Board of Managers. The Board of Managers will formulate house rules and procedures which shall govern all alterations and decoration of the limited common elements so as to remain in compliance with the Department of Buildings.

Any application to any governmental authority having or asserting jurisdiction, for a permit to make an addition, alteration or improvement in or to any unit or limited common element shall be executed by the Board of Managers only, without however, incurring liability on the part of the Board of Managers or any of them to any contractor, subcontractor, materialman, architect or engineer on account of such addition, alteration or improvement, or to any person having any claim for injury to person or damage to property arising therefrom. The provisions of this paragraph shall not apply to a unit owned by the Sponsor or its designee until a deed to such unit has been delivered to a purchaser thereof.

Whenever in the judgment of the Board of Managers the common elements shall require additions, alterations or improvements costing in excess of $ 1,000.00 and the making of such additions, alterations or improvements shall have been approved by 66-2/3% in number and in common interest of the unit owners present in person and/or by proxy and voting at a meeting duly held in accordance with these By-Laws, the Board of Managers shall proceed with such additions, alterations or improvements and shall assess all unit owners for the cost thereof as a common charge.

Any additions, alterations or improvements costing $1,000.00 or less may be made by the Board of Managers without approval of the unit owners. The cost of such work (unless paid from the Working Capital Fund Supplied by the Sponsor in accordance with the Plan of Condominium Ownership) shall constitute part of the common expenses.

The Board of Managers will execute any application or other documents required to be filed with any governmental authority having or asserting jurisdiction in connection with any such installation or structural addition, alteration or improvement made by the Sponsor or its designee to any unit, provided, however, that neither the Board of Managers nor the Unit owners other than the Sponsor shall be subjected to any expense or liability by virtue of the execution of the application or such other document.

F. Insurance

The Board of Managers shall obtain and maintain, to the extent obtainable, insurance against loss by fire, personal injury liability, and other casualties normally covered under broad form fire and extended coverage insurance as written in New York, covering all Common Elements, all structural portions of the Condominium property and all Units including exterior walls, ceilings, and floors , but not including furniture, fixtures, decorations, equipment or the like installed or placed there by Unit Owners or Sponsor. Such insurance shall cover the interests of the Condominium, the Board of Managers and all Unit Owners and their mortgagees as such respective interests may appear, in an amount equal to at least ninety (90) percent of the full replacement value of the Building. Each of such policies shall contain a New York Standard Mortgage Clause in favor of each mortgagee of the Unit which shall provide that the loss, if any, thereunder shall be payable to such mortgagee as its interest may appear, subject to the loss payment provisions of Real Property Law Section339-bb. The premium for such insurance shall be a Common Expense to be paid by monthly assessments levied by the Board of Managers and shall constitute a lien enforceable in accordance with the By-Laws.

The Board of Managers shall also obtain and continue in force and effect insurance against liability for bodily injury and property damage arising from accidents occurring within the Common Elements and Limited Common Elements in amounts satisfactory to mortgagees holding first mortgages on the Units and against liability for personal injury sustained by any person and arising out of an occurrence involving certain named offenses committed in the operation of the Condominium. The amounts of such insurance shall be determined by the Board of Managers and the premiums therefore shall be a Common Expense.

As of the date of the first closing under this Plan, the Sponsor shall insure the project under a Condominium package policy providing for coverage in the following amounts: (assuming 4 Units). Please refer to Schedule B for details of coverage

1.Physical damage to and loss of use of the buildings in the amount of $900,000.00;
2.Bodily injury liability and property damage in the amount of $1,000,000.00 per each occurrence and $2,000,000.00 aggregate;
3.Personal injury liability in the amount of $1,000,000.00 per each occurrence.

While the Sponsor controls the board, the insurance cannot be less that what is required by Part 20 of Title 13 NYCRR.

All policies or physical damage insurance shall contain clauses in which:

a. The insurer waives its right to subrogate on a negligence action against any Unit Owner. In other words, in the event the insurer pays a claim based on the negligence of a Unit Owner, the insurer will not attempt to recoup the amount paid from the Unit Owner at fault.

b. The insurer provides that if at the time of loss there is other insurance in the name of a Unit Owner covering the same loss and property covered by Board of Managers' policy, the insurance afforded by the Board of Managers' policy shall be primary and not contributing with such Unit Owner's insurance.

c. The insurer undertakes to honor a claim resulting from property damage even if such property damage is the result of negligence by a Unit Owner. This is termed a "waiver of invalidity", clause.

The Board of Managers shall give at least ten days' written notice of the terms of insurance coverage and of any substantial change thereto, or termination thereof, to each Unit Owner, without prejudice to the right of each Unit Owner to insure his own Unit for his own benefit. The premium for such insurance on the building shall be deemed Common Expenses, provided, however, that in charging the same to the Unit Owners, consideration may be given to the higher premium rates on some Units than on others.

Damage to or destruction of the Buildings shall be promptly repaired and reconstructed by the Board of Managers using the proceeds of insurance on the Buildings for that purpose. In the event that the insurance proceeds are insufficient to cover the cost of repairs to the Buildings the balance of the cost of such repairs shall constitute Common Expenses. However, if three-fourths or more of the Buildings are destroyed or substantially damaged and seventy-five percent of the Unit Owners do not promptly resolve to proceed with repair or restoration, then the property shall be subject to an action for partition and the net proceeds of sale together with the net proceeds of insurance policies shall be divided among all Unit Owners in proportion to their respective Common Interests after liens on each Unit have been satisfied.

The proceeds of the hazard and fire insurance policy shall be payable to the condominium board in the event of a loss amounting to $100,000 or less and to the insurance trustee if the loss exceeds $100,000. Such proceeds shall be applied to the repairing, restoring, or rebuilding of the subject premises unless otherwise determined by unit owners. In no event shall the proceeds of any insurance policy be paid to the holder of any mortgage on a unit unless there has been a determination by unit owners no to rebuild the building. The insurance trustee, if any, shall be a bank or trust company having an office in the City and State of New York.

In addition to the insurance set forth herein, the purchaser may desire to insure his personal effects and the interior of the Unit itself against loss by fire and other casualties and against liability. The cost of such insurance, if taken by the purchaser, will be payable by the purchaser directly. Unit Owners will not be prohibited from carrying other insurance for their own benefit provided such policies contain waivers of subrogation and further provided that the liability of

the carriers issuing insurance procured by the Board of Managers shall not be affected or diminished by reason of any Unit Owner's other insurance.

G. Restrictions on Occupancy

There is no restriction upon ownership of a Unit. Occupancy of a Unit, however, may only be for residential purposes in accordance with the applicable zoning regulations of the municipality having jurisdiction over the Condominium.

The By-Laws of the Condominium contains the following use restrictions: No immoral, improper, offensive or unlawful use shall be made of the Condominium or any part thereof and all valid laws zoning ordinances and regulations of all governmental bodies having jurisdiction thereof shall be observed. Unit owners, their families, employees, guests and pets shall not use or permit the use of the Units and common elements in any manner that would be illegal, disturbing or a nuisance to other unit owners. No resident shall put any advertisement or posters of any kind in or on the Condominium without the consent of the Board of Managers. It is prohibited to hang garments, rugs etc. from the window or from the building or to string clothes lines on or over the common elements or use any of the common elements for storage. No Unit owner shall paint the exterior surfaces of the windows, walls or doors opening out of his unit or cut through an existing exterior wall in order to put wall air conditioning units in an owners unit.

No Unit owner or any of his agents, servants, employees, licensees, or visitors shall at any time bring into or keep in his Unit any inflammable, combustible or explosive fluid, material, chemical or substance, except for formal household use.

No animals or reptiles of any kind shall be raised, bred, or kept in any unit or on the common elements, except that dogs, cats or other household pets, not exceeding two per unit, may be kept in the units and in yard areas irrevocably restricted to the owners of the units, subject to the rules and regulations adopted by the Board of Managers, provided that they are not kept, bred or maintained for any commercial purposes; and provided further that any such pet causing or creating a nuisance or unreasonable disturbance or noise shall be permanently removed from the property subject to these restrictions upon three (3) days written notice from the Board of Managers. Unit owners shall be required to clean up after their pets at all times.

The Sponsor, its nominees and agents, shall have the right and privilege to maintain general and local sales offices in and about the condominium building or elsewhere throughout the property, and shall have the right and privilege to have their representatives, employees and agents present on the Condominium premises to show the Units to prospective purchasers, to utilize the common elements, and without limitation, to do any and all things necessary and incidental to the sale of Units, without charge or contribution other than in the form of common charge payments as otherwise provided herein.

H. Rights of the Condominium

The rights of the condominium are to be enforced by the board of managers. There is an exception to this exclusivity. When it is at least (60) days before the expiration of the statute of limitations or the board has not enforced such rights after reasonable notice and opportunity the unit owner may individually or severally enforce such rights on behalf of the condominium.

I. Rental of Units

The condominium offering plan allows the sponsors and purchasers to rent the Units after consummation of the plan. Therefore there might be a number of Unit owners who do not occupy their dwelling Units. The provisions of Real Property Law Section 339-kk applies to this offering plan. A summary of that section is provided below.

If a non-occupying owner rents any dwelling unit to a rental tenant and then fails to make payments due for common charges, assessments or late fees for such unit within sixty days of the expiration of any grace period after they are due, upon notice in accordance with the paragraph below, all rental payments from the tenant shall be directly payable to the condominium association.

If common charges, assessments or late fees due for any unit have not been paid in full, within sixty days after the expiration of any grace period of the earliest due date, the board of managers shall provide written notice to the tenant and the non-occupying owner providing that, commencing immediately and until such time as all payments for common charges, assessments or late fees are made current, all rental payments due subsequent to the issuance of such notice are to be made payable to the condominium association at the address listed on the notice. Where a majority of the board of managers has been elected by and from among the unit owners who are in occupancy, the board may elect not to require that rental payments be made payable to the condominium association.

At such time as payments for the common charges, assessments and late fees from the non-occupying owner are once again current, notice of such fact shall be given within three business days to the rental tenant and the non-occupying owner. Thereafter all rental payments shall be made payable to the non-occupying owner or a designated agent. A non-occupying owner who disputes the association's claim to rental payments pursuant to this section shall be entitled to present facts supporting such owner's position at the next scheduled meeting of the board of managers, which must be held within thirty days of the date such board receives notice that such owner seeks to dispute such claim.

Payment by a rental tenant to the condominium association made in connection with this section shall relieve that rental tenant from the obligation to pay such rent to the non-occupying owner and shall be an absolute defense in any non-payment proceeding commenced by such non-occupying owner against such tenant for such rent.

XV. REAL ESTATE TAXES

After the units are separately assessed, each Unit will be taxed as a separate tax lot for real estate tax purposes. A Unit owner will not be responsible for the payment of, nor will the unit be subjected to, any lien arising from the non-payment of taxes on other Units.

The Sponsor does not anticipate any delay in obtaining separate assessments for the Units and will endeavor to obtain such separate assessments prior to the closing of title to the first Unit. Since the actual tax lot separation and the separate tax lot assessment will be made by the City of New York, the date of such assessment will depend upon the work flow in the City of New York assessment office.

In the event that the Units have not been separately assessed for real estate tax purposes prior to the closing of title to the first unit, the Sponsor shall pay to the Board of Managers the sum required to satisfy the real estate taxes on all of the unsold Units for the tax period covered by the closing of title. At the time that the Units are separately assessed the Unit owner will reimburse the Board of Managers for the taxes paid on his behalf and the Board of Managers will reimburse the sponsor for the excess taxes he paid to the Board of Managers with reference to the real estate tax period covered by the closing of title. The amount deposited in escrow for the real estate taxes will be disclosed in each post closing amendment until the units are separately assessed.

The real estate taxes on the individual condominium units will be assessed by the City of New York department of Finance. Once the Units are separated into individual tax lots, the City tax assessor will assess each Unit separately. This will form the basis from which the actual real estate taxes will be derived. It is estimated that each building will have a deemed value of $580,000 with the post construction assessed value of the condominium estimated to be $32,460. The units are classified as Class 1 units which are presently taxed at 19.191% of the assessed value. The yearly real estate taxes would be approximately $3,340.00 for each condominium unit. This is an estimate which will depend upon the assessed value as well as the tax rate which is in effect at the time.

The assessed valuation for real estate taxes depends upon the percentage interest in the common elements of an individual unit along with a number of components including location limited common elements and selling price. The assessed value should enter into the tax rolls for the fiscal year commencing July 1, 2016.

The Fair Market Value, Assessed Value percentage and the tax rate may be changed by the City of New York on a yearly basis.

The condominium is new construction. There is no present assessed valuation for the building.

The Sponsor is not aware of any tentative changes in the assessed valuation or the tax rates which will affect the condominium unit. There are no tax certiorari proceedings ending.

The Board of Managers is authorized to act as agent for the unit owners to complain or apply to the local taxing authorities to have the assessed value or real estate taxes changed for individual unit owners. Refer to the By-Laws I Part II Section F page 5 paragraph 14.

XVI TAX STATUS OF CONDOMINIUM

The Internal Revenue Code of 1986 as amended under Section 528 allows condominiums which comply with certain requirements to qualify as a tax exempt organization.

The Willowbrook Commons Condominium as structured in this Offering Plan meets the conditions set forth in Section 528 of the Internal Revenue Code of 1986 for tax exempt organization. The opinion of counsel which follows this section outlines the conditions and terms of the tax exempt status.

As a tax exempt organization, the condominium will not pay income tax on the common charge payments received from Unit Owners. However, any receipts from unit owners or third parties which are not considered common charge payments would in most instances be considered taxable income to the condominium.

In addition, the tax exempt status of the condominium does not extend to the individual Unit Owners. The Unit Owners are responsible for their own income and deductions irrespective of the status of the condominium.

Gentlemen:

You have requested my opinion concerning (i) the availability of certain deductions for Federal, New York State, and New York City income tax purposes to persons who purchase units for residential use under the offering plan for the Willowbrook Commons Condominium and (ii) the Federal income tax treatment of the Common Charges received by the condominium association.

In connection with rendering this opinion, I have reviewed the offering plan, the Schedules and Exhibits thereto, the Declaration of the Condominium Plan, the By-laws of the condominium, relevant sections of the Internal Revenue Code of 1986 as amended, the regulations promulgated thereunder, the New York State Tax Law, the Administrative Code of the City of New York and such other materials that I have deemed relevant to rendering this opinion.

A. Facts

You have advised me that, to the best of your knowledge, the following statements are an accurate summary of the relevant facts, and my opinion is conditioned upon the accuracy of these facts.

1. Sponsor will submit to the Richmond County Clerk's office a declaration establishing the premises located at 110 & 114 Willowbrook Road, Staten Island, New York as a condominium, pursuant to the New York State Condominium Act (Article 9-B of the Real Property Law of the State of New York

2. The Condominium will consist of four (4) units allocated for residential use. Each holder will own his own unit plus an interest in the elements common to all units (the "Common Elements". Each unit owner will be entitled to the exclusive ownership and possession of his unit and will receive a separate deed to that unit.

3. The condominium will be operated by a Board of Managers which, pursuant to the By-laws, will act only as an agent for all unit owners. The Board of Managers will be composed of at least three members, who shall each be elected by the unit owners. The primary function of the Board of Managers will be to supervise the maintenance and operation of the Common Elements, and collect charges (the "Common Charges") necessary to maintain and operate the Common Elements.

B. Discussion

I. Deductibility of Mortgage Interest an Real Estate Taxes

Under the Condominium Act, each unit owner will own his unit and its appurtenant interest in the Common Elements in fee simple, and each unit will be taxed as a separate tax lot for real estate tax purposes. Each unit owner may mortgage his unit and become individually liable for the payment of the principal and interest on such mortgage indebtedness. Failure to pay his share of the Common Charges will result in the Board of Managers having a lien on the unit for such unpaid Common Charges.

The deductibility of the mortgage interest and real estate taxes paid or accrued by the unit owner during his taxable year will be governed by sections 163 and 164 of the Internal Revenue Service Code. Section 163 of the Code allows a taxpayer to deduct all interest paid or accrued during the taxable year on bona fide indebtedness. Section 164 of the Code allows a taxpayer to deduct real estate taxes paid or accrued during the taxable year. Since sections 339-g and 339-y of the Condominium Act provide that each unit and its common interest shall be taxed as a separate tax lot for real estate tax purposes, unit owners will be entitled to deduct real estate taxes paid or incurred on their units during the taxable year.

The deduction under section 163 of the Code for interest is subject to certain other provisions of the Code which may limit the amount of the deduction in any one taxable year. For example, under section 461(g) of the Code, prepaid interest is not deductible by a cash basis taxpayer in the year of payment but must be allocated to the taxable year or years to which it is chargeable. However, the payment of "points" is deductible under certain circumstances in the year of payment, provided that the indebtedness was incurred by the taxpayer in connection with the purchase or improvement of his principal residence, and the other requirements of Code section 461(g)(2) are complied with.

It should be noted that a taxpayer who purchases a unit for investment purposes may find his interest deduction limited by Code section 163(d). Under this section a taxpayer other than a corporation will be subject to a ceiling on his deduction for investment interest. Investment interest is defined as interest paid or accrued on indebtedness incurred to purchase or carry property for investment. To the extent that the taxpayer has investment income (defined as the gross income from interest, dividends, rents, royalties, net short term capital gains and recapture income), he increases his ceiling on the deduction for investment interest. See Code section 163(d).

I should further be noted that Code section 265(2) may impact the interest deduction otherwise allowable to a taxpayer in the event that he incurs debt to finance his purchase of a unit rather than liquidate his portfolio of tax exempt securities. Under these circumstances, Code section 265(2) may disallow the taxpayer's interest deduction since he would be deemed to have incurred the debt to "continue to carry" the tax exempt obligations. However, revenue rulings have made an exception for debt incurred to purchase the taxpayer's principal residence.

In Revenue Ruling 64-31`, 1964-1 C.B. 300, the Internal Revenue Service considered the deductibility pf mortgage interest and real estate taxes incurred by the owner of a condominium unit. The Service ruled that sections 163 and 164 of the Code, respectively, permitted these deductions by the condominium unit owner provided that he itemized his deductions in filing his Federal income tax return.

It is my opinion that under Code sections 163 and 164, a unit owner will, for Federal income tax purposes, be entitled to a deduction for interest paid or accrued with respect to mortgage indebtedness and for real property taxes paid or accrued with respect to his method of accounting.

I am also of the opinion that each unit owner will, for New York State and New York City income tax purposes, be entitled to the same deduction which is allowed for Federal Income Tax purposes for the mortgage interest and real estate taxes paid or accrued during the taxable year. See section 615 of the New York State Tax Law. It should be noted, however, that for New York City income tax purposes, the benefit of such deduction may be reduced if the unit owner has more than the specified amount of tax preference items. See sections 61`5, 622 and 623 of the New York State Tax Law and sections T46-115.00, T46-112.0 and T46-123.0 of the New York City Code.

The foregoing discussion applies primarily to residential unit owners. Referenced sections of the IRS Code are not applicable to owners of commercial units, if any, or owners of units for investment or resale, if any. However, insofar as the owners of commercial units will be using the unit for business purposes, other sections of the Code may allow such deductions. Purchasers of commercial units are strongly urged to consult their own accountants with regard to the deductibility of the mortgage interest and real estate taxes.

II. Common Charges-Federal Income Taxation of the Corporation

A condominium under New York law is not a corporation but rather an unincorporated association.

The Treasury Regulations in section 301.7701-2(a)(i) set out six factors to be considered in determining whether an association will be treated as an unincorporated association for Federal income tax purposes. Of these factors, the condominium possess five (an objective to carry on business, divide the gains, centralization of management, continuity of life and free transferability of interest). Since an unincorporated organization will be treated as a corporation if it has more corporate characteristics than non-corporate characteristics, it is my opinion that, the condominium will be treated as an association taxable as a corporation for Federal income tax purposes. In such event, and in the absence of any specific exemption, the condominium would be subject to Federal corporation income tax.

Assuming that the condominium is treated as an association taxable as a corporation, the receipt of substantially all of the Common Charges, may be excluded from the income of the condominium in the event that (i) the condominium is acting as agent of the unit owners as to collection and receipt of such funds; or (ii) the condominium is not acting as agent and receives the Common Charges as non-taxable contributions of capital, or receives the Common Charges as service income which is fully offset by the condominium's service expenses; or (iii) the condominium elects to be taxed under Code section 528 and the condominium has only "exempt function income" within the meaning of that section.

Code Section 528 provides a tax exemption for an organization that qualifies as a "homeowners association" which term includes a "condominium management association". A "condominium management association" is defined as an organization organized and operated to provide for the acquisition, construction, management, maintenance, and care of a condominium, provided substantially all of the units are used by individuals for residences. See Code sections 528(c)(1)(A), and 528 (c)(2). "Substantially all" of the units will be considered used by individuals for residences if at least 85% of the total square footage of all units within the project is used, or is intended to be used, by individuals for residential purposes auxiliary to residential use, such as storage rooms, laundry and maintenance areas. The organization itself would be considered "organized and operated" for the acquisition, construction, management, maintenance, and care of such condominium, if the facts and circumstances indicate such to be the case. See Treasury Regulations section 1.528-2. If the articles of the condominium reflect that this is the purpose of the association, then the condominium management association would be presumed to be operating for such purpose. Section 1.528.2(a).

In addition to the above organization and operation test, the tests set forth below must be satisfied pursuant to Code section 528 (c)(1) in order for a condominium to qualify as a "homeowner's association".

(i) Sixty percent (60%) or more of the gross income of the organization must be "exempt function income", that is, income derived from the payment of dues or

fees from the residential unit owners in their capacity as owner-members rather than in the capacity as customers for services. Code section 528(c)(1)(A) and regulations sections 1.528-5 and 1.528-9. "Exempt function Income" includes income which is attributable to assessments that arise as a result of the member's ownership interest (either based on value or size of their units) and used for the purpose of enhancing or maintaining the value of the residences. Regulations section 1.528-9. As an example, this regulation indicates that assessments for the purpose of paying real estate taxes, removing garbage, or removing snow is "exempt function income". Section 1.528-9(b). Income attributable to the use of laundry machines and interest earned on sinking funds are not exempt function income. Section 1.528-9(c). Any assessment attributable to special capital improvements, which are treated as capital contributions, are not included in gross income, and therefore, are not part of the calculation of the gross income test. Section 1.528-9(a).

(ii) Ninety percent (90%) or more of the expenditures of the organization for the taxable year must be used for the acquisition, construction, management, maintenance, and care of the organization's property. Code section 528(c)(1)(C). These expenditures include operating and capital expenditures during the taxable year. Investments in reserve funds for future expenditures are not included in this calculation.

(iii) No part of the net earnings of the organization may inure to the benefit of any individual. Code section 528 (c)(1)(D). The Code expressly excludes benefits received by a unit owner attributable to the homeowners association performing its exempt function, such as the benefit from the homeowners association acquiring, constructing, managing, maintaining and taking care of the association property.

(iv) The organization must properly and timely elect to have Code section 528 apply for the taxable year. Code section 528 (c)(1)E).

Based upon my understanding of these regulations and the organization of this association, it is my opinion that the condominium will be eligible to qualify as a homeowners association within the meaning of Code section 528(c)(1) and that, to the extend the condominium has income in excess of its expenses, that income will not be subject to Federal income tax.

III. Compliance with Real Property Law Section 339 (i)

I have reviewed the letter from the Sponsor's expert concerning allocation of the common interest to the units in the premises. The determination of Common Interest allocated to each unit is based on floor area subject to such other items of relative value as location of the unit within the building, uniqueness of the unit, availability of Limited Common Elements for

shared or exclusive use and overall dimensions of the unit pursuant to Real Property Law (RPL) section 339(i)(1) subparagraph (iv). The method employed is permissible pursuant to the RPL and is in compliance therewith.

C. Conclusion

I express no views as to any Federal, New York State and/or New York City tax consequences or as to any aspects of the Plan other than those tax consequences and aspects explicitly discussed in this opinion, or as to the tax consequences of the Plan under the laws of any other State or foreign jurisdiction. This opinion does not discuss the tax consequences which may result from the ownership or the leasing of a unit to another, in connection with a unit owner's trade or business, for purposes of investment, or for the production of income, or tax consequences which may result to a foreign unit owner by reason of his foreign status.

This opinion also does not consider the tax consequences which may arise if units are acquired and/or leased by the Board of Managers, or the issue of whether a unit owner may be deemed to be a resident of New York State due to ownership of a unit. I, therefore, advise each person contemplating the purchase of a unit to consult his or her own tax advisor as to all such tax matters, as well as with respect to the tax matters discusses in this opinion.

The opinions expressed herein are based solely upon my current understanding and interpretation of the existing law, regulations, decided cases and rulings of administrative agencies and upon information set forth herein. If there has been any misstatement of a fact or omission of any fact which may be material, or any amendment or change in the By-Laws or the Plan, we should be notified, since any such omission, misstatement or change may require modification of part or all of this opinion. Moreover, it should be specifically noted that this opinion is not binding on the Internal Revenue Service, the New York State Department of Taxation and Finance, or the New York City Department of Taxation, and that such entities may not agree with any or all of the views stated above. Finally, the Federal and State Tax Laws and Regulations and the rulings and decisions thereunder may change and thereby affect the views stated above in whole or in part.

I hereby authorize the use of the opinion, or a reproduction thereof, in the Offering Plan

Very truly your,

Paul A. Leff, Esq.

XVII. WORKING CAPITAL FUND

Purchasers shall be required to pay two months maintenance closing of title as working capital. This amount shall be used to reimburse the Sponsor for prepaid Condominium expenses if any. This payment will not be used to reduce common charges. The working capital shall be turned over to the Board of Manager at each closing to unit owners. The total fund is estimated to be $ 1,802. Sponsor will not contribute.

While Sponsor is in control of the Board of Managers, the working capital fund may not be used to reduce projected common charges in the plan. There are no other restrictions on the use of this fund.

Neither the Department of Law nor any other government agency has passed upon the adequacy of the fund.

Any adjustments for prepaid expenses between the sponsor and the Board of Managers may be deducted only from the working capital fund. The Sponsor does not anticipate any prepaid expenses other than insurance on the condominium. Such insurance is estimated to be $4,949.00 per annum. The reimbursement to the sponsor will occur by a pro-rata adjustment based on the percentage of common interest paid at a each closing during the first year of operation.

There is no minimum working capital fund which must be maintained regardless of the amount of the adjustment.

No representation is made that the proposed budget will be adequate to cover current or future expenses including repairs or replacements of common elements. If additional funds are required, it may be necessary to increase the common charges payable by the Unit Owners or to collect a special assessment from each unit owner.

XVIII. RESERVE FUND

The Schedule B budget contains a reserve fund. This charge item shall equal 10% of the budget for the year in which it appears. These reserve funds shall be maintained in a special account separate and apart from the account for yearly expenses. It shall be used exclusively for capital repairs and improvements which might be required in the future. This reserve fund is sufficient to provide needed capital expenditures within five years following the first closing under this plan.

While the sponsor is in control of the board of managers, the reserve fund may not be used to reduce projected common charges in the plan.

The development is new construction and the Sponsor does not contemplate any capital repairs for at least five years from the establishment of the condominium.

The reserve fund may not be used to reduce projected common charges under the plan while sponsor is in charge of the board.

Neither the Department of Law nor any other government agency have passed upon the adequacy of this fund.

6. AGREEMENT CONTINGENT ON MORTGAGE FINANCING

This contract shall be subject to and contingent upon Purchaser obtaining a conventional first mortgage in the amount of **$** to run for a period of 30 years, to bear interest at the prevailing rate at the time of closing or as otherwise provided in the loan commitment and to be payable in monthly installments which may include amortization of principal, interest, taxes, water rates, private mortgage insurance fees, fire and other hazard insurance premiums, and such other provisions as may be required by the lending institution. The mortgage shall contain the lending institutions' prepayment privileges.

Purchaser does hereby agree to make a diligent, truthful and proper application to a lending institution within ten (10) days after receipt of a fully executed copy of this Contract, and shall have forty-five (45) days from the signing of said contract to obtain a mortgage commitment. Purchaser shall without delay furnish such verifications of bank accounts and employment or any other instruments or information as may be required by said lending institution in the processing of Purchaser's application for the mortgage loan described above. Failure to comply with the foregoing will be deemed a willful, material breach of this Contract by Purchaser.

If the application for the mortgage loan hereinabove set forth is approved and the commitment issued, the Purchaser does hereby agree to execute, acknowledge and deliver such bond, mortgage, assumption, extension and/or modification agreements, affidavits, statements, or any other instruments which may be necessary or required by the lending institution, and/or the title company insuring the mortgage, in order to properly effectuate the placing of the mortgage loan described above.

In the event lending institution shall refuse to approve the application and issue a commitment for the amount set forth upon the terms and conditions described above within forty-five days from the date of the contract, then Sponsor shall have the option of granting the Purchaser a sixty (60) day extension of time within which to obtain a mortgage commitment or to deem this Contract cancelled.

In the event that Purchasers are denied a mortgage commitment by a lending institution even after a 60 day extension, upon receipt of a copy of Purchaser's good-faith, timely, mortgage application and a copy of the lender's denial/declination letter, Sponsor, through its attorney , shall promptly return the deposit paid hereunder to Purchasers through their attorney and this Contract shall cease and terminate and thereafter neither party shall have any further rights against, or obligations or liabilities to the other party by reason of this contract

Once a bank commitment is issued, Purchaser will be required to use due diligence in obtaining any and all extensions necessary to maintain such commitment in force, notwithstanding that such extension may be at a higher interest rate or required payment of additional fees, or include other charges. Failure to maintain such commitment will constitute a default under the purchase agreement, except if the bank refuses to extend such commitment on any rates or terms, purchaser may cancel the contract and receive return of his down payment.

The mortgage loan contingency shall be deemed fulfilled, and this contract shall be considered firm and binding on the Purchaser even though the mortgage loan commitment contains conditions to be satisfied by the Purchaser, as a prerequisite to funding the mortgage loan including but not limited to (i) proof and confirmations regarding the credit worthiness of Purchaser or any co-applicant and existing bank accounts of Purchaser or any co-applicant and any balances thereof, (ii) continuing employment of Purchaser or any co-applicant, (iii) sale of any house, property or other asset required to be sold by Purchaser or any co-applicant, and (iv) satisfaction of a debt by Purchaser or any co-applicant. THE RISK OF COMPLYING WITH ALL CONDITIONS OF THE COMMITMENT IN SUFFICIENT TIME TO BE ABLE TO CLOSE TITLE AT THE TIME, PLACE AND DATE SET FORTH IN SELLER'S NOTICE OF CLOSING, IS EXCLUSIVELY ON PURCHASER, AND THE FAILURE OF THE LENDER TO FUND THE LOAN BECAUSE OF PURCHASER'S FAILURE TO COMPLY WITH ALL CONDITIONS OF THE COMMITMENT SHALL NOT EXCUSE PURCHASER FROM CLOSING TITLE AND PAYING THE BALANCE OF ALL SUMS DUE UNDER THIS CONTRACT ON THE DATE OF CLOSING.

7. CLOSING DATE AND PLACE. The closing shall take place and the deed shall be delivered upon receipt of all payments due hereunder at the office of Joseph A. D'Amico, Esq. 114 Seguine Avenue, Staten Island, N.Y. 10308 or at any other place designated by the Sponsor on or about or at any other time and date designated by Sponsor pursuant to the terms of this agreement. In the event Purchaser or Purchaser's mortgage lender requires that the closing take place outside of the Seller's attorney's office Purchaser agrees to pay Sponsor's attorney a travel fee at closing of title of $250.00 for closings within New York City (other than Staten Island) and $500.00 for closing outside of New York City.

The closing of title shall take place on no less than thirty (30) days' prior written notice after the issuance of a Final or Temporary Certificate of Occupancy.

8. CLOSING ADJUSTMENTS. The following adjustments shall be made as of midnight of the date preceding the Closing Date with respect to the Unit:

(b) Common Charges for the month in which title closes;

(c) Accrued rent and any other charges pursuant to an interim lease or use and occupancy agreement, if any, covering the Unit.

Installments for tax assessments due after the delivery of the deed, if any, shall be paid by Purchaser and shall not be considered a defect in title. If a Unit has not been separately assessed as of the Closing Date for the then current tax period, the adjustment under section 8.1(a) hereof shall be based upon the assessment for the Property and the percentage interest in the Common Elements appurtenant to the Unit.

8.3 Purchaser hereby agrees that, if Sponsor obtains a refund for real estate taxes paid (or a credit for such taxes to be paid) on Purchaser's Unit, Purchaser and Sponsor will apportion the refund (as well as the costs and/or fees for obtaining the refund or credit) based upon the percentage of time of which the refund or credit is obtained during which each party hereto owned the Unit in question. The provisions of this subsection shall survive the closing of title.

9. CLOSING COSTS

(A) In addition to those closing costs and adjustments described in the sections above, PURCHASER shall be required to pay the other closing costs which are Purchaser's responsibility. These Closing Costs and Adjustments include but are not limited to the following:

All applicable real estate taxes, and other usual and normal closing charges during the month that title closes or established as a reserve, shall be adjusted as of the closing date based upon the last bill rendered for such taxes or charges. The purchaser shall pay the fee of his own attorney and the premium for a fee title insurance policy, if he desires such coverage. PURCHASER shall make the required deposits with the lending institution for future payments of taxes and insurance premiums.

11. DEED AND SUBJECT TO. The closing deed shall be a Bargain and Sale Deed with Covenants Against Grantor's Act, shall be duly executed and acknowledged by the SPONSOR so as to convey to the Purchaser the fee simple title to the said Unit, free and clear of all liens and encumbrances, except as herein stated, and shall also contain the covenant required by subdivision 5 of Section 13 of the Lien Law. (b) Any state of facts an accurate survey or physical inspection may show, in accordance with the terms hereof, provided the same does not render title unmarketable; and

(d) Sewer, water, gas, drainage, electric and telephone easements, and any other utility easements; and

SPONSOR may pay and discharge any liens or encumbrances not provided for in this contract out of the moneys to be paid by PURCHASER at the closing. Purchaser hereby accepts and approves the Plan (including the Declaration, By-laws and Rules and Regulations contained therein) and agrees to abide and be bound by the terms and conditions thereof.

12. DEFAULT BY PURCHASER

(A) TIME IS OF THE ESSENCE with regard to Purchaser's obligations to pay the balance of the Purchase Price and to perform Purchaser's other obligations under this Agreement. If Purchaser fails to make such payment when required as herein provided or fails to perform any of the Purchaser's other obligations hereunder, Sponsor shall give written notice to Purchaser of such default. If such default is shall not be cured within thirty (30) days thereafter, Sponsor may, at its option, cancel this agreement by notice of cancellation to Purchaser. If Sponsor elects to cancel this Agreement, (a) Sponsor may retain all sums deposited by Purchaser hereunder (including any amounts paid by Purchaser for additional work in the Unit), together with interest earned thereon, as liquidated damages (Sponsor's actual damages being difficult or impossible to ascertain) and, upon retaining such sum, this Agreement shall be terminated and neither party hereto shall have any

further rights, obligations or liability to or against the other under this Agreement or the Plan and (b) Sponsor may sell the Unit to any third party as though this Agreement had never been made (without any obligation to account to Purchaser for any part of the proceeds of such sale).

(B) If Purchaser fails for any reason to close title to his Unit on the originally scheduled Closing Date (a) the closing apportionments described in this Agreement will be made as of midnight of the day preceding the originally scheduled Closing Date, regardless of when the actual closing of title occurs, and (b) Purchaser shall be required to pay to Sponsor, as a reimbursement of Sponsor's higher carrying costs for the Unit by virtue of the delay, and in addition to the other payments to be made to Sponsor under this Agreement and the Plan, an amount equal to an annual rate of 16% of the Purchase Price for each day starting from (and including) the originally scheduled Closing Date to (and including) the day before the actual Closing Date. If, through no fault of Purchaser, Sponsor postpones the originally scheduled Closing Date, these provisions shall apply to the rescheduled Closing Date if Purchaser fails for any reason to close title to his Unit on the rescheduled Closing Date.

13. SPONSOR'S INABILITY TO CONVEY THE UNIT

If SPONSOR is unable to deliver transfer title to the Unit to Purchaser in accordance with the provisions of this Agreement and the Plan, Sponsor shall not be obligated to bring any action or proceeding or otherwise incur any cost or expense of any nature whatsoever in excess of its obligations as set forth in the Plan in order to cure such inability, and, in such case, if Sponsor notifies Purchaser of its refusal to cure such inability and if Purchaser is not in default hereunder, Purchaser's sole remedy shall be either (a) take title to the Unit subject to such inability (without any abatement in, or credit against, the Purchase Price, or any claim or right of action against Sponsor for damages or otherwise) or (b) terminate this Agreement.

If Purchaser so elects to terminate this Agreement, Sponsor shall, within thirty (30) days after receipt of notice of termination from Purchaser, return to Purchaser all sums deposited by Purchaser hereunder, together with interest earned thereon, if any, and, upon making such payment, this Agreement shall be terminated and neither party hereto shall have any further rights, obligations or liability to or against the other under this Agreement or the Plan. The foregoing remedy must be exercised by notice of Purchaser in writing to Sponsor within fifteen (15) days after the giving of Sponsor's notice of refusal to cure such inability, failing which it shall be conclusively deemed that Purchaser elected the remedy described in clause (a) above (to acquire title subject to such inability).

14. BREACH OF PURCHASE AGREEMENT BY PURCHASER. Should PURCHASER willfully violate, repudiate or fail to keep any of the promises made under this Agreement which default remains uncured for fifteen (15) days after written notice of such default from SPONSOR, SPONSOR, may, at its option, retain all or any part of the monies paid on account hereunder, including price of any custom work ordered, as liquidated damages, in which event the parties shall be discharged of all further liability hereunder. The provisions shall apply whether or

not construction has commenced and regardless of any sale of the property subsequent to PURCHASER'S default, if such default results in a delay in the closing of title from the date and time fixed pursuant to this Purchase Agreement, the PURCHASER will only be permitted to cure the default and close within such fifteen (15) day period on condition that all adjustments shall be made as of the date originally fixed for the closing of title.

15. SUBORDINATION OF PURCHASE AGREEMENT TO BUILDING LOAN MORTGAGE. The PURCHASER agrees that all terms and provisions of this Agreement are and shall be subject and subordinate to the lien of any building loan mortgage heretofore or hereafter made and any advances heretofore or hereafter made thereon, and any payments or expenses already made or incurred or which may hereafter be incurred, pursuant to the terms thereof, to the full extent thereof without the execution of any further legal documents by the PURCHASER. The subordination shall apply whether such advances are voluntary or involuntary and whether made in accordance with the building loan schedule of payments or accelerated thereunder by virtue of the lender's right to make advances before they become due in accordance with the schedule of payments. The SPONSOR shall satisfy all such mortgages or obtain a release of the unit from the lien of such mortgage at or prior to the closing date, except for the individual mortgage covering the mortgage loan taken out by the Purchaser, if any, whether same be by extension, assumption, consolidation or otherwise.

16. RISK OF LOSS. The risk of loss of damage to the house by fire or any other cause until the delivery of the deed is assumed by the SPONSOR, provided that the PURCHASER has not taken possession of the premises, but without any obligation or liability by Sponsor to repair or restore the Unit. If Sponsor elects to repair or restore the Unit, this Agreement shall continue in full force and effect, Purchaser shall not have the right to reject title or receive a credit against, or abatement in, the Purchase Price and Sponsor shall be entitled to a reasonable period of time within which to complete the repair or restoration. Any proceeds received from insurance or in satisfaction of any claim or action in connection with such loss shall, subject to the rights of the respective Boards and other Unit Owners if the Declaration has theretofore been recorded, belong entirely to the Sponsor and, if such proceeds are paid to Purchaser, Purchaser shall promptly upon receipt thereof turn them over to Sponsor. The provisions of the proceeding sentence shall survive closing of title.

In the event Sponsor notifies Purchaser that it does not elect to repair or restore the Unit, or, if the Declaration has been recorded prior thereto, the Unit Owners do not resolve to make such repairs or restoration pursuant to the By-Laws, this Agreement shall be deemed canceled and of no further force and effect and Sponsor shall return to Purchaser all sums deposited by Purchaser hereunder, together with interest thereon, if any, and neither party hereto shall have any further rights, obligations or liability to or against the other hereunder or under the Plan, except that if Purchaser is then in default hereunder (beyond any applicable grace period), Sponsor shall retain all such sums deposited by Purchaser hereunder, together with any interest earned thereon, as and for liquidated damages.

A person who takes possession prior to closing assumes the risk of losses not covered by insurance.

17. POSSESSION BY PURCHASER PRIOR TO CLOSING. It is expressly understood and agreed that the PURCHASER shall in no event take possession of the premises prior to the time of the delivery of the deed and full compliance by the PURCHASER with the terms of this Agreement, and should the PURCHASER violate this provision, the PURCHASER consents that the SPONSOR shall have the right to remove him from the premises as a squatter and intruder by summary proceedings. Upon the PURCHASER'S unauthorized possession, the PURCHASER shall be deemed in default hereunder, at the option of the SPONSOR and, upon such election, the amount paid hereunder shall belong to the SPONSOR as liquidated damages and the contract shall be deemed cancelled, it is further understood and agreed that the SPONSOR will not be responsible for damage or loss to any property belonging to the PURCHASER, whether same is delivered to the property on or after closing of title herein. Not withstanding the above, the SPONSOR, may in its sole discretion, enter into an interim lease with the Purchaser under the terms set forth in the offering plan.

18. ACCEPTANCE OF DEED; FULL COMPLIANCE BY SPONSOR. Anything in the contrary herein contained notwithstanding, it is specifically understood and agreed by the parties hereto that the acceptance of the delivery of the deed at the time of closing of title hereunder shall constitute full compliance by the SPONSOR with the terms of this Agreement and none of the terms hereof, except as otherwise herein expressly provided shall survive the delivery and acceptance of the deed. This provision shall not discharge liability or terminate the continuing effect of representations made by Sponsor in the Offering Plan.

Purchaser shall accept title (without abatement in, or credit against, the Purchase Price or any provision for escrow deposits at the closing of title) notwithstanding the failure to complete construction of (a) minor details of the Unit or the Property, (b) other Units or (c) the Common Elements of the Property which do not prevent Purchaser's use of the Unit. Purchaser shall carefully inspect the Unit prior to the closing of title and shall execute at such time an inspection statement acknowledging Purchaser's acceptance of the Unit in good condition and in accordance with the terms of the Plan. However, if Purchaser finds that Sponsor's improvements have not been completed, although such improvements have been substantially completed, the Sponsor and Purchaser will agree to include on the inspection statement a list of incomplete work of a material nature to be completed in the Unit by Sponsor following closing of title. Sponsor shall have no obligation to complete any work to the Unit which is not specifically designated on the inspection statement by Purchaser, except for work necessary to cure violations and to obtain a temporary or permanent certificate of occupancy covering the Unit. Purchaser will receive two (2) business days notice that the Unit is available for inspection. If Purchaser fails to inspect the Unit within said two (2) day period, Purchaser shall be deemed to have accepted the Unit in good condition and in accordance with the terms of the Plan. Sponsor will be obligated to repair abnormal scratches in plastic laminate, vitreous china, natural stone, wood, porcelain and metallic surfaces by filling or refinishing the same, Sponsor will not be obligated to replace any such surfaces.

19. EXTRAS. Any extras ordered by PURCHASER shall be paid for in full at the time of selection. If for any reason the SPONSOR fails to install said extras in accordance with the work order, the limit of the SPONSOR liability is a refund of the amount of the charge.

Some specific Purchaser's responsibilities are set out in the performance standards of the Locally Accepted Building Practices, attached to and included in this Limited Warranty as Schedule A. The Purchaser is required to abide by all operating instructions provided by the Builder or by any manufacturer or supplier of component parts of the Home.

The Purchaser is required, prior to the time that the Builder has received notice of a claim, to use reasonable efforts to timely mitigate damages caused by a Defect. Except in the event of an actual emergency, the Purchaser's obligation to mitigate damages will not require the Purchaser to expend any monies to mitigate damages. The Builder will be required to reimburse the Purchaser for any monies reasonably expended by the Purchaser to mitigate damages in the event of an actual emergency.

NOTE: DAMAGE CAUSED OR MADE WORSE BY HOME OWNER NEGLIGENCE, IMPROPER MAINTENANCE, IMPROPER OPERATION, ILLEGAL USE OR THE PURCHASER'S FAILURE TO TIMELY MITIGATE DAMAGES IS EXPRESSLY EXCLUDED FROM COVERAGE UNDER THIS LIMITED WARRANTY.

Further responsibilities of the Purchaser are described in section 14 of this Limited Warranty, below.

13. WHAT THE BUILDER WILL DO. If a Defect occurs in an item covered by this Limited Warranty, the Builder will repair, replace or pay the Purchaser the reasonable fair market cost of repairing or replacing the defective item(s) within sixty (60) days after the Builder's inspection or testing discloses the problem, subject to Acts of God, weather conditions, availability of materials and other events and circumstances beyond the Builder's control. The choice among repair, replacement or payment is solely that of the Builder. In making any repairs or replacements, the Builder will have the sole right to select the method and materials to be used in performing such repairs or replacements.

In the case of a Defect that is identified in the Locally Accepted Building Practices, the Builder will respond according to the "Builder Correction" as described in the Locally Accepted Building Practices.

In no event will the Builder's total liability for deficiencies under this Limited Warranty exceed the Builder's Limit of Total Liability, shown on page 1. Any payments made by the Builder or the fair market cost of repairs and/or replacements made by the Builder will be applied to reduce the Builder's Limit of Total Liability set forth on page 1 of this Limited Warranty.

Repair, replacement or payment of reasonable cost for any Major Structural Defect is further limited to (i) the repair of damage to the load-bearing portions of the Home themselves which is necessary to restore their load-bearing function; and (2) the repair of those items of the Home damaged by the Major Structural Defect which made the Home unsafe, unsanitary or otherwise unlivable.

When the Builder finishes repairing or replacing the Defect or pays the reasonable cost of doing so, a full release of all legal obligations with respect to the Defect must be signed by the Purchaser and delivered to the Builder. In the event the Purchaser fails to execute a full release, the Builder will notify the Purchaser as to what action(s) it has taken with respect to the applicable Defect and thereafter the Builder will be deemed to have complied with all of its obligations under this Limited Warranty with respect to the applicable Defect.

If this Notice of Warranty Claim Form is not properly completed and received by the Builder by that deadline, the Builder will have no duty to respond to any complaint or demand, and any or all claims may be rejected. FAILURE TO COMPLETE AND DELIVER THE NOTICE OF WARRANTY CLAIM TO THE BUILDER VOIDS ANY CLAIMS UNDER THIS LIMITED WARRANTY.

(b) No steps taken by the Builder, Purchaser or any other person to inspect, test or correct defects will extend the period of warranty coverage or any other time period under this Limited Warranty. Steps taken by the Builder in response to an improperly completed or untimely Notice of Warranty Claim will not give rise to any liability of the Builder to the Purchaser and will not prejudice or otherwise affect any right of the Builder, including but not limited to the Builder's right to receive a timely and properly completed Notice of Warranty Claim.

(c) In response to a Notice of Warranty Claim, or any other complaint or request of the Purchaser, the Builder and the Builder's agents will have the right to inspect and test the portion of the Home to which the claim, complaint or request relates. The Purchaser and occupants of the Home must provide Reasonable Access to the Builder and the Builder's agents during normal business hours, Monday through Friday, to complete inspection, testing and repair or replacement.

"Reasonable Access" by the Purchaser for inspection, testing and completion of the work will (a) require the Purchaser or its representative to be physically present during any work period and (b) require the Purchaser and occupants of the Home to allow the Builder to inspect, test and complete the work and not obstruct the Builder in any way during the Builder's performance of its duties. In the event, after a work appointment has been set by the Builder and the Purchaser, the Purchaser (and/or occupants, as required) fails to provide Reasonable Access to the Builder, the Builder will have the right to assess the Purchaser a $50.00 service fee.

IN THE EVENT, AFTER A SECOND WORK APPOINTMENT HAS BEEN SET BY THE BUILDER AND THE PURCHASER, THE PURCHASER (AND/OR OCCUPANTS, AS REQUIRED) AGAIN FAILS TO PROVIDE REASONABLE ACCESS TO THE BUILDER, THE PURCHASER WILL BE ESTOPPED FROM ASSERTING ANY CLAIMS WITH RESPECT TO THE APPLICABLE DEFECT UNDER THIS LIMITED WARRANTY AND THE BUILDER WILL BE DEEMED TO HAVE COMPLIED WITH ALL OF ITS OBLIGATIONS UNDER THIS LIMITED WARRANTY WITH RESPECT TO THE APPLICABLE DEFECT.

(d) The Builder is not responsible for repairs performed by anyone other than the Builder or an authorized service representative of the Builder. The Builder will not reimburse the Purchaser for the costs of any unauthorized work or materials. The Builder will not repair or replace an item that has been repaired, altered or replaced by anyone other than the Builder or the Builder's authorized service representative. A LIST OF THE BUILDER'S AUTHORIZED SERVICE REPRESENTATIVES IS ATTACHED TO THIS LIMITED WARRANTY AS SCHEDULE C. USE OF UNAUTHORIZED SERVICE VOIDS ANY CLAIMS UNDER THIS LIMITED WARRANTY.

15. LEGAL ACTIONS.

(a) No claim or cause of action under this Limited Warranty may be commenced or asserted in any suit, action, or other legal proceeding against the Builder in any court or forum unless notice of the claim or cause of action has been received by the Builder in a timely and properly completed Notice of Warranty Claim Form as provided in paragraph 14 above.

SCHEDULE A

CONSTRUCTION QUALITY STANDARDS FOR ONE AND TWO YEAR WARRANTY COVERAGE

WORKMANSHIP/STSYEMS COVERAGE CONSTRUCTION QUALITY STANDARDS

The following Construction Quality Standards are standards that have been developed and accepted by the residential construction industry in general. While it is virtually impossible to develop a construction standard for each possible deficiency, the construction industry and the Builder have attempted to isolate the most common deficiencies that occur and in so doing, list the extent of the Builder's and Homebuyer(s) responsibility. Where a specific deficiency has not been isolated, the standard practice of the construction industry will apply.

Homebuyer(s) should be aware that all new homes go through a period of settlement and movement. During this period, the Home may experience some minor material shrinkage, cracking and other events which are unavoidable and considered normal. The homebuyer(s) should also be aware that he/she is responsible for proper home maintenance, such as maintaining builder set grades around the house. Damages caused by Homebuyers negligence, improper maintenance or changes, alterations or additions performed by anyone other than the Builder, his/her employees, or subcontractors are excluded from the warranty.

The following Construction Quality Standards are expressed in terms of required standards that the Builder's construction must meet. Non-compliance with these construction standards calls for corrective action by the Builder.

No standing or ponding of water should remain in this immediate area twenty-four (24) hours after a rain, except sales which may drain longer than other areas after a rain, or sump pump discharge. No grading determination shall be made while there is frost or snow on the ground, or while the ground is saturated.

TENTH: Amendment and Withdrawal. The property shall not be withdrawn from condominium ownership unless at least 90% of the Unit owners in number and common interest and the first mortgagees, if any, of each of these same units agree to such removal by duly recorded instruments. Such withdrawal of the property from condominium ownership shall not take effect until the withdrawal documents are duly recorded in the office of the clerk of the county of Richmond.

Except as provided pursuant to real Property Law section 339-p, the provisions of this Declaration may be modified or amended by an instrument executed by the Board of Managers upon a vote of 90% of the Unit owners in number and in common interest held at a duly called meeting of the unit owners provided, however, that:

(i) No amendment shall alter the percentage interest in the common elements appurtenant to any unit or alter any rights or obligations respecting portions of the Common Elements irrevocably restricted in use to the owners of any Units without the consent of the affected unit owners and the first mortgagees, if any, of the same units, which consents shall be expressed in the instruments of amendment.

(ii) No amendment shall add any parcel of land or Unit to or divest any parcel of land or unit from the Condominium property unless 100% of the unit owners in number and common interest and the first mortgagees, if any, of each of these same units agree to such change on the instrument or amendment.

(iii) No amendment shall be passed which shall impair or prejudice the rights and priorities of mortgagees.

There shall be a presumption for a period of 60 days subsequent to the recording of the amendment that the vote of the unit owners was made at a duly called meeting and that the requisite voting percentages were obtained. After the 60 day period, such presumption will be deemed conclusive. Any amendment to this Declaration shall not take effect until it is recorded in the Office of the Richmond County Clerk.

ELEVENTH: Subject to Declaration, By-Laws, etc. All present and future unit owners, tenants, future tenants, or any other person that might use the facilities of the Condominium in any manner are subject to the provisions of this Declaration, the By-Laws and Rules and regulations of the Condominium and the mere acquisition or rental of any of the Units or the mere act of occupancy of any of the said Units shall signify that the provisions of the Declaration, By-Laws and Rules and Regulations of the Condominium are accepted and ratified and all such provisions shall be deemed and taken to be covenants running with the land and shall bind any person having at any time any interest or estate in such Unit, as though such provisions were recited and stipulated at length in each and every deed, conveyance or lease thereof.

TWELFTH: Common Charges. All sums assessed as common charges by the Board of Managers of the Condominium but unpaid, together with interest at the maximum legal rate thereon, chargeable to any Unit owner shall constitute a lien on his Unit prior to all other liens except: (a) tax or assessment liens on the unit by the taxing subdivision of any governmental authority, including but not limited to State, City, County and School District taxing agencies; and (b) all sums unpaid on any first mortgage of record encumbering any unit. Such lien may be foreclosed, when past due in accordance with the laws of the State of New York, by the Condominium, in like manner as a mortgage on real property, and the Condominium shall also have the right to recover all costs incurred including reasonable attorneys fees (but such right shall not be a lien against the unit).

In the event the proceeds of the foreclosure sale are not sufficient to pay such unpaid common charges, the unpaid balance shall be charged to all Unit owners as a common expense. However, where the holder of an institutional mortgage of record, or other purchaser of a Unit at a foreclosure sale of an institutional mortgage, obtains title to the Unit as a result of foreclosure, or the institutional mortgage holder obtains title by conveyance in lieu of foreclosure, such acquirer of title, his successors or assigns, shall not be liable and the unit shall not be subject to a lien for the payment of common charges chargeable to such Unit which were assessed and became due prior to the acquisition of title to such Unit by such acquirer. In such event, the unpaid balance of common charges shall be charged to all other Unit owners as a common expense. The term "institutional

mortgage" herein shall mean a first mortgage granted by a federal or state savings and loan association, savings or commercial bank, life insurance company, pension fund, trust company, agency of the United States Government or of the City or State of New York or other similar institutional lender or a purchase money mortgage granted by the Sponsor.

Every unit owner shall pay the common charges assessed against him when due and no Unit owner may exempt himself from liability for the payment of common charges assessed against him by waiver of the use or enjoyment of any of the common elements or by the abandonment of his Unit. However, no unit owner shall be liable for the payment of any common charges accrued subsequent to a sale, transfer or other conveyance by him of such unit made in accordance with Section 339-x of the Real Property Law or in accordance with the provisions of this Declaration and the By-Laws.

THIRTEENTH: Units acquired by the Board. In the event any Unit owner shall convey his unit to the Board of Managers in accordance with Section 339-x of the Real Property Law or in the event the Board of Managers shall purchase any Unit in a foreclosure sale, title to such unit or the rights to the lease of such unit shall be held by the Board of Managers or its designee on behalf of the other Unit owners.

In order to carry out the provisions of this paragraph, each Unit owner shall, upon becoming such, grant an irrevocable power of attorney, coupled with an interest, to the Board of Managers and their successors to acquire title or lease any such unit under whatever terms the Board may in its sole discretion deem proper and sell, lease, sublease, mortgage, vote or otherwise deal with such Unit under such terms as the Board in its sole discretion shall deem proper.

FOURTEENTH: Encroachments. The unit owners agree that if any portion of a Unit or the common elements (whether restricted in use to an individual unit owner or not) encroaches upon another or shall hereinafter encroach upon another as a result of construction, a valid easement for the encroachment and the maintenance of the same, so long as it stands, shall and does exist. In the event the building is partially or totally destroyed as a result of fire or other casualty or a result of condemnation or eminent domain proceedings and are rebuilt, the unit owners agree that encroachments of any portion of the unit or the common elements as herein described due to construction, shall be permitted, and that a valid easement for said encroachment and the maintenance thereof shall exist so long as the Building or reconstructed building shall stand.

FIFTEENTH: Unit Ownership. Upon the closing of title to a Unit, a purchaser shall automatically become a Unit owner in the Condominium subject to the Declaration, By-Laws and other effective rules and regulations and shall remain such until such time as he ceases to own a Unit for any reason.

SIXTEENTH: Conveyance of a Unit. In any conveyance of a unit, either by voluntary instrument, operation of law or judicial proceeding in accordance with this Declaration or the By-Laws, the grantee of the unit shall be jointly and severally liable with the Grantor for any unpaid

common charges against the Grantor assessed and due up to the time of the grant or conveyance without prejudice to the Grantee's right to recover from the grantor the amount paid by the grantee therefore. Any such grantee shall be entitled to a statement from the Board of Managers setting forth the amount of unpaid common charges against the Grantor and such Grantee shall not be liable for, nor shall the unit conveyed be subject to a lien for any unpaid common charges against the Grantor in excess of the amount set forth in such statement. Grantee as used herein shall not include either the holder of an institutional mortgage of record or other purchaser of a unit at a foreclosure sale of an institutional mortgage.

SEVENTEENTH: Covenants and Restrictions. The use of the Unit by the Unit owner or other occupant shall be subject to the rules, regulations and provisions of this Declaration, the By-Laws and rules and regulations of the Board of Managers and the following covenants and restrictions:

(a) The unit and area restricted to the unit owner's use shall be maintained in good repair and overall appearance.

(b) No alterations to the exterior of the unit or any part of the common elements may be made without the written consent of the Board of Managers. No alterations to the inside of a unit which would impair the structural soundness of the Building may be made without the written consent of the Board of Managers. Consent may be requested by mailing a letter, certified mail, return receipt requested, to the Management Agency, if any, or to the President of the Board of Managers, if no Management Agent is employed. The Board of Managers shall have an obligation to answer within thirty days and failure to do so within the stipulated time shall mean that there is no objection to the proposed modification or alteration.

(c) Any Unit owner who mortgages or sells his unit shall notify the Board of Managers providing the name and address of his mortgagee or purchaser.

(d) The Board of Managers shall, at the request pf the mortgagee of the unit, report any unpaid common charges due from the Unit owner of such Unit.

(e) No nuisance shall be allowed upon the property nor shall any use or practice be allowed which is a source of annoyance to residents or which interferes with the peaceful possession and proper use of the property by its residents.

(f) No immoral, improper, offensive or unlawful use shall be made of the property nor of any part thereof and all valid laws, zoning ordinances and regulations of all governmental bodies having jurisdiction thereof shall be observed.

(g) Regulations promulgated by the Board of Managers concerning the use of the property shall be observed by the unit owners provided, however, that copies of such regulations are furnished to each unit owner prior to the time the said regulation becomes effective.

(h) The common charges shall be paid when due.

(i) The use for which the units are intended is residential occupancy, provided that, subject to all applicable governmental laws and regulations, any unit may be used as a professional office if the owner thereof resides therein.

EIGHTEENTH: Utilities. Gas and electricity consumed in or on the common elements and water covering the units and the common elements shall be paid for by the Board of Managers as an item of common expense, unless otherwise billed separately by the supplier. Each unit shall be individually metered for gas and electricity and the expense of such utilities consumed within the unit shall be paid for by the owner of the Unit.

The Sponsor, while in control of the Condominium, and the Board of Managers and the Unit owners thereafter shall maintain all internal sewers and drains at all times throughout the life of the Condominium. They shall be responsible for the abatement of any nuisance due to the use of the "internal drains" that would have an adverse effect on the health, safety and welfare of the City and State of New York.

The charges and assessments for maintenance and operation of internal drains, shall be a charge upon the land against which the same are made and shall be a continuing lien upon the property so charged and assessed, and in addition, that charge or assessment shall be a personal obligation of the record owner of the unit against which the same is made.

The Sponsor and/or the Board of Managers on behalf of the Condominium and each and every member thereof, shall utilize the "internal drains" in such a manner, that it will not in any way have an adverse effect on the City of New York's completed or pending sanitary and storm water drainage plans for the tributary drainage area of the separate sewer outlets.

NINTEENTH: General Provisions

A. Enforcement

The Condominium, or any owner, shall have the right to enforce, by any proceeding at law or in equity, all restrictions, conditions, covenants, reservations, liens and charges now or hereafter imposed by the provisions of this Declaration. Failure by the Condominium or by any owner to enforce any covenant or restriction herein contained shall in no event be deemed a waiver of the right to do so thereafter.

B. Severability

Invalidation of any one of these covenants or restrictions by judgment or court order shall in no manner affect the validity of any other provision, all of which shall remain in full force and effect.

C. Amendment

The covenants and restrictions of this Declaration shall run with and bind the land, for a term of twenty (20) years from the date this Declaration is recorded, after which time they shall be automatically extended for successive periods of ten (10) years. This Declaration may be amended during the first twenty (20) year period by an instrument signed by not less than one hundred percent (100%) in number and common interest of the Unit Owners, and thereafter by an instrument signed by not less than one hundred percent (100%) in number and common interest of the Unit Owners. Any amendment must be recorded.

Section 4. The office of the Condominium and of the Board of Managers shall be located at 110 Willowbrook Road, Staten Island, N.Y.

ARTICLE II

Voting

Section 1. The Condominium shall be limited to Unit owners. Unit Owners as referred to herein shall mean all of the deed owners of each Unit.

Section 2. Each Unit owner (including the Sponsor and the Board of Managers, if the Sponsor and Board of Managers shall own or hold title to one or more Units), shall be entitled to cast one vote at all Unit owners meetings for each unit owned by such unit owners, but the Board of Managers shall not cast any votes for the election of any member of the Board.

Section 3. Unit Owners who represent at least 75% of the common interest in the aggregate of all unit owners who are present in person or represented by written proxy shall constitute a quorum at all meetings of the Unit owners for the transaction of business, except as otherwise provided by Statute, by the Declaration, or by these By-Laws. If, however, such quorum is not present or represented at a called meeting of the Unit owners, the Unit owners present shall have the power to adjourn the meeting without notice other than an announcement at the meeting, until a quorum shall be present or represented. At such adjourned meeting at which a quorum shall be present or represented, any business may be transacted which might have been transacted at the meeting originally called.

Section 4. When a quorum is present at any meeting, the vote of a majority of the Unit owners present in person or represented by written proxy shall decide any question brought before such meeting. Such vote shall be binding upon all Unit owners, unless the question is one upon which, by express provisions of the Declaration, Statute, or of these By-Laws, a different vote is required, in which case such express provisions shall govern and control the decision of such question.

Section 5. At any meeting of unit owners, every Unit owner having the right to vote shall be entitled to vote in person or by proxy. Such proxy shall only be valid for such meeting or subsequent adjourned meetings thereof.

Section 6. All proxies shall be in writing and shall be filed with the Secretary prior to the meeting at which such proxies are to be used. A notion of such proxies shall be made in the minutes of the meeting.

Section 7. Whenever the vote of Unit owners at a meeting is required or permitted by any provision of the Declaration, Statutes, or of these By-Laws to be taken in connection with any action of the Condominium, the meeting and vote of the unit owners may be dispensed with if all Unit owners who would have been entitled to vote upon the action if such meeting were held, shall consent in writing to such action being taken.

Section 8. Meetings shall be held at such suitable place convenient to the Unit owners as may be designated by the Board of Managers.

Section 9. Within thirty (30) days after the earlier of (i) two (2) years after the closing of the first unit, or (ii) whenever the unsold units constitute less than fifty percent (50%) of the common interest, the Sponsor shall call the first annual Unit Owners meeting. At such meeting a new Board of three Managers shall be elected by the unit owners and the former members of the Board shall thereupon resign. Thereafter, annual meetings shall be held on the anniversary of such date each succeeding year. At such meetings there shall be elected by ballot of the Unit owners a Board of Managers in accordance with these By-laws. The unit owners may transact such other business of the Condominium as may properly come before them.

ARTICLE III
Board of Managers

Section 1. The affairs of the Condominium shall be governed by a Board of Managers. Until the first meeting of unit owners pursuant to Section 9 of Article II, the Board of Managers shall consist of one person designated by the Sponsor of the Condominium.

After the first meeting of the Unit owners, the Board of Managers shall consist of two people elected by all Unit owners (including the Sponsor), but the Sponsor's right to elect members of the Board shall be subject to the limitations set forth in Section 1(c) of Article V of these By-Laws. The Board of Managers shall be owners-occupants or members of an owner-occupants household who are unrelated to the sponsor and its principals, or mortgagees of units, or, in the case of partnership owners or mortgagees, shall be members or employees of such partnership, or in the case of corporate owners or mortgagees, shall be officers, directors, stockholders or employees of such corporations, or in the case of fiduciary owners or mortgagees shall be the fiduciaries or officers or employees of such fiduciaries, or in the case of the Sponsor, shall be designees of the Sponsor.

Section 2. Vacancy and Replacement. If the office of any Manager becomes vacant by reason of death, resignation, retirement, disqualification, removal from office or otherwise, a majority of the remaining Managers though less than a quorum, at a special meeting of Managers duly called for this purpose, shall choose a successor, who shall hold office for the unexpired term in respect of which such vacancy occurred and until his successor is duly elected and qualified. If the vacancy occurs with respect to any member of the Board of Managers who has been designated by the Sponsor, the Sponsor shall have the sole right to choose such Manager's successor to fill the unexpired portion of his term. If such appointee vacates during a period of time in which the sponsor does not have the right to appoint a member, the sponsor will not have the right to appoint a replacement.

Section 3. Removal. Managers may be removed for cause by an affirmative vote of a majority of the Unit Owners. No Manager other than a designee of the Sponsor, shall continue to serve on the Board if, during his term of office, he shall cease to be either a Unit Owner, or a lessee or occupant entitled to the access of the Common Elements in lieu of the Unit Owner renting or permitting him to occupy the unit in which he resides.

Section 4. Powers.

(a) The property and business of the Condominium shall be managed by its Board of Managers, which may exercise all such powers of the Condominium and do all such lawful acts and things as are not by Statute, Declaration, Certificate of Incorporation or by these By-Laws, directed or required to be exercised or done by the Unit Owners personally. These powers shall specifically include, but shall not be limited to the following:

1. To determine and levy monthly assessments (Common Charges) to cover the cost of operating and maintaining the Common Elements, and providing repairs and maintenance, payable in advance. The Board of Managers may increase the monthly assessments or vote a special assessment in excess of that amount, if required, to meet any additional necessary expenses. Said increase can only be assessed among the unit owners pro rata to their respective common interest.

2. To collect, use and expend the assessments collected to maintain and care for and preserve the Units, building and other common elements.

3. To enter into and upon the Units when necessary and at as little inconvenience to the Unit owners as possible in connection with the maintenance, care and preservation of the property.

4. To make repairs, restore or alter any Units or the common elements after damage or destruction by a casualty or as a result of condemnation or eminent domain proceedings.

5. To open bank accounts on behalf of the Condominium and to designate the signatories to such bank accounts.

6. To insure and keep insured the Common Elements in accordance with Article XII of these By-laws.

7. To collect delinquent assessments by suit or otherwise, to abate nuisances and to enjoin or seek damages from unit owners for violations of the house rules or rules and regulations herein referred to.

8. To make reasonable rules and regulations and to amend the same from time to time. Such rules and regulations and amendments thereto shall be binding upon the unit owners when the Board has approved them in writing and delivered a copy of such rules and all amendments to each unit owner. Such rules and regulations may, without limiting the foregoing, include reasonable limitations on access to the Common Elements.

9. To employ workmen and purchase supplies and equipment, to enter into contracts, and generally to have the powers of Managers in connection with the matters hereinabove set forth.

10. To bring and defend actions by or against more than one unit owner and pertinent to the operation of the Condominium. The Board may, in its discretion, fund the cost of any such litigation out of the common charge assessments. The Board shall also have the right to engage in any litigation it deems necessary to carry out the provisions of the Declaration of the Condominium and these By-Laws and may fund the cost of such litigation out of the common charge assessments. Without limiting the foregoing, the Board may engage in litigation pertaining to the maintenance and operation of the common elements.

11. To purchase any Unit at a foreclosure sale on behalf of all Unit owners.

12. To acquire Units in foreclosure or as a result of abandonment and to take any and all steps necessary to repair or renovate any unit so acquired and to vote as unit owner, offer such unit for sale or lease or take any other steps regarding such Unit as shall be deemed proper by the Board of Managers.

13. To grant utility or other easements as may, at any time, be required for the benefit of the Condominium and unit owners without the necessity of consent thereto, or joinder therein, by the unit owners or any mortgagee.

14. To act as an agent of each unit owner who has given his written authorization to complain or apply to the local and county real estate assessment agency board of review by filing a single complaint on behalf of all such unit owners pursuant to the applicable sections of the Real Property Tax Law. The Board of Managers may retain legal counsel on behalf of all unit owners for which it is acting as agent and charge all such unit owners a pro rata share of expenses, disbursements, and legal fees for which charges the Board of Managers shall have a lien pursuant to these By-Laws.

15. Real estate taxes will be included in the common charges and paid by the board on behalf of the condominium until the units are separately assessed.

16. Although the board of managers has sole authority to enforce the rights of the condominium there is one exception. When it is sixty (60) days before the expiration of the statute of limitations or the board has not enforced such rights after reasonable notice and opportunity, the unit owners are empowered to enforce such rights on behalf of the condominium.

(b) The Board of Managers may, by resolution or resolutions, passed by a majority of the whole Board, designate one or more committees, each of such committees to consist of at least three (3) Managers or unit owners one of whom shall be a Manager, which to the extent provided in said resolution or resolutions, shall have and may exercise the powers of the Board of Managers in the management of the business and affairs of the Condominium and may have power to sign all papers which may be required, provided the said resolution or resolutions shall specifically so provide. Such committee or committees shall have such name or names as may be determined from time to time by resolution adopted by the Board of Managers. Committees established by resolution of the Board of Managers shall keep regular minutes of their proceedings and shall report the same to the Board as required.

(c) Notwithstanding anything to the contrary contained in these By-Laws, for two years after the filing of the Condominium Declaration so long as the Sponsor or its designee shall continue to own units representing 5% or more in common interest, the Board of Managers may not, without the Sponsor's prior written consent (i) make any addition, alteration or improvements to the common elements or to any units, (ii) assess any common charge for the creation of, or addition to or replacement of all or part of a reserve for contingencies provided in the estimate of receipts and expenses for the first year of operation set forth in Schedule B of the Plan of Condominium

Ownership or (iii) hire any employee in addition to the employees referred to in the Plan of Condominium Ownership or (iv) enter into any service or maintenance contract for work not covered by contracts in existence on the date of the first closing of title to a unit or (v) borrow money on behalf of the Condominium.

(d) During any period that the Sponsor controls the board, the board of managers may not enforce (as a result of sponsor's control thereof) the obligations of the sponsor under the Plan or as otherwise required by law. During the period that the Sponsor controls the board, the Sponsor agrees that it will enforce such obligations pursuant to a resolution passed by a majority of the unit owners excluding the sponsor at a special meeting called for such purpose.

Section 5. Compensation. Managers and officers, as such shall receive no compensation for their services.

Section 6. Repairs and Maintenance. All maintenance, repairs and replacement to the common elements of the Condominium including but not limited to exterior walls, roof and roof members as well as all maintenance, repairs and replacement to any pipes, wires, conduits, cables and public utility lines, any portion of which is located in one unit and services another unit or more then one unit or so much of any pipes, wires, cables, conduits and public utility lines as are located in the common elements but service one or more units shall be made by the Board of Managers and the cost thereof shall be a common expense. The Board of Managers shall repair all plumbing stoppages and electrical problems occurring in the common elements.

Except as is otherwise specifically provided, all maintenance to the units, including electrical repairs, plumbing stoppages, window cleaning, painting and decorating in the units, and repairs and replacements to the units including windows and doors (including all glass breakage), and repairs to pipes, wires, cables and conduits located in and servicing the same unit, other than as set forth above, shall be made by the respective unit owners at their own expense.

All irrevocably restricted common elements shall be maintained and repaired by the Unit owner to whom such common element is restricted in use. However, the Board of Managers shall repair or replace any pipes, wires, conduits, cables and public utility lines located underground or overhead any irrevocably restricted common element, except where such repair or replacement is necessitated because of the negligence or misuse or neglect of the unit owner to which the common element is restricted in use, in which event such cost and expense shall be assessed to and paid for by such unit owner. Due to the location and nature of the limited common element parking spaces, these parking spaces shall be maintained by the Condominium not the individual owners.

The Board of Managers and its agents, employees, and contractors shall have a right of access to any unit and to all portions of the common elements for the purpose of carrying out any of its obligations under these By-Laws or the Declaration of the Condominium. All repairs, painting or maintenance, whether made by the unit owner or by the Board of Managers to the doors, windows, or

the exterior surface of the building, including the roof, or to any generally visible portion of the common elements shall be carried out in such manner as to conform to the materials, style and color initially provided by the Sponsor.

In the event that a Unit owner fails to perform any maintenance, painting or repair, which maintenance, painting or repair is necessary to protect any of the common element, any other unit, or, in the event of service of a Building Department violation notice covering the unit upon the Board of Managers, the Board of Managers shall have the right to perform such maintenance, painting or repairs (after failure of the unit owner to do so after ten (10) days written notice, or written or oral notice of a shorter duration in the event of an emergency situation) and to charge the unit owner for the cost of all such repairs, painting and/or maintenance. In the event that the Board of Managers charges a unit owner for the painting or maintenance to any common element restricted in use to such unit owner, and the unit owner fails to make prompt payment, such charges shall be considered as additional common charges due from said unit owner, and the Board of Managers shall be entitled to bring suit thereon. In the event the Board brings such a suit, the unit owner shall be liable for the reasonable attorney's fees and costs of such suit or proceeding together with interest on all sums.

Section 7. Meeting of Board of Managers

(a) The first meeting of each Board newly elected by the Unit owners shall be held immediately following the adjournment of the meeting at which they are elected, providing a quorum shall then be present or as soon thereafter as may be practicable. The annual meeting of the Board of Managers shall be held at the same place as the unit owners meetings, and immediately after the adjournment of such meeting, at which time the dates, places and times of regularly scheduled meetings of the Board shall be set.

(b) Regularly scheduled meetings of the Board may be held without special notice.

(c) Special meetings of the Board may be called by the President on two (2) days notice to each Member either personally or by telephone, mail or telegram. Special meetings shall be called by the President or Secretary in a like manner and on like notice on the written request of at least three (3) Managers.

(d) At all such meetings of the Board, a majority of the Managers shall be necessary and sufficient to constitute a quorum for the transaction of business, and an act of the majority of the Managers present at any meeting at which there is a quorum shall be the act of the Board of Managers, except as may be otherwise specifically provided by statute or by the Declaration or these By-Laws. If a quorum is not present at any meeting of Managers, the Managers present thereat may adjourn the meeting from time to time, without notice other than announcement at the meeting, until a quorum shall be present.

(e) Before, or at any meeting of the Board of Managers, any Manager may, in writing, waive notice of such meeting and such waiver shall be deemed equivalent to the giving of such notice.

Attendance by a Manager at any meeting of the Board shall be a waiver of notice by him of the time and place thereof. If all Managers are present at any meeting of the Board, no notice shall be required, and any business may be transacted at such meeting.

(f) Managers or members of any committee of the Board of Managers may participate in a meeting by means of conference telephone or similar communications equipment by means of which all persons participating in the meeting can hear each other.

Section 8. Annual Statement. The Board of Managers shall furnish to all unit owners, their mortgagees and the Department of Law of the State of New York and shall present annually (at the annual meeting) and when called for by a vote of the unit owners at any special meeting of the unit owners, a full and clear statement of the business conditions and affairs of the Condominium, including a balance sheet and profit and loss statement verified by an independent public accountant and a statement regarding any taxable income attributable to the unit owners and a notice of the holding of the annual meeting of Unit owners.

Section 9. Fidelity Bonds. The Board of Managers may require that all officers and employees of the Condominium handling or responsible for Condominium funds shall furnish adequate fidelity bonds. The premiums on such bonds shall be a common expense of the Condominium.

Section 10. Management Agent. The Board of Managers may employ for the Condominium a management agent under a term contract or otherwise at a compensation established by the Board, to perform such duties and services as the Board shall authorize, including, but not limited to all of the duties of the Board listed in this Article.

Section 11. The members of the Board of Managers shall not be liable to the unit owners for any mistake of judgment, negligence, or otherwise, except for their own individual willful misconduct or bad faith. The unit owners shall indemnify and hold harmless each of the members of the Board of Managers against all contractual liability to others arising out of contracts made by the Board of Managers on behalf of the Condominium unless such contract shall have been made in bad faith or contrary to the provisions of the Declaration or of these By-Laws.

It is intended that the members of the Board of Managers shall have no personal liability with respect to any contract made by them on behalf of the Condominium. It is also intended that the liability of any unit owner arising out of any contract made by the Board of Managers or out of the aforesaid indemnity in favor of the members of the Board of Managers shall be limited to such proportion of the total liability there under as his interest in the common elements bears to the interests of all unit owners in the common elements. Every agreement made by the Board of Managers or by the Managing agent or by the Manager on behalf of the Condominium shall provide that the members of the Board of Managers, or the managing agent, or the manager, as the case may be, are acting only as agents for the Unit Owners and shall have no personal liability there under (except as unit owners), and that each unit owner's liability there under shall be limited to such proportion of the total liability there under as his interest in the common elements bears to the

interest of all unit owners in the common elements. The indemnification liability of the unit owner shall be several and not join and several.

ARTICLE IV OFFICERS

Section 1. Elective Officers. The officers of the Condominium shall be chosen by the Board of Managers and shall be a President, a Vice President, a Secretary and a Treasurer. The Board of Managers may also choose one or more Assistant Secretaries and Assistant Treasurers and such other officers as in their judgment may be necessary. All officers must be either members of the Board of Managers or Unit Owners. Two or more offices may not be held by the same person.

Section 2. Election. The Board of Managers, at its first meeting after each annual meeting of Unit owners, shall elect a President, a Vice President, a Secretary and a Treasurer. Only the President must be a member of the Board.

Section 3. Appointive Offices. The Board may appoint such other officers and agents as it shall deem necessary, who shall hold their offices for such terms and shall exercise such powers and perform such duties as shall be determined from time to time by the Board.

ARTICLE VI NOTICES

Section 1. Definition. Whenever under the provisions of the Declaration or of these By-Laws, notice is required to be given to the Board of Managers or to any Manager or Unit Owners, it shall not be construed to mean personal notice; but such notice may be given in writing, by mail, by depositing the same in a post office or letterbox in a postpaid sealed wrapper, addressed to the

Board of Managers, such Manager or owner at such address as appears on the books of the Condominium.

Section 2. Service of Notice-Waiver. Whenever any notice is required to be given under the provisions of the Declaration, or of these By-Laws, a waiver thereof, in writing, signed by the person or persons entitled to such notice, whether before or after the time stated therein, shall be deemed the equivalent thereof.

ARTICLE VII OPERATION OF THE PROPERTY

Section 1. The Board of Managers shall from time to time, and at least annually, prepare a budget for the Condominium, determine the amount of common charges payable by the unit owners to meet the common expenses of the Condominium, and allocate and assess such common charges and expenses among the unit owners according to their respective common interests. The common expenses shall include, among other things, the cost of all insurance premiums on all policies of insurance required to be or which have been obtained by the Board of Managers pursuant to the provisions of these By-Laws.

The common expenses also include such amounts as the Board of Managers may deem proper of the operation and maintenance of the property, including, without limitation, an amount for working capital of the Condominium, for a general operating reserve, for a reserve fund for replacements, and to make up any deficit in the common expenses for any prior year. The common expenses may also include such amounts as may be required for the purchase or lease by the Board of Managers or its designee, corporate or otherwise, on behalf of all unit owners, of any unit whose owner has elected to sell or lease such unit or of any unit which is to be sold at a foreclosure or other judicial sale.

A separate fund for future capital repairs and improvements shall be established. It will be funded yearly at 10% of the budget for that year. These funds shall be maintained in an account separate and apart from the yearly expenses. These funds shall not be used for normal yearly repair and maintenance.

The Board of Managers shall advise all unit owners, promptly, in writing, of the amount of common charges and expenses payable by each of them, respectively, as determined by the Board of Managers, as aforesaid, and shall furnish copies of such budget on which the common charges and expenses are based, to all unit owners. Until the Sponsor has conveyed title to all the units to purchasers, the Board of Managers can reduce the amount of common charges allocated to the units and payable by unit owners (including the Sponsor or its designee as owners of any unsold units) provided that so long as the Sponsor or its designee controls the Board of Managers the common charges will not be reduced below the amount necessary to operate the Property with the services to be provided as set forth in the Plan of Condominium Ownership.

Section 2. The Board of Managers shall be required to obtain and maintain, to the extent obtainable, the following insurance: (i) fire insurance with extended coverage, vandalism and malicious mischief endorsements, insuring the building (including all of the units and the bathroom and kitchen fixtures installed therein on the date of recordation of the Declaration, partitions, flooring and ceilings within the units, but not including furniture, furnishings or other personal property provided or installed by unit owners), together with all service machinery contained therein and covering the interests of the Condominium, the Board of Managers and all unit owners and their mortgagees, as their interest may appear, in an amount equal to the full replacement value of the Building (exclusive of excavation and foundations), without deduction for depreciation; each of said policies shall contain a New York Standard mortgagees clause in favor of each mortgagee of a unit which shall provide that the loss, if any, there under shall be payable to such mortgagee as its interest may appear, subject, however, to the loss payment provisions in favor of the Board of Managers and the Insurance Trustee hereinafter set forth; (ii) public liability insurance; (iii) water damage legal liability insurance; (iv) rent insurance in an amount equal to the aggregate common charges and expenses payable to the Board of Managers; and (v) such other insurance as the Board of Managers may determine.

All policies of physical damage insurance shall contain waivers of subrogation and waivers of any defense based upon co-insurance or a pro-rata reduction of liability or of invalidity arising from any acts of the insured, and shall provide that such policies may not be cancelled or substantially modified without at least ten (10) days prior written notice to all of the insured, including all mortgagees of units.

Duplicate originals of all policies of physical damage insurance and of all renewals thereof, together with proof of payment of premiums, shall be delivered to all mortgagees of Units at least ten (10) days prior to the expiration of the then current policies. Prior to obtaining any policy of fire insurance or any renewal thereof, the Board of Managers shall obtain an appraisal from a fire insurance company or otherwise of the full replacement value of the Building, including all of the units and all of the common elements therein, without deduction for depreciation, for the purpose of determining the amount of fire insurance to be effected pursuant to this section.

The Board of Managers shall also be required to obtain and maintain, to the extent obtainable, public liability insurance in such limits as the Board of Managers may from time to time determine, covering each member of the Board of Managers, the managing agent, the manager, and each unit owner. Such public liability coverage shall also cover cross liability claims of one insured against another. The Board of Managers shall review such limits once each year.

While the sponsor controls the board of managers, the insurance coverage cannot be less that what is required by Part 20 of Title 13 NYCRR

Unit owners shall not be prohibited from carrying other insurance for their own benefit provided that all such policies shall contain waivers of subrogation and further provided that the liability of the carriers issuing insurance obtained by the Board of Managers shall not be affected or

diminished by reason of any additional insurance carried by any unit owner.

Section 3. In event of damage to or destruction of the Building as a result of fire or other casualty (unless such damage or destruction shall give a unit owner or lienor a right of partition as provided by Article 9-B of the Real Property Law of the State of New York), the Board of Managers shall arrange for the prompt repair and restoration of the building (including any damaged units, and any kitchen or bathroom fixtures installed therein on the date of the recording of the Declaration, partitions, flooring and ceilings within the units but not including any wall ceiling, or floor decorations or coverings or other furniture, furnishings fixtures or equipment installed by unit owners in the units), and the Board of Managers shall disburse the proceeds of all insurance policies to the contractors engaged in such repair and restoration in appropriate progress payments. Any cost of such repair and restoration in excess of the insurance proceeds shall constitute a common expense and the Board of Managers may assess all the unit owners for such deficit as part of the common charges.

If, as a result of the damage to or destruction of the Building, by fire or other casualty, the Property becomes subject to an action for partition at the suit of any unit owner or lienor as if owned in common, in accordance with the provisions of Article 9-B of the Real Property Law of the State of New York, the property will not be repaired and the net proceeds of sale, together with the net proceeds of insurance policies (or if there shall have been a repair or restoration pursuant to the first paragraph of this Section 3, and the amount of insurance proceeds shall have exceeded the cost of such repair or restoration, then the excess of such insurance proceeds) shall be divided by the Board of Managers among all the unit owners in proportion to their respective common interests, after first paying out of the share of each unit owner the amount of unpaid liens on his unit, in the order of the priority of such liens.

Section 4. All unit owners shall be obligated to pay the common charges assessed by the Board of Managers pursuant to the provisions of this Article at such time or times as the Board of Managers shall determine.

No unit owner shall be liable for the payment of any part of the common charges assessed against his unit subsequent to a sale, transfer or other conveyance by him (made in accordance with the provisions of Article IX of these By-Laws) of such unit, together with the appurtenant interests.

In addition, any unit owner may, subject to the terms and conditions specified by these By-Laws, provided that his unit is free and clear of liens and encumbrances other than a permissible mortgage and the statutory lien for unpaid common charges, convey his unit, together with the appurtenant interests to the Board of Managers, or its designee, corporate or otherwise, on behalf of all other unit owners, and in such event be exempt from common charges thereafter assessed.

A purchaser of a unit shall be liable for the payment of common charges assessed against such unit prior to the acquisition by him of such unit, except that a mortgagee or other purchaser of a unit at a foreclosure sale of such unit shall not be liable for and such unit shall not be subject to a lien for the payment of common charges assessed prior to the foreclosure sale.

Section 5. The Board of Managers shall assess common charges against the unit owners from time to time and at least annually and shall take prompt action to collect any common charges due from any unit owner which remains unpaid for more than 30 days from the due date for payment thereof.

Section 6. In the event of default by any unit owner in paying to the Board of Managers the common charges as determined by the Board of Managers, such unit owner shall be obligated to pay interest at the legal maximum rate on such common charges from the due date thereof, together with all expenses, including attorney's fees, incurred by the Board of Managers in any proceeding brought to collect such unpaid common charges. The Board of Managers shall have the right and duty to attempt to recover such common charges, together with interest thereon, and the expenses of the proceeding, including attorney's fees, in an action to recover the same brought against such unit owner, or by foreclosure of the lien on such unit granted by section 339-z of the Real Property Law of the State of New York, in the manner provided in Section 339-aa thereof.

The Sponsor will cause the Board of Managers to file a lien as provided in Section 339-aa of the Real Property Law on the Units in which the Sponsor is more than 30 days in arrears of common charges while it is in control of the Board of Managers.

Section 7. In any action brought by the Board of Managers to foreclose a lien on a unit because of unpaid common charges, the unit owner shall be required to pay a reasonable rental for the use of his unit and the plaintiff in such foreclosure action shall be entitled to the appointment of a receiver to collect the same. The Board of Managers, acting on behalf of all unit owners, shall have the power to purchase such unit at the foreclosure sale and to acquire, hold, lease, mortgage, vote the votes appurtenant to (except that such votes shall not be cast by the Board of Managers for the election of any members of the Board of Managers), convey or otherwise deal with the same. A suit to recover a money judgment for unpaid common charges shall be maintained without foreclosing or waiving the lien securing the same.

Section 8. The Board of Managers shall promptly provide any unit owner so requesting the same in writing, with a written statement of all unpaid common charges due from such unit owner.

Section 9. The violation of any rule or regulation adopted by the Board of Managers, or the breach of any By-Laws contained herein, or the breach of any provision of the Declaration, shall give the Board of Managers the right, in addition to any other rights set forth in these By-Laws: (a) to enter the unit in which, or as to which, such violation or breach exists and to summarily abate and remove, at the expense of the defaulting unit owner, any structure, thing or condition that may exist therein contrary to the intent and meaning of the provisions hereof, and the Board of Managers shall not thereby be deemed guilty in any manner of trespass; or (b) to enjoin, abate or remedy by appropriate legal proceedings, either at law or in equity, the continuance of any such breach.

Section 10. All maintenance of and repairs to any unit, structural or non-structural, ordinary or extraordinary, (other than maintenance of and repairs to any common elements contained therein, and not necessitated by the negligence, misuse or neglect of the owner of such unit) shall be made by the owner of such unit. Each unit owner shall be responsible for all damages to any and all other units and/or to the common elements, that his failure to maintain or repair may engender.

All maintenance, repairs and replacements to the common elements, whether located inside or outside of the units, shall be charged directly to the unit owners, except as the Board of Managers shall otherwise determine.

Section 11. All maintenance, repairs and replacements to the air conditioning system, the heating system and the hot water heater servicing a unit shall be made by the unit owner at the unit owner's expense.

Section 12. In order to provide for congenial occupancy of the Property and for the protection of the values of the units, the use of the property shall be restricted to and shall be in accordance with the following provisions:

(a) The Units shall be used by Unit owners (other than the Sponsor) for residences only and in compliance with the occupancy restrictions imposed and as amended from time to time. While the Sponsor or its designee owns a unit, it shall have the right to use such unit for general and sales office purposes and as a sales model. Except upon the prior written consent of the Board of Managers, occupants of a unit must be members of the family of the unit owner or lessee (or if the unit owner is a partnership, a corporation or a trust, members of the family of a partner or of an officer, director, shareholder or employee of the corporation or of the beneficiary of the trust, as the case may be), but not more than one family my occupy a unit at one time. "Members of the family" as used herein shall be deemed to mean spouse, parents, parents-in-law, brothers, sisters, children and grandchildren.

(b) No nuisances shall be allowed on the Property nor shall any use or practice be allowed which unreasonably interferes with the peaceful possession or proper use of the Property by its residents or occupants.

(c) No immoral, improper, offensive, or unlawful use shall be made of the Property or any part thereof, and all valid laws, zoning ordinances and regulations of all governmental bodies having jurisdiction thereof shall be observed. Violations of laws, orders, rules, regulations or requirements of any governmental agency having jurisdiction thereof, relating to any portion of the Property, shall be complied with, by and at the sole expense of the unit owners or the Board of Managers, whichever shall have the obligation to maintain or repair such portion of the property.

(d) No portion of a Unit (other than the entire unit) may be rented, and no transient tenants may be accommodated therein.

(e) Rules and regulations concerning the use of the units may be promulgated and amended from time to time by the Board of Managers provided that copies of such rules and regulations are furnished to each unit owner no less than 5 days prior to the time that they become effective.

Section 13. Whenever, in the judgment of the Board of Managers the common elements shall require additions, alterations or improvements costing in excess of $1,000. And the making of such additions, alterations or improvements shall have been approved by 66 2/3% of the unit owners present in person and/or by proxy and voting at a meeting duly held in accordance with these By-Laws, and by the representative or representatives, if any, appointed pursuant to Section 5 of Article VIII hereof by the holders of mortgages constituting first liens upon units, the Board of Managers shall proceed with such additions, alterations or improvements and shall assess all unit owners for the cost thereof as a common charge. Any additions, alterations or improvements costing $1,000 or less may be made by the Board of Managers without approval of the unit owners, or the representative or representatives, if any, of mortgagees of units and the cost thereof shall constitute part of the common expenses.

Section 14. No unit owner shall make any structural addition, alteration or improvement in or to his unit and/or his limited common element (terrace, balcony, parking space), without the prior written consent thereto of the Board of Managers. The Board of Managers shall have the obligation to answer any written request by a unit owner for approval of a proposed structural addition, alteration or improvement in such unit owner's unit, within thirty (30) days after such request, and failure to do so within the stipulated time shall constitute a consent by the Board of Managers to the proposed addition, alteration or improvement. Any application to any governmental authority having or asserting jurisdiction for a permit to make an addition, alteration or improvement in or to any unit shall be executed by the Board of Managers only, without, however, incurring any liability on the part of the Board of Managers or any of them to any contractor, subcontractor, material man, architect or engineer on account of such addition, alteration or improvement, or to any person having any claim for injury to person or damage to property arising there from. The provisions of this section 14 shall not apply to a unit owned by the Sponsor or its designee until a deed to such unit has been delivered to a purchaser thereof.

The Board of Managers will execute any application or other document required to be filed with any governmental authority having or asserting jurisdiction in connection with any such installation or structural addition, alteration or improvement made by the Sponsor or its designee to any unit provided, however, that neither the Board of Managers nor the unit owners other than the Sponsor or its designee shall be subjected to any expense or liability by virtue of the execution of the application or such other document.

Section 15. (a) A unit owner shall not place or cause to be placed in the common areas or common facilities, other than the areas designated as storage areas, any furniture, packages or objects of any kind.

(b) The common elements and facilities shall be used only for those purposes for which they

are reasonably suited and capable. No unit owner shall make any addition, alteration, improvement or change in or to any common element without the prior written consent of the Board of Managers.

(c) While the Sponsor or its designee owns any unit, it shall have the right to maintain general and sales offices on or about the Property, to have its employees present on the Property, to use the common elements and to do all things necessary and appropriate to sell units, to complete construction of the Building and to comply with its obligations under the Plan of Condominium Ownership, including but without being limited to, the right to erect and maintain signs on the common elements. Sponsor shall be obligated to repair and maintain the portions of the Property used by it for such purposes so long as such use by the Sponsor shall continue.

Section 16. A unit owner shall grant a right of access to his unit to the manager and/or the managing agent and/or any other person authorized by the Board of Managers, the manager of the managing agent, for the purpose of making inspections or for the purpose of correcting any condition originating in his unit and threatening another unit or the common element, or for the purpose of performing installations, alterations or repairs to the mechanical or electrical services or other common elements in his unit or elsewhere in the Building, or to correct any condition which violates the provisions of any mortgage covering another unit, providing that requests for entry are made in advance and that any such entry is at a time reasonably convenient to the unit owner and further provided that such right shall be exercised in such manner as will no unreasonable interfere with the use of the units for residential purposes. In case of an emergency, such right of entry shall be immediate, whether the unit owner is present at the time or not.

Section 17. Rules and regulations concerning the use of the units and the common elements may be promulgated and amended by the Board of Managers. Copies of such rules and regulations shall be furnished by the Board of Managers to each unit owner prior to the time when the same shall become effective. Initial rules and regulations, which shall be effective until amended by the Board of Managers, are annexed hereto and made a part hereof as Schedule A.

Section 18. Electricity shall be supplied by the public utility company serving the area directly to each unit through a separate meter and each unit owner shall be required to pay the bills for electricity consumed or used in his unit directly to the utility company. The cost of electricity for the public spaces outside the units, including but not limited to the hallways and walkways, as measured by one or more building meters, will be borne by the unit owners and will be included in the common charges.

Section 19. The condominium offering plan allows the sponsors and purchasers to rent the units. Therefore, there might be a number of Unit owners who do not occupy their dwelling units. The provisions of Real Property Law Section 339-kk applies in such circumstances.

ARTICLE VIII MORTGAGES

Section 1. A unit owner who mortgages his unit shall notify the Board of Managers of the name and address of his mortgagee and shall file a conformed copy of the note and mortgage with the Board of Managers. The Board of Managers shall maintain such information in a book entitled "Mortgages of Units".

Section 2. The Board of Managers, whenever so requested in writing by a mortgagee of a unit, shall promptly report any unpaid common charges due from, or any other default by, the owner of the mortgaged Unit.

Section 3. The Board of Managers, when giving notice to a unit owner of a default in paying common charges or other default, shall send a copy of such notice to each holder of a mortgage covering such unit whose name and address has theretofore been furnished to the Board of Managers.

Section 4. Each unit owner and each mortgagee of a unit shall be permitted to examine the books of account of the condominium at reasonable times, on business days, but not more than once a month.

Section 5. The holders of mortgages constituting first liens on the units may, at their election, appoint one or more (but not more than three) representatives who shall be empowered to act on behalf of all mortgagees (first or subordinate) with respect to any matter requiring the consent or approval of mortgagees under the Declaration or these By-Laws. If such representative or representatives are appointed and written notice thereof given to the Board of Managers the act of such representative or representatives shall be deemed binding upon the holders of all mortgages which are liens on units. If no such representative shall be appointed or written notice of the appointment shall not be given to the Board of Managers then notwithstanding any other provision of the Declaration of these By-Laws, the consent of mortgagees shall not be required to any act of the Board of Managers or the unit owners.

Section 6. Mortgagees and guarantors of the mortgage on any unit in the condominium project will receive timely written notice of the following:

a. Any condemnation or casualty loss that affects either a material portion of the project or the unit securing the mortgage;
b. Any 60 day delinquency in the payment of assessments or charges owed by the owner of any unit on which it holds the mortgage;
c. A lapse, cancellation, or material modification of any insurance policy maintained by the condominium association;
d. Any proposed action that requires the consent of a specified percentage of mortgagees.

ARTICLE IX

Sales, Leases and Mortgages of Units

Section 1. (a) No unit owner may sell his unit or any interest therein except by complying with the following provisions:

Any unit owner who receives a bona fide offer (hereinafter called an "Outside Offer") for the sale of his unit together with: (i) the undivided interest in the common elements appurtenant hereto; (ii) the interest of such unit owner in any units theretofore acquired by the Board of Managers, or its designee, on behalf of all unit owners, or the proceeds of the sale or lease thereof, if any; and (iii) the interest of such unit owner in any other assets of the Condominium (hereinafter called the "Appurtenant Interests"), which he intends to accept, shall give notice to the Board of Managers of such offer and of such intention, the name and address of the proposed purchaser, and such other information as the Board of Managers may reasonably require.

Such deed to an Outside Offeror shall provide that the acceptance thereof by the grantee shall constitute an assumption of the provisions of the Declaration, the By-Laws and the Rules and regulations as the same may be amended from time to time.

(b) No unit owner may lease his unit except by complying with the following provisions:

Any unit owner who receives a bona fide offer for a lease of his unit which he intends to accept shall give notice to the Board of Managers of such offer and of such intention, the name and address of the proposed lessee, references and such other information as the Board of Managers may reasonably require.

Any such lease shall be consistent with theses By-Laws.

The Board of Managers shall have the right to terminate the lease on not less than 30 day's prior written notice upon the foreclosure of the lien granted by Section 339-z of the Real Property Law of the State of New York. Except as hereinbefore set forth, the form of any such lease shall be the then current form of apartment lease recommended by the Real Estate Board of New York, Inc. With such modifications as shall be approved in writing by the Board of Managers.

Any purported lease of a unit in violation of this section shall be voidable at the election of the Board of Managers and if the Board should so elect, the unit owner shall be deemed to have authorized and empowered the Board of Managers to institute legal proceedings to evict the purported tenant in the name of the said unit owner as the purported landlord.

Any purported sale of a unit in violation of this Section shall be voidable at the election of the Board of Managers.

Section 2. No unit owner shall execute any deed, mortgage or other instrument conveying or mortgaging title to his unit without including therein the Appurtenant Interests, it being the intention hereof to prevent any severance of such combined ownership. Any such deed, mortgage, or other instrument purporting to affect one or more of such interest, without including all such interests, shall be deemed and taken to include the interest or interests so omitted, even though the latter shall not be expressly mentioned or described therein. No part of the Appurtenant Interests of any unit may be sold, transferred or otherwise disposed of , except as part of a sale, transfer or other disposition of the unit to which such interests are appurtenant, or as part of a sale, transfer or other disposition of such part of the Appurtenant Interests of all units.

Section 3. Any unit owner shall be free to convey or transfer his unit by gift, or to devise his unit by will, or to pass the same by intestacy, without restriction.

Section 4. No unit owner shall be permitted to convey, mortgage, pledge, hypothecate, sell or lease his unit unless and until he shall have paid in full to the Board of Managers all unpaid common charges and expenses theretofore assessed by the Board of Managers against his unit and until he shall have satisfied all unpaid liens against such unit, except permitted mortgages.

Section 5. Each unit owner shall have the right to mortgage his unit without restriction provided that any such mortgage shall be substantially in the form of the New York statutory form of mortgage, except for such changes or additions as may be necessary in order to permit a particular bank, trust company, insurance company, savings and loan association or other institutional lender to make the mortgage loan.

Section 6. This article IX of the By-laws shall not apply to sales or rentals made by the Sponsor. The Board of Managers shall not have any control over the sale, rental or other disposition of Sponsor owned Units.

ARTICLE X
Condemnation

In the event of a taking in condemnation or by eminent domain of part or all of the common elements, the award made by such taking shall be payable to the Board of Managers. If 75% or more in number and common interest of the Unit owners duly and promptly approve the repair and restoration of such common elements, the Board of Managers shall arrange for the repair and restoration of such common elements, and the Board of Managers shall disburse the proceeds of such award to the contractors engaged in such repair and restoration in appropriate progress payments.

In the event that 75% or more in number and common interest of the Unit owners do not duly and promptly approve the repair and restoration of such common elements, the Board of Managers shall disburse the net proceeds of such award in the same manner as they are required to distribute insurance proceeds when there is no repair or restoration of the damage as provided by these By-Laws.

Notwithstanding the above, any action to terminate the legal status of the project after substantial destruction or condemnation occurs or for any other reason, mortgagees that represent at least 51% of the votes of the unit estate that are subject to mortgages must agree to such action being taken.

No provision of the condominium project documents gives a unit owner or any other party priority over any rights of the first mortgagee of the condo unit pursuant to its mortgage in the case of payment to the unit owner of insurance proceeds or condemnation awards for losses to or a taking of condo units and/or common elements.

ARTICLE XI Records

The Board of Managers or the managing agent shall keep detailed records of the actions of the Board of Managers and the managing agent, minutes of meetings of the Board of Managers, minutes of the meetings of unit owners, and financial records and books of account of the Condominium, including a chronological listing of receipts and expenditures, as well as a separate account of each unit, which among other things, shall contain the amount of each assessment of common charges against such unit, the date when due, the amounts paid thereon, and the balance remaining unpaid.

Section 777-a. Housing Merchant Implied Warranty.

1. Notwithstanding the provisions of section two hundred fifty-one of the real property law, a housing merchant implied warranty is implied in the contract or agreement for the sale of a new home and shall survive the passing of title. A housing merchant implied warranty shall mean that:

a. One year from and after the warranty date the home will be free from defects due to a failure to have been constructed in a skillful manner;

b. Two years from and after the warranty date the plumbing, elecrtical, heating, cooling and ventilation systems of the home will be free from defects due to a failure by the builder to have installed such system in a skillful manner; and

c. Six years from and after the warranty date the home will be free from material defects.

2. Unless the contract or agreement by its terms clearly evidences a diferent intention of the seller, a housing merchant implied warranty does not extend to:

a. Any defect that does not constitute (i) defective workmanship by the builder or an agent, employee, or subcontractor of the builder, (ii) defective materials supplied by the builder or by an agent, employee or subcontractor of the builder, or (iii) defective design provided by a design professional retained exclusively by the builder; or

b. Any patent defect which an examination ought in the circumstances to have revealed, when the buyer before taking title or accepting construction as complete has examined the home as fully as the buyer desired, or has refused to examine the home.

3. In the case of goods sold incidentally with or included in the sale of the new home, such as stoves, refrigerators, freezers, room air conditioners, dishwashers, clothes washers and dryers, a housing merchant implied warranty shall mean that such goods shall be free from defects due to failure by the builder, or any agent, employee or subcontractor of the builder to have installed such systems in a skillful manner. Merchantability, fitness, and all other implied warranties with respect to goods shall be governed by the part three of article two of the uniform commercial code and other applicable statutes.

4. a. Written notice of a warranty claim for breach of a housing merchant implied warranty must be received by the builder prior to the commencement of any action under paragraph b of this subdivision and no later than thirty days after the expiration of the applicable warranty period, as described in subdivision one of this section. The owner and occupant of the home shall afford the builder reasonable opportunity to inspect, test, and repair the portion of the home to which the warranty claim relates.

b. An action for damages or other relief caused by the breach of a housing merchant implied warranty may be commenced prior to the expiration of one year after the applicable warranty period, as described in subdivision one of this section, or within four years after the warranty date, whichever is later. In addition to the foregoing, if the builder makes repairs in response to a warranty claim under paragraph a of this subdivision, an action with respect to such claim may be commenced within one year after the last date on which such repairs are performed. The measure of damages shall be the reasonable cost of repair or replacement and property damage to the home proximately caused by the breach of warranty, not to exceed the replacement cost of the home exclusive of the value of the land, unless the court finds that, under the circumstances, the diminution in value of the home caused by the defect is a more equitable measure of damages.

c. In addition to any other period for the commencement of an action permitted by law, an action for contribution or indemnification may be commenced at any time prior to the expiration of one year after the entry of judgment in an action for damages under paragraph b of this subdivision.

5. Except as otherwise provided in section seven hundred seventy-seven-b of this article, any provision of a contract or agreement for the sale of a new home which excludes of modifies a

housing merchant implied warranty shall be void as contrary to public policy.

6. Except as otherwise provided in section seven hundred seventy-seven-b of this article, other implied warranties may arise from the terms of the contract or agreement or from course of dealing or usage of trade.

777-b. Exclusion or Modification of Warranties.

1. Except in the case of a housing merchant implied warranty, the builder or seller of a new home may exclude or modify all warranties by any clear and conspicuous terms contained in the written contract or agreement of sale which call the buyer's attention to the exclusion or modification of warranties and make the exclusion or modification plain.

2. Except in the case of a housing merchant implied warranty, the builder or seller of a new home may exclude or modify warranties with respect to particular defects by any clear and conspicuous terms contained in the written contract or agreement of sale which identify such defects, call the buyer's attention to the exclusion or modification of warranties and make the exclusion or modification plain.

3. An housing merchant implied warranty may be excluded or modified by the builder or seller of a new home only if the buyer is offered a limited warranty in accordance with the provisions of this subdivision.

a. A copy of the express terms of the limited warranty shall be provided in writing to the buyer for examination prior to the time of the buyer's execution of the contract or agreement to purchase the home.

b. A copy of the express terms of the limited warranty shall be included in, or annexed to and incorporated in, the contract or agreement.

c. The language of the contract or agreement for sale of the hmoe must conspicuously mention the housing merchant implied warranty and provide that the limited warranty excludes or modifies the implied warranty. Language to exclude all implied warranties is sufficient if it states, for example, that "There are no warranties which extend beyond the face hereof".

d. The limited warranty shall meet or exceed the standards provided in subdivisions four and five of this section.

4. A limited warranty sufficient to exclude or modify a housing merchant implied warranty must be written in plain English and must clearly disclose:

a. That the warranty is a limited warranty which limits implied warranties on the slae of the home; the words "limited warranty" must be clearly and conspicuously captioned at the beginning of the warranty document;

b. The identification of the names and addresses of all warrantors;

Any exception, exclusion or standard which does not meet or exceed a relevant specific standard of the applicable building code, or in the absence of such relevant specific standard a locally accepted building practice shall be void as contrary to public policy and shall be deemed to establish the applicable building code standard or locally accepted building practice as the warranty standard; and

ii. Any exception, exclusion or standard that fails to ensure that the home is habitable, by permitting conditions to exist which render the home unsafe, shall be void as contrary to public policy.

f. What the builder and any other warrantor will do when a defect covered by the warranty does arise, and the time within which the builder and any other warrantor will act;

g. The term of the warranty coverage and when such term begins, provided, however, that such term shall be equal to or exceed the warranty periods of a housing merchant implied warranty, as defined in subdivision one of section seven hundred seventy-seven-A of this article;

h. Step-by-step claims procedures required to be undertaken by the owner, if any, including directions for notification of the builder and any other warrantor; an owner shall not be required to submit to binding arbitration or to pay any fee or charge for participation in nonbinding arbitration or any mediation process;

i. Any limitations on or exclusions of consequential or incidential damages, and any limitations on the builder's and other warrantor's total liability, conspicuously expressed on the first page of the warranty. Notwithstanding the foregoing, a limited warranty shall not be construed to permit any limitation on or exclusion of property damage to the home proximately

caused by a breach of the limited warranty, where the court finds that such limitation or exclusion would cause the limited warranty to fail of its essential purpose, except that such property damage may be limited by an express limitation on the builder's or other warrantor's total liability in accordance with the provisions of this paragraph.

5. a. This article shall not be construed to authorize or validate any covenant, promise, agreement or understanding which is void and unenforceable under section 5-322.1 of the general obligations law.

b. This article shall preempt any local law inconsistent with the provisions of this article. This article shall not preempt any builder subject to its provisions from complying with any local law with respect to the regulation of home builders except as expressly provided herein.

c. Nothing in this article shall be construed to repeal, invalidate, supersede or restrict any right, liability or remedy provided by any other statute of the state, except where such construction would, as a matter of law, be unreasonable.

(ii) affords potential investors, purchasers and participants an adequate basis upon which to found their judgment concerning the first year of condominium operation;

(iii) do not omit any material fact;

(v) do not contain any fraud, deception, concealment or suppression;

(vi) do not contain any promise or representation as to the future which is beyond reasonable expectation or unwarranted by existing circumstances;
