FILE NUMBER CD-18-0316

THIS PLAN CONTAINS SPECIAL RISKS. SEE PAGE IV FOR SPECIAL RISKS TO PURCHASERS.

BECAUSE SPONSOR IS RETAINING THE UNCONDITIONAL RIGHT TO RENT AFTER CONSUMMATION OF THIS PLAN RATHER THAN SELL UNITS, THIS PLAN MAY NOT RESULT IN THE CREATION OF A CONDOMINIUM IN WHICH A MAJORITY OF THE UNITS ARE OWNED BY OWNER-OCCUPANTS OR INVESTORS UNRELATED TO THE SPONSOR. (SEE SPECIAL RISKS SECTION OF THE PLAN.)

PURCHASERS FOR THEIR OWN OCCUPANCY MAY NEVER GAIN CONTROL OF THE BOARD OF MANAGERS UNDER THE TERMS OF THIS PLAN. (SEE SPECIAL RISKS SECTION OF THE PLAN).

THIS OFFERING PLAN IS THE SPONSOR'S ENTIRE OFFER TO SELL THESE CONDOMINIUM UNITS. NEW YORK LAW REQUIRES THE SPONSOR TO DISCLOSE ALL MATERIAL INFORMATION IN THIS PLAN AND TO FILE THIS PLAN WITH THE NEW YORK STATE DEPARTMENT OF LAW PRIOR TO SELLING OR OFFERING TO SELL ANY CONDOMINIUM UNIT. FILING WITH THE DEPARTMENT OF LAW DOES NOT MEAN THAT THE DEPARTMENT OR ANY OTHER GOVERNMENTAL AGENCY HAS APPROVED THIS OFFERING.

PART I

SPECIAL RISKS

1. SPONSOR'S RIGHT TO LEASE UNITS

After consummation of the offering plan, Sponsor is reserving the unconditional right to rent after consummation rather than sell Units. Because Sponsor is not limiting the conditions under which it will rent rather than sell Units, there is no commitment to sell more Units than the fifteen percent (15%) (three (3) Residential units (20 Residential units x 15%)) necessary to declare the Plan effective and owner-occupants may never gain effective control and management of the Condominium. A purchaser acquiring a unit that has been previously occupied (if a unit has been rented by the Sponsor after the Plan has been declared effective) will be purchasing the unit subject to reasonable wear and tear.

Owner-occupants and non-resident owners, including Sponsor, may have inherent conflicts on how the Condominium should be managed because of their different reasons for purchasing, i.e., purchase as a home as opposed to as an investment. The Sponsor has the right to control the Board of Managers of the Condominium, by maintaining a majority of the Members of the Board of Managers of the Condominium, until the earlier of 75% of all Residential Units offered for sale under this Offering Plan are sold or three (3) years from the date of the first closing, whichever occurs first.

Sponsor has obtained construction loan mortgage financing from First Central Savings Bank ("Construction Lender"), with its offices located at 70 Glen Street, Glen Cove, New York 11542 for the project. The Construction Lender is not an affiliate of Sponsor or of any principals of Sponsor. Sponsor will obtain a release of lien by Construction Lender at the time of conveyance of a Condominium Unit to the Purchaser. If the minimum release price is not met, then the Sponsor may not sell such unit without the express written consent of the Construction Lender agreeing to allow the sale of a unit for less than the minimum release price. There are no requirements by Construction Lender requiring the Sponsor to market the units for sale and there is no minimum number or percentage of units which must be under contract before the plan can be declared effective. There is a minimum release price set by the lender or a required minimum payment per sale which must be made to the lender in order for the lender to release its lien from the unit being sold. There are no limits or requirements imposed by the Lender for Sponsor to rent rather than sell under specified market conditions. The Sponsor intends to either (i) obtain Lender consent to release each condominium unit from the Lender in exchange for payment from each Closing or (ii) obtain a new loan from a new lender with condominium release provisions. **(See Part I, Section "B(3)" and See Part I, Section "Q(9)").**

2. NO TAX EXEMPTION FOR THE CONDOMINIUM UNITS.

There is no tax exemption under Section 421-a of the Real Property Tax Law ("421-a") for this Condominium. **(See Part I, Section "W-2").**

The Condominium can qualify for a tax exemption under 421-a, if the assessed valuations of the condominium units when completed are less than $65,000. Because Sponsor cannot guaranty whether the assessed valuation of the condominium units will be less than $65,000, on

average, Sponsor has elected not to file for the 421-a for the condominium building. If the Sponsor believes that the assessed valuation of the condominium units on average will be less than $65,000 per unit, Sponsor may file an application to obtain 421-a tax exemption benefits at Sponsor's sole cost and expense.

The Sponsor will amend the offering plan should the Sponsor apply for any tax benefits in the future.

3. INSURING OF THE CONDOMINIUM BUILDING.

Prior to the first closing, the entire building will be insured by the Sponsor. After the first closing, the entire building will be insured by the condominium. A person in possession who is not an owner cannot insure the unit since he or she has no ownership interest, and the unit cannot be doubly insured. Thus, the risk of loss cannot, as a practical matter, be passed on to a person in possession. A person who takes possession prior to closing assumes the risk of losses not covered by insurance. **(See Part I, Section "J")**

4. PURCHASE AGREEMENT WAIVES RIGHT TO JURY TRIAL IN ANY ACTION ARISING OUT OF THE PURCHASE AGREEMENT.

The Purchase Agreement includes a provision that waives the right to a jury trial in any action arising out of the Purchase Agreement. **(See Part II, Section "FF")**

5. DISPUTES BETWEEN UNIT OWNER AND BOARD OF MANAGERS MUST BE RESOLVED THROUGH ARBITRATION.

Any dispute between the Unit Owner and the Board of Managers shall be resolved in Arbitration. Options for appeal are more limited for matters submitted to arbitration.

Any dispute between two or more Unit Owners with each other may be resolved in any court of law. The By-Laws provide that only disputes between a Unit Owner and the Board of Managers shall be resolved in Arbitration. Arbitration provided for in these By-Laws shall be conducted before one arbitrator in the City of New York by the American Arbitration Association or any successor organization thereof, in accordance with its rules then in effect and the decision rendered in such arbitration shall be binding upon the parties and may be entered in any court having jurisdiction. Notwithstanding the foregoing, any arbitration held pursuant to the Declaration or these By-Laws with respect to a dispute which arose prior to the first annual meeting of Unit Owners, shall be non-binding. In the event that the American Arbitration Association shall not then be in existence and has no successor, any arbitration hereunder shall be conducted in the City of New York before one arbitrator appointed, on application of any party, by any justice of the highest court of appellate jurisdiction located in the County of New York. The decision of the arbitrator so chosen shall be given within ten (10) days after his appointment. All expenses of arbitration of the Condominium hereunder, including the fees and expenses of counsel and experts, shall be a General Common Expense. Any arbitrator appointed or selected in connection with the arbitration hereunder shall be a member of a law firm whose

principal office is in the City of New York and which has at least three members **(See Part I, Section "B(6)(vi)" and See Part II, Section "MM" – Condominium By-Laws, Article X).**

6. OFFICERS' AND DIRECTORS INSURANCE NOT INCLUDED.

Directors' and officers' liability insurance will not be procured by the Sponsor and will not be effective at the closing of the Condominium and the filing of the Declaration. If the Board of Managers desires to obtain Directors and Officers Liability Insurance, it is anticipated that the cost will be approximately $750 per year. If the Board of Managers desires to obtain Directors' and officers' liability insurance, the cost for such insurance shall be borne by the Condominium. Directors' and officers' liability insurance would provide insurance coverage for any personal liability of the Board of Managers **(See Part I, Section "S").**

7. SPONSOR CONTROL

Until (a) 75% of all of the Residential Units (20 Residential Units x 75% = 15 Residential Units) have been sold and conveyed to Purchasers or (b) within one (1) year from the conveyance of the first unit to a Purchaser, whichever occurs first, the Sponsor shall appoint all three (3) members to the Board of Managers.

The first meeting of Unit Owners will be held upon the earlier of (a) 75% of the Residential Units having been conveyed to Purchasers or (b) within one (1) year from the conveyance of the first unit to a Purchaser, whichever occurs first.

At the first meeting of unit owners, provided that Sponsor owns at least one (1) unit, Sponsor shall appoint two (2) members to the Board of Managers and an election will be held for the unit owners to vote and elect one (1) member to the Board of Managers.

Upon the earlier of (a) all units having been sold and conveyed or (b) three (3) years from the first closing, all members of the Board of Managers appointed by the Sponsor shall resign and all three (3) members of the Board of Managers shall be elected by Unit Owners.

Sponsor shall have no right to appoint any members to the Board of Managers upon the sale of all units or three (3) years from the first closing, whichever occurs first.

Sponsor has the right to rent units after consummation of the Plan. The Plan may be declared effective once 15% of the Residential Units are under contract. Until 15% of the Residential Units are under contract, the Plan cannot be declared effective and the Sponsor cannot close on any units until the Plan is declared effective.

All residential unit owners and the community facility unit owner shall elect members to the Board of Managers by vote and the community facility unit and its' owner does not have a right to a position on the Board of Manager by virtue of being a non-residential unit. All units are treated equally for voting purposes.

Control of the Condominium Board of Managers will terminate within (a) 30 days of the earlier of (a) 75% of the Units have been conveyed to Purchasers or (b) within three (3) years

from the conveyance of the first unit to a Purchaser, whichever occurs first. A majority of the Board of Managers need not be owner occupants or members of an owner occupant's household who are unrelated to the Sponsor and its principals. Purchasers for this own occupancy may never gain control of the Board of Managers. Until such time as the Sponsor relinquishes control of the Board of Managers, the Board of Managers may not, without the prior written consent of the Sponsor or its designees, (i) make any addition, alteration or improvement to the Common Elements, Limited Common Elements or to any Unit or (ii) assess any common charges for the creation of, addition to or replacement of all or part of a reserve, contingency or surplus fund except that Sponsor will consent to replacements to the contingency fund provided for in Schedule B to the extent that the aggregate amount of such fund does not exceed 5% of the budget expenses of the Condominium or (iii) borrow money on behalf of the Condominium (except where necessary to perform work required by law) to the extent that existing reserves are insufficient or (iv) amend the Declaration or By-Laws of the Condominium so as to in any way adversely affect Sponsor or its designees. The Sponsor shall have the right to withhold its consent to any of the foregoing actions, except Sponsor may not withhold its consent to any action which affects the health and safety of the occupants of the building.

Owner-occupants and non-resident owners, including Sponsor, may have inherent conflicts on how the Condominium should be managed because of their different reasons for purchasing, i.e., as a home as opposed to an investment. **(See Part I, Section "R").**

Sponsor may not exercise veto power over expenses described in Schedule B, or over expenses required: (i) to comply with applicable laws or regulations; (ii) to remedy any notice of violation; or (iii) to remedy any work order by an insurer.

8. MAJORITY OF BOARD MEMBERS DO NOT HAVE TO BE OWNER OCCUPANTS.

After the initial Sponsor Control Period expires, the By-Laws do not require that the majority of the board consist of owner occupants or members of an owner-occupant's household who are unrelated to the Sponsor and its principals. **(See Part I, Section "B(6)(vi)").**

9. MATERIALS, WORKMANSHIP, ETC.

All Condominium Units and general and Limited Common Elements offered pursuant to this Offering Plan are sold subject to completion of the work specified in the Description of Property, Specifications and Building Condition. The Sponsor and its principals are obligated to obtain a Permanent Certificate of Occupancy for the condominium building **(see Part I, Section "C"(4) and Part II, Section "II").**

10. WARRANTIES

Because the building is greater than five (5) stories, Article 36-b of the General Business Law, which pertains to warranties on the sale of certain new homes does not apply. General Business Law §777, the Housing Merchant Implied Warranty Law is applicable

to Condominium Units in building which are five stories and less. Sponsor will not furnish any Warranty on the Units. **(See Part I, Section "Q(17)").**

Despite no warranties provided by Sponsor, Sponsor is obligated to construct the premises in accordance with all applicable codes, filed plans and specifications and locally accepted building practices for items which are not covered by codes.

Sponsor's obligation cannot go below the duty to construct the premises in accordance with all applicable codes, filed plans and specifications and locally accepted building practices for items which are not covered by codes.

Sponsor's obligation, regardless of any limitations in the warranty or in this offering plan, is to construct the premises in accordance with all applicable codes and filed plans and specifications, and that any conflict between the disclaimers and the Sponsor's obligation to construct the premises in accordance with all applicable codes and filed plans and specifications shall be resolved in favor of the latter.

No bond or other security has been posted to secure Sponsor's obligations under this Plan or to complete construction of the building or other obligations under the Plan including the obligation to pay common charges with respect to unsold Units. Sponsor has and will have the ability to fulfill its obligations under this Plan, including but not limited to complete construction of the building and the obligation to pay common charges with respect to unsold Units.

11. CLOSING DATE AND ADJOURNMENTS AND PURCHASE AGREEMENT MAY BE MADE TIME OF THE ESSENCE.

The Sponsor may elect to make the Purchase Agreement and its terms to be "time is of the essence". Purchaser may adjourn the closing date which is set forth in the Purchase Agreement one time for an adjourned period of up to 15 days. If the Purchaser adjourns the closing as permitted herein, then the adjourned date is made "time of the essence". This means that the Purchaser must close by the adjourned date. In the event that Purchaser does not close on the adjourned date, Purchaser may forfeit his or her Down Payment. In the event Purchaser fails to close title on the designated date and Purchaser seeks a 15 day adjournment which shall be time of the essence, then (a) Purchaser shall Pay Sponsor interest at the rate of 10.95% per annum on the entire amount of the purchase price computed from the original Closing Date until this transaction is actually closed and (b) all apportionments between Sponsor and Purchaser shall be made as of the original Closing Date. Purchasers will be required to pay an additional fee of $500.00 to Sponsor's closing attorneys if Purchaser does not close title to his or her Unit on the date stated in the Notice of Closing because such Purchaser has not complied with the terms of the executed Purchase Agreement, or if the Purchaser's lender requires the closing to be at a place other than that indicated in the Notice of Closing. Sponsor must provide a Purchaser with a written demand for payment after default at least 30 days before forfeiture of the Down Payment may be declared. **(See Part I, Section "K(11)").**

After the plan has been declared effective the Sponsor will fix dates for closing title to all units for which purchase agreements have been executed by serving notice on each purchaser

stating the date of the first closing and setting such purchaser's closing date. Such notice will be sent to purchasers at least 30 days before the date set for the closing of the units. Purchasers may waive this thirty (30) day provision.

Purchaser shall be required to pay a $500.00 survey to Sponsor at closing to reimburse the Sponsor for obtaining a survey for the completed condominium building **(see Part I, Section "P"(1)(i)(III)).**

12. CONTRIBUTIONS TO WORKING CAPITAL FUND

At the time of closing, each Purchaser will be required to pay an amount equal to two months' Common Charges then in effect for the Unit pursuant to the budget in accordance with Schedule A hereto, as the same may be amended from time to time which shall be paid into the Working Capital Fund of the Condominium. While the Sponsor controls the Board of Managers, the Working Capital Fund may not be used by the Sponsor controlled Board of Managers to reduce projected or future common charges. **(see Part I, Section "Y").**

13. PRIOR TO THE ISSUANCE OF THE PERMANENT CERTIFICATE OF OCCUPANCY, PURCHASERS MAY NOT MAKE ANY STRUCTURAL CHANGES TO THE CONDOMINIUM UNIT WITHOUT THE PRIOR WRITTEN CONSENT OF SPONSOR.

At the Closing of title the Sponsor will deliver the usual certificates available and it is further agreed that title will not close until either a temporary or Permanent Certificate of Occupancy has been issued covering the building in which the Unit is located. Prior to issuance of a final Certificate of Occupancy no structural changes shall be made to either the interior or exterior of Purchaser's Unit without prior written consent from the Sponsor. If any changes are made by the Unit Owner and final Certificate of Occupancy cannot be issued because of such changes, the Sponsor shall make such alterations to the structure to meet the building department requirements at full cost to the Purchaser, and the Purchaser shall further be liable to the Sponsor for any escrow monies held for the procurement of the final Certificate of Occupancy. If any changes are made without prior consent from the Sponsor, the Purchaser causing delays and extra work will be liable for the cost. However, it is still the obligation of the Sponsor and its principals to procure the certificates of occupancy. **(See Part I, Section "C(4)").**

Prior to issuance of a final Certificate of Occupancy no structural changes shall be made to either the interior or exterior of Purchaser's Unit without prior written consent from the Sponsor. If any changes are made, by the Purchaser and final Certificate of Occupancy cannot be issued because of such changes, the Sponsor shall make such alterations to the structure to meet the building department requirements at full cost to the Purchaser, and the Purchaser shall further be liable to the Sponsor for any escrow monies held for the procurement of the final Certificate of Occupancy **(See Part I, Section "C(1)").**

14. CERTIFICATE OF OCCUPANCY

The closing of individual Units may occur prior to the Sponsor obtaining a permanent Certificate of Occupancy for the Building. If only a Temporary Certificate of Occupancy is issued by the Closing Date, Sponsor will, at Sponsor's sole cost and expense, do and perform or cause to be performed all work and supply or cause to be supplied all materials necessary to renew the temporary Certificate of Occupancy and to obtain such permanent Certificate of Occupancy.

It has been customary for units in newly constructed and gut rehab co-ops and condos to close after a Temporary Certificate of Occupancy ("TCO") covering such units has been issued. Sponsor will send closing notices for units covered by TCO's and purchasers will be required to close with a TCO rather than with a permanent Certificate of Occupancy in place. TCO's are issued for three (3) months at a time.

The NYC Department of Buildings advises purchasers to houses and apartments, who close with only a TCO in place, to consult with their attorneys and engineers to assure that sufficient funds are escrowed or otherwise secured for Sponsor to obtain a permanent or final Certificate of Occupancy. It is strongly recommended that buyers consult the "DOB Website / Consumer Tips" for its recommendation when buying units in a building that does not have a Final Certificate of Occupancy.

Purchasers are advised that in New York City, newly constructed and newly renovated buildings are sometimes offered as condominium projects without a final certificate of occupancy ("FCO") covering the entire building but with only a temporary certificate of occupancy ("TCO"), and sometimes with several successive temporary certificates of occupancy. Certificates of occupancy are generally governed by Section 301 of the New York Multiple Dwelling Law and local building codes and rules. Both TCOs and FCOs are issued by the New York City Department of Buildings ("DOB"). A TCO is intended to indicate that the property is safe for occupancy, but means that not all of the construction work and/or inspections have been performed, or that not all of the required documents have been submitted to the DOB. All TCOs have an expiration date. A TCO typically expires 90 days after the date of issuance. When a TCO expires and is not renewed, it may be difficult or impossible to buy insurance, refinance, or sell units. In New York City, it is common for sponsors to commence unit closings when some or all units are covered by a TCO rather than a FCO. Sponsor anticipates this scenario may occur. Sponsor and its principals will undertake the responsibility for extending each TCO received prior to expiration thereof, and ultimately for obtaining a FCO covering the entire building within two years from the date of the issuance of the first TCO. However, Sponsor and its principals make no representation or guarantee that DOB will issue the FCO within such two year period. Notwithstanding the foregoing, Sponsor and its principals are obligated to procure the FCO for the entire building, and shall exercise best efforts to obtain the FCO within such two year period while keeping the TCO current. Unit owners and the Board of Managers shall be obligated to cooperate with and refrain from obstructing sponsor in these undertakings. Furthermore, because Sponsor and the by-laws of the condominium may permit Unit Owners to undertake renovations to individual Units prior to the procurement of a FCO, such renovations

may cause additional delays in the issuance thereof. Notwithstanding the foregoing, Sponsor and its principal are obligated to procure the FCO.

Buyers are advised to visit the DOB website for further recommendations when purchasing a unit in a building that does not have a FCO. A Factsheet on Certificates of Occupancy is available on the DOB website at: http://www.nyc.gov/html/dob/downloads/pdf/co_factsheet.pdf".

Complete details regarding the issuance of the Certificate of Occupancy are discussed in this Offering Plan. If Sponsor obtains a temporary certificate of occupancy ("TCO") and wishes to close title with a TCO, Sponsor shall deposit a sum with Sponsor's counsel equal to the costs as certified by a registered architect, to obtain the Permanent Certificate of Occupancy **(See Part I, Section "C"(4)).**

15. NO GUARANTY AS TO WHEN CERTIFICATE OF OCCUPANCY WILL BE ISSUED.

The Sponsor anticipates that the first closing of a unit will occur by March 1, 2019. Purchasers will be offered a right of rescission if: (i) the actual date of closing of title to the first unit; or (ii) the projected date of closing of title to the first unit occurs later than February 29, 2020, twelve months after the projected date for the first closing. If the Plan is amended to provide for a later projected date for the first closing, purchasers will be entitled to an offer of rescission if the first closing occurs more than 12 months beyond that amended, later date.

However, if the first closing occurs before March 1, 2020, the Sponsor may schedule the closings of title to other units significantly later than such date. Unless your Purchase Agreement contains an outside closing date, the Sponsor is not obligated to schedule your closing within any specified time frame or to ensure that closing of title to your closing within any specified time frame or to ensure that closing of title to your Unit will occur by any date certain. PROSPECTIVE PURCHASERS SHOULD THEREFORE CAREFULLY CONSIDER SUCH RISKS IN THEIR DETERMINATION AS TO WHETHER TO PURCHASE A UNIT. **(See Part I, Section "F")**

16. SPONSOR DECLARING PLAN EFFECTIVE

Pursuant to existing law and regulation, the Sponsor may declare the Condominium Plan effective with executed Purchase Agreements for a minimum of fifteen (15%) percent of the Residential Units in the building (three (3) Residential units (20 Residential Units x 15%)). Even if the Plan is declared effective with a minimum number of sales, it is possible that the Sponsor may be able to create a Condominium with fewer than the minimum number of sales, if Purchasers counted towards effectiveness do not ultimately purchase a Unit. A minimum of three (3) Purchase Agreements must be entered into in order to declare the plan effective. Should any of the three (3) Purchase Agreements counted towards effectiveness rescind their Purchase Agreement, then the Sponsor must re-declare the plan effective. **(see Part I, Section "N").**

17. LENDER INFORMATION REGARDING CONDOMINIUMS IN GENERAL

Purchasers should note that in the current real estate market, banks and other lenders are imposing various restrictions on purchase financing. Such restrictions include requiring that a certain percentage of apartments in a building or group of building be sold before a lender will consider making a loan. Thus, it may be possible for a purchaser to experience difficulty obtaining a loan in a building or group of buildings where the Sponsor or holder of unsold shares has not sold a substantial percentage of the apartments in the building or group of buildings, which in some cases may be as high as 70%. Moreover, some lenders will not provide financing in a building or group of buildings where an investor other than the original Sponsor has an ownership interest of 10% or more. It also may be difficult for a purchaser to resell an apartment if prospective buyers are unable to obtain a loan due to the same minimum sales and investor ownership restrictions **(see Part I, Section "L").**

18. ESCROW OF PURCHASERS FUNDS

All funds received by the Sponsor for extras must initially be placed in an escrow account. However, Purchasers shall note as a special risk that such funds may be released from the escrow account by the escrow agent as long as the Sponsor use the funds for such upgrades or extras. As a result, in the event the Purchaser is entitled to rescission, the Purchaser will not receive a refund of any funds used for extras unless the plan is not consummated **(see Part I, Section "K" and Part II, Section "FF").** Any funds deposited for upgrades will be refunded to a purchaser if the Sponsor abandons the Plan.

Down Payments are anticipated to be deposited by Rosen Law LLC with an address of 216 Lakeville Road, Great Neck, New York 11020, telephone number 516-437-3400 ("Escrow Agent") with Signature Bank, 40 Cutter Mill Road, Great Neck, New York 11020 ("Escrow Bank"). All Down Payments will be placed initially in a non-interest bearing checking portion of the Rosen Law LLC Attorney Escrow Account. Purchaser must deliver the applicable Form W-8 or Form W-9 executed by Purchaser or the designated interest-recipient, as applicable, together with the Purchase Agreement, Down Payment and the interest-recipient designation form, if applicable, before the Down Payment can be deposited into an interest-bearing sub-escrow savings account of the Rosen Law LLC Attorney Escrow Account established pursuant to this Offering Plan. Subject to the conditions discussed in this paragraph, in accordance with regulations of the Federal Deposit Insurance Corporation ("FDIC"), and pursuant to the terms of the Dodd-Frank Wall Street Reform Act, as amended (the "Dodd-Frank Act"), as of the date of this Plan deposits at Escrow Bank in a Purchaser's name are anticipated to be covered by FDIC insurance to a maximum of $250,000.00. Purchasers are advised that while the Down Payment is in the non-interest bearing checking portion of the Rosen Law LLC Attorney Escrow Account, the Down Payment may not be fully federally insured even if the Down Payment does not exceed $250,000, because the entire checking portion of the Rosen Law LLC, Client Funds Account is only insured up to $250,000 and until the Purchaser's funds are transferred to a sub-account for the Purchaser, the Rosen Law LLC, Client Funds Account may contain more than $250,000 in funds which may result in only a portion of the Purchaser's Down Payment being insured. Subject to the foregoing, Sponsor is advised that the FDIC advises consumers that for purpose of computing insurance coverage, all Deposits in a party's name in a banking institution

are added together and insured to a maximum of $250,000, in the aggregate. Accrued interest through the date of a financial institution's failure also is included when calculating insurance coverage. Thus, if a Purchaser already has or opens an account at Escrow Bank in the same name in which the Down Payment is deposited, and should the Escrow Bank fail and the FDIC insurance be called upon, the funds in that account will be aggregated with the Down Payment and insured to a maximum of $250,000. The FDIC further advises consumers that a depositor cannot increase FDIC insurance coverage by dividing funds owned in the same ownership category among different accounts in the same name. No representation is made by Escrow Agent or Sponsor regarding any further amendment of the Dodd-Frank Act after the date of this Plan or that the FDIC will insure depositor's funds, if and when called upon to do so. Neither Escrow Agent or Sponsor will incur any liability whatsoever under this Plan or otherwise if the FDIC, when and if called upon, fails or refuses to insure the Down Payment (or any other funds maintained by Purchaser in Escrow Bank) or if the FDIC insures only a portion thereof. **(See Part I, Section "K").**

In the event that the Plan is abandoned, unit upgrade funds will be returned to the Purchaser.

19. MORTGAGE TAX CREDIT

Sponsor shall, upon the closing of each Unit, have the right to receive a rebate for mortgage recording taxes already paid, if any, which rebate shall be credited to Sponsor from amounts any Unit Purchaser otherwise would have paid in connection with the recording of a mortgage against his/her/their Unit at the time of purchase **(see Part I, Section "P(1)(i)(X)(iii)").**

20. APPLIANCES

The Sponsor will provide a gas range, dishwasher, and air conditioning equipment in each Unit. The Sponsor will not provide a refrigerator, clothes washer and clothes dryer in each condominium unit. Sponsor will provide a hook-up for a clothes washer and clothes dryer units in each condominium unit. Sponsor will install and hook-up the gas range and dishwasher. It is the Sponsor's and principal's obligation to procure a Temporary Certificate of Occupancy and/or a Permanent Certificate of Occupancy. Sponsor will be able to procure the Temporary Certificate of Occupancy and/or a Permanent Certificate of Occupancy with the appliances provided by Sponsor. **(See Part I, Section "C").**

21. PURCHASER PAYMENT OF TRANSFER TAXES

It is the Sponsor's statutory obligation to pay transfer taxes but Sponsor is transferring this obligation to Purchaser. As is common with many other Condominium developments in the State of New York, the Purchase Agreement for this Condominium provides that the Purchaser of a Condominium Unit will be required to pay the New York State and New York City Transfer Taxes at the Closing. The New York State Department of Taxation and Finance and the New York City Department of Finance take the position that where the Purchaser pays the transfer

taxes, the amount thereof will be added to the taxable consideration for determining the transfer taxes.

The Purchaser of each Residential Condominium Unit will be responsible for paying the following taxes and fees: The New York State Real Estate Transfer Tax, currently $4.00 for each one thousand dollars ($1,000.00) or fractional portion thereof, of the purchase price plus a $5.00 service charge; If applicable, the New York State Additional Tax ("Mansion Tax") of 1% where the purchase price equals $1 million or more; and the New York City Transfer Tax which is currently 1.00% of the purchase price up to $500,000.00 and 1.425% over $500,000.00 (for example - $1,000.00 or 1,425.00 respectively per $100,000.00 of purchase price). Because the Purchaser, rather than the Sponsor is required to pay the New York State and New York City Transfer taxes, the tax is deemed to be additional consideration and therefore, the price is considered to be 1.014 (for price under $500,000) or 1.01825 (for price of $500,000 and over) times the price of the Unit listed in Schedule A. **(See Part I, Section "P").**

22. SPONSOR'S LIABILITY LIMITATIONS

Sponsor intends to offer all units for sale. Sponsor will endeavor in good faith to sell all of the units in a reasonably timely manner. Sponsor retains the unconditional right to rent after consummation of the Plan. The construction lender has imposed no requirements upon the Sponsor with regard to selling and/or renting units.

Purchasers are advised to review Schedule B **("Part I, Section "F" - Budget for First Year of Operation")** of this Offering Plan with regard to the costs of insurance coverage and the limits of insurance coverage for the Condominium).

Pursuant to 13 NYCRR §20.3(t)(2), it is disclosed that the Sponsor has no obligation to defend any suits or proceedings arising out of Sponsor's acts or omissions and no obligation to indemnify the Board of Managers and Unit Owners, except those arising out of any negligence or violation of Article 23A of the New York State General Business Law or of acts or omissions by the Sponsor or as explicitly stated in this plan.

Purchasers should note that if the any of the condominium units in the building are rented, other than through an Interim Lease, prior to the condominium being declared effective, then, in that event, the Sponsor will be required to abandon the offering plan and the building will be a rental building with tenants receiving all applicable protections of rent laws, such as rent stabilization laws if rent stabilization laws apply.

23. LABOR FOR MAINTENANCE OF CONDOMINIUM PROVIDED

Costs for a part time superintendent have been included in the budget for the Condominium. The superintendent will not be a union member. The part time superintendent will only work six hours per week.

The part time superintendent will be responsible for performing all work required for the normal maintenance of the Condominium, such as cleaning the Common Elements, landscaping and snow removal in common areas.

The level of staffing complies with all applicable housing and labor laws. Sponsor will file a post-closing amendment which will identify the name of the part time superintendent and the location where the superintendent resides **(See Part I, Section "F(ii)")**.

The superintendent is required to reside within 200 feet of the condominium to comply with New York City law. New York State's Multiple Dwelling Law §83 requires that "whenever there are 13 or more families occupying any multiple dwelling and the owner does not reside therein, there shall be a janitor, housekeeper or some other person responsible on behalf of the owner who shall reside in said dwelling, or within a dwelling located within a distance of 200 feet from said dwelling...". As this condominium contains twenty (20) condominium units, New York State's Multiple Dwelling Law §83 applies.

The superintendent is required to reside within 200 feet of the condominium to comply with New York City law. New York City Administrative Code §27-2054 requires that "The person who performs janitorial services for a multiple dwelling of nine or more dwelling units (other than where janitorial services are performed on a twenty-four-hour-a-day basis under paragraph three of subdivision b of section 27-2053 of this article) shall reside in or within a distance of one block or two hundred feet from the dwelling, whichever is greater, unless the owner resides in the multiple dwelling. Where two or three multiple dwellings are connected or adjoining, it shall be sufficient, however, that the person who performs janitorial services resides in one of these, but no person who performs janitorial services for more than one multiple dwelling may service more than sixty-five dwelling units. Regardless of residence the janitor must have a telephone where the janitor may reasonably be expected to be reached". As this condominium contains twenty (20) condominium units, New York City Administrative Code §27-2054 applies.

Purchasers are advised to review Schedule B **("Part I, Section F. Budget for First Year of Operation")** of this Offering Plan with regard to the costs of labor for the Condominium).

In the event that the Board determines that additional labor is required in the future, common charges will be increased to cover the increased costs of labor.

The Board of Managers shall be responsible for hiring any appropriate repair service and to ensure that such service will make any emergency repairs to the Common Elements if the full time superintendent is unable to perform any required repairs or tasks. **(See Part I, Section "F"(ii)).**

24. RESERVE FUND

The Condominium will have a Reserve Fund in the amount of $8,900, which will be a reserve for capital expenditures. The Reserve Fund will be funded by Unit Owners through their monthly common charges.

The Reserve Fund shall be used for capital expenditures. Sponsor does not represent or warrant that the Condominium will have sufficient funds for any such capital expenditures within or after three (3) years following the Closing Date should such capital expenditures be needed.

While the Sponsor is in control of the Board of Managers, the Reserve Fund or Working Capital Fund may not be used to reduce projected common charges in the Offering Plan.

Neither the New York State Department of Law nor any other governmental agency has passed upon the adequacy of the Reserve Fund **(See Part I, Section "X").**

25. SPONSOR HAS THE RIGHT TO SELL UNITS FOR INVESTMENT OR RESALE

The Sponsor has the right to sell Units to Purchasers for investment or for resale. It is possible that certain owners of Condominium Units will not be residents of the Condominium. Sponsor has further reserved the right to enter into Interim Leases with a contract vendee for any Unit prior to closing of the sale with the Purchaser thereof. Residents of the Condominium may be comprised of both Unit Owners and tenants leasing from Sponsor or from non-Sponsor Unit Owners. In addition, a Purchaser may be acquiring a Unit that has been previously occupied, but such Unit will be delivered at closing free and clear of all leases and tenancies, except as may otherwise be agreed to in writing by the parties. A purchaser acquiring a unit that has been previously occupied will be purchasing the unit "as is" **(See Part I, Section "C" and "Q").**

26. SPONSOR MAY CONTINUE TO SHOW UNSOLD UNITS TO PROSPECTIVE PURCHASERS

While Units are being offered for sale or lease by the Sponsor or its designees, there will be a greater number of visitors to the building than would otherwise be the case. No representation or warranty is made and no assurance is given as to when such selling or leasing activity will terminate **(See Part I, Section "C").**

27. UNIT OWNERS MUST NOTIFY BOARD OF MANAGERS AND/OR MANAGING AGENT OF CHILDREN AGE TEN AND UNDER RESIDING IN THE CONDOMINIUM

Each Unit Owner must notify the Managing Agent, or the Board of Managers if there is no Managing Agent, when a child or children ages ten (10) years and under lives or resides, permanently or temporarily in the Condominium Unit. Each Unit Owner must install at the Unit Owner's sole cost and expense the required window guards in all windows of the Unit. The Unit Owner must maintain all window guards installed in the Unit and shall not remove same until permitted by applicable law and in any event, without the written consent of the Managing Agent or the Board of Managers **(See Part I, Section "T(16)").**

28. SPONSOR MAY SEEK SPECIFIC PERFORMANCE OF THE PURCHASE AGREEMENT

In accordance with the disclosure required by 13 NYCRR 20.3(o)(9), the Sponsor may seek specific performance of the Purchase Agreement to compel the Purchaser to purchase the subject Condominium Unit **(See Part I, Section "K").** Specific performance means that a court may order the purchaser to perform and complete the Purchase Agreement as if it had never been breached—that is, to close on the purchase of the Condominium Unit.

29. MEASUREMENTS OF INTERIOR OF UNIT

The approximate floor area of each Condominium Unit is measured as follows: (a) horizontally approximately to the outside face of the masonry work at the exterior walls of the building and approximately to the non-unit side of the walls and partitions (dividing the units from corridors, stairs and mechanical spaces) or to the centerline when a partition divides two units and (b) vertically from the top of the concrete or wood flooring to the underside of the concrete or sheetrock ceiling.

The square footage of each unit is not based upon measurements from interior surfaces of interior walls and the actual area comprising the condominium unit is less than listed on Schedule A of this offering plan. The square footage set forth in the offering plan significantly exceeds the actual usable floor area of the Unit. **(See Part I, Section "E", footnote ii of Schedule "A").**

30. FOREIGN GOVERNMENT PURCHASERS OR RESIDENT REPRESENTATIVES FROM A FOREIGN GOVERNMENT MUST WAIVE IMMUNITY.

Any Purchaser that is a foreign government, a resident representative of a foreign government or other person or entity otherwise entitled to the immunities from suit enjoyed by a foreign government (examples are diplomatic immunity or sovereign immunity) shall be required to expressly and voluntarily waive such immunity and consent to any suit, action or proceeding arising out of or relating to the Purchase Agreement, the Condominium Documents or this Offering Plan being brought in any State or Federal Court in the State of New York. Any such Purchaser and any other Purchaser who is not a resident of New York State shall designate and authorize a lawful agent to receive process **(See Part I, Section "K"(22) and Part II, Section "FF").**

31. ONE WATER METER FOR THE CONDOMINIUM BUILDING

The Condominium Units will not be individually metered for water. There will be one water meter to measure all water consumed by all Condominium Unit Owners. The Community Facility Unit may utilize more water than other individual units because of its use as a Group 4 facility. The budget figure for water and sewer charges have been estimated based upon estimated annual water and sewer charges published by the New York City Bureau of Water & Energy Conservation and for similar Buildings with approximately the same number Residential

Condominium Units and in accordance with rates currently in effect in New York City. Because there is one (1) water meter to measure the water usage for all of the Condominium Units, it is possible that if certain Condominium Units Owners use more water than others, the Condominium Units Owners using less water would conceivably be subsidizing the cost of water for those Condominium Units Owners using more water than others. The Board of Managers has the right, at its sole cost and expense, to install a submeter or separate water meter to measure the water consumption for the community facility unit and it may charge the community facility unit owner for water usages based on actual consumption. **(see Part I, Section "F"(v)).**

32. ONE GAS METER FOR THE CONDOMINIUM BUILDING

The Residential Condominium Units will not be individually metered for gas. There will be gas water meter to measure all water consumed by Residential Condominium Unit Owners. The budget figure for gas has been estimated based upon estimated gas costs charged by National Grid. Because there are one (1) gas meter to measure the gas usage for all of the Residential Condominium Units, it is possible that if certain Residential Unit Owners use more gas than others, the Unit Owners using less gas would conceivably be subsidizing the cost of gas for those Unit Owners using more gas than others. **(see Part I, Section "F"(v)).**

33. LEASING AND SELLING OF CONDOMINIUM UNITS.

Unit Owners may not lease any portion of an apartment less than the entire apartment. Purchasers are prohibited from listing their Units for sale prior to the closing of such Unit. **(see Part I, Section "T"(7)).**

34. ROOF WARRANTY.

The expected life span of the roof is ten to fifteen years. There will be no bond furnished other than a one (1) year warranty from the contractor for the construction materials and workmanship. The roofing materials will have a five (5) year warranty from the manufacturer **(See Part II, Section "JJ").**

35. SPONSOR WILL RETAIN AN EASEMENT TO USE THE BUILDING ROOF AND/OR PARAPET WALL FOR CELLULAR TELEPHONE ANTENNAS AND/OR COMMUNICATIONS EQUIPMENT.

The Sponsor has the perpetual right to use or lease any portion of the roof of the building or parapet walls at the roof of the building for installation of equipment including but not limited to cellular telephone antennas. The area of the roof in which the Sponsor may install or lease space for the installation of antennas and/or cellular telephone transmission equipment is limited to ten percent (10%) of the roof surface area and the parapet walls. Sponsor may not sell this perpetual easement/right to outside third parties. **(see Part I, Section "C").**

36. THERE MAY ALWAYS BE A SUBSTANTIAL PERCENTAGE OF OWNERS WHO ARE NON-RESIDENTS.

The Condominium Board of Managers does not have the right to approve or disapprove Purchasers, and there is no limit on the number of owners who may purchase for investment rather than for personal occupancy and there may always be a substantial percentage of owners who are non-residents.

37. TIME LIMITATION FOR SPONSOR TO ACCEPT OR REJECT PURCHASE AGREEMENT.

A Purchaser may not know if the Sponsor has accepted the Purchase Agreement for at up to thirty (30) days from the date when Sponsor receives a fully executed Purchase Agreement from Purchaser. Sponsor will either accept a Purchase Agreement and cause to be returned to Purchaser a fully executed counterpart thereof or reject the Purchase Agreement offer and refund the Down Payment tendered within thirty (30) days after delivery by Purchaser of an executed Purchase Agreement together with the required Down Payment. In the event Sponsor fails to elect to accept or reject within the stated thirty (30) day period, Sponsor will be deemed to have rejected same and Purchaser shall be entitled to a prompt return of the deposit **(see Part I, Section "K"(4)).**

38. SPONSOR TO TRANSFER CERTAIN DOCUMENTS TO THE BOARD OF MANAGERS.

The following documents shall be transferred to the condominium management upon transfer of control Operation & Maintenance ("O&M") manuals for mechanical equipment; Electronic system manual; Re-commissioning manual (as applicable); equipment warranties; Roof Warranty; Major equipment Start-Up Sheets; Control System As-Built; Original Test & Balance Report for HVAC System; Indoor Air Quality report; Final As-Built drawings as maintained during construction, i.e., structural, mechanical, electrical, plumbing and shop drawings.

39. HEATING EQUIPMENT BEYOND ANY WARRANTY PERIOD IS THE RESPONSIBILITY OF THE UNIT OWNER.

Replacement of the heating equipment or any part of the equipment beyond the warranty period will be the responsibility of the Unit Owner. The manufacturer of the heating equipment will provide a one year warranty on the heating equipment. The warranty from the manufacturer will not be available to purchasers who purchase their Unit after the expiration date of the manufacturers warranty. Heating equipment is not part of the common elements. Each Unit has independent heating and air conditioning servicing their own Unit. The only warranty provided on heating equipment or any part of the equipment is a manufacturers warranty. Notwithstanding the limitations of the warranties, Sponsor remains obligated as set forth in section "4" of the Rights and Obligations of Sponsor **(See Part I, Section "Q(4)" and "Q(14)").**

40. AIR CONDITIONING EQUIPMENT BEYOND ANY WARRANTY PERIOD IS THE RESPONSIBILITY OF THE UNIT OWNER.

Replacement of the individual air conditioning equipment or any part of the equipment beyond the warranty period will be the responsibility of the Unit Owner. The manufacturer of the air conditioning equipment will provide a one year warranty on the air conditioning equipment. The warranty from the manufacturer will not be available to purchasers who purchase their Unit after the expiration date of the manufacturers warranty. Air conditioning equipment is not part of the common elements. Each Unit has independent heating and air conditioning servicing their own Unit. The only warranty provided on air conditioning equipment or any part of the equipment is a manufacturers warranty. Notwithstanding the limitations of the warranties, Sponsor remains obligated as set forth in section "4" of the Rights and Obligations of Sponsor **(See Part I, Section "Q(4)" and "Q(14)").**

41. WOOD FLOORS TO BE PROPERLY MAINTAINED BY THE UNIT OWNER.

The Residential Condominium Units will be delivered with wood floors, which should not be washed with water and need to be maintained according to the manufacturer's recommendations. Wood is also subject to changes as a result of humidity as well as chipping, scratching and cracking. Sponsor makes no representation or warranty that the wood floors will maintain their appearance after they are subject to wear and tear.

42. PURCHASERS TO PAY $2,500 REIMBURSEMENT FEE TO SPONSOR AT CLOSING.

At Closing, Purchasers are required to pay to the Sponsor a fee of $2,500 as a Sponsor reimbursement fee to reimburse the Sponsor for fees incurred for filing this condominium offering plan with the New York State Department of Law to create this Condominium and a fee of $500 as contribution for costs of surveys and surveying services incurred by Sponsor.

At Closing, Purchasers shall pay the fee of Sponsor's closing attorneys in the amount of $2,500.00 per Unit at the time of closing for document preparation fees for preparation of closing documents and for attendance by Sponsor's counsel at the closing. If a closing takes place, at the request of the Purchaser, at any location other than the office of Sponsor's attorney, Purchaser shall pay to Sponsor's attorney (in addition to the fee set forth above), an attendance travel fee in the sum of $450.00 provided that the closing is held in the City of New York or Nassau County. Sponsor and Sponsor's counsel are not required to attend a closing at any location other than in the City of New York or Nassau County. In the event that a closing is adjourned with Sponsor's consent, at the request of the Purchaser, or Purchaser's attorney within forty eight (48) hours of the scheduled time of closing, Purchaser shall also pay Sponsor's attorney an adjournment fee in the sum of $250.00. There will be a fee charged of $150.00 for the preparation by Sponsor's counsel of E-Forms, which are required for the ACRIS recording of the transfer documents. **(See Part I, Section "P(VIII)")**

43. NO GUARANTY AS TO NO REAL ESTATE TAX INCREASES BY THE CITY OF NEW YORK.

It should be noted by Purchasers that the City of New York may increase the real estate tax rate at any time and if the real estate tax rate increases, then the real estate taxes to be paid by Purchasers would increase during the First Year of Condominium Operations or subsequently. Purchaser should be aware that the projections of real estate taxes are only projections and that actual real estate tax rates may increase further between the time a Purchaser signs a Purchase Agreement and the time that a Purchaser Closing on title **(see Part I, Section "E").**

POTENTIAL FOR INCREASE IN REAL ESTATE TAXES AFTER THE FIRST YEAR OF OPERATIONS. It is anticipated that once the Condominium Building is completed, the property will be reassessed by the New York City Department of Finance for the 2020/2021 (July 1, 2020 through June 30, 2021) tax year will be approximately $865,000.00. Based on a real estate tax rate of $12.719 per $100 of assessed valuation (for a Class 2 property), it is anticipated that the real estate taxes on the building will be approximately $110,019 for the 2020/2021 tax year. It is anticipated that the tax classification will be Tax Class 2 for the period July 1, 2020 through June 30, 2021. **It is anticipated that the real estate taxes for the period July 1, 2020 through June 30, 2021 will be approximately $110,019.**

44. SPONSOR MAY REQUIRE PROSPECTIVE PURCHASER TO EXECUTE AUTHORIZATIONS FOR CREDIT CHECK PRIOR TO EXECUTING A PURCHASE AGREEMENT.

Prior to executing a Purchase Agreement, the Sponsor may require the prospective Purchaser to execute necessary authorizations to conduct a credit check of the Purchaser(s), at the sole cost and expense of Purchaser. The cost to the prospective Purchaser of the credit check shall not exceed $50.00. The cost of $50.00 for the credit check will be paid by the Purchaser. **(See Part I, Section "K(18)").**

45. INTERIM LEASEES NOT AFFORDED ANY RIGHTS UNDER RENT STABILIZATION LAWS.

Interim lessees will not be afforded any rights under Rent Stabilization Laws or any applicable laws afforded to Tenants in this State, and leases will state that tenant acknowledges the same. As the offering plan and the Interim Leases do not provide tenant protections required by law, such as certain protections from eviction, harassment or unconscionable rent increases, prior to the condominium plan having been consummated, the Sponsor may not rent any units to any non-contract-vendees without invalidating the offering plan. If the Sponsor rents units prior to the condominium plan having been consummated, the building may be declared as a rental building and therefore, this offering plan would be invalid and the Sponsor would have to submit a new offering plan to sell condominium units under 13 NYCRR Part 23 which is an offering plan to convert existing residential rental property to condominium status. An uncured default under the Purchase Agreement is a default under the interim lease and an uncured default under the interim lease is a default under the Purchase Agreement. An uncured default under the interim lease can result in a default under the Purchase Agreement, however before the Sponsor

may utilize the default under the interim lease to declare a default under the Purchase Agreement, the Sponsor must either obtain an order of eviction or other judgment or order from a court or agency of competent jurisdiction against the lessee unless the lessee has vacated the Unit. Sponsor must provide a Purchaser with a written demand for payment after default at least 30 days before forfeiture of the Down Payment may be declared. **(See Part I, Section "J").**

46. PERSONS OCCUPYING THE CONDOMINIUM PURSUANT TO INTERIM LEASEES BEAR RISK OF LOSS UNTIL CLOSING.

Prior to the first closing, the entire building will be insured by the Sponsor; after the first closing, the entire building will be insured by the condominium. A person in possession who is not an owner cannot insure the unit since he or she has no ownership interest, and the unit cannot be doubly insured. Thus, the risk of loss cannot, as a practical matter, be passed on to a person in possession. A person who takes possession prior to closing assumes the risk of losses not covered by insurance (**See Part I, Section "J"**).

47. NO GUARANTY THAT THE CONDOMINIUM WILL HAVE SUFFICIENT FUNDS FOR CAPITAL EXPENDITURES WITHIN OR AFTER FIVE YEARS FROM THE FIRST CLOSING DATE.

Sponsor does not represent or warrant that the Condominium will have sufficient funds for any such capital expenditures within or after five years following the First Closing Date should such capital expenditures be needed. **(See Part I, Section "X")**.

The Reserve Fund will be available to the condominium upon the First Closing.

48. USE OF THE COMMUNITY FACILITY UNIT.

The condominium will contain one (1) Community Facility condominium unit.

The Community Facility condominium units may be used for any lawful purpose as Use Group 4 pursuant to the New York City Zoning Resolution, Section 22-12 ("Use Group 4").

Pursuant to 15 NYCRR 20.3(j), the Community Facility Condominium, Unit C-1 shall be used for community facility uses. The Community Facility Condominium Unit, Unit C-1, may be used for any lawful purpose, included in Use Group 4, medical offices, churches, clubs, community centers or settlement houses, government operated health centers or independent out of hospital health facilities, non-commercial recreation centers, nonprofit hospital staff dwellings, nonprofit or voluntary hospital and related facilities, philanthropic or nonprofit institutions, proprietary hospitals and related facilities, seminaries and welfare centers as list in the New York City Zoning Resolution.

Each Community Facility Unit maybe combined or subdivided by the Community Facility Unit Owner. If any Community Facility Unit is to be subdivided, the Sponsor must first file an amendment to this Plan with the Department of Law. **(See Part I, Section "H-1")**.

49. THERE ARE LESS PARKING SPACES AVAILABLE AT THE CONDOMINIUM THAN THE NUMBER OF UNITS.

Parking Space # "P1" is designated for the use of a handicapped person and will be sold as a handicapped parking space. See Special Risk # 50.

There are ten (10) parking space units available at the Condominium which will be available for sale to the residential condominium unit owners on a first come, first serve basis. Purchasers acquiring a parking space will acquire title in fee simple title. There are less parking spaces than the number of condominium units. Those Unit Owners not purchasing a parking space will be required to rely on off-site street parking. (See Part I, Section "C").

A space may be provided and maintained in any multiple dwelling or upon the premises thereof, or a structure may be erected and maintained at the rear or side thereof, for the storage of passenger motor vehicles, but only with a written permit therefor when required by local law and in accordance with every applicable local law, ordinance, resolution, code provision or regulation and with the following provisions:

Such space or structure shall be used solely for the storage of passenger motor vehicles of the occupants of the multiple dwelling or of multiple dwellings under common ownership, except that, in the event such space or structure or part thereof is not used by such occupants, it may be rented by the owner or owners of such dwelling or dwellings to persons other than the occupants thereof. The space which has thus been rented shall be made available to an occupant within thirty days after written request therefor. However, such space may be used also for the storage of any type of mechanical or motor-driven equipment or other accessory device or passenger bus required for the proper maintenance of the site and of the dwellings thereon. See N.Y. Mult. Dwell Law § 60

Parking spaces may only be used for the parking of currently registered passenger automobiles, all of which must be validly registered with the Department of Motor Vehicles of any State of the United States of America. Parking Spaces may not be used to repair or work on any vehicle. **(See Part I, Section "B(4)").**

50. HANDICAPPED PARKING SPACE.

Parking Space "P1" has been designated as handicapped parking spaces and will be the last parking spaces sold if they has not previously been sold to a purchaser who themselves or a member of their family has a vehicle with handicapped plates. The purchaser of Parking Space "P1" and any subsequent sale or transfer of it is subject to the following covenants and restrictions in the deed:

In the event the present or future owner of a unit in the condominium, or a member of his or her family residing in the unit, becomes handicapped and acquires handicapped plates for his or her vehicle, and said unit owner is the owner of the parking space, said unit owner has the right to demand that the owner of the Parking Space "P1" trade the handicapped parking space he/she owns with said handicapped owner.

In the event the present or future owner of a unit or member of his or her family member residing in the unit, becomes handicapped and said unit owner does not own a parking space, said unit owner has the right to demand that the owner of Parking Space "P1" sell it at then current, fair market value to said handicapped owner. All costs and expenses entailed in the transfer of title to the parking spaces, including without limitation, title abstracts, title insurance, transfer taxes and recording fees and reasonable attorney fees shall be borne by the party requesting the transfer.

The owner of Parking Space "P1" must comply with the aforementioned demand upon thirty (30) days written notice.

If the parties cannot agree on the fair market value of Parking Space "P1" then the parties agree to submit the matter to binding arbitration in accordance with Article X of the By-Laws of the condominium.

Arbitration provided for in these By-Laws shall be conducted before one arbitrator in the City of New York by the American Arbitration Association or any successor organization thereof, in accordance with its rules then in effect and the decision rendered in such arbitration shall be binding upon the parties and may be entered in any court having jurisdiction. In the event that the American Arbitration Association shall not then be in existence and has no successor, any arbitration hereunder shall be conducted in the City of New York before one arbitrator appointed, on application of any party, by any justice of the highest court of appellate jurisdiction located in the County of New York. The decision of the arbitrator so chosen shall be given within ten (10) days after his appointment. All expenses of arbitration hereunder, including the fees and expenses of counsel and experts, shall be a General Common Expense. Any arbitrator appointed or selected in connection with the arbitration hereunder shall be a member of a law firm whose principal office is in the City of New York and which has at least three members.

Any Unit Owner may file a demand for arbitration and provide written notice to the opposing party by United States Postal Service certified mail return receipt requested or by overnight mail.

51. THE CONDOMINIUM IS LOCATED IN A FLOOD ZONE.

The site is located within the FEMA (2015 Preliminary) Map panel Number 3604970353G which is an unprinted panel. The map indicates that the site is located in shaded zone AE which indicates that it is in a Special Flood Hazard Area which is subject to flooding by the annual 1% annual chance flood. There is a possibility of increased insurances for the condominium building due to the condominium building being located in a flood zone. Flood insurance will be obtained for the condominium building pursuant to a letter dated January 18, 2019, from Tredici & Romani, Ltd., 1306 Bay Ridge Parkway, Brooklyn, New York 11228 (See Part I, Section F(viii)).

There are no residential units on the ground floor. The first residential unit is located on the second floor. The FEMA Flood Elevation is at 11.0'. The Design Flood Elevation for the condominium building is 12.0'. According to FEMA, the minimum elevation of the lowest floor in the condominium building must be 11 feet above ground level. The architect for the condominium building designed the first floor of the condominium building to be at an elevation of the Design Flood Elevation which is 12 feet above ground level.

Based on a letter dated January 18, 2019, from Tredici & Romani, Ltd., 1306 Bay Ridge Parkway, Brooklyn, New York 11228, $5,000,000 in flood insurance as set forth in Schedule B is sufficient and complies with applicable FEMA requirements (See Part I, Section F(viii)).

Mortgage lenders may require that in order to lend to condominium units in flood zones, that the condominium unit and the condominium building have flood insurance in an amount equal to $250,000 per condominium unit in the condominium building. In order to comply with potential lender's requirements, the condominium budget provides for flood insurance in an amount equal to $250,000 per condominium unit. There should be no additional costs to a purchaser with regard to the condominium being in a Special Flood Zone as the condominium board of managers will be obtaining $5,000,000 in flood insurance for he condominium building.

52. 2018 CHANGES TO UNITED STATES TAX CODE AFFECTING HOMEOWNERS.

On January 1, 2018, the Tax Cuts and Jobs Act of 2017 ("Tax Cuts and Jobs Act") went into effect. The Tax Cuts and Jobs Act modified the mortgage interest expense deduction cap from $1,000,000 to $750,000, meaning that mortgage interest is only deductible on mortgages amounts up to $750,000 and there is no longer any interest expense deductibility for home equity loans pursuant to Internal Revenue Code §164(h). The deduction for state and local taxes is capped at $10,000 pursuant to Internal Revenue Code §164. It is the opinion of Rosen Law LLC that a Residential Unit Owner who uses the Residential Unit as a personal residence will, under present Law, for Federal, New York State and New York City income tax purposes, be entitled to a deduction for mortgage interest for interest on loans up to $750,000 and real estate taxes in the year paid in the case of cash basis taxpayers or accrued in the case of other taxpayers of up to $10,000 (including total real estate taxes and other state and local taxes), subject to certain exceptions and limitations which are more particularly discussed in the Attorney's Income Tax Opinion. Purchasers should note that deductions, if applicable, may vary in the future due to changes in the interest rate or the Residential Unit Owner's mortgage or from changes in the allocation of the constant debt service payments to interest and principal, or due to changes in real property taxes resulting from the expiration of real estate tax benefits, or from changes in the assess value, the tax rate or the method of assessing the real property. Purchasers who are individuals should note that mortgage interest is deductible generally only with respect to (1) secured debt used to acquire, construct or substantially improve a principal or second residence (or which constitutes a refinancing of such debt) (up to a total indebtedness of $750,000) and amounts in excess of these limitations would not be deductible. Each Purchaser should consult with his or her own tax counsel, accountant or other financial advisor as to the tax consequences of the ownership of a Condominium Unit.

53. BUILDING'S SMOKING POLICY PURSUANT TO LOCAL LAW 147

On August 28, 2017, Mayor DeBlasio signed into law Local Law #147/2017 requiring the owners of all Class A multiple dwellings, including all cooperative corporations and condominiums to adopt a "smoking policy" no later than August 28, 2018.

Prior to August 28, 2018, the law governing smoking in class A multiple dwellings in New York City was the Smoke-Free Air Act ("SFAA"). The SFAA prohibited smoking or using electronic cigarettes in common indoor areas of buildings with three or more residential dwelling units. SFAA does not prohibit smoking in private units or apartments or other private residences (except in areas where child day care centers or health care facilities operate and are open or employees are working). Local Law 147 does not change the requirements of SFAA. Thus, a building and a board of managers in a condominium cannot adopt a smoking policy permitting smoking in indoor common areas, lest the owners be in violation of SFAA.

Local Law 147/2017 was adopted to encourage restricting the ability to smoke in a multiple dwelling and condominium, and thus, to protect people from the hazards of second hand smoke. Local Law 147/2017 does not require the smoking policy adopted by the board of managers to include any specific restrictions (other than as otherwise required by law). It merely requires the board of managers to adopt a policy and to disclose that policy (and any future revisions to the policy) to all residents (unit owners) and potential residents (prospective purchasers).

The following is the smoking policy of this condominium:

> "The 888 Coney Island Condominium Smoking Policy:
>
> Smoking and using electronic cigarettes is prohibited in any common areas within the interior of the building(s) as required by all applicable laws and is permitted in any of the dwelling units.
>
> Smoking and using electronic cigarettes is permitted in all outdoor areas, including but not limited to, common courtyards, rooftops, balconies and patios, and any outdoor areas connected to dwelling units.
>
> This smoking policy applies to all unit owners, tenants and invitees as well as other persons in the condominium.
>
> The definition of "smoking" is contained in the original Smoke Free Air Act (Title 17, Chapter 5 of the NYC Administrative Code) and is as follows: "Smoking means inhaling, exhaling, burning or carrying any lighted cigar, cigarette, pipe, or any form of lighted object or device which contains tobacco". The Code was amended to address electronic cigarettes.

The Board of Managers shall provide a copy of the smoking policy to all unit owners and tenants in the condominium building on an annual basis.

Unit owners that wish to sell their unit shall include the smoking policy in any contract of sale. Any Unit owners that wish to lease their unit shall include the smoking policy in any lease.

The Board of Manager may impose penalties against unit owners (including upon unit owners for violations by tenants of unit owners) of $200 for a first violation of the smoking policy, $500 of for a second violation of the smoking policy in a period of twelve months, and $1,000 for a third and subsequent violations of the smoking policy in a period of twelve months. Penalties for a violation may be imposed upon a unit owner of a condominium unit who fails to provide notices to purchasers or tenants/subtenants.

A copy of the building's smoking policy will be posted in a prominent location and/or provided to all unit owners and tenants and incorporated into the by-laws or rules of the condominium."

54. POSSIBLE DELAY IN FIRST CLOSING.

Purchasers should note that even if the first closing occurs on or before March 1, 2019 (or such other date projected as the date of commencement of the operation at the time the purchase agreement was entered into) or within the twelve month period thereafter, the closing of subsequent units may be substantially delayed beyond such dates if a TCO has not been issued for such units or for the floor on which such units are located. In such case, provided that Sponsor is diligently pursuing completion of construction and the issuance of a certificate of occupancy and is otherwise in compliance with its obligations under the Plan, Purchaser will not be entitled to a right of rescission or to make claims against the Sponsor for damages or losses as a result of such delays and will not be excused from paying the full purchase price for the unit. PROSPECTIVE PURCHASERS SHOULD THEREFORE CAREFULLY CONSIDER THE POSSIBLITY OF SUCH DELAYS IN THEIR DETERMINATION AS TO WHETHER TO PURCHASE A UNIT.

55. REQUIREMENT FOR LOCAL LAW 11 OF 1998 INSPECTIONS.

The building will be six stories in height and therefore will have to comply with Local Law 11 of 1998 which requires periodic façade inspections once construction has been completed. The building will need to comply with façade inspection requirements once every five years. The initial inspection shall be conducted during the cycle following the fifth year after the date on which the building is issued a temporary or final Certificate of Occupancy. The Board of Managers will be responsible for scheduling and payment of the façade inspections. It is estimated that the cost for the five year inspections will be approximately $4,000.

56. CONFIDENTIALITY.

Purchaser hereby acknowledges and agrees to keep all of the terms and conditions of this Agreement confidential. Purchaser agrees that any information which is required to be disclosed to the parties respective lawyers, architect/engineers, accountants, lenders, individuals who "need to know" or governmental agencies shall not be deemed to be a breach by Purchaser of the parties undertaking of confidentiality contained in this Agreement. Any failure by Purchaser to keep the terms and conditions of this Agreement confidential shall be a default by Purchaser entitling Sponsor to the default remedies set forth in this Agreement.

B. INTRODUCTION

(1) Offer Made by Offering Plan.

The purpose of the Offering Plan is to set forth all of the material terms of the offer in order to allow prospective Purchasers to make an informed decision regarding their purchase of a Unit. The Offering Plan may be amended from time to time when an amendment is filed with the New York State Department of Law. Amendments will be served on all offerees as defined in 13 NYCRR § 20.1(d). An amendment is not effective until the Department of Law of the State of New York has accepted the amendment for filing.

Under New York law, a Sponsor may not offer Condominium Units for sale unless and until an Offering Plan has been accepted for filing by the Department of Law of the State of New York.

(2) Applicable Law.

The Condominium is subject to and complies with the New York Condominium Act (Article 9-B of the New York Real Property Law).

Because the building is greater than five (5) stories, Article 36-b of the General Business Law, which pertains to warranties on the sale of certain new homes does not apply. General Business Law §777, the Housing Merchant Implied Warranty Law is applicable to Condominium Units in building which are five stories and less. Sponsor will not furnish any Warranty on the Units. Despite no warranties provided by Sponsor, Sponsor is obligated to construct the premises in accordance with all applicable codes, filed plans and specifications and locally accepted building practices for items which are not covered by codes. Sponsor's obligation cannot go below the duty to construct the premises in accordance with all applicable codes, filed plans and specifications and locally accepted building practices for items which are not covered by codes. Sponsor's obligation, regardless of any limitations in the warranty or in this offering plan, is to construct the premises in accordance with all applicable codes and filed plans and specifications, and that any conflict between the disclaimers and the Sponsor's obligation to construct the premises in accordance with all applicable codes and filed plans and specifications shall be resolved in favor of the latter.

(3) Sponsor.

The Sponsor is 2850 West 15th Street Development, LLC, a New York Limited Liability Company formed on October 3, 2014.

The Sponsor acquired in fee simple the real property upon which the Condominium is being constructed on August 23, 2016. The deed was recorded in the office of the New York City Register on August 31, 2016 in CRFN # 2016000302573. The prior use of the property was retail store and residential uses.

There will be one (1) newly constructed building on the site of this Condominium. The building will consist of a ground floor, first floor, second floor, third floor, fourth floor and roof. The condominium will contain a total of twenty (20) Residential Condominium Units, one (1) Community Facility condominium unit, and ten (10) Parking Space Condominium Units.

Sponsor has no obligation to sell more than 15% of the units necessary to declare the offering plan effective. 15% of the units is three (3) unit (20 units x 15%). Sponsor reserves the unconditional right to rent after consummation rather than sell Units. Sponsor will endeavor in good faith to sell Units rather than rent. If Sponsor makes a bulk sale of all or some of its unsold Units, the transferee successor Sponsor is bound by Sponsor's representations regarding its commitment to sell Units. A Purchaser of a previously occupied (if a unit has been rented by the Sponsor after the first closing of a Unit to a Purchaser) unit will purchase the unit "as is".

There are no limits or requirements imposed by present the lender for Sponsor to rent rather after consummation than sell under specified market conditions.

Sponsor has obtained construction loan mortgage financing from First Central Savings Bank, with its offices located at 70 Glen Street, Glen Cove, New York 11542 for the project. Sponsor will obtain a release of lien by Construction Lender at the time of conveyance of a Condominium Unit to the Purchaser. There are no requirements by Construction Lender requiring the Sponsor to market the units for sale and there is no minimum number or percentage of units which must be under contract before the plan can be declared effective. There is a minimum release price set by the lender or a required minimum payment per sale which must be made to the lender in order for the lender to release its lien from the unit being sold. There are no limits or requirements imposed by the Lender for Sponsor to rent rather than sell under specified market conditions. The Sponsor intends to either (i) obtain Lender consent to release each condominium unit from the Lender in exchange for payment from each Closing or (ii) obtain a new loan from a new lender with condominium release provisions.

(4) Size of the Offering.

The Sponsor hereby offers for sale twenty (20) Residential Condominium Units, one (1) Community Facility Condominium Unit, and ten (10) Parking Space Condominium Units in one (1) newly constructed building.

The twenty (20) Residential Condominium Units for sale are located on the first floor, second floor, third floor, fourth floor, and penthouse floor, which will be offered for sale.

The one (1) Community Facility Condominium Unit is located on the ground floor which will be offered for sale.

Ten (10) Parking Space Condominium Units will be located in the rear yard of the condominium.

The subject building is presently under construction. It is anticipated that the construction of the all Units will be substantially completed in February 2019. Sponsor intends to convey title to the Unit Purchasers on or about March 1, 2019.

Units for Sale:

The prices for all Units being offered for sale are set forth on Schedule "A" which is included in this Offering Plan. There are no Units or property interests which are not offered for sale.

There are no Units or property interests which are not offered for sale.

The entire common interest is divided among all of the units in the building in accordance with Section 339-i(1)(iv) of the Real Property Law of the State of New York which allocates common interest based floor space, subject to the location of such space and the additional factors of relative value to other space in the Condominium, the uniqueness of the Unit, the availability of Common Elements for exclusive or shared use and the overall dimensions of the particular Unit.

Parking Spaces:

There are ten (10) parking space units available at the Condominium which will be available for sale to the residential condominium unit owners on a first come, first serve basis. Purchasers acquiring a parking space will acquire title in fee simple title. There are less parking spaces than the number of condominium units. Those Unit Owners not purchasing a parking space will be required to rely on off-site street parking.

Parking spaces may only be used for the storage of passenger motor vehicles, but only with a written permit therefor when required by local law and in accordance with every applicable local law, ordinance, resolution, code provision or regulation and with the following provisions:

> Such space or structure shall be used solely for the storage of passenger motor vehicles of the occupants of the multiple dwelling or of multiple dwellings under common ownership, except that, in the event such space or structure or part thereof is not used by such occupants, it may be rented by the owner or owners of such dwelling or dwellings to persons other than the occupants thereof. The space which has thus been rented shall be made available to an occupant within thirty days after written request therefor. However, such space may be used also for the storage of any type of mechanical or motor-driven equipment or other accessory device or passenger bus required for the proper maintenance of the site and of the dwellings thereon. See N.Y. Mult. Dwell Law § 60

Parking Spaces may not be used to repair or work on any vehicle.

Parking Space "P1" has been designated as handicapped parking spaces and will be the last parking spaces sold if they has not previously been sold to a purchaser who themselves or a member of their family has a vehicle with handicapped plates. Common Areas:

All common areas as identified and described in this Offering Plan will be owned by all Unit Owners as common element.

(5) Percentages of Common Interest.

The percentages of common interest and the number of Units are set forth on Schedule "A" of this Offering Plan.

(6) Basic Aspects of Condominium Ownership.

(i) Outright Ownership.

Ownership of a Condominium is similar in many respects to the ownership of a private one-family home. Each Purchaser owns his or her Unit outright and is entitled to the exclusive possession of his or her Unit together with an interest in and right to use the Common Elements, and exclusive right to use Limited Common Elements.

(ii) Differences between the space owned exclusively by a Unit Owner and Common Elements and Limited Common Elements.

Space located inside of the Condominium Unit is owned by a Unit Owner for his or her exclusive use. Use of the Unit is controlled by the provisions of the Condominium Declaration, By-Laws and any rules and regulations promulgated pursuant to these documents. The interior living space of the Unit is generally exclusive space. It must be maintained and decorated by the Unit Owner at his or her own expense.

Common Elements are those portions of the Building used by all Unit Owners together. Examples of Common Elements are: the land, roofs, walls and structural elements of the building, stairwells, residential lobby, windows, hallways, bicycle storage room, elevator machine room, elevator, refuse & compactor room, flood barrier storage room, meter room, sprinkler mechanical room, and certain other portions of the building to be set aside for common use.

Limited Common Elements of the Condominium consist of the portion of the land or Building, other than the Units themselves, which are for the use of one or more specified Units to the exclusion of all other Units. Units 2A, 2B, 2C, 2D, 3A, 3B, 3C, 3D, 4A, 4B, 4C, 4D, 5B and 5D will each have one balcony as limited common element. Units 5A and 5C will each have one terrace as limited common element.

(iii) Payment of Common Charges.

Each Unit Owner must pay common charges in accordance with the Declaration, By-Laws and Sections 339-i and 339-m and other related provisions of the New York Condominium Act (Article 9-B of the New York Real Property Law). Common charges are paid in proportion to the Unit Owner's respective interest in the Common Elements and are used for the operation and maintenance of the Condominium property as the Board of Managers determines in the exercise of its business judgment.

(iv) Compliance with Declaration, By-Laws, Rules and Regulations.

Each Unit Owner is obligated to comply with the Declaration of the Condominium, the By-Laws, Rules and Regulations and any other requirements of the Board of Managers.

(v) Restrictions on Use, Resale, Leasing and Mortgaging Condominium Unit

There are no restrictions on the use or mortgaging, use, leasing or resales of Condominium Units. (See Condominium By-Laws - Article VII, Section 1). The condominium building has not been designated as a Landmark.

(vi) Board of Managers.

The Board of Managers governs the affairs of the Condominium and supervises the operation of the property. Each Unit Owner has the right to vote at annual elections for the

Board of Managers in accordance with the Condominium Declaration and By-Laws. Unit Owners may vote to elect members of the Board of Managers after the expiration of the Sponsor control period.

Any controversy among Unit Owners must be resolved by the Unit Owners in accordance with the By-Laws of the Condominium. Any dispute between the Unit Owner and the Board of Managers shall be resolved in Arbitration (See Article X of the Condominium By-Laws).

Notwithstanding the foregoing, any arbitration held pursuant to the Declaration or these By-Laws with respect to a dispute which arose prior to the first annual meeting of Unit Owners, shall be non-binding. In the event that the American Arbitration Association shall not then be in existence and has no successor, any arbitration hereunder shall be conducted in the City of New York, State of New York before one arbitrator appointed, on application of any party, by any justice of the highest court of appellate jurisdiction located in the City of New York. The decision of the arbitrator so chosen shall be given within ten (10) days after his appointment. All expenses of arbitration hereunder, including the fees and expenses of counsel and experts, shall be a General Common Expense. Any arbitrator appointed or selected in connection with the arbitration hereunder shall be a member of a law firm whose principal office is in the City of New York and which has at least three members.

(b) Agreement by Parties. The parties to any dispute required or permitted to be subject to arbitration hereunder may, by mutual agreement between them, vary any of the provisions of (a) with respect to the arbitration of such dispute, or may agree to resolve their dispute in any other manner, including, without limitation, the manner set forth in Section 3031 of the New York Civil Practice Law and Rules and known as the "New York Simplified Procedure for Determination of Disputes".

The Board of Managers governs the affairs of the Condominium and supervises the operation of the property. Each Unit Owner has the right to vote at annual elections for the Board of Managers in accordance with the Condominium Declaration and By-Laws. Owner-occupants and non-resident owners, including Sponsor, may have inherent conflicts on how the Condominium should be managed because of their different reasons for purchasing, i.e., as a home as opposed to an investment.

Purchasers for their own occupancy may never gain control of the Board of Managers.

After voting control terminates, a majority of the Board of Managers need not be owner occupants or members of an owner-occupant's household who are unrelated to the Sponsor and its principals of Sponsor.

(vii) Taxation and Mortgages.

Each Condominium Unit will be separately taxed and may be separately mortgaged.

(viii) Maintenance, Repairs and Insurance.

A Unit Owner will be responsible for maintenance and repairs inside of the Condominium Unit, for areas which are Limited Common Element to the Condominium Unit and for any equipment which is exclusively used by the Condominium Unit Owner, such as items which service only the individual Condominium Unit. The Unit Owner will be responsible for obtaining and maintaining casualty and liability insurance for the interior of the Condominium Unit and all of its contents. The Condominium will be responsible for maintaining and repairing all common areas of the Condominium.

(ix) No Right of Board of Managers to Approve Purchasers

The condominium board does not have the right to approve or disapprove purchasers.

There is no limit on the number of owners who may purchase for investment rather than for personal occupancy and that there may always be a substantial percentage of owners who are non-residents.

The Condominium Units may only be offered to individuals over the age of eighteen (18) years, corporations, and other entities that may legally own real property in the State of New York.

The Sponsor and the Board of Managers and its agents may not discriminate against any person on the basis of race, creed, color, national origin, sex, age, disability, sexual orientation, marital status or other grounds prohibited by law.

No persons or entities that are prohibited by rules or regulations of the Office of Foreign Asset Control ("OFAC") of the Department of the Treasury (including those named on OFAC's Specially Designated and Blocked Persons List) or under Executive Order 13224 (the "Executive Order") signed on September 24, 2001, and entitled "Blocking Property and Prohibiting transactions with Persons Who Commit, Threaten to Commit, or Support Terrorism, or other governmental action" may purchase a Condominium Unit, (b) no persons or entities that violate the International Money Laundering Abatement and Financial Anti-Terrorism Act of 2001 or the regulations or orders promulgated thereunder (as amended from time to time, the "Money Laundering Act") may purchase a Condominium Unit and (c) all Purchasers of a Condominium Unit must comply with the Executive Order and with the Money Laundering Act.

The Purchase Agreement once executed by the Purchaser(s) and Sponsor is non-assignable without the express written consent of the Sponsor.

(7) Equipment and Fixtures are Included in the Offering Price.

The Sponsor will provide a gas range, dishwasher, and air conditioning equipment in each Unit. The Sponsor will not provide a refrigerator, clothes washer and clothes dryer in each condominium unit. Sponsor will provide a hook-up for a clothes washer and clothes dryer units

in each condominium unit. Sponsor will install and hook-up the gas range and dishwasher. Copies of all documents referred to in the Offering Plan and all Exhibits submitted to the New York State Department of Law in connection with the filing of the Offering Plan will be available for inspection by prospective Purchasers and their attorneys without charge, and for copying at reasonable charge at the site whenever an on-site sales office is open, at the office of the Sponsor as well as at the New York State Department of Law, 28 Liberty Street, 21st Floor, New York, New York 10005.

C. DESCRIPTION OF PROPERTY AND IMPROVEMENTS

(1) General Descriptions of the land, building, Units, parking facilities, recreational facilities and amenities:

GENERAL DESCRIPTION OF THE LAND

The Condominium is located in Brooklyn, County of Kings, in the City and State of New York. The land is located at 2848 West 15th Street, Brooklyn, New York. A metes and bounds description of the Land is set forth in the Declaration in Part II of the Plan. The Property is presently designated as Block 7022, Lot 28 on the Tax Map of the City of New York for the Borough of Brooklyn, County of Kings. The individual Condominium Units will be designated as a Condominium series of lots numbers by the City of New York whereby each Condominium will have and be known as an individual tax lot number.

The Property is located in an R6 zone, which permits residential use, as designated on Map 28d of the 1961 Zoning Resolution of the City of New York. The building is a Quality Housing Project which consists of four components: neighborhood impact, building interior, recreation space and planning and safety and security. The building is in compliance with Quality Housing requirements as per plans submitted and approved by the New York City Department of Buildings. There are no specific restrictions or requirements imposed by the Quality Housing Program imposed on Unit Owners. The Quality Housing Program is a set of zoning regulations that intend to maintain the existing character of neighborhoods by giving incentives to developers with higher building floor areas.

The condominium building is located within the United States Federal Emergency Management Agency ("FEMA") (2015 Preliminary) Map panel Number 3604970353G which is an unprinted panel. The map indicates that the site is located in shaded zone AE which indicates that it is in a Special Flood Hazard Area which is subject to flooding by the annual 1% annual chance flood. There is a possibility of increased insurances for the condominium building due to the condominium building being located in a flood zone. Flood insurance will be obtained for the condominium building pursuant to a letter dated January 18, 2019, from Tredici & Romani, Ltd., 1306 Bay Ridge Parkway, Brooklyn, New York 11228 (See Part I, Section F(viii)).

There are no residential units on the ground floor. The first residential unit is located on the second floor. The FEMA Flood Elevation is at 11.0'. The Design Flood Elevation for the condominium building is 12.0'. According to FEMA, the minimum elevation of the lowest floor in the condominium building must be 11 feet above ground level. The architect for the condominium building designed the first floor of the condominium building to be at an elevation of the Design Flood Elevation which is 12 feet above ground level.

Based on a letter dated January 18, 2019, from Tredici & Romani, Ltd., 1306 Bay Ridge Parkway, Brooklyn, New York 11228, $5,000,000 in flood insurance as set forth in Schedule B is sufficient and complies with applicable FEMA requirements (See Part I, Section F(viii)).

Mortgage lenders may require that in order to lend to condominium units in flood zones, that the condominium unit and the condominium building have flood insurance in an amount equal to $250,000 per condominium unit in the condominium building. In order to comply with potential lender's requirements, the condominium budget provides for flood insurance in an amount equal to $250,000 per condominium unit. There should be no additional costs to a purchaser with regard to the condominium being in a Special Flood Zone as the condominium board of managers will be obtaining $5,000,000 in flood insurance for he condominium building.

Each Unit will be subject to such encroachments and easements in favor of all other Units. It is anticipated that the construction of the all Units will be substantially completed in February 2019. Sponsor intends to convey title to the Unit Purchasers on or about March 1, 2019.

It should be noted by Purchasers that the closing of individual Units under the Plan may occur prior to obtaining a Permanent Certificate of Occupancy for the Building. If only a temporary Certificate of Occupancy is issued by the Closing Date, Sponsor will, at Sponsor and its principals' sole cost and expense, do and perform or cause to be performed all work and supply or cause to be supplied all materials necessary to renew the temporary Certificate of Occupancy and to obtain such Permanent Certificate of Occupancy.

Until a Permanent Certificate of Occupancy for the building has been obtained, no Unit Owner may perform work or cause to be performed work in his or her Unit without Sponsor's prior written consent, which consent may be granted or withheld in Sponsor's sole and absolute discretion. If Sponsor shall give its written consent to such work then Sponsor shall not be released from its obligation under the Plan to renew any temporary Certificate of Occupancy or to obtain a Permanent Certificate of Occupancy for the Building on account of any delays or impediments thereto arising as a result of the performance of such work. However, if any Unit Owner performs or causes to be performed any work in such Unit Owner's Unit without the written consent of Sponsor ("non-permitted work") and such non-permitted work prevents or delays Sponsor from obtaining, renewing or extending any temporary or Permanent Certificate of Occupancy, Sponsor shall take all reasonable measures against the Unit Owner, which measures shall include, if reasonably required, the commencement of appropriate legal and/or equitable action against such Unit Owner in a court of competent jurisdiction. Sponsor also has the right to enter into the Unit and perform all work necessary to obtain the Permanent Certificate of Occupancy at the sole cost and expense of the offending Unit Owner in addition to all legal remedies. Sponsor shall be entitled to exercise all rights and remedies at law and in equity with respect to such Unit Owner and the Unit Owner's work and Sponsor shall be entitled to recover from such Unit Owner any costs incurred by Sponsor (including, without limitation, court costs and reasonable attorney's fees) in enforcing such Unit Owner's obligations hereunder and under the By-Laws. In no event, shall Sponsor be required to appeal any unfavorable decision rendered by a court of competent jurisdiction. Sponsor may, but is not required to appeal any unfavorable decision. In any event, Sponsor is required to obtain a permanent certificate of occupancy for the condominium building. In addition, an action may be brought by the Sponsor against a Unit Owner who violates Section 15 of Article V of the By-Laws, which provides that a Unit Owner is not permitted to make any structural addition, alteration or

improvement to his or her Unit without the consent of the Board of Managers, which consent may be withheld in the Board's sole discretion.

Purchasers are advised that in New York State, newly constructed and newly renovated buildings are sometimes offered as condominium projects without a final certificate of occupancy ("FCO") covering the entire building but with only a temporary certificate of occupancy ("TCO"), and sometimes with several successive temporary certificates of occupancy. Certificates of occupancy are generally governed by Section 301 of the New York Multiple Dwelling Law and local building codes and rules. Both TCOs and FCOs are issued by the New York City Department of Buildings ("DOB"). A TCO is intended to indicate that the property conforms substantially to the DOB approved plans and specifications, and to the requirements of all applicable laws, rules and regulations for the uses and occupancies specified in the TCO. No change of use or occupancy shall be made unless a new certificate of occupancy is issued. All TCO's have an expiration date. A TCO typically expires 90 days after the date of issuance. When a TCO expires and is not renewed, it may be difficult or impossible to buy insurance, refinance, or sell units. In New York State, it is common for Sponsors to commence unit closings when some or all units are covered by a TCO rather than a FCO. Sponsor anticipates this scenario may occur. Sponsor and its principals will undertake the responsibility for extending each TCO received prior to expiration thereof, and ultimately for obtaining a FCO covering the entire building within two years from the date of the issuance of the first TCO. However, Sponsor and its principals make no representation or guarantee that DOB will issue the FCO within such two year period. NOTWITHSTANDING THE FOREGOING, SPONSOR AND ITS PRINCIPALS ARE OBLIGATED TO PROCURE THE FCO FOR THE ENTIRE BUILDING, AND SHALL EXERCISE BEST EFFORTS TO OBTAIN THE FCO WITHIN SUCH TWO YEAR PERIOD WHILE KEEPING THE TCO CURRENT. Unit owners and the Board of Managers shall be obligated to cooperate with and refrain from obstructing Sponsor in these undertakings. Furthermore, because Sponsor and the by-laws of the condominium may permit Unit Owners to undertake renovations to individual Units prior to the procurement of a FCO, such renovations may cause additional delays in the issuance thereof. Notwithstanding the foregoing, Sponsor and its principal are obligated to procure the FCO.

Terraces and balconies are uninhabitable space. Terraces and balconies may NOT be legally used as a bedroom or living room and that to do so may result in a building code violation being issued for the building.

FOOTNOTES TO SCHEDULE A

The amounts set forth on Schedule A are projected based on the assumption that the First Year of Condominium Operations will be the year from March 1, 2019 through February 28, 2020. The actual First Year of Condominium Operations may begin earlier or later than the projected date.

NOTE: BALCONIES AND TERRACES, MAY NOT BE USED AS A BEDROOM OR LIVING ROOM AND THAT TO DO SO MAY RESULT IN A BUILDING CODE VIOLATION BEING ISSUED FOR THE BUILDING.

(i) The method of calculating the number of rooms is based on the New York City Department of Buildings determination of rooms. The number of bedrooms and baths is as set forth on the building plans approved by the New York City Department of Buildings. For more details regarding the rooms within the Units, please consult the floor plans in **Part II, Section "II".**

Any floor plan or sketch or schedule shown to a prospective Purchaser is only an approximation within reasonable tolerances of the square foot area and layout of the Unit in question. Any material changes will be set forth in an amendment to the Offering Plan, and no material adverse change will be made in the size (ex. a decrease), configuration, or layout of a Unit for which an Agreement which has been countersigned by Sponsor and returned to the Purchaser unless the same is dictated by construction conditions at the Property (such as coordination of Building systems, conflicts with structural members or elements, conforming with Legal Requirements, unforeseen events, etc. and, in all cases, in good faith, reasonably necessary due to factors not within the Sponsor's reasonable control, and where no practicable alternative (in the exercise of sound construction management practices) exists, and in such event, Sponsor will, in the amendment disclosing such change and delivered to the Purchasers, offer the materially adversely affected Purchaser(s) the right, for at least fifteen days after the Presentation Date, to rescind their Agreement and receive a refund of their deposit, together with all interest, if any, earned thereon. An increase in the size of a room or Unit will not on its own give rise to a right of rescission unless it is a material adverse change. For more details regarding the actual size of the Units, please consult the floor Plans in Part II, Section "II". A change in the area of a Unit of 5% or less will not affect a Purchaser's obligation unless such change is determined to be a material change. There is a rebuttable presumption that an area that is increased or decreased by 5% or less is not material.

(ii) All square footage measurements listed are approximate within reasonable tolerances, and were obtained by using the method customarily used in New York City to measure Condominium apartments. The approximate floor area of each Condominium Unit is measured as follows: (a) horizontally approximately to the outside face of the masonry work at the exterior walls of the building and approximately to the non-unit side of the walls and partitions (dividing the units from corridors, stairs and mechanical spaces) or to the centerline when a partition divides two units and (b) vertically from the top of the concrete or wood flooring to the underside of the concrete or sheetrock ceiling. The square footage of each Unit listed on Schedule A significantly exceeds the actual usable floor area. The square footage of

each unit is not based upon measurements from interior surfaces of interior walls and the actual area comprising the condominium unit is significantly less than listed on Schedule A of this offering plan. The square footage set forth in the offering plan exceeds the actual usable floor area of the Unit.

(iii) No change in the sales price will be made other than pursuant to a duly filed amendment, except that the Sponsor reserves the right to decrease the sales prices below the Offering Plan prices without filing an amendment to the Plan at any time during the offering where a reduction in the offering price does not constitute a general offering, but is rather the result of an individual negotiated purchase. Purchasers of similar Units may pay different prices for their respective Units. **(See Part I, Section "I(1)" – Changes in Prices and Units).**

Part I, Section "P" of the Offering Plan states the estimated closing costs and adjustments, which must be borne by Purchasers in addition to the sale prices set forth. Purchasers are advised to consult with their attorneys as to the exact closing costs that they will incur in purchasing their Condominium Unit.

(iv) The percentage of Common Interest for each of the Units has been calculated in accordance with Section 339-i(l)(iv) of the Condominium Act based upon floor space, subject to the location of such space and additional factors of relative value to other space in the Condominium, the uniqueness of the Unit, the availability of Common Elements for exclusive or shared use and the overall dimensions of the particular Condominium Unit. The size of the Unit, the location of the Unit and other Limited Common Elements are factors which have been considered in determining the percentage of common interest of each Unit.

(v) The amount stated represents the sum of projected monthly common charges for the first year of operation based on the Condominium budget set forth on Schedule B.

The Sponsor is not offering or procuring mortgage financing for the Purchaser(s). If the Purchaser(s) obtains financing, the Purchaser's debt service will be an additional expense. The projected carry charges do not include certain costs for which the Unit Owner is responsible such as repairs to the interior of the Unit, separately metered gas, electricity, heat, air conditioning and cable television service.

The Purchase Agreement allows the Purchaser to obtain a mortgage and is contingent upon Purchaser obtaining, at its own cost and expense under the terms set forth in Paragraph "14" of the Purchase Agreement (Section "FF" of the Offering Plan). Purchaser shall have thirty (30) days from the date of execution of the Purchase Agreement in order to obtain financing.

Unless there is a financing contingency provided for in the Purchase Agreement, any prospective purchaser who executes a Purchase Agreement and does not obtain financing may lose his or her deposit if he or she is unable to otherwise raise the monies for the balance of the purchase price. Prospective purchasers who require financing are advised to consult with a lending institution before execution of a Purchase Agreement. No representation is made by the Sponsor as to the availability or cost of such financing.

Note that under New York law, when a mortgage contingency is not fulfilled through no fault of purchaser, performance is excused. Sponsor may not condition purchaser's obligations upon obtaining a commitment. If purchaser acts in good faith and lender revokes commitment after contingency period expires, performance is excused.

Purchasers shall have the right to execute a Purchase Agreement subject to obtaining a commitment for financing from a financial institution. In the event that a Purchaser elects to make his Purchase Agreement subject to obtaining financing, then Purchaser: a) Must apply for said financing within three (3) days from the date of receipt of an executed copy of the Purchase Agreement; b) Must notify the Sponsor within five (5) days after the three (3) day period referred to in sub-paragraph (a) of the name and address of the financial institution to whom application was made and the date when said application was submitted; c) Must notify the Sponsor whether the application is accepted or rejected; d) Must request any and all renewals or extensions of the financing commitment so that said commitment will be in force at the closing of title; e) Shall have thirty (30) days from the date of execution of the Purchase Agreement in order to obtain the required financing. Provided that Purchaser complies with the requirements of this paragraph for obtaining financing and if the Purchaser is unable to obtain financing, the Down Payment will be returned to Purchaser.

If Purchaser's obligations are contingent on obtaining a financing commitment and the financing commitment lapses or expires prior to Closing, and the Purchaser has made a good faith effort to extend the commitment, Sponsor will grant Purchaser a right of rescission and fifteen (15) days to rescind the Purchase Agreement.

The condominium may be eligible for FHA loan certification, however, at this time, the Sponsor has not sought project certification from the United States Federal Housing Administration.

Each Unit has a separately metered domestic utility costs for electricity including for air conditioning, lighting and power for each Unit.

Each Unit is separately metered for gas consumption for heating the individual Units, gas for cooking, hot water production and gas for clothing dryers (which clothing dryers are not included in the purchase price of a condominium unit), which costs are borne by each Unit Owners individually.

If Unit Owners obtain cable television services, the costs of cable television service are additional costs to the Unit Owner.

See Schedule "B-1" in this Offering Plan which sets forth the individual carrying costs for utilities.

(vi) With regard to projected real estate taxes, after the Condominium is divided into individual tax lots, each Unit will be taxed as a separate tax lot for real estate tax purposes and

the Unit Owner will not be responsible for the payment of, nor will the Unit be subject to, any lien arising from the non-payment of taxes on other Units.

The Sponsor is not offering or procuring mortgage financing for the Purchaser(s).

On January 1, 2018, the Tax Cuts and Jobs Act of 2017 ("Tax Cuts and Jobs Act") went into effect. The Tax Cuts and Jobs Act modified the mortgage interest expense deduction cap from $1,000,000 to $750,000, meaning that mortgage interest is only deductible on mortgages amounts up to $750,000 and there is no longer any interest expense deductibility for home equity loans pursuant to Internal Revenue Code §164(h). The deduction for state and local taxes is capped at $10,000 pursuant to Internal Revenue Code §164. It is the opinion of Rosen Law LLC that a Residential Unit Owner who uses the Residential Unit as a personal residence will, under present Law, for Federal, New York State and New York City income tax purposes, be entitled to a deduction for mortgage interest for interest on loans up to $750,000 and real estate taxes in the year paid in the case of cash basis taxpayers or accrued in the case of other taxpayers of up to $10,000 (including total real estate taxes and other state and local taxes), subject to certain exceptions and limitations which are more particularly discussed in the Attorney's Income Tax Opinion. Purchasers should note that deductions, if applicable, may vary in the future due to changes in the interest rate or the Residential Unit Owner's mortgage or from changes in the allocation of the constant debt service payments to interest and principal, or due to changes in real property taxes resulting from the expiration of real estate tax benefits, or from changes in the assess value, the tax rate or the method of assessing the real property. Purchasers who are individuals should note that mortgage interest is deductible generally only with respect to (1) secured debt used to acquire, construct or substantially improve a principal or second residence (or which constitutes a refinancing of such debt) (up to a total indebtedness of $750,000) and amounts in excess of these limitations would not be deductible. Each Purchaser should consult with his or her own tax counsel, accountant or other financial advisor as to the tax consequences of the ownership of a Condominium Unit.

Tax deductions may vary in future years due to changes in the interest rate on the unit owner's mortgage, changes in the allocation of constant debt service payments to interest and principal, changes in real property taxes resulting from the expiration of real estate tax benefits, or from changes in the assessed value, the tax rate or the method of assessing real property.

Based on an opinion letter dated January 21, 2019 from Gary Rosen, Esq., Rosen Law, LLC, 216 Lakeville Road, Great Neck, New York 11020, the real estate tax projections are as follows, based on Gary Rosen, Esq.'s personal experience in estimating real estate taxes for new condominium developments, based on comparable real properties, for approximately twenty (20) years:

Based on an opinion letter dated January 21, 2019 from Rosen Law, LLC, 216 Lakeville Road, Great Neck, New York 11020, the real estate tax projections are as follows:

The actual real estate taxes for the condominium building for the period July 1, 2018 through June 30, 2019 are $5,432 based on the actual real estate tax bill for the property, which

is based on the actual assessed valuation of $26,649 multiplied by the class 1 tax rate of $20.385%. The property is classified as Class 1 property for the period July 1, 2018 through June 30, 2019. The first year of operations of the condominium are anticipated to be March 1, 2019 through February 28, 2020. The real estate taxes assessed for the Condominium Building for the period of March 1, 2019 through June 30, 2019 will be a four (4) month period (March 1, 2019 through June 30, 2019) of the annualized real estate taxes of $5,432. The real estate taxes for the period March 1, 2019 through June 30, 2019 are anticipated to be $1,810 based on $5,432 divided by 12 months, multiplied by four (4) months.

On January 5, 2019, the New York City Department of Finance issued the tentative assessed valuations for real properties, including for the Condominium Building (the "2019/2020 Tentative Assessed Valuation"). Based on the 2019/2020 Tentative Assessed Valuation of $21,960, it is anticipated that the real estate taxes on the Condominium Building for the 2019/2020 tax year (July 1, 2019 through June 30, 2020) will be approximately $4,594 ($21,960 x the tax rate of 20.919%). The real estate taxes assessed for the Condominium Building for the period of July 1, 2019 through February 29, 2020 will be an eight (8) month period (July 1, 2019 through February 29, 2020) of the annualized real estate taxes of $4,594. The real estate taxes for the period July 1, 2019 through February 29, 2020 are anticipated to be $3,062 based on $4,594 divided by 12 months, multiplied by eight (8) months.

Based on the foregoing, the real estate taxes for the period March 1, 2019 through February 29, 2020 are anticipated to be $4,872.

The actual real estate taxes of $4,872 (anticipated for the period March 1, 2019 through February 28, 2020) would be apportioned to each Condominium Unit based on the percentage of common interest and then apportioned on a daily basis from the date of the closing to June 30, 2019. If any closings occur prior to June 30, 2019, and if the tax lots have not yet been apportioned, then the Sponsor will pay the real estate taxes due on the entire Condominium Building through June 30, 2019 and then charge each Unit Owner their proportionate share based on the foregoing, which shall be paid at Closing.

TOTAL ANTICIPATED REAL ESTATE TAXES MARCH 1, 2019 THROUGH FEBRUARY 28, 2020 ARE $4,872.

It is anticipated that once the Condominium Building is completed, the property will be reassessed by the New York City Department of Finance for the 2020/2021 (July 1, 2020 through June 30, 2021) tax year will be approximately $865,000.00. Based on a real estate tax rate of $12.719 per $100 of assessed valuation (for a Class 2 property), it is anticipated that the real estate taxes on the building will be approximately $110,019 for the 2020/2021 tax year. It is anticipated that the tax classification will be Tax Class 2 for the period July 1, 2020 through June 30, 2021. It is anticipated that the real estate taxes for the period July 1, 2020 through June 30, 2021 will be approximately $110,019.

The anticipated projected assessed valuation and real estate taxes for the condominium building for the first full year the property is assessed at its post-construction value is as follows:

Anticipated post-construction assessed valuation - $865,000.00
Anticipated tax rate for the first full year the property = 12.719%
Anticipated real estate taxes based on post-construction assessed valuation = $110,019

If the condominium units have been apportioned prior to the first closing, then, in that event, each unit owner will be responsible for the payment of the real estate taxes on their unit commencing on the date of the Closing.

The actual real estate taxes would be apportioned to each Condominium Unit based on the percentage of common interest and then apportioned on a daily basis from the date of the closing to June 30, 2019. If any closings occur prior to each Unit being separately apportioned by the New York City Department of Finance, then the Sponsor will pay the real estate taxes due on the entire Condominium Building through June 30, 2019 and then each Unit Owner will reimburse the Sponsor for their proportionate share of the Real Estate Taxes at the Closing.

If the condominium units have not been separately assessed as of the first closing, the Sponsor will pay the full real estate taxes for the property for the 2018/2019 tax year. At each closing that occurs during that tax year, a unit owner will reimburse the Sponsor a proportionate share of the real estate taxes based on the unit's percentage of common interest.

The approximately date of completion of the Condominium Building will be in February 2019 and the first closing will be on or about March 1, 2019.

If such amended projections exceed the original projections by twenty-five percent (25%) or more, the Sponsor must offer all purchasers the right to rescind and a reasonable period of time that is not less than fifteen (15) days after the date of presentation to exercise the right, whether or not Sponsor offers to guarantee the previous budget projection. Sponsor must return any deposit or down payment to purchasers who rescind within a reasonable period of time not to exceed fifteen (15) days. Sponsor may not declare a plan effective where there are any material changes to the budget if these changes have not been disclosed by a duly filed amendment to the Offering Plan.

FOOTNOTES TO SCHEDULE B

The projections set forth in footnotes (i) through (xiii) of this Schedule B, were made by Gary Rosen, licensed real estate broker, 216 Lakeville Road, Great Neck, New York 11020, whose qualifications are set forth in the CERTIFICATION BY SPONSOR'S EXPERT CONCERNING THE OF ADEQUACY OF OPERATING BUDGET.

Amounts are projected on the assumption that the First Year of Condominium Operations will be the twelve month period March 1, 2019 through February 28, 2020. The actual First Year of Condominium Operations may be earlier or later than the aforesaid twelve month period. If the actual or anticipated date of commencement of condominium operation is to be delayed more than six (6) months from the budget year projected in the Offering Plan, the plan must be amended to include a revised budget disclosing current projections. If such amended projections exceed the original projections by twenty-five percent (25%) or more, the Sponsor must offer all purchasers the right to rescind and a reasonable period of time that is not less than fifteen (15) days after the date of presentation to exercise the right, whether or not Sponsor offers to guarantee the previous budget projection. Sponsor must return any deposit or down payment to purchasers who rescind within a reasonable period of time not to exceed fifteen (15) days. Sponsor may not declare a plan effective where there are any material changes to the budget if these changes have not been disclosed by a duly filed amendment to the Offering Plan.

Purchasers should note that even if the first closing occurs on or before March 1, 2019 (or such other date projected as the date of commencement of the operation at the time the purchase agreement was entered into) or within the twelve month period thereafter, the closing of subsequent units may be substantially delayed beyond such dates if a TCO has not been issued for such units or for the floor on which such units are located. In such case, provided that Sponsor is diligently pursuing completion of construction and the issuance of a certificate of occupancy and is otherwise in compliance with its obligations under the Plan, Purchaser will not be entitled to a right of rescission or to make claims against the Sponsor for damages or losses as a result of such delays and will not be excused from paying the full purchase price for the unit. PROSPECTIVE PURCHASERS SHOULD THEREFORE CAREFULLY CONSIDER THE POSSIBLITY OF SUCH DELAYS IN THEIR DETERMINATION AS TO WHETHER TO PURCHASE A UNIT.

The Sponsor expects the first closing of a unit to occur on or about March 1, 2019. Sponsor has the right to change the projected First Year of Condominium Operation from time to time by an amendment to the Plan. If the First Closing does not occur prior to March 1, 2020 (12 months after the date set forth in Schedule B for the projected First Year of Condominium Operation in effect on the date that a Purchaser and Sponsor entered into a Purchase Agreement), Sponsor will offer to those Purchasers whose Purchase Agreement was executed prior to the filing date of the amendment disclosing Sponsor's failure to close within such time frame, will be offered a right of rescission of the Purchase Agreement for fifteen (15) days from the Presentation Date of such amendment. Any such Purchasers electing rescission will have their downpayment returned together with any interest earned thereon, if any, except for any Unit Upgrade Funds, to the extent they have been expended by Sponsor.

However, if the first closing occurs before March 1, 2020, the Sponsor may schedule the closings of title to other units significantly later than such date. Unless your Purchase Agreement contains an outside closing date, the Sponsor is not obligated to schedule your closing within any specified time frame or to ensure that closing of title to your closing within any specified time frame or to ensure that closing of title to your Unit will occur by any date certain. PROSPECTIVE PURCHASERS SHOULD THEREFORE CAREFULLY CONSIDER SUCH RISKS IN THEIR DETERMINATION AS TO WHETHER TO PURCHASE A UNIT.

(i) Common Charges - $88,110

The Common Charges are equal to the estimates of income and operating expenses been made by the Sponsor based upon the operation of comparable developments in the City of New York. It cannot be construed as an assurance of the final expenses and is merely based upon information available at this time.

Commercial Income

There is no Commercial income anticipated.

(ii) Labor - $5,618

The budget items for Payroll and Related Expenses is based on the following level of staffing:

One part time superintendent ("the labor staff") comprises the labor that will be employed by the Condominium. The employee will not be a union member.

The part time superintendent will be responsible for performing all work required for the normal maintenance of the Condominium, such as cleaning the common elements, landscaping and snow removal in common areas.

The Board of Managers shall be responsible for hiring any appropriate repair service and to ensure that such service will make any emergency repairs to the Common Elements in the event that the part time superintendent cannot make any necessary repairs.

The level of staffing complies with all applicable housing and labor laws. Sponsor will file a post-closing amendment which will identify the name of the superintendent and the location where the superintendant resides. The superintendant is required to reside within 200 feet of the condominium to comply with New York City law. New York State's Multiple Dwelling Law §83 requires that "whenever there are 13 or more families occupying any multiple dwelling and the owner does not reside therein, there shall be a janitor, housekeeper or some other person responsible on behalf of the owner who shall reside in said dwelling, or within a dwelling located within a distance of 200 feet from said dwelling...". The labor costs set forth herein, include benefits required by local, state or federal law or required by contract such as workers' compensation, disability insurance, welfare and pension contributions by employers, unemployment insurance and payroll taxes.

It is projected that the salary, wages, expenses and benefits for the labor staff will be as follows:

ONE PART TIME SUPERINTENDENT

Salary (Part Time Superintendent - 6 hrs every week x 52 weeks x $15 / hour)	$4,680.00
Workers Compensation Insurance @ 3.42% of applicable wages	$160.06
FICA @ 6.20% of applicable wages	$290.16
Medicare @ 1.45% of applicable wages	$67.86
NYS Unemployment Insurance @ 7.40% of applicable wages	$346.32
Federal Unemployment Insurance @ 0.80% of applicable wages	$37.44
NYS Disability Insurance @ approximately $35.40 per employee	$35.40
Supplemental Benefits - none)	$0.00
Total Salary and Benefits for one Full Time Superintendent	$5,617.24

The budget for labor reflects current wage rates and payroll tax rates applicable for the budgeted year, and reasonably anticipated increases for the first year of operation of the condominium.

The wages set forth herein meet state minimum wage laws.

In the event that the Board determines that additional labor is required in the future, common charges will be increased to cover the increased costs of labor.

The payroll taxes and benefits include FICA, Federal and New York State unemployment insurance, workers' compensation, disability insurance, holiday and vacation pay.

The projected expenses for wages, salaries, benefits as well as the assumptions described herein, are believed to be reasonable and reflect the experience of Sponsor's budget expert in comparable Building.

The basis for the projected labor costs is based on upon the experience of Gary Rosen, licensed real estate broker, 216 Lakeville Road, Great Neck, New York 11020 on October 29, 2018 having prepared actual budgets for other condominiums.

The superintendent is not obligated to live in the building, but the Board of Managers must comply with New York City Housing Laws which require that a superintendent live within 200 feet of the condominium building or that a janitorial service provide services to the Condominium on a 24 hour per day / 7 days per week basis. Sponsor and the Board of Managers will comply with the requirements of New York City Housing Laws.

Sponsor will file a post-closing amendment which will identify the name of the part time superintendent and the location where the superintendent resides **(See Part I, Section "F(ii)")**.

The superintendent is required to reside within 200 feet of the condominium to comply with New York City law. New York State's Multiple Dwelling Law §83 requires that "whenever there are 13 or more families occupying any multiple dwelling and the owner does not reside therein, there shall be a janitor, housekeeper or some other person responsible on behalf of the owner who shall reside in said dwelling, or within a dwelling located within a distance of 200 feet from said dwelling...". As this condominium contains twenty (20) condominium units, New York State's Multiple Dwelling Law §83 does apply.

The superintendent is required to reside within 200 feet of the condominium to comply with New York City law. New York City Administrative Code §27-2054 requires that "The person who performs janitorial services for a multiple dwelling of nine or more dwelling units (other than where janitorial services are performed on a twenty-four-hour-a-day basis under paragraph three of subdivision b of section 27-2053 of this article) shall reside in or within a distance of one block or two hundred feet from the dwelling, whichever is greater, unless the owner resides in the multiple dwelling. Where two or three multiple dwellings are connected or adjoining, it shall be sufficient, however, that the person who performs janitorial services resides in one of these, but no person who performs janitorial services for more than one multiple dwelling may service more than sixty-five dwelling units. Regardless of residence the janitor must have a telephone where the janitor may reasonably be expected to be reached". As this condominium contains twenty (20) condominium units, New York City Administrative Code §27-2054 does apply.

The labor costs set forth herein, include benefits required by local, state or federal law or required by contract such as workers' compensation, disability insurance, welfare and pension contributions by employers, unemployment insurance and payroll taxes.

The Board of Managers shall be responsible for hiring any appropriate repair service and to ensure that such service will make any emergency repairs to the Common Elements in the event that the part time superintendent cannot make any necessary repairs.

(iii) Heating and domestic hot water costs (utility costs) - $0

None.

There will be no heat provided in the common areas.

Each individual condominium unit will have its own gas meter for consumption of gas for hot water, heating, cooking purposes and for a gas clothing dryer. Each Unit Owner must make arrangements with the utility company to obtain gas service. Each individual condominium unit will have its electric meter for consumption of electric for heating.

See Schedule B-1 for gas costs for each individual Unit.

(iv) Electric Utility costs – $11,000

Electricity will be used for lighting and power. The projected cost per kilowatt hour of electricity is $0.25 per kilowatt hour inclusive of sales tax for energy to provide lighting and power for the Building. The cost of electric is based upon Consolidated Edison Rate Schedule 1.

There is no air conditioning in the common areas.

Power for lighting and air conditioning in individual Units is provided by electricity. There will be separate electric meters for each condominium Unit to measure electricity usage by each Unit Owner and each Unit Owner will be responsible for arranging for electricity service and for paying for all electricity from the local electric service provider. At the present time, Con Edison is the provider of electricity to the Condominium Building.

There will be one (1) common electric meter for electricity usage for the common areas of the condominium to be paid by the condominium as a common expense through common charges. The common electric meter will meter electricity consumed for public interior lighting, exterior lighting, fans and pumps.

It is anticipated that the Condominium will utilize approximately 40,000 kilowatt hours per year of electricity at a rate of approximately $0.25 per kilowatt hour for a total price of $10,000. The total sum of $10,000 has been increased by $1,000 (ten percent increase) for anticipated inflation. The figure of $0.25 per kilowatt hour is inclusive of 8.875% sales tax for a total budget sum of $11,000.

The projections for electricity consumption and rates is pursuant to a letter dated October 29, 2018, from Gary Rosen, licensed real estate broker, 216 Lakeville Road, Great Neck, New York 11020.

The cost of electricity for public lighting is based upon 24 hours of operation per day for interior lighting and 12 hours of operation per day for exterior lighting.

In view of the current energy situation, it is not possible to predict whether the budgeted figure will reflect the annual cost to be incurred during the first year of condominium operation, which will vary with the level of consumption and the cost of the utility. Electricity is generated by the utility company by means of fuel oil as primary energy source. If the cost of oil used to generate electricity increases, it is likely that electricity rates will increase. It is believed that the projected figure should be sufficient to cover any reasonable increase in the cost of electricity resulting from the foregoing during the first year of condominium operation.

The utility costs, for the purposes of this budget have been increased by ten percent (10%) to reasonably anticipate an increase in utility costs. Taxes are included.

See Schedule B-1 for electricity costs for each individual Unit.

(v) Water Meter / Sewer Charges - $21,192

Water and sewers are provided by the City of New York. The annual water and sewer charge for 100 cubic feet of water (748 gallons) is approximately $9.87 per cubic foot of water.

The Units will not be individually metered for water. There will be one (1) water meter to measure all water consumed by all Condominium units. The cost for water and sewer charges will be a common expense and paid by Unit Owners through the payment of their Common Charges. The condominium board of manager may install a separate water meter to measure the water usage of the Community Facility Unit and the Community Facility Unit shall pay as additional common charges to the condominium the actual water charge costs used by the Community Facility Unit, less the proportionate share of the water charges paid by the Community Facility Unit owner prior to installation of the separate water meter (based on the percentage of common interest of the Community Facility Unit).

The above figures are based upon construction complying with the New York State Energy Conservation Construction Code. Costs can vary considerably depending upon actual usage, personal habits and maintenance of equipment in efficient operating conditions, as well as thermostat settings. These figures are not intended to be a guaranty. Although it is believed that the foregoing is accurate, no warranty is made to what the actual costs may be.

The Board of Managers has the right, at its sole cost and expense, to install a submeter or separate water meter to measure the water consumption for the community facility unit and it may charge the community facility unit owner for water usages based on actual consumption.

The projection for water meter / sewer charges is based upon estimates dated October 29, 2018, from Gary Rosen, licensed real estate broker, 216 Lakeville Road, Great Neck, New York 11020. The budgeted figure has been estimated based upon estimated annual water and sewer charges published by the New York City Bureau of Water & Energy Conservation, similar charges for buildings with approximately the same number Units and in accordance with rates

currently in effect in New York City and is based on the usage of 200 gallons of water per day for condominium unit.

1,952 CCF of water is assumed to be utilized by Unit Owners @ $9.87 for a total anticipated cost of $19,266.

The estimated cost of water and sewer charges includes usage and sales tax includes a ten percent (10%) inflation factor has been added for budgeting purposes.

(vi) Repairs, Maintenance and Supplies - $2,500

Common repairs and maintenance costs, included in this budget, include roofing, exterior repairs (including walls, foundations, windows, doors and locks), plumbing outside of the individual condominium Unit, electrical work outside of the individual condominium unit, exterminating outside of the individual condominium Unit, grounds maintenance (snow removal, gardening and landscaping), janitorial supplies outside of the individual condominium Unit, painting of common areas.

Costs to be incurred by individual Unit Owners, include but are not limited to Unit interior repairs, individual Unit heating, hot water and gas service, plumbing inside of the individual condominium Unit, electrical work inside of the individual condominium Unit, exterminating inside of the individual condominium Unit, cleaning inside of the individual condominium Unit and painting inside of the individual condominium Unit.

The budgeted figure for repairs, maintenance and supplies does not include improvements and repairs to, maintenance of, or supplies for individual Units and certain Limited Common Elements (see Special Risks, Part I). Each individual Unit Owner is responsible for improvements and repairs to, maintenance of, and supplies for such Unit Owner's Unit and certain Limited Common Elements irrevocably restricted to his use.

The estimate includes maintenance of and repairs to all Common Elements and certain Limited Common Elements of the Property. Based upon the experience of Gary Rosen, licensed real estate broker, 216 Lakeville Road, Great Neck, New York 11020, having prepared actual budgets for other condominiums, he has determined that the sum of $2,500.00 is adequate for costs that the condominium can expect to incur during the first year of operation.

(vii) Service Contracts - $2,700

No maintenance or service contracts have been entered into as of the date of this Plan. However, it is projected that the Board of Managers will enter into maintenance agreements for the following services, the cost of which will be shared by all Unit Owners based on Common Interest:

Fire Sprinkler alarm monitoring service – $1,200

There will be a fire alarm central office monitoring service for the fire sprinkler system in the condominium building. It is estimated that the monthly central station fees will be $100.00 per month.

Fire Sprinkler alarm annual inspections – $1,500

The fire alarm system will require two – semi annual inspections per year. It is estimated that the cost for the two – semi annual inspections for all of the condominium buildings will be $1,500.00.

This Plan will be amended to disclose all service contracts that may be entered into by the Sponsor, if any.

(viii) Insurance - $18,700

Pursuant to a letter dated January 18, 2019, from Tredici & Romani, Ltd., 1306 Bay Ridge Parkway, Brooklyn, New York 11228, the estimated insurance premium will be $6,800 with coverages to include the following:

Property Insurance
Building - $4,000,000;
Business Income – Actual Loss Sustained
Deductible - $2,500;
Inflation Guard – 4%
Equipment Breakdown

Commercial General Liability Insurance:
Premises Liability - $1,000,000 per occurrence / $2,000,000 aggregate
Medical Payments - $5,000 per person
Products / Completed Operations - $1,000,000 aggregate
Personal and Advertising Injury - $1,000,000 per occurrence
Excess Liability - $1,000,000
Earthquake - $250,000
Ordinance or Law - $250,000
Employee Dishonesty - $25,000

Directors and Officers Liability Insurance:
Wrongful Act / Annual Aggregate – None

Flood Insurance:
$5,000,000 (based on $250,000 per residential condominium unit x 20 residential units)

The insurance limit of $5,000,000 complies with applicable FEMA requirements which is the maximum flood insurance that may be obtained for this condominium. While the condominium may obtain a lower limit of flood insurance to comply with FEMA requirements, in order for lenders to be satisfied with sufficiency of flood insurance for the condominium

building, the budget is based on the maximum amount of flood insurance in the amount of $5,000,000 for the condominium building.

Mortgage lenders may require that in order to lend to condominium units in flood zones, that the condominium unit and the condominium building have flood insurance in an amount equal to $250,000 per condominium unit in the condominium building. In order to comply with potential lender's requirements, the condominium budget provides for flood insurance in an amount equal to $250,000 per condominium unit. There should be no additional costs to a purchaser with regard to the condominium being in a Special Flood Zone as the condominium board of managers will be obtaining $5,000,000 in flood insurance for he condominium building.

If the Board of Managers desires to obtain Directors and Officers Liability Insurance, it is anticipated that the cost will be approximately $750 per year.

The site is located within the FEMA (2015 Preliminary) Map panel Number 3604970353G which is an unprinted panel. The map indicates that the site is located in shaded zone AE which indicates that it is in a Special Flood Hazard Area which is subject to flooding by the annual 1% annual chance flood. There is a possibility of increased insurances for the condominium building due to the condominium building being located in a flood zone. Flood insurance will be obtained for the condominium building pursuant to a letter dated January 18, 2019, from Tredici & Romani, Ltd., 1306 Bay Ridge Parkway, Brooklyn, New York 11228 (See Part I, Section F(viii)).

There are no residential units on the ground floor. The first residential unit is located on the second floor. The FEMA Flood Elevation is at 11.0'. The Design Flood Elevation for the condominium building is 12.0'. According to FEMA, the minimum elevation of the lowest floor in the condominium building must be 11 feet above ground level. The architect for the condominium building designed the first floor of the condominium building to be at an elevation of the Design Flood Elevation which is 12 feet above ground level.

According to a letter dated January 18, 2019, from Tredici & Romani, Ltd., 1306 Bay Ridge Parkway, Brooklyn, New York 11228, $250,000 in flood insurance is sufficient and complies with FEMA requirements (See Part I, Section F(viii)).

The coverage amount limit stated above for casualty insurance is based on full replacement value and should be sufficient to avoid the effects of co-insurance. Excess liability coverage is not included. The insurance policies shall provide that (i) there will be no cancellation without notice to the Condominium Board; (ii) the defense of invalidity because of acts of the insured and Unit Owners is waived; and (iii) the defense of pro-rata reduction in liability is waived if Unit Owners obtain additional coverage. All of the above coverage including the public liability insurance will be in place on or before the closing of the first Unit in the Condominium.

The following items are not included in the condominium budget and are applicable to this offering:

a. Officers' and directors' liability;

b. Rent insurance;
c. Water damage (except flood damage);
d. Elevator collision;
e. Boiler and machinery;
f. Excess liability;
g. Auto liability;
h. Fidelity bond and
i. Garage keeper's liability.

Insurance coverage for the foregoing items may be available at an extra cost to the condominium.

No coverage is provided for fire and casualty losses to the contents of each individual Unit, nor does the coverage take into account any future replacements or additions to either the Units or the fixtures and improvements contained therein. In. addition, no liability coverage for an individual Unit Owner is included in the coverage provided above. Prospective purchasers should consult their attorney or insurance agent to determine the advisability of obtaining insurance for their own risk of liability and fire and casualty losses.

Unit owners are advised that they should obtain additional insurance at their own cost to cover such risks as fire and casualty losses to unit contents, replacements, additions, fixtures and improvements, and liability coverage for occurrences within the unit or on Limited Common Elements.

THE RATES REFLECTED ABOVE ARE THOSE IN EFFECT AS OF THE DATE OF THE OFFERING PLAN. BECAUSE OF THE VOLATILITY OF THE INSURANCE MARKET IT IS NOT POSSIBLE TO PREDICT WHETHER FUTURE PREMIUMS WILL CONTINUE TO INCREASE OR WILL LEVEL OFF. NO REPRESENTATION IS MADE REGARDING THE ACTUAL COST OF INSURANCE AT THE TIME OF THE COMMENCEMENT OF THE BUDGET.

A ten percent (10%) inflation factor of has been added to the quotation provided by Tredici & Romani, Ltd., 1306 Bay Ridge Parkway, Brooklyn, New York 11228.

(ix) Management Fees - $14,000

Until such time as Sponsor enter into an agreement with a management company, Sponsor will manage the condominium at no cost to the condominium or unit owners. Sponsor will engage the services of a management company (the "Management Company"), which may or may not be affiliated with Sponsor. Sponsor on behalf of the Board of Managers will enter into a management contract with the Management Company (the "Managing Agent") on the following terms:

Annual Management fee shall be $14,000;
Either party may terminate the contract upon sixty days written notice and upon payment of the balance of the fees due to the Managing Agent.

The Sponsor will amend the offering plan if a Managing Agent is retained which amendment will include the name, address and telephone number of the Managing Agent with the relevant terms of the management agreement.

The Managing Agent is anticipated to receive an annual fee of $14,000 payable in equal monthly installments. The Managing Agent's fee for the First Year of Condominium Operation is comparable to the management fee for similar services in buildings comparable to the Building. Sponsor will amend the Plan to disclose any material change in the Managing Agent's fee for the First Year of Condominium Operation.

The Managing Agent will be responsible for issuing monthly common charge invoices to the Unit Owners, collecting the monthly common charges, paying bills of the condominium, and overseeing the employees of the condominium. The duties of the Board of Managers with respect to management of the Condominium are set forth in Section "S" & "T" of this Offering Plan.

The Sponsor will determine the date on which the Managing Agent shall commence its work. Until such time as the Sponsor determines that Management Agent shall commence, the Sponsor will be responsible for issuing monthly common charge invoices to the Unit Owners, collecting the monthly common charges, paying bills of the condominium, and overseeing the employees of the condominium and Sponsor will not charge the Condominium any management fee for its work.

The sum of $14,000 for a management fee is the prevailing rates for management services for similarly sized properties in Brooklyn, New York and includes any expenses incurred by Managing Agent for its services.

The management agreement, if any may be terminated in the event of Managing Agent's fraud, misappropriation of condominium funds, embezzlement, or the like.

(x) Legal Fees and Audit Fees - $2,500

The amount reflected does not cover extraordinary costs or expenses for additional services rendered or costs incurred to

conduct litigation on behalf of the Condominium. The budgeted sum is to be used by the Board of Managers elected by Unit Owners when consulting with an attorney of their choice to review contracts, collect delinquent common charges, or general legal advice with regard to the Condominium. The attorney for the condominium's normal business operations has not been determined. The condominium board of managers will decide the attorney to hire for the condominium's normal business operations in the future.

The basis for the projected legal fee costs is based on upon the experience of Gary Rosen, licensed real estate broker, 216 Lakeville Road, Great Neck, New York 11020 on October 29, 2018, having prepared actual budgets for other condominiums

The sum of $2,000.00 has been included in the budget which reflects the estimated cost of retaining an accountant to prepare a year end financial statement and federal and state tax returns for the first calendar year of condominium operation. The estimate is based upon the fee quotation dated June 26, 2018 provided to the Sponsor by Morris Teper CPA, 104 South Central Avenue, Valley Stream, New York 11580. The fee of $2,000.00 is the maximum that will be charged to the condominium for the preparation of a certified financial statement while the Sponsor in control of the Board of Managers, and this sum is guaranteed by the Sponsor as long as the Sponsor is in control of the Board of Managers. In the event that the actual costs exceed $2,000.00 while the sponsor is in control of the Board of Managers, then the Sponsor shall be responsible for any accounting fees exceeding the $2,000.00 as quoted by the Certified Public Accountant herein.

The basis for the projected contingency fund is based on upon the experience of Gary Rosen, licensed real estate broker, 216 Lakeville Road, Great Neck, New York 11020 on October 29, 2018, having prepared actual budgets for other condominiums.

(xiii) Reserve Fund - $8,900

The reserve fund will be funded by each purchaser through payment of this monthly common charges. The Reserve Fund shall be used for capital expenditures. Sponsor does not represent or warrant that the Condominium will have sufficient funds for any such capital

expenditures within or after five (5) years following the Closing Date should such capital expenditures be needed.

While the Sponsor is in control of the Board of Managers, the Reserve Fund or Working Capital Fund may not be used to reduce projected common charges in the Offering Plan.

The basis for the projected reserve fund is based on upon the experience of Gary Rosen, licensed real estate broker, 216 Lakeville Road, Great Neck, New York 11020 on October 29, 2018, having prepared actual budgets for other condominiums.

Neither the New York State Department of Law or any other governmental agency has passed upon the adequacy of the Reserve Fund. (See Part I, Section "X").

Miscellaneous Notes:

Sponsor has reserved the right to modify, renew and replace existing service, maintenance, employment, concessionaire and other agreements and to enter into new agreements that will be binding on the Board of Managers upon commencement of condominium operations. THE FOREGOING BUDGET, HOWEVER, IS NOT INTENDED AND SHOULD NOT BE TAKEN AS A GUARANTY OR WARRANTY BY ANYONE THAT THE ANNUAL COMMON CHARGES OR OTHER INCOME OR EXPENSES FOR SUCH FISCAL YEAR OR ANY SUBSEQUENT YEAR OF OPERATION OF THE PROPERTY BY THE CONDOMINIUM WILL BE AS SET FORTH IN SAID SCHEDULE AND BUDGET, AND IT IS POSSIBLE THAT THE ACTUAL COMMON CHARGES AND OTHER ITEMS OF INCOME AND EXPENSES WILL VARY FROM THE AMOUNTS SHOWN IN THE SCHEDULE.

Footnotes to Schedule B-1

1. The estimated cost for electric is based upon each Unit being equipped for general lighting, power, air conditioning and miscellaneous household appliances. The projected cost per kilowatt of electricity is $0.25 per kilowatt inclusive of sales tax plus a ten percent increase for any reasonably anticipated increases.

2. The estimated cost for gas usage by each individual Unit Owner is based upon an individual gas meter for each condominium Unit to measure consumption of gas for heat, cooking, hot water and a clothes dryer. The projected cost of gas is $1.40 per therm inclusive of sales tax plus a ten percent increase for any reasonably anticipated increases for energy to provide gas for heating, cooking, hot water and for a clothes dryer for each condominium Unit. Heating costs are a substantial part of a Unit Owner's gas usage.

3. The estimated costs are based upon average consumption of similarly situated residential users and is based upon the projections provided by Gary Rosen, licensed real estate broker, 216 Lakeville Road, Great Neck, New York 11020. It is not possible to predict whether the estimated annual cost for each Unit will reflect the actual cost which will vary with the level of consumption of each Unit Owner.

4. Heating costs are estimated for each Unit based upon maintaining the inside temperature at 70 degrees Fahrenheit when the outside temperature is 0 degrees Fahrenheit for 5,350 degree days with an ASHRAE Correction Factor = 0.65.

5. Air conditioning will be produced by split package air conditioning units which are provided by the Sponsor. Electricity costs for air conditioning in each condominium unit shall be paid by each Unit Owner for their own Unit. The cooling systems shall be designed to provide sufficient cooling to maintain inside conditions of 78 degrees Fahrenheit and 50% relative humidity when the outside conditions are 88 degrees Fahrenheit dry bulb and 72 degrees wet bulb (in accordance with ASFRAE, 2001 Fundamentals Handbook, Climatic Design Information, Table 1B, for New York City, JFK Airport). Indoor design temperatures will be in accordance with the New York State Energy Conservation Construction Code. All exterior metals, including fasteners shall be corrosion resistant.

6. The utility usage calculations are premised on each condominium unit with a 4 burner range and oven with use of 2 full load hours per day for 365 days per year; gas dryer with assumed use of 1 hour per day, 5 days per week; air conditioning used for 935 full load hours for the cooling season of May through October; lighting using 2 watts per square foot for general lighting and appliances @ 200 hours per month; water usage of 200 gallons per day per condominium unit. Actual Costs will vary depending on weather conditions, quality of construction and the habits of the Unit occupants. Costs for water are included in the Condominium Budget and will be paid by Unit Owners through common charges.

7. In view of the fact that these averages may include the use of energy by persons of varying need, with different standards of comfort, or with families of different sizes, the amount of energy used by the Purchaser may vary substantially from the average estimates

herein provided. In addition, the effect of inflation, fuel shortages and other factors may raise the cost of electricity and gas substantially higher than the current or projected rate.

8. Although the Sponsor is under obligation to provide accurate information to prospective purchasers, factors beyond its control may substantially affect the cost of electricity and gas after the purchase of a Unit or in subsequent years. Sponsor represents however, that it has followed the plans and specifications provided by the manufacturer of the appliances together with the recommendation of the manufacturer and other experts to enable these items of equipment to operate at the optimum efficiency and at the lowest costs.

Re: THE 888 CONEY ISLAND CONDOMINIUM
2848 West 15th Street,
Brooklyn, New York

Gentlemen:

I am a licensed real estate broker and have been engaged in sales and management of Condominium developments for over ten years. Since 1988, I have developed condominium projects and I have managed residential condominium developments and apartments, and commercial real estate. I have prepared condominium budgets for more than 25 offering plans based on my experience owning, managing and developing residential condominium developments and apartments, and commercial real estate.

I have reviewed the allocation of common interests as shown on the Schedule A to be included in the Condominium Offering Plan for the subject project. The common interests among the Units have been allocated to each based upon floor space, subject to the location of such space and the additional factors of relative value to other space in the Condominium, the uniqueness of the Unit, the availability of Common Elements for exclusive or shared use and the overall dimensions of the particular Unit, in accordance with Section 339-i(1)(iv) of the Real Property Law of the State of New York. The allocation utilizes the measurements and calculations of square footage by the project architect.

I hereby authorize inclusion of this opinion in the Offering Plan for THE 888 CONEY ISLAND CONDOMINIUM to be filed with the Department of Law.

I certify that I am not owned or controlled by and have no beneficial interest in the Sponsor and that my compensation for preparing this certification is not contingent on the conversion of the property to a Condominium or on the profitability or price of the offering.

Very truly yours,

Re: THE 888 CONEY ISLAND CONDOMINIUM
2848 West 15th Street,
Brooklyn, New York

Gentlemen:

I am the attorney for Sponsor, 2850 West 15th Street Development, LLC with regard to the condominium offering plan for The 888 Coney Island Condominium.

I have reviewed the opinion letter dated October 29, 2018 prepared by Gary Rosen, Licensed Real Estate Broker. I hereby adopt the findings of said letter with regard to the allocation of common interests as shown on the Schedule A to be included in the Condominium Offering Plan for the subject project and such opinion letter complies with Section 339-i(1) of the Real Property Law of the State of New York.

I find that the common interests among the Units have been allocated to each based upon floor space, subject to the location of such space and the additional factors of relative value to other space in the Condominium, the uniqueness of the Unit, the availability of Common Elements for exclusive or shared use and the overall dimensions of the particular Unit, in accordance with Section 339-i(1)(iv) of the Real Property Law of the State of New York. The allocation utilizes the measurements and calculations of square footage by the project architect.

I certify that I am not owned or controlled by and have no beneficial interest in the Sponsor and that my compensation for preparing this certification is not contingent on the conversion of the property to a Condominium or on the profitability or price of the offering.

Very truly yours,

Gary Rosen

H-1. COMMUNITY FACILITY UNIT AND PARKING SPACE CONDOMINIUM UNIT.

There is one Community Facility Condominium Unit known as Unit C-1 offered for sale.

There is one (1) Parking Space Condominium Unit containing ten (10) parking spaces, which Unit is offered for sale and which may be leased to third parties by the owner of the Parking Space Condominium Unit.

All or any part of the Community Facility Unit may be leased or subleased by the respective Community Facility Unit Owner, subject to compliance with law and the provisions of the Lease. Each Community Facility Unit maybe combined or subdivided by the Community Facility Unit Owner. If any Community Facility Unit is to be subdivided, the Sponsor must first file an amendment to this Plan with the Department of Law.

Additionally, any Community Facility Unit created as a result of such subdivision will retain the same rights afforded the Community Facility Unit owner as set forth herein.

The Community Facility Unit(s) or any additional Condominium units created as a result of a subdivision of a Community Facility Unit may be offered for sale by a duly filed amendment to the Plan or pursuant to a 'No-Action" or "No-Jurisdiction " or similar ruling issued by the Department of Law.

Residential Unit Owners will not have any interest in the rents, profits or revenues from the rental or use of any space in any of the Community Facility Unit.

No representation is made with respect to the ownership of all or any portion of the Community Facility Unit or as to who the future owners or tenants of any portion of the Community Facility Unit may be at any time or as to the uses to which any portion of the Community Facility Unit may be put at any time. The Community Facility Unit may be used for any purpose permitted by Law. No assurance, representation, or warranty is given that any of the tenants, occupants, or users of the Community Facility Unit will not be objectionable to Residential Unit Owners or other parties. The uses of the Community Facility Unit may generate noise, traffic, fumes or other disturbances over which the Residential Unit Owners will have no control.

Each Community Facility Unit Owner will be obligated to pay its portion of the Common Charges in accordance with the Schedule B allocations based on the percentage of common interest of the unit. In the opinion of Sponsor's budget expert, the allocated Common Charges payable by the Community Facility Unit owners are sufficient to cover the expenses fairly attributable to the Community Facility Unit. (See the Certification of Budget Expert Conceming the Adequacy of Common Charges Payable by the Community Facility Unit owner set forth in Part II of the Plan.) Common expenses will not be specially allocated in this condominium.

The Owner of any Community Facility Condominium Unit created as a result of the subdivision of a Community Facility Unit will retain the same rights afforded the Community Facility Unit owner as set forth herein and in the By-Laws.

The Community Facility Condominium Unit Owner has the right to subdivide their units provided that such division is permitted by New York City Zoning and Building Codes.

The Community Facility Condominium Unit may be used for any lawful purpose as Use Group 4 pursuant to the New York City Zoning Resolution, Section 22-12 ("Use Group 6").

The following uses are permitted in Use Group 4: Medical offices, churches, clubs, community centers or settlement houses, government operated health centers or independent out of hospital health facilities, non-commercial recreation centers, nonprofit hospital staff dwellings, nonprofit or voluntary hospital and related facilities, philanthropic or nonprofit institutions, proprietary hospitals and related facilities, seminaries and welfare centers.

I. CHANGES IN PRICES AND UNITS

(1) The Offering Prices set forth in Schedule "A" must be changed by duly filed amendment to the Plan when the change in price is an across the board increase or decrease affecting one or more lines of Units or Unit models, or is to be advertised, or is a price increase for an individual Purchaser. The Offering Prices set forth in Schedule A and other terms of payment (but not other terms of sale) with respect to a particular Unit are negotiable and may be changed by Sponsor at any time and from time to time, both before and after the recording of the Declaration, without prior notice and without the consent of the Board, any Unit Owner or mortgagee. Prices and specified terms of sale are negotiable and the Sponsor may enter into an agreement with an individual purchaser to sell one or more units at prices lower than those set forth in Schedule A without filing an amendment. However, no such change with respect to any Unit for which an Agreement is then in effect may be made without the consent of the Purchaser thereunder, and no Agreement will be modified to waive any of the Purchaser's rights or abrogating any of Sponsor's obligations, under this Plan or Article 23-A of the New York General Business Law.

(2) No change will be made in the size or number of Units and/or their respective percentages of common interest, and no material change will be made in the size or quality of Common Elements, except by amendment to the Plan and, when applicable, to the declaration. A change in the area of a Unit of 5% or less will not affect a Purchaser's obligation unless such change is determined to be a material change. There is a rebuttable presumption that an area that is increased or decreased by 5% or less is not material.

(3) Unless an affected Purchaser consents, no material change will be made in Unit size, layout, or percentage of common interest if a Purchase Agreement has been executed and delivered to the Sponsor for that Unit.

(4) Unless all Purchasers consent, no material change will be made in the size and no material adverse change will be made in the quality of Common Elements.

In order to meet the possible varying demand for number any type of different Units, or to meet particular requirements of prospective Purchasers, or for any other reason, Sponsor and its designees reserve the right (except to the extent prohibited by applicable Legal Requirements and subject to the Declaration and By-Laws) at any time and from time to time, before and after the recording of the Declaration, without prior notice and without the consent of the Board, any Unit Owner or mortgagee, to: (i) make alterations, additions or improvements, whether structural or non-structural, interior or exterior, ordinary or extraordinary, in, to and upon any Unsold Unit; (ii) change the layout of, or number of rooms in, any Unsold Unit; (iii) change the size and/or number of Unsold Units by subdividing one or more such Units into two or more separate Units, combining separate Unsold Units (including those resulting from a subdivision or combination or otherwise) into one or more Units, altering any boundary walls between any Unsold Units, and/or incorporating within any Unsold Unit the use of any portion of the Common Elements adjacent thereto (but only to the extent that such Common Elements are not required to be maintained as Common Elements based upon such alterations); (iv) if appropriate, reapportion among the Unsold Units affected by such change, their Common Interest, provided however, that after the recording of the Declaration, no change in any Unit's Common Interest will be made

without obtaining the prior consent of all Unit Owners affected by such change; and (v) change the permitted use of some or all of the Unsold Units upon the consent of all unit owners and purchasers. Any such change described in subsections (ii) through (v) in the immediately preceding paragraph and additionally any material adverse change in the size or quality of any of the Common Elements shall be disclosed by Sponsor in a duly filed amendment to the Plan and, when applicable, to the Declaration. In the event of any such change after the Declaration is recorded, the Declaration and Floor Plans shall each be amended and such amendments duly recorded and disclosed in a duly filed amendment to the Plan. Sponsor or its designee will have the right to (or to cause the Board to) so amend the Declaration and Floor Plans, to the extent required, in order to reflect any such change affecting Unsold Units. In addition, none of the foregoing changes, including any material adverse change in size, layout or Common Interest of a Unit or in the amount or quality of Limited Common Elements directly affecting or servicing a Unit, will be made with respect to any Unit for which an Agreement has been mutually executed and delivered and the Purchaser thereunder is not in default, unless: (a) such change has been dictated by construction conditions at the Property (such as coordination of Building systems, conflicts with structural members or elements, conforming with Legal Requirements, unforeseen events, etc.) and, in all cases, in good faith, reasonably necessary due to factors not within Sponsor's reasonable control, and where no practicable alternative (in the exercise of sound construction management practices) exists and set forth in an amendment to the Plan, and the Purchaser is offered the right in such amendment, for at least fifteen days, to rescind his or her Agreement and receive a refund of the Deposit, together with all interest earned thereon, and the Purchaser elects not to exercise such right of rescission; or (b) such change is not a material adverse change in the size, dimension or floor space or layout of such Unit, in which event a Purchaser will not be excused from purchasing such Unit by reason of such minor, non-material deviation or change and will not have any claim against Sponsor as a result thereof.

J. INTERIM LEASES

(1) Sponsor may rent any Unit to a contract-vendee that is vacant (i) before the Plan has been consummated, (ii) before the closing or (iii) after the Plan has been declared effective and any unpaid common charges due prior to or as of the date of closing will be payable on the date of closing together with any other payments required under this Plan. (A copy of the Interim Lease form is set forth in Part II, Section "PP" of this Plan). The Interim Lease provides that:

The lease will terminate on the happening of the earlier of the following:
a. Closing of title from Sponsor to Purchaser;
b. 15 days after the Declaration of Condominium is recorded by Sponsor;
c. Default by Purchaser; or
d. Six (6) months after the date that the interim lease is executed.

The Sponsor and its agents will not discriminate against any person on the basis of race, creed, color, national origin, sex, age, disability, sexual orientation, marital status or other grounds prohibited by law.

Prior to the first closing, the entire building will be insured by the Sponsor; after the first closing, the entire building will be insured by the condominium. A person in possession who is not an owner cannot insure the unit since he or she has no ownership interest, and the unit cannot be doubly insured. Thus, the risk of loss cannot, as a practical matter, be passed on to a person in possession. A person who takes possession prior to closing assumes the risk of losses not covered by insurance.

Tenant will pay rent for the interim lease period.

(2) Interim lessees will not be afforded any rights under Rent Stabilization Laws or any applicable laws afforded to Tenants in this State, and leases will state that tenant acknowledges the same. As the offering plan and the Interim Leases do not provide tenant protections required by law, such as certain protections from eviction, harassment or unconscionable rent increases, prior to the condominium plan having been consummated, the Sponsor may not rent any units to any non-contract-vendees without invalidating the offering plan. If the Sponsor rents units prior to the condominium plan having been consummated, the building may be declared as a rental building and therefore, this offering plan would be invalid and the Sponsor would have to submit a new offering plan to sell condominium units under 13 NYCRR Part 23 which is an offering plan to convert existing residential rental property to condominium status.

(3) An uncured default under the Purchase Agreement is a default under the lease and an uncured default under the lease is a default under the Purchase Agreement. An uncured default under the lease can result in a default under the Purchase Agreement, however before the Sponsor may utilize the default under the lease to declare a default under the Purchase Agreement, the Sponsor must either obtain an order of eviction or other judgment or order from a court or agency of competent jurisdiction against the lessee unless the lessee has vacated the Unit. Sponsor must provide a Purchaser with a written demand for payment after default at least 30 days before forfeiture of the Down Payment may be declared.

(4) An interim lessee has to vacate the Unit after a default under the Purchase Agreement or rescission of the Purchase Agreement by the lessee within thirty days.

(5) All of the Units offered in this Plan are vacant. If a Unit is leased through an Interim Lease, it will be delivered vacant at closing to the Purchaser although possibly previously occupied (if a unit has been rented by the Sponsor after the first closing of a Unit to a Purchaser).

A form of the Interim Lease is set forth in Part II, Section "PP" of this Plan.

K. PROCEDURE TO PURCHASE

The form of the Purchase Agreement is contained in **Part II, Section "FF"**. Prospective Purchasers will be required to execute two (2) Purchase Agreements in substantially such form. The Purchase Amendment may be executed in multiple counterparts, all of which, taken together, shall constitute one original document. The Purchase Agreement shall be deemed effective against a party upon receipt by the other party (or its counsel) of a counterpart executed as a copy or pdf (portable document format) by electronic transmission or via facsimile. The Purchase Agreement will not be binding upon the Sponsor until the Purchase Agreement signed by the Purchaser(s), and the down payment check as required hereunder is delivered to Seller's attorneys and a signed copy of either IRS Form W-9 (Request for Taxpayer Identification Number and Certification) or IRS Form W-8BEN (Certificate of Foreign Status of Beneficial Owner for United States Tax Withholding) is delivered to Purchaser's attorney and a copy of the Purchase Agreement is executed by the Sponsor and delivered to the Purchaser or Purchaser's counsel.

The Purchase Agreement and Offering Plan may not contain, or be modified to contain a provision waiving the Purchaser's rights or abrogating Sponsor's obligations under Article 23-A of the General Business Law.

The following are important provisions contained in the Purchase Agreement:

(1) Down payment

The amount or the percentage of the deposit shall be ten percent (10%) of the offering price.

(2) Purchase Agreement.

A complete copy of the Purchase Agreement is included in Part II of this Plan.

(3) Financing Contingency.

The Purchase Agreement allows the Purchaser to obtain a mortgage and is contingent upon Purchaser obtaining a mortgage, at its own cost and expense under the terms set forth in Paragraph "14" of the Purchase Agreement (Section "FF" of the Offering Plan). Purchaser shall apply for a mortgage no more than three (3) days after the Purchaser's receipt of the purchase agreement executed by Sponsor.

Unless there is a financing contingency provided for in the Purchase Agreement, any prospective purchaser who executes a Purchase Agreement and does not obtain financing may lose his or her deposit if he or she is unable to otherwise raise the monies for the balance of the purchase price. Prospective purchasers who require financing are advised to consult with a lending institution before execution of a Purchase Agreement. No representation is made by the Sponsor as to the availability or cost of such financing.

Note that under New York law, when a mortgage contingency is not fulfilled through no fault of purchaser, performance is excused. Sponsor may not condition purchaser's obligations upon obtaining a commitment. If purchaser acts in good faith and lender revokes commitment after contingency period expires, performance is excused.

Purchasers shall have the right to execute a Purchase Agreement subject to obtaining a commitment for financing from a financial institution. In the event that a Purchaser elects to make his Purchase Agreement subject to obtaining financing, then Purchaser: a) Must apply for said financing within three (3) days from the date of receipt of an executed copy of the Purchase Agreement; b) Must notify the Sponsor within five (5) days after the three (3) day period referred to in sub-paragraph (a) of the name and address of the financial institution to whom application was made and the date when said application was submitted; c) Must notify the Sponsor whether the application is accepted or rejected; d) Must request any and all renewals or extensions of the financing commitment so that said commitment will be in force at the closing of title; e) Shall have thirty (30) days from the date of execution of the Purchase Agreement in order to obtain the required financing. Provided that Purchaser complies with the requirements of this paragraph for obtaining financing and if the Purchaser is unable to obtain financing, the Down Payment will be returned to Purchaser.

If Purchaser's obligations are contingent on obtaining a financing commitment and the financing commitment lapses or expires prior to Closing, and the Purchaser has made a good faith effort to extend the commitment, Sponsor will grant Purchaser a right of rescission and fifteen (15) days to rescind the Purchase Agreement.

The condominium may be eligible for FHA loan certification, however, at this time, the Sponsor has not sought project certification from the United States Federal Housing Administration.

(4) Time Limitation For Sponsor To Accept Or Reject Purchase Agreement.

A Purchaser may not know if the Sponsor has accepted the Purchase Agreement for at up to thirty (30) days from the date when Sponsor receives a fully executed Purchase Agreement from Purchaser. Sponsor will either accept a Purchase Agreement and cause to be returned to Purchaser a fully executed counterpart thereof or reject the Purchase Agreement offer and refund the Down Payment tendered within thirty (30) days after delivery by Purchaser of an executed Purchase Agreement together with the required Down Payment. In the event Sponsor fails to elect to accept or reject within the stated thirty (30) day period, Sponsor will be deemed to have rejected same and Purchaser shall be entitled to a prompt return of the deposit.

(5) Statutory Requirement

The Sponsor shall comply with the escrow and trust fund requirements of GBL Sections 352-e(2-b) and 352-h and these regulations, and all funds paid by Purchasers shall be handled in accordance with these statutes and regulations.

(6) Escrow

The Escrow Agent:

Rosen Law LLC, the Escrow Agent is also the Sponsor's closing attorney.

Rosen Law LLC, with an address of 216 Lakeville Road, Great Neck, New York 11020, telephone number 516-437-3400, shall serve as escrow agent ("Escrow Agent") for Sponsor and Purchaser. Escrow Agent has designated the following attorneys to serve as signatories: Gary Rosen, Esq. All designated signatories are admitted to practice law in the State of New York. Neither the Escrow Agent nor any authorized signatories on the account are the Sponsor, Selling Agent, Managing Agent, or any principal thereof, or have any beneficial interest in any of the foregoing.

The Escrow Account:

The Escrow Agent has established the escrow account at Signature Bank, 40 Cutter Mill Road, Great Neck, New York 11020, in the State of New York ("Bank"), a bank authorized to do business in the State of New York. The escrow account is entitled Rosen Law LLC Attorney Escrow Account ("Escrow Account"). The Escrow Account is federally insured by the FDIC at the maximum amount of $250,000 per deposit. Any deposit in excess of $250,000 will not be insured, unless Escrow Agent has established multiple accounts on behalf of Purchaser at various institutions. If a Purchaser has an account at the escrow bank, then the Purchaser's account balance factors into the $250,000.00 FDIC insurance limit.

In accordance with the terms of the Purchase Agreement, all Deposits received by Purchaser shall be in the form of checks, money orders, wire transfers, or other instruments, and shall be made payable to or endorsed by the Purchaser to the order of Rosen Law LLC Attorney Escrow Account, as Escrow Agent.

Any Deposits made for upgrades, extras, or custom work shall be initially deposited into the Escrow Account, and released in accordance to the terms of the Purchase Agreement.

The interest rate for all Deposits made into the Escrow Account shall be the prevailing rate for such accounts, which is currently 0.01%. Interest shall begin to accrue upon placing the Deposit into the Escrow Account. All interest earned thereon shall be paid to or credited to the Purchaser at closing. No fees of any kind may be deducted from the Escrow Account, and the Sponsor shall bear all costs associated with the maintenance of the Escrow Account.

The Purchase Agreement:

The Purchase Agreement is attached hereto as **Section "FF" in Part II** of the Plan. The relevant escrow trust fund provisions are included in Article "11" of the Purchase Agreement, which must be executed by the Escrow Agent.

Notification to Purchaser:

Within five (5) business days after the Purchase Agreement has been tendered to Escrow Agent along with the Deposit, the Escrow Agent shall sign the Purchase Agreement and place the Deposit into the Escrow Account. With ten (10) business days of the placing the deposit in the Escrow Account, Escrow Agent shall provide written notice to Purchaser and Sponsor, conforming the Deposit. The notice shall provide the account number and the initial interest rate to be earned on the Deposit. Any Deposits made for upgrades, extras, or custom work shall be initially deposited into the Escrow Account, and released in accordance to the terms of the Purchase Agreement.

The Escrow Agent is obligated to send notice to the Purchaser once the Deposit is placed in the Escrow Account. If the Purchaser does not receive notice of such deposit within fifteen (15) business days after tender of the Deposit, he or she may cancel the Purchase Agreement within ninety (90) days after tender of the Purchase Agreement and Deposit to Escrow Agent. Complaints concerning the failure to honor such cancellation requests may be referred to the New York State Department of Law, Real Estate Finance Bureau, 28 Liberty Street, 21st Floor, New York, New York 10005. Rescission shall not be afforded where proof satisfactory to the Attorney General is submitted establishing that the Deposit was timely placed in the Escrow Account in accordance with the New York State Department of Law's regulations concerning Deposits and requisite notice was timely mailed to the Purchaser.

Escrow revisions. Before funds are transferred to any new escrow account, or if the escrow agent is replaced, the plan must be amended to provide the same full disclosure with respect to the any new account, the escrow agent and the escrow agreement as was originally provided. A bond, letter of credit or other security may be substituted for the any escrow account only after the Department of Law approves in writing the use of such alternate form of security.

Release of Funds:

All Deposits, except for advances made for upgrades, extras, or custom work received in connection with the Purchase Agreement, are and shall continue to be the Purchaser's money, and may not be comingled with any other money or pledged or hypothecated by Sponsor, as per GBL § 352-h.

Under no circumstances shall Sponsor seek or accept release of the Deposit of a defaulting Purchaser until after consummation of the Plan, as evidenced by the acceptance of a post-closing amendment by the New York State Department of Law. Consummation of the Plan does not relieve the Sponsor of its obligations pursuant to GBL §§ 352-e(2-b) and 352-h.

The Escrow Agent shall release the Deposit if so directed:

(a) pursuant to terms and conditions set forth in the Purchase Agreement upon closing of title to the Unit; or

(b) in a subsequent writing signed by both Sponsor and Purchaser; or

(c) by a final, non-appealable order or judgment of a court.

If the Escrow Agent is not directed to release the Deposit pursuant to paragraphs (a) through (c) above, and the Escrow Agent receives a request by either party to release the Deposit, then the Escrow Agent must give both the Purchaser and Sponsor prior written notice of not fewer than thirty (30) days before releasing the Deposit. If the Escrow Agent has not received notice of objection to the release of the Deposit prior to the expiration of the thirty (30) day period, the Deposit shall be released and the Escrow Agent shall provide further written notice to both parties informing them of said release. If the Escrow Agent receives a written notice from either party objecting to the release of the Deposit within said thirty (30) day period, the Escrow Agent shall continue to hold the Deposit until otherwise directed pursuant to paragraphs (a) through (c) above. Notwithstanding the foregoing, the Escrow Agent shall have the right at any time to deposit the Deposit contained in the Escrow Account with the clerk of the county where the [unit/building] is located and shall give written notice to both parties of such deposit.

The Sponsor shall not object to the release of the Deposit to:

(a) a Purchaser who timely rescinds in accordance with an offer of rescission contained in the Plan or an Amendment to the Plan; or

(b) all Purchasers after an Amendment abandoning the Plan is accepted for filing by the Department of Law. In the event that the Plan is abandoned, unit upgrade funds will be returned to the Purchaser.

The Department of Law may perform random reviews and audits of any records involving the Escrow Account to determine compliance with all applicable statutes and regulations.

Waiver Void:

Any provision of any Purchase Agreement or separate agreement, whether oral or in writing, by which a Purchaser purports to waive or indemnify any obligation of the Escrow Agent holding any Deposit in trust is absolutely void. The provisions of the Attorney General's regulations and GBL §§ 352-e(2-b) and 352-h concerning escrow trust funds shall prevail over any conflicting or inconsistent provisions in the Purchase Agreement, Plan, or any amendment thereto.

Exhibits to Plan. Copies of the forms provided by the bank for opening the escrow account and the escrow agreement as proposed has been filed with the New York State Department of Law with Sponsor's exhibits to the Offering Plan submission. Upon first deposit, a copy of the escrow agreement as executed and a copy of the bank forms as executed will be submitted by the Sponsor to the New York Department of Law as a supplement to the previously submitted exhibits filed with the New York Department of Law.

Records on file. The escrow agent shall maintain all records concerning the escrow account for seven years after release of the funds. Upon the dissolution of any law firm which was the

escrow agent, the former partners or members of the firm shall make appropriate arrangements for the maintenance of these records by one of them or by the successor firm and shall notify the Department of Law of such transfer.

Review and audit. The Department of Law may perform random reviews and audits of any records involving escrow accounts to determine compliance with statute and regulation.

Trust obligation of Sponsor. Nothing contained herein shall diminish or impair the Sponsor's statutory obligation to each Purchaser pursuant to GBL Section 352-h to hold in trust all deposits, advances or payments made in connection with the offer until consummation of the transaction with such Purchaser. Consummation of the Plan does not relieve Sponsor of its obligations pursuant to GBL Section 352-h. Funds from the escrow account remain the property of the Purchaser until employed in connection with the consummation of the transaction. Such funds shall not be a part of the estate of the Sponsor or the escrow agent upon any bankruptcy, incapacity or death.

Transition. All funds required to be held pursuant to GBL sections 352-e(2-b) and 352-h on the effective date of this section shall be transferred into escrow accounts in compliance with this regulation within 60 days thereafter.

Rosen Law LLC, with an address of 216 Lakeville Road, Great Neck, New York 11020 is also the Sponsor's closing attorney.

(7) Alternative Security.

Pursuant to 13 NYCRR §20.3(o)(4), if Sponsor subsequently decides to use an alternative to the escrow account it will make an application to the Attorney General and disclose same in an amendment to the Offering Plan prior to such use. The New York State Department of Law must approve the application for alternate security.

Where alternate security as provided under a filed Offering Plan is no longer needed by the Sponsor, or new or additional alternate security cannot be obtained by a Sponsor or its successor, Sponsor shall submit an amendment for filing which provides that any future purchase deposits or down payments shall be held in the escrow account in accordance with 13 NYCRR 20.3(o)(3). Such amendment shall not affect the Sponsor's obligation to account for funds previously released to the Sponsor unless the funds representing all such deposits or down payments are restored to the escrow account.

(8) Compliance with Lien Law Section 71-a(3).

Because this Offering Plan provides for the construction of residential Condominium Units, the Purchase Agreement and the Plan must comply with Section 71-a (3) of the Lien Law.

Section 71-a (3) of the Lien Law provides the following:

> (a) The initial advance pursuant to a contract of sale which by its terms provides for or is incidental to a contract providing for the construction on the subject real property of residential Condominium Unit or any structure designed solely for residential occupancy of not more than two families living separately, on property

to be purchased shall, at the vendee's option, be deposited within five business days thereafter by the recipient in an interest bearing escrow account in a bank, trust company, savings bank, state or federal savings and loan association, located in this state. Such deposit, together with the interest accumulated thereon, shall remain the property of the vendee except as otherwise provided herein. The recipient shall advise the vendee in writing of the name of the depository where the funds have been placed within ten business days after such deposit has been made.

(b) In lieu of making the deposit of such moneys in an escrow account as provided in paragraph (a) of this subdivision, the recipient may post with the vendee a bond or contract of indemnity, issued by a surety company licensed to execute such an instrument in this state, guaranteeing the return of the moneys which otherwise would be required to be deposited in such escrow account, in which case the recipient shall not be required to deposit such money in an escrow account. Said bond or contract of indemnity shall be delivered to the vendee within ten business days after receipt of the initial advance.

(c) At any time after making the deposit of such moneys in the escrow account, the recipient may post with the vendee a bond or contract of indemnity issued by a surety company licensed to execute such an instrument in this state guaranteeing the return of such moneys, in which case the recipient shall not be required to maintain the deposit of such moneys in such account.

(d) Such advance shall be retained in the escrow account or such bond or contract of indemnity continued in effect until the trust is terminated (i) by the recipient's performance of the terms of the contract of sale, or (ii) by default of the vendee excusing the recipient's performance of the terms of the contract of sale, or (iii) by release or discharge of the recipient's liability to refund such advance to the vendee, or (iv) upon transfer of title of the real property to the vendee.

(e) Every contract of sale which by its terms provides for or is incidental to a contract providing for the construction on the subject real property of a residential Condominium Unit or a structure designed solely for the residential occupancy by not more than two families living apart, shall contain a statement advising the vendee of the provisions of this subdivision. Such statement shall be printed in bold type which is at least two points larger than any other printing contained thereon and shall read as follows:

"YOU, AS THE PURCHASER OF THIS RESIDENCE, MAY REQUIRE THE RECIPIENT OR CONTRACTOR TO DEPOSIT THE INITIAL ADVANCE MADE BY YOU IN AN ESCROW ACCOUNT. IN LIEU OF SUCH DEPOSIT, THE RECIPIENT OR CONTRACTOR MAY POST A BOND OR CONTRACT OF INDEMNITY WITH YOU GUARANTEEING THE RETURN OF SUCH ADVANCE."

(9) Specific Performance of the Purchase Agreement.

Sponsor may seek specific performance of the Purchase Agreement, requiring Purchaser to close and purchase the Condominium Unit for which Purchaser has executed a Purchase Agreement. Specific performance means that the Sponsor may file a lawsuit against a Purchaser to compel a purchaser to close on the purchase of the condominium unit.

(10) Purchase Agreement May Be Made Time of the Essence.

Purchaser may adjourn the closing date which is set forth in the Purchase Agreement one time for an adjourned period of up to 15 days. If the Purchaser adjourns the closing as permitted herein, then the adjourned date is made "time of the essence". This means that the Purchaser must close by the adjourned date. In the event that Purchaser does not close on the adjourned date, Purchaser may forfeit his or her Down Payment. In the event Purchaser fails to close title on the designated date and Purchaser seeks a 15 day adjournment which shall be time of the essence, then (a) Purchaser shall Pay Sponsor interest at the rate of 10.95% per annum on the entire amount of the purchase price computed from the original Closing Date until this transaction is actually closed and (b) all apportionments between Sponsor and Purchaser shall be made as of the original Closing Date. Purchasers will be required to pay an additional fee of $500.00 to Sponsor's closing attorneys if Purchaser does not close title to his or her Unit on the date stated in the Notice of Closing because such Purchaser has not complied with the terms of the executed Purchase Agreement, or if the Purchaser's lender requires the closing to be at a place other than that indicated in the Notice of Closing. Sponsor must provide a Purchaser with a written demand for payment after default at least 30 days before forfeiture of the down payment may be declared.

(11) Closing Date.

After the Plan has been declared effective the Sponsor will fix dates for closing title to all Units for which Purchase Agreements have been executed by serving notice on each Purchaser stating the date of the first closing and setting such Purchaser's closing date. Such notice will be served in compliance with Section 20.3(d)(1) of 13 NYCRR 20.3 no less than thirty (30) days before the date set for the closing of the Units. Sponsor may permit Purchasers to waive this thirty (30) day provision by including such waiver in the Plan or in an amendment thereto. Sponsor is providing Purchaser the opportunity to waive the thirty (30) day notice provision for closing, but is not requiring Purchaser to waive such notice.

The Sponsor expects the first closing of a unit to occur on or about March 1, 2019. Sponsor has the right to change the projected First Year of Condominium Operation from time to time by an amendment to the Plan. If the First Closing does not occur prior to March 1, 2020 (12 months after the date set forth in Schedule B for the projected First Year of Condominium Operation in effect on the date that a Purchaser and Sponsor entered into a Purchase Agreement), Sponsor will offer to those Purchasers whose Purchase Agreement was executed prior to the filing date of the amendment disclosing Sponsor's failure to close within such time frame, will be offered a right of rescission of the Purchase Agreement for fifteen (15) days from the Presentation Date of such amendment. Any such Purchasers electing rescission will have their downpayment returned together with any interest earned thereon, if any, except for any Unit Upgrade Funds, to the extent they have been expended by Sponsor.

However, if the first closing occurs before March 1, 2020, the Sponsor may schedule the closings of title to other units significantly later than such date. Unless your Purchase Agreement contains an outside closing date, the Sponsor is not obligated to schedule your closing within any specified time frame or to ensure that closing of title to your closing within any specified time frame or to ensure that closing of title to your Unit will occur by any date certain. PROSPECTIVE PURCHASERS SHOULD THEREFORE CAREFULLY CONSIDER SUCH RISKS IN THEIR DETERMINATION AS TO WHETHER TO PURCHASE A UNIT.

Purchasers should note that even if the first closing occurs on or before March 1, 2019 (or such other date projected as the date of commencement of the operation at the time the purchase agreement was entered into) or within the twelve month period thereafter, the closing of subsequent units may be substantially delayed beyond such dates if a TCO has not been issued for such units or for the floor on which such units are located. In such case, provided that Sponsor is diligently pursuing completion of construction and the issuance of a certificate of occupancy and is otherwise in compliance with its obligations under the Plan, Purchaser will not be entitled to a right of rescission or to make claims against the Sponsor for damages or losses as a result of such delays and will not be excused from paying the full purchase price for the unit. PROSPECTIVE PURCHASERS SHOULD THEREFORE CAREFULLY CONSIDER THE POSSIBLITY OF SUCH DELAYS IN THEIR DETERMINATION AS TO WHETHER TO PURCHASE A UNIT.

Sponsor is contractually required to complete its construction obligations. Even during the Sponsor control period, the Board of Managers may take any legal action required to compel the Sponsor to complete its construction obligations.

(12) Date of Expected First Closing.

The Sponsor expects the first closing of a unit to occur on or about March 1, 2019. Sponsor has the right to change the projected First Year of Condominium Operation from time to time by an amendment to the Plan. If the First Closing does not occur prior to February 28, 2020 (12 months after the date set forth in Schedule B for the projected First Year of Condominium Operation in effect on the date that a Purchaser and Sponsor entered into a Purchase Agreement), Sponsor will offer to those Purchasers whose Purchase Agreement was executed prior to the filing date of the amendment disclosing Sponsor's failure to close within such time frame, will be offered a right of rescission of the Purchase Agreement for fifteen (15) days from the Presentation Date of such amendment. Any such Purchasers electing rescission will have their down payment returned together with any interest earned thereon, if any, except for any Unit Upgrade Funds, to the extent they have been expended by Sponsor

(13) Sponsor Must Make Written Demand Before Declaring Default.

Sponsor must make a written demand for payment for default at least thirty (30) days before a default or forfeiture of the deposit may be declared.

(14) Unit Power of Attorney.

Each Unit Purchaser will be required to sign a power of attorney to the Board of Managers of the Condominium on the date of delivery of the deed. Sponsor will not close with any Purchaser who refuses to sign a power of attorney and reserves the right to rescind the

Purchase Agreement by returning the full down payment. The Power of Attorney provides the following powers to the Board of Managers of the Condominium: (1)(a) to acquire or lease any Unit, together with its Appurtenant Interests, from any Unit Owner desiring to sell, convey, transfer assign or lease the same, upon such terms and conditions as shall be approved by a majority of Unit Owners, (b) to acquire any Unit, together with its Appurtenant Interests, whose Owner elects to surrender the same pursuant to Article "13" of the Declaration of Condominium, (c) to acquire any Unit, together with its Appurtenant Interests, which becomes the subject of a foreclosure or other similar sale, on such terms and at such price or rental as the case may be, as said attorneys-in-fact shall deem proper, in the name of the Board of its designee, corporate or otherwise, on behalf of all Unit Owners, and after any such acquisition or leasing, to convey, sell, lease, sublease, mortgage or otherwise deal with (but not vote, the interest appurtenant thereto) any such Unit so acquired by them, or to sublease any Unit so leased by them without the necessity of further authorization by the Unit Owners, on such terms as said attorneys-in-fact may determine, granting to said attorneys-in-fact the power to do all things in the said premises which the undersigned could do if the undersigned were personally present; (2) to execute, acknowledge and deliver (a) any declaration or other instrument affecting the Condominium which the Board deems necessary or appropriate to comply with any law, ordinance, regulation, zoning resolution or requirement of the Department of Buildings, the City Planning Commission, the Board of Standards and Appeals, or any other public authority, applicable to the maintenance, demolition, construction, alteration, repair or restoration of the Residential Section or (b) any consent, covenant, restriction, easement or declaration, or any amendment thereto, affecting the Residential Section or the Common Elements which the Board deems necessary or appropriate.

(15) Purchaser's Right to Rescind the Purchase Agreement.

Purchasers shall be afforded not fewer than three business days to review the Offering Plan and all filed amendments prior to executing a Purchase Agreement. For the convenience of some Purchasers, however, Sponsor will have the right, at its sole option, to accept an Agreement prior to the expiration of such period of three business days; and in such event, and only in such instance, such Purchaser will have the right to rescind such Agreement by written notice sent to Sponsor by certified or registered mail, return receipt requested, or by personal delivery within seven days of such Purchaser's submission of the Agreement, whereupon Sponsor will refund, without interest (notwithstanding any provision of this Plan regarding interest to the contrary), the Deposit received by Sponsor from such Purchaser in connection with such Agreement.

(16) Risk of Loss.

Prior to the first closing the entire building will be insured by the Sponsor, and after the first closing the entire building will be insured by the condominium. A person in possession who is not an owner cannot insure the unit since he or she has no ownership interest, and the unit cannot be doubly insured. Thus the risk of loss cannot, as a practical matter, be passed on to a person in possession. A person who takes possession of their Unit prior to closing assumes the risk of losses not covered by insurance.

Prior to the first closing, Sponsor may, at Sponsor's option abandon the Plan. Sponsor may not abandon the plan after effectiveness for any reason other than (i) a defect in title which

cannot be cured without litigation or cannot be cured for less than one-half of one percent of the total offering amount; or (ii) substantial damage or destruction of the building by fire or other casualty which cannot be cured for less than one-half of one percent of the total offering amount; or (iii) the taking of any material portion of the property by condemnation or eminent domain. The amount set forth above excludes attorneys' fees and any title defects, if any or determinations of any authority or regulatory association which exist on the date of presentation of the plan and are either known to the Sponsor or are a matter of public record or to repair or to replace such loss or damage. If Sponsor elects to replace or repair such loss or damage, then at Sponsor's option, it shall be entitled to a reasonable adjournment of the closing. After the first closing, the entire building will be insured by the Condominium. Any person who takes possession prior to closing assumes the risk of losses not covered by insurance.

In the event that there is casualty damage to a unit or the condominium building, Sponsor will notify Purchaser within ninety (90) days whether Sponsor will repair a unit after casualty damage.

(17) Credit Check.

Prior to executing a Purchase Agreement, the Sponsor may require the prospective Purchaser to execute necessary authorizations to conduct a credit check of the Purchaser(s). The cost to the prospective Purchaser of the credit check shall not exceed $50.00which shall be paid by the Purchaser(s).

(18) Conflicts between Offering Plan and Purchase Agreement.

If any provision of the Purchase Agreement is in conflict or inconsistent with any provision of the Offering Plan, then such conflict or inconsistency shall be resolved in favor of the Offering Plan.

(19) Purchase Agreement And Offering Plan Does Not Waive Any Rights Under Article 23-A of the New York General Business Law.

The Plan and the Purchase Agreement does not contain, and may not be modified to contain, a provision waiving a Purchaser's right or abrogating Sponsor's obligations under the Offering Plan or Article 23-A of the New York General Business Law.

(20) Assignment or Transfer of Purchase Agreement.

The Purchaser may not assign his Purchase Agreement without first obtaining the written consent of the Sponsor, which consent may be granted or withheld in Sponsor's sole and absolute discretion. Purchasers are prohibited from listing their Units for sale prior to the closing of such Unit. With regard to the assignment of a purchase agreement, the Sponsor and its agents will not discriminate against any person on the basis of race, creed, color, national origin, sex, age, disability, sexual orientation, marital status or other grounds prohibited by law.

(21) Waiver of Immunity By Foreign Government, etc. Parties.

Any Purchaser that is a foreign government, a resident representative of a foreign government or other person or entity otherwise entitled to the immunities from suit enjoyed by a foreign government (examples are diplomatic immunity or sovereign immunity) shall be required to expressly and voluntarily waive such immunity and consent to any suit, action or

proceeding arising out of or relating to the Purchase Agreement, the Condominium Documents or this Offering Plan being brought in any State or Federal Court in the State of New York. Any such Purchaser and any other Purchaser who is not a resident of New York State shall designate and authorize a lawful agent to receive process.

L. FINANCING FOR QUALIFIED PURCHASERS

THIS PLAN DOES NOT CONTAIN ANY FINANCING ARRANGEMENTS FOR PURCHASERS. PROSPECTIVE PURCHASERS WHO ARE INTERESTED IN SUCH FINANCING SHOULD CONTACT LENDING INSTITUTIONS.

Purchasers should note that in the current real estate market, banks and other lenders are imposing various restrictions on purchase financing. Such restrictions include requiring that a certain percentage of apartments in a building or group of building be sold before a lender will consider making a loan. Thus, it may be possible for a Purchaser to experience difficulty obtaining a loan in a building or group of buildings where the Sponsor or holder of unsold shares has not sold a substantial percentage of the apartments in the building or group of buildings, which in some cases may be as high as 70%. Moreover, some lenders will not provide financing in a building or group of buildings where an investor other than the original Sponsor has an ownership interest of 10% or more. It also may be difficult for a purchaser to resell a Unit if prospective buyers are unable to obtain a loan due to the same minimum sales and investor ownership restrictions.

Any applications for such financing with lending institutions must be done on an individual basis by prospective Purchasers and will involve negotiations exclusively between the lending institution and the applicant. The Sponsor should not be construed hereunder as offering any such financing or representing the availability or terms of such financing.

The Purchase Agreement of Purchasers desiring to finance the purchase of a Residential Unit will be conditioned upon the Purchaser making prompt and diligent application to any lending institution licensed to issue mortgage loans in the State of New York.

The Purchase Agreement is contingent upon Purchaser obtaining, at its own cost and expense, a mortgage loan commitment in the amount and under the terms set forth in Paragraph "14" of the Purchase Agreement (Section "FF" of the Offering Plan). The contingency period shall be as of the date that a purchaser receives a fully executed Purchase Agreement. If the Lender fails to issue its Commitment to Purchaser within thirty (30) days after the date of the Purchase Agreement or within such longer period of time as Sponsor may grant by notice to Purchaser, either party may cancel the Purchase Agreement only if at the time notice of cancellation is given, the Lender has still not issued its Commitment to grant the mortgage loan. Shall have thirty (30) days from the date of execution of the Purchase Agreement in order to obtain the required financing It is an express condition to Purchaser's right to cancel that Purchaser has strictly complied with all obligations imposed on Purchaser's mortgage loan application. To cancel, the canceling party must give written notice of cancellation to the other party, whereupon Sponsor shall promptly refund the down payment. Thereafter, the Purchase Agreement shall be deemed canceled and neither party shall have any further liability or obligation to the other in connection with the Purchase Agreement or transaction.

For Purchaser to comply with the mortgage contingency provisions, Purchaser (a) must apply for financing within three (3) days from the date of receipt of an executed copy of the Purchase Agreement; (b) Purchaser must notify the Sponsor within five (5) days after the three

(3) day period referred to in sub-paragraph (a) of the name and address of the financial institution to whom application was made and the date when said application was submitted; (c) Purchaser must notify the Sponsor whether the application is accepted or rejected; (d) Purchaser must request any and all renewals or extensions of the financing commitment so that said commitment will be in force at the closing of title.

The Purchaser shall be obligated to fill out all forms and perform all acts necessary to obtain such mortgage commitment. The Purchaser will be obligated to take all action necessary to fulfill all of the terms and conditions of the mortgage commitment in order to close title, including but not limited to paying any outstanding debts required by the lending institution issuing the mortgage commitment and paying all costs and expenses incurred in procuring the mortgage and closing such mortgage including but not limited to mortgage tax, origination fees, commitment fees, recording fees, title fees and the lender's fees. N. EFFECTIVE DATE OF THE PLAN

The Purchase Agreement and offer to sell Condominium Units is contingent upon, and the closing of the first Unit will not occur until the Offering Plan is declared effective and the effectiveness amendment is accepted for filing by the Department of Law.

The Closing of the first unit shall not occur until the plan is declared effective and the effectiveness amendment is accepted for filing by the Department of Law. The Offering Plan may be declared effective by (i) an amendment to the Plan or (ii) by personal service of notice on every Purchaser or by commencement of service by mail in the manner required by 13 NYCRR 20.1(d) stating that the Plan is declared effective and submitting an amendment to the Department of Law within five days confirming that the Plan was declared effective on a specified date. The amendment must conform to 13 NYCRR 20.5(e).

The Offering Plan will not be declared effective unless bona fide Purchasers, including investors, have signed Purchase Agreements for at least fifteen percent (15%) of the Residential Units offered under the Offering Plan. Units of a primarily ancillary nature such as garage spaces may not be counted toward effectiveness. Such Units may be excluded from the base in calculating the percentage needed to become effective. **(15% is three (3) Residential Units).**

Notwithstanding the fact that not all purchasers used for purposes of declaring the plan effective may actually close, Sponsor will re-declare the plan effective if all Purchase Agreements are either rescinded or terminated prior to the date of First Unit Closing, regardless of whether the Condominium Declaration has been recorded. The Plan may not be declared effective unless bona fide purchasers have signed purchase agreements for at least 15% of the Residential Units offered.

The Offering Plan will not be declared effective based on Purchase Agreements:

(i) signed by Purchasers who have been granted a right of rescission that has not yet expired or been waived; or

(ii) if the Purchaser was not afforded the protections required by paragraph (o)(15)(2) of 13 NYCRR 20.3, which states that Purchaser must be afforded not fewer than three business days to review the offering plan and all filed amendments prior to executing a Purchase Agreement; or

(iii) with any Purchaser who is the Sponsor, the selling agent, or the managing agent or is a principal of the Sponsor, the selling agent or the managing agent or is related to the Sponsor, the selling agent or the managing agent or to any principal of the Sponsor or the selling agent or the managing agent by blood, marriage or adoption or as a business associate, an employee, a shareholder or a limited partner; except that such a Purchaser other than the Sponsor or a principal of the Sponsor may be included if the Sponsor has submitted proof satisfactory to the Department of Law establishing that the Purchaser is bona fide.

The Offering Plan must be declared effective when Purchase Agreements have been accepted by Sponsor for eighty (80) percent or more of the Units offered under the Plan. **(80% is sixteen (16) Residential Units).**

Purchasers should note that the plan must be declared effective when Purchase Agreements have been accepted by Sponsor for 80 percent or more of the units offered under the plan. The Plan may be abandoned by Sponsor, at its option, before it is declared effective. If the Plan is abandoned by Sponsor before the Offering Plan is declared effective, all payments received under the Purchase Agreement will be refunded to Purchasers in full, with interest earned, if any within five (5) days. Sponsor will then promptly file an amendment together with form RS-3 as required by 13 NYCRR Section 20.1(l)(2).

Pursuant to Section 20.1(l)(2) of 13 NYCRR 20.3, If the offering plan is to be abandoned after filing and the sponsor has accepted Purchase Agreements, the sponsor shall promptly submit an amendment to the Department of Law together with form RS-3 as promulgated by the Department of Law. If payments under Purchase Agreements have been received, the amount of such funds and the manner and time when these funds will be returned to purchasers must be disclosed. The funds must, (including funds for upgrades), be returned within five days after the amendment abandoning the plan has been accepted for filing. If there are no outstanding Purchase Agreements the sponsor need not submit an amendment but shall submit a form RS-3 to the Department of Law which shall be served simultaneously by the sponsor on all commercial or professional tenants, if any, in the manner specified by paragraph (d) (1) of this section.

The Sponsor may not abandon this Offering Plan after effectiveness for any reason other than (i) a defect in title which cannot be cured without litigation or cannot be cured for less than one-half of one percent of the total offering amount; or (ii) substantial damage or destruction of the building by fire or other casualty which cannot be cured for less than one-half of one percent of the total offering amount; or (iii) the taking of any material portion of the property by condemnation or eminent domain. The sum of one-half of one percent of the total offering amount as the figure for the basis for abandonment after effectiveness shall exclude any attorney's fees or any such title defects or determinations of any authority or regulatory association which exist on the date of presentation of the Plan and are either known to the Sponsor or are a matter of public record.

O. TERMS OF SALE

(1) The Sponsor anticipates that the first closing of a unit will occur by March 1, 2019. Purchasers will be offered a right of rescission if: (i) the actual date of closing of title to the first unit; or (ii) the projected date of closing of title to the first unit occurs later than February 29, 2020, twelve months after the projected date for the first closing. If the Plan is amended to provide for a later projected date for the first closing, purchasers will be entitled to an offer of rescission if the first closing occurs more than 12 months beyond that amended, later date. Any such Purchasers electing rescission will have their down payment returned together with any interest earned thereon, if any, except for any Unit Upgrade Funds, to the extent they have been expended by Sponsor.

(2) The type of deed given to Unit Owners shall be a Bargain and Sale Deed with Covenants against Grantor's Acts. A form of the Unit Deed is contained in Part II of this Offering Plan. A Purchaser may use a title company of his/her choice without incurring any penalties or additional costs.

If Sponsor elects to repair such damage, then the Purchase Agreement shall remain in effect, except that Sponsor's time for performance under the Purchase Agreement shall be extended as a result of the delay occasioned because of said casualty and the time required to perform any necessary repairs. If Sponsor elects not to repair such damage, the Purchaser shall be afforded the right to rescind. The extension of time granted to a Sponsor to restore the property after a casualty shall not affect a purchaser's right of rescission pursuant to Title 13 N.Y.C.R.R. 20.3(o)(18).

(5) A closing will take place only concurrently with the issuance of a temporary or Permanent Certificate of Occupancy for the building or, issuance of a partial, temporary or Permanent Certificate of Occupancy for the Unit closed or the building, if a Certificate of Occupancy is required by the Department of Buildings for the condominium building.

There will be no leases, mortgages, liens or encumbrances that will affect the property after closing. The state of facts shown on a survey of the land and building and any additional state of facts a subsequent survey would show may be a title exception, provided that such state of facts does not render title unmarketable.

Title to each Unit will be subject to the following title exceptions:

a) Utility Easements, if any;

b) Any other covenants, restrictions, easements, or any other encumbrance (other than for the payment of money), provided that they do not prohibit the existence and residential use of the Units or, if any, as the case may be;

x) Any additional declarations, covenants, restrictions, reservations, exceptions, easements and agreements which have been recorded, or appear in recorded documents, or are yet to be recorded, provided they do not prevent use of each Unit as a Condominium Unit;.

The aforesaid documents will be recorded in the office of the City Register in the County where the Condominium is located.

(9) IT IS THE SPONSOR'S STATUTORY OBLIGATION TO PAY TRANSFER TAXES BUT SPONSOR IS TRANSFERRING THIS OBLIGATION TO PURCHASER. WHILE THE NEW YORK STATE AND NEW YORK CITY TRANSFER TAXES ARE CUSTOMARILY PAID FOR BY THE SELLER IN SINGLE FAMILY HOME TRANSACTIONS, THE BURDEN OF PAYING SUCH TAXES MAY BE MODIFIED BY CONTRACT. AS IS COMMON WITH MANY OTHER CONDOMINIUM DEVELOPMENTS IN NEW YORK STATE, THE PURCHASE AGREEMENT PROVIDES THAT THE PURCHASER OF A UNIT WILL BE REQUIRED TO PAY THESE TRANSFER TAXES AT THE CLOSING.

(10) Sponsor has obtained construction loan mortgage financing from First Central Savings Bank ("Construction Lender"), with its offices located at 70 Glen Street, Glen Cove, New York 11542 for the project. The Construction Lender is not an affiliate of Sponsor or of any principals of Sponsor. Sponsor will obtain a release of lien by Construction Lender at the time of conveyance of a Condominium Unit to the Purchaser. If the minimum release price is not met, then the Sponsor may not sell such unit without the express written consent of the Construction Lender agreeing to allow the sale of a unit for less than the minimum release price. There are no requirements by Construction Lender requiring the Sponsor to market the units for sale and there is no minimum number or percentage of units which must be under contract before the plan can be declared effective. There is a minimum release price set by the lender or a required minimum payment per sale which must be made to the lender in order for the lender to release its lien from the unit being sold. There are no limits or requirements imposed by the Lender for Sponsor to rent rather than sell under specified market conditions. The Sponsor intends to either (i) obtain Lender consent to release each condominium unit from the Lender in exchange for payment from each Closing or (ii) obtain a new loan from a new lender with condominium release provisions.

(11) Each Purchaser will be required to execute and deliver at the closing: (i) a New York City Real Property Transfer Tax Return and New York State Real Estate Transfer Tax Return and Credit Line Mortgage Certificate, in the forms required to be filed by law; and (ii) a Unit Owner Power of Attorney substantially in the form set forth in Part II of the Plan.

(12) The Sponsor expects the first closing of a unit to occur on or about March 1, 2019. If such date is delayed (a) 12 months or more from March 1, 2019 or (b) 12 months from the date of any amendment to the offering plan with the Department of Law which amendment changes the projected date of the first closing and first year of operation of the condominium, whichever is later, Purchasers will be offered a right of rescission of the Purchase Agreement.

(13) Compliance with Financial Crimes Enforcement Network ("FinCEN"): FinCEN requires U.S. title insurance companies to report to FinCEN the personal identity of purchasers in residential real estate transactions in which: (1) the purchaser is a legal entity as defined in the Geographic Targeting Order ("GTO"); (2) the purchaser purchases residential real property located in the Boroughs of Bronx, Brooklyn, Queens, Manhattan, and Staten Island; (3) the total purchase price is in excess of $3,000,000 in the Borough of Manhattan or the total purchase price is in excess of $1,500,000 in the Boroughs of Bronx, Brooklyn, Queens, or Staten Island; (4) such purchase is made without a bank loan or other similar form of external financing; *and* (5) the purchase is made, at least in part, using currency or a cashier's check, a certified check, a traveler's check, a personal check, a business check, or a money order in any form, or a funds transfer. The order was renewed in April 2018, however, the precise terms of the renewed order remain confidential at this time.

P. UNIT CLOSING COSTS AND ADJUSTMENTS

1. The estimated closing costs and expenses to be incurred by each Purchaser upon the purchase of a Unit are as follows:

(i) Estimated Costs, Fees and Charges to be Paid by Purchaser:

At the time of the closing, the Purchaser will be responsible for paying the costs, fees and charges in connection with the closing of title: title insurance fee premium; title insurance mortgage premium if the Purchaser obtains mortgage financing; mortgage recording tax; New York State Real Property Transfer Tax; New York City Real Property Transfer Tax; Recording fees for the recording of the deed, mortgage and Unit power of attorney; contributions to the Condominium's Working Capital fund; first month's common charges; survey fee; Sponsor reimbursement and Sponsor's attorney's fee.

From $100,000 to $500,000	$196 plus $1.092 per Thousand over $100,000;

From $1,000,000 to $5,000,000	$791 plus $0.641 per Thousand over $1,000,000;

III. Cost of Survey.

Each Purchaser shall also be required to pay the cost of any survey or survey inspection prepared at his request. Purchaser shall reimburse to Sponsor the sum of $500.00 as contribution of costs of surveys and surveying services incurred by Sponsor. Prints of Sponsor's survey will be available for a nominal charge.

IV. Cost of Recording Documents.

The fee charged by the New York City Register's Office for the recording of the deed is approximately $200.00. Fee for the recording of the Unit power of attorney is approximately $75.00. The fee for recording the New York City Real Property Transfer Tax Return payable by the Purchaser is $50.00.

V. Costs to Purchaser for the Payment of New York State and New York City Transfer Taxes.

The New York State Real Estate Transfer Tax, currently $4.00 for each one thousand dollars ($1,000.00) or fractional portion thereof, of the purchase price plus a $5.00 service charge. If applicable, the New York State Additional Tax ("Mansion Tax") of 1% where the purchase price equals $1 million or more and the New York City Transfer Tax is 1.00% of the purchase price up to $500,000.00 and 1.425% over $500,000.00 (for example - $1,000.00 or 1,425.00 respectively per $100,000.00 of purchase price). Because the Purchaser, rather than the Sponsor is required to pay the New York State and New York City Transfer taxes, the tax is

based on additional consideration amounting to 1.4% of the price of the Unit for purchase prices up to $1,000,000 and approximately 1.858% for purchase prices over $1,000,000.

(For example, for a Unit price of less than $500,000 - if the Unit price is $490,000.00, for purposes of calculating the transfer taxes, the Unit price of $490,000.00 is multiplied by 1.014 for a total price for tax purposes of $496,860.00). The transfer taxes are added as additional consideration on which the tax is calculated. Therefore, the New York State Transfer Tax would be approximately $1,988.00 instead of $1,960.00, and the New York City Transfer Tax would be approximately $4,969.00 instead of $4,900.00.

(For example, for a Unit price of more than $500,000 - if the Unit price is $600,000.00, for purposes of calculating the transfer taxes, the Unit price of $600,000.00 is multiplied by 1.01825 for a total price for tax purposes of $610,950.00). The transfer taxes are added as additional consideration on which the tax is calculated. Therefore, the New York State Transfer Tax would be approximately $2,444.00 instead of $2,400.00, and the New York City Transfer Tax would be approximately $8,706.00 instead of $8,550.00.

The New York City Department of Finance has taken the position that when a Purchaser purchases two or more Units, the New York City Transfer Tax may be 1.425% where the consideration is $500,000.00 or less and 2.625% where the consideration is greater than $500,000.00. Purchasers are advised to discuss this with their own attorney and/or accountant if they purchase two or more Units.

VI. Cost of Mortgage Recording Taxes.

In the event that a Purchaser obtains a mortgage from a lending institution, then he or she will customarily pay at the closing of tile the following additional costs: (i) mortgage recording taxes in the amount of 1.80% of the first ten thousand dollars of the amount of the mortgage executed by the Purchaser and a mortgage recording tax of 2.05% of the amount of the balance of the mortgage actually executed by Purchaser for mortgages in the amount of less than $500,000.00. The mortgage recording tax for mortgages in the amount of $500,000.00 or more is 2.175% after the $30.00 deduction on the first ten thousand dollars of mortgage amount and, (ii) in addition, the recording charges imposed by the New York City Register which are approximately $20.00 plus $5.00 per page or part thereof and a service charge of approximately $20.00 per document. All Purchasers will also be required to pay all fees and charges imposed by their respective lending institutions. Purchaser will also likely pay lender's appraiser fees, origination fees, lender's attorney's fees, reserves for real estate taxes and insurance premiums. The Sponsor makes no representation as to what additional closing costs may be charged by a particular lender.

VII. Working Capital Contribution by Purchaser.

A Working Capital Fund for the Condominium shall be established as follows:

Upon the closing of the purchase of a Unit, the Purchaser will be required to pay to the Condominium an amount equal to two months' Common Charges then in effect for the Unit

pursuant to the budget in accordance with Schedule A hereto, as the same may be amended from time to time ("Unit Working Capital Fund Contribution") as initial Working Capital. This contribution is not refundable or transferable if the Purchaser sells his or her Unit.

VIII. Attorney's Fees Payable by the Purchaser.

Purchaser shall have the sole responsibility for payment of his or her own attorney's fees and any attorney's fees or other fees required by his or her lending institution.

At Closing, Purchasers are required to pay to the Sponsor a fee of $2,500 as a Sponsor reimbursement fee to reimburse the Sponsor for fees incurred for filing this condominium offering plan with the New York State Department of Law to create this Condominium.

At Closing, Purchasers shall pay the fee of Sponsor's closing attorneys in the amount of $2,500.00 per Unit at the time of closing for document preparation fees for preparation of closing documents and for attendance by Sponsor's counsel at the closing. If a closing takes place, at the request of the Purchaser, at any location other than the office of Sponsor's attorney, Purchaser shall pay to Sponsor's attorney (in addition to the fee set forth above), an attendance travel fee in the sum of $450.00 provided that the closing is held in the City of New York or Nassau County. Sponsor and Sponsor's counsel are not required to attend a closing at any location other than in the City of New York or Nassau County. In the event that a closing is adjourned with Sponsor's consent, at the request of the Purchaser, or Purchaser's attorney within forty eight (48) hours of the scheduled time of closing, Purchaser shall also pay Sponsor's attorney an adjournment fee in the sum of $250.00. There will be a fee charged of $150.00 for the preparation by Sponsor's counsel of E-Forms, which are required for the ACRIS recording of the transfer documents.

IX. Late Fees.

Purchaser may adjourn the closing date which is set forth in the contract one time for an adjourned period of up to 15 days. If the Purchaser adjourns the closing as permitted herein, then the adjourned date is made "time of the essence". This means that the Purchaser must close by the adjourned date. In the event that Purchaser does not close on the adjourned date, Purchaser may risk the loss of his or her Down Payment. If the Purchaser fails to close on the Closing Date for any reason, then (i) the closing adjustments shall be made as of midnight of the day preceding the date originally scheduled for the Closing Date and Purchaser shall Pay Sponsor interest at the rate of 10.95% per annum on the entire amount of the purchase price computed from the date on which Sponsor is to tender a deed for the Condominium Unit and Purchaser is notified of the closing date until this transaction is actually closed.

X. Estimated Apportioned Costs, Fees and Charges to be Paid by Purchaser:

The following costs are to be apportioned at the closings:

If Units have not been separately assessed for real estate tax purposes prior to the closing of title to the first Unit, Sponsor may place in escrow, in the name of the Board of Managers, an amount equal to the unpaid real estate taxes which will be levied against the parcel for the six

month period following the first closing. The amount deposited in escrow for real estate taxes will be disclosed in the post-closing amendments until the units are separately assessed. Alternatively, the Sponsor may place in escrow, in the name of the Board of Managers, an amount equal to the real estate taxes attributable to the unsold Units for such six month period and may collect at each Unit closing the estimated amount of taxes attributable to such Unit for the balance of the six month period. The Board of Managers will pay the real estate taxes from the escrow account when taxes are due and payable and the funder of the escrow account will be entitled to reimbursement from Unit Owners to the extent of the actual assessment. The Condominium By-Laws do not include that the payment of real estate taxes for the condominium building as part of the Common Expenses if the Units are not separately assessed during the period that that units are not separately assessed. Until all of the Units have been separately assessed, all post-closing amendments shall disclose the amount of the funds deposited in escrow, if any, for the payment of real estate taxes.

A purchaser is required to pay closing adjustments to Sponsor at Closing for (a) adjustments in real estate taxes and adjustment in common charges.

(iii) Credits for Mortgage Recording Taxes Paid by Sponsor.

To the extent that the Purchaser is entitled to any credit against the mortgage recording tax by reasons of any prior mortgage against the Unit or the Property, the Purchaser shall pay to the Sponsor at the closing for such Unit the amount of any such credit.

The Sponsor may pay or may have paid a mortgage recording tax in connection with obtaining a mortgage loan for the acquisition and/or the construction of the Condominium. Section 339-ee(2) of the New York Real Property Law provides for a mortgage tax credit upon transfer of the Units.

Sponsor shall be entitled to a credit for the mortgage taxes paid pursuant to Section 339-ee(2) of the New York Real Property Law. The pertinent language of the statute is as follows:

[1] The example does not include costs that may be incurred for Purchaser's attorney's fee, apportionments for real estate taxes, water and sewer charges and similar items (see Closing Adjustments, Part I, Section P (II)) and fees required by Purchaser's lending institution. When the Purchaser pays the transfer tax, the law requires that the tax that the seller would pay be treated as additional consideration for the purpose of computing the New York State and City of New York City Transfer taxes.

"If in the event the proceeds of a construction mortgage were applied to construction of a Unit of a Condominium submitted to the provisions of this article, or in the event that a Unit submitted to the provisions of this act was subject to a blanket mortgage, and a mortgage tax was duly paid on such construction or blanket mortgage in accordance with article eleven of the tax law, then, as each Unit is first conveyed, there shall be allowed a credit against the mortgage tax that would otherwise be payable on a purchase money mortgage, said credit to be in the amount resulting from the product of the Purchaser's pro rata percentage of interest in the Common Elements and the mortgage tax already paid on the construction or blanket mortgage. No credit shall be allowed under this subdivision (a) on account of the special additional mortgage recording tax imposed by subdivision one "a" of section two hundred fifty three of the tax law or (b) where the first Condominium Unit is sold more than two years after the construction or blanket mortgage was recorded".

The Sponsor shall receive the benefit from any credit on Purchaser's mortgage recording tax which may be available pursuant to the quoted statute. Accordingly, at closing, each Purchaser electing mortgage financing shall pay the full amount of the mortgage recording tax chargeable on the entire amount being financed. Sponsor will be reimbursed at closing to the extent of any mortgage tax credit allowed.

(iv) Mortgage financing costs.

The Purchaser will be responsible for all closing costs in connection with mortgage financing if the Purchaser obtains a mortgage.

Q. RIGHTS AND OBLIGATIONS OF THE SPONSOR

(1) Sponsor is reserving the unconditional right to rent after consummation of the Plan rather than sell Units. Because Sponsor is not limiting the conditions under which it will rent rather than sell Units, there is no commitment to sell more Units than the fifteen percent (15%) necessary to declare the Plan effective and owner-occupants may never gain effective control and management of the Condominium. Sponsor will endeavor in good faith to sell Units rather than rent units in a reasonably timely manner. If Sponsor makes a bulk sale of all or some of its unsold Units, the transferee successor Sponsor is bound by Sponsor's representations regarding its commitment to sell Units.

(2) Sponsor has the obligation to defend any suits or proceedings arising out of Sponsor's acts or omission with regard to applicable laws and regulations and the obligations under the Plan, and to indemnify the board of managers and the unit owners.

(3) All representations under the Offering Plan, all obligations pursuant to the General Business Law, and such additional obligations under the Offering Plan which are to be performed subsequent to the closing date will survive delivery of the deed.

(4) Sponsor and its principals will remain liable notwithstanding any disclaimers or limitations of liability on the part of the Sponsor or its principals for failure to perform any obligation imposed by applicable statute or regulation. This Offering Plan does not include any financial limitation on Sponsor's liability for failure to perform its obligations under the Offering Plan. With regard to items covered by the Limited Warranty provided by Sponsor, , the Sponsor's obligation, regardless of any limitations in the warranty or in this Offering Plan, Sponsor's obligations cannot go below the duty to construct the premises in accordance with all applicable codes, filed plans and specifications and locally accepted building practices for items which are not covered by codes.

(5) The Sponsor agrees to pay all common charges, special assessments and real estate taxes with respect to unsold Units. Sponsor represents that it has the financial resources to meet its obligations with respect to unsold Units. Sponsor will fund its financial obligations to the Condominium through sale of a Condominium Unit pursuant to this Plan or through cash on hand. No bond or other security has been furnished to secure Sponsor's obligations under this Plan or to complete construction of the building.

(6) Sponsor is not obligated to repair any damage from a casualty or other cause that occurs before the closing of a Purchasers Unit. If Sponsor elects to repair or restore the Unit, Purchaser shall not have the right to reject title or receive a credit against or abatement in the purchase price and Sponsor shall be entitled to a reasonable period of time within which to complete the repair or restoration. In the event that Sponsor notifies Purchaser that it does not elect to repair or restore the Unit or, if the Declaration has been recorded prior thereto and the Unit Owners do not resolve to make such repairs or restoration pursuant to the By-Laws, the Purchase Agreement shall be deemed canceled and of no further force or effect and Sponsor shall return to Purchaser all sums deposited by Purchaser hereunder, together with interest earned thereon, and neither party shall have any further rights, obligations or liability to or against the

other. In the event that there is casualty damage to a unit or the condominium building, Sponsor will notify Purchaser within sixty (60) days whether Sponsor will repair a unit after casualty damage. Sponsor should endeavor to notify Purchaser of its intent to repair a unit after casualty damage within a reasonable amount of time. The parties shall also be released from all obligations and liability under the Purchase Agreement and this Plan, except that if Purchaser is then in default under the Purchase Agreement, Sponsor shall retain all sums deposited by Purchaser pursuant to the Purchase Agreement together with interest, if any, earned thereon as and for liquidated damages.

(7) Sponsor shall procure fire and casualty insurance, as set forth in Schedule B **(Part I, Section "F")**, pursuant to an agreed amount replacement value policy or in an amount sufficient to avoid co-insurance as reflected in Schedule "B". Such insurance will provide that each Unit Owner is an additional insured and that there will be no cancellation without notice to the Board of Managers and Unit Owners. The insurance policies will also contain waivers of subrogation, waivers of invalidity, due to acts of the insured and Unit Owners and waivers of pro-rata reduction of liability of the insurer due to other insurance carried by individual Unit Owners.

(8) In the event of the dissolution or liquidation of the Sponsor or the transfer of ten or more Units or twenty percent or more of the total number of Units in the Condominium, whichever is less, the principals of the Sponsor will provide financially responsible entities or individuals who will assume the status and all of the obligations of the Sponsor for those Units under the Offering Plan, applicable laws or regulations.

(9) Sponsor has obtained construction loan mortgage financing from First Central Savings Bank ("Construction Lender"), with its offices located at 70 Glen Street, Glen Cove, New York 11542 for the project. The Construction Lender is not an affiliate of Sponsor or of any principals of Sponsor. Sponsor will obtain a release of lien by Construction Lender at the time of conveyance of a Condominium Unit to the Purchaser. If the minimum release price is not met, then the Sponsor may not sell such unit without the express written consent of the Construction Lender agreeing to allow the sale of a unit for less than the minimum release price. There are no requirements by Construction Lender requiring the Sponsor to market the units for sale and there is no minimum number or percentage of units which must be under contract before the plan can be declared effective. There is a minimum release price set by the lender or a required minimum payment per sale which must be made to the lender in order for the lender to release its lien from the unit being sold. There are no limits or requirements imposed by the Lender for Sponsor to rent rather than sell under specified market conditions. The Sponsor intends to either (i) obtain Lender consent to release each condominium unit from the Lender in exchange for payment from each Closing or (ii) obtain a new loan from a new lender with condominium release provisions.

(10) With Sponsor's own funds together with the funds provided by First Central Savings Bank, Sponsor has the financial ability to complete the construction of the units offered.

(11) Sponsor shall have the obligation to build and complete the Condominium in accordance with applicable codes and the building Plans and specifications identified in this Offering Plan.

Sponsor shall have the right to substitute equipment or materials of Equal or Better quality and design as those originally specified. The Sponsor may not substitute equipment or materials of lesser quality or design.

(12) Sponsor is required to have a Temporary Certificate of Occupancy or Permanent Certificate of Occupancy for the building prior to the first closing.

(13) The Sponsor's obligation to build and complete the Condominium in accordance with the building Plans and specifications identified in the Plan and Sponsor's right to substitute equipment or materials and make modifications of layout or design, provided however, that Sponsor may not change the size, or location of the Units, buildings, other improvements or common element if such changes affect the percentage of common interests or adversely affect the value of any Unit to which title has closed or for which a Purchase Agreement has been executed and is in effect unless all affected Unit Owners and contract vendees consent in writing to such change.

(14) The common areas and public portions of the building will be completed before the closing of title to the first Unit.

(15) If the first closing may take place prior to the issuance of a permanent certificate of occupancy for the building (if a permanent certificate of occupancy is required for the building):

Sponsor is required to maintain all Deposits and funds in the special escrow account required by General Business Law Section 352-e(2-b) unless the Sponsor's engineer, architect or other qualified expert certifies that a lesser amount will be reasonably necessary to complete the work needed to obtain a Permanent Certificate of Occupancy, in which case the sum exceeding the amount so certified by the Sponsor's engineer, architect or other qualified expert may be released from the special escrow account. Alternatively, Sponsor must deposit with an escrow agent an unconditional, irrevocable letter of credit, post a surety bond in the amount so certified, or provide other collateral acceptable to the Department of Law. The use of any alternate security will be previously disclosed in an amendment to the Plan.

The amount of any escrow retained for the issuance of a permanent certificate of occupancy and the architect's certification certifying such amount shall be disclosed in the post-closing amendments.

All alterations and improvements to the common areas and public portions of the condominium buildings will be completed before the closing of the first unit.

(16) The Sponsor and its principals must obtain a permanent certificate of occupancy for the property within two years or more after the closing of the first unit. Sponsor must obtain the permanent certificate of occupancy before the partial or temporary certificate of occupancy expires, unless extended.

If the first closing may take place prior to the issuance of a permanent certificate of occupancy for the property:

(i) Sponsor is required to maintain all deposits and funds in the special escrow account required by unless the Sponsor's engineer, architect or other qualified expert certifies that a lesser amount will be reasonably necessary to complete the work needed to obtain a permanent certificate of occupancy, in which case the sum exceeding the amount so certified by the Sponsor's engineer, architect or other qualified expert may be released from the special escrow account. Alternatively, Sponsor must deposit with an escrow agent an unconditional, irrevocable letter of credit, post a surety bond in the amount so certified, or provide other collateral acceptable to the Department of Law.

Purchasers are advised that it has been customary for units in newly constructed and gut rehab co-ops and condos to close after a Temporary Certificate of Occupancy ("TCO") covering such units has been issued. Sponsor will send Closing notices for units covered by TCO's and Purchasers will be required to close with a TCO rather than with a Permanent Certificate of Occupancy in place. TCO's are usually issued for three (3) months at a time.

The NYC Department of Buildings advises Purchasers to houses and apartments, who close with only a TCO in place, to consult with their attorneys and engineers to assure that sufficient funds are escrowed or otherwise secured for Sponsor to obtain a permanent or final Certificate of Occupancy. It is strongly recommended that buyers consult the "DOB Website / Consumer Tips" for its recommendation when buying units in a building that does not have a Final Certificate of Occupancy. Buyers are advised to visit the New York City Department of Buildings Website / Consumers Tips for recommendations when buying units in a Condominium that does not have a Final Certificate of Occupancy. Sponsor does anticipate having a Final Certificate of Occupancy within one year from the First Closing. Purchasers are advised to ascertain that sufficient money is held in escrow in order for the Sponsor to obtain a Permanent Certificate of Occupancy.

Complete details regarding the issuance of the Certificate of Occupancy are discussed in this Offering Plan. Purchasers are advised to ascertain that sufficient money is held in escrow in order for the Sponsor to obtain a Permanent Certificate of Occupancy.

Purchasers are advised that in New York City, newly constructed and newly renovated buildings are sometimes offered as condominium projects without a final certificate of occupancy ("FCO") covering the entire building but with only a temporary certificate of occupancy ("TCO"), and sometimes with several successive temporary certificates of occupancy. Certificates of occupancy are generally governed by Section 301 of the New York Multiple Dwelling Law and local building codes and rules. Both TCOs and FCOs are issued by the New York City Department of Buildings ("DOB"). A TCO is intended to indicate that the property conforms

substantially to the DOB approved plans and specifications, and to the requirements of all applicable laws, rules and regulations for the uses and occupancies specified in the TCO. No change of use or occupancy shall be made unless a new certificate of occupancy is issued. All TCOs have an expiration date. A TCO typically expires 90 days after the date of issuance. When a TCO expires and is not renewed, it may be difficult or impossible to buy insurance, refinance, or sell units. In New York City, it is common for Sponsors to commence unit closings when some or all units are covered by a TCO rather than a FCO. Sponsor anticipates this scenario may occur. Sponsor and its principals will undertake the responsibility for extending each TCO received prior to expiration thereof, and ultimately for obtaining a FCO covering the entire building within two years from the date of the issuance of the first TCO. However, Sponsor and its principals make no representation or guarantee that DOB will issue the FCO within such two year period. NOTWITHSTANDING THE FOREGOING, SPONSOR AND ITS PRINCIPALS ARE OBLIGATED TO PROCURE THE FCO FOR THE ENTIRE BUILDING, AND SHALL EXERCISE BEST EFFORTS TO OBTAIN THE FCO WITHIN SUCH TWO YEAR PERIOD WHILE KEEPING THE TCO CURRENT. Unit owners and the Board of Managers shall be obligated to cooperate with and refrain from obstructing Sponsor in these undertakings.

(17) Because the Condominium building is greater than five (5) stories, Sponsor is **not** obligated to provide a warranty on the Condominium Units and no warranty is provided. Notwithstanding the foregoing, Sponsor is obligated to construct the premises in accordance with all applicable codes and filed plans and specifications, and that any conflict between the disclaimers and the sponsor's obligation to construct the premises in accordance with all applicable codes and filed plans and specifications shall be resolved in favor of the latter.

(18) Sponsor will pay the cost of all authorized and proper work involved in the construction, establishment and sale of the Condominium property that Sponsor is obligated to complete under the Plan and to cause all mechanics liens filed with respect to the construction of the building to be promptly discharged or bonded.

(19) Sponsor will deliver a set of "as built" Plans to the Board of Managers.

(20) Upon the closing of title, Sponsor will assign to the Purchaser, and to the Board of Managers upon the recording of the Declaration, all applicable warranties, if any, of manufacturers and subcontractors relating to heating, electrical work, plumbing, and appliances, as well as bonds relating to the Purchasers Unit or the Common Elements, if any. Sponsor undertakes to supply warranties only to the extent that warranties are actually made by such manufacturers and subcontractors and only to the extent that such warranties and bonds are assignable. Sponsor anticipates assigning warranties for the heating equipment, air conditioning equipment and appliances to the Purchaser at the time of Closing.

(21) Except as specifically set forth in this Plan, no bond or other security has been furnished to secure Sponsor's obligations to complete construction after closing title to the first Unit.

(22) Sponsor will disclose in all post-Closing amendments until a Permanent Certificate of Occupancy is issued the amount of any funds held in escrow for the issuance of a Permanent Certificate of Occupancy and the post-Closing amendments shall include the architect's certification certifying to such amount as an exhibit to such amendments.

(23) The Sponsor has a right of access to complete construction of the Condominium. The Sponsor is obligated to repair any damages caused by Sponsor or Sponsor's contractors to any Condominium Unit and the common areas as a result of the work performed in accordance with gaining access to Condominium Units and/or the common areas. The Sponsor may not interfere with the Unit Owner's use and may only gain access to sold Units during normal business hours, from 8AM to 5PM, Monday through Friday.

(24) Owners of Class A multiple dwellings in New York City, which include Condominium Units, must install carbon monoxide detectors. The Sponsor will install a smoke detector and a carbon monoxide detector in each residential Condominium Unit. The law requires the owners of the residential Condominium Units to maintain the carbon monoxide detectors.

(25) The Offering Plan must be declared effective when Purchase Agreements have been accepted by Sponsor for eighty (80) percent or more of the Units offered under the Plan. **(80% is sixteen (16) Units).**

(26) If the offering plan is to be abandoned after filing and the Sponsor has accepted purchase agreements, the Sponsor shall promptly submit an amendment to the Department of Law together with form RS-3 as promulgated by the Department of Law. If payments under purchase agreements have been received, and the offering plan is abandoned, the funds of purchasers must be returned within five days after the amendment abandoning the plan has been accepted for filing by the New York State Department of Law. If there are no outstanding purchase agreements the Sponsor need not submit an amendment but shall submit a form RS-3 to the Department of Law.

(27) The Sponsor may not abandon this Offering Plan after effectiveness for any reason other than (i) a defect in title which cannot be cured without litigation or cannot be cured for less than one-half of one percent of the total offering amount; or (ii) substantial damage or destruction of the Building by fire or other casualty which cannot be cured for less than one-half of one percent of the total offering amount; or (iii) the taking of any material portion of the property by condemnation or eminent domain. The sum of one-half of one percent of the total offering amount as the figure for the basis for abandonment after effectiveness shall exclude any attorney's fees or any such title defects or determinations of any authority or regulatory association which exist on the date of presentation of the Plan and are either known to the Sponsor or are a matter of public record.

(28) Sponsor shall procure fire and casualty insurance pursuant to an agreed amount replacement value policy or in an amount sufficient to avoid co-insurance, as reflected in Schedule B in this offering plan.

R. CONTROL BY SPONSOR

Sponsor's initial control of the Board of Managers of the Condominium will be subject to the following:

Board of Managers:

The Condominium By-Laws, as set forth in Part II, Section "MM" of the Plan, provide for a three (3) member Board of Managers whose members will be designated by the Sponsor. Giuseppe Gambino and Richard S. Gravante who are principals of the Sponsor, and Gary Rosen, Esq., who is attorney for the Sponsor, will serve as the first officers and members of the Board of Managers.

Even after the expiration of the initial control period, the Sponsor may exercise voting control of the Board of Managers as the Sponsor has the unconditional right to rent units after the consummation of the Plan, and may always retain enough units to exercise voting control.

Until the meeting to elect members of the Board of Managers, of Unit Owners, Sponsor shall appoint all three (3) members to the Board of Managers.

The Sponsor shall call the first meeting of Unit Owners within one year from the First Closing.

Until (a) 75% of all of the Residential Units (20 Residential Units x 75% = 15 Residential Units) have been sold and conveyed to Purchasers or (b) within one (1) year from the conveyance of the first unit to a Purchaser, whichever occurs first, the Sponsor shall appoint all three (3) members to the Board of Managers.

The first meeting of Unit Owners will be held upon the earlier of (a) 75% of the Residential Units having been conveyed to Purchasers or (b) within one (1) year from the conveyance of the first unit to a Purchaser, whichever occurs first.

At the first meeting of unit owners, provided that Sponsor owns at least one (1) unit, Sponsor shall appoint two (2) members to the Board of Managers and an election will be held for the unit owners to vote and elect one (1) member to the Board of Managers.

Upon the earlier of (a) all units having been sold and conveyed or (b) three (3) years from the first closing, all members of the Board of Managers appointed by the Sponsor shall resign and all three (3) members of the Board of Managers shall be elected by Unit Owners.

Sponsor shall have no right to appoint any members to the Board of Managers upon the sale of all units or three (3) years from the first closing, whichever occurs first.

Sponsor has the right to rent units after consummation of the Plan. The Plan may be declared effective once 15% of the Residential Units are under contract. Until 15% of the

Residential Units are under contract, the Plan cannot be declared effective and the Sponsor cannot close on any units until the Plan is declared effective.

All residential unit owners and the community facility unit owner shall elect members to the Board of Managers by vote and the community facility unit and its' owner does not have a right to a position on the Board of Manager by virtue of being a non-residential unit. All units are treated equally for voting purposes.

Annual meetings will be held each annual anniversary from the first meeting of the Unit Owners although no change in control will occur until the provisions set forth herein are met.

The By-Laws authorize the President to call a special meeting of the Unit Owners if so directed by resolution of the Board of Managers or upon a petition signed and presented to the secretary by not less than 25% in common interest, in the aggregate, of the Unit Owners.

After the initial Sponsor Control Period expires, the By-Laws do not require that the majority of the Board consist of owner occupants or members of an owner-occupant's household who are unrelated to the Sponsor and its principals. Purchasers for their own occupancy may never gain control of the Board of Managers. Owner-occupants and non-resident owners, including Sponsor, may have inherent conflicts on how the Condominium should be managed because of their different reasons for purchasing, i.e., as a home as opposed to an investment.

After the initial Sponsor Control Period, a majority of Board Members will not be Sponsor affiliates. It is possible that a majority of Board Members will not be Sponsor affiliates after the initial Sponsor Control Period.

All members of the Board of Managers (other than the designees of the Sponsor) shall be Unit Owners, mortgagees of Units, partners or employees of a partnership owning a Unit or a mortgage covering a Unit, shareholders, officers, directors or employees of corporate owners or corporate mortgagees of Units, or fiduciaries or officers or employees of fiduciaries who are owners or mortgagees of Units.

The term of office of the members of the Board of Managers shall be one year or until their successors are elected, whichever is later.

All terms of the members of the Board of Managers term shall expire annually.

Sponsor agrees to deliver a set of "as-built" plans to the Board of Managers.

Sponsor has a right of access to complete make any repairs in necessary to the condominium building. Sponsor is obligated to repair damages caused by Sponsor in completing construction of the condominium building. Sponsor may not interfere with the unit owners' use of their unit, however, Sponsor shall be provided reasonable access to any unit during the hours

of 9am and 5pm weekdays for the purpose of access to complete construction of the condominium.

Control of Management by Sponsor

As long as the Sponsor or its designees shall own Units representing 25% or more in common interest or for a period of three (3) years after closing of title to the first Unit, whichever occurs first, the Board of Managers may not, without the prior written consent of the Sponsor or its designees, (i) make any addition, alteration or improvement to the Common Elements, Limited Common Elements or to any Unit or (ii) assess any common charges for the creation of, addition to or replacement of all or part of a reserve, contingency or surplus fund except that Sponsor will consent to replacements to the contingency fund provided for in Schedule B to the extent that the aggregate amount of such fund does not exceed 5% of the budget expenses of the Condominium or (iii) borrow money on behalf of the Condominium (except where necessary to perform work required by law) to the extent that existing reserves are insufficient or (iv) amend the Declaration or By-Laws of the Condominium so as to in any way adversely affect Sponsor or its designees. At no time will the Board of Managers interfere with the offer and sale or leasing of Units, operation of or sales and leasing offices on the premises, or with any actions necessary for construction, renovation, repair or correction on the Property as required by Sponsor or its designee. Sponsor may not exercise veto power over expenses described in Schedule B, or over expenses required: (i) to comply with applicable laws or regulations; or (ii) to remedy any notice of violation; or (iii) to remedy any work order by an insurer; or (iv) which affects the health and safety of the occupants of the building.

Notwithstanding that the Sponsor is in control of the Board of Managers during the Sponsor Control Period, if the Sponsor fails to comply with its construction obligations during the Sponsor Control Period, two or more Unit Owners may, on behalf of the Board of Managers and on behalf of all of the Unit Owners, commence a legal action or proceeding against the Sponsor on behalf of all of the Unit Owners. Notwithstanding the foregoing, if the Sponsor fails to comply with its construction obligations, an individual Unit Owner may commence a legal action or proceeding against the Sponsor on behalf of himself or herself.

S. BOARD OF MANAGERS

The form of the Declaration of Condominium and the By-Laws referred to in the Plan appears in Part II, Sections "LL" and "MM".

The following is a summary of certain provisions of the By-Laws and Declaration:

(1) The affairs of the Condominium will be governed by a Board of Managers consisting of three (3) members. It is anticipated that Giuseppe Gambino, Richard S. Gravante, and Gary Rosen, Esq. will serve as the first officers and members of the Board of Managers. Persons eligible to be members of the Board of Managers (other than the designees of the Sponsor) shall be Unit Owners, mortgagees of Units, partners or employees of a partnership owning a Unit or a mortgage covering a Unit, shareholders, officers, directors or employees of corporate owners or corporate mortgagees of Units, or fiduciaries or officers or employees of fiduciaries who are owners or mortgagees of Units.

THE SPONSOR SHALL CALL THE FIRST MEETING OF UNIT OWNERS within one year from the First Closing.

Until (a) 75% of all of the Residential Units (20 Residential Units x 75% = 15 Residential Units) have been sold and conveyed to Purchasers or (b) within one (1) year from the conveyance of the first unit to a Purchaser, whichever occurs first, the Sponsor shall appoint all three (3) members to the Board of Managers.

The first meeting of Unit Owners will be held upon the earlier of (a) 75% of the Residential Units having been conveyed to Purchasers or (b) within one (1) year from the conveyance of the first unit to a Purchaser, whichever occurs first.

At the first meeting of unit owners, provided that Sponsor owns at least one (1) unit, Sponsor shall appoint two (2) members to the Board of Managers and an election will be held for the unit owners to vote and elect one (1) member to the Board of Managers.

Upon the earlier of (a) all units having been sold and conveyed or (b) three (3) years from the first closing, all members of the Board of Managers appointed by the Sponsor shall resign and all three (3) members of the Board of Managers shall be elected by Unit Owners.

Sponsor shall have no right to appoint any members to the Board of Managers upon the sale of all units or three (3) years from the first closing, whichever occurs first.

Sponsor has the right to rent units after consummation of the Plan. The Plan may be declared effective once 15% of the Residential Units are under contract. Until 15% of the Residential Units are under contract, the Plan cannot be declared effective and the Sponsor cannot close on any units until the Plan is declared effective.

All residential unit owners and the community facility unit owner shall elect members to the Board of Managers by vote and the community facility unit and its' owner does

not have a right to a position on the Board of Manager by virtue of being a non-residential unit. All units are treated equally for voting purposes.

Members of the Board of Managers will serve for one year from the date of the election or until their successor is elected, whichever is later, except that a new Board of Managers will be elected at the first annual meeting after the first closing of a Unit even if the current Board has not served for one year.

Even after the expiration of the initial control period, the Sponsor may exercise voting control of the Board of Managers as the Sponsor has the unconditional right to rent units after the consummation of the Plan, and may always retain enough units to exercise voting control.

Annual meetings will be held on the first anniversary of the first meeting of Unit Owners and annually thereafter on the same day unless such day shall fall on a Saturday, Sunday or legal holiday, in which event the meeting for that year shall be held on the succeeding Monday. The By-Laws authorize the President to call a special meeting of the Unit Owners if so directed by resolution of the Board of Managers or upon a petition signed and presented to the secretary by not less than 25% in common interest, in the aggregate, of the Unit Owners.

The By-Laws do not require that the majority of the Board of Managers be owner-occupants or members of an owner-occupant's household who are unrelated to the Sponsor and its principals after the end of the initial Sponsor control period.

Purchasers for their own occupancy may never gain control of the Board of Managers. Owner-occupants and non-resident owners, including Sponsor, may have inherent conflicts on how the Condominium should be managed because of their different reasons for purchasing, i.e., as a home as opposed to an investment.

Sponsor will have the right to vote all of the Common Interests attributable to the Unsold Units as it sees fit. When voting for members of the Condominium Board, each Unit Owner shall be entitled to cast one vote for each .01% of Common Interest attributable to the Unit per member to be elected. However, Sponsor has the right to appoint members of the Condominium Board as set forth above for the time periods as stated herein.

(2) Anticipated First Officers and Members of the Board of Managers:

The names of the anticipated first officers and members of the Board of Managers are:

Giuseppe Gambino, President,
Richard S. Gravante, Vice President
Gary Rosen, Esq., as Secretary & Treasurer

Giuseppe Gambino and Richard S. Gravante are principals of the Sponsor. Gary Rosen, Esq. is the attorney for Sponsor.

(3) Directors' and officers' liability insurance will not be procured by the Sponsor and will not be effective at the closing of the Condominium and the filing of the Declaration. If the Board of Managers desires to obtain Directors and Officers Liability Insurance, it is anticipated that the cost will be approximately $750 per year. If the Board of Managers desires to obtain Directors' and officers' liability insurance, the cost for such insurance shall be borne by the Condominium. Directors' and officers' liability insurance would provide insurance coverage for any personal liability of the Board of Managers. Any person who serves as a member of a Board of Managers can be subject to an action for a perceived wrong. The insurance coverage that the Board of Managers may obtain, at a cost to the Condominium, may be obtained in an amount that may be sufficient to indemnify the Board of Managers against all claims. However, no representation is made that the coverage will be adequate in all cases and no representation is made that the coverage will include actions outside the scope of the duties of a member of the Board of Managers or an officer of a Condominium. The Unit Owners shall indemnify and hold harmless each of the officers of the Condominium against all liability to others arising from their acts as, or by reason of the fact that such person was an officer. It is intended that officers shall have no personal liability with respect to any contract made by them on behalf of the Condominium within the scope of their authority. It is also intended that the liability of any Unit Owner arising out of any contract made by any officer or out of the aforesaid indemnity in favor of the officers shall be limited to such proportion of the total liability thereof as his interest in the Common Elements bears to the interests of all Unit Owners in the Common Elements.

Every agreement made by any officer or by the managing agent or by the manager on behalf of the Condominium shall provide that the members of the Board of Managers, or the managing agent, or the manager, as the case may be, are acting only as agents for the Unit Owners and shall have no personal liability thereunder (except as Unit Owners) and that any liability of a Unit Owner thereunder shall be limited to such proportion of the total liability of a Unit Owner thereunder as his interest in the Common Elements bears to the interests of all Unit Owners in the Common Elements. Members of the Board of Managers may be held liable for a breach of fiduciary duties.

(4) All members of the Board of Managers shall serve without compensation and the Sponsor has agreed that the By-Laws will not be amended to provide otherwise while the Sponsor owns more than 15% of the Units.

(5) The officers and members of the Board may not be removed by the Board of Managers except for cause. Any provisions that give the sponsor control of the enforcement of the Sponsor's obligations are not lawful. If there are non-sponsor members of the Board, and there is a vote on whether to sue the Sponsor, the Sponsor's board representatives cannot lawfully vote on that issue.

(6) Except with regard to amendment of the Declaration or By-Laws, voting rights of Unit Owners shall be computed on the basis of percentage of common interest owned by a Unit Owner. The percentage of common interest needed to amend the Condominium's By-Laws and to change the Declaration of Condominium after it has been filed is sixty-six and two-

thirds percent (66 2/3%) in number and in common interest of all Unit Owners at a meeting of Unit Owners duly held for such purposes.

(7) Amendment of the Declaration and By-Laws.

The Declaration may be amended with the approval of at least 66 2/3% in number and in common interest of all Unit Owners, in accordance with the provisions of the By-Laws, provided, however, that the common interest appurtenant to each Unit as expressed in the Declaration shall not be altered without the consent of all Unit Owners affected.

The By-Laws may be amended by approval of 66 2/3% in number and in common interest of all Unit Owners at a meeting of Unit Owners duly held for such purposes.

T. RIGHTS AND OBLIGATIONS OF UNIT OWNERS AND THE BOARD OF MANAGERS

(1) Sale or Lease of Unit; Right of First Refusal of Board of Managers

FOR THE PROPOSED RESALE OF A CONDOMINIUM UNIT:

Any Unit Owner shall have the right to sell his or her Unit free of any right of first refusal or restriction. If there are any additional restrictions or conditions to sale or lease of Units in the future, the Sponsor will file an amendment disclosing that change.

The Board of Managers has no right of first refusal.

The terms of any lease, including the rent, will not be subject to state or local laws.

FOR THE PROPOSED LEASING OF A CONDOMINIUM UNIT BY A UNIT OWNER:

Unit Owners will be free without restriction, to sell or lease their respective Units to any person or entity without first offering the Unit for sale or lease to, or obtaining the consent of the Board of Managers.

The terms of any lease, including the rent, will not be subject to state or local laws.

Notwithstanding the foregoing, no Unit Owner may sell or lease their Unit if the Unit Owner is in arrears on payment of common charges.

The Board of Managers may make further restrictions on or conditions to sale or lease of Units in the future consistent with the Condominium Declaration, By-Laws and applicable law.

The Board of Managers and its agents may not discriminate against any person on the basis of race, creed, color, national origin, sex, age, disability, sexual orientation, marital status or other grounds prohibited by law.

(2) Mortgaging of Units by Unit Owners

Every Unit Owner shall have the right to mortgage his or her Unit without restriction, provided that any such mortgage shall be substantially in the form of the New York statutory form of mortgage, except any and all changes or additions as may be necessary in order to permit a particular bank, trust company, savings and loan association or other institutional lender to make the mortgage loan.

(3) Common Charges and Assessments

(i). Unit Owners shall pay common charges and assessments levied by the Board of Managers. The Board of Managers shall be required to prepare budgets at least annually. However, the Board of Managers may prepare budgets at more frequent intervals if it so desires.

A copy of each budget shall be furnished to each Unit Owner. Each Unit Owner shall be required to pay common charges and expenses in accordance with his or her proportionate interests in the Common Elements in order to insure collection of sufficient funds to meet the Condominium's budget. Common charges (except those adjusted at closing) shall be billed and be payable in advance on a monthly basis. Common Charges are due on the first day of each month. Common charges not received by the Board of Managers or its designated managing agent, by the tenth day of the month are deemed late. (See Section "MM", Article V, Section 5, By-Laws for discussion as to late fees.)

(ii). The Board of Managers shall have the right to accumulate reserves for capital expenditures or otherwise by establishment of a Reserve Fund. The building may be used by the Board of Managers for Condominium purposes in the exercise of its business judgment on how to run the affairs of a Condominium. The Board of Managers shall have the sole right to determine the amount of money to be kept in the Reserve Fund and how to invest it provided that the investment is made according to applicable law.

(iii). Liability of a Unit Owner for common charges and assessments can only be terminated by the sale of the Unit. As long as the Unit Owner has title to the Unit, the Unit Owner is responsible for the payment of common charges and assessments.

(iv). Section 339-z of the Real Property Law of the State of New York states that the Board of Managers will have a lien on each Unit for unpaid common charges assessed by the Board of Managers on behalf of the Unit Owners. The common charge lien will only be subordinate to liens for real estate taxes on the Unit and any unpaid amount due on a first mortgage of record on such Unit. A lien for unpaid common charges against the Unit becomes effective upon the filing of a notice of lien in the office of the Register of the City of New York. Such lien shall be in effect for six (6) years from the date of filing unless all common charges secured by the lien have been fully paid with interest or unless an action for foreclosure of the lien is commenced. The Board of Managers may commence legal action to foreclose the lien on behalf of the Unit Owners in a similar manner to the foreclosure of a mortgage on real property or an action may be brought by the Board of Managers to recover unpaid common charges without foreclosing the lien.

(v). The Sponsor will cause the Board of Managers to file a lien as provided for in Section 339-aa of the Real Property Law on Units in which Sponsor is more than thirty (30) days in arrears of common charges while Sponsor is in control of the Board of Managers.

Sponsor makes no representation or guaranty that any Unit Owner (other than Sponsor), any tenant, or the Condominium, will in fact comply with RPL §339-kk, and Sponsor shall have no liability for their failure to do so. No representation is made about the tax effects of RPL §339-kk and all prospective Purchasers should review RPL §339-kk to determine its effect on their own situation.

New York State RPL §339-kk provides the following:

(a) For the purposes of this section, "non-occupying owner" shall mean a Unit Owner in a Condominium association who does not occupy the dwelling Unit.

(b) If a non-occupying owner rents any dwelling Unit to a rental tenant and then fails to make payments due for common charges, assessments or late fees for such Unit within sixty days of the expiration of any grace period after they are due, upon notice in accordance with subdivision (c) of this section, all rental payments from the tenant shall be directly payable to the Condominium association.

(c) If the common charges, assessments or late fees due for any Unit have not been paid in full, within sixty days after the expiration of any grace period of the earliest due date, the Board of Managers shall provide written notice to the tenant and the non-occupying owner providing that, commencing immediately and until such time as all payments for common charges, assessments or late fees are made current, all rental payments due subsequent to the issuance of such notice are to be made payable to the Condominium association at the address listed on the notice. Where a majority of the Board of Managers has been elected by and from among the Unit Owners who are in occupancy, the Board of Managers may elect not to require that rental payments be made payable to the Condominium association. At such time as payments for common charges, assessments and late fees from the non-occupying owner are once again current, notice of such fact shall be given within three business days to the rental tenant and non-occupying owner. Thereafter all rental payments shall be made payable to the non-occupying owner or a designated agent. A non-occupying owner who disputes the association's claim to rental payments pursuant to this section shall be entitled to present facts supporting such owner's position at the next scheduled meeting of the Board of Managers, which must be held within thirty days of the date that such board receives notice that such owner seeks to dispute such claim.

(d) Nothing in this section shall limit any rights of Unit Owners or of the Board of Managers existing under any other law or agreement.

(e) Payment by a rental tenant to the Condominium association made in connection with this section shall relieve that rental tenant from the obligation to pay such rent to the non-occupying owner and shall be an absolute defense in any non-payment proceeding commenced by such non-occupying owner against such tenant for such rent.

(4) Repairs

(i). The Board of Managers will cause all maintenance, repairs and replacements necessary or required for the Common Elements the cost thereof will be a common expense. Unit Owners will be obligated to make and perform all maintenance, repairs and replacements to their individual Units and maintenance to the Limited Common Elements assigned to their Unit at their own cost and expense.

(ii). There are no improvements, maintenance, or provision of furnishing required of unit owners.

(iii) Each Unit Owner shall be responsible to reimburse the Condominium for the cost of any repairs or replacements to the Common Elements and Limited Common Elements required as the result of the negligence or abuse of said Unit Owner.

(iv). The Board of Managers and the Managing Agent shall have the right of access to any Unit for the purpose of making any repairs or replacements to any of the Common Elements and Limited Common Elements contained in the Unit or elsewhere in the building or to remedy any condition which would result in damage to any other Unit or the Common Elements or Limited Common Elements, or which would violate the provisions of any mortgage covering another Unit or for the purpose of complying with any laws, orders, rules or regulations of any governmental body having jurisdiction thereof. Such right of access shall be exercised in a manner that will not unreasonably interfere with the use of the Units, but prior notice shall not be required in the event that the Board of Managers shall determine that immediate action is necessary for the preservation or safety of the property of the Condominium, or the Units, or for the safety of Condominium residents or other persons, or required to avoid the suspension of any necessary service to the Condominium. The Board of Managers will not be liable to any Unit Owner by reason of such entry, except in the event of gross negligence or willful misconduct.

(5) Additions, Alterations and Improvements

(i). Additions, alterations or improvements costing $5,000.00 or less may be made by the Board of Managers without prior approval of the Unit Owners and the cost thereof shall constitute part of the Common Expenses. Additions, alterations or improvements costing more than $5,000.00 shall only be made in the event approval is granted by the Unit Owners, at a meeting duly called for such purpose, by more than 50% in number and common interest of the Unit Owners, Sponsor or its designee if then a Unit Owner (and by the holders of first mortgages on Units, if their approval is required). Upon requisite approval of such addition, alteration or improvement by the Unit Owners, the Board of Managers shall proceed with such addition, alteration or improvement and shall have the right to assess each Unit Owner with his proportionate share of the cost as part of the Common Expenses whether such owner voted for the addition, alteration or improvement or not.

(ii). Residential Unit Owners are prohibited from making any structural addition, alteration or improvement in their respective Units or filing any applications with any governmental authority for a permit covering any addition, alteration or improvement to be made in the Unit without prior written approval from the Board of Managers (and, if required, from the Unit Owners mortgagee). The provisions of this paragraph shall not apply to Units owned by the Sponsor or its designee until a deed to such Unit has been delivered to a Purchaser of the Unit. No Unit Owner may make any changes in or to the Common Elements or Limited Common Elements without prior written approval of the Board of Managers. The approval of the Board of Managers is not required for non-structural alterations and improvements to individual Units which do not affect the exterior of the building or the value of other Units. Purchasers should

note the restriction contained in the Rules and Regulations of the Condominium regarding television aerials, use of vestibules, storage and related matters.

(iii). The Board of Managers will execute any application or other documents required to be filed with any governmental authority having or asserting jurisdiction in connection with any structural addition, alteration or improvement made by the Sponsor or its designee to any Unit, provided, however, that neither the Board of Managers nor the Unit Owners shall be subjected to any expense or liability by virtue of the execution of the application or such other document.

(6) Insurance

(i). The Board of Managers will be obligated to obtain and maintain, to the limits extent obtainable:

Property Insurance:
Replacement Cost Insured Value - $4,000,000;

Commercial General Liability Insurance:
Premises Liability - $1,000,000 per occurrence / $2,000,000 aggregate

Directors and Officers Liability Insurance is not included. If the Board of Managers desires to obtain Directors and Officers Liability Insurance, it is anticipated that the cost will be approximately $750 per year.

(ii). Proceeds of all policies of physical damage insurance will be payable to the Board of Managers to be applied for the purpose of repairing, restoring or rebuilding the building unless otherwise determined by the Unit Owners as set forth below. No portion of the insurance proceeds shall be applied to the payment of the mortgage indebtedness of any Unit Owner unless 75% of the Unit Owners determine not to repair, restore or rebuild.

In the event of damage to or destruction of the Building as a result of fire or other casualty, the Board of Managers shall arrange for the prompt repair and restoration of the Building and the Board of Managers shall disburse the proceeds of all insurance policies to the contractors engaged in such repair and restoration in appropriate progress payments. Any cost of such repair and restoration in excess of the insurance proceeds shall constitute a Common Expense and the Board of Managers may assess all the Residential Unit Owners for such deficit as part of the Common Charges.

If 75% or more of the Units are destroyed or substantially damaged and 75% or more of the Unit Owners do not resolve to proceed with repair or restoration, the Property shall be subject to an action for partition at the suit of any Unit Owner or lienor, as if owned in common in which event the net proceeds of sale, together with the net proceeds of insurance policies shall be divided by the Board of Managers among the Unit Owners in proportion to their respective common interests, after first paying out of the share of each Unit Owner the amount of any unpaid liens on such Owner's Unit in the order of the priority of such liens.

All policies of physical damage insurance shall contain waivers of subrogation and of any defense based on coinsurance or of pro rata reduction of liability or of invalidity arising from any acts of the insured, and shall provide that such policies may not be canceled by the insurance carrier or substantially modified without at least ten days, prior written notice to all of the insured, including all mortgagees of Units. Certificates of insurance of all policies of physical damage insurance and of all renewals thereof, together with proof of payment of premiums, shall be delivered to all mortgagees at least ten days prior to expiration of the then current policies and each Unit Owner shall receive a certificate of such insurance.

The cost of all such insurance shall be paid by the Board of Managers and shall constitute a common expense.

For details regarding insurance coverage see Footnote to Schedule B **(Part I, Section "F" of the Plan).**

Each Unit Owner will be an additional insured on the Condominium insurance policy. Unit Owners shall not be prohibited from carrying other insurance for their own benefit at their own expense (covering items not included or included only to a limited extent in the policy of the Board of Managers), providing that such policies contain waivers of subrogation and further provided that the liability of the carriers issuing insurance procured by the Board of Managers shall not be affected or diminished by reason of any Unit Owner's other insurance. Examples of items not included in the policy of the Board of Managers is Additional Living Expense.

Unit Owners are strongly urged to consider the advisability of obtaining insurance to cover items not included in the policy of the Board of Managers.

(7) Restriction on Occupancy and Use

Occupancy shall be limited to residential use unless permission for other use is granted by the Board of Managers and meets approvals of government agencies and authorities.

Unit Owners may not lease any portion of a Unit less than the entire Unit. Purchasers are prohibited from listing their Units for sale prior to the closing of such Unit.

(8). Pet Restrictions.

No animals, birds, or reptiles of any kind shall be raised, bred, or kept in any Unit or in the common elements or limited common elements, except that dogs, cats or other household pets, not to exceed two per Unit, without the written consent of the Board of Managers, may be kept in Units, subject to the rules and regulations adopted by the Board of Managers, provided, that they are not kept, bred or maintained for any Commercial purposes; and provided further that any such pet causing or creating a nuisance or unreasonable disturbance or noise shall be permanently removed from the property subject to these restrictions upon three (3) days written notice from the Board of Managers.

In no event shall any dog be permitted in any portion of the common elements unless carried or on a leash, or in any grass or garden plot under any circumstances.

(9). Aesthetic Controls.

In order to retain the structural integrity and aesthetic appearance of the building, no additional window or through-the-wall air-conditioning appliances may be installed in any Unit and no radio, television aerial or awning shall be attached to or hung from the exterior of the building by the Unit Owner without consent of the Board and otherwise in accordance with applicable laws and rules. Painting of doors to the individual Condominium Units or any portion of the property outside of the Condominium Unit is prohibited.

(10). Business Restrictions.

Business or professional use is not permitted without the express written consent of the Board of Managers and must be permitted by zoning regulations. The Sponsor may maintain an office on the premises while there is at least one Unit unsold. Notwithstanding the foregoing Unit C-1 may be used for any lawful uses and the Parking Space Condominium Unit may be used for the parking of passenger automobiles.

(11). Restrictions on Occupancy of Units Owned by Corporations, Partnerships or Fiduciaries.

Individuals, Corporations, Limited Liability Companies, Partnerships and Fiduciaries may own Condominium Units provided that the use is for residential purposes only, and not for any business or non-residential purpose.

(12). Restrictions on Illegal Uses.

Units may not be used for illegal uses.

(13). Restrictions on Guest Privileges.

There are no restrictions on guest privileges.

(14). Limitations on Utilization of Common Elements and Parking Facilities.

Common Elements may not be used for storage or loitering.

(15). Limitations Contained in the Zoning Regulations.

Common Elements may not be used for storage or loitering. There are ten (10) parking spaces at the condominium available to Unit Owners on a first, come first serve basis. Otherwise, Unit Owners will have to rely on street parking and/or parking garages located in the vicinity of the condominium. There is one (1) handicap parking space designated as P1.

Handicapped Parking Space:

Any Unit Owner who is not handicapped but who is assigned a handicapped Parking Space, will be required to exchange his or her Parking Space upon a demand by a handicapped individual requiring a Handicapped Parking Space and trading a Parking Space with such handicapped individual. The last Unit Owner who is not handicapped and who is assigned a handicapped Parking Space will be required to relinquish his or her handicapped Parking Space in favor of a handicapped individual.

Handicapped Parking Spaces will be available on a first come, first serve basis. Non-Handicapped Unit Owners required to relinquish handicapped Parking Space will be demanded to relinquish their Parking Spaces based upon the last assigned handicapped Parking Space to a non-handicapped individual basis.

(16) Window Guards.

Each Unit Owner must notify the Managing Agent, or the Board of Managers if there is no Managing Agent, when a child or children ages ten (10) years and under lives or resides, permanently or temporarily in the Condominium Unit. Each Unit Owner must install at the Unit Owner's sole cost and expense the required window guards in all windows of the Unit. The Unit Owner must maintain all window guards installed in the Unit and shall not remove same until permitted by applicable law and in any event, without the written consent of the Managing Agent or the Board of Managers.

(17) Other Material Provisions.

There are no other material provisions in the declaration or By-Laws, which significantly affect the rights and obligations of the Unit Owners or the Board of Managers.

(18) Building's Smoking Policy Pursuant To Local Law 147

On August 28, 2017, Mayor DeBlasio signed into law Local Law #147/2017 requiring the owners of all Class A multiple dwellings, including all cooperative corporations and condominiums to adopt a "smoking policy" no later than August 28, 2018.

Prior to August 28, 2018, the law governing smoking in class A multiple dwellings in New York City was the Smoke-Free Air Act ("SFAA"). The SFAA prohibited smoking or using electronic cigarettes in common indoor areas of buildings with three or more residential dwelling units. SFAA does not prohibit smoking in private units or apartments or other private residences (except in areas where child day care centers or health care facilities operate and are open or employees are working). Local Law 147 does not change the requirements of SFAA. Thus, a building and a board of managers in a condominium cannot adopt a smoking policy permitting smoking in indoor common areas, lest the owners be in violation of SFAA.

Local Law 147/2017 was adopted to encourage restricting the ability to smoke in a multiple dwelling and condominium, and thus, to protect people from the hazards of second hand smoke. Local Law 147/2017 does not require the smoking policy adopted by the board of

managers to include any specific restrictions (other than as otherwise required by law). It merely requires the board of managers to adopt a policy and to disclose that policy (and any future revisions to the policy) to all residents (unit owners) and potential residents (prospective purchasers).

The following is the smoking policy of this condominium:

"The 888 Coney Island Condominium Smoking Policy:

Smoking and using electronic cigarettes is prohibited in any common areas within the interior of the building(s) as required by all applicable laws and is permitted in any of the dwelling units.

Smoking and using electronic cigarettes is permitted in all outdoor areas, including but not limited to, common courtyards, rooftops, balconies and patios, and any outdoor areas connected to dwelling units.

This smoking policy applies to all unit owners, tenants and invitees as well as other persons in the condominium.

The definition of "smoking" is contained in the original Smoke Free Air Act (Title 17, Chapter 5 of the NYC Administrative Code) and is as follows: "Smoking means inhaling, exhaling, burning or carrying any lighted cigar, cigarette, pipe, or any form of lighted object or device which contains tobacco". The Code was amended to address electronic cigarettes.

The Board of Managers shall provide a copy of the smoking policy to all unit owners and tenants in the condominium building on an annual basis.

Unit owners that wish to sell their unit shall include the smoking policy in any contract of sale. Any Unit owners that wish to lease their unit shall include the smoking policy in any lease.

The Board of Manager may impose penalties against unit owners (including upon unit owners for violations by tenants of unit owners) of $200 for a first violation of the smoking policy, $500 of for a second violation of the smoking policy in a period of twelve months, and $1,000 for a third and subsequent violations of the smoking policy in a period of twelve months. Penalties for a violation may be imposed upon a unit owner of a condominium unit who fails to provide notices to purchasers or tenants/subtenants.

A copy of the building's smoking policy will be posted in a prominent location and/or provided to all unit owners and tenants and incorporated into the by-laws or rules of the condominium."

U. REAL ESTATE TAXES

Each Condominium Unit will be separately assessed for tax purposes by the City of New York. The Unit Owner of each Condominium Unit will receive bills from the City of New York for real estate taxes for their own Condominium Unit. Unit Owners will not be responsible for the payment of, nor will the Unit be subjected to, any lien arising from the non-payment of real estate taxes on other Condominium Units. The tax assessment for each unit may be allocated on a basis that differs from the allocation of common interests.

The New York City Department of Finance is the tax assessing authority for determining the assessed valuations and the real estate taxes for each Condominium Unit. The Unit Owner or their mortgagee will receive bills from the New York City Department of Finance for real estate taxes for their own Condominium Unit.

The Condominium By-Laws do not provide for the collection of real estate taxes as part of the common charges.

The Sponsor anticipates that the Condominium Units will be separately assessed by the New York City Department of Finance, and the separate assessments should be implemented at the time of the closings or up to six months thereafter.

Based on an opinion letter dated January 21, 2019 from Rosen Law, LLC, 216 Lakeville Road, Great Neck, New York 11020, the real estate tax projections are as follows:

The actual real estate taxes for the condominium building for the period July 1, 2018 through June 30, 2019 are $5,432 based on the actual real estate tax bill for the property, which is based on the actual assessed valuation of $26,649 multiplied by the class 1 tax rate of $20.385%. The property is classified as Class 1 property for the period July 1, 2018 through June 30, 2019. The first year of operations of the condominium are anticipated to be March 1, 2019 through February 28, 2020. The real estate taxes assessed for the Condominium Building for the period of March 1, 2019 through June 30, 2019 will be a four (4) month period (March 1, 2019 through June 30, 2019) of the annualized real estate taxes of $5,432. The real estate taxes for the period March 1, 2019 through June 30, 2019 are anticipated to be $1,810 based on $5,432 divided by 12 months, multiplied by four (4) months.

On January 5, 2019, the New York City Department of Finance issued the tentative assessed valuations for real properties, including for the Condominium Building (the "2019/2020 Tentative Assessed Valuation"). Based on the 2019/2020 Tentative Assessed Valuation of $21,960, it is anticipated that the real estate taxes on the Condominium Building for the 2019/2020 tax year (July 1, 2019 through June 30, 2020) will be approximately $4,594 ($21,960 x the tax rate of 20.919%). The real estate taxes assessed for the Condominium Building for the period of July 1, 2019 through February 29, 2020 will be an eight (8) month period (July 1, 2019 through February 29, 2020) of the annualized real estate taxes of $4,594. The real estate taxes for the period July 1, 2019 through February 29, 2020 are anticipated to be $3,062 based on $4,594 divided by 12 months, multiplied by eight (8) months.

Based on the foregoing, the real estate taxes for the period March 1, 2019 through February 29, 2020 are anticipated to be $4,872.

The actual real estate taxes of $4,872 (anticipated for the period March 1, 2019 through February 28, 2020) would be apportioned to each Condominium Unit based on the percentage of common interest and then apportioned on a daily basis from the date of the closing to June 30, 2019. If any closings occur prior to June 30, 2019, and if the tax lots have not yet been apportioned, then the Sponsor will pay the real estate taxes due on the entire Condominium Building through June 30, 2019 and then charge each Unit Owner their proportionate share based on the foregoing, which shall be paid at Closing.

TOTAL ANTICIPATED REAL ESTATE TAXES MARCH 1, 2019 THROUGH FEBRUARY 28, 2020 ARE $4,872.

It is anticipated that once the Condominium Building is completed, the property will be reassessed by the New York City Department of Finance for the 2020/2021 (July 1, 2020 through June 30, 2021) tax year will be approximately $865,000.00. Based on a real estate tax rate of $12.719 per $100 of assessed valuation (for a Class 2 property), it is anticipated that the real estate taxes on the building will be approximately $110,019 for the 2020/2021 tax year. It is anticipated that the tax classification will be Tax Class 2 for the period July 1, 2020 through June 30, 2021. It is anticipated that the real estate taxes for the period July 1, 2020 through June 30, 2021 will be approximately $110,019.

The anticipated projected assessed valuation and real estate taxes for the condominium building for the first full year the property is assessed at its post-construction value is as follows:

Anticipated post-construction assessed valuation - $865,000.00
Anticipated tax rate for the first full year the property = 12.719%
Anticipated real estate taxes based on post-construction assessed valuation = $110,019

If the condominium units have not been separately assessed as of the first closing, the Sponsor will pay the full real estate taxes for the property for the 2018/2019 tax year. At each closing that occurs during that tax year, a unit owner will reimburse the Sponsor a proportionate share of the real estate taxes based on the unit's percentage of common interest.

The post-closing amendment to this Plan will state the amount of taxes paid by the Sponsor and the period covered.

If the condominium units have been apportioned prior to the first closing, then, in that event, each unit owner will be responsible for the payment of the real estate taxes on their unit commencing on the date of the Closing.

The actual real estate taxes would be apportioned to each Condominium Unit based on the percentage of common interest and then apportioned on a daily basis from the date of the closing to June 30, 2019. If any closings occur prior to each Unit being separately apportioned by the New York City Department of Finance, then the Sponsor will pay the real estate taxes due

on the entire Condominium Building through June 30, 2019 and then each Unit Owner will reimburse the Sponsor for their proportionate share of the Real Estate Taxes at the Closing.

Prior to June 30, 2019, the Sponsor may place in escrow, in the name of the Board of Managers, an amount equal to the real estate taxes attributable to the unsold Units for such six month period and may collect at each Unit Closing the estimated amount of taxes attributable to such Unit for the balance of the six month period. The Board of Managers will pay the real estate taxes from the escrow account when taxes are due and payable and the funder of the escrow account will be entitled to reimbursement from Unit Owners to the extent of the actual assessment. The Sponsor or the Board of Managers as the case may be, will bill the Unit Owners for their proportionate share of the Real Estate Taxes in advance based on the Unit Owner's percentage of common interest as multiplied by the total taxes due to the City of New York. Unit Owners are to pay the taxes as billed by the Board of Managers or Sponsor and such charges shall be considered as a special assessment for enforcement purposes. The Sponsor may, in the alternative, pay the real estate taxes for the entire building for the tax year (or remainder of the year from the time of the First Closing to the end of the tax year), and collect from each Unit Owner, at Closing their proportionate share of the real estate taxes for the said tax year, calculated by the total tax for the building multiplied by the percentage of Common Interest for each particular Condominium Unit. In the event that a refund is due to Unit Owners after the tax abatement, if any, is granted and implemented, then the refund received will be distributed to each Condominium Unit Owner based on their percentage of Common Interest, provided that they paid their proportionate share of the real estate taxes for the period for which the refund is issued. No escrow will be required if the Condominium By-Laws include as part of the Common Expenses, real estate taxes on the property until the Units are separately assessed and after assessment Unit Owners will be reimbursed for any overpayment of taxes or assessed for an underpayment.

It should be noted by Purchasers that the City of New York may increase the real estate tax rate at any time and if the real estate tax rate increases, then the real estate taxes to be paid by Purchasers would increase during the First Year of Condominium Operations or subsequently. Purchaser should be aware that the projections of real estate taxes are only projections and that actual real estate tax rates may increase further between the time a Purchaser signs a Purchase Agreement and the time that a Purchaser closing on title.

Block 7022, Lot 28 will eventually become individual Condominium lot numbers.

In no event will Sponsor, Sponsor's counsel, Sponsor's special tax counsel, Sponsor's Real Estate Tax Consultant, Selling Agent, or any Offeror hereunder be liable to any Purchaser or person for differences between the estimated and actual real estate taxes.

The Condominium Building will be reassessed by the New York City Department of Finance on or about January 5, 2020.

Each Condominium Unit will be apportioned to individual tax lots and each Condominium Unit will be separately taxed and will receive individual tax bills from the City of New York.

Based on the foregoing, the projected real estate taxes for the First Year of Condominium Operations for each of the Condominium Units as follows:

If the City of New York does not subdivide or apportion the real estate taxes prior to the first closing, then the real estate taxes for the Condominium Units, prior to subdivision into Condominium Unit tax lots (one for each Condominium Unit) will be determined by multiplying the total real estate tax for the applicable tax year by the percentage of Common Interest of each particular Condominium Unit. Each Unit Owner will be required to pay their proportionate share of the real estate taxes based on the foregoing until such time as the real estate taxes have been apportioned to each individual Condominium Unit by the City of New York. The Unit Owner shall pay to the Sponsor or to the Board of Managers, its proportionate share if the Sponsor or the Board of Managers has or will advance any sums for real estate taxes on behalf of all Unit Owners, with such sums due from the date of the closing of title by a Unit Owner to the end of the period of time which the Sponsor or Board of Managers will or has paid the appropriate real estate taxes.

V. INCOME TAX DEDUCTIONS TO UNIT OWNERS AND TAX STATUS OF THE CONDOMINIUM

The following discussion of certain income tax consequences of the ownership of a Residential Unit as a personal Unit was prepared by Sponsor, based in part, upon the income tax opinion of Rosen Law LLC, counsel to Sponsor, a copy of which is set forth in the Offering Plan.

ROSEN LAW LLC, IS COUNSEL TO SPONSOR AND NOT THE UNIT OWNERS. EACH PURCHASER SHOULD CONSULT PURCHASER'S OWN TAX COUNSEL AS TO THE TAX CONSEQUENCES OF THE UNIT OWNERSHIP UNDER THE PLAN.

Income Tax Deductions to Residential Unit Owners

A Residential Unit Owner will own the Condominium Unit which he or she purchases and its appurtenant Common Elements in fee simple absolute and each Unit will be a separate tax lot for purposes of New York City real estate taxes and assessments. As a result, a Unit Owner may be entitled to deduct for Federal, New York State and in case of New York City residents, New York City income tax purposes, real estate taxes assessed against the Unit and paid by such owner as well as interest paid by the Unit Owner on certain mortgages made against the Unit. On January 1, 2018, the Tax Cuts and Jobs Act of 2017 ("Tax Cuts and Jobs Act") went into effect. The Tax Cuts and Jobs Act modified the mortgage interest expense deduction cap from $1,000,000 to $750,000, meaning that mortgage interest is only deductible on mortgages amounts up to $750,000 and there is no longer any interest expense deductibility for home equity loans pursuant to Internal Revenue Code §164(h). The deduction for state and local taxes is capped at $10,000 pursuant to Internal Revenue Code §164. It is the opinion of Rosen Law LLC that a Residential Unit Owner who uses the Residential Unit as a personal residence will, under present Law, for Federal, New York State and New York City income tax purposes, be entitled to a deduction for mortgage interest for interest on loans up to $750,000 and real estate taxes in the year paid in the case of cash basis taxpayers or accrued in the case of other taxpayers of up to $10,000 (including total real estate taxes and other state and local taxes), subject to certain exceptions and limitations which are more particularly discussed in the Attorney's Income Tax Opinion. Purchasers should note that deductions, if applicable, may vary in the future due to changes in the interest rate or the Residential Unit Owner's mortgage or from changes in the allocation of the constant debt service payments to interest and principal, or due to changes in real property taxes resulting from the expiration of real estate tax benefits, or from changes in the assess value, the tax rate or the method of assessing the real property. Purchasers who are individuals should note that mortgage interest is deductible generally only with respect to (1) secured debt used to acquire, construct or substantially improve a principal or second residence (or which constitutes a refinancing of such debt) (up to a total indebtedness of $750,000) and amounts in excess of these limitations would not be deductible. Each Purchaser should consult with his or her own tax counsel, accountant or other financial advisor as to the tax consequences of the ownership of a Condominium Unit.

It is the opinion of Rosen Law LLC that a Residential Unit Owner who uses the Residential Unit as a personal residence will, under present Law, for Federal, New York State and New York City income tax purposes, be entitled to a deduction for mortgage interest for interest on loans up to $750,000 and real estate taxes in the year paid in the case of cash basis taxpayers or accrued in the case of other taxpayers of up to $10,000 (including total real estate taxes and other state and local taxes).

No opinion is rendered with respect to the deductibility of any payments by the Non-Residential Unit Owners.

Tax Status of the Condominium

Ordinarily, a Condominium Board may elect to be exempt from federal income taxes on Common Charges collected from Unit Owners under Section 528 of the Internal Revenue Code, provided certain prerequisites are met. The condominium may be subject to income taxes because if more than 15% of the floor area of the condominium is non-residential space. See the Condominium Budget for projected Income Taxes.

In order to elect such status,

a) the Condominium must be organized and operated to provide for the acquisition, construction, management, maintenance and care of the Property;

b) 60% or more of the gross income of the Condominium for the taxable year must consist solely of amounts received as membership dues, fees or assessments from owners of Units in the Condominium;

c) 90% or more of the net expenditures of the Condominium for the taxable year must be for the acquisition, construction, management, maintenance and care of the Property;

d) no part of the net earnings of the Condominium may inure (other than by acquiring, constructing or providing management, maintenance and care of the Property and other than by a rebate of excess membership dues, fees, or assessments) to the benefit of any private shareholder or individual;

e) substantially all of the Units must be used by individuals as residents; Treasury Regulation 1.528-4(b) provides that substantially all of the Units will be treated as used by individuals for residences only if at least 85% of the total square footage of all Units are used as such residences; and

f) the Condominium must make such election at such time in such manner as the Secretary of the Treasury prescribes by regulations.

Under the Treasury regulations issued pursuant to Section 528, a Condominium management association must qualify annually for the election under Section 528, and

additionally, it must make a separate election for each taxable year. Accordingly, the ability of the Condominium Board to elect the benefits of Section 528 will depend on the particular facts and circumstances prevailing in the taxable year at issue.

SPONSOR'S COUNSEL STATES IN THE OPINION LETTER IN SECTION W-1 OF THIS PLAN THAT THE AFOREMENTIONED REQUIREMENTS WILL BE MET FOR A SECTION 528 ELECTION FOR AT LEAST THE FIRST YEAR OF OPERATION OF THE CONDOMINIUM.

Each Purchaser should consult with his or her own tax counsel as to the tax consequences of the Offering Plan and of the purchase of a Condominium Unit.

Re: THE 888 CONEY ISLAND CONDOMINIUM

RE: INCOME TAX OPINION LETTER

Gentlemen:

You have requested our opinion concerning (i) the deductibility, for Federal and New York State income tax purposes, of mortgage interest and real estate taxes paid by residents of New York who purchase the offered Residential Condominium Units for their own residential use pursuant to the above-referenced Condominium Offering Plan (the "Plan"), and (ii) the qualification of the Condominium as a "homeowners association" under Section 528 of the Internal Revenue Code of 1986, as amended (the "Code"). This opinion does not address the tax consequences of the ownership of Residential Condominium Units by corporations, other entities or foreign persons. Furthermore, this opinion does not address the tax consequences of (i) ownership of any Unsold Residential Condominium Units, any Residential Unit that is used for commercial or mixed residential/commercial purposes, or any Units other than the Residential Condominium Units, or (ii) any rebates or other payments that may be made, or benefits provided, to owners of Residential Condominium Units. Except where otherwise indicated, the terms used in this opinion have the same meaning as in the Plan.

In connection with rendering this opinion, we have reviewed the Plan and have examined the schedules, exhibits and documents accompanying the Plan, including the declaration establishing, and the By-Laws governing, the operations of the Condominium (the "Plan Documents"). We have also considered the relevant sections of the Code, the New York State

Tax Law, the New York City Administrative Code, the regulations promulgated thereunder and such other materials as we deemed relevant. In rendering this opinion, we have assumed that the Plan is the document pursuant to which owners of the Residential Condominium Units will acquire their Residential Condominium Units and that the relevant facts are as set forth therein.

Pursuant to the Plan, the purchaser of a Residential Unit will receive legal title in fee simple to his or her Residential Unit, coupled with ownership of an undivided interest in the appurtenant Common Elements held in common with other Unit Owners. Such purchaser will have the right to place an individual mortgage on his or her separate Residential Unit and will be liable to the local tax authority for the tax assessment with respect to his or her interest in the Property. Under these circumstances, the Internal Revenue Service (the "IRS") has ruled that the owner of a residential Condominium Unit may deduct interest paid on his or her mortgage indebtedness and the real estate taxes assessed and paid on his or her interest in the property. Rev. Rul. 64-31, 1964-1 (Part I) C.B. 300.

On January 1, 2018, the Tax Cuts and Jobs Act of 2017 ("Tax Cuts and Jobs Act") went into effect. The Tax Cuts and Jobs Act modified the mortgage interest expense deduction cap from $1,000,000 to $750,000, meaning that mortgage interest is only deductible on mortgages amounts up to $750,000 and there is no longer any interest expense deductibility for home equity loans pursuant to Internal Revenue Code §164(h). The deduction for state and local taxes is capped at $10,000 pursuant to Internal Revenue Code §164.

Accordingly, based on the foregoing, it is our opinion that an owner of a Residential Unit who itemizes deductions and who uses his or her Residential Unit as a personal residence will be entitled under current law to deduct from his or her gross income for Federal income tax purposes, subject to an overall limitation on itemized deductions as may be in effect under Section 68 of the Code, real estate taxes assessed against his or her Residential Unit and paid to the local tax authority. However, no deduction for real estate taxes is permitted for purposes of the Federal alternative minimum tax. Owners of the Residential Condominium Units should consult their tax advisers regarding the applicability of the overall limitation on itemized deductions to the deductibility of real estate taxes.

Owners of the Residential Condominium Units should consult their tax advisers regarding the applicability of the overall limitation on itemized deductions to the deductibility of real estate taxes.

Purchasers are advised that an exemption from real estate taxes may be available for veterans and other purchasers under the New York State Real Property Tax Law, as amended, and/or various codes, rules and regulations of the City of New York. Prospective purchasers are advised to consult with their own attorneys or other advisers to determine whether the prospective purchaser qualifies for any exemption from real estate taxes.

On January 1, 2018, the Tax Cuts and Jobs Act of 2017 ("Tax Cuts and Jobs Act") went into effect. The Tax Cuts and Jobs Act modified the mortgage interest expense deduction cap from $1,000,000 to $750,000, meaning that mortgage interest is only deductible on mortgages

amounts up to $750,000 and there is no longer any interest expense deductibility for home equity loans pursuant to Internal Revenue Code §164(h). The deduction for state and local taxes is capped at $10,000 pursuant to Internal Revenue Code §164. It is the opinion of Rosen Law LLC that a Residential Unit Owner who uses the Residential Unit as a personal residence will, under present Law, for Federal, New York State and New York City income tax purposes, be entitled to a deduction for mortgage interest for interest on loans up to $750,000 and real estate taxes in the year paid in the case of cash basis taxpayers or accrued in the case of other taxpayers of up to $10,000 (including total real estate taxes and other state and local taxes), subject to certain exceptions and limitations which are more particularly discussed in the Attorney's Income Tax Opinion. Purchasers should note that deductions, if applicable, may vary in the future due to changes in the interest rate or the Residential Unit Owner's mortgage or from changes in the allocation of the constant debt service payments to interest and principal, or due to changes in real property taxes resulting from the expiration of real estate tax benefits, or from changes in the assess value, the tax rate or the method of assessing the real property. Purchasers who are individuals should note that mortgage interest is deductible generally only with respect to (1) secured debt used to acquire, construct or substantially improve a principal or second residence (or which constitutes a refinancing of such debt) (up to a total indebtedness of $750,000) and amounts in excess of these limitations would not be deductible. Each Purchaser should consult with his or her own tax counsel, accountant or other financial advisor as to the tax consequences of the ownership of a Condominium Unit.

Each owner of a Residential Unit who uses his or her Residential Unit as a residence will generally be entitled to the same deduction for mortgage interest and real estate taxes paid or accrued with respect to his or her Residential Unit for New York State and New York City income tax purposes as is allowed for Federal (regular) income tax purposes. However, under New York State and New York City income tax law, itemized deductions, such as interest and real estate tax deductions, are subject to reduction by as much as 50% in the case of individuals having income exceeding certain prescribed levels. .Furthermore, purchasers should consult their tax advisers to determine the application, if any, of the New York State and New York City minimum taxes to the deduction for mortgage interest and real estate taxes with respect to their Residential Condominium Units.

If the Condominium qualifies as a homeowners association within the meaning of Section 528 of the Code, it may elect not to be subject to Federal income tax on amounts received as membership dues, fees or assessments from Residential Unit Owners. However, even if the election is made, the Condominium will remain liable for Federal income tax on any taxable income it may have from other sources such as interest earned on any reserve or Working Capital funds and possibly income from assessments from the non-residential Unit Owners, if any (in each case, less expenses directly connected with the production of such income).

To qualify as a homeowners association, the Condominium must meet all of the following conditions: (1) it must be organized and operated to provide for the acquisition, construction, management, maintenance and care of association property, (2) at least 60% of its gross income for each taxable year must consist solely of amounts received as membership dues, fees or assessments from Residential Unit Owners, (3) 90% or more of its expenditures for each taxable year must be made for the acquisition, construction, management, maintenance and care

of association property, (4) no part of its net earnings can inure to the benefit of any private shareholder or individual (other than by acquiring, constructing, or providing management, maintenance, and care of association property, and other than by rebate of excess membership dues, fees, or assessments), (5) the Condominium must elect to be treated as a homeowners association, and (6) at least 85% of the total square footage of all Units within the Condominium must be used by individuals for residential purposes. See Treasury Regulation § 1.528-4(b). The qualification of an organization under the provisions of Section 528 is to be determined annually at the close of each taxable year and it is possible, therefore, that if the Condominium does not qualify in one year, it may nevertheless qualify in one or more future years.

Based on the information contained in Schedule A to the Plan, at least 85% of the total square footage of all Units of the Condominium will be used by individuals for residential purposes for purposes of Treasury Regulation § 1.528-4(b). Accordingly, assuming the Plan becomes effective during the taxable year ending December 31, 2018 and there are no changes in the facts and/or the relevant provisions of current law, the Condominium will be eligible to elect to be treated as a homeowners association under Section 528 of the Code for the first year of operation of the Condominium.

Absent the application of Code Section 528, the present state of federal law is unclear as to the precise tax status of the Condominium. An entity classification regime was adopted in regulations issued by the United States Treasury Department on December 17, 1996 and there is no authority addressing the application of those entity classification regulations to Condominiums. Because the By-Laws of the Condominium provide that the Boards will act as the agent of the Unit Owners represented by each such Board, the Condominium Board may take the position that the Condominium is not a separate entity and accordingly is not subject to the classification regime. In such case, the Unit Owners would, in the aggregate, include in their gross income and be taxed on all income earned by the Condominium (which income may include, among other things, interest or similar income earned from interim investments of the amounts assessed and collected from the Unit Owners), reduced by the expenses incurred in earning such income. For this purpose, the Residential Common Charges should not be considered income earned by the Condominium with respect to the Residential Unit Owners. If, however, the Condominium is considered a separate entity it is unclear whether the Condominium would be taxable as a corporation or treated as a partnership for Federal income tax purposes. If the Condominium is taxable as a corporation, it would be considered a separate taxpayer with respect to income and deductions and return filing requirements and would be subject to Federal corporate income tax. If the Condominium is treated as a partnership, the partnership would not be subject to an entity level tax, the items of income and deduction of the partnership would generally be passed through to the Unit Owners in accordance with the provisions of Subchapter K of the Code, and the partnership would be required to file information returns.

The precise tax status of the Condominium for New York State and New York City tax purposes is also unclear. The relevant New York State and New York City laws incorporate by reference federal entity classification provisions which, as discussed above, do not specifically address the treatment of Condominiums. If the Condominium is properly treated as a separate entity that is an association taxable as a corporation for Federal income tax purposes, it appears

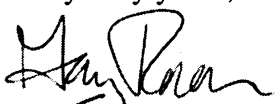

likely that the Condominium would not be subject to the New York State Corporation Franchise Tax and the New York City General Corporation Tax. If the Condominium does not constitute an association that is taxable as a corporation for Federal income tax purposes, it is still possible, although not certain, that the Condominium might be subject to the New York State Corporation Franchise Tax. Further, in such event, the Condominium likely would be subject to the New York City Unincorporated Business Tax, unless it were eligible for and elected treatment under Code Section 528 as a homeowners association.

We express no views as to any Federal, New York State or New York City tax consequences other than those explicitly discussed in this opinion, or as to the tax status or tax consequences of the Plan under the laws of any other U.S. or foreign jurisdiction. Moreover, this opinion, while based on existing rules of law applied to the facts and documents referred to above, is not binding on the IRS or any court. No assurances can be given that the tax laws upon which we base this opinion will not change. In no event will the Sponsor, Rosen Law LLC, any of the Boards, the Selling Agent or any other person be liable if there are changes in the facts on which we have relied in issuing this opinion or if there are changes in the applicable statutes, regulations, decisional law or IRS rulings on which we have relied which cause the owners of Residential Condominium Units not to be entitled to the income tax deductions described herein, or which would affect the tax treatment of the Condominium as described herein.

In our opinion, the condominium will be eligible for tax-exempt status, if it elects such status, and unit owners will be entitled to income tax deductions (or the unit owners will be eligible for the real estate tax benefits described above). However, this opinion is not a guarantee; it is based on existing rules of law applied to the facts and documents referred to above. No assurances can be given that the tax laws upon which counsel base this opinion will not change. In no event will the Sponsor, the Sponsor's counsel, the Board of Managers of the Condominium, the Selling Agent or any other person be liable if there are changes in the facts on which counsel relied in issuing this opinion or if there are changes in the applicable statutes, regulations, decisional law or Internal Revenue Service rulings on which counsel relied which cause the condominium to cease to meet the requirements of section 528 of the Internal Revenue Code of 1986, as amended, or the New York State Tax Law, as amended, and cause the unit owners not to be entitled to income tax deductions (or which cause unit owners not to be or to cease to be entitled to the benefits or the level or duration of benefits described above). Counsel is not a principal of the Sponsor.

We hereby authorize the use of this opinion, or a reproduction thereof, in the Plan and references to our name in the Plan.

Very truly yours,

Gary Rosen

RE: REAL ESTATE TAX OPINION LETTER

Gentlemen:

You requested that we review the prospective Assessed Valuations (AV) of the subject Units after completion of construction.

THERE IS NO TAX ABATEMENT OR TAX EXEMPTION OF ANY KIND FOR THIS CONDOMINIUM BUILDING.

When the condominium building is completed, it is anticipated that the condominium units will be classified as "Class 2" by the New York City Department of Finance for the 2020/2021 tax year. According to the New York City Department of Finance, Class 2 properties consist of residential properties with more than 3 units including cooperatives and condominiums.

As the New York City Department of Buildings indicates that the buildings to be constructed by you will be greater than three stories and you have indicated that you will be creating condominium units, therefore, this opinion letter is based on the tax class being Class 2.

The approximate date of completion of the Condominium Building will be in February 2019 and the first closing will be on or about March 1, 2019.

The actual real estate taxes for the condominium building for the period July 1, 2018 through June 30, 2019 are $5,432 based on the actual real estate tax bill for the property, which is based on the actual assessed valuation of $26,649 multiplied by the class 1 tax rate of $20.385%. The property is classified as Class 1 property for the period July 1, 2018 through June 30, 2019. The first year of operations of the condominium are anticipated to be March 1, 2019 through February 28, 2020. The real estate taxes assessed for the Condominium Building for the period of

March 1, 2019 through June 30, 2019 will be a four (4) month period (March 1, 2019 through June 30, 2019) of the annualized real estate taxes of $5,432. The real estate taxes for the period March 1, 2019 through June 30, 2019 are anticipated to be $1,810 based on $5,432 divided by 12 months, multiplied by four (4) months.

On January 5, 2019, the New York City Department of Finance issued the tentative assessed valuations for real properties, including for the Condominium Building (the "2019/2020 Tentative Assessed Valuation"). Based on the 2019/2020 Tentative Assessed Valuation of $21,960, it is anticipated that the real estate taxes on the Condominium Building for the 2019/2020 tax year (July 1, 2019 through June 30, 2020) will be approximately $4,594 ($21,960 x the tax rate of 20.919%). The real estate taxes assessed for the Condominium Building for the period of July 1, 2019 through February 29, 2020 will be an eight (8) month period (July 1, 2019 through February 29, 2020) of the annualized real estate taxes of $4,594. The real estate taxes for the period July 1, 2019 through February 29, 2020 are anticipated to be $3,062 based on $4,594 divided by 12 months, multiplied by eight (8) months.

Based on the foregoing, the real estate taxes for the period March 1, 2019 through February 29, 2020 are anticipated to be $4,872.

The actual real estate taxes of $4,872 (anticipated for the period March 1, 2019 through February 28, 2020) would be apportioned to each Condominium Unit based on the percentage of common interest and then apportioned on a daily basis from the date of the closing to June 30, 2019. If any closings occur prior to June 30, 2019, and if the tax lots have not yet been apportioned, then the Sponsor will pay the real estate taxes due on the entire Condominium Building through June 30, 2019 and then charge each Unit Owner their proportionate share based on the foregoing, which shall be paid at Closing.

TOTAL ANTICIPATED REAL ESTATE TAXES MARCH 1, 2019 THROUGH FEBRUARY 28, 2020 ARE $4,872.

It is anticipated that once the Condominium Building is completed, the property will be reassessed by the New York City Department of Finance for the 2020/2021 (July 1, 2020 through June 30, 2021) tax year will be approximately $865,000.00. Based on a real estate tax rate of $12.719 per $100 of assessed valuation (for a Class 2 property), it is anticipated that the real estate taxes on the building will be approximately $110,019 for the 2020/2021 tax year. It is anticipated that the tax classification will be Tax Class 2 for the period July 1, 2020 through June 30, 2021. It is anticipated that the real estate taxes for the period July 1, 2020 through June 30, 2021 will be approximately $110,019.

The anticipated projected assessed valuation and real estate taxes for the condominium building for the first full year the property is assessed at its post-construction value is as follows:

Anticipated post-construction assessed valuation - $865,000.00
Anticipated tax rate for the first full year the property = 12.719%
Anticipated real estate taxes based on post-construction assessed valuation = $110,019

Purchasers should note that income tax deductions, if applicable, may vary in future years due to changes in the interest rate on the Unit Owner's mortgage (if any) or from changes in the allocation of the constant debt service payments to interest and principal, or due to changes in real property taxes resulting from the expiration of real estate tax benefits, or from changes in the assessed value, the tax rate or the method of assessing the real property.

This is an opinion and not a guaranty of the projected real estate taxes. No warranties are made that the laws and regulations upon which this opinion is based will not be changed. In no event will we be liable to any party if the real estate taxes vary from the estimates set forth herein. This opinion is made only for the benefit of the addressee of this letter.

X. RESERVE FUND

The Condominium will have a reserve fund in the amount of $8,900 which will be funded by Unit Owners through the payment of monthly common charges. The reserve fund will be **ONLY** be used for capital expenditures of the Condominium and will be available to the condominium upon the First Closing.

Sponsor does not represent or warrant that the Condominium will have sufficient funds for any such capital expenditures within or after five years following the First Closing Date should such capital expenditures be needed.

In addition to the Reserve Fund, the budget for the First Year of Condominium Operations as set forth in this Plan provides for an amount for contingencies, which the Board of Managers may elect to use to apply to some or all of the costs of any such needed capital expenditures.

The Sponsor is not required to make any contributions to a Reserve Fund, except through payment of common charges for unsold units.

While the Sponsor is in control of the Board of Managers, the Reserve Fund or Working Capital Fund may not be used to reduce projected common charges in the Offering Plan. There are no restrictions on the use of the Reserve Fund, however, the Reserve Fund may not be used to reduce monthly common charges while Sponsor is in control of the Board of Managers. The reserve funds will be turned over the Board of Managers at the First Closing.

Neither the New York State Department of Law nor any other governmental agency has passed upon the adequacy of the Reserve Fund.

Should monies be required by the Condominium for capital expenditures which are not funded by the Reserve Funds available, the Condominium Board could vote to obtain loans for required expenditures as provided by the New York Real Property Law. Real Property Law § 339-jj states:

> 1. To the extent authorized by the declaration or the By-Laws, the Board of Managers, on behalf of the Unit Owners, may incur debt. In addition, subject to any limitations set forth in the declaration or the By-Laws, the Board of Managers, on behalf of the Unit Owners, may incur debt for any of the purposes enumerated in paragraph (b) of subdivision two of section three hundred thirty-nine-v of this article, provided that (a) such debt is incurred no earlier than the fourth anniversary of the first conveyance of a Unit and (b) the incurrence of such debt shall require the consent of a majority in common interest of the Unit Owners.
>
> 2. In connection with a debt incurred by it, the Board of Managers, on behalf of the Unit Owners, may (a) assign the rights in and to

receive future income and common charges, (b) create a security interest in, assign, pledge, mortgage or otherwise encumber funds or other real or personal property that it holds, (c) agree that, to the extent of any amounts due under any of the provisions of the agreements under which the debt was incurred and subject to the provisions of subdivision two of section three hundred thirty-nine-1 of this article, all common charges received and to be received by it, and the right to receive such funds, shall constitute trust funds for the purpose of paying such debt and the same shall be expended for such purpose before expending any part of the same for any other purpose, and (d) agree that at the lender's direction it will increase common charges to the extent necessary to pay any amount when due under any of the provisions of the agreements under which the debt was incurred. The preceding sentence shall not be construed to authorize the Board of Managers to create a lien on the Common Elements. Any such assignment may provide that, in the event of a default, the lender shall have the right of the Board of Managers to file liens in the lender's name on Units for unpaid common charges pursuant to sections three hundred thirty-nine-z and three hundred thirty-nine-aa of this article and the right to foreclose such liens pursuant to section three hundred thirty-nine-aa of this article.

3. Nothing in this section shall impair rights under any loan or other agreement existing prior to the effective date of this section or limit any right or power that a Board of Managers would otherwise have.

Y. WORKING CAPITAL FUND

In addition to the payment of the first month of common charges, pro-rated for the remaining number of days in the month from the date of closing, each Unit Owner will also pay an amount equal to two months' Common Charges then in effect for the Unit pursuant to the budget in accordance with Schedule A hereto, as the same may be amended from time to time at the closing of title to his or her Unit for a Working Capital fund of the Condominium.

The Working Capital Fund will depend on the timing of the closing of title to individual Condominium Units and any expenditure made by the Condominium Board from such fund. The contribution is not refundable or transferable if Purchaser sells his or her Condominium Unit.

The initial Working Capital will be used for Working Capital and to pay for insurance premiums and other items in the budget which will be payable prior to the time that sufficient monthly Common Charges and assessments have accrued to pay these items. While the Sponsor is in control of the Board of Managers of the Condominium, the Working Capital fund may not be used to reduce projected Common Charges of the Condominium. The purpose of the Working Capital fund is created by each Purchaser making a contribution equal to two months' Common Charges then in effect for the Unit pursuant to the budget in accordance with Schedule A hereto, as the same may be amended from time to time to provide initial funds to the Condominium so that the Condominium will have funds to operate.

The Sponsor will be responsible for all of the required operating expenses of the Property prior to the date of the closing of title to the first Unit pursuant to the Plan. The Condominium shall be required to pay all of the operating expenses of the Property accruing on or after the date of the closing of title to the first Unit pursuant to the Plan.

The following items shall be apportioned between the Sponsor and the Condominium Board and further allocated by the Condominium Board as follows: a) water charges and sewer rents (unless separately assessed to Units) based on the fiscal year therefore, or, if there be water meters on the Property, the Sponsor shall furnish readings to a date not more than thirty (30) days prior to the date of the closing of title to the first Unit pursuant to the Plan and the unfixed water charges and the unfixed sewer rents, if any, based thereon for the interim shall be apportioned on the basis of such last reading; b) deposits, fees, charges or payments in connection with all permits, licenses, utilities, service and maintenance agreements which are assigned by the Sponsor to the Condominium; c) the cost of fuel on hand, if any, as estimated by the Sponsor's supplier and any other supplies on hand; d) insurance premiums for transferable policies, if any, which Sponsor transfers to the Condominium; e) employees' wages (vacation and severance pay, pension and welfare benefits) and any other payments or obligations relative to employees, if any; f) charges for electricity for the Common Elements; and g) operating expenses and any other prepaid items (including, without limitation, charges for oil and electricity for the Building, if applicable). In addition, the Sponsor shall pay all installments for assessments due prior of closing of title to the first Unit pursuant to the Plan and the Condominium shall pay all such installments due after such date. Any net closing adjustments in

favor of the Sponsor will be paid by the Board of Managers from the Working Capital Fund within six months from the date of the first closing by payment from the Board of Managers to Sponsor by check. In the event that the Board of Managers decides that the funds in the Working Capital Fund are insufficient to repay to the Sponsor within six months, then the Board of Managers shall pay the net closing adjustments to the Sponsor as soon as the Board of Managers determines is reasonably practicable. It should be noted that the management fee set forth in the budget will remain in the working capital bank account of the condominium until paid to a management company, and those funds may not be used to reimburse Sponsor for the net closing adjustments.

The budget item totaling $14,000 for management fee will remain in the working capital bank account of the condominium. The funds budgeted for management fee will not be used to pay or reimburse Sponsor for any item. The disposition of the management fee and the hiring of a managing agent will be disclosed in the post-closing amendment to the offering plan.

Except as expressly provided in this Section of the Plan, Sponsor shall have no obligation to establish or make any contributions to a Working Capital fund or Reserve Fund of any kind with respect to the Condominium or the Property.

While the Sponsor is in control of the Board of Managers, the Sponsor's representatives shall not use the Working Capital Fund to reduce or decrease the monthly Common Charges projected in Schedule A, however, the Working Capital Fund may be used for building improvements.

No representation is made by Sponsor that the Working Capital Fund will be adequate to cover current or future expenses, including repairs or replacements. If additional funds are required over and above the Working Capital Fund for the payment of items not covered by Sponsor's obligations, it may be necessary to increase Common Charges.

Neither the Department of Law nor any other governmental agency has passed on the adequacy of the Working Capital Fund.

The Condominium Board could vote to obtain loans for required expenditures as provided by the New York Real Property Law.

In the event of any inconsistency between the provisions of the Plan and the provisions of the Purchase Agreement, the provisions of the Plan shall govern. Purchaser also acknowledges and agrees that the Plan

Notwithstanding the foregoing, the Escrow Agent shall have the right at any time to deposit the Deposit contained in the Escrow Account with the clerk of the county where the unit is located and shall give written notice to both parties of such deposit.

The Sponsor shall not object to the release of the Deposit to:

(a) a Purchaser who timely rescinds in accordance with an offer of rescission contained in the Plan or an Amendment to the Plan; or

(b) all Purchasers after an Amendment abandoning the Plan is accepted for filing by the Department of Law. In the event that the Plan is abandoned, unit upgrade funds will be returned to the Purchaser.

The Department of Law may perform random reviews and audits of any records involving the Escrow Account to determine compliance with all applicable statutes and regulations.

11.11 Any provision of the Purchase Agreement or separate agreement, whether oral or in writing, by which a Purchaser purports to waive or indemnify any obligation of the Escrow Agent holding any Deposit in trust is absolutely void. The provisions of the Attorney General's regulations and GBL §§ 352-e(2-b) and 352-h concerning escrow trust funds shall prevail over any conflicting or inconsistent provisions in the Purchase Agreement, Plan, or any amendment thereto.

11.12 Escrow Agent shall maintain the Escrow Account under its direct supervision and control

11.13 A fiduciary relationship shall exist between Escrow Agent and Purchaser, and Escrow Agent acknowledges its fiduciary and statutory obligations pursuant to GBL §§ 352-e(2-b) and 352(h).

11.14 Escrow Agent may rely upon any paper or document which may be submitted to it in connection with its duties under this Purchase Agreement and which is believed by Escrow Agent to be genuine and to have been signed or presented by the proper party or parties and shall have no liability or responsibility with respect to the form, execution, or validity thereof.

11.15 Sponsor agrees that it shall not interfere with Escrow Agent's performance of its fiduciary duties and statutory obligations as set forth in GBL §§ 352-e(2-b) and 352-(h) and the New York State Department of Law's regulations.

11.16 Sponsor shall obtain or cause the selling agent under the Plan to obtain a completed and signed Form W-9 or W-8, as applicable, from Purchaser and deliver such form to Escrow Agent together with the Deposit and this Purchase Agreement.

11.17 Prior to release of the Deposit, Escrow Agent's fees and disbursements shall neither be paid by Sponsor from the Deposit nor deducted from the Deposit by any financial institution under any circumstance.

11.18 Sponsor agrees to defend, indemnify, and hold Escrow Agent harmless from and against all costs, claims, expenses and damages incurred in connection with or arising out of Escrow Agent's responsibilities arising in connection with this Purchase Agreement or the performance or non-performance of Escrow Agent's duties under this Purchase Agreement, except with respect to actions or omissions taken or suffered by Escrow Agent in bad faith or in willful disregard of the obligations set forth in this Purchase Agreement or involving gross negligence of Escrow Agent. This indemnity includes, without limitation, disbursements and attorneys' fees either paid to retain attorneys or representing the hourly billing rates with respect to legal services rendered by Escrow Agent to itself.

11.19 As an alternative to depositing Down Payments in an escrow account as set forth above, Sponsor may post a bond or indemnity contract with a licensed surety company, in accordance with regulations adopted by the Attorney General, insuring return of such monies, a copy of which bond or contract shall be delivered to the Purchaser.

11.20 Down Payments will be retained in escrow or bonded as set forth above until: (i) Sponsor performs under the terms of the Purchase Agreement or (ii) Purchaser rescinds (due to inability to obtain financing or otherwise) or defaults in performance, thereby excusing performance by Sponsor, or (iii) release or discharge of Sponsor's liability to refund such Down Payment , or (iv) upon transfer of title to the Unit to the Purchaser, or by mutual consent of Sponsor and Purchaser.

11.1 The required Down Payment pursuant to this Agreement will be 10% of the Purchase Price for the Unit set forth in the Plan, as amended, which Down Payment shall be increased by special work or materials, if any, offered by Sponsor and ordered by Purchaser as itemized in

Addendum No. 1 of this Agreement. If there is no special work or materials to be included, then no Addendum No. 1 will be attached hereto.

12. Binding Effect of Declaration, By-Laws and Rules and Regulations

12.1 Purchaser hereby accepts and approves the Plan including the Declaration, By-Laws and Rules and Regulations contained therein and agrees to abide by and be bound by the terms and conditions thereof.

13. Agreement Subject to Mortgage.

13.1 Purchaser agrees that all terms shall be subject and subordinate to the lien of any building loan mortgage or development loan mortgage heretofore or hereafter made and any advances heretofore or hereafter made thereon and any payments or expenses already made or incurred or ,which may hereafter be made or incurred, pursuant to the terms thereof or incidental thereto, or to protect the security thereof, to the full extent thereof without the execution of any further legal documents by Purchaser. This subordination shall apply whether such advances are voluntary or involuntary and whether made in accordance with the building loan schedule or Payments or accelerated thereunder by virtue of lender's right to make advances before they become due in accordance with the schedule of payments. Notwithstanding anything to the contrary contained in this Paragraph, however, on the Closing Date the Unit will be delivered by Sponsor free of any mortgage liens.

14. Mortgage Contingency.

14.1 The obligations of Purchaser under this Purchase Agreement are subject to the issuance of a commitment letter by a bank or other institution as defined in Section 274-a of the New York Real Property Law ("Institutional Lender") to Purchaser, on or before thirty (30) days after the date of receipt by Purchaser of a fully executed copy of this Agreement, pursuant to which such Institutional Lender agrees to make a first mortgage loan, other than a VA, FHA or other governmentally issued loan, to Purchaser, at Purchaser's sole cost and expense, in the amount of the Mortgage Amount set forth above or such lesser sum as Purchaser shall be willing to accept, at the prevailing fixed or adjustable rate of interest for a term of at least thirty years and on all other customary commitment terms, whether or not conditional upon any factors other than an appraisal satisfactory to the Institutional Lender.

14.2 In the event that a Purchaser elects to make his Purchase Agreement subject to obtaining financing, then Purchaser: a) Must apply for said mortgage financing within three (3) days from the date of receipt by Purchaser or Purchaser's attorney of an executed copy of the Purchase Agreement; b) Must notify the Sponsor within five (5) days after the aforesaid three (3) day period of the name and address of the financial institution to whom application was made and the date when said application was submitted; c) Must notify the Sponsor whether the application is accepted or rejected; d) Must request any and all renewals or extensions of the financing commitment so that said commitment will be in force at the Closing of title; e) Shall have thirty (30) days from the date of execution of the Purchase Agreement in order to obtain the required financing.

Within seven (7) business days of receipt of notice by Purchaser that the commitment has not been procured within the contingency period, Sponsor shall elect by notice in writing to Purchaser to (i) cancel this Purchase Agreement, (ii) extend the term of the contingency period unless Purchaser has theretofore delivered a written rejection from the Institutional Lender to which the original application was made.

14.3 If Purchaser fails to give notice of cancellation within the time provided above or if Purchaser shall accept a commitment that does not comply with the terms set forth above, Purchaser shall be deemed to have waived Purchaser's right to cancel this Purchase Agreement and to receive a refund of the Down Payment.

14.4 Once the mortgage commitment is issued by the Institutional Lender, its withdrawal by the Institutional Lender based upon any willful change in Purchaser's circumstances shall still obligate Purchaser to close or his Purchaser will be deemed to be in default of this Agreement. It is the obligation of Purchaser to keep the mortgage commitment in full force until the Closing of title.

The failure of Purchaser to comply with the terms and conditions of the Commitment does not relieve Purchaser of his or her obligation to close title.

When a mortgage commitment is not fulfilled through no fault of a purchaser, performance is excused. Therefore, if the purchaser acts in good faith and the lender revokes the loan commitment after the contingency period expires, performance is excused, and the Sponsor must grant to such purchaser a right of rescission and a reasonable period of time to exercise such right.

15. Default by Purchaser

The time for the payment of the balance of the Purchase Price and the performance of Purchaser's obligations under this Agreement may be made TIME OF THE ESSENCE by the Sponsor in accordance with the terms of the Offering Plan.

The following shall constitute "Events of Default" hereunder:

(i) Purchaser's failure to pay any Additional Deposit on the date set forth in this Agreement if required, Purchaser's failure to pay the Balance of the Purchase Price, or any closing adjustment or closing cost required to be paid by Purchaser as set forth in the Plan or in this Agreement, or the dishonor of any check given by Purchaser to Sponsor; or

(ii) Purchaser's failure to pay, perform or observe any of Purchaser's other obligations under this Agreement or the Offering Plan;

(iii) Purchaser's assignment of any of Purchaser's property for the benefit of creditors, or Purchaser's filing a voluntary petition in bankruptcy; or

(iv) If a non-bankruptcy trustee or receiver is appointed over the Purchaser or Purchaser's property, or an involuntary petition in bankruptcy is filed against Purchaser; or

(v) If a judgment or tax lien is filed against Purchaser and Purchaser does not pay or bond the judgment or lien; or

(vi) Purchaser's assignment of this Agreement without the prior written consent of Sponsor; or

(vii) An Event of Default by Purchaser beyond any applicable grace period under a Purchase Agreement between Purchaser and Sponsor for another Unit at the Property.

Upon the occurrence of an Event of Default, Sponsor, in its sole discretion, may elect by notice to Purchaser to (i) cancel this Agreement or (ii) seek specific performance of this Agreement. If Sponsor elects to cancel this Agreement, Purchaser shall have thirty (30) days from the giving of the notice of cancellation to cure the specified default. If the default is not cured within such thirty (30) days, then this Agreement shall be deemed cancelled, and Sponsor shall have the right to retain, as and for liquidated damages, the entire Deposit and any interest earned on the Deposit, if any. Upon the cancellation of this Agreement, Purchaser and Sponsor will be released and discharged of all further liability and obligations hereunder and under the Plan, and the Unit may be sold to another as though this Agreement had never been made, and without any obligation to account to Purchaser for any of the proceeds of such sale. If Sponsor elects to seek specific performance, then Purchaser shall have thirty (30) days from the giving of notice of Sponsor's election to close on the Unit in accordance with this Agreement, without prejudice to Sponsor's right to recover from Purchaser all damages, losses, costs, expenses and all other lawful sums to which Sponsor is entitled (including, but not limited to, reasonable legal fees and costs of collection).

Sponsor must make a written demand for payment after default at least thirty (30) days before forfeiture of the deposit may be declared.

in the event Purchaser fails to close title on the designated date and Purchaser seeks a 15 day adjournment which shall be time of the essence, then (a) Purchaser shall Pay Sponsor interest at the rate of 10.95% per annum on the entire amount of the purchase price computed from the original Closing Date until this transaction is actually closed, and (b) all apportionments between Sponsor and Purchaser shall be made as of the original Closing Date.

16. Agreement Subject to Plan Being Effective

16.1 The performance by Sponsor of its obligations under this Agreement is contingent upon the Plan having been declared effective in accordance with the terms and provisions of the Plan.

16.2 The Plan may be withdrawn or abandoned by Sponsor only under certain conditions and at certain times, as set forth in the Plan.

16.3 Provided Purchaser is not then in default under this Agreement beyond any applicable grace period, if title to the Unit does not close within the time set forth in this Purchase Agreement for any reason other than Purchaser's default, this Agreement shall be deemed canceled and, not later than thirty (30) days thereafter, Sponsor shall return to Purchaser all sums deposited by Purchaser hereunder, together with interest earned thereon, and upon making such payment, neither party shall have any further rights, obligations or liability to or against the other and the parties shall be released and discharged from all obligations and liability under this Agreement and the Plan.

17 Sponsor's Inability to Convey the Unit

17.1 The parties hereby agree that the Sponsor may cancel this Agreement by forwarding its check in the full amount paid by the Purchaser, together with a notice in writing, addressed to the Purchaser at their address hereinabove set forth in the event of the occurrence of any of the following: (a) that any governmental bureau, department of subdivision thereto shall impose restrictions on the manufacture, sale, distribution and/or use of materials from its regular suppliers or from using same in the construction and/or completion of the Unit; or (b) that the Sponsor is unable to obtain materials from its usual sources due to strikes, lockouts, war, military operations and requirements or national emergencies, or the installation of public utilities is restricted or curtailed; (c) that economic conditions are such that the Sponsor cannot obtain labor and or materials in quantities and/or at prices presently contemplated; (d) any occurrence, delay, accident, or act of God which limits Sponsor's ability to promptly perform under the terms of this Purchase Agreement; or (e) that the installation of utilities is delayed, restricted or curtailed; (f) that should any zoning or building restrictions and regulations, imposed by any governmental body having jurisdiction over the construction of the residential housing and appurtenances conveyed hereunder, either presently in effect, or as enacted or promulgated in the future, create or impose requirements upon the Sponsor which are not presently contemplated, this Purchase Agreement may be canceled with notice as hereinabove provided.

18 Fixtures, Appliances and Personal Property.

18.1 Only those fixtures, appliances and items of personal property which are described in the Plan as being included in the Unit are included in this sale. No portion of the Purchase Price shall be attributable to such items.

19 Acceptance of Condition of Unit; Changes in Materials; Selection of Colors; Exterior.

19.1 Subject to applicable law and regulations, Purchaser shall accept title (without abatement in or credit against the purchase price or provision for escrow) notwithstanding that construction of (i) minor details of the Unit or the Building in which it is located or (ii) other Units or (iii) the landscaped areas or (iv) other portions of the Common Elements have not been completed. Purchaser will examine Purchaser's Unit with a representative of the Sponsor during normal business hours prior to the Closing Date and will sign and deliver to Sponsor on or before the Closing Date an inspection statement acknowledging the condition in which Purchaser has received the Unit.

19.2 Subject to applicable law and regulations, the Sponsor reserves the right to (i) make changes or substitutions of materials or construction for items as set forth in the Plan, models or Building Plans, provided any such changes are of substantially equal value and quality, (ii) determine the exterior color and design, location of building, grading and design of all plots and dwellings to fit into the general pattern of the Community and to comply with requirements of law, (iii) determine elevation and location of foundations, walks, entrances, stoops and patios to conform with topographical conditions. The Sponsor agrees to notify Purchaser of any material changes, specifications, deviations, additions or deletions which may materially adversely affect Purchaser and as otherwise required by the Plan. If said major change affect Common Areas or Limited Common Areas, if any, it will be disclosed by a duly filed amendment to the Plan.

19.3 It is further agreed that wherever the Purchaser has the right to make a selection of construction changes, optional extras, colors, fixtures and/or materials, he shall do so within five (5) days after demand therefore. The selections are to be made at Sponsor's sales and display offices or as otherwise directed by Sponsor. In the event the Purchaser fails to make such selection within such period, the Sponsor shall have the right to use its own judgment in the selection of colors, fixtures and materials and the Purchaser shall accept the same. Such written demand shall be made by ordinary mail addressed to the Purchaser at the address herein set forth.

19.4 Any extras by Purchaser shall be paid for in full at the time of the order. If for any reason the Sponsor fails to install said extras in accordance with the work order, the limit of the Sponsor's liability is a refund of the amount of the charge. Purchaser shall not be entitled to a refund of amounts paid on account of extras or changes for any reason whatsoever, including the failure of the lending institution to approve their Purchase Money Mortgage. Construction must proceed by a scheduled Plan. Any items not paid for cannot be installed and construction will not be delayed for ordered items not paid for in advance. Selection of any extras also cannot hold up the Progression of any job. If delays are deemed unreasonable by Sponsor, Sponsor has the right to complete the job according to standard specifications, and will return to Purchaser any sums of money paid to him for extras not actually installed.

20 Damages to the Unit.

20.1 If between the date of this Agreement and the closing of title, the Unit is damaged by fire or other casualty, the following shall apply:

20.2 Risk of loss for fire or other casualty remains with the Sponsor until legal title to the Unit has been conveyed to the Purchaser. Prior to the first closing, Sponsor may, at Sponsor's option abandon the Plan or to repair or to replace such loss or damage. If Sponsor elects to replace or repair such loss or damage, then at Sponsor's option, it shall be entitled to a reasonable adjournment of the closing. In the event of damage or destruction of the Unit due to fire or other casualty prior to the closing of title and the election by Sponsor to repair or restore the Unit, this Agreement shall continue in full force or effect. Purchaser shall not have the right to reject title or receive credit against, or abatement in, the Purchase Price and Sponsor shall be entitled to a reasonable period of time within which to complete the repair or restoration. Any proceeds received from insurance or in satisfaction of any claim or action in connection with such loss

shall, subject to the rights of the Board and other Unit Owners if the Declaration has theretofore been recorded, belong entirely to Sponsor and if such proceeds are paid to Purchaser, Purchaser shall promptly upon receipt thereof turn them over to Sponsor. The provisions of the preceding sentence shall survive the closing of title.

20.3 In the event of damage to or destruction of the Unit by fire or other casualty prior to the closing of title, and if Sponsor notifies Purchaser that it does not elect to repair or restore the Unit or, if the Declaration has been recorded prior thereto, the Unit Owners do not resolve to make such repairs or restoration pursuant to the By-Laws, this Agreement shall be deemed canceled and of no further force or effect and Sponsor shall return to Purchaser all sums deposited by Purchaser hereunder, together with interest earned thereon, and neither party shall have any further rights, obligations or liability to or against the other and the parties shall be released and discharged from all obligations and liability hereunder and under the Plan, except that if Purchaser is then in default hereunder (beyond the applicable grace period, if any), Sponsor shall retain all such sums deposited by Purchaser hereunder, together with interest earned thereon, as and for liquidated damages.

21 Sponsor's Right to Enter

21.1 The Purchaser does hereby authorize and grant to the Sponsor the irrevocable right to enter into, upon and over and under the Unit as provided in the Plan, for such purposes as may be reasonably necessary for the Sponsor or his agents to complete the project of which this Unit is a part. Any damages incurred shall be repaired at the cost of the Sponsor. Purchaser agrees to do nothing that will prevent the Sponsor from obtaining a Certificate of Occupancy for these premises. This provision shall survive delivery of the deed.

22 Restriction on Purchaser's Right to Enter

22.1 It is expressly understood and agreed that the Purchaser shall in no event take possession of the premises prior to the time of the delivery of the deed and full compliance by the Purchaser with the terms of this Agreement (unless Purchaser enters into an Interim Lease with Sponsor), and should the Purchaser violate this provision, the Purchaser consents that the Sponsor shall have the right to remove him from the premises as a squatter and intruder by summary proceedings. Upon the Purchaser's unauthorized possession, the Purchaser shall be deemed in default hereunder, at the option of the Sponsor and, upon such election, the amount paid hereunder shall belong to the Sponsor as liquidated damages and the Purchase Agreement shall be deemed canceled. It is further understood and agreed that the Sponsor will not be responsible for damage or loss to any property belonging to the Purchaser, whether same is delivered to the property on or after the closing of title herein.

22.2 Purchaser shall arrange an appointment with a representative of Sponsor to inspect the Unit within the seven (7) calendar day period prior to the Closing Date. Purchaser or Purchaser's duly authorized agent shall attend such inspection and shall complete, date and sign the Inspection Statement (in the form set forth as Schedule A-5 to this Agreement) and deliver same to the Sponsor's representative at the conclusion of the inspection. Failure of Purchaser either to arrange such appointment or to inspect the Unit within the three (3) day period prior to

the Closing Date or to so sign and deliver the completed Inspection Statement shall not excuse Purchaser from paying the balance of the Purchase Price when due and shall constitute Purchaser's full acceptance of the Unit "as is". However, nothing herein shall relieve Sponsor of its obligations as set forth in the Section of the Plan entitled "Rights and Obligations of Sponsor".

22.3 Any work set forth on the Inspection Statement may be completed by Sponsor in a reasonable period of time following the Closing and shall not be grounds for delaying the Closing. Purchaser will be required to provide Sponsor with reasonable access to the Unit subsequent to the Closing in order to complete punch list work. Sponsor has no obligation under the Plan to deposit any monies in escrow at Closing as a result of any punch list items.

23 No Representations

23.1 Except as specifically set forth herein or in the Plan, Purchaser acknowledges that he has not relied upon any architect's Plan, sales Plans, selling brochures, advertisements, representations, warranties or statements of any nature, whether made by Sponsor, Sponsor's Counsel or Selling Agent or otherwise, including, but not limited to, any relating to the description or physical condition of the Building or the Unit, the size or the dimensions of the Unit or the rooms therein contained or any other physical characteristics thereof, the building services, the estimated common charges and expenses allocable to the Unit or the right to any income tax deduction on account of any real estate taxes and/or mortgage interest paid by Purchaser. Subject to the requirements of applicable law and regulations, Purchaser agrees that Sponsor shall have no liability or responsibility to Purchaser if the layout or dimensions of the Unit or any part thereof or of the Common Elements as shown on the floor Plans or on the architectural Plans and specifications for the Building or site Plan are not accurate or correct provided such layout or dimensions conform substantially to the floor Plans and the architectural Plans and specifications for the Building and the site as modified or supplemented in accordance with the Plan. The provisions of this Article shall survive the closing of title.

24 No Warranty

THERE IS NO IMPLIED OR EXPRESS WARRANTIES, INCLUDING ANY WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE IN CONNECTION WITH THIS PURCHASE AGREEMENT AND THE CONSTRUCTION AND SALE OF THE CONDOMINIUM UNIT. Because the building is greater than five (5) stories, Article 36-b of the General Business Law, which pertains to warranties on the sale of certain new homes does not apply. General Business Law §777, the Housing Merchant Implied Warranty Law is applicable to Condominium Units in building which are five stories and less. Sponsor will not furnish any Warranty on the Units. Despite no warranties provided by Sponsor, Sponsor is obligated to construct the premises in accordance with all applicable codes, filed plans and specifications and locally accepted building practices for items which are not covered by codes. Sponsor's obligation cannot go below the duty to construct the premises in accordance with all applicable codes, filed plans and specifications and locally accepted building practices for items which are not covered by codes. Sponsor's obligation, regardless of any limitations in the warranty or in this offering plan, is to construct

the premises in accordance with all applicable codes and filed plans and specifications, and that any conflict between the disclaimers and the Sponsor's obligation to construct the premises in accordance with all applicable codes and filed plans and specifications shall be resolved in favor of the latter.

25 Broker.

25.1 Purchaser represents to Sponsor that the real estate broker named above is the only broker or sales agent with whom Purchaser has dealt in connection with this transaction, and Sponsor agrees to pay the commission earned by said broker pursuant to separate agreement. Purchaser agrees that should any claim be made against Sponsor for Commissions by any broker, other than the broker named above, on account of any acts of Purchaser or Purchaser's representative, Purchaser will indemnify and hold Sponsor free and harmless from and against any and all liabilities and expenses in connection therewith, including reasonable legal fees. The provisions of this article shall survive the closing of title.

26 Agreement May Not Be Assigned.

26.1 Purchaser shall have no right to assign this agreement without the prior consent in writing of Sponsor. Any purported assignment of this Agreement in violation hereof shall be voidable at the option of Sponsor.

27. Binding Effect

27.1 Within thirty (30) days after delivery by Purchaser to Sponsor or to Sponsor's agent of this Agreement as executed by Purchaser, Sponsor will either (a) accept this Agreement and cause it to be returned to Purchaser a fully executed counterpart thereof, or (b) reject this Agreement and refund the Down Payment tendered by Purchaser. THE SUBMISSION OF THIS AGREEMENT SHALL NOT BE DEEMED TO CONSTITUTE AN OFFER TO SELL, OR AN OPTION TO PURCHASE, AND THIS AGREEMENT SHALL NOT BE BINDING UPON SPONSOR UNLESS AND UNTIL IT IS EXECUTED AND DELIVERED BY BOTH PURCHASER AND SPONSOR AND, IN SUCH EVENT, SUBJECT TO ALL OF THE TERMS AND CONDITIONS HEREOF.

28. Notices.

Any notice to be given hereunder shall be in writing and sent by registered or certified mail postage prepaid or delivered in person or overnight mail via United States Postal Service, United Parcel Service, FedEx, or Airborne Express, with receipt acknowledged, to Purchaser at the address given above and to Sponsor at 1482 86th Street, Brooklyn, New York 11228 (with copy to Rosen Law LLC, with an address of 216 Lakeville Road, Great Neck, New York 11020) or such other address as either party may hereafter designate to the other in writing. Each notice mailed as provided above shall be deemed given on the third business day following the date of mailing and each notice delivered in person or by overnight mail shall be deemed given when delivered.

29. Joint Purchasers.

29.1 If two or more persons are named as Purchaser herein, any one of them is hereby made agent for the others in all matters of any kind or nature relating to this Purchase Agreement and their respective obligations shall be joint and several.

30. Purchaser May Not File Lis Pendens.

30.1 The Purchaser understands and agrees that it may not under any circumstances file a notice of pendency or "lis pendens" on the Condominium Unit which is the basis of this Purchase Agreement and may not file a notice of pendency or "lis pendens" on any portion of the subject Condominium. Purchaser's sole remedy against the Sponsor shall be to commence an action in any Court having jurisdiction over the Sponsor.

31. Further Assurances.

31.1 Each party shall, at any time and from time to time, execute, acknowledge and deliver to the other party such instruments and documents, and take such other actions, as such other party may reasonably request in order to effectuate the provisions of this Agreement or of any transaction contemplated herein or to confirm or perfect any right to be created or transferred hereunder or pursuant to any such transaction. This Paragraph shall survive Closing.

32. Severability.

32.1 If any provision of this Agreement or the Plan is invalid or unenforceable as against any person or under certain circumstances, the remainder of this Agreement or the Plan and the applicability of such provision to other persons or circumstances shall not be affected thereby. Each provision of this Agreement or the Plan, except as otherwise herein or therein provided, shall be valid and enforced to the fullest extent permitted by law.

33. Strict Compliance.

33.1 Any failure by Sponsor to insist upon the strict performance by Purchaser of any of the provisions of this Agreement shall not be deemed a waiver of any of the provisions hereof, and Sponsor, notwithstanding any such failure, shall have the right thereafter to insist upon the strict performance by Purchaser of any and all of the provisions of this Agreement to be Performed by Purchaser.

34. Governing Law.

34.1 The provisions of this Agreement shall be governed by and construed in accordance with the laws of the State of New York applicable to contracts made and to be performed wholly in the State of New York, without regard to principles of conflicts of law.

34.2 The following is the smoking policy of this condominium, which Purchaser agrees to comply with:

"The 888 Coney Island Condominium Smoking Policy:

The definition of "smoking" is contained in the original Smoke Free Air Act (Title 17, Chapter 5 of the NYC Administrative Code) and is as follows: "Smoking means inhaling, exhaling, burning or carrying any lighted cigar, cigarette, pipe, or any form of lighted object or device which contains tobacco". The Code was amended to address electronic cigarettes.

The Board of Managers shall provide a copy of the smoking policy to all unit owners and tenants in the condominium building on an annual basis.

Unit owners that wish to sell their unit shall include the smoking policy in any contract of sale. Any Unit owners that wish to lease their unit shall include the smoking policy in any lease.

The Board of Managers may impose penalties against unit owners (including upon unit owners for violations by tenants of unit owners) of $200 for a first violation of the smoking policy, $500 of for a second violation of the smoking policy in a period of twelve months, and $1,000 for a third and subsequent violations of the smoking policy in a period of twelve months. 35.1 Except as prohibited by law, the parties shall and they hereby do expressly waive trial by jury in any litigation, action, proceeding or counterclaim arising out of, or connected with, or relating to this Agreement or the relationship created hereby or in the Offering Plan. With respect to any matter for which a jury trial cannot be waived, the parties agree not to assert any

such claim as a counterclaim in, nor move to consolidate such claim with, any action or proceeding in which a jury trial is waived.

36. Entire Agreement

36.1 This Agreement, together with the Plan, supersedes any and all understandings and agreements between the parties and constitutes the entire agreement between them with respect to the subject matter hereof. Purchaser acknowledges and agrees that the Plan may be amended from time to time as provided for in the Plan and that this Agreement may be amended by Sponsor to conform to the provisions of any such amendment by delivering a notice thereof (which notice may consist of a copy of any such amendment), subject however to any rights which Purchaser may have as provided for in the Plan. This Agreement and the Plan cannot be changed or terminated orally. Any changes or additional provisions must be set forth in writing only.

38.1 The captions in this Agreement are for convenience and reference only and in no way define, limit or describe the scope of this Agreement or the intent of any Provision hereof. A reference in this Agreement to any one gender, masculine, feminine or neuter, includes the other two, and the singular includes the plural and vice versa, unless the context otherwise requires. The terms "herein", "hereof" or "hereunder" or similar terms used in this Agreement refer to this entire Agreement and not to the particular provision in which the term is used, unless the context otherwise requires. 41. Attorneys.

41.1 The parties hereby authorize their respective attorneys to agree in writing to any changes in dates and time periods provided in this Purchase Agreement. The attorneys representing the Sponsor or any Lender represent such parties only and not the Purchaser. The Purchaser may retain independent counsel at Purchaser's own expense in order to protect Purchaser's own interest.

42. Reporting.

Purchaser agrees to execute any forms required to effectuate the transfer of the subject Condominium Unit and to execute any other form required by the State of New York or Sponsor in connection with said taxes. JJ. No Housing Merchant Implied Warranty.

Because the building is greater than five (5) stories, Article 36-b of the General Business Law, which pertains to warranties on the sale of certain new homes does not apply. General Business Law §777, the Housing Merchant Implied Warranty Law is applicable to Condominium Units in building which are five stories and less. Sponsor will not furnish any Warranty on the Units. Despite no warranties provided by Sponsor, Sponsor is obligated to construct the premises in accordance with all applicable codes, filed plans and specifications and locally accepted building practices for items which are not covered by codes. Sponsor's obligation cannot go below the duty to construct the premises in accordance with all applicable codes, filed plans and specifications and locally accepted building practices for items which are not covered by codes. Sponsor's obligation, regardless of any limitations in the warranty or in this offering plan, is to construct the premises in accordance with all applicable codes and filed plans and specifications, and that any conflict between the disclaimers and the Sponsor's obligation to construct the premises in accordance with all applicable codes and filed plans and specifications shall be resolved in favor of the latter.

The Housing Merchant Implied Warranty law, New York General Business Law Section 777-a and 777-b is as follows:

§ 777-a. Housing merchant implied warranty

1. Notwithstanding the provisions of section two hundred fifty-one of the real property law, a housing merchant implied warranty is implied in the contract or agreement for the sale of a new home and shall survive the passing of title. A housing merchant implied warranty shall mean that:

a. one year from and after the warranty date the home will be free from defects due to a failure to have been constructed in a skillful manner;

b. two years from and after the warranty date the plumbing, electrical, heating, cooling and ventilation systems of the home will be free from defects due to a failure by the builder to have installed such systems in a skillful manner; and

c. six years from and after the warranty date the home will be free from material defects.

2. Unless the contract or agreement by its terms clearly evidences a different intention of the seller, a housing merchant implied warranty does not extend to:

a. any defect that does not constitute (i) defective workmanship by the builder or by an agent, employee or subcontractor of the builder, (ii) defective materials supplied by the builder or by an agent, employee or subcontractor of the builder, or (iii) defective design provided by a design professional retained exclusively by the builder; or

b. any patent defect which an examination ought in the circumstances to have revealed, when the buyer before taking title or accepting construction as complete has examined the home as fully as the buyer desired, or has refused to examine the home.

3. In the case of goods sold incidentally with or included in the sale of the new home, such as stoves, refrigerators, freezers, room air conditioners, dishwashers, clothes washers and dryers, a housing merchant implied warranty shall mean that such goods shall be free from defects due to failure by the builder or any agent, employee or subcontractor of the builder to have installed such systems in a skillful manner. Merchantability, fitness and all other implied warranties with respect to goods shall be governed by part three of article two of the uniform commercial code and other applicable statutes.

4.

a. Written notice of a warranty claim for breach of a housing merchant implied warranty must be received by the builder prior to the commencement of any action under paragraph b of this subdivision and no later than thirty days after the expiration of the applicable warranty period, as described in subdivision one of this section. The owner and occupant of the home shall afford the builder reasonable opportunity to inspect, test and repair the portion of the home to which the warranty claim relates.

b. An action for damages or other relief caused by the breach of a housing merchant implied warranty may be commenced prior to the expiration of one year after the applicable warranty period, as described in subdivision one of this section, or within four years after the warranty date, whichever is later. In addition to the foregoing, if the builder makes repairs in response to a warranty claim under paragraph a of this subdivision, an action with respect to such claim may be commenced within one year after the last date on which such repairs are performed. The measure of damages shall be the reasonable cost of repair or replacement and property damage to the home proximately caused by the breach of warranty, not to exceed the replacement cost of the home exclusive of the value of the land, unless the court finds that, under the circumstances, the diminution in value of the home caused by the defect is a more equitable measure of damages.

c. In addition to any other period for the commencement of an action permitted by law, an action for contribution or indemnification may be commenced at any time prior to the expiration of one year after the entry of judgment in an action for damages under paragraph b of this subdivision.

5. Except as otherwise provided in section seven hundred seventy-seven-b of this article, any provision of a contract or agreement for the sale of a new home which excludes or modifies a housing merchant implied warranty shall be void as contrary to public policy.

6. Except as otherwise provided in section seven hundred seventy-seven-b of this article, other implied warranties may arise from the terms of the contract or agreement or from course of dealing or usage of trade.

§ 777-b. Exclusion or modification of warranties

1. Except in the case of a housing merchant implied warranty, the builder or seller of a new home may exclude or modify all warranties by any clear and conspicuous terms contained in the

written contract or agreement of sale which call the buyer's attention to the exclusion or modification of warranties and make the exclusion or modification plain.

2. Except in the case of a housing merchant implied warranty, the builder or seller of a new home may exclude or modify warranties with respect to particular defects by any clear and conspicuous terms contained in the written contract or agreement of sale which identify such defects, call the buyer's attention to the exclusion or modification of warranties and make the exclusion or modification plain.

3. A housing merchant implied warranty may be excluded or modified by the builder or seller of a new home only if the buyer is offered a limited warranty in accordance with the provisions of this subdivision.
a. A copy of the express terms of the limited warranty shall be provided in writing to the buyer for examination prior to the time of the buyer's execution of the contract or agreement to purchase the home.
b. A copy of the express terms of the limited warranty shall be included in, or annexed to and incorporated in, the contract or agreement.
c. The language of the contract or agreement for sale of the home must conspicuously mention the housing merchant implied warranty and provide that the limited warranty excludes or modifies the implied warranty. Language to exclude all implied warranties is sufficient if it states, for example, that "There are no warranties which extend beyond the face hereof."
d. The limited warranty shall meet or exceed the standards provided in subdivisions four and five of this section.

4. A limited warranty sufficient to exclude or modify a housing merchant implied warranty must be written in plain English and must clearly disclose:
a. that the warranty is a limited warranty which limits implied warranties on the sale of the home; the words "limited warranty" must be clearly and conspicuously captioned at the beginning of the warranty document;
b. the identification of the names and addresses of all warrantors;
c. the identification of the party or parties to whom the warranty is extended and whether it is extended to subsequent owners; the limited warranty must be extended to the first owner of the home and survive the passing of title but may exclude any or all subsequent owners;
d. a statement of the products or parts covered by the limited warranty;
e. the clear and conspicuous identification of any parts or portions of the home or premises that are excepted or excluded from warranty coverage, and the standards that will be used to determine whether a defect has occurred; provided, however, that:
i. any exception, exclusion or standard which does not meet or exceed a relevant specific standard of the applicable building code, or in the absence of such relevant specific standard a locally accepted building practice, shall be void as contrary to public policy and shall be deemed to establish the applicable building code standard or locally accepted building practice as the warranty standard; and
ii. any exception, exclusion or standard that fails to ensure that the home is habitable, by permitting conditions to exist which render the home unsafe, shall be void as contrary to public policy.

f. what the builder and any other warrantor will do when a defect covered by the warranty does arise, and the time within which the builder and any other warrantor will act;
g. the term of the warranty coverage and when the term begins, provided, however, that such term shall be equal to or exceed the warranty periods of a housing merchant implied warranty, as defined in subdivision one of section seven hundred seventy-seven-a of this article;
h. step-by-step claims procedures required to be undertaken by the owner, if any, including directions for notification of the builder and any other warrantor; an owner shall not be required to submit to binding arbitration or to pay any fee or charge for participation in nonbinding arbitration or any mediation process;
i. any limitations on or exclusions of consequential or incidental damages, and any limitations on the builder's and other warrantor's total liability, conspicuously expressed on the first page of the warranty. Notwithstanding the foregoing, a limited warranty shall not be construed to permit any limitation on or exclusion of property damage to the home proximately caused by a breach of the limited warranty, where the court finds that such limitation or exclusion would cause the limited warranty to fail of its essential purpose, except that such property damage may be limited by an express limitation on the builder's or other warrantor's total liability in accordance with the provisions of this paragraph.

5.
a. This article shall not be construed to authorize or validate any covenant, promise, agreement or understanding which is void and unenforceable under section 5-322.1 of the general obligations law.
b. This article shall preempt any local law inconsistent with the provisions of this article. This article shall not preempt any builder subject to its provisions from complying with any local law with respect to the regulation of home builders except as expressly provided herein.
c. Nothing in this article shall be construed to repeal, invalidate, supersede or restrict any right, liability or remedy provided by any other statute of the state, except where such construction would, as a matter of law, be unreasonable.

KK. Intentionally Omitted.

(a) All provisions of this Declaration, the By-Laws and the Rules and Regulations (true copies of which are annexed hereto and made a part hereof), including, without limitations, the provisions of this paragraph shall, to the extent applicable and unless otherwise expressly herein and therein provided to the contrary, be perpetual and be construed to be covenants running with the land and with every part thereof and interest therein, and all of the provisions hereof and thereof shall be binding upon and inure to the benefit of the owner of all or any part thereof, or interest therein, and his heirs, executors, administrators, legal representatives, successors and assigns, but the same are not intended to create nor shall they be construed as creating any rights in or for the benefit of the general public. All present and future owners, tenants and occupants of the Units shall be subject to and shall comply with the provisions of this Declaration, the By-Laws and the Rules and Regulations, as they may be amended from time to time. The acceptance of a deed or conveyance or the entering into a lease or the entering into occupancy of any Unit shall constitute an agreement that the provisions of this Declaration, the By-Laws and Rules and Regulations, as they may be amended from time to time, are accepted and ratified by such owner, tenant or occupant, and all of such provisions shall be deemed and taken to be covenants running with the land and shall bind any person having at any time any interest or estate in such Unit, as though such provisions were recited and stipulated at length in each and every deed or conveyance or lease thereof.

(b) If any provision of this Declaration or the By-Laws is invalid under, or would cause this Declaration and the By-Laws to be insufficient to submit the Property to the provisions of, the New York Condominium Act, such provision shall be deemed deleted from this Declaration or the By-Laws, as the case may be, for the purpose of submitting the Property to the provisions of the New York Condominium Act but shall nevertheless be valid and binding upon and inure to the benefit of the owners of the property and their heirs, executors, administrators, legal representatives, successors and assigns, as covenants running with the land and with every part thereof and interest therein under other applicable law to the extent permitted under such applicable law with the same force and effect as if, immediately after the recording of this Declaration and the By-Laws, all Unit Owners had signed and recorded an instrument agreeing to each such provision as a covenant running with the land. If any provision which is necessary to cause this Declaration and the By-Laws to be sufficient to submit the Property to the provisions of the New York Condominium Act is missing from this Declaration or the By-Laws, then such provision shall be deemed included as part of this Declaration or the By-Laws, as the case may be, for the purposes of submitting the Property to the provisions of the New York Condominium Act.

(c) Subject to the provisions of Article "18"(b), if this Declaration and the By-Laws are insufficient to submit the Property to the provisions of the New York Condominium Act, the provisions of this Declaration and the By-Laws shall nevertheless be valid and binding upon and inure to the benefit of the owners of the Property, and their heirs, executors, administrators, legal representatives, successors and assigns, as covenants running with the land and with every part thereof and interest therein under other applicable law to the extent permitted under such applicable law with the same force and effect as if, immediately after the recording of the Declaration and the By-Laws, all Unit Owners had signed and recorded an instrument agreeing to each such provision as a covenant running with the land.

Article 18. – Covenant of Further Assurances.

(a) Any party which is subject to the terms of this Declaration, whether such party is a Unit Owner, an occupant of a Unit, a member or officer of the Board, or otherwise, shall, at the expense of any such other party requesting the same, execute, acknowledge and deliver to such other party such instruments, in addition to those specifically provided for herein, and take such other action, as such other party may reasonably request to effectuate the provisions of this Declaration or of any transaction contemplated herein or to confirm or perfect any right to be created or transferred hereunder or pursuant to any such transition.

(b) If any Unit Owner, the Board or any other party which is subject to the terms of this Declaration fails to execute, acknowledge or deliver any instrument, or fails or refuses, within 10 days after request therefore, to take any action which the Board, Unit Owner or party is required to execute, acknowledge and deliver or to take pursuant to this Declaration, then the Board which represents such Unit Owner or other party hereby authorized as attorney-in-fact for such Unit Owner, or other party, coupled with an interest, to execute, acknowledge and deliver such instrument, or to take such action, in the name of such Unit Owner or other party and such document or action shall be binding on such Unit Owner or other party.

(c) If any Unit Owner, the Board or any other party subject to the terms of this Declaration fails to execute, acknowledge or deliver any instrument, or fails or refuses, within 10 days after request therefore, to take any action which the Board, Unit Owner or party is required to execute, acknowledge and deliver or to take pursuant to this Declaration at the request of Sponsor, then Sponsor is hereby authorized as attorney-in-fact for such Unit Owner, Board or other party, coupled with an interest, to execute, acknowledge and deliver such instrument or to take such action, in the name of such Unit Owner, Board or other party and such document or action shall be binding on such Unit Owner, Board or other party, as the case may be.

Article 19. – Successors and Assigns.

The rights and/or obligations of Sponsor or its designee as set forth herein shall inure to the benefit of and be binding upon any successor or assign of Sponsor or its designee or, with the consent of Sponsor or its designee, any transferee of all then Unsold Units. Subject to the foregoing, Sponsor, or its designee, shall have the right, at any time, in their sole discretion, to assign or otherwise transfer their respective interests herein, whether by merger, consolidation, lease, assignment or otherwise.

Article 20. –Termination of Condominium.

The Condominium shall continue and shall not be subject to an action for partition until (a) terminated by casualty loss, condemnation or eminent domain, as more particularly provided in the By-Laws or (b) such time as withdrawal of the Property from the provisions of the New York Condominium Act is authorized by a vote of at least 80% in number and in common interest of all Unit Owners. Sponsor or its designee will not vote its interests appurtenant to any Unsold Units for such withdrawal unless at least 80% in number and in common interest of all other Unit Owners so elect for such withdrawal, at which time Sponsor or its designee may choose to vote either in favor of or against withdrawal from Condominium ownership, as it sees fit. In the event said withdrawal is authorized as aforesaid, the Property shall be subject to an action for partition by any Unit Owner or lienor as if owned in common, in which event the net proceeds of sale shall be divided among all Unit Owners in proportion to their respective common interests, provided, however, that no payment shall be made to a Unit Owner until there has first been paid from out of his share of such net proceeds all liens on his/her/their Unit, in the order of priority of such liens.

Any restoration or repair of the condominium after a partial condemnation or damage due to an insurable hazard shall be substantially in accordance with the declaration and the offering plan unless the approval of the eligible holders of first mortgages on units which at least 51% of the votes of units subject to mortgages held by such eligible holders are allocated, is obtained.

Any election to terminate the condominium regime after substantial destruction or a substantial taking in condemnation of the condominium property must require the approval of the eligible holders of first mortgages on units to which at least 51% of the votes of units subject to mortgages held by such eligible holders are allocated.

Unless the formula for reallocation of interests in the common elements after a partial condemnation or partial destruction of the condominium project is fixed in advance by the declaration or by applicable law no reallocation of interests in the common elements resulting from a partial condemnation or partial destruction of the condominium project may be effected without the approval of the eligible holders of first mortgages on units to which at least 51% of the votes of units subject to mortgages held by such eligible holders are allocated.

A "Sponsor-designee" shall have the right to designate a person or entity to succeed to its rights and any such designee shall also be deemed a "Sponsor-designee".

Article 22. – Invalidity.

The invalidity of any provision of this Declaration shall not be deemed to impair or affect in any manner the validity, enforceability or effect of the remainder of this Declaration and, in such event, all of the other provisions of this Declaration shall continue in full force and effect as if such invalid provision had never been included herein.

Article 23. – Waiver.

No provision contained in this Declaration shall be deemed to have been abrogated or waived by reason of any failure to enforce the same, irrespective of the number of violations or breaches which may occur.

Schedule A - Rules and Regulations

BY-LAWS
of
THE 888 CONEY ISLAND CONDOMINIUM

ARTICLE I. Plan of Unit Ownership

Section 1 - Unit Ownership.

The purpose of these By-Laws is to set forth the rules and procedures concerning the conduct of the affairs of the Condominium, as well as certain obligations of the Unit Owners therein.

All terms used in these By-Laws which are capitalized and are not defined herein shall have the same definition as in the Declaration of which these By-Laws are a part (such Declaration as amended from time to time being herein referred to as the Declaration").

The land and Building located in the County of Kings, City of New York, State of New York, at 2848 West 15th Street, Brooklyn, New York (hereafter called the "Property") has been submitted to the provisions of Article 9-B of the Real Property Law of the State of New York by the Declaration recorded in the office of the Register of the City of New York, simultaneously herewith and shall hereinafter be known as The 888 Coney Island Condominium (hereafter called the "Condominium"). The apartments are herein sometimes called "the Units." The owner of a Unit is herein referred to as a "Unit Owner".

Section 2 - Applicability of By-Laws.

The provisions of these By-Laws are applicable to the Property of the Condominium and to the use and occupancy thereof.

The term "Property" as used herein shall include the land, the Building and all other improvements thereon (including the Units, and the Common Elements and Limited Common Elements), owned in fee simple absolute, and all easements, rights and appurtenances belonging thereto, and all other property, real, personal or mixed, intended for use in connection therewith, all of which are intended to be submitted to the provisions of said Article 9-B of the Real Property Law of the State of New York.

Section 3 - Application.

All present and future owners, mortgagees, lessees, sublessees, and occupants of Units and their employees, and any other persons who may use the facilities of the Property in any manner are subject to these By-Laws, the Declaration and the Rules and Regulations attached hereto, each as amended from time to time.

The acceptance of a deed or conveyance or the entering into of a lease or sublease for, or the act of occupancy of, a Unit shall constitute an agreement that these By-Laws, the Rules and

Regulations and the provisions of the Declaration, as they may be amended from time to time, are accepted, ratified, and will be complied with.

Section 4 – Principal Office.

The principal office of the Condominium and the Board of Managers shall be located at the Property or at such other place within the County of Kings, State of New York reasonably convenient thereto as may be designated by the Board of Managers.

ARTICLE II. Board of Managers

Section 1 - Number and Qualification.

The Sponsor shall call a meeting of Unit Owners within 30 days after the earlier of (a) 75% of the Units have been conveyed to Purchasers or (b) within one (1) year from the conveyance of the first unit to a Purchaser whichever occurs first. At the first meeting, a three (3) member Board of Managers shall be elected by the Unit Owners, unless Sponsor owns at least one unit, in such event, Sponsor shall appoint two (2) members of the Board of Managers at all times and years that Sponsor owns at least one Condominium Unit and an election shall be held for one (1) member of the Board of Managers.

Until the first meeting, the Sponsor shall control the Board of Managers ("Sponsor Control Period").

Annual meetings will be held each annual anniversary from the first meeting of the Unit Owners although no change in control will occur until the provisions set forth herein are met.

The By-Laws authorize the President to call a special meeting of the Unit Owners if so directed by resolution of the Board of Managers or upon a petition signed and presented to the secretary by not less than 25% in common interest, in the aggregate, of the Unit Owners.

After the initial Sponsor Control Period expires, the By-Laws do not require that the majority of the Board consist of owner occupants or members of an owner-occupant's household who are unrelated to the Sponsor and its principals. Owner-occupants and non-resident owners, including Sponsor, may have inherent conflicts on how the Condominium should be managed because of their different reasons for purchasing, i.e., as a home as opposed to an investment.

After the initial Sponsor Control Period, a majority of Board Members will not be Sponsor affiliates.

All members of the Board of Managers (other than the designees of the Sponsor) shall be Unit Owners, mortgagees of Units, partners or employees of a partnership owning a Unit or a mortgage covering a Unit, shareholders, officers, directors or employees of corporate owners or corporate mortgagees of Units, or fiduciaries or officers or employees of fiduciaries who are owners or mortgagees of Units.

The term of office of the members of the Board of Managers shall be one year or until their successors are elected, whichever is later.

All terms of the members of the Board of Managers term shall expire annually.

The Board of Managers shall advise all Unit Owners, promptly, in writing, of the amount of common charges and Common Expenses payable by each of them, respectively, as determined by the Board of Managers, as aforesaid, and shall furnish copies of each budget on which such common charges

and expenses are based to all Unit Owners (and their respective mortgagee, if required). Until the Sponsor or Sponsor-affiliate has conveyed title to all the Units to Purchasers thereof, the Board of Managers can reduce the amount of common charges allocated to the Units and payable by Unit Owners (including the Sponsor or Sponsor-affiliate as owner of any unsold Units) provided that so long as the Sponsor or Sponsor-affiliate controls the Board of Managers the common charges will not be reduced below the amount necessary to operate the Property.

The Sponsor or Sponsor-affiliate shall be responsible for the common charges assessed against a Unit owned by it from the date of the first conveyance of title to a Unit in the Building in which such Sponsor-owned Unit is located until such Unit is sold to a bona fide Purchaser.

Section 2 - Insurance.

The Board of Managers shall be required to obtain and maintain, to the extent obtainable, the following insurance:

Property Insurance:
Replacement Cost Insured Value - $4,000,000
Deductible - $2,500;

Commercial General Liability Insurance:
Premises Liability - $1,000,000 per occurrence / $1,000,000 aggregate

And such other insurance as the Board of Managers may determine.

The insurance policy shall be in an amount equal to 100% of the current replacement cost of the condominium exclusive of land, foundation, excavation and other items normally excluded from coverage.

The insurance policy shall include an "Agreed Amount Endorsement" and if available, an "Inflation Guard Endorsement".

All policies of physical damage insurance shall, if possible, contain waivers of subrogation and waivers of any defense based on insurance or of pro-rata reduction of liability or of invalidity arising from any acts of the insured, and shall provide that such policies may not be canceled or substantially modified without at least ten (10) days, prior written notice to all of the insured, including all mortgagees of Units. Duplicate originals of all policies of physical damage insurance and of all renewals thereof, together with proof of payment of premiums, shall be delivered to all mortgagees of Units at least ten (10) days prior to expiration of the then current policies. Prior to obtaining any policy of fire insurance or any renewal thereof, the Board of Managers shall obtain an appraisal from a fire insurance company or otherwise of the full replacement value of the Building (exclusive of the cost of excavation and foundations), including all of the Units, and all of the Common Elements therein, without deduction for depreciation, for the purpose of determining the amount of fire insurance to be effected pursuant to this Section.

The Board of Managers shall also be required to obtain and maintain, to the extent obtainable, public liability insurance in such limits as the Board of Managers may from time to time determine, covering each member of the Board of Managers, the managing agent, the manager, and each Unit Owner and covering all claims for bodily injury or property damage, arising out of any occurrence in the Common Elements or the Units, except such policy shall not cover liability of a Unit Owner arising from an occurrence within his own Unit. Such public liability coverage shall also cover cross liability claims of one insured against another. The Board of Managers shall review such limits once each year.

Until the first meeting of the Board of Managers following the second meeting of the Unit Owners, such public liability insurance shall be a single limit of not less than **$1,000,000** covering all claims for bodily injury or property damage arising out of one occurrence and including property damage and water damage legal liability claims.

Unit Owners shall not be prohibited from carrying other insurance for their own benefit provided that all such policies shall contain waivers of subrogation and further provided that the liability of the carriers issuing insurance obtained by the Board of Managers shall not be affected or diminished by reason of any such additional insurance carried by any Unit Owner.

Insurance proceeds with respect to loss shall be payable to the Board of Managers or the Unit Owner entitled to adjust such loss.

Section 3 - Repair or Reconstruction After Fire or Other Casualty.

In the event of damage to or destruction of the building as a result of fire or other casualty (unless such damage or destruction shall give a Unit Owner or lienor a right of partition as provided by Article 9-B of the Real Property Law of the State of New York), the Board of Managers shall arrange for the prompt repair and restoration of the building.

If 75% or more of the Building is destroyed or substantially damaged and 75% or more in Common Interest of all Unit Owners do not within sixty (60) days from the date of such damage or destruction, duly resolve to proceed with repair or restoration, the Property shall be subject to an action for partition at the suit of any Unit Owner or lienor, as if owned in common in accordance with the provisions of Article 9-B of the Real Property Law of the State of New York, the Property will not be repaired and the net proceeds of sale, together with the net proceeds of insurance policies (or if there shall have been a repair or restoration pursuant to the first paragraph of this Section 3, and the amount of insurance proceeds shall have exceeded the cost of such repair or restoration, then the excess of such insurance proceeds) shall be divided by the Board of Managers among all the Unit Owners in proportion to their respective common interest, after first paying out of the share of each Unit Owner the amount of any unpaid liens on the Unit, in the order of the priority of such liens.

Any action to terminate the legal status of the condominium after substantial destruction or condemnation must be agreed to by the mortgagees representing at least 51% of the units which have mortgagees.

Any restoration or repair of the condominium after a partial condemnation or damage due to an insurable hazard shall be substantially in accordance with the declaration and the offering plan unless the approval of the eligible holders of first mortgages on units which at least 51% of the votes of units subject to mortgages held by such eligible holders are allocated, is obtained.

Any election to terminate the condominium regime after substantial destruction or a substantial taking in condemnation of the condominium property must require the approval of the eligible holders of first mortgages on units to which at least 51% of the votes of units subject to mortgages held by such eligible holders are allocated.

Unless the formula for reallocation of interests in the common elements after a partial condemnation or partial destruction of the condominium project is fixed in advance by the declaration or by applicable law no reallocation of interests in the common elements resulting from a partial condemnation or partial destruction of the condominium project may be effected without the approval of the eligible holders of first mortgages on units to which at least 51% of the votes of units subject to mortgages held by such eligible holders are allocated.

Section 4 - Payment of Common Charges.

The term "Common Charges" shall mean any charge assessed by the Board of Managers against any Unit Owner. All Unit Owners shall be obligated to pay to the Board of Managers the general common charges assessed to it by the Board pursuant to these By-Laws at such time or times (but not less than monthly) as the Board determines. All Unit Owners shall be obligated to pay the common charges assessed by the Board of Managers pursuant to the provisions of Section 1 of this Article V which charges shall be payable in advance on the first day of each month or at such time or times as the Board of Managers shall subsequently determine. The common charges payable by each Unit Owner will be computed in accordance with his proportionate interest in the Common Elements.

No Unit Owner shall be liable for the payment of any part of the common charges assessed against the Unit subsequent to a sale, transfer or other conveyance by him (made in accordance with the provisions of Section 1 of Article VII of these By-Laws) of such Unit, together with the Appurtenant Interests, as defined in Section 1 of Article VII hereof. A Purchaser of a Unit shall be liable for the payment of common charges assessed against such Unit prior to the acquisition by him of such Unit, except that a mortgagee or other Purchaser of a Unit at a foreclosure sale of such Unit shall not be liable for, and such Unit shall not be, subject to a lien for the payment of common charges assessed prior to the foreclosure sale other than as permitted by existing law at the time of the foreclosure sale or for a maximum of six months arrears of regularly budgeted common charges or which accrued before acquisition of title to the unit by the mortgagee.

Section 5 - Default in Payment of Common Charges and Violations.

In the event any Unit Owner fails to make payment of Common Charges when due to the Condominium, such Unit Owner shall be obligated to pay (a) a "late charge" equal to the greater

of $150.00 or one percent (1%) of such amounts which remain unpaid for more than ten (10) days from their due date (although nothing herein shall be deemed to extend the period within which such amounts are to be paid, and (b) interest at the rate of two percent (2%) per month (but in no event in excess of the maximum rate permitted by law) on which unpaid amounts computed from the due date, thereof, together with all costs and expenses, including without limitation, reasonable attorneys' fees paid or incurred by the Board of Managers or by any managing agent in any proceeding brought to collect such unpaid Common Charges or in any action to foreclose the lien on such Unit arising from said unpaid Common Charges as provided in Section 339-z of the New York Condominium Act, in the manner provided in Section 339-aa thereof or in any other manner permitted by law. All such "late charges", interest, reasonable attorneys' fees, costs and expenses shall be added to and shall constitute Common Charges due to the Condominium payable by such Unit Owner.

Board of Managers shall have the right to levy against Unit Owners such just and appropriate fines as it deems advisable for noncompliance with any of the provisions of the Declaration, these By-Laws or the Rules and Regulations of the Condominium. All such fines shall be added to and shall constitute Common Charges payable by such Unit Owner. Until such time as the By-Laws or Rules and Regulations are amended, the fine for each violation of any portion of the By-Laws or Rules and Regulations shall be $100.00 for the first offense and $250.00 for the second offense within and $1,000.00 for the third and any subsequent violation in any six month period. The Board of Managers may file a lien as provided for in Section 339-aa of the Real Property Law on Units which are more than thirty (30) days in arrears of common charges. The Sponsor will cause the Board of Managers to file a lien as provided for in Section 339-aa of the Real Property Law on Units in which Sponsor is more than thirty (30) days in arrears of common charges while Sponsor is in control of the Board of Managers. Interest on the lien shall accrue at the rate of 18% per annum or the maximum interest rate permitted by law, whichever is lower and the Board of Managers may sell the lien to any third party.

Section 6 - Foreclosure of Liens for Unpaid Common Charges.

In any action brought by the Board of Managers to foreclose a lien on a Unit because of unpaid common charges, the Unit Owner shall be required to pay a reasonable rental for the use of the Unit and the plaintiff in such foreclosure action shall be entitled to the appointment of a receiver to collect the same. The Board of Managers, acting on behalf of all Unit Owners, shall have power to purchase such Unit at the foreclosure sale and to acquire, hold, lease, mortgage, vote the votes appurtenant to (other than for the election of members of the Board of Managers), convey or otherwise deal with the same. An action to recover a money judgment for unpaid common charges shall be maintainable without foreclosing or waiving the lien securing the same. In the event the net proceeds received on a foreclosure sale (after deduction of all legal fees, advertising costs, brokerage commissions and other costs and expenses incurred in connection therewith) are insufficient to satisfy the defaulting Unit Owner's obligations, such Unit Owner shall remain liable for the deficiency.

No Unit Owner shall be liable for the payment of any part of the Common Charges against his/her/their Unit accruing subsequent to a sale or other conveyance by him of such Unit, together with its Appurtenant Interest, provided that no violation of any provision of the

Declaration or these By-Laws then exists with respect to such Unit. Any Unit Owner may, by conveying his/her/their Unit and its Appurtenant Interest to the Board of Managers, or its designee, corporate or otherwise, exempt himself from the liability for Common Charges accruing after such conveyance, subject to the terms and conditions of these By-Laws provided that at the time of such conveyance (a) such Unit is free and clear of liens and encumbrances other than a Permitted Mortgage and the statutory lien for Common Charges and (b) no violation of any provision of the Declaration, these By-Laws or the Rules and Regulations then exists with respect to such Unit. A Purchaser of a Unit shall be liable for the payment of Common Charges accrued and unpaid against such Unit prior to the acquisition by him of such Unit, except as hereinafter provided. A Purchaser of a Unit at a foreclosure sale pursuant to a Permitted Mortgage against such Unit (including, without limitation, such Permitted Mortgagee) shall not be liable, sand such Unit shall not be subject to a lien, for the payment of Common Charges, accrued and unpaid against such Unit prior to the acquisition by said Purchaser of such Unit. However, the owner of such Unit prior to the foreclosure sale shall remain liable for the payment of all unpaid Common Chargers which accrued prior to such sale.

Section 339-kk of the Real Property Law is applicable to the Condominium which provides:

(a) For the purposes of this section, "non-occupying owner" shall mean a Unit Owner in a Condominium association who does not occupy the dwelling Unit.

(b) If a non-occupying owner rents any dwelling Unit to a rental tenant and then fails to make payments due for common charges, assessments or late fees for such Unit within sixty days of the expiration of any grace period after they are due, upon notice in accordance with subdivision (c) of this section, all rental payments from the tenant shall be directly payable to the Condominium association.

(c) If the common charges, assessments or late fees due for any Unit have not been paid in full, within sixty days after the expiration of any grace period of the earliest due date, the Board of Managers shall provide written notice to the tenant and the non-occupying owner providing that, commencing immediately and until such time as all payments for common charges, assessments or late fees are made current, all rental payments due subsequent to the issuance of such notice are to be made payable to the Condominium association at the address listed on the notice. Where a majority of the Board of Managers has been elected by and from among the Unit Owners who are in occupancy, the Board of Managers may elect not to require that rental payments be made payable to the Condominium association. At such time as payments for common charges, assessments and late fees from the non-occupying owner are once again current, notice of such fact shall be given within three business days to the rental tenant and non-occupying owner. Thereafter all rental payments shall be made payable to the non-occupying owner or a designated agent. A non-occupying owner who disputes the association's claim to rental payments pursuant to this section shall be entitled to present facts supporting such owner's position at the next scheduled meeting of the Board of Managers, which must be held within thirty days of the date that such board receives notice that such owner seeks to dispute such claim.

(d) Nothing in this section shall limit any rights of Unit Owners or of the Board of Managers existing under any other law or agreement.

(e) Payment by a rental tenant to the Condominium association made in connection with this section shall relieve that rental tenant from the obligation to pay such rent to the non-occupying owner and shall be an absolute defense in any non-payment proceeding commenced by such non-occupying owner against such tenant for such rent.

Section 7 - Statement of Common Charges and Assessments.

The Board of Managers (or a managing agent on its behalf) shall promptly provide any Unit Owner so requesting the same in writing, with a written statement of all unpaid common charges and assessments due from such Unit Owner.

Section 8 - Abatement and Enjoinment of Violations by Unit Owner.

The violation of any rule or regulation adopted by the Board of Managers, or the breach of any By-Law contained herein, or the breach of any provision of the Declaration, shall give the Board of Managers the right, in addition to any other right set forth in these By-Laws: (a) upon reasonable notice to the Unit Owner, any structure, thing or condition that may exist therein contrary to the intent and meaning of the provisions hereof provided, however, that no prior notice shall be required in the event the Board of Managers shall determine that action is immediately necessary for the preservation or safety of the Property of the Condominium or for the safety of residents of the Condominium or other persons or required to avoid the suspension of any necessary service to the Condominium; or (b) to enjoin, abate or remedy by appropriate legal proceedings, either at law or in equity, the continuance of any such breach. In connection with the foregoing, the Board of Managers shall have all of the rights of enforcement granted pursuant to Section 339-j of Article 9-B of the Real Property Law of the State of New York.

Section 9 - Maintenance and Repairs.

(a) All maintenance, repairs and replacements to a Unit and Limited Common Elements to which a Unit Owner has exclusive use, whether structural or non-structural, ordinary or extraordinary, (other than maintenance of and repairs to any Common Elements contained therein, and not necessitated by the negligence, misuse or neglect of the owner of such Unit) shall be made by the owner of the Unit.

Electrical, plumbing, heating, hot water and air conditioning equipment remains the sole responsibility of the Unit Owner. Each Unit Owner shall be responsible for all damages to any and all other Units and/or to the Common Elements, that his failure to do so may engender.

(b) All maintenance, repairs and replacements to the Common Elements (other than the Limited Common Elements described in Section 9(a) above), whether located inside or outside of the Units, (unless necessitated by the negligence, misuse or neglect of a Unit Owner,

in which case such expense shall be charged to such Unit Owner), shall be made by the Board of Managers and be charged to all the Unit Owners as a common expense.

(c) Notwithstanding the above, the Board of Managers shall have the responsibility (which shall constitute its only responsibility regarding those items) of painting or refinishing the exterior of the frames of windows opening out of the Units.

(d) In the event that there are "lot line" windows, meaning that there are some or all windows that must be closed and/or sealed if the New York City Department of Building requires same, the cost of doing so will be borne by all of the Unit Owners as a Common Expense of the Condominium.

(e) The interior and exterior glass surfaces of all windows located in any Unit shall not be colored or painted and no neon or colored lights may emanate therefrom and neither the windows, window frames nor mullions may be modified, altered or replaced without the consent of the Board of Managers.

(f) The interior and exterior glass surfaces of all windows located in any Unit shall be washed and cleaned by the Unit Owner or occupant thereof at such Unit Owner's sole cost and expense. No Unit Owner or occupant shall clean or permit to be cleaned any window or require, permit or allow it to be cleaned from the outside in violation of Section 202 of the Labor Law of the State of New York, or any future law or like import, or (if applicable) in violation of the rules of the Board of Standards and Appeals of the City of New York or any other governmental authority having jurisdiction over the Land or the Building. Each Unit Owner shall indemnify the Condominium Board and the other Unit Owners, and their respective agents and employees, for all losses, damages or fines suffered by any of them as a result of a violation of the aforesaid laws, ordinances, regulations or rules. Any replacement of glass windows located in any Unit because of breakage or otherwise shall be made by the Unit Owner thereof at the sole cost and expense of the Owner (unless such breakage is caused by the Condominium Board or the negligence of any other Unit Owner, in which event such replacement of glass windows will be at the sole cost and expense of the Condominium Board or such Unit Owner). Notwithstanding the foregoing, prior to the replacement of any glass window, the Unit Owner must obtain the prior written approval of the Condominium Board, with respect to the type of replacement windows installed. The public areas of the Building and those residential areas exposed to public view shall be kept in good appearance, in conformity with the dignity and character of the Building as determined by the Condominium Board in its sole discretion, by (i) the Condominium, with respect to such parts of the Building required to be maintained by it, and (ii) each Unit Owner, with respect to the interior surfaces of windows and window treatments in, or appurtenant to the Unit.

(g) The exterior of all front doors of Units shall not be painted or decorated other than with the consent of the Board.

(h) It shall be the obligation of the Board of Managers to clean the sidewalks surrounding the Building and to remove snow therefrom. The cost of such cleaning and snow removal, and the cost of repairing and replacing the sidewalks shall be a Common Expense.

Section 10 - Violation of Maintenance Obligations.

In the event that any Unit Owner, after receipt of written notice from the Board, fails or neglects in any way to perform any obligations of his with respect to the painting, decorating, maintenance, repair or replacement of Limited Common Elements or his/her/their Unit as provided in this Article V or any Common Elements for which such Unit Owner is responsible under the Declaration or these By-Laws, the Board may perform or cause to be performed such painting, decorating, maintenance, repair or replacement unless such Unit Owner, within five days after receiving notice of such default by the Board, cures such default, or in the case of a default not reasonably susceptible to cure within such period, commences and thereafter prosecutes to completion, with due diligence, the curing of such default. All sums expended and all costs and expenses incurred in connection with the making of any such painting, decorating, maintenance, repair or replacement, together with interest thereon at the rate of five percent (5%) per month (but in no event in excess of the maximum rate permitted by law), shall be immediately payable by such Unit Owner to the Board and shall, for all purposes hereunder, constitute Common Charges payable by such Unit Owner.

Section 11 - Limited Common Elements.

The Limited Common Elements consist of all portions of the Land and Building (other than the Units) that are for the use of one or more specified Units to the exclusion of all other Units. Without intending to limit the generality of the foregoing in any respect, the Limited Common Elements include the following:

1. Units 2A, 2B, 2C, 2D, 3A, 3B, 3C, 3D, 4A, 4B, 4C, 4D, 5B and 5D will each have one balcony as limited common element;
2. Units 5A and 5C will each have one terrace as limited common element;
3. Each Unit Owner shall have the exclusive use of the entrance to his/her/their Unit;
4. The portion of equipment, fixtures or facilities serving or benefiting one Unit, to the extent located within another Unit or within a common element to which there is no direct and exclusive access from the interior of a Unit. Notwithstanding anything to the contrary contained in the By-Laws or this Declaration, the Unit Owner who is so served or benefited by such Limited Common Element shall have the exclusive right to use such Limited Common Element and shall be responsible for the normal operation, maintenance and repair thereof at such Residential Unit Owner's sole cost and expense;

The cost of maintaining and repairing the Unit entrances will be included in the common charges payable by all Unit Owners. All other Limited Common Elements shall be repaired and maintained by the Unit Owners having exclusive use thereof.

No construction on or in and no enclosures are permitted on the roof, balconies or terrace.

The Board of Managers will have the responsibility of maintaining and repairing the entrance to each Unit, and the cost thereof will be included in the common charges payable by all Unit Owners unless necessitated by the negligence, misuse or neglect of a Unit Owner, in which

case such expense shall be charged to such Unit Owner. All other Limited Common Elements shall be repaired and maintained by the Unit Owners having exclusive use thereof;

Section 12 - Heating, Hot Water and Air-Conditioning Systems.

All maintenance, repairs and replacements to the air conditioning systems, heating systems and hot water heaters shall be made by the Unit Owners to the systems servicing their own Units. Any maintenance, repairs and replacements of the air conditioning systems, heating systems and hot water heaters located inside each Condominium Unit, excluding the piping, shall be made by the Unit Owner at the Unit Owner's expense;

Section 13 - Restrictions on Use of Units.

In order to provide for congenial occupancy of the Property and for the protection of the values of the Units, the use of the Property shall be restricted to and shall be in accordance with the following provisions:

(a) All Condominium Units shall be used by Unit Owners (other than the Sponsor or Sponsor-affiliates) for residences. The Sponsor or Sponsor-affiliates shall have the right, without charge, (i) to maintain general and sales offices in one or more Units or elsewhere on the Property, to use one or more Units as models and for other promotional purposes and to erect and maintain signs on the Property; (ii) to have its employees, contractors and sales agents present on the Property; and (iii) to do all things necessary or appropriate, including the use of the Common Elements, to sell or lease Units and to complete construction of the Building and to comply with its obligations;

(b) The Common Elements and Limited Common Elements shall be used only for the furnishing of the services and facilities for which they are reasonably suited and which are incident to the use and occupancy of Units;

(c) No nuisances shall be allowed on the Property nor shall any use or practice be allowed which unreasonably interferes with the peaceful possession or proper use of the Property by its residents or occupants;

(d) No immoral, improper, offensive, or unlawful use shall be made of the Property or any part thereof, and all valid laws, zoning ordinances and regulations of all governmental bodies having jurisdiction thereof shall be observed. Violations of laws, orders, rules, regulations or requirements of any governmental agency having jurisdiction thereof, relating to any portion of the Property, shall be complied with, by and at the sole expense of the Unit Owners or the Board of Managers, whichever shall have the obligation to maintain or repair such portion of the Property;

(e) No portion of a Unit (other than the entire Unit and its appurtenant interests) may be rented, and no transient tenants may be accommodated therein, except that a non-residential Unit may be subdivided with Sponsor's consent, provided that Sponsor owns a Unit at the time of such subdivision;

(f) Rules and regulations concerning the use of the Units, the Common Elements and the Limited Common Elements may be promulgated and amended from time to time by the Board of Managers provided that copies of such rules and regulations are furnished to each Unit Owner not less than 5 days prior to the time that they become effective. Any Rule or Regulation may be rescinded by vote of 70% of the Unit Owners at a meeting duly called for such purpose. No such Rule or Regulation shall interfere with the possession, maintenance, use or enjoyment of any Unit owned by Sponsor or a Sponsor-affiliate. The Condominium's initial Rules and Regulations are attached hereto as Schedule A.

(a) Occupancy of Residential Units shall be limited to residential use unless permission for other use is granted by the Board of Managers and meets approvals of government agencies and authorities;

(b) **The maximum occupancy for each unit shall not exceed the maximum permitted by law.**

Section 14 - Additions, Alterations or Improvements by Board of Managers.

Subject to the provisions of Section 2 Article II of these By-Laws, whenever in the judgment of the Board of Managers the Common Elements or the Limited Common Elements shall require additions, alterations or improvements costing in excess of $5,000 and the making of such additions, alterations or improvements shall have been approved by more than 50% in number and in common interest of the Unit Owners (including the Sponsor or any Sponsor-affiliate if then a Unit Owner) in accordance with these By-Laws (and by the holders of first mortgages on Units, if their approval is required), the Board of Managers shall proceed with such additions, alterations or improvements and shall assess all Unit Owners for the cost thereof as a common charge. Any additions, alterations or improvements costing $5,000 or less may be made by the Board of Managers without approval of the Unit Owners or mortgagees of Units and the cost thereof shall constitute part of the Common Expenses. So long as the Sponsor or any Sponsor-affiliate shall own at least 15% of the apartment Units, the Board of Managers may not make any addition, alteration or improvement to the Common Elements without the Sponsor's prior written consent.

Section 15 - Additions, Alterations or Improvements By The Owners.

No Unit Owner shall make any structural addition, alteration or improvement in or to his/her/their Unit or which may affect the value of other Units, without the prior written consent thereto of the Board of Managers and, if required, of his mortgagee. The Unit Owner must submit a written request (along with documentation reasonably required by the Board of Managers) for approval the Board of Managers of a proposed structural addition, alteration or improvement in such Unit Owner's Unit. The Board of Managers shall respond within thirty (30) days after such request advising of its approval or disapproval of the request; failure to do so within the stipulated time shall constitute a consent by the Board of Managers to the proposed addition, alteration or improvement. Any application to any governmental authority having or asserting jurisdiction, for a permit to make an addition, alternation or improvement in or to any

Unit shall be executed by the Board of Managers only, without, however, incurring any liability on the part of the Board of Managers or any of them to any contractor, subcontractor, materialman, architect or engineer on account of such addition, alteration or improvement, or to any person having any claim for injury to person or damage to property arising therefrom.

The provisions of this Section 15 shall not apply to a Unit owned by the Sponsor or Sponsor-affiliate.

The Board of Managers shall execute any application or other document required to be filed with any governmental authority having or asserting jurisdiction in connection with any such installation or structural addition, alteration or improvement made by the Sponsor or Sponsor-affiliate to any Unit provided, however, that neither the Board of Managers nor the Unit Owners shall be subjected to any expense or liability by virtue of the execution of the application or such other document.

Non-structural alterations and improvements to Units that do not affect the exterior of the Building or the value of other Units may be made without the prior approval of the Board of Managers.

Section 16 - Use of Common Elements and Facilities.

(a) A Unit Owner shall not store any furniture, packages or objects of any kind in any part of the Common Elements or Limited Common Elements.

(b) The Common Elements and Limited Common Elements and related facilities shall be used only for those purposes for which they are reasonably suited and capable. No Unit Owner shall make any addition, alteration, improvement or change in or to any common element or Limited Common Elements (including, but without limitation, the exterior of the Building) without the prior written consent of the Board of Managers (and the holders of Unit first mortgagees, if required). The Sponsor and any Sponsor-affiliate shall have the right to use the Common Elements, without charge, for the purposes set forth in Section 13 of this Article V.

(c) The Board of Managers has the authority to adopt or amend administrative rules and regulations governing the details of the operation and use of the Common Elements.

Section 17 - Right of Access.

A Unit Owner shall grant a right of access to his/her/their Unit to the manager and/or the managing agent and/or any other person authorized by the Board of Managers, the manager or the managing agent, for the purpose of making inspections when necessary or for the purpose of correcting any condition originating in his/her/their Unit and threatening another Unit or a common element or Limited Common Element, or any condition originating in his/her/their Unit constituting a violation of law or for the purpose of performing installations, alterations, or repairs to the mechanical or electrical services or other Common Elements in his/her/their Unit or Limited Common Elements elsewhere in the Building or to correct any condition which violates the provisions of any mortgage covering another Unit, provided that requests for entry

are made in advance and that any such entry is at a time reasonably convenient to the Unit Owner and further provided that such right shall be exercised in such a manner as will not unreasonably interfere with the proper use of the Units. In case of an emergency, such right of entry shall be immediate, whether the Unit Owner is present at the time or not. The foregoing shall not be deemed as prohibiting a Unit Owner from having a representative present when such access is given to the Board of Managers.

Section 18 - Utilities.

Electricity.

Electricity to Condominium Units will be supplied by the public utility companies serving the area through individual meters and billed by such companies to each Unit Owner. Except as provided for in the Declaration, a Unit Owner shall not exceed the capacity of existing feeders, risers or wiring installations and shall not use any electrical equipment which in the reasonable opinion of the Board of Managers will overload such feeders, risers or installations.

The cost of electricity for the public spaces outside the Units and for the common areas, as measured by one or more building meters, will be borne by the Unit Owners and will be included in the common charges therefore.

Gas.

Gas to Condominium Units will be supplied by the public utility companies serving the area to each Unit for cooking, hot water production, heating purposes and gas for clothes dryers, through one common gas meter servicing each Condominium Units and which costs will be borne by unit owners through common charges.

Water.

Water will be supplied to all Units and sewage treatment will be provided by the municipality and the cost thereof will be included in the common charges.

The Board of Managers shall have the right to interrupt all utilities for the purposes of dealing with accidents, strikes, repairs, alterations, improvements, and the like. The Board of Managers shall have no liability to any Unit Owner for any such interruption. However, the Board of Managers shall make all reasonable efforts to minimize the extent of such interference.

ARTICLE VI. Mortgages

Section 1 - Notice to Board of Managers.

A Unit Owner who mortgages his/her/their Unit shall notify the Board of Managers of the name and address of his mortgagee and shall file a conformed copy of the note and mortgage with the Board of Managers; the Board of Managers shall maintain such information in a book entitled "Mortgages of Units".

Section 2 - Notice of Unpaid Common Charges or Other Default.

The Board of Managers, whenever so requested in writing by a mortgagee of a Unit, shall promptly report any then unpaid common charges or assessments levied by the Board of Managers due from, or any other default by, the owner of the mortgaged Unit. The Board of Managers, when giving notice to a Unit Owner of any default, shall also send a copy of such notice to each holder of a mortgage covering such Unit whose name and address shall have theretofore been furnished to the Board of Managers.

Section 3 - Notice of Default.

The Board of Managers, when giving notice to a Unit Owner of a default in paying common charges or assessments or other default, shall send a copy of such notice to each holder of a mortgage covering such Unit whose name and address has theretofore been furnished to the Board of Managers.

Section 4 - Examination of Books.

Each Unit Owner and each mortgagee of a Unit shall be permitted to examine the books and records of the Condominium at reasonable times, on business days, but not more than once each month, at the office of the Condominium or the managing agent.

ARTICLE VII. Sales, Leases and Mortgages of Units

Section 1 - Sales and Leases.

FOR THE PROPOSED RESALE OF A CONDOMINIUM UNIT:

Any Unit Owner shall have the right to sell his or her Unit free of any right of first refusal or restriction.

FOR THE PROPOSED LEASING OF A CONDOMINIUM UNIT BY A UNIT OWNER:

Unit Owners will be free without restriction, to sell or lease their respective Units to any person or entity without first offering the Unit for sale or lease to, or obtaining the consent of the Board of Managers.
