THIS PLAN CONTAINS SPECIAL RISKS TO THE PURCHASERS.(SEE PAGE 1 FOR SPECIAL RISKS TO PURCHASERS.)

THIS OFFERING PLAN IS THE SPONSOR'S ENTIRE OFFER TO SELL THESE CONDOMINIUM UNITS. NEW YORK LAW REQUIRES THE SPONSOR TO DISCLOSE ALL MATERIAL INFORMATION IN THIS PLAN AND TO FILE THIS PLAN WITH THE NEW YORK STATE DEPARTMENT OF LAW PRIOR TO SELLING OR OFFERING TO SELL ANY CONDOMINIUM UNIT. FILING WITH THE DEPARTMENT OF LAW DOES NOT MEAN THAT THE DEPARTMENT OR ANY OTHER GOVERNMENTAL AGENCY HAS APPROVED THIS OFFERING.

BECAUSE THE SPONSOR IS RETAINING THE UNCONDITIONAL RIGHT TO RENT AFTER CONSUMMATION RATHER THAN SELL UNITS, THIS PLAN MAY NOT RESULT IN THE CREATION OF A CONDOMINIUM IN WHICH A MAJORITY OF THE UNITS ARE OWNED BY OWNER-OCCUPANTS OR INVESTORS UNRELATED TO THE SPONSOR. (SEE SPECIAL RISKS SECTION OF THE PLAN.)

PURCHASERS FOR THEIR OWN OCCUPANCY MAY NEVER GAIN CONTROL OF THE BOARD OF MANAGERS UNDER THE TERMS OF THIS PLAN. (SEE SPECIAL RISKS SECTION OF THE PLAN.)

SECTION (C): SPECIAL RISKS

The following is a summary of certain special risk considerations in connection with the Plan but is not intended to summarize all major features of the Plan. Prospective purchasers are urged to read the following special risk factors in conjunction with the Plan for a discussion of these and other important aspects of this condominium offering.

1. FINCEN'S GEOGRAPHIC TARGETING ORDER

Purchasers should note that the Financial Crimes Enforcement Network (FinCEN) requires U.S. title insurance companies to report to FinCEN the personal identity of purchasers in residential real estate transactions in which:

- (a) the purchaser is a legal entity as defined in the Geographic Targeting Order (GTO);
- (b) the purchaser purchases residential real property located in the Boroughs of Bronx, Brooklyn, Queens, Manhattan, and Staten Island;
- (c) the total purchase price is in the amount of \$300,000 or more;
- (d) such purchase is made without a bank loan or other similar form of external financing; and
- (e) the purchase is made, at least in part, using currency or a cashier's check, a certified check, a traveler's check, a personal check, a business check, a money order in any form, a funds transfer, or virtual currency.

As long as the Geographic Targeting Order (GTO) remains in effect, its reporting requirements apply to all residential real property closings meeting the above criteria and occurring on or after November 17, 2018, which is the revised GTO's effective date.

2. TIME IS OF ESSENCE

There are numerous time constraints imposed in the Purchase Agreement set forth in Part II of this Offering Plan. Time is of the essence as to all such time constraints. This means that if the Purchaser fails to perform within the applicable time frame, he may waive substantive rights, or incur a forfeiture of substantial sums of money. Thus, a Purchaser who fails to cure a default within thirty (30) days after receipt of written notice of said default, will both have the Contract canceled, and lose his down payment as liquidated damages. Similarly, a Purchaser who fails to notify the Sponsor in the event he has failed to obtain mortgage financing within forty (40) days after executing the Purchase Agreement, will be required to proceed to closing, notwithstanding the fact that Purchaser has failed to obtain mortgage financing; and, if such Purchaser fails to proceed to closing, the down payment may be retained by the Sponsor. Purchasers are advised to consult with their attorneys concerning all terms of this offering. **(SEE SECTION (O): PROCEDURE TO PURCHASE AND PART II, PURCHASE AGREEMENT SECTION FOR STATEMENTS OF ALL APPLICABLE TIME LIMITATIONS.)**

3. SPONSOR'S RIGHT TO SPECIFIC PERFORMANCE

Pursuant to 13 NYCRR 20.3(o)(9), Sponsor hereby advises Purchasers of the special risk that Sponsor may seek specific performance of the Purchase Agreements, requiring Purchasers to close and purchase the condominium units for which Purchasers have executed the Purchase Agreements. Specific performance is a remedy that must be court ordered and that such remedy cannot be sought until a default has occurred that has last beyond all applicable cure periods. **(SEE SECTION (O): PROCEDURE TO PURCHASE.)**

4. CERTIFICATE OF OCCUPANCY

Closing will not take place, and no individual condominium unit will be sold until a permanent or temporary Certificate of Occupancy has been obtained for the premises. In the event closing occurs after the issuance of a temporary Certificate of Occupancy, but prior to the issuance of permanent Certificate of Occupancy, then it will remain the obligation of the Sponsor to, at its own cost and expense, obtain such permanent Certificate, and the Certificate must be obtained within two (2) years from date of closing. Prior to obtaining the permanent Certificate of Occupancy, the Sponsor is required to either: (a) maintain all deposits and funds in a special escrow account required by GBL-352e(2)(b) unless the Sponsor's engineer or architect certifies that a lesser amount will be reasonably necessary to complete the work needed to obtain the permanent Certificate of Occupancy, in which case the sum exceeding the amount so certified may be released; or, (b) deposit with an escrow agent an unconditional, irrevocable letter of credit, or post a surety bond, in the aforesaid specified amount, in accordance with the regulations of the New York State Department of Law. Investors are advised to visit the Department of Building (DOB) Website/CONSUMERS TIPS for its recommendations when purchasing units in a condominium that does not have a Final Certificate of Occupancy.

Purchasers are advised that in New York City, newly constructed and newly renovated buildings are sometimes offered as condominium projects without a final certificate of occupancy ("FCO") covering the entire building but with only a temporary certificate of occupancy ("TCO"), and sometimes with several successive temporary certificates of occupancy. Certificates of occupancy are generally governed by Section 301 of the New York Multiple Dwelling Law and local building codes and rules. Both TCOs and FCOs are issued by the New York City Department of Buildings ("DOB"). A TCO is intended to indicate that the property conforms substantially to the DOB approved plans and specifications, and to the requirements of all applicable laws, rules, and regulations for the uses and occupancies specified in the TCO. No change of use or occupancy shall be made unless a new certificate of occupancy is issued. All TCOs have an expiration date. A TCO typically expires 90 days after the date of issuance. When a TCO expires and is not renewed, it may be difficult or impossible to buy insurance, refinance, or sell units. In New York City, it is common for sponsors to commence unit closings when some or all units are covered by a TCO rather than a FCO. Sponsor anticipates this scenario may occur. Sponsor and its principals will undertake the responsibility for extending each TCO received prior to expiration thereof, and ultimately for obtaining a FCO covering the entire building. However, Sponsor and its principals make no representation or guarantee that DOB will issue the FCO within two years, which is the timeframe anticipated by the Multiple Dwelling Law for issuance of a FCO. NOTWITHSTANDING THE FOREGOING, SPONSOR AND ITS PRINCIPALS ARE OBLIGATED TO PROCURE THE FINAL CERTIFICATE OF OCCUPANCY FOR THE

ENTIRE BUILDING, AND SHALL EXERCISE BEST EFFORTS TO OBTAIN THE FCO WITHIN SUCH TWO YEAR PERIOD WHILE KEEPING THE TCO CURRENT. Unit owners and the Board of Managers shall be obligated to cooperate with and refrain from obstructing sponsor in these undertakings.

Buyers are advised to visit the DOB website for further recommendations when purchasing a unit in a building that does not have a FCO. A Factsheet on Certificates of Occupancy is available on the DOB website at: http://www.nyc.gov/html/dob/downloads/pdf/co_factsheet.pdf. **(SEE SECTION (T): RIGHTS AND OBLIGATIONS OF THE SPONSOR.)**

5. DECLARATION EFFECTIVENESS

Pursuant to existing law and regulation, the Sponsor may declare the plan effective by entering into a contract for a minimum of fifteen percent (15%) or two of the Residential Units in the building. In the event Purchase Agreements counted towards the minimum number of unit sales required to declare the plan effective fail to close, it is possible that the building will be converted to condominium status with less than fifteen percent (15%) of the Residential Units in the building actually sold to Purchaser. **(SEE SECTION (Q): EFFECTIVE DATE.)**

In addition, Sponsor has the right to make bulk sales of Units and to sell any Unit to a Purchaser who does not intend to occupy same, but intends to lease such Unit to others. However, any lease made by a purchaser shall be subject to the approval of the Board of Managers and Sponsor agrees that at the time of the first unit's closing, not less than **two (2)** of the Residential Units will be conveyed by bona fide Purchase Agreements (which have been accepted by Sponsor) from Purchasers who intend to occupy (or have a family member or principal or employee of a Purchaser or its affiliate occupy) such Units. Purchasers of a bulk sale need not occupy the Units they purchase. The Sponsor would need to amend the offering to disclose any material changes such as the Sponsor's decision to offer less than the current number of Units or withhold one or more units for its own use. **(SEE SECTION (D): INTRODUCTION; AND SECTION (T): RIGHTS AND OBLIGATIONS OF THE SPONSOR.)**

6. SPONSOR'S RETAINED VOTING POWERS

At the sooner of the second (2nd) anniversary of the first closing date, or such time as less than fifty percent (50%) of the units of the Condominium constitute unsold units, control of the Condominium shall be transferred to a Board of Managers elected by Unit Owners other than Sponsor. Notwithstanding the end of the Sponsor control period, Sponsor may cast its votes for Unit Owners (other than the Sponsor or successor sponsor) of its choice but will not be entitled to designate any members. Prior to that time, the Condominium will be controlled by a Board of Managers consisting of three members designated by the Sponsor. There are certain limitations on actions which can be taken by the Sponsor while he remains in control of the Board of Managers, which limitations are set forth in the **SECTION (U): CONTROL BY THE SPONSOR** of this Offering Plan.

Until the earlier of five (5) years from the date of closing of the first unit or the time at which the Sponsor or successor sponsor owns units consisting of less than twenty five percent

(25%) of the common interest of the Condominium, Sponsor may exercise veto power over any expenses other than those expenses described in Schedule B or expenses required to comply with applicable laws or regulations, to remedy any notice of violation or to remedy any work order by an insurer. Additionally, so long as the Sponsor retains ownership of at least ten percent (10%) in the building, the By-Laws, Declaration, and Rules and Regulations of the Condominium, may not be amended or modified in any way so as to affect the Sponsor without written consent by the Sponsor. **(SEE SECTION (U): CONTROL BY THE SPONSOR FOR A MORE COMPLETE EXPLANATION.)**

SPONSOR'S VOTING CONTROL OF THE BOARD OF MANAGERS AND OWNER-OCCUPANTS OF BOARD OF MANAGERS

Sponsor exercises voting control of the board of managers for two (2) years after the closing of the first unit or whenever the unsold units constitute less than fifty percent (50%) of the total units, whichever is sooner. A meeting to elect a new Board of Managers unrelated to the sponsor will be held within thirty (30) days of fifty percent (50%) the units being sold, or within thirty (30) days of the second (2nd) anniversary of the closing date of the first unit, whichever is sooner. The By-Laws of the condominium does not include a provision that, after an initial sponsor voting control period, a majority of the board of managers must be owner-occupants or members of an owner-occupant's household who are unrelated to the sponsor and its principals. Purchasers for their own occupancy may never gain control of the Board of Managers. Owner-occupants and non-resident owners, such as Sponsor, may have inherent conflicts on management of the Condominium. **(SEE SUBDIVISION 1 TO SECTION (U): CONTROL BY THE SPONSOR FOR A MORE COMPLETE EXPLANATION.)**

7. MANAGEMENT CONTRACT

The Condominium will initially be managed by Sponsor at the annual fee of no cost for one (1) year after the closing of the first unit or whenever the unsold units constitute less than fifty percent (50%) of the common interests, whichever is sooner. This amount is less than the prevailing rate of such service which is commonly ten percent (10%) of the total common charges to be collected from the unit owners. The budget for the first year of operations does not provide full amount for the services of sponsor for the Condominium. Management by Sponsor may not be cancelled at least for one (1) year except for cause. After one (1) year, either the Board of Managers or Sponsor may terminate such arrangement upon thirty (30) days written notice to the other. Purchaser shall note, however, that the termination of such arrangement may not be likely with the Sponsor-controlled Board.

The Condominium Board has a fiduciary duty to the Condominium, even during while Sponsor is in control. While the Sponsor manages the Condominium, the Sponsor will have all the rights and obligations set forth in "SECTION (T): RIGHTS AND OBLIGATIONS OF THE SPONSOR," along with the management duties set forth in the By-Laws as belonging to the Board of Managers. As managing agent, Sponsor will be responsible for the operations of the affairs of the Condominium including, but not limited to, the fiscal operation, repairs and maintenance of the common areas of the Property, replacement and capital improvements to the common areas of the Property, the hiring, supervision and discharging of employees, the enforcement of the provisions of the By-Laws, collecting common charges, bookkeeping, and providing payroll services, and shall have the powers and duties necessary for the

administration of such affairs. After one (1) year from the date of closing of the first unit or whenever the unsold units constitute less than fifty percent (50%) of the common interests, whichever is sooner, management of the Condominium shall be transferred from Sponsor to Board of Managers. It should be noted that although management duties are transferred to the Board of Managers, the Board of Managers itself may still be controlled by Sponsor elected members. It is anticipated that the affairs and management of the Condominium shall be done by the Board of Managers at no cost. The duties of the Board with respect to management of the Condominium are set forth in Section "V & W" of this Offering Plan. After management duties are turned over to the Board of Managers, the Board of Managers shall have the powers and duties necessary for the administration of the affairs of the Condominium, as agent of all Unit Owners, as set forth in the By-Laws.

It should be noted that should the Board of Managers elect at any time to employ the services of a managing agent, this will represent an additional cost of approximately 6% - 10% of the annual operating budget, which would require a concomitant increase in the common charges. **(SEE SECTION (H): FOOTNOTE 9 TO SCHEDULE B; SECTION (V): BOARD OF MANAGERS; AND SECTION (W): RIGHTS AND OBLIGATIONS OF THE UNIT OWNERS AND BOARD OF MANAGERS FOR A MORE COMPLETE EXPLANATION.)**

8. BONDING BY SPONSOR

Sponsor is liable for all common charges, special assessments, and real estate taxes with respect to unsold units, and represents that Sponsor has financial resources to meet these obligations. However, no bond or other security has been furnished to secure the Sponsor's obligations. **(SEE SECTION (O): PROCEDURE TO PURCHASE; AND SECTION (W): RIGHTS AND OBLIGATIONS OF THE UNIT OWNERS AND BOARD OF MANAGERS.)**

9. SPONSOR'S RIGHT TO RENT UNITS AFTER CONSUMMATION AND SPONSOR'S LENDER'S LIMITATIONS ON SPONSOR

Sponsor is reserving the right to rent after consummation rather than sell units. **BECAUSE SPONSOR IS RETAINING THE UNCONDITIONAL RIGHT TO RENT AFTER CONSUMMATION RATHER THAN SELL UNITS, THIS PLAN MAY NOT RESULT IN THE CREATION OF A CONDOMINIUM IN WHICH A MAJORITY OF THE UNITS ARE OWNED BY OWNER-OCCUPANTS OR INVESTORS UNRELATED TO THE SPONSOR.**

Sponsor has not obtained a building loan hence there are no limits or requirements to rent rather than sell under specified market conditions. **(SEE CLAUSES (1) AND (9) OF SECTION (T): RIGHTS AND OBLIGATIONS OF THE SPONSOR.)**

Further, Sponsor hereby advises Purchasers of the special risk that Sponsor disclose, in the Special Risks section, that because sponsor is not limiting the conditions under which it will rent rather than sell units, there is no commitment to sell more units than the fifteen percent (15%) necessary to declare the plan effective and owner-occupants may never gain effective control and management of the condominium. **In addition, Purchaser of a unit**

which has been previously rented shall note that the unit is sold subject to the wear and tear of the prior occupancy.(SEE SECTION (D): INTRODUCTION; CLAUSES (20) OF SECTION (T): RIGHTS AND OBLIGATIONS OF THE SPONSORFOR A MORE COMPLETE EXPLANATION.)

Owner-occupants and non-resident owners, including Sponsor, may have inherent conflicts on how the condominium should be managed because of their different reasons for purchasing, i.e., purchase as a home as opposed to an investment. **(SEE SECTION (U): CONTROL BY THE SPONSOR; AND SECTION (V): BOARD OF MANAGERS.)**

10. MATERIALS OR WORKMANSHIP

Pursuant to 13 NYCRR 20.3(t)(14), Sponsor hereby advises Purchasers of the special risk that Sponsor agrees to warrant the materials or workmanship of each unit and limited common elements as only those therein specified on the Architect's Report. **(SEE PART II, DESCRIPTION OF PROPERTY AND SPECIFICATIONS.)**

11. WARRANTY

Sponsor shall not be obligated to correct, repair or replace any defects relating to construction of the Units or the Common Elements or in the installation or operation of any appliances, fixtures, or equipment therein, except as provided in the Offering Plan. Except as provided in the Offering Plan, Sponsor will not warrant any other materials or workmanship of any Unit or any of the Common Elements. All windows come with manufacturer's limited lifetime warranty. **(SEE PART II, DESCRIPTION OF PROPERTY AND SPECIFICATIONS.)**

The Housing Merchant Implied Warranty Law (General Business Law, Article 36-8 (see Exhibit 12 of this Plan) applies to the Condominium as it is less than five (5) stories high. This warranty covers the following:

- i) One year from and after the warranty date, the Condominium will be free from defects due to a failure to have been constructed in a skillful manner;
- ii) Two years from and after the warranty date, the plumbing, electrical, heating, cooling and ventilations systems will be free from defects due to a failure by the Sponsor to have installed such systems in a skillful manner;
- iii) Six years from and after warranty date, the Condominium will be free from material defects.

Notwithstanding the above, Sponsor is limiting the warranty to one year. Sponsor's obligation, regardless of any limitations in the warranty, cannot go below the duty to construct the premises in accordance with all applicable codes, filed plans and specifications and locally accepted building practices for items which are not covered by codes, pursuant to General Business Law s777-b(4)(e)(l). Sponsor's obligation, regardless of any limitations in the warranty or in this offering plan, is to construct the premises in accordance with all applicable codes and filed plan and specifications, and that any conflict between the disclaimers and the

Sponsor's obligation to construct the premises in accordance with all applicable codes and filed plans and specifications shall be resolved in favor of the latter. **Nothing herein relieves the Sponsor and its principals of any obligations that they might have under the Martin Act.** [See **CLAUSE (14) TO SECTION (T): RIGHTS AND OBLIGATIONS OF THE SPONSOR.**]

12. FIXTURES, APPLIANCES, OR EQUIPMENT

Major fixtures or equipment such as refrigerator, plumbing fixtures, kitchen cabinets or partition walls are included in the offering price. Specifically, each residential unit will have a stove (Thor Kitchen Model #LRG3001U), a refrigerator (Samsung Model #RF260BEAESR), an exhaust hood fan (Thor Kitchen Model #HRH3007), a dishwasher (Thor Kitchen Model #HDW2401SS), a washer (Samsung Model# WF42H5000AW), and a dryer (Samsung Model #DV42H5000GW) or similar model of equivalent or better quality. No other appliances are included. **(SEE PART II, DESCRIPTION OF PROPERTY AND SPECIFICATIONS OF THIS OFFERING PLAN.)**

No fixtures or equipment may be installed without the permission of the Sponsor and Condominium Board of Managers. To the extent the Purchaser is permitted and elects to install the same and any other appliances in their unit, the same will represent an additional cost of purchasing the unit.

The owner reserves the right to substitute any appliances, fixtures, equipment and material of Equal or Better Quality even though the sponsor intends to use the appliances, fixtures, equipment and material described herewith.

Effective November 5, 2004, owners of Class A multiple dwellings in New York City, which include condominium units, must install carbon monoxide detectors. The Sponsor will install a carbon monoxide detector in each residential condominium unit. The law requires the unit owners of the residential condominium units to maintain the carbon monoxide detectors. **(SEE CLAUSE 2 OF SECTION (E): DESCRIPTION OF PROPERTY AND IMPROVEMENTS; AND PART II, DESCRIPTION OF PROPERTY AND SPECIFICATIONS.)**

13. RESERVE FUND AND/OR WORKING CAPITAL FUNDS

It should be noted that the Sponsor will not make any contribution for Reserve Fund for major capital improvements and replacements which are foreseeable within the next five (5) years. As the systems are new in this project, it is estimated that there will be no foreseeable major capital improvements and/or replacements within the next five (5) years. However, a Reserve Fund will be established by the unit owners through their common charge payments. The lack of an initial reserve fund contributed by Sponsor may negatively affect Purchaser's ability to obtain mortgage financing.**(SEE SECTION (Z): RESERVE FUND.)**

As per Working Capital Funds, at closing of title to each residential Unit, the Unit Owner for such Unit will contribute an amount equal to two (2) months Common Charges then in effect for the Unit pursuant to the budget in accordance with Schedule A hereto, as the same may be amended from time to time at the closing of title to his or her unit for a working capital

fund of the Condominium. **(SEE SECTION (Z): WORKING CAPITAL FUNDS FOR A MORE COMPLETE EXPLANATION.)**

14. SQUARE FOOTAGE OF UNITS

The approximate square foot area of each Unit is measured horizontally from the exterior side of the exterior walls (columns, mechanical pipes, shafts, shaft ways, chases, chase ways and conduits are not deducted from the measurements of each unit) to the centerline of the partitions separating one unit from another unit, or separating one unit from corridors, stairs, elevators and other mechanical equipment spaces or any other Common Element not within a unit or to the exterior side of the opposite exterior walls. Each unit will be measured vertically from the top of the floor (located under the finish flooring and sub-flooring materials) to the underside of the ceiling. Any Common Elements located within or appurtenant to any Unit, such as Terraces and Private Storage Spaces, shall not be considered as part of that Unit. The square foot areas determined using the methodology set forth above, as shown in Schedule A in Part I of the Plan, would be different from that derived by using an alternative methodology of measuring from interior surfaces to interior surfaces (which would yield lesser actual useable floor area for each Unit). **The actual usable space is significantly less than this measurement.** The stated method of measurement used is applicable to all Units. The room count for each Residential Unit was determined by Sponsor's architect in accordance with industry practice for new construction condominiums and does not necessarily conform to the zoning room count or the method utilized by the Real Estate Board of New York. The square footage listed in SECTION (G): OFFERING PRICES AND RELATED INFORMATION (SCHEDULE A) does not reasonably represent the actual usable floor space within each unit. **(SEE PART II, DESCRIPTION OF PROPERTY AND SPECIFICATIONS; and FOOTNOTE TO SECTION (G): OFFERING PRICES AND RELATED INFORMATION (SCHEDULE A) FOR A MORE COMPLETE EXPLANATION.)**

15. INCREASE OR DECREASE IN COMMON INTEREST

The Common Interest of each of the Units has been determined pursuant to Section 339-i (1)(iv) of the Condominium Act and accordingly based upon a comparison of the floor space, subject to the location of such space and the additional factors of relative value to other space in the Condominium, the uniqueness of the Unit, the availability of common elements for exclusive or shared use and the overall dimensions of the particular Unit.

Based upon final specifications, construction conditions and/or "as-built" plans for the Building reflecting relative measurements, areas and uses of portions of the Building, application of such method of allocation of Common Interest may justify a minor increase or decrease in the aggregate Common Interest appurtenant to the Units. In such event, the Common Interest appurtenant to each individual Unit would be adjusted pro rata and Sponsor will amend the plan to reflect such modification. Sponsor may, at any time before and/or after the Declaration is recorded, change the layout, size, or number of the unsold Units, and reapportion, among the unsold Units affected by any such changes, their common interest, and no material change will be made in the size or quality of common elements, except by amendment to the Plan, and when applicable to the declaration. Sponsor reserves the right at any time, except to the extent prohibited by law, before and/or after the filing of the

declaration, without prior notice and without consent of any Board, prospective Unit Owner or Mortgagee, to change the layout of, the number of rooms in the use of, or the size of (by combining unsold Units or subdividing them into two or more separate Units) unsold Units and to reapportion the Common Interest among the Units affected by any such changes. No change will be made in the size or number of units and/or their respective percentages of common interest, and no material change will be made in the size or quality of common elements except by amendment to the plan, and when applicable, to the declaration. In no event, however, will the common interest of any residential Unit be increased as result of any of the foregoing by more than five percent (5%). There is a rebuttal presumption that an area that is diminished by 5% or less is not material.

Sponsor's right to make such changes are subject to 13 NYCRR 20.3 (k)(3) & (4) which can be found in the Changes in Prices and Units section of the Plan. Unless an affected purchaser consents, no material change will be made in unit size, layout, or percentage of common interest if a purchase agreement has been executed and delivered to the Sponsor for that unit and the purchaser is not in default. Unless all Purchasers consent, no material change will be made in the size, and no material adverse change will be made in the quality of the common elements. **(SEE SECTION (K): CHANGES IN PRICES AND UNITS; and SECTION (T): RIGHTS AND OBLIGATIONS OF THE SPONSOR.)**

16. UNIT OWNERS' REPAIR AND MAINTENANCE RESPONSIBILITIES OF LIMITED COMMON ELEMENTS

Units 1B and 2B has a rear yard area as a limited common element the size of approximately 704.86 and 568.81 Square Feet respectively. Units 3A and 4A each have two balconies as limited common elements the size of approximately 41.676 Square Feet for each balcony. Units 3B and 4B each have two balconies as limited common elements the size of approximately 50 Square Feet for each balcony. Units 4A and 4B have roof area as limited common elements the size of approximately 313.19 and 224 Square Feet respectively.

Numerous units in the subject premises will have rear yard, roof area, and balcony allocated as limited common elements. No structures may be built on these areas without the express written permission of the Board of Managers and prior authorization, if obtainable, of the New York City Department of Buildings. Unit Owners who enjoy use of a limited common element are responsible for regular repair and maintenance of such limited common element such as cleaning, painting, repair to surface damage, etc. Damage to the structural or mechanical systems serving such limited common element (except where directly caused by act or omission of the Unit Owners, their agents, employees or invitees) are the responsibility of the condominium through the Board of Managers. The rear yards, roof areas, and balconies may not be used for any type of occupancy, including but not limited to dining, sleeping, living room, recreation and office, breach of which may result in a violation issued by Department of Building against the Condominium building and in which case, Unit Owner shall be fully responsible for clearance of the violation at Owner's cost and expense. **(SEE PART II, DESCRIPTION OF PROPERTY AND SPECIFICATIONS; CLAUSE (7) (ii) OF SECTION (D): INTRODUCTION; AND CLAUSE 4 (ii) OF SECTION (W): RIGHTS AND OBLIGATIONS OF THE UNIT OWNERS AND BOARD OF MANAGERS.)**

17. LIMITATIONS ON GUESTS

Each Unit Owner may not permit any guests to use their Units in the absence of the Unit Owners without the express written consents of the Board of Managers. **(SEE CLAUSE 7 (vi) SECTION (W): RIGHTS AND OBLIGATIONS OF THE UNIT OWNERS AND BOARD OF MANAGERS.)**

18. NOTIFICATION OF RESIDENT CHILDREN UNDER ELEVEN (11) YEARS

Each Unit Owner must notify the Managing Agent and/or the Board of Managers when a child or children who is (are) under eleven (11) years old live or reside, permanently or temporarily in the Condominium Units. Each Unit Owner must install at the Unit Owners' sole costs and expenses the required window guards in all windows of the Units. The Unit Owners must maintain all window guards installed in the Units and shall not remove same until permitted by applicable law and in any event, without written consents of the Managing Agent and/or Board of Managers. **(SEE CLAUSE 7 (x) OF SECTION (W): RIGHTS AND OBLIGATIONS OF THE UNIT OWNERS AND BOARD OF MANAGERS.)**

19. NO PARKING SPACE

There is no parking space in the condominium.

20. SPONSOR'S LIABILITY LIMITATIONS

Pursuant to 13 NYCRR §20.3(t) (2), it is disclosed that the Sponsor has an obligation to defend suits or proceedings if and only if they arise out of Sponsor's acts or omissions and an obligation to indemnify the Board of Managers and Unit Owners for claims if and only if they arise out of the acts or omissions of the Sponsor.

The Sponsor and its principals may not and does not include any financial limitation on the Sponsor's liability for their failure to perform its obligations under this Offering Plan.

Directors' and Officers' liability insurance may be procured by the Sponsor and may not be effective at the closing of the Condominium and the filing of the Declaration. If the Board of Managers desires to obtain Directors and Officers' liability insurance, the cost for such insurance shall be borne by the Condominium.

Sponsor and its principals will remain liable notwithstanding any disclaimers or limitations of liability on the part of the Sponsor or its principals for failure to perform any obligations imposed by applicable statute or regulation. This Offering Plan does not include any financial limitation on Sponsor's liability for failure to perform its obligations under the Offering Plan. **(SEE SECTION (T): RIGHTS AND OBLIGATIONS OF THE SPONSOR FOR A MORE COMPLETE EXPLANATION.)**

21. RESALE RESTRICTION AND NO RIGHT TO ASSIGN OR TRANSFER PURCHASE AGREEMENT

Purchasers of Units may not assign their Purchase Agreements without first obtaining the written consents of the Sponsor, which consents may be granted or withheld in Sponsor's

sole and absolute discretion. Purchasers are prohibited from listing their Units for sale prior to the closing of such unit. In the event that purchasers sell their Units within 12 months of the closing date of their Units (the "subsequent sales"), purchasers shall be obligated to pay to the Sponsor 50% of the net profit from the subsequent sales. Net profit is defined as the sale price for the subsequent sale, less transfer taxes and brokerage fees paid by a purchaser (who purchased from Sponsor), less the price which the purchaser paid to sponsor for the purchase of the Unit and any other costs incurred in selling the Unit. **(SEE SECTION (O): PROCEDURE TO PURCHASE.)**

Further, the Purchase Agreements may not be assigned, amended, or recorded, and any proposed assignment, amendment to the purchase agreement, or recordation without express written permission of the Seller shall be deemed a default hereunder entitling Seller to cancel the contract and retain all sums deposited pursuant hereto. Consent to such assignment, amendment to the purchase agreement, or recordation may be withheld at Sponsor's sole discretion. In the event that Sponsor allows such assignment, Purchaser shall pay a fee of \$1,000 for each assignment or amendment to the purchase agreement. **(SEE CLAUSE (43) OF PART II, PURCHASE AGREEMENT.)**

22. PURCHASERS PAYMENT OF TRANSFER TAXES AND REIMBURSEMENTS

Purchaser is obligated to pay New York State and New York City Real Property Transfer Taxes. Although transfer taxes are Sponsor's statutory obligation, they are being transferred to Purchaser. While NYS and NYC taxes are customarily paid for by the Seller in single family home transactions, the burden of paying such taxes may be modified by contract. As is common with many other Condominium developments in New York State, the Purchase Agreement provides that the Purchaser of a unit will be required to pay these transfer taxes at closing. The City of New York Department of Finance and the State of New York Department of Taxation and Finance have taken the position that when a Purchaser assumes the obligation to pay the New York City Real Property Transfer Tax and New York State Deed Documentary Stamps, the amount of such taxes will be included in the consideration subject to tax. **(SEE PART II, PURCHASE AGREEMENT; SECTION (S): UNIT CLOSING COSTS AND ADJUSTMENTS; FOOTNOTES TO SCHEDULE A; AND SECTION (R): TERMS OF SALE.)**

The Purchaser is responsible to pay Sponsor's Attorney's closing documents preparation fee of \$2,000.00, and may be responsible for additional \$500 in the event the transaction requires financing as well as certain other fees such as travel fees and default fees. The Purchaser is responsible to reimburse the Sponsor's Prepaid Taxes, Common Charges and Insurance Premium. Purchaser is responsible to reimburse to Sponsor the sum of \$200.00 as contribution of costs of surveys and surveying services incurred by Sponsor and Acris Transfer Tax Preparing fee \$250. **(SEE SECTION (S): UNIT CLOSING COSTS AND ADJUSTMENTS.)**

23. REQUIREMENTS OF LENDERS OF PURCHASERS

Purchasers should note that in the current real estate market, banks and other lenders are imposing various restrictions on purchase financing. Such restrictions include requiring

that a certain percentage of apartments in a building or group of buildings be sold before a lender will consider making a loan. Thus, it may be possible for a Purchaser to experience difficulty obtaining a loan in a building or group of buildings where the sponsor or successor sponsor still owns a substantial ownership interest, which in some cases may be as high as 70%. Moreover, some lenders will not provide financing in a building or group of buildings where an investor has an ownership interest of 10% or more. It also may be difficult for a purchaser to resell an apartment if prospective buyers are unable to obtain a loan due to the same minimum sales and investor ownership restrictions. **(SEE SECTION (O): PROCEDURE TO PURCHASE).**

24. MORTGAGE TAX CREDIT

Sponsor shall, upon the closing of each Unit, have the right to receive a rebate for recording taxes already paid, if any, which rebate shall be credited to Sponsor from amounts any Unit Purchaser otherwise would have paid in connection with the recording of a mortgage against his unit at the time of purchase. **(SEE SECTION (S): UNIT CLOSING COSTS AND ADJUSTMENTS.)**

25. TITLE INSURANCE/COMPANY

Although Purchasers are free to use any title insurance company that they choose, title insurance will be available from Chicago Title Insurance Company through its agent Federal Standard Abstract Inc.. Purchasers are free to use a title company of their choosing without incurring a penalty. **(SEE SECTION (S):UNIT CLOSING COSTS AND ADJUSTMENTS, CLAUSE (I)(1)(i)(a)(I).)**

26. ESCROW OF PURCHASER FUNDS

All funds received by the Sponsor for upgrades or extras must initially be placed in the escrow account set forth herein. However, Purchaser should note that such funds may be released from the escrow account by the escrow agent as long as the Sponsor uses the funds for such upgrades or extras. As a result, in the event the Purchaser is entitled to a rescission, the Purchaser will not receive a refund of any funds used for upgrades or extras. If the Plan is abandoned, Purchaser shall receive a return of the down payment and any money for extras or upgrades. **(SEE SECTION (O): PROCEDURE TO PURCHASE.)**

27. DOWN PAYMENT AND IOLA

All down payments will be placed in an IOLA account. The account, but not the individual deposits, will be federally insured up to \$250,000.00. To the extent that the total (not individual) contract deposits exceed \$250,000.00, they will not be federally insured. IOLA stands for "interest on lawyer accounts" and is a special type of escrow account maintained by an attorney. Interest earned on an IOLA account does not accrue to the benefit of either the buyer or the Sponsor but is paid over to the state of New York. The escrow agent makes no guarantee of the solvency of any of the escrow banks. If the federal insurance limits change in any manner in the future, the escrow agent will have no obligation to make any changes to the escrow accounts. For purpose of determining whether the deposit exceeds the maximum amount covered by federal deposit insurance, the aggregate amount of the deposits (not only the down

payment) that the Purchaser has in the bank and its branches will be considered. If Purchasers have accounts at the same bank as Sponsor's account that holds escrowed funds, Purchaser funds at the escrow bank factor into the \$250,000 insurance limit. **(SEE SECTION (O): PROCEDURE TO PURCHASE.)**

28. CONDOMINIUM DOCUMENTS

The As-Built drawings, the original balancing report for the HVAC system and all required maintenance manuals for the mechanical system, etc., will be transferred to the condominium management upon conversion. **(SEE PART II, CONDOMINIUM BY-LAWS.)**

29. LOCAL LAW 11/98

Local Law 11/98 does not apply to the Condominium as the building is less than six (6) stories.

30. NO PENDING CONTRACTS OF SALES

No contracts or agreements have been entered into and no deposits or advances of funds have been accepted as of the date the plan is accepted for filing. **(SEE SECTION (EE): GENERAL.)**

31. RISK OF LOSS

Prior to the first closing, the entire building will be insured by the sponsor; after the first closing, the entire building will be insured by the condominium. A person in possession who is not an owner cannot insure the unit since he or she has no ownership interest, and the unit cannot be doubly insured. A person who takes possession prior to closing assumes the risk of losses not covered by insurance. **(SEE SECTION (N): INTERIM LEASE; SECTION (O): PROCEDURE TO PURCHASE; SECTION (R): TERMS OF SALE; AND SECTION (T): RIGHTS AND OBLIGATIONS OF THE SPONSOR.)**

The condominium building is covered by the insurance, but the building's insurance does not cover the contents of each Unit. The risk of loss from fire or other casualty of the contents of units remains with Sponsor unless and until either a Purchaser takes actual possession of a unit pursuant to a written agreement with the Sponsor or legal title to the Unit has been conveyed to the purchaser. It is a special risk if the purchaser enters into possession prior to closing since risk of loss of the contents and interior of the Unit which are not fully covered by the building's insurance passes upon either closing or possession. Any purchaser who enters into possession before closing should obtain insurance for the contents of the unit as he would if closing had taken place. **(SEE SECTION (N): INTERIM LEASES.)**

32. NO RIGHT TO APPROVE OR DISAPPROVE

The approval, consent or waiver of the right of first refusal is not required from the Board of Managers of the Condominium in the event of any Sponsor sale of any unit of the Condominium. **(SEE SECTION (T): RIGHTS AND OBLIGATIONS OF**

THE SPONSOR.)

All Purchasers shall note that the condominium board does not have the right to approve or disapprove Purchasers. There is no limit on the number of owners who may purchase for investment rather than for personal occupancy, and there may always be a substantial percentage of owners who are non-resident. **(SEE SECTION (D): INTRODUCTION.)**

Purchasers for their own occupancy may never gain control of the Board of Managers. Owner-occupants and non-resident owners, such as Sponsor, may have inherent conflicts on management of the condominium. **(SEE SECTION (U): CONTROL BY THE SPONSOR.)**

33. SUPERINTENDENT

There will be no superintendent. Unit Owners will be responsible for ensuring the cleanliness of common areas and removing debris from those areas. **(SEE SECTION (H): BUDGET FOR FIRST YEAR OF CONDOMINIUM OPERATION.)**

34. LAYOUT

Sponsor may, at any time before and/or after the Declaration is recorded, change the layout, size, or number of the unsold Units, and reapportion, among the unsold Units affected by any such changes, their common interest, and no material change will be made in the size or quality of common elements, except by amendment to the Plan, and when applicable to the declaration. Sponsor reserves the right at any time, except to the extent prohibited by law, before and/or after the filing of the declaration, without prior notice and without consent of any Board, prospective Unit Owner or Mortgagee, to change the layout of, the number of rooms in the use of, or the size of (by combining unsold Units or subdividing them into two or more separate Units) unsold Units and to reapportion the Common Interest among the unsold Units affected by any such changes. No change will be made in the size or number of units and/or their respective percentages of common interest, and no material change will be made in the size or quality of common elements except by amendment to the plan, and when applicable, to the declaration. Unless an affected purchaser consents, no material change will be made in unit size, layout, or percentage of common interest if a purchase agreement has been executed and delivered to the Sponsor for that unit and the purchaser is not in default. Unless all Purchasers consent, no material change will be made in the size, and no material adverse change will be made in the quality of the common elements. **(SEE SECTION (T): RIGHTS AND OBLIGATIONS OF THE SPONSOR.)**

35. STORAGE SPACE

Storage Spaces may not be used for any type of occupancy, including but not limited to, dining, sleeping, living room, recreation, etc. Violations may be posted against the Condominium building if a Unit Owner or Tenant uses the Storage Spaces for, including but not limited to, dining, sleeping, living room, recreation, etc. They may be used for non-combustibles, non-flammable, and non-potentially explosive purposes only as defined in the

Building Code. No storage of gasoline, paint, kerosene, or any other combustible items will be allowed. **(SEE PART II, DESCRIPTION OF PROPERTY AND SPECIFICATIONS; SECTION (D): INTRODUCTION; AND SECTION (E): DESCRIPTION OF PROPERTY AND IMPROVEMENTS.)**

36. ALLOCATION FOR LEGAL FEE

An amount of \$500 per year has been allocated for legal fees in connection with the normal transaction of the building. However, this total amount will be insufficient to cover any substantial litigation. **(SEE SECTION (H): BUDGET FOR FIRST YEAR OF CONDOMINIUM OPERATION.)**

37. DELAY OF PAYMENT OF COMMON CHARGES

Sponsor reserves the right, in its sole and absolute discretion, to delay the collection of Common Charges from Purchasers under the Plan for a period of time prior to full occupancy of Residential Units (the "Delay Period"); provided, however, that Sponsor shall be solely responsible for timely payment of all expenses to operate the Condominium during the Delay Period (the "Operating Expenses") as well the Residential Units' share of General Common Charges. The expenses shall include, but not be limited to, insurance premiums and any reserve fund payment required by lenders. All Operating Expenses paid by Sponsor during the Delay Period are based on the actual cost of operating the Residential Units and not on estimates set forth in Schedule B "Projected Budget for First Year of Condominium". Purchasers should note that Schedule B will not be in effect until the expiration of the Delay Period. Notwithstanding anything to the contrary set forth above, the Operating Expenses shall not include individual Unit Owner expenses such as utility charges, real estate taxes, etc. regardless of whether the Unit has been separately assessed. In all instances the Unit Owners will remain responsible for the payment of the real estate taxes. Sponsor, in its sole and absolute discretion, may upon thirty (30) days prior written notice to Unit Owners terminate the Delay Period.

In the event Sponsor elects to delay the collection of Common Charges as set forth above, Sponsor shall disclose such fact in the closing notice to Purchasers and in the post-closing amendment to the Plan as a benefit to subsequent Purchasers. Such amendment shall also disclose the anticipated period of delay. Sponsor will give all Unit Owners at least thirty (30) days prior written notice (which may, but need not be by amendment) of the commencement of collection of Common Charges. Thereafter, to the extent not already included in an amendment to the Plan, Sponsor will disclose in the next substantive amendment to the Plan that the collection of Common Charges is commencing or has commenced as a benefit to subsequent Purchasers. Upon expiration of any such Delay Period and the commencement of assessment of Common Charges against the Units, there will not be any assessment over and above the amount of such common charges against Units or Unit Owners for any item set forth in the approved budget that is in effect at the time of commencement of assessment of common charges. During any such Delay Period, Sponsor shall remain obligated to update the operating budget for the Condominium when and as needed, as provided in the New York State Department of Law regulations as to the same. **(SEE SECTION (T): RIGHTS AND OBLIGATIONS OF THE SPONSOR.)**

38. FINANCING CONTINGENCY

Whether the individual Purchase Agreements will contain a financing contingency is subject to negotiation between Sponsor and Purchasers. The obligations of a purchaser under a Purchase Agreement may not be conditional on obtaining financing. In the event the Purchase Agreement is not contingent on financing, any prospective purchaser who executes a Purchase Agreement and does not obtain financing may lose the deposit if unable to pay the balance of the purchase price. Prospective purchasers who need financing to purchase are advised to consult with a bank before executing a Purchase Agreement to ascertain the likelihood of obtaining financing. No representation is made by the Sponsor as the availability or cost of such financing.

In the event there is a financing contingency, Purchaser's obligation is contingent upon obtaining a firm written commitment for financing and actually obtaining financing. Purchaser shall have 40 days from the date on which a signed and executed Purchase Agreement is delivered to such Purchaser within which to obtain such financing. If a Purchaser fails to obtain a firm written commitment for financing within such 40-day period, and fails to notify Sponsor's attorney within five days thereafter, time being of the essence thereto, Purchaser shall conclusively be deemed to have waived the financing contingency and will be required to proceed to closing, or forfeit his down payment, whether or not a mortgage commitment is obtained. If Purchaser, after a good faith attempt to do so, fails to obtain a firm written commitment for financing, and notifies Sponsor within the prescribed time period, then Sponsor will return the down payment or deposit within 10 days after receipt of such notice. Similarly, if the commitment expires prior to closing, Purchaser shall be under a good faith duty to take all required actions necessary to extend such commitment, including the payment of any extension fee required by the lending institution. Purchasers should also note that the Purchase Agreement will provide that Purchaser's failure to provide information to the lender promptly upon request thereof, or to accept a commitment issued to purchaser by lender on terms set forth in the Purchaser Agreement shall constitute a default by purchaser under the Purchase Agreement, whereupon Sponsor shall have remedies as set forth therein.

Purchasers should note that under New York law, when a mortgage commitment is not fulfilled through no fault of purchase, performance is excused. Sponsor may not condition Purchaser's obligations upon obtaining a commitment. If Purchaser acts in good faith and lender revokes commitment after contingency period expires, performance is excused. **(SEE SECTION O: PROCEDURE TO PURCHASE; AND PART II, PURCHASE AGREEMENT.)**

39. ARBITRATION

Except as prohibited by law, the Purchaser expressly waives trial by jury in any litigation arising out of, or connected with, or relating to, the Purchase Agreement, or the relationship created hereby. **(SEE PART II, AND PURCHASE AGREEMENT.)**

Any dispute relating to the expenses to be borne by the Unit Owners shall be submitted to arbitration in accordance with the Condominium By-Laws. A single arbitrator shall determine the matter in a proceeding held in New York, New York in accordance with the then existing rules of the American Arbitration Association. Any arbitrator will be a neutral

third party independent of any parties in the dispute. The decision in any arbitration shall be binding on all parties. The fees, costs, and expenses of the arbitrator shall be borne by the losing party in the arbitration. Each disputant shall bear the fees and expenses of his counsel and expert witnesses. All costs and expenses paid or incurred by the Condominium Board in connection with any arbitration held, including, without limitation, the fees and expenses of counsel and expert witnesses shall constitute Common Expenses. **(SEE PART II, ARTICLE X OF CONDOMINIUM BY-LAWS.)**

40. SUBSEQUENT CLOSING DELAY

The Sponsor anticipates that the first closing of a unit will occur by 1/1/2020. Purchasers will be afforded a right of rescission if: (i) the actual date of closing of title to the first unit; or (ii) the projected date of closing of title to the first unit occurs later than twelve months after the projected date for the first closing. If the Plan is amended to provide for a later projected date for the first closing, purchasers will be entitled to an offer of rescission if the first closing occurs more than 12 months beyond that amended, later date. Purchasers should note that even if the first closing occurs on or before 1/1/2020 (or such other date projected as the date of commencement of the operation at the time the purchase agreement was entered into) or within the twelve month period thereafter, the closing of subsequent units may be substantially delayed beyond such dates if a TCO has not been issued for such units or for the floor on which such units are located. In such case, provided that sponsor is diligently pursuing completion of construction and the issuance of a certificate of occupancy and is otherwise in compliance with its obligations under the Plan, Purchaser will not be entitled to a right of rescission or to make claims against the sponsor for damages or losses as a result of such delays and will not be excused from paying the full purchase price for the unit. **PROSPECTIVE PURCHASERS SHOULD THEREFORE CAREFULLY CONSIDER THE POSSIBILITY OF SUCH DELAYS IN THEIR DETERMINATION AS TO WHETHER TO PURCHASE A UNIT. (SEE SECTION (D): INTRODUCTION; AND SECTION (O): PROCEDURE TO PURCHASE.)**

41. CLOSING ADJOURNMENT PENALTY AND INTEREST

In the event Sponsor consents to an adjournment, Purchaser shall pay Sponsor's attorney a penalty of \$250 if a delay in the Closing Date is caused by Purchaser. In the event that a Purchaser does not close on the Closing Date set forth in the Notice of Closing, the Sponsor elects not to cancel the Purchase Agreement or if the Sponsor approves the Purchaser's request to adjourn the Purchaser's Closing to his unit, interest shall accrue on the unpaid amount of the purchase price from the Closing Date until such amount is paid. The interest rate shall be twelve percent (12%) per annum. This rate shall be in effect for as long as there is any unpaid amount owing towards the full purchase price. Such penalty and interest will not violate NYS usury laws. **(SEE SECTION S: UNIT CLOSING COSTS AND ADJUSTMENTS; AND PART II, PURCHASE AGREEMENT.)**

42. LIMITATIONS ON SMOKING

Smoking and using electronic cigarettes is prohibited in any common areas within the interior of the building as required by all applicable laws and is permitted in any of the dwelling units. Smoking and using electronic cigarettes is permitted in all outdoor areas,

including but not limited to, common courtyards, rooftops, balconies and patios, and any outdoor areas connected to dwelling units. **(SEE SECTION W: RIGHTS AND OBLIGATIONS OF UNIT OWNERS AND BOARD OF MANAGERS; PART II, PURCHASE AGREEMENT; AND PART II, CONDOMINIUM BY-LAWS.)**

43. TAX CUTS AND JOBS ACT OF 2017

On January 1, 2018, the Tax Cuts and Jobs Act of 2017 went into effect. This federal law significantly changed the previously existing Internal Revenue Code, including the taxes and deductions related to homeownership.

Each Unit Owner may deduct from adjusted gross income for income tax purposes real estate taxes and mortgage interest, subject to certain exceptions and limitations as discussed in the “Opinion of Counsel – Income Tax Deductions to Unit Owners and Tax Status of Condominium.”

Purchasers are advised to consult with a tax expert regarding whether the new law will affect the purchaser’s taxes. Purchasers should not rely on any representations in this offering plan addressing taxes without first consulting a tax expert. **(SEE INCOME TAX DEDUCTIONS TO UNIT OWNERS AND TAX STATUS OF CONDOMINIUM.)**

44. LIMITATIONS ON PETS

No animals, birds, or reptiles of any kind shall be raised, bred, or kept in any unit or in the common elements or limited common elements, except that dogs, cats or other household pets, not to exceed one per unit with the maximum size of any dog shall be no more than twenty pounds, without the written consent of the Board of Managers, may be kept in units, subject to the rules and regulations adopted by the Board of Managers, provided, that they are not kept, bred or maintained for any Commercial purposes; and provided further that any such pet causing or creating a nuisance or unreasonable disturbance or noise shall be permanently removed from the property subject to these restrictions upon three (3) days written notice from the Board of Managers. In no event shall any dog be permitted in any portion of the common elements unless carried or on a leash, or in any grass or garden plot under any circumstances. **(SEE SECTION W: RIGHTS AND OBLIGATIONS OF UNIT OWNERS AND BOARD OF MANAGERS.)**

45. BROKER COMMISSION

If Purchaser has dealt with any broker not listed on the fully executed Purchase Agreement, then Purchaser will be required to pay any commission due to such broker. Purchaser agrees that should any claim be made against Sponsor for commission by any broker, other than the broker listed on the Purchase Agreement, Purchaser will indemnify and hold Sponsor free and harmless from any and all liabilities and expenses in connection therewith, including without limitation reasonable legal fees and disbursements. **(SEE SECTION O: PROCEDURE TO PURCHASE; AND PART II, PURCHASE AGREEMENT.)**

46. RIGHT OF FIRST REFUSAL

With certain exceptions, as set forth in the By-Laws, any sale or rental of a Unit will be subject to a right of first refusal by the Board of Managers to acquire or lease such Unit or to produce a third party to acquire or lease such Unit on the same terms as were offered to the owner of such Unit. Sponsor may sell or lease Units without any restriction or limitation. **(SEE SECTION W: RIGHTS AND OBLIGATIONS OF UNIT OWNERS AND BOARD OF MANAGERS; AND PART II, CONDOMINIUM BY-LAWS.)**

47. HAZMAT DESIGNATED SITE

The building is located in Hazmat designated site. To satisfy the environmental requirement of E-Designation with respect to noise, all window/wall attenuation must achieve a minimum of 30dBA. Alternate Means of Ventilation (AMV) will need to be installed in order to maintain a closed window condition. AMV for this project will be achieved by the installation of Trickle Vents and Central System.

The associated risk includes any future window replacement which would need to comply with the above requirements and would need to obtain approval from the Office of the Environmental Remediation (OER) prior to commencing the work. **(SEE PART II, DESCRIPTION OF PROPERTY AND SPECIFICATIONS.)**

48. NO INFLATION FACTOR

The projections found in Schedule B and Schedule B-1 are based on information provided on or about May 22, 2019 from Kon Ho Lee, P.E., of Kon Ho Lee Consulting Engineer, PLLC. The projections are based on current tariffs. No increase or inflation factor has been added to the estimates.

It is not possible to predict how closely the budgeted figure will reflect the actual cost of gas, electricity, water, and sewer during the First Year of Condominium Operation, because such cost will vary with the level of consumption and the price of gas, electricity, and water respectively. Consumption will be affected by the severity of the weather and by any conservation measures adopted by the Condominium Board or Unit Owners.

It is believed that the projected figure should be sufficient to cover the cost of gas, electricity, water, and sewer during the First Year of Condominium Operation, although no budget item is guaranteed. A 0% inflation factor has been added to the current costs. **(SEE FOOTNOTES TO SCHEDULE B.)**

49. CELLAR

Cellar level residential space is for accessory use only. The cellar may not be used for any type of occupancy, including but not limited to dining, sleeping, and living purposes. The accessory cellar space will not be rented independently. Violations may be posted against the Condominium building if a Unit Owner or Tenant uses the cellar for, including but not limited to dining, sleeping, and living purposes. **(SEE SECTION G: OFFERING PRICES AND RELATED INFORMATION; AND PART II, DESCRIPTION OF PROPERTY AND SPECIFICATIONS.)**

SECTION (D): INTRODUCTION

(1) PURPOSE OF THE OFFERING PLAN

The purpose of this Offering Plan is to fully set forth all material terms of the offer. This plan may be amended from time to time, if such amendment is filed with the New York State Department of Law. Any such amendments will be served on all prospective Purchasers who have executed a Purchase Agreement for any unit, all Unit Owners, and all other persons entitled to service pursuant to local law or statute.

(2) APPLICABLE LAW

This Condominium will be subject to, and in compliance with, the New York State Condominium Act (Article 9-B of the New York Real Property Law).

(3) SPONSOR

This is an Offering Plan for the sale of condominium units known as 850 Putnam Condominium, located at 850 Putnam Avenue, Brooklyn, NY11221. The Sponsor, 850 Putnam Avenue Development LLC, acquired title to the properties on June 11, 2015 in CRFN: 2015000237778 in a no consideration deed transfer from principal of Sponsor. Principal of Sponsor acquired title to the property on January 18, 2013 in an arms-length transaction in CRFN: 2013000089795. The property was vacant when conveyed in 2013 and 2015. The building is newly constructed.

(4) GOOD FAITH TO SELL AND CONSTRUCTION FINANCING OBLIGATIONS

Sponsor is reserving the unconditional right to rent after consummation rather than sell units. Because sponsor is not limiting the conditions under which it will rent rather than sell units, there is no commitment to sell more units than the fifteen percent (15%) necessary to declare the plan effective and owner-occupants may never gain effective control and management of the condominium. Sponsor will endeavor in good faith to sell units rather than rent. If sponsor makes a bulk sale of all or some of its unsold units, the transferee successor sponsor is bound by sponsor's representations regarding its commitment to sell units.

Sponsor has not obtained a building loan hence there are no limits or requirements to rent rather than sell under specified market conditions.

BECAUSE SPONSOR IS RETAINING THE UNCONDITIONAL RIGHT TO RENT AFTER CONSUMMATION RATHER THAN SELL UNITS, THIS PLAN MAY NOT RESULT IN THE CREATION OF A CONDOMINIUM IN WHICH A MAJORITY OF THE UNITS ARE OWNED BY OWNER-OCCUPANTS OR INVESTORS UNRELATED TO THE SPONSOR. (SEE COVER PAGE OF THIS OFFRING PLAN; AND SECTION (C): SPECIAL RISKS.)

(5) SIZE OF THE OFFERING

Units 3A and 4A each have two balconies as limited common elements the size of approximately 41.676 Square Feet for each balcony. Units 3B and 4B each have two balconies as limited common elements the size of approximately 50 Square Feet for each balcony. Units 4A and 4B have roof area as limited common elements the size of approximately 313.19 and 224 Square Feet respectively. Storage Space.

There are six (6) Storage Spaces which will be licensed. Storage Spaces may not be used for any type of occupancy, including but not limited to, dining, sleeping, living room, recreation, etc. Violations may be posted against the Condominium building if a Unit Owner or Tenant uses the Storage Spaces and Rooms for, including but not limited to, dining, sleeping, living room, recreation, etc. They may be used for non-combustibles, non-flammable, and non-potentially explosive purposes only as defined in the Building Code. No storage of gasoline, paint, kerosene, or any other combustible items will be allowed. **(SEE PART II, DESCRIPTION OF PROPERTY AND SPECIFICATIONS; SECTION (D): INTRODUCTION; AND SECTION (E): DESCRIPTION OF PROPERTY AND IMPROVEMENTS.)**

(6) AMENDMENT TO DECLARATION

This Offering Plan contains the percentages of common interest, the number of units that will be built and the timetable for completing the units, as set forth on Schedule A of the

Offering Plan.

(7) BASIC ASPECTS OF CONDOMINIUM OWNERSHIP

Ownership of a condominium unit resembles in many ways ownership of a private home. An outline of the basic aspects of condominium ownership is as follows:

(i) Outright Ownership

Each Purchaser owns his or her Unit outright and is entitled to exclusive possession of his or her unit. Each Purchaser also has an interest, and a right to use common elements and exclusive right to use limited common elements of the building. However, each Unit Owner is obligated to comply with the Declaration, By Laws, rules and regulations, and any other requirements of the Board of Managers.

(ii) Description of Differences between Unit Spaces, Common Elements and Limited Common Elements

Space located inside of the Condominium Unit is owned by a Unit Owner for his or her exclusive use. Use of the Unit is controlled by the provisions of the Condominium Declaration, By-Laws and any rules and regulations promulgated pursuant to these documents. The interior living space of the Unit is generally exclusive space. It must be maintained and decorated by the Unit Owner at his or her expense.

Common Elements are those portions of the building used by all Unit Owners together. Examples of Common Elements are the entryways, stairways, hallways, utility areas, and similar elements of the building, which serve all Unit Owners. Also the land, roofs, walls and structural elements of the building, windows, boiler room and certain other portions of the building are to be set aside for common use. The Common Elements are not the exclusive property of any one Unit Owner.

Limited Common Elements of the Condominium consist of the portion of the land or building, other than the Units themselves, which are for the use of one or more specified Units to the exclusion of all other Units. In other words, Limited Common Elements are those areas appurtenant to a particular Unit or Units, the use of which is restricted to the Owner(s) of such Unit or Units, but which are not owned by that Unit Owner. Examples of Limited Common Elements are balconies, storage and laundry rooms in cellar and parking spaces.

(iii) Payment of Common Charges

Each Unit Owner must pay common charges in accordance with the New York Condominium Act, Real Property Law Sections 339 (i) and (m), and any applicable state or local law. The common charges payable under the By-Laws will be based strictly on the projected cash requirements of ownership and operation of the Property and may include an allowance for contingencies, replacements, and/or repairs. Furthermore, the Board of Managers may impose special assessments in order to meet emergencies, contingencies, or other unforeseen events, which will become the financial obligation of each Purchaser of a Condominium unit. These assessments will be levied in direct proportion to the percentage of

common interest allocated to each unit.

(iv) Compliance with Declaration, By-Laws and Regulations

Each Unit Owner is obligated to comply with the Declaration of the Condominium, the By-Laws, Rules and Regulations and any other requirements of the Board of Managers.

(v) Restrictions on Use, Resale, Leasing and Mortgaging Condominium Unit

In the event that a purchaser sells his or her unit within 12 months of the closing date of their unit (the "subsequent sale"), purchaser shall be obligated to pay to the sponsor 50% of the net profit from the subsequent sale. Net profit is defined as the sale price for the subsequent sale, less transfer taxes and brokerage fees paid by purchaser (who purchased from Sponsor), less the price which purchaser paid to sponsor for the purchase of the unit and any other costs incurred in selling the unit. A Unit Owner may not lease any Unit for a term of less than one (1) year. There are no restrictions on the use or mortgaging of condominium Units. The Department of Law may, in its discretion, require an opinion from counsel for sponsor or independent counsel as to the legality and enforceability of these restrictions.

The resale or lease of a Unit by the Unit Owner is subject to the right of first refusal from the board of managers of the condominium. The Unit Owner shall first give the Board of Managers thirty (30) days prior written notice of the terms of any bona fide sale or lease, together with a copy of a contract of sale or lease executed by a prospective purchaser or tenant, which the Unit Owner desires to execute. In addition to the purchase price, there are additional closing costs assessed against each unit, such as document preparation fee, reimbursement fee, working capital fund contribution and payment of transfer taxes. Please see the UNIT CLOSING COSTS & ADJUSTMENTS section of this Offering Plan for more completed explanation.

FOOTNOTES TO SCHEDULE A

1. Purchasers should refer to the Floor Plans included in Part II of the Plan for an approximation of the dimensions and typical layouts for the Units. The room count for each Residential Unit was determined by Sponsor's architect in accordance with the New York City Administrative Code and industry practice for new construction condominiums and does not necessarily conform to the zoning room count or the method utilized by the "Real Estate Board of New York. "
2. The approximate square foot area of each Unit is measured horizontally from the exterior side of the exterior walls (columns, mechanical pipes, shafts, shaft ways, chases, chase ways and conduits are not deducted from the measurements of each unit) to the centerline of the partitions separating one unit from another unit, or separating one unit from corridors, stairs, elevators and other mechanical equipment spaces or any other Common Element not within a unit or to the exterior side of the opposite exterior walls. Each unit will be measured vertically from the top of the floor (located under the finish flooring and sub-flooring materials) to the underside of the ceiling. Any Common Elements located within or appurtenant to any Unit, such as Terraces and Private Storage Spaces, shall not be considered as part of that Unit. The square foot areas determined using the methodology set forth above, as shown in Schedule A in Part I of the Plan, would be different from that derived by using an alternative methodology of measuring from interior surfaces to interior surfaces (which would yield lesser actual useable floor area for each Unit). The actual square footage is significantly less than the square footage listed in SECTION (G): OFFERING PRICES AND RELATED INFORMATION (SCHEDULE A). The stated method of measurement used is applicable to all Units.
3. Across-the-board changes in unit prices, advertised price changes, and increase in individual unit prices may be made by duly-filed amendments only; however, individually negotiated reductions in the purchase price of a unit may be made without prior amendment. Purchasers will also incur certain closing costs in connection with the purchase of their unit. See CHANGES IN PRICES IN UNITS and CLOSING COSTS section of this Offering Plan.
4. The determination of percentages of Common Interest allocated to each unit is based upon floor space, subject to the location of such space, and the additional factors of relative value to other space in the condominium, the uniqueness of the unit, the availability of common elements for exclusive or shared use, and the overall dimensions of a particular unit as per Section 339(i)(1)(iv) of the New York State Real Property Law.
5. Projected Common Charges for the first year of operation include only those expenses which are enumerated in Schedule B. Maintenance charges do not include such expenses as repairs to the interior of the owner's unit, and the owner's individual gas, electricity, and telephone expenses; individual cost for heat and hot water for each unit is set forth in SCHEDULE B1 of this Offering Plan. Moreover, if the purchaser should obtain financing for the purchase, the debt service on that loan will be an additional expense not covered by the common charges. Common charges are arrived at by allocating to each unit a share of the

Monthly Charges proportionate to the Common Interest which that unit bears in the condominium.

6. After the condominium is divided into individual tax lots, each lot will be separately taxed for New York City property tax purposes. A unit owner will not be responsible for the payment of, nor will the unit be subject to, any lien arising from the non payment of taxes on other units. Sponsor has obtained an estimate from Highpoint Incentives, Inc., having office at 769 Empire Avenue, Far Rockaway, NY, 11691, with regards to the real estate tax; Purchasers are directed to the section of this Offering Plan entitled SECTION (X): REAL ESTATE TAXES for a complete explanation.

The anticipated date of completion of construction and reassessment is on or about October 1, 2019.

Calculations of Real Estate Taxes are arrived at by applying the current tax rate to the assessed value, and then allocating the resulting taxes in direct proportion to the allocation of common interest. The assessed value used for calculations is the \$507,524.00 post-completion assessed value estimated by the Sponsor's real estate tax expert, and set forth in his letter included in this Plan. The tax rate used for the calculation is twelve point seven one nine percent (12.719%) of assessed value, which is the current tax rate. Unit owners shall be entitled to deduct real property taxes paid on the unit for income tax purposes. See TAX OPINION hereinafter set forth for a more complete discussion. See SECTION (Y): OPINION OF COUNSEL for a complete explanation.

7. Annual Real Estate Taxes for all units are listed in column 7. The estimate is based on the first full year of post completion assessed value provided by Sponsor's tax expert, Highpoint Incentives, Inc., having office at 769 Empire Avenue, Far Rockaway, NY, 11691. See SECTION (X): REAL ESTATE TAXES for a complete explanation.

8. Monthly carrying charges are composed of the monthly common charges and the monthly real estate taxes projected against each unit. Monthly carrying charges do not include debt service on any individual mortgage financing obtained by the purchaser. This will represent an additional expense to unit purchasers. Unit owners who itemize their deductions should, for federal income tax purposes, be entitled to a deduction for real estate taxes in the year in which same are paid or accrued, subject to certain exceptions and limitations as discussed in the "Opinion of Counsel – Income Tax Deductions to Unit Owners and Tax Status of Condominium." The projected tax deduction may vary in future years due to changes in the interest rate on the unit owner's mortgage (if any), or from changes in the allocation of constant debt service payments to interest and principal; or due to changes in real property taxes resulting from the expiration of real estate tax benefits, or from changes in the assessed value, tax rates, or the method of assessing real property; or from changes in the tax law governing deductibility of mortgage interest and real estate taxes.

IF THE ACTUAL OR ANTICIPATED DATE OF COMMENCEMENT OF CONDOMINIUM OPERATION IS TO BE DELAYED MORE THAN SIX (6) MONTHS BEYOND THE BUDGET YEAR PROJECTED IN THE OFFERING PLAN, THE PLAN WILL BE AMENDED TO INCLUDE A REVISED BUDGET DISCLOSING CURRENT PROJECTIONS. IF SUCH AMENDED PROJECTION EXCEEDS ORIGINAL PROJECTIONS BY 25% OR MORE, THE SPONSOR MUST OFFER ALL PURCHASERS THE RIGHT TO RESCIND IN A REASONABLE PERIOD OF TIME THAT IS NOT LESS THAN 15 DAYS AFTER THE DATE OF PRESENTATION OF SAID AMENDED BUDGET, TO EXERCISE SAID RIGHT, WHETHER OR NOT SPONSOR OFFERS TO GUARANTEE THE PREVIOUS BUDGET PROJECTION. SPONSOR MUST RETURN

ANY DEPOSIT OR DOWN PAYMENT TO A PURCHASER WHO RESCINDS WITHIN 10 DAYS AFTER RECEIPT OF NOTICE OF RESCISSION.

ADDITIONALLY, PURCHASERS WILL BE OFFERED THE OPPORTUNITY TO RESCIND THEIR PURCHASE AGREEMENT IN THE EVENT CLOSING DOES NOT OCCUR WITHIN 12 MONTHS FROM THE COMMENCEMENT DATE OF THE EXPECTED CLOSING DATE OF THE FIRST UNIT. SPONSOR MAY NOT DECLARE A PLAN EFFECTIVE WHERE THERE ARE ANY MATERIAL CHANGES TO THE BUDGET IF THESE CHANGES HAVE NOT BEEN DISCLOSED BY A DULY FILED AMENDMENT TO THE OFFERING PLAN.

FOOTNOTES TO SCHEDULE B

1. **Common Charges**: The estimate of the annual Common Charges to be collected during the first year of condominium operation is based upon a projection of the total amount of common charges that will be levied against the Commercial Units, the Residential Units and the Parking Units (based upon full occupancy of the condominium).

2. **Labor**: Salary and wage costs for the first year of condominium operation are based upon the staffing consisting of no superintendents. Unit Owners will be responsible for ensuring the cleanliness of common areas and removing debris from those areas.

3. **Utilities (Gas and Electricity)**: The Residential Units will be separately metered for gas for heating. No gas will be provided to the storage spaces. All heating charges are not included in utilities as further explained in Utilities below. (See Section (k) "Heating" in Description of Property and Specifications of Part II of the Offering Plan and 4. Utilities.)

The cost of electricity was based on an estimate on or about May 22, 2019 from Kon Ho Lee, P.E., of Kon Ho Lee Consulting Engineer, PLLC, having address at 728 Bay Ridge Avenue, Brooklyn, NY 11220, as follows: Common electricity will be used for the lobby and common area air conditioning, hall lighting, exterior lighting, stair lighting, utility rooms, building security, and corridor ventilation. Electric consumption is estimated at 9,118 KWH per year at an average cost of \$0.28 per KWH average for a total cost per year of \$2,556.00. The projections are based on current tariffs.

It is not possible to predict how closely the budgeted figure will reflect the actual cost of gas and electricity during the First Year of Condominium Operation, because such cost will vary with the level of consumption and the price of gas and electricity. Consumption will be affected by the severity of the weather and by any conservation measures adopted by the Condominium Board or Unit Owners.

It is believed that the projected figure should be sufficient to cover the cost of gas and electricity during the First Year of Condominium Operation, although no budget item is guaranteed. A 0% inflation factor has been added to the current cost per KWH.

The projection does not include the cost of electricity for each individual Unit. Each Unit shall be individually metered and billed directly. (See Schedule B-1 for estimated individual utility cost per unit)

4. **Water Charges and Sewer Rents:** Water and sewer Charges are based on information provided on or about May 22, 2019 from Kon Ho Lee, P.E., of Kon Ho Lee Consulting Engineer, PLLC, having address at 728 Bay Ridge Avenue, Brooklyn, NY 11220. The Condominium will have one main water meter which will measure actual water usage. The budgeted figure has been estimated upon annual water and sewer charges published by the New York City Bureau Of Water & Energy Conservation. The annual water and sewer charge is estimated at \$10.10 per hundred cubic feet (HCF). The estimate annual cost of water and sewer is based upon usage of 968.13 hundred cubic feet with respect to residential units. The total water and sewer charges are estimated at \$9,778. The projections are based on current tariffs.

It is not possible to predict how closely the budgeted figure will reflect the actual cost of water and sewer during the First Year of Condominium Operation, because such cost will vary with the level of consumption and the price of water. Consumption will be affected by the severity of the weather and by any conservation measures adopted by the Condominium Board or Unit Owners.

It is believed that the projected figure should be sufficient to cover the cost of water and sewer during the First Year of Condominium Operation, although no budget item is guaranteed. A 0% inflation factor has been added to the current cost per KWH.

5. **Repairs, Maintenance and Supplies:** As the building is newly constructed, it has no operating history upon which to project future costs of repairs and maintenance. No major capital repairs are anticipated since all major construction and mechanical systems will be new. Future major capital repairs to the Common Elements will be borne by all Unit Owners. The reserve fund will be used for major capital repairs and improvements. Unit Owners will need to bear the costs of such repairs/improvements that exceed the amount of the reserve fund.

The budgeted figure for this item includes the cost of normal maintenance and repairs to the Common Elements of the building that are the responsibility of the condominium. Each Unit Owner will be responsible for the cost of the interior maintenance, repairs, decoration and painting of their respective units, including the appliances, incremental heating/air-conditioning units and any Limited Common Elements appurtenant thereto.

The budgeted amount includes the cost of cleaning equipment and miscellaneous supplies for the Common Elements, as well as the anticipated cost of service contracts during the first year of Condominium operation. It is projected that the Condominium will enter into service agreements for the following: extermination and grounds maintenance (i.e., snow removal). No service agreements have been entered into as of the date of the Plan.

This part of the estimate is made by Sponsor on or about May 30, 2019.

6. **Insurance:** This estimate is based on an appraisal prepared **on or about April 1, 2019** by Metro East Brokerage Services, LTD. The appraisal suggested an insurance premium of \$3491.20, including tax, per year.

The insurance policy is assumed to carry a replacement value of one point six (1.6) million dollars and a liability coverage of one (1) million dollars per occurrence and two (2) million dollars aggregate.

The foregoing insurance, including the public liability coverage included therein, will be in effect at the time of closing. Based on the total square footage of the building, it is estimated that the coverage amount at one point six (1.6) million dollars should be sufficient to cover the replacement cost of the structure. However, the policy does not guaranty the replacement of individual fixture and improvements installed by individual unit owners. Purchasers are advised of the desirability of obtaining additional insurance, at their own cost and expense, to cover such risks as fire and casualty losses to unit contents, replacements, additions, upgraded fixtures and improvements, and liability coverage for occurrences within the unit or, where applicable, on the limited common elements pertinent to the units.

The terms of the insurance will provide that (1) each unit owner is an additional insured party and (2) there will be no cancellation of the policy without notice to the Board of Managers. The policy will contain a waiver of subrogation, a waiver of defense based upon the acts of the insured and Unit Owners and a waiver of any pro rata reduction if additional Unit Owners obtain coverage.

The following terms are not included in the budget and are applicable to the offering which may be available at extra cost: officers' and directors' liability; rent insurance; water damage; elevator collision; boiler and machinery; excess liability; auto liability; fidelity bond; and garage keeper's liability. The consequences of not having such additional insurance is that in the event of any uncovered claim or damage, the Board of Managers may need to assess a special assessment to the Unit Owners to be able to pay for the claim and/or damage.

7. **Contingency:** This item is to provide a fund for possible expenses not included in the budget or possible increases in one (1) or more items of operating expense above the amounts projected. The budget may be modified, from time to time, prior to the commencement of, or during, Condominium operation to add new items of expense or increase one (1) or more items of operating expense. The funds for such modifications may be provided by decreasing the contingency reserve or by decreasing one (1) or more items of expense, or both. The contingency fund will be part of the general operating funds and will not accrue on an annual basis. The contingency does not include a reserve for capital improvements or repairs for which no provision is made under this budget. Though the Sponsor makes no guarantees, it is unlikely any major improvements will be required during the first year of operation.

8. **Legal Fees and Audit Fees:** This estimate is based on an appraisal prepared on or about April 23, 2019 by June L. Cai, CPA of JLC CPA, P.C. and confirmation by Joshua Golan, a real estate broker, which states that \$1,500 and \$500 per year should be adequate for accounting and legal fees respectively for the normal operation of a building with eight (8)

residential units, and six (6) storage spaces. However, this total will be insufficient to cover any substantial litigation.

9. **Management Fee:** This estimate is made by Sponsor on or about May 30, 2019. The Condominium will initially be managed by Sponsor at no cost for one (1) year after the closing of the first unit or whenever the unsold units constitute less than fifty percent (50%) of the common interests, whichever is sooner. As managing agent, Sponsor will collect common charges, bookkeep, and provide payroll services. After management duties are turned over to the Board of Managers, the Board of Managers shall have the powers and duties necessary for the administration of the affairs of the Condominium, as agent of all Unit Owners, as set forth in the By-Laws. The budget for the first year of operations does not reserve basic fee for the services of a management company for the Condominium. After one (1) year from the date of closing of the first unit or whenever the unsold units constitute less than fifty percent (50%) of the common interests, whichever is sooner, management of the Condominium shall be transferred from Sponsor to Board of Managers. It should be noted that although management duties are transferred from Sponsor to the Board of Managers, the Board of Managers itself may still be controlled by Sponsor elected members. It is anticipated that the affairs and management of the Condominium shall be done by the Board of Managers at no cost. It should be noted that should the Board of Managers elect at any time to employ the services of a managing agent, this will represent an additional cost of approximately 6% to 10% of the annual operating budget.

10. **Reserve Fund:** A reserve amount which equals ten (10%) percent of the total budget is being held for the replacement of equipment and capital improvements and/or repairs. The budget may be modified from time to time prior to the commencement of, or during, Condominium operation to add new items of expense or to increase one or more items of operating expense. The funds for such modifications may be provided by decreasing this budget item or by decreasing one or more items of expense, or both. At this time, the Sponsor has no knowledge of any capital improvements that may have to be made during the first five (5) years of Condominium operation.

SECTION (I): COMPLIANCE WITH REAL PROPERTY LAW SECTION 339 (i)
SCHEDULE C

5/29/19

Compliance with Real Property law 339-i (1) (iv)

Re: 850 Putnam Condominium
850 Putnam Avenue Brooklyn, NY 11221

To Whom It May Concern:

You have requested an opinion from us with regards to your allocation of common interest to units in your proposed condominium at 850 Putnam Avenue Brooklyn, NY 11221, with section 339-i (1) (iv) of the New York Real Property Law. You have informed us that the method of allocation chosen is based upon floor space, subject to the location of such space in the condominium, the uniqueness of the unit, the availability of common elements for exclusive or shared use, and the overall dimensions of the particular unit. Based on our review of the foregoing factors, we have concluded that the proposed allocation of common interest to individual units is in compliance with Section 339-i (1) (iv) of the New York State Real Property Law.

I have been a licensed Real Estate Brokers with extensive experience in the sale, management and rental of cooperative and condominium units in Kings County. I have been licensed real estate brokers in excess of 15 years, and have managed approximately 25 buildings in this area. We have previously participated in the preparation of individual unit value appraisals for the purpose of inclusion in Offering Plans for the sale thereof. We are not, in any way, associated with you or any other participant in the project, and have no beneficial interest in your business, or in profitability of the project. This is an opinion only as to the relative value of each unit in relation to the value of the project as a whole; is strictly based on the information provided to us in such reasonable inquiries as to the validity thereof as we deemed appropriate under the circumstances; and is not intended as a guarantee of the actual value of any individual unit. We consent to the inclusion of this letter in your Offering Plan.

Sincerely,

Joshua Golan
Licensed Real Estate Associate Broker

SECTION (J): COMMERCIAL UNITS

There are no commercial units in this Offering Plan.

SECTION (K): CHANGES IN PRICES AND UNITS

(1) The offering prices set forth in Schedule A must be changed by a duly filed amendment to the plan when the change in price is an across the board increase or decrease affecting one or more lines of units or unit models, or is to be advertised, or is a price increase for an individual purchaser. **Furthermore, any price increase of a unit, not just across the board increases of the units, must be made by a duly filed amendment to the plan.** However, prices and other terms of payments (but not other terms of sale) are negotiable, and Sponsor may enter into an agreement with a Purchaser to sell one or more units at prices lower than those set forth in SCHEDULE A without filing an amendment.

(2) No change will be made in the size or number of units, and/or their respective percentage of common interest; and that no material change will be made in the size or quality of common elements; except by amendment to the Plan and when applicable, to the Declaration. There is a rebuttal presumption that an area that is diminished by 5% or less is not material. Sponsor's right to make such changes are subject to 13 NYCRR 20.3 (k)(3) & (4) as set forth below.

(3) Unless an effected Purchaser consents, no material change will be made in unit size, layout or percentage of common interest, if a Purchase Agreement has been executed and delivered to the Sponsor for that unit and the Purchaser is not in default.

(4) Unless all purchasers consent, no material change will be made in the size and no material adverse change will be made in the quality of common elements.

SECTION (L): ACCOUNTANT'S CERTIFIED STATEMENTS OF OPERATION

Accountant's Certified Statements are not applicable as the Building is not occupied and it being Newly Constructed.

SECTION (M): EXISTING TENANTS

At the current time, the Property is not subject to any leases, as the Property is being newly Constructed.

SECTION (N): INTERIM LEASE

(1) The Sponsor may rent any unit that is vacant before the closing. Sponsor may rent to an interim lessee only both before and after consummation. It shall be in the Sponsor's sole and exclusive discretion as to whether or not to offer an interim lease. The Sponsor may for any, or for no reason refuse to offer an interim lease to any Purchaser. Interim leases or short term leases shall not be offered to any party who has not executed a Purchase Agreement for a unit. The interim lease shall not create a landlord-tenant relationship but shall be deemed the use and occupancy agreement and part of the contract.

(2) No rental protection laws are applicable to interim leases. The interim lease will provide that in the event the contract is cancelled, or the Plan is abandoned, Interim Lessee will move out on thirty (30) days written notice.

Prior to the first closing, the entire building will be insured by the sponsor; after the first closing, the entire building will be insured by the condominium. A person in possession who is not an owner cannot insure the unit since he or she has no ownership interest, and the unit cannot be doubly insured. A person who takes possession prior to closing assumes the risk of losses not covered by insurance.

(3) Interim lease will further provide that an uncured default under the Purchase Agreement is a default under the interim lease, and that an uncured default under the interim lease is a default under the Purchase Agreement. However, before the sponsor may utilize the default under the lease to declare a default under the purchase agreement, the sponsor must either obtain an order of eviction or other judgment or order from a court or agency of competent jurisdiction against the lessee unless the lessee has vacated the unit.

(4) Interim lessee has thirty (30) days to vacate the unit after receipt of written notice of a default, after delivery to the Sponsor of written notice of exercise of right of rescission or after delivery to the Purchaser of written notice that the Plan has been abandoned.

SECTION (O): PROCEDURE TO PURCHASE

The form of the Purchase Agreement is contained in Part II. Prospective purchasers will be required to execute a Purchase Agreement in substantially such form in quadruplicate. The Purchase Agreement will not be binding upon the Sponsor until Sponsor receives four originally executed copies of the Purchase Agreement signed by the Purchaser(s), together with the down payment check as required hereunder and a copy of the Purchase Agreement is executed by the Sponsor and delivered to the Purchaser or Purchaser's counsel.

The purchase agreement and offering plan may not contain, or be modified to contain a provision waiving the purchaser's rights or abrogating sponsor's obligations under Article 23-A of the General Business Law.

The sales price at which the Units are being offered are shown in detail in Schedule A. The Sponsor reserves the right to change the sales price. Any such changes will not affect the common interest of the unit. However, some purchasers may pay less or more for the same unit.

The following are important provisions contained in the Purchase Agreement:

(1) **Down Payment.** The amount or the percentage of the deposit shall be ten percent (10%) of the offering price.

(2) **Statutory Requirement.** The sponsor shall comply with the escrow and trust fund requirements of GBL Sections 352-e(2-b) and 352-h and these regulations, and all funds paid by purchasers shall be handled in accordance with these statutes and regulations.

(3) **Escrow, Trust Fund.** The following requirements shall apply to this offering plan:

The Escrow Agent:

Dylan Chan Law Firm, P.C., with an address at 136-20 38th Avenue, Suite 11C, Flushing, New York 11354, telephone number (212) 274-9930, shall serve as escrow agent ("Escrow Agent") for Sponsor and Purchaser. Escrow agent has designated the following attorneys to serve as signatories: Dylan Chan, Esq. All designated signatories are admitted to practice law in the State of New York. Neither the Escrow Agent nor any authorized signatories on the account are the Sponsor, Selling Agent, Managing Agent, or any principal thereof, or have any beneficial interest in any of the foregoing.

The Escrow Account:

The Escrow Agent has established the escrow account at JP Morgan Chase Bank, located at 176 Canal Street, New York, NY10013, in the State of New York ("Bank"), a bank authorized to do business in the State of New York. The escrow account is entitled "Dylan W. Chan, Esq. IOLA Escrow Account" ("Escrow Account"). The Escrow Account is federally

insured by the FDIC at the maximum amount of \$250,000 per deposit. Any deposit in excess of \$250,000 will not be insured, unless Escrow Agent has established multiple accounts on behalf of Purchaser at various institutions. If Purchasers have accounts at the same bank as Sponsor's account that holds escrowed funds, Purchaser funds at the escrow bank factor into the \$250,000 insurance limit.

All Deposits received from Purchaser shall be in the form of checks, money orders, wire transfers, or other instruments, and shall be made payable to or endorsed by the Purchaser to the order of "Dylan W. Chan, Esq. IOLA Escrow Account".

Any Deposits made for upgrades, extras, or custom work shall be initially deposited into the Escrow Account, and released in accordance to the terms of a written agreement between Purchaser and Sponsor. If the plan is abandoned, Purchaser shall receive a return of the down payment and any money for extras or upgrades.

The interest rate for all Deposits made into the Escrow Account shall be the prevailing rate for such accounts, which is currently 0.25% per annum. Interest shall begin to accrue upon placing the Deposit into the Escrow Account. However, all interest earned thereon shall be paid to or credited to the New York State as the funds will be deposited into an Interest On Lawyer Account (IOLA). No fees of any kind may be deducted from the Escrow Account, and the Sponsor shall bear all costs associated with the maintenance of the Escrow Account.

The escrow agent shall maintain all records concerning the escrow account for seven years after release of the funds. Upon the dissolution of any law firm which was the escrow agent, the former partners or members of the firm shall make appropriate arrangements for the maintenance of these records by one of them or by the successor firm and shall notify the Department of Law of such transfer. Nothing contained herein shall diminish or impair the sponsor's statutory obligation to each purchaser pursuant to GBL section 352-h to hold in trust all deposits, advances or payments made in connection with the offer until consummation of the transaction with such purchaser. Consummation of the plan does not relieve sponsor of its obligations pursuant to GBL section 352-h. Funds from the escrow account remain the property of the purchaser until employed in connection with the consummation of the transaction. Such funds shall not be a part of the estate of the sponsor or the escrow agent upon any bankruptcy, incapacity or death.

Before funds are transferred to a new escrow account, or if the escrow agent is replaced, the plan must be amended to provide the same full disclosure with respect to the new account, the escrow agent and the escrow agreement as was originally provided.

Sponsor agrees to defend, indemnify and hold Escrow Agent harmless from and against all costs, claims, expenses and damages incurred in connection with or arising out of the Escrow Agreement or the performance or non-performance of Escrow Agent's duties under the Escrow Agreement, except with respect to actions or omissions taken or suffered by Escrow Agent in bad faith or in willful disregard of the Escrow Agreement or involving gross negligence of Escrow Agent. This indemnity includes, without limitation, disbursements and attorneys' fees either paid to retain attorneys or representing the hourly billing rates with respect to legal services rendered by Escrow Agent to itself.

Prior to release of the Deposit, Escrow Agent's fees and disbursements shall neither be paid by Sponsor from the Deposit nor deducted from the Deposit by any financial institution under any circumstance. The Sponsor will not compensate the Escrow Agent for acting as such.

Escrow Agreement:

The Escrow Agreement is attached hereto in Part II of the Plan. The Escrow Agreement must be executed by the Sponsor, Purchaser, and Escrow Agent.

Notification to Purchaser:

Within ten (10) business days after the Purchase Agreement has been tendered to Escrow Agent along with the Deposit, the Escrow Agent shall sign the Purchase Agreement and place the Deposit into the Escrow Account. Escrow Agent shall notify the Purchaser that such funds have been placed in the Bank by providing written notice to Purchaser and Sponsor, confirming the deposit. The notice shall provide the account number and the initial interest rate to be earned on the Deposit. Any Deposits made for upgrades, extras, or custom work shall be initially deposited into the Escrow Account, and released in accordance to the terms of a written agreement between Purchaser and Sponsor. If the plan is abandoned, Purchaser shall receive a return of the down payment and any money for extras or upgrades.

The Escrow Agent is obligated to send notice to the Purchaser once the Deposit is placed in the Escrow Account. If the Purchaser does not receive notice of such deposit within fifteen (15) business days after tender of the Deposit, he or she may cancel the Purchase Agreement within ninety (90) days after tender of the Purchase Agreement and Deposit to Escrow Agent. Complaints concerning the failure to honor such cancellation requests may be referred to the New York State Department of Law, Real Estate Finance Bureau, 28 Liberty Street, 15th Floor, New York, NY 10005. Rescission shall not be afforded where proof satisfactory to the Attorney General is submitted establishing that the Deposit was timely placed in the Escrow Account in accordance with the New York State Department of Law's regulations concerning Deposits and requisite notice was timely mailed to the Purchaser.

Release of Funds:

All Deposits, except for advances made for upgrades, extras, or custom work received in connection with the Purchase Agreement, are and shall continue to be the Purchaser's money, and may not be comingled with any other money or pledged or hypothecated by Sponsor, as per GBL § 352-h.

Under no circumstances shall Sponsor seek or accept release of the Deposit of a defaulting Purchaser until after consummation of the Plan, as evidenced by the acceptance of an effectiveness amendment by the New York State Department of Law. Consummation of the Plan does not relieve the Sponsor of its obligations pursuant to GBL §§ 352-3(2-b) and 352-h.

The Escrow Agent shall release the Deposit if so directed:

- (a) pursuant to terms and conditions set forth in the Escrow Agreement upon closing of title to the Unit; or
- (b) in a subsequent writing signed by both Sponsor and Purchaser; or
- (c) by a final, non-appealable order or judgment of a court.

If the Escrow Agent is not directed to release the Deposit pursuant to paragraphs (a) through (c) above, and the Escrow Agent receives a request by either party to release the Deposit, then the Escrow Agent must give both the Purchaser and Sponsor prior written notice of not fewer than thirty (30) days before releasing the Deposit. If the Escrow Agent has not received notice of objection to the release of the Deposit prior to the expiration of the thirty (30) day period, the Deposit shall be released and the Escrow Agent shall provide further written notice to both parties informing them of said release. If the Escrow Agent receives a written notice from either party objecting to the release of the Deposit within said thirty (30) day period, the Escrow Agent shall continue to hold the Deposit until otherwise directed pursuant to paragraphs (a) through (c) above. Notwithstanding the foregoing, the Escrow Agent shall have the right at any time to deposit the Deposit contained in the Escrow Account with the clerk of the county where the Unit is located and shall give written notice to both parties of such deposit.

The Sponsor shall not object to the release of the Deposit to:

- (a) a Purchaser who timely rescinds in accordance with an offer of rescission contained in the Plan or an Amendment to the Plan; or
- (b) all Purchasers after an Amendment abandoning the Plan is accepted for filing by the Department of Law.

The Department of Law may perform random reviews and audits of any records involving the Escrow Account to determine compliance with all applicable statutes and regulations.

Waiver Void:

Any provision of any Purchase Agreement or separate agreement, whether oral or in writing, by which a Purchaser purports to waive or indemnify any obligation of the Escrow Agent holding any Deposit in trust is absolutely void. The provisions of the Attorney General's regulations and GBL §§ 352-e(2-b) and 352-h concerning escrow trust funds shall prevail over any conflicting or inconsistent provisions in the Purchase Agreement, Plan, or any amendment thereto.

(4) **Alternative to Escrow Account.** Pursuant to 13 NYCRR §20.3(o)(4), if Sponsor subsequently decides to use an alternative to the escrow account it will make an application to the Attorney General and disclose same in an amendment to the offering plan.

(5) **Surety Bonds.** Pursuant to 13 NYCRR §20.3(o)(5), if Sponsor subsequently decides to use an alternative to the escrow account and its application is approved by the Attorney General, Sponsor may meet its obligation to insure the availability of such funds to purchasers by effectuating the issuance of surety bonds to such purchasers by a licensed insurance company which agrees to act as surety for the amount of such down payments or deposits, subject to provisions of sub-section (i) to (x) of 13 NYCRR §20.3(o)(5).

(6) **Letter of Credit.** Pursuant to 13 NYCRR §20.3(o)(6), if Sponsor subsequently decides to use an alternative to the escrow account and its application is approved by the Attorney General, Sponsor may meet its obligation to insure the availability of such funds to purchasers by effectuating the issuance of a letter of credit for the benefit of the purchasers by an issuer qualifying hereunder; subject to provisions of sub-section (i) to (x) of 13 NYCRR §20.3(o)(6).

(7) **Change to Escrow Account.** Where alternate security as provided under a filed offering plan [as provided above under 13 NYCRR §20.3(o)(5) & (6)] is no longer needed by the sponsor, or new or additional alternate security cannot be obtained by a sponsor or its successor, sponsor shall submit an amendment for filing which provides that any future purchaser deposits or down payments shall be held in the escrow account in accordance with paragraph (3) of this subdivision. Such amendment shall not affect the sponsor's obligation to account for funds previously released to the sponsor unless the funds representing all such deposits or down payments are restored to the escrow account.

(8) **Compliance with Lien Law Section 71-a(3).** Because this Offering Plan provides for the construction of residential condominium units, the purchase agreement and the plan must comply with and explain Section 71-a(3) of the Lien Law and any other applicable provisions of law.

Section 71-a (3) of the Lien Law provides the following:

(a) The initial advance pursuant to a contract of sale which by its terms provides for or is incidental to a contract providing for the construction on the subject real property of residential condominium unit or any structure designed solely for residential occupancy of not more than two families living separately, on property to be purchased shall, at the vendee's option, be deposited within five business days thereafter by the recipient in an interest bearing escrow account in a bank, trust company, savings bank, state or federal savings and loan association, located in this state. Such deposit, together with the interest accumulated thereon, shall remain the property of the vendee except as otherwise provided herein. The recipient shall advise the vendee in writing of the name of the depository where the funds have been placed within ten business days after such deposit has been made.

(b) In lieu of making the deposit of such moneys in an escrow account as provided in paragraph (a) of this subdivision, the recipient may post with the vendee a bond or contract of indemnity, issued by a surety company licensed

to execute such an instrument in this state, guaranteeing the return of the moneys which otherwise would be required to be deposited in such escrow account, in which case the recipient shall not be required to deposit such money in an escrow account. Said bond or contract of indemnity shall be delivered to the vendee within ten business days after receipt of the initial advance.

(c) At any time after making the deposit of such moneys in the escrow account, the recipient may post with the vendee a bond or contract of indemnity issued by a surety company licensed to execute such an instrument in this state guaranteeing the return of such moneys, in which case the recipient shall not be required to maintain the deposit of such moneys in such account.

(d) Such advance shall be retained in the escrow account or such bond or contract of indemnity continued in effect until the trust is terminated (i) by the recipient's performance of the terms of the contract of sale, or (ii) by default of the vendee excusing the recipient's performance of the terms of the contract of sale, or (iii) by release or discharge of the recipient's liability to refund such advance to the vendee, or (iv) upon transfer of title of the real property to the vendee.

(e) Every contract of sale which by its terms provides for or is incidental to a contract providing for the construction on the subject real property of a residential condominium unit or a structure designed solely for the residential occupancy by not more than two families living apart, shall contain a statement advising the vendee of the provisions of this subdivision. Such statement shall be printed in bold type which is at least two points larger than any other printing contained thereon and shall read as follows:

"YOU, AS THE PURCHASER OF THIS RESIDENCE, MAY REQUIRE THE RECIPIENT OR CONTRACTOR TO DEPOSIT THE INITIAL ADVANCE MADE BY YOU IN AN ESCROW ACCOUNT. IN LIEU OF SUCH DEPOSIT, THE RECIPIENT OR CONTRACTOR MAY POST A BOND OR CONTRACT OF INDEMNITY WITH YOU GUARANTEEING THE RETURN OF SUCH ADVANCE."

(9) **"Specific Performance."** Sponsor may seek specific performance of the purchase agreement, requiring purchaser to close and purchase the condominium unit for which purchaser has executed a purchase agreement. (See **SECTION (C): SPECIAL RISK.**)

(10) **"Time is of Essence."** "Time is of the essence" concerning purchasers' obligations as to the performance under the Purchase Agreement. This means that if Purchaser fails to perform the numerous time constraints imposed and set forth in the Purchase Agreement, within the applicable time frame, he may waive substantive rights or incur forfeiture of substantial sums of money as liquidated damages. Specific performance is a remedy that must be court ordered and that such remedy cannot be sought until a default has occurred that has last

beyond all applicable cure periods. (See **SECTION (C): SPECIAL RISK.**)

(11) **Closing Date.** After the plan has been declared effective the sponsor will fix dates for closing title to all units for which purchase agreements have been executed by serving notice on each purchaser stating the date of the first closing and setting such purchaser's closing date. Such notice will be served in compliance with 13 NYCRR Section 20.1(d)(1) promulgated by the Department of Law no less than thirty (30) days before the date set for the closing of the units. Sponsor may permit purchasers to waive this thirty (30) day provision by including such waiver in an amendment thereto.

(12) **Expected First Closing.** Sponsor expects the first closing of a unit to occur on or about January 1, 2020; which should correspond to the first year of operation projected in Schedule B. Purchasers will be afforded a right of rescission if: (i) the actual date of closing of title to the first unit; or (ii) the projected date of closing of title to the first unit occurs later than twelve months after the projected date for the first closing. If the Plan is amended to provide for a later projected date for the first closing, purchasers will be entitled to an offer of rescission if the first closing occurs more than 12 months beyond that amended, later date. Purchasers should note that even if the first closing occurs on or before January 1, 2020 (or such other date projected as the date of commencement of the operation at the time the purchase agreement was entered into) or within the twelve month period thereafter, the closing of subsequent units may be substantially delayed beyond such dates if a TCO has not been issued for such units or for the floor on which such units are located. In such case, provided that sponsor is diligently pursuing completion of construction and the issuance of a certificate of occupancy and is otherwise in compliance with its obligations under the Plan, Purchaser will not be entitled to a right of rescission or to make claims against the sponsor for damages or losses as a result of such delays and will not be excused from paying the full purchase price for the unit. PROSPECTIVE PURCHASERS SHOULD THEREFORE CAREFULLY CONSIDER THE POSSIBILITY OF SUCH DELAYS IN THEIR DETERMINATION AS TO WHETHER TO PURCHASE A UNIT.

(13) **Written Demand for Payment.** Sponsor must make a written demand for payment for default at least thirty (30) days before a default or forfeiture of the deposit may be declared, time is of the essence.

(14) **Power of Attorney.** Each unit purchaser will be required to sign a power of attorney to the Board of Managers of the condominium on the date of delivery of the deed to carry out any of the provisions of the Offering Plan including acquisition, leasing, or sale of the Units by the Board of Managers pursuant to Declaration and By-laws of the Condominium and filing the amendments to the Declaration of Condominium. A form of Power of Attorney is included in this Plan. The Power of Attorney must be returned to the selling agent or sponsor on the date of delivery of the deed. Sponsor will not close with any purchaser who refuses to sign a power of attorney and reserves the right to rescind the Purchase Agreement by returning the full down payment.

(15) **Purchaser's Right to Rescind Purchase Agreement.** At Sponsor's option, Purchasers shall be afforded (i) not fewer than three business days to review the offering plan and all filed amendments prior to executing a purchase agreement, or (ii) not fewer than seven

days after delivering an executed Purchase Agreement together with the required deposit to rescind such Agreement by written notice sent to Sponsor by certified or registered mail, return receipt requested, or by personal delivery within seven days of such Purchaser's submission of the Agreement, whereupon Sponsor will refund, without interest (notwithstanding any provision of this Plan regarding interest to the contrary), the deposit received by Sponsor from such Purchaser in connection with such Agreement.

(16) **Risk of Loss.** Risk of loss from fire or other casualty remains with the sponsor unless and until a purchaser takes actual possession of a unit pursuant to an interim lease (or written agreement with the sponsor) or legal title to the unit has been conveyed to the purchaser. It is a special risk if the Purchaser enters into possession prior to closing since risk of loss passes upon either closing or possession and any Purchaser who enters into possession before closing should obtain insurance as he would if closing had taken place.

Prior to the first closing, the entire building will be insured by the sponsor; after the first closing, the entire building will be insured by the condominium. A person in possession who is not an owner cannot insure the unit since he or she has no ownership interest, and the unit cannot be doubly insured. A person who takes possession prior to closing assumes the risk of losses not covered by insurance.

(17) **Purchase Agreement.** A complete copy of the Purchase Agreement is included in Part II of this Plan. Purchasers should also note that the Purchase Agreement will provide that Purchaser's failure to provide information to the lender promptly upon request thereof, or to accept a commitment issued to purchaser by lender on terms set forth in the Purchaser Agreement shall constitute a default by purchaser under the Agreement, whereupon Sponsor shall have remedies as set forth therein. The Purchase Agreement is contingent upon effectiveness of the Plan. If the Plan is abandoned, all Purchase Agreements will be deemed cancelled.

(18) **Financing Contingency.** Whether the individual Purchase Agreements will contain a financing contingency is subject to negotiation between Sponsor and Purchasers. The obligations of a purchaser under a Purchase Agreement may not be conditional on obtaining financing. In the event the Purchase Agreement is not contingent on financing, any prospective purchaser who executes a Purchase Agreement and does not obtain financing may lose the deposit if unable to pay the balance of the purchase price. Prospective purchasers who need financing to purchase are advised to consult with a bank before executing a Purchase Agreement to ascertain the likelihood of obtaining financing. No representation is made by the Sponsor as the availability or cost of such financing.

In the event there is a financing contingency. Purchaser's obligation is contingent upon obtaining a firm written commitment for financing and actually obtaining financing. Purchaser shall have 40 days from the date on which a signed and executed Purchase Agreement is delivered to such Purchaser within which to obtain such financing, time is of the essence. If a Purchaser fails to obtain a firm written commitment for financing within such 40-day period, and fails to notify Sponsor's attorney within five days thereafter, time being of the essence thereto, Purchaser shall conclusively be deemed to have waived the financing contingency and

will be required to proceed to closing, or forfeit his down payment, whether or not a mortgage commitment is obtained. If Purchaser, after a good faith attempt to do so, fails to obtain a firm written commitment for financing, and notifies Sponsor within the prescribed time period, then Sponsor will return the down payment or deposit within 10 days after receipt of such notice. In the event Purchaser obtains a firm written commitment for financing, and the terms of such commitment are changed prior to closing, such change in terms shall not be an allowable reason for Purchaser to cancel the contract.

Similarly, if the commitment expires prior to closing, Purchaser shall be under a good faith duty to take all required actions necessary to extend such commitment, including the payment of any extension fee required by the lending institution. However in the event Purchaser has made such good faith effort to extend the commitment, and is unable to do so, then, provided that Purchaser notifies Sponsor within 10 days after receipt of a notice from a lending institution that it will not under any circumstances extend the commitment, that Purchaser is exercising his right to rescind the contract, Sponsor will return the down payment.

Purchasers should note that under New York law, when a mortgage commitment is not fulfilled through no fault of purchase, performance is excused. Sponsor may not condition Purchaser's obligations upon obtaining a commitment. If Purchaser acts in good faith and lender revokes commitment after contingency period expires, performance is excused.

(19) Conflict between Offering Plan and Purchase Agreement. This Offering Plan and Purchase Agreement provide that any conflict between the plan and the Purchase Agreement will be resolved according to the terms of the plan.

(20) Sponsor's Acceptance or Rejection of Purchase Agreement. Within twenty (20) days after the prospective Purchaser has delivered to the Sponsor's Attorney a signed Purchase Agreement, together with the required down payment, the Sponsor must either accept the Purchase Agreement and return a fully executed counterpart, or reject the Purchase Agreement and refund in full any down payment taken. In the event Sponsor fails to act within said twenty (20) day period, the contract will be deemed not accepted and the Purchaser will be entitled to a full refund of their down payment.

(21) No Waiver. The purchase agreement and plan may not contain, or be modified to contain, a provision waiving purchaser's rights or abrogating sponsor's obligations under Article 23-A of the GBL.

(22) Assignment or Transfer of Purchase Agreement. Purchaser may not assign his Purchase Agreement without first obtaining the written consent of the Sponsor, which consent may be granted or withheld in Sponsor's sole and absolute discretion. In the event that Sponsor allows such assignment or amendment to the Purchase Agreement, Purchaser shall pay an fee of \$1,000 for each assignment or amendment to the Purchase Agreement. Purchasers are prohibited from listing their Units for sale prior to the closing of such unit. In the event that a purchaser sells his or her unit within 12 months of the closing date of their unit (the "subsequent sale"), purchaser shall be obligated to pay to the sponsor 50% of the net profit from the subsequent sale. Net profit is defined as the sale price for the subsequent sale, less transfer taxes and brokerage fees paid by purchaser (who purchased from Sponsor), less the price which

purchaser paid to sponsor for the purchase of the unit and any other costs incurred in selling the unit. (SEE SECTION (C): SPECIAL RISK.)

(23) **Broker Commission.** If Purchaser has dealt with any broker not listed on the fully executed Purchase Agreement, then Purchaser will be required to pay any commission due to such broker. Purchaser agrees that should any claim be made against Sponsor for commission by any broker, other than the broker listed on the Purchase Agreement, Purchaser will indemnify and hold Sponsor free and harmless from any and all liabilities and expenses in connection therewith, including without limitation reasonable legal fees and disbursements.

(24) Notwithstanding anything to the contrary set forth above, in the event the Attorney General's Regulations are modified or changed, the effect of which is to eliminate some or all of the escrow agent's obligations under the escrow agreement, then the plan, terms of the escrow agreement, this Section, and all then existing Purchase Agreements, and all Purchase Agreements executed thereafter, shall be amended accordingly.

(25) Purchasers should note that in the event a Purchaser is entitled to a rescission, the Purchaser will not receive any funds which he/she initially placed in the escrow account for the upgrade or extra works, if such works have been completed and the funds have been released to the Sponsor from the escrow account. If the Plan is abandoned, Purchaser shall receive a return of the down payment and any money for extras or upgrades.

At the time of closing, the Purchaser is required to sign a Power of Attorney to the Board of Managers of the condominium, appointing the members of the Board of Managers as attorneys-in-fact

THE PURCHASE OF A CONDOMINIUM UNIT APARTMENT HAS MANY SIGNIFICANT LEGAL AND FINANCIAL CONSEQUENCES AND MAY BE ONE OF THE MOST IMPORTANT FINANCIAL TRANSACTIONS OF YOUR LIFE. THE ATTORNEY GENERAL STRONGLY URGES YOU TO READ THIS OFFERING PLAN CAREFULLY AND CONSULT WITH AN ATTORNEY BEFORE SIGNING AN AGREEMENT TO PURCHASE A CONDOMINIUM.

SECTION (P): FINANCING FOR QUALIFIED PURCHASERS

There is no financing by sponsor or a lender procured by sponsor to finance the purchase of units.

SECTION (Q): EFFECTIVE DATE

The offer to sell embodied in this Offering Plan is contingent upon the plan's being declared effective and upon compliance with the relevant conditions and time periods described in the offering plan. Sponsor must conform with the following provisions in determining whether, when and how the plan will be declared effective.

(1) The plan may be declared effective by (i) an amendment to the plan or (ii) by personal service of notice on every purchaser or by commencement of service by mail in the manner required by 13 NYCRR Section 20.1(d) promulgated by the Department of Law stating that the plan is declared effective and submitting an amendment to the Office of the Attorney General within five (5) days confirming that the plan was declared effective on a specified date. The amendment must conform to Section 20.5(e). Closing of the first unit shall not occur until the plan is declared effective and the effectiveness amendment is accepted for filing by the Office of the Attorney General.

(2) The plan may not be declared effective unless bona fide purchasers, including investors, have signed purchase agreements for at least fifteen percent (15%) of the residential units offered under the plan. Units of a primarily ancillary nature such as garage spaces, boat slips or cabanas, may not be counted toward effectiveness. Such units may be excluded from the base in calculating the percentage needed to become effective. [See SECTION (C): SPECIAL RISK.]

(3) The plan will not be declared effective based on purchase agreements:

- (i) signed by purchasers who have been granted a right of rescission that has not yet expired or been waived; or
- (ii) if the purchaser was not afforded the protections required by 13 NYCRR Section 20.3(o)(10) promulgated by the Department of Law; or
- (iii) with any purchaser who is the sponsor, the selling agent, or the managing agent or is a principal of the sponsor, the selling agent or the managing agent or is related to the sponsor, the selling agent or the managing agent or to any principal of the sponsor or the selling agent or the managing agent by blood, marriage or adoption or as a business associate, an employee, a shareholder or a limited partner; except that such a purchaser other than the sponsor or a principal of the sponsor may be included if the sponsor has submitted proof satisfactory to the Office of the Attorney General establishing that the purchaser is bona fide.

(4) The plan must be declared effective when purchase agreements have been accepted by sponsor for eighty percent (80%) or more of the units offered under the plan.

(5) The plan may be abandoned by sponsor, at its option, before it is declared effective. Within twenty (20) days after abandonment, all monies paid by purchasers shall be refunded to them in full, with interest earned, if any. Sponsor shall promptly file an amendment together with form RS-3 as required by 13 NYCRR Section 20.1(l)(2) promulgated by the Department of

Law.

(6) Sponsor may not abandon the plan after effectiveness for any reason other than:

- (i) a defect in title which cannot be cured without litigation or cannot be cured for less than a stated amount which shall not be less than one-half of one percent of the total offering amount, or
- (ii) substantial damage or destruction of the building by fire or other casualty which cannot be cured for less than a stated amount which shall not be less than one-half of one percent of the total offering amount, or
- (iii) the taking of any material portion of the property by condemnation or eminent domain. Sponsor must provide that any stated dollar amount relied upon as basis for abandonment after effectiveness must exclude any attorneys fees or any such title defects or determinations of any authority or regulatory association which exist on the date of presentation of the plan and are either known to the sponsor or are a matter of public record.

(7) Notwithstanding the fact that not all Purchasers used for purposes of declaring the Plan effective may actually close, Sponsor will re-declare the Plan effective if all Purchase Agreements are either rescinded or terminated prior to the date of the First Unit Closing, regardless of whether the Condominium Declaration has been recorded.

SECTION (R): TERMS OF SALE

(1) On closing, Sponsor will deliver to Purchaser a Bargain and Sale Deed with Covenants Against Grantor's Acts in the proper form for recording as set forth in Part II of this Offering Plan.

(2) Risk of loss from fire or other casualty remains with the Sponsor unless and until a purchaser takes actual possession of a unit pursuant to an interim lease (or written agreement with the sponsor) or legal title to the unit has been conveyed to the purchaser. The Sponsor is obligated to repair any and all damages from casualty or other cause that occurs before the closing, unless the Purchaser has taken the possession of the Unit prior to closing. In the event the closing delays for more than six (6) months due to the Sponsor's inability to repair the damages, Purchaser may rescind the contract and receive the refund of the downpayment. Prior to the first closing, the entire building will be insured by the sponsor; after the first closing, the entire building will be insured by the condominium. A person in possession who is not an owner cannot insure the unit since he or she has no ownership interest, and the unit cannot be doubly insured. A person who takes possession prior to closing assumes the risk of losses not covered by insurance.

(3) For this Offering Plan that is not subject to the provisions of GBL §352-ee (Conversion of Non-residential Property to Residential Cooperative or Condominium Ownership), the closing will take place only concurrently with the issuance of a temporary or permanent Certificate of Occupancy for the entire project, or issuance of a partial, temporary or permanent Certificate of Occupancy for the unit to close or the building in which the unit is located.

(4) Title to each unit and its appurtenant interest in the common elements will be conveyed at the closing free and clear of all liens, encumbrances and title exceptions other than (i) Permitted Encumbrances and standard print exceptions and (ii) liens and encumbrances other than Permitted Encumbrances to which the Residential Unit's title is subject, either (a) which have been expressly accepted by Purchaser; or (b) for which the instrument required to remove it of record has been delivered to the Title Company for recording in the proper office, together with the requisite recording or filing fees or delivered to the representative of Purchaser's title insurance company (or, if none, to Purchaser's attorney); or (c) as to which the Title Company will insure (without additional premium to Purchaser) that such lien or encumbrance will not be collected out of or enforced against the Residential Unit; or (d) as to which Sponsor, at its sole option, pays and discharges from monies paid by Purchaser at Closing. There are no leases, mortgages, liens, encumbrances and title exceptions that will affect the property after closing other than those described in Permitted Encumbrances, Schedule A of the Purchase Agreement. Title exceptions may include the state of facts shown on a stated survey and any additional state of facts a subsequent survey would show, provided that such additional state of facts does not render title unmarketable.

The Permitted Encumbrances are the following:

1. Building restrictions, zoning and other regulations, resolutions and ordinances and any amendments thereto now or hereafter adopted.
2. Any covenants, easements or restrictions of record provided same do not render title unmarketable.
3. State of facts shown in the survey of the land and building and any additional state of facts which a subsequent survey or personal inspection thereof would show provided such additional facts would not prevent the use of the premises for dwelling purposes.
4. Any state of facts which an accurate survey of the Unit would show provided such state of facts would not prevent the use of the Unit for dwelling purposes.
5. The terms, burdens, covenants, restrictions, conditions, easements and rules and regulations, all as set forth in the Declaration, the By-Laws and the Rules and Regulations, the Power of Attorney from the Purchaser to the Board of Managers and the Floor Plans; as all of the same may be amended from time to time.
6. Consents by Sponsor or any former owner of the land for the erection of any structure or structures on, under or above any street or streets on which the land may abut.
7. Any easement or right of use in favor of any utility company for construction, use, maintenance, or repair of utility lines, wires, terminal boxes, mains, pipes, cables, conduits, poles, and other equipment and facilities on, under, and across the land and building.
8. Revocability of licenses for vault space, if any, under the sidewalks and streets.
9. Encroachments of stoops, areas, cellar steps, or doors, trim, copings, retaining walls, bay window, balconies, sidewalk elevators, fences, fire escapes, cornices, foundations, footings and similar projections, if any, on, over, or under the property or the street or sidewalks abutting the property and the rights of governmental authorities to require the removal of any such projections and variations between record lines of the property and retaining walls and the like, if any.
10. Leases and service, maintenance and license agreements, if any.
11. The lien of any unpaid Common Charge, real estate tax, water charge or sewer rent, provided the same are adjusted at the closing of title.
12. The lien of any unpaid assessment payable in installments (other than assessments levied by the Board of Managers) except that Sponsor shall pay all such assessments due prior to the Closing Date and the Purchaser shall pay all assessments due from and after such date. (However, the then current installment shall be adjusted at Closing Date.)
13. Any other declaration or other instrument affecting the property which Sponsor deems necessary or appropriate to comply with any law, ordinance, regulation, zoning resolution or requirement of the Department of Buildings, the City Planning Commission, the Board of Standards and Appeals, or any other public authority, applicable to the demolition, construction, alteration, repair or restoration of the Building.
14. Standard exceptions contained in the form of title insurance policy then issued by Commonwealth Land Title Insurance Company (or such other New York Board of Title Underwriters member title insurance company insuring the Purchaser's title to the Unit).
15. Any encumbrances as to which such company which insures the Purchaser's title to the Unit would be willing, in a fee policy issued by it to the Purchaser, to insure the Purchaser that such encumbrance (a) will not be collected out of the Unit if it is a lien or (b) will not be enforced against the Unit if it is not a lien.
16. Any other encumbrance against the property other than a mortgage or other lien for the payment of money, which does not prevent the use of the Unit for dwelling purposes.
17. Any Interim Lease covering the Unit made from Sponsor to the Purchaser.

18. Any other declaration or other instrument affecting the Property which Sponsor deems necessary or appropriate to comply with any law, ordinance, regulations, zoning resolution or requirement of the Department of Buildings, the City Planning Commission, the Board of Standards and Appeals, or any other public authority, applicable to the demolition, construction, alteration, repair or restoration of the Building. Sponsor shall file an amendment to the Plan to reflect any such other declaration or other instrument affecting the Property which is not already disclosed herein.

19. Standard printed exceptions contained in the form of title insurance policy then issued by the title insurance company insuring Purchaser's title to his or her Unit and appurtenant interests.

20. Any other encumbrance against the Property other than a mortgage or other lien for the payment of money, which does not prevent the use of the Unit for dwelling or commercial purposes, as the case may be, or which does not render title unmarketable, subject to the Permitted Encumbrances, or with respect to which a title insurance company is willing to insure against collection out of the Unit.

(5) All personal property located within the Unit on the date the purchase agreement is signed or located within the common elements on the date the declaration is filed, that is owned by the sponsor or the owner of the property, is included in the conveyance unless specifically excepted in the offering plan.

(6) Declaration, by-laws and floor plans for the condominium and such other documents, as required by law, will be recorded or filed prior to the first conveyance of title to a unit in accordance with the New York Condominium Act or applicable state and local law. The place of recording or filing is the office of the City Register in the County where the Condominium is located.

(7) PURCHASER IS OBLIGATED TO PAY NEW YORK STATE AND NEW YORK CITY REAL PROPERTY TRANSFER TAXES. ALTHOUGH TRANSFER TAXES ARE SPONSOR'S STATUTORY OBLIGATION, THEY ARE BEING TRANSFERRED TO PURCHASER. WHILE NYS AND NYCTRANSFER TAXES ARE CUSTOMARILY PAID FOR BY THE SELLER IN SINGLE FAMILY HOME TRANSACTIONS, THE BURDEN OF PAYING SUCH TAXES MAY BE MODIFIED BY CONTRACT. AS IS COMMON WITH MANY OTHER CONDOMINIUM DEVELOPMENTS IN NEW YORK STATE, THE PURCHASE AGREEMENT PROVIDES THAT THE PURCHASER OF A UNIT WILL BE REQUIRED TO PAY THESE TRANSER TAXES AT CLOSNG.

(8) If there are any existing mortgages or construction loans which will not be satisfied at or prior to the closing of the first unit, at the time of conveyance of the first unit, each mortgagee will either:

- (i) consent to the formation of a condominium and acknowledge that its lien will be limited to unsold condominium units;
- (ii) subordinate the lien of its mortgage to the declaration of condominium; or
- (iii) release its lien on the condominium unit being conveyed and its interest in the common elements.

SECTION (S): UNIT CLOSING COSTS AND ADJUSTMENTS

(1) Estimated Costs, Fees and Charges

(1) (i) Estimated Costs, Fees, and Charges to be Paid or Apportioned in Connection with Closings. The estimated closing costs and expenses to be incurred by each purchaser upon the purchase of a Unit are as follows:

(a) Estimated Costs, Fees and Charges to be Paid by Purchaser:

At the time of the closing, the purchaser will be responsible for paying the costs, fees and charges in connection with the closing of title of: title insurance fee premium; title insurance mortgage premium if the purchaser obtains mortgage financing; mortgage recording tax; New York State Real Property Transfer Tax; New York City Real Property Transfer Tax; Recording fees for the recording of the deed, mortgage and unit power of attorney; contributions to the Condominium's reserve fund (if applicable); Condominium working capital fund (if applicable); first month's common charges (if applicable); survey fee (if applicable); 421-a tax abatement fee and sponsor's attorney's fee.

(I) Title Insurance Fee Premium. Fee title insurance is available from Chicago Title Insurance Company, through its agent Federal Standard Abstract Inc. or from a title insurance company selected by the Purchaser. Purchasers are free to use a title company of their choosing without incurring a penalty. Current rates for fee title insurance in accordance with the scheduled rates set by the New York Board of Title Underwriters and filed with the New York State Insurance Department are set forth below (approximate amounts) (Sponsor does not guaranty the accuracy of the title insurance rates set forth herein).

Amount of Title Insurance (non-bulk rate)

Fee Amount	Premium
From \$100,001 to \$500,000	\$4.360 per Thousand
From \$500,001 to \$1,000,000	\$3.990 per Thousand
From \$1,000,001 to \$5,000,000	\$3.660 per Thousand

Amount of Title Insurance (bulk rate)

Fee Amount	Premium
From \$100,001 to \$500,000	\$3.052 per Thousand
From \$500,001 to \$1,000,000	\$2.793 per Thousand
From \$1,000,001 to \$5,000,000	\$2.562 per Thousand

If the project qualifies for the Bulk Rate pursuant to Section 20 of the TIRSA Rate Manual, then Owner's insurance shall be charged at 70% of the applicable Fee Title Insurance (Owner's) Rate.

(II) **Title Insurance Mortgage Premium.** If Purchaser elects to simultaneously obtain both fee title insurance and mortgage title insurance, the premium for the mortgage title insurance will be at a simultaneous rate. The premium for mortgage title insurance will be computed using the "Basic Rate" schedule as described below. The premium on the amount of the loan policy that does not exceed the owner's policy shall be calculated at thirty percent (30% of the regular scheduled rate for loan policies according to the rates set forth below:

Amount of Title Insurance (non-bulk rate)

Mortgage Amount	Premium
From \$100,001 to \$500,000	\$1.092 per Thousand
From \$500,001 to \$1,000,000	\$1.000 per Thousand
From \$1,000,001 to \$5,000,000	\$0.915 per Thousand

Amount of Title Insurance (bulk rate)

Mortgage Amount	Premium
From \$100,001 to \$500,000	\$0.765 per Thousand
From \$500,001 to \$1,000,000	\$0.700 per Thousand
From \$1,000,001 to \$5,000,000	\$0.641 per Thousand

(III) **Cost of Survey.** Each purchaser shall also be required to pay the cost of any survey or survey inspection prepared at his request. Purchaser shall reimburse to seller the sum of \$200.00 as contribution of costs of surveys and surveying services incurred by sponsor. Prints of Sponsor's survey will be available for a nominal charge.

(IV) **Cost of Recording Documents.** The fee charged by the New York City Register's Office for the recording of the deed is approximately \$200.00. Fee for the recording of the unit power of attorney is approximately \$75.00. The fee for recording the New York City Real Property Transfer Tax Return payable by the Purchaser is \$50.00. Purchaser will be responsible for the fee charged by the New York City Register's Office for the recording of the partial release of Sponsor's construction loan on the Unit, as well as the service fee charged by Purchaser's title company.

(V) **Costs to Purchaser for the Payment of New York State and New York City Transfer Taxes.** The New York State Real Estate Transfer Tax, currently \$4.00 for each one thousand dollars (\$1,000.00) or fractional portion thereof, of the purchase price plus a \$5.00 service charge. If applicable, the New York State Additional Tax ("Mansion Tax") of 1% where the purchase price equals \$1 million or more and the New York City Transfer Tax is 1.00% of the purchase price up to \$500,000.00 and 1.425% over \$500,000.00 (for example, \$1,000.00 or \$1,425.00, respectively per \$100,000.00 of purchase price).

New York State and New York City Transfer taxes are normally expenses of the Seller, however, by contractual arrangement they will be paid by the Purchaser. The City of New York Department of Finance and the State

of New York Department of Taxation and Finance have taken the position that when a Purchaser assumes the obligation to pay the New York City Real Property Transfer Tax and /or New York deed documentary stamps, the amount of such tax will be included in the consideration subject to tax.

(For example, for a unit price of less than \$500,000, if the unit price is \$490,000.00, for purposes of calculating the transfer taxes, the unit price of \$490,000.00 is multiplied by 1.014 for a total price for tax purposes of \$496,860.00). The transfer taxes are added as additional consideration on which the tax is calculated. Therefore, the New York State Transfer Tax would be approximately \$1,988.00 instead of \$1,960.00, and the New York City Transfer Tax would be approximately \$4,969.00 instead of \$4,900.00.

(For example, for a unit price of more than \$500,000, if the unit price is \$600,000.00, for purposes of calculating the transfer taxes, the unit price of \$600,000.00 is multiplied by 1.01825 for a total price for tax purposes of \$610,950.00). The transfer taxes are added as additional consideration on which the tax is calculated. Therefore, the New York State Transfer Tax would be approximately \$2,444.00 instead of \$2,400.00, and the New York City Transfer Tax would be approximately \$8,706.00 instead of \$8,550.00.

The New York City Department of Finance has taken the position that when a Purchaser purchases two or more Units, the New York City Transfer Tax may be 1.425% where the consideration is \$500,000.00 or less and 2.625% where the consideration is greater than \$500,000.00. Purchasers are advised to discuss this with their own attorney and/or accountant if they purchase two or more units.

(VI) Cost of Mortgage Recording Taxes. In the event that a Purchaser obtains a mortgage from a lending institution, then he or she will customarily pay at the closing of title the following additional costs: (i) mortgage recording taxes in the amount of 1.80% of the first ten thousand dollars of the amount of the mortgage executed by the Purchaser and a mortgage recording tax of 2.05% of the amount of the balance of the mortgage actually executed by Purchaser for mortgages in the amount of less than \$500,000.00. The mortgage recording tax for mortgages in the amount of \$500,000.00 or more is 2.175% after the \$30.00 deduction on the first ten thousand dollars of mortgage amount and, (ii) in addition, the recording charges imposed by the New York City Register which are approximately \$20.00 plus \$5.00 per page or part thereof and a service charge of approximately \$20.00 per document. All purchasers will also be required to pay all fees and charges imposed by their respective lending institutions. Purchasers will also likely pay lender's appraiser fees, origination fees, lender's attorney's fees, reserves for real estate taxes and insurance premiums. The Sponsor makes no representation as to what additional closing costs may be charged by a particular lender.

(VII) Working Capital Contribution by Purchaser. A Working

Capital Fund for the Condominium shall be established as follows:

Upon the closing of the purchase of a Unit, the Purchaser will be required to pay to the Condominium an amount equal to two (2) months Common Charges then in effect for the Unit pursuant to the budget in accordance with Schedule A hereto, as the same may be amended from time to time as initial working capital. (See SECTION (Z): WORKING CAPITAL FUND.) This contribution is not refundable or transferable if the Purchaser sells his or her Unit.

(VIII) **Cost of Purchaser's Attorney's Fees.** Purchaser shall have the sole responsibility for payment of his or her own attorney's fees and any attorneys fees or other fees required by his or her lending institution.

(IX) **Late Fees.** If the Purchaser fails to close on the Closing Date for any reason, then (i) the closing adjustments shall be made as of midnight of the day preceding the date originally scheduled for the Closing Date and (ii) the Purchaser shall pay to Sponsor, as a late fee, an amount equal to 0.04% times the unpaid portion of the purchase price for his or her Unit for each day of delay, beginning with the date originally scheduled for the Closing Date to and including the day immediately preceding the actual Closing Date. The provisions of this paragraph shall not be applicable if, through no fault of Purchaser, Sponsor postpones the Closing Date except to the extent that thereafter the Purchaser postpones the closing for any reason or is in default.

(b) **Estimated Apportioned Costs, Fees and Charges to be Paid by Purchaser:**

The following costs are to be apportioned at the closings:

(i) If units have not been separately assessed for real estate tax purposes prior to the closing of title to the first unit, sponsor may place in escrow, in the name of the Board of Managers, an amount equal to the unpaid real estate taxes which will be levied against the parcel for the six-month period following the first closing. Alternatively, the sponsor may place in escrow, in the name of the Board of Managers, an amount equal to the real estate taxes attributable to the unsold units for such six-month period and may collect at each unit closing the estimated amount of taxes attributable to such unit for the balance of the six-month period. The Board of Managers will pay the real estate taxes from the escrow account when taxes are due and payable and the funder of the escrow account will be entitled to reimbursement from unit owners to the extent of the actual assessment. No escrow will be required if the condominium by-laws include as part of the common expenses, real estate taxes on the property until the units are separately assessed and after assessment unit owners will be reimbursed for any overpayment of taxes or assessed for an underpayment.

(ii) **Numerical Examples of Closing Costs for Typical Condominium Unit.** The following is an example of the closing costs applicable to a purchase a unit with price of \$998,000 and a mortgage of \$798,400:

Unit: 4B	
Offering Price	\$998,000
Mortgage Amount	\$798,400
Title Insurance Fee Premium	\$3,632
Title Insurance Mortgage Premium	\$875
Mortgage Recording Tax	\$15,165.95
New York State Transfer Tax	\$4,066
New York City Real Property Transfer Tax	\$14,481.04
New York State Mansion Tax	-
Recording of Deed, Mortgage, Unit Power of Attorney	\$350
Contribution to Working Capital Fund (Est.)	\$507.44
First Month's Common Charges (Est.)	\$253.72
Survey Fee	\$200
Basic Sponsor's Attorney's Fee	\$2,500
Acris Transfer Tax Preparation Fee	\$250
Total Estimated Closing Costs	\$32,226.94

Note that the example does not include costs that may be incurred for purchaser's attorney's fee, apportionments for real estate taxes, water and sewer charges and similar items (see Unit Closing Costs and Adjustments Section, Part I) and fees required by purchaser's lending institution. When the purchaser pays the transfer tax, the law requires that the tax that the seller would pay be treated as additional consideration for the purpose of computing the New York State and City of New York City Transfer taxes.

(2) Mortgage Tax Credit

Purchaser to Reimburse Mortgage Tax Credits. To the extent that the Purchaser is entitled to any credit against the mortgage recording tax by reasons of any prior mortgage against the Unit or the Property, the Purchaser shall pay to the Sponsor at the closing for such Unit the amount of any such credit.

The Sponsor may pay or may have paid a mortgage recording tax in connection with obtaining a construction loan mortgage for the construction of the Property. Section 339-ee(2) of the New York Real Property Law provides for a mortgage tax credit upon transfer of the Units.

If the Sponsor has obtained construction loan financing prior to the closings, and Sponsor has paid mortgage recording taxes, the mortgage tax credit will be applicable. If the Sponsor has not yet obtained construction financing, and does so prior to conveying units, then Section 339-ee (2) of the New York Real Property Law would be applicable.

The pertinent language of the statute is as follows:

“If in the event the proceeds of a construction mortgage were applied to construction of a unit of a condominium submitted to the provisions of this article, or in the event that a unit submitted to the provisions of this act was subject to a blanket mortgage, and a mortgage tax was duly paid on such construction or blanket mortgage in accordance with article eleven of the tax law, then, as each unit is first conveyed, there shall be allowed a credit against the mortgage tax that would otherwise be payable on a purchase money mortgage, said credit to be in the amount resulting from the product of the purchaser's pro rata percentage of interest in the common elements and the mortgage tax already paid on the construction or blanket mortgage. No credit shall be allowed under this subdivision (a) on account of the special additional mortgage recording tax imposed by subdivision one "a" of section two hundred fifty three of the tax law or (b) where the first condominium unit is sold more than two years after the construction or blanket mortgage was recorded.”

The Sponsor shall receive the benefit from any credit on purchaser's mortgage recording tax which may be available pursuant to the quoted statute. Accordingly, at closing, each purchaser electing mortgage financing shall pay the full amount of the mortgage recording tax chargeable on the entire amount being financed. Sponsor will be reimbursed at closing to the extent of any mortgage tax credit allowed.

(3) No Financing for Qualified Purchasers

There are no closing costs in connection with financing for qualified purchasers as there is no financing by sponsor or a lender procured by sponsor to finance the purchase of units. (See SECTION (P): FINANCING FOR QUALIFIED PURCHASERS.)

(4) Costs for Sponsor and Sponsor's Attorney's Fees to be Paid by Purchaser.

The Purchaser is responsible to pay Sponsor's Attorney's closing documents preparation fee of \$2,000.00, and may be responsible for additional \$500 in the event the transaction requires financing as well as certain other fees such as travel fees and default fees. The Purchaser is responsible to reimburse the Sponsor's Prepaid Taxes, Common Charges and Insurance Premium. Purchaser is responsible to reimburse to Sponsor the sum of \$200.00 as contribution of costs of surveys and surveying services incurred by Sponsor and Acris Transfer Tax Preparing fee \$250.

If a closing takes place at the request of the Purchaser and so approved by Sponsor's attorney, at any location other than the office of Sponsor's attorney, Purchaser shall pay to Sponsor's attorney (in addition to the fee set forth above), a travel fee in the sum of \$250.00 in New York County, \$400 in Kings and Queens County. In the event that a closing is adjourned with Sponsor's consent, at the request of the Purchaser, or Purchaser's attorney, Purchaser shall also pay Sponsor's attorney an adjournment fee in the sum of \$250.00.

This contract may not be assigned, amended, or recorded, and any proposed assignment, amendment to the purchase agreement, or recordation without express written permission of the Sponsor shall be deemed a default hereunder entitling Sponsor to either cancel the contract and retain all sums deposited pursuant hereto or void any purported assignment of this Agreement in violation hereof at the option of Sponsor. In the event that Sponsor allows such assignment or amendment to the Purchase Agreement, Purchaser shall pay a fee of \$1,000 for each assignment or amendment to the Purchase Agreement.

(5) Escrow for Not Separately Assessed Real Estate Tax

If units have not been separately assessed for real estate tax purposes prior to the closing of title to the first unit, sponsor may place in escrow, in the name of the Board of Managers, an amount equal to the unpaid real estate taxes which will be levied against the parcel for the six-month period following the first closing. Alternatively, the sponsor may place in escrow, in the name of the Board of Managers, an amount equal to the real estate taxes attributable to the unsold units for such six-month period and may collect at each unit closing the estimated amount of taxes attributable to such unit for the balance of the six-month period. The Board of Managers will pay the real estate taxes from the escrow account when taxes are due and payable and the funder of the escrow account will be entitled to reimbursement from unit owners to the extent of the actual assessment. No escrow will be required if the condominium by-laws include as part of the common expenses, real estate taxes on the property until the units are separately assessed and after assessment unit owners will be reimbursed for any overpayment of taxes or assessed for an underpayment.

SECTION (T): RIGHTS AND OBLIGATIONS OF THE SPONSOR

(1) Sponsor is reserving the unconditional right to rent after consummation rather than sell units. Because sponsor is not limiting the conditions under which it will rent rather than sell units, there is no commitment to sell more units than fifteen percent (15%) necessary to declare the plan effective and owner-occupants may never gain effective control and management of the condominium. Sponsor will endeavor in good faith to sell units rather than rent. If sponsor makes a bulk sale of all or some of its unsold units, the transferee successor sponsor is bound by sponsor's representations regarding its commitment to sell units. There is no construction loan on the building, therefore there are no obligations imposed on Sponsor by construction lender with regard to selling and/or renting Units .

BECAUSE SPONSOR IS RETAINING THE UNCONDITIONAL RIGHT TO RENT AFTER CONSUMMATION RATHER THAN SELL UNITS, THIS PLAN MAY NOT RESULT IN THE CREATION OF A CONDOMINIUM IN WHICH A MAJORITY OF THE UNITS ARE OWNED BY OWNER-OCCUPANTS OR INVESTORS UNRELATED TO THE SPONSOR. [SEE COVER PAGE OF THIS OFFERING PLAN; SECTION (C): SPECIAL RISKS; AND SUBDIVISION (4) TO SECTION (D): INTRODUCTION.]

(2) The Sponsor has no obligation to defend any suits or proceedings arising out of Sponsors acts or omissions and no obligation to indemnify the Board of Managers and Unit Owners, except for claims arising out of the acts, omissions or representations of the Sponsor, as stated in this Offering Plan.

(3) All representations under the Offering Plan, all obligations pursuant to the General Business Law, and such additional obligations under the Offering Plan which are to be performed subsequent to the closing date will survive delivery of the deed.

(4) Sponsor and its principals will remain liable notwithstanding any disclaimers or limitations of liability on the part of the sponsor or its principals for failure to perform any obligation imposed by applicable statute or regulation. This offering plan does not include any financial limitation on sponsor's liability for failure to perform its obligations under the offering plan. With regard to Warranty, the Sponsor's obligation, regardless of any limitations in the warranty or in this offering plan, cannot go below the duty to construct the premises in accordance with all applicable codes, filed plans and specifications and locally accepted building practices for items which are not covered by codes. (See SECTION (C): SPECIAL RISK.)

(5) The sponsor agrees to pay all common charges, special assessments and real estate taxes with respect to unsold units. Sponsor represents that it has the financial resources to meet its obligations with respect to unsold units. Sponsor will fund its financial obligations to the condominium through sale of a condominium unit pursuant to this plan or through cash on hand. No bond or other security has been furnished to secure Sponsors obligations under this plan or to complete construction of the building.

(6) Risk of loss from fire or other casualty remains with the sponsor unless and until a purchaser takes actual possession of a unit pursuant to an interim lease (or written agreement with the sponsor) or legal title to the unit has been conveyed to the purchaser. The Sponsor is obligated to repair any and all damages from casualty or other cause that occurs before the closing, unless the Purchaser has taken the possession of the Unit prior to closing. In the event the closing delays for more than six (6) months due to the Sponsor's inability to repair the damages, Purchaser may rescind the contract and receive the refund of the downpayment. (See SECTION (R): TERMS OF SALE.)

Prior to the first closing, the entire building will be insured by Sponsor; after the first closing, the entire building will be insured by the Condominium. A person in possession who is not an owner cannot insure the unit since he or she has no ownership interest, and the unit cannot be doubly insured. Thus, the risk of loss cannot, as a practical matter, be passed on to a person in possession. It would be acceptable to state that a person who takes possession prior to Closing assumes the risk of losses not covered by insurance.

(7) Sponsor shall procure fire and casualty insurance, as set forth in Schedule B of Part I, pursuant to an agreed amount replacement value policy or in an amount sufficient to avoid co-insurance as reflected in Schedule B.

(8) In the event of the dissolution or liquidation of the Sponsor or the transfer of ten (10) or more units or twenty percent (20%) or more of the total number of units in the condominium, whichever is less, the principals of the sponsor will provide financially responsible entities or individuals who will assume the status and all of the obligations of the Sponsor for those units under the Offering Plan, applicable laws or regulations.

(9) Sponsor has not obtained a building loan hence there are no limits or requirements to rent rather than sell under specified market conditions. If financing is obtained, a construction lender may impose requirements regarding sales by Sponsor and the plan must be amended to disclose the relevant terms of the construction loan agreement. (See CLAUSE (4) TO SECTION (D): INTRODUCTION.)

(10) Sponsor shall have the obligation to build and complete the Condominium in accordance with applicable codes and the building plans and specifications identified in this Offering Plan. Sponsor (i) shall have the right to substitute equipment or materials of Equal or Better Quality and design as those originally specified; (ii) may modify the layout or design of the building; provided however, that Sponsor may not:

- (i) substitute equipment or materials of lesser quality or design; or
- (ii) change the size, location of building or units or other improvements or common elements if such changes affect the percentage of common interests or adversely affect the value of any unit to which title has closed or for which a purchase agreement has been executed and is in effect unless all affected unit owners and contract vendees consent in writing to such change.

(11) Prior to closing the first unit, sponsor must obtain a permanent certificate of

occupancy for the property or, alternatively, obtain a temporary or partial certificate of occupancy for the unit or the building in which the unit to be closed is located. The sponsor and its principals must obtain a permanent certificate of occupancy for the property within a projected timetable after closing the first unit. Sponsor must obtain the permanent certificate of occupancy before the partial or temporary certificate of occupancy expires, unless extended.

Purchasers are advised that in New York City, newly constructed and newly renovated buildings are sometimes offered as condominium projects without a final certificate of occupancy ("FCO") covering the entire building but with only a temporary certificate of occupancy ("TCO"), and sometimes with several successive temporary certificates of occupancy. Certificates of occupancy are generally governed by Section 301 of the New York Multiple Dwelling Law and local building codes and rules. Both TCOs and FCOs are issued by the New York City Department of Buildings ("DOB"). A TCO is intended to indicate that the property conforms substantially to the DOB approved plans and specifications, and to the requirements of all applicable laws, rules, and regulations for the uses and occupancies specified in the TCO. No change of use or occupancy shall be made unless a new certificate of occupancy is issued. All TCOs have an expiration date. A TCO typically expires 90 days after the date of issuance. When a TCO expires and is not renewed, it may be difficult or impossible to buy insurance, refinance, or sell units. In New York City, it is common for sponsors to commence unit closings when some or all units are covered by a TCO rather than a FCO. Sponsor anticipates this scenario may occur. Sponsor and its principals will undertake the responsibility for extending each TCO received prior to expiration thereof, and ultimately for obtaining a FCO covering the entire building. However, Sponsor and its principals make no representation or guarantee that DOB will issue the FCO within two years, which is the timeframe anticipated by the Multiple Dwelling Law for issuance of a FCO. NOTWITHSTANDING THE FOREGOING, SPONSOR AND ITS PRINCIPALS ARE OBLIGATED TO PROCURE THE FINAL CERTIFICATE OF OCCUPANCY FOR THE ENTIRE BUILDING, AND SHALL EXERCISE BEST EFFORTS TO OBTAIN THE FCO WITHIN SUCH TWO YEAR PERIOD WHILE KEEPING THE TCO CURRENT. Unit owners and the Board of Managers shall be obligated to cooperate with and refrain from obstructing sponsor in these undertakings.

Buyers are advised to visit the DOB website for further recommendations when purchasing a unit in a building that does not have a FCO. A Factsheet on Certificates of Occupancy is available on the DOB website at: http://www.nyc.gov/html/dob/downloads/pdf/co_factsheet.pdf.

(12) The common areas and public portions of the building will be completed before the closing of title to the first unit.

(13) If first closing takes place prior to the issuance of a permanent certificate of occupancy of the property:

- (i) Sponsor will maintain all deposits and funds received from purchasers in a special escrow account in accordance with Section 352-e (2-b) of the General Business Law, unless Sponsor's engineer, architect or other qualified expert certifies that a lesser

amount will be reasonably necessary to complete the work needed to obtain a permanent certificate of occupancy, in which case the sum exceeding the amount so certified by such engineer or architect may be released from the special escrow account. Alternatively, Sponsor may deposit with an escrow agent an unconditional, irrevocable letter of credit or post a surety bond in the amount so certified, or provide other collateral acceptable to the Department of Law.

Before posting a bond, Sponsor will file an amendment to the Plan and notice of such intention will be given to all purchasers and contract vendees.

- (ii) This Offering Plan is not subject to the provisions of GBL §352-ee (Conversion of Non-residential Property to Residential Cooperative or Condominium Ownership). (See TERMS OF SALE section.)

(14) Sponsor shall not be obligated to correct, repair or replace any defects relating to construction of the Units or the Common Elements or in the installation or operation of any appliances, fixtures, or equipment therein, except as expressly provided in the Offering Plan. Sponsor will not warrant the materials or workmanship of any Unit or any of the Common Elements. The Housing Merchant Implied Warranty (General Business Law Article 36-B) is applicable to this Offering Plan. Sponsor is limiting the warranty to one year. All windows come with manufacturer's limited lifetime warranty.

Sponsor's obligation, regardless of any limitations in the warranty, cannot go below the duty to construction the premises in accordance with all applicable codes, filed plans and specifications and locally accepted building practices for items which are not covered by codes, pursuant to General Business Law §777-b(4)(e)(l). [See SECTION (C): SPECIAL RISK.]

(15) Upon the closing of title, Sponsor will assign to the purchaser, and to the Board of Managers upon the recording of the Declaration, all applicable warranties, if any, of manufacturers and subcontractors relating to heating, electrical work, plumbing, and appliances, as well as bonds relating to the purchasers Unit or the Common Elements, if any. Sponsor undertakes to supply warranties only to the extent that warranties are actually made by such manufacturers and subcontractors and only to the extent that such warranties and bonds are assignable. The Housing Merchant Implied Warranty Law (General Business Law, Article 36-B) is applicable to the condominium units. However, Sponsor is limiting the warranty to one year.

(16) Sponsor will pay the cost of all authorized and proper work involved in the construction, establishment and sale of the condominium property that Sponsor is obligated to complete under the Plan and to cause all mechanics liens filed with respect to the construction of the building to be promptly discharged or bonded.

(17) Sponsor will deliver a set of "as built" plans to the Board of Managers.

(18) Except as specifically set forth in this Plan, no bond or other security has been furnished to secure Sponsor's obligations to complete construction after closing title to the first unit and obtain a permanent certificate of occupancy and all necessary permits.

(19) The Sponsor has a right of access to complete construction of the condominium. The Sponsor is obligated to repair any damages caused by Sponsor or Sponsor's contractors to any condominium unit and the common areas as a result of the work performed in accordance with gaining access to condominium units and/or the common areas. The Sponsor may not interfere with the unit owner's use and may only gain access to sold units during normal business hours, from 8AM to 5PM, Mondays through Fridays. Sponsor will provide Purchasers with two business days' notice.

(20) Effective November 5, 2004, owners of Class A multiple dwellings in New York City, which include condominium units, must install carbon monoxide detectors. The Sponsor will install a carbon monoxide detector in each residential condominium unit. The law requires the owners of the residential condominium units to maintain the carbon monoxide detectors.

(21) Sponsor must make a written demand for payment after default at least 30 days before forfeiture of the deposit may be declared in accordance with 13 NYCRR §20.3(o)(13) promulgated by the Department of Law.

(22) Sponsor reserves the right, in its sole and absolute discretion, to delay the collection of Common Charges from Purchasers under the Plan for a period of time prior to full occupancy of Residential Units (the "Delay Period"); provided, however, that Sponsor shall be solely responsible for timely payment of all expenses to operate the Condominium during the Delay Period (the "Operating Expenses") as well the Residential Units' share of General Common Charges. The expenses shall include, but not be limited to, insurance premiums and any reserve fund payment required by lenders. All Operating Expenses paid by Sponsor during the Delay Period are based on the actual cost of operating the Residential Units and not on estimates set forth in Schedule B "Projected Budget for First Year of Condominium". Purchasers should note that Schedule B will not be in effect until the expiration of the Delay Period. Notwithstanding anything to the contrary set forth above, the Operating Expenses shall not include individual Unit Owner expenses such as utility charges, real estate taxes, etc. regardless of whether the Unit has been separately assessed. In all instances the Unit Owners will remain responsible for the payment of the real estate taxes. Sponsor, in its sole and absolute discretion, may upon thirty (30) days prior written notice to Unit Owners terminate the Delay Period.

In the event Sponsor elects to delay the collection of Common Charges as set forth above, Sponsor shall disclose such fact in the closing notice to Purchasers and in the post-closing amendment to the Plan as a benefit to subsequent Purchasers. Such amendment shall also disclose the anticipated period of delay. Sponsor will give all Unit Owners at least thirty (30) days prior written notice (which may, but need not be by amendment) of the commencement of collection of Common Charges. Thereafter, to the extent not already

included in an amendment to the Plan, Sponsor will disclose in the next substantive amendment to the Plan that the collection of Common Charges is commencing or has commenced as a benefit to subsequent Purchasers. Upon expiration of any such Delay Period and the commencement of assessment of Common Charges against the Units, there will not be any assessment over and above the amount of such common charges against Units or Unit Owners for any item set forth in the approved budget that is in effect at the time of commencement of assessment of common charges. During any such Delay Period, Sponsor shall remain obligated to update the operating budget for the Condominium when and as needed, as provided in the New York State Department of Law regulations as to the same.

SECTION (U): CONTROL BY THE SPONSOR

The Sponsor's Control of the Board of Managers of the Condominium will be subject to the following:

(1) The By-Laws are reproduced in Part II. A summary of certain pertinent provisions of these By-Laws is set forth below. The By-Laws limit the number of Board of Managers (hereinafter called "Managers") to not less than three (3). The first Board of Managers to be elected by the Unit Owners shall consist of three (3) members.

At the time of the First Closing there will be three (3) Managers designated by the Sponsor. However, the Managers will resign in favor of Managers who will be elected by the Purchasers at a meeting to be convened within 30 days after First Closing. Although Sponsor will not be able to designate members of the board at this time, if the Sponsor still owns 50% or more of the units in the building, Sponsor will have at least half the votes therefore the initial Sponsor-appointed managers may be re-elected at such time.

The By-Laws provide that at such time as the Unsold Units constitute less than fifty percent (50%) of the Condominium, or upon the second (2nd) anniversary of the first closing date, whichever is sooner, not less than a majority of Managers to be elected at all subsequent annual meetings of Unit Owners shall be elected by Unit Owners other than the Sponsor. Notwithstanding the foregoing, the Sponsor may vote for Unit Owners of his choice. A meeting to elect a new Board of Managers will be held within thirty (30) days of fifty percent (50%) of the units being sold, or within thirty (30) days of the second (2nd) anniversary of the Closing Date, whichever is sooner.

So long as a majority of the Board of Managers consists of managers elected by the Sponsor or holders of unsold units, the Board of Managers:

(i) Shall not eliminate or reduce the number of employees, insurance coverage or any service to a level less than that provided in Schedule B unless a majority of board members elected by bona fide unit Purchaser vote in favor thereof.

(ii) Shall, to the extent of their authority as board members, use all reasonable efforts to cause the Building (including its equipment, services and installations) to be kept operational, clean, and, in a good state of repair and condition.

(iii) Shall not veto expenditures required to comply with applicable laws or regulations and/or expenses necessary to remedy notice of violations of law or order of an insurance carrier.

Sponsor exercises voting control of the Board of Managers until the second (2nd) anniversary of the closing of the first unit or whenever the unsold units constitute less than fifty percent (50%) of the common interests, whichever is sooner. (SEE SECTION (C): SPECIAL RISK.) [A meeting to elect a new Board of Managers unrelated to the sponsor will be held within thirty (30) days of fifty percent (50%) of the units being sold, or within thirty (30) days of the second (2nd) anniversary of the closing date of the first unit, whichever is sooner.] The By-Laws of the condominium does not include a provision that, after an initial

sponsor voting control period, a majority of the Board of Managers must be owner-occupants or members of an owner-occupant's household who are unrelated to the sponsor and its principals. Purchasers for their own occupancy may never gain control of the Board of Managers. Owner-occupants and non-resident Owners, such as Sponsor, may have inherent conflicts on the management of the Condominium

Until the earlier of five (5) years from the date of closing of the first unit, or at the time at which five the Sponsor or successor sponsor owns units consisting of less than twenty five percent (25%) of the common interest of the Condominium, Sponsor may exercise veto power over any expenses other than those described in SCHEDULE B, or which are required to comply with applicable laws or regulations; remedy any notice of a violation; or remedy any work order from an insurer. Additionally, so long as the Sponsor retains ownership of at least one (1) unit in the building, the By-Laws, Declaration, and Rules and Regulations of the Condominium, may not be amended or modified in any way so as to adversely affect the Sponsor without written consent by the Sponsor.

All Board members shall serve without compensation. Any member of the Board of Managers, who is a designee of the Sponsor, may contract or deal with Sponsor, or a partner, affiliate or entity controlled by the Sponsor; however, such Board members shall remain under a fiduciary duty to act in the best interest of the condominium. Additionally, such Board members shall be required to disclose the nature of their relationship in dealing with the Sponsors to all Unit Owners.

(2) Sponsor may not exercise veto power over expenses described in Schedule B, or over expenses required:

- (i) to comply with applicable laws or regulations; or
- (ii) to remedy any notice of violation; or
- (iii) to remedy any work order by an insurer; or
- (iv) to preserve the health and safety of occupants.

(3) Sponsor may exercise veto power over expenses other than those described in Paragraph (2) above, for a period ending not more than five (5) years after the closing of first unit or whenever the unsold units constitute less than twenty five percent (25%) of the common interest, whichever is sooner.

SECTION (V): BOARD OF MANAGERS

The Board of Managers shall initially consist of three (3) person designated from time to time by Sponsor. Sponsor presently anticipated that the initial members of the Board of Managers shall be Carmen Jia Wen Yu, Dechi Luo, and Luisa Wang, who will serve as President, Vice President, and Secretary/Treasurer, respectively. Carmen Jia Wen Yu is a principal of Sponsor. Dechi Luo and Luisa Wang are personally affiliated with the principal of Sponsor.

The Condominium shall be governed according to the By-Laws in Part II. The summary of the important sections of the by-laws and declaration of condominium are as follows:

(1) The By-Laws limit the number of Managers to not less than three (3) members. The first Board of Managers shall consist of three (3) parties to be named by the Sponsor. However, these Officers and Managers will resign in favor of Officers and Managers which will be elected by the Unit Owners at a meeting to be convened within 30 days after the First Closing; they may however, be re-elected at such time. The By-Laws do not include a provision that a majority of the Board of Managers must be owner-occupants or members of an owner occupant's household who are unrelated to the Sponsor and its Principal after the end of the initial Sponsor control period. Purchasers for their own occupancy may never gain control of the Board of Managers. Owner-occupants and non-resident Owners, such as Sponsor, may have inherent conflicts on the management of the Condominium.

Managers shall be elected by a plurality of the votes at a meeting at which a quorum shall be present. When voting for Managers, each Unit Owner shall be entitled to cast one vote for each .01% of common interest in the condominium appurtenant to such owner's unit, which may be cast all for one nominated manager or divided among any number of candidates. At such time as the Unsold Units constitute less than fifty percent (50%) of the Condominium, or upon the second (2nd) anniversary of the first closing date, whichever is sooner, not less than a majority of Managers shall be Unit Owners other than, and unrelated to, the Sponsor. Members of the Board of Managers shall serve without compensation, except for reimbursement for expenses actually incurred in the course of any furtherance of business for the Board of Managers.

The Board of Managers shall meet at least annually, and at such regularly scheduled times as shall be adopted by resolution by the Board of Managers. Special meetings may be called on five (5) days written notice by any two Managers.

The Board of Managers will be responsible for the operations of the affairs of the Condominium including, but not limited to, the fiscal operation, repairs and maintenance of the common areas of the Property, replacement and capital improvements to the common areas of the Property; the hiring, supervision and discharging of employees and Managing Agent (if any), and the enforcement of the provisions of the By-Laws, and shall have the powers and duties necessary for the administration of such affairs.

The principal officers of the Condominium shall be the President, the Vice President, Secretary and Treasurer, all whom shall be elected by the Board of Managers. All officers shall serve without compensation or remuneration. The officers shall be elected annually by the Board of Managers; and, each officer shall hold office at the pleasure of the Board of Managers or until succession, resignation, or death. Upon the vote of a majority of the Board of Managers, any officer may be removed, with or without cause.

The President shall be the chief executive officer of the Condominium, and shall have all of the general powers and duties which are incident to the office of a president of a Condominium organized under the **New York State Condominium Act**.

The Vice-President shall take the place of the President and perform his/her duties whenever the President shall be absent or unable to act. The Vice President shall also perform such other duties as shall from time to time be imposed upon his/her by the Board of Managers or by the President.

The Secretary shall keep the minutes of all meetings of the Unit Owners and of the Board of Managers, and shall have charge of such books and papers as the Board of Managers may direct; and shall, in general, perform all the duties incident to the office of a secretary of a Condominium organized under the New York State Condominium Act.

The Treasurer shall have the responsibility for Condominium funds and securities and shall be responsible for: keeping full and accurate financial records and books of account; and, deposit of all moneys and other valuable effects in the name of the Board of Managers, or the Managing Agent, in such depositories as may from time to time be designated by the Board of Managers.

The Board of Managers, or the Secretary, shall keep detailed records of the actions and minutes of the meetings of the Board of Managers, minutes of the meetings of the Unit Owners, and, financial records and books of account of the Condominium. In addition, an annual audited financial statement of the Condominium, and an income tax deduction statement certified by an independent Certified Public Accountant, shall be rendered by the Board of Managers to all Unit Owners December 31 of each calendar year.

The Secretary shall mail a notice of each annual or special meeting to all Unit Owners of record. The notice shall state the purpose of the meeting as well as the time and place where it is to be held, and the notice will be given at least ten (10), but not more than forty (40) days prior to such meeting.

Both the Declaration and the By-Laws may be modified or amended by the vote of two-thirds (2/3) of the Unit Owners, as that term is defined in Article II, Section 8 of the By-Laws, at a meeting of Unit Owners duly held for such purpose. Anything herein contained to the contrary notwithstanding, so long as the Sponsor is the owner of one or more unsold units, the By-Laws may not be altered, amended, repealed, or added to, without the consent of the Sponsor.

The Board of Managers shall be required to maintain hazard and casualty insurance on

the building in an amount sufficient to ensure that the condominium shall not be a co-insurer (which generally means that the policy must be retained at replacement value); and it shall also maintain liability insurance in an amount which it deems appropriate. The proceeds of the hazard and fire insurance policy shall be payable to the condominium Board in the event of a loss amounting to \$100,000.00 or less and to the insurance trustee, if the loss exceeds \$100,000.00. Such proceeds shall be applied to the repairing, restoring or rebuilding the building unless otherwise determined by Unit Owners. In no event shall the proceeds of any such insurance policy be paid to the holder of any mortgage on a unit unless there has been a determination by Unit Owners not to rebuild the building. The insurance trustee, if any, shall be a bank or trust company having an office in the city and state of New York.

(2) Each Unit Owner and each mortgagee of a unit shall, upon prior request and with a valid purpose, be permitted to examine the books of account of the Condominium and other records of the Condominium during normal business hours on business days at the office of the Condominium.

(3) The members of the Board of Managers shall not be liable to the Unit Owners for any mistake of judgment, negligence, or otherwise, except for willful misconduct or bad faith. The Unit Owners shall severally indemnify the members of the Board of Managers against any liability or claims except those arising out of the bad faith or willful misconduct of a member or members of the Board of Managers. It is intended that the members of the Board of Managers shall have no personal liability with respect to any contract made by them on behalf of the Condominium. It is also intended that the liability of any Unit Owner arising out of any contract made by the Board of Managers, or out of the aforesaid indemnity in favor of the members of the Board of Managers, shall be limited to such proportion of the total liability thereunder as his/her interest in the Common Elements of all Unit Owners.

(4) The Managers shall serve without compensation or remuneration.

(5) Any Manager may be removed from office at any time with or without cause upon the affirmative vote of the Unit Owners whose aggregate votes are at least 51% of the votes of the Condominium at a Unit Owner's meeting duly called for the purpose; provided, however, that the Manager(s) elected by the Holder(s) of Unsold Units can be removed only for cause by vote of a majority of the Unit Owners or without cause by the Holders of the Unsold Units.

(6) Unit Owner's voting rights:

At each meeting of Unit Owners, each Unit Owner present in person or by proxy shall be entitled to cast the votes appurtenant to his/her Unit at the time of service of notice of such meeting or at such prior date, not more than forty (40) days before such meeting, as may be prescribed by the Board of Managers as the date for determining which Unit Owners of record are entitled to notice of and to vote at such meeting. The proxies shall be in writing duly signed by the Unit Owner but need not be acknowledged or witnessed, and the person named as proxy by any Unit Owner need not himself be a Unit Owner of the Condominium.

Voting by Unit Owners shall be viva voce unless any Unit Owner present at the meeting, in person or by proxy, demands a vote by written ballot, in which case the voting shall be by ballot,

and each ballot shall state the name of the Unit Owner voting and the number of votes appurtenant to her/her Unit, and in addition, the names of the proxy of such ballot if cast by a proxy.

(7) Amend Condominium By-Laws and Change Declaration of Condominium:

Both the Declaration and the By-Laws may be modified or amended by the vote of two-thirds (2/3) of the Unit Owners or sixty-six and two-thirds percent (66 2/3%) of the common interest, as that term is defined in Article II, Section 8 of the By-Laws, at a meeting of Unit Owners duly held for such purpose.

Copies of the Declaration and By-Laws are set forth in Part II of the Plan.

a) No amendment, modification, addition or deletion which shall adversely affect the lien or any mortgage may be made without the written consent of the mortgagee;

b) No amendment which shall change the percentage of Common Interests allocated to any Unit or Units may be made without the written consent of such Owner;

c) No amendment, modification, addition or deletion of or to this Declaration will be effective in any respect against the Sponsor, its designee, or any Unsold Unit until the Sponsor or such designee shall consent thereto in writing.

The Sponsor hereby reserves to itself and its designee(s) the right to amend this Declaration at any time without the requirements of a vote and without the approval or consent of any Unit Owners or mortgagees for the sole purpose of filing the Floor Plans required by the New York Real Property Law Section 339-p for any portion or portions of the Buildings and appurtenances which are incomplete upon the original filing of the Declaration provided that the verified statement of a registered architect or licensed professional engineer certifying that the plans being filed simultaneously with such amendment, fully and fairly depicting the layout, location, unit designations and approximate dimensions of the particular Unit or Units as built, as provided in said Section 339-p will be filed with such amendment.

No such amendment shall be effective until recorded in the Kings County Office of the Register of the City of New York.

SECTION (W): RIGHTS AND OBLIGATIONS OF UNIT OWNERS AND BOARD OF MANAGERS

(1) Sale or Lease of Unit; Right of First Refusal of Board of Managers

FOR THE PROPOSED RESALE OF A CONDOMINIUM UNIT:

Any Unit Owner shall have the right to sell his or her Unit under the following terms and conditions:

The terms of any lease, including the rent, will not be subject to state or local laws.

A. The Unit Owner shall first give the Board of Managers thirty (30) days prior written notice of the terms of any bona fide sale, together with a copy of a contract of sale executed by a prospective purchaser, which the Unit Owner desires to execute. Written notice with a copy of the contract of sale shall be sent to the managing agent, if any, or to the President of the Condominium by Certified Mail or overnight mail by via a nationally recognized overnight courier service with proof of delivery being retained by the Unit Owner. The Board of Managers shall have thirty (30) days to exercise the right of first refusal.

B. The Board of Managers may require the prospective purchaser to complete an application and/or questionnaire for consideration by the Board of Managers or Sponsor of the proposed transaction. (The 30-day period as discussed above shall commence from the time that the managing agent or the President of the Condominium receives a fully completed application in the event that the condominium requires applications to be completed by prospective purchasers). The Board of Managers shall require photo identification of all persons who are prospective purchasers and who may reside in the condominium unit; the names, addresses and social security numbers of all proposed occupants shall be provided to the Board of Managers with the proposed contract of sale. Any prospective purchaser of any condominium unit consents to the Board of Managers obtaining a criminal background check on the proposed purchasers. The Board of Managers may not discriminate against any proposed purchaser or proposed occupant on the basis of race, creed, color, national origin, sex, age, disability, marital status or other grounds prohibited by law.

If the Board of Managers fails to act within such thirty (30) day period, it shall be deemed to have waived the right of first refusal to the proposed transaction;

Any such deed to convey any condominium unit shall provide that the acceptance thereof by the grantee shall constitute an assumption of the provisions of the Declaration, the By-Laws and the Rules and Regulations, as the same may be amended from time to time.

C. If the Board of Managers refuses to exercises its right of first refusal to the transaction, it shall, within the thirty (30) day period, either:

(i) Produce a purchaser who will purchase the unit upon the same terms as stated in the Unit Owner's notice to the Board of Managers and the contract of sale executed by the proposed purchaser, or

(ii) Agree to purchase the Unit on behalf of all other Unit Owners on the same terms stated in the contract of sale submitted to the Board of Managers.

If the Board of Managers desires to purchase the condominium unit from a unit owner, at the closing, the Unit Owner shall convey the unit (and Appurtenant Interests) to the Board of Managers or to its designee, on behalf of all other Unit Owners, by deed in the form required by Section 339-0 of the Real Property Law of the State of New York, with all transfer stamps affixed, and shall pay all transfer and other taxes arising out of such sale. Real estate taxes, mortgage interest and common charges and expenses shall be apportioned between the Unit Owner and the Board of Managers, or its designee, as of the closing date. The closing shall occur within 45 days from the date that the Board of Manager exercises its right of first refusal to purchase the condominium unit. The closing shall occur at the offices of the attorney for the condominium.

In connection with the foregoing, the Board of Managers may not purchase a Unit without the approval of a majority of the Unit Owners (as such term "majority" is defined in the By-Laws). In the event that the Board of Managers does not have sufficient funds on hand for the purchase of a Unit which has been approved by the majority of the Unit Owners, the Board of Managers may borrow such funds or may assess the Unit Owners in proportion to their respective common interests to the extent of the purchase price amount. In the event that the Board of Managers exercises its right to purchase the condominium unit, it may do so on the same terms and conditions (including but not limited to the mortgage contingency provisions and closing date provisions set forth in the contract executed by the proposed purchaser). In the event that the Board of Managers does not either produce a purchaser for the Unit or agree to purchase the Unit on behalf of all of the Unit Owners as set forth above within the stated thirty (30) day period, the Unit Owner shall have the right to consummate the sale on the terms submitted to the Board of Managers and in accordance with the terms set forth in the contract of sale executed by the proposed purchaser. The proposed purchaser must comply with the requirements set forth in the Declaration and By-Laws.

The restrictions upon the sale of Units, set forth in this Section shall not apply to the Sponsor, or its designee, or to a mortgagee (including the holder of a construction loan, if any) acquiring title in foreclosure or by deed in lieu of foreclosure. The foregoing persons shall be free to sell without first notifying or obtaining the waiver of right of first refusal of the Board of Managers or Sponsor. The Board of Managers and the Sponsor, as the case may be, shall be required to cooperate in providing appropriate physical access to any such Unit and the common elements, as well as all financial information regarding same.

A Unit acquired by the Board of Managers pursuant to the Right of First Refusal described herein may be sold, leased, mortgaged or otherwise dealt with in the discretion of the Board of Managers. The proceeds of such disposition will be received by the Board of Managers on behalf of all Unit Owners in proportion to their respective common interests.

Purchasers of Units may not assign their Purchase Agreements without first obtaining the written consents of the Sponsor, which consents may be granted or withheld in Sponsor's sole and absolute discretion. Purchasers are prohibited from listing their Units for sale prior to

the closing of such unit. In the event that purchasers sell their Units within 12 months of the closing date of their Units (the "subsequent sales"), purchasers shall be obligated to pay to the Sponsor 50% of the net profit from the subsequent sales. Net profit is defined as the sale price for the subsequent sale, less transfer taxes and brokerage fees paid by a purchaser (who purchased from Sponsor), less the price which the purchaser paid to sponsor for the purchase of the Unit and any other costs incurred in selling the Unit.

FOR THE PROPOSED LEASING OF A CONDOMINIUM UNIT BY A UNIT OWNER:

Any Unit Owner shall have the right to lease their condominium unit subject to Board of Managers right of first refusal under the following terms and conditions:

The Unit Owner shall first give the written notice by Certified Mail or via a nationally recognized overnight courier service with proof of delivery being retained by the Unit Owner to and for approval by the (a) Sponsor if Sponsor is in control of the Board of Managers, or (b) the Board of Managers if Sponsor is no longer in control of the Board of Managers, of no less than thirty (30) days written notice of the terms of any bona fide proposed lease and tenant, together with a copy of a completed lease to be executed by a prospective tenant, or if executed by the prospective tenant, the lease must include the following provision:

For a lease:

"THIS LEASE IS SUBJECT TO THE WRITTEN WAIVER OF RIGHT OF FIRST REFUSAL OF THE BOARD OF MANAGERS OF 850 PUTNAM CONDOMINIUM. THIS LEASE IS NOT VALID UNLESS THE BOARD OF MANAGERS ISSUES A LETTER STATING THAT THE CONDOMINIUM HAS NO OBJECTION TO THE PROPOSED LEASING OF THE CONDOMINIUM UNIT WHICH IS THE SUBJECT OF THE LEASE".

Written notice must be sent by the Unit Owner by Certified Mail or via a nationally recognized overnight courier service with proof of delivery being retained by the Unit Owner to the Sponsor if the Sponsor is still in control of the Board of Managers, or to the President of the Condominium if the Sponsor is no longer in control of the Board of Managers.

If the Board of Managers fails to object to the proposed leasing of the subject condominium unit within thirty(30) days of receipt by the Sponsor or President of the Board of Managers, as the case may be, of the notice and lease as set forth above, it shall be deemed that the Board of Managers or the Sponsor, as the case may be, has waived the right of first refusal to the proposed transaction. If there is a managing agent managing the condominium building, then such notice may be sent to the managing agent instead of the President of the Condominium.

The Board of Managers may require the prospective tenant to complete an application and/or questionnaire for consideration by the Board of Managers or Sponsor of the proposed leasing transaction. (The 30 day period as discussed above shall commence from the time that the managing agent or the President of the Condominium receives a fully completed application in the event that the condominium requires applications to be completed by

prospective purchasers). The Board of Managers shall require photo identification of all persons who are prospective tenants and occupants who shall reside in the condominium unit which is the subject of the lease. The names, addresses and social security numbers of all persons who will reside in the condominium unit must be submitted to the Board of Managers with the proposed lease. Any prospective tenant of any condominium unit consents to the Board of Managers obtaining a criminal background check on the proposed tenants and occupants. The Board of Managers may not discriminate against any proposed purchaser or proposed occupant on the basis of race, creed, color, national origin, sex, age, disability, marital status or other grounds prohibited by law.

Any purported leasing of a Condominium Unit in violation of this Section shall be voidable at the election of the Board of Managers or Sponsor as the case may be.

The restrictions upon the leasing of Condominium Units, set forth in this Section shall not apply to the Sponsor, or its designee, or to a mortgagee (including the holder of a construction loan, if any) acquiring title in foreclosure or by deed in lieu of foreclosure. The foregoing persons shall be free to lease, without first notifying or obtaining the consent of the Board of Managers or Sponsor. The Board of Managers and the Sponsor, as the case may be, shall be required to cooperate in providing appropriate physical access to any such Unit and the common elements, as well as all financial information regarding same.

Any lease of a Unit shall be in the form recommended for apartments by the Real Estate Board of New York, except as otherwise provided in the By- Laws.

Notwithstanding the foregoing, no Unit Owner may sell or lease his Unit if he is in arrears on payment of common charges.

Unit Owners will be free, without restriction, to sell or lease their respective Units to a spouse or, any adult children, without first offering the unit for sale or lease to, or obtaining the consent of the Board of Managers. Furthermore, a Unit Owner is free, without restriction, to make a gift of his Unit to anyone during his lifetime, to devise such Unit by will or pass such Unit by intestacy. No Unit can be sold, leased or in any way transferred apart from its appurtenant interest in the Common Elements.

The Board of Managers may make further restrictions on or conditions to sale or lease of Units in the future consistent with the Condominium Declaration, By-Laws and applicable law.

Every Unit Owner shall be required to pay a processing fee, to be determined by the Board of Managers, per transaction to the Board of Managers for each sale (other than the initial purchase by the Unit Owner) or lease of his or her Unit.

(2) Mortgaging of Units by Unit Owners.

Each Unit Owner may mortgage his Unit and become individually liable for the payment of the principal and any finance charges or interest on such mortgage indebtedness. Failure to pay his or her share of the Common Charges will result in the Board of Managers

having a lien on the Unit for the unpaid Common Charges.

Notice to Board of Managers: A Unit Owner who mortgages his Unit shall notify the Board of Managers of the name and address of his mortgagee and shall file a confirmed copy of the note and mortgage with the Board of Managers; the Board of Managers shall maintain such information in a book entitled "Mortgages of Units."

(3) Common Charges and assessments.

(i) **Procedure to Establish.** The Board of Managers shall from time to time, but at least annually, prepare a budget for the Condominium determining the amount of the Common Charges payable by the Unit Owners. Common charges will be established by determining the operating budget for the coming year of condominium operation and allocating to each Unit Owner a percentage of that budget in accordance with their percentage of ownership for common interest in the condominium.

(ii) **Reserve for Capital Expenditures.** The Common expenses include, among other things, the cost of all insurance premiums on all policies of insurance required to be, or which have been, obtained by the Board of Managers. The Common Expenses may also include such amounts as the Board of Managers may deem proper for the operation and maintenance of the Property including, without limitation, an amount of working capital and a general operating reserve. There are no restrictions imposed on the right of the Board of Managers to accumulate reserves for Capital Expenditures, or otherwise. The Board of Managers shall advise all Unit Owners promptly, in writing, of the amount of Common Charges payable by each of them, and shall furnish copies of each budget on which such Common Charges are based to all Unit Owners and to their mortgagees of record, if requested.

(iii) **Termination of Common Charges and Assessment Liability of Unit Owners.** Under section 339-kk of the Real Property Law, the board of managers has the right to require the tenant in an apartment owned by a non-occupying owner to make rental payments directly to the board of managers where such non-occupying owner is in default on payments of common charges, assessments or late fees for such unit for a period of 60 days after the expiration of any grace period after they are due. Payments by such rental tenant to the condominium pursuant to this statute relieves such rental tenant from the obligation to pay such rent to such non-occupying owner, and is an absolute defense in any nonpayment proceeding commenced by such non-occupying owner. The procedures by which the board of managers may enforce this right, including required notice, means of protest, and termination are set forth in the aforementioned BOARD OF MANAGER Section of this Offering Plan.

No Unit Owner may exempt himself from liability for Common Charges or Expenses by waiver of the use, or enjoyment of any of the Common Elements, or by abandonment of his Unit. The liability of each Unit Owner for the payment of the Common Charges and Expenses thereafter assessed or becoming due against the Unit shall terminate upon a permissible sale, transfer or other conveyance of such Unit, and the appurtenant interests in the Common Elements.

In addition, any Unit Owner may, subject to the terms and conditions specified in the By-Laws, provided that his Unit is free and clear of liens and encumbrances, other than

permissible mortgages and the statutory lien for unpaid common charges, convey his/her Unit together with the said appurtenant interests to the Board of Managers or its nominee on behalf of all other Unit Owners, and in such event be exempt from all Common Charges and Expenses thereafter assessed. The By-Laws do not contain a provision stating that the obligation to pay common charges is terminated if the Unit Owner conveys the Unit to the Board without compensation.

(iv) **Sections 339-z and section 339-aa of the Real Property law.** Under the provisions of Section 339-z of the Condominium Act, the Board of Managers on behalf of the Unit Owners shall have a lien on each Unit for unpaid Common Charges assessed against such Unit by the Board of Managers, together with interest thereon. Such lien shall be subordinate only to liens for real estate taxes on the Unit and to any sums unpaid on the first mortgage of record of such Unit. Any lien for unpaid Common Charges against a Unit shall be effective from and after the filing of a notice thereof in the Kings County Office of the City Register, and until all sums secured thereby with the interest thereon shall have been fully paid, or until six years from the date of filing (unless foreclosure of such lien is started within such six-year period), whichever may be earlier. Such lien may be foreclosed by a suit brought in the name of the Board of Managers acting on behalf of the Unit Owners in like manner as the foreclosure of a mortgage on real property, or an action may be brought by the Board of Managers to recover the Unpaid Common Charges without foreclosing the lien.

(v) **Board of Manager to File a Lien.** In the event the Sponsor is more than thirty (30) days in arrears on Common Charges for any unsold Unit during the time the Sponsor is in control of the Board of Managers, Sponsor will cause the Board of Managers to file a lien as provided for in section 339-aa of the Real Property law.

(4) **Repairs**

(i) **Allocation of Responsibility.** All maintenance or any repair to any Unit, ordinary or extraordinary, and to the doors and windows (except the painting and decoration of the side of the elevator doors and stairwell doors which do not face into a Unit, and the exterior side of windows), electrical (except Common Elements) within the Unit or belonging to the Unit Owner, shall be at the Unit Owner's expense, except for structural elements as specifically required herein.

(ii) **Required of Unit Owners.** Unit Owners who enjoy use of a limited common element are responsible for regular repair and maintenance of such limited common element such as cleaning, painting, repair to surface damage, etc. Damage to the structural or mechanical systems serving such limited common element (except where directly caused by act or omission of the Unit Owner, their agents, employees or invitees) are the responsibility of the condominium through the Board of Managers.

(iii) **Responsibility for Repairs or Replacements for Negligence or Abuse.** All maintenance, repairs, and replacements to the Common Elements (including the exterior walls of the Building and exterior sides of the windows) and the painting and decorating of the side of the elevator doors and stairwell doors which do not face into a Unit shall be made at the direction of the Board of Managers, and be proportionately charged to all the Unit Owners as a Common

Expense, except to the extent that the same are necessitated by the negligence, misuse or neglect of a Unit Owner, in which case such expense shall be charged to such Unit Owner

(iv) **Right of Access.** A Unit Owner by acceptance of a Deed for a Unit shall have granted a right of access to the Unit and to all appurtenant areas, if any, to the Board of Managers and/or Managing Agent and/or any other person authorized by the Board of Managers of the Managing Agent, for the purpose of performing installations, alterations or repairs to the mechanical or electrical services of other Common Elements in his/her Unit or elsewhere in the Building in which the Unit is located, to remove violations, cure defaults by a Unit Owner, and for any other purpose provided in the Plan, Declaration, or as may be required by law or governmental regulation, provided that requests for entry (except in emergency situations) is at a time reasonably convenient to the Unit Owner. In case of emergency, such right of entry shall be immediate, whether the Unit Owner is present at the time or not. Provided reasonable care is exercised to safeguard the Unit Owner's property, such entry shall not render the Board of Managers or its authorized agents liable for damage incurred in connection with the exercise of such right of entry. Each Unit Owner will deposit with the President of the Board of Managers a key to his/her Unit to allow for entry in an emergency. The Board of Managers may designate responsible individual(s) to hold such keys.

Each Unit Owner shall be required to pay the Common Charges and Expenses levied by the Board of Managers. All Unit Owners, mortgagees, lessees and occupants of Units and their employees, and any other persons who may use the facilities of the Property in any manner, are subject to the By-Laws, the Declaration and the Rules and Regulations. A copy of the Declaration and By-Laws and Rules and Regulations appear in Part II of this Plan. The violation of any of the Rules and Regulations or the breach of any By-Laws or provision of the Declaration shall give the Board of Managers, in addition to other rights set forth in specific provisions of the By-Laws, the right to: (i) enter any Unit in which, or as to which, such violations or breach exists and to abate and/or remove same summarily, at the expense of the defaulting Unit Owner. The Board of Managers shall not thereby be deemed guilty or liable for trespass nor be liable for any damage to the Unit, nuisances or fixtures incurred in connection with such rights unless such damage is caused by negligence on the part of the Board of Managers; or (ii) enjoin, abate or remedy by appropriate legal proceedings, the continuance of any such violation or breach. The costs incurred by the Board by virtue of the exercise of its rights to correct such breaches or violations, including attorney's fees, shall be due upon demand from the Unit Owner in question, and shall constitute a Common Expense against his/her Unit.

As part of Purchase of the Unit, Purchaser will be required to execute a broad Power of Attorney in favor of the Board of Managers of the Condominium. This Power of Attorney will give the board of Managers the right to acquire and otherwise administer defaulted, abandoned or foreclosed units in the name of the condominium. It will also give the board of Managers the right to execute amendments to the Condominium Declaration, Deeds conveying condominium property, filing for severance of tax lots and other functions reasonable or necessary to effectuate the purposes set forth in the Condominium Declaration, on behalf of all of the Unit Owners. Purchaser must sign the Power of Attorney at closing; failure to sign the Power of Attorney will be deemed a default and will result in cancellation of the transaction and possible loss of the downpayment. Please see the POWER OF ATTORNEY set forth in Part II of this Offering Plan.

(v) Limited Common Elements

Units 1B and 2B has a rear yard area as a limited common element the size of approximately 704.86 and 568.81 Square Feet respectively. Units 3A and 4A each have two balconies as limited common elements the size of approximately 41.676 Square Feet for each balcony. Units 3B and 4B each have two balconies as limited common elements the size of approximately 50 Square Feet for each balcony. Units 4A and 4B have roof area as limited common elements the size of approximately 313.19 and 224 Square Feet respectively.

Numerous units in the subject premises will have rear yard, roof area, and balcony allocated as limited common elements. No structures may be built on these areas without the express written permission of the Board of Managers and prior authorization, if obtainable, of the New York City Department of Buildings. Unit Owners who enjoy use of a limited common element are responsible for regular repair and maintenance of such limited common element such as cleaning, painting, repair to surface damage, etc. Damage to the structural or mechanical systems serving such limited common element (except where directly caused by act or omission of the Unit Owners, their agents, employees or invitees) are the responsibility of the condominium through the Board of Managers. The rear yards, roof areas, and balconies may not be used for any type of occupancy, including but not limited to dining, sleeping, living room, recreation and office, breach of which may result in a violation issued by Department of Building against the Condominium building and in which case, Unit Owner shall be fully responsible for clearance of the violation at Owner's cost and expense.

(5) Additions, Alterations and Improvements

(i) Rights and Obligations of Unit Owners and Board of Managers. No Unit Owner may make any structural addition, alteration or improvement in his Unit, or do any work which would jeopardize the soundness or safety of the Building, reduce the value thereof, or impair any easement or hereditament of the Property, without the prior written approval of the Board of Managers. As a condition of the granting of its consent to the above acts, the Board of Managers may require the Unit Owner to execute an agreement in form and substance satisfactory to the Board of Managers setting forth the terms and conditions under which such alteration, addition, improvement, or repair, may be made, including without limitation, the days and hours during which any work may be done. No application shall be filed with any governmental authority for a permit covering an addition, alteration, or improvement to be made in a Unit, unless approved and executed by the Board of Managers; such approval, however, shall not result in liability on the part of the Board of Managers or any of them, to any contractors, subcontractors, material men, architects or engineers, by reason of such additions, alterations, or improvements, or to any persons having any claims for injury to persons, or damage to property arising therefrom. Such contractors, subcontractors, material men, architects or engineers, by reason of such additions, alterations, or improvement, or any person having any claims for injury to persons, or damage to property arising therefrom shall fully indemnify the Board of Manager or any of them. The provisions of this paragraph shall not apply to an Unsold Unit, provided that any alterations to such Unsold Units shall be in accordance with, and only as permitted, by the Condominium Act and all governmental regulations.

(ii) Work That Unit Owners Can Do with or Without Consent. Non-structural

alterations and improvements to Residential Units that do not affect the exterior of the Building, or the value of other Units, may be made without prior approval of the Board of Managers.

Unit Owners may perform all standard repair and maintenance items within their apartment and standard home improvements items without permission of the Board of Managers. Thus, Unit Owners may repair or replace fixtures, equipment, cabinetry, flooring, sheetrock, etc. without permission of the Board of Managers. However, Unit Owners may not relocate plumbing, heating, electric or other service lines affecting other units in the building during the course of such repairs or improvements without receiving Board permission.

(iii) **Requirement in the By-Laws.** In the event the Board of Managers grants its consent, either affirmatively or by its inaction, to any structural addition, alteration or improvement to be made by a Unit Owner, the consent shall provide that any such work shall be at the Unit Owner's sole cost and expense, that work shall be done in accordance with all governmental or quasi-governmental laws, rules, regulations, codes and ordinances, that all work shall be done by reputable contractors with adequate liability, property damage and worker's compensation insurances (certificates for which shall be delivered to the Board of Managers prior to the commencement of construction), that any additions, alterations or improvements, shall be maintained in their entirety by said Unit Owner who shall also be responsible for any repairs, including structural repairs, to such area in any event, and to the Unit and any Common Elements where such repairs become necessary due to additional stresses caused by the structural alteration, addition or improvement, or due to improper design or construction of the structural alteration, addition or improvement, and such approval shall further provide that the Unit Owner shall reimburse the Board of Managers any out-of-pocket expenses incurred by the Board of Managers in connection with the granting of such approval and in connection with any services provided to such alteration, addition or improvement; such expenses may include, but shall not be limited to, any fees of an attorney and/or fees of an architect consulted in connection with any request by a Unit Owner for approval of such work.

The provisions of 13 NYCRR Section (W) (5) promulgated by the Department of Law which requires the consent of the Board of Managers in connection with a structural addition, alteration or improvement shall not apply to Units owned by the Sponsor or its designee. All other provisions of this Section (W) (5) shall apply to all Units.

Non-structural alterations and improvements to Units that do not affect the exterior of the Buildings may be made without the prior approval of the Board of Managers.

(6) **Insurance.**

(i) **Provided by Board of Manager.** The Board of Managers shall obtain and maintain, to the extent determined by them to be appropriate: (1) hazard insurance, with extended coverage, insuring the Building and Units (but not including furniture, furnishings or other personal property supplied to, or installed by, Unit Owners), together with all service machinery contained therein covering the interests of the Condominium. The Board of Managers, and all Unit Owners and their mortgagees, as their interest may appear, in an amount equal to the full replacement value of the insured property without deduction for depreciation; (2) machinery insurance; (3) water damage legal liability insurance; (4) liability insurance for personal injury or

property damage in an amount not less than one million dollars; (5) officer's and director's insurance covering the board of managers; and (6) such other insurance as the Board of Managers may determine. Each of the policies shall contain a New York standard mortgage clause in favor of each mortgagee of a Unit which shall provide that the loss, if any, thereunder shall be payable to such mortgagee as its interests may appear, subject, however, to the loss payment provisions in favor of the Board of Managers in the event of casualty or condemnation.

(ii) **Not Provided by Board of Manager.** Unit Owners shall be entitled to carry casualty insurance protection for their furniture and the interior of their Units and for personal liability coverage for their own benefit at their own expense, provided that such policies contain waivers of subrogation, and further provided that the liability of the carriers issuing insurance procured by the Board of Managers shall not be affected or diminished by reason of any other insurance carried by a Unit Owner. Please see **footnote 6** to SCHEDULE B of this Offering Plan for the details of the insurance coverage.

(iii) **Conditions and Proceeds Allocations.** The Board of Managers shall be required to maintain hazard and casualty insurance on the building in an amount sufficient to ensure that the condominium shall not be a co-insurer (which generally means that the policy must be retained at replacement value); and it shall also maintain liability insurance in an amount which it deems appropriate. The proceeds of the hazard and fire insurance policy shall be payable to the Condominium Board of Managers in the event of a loss amounting to \$100,000.00 or less and to the insurance trustee, if the loss exceeds \$100,000.00. Such proceeds shall be applied to the repairing, restoring or rebuilding the building unless otherwise determined by Unit Owners. In no event shall the proceeds of any such insurance policy be paid to the holder of any mortgage on a unit unless there has been a determination by Unit Owners not to rebuild the building. The insurance trustee, if any, shall be a bank or trust company having an office in the city and state of New York.

(7) **Restrictions on Occupancy and Use.**

Occupancy shall be limited to residential uses, as described in the DESCRIPTION OF PROPERTY AND SPECIFICATIONS Section of the Offering Plan, unless permission for other use is granted by the Board of Managers and meets approvals of government agencies and authorities.

Purchasers are prohibited from listing their Units for sale prior to the closing of such unit. In the event that a purchaser sells his or her unit within 12 months of the closing date of their unit (the "subsequent sale"), purchaser shall be obligated to pay to the sponsor 50% of the net profit from the subsequent sale. Net profit is defined as the sale price for the subsequent sale, less transfer taxes and brokerage fees paid by purchaser (who purchased from Sponsor), less the price which purchaser paid to sponsor for the purchase of the unit and any other costs incurred in selling the unit.

(i) **Limitation on Pets.** No animals, birds, or reptiles of any kind shall be raised, bred, or kept in any unit or in the common elements or limited common elements, except that dogs, cats or other household pets, not to exceed one per unit with the maximum size of any dog shall be no more than twenty pounds, without the written consent of the Board of

Managers, may be kept in units, subject to the rules and regulations adopted by the Board of Managers, provided, that they are not kept, bred or maintained for any Commercial purposes; and provided further that any such pet causing or creating a nuisance or unreasonable disturbance or noise shall be permanently removed from the property subject to these restrictions upon three (3) days written notice from the Board of Managers.

In no event shall any dog be permitted in any portion of the common elements unless carried or on a leash, or in any grass or garden plot under any circumstances.

(ii) **Aesthetic Controls.** In order to retain the structural integrity and aesthetic appearance of the building, no additional window or through-the-wall air-conditioning appliances may be installed in any unit and no radio, television aerial or awning shall be attached to or hung from the exterior of the building by the Unit Owner without consent of the Board and otherwise in accordance with applicable laws and rules. Painting of doors to the individual residential units or any portion of the property outside of the Condominium Unit is prohibited.

(iii) **Limitation on Business or Professional Use.** Business or professional use is not permitted without the express written consent of the Board of Managers and must be permitted by zoning regulations. The sponsor may maintain an office on the premises while there is at least one unit unsold.

(iv) **Restrictions on Occupancy of Units Owned by Corporations, Partnerships or Fiduciaries.** Corporations, Partnerships and Fiduciaries may own condominium units provided that the use is for residential purposes only, and not for any business or non-residential purpose

(v) **Restrictions on Illegal or Offensive Uses.** Units may not be used for illegal or offensive uses.

(vi) **Limitations on Guest Privileges.** A Unit Owner may not permit a guest to use the Unit in the absence of the Unit Owner without the express written consent of the Board of Managers.

(vii) **Limitations on Utilization of Common Elements and Parking Facilities.** Common Elements may not be used for storage or loitering.

(viii) **Limitations Contained in the Certificate of Occupancy and Zoning Regulations.** There are no known restrictions set forth in the Zoning Regulations to prohibit the use as contemplated for this condominium. There are no known limitations in the Certificate of Occupancy which will be sought by the Sponsor which would limit the use of the condominium property other than as set forth in this offering plan.

(ix) **Window Guards.** Each Unit Owner must notify the Managing Agent, or the Board of Managers if there is no Managing Agent, when a child or children ages eleven (11) years or under live or reside, permanently or temporarily in the Condominium Unit. Each Unit Owner must install at the Unit Owner's sole cost and expense the required window guards in

all windows of the Unit. The Unit Owner must maintain all window guards installed in the Unit and shall not remove same until permitted by applicable law and in any event, without written consent of the Managing Agent and/or Board of Managers. [See SECTION (C): SPECIAL RISK.]

(8) **Other Material Restrictions.** There are no other material provisions in the declaration or by-laws, which significantly affect the rights and obligations of the unit owners or the board of managers other than the following:

(i) **Limitations on Smoking.** Smoking and using electronic cigarettes is prohibited in any common areas within the interior of the building(s) as required by all applicable laws and is permitted in any of the dwelling units, provided that smoke does not enter into other Units or the Common Elements.

Smoking and using electronic cigarettes is permitted in all outdoor areas, including but not limited to, common courtyards, rooftops, balconies and patios, and any outdoor areas connected to dwelling units.

Unit Owners and their guests shall not permit cigarette, cigar or pipe smoke from escaping from the Unit and entering any other Unit or the Common Elements. Unit Owners shall not smoke in their Units if they are unable to prevent the smoke from entering the Common Elements or another Unit. The Board shall have the right to obtain a court order enjoining occupant of a Unit from smoking in the Unit or the Common Elements if the smoke escapes the Unit and the Board shall have the right to seek the eviction of a tenant who smokes in a Unit or the Common Elements if the smoke escapes from the Unit. In addition to all other remedies available to the Board, violation of this policy shall subject the Unit Owner to (i) a fine in an amount to be determined from time to time by the Board and (ii) reimbursement for any fees or expenses incurred by the Condominium to cause the smoke infiltration into the Common Elements or another Unit to cease (including but not limited to legal fees) in enforcing this provision.

SECTION (X): REAL ESTATE TAXES

(1) **After the units are separately assessed**, each Unit Owner will be taxed as a separate tax lot for real estate tax purposes, and no Unit Owner will be responsible for the payment of, nor subject to, any lien for non-payment of taxes on any other unit.

(i) There is no guaranty that there would be no delay in obtaining separate assessments by the appropriate tax assessor's office. There is currently no anticipated delay. Sponsor will use best efforts to obtain the aforementioned real estate tax exemption benefits, and will make all filings necessary to obtain such benefits, including a timely filing of all applications, and timely compliance with all procedures required to properly process and maintain the benefits. Upon closing, the Sponsor will make all documents available to the Board of Managers for inspection and copying for the life of the benefits.

(ii) If the units have not been separately assessed for real estate tax purposes prior to the closing of title to the first unit, the procedure by which unit owners will make payments towards real estate taxes to the board of managers is as follows:

On closing, Sponsor shall deposit with the Board of Managers a sum sufficient to pay all taxes due for the balance of 2018/2019 tax year. The Board of Managers shall be authorized to pay such taxes as and when due from such escrow fund. As each subsequent individual condominium Unit is sold, the Purchaser thereof, as a standard closing adjustment, shall reimburse the Sponsor for the portion of their tax liability paid by the Sponsor from the date of closing through the end of the 2018/2019 tax year. On closing, Sponsor may pay directly all real property taxes due for the balance of 2018/2019 tax year. It is anticipated that Units will be separately assessed for the 2018/2019 tax year, and that individual Unit Owners (whether Purchasers, holders of unsold shares, or the Sponsor) will pay the taxes thereof as set forth in the attached SCHEDULE A.

According to Sponsor's tax expert from Highpoint Incentives, Inc., although the first year of operation is in 2020, the most recent tax assessment rates available from the Department of Finance are for 2018/2019. Any updates will be provided for in an Amendment to the offering plan.

(2) **The Property is taxed by the City of New York** which, through the Department of Finance, has assessed the property at a pre-construction value of \$25,080.00, and imposes a tax rate of Twelve point seven one nine percent (12.719%). The amounts of real estate taxes payable are set forth in SCHEDULE A and the amounts are determined by applying the applicable tax rate to the non-exempt portion of the assessment as set forth in the attached letter from Highpoint Incentives, Inc., and then allocating the amount due in conformity with the allocation of Common Interests. The City of New York is not bound by the allocation of Common Interests, and may allocate on a different basis. All figures are estimates.

(3) **Sponsor has obtained an estimate** from Highpoint Incentives, Inc. of a post-completion assessed value of \$507,524.00, commencing in the 2018/2019 Tax Year.

(4) Unless otherwise as set forth in the attached letter from Highpoint Incentives,

Inc., there are no other known or tentative changes in the assessed valuation or tax rates which will affect the condominium unit. The Building benefits from the limitations imposed by Sections 581 (which prevents a building from being assessed at a higher level than similarly situated rental properties merely because of its status) and 1805 (which limits the annual increases due to changes in market value) of the Real Property Tax Law.

(5) There are no tax certiorari proceedings currently pending.

(6) **Individual owners may challenge the assessment** of their property by filing a tax protest in accord with the rules of the New York City Tax Commission. The Board of Managers may also file a protest on behalf of all Unit Owners. While there is no specific section of the By-Laws dealing with review of real estate tax assessment, the general grant of power in the Board of Managers to operate the property in the best interest of Unit Owners is sufficient to delegate to the Board of Managers a right to file tax protests on behalf of all Unit Owners.

(7) **Tax Exemption and Abatement Benefits.** The Sponsor has not applied for any tax benefits for the building.

(8) **Tax Status of the Condominium.** Ordinarily, a condominium Board of Managers may elect to be exempt from federal income taxes on Common Charges collected from Unit Owners under Section 528 of the Internal Revenue Code, provided certain prerequisites are met.

In order to elect such status,

a) the Condominium must be organized and operated to provide for the acquisition, construction, management, maintenance and care of the Property;

b) 60% or more of the gross income of the Condominium for the taxable year must consist solely of amounts received as membership dues, fees or assessments from owners of Units in the Condominium;

c) 90% or more of the net expenditures of the Condominium for the taxable year must be for the acquisition, construction, management, maintenance and care of the Property;

d) no part of the net earnings of the Condominium may inure (other than by acquiring, constructing or providing management, maintenance and care of the Property and other than by a rebate of excess membership dues, fees, or assessments) to the benefit of any private shareholder or individual;

e) substantially all of the Units must be used by individuals as residents; Treasury Regulation 1.528-4(b) provides that substantially all of the Units will be treated as used by individuals for residences only if at least 85% of the total square footage of all Units are used as such residences; and

f) the Condominium must make such election at such time in such manner as the Secretary of the Treasury prescribes by regulations.

Under the Treasury regulations issued pursuant to Section 528, a condominium management association must qualify annually for the election under Section 528; and additionally, it must make a separate election for each taxable year. Accordingly, the ability of the Board of Managers to elect the benefits of Section 528 will depend on the particular facts and circumstances prevailing in the taxable year at issue.

IT APPEARS THAT THE AFOREMENTIONED REQUIREMENTS WILL BE MET FOR A SECTION 528 ELECTION FOR AT LEAST THE FIRST YEAR OF OPERATION.

INCOME TAX DEDUCTIONS TO UNIT OWNERS AND TAX STATUS OF CONDOMINIUM

The following discussion of certain income tax consequences of the ownership of a Residential Unit as a personal unit was prepared by Sponsor, based in part, upon the income tax opinion of Dylan Chan Law Firm, P.C., counsel to Sponsor, a copy of which is set forth in the Offering Plan.

DYLAN CHAN LAW FIRM, P.C. IS COUNSEL TO SPONSOR AND NOT THE UNIT OWNERS. EACH PURCHASER SHOULD CONSULT PURCHASER'S OWN TAX COUNSEL AS TO THE TAX CONSEQUENCES OF THE UNIT OWNERSHIP UNDER THE PLAN.

Income Tax Deductions to Residential Unit Owners

A Residential Unit Owner will own the Condominium Unit which he or she purchases and its appurtenant Common Elements in fee simple absolute and each Unit will be a separate tax lot for purposes of New York City real estate taxes and assessments. As a result, a Unit Owner may be entitled to deduct for Federal, New York State and in case of New York City residents, New York City income tax purposes, real estate taxes assessed against the Unit and paid by such owner as well as interest paid by the Unit Owner on certain mortgages made against the Unit, subject to certain exceptions and limitations as discussed in the Attorney's Income Tax Opinion. Generally, an individual Unit Owner may only deduct interest on debt incurred to acquire his principal residence or a designated secondary residence subject to certain limitations. Each Purchaser should consult with his or her own tax counsel, accountant or other financial advisor as to the tax consequences of the ownership of a condominium unit.

Subject to certain exceptions and limitations that are more particularly discussed in the Opinion of Counsel – Income Tax Deductions to Unit Owners and Tax Status of Condominium,” it is the opinion of Dylan Chan Law Firm, P.C. that a Residential Unit Owner who uses the Residential Unit as a personal residence will, under present law, for Federal, New York State and New York City income tax purposes, be entitled to a deduction for mortgage interest and real estate taxes in the year paid in the case of cash basis taxpayers or accrued in the case of other taxpayers, subject to certain exceptions and limitations which are more particularly discussed in the Attorney's Income Tax Opinion. Purchasers should note that deductions, if applicable, may vary in the future due to changes in the interest rate or the Residential Unit Owner's mortgage or from changes in the allocation of the constant debt service payments to interest and principal, or due to changes in real property taxes resulting from the expiration of real estate tax benefits, or from changes in the assess value, the tax rate or the method of assessing the real property. Purchasers who are individuals should note that interest paid on a mortgage secured by a personal residence generally is deductible only with respect to indebtedness that is incurred in acquiring or substantially improving a principal or secondary personal residence and, for taxable years beginning after December 31, 2017 and before January 1, 2026, only up to an aggregate indebtedness of \$750,000 (or \$375,000 in the case of a married individual filing a separate return).

Interest on home mortgage debt that does not satisfy these requirements, such as home equity indebtedness, or is in excess of these limitations would not be deductible. In addition, Residential Unit Owners should note that special limitations may apply to the deductibility of points and prepaid interest, if any, on their mortgage loans and to the overall allowance of itemized deductions. Purchasers should further note that, for a taxable year beginning after December 31, 2017 and before January 1, 2026, the aggregate deduction for state and local real property taxes, state and local personal property taxes, state and local, and foreign, income, war profits, excess profits taxes, and general sales taxes (if elected) for any tax year is limited to \$10,000 (\$5,000 in the case of a married individual filing a separate return). Purchasers should discuss the Alternative Minimum Tax ("AMT") with their accountant to understand the impact by AMT on their deductions.

No opinion is rendered with respect to the deductibility of any payments by the Non-Residential Unit Owners.

Tax Status of the Condominium

Ordinarily, a condominium Board of Managers may elect to be exempt from federal income taxes on Common Charges collected from Unit Owners under Section 528 of the Internal Revenue Code, provided certain prerequisites are met.

In order to elect such status,

a) the Condominium must be organized and operated to provide for the acquisition, construction, management, maintenance and care of the Property;

b) 60% or more of the gross income of the Condominium for the taxable year must consist solely of amounts received as membership dues, fees or assessments from owners of Units in the Condominium;

c) 90% or more of the net expenditures of the Condominium for the taxable year must be for the acquisition, construction, management, maintenance and care of the Property;

d) no part of the net earnings of the Condominium may inure (other than by acquiring, constructing or providing management, maintenance and care of the Property and other than by a rebate of excess membership dues, fees, or assessments) to the benefit of any private shareholder or individual;

e) substantially all of the Units must be used by individuals as residences; Treasury Regulation 1.528-4(b) provides that substantially all of the Units will be treated as used by individuals for residences only if at least 85% of the total square footage of all Units are used as such residences; and

f) the Condominium must make such election at such time in such manner as the Secretary of the Treasury prescribes by regulations.

Under the Treasury regulations issued pursuant to Section 528, a condominium management association must qualify annually for the election under Section 528; and

additionally, it must make a separate election for each taxable year. Accordingly, the ability of the Condominium Board of Managers to elect the benefits of Section 528 will depend on the particular facts and circumstances prevailing in the taxable year at issue.]

IT APPEARS THAT THE AFOREMENTIONED REQUIREMENTS WILL BE MET FOR A SECTION 528 ELECTION FOR AT LEAST THE FIRST YEAR OF OPERATION.

It is also our opinion under present law that real estate taxes assessed against a Unit Owner's Unit which are paid or accrued by such owner will be deductible for federal income tax purposed in the appropriate year according to his method of accounting, provided that he itemizes his deductions. Pursuant to changes in the 2017 Tax Cuts and Jobs Act, for a taxable year beginning after December 31, 2017 and before January 1, 2026, the aggregate deduction for state and local real property taxes, state and local personal property taxes, state and local, and foreign, income, war profits, excess profit taxes, and general sales taxes (if elected) for any tax year is limited to \$10,000 (\$5,000 in the case of married individual filing a separate return).

Each purchaser should consult with his or her own tax counsel as to the tax consequences of the offering plan and of the purchase of a condominium unit.

Re: Offering Plan for Condominium of Premises:
850 Putnam Condominium
850 Putnam Avenue, Brooklyn, NY11221

Gentlemen:

This letter is being sent to you with the expressed understanding that our firm assumes no liability for our opinions presented herein. These opinions are presented only for your assistance in preparation of your offering plan for the above captioned project.

You have requested our opinion with respect to:

A. The availability of certain deductions for Federal, New York State and New York City income tax purposes (but not for purposes of New York City Earnings tax on nonresidents) to persons who purchase Units for private residential use ("Unit Owners") under the plan; and

B. The proper treatment by the Condominium Board of Managers for such income tax purposes of the Common Charges paid or borne by all Unit Owners. Except where otherwise indicated herein, the terms used in this opinion have the same meanings as in the offering plan.

A. Deductions for Mortgage Interest and Real Estate Taxes:

Pursuant to the Plan, the purchaser of a Condominium Unit will receive legal title in fee simple to a Condominium Unit as well as ownership of an undivided interest in the land and appurtenances and all other parts of the Condominium Property held in common with the other owners of Condominium Units. Such a purchaser will have the right to place an individual mortgage on his separate Condominium unit and will be liable to the local tax authority for the real estate taxes and assessments with respect to his interest in the property.

This opinion addresses certain of the federal, New York State and New York City income tax consequences that would result from the ownership of a Unit by an individual who

is a resident of New York City for tax purposes, who purchased such Unit on or after the date hereof, and who uses the Unit as a qualified residence. It does not address, among other things, the tax consequences of ownership of a unit other than a Unit by any person or entity; and does not address the tax consequences of the ownership of Units by corporations, other entities or foreign persons, or individuals who are not residents of New York City; or, except as specifically discussed, by an individual taxpayer in connection with his or her trade or business, for investment, or for the production of income.

In our opinion under present law, subject to the limitations discussed in the following paragraph, interest on a mortgage secured by a Unit paid or accrued by the owner of such Unit who is liable for the interest payment on such mortgage and who uses the Unit exclusively as his personal residence will be deductible for federal income tax purposes in the appropriate year according to his method of accounting, provided that he itemizes his deductions. In rendering this opinion we assume that such interest is not prepaid, that the mortgage proceeds were used by the Unit Owner to purchase the Unit, that the Unit is the owner's principal residence and that the Unit Owner is an individual.

Except as provided below, residential interest is deductible if paid or accrued during the taxable year on indebtedness which is secured by either the taxpayer's principal residence, as defined for purposes of exclusion of gain on sale under Internal Revenue Code ("Code") Section 121, or on certain designated second homes. However, a ceiling is placed on the amount of indebtedness which may be taken into account for purposes of this deduction. In general, with respect to indebtedness incurred in purchasing a Unit, this ceiling is \$750,000, or \$375,000 in the case of a married individual filing a separate return. However, special limitations may apply to the deductibility of points and prepaid interest if any.

It is also our opinion under present law that real estate taxes assessed against a Unit Owner's Unit which are paid or accrued by such owner will be deductible for federal income tax purposes in the appropriate year according to his method of accounting, provided that he itemizes his deductions. Pursuant to changes in the 2017 Tax Cuts and Jobs Act, for a taxable year beginning after December 31, 2017 and before January 1, 2026, the aggregate deduction for state and local real property taxes, state and local personal property taxes, state and local, and foreign, income, war profits, excess profits taxes, and general sales taxes (if elected) for any tax year is limited to \$10,000 (\$5,000 in the case of a married individual filing a separate return).

We note that no deduction is allowed for real estate taxes paid by a taxpayer subject to the alternative minimum tax.

Subject to certain limitations for high income taxpayers, the mortgage interest and real estate taxes described above will also be allowable as deductions for New York State and New York City income tax purposes to a resident individual, under Section 615 of the New York State Tax Law.

B. Common Charges:

Common Charges will be borne by the Unit Owners and assessed and collected by the Board of Managers ("Condominium Board").

Under Section 528, some Condominium Boards may be eligible to be exempt from tax on Common Charges collected from Unit Owners, provided the requirements of Section 528 are met. Generally, the requirements of Section 528 are as follows:

- i. The condominium management association must be organized and operated solely to provide for the acquisition, construction, management, maintenance and care of the association property;
- ii. Sixty percent or more of its gross income of the condominium management association must consist of membership dues, fees and assessments from owners of residential units;
- iii. Ninety percent or more of the expenditures of the condominium management association must be for the purpose of acquiring, constructing, managing, maintaining and caring for property of the Condominium;
- iv. No part of the net earnings can inure to the benefit of private individuals other than by the acquisition, construction, management or maintenance of the condominium management association's property or by rebates of excess assessments; and
- v. Substantially all of the units must be used as residences.

Under the Treasury regulations issued pursuant to Section 528, a condominium management association must qualify annually for the election under Section 528, and it must make a separate election for each taxable year. The ability of the Condominium Board to elect the benefits of Section 528 will depend on the particular facts and circumstances prevailing in the taxable year at issue.

It appears that based upon your representations to us, that the requirements will be met as the Offering Plan is presently structured. With respect to requirement (v) above "Substantially all" is interpreted in Treasury Regulation 1.528-4(b) as meaning at least 85% of the total square footage of all units in the project. Since more than 85% of the total square footage of all of the Units are residential, the "Substantially all" requirement is met.

Assuming that the Condominium Board is eligible to make a Section 528 election, it would still be subject to tax on any income not received as assessments or other such payment from Unit Owners; thus, if the Condominium Board realized interest income from funds on deposit, such interest may be taxable to it.

If an election under Section 528 is not in effect for the taxable year, the tax status of the Condominium Board will be governed by the rules in effect prior to the enactment of Section 528 (the "existing law").

Under existing law, the tax status of the Condominium Board is uncertain. The By-

Laws provide that the Condominium Board will act as the agent of the Unit Owners. Thus, the Condominium Board may take the position that it is simply a conduit for receipts and payments of the Unit Owners for whom it acts as agent and not a separate entity. In such case, the Unit Owners for whom it acts as agent and not a separate entity, would themselves be taxable on any interest or similar income which is earned from investments of the amounts which are assessed and collected from the Unit Owners and/or held as reserve funds.

However, the Internal Revenue Service may contend that for purposes of those matters administered through the Condominium Board, such as the assessment and expenditure of Common Charges, the Unit Owners through the Condominium Board, constitute an association taxable as a corporation. In such event, such association may be deemed subject to the Federal Corporation income tax (and also to New York State and New York City income taxes) on the portion of the Common Charges which is deemed to constitute gross income of such association, to the extent that such portion (together with any income earned from other sources, such as interim investments of funds by such association) exceeds the current expenses paid or incurred through the Condominium Board which are deductible for Federal income tax purposes.

In this connection, published rulings indicate that Common Charges which are assessed by the Condominium Board and designated for use solely to make specified capital improvements and which are maintained in a separate bank account should not constitute gross income to such Board, either because it is deemed to receive and hold such Common Charges as agent for the Unit Owners from whom the assessments were collected (Revenue Ruling 75-370, 1975-2 Cumulative Bulletin 25) or because the assessed Common Charges are deemed to be nontaxable contributions to the capital of the association (Revenue Ruling 75-371, 1975 Cumulative Bulletin 52, *cf.* *Concord Village, Inc.* 65 T.C. 142 (1975)). However, if treated as contributions to the capital of the association, it should be noted that when such amounts (together with any other funds accumulated by the association) are expended for capital improvements, the Internal Revenue Service may contend that the capital expenditures benefit the Unit Owners, and that each Unit Owner should therefore be treated as receiving a distribution equal to the fair market value of that benefit; under the usual rules applicable to distributors of associations, a distribution is first treated as taxable ordinary income to the extent of the distributee's proportionate share of the association's earnings and profits, then as a tax free recovery of basis to the extent thereof, and the balance, if any, as capital gain.

In the event that the Condominium Board is required to pay any Federal, State or City income tax and the Condominium Board makes an additional assessment in order to meet this tax liability, it should be noted that the additional amount collected through such assessment may itself be subject to tax (see *Old Colony Trust Co. v. Commission*, 279 U.S. 716 (1929); Revenue Ruling 74-75, 1974-1 Cumulative Bulletin 19, Revenue Ruling 86-14 I.R.B. 1986-5, 33).

We express no views as to any Federal, State or City tax consequences or as to any aspects of the Plan other than those consequences and aspects explicitly discussed in this opinion, or as to any tax status of the Plan of a Unit under the laws of any other jurisdiction.

This opinion does not deal with tax consequences which may result from ownership

of a Unit in connection with the Unit Owner's trade or business, other than set forth herein, or for purposes of investment or the production of income, or which may result to a foreign Unit Owner by reason of his foreign status. This opinion also does not deal with the tax consequences which may arise if Units or Limited Common Elements are acquired and/or leased by the Condominium Board. It is also to be noted that under certain circumstances an owner of any Unit, by virtue of such ownership, may be deemed to become a resident of New York City and that this opinion does not deal with circumstances under which this may occur, or with the income, estate or other tax consequences that may arise therefrom. Thus, each person contemplating purchasing of a Unit is strongly advised to consult his own tax advisor as to all such tax matters (as well as with respect to the tax matters discussed in this opinion).

In our opinion, Unit Owners will be entitled to income tax deductions. However, this opinion is not a guaranty; it is based on existing rules of law applied to the facts and documents referred to above. No assurances can be given that the tax laws upon which counsel bases this opinion will not change. In no event will the Sponsor, the Sponsor's counsel, the Board of Managers of the Condominium or any other person be liable if there are changes in the facts on which counsel has relied in issuing this opinion or if there are changes in the applicable statutes, regulations, law or rulings of the Internal Revenue Service on which counsel has relied which causes Unit Owners not to be entitled to income tax deductions.

We have been retained by you to provide the opinions expressed in this letter and consent to the inclusion of this letter in any Offering Plan with respect to the Building.

RE: 8 Residential Condominium Apartments located at 850 Putnam Avenue, Brooklyn NY
Block: 1652 Lot: 30

Dear Sir:

You have requested me to advise you with respect to the opinion of estimated The City of New York's real estate tax for the above referenced project after completion.

1. Prior to the construction the property was occupied by a 2 story single family residential building. The existing structure was demolished and replaced by a new 4 story 8 unit residential condominium.

2. Property tax is only levied on a portion of the market value. This portion is called the assessed value. In regard to any residential greater than 3 units and above, none residential units condominium or rental unit's the assessed values are levied on 45% of the market value. In it's current state, the above mentioned property, prior to commencement of construction the assessor has designated the structure as a tax class 1, rendering the assessed value 60% of the marked value. Based on assessment guidelines, the proposed new multi unit residential building tax classification will change to a tax class 2; for the residential condominium portion of the building thereby the assessed value will be levied on 45% of the market value.

3. Upon completion, the project will consist of a 4 story building with 8 residential condominium apartments.

CONCLUSION

The total assessed value of the property (i.e. the aggregate assessment of all residential area) following completion of construction is estimated to be approximately \$528,068.506. This value is based on an estimate of the building being of a gross zoning square footage of 8325 s/f. Using the foregoing estimate of assessed value upon completion assuming completion to be on or before Dec. 30, 2019 and assuming the tax rate remains the same as the current rate (i.e., \$12.612% per \$100 of assessed value Tax Class 2 2018/2019 tax year) then the estimated real estate taxes for the residential units combined will be \$66,600 plus any equalization increases.

This building shall not be receiving any 421-a real estate tax exemption.

We have been retained by you to undertake the procedures outlined in this letter and consent to the inclusion of this letter in any offering plan with respect to the project. We make no representations and express no opinion as to whether or not any or all of the requirements and conditions set forth herein will be fulfilled.

Although the estimate of the post-construction Actual Assessed Valuation is a good faith estimate, it is not possible to estimate it with any degree of certainty, and thus such assessed valuation when actually made, may be lesser or greater than as estimated. In no event will my firm, the Sponsor, the Sponsors' counsel, the Condominium Board or any other person be liable if the assessed valuation when actually made is lesser or greater than predicted, Administrative Code and the applicable rules and regulations of the City of New York are in the future changed or if the facts as represented to my firm prove to be untrue.

As officer of Highpoint Incentives Inc. a real estate tax consulting firm, I have represented homeowners, real estate developers, attorneys and corporations since 1989 in dealings with the NYC Department of Housing Preservation and Development. Re: Compliance with Real Property Law 339-i
850 Putnam Condominium
850 Putnam Avenue, Brooklyn, NY11221

Dear Sirs:

You have requested an opinion from me with regards to your allocation of common interest to units in your proposed condominium at 850 Putnam Avenue, Brooklyn, NY11221, and its compliance with section 339-i (1) (iv) of the New York Real Property Law. Pursuant to the attached letter and findings dated May 29, 2019, issued by Nest Seekers International, I have concluded that the proposed allocation of common interest to individual units is in compliance with Section 339-i (1) (iv) of the New York State Real Property Law. The method of allocation chosen is based upon floor space, subject to the location of such space in the condominium, the uniqueness of the unit, the availability of common elements for exclusive or shared use, and the overall dimensions of the particular unit.

This opinion is based on the information as provided to me in Mr. Joshua Golan's letter and is an opinion only to the relative value of each unit in relation to the value of the project as a whole and is not intended as a guarantee of the actual value of any individual unit. My opinion is issued based and my reliance on existing rules of law applied to the facts and documents referred to above. In no event shall I or the Condominium Board be liable if there are changes in the facts on which we relied in issuing this opinion or if there are changes in RPL Section 339 or other applicable law. I consent to the inclusion of this letter in your Offering Plan.

Very truly yours,

SECTION (Z): RESERVE FUND AND/OR CAPITAL FUND

RESERVE FUND

Through payment of common charges, Unit Owners are required to make contributions for the first year of operation. Other than as set forth in Schedule B, no reserve fund is being established for capital expenditures for the Condominium. The Sponsor will not make any contributions to a Reserve Fund.

While the Sponsor is in control of the Board of Managers, the reserve fund or working capital fund may not be used to reduce projected common charges in the Plan.

If a fund is called a reserve fund, it may be used only for capital expenditures, and the condominium's by-laws shall contain a provision authorizing the establishment of such a fund.

Neither the Department of Law nor any governmental agency has passed upon the adequacy of the fund.

Since no reserve fund is being funded by the Sponsor under this Plan, Sponsor does not represent or warrant that the Condominium will have sufficient funds for any such capital expenditures within five (5) years of condominium operation. As the systems are new in this project, it is estimated that there will be no foreseeable major capital improvements and/or replacements within the next five (5) years.

Should monies be required by the Condominium for capital expenditures, the condominium board could vote to obtain loans for required expenditures as provided by the New York Real Property Law. Real Property Law § 339 states:

1. To the extent authorized by the declaration or the by-laws, the board of managers, on behalf of the unit owners, may incur debt. In addition, subject to any limitations set forth in the declaration or the by-laws, the board of managers, on behalf of the unit owners, may incur debt for any of the purposes enumerated in paragraph (b) of subdivision two of section three hundred thirty-nine-v of this article, provided that (a) such debt is incurred no earlier than the fifth anniversary of the first conveyance of a unit and (b) the incurrence of such debt shall require the consent of a majority in common interest of the unit owners.

2. In connection with a debt incurred by it, the board of managers, on behalf of the unit owners, may (a) assign the rights in and to receive future income and common charges, (b) create a security interest in, assign, pledge, mortgage or otherwise encumber funds or other real or personal property that it holds, (c) agree that, to the extent of any amounts due under any of the provisions of the agreements under which the debt was incurred and subject to the provisions of subdivision two of section three hundred thirty-nine-I of this article, all common charges received and to be received by it, and the right to receive such funds, shall constitute trust funds for the purpose of paying such debt and the same shall be expended for such purpose before expending any part of the same for any other purpose, and (d) agree that at the lender's direction it

will increase common charges to the extent necessary to pay any amount when due under any of the provisions of the agreements under which the debt was incurred. The preceding sentence shall not be construed to authorize the board of managers to create a lien on the common elements. Any such assignment may provide that, in the event of a default, the lender shall have the right of the board of managers to file liens in the lender's name on units for unpaid common charges pursuant to sections three hundred thirty-nine-z and three hundred thirty-nine-aa of this article and the right to foreclose such liens pursuant to section three hundred thirty-nine-aa of this article.

3. Nothing in this section shall impair rights under any loan or other agreement existing prior to the effective date of this section or limit any right or power that a board of managers would otherwise have.

WORKING CAPITAL FUND

At closing of title to each residential Unit, the Unit Owner for such Unit will contribute an amount equal to two (2) months Common Charges then in effect for the Unit pursuant to the budget in accordance with Schedule A hereto, as the same may be amended from time to time at the closing of title to his or her unit for a working capital fund of the condominium. [See SECTION (S): UNIT CLOSING COSTS AND ADJUSTMENTS.] Sponsor will make the required contribution for all unsold units at the time of the closing of the first unit, and will be reimbursed therefore on each subsequent closing of a unit by the unit Purchaser. This Working Capital Fund will be used to make repairs and improvements, and for other appropriate purposes as determined by the Board of Managers, particularly to meet emergencies not budgeted for in SCHEDULE A.

The Working Capital Fund will depend on the timing of the closing of title to individual condominium units and any expenditure made by the Condominium Board from such fund. The contribution is not refundable or transferable if Purchaser sells his or her condominium unit.

The initial working capital will be used for working capital and to pay for insurance premiums and other items in the budget which will be payable prior to the time that sufficient monthly Common Charges and assessments have accrued to pay these items. While the Sponsor is in control of the Board of Managers of the Condominium, the working capital fund may be used to pay common expenses of the Condominium.

The Sponsor will be responsible for all of the required operating expenses of the Property prior to the date of the closing of title to the first Unit pursuant to the Plan. The Condominium shall be required to pay all of the operating expenses of the Property accruing on or after the date of the closing of title to the first Unit pursuant to the Plan.

(1) While the Sponsor controls the Board of Managers (see CONTROL BY THE SPONSOR), the Working Capital Fund will not be used to reduce projected Common Charges in the plan.

(2) Neither the Department of Law nor any other governmental agency has passed upon the adequacy of the Working Capital Fund.

(3) Adjustments for prepaid expenses between the Sponsor and the Board of Managers may be deducted only from the working capital fund. However, Sponsor does not anticipate any substantial credit to the sponsor can be anticipated with reasonable probability, the approximate range or amounts of such adjustment item must be disclosed. Sponsor anticipates no substantial credit.

The net adjustments for prepaid expenses, if in favor of the sponsor, are to be paid in equal monthly installments over the twelve (12) month period following closing.

There will be no minimum working capital fund regardless of the amount of adjustments.

(4) If, by reason of any substantial adjustment item in favor of the sponsor, the sponsor will be paid over a period of time, such as by an installment note, the budget in the plan (Schedule B) must reflect such proposed payments for which there is no item already budgeted, including interest, as a separate line of the budget with a footnote disclosing the nature and purpose of the payments.

Except as expressly provided in this Section of the Plan, Sponsor shall have no obligation to establish or make any contributions to a working capital fund or reserve fund of any kind with respect to the Condominium or the Property.

(5) No representation is made by Sponsor that the Working Capital Fund will be adequate to cover current or future expenses, including repairs or replacements. If additional funds are required over and above the Working Capital Fund for the payment of items not covered by Sponsor's obligations, it may be necessary to increase Common Charges or separately assess all Unit Owners.

The condominium board could vote to obtain loans for required expenditures as provided by the New York Real Property Law.

SECTION (AA): MANAGEMENT AGREEMENT, CONTRACTS AND LEASES

The Condominium will initially be managed by Sponsor, 850 Putnam Avenue Development LLC, a limited liability company, with an office located at 850 Putnam Avenue, Brooklyn, NY11221. There is no management agreement.

The Condominium will initially be managed by Sponsor at the annual fee of no cost after the closing of the first unit or whenever the unsold units constitute less than fifty percent (50%) of the common interests, whichever is sooner. This amount is less than the prevailing rate of such service which is commonly of the total common charges to be collected from the unit owners. The budget for the first year of operations does not provide full amount for the services of sponsor for the Condominium. Management by Sponsor may not be cancelled at least for except for cause. After, either the Board of Managers or Sponsor may terminate such arrangement upon written notice to the other. Purchaser shall note, however, that the termination of such arrangement may not be likely with the Sponsor-controlled Board.

The Condominium Board has a fiduciary duty to the Condominium, even during while Sponsor is in control. While the Sponsor manages the Condominium, the Sponsor will have all the rights and obligations set forth in “SECTION (T): RIGHTS AND OBLIGATIONS OF THE SPONSOR,” along with the management duties set forth in the By-Laws as belonging to the Board of Managers. As managing agent, Sponsor will be responsible for the operations of the affairs of the Condominium including, but not limited to, the fiscal operation, repairs and maintenance of the common areas of the Property, replacement and capital improvements to the common areas of the Property, the hiring, supervision and discharging of employees, the enforcement of the provisions of the By-Laws, collecting common charges, bookkeeping, and providing payroll services, and shall have the powers and duties necessary for the administration of such affairs. After from the date of closing of the first unit or whenever the unsold units constitute less than of the common interests, whichever is sooner, management of the Condominium shall be transferred from Sponsor to Board of Managers. It is anticipated that the affairs and management of the Condominium shall be done by the Board of Managers at no cost. The duties of the Board with respect to management of the Condominium are set forth in Section “V & W” of this Offering Plan. After management duties are turned over to the Board of Managers, the Board of Managers shall have the powers and duties necessary for the administration of the affairs of the Condominium, as agent of all Unit Owners, as set forth in the By-Laws.

It should be noted that should the Board of Managers elect at any time to employ the services of a managing agent, this will represent an additional cost of approximately 6% - 10% of the annual operating budget, which would require a concomitant increase in the common charges. (SEE SECTION (H): FOOTNOTE 9 TO SCHEDULE B; SECTION (V): BOARD OF MANAGERS; AND SECTION (W): RIGHTS AND OBLIGATIONS OF THE UNIT OWNERS AND BOARD OF MANAGERS for a more complete explanation.)

There are no contracts and leases binding on the Condominium. [SEE SECTION (C): SPECIAL RISK.]

The terms used herein shall have the same meanings as ascribed thereto in the Plan.

2. ARCHITECTURAL PLANS. Purchaser has been given an opportunity to examine the architectural plans and specifications for the above-numbered Units and for the building in which it is located, prepared by the Registered Architect, Xiao H. Huang, P.E..

The Seller will give me prompt written notice thereof when the Plan either becomes effective or is abandoned, unless same has already been declared effective by a duly filed amendment to the Plan submitted to me.

5. MANNER OF PAYMENT AND BALANCE. Provided that I shall have paid the full Cash Purchase Price for said unit, as provided herein, and shall not be in default hereunder, I am to receive a Deed for the unit, at the Closing to this unit. At the time the deed is delivered, I shall execute the Power of Attorney to the Board of Managers of the Condominium in the form contained in the Plan and whatever other documents are reasonably necessary to convey the Unit to me, such as real property transfer tax forms.

6. PAYMENTS HELD IN TRUST AT NAMED BANK. The Seller will hold all monies received by it directly or through its agents, employees or escrow agent, in trust,

in compliance with the trust fund provisions of section 352-h and section 352-e (2) b of the General Business Law, until actually employed in connection with the consummation to the Offering Plan. However, it is not anticipated that any interest will be earned.

7. ACCEPTANCE OF CONDITION. My signing of this Purchase Agreement shall constitute my acceptance of said unit "As Is," except for those matters which are the responsibility of the Sponsor as stated in the Plan.

8. THIS AGREEMENT IS CONTINGENT. It is agreed that this Purchase Agreement is contingent upon the Plan being declared effective.

9. ABANDONMENT OF PLAN. The Plan may be abandoned by the Seller at any time prior to its being declared effective, and thereafter only for reasons heretofore set forth in the Plan. The Plan shall be abandoned by amendment duly filed with the Department of Law of the State of New York and upon notice to all prospective purchasers who have signed the Purchase Agreement.

10. REFUND AND LIMITATION ON CLAIMS. If the Plan is abandoned or does not become effective within twelve (12) months from the date of presentation and is not extended, or, if after being declared effective, the Plan shall not be consummated for any reason within 180 days thereafter, this Agreement shall be deemed canceled and the Plan terminated and I am to receive back, not later than ten (10) days thereafter in full, all monies paid by me hereunder. Upon such payment no party shall have any claim against any other party or person, the Sponsor, the Seller, or the agent, and all parties shall be released from all obligations hereunder and under the Plan.

11. DEFAULT AND LIQUIDATED DAMAGES. I agree that if I shall fail to pay the balance of the Cash Purchase Price when due, as herein provided, or, if I am otherwise in default hereunder as such term is defined herein, the Seller may elect to cancel this Agreement by written notice to me at my residence or at the address stated above, by certified mail, and at the expiration of 30 days after the date of mailing thereof (unless I shall have theretofore paid the balance of the Cash Purchase Price in full) said notice shall be effective and this Agreement shall be deemed canceled and all rights of the parties thereunder shall terminate except that the amount of my Down Payment shall be paid over to the Sponsor as liquidated damages, such liquidated damages not to exceed 10% of the Cash Purchase Price plus the cost of any special work in the unit ordered by me, together with any interest earned thereon. However, it is not anticipated that any interest will be earned. TIME IS OF THE ESSENCE TO REMEDY SUCH DEFAULT WITHIN SAID THIRTY (30) DAY PERIOD. The notice of default is hereby deemed a notice to vacate as well if I occupy the unit under the terms of an Interim Lease. In the event of such cancellation, the Sponsor shall have the right to sell said Units to another purchaser as though this Agreement had never been made and

without accountability to me for the proceeds received on any sale to another.

The Sponsor's attorney may rely on the truth and accuracy of the facts contained in the Sponsor's certification and the authority of the person or persons executing the same. In the event of Purchaser's default, no funds will be released to the Sponsor without the signature of the Sponsor's attorney.

12. TITLE INSURANCE. In the event Purchaser elects to obtain title insurance; or, in the event Purchaser obtains mortgage financing and is required to obtain title insurance; then, in such event, Purchaser agrees that the title insurance is available from Chicago Title Insurance Company through its agent Federal Standard Abstract Inc.. Seller shall not be obligated to cure any exceptions not raised by the foregoing company.

The covenants in the deed will be solely for the personal benefit of Purchaser and will not inure to the benefit of Purchaser's post-Closing successors or assigns. In the event of a claimed breach of any covenant of the grantor contained in the deed, Purchaser must first seek recovery against Purchaser's title insurance company before proceeding against Sponsor, it being agreed that the liability of Sponsor will be limited to any loss or damage not covered by such title insurance. If Purchaser did not obtain title insurance at Closing, for purposes of this subparagraph, the amount and coverage which Purchaser could have obtained from a reputable title insurance company licensed to do business in State of New York chosen by Sponsor shall be deducted from the loss or damage collectable Sponsor.

13. CLOSING DATE AND PLACE. The closing of title shall occur on the date and at the time and place in the City and State of New York as Sponsor shall designate to Purchaser on not less than thirty (30) days' prior written notice. Sponsor shall have the right, from time to time, to adjourn such time and date for closing on written notice to Purchaser. If adjourned, Sponsor shall fix a new date and time for title closing and shall give Purchaser not less than ten (10) business days' prior written notice of the new scheduled date and time for closing.

In the event that a Purchaser does not close on the Closing Date set forth in the Notice of Closing, the Sponsor elects not to cancel the Purchase Agreement or if the Sponsor approves the Purchaser's request to adjourn the Purchaser's Closing to his unit, interest shall accrue on the unpaid amount of the purchase price from the Closing Date until such amount is paid. The interest rate shall be twelve percent (12%) per annum. This rate shall be in effect for as long as there is any unpaid amount owing towards the full purchase price.

The Sponsor may be entitled to reasonable adjournments in the closing of title in the event of delays by reason of weather; conditions, strikes or material shortages, or delays in inspections and reports thereon, or other requirements.

14. MARKETABLE TITLE. At the closing of title, Sponsor shall convey to Purchaser good and marketable title in fee simple, free and clear of all encumbrances other than those set forth in the Offering Plan at Section R paragraph 4 and mortgages, if any, covering the Unit, which Purchaser assumes. Any encumbrances to which title is not to be subject shall not be an objection to title if (a) the instrument required to remove it of record is

delivered to the proper party together with the recording or filing fees or (b) any reputable title company, a member of the New York Board of Title Underwriters, will insure Purchaser that it will not be collected out of the Unit if it is a lien, or will not be enforced against the Unit if it is not a lien.

15. SPONSOR'S INABILITY TO CONVEY THE UNIT. In the event Sponsor is unable to deliver title to the Unit to Purchaser for any reason whatsoever, Sponsor's liability shall be limited to the return of the money deposited hereunder and upon return of said money, this Agreement shall be null and void and the parties hereto released from any and all liability hereunder. In any event, the Sponsor shall not be obligated to bring any action or proceeding or otherwise incur any cost or expense of any nature whatsoever to cure such inability, and in such case, if Sponsor notifies Purchaser of its refusal to cure such inability and if Purchaser is not in default hereunder, Purchaser shall have the option to

(a) take title to the Unit subject to such inability (without any abatement in, or credit against, the purchase price, or any claim or right of action against Sponsor for damages or otherwise) or

(b) terminate this Purchase Agreement. If Purchaser so elects to terminate this Purchase Agreement, Sponsor shall within ten (10) days after receipt of notice of termination from Purchaser, return to Purchaser all sums deposited hereunder, and upon making such payment, this Purchase Agreement shall be null and void and neither party shall have any further rights, obligations or liability to or against the other and the parties shall be released and discharged from all obligations and liabilities under this Purchase Agreement and the Offering Plan. The foregoing option must be exercised by notice of Purchaser in writing to Sponsor within ten days after the giving of Sponsor's notice of refusal to cure such inability. If Purchaser fails to give any notice to Sponsor, it shall be conclusively deemed that Purchaser elected the second option above to terminate this Agreement.

16. APPORTIONMENT OF CHARGES. At the Closing, the parties shall apportion, as of the day preceding the date of actual closing, the Common Charges, real estate taxes, Insurance Premium and other charges under the By-Laws, utility charges (if any) due to the Condominium and the use and occupancy charge, if any, to the Unit. Assessments will not be apportioned and will be payable by the party who is the owner of the Unit when the same became due and payable. A letter from the Condominium or its Managing Agent as to status of Common Charges, utility or other charges shall be sufficient for purposes of determining the adjustments as herein described.

In the event a mortgage recording tax credit becomes available pursuant to Section 339-ee (2) of the New York Condominium Act, it is specifically understood that such credit will inure to the benefit of the Sponsor. Accordingly, on the Closing Date, I will pay the full amount (but not in excess thereof) of the mortgage recording tax chargeable on the entire amount financed, if any. The Sponsor will be reimbursed to the extent of any mortgage tax credit allowed.

17. ACCEPTANCE OF CONDITION OF UNIT; RISK OF LOSS.

(i) Purchaser shall accept title (without abatement in or credit against the purchase price or provision of escrow) notwithstanding that construction of (a) minor details of the Unit or the building in which it is located or (b) other Units or (c) the landscaped area or (d)

other portions of the common elements have not been completed. Purchaser will examine his Unit with a representative of the Sponsor during normal business hours prior to the closing date and will sign and deliver to Sponsor on or before the closing date an Inspection Statement acknowledging the condition in which he has received his Unit.

(ii) (Omit this paragraph, if the Unit has not been completed.) Purchaser represents to Sponsor that he has examined the Unit and agrees that his execution of this Purchase Agreement shall constitute acceptance of the Unit and the Building and all fixtures, machinery, equipment, furnishings, appliances, installations and other personal property contained therein, in their present condition on the date of this Purchase Agreement, subject to reasonable use, wear, tear and natural deterioration between the date of this Purchase Agreement and the Closing Date.

(iii) Risk of loss for fire or other casualty remains with Sponsor until the earlier of the following events:

- a. Legal title to the Unit has been conveyed to the Purchaser; or
- b. The Purchaser has taken actual possession of the Unit pursuant to a written agreement with Sponsor.

18. CLOSING COSTS. Purchaser shall be responsible for paying all costs as outlined in the Section of this Offering Plan entitled Closing Costs and Adjustments.

19. ESCROW BONDING OF DEPOSITS. The Sponsor will hold all monies received directly or through its agents or employees hereunder in trust until the closing of title to a Unit or Sponsor may use said funds prior to closing if a bond is posted to insure a return of such payment in the event a purchaser is entitled to a refund of such monies pursuant to the terms of this Purchase Agreement or the Offering Plan. In the event Sponsor secures a bond, it will do so by means of a duly filed amendment to the Offering Plan. If no bond is posted, such funds will be held in trust pursuant to Section 352-H and 352-e(2) (b) of the General Business Law, in a special account titled "Dylan W. Chan, Esq. IOLA Escrow Account" or similar name in JP Morgan Chase Bank, at 176 Canal Street, New York, NY10013.. The signature of Dylan W. Chan, Esq., attorney for Sponsor, shall be required to withdraw such funds. The funds existing in the escrow account will be payable to the Sponsor after the closing of title to the Unit covered by this Purchase Agreement. In the event of default by the Purchaser under this Purchase Agreement, which default continues for thirty (30) days after notice of such default from Sponsor to the Purchaser, the down payment (to a maximum of 10%) plus the actual cost of any special work ordered, will be released to the Sponsor from such account as liquidated damages and thereafter neither party shall have any rights or obligations against the other. In the event, the Sponsor cannot convey title to the Unit, all monies advanced by the Purchaser hereunder shall be returned to the Purchaser. The Sponsor will not record the Declaration until it has Purchase Agreements for at least fifteen percent (15%) of all the Residential Units. If the Sponsor does not record the Declaration and abandons the Offering Plan, all monies advanced by the Purchaser will be returned promptly thereafter with interest, if any.

The terms of the escrow are stated in the Escrow Agreement in the Part II of the offering plan and are hereby incorporated herein. As such, Sponsor, Escrow Agent and I will execute the Escrow Agreement with this Purchase Agreement.

20. WARRANTIES. At the closing of title the Sponsor will deliver the certificates and warranties delivered to them and transferable to Purchaser or to the Condominium. Sponsor's liability pursuant to the manufacturer's warranties covering heat, appliances, electricity, plumbing and roofing are limited solely to the extent that such warranties are delivered to Sponsor, transferable to the Purchaser or to the condominium and then only as against such manufacturer. In addition, however, Seller will promptly correct any defects in the construction of the condominium Unit or the building containing the Unit or in the installation or operation:} of any mechanical equipment therein due to materials or improper workmanship substantially at variance with the plans and specifications, provided that it is notified of such defects in writing by certified mail within one year from the date of the closing of title to the Unit in which the alleged defect exists.

Purchaser should note that:

- a. No steps taken by Seller to correct a defect shall act to extend the warranty period.
- b. Seller accepts no responsibility for any warranty obligation for incidental or consequential damage caused by any defect.
- c. These warranties give Purchaser specific legal rights. Purchaser may have other rights under State law.
- d. These warranties are extended to you as Purchaser and are not extended to any subsequent Purchaser and mortgage lender who takes possession of the Unit.
- e. These warranties shall be void if Purchaser misuses, abuses or otherwise interferes with or changes Sellers original construction or installations.
- f. Seller is not responsible for any work or material ordered directly by Purchasers from Seller's contractors or suppliers.
- g. These warranties are specifically in lieu of any other guarantee or warranty, express or implied including any warranty of merchantability.

The provisions of this Paragraph shall survive the delivery of the deed.

21. ENTIRE AGREEMENT, OPPORTUNITY TO EXAMINE, NON-ASSIGNABILITY. The entire contract between the parties hereto as set forth herein and in the Plan and as the Plan may be amended from time to time. The only representations made to me are those contained herein and in the Plan, as may be amended. I have not relied upon any representations, statements or warranties, written or oral, as to any matter or estimate; that is not set forth herein and in the Plan. I have had at least three days to read and review the Offering Plan and all amendments, if any, and have had the opportunity to examine all the documents filed as Exhibits, volume A, B and C to the Plan. This Agreement is not assignable by me without prior written consent of the Seller and shall bind and apply to the parties hereto and their personal legal representatives, successors and assigns and may not be amended, changed or discharged orally.

22. CONFLICTS WITH THE PLAN. Conflicts between this Agreement and the Plan shall be resolved in favor of the Plan.

23. CONDITIONS FOR BINDING AGREEMENT. This Agreement shall not be binding on me or on the Seller until a fully executed copy thereof shall have been

delivered to me. If this Agreement shall not be accepted within twenty (20) days of the date hereof by the delivery to me of such endorsed and fully signed copy, this Purchase Agreement shall be deemed to be rejected and canceled and my deposit shall be promptly refunded to me.

24. CONDITIONS FOR CLOSING. It is a condition of this closing that:

- (a) There shall be no claims or liens against the Unit at the time of the Closing, except for Permitted Encumbrances as described in the Plan; and
- (b) The Seller has full right and authority to sell and transfer the Units.

25. WHEN TITLE PASSES. I shall acquire no right, title or interest in the aforesaid Unit until (i) the entire Cash Purchase Price has been paid in accordance with the terms hereof, and (ii) I have otherwise performed, observed and complied with the terms and conditions of this Agreement.

At the Closing of Title the Seller shall deliver to me a bargain and sale deed, with covenants against the grantor's acts, conveying the Unit to me such deed be in the form contained in Part II of the Plan, executed and acknowledged by the Seller in form for recording.

26. IDENTIFICATION OF PURCHASER. I represent that I am a person over 18 years of age. The term "I" shall read as "we" and "purchaser" shall be read as "purchasers" if more than one person are purchasers, in which case our obligations shall be deemed joint and several. I further represent to the Condominium and to all of the persons to whom are Unit Owners that I am purchasing the Unit for my own account and that Sponsor will have no interest, direct or indirect, in the Unit being purchased hereunder.

27. BONA FIDE PURCHASER. I certify that I have agreed in good faith to purchase the above-described Unit with no discriminatory re-purchase Agreement or other discriminatory inducement.

28. AGREEMENT SUBJECT TO MORTGAGES. No encumbrances shall arise against the property as a result of this Purchase Agreement or any monies deposited hereunder. In furtherance and not in limitation of the provisions of the preceding sentence, I agree that all terms and provisions of this Agreement are and shall be subject and subordinate to the lien of any building loan mortgage or development loan mortgage heretofore or hereafter made and any advances heretofore or hereafter made thereon and any payments or expenses already made or incurred or which may hereafter be made or incurred, pursuant to the terms thereof, incidental thereto, or to protect the security thereof, to the full extent hereof without the execution of any further legal documents by me. The subordination shall apply whether such advances are voluntary or involuntary and whether made in accordance with the building loan schedule of payments or accelerated thereunder by virtue of lender's right to make advances before they become due in accordance with the schedule of payments. Notwithstanding anything to the contrary contained in this paragraph, however, on the Closing Date the only mortgage to which the Unit will be subject will be the mortgage(s) obtained by me.

Sponsor shall, at its option, either satisfy such mortgages or obtain a release of the Unit and its undivided interest in the Common Elements from the lien of such mortgages on or prior to the Closing Date unless Purchaser assumes such mortgages. The existence of any mortgage or mortgages encumbering the property or portions thereof, other than the Unit and its undivided interest in the common elements, shall not constitute an objection to title or excuse Purchaser from completing payment of the purchase price or performing all of his other obligations hereunder or be the basis of any claim against, or liability of, Sponsor, provided that any such mortgage is subordinated to the Declaration and the Unit is released from the lien of such mortgage.

29. MORTGAGE FINANCING.

_____1. This contract is NOT subject to mortgage financing.

or

_____2. This Contract will be conditional on my obtaining such loan in an amount not more than \$_____ from an institutional lender _____ designated by both me and Sponsor. I shall apply for said loan from the said lender within five (5) days after receipt of a fully executed copy of this Contract, and shall have forty (40) days from the signing of said Contract to obtain said mortgage commitment. I agree to accept any commitment offered by the aforementioned lending institution provided same is in at least the amount set forth above.

In the event I fail to obtain such commitment within forty (40) days from the date of execution of the Contract, I may cancel this Purchase Agreement on five (5) days written notice to the other party, whereupon this Purchase Agreement shall become null and void, and the down payment shall be returned to the Purchaser. IN THE EVENT THAT SPONSOR'S ATTORNEY DOES NOT RECEIVE SUCH NOTICE OF FAILURE TO OBTAIN FINANCING FROM ME WITHIN FIVE DAYS AFTER EXPIRATION OF THE FORTY-DAY PERIOD SET FORTH ABOVE (OR ANY EXTENSION THEREOF), PURCHASER SHALL BE REQUIRED TO CLOSE WHETHER OR NOT PURCHASER RECEIVES FINANCING.

Purchaser's failure to provide information to the lender promptly upon request therefore, or failure to accept a commitment offered, shall be a default for which the Seller shall have the right to cancel this Purchase Agreement and retain the down payment. Once a bank commitment is issued, Purchaser will be required to use due diligence in obtaining any and all extensions necessary to maintain such commitment in force, notwithstanding that such extension may be at a higher interest rate or require payment of additional fees, or include other changes. Failure to maintain such commitment will constitute a default under the Purchase Agreement, except that if the bank refuses to extend such commitment on any rates or terms, I may cancel the Contract, and receive return of his down payment hereunder.

Notwithstanding anything stated to the contrary, in the event that I fail to provide notice of cancellation within five (5) days after the 40-day mortgage expiration date stated above, at any time thereafter, Sponsor have right at Sponsor sole election to cancel the contract

unilaterally and return downpayment, in which event, this Purchase Agreement shall be null and void and shall not have any legal effect.

30. AMENDMENTS. After acceptance of my Purchase Agreement and so long as I am not in default hereunder, there shall be no change in the amount of the Cash Purchase Price, size or layout of the unit I intend to purchase, without my written consent first being obtained. If there is a material change in the size or quality of common areas, I shall be given written notice thereof by certified mail, return receipt requested, and I shall have fifteen (15) days therefrom to rescind my Purchase Agreement and obtain return of my Down Payment by so notifying the Sponsor or Selling Agent in writing by certified mail, return receipt requested.

31. CAPTIONS. The captions used herein are inserted only as a matter of convenience and for reference and in no way define, limit or described the scope of this Purchase Agreement or the intent of any provision hereof.

32. RECORDING OF DEED AND POWER OF ATTORNEY. At the Closing of Title, I will deliver the executed deed received from Seller and an executed and acknowledged power of attorney to the representative of the title company, if any, or to Seller for recording in the Office of the Register of the City of New York, County of Kings. Such deed and power of attorney will be in the form set forth in the Plan.

33. WAIVER OF DIPLOMATIC OR SOVERIGN IMMUNITY. Purchaser hereby waives any and all immunity from suit or other actions or proceedings and agrees that, should Sponsor or any of its successors or assigns bring any suit, action or proceeding in New York or any other jurisdiction to enforce any obligation or liability of Purchaser arising, directly or indirectly, out of or relating to this Agreement, no immunity from such suit, action or proceeding will be claimed by or on behalf of Purchaser.

As of the execution of this Agreement, Purchaser acknowledges and agrees that all disputes arising, directly or indirectly, out of or relating to this Agreement may be dealt with and adjudicated in the state courts of New York or the federal courts sitting in New York, and hereby expressly and irrevocably submits the person of Purchaser to the jurisdiction of such courts in any suit, action or proceeding arising, directly or indirectly, out of or relating to this Agreement. So far as is permitted under the applicable law, this consent to personal jurisdiction shall be self-operative and no further instrument or action shall be necessary in order to confer jurisdiction upon the person of Purchaser in any such court.

Purchaser irrevocably waives, to the fullest extent permitted by law, and agrees not to assert, by way of motion, as a defense or otherwise in any suit, action or proceeding arising, directly or indirectly, out of relating to this Agreement, brought in the state courts in New York or the federal courts sitting in New York: (i) any objection which it may have or may hereafter have to the laying of the venue of any such suit, action or proceeding in any such court; (ii) any claim that any such suit, action or proceeding brought in such court has been brought in an inconvenient forum; or (iii) any claim that is not personally subject to the jurisdiction of such courts. Purchaser agrees that final judgment from which Purchaser has not or may not appeal or further appeal in any such suit, action or proceeding brought in such court

shall be conclusive and binding upon Purchaser and, may so far as is permitted under the applicable law, be enforced in the courts of any state or any federal court and in any other courts to the jurisdiction of which Purchaser is subject, by a suit upon such judgment and that Purchaser will not assert any defense, counterclaim, or set off in any such suit upon such judgment.

Purchaser agrees to execute, deliver and file all such further instruments as may be necessary under the laws of the State of New York, in order to make effective the consent of Purchaser to jurisdiction of the state courts of New York and the federal courts sitting in New York and any other provisions of this Article 33.

Nothing in this Article 33 shall affect the right of Sponsor to bring proceedings against Purchaser in the courts of any jurisdiction or jurisdictions.

The provisions of this Article 33 shall survive the closing of title or the termination of this Agreement for the purpose of any suit, action, or proceeding arising directly or indirectly, out of or relating to this Agreement.

If Purchaser is a foreign mission, as such term is defined under the Foreign Missions Act, 22 U.S.C. 4305, Purchaser shall notify the United States Department of State prior to purchasing a Unit and provide a copy of such notice to Sponsor. Sponsor shall not be bound under this Agreement unless and until the earlier of: (i) a notification of approval is received from the Department of State; or (ii) sixty (60) days after Purchaser's notice is received by the Department of State.

34. SURVIVAL. The Closing of Title to the Unit and the delivery and the delivery of the deed thereto shall be deemed full compliance by the Seller with each and every term of this Purchase Agreement, except as to any item specifically listed and excepted therefrom.

35. EXECUTION OF FORMS. It shall be a condition of this contract that I shall execute and deliver to the Sponsor's attorney all forms and papers required by the State of New York and City of New York in connection with the purchase of the Unit including but not limited to the "RPT" form and gains tax transferee form.

36. LAWS. The laws of the State of New York shall govern this transaction.

37. PURCHASER'S REMEDIES. In the event that the Sponsor shall for any reason be unable to convey and deliver the unit in accordance with terms of the Purchase Agreement (except for any failure to perform any obligation imposed by applicable statute or regulation, or a failure to perform Sponsor's obligations under the Offering Plan) the sole remedy of the Purchaser shall be to rescind the Purchase Agreement and be refunded the entire down payment.

Any conflict between the plan and the Purchase Agreement shall be resolved according to the terms of the plan.

Nothing contained in the Purchase Agreement or the Plan shall be construed to waive a Purchaser's right to abrogate Sponsor's obligations under Article 23-A of the GBL.

38. APPLIANCES AND EQUIPMENT. Major fixtures or equipment such as refrigerator, plumbing fixtures, kitchen cabinets or partition walls are included in the offering price. For specific fixtures or equipment included in this Offering Plan, see PART II Description of Property and Specifications of this Offering Plan.

No fixtures or equipment may be installed without the permission of the Sponsor and Condominium Board of Managers. To the extent the Purchaser permitted and elects to install the same and any other appliances in their unit, the same will represent an additional cost of purchasing the unit.

The owner reserves the right to substitute any appliances, fixtures, equipment and material of equal or better quality even though the sponsor intends to use the appliances, fixtures, equipment and material described herewith.

Effective November 5, 2004, owners of Class A multiple dwellings in New York City, which include condominium units, must install carbon monoxide detectors. The Sponsor will install a carbon monoxide detector in each residential condominium unit. The law requires the owners of the residential condominium units to maintain the carbon monoxide detectors.

39. CONSTRUCTION.

(A) The construction of the Building and the Unit, including the materials, equipment and fixtures to be installed therein, shall be substantially in accordance with the Plan and the architectural Plans and Specifications, subject to the right of Sponsor to amend the Plan and the Plans and Specification in order to substitute materials, equipment or fixtures of comparable or better quality as recognized by industry standards for performance, efficiency, longevity, and/or classifications, as applicable, provided that the approval of any governmental authorities having jurisdiction is first obtained (if required). The issuance of a Permanent Certificate of Occupancy for the Building shall be deemed presumptive evidence that the Building and the Unit have been fully completed in accordance with the Plan and the Plans and Specifications. However, nothing herein contained shall excuse Sponsor from its obligation to correct any defects in construction in accordance with the conditions set forth in the Section of the Plan entitled "Rights and Obligations of Sponsor."

(B) The construction of the Building and the Unit and the correction of any defects in the construction thereof to the extent required under the Plan are the sole responsibility of Sponsor. Purchaser acknowledges and agrees that Sponsor will not be liable for, and will have no obligation to correct, certain variations from the Plan and Plans and Specifications as indicated in the Section of the Plan entitled "Rights and Obligations of Sponsor" and will only be responsible to correct any construction defects to the extent, and on the terms and conditions, set forth in such Section.

(C) The closing of title shall occur only after, or concurrently with,

compliance with the prerequisites set forth under "Terms of Sale" in Part I of the Plan. As a result, if all such prerequisites are met, Purchaser shall be obligated to close and complete payment of the full Purchase Price (without provision for escrow), notwithstanding any construction items noted on the Inspection Statement (as herein defined) remaining for Sponsor to complete and/or correct in accordance with its obligation under the Plan, and notwithstanding the incomplete construction and/or decoration of any other portions of the Building or the Unit.

(D) The actual date for the First Closing is not guaranteed or warranted, and may be earlier or later depending on the progress of construction and compliance with the other prerequisites recited in the Plan. Purchaser acknowledges that construction may be delayed by late delivery of material or equipment, labor difficulties, unavailability of Building trades, casualty, inclement weather and other events beyond Sponsor's reasonable control. Purchaser further acknowledges that the Units in the Building will be completed at varying times over a period that could extend well beyond the First Closing. The order in which these Units will be completed is in the discretion of Sponsor. Purchaser acknowledges that except as otherwise provided in the Plan, Purchaser shall not be excused from paying the full Purchase Price, without credit or set-off, and shall have no claim against Sponsor for damages or losses, in the event that the First Closing occurs substantially later than the projected date or the time to complete or to close title to the Unit is delayed or is postponed by Sponsor.

41. NOTICES. All notices, elections, consents, demands and communications (collectively called "notices" or individually called "notice") shall be delivered personally or given in writing by registered or certified mail, return receipt requested, postage prepaid, or by nationally recognized overnight courier, and, if sent to Purchaser, addressed to Purchaser at Purchaser's address given in the preamble to this Agreement and, if sent to Sponsor, addressed to the Sponsor's Attorney as indicated in this Plan. In the event that Sponsor allows such assignment or amendment to the Purchase Agreement, Purchaser shall pay a fee of \$1,000 for each assignment or amendment to the Purchase Agreement.

47. STRICT COMPLIANCE. 50. WAIVER OF JURY. Except as prohibited by law, the parties shall, and they hereby do, expressly waive trial by jury in any litigation arising out of, or connected with, or relating to, this Agreement, or the relationship created hereby. With respect to any matter for which a jury trial cannot be waived, the parties agree not to assert any such claim.

ARTICLE VI

OPERATION OF THE PROPERTY

Section 1. Determination of Common Expenses and Fixing of Common Charges: The Board of Managers shall from time to time, and at least annually, prepare a budget for the operation of the Condominium, determine the amount of the Common Charges payable by the Unit Owners to meet the Common Expenses, and allocate and assess such Common Charges and Expenses among the Unit Owners in proportion to their respective Common Interests. The Common Expenses shall include, among other things, the cost of all insurance premiums on all policies of insurance required to be or which have been obtained by the Board of Managers pursuant to the provisions of these By-Laws and the fees and disbursements of the Insurance Trustee. The Common Expenses may also include such amount as the Board of Managers may deem proper for the operation and maintenance of the Common Elements including, without limitation, an amount for working capital of the Condominium, for a general operating reserve, for a reserve fund for replacements, and to make up any deficit in the common expenses for any prior year. The Common Expenses may also include such amounts as may be required for the purchase or lease of any Unit whose Owner has elected to sell or lease such Unit, or any Unit which is to be sold at a foreclosure or other judicial sale. The Board of Managers shall advise all Unit Owners promptly, in writing, of the amount of Common Charges and Expenses payable by each of them, respectively, as determined by the Board of Managers, as aforesaid, and shall furnish copies of each budget on which such Common Charges and Expenses are based, to all Unit Owners. Any dispute relating to the expenses to be borne by the Unit Owners shall be submitted to arbitration in accordance with these By-Laws.

The Sponsor or Sponsor-designee shall be responsible for the Common Charges assessed against a Unit owned by it from the date of the First Unit Closing until such Unit is sold to a bona fide purchaser.

Section 2. Insurance: The Board of Managers shall be required to obtain and maintain, to the extent obtainable, the following insurance: (1) fire insurance with extended coverage, vandalism and malicious mischief endorsements, insuring the Buildings containing the Units (including all of the Units and the fixtures initially installed therein by the Sponsor or by prior construction and any other property usual to the servicing and general occupancy, but not including furniture, furnishings, or other personal property supplied or installed by Unit Owners) together with all service machinery and equipment contained therein and covering the interests of the Condominium, the Board of Managers and all Unit Owners and their mortgagees with certificates of insurance, as their interests may appear, in an amount to be determined by the Board of Managers. In the event this building includes a commercial unit, the Board of Managers shall annually obtain from the insurance broker a letter stating the extent to which the cost of insurance for the condominium, on account of the usage of the commercial unit, exceeds the cost which would otherwise have been obtained if no commercial unit were present; and this cost shall be borne by the commercial unit owner. A copy of the letter shall be delivered to the commercial unit owner within ten (10) days after receipt thereof, and the commercial unit owner shall be obligated to pay the amount assessed therein within fifteen (15) days after receipt thereof.

Section 3. Payment of Common Charges: All Unit Owners shall be obligated to pay the Common Charges assessed by the Board of Managers pursuant to the provisions of Section 1 of Article VI at such time or times as the Board of Managers shall determine.

No Unit Owner shall be liable for the payment of any part of the Common Charges assessed against his Unit subsequent to a sale, transfer or other conveyance by him.

Section 4. Collection of Common Charges and Assessments: The Board of Managers shall assess Common Charges against Unit Owners from time to time at least annually and shall take prompt action to collect any Common Charge due from any Unit Owner which remains unpaid for more than thirty (30) days from the due date for payment thereof. The Board of Managers shall also take prompt action to collect any assessment due from any Unit Owner which remains unpaid for more than thirty (30) days from the due date thereof.

Section 5. Default in Payment of Common Charges or Assessments: In the event of default by any Unit Owner in paying to the Board of Managers the Common Charges or any assessment as determined by the Board of Managers, such Unit Owners shall be obligated to pay interest at the highest legal rate on such Common Charges or assessments from the due date thereof, together with all expenses, including attorney's fees, incurred by the Board of Managers in any proceeding brought to collect such unpaid Common Charges or assessments. The Board of Managers shall have the right and duty to attempt to recover such Common Charges or assessments, together with interest thereon, and the expenses of the proceeding, including attorney's fees, in an action to recover the same brought against such Unit Owner, or by foreclosure of the lien on such Unit granted by Section 339-z of the Real Property Law of the State of New York, in the manner provided in Section 339-aa thereof. A Unit Owner defaulting in payment of Common Charges or assessments shall not be permitted to vote at any regular or special meeting of Unit Owners.

Section 6. Foreclosure of Liens for Unpaid Common Charges: In any action brought by the Board of Managers to foreclose a lien on a Unit because of unpaid Common Charges, the Unit Owner shall be required to a reasonable rental for the use of his Unit and the plaintiff in such foreclosure action shall be entitled to the appointment of a receiver to collect the same. The Board of Managers, acting on behalf of all Unit Owners, shall have the power to purchase such Unit at foreclosure sale and to acquire, hold, lease, mortgage (but not to vote the votes appurtenant to), convey, or otherwise deal with same. A suit to recover a money judgment for unpaid Common Charges shall be maintainable without foreclosing or waiving the lien securing the same. The proceeds from the sale of any Unit pursuant to this Section shall be used first to pay the unpaid Common Charges and/or assessments, plus reasonable attorney's fees and administrative costs and any other lawful liens on the defaulting Unit. Amounts above this, if any, will be the property of the defaulting Unit Owner. If after the sale of Unit for the nonpayment of Common Charges and/or assessments, the sale does not recover the full amount due and owing, the Board of Managers has the right to assess all the Unit Owners as a Common Expense for the difference between the amount received by the Condominium from the sale of the Unit and the amount owed to the Condominium.

Section 7. Statement of Common Charges and Assessment: The Board of Managers shall promptly provide any Unit Owner so requesting the same in writing, with a written statement of all unpaid Common Charges due from such Unit Owner.

Section 8. Abatement and Enjoinment of Violations by Unit Owners: The violation of any rule or regulation adopted by the Board of Managers, or the breach of any By-Law contained herein, or the breach of any provision of the Declaration, shall give the Board of Managers the right, in addition to any other right set forth in these By-Laws; (a) upon reasonable notice to the Unit Owner, to enter the Unit in which, or as to which, such violation or breach exists and to summarily abate and remove, at the expense of the defaulting Unit Owner, any structure, thing or condition that may exist therein contrary to the intent and meaning of the provisions hereof (provided, however, that no prior notice shall be required in the event the Board of Managers shall determine that action is immediately necessary for the preservation or safety of the Property of the Condominium or for the safety of residents of the Condominium or other persons or required to avoid the suspension of any necessary service to the Condominium); or (b) to enjoin, abate or remedy by appropriate legal proceedings, either at law or in equity, the continuance of any such breach.

Section 9. Maintenance and Repairs:

a) All maintenance of and repairs to any Unit, ordinary or extraordinary, and to the doors (except painting exterior side of Unit entrance door), windows (except painting exterior side of windows), electrical (except Common Elements), plumbing (except Common Elements) and heating fixtures and air conditioning units within the Unit or belonging to the Unit Owner shall be at the Unit Owner's expense, excepting as otherwise specifically provided herein.

b) All maintenance, repairs and replacements to the General Common Elements as defined in the Declaration, and the painting and decorating of the exterior side of Unit entrance doors and windows shall be made by the Board of Managers as a Common Expense,

excepting to the extent that the same are necessitated by the negligence, misuse or neglect of a Unit Owner, in which case such expense shall be charged to such Unit Owner. Maintenance, repair and replacements in or to the Limited Common Elements as defined in the Declaration will be performed as per the Declaration.

Section 10. Restrictions on Use of Units: In order to provide for congenial occupancy of the Property and for the protection of the values of the Units, the use of the Property shall be restricted to and shall be in accordance with the following:

a) The Residential Units shall be used for private residences only, except that a Unit Owner may use his Unit for any home occupation use permitted under applicable zoning law and ordinances, building code or other rules and regulations of governmental authorities having jurisdiction. Any Unit may also be used as a professional office by a resident thereof provided such professional use does not violate zoning regulations and provided further that the prior consent of the Board of Managers to such professional use is obtained. The Community Facility Units may be used for community facilities as defined in the Zoning Resolution and for no other purpose except as use is permitted under applicable zoning laws and ordinances, building code or other rules and regulations of governmental authorities having jurisdiction thereof. The Parking Units may only be used for parking. Notwithstanding the foregoing, the Sponsor or Sponsor-Designee shall have the right, without charge, (i) to maintain general and sales offices in one or more Units or elsewhere on the Property, to use one or more Units as models and for other promotional purposes and to erect and maintain signs on the Property; (ii) to have its employees, contractors and sales agents present on the Property; (iii) to do all things necessary or appropriate, including the use of the Common Elements, to sell or lease Units and to complete construction or the Building and to comply with its obligations.

b) The Common Elements shall be used only for the furnishing of the services and facilities for which they are reasonably suited and which are incident to the use and occupancy of Units.

c) No nuisances shall be allowed on the Property nor shall any use or practice be allowed which is a source of annoyance to its residents or which interferes with the peaceful possession or proper use of the Property by its residents.

d) No unlawful use shall be made of the Property of any part thereof, and all valid laws, zoning ordinances and regulations of all governmental bodies having jurisdiction thereof shall be observed. Violations of laws, orders, rules, regulations or requirements of any governmental agency having jurisdiction thereof, relating to any portion of the Property, shall be eliminated, by and at the sole expense of the Unit Owners, or the Board of Managers, whichever shall have the obligation to maintain or repair such portion of the Property.

e) No portion of a Unit or other Limited Common Elements appurtenant thereto (other than the entire Unit including the Limited Common Elements appurtenant thereto), may be separately rented.

f) Smoking and using electronic cigarettes is prohibited in any common areas within the interior of the building(s) as required by all applicable laws and is permitted in any

of the dwelling units, provided that smoke does not enter into other Units or the Common Elements.

Smoking and using electronic cigarettes is permitted in all outdoor areas, including but not limited to, common courtyards, rooftops, balconies and patios, and any outdoor areas connected to dwelling units.

Unit Owners and their guests shall not permit cigarette, cigar or pipe smoke from escaping from the Unit and entering any other Unit or the Common Elements. Unit Owners shall not smoke in their Units if they are unable to prevent the smoke from entering the Common Elements or another Unit. The Board shall have the right to obtain a court order enjoining occupant of a Unit from smoking in the Unit or the Common Elements if the smoke escapes the Unit and the Board shall have the right to seek the eviction of a tenant who smokes in a Unit or the Common Elements if the smoke escapes from the Unit. In addition to all other remedies available to the Board, violation of this policy shall subject the Unit Owner to (i) a fine in an amount to be determined from time to time by the Board and (ii) reimbursement for any fees or expenses incurred by the Condominium to cause the smoke infiltration into the Common Elements or another Unit to cease (including but not limited to legal fees) in enforcing this provision.

Section 11. Additions, Alterations or Improvements by Unit Owners: No Unit Owner shall make any structural addition, alteration or improvement in or to his Unit, or which affects the exterior of the Building's Units, without prior written consent thereto of the Board of Managers. The Board of Managers shall have the obligation to answer in writing any written request by a Unit Owner for approval of a proposed structural addition, alteration or improvement in such Unit Owner's Unit, within thirty (30) days after such request, and failure to do so within the stipulated time shall constitute a consent by the Board of Managers to the proposed addition, alteration, or improvement. An application to any department of the City of New York or to any other governmental authority for a permit to make an addition, alteration or improvement in or to any Unit shall be executed by the Board of Managers only, without however, incurring any liability on the part of the Board of Managers or any of them to any contractor, subcontractor, or material man on account of such addition, alteration or improvement, or to any person having any claim for injury to person or damage to property arising therefrom.

In the event the Board of Managers grants its consent, either affirmatively or by its inaction, to any structural addition, alteration or improvement to be made by a Unit Owner, the consent shall provide that any such work shall be at the Unit Owner's sole cost and expense, that work shall be done in accordance with all governmental or quasi-governmental laws, rules, regulations, codes and ordinances, that all work shall be done by reputable contractors with adequate liability, property damage and worker's compensation insurances (certificates for which shall be delivered to the Board of Managers prior to the commencement of construction), that any additions, alterations or improvements, shall be maintained in their entirety by said Unit Owner who shall also be responsible for any repairs, including structural repairs, to such area in any event, and to the Unit and any Common Elements where such repairs become necessary due to additional stresses caused by the structural alteration, addition or improvement, or due to improper design or construction of the structural alteration, addition or improvement, and such approval shall further provide that the Unit Owner shall reimburse the Board of Managers any out-of-

pocket expenses incurred by the Board of Managers in connection with the granting of such approval and in connection with any services provided to such alteration, addition or improvement; such expenses may include, but shall not be limited to, any fees of an attorney and/or fees of an architect consulted in connection with any request by a Unit Owner for approval of such work.

The provisions of this Section 11 which requires the consent of the Board of Managers in connection with a structural addition, alteration or improvement shall not apply to Units owned by the Sponsor or its designee. All other provisions of this Section 11 shall apply to all Units.

Non-structural alterations and improvements to Units that do not affect the exterior of the Buildings may be made without the prior approval of the Board of Managers.

Section 12. Use of Common Elements and Facilities: A Unit Owner shall not place or cause to be placed in the lobby, public halls, stairways or other common areas or common facilities, any furniture, packages or objects of any kind. The public halls and stairways shall be used for no purpose other than for normal transit through them. The Sponsor and any Sponsor-Designee shall have the right to use of the Common Elements, without charge, for the purpose set forth in Section 10 of this Article VI.

Section 13. Right of Access: A Unit Owner shall grant a right of access to his Unit, to the Manager and/or any other person authorized by the Board of Managers, the Manager or the Managing Agent, for the purpose of making inspections or for the purpose of correcting any condition originating in his Unit and threatening another Unit or a Common Element, or for the purpose of performing installations, alterations or repairs to the mechanical or electrical services or other Common Elements in his Unit or elsewhere in the Building in which the Unit is located, provided that requests for entry are made in advance and that any such entry is at a time reasonably convenient to the Unit Owner. In case of an emergency, such right of entry shall be immediate, whether the Unit Owner is present at the time or not. In the event of the exercise of the right of access provided in this Section 13, any costs for repairs shall be borne in accordance with the provisions of Section 10 of this Article VI. Each Unit Owner will be required to give a copy of his/her keys to his/her Unit to the President of the Board of Managers who shall designate an authorized person or persons to keep the keys and use them in case of an emergency.

Section 14. Rules of Conduct: Rules and Regulations concerning the use of the Units and the Common Elements may be promulgated and amended by the Board of Managers. A majority vote of Unit Owners at a meeting may overrule the Board. Copies of such rules and regulations shall be furnished by the Board of Managers to each Unit Owner prior to the time when the same shall become effective. Initial rules and regulations, which shall be effective until amended by the Board of Managers are annexed hereto and made a part hereof as Schedule A.

Section 15. In the event of a proposed sale of a Unit by the

Owner thereof, the Board of Managers, on request of the selling Unit Owner, shall execute and deliver to the purchaser of such Unit or to the purchaser's title insurance company, a letter agreeing to pay all charges for water and sewer rents affecting the Property as of the date of closing of title to such Unit promptly after such charges shall have been billed. The Commercial Unit or Units, if applicable, shall be entitled to a credit against common charges for the portion of such common charges allocable to water/sewer charges for residential Units.

ARTICLE VII

Section 1. Sales and Leases: No Unit Owner other than the Sponsor or Sponsor-designee may sell or lease his Unit or any interest therein except by complying with the provisions below. The Sponsor or Sponsor-designee need not comply with such provisions.

Any Unit Owner who receives a bona fide offer for the sale of his Unit together with: (i) the undivided interest in the Common Elements and any Limited Common Elements appurtenant thereto; (ii) the interest of such Unit Owner in any Units theretofore acquired by the Board of Managers, or his designee, on behalf of all Unit Owners, or the proceeds of the sale or lease thereof, if any; (iii) the interest of such Unit Owner in any other assets of the Condominium, as defined in the Declaration (hereinafter collectively called the "Appurtenant Interest"); or a bona

bona fide offer for a lease of his Unit (such proposed sale or lease, as the case may be is hereinafter called an "Outside Offer"), which he intends to accept, shall give notice by hand or by certified or registered mail to the Board of Managers of such offer and of such intention, the name and address of the proposed purchaser or lessee, the terms of the proposed transaction and such other information as the Board of Managers may reasonably require, and shall offer to sell such Unit, together with the Appurtenant Interests, or to lease such Unit, to the Board of Managers, or his designee, corporate or otherwise, on behalf of the Owners of all other Units, on the same terms and conditions as contained in such Outside Offer. The giving of such notice shall constitute a warranty and representation by the Unit Owner who has received such offer, to the Board of Managers on behalf of the other Unit Owners, that such Unit Owner believes the Outside Offer to be bona fide in all respects. Within thirty (30) days after receipt of such notice, the Board of Managers may elect to purchase such Unit, together with the Appurtenant Interest, or to lease such Unit as the case may be (or to cause the same to be purchased or leased by his designee, corporation or otherwise), on behalf of all other Unit Owners, on the same terms and conditions as contained in the Outside Offer and as stated in the notice from the offering Unit Owner.

In the event the Board of Managers shall elect to exercise the right of first refusal and purchase such Unit, together with the Appurtenant Interests, or to lease such Unit, or to cause the same to be purchased or leased by his designee, corporate or otherwise, title shall close or a lease shall be executed at the office of the attorneys for the Condominium in accordance with the terms of such offer but in no event less than forty-five (45) days after the giving of notice by the Board of Managers of its election to accept such offer. At the closing, the Unit Owner, if such Unit, together with the Appurtenant Interests, is to be sold, shall convey the same to the Board of Managers, or to his designee, on behalf of all other Unit Owners, by deed in the form required by Section 339-o of the Real Property Law of the State of New York, with all transfer stamps affixed, and shall pay all other taxes arising out of such sale. In the event such Unit is to be leased, the offering Unit Owner shall execute and deliver to the Board of Managers, or to his designee, a lease between the offering Unit Owner, as landlord, and the Board of Managers, or his designee, as tenant, covering such unit, for the rental and term contained in such Outside Offer.

In the event the Board of Managers or to his designee fails to notify the offering Unit Owner of its decision to accept such offer within thirty (30) days after receipt of notice as aforesaid or to notify the offering Unit Owner within such (30) day period of its decision not to accept such offer, it shall be deemed to have waived the right of first refusal and the offering Unit Owner shall be free to contract to sell such Unit, together with the Appurtenant Interests, or to lease such Unit, as the case may be, within sixty (60) days after the expiration of the thirty (30) day period in which the Board of Managers or to his designee might have accepted such offer, to the Outside Offeror, on the terms and conditions set forth in the notice from the offering Unit Owner to the Board of Managers of such Outside Offer. Any such deed to any Outside Offeror shall provide that acceptance thereof by the grantee shall constitute an assumption of the provisions of the Declaration, the By-Laws and the Rules and Regulations, as the same may be amended from time to time. Any such lease shall be consistent with these By-Laws and shall provide that it may not be modified, amended, extended or assigned without the prior written consent of the Board of Managers, and that the tenant shall not sublet the demised premises, or any part thereof, without the prior consent in writing of the Board of Managers, and that the Board of Managers shall have the power to terminate such lease and/or to bring summary proceedings to evict the tenant in the name of the landlord thereunder, in the event of default by the tenant in the

performance of such lease. Except as hereinbefore set forth, the form of any such lease for Residential Units shall be in the then current form of apartment lease recommended by Julius Blumberg, Inc., or the Real Estate Board of New York, Inc., with such modifications as shall be approved in writing by the Board of Managers. In the event the offering Unit Owner shall not, within such sixty (60) day period, contract to sell such Unit together with the Appurtenant Interests, or to lease such Unit, as the case may be, to the Outside Offeror on the terms and conditions contained in the Outside Offer, or if the Unit Owner shall so contract to sell or lease his Unit within such sixty (60) day period, but such sale or lease shall not be consummated pursuant to the terms of such Outside Offer, then should such offering Unit Owner thereafter elect to sell such Unit, together with the Appurtenant Interests, or to lease such Unit, as the case may be, to the same or another Outside Offeror on the same or other terms and conditions, the offering Unit Owner shall be required to again comply with all the terms and provisions of this section 1 of this Article VIII.

Any purported sale or lease of a Unit in violation of this section shall be voidable at the election of the Board of Managers.

THE BOARD OF MANAGERS MAY NOT DISCRIMINATE AGAINST ANY PERSON ON THE BASIS OF RACE, CREED, COLOR, NATIONAL ORIGIN, SEX, AGE, DISABILITY, MARITAL STATUS OR OTHER GROUNDS PROHIBITED BY LAW.

Section 2. Consent of Unit Owners to Purchase or Lease of Units by Board of Managers. The Board of Managers shall not exercise any option hereinabove set forth to purchase or lease any Unit without the prior approval of a majority of the Unit Owners.

A Unit acquired by the Board of Managers pursuant to the Right of First Refusal described herein may be sold, leased, mortgaged or otherwise dealt with in the discretion of the Board of Managers. The proceeds of such disposition will be received by the Board of Managers on behalf of all Unit Owners in proportion to their respective common interests.

Section 3. No Severance of Ownership. No Unit Owner shall execute any deed, mortgage or other instrument conveying or mortgaging title to his or her Unit without including therein its Appurtenant Interests, it being the intention to prevent any severance of such combined ownership. Any such deed, mortgage or other instrument purporting to affect one or more of such interests, without including all such interest, shall be deemed and taken to include the interest or interests so omitted, even though the latter shall not be expressly mentioned or described therein. No part of the Appurtenant Interests of any Unit may be sold, transferred, conveyed, or otherwise disposed of, except as part of a sale, transfer, conveyance, or other disposed of, except as part of a sale, transfer or other disposition of the Unit to which such interest of interests are appurtenant, or as part of a sale, transfer or other disposition of such part of the Appurtenant Interests of all Units.

Section 4. Release by Board of Managers of Right of First Refusal. The right of first refusal contained in Section 1 of this Article VIII may be released or waived by the Board of Managers, in which event the Unit, together with the Appurtenant Interests, may be sold, conveyed, or leased, free and clear of the provisions of such section.

Section 5. Certificate of Termination of Right of First Refusal. A certificate, executed and acknowledged by the Secretary of the Condominium, stating that the provisions of Section 1 of this Article VIII have been met by a Unit Owner, or have been duly waived by the Board of Managers and the rights of the Board of Managers thereunder have terminated, shall be conclusive upon the Board of Managers in favor of all person who rely thereon in good faith. Such certificate shall be furnished to any Unit Owner who has in fact complied with the provisions of Section 1 of this Article VIII or in respect to whom the provisions of such section have been waived, upon request.

Section 6. Financing of Purchase of Units by Board of Managers. Acquisition or lease of Unit by the Board of Managers, or his designee, on behalf of all Unit Owners, may be made from the working capital and Common Charges in the possession of the Board of Managers, or, if such funds are insufficient, the Board of Managers may levy an assessment against each Unit Owner, other than the offering Unit Owner, in proportion to his ownership ion the Common Elements, as a Common Charge, which assessment shall be enforceable in the same manner as provided in Section 5 and 6 of Article VI, or, the Board of Managers, in its discretion, may borrow money to finance the acquisition of lease of such Unit, provided, however, that no financing may be secured by an encumbrance or hypothecation of any property other than the Unit, together with the Appurtenant Interests, so to be acquired or leased by the Board of Managers.

Section 7. Exceptions. The provisions of Section 1 of this Article VIII shall not apply with respect to any sale or conveyance or lease by a Unit Owner of his Unit, together with the Appurtenant Interests, to his spouse or to any of his children or to his parent or parents or to his brothers or sisters, or any one or more of them, or to any Unit owned by the Sponsor or Sponsor-designee, or to the acquisition or sale of any Unit, together with Appurtenant Interests, by a mortgagee herein authorized who shall acquire title to such Unit by foreclosure or by deed in lieu of foreclosure. However, the provisions of this section shall apply with respect to any purchaser of a Unit from a mortgagee.

Section 8. Gifts and Devises, etc. Any Unit Owner shall be free to convey or transfer his or her Unit, together with its Appurtenant Interests, by gift, or to devise the same by will or to have the same pass by intestacy, without restriction.

Section 9. Waiver of Right of Partition with Respect to Such Units as are Acquired by the Board of Managers or his designee, on Behalf of All Unit Owners as Tenants in Common. In the event that a Unit shall be acquired by the Board of Managers, or his designee, on behalf of all Unit Owners as tenants in common, all such Unit Owners shall be deemed to have waived all rights of partition with respect to such Unit.

Section 10. Payment of Common Charges and Assessments. No Unit Owner shall be permitted to convey, mortgage, pledge, hypothecate, sell or lease his or her Unit unless and until he or she shall have paid in full to the Board of Managers all unpaid Common Charges and assessments theretofore assessed by Board of Managers against his unit and until he shall have satisfied all unpaid liens, other than that of Permitted Mortgages, levied against such Unit.

Section 11. Mortgage of Units. No Unit Owner shall mortgage his Unit, except by a first and/or second mortgage made to a bank, savings bank, trust company, savings and loan association, credit union or similar banking institution whether organized under the laws of New York State, the United States or any other state, foreign banking corporation licensed by the Superintendent of Banks of New York or regulated by the Comptroller of the Currency to transact business in New York State, insurance company duly organized or licensed to do business in New York State or a purchase money mortgage made to the Sponsor, Sponsor-designee, or to the seller of the Unit. Any such mortgage shall be substantially in the form on file with the Board of Managers, except for such changes or additions as may be required in order to permit the particular institutional lender to make the mortgage loan, or to the extent permitted by the Board of Managers. A mortgage may be made to a reputable private lender, other than a lender as above described, provided the same is approved in writing by either the Sponsor, prior to the Sponsor's relinquishing control of the Board of Managers, or the Board of Managers, subsequent to the release of control by the Sponsor. Such approval shall be in the sole and absolute discretion of the Sponsor or the Board of Managers as the case may be. Prior to or simultaneously with the closing of any mortgage, the Unit Owner must satisfy all arrearages for unpaid Common Charges or assessments and discharge any liens therefor.

Section 12. Fees and Charges. The Condominium Board shall have the right to require the Offeree Unit Owner to pay a fee to the Condominium Board and/or the Managing Agent to cover reasonable legal and other expenses of the Condominium Board and the Managing Agent in connection with the sale or lease of a Residential Unit pursuant to the provisions of this Article VIII except such charges and fees shall not apply to a sale or lease of any Unit by Sponsor, any Sponsor-designee or any partner of any entity affiliated directly or indirectly with Sponsor. Any other fees in connection with the sale or lease of a Residential Unit may only be enacted by action of Unit Owners except any such fee shall not apply to a sale or lease of any Unit by Sponsor, any Sponsor-designee or any partner of any entity affiliated directly or indirectly with Sponsor.

ARTICLE IX

CONDEMNATION AND TERMINATION

Section 1. Condemnation: In the event of a taking in condemnation or by eminent domain of part or all of the Common Elements, the award made for such taking shall be payable to the Board of Managers, if such award amounts to \$50,000.00 or less, and to the Insurance Trustee if such award amounts to more than \$50,000.00. If seventy-five percent (75%) or more of the Unit Owners duly and promptly approve the repair and restoration of such Common Elements, the Board of Managers or the Insurance Trustee, as the case may be, shall arrange for the repair and restoration of such Common Elements, and the Board of Managers or the Insurance Trustee, as the case may be, shall disburse the proceeds of such award to the contractors engaged in such repair and restoration in appropriate progress payments. In the event that seventy-five percent (75%) or more of the Unit Owners do not duly and promptly approve the repair and restoration of such Common Element, the Board of Managers shall disburse the net proceeds of such award in the same manner as they are required to distribute insurance proceeds where there is no repair or restoration of the damage, as provided in Section 2 of Article VI of these By-Laws. As used in

this Section, the words "promptly approve" shall mean not more than sixty (60) days from the date of such taking.

Section 2. Termination: The Condominium may be terminated by the casualty loss, condemnation or eminent domain, in accordance with the provisions of the By-Laws, or by withdrawing the Property from the provisions of the New York Condominium Act if authorized by an affirmative vote of Unit Owners who own not less than eighty (80%) percent in number and in Common Interest of the Units.
