PART I

SPECIAL RISKS

The following is a summary of certain special risk considerations in connection with the Plan but is not intended to summarize all major features of the Plan. Prospective Purchasers are urged to read the following special risk factors in conjunction with the Plan for a discussion of these and other important aspects of this condominium offering.

1. Sponsor will endeavor, in good faith, to sell in a reasonably timely manner, all Residential Units to Purchasers for residence purposes. Sponsor's good faith effort to sell to Purchasers will include listing Unsold Units with brokers, showing Unsold Units to broker and prospective Purchasers or their representatives, filing update amendments to the Plan and otherwise engaging in customary sales activities.

Sponsor will not rent Residential Units. Please see "Introduction" and "Rights and Obligations of Sponsor" Sections of the Plan. Please see "Introduction" and "Rights and Obligations of Sponsor" Sections of the Plan.

2. Purchasers should note that in the current real estate market, banks and other lenders are imposing various restrictions on purchase financing. Such restrictions include requiring that a certain percentage of units in a building or group of buildings be sold before a lender will consider making a loan. Thus, it may be possible for a purchaser to experience difficulty obtaining a loan in a building or group of buildings where the sponsor has not sold a substantial percentage of the units in the building or group of buildings, which in some cases may be as high as 70%. Moreover, some lenders will not provide financing in a building or group of buildings where an investor other than the original sponsor has an ownership interest of 10% or more. It also may be difficult for a purchaser to resell a unit if prospective buyers are unable to obtain a loan due to the same minimum sales and investor ownership restrictions.

3. Purchaser's obligation to purchase a Unit is contingent upon issuance, on or before forty five (45) days after a fully executed copy of the Purchase Agreement is given to Purchaser or Purchaser's attorney, (hereinafter called the "Commitment Date"), of a written commitment from an institutional lender, (hereinafter called the "Institutional Lender").

Under New York law, when a mortgage commitment is not fulfilled through no fault of a purchaser, performance is excused. Therefore, if the purchaser acts in good faith and the lender revokes the loan commitment after the contingency period expires, performance is excused, and the sponsor must grant to such purchaser a right of rescission and a reasonable period of time to exercise such right. If the financing commitment lapses or expires prior to closing, and the purchaser has made a good faith effort to extend the commitment, sponsor must grant to such purchaser a right of rescission and a reasonable period of time to exercise the right.

Purchaser shall (i) make prompt application to the Institutional Lender, for such mortgage loan within five (5) days after the fully executed copy of the Purchase Agreement is given to Purchaser or Purchaser's attorney, (ii) furnish to the Institutional Lender accurate and complete information regarding Purchaser and members of Purchaser's family, as required, (iii) pay all fees, points and charges required in connection with such application and loan, (iv) pursue such

application with diligence, and (v) cooperate in good faith with the Institutional Lender. **IF PURCHASER FAILS TO COMPLY WITH THESE OBLIGATIONS, PURCHASER SHALL BE DEEMED TO HAVE WAIVED PURCHASER'S RIGHT TO CANCEL THE PURCHASE AGREEMENT AND TO RECEIVE A REFUND OF THE DEPOSIT BY REASON OF THE CONTINGENCY.**

If the Institutional Lender denies Purchaser's application in writing prior to the Commitment Date or if no Commitment is issued by the Institutional Lender on or before the Commitment Date, then, provided that Purchaser has complied with all his obligations set forth in the preceding paragraph, Purchaser will have a right of rescission until the midnight of the fifteenth day following the Commitment Date. Purchaser or Purchaser's attorney must either [i] personally deliver a written notice of rescission to Sponsor's attorney prior to the midnight of said fifteenth day, [ii] mail the notice of rescission by certified or registered mail, return receipt requested, to Sponsor's attorney, so that mailing is post-marked by post-office prior to the midnight of said fifteenth day, or [iii] send the notice of rescission to Sponsor's attorney by an email set forth in the Purchase Agreement, prior to the midnight of said fifteenth day. If Purchaser fails to give timely notice of cancellation, then Purchaser will be deemed to have waived Purchaser's right to cancel the Purchase Agreement and to receive a refund of the deposit by reason of the contingency.

If a Commitment was issued but it lapsed or expired prior to the closing, Purchaser will make a good faith effort to extend the Commitment and pay all required costs, fees and expenses to extend the Commitment up to the closing. In no event whatsoever will Sponsor be liable for any costs, fees or expenses relating to the extension of the Commitment, even if the lapse or expiration of the Commitment resulted from a delay in the closing caused by Sponsor.

However, if a Commitment was issued but it lapsed or expired prior to the closing, and Purchaser has made a good faith effort to extend the Commitment, but the Institutional Lender nevertheless refused or failed to extend the Commitment, Purchaser will have a right of rescission until the midnight of the fifteenth day following notice from the Institutional Lender of its failure or refusal to extend the Commitment. Purchaser or Purchaser's attorney must either [i] personally deliver a written notice of rescission to Sponsor's attorney prior to the midnight of said fifteenth day, [ii] mail the notice of rescission by certified or registered mail, return receipt requested, to Sponsor's attorney, so that mailing is post-marked by post-office prior to the midnight of said fifteenth day, or [iii] send the notice of rescission to Sponsor's attorney by an email set forth in the Purchase Agreement, prior to the midnight of said fifteenth day. If Purchaser fails to give timely notice of cancellation, then Purchaser will be deemed to have waived Purchaser's right to cancel the Purchase Agreement and to receive a refund of the deposit by reason of the contingency.

If Purchaser acts in good faith and the Institutional Lender revokes a Commitment after the Commitment Date, Purchaser will have a right of rescission until the midnight of the fifteenth day following notice from the Institutional Lender of its revocation of the Commitment. Purchaser or Purchaser's attorney must either [i] personally deliver a written notice of rescission to Sponsor's attorney prior to the midnight of said fifteenth day, [ii] mail the notice of rescission by certified or registered mail, return receipt requested, to Sponsor's attorney, so that mailing is

post-marked by post-office prior to the midnight of said fifteenth day, or [iii] send the notice of rescission to Sponsor's attorney by an email set forth in the Purchase Agreement, prior to the midnight of said fifteenth day. If Purchaser fails to give timely notice of cancellation, then Purchaser will be deemed to have waived Purchaser's right to cancel the Purchase Agreement and to receive a refund of the deposit by reason of the contingency.

If a Commitment was issued but its terms were not materially and adversely changed prior to the closing, Purchaser shall nevertheless be required to purchase a Unit. Please see Section 29 of the Purchase Agreement in Part II of the Plan.

If Purchaser does not want financing contingency, Purchaser may delete Section 29 of the Purchase Agreement at the time of its execution. If Purchaser deletes the financing contingency, any prospective Purchaser who executes a Purchase Agreement may lose his or her deposit if he or she is unable to otherwise raise the monies for the balance of the purchase price. Please see "Procedure to Purchase" Section of the Plan.

4. Sponsor has obtained the building loan in the sum of \$3,950,000.00 (the "Loan") from Colorado Federal Savings Bank, having an address at 8400 East Prentice Avenue, Suite 840, Greenwood Village, Colorado 80111, (hereinafter called "Colorado Federal").

Pursuant to the Loan documents, upon the sale of a Unit, Sponsor shall be entitled to a release of the Unit from the lien of Colorado Federal's mortgage immediately upon receipt of payment equal to one hundred percent (100%) of the net sale proceeds of the Unit, which are defined as the gross proceeds of sale of the Unit, less (i) all applicable transfer taxes, (ii) title, recording and other closing costs, (iii) real estate broker's commissions, and (iv) reasonable attorney's fees.

Except for a required payment per sale stated above, Colorado Federal did not establish any terms pertaining to Sponsor's obligation to market the Units for sale, including any minimum number or percentage of Units which must be under contract before the Plan can be declared effective. Nor did Colorado Federal impose limits or requirements for Sponsor to rent rather than sell the Units under specified market conditions.

Please see "Introduction" and "Rights and Obligations of Sponsor" Sections of the Plan.

5. The Plan calls for the sale of twenty seven (27) Parking Units. A Parking Unit can be purchased by any person in fee simple absolute. None of the Parking Units will be land-locked.

A Parking Unit shall be used solely for the storage of passenger motor vehicles of the owners of the Parking Unit, except that, in the event the Parking Unit is not used by its owners, it may be rented by its owners. Any rent of the Parking Unit to persons who are not occupants of the Building shall be for a period of not less than one week and not more than one month. The Parking Unit which has thus been rented shall be made available to the occupants of the Residential Unit, which own the Parking Unit, within thirty days after written request therefor.

Parking Units PS8 and PS16 have been designated handicapped and will be the last Parking Units to be sold if they have not previously been sold to Purchasers who themselves or members of their families have vehicles with handicapped plates. The purchase of Parking Units PS8 and PS16 and their subsequent sale, transfer or hypothecation are hereby subject to the following covenant and restriction in the deed:

"In the event the present or future Owner of a Residential Unit in the Condominium, or a member of his or her family residing in the Residential Unit, becomes handicapped and acquires handicapped plates for his or her vehicle, and said Residential Unit Owner is the owner of a Parking Unit, said Residential Unit Owner has the right to demand that the Owner of Parking Unit PS8/PS16 trade the handicapped Parking Unit PS8/PS16 he or she owns with said handicapped Parking Unit Owner.

In the event the present or future Owner of a Residential Unit in the Condominium, or a member of his or her family residing in the Residential Unit, becomes handicapped and said Residential Unit Owner does not own a Parking Unit, said Residential Unit Owner has the right to demand that the Owner of Parking Unit PS8/PS16 sell it at then current, fair market value to said handicapped Parking Unit Owner. All costs and expenses entailed in the transfer of title to the Parking Units, including without limitation, title abstracts, title insurance, transfer taxes and recording fees and reasonable attorney fees shall be borne by the party requesting the transfer.

The Owner of Parking Unit PS8/PS16 must comply with the aforementioned demand upon thirty (30) day-notice.

If the parties cannot agree on the fair market value of Parking Unit PS8/PS16, then the parties agree to submit the matter to binding arbitration in accordance with Article XIV of the By-Laws of the Condominium. The party seeking the arbitration shall be required to send the appropriate notice as more fully set forth in Article V of the By-Laws. Article V provides in part that all notices required or desired to be given hereunder shall be sent by mail, by depositing the same in a post office or letter box, in a postpaid sealed wrapper, addressed to the Board of Managers, any manager, Unit Owner or mortgagee at such address as appears on the books of the Condominium.

Notwithstanding anything to the contrary stated in the Plan, in the event the present or future Owner of a Residential Unit in the Condominium, or a member of his or her family residing in the Residential Unit, becomes handicapped and acquires handicapped plates for his or her vehicle, said Residential Unit Owner WILL NOT HAVE the right to demand that the Owner of Parking Unit PS8/PS16 trade the handicapped Parking Unit PS8/PS16 with said handicapped Owner, IF the Owner of Parking Unit PS8/PS16 or member of his or her family, is handicapped or has already obtained handicapped plates for his or her vehicle."

Please see "Introduction" and "Description of Property and Improvements" Sections of the Plan.

6. The Property is located in Flood Zone AE (Flood Elevation 10 Feet) on FEMA Map Number 3604970329F, effective on September 5, 2007. The Property is designated as a high risk flood area on the currently effective FEMA's Flood Insurance Rate Map. The Property is located in the Special Flood Hazard Area, which is an area that would be inundated by the flood having a 1% chance of being equaled or exceeded in any given year (base flood). There is a mandatory flood insurance requirement for the Property.

There are no Residential Units located below the flood level.

Please see "Description of Property and Improvements" Section of the Plan. Please also see Architect's Report of Igor Zaslavskiy, R.A. in Part II of the Plan.

7. Windows are not provided with child safety window guards. Please see "Description of Property and Improvements" Section of the Plan.

8. There are two (2) easements on the Property. The first driveway easement runs along the north easterly lot line. An easement agreement and deed restriction dictates that 7'-7" from the Property line must remain clear along the grade level for a distance of 81'-0" for vehicular access.

The second driveway easement runs along the southerly lot line. An easement agreement and deed restriction dictates that 3'-6" from the Property line must remain clear along the grade for vehicular access.

Please see "Description of Property and Improvements" Section of the Plan. Please also see Architect's Report of Igor Zaslavskiy, R.A. in Part II of the Plan.

9. Purchasers are advised to confer with their insurance adviser regarding insurance for their Units, including flood insurance for the contents of their Units. Please see "Footnotes to Schedule B" Section of the Plan.

10. Each Residential Unit will contain a laundry closet with hookups for a domestic electric washer and dryer. Sponsor will provide and equip each Residential Unit with a washer and dryer. Sponsor will also provide and equip each Residential Unit with a refrigerator, electric range, microwave and dishwasher. Please see "Description of Property and Improvements" Section of the Plan.

11. The finished floor of the living, dining, kitchen and bedroom areas of each Residential Unit will be a hardwood. Wood floors should be maintained in accordance with the requirements of National Wood Flooring Association available on its website at:

<https://www.woodfloors.org/maintenance.aspx>

Please see "Description of Property and Improvements" Section of the Plan.

12. The approximate floor area of each Residential Unit and Community Facility Unit is measured from the outside face of the masonry work at the exterior walls of the Building to the non-unit side of the walls and partitions (dividing the Units from corridors, stairs and mechanical space).

The approximate measurements are within reasonable tolerances.

The above measurements are not based from interior surfaces of interior walls. Therefore, the actual area comprising each Residential Unit and Community Facility Unit is significantly less than the area listed in Schedule A.

The above measurements of each Residential Unit and Community Facility Unit significantly exceed the actual usable floor area of the Residential Unit and Community Facility Unit. Please see "Description of Property and Improvements" and "Footnotes to Schedule A" Sections of the Plan.

13. The balconies and terraces are uninhabitable spaces. They may not be legally used for any residential uses including bedroom, dining room, or any other use considered to be a habitable space as defined by the New York City Building Code. Their use as a living or sleeping space may result in a building code violation being issued against the Building and the imposition of fines against the Building. The Unit Owner, who caused the violation, will be obligated to remove it and pay all fines associated with the violation. Please see "Description of Property and Improvements", "Footnotes to Schedule A" and "Rights and Obligations of the Unit Owners and the Board of Managers" Sections of the Plan.

14. Sponsor will not provide pavers for the roof terraces, which are the Limited Common Elements of Residential Units 3A, 3B, 3C and 3D, located on the third floor. Daily traffic for the roof terraces is unpredictable. Paver installation costs vary significantly based on material and type of paving system used. Paver/deck material and installation by the Owners of those Units is acceptable by a roof manufacturer to retain roof warranty as long as the current roof membrane is not punctured. Please see "Description of Property and Improvements" and Section of the Plan.

15. Sponsor finished the construction of the Building. The New York City Department of Buildings issued a final certificate of occupancy on April 6, 2020. Please see "Description of Property and Improvements" and "Rights and Obligations of Sponsor" Sections of the Plan.

16. On April 10, 2017, the State of New York adopted the Affordable New York Housing Program (the "Affordable New York"), codified in Section 421-a of the Real Property Tax Law of the State of New York.

Under Affordability Option D, a property may qualify for a 20-year tax benefits, (the "421-a tax benefits"), if the following conditions are met:

- (i) The property must be located outside of Manhattan;

- (ii) The property must contain no more than 35 units;
- (iii) All units must have an aggregate assessed valuation not to exceed \$65,000 upon the first assessment following completion of construction;
- (iv) Each purchaser must agree in writing to maintain the unit as his/her primary residence for at least the first five years of ownership;
- (v) The building must have signed purchase agreements for all units in the building;
- (vi) An application for the benefits may only be submitted after completion of the building (as evidenced by issuance of a final certificate of occupancy for the building) and must be submitted within one year of completion of the building.

As applied to the Condominium, condition (ii) will be met since the Building will contain less than 35 units. If upon the first assessment of the Property by the Department of Finance of the City of New York following completion of the Building and issuance of a certificate of occupancy for the Building by the Department of Buildings of the City of New York, the Property has an average assessed value not exceeding \$65,000 per Residential Unit, all eight (8) Residential Units are in contract, and each Purchaser will agree in writing to maintain the Residential Unit as his or her primary residence for at least the first five (5) years of ownership, the Board of Managers of the Condominium may submit an application on behalf of all Unit Owners for the 421-a tax benefits to the Department of Housing Preservation and Development of the City of New York. The application must be submitted by September 16, 2021, which is one (1) year from the issuance of a temporary certificate of occupancy for the Building on September 16, 2020. All Residential Units must be in contract by that date.

It is the opinion of MGNV Consulting Corp. that the initial average assessed value for the Property will not exceed \$65,000 per Residential Unit. However, if the assessed value for a particular Residential Unit exceeds \$65,000, the value that exceeds \$65,000 will not receive the 421-a tax benefits. Based on the percentage of common interests and the current assessment practices of the Department of Finance, it is anticipated that none of the Residential Units will exceed the \$65,000 cap.

Under the replacement ratio requirement of Option D of Section 421-a(16), any dwelling units that were on an eligible site three years prior to the commencement date and thereafter demolished, removed, or reconfigured must be replaced with at least one affordable housing unit. The replacement ratio requirement is inapplicable to this offering because the Property contained no dwelling units three years prior to commencement of construction.

In the event it is reasonably apparent that all of the pre-conditions to the issuance of the 421-a tax benefits will not be achieved, Sponsor will promptly submit an amendment to the Plan disclosing that the 421-a tax benefits will not be obtained.

NO GUARANTEE OR WARRANTY IS OR CAN BE MADE THAT SAID BENEFITS WILL EVER BE OBTAINED, OR WILL CONTINUE TO BE AVAILABLE AFTER THE CLOSING OF THE UNITS. IN THE EVENT SAID BENEFITS ARE NOT OBTAINED, OR IN THE EVENT THERE ARE INCREASES IN THE REAL ESTATE TAX RATE OR THE UNITS' ASSESSED VALUATION OR IN THE STATUTES GOVERNING SAID BENEFITS, REAL ESTATE TAXES MAY BE HIGHER THAN

SET FORTH IN THE PLAN FOR THE FIRST YEAR OF OPERATION OF THE CONDOMINIUM AND IN FUTURE YEARS. HENCE, INDIVIDUAL CARRYING COSTS FOR ALL UNITS WILL ALSO BE HIGHER. PURCHASERS ARE PURCHASING THE UNITS WITH NO GUARANTEE OF OBTAINING SAID BENEFITS.

Sponsor has filed for real estate tax abatement benefits pursuant to Section 489-bbbbbb of the Real Property Tax Law of the State of New York, (Industrial and Commercial Abatement Program - ICAP), for the Community Facility Units. Sponsor will use its best efforts to obtain the ICAP Benefits.

Please see "Footnotes to Schedule A" and "Real Estate Taxes" Sections of the Plan.

17. On January 1, 2018, the Tax Cuts and Jobs Act of 2017 went into effect. This federal law significantly changed the previously existing Internal Revenue Code, including the taxes and deductions related to homeownership. Purchasers are advised to consult with a tax expert regarding whether the new law will affect the purchaser's taxes. Please see "Footnotes to Schedule A" Section of the Plan. Please also see "Tax Opinion of Counsel".

18. The Common Charges payable by the Community Facility Units are sufficient to cover the expenses fairly attributable to the Community Facility Units.

Please see "Community Facility Units" Section of the Plan.

19. Repairs to the Common Elements of the Condominium (unless such repairs are a result of faulty construction by Sponsor) will be performed by outside construction companies hired by either the Board of Managers of the Condominium or Managing Agent, as agent for the Board, both during and after the Sponsor control period. The costs for the repairs are not a line item in the budget. In such a case, special assessments may be imposed to pay for these costs. There repairs don't include repairs that are necessary as a result of faulty construction by Sponsor. Sponsor will remain obligated and be responsible to perform such repairs. Please see "Footnotes to Schedule B" Section of the Plan.

20. Due to the size of the Building, it is expected that the Building will be self-managing. The Board of Managers will be required to:

- (i) bill and collect Common Charges payable by the Unit Owners;
- (ii) contract for necessary services and purchase all supplies necessary to properly maintain and operate the Building and its Common Elements;
- (iii) check all bills received in connection with the maintenance and operation of the Common Elements and cause all such bills and other expenses to be paid;
- (iv) supervise, hire and discharge employees necessary for the proper maintenance and operation of the Building;
- (v) maintain payroll records and file withholding tax statements for employees;

- (vi) maintain accurate sets of books, including checking accounts, of the Condominium.

Sponsor will manage the Condominium while it controls the Board of Managers. Sponsor will not charge a fee to manage the Condominium while it controls the Board of Managers.

In the event the Board of Managers employs a managing company after the expiration of initial sponsor voting control period, a management fee of the company will be an additional expense to the annual expenses of the Condominium by at least 10.00%, which will result in a substantial increase in the Common Charges. Please see "Footnotes to Schedule B" Section of the Plan.

21. Under Section 528 of the Internal Revenue Code, homeowners associations are eligible for a limited exemption from income taxation.

An organization can be classified, for tax purposes, as a homeowners association if it satisfies the following six conditions:

1. The organization must be a condominium management association.
2. The organization must be organized and operated to provide for the management, maintenance, and care of association property.
3. Sixty (60%) percent or more of the organization's gross income for the taxable year must consist solely of amounts received as membership dues, fees, or assessments from owners of residential units.
4. Ninety (90%) percent or more of the organization's expenditures for the taxable year must be for the management, maintenance, and care of association property.
5. No part of the organization's net earnings may inure to the benefit of any private shareholder or individual, other than by providing management, maintenance and care of association property, or by a rebate or excess membership dues, fees, or assessments.
6. The organization must elect for the taxable year to be subject to the tax regime of Section 528 of the Internal Revenue Code. (See Section 528(c)(1)).

The Condominium will not be eligible to qualify as an exempt homeowner's association under Section 528 of the Internal Revenue Code. As a result, the Condominium will be subject to Federal corporate income tax pursuant to Section 277 of the Internal Revenue Code. The current tax rate is 21% of the Condominium's taxable income, which is equal to a difference between [i] annual assessments collected from unit owners and other income generated by the Condominium and [ii] operating expenses of the Condominium for a year in question, including assessments for the Reserve Fund. (See Rev. Rul. 75-370, 1972-2 C.B. 25 [special assessments collected by a nonexempt condominium management corporation from its unit owner-stockholders and accumulated in a separate bank account for replacement of the roof and elevators in the condominium were held not to be includible in the corporation's gross income]). Please see "Real Estate Taxes" Section of the Plan.

It is anticipated that all assessments collected from the Unit Owners during the first year of the Condominium operation will be spent for expenses set forth in Schedule B. Thus, no corporate income taxes will be due.

However, if the sum of \$2,000.00 allocated to Contingency in Schedule B is not spent, the Condominium will be required to pay \$420.00 in corporate income tax, i.e. 21% of said \$2,000.00 allocated to Contingency.

Please see "Footnotes to Schedule B" Section of the Plan.

22. Each Community Facility Unit may be used for any legal use permitted by the certificate of occupancy of the Building, the Zoning Resolution of the City of New York or other applicable laws, such as medical offices, dental offices, government operated health centers or independent out-of-hospital health facilities incorporated pursuant to Article 7 of the Social Services Law of the State of New York, churches, rectories, or parish houses. The Community Facility Units shall not be used for: (1) conduct or maintenance of any gambling or gaming activities; (2) homeless shelter; (3) any fire, auction, going-out-of-business or bankruptcy sales, (4) sale of any obscene or pornographic material, (5) sex club of any sort, or (6) a massage parlor.

While Sponsor is in control of the Board of Managers, Sponsor will not amend the By-Laws to permit any of the currently impermissible uses of the Community Facility Units.

Please see "Community Facility Units" Section of the Plan.

23. A Community Facility Unit may be subdivided into two (2) or more Community Facility Units without the approval of the Board of Managers and without paying any cost or charge to the Board of Managers provided, however, that all such subdivision must comply with all applicable codes, rules and regulations. In no case may the subdivision of the Community Facility Units result in a greater percentage of Common Interest for the total of the new Community Facility Units created by such subdivision than existed for the original Community Facility Units before the subdivision. Please see "Community Facility Units" Section of the Plan.

24. Sponsor does not intend to rent Residential Units to Purchasers before the consummation of the Plan but reserves the right to do so in accordance with the terms set forth in "Interim Lease" Section of the Plan.

Purchaser does not have the right to take possession of the Residential Unit prior to the closing without the prior written consent of Sponsor, which consent may be withheld for any reason or for no reason. Sponsor's refusal to consent to a pre-closing possession will not entitle Purchaser to cancel the Purchase Agreement or give rise to any claim for damages against Sponsor.

An uncured default under the Purchase Agreement will be a default under the Interim Lease. An uncured default under the Interim Lease will be a default under the Purchase

Agreement. Before Sponsor may utilize the default under the Interim Lease to declare a default under the Purchase Agreement, Sponsor must either obtain an order of eviction or other judgment or order from a court or agency of competent jurisdiction against the lessee unless the lessee has vacated the Unit. Please see "Interim Lease" Section of the Plan.

25. Any deposits made for upgrades, extras, special or custom work shall be initially deposited into the Escrow Account, (hereinafter defined). However, such funds may be released from the Escrow Account in accordance with the terms of the Purchase Agreement as long as Sponsor uses the funds for such upgrades, extras, special or custom work. In the event Purchaser is entitled to a rescission, other than in the event of an abandonment of the Plan by Sponsor, Purchaser will not receive a refund of any funds used for any upgrades, extras, special or custom work in the Unit ordered by Purchaser if such funds have been expended for such upgrades, extras, special or custom work. In the event the Plan is abandoned, the deposit and all funds paid by Purchaser for any upgrades, extras, special or custom work in the Unit ordered by Purchaser shall be refunded to Purchaser within five (5) days of abandonment. Please see "Procedure to Purchase" Section of the Plan.

26. The Federal Deposit Insurance Corporation, (hereinafter called "FDIC"), is an independent agency of the United States government that protects the funds depositors place in banks and savings associations. The standard insurance amount is \$250,000.00 per depositor, per insured bank, for each account ownership category.

The escrow account of TSYNGAUZ & ASSOCIATES, P.C. is with Capital One, N.A., having an address at 6521 18th Avenue, Brooklyn, NY 11204.

Capital One, N.A. is a FDIC-insured depository institution. Should Capital One, N.A. suffer a bank failure, when asserting a claim for a loss covered by FDIC insurance, the account holder, TSYNGAUZ & ASSOCIATES, P.C., will be deemed a nominal account holder and Purchasers will be deemed the depositors to whom the standard insurance limit apply. In such a case, Purchasers' funds in excess of the limit may not be insured.

If Purchaser has accounts at the same bank as the Sponsor's account that holds escrowed funds, Purchaser's funds at the escrow bank factor into the \$250,000.00 FDIC insurance limit. Please see "Procedure to Purchase" Section of the Plan.

27. **TIME IS OF THE ESSENCE** with respect to Purchaser's obligations to pay the Balance of the Purchase Price and to pay, perform or comply with Purchaser's other obligations under the Purchase Agreement. Upon the occurrence of an Event of Default defined in the Purchase Agreement, Sponsor, in its sole discretion, may elect by notice to Purchaser to cancel the Purchase Agreement. If Sponsor elects to cancel, Purchaser shall have thirty (30) days from the giving of the written notice of cancellation to cure the specified default.

If the default is not cured within such thirty (30) days, **TIME BEING OF THE ESSENCE**, then the Purchase Agreement will be deemed cancelled, and Sponsor will have the right to retain the deposit and actual costs incurred by Sponsor for any upgrades, extras, special or custom work in the Unit ordered by Purchaser, as and for liquidated damages. Upon the

cancellation of the Purchase Agreement, neither party shall have any further rights, obligations or liability to or against the other and the parties shall be released and discharged from all obligations and liability under the Purchase Agreement and the Plan, and the Unit may be sold to another as though the Purchase Agreement had never been made, and without any obligation to account to Purchaser for any of the proceeds of such sale.

Sponsor must make a written demand for payment after default at least thirty (30) days before forfeiture of the deposit may be declared.

TIME IS OF THE ESSENCE means that Purchasers must perform their obligations under the Purchase Agreement at the time certain regardless of whether they are sick, disabled, or cannot attend the closing for any other reason.

Provided Sponsor is ready, willing and able to close title in accordance with the Purchaser Agreement, if Purchaser fails for any reason to close title to the Unit on the originally scheduled closing:

- (a) the closing apportionments described in the Purchase Agreement will be made as of the midnight of the day preceding the originally scheduled closing, regardless of when the actual closing occurs, and
- (b) Purchaser will be required to pay to Sponsor, as a reimbursement of Sponsor's higher carrying costs for the Unit by virtue of the delay, and in addition to the other payments to be made to Sponsor under the Purchase Agreement and the Plan, an amount equal to 0.03% of the purchase price for each day starting from and including the originally scheduled closing to and including the day before the actual closing. The interest rate charged will not exceed maximum legal usury limits.

Please see "Procedure to Purchase" Section of the Plan.

28. If Sponsor prevails in any action against Purchaser arising out this Agreement, Purchaser shall be obligated to reimburse Sponsor for reasonable attorney's fees and disbursements incurred by Sponsor in either defending an action commenced by Purchaser or prosecuting an action commencement by Sponsor. Please see "Procedure to Purchase" and "Unit Closing Costs and Adjustments" Sections of the Plan.

29. After the Plan has been declared effective, Sponsor will fix dates for closing title to all Units for which Purchase Agreements have been executed by serving notice to each Purchaser stating the date of the first closing and setting such Purchaser's closing date no less than thirty (30) days before the date set for the closing of the Units. Please see "Procedure to Purchase" and "Unit Closing Costs and Adjustments" Sections of the Plan.

30. Sponsor anticipates that the first closing of a Residential Unit will occur by July 1, 2021. Purchasers will be offered a right of rescission if: (i) the actual date of closing of title to the first Residential Unit; or (ii) the projected date of closing of title to the first Residential Unit occurs later than June 30, 2022, twelve (12) months after the projected date for the first

Residential Unit closing. If the Plan is amended to provide for a later projected date for the first Residential Unit closing, Purchasers will be entitled to an offer of rescission if the first Residential Unit closing occurs more than twelve (12) months beyond that amended, later date. Purchasers who enter into a Purchase Agreement after the Plan has been amended to provide for a later date would be entitled to an offer of rescission if the first Unit closing occurs more than twelve (12) months beyond that amended, later date.

However, if the first Residential Unit closing occurs before June 30, 2022, Sponsor may schedule the closings of title to other Units significantly later than such date. Unless your Purchase Agreement contains an outside closing date, Sponsor is not obligated to schedule your closing within any specified time frame or to ensure that closing of title to your Unit will occur within any specified time frame or to ensure that closing of title to your Unit will occur by any date certain.

Purchasers should note that even if the first Residential Unit closing occurs on or before July 1, 2021, (or such other date projected as the date of commencement of the operation at the time the Purchase Agreement was entered into) or within the twelve (12) month period thereafter, the closing of subsequent Units may be substantially delayed beyond such dates if a TCO has not been issued for such Units or for the floor on which such Units are located. In such case, provided that Sponsor is diligently pursuing completion of construction and the issuance of a certificate of occupancy and is otherwise in compliance with its obligations under the Plan, Purchaser will not be entitled to a right of rescission or to make claims against Sponsor for damages or losses as a result of such delays and will not be excused from paying the full purchase price for the Unit. **PROSPECTIVE PURCHASERS SHOULD THEREFORE CAREFULLY CONSIDER THE POSSIBILITY OF SUCH DELAYS IN THEIR DETERMINATION AS TO WHETHER TO PURCHASE A UNIT.**

In the event however, Sponsor cannot convey title to the Unit on or before twenty four (24) months from the date of the Purchase Agreement, affected Purchasers will be afforded the right of rescission. Please see "Procedure to Purchase" Section of the Plan. Please also see Section 3 of the Purchase Agreement in Part II of the Plan.

31. Prior to the first closing, the entire Building will be insured by Sponsor. After the first closing, the entire Building will be insured by the Condominium.

A person in possession who is not an owner cannot insure the unit since he or she has no ownership interest, and the unit cannot be doubly insured.

Risk of loss from fire or other casualty remains with Sponsor until legal title to the Unit has been conveyed to Purchaser, unless Purchaser, with the prior written consent of Sponsor, takes possession of the Unit before the closing pursuant to an interim lease, if any. In such a case, Purchaser will assume risk of loss not covered by insurance.

Sponsor shall have no obligation or liability to repair or restore the Unit. If Sponsor elects to repair or restore the Unit, Sponsor shall notify Purchaser within sixty (60) days of the damage to the Unit and repair the damage within ninety (90) days of the notice. In the event

Sponsor notifies Purchaser that it does not elect to repair or restore the Unit (which election shall be made within sixty (60) days of the damage to the Unit), or, if the Declaration has been recorded prior thereto and the Unit Owners do not resolve to make such repairs or restoration pursuant to the By-Laws, the Purchase Agreement shall be deemed cancelled and all monies paid on account of the purchase price, including any deposits made for upgrades, extras, special or custom work ordered by Purchaser, shall be returned to Purchaser within ten (10) days of Sponsor's notification to Purchaser that it does not elect to repair or restore the Unit or Unit Owners' notification that they do not intend to repair or restore the Unit pursuant to the By-Laws. Upon such return, neither party shall have any further rights, obligations or liability to or against the other and the parties shall be released and discharged from all obligations and liability under the Purchase Agreement and the Plan. Please see "Procedure to Purchase" Section of the Plan.

32. The United States Financial Crimes Enforcement Network ("FinCEN") issued the Geographic Targeting Order ("GTO"), which requires title insurance companies to collect and report to FinCEN the personal identity of purchasers in residential real estate transactions in which:

- (1) the purchaser is a legal entity as defined in the GTO;
- (2) the purchaser purchases residential real property located in the Boroughs of Bronx, Brooklyn, Queens, Manhattan, and Staten Island;
- (3) the purchase price is \$300,000.00 or more;
- (4) such purchase is made without a bank loan or other similar form of external financing; and
- (5) such purchase is made, at least in part, using currency or a cashier's check, a certified check, a traveler's check, a personal check, a business check, a money order in any form, a funds transfer, or virtual currency.

The GTO defines "legal entity" as a corporation, limited liability company, partnership or other similar business entity, whether formed under the laws of a state or of the United States or a foreign jurisdiction.

As long as the GTO remains in effect, its reporting requirements apply to all residential real property closings meeting the above criteria and occurring on or after May 10, 2020. Please see "Terms of Sale" Section of the Plan.

33. Although Sponsor has a statutory obligation to pay the New York City and New York State real property transfer taxes, Sponsor is transferring said obligation to Purchasers. Purchasers will be required to the New York City real property transfer tax to the Department of Finance of the City of New York. The tax is 1.00% of the consideration for the Residential Unit and Parking Unit of \$500,000.00 or less and 1.425% of the consideration for the Residential Unit and Parking Unit of more than \$500,000.00. The tax is 1.425% of the consideration for the Community Facility Unit of \$500,000.00 or less and 2.625% of the consideration for the Community Facility Unit of more than \$500,000.00.

Purchasers will also be required pay the New York State real property transfer tax to the Department of Finance of the City of New York. The tax is 0.4% of the consideration for the Residential Unit of less than \$3,000,000.00 and 0.65% of the consideration for the Residential Unit of \$3,000,000.00 or more. The tax is 0.4% of the consideration for the Community Facility Unit of less than \$2,000,000.00 and 0.65% of the consideration for the Community Facility Unit of \$2,000,000.00 or more. The tax is 0.4% of the consideration of the Parking Unit.

The consideration is the purchase price of the Unit plus the New York City and New York State real property transfer taxes calculated on the amount of the purchase price.

Purchaser will be the required to pay the fee of \$2,500.00 to Sponsor as partial reimbursement for the cost of preparing the Plan.

Purchaser will be required to pay the fee of \$2,950.00 to TSYNGAUZ & ASSOCIATES, P.C. for services rendered in connection with the preparation of the closing documents and the conduct of the closing. Purchaser will also be required to pay \$250.00 if the closing takes place outside the office of Sponsor's counsel at Purchaser's request and an additional \$250.00 if Purchaser fails to close on the date set forth in the notice of closing. Please see "Unit Closing Costs and Adjustments" Section of the Plan.

34. The Housing Merchant Implied Warranty, as required by Article 36-B of the General Business Law of the State of New York, applies to this offering. Please see a copy of the entire Article 36-B in Part II of the Plan.

The Housing Merchant Implied Warranty means that:

- a. one year from and after the warranty date the Unit will be free from defects due to a failure to have been constructed in a skillful manner;
- b. two years from and after the warranty date the plumbing, electrical, heating, cooling and ventilation systems of the Unit will be free from defects due to a failure by Sponsor to have installed such systems in a skillful manner; and
- c. six years from and after the warranty date the Unit will be free from material defects.

The Housing Merchant Implied Warranty, however, does not extend to:

- a. any defect that does not constitute (i) defective workmanship by Sponsor or by an agent, employee or subcontractor of Sponsor, (ii) defective materials supplied by Sponsor or by an agent, employee or subcontractor of Sponsor, or (iii) defective design provided by a design professional retained exclusively by Sponsor; or
- b. any patent defect which an examination ought in the circumstances to have revealed, when Purchaser before taking title or accepting construction as complete has examined the Unit as fully as Purchaser desired, or has refused to examine the Unit.

Sponsor has chosen to limit its liability and limit extent of items covered under the Housing Merchant Implied Warranty.

Sponsor will provide the Limited Warranty as required by Section 777-b of Article 36-B. The Limited Warranty limits the Housing Merchant Implied Warranty by limiting Sponsor's liability for its breach. Sponsor's limit of liability under the Limited Warranty for each Residential Unit is 75% of its purchase price. The complete text of the Limited Warranty offered by Sponsor is reprinted in Part II of the Plan.

Sponsor is not providing any warranty other than the Limited Warranty.

NO DISCLAIMER OR LIMITATION OF LIABILITY ON SPONSOR'S PART SHALL APPLY TO SPONSOR'S OBLIGATIONS UNDER ALL APPLICABLE STATUTES, LAWS AND REGULATIONS.

The Sponsor's obligation, regardless of any limitations in the warranty or in the Plan, is to construct the Building and the Units in accordance with all applicable codes and plans and specifications. Any conflict between the disclaimers and the Sponsor's obligation to construct the Building and the Units in accordance with all applicable codes and plans and specifications shall be resolved in favor of the latter.

At or prior to the closing of the Unit, Sponsor will assign any manufacturer's warranties with respect to equipment and appliances installed in the Unit to the Unit Owner and assign any warranties with respect to roof, equipment and appliances installed in the Common Elements to the Board of Managers. Please see "Rights and Obligations of Sponsor" Section of the Plan.

35. Although the expected life span of the roof is ten (10) years, Sponsor is not providing a NDL manufacturer's warranty for the new roof. This is a red flag, which indicates that most likely the roof membrane and components were not installed in accordance with the manufacturer's specifications. As such, premature deterioration, roof leaks and replacement of the roof membrane are to be anticipated and budgeted for. Please see "Rights and Obligations of Sponsor" Section of the Plan.

36. No bond or other security has been posted to secure Sponsor's obligations under the Plan. Please see "Rights and Obligations of Sponsor" Section of the Plan.

37. Sponsor or Sponsor-designee will retain voting control of the Board of Managers for three (3) years after the closing of title to the first Unit or whenever the Unsold Units constitute, less than 50% of the Common Interests, whichever is sooner.

Sponsor, during the time there are Unsold Units, will have the right to, and intends to, vote the percentage of Common Interests allocated to such Units, but subsequent to its relinquishing voting control of the Board of Managers Sponsor will not use such vote to elect a particular individual to the Board of Managers, which would, by the election of such individual, give Sponsor voting control of the Board. So long as Sponsor or Sponsor-designee will continue to own Unsold Units Sponsor or Sponsor-designee will have the right to elect one (1) member of the Board of Managers. Please see "Control by Sponsor" Section of the Plan.

38. [i] For a period of five (5) years following the closing date of the first Unit, or [ii] so long as Sponsor or any Sponsor-designee, separately, will continue to own Units, the percentage Common Interest of which, in the aggregate, equals more than 25%, whichever is earlier, the Board of Managers may not, without Sponsor's or Sponsor-designee's prior written consent, as the case may be:

- (a) increase the number, or change the type, of employees provided for in Schedule B,
- (b) make any addition, alteration or improvement to the Common Elements or to any Unit or
- (c) assess any Common Charge for the creation of, addition to or replacement of all or part of a reserve, contingency or surplus fund, except that Sponsor will consent to replacements to the contingency fund provided for in Schedule B of the Plan for the Property to the extent that the aggregate amount of such fund does not exceed 10% of the budgeted expenses of the Condominium or
- (d) borrow money on behalf of the Condominium (except where necessary to perform work required by applicable law or regulations, or remedy violations or a mortgagee's work order(s) to the extent that existing reserves are insufficient).

Sponsor and Sponsor-designee are entitled to the rights described herein collectively. If both Sponsor and Sponsor-designee, collectively, continue to own Units, the percentage Common Interest of which, in the aggregate, equals more than 25%, they are both entitled to veto power.

However, notwithstanding the above restrictions, Sponsor or Sponsor-designee may not exercise veto power over expenses described in Schedule B, or over expenses required:

- (a) to comply with applicable laws or regulations;
- (b) to remedy any notice of violation;
- (c) to remedy any work order by an insurer; or
- (d) to preserve the safety of the Building or the safety and health of its occupants.

Please see "Control by Sponsor" Section of the Plan.

39. The Common Elements and the Limited Common Elements may not be used as a dwelling space, and for kindling, building, maintaining or using an open fire, including, without limitation, charcoal, piped natural gas or LPG fired barbeques. Please see "Rights and Obligations of the Unit Owners and the Board of Managers" Section of the Plan.

40. No smoking shall be permitted in front of the Building and anywhere in the Limited Common Elements and Common Elements. No smoking shall be permitted on the Parking Units and in the Community Facility Units. This prohibition is included in Rule 28 of the Rules and Regulations of the Condominium. Smoking will be permitted in the Residential

Units. Please see “Rights and Obligations of the Unit Owners and the Board of Managers” Section of the Plan. Please also see Rule 28 of the Rules and Regulations of the Condominium in Part II of the Plan.

41. While Sponsor is in control of the Board of Managers of the Condominium, the reserve fund or working capital fund may not be used to reduce the projected Common Charges in the Plan. At the time of the closing of title to the Units from Sponsor or Sponsor-designee to a bona fide Purchaser, Purchaser will be required to pay into the Working Capital Fund the sum equal to two (2) months’ Common Charges then applicable to each Unit being purchased. Sponsor will not contribute to the Working Capital Fund. Please see “Working Capital Fund” and “Reserve Fund” Sections of the Plan.

42. The Purchase Agreement contains a provision that Purchase represents that Purchaser has not dealt with any broker in connection with this transaction other than the broker, if any, named in this Agreement, whose commissions shall be paid by Sponsor. Purchaser shall pay the commission of any broker with whom Purchaser may have dealt, other than the Broker. Purchaser agrees that, should any claim be made against Sponsor for commissions by any broker on account of any acts of Purchaser or Purchaser's representatives, Purchaser will indemnify and hold Sponsor free and harmless from and against any and all liabilities and expenses in connection therewith, including reasonable legal fees. The provisions of this provision shall survive the Closing. Please see “Procedure to Purchase” Section of the Plan. Please also see Section 22 of the Purchase Agreement in Part II of the Plan.

43. The Purchase Agreement contains a provision that except as prohibited by law, the parties shall, and they hereby do, expressly waive trial by jury in any litigation arising out of, or connected with, or relating to, the Purchase Agreement or the relationship created hereby or in the Plan. With respect to any matter for which a jury trial cannot be waived, the parties agree not to assert any such claim as a counterclaim in, nor move to consolidate such claim with, any action or proceeding in which a jury trial is waived. Please see “Procedure to Purchase” Section of the Plan. Please also see Section 34 of the Purchase Agreement in Part II of the Plan.

44. Pursuant to the By-Laws of the Condominium, any matter arising out of the Condominium Documents, except for an action to foreclose a lien for unpaid common charges by the Board of Managers or an action seeking injunctive relief, shall be submitted for resolution by a panel of three (3) arbitrators in a proceeding held in the City of New York, which arbitrators shall be appointed as follows: One arbitrator shall be chosen by the Board of Managers, one arbitrator shall be chosen by the Unit Owner and the third arbitrator shall be chosen by the two aforementioned arbitrators. The decision of the arbitrators so chosen shall be given within thirty (30) days after his or her selection or appointment. The decision shall be enforceable in a court of law of competent jurisdiction. There is no right of appeal from the arbitrator's decision. The decision, however, may be vacated if the court finds that the rights of the party were prejudiced by:

- (i) corruption, fraud or misconduct in procuring the decision; or
- (ii) partiality of the arbitrator appointed as a neutral; or

- (iii) the arbitrator exceeded his power or so imperfectly executed it that a final and definite decision upon the subject matter submitted was not made.

The fees, costs and expenses of the arbitrators shall be borne equally by the disputants. Each disputant shall also bear the fees and expenses of his or her counsel and expert witnesses. All costs and expenses paid or incurred by the Board of Managers in connection with any arbitration held, including, without limitation, the fees and expenses of counsel and expert witnesses shall constitute Common Expenses. Please see Article XIV of the By-Laws in Part II of the Plan.

Options for appeal are limited for matters submitted to arbitration.

The arbitration provision does not relate to Purchase Agreements.

Please see “Rights and Obligations of the Unit Owners and the Board of Managers” Section of the Plan.

45. Each Residential Unit Owner shall notify the Board of Managers or Managing Agent of the Condominium, if any, in writing when a child, or children, under the age of eleven (11) years lives or resides (even temporarily) in the Unit. Each Residential Unit Owner shall install, at such Unit Owner’s expense, the required window guards (or safety “stops” in lieu of window guards, designated specifically to prevent a child from falling out of a window) in all windows of the Residential Unit in compliance with all applicable New York City Administrative Code requirements. The Residential Unit Owner should maintain all window guards (or stops) installed in the Unit and shall not remove same until permitted by applicable law and in any event, without prior written notice to the Managing Agent. Please see “Rights and Obligations of the Unit Owners and the Board of Managers” Section of the Plan. Please also see “Rules and Regulations” Section of Part II of the Plan..

46. Refuse should not be placed on the sidewalk except on days of collection. Placing refuse on the sidewalk on days other than days of collection may result in a fine or penalty being levied against the Building. In turn, the Board of Managers will seek compensation for said fine or penalty from the Unit Owner, who caused said fine or penalty. Please see “Rights and Obligations of the Unit Owners and the Board of Managers” Section of the Plan. Please also see “Rules and Regulations” Section of Part II of the Plan.

INTRODUCTION

Sponsor is offering for sale eight (8) residential units, (hereinafter called the “Residential Units” or “Residential Unit”), and twenty seven (27) parking units (hereinafter called the “Parking Units” or “Parking Unit”), in the Building at the Property, located at 375 Sand Lane, Staten Island, NY 10305 as a Condominium to be known as "The 375 Sand Lane Condominium", (hereinafter called the “Condominium”).

Although the Building will have two (2) Community Facility Units (hereinafter the "Community Facility Units"), Sponsor is not offering them for sale at this time. Sponsor will offer them for sale after filing an appropriate amendment to the Plan with the Department of Law.

The following pertinent information is set forth with respect thereto:

1. Sponsor may not, under law, offer for sale Condominium Units unless and until a Condominium Offering Plan, (hereinafter called the “Plan”), has been accepted for filing by the Department of Law of the State of New York, (hereinafter called the “Department of Law”). The purpose of the Plan is to set forth all the material terms of the offer to sell the Units in the Condominium. The Plan may be amended from time to time when an amendment is filed with the Department of Law. Such an amendment shall be served on:

- i. Purchasers who have executed and delivered Purchase Agreements to Sponsor or Selling Agent and whose Purchase Agreements are in effect,
- ii. Unit Owners, and
- iii. any other person entitled to service pursuant to 13 NYCRR §20.1(d).

2. The Condominium is subject to and complies with Article 9-B of the Real Property Law of the State of New York, as amended, (hereinafter called the “Condominium Act”).

3. Sponsor is 375 FC, LLC, having an address at 2201 Neptune Avenue, Brooklyn, NY 11224. The Property consists of one (1) parcel, identified as Lot 1 in Block 3122 in the County of Richmond and State of New York. Sponsor acquired it on December 14, 2016. The Property was a commercial property at the time of the acquisition.

4. Sponsor will endeavor, in good faith, to sell in a reasonably timely manner, all Residential Units to Purchasers for residence purposes. Sponsor’s good faith effort to sell to Purchasers will include listing Unsold Units with brokers, showing Unsold Units to broker and prospective Purchasers or their representatives, filing update amendments to the Plan and otherwise engaging in customary sales activities.

Sponsor will not rent Residential Units.

If Sponsor makes a bulk sale of all or some of its Unsold Units, the transferee successor sponsor will be bound by sponsor’s representations regarding its commitment to sell the Units.

For purposes of this Paragraph, "bulk sale" shall mean a sale of at least two (2) Residential Units to one Purchaser, which are not purchased for occupancy by the owner or one or more members of his or her immediate family.

There are no obligations imposed on Sponsor by Colorado Federal Savings Bank with regard to selling or renting the Units except for a required payment per sale set forth in Paragraph 5 below.

5. Sponsor has obtained the building loan in the sum of \$3,950,000.00 (the "Loan") from Colorado Federal Savings Bank, having an address at 8400 East Prentice Avenue, Suite 840, Greenwood Village, Colorado 80111, (hereinafter called "Colorado Federal").

Pursuant to the Loan documents, upon the sale of a Unit, Sponsor shall be entitled to a release of the Unit from the lien of Colorado Federal's mortgage immediately upon receipt of payment equal to one hundred percent (100%) of the net sale proceeds of the Unit, which are defined as the gross proceeds of sale of the Unit, less (i) all applicable transfer taxes, (ii) title, recording and other closing costs, (iii) real estate broker's commissions, and (iv) reasonable attorney's fees.

Except for a required payment per sale stated above, Colorado Federal did not establish any terms pertaining to Sponsor's obligation to market the Units for sale, including any minimum number or percentage of Units which must be under contract before the Plan can be declared effective. Nor did Colorado Federal impose limits or requirements for Sponsor to rent rather than sell the Units under specified market conditions.

6. All equipment and fixtures described in the Plan are included in the offering prices of the Residential Units. Each Residential Unit will contain a laundry closet with hookups for a domestic electric washer and dryer. Sponsor will provide and equip each Residential Unit with a washer and dryer. Sponsor will also provide and equip each Residential Unit with a refrigerator, electric range, microwave and dishwasher.

7. A Parking Unit can be purchased by any person in fee simple absolute. None of the Parking Units will be land-locked.

A Parking Unit shall be used solely for the storage of passenger motor vehicles of the owners of the Parking Unit, except that, in the event the Parking Unit is not used by its owners, it may be rented by its owners. Any rent of the Parking Unit to persons who are not occupants of the Building shall be for a period of not less than one week and not more than one month. The Parking Unit which has thus been rented shall be made available to the occupants of the Residential Unit, which own the Parking Unit, within thirty days after written request therefor.

Parking Units PS8 and PS16 have been designated handicapped and will be the last Parking Units to be sold if they have not previously been sold to Purchasers who themselves or members of their families have vehicles with handicapped plates. The purchase of Parking Units PS8 and PS16 and their subsequent sale, transfer or hypothecation are hereby subject to the following covenant and restriction in the deed:

"In the event the present or future Owner of a Residential Unit in the Condominium, or a member of his or her family residing in the Residential Unit, becomes handicapped and acquires handicapped plates for his or her vehicle, and said Residential Unit Owner is the owner of a Parking Unit, said Residential Unit Owner has the right to demand that the Owner of Parking Unit PS8/PS16 trade the handicapped Parking Unit PS8/PS16 he or she owns with said handicapped Parking Unit Owner.

In the event the present or future Owner of a Residential Unit in the Condominium, or a member of his or her family residing in the Residential Unit, becomes handicapped and said Residential Unit Owner does not own a Parking Unit, said Residential Unit Owner has the right to demand that the Owner of Parking Unit PS8/PS16 sell it at then current, fair market value to said handicapped Parking Unit Owner. All costs and expenses entailed in the transfer of title to the Parking Units, including without limitation, title abstracts, title insurance, transfer taxes and recording fees and reasonable attorney fees shall be borne by the party requesting the transfer.

The Owner of Parking Unit PS8/PS16 must comply with the aforementioned demand upon thirty (30) day-notice.

If the parties cannot agree on the fair market value of Parking Unit PS8/PS16, then the parties agree to submit the matter to binding arbitration in accordance with Article XIV of the By-Laws of the Condominium. The party seeking the arbitration shall be required to send the appropriate notice as more fully set forth in Article V of the By-Laws. Article V provides in part that all notices required or desired to be given hereunder shall be sent by mail, by depositing the same in a post office or letter box, in a postpaid sealed wrapper, addressed to the Board of Managers, any manager, Unit Owner or mortgagee at such address as appears on the books of the Condominium.

Notwithstanding anything to the contrary stated in the Plan, in the event the present or future Owner of a Residential Unit in the Condominium, or a member of his or her family residing in the Residential Unit, becomes handicapped and acquires handicapped plates for his or her vehicle, said Residential Unit Owner WILL NOT HAVE the right to demand that the Owner of Parking Unit PS8/PS16 trade the handicapped Parking Unit PS8/PS16 with said handicapped Owner, IF the Owner of Parking Unit PS8/PS16 or member of his or her family, is handicapped or has already obtained handicapped plates for his or her vehicle."

8. The basic aspects of condominium ownership are these.

Each Purchaser will own his or her Unit in a manner similar in many respects to the ownership of a private home. In addition to outright ownership of his or her Unit, Purchaser will be entitled to exclusive possession of that Unit together with an interest in and right to use the Common Elements, and exclusive right to use the Limited Common Elements, if applicable.

The Common Elements are those areas of the Condominium, which are owned by all Unit Owners in common.

The Limited Common Elements are those areas of the Condominium, the use of which is restricted to a particular Unit, but which are not owned by the Owner of such Unit. Please see Schedule A for more details.

Each Unit Owner will have to pay Common Charges in accordance with the Condominium Act, Sections 339(i) and (m) of the Real Property Law of the State of New York, or applicable state and local law.

Each Unit Owner will be obligated to comply with the Declaration, the By-Laws and Rules and Regulations of the Condominium and any other requirements of the Board of Managers of the Condominium.

Each Residential Unit Owner will have the right to use his or her Unit only for a private residence.

Each Community Facility Unit Owner will have the right to use his or her Unit for any legal use permitted by the certificate of occupancy of the Building, the Zoning Resolution of the City of New York or other applicable laws, such as medical offices, dental offices, government operated health centers or independent out-of-hospital health facilities incorporated pursuant to Article 7 of the Social Services Law of the State of New York, churches, rectories, or parish houses. The Community Facility Units shall not be used for: (1) conduct or maintenance of any gambling or gaming activities; (2) homeless shelter; (3) any fire, auction, going-out-of-business or bankruptcy sales, (4) sale of any obscene or pornographic material, (5) sex club of any sort, or (6) a massage parlor.

Each Unit Owner will have the right to sell or lease his or her Unit, subject to the following restriction. No Unit Owner will be permitted to sell or lease his or her Unit unless and until the Unit Owner will have paid in full to the Board of Managers all unpaid Common Charges and assessments theretofore assessed by the Board of Managers against the Unit and until he will have satisfied all unpaid liens against the Unit.

Each Unit Owner will have the right to mortgage his or her Unit subject to the following restriction. No Unit Owner will be permitted to mortgage his or her Unit unless and until the Unit Owner will have paid in full to the Board of Managers all unpaid Common Charges and assessments theretofore assessed by the Board of Managers against the Unit and until he will have satisfied all unpaid liens against the Unit.

The affairs of the Condominium will be governed by the Board of Managers in accordance with the By-Laws.

The number of Managers, which will constitute the whole Board of Managers, will be three (3).

The Managers will be elected by ballot of the Unit Owners at their annual meetings.

Each Unit will be separately taxed for real estate tax purposes and may be separately mortgaged. The Unit will not be affected by any other Unit's separate obligation for real estate taxes and mortgage.

All maintenance of and repairs to any Unit, ordinary or extraordinary, and to the doors (except the painting of the exterior side of Unit entrance door), windows (except the painting and cleaning of the exterior side of windows), electrical (except the Common Elements), plumbing (except the Common Elements) and heating fixtures, air conditioning units and appliances, if any, within the Unit or belonging to the Unit Owner will be at the Unit Owner's expense, except as otherwise specifically provided in the By-Laws.

All maintenance, repairs and replacements to the Common Elements as defined in the Declaration, and the painting, decorating, maintenance and repairs of the exterior side of Unit entrance doors and windows, and the cleaning of the exterior side of windows and the replacements of the windows and Unit entrance doors will be made by the Board of Managers and be charged to all the Unit Owners as a Common Expense, except to the extent that the same are necessitated by the negligence, misuse or neglect of a Unit Owner, in which case such expense will be charged to such Unit Owner.

Maintenance, repair and replacements in or to the Limited Common Elements will be performed:

- (a) by the Board of Managers as a Common Expense, if such Limited Common Element involves structural or extraordinary maintenance, repairs or replacements (including, but not limited to, all necessary waterproofing of the Limited Common Elements except as set forth below, and the repair of any leaks that are not caused by the acts or omissions of the Unit Owner, having direct and exclusive access thereto), or
- (b) the Unit Owner having direct and exclusive access thereto at his or her sole cost and expense, if involving non-structural ordinary maintenance, repairs or replacements, including but not limited to painting, decorating and/or maintenance, waterproofing, repair and/or replacement of decking, tile or railings and/or means of terrace or balcony access constructed or installed by or at the request of the Unit Owner, or as a result of the Unit Owner's negligence, misuse or neglect.

The Board of Managers will be required to obtain and maintain insurances specified in the Plan and the Declaration of the Condominium.

Unit Owners will not be prohibited from carrying other insurance for their own benefit, provided that all such policies will contain waivers of subrogation and further provided that the liability of the carriers issuing insurance obtained by the Board of Managers will not be affected or diminished by reason of any such additional insurance carried by any Unit Owner. Such policies will be so endorsed so as to state that they will in no way conflict with any insurance carried by the Board of Managers.

9. The prices for the Units set forth in Schedule A are not subject to approval by the Department of Law or any other government agency. Please see Schedule A for more details.

10. The Plan delivered to prospective Purchasers contains all of the material terms of the transaction. Neither Sponsor nor Selling Agent will discriminate in the sale or lease of Units on the basis of race, creed, color, national origin, sex, age, disability, marital status or other grounds prohibited by law.

The Board of Managers does not have the right to approve or disapprove purchasers. There is no limit on the number of the owners who purchase for investment rather than for personal occupancy. There may always be a substantial percentage of owners who are non-residents.

DESCRIPTION OF PROPERTY AND IMPROVEMENTS

This Section is intended to outline the contemplated character of the Property and Building, but shall not be interpreted as enlarging in any manner, directly or indirectly, the obligation or liability of Sponsor as set forth in this Plan. A more detailed description and approximate two-dimensional floor plans are set forth in “Description of Property and Specifications” Section of Part II of the Plan.

The Property and Building

Sponsor is constructing the new Building on the Property pursuant to Application No. 520321697 filed with the Department of Buildings of the City of New York.

The Property is located in R3-2/C1-1 Zoning District, which permits residential use as of right.

The Property is located in Flood Zone AE (Flood Elevation 10 Feet) on FEMA Map Number 3604970329F, effective on September 5, 2007. The Property is designated as a high risk flood area on the currently effective FEMA’s Flood Insurance Rate Map. The Property is in located in the Special Flood Hazard Area, which is an area that would be inundate by the flood having a 1% chance of being equaled or exceeded in any given year (base flood). There is a mandatory flood insurance requirement for the Property.

There are no Residential Units located below the flood level. Please also see Architect's Report of Igor Zaslavskiy, R.A. in Part II of the Plan.

The Building will consist of four (4) floors.

The Building will have three entrances. One entrance, located at Sand Lane, will lead to the lobby with access to all Residential Units, and two other entrances, located at Father Capodanno Boulevard and Sand Lane, respectively will lead to the Community Facility Units.

The Building will have two elevators. One elevator will serve all Residential Units of the Building from the first to the fourth floors, and another elevator will serve the Community Facility Units at the first and second floors.

The Department of Environmental Protection will provide water and sewer service to the Building. The Building will have a single common meter and will be billed for water consumption and sewer disposal. The cost for water consumption and sewer disposal will be the Common Expense.

Consolidated Edison Company of New York, Inc. will supply electricity to the Building. The Building will have eleven (11) electric meters: one (1) for each Residential Unit, one (1) for each Community Facility Unit and one (1) for the Common Elements. The cost for electricity consumption by each Residential Unit and Community Facility Unit will be separately billed to

and paid by each Residential Unit and Community Facility Unit. The cost for electricity consumption by the Common Elements will be the Common Expense.

The Building will not have a gas service.

The street lighting will be provided by the City of New York.

Telephone, cable and internet service will be supplied by a company chosen by each Unit Owner. The cost for said service will be separately billed to and paid by each Unit Owner.

Each Residential Unit will contain a laundry closet with hookups for a domestic electric washer and dryer. Sponsor will provide and equip each Residential Unit with a washer and dryer. Sponsor will also provide and equip each Residential Unit with a refrigerator, electric range, microwave and dishwasher.

The finished floor of the living, dining, kitchen and bedroom areas of each Residential Unit will be a hardwood. Wood floors should be maintained in accordance with the requirements of National Wood Flooring Association available on its website at:

<https://www.woodfloors.org/maintenance.aspx>

Windows are not provided with child safety window guards. Please see “Description of Property and Improvements” Section of the Plan.

There are two (2) easements on the Property. The first driveway easement runs along the north easterly lot line. An easement agreement and deed restriction dictates that 7’-7” from the Property line must remain clear along the grade level for a distance of 81’-0” for vehicular access. The second driveway easement runs along the southerly lot line. An easement agreement and deed restriction dictates that 3’-6” from the Property line must remain clear along the grade for vehicular access. Please also see Architect’s Report of Igor Zaslavskiy, R.A. in Part II of the Plan.

The Residential Units and Community Facility Units

The Building will contain eight (8) residential units, i.e. Residential Units 3A, 3B, 3C, 3D, located at the third floor, and Residential Units 4A, 4B, 4C, 4D, located at the fourth floor.

The Building will also contain two (2) Community Facility Units, i.e. Unit C1, located at the first floor, and Unit C2, located at the second floors.

The dimensions of each Unit and the Limited Common Elements appurtenant to each Unit are specified in Schedule A.

The horizontal physical dimensions of each Residential Unit and Community Facility Unit consist of the floor area enclosed by the outside face of the masonry work at the exterior

walls of the Building and the non-unit side of the walls and partitions (dividing the Units from corridors, stairs and mechanical space).

The vertical physical dimensions of each Residential Unit and Community Facility Unit will consist of the area enclosed vertically from the centerline of the floor slab to the centerline of the ceiling slab.

The Limited Common Elements are not included in the dimensions.

The approximate measurements are within reasonable tolerances.

The above measurements are not based from interior surfaces of interior walls. Therefore, the actual area comprising each Residential Unit and Community Facility Unit is significantly less than the area listed in Schedule A.

The above measurements of each Residential Unit and Community Facility Unit significantly exceed the actual usable floor area of the Residential Unit and Community Facility Unit.

The Parking Units

The Property will have twenty seven (27) Parking Units, i.e. Parking Units PS1-PS27, located on the first floor of the Building.

They will be sold on a "first-come, first-served" basis.

Each Parking Unit shall be used solely for the storage of passenger motor vehicles of the owners of the Parking Unit, except that, in the event the Parking Unit is not used by its owners, it may be rented by its owners. Any rent of the Parking Unit to persons who are not occupants of the Building shall be for a period of not less than one week and not more than one month. The Parking Unit which has thus been rented shall be made available to the occupants of the Residential Unit, which own the Parking Unit, within thirty days after written request therefor.

A Parking Unit can be purchased by any person in fee simple absolute. None of the Parking Units will be land-locked.

Parking Units PS8 and PS16 have been designated handicapped and will be the last Parking Units to be sold if they have not previously been sold to Purchasers who themselves or members of their families have vehicles with handicapped plates. The purchase of Parking Units PS8 and PS16 and their subsequent sale, transfer or hypothecation are hereby subject to the following covenant and restriction in the deed:

"In the event the present or future Owner of a Residential Unit in the Condominium, or a member of his or her family residing in the Residential Unit, becomes handicapped and acquires handicapped plates for his or her vehicle, and said Residential Unit Owner is the owner of a Parking Unit, said Residential Unit Owner has the right to demand that the Owner of Parking

Unit PS8/PS16 trade the handicapped Parking Unit PS8/PS16 he or she owns with said handicapped Parking Unit Owner.

In the event the present or future Owner of a Residential Unit in the Condominium, or a member of his or her family residing in the Residential Unit, becomes handicapped and said Residential Unit Owner does not own a Parking Unit, said Residential Unit Owner has the right to demand that the Owner of Parking Unit PS8/PS16 sell it at then current, fair market value to said handicapped Parking Unit Owner. All costs and expenses entailed in the transfer of title to the Parking Units, including without limitation, title abstracts, title insurance, transfer taxes and recording fees and reasonable attorney fees shall be borne by the party requesting the transfer.

The Owner of Parking Unit PS8/PS16 must comply with the aforementioned demand upon thirty (30) day-notice.

If the parties cannot agree on the fair market value of Parking Unit PS8/PS16, then the parties agree to submit the matter to binding arbitration in accordance with Article XIV of the By-Laws of the Condominium. The party seeking the arbitration shall be required to send the appropriate notice as more fully set forth in Article V of the By-Laws. Article V provides in part that all notices required or desired to be given hereunder shall be sent by mail, by depositing the same in a post office or letter box, in a postpaid sealed wrapper, addressed to the Board of Managers, any manager, Unit Owner or mortgagee at such address as appears on the books of the Condominium.

Notwithstanding anything to the contrary stated in the Plan, in the event the present or future Owner of a Residential Unit in the Condominium, or a member of his or her family residing in the Residential Unit, becomes handicapped and acquires handicapped plates for his or her vehicle, said Residential Unit Owner WILL NOT HAVE the right to demand that the Owner of Parking Unit PS8/PS16 trade the handicapped Parking Unit PS8/PS16 with said handicapped Owner, IF the Owner of Parking Unit PS8/PS16 or member of his or her family, is handicapped or has already obtained handicapped plates for his or her vehicle."

The Balconies and Terraces

The Building will have six (6) balconies and six (6) terraces. They will be made of reinforced concrete deck. They will have slip resistance surfaces.

The balconies will be the Limited Common Elements of Residential Units 4A, 4B, 4C and 4D.

The terraces will be the Limited Common Elements of Residential Units 3A, 3B, 3C and 3D.

Please see Schedule A for detailed information.

The balconies and terraces are uninhabitable spaces. They may not be legally used for any residential uses including bedroom, dining room, or any other use considered to be a

habitable space as defined by the New York City Building Code. Their use as a living or sleeping space may result in a building code violation being issued against the Building and the imposition of fines against the Building. The Unit Owner, who caused the violation, will be obligated to remove it and pay all fines associated with the violation.

Sponsor will not provide pavers for the terraces, which are the Limited Common Elements of Residential Units 3A, 3B, 3C and 3D, located on the third floor. Daily traffic for the terraces is unpredictable. Paver installation costs vary significantly based on material and type of paving system used. Paver/deck material and installation by the Owners of those Units is acceptable by a roof manufacturer to retain roof warranty as long as the current roof membrane is not punctured.

The Bicycle Parking Storages

The Building will have five (5) bicycle parking storages, located at the first floor of the Building. They will be the Common Elements. They may be used on a “first-come, first-served” basis.

The Completion of Construction and Compliance with Law

The Property will be improved and the Units constructed in accordance with all applicable zoning and building laws, regulations, codes and other government requirements as well as in accordance with the plans and specifications filed with the Department of Buildings of the City of New York and identified in the Plan.

The project is governed by the Building Code of the City of New York, the Multiple Dwelling Law of the State of New York, and the Zoning Resolution of the City of New York.

The balconies and terraces are uninhabitable spaces. They may not be legally used for any residential uses including bedroom, dining room, or any other use considered to be a habitable space as defined by the New York City Building Code. Their use as a living or sleeping space may result in a building code violation being issued against the Building and the imposition of fines against the Building. The Unit Owner, who caused the violation, will be obligated to remove it and pay all fines associated with the violation. Please see Footnote 2 to Schedule A on page 42.

Notes:

1. Real estate taxes calculations for the Residential Units and Parking Units are based on their assessed value estimated by MGNV Consulting Corp. to be \$437,760.00. The resulting annual taxes for the Residential Units and Parking Units will be \$53,700.00 as per the opinion of MGNV Consulting Corp. if they don't receive the 421-a tax benefits, and \$13,149.00 if they receive the 421-a tax benefits.
Real estate taxes calculations for the Community Facility Units are based on their assessed value estimated by MGNV Consulting Corp. to be \$720,000.00. The resulting annual taxes for the Community Facility Units will be \$76,997.00 as per the opinion of MGNV Consulting Corp. if they don't receive the ICAP Benefits, and \$15,399.00 if they receive the ICAP Benefits.
Please see Footnote 6 To Schedule A and "Real Estate Taxes" Section of the Plan.
2. Projected monthly carrying charges are composed of projected monthly Common Charges and real estate taxes imposed against each Unit.
3. The above figures are rounded off to the nearest cent.

FOOTNOTES TO SCHEDULE A

1. The number of bedrooms in the Residential Units is computed in accordance with the Multiple Dwelling Law of the State of New York and the Administrative Code of the City of New York. A bedroom is a room used for sleeping purposes. Dining bays and dinettes fifty (50) square feet or less in floor area, foyers, water-closet compartments, bathrooms, cooking spaces less than eighty (80) square feet in area, and halls, corridors and passageways entirely within the Residential Unit is not a bedroom.

The measurements in Schedule A, Column (3), pertaining to the Residential Units, are measurements of habitable spaces only.

The estimate floor area of each Unit is based on the floor plans included in Part II of the Plan.

The horizontal physical dimensions of each Residential Unit and Community Facility Unit consist of the floor area enclosed by the outside face of the masonry work at the exterior walls of the Building and the non-unit side of the walls and partitions (dividing the Units from corridors, stairs and mechanical space).

The vertical physical dimensions of each Residential Unit and Community Facility Unit will consist of the area enclosed vertically from the centerline of the floor slab to the centerline of the ceiling slab.

The Limited Common Elements are not included in the dimensions.

The approximate measurements are within reasonable tolerances.

The above measurements are not based from interior surfaces of interior walls. Therefore, the actual area comprising each Residential Unit and Community Facility Unit is significantly less than the area listed in Schedule A.

The above measurements of each Residential Unit and Community Facility Unit significantly exceed the actual usable floor area of the Residential Unit and Community Facility Unit.

The Building will have six (6) balconies and six (6) terraces. The balconies will be the Limited Common Elements of Residential Units 4A, 4B, 4C and 4D. The terraces will be the Limited Common Elements of Residential Units 3A, 3B, 3C and 3D. Please see page 3 of Schedule A, Columns (2) - (6) for detailed information.

Sponsor does not intend to add additional units, which will become part of the Condominium.

2. THE BALCONIES AND TERRACES ARE UNINHABITABLE SPACES. THEY MAY NOT BE LEGALLY USED FOR ANY RESIDENTIAL USES INCLUDING

BEDROOM, DINING ROOM, OR ANY OTHER USE CONSIDERED TO BE A HABITABLE SPACE AS DEFINED BY THE NEW YORK CITY BUILDING CODE. THEIR USE AS A LIVING OR SLEEPING SPACE MAY RESULT IN A BUILDING CODE VIOLATION BEING ISSUED AGAINST THE BUILDING AND THE IMPOSITION OF FINES AGAINST THE BUILDING. THE UNIT OWNER, WHO CAUSED THE VIOLATION, WILL BE OBLIGATED TO REMOVE IT AND PAY ALL FINES ASSOCIATED WITH THE VIOLATION.

3. Prices and terms of sale, such as an assignment of the Purchase Agreement in Section 34 of the Purchase Agreement and an extension of a closing without incurring any penalties in Section 6 of the Purchase Agreement, are negotiable. Sponsor may enter into a Purchase Agreement with an individual Purchaser to sell one or more Units at prices lower than those set forth in Schedule A without filing an amendment.

The offering prices set forth in Schedule A must be changed by a filed amendment to the Plan when:

- (a) the change in price is an across the board increase or decrease affecting one or more lines of Units or Unit models, or
- (b) the change in price is to be advertised, or
- (c) the change in price is a price increase for an individual Purchaser.

Please review “Changes in Prices and Units” Section of the Plan for a detailed discussion.

Please also review “Unit Closing Costs and Adjustments” Section of the Plan, which discloses and explains the additional closing costs and adjustments that Purchaser may have to pay in connection with the purchase of a Unit.

4. Each Unit will have appurtenant thereto a Common Interest as expressed in the Declaration. In accordance with Section 339-i(1)(iv) of the Real Property Law of the State of New York, the Common Interest has been allocated to each Unit upon floor space, subject to the location of such space and the additional factors of relative value to other space in the Condominium, the uniqueness of the Unit, the availability of Common Elements for exclusive or shared use, and the overall dimensions of the particular Unit.

5. Sponsor is not offering or procuring mortgage financing. If Purchaser obtains financing, Purchaser’s debt service will be an additional expense. Projected carrying charges do not include costs such as repairs to the interior of the Unit, separately metered electricity, cable television service and telephone service.

Electricity consumption by each Residential Unit for the air-conditioning, heating, hot water heating, cooking, lighting and appliances are not included in the projected monthly carrying charges. Please review Schedule B-1 for approximate electricity charges for each Residential Unit.

6. After the Condominium is divided into individual tax lots, each Unit will be taxed as a separate tax lot for real estate tax purposes and the Unit Owner will not be responsible for the payment of, nor will the Unit be subject to, any lien arising from the non-payment of taxes on other Units.

Sponsor finished the construction of the Building. The New York City Department of Buildings issued a final certificate of occupancy on April 6, 2020.

The first year of operation is estimated to be from July 1, 2021 to June 30, 2022, which conforms to the tax year 2021/2022.

It is anticipated that Units will be separately assessed for the 2021/2022 tax year, and that the Property will be assessed at its post-completion value.

Properties in New York City are divided into different classes, each treated differently under the law. The type of property one owns determines class and how property value is assessed. Tax classes each pay a different share of property tax in New York City. Tax Class 2 includes residential properties with more than three (3) units, including cooperatives and condominiums. Tax Class 4 includes commercial properties.

Upon an estimate provided by MGNY Consulting Corp., in the post-construction year of 2021/2022, the Property will be assessed at \$1,157,760.00. \$437,760.00 out of said \$1,157,760.00 will be attributable to the Residential Units and Parking Units and \$720,000.00 to the Community Facility Units.

The letter of MGNY Consulting Corp., dated October 13, 2020, is located on pages 120-127 of Part I of the Plan.

On April 10, 2017, the State of New York adopted the Affordable New York Housing Program (the “Affordable New York”), codified in Section 421-a of the Real Property Tax Law of the State of New York.

Under Affordability Option D, a property may qualify for a 20-year tax benefits, (the “421-a tax benefits”), if the following conditions are met:

- (i) The property must be located outside of Manhattan;
- (ii) The property must contain no more than 35 units;
- (iii) All units must have an aggregate assessed valuation not to exceed \$65,000 upon the first assessment following completion of construction;
- (iv) Each purchaser must agree in writing to maintain the unit as his/her primary residence for at least the first five years of ownership;
- (v) The building must have signed purchase agreements for all units in the building;
- (vi) An application for the benefits may only be submitted after completion of the building (as evidenced by issuance of a final certificate of occupancy for the building) and must be submitted within one year of completion of the building.

As applied to the Condominium, condition (ii) will be met since the Building will contain less than 35 units. If upon the first assessment of the Property by the Department of Finance of the City of New York following completion of the Building and issuance of a certificate of occupancy for the Building by the Department of Buildings of the City of New York, the Property has an average assessed value not exceeding \$65,000 per Residential Unit, all eight (8) Residential Units are in contract, and each Purchaser will agree in writing to maintain the Residential Unit as his or her primary residence for at least the first five (5) years of ownership, the Board of Managers of the Condominium may submit an application on behalf of all Unit Owners for the 421-a tax benefits to the Department of Housing Preservation and Development of the City of New York. The application must be submitted by September 16, 2021, which is one (1) year from the issuance of a temporary certificate of occupancy for the Building on September 16, 2020. All Residential Units must be in contract by that date.

It is the opinion of MGNY Consulting Corp. that the initial average assessed value for the Property will not exceed \$65,000 per Residential Unit. However, if the assessed value for a particular Residential Unit exceeds \$65,000, the value that exceeds \$65,000 will not receive the 421-a tax benefits. Based on the percentage of common interests and the current assessment practices of the Department of Finance, it is anticipated that none of the Residential Units will exceed the \$65,000 cap.

Under the replacement ratio requirement of Option D of Section 421-a(16), any dwelling units that were on an eligible site three years prior to the commencement date and thereafter demolished, removed, or reconfigured must be replaced with at least one affordable housing unit. The replacement ratio requirement is inapplicable to this offering because the Property contained no dwelling units three years prior to commencement of construction.

The projected real estate taxes in Schedule A for the Residential Units and Parking Units are calculated based on the Residential Units and Parking Units being in Tax Class 2, the estimated tax rate of 12.267% of the assessed value of the Residential Units and Parking Units, and the assessed value of the Residential Units and Parking Units estimated by MGNY Consulting Corp. to be \$437,760.00 for the post-construction year of 2021/2022.

If the Residential Units and Parking Units do not receive the 421-a benefits, annual real estate taxes for the post-construction year of 2021/2022 are expected to be \$53,700.00 as per the opinion of MGNY Consulting Corp.

If the Residential Units and Parking Units receive the 421-a benefits, the annual real estate taxes for the post-construction year of 2021/2022 are expected to be \$13,149.00 as per the opinion of MGNY Consulting Corp.

The real estate taxes payable in Schedule A by the Residential Units and Parking Units are determined by applying said data to calculate real estate taxes against the Residential Units and Parking Units and then allocating the amount due in conformity with the allocation of the Residential Percentages of Common Interests as set forth in Schedule A.

In the event it is reasonably apparent that all of the pre-conditions to the issuance of the 421-a tax benefits will not be achieved, Sponsor will promptly submit an amendment to the Plan disclosing that the 421-a tax benefits will not be obtained.

NO GUARANTEE OR WARRANTY IS OR CAN BE MADE THAT SAID BENEFITS WILL EVER BE OBTAINED, OR WILL CONTINUE TO BE AVAILABLE AFTER THE CLOSING OF THE UNITS. IN THE EVENT SAID BENEFITS ARE NOT OBTAINED, OR IN THE EVENT THERE ARE INCREASES IN THE REAL ESTATE TAX RATE OR THE UNITS' ASSESSED VALUATION OR IN THE STATUTES GOVERNING SAID BENEFITS, REAL ESTATE TAXES MAY BE HIGHER THAN SET FORTH IN THE PLAN FOR THE FIRST YEAR OF OPERATION OF THE CONDOMINIUM AND IN FUTURE YEARS. HENCE, INDIVIDUAL CARRYING COSTS FOR ALL UNITS WILL ALSO BE HIGHER. PURCHASERS ARE PURCHASING THE UNITS WITH NO GUARANTEE OF OBTAINING SAID BENEFITS.

Sponsor has filed for real estate tax abatement benefits pursuant to Section 489-bbbbbb of the Real Property Tax Law of the State of New York, (Industrial and Commercial Abatement Program - ICAP), for the Community Facility Units, ("ICAP Benefits"). Sponsor will use its best efforts to obtain the ICAP Benefits.

The projected real estate taxes in Schedule A for the Community Facility Units are calculated based on the Community Facility Units being in Tax Class 4, the estimated tax rate of 10.694% of the assessed value of the Community Facility Units, and the assessed value of the Community Facility Units estimated by MGNV Consulting Corp. to be \$720,000.00 for the post-construction year of 2021/2022.

If the Community Facility Units do not receive the ICAP Benefits, annual real estate taxes for the post-construction year of 2021/2022 are expected to be \$76,997.00 as per the opinion of MGNV Consulting Corp.

If the Community Facility Units receive the ICAP Benefits, the annual real estate taxes for the post-construction year of 2021/2022 are expected to be \$15,399.00 as per the opinion of MGNV Consulting Corp.

The City of New York is not bound by the allocation of the Common Interests, and may allocate on a different basis. Nor is the City bound by the estimate of the market value of the Property. All figures are estimates.

Please see "Real Estate Taxes" Section of the Plan.

7. On January 1, 2018, the Tax Cuts and Jobs Act of 2017 went into effect. This federal law significantly changed the previously existing Internal Revenue Code, including the taxes and deductions related to homeownership. Purchasers are advised to consult with a tax expert regarding whether the new law will affect the purchaser's taxes.

Unit Owners who itemize their deductions should, for Federal income tax purposes, be entitled to a deduction for mortgage interest on a principal of up to \$750,000.00 and real estate taxes up to \$10,000.00 in the year paid, or accrued, under Section 11043 and 11042 of the Internal Revenue Code. The \$10,000.00 limit includes other state and local taxes besides real estate taxes. The projected tax deductions may vary in future years due to changes in the interest rate on the Unit Owner's mortgage, if any, or from changes in the allocation of constant debt service payments to interest and principal, or from changes in the assessed value, the tax rate or the method of assessing real property.

THE FOREGOING SCHEDULE A IS NOT INTENDED AND SHOULD NOT BE TAKEN AS A GUARANTEE BY ANYONE THAT THE ANNUAL CARRYING CHARGES OR EXPENSES FOR THE FIRST OR ANY SUBSEQUENT YEAR OF OPERATION OF THE CONDOMINIUM WILL BE AS SET FORTH THEREIN OR THAT SUCH CARRYING CHARGES OR EXPENSES WILL NOT VARY FROM THE AMOUNTS SHOWN IN SCHEDULE A.

FOOTNOTES TO SCHEDULE B

1. Labor. The Board of Managers will employ a part-time superintendent. The superintendent will be required to provide the following services:

- (a) cleaning and maintenance of the Common Elements of the Condominium, including the making of minor exterior repairs of the Common Elements;
- (b) the removal of garbage, refuse, ashes and wastes from the Building and placement on the street (curbside) for pickup; and
- (c) the removal of snow, ice, dirt and other matter from the sidewalk and gutter.

The budgeted figure assumes that the superintendent will work Monday thru Friday, ten (10) hours per month at a rate of \$20.00 per hour. The hourly rate exceeds a mean hourly rate of \$15.12 for superintendent as published by the United States Department of Labor, Occupational Employment Statistics.

The projected level of staffing for the Building complies with all applicable housing and labor laws.

The projected figure is based upon the superintendent not being a member of any labor union.

FICA – Social Security @ 6.2% of Base Wages	\$150.00
FICA – Medicare @ 1.45% of Base Wages	\$35.00
State Unemployment Insurance @ 2.5% of first \$8,500.00 of Base Wages	\$60.00
Federal Unemployment Insurance @ 8% of first \$7,000.00 of Base Wages	\$192.00

Total Wages, Taxes and Benefits	\$3,012.00

Repairs to the Common Elements of the Condominium (unless such repairs are a result of faulty construction by Sponsor) will be performed by outside construction companies hired by either the Board of Managers of the Condominium or Managing Agent, as agent for the Board, both during and after the Sponsor control period. The costs for the repairs are not a line item in the budget. In such a case, special assessments may be imposed to pay for these costs. There repairs don't include repairs that are necessary as a result of faulty construction by Sponsor.

2. Gas. The Building will not have a gas service.

3. Electricity. The budgeted figure is based upon the estimate provided by Igor Zaslavskiy, R.A., having an address at 1817 Emmons Avenue, Brooklyn, NY 11235. It is based on an estimated annual electrical consumption of 95,000.00 kWh for the common area lighting, fixtures, equipment and other appliances and heating, the tariff of \$0.194 per kWh, the inflation adjustment of 10% and the tax of 4.5%.

The cost for electricity consumption by the Residential Units for the air-conditioning, heating, hot water heating, cooking, lighting and appliances will be separately billed to and paid by each Residential Unit. Please review Schedule B-1 for approximate electricity charges for each Residential Unit.

The common hallways and mechanical rooms will be heated.

4. Water charges and sewer rents. The budgeted figure is based upon the estimate provided by Igor Zaslavskiy, R.A., having an address at 1817 Emmons Avenue, Brooklyn, NY 11235. It is based on an estimated annual consumption of 439.20 HCF (1 HCF = 100 cubic feet of water or 748 gallons of water), and the water charges and sewer rents of \$10.10 per HCF. This cost is for the water charges and sewer rents projection for the entire Building.

5. Repairs and Supplies. The Building is being newly constructed and no historical costs for repairs and maintenance are available. No amounts have been allocated for the repair of Building systems (mechanical, electrical, water, heating, air-conditioning and other systems), envelope or for other capital expenditures. The budgeted figure is the projected cost of minor interior repairs of the Common Elements and minor exterior repairs of the Common Elements (including walls, windows, doors and locks), and administrative expenses such as virtual doorman fees, telephone lines, internet service, office supplies and decor, office equipment, postage, special communications and mailings to the Unit Owners, annual meetings, and general expenses.

It is based upon the estimate provided by FIDY Management Inc., having an address at 254 36th Street, C-303, Unit 1, Brooklyn, NY 11232. The budgeted figure is based on the prior experience of FIDY Management Inc. in managing similar size properties over the last five years.

6. Service Contracts. The budgeted figure represents the estimated costs for the initial year of building operations for service contracts. It should be noted that no service contracts have been entered into as of the date of the Plan. However it is anticipated that service contracts will be entered into prior to the initial year of building operating or service contracts for the building systems shall be included from the contractors who installed them. Purchasers are advised that the projections are only estimates and include reasonable allowances for increases in costs that may arise prior to the initial year of building operations. The Board will enter into the following maintenance and service contracts:

<u>Service Provider</u>	<u>Projected Annual Cost</u>
Elevator Maintenance	\$2,000.00
Sprinkler Maintenance	\$1,600.00

Exterminating	\$1,200.00
Fire Alarm Monitoring	<u>\$2,700.00</u>
Total	\$7,500.00

The budgeted figure is based upon the estimate provided by FIDY Management Inc., having an address at 254 36th Street, C-303, Unit 1, Brooklyn, NY 11232.

7. Insurance. The projected figure is the projected cost of insurance for the Property. It is not based upon existing coverages for the Property. It is based upon coverages suggested and premiums estimated by First Fidelity Brokerage, Inc., having an address at 1400 Avenue of the Americas, 9th fl., New York, NY 10036, (hereinafter called the "Insurance Agent"), in the estimate, dated June 18, 2019. Although the projection is considered to be reasonable, there can be no guarantee that the estimate premium will not escalate or that such coverage will continue to be available. The insurance proposal provides for the following coverages:

Property	
Building/Boiler and Machinery (Deductible: \$5,000.00)	\$4,000,000.00
Flood (Deductible: \$25,000.00)	\$500,000.00
General Liability	
Each Occurrence (Bodily Injury/Property Damage)	\$1,000,000.00
General Aggregate	\$2,000,000.00
Personal Injury	\$1,000,000.00
Directors & Officers Liability	
Liability (Deductible: \$2,500.00)	\$1,000,000.00

The projected figure includes public liability insurance, which is required prior the closing of the first Unit.

Sponsor, at the sole cost and expense of the Condominium, will cause to be delivered to the Condominium on the closing date of the first Unit, the fire, casualty and general liability policies providing the insurance described above or binders thereof, on the terms that provide:

- (1) that each Unit Owner will be an additional insured party;
- (2) that there will be no cancellation without notice to the Board of Managers;
- (3) a waiver of subrogation;
- (4) a waiver of invalidity because of the acts of the insured and Unit Owners;
and
- (5) a waiver of pro-rata reduction if Unit Owners obtain additional coverage.

In the opinion of the Insurance Agent, the amount of fire insurance is adequate, and the inclusion by the insurance company of the Agreed Amount clause avoids a co-insurance penalty.

In the opinion of the Insurance Agent, the amount of insurance is adequate to repair or replace the Building if it were totally destroyed. However, the policy does not guarantee the replacement of individual fixtures, and improvements installed by individual Unit Owners.

Purchasers are advised of the desirability of obtaining additional insurance, at their own cost and expense, to cover such risks as fire and casualty losses to Unit contents, replacements, additions, up-graded fixtures and improvements, and liability coverage for occurrences within the Unit or, where applicable, on the Limited Common Elements appurtenant to the Units.

Purchasers are advised to confer with their insurance adviser regarding insurance for their Units, including flood insurance for the contents of their Units.

8. Management fees. Due to the size of the Building, it is expected that the Building will be self-managing. The Board of Managers will be required to:

- (i) bill and collect Common Charges payable by the Unit Owners;
- (ii) contract for necessary services and purchase all supplies necessary to properly maintain and operate the Building and its Common Elements;
- (iii) check all bills received in connection with the maintenance and operation of the Common Elements and cause all such bills and other expenses to be paid;
- (iv) supervise, hire and discharge employees necessary for the proper maintenance and operation of the Building;
- (v) maintain payroll records and file withholding tax statements for employees;
- (vi) maintain accurate sets of books, including checking accounts, of the Condominium.

Sponsor will manage the Condominium while it controls the Board of Managers. Sponsor will not charge a fee to manage the Condominium while it controls the Board of Managers.

In the event the Board of Managers employs a managing company after the expiration of initial sponsor voting control period, a management fee of the company will be an additional expense to the annual expenses of the Condominium by at least 10.00%, which will result in a substantial increase in the Common Charges.

9. Legal fees and audit fees. Based upon the quote from S. Rozenberg & Associates Ltd., having an address at 2565 East 17th Street, Brooklyn, NY 11235, \$1,000.00 of the budgeted item will be used for preparation of certified financial statements of the Condominium for the first year of operation, which will be audited to comply with regulations. The balance of the budgeted figure, \$1,000.00, anticipates legal services during the first year of operation, but would be insufficient to cover any substantial litigation. Said legal services will include the

drafting of board meeting minutes and general advice to members of the board in connection with affairs of the Condominium. Legal fees are based upon the quote from Tsyngauz & Associates, P.C., having an address at 894 6th Avenue, 3rd fl., New York, NY 10001. The Board of Managers of the Condominium will decide in the future which attorney to hire.

10. Inspections, Permits and Miscellaneous. The budgeted figure represents the estimated costs for the city inspections, fire extinguisher inspections, elevator tests, permits and fees and other costs of compliance with Local Laws. It is based upon the estimate provided by FIDY Management Inc., having an address at 254 36th Street, C-303, Unit 1, Brooklyn, NY 11232.

11. Contingency. The budgeted figure is to provide a fund for unanticipated operating expenses during the initial year of building operations. Contingency is different from a reserve fund, which will be used only for capital expenditures.

12. Corporate Income Tax. The Condominium will not be eligible to qualify as an exempt homeowner's association under Section 528 of the Internal Revenue Code. As a result, the Condominium will be subject to Federal corporate income tax pursuant to Section 277 of the Internal Revenue Code. The current tax rate is 21% of the Condominium's taxable income, which is equal to a difference between [i] annual assessments collected from unit owners and other income generated by the Condominium and [ii] operating expenses of the Condominium for a year in question, including assessments for the Reserve Fund. (See Rev. Rul. 75-370, 1972-2 C.B. 25 [special assessments collected by a nonexempt condominium management corporation from its unit owner-stockholders and accumulated in a separate bank account for replacement of the roof and elevators in the condominium were held not to be includible in the corporation's gross income]). Please see "Real Estate Taxes" Section of the Plan.

It is anticipated that all assessments collected from the Unit Owners during the first year of the Condominium operation will be spent for expenses set forth in Schedule B. Thus, no corporate income taxes will be due.

However, if the sum of \$2,000.00 allocated to Contingency in Schedule B is not spent, the Condominium will be required to pay \$420.00 in corporate income tax, i.e. 21% of said \$2,000.00 allocated to Contingency.

13. Yearly Reserve Fund. The Condominium will have a reserve fund for capital expenditures only. It will be equal to 10% of the projected annual budget of the Condominium. The yearly reserve fund will be sufficient to pay for major capital repairs or replacement items likely to be needed within the first five years of operation following the first closing under the Plan. When established, the Reserve Fund will not have any funds.

Sponsor will not make an initial contribution to the reserve fund, and the reserve fund will be funded by common charges. Please see "Reserve Fund" Section of the Plan.

Re: The 375 Sand Lane Condominium
375 Sand Lane
Staten Island, NY 10305

Dear Sir/Madam:

I am the attorney for the sponsor and I have had over 10 years of experience in preparing contracts of sale and closing title to condominium units and as such have requisite experience to prepare this opinion letter. I am not the selling agent or managing agent for the above-referenced property.

I have reviewed the pertinent data with respect to the fair value of the units and other pertinent information with respect to the units. Based on these factors, and the annexed letter of Arsen Atbashyan, the allocation of shared common interest is being made pursuant to Section 339-i(1)(iv) of the Real Property Law of the State of New York, which provides that such interest shall be:

“(iv) upon floor space, subject to the location of such space and the additional factors of relative value to other space in the condominium, the uniqueness of the unit, the availability of common elements for exclusive or shared use, and the overall dimensions of the particular unit.”

I certify that I am not owned or controlled by and have no beneficial interest in the sponsor.

Very Truly Yours,

COMPLIANCE WITH REAL PROPERTY LAW SECTION 339-i

Re: The 375 Sand Lane Condominium
375 Sand Lane
Staten Island, NY 10305

Dear Mr. Faybyshev:

You have requested an opinion from me with regards to your allocation of common interest to units in the above-referenced condominium pursuant to Section 339-i(1)(iv) of the Real Property Law of the State of New York. You have informed me that the factual basis of calculating the percentage of common interest allocated to each Unit consists of the floor space, the uniqueness of the Unit, the availability of Common Elements for exclusive or shared use, and the overall dimensions of the particular Unit.

Based on my review of the foregoing factors, I have concluded that the proposed allocation of common interest to individual units is in compliance with Section 339-i(1)(iv) of the Real Property Law of the State of New York.

I have been a real estate broker for over 15 years. I specialize in a commercial real estate since 1990s. I have extensive experience in the management and rental of cooperative and condominium units. I am not, in any way, associated with you or any other participants in this project, and have no beneficial interest in your business, or in profitability of the project. This is an opinion only as to the relative value of each unit in relation to the value of the project as a whole; is strictly based on the information provided to me in such reasonable inquiries as to the validity thereof as I deemed appropriate under the circumstances; and is not intended as a guarantee of the actual value of any individual unit. I consent to the inclusion of this letter in your offering plan.

Very truly yours,

A handwritten signature in black ink, appearing to read "Arsen Atbashyan".

COMMUNITY FACILITY UNITS

The Community Facility Units are not offered for sale under this Plan.

The Common Charges payable by the Community Facility Units have been calculated by allocating to such Units a share of the monthly charges proportionate to the Common Interest which the Community Facility Units bear in the Condominium.

The Common Charges have been estimated by Sponsor based on the estimated operating budget annexed as Schedule B to this Plan.

The Common Charges payable by the Community Facility Units are sufficient to cover the expenses fairly attributable to the Community Facility Units.

The Community Facility Unit Owners have rights and obligations, which differ from those of the Residential Unit Owners.

Each Residential Unit may be used as a residence only.

Each Community Facility Unit may be used for any legal use permitted by the certificate of occupancy of the Building, the Zoning Resolution of the City of New York or other applicable laws, such as medical offices, dental offices, government operated health centers or independent out-of-hospital health facilities incorporated pursuant to Article 7 of the Social Services Law of the State of New York, churches, rectories, or parish houses. The Community Facility Units shall not be used for: (1) conduct or maintenance of any gambling or gaming activities; (2) homeless shelter; (3) any fire, auction, going-out-of-business or bankruptcy sales, (4) sale of any obscene or pornographic material, (5) sex club of any sort, or (6) a massage parlor.

While Sponsor is in control of the Board of Managers, Sponsor will not amend the By-Laws to permit any of the currently impermissible uses of the Community Facility Units.

A Community Facility Unit may be subdivided into two (2) or more Community Facility Units without the approval of the Board of Managers and without paying any cost or charge to the Board of Managers provided, however, that all such subdivision must comply with all applicable codes, rules and regulations. In no case may the subdivision of the Community Facility Units result in a greater percentage of Common Interest for the total of the new Community Facility Units created by such subdivision than existed for the original Community Facility Units before the subdivision.

In addition, no portion of a Unit other than the entire Unit, including any Limited Common Elements appurtenant thereto, may be rented. Portions of the Community Facility Units may be rented to different persons or entities.

Moreover, the Community Facility Unit Owners have the right to make alterations, additions, improvements or repairs to the Unit without the approval of the Board of Managers

and without paying any cost or charge to the Board of Managers provided, however, that all such work must comply with all applicable codes, rules and regulations.

Finally, the Community Facility Unit Owners and any tenant or tenants of such Unit or Units pursuant to the terms of any lease pertaining thereto, have the right, without the vote or consent of the Board of Managers, other Unit Owners or the holders of Unit mortgages, to install, repair and maintain either within or in the immediate location of such particular Unit at the facade of the front of the Building a sign or signs, which may be illuminated, for advertising or identification purposes.

Such rights and obligations will not have a material adverse impact upon the Condominium.

All Profits are charged and distributed to all Units, including the Community Facility Units, in accordance with the allocation of the Shared Percentages of Common Interests as set forth in Schedule A.

CHANGES IN PRICES AND UNITS

Changes in Prices

The offering prices set forth in Schedule A must be changed by a filed amendment to the Plan when:

- (a) the change in price is an across the board increase or decrease affecting one or more lines of Units or Unit models, or
- (b) the change in price is to be advertised, or
- (c) the change in price is a price increase for an individual Purchaser.

Prices and specified terms of sale are negotiable and Sponsor may enter into a Purchase Agreement with an individual Purchaser to sell one or more Units at prices lower than those set forth in Schedule A without filing an amendment.

Changes in Units

Unless an affected Purchaser consents, no material change will be made in Unit size, layout, or percentage of Common Interest if a Purchase Agreement has been executed and delivered to Sponsor for that Unit and the Purchaser is not in default.

Unless all Purchasers consent, no material change will be made in the size and no material adverse change will be made in the quality of Common Element.

No change will be made in the size or number of Units and/or their respective percentages of Common Interest, and that no material change will be made in the size or quality of Common Elements, except by amendment to the Plan and, when applicable, to the Declaration.

For any Unit owned by Sponsor or Sponsor-designees, if not prohibited by the Condominium Act, Sponsor or Sponsor-designees shall have the right, without the vote or consent of the Board of Managers, other Unit Owners or the holders of Unit mortgages, to:

- (a) make alterations, additions, or improvements, structural and non-structural, ordinary and extraordinary, interior and exterior, in, to and upon the Unit;
- (b) change the layout or number of rooms in the Unit;
- (c) change the size and/or number of such Units by subdividing a Unit, combining separate Units (including those resulting from any subdivision or otherwise) into one or more Units, altering the boundary walls between any Unit or otherwise; and
- (d) reapportion among such Unit(s) affected by such change in size or number, subdivision, combination or alteration, their appurtenant interests in the Common Elements; provided, however, that Sponsor or Sponsor-designees shall comply with all rules, ordinances and regulations of all

governmental authorities having jurisdiction and shall agree to hold the Board of Managers and all other Unit Owners harmless from any liability arising therefrom. If Sponsor reapportions the Common Elements to be included in the Unsold Units, Sponsor must obtain consent from the affected Unit Owners.

Sponsor's rights are subject to the above restrictions.

INTERIM LEASE

Sponsor does not intend to rent Residential Units to Purchasers before the consummation of the Plan but reserves the right to do so in accordance with the terms set forth in this Section.

Purchaser does not have the right to take possession of the Residential Unit prior to the closing without the prior written consent of Sponsor, which consent may be withheld for any reason or for no reason. Sponsor's refusal to consent to a pre-closing possession will not entitle Purchaser to cancel the Purchase Agreement or give rise to any claim for damages against Sponsor.

If Sponsor permits Purchaser to take a pre-closing possession of the Unit, the parties will execute the Interim Lease in the form set forth on pages 240-242 in Part II of the Plan.

No smoking shall be permitted in front of the Building and anywhere in the Limited Common Elements and Common Elements. No smoking shall be permitted on the Parking Units and in the Community Facility Units. This prohibition is included in Rule 28 of the Rules and Regulations of the Condominium. Smoking will be permitted in the Residential Units.

The Interim Lease will not establish a landlord-tenant relationship between Sponsor and Purchaser.

Pursuant to the Interim Lease, Purchaser will be required to pay to Sponsor a monthly fee commencing on the possession date, through and including the date of the closing, which fee will be determined by Sponsor and Purchaser before the execution of the Agreement. Purchaser will also be responsible for all utilities as of the date of possession until the closing or return of possession to Sponsor.

Once Purchaser takes possession of the Unit, Purchaser will assume risk of loss from fire or other casualty not covered by insurance.

A person in possession who is not an owner cannot insure the unit since he or she has no ownership interest, and the unit cannot be doubly insured. A person who takes possession prior to the closing assumes the risk of losses not covered by insurance.

An uncured default under the Purchase Agreement will be a default under the Interim Lease. An uncured default under the Interim Lease will be a default under the Purchase Agreement. Before Sponsor may utilize the default under the Interim Lease to declare a default under the Purchase Agreement, Sponsor must either obtain an order of eviction or other judgment or order from a court or agency of competent jurisdiction against the lessee unless the lessee has vacated the Unit.

Purchaser will have thirty (30) days to vacate the Unit after a default under the Purchase Agreement or rescission of the Purchase Agreement by Purchaser.

No rent protections laws are applicable to the Interim Lease.

Sponsor represents that Sponsor and its agents will not discriminate against any person on the basis of race, creed, color, national origin, sex, age, disability, marital status or other grounds prohibited by law.

Sponsor must make a written demand for payment after default at least thirty (30) days before forfeiture of the deposit may be declared.

PROCEDURE TO PURCHASE

When a prospective Purchaser has decided to purchase a Unit, Purchaser will execute the Purchase Agreement substantially in the form set forth in Part II of the Plan and return four (4) copies thereof with the deposit check to Sponsor's attorney, TSYNGAUZ & ASSOCIATES, P.C., having an address at 894 6th Avenue, 3rd fl., New York, NY 10001. Purchaser will be afforded at least three (3) business days to review the Plan and all filed amendments prior to executing a Purchase Agreement. The Purchase Agreement will not be binding on Sponsor until a fully executed counterpart hereof has been sent out to Purchaser or Purchaser's attorney.

Among the important provisions of the Purchase Agreement are the following:

1. Deposit.

The required deposit will be 10% of the purchase price. However, such deposit may be increased for any upgrades, extras, special or custom work in the Unit ordered by Purchaser and itemized in the Purchase Agreement. Such deposit may also be decreased as an accommodation to Purchaser, but in no case will deposit be less than \$5,000.00.

Within thirty (30) days after delivery by Purchaser of an executed Purchase Agreement, together with the required deposit, Sponsor will either:

- (a) accept the Purchase Agreement and cause to be returned to Purchaser the fully executed counterpart thereof, or
- (b) reject the Purchase Agreement offer and refund the deposit tendered.

If Sponsor takes no action within said thirty (30) day period, the Purchase Agreement shall be deemed null and void.

Any deposits made for upgrades, extras, special or custom work shall be initially deposited into the Escrow Account, (hereinafter defined). However, such funds may be released from the Escrow Account in accordance with the terms of the Purchase Agreement as long as Sponsor uses the funds for such upgrades, extras, special or custom work. In the event Purchaser is entitled to a rescission, other than in the event of an abandonment of the Plan by Sponsor, Purchaser will not receive a refund of any funds used for any upgrades, extras, special or custom work in the Unit ordered by Purchaser if such funds have been expended for such upgrades, extras, special or custom work. In the event the Plan is abandoned, the deposit and all funds paid by Purchaser for any upgrades, extras, special or custom work in the Unit ordered by Purchaser shall be refunded to Purchaser within five (5) days of abandonment.

2. Escrow.

Sponsor shall comply with the escrow and trust requirements of Sections 352-e(2-b) and 352-h of the General Business Law of the State of New York.

All deposits, down payments, or advances made by Purchasers prior to the closing of each individual transaction shall be held pursuant to a Purchase Agreement.

Escrow Agent:

The law firm of TSYNGAUZ & ASSOCIATES, P.C., having an address at 894 6th Avenue, 3rd fl., New York, NY 10001 and telephone number (212) 337-9770, shall serve as escrow agent, (hereinafter called "Escrow Agent"), for Sponsor and Purchaser. Escrow Agent has designated Yevgeny Tsyngauz and Mikhail Litt to serve as signatories. All designated signatories are admitted to practice law in the State of New York. Neither Escrow Agent nor any authorized signatories on the account are Sponsor, Selling Agent, Managing Agent or any principal thereof, or has any beneficial interest in any of the foregoing.

The Escrow Account:

The Escrow Agent has established the escrow account at Capital One, N.A., having an address at 6521 18th Avenue, Brooklyn, NY 11204, a bank authorized to do business in the State of New York. The escrow account is entitled "TSYNGAUZ & ASSOCIATES, P.C., Escrow Account, IOLA", (hereinafter called the "Escrow Account"). The Escrow Account is federally insured by the FDIC at the maximum amount of \$250,000.00 per deposit. Any deposit in excess of \$250,000.00 will not be insured. If Purchaser has accounts at the same bank as the Sponsor's account that holds escrowed funds, Purchaser's funds at the escrow bank factor into the \$250,000.00 FDIC insurance limit.

The Escrow Account is a non-interest bearing account established pursuant to Section 497(4)(a) of the Judiciary Law of the State of New York. No fees of any kind may be deducted from the Escrow Account, and Sponsor shall bear all costs associated with the maintenance of the Escrow Account.

All deposits received from Purchaser prior to the closing shall be in the form of checks and shall be made payable directly to the order of "TSYNGAUZ & ASSOCIATES, P.C., as Escrow Agent". Any check payable to, or endorsed other than as required hereby, and which cannot be deposited in the Escrow Account shall be returned to Purchaser promptly, but in no event more than five (5) business days following receipt of such check by the Escrow Agent. In the event of such return of the deposit, the check shall be deemed not to have been delivered to Escrow Agent pursuant to the terms of the Purchase Agreement.

The Purchase Agreement:

The Purchase Agreement is set forth in Part II of the Plan. The relevant escrow provisions are included in Section 5 of the Purchase Agreement, which must be executed by the Escrow Agent.

Notification to Purchaser:

Within five (5) business days after the Purchase Agreement has been tendered to Escrow Agent along with the deposit, Escrow Agent shall sign the Purchase Agreement and place the deposit into the Escrow Account. Within ten (10) business days of the placing the deposit in the Escrow Account, Escrow Agent shall provide written notice to Purchaser and Sponsor, confirming the deposit and disclosing the account number. Any deposits made for upgrades, extras, special or custom work shall be initially deposited into the Escrow Account, and released in accordance with the terms of the Purchase Agreement.

The Escrow Agent is obligated to send notice to Purchasers once the deposit is placed in the Escrow Account. If Purchaser does not receive notice of such deposit within fifteen (15) business days after tender of the deposit, Purchaser may cancel the Purchase Agreement within ninety (90) days after tender of the Purchase Agreement and the deposit to Escrow Agent. Complaints concerning the failure to honor such cancellation requests may be referred to the Department of Law of the State of New York Real Estate Finance Bureau, 28 Liberty Street, New York, NY 10005, (hereinafter called the "Department of Law"). Rescission shall not be afforded where proof satisfactory to the Department of Law is submitted establishing that the deposit was timely placed in the Escrow Account in accordance with the Department of Law's regulations concerning the deposit and requisite notice was timely mailed to Purchaser.

Release of Funds:

All deposits, except for advances made for upgrades, extras, special or custom work received in connection with the Purchase Agreement, are and shall continue to be Purchaser's money, and may not be commingled with any other money or pledged or hypothecated by Sponsor, as per Section 352-h of the General Business Law of the State of New York. Advances for upgrades cease to be Purchaser's money when the funds are used in commission of the upgraded work.

Under no circumstances shall Sponsor seek or accept release of the deposit of defaulting Purchaser until after consummation of the Plan, as evidenced by the acceptance of a post-closing amendment by the Department of Law. Consummation of the Plan does not relieve Sponsor of its obligations pursuant to Sections 352-e(2-b) and 352-h of the General Business Law of the State of New York.

Escrow Agent shall release the deposit if so directed:

- (a) pursuant to terms and conditions set forth in the Purchase Agreement upon closing of title to the Unit; or
- (b) in a subsequent writing signed by both Sponsor and Purchaser; or
- (c) by a final, non-appealable order or judgment of a court.

If Escrow Agent is not directed to release the deposit pursuant to paragraphs (a) through (c) above, and Escrow Agent receives a request by either party to release the deposit, then the Escrow Agent must give both Purchaser and Sponsor prior written notice of not fewer than thirty

(30) days before releasing the deposit. If Escrow Agent has not received notice of objection to the release of the deposit prior to the expiration of the thirty (30) day period, the deposit shall be released and Escrow Agent shall provide further written notice to both parties informing them of said release. If Escrow Agent receives a written notice from either party objecting to the release of the deposit within said thirty (30) day period, Escrow Agent shall continue to hold the deposit until otherwise directed pursuant to paragraphs (a) through (c) above. Notwithstanding the foregoing, Escrow Agent shall have the right at any time to deposit the deposit contained in the Escrow Account with the Clerk of the New York County and shall give written notice to both parties of such deposit.

Sponsor shall not object to the release of the deposit to:

- (a) Purchaser who timely rescinds in accordance with an offer of rescission contained in the Plan or an Amendment to the Plan; or
- (b) all Purchasers after an amendment abandoning the Plan is accepted for filing by the Department of Law.

The Department of Law may perform random reviews and audits of any records involving the Escrow Account to determine compliance with all applicable statutes and regulations.

Waiver Void:

Any provision of the Purchase Agreement or separate agreement, whether oral or in writing, by which Purchaser purports to waive or indemnify any obligation of the Escrow Agent holding any deposit in trust is absolutely void. The provisions of applicable regulations of the Department of Law and Sections 352-e(2-b) and 352-h of the General Business Law of the State of New York concerning escrow trust funds shall prevail over any conflicting or inconsistent provisions in the Purchase Agreement, Plan, or any amendment thereto.

General:

Sponsor agrees to defend, indemnify and hold Escrow Agent harmless from and against all costs, claims, expenses and damages incurred in connection with or arising out of Escrow Agent's responsibilities arising in connection with the Purchase Agreement or the performance or non-performance of Escrow Agent's duties under this Agreement, except with respect to actions or omissions taken or suffered by Escrow Agent in bad faith or in willful disregard of the obligations set forth in the Purchase Agreement or involving gross negligence of Escrow Agent. This indemnity includes, without limitation, disbursements and attorneys' fees either paid to retain attorneys or representing the hourly billing rates with respect to legal services rendered by Escrow Agent to itself.

Escrow Agent shall have the right to represent Sponsor in any lawsuit arising out of the Plan and the Purchase Agreement. Sponsor will compensate Escrow Agent for acting as Sponsor's attorney.

Escrow Agent shall have the right to represent Sponsor in any lawsuit arising out of the Plan and the Purchase Agreement. Sponsor will compensate Escrow Agent for acting as Sponsor's attorney. Escrow Agent owes a fiduciary duty to the Purchaser as the depositor of the funds.

Escrow Agent shall maintain all records concerning the Escrow Account for seven (7) years after release of the Deposit.

Upon dissolution of the law firm which was Escrow Agent, the former partners or members of the firm shall make appropriate arrangements for the maintenance of these records by one of the partners or members of the firm or by the successor firm and shall notify the Department of Law of such transfer.

Before the funds are transferred to a new escrow account, or if Escrow Agent is replaced, the Plan must be amended to provide the same full disclosure with respect to the new account, the escrow agent and the escrow agreement as was originally provided.

Nothing contained herein shall diminish or impair the Sponsor's statutory obligation to each Purchaser pursuant to Section 352-h of the General Business Law of the State of New York to hold in trust all deposits, advances or payments made in connection with the offer until consummation of the transaction with such Purchaser. Consummation of the plan does not relieve Sponsor of its obligations pursuant to Section 352-h of the General Business Law of the State of New York. Funds from the escrow account remain the property of the Purchaser until employed in connection with the consummation of the transaction. Such funds shall not be a part of the estate of Sponsor or the Escrow Agent upon any bankruptcy, incapacity or death.

3. Compliance with Section of 71-a(3) of the Lien Law of the State of New York.

The Plan and the Purchase Agreement comply with Section of 71-a(3) of the Lien Law of the State of New York and any other applicable provisions of law.

4. Default of Purchaser.

TIME IS OF THE ESSENCE with respect to Purchaser's obligations to pay the Balance of the Purchase Price and to pay, perform or comply with Purchaser's other obligations under the Purchase Agreement. Upon the occurrence of an Event of Default defined in the Purchase Agreement, Sponsor, in its sole discretion, may elect by notice to Purchaser to cancel the Purchase Agreement. If Sponsor elects to cancel, Purchaser shall have thirty (30) days from the giving of the written notice of cancellation to cure the specified default.

If the default is not cured within such thirty (30) days, **TIME BEING OF THE ESSENCE**, then the Purchase Agreement will be deemed cancelled, and Sponsor will have the right to retain the deposit and actual costs incurred by Sponsor for any upgrades, extras, special or custom work in the Unit ordered by Purchaser, as and for liquidated damages. Upon the cancellation of the Purchase Agreement, neither party shall have any further rights, obligations or liability to or against the other and the parties shall be released and discharged from all

obligations and liability under the Purchase Agreement and the Plan, and the Unit may be sold to another as though the Purchase Agreement had never been made, and without any obligation to account to Purchaser for any of the proceeds of such sale.

Sponsor shall not seek the remedy of specific performance in connection with the Purchase Agreement.

Sponsor must make a written demand for payment after default at least thirty (30) days before forfeiture of the deposit may be declared.

TIME IS OF THE ESSENCE means that Purchasers must perform their obligations under the Purchase Agreement at the time certain regardless of whether they are sick, disabled, or cannot attend the closing for any other reason.

After the Plan has been declared effective, Sponsor will fix dates for closing title to all Units for which Purchase Agreements have been executed by serving notice to each Purchaser stating the date of the first closing and setting such Purchaser's closing date no less than thirty (30) days before the date set for the closing of the Units.

Provided Sponsor is ready, willing and able to close title in accordance with the Purchaser Agreement, if Purchaser fails for any reason to close title to the Unit on the originally scheduled closing:

- (a) the closing apportionments described in the Purchase Agreement will be made as of the midnight of the day preceding the originally scheduled closing, regardless of when the actual closing occurs, and
- (b) Purchaser will be required to pay to Sponsor, as a reimbursement of Sponsor's higher carrying costs for the Unit by virtue of the delay, and in addition to the other payments to be made to Sponsor under the Purchase Agreement and the Plan, an amount equal to 0.03% of the purchase price for each day starting from and including the originally scheduled closing to and including the day before the actual closing. The interest rate charged will not exceed maximum legal usury limits.

If Sponsor prevails in any action against Purchaser arising out this Agreement, Purchaser shall be obligated to reimburse Sponsor for reasonable attorney's fees and disbursements incurred by Sponsor in either defending an action commenced by Purchaser or prosecuting an action commencement by Sponsor.

5. Financing Contingency.

Purchaser's obligation to purchase a Unit is contingent upon issuance, on or before forty five (45) days after a fully executed copy of the Purchase Agreement is given to Purchaser or Purchaser's attorney, (hereinafter called the "Commitment Date"), of a written commitment from an institutional lender, (hereinafter called the "Institutional Lender").

Under New York law, when a mortgage commitment is not fulfilled through no fault of a purchaser, performance is excused. Therefore, if the purchaser acts in good faith and the lender revokes the loan commitment after the contingency period expires, performance is excused, and the sponsor must grant to such purchaser a right of rescission and a reasonable period of time to exercise such right. If the financing commitment lapses or expires prior to closing, and the purchaser has made a good faith effort to extend the commitment, sponsor must grant to such purchaser a right of rescission and a reasonable period of time to exercise the right.

Purchaser shall (i) make prompt application to the Institutional Lender, for such mortgage loan within five (5) days after the fully executed copy of the Purchase Agreement is given to Purchaser or Purchaser's attorney, (ii) furnish to the Institutional Lender accurate and complete information regarding Purchaser and members of Purchaser's family, as required, (iii) pay all fees, points and charges required in connection with such application and loan, (iv) pursue such application with diligence, and (v) cooperate in good faith with the Institutional Lender. **IF PURCHASER FAILS TO COMPLY WITH THESE OBLIGATIONS, PURCHASER SHALL BE DEEMED TO HAVE WAIVED PURCHASER'S RIGHT TO CANCEL THE PURCHASE AGREEMENT AND TO RECEIVE A REFUND OF THE DEPOSIT BY REASON OF THE CONTINGENCY.**

If the Institutional Lender denies Purchaser's application in writing prior to the Commitment Date or if no Commitment is issued by the Institutional Lender on or before the Commitment Date, then, provided that Purchaser has complied with all his obligations set forth in the preceding paragraph, Purchaser will have a right of rescission until the midnight of the fifteenth day following the Commitment Date. Purchaser or Purchaser's attorney must either [i] personally deliver a written notice of rescission to Sponsor's attorney prior to the midnight of said fifteenth day, [ii] mail the notice of rescission by certified or registered mail, return receipt requested, to Sponsor's attorney, so that mailing is post-marked by post-office prior to the midnight of said fifteenth day, or [iii] send the notice of rescission to Sponsor's attorney by an email set forth in the Purchase Agreement, prior to the midnight of said fifteenth day. If Purchaser fails to give timely notice of cancellation, then Purchaser will be deemed to have waived Purchaser's right to cancel the Purchase Agreement and to receive a refund of the deposit by reason of the contingency.

If a Commitment was issued but it lapsed or expired prior to the closing, Purchaser will make a good faith effort to extend the Commitment and pay all required costs, fees and expenses to extend the Commitment up to the closing. In no event whatsoever will Sponsor be liable for any costs, fees or expenses relating to the extension of the Commitment, even if the lapse or expiration of the Commitment resulted from a delay in the closing caused by Sponsor.

However, if a Commitment was issued but it lapsed or expired prior to the closing, and Purchaser has made a good faith effort to extend the Commitment, but the Institutional Lender nevertheless refused or failed to extend the Commitment, Purchaser will have a right of rescission until the midnight of the fifteenth day following notice from the Institutional Lender of its failure or refusal to extend the Commitment. Purchaser or Purchaser's attorney must either [i] personally deliver a written notice of rescission to Sponsor's attorney prior to the midnight of said fifteenth day, [ii] mail the notice of rescission by certified or registered mail, return receipt

requested, to Sponsor's attorney, so that mailing is post-marked by post-office prior to the midnight of said fifteenth day, or [iii] send the notice of rescission to Sponsor's attorney by an email set forth in the Purchase Agreement, prior to the midnight of said fifteenth day. If Purchaser fails to give timely notice of cancellation, then Purchaser will be deemed to have waived Purchaser's right to cancel the Purchase Agreement and to receive a refund of the deposit by reason of the contingency.

If Purchaser acts in good faith and the Institutional Lender revokes a Commitment after the Commitment Date, Purchaser will have a right of rescission until the midnight of the fifteenth day following notice from the Institutional Lender of its revocation of the Commitment. Purchaser or Purchaser's attorney must either [i] personally deliver a written notice of rescission to Sponsor's attorney prior to the midnight of said fifteenth day, [ii] mail the notice of rescission by certified or registered mail, return receipt requested, to Sponsor's attorney, so that mailing is post-marked by post-office prior to the midnight of said fifteenth day, or [iii] send the notice of rescission to Sponsor's attorney by an email set forth in the Purchase Agreement, prior to the midnight of said fifteenth day. If Purchaser fails to give timely notice of cancellation, then Purchaser will be deemed to have waived Purchaser's right to cancel the Purchase Agreement and to receive a refund of the deposit by reason of the contingency.

If a Commitment was issued but its terms were not materially and adversely changed prior to the closing, Purchaser shall nevertheless be required to purchase a Unit.

Purchasers are directed to Section 29 of the Purchase Agreement for a detailed explanation of the terms of the contingency.

If Purchaser does not want financing contingency, Purchaser may delete Section 29 of the Purchase Agreement at the time of its execution. If Purchaser deletes the financing contingency, any prospective Purchaser who executes a Purchase Agreement may lose his or her deposit if he or she is unable to otherwise raise the monies for the balance of the purchase price.

6. Closing of Title.

After the Plan has been declared effective Sponsor will fix dates for closing title to all Units for which Purchase Agreements have been executed by serving notice on each Purchaser stating the date of the first closing and setting such Purchaser's closing date. The closing date will be no earlier than thirty (30) days after the giving of the notice. However, Purchaser may waive this thirty (30) day requirement in the Purchase Agreement if a firm closing date is set forth in the Purchase Agreement, and such date is within thirty (30) days of the execution of the Purchase Agreement.

Sponsor anticipates that the first closing of a Residential Unit will occur by July 1, 2021. Purchasers will be offered a right of rescission if: (i) the actual date of closing of title to the first Residential Unit; or (ii) the projected date of closing of title to the first Residential Unit occurs later than June 30, 2022, twelve (12) months after the projected date for the first Residential Unit closing. If the Plan is amended to provide for a later projected date for the first Residential Unit closing, Purchasers will be entitled to an offer of rescission if the first Residential Unit closing

occurs more than twelve (12) months beyond that amended, later day. Purchasers who enter into a Purchase Agreement after the Plan has been amended to provide for a later date would be entitled to an offer of rescission if the first Unit closing occurs more than twelve (12) months beyond that amended, later day.

However, if the first Residential Unit closing occurs before June 30, 2022, Sponsor may schedule the closings of title to other Units significantly later than such date. Unless your Purchase Agreement contains an outside closing date, Sponsor is not obligated to schedule your closing within any specified time frame or to ensure that closing of title to your Unit will occur within any specified time frame or to ensure that closing of title to your Unit will occur by any date certain.

Purchasers should note that even if the first Residential Unit closing occurs on or before July 1, 2021, (or such other date projected as the date of commencement of the operation at the time the Purchase Agreement was entered into) or within the twelve (12) month period thereafter, the closing of subsequent Units may be substantially delayed beyond such dates if a TCO has not been issued for such Units or for the floor on which such Units are located. In such case, provided that Sponsor is diligently pursuing completion of construction and the issuance of a certificate of occupancy and is otherwise in compliance with its obligations under the Plan, Purchaser will not be entitled to a right of rescission or to make claims against Sponsor for damages or losses as a result of such delays and will not be excused from paying the full purchase price for the Unit. **PROSPECTIVE PURCHASERS SHOULD THEREFORE CAREFULLY CONSIDER THE POSSIBILITY OF SUCH DELAYS IN THEIR DETERMINATION AS TO WHETHER TO PURCHASE A UNIT.**

In the event however, Sponsor cannot convey title to the Unit on or before twenty four (24) months from the date of the Purchase Agreement, affected Purchasers will be afforded the right of rescission.

7. Rescission of the Purchase Agreement.

If (i) the actual date of closing of title to the first Residential Unit, or (ii) the projected date of closing of title to the first Residential Unit occurs later than June 30, 2022, twelve (12) months after the projected date for the first Residential Unit closing, Sponsor will offer all Purchasers a right of rescission until the midnight of the fifteenth day following receipt of Sponsor's offer to rescind. If the Plan is amended to provide for a later projected date for the first closing, and the first Residential Unit closing occurs more than twelve (12) months beyond that amended, later date, Sponsor will also offer all Purchasers a right of rescission until the midnight of the fifteenth day following receipt of Sponsor's offer to rescind. Purchaser or Purchaser's attorney must either [i] personally deliver a written notice of rescission to Sponsor's attorney prior to the midnight of said fifteenth day, [ii] mail the notice of rescission by certified or registered mail, return receipt requested, to Sponsor's attorney, so that mailing is post-marked by post-office prior to the midnight of said fifteenth day, or [iii] send the notice of rescission to Sponsor's attorney by an email set forth in the Purchase Agreement, prior to the midnight of said fifteenth day.

If the actual or projected date of the commencement of the first year condominium operations is delayed by more than six (6) months from the budget year projected in the Plan, Sponsor will amend the Plan to include a revised budget disclosing amended projections. If such amended projections exceed the original projections by 25% or more, Sponsor will offer all Purchasers a right of rescission until the midnight of the fifteenth day following receipt of Sponsor's offer to rescind. Purchaser or Purchaser's attorney must either [i] personally deliver a written notice of rescission to Sponsor's attorney prior to the midnight of said fifteenth day, [ii] mail the notice of rescission by certified or registered mail, return receipt requested, to Sponsor's attorney, so that mailing is post-marked by post-office prior to the midnight of said fifteenth day, or [iii] send the notice of rescission to Sponsor's attorney by an email set forth in the Purchase Agreement, prior to the midnight of said fifteenth day.

Purchaser have also a right to rescind the Purchase Agreement if financing contingency contained in Section 29 thereof is not satisfied. Purchasers are directed to Section 29 of the Purchase Agreement for a detailed explanation of the terms of the contingency.

Purchaser shall have also a right to rescind the Purchase Agreement if a mortgage commitment is not fulfilled through no fault of Purchaser. Purchasers are directed to Paragraph 9 "Financing Contingency" below and Section 29 of the Purchase Agreement for a detailed explanation of the terms of the contingency.

In the event however, Sponsor cannot convey title to the Unit on or before twenty four (24) months from the date of the Purchase Agreement, affected Purchasers will be afforded the right of rescission.

8. Power of Attorney.

At the closing of his or her Unit, Purchaser will execute and deliver to the Selling Agent or Sponsor a power of attorney to the Board of Managers in the form set forth in Part II of the Plan. The power of attorney will be executed and acknowledged by Purchaser in proper statutory form for recording. If Purchaser refuses to execute the power of attorney to the Board of Managers and deliver it to the Selling Agent or Sponsor at the closing of his or her Unit, Purchaser will be in a default under the Purchase Agreement and Sponsor will have the right to retain the deposit and actual costs incurred by Sponsor for any upgrades, extras, special or custom work in the Unit ordered by Purchaser, as and for liquidated damages.

9. Risk of Loss.

Prior to the first closing, the entire Building will be insured by Sponsor. After the first closing, the entire Building will be insured by the Condominium.

A person in possession who is not an owner cannot insure the unit since he or she has no ownership interest, and the unit cannot be doubly insured.

Risk of loss from fire or other casualty remains with Sponsor until legal title to the Unit has been conveyed to Purchaser, unless Purchaser, with the prior written consent of Sponsor,

takes possession of the Unit before the closing pursuant to an interim lease, if any. In such a case, Purchaser will assume risk of loss not covered by insurance.

Sponsor shall have no obligation or liability to repair or restore the Unit. If Sponsor elects to repair or restore the Unit, Sponsor shall notify Purchaser within sixty (60) days of the damage to the Unit and repair the damage within ninety (90) days of the notice. In the event Sponsor notifies Purchaser that it does not elect to repair or restore the Unit (which election shall be made within sixty (60) days of the damage to the Unit), or, if the Declaration has been recorded prior thereto and the Unit Owners do not resolve to make such repairs or restoration pursuant to the By-Laws, the Purchase Agreement shall be deemed cancelled and all monies paid on account of the purchase price, including any deposits made for upgrades, extras, special or custom work ordered by Purchaser, shall be returned to Purchaser within ten (10) days of Sponsor's notification to Purchaser that it does not elect to repair or restore the Unit or Unit Owners' notification that they do not intend to repair or restore the Unit pursuant to the By-Laws. Upon such return, neither party shall have any further rights, obligations or liability to or against the other and the parties shall be released and discharged from all obligations and liability under the Purchase Agreement and the Plan.

An interim lessee should confer with an insurance adviser regarding property and liability insurance.

10. Conflicts.

In the event of any inconsistency or conflict between the provisions of the Purchase Agreement and the Plan, the provisions of the Plan will govern and be binding.

11. Modification of the Purchase Agreement.

The Purchase Agreement may not contain or be modified to contain a provision waiving Purchaser's rights or abrogating Sponsor's obligations under Article 23-A of the General Business Law of the State of New York.

12. Broker.

The Purchase Agreement contains a provision that Purchase represents that Purchaser has not dealt with any broker in connection with this transaction other than the broker, if any, named in this Agreement, whose commissions shall be paid by Sponsor. Purchaser shall pay the commission of any broker with whom Purchaser may have dealt, other than the Broker. Purchaser agrees that, should any claim be made against Sponsor for commissions by any broker on account of any acts of Purchaser or Purchaser's representatives, Purchaser will indemnify and hold Sponsor free and harmless from and against any and all liabilities and expenses in connection therewith, including reasonable legal fees. The provisions of this provision shall survive the Closing. Please see Section 22 of the Purchase Agreement in Part II of the Plan.

13. Waiver of Jury Trial.

The Purchase Agreement contains a provision that except as prohibited by law, the parties shall, and they hereby do, expressly waive trial by jury in any litigation arising out of, or connected with, or relating to, the Purchase Agreement or the relationship created hereby or in the Plan. With respect to any matter for which a jury trial cannot be waived, the parties agree not to assert any such claim as a counterclaim in, nor move to consolidate such claim with, any action or proceeding in which a jury trial is waived. Please see Section 34 of the Purchase Agreement in Part II of the Plan.

14. Primary Residence Agreement.

At the closing of his or her Residential Unit, Purchaser will execute and deliver to the Selling Agent or Sponsor an agreement to maintain his or her Unit as primary residence for at least the first five (5) years of ownership.

ASSIGNMENT OF PURCHASE AGREEMENTS

Purchaser does not have the right to assign the Purchase Agreement without the prior written consent of Sponsor, which consent may be withheld for any reason. Any purported assignment by Purchaser in violation of the Purchase Agreement will be voidable at the option of Sponsor and be deemed a default of Purchaser. Sponsor's refusal to consent to an assignment will not entitle Purchaser to cancel the Purchase Agreement or give rise to any claim for damages against Sponsor. Sponsor will not charge a fee from Purchaser if it consents to an assignment.

Sponsor may not withhold permission for the assignment of the Purchase Agreement based upon race, creed, color, national origin, sex, age, disability, marital status or other grounds prohibited by law.

EFFECTIVE DATE

Sponsor's offer to sell the Units is contingent upon the Plan being declared effective and upon compliance with the relevant conditions and time periods described in the Plan. In declaring the Plan effective, the following will govern:

1. The Plan may be declared effective by:
 - (i) an amendment to the Plan or by
 - (ii) personal service or by commencement of service by mail in the manner required by 13 NYCRR §20.1(d) of a notice on each Purchaser stating that the Plan was declared effective on a particular date, the percentage used to declare the Plan effective and a list of the Units being counted to meet the minimum percentage under the terms of the Plan to declare it effective. Sponsor shall then submit an amendment to the Department of Law within five (5) days confirming that the Plan was declared effective on a specified date.

The closing of the first Unit will not occur until the Plan is declared effective and the effectiveness amendment is accepted for filing by the Department of Law.

Sponsor must comply with the requirements of 13 NYCRR §20.5(e) when submitting a post-closing amendment.

2. The Plan may not be declared effective unless bona fide Purchasers, including investors, have signed Purchase Agreements for at least 15% of the Residential Units offered under the Plan, which is equal to two (2) Residential Units. Four (4) Residential Units meet the 15% threshold but constitutes 25.00% of the Residential Units. The Parking Units may not be counted toward effectiveness.

3. The Plan will not be declared effective based on the Purchase Agreements:
 - (a) signed by Purchasers who have been granted a right of rescission that has not yet expired or been waived; or
 - (b) if Purchaser was not afforded at least three (3) business days to review the Plan and all filed amendments prior to executing the Purchase Agreement; or
 - (c) with any Purchaser who is Sponsor, the Selling Agent, or the managing agent or is a principal of Sponsor, the Selling Agent or the managing agent or is related to Sponsor, the Selling Agent, or the managing agent or to any principal of Sponsor or the Selling Agent or the managing agent by blood, marriage or adoption or as a business associate, an employee, a shareholder or a limited partner, except that such Purchaser other than Sponsor or a principal of Sponsor may be included if Sponsor has submitted proof satisfactory to the Department of Law establishing that Purchaser is bona fide.

The first Unit closing for purposes of tolling a 12-month period for commencement of the condominium operations must be for a Residential Unit.

4. The Plan must be declared effective when Purchase Agreements have been accepted by Sponsor for 80% or more of the Residential Units offered under the Plan, which is equal to seven (7) Residential Units. Seven (7) Residential Units meet the 80% threshold but constitutes 87.50% of the Residential Units.

5. If Sponsor, at its option, abandons the Plan before the Plan is declared effective, within five (5) days of the acceptance of the abandonment amendment, all monies paid by Purchasers will be refunded to them in full. Sponsor will promptly file an amendment together with the form RS-3 as promulgated by the Department of Law.

6. Sponsor may not abandon the Plan after effectiveness for any reason other than:

- (a) a defect in title which cannot be cured without litigation or cannot be cured for less than one-half of 1% of the total offering amount;
- (b) substantial damage or destruction of the Building by fire or other casualty which cannot be cured for less than one-half of 1% of the total offering amount;
- (c) the taking of any material portion of the Property by condemnation or eminent domain.

Said sum will exclude any attorneys' fees or any such title defects or determinations of any authority or regulatory association which exist on the date of presentation of the Plan and are either known to Sponsor or are a matter of public record.

7. Sponsor will re-declare the Plan effective if all Purchase Agreements counted towards effectiveness are either rescinded or terminated prior to the date of the first unit closing, regardless of whether the Condominium Declaration has been recorded.

TERMS OF SALE

The term "closing of title", "closing date", "closing" or words of similar import, whenever used herein, is intended to signify the passage of title to a particular Unit or Units from Sponsor to Purchasers thereof.

1. At the closing, Sponsor will deliver to Purchaser a bargain and sale deed with covenants against grantor's acts substantially in the form set forth in Part II of the Plan conveying to Purchaser title to the Unit free and clear of liens, encumbrances and title exceptions other than those described in the proposed Unit deed and set forth below. The deed will be executed and acknowledged by Sponsor and Purchaser in proper statutory form for recording.

2. Prior to the first closing, the entire Building will be insured by Sponsor. After the first closing, the entire Building will be insured by the Condominium.

A person in possession who is not an owner cannot insure the unit since he or she has no ownership interest, and the unit cannot be doubly insured.

If between the date of the Purchase Agreement and the closing of title the Unit is damaged by fire or other casualty, the following will apply.

Risk of loss from fire or other casualty remains with Sponsor until legal title to the Unit has been conveyed to Purchaser, unless Purchaser, with the prior written consent of Sponsor, takes possession of the Unit before the closing pursuant to an interim lease, if any. In such a case, Purchaser will assume risk of loss not covered by insurance.

Sponsor shall have no obligation or liability to repair or restore the Unit. If Sponsor elects to repair or restore the Unit (which election will be in its sole discretion and made within sixty (60) days of the damage to the Unit), the Purchase Agreement will continue in full force and effect, Purchaser will not have the right to reject title or receive a credit against, or abatement in, the purchase price, and Sponsor will repair the damage within ninety (90) days of the notice that Sponsor elects to repair or restore the Unit. Any proceeds received from insurance or in satisfaction of any claim or action in connection with such loss will, subject to the rights of the Board of Managers and other Unit Owners if the Declaration has theretofore been recorded, belong entirely to Sponsor and, if such proceeds are paid to Purchaser, Purchaser will promptly upon receipt thereof turn them over to Sponsor. The provisions of the preceding sentence will survive the closing of title.

In the event Sponsor notifies Purchaser that it does not elect to repair or restore the Unit (which election shall be made within sixty (60) days of the damage to the Unit), or, if the Declaration has been recorded prior thereto and the Unit Owners do not resolve to make such repairs or restoration pursuant to the By-Laws, the Purchaser Agreement shall be deemed cancelled and all monies paid on account of the purchase price, including any deposits made for upgrades, extras, special or custom work ordered by Purchaser, shall be returned to Purchaser within ten (10) days of Sponsor's notification to Purchaser that it does not elect to repair or restore the Unit or Unit Owners' notification that they do not intend to repair or restore the Unit.

pursuant to the By-Laws. Upon such return, neither party shall have any further rights, obligations or liability to or against the other and the parties shall be released and discharged from all obligations and liability under the Purchase Agreement and the Plan.

3. A closing will take place only concurrently with the issuance of a temporary or final certificate of occupancy for the entire project or, issuance of a partial, temporary or final certificate of occupancy for the Unit closed or the Building in which the Unit is located.

4. Title to each Unit and its Appurtenant Interest in the Common Elements will be conveyed at the closing free and clear of all liens, encumbrances and title exceptions other those described in the proposed Unit deed and set forth below:

- (a) Zoning laws and regulations and landmark, historic or wetlands designations which are not violated by the Unit and which are not violated by the Common Elements to the extent that access to or use of the Unit would be materially and adversely affected.
- (b) Consents for the erection of any structure or structures on, under or above any street or streets on which the Building may abut.
- (c) The terms, burdens, covenants, restrictions, conditions, easements and rules and regulations set forth in the Declaration, By-Laws and rules and regulations of the Condominium, the Power of Attorney to the Board of Managers of the Condominium and the Floor Plans of the Condominium, all as may be amended from time to time.
- (d) Rights of utility companies to lay, maintain, install and repair pipes, lines, poles, conduits, cable boxes and related equipment on, over and under the Building and Common Elements, provided that none of such rights imposes any monetary obligation on the owner of the Unit or materially interferes with the use of or access to the Unit.
- (e) Encroachments of stoops, areas, cellar steps, trim, cornices, lintels, window sills, awnings, canopies, ledges, fences, hedges, copings and retaining walls projecting from the Building over any street or highway or over any adjoining property and encroachments of similar elements projecting from adjoining property over the Common Elements.
- (f) Any state of facts which an accurate survey or personal inspection of the Building, Common Elements or Unit would disclose, provided that such facts do not render title unmarketable.
- (g) The lien of any unpaid common charge, real estate tax, water charge, sewer rent or vault charge, provided the same are paid or apportioned at the Closing.
- (h) The lien of any unpaid assessments to the extent of installments thereof payable after the closing.
- (i) Liens, encumbrances and title conditions affecting the Common Elements, which do not materially and adversely affect the rights of the Unit Owner to use and enjoy the Common Elements.
- (j) Notes or notices of violations of law or governmental orders, ordinances or requirements affecting the Building or the Common Elements (other

than the Unit), which the other Unit Owner or the Board of Managers of the Condominium are obligated to correct.

- (k) Standard exceptions contained in the form of fee title insurance policy then issued by the title insurance company insuring the Owner's title to the Unit.
- (l) Covenants and Restrictions as recorded in Liber 916 Page 53.
- (m) Right of Way Easement as recorded in Liber 1768 Page 342.
- (n) Declaration as recorded in Liber 913 Page 377.
- (o) Easement as shown on Tax Map.
- (p) Zoning Lot Description as recorded in Document 682180.
- (q) Zoning Lot Certificate as recorded in Document 682179.
- (r) The Restrictive Declaration to comply with the Affordable New York Housing Program codified in Section 421-a of the Real Property Tax Law of the State of New York, as may be amended from time to time.

In Zoning Lot Description, Sponsor certified that the zoning lot was the same as the Property. In Zoning Lot Certification, VLR Abstract Services, Inc., a title insurance agency authorized to issue title insurance policies in the State of New York, certified that Sponsor was the owner of the Property. Both documents were necessary for the Department of Buildings of the City of New York to issue a building permit for the construction of the Building.

5. All personal property located within the Unit on the date the Purchase Agreement is signed or located within the Common Elements on the date the Declaration is filed, that is owned by Sponsor is included in the conveyance unless specifically excepted in the Plan.

6. The Declaration, By-Laws and Floor Plans for the Condominium and such other documents, as required by law, will be recorded with the Office of the Register of the City of New York, the County of Richmond, prior to the first conveyance of title to a Unit in accordance with the Condominium Act.

7. At the time of conveyance of the first Unit, each mortgagee will either:

- (a) consent to the formation of the Condominium and acknowledge that its lien will be limited to the Unsold Units;
- (b) subordinate the lien of its mortgage to the Declaration of the Condominium; or
- (c) release its lien on the Unit being conveyed and its interest in the Common Elements.

8. The United States Financial Crimes Enforcement Network ("FinCEN") issued the Geographic Targeting Order ("GTO"), which requires title insurance companies to collect and report to FinCEN the personal identity of purchasers in residential real estate transactions in which:

- (1) the purchaser is a legal entity as defined in the GTO;
- (2) the purchaser purchases residential real property located in the Boroughs of Bronx, Brooklyn, Queens, Manhattan, and Staten Island;

- (3) the purchase price is \$300,000.00 or more;
- (4) such purchase is made without a bank loan or other similar form of external financing; and
- (5) such purchase is made, at least in part, using currency or a cashier's check, a certified check, a traveler's check, a personal check, a business check, a money order in any form, a funds transfer, or virtual currency.

The GTO defines "legal entity" as a corporation, limited liability company, partnership or other similar business entity, whether formed under the laws of a state or of the United States or a foreign jurisdiction.

As long as the GTO remains in effect, its reporting requirements apply to all residential real property closings meeting the above criteria and occurring on or after May 10, 2020.

UNIT CLOSING COSTS AND ADJUSTMENTS

1. Closing Costs

At the closing of title, each Purchaser of a Unit will be required to pay certain closing costs in addition to the legal fees of such Purchaser's counsel and the amount of any net credit in favor of Sponsor resulting from the closing adjustments described below. Such closing costs will include the following, the amounts of which are based on rates in effect on the date of the Plan and are subject to change without prior notice or amendment.

i. Owner's title insurance. If Purchaser elects to obtain owner's title insurance, Purchaser will be required to pay a premium therefor to a title insurance company. According to Title Insurance Rate Service Association, (hereinafter "TIRSA"), the owner's policy rates, after deducting 15% of the standard rates, are:

vi. Transfer taxes. Although Sponsor has a statutory obligation to pay the New York City and New York State real property transfer taxes, Sponsor is transferring said obligation to Purchasers. Purchasers will be required to pay the New York City real property transfer tax to the Department of Finance of the City of New York. The consideration is the purchase price of the Unit plus the New York City and New York State real property transfer taxes calculated on the amount of the purchase price.

vii. Document preparation fee. Purchaser will be required to pay the fee of \$2,950.00 to TSYNGAUZ & ASSOCIATES, P.C. for services rendered in connection with the preparation of the closing documents and the conduct of the closing. Purchaser will also be required to pay an additional fee \$250.00 to TSYNGAUZ & ASSOCIATES, P.C. if the closing takes place outside the office of Sponsor's counsel at Purchaser's request. Purchaser will also be required to pay an additional \$250.00 to TSYNGAUZ & ASSOCIATES, P.C. if Purchaser fails to close on the date set forth in the notice of closing.

viii. Reimbursement fee. Purchaser will be required to pay the fee of \$2,500.00 to Sponsor as partial reimbursement for the cost of preparing the Plan.

ix. Working capital fund contribution. Purchaser will be required to deposit the sum equal to two (2) months' Common Charges then applicable to each Unit being purchased with the Board of Managers for the initial contribution to the working capital fund.

The above closing costs are cumulative to the extent applicable to an individual Unit.

2. Mortgage Tax Credit

Section 339-ee(2) of the Real Property Law of the State of New York provides as follows:

“In the event the proceeds of a construction mortgage were applied to construction of a unit of condominium submitted to the provisions of this

article, or in the event that a Unit submitted to the provisions of this act was subject to a blanket mortgage, and a mortgage tax was duly paid on such construction or blanket mortgage in accordance with article eleven of the tax law, then, as each unit is first conveyed, there shall be allowed a credit against the mortgage recording taxes that would otherwise be payable on a purchase money mortgage, said credit to be in the amount resulting from the product of Purchaser's pro rata percentage of interest in the common elements and the mortgage tax already paid on the construction or blanket mortgage."

In the event that a mortgage tax credit becomes available, pursuant to the above section, it is specifically understood that such credit shall inure to the benefit of Sponsor. Accordingly, at the closing of title, each Purchaser obtaining financing secured by his or her Unit will be required to pay the full amount (but not in excess thereof) of the mortgage recording tax chargeable on the entire amount.

4. Closing Adjustments

At the closing of title to each Unit, the following adjustments shall be made as of the midnight of the day preceding the closing date with respect to the Unit:

- (a) real estate taxes and assessments, if any, on the basis of the period for which assessed;
- (b) Common Charges and assessments for the month in which title closes; and

- (c) if Purchaser is allowed to occupy the Unit prior to the closing, accrued occupancy fees and any other charges pursuant to an interim lease, if any, covering the Unit.

In the event that the Units have not been separately assessed for real estate tax purposes prior to the closing of title to the first Unit, Sponsor will place in escrow in the name of the Board of Managers an amount equal to the real estate taxes attributable to the Unsold Units, which will be levied against them for the six (6) month period following the first closing, or until the Units are separately assessed, whichever is sooner, and will collect at each Unit closing the estimated amount of taxes attributable to such Unit for the balance of the six (6) month period. The Board of Managers will pay the real estate taxes from the escrow account when taxes are due and payable and Sponsor will be entitled to reimbursement from Unit Owners to the extent of the actual assessment. If the Unit has not been separately assessed for real estate taxes as of the closing date for the then current tax period, the adjustment will be based upon the assessment for the Property and the percentage interest in the Common Elements appurtenant to the Unit. Installments for tax assessments due after delivery of the deed, if any, will be paid by Purchaser and will not be considered a defect in title.

Sponsor, in its initial post-closing amendment, will disclose whether or not Sponsor pre-paid the real estate taxes and the amount of the funds deposited in escrow for the payment of the real estate taxes.

THE ENTIRE CONTENTS OF THIS SECTION, AS SAME MAY BE REVISED OR AMENDED, WILL BE DEEMED TO BE INCORPORATED IN THE PURCHASE AGREEMENT FOR EACH UNIT.

RIGHTS AND OBLIGATIONS OF SPONSOR

1. Sponsor will endeavor, in good faith, to sell in a reasonably timely manner, all Residential Units to Purchasers for residence purposes. Sponsor's good faith effort to sell to Purchasers will include listing Unsold Units with brokers, showing Unsold Units to broker and prospective Purchasers or their representatives, filing update amendments to the Plan and otherwise engaging in customary sales activities.

Sponsor will not rent Residential Units.

There are no obligations imposed on Sponsor by Colorado Federal Savings Bank with regard to selling or renting the Units except for a required payment per sale set forth in Paragraph 9 below.

2. Sponsor will defend any suits or proceedings arising out of Sponsor's acts, omissions or representations and indemnify the Board of Managers and the Unit Owners.

All obligations pertaining to the Common Elements shall be enforceable only by the Board of Managers on behalf of the Unit Owners and not by the individual Unit Owners. However, nothing herein shall prevent an individual Unit Owner from bringing an action in the nature of a derivative action. During the time Sponsor controls the Board of Managers, it is within its sole power to enforce the obligations of Sponsor pertaining to the Common Elements, and therefore, Sponsor agrees that during such period it will in its capacity as the Board of Managers, enforce such obligations when required to do so by a resolution duly passed by a majority of the Unit Owners, excluding Sponsor, at a special meeting of the Unit Owners called for such purposes. Sponsor has a fiduciary duty to act in the best interest of the Condominium, even during the time it controls the Board of Managers.

3. All representations under the Plan, all obligations pursuant to the New York General Business Law and such additional obligations under the Plan, which are to be performed by Sponsor subsequent to the closing date, will survive delivery of any Unit deed.

4. Sponsor will pay all Common Charges, special assessments and real estate taxes with respect to Unsold Units. Sponsor represents that Sponsor has the financial resources to meet its obligations with respect to Unsold Units. Sponsor will fund its financial obligations to the Condominium from its own existing capital. No bond or other security has been posted to secure Sponsor's obligations under the Plan.

5. Sponsor shall have no obligation or liability to repair or restore the Unit damaged by fire or other casualty that occurs before closing of a Purchaser's Unit.

If Sponsor elects to repair or restore the Unit (which election will be in its sole discretion and made within sixty (60) days of the damage to the Unit), the Purchase Agreement will continue in full force and effect, Purchaser will not have the right to reject title or receive a credit against, or abatement in, the purchase price, and Sponsor will be entitled to a reasonable period of time within which to complete the repair or restoration. Any proceeds received from insurance or in satisfaction of any claim or action in connection with such loss will, subject to the

rights of the Board of Managers and other Unit Owners if the Declaration has theretofore been recorded, belong entirely to Sponsor and, if such proceeds are paid to Purchaser, Purchaser will promptly upon receipt thereof turn them over to Sponsor. The provisions of the preceding sentence will survive the closing of title.

In the event Sponsor notifies Purchaser that it does not elect to repair or restore the Unit (which election shall be made within sixty (60) days of the damage to the Unit), or, if the Declaration has been recorded prior thereto and the Unit Owners do not resolve to make such repairs or restoration pursuant to the By-Laws, the Purchase Agreement shall be deemed cancelled and all monies paid on account of the purchase price, including any deposits made for upgrades, extras, special or custom work ordered by Purchaser, shall be returned to Purchaser within ten (10) days of Sponsor's notification to Purchaser that it does not elect to repair or restore the Unit or Unit Owners' notification that they do not intend to repair or restore the Unit pursuant to the By-Laws. Upon such return, neither party shall have any further rights, obligations or liability to or against the other and the parties shall be released and discharged from all obligations and liability under the Purchase Agreement and the Plan.

6. Sponsor will procure fire and casualty insurance pursuant to an agreed amount replacement value policy or in an amount sufficient to avoid co-insurance, as reflected in Schedule B.

7. In the event of the dissolution or liquidation of Sponsor or the transfer of 20% or more of the total number of the Units, i.e. eight (8) Units in the Condominium, the principal of Sponsor will provide financially responsible entities or individuals who will assume the status and all of the obligations of Sponsor for those Units under the Plan, applicable law or regulations.

8. Sponsor does not intend to make a bulk sale of all or some of its Unsold Units. However, if Sponsor does make a bulk sale of all or some of its Unsold Units, the transferee will be bound by Sponsor's representations regarding its commitment to sell Units.

If Sponsor makes a bulk sale, the transferee will not only be bound by Sponsor's representation to regarding its commitment to sell Units, but also the obligations under this Plan with respect to those Units.

For purposes of this Paragraph, "bulk sale" shall mean a sale of at least two (2) Residential Units to one Purchaser, which are not purchased for occupancy by the owner or one or more members of his or her immediate family.

9. Sponsor has obtained the building loan in the sum of \$3,950,000.00 (the "Loan") from Colorado Federal Savings Bank, having an address at 8400 East Prentice Avenue, Suite 840, Greenwood Village, Colorado 80111, (hereinafter called "Colorado Federal").

Pursuant to the Loan documents, upon the sale of a Unit, Sponsor shall be entitled to a release of the Unit from the lien of Colorado Federal's mortgage immediately upon receipt of payment equal to one hundred percent (100%) of the net sale proceeds of the Unit, which are

defined as the gross proceeds of sale of the Unit, less (i) all applicable transfer taxes, (ii) title, recording and other closing costs, (iii) real estate broker's commissions, and (iv) reasonable attorney's fees.

Except for a required payment per sale stated above, Colorado Federal did not establish any terms pertaining to Sponsor's obligation to market the Units for sale, including any minimum number or percentage of Units which must be under contract before the Plan can be declared effective. Nor did Colorado Federal impose limits or requirements for Sponsor to rent rather than sell the Units under specified market conditions.

10. Sponsor will complete construction of the Building in accordance with the building plans and specifications identified in the Plan. Sponsor has the right to substitute equipment or materials and make modifications of layout or design of the Units, provided however, that Sponsor may not:

- (a) substitute equipment or materials of lesser quality or design; or
- (b) change the size or location of the Building or the Units other improvements or Common Elements if such changes affect the percentage of Common Interests or adversely affect the value of any Unit to which title has closed or for which a Purchase Agreement has been executed and is in effect unless all affected Unit Owners consent in writing to such change and all affected contract vendees are given the right to rescind their Purchase Agreements and receive a refund of any deposit or downpayment thereunder.

Substitutions will be made as long as such substitutions are for "equal or better quality", which shall be defined here and in "Definition" Section of the Plan:

"Equal to or Better Quality" shall mean comparable or better quality as recognized by industry standards for performance, efficiency, longevity, and/or classifications, as applicable.

11. Sponsor finished the construction of the Building. The New York City Department of Buildings issued a final certificate of occupancy on April 6, 2020.

12. The Housing Merchant Implied Warranty, as required by Article 36-B of the General Business Law of the State of New York, applies to this offering. The complete text of Article 36-B is reprinted in Part II of the Plan.

The Housing Merchant Implied Warranty means that:

- a. one year from and after the warranty date the Unit will be free from defects due to a failure to have been constructed in a skillful manner;
- b. two years from and after the warranty date the plumbing, electrical, heating, cooling and ventilation systems of the Unit will be free from defects due to a failure by Sponsor to have installed such systems in a skillful manner; and

- c. six years from and after the warranty date the Unit will be free from material defects.

The Housing Merchant Implied Warranty, however, does not extend to:

- a. any defect that does not constitute (i) defective workmanship by Sponsor or by an agent, employee or subcontractor of Sponsor, (ii) defective materials supplied by Sponsor or by an agent, employee or subcontractor of Sponsor, or (iii) defective design provided by a design professional retained exclusively by Sponsor; or
- b. any patent defect which an examination ought in the circumstances to have revealed, when Purchaser before taking title or accepting construction as complete has examined the Unit as fully as Purchaser desired, or has refused to examine the Unit.

Sponsor has chosen to limit its liability and limit extent of items covered under the Housing Merchant Implied Warranty.

Sponsor will provide the Limited Warranty as required by Section 777-b of Article 36-B. The Limited Warranty limits the Housing Merchant Implied Warranty by limiting Sponsor's liability for its breach. Sponsor's limit of liability under the Limited Warranty for each Residential Unit is 75% of its purchase price. The complete text of the Limited Warranty offered by Sponsor is reprinted in Part II of the Plan.

Sponsor is not providing any warranty other than the Limited Warranty.

NO DISCLAIMER OR LIMITATION OF LIABILITY ON SPONSOR'S PART SHALL APPLY TO SPONSOR'S OBLIGATIONS UNDER ALL APPLICABLE STATUTES, LAWS AND REGULATIONS.

The Warranty Period applicable to a Unit begins on the date that the Purchaser or member of the Purchaser's family takes title to the Unit or any person begins residential occupancy of the Unit, whichever date is earlier, (hereinafter called the "Warranty Date"). It ends at the expiration of the coverages shown below:

FIRST YEAR BASIC COVERAGE: For one year from the Warranty Date, the Unit will be free from latent defects that constitute:

- (a) defective workmanship performed by the Sponsor, an agent of the Sponsor or subcontractor of the Sponsor;
- (b) defective materials provided by the Sponsor, an agent of the Sponsor or subcontractor of the Sponsor; or
- (c) defective design, provided by an architect, landscape architect, engineer, surveyor, or other design professional engaged solely by the Sponsor.

Workmanship, materials, and design will be considered to be defective if they fail to meet or exceed the relevant standards and specifications of the Building Code of the City of New York.

TWO YEAR MAJOR SYSTEM COVERAGE: For two years from the Warranty Date, the Plumbing, Electrical, Heating, Cooling and Ventilation Systems of the Unit which have been installed by the Sponsor are warranted to be free from latent defects that constitute defective installation by the Sponsor.

Installation will be considered to be defective if Sponsor's workmanship upon the installation fails to meet the relevant standards and specifications of the Building Code of the City of New York or if it fails to meet the accepted standards, if any.

The Plumbing System means: gas supply lines and fittings; water supply, waste and vent pipes and their fittings; water, gas and sewer service piping, and their extensions to the tie-in of a public utility connection.

The Electrical System means: all wiring, electrical boxes, switches, outlets and connections up to the public utility connection.

The Heating, Cooling and Ventilation System means: all duct work, steam, water and refrigerant lines, registers, convectors, radiation elements and dampers.

All systems are exclusive of appliances, fixtures and items of equipment.

SIX YEAR MAJOR STRUCTURAL DEFECT COVERAGE: For six years from the Warranty Date, the Unit will be free from latent defects that are Major Structural Defects, as defined below, and that constitute:

- (a) defective workmanship performed by the Sponsor, an agent of the Sponsor or subcontractor of the Sponsor;
- (b) defective materials provided by the Sponsor, an agent of the Sponsor or subcontractor of the Sponsor; or
- (c) defective design, provided by an architect, landscape architect, engineer, surveyor, or other design professional engaged solely by the Sponsor.

Workmanship, materials, and design will be considered to be defective if they fail to meet the relevant standards and specifications of the Building Code of the City of New York or if they fail to meet the accepted standards, if any.

A Major Structural Defect is a defect resulting in actual physical damage to the following load-bearing portions of the Unit caused by failure of such load-bearing portions which affects their load-bearing functions to the extent that the Unit becomes unsafe, unsanitary or otherwise unlivable; foundation systems and footings, beams, girders, lintels, columns, walls and partitions, floor systems, and roof framing systems.

The Sponsor's obligation, regardless of any limitations in the warranty or in the Plan, is to construct the Building and the Units in accordance with all applicable codes and plans and specifications. Any conflict between the disclaimers and the Sponsor's obligation to construct the Building and the Units in accordance with all applicable codes and plans and specifications shall be resolved in favor of the latter.

At or prior to the closing of the Unit, Sponsor will assign any manufacturer's warranties with respect to equipment and appliances installed in the Unit to the Unit Owner and assign any warranties with respect to roof, equipment and appliances installed in the Common Elements to the Board of Managers.

Neither Sponsor nor its principals, managers, members, agents, designees or affiliates make any representation as to which, if any, of the manufacturer's warranties will continue to remain in force upon the closing. If any warrantor is unable to perform under its warranty due to inability, unwillingness or any other reason, neither Sponsor nor its principals, managers, members, agents, designees or affiliates shall under any circumstances be considered a successor warrantor. Neither Sponsor nor its principals, managers, members, agents, designees or affiliates shall have any obligations or responsibilities with respect to such warranties, or the work or item warranted, even if the warrantor goes out of business, declares bankruptcy or simply fails to fulfill the conditions of the warranty. Recourse is only to the warrantor and not to Sponsor, its principals, managers, members, agents, designees or affiliates. Sponsor is not providing representations regarding manufacturers' warranties.

Sponsor will construct the Building in accordance with all plans and specifications identified in the Plan.

13. Although the expected life span of the roof is ten (10) years, Sponsor is not providing a NDL manufacturer's warranty for the new roof. This is a red flag, which indicates that most likely the roof membrane and components were not installed in accordance with the manufacturer's specifications. As such, premature deterioration, roof leaks and replacement of the roof membrane are to be anticipated and budgeted for.

14. Sponsor will pay for the authorized and proper work involved in the construction and establishment and sale of the Condominium that Sponsor is obligated to complete under the Plan. Sponsor will cause all mechanics liens with respect to such construction to be promptly discharged or bonded.

15. Sponsor will deliver a set of "as-built" plans to the Board of Managers.

16. No bond or other security has been furnished to secure Sponsor's obligations including Sponsor's obligations to complete construction of the Condominium.

17. Sponsor's Rights of Access, Alterations, Repairs.

Sponsor, Sponsor-designees, successors, assigns, invitees, licensees, contractors, employees and tenants will have an easement in, on, over and across the Property for:

- (a) construction, installation and development thereon, and for the construction and installation, ingress to and egress from, and use of (including the right to connect with) all pipes, conduits, ducts, cables, wires, storm drainage facilities, water, sewer and other utility lines for the benefit of the Property, and
- (b) construction and installation, ingress to and egress from and the right to use (in common with Unit Owners) all storm drainage facilities, water, sewer and other utility lines, pipes, conduits, flues, ducts, wires and cables, and
- (c) ingress to and egress from all land areas of the Property and the use of said land areas (in common with Unit Owners) for any lawful purpose.

Sponsor, Sponsor-designees, successors, assigns, invitees, licensees, contractors, employees and tenants:

- (a) will have an easement to erect, maintain, repair and replace from time to time one or more signs on the Building and elsewhere on the Property for the purposes of advertising the sale of Units and the leasing of space in any Unit as well as an easement in and access to Units and Common Elements consistent with the purposes of the Plan, as same may be amended, and Sponsor's rights and obligations thereunder, including, without limitation, the right to develop, renovate, maintain, repair, refurbish, offer, sell and lease Units and Common Elements and
- (b) reserve the right to establish, grant and create easements for any additional underground electric transformer, amplifier, gas, cable television, telephone, water, storm drainage, sewer or other utility lines and appurtenances in, under and through the Property, including, without limitation, an easement or easements for the benefit of any property adjacent to the Property, to relocate any existing utility easements in any portion of the Property and to dedicate any or all of such facilities to any governmental body, public benefit corporation or utility company if Sponsor, Sponsor-designees, successors, assigns, invitees, licensees, contractors, employees and tenants shall deem it necessary or desirable for the proper operation and maintenance of the Property or any portion thereof, or for the general health or welfare of any Unit Owner, or the residents of any property adjacent to the Property, or users of any recreation facilities, if any, provided that such additional utilities or the relocation of existing utilities will not prevent or unreasonably interfere with the use of the Units for its intended purpose. Any utility company or public benefit corporation furnishing services to the Property, and the employees and agents of any such company or corporation, shall have the right of access to any Unit, to the Common Elements or the Limited Common Elements in furtherance of such easements, provided such right of access is exercised in such a manner as not unreasonably to interfere

with the use of the Units, and provided that affected Purchasers are given at least seven (7) day prior written notice of such access.

All Purchasers, affected by Sponsor's right to access any Unit, will be given at least seven (7) day prior written notice of such access.

Sponsor, Sponsor-designees, successors, assigns, invitees, licensees, contractors, employees and tenants will have the responsibility of repairing any damage resulting therefrom.

Moreover, Purchasers will be required to provide Sponsor with reasonable access to their Unit subsequent to the closing in order to complete punch-list work.

18. Disclaimers or limitations of liability on the part of Sponsor or its principals for failure to perform any obligations imposed by applicable statute or regulation may not be included.

19. This Plan does not include any financial limitation on the Sponsor's liability for failure to perform its obligations under the Plan.

CONTROL BY SPONSOR

Title to all Units, which have not been sold, will remain with Sponsor or Sponsor-designee until such Units will thereafter be sold to bona fide Purchasers.

Sponsor or Sponsor-designee will retain voting control of the Board of Managers for three (3) years after the closing of title to the first Unit or whenever the Unsold Units constitute less than 50% of the Common Interests, whichever is sooner.

Sponsor or Sponsor-designee, during the time there are Unsold Units, will have the right to, and intends to, vote the percentage of Common Interests allocated to such Units, but subsequent to its relinquishing voting control of the Board of Managers Sponsor will not use such vote to elect a particular individual to the Board of Managers, which would, by the election of such individual, give Sponsor voting control of the Board. So long as Sponsor or Sponsor-designee will continue to own Unsold Units Sponsor or Sponsor-designee will have the right to collectively elect one (1) member of the Board of Managers.

A special meeting of the Unit Owners will be held to elect new members of the Board of Managers unrelated to Sponsor subject to the Sponsor's right to elect one member of the Board, as stated above, within thirty (30) days of the expiration of the control period. Sponsor will call the meeting by mailing a notice of the meeting, at least ten (10) days but not more than thirty (30) days prior to such meeting, stating the purpose thereof as well as the time and place where it is to be held, to each Unit Owner of record, at the Building or at such other address as such Unit Owner shall have designated by notice in writing to Sponsor.

[i] For a period of five (5) years following the closing date of the first Unit, or [ii] so long as Sponsor or any Sponsor-designee, separately, will continue to own Units, the percentage Common Interest of which, in the aggregate, equals more than 25%, whichever is earlier, the Board of Managers may not, without Sponsor's or Sponsor-designee's prior written consent, as the case may be:

- (a) increase the number, or change the type, of employees provided for in Schedule B,
- (b) make any addition, alteration or improvement to the Common Elements or to any Unit,
- (c) assess any Common Charge for the creation of, addition to or replacement of all or part of a reserve, contingency or surplus fund, except that Sponsor will consent to replacements to the contingency fund provided for in Schedule B of the Plan for the Property to the extent that the aggregate amount of such fund does not exceed 10% of the budgeted expenses of the Condominium,
- (d) borrow money on behalf of the Condominium (except where necessary to perform work required by applicable law or regulations, or remedy violations or a mortgagee's work order(s) to the extent that existing reserves are insufficient).

Sponsor and Sponsor-designee are entitled to the rights described herein collectively. If both Sponsor and Sponsor-designee, collectively, continue to own Units, the percentage Common Interest of which, in the aggregate, equals more than 25%, they are both entitled to veto power.

As long as Sponsor or any Sponsor-designee will continue to own a Unit, the Board of Managers may not, without the prior written consent of Sponsor or Sponsor-designee:

- (a) amend the Declaration, the By-Laws or the Rules and Regulations attached hereto so as to limit in any way or eliminate rights of Sponsor or Sponsor-designee under the Declaration, the By-Laws or the Rules and Regulations attached hereto; or
- (b) interfere with the offer and sale or leasing of Units or the operation of general, sales or leasing offices at the Property or interfere with actions necessary for construction, renovation, repair or correction at the Property, as required by Sponsor or Sponsor-designee.

Sponsor or Sponsor-designee will have the right to withhold its consent to any of the foregoing actions.

However, notwithstanding the above restrictions, Sponsor or Sponsor-designee may not exercise veto power over expenses described in Schedule B, or over expenses required:

- (a) to comply with applicable laws or regulations;
- (b) to remedy any notice of violation;
- (c) to remedy any work order by an insurer; or
- (d) to preserve the safety of the Building or the safety and health of its occupants.

The By-Laws of the Condominium contain a provision that after the expiration of initial sponsor voting control period, a majority of the Board of Managers must be owner-occupants or members of an owner-occupant's household who are unrelated to Sponsor and its principals.

BOARD OF MANAGERS

The affairs of the Condominium will be governed by the Board of Managers in accordance with the By-Laws set forth in Part II of the Plan.

After the first meeting of Unit Owners, the number of Managers, which will constitute the whole Board of Managers, will be three (3). Until succeeded by the Managers elected at the first meeting of Unit Owners called for such purpose, Managers need not be Unit Owners. Thereafter, all Managers, other than representatives of Sponsor, will be individuals over 18 years of age who are either a Unit Owner or his or her spouse or a domestic partner residing in the Unit, or a partner in a partnership, if the partnership is a Unit Owner, or a principal of a corporation, association, trust or other legal entity that may legally own real property in the State of New York, if such entity is a Unit Owner. The Managers will be elected by the Unit Owners at their annual meetings. There will always be an odd number of Managers.

The Managers will be elected by the Unit Owners at their annual meetings. There will always be an odd number of Managers.

Managers designated by Sponsor will serve until the election and qualification of Managers elected at the first meeting of Unit Owners. Managers elected at the first meeting of Unit Owners, and at meetings subsequent thereto, will serve until the next annual meeting of Unit Owners and until the election and qualification of their respective successors.

Until the first meeting of Unit Owners, the Board of Managers will consist of two (2) members designated by Sponsor. The members will be Vyacheslav Faybyshev and Yuriy Pertsovsky. They all are principals of Sponsor.

After the expiration of initial sponsor voting control period, a majority of the Board of Managers must be owner-occupants or members of an owner-occupant's household who are unrelated to Sponsor and its principals.

Within thirty (30) days after the closing of title to the Units whose aggregate Common Interest equals more than 50%, or three (3) years after the first closing, whichever is sooner, Sponsor will call the first meeting of Unit Owners for the purpose of electing a Board of Managers pursuant to Section 1 of Article III of the By-Laws. At such meeting, the first Board of Managers will resign and a new Board will be elected by the Unit Owners. Thereafter, annual meetings will be held on or about the anniversary of such date each succeeding year. At such meetings, there will be elected by ballot of the Unit Owners a Board of Managers in accordance with the requirements of Article II of the By-Laws.

No member of the Board of Managers will receive any salary or compensation from the Condominium for his or her services as Manager.

The Board of Managers may not be prohibited from removing members for cause. Any one or more of the members of the Board Members may be removed for cause by the affirmative vote of the remaining members of the Board of Managers at any regular or special meeting of the

Board of Managers, pursuant to Section 5 of Article II of the By-Laws. Any member of the Board of Managers whose removal has been proposed shall be given an opportunity to be heard at the meeting.

Any one or more of the members of the Board Members may be removed without cause by the affirmative vote of Unit Owners whose aggregate Common Interest exceed 50% of the Common Interest of the Condominium at any regular or special meeting of Unit Owners, pursuant to Section 5 of Article II of the By-Laws.

If a member of the Board of Managers ceases to be a Unit Owner, the principal or officer of a Unit Owner or the spouse of a Unit Owner, unless such member is Sponsor or Sponsor-designee, he or she shall be deemed to have resigned, effective as of the date such ownership interest ceased.

If a member of the Board of Managers designated by Sponsor or Sponsor-designee is removed by either the Board of Managers or Unit Owners, then only Sponsor or Sponsor-designee shall have the right to designate a replacement.

The Owner or Owners of each Unit, or some person designated by such Owner or Owners to act as proxy on their behalf, who need not be an Owner, will be entitled to cast the votes appurtenant to such Unit at all meetings of Unit Owners. The designation of any such proxy will be made in writing but need not be acknowledged or witnessed and will be filed with the Secretary at or previous to the time of the meeting and will be revocable at any time by written notice to the Secretary by the Owner or Owners so designating. Any or all of such Owners may be present at any meeting of Unit Owners. The Owners of each Unit (including Sponsor or Sponsor-designee, if Sponsor or Sponsor-designee will then own one or more Units) will be entitled to cast one vote for each 1% of interest in the Common Elements attributable to the Unit or Units owned by them on all matters put to a vote at all meetings of Unit Owners; except that, when voting for the election of members of the Board of Managers, each Unit Owner: (i) will be entitled to one vote for each 0.01% of Common Interest attributable to his or her Unit per member to be elected, and (ii) will not have the right to cumulate his or her votes in favor of any one or more members to be elected. If one or more Units are owned by more than one person as joint tenants, tenants-in-common, tenants by the entirety or in the name of a corporation or partnership or other entity permitted for herein, the persons owning said Unit will agree among themselves and cast the votes for their Unit. A fiduciary will be the voting member with respect to any Unit in a fiduciary capacity. Any Unit or Units owned by the Board of Managers or its designee, corporate or otherwise will not be entitled to vote.

The members of the Board of Managers will not be liable to the Unit Owners for any mistake of judgment, negligence, or otherwise, except for their own individual willful misconduct or bad faith. The Unit Owners will severally indemnify and hold harmless each of the members of the Board of Managers against any liability or claims except those arising out of the bad faith or willful misconduct of the members of the Board of Managers. A Unit Owner's liability is limited to such proportionate share of the total liability as the Common Interests of such Unit Owner bear to the aggregate Common Interest of all Unit Owners and such Unit Owner's interest in his or her Unit's and its appurtenant Common Interest, unless otherwise

provided by law. It is intended that the members of the Board of Managers will have no personal liability with respect to any contract made by them on behalf of the Condominium within the scope of their authority. It is possible that the original Board of Managers may contract with Sponsor and affiliated corporations without fear of being charged with self-dealing, however the Board shall at all times uphold its fiduciary duty to the Unit Owners, notwithstanding anything to the contrary. It is also intended that the liability of any Unit Owner arising out of any contract made by the Board of Managers or out of the aforesaid indemnity in favor of the members of the Board of Managers will be limited to such proportion of the total liability thereunder as his or her interest in the Common Elements bears to the interests of all the Unit Owners in the Common Elements. Every agreement made by the Board of Managers or by the managing agent or by the manager, on behalf of the Condominium, will provide that the members of the Board of Managers, or the managing agent, or the manager, as the case may be, are acting only as agent for the Unit Owners and will have no personal liability thereunder (except as Unit Owners), and that each Unit Owner's liability thereunder will be limited to such proportion of the total liability thereunder as his or her interest in the Common Elements bears to the interest of all Unit Owners in the Common Elements.

The principal officers of the Condominium will be the President, the Vice President, the Secretary and the Treasurer, all of whom will be elected by the Board of Managers. The Board of Managers may appoint an Assistant Treasurer, an Assistant Secretary, and such other officers as in its judgment may be necessary. The President and Vice President, but no other officers, each must be both a member of the Board of Managers and either a Unit Owner, the principal or officer of a Unit Owner, or the spouse of a Unit Owner.

The officers of the Condominium will be elected annually by the Board of Managers at the organization meeting of each new Board of Managers and will hold office at the pleasure of the Board of Managers and until their successors are elected.

The President will be the chief executive officer of the Condominium. He will preside at all meetings of the Unit Owners and of the Board of Managers. He will have all of the general powers and duties which are incident to the office of president of a stock corporation organized under the Business Corporation Law of the State of New York, including but not limited to, the power to appoint members of committees created by the Board of Managers from among the Unit Owners from time to time as he may in his discretion decide is appropriate to assist in the conduct of the affairs of the Condominium.

The Vice President will take the place of the President and perform his duties whenever the President will be absent or unable to act. If neither the President nor the Vice President is able to act, the Board of Managers will appoint some other member of the Board of Managers to act in the place of the President, on an interim basis. The Vice President will also perform such other duties as will from time to time be imposed upon him by the Board of Managers or by the President.

The Secretary will keep the minutes of all meetings of the Unit Owners and of the Board of Managers; he will have charge of such books and papers as the Board of Managers may

direct; and he will in general perform all the duties incident to the office of secretary of a stock corporation organized under the Business Corporation Law of the State of New York.

The Treasurer will have the responsibility for Condominium funds and securities and will be responsible for keeping full and accurate financial records and books of account showing all receipts and disbursements and for the preparation of all required financial data. He will be responsible for the deposit of all moneys and other valuable effects in the name of the Board of Managers, or the managing agent, in such depositories as may from time to time be designated by the Board of Managers, and he will, in general, perform all the duties incident to the office of treasurer of a stock corporation organized under the Business Corporation Law of the State of New York.

The officers of the Condominium will have the same rights and liabilities as the members of the Board of Managers.

No officer or member of the Board of Managers will receive any salary or compensation from the Condominium for his or her services as Officer and Manager.

Special meetings of the Board of Managers may be called by the President on three (3) business days' notice to each member of the Board of Managers. Notice of special meetings will be given by mail or personal delivery to each member of the Board of Managers and will state the time, place and purpose of the meeting. Special meetings of the Board of Managers will be called by the President or Secretary in like manner and on like notice on the written request of at least two (2) members of the Board of Managers.

Upon the affirmative vote of a majority of the members of the Board of Managers, any officer may be removed, either with or without cause, and his or her successor may be elected at any regular meeting of the Board of Managers, or at any special meeting of the Board of Managers called for such purpose.

It will be the duty of the President to call a special meeting of the Unit Owners as directed by the Board of Managers or upon a petition signed by a majority of the Unit Owners as defined in Section 9 of Article III of the By-Laws having been presented to the Secretary.

It will be the duty of the Secretary to mail a notice of each annual or special meeting of the Unit Owners, at least ten (10) but not more than thirty (30) days prior to such meeting, stating the purpose thereof as well as the time and place where it is to be held, to each Unit Owner of record, at the building or at such other address as such Unit Owner will have designated by notice in writing to the Secretary.

At any regular or special meeting of Unit Owners, any one or more of the members of the Board of Managers may be removed without cause by the affirmative vote of Unit Owners whose aggregate Common Interest exceeds 50% of the Common Interest of the Condominium, and a successor may then and there or thereafter be elected to fill the vacancy thus created. If a member of the Board of Managers ceases to be a Unit Owner, the principal or officer of a Unit

Owner or the spouse of a Unit Owner, unless such member is Sponsor or Sponsor-designee, he or she will be deemed to have resigned, effective as of the date such ownership interest ceased.

The By-Laws may be modified or amended by the vote of 66 2/3% in number and in Common Interest of all Unit Owners at a meeting of Unit Owners duly held for such purpose. No amendment of a material adverse nature to mortgagees will be made unless agreed to by mortgagees that represent at least 51% of the votes of units that are subject to mortgages. A mortgagee will be deemed to have consented to any amendment, which requires the consent of such mortgagee when the mortgagee fails to submit a response to any written proposal for an amendment within sixty (60) days after it receives proper notice of the proposal, provided that the notice was delivered by certified or registered mail, with a "return receipt" requested. However, for as long as Sponsor or Sponsor-designee remains the Owner of one or more Units, the By-Laws, including the Rules and Regulations of the Condominium attached hereto, may not be amended or modified in any way so as to adversely affect Sponsor or Sponsor-designee, in Sponsor's sole discretion, without Sponsor's prior written consent.

This Declaration may be amended, modified, added to or deleted from by the affirmative vote of at least 66 2/3% in number and in Common Interest of all Unit Owners, cast in person or by proxy at a meeting duly held in accordance with the provisions of the By-Laws, or in lieu of a meeting, any amendment may be approved, in writing by 66 2/3% in number and in Common Interest of all Unit Owners, provided, however:

- (a) no amendment which will change the percentage of Common Interests allocated to any Unit or Units may be made without the written consent of such Owner(s); no amendment which will increase the percentage of Common Interests allocated to any Unit or Units may be made without the written consent of the mortgagees of such Unit, or Units, if any;
- (b) no amendment, modification, addition or deletion of or to the Declaration will be effective in any respect against Sponsor, Sponsor-designee, or any Unsold Unit until Sponsor or such designee will consent thereto in writing;
- (c) no amendment of a material adverse nature to mortgagees will be made unless agreed to by mortgagees that represent at least 51% of the votes of Units that are subject to mortgages.

A mortgagee will be deemed to have consented to any amendment, which requires the consent of such mortgagee when the mortgagee fails to submit a response to any written proposal for an amendment within sixty (60) days after it receives proper notice of the proposal, provided that the notice was delivered by certified or registered mail, with a "return receipt" requested.

Sponsor hereby reserves to itself and Sponsor-designees the right to amend the Declaration at any time without the requirement of a vote and without the approval or consent of any Unit Owners or mortgagees for the sole purpose of filing the Floor Plans required by Section 339-p of the Real Property Law of the State of New York for any portion or portions of the Building and appurtenances which are incomplete at the time the Declaration is recorded and the filing along with said amendment to the Declaration and the Floor Plans, the verified statement

of a registered architect or licensed professional engineer certifying that the plans being filed simultaneously with such amendment, fully and fairly depict the layout, location, unit designations and approximate dimensions of the particular Unit or Units as built, as provided in said Section 339-p. No such amendment will be effective until recorded in the Office of the Register of the City of New York. Any changes to the Floor Plans will necessitate an amendment to the Plan.

If there are non-Sponsor members of the Board of Managers, and there is a vote on whether to sue Sponsor, the Sponsor's board representative cannot lawfully vote on that issue.

The By-Laws of the Condominium contain a provision that after the expiration of initial sponsor voting control period, a majority of the Board of Managers must be owner-occupants or members of an owner-occupant's household who are unrelated to Sponsor and its principals.

RIGHTS AND OBLIGATIONS OF THE UNIT OWNERS AND THE BOARD OF MANAGERS

Sale or lease of Units by Unit Owners

Each Unit Owner has the right to sell or lease his or her Unit, subject to the following restriction. No Unit Owner will be permitted to sell or lease his or her Unit unless and until the Unit Owner will have paid in full to the Board of Managers all unpaid Common Charges and assessments theretofore assessed by the Board of Managers against the Unit and until he or she will have satisfied all unpaid liens against the Unit. The restrictions on resale listed in this paragraph apply to Sponsor and its designees. The terms of any Unit Owner's lease, including the rent, will be subject to the laws of the State of New York and the City of New York.

Mortgaging of Units by Unit Owners

Each Unit Owner has the right to mortgage his or her Unit subject to the following restriction. No Unit Owner will be permitted to mortgage his or her Unit unless and until the Unit Owner will have paid in full to the Board of Managers all unpaid Common Charges and assessments theretofore assessed by the Board of Managers against the Unit and until he or she will have satisfied all unpaid liens against the Unit.

Common Charges and Assessments

The Board of Managers will from time to time, at least annually, prepare a budget for the Condominium, determine the amount of Common Charges payable by the Unit Owners to meet the Common Expenses of the Condominium and allocate and assess such Common Charges among the Unit Owners according to their respective Shared Percentages of Common Interests, except as otherwise indicated.

The Common Expenses will include, among other things, the cost of all insurance premiums on all policies of insurance required to be or which have been obtained by the Board of Managers pursuant to the provisions of Section 2 of Article VI of the By-Laws and the fees and disbursements of the Insurance Trustee, if any.

The Common Expenses will also include such amounts as the Board of Managers may deem proper for the Reserve Fund for capital expenditures, the amount of which will be equal to 10% of the projected annual budget of the Condominium.

The Common Expenses may also include such amounts as may be required for the purchase by the Board of Managers or its designee, corporate or otherwise on behalf of all Unit Owners, of any Unit, which is to be sold at a foreclosure or other judicial sale, together with such amounts as may be necessary to maintain such Units.

The Board of Managers will also, where necessary, impose an assessment or additional Common Charge in order to meet any unanticipated Common Expense.

The Board of Managers will advise all Unit Owners, promptly, in writing, of the amount of Common Charges payable by each of them, respectively, as determined by the Board of Managers, as aforesaid, and will furnish copies of each budget on which such charges are based, to all Unit Owners and to their mortgagees, if so required.

Sponsor or Sponsor-designee will be responsible for the Common Charges assessed against a Unit owned by it from the date of the first Unit closing until such Unit is sold to a bona fide purchaser.

All Unit Owners will be obligated to pay the Common Charges assessed by the Board of Managers pursuant to the provisions of Section 1 of Article VI of the By-Laws at such time or times as the Board of Managers shall determine.

No Unit Owner will be liable for the payment of any part of the Common Charges assessed against his or her Unit subsequent to a sale, transfer or other conveyance by him (made in accordance with the provisions of Section 1 of Article VIII of the By-Laws) of such Unit, together with the Appurtenant Interests, as defined in Section 1 of Article VIII of the By-Laws. In addition, any Unit Owner may, subject to the terms and conditions specified in the By-Laws, provided that his or her Unit is free and clear of liens and encumbrances, other than permissible mortgages and the statutory lien for unpaid Common Charges, convey his or her Unit, together with the "Appurtenant Interests" to the Board of Managers or its designee, corporate or otherwise on behalf of all other Unit Owners, and in such event be exempt from Common Charges thereafter assessed. A purchaser of a Unit shall be liable for the payment of Common Charges assessed and unpaid against such Unit prior to the acquisition by him of such Unit.

The Board of Managers will assess Common Charges against the Unit Owners from time to time at least annually and will take prompt action to collect any Common Charges due from any Unit Owner, which remains unpaid for more than thirty (30) days from the due date for payment thereof. The Board of Managers will also take prompt action to collect any assessment due from any Unit Owner, which remains unpaid for more than thirty (30) days from the due date thereof. Common Charges and assessments will be paid by the 5th day of the month in which they are due or they will be deemed to be late. The Board of Managers will have the right to place a lien against a Unit whose Owner fails to pay common charges for the Unit within fifteen (15) days of same becoming due and payable.

In the event of default by any Unit Owner in paying to the Board of Managers the Common Charges or any assessment as determined by the Board of Managers, such Unit Owner will be obligated to pay interest at the highest legal rate on such Common Charges or assessments from the due date thereof, together with all expenses, including late fees charged by the Board of Managers and attorneys' fees incurred by the Board of Managers in any proceeding brought to collect such unpaid Common Charges or assessments. The Board of Managers will have the right and duty to attempt to recover such Common Charges or assessments, together with interest thereon, and the expenses of the proceeding, including attorneys' fees, in an action to recover the same brought against such Unit Owner, or by foreclosure of the lien on such Unit granted by Section 339-z of the Real Property Law of the State of New York, in the manner provided in Section 339-aa thereof. A Unit Owner defaulting in the payment of Common

Charges or assessments will not be permitted to vote at any regular or special meeting of Unit Owners.

In any action brought by the Board of Managers to foreclose a lien on a Unit because of unpaid Common Charges, the Unit Owner will be required to pay a reasonable rental for the use of his or her Unit and the plaintiff in such foreclosure action will be entitled to the appointment of a receiver to collect the same. The Board of Managers, acting on behalf of all Unit Owners, will have the power to purchase such Unit at the foreclosure sale and to acquire, hold, lease, mortgage, convey or otherwise deal with the same (but not to vote the votes appurtenant to). A suit to recover a money judgment for unpaid Common Charges will be maintainable without foreclosing or waiving the lien securing the same.

Sponsor will cause the Board of Managers to file a lien as provided for in Section 339-aa of the Real Property Law on Units in which Sponsor is more than thirty (30) days in arrears of Common Charges while it is in control of the Board of Managers.

Repairs

All maintenance of and repairs to any Unit, ordinary or extraordinary, and to the doors (except the painting of the exterior side of Unit entrance door), windows (except the painting and cleaning of the exterior side of windows), electrical (except the Common Elements), plumbing (except the Common Elements) and heating fixtures, air conditioning units and appliances, if any, within the Unit or belonging to the Unit Owner will be at the Unit Owner's expense, except as otherwise specifically provided in the By-Laws.

All maintenance, repairs and replacements to the Common Elements as defined in the Declaration, and the painting, decorating, maintenance and repairs of the exterior side of Unit entrance doors and windows, and the cleaning of the exterior side of windows and the replacements of the windows and Unit entrance doors will be made by the Board of Managers and be charged to all the Unit Owners as a Common Expense, except to the extent that the same are necessitated by the negligence, misuse or neglect of a Unit Owner, in which case such expense will be charged to such Unit Owner.

Maintenance, repair and replacements in or to the Limited Common Elements as defined in the Declaration will be performed:

- (a) by the Board of Managers as a Common Expense, if such Limited Common Element involves structural or extraordinary maintenance, repairs or replacements (including, but not limited to, all necessary waterproofing of the Limited Common Elements except as set forth below, and the repair of any leaks that are not caused by the acts or omissions of the Unit Owner, having direct and exclusive access thereto), or
- (b) the Unit Owner having direct and exclusive access thereto at his or her sole cost and expense, if involving non-structural ordinary maintenance, repairs or replacements, including but not limited to painting, decorating

and/or maintenance, waterproofing, repair and/or replacement of decking, tile or railings and/or means of terrace or balcony access constructed or installed by or at the request of the Unit Owner, or as a result of the Unit Owner's negligence, misuse or neglect.

A Unit Owner must grant a right of access to his or her Unit, to the manager and/or the managing agent and/or any other person authorized by the Board of Managers, the manager or the managing agent, for the purpose of making inspections or for the purpose of correcting any condition originating in his or her Unit and threatening another Unit or a Common Element, or for the purpose of performing installations, alterations or repairs to the mechanical or electrical services or other Common Elements in his or her Unit or elsewhere in the Building, or remedying any condition which would violate the provisions of any mortgage encumbering another Unit or for the purpose of complying with any laws, orders, rules or regulations of any governmental body having jurisdiction thereof, or to cure any defaults by a Unit Owner or for any other purposes permitted by the By-Laws, provided that requests for entry are made in advance and that any such entry is at a time reasonably convenient to the Unit Owner. In case of an emergency, such right of entry shall be immediate, whether the Unit Owner is present at the time or not. In the event of the exercise of the right of access provided for in Section 15 of the By-Laws, any costs for repairs shall be borne in accordance with the provisions of Section 10 of Article VI of the By-Laws.

Additions, Alterations and Improvements

Subject to the provisions of Section 2 of Article II of the By-Laws, whenever in the judgment of the Board of Managers the Common Elements shall require additions, alterations or improvements (but not maintenance) costing in excess of \$50,000.00, and the making of such additions, alterations or improvements will have been approved by a majority of the Unit Owners, the Board of Managers will proceed with such additions, alterations or improvements and shall assess all Unit Owners for the cost thereof as a Common Expense. Any additions, alterations or improvements costing \$50,000.00 or less may be made by the Board of Managers without approval of the Unit Owners and the cost thereof shall constitute part of the Common Expenses.

Except as provided below, no Unit Owner shall make any addition, alteration or improvement in or to his or her Unit which is structural or which affects the exterior of the Building or the value of other Units, without the prior written consent thereto of the Board of Managers which consent shall not be unreasonably withheld. Any requests for consent to make additions, alterations or improvement in a unit which is structural in nature, or affects the exterior of the Building or the value of other unit, must be made via certified mail with return receipt. The Board of Managers must grant or deny such consent within thirty (30) days of receiving a request for such consent. If such request is neither granted nor denied within forty five (45) days of receipt of the notice, such request shall be deemed granted. In connection with the approval of any addition, alteration or improvement by a Unit Owner as required herein, the Board of Managers may require that such Unit Owner enter into a written agreement, reasonably satisfactory to the Board of Managers, regarding such work. Such agreement may include, but shall not be limited to, provisions for adequate insurance, indemnification of the Condominium

and the Board of Managers, submission of all plans and specifications to the Board of Managers, and restrictions on the hours during which the work may be done. Any application to any department of the City of New York or to any other governmental authority for a permit to make an addition, alteration or improvement in or to any Unit shall be executed by the Board of Managers only, without however, incurring any liability on the part of the Board of Managers or any of them to any contractor, subcontractor or materialman on account of such addition, alteration or improvement, or to any person having any claim for injury to person or damage to property arising therefrom.

In the event the Board of Managers grants its consent to any addition, alteration or improvement to be made by a Unit Owner in accordance with the provisions of Section 13 of Article VI of the By-Laws, such consent shall be deemed to provide that any such work shall be at the Unit Owner's sole cost and expense, that work shall be done in accordance with all governmental or quasi-governmental laws, rules, regulations, codes and ordinances, that all work shall be done by reputable contractors with adequate liability, property damage and worker's compensation insurance (certificates of which shall be delivered to the Board of Managers prior to the commencement of construction), that any additions, alterations or improvements, shall be maintained in their entirety by said Unit Owner who shall also be responsible for any repairs, including structural repairs, to such area in any event, and to the Unit and any Common Elements where such repairs become necessary, due to additional stresses caused by such addition, alteration, or improvement, or due to improper design or construction of such addition, alteration, or improvement, and such approval shall further provide that the Unit Owner shall reimburse the Board of Managers for any out-of-pocket expenses incurred by the Board of Managers in connection with the granting of such approval and for any services provided in connection with such addition, alteration, or improvement; such expenses may include, but shall not be limited to, any fees of an attorney and/or fees of an architect consulted in connection with any request by a Unit Owner for approval of such work.

The provisions of Section 13 of Article VI of the By-Laws which require the consent of the Board of Managers in connection with an addition, alteration or improvement in or to a Unit, which is structural or which affects the exterior of the Building or the value of other Units shall not apply to Units owned by Sponsor or Sponsor-designee or a Community Facility Unit Owner. Sponsor or Sponsor-designee or a Community Facility Unit Owner shall not need such consent. All other provisions of this Section 13 shall apply to all Units. For example, with respect to such addition, alteration or improvement to a Sponsor-owned Unit or a Community Facility Unit Owner, such work shall be at the sole cost and expense of Sponsor or Sponsor-designee or a Community Facility Unit Owner, and shall be done in accordance with all governmental or quasi-governmental laws, rules, regulations, codes and ordinances. All work must be done by reputable contractors with adequate liability, property damage and Workers Compensation insurance (certificates of which shall be delivered to the Board of Managers prior to the commencement of construction). Any such additions, alterations or improvements, shall be maintained in their entirety by Sponsor or Sponsor-designee or a Community Facility Unit Owner, as the case may be, who shall also be responsible for any repairs, including structural repairs, to such area in any event, and to the Unit and any Common Elements where such repairs become necessary, due to additional stresses caused by any addition, alteration, or improvement, or due to improper design or construction of the structural addition, alteration, or improvement.

Additionally, Sponsor or Sponsor-designee or a Community Facility Unit Owner, as the case may be, shall reimburse the Board of Managers any reasonable out-of-pocket expenses incurred by the Board of Managers for any services provided in connection with such addition, alteration, or improvement.

Non-structural additions, alterations or improvements to Units that do not affect the exterior of the Building or the value of other Units may be made without the prior approval of the Board of Managers except that the Board of Managers may require that the Unit Owner enter into a written agreement, reasonably satisfactory to the Board of Managers, regarding such work as required for additions, alterations or improvements which require the consent of the Board of Managers, prior to commencing such work.

Insurance

The Board of Managers will be required to obtain and maintain, to the extent obtainable, the following insurance:

- (a) fire insurance with extended coverage, vandalism and malicious mischief endorsements, insuring the Building containing the Units (including all of the Units and the fixtures initially installed therein by Sponsor or by prior construction and any other property usual to the servicing and general occupancy, but not including improvements, furniture, furnishings or other personal property supplied or installed by Unit Owners), together with all service machinery and equipment contained therein and covering the interests of the Condominium, the Board of Managers and all Unit Owners and their mortgagees as their interests may appear, in an amount to be determined by the Board of Managers but in no event to be less than eighty 80% of the full replacement cost of the Building, including the above noted items, but exclusive of footings and foundations, as approved by a fire insurance company or a qualified insurance broker; each of said policies shall contain a Condominium Property Endorsement and a New York standard mortgagee clause in favor of each mortgagee of a Unit which shall provide that the loss, if any, thereunder shall be payable to such mortgagee as its interest may appear, subject however, to the loss payment provisions in favor of the Board of Managers and the Insurance Trustee, if any, as herein provided;
- (b) directors and officers liability insurance;
- (c) flood insurance;
- (d) worker's compensation insurance if the Condominium has employees; and
- (e) such other insurance as the Board of Managers may determine.

All policies of physical damage insurance will provide that adjustment of loss will be made by the Board of Managers (with the approval of the Insurance Trustee, if any, if more than \$50,000.00), and that the total proceeds thereof, if \$50,000.00 or less, will be payable to the Board of Managers, and if more than \$50,000.00, will be payable to the Insurance Trustee, if any.

All policies of physical damage insurance will contain waivers of subrogation and of any reduction of pro-rata liability of the insured as a result of any insurance carried by Unit Owners or of invalidity arising from any acts of the insured or any Unit Owners, and the individual Unit Owners as well as the Condominium will be primary insureds to the extent as their interests will also appear. Such policies may not be cancelled or substantially modified without at least ten (10) days prior written notice to all of the insureds, including all mortgagees of Units. Duplicate originals of all policies of physical damage insurance and of all renewals thereof, together with proof of payment of premiums, will be delivered to all mortgagees of Units at least ten (10) days prior to expiration of the then current policies if so requested in writing by them. Please see Schedule B for details of the Condominium's insurance coverage.

The Board of Managers will also be required to obtain and maintain, to the extent obtainable, public liability insurance in such limits as the Board of Managers may from time to time determine, covering each member of the Board of Managers, the managing agent, the manager and each Unit Owner. Such public liability coverage will also cover cross-liability claims of one insured against another. Until the first meeting of the Board of Managers elected by the Unit Owners the public liability insurance will be in a limit of at least \$1,000,000.00 covering all claims for bodily injury with respect to any one occurrence. Please see Schedule B for details of the Condominium's insurance coverage.

The insurance provided by the Board of Managers will not cover improvements, furniture, furnishings or other personal property supplied or installed by Unit Owners. Nor will it cover personal injury claims occurred inside individual Units. Please see Schedule B for details of the Condominium's insurance coverage. Unit Owners are advised to acquire insurance that will cover furniture, furnishings or other personal property supplied or installed by Unit Owners, and cover personal injury claims occurred inside individual Units.

Unit Owners will not be prohibited from carrying other insurance for their own benefit, provided that all such policies will contain waivers of subrogation and further provided that the liability of the carriers issuing insurance obtained by the Board of Managers will not be affected or diminished by reason of any such additional insurance carried by any Unit Owner. Such policies will be so endorsed so as to state that they will in no way conflict with any insurance carried by the Board of Managers.

If, by reason of the occupancy or use of a Unit, the rate of fire or liability insurance for the Property will be increased, such Unit Owner will (if such occupancy or use continues for more than thirty (30) days after written notice from the Board of Managers specifying the occupancy or use) become liable for the additional insurance premiums incurred by the Condominium as if such additional premium constituted an assessment.

During the time in which Sponsor is in control of the Board of Managers, the insurance coverage will not be less than that required by the Department of Law.

In the event of a fire or other casualty which damages or destroys less than 75% of the Building containing the Units, the Board of Managers will arrange for the prompt repair and

restoration of the Building containing the Units (including any damaged Units, and any kitchen and bathroom fixtures and floor coverings initially installed therein by Sponsor, but not including any wall, ceiling or floor decorations or coverings or other improvements, furniture, furnishings, fixtures, appliances or equipment installed in the Units by the Unit Owners), and the Board of Managers or the Insurance Trustee, as the case may be, will disburse the proceeds of all insurance policies in appropriate progress payments for distribution to the contractors engaged in such repairs and restoration. Any cost of such repair and restoration in excess of the insurance proceeds will constitute a Common Expense and the Board of Managers may assess all the Unit Owners for such deficit as part of the Common Charges.

If 75% or more of the Building containing the Units is destroyed or substantially damaged and Unit Owners whose percentage of Common Interest totals 75% in the aggregate of the total Common Interest do not duly and promptly resolve to proceed with repair or restoration, the Property will be subject to an action for partition at the suit of any Unit Owner or lienor, as if owned in common, in which event the net proceeds of sale, together with the net proceeds of insurance policies (or if there will have been a repair or restoration pursuant to the first paragraph of Section 3 of Article VI of the By-Laws, and the amount of insurance proceeds will have exceeded the cost of such repair or restoration, then the excess of such insurance proceeds) will be divided by the Board of Managers or the Insurance Trustee, as the case may be, among all the Unit Owners in proportion to their respective Common Interest, after first paying out of the share of each Unit Owner the amount of any unpaid liens on his or her Unit, in the order of the priority of such liens.

Whenever in Section 3 of Article VI of the By-Laws the words “promptly repair” are used it will mean repairs are to begin not more than sixty (60) days from the date the Insurance Trustee notified the Board of Managers and the Unit Owner or Unit Owners that it will hold proceeds of insurance funds sufficient to pay the estimated costs of such work; or not more than ninety (90) days after the Insurance Trustee notified said Board of Managers and Unit Owner or Unit Owners that such funds are insufficient to pay said estimated costs and advising them of the amount of the required completion bond, if necessary. If there is no Insurance Trustee, then the aforementioned sixty (60) and ninety (90) day periods will be from the date of notification by an insurance adjuster retained by the Board of Managers. Wherever the words, “promptly resolve” are used it will mean not more than sixty (60) days from the date of receipt of said insurance funds.

Restrictions on Occupancy and Use

In order to provide for congenial occupancy of the Property and for the protection of the values of the Units, the use of the Property will be restricted to and will be in accordance with the following provisions:

- A. Each Residential Unit may be used as a residence only.

Each Parking Unit shall be used solely for the storage of passenger motor vehicles of the owners of the Parking Unit, except that, in the event the Parking Unit is not used by its owners, it may be rented by its owners. Any rent of the Parking Unit to persons who are not occupants of

the Building shall be for a period of not less than one week and not more than one month. The Parking Unit which has thus been rented shall be made available to the occupants of the Residential Unit, which own the Parking Unit, within thirty days after written request therefor.

Each Community Facility Unit may be used for any legal use permitted by the certificate of occupancy of the Building, the Zoning Resolution of the City of New York or other applicable laws, such as medical offices, dental offices, government operated health centers or independent out-of-hospital health facilities incorporated pursuant to Article 7 of the Social Services Law of the State of New York, churches, rectories, or parish houses. The Community Facility Units shall not be used for: (1) conduct or maintenance of any gambling or gaming activities; (2) homeless shelter; (3) any fire, auction, going-out-of-business or bankruptcy sales, (4) sale of any obscene or pornographic material, (5) sex club of any sort, or (6) a massage parlor.

Notwithstanding the foregoing, Sponsor or Sponsor-designee shall have the right, without the vote or consent of the Board of Managers, other Unit Owners or the holders of Unit mortgages:

- (a) to maintain general, sales or leasing offices in one or more or elsewhere on the Property, to use one or more Units as models and for other promotional purposes and to erect and maintain signs on the Property;
- (b) to have its employees, contractors and sales agents present on the Property;
- (c) to do all things necessary or appropriate, including the use of the Common Elements, to sell or lease Units and to complete construction of the Building or Units and to comply with its obligations.

Sponsor or Sponsor-designee are entitled to the rights enumerated herein for so long as Sponsor or Sponsor-designee, as applicable, continues to own at least one (1) Unsold Unit in the Condominium.

B. The Common Elements and the Limited Common Elements may only be used for the furnishing of the services and facilities for which they are reasonably suited and which are incidental to the use and occupancy of Units. However, the Common Elements and the Limited Common Elements may not be used as a dwelling space, and for kindling, building, maintaining or using an open fire, including, without limitation, charcoal, piped natural gas or LPG fired barbeques.

C. No nuisances will be allowed on the Property nor will any use or practice be allowed which is a source of annoyance to its residents or which interferes with the peaceful possession or proper use of the Property by its residents.

D. No immoral, improper, offensive, or unlawful use will be made of the Property or any part thereof, and all valid laws, zoning ordinances and regulations of all governmental bodies having jurisdiction thereof will be observed. Violations of laws, orders, rules, regulations or requirements of any governmental agency having jurisdiction thereof, relating to any portion of

the Property, will be eliminated, by and at the sole expense of the Unit Owners, or the Board of Managers, whichever will have the obligation to maintain or repair such portion of the Property.

E. With the exception of the Community Facility Units, no portion of a Unit other than the entire Unit, including any Limited Common Elements appurtenant thereto, may be rented. Portions of the Community Facility Units may be rented to the same or different persons or entities.

F. No exterior of any Unit or the windows or doors thereof or any other portions of the Common Elements or the Limited Common Elements shall be painted or decorated by any Owner or in any manner without the prior written consent of the Board of Managers. No furniture, equipment, or other personal articles shall be placed in entrances, hallways, stairways, or other Common Elements. No Unit Owner shall make or permit any noise or objectionable odor that will disturb or annoy the occupants of any of the Units in the Building or do or permit anything to be done therein which will interfere with the rights, comfort, or convenience of other Unit Owners. Each Unit Owner shall keep his or her Unit in a good state of preservation and cleanliness. Nothing shall be hung or shaken from any doors or windows and no Unit Owner shall sweep or throw or permit to be swept or thrown, any dirt or other substances therefrom. No exterior shades, awnings, window guards, ventilators, fans or air-conditioning devices shall be used on or about the Building or Common Elements except such as shall have been approved by the Board of Managers, or as required by law.

G. There are no pets, animals or birds restrictions in the Building.

H. No smoking shall be permitted in front of the Building and anywhere in the Limited Common Elements and Common Elements. No smoking shall be permitted on the Parking Units and in the Community Facility Units. Smoking will be permitted in the Residential Units.

General

1. The Condominium will not have a right of first refusal.

2. Pursuant to the By-Laws of the Condominium, any matter arising out of the Condominium Documents, except for an action to foreclose a lien for unpaid common charges by the Board of Managers or an action seeking injunctive relief, shall be submitted for resolution by a panel of three (3) arbitrators in a proceeding held in the City of New York, which arbitrators shall be appointed as follows: One arbitrator shall be chosen by the Board of Managers, one arbitrator shall be chosen by the Unit Owner and the third arbitrator shall be chosen by the two aforementioned arbitrators. The decision of the arbitrators so chosen shall be given within thirty (30) days after his or her selection or appointment. The decision shall be enforceable in a court of law of competent jurisdiction. There is no right of appeal from the arbitrator's decision. The decision, however, may be vacated if the court finds that the rights of the party were prejudiced by:

(i) corruption, fraud or misconduct in procuring the decision; or

- (ii) partiality of the arbitrator appointed as a neutral; or
- (iii) the arbitrator exceeded his power or so imperfectly executed it that a final and definite decision upon the subject matter submitted was not made.

The fees, costs and expenses of the arbitrators shall be borne equally by the disputants. Each disputant shall also bear the fees and expenses of his or her counsel and expert witnesses. All costs and expenses paid or incurred by the Board of Managers in connection with any arbitration held, including, without limitation, the fees and expenses of counsel and expert witnesses shall constitute Common Expenses. Please see Article XIV of the By-Laws in Part II of the Plan.

Options for appeal are limited for matters submitted to arbitration.

The arbitration provision does not relate to Purchase Agreements.

3. Each Unit Owner shall notify the Board of Managers or Managing Agent of the Condominium, if any, in writing when a child, or children, under the age of eleven (11) years lives or resides (even temporarily) in the Unit. Each Unit Owner shall install, at such Unit Owner's expense, the required window guards (or safety "stops" in lieu of window guards, designated specifically to prevent a child from falling out of a window) in all windows of the Unit in compliance with all applicable New York City Administrative Code requirements. The Unit Owner should maintain all window guards (or stops) installed in the Unit and shall not remove same until permitted by applicable law and in any event, without prior written notice to the Managing Agent. Please see "Rules and Regulations" Section of Part II of the Plan.

4. Refuse should not be placed on the sidewalk except on days of collection. Placing refuse on the sidewalk on days other than days of collection may result in a fine or penalty being levied against the Building. In turn, the Board of Managers will seek compensation for said fine or penalty from the Unit Owner, who caused said fine or penalty. Please see "Rules and Regulations" Section of Part II of the Plan.

REAL ESTATE TAXES

After the Units are separately assessed, each Unit Owner will be taxed as a separate tax lot for real estate tax purposes, and no Unit Owner will be responsible for the payment of, nor subject to, any lien for non-payment of taxes on any other Unit. The Units may not be separately assessed for the first year of Condominium operation.

In the event that the Units have not been separately assessed for real estate tax purposes prior to the closing of title to the first Unit, Sponsor will place in escrow in the name of the Board of Managers an amount equal to the real estate taxes attributable to the Unsold Units, which will be levied against them for the six (6) month period following the first closing, or until the Units are separately assessed, whichever is sooner, and will collect at each Unit closing the estimated amount of taxes attributable to such Unit for the balance of the six (6) month period. The Board of Managers will pay the real estate taxes from the escrow account when taxes are due and payable and Sponsor will be entitled to reimbursement from Unit Owners to the extent of the actual assessment. It is anticipated that Units will be separately assessed for the 2021/2022 tax year, and that individual Unit Owners (whether Purchasers or Sponsor) will pay the taxes thereof. The amount of real estate tax escrow will be disclosed in the initial post-closing amendment to the Plan.

The Property is taxed by the City of New York through the Department of Finance, which through the Department of Finance, has assessed the Property at a pre-construction value of \$214,380.00.

Section 581 of Real Property Tax Law provides that a condominium unit shall be assessed at a sum not exceeding the assessment which would be placed upon such parcel not owned as a condominium. Thus, the Department of Finance is prohibited from utilizing the sales prices of the individual Units in determining the assessed valuation.

Section 1805 of Real Property Tax Law provides for the creation of a transition assessment system within the City of New York. Under the transition assessment system, the usual increase in the actual assessed value of a property between the first year and the next is phased in over a five year period in equal installments. This five year phase in does not apply new construction or other increases due to physical improvement of the property. Increases due to such physical improvements are added in full to the next year's assessment. Pursuant to that Section, the taxable assessment is determined by the lesser of the actual assessed valuation or the transition assessed valuation. The five year phase in does not apply to the Property because of the physical improvement to the Building.

Properties in New York City are divided into different classes, each treated differently under the law. The type of property one owns determines class and how property value is assessed. Tax classes each pay a different share of property tax in New York City. Tax Class 2 includes residential properties with more than three (3) units, including cooperatives and condominiums. Tax Class 4 includes commercial properties.

Upon an estimate provided by MGNY Consulting Corp., in the post-construction year of 2021/2022, the Property will be assessed at \$1,157,760.00. \$437,760.00 out of said \$1,157,760.00 will be attributable to the Residential Units and Parking Units and \$720,000.00 to the Community Facility Units.

The letter of MGNY Consulting Corp., dated October 13, 2020, is located on pages 120-127 of Part I of the Plan.

On April 10, 2017, the State of New York adopted the Affordable New York Housing Program (the “Affordable New York”), codified in Section 421-a of the Real Property Tax Law of the State of New York.

Under Affordability Option D, a property may qualify for a 20-year tax benefits, (the “421-a tax benefits”), if the following conditions are met:

- (j) The property must be located outside of Manhattan;
- (vii) The property must contain no more than 35 units;
- (viii) All units must have an aggregate assessed valuation not to exceed \$65,000 upon the first assessment following completion of construction;
- (ix) Each purchaser must agree in writing to maintain the unit as his/her primary residence for at least the first five years of ownership;
- (x) The building must have signed purchase agreements for all units in the building;
- (xi) An application for the benefits may only be submitted after completion of the building (as evidenced by issuance of a final certificate of occupancy for the building) and must be submitted within one year of completion of the building.

As applied to the Condominium, condition (ii) will be met since the Building will contain less than 35 units. If upon the first assessment of the Property by the Department of Finance of the City of New York following completion of the Building and issuance of a certificate of occupancy for the Building by the Department of Buildings of the City of New York, the Property has an average assessed value not exceeding \$65,000 per Residential Unit, all eight (8) Residential Units are in contract, and each Purchaser will agree in writing to maintain the Residential Unit as his or her primary residence for at least the first five (5) years of ownership, the Board of Managers of the Condominium may submit an application on behalf of all Unit Owners for the 421-a tax benefits to the Department of Housing Preservation and Development of the City of New York. The application must be submitted by September 16, 2021, which is one (1) year from the issuance of a temporary certificate of occupancy for the Building on September 16, 2020. All Residential Units must be in contract by that date.

It is the opinion of MGNY Consulting Corp. that the initial average assessed value for the Property will not exceed \$65,000 per Residential Unit. However, if the assessed value for a particular Residential Unit exceeds \$65,000, the value that exceeds \$65,000 will not receive the 421-a tax benefits. Based on the percentage of common interests and the current assessment practices of the Department of Finance, it is anticipated that none of the Residential Units will exceed the \$65,000 cap.

Under the replacement ratio requirement of Option D of Section 421-a(16), any dwelling units that were on an eligible site three years prior to the commencement date and thereafter demolished, removed, or reconfigured must be replaced with at least one affordable housing unit. The replacement ratio requirement is inapplicable to this offering because the Property contained no dwelling units three years prior to commencement of construction.

Briefly stated, the Affordable New York provides an exemption from any increase in assessed value of the Property for real estate tax purposes, to the extent that such increase results from the reasonable cost of alteration or improvement to the Building, for a period of fourteen (14) years after granting of the 421-a tax benefits, subject to an assessed valuation cap of \$65,000.00 per Unit. Thereafter, the 421-a tax benefits will decline by 25% per year for the next six years, subject to an assessed valuation cap of \$65,000.00 per Unit, and, after the twentieth year, real estate taxes will be based on the full assessed value of the Property.

Assuming that the assessed value of the Property in the amount \$437,760.00 and the estimated tax rate of 12.267% will remain constant for twenty five (25) years after the post-construction year of 2021/2022, subsequent real estate taxes with the 421-a tax benefits will be calculated as follows:

Year	Abatement Rate	Estimated Total Assessed Value	Estimated Actual Exempt Assessed Value	Estimated Taxable Value	Estimated Annual Real Estate Tax
1st-14th	100%	\$437,760.00	\$330,579.00	\$107,190.00	\$13,149.00
15th	75%	\$437,760.00	\$247,934.25	\$189,825.75	\$23,285.92
16th	75%	\$437,760.00	\$247,934.25	\$189,825.75	\$23,285.92
17th	50%	\$437,760.00	\$165,289.50	\$272,470.50	\$33,423.96
18th	50%	\$437,760.00	\$165,289.50	\$272,470.50	\$33,423.96
19th	25%	\$437,760.00	\$82,644.75	\$355,115.25	\$43,561.99
20th	25%	\$437,760.00	\$82,644.75	\$355,115.25	\$43,561.99
21st	0%	\$437,760.00	\$0.00	\$437,760.00	\$53,700.02

The projected real estate taxes in Schedule A for the Residential Units and Parking Units are calculated based on the Residential Units and Parking Units being in Tax Class 2, the estimated tax rate of 12.267% of the assessed value of the Residential Units and Parking Units, and the assessed value of the Residential Units and Parking Units estimated by MGNY Consulting Corp. to be \$437,760.00 for the post-construction year of 2021/2022.

If the Residential Units and Parking Units do not receive the 421-a benefits, annual real estate taxes for the post-construction year of 2021/2022 are expected to be \$53,700.00 as per the opinion of MGNY Consulting Corp.

If the Residential Units and Parking Units receive the 421-a benefits, the annual real estate taxes for the post-construction year of 2021/2022 are expected to be \$13,149.00 as per the opinion of MGNV Consulting Corp.

The real estate taxes payable in Schedule A by the Residential Units and Parking Units are determined by applying said data to calculate real estate taxes against the Residential Units and Parking Units and then allocating the amount due in conformity with the allocation of the Residential Percentages of Common Interests as set forth in Schedule A.

In the event it is reasonably apparent that all of the pre-conditions to the issuance of the 421-a tax benefits will not be achieved, Sponsor will promptly submit an amendment to the Plan disclosing that the 421-a tax benefits will not be obtained.

NO GUARANTEE OR WARRANTY IS OR CAN BE MADE THAT SAID BENEFITS WILL EVER BE OBTAINED, OR WILL CONTINUE TO BE AVAILABLE AFTER THE CLOSING OF THE UNITS. IN THE EVENT SAID BENEFITS ARE NOT OBTAINED, OR IN THE EVENT THERE ARE INCREASES IN THE REAL ESTATE TAX RATE OR THE UNITS' ASSESSED VALUATION OR IN THE STATUTES GOVERNING SAID BENEFITS, REAL ESTATE TAXES MAY BE HIGHER THAN SET FORTH IN THE PLAN FOR THE FIRST YEAR OF OPERATION OF THE CONDOMINIUM AND IN FUTURE YEARS. HENCE, INDIVIDUAL CARRYING COSTS FOR ALL UNITS WILL ALSO BE HIGHER. PURCHASERS ARE PURCHASING THE UNITS WITH NO GUARANTEE OF OBTAINING SAID BENEFITS.

Sponsor has filed for real estate tax abatement benefits pursuant to Section 489-bbbbbb of the Real Property Tax Law of the State of New York, (Industrial and Commercial Abatement Program - ICAP), for the Community Facility Units, ("ICAP Benefits"). Sponsor will use its best efforts to obtain the ICAP Benefits.

Pursuant to that section, for years one through sixteen, the abatement is the amount of the abatement base. For years twelve through twenty sixth, the abatement is decreased by ten percent each year. The following table illustrates the abatement computation:

Tax year during benefit period:	Amount of abatement:
Years 1 through 16	100% of abatement base
Year 17	90% of abatement base
Year 18	80% of abatement base
Year 19	70% of abatement base
Year 20	60% of abatement base
Year 21	50% of abatement base
Year 22	40% of abatement base

Year 23	30% of abatement base
Year 24	20% of abatement base
Year 25	10% of abatement base
Year 26	Fully taxable

The abatement base used to determine the amount of the abatement is the amount by which the post-completion tax on the Building exceeds one hundred fifteen percent of the initial tax levied on the Building.

The projected real estate taxes in Schedule A for the Community Facility Units are calculated based on the Community Facility Units being in Tax Class 4, the estimated tax rate of 10.694% of the assessed value of the Community Facility Units, and the assessed value of the Community Facility Units estimated by MGNV Consulting Corp. to be \$720,000.00 for the post-construction year of 2021/2022.

If the Community Facility Units do not receive the ICAP Benefits, annual real estate taxes for the post-construction year of 2021/2022 are expected to be \$76,997.00 as per the opinion of MGNV Consulting Corp.

If the Community Facility Units receive the ICAP Benefits, the annual real estate taxes for the post-construction year of 2021/2022 are expected to be \$15,399.00 as per the opinion of MGNV Consulting Corp.

There are no tax certiorari proceedings currently pending. Individual Unit Owners may challenge the assessment of their units by filing a tax protest in accordance with the rules of the New York City Tax Commission. The Board of Managers may also file a protest on behalf of all Unit Owners. While there is no specific section of the By-Laws dealing with review of real estate tax assessments, the general grant of power in the Board of Managers to operate the Property in the best interests of all Unit Owners is sufficient to delegate to the Board of Managers a right to file tax protests on behalf of all Unit Owners. The Building benefits from the limitations imposed by Sections 581 of the Real Property Tax Law of the State of New York.

The projections set forth herein are based on the current City of New York tax rate and assessment procedures. No guarantee or warranty is or can be made that the tax rate will not change in the future, or that the assessed value of the Unit will not rise due to changes in assessment practices and policies or increases in market value which are reflected in the assessed value.

The City of New York is not bound by the allocation of the Common Interests, and may allocate on a different basis. Nor is the City bound by the estimate of the market value of the Property. All figures are estimates.

Under Section 528 of the Internal Revenue Code, homeowners associations are eligible for a limited exemption from income taxation.

An organization can be classified, for tax purposes, as a homeowners association if it satisfies the following six conditions:

1. The organization must be a condominium management association.
2. The organization must be organized and operated to provide for the management, maintenance, and care of association property.
3. Sixty (60%) percent or more of the organization's gross income for the taxable year must consist solely of amounts received as membership dues, fees, or assessments from owners of residential units.
4. Ninety (90%) percent or more of the organization's expenditures for the taxable year must be for the management, maintenance, and care of association property.
5. No part of the organization's net earnings may inure to the benefit of any private shareholder or individual, other than by providing management, maintenance and care of association property, or by a rebate or excess membership dues, fees, or assessments.
6. The organization must elect for the taxable year to be subject to the tax regime of Section 528 of the Internal Revenue Code. (See Section 528(c)(1))

Section 528(c)(2) defines condominium management association as any organization organized and operated to provide for the management, maintenance, and care of association property with respect to a condominium project substantially all of the units of which are used by individuals for residences.

Section 1.528-4(b) of the Treasure Regulations stipulates that "substantially all of the units of a condominium management association will be considered as used by individuals for residences if at least 85% of the total square footage of all units within the project is used by individuals for residential purposes."

The square footage of the Residential Units in the Condominium is well below a 85% threshold.

Accordingly, the Condominium will not be eligible to qualify as an exempt homeowner's association under Section 528 of the Internal Revenue Code.

As a result, the Condominium will be subject to Federal corporate income tax pursuant to Section 277 of the Internal Revenue Code. The current tax rate is 21% of the Condominium's taxable income, which is equal to a difference between [i] annual assessments collected from unit owners and other income generated by the Condominium and [ii] operating expenses of the Condominium for a year in question, including assessments for the Reserve Fund. (See Rev. Rul. 75-370, 1972-2 C.B. 25 [special assessments collected by a nonexempt condominium management corporation from its unit owner-stockholders and accumulated in a separate bank account for replacement of the roof and elevators in the condominium were held not to be includible in the corporation's gross income])

Dear Mr. Faybyshev,

THIS LETTER IS BEING SENT TO YOU WITH THE EXPRESS UNDERSTANDING THAT OUR FIRM ASSUMES NO LIABILITY FOR OUR OPINIONS PRESENTED HEREIN. THESE OPINIONS ARE PRESENTED ONLY FOR YOUR ASSISTANCE IN CONNECTION WITH YOUR CONSTRUCTION OF A CONDOMINIUM.

The following estimates are provided in response to your request for an opinion and projection of the real estate assessments and taxes.

This opinion is based *solely* on the representations made to us by you and your architect.

I. Project Details

You have informed us that you intend to build a condominium on the above tax lot (“property”), and that this condominium will be constructed pursuant to Department of Buildings job number **520-282-417** for job type “NB – New Building”.

You have requested an opinion concerning the real property assessment to be levied upon the above property for the first full tax year after completion of construction, which corresponds to the tax year 2021/2022. In order to prepare this letter and the opinion set forth herein, you have supplied us with certain information upon which we have relied. You have informed us that the date of construction commencement is **August 10, 2018**; and that the anticipated completion date is **before January 1, 2021**. You have advised us of your acquisition costs and the anticipated construction costs.

You have also supplied us with architectural drawings of the proposed building prepared by Igor Zaslavskiy of ZPROEKT. The data contained in the architectural drawings indicates that the building will have a gross floor area of **16,357** square feet and will have 4 (four) main levels.

The total gross square footage of non-residential space is estimated to be approximately **8,197** square feet. The total gross square footage of residential space is estimated to be **8,160** square feet.

You have informed us that there will be a total of twenty-seven (27) parking spaces and five (5) bicycle parking spots on the ground floor level. In total, there will be 8 (eight) residential units located on floors 3 (three) through 4 (four), including community facility area (daycare center and ambulatory diagnostic) located on the ground floor level and on the second floor.

II. Estimated Assessed Value

We have considered the following factors in formulating our opinion: (a) the recent tax assessment history on the property; (b) the potential income for the new structure (if operated as a rental); (c) comparable new construction properties Staten Island (specifically, in Arrochar, Fort Wadsworth, Dongan Hills and South Beach neighborhoods); (d) market conditions in the general area; and (e) estimate of the cost of construction.

Real Property Tax Law Section 581 provides that cooperative and condominium apartments shall be assessed for tax purposes as if the building was a comparable rental property. Thus, the Department of Finance is prohibited from utilizing the sales prices of the individual condominium units in determining the assessed valuation. Therefore, the prices that you set in your offering plan and any subsequent sales or re-sales are not relevant in determining the assessed value of the property or of the individual condominium units. Upon conversion to a condominium and after an application is submitted by you, the New York City Department of Finance shall assign individual tax lot numbers to each of the condominium units. The residential units will be designated as tax class 2 property and will pay on the class 2 tax rate. The current 2020/21 class 2 tax rate is 12.267% of assessed valuation. The commercial units will be designated as tax class 4 property and will pay on the class 4 tax rate. The current 2020/21 class 4 tax rate is 10.694% of assessed valuation.

Assessments in New York City are made on a fiscal year basis, beginning on July 1st of each year and ending on June 30th the following year. The status of the building on January 5th of each year is the basis of the assessment for the fiscal year beginning that July 1st.

Real Property Tax Law Section 1805 provides for the creation of a transition assessment system within the City of New York. Under the transition assessment system, the usual increase in the actual assessed value of a property between one year and the next is phased in over a five-year period in equal installments. The five-year phase in does not apply to new construction or other increases due to physical improvements to the property. Increases due to such physical improvements or new construction are added in full to the next year's assessment. Pursuant to Real Property Tax Law Section 1805, the taxable assessment is determined to be the lesser of the actual assessed valuation or the transition assessed valuation.

We believe there will be a substantial increase in value for 2021/22 as a result of the new construction, and that such increase will be placed on the assessment roll immediately and not subject to the limitation on increases described above.

However, in future years increases in assessed value will likely result in the taxable assessment being based on a phased-in transition assessment.

2021/22 Projected Assessed Value and Tax Liability

For the post construction tax year of 2021/22, we project that the actual assessed value and the tax liability for the entire property will be as follows:

Residential Component Assessed Value: \$ 437,760
Residential Component Tax Liability: \$ 53,700

Commercial Component Assessed Value: \$ 720,000
Commercial Component Tax Liability: \$ 76,997

Total Estimated Assessed Value: \$ 1,157,760
Total Tax Liability: \$ 130,697

In determining the assessed values for the individual units, the Department of Finance may use the common interest percentages set forth in the condominium declaration if such percentages are rationally and fairly determined.

III. 421a Eligibility and Effect on Taxes

On April 9, 2017, the State of New York adopted the 2017-18 State Budget which created a long-term tax exemption program – **Affordable New York Housing Program** – replacing the expired 421-a Program.

Under Affordable New York, Affordability Option D, condominium and cooperative projects outside Manhattan may qualify for a 20-year tax benefit, if the following conditions are met:

A. Project contains 35 units or less

B. Average Assessed Value of all residential units upon the first assessment following the completion date, does not exceed \$65,000. If one or more units are individually assessed over \$65,000, the eligibility of these units or the project as a whole is not affected, as long as the average assessed value does not exceed \$65,000.

If the assessed value for a particular unit exceeds \$65,000, then the value in excess of \$65,000 will not be exempt. In other words, there is a \$65,000 exemption cap. Based on the percentage of common interests and the current assessment practices of DOF, it is anticipated that none of the

residential units will exceed the \$65,000 cap.

C. Each unit owner agrees in writing to maintain their respective unit as their primary residence for no less than five years from the acquisition of such unit

D. The replacement ratio requirement of option D of §421-a(16) is met. Since the site contained no dwelling units three years prior to commencement of construction, the replacement ratio requirement is not applicable.

As applied to your project, condition A shall be met since the project contains less than 35 units.

Our analysis in parts I and II above suggests that the average per unit assessed value upon completion, shall be approximately \$54,720. Therefore, it is our opinion that condition B shall be met, and the Project as a whole can benefit from Affordable New York Housing Program. However, should the Department of Finance issue the assessed value which is 18.79% or higher than that estimated in part II of this letter, your project will not qualify for long-term tax benefits under Affordable New York.

Within a year of the issuance of the certificate of occupancy, all the units must be placed under contract of sale in order to qualify for 421a(16), Option D.

a. Property Tax Projections

2017/18 – Assessed Value

The Real Property Tax Law requires that taxes shall be paid in each tax year during which 421-a benefits are received in an amount equal to the assessed value of the land any improvements thereon during the tax year preceding the commencement of construction, this amount being referred to as the “mini” tax, payable at the current tax rate.

The commencement of construction date is August 10, 2018, which falls on the fiscal year of 2018/19. The 2017/18 Total Actual Assessed Value of the subject lot and improvements was **\$214,380. When pro-rated based on the projected residential floor area, the actual assessed value was \$107,190.**

It is estimated the assessed value of the residential portion of the property (including parking spaces) upon completion of construction will be approximately \$437,760. The Department of Finance will allocate the assessed value to the condominium units, usually based upon the percentage of common interest as listed in the Condominium Offering Plan.

Once the Building is assessed as being fully constructed and the exemption under Section 421-a is entered into the Finance Department records, it is estimated that the real estate taxes for the entire residential portion plus parking units **will total approximately \$13,149**, based on the calculation below:

<i>Estimated Total Assessed Value</i>	<i>Estimated Actual Exempt Assessed Value</i>	<i>Estimated Taxable Value</i>	<i>Tax Rate %</i>	<i>Estimated Tax</i>
\$437,760	\$330,570	\$107,190	12.267	\$13,149

Subject to the AV Cap limitation, any increase in assessment due to the physical improvements attributable to the newly constructed residential condominium units shall be

exempt as per the **Twenty-Year Exemption Table** shown above.

We anticipate the real estate taxes will be calculated as follow:

Projected Post-Completion (Residential Component) Actual Assessed Value: \$ 437,760

Projected Tax Liability Without 421-a(16) Benefits: \$ 53,700

Projected Tax Liability With 421-a(16) Benefits: \$ 13,149

The above projection is merely an estimate as it is unlikely that the post-construction assessed value or tax rate will remain constant for the 20-year exemption period. Thus, the actual assessment and real estate tax for each Unit may be more or less than the Unit's proportionate share of the total assessment.

IV. ICAP Eligibility and Effect on Taxes

With respect to the commercial portion of the property, you have informed us that a Preliminary Application for Certificate of Eligibility for Industrial and Commercial Abatement Program (ICAP) has been filed with the NYC Department of Finance pursuant to N.Y. RPT. LAW § 489-bbbbbb. The first year of the abatement shall be the tax year with the first taxable status date that follows the sooner of

1. Completion of construction; or
2. Four years from the date the first building permit was issued, or if no permit was required, the commencement of construction.

It is estimated that the first year of abatement will be **2021/22 tax year**.

If all the requirements are met, the commercial portion of the building is expected to be eligible for the ICAP benefits. After issuing the Certificate of Eligibility, the Department of Finance is expected to use the following conventions in calculating the amount of abatement under ICAP:

1. Calculate the portion of pre-construction building tax attributable to commercial space subject to the ICAP benefits.
2. Calculate 115% of pre-construction tax.
3. Calculate the post-completion **building tax**.
 - a. It is important to note that the tax on the land value is never abated by ICAP. The land value is likely to increase significantly after the project is completed;
 - b. Land Value attributable to the commercial portion of the property is estimated to be **\$144,000** (or 15% of the total projected assessed value for commercial portion)

- c. Building Value attributable to the commercial portion of the property is estimated to be **\$576,000** (or 85% of the total projected assessed value for commercial portion)
 - d. Assuming the tax rate for tax class 4 properties remains at the current level of 10.694% from assessed value, the total ***pre-abatement*** building tax in 2021/22 tax year for the commercial portion of the building is estimated to be approximately **\$61,597**.
4. Determine the amount of abatement by subtracting the 115% of pre-construction tax from post-completion building tax.

Based on the foregoing, the total property tax in 2021/22 tax year for the commercial portion of the building is estimated to be approximately **\$15,399 after the abatement amount of \$61,597 is applied**.

We have been informed by the NYC Finance Department that the project is located in the special commercial abatement area. As such, the tax benefits should be granted for 25 years, with certain conditions. For years one through sixteen, the abatement shall be the amount of the abatement base, which is estimated to be **\$61,597**. For years seventeen through twenty-five, the abatement shall decrease by ten percent each year, according to the following schedule:

<i>Year of Abatement</i>	<i>Percentage of Abatement Base</i>	<i>Approximate Amount of Tax Abatement</i>
Year 1-16	100%	\$61,597
Year 17	90%	\$55,437
Year 18	80%	\$49,278
Year 19	70%	\$43,117
Year 20	60%	\$36,958
Year 21	50%	\$30,799
Year 22	40%	\$24,639
Year 23	30%	\$18,479
Year 24	20%	\$12,319
Year 25	10%	\$6,160
Year 26	Fully taxable	\$0

**INCOME TAXES DEDUCTIONS TO UNIT OWNERS AND
TAX STATUS OF CONDOMINIUM**

On January 1, 2018, the Tax Cuts and Jobs Act of 2017 went into effect. This federal law significantly changed the previously existing Internal Revenue Code, including the taxes and deductions related to homeownership. Purchasers are advised to consult with a tax expert regarding whether the new law will affect the purchaser's taxes.

Unit Owners who itemize their deductions should, for Federal income tax purposes, be entitled to a deduction for mortgage interest on a principal of up to \$750,000.00 and real estate taxes up to \$10,000.00 in the year paid, or accrued, under Section 11043 and 11042 of the Internal Revenue Code. The \$10,000.00 limit includes other state and local taxes besides real estate taxes. These deductions are subject, however, to certain exceptions and limitations that are more particularly discussed in the Tax Opinion of Counsel, attached hereto and made a part hereof.

The affairs of the Condominium will be governed by the Board of Managers. The Board of Managers will assess and collect Common Charges from the Unit Owners, and will have certain discretionary powers over the operating expenses and the application of the assessments. Sponsor's counsel is of the opinion that the Condominium will not be eligible to qualify as an exempt homeowner's association under Section 528 of the Internal Revenue Code. As a result, the Condominium will be subject to Federal corporate income tax pursuant to Section 277 of the Internal Revenue Code. The current tax rate is 21% of the Condominium's taxable income, which is equal to a difference between [i] annual assessments collected from unit owners and other income generated by the Condominium and [ii] operating expenses of the Condominium for a year in question, including assessments for the Reserve Fund. (See Rev. Rul. 75-370, 1972-2 C.B. 25 [special assessments collected by a nonexempt condominium management corporation from its unit owner-stockholders and accumulated in a separate bank account for replacement of the roof and elevators in the condominium were held not to be includible in the corporation's gross income])

The statements set forth herein are based upon an analysis of the Internal Revenue Code of 1986, as amended, the New York State tax law, the Administrative Code of the City of New York, the applicable regulations promulgated or proposed thereunder, the current position of applicable administrative agency, in particular, the position of the IRS stated in published Revenue Rulings and Procedures, and judicial decisions. It is emphasized, however, that legislative, judicial or administrative changes may be made which would require modifications of such statements, or that, the IRS or other applicable administrative agency may disagree with counsel's interpretations and conclusions.

A more detailed statement of the tax factors involved may be found in the Tax Opinion of Counsel.

No warranty or guaranty is made that the United States Treasury Department or the New York State Department of Taxation and Finance or the New York City Department of Finance will allow the aforementioned deductions, and no representation or warranty is made that the tax

law or the regulations or rulings issued thereunder, or any judicial interpretation thereof, may not change so as to disallow the deductions in whole or in part. Neither Sponsor nor Sponsor's attorney shall be liable if, for any such reason, it is held that the Unit Owners are not entitled to such income tax deductions or to special exemptions as aforesaid.

Each Purchaser should consult with his or her own attorney or tax adviser with regard to tax consequences of this purchase.

OPINION OF COUNSEL

August 30, 2019

Vyacheslav Faybyshev
375 FC, LLC
2201 Neptune Avenue
Brooklyn, NY 11224

Re: The 375 Sand Lane Condominium
375 Sand Lane
Staten Island, NY 10305

Dear Mr. Faybyshev:

You have requested my opinion concerning (i) the availability of certain deductions for Federal, New York State, and New York City income tax purposes to persons who purchase units for residential use, (hereinafter called the "Unit Owners"), under a Condominium Offering Plan, (hereinafter called the "Plan"), for The 375 Sand Lane Condominium, (hereinafter called the "Condominium"), (ii) the Federal income tax treatment of the common charges received by the board of managers of the Condominium, (hereinafter called the "Board"), and (iii) the availability of real estate tax abatement and exemption benefits for this project.

In connection with rendering this opinion, I have prepared the Plan and the Schedules and Exhibits thereto, the Declaration of the Condominium, (hereinafter called the "Declaration"), the By Laws of the Condominium, (hereinafter called the "By-Laws"), and reviewed the relevant sections of the Internal Revenue Code of 1986, as amended, (hereinafter called the "Code"), the Regulations promulgated thereunder by the Treasury Department, (hereinafter called the "Treas. Regs."), the New York State Tax Law, the Administrative Code of the City of New York, revenue rulings, relevant case law and such other materials as I have deemed relevant.

Facts

The sponsor will apply to the Department of Law of the State of New York to convert the premises, located at 375 Sand Lane, Staten Island, NY 10305 to a condominium ownership pursuant to the provisions of Article 9-B of the Real Property Law of the State of New York, (hereinafter called the "New York Condominium Act"). The Condominium will consist of will consist of eight (8) Residential Units, two (2) Community Facility Units and twenty seven (27) Parking Units. Each Unit Owner will own his or her Unit and an interest in the

elements common to all Units, (hereinafter called the "Common Elements"). Each Unit Owner will be entitled to the exclusive ownership and possession of his or her Unit and will receive a separate deed to the Unit.

The affair of the Condominium will be governed by the Board which, pursuant to the By-Laws, will act only as an agent of all Unit Owners. The Board will be comprised of at least three (3) members, who shall each be elected by the Unit Owners. The primary function of the Board will be to supervise the maintenance and operation of the Common Elements, and collect charges necessary to maintain and operate the Common Elements, (hereinafter called the "Common Charges").

Discussion

Deductibility of mortgage interest and real estate taxes

Under the New York Condominium Act, each Unit Owner will own his or her Unit and its appurtenant interest in the Common Elements in fee simple, and each Unit will be taxed as a separate tax lot for real estate tax purposes. Each Unit Owner may mortgage his or her Unit and become individually liable for the payment of the principal and any finance charges or interest on such mortgage indebtedness. Failure to pay his or her share of the Common Charges will result in the Board having a lien on the Unit for the unpaid Common Charges.

The deductibility of the mortgage interest and real estate taxes paid or accrued by the Unit Owner during his or her taxable year will be governed by Sections 11043 and 11042 of the Code. Section 11043 of the Code allows a taxpayer to deduct all interest on a principal of up to \$750,000.00 paid or accrued during the taxable year on bona fide indebtedness. Section 11042 of the Code allows a taxpayer to deduct real estate taxes up to \$10,000.00 paid or incurred on his or her Unit during the taxable year. The \$10,000.00 limit includes other state and local taxes besides real estate taxes.

In my opinion, under Sections 11043 and 11042 of the Code, a Unit Owner should, for Federal income tax purposes, be entitled to a deduction for interest on a principal of up to \$750,000.00 paid or accrued with respect to mortgage indebtedness and for real estate taxes up to \$10,000.00 paid or accrued with respect to his or her method of accounting. The \$10,000.00 limit includes other state and local taxes beside real estate taxes.

It is also my opinion that each Unit Owner should, for New York State and New York City income tax purposes, be entitled to the same deduction which is allowed for Federal income tax purposes for the mortgage interest and real estate taxes paid or accrued during the taxable year. See Section 615 of the Tax Law of the State of New York.

It should be noted, however, that for New York City income tax purposes, the benefit of such deduction may be reduced if the Unit Owner has more than the specified amount of tax preference items. See Sections 615, 622 and 623 of the Tax Law of the State of New York.

The foregoing discussion applies primarily to Residential Unit Owners.

Common Charges - Federal income taxation of the Condominium

Under Section 528 of the Internal Revenue Code, homeowners associations are eligible for a limited exemption from income taxation.

An organization can be classified, for tax purposes, as a homeowners association if it satisfies the following six conditions:

1. The organization must be a condominium management association.
2. The organization must be organized and operated to provide for the management, maintenance, and care of association property.
3. Sixty (60%) percent or more of the organization's gross income for the taxable year must consist solely of amounts received as membership dues, fees, or assessments from owners of residential units.
4. Ninety (90%) percent or more of the organization's expenditures for the taxable year must be for the management, maintenance, and care of association property.
5. No part of the organization's net earnings may inure to the benefit of any private shareholder or individual, other than by providing management, maintenance and care of association property, or by a rebate or excess membership dues, fees, or assessments.
6. The organization must elect for the taxable year to be subject to the tax regime of Section 528 of the Internal Revenue Code. (See Section 528(c)(1))

Section 528(c)(2) defines condominium management association as any organization organized and operated to provide for the management, maintenance, and care of association property with respect to a condominium project substantially all of the units of which are used by individuals for residences.

Section 1.528-4(b) of the Treasury Regulations stipulates that "substantially of the units of a condominium management association will be considered as used by individuals for residences if at least 85% of the total square footage of all units within the project is used by individuals residential purposes."

The square footage of the Residential Units in the Condominium is well below a 85% threshold.

Accordingly, the Condominium will not be eligible to qualify as an exempt homeowner's association under Section 528 of the Internal Revenue Code.

As a result, the Condominium will be subject to Federal corporate income tax pursuant to Section 277 of the Internal Revenue Code. The current tax rate is 21% of the Condominium's taxable income, which is equal to a difference between [i] annual assessments collected from unit owners and other income generated by the Condominium and [ii] operating expenses of the Condominium for a year in question, including assessments for the Reserve Fund. (See Rev. Rul. 75-370, 1972-2 C.B. 25 [special assessments collected by a nonexempt condominium management corporation from its unit owner-stockholders and accumulated in a separate bank account for replacement of the roof and elevators in the condominium were held not to be includible in the corporation's gross income])

Real Estate Tax Benefits

I have reviewed the letter, heretofore set forth in the Plan, from the Sponsor's expert concerning the availability of real estate tax abatement and exemption benefits for this project. Based on existing statutes and practices, the opinions expressed therein appear to be correct, and I hereby adopt said opinion as my own. This adoption is, of course, subject to the accuracy of the facts supplied to said expert in rendering his determination and also subject to any change in existing statutes which may affect my evaluation and interpretation of the availability so such benefits. This is not a warranty that such benefits will be obtained but only an opinion based on the existing laws, regulations, and facts, this condominium project will qualify for such benefits.

Compliance With Real Property Law Section 339-i

I have reviewed the pertinent data with respect to the fair value of the units and other pertinent information with respect to the units. Based on these factors, and the annexed letter of Arsen Atbashyan, the allocation of shared common interest is being made pursuant to Section 339-i(1)(iv) of the Real Property Law of the State of New York, which provides that such interest shall be:

“(iv) upon floor space, subject to the location of such space and the additional factors of relative value to other space in the condominium, the uniqueness of the unit, the availability of common elements for exclusive or shared use, and the overall dimensions of the particular unit.”

Conclusion

In my opinion, the Condominium will not be eligible for tax-exempt status. However, this opinion is not a guarantee. It is based on existing rules of law applied to the facts and documents referred to above. No assurances can be given that the tax laws upon which I base this opinion will not change. In no event the Sponsor, the Sponsor's counsel, the Board of Managers of the Condominium, the Selling Agent or any other person be liable if there are changes in the facts on which I relied in issuing this opinion or if there are changes in the applicable statutes, regulations, decisional law or Internal Revenue Service rulings on which I relied which cause the Unit Owners not to be entitled to income tax deductions and cause the Unit Owners not to be or to cease to be entitled to the benefits or the level or duration of benefits described above.

Very truly yours,

Yevgeny Tsyngauz

WORKING CAPITAL FUND

The Condominium will have a fund for working capital, (hereinafter called the "Working Capital Fund"). At the time of the closing of title to the Units from Sponsor or Sponsor-designee to a bona fide Purchaser, Purchaser will be required to pay into the Working Capital Fund the sum equal to two (2) months' Common Charges then applicable to each Unit being purchased. Sponsor will not contribute to the Working Capital Fund.

Upon the sale of all Units, it is anticipated that the Working Capital Fund will be equal to \$7,240.83 for the first year of the condominium operation.

The Working Capital Fund will be used only for payment by the Board of Managers of expenses authorized by the Declaration and the By-Laws of the Condominium, and for payment by the Board of Managers of any net adjustments for prepaid expenses owed to Sponsor at the closing of title to the first Unit.

While Sponsor is in control of the Board of Managers, the Working Capital Fund will not be used to reduce the Common Charges.

The Working Capital Fund will be available for the Condominium after the closing of title to the first Unit.

NEITHER THE DEPARTMENT OF LAW NOR ANY OTHER GOVERNMENT AGENCY HAS PASSED UPON THE ADEQUACY OF THE WORKING CAPITAL FUND.

RESERVE FUND

The Condominium will have a fund as a reserve for capital expenditures, (hereinafter called the “Reserve Fund”).

The Reserve Fund will be used only for capital expenditures. The Condominium’s By-Laws contain a provision authorizing the establishment of the Reserve Fund. Please see Article II, Section 2 of the By-Laws.

When established, the Reserve Fund will not have any funds. During the first year and subsequent years of Condominium operations, the Unit Owners, with their common charges, will make contributions to the Reserve Fund, the amount of which will be equal to 10% of the projected annual budget of the Condominium. The Reserve Fund will be sufficient to pay for capital expenditures likely to be needed within the first five years of operation following the first closing under the Plan.

Sponsor will not make an initial contribution to the Reserve Fund, and the Reserve Fund will be funded by common charges.

If additional funds are required, common charges may be increased or special assessments imposed.

While Sponsor is in control of the Board of Managers, the Reserve Fund will not be used to reduce the Common Charges.

Should monies be required by the Condominium for capital expenditures such as renewal or replacement of Building components or systems or to remedy major Building defects, the Board of Managers will be able to borrow the moneys as provided in Section 339-jj of the Real Property Law of the State of New York, which states, in pertinent parts, as follows:

“1. To the extent authorized by the declaration or the by-laws, the board of managers, on behalf of the unit owners, may incur debt. In addition, subject to any limitations set forth in the declaration or the by-laws, the board of managers, on behalf of the unit owners, may incur debt for any of the purposes enumerated in paragraph (b) of subdivision two of section three hundred thirty-nine-v of this article, provided that (a) such debt is incurred no earlier than the fifth anniversary of the first conveyance of a unit and (b) the incurrence of such debt shall require the consent of a majority in common interest of the unit owners.

2. In connection with a debt incurred by it, the board of managers, on behalf of the unit owners, may (a) assign the rights in and to receive future income and common charges, (b) create a security interest in, assign, pledge, mortgage or otherwise encumber funds or other real or personal property that it holds, (c) agree that, to the extent of any amounts due under any of the provisions of the agreements under which the debt was

incurred and subject to the provisions of subdivision two of section three hundred thirty-nine-1 of this article, all common charges received and to be received by it, and the right to receive such funds, shall constitute trust funds for the purpose of paying such debt and the same shall be expended for such purpose before expending any part of the same for any other purpose, and (d) agree that at the lender's direction it will increase common charges to the extent necessary to pay any amount when due under any of the provisions of the agreements under which the debt was incurred. The preceding sentence shall not be construed to authorize the board of managers to create a lien on the common elements. Any such assignment may provide that, in the event of a default, the lender shall have the right of the board of managers to file liens in the lender's name on units for unpaid common charges pursuant to sections three hundred thirty-nine-z and three hundred thirty-nine-aa of this article and the right to foreclose such liens pursuant to section three hundred thirty-nine-aa of this article."

The Condominium's By-Laws contain a provision authorizing the Board of Managers to incur debt on behalf of the Condominium. Please see Article II, Section 2 of the By-Laws.

NEITHER THE DEPARTMENT OF LAW NOR ANY OTHER GOVERNMENT AGENCY HAS PASSED UPON THE ADEQUACY OF THE RESERVE FUND.

If there is a material amendment to the Plan that adversely affects Purchaser, Sponsor will offer Purchaser a right of rescission until the midnight of the fifteenth day following service of the amendment. Purchaser or Purchaser's attorney must either [i] personally deliver a written notice of rescission to Sponsor's attorney prior to the midnight of said fifteenth day, [ii] mail the notice of rescission by certified or registered mail, return receipt requested, to Sponsor's attorney, so that mailing is post-marked by post-office prior to the midnight of said fifteenth day, or [iii] send the notice of rescission to Sponsor's attorney by an email set forth in the Purchase Agreement, prior to the midnight of said fifteenth day.

If this Agreement is rescinded by Purchaser pursuant to this Section 3, neither party shall have any further rights, obligations or liability to or against the other and the parties shall be released and discharged from all obligations and liability under this Agreement and the Plan, except that the Deposit, the Advance and all other monies paid on account of the Purchase Price shall be refunded to Purchaser within ten (10) days after receipt of written notice of rescission.

4. PURCHASE PRICE

4.1 Purchaser shall pay to Sponsor the sum of _____ Dollars (\$_____), (hereinafter called the "Purchase Price"), payable as follows:

- (a) _____ Dollars (\$_____) as a downpayment under this Agreement, (hereinafter called the "Deposit"), upon Purchaser's signing and delivering this Agreement, by a check subject to collection;

- (b) _____ Dollars (\$ _____) as an advance for upgrades, extras, special or custom work in the Unit ordered by Purchaser, (hereinafter called the "Advance"), upon Purchaser's signing and delivering this Agreement, by a check, subject to collection, if any;
- (c) _____ Dollars (\$ _____), (hereinafter called the "Balance of the Purchase Price"), at the Closing hereinafter defined, by a certified or bank check.

4.2 All checks shall represent United States currency, be drawn on or issued by a United States Bank or trust company which is a member of the New York Clearing House Association and shall be unendorsed. The Deposit and the Advance, if any, shall be made payable to the direct order of "TSYNGAUZ & ASSOCIATES, P.C., as Escrow Agent". The Balance of the Purchase Price shall be made payable to the direct order of "375 FC, LLC" (or such other party as Sponsor directs to Purchaser, in writing, at least one (1) business day prior to the Closing).

5. DEPOSIT TO BE HELD IN ESCROW ACCOUNT

5.1 The law firm of TSYNGAUZ & ASSOCIATES, P.C., having an address at 894 6th Avenue, 3rd fl., New York, NY 10001 and telephone number (212) 337-9770, shall serve as escrow agent, (hereinafter called "Escrow Agent"), for Sponsor and Purchaser.

5.2 Escrow Agent has established the escrow account at Capital One, N.A., having an address at 6521 18th Avenue, Brooklyn, NY 11204, a bank authorized to do business in the State of New York. The escrow account is entitled "TSYNGAUZ & ASSOCIATES, P.C., Escrow Account, IOLA", (hereinafter called the "Escrow Account"). The Escrow Account is federally insured by the FDIC at the maximum amount of \$250,000.00 per deposit. Any deposit in excess of \$250,000.00 will not be insured.

5.3 The Escrow Account is a non-interest bearing account established pursuant to Section 497(4)(a) of the Judiciary Law of the State of New York. No fees of any kind may be deducted from the Escrow Account, and Sponsor shall bear all costs associated with the maintenance of the Escrow Account.

5.4 Escrow Agent has designated Yevgeny Tsyngauz and Mikhail Litt to serve as signatories. All designated signatories are admitted to practice law in the State of New York. Neither Escrow Agent nor any authorized signatories on the account are Sponsor, Selling Agent, Managing Agent (as those terms defined in the Plan), or any principal thereof, or has any beneficial interest in any of the foregoing.

5.5. Escrow Agent and all authorized signatories hereby submit to the jurisdiction of the State of New York and its Courts for any cause of action arising out of this Agreement or otherwise concerning the maintenance or release of the Deposit and the Advance, if any, from the Escrow Account.

5.6 All Deposits and Advances, if any, received from Purchaser shall be in the form of a check and shall be made payable directly to the order of "TSYNGAUZ & ASSOCIATES,

P.C, as Escrow Agent”. Any check payable to, or endorsed other than as required hereby, and which cannot be deposited in the Escrow Account shall be returned to Purchaser promptly, but in no event more than five (5) business days following receipt of such check by the Escrow Agent. In the event of such return of the Deposit and/or the Advance, if any, the check shall be deemed not to have been delivered to Escrow Agent pursuant to the terms of this Agreement.

5.7 Within five (5) business days after this Agreement has been tendered to Escrow Agent along with the Deposit and the Advance, if any, Escrow Agent shall sign this Agreement and place the Deposit and the Advance, if any, into the Escrow Account. Within ten (10) business days of the placing the Deposit and the Advance, if any, in the Escrow Account, Escrow Agent shall provide written notice to Purchaser and Sponsor, confirming the deposit and disclosing the account number. The Advance, if any, shall be initially deposited into the Escrow Account, and released in accordance with the terms of this Agreement.

5.8 Escrow Agent is obligated to send notice to Purchasers once the Deposit and Advance, if any, are placed in the Escrow Account. If Purchaser does not receive notice of such deposit within fifteen (15) business days after tender of the Deposit and the Advance, if any, Purchaser may cancel this Agreement within ninety (90) days after tender of this Agreement and the Deposit and the Advance, if any, to Escrow Agent. Complaints concerning the failure to honor such cancellation requests may be referred to the Department of Law of the State of New York Real Estate Finance Bureau, 28 Liberty Street, New York, NY 10005, (hereinafter called the “Department of Law”). Rescission shall not be afforded where proof satisfactory to the Department of Law is submitted establishing that the Deposit was timely placed in the Escrow Account in accordance with the Department of Law’s regulations concerning deposits and requisite notice was timely mailed to Purchaser.

5.9 All Deposits, but not the Advance received in connection with this Agreement, are and shall continue to be Purchaser’s money, and may not be commingled with any other money or pledged or hypothecated by Sponsor, as per Section 352-h of the General Business Law of the State of New York. Advances for upgrades cease to be Purchaser’s money when the funds are used in commission of the upgraded work.

5.10 Under no circumstances shall Sponsor seek or accept release of the Deposit of a defaulting Purchaser until after consummation of the Plan, as evidenced by the acceptance of a post-closing amendment by the New York State Department of Law. Consummation of the Plan does not relieve Sponsor of its obligations pursuant to Sections 352-e(2-b) and 352-h of the General Business Law of the State of New York.

5.11 Escrow Agent shall release the Deposit if so directed:

- (a) pursuant to terms and conditions set forth in this Agreement upon the Closing; or
- (b) in a subsequent writing signed by both Sponsor and Purchaser; or
- (c) by a final, non-appealable order or judgment of a court.

If Escrow Agent is not directed to release the Deposit pursuant to paragraphs (a) through (c) above, and Escrow Agent receives a request by either party to release the Deposit, then the Escrow Agent must give both Purchaser and Sponsor prior written notice of not fewer than thirty (30) days before releasing the Deposit. If Escrow Agent has not received notice of objection to the release of the Deposit prior to the expiration of the thirty (30) day period, the Deposit shall be released and Escrow Agent shall provide further written notice to both parties informing them of said release. If Escrow Agent receives a written notice from either party objecting to the release of the Deposit within said thirty (30) day period, Escrow Agent shall continue to hold the Deposit until otherwise directed pursuant to paragraphs (a) through (c) above. Notwithstanding the foregoing, Escrow Agent shall have the right at any time to deposit the Deposit contained in the Escrow Account with the Clerk of the New York County and shall give written notice to both parties of such deposit.

Sponsor shall not object to the release of the Deposit to Purchaser:

- (a) if Purchaser timely rescinds in accordance with an offer of rescission contained in the Plan or an amendment to the Plan; or
- (b) after an amendment abandoning the Plan is accepted for filing by the Department of Law.

The Department of Law may perform random reviews and audits of any records involving the Escrow Account to determine compliance with all applicable statutes and regulations. Escrow Agent shall make available to the Department of Law, upon request, all books and records of the Escrow Agent relating to the funds deposited and disbursed hereunder.

5.12 Any provision of this Agreement or separate agreement, whether oral or in writing, by which Purchaser purports to waive or indemnify any obligation of Escrow Agent holding any Deposit in trust is absolutely void. The provisions of applicable regulations of the Department of Law and Sections 352-e(2-b) and 352-h of the General Business Law of the State of New York concerning escrow trust funds shall prevail over any conflicting or inconsistent provisions in this Agreement, Plan, or any amendment thereto.

5.13 Escrow Agent shall maintain the Escrow Account under its direct supervision and control.

5.14 A fiduciary relationship shall exist between Escrow Agent and Purchaser, and Escrow Agent acknowledges its fiduciary and statutory obligations pursuant to Sections 352(e)(2-b) and 352(h) of the General Business Law of the State of New York.

5.15 Escrow Agent may rely upon any paper or document which may be submitted to it in connection with its duties under this Agreement and which is believed by Escrow Agent to be genuine and to have been signed or presented by the proper party or parties and shall have no liability or responsibility with respect to the form, execution or validity thereof.

5.16 Sponsor agrees that it shall not interfere with Escrow Agent's performance of its fiduciary duties and statutory obligations as set forth in Sections 352-(e)(2-b) and 352-(h) of the

General Business Law of the State of New York and applicable regulations of the Department of Law.

5.17 Prior to release of the Deposit, Escrow Agent's fees and disbursements shall neither be paid by Sponsor from the Deposit nor deducted from the Deposit by any financial institution under any circumstance.

5.18 Sponsor agrees to defend, indemnify and hold Escrow Agent harmless from and against all costs, claims, expenses and damages incurred in connection with or arising out of Escrow Agent's responsibilities arising in connection with this Agreement or the performance or non-performance of Escrow Agent's duties under this Agreement, except with respect to actions or omissions taken or suffered by Escrow Agent in bad faith or in willful disregard of the obligations set forth in this Agreement or involving gross negligence of Escrow Agent. This indemnity includes, without limitation, disbursements and attorneys' fees either paid to retain attorneys or representing the hourly billing rates with respect to legal services rendered by Escrow Agent to itself.

5.19 Escrow Agent shall maintain all records concerning the Escrow Account for seven (7) years after release of the Deposit.

5.20 Upon dissolution of the law firm which was Escrow Agent, the former partners or members of the firm shall make appropriate arrangements for the maintenance of these records by one of the partners or members of the firm or by the successor firm and shall notify the Department of Law of such transfer.

5.21 Sponsor agrees that Sponsor and its agents, including Selling Agent, shall deliver the Deposit and the Advance, if any, received by them to Escrow Agent within two (2) business days of tender of the Deposit and the Advance, if any, by Purchaser.

5.22 Sponsor shall have the right to cancel designation of Escrow Agent to act in said capacity by written notice given by Sponsor to Escrow Agent. The cancellation shall take effect only upon the filing of an amendment to the Plan with the Department of Law providing for a successor escrow agent that meets the requirements set forth in applicable regulations of the Department of Law. Purchaser shall be deemed to have consent to such cancellation.

5.23 Escrow Agent shall have the right to resign. The resignation of Escrow Agent shall not take effect until Escrow Agent is replaced by a successor escrow agent that meets the requirements set forth in applicable regulations of the Department of Law, and notice is given to Purchaser of the identity of the successor escrow agent, the bank in the State of New York where the Deposit is being held, and the account number therefor.

5.24 Upon termination of the duties of Escrow Agent as described in paragraph 5.22 or 5.23 above, Escrow Agent shall deliver the Deposit held by Escrow Agent and any other documents maintained by Escrow Agent relating to the Deposit to the successor escrow agent.

6. CLOSING DATE AND PLACE

6.1 The Closing shall be held at the offices of Sponsor's attorney, as defined above, or such other place in the City and State of New York as Sponsor may designate and:

Strike Inapplicable:

- (___) on such date and hour as Sponsor may designate on not less than thirty (30) days' prior written notice, (hereinafter called the "Initial Closing Notice").
- (___) on _____, at _____

If Sponsor consents to close at any other location as an accommodation to Purchaser, Purchaser shall pay to Sponsor's attorney at the Closing an extra fee as set forth in the Plan. After the Initial Closing Notice, Sponsor may, from time to time, adjourn and reschedule the date and hour for the Closing on not less than five (5) business days' notice to Purchaser, which new closing notice shall fix a new date, hour and place for the Closing and which date shall not be earlier than the date set forth in the Initial Closing Notice.

Only the Initial Closing Notice shall require thirty (30) day prior written notice. Notwithstanding anything to the contrary, if a firm closing date is set forth in this Agreement, and such date is within thirty (30) days of the execution of this Agreement, Purchaser shall be deemed to have waived thirty (30) day notice requirement. These notice provisions may be modified or waived by an agreement signed by Sponsor and Purchaser.

6.2 The term "Closing" shall mean the date on which the deed to the Unit is delivered to Purchaser upon payment of the Balance of the Purchase Price.

7. CLOSING DOCUMENTS

7.1 At the Closing, Sponsor shall deliver to Purchaser the following:

 - (i) all keys to the doors of, and mailbox for, the Unit;
 - (j) the assignment by Sponsor to Purchaser of the right to proceed under any existing assignable warranties actually received by Sponsor, its agents, affiliates, employees or contractors, covering appliances, equipment or fixtures installed in the Unit. Neither Sponsor nor its principals, managers, members, agents, designees or affiliates make any representation as to which, if any, of the warranties will continue to remain in force upon the Closing. If any warrantor is unable to perform under its warranty due to inability, unwillingness or any other reason, neither Sponsor nor its principals, managers, members, agents, designees or affiliates shall under any circumstances be considered a successor warrantor. Neither Sponsor nor its principals, managers, members, agents, designees or affiliates shall have any obligations or responsibilities with respect to such warranties, or the work or item warranted, even if the warrantor goes out of business, declares bankruptcy or simply fails to fulfill the conditions of the warranty. Recourse is only to the warrantor and not to Sponsor, its principals, managers, members, agents, designees or affiliates.

7.2 At the Closing, Purchaser shall deliver to Sponsor the following:

- (a) power of attorney in the form set forth in Part II of the Plan. The power of attorney shall be executed and acknowledged by Purchaser in proper statutory form for recording;

- (j) agreement to maintain the Unit as Purchaser's primary residence for at least five (5) years after the Closing Date.

7.3 The executed deed, power of attorney and all transfer tax forms shall be delivered to the Title Company for recording in the Office of the City Register, which recording shall be at Purchaser's expense. After being recorded the deed shall be returned to Purchaser and the power of attorney shall be returned to the Condominium.

7.4 Purchaser's payment of the Balance of the Purchase Price and acceptance of the deed to the Unit shall constitute Purchaser's recognition that Sponsor has satisfactorily performed those obligations stated in the Plan and this Agreement to be performed by Sponsor prior to the Closing. However, nothing herein contained shall excuse Sponsor from performing those obligations, if any, expressly stated herein or in the Plan to be performed subsequent to the Closing, and nothing herein shall be in derogation of Purchaser's rights under Article 23-A of the General Business Law of the State of New York, the Plan, and applicable regulations of the Department of Law.

8. STATUS OF TITLE

8.1 At the Closing, Sponsor shall convey to Purchaser, and Purchaser shall accept such fee title to the Unit as the Title Company will approve and insure without additional premium to Purchaser, provided that the only liens and encumbrances affecting title shall be those set forth in the deed and Schedule A, annexed hereto and made a part hereof and those expressly agreed to by Purchaser. Any lien and encumbrance or condition which is not set forth in the deed or Schedule A shall not be an objection to title if:

- (a) the instrument required to remove it of record is delivered at or prior the Closing to the Title Company, together with the attendant recording or filing fee, if any, or
- (b) the Title Company is or would be willing, in a policy issued by it to Purchaser, to insure Purchaser that it will not be collected out of the Unit if it is a lien, or will not be enforced against the Unit if it is not a lien.

Sponsor shall not be obligated to cause the Title Company to omit any exceptions if the Title Company is willing to insure, without additional premium, Purchaser's title with such exceptions.

8.2 Sponsor shall be entitled to adjourn the Closing to remove or correct any defect in title which is not set forth in the deed or Schedule A. However, if such defect existed at least ten (10) days prior to the Closing, and Purchaser or Purchaser's attorney failed to send Sponsor's attorney written notice of such defect in title at least ten (10) days prior to the Closing, then, for purposes of Section 13 below, Purchaser shall be deemed at fault for not having sent timely notice, and the Closing adjournment to allow Sponsor to correct or remove such title defect shall be considered as being at the request of Purchaser.

8.3 If, subsequent to the Closing, Purchaser claims that Sponsor did not convey title to the Unit in accordance with the Plan, Purchaser must first seek recovery against the Title Company before proceeding against Sponsor. Sponsor and Purchaser agree that Sponsor's liability will be limited to any loss or damage not covered by the Title Company. If Purchaser did not obtain the title insurance at the Closing, for purposes of this subparagraph, the amount and coverage which Purchaser could have obtained from the Title Company shall be deducted from the loss or damage collectable against Sponsor. Nothing contained in this subparagraph shall be construed to waive any of Purchaser's rights or abrogate any of Sponsor's obligations under the Plan or Article 23-A of the General Business Law of the State of New York.

9. CLOSING ADJUSTMENTS

9.1 The following adjustments shall be made as of the midnight of the day preceding the Closing with respect to the Unit:

- (a) real estate taxes and assessments, if any, on the basis of the period for which assessed;
- (b) common charges and assessments for the month in which the Closing occurs; and
- (c) if Purchaser is allowed to occupy the Unit prior to the Closing, accrued occupancy fees and any other charges pursuant to an interim lease, if any, covering the Unit.

9.2 In the event that the Units have not been separately assessed for real estate tax purposes prior to the closing of title to the first Unit, Sponsor shall place in escrow in the name of the Board of Managers an amount equal to the real estate taxes attributable to the Unsold Units, which will be levied against them for the six (6) month period following the first closing,

or until the Units are separately assessed, whichever is sooner, and will collect at each Unit closing the estimated amount of taxes attributable to such Unit for the balance of the six (6) month period. The Board of Managers shall pay the real estate taxes from the escrow account when taxes are due and payable, and Sponsor shall be entitled to reimbursement from Unit Owners to the extent of the actual assessment. If the Unit has not been separately assessed for real estate taxes as of the Closing for the then current tax period, the adjustment will be based upon the assessment for the Property and the percentage interest in the Common Elements appurtenant to the Unit. Installments for tax assessments due after delivery of the deed, if any, shall be paid by Purchaser and shall not be considered a defect in title.

9.3 Purchaser agrees that, if Sponsor obtains a refund for real property taxes paid, or there is a deficiency in the taxes, Purchaser and Sponsor will apportion the refund/deficiency (as well as the costs and/or fees for obtaining the refund or credit) based on the percentage of time for which the refund or credit is obtained during which each party hereto owned the Unit. The provisions of this Section 9.3 shall survive the Closing.

9.4 Provided Sponsor is ready, willing and able to close title in accordance with this Agreement, if Purchaser fails for any reason to close title to the Unit on the originally scheduled Closing:

- (a) the Closing apportionments described in Section 9.1 of this Agreement will be made as of the midnight of the day preceding the originally scheduled Closing, regardless of when the actual Closing occurs, and
- (b) Purchaser will be required to pay to Sponsor, as a reimbursement of Sponsor's higher carrying costs for the Unit by virtue of the delay, and in addition to the other payments to be made to Sponsor under this Agreement and the Plan, an amount equal to 0.03% of the Purchase Price for each day starting from and including the originally scheduled Closing to and including the day before the actual Closing. The interest rate charged will not exceed maximum legal usury limits.

If, through no fault of Purchaser, Sponsor postpones the originally scheduled Closing, these provisions shall apply to the rescheduled Closing if Purchaser fails for any reason to close title to the Unit on the rescheduled Closing.

9.5 Adjustments and apportionments shall be calculated on the basis of the actual number of days in the period for which payments were made or are due, as the case may be.

9.6 Any errors or omissions calculating apportionments at the Closing shall be corrected, and any payment shall be made to the proper party promptly after discovery. This provision shall survive the Closing.

10. MORTGAGE TAX CREDIT

In the event a mortgage recording tax credit becomes available pursuant to Section 339-ee(2) of the Real Property Law of the State of New York, it is specifically understood that such

credit shall inure to the benefit of Sponsor. Accordingly, at the Closing, Purchaser obtaining a financing secured by the Unit will be required to pay the full amount (but not in excess thereof) of the mortgage recording tax chargeable on the entire amount.

11. CLOSING COSTS

In addition to those costs and adjustments described in Sections 9 and 10 herein, Purchaser shall be required to pay the other closing costs which are Purchaser's responsibility as more particularly described in "Unit Closing Costs and Adjustments" Section of the Plan. All such closing costs shall be paid by Purchaser at the Closing, by Purchaser's unendorsed personal certified check or by official bank check, in either event drawn on or issued by a United States Bank or trust company which is a member of the New York Clearing House Association. No personal check shall exceed \$500.00.

12. AGREEMENT NOT A LIEN OR ENCUMBRANCE

No lien or encumbrance shall arise against the Building or the Unit as a result of this Agreement or any monies deposited hereunder. In furtherance and not in limitation of the provisions of the preceding sentence, Purchaser agrees that the provisions of this Agreement are and shall be subject and subordinate to the lien of any mortgage heretofore or hereafter made, including, but not limited to, any construction or building loan mortgage, and any advances heretofore or hereafter made thereon and any payments or expenses made or incurred or which hereafter may be made or incurred, pursuant to the terms thereof, or incidental thereto, or to protect the security thereof, to the full extent thereof, without the execution of any further legal documents by Purchaser. This subordination shall apply in all cases, regardless of the timing of, or cause for, the making of advances of money or the incurring of expenses.

At the time of conveyance of the Unit, each mortgagee will either:

- (a) consent to the formation of the Condominium and acknowledge that its lien will be limited to the Unsold Units;
- (b) subordinate the lien of its mortgage to the Declaration of the Condominium; or
- (c) release its lien on the Unit being conveyed and its interest in the Common Elements.

The existence of any mortgage or mortgages encumbering the Property, or portions thereof, other than the Unit and its undivided interest in the Common Elements, shall not constitute an objection to title or excuse Purchaser from completing payment of the Purchase Price or performing all of Purchaser's other obligations hereunder or be the basis of any claim against, or liability of, Sponsor, provided that any such mortgages are subordinated to the Declaration.

13. DEFAULT BY PURCHASER

13.1 The following shall constitute "Events of Default" hereunder:

- (a) Purchaser's failure to pay the Balance of the Purchase Price, or any closing adjustment or closing costs required to be paid by Purchaser as set forth in the Plan or in this Agreement, or the dishonor of any check given by Purchaser to Sponsor; or
- (b) Purchaser's failure to pay, perform or observe any of Purchaser's other obligations under this Agreement or the Plan; or
- (c) if Purchaser is permitted to become the tenant or occupant of the Unit, Purchaser's failure to pay occupancy fees or to otherwise comply with some other terms of interim lease; or
- (d) Purchaser's assignment of any of Purchaser's property for the benefit of creditors, or Purchaser's filing a voluntary petition in bankruptcy; or
- (e) if a non-bankruptcy trustee or receiver is appointed over Purchaser or Purchaser's property, or an involuntary petition in bankruptcy is filed against Purchaser; or
- (f) if a judgment or tax lien is filed against Purchaser, and Purchaser does not pay or bond the judgment or lien; or
- (g) Purchaser's assignment or transfer of this Agreement without the prior written consent of Sponsor; or
- (h) Purchaser's listing the Unit for resale or rental with any broker or advertising or otherwise offering, promoting or publicizing the availability of the Unit for sale or rental without Sponsor's prior written consent; or
- (i) Purchaser's refusal to execute and deliver the power of attorney to Sponsor; or
- (j) an Event of Default by Purchaser beyond any applicable grace period under a Purchase Agreement between Purchaser and Sponsor for another Unit in the Building.

13.2 **TIME IS OF THE ESSENCE** with respect to Purchaser's obligations to pay the Balance of the Purchase Price and to pay, perform or comply with Purchaser's other obligations under this Agreement. Upon the occurrence of an Event of Default, Sponsor, in its sole discretion, may elect by notice to Purchaser to cancel this Agreement. If Sponsor elects to cancel, Purchaser shall have thirty (30) days from the giving of the written notice of cancellation to cure the specified default.

If the default is not cured within said thirty (30) days, **TIME BEING OF THE ESSENCE**, then this Agreement will be deemed cancelled, and Sponsor will have the right to retain the Deposit and actual costs incurred by Sponsor for any upgrades, extras, special or custom work in the Unit ordered by Purchaser, as and for liquidated damages. Upon the cancellation of this Agreement, neither party shall have any further rights, obligations or liability to or against the other and the parties shall be released and discharged from all obligations and liability under this Agreement and the Plan, and the Unit may be sold to another as though this Agreement had never been made, and without any obligation to account to Purchaser for any of the proceeds of such sale.

Sponsor shall not seek the remedy of specific performance in connection with this Agreement.

13.3 Except in connection with the exercise of the Purchaser's right to specific performance, Purchaser hereby waives any right or privilege to place a lis pendens upon the Unit and, accordingly, notwithstanding anything contained herein to the contrary, Purchaser shall be liable for all damages, including, without limitation, treble damages, relating to the Purchaser's failure to comply with the terms of this Section 13.3. This Section 13.3 shall survive the termination of this Agreement.

14. AGREEMENT SUBJECT TO PLAN BEING EFFECTIVE

The performance by Sponsor of its obligations under this Agreement is contingent upon the Plan having been declared effective in accordance with the terms and provisions of the Plan. The Plan may be withdrawn or abandoned by Sponsor only under certain conditions and at certain times, as set forth in the Plan. If the Plan is abandoned or if, after being declared effective, the Plan is not consummated for any reason and Purchaser is not in default under this Agreement beyond any applicable grace period, this Agreement shall be deemed cancelled and the Deposit, the Advance and all other monies paid on account of the Purchase Price shall be returned to Purchaser within five (5) days of the acceptance of the abandonment amendment. Upon such return, neither party shall have any further rights, obligations or liability to or against the other and the parties shall be released and discharged from all obligations and liability under this Agreement and the Plan.

15. SPONSOR'S INABILITY TO CONVEY THE UNIT

If Sponsor is unable to deliver title to the Unit to Purchaser in accordance with the provisions of this Agreement and the Plan, Sponsor shall not be obligated to bring any action or proceeding or otherwise incur any cost or expense of any nature whatsoever in excess of its obligations set forth in the Plan in order to cure such inability. If Sponsor is unable to deliver title to the Unit to Purchaser in accordance with the provisions of this Agreement and the Plan, this Agreement shall be deemed cancelled and the Deposit, the Advance and all other monies paid on account of the Purchase Price shall be returned to Purchaser within five (5) days of Sponsor's notification to Purchaser that it cannot convey title. Upon such return, neither party shall have any further rights, obligations or liability to or against the other and the parties shall be released and discharged from all obligations and liability under this Agreement and the Plan.

16. FIXTURES, APPLIANCES AND PERSONAL PROPERTY

Only those fixtures, appliances and items of personal property, which are described in the Plan as being included in the Unit, are included in this sale. No portion of the Purchase Price shall be attributable to such items.

17. CONSTRUCTION OF THE BUILDING AND THE UNIT

17.1 The construction of the Building and the Unit, including the materials, equipment and fixtures to be installed therein, shall be substantially in accordance with the Plan and the plans and specifications, subject to the right of Sponsor to amend the Plan and the plans and specification in order to substitute materials, equipment or fixtures of equal or better quality, provided that the approval of any governmental authorities having jurisdiction is first obtained (if required). The issuance of a permanent certificate of occupancy for the Building shall be deemed presumptive evidence that the Building and the Unit have been fully completed in accordance with the Plan and the plans and specifications. However, nothing herein contained shall excuse Sponsor from its obligation to correct any defects in construction in accordance with the conditions set forth in "Rights and Obligations of Sponsor" Section of the Plan.

17.2 The construction of the Building and the Unit and the correction of any defects in the construction thereof to the extent required under the Plan are the sole responsibility of Sponsor. Purchaser acknowledges and agrees that Sponsor will not be liable for, and will have no obligation to correct, certain variations from the Plan and plans and specifications as indicated in "Rights and Obligations of Sponsor" Section of the Plan and will only be responsible to correct any construction defects to the extent, and on the terms and conditions, set forth in such Section.

17.3 The Closing shall occur only after, or concurrently with, compliance with the prerequisites set forth under "Terms of Sale" Section of the Plan. As a result, if all such prerequisites are met, Purchaser shall be obligated to close and complete payment of the entire Balance of the Purchase Price, without credit or set-off and without provision for escrow, notwithstanding any construction items noted on Purchaser's Inspection Statement (as hereinafter defined) remaining for Sponsor to complete and/or correct in accordance with its obligation under the Plan, and notwithstanding the incomplete construction and/or decoration of any other portions of the Building or the Unit.

17.4 The actual date for the first closing is not guaranteed or warranted, and may be earlier or later depending on the progress of construction and compliance with the other prerequisites recited in "Terms of Sale" Section of the Plan. Purchaser acknowledges that construction of the Building may be delayed by acts of God, inclement weather conditions, restrictions imposed by any governmental agency, labor strikes, material shortages, late delivery of material or equipment, unavailability of trades, and other events beyond Sponsor's reasonable control. Purchaser further acknowledges that the Units in the Building will be completed at varying times over a period that could extend well beyond the first closing. The order in which these Units will be completed is in the discretion of Sponsor. Purchaser acknowledges that except as otherwise provided in the Plan, Purchaser shall not be excused from paying the entire Balance of the Purchase Price, without credit or set-off and without provision for escrow, and shall have no claim against Sponsor for damages or losses, in the event that the first closing occurs substantially later than the projected date or the time to complete or to close title to the Unit is delayed or is postponed by Sponsor.

18. INSPECTION OF THE UNIT

18.1 Upon receipt of the Initial Closing Notice, Purchaser shall arrange an appointment with a representative of Sponsor to inspect the Unit within seven (7) days prior to the Closing. Purchaser or Purchaser's duly authorized agent shall attend such inspection and shall complete, date and sign the Inspection Statement in the form set forth as Schedule B to this Agreement and deliver same to Sponsor's representative at the conclusion of the inspection. Failure of Purchaser either to arrange such appointment or to inspect the Unit within seven (7) days prior to the Closing or to so sign and deliver the completed Inspection Statement shall not excuse Purchaser from paying the Balance of the Purchase Price when due and shall constitute Purchaser's full acceptance of the Unit as is. However, nothing herein shall relieve Sponsor of its obligations as set forth in "Rights and Obligations of Sponsor" Section of the Plan.

18.2 Any work set forth on the Inspection Statement may be completed by Sponsor in a reasonable period of time following the Closing and shall not be grounds for delaying the Closing. Purchaser will be required to provide Sponsor with reasonable access to the Unit subsequent to the Closing in order to complete punch-list work. Sponsor has no obligation under the Plan to deposit any monies in escrow at the Closing as a result of any punch-list items.

19. DAMAGE TO THE UNIT

If between the date of this Agreement and the Closing the Unit is damaged by fire or other casualty, the following shall apply:

19.1 Risk of loss from fire or other casualty remains with Sponsor until legal title to the Unit has been conveyed to Purchaser, unless Purchaser, with the prior written consent of Sponsor, takes possession of the Unit before the closing pursuant to the Interim Lease. In such a case, Purchaser will assume risk of loss not covered by insurance.

Sponsor shall have no obligation or liability to repair or restore the Unit. If Sponsor elects to repair or restore the Unit (which election shall be in its sole discretion and made within sixty (60) days of the damage to the Unit), this Agreement shall continue in full force and effect, Purchaser shall not have the right to reject title or receive a credit against, or abatement in, the Purchase Price and Sponsor shall complete the repair or restoration within ninety (90) days after the notice. Any proceeds received from insurance or in satisfaction of any claim or action in connection with such loss shall, subject to the rights of the Board of Managers of the Condominium and other Unit Owners if the Declaration has theretofore been recorded, belong entirely to Sponsor and, if such proceeds are paid to Purchaser, Purchaser shall promptly upon receipt thereof turn them over to Sponsor. The provisions of the preceding sentence shall survive the Closing.

19.2 In the event Sponsor notifies Purchaser that it does not elect to repair or restore the Unit (which election shall be made within sixty (60) days of the damage to the Unit), or, if the Declaration has been recorded prior thereto and the Unit Owners do not resolve to make such repairs or restoration pursuant to the By-Laws, this Agreement shall be deemed cancelled and the Deposit, the Advance and all other monies paid on account of the Purchase Price, including any

deposits made for upgrades, extras, special or custom work ordered by Purchaser, shall be returned to Purchaser within ten (10) days of Sponsor's notification to Purchaser that it does not elect to repair or restore the Unit or Unit Owners' notification that they do not intend to repair or restore the Unit pursuant to the By-Laws, whichever is sooner. Upon such return, neither party shall have any further rights, obligations or liability to or against the other and the parties shall be released and discharged from all obligations and liability under this Agreement and the Plan.

20. NO REPRESENTATIONS

Purchaser acknowledges that Purchaser has not relied upon any architect's plans, sales plans, selling brochures, advertisements, representations, warranties, statements or estimates of any nature whatsoever, whether written or oral, made by Sponsor, Selling Agent or otherwise, including, but not limited to, any relating to the description or physical condition of the Building or the Unit, or the size or the dimensions of the Unit or the rooms therein contained or any other physical characteristics thereof, the services to be provided to Unit Owners, the estimated Common Charges allocable to the Unit, the estimated proportionate real estate taxes on the Unit, the right to any income tax deduction for any real estate taxes or mortgage interest paid by Purchaser, or any other data, except as herein or in the Plan specifically represented. Purchaser has relied solely on Purchaser's own judgment and investigation in deciding to enter into this Agreement and purchase the Unit. No person has been authorized to make any representations on behalf of Sponsor except as herein or in the Plan specifically set forth. No oral representations or statements shall be considered a part of this Agreement. Sponsor makes no representation or warranty as to the work, materials, appliances, equipment or fixtures in the Unit, the Common Elements or any other part of the Property other than as set forth herein or in the Plan.

Except as otherwise set forth in the Plan, Purchaser agrees that Purchaser shall not be relieved of any Purchaser's obligations hereunder by reason of any immaterial or insubstantial inaccuracy or error.

The provisions of this Section 20 shall survive the Closing.

21. PROHIBITION AGAINST ADVERTISING

Prior to the Closing, Purchaser agrees not to list the Unit for resale or rental with any broker or to advertise or otherwise offer, promote or publicize the availability of the Unit for sale or lease, without Sponsor's prior written consent, which consent may be unreasonably withheld or delayed. Any listing of the Unit or form of advertising, promotion or publicizing of the Unit by Purchaser prior to the Closing shall be a default by Purchaser, entitling Sponsor to the default remedies set forth in this Agreement.

22. BROKER

Purchaser represents to Sponsor that Purchaser has not dealt with any broker in connection with this transaction other than the broker, if any, named in this Agreement, whose commissions shall be paid by Sponsor. Purchaser shall pay the commission of any broker with whom Purchaser may have dealt, other than the Broker. Purchaser agrees that, should any claim

be made against Sponsor for commissions by any broker, other than the Broker, on account of any acts of Purchaser or Purchaser's representatives, Purchaser will indemnify and hold Sponsor free and harmless from and against any and all liabilities and expenses in connection therewith, including reasonable legal fees. The provisions of this Section 22 shall survive the Closing.

23. AGREEMENT MAY NOT BE ASSIGNED

Purchaser does not have the right to assign this Agreement without the prior written consent of Sponsor, which consent may be withheld for any reason. Any purported assignment by Purchaser in violation of this Agreement will be voidable at the option of Sponsor and be deemed a default of Purchaser. Sponsor's refusal to consent to an assignment will not entitle Purchaser to cancel this Agreement or give rise to any claim for damages against Sponsor.

Sponsor may not withhold permission for the assignment of the Purchase Agreement based upon race, creed, color, national origin, sex, age, disability, marital status or other grounds prohibited by law.

24. BINDING EFFECT

The submission of this Agreement to Purchaser does not create a binding obligation on the part of Sponsor. This Agreement shall not be binding on Sponsor until a fully executed counterpart hereof has been sent out to Purchaser or Purchaser's attorney.

Within thirty (30) days after delivery by Purchaser of an executed copy of this Agreement, together with the Deposit and the Advance, if any, Sponsor shall either:

- (a) accept this Agreement and cause to be returned to Purchaser the fully executed counterpart thereof, or
- (b) reject this Agreement offer and refund the Deposit and the Advance, if any, tendered.

If Sponsor takes no action within said thirty (30) day period, this Agreement shall be deemed null and void. Upon refund of the Deposit and the Advance, if any, to Purchaser, neither party shall have any further rights, obligations or liability to or against the other and the parties shall be released and discharged from all obligations and liability under this Agreement and the Plan.

Prior to Sponsor's countersigning and returning this Agreement to Purchaser, and at any time thereafter, Purchaser agrees upon request to provide Sponsor with written information about Purchaser's employment, financial and rental/ownership history. Such information obtained prior to countersignature may be used to determine Purchaser's qualification to purchase and own the Unit, but does not constitute a reservation or binding obligation on either the applicant or Sponsor.

Sponsor has the right, without incurring any liability, to reject this Agreement without cause or explanation to Purchaser.

Notwithstanding anything to the contrary, this Agreement may not be rejected due to Purchaser's sex, race, creed, color, national origin, ancestry, disability, marital status, or other grounds proscribed by law.

25. NOTICES

25.1 Any notice, election, demand, request, letter, consent or other communication to Purchaser, hereunder or under the Plan, shall be in writing and either delivered in person or sent, postage prepaid, by registered or certified mail return receipt requested or by Federal Express or other reputable overnight courier, with receipt confirmed or via facsimile with a confirmation letter, to Purchaser's attorney at the address given at the beginning of this Agreement.

Any notice, election, demand, request, letter, consent or other communication to Sponsor, hereunder or under the Plan, shall be in writing and either delivered in person or sent, postage prepaid, by registered or certified mail return receipt requested or by Federal Express or other reputable overnight courier, with receipt confirmed or via facsimile with a confirmation letter, to Sponsor's attorney at the address given at the beginning of this Agreement.

Either party may hereafter designate to the other in writing a change in the address to which notices are to be sent.

Except as otherwise expressly provided herein, a notice shall be deemed given when personal delivery or delivery by overnight courier is effected, or in the case of mailing, three (3) business days after the date of mailing, except that the date of actual receipt shall be deemed to be the date of the giving of any notice of change of address.

25.2 Any notice given by the other party's attorney shall be deemed to be notice from such party itself. Any notice given to the other party's attorney shall be deemed to be notice to such other party.

25.3 The parties hereunder authorize their attorneys to modify this Agreement on behalf of the parties and such modification shall have the same force and effect as if given by the parties.

26. JOINT PURCHASERS

The term "Purchaser" shall be read as "Purchasers" if more than one person are Purchasers, in which case their obligations shall be joint and several.

27. LIABILITY OF SPONSOR

Sponsor shall be excused from performing any obligation or undertaking provided for in this Agreement for so long as such performance is prevented, delayed or hindered by an act of God, fire, flood, explosion, war, riot, sabotage, inability to procure or general shortage of energy, labor, equipment, facilities, materials or supplies in the open market, failure of transportation, strike, lockout, action of labor unions, or any other cause (whether similar or dissimilar to the

foregoing) not within the reasonable control of Sponsor. Sponsor's time to perform such obligations or undertaking shall be tolled for the length of the period during which such performance was excused.

28. FURTHER ASSURANCES

Either party shall execute, acknowledge and deliver to the other party such instruments, and take such other actions, in addition to the instruments and actions specifically provided for herein, as such other party may reasonably request in order to effectuate the provisions of this Agreement or of any transaction contemplated herein or to confirm or perfect any right to be created or transferred hereunder or pursuant to any such transaction.

29. AGREEMENT CONTINGENT UPON FINANCING

(a) The obligation of Purchaser to purchase under this Agreement is conditioned upon issuance, on or before forty five (45) days after a fully executed copy of this Agreement is given to Purchaser or Purchaser's attorney in the manner set forth in Section 25 or 29(j), (hereinafter called the "Commitment Date"), of a written commitment from an institutional lender, (hereinafter called the "Institutional Lender"), pursuant to which the Institutional Lender agrees to make a first mortgage loan, other than a VA, FHA or other governmentally insured loan, to Purchaser, at Purchaser's sole cost and expense, in the amount of \$ _____ for a term of at least thirty (30) years (or such lesser sum or shorter term as Purchaser shall be willing to accept) at the prevailing fixed or adjustable rate of interest and on other customary commitment terms, (hereinafter called the "Commitment"). To the extent a Commitment is conditioned on Institutional Lender's approval of an appraisal, the sale of Purchaser's current home, payment of any outstanding debt, no material adverse change in Purchaser's financial condition or any other customary conditions, Purchaser accepts the risk that such conditions may not be met.

(b) Purchaser shall (i) make prompt application to the Institutional Lender, for such mortgage loan within five (5) days after the fully executed copy of this Agreement is given to Purchaser or Purchaser's attorney in the manner set forth in Section 25 or 29(j), (ii) furnish to the Institutional Lender accurate and complete information regarding Purchaser and members of Purchaser's family, as required, (iii) pay all fees, points and charges required in connection with such application and loan, (iv) pursue such application with diligence, and (v) cooperate in good faith with the Institutional Lender. Purchaser shall accept a Commitment meeting the terms set forth in Section 29(a) and shall comply with all requirements of such Commitment (or any other commitment accepted by Purchaser). IF PURCHASER FAILS TO COMPLY WITH THESE OBLIGATIONS AND REQUIREMENTS, PURCHASER SHALL BE DEEMED TO HAVE WAIVED PURCHASER'S RIGHT TO CANCEL THIS AGREEMENT AND TO RECEIVE A REFUND OF THE DEPOSIT BY REASON OF THE CONTINGENCY CONTAINED IN THIS SECTION 29. Purchaser shall furnish Sponsor with a copy of the Commitment promptly after receipt thereof.

(c) If a Commitment was issued but it lapsed or expired prior to the Closing, Purchaser shall make a good faith effort to extend the Commitment and pay all required costs,

fees and expenses to extend the Commitment up to the Closing. In no event whatsoever will Sponsor be liable for any costs, fees or expenses relating to the extension of the Commitment, even if the lapse or expiration of the Commitment resulted from a delay in the closing caused by Sponsor. If a Commitment was issued but its terms were not materially and adversely changed prior to the closing, Purchaser shall nevertheless be required to purchase a Unit.

Notwithstanding anything to the contrary stated anywhere in this Agreement, if a Commitment was issued but it lapsed or expired prior to the Closing, and Purchaser has made a good faith effort to extend the Commitment, but the Institutional Lender nevertheless refused or failed to extend the Commitment, Purchaser will have a right of rescission until the midnight of the fifteenth day following notice from the Institutional Lender of its failure or refusal to extend the Commitment. Purchaser or Purchaser's attorney must either [i] personally deliver a written notice of rescission to Sponsor's attorney prior to the midnight of said fifteenth day, [ii] mail the notice of rescission by certified or registered mail, return receipt requested, to Sponsor's attorney, so that mailing is post-marked by post-office prior to the midnight of said fifteenth day, or [iii] send the notice of rescission to Sponsor's attorney by an email set forth in the Purchase Agreement, prior to the midnight of said fifteenth day. If Purchaser fails to give timely notice of cancellation, then Purchaser will be deemed to have waived Purchaser's right to cancel this Agreement and to receive a refund of the Deposit by reason of the contingency.

Notwithstanding anything to the contrary stated anywhere in this Agreement, if Purchaser acts in good faith and the Institutional Lender revokes a Commitment after the Commitment Date, Purchaser will have a right of rescission until the midnight of the fifteenth day following notice from the Institutional Lender of its revocation of the Commitment. Purchaser or Purchaser's attorney must either [i] personally deliver a written notice of rescission to Sponsor's attorney prior to the midnight of said fifteenth day, [ii] mail the notice of rescission by certified or registered mail, return receipt requested, to Sponsor's attorney, so that mailing is post-marked by post-office prior to the midnight of said fifteenth day, or [iii] send the notice of rescission to Sponsor's attorney by an email set forth in the Purchase Agreement, prior to the midnight of said fifteenth day. If Purchaser fails to give timely notice of cancellation, then Purchaser will be deemed to have waived Purchaser's right to cancel this Agreement and to receive a refund of the Deposit by reason of the contingency.

(d) If the Institutional Lender denies such application in writing prior to the Commitment Date, Purchaser will have a right of rescission until the midnight of the fifteenth day following the Commitment Date, provided that Purchaser has complied with all his obligations under this Section 29. Purchaser or Purchaser's attorney must either [i] personally deliver a written notice of rescission to Sponsor's attorney prior to the midnight of said fifteenth day, [ii] mail the notice of rescission by certified or registered mail, return receipt requested, to Sponsor's attorney, so that mailing is post-marked by post-office prior to the midnight of said fifteenth day, or [iii] send the notice of rescission to Sponsor's attorney by an email set forth in the Purchase Agreement, prior to the midnight of said fifteenth day.

(e) If no Commitment is issued by the Institutional Lender on or before the Commitment Date, then, unless Purchaser has accepted a written commitment from the Institutional Lender that does not conform to the terms set forth in Section 29(a), Purchaser will

have a right of rescission until the midnight of the fifteenth day following the Commitment Date, provided that Purchaser has complied with all his obligations under this Section 29. Purchaser or Purchaser's attorney must either [i] personally deliver a written notice of rescission to Sponsor's attorney prior to the midnight of said fifteenth day, [ii] mail the notice of rescission by certified or registered mail, return receipt requested, to Sponsor's attorney, so that mailing is post-marked by post-office prior to the midnight of said fifteenth day, or [iii] send the notice of rescission to Sponsor's attorney by an email set forth in the Purchase Agreement, prior to the midnight of said fifteenth day.

(f) If this Agreement is canceled by Purchaser pursuant to Sections 29(c), (d) or (e), neither party shall have any further rights, obligations or liability to or against the other and the parties shall be released and discharged from all obligations and liability under this Agreement and the Plan, except that the Deposit shall be promptly refunded to Purchaser and except as set forth in Section 22.

(g) If Purchaser fails to give timely notice of cancellation pursuant to Sections 29(c), (d) or (e) or if Purchaser accepts a written commitment from the Institutional Lender that does not conform to the terms set forth in Section 29(a), then Purchaser shall be deemed to have waived Purchaser's right to cancel this Agreement and to receive a refund of the Deposit by reason of the contingency contained in this Section 29.

(h) If Sponsor has not received a copy of a Commitment from the Institutional Lender accepted by Purchaser by the Commitment Date, Sponsor may cancel this Agreement by giving notice to Purchaser within five (5) business days after the Commitment Date, which cancellation shall become effective unless Purchaser delivers a copy of such Commitment to Sponsor within five (5) business days after the Commitment Date. After such cancellation, neither party shall have any further rights against, or obligations or liabilities to, the other by reason of this Agreement, except that the Deposit shall be promptly refunded to Purchaser (provided Purchaser has complied with all of his obligations under this Section 29) and except as set forth in Section 22.

(i) The attorneys for the parties are hereby authorized to give and receive on behalf of their clients all notices and deliveries under this Section 29.

(j) For purposes of Sections 29(a) and (b), Purchaser shall be deemed to have been given a fully executed copy of this Agreement, when personal delivery or delivery by overnight courier is effected, or in the case of ordinary or regular mailing, three (3) business days after the date of mailing.

(k) For purposes of this Agreement, the term "Institutional Lender" shall mean any bank, savings bank, private banker, trust company, savings and loan association, credit union or similar banking institution whether organized under the laws of this state, the United States or any other state; foreign banking corporation licensed by the Superintendent of Banks of New York or regulated by the Comptroller of the Currency to transact business in New York State; insurance company duly organized or licensed to do business in New York State; mortgage

banker licensed pursuant to Article 12-D of the Banking Law; and any instrumentality created by the United States or any state with the power to make mortgage loans.

30. COSTS OF ENFORCING AND DEFENDING AGREEMENT

If Sponsor prevails in any action against Purchaser arising out this Agreement, Purchaser shall be obligated to reimburse Sponsor for reasonable attorney's fees and disbursements incurred by Sponsor in either defending an action commenced by Purchaser or prosecuting an action commencement by Sponsor.

If Purchaser prevails in any action against Sponsor arising out this Agreement, Sponsor shall be obligated to reimburse Purchaser for reasonable attorney's fees and disbursements incurred by Purchaser in either defending an action commenced by Sponsor or prosecuting an action commencement by Purchaser.

31. SEVERABILITY

If any provision of this Agreement or the Plan is invalid or unenforceable as against any person or under certain circumstances, the remainder of this Agreement or the Plan and the applicability of such provision to other persons or circumstances shall not be affected thereby. Each provision of this Agreement or the Plan, except as otherwise herein or therein provided, shall be valid and enforced to the fullest extent permitted by law.

32. STRICT COMPLIANCE

Any failure by either party to insist upon the strict performance by the other of any of the provisions of this Agreement shall not be deemed a waiver of any of the provisions hereof, and each party, notwithstanding any such failure, shall have the right thereafter to insist upon the strict performance by the other party of any and all of the provisions of this Agreement to be performed by such party.

33. GOVERNING LAW

The provisions of this Agreement shall be governed by and construed in accordance with the internal laws of the State of New York applicable to agreements made and to be performed wholly in the State of New York, without regard to principles of conflicts of law.

34. WAIVER OF JURY TRIAL

Except as prohibited by law, the parties shall, and they hereby do, expressly waive trial by jury in any litigation arising out of, or connected with, or relating to, this Agreement or the relationship created hereby or in the Plan. With respect to any matter for which a jury trial cannot be waived, the parties agree not to assert any such claim as a counterclaim in, nor move to consolidate such claim with, any action or proceeding in which a jury trial is waived.

35. LIMITATION OF HOUSING MERCHANT IMPLIED WARRANTY.

THE HOUSING MERCHANT IMPLIED WARRANTY (ARTICLE 36-B OF THE GENERAL BUSINESS LAW OF THE STATE OF NEW YORK OTHERWISE APPLICABLE TO THIS UNIT HAS BEEN LIMITED BY THE SPONSOR TO THE TERMS OF THE LIMITED WARRANTY ANNEXED HERETO AS EXHIBIT C.

36. SMOKING POLICY OF THE CONDOMINIUM. No smoking shall be permitted in front of the Building and anywhere in the Limited Common Elements and Common Elements. No smoking shall be permitted on the Parking Units and in the Community Facility Unit. Smoking will be permitted in the Residential Units.

37. ENTIRE AGREEMENT

This Agreement, together with the Plan, supersedes any and all understandings and agreements between the parties and constitutes the entire agreement between them with respect to the subject matter hereof.

This Limited Warranty excludes all consequential and incidental damages, except as required by the law of the State of New York.

DECLARATION
Establishing the Plan for the Condominium Ownership,
Pursuant to Article 9-B of the Real Property Law of the State of New York, of
THE 375 SAND LANE CONDOMINIUM

375 FC, LLC, having an address at 2201 Neptune Avenue, Brooklyn, NY 11224, (hereinafter called "Sponsor") does hereby declare:

1. SUBMISSION OF PROPERTY. Sponsor hereby submits the land, described on Schedule A annexed hereto and made a part hereof, (hereinafter called the "Land"), together with the building and improvements thereon erected, (hereinafter called the "Building"), (the Building and the Land are collectively hereinafter called the "Property"), to the provisions of Article 9-B of the Real Property Law of the State of New York, (hereinafter called the "Condominium Act").

Sponsor owns the Property in fee simple absolute.

2. NAME OF CONDOMINIUM. This condominium shall be known as "The 375 Sand Lane Condominium", (hereinafter called the "Condominium").

The Board of Managers of the Condominium is hereinafter called the Board of Managers.

3. AREA OF LAND. The Land has an area of approximately 14,081.00 square feet square feet.

4. DESCRIPTION OF BUILDING. The Building consists of four (4) floors. There are eight (8) residential units, (hereinafter called the "Residential Units" or "Residential Unit"), twenty seven (27) parking units, (hereinafter called the "Parking Units" or "Parking Unit"), and two (2) community facility units, (hereinafter called the "Community Facility Units" or "Community Facility Unit"), in the Building. The Residential Units, Parking Units and Community Facility Units are collectively hereinafter called the "Units", or the "Unit", where applicable.

5. UNITS. (a) Schedule B annexed hereto and made a part hereof sets forth the following data with respect to each Unit necessary for the proper identification thereof: Unit designation; tax lot number; location; permitted usage; percentage of interest in the Common Elements; number of bedrooms and bathrooms; approximate area of appurtenant Limited Common Elements and approximate area of the Unit.

(b) The location of each Unit is more clearly designated on the floor plans, as hereinafter defined, and reference should be made thereto for the statement of the location of each Unit. As shown on the floor plans of the Building, (hereinafter called the "Floor Plans"), certified by Igor Zaslavskiy, R.A., and intended to be filed in the Office of the Register of the City of New York simultaneously with the recording of this Declaration, the horizontal physical dimensions of each Residential Unit and Community Facility Unit consist of the floor area enclosed by the outside face of the masonry work at the exterior walls of the Building and the

non-unit side of the walls and partitions (dividing the Units from corridors, stairs and mechanical space). The vertical physical dimensions of each Residential Unit and Community Facility Unit will consist of the area enclosed vertically from the centerline of the floor slab to the centerline of the ceiling slab.

The Limited Common Elements are not included in the dimensions.

Each Parking Unit consists of the area within its painted lines as shown on the Floor Plans.

(c) The Community Facility Units may be subdivided into two (2) or more Community Facility Units without the approval of the Board of Managers and without paying any cost or charge to the Board of Managers provided, however, that all such subdivision must comply with all applicable codes, rules and regulations.

(d) If a Community Facility Unit is subdivided, (i) a dividing wall or walls will be deemed Limited Common Elements for the exclusive use of the Community Facility Unit Owners whose Community Facility Units are separated by such walls and will be maintained, repaired or replaced by the Owners of the subdivided Units at their sole expense and as their joint and several obligation and (ii) all pipes, wires, ducts, cables, conduits, public utility lines and mechanical equipment (except equipment installed by the Owner of the subdivided Community Facility Unit or tenant of such Owner) used in common by two or more Community Facility Unit Owners will maintained, repaired and replaced by the Owners of the subdivided Community Facility Units at their sole expense and as their joint and several obligation.

(e) In no case may the subdivision of a Community Facility Unit result in a greater percentage of Common Interest for the total of the new Community Facility Units created by such subdivision than existed for the original Community Facility Unit before the subdivision.

6. COMMON ELEMENTS AND LIMITED COMMON ELEMENTS.

A. The Common Elements mean and include:

- (a) The Land on which the Building is located;
- (b) The foundations, columns, girders, beams, supports, chutes, bearing walls, those portions of the exterior walls and insulation beyond the interior exposed face of the exterior wall, those portions of the walls and partitions dividing the Units from corridors, lobbies, stairs, and other mechanical spaces located beyond the unexposed face of the dry walls enclosing the Units, or, where applicable, the subfloor and framing joists including any framing attached to such joists from which the dry wall ceiling of the Unit below is attached; roof bulkhead; skylights (other than those located in the Unit), if any; roofs, halls, vestibules, corridors, lobbies, stairways, fire escapes, and entrances and exits of the Building;
- (c) The basements, cellars, gardens, utility rooms, mechanical rooms, compactor rooms, pump rooms, meter rooms, sprinkler rooms, boiler

rooms, hot water heater rooms, recreation and storage areas outside the Units;

- (d) The premises for the lodging or use of janitors and other persons employed for the operation of the Property;
- (e) The central and appurtenant installations for services such as power, light, gas, hot and cold water, heating, refrigeration, air conditioning;
- (f) The garbage compactors, elevators, escalators, tanks, pumps, motors, fans compressors, water storage tanks, vents, trash chutes, detention tanks, ducts and in general all apparatus and installations existing for common use;
- (g) The sewer pipes and drainage pipes;
- (h) The bicycle parking storage;
- (i) The water meter and electrical meters;
- (j) The condensing units, cooling towers, boiler plants; and

B. The Limited Common Elements mean and include the garden, balconies and terraces appurtenant to the Units in the Building as shown on Schedule B annexed hereto and made a part hereof.

7. USE OF THE BUILDING, THE UNITS, THE COMMON ELEMENTS AND THE LIMITED COMMON ELEMENTS. The Building shall be used solely for the purposes for which the Units may be used.

Each Residential Unit may be used as a residence only.

Each Parking Unit shall be used solely for the storage of passenger motor vehicles of the owners of the Parking Unit, except that, in the event the Parking Unit is not used by its owners, it may be rented by its owners. Any rent of the Parking Unit to persons who are not occupants of the Building shall be for a period of not less than one week and not more than one month. The Parking Unit which has thus been rented shall be made available to the occupants of the Residential Unit, which own the Parking Unit, within thirty days after written request therefor.

Each Community Facility Unit may be used for any legal use permitted by the certificate of occupancy of the Building, the Zoning Resolution of the City of New York or other applicable laws, such as medical offices, dental offices, government operated health centers or independent out-of-hospital health facilities incorporated pursuant to Article 7 of the Social Services Law of the State of New York, churches, rectories, or parish houses. The Community Facility Units shall not be used for: (1) conduct or maintenance of any gambling or gaming activities; (2) homeless shelter; (3) any fire, auction, going-out-of-business or bankruptcy sales, (4) sale of any obscene or pornographic material, (5) sex club of any sort, or (6) a massage parlor.

Notwithstanding the foregoing, Sponsor or Sponsor-designee shall have the right, without the vote or consent of the Board of Managers, other Unit Owners or the holders of Unit mortgages:

- (a) to maintain general, sales or leasing offices in one or more or elsewhere on the Property, to use one or more Units as models and for other promotional purposes and to erect and maintain signs on the Property;
- (b) to have its employees, contractors and sales agents present on the Property;
- (c) to do all things necessary or appropriate, including the use of the Common Elements, to sell or lease Units and to complete construction of the Building or Units and to comply with its obligations.

The Common Elements and the Limited Common Elements may only be used for the furnishing of the services and facilities for which they are reasonably suited and which are incidental to the use and occupancy of Units. However, the Common Elements and the Limited Common Elements may not be used as a dwelling space, and for kindling, building, maintaining or using an open fire, including, without limitation, charcoal, piped natural gas or LPG fired barbeques.

8. DETERMINATION OF PERCENTAGES IN COMMON ELEMENTS. The percentage of Common Interest allocated to each Unit is based upon floor space, subject to the location of such space and the additional factors of relative value to other space in the Condominium, the uniqueness of the Unit, the availability of Common Elements for exclusive or shared use, and the overall dimensions of the particular Unit. The aggregate percentage of Common Interest is 100%.

9. ENCROACHMENTS. If any portion of the Common Elements now encroaches upon any Unit, or if any Unit now encroaches upon any other Unit or upon any portion of the Common Elements, or if any encroachment shall occur hereafter as a result of (a) settling or shifting of the Building, or (b) alteration or repair to the Common Elements made by or with the consent of the Board of Managers, or (c) as a result of repair or restoration of the Building or a Unit after damage by fire or other casualty, or (d) as a result of condemnation or eminent domain proceedings, a valid easement shall exist for such encroachment and for the maintenance of the same so long as the Building shall stand.

10. EASEMENTS.

A. Each Unit Owner shall have an easement in common with the Owners of all other Units to use all pipes, wires, ducts, cables, conduits, public utility lines and other Common Elements located in any of the other Units and serving his or her Unit. Each Unit shall be subject to an easement in favor of the Owners of all other Units to use the pipes, wires, ducts, cables, conduits, public utility lines and other Common Elements serving such other Units and located in such Unit. The Board of Managers shall have a right of access to each Unit, all Common Elements and any Limited Common Elements appurtenant thereto to inspect the same, to remove violations therefrom and/or to maintain, repair or replace the Common Elements contained therein or elsewhere in the Building.

B. Sponsor, Sponsor-designees, successors, assigns, invitees, licensees, contractors, employees and tenants shall have an easement in, on, over and across the Property for:

- (a) construction, installation and development thereon, and for the construction and installation, ingress to and egress from, and use of (including the right to connect with) all pipes, conduits, ducts, cables, wires, storm drainage facilities, water, sewer and other utility lines for the benefit of the Property, and

C. Sponsor, Sponsor-designees, successors, assigns, invitees, licensees, contractors, employees and tenants:

- (a) shall have an easement to erect, maintain, repair and replace from time to time one or more signs on the Building and elsewhere on the Property for the purposes of advertising the sale of Units and the leasing of space in any Unit as well as an easement in and access to Units and Common Elements consistent with the purposes of the condominium offering plan for the Property, as same may be amended, and Sponsor's rights and obligations thereunder, including, without limitation, the right to develop, renovate, maintain, repair, refurbish, offer, sell and lease Units and Common Elements and
- (b) reserve the right to establish, grant and create easements for any additional underground electric transformer, amplifier, gas, cable television, telephone, water, storm drainage, sewer or other utility lines and appurtenances in, under and through the Property, including, without limitation, an easement or easements for the benefit of any property adjacent to the Property, to relocate any existing utility easements in any portion of the Property and to dedicate any or all of such facilities to any governmental body, public benefit corporation or utility company if Sponsor, Sponsor-designees, successors, assigns, invitees, licensees, contractors, employees and tenants shall deem it necessary or desirable for the proper operation and maintenance of the Property or any portion thereof, or for the general health or welfare of any Unit Owner, or the residents of any property adjacent to the Property, or users of any recreation facilities, if any, provided that such additional utilities or the relocation of existing utilities will not prevent or unreasonably interfere with the use of the Units for its intended purpose. Any utility company or public benefit corporation furnishing services to the Property, and the employees and agents of any such company or corporation, shall have the right of access to any Unit, to the Common Elements or the Limited Common Elements in furtherance of such easements, provided such right of access is exercised in such a manner as not unreasonably to interfere

with the use of the Units, and provided that affected Unit Owners are given at least seven (7) day prior written notice of such access.

All Unit Owners, affected by Sponsor's right to access any Unit, will be given at least seven (7) day prior written notice of such access.

D. The Community Facility Unit Owners or their tenants pursuant to the terms of any lease pertaining thereto, shall have the right, without the vote or consent of the Board of Managers, other Unit Owners or the holders of Unit mortgages, to install, repair and maintain either within or in the immediate location of such particular Unit at the facade of the front of the Building a sign or signs, which may be illuminated, for advertising or identification purposes. Such Unit Owners and any tenant of space in such Units shall comply with all of the laws, orders, rules and regulations of the governmental authorities having jurisdiction thereof, including zoning laws, building codes and as required by insurance underwriters. The Community Facility Owners or their tenants shall obtain and pay for all permits required for such signs and any necessary renewal fees.

E. Users of any easement granted by subparagraphs B, C and D of this Article 10 shall have the responsibility of repairing any damage resulting therefrom.

11. POWER OF ATTORNEY TO BOARD OF MANAGERS. Each Unit Owner shall grant to the persons who shall from time to time constitute the Board of Managers, an irrevocable power of attorney, coupled with an interest, to acquire title to any Unit whose owner desires to surrender the same, or which may be the subject of a foreclosure or other judicial sale, in the name of the Board of Managers or its designee, corporate or otherwise on behalf of all Unit Owners, and to convey, sell, lease, mortgage (but not to vote the votes appurtenant thereto) or otherwise deal with any such Units so acquired.

12. ACQUISITION OF UNITS BY BOARD OF MANAGERS. In the event any Unit Owner shall surrender his or her Unit, together with: (i) the undivided interest in the Common Elements, general and limited, appurtenant thereto; (ii) the interest of such Unit Owner in any other Units acquired by the Board of Managers or its designee, corporate or otherwise on behalf of all Unit Owners or the proceeds of the sale or lease thereof, if any; and (iii) the interest of such Unit Owner in any other assets of the Condominium, (hereinafter called the "Appurtenant Interests"), pursuant to the provisions of Section 339-x of the Real Property Law of the State of New York, or in the event the Board of Managers shall purchase at a foreclosure or other judicial sale, a Unit, together with the Appurtenant Interests, title to any such Unit, together with the Appurtenant Interests, shall be held by the Board of Managers or its designee, corporate or otherwise, on behalf of all Unit Owners, in proportion to their respective Shared Percentages of Common Interests. 14. UNITS SUBJECT TO DECLARATION, BY-LAWS, AND RULES AND REGULATIONS. All present and future Owners, tenants, subtenants and occupants of Units shall be subject to and shall comply with the provisions of this Declaration, the By-Laws and the Rules and Regulations, as they may be amended from time to time. The acceptance of a deed or conveyance or the entering into of a lease or the entering into occupancy of any Unit shall constitute an agreement that the provisions of this Declaration, the By-Laws and the Rules and Regulations, as they may be amended from time to time, are accepted and ratified by such Owner, tenant or occupant, and all of such provisions shall be deemed and taken to be covenants running with the Land and shall bind any person having at any time any interest or estate in such Unit, as though such provisions were recited and stipulated at length in each and every deed or conveyance or lease thereof.

15. AMENDMENT TO DECLARATION. This Declaration may be amended, modified, added to or deleted from by the affirmative vote of at least 66 2/3% in number and in Common Interest of all Unit Owners, cast in person or by proxy at a meeting duly held in accordance with the provisions of the By-Laws, or in lieu of a meeting, any amendment may be approved, in writing by 66 2/3% in number and in Common Interest of all Unit Owners, provided, however:

A mortgagee shall be deemed to have consented to any amendment, which requires the consent of such mortgagee when the mortgagee fails to submit a response to any written proposal for an amendment within sixty (60) days after it receives proper notice of the proposal, provided that the notice was delivered by certified or registered mail, with a "return receipt" requested.

Sponsor hereby reserves to itself and its designees the right to amend the Declaration at any time without the requirement of a vote and without the approval or consent of any Unit Owners or mortgagees for the sole purpose of filing the Floor Plans required by Section 339-p of

No such amendment shall be effective until recorded in the Office of the Register of the City of New York.

16. CHANGES IN UNSOLD UNITS. For any Unit owned by Sponsor or Sponsor-designees, if not prohibited by the Condominium Act, Sponsor or Sponsor-designees shall have the right, without the vote or consent of the Board of Managers, other Unit Owners or the holders of Unit mortgages, to:

In accordance with law, the Common Elements appurtenant to each Unit as expressed in this Declaration shall have a permanent character and shall not be altered without the consent of all Unit Owners affected. Written consents will be obtained from Unit Owners, if any, who are adversely affected as a result of the above changes. Contract vendees, if any, pursuant to Purchase Agreements with Sponsor or Sponsor-designees for a Unit adversely affected as a result of the above changes, if they have not consented to such changes, will be given the right to rescind their Purchase Agreements and receive a refund of any deposit or downpayment. The above changes, if made, will be disclosed in an amendment to the condominium offering plan for the Property. The provisions of this Article 16 may not be added to, amended or deleted without the prior written consent of Sponsor or Sponsor-designees.

Unit Owners in the Condominium hold title to their respective Units subject to the benefits, rights, privileges, easements, burdens, covenants, and restrictions as described herein, in the By-Laws of the Condominium and any agreement of record recorded prior or subsequent to this Declaration.

17. INVALIDITY.

A. If any provision of this Declaration or of the By-Laws is invalid under, or would cause this Declaration or the By-Laws to be insufficient to submit the Property to the provisions of the Condominium Act, such provision shall be deemed deleted from this Declaration or the By-Laws, as the case may be, for the purpose of submitting the Property to the provisions of the Condominium Act, but shall nevertheless be valid and binding upon, and shall inure to the benefit of, the owners of the Property and their heirs, executors, administrators, legal representatives, successors and assigns, as covenants running with the Land and with every part thereof and interest therein under the other applicable law to the extent permitted under such applicable law with the same force and effect as if, immediately after the recording of this Declaration or the By-Laws, all Unit Owners had signed and recorded an instrument agreeing to each such provision as a covenant running with the Land. If any provision that is necessary to cause this Declaration or the By-Laws to be sufficient to submit the Property to the provisions of the Condominium Act is missing from this Declaration or the By-Laws, then such provision shall be deemed included as a part of this Declaration or the By-Laws, as the case may be, for the purpose of submitting the Property to the provisions of the Condominium Act.

B. Subject to the terms of paragraph A of this Article 17, if this Declaration or the By-Laws are insufficient to submit the Property to the provisions of the Condominium Act, the provisions of the Declaration or the By-Laws shall nevertheless be valid and binding upon, and shall inure to the benefit of, the owners of the Property and their heirs, executors, administrators, legal representatives, successors and assigns, as covenants running with the Land and with every part thereof and interest therein under other applicable law to the extent permitted under such applicable law with the same force and effect as if, immediately after the recording of this Declaration and the By-Laws, all Unit Owners had signed and recorded an instrument agreeing to each such provision as a covenant running with the Land.

18. TERMINATION OF CONDOMINIUM. The Condominium may be terminated by casualty loss, condemnation or eminent domain in accordance with the provisions of the By-Laws, or by withdrawing the Property from the provisions of the Condominium Act, if authorized by an affirmative vote of Unit Owners who own not less than 80% in number and in Common Interest of the Units. Sponsor or Sponsor-designees will not vote its interests appurtenant to any Unsold Units for such withdrawal unless at least 80% in number and in Common Interests of all other Unit Owners have elected for such withdrawal, in which event Sponsor may choose to vote in favor of or against such withdrawal. In the event said withdrawal is authorized as aforesaid, the Property shall be subject to an action for partition by any Unit Owner or lienor as if owned in common, in which event the net proceeds of sale shall be divided among all the Unit Owners in proportion to their respective Shared Percentages of Common Interests, provided, however, that no payment shall be made to a Unit Owner until there has first been paid off out of his or her share of such net proceeds all liens on his or her Unit, in the order of priority of such liens.

Notwithstanding anything stated anywhere to the contrary, any action to terminate the legal status of the Condominium after substantial destruction or condemnation occurs or for other reasons must be agreed to by mortgagees that represent at least 51% of the votes of the

Unit estates that are subject to mortgages. A mortgagee shall be deemed to have consented to any action, which requires the consent of such mortgagee when the mortgagee fails to submit a response to any written proposal for an action within sixty (60) days after it receives proper notice of the proposal, provided that the notice was delivered by certified or registered mail, with a "return receipt" requested.

19. COMMON EXPENSES. Common Expenses of the Condominium mean and include all expenses of operation of the Property and all sums designated Common Expenses by or pursuant to the provisions of the Condominium Act, this Declaration or the By-Laws.

20. DEFINITION OF "SPONSOR-DESIGNEE". The term "Sponsor-designee" as used in this Declaration shall mean any person or entity designated by Sponsor to acquire title to a Unit. A "Sponsor-designee" shall have the right to designate a person or entity to succeed to its rights and any such designee shall also be deemed a "Sponsor-designee".

21. WAIVER. No provision contained in this Declaration shall be deemed to have been abrogated or waived by reason of any failure to enforce the same, irrespective of the number of violations or breaches which may occur.

22. CAPTIONS. The captions herein are inserted only as a matter of convenience and for reference, and in no way define, limit or describe the scope of this Declaration nor the intent of any provision thereof.

23. GENDER. The use of the masculine gender in this Declaration shall be deemed to refer to the feminine gender and the use of the singular shall be deemed to refer to the plural, and vice versa, whenever the context so requires.

ARTICLE I PLAN OF UNIT OWNERSHIP

Section 1. Unit Ownership. The land situated in the Borough of Staten Island, City and State of New York, (hereinafter called the “Land”), together with the building and improvements thereon erected, (hereinafter called the “Building”), (the Building and the Land are collectively hereinafter called the “Property”), has been submitted to the provisions of Article 9-B of the Real Property Law of the State of New York, (hereinafter called the “Condominium Act”), by the Declaration recorded in the Office of the Register of the City of New York, simultaneously herewith. The Condominium thereby shall hereinafter be known as The 375 Sand Lane Condominium.

The Residential Units, Parking Units and Community Facility Units are collectively hereinafter called the “Units”, or the “Unit”, where applicable.

Section 2. Applicability of By-Laws. The provisions of these By-Laws are applicable to the Property of the Condominium and to the use and occupancy thereof. The term “Property” as used herein shall include the Land, the Building and all other improvements thereon (including the Units, the Common Elements and Limited Common Elements), owned in fee simple absolute, and all easements, rights and appurtenances belonging thereto, and all other property, personal or mixed, intended for use in connection therewith, all of which are intended to be submitted to the provisions of the Condominium Act.

Section 3. Application. All present and future owners, mortgagees, lessees and occupants of Units, and any other persons who may use the facilities of the Property in any manner are subject to these By-Laws, the Rules and Regulations attached hereto as Schedule A and the provisions of the Declaration.

The acceptance of a deed or conveyance or the entering into of a lease for a Unit or the act of occupying a Unit shall constitute an agreement that these By-Laws, the Rules and Regulations attached hereto and the provisions of the Declaration, as they may be amended from time to time, are accepted, ratified, and will be complied with.

Section 4. Office. The office of the Condominium and of the Board of Managers shall be located at the Property.

ARTICLE II BOARD OF MANAGERS

Section 1. Number, Qualification and Term. The affairs of the Condominium shall be governed by a Board of Managers. The number of Managers, which shall constitute the whole Board of Managers, shall be three (3). Until succeeded by the Managers elected at the first meeting of Unit Owners called for such purpose, Managers need not be Unit Owners.

Thereafter, all Managers, other than representatives of Sponsor, shall be individuals over 18 years of age who is either a Unit Owner or his or her spouse or a domestic partner residing in the Unit, or a partner in a partnership, if the partnership is a Unit Owner, or a principal of a corporation, association, trust or other legal entity that may legally own real property in the State of New York, if such entity is a Unit Owner. The Managers shall be elected by the Unit Owners at their annual meetings. There shall always be an odd number of Managers.

The Managers shall be elected by the Unit Owners at their annual meetings. There shall always be an odd number of Managers.

Managers designated by Sponsor shall serve until the election and qualification of Managers elected at the first meeting of Unit Owners. Managers elected at the first meeting of Unit Owners, and at meetings subsequent thereto, shall serve until the next annual meeting of Unit Owners and until the election and qualification of their respective successors.

After the expiration of initial sponsor voting control period, a majority of the Board of Managers must be owner-occupants or members of an owner-occupant's household who are unrelated to Sponsor and its principals.

Section 2. Powers and Duties. The Board of Managers shall have the powers and duties necessary for the administration of the affairs of the Condominium and may do all such acts and things except as by law or by the Declaration or by these By-Laws may not be delegated to the Board of Managers by the Unit Owners. Such powers and duties of the Board of Managers shall include, but shall not be limited to, the following:

- (a) contracting for necessary services for the operation, care, upkeep and maintenance of the Common Elements;

- (n) negotiating and settling all claims and actions relating to the Condominium;
- (o) borrowing money on behalf of the Condominium when required in connection with the operation, care, upkeep and maintenance of the Common Elements, provided, however, that
 - (a) the consent of a majority of all Unit Owners shall be required for the borrowing of any sum in excess of \$50,000 and
 - (b) no lien to secure repayment of any sum borrowed may be created on any Unit or its appurtenant interest in the Common Elements without the written consent of the Unit Owner.

If any sum borrowed by the Board of Managers on behalf of the Condominium, pursuant to the authority contained in this paragraph (o), is not repaid by the Board, a Unit Owner who pays to the creditor such proportion thereof as his or her interest in the Common Elements bears to the interest of all the Unit Owners in the Common Elements, shall be entitled to obtain from the creditor a release of any judgment or other lien which said creditor shall have filed or shall have the right to file against the Unit Owner's Unit;

- (q) notwithstanding anything to the contrary contained in these By-Laws, [i] for a period of five (5) years following the closing date of the first Unit, or [ii] so long as Sponsor or any Sponsor-designee, separately, will continue to own Units, the percentage Common Interest of which, in the aggregate, equals more than 25%, whichever is earlier, the Board of Managers may not, without Sponsor's or Sponsor-designee's prior written consent, as the case may be:

- (a) increase the number, or change the type, of employees provided for in Schedule B;
- (b) make any addition, alteration or improvement to the Common Elements or to any Unit;
- (c) assess any Common Charge for the creation of, addition to or replacement of all or part of a reserve, contingency or surplus fund, except that Sponsor will consent to replacements to the contingency fund provided for in Schedule B of the condominium offering plan for the Property to the extent that the aggregate amount of such fund does not exceed 10% of the budgeted expenses of the Condominium; or
- (d) borrow money on behalf of the Condominium (except where necessary to perform work required by applicable law or regulations, or remedy violations or a mortgagee's work order(s) to the extent that existing reserves are insufficient).

If both Sponsor and Sponsor-designee, individually, continue to own Units, the percentage Common Interest of which, in the aggregate, equals more than 25%, they are both entitled to veto power.

As long as Sponsor or any Sponsor-designee shall continue to own a Unit, the Board of Managers may not, without the prior written consent of Sponsor or Sponsor-designee:

- (a) amend the Declaration, the By-Laws or the Rules and Regulations attached hereto so as to limit in any way or eliminate rights of Sponsor or Sponsor-designee under the Declaration, the By-Laws or the Rules and Regulations attached hereto; or
- (b) interfere with the offer and sale or leasing of Units or the operation of general, sales or leasing offices at the Property or interfere with actions necessary for construction, renovation, repair or correction at the Property, as required by Sponsor or Sponsor-designee.

Sponsor or Sponsor-designee shall have the right to withhold its consent to any of the foregoing actions. However, notwithstanding the provisions of this Section 2(q), Sponsor or Sponsor-designee shall not withhold its consent, or use its veto power:

- (a) to the making of capital repairs or replacements to the Common Elements or assessment of any Common Charge for expenses required to comply with applicable law or regulations;
- (b) to remedy any notice of violation;
- (c) to remedy any work order by an insurer; or
- (d) to preserve the safety of the Building or the safety and health of its occupants.

Sponsor or Sponsor-designee may not exercise veto power over expenses in Schedule B.

- (r) establishing the reserve fund, which will be used only for capital expenditures. The amount of the reserve fund will be equal to 10% of the projected annual budget of the Condominium, including the reserve amount.

Section 3. Managing Agent and Manager. The Board of Managers may employ for the Condominium a managing agent and/or a manager, at a compensation established by the Board of Managers, to perform such duties and services as the Board of Managers shall authorize. The Board of Managers may delegate to the managing agent or manager, all of the powers granted to the Board of Managers by these By-Laws other than the powers set forth in subdivisions (b), (e), (f), (g), (h), (i), (j), (k), (n), (o) and (p) of Section 2 of this Article II.

Section 4. First Board of Managers. The first Board of Managers shall consist of persons designated by Sponsor, who shall hold office and exercise all powers of the Board of Managers until the first meeting of Unit Owners called for the purpose of electing Managers. Any or all of said Managers shall be subject to replacement in the event of resignation or death in the manner set forth in Section 6 of this Article.

Section 5. Removal of Members of the Board of Managers. At any regular or special meeting of Unit Owners, any one or more of the members of the Board of Managers may be removed without cause by the affirmative vote of Unit Owners whose aggregate Common Interest exceeds 50% of the Common Interest of the Condominium, and a successor may then and there or thereafter be elected to fill the vacancy thus created.

At any regular or special meeting of the members of the Board of Managers, any one or more of the members of the Board of Managers may be removed for cause by the affirmative vote of the remaining members of the Board of Managers, and a successor may then and there or thereafter be elected to fill the vacancy thus created. Any member of the Board of Managers whose removal has been proposed for cause shall be given an opportunity to be heard at the meeting.

If a member of the Board of Managers ceases to be a Unit Owner, the principal or officer of a Unit Owner or the spouse of a Unit Owner, unless such member is Sponsor or Sponsor-designee, he or she shall be deemed to have resigned, effective as of the date such ownership interest ceased.

If a member of the Board of Managers designated by Sponsor or Sponsor-designee is removed by either the Board of Managers or Unit Owners, then only Sponsor or Sponsor-designee shall have the right to designate a replacement.

Section 6. Vacancies. Vacancies on the Board of Managers caused by any reason, other than the removal of a member thereof by a vote of the Unit Owners, shall be filled by a vote of the majority of the remaining members at a special meeting of the Board of Managers held for that purpose, promptly after the occurrence of any such vacancy, even though the members present at such meeting may constitute less than a quorum, and each person so elected shall be a member of the Board of Managers until a successor is elected and qualified at the next annual meeting of the Unit Owners. If all members of the Board of Managers die or resign, any Unit Owner may call a special meeting of Unit Owners as provided herein, and Managers for the unexpired term may be elected at such special meeting in the manner provided for their election at the annual meeting. Notwithstanding the foregoing, vacancies of members designated by

Sponsor or Sponsor-designee shall be filled only by a person designated by Sponsor or Sponsor-designee.

Section 7. Organization Meeting. The first meeting of the members of the Board of Managers following the annual meeting of the Unit Owners shall be held within ten (10) days thereafter, at such time and place as shall be fixed by a majority of the members of the Board of Managers, elected at the meeting at which they shall have been elected, and no notice shall be necessary to the newly elected members of the Board of Managers in order to legally constitute such meeting, providing a majority of the whole Board of Managers shall be present thereat.

Section 8. Regular Meetings. Regular meetings of the Board of Managers may be held at such time and place as shall be determined from time to time by a majority of the members of the Board of Managers, but at least two such meetings shall be held during each fiscal year. Notice of regular meetings of the Board of Managers shall be given to each member of the Board of Managers, by mail, at least five (5) business days prior to the day named for such meeting. The business to be transacted at any regular meeting of the Board of Managers need not be specified in the notice of such meeting.

Section 9. Special Meetings. Special meetings of the Board of Managers may be called by the President on three (3) business days' notice to each member of the Board of Managers. Notice of special meetings shall be given by mail or personal delivery to each member of the Board of Managers and shall state the time, place and purpose of the meeting. Special meetings of the Board of Managers shall be called by the President or Secretary in like manner and on like notice on the written request of at least two (2) members of the Board of Managers.

Section 10. Waiver of Notice. Any member of the Board of Managers may at any time waive notice of any meeting of the Board of Managers in writing and such waiver shall be deemed equivalent to the giving of such notice. Attendance by a member of the Board of Managers at any meeting of the Board shall constitute a waiver of notice by him of the time and place thereof. If all the members of the Board of Managers are present at any meeting of the Board, no notice shall be required and any business may be transacted at such meeting.

Section 11. Quorum of Board of Managers. At all meetings of the Board of Managers, a majority of the members thereof shall constitute a quorum for the transaction of business, and the votes of a majority of the members of the Board of Managers present at a meeting at which a quorum is present shall constitute the decision of the Board of Managers. If, at any meeting of the Board of Managers, there shall be less than a quorum present, a majority of those present may adjourn the meeting from time to time, without notice other than the announcement at the meeting, until a quorum shall be present. At any such adjourned meeting at which a quorum is present, any business, which might have been transacted at the meeting originally called, may be transacted without further notice. Any action required or permitted to be taken by the Board of Managers or any committee thereof may be taken without a meeting if all members of the Board consent in writing to the adoption of a resolution authorizing such action, and the writing or writings are filed with the minutes of the proceedings of the Board or the committee.

If there are non-Sponsor members of the Board of Managers, and there is a vote on whether to sue Sponsor, the Sponsor's board representative cannot lawfully vote on that issue.

Section 12. Fidelity Bonds. The Board of Managers may obtain fidelity bonds in the amount of \$50,000.00 or more for all officers and employees of the Condominium handling or responsible for Condominium funds and for the managing agent. The premiums on such bonds, if obtained, shall constitute a Common Expense.

Section 13. Compensation. No member of the Board of Managers shall receive any salary or compensation from the Condominium for his or her services as Manager.

Section 14. Liability of the Board of Managers. The members of the Board of Managers shall not be liable to the Unit Owners for any mistake of judgment, negligence, or otherwise, except for their own individual willful misconduct or bad faith. The Unit Owners shall severally indemnify and hold harmless each of the members of the Board of Managers against any liability or claims except those arising out of the bad faith or willful misconduct of the members of the Board of Managers. A Unit Owner's liability is limited to such proportionate share of the total liability as the Common Interests of such Unit Owner bear to the aggregate Common Interest of all Unit Owners and such Unit Owner's interest in his or her Unit's and its appurtenant Common Interest, unless otherwise provided by law. It is intended that the members of the Board of Managers shall have no personal liability with respect to any contract made by them on behalf of the Condominium within the scope of their authority. It is possible that the original Board of Managers may contract with Sponsor and affiliated corporations without fear of being charged with self-dealing, however the Board shall at all times uphold its fiduciary duty to the Unit Owners, notwithstanding anything to the contrary. It is also intended that the liability of any Unit Owner arising out of any contract made by the Board of Managers or out of the aforesaid indemnity in favor of the members of the Board of Managers shall be limited to such proportion of the total liability thereunder as his or her interest in the Common Elements bears to the interests of all the Unit Owners in the Common Elements. Every agreement made by the Board of Managers or by the managing agent or by the manager, on behalf of the Condominium, shall provide that the members of the Board of Managers, or the managing agent, or the manager, as the case may be, are acting only as agent for the Unit Owners and shall have no personal liability thereunder (except as Unit Owners), and that each Unit Owner's liability thereunder shall be limited to such proportion of the total liability thereunder as his or her interest in the Common Elements bears to the interest of all Unit Owners in the Common Elements.

Section 15. Executive Committee. The Board of Managers may, by resolution duly adopted, appoint an Executive Committee to consist of three (3) members of the Board of Managers, at least one of whom shall be a member designated by Sponsor or Sponsor-designee, so long as Sponsor or Sponsor-designee has the right to designate a member of the Board. Such Executive Committee shall have and may exercise all the powers of the Board of Managers in the management of the business and affairs of the Condominium during the intervals between the meetings of the Board of Managers insofar as may be permitted by law, except that the Executive Committee may not exercise any of the powers set forth in subdivisions (b), (e), (g), (h), (i) and (o) of Section 2 of Article II.

Section 16. Other Committees. The Board of Managers may, by resolution, create such other committees as it shall deem appropriate and such committees shall have such powers and authority as the Board of Managers shall vest therein. The members of any such committee, at least one of whom shall be designated by Sponsor or Sponsor-designee, so long as Sponsor or Sponsor-designee has the right to designate a member of the Board, shall be appointed by the President of the Condominium. The members of any such committee need not be a member of the Board of Managers, but must be eligible to be elected to the Board of Managers. Such committee shall not have power to do any act, which the Executive Committee may not do under Section 15 of Article II.

ARTICLE III UNIT OWNERS

Section 1. Annual Meetings.

A. Within thirty (30) days after the closing of title to Units whose aggregate Common Interest equals more than 50%, or three (3) years after the first closing, whichever is sooner, Sponsor shall call a special Unit Owners meeting for the purpose of electing a Board of Managers. At such meeting, the Board of Managers shall resign and a new Board shall be elected by the Unit Owners. Thereafter, annual meetings shall be held on or about the anniversary of such date each succeeding year. At such meetings, there shall be elected by ballot of the Unit Owners a Board of Managers in accordance with the requirements of Article II of these By-Laws. The Unit Owners may also transact such other business of the Condominium as may properly come before them.

B. Sponsor or Sponsor-designee will retain voting control of the Board of Managers for three (3) years after the closing of title to the first Unit or whenever the Unsold Units constitute, less than 50% of the Common Interests, whichever is sooner. Sponsor or Sponsor-designee, during the time there are Unsold Units, will have the right to, and intends to, vote the percentage of Common Interests allocated to such Units, but subsequent to its relinquishing voting control of the Board of Managers Sponsor or Sponsor-designee will not use such vote to elect a particular individual to the Board of Managers, which would, by the election of such individual, give Sponsor or Sponsor-designee voting control of the Board. So long as Sponsor or Sponsor-designee will continue to own Unsold Units Sponsor or Sponsor-designee will have the right to elect one (1) member of the Board of Managers. The Unit Owners may transact such other business at such meetings as may properly come before them.

Section 2. Place of Meetings. Meetings of the Unit Owners shall be held at the principal office of the Condominium or at such other suitable place convenient to the Unit Owners as may be designated by the Board of Managers.

Section 3. Special Meetings. It shall be the duty of the President to call a special meeting of the Unit Owners as directed by the Board of Managers or upon a petition signed by a majority of the Unit Owners as defined in Section 9 of this Article III having been presented to the Secretary. The notice of any special meeting shall state the time and place of such meeting

and the purpose thereof. No business shall be transacted at a special meeting except as stated in the notice for such meeting.

Section 4. Notice of Meetings. It shall be the duty of the Secretary to mail a notice of each annual or special meeting of the Unit Owners, at least ten (10) days but not more than thirty (30) days prior to such meeting, stating the purpose thereof as well as the time and place where it is to be held, to each Unit Owner of record, at the building or at such other address as such Unit Owner shall have designated by notice in writing to the Secretary. The mailing of a notice of meeting in the manner provided for in this Section shall be considered service of notice.

Section 5. Adjournment of Meetings. If any meeting of Unit Owners cannot be held because a quorum is not present, a majority of the Unit Owners who are present at such meeting, either in person or by proxy, may adjourn the meeting from time to time, without notice other than the announcement at the meeting, until a quorum shall be present. No such adjourned meeting shall be held earlier than 48 hours from the time the prior meeting was called.

Section 6. Order of Business. The order of business at all meetings of the Unit Owners shall be as follows:

- (a) call to order;
- (b) roll call and presentation and examination of proxies;
- (c) presentation of proof of due calling of meeting;
- (d) reading of minutes of previous meeting;
- (e) reports of officers;
- (f) report of Board of Managers;
- (g) reports of committees;
- (h) appointment of inspectors of election (when so required);
- (i) election of members of the Board of Managers (when so required);
- (j) unfinished business;
- (k) new business;
- (l) adjournment.

Section 7. Title to Units. Title to Units may be taken in the name of an individual or in the names of two (2) or more persons, as joint tenants, tenants-in-common, tenants by the entirety or in the name of a corporation or partnership, or in the name of a fiduciary or trust, estate, unincorporated association, syndicate, joint venture, organization, government or any department or agency thereof, or any other entity permitted to own real property in the State of New York. The term "Unit Owner" as used in these By-Laws shall include any person, group of persons, association or entity taking title as set forth in this Section. The above shall not constitute consent of any activity not permitted under existing certificates of occupancy, zoning requirements or other applicable law or regulation.

Section 8. Voting. The Owner or Owners of each Unit, or some person designated by such Owner or Owners to act as proxy on their behalf, who need not be an Owner, shall be entitled to cast the votes appurtenant to such Unit at all meetings of Unit Owners. The designation of any such proxy shall be made in writing but need not be acknowledged or

witnessed and shall be filed with the Secretary at or previous to the time of the meeting and shall be revocable at any time by written notice to the Secretary by the Owner or Owners so designating. Any or all of such Owners may be present at any meeting of Unit Owners. The Owners of each Unit (including Sponsor or Sponsor-designee, if Sponsor or Sponsor-designee shall then own one or more Units) shall be entitled to cast one vote for each 1% of interest in the Common Elements attributable to the Unit or Units owned by them on all matters put to a vote at all meetings of Unit Owners; except that, when voting for the election of members of the Board of Managers, each Unit Owner: (i) shall be entitled to one vote for each 0.01% of Common Interest attributable to his or her Unit per member to be elected, and (ii) shall not have the right to cumulate his or her votes in favor of any one or more members to be elected. If one or more Units are owned by more than one person as joint tenants, tenants-in-common, tenants by the entirety or in the name of a corporation or partnership or other entity permitted for herein, the persons owning said Unit shall agree among themselves and cast the votes for their Unit. A fiduciary shall be the voting member with respect to any Unit in a fiduciary capacity. Any Unit or Units owned by the Board of Managers or its designee, corporate or otherwise shall not be entitled to vote.

Section 9. Majority of Unit Owners. As used in these By-Laws the term “majority of Unit Owners” shall mean those Unit Owners having greater than 50% of the total authorized votes of all Unit Owners present in person or by proxy and voting at any meeting of the Unit Owners, determined in accordance with the provisions of Section 8 of this Article III.

Section 10. Quorum. Except as otherwise provided for in these By-Laws, the presence in person or by proxy of a majority of Unit Owners shall constitute a quorum at all meetings of the Unit Owners.

Section 11. Majority Vote. The vote of a majority of Unit Owners at a meeting at which a quorum shall be present shall be binding upon all Unit Owners for all purposes except where, in the Declaration or these By-Laws or by law, a higher percentage vote is required.

Section 12. Action Without Meeting. Any action required or permitted to be taken by the Unit Owners may be taken without a meeting if the number of Unit Owners required by the Declaration, these By-Laws or applicable law, consent in writing to the adoption of a resolution authorizing such action and the writing or writings are filed with the records of the Condominium.

ARTICLE IV OFFICERS

Section 1. Designation. The principal officers of the Condominium shall be the President, the Vice President, the Secretary and the Treasurer, all of whom shall be elected by the Board of Managers. The Board of Managers may appoint an Assistant Treasurer, an Assistant Secretary, and such other officers as in its judgment may be necessary. The President and Vice President, but no other officers, each must be both a member of the Board of Managers and either a Unit Owner, the principal or officer of a Unit Owner, or the spouse of a Unit Owner.

Section 5. Vice President. The Vice President shall take the place of the President and perform his duties whenever the President shall be absent or unable to act. If neither the President nor the Vice President is able to act, the Board of Managers shall appoint some other member of the Board of Managers to act in the place of the President, on an interim basis. The Vice President shall also perform such other duties as shall from time to time be imposed upon him by the Board of Managers or by the President.

Section 6. Secretary. The Secretary shall keep the minutes of all meetings of the Unit Owners and of the Board of Managers; he shall have charge of such books and papers as the Board of Managers may direct; and he shall in general perform all the duties incident to the office of secretary of a stock corporation organized under the Business Corporation Law of the State of New York.

Section 9. Compensation of Officers. No officer shall receive any salary or compensation from the Condominium for his or her services as officer.

Section 10. Liability of Officers. The officers of the Condominium shall have the same rights and liabilities as the members of the Board of Managers under Article II Section 14 of these By-Laws.

ARTICLE V NOTICES

Section 1. Definition. Whenever, under the provisions of the Declaration or of these By-Laws, notice is required to be given to the Board of Managers, any manager, Unit Owner or mortgagee, it shall not be construed to mean personal notice; but such notice may be given in writing, by mail, by depositing the same in a post office or letter box, in a postpaid sealed wrapper, addressed to the Board of Managers, any manager, Unit Owner or mortgagee at such address as appears on the books of the Condominium. Members of the Board of Managers may be given notice in writing personally delivered to them.

Section 2. Service of Notice Waiver. Whenever any notice is required to be given under the provisions of the Declaration or of these By-Laws, a waiver thereof, in writing, signed by the person or persons entitled to such notice, whether before or after the time stated therein, shall be deemed the equivalent thereof.

Section 3. Service on Mortgagee. The Board of Managers shall give the mortgagee and guarantor of the mortgage on any Unit in the condominium timely written notice of:

- (a) any condemnation or casualty loss that affects either a material portion of the condominium or the Unit securing its mortgage;

ARTICLE VI OPERATION OF THE PROPERTY

Section 1. Determination of Common Expenses and Fixing of Common Charges. The Board of Managers shall from time to time, at least annually, prepare a budget for the Condominium, determine the amount of Common Charges payable by the Unit Owners to meet the Common Expenses of the Condominium and allocate and assess such Common Charges among the Unit Owners according to their respective Shared Percentages of Common Interests, except as otherwise indicated. The Board of Managers, in apportioning expenses for insurance

on the Building may take into consideration higher premium rates on some units than on others. The Common Expenses shall include, among other things, the cost of all insurance premiums on all policies of insurance required to be or which have been obtained by the Board of Managers pursuant to the provisions of Section 2 of this Article VI and the fees and disbursements of the Insurance Trustee, if any.

The Common Expenses shall also include such amounts as the Board of Managers may deem proper for the operation and maintenance of the Property, including, without limitation, an amount for working capital of the Condominium for a general operating reserve, and for a reserve fund for capital expenditures only, the amount of reserve fund will be equal to 10% of the projected annual budget of the Condominium.

The Common Expenses may also include such amounts as may be required for the purchase by the Board of Managers or its designee, corporate or otherwise on behalf of all Unit Owners, of any Unit, which is to be sold at a foreclosure or other judicial sale, together with such amounts as may be necessary to maintain such Units.

The Board of Managers shall also, where necessary, impose an assessment or additional Common Charge in order to meet any unanticipated Common Expense. The Board of Managers shall advise all Unit Owners, promptly, in writing, of the amount of Common Charges payable by each of them, respectively, as determined by the Board of Managers, as aforesaid, and shall furnish copies of each budget on which such charges are based, to all Unit Owners and to their mortgagees, if so required.

Sponsor or Sponsor-designee shall be responsible for the Common Charges assessed against a Unit owned by it from the date of the first Unit closing until such Unit is sold to a bona fide purchaser.

Section 2. Insurance. The Board of Managers shall be required to obtain and maintain, to the extent obtainable, the following insurance:

- (a) fire insurance with extended coverage, vandalism and malicious mischief endorsements, insuring the Building containing the Units (including all of the Units and the fixtures initially installed therein by Sponsor or by prior construction and any other property usual to the servicing and general occupancy, but not including improvements, furniture, furnishings or other personal property supplied or installed by Unit Owners), together with all service machinery and equipment contained therein and covering the interests of the Condominium, the Board of Managers and all Unit Owners and their mortgagees as their interests may appear, in an amount to be determined by the Board of Managers but in no event to be less than eighty 80% of the full replacement cost of the Building, including the above noted items, but exclusive of footings and foundations, as approved by a fire insurance company or a qualified insurance broker; each of said policies shall contain a Condominium Property Endorsement and a New York standard mortgagee clause in favor of each mortgagee of a Unit which

shall provide that the loss, if any, thereunder shall be payable to such mortgagee as its interest may appear, subject however, to the loss payment provisions in favor of the Board of Managers and the Insurance Trustee, if any, as herein provided;

- (b) directors and officers liability insurance;
- (c) flood insurance;
- (d) worker's compensation insurance if the Condominium has employees; and
- (e) such other insurance as the Board of Managers may determine.

All policies of physical damage insurance shall provide that adjustment of loss shall be made by the Board of Managers (with the approval of the Insurance Trustee, if any, if more than \$50,000.00), and that the total proceeds thereof, if \$50,000.00 or less, shall be payable to the Board of Managers, and if more than \$50,000.00, shall be payable to the Insurance Trustee, if any.

All policies of physical damage insurance shall contain waivers of subrogation and of any reduction of pro-rata liability of the insured as a result of any insurance carried by Unit Owners or of invalidity arising from any acts of the insured or any Unit Owners, and the individual Unit Owners as well as the Condominium shall be primary insureds to the extent as their interests shall also appear. Such policies may not be cancelled or substantially modified without at least ten (10) days prior written notice to all of the insureds, including all mortgagees of Units. Duplicate originals of all policies of physical damage insurance and of all renewals thereof, together with proof of payment of premiums, shall be delivered to all mortgagees of Units at least ten (10) days prior to expiration of the then current policies if so requested in writing by them.

The Board of Managers shall also be required to obtain and maintain, to the extent obtainable, public liability insurance in such limits as the Board of Managers may from time to time determine, covering each member of the Board of Managers, the managing agent, the manager and each Unit Owner. Such public liability coverage shall also cover cross-liability claims of one insured against another. Until the first meeting of the Board of Managers elected by the Unit Owners the public liability insurance will be in a limit of at least \$1,000,000.00 covering all claims for bodily injury with respect to any one occurrence.

Unit Owners shall not be prohibited from carrying other insurance for their own benefit, provided that all such policies shall contain waivers of subrogation and further provided that the liability of the carriers issuing insurance obtained by the Board of Managers shall not be affected or diminished by reason of any such additional insurance carried by any Unit Owner. Such policies shall be so endorsed so as to state that they will in no way conflict with any insurance carried by the Board of Managers.

If, by reason of the occupancy or use of a Unit, the rate of fire or liability insurance for the Property shall be increased, such Unit Owner shall (if such occupancy or use continues for more than thirty (30) days after written notice from the Board of Managers specifying the occupancy or use) become liable for the additional insurance premiums incurred by the Condominium as if such additional premium constituted an assessment.

During the time in which Sponsor is in control of the Board of Managers, the insurance coverage will not be less than that required by the Department of Law.

Section 3. Repair or Reconstruction After Fire or Other Casualty. In the event of a fire or other casualty which damages or destroys less than 75% of the Building containing the Units, the Board of Managers shall arrange for the prompt repair and restoration of the Building containing the Units (including any damaged Units, and any kitchen and bathroom fixtures and floor coverings initially installed therein by Sponsor, but not including any wall, ceiling or floor decorations or coverings or other improvements, furniture, furnishings, fixtures, appliances or equipment installed in the Units by the Unit Owners), and the Board of Managers or the Insurance Trustee, as the case may be, shall disburse the proceeds of all insurance policies in appropriate progress payments for distribution to the contractors engaged in such repairs and restoration. Any cost of such repair and restoration in excess of the insurance proceeds shall constitute a Common Expense and the Board of Managers may assess all the Unit Owners for such deficit as part of the Common Charges.

If 75% or more of the Building containing the Units is destroyed or substantially damaged and Unit Owners whose percentage of Common Interest totals 75% in the aggregate of the total Common Interest do not duly and promptly resolve to proceed with repair or restoration, the Property shall be subject to an action for partition at the suit of any Unit Owner or lienor, as if owned in common, in which event the net proceeds of sale, together with the net proceeds of insurance policies (or if there shall have been a repair or restoration pursuant to the first paragraph of this Section 3, and the amount of insurance proceeds shall have exceeded the cost of such repair or restoration, then the excess of such insurance proceeds) shall be divided by the Board of Managers or the Insurance Trustee, as the case may be, among all the Unit Owners in proportion to their respective Common Interest, after first paying out of the share of each Unit Owner the amount of any unpaid liens on his or her Unit, in the order of the priority of such liens.

Whenever in this Section the words “promptly repair” are used it shall mean repairs are to begin not more than sixty (60) days from the date the Insurance Trustee notified the Board of Managers and the Unit Owner or Unit Owners that it shall hold proceeds of insurance funds sufficient to pay the estimated costs of such work; or not more than ninety (90) days after the Insurance Trustee notified said Board of Managers and Unit Owner or Unit Owners that such funds are insufficient to pay said estimated costs and advising them of the amount of the required completion bond, if necessary. If there is no Insurance Trustee, then the aforementioned sixty (60) and ninety (90) day periods shall be from the date of notification by an insurance adjuster retained by the Board of Managers. Wherever the words, “promptly resolve” are used it shall mean not more than sixty (60) days from the date of receipt of said insurance funds.

Section 4. Payment of Common Charges. All Unit Owners shall be obligated to pay the Common Charges assessed by the Board of Managers pursuant to the provisions of Section 1 of this Article VI at such time or times as the Board of Managers shall determine.

No Unit Owner shall be liable for the payment of any part of the Common Charges assessed against his or her Unit subsequent to a sale, transfer or other conveyance by him (made

in accordance with the provisions of Section 1 of Article VIII of these By-Laws) of such Unit, together with the Appurtenant Interests, as defined in Section 1 of Article VIII hereof. In addition, any Unit Owner may, subject to the terms and conditions specified in these By-Laws, provided that his or her Unit is free and clear of liens and encumbrances, other than permissible mortgages and the statutory lien for unpaid Common Charges, convey his or her Unit, together with the "Appurtenant Interests" to the Board of Managers or its designee, corporate or otherwise on behalf of all other Unit Owners, and in such event be exempt from Common Charges thereafter assessed. Purchaser of a Unit shall be liable for the payment of Common Charges assessed and unpaid against such Unit prior to the acquisition by him of such Unit.

However, any first mortgagee who obtains title to a condominium Unit pursuant to the remedies in the mortgage or through foreclosure will not be liable for more than six (6) months of the Unit's unpaid regularly budgeted common charges accrued before acquisition of the title to the Unit by the mortgagee. Any first mortgagee who obtains title to a condominium Unit pursuant to the remedies in the mortgage or through foreclosure will be liable for any fees or costs related to the collection of the unpaid common charges.

Section 5. Collection of Common Charges and Assessments. The Board of Managers shall assess Common Charges against the Unit Owners from time to time at least annually and shall take prompt action to collect any Common Charges due from any Unit Owner, which remains unpaid for more than thirty (30) days from the due date for payment thereof. The Board of Managers shall also take prompt action to collect any assessment due from any Unit Owner, which remains unpaid for more than thirty (30) days from the due date thereof. Common Charges and assessments shall be paid by the fifth day of the month in which they are due or they shall be deemed to be late. The Board of Managers shall have the right to place a lien against a Unit whose Owner fails to pay common charges for the Unit within fifteen (15) days of same becoming due and payable.

Section 6. Default in Payment of Common Charges or Assessments. In the event of default by any Unit Owner in paying to the Board of Managers the Common Charges or any assessment as determined by the Board of Managers, such Unit Owner shall be obligated to pay interest at the highest legal rate on such Common Charges or assessments from the due date thereof, together with all expenses, including late fees charged by the Board of Managers and attorneys' fees incurred by the Board of Managers in any proceeding brought to collect such unpaid Common Charges or assessments. The Board of Managers shall have the right and duty to attempt to recover such Common Charges or assessments, together with interest thereon, and the expenses of the proceeding, including attorneys' fees, in an action to recover the same brought against such Unit Owner, or by foreclosure of the lien on such Unit granted by Section 339-z of the Real Property Law of the State of New York, in the manner provided in Section 339-aa of the Real Property Law of the State of New York. A Unit Owner defaulting in the payment of Common Charges or assessments shall not be permitted to vote at any regular or special meeting of Unit Owners.

SPONSOR SHALL CAUSE THE BOARD OF DIRECTORS TO FILE A LIEN AS PROVIDED FOR IN SECTION 339-aa OF THE REAL PROPERTY LAW OF THE STATE OF NEW YORK ON UNITS IN WHICH SPONSOR IS MORE THAN THIRTY (30) DAYS IN

ARREARS OF COMMON CHARGES WHILE IT IS IN CONTROL OF THE BOARD OF MANAGERS.

Section 7. Foreclosure of Liens for Unpaid Common Charges. In any action brought by the Board of Managers to foreclose a lien on a Unit because of unpaid Common Charges, the Unit Owner shall be required to pay a reasonable rental for the use of his or her Unit and the plaintiff in such foreclosure action shall be entitled to the appointment of a receiver to collect the same. The Board of Managers, acting on behalf of all Unit Owners, shall have the power to purchase such Unit at the foreclosure sale and to acquire, hold, lease, mortgage, convey or otherwise deal with the same (but not to vote the votes appurtenant to). A suit to recover a money judgment for unpaid Common Charges shall be maintainable without foreclosing or waiving the lien securing the same.

Section 8. Statement of Common Charges and Assessments. The Board of Managers, managing agent or manager shall promptly provide any Unit Owner so requesting the same in writing, with a written statement of all unpaid Common Charges due from such Unit Owner.

Section 9. Abatement and Enjoinment of Violations by Unit Owners. The violation of any rule or regulation adopted by the Board of Managers, or the breach of any By-law contained herein, or the breach of any provision of the Declaration, shall give the Board of Managers the right, in addition to any other right set forth in these By-Laws:

- (a) upon reasonable notice to the Unit Owner, to enter the Unit in which, or as to which, such violation or breach exists and to summarily abate and remove, at the expense of the defaulting Unit Owner, any structure, thing or condition that may exist therein contrary to the intent and meaning of the provisions hereof (provided, however, that no prior notice shall be required in the event the Board of Managers shall determine that action is immediately necessary for the preservation or safety of the Property of the Condominium or for the safety of residents of the Condominium or other persons or required to avoid the suspension of any necessary service to the Condominium); or
- (b) to enjoin, abate or remedy by appropriate legal proceedings, either at law or in equity, the continuance of any such breach; and
- (c) in any event, to charge the Unit Owner with the cost of reasonable legal and other fees and costs incurred in enjoining, abating or remedying such violation, which costs and fees shall be deemed a Common Charge against the Unit Owner.

Section 10. Maintenance and Repairs.

A. All maintenance of and repairs to any Unit, ordinary or extraordinary, and to the doors (except the painting of the exterior side of Unit entrance door), windows (except the painting and cleaning of the exterior side of windows), electrical (except the Common Elements), plumbing (except the Common Elements) and heating fixtures, air conditioning units

and appliances, if any, within the Unit or belonging to the Unit Owner will be at the Unit Owner's expense, except as otherwise specifically provided herein.

B. All maintenance, repairs and replacements to the Common Elements as defined in the Declaration, and the painting, decorating, maintenance and repairs of the exterior side of Unit entrance doors and windows, and the cleaning of the exterior side of windows and the replacements of the windows and Unit entrance doors will be made by the Board of Managers and be charged to all the Unit Owners as a Common Expense, except to the extent that the same are necessitated by the negligence, misuse or neglect of a Unit Owner, in which case such expense will be charged to such Unit Owner. Maintenance, repair and replacements in or to the Limited Common Elements as defined in the Declaration will be performed:

- (a) by the Board of Managers as a Common Expense, if such Limited Common Element involves structural or extraordinary maintenance, repairs or replacements (including, but not limited to, all necessary waterproofing of the Limited Common Elements except as set forth below, and the repair of any leaks that are not caused by the acts or omissions of the Unit Owner, having direct and exclusive access thereto), or
- (b) the Unit Owner having direct and exclusive access thereto at his or her sole cost and expense, if involving non-structural ordinary maintenance, repairs or replacements, including but not limited to painting, decorating and/or maintenance, waterproofing, repair and/or replacement of decking, tile or railings and/or means of terrace or balcony access constructed or installed by or at the request of the Unit Owner, or as a result of the Unit Owner's negligence, misuse or neglect.

Section 11. Restrictions on Use of the Units, the Common Elements and the Limited Common Elements. In order to provide for congenial occupancy of the Property and for the protection of the values of the Units, the use of the Property shall be restricted to and shall be in accordance with the following provisions:

A. Each Residential Unit may be used as a residence only.

Each Parking Unit shall be used solely for the storage of passenger motor vehicles of the owners of the Parking Unit, except that, in the event the Parking Unit is not used by its owners, it may be rented by its owners. Any rent of the Parking Unit to persons who are not occupants of the Building shall be for a period of not less than one week and not more than one month. The Parking Unit which has thus been rented shall be made available to the occupants of the Residential Unit, which own the Parking Unit, within thirty days after written request therefor.

Each Community Facility Unit may be used for any legal use permitted by the certificate of occupancy of the Building, the Zoning Resolution of the City of New York or other applicable laws, such as medical offices, dental offices, government operated health centers or independent out-of-hospital health facilities incorporated pursuant to Article 7 of the Social Services Law of the State of New York, churches, rectories, or parish houses. The Community Facility Units shall not be used for: (1) conduct or maintenance of any gambling or gaming activities; (2)

homeless shelter; (3) any fire, auction, going-out-of-business or bankruptcy sales, (4) sale of any obscene or pornographic material, (5) sex club of any sort, or (6) a massage parlor.

Notwithstanding the foregoing, Sponsor or Sponsor-designee shall have the right, without the vote or consent of the Board of Managers, other Unit Owners or the holders of Unit mortgages:

- (a) to maintain general, sales or leasing offices in one or more or elsewhere on the Property, to use one or more Units as models and for other promotional purposes and to erect and maintain signs on the Property;
- (b) to have its employees, contractors and sales agents present on the Property;
- (c) to do all things necessary or appropriate, including the use of the Common Elements, to sell or lease Units and to complete construction of the Building or Units and to comply with its obligations.

B. The Common Elements and the Limited Common Elements may only be used for the furnishing of the services and facilities for which they are reasonably suited and which are incidental to the use and occupancy of Units. However, the Common Elements and the Limited Common Elements may not be used as a dwelling space, and for kindling, building, maintaining or using an open fire, including, without limitation, charcoal, piped natural gas or LPG fired barbeques.

C. No nuisances shall be allowed on the Property nor shall any use or practice be allowed which is a source of annoyance to its residents or which interferes with the peaceful possession or proper use of the Property by its residents.

D. No immoral, improper, offensive, or unlawful use shall be made of the Property or any part thereof, and all valid laws, zoning ordinances and regulations of all governmental bodies having jurisdiction thereof shall be observed. Violations of laws, orders, rules, regulations or requirements of any governmental agency having jurisdiction thereof, relating to any portion of the Property, shall be eliminated, by and at the sole expense of the Unit Owners, or the Board of Managers, whichever shall have the obligation to maintain or repair such portion of the Property.

E. With the exception of the Community Facility Units, no portion of a Unit other than the entire Unit, including any Limited Common Elements appurtenant thereto, may be rented. Portions of the Community Facility Units may be rented to the same or different persons or entities.

Section 12. Additions, Alterations or Improvements by the Board of Managers. Subject to the provisions of Section 2 of Article II of these By-Laws, whenever in the judgment of the Board of Managers the Common Elements shall require additions, alterations or improvements (but not maintenance) costing in excess of \$50,000.00, and the making of such additions, alterations or improvements shall have been approved by a majority of the Unit Owners, the Board of Managers shall proceed with such additions, alterations or improvements

and shall assess all Unit Owners for the cost thereof as a Common Expense. Any additions, alterations or improvements costing \$50,000.00 or less may be made by the Board of Managers without approval of the Unit Owners and the cost thereof shall constitute part of the Common Expenses.

Section 13. Additions, Alterations or Improvements by Unit Owners. Except as provided below, no Unit Owner shall make any addition, alteration or improvement in or to his or her Unit which is structural or which affects the exterior of the Building or the value of other Units, without the prior written consent thereto of the Board of Managers which consent shall not be unreasonably withheld. Any requests for consent to make additions, alterations or improvement in a Unit which is structural in nature, or affects the exterior of the Building of the value of other Unit, must be made via certified mail with return receipt. The Board of Managers must grant or deny such consent within thirty (30) days of receiving a request for such consent. If such request is neither granted nor denied within forty five (45) days of receipt of the notice, such request shall be deemed granted. In connection with the approval of any addition, alteration or improvement by a Unit Owner as required herein, the Board of Managers may require that such Unit Owner enter into a written agreement, reasonably satisfactory to the Board of Managers, regarding such work. Such agreement may include, but shall not be limited to, provisions for adequate insurance, indemnification of the Condominium and the Board of Managers, submission of all plans and specifications to the Board of Managers, and restrictions on the hours during which the work may be done. Any application to any department of the City of New York or to any other governmental authority for a permit to make an addition, alteration or improvement in or to any Unit shall be executed by the Board of Managers only, without however, incurring any liability on the part of the Board of Managers or any of them to any contractor, subcontractor or materialman on account of such addition, alteration or improvement, or to any person having any claim for injury to person or damage to property arising therefrom.

In the event the Board of Managers grants its consent to any addition, alteration or improvement to be made by a Unit Owner in accordance with the provisions of this Section 13, such consent shall be deemed to provide that any such work shall be at the Unit Owner's sole cost and expense, that work shall be done in accordance with all governmental or quasi-governmental laws, rules, regulations, codes and ordinances, that all work shall be done by reputable contractors with adequate liability, property damage and worker's compensation insurance (certificates of which shall be delivered to the Board of Managers prior to the commencement of construction), that any additions, alterations or improvements, shall be maintained in their entirety by said Unit Owner who shall also be responsible for any repairs, including structural repairs, to such area in any event, and to the Unit and any Common Elements where such repairs become necessary, due to additional stresses caused by such addition, alteration, or improvement, or due to improper design or construction of such addition, alteration, or improvement, and such approval shall further provide that the Unit Owner shall reimburse the Board of Managers for any out-of-pocket expenses incurred by the Board of Managers in connection with the granting of such approval and for any services provided in connection with such addition, alteration, or improvement; such expenses may include, but shall not be limited to, any fees of an attorney and/or fees of an architect consulted in connection with any request by a Unit Owner for approval of such work.

The provisions of this Section 13, which require the consent of the Board of Managers in connection with an addition, alteration or improvement in or to a Unit, which is structural or which affects the exterior of the Building or the value of other Units shall not apply to Units owned by Sponsor or Sponsor-designee or a Community Facility Unit Owner. Sponsor or Sponsor-designee or a Community Facility Unit Owner shall not need such consent. All other provisions of this Section 13 shall apply to all Units. For example, with respect to such addition, alteration or improvement to a Sponsor-owned Unit or a Community Facility Unit Owner, such work shall be at the sole cost and expense of Sponsor or Sponsor-designee or a Community Facility Unit Owner, and shall be done in accordance with all governmental or quasi-governmental laws, rules, regulations, codes and ordinances. All work must be done by reputable contractors with adequate liability, property damage and Workers Compensation insurance (certificates of which shall be delivered to the Board of Managers prior to the commencement of construction). Any such additions, alterations or improvements, shall be maintained in their entirety by Sponsor or Sponsor-designee or a Community Facility Unit Owner, as the case may be, who shall also be responsible for any repairs, including structural repairs, to such area in any event, and to the Unit and any Common Elements where such repairs become necessary, due to additional stresses caused by any addition, alteration, or improvement, or due to improper design or construction of the structural addition, alteration, or improvement. Additionally, Sponsor or Sponsor-designee or a Community Facility Unit Owner, as the case may be, shall reimburse the Board of Managers any reasonable out-of-pocket expenses incurred by the Board of Managers for any services provided in connection with such addition, alteration, or improvement.

Non-structural additions, alterations or improvements to Units that do not affect the exterior of the Building or the value of other Units may be made without the prior approval of the Board of Managers except that the Board of Managers may require that the Unit Owner enter into a written agreement, reasonably satisfactory to the Board of Managers, regarding such work as required for additions, alterations or improvements which require the consent of the Board of Managers, prior to commencing such work.

Section 14. Use of Common Elements and Facilities. A Unit Owner shall not place or cause to be placed in the lobby, public halls, stairways or other common areas or common facilities, any furniture, packages or objects of any kind. The public halls and stairways shall be used for no purpose other than for normal transit through them. Sponsor and Sponsor-designee shall have the right to use the Common Elements, without the vote or consent of the Board of Managers, other Unit Owners or the holders of Unit mortgages, for the purposes set forth in Section 11 of this Article VI.

Section 15. Right of Access. A Unit Owner shall grant a right of access to his or her Unit, to the manager and/or the managing agent and/or any other person authorized by the Board of Managers, the manager or the managing agent, for the purpose of making inspections or for the purpose of correcting any condition originating in his or her Unit and threatening another Unit or a Common Element, or for the purpose of performing installations, alterations or repairs to the mechanical or electrical services or other Common Elements in his or her Unit or elsewhere in the Building, or remedying any condition which would violate the provisions of any mortgage encumbering another Unit or for the purpose of complying with any laws, orders, rules

or regulations of any governmental body having jurisdiction thereof, or to cure any defaults by a Unit Owner or for any other purposes permitted by these By-Laws, provided that requests for entry are made in advance and that any such entry is at a time reasonably convenient to the Unit Owner. In case of an emergency, such right of entry shall be immediate, whether the Unit Owner is present at the time or not. In the event of the exercise of the right of access provided for in this Section 15, any costs for repairs shall be borne in accordance with the provisions of Section 10 of this Article VI.

Section 16. Rules of Conduct. Rules and regulations concerning the use of the Units and the Common Elements may be promulgated and amended by the Board of Managers. The vote of a majority of Unit Owners at a meeting may overrule the Board. Copies of such Rules and Regulations shall be furnished by the Board of Managers to each Unit Owner prior to the time when the same shall become effective. Initial Rules and Regulations, which shall be effective until amended by the Board of Managers are annexed hereto and made a part hereof as Schedule A. Notwithstanding this provision, for as long as Sponsor or Sponsor-designee remains the Owner of one or more Units, the Rules and Regulations of the Condominium may not be amended or modified in any way so as to adversely affect Sponsor or Sponsor-designee without Sponsor's prior written consent.

Section 17. Water Charges and Sewer Rents. Water shall be supplied to all of the Units and the Common Elements through one building meter and, the Board of Managers shall pay, as a Common Expense, all charges for water consumed by the Units together with all related sewer rents arising therefrom, promptly after the bills for the same shall have been rendered. In the event of a proposed sale of a Unit by the Owner thereof, the Board of Managers, on request of the selling Unit Owner, shall execute and deliver to Purchaser of such Unit or to Purchaser's title insurance company, a letter agreeing to pay all charges for water and sewer rents affecting the Unit as of the date of closing of title to such Unit, promptly after such charges shall have been billed.

Section 18. Utilities. Except for telephone, cable and air-conditioning service, gas and electricity in each Unit all utilities shall be paid for by the Condominium as a Common Expense.

Section 19. Vault Charges. All license fees and all periodic taxes and charges for street vaults or other protrusions, if any, beyond the lot line shall be paid by the Board of Managers as a Common Expense.

ARTICLE VII MORTGAGES

Section 1. Notice to the Board of Managers. A Unit Owner who mortgages his or her Unit shall notify the Board of Managers of the name and address of his or her mortgagee and shall file a conformed copy of the note and mortgage with the Board of Managers; the Board of Managers shall maintain such information in a book entitled "Mortgages of Units."

Section 2. Notice of Unpaid Common Charges. The Board of Managers shall promptly notify any mortgagee of a Unit of such Unit Owner's default, including non-payment of Common Charges, in the obligations of such Unit Owner under the Declaration, By-Laws, Rules and Regulations, as the same are amended from time to time, or in any order of the Board of Managers issued with respect thereto.

Section 3. Notice of Default. The Board of Managers, when giving notice to a Unit Owner of a default in paying Common Charges or other default, shall send a copy of such notice to each holder of a mortgage covering such Unit whose name and address has heretofore been furnished to the Board of Managers.

Section 4. Examination of Books. Each Unit Owner and each mortgagee of a Unit shall be permitted to examine the books of account of the Condominium, during business days, at reasonable times, upon reasonable notice to the manager, managing agent or Board of Managers.

ARTICLE VIII SALES, LEASES, GIFTS AND MORTGAGES OF UNITS

Section 1. Sales and Leases. Each Unit Owner has the right to sell or lease his or her Unit without any restrictions, unless specifically set forth herein.

Section 2. No Severance of Ownership. No Unit Owner shall execute any deed, mortgage or other instrument conveying or mortgaging title to his or her Unit without including therein the Appurtenant Interests, it being the intention hereof to prevent any severance of such combined ownership. Any such deed, mortgage or other instrument purporting to affect one or more of such interests, without including all such interests, shall be deemed and taken to include the interest or interests so omitted, even though the latter shall not be expressly mentioned or described therein. No part of the Appurtenant Interests of any Unit may be sold, transferred or otherwise disposed of, except as part of a sale, transfer or other disposition of the Unit to which such interest or interests are appurtenant, or as part of a sale, transfer or other disposition of such part of the Appurtenant Interests of all Units.

Section 3. Financing of Purchase of Units by the Board of Managers. Acquisition of Units by the Board of Managers or its designee, corporate or otherwise, on behalf of all Unit Owners, may be made from the working capital and Common Charges in the possession of the Board of Managers, or, if such funds are insufficient, the Board of Managers may levy an assessment against each Unit Owner, other than the offering Unit Owner, in proportion to his or her ownership in the Common Elements, as a Common Charge, which assessment shall be enforceable in the same manner as provided in Section 6 and 7 of Article VI, or, the Board of Managers, in its discretion, may borrow money to finance the acquisition of such Unit, provided, however, that no financing may be secured by an encumbrance or hypothecation of any property

other than the Unit, together with the Appurtenant Interests, so to be acquired or leased by the Board of Managers.

Section 4. Gifts and Devises, etc. Each Unit Owner has the right to convey or transfer his or her Unit by gift or to devise his or her Unit by will, or pass the same by intestacy, without any restrictions, unless specifically set forth herein.

Section 5. Waiver of Right of Partition with Respect to Such Units as are Acquired by the Board of Managers or its designee, on Behalf of All Unit Owners as Tenants in Common. In the event that a Unit shall be acquired by the Board of Managers or its designee, corporate or otherwise on behalf of all Unit Owners as tenants in common, all such Unit Owners shall be deemed to have waived all rights of partition with respect to such Unit.

Section 6. Payment of Common Charges and Assessments. No Unit Owner shall be permitted to convey, mortgage, pledge, hypothecate, sell or lease his or her Unit unless and until he or she shall have paid in full to the Board of Managers all unpaid Common Charges and assessments theretofore assessed by the Board of Managers against his or her Unit and until he or she shall have satisfied all unpaid liens against such Unit, except permitted mortgages.

Section 7. Mortgage of Units. Each Unit Owner has the right to mortgage his or her Unit without any restrictions, unless specifically set forth herein.

Prior to or simultaneously with the closing of any mortgage, the Unit Owner must satisfy all arrearages for unpaid Common Charges or assessments and discharge any liens therefor.

ARTICLE IX CONDEMNATION

Section 1. Condemnation. In the event of a taking in condemnation or by eminent domain of part or all of the Common Elements, the award made for such taking shall be payable to the Board of Managers, if such award amounts to \$50,000.00 or less, and to the Insurance Trustee, if any, if such award amounts to more than \$50,000.00. If 75% or more of the Unit Owners duly and promptly approve the repair and restoration of such Common Elements, the Board of Managers or the Insurance Trustee, as the case may be, shall arrange for the repair and restoration of such Common Elements, and the Board of Managers or the Insurance Trustee, as the case may be, shall disburse the proceeds of such award to the contractors engaged in such repair and restoration in appropriate progress payments. In the event that 75% or more of the Unit Owners do not duly and promptly approve the repair and restoration of such Common Elements, the Board of Managers shall disburse the net proceeds of such award in the same manner as they are required to distribute insurance proceeds where there is no repair or restoration of the damage, as provided in Section 3 of Article VI of these By-Laws. As used in this Section, the words "promptly approve" shall mean not more than sixty (60) days from the date of such taking.

ARTICLE X RECORDS

Section 1. Records and Audits. The Board of Managers or the managing agent or manager shall keep detailed records of the actions of the Board of Managers and the managing agent or manager, minutes of the meetings of the Board of Managers, minutes of the meetings of the Unit Owners, and financial records and books of account of the Condominium, including a chronological listing of receipts and expenditures, as well as a separate account for each Unit which, among other things, shall contain the amount of each assessment of Common Charges against such Unit, the date when due, the amounts paid thereon, and the balance remaining unpaid. In addition, it is the obligation of the Board of Managers of the Condominium to give to all Unit Owners annually, the following:

ARTICLE XI MISCELLANEOUS

Section 1. Invalidity. The invalidity of any part of these By-Laws shall not impair or affect in any manner the validity, enforceability or effect of the balance of these By-Laws.

Section 2. Captions. The captions herein are inserted only as a matter of convenience and for reference, and in no way define, limit or describe the scope of these By-Laws, or the intent of any provision thereof.

Section 3. Gender. The use of the masculine gender in these By-Laws shall be deemed to include the feminine gender and the use of the singular shall be deemed to include the plural, whenever the context so requires.

Section 4. Waiver. No restriction, condition, obligation or provision contained in these By-Laws, shall be deemed to have been abrogated or waived by reason of any failure to enforce the same, irrespective of the number of violations or breaches thereof which may occur.

Section 5. Insurance Trustee. The Insurance Trustee, if selected, shall be a bank, trust company or savings and loan association in the State of New York, designated by the Board of Managers (with the approval of each of the holders of Unit first mortgages). In the event that the Insurance Trustee shall resign, the new Insurance Trustee shall also be a bank, trust company or savings and loan association in the State of New York, designated by the Board of Managers (with the approval of each of the holders of Unit first mortgages). The Board of Managers shall pay the fees and disbursements of any Insurance Trustee and such fees and disbursements shall constitute a Common Expense of the condominium.

Section 6. Definition of “Mortgagee”. As used in these By-Laws, the term “mortgagee” or “holder of a first mortgage” shall include the holder of any construction loan mortgage, which shall be a lien on a Unit.

ARTICLE XII AMENDMENTS TO THE BY-LAWS

Section 1. Amendment to By-Laws. These By-Laws may be modified or amended by the vote of 66 2/3% in number and in Common Interest of all Unit Owners at a meeting of Unit Owners duly held for such purpose.

No amendment of a material adverse nature to mortgagees shall be made unless agreed to by mortgagees that represent at least 51% of the votes of Units that are subject to mortgages. A mortgagee shall be deemed to have consented to any amendment, which requires the consent of such mortgagee when the mortgagee fails to submit a response to any written proposal for an amendment within sixty (60) days after it receives proper notice of the proposal, provided that the notice was delivered by certified or registered mail, with a “return receipt” requested.

However, for as long as Sponsor or Sponsor-designee remains the Owner of one or more Units, these By-Laws, including the Rules and Regulations of the Condominium attached hereto, may not be amended or modified in any way so as to adversely affect Sponsor or Sponsor-designee, in Sponsor's sole discretion, without Sponsor's prior written consent.

In case any of these By-Laws conflict with the provisions of the Condominium Act or of the Declaration, the provisions of the Condominium Act or of the Declaration, as the case may be, shall control.

ARTICLE XIV ARBITRATION

Any matter arising out of the Condominium Documents, except for an action to foreclose a lien for unpaid common charges by the Board of Managers or an action seeking injunctive relief, shall be submitted for resolution by a panel of three (3) arbitrators in a proceeding held in the City of New York, which arbitrators shall be appointed as follows: One arbitrator shall be chosen by the Board of Managers, one arbitrator shall be chosen by the Unit Owner and the third arbitrator shall be chosen by the two aforementioned arbitrators. The decision of the arbitrators so chosen shall be given within thirty (30) days after his or her

Notwithstanding the foregoing, however, any arbitration held pursuant to the terms of the Condominium Documents with respect to a matter that arose prior to the first annual meeting of all Unit Owners held pursuant to the terms of Section 3.1 hereof shall be non-binding.

Section 4. Costs and Expenses. (A) The fees, costs and expenses of the arbitrators shall be borne equally by the disputants. Each disputant shall also bear the fees and expenses of his or her counsel and expert witnesses. The Residential Unit Owner should maintain all window guards (or stops) installed in the Unit and shall not remove same until permitted by applicable law and in any event, without prior written notice to the Managing Agent.

24. Refuse should not be placed on the sidewalk except on days of collection. Placing refuse on the sidewalk on days other than days of collection may result in a fine or

27. There are no pets, animals or birds restrictions in the Building.

28. No smoking is permitted in front of the Building and anywhere in the Limited Common Elements and Common Elements. No smoking is permitted on the Parking Units and in the Community Facility Units. Smoking is permitted in the Residential Units.

Section 339-kk of the Real Property Law of the State of New York

§339-kk. Rents

(a) For the purposes of this section, "non-occupying owner" shall mean a unit owner in a condominium association who does not occupy the dwelling unit.

(b) If a non-occupying owner rents any dwelling unit to a rental tenant and then fails to make payments due for common charges, assessments or late fees for such unit within sixty (60) days of the expiration of any grace period after they are due, upon notice in accordance with subdivision (c) of this section, all rental payments from the tenant shall be directly payable to the condominium association.

(c) If the common charges, assessments or late fees due for any unit have not been paid in full, within sixty (60) days after the expiration of any grace period of the earliest due date, the board of managers shall provide written notice to the tenant and the non-occupying owner providing that, commencing immediately and until such time as all payments for common charges, assessments or late fees are made current, all rental payments due subsequent to the issuance of such notice are to be made payable to the condominium association at the address listed on the notice. Where a majority of the board of managers has been elected by and from among the unit owners who are in occupancy, the board may elect not to require that rental payments be made payable to the condominium association. At such time as payments for common charges, assessments and late fees from the non-occupying owner are once again current, notice of such fact shall be given within three (3) business days to the rental tenant and non-occupying owner. Thereafter all rental payments shall be made payable to the non-occupying owner or a designated agent. A non-occupying owner who disputes the association's claim to rental payments pursuant to this section shall be entitled to present facts supporting such owner's position at the next scheduled meeting of the board of managers, which must be held within thirty (30) days of the date that such board receives notice that such owner seeks to dispute such claim.

(d) Nothing in this section shall limit any rights of unit owners or of the board of managers existing under any other law or agreement.

(e) Payment by a rental tenant to the condominium association made in connection with this section shall relieve that rental tenant from the obligation to pay such rent to the non-occupying owner and shall be an absolute defense in any non-payment proceeding commenced by such non-occupying owner against such tenant for such rent.

**Article 36-B of the General Business Law of the Real Property Law of
the State of New York**

§ 777. Definitions

As used in this article, the following terms shall have the following meanings:

1. “Builder” means any person, corporation, partnership or other entity contracting with an owner for the construction or sale of a new home.
2. “Building code” means the uniform fire prevention and building code promulgated under section three hundred seventy-seven of the executive law, local building code standards approved by the uniform fire prevention and building code council under section three hundred seventy-nine of the executive law, and the building code of the city of New York, as defined in title twenty-seven of the administrative code of the city of New York.
3. “Constructed in a skillful manner” means that workmanship and materials meet or exceed the specific standards of the applicable building code. When the applicable building code does not provide a relevant specific standard, such term means that workmanship and materials meet or exceed the standards of locally accepted building practices.
4. “Material defect” means actual physical damage to the following load-bearing portions of the home caused by failure of such load-bearing portions which affects their load-bearing functions to the extent that the home becomes unsafe, unsanitary or otherwise unliveable: foundation systems and footings, beams, girders, lintels, columns, walls and partitions, floor systems, and roof framing systems.
5. “New home” or “home” means any single family house or for-sale unit in a multi-unit residential structure of five stories or less in which title to the individual units is transferred to owners under a condominium or cooperative regime. Such terms do not include dwellings constructed solely for lease, mobile homes as defined in section seven hundred twenty-one of this chapter, or any house or unit in which the builder has resided or leased continuously for three years or more following the date of completion of construction, as evidenced by a certificate of occupancy.
6. “Owner” means the first person to whom the home is sold and, during the unexpired portion of the warranty period, each successor in title to the home and any mortgagee in possession. Owner does not include the builder of the home or any firm under common control of the builder.
7. “Plumbing, electrical, heating, cooling and ventilation systems” shall mean:
 - a. in the case of plumbing systems: gas supply lines and fittings; water supply, waste and vent pipes and their fittings; septic tanks and their drain fields; water, gas and sewer service piping, and their extensions to the tie-in of a public utility connection, or on-site well and sewage disposal system;

b. in the case of electrical systems: all wiring, electrical boxes, switches, outlets and connections up to the public utility connection; and

c. in the case of heating, cooling and ventilation systems: all duct work, steam, water and refrigerant lines, registers, convectors, radiation elements and dampers.

8. “Warranty date” means the date of the passing of title to the first owner for occupancy by such owner or such owner’s family as a residence, or the date of first occupancy of the home as a residence, whichever first occurs.

§ 777-a. Housing merchant implied warranty

1. Notwithstanding the provisions of section two hundred fifty-one of the real property law, a housing merchant implied warranty is implied in the contract or agreement for the sale of a new home and shall survive the passing of title. A housing merchant implied warranty shall mean that:

a. one year from and after the warranty date the home will be free from defects due to a failure to have been constructed in a skillful manner;

b. two years from and after the warranty date the plumbing, electrical, heating, cooling and ventilation systems of the home will be free from defects due to a failure by the builder to have installed such systems in a skillful manner; and

c. six years from and after the warranty date the home will be free from material defects.

2. Unless the contract or agreement by its terms clearly evidences a different intention of the seller, a housing merchant implied warranty does not extend to:

a. any defect that does not constitute (i) defective workmanship by the builder or by an agent, employee or subcontractor of the builder, (ii) defective materials supplied by the builder or by an agent, employee or subcontractor of the builder, or (iii) defective design provided by a design professional retained exclusively by the builder; or

b. any patent defect which an examination ought in the circumstances to have revealed, when the buyer before taking title or accepting construction as complete has examined the home as fully as the buyer desired, or has refused to examine the home.

3. In the case of goods sold incidentally with or included in the sale of the new home, such as stoves, refrigerators, freezers, room air conditioners, dishwashers, clothes washers and dryers, a housing merchant implied warranty shall mean that such goods shall be free from defects due to failure by the builder or any agent, employee or subcontractor of the builder to have installed such systems in a skillful manner. Merchantability, fitness and all other implied warranties with respect to goods shall be governed by part three of article two of the uniform commercial code and other applicable statutes.

4. a. Written notice of a warranty claim for breach of a housing merchant implied warranty must be received by the builder prior to the commencement of any action under paragraph b of this subdivision and no later than thirty days after the expiration of the applicable warranty period, as described in subdivision one of this section. The owner and occupant of the home shall afford the builder reasonable opportunity to inspect, test and repair the portion of the home to which the warranty claim relates.

b. An action for damages or other relief caused by the breach of a housing merchant implied warranty may be commenced prior to the expiration of one year after the applicable warranty period, as described in subdivision one of this section, or within four years after the warranty date, whichever is later. In addition to the foregoing, if the builder makes repairs in response to a warranty claim under paragraph a of this subdivision, an action with respect to such claim may be commenced within one year after the last date on which such repairs are performed. The measure of damages shall be the reasonable cost of repair or replacement and property damage to the home proximately caused by the breach of warranty, not to exceed the replacement cost of the home exclusive of the value of the land, unless the court finds that, under the circumstances, the diminution in value of the home caused by the defect is a more equitable measure of damages.

c. In addition to any other period for the commencement of an action permitted by law, an action for contribution or indemnification may be commenced at any time prior to the expiration of one year after the entry of judgment in an action for damages under paragraph b of this subdivision.

5. Except as otherwise provided in section seven hundred seventy-seven-b of this article, any provision of a contract or agreement for the sale of a new home which excludes or modifies a housing merchant implied warranty shall be void as contrary to public policy.

6. Except as otherwise provided in section seven hundred seventy-seven-b of this article, other implied warranties may arise from the terms of the contract or agreement or from course of dealing or usage of trade.

§ 777-b. Exclusion or modification of warranties

1. Except in the case of a housing merchant implied warranty, the builder or seller of a new home may exclude or modify all warranties by any clear and conspicuous terms contained in the written contract or agreement of sale which call the buyer's attention to the exclusion or modification of warranties and make the exclusion or modification plain.

2. Except in the case of a housing merchant implied warranty, the builder or seller of a new home may exclude or modify warranties with respect to particular defects by any clear and conspicuous terms contained in the written contract or agreement of sale which identify such defects, call the buyer's attention to the exclusion or modification of warranties and make the exclusion or modification plain.

3. A housing merchant implied warranty may be excluded or modified by the builder or seller of a new home only if the buyer is offered a limited warranty in accordance with the provisions of

this subdivision.

a. A copy of the express terms of the limited warranty shall be provided in writing to the buyer for examination prior to the time of the buyer's execution of the contract or agreement to purchase the home.

b. A copy of the express terms of the limited warranty shall be included in, or annexed to and incorporated in, the contract or agreement.

c. The language of the contract or agreement for sale of the home must conspicuously mention the housing merchant implied warranty and provide that the limited warranty excludes or modifies the implied warranty. Language to exclude all implied warranties is sufficient if it states, for example, that "There are no warranties which extend beyond the face hereof."

d. The limited warranty shall meet or exceed the standards provided in subdivisions four and five of this section.

4. A limited warranty sufficient to exclude or modify a housing merchant implied warranty must be written in plain English and must clearly disclose:

a. that the warranty is a limited warranty which limits implied warranties on the sale of the home; the words "limited warranty" must be clearly and conspicuously captioned at the beginning of the warranty document;

b. the identification of the names and addresses of all warrantors;

c. the identification of the party or parties to whom the warranty is extended and whether it is extended to subsequent owners; the limited warranty must be extended to the first owner of the home and survive the passing of title but may exclude any or all subsequent owners;

d. a statement of the products or parts covered by the limited warranty;

e. the clear and conspicuous identification of any parts or portions of the home or premises that are excepted or excluded from warranty coverage, and the standards that will be used to determine whether a defect has occurred; provided, however, that:

i. any exception, exclusion or standard which does not meet or exceed a relevant specific standard of the applicable building code, or in the absence of such relevant specific standard a locally accepted building practice, shall be void as contrary to public policy and shall be deemed to establish the applicable building code standard or locally accepted building practice as the warranty standard; and

ii. any exception, exclusion or standard that fails to ensure that the home is habitable, by permitting conditions to exist which render the home unsafe, shall be void as contrary to public policy.

f. what the builder and any other warrantor will do when a defect covered by the warranty does arise, and the time within which the builder and any other warrantor will act;

g. the term of the warranty coverage and when the term begins, provided, however, that such term shall be equal to or exceed the warranty periods of a housing merchant implied warranty, as defined in subdivision one of section seven hundred seventy-seven-a of this article;

h. step-by-step claims procedures required to be undertaken by the owner, if any, including directions for notification of the builder and any other warrantor; an owner shall not be required to submit to binding arbitration or to pay any fee or charge for participation in nonbinding arbitration or any mediation process;

i. any limitations on or exclusions of consequential or incidental damages, and any limitations on the builder's and other warrantor's total liability, conspicuously expressed on the first page of the warranty. Notwithstanding the foregoing, a limited warranty shall not be construed to permit any limitation on or exclusion of property damage to the home proximately caused by a breach of the limited warranty, where the court finds that such limitation or exclusion would cause the limited warranty to fail of its essential purpose, except that such property damage may be limited by an express limitation on the builder's or other warrantor's total liability in accordance with the provisions of this paragraph.

5. a. This article shall not be construed to authorize or validate any covenant, promise, agreement or understanding which is void and unenforceable under section 5-322.1 of the general obligations law.

b. This article shall preempt any local law inconsistent with the provisions of this article. This article shall not preempt any builder subject to its provisions from complying with any local law with respect to the regulation of home builders except as expressly provided herein.

c. Nothing in this article shall be construed to repeal, invalidate, supersede or restrict any right, liability or remedy provided by any other statute of the state, except where such construction would, as a matter of law, be unreasonable.
