UNLESS EXTENDED BY AMENDMENT

BECAUSE SPONSOR IS RETAINING THE UNCONDITIONAL RIGHT TO RENT RATHER THAN SELL UNITS AFTER PLAN CONSUMMATION, THIS PLAN MAY NOT RESULT IN THE CREATION OF A CONDOMINIUM IN WHICH THE MAJORITY OF THE UNITS ARE OWNED BY OWNER-OCCUPANTS OR INVESTORS UNRELATED TO THE SPONSOR. (SEE SPECIAL RISKS SECTION OF THIS PLAN).

PURCHASERS FOR THEIR OWN OCCUPANCY MAY NEVER GAIN CONTROL OF THE BOARD OF MANAGERS UNDER THE TERMS OF THIS PLAN (SEE SPECIAL RISKS SECTION OF THIS PLAN)

SEE PAGE (I) FOR SPECIAL RISKS TO PURCHASERS

THIS OFFERING PLAN IS THE ENTIRE OFFER TO SELL THESE CONDOMINIUM UNITS. NEW YORK LAW REQUIRES THE SPONSOR TO DISCLOSE ALL MATERIAL INFORMATION IN THIS PLAN AND TO FILE THIS PLAN WITH THE NEW YORK STATE DEPARTMENT OF LAW PRIOR TO SELLING OR OFFERING TO SELL ANY CONDOMINIUM UNIT. FILING WITH THE DEPARTMENT OF LAW DOES NOT MEAN THAT THE DEPARTMENT OR ANY OTHER GOVERNMENT AGENCY HAS APPROVED THIS OFFERING.

SPECIAL RISKS

The following is a summary of certain special risk considerations in connection with the Plan but is not intended to summarize all major features of the Plan. Prospective Purchasers are urged to read the following special risk factors in conjunction with the Plan for a discussion of these and other important aspects of this condominium offering.

1. Sponsor is reserving the unconditional right to rent rather than sell unsold units after plan consummation. Because Sponsor is not limiting the conditions under which it will rent rather than sell units, there is no commitment to sell more units than the fifteen percent of the residential units (two units) necessary to declare the plan effective and the Owner-Occupants may never gain effective control and management of the condominium. Owner-occupants and non resident owners may have inherent conflicts on how the condominium should be managed because of their different reasons for occupancy. Refer to Introduction. Page 2.

The sponsor does not have any mortgages or loans on the property. There is no necessity to obtain releases prior to closing.

A purchaser of a previously occupied unit will purchase the unit "as is". Refer to Interim Leases beginning at page 29.

2. No bond or other security has been posted to secure the Sponsor's obligations under this plan. The sponsor will amend the offering plan and the purchasers will be offered rescission if the sponsor cannot perform its financial obligation. Rights and Obligations of Sponsor at page 48.

3. The condominium board does not have the right to approve or disapprove purchasers. There is no limit on the number of owners who may purchase for investment rather than for personal occupancy and there may always be a substantial percentage of owners who are non-residents. See Basic Aspects of Condominium Ownership at page 5.

4. Purchasers should note that in the current real estate market, banks and other lenders are imposing various restrictions on purchase financing. Such restrictions include the requirement that a certain percentage of apartments in a building or group of buildings be sold before a lender will consider making a loan. Thus it may be possible for a purchaser to experience difficulty obtaining a loan in a building or group of buildings where the sponsor or holder of unsold shares has not sold a substantial percentage of the apartments in the building or group of buildings, which in some cases may be as high as 70%. Moreover, some lenders will not provide financing in a building or group of buildings where an investor other than the original sponsor has an ownership interest of 10% or more. It also may be difficult for a purchaser to resell an apartment if prospective buyers are unable to obtain a loan due to the same minimum sales and investor ownership restrictions. See Mortgage Contingency at page 36 and Effective Date of Plan at page 37.

5. There is no outside managing agent or superintendent provided for in the projected budget. During the sponsor's control period, the sponsor controlled board will manage the condominium through a principal of the sponsor Hua Wen, at no fee. Ms. Wen has not had any previous management experience.

After the control period ends, the unit owner controlled board will manage the condominium unless an outside managing agent is hired. If the condominium decides to engage a management company and/or a superintendent this will entail an additional expense not included in the budget as it now appears. The common charges will therefore increase. It is estimated that retaining a management company or a superintendent will increase the budget by 20%. Refer to footnotes Schedule B Projected Budget at page 17.

The New York City Housing Maintenance Code requires that all multiple dwellings provide adequate janitorial services. Janitorial services are defined as: Cleaning and maintenance, including the making of minor repairs; the furnishing of heat and hot water, where supplied from a central source; the removal of garbage, refuse, ashes and wastes from the premises; and the removal of snow, ice, dirt and other matter from the sidewalk and gutter. A Janitor means a person employed to perform janitorial services.

The budget does not provide for janitorial services for general cleaning and maintenance of the common areas. Unit owners will therefore have to perform any maintenance. The board of managers may retain one or more individuals to perform the above services. In the event the board wishes to hire a part-time janitor, the annual cost will be approximately $3,000.

Failure of the condominium to perform such janitorial services by either members of the condominium or by retaining an independent janitorial service might result in a fine being imposed by the City of New York for such failure.

During the control period, the sponsor will comply with the law and provide the required janitorial services.

The direct management of the condominium will be under the control of the board of managers as per the declaration and by-laws. These functions would include maintaining the books and records of the condominium as well as entering into repair contracts where necessary. Refer to budget footnotes at page 18.

Until such time as the operation of the condominium is turned over to the unit owners, the general partner of the sponsor, Hua Wen will act as the managing agent of the condominium. The management agent will (i) work in the best interests of the condominium and its unit owners; and (ii) not engage in sweetheart deals. Refer to page 78.

6. The Sponsor is constructing a new seven unit building in order to create this condominium. A new Certificate of Occupancy is required. The New York City Department of Buildings will issue only a Permanent Certificate of Occupancy when the construction is completed. Please refer to the Architect's Report in Part II Section D of this plan.

No closings will take place and no interim purchaser will occupy any unit until the Permanent Certificate of Occupancy is obtained. The Sponsor and its principals' are obligated to procure the PCO and keep TCO's current until the PCO is procured.

7. Sellers in general are obligated to pay the transfer taxes; however, the sponsor has transferred its obligation to the purchaser to pay the transfer taxes.

The purchaser shall be responsible for the payment of the New York City Real Property Transfer Tax and the New York State Documentary Stamp Tax. These taxes when combined are equal to 1.400% of the purchase price. These taxes are customarily paid by the Sponsor. This tax will be considered additional consideration on which the transfer taxes are computed. Refer to Unit Costs and Adjustments at page 44.

8. The contract of sale requires that any upgrades or custom work ordered are paid for at the time of such order. All funds received by the sponsor for upgrades or custom work must initially be placed in the escrow account. However, purchasers should note as a special risk that such funds may be released from the escrow account by the escrow agent as long as the sponsor uses the funds for such upgrades or custom work. If the plan is abandoned by the sponsor, then the sponsor will return all money for upgrades and custom work regardless of whether the money has been expended.

In the event the purchaser exercises a right of rescission the unexpended upgrade or custom work funds will be returned. The reimbursement shall be made within thirty days of the notice of abandonment or rescission.

Refer to Purchase Agreement in Part II Section A

9. The down payment received at the time a contract of purchase is executed will be placed in an attorney IOLA account. The escrow account is federally insured by the FDIC at the maximum amount of $250,000 per deposit. Any deposits in excess of $250,000 will not be insured unless the escrow agent has established multiple accounts on behalf of purchasers at various institutions. Interest on an IOLA account is paid to New York State. Refer to Procedure to Purchase page 29.

It should be noted that if purchasers have accounts at the same bank as sponsor's account that holds escrowed funds, purchaser's funds at the escrow bank factor into the $250,000 insurance limit.

10. Unit owners must notify the Board of managers in writing when a child or children age of ten (10) years or younger lives or resides (even temporarily) in the unit. Each residential unit owner must install at the resident's own expense, the required window guards in all windows of the unit and shall not remove them until permitted by law in any event, without the full knowledge of the Board of Managers. The installation is required by law. Please refer to the New York City Department of Health website for information regarding the installation of window guards. Please refer to page 6.

11. The square footages shown on the "Schedule A" are derived from the architectural report in Part II of this Offering Plan. The architect measured the dimensions from the outside face of the masonry at the exterior walls to the non unit side of the walls and partitions dividing the units from stairs, corridors and mechanical spaces. These dimensions include unusable space such as partitions and walls. Purchasers should verify each room and closet dimension for their interior use prior to closing. The dimensions are approximate within reasonable tolerances. The actual useable square footage is significantly less than the square footage figures in Schedule A. See Footnotes to Schedule A.

12. In the event proceeds of insurance for the condominium maintained by the condominium are insufficient to repair damaged units, the unit owners will bear the responsibility for the cost of repairs.

The purchase agreement provides that risk of loss prior to closing and transfer of title remains in the Sponsor. Following closing the purchaser, now unit owner, assumes risk of loss. See Purchase Agreement in Part II

A person who takes possession of a unit prior to closing assumes the risk of losses not covered by insurance. It is advisable that such occupant obtain insurance on their personal property. Personal property of unit occupants is not insured under the condominium insurance policy. See page 28.

The insurance provided for in the budget complies with the requirements for insurance set out in 13 N.Y.C.R.R. Section 20.3(h)(4)(viii). The By-Laws located in Part II Section F provide on page 13 that the board review the insurance coverage at least once a year.

13. Sponsor may not exercise veto power over expenses described in Schedule B, or over expenses required; (i) to comply with applicable laws and regulations; or (ii) to remedy any notice of violation; or (iii) to remedy a work order by an insurer; or (iv) for any repair or replacement necessary for the preservation or safety of the Building or for the safety of occupants of the Building or required to avoid the suspension of any necessary service to the Building.

Sponsors control period ends and sponsor may exercise veto power over expenses other than those described above for a period ending not more than two (2) years after the closing of the first unit or whenever there is only one unsold unit remaining, whichever is sooner. Please refer to page 52.

14. After the plan has been declared effective, the closing of title shall take place upon thirty days written notice. If the Purchaser fails to close within seven days of the time set for closing, interest of 16% per annum on the unpaid balance of the purchase price shall accrue from the date originally fixed for closing. In any event, the interest rate shall not exceed the legal maximum which is 16%. This disclosure is compliant with the usury law. The sponsor will not violate the usury law. Refer to Effective Date of Plan page 37.

15. Time is of the essence in the purchase agreement with regard to purchaser's obligations to pay the balance of the purchase price and to perform Purchaser's other obligations under the purchase agreement. Time of the essence means that the deadlines set forth in the purchase agreement are extremely important and that failure by the purchaser to meet those deadlines are considered material breaches of the purchase agreement which could result in the purchaser losing his down payment and/or being penalized in some fashion. See Purchase Agreement in Section A of Part II of this offering plan.

The sponsor must make written demand for payment after default at least 30 days before forfeiture of the deposit may be declared.

16. There will be one laundry closet provided within each residential unit with hookups for domestic type washers and dryers. The Sponsor will provide a washer and a dryer. Refer to Architect's Report on Part II Section D at page 11 of the plan.

The sponsor will provide a stainless steel sink; a range by Whirlpool; a Pacific Range Hood; a refrigerator by Whirlpool; and a dishwasher by Frigidaire. Please see Description of Property and Improvements at page 10 for further details.

Any other appliances such as microwave are the responsibility of the purchasers.

17. The expected life span of the roof is ten (10) years. There is a ten year manufacturer's guarantee on all construction material and workmanship. The commencement date is upon completion of the roof installation which is estimated to be on or about December 1, 2019. Please refer to Description of Property and Improvements at page 9.

18. The Sponsor anticipates that the first closing of a unit will occur by September 1, 2020. Purchasers will be offered a right of rescission if: (i) the actual date of closing of title to the first unit; or (ii) the projected date of closing of title to the first unit occurs later than August 31, 2021, twelve months after the projected date for the first closing. If the Plan is amended to provide for a later projected date for the first closing, purchasers will be entitled to an offer of rescission if the first closing occurs more than 12 months beyond the amended, later date.

However, if the first closing occurs before September 1, 2021, the Sponsor may schedule the closings of title to other units significantly later than such date. Unless your purchase agreement contains an outside closing date, the Sponsor is not obligated to schedule your closing within any specified time frame or to ensure that closing of title to your Unit will occur by any date certain.

PROSPECTIVE PURCHASERS SHOULD THEREFORE CAREFULLY CONSIDER THE POSSIBILITY OF SUCH RISKS IN THEIR DETERMINATION AS TO WHETHER TO PURCHASE A UNIT. In the event however, sponsor cannot convey title to the Unit on or before twelve months from the date of the purchase agreement, affected purchasers will be afforded the right of rescission.

19. The purchase agreement is contingent on the purchaser obtaining financing. The time period for obtaining a mortgage commitment and the time period for completing the project may be lengthy and the commitment may expire or be revoked.

Under New York Law, when a mortgage contingency is not fulfilled through no fault of purchaser, performance is excused. Sponsor may not condition purchaser's obligation upon obtaining a commitment. If purchaser acts in good faith and lender revokes the commitment after the contingency period expires, performance by the purchaser is excused. See page 36.

The sponsor does not have preferred lenders to recommend.

20. The Housing Merchant Implied Warranty applies to this development. However, the Sponsor has limited the scope of the warranty. The warranty covers no more than 75% of the purchase price and does not cover consequential, incidental, special and indirect damages except as required by law. The limited warranty is subject to all applicable laws. Please refer to the Rights and Obligations Section at page 49, the Addendum to the Purchase Agreement in Part II Section A and the Housing Merchant Warranty Law GBL-36-B in Part II Section G.

The Sponsor's obligation, regardless of any limitations in the warranty or in this offering plan, is to construct the premises in accordance with all applicable codes and filed plans and specifications, and that any conflict between the disclaimers and the sponsor's obligation to construct the premises in accordance with all applicable codes and filed plans and specifications shall be resolved in favor of the latter.

21. The Schedule B proposed budget which appears at page 17 includes a Contingency Fund which is intended to provide for any unanticipated expenses or unanticipated increases in the projected expenses and a yearly Capital Reserve fund for future capital repairs.

Both funds are funded from the common charges paid by the purchasers.

The Capital Reserve fund has been pegged at 10% of the budget which means 10% of the monies collected will be placed into the Capital Reserve Fund. The Sponsor believes that this fund will be sufficient for needed capital repairs that may arise during the first five years of condominium operations. This is not a guarantee that such funds will be sufficient but rather a good faith estimate of what will be required. If any unforeseen capital repairs are deemed necessary, a special assessment against the owners may be required.

There are no other reserves provided for in the budget. See page 76.

22. In addition to the other closing costs, the Purchaser shall pay the sum of $ 1,150.00 to the Seller's attorney for the preparation of the condominium transfer papers. Please refer to Closing Costs and Adjustments at page 46.

23. In the event that Purchaser or Purchasers lender requires that the closing take place outside of Sponsor's attorney's office, Purchaser agrees to pay Sponsor's attorney a travel fee at closing of $250.00 for closings within New York City (other than Brooklyn) and $500.00 for closings outside of New York City. Please refer to Closing Costs and Adjustments at page 46.

24. Smoking Policy. The condominium has adopted the following smoking policy in compliance with New York City Local Law 147. Smoking is prohibited in all of the common areas of the condominium. The common areas include but are not limited to the cellar area where the utility room is located, the stairways leading to and from the units, the rear yard and the outdoor front of the building to the property line. The unit owners may smoke in their units or the limited common elements appurtenant to a particular unit such as balconies or the roof area limited common element of units 4A and 4B as long as it does not create a nuisance to the other units. A nuisance shall be defined as infiltration of smoke or smoke odors into the units.

This policy includes electronic cigarettes and other vapor products in addition to the more conventional smoking apparatus. Please refer to Rights and Obligations of Unit Owners and Board at page 58.

25. The Tax Cuts and Jobs Act of 2017 which became effective at the beginning of 2018 affects the deductibility of real estate taxes and mortgage interest.

The 2017 Act imposes limitations on the deductibility of state and local income, sales and real estate taxes. An itemized deduction of up to $10,000 may be taken for the combination of state and local income, sales and real estate taxes. If an individual already has a deduction for state and local income taxes and sales tax in the tax year, there will be a smaller deduction or no deduction for state and local real estate taxes.

The 2017 Act also imposes a limitation on the mortgage interest deduction. This deduction applies to a person's principal residence and second residence. Only the interest on the first $750,000 of an acquisition mortgage is deductible. The deductibility of interest on a home equity loan has been suspended. Please refer to Opinion of Counsel at page 70.

26. The Assistant Director of the Financial Crimes Enforcement Network issued the July 22, 2016 Geographic Target Order as revised November 8, 2019 which might impact purchasers. Under the order certain title insurance companies are now required to collect and report information regarding purchasers of transactions where (1) the purchaser is a legal entity as defined in the Order; (2) the purchaser purchases residential real property located in the Boroughs of Brooklyn, Queens, Bronx, Manhattan and Staten island; (3) the total purchase price is in the amount of $300,000 or more; (4) such purchase is made without a bank loan or other

form of external financing; (5) the purchase is made at least in part, using currency or a cashier's check, a certified check, a traveler's check, a personal check, a business check, a money order in any form, a fund transfer, or virtual currency. This procedure is in effect for closings which occur on or after November 12, 2019 (the revised CTO's effective date). Please refer to Miscellaneous Provisions Concerning Purchases at page 35, section (11).)

27. A decrease in area of less than 5% or less could be material and trigger a right of rescission. There is a rebuttable presumption that an area that is diminished by 5% or less is not material. Please refer to Changes in Prices and Units at page 27.

28. Units affected by lot line windows are units 2A, 2B, 3A, 3B, 4A and 4B; each unit has one lot line unit. Lot line windows are not credited towards meeting the mandatory light and ventilation requirements, unless they meet the exception. All lot line windows are fully compliant with all applicable building codes and regulations.

29. The cellar is for accessory use only. It is not to be used for sleeping, cooking and/or living purposes and will not be rented independently.

30. The Federal Emergency Management Agency (FEMA), a federal agency, has designated the area in which the property is located as Flood Zone 'AE'. As per the FEMA flood map, the site is located in an area subject to inundation by the 1-percent-annual-chance flood event. Therefore, a presumed 1% annual chance of flood either from high water table or overflow from the Coney Island Creek as per the AE Flood Zone designation. Accordingly, mandatory flood insurance is required to be carried by the Condominium.

The flood insurance for the building shall be carried by the condominium. The premium for such insurance shall be part of the budget and shall be considered a common charge of the condominium.

31. The following spaces are not allowed to be habitable spaces (No sleeping, No living and No cooking): Unit 1 (Storage Room), Units 2A and 2B (Storage rooms), Units 3A and 3B (Storage rooms; and Units 4A and 4B (Storage rooms).

THE 2838 WEST 15 CONDOMINIUM
OFFERING PLAN

INTRODUCTION

A. The purpose of the offering plan is to set forth all the material terms of the offer. The plan may be amended from time to time when an amendment is filed with the New York State Department of Law and served on purchasers who have executed and delivered purchase agreements to the sponsor or selling agent and whose purchase agreements are in effect, unit owners and any person entitled to service pursuant to 13 N.Y.C.R.R. section 20.1(d). Amended literature will be served on those entitled thereto under Article 23-A of the General Business Law.

The condominium is subject to and complies with the New York Condominium Act, Article 9-B of the New York State Real Property Law.

B. 2838 Globe Estate LLC with offices at 839 58th Street, Brooklyn, NY 11220, the record owner of the realty, is the sponsor (hereinafter "Sponsor") under this offering plan (hereinafter "Offering Plan"), and hereby offers to sell seven (7) residential condominium units and one handicapped parking space to the public, which are presently being constructed on approximately 2,376 square feet on West 15 Street, Brooklyn, New York. The Sponsor acquired the property comprising the condominium development on November 14, 2016.

The property acquired was a two story one family frame house built in 1925. Prior to 1980 it was occupied by Bartolo Raffaele and his wife Mariana. Upon her death in 1980, Mr. Raffaele transferred the property by deed to his own name as sole owner. In 2004, Mr. Raffaele transferred the property to his own name and Vincent Avitable. In 2005, Mr. Raffaele transferred his remaining interest to Mr. Avitable. Mr. Avitable sold the property on November 14, 2016 to the sponsor.

The sponsor purchased the property vacant from Mr. Avitable. The property was demolished in 2017.

Neither the sponsor nor its principals nor any agent or affiliate tested the market or marketed/advertised/sales activity in relation to this condominium. There are no units, such as Unit1, that have any oral or written understanding regarding purchases.

This is new construction. The condominium development is composed of one structure with a cellar, first, second, third, fourth and penthouse floors.

The cellar will contain a concrete paved driveway leading to the handicapped parking space in the rear yard as well as a wheelchair lift running from the cellar to the first floor. The cellar will also contain a sprinkler, gas, water meter room. The first floor will be occupied by Unit 1 a one bedroom apartment with access to the rear yard. The second floor contains units 2A and 2B. The Third floor contains units 3A and 3B. The fourth floor contains the lower level of

Unit 4A and Unit 4B. The upper level of 4A is a penthouse which contains two bedrooms and a limited common element roof terrace at the front of the roof. Unit 4B has a limited common roof terrace at the back of the roof. Please refer to Schedule A for prices.

The cellar space is a common area. Cellar areas may not be used for any type of occupancy-including but not limited to dining, sleeping, living room, office etc. To do so may result in a violation against the building being issued by the Building Department. Cellar space has less light and air than ordinary living spaces and it is susceptible to dampness.

Units on the third and fourth floor have balconies which are considered limited common elements of the unit to which they are attached. Unit 4A in addition to the balcony off of the living room on the fourth floor has a front roof terrace off of the penthouse bedrooms. Unit 4B has a rear roof terrace accessible through the common staircase.

There is one handicapped accessible on site open parking space in the rear yard. This space is accessed by a concrete drive way which runs through the cellar level and is closed off by roll down gates at the street and rear yard entrances. There is a wheel chair lift located in the cellar which runs between the cellar and the first floor. The parking space will not be offered for sale but will be maintained as a common area of the condominium for use of any handicapped unit owner.

West 15 Street and the surrounding streets are public streets which will have parking where available.

Please refer to Schedule A at page 13 for more details on individual units.

None of the units to be built, such as Unit 1, have a pre-arrangement for purchase either oral, written or an understanding to make such purchase.

If Sponsor makes a bulk sale of two or more units, the transferee successor sponsor is bound by sponsor's representations regarding its commitment to sell units. Refer to Schedule A for prices.

The Sponsor will make a good faith effort to sell the units. Nevertheless, Sponsor retains the unconditional right to rent rather than sell unsold Units after plan consummation. There is no limit on number of owners who may purchase for investment. There is no commitment to sell more than the 15 percent (two units) necessary to declare the plan effective and owner-occupants may never gain effective control and management of the condominium.

Purchasers should note that in the current real estate market banks and other lenders are imposing various restrictions on purchase financing. Such restrictions include requiring that a certain percentage of apartments in a building or group of buildings be sold before a lender will consider making a loan. Thus, it may be possible for a purchaser to experience difficulty obtaining a loan in a building or group of buildings where the sponsor or holder of unsold shares

has not sold a substantial percentage of the apartments in the building or group of buildings, which in some cases may be as high as 70%. Moreover, some lenders will not provide financing in a building or group of buildings where an investor other than the original sponsor has an ownership interest of 10% or more. It also may be difficult for a purchaser to resell an apartment if prospective buyers are unable to obtain a loan due to the same minimum sales and investor ownership restrictions.

The Sponsor does not have an acquisition loan or a construction loan on the premises.

The By-laws include a provision that, after an initial voting control period a majority of the board of managers must be owner-occupants or members of an owner-occupant's household who are unrelated to the sponsor and its principals. Since there is no limit on the number of owners who purchase for investment, Owner-occupants and non-resident owners, including sponsor, may have inherent conflicts on how the condominium should be managed because of their different reasons for purchasing, i.e., purchaser as a home as opposed to as an investment.

The common elements consist of all areas and components of the development excluding the individual Units and their limited common elements. The common elements include hallways leading to the Units, the cellar, paved sidewalks, the rear yard and the exterior structure of the building including the roof.

The limited common elements appurtenant to a particular unit will be balconies and roof terraces. Please refer to Schedule A 4th column beginning at page 13 for details

Each unit has its own in-unit laundry closet which will house washer/dryer hookups. The Sponsor will provide washers and dryers manufactured by Magic Chef. Each unit will have a separate electric hot water heater and a ductless mini split H.V.A.C. unit for heating and air conditioning in the ceilings within the unit. The condensers will be located on the roof.

The sponsor will provide the following appliances: a stainless steel sink, a range by Whirlpool; a Pacific Range Hood; a refrigerator by Whirlpool; and a dishwasher by Frigidaire.

The condominium will have a sanitary and storm sewer connected to the City system along West 15th Street.

Sponsor believes that the first condominium Units will be ready for occupancy September 1, 2020.

The prices were set by the sponsor alone and are not subject to review or approval by the Department of Law or any other government agency.

The development is new construction. All units offered in this plan are vacant. The development is one building structure composed with a total of seven residential units.

No contracts or agreements, written or oral, have been entered into for the sale or transfer of any of the Units offered in the plan. No deposits or advances of funds have been taken by or on behalf of sponsor in connection with the reservation, sale or transfer of Units, prior to submission of the plan to the Department of Law.

This plan delivered to prospective purchasers contains all of the material terms of the transaction. Copies of the plan, all documents referred to in the plan and all exhibits submitted to the Department of Law in connection with the filing of the plan will be available for inspection without charge and for copying at a reasonable charge ($.25 per page) to prospective purchasers and their attorneys at the site whenever the on site sales office is open and at the office of the selling agent or sponsor. Copies of the plan and exhibits will also be available for inspection without charge and copying at a reasonable fee ($.25 per page) at the Real Estate Finance Bureau, Department of Law, 28 Liberty Street, 21st floor, New York, N.Y. 10005.

c. **Basic Aspects of Condominium Ownership**

A Declaration submitting the property to Article 9-B of the Real Property Law of the State of New York (hereinafter referred to as the "Condominium Act") and By-laws will be recorded prior to conveyance of title to the first Unit by the Sponsor. The Declaration and By-laws will be substantially similar to those set forth in this Offering Plan, and will not be changed so as to have a material adverse effect on the purchaser.

There are three types of interest in this condominium. The first is the unit itself which the purchaser owns exclusively. The second is the common elements which are owned by the purchaser and the other unit owners together. The common elements include such things as the building structure. The third type of ownership interest is the limited common elements. A purchaser if he is entitled to use a limited common element will have exclusive use of that limited common element which is used in conjunction with his ownership of the unit. In this offering plan the limited common elements are balconies and terraces which are for the exclusive use of a particular owner. More detailed definitions begin at page seven.

Each purchaser owns his or her Unit outright and is entitled to exclusive possession of that Unit together with an interest in and right to use the common elements, and the exclusive right to use their limited common element, if applicable.

In addition, each Unit owner will be responsible for the maintenance of his Unit, and may decorate the interior as he desires. His Unit will be taxed as a separate tax lot for real estate tax purposes and may be separately mortgaged. Under present Federal and New York State income tax laws, his real estate taxes and the interest paid on the mortgage on his Unit may be deducted from his income. There are limits to the amount of deductions allowable under present Federal Law. For instance the interest paid on mortgages is limited to the first $750,000 of an acquisition loan. For a further discussion of the deductions and limitations please refer to the Opinion of Counsel beginning at page 68.

A Unit Owner will own, in common with the owners of all other Units, an undivided interest in all parts of the Property other than the Units (the "common elements"). As a Unit Owner, he will have the right to vote annually for the election of members of the Board of Managers, who will supervise the Property and manage the affairs of the Condominium under the authority of the Declaration, By-laws and applicable statutes.

The Board of Managers will assess against every Unit Owner, in proportion to his interest in the common elements, charges for the maintenance of the common elements and for the operating costs of the Property (herein referred to as "common charges") which Unit Owners must pay pursuant the New York Condominium Act, Real Property Law Section 339(i) and (m).

Electricity for each Unit will be separately metered by Consolidated Edison, and each Unit Owners will pay the utility directly for the electricity which he uses for air conditioning, lighting and appliances. Gas for cooking and heating will be provided for each Unit by National Grid and also be separately metered and paid for separately by each Unit owner. The individual Unit owners will each have the obligation to pay for all other utilities, and the upkeep of the interior of the Units, as well as insurance on the interior of their Units and contents and their own casualty and liability insurance as distinguished from the obligation of the Board of Managers.

The common charges will include insurance for the buildings, common area electricity, general repairs as well as City water and sewer charges and miscellaneous common expenses.

Each Unit owner is obligated to comply with the declaration, the by-laws, rules and regulations and any other requirements of the board of managers.

Under the New York State Condominium Act, a condominium unit may be owned by an individual, a corporation, a partnership, or a fiduciary. There is no restriction as to who may purchase, except for those considered unqualified pursuant to any applicable statute. There are no restrictions on the use, resale, leasing or mortgaging of a Unit.

The condominium board does not have the right to approve or disapprove purchasers, there is no limit on the number of owners who may purchase for investment rather than for personal occupancy and there may always be a substantial percentage of owners who are non-residents.

The condominium board does not have a right of first refusal.

A unit owner is responsible for the maintenance of the interior of his unit. Common water and sewer pipelines which run throughout the building are the responsibility of the Condominium as is the common electrical system. The unit interior walls as well as the walls abutting common areas or adjacent units are the responsibility of the individual owner. All electrical lines within the unit from the wire coming into the unit are the responsibility of the unit owner as is general interior unit maintenance such as painting and repairs. The Board of Managers shall maintain insurance on the building as a whole. The condominium is not responsible for maintaining casualty and liability insurance for the interior of the individual

units. It is desirable that the unit owners obtain additional insurance, including casualty and liability coverage for the interior of their unit.

The condominium through the board is responsible for the maintenance and repair of the common areas of the condominium which include the exterior of the building, the common stairways, and the cellar.

Unit owners must notify the Board of Managers in writing when a child or children age of ten (10) years or younger lives or resides (even temporarily) in the unit. Each residential unit owner must install at the resident's own expense, the required window guards in all windows of the unit and shall not remove them until permitted by law in any event, without the full knowledge of the Board of Managers. The installation is required by law. Please refer to the New York City Department of health website for information regarding the installation of window guards.

All equipment and fixtures described in the plan and the narrative of the architect in Part II are included in the offering price.

THE PURCHASE OF A CONDOMINIUM UNIT HAS MANY SIGNIFICANT LEGAL AND FINANCIAL CONSEQUENCES. THE ATTORNEY GENERAL STRONGLY URGES YOU TO READ THIS OFFERING PLAN CAREFULLY AND TO CONSULT WITH AN ATTORNEY BEFORE SIGNING A PURCHASE AGREEMENT.

FOOTNOTES TO SCHEDULE A

1. Bedrooms and baths are according to N.Y.C. zoning room count. For a complete description of the unit layouts consult the description and floor plans in Part II of this Offering Plan. The physical dimensions of each unit consists of: (a) the area enclosed vertically from the top of the concrete or wood flooring to the underside of the concrete or sheetrock ceiling and (b) horizontally to the center line of demising walls between units; to the centerline of non-structural common walls; to the inside face of common structural walls or elements; and to the outside face of exterior walls. The square footage of each unit is not based upon measurements from interior surfaces of interior walls and includes unusable space such as partitions and walls; the actual area comprising the condominium unit is significantly less than listed in Schedule A. Doors and windows which open from a Unit and interior walls of a Unit shall be deemed to be part of the Unit. The dimensions are approximate within reasonable tolerances. The usable floor area of a condominium unit is significantly less than listed in Schedule A.

2. The percentage of common interest are calculated on floor space, subject to the location of such space and additional factors of relative value to other space in the for each condominium Unit pursuant to New York State Real Property Law Section 339-i(1)(iv).

3. The total cash purchase prices are subject to change since the prices and terms are negotiable. See "Changes in Prices or Units" for an explanation of any price changes.

Refer to "Closing Costs and Adjustments" on page 38 for a description of closing costs. For the units priced at $ 480,000 and $ 500,000, these would total approximately $ 11,401 and $14,185 respectively; plus additional closing costs if purchaser obtains a mortgage, including escrow and attorneys fees, plus working capital of two months maintenance per unit and adjustments.

4. The sponsor is not offering or procuring mortgage financing. If the purchaser obtains financing, debt service on such financing will be an additional monthly expense. As set forth on page 34 of this offering plan the purchase is contingent upon financing.

Purchasers should note that monthly carrying charges do not include certain housing costs for which the unit owner is generally responsible such as repairs to the interior or the unit, and separately metered gas and electricity for cooking, lighting and air conditioning and heating. Projections for individual gas and electricity usage set forth and explained in Schedule B-1.

5. After the Condominium is divided into individual tax lots, each Unit will be taxed as a separate tax lot for real estate tax purposes and the Unit owner will not be responsible for the payment of, nor will the Unit owner be subject to, any lien arising from the non-payment of taxes on other Units. Under the current tax law, real estate taxes paid on a personal residence are tax deductible as an itemized deduction on personal tax returns.

The amount deductible for taxes may vary depending upon the circumstances of the individual purchaser.

At the present time the development site is under construction. The City of New York Department of Finance has assessed the property as a small house (the prior use before demolition) for the fiscal year commencing July 1, 2020. The assessed value assigned to the property is $ 11,940. When the construction of the condominium is complete, the property value will be adjusted to reflect a class 2 seven unit multiple dwelling.

Based upon the assessed value of $ 11,940 for the fiscal year 2020/2021 and given the current percentage tax rate of 21.167% of assessed value for Class 1 property, the building currently has an overall yearly real estate tax of $ 2,527.

Once the construction is completed, the Department of Finance will change the classification of the building to a Tax Class 2, residential multiple dwelling. The assessed value will increase and the Class 2 real estate tax rate of 12.612% of assessed value will be applied.

Once the condominium is established, the Department of Finance usually apportions the overall building taxes by the percentage of common interest each unit will have. The individual tax rates in Schedule A are based upon percentages of common interest and the above projected post construction assessment and tax rate. The assessed value of the entire build is estimated to be $280,000 upon completion with the assessed valuation of the units between of the units will be between $36,400 and $56,000 and the resulting real estate tax under the current tax percentage would be $ 4,590 to $ 7,067 per annum.

The City of New York has the ability to change the tax rate or the method of assessing taxes at any time.

The projected tax deduction (where applicable) may vary in future years due to changes in the interest rate on the Unit owners mortgage (if any) or from changes in the allocation of constant debt service payments to interest and principal, or due to changes in real property taxes resulting from the expiration of real estate tax benefits, or from changes in assessed value, the tax rate or the method of assessing real property.

6. The projected monthly charges are a combination of the monthly common charges based upon a percentage common interest and the projected real estate taxes as discussed above.

This figure does not include individual expenses of a unit owner which would include among other things individual heating and electricity, cable and wireless charges and mortgage interest payments, if any. These items would be payable in addition to the charges listed on Schedule A

Deductibility of taxes

The Tax Cuts and Jobs Act of 2017 which became effective at the beginning of 2018 affects the deductibility of real estate taxes and mortgage interest.

The 2017 Act imposes limitations on the deductibility of state and local income, sales and real estate taxes. An itemized deduction of up to $10,000 may be taken for the combination of state and local income, sales and real estate taxes. If an individual already has a deduction for state and local income taxes and sales tax in the tax year, there will be a smaller deduction or no deduction for state and local real estate taxes.

The 2017 Act also imposes a limitation on the mortgage interest deduction. This deduction applies to a person's principal residence and second residence. Only the interest on the first $750,000 of an acquisition mortgage is deductible. The deductibility of interest on a home equity loan has been suspended.

A purchaser should consult with their tax adviser to determine the impact of this new law on the deductibility of the property taxes and mortgage interest payment associated with the purchase of a condominium unit.

In the event that the actual or anticipated date of commencement of condominium operation is delayed more than six (6) months from the budget year projected above, the plan must be amended to include a revised budget disclosing current projections. If such amended projections exceed the original projection by twenty-five percent (25%) or more, the sponsor must offer all purchasers the right to rescind and a reasonable time that is not less than fifteen (15) days after the date of presentation to exercise the right, whether or not sponsor offers to guarantee the previous budget projection. Sponsor must return any deposit or down payment to purchasers who rescind within a reasonable period of time. Sponsor may not declare a plan effective where there are material changes to the budget if these changes have not been disclosed by a duly filed amendment to the offering plan.

The Sponsor anticipates that the first closing of a unit will occur September 1, 2020. Purchasers will be offered a right of rescission if: (i) the actual date of closing of title to the first unit; or (ii) the projected date of closing of title to the first unit occurs later that August 31, 2021, twelve months after the projected date for the first closing. However, if the first closing occurs before September 1, 2021, the Sponsor may schedule the closings of title to other units significantly later than such date. Unless your Purchase Agreement contains an outside closing date, the Sponsor is not obligated to schedule your closing within any specific time frame or to ensure that closing of title to your Unit will occur by any date certain. PROSPECTIVE PURCHASERS SHOULD THEREFORE CAREFULLY CONSIDER SUCH RISKS IN THEIR DETERMINATION AS TO WHETHER TO PURCHASE A UNIT. In the event, however, the sponsor cannot convey title to the unit on or before twelve (12) months from the date of the purchase agreement, affected purchasers will be offered a right of rescission.

FOOTNOTES TO SCHEDULE B

This estimate of operating expenses and income has been certified by the Sponsor's expert Ritz Property management LLC, 5524 7th Avenue, Brooklyn, N.Y. 11220. Estimates are based upon operation of comparable developments in the New York City Area. It cannot be construed as an assurance of the final expenses and is merely based upon information available at this time. These amounts may vary due to changes in operating expenses

1. LABOR. The condominium will not have any permanent employees. Rather than a doorman, there will be a video buzzer type system for the front door with an automatic lock.

The New York City Housing Maintenance Code requires that all multiple dwellings provide adequate janitorial services. Janitorial services are defined as: Cleaning and maintenance, including the making of minor repairs; the furnishing of heat and hot water, where supplied from a central source; the removal of garbage, refuse, ashes and wastes from the premises; and the removal of snow, ice, dirt and other matter from the sidewalk and gutter. A Janitor means a person employed to perform janitorial services.

The budget does not provide for janitorial services for general cleaning and maintenance of the common areas. Unit owners will therefore have to perform any maintenance. The board of managers may retain one or more individuals to perform the above services. In the event the board wishes to hire a part-time janitor, the annual cost will be approximately $3,000.

Failure of the condominium to perform such janitorial services by either members of the condominium or by retaining an independent janitorial service might result in a fine being imposed by the City of New York for such failure.

During the control period, the sponsor will comply with the law and provide the required janitorial services.

2. HEATING. Each unit will have its own heating and hot water boilers. There is no separate heating system for the building. Please refer to Schedule B-1 for individual heating costs provided by

3. UTILITIES. Each unit will be separately metered for gas usage of the range and dryer. Each unit will be separately metered for electrical usage for lighting, appliances and unit air conditioners. The estimates supplied by the utilities are provided in Schedule B-1. The common area electricity will include a wheel chair lift, cellar lighting, outdoor lighting, and 2 rolldown gates. Estimate dated August 1, 2019 supplied by Nelson & Tom Maintenance Inc. 114 Bowery, New York, New York 10013 estimates that the yearly cost of maintaining the lights would be $1,260.00. The estimate is based upon 2,800 watts at a yearly cost of $.45 per watt. This figure includes applicable sales tax of 8.875% and a 10% inflation factor. Projections were based on calculations based on numbers from comparable/similar buildings.

4. WATER CHARGES AND SEWER RENTS. The water and sewer charges will be assessed for the entire building. Estimate of total water and sewer charges for the development dated August 8, 2019 was supplied by S & S Plumbing Corp. 31-10 37th Avenue, Long Island City, N.Y. 11101. Estimate based upon usage of 50 gallons a day per person with sixteen people in the development (two people for each one bedroom, three people in the two bedroom apartment) 291,200 gallons yearly usage at $ 9.50 per Hundred Cubic feet (748 gallons) combined water and sewer rate. Using these figures, we have a total cost of $ 3,705. per annum (390 HCF x $9.50). This figure includes a 10% inflation factor. There is no sales tax on water service. Projections were based on calculations based on numbers from comparable/similar buildings.

5. REPAIRS, MAINTENANCE AND SUPPLIES. Since the condominium is new construction the Sponsor does not anticipate that normal repairs and maintenance will be excessive. A conservative estimate of $2,000 per annum based upon sponsor's prior experience has been made.

The first year repairs and maintenance will cover minor interior repairing of cracks, glass, hardware or painting of the entryway and common hallways as well as exterior repairs such as minor painting and brick pointing as well as minor concrete cracks.

6. LANDSCAPING. The building occupies the entire parcel except for the small asphalt covered rear yard and one small grass patch in front of the building. There will be one tree in front of the building at the curb surrounded by a small grass strip. The maintenance of this tree and grass strip should not exceed $400.00 per year.

7. INSURANCE.

Estimate dated August 12, 2019 supplied by David Chin General Insurance Brokerage, Inc. 87 Bowery, New York, N.Y. 10002. This insurance coverage meets the requirements of any mortgage lender procured by Sponsor.

a. Based on Replacement Cost of Property Values of $ 1,375,000.
b. General Liability Limits of $1,000,000 ~~CSL~~ per occurrence and $2,000,000 Aggregate
c. Personal Injury Liability $1,000,000. per each occurrence
d. Officer and Director $,1000,000.
e.

A $2,500 deductible applies. Coverage applies to entire structure excluding personal property of unit owners, and liability coverage applies to all common areas. Replacement cost is based upon $ 256.00 per internal square feet.

Projected annual premium $ 5,230.00

This insurance which includes public liability insurance as indicated will be obtained and will be in place prior to the first closing. The policy will include at least an 80% co-insurance provision so that the insured shall not be a co-insurer. The insurance is adequate to replace the building in the event of total loss and to avoid being a co-insurer in the event of partial loss.

The fire, casualty and general liability insurance must be on terms that provide (a) that each unit owner is an additional party insured; (b) that there will be no cancellation without notice to the Board of Managers; (c) a waiver of subrogation; (d) a waiver of invalidity because of the acts of the insured and unit owners; and (e) a waiver of pro-rata reduction if unit owners obtain additional coverage.

It is desirable for the individual owners to obtain additional insurance at their own cost to cover such risks as fire and casualty losses to the contents of their unit, and liability coverage for occurrences within their unit.

This quote covers water damage to the building itself. It does not cover damage to the personal property of the unit owners.

8. FLOOD INSURANCE

The Federal Emergency Management Agency (FEMA) has designated the property site as a Flood Zone 'AE". Mandatory flood insurance is required to be carried by the condominium.

The condominium does not have a cellar or other below ground components. It is built on a ground level slab. The ground floor is an open space part of which is a driveway linking the rear yard parking space to the public street.

The residential units are located on the second floor or above. No residential units are located on the ground floor.

A flood insurance quote dated March 13, 2020 has been provided by David Chin General Insurance Brokerage 87 Bowery, New York, N.Y. 10013.

The basic policy covers damage top the building in the amount of $175,000 and contents of $8,000. There is a $50,000 deductible.

The annual premium would be approximately $5,000 per year.

9. LEGAL FEES AND AUDIT FEES. The attorney for the Sponsor, Yang & Partners 711 59th Street, Brooklyn, N.Y. 11220 has agreed to handle routine matters for the Condominium for the first year of operation for a flat fee of $750. The services covered by this fee are routine matters such as review of contracts, interpretation of the Declaration and By-laws and ordinary correspondence with the Managers, Unit Owners and any City Agency.

Annual review of the Condominium expenses, including certified financial statements while the sponsor is in control of the Board, and preparation of tax returns, based upon the written estimate dated September 15, 2019 by Paul A. Leff, CPA 1573 Richmond Road, Staten Island, New York, NY 10304 will be $1,500. per annum.

10. MANAGEMENT. The budget does not provide for an outside management company due to the size of the condominium. The employment of a management company will increase the budget and the common charges paid thereunder by approximately 20%.

While the sponsor is in control of the condominium, Hua Wen, one of the principals will manage the affairs of the condominium without charge.

Once the Sponsor relinquishes control of the board, the unit owners through the board of managers will be responsible to operating the condominium. Their responsibilities will include hiring workmen to make repairs, billing and collecting common charges, and paying all necessary expenses of the condominium as well as all other responsibilities which a managing agent would have.

11. CONTINGENCY FUND A contingency fund is a separate fund is intended to provide for any unanticipated expenses or unanticipated increases in the projected expenses. This fund is separate and apart from the normal projected budget expenses and the reserve fund which is specifically earmarked for the inevitable capital repairs or replacements which will be required in the future.

12. RESERVE FUND The Sponsor has determined that a separate fund for future capital repairs and improvements should be established. It will be funded yearly at roughly 10% of the budget for that year. These funds shall be maintained in an account separate and apart from the yearly expenses. It shall be used exclusively for capital repairs in the future as needed. These funds shall not be used for normal yearly repairs and maintenance. The By-laws provide for such reserve fund in Article VII section 1.

The yearly reserve fund will be sufficient to pay for any major repairs or replacement items likely to be needed within the first five years of condominium operation.

COMPLIANCE WITH REAL PROPERTY LAW SECTION 339(i)

October 10, 2019

Re: The 2838 West 15th Street Condominium

Gentlemen:

You have requested an opinion from us with regards to your allocation of common interest to units in your proposed condominium development called the 2838 West 15th Street Condominium located at 2838 West 15th Street, Brooklyn, N.Y. with section 339(1)(iv) of the New York Real Property Law.

You have informed us that the Common Interest of each unit is allocated based on floor space, subject to the location of such space and the additional factors of relative value to other spaces in the condominium, the uniqueness of the unit, the availability of common elements for exclusive or shared use, and the overall dimensions of the particular unit.

We have reviewed the proposed Schedule A to the offering plan which sets out the square footage of units and the percentage common interest. The floor space and overall dimensions were calculated and provided by Lam Engineer, PC 4846 190 Street, fresh Meadows, NY in the Engineer's Report located in the proposed offering plan.

In our opinion, the percentage common interest as set forth in the offering plan is in compliance with Real Property Law Section 339(i)1(iv).

VI. CHANGES IN PRICES AND UNITS

The offering prices set forth in Schedule A must be changed by a duly filed amendment to the plan when the change in price is an across the board increase or decrease affecting one or more lines of units or unit models, or is to be advertised, or is a price increase for an individual purchaser.

Prices and specified terms of sale are negotiable and the sponsor may enter into an agreement with an individual purchaser to sell one or more units at prices lower than those set forth in Schedule A without filing an amendment.

The Sponsor also reserves the right to substitute for any of the materials specified in Part II Description of property, materials of Equal of Better Quality in the construction or design of the Condominium due to the unavailability of materials or as may be authorized, approved or required by the lending institution or municipal authorities having jurisdiction there over. Equal or Better Quality means comparable or better quality recognized by industry standards for performance, efficiency, longevity, and/or classifications, as applicable.

No changes will be made in the size or number of Units, and/or their respective percentages of common interest, and no material change will be made in the size or quality of common elements except by amendment to the plan and, when applicable, to the declaration. A decrease in a unit's area of 5% or less will not affect a purchaser's obligation unless such decrease is determined to be a material change. There is a rebuttable presumption that an area that is diminished by 5% or less is not material.

Unless an affected purchaser consents, no material change will be made in Unit size, layout, or percentage of common interest if a purchase agreement has been executed and delivered to sponsor for that Unit and the purchaser is not in default.

Unless all purchasers consent, no material change will be made in the size and no material adverse change will be made in the quality of the common elements.

VII. INTERIM LEASES

The sponsor may, at Sponsor's option extend an interim lease to any purchaser who has executed a contract of sale for a unit in the subject premises and is not in default thereon. It shall be in the Sponsor's sole and exclusive discretion as to whether or not to offer an interim lease. The Sponsor may for any, or for no reason refuse to offer an interim lease to any purchaser. Interim leases or short term leases shall not be offered to any party who has not executed a Purchase Agreement for a unit.

The interim lease shall not create a landlord-tenant relationship but shall be deemed a use and occupancy agreement and subject to the terms of the Purchase Agreement. No rental protection laws are applicable to the interim lease. The interim lease will provide that in the event the contract is cancelled, or the plan is abandoned the interim lessee will move out on 30 days written notice. The interim lease will further provide that an uncured default under the purchase agreement is a default under the interim lease, and that an uncured default under the interim lease is a default under the purchase agreement. Sponsor must make a written demand for payment after default at least thirty (30) days before forfeiture of the deposit may be declared.

Please refer to sample interim lease in part II Section H of this offering Plan.

A person who takes possession prior to closing assumes the risk of loss not covered by insurance for the condominium. It is recommended that an interim lessee confer with an insurance adviser regarding insurance for the unit.

Notwithstanding the foregoing, before the Sponsor can utilize a default under the interim lease to declare a default under the purchase agreement, the Sponsor must either obtain an order of eviction or other judgment from a court or agency of competent jurisdiction against the interim lessee; unless the interim lessee has vacated the unit. An interim lessee has 30 days to vacate the unit after receipt of written notice of a default; after delivery to the Sponsor of written notice of exercise of right of rescission; or after delivery to the purchaser of written notice that the Plan has been abandoned.

Sponsor and its agents will not discriminate against any person on the basis of race, creed, color, national origin, sex, age, disability, marital status or other grounds prohibited by law.

V11I. PROCEDURE TO PURCHASE

A. Any person may accept Sponsor's offer to sell the Units by entering into a Purchase Agreement with the Sponsor. The agreement provides that the purchaser will purchase from the Sponsor a designated Unit in the Condominium described in the Declaration creating such Condominium.

Purchasers will be afforded, at the Sponsor's sole option, either (i) no fewer than three (3) business days to review the Plan and all filed amendments prior to executing a purchase agreement, or (ii) a period of no fewer than seven days subsequent to the execution of the Purchase agreement to rescind the purchase agreement.

Upon signing the Purchase Agreement the purchaser shall make a down payment of 10% of the total price of his Unit plus the cost of special work ordered by the Purchaser. At the closing, upon full payment of the purchase price in cash or by mortgage, the purchaser will receive a bargain and sale deed with covenants against grantor's acts and containing the provisions set forth in Section 13 Subdivision 5 of the Lien Law, which will convey good and marketable title of fee ownership in the Unit and such percentage of common interest in the Common Elements as is set forth on Schedule A, free and clear of all liens and encumbrances other than those set forth in the Plan. The purchase agreement may be modified with the consent of the purchaser and the Sponsor in a manner not inconsistent with law subject to the terms of the Plan.

Prospective purchasers must sign three duplicate original purchase agreements and forward them along with the down payment to Sponsor's attorney. Within fifteen days after a purchaser delivers the executed purchase agreements together with the required deposit, the sponsor must either accept the purchase agreements and return two fully executed counterparts to the purchaser or reject the purchase agreements and refund the full deposit previously tendered. If the sponsor takes no action within the above time period, the purchase agreement shall be deemed rejected.

The Escrow Account is entitled "Brian Yang, Esq., As Attorney" ("Escrow Account"). The Escrow Account is federally insured by the FDIC at the maximum amount of $250,000 per deposit. Any deposit in excess of $250,000 will not be insured, unless Escrow Agent has established multiple accounts on behalf of Purchaser at various institutions.

If purchaser's have accounts at the same bank as sponsor's account that holds the escrowed funds, purchaser funds at the escrow bank factor into the $250,000 insurance limit.

All Deposits received by Purchaser shall be in the form of checks and shall be made payable to or endorsed by the Purchaser to the order of Brian Yang, Esq., as Escrow Agent.

Any deposits made for upgrades, extras, or custom work shall be initially deposited into the Escrow Account, and released in accordance to the terms of the Purchase Agreement. In the event the plan is abandoned, all money including money for upgrades/extras will be returned. In the event the purchaser exercises a right of rescission, only the unused portion of the deposit made for upgrades/extras will be refunded. All refunds will be made within thirty days of the notice of abandonment or rescission, as the case may be.

The interest rate for all Deposits made into the Escrow Account shall be the prevailing rate for such accounts. Interest shall begin to accrue upon placing the Deposit into the Escrow Account. All interest earned thereon shall be paid to or credited to the purchaser at closing. No fees of any kind may be deducted from the Escrow Account, and the Sponsor shall bear all costs associated with the maintenance of the Escrow Account.

3. The Escrow Agreement:

The Escrow Agreement is attached as Exhibit F in Part II of the Plan. The Escrow Agreement must be executed by the Sponsor, Purchaser and Escrow Agent.

4. Notification to Purchaser:

Within ten (10) business days of the placing the deposit in the Escrow Account, Escrow Agent shall provide written notice to Purchaser and Sponsor, confirming the Deposit. The Escrow Agent is obligated to send notice to the Purchaser once the Deposit is placed in the Escrow Account. If the Purchaser does not receive notice of such deposit within fifteen (15) business days after tender of the Deposit, he or she may cancel the Purchase Agreement within ninety (90) days after the tender of the Purchase Agreement and Deposit to Escrow Agent. Complaints concerning the failure to honor such cancellation requests may be referred to the New York State department of Law, Real Estate Finance Bureau, 28 Liberty Street, New York, N.Y. 10005. Rescission shall not be afforded where proof satisfactory to the Attorney General is submitted establishing that the Deposit was timely placed in the Escrow Account in accordance with the New York State Department of Law's regulations concerning Deposits and requisite notice was timely mailed to the Purchaser.

5. Release of Funds

All Deposits, except for advances made for upgrades, extras, or custom work received in connection with the Purchase Agreement, are and shall continue to be the Purchaser's money, and may not be comingled with any other money or pledged or hypothecated by Sponsor, as per GBL section 352-h.

Under no circumstances shall Sponsor seek or accept release of the Deposit of a defaulting Purchaser until after consummation of the Plan, as evidenced by the acceptance of a post-closing amendment by the New York State Department of Law. Consummation of the Plan does not relieve the Sponsor of its obligations pursuant to GBL sections 352-e(2-b) and 352-h.

The Escrow Agent shall release the Deposit if so directed:

(a) pursuant to the terms and conditions set forth in the Purchase Agreement upon closing of title to the Unit; or

(b) in a subsequent writing signed by both Sponsor and Purchaser; or

(c) by a final, non-appealable order or judgment of a court.

If the Escrow Agent is not directed to release the Deposit pursuant to paragraphs (a) through (c) above, and the Escrow Agent receives a request by either party to release the Deposit, then the Escrow Agent must give both the Purchaser and the Sponsor prior written notice of not fewer than thirty (30) days before releasing the Deposit. If the Escrow Agent has not received notice of objection to the release of the Deposit prior to the expiration of the thirty (30) day period, the Deposit shall be released and the Escrow Agent shall provide further written notice to both parties informing them of said release. If the Escrow Agent receives a written notice from either party objecting to the release of the Deposit within said thirty (30) day period, the Escrow Agent shall continue to hold the Deposit until otherwise directed pursuant to paragraphs (a) through (c) above. Notwithstanding the foregoing the Escrow Agent shall have the right at any time to deposit the Deposit contained in the Escrow Account with the clerk of the county where the unit is located and shall give written notice to both parties of such deposit.

The Sponsor shall not object to the release of the Deposit to:

(a) a purchaser who timely rescinds in accordance with an offer of rescission contained in the Plan or an Amendment to the Plan; or

(b) all Purchasers after an Amendment abandoning the Plan is accepted for filing by the Department of Law.

The Department of Law may perform random reviews and audits of any records involving the Escrow Account to determine compliance with all applicable statues and regulations.

6. Indemnification

As per the provisions of the escrow agreement, the Sponsor agrees to defend, indemnify and hold the escrow agent harmless from and against all costs, claims, expenses and damages incurred in connection with and arising out of the escrow agreement and the performance or non performance of the escrow agent's duties under the escrow agreement, except with respect to actions or omissions taken or suffered by the escrow agent in bad faith or in willful disregard of the escrow agreement or involving gross negligence of the escrow agent. The indemnification includes, without limitation, disbursements and attorney's fees either paid to retain attorneys or representing the hourly billing rates with respect to legal services rendered by the escrow agent to itself.

7. Miscellaneous Escrow Provisions

a. The escrow agent shall be discharged from its obligations by the sponsor upon payment of the deposit and interest in accordance with the applicable regulations.
b. Once his agency is discharged, the escrow agent shall be free to represent the sponsor in any lawsuits.
c. The sponsor will not compensate the depository bank for acting as a depository.
d. The sponsor will not compensate the escrow agent for acting as such.

8. Waiver Void

Any provisions of any Purchase Agreement or separate agreement whether oral or in writing, by which a Purchaser purports to waive or indemnify any obligation of the Escrow Agent holding any Deposit in trust is absolutely void. The provisions of the Attorney General's regulations and GBL sections 352-e(2-b) and 352-h concerning escrow trust funds shall prevail over any conflicting or inconsistent provisions in the Purchase Agreement, Plan or any amendment thereof.

C. GENERAL TRUST FUND PROVISIONS

(a) The escrow agent shall maintain all records concerning the escrow account for seven years after the release of the funds. Upon the dissolution of any law firm which was the escrow agent, the former partners or members of the firm shall make appropriate arrangements for the maintenance of these records by the successor firm and shall notify the Department of law of such transfer.

(b) Nothing contained herein shall diminish or impair the sponsor's statutory obligation to each purchaser pursuant to GBL Section 352-h to hold in trust all deposits, advances or payments made in connection with the offer until consummation of the transaction with such purchaser. Consummation of the plan does not relieve sponsor of its obligations pursuant to GBL 352-h. Funds from the escrow account remain the property of the purchaser until employed in connection with the consummation of the transaction. Such funds shall not be a part of the estate of the sponsor or the escrow agent upon any bankruptcy, incapacity or death.

(c)Before funds are transferred to a new escrow account, or if the escrow agent is replaced, the plan will be amended to provide the same full disclosure with respect to the new account, the escrow agent and the escrow agreement as was originally provided. A bond, letter of credit or other security may be substituted for the escrow account only after the Department of Law approves in writing the use of such alternate form of security.

(d) In the event a purchaser is entitled to rescission, the purchaser will not receive a refund of any funds used for upgrades or extras to the extent that such funds have been expended. If the offering plan is abandoned, all funds for upgrades or extras will be fully refunded.

D. MISCELLANEOUS PROVISIONS CONCERNING PURCHASES

(1) The purchase agreement and the offering plan complies with Section 71-a(3) of the Lien Law and any other applicable provisions of law.

(2) In the event that the purchaser defaults under the terms of the offering plan and purchase agreement, sponsor in addition to its other remedies may retain actual cost incurred for special work ordered by the purchaser.

(3) The Sponsor anticipates the first closing of a unit will occur by September 1, 2020. Purchasers will be offered a right of rescission if: (i) the actual date of closing of title to the first unit; or (ii) the projected date of closing of title to the first unit occurs later than August 31, 2021, twelve months after the projected date for the first closing. If the Plan is amended to provide for a later projected date for the first closing, purchasers will be entitled to an offer of rescission if the first closing occurs more than 12 months beyond the amended, later date.

However, if the first closing occurs before September 1, 2021, the Sponsor may schedule the closings of title to other units significantly later than such date. Unless your Purchase Agreement contains an outside closing date, the Sponsor is not obligated to schedule your closing within any specified time frame or to ensure that closing of title to your Unit will occur by any date certain. PROSPECTIVE PURCHASERS SHOULD THEREFORE CAREFULLY CONSIDER SUCH RISKS IN THEIR DETERMINATION AS TO WHETHER TO PURCHASE A UNIT. In the event, however, the sponsor cannot convey title to the unit on or before twelve (12) months from the date of the purchase agreement, affected purchasers will be offered a right of rescission.

The Sponsor is not limiting the condition under which it will rent rather than sell unsold units after consummation of the offering plan. There is no commitment to sell more units that the 15% necessary to declare the plan effective. There are no construction loan provisions which would affect the sponsor obligation to sell or rent the Units.

(4) After the Plan has been declared effective the Sponsor will fix dates for closing title to all units for which purchase agreements have been executed by serving notice on each purchaser stating the date of the first closing and setting such purchaser's closing date. Such notice shall be served no less than thirty (30) days before the date set for the closing of the units. Sponsor may permit purchasers to waive this thirty (30) day provision by including such waiver in this plan or in an amendment thereto. If the Purchaser fails to close within seven days of the time set for closing; interest of 16% per annum on the unpaid balance of the purchase price shall accrue from the date originally fixed for closing. In any event, the interest rate shall not exceed the legal maximum which is 16%. This disclosure is compliant with the usury law. The sponsor will not violate the usury law.

(5) The Sponsor is obligated to make written demand for payment after default by purchaser and afford the purchaser a thirty day period to cure said default prior to the purchaser forfeiting any money paid under the purchase agreement.

As set forth in the Purchase Agreement under Section 13 Default of Purchaser, TIME IS OF THE ESSENCE. As explained under that section, the dates set forth for the Purchaser to perform certain obligations under the Purchase Agreement are fixed and there are potential penalties if those dates are missed. Please review that section for details.

The phrase "time of the essence" means that the deadlines set forth in the purchase agreement are extremely important and that failure by the purchaser to meet those deadlines are considered material breaches of the purchase agreement which could result in the purchaser losing his down payment and/or being penalized in some fashion.

(6) The purchasers will be afforded, at the Sponsor's sole option, either (i) no fewer than three (3) business days to review the Plan and all filed amendments prior to executing a purchase agreement, or (ii) a period of no fewer than seven days subsequent to the execution of the Purchase agreement to rescind the purchase agreement.

(7) The risk of loss or damage to the unit by fire or any other cause until the delivery of the deed is assumed by the SPONSOR, provided that the PURCHASER has not taken possession of the premises, but without any obligation or liability by Sponsor to repair or restore the Unit if there has been extensive damage which renders the unit uninhabitable. If Sponsor elects to repair or restore the Unit, the purchase agreement shall continue in full force and effect, Purchaser shall not have the right to reject title or received a credit against, or abatement in, the purchase price and sponsor shall be entitled to a reasonable period of time within which to complete the repairs or restoration. In the event the unit has been extensively damaged which renders it uninhabitable, the Purchaser has the option to cancel the contract. Any proceeds received from insurance or in satisfaction of any claim or action in connection with such loss shall, subject to the rights of the respective Boards and other Unit Owners if the declaration has heretofore been recorded, belong entirely to the Sponsor and, if such proceeds are paid to purchaser, purchaser shall promptly upon receipt thereof turn them over to sponsor.

In the event sponsor notifies purchaser that it does not elect to repair or restore the Unit, or, if the declaration has been recorded prior thereto, the Unit Owners do not resolve to make such repairs or restoration pursuant to the By-Laws, the purchase agreement shall be deemed cancelled and of no further force and effect and Sponsor shall return to purchaser all sums deposited by purchaser within seven (7) business days, together with interest thereon, if any, and neither party shall have any further rights, obligations or liability to or against the other under the purchase agreement or the offering plan, except that if purchaser is then in default under the purchase agreement (beyond any applicable grace period), sponsor shall retain all such sums deposited by purchaser, together with any interest earned thereon, as and for liquidated damages.

The Sponsor will notify the purchaser within thirty days of discovering the damage whether or not the damage from casualty will be repaired.

A person who takes possession prior to closing assumes the risk of loss not covered by insurance. It is desirable for a person in possession to obtain insurance for personal property. The condominium insurance policy does not cover personal property of occupants.

(8) The purchasers shall sign a power of attorney to the Board of Managers of the Condominium. This power shall be executed at the closing of title to the unit purchased by the purchaser and recorded simultaneously with the Deed to said unit. The Sponsor will not close and transfer title to the unit unless the Power of Attorney is executed by the Purchaser.

The power of attorney located in Part II Section B of this Plan authorizes the Board of Managers to act on behalf of the purchaser to acquire and sell or lease a unit which is abandoned or the subject of a foreclosure sale.

(9) Any conflict between the plan and the purchase agreement will be resolved according to the terms of the plan.

(10) The purchase agreement and plan may not contain, or be modified to contain, a provision waiving purchaser's rights or abrogating sponsor's obligations under Article 23-A of the GBL.

(11) The Assistant Director of the Financial Crimes Enforcement Network issued the July 22, 2016 Geographic Target Order as revised November 8, 2019 which might impact purchasers. Under the order certain title insurance companies are now required to collect and report information regarding purchasers of transactions where (1) the purchaser is a legal entity as defined in the Order; (2) the purchaser purchases residential real property located in the Boroughs of Brooklyn, Queens, Bronx, Manhattan and Staten Island: (3) the total purchase price is in excess of $300,000 or more; (4) such purchase is made without a bank loan or other similar form of external financing; (5) the purchase is made at least in part, using currency or a cashier's check, a certified check, a traveler's check, a personal check, a business check, or a money order in any form, a fund transfer or virtual currency. This procedure is in effect for closings which occur on or after November 8, 2019 (the revised GTO's effective date).

ABILITY TO ASSIGN PURCHASE AGREEMENT

The Sponsor will not permit the assignment or transfer of purchase agreements. Any assignment or transfer of the purchase agreement without the prior written approval of the Sponsor will cause the termination of the purchase agreement and the return of the down payment if the purchaser is not otherwise in breach of contract. Assignments are only permitted with the sponsor's approval. The proposed assignor will contact sponsor's representative and fill out a questionnaire with detailed information concerning the proposed assignees financial responsibility. The proposed assignee must agree to accept the terms of the purchase agreement as executed by assignor. Please refer to sample questionnaire appended to the purchase agreement in Part II Section A.

Sponsor and its agents will not discriminate against any person on the basis of race, creed, color, national origin, sex, age, disability, marital status or other grounds prohibited by law.

MORTGAGE CONTINGENCY

Purchaser's obligation to purchase is subject to and contingent upon purchaser obtaining a conventional first mortgage in an amount up to 80% of the purchase price to run for a period of 30 years, to bear interest at the prevailing rate at the time of closing or as otherwise provided in the loan commitment and to be payable in monthly installments which may include amortization of principal, interest, taxes, water rates, private mortgage insurance fee, fire and other hazard insurance premiums, and such other provisions as may be required by the lending institution. Please refer to Section 6 at page 5 of the Purchase Agreement located in Part II Section A of this offering plan.

Purchase agrees to make a diligent, truthful and proper application to a lending institution within ten (10) days after receipt of a fully executed copy of the purchase agreement and shall

have forty-five (45) days from the receipt of a fully executed purchase agreement ("Mortgage Contingency Date") to obtain a mortgage commitment. The Sponsor may extend the time period for up to an extra sixty days.

Once a bank commitment is issued, purchaser will be required to use due diligence in obtaining any and all extensions necessary to maintain such commitment in force, notwithstanding that such extension may be at a higher interest rate or may require payment of additional fees, or include other charges. Failure to maintain such commitment will constitute a default under the purchase agreement. It is not considered a commitment until the lender approves the appraisal.

In the event that the financing commitment lapses or expires prior to closing and the purchaser has made a good faith effort to extend the commitment, the sponsor will grant the purchaser a right of rescission and a reasonable period of time to exercise the right.

The purchaser shall notify the Sponsor in writing within five business days of receipt by purchaser of approval or disapproval of the mortgage application. In the event that the mortgage application is not approved, the Seller will refund the down payment and unexpended sums for special work ordered by the purchaser within ten days of receiving notice of such non approval.

In the event the purchaser submits a second mortgage application after the non approval, the purchaser agrees to pay all fees and charges imposed by the second lending institution for the mortgage application.

EFFECTIVE DATE OF PLAN

Sponsors' offer to sell is contingent upon the plan being declared effective and compliance with the relevant conditions and time periods hereinafter set forth.

The plan may be declared effective by (i) an amendment to the Plan or (ii) by personal service of notice on every purchaser or by commencement of service by mail in the manner required by the regulations stating that the Plan is declared effective and submitting an amendment to the Department of Law within five (5) days confirming that the Plan was declared effective on a specific date. The amendment must conform to section 20.5(e) of the regulations. The closing of the first unit shall not occur until the plan is declared effective and the effectiveness amendment is accepted for filing by the Department of Law.

The plan may not be declared effective unless bona fide purchasers, including investors, have signed purchase agreements for at least fifteen percent (15%) of the units (2 units). Ancillary units such as parking units may not be counted towards effectiveness.

The Plan will not be declared effective based upon purchase agreements:

(a) signed by purchasers who have been granted a right of rescission that has not yet expired or been waived; or

(b) if the purchaser was not afforded (i) not fewer than seven (7) days after delivering an executed purchase agreement together with the required deposit to rescind the purchase agreement and have the full deposit refunded promptly or (ii) not fewer than three (3) business days to review the offering plan and all filed amendments prior to executing a purchase agreement. See Section 20.3(o) (15) of the regulation); or

(c) with any purchaser who is the sponsor, the selling agent, or the managing agent or is a principal of the sponsor, the selling agent or the managing agent or is related to the sponsor, the selling agent or the managing agent or to any principal of the sponsor or the selling agent or the managing agent by blood, marriage or adoption or as a business associate, an employee, a shareholder or a limited partner; except that such a purchaser other than the sponsor or a principal of the sponsor may be included if the sponsor has submitted proof satisfactory to the Department of Law establishing that the purchaser is bona fide.

The plan must be declared effective when purchase agreements have been accepted by sponsor for eighty percent (80%) or more of the units (6 units) offered under the plan.

Notwithstanding the fact that not all purchasers used for purposes of declaring the plan effective may actually close, sponsor will re-declare the plan effective if all purchase agreements are either rescinded or terminated prior to the date of the first unit closing, regardless of whether the condominium declaration has been recorded.

The plan may be abandoned by the sponsor, at its option, before it is declared effective. If the offering plan is to be abandoned after filing and the sponsor has accepted purchase agreements, the sponsor shall promptly submit an amendment to the Office of the Attorney General together with form RS-3 as promulgated by the Office of the Attorney General. If payments under purchase agreements have been received, the amount of such funds and the manner and time when such funds will be returned to purchasers must be disclosed. The funds must be returned within five (5) days after the amendment abandoning the plan has been accepted for filing. If there are no outstanding purchase agreements the sponsor need not submit an amendment but shall submit a form RS-3 to the Office of the Attorney General which shall be served simultaneously by the sponsor on all commercial or professional tenants, if any.

Sponsor also agrees to submit to the Department of Law, if requested, copies of all purchase agreements (and any amendments or modifications) within five (5) business days after the request is made.

The sponsor may not abandon the Plan after the effectiveness amendment is filed for any reason other than (i) a defect in title which cannot be cured without litigation or cannot be cured for less than one-half of one percent of the total amount of the offering, or (ii) substantial

damage or destruction of the buildings by fire or other casualty which cannot be cured for less than one-half of one percent of the total amount of the offering, or (iii) the taking of any material portion of the property by condemnation or eminent domain. Sponsor must provide that any stated dollar amount relied upon as basis for abandonment after effectiveness must exclude any attorney's fees or any such title defects or determinations of any authority or regulatory association which exist on the date of presentation of the plan and are either known to the sponsor or are a matter of public record.

Sponsor cannot abandon the Plan for any judgments or liens against the property resulting from acts of the sponsor or any of its principals or which are known to the sponsor on the date of the Plan.

IX. TERMS OF SALE

The form of deed to be delivered to a Unit owner at closing of title to his unit shall be a Bargain and Sale Deed with covenants against grantor's acts in proper form for recording. A form of unit deed is contained in Part II of the Plan.

Closing of title is the actual transfer of ownership of the condominium unit by Sponsor to the purchaser following the contract of sale. Purchaser will receive not less than thirty (30) days written notice by Sponsor prior to the closing date.

Title to each Unit and its appurtenant interest in the common elements will be conveyed at the closing free and clear of all liens, encumbrances and title exceptions other than those described in this plan and the proposed unit deed.

The risk of loss or damage to the unit by fire or any other cause until delivery of the deed is assumed by the Sponsor, provided that the Purchaser has not taken possession of the premises, but without any obligation or liability by Sponsor to repair or restore the Unit if there has been extensive damage which renders the unit uninhabitable. If Sponsor elects to repair or restore the Unit, the purchase agreement shall continue in full force and effect. Purchaser shall not have the right to reject title or receive a credit against, or abatement in, the purchase price. Sponsor shall be entitled to a reasonable period of time within which to complete the repairs or restoration.

In the event the unit has been extensively damaged which renders it uninhabitable, the Purchaser has the option to cancel the contract. Any proceeds received from insurance or in satisfaction of any claim or action in connection with such loss shall, subject to the rights of the Board and other Unit Owners if the declaration has heretofore been recorded, belong entirely to the Sponsor and, if such proceeds are paid to purchaser, purchaser shall promptly upon receipt thereof turn them over to sponsor.

In the event sponsor notifies purchaser that it does not elect to repair or restore the Unit, or, if the Declaration has been recorded prior thereto, the Unit Owners do not resolve to make such repairs or restoration pursuant to the By-Laws, the purchase agreement shall be deemed cancelled and of no further force and effect and the Sponsor shall return to purchaser all sums deposited by purchaser, together with interest thereon, if any, and neither party shall have any further rights, obligations or liability to or against the other under the purchase agreement or the offering plan, except that if purchaser is then in default under the purchase agreement (beyond any applicable grace period) sponsor shall retain all such sums deposited by purchaser, together with any interest earned thereon, as and for liquidated damages.

The Sponsor will notify the purchaser within thirty days of discovering the damage whether or not the damage from casualty will be repaired.

A date for the closing of title will be set by the Sponsor in accordance with the Purchase Agreement. The closing of title to the first Units are expected to commence on or about September 1, 2020. Closings will only take place after or simultaneously with the happening of the following events:

1. The sponsor and its principals are obligated to procure a final certificate of occupancy prior to the first closing.

2. The Sponsor does not have any mortgage or construction loan on the property which would require a release or payoff.

3. Recordation and filing of the Declaration, By-laws, floor plans for the Condominium and such other documents as required by law, in accordance with the New York Condominium Act or applicable state and local law in the office of the Kings County Register.

4. As required by Real Property Law Section 339-r, the discharge or partial release duly recorded of all liens affecting the unit to be closed except any mortgage requested by the purchaser at the time of closing representing a mortgage taken by the purchaser.

5. The purchaser being served with a written notice of the closing date at least thirty days in advance and opportunity to inspect the unit and other property subject to the declaration.

6. Amendment of the plan by sponsor to disclose that it has been declared effective and to confirm that any units to be closed have been constructed in accordance with any applicable plans and specifications and sponsor has complied with the requirements of the applicable regulations.

7. The purchaser shall execute an instrument in the form provided in Part II of this offering plan designating the Board of Managers as his attorneys in fact, coupled with an interest for the purpose of managing, selling, mortgaging, leasing, voting or otherwise dealing with any homes acquired by the Board of Managers in accordance with any of the provisions of the By-laws and for purposes consistent with the implementation of the offering plan.

8. Purchaser or the Board of Managers shall receive subcontractors' warranty certificates for heating, plumbing, roofing and appliances relating to the purchaser's Unit or the Common Elements respectively, if any, to the extent made by such manufacturers and subcontractors and to the extent such warranties are assignable.

9. If so requested by the purchasers, a title insurance company licensed to do business in New York State shall agree to insure that such purchaser has good and marketable fee title in the Unit, free and clear of all liens and encumbrances except those set forth in the offering plan, and subject to the provisions of the Declaration and By-laws and any mortgage executed by the purchaser and that the Condominium was validly formed pursuant to Article 9-B of the Real Property Law. The title company will affirmatively insure that none of the easements, covenants and agreements affecting title to the unit will affect the use of the premises as a condominium.

The Unit Owner, at his option, may purchase title insurance covering his interest in the Unit. Purchasers are free to use a title company of their own choosing without incurring a penalty. Title to the Unit will be subject to the following permitted encumbrances:

(1) State of facts of the property as shown on a survey and any additional state of facts which a subsequent survey would show provided such additional state of facts would not render title unmarketable.

(2) Sewer, water, drainage, electric, plumbing, heating, gas telephone, cable television and other utility easements or consents, if any, granted or which may be granted hereafter.

(3) All of the terms, covenants and conditions of the Declaration, the By-laws, and the Building Plans as filed or recorded and the Offering Plan and amendments thereto.

(4) All easements set forth in the By-laws and the Declaration as they are subsequently recorded and in the Offering Plan and Purchase Agreement including:

(a) Easements in favor of the Owners of other Units to use the pipes, wires, conduits, cable television and public utility lines located in the Common Elements or in the Units itself servicing such other Units and easements of necessity in favor of the other Units and/or the common elements;

(b) Easements in favor of the Board of Managers, its agents, contractors and employees to have a right of access to the Unit and to the Common Elements to inspect, maintain or repair or to make repairs to the Unit to prevent damage to the Common Elements or any other Units, to make repairs to the Common Elements, to any wires, pipes, conduits or cable television system servicing any of the Units or to make repairs to any other Unit;

(c) Easements in favor of those Units having restricted use to portions of the Common Elements;

(d) Easements for the continuance of encroachments on the Unit or on the Common Elements by other Units or portions of the Common Elements, now existing by reason of the construction of the Units, or hereafter occurring by reason of the settling or shifting of the Units, or by reason of the repair and/or restoration by the Board of Managers of the Units or such other Units or such Common Elements, after damage by fire or other casualty or after taking in condemnation or eminent domain proceedings, or by reason of an alteration to the Common Elements made by the Board of Managers, so that any such encroachments may remain so long as the Building within which the Unit is located shall stand.

(e) Easements in favor of the Sponsor for sale and construction purposes. These easements refer to the Sponsor's right to maintain an office and signage on the premises during the sale and construction period as well as construction easements for the purposes of continuing and completing the renovation work and obtaining the new Certificate of Occupancy.

(5) Covenants, restrictions, easements, charges and liens applicable to the Condominium and the Common Properties upon the filing in the Kings County Registrar, prior to the transfer of title to the first Unit, of the Declaration of Covenants, Restrictions, Easements, Charges and Liens governing the Properties together with the By-laws annexed to and made part of said instrument.

Please Refer to Part II of this offering plan: Section A Purchase Agreement at pages 8 and 9; Section E Declaration on page 4 section Sixth; Section F By-Laws

The Sponsor has been advised by its counsel that in Counsel's opinion, none of the exceptions to title hereinabove set forth are contrary to the terms of the Purchase Agreement, nor do they interfere with the quiet use and enjoyment of the purchaser's Unit as represented in this Offering Plan.

10. All personal property located within the unit on the date the purchase agreement is signed or located within the common elements on the date the Declaration is filed, that is owned by the Sponsor or the owner of the property, is included in the conveyance unless specifically excepted in this offering plan.

11. The amount of real estate tax escrow will be disclosed in the first post closing amendment.

X. UNIT CLOSING COSTS AND ADJUSTMENTS

At the time of title closing, the Purchaser will pay the following costs and expenses which rates are as of the date of this plan and subject to change without notice. The costs for a typical unit sale of $ 480,000 and $ 500,000, would be as follows:

(a) Title insurance	$ 2,431	2,518	(1)
(b) Recording Deed	400	400	(2)
(c) Recording Power of atty	200	200	(2)
* (d) State and City transfer taxes	6,814	9,292	(3)
(e) Recording Mortgage	400	400	(2)
(f) Mortgage Title Insurance	506	524	(1)
(g) bank atty and misc bank charges	1,000	1,000	(4)
(h) mortgage tax	7,872	8,200	(5)
(i) mansion tax	-0-	-0-	(6)
(j) supplemental tax	-0-	-0-	
(k) capital contribution	406	625	(6)
(l) preparation of condo papers	1,150	1,150	(6)
Total	$ 21,179	24,309	

* The purchaser will be paying the transfer taxes which are generally a seller's obligation; however such obligation is being transferred from sponsor to the purchaser. The taxing authorities consider such tax paid as additional consideration. The actual transfer tax due is based upon the "grossed-up" selling price which includes the transfer tax as additional consideration. The chart includes such "grossed-up" amount.

The above mortgage costs are based upon an 80% thirty year mortgage ($384,000 and $400,000. respectively) and do not include such things as points or mortgage broker fees if applicable.

(1) The title and mortgage insurance are based upon statutory charts which control the amount of these expenses. The charge is based upon the size of the purchase price and the size of the mortgage.

The chart used to determine the rates is as follows:

On policies up to $35,000. the title insurance is $402. and the mortgage insurance is 343. Above $35,000 for each $1,000 or part thereof add as follows:

Up to	owner	mortgage
35,001-50,000	$ 6.67	$ 5.55
50,001-100,000	5.43	4.54
100,000-500,000	4.36	3.64
500,000-1,000,000	3.98	3.31
1,000,000-5,000,000	3.66	3.05

When owners and mortgage policies are being issued pursuant to the same closing, the mortgage policy shall be issued at a reduced rate known as the simultaneous mortgage rate. A simultaneous mortgage policy is charged at 30% of the applicable mortgage rate up to the amount of the owner's policy.

The Purchasers are free to use the title insurance company of their choice at no additional fee to the sponsor.

(2) New York City requires the payment of general filing fees in order to record the deed, mortgage and power of attorney. These fees are in addition to the New York City and New York State Transfer Taxes and the Mortgage Tax. The schedule at the top of the preceding page lists the approximate amount of these recording fees. The recording fees are standard charges imposed by the Kings County Clerk's office to record the various papers which must be on file in the Clerk's office.

(3) The purchaser will be paying the transfer taxes which are generally a seller's obligation; however such obligation is being transferred from sponsor to the purchaser. The fee imposed upon a purchase of less than $500,000 is 1.000% to New York City and .4% to New York State. Purchases more than $500,000 is 1.425% to New York City and .4% to New York State.

This tax is a flat tax based upon the sales price. The following is an example:

Sales price	City Tax	State Tax	total
$ 480,000	at 1.000%= $ 4,800	at .4%= $ 1,920	$ 6,720.
500,000	at 1.425%= $ 7,125	at .4%= $ 2,000	$ 9,125.
550,000	at 1.425%= $ 7,838	at .4%= $ 2,200	$ 10,038.

(4) In the event a purchaser does obtain a mortgage in order to purchase a unit, there will be various bank charges. The bank charges will vary depending upon the type of loan and the requirements of the particular lending institution involved. They include bank attorney fees and such things as inspection and processing fees.

(5) The mortgage tax which is payable by the purchaser is 2.05% above $500,000 of the mortgage and is imposed by statute. The figure provided is based upon a $760,000 or $1,160,000 mortgage and will change if the mortgage amount is changed. As an example:

Mortgage	percentage tax	tax
$ 384,000	2.05%	$ 7,872
$ 400,000	2.05%	$ 8,200
$ 450,000	2.05%	$ 9,225

Furthermore, purchasers obtaining mortgage loans may be required to escrow with the mortgagee sufficient monies to pay the real estate taxes, insurance, sewer, water, or other items next coming due (the amount of such escrow cannot now be determined and will depend on the number of months remaining between the closing of title and the date these amounts are next due to be paid and the estimated amounts then payable, as well as the discretion of the mortgagee).

To the extent the above escrow is not required by a purchaser's mortgagee, or if purchaser does not have a mortgage, if units have not been separately assessed for real estate tax purposes prior to the closing of title to the first unit, sponsor must place in escrow in the name of the Board of Managers an amount equal to the unpaid real estate taxes which will be levied against the parcel for the six month period following the first closing or until the units are separately assessed, whichever is shorter. The Board of managers will pay the real estate taxes from the escrow account when taxes are due and payable and the sponsor is entitled to a pro rata reimbursement from unit owners.

(6) Purchasers shall also be required to pay two months common charges as working capital. This amount shall be used to reimburse the sponsor for any prepaid expenses of the Condominium, if any. The working capital shall be turned over to the Board of Managers at each closing of unit owners. This working capital will not be used to reduce common charges. It is anticipated that there will be a surplus working capital after the sponsor's reimbursement of prepaid expenses. It is impossible at this time to estimate the amount of such surplus.

For individuals seeking mortgages in excess of 80% of the sales price, private insurance may be necessary at additional costs, which may include 1/2% of the mortgage at closing plus 1/4% each year until the mortgage principal reaches the level of 80% of the purchase price.

In the event Purchaser obtains a mortgage secured by the Unit, Purchaser shall pay to the Sponsor a sum equal to the partial mortgage tax credit to which the Purchaser is entitled pursuant to Section 339-ee(2) of the Condominium Act.

The Purchaser shall pay the sum of $1,150.00 to the Seller's attorney for the preparation of the condominium transfer papers.

The transfer taxes which are ordinarily paid by the Seller are paid by the Purchaser under this Offering Plan and purchase agreement. New York City considers this payment by purchaser additional consideration upon which a transfer tax is due. The figures at the beginning of this section are based upon such "grossed-up" consideration. If such "grossed" consideration exceeds $1,000,000 by virtue of the purchaser's payment of the state and city transfer taxes, the mansion tax will apply.

Effective July 1, 2019, the City of New York has imposed a surcharge on the conveyance of real property in the City of New York. The new changes are in addition to the transfer taxes listed above. They are:

(i) A tax of $1.25 for each $500 or fraction thereof, when the consideration for the entire conveyance of residential real property is $3,000,000 or more ("additional base tax");

(ii) A supplemental tax on the conveyance of residential property, or interest therein, where the consideration is $2,000,000 or more. The tax rate is an incremental rate between .25% and 2.9% based on purchase price.

(iii) The supplemental tax will be assessed according to the following schedule:

Entire Conveyance Amount	Supplemental Tax Rate
At lease $2,000,000 but less than $3,000,000	One-quarter of one percent (.25%)
At least $3,000,000 but less than $5,000,000	One-half of one percent (.5%)
At least $5,000,000 but less than $10,000,000	One and one-quarter percent (1.25%)
At least $10,000,000 but less than $15,000,000	Two and one-quarter percent (2.25%)

In the event that Purchaser or Purchaser's lender requires that the closing take place outside of Sponsor's attorney's office, Purchaser agrees to pay Sponsor's attorney a travel fee at closing of $250.00 for closing within New York City (other than Brooklyn) and $500.00 for closings outside of New York City.

The Purchasers are free to use the title insurance company of their choice at no additional fee charged by Sponsor.

As set forth in the Purchase Agreement in Part II of this plan, real estate taxes, common charges and other items will be apportioned at closing. Any errors or omissions in computing apportionments at closing shall be corrected and payment made to the proper party after discovery, which obligation shall survive the closing. In the event that the units have not been separately assessed at the time of closing, the Sponsor will pay any open real estate taxes and receive reimbursement from the unit owner at the time the individual assessments are made.

At the time of the transfer of the condominium to the unit owners, the sponsor and the condominium shall adjust certain items such as insurance, open water and sewer charges, and any prepaid Schedule B items. The post closing amendment will state the amount of tax escrow that the Sponsor has deposited with the board.

If the units have not been separately assessed for real estate tax purposes prior to the closing of title to the first unit, the sponsor may place in escrow, in the name of the board of managers, an amount equal to the unpaid real estate taxes which will be levied against the parcel for the six month period following the first closing. Alternatively, the sponsor may place in escrow, in the name of the board of managers, an amount equal to the real estate taxes attributable to the unsold units for such six month period and may collect at each closing the estimated amount of taxes attributable to such unit for the balance of the six month period. The board of managers will pay the real estate taxes from the escrow account when taxes are due and payable and the funder of the escrow account will be entitled to reimbursement from unit owners to the extent of the actual assessment.

The amount of the real estate tax escrow will be disclosed in the first post-closing amendment to the offering plan.

XI. RIGHTS AND OBLIGATIONS OF SPONSOR

The sponsor shall be obligated to perform the following:

1. The Sponsor will endeavor in good faith to sell all of the units in a reasonably timely manner. However, Sponsor retains the unconditional right to rent rather than sell Units after consummation of the Plan. Because sponsor is not limiting the conditions under which it will rent rather than sell Units, there is no commitment to sell more Units than the 15% necessary to declare the plan effective and owner-occupants may never gain effective control and management of the condominium.

2. Sponsor is obligated to defend any suits or proceedings arising out of sponsor's acts or omissions and to indemnify the board of managers and the Unit owners.

3. All representations under the offering plan, all obligations pursuant to the GBL, and such additional obligations under the offering plan which are to be performed subsequent to the closing date will survive delivery of the deed.

4. Disclaimers or limitations of liability on the part of the sponsor or its principals for failure to perform any obligation imposed by applicable statute or regulation may not be included. The plan may not include any financial limitation on sponsor's liability for failure to perform its obligations under the offering plan.

5. The sponsor agrees to pay all common charges, special assessments and real estate taxes with respect to unsold Units. Sponsor represents that it has the financial resources to meet its obligations with respect to unsold Units. The sponsor will fund its obligations by either funds on hand or proceeds from construction loan commitments. No bond or other security has been furnished to secure sponsors obligations.

6. The risk of loss or damage to the unit by fire or any other cause until the delivery of the deed is assumed by the Sponsor, provided that the Purchaser has not taken possession of the premises, but without any obligation or liability by Sponsor to repair or restore the Unit if there has been extensive damage which renders the unit uninhabitable. Please review section (7) on page 33 for an extended discussion.

The Seller will notify the Purchaser within thirty days of discovering the casualty whether or not it will repair any damage resulting from a casualty. If the Sponsor elects to repair the damage, the repairs will be made as promptly a possible and the unit/ common areas will be restored to the same condition as prior to the casualty.

If, after making a good faith effort to extend the term of the mortgage commitment to enable the Sponsor to repair the damage, an extension is not obtained, the Purchaser will be offered a right of rescission as discussed on page 32.

7. Sponsor shall procure fire and casualty insurance pursuant to a replacement value policy or in an amount sufficient to avoid coinsurance. Please refer to the Budget Schedule B at page 17 and footnote 7 on page 19 for details.

8. In the event of the dissolution or liquidation of the sponsor or the transfer of two or more units (a bulk sale), the principals of the sponsor will provide financially responsible entities or individuals who will assume the status and all of the obligations of the sponsor for those units under the offering plan, applicable laws and regulations.

9. The sponsor no acquisition or construction loans. No releases or payoffs are required prior to closing.

10. No bond or other security other than those required by this Part has been furnished to secure sponsor's obligations including sponsor's obligations to complete construction of the condominium.

11. The sponsor is obligated to build and complete the condominium in accordance with the building plans and specifications identified in the plan with the right of sponsor to substitute equipment and materials and make modifications of layout and design, provided however, that sponsor may not:

(i) substitute equipment or materials of lesser quality or design; or

(ii) change the size, location of buildings or units other improvements or common elements if such changes affect the percentage common interests or adversely affect the value of any unit to which title has closed or for which a purchase agreement has been executed and is in effect unless all affected unit owners and contract vendees consent in writing to such change.

(iii) Sponsor reserves the right to make substitutions of equipment or materials as long as such substitutions are for "Equal to or Better Quality".

12. No closings will take place and no interim purchaser will occupy any unit until the Permanent Certificate of Occupancy is obtained.

13. The expected useful life of the roof is approximately ten (10) years. There is a 10 year manufacturer's guarantee on all construction materials and workmanship. The commencement date is upon completion of the roof installation. This is in addition to the Warranty Coverage below.

14. Effective March 1, 1989, a new law went into effect which grants to buyers of most newly constructed units a Housing Merchant Implied Warranty. (General Business Law Article 36-B Sections 777,777-a and 778-b). The Housing Merchant Implied Warranty applies to this offering plan.

The following is a brief summary of that law. The full text of the law appears in Part II Section G of this plan.

1. Housing effected: Newly constructed single-family homes and cooperative and condominium units in buildings of five stories or less.
2. Coverage:
   (a) For one year, the home must be free from defects caused by workmanship or materials that do not meet the standards of the applicable building code; for items not covered by code, the construction must be in accordance with locally accepted building practices.
   (b) For two years, the plumbing, electrical, heating, cooling and ventilation systems must be free from defects caused by unskillful installation.
   (c) For six years, the home must be free from physical defects in the structural elements (foundation, floors, walls, roof framing) which make it unsafe or unlivable.
3. Not covered:
   (a) A defect not caused by defective workmanship, materials or design.
   (b) A patent defect which was obvious or would have been obvious upon inspection.
   (c) Defects in items sold with the home, such as stoves, refrigerators, air-conditioners, etc. There are implied warranties from the manufacturers of such goods which are described in other laws.
4. Notice: Buyers must give notice of defects in their home in writing no later than 30 days after the end of the warranty period.

5. Limitation of the Warranty: The Housing Merchant Implied Warranty can be limited. However, the Sponsor's obligation, regardless of any limitations in the warranty or in this offering plan, is to construct the premises in accordance with all applicable codes and filed plans and specifications, and that any conflict between the disclaimers and sponsor's obligation to construct the premises in accordance with all applicable codes and filed plans and specifications shall be resolved in favor of the latter.

The Sponsor has limited the warranty as indicated in the addendum following the purchase agreement in Part II Section A of this Plan.

The limited warranty in summary limits the Sponsor's liability to 75% of the purchase price set forth in the purchase agreement. The warranty also does not cover consequential, incidental, special or indirect damages except as required by law.

The limited warranty specifically identifies the builder's responsibility for defects of a latent or hidden nature and specifically excludes all other warranties of every kind, express and implied on the construction and sale of the home, its workmanship and materials and its fitness for use and habitability.

The Sponsors warranty obligations reflects this new law. For a fuller explanation of such warranty see the purchase agreement and addendum located in part II Section A and the full text of the law in Section G of this plan.

The Housing Merchant Implied Warranty applies to the common elements as well as to the individual units.

15. At or prior to the closing of the Unit, sponsor must assign any manufacturer's warranties with respect to equipment and appliances installed in the Unit to the Unit owner and assign any warranties with respect to equipment and appliances installed in the common elements to the board of managers.

16. Sponsor agrees to pay for the authorized and proper work involved in the construction and establishment and sale of the condominium that sponsor is obligated to complete under the plan and will cause all mechanics liens with respect to such construction to be promptly discharged or bonded.

17. Sponsor shall deliver a set of "as-built" plans to the Board of Managers following completion of construction.

18. Sponsor has a right of access to complete construction of the condominium. It is obligated to repair any damages caused as the result of its work if notified during the warranty period in the manner set forth above. Sponsor will not interfere with Unit owners' reasonable use of their unit during any work period. However, there may be a temporary limitation as to the use of the public areas, and common areas. The unit owner will be given forty-eight hours advance notice before the unit is accessed, except in emergencies.

During the completion of construction access to the common areas or other areas under construction may be partially blocked due to completion of utilities, landscaping or concrete surfacing, but any such blockage shall not interfere with a unit owner's ingress and egress to his/her unit.

19. Purchaser shall carefully inspect the Unit within seven days prior to closing of title and execute at such time an inspection statement. If Purchaser finds that Sponsor's improvements have not been completed, the Sponsor and Purchaser will agree to include on the inspection statement a list of incomplete work to be completed in the Unit by the Sponsor following closing of title (punch list items). All punch list items shall be corrected within thirty days of closing unless otherwise noted on the punch list. Sponsor shall have no obligation to complete any work to the Unit which is not specifically designated on the inspection statement by Purchaser, except for work necessary to cure violations and to obtain a permanent certificate of occupancy covering the Unit or work covered by the Housing Merchant Implied Warranty. In no event shall a purchaser be required to close if there are items of a material nature the need to be completed.

20. A purchaser of a previously occupied unit will purchase the unit "as is". The sponsor will disclose any material variations made to the previously occupied unit. Changes, if any, made by tenants/occupants that are building code and/or health violations will be remedied by the sponsor prior to occupancy by the purchaser.

XII CONTROL BY THE SPONSOR

I. Sponsor Initial Control Period

During the Sponsor's control period the sponsor controlled board will manage the condominium through the principals of the sponsor Hua Wen and Jianlin Wu, at no fee. During this period, the sponsor will have control of maintenance, facilities and services to be provided and will determine the Common charges to be paid by all unit owners, including the Sponsor. The common charges will be consistent with Schedule B. The Sponsor will call a meeting of unit owners within sixty (60) days of the first closing to discuss the operation of the Condominium. The Sponsor will remain in control of the condominium after such meeting. This control period will extend from the first closing until control is turned over to the owners as outlined below.

II. End of Sponsor Control

The Sponsors control will end at the First Annual meeting of the Unit Owners which will occur within thirty (30) days after the earlier of (i) two (2) years after the closing of the first unit, or (ii) whenever there is only one unsold unit remaining. Within this time period, the Sponsor shall call the first Annual Unit Owners meeting. At such meeting a Board of three Managers unrelated to the Sponsor will be elected by a vote of all unit owners, including the Sponsor. The Sponsor shall be entitled to vote the units standing in its name as of the date of the meeting but agrees to elect no more than a minority of board members regardless of the number of units then owned. The Board of Managers so elected shall serve for a period of one year until the second annual meeting of the unit owners. Thereafter, annual meetings shall be held on the anniversary date of the first meeting.

The Sponsor agrees that the By-laws will not be amended while Sponsor is in control of the Board of Managers unless there is a prior approval of such amendment by the vote of 80% in number and in Common Interest of the Unit Owners (other than Sponsor) at a meeting of Unit Owners held for such purpose.

Sponsor may not exercise veto power over expenses described in Schedule B, or over expenses required: (i) to comply with applicable laws and regulations; or (ii) to remedy any notice of violation or; (iii) to remedy a work order by an insurer or; (iv) for any repair or replacement necessary for the preservation or safety of the Building or for the safety of occupants of the Building or required to avoid the suspension of any necessary service to the Building.

Sponsor may exercise veto power over expenses other than those described above for a period ending not more than two (2) years after the closing of the first unit or whenever there is only one unsold unit remaining, whichever is sooner.

During any period that the Sponsor controls the board, the insurance coverage cannot be less than what is required by the Budget on page 17 of this plan.

Any provisions that give the sponsor control of the enforcement of the sponsor's obligations are unlawful. If there are non-sponsor members of the board, and there is a vote on whether to sue the sponsor, the sponsor's board representatives cannot lawfully vote on this issue.

XIII BOARD OF MANAGERS

After the first meeting of the Unit Owners, the Board of Managers will be turned over to the Unit Owners. The affairs of the Condominium will then be governed by a Unit owner appointed Board of Managers. Until the first meeting of the Unit Owners, the condominium will be managed by a sponsor controlled board with the principal of the sponsor, Hua Wen acting as management agent. During the control period, the president and member of the board of managers will be Hua Wen and Jianlin Wu, the principals of the sponsor.

The first annual meeting of owners will take place within thirty (30) days after the earlier of (i) two years after the closing of the first Unit, or (ii) whenever there is only one unsold unit remaining.

The board of managers has a fiduciary duty to act in the best interest of the condominium, even during the control period.

After the first annual meeting of Unit owners, the Board of Managers shall consist of three persons elected by all Unit owners (including the Sponsor who may not elect more than a minority of the board), but the Sponsor's right to elect members of the Board shall be subject to the limitations set forth in the by-laws. The by-laws include a provision that a majority of the board of managers must be owner-occupants or members of an owner-occupant's household who are unrelated to the sponsor and its principals after the end of the initial sponsor control period. The Sponsor will no longer control the condominium operations. The members of the Board must be at least eighteen years of age and comply with the provisions of the By-Laws Article II Section I in Part II of this Plan.

Subject to the limitation on Sponsor's control, at the first meeting of the Unit owners, the term of office of all three members of the Board of Managers shall be fixed at one (1) year. The members of the Board of Managers shall hold office until their respective successors shall have been elected by the unit owners.

A special meeting of the Board of Managers may be called by the President on two (2) days notice of such meeting to each member either personally ~~or by telephone~~, by email, or mail ~~or telegram~~. Special meetings may be called by the President or Secretary in a like manner and on like notice on the written request of at least two (2) managers.

At any regular or special meeting of Unit owners, any one or more of the members of the Board of Managers may be removed with or without cause by a majority of the Unit owners and a successor may then and there or thereafter be elected to fill the vacancy thus created. Any member of the Board of Directors whose removal has been proposed by the Unit owners shall be given an opportunity to be heard at the meeting. Notwithstanding the above, the Sponsor has the right to appoint a board member to fill the vacancy created by the removal or resignation of a member appointed by the Sponsor unless the vacancy occurs during a period when the Sponsor does not have the right to appoint a member.

Officers and members of the Board of Managers serve without compensation.

Powers of the Condominium Board include, but shall not be limited to the following:

1. To determine and levy monthly charges (common charges), and to collect and expend them.
2. To make repairs, restore or alter any units or the common elements after damage or destruction.
3. To enter into and upon the unit for maintenance or repair purposes.
4. To open bank accounts on behalf of the Condominium.
5. To insure and keep insured the common elements and Units;
6. To collect delinquent assessments by suit and/or enforce compliance with basic documents and abate nuisances.
7. To purchase any Unit at a foreclosure sale on behalf of all unit owners.
8. To make and amend reasonable rules and regulations.
9. To employ and terminate the employment of employees and independent contractors and to purchase supplies and equipment and to enter into contracts.
10. To bring and defend actions by and against more than one Unit owner pertinent to the operation of the Condominium.
11. To act as an agent of each unit owner who has given his written authorization to complain or apply to the local or county real estate tax assessment agency board of review by filing a single complaint on behalf of all such unit owners pursuant to the applicable sections of the Real Property Tax Law.

The members of the Board of Managers shall not be liable to the Unit Owners for any mistake of judgment, negligence, or otherwise, except for their own individual willful misconduct or bad faith. The Unit Owners shall indemnify and hold harmless each of the members of the Board of Managers against all contractual liability to others arising out of contracts made by the Board of Managers on behalf of the Condominium unless such contracts shall have been made in bad faith or contrary to the provisions of the Declaration or of the By-Laws. The indemnification obligation of the unit owners will be limited to their respective interests in the Units and common elements unless otherwise prohibited by law.

It is intended that the members of the Board of Managers shall have no personal liability with respect to any contract made by them on behalf of the Condominium. It is also intended that the liability of any Unit owners arising out of any contract made by the Board of Managers or out of the aforesaid indemnity in favor of the members of the Board of Managers shall be limited to such proportion of the total liability there under as his interest in the common elements bears to the interests of all Unit owners in the common elements. Every agreement made by the Board of Managers or by the Managing agent or the Manager on behalf of the Condominium shall provide that the members of the Board of Managers, or the managing agent, or the manager, as the case may be, are acting only as agents for the Unit Owners and shall have no personal liability there under (except as Unit owners), and that each Unit owners liability there under shall be limited to such proportion of the total liability there under as his interest in the common elements bears to the interest of all Unit owners in the common elements. The indemnification liability of the unit owners shall be several, not joint and several.

The Unit Owners voting rights are determined by their percentage of common interest. It requires a unanimous vote the Unit owners in number and common interest to amend the By-Laws of the Condominium. Any change in the Declaration of the Condominium after it is filed requires a unanimous vote of the Unit owners in number and common interest.

Any provisions that give the sponsor control of the enforcement of the sponsor's obligations are not lawful. If there are non-sponsor members of the board and there is a vote on whether to sue the sponsor, the sponsor's board representative cannot lawfully vote on that issue.

XIV. RIGHTS AND OBLIGATIONS OF UNIT OWNERS AND BOARD

Each Unit Owner is free to sell or lease his Unit provided that he is not in arrears in the payment of Common Charges. A Unit Owner is free to make a gift of his Unit to anyone during his lifetime or to devise his Unit by last will and testament or to have it pass by intestacy without any restriction provided, however, that such new Unit Owner shall be bound by Condominium Plan. No Unit can be sold or leased without a simultaneous sale or lease of the undivided interest in the Common Elements. These provisions are subject to change by amendment to the By-laws. Procedures for their implementation may be set forth in the Rules and Regulations.

The Sponsor or any mortgagee acquiring title to a Unit in foreclosure can sell or lease a Unit free of any of the foregoing restrictions.

The board of managers does not have a right of first refusal with respect to the sale or lease of a unit or other option to acquire a unit.

A. Initial Operating Rules of Condominium

In order to provide for congenial occupancy of the Property and for the protection of the values of the units, the use of the Property shall be restricted to and shall be in accordance with the following provisions as per the By-laws.

(a) The Units shall be used by Unit owners (other than the Sponsor) only for one family residential use and in compliance with the occupancy restrictions imposed and as amended from time to time. While the Sponsor or its designee owns any Unit, it shall have the right to use such Unit for general and sales office purposes and as sales models. Except upon the prior written consent of the Board of Managers, occupants of a unit must be members of the family of the Unit owner or lessee (or if the Unit owner is a partnership, a corporation or a trust, members of the family of a partner or of an officer, director, shareholder or employee of the corporation or of the beneficiary of the trust, as the case may be), but not more than one family may occupy a Unit at one time. "Members of the family" as used herein shall be deemed to mean spouse, parents, parent-in-law, brothers, sisters, children and grandchildren.

(b) The common elements shall be used only for the furnishing of the services and facilities for which they are reasonably suited and which are incident to the use and occupancy of units. No unit owner may place furniture or other object on the common elements except limited common elements.

(c) No nuisances shall be allowed on the Property nor shall any use or practice be allowed which unreasonably interferes with the peaceful possession or proper use of the Property by its residents or occupants.

(d) No immoral, improper, offensive, or unlawful use shall be made of the Property or any part thereof, and all valid laws, zoning ordinances and regulations of all governmental bodies having jurisdiction thereof, relating to any portion of the Property, shall be complied with, by

and at the sole expense of the unit owners or the Board of Managers, whichever shall have the obligation to maintain or repair such portion of the Property. The board of managers shall make the threshold determination as to what constitutes immoral, improper or offensive use.

(e) No portion of a Unit (other than the entire Unit) may be rented, and no transient tenants may be accommodated therein.

(f) Smoking Policy. The condominium has adopted the following smoking policy in compliance with New York City Local Law 147. Smoking is prohibited in all of the common areas of the condominium. The common areas include but are not limited to the cellar area where the utility room is located, the stairways leading to and from the units, the roof area above the third floor and the outdoor front of the building to the property line. The unit owners may smoke in their units or the limited common elements appurtenant to a particular unit such as a balcony or roof terrace area limited common element of units 4A and 4B as long as it does not create a nuisance to the other units. A nuisance shall be defined as infiltration of smoke or smoke odors into the units.

This policy includes electronic cigarettes and other vapor products in addition to the more conventional smoking apparatus

(g) Rules and regulations concerning the use of the Units may be promulgated and amended from time to time by the Board of Managers provided that copies of such rules and regulations are furnished to each unit owner not less than five (5) days prior to the time that they become effective.

The Board of Managers has a right of first refusal with respect to the sale or lease of a unit or other option to acquire a unit including through foreclosure as set out in the Declaration and By-Laws.

B. Mortgage of Unit By Unit Owner

The Unit Owner may mortgage his Unit at any time after he acquires title thereto (or simultaneously with acquiring title) in whatever amount and under whatever terms he can obtain. Any Unit Owner may, upon the resale of his Unit, grant a purchase money mortgage to a purchaser of his Unit.

C. Common Charges and Assessments

The Board of Managers will prepare and furnish its budget to the Unit Owners (and their mortgagees if requested) from time to time and at least once a year. Based upon such budget and any modification thereof approved by the Board of Managers, the Unit Owners will be charged for the cost of the operation of the Condominium in accordance with their percentage interest in the Common Elements. The charges assessed by the Board of Managers ("Common Charges"), in addition to the cost of repairing and maintaining the Common Elements, fire and liability insurance covering the Common Elements, water, exterminator services, and management, audit

and legal expenses, may include, in the discretion of the Board of Managers, reserves, working capital and other sums necessary to carry on the affairs of the Condominium.

The Common Charges do not include maintenance, repairs or decoration of any or all of the Units or portions thereof, the cost of electricity and gas for the Units which are individually metered, payments required pursuant to the terms of any Unit Owner's mortgages or real estate taxes covering the individual Units. Real estate taxes will be included in the common charges until the units are separately assessed.

The Board of Managers may commence the collection of Common Charges upon the closing of title to the first Unit or thereafter in such amount as will be necessary to carry out the duties of the Board of Managers as set forth in this Offering Plan and such Common Charges shall be paid by the Unit Owners and the Sponsor as Owner of the unsold Units in accordance with their respective Common Interest percentages as set forth herein. Each Unit Owner will be responsible to pay the Common Charges allocable to his Unit monthly in advance, commencing with the closing of title to his Unit. Common Charges assessed during the month in which title closes shall be adjusted as of the closing date if collection of charges has commenced.

Where a Unit is damaged by casualty and the proceeds of insurance are not sufficient to cover the repair of the damage, the amount necessary to restore the Unit over and above the proceeds from any fire insurance on the Units will be a Common Charge to all Unit Owners. In order to attempt to protect the Unit Owner against the possibility of such Common Charges, the Board of Managers shall determine the amount of blanket casualty insurance covering all Units (the cost of such insurance is part of the Common Charges) and review the amount of such coverage annually.

The Sponsor shall be liable for monthly Common Charges of all Units, title to which has not been transferred to a bona fide purchaser, commencing with the closing of title to the first Unit.

Under the provisions of Sec. 339-z of the Real Property Law of the State of New York, the Board of Managers, on behalf of the Unit Owners, shall have a lien on each Unit for unpaid Common Charges assessed against such Unit by the Board of Managers. Such lien, however, shall be subordinate to liens for taxes on the Unit and any sums unpaid on a first mortgage of record on such Unit. Any lien for unpaid Common Charges against a Unit shall be effective from and after a filing thereof in the Office of the County Clerk, and until all sums secured thereby with the interest thereon shall have been fully paid or until six years from the date of filing unless foreclosure of such lien is commenced within such six year period, whichever shall be sooner. Such lien may be foreclosed by a suit brought in the name of the Board of Managers, acting on behalf of the Unit Owners, in like manner as a suit for the foreclosure of a mortgage on real property.

The Sponsor will cause the Board of Managers to file a lien as provided in Section 339-aa of the Real Property Law on Units in which the Sponsor is more than 30 days in arrears of common charges while it is in control of the Board of Managers.

The obligation to pay common charges ends at the time of the sale of the unit, except for common charges accruing during the time of ownership.

D. Repairs

All maintenance, repairs and replacement to the common elements of the Condominium including but not limited to exterior walls, roof and roof members as well as all maintenance, repairs and replacements to any pipes, wires, conduits, cables and public utility lines, any portion of which is located in one Unit and services another Unit or more than one Unit or so much of any pipes, wires, conduits and public utility lines as are located in the common elements but service one or more Units shall be made by the Board of Managers and the cost thereof shall be a common expense. The Board of Managers shall repair all plumbing stoppages and electrical problems occurring in the common elements.

Except as is otherwise specifically provided, all maintenance to the Units, including electrical repairs, plumbing stoppages, window cleaning, painting and decorating in the Units, and repairs and replacements to the Units including windows and doors (including all glass breakage) and repairs to pipes, wires, cables and conduits located in and servicing the same Unit, other than as set forth above, shall be made by the respective Unit Owners at their expense.

All irrevocably restricted common elements shall be maintained and repaired by the Unit Owner to whom such common element is restricted in use. However, the Board of Managers shall repair and replace any pipes, wires, conduits, cables and public utility lines located underground or overhead any restricted common element, except where such repair or replacement is necessitated because of the negligence or misuse or neglect of this Unit Owner to which the common element is restricted in use, in which event such cost and expense shall be assessed to and paid for by such Unit Owner.

In the event that a Unit Owner fails to perform any maintenance, painting or repair, which maintenance, painting or repair is necessary to protect any of the common elements, any other Unit, or, in the event of the service of a Building Department violation notice covering the Unit upon the Board of Managers, the Board of Managers shall have the right to perform such maintenance, painting or repairs (after failure of the Unit Owner to do so after ten (10) days written notice, or written or oral notice of a shorter duration in the event of an emergency situation) and to charge the Unit Owner for the cost of all such repairs, painting and/or maintenance. In the event that the Board of Managers charges a Unit Owner for the painting or maintenance to any common element restricted in use to such Unit Owner, and the Unit Owner fails to make prompt payment, such charges shall be considered additional common charges due from said Unit Owner, and the Board of Managers shall be entitled to bring suit thereon. In the event the Board of Managers brings such suit, the Unit Owner shall be liable for the reasonable attorney fees and costs of such suit or proceeding along with interest on all such sums due.

A Unit owner shall grant a right of access to his Unit to the manager and/or managing agent and/or any other person authorized by the Board of Managers, the manager or the managing agent, for the purpose of making inspections or for the purpose of correcting any

condition originating in his Unit and threatening another Unit or the common element, or for the purpose of performing installations, alterations or repairs to the mechanical or electrical services or other common elements in his Unit or elsewhere in the building, or to correct any condition which violates the provisions of any mortgage covering another Unit, provided that requests for entry are made in advance and that such entry is at a time reasonably convenient to the Unit owner and further provided that such right shall be exercised in such manner as will not unreasonably interfere with the use of the Unit for residential purposes. In case of an emergency, such right of entry shall be immediate, whether the Unit owner is present at the time or not. The unit owner will be given forty-eight hours advance notice before the unit is accessed, except in emergencies.

E. Additions, Alterations and Improvements

The Unit Owner may make any non-structural alterations or improvements to the Unit he desires without obtaining the consent of the Board of Managers so long as such alterations or improvements do not affect the building in which the Unit is located or any other Common Element.

All painting, decorating, maintenance, repairs and replacements to any Unit or the common elements or limited common elements performed by the Board of Managers shall be charged directly to Unit Owners except as otherwise determined by the Board of Managers.

No Unit Owner shall make any structural addition, alteration or improvement in or to his unit or his limited common elements, without the prior written consent thereto of the Board of Managers. The Board of Managers have the obligation to answer any written request by a unit owner for approval of a proposed structural addition, alteration or improvement in such owners unit, within thirty (30) days after such request, and failure to do so within the stipulated time shall constitute a consent by the Board of Managers to the proposed addition, alteration or improvement.

The unit owner may not do any construction or build any structures on his limited common element without the prior written permission of the Board of Managers. The Board of Managers will formulate house rules and procedures which shall govern all alterations and decoration of the limited common elements so as to remain in compliance with the Department of Buildings.

Any application to any governmental authority having or asserting jurisdiction, for a permit to make an addition, alteration or improvement in or to any unit or limited common element shall be executed by the Board of Managers only, without however, incurring liability on the part of the Board of Managers or any of them to any contractor, subcontractor, materialman, architect or engineer on account of such addition, alteration or improvement, or to any person having any claim for injury to person or damage to property arising therefrom. The provisions of this paragraph shall not apply to a unit owned by the Sponsor or its designee until a deed to such unit has been delivered to a purchaser thereof.

Whenever in the judgment of the Board of Managers the common elements shall require additions, alterations or improvements costing in excess of $ 1,000.00 and the making of such additions, alterations or improvements shall have been approved by 66-2/3% in number and in common interest of the unit owners present in person and/or by proxy and voting at a meeting duly held in accordance with these By-Laws, the Board of Managers shall proceed with such additions, alterations or improvements and shall assess all unit owners for the cost thereof as a common charge.

Any additions, alterations or improvements costing $1,000.00 or less may be made by the Board of Managers without approval of the unit owners. The cost of such work (unless paid from the Working Capital Fund Supplied by the Sponsor in accordance with the Plan of Condominium Ownership) shall constitute part of the common expenses.

The Board of Managers will execute any application or other documents required to be filed with any governmental authority having or asserting jurisdiction in connection with any such installation or structural addition, alteration or improvement made by the Sponsor or its designee to any unit, provided, however, that neither the Board of Managers nor the Unit owners other than the Sponsor shall be subjected to any expense or liability by virtue of the execution of the application or such other document.

F. Insurance

The Board of Managers shall obtain and maintain, to the extent obtainable, insurance against loss by fire, physical injury and other casualties normally covered under broad form fire and extended coverage insurance as written in New York, covering all Common Elements, all structural portions of the Condominium property and all Units including exterior walls, ceilings and floors, but not including furniture, fixtures, decorations, equipment or the like installed or placed there by Unit Owners or Sponsor. Such insurance shall cover the interests of the Condominium, the Board of Managers and all Unit Owners and their mortgagees as such respective interests may appear, in an amount equal to at least ninety (90) percent of the full replacement value of the Building. Each of such policies shall contain a New York Standard Mortgage Clause in favor of each mortgagee of the Unit which shall provide that the loss, if any, thereunder shall be payable to such mortgagee as its interest may appear, subject to the loss payment provisions of Real Property Law Section339-bb. The premium for such insurance shall be a Common Expense to be paid by monthly assessments levied by the Board of Managers and shall constitute a lien enforceable in accordance with the By-Laws.

The Board of Managers shall also obtain and continue in force and effect insurance against liability for bodily injury and property damage arising from accidents occurring within the Common Elements and Limited Common Elements in amounts satisfactory to mortgagees holding first mortgages on the Units and against liability for personal injury sustained by any person and arising out of an occurrence involving certain named offenses committed in the operation of the Condominium. The amounts of such insurance shall be determined by the Board of Managers and the premiums therefore shall be a Common Expense.

As of the date of the first closing under this Plan, the Sponsor shall insure the project under a Condominium package policy providing for coverage in the following amounts: (assuming 7 residential units). Please refer to Schedule B for details of coverage.

It is desirable for the individual owners to obtain additional insurance at their own cost to cover such risks as fire and casualty losses to the contents of their units, and liability coverage for occurrences within their units. The condominium policy does not cover these losses.

All policies or physical damage insurance shall contain clauses in which:

a. The insurer waives its right to subrogate on a negligence action against any Unit Owner. In other words, in the event the insurer pays a claim based on the negligence of a Unit Owner, the insurer will not attempt to recoup the amount paid from the Unit Owner at fault.

b. The insurer provides that if at the time of loss there is other insurance in the name of a Unit Owner covering the same loss and property covered by Board of Managers' policy, the insurance afforded by the Board of Managers' policy shall be primary and not contributing with such Unit Owner's insurance.

c. The insurer undertakes to honor a claim resulting from property damage even if such property damage is the result of negligence by a Unit Owner. This is termed a "waiver of invalidity", clause.

The Board of Managers shall give at least ten days' written notice of the terms of insurance coverage and of any substantial change thereto, or termination thereof, to each Unit Owner, without prejudice to the right of each Unit Owner to insure his own Unit for his own benefit. The premium for such insurance on the building shall be deemed Common Expenses, provided, however, that in charging the same to the Unit Owners, consideration may be given to the higher premium rates on some Units than on others.

Damage to or destruction of the Building shall be promptly repaired and reconstructed by the Board of Managers using the proceeds of insurance on the Building for that purpose. In the event that the insurance proceeds are insufficient to cover the cost of repairs to the Building the balance of the cost of such repairs shall constitute Common Expenses. However, if three-fourths or more of the Building is destroyed or substantially damaged and seventy-five percent of the Unit Owners do not promptly resolve to proceed with repair or restoration, then the property shall be subject to an action for partition and the net proceeds of sale together with the net proceeds of insurance policies shall be divided among all Unit Owners in proportion to their respective Common Interests after liens on each Unit have been satisfied.

Prior to the termination of the legal status of the project after substantial destruction or condemnation occurs or for any other reason, such termination must be agreed to by mortgagees that represent at least 51% of the votes of the unit estates that are subject to mortgages.

In addition to the insurance set forth herein, the purchaser may desire to insure his personal effects and the interior of the Unit itself against loss by fire and other casualties and against liability. The cost of such insurance, if taken by the purchaser, will be payable by the purchaser directly. Unit Owners will not be prohibited from carrying other insurance for their own benefit provided such policies contain waivers of subrogation and further provided that the liability of the carriers issuing insurance procured by the Board of Managers shall not be affected or diminished by reason of any Unit Owner's other insurance.

G. Restrictions on Occupancy

There is no restriction upon ownership of a Unit. Occupancy of a Unit, however, may only be for residential purposes in accordance with the applicable zoning regulations of the municipality having jurisdiction over the Condominium.

The By-Laws of the Condominium contains the following use restrictions: No immoral, improper, offensive or unlawful use shall be made of the Condominium or any part thereof and all valid laws zoning ordinances and regulations of all governmental bodies having jurisdiction thereof shall be observed. Unit owners, their families, employees, guests and pets shall not use or permit the use of the Units and common elements in any manner that would be illegal, disturbing or a nuisance to other unit owners. No resident shall put any advertisement or posters of any kind in or on the Condominium without the consent of the Board of Managers. It is prohibited to hang garments, rugs etc. from the window or from the building or to string clothes lines on or over the common elements or use any of the common elements for storage. No Unit owner shall paint the exterior surfaces of the windows, walls or doors opening out of his unit or cut through an existing exterior wall in order to put wall air conditioning units in an owners unit.

No Unit owner or any of his agents, servants, employees, licensees, or visitors shall at any time bring into or keep in his Unit any inflammable, combustible or explosive fluid, material, chemical or substance, except for formal household use.

No animals or reptiles of any kind shall be raised, bred, or kept in any unit or on the common elements, except that dogs, cats or other household pets, not exceeding two per unit, may be kept in the units and in yard areas irrevocably restricted to the owners of the units, subject to the rules and regulations adopted by the Board of Managers, provided that they are not kept, bred or maintained for any commercial purposes; and provided further that any such pet causing or creating a nuisance or unreasonable disturbance or noise shall be permanently removed from the property subject to these restrictions upon three (3) days written notice from the Board of Managers. Unit owners shall be required to clean up after their pets at all times.

The Sponsor, its nominees and agents, shall have the right and privilege to maintain general and local sales offices in and about the condominium building or elsewhere throughout the property, and shall have the right and privilege to have their representatives, employees and agents present on the Condominium premises to show the Units to prospective purchasers, to utilize the common elements, and without limitation, to do any and all things necessary and incidental to the sale of Units, without charge or contribution other than in the form of common

charge payments as otherwise provided herein.

Sponsor shall have the rights enumerated in the above paragraph only for so long as Sponsor continues to own a Unit in the Condominium and only with respect to the offer and sale of Units in the Condominium. The Sponsor's right of access as reflected above shall not include access to any Unit or limited common element appurtenant thereto that is not owned by Sponsor and any access or use shall not materially affect the use of premises by Unit Owners and is subject to reasonable notice by the Sponsor.

H. Rights of the Condominium

The rights of the condominium are to be enforced by the board of managers. There is an exception to this exclusivity. When it is sixty (60) days before the expiration of the statute of limitations or the board has not enforced such rights after reasonable notice and opportunity, the unit owners may individually or severally enforce such rights on behalf of the condominium.

I. Rental of Units

The condominium offering plan allows the sponsors and unit owners to rent the Units after consummation of the offering plan. Therefore there might be a number of Unit owners who do not occupy their dwelling Units. The provisions of Real Property Law Section 339-kk applies to this offering plan. A summary of that section is provided below.

If a non-occupying owner rents any dwelling unit to a rental tenant and then fails to make payments due for common charges, assessments or late fees for such unit within sixty days of the expiration of any grace period after they are due, upon notice in accordance with the paragraph below, all rental payments from the tenant shall be directly payable to the condominium association.

If common charges, assessments or late fees due for any unit have not been paid in full, within sixty days after the expiration of any grace period of the earliest due date, the board of managers shall provide written notice to the tenant and the non-occupying owner providing that, commencing immediately and until such time as all payments for common charges, assessments or late fees are made current, all rental payments due subsequent to the issuance of such notice are to be made payable to the condominium association at the address listed on the notice. Where a majority of the board of managers has been elected by and from among the unit owners who are in occupancy, the board may elect not to require that rental payments be made payable to the condominium association.

At such time as payments for the common charges, assessments and late fees from the non-occupying owner are once again current, notice of such fact shall be given within three business days to the rental tenant and the non-occupying owner. Thereafter all rental payments shall be made payable to the non-occupying owner or a designated agent. A non-occupying owner who disputes the association's claim to rental payments pursuant to this section shall be entitled to present facts supporting such owner's position at the next scheduled meeting of the

board of managers, which must be held within thirty days of the date such board receives notice that such owner seeks to dispute such claim.

Payment by a rental tenant to the condominium association made in connection with this section shall relieve that rental tenant from the obligation to pay such rent to the non-occupying owner and shall be an absolute defense in any non-payment proceeding commenced by such non-occupying owner against such tenant for such rent.

J. Special Notice to Mortgagees and Guarantors

Mortgagees and guarantors of the mortgage on any unit in the condominium project will receive timely written notice of the following:

1. Any condemnation or casualty loss that affects either a material portion of the project or the unit securing the mortgage;
2. Any 60-day delinquency in the payment of assessments or charges owed by the owner of any unit on which it holds the mortgage;
3. A lapse, cancellation, or material modification of any insurance policy maintained by the condominium association; and
4. Any proposed action that requires the consent of a specified percentage of mortgagees.

XV. REAL ESTATE TAXES

After the units are separately assessed, each Unit will be taxed as a separate tax lot for real estate tax purposes. A Unit owner will not be responsible for the payment of, nor will the unit be subjected to, any lien arising from the non-payment of taxes on other Units.

The Sponsor does not anticipate any delay in obtaining separate assessments for the Units and will endeavor to obtain such separate assessments prior to the closing of title to the first Unit. Since the actual tax lot separation and the separate tax lot assessment will be made by the City of New York, the date of such assessment will depend upon the work flow in the City of New York assessment office.

If the units have not been separately assessed for real estate tax purposes prior to the closing of title to the first unit, the sponsor may place in escrow, in the name of the board of managers, an amount equal to the unpaid real estate taxes which will be levied against the parcel for the six month period following the first closing. Alternatively, the sponsor may place in escrow, in the name of the board of managers, an amount equal to the real estate taxes attributable to the unsold units for such six month period and may collect at each closing the estimated amount of taxes attributable to such unit for the balance of the six month period. The board of managers will pay the real estate taxes from the escrow account when taxes are due and payable and the funder of the escrow account will be entitled to reimbursement from unit owners to the extent of the actual assessment.

At the present time the development site is under renovation. The City of New York has issued an assessed value for the site for the fiscal year commencing July 1, 2020 of $ 11,940 as a small house with an annual real estate tax of $ 2,527. Since the property as a result of the construction work will receive a new certificate of occupancy as a newly constructed seven unit residential building, the property will be reassessed due to the construction work which should be complete by September 1, 2020.

The total assessed valuation of the property following completion of construction is estimated to be approximately $ 280,000. Using the foregoing assessed valuation, assuming a Class 2 (more than three residential units) tax rate of 12.612%, the total real estate tax liability would be $ 35,314.

The Fair Market Value, Assessed Value percentage and the tax rate may be changed by the City of New York on a yearly basis.

The Sponsor is not aware of any tentative changes in the assessed valuation or the tax rates which will affect the condominium unit. There are no tax certiorari proceedings pending.

The Board of Managers is authorized to act as agent for the unit owners to complain or apply to the local taxing authorities to have the assessed value or real estate taxes changed for individual unit owners. See section 14 at page 5 of the By-Laws located in Section F part II of this Plan.

The Federal Tax Cuts and Jobs Act of 2017 which became effective at the beginning of 2018 affects the deductibility of real estate taxes and mortgage interest.

The 2017 Act imposes limitations on the deductibility of state and local income, sales and real estate taxes. An itemized deduction of up to $10,000 may be taken for the combination of state and local income, sales and real estate taxes. If an individual already has a deduction for state or local income taxes and sales tax in the tax year, there will be a smaller deduction or no deduction for state and local real estate taxes.

The 2017 Act also imposes a limitation on the mortgage interest deduction. This deduction applies to a person's principal residence and second residence. Only the interest on the first $750,000 of an acquisition mortgage is deductable. The deductibility of interest on a home equity loan has been suspended.

A purchaser should consult with their tax adviser to determine the impact of this new law on the deductibility of the property taxes and mortgage interest payment associated with the purchase of a condominium unit.

XVI TAX STATUS OF CONDOMINIUM

The Internal Revenue Code of 1986 as amended under Section 528 allows condominiums which comply with certain requirements to qualify as a tax exempt organization.

The 2838 West 15th Street Condominium as structured in this Offering Plan meets the conditions set forth in Section 528 of the Internal Revenue Code of 1986 for tax exempt organization. The opinion of counsel which follows this section outlines the conditions and terms of the tax exempt status.

As a tax exempt organization, the condominium will not pay income tax on the common charge payments received from Unit Owners. However, any receipts from unit owners or third parties which are not considered common charge payments would in most instances be considered taxable income to the condominium.

In addition, the tax exempt status of the condominium does not extend to the individual Unit Owners. The Unit Owners are responsible for their own income and deductions irrespective of the status of the condominium.

2838 Globe Estates LLC

Brooklyn, NY 11220

Gentlemen:

You have requested my opinion concerning (i) the availability of certain deductions for Federal, New York State, and New York City income tax purposes to persons who purchase units for residential use under the offering plan for the 2838 West 15th Street Condominium and (ii) the Federal income tax treatment of the Common Charges received by the condominium association.

In connection with rendering this opinion, I have reviewed the offering plan, the Schedules and Exhibits thereto, the Declaration of the Condominium Plan, the By-laws of the condominium, relevant sections of the Internal Revenue Code of 1986 as amended, the regulations promulgated thereunder, the Tax Cuts and Jobs Act of 2017, the New York State Tax Law, the Administrative Code of the City of New York and such other materials that I have deemed relevant to rendering this opinion.

A. Facts

You have advised me that, to the best of your knowledge, the following statements are an accurate summary of the relevant facts, and my opinion is conditioned upon the accuracy of these facts.

1. Sponsor will submit to the Kings County Registrar's office a declaration establishing the premises located at 2838 West 15th Street, Brooklyn, New York as a condominium, pursuant to the New York State Condominium Act (Article 9-B of the Real Property Law of the State of New York

2. The Condominium will consist of seven (7) units allocated for residential use. Each holder will own his own unit plus an interest in the elements common to all units (the "Common Elements". Each unit owner will be entitled to the exclusive ownership and possession of his unit and will receive a separate deed to that unit.

3. The condominium will be operated by a Board of Managers which, pursuant to the By-laws, will act only as an agent for all unit owners. The Board of Managers will be composed of at least three members, who shall each be elected by the unit owners. The primary function of the Board of Managers will be to supervise the maintenance and operation of the Common Elements, and collect charges (the "Common Charges") necessary to maintain and operate the Common Elements.

B. Discussion

I. Deductibility of Mortgage Interest and Real Estate Taxes

Under the Condominium Act, each unit owner will own his unit and its appurtenant interest in the Common Elements in fee simple, and each unit will be taxed as a separate tax lot for real estate tax purposes. Each unit owner may mortgage his unit and become individually liable for the payment of the principal and interest on such mortgage indebtedness. Failure to pay his share of the Common Charges will result in the Board of Managers having a lien on the unit for such unpaid Common Charges.

The deductibility of the mortgage interest and real estate taxes paid or accrued by the unit owner during his taxable year will be governed by sections 163 and 164 of the Internal Revenue Service Code as amended by the limitations set forth in the Tax Cuts and Jobs Act of 2017. Section 163 of the Code allows a taxpayer to deduct all interest paid or accrued during the taxable year on bona fide indebtedness. Section 164 of the Code allows a taxpayer to deduct real estate taxes paid or accrued during the taxable year. Since sections 339-g and 339-y of the Condominium Act provide that each unit and its common interest shall be taxed as a separate tax lot for real estate tax purposes, unit owners will be entitled to deduct real estate taxes paid or incurred on their units during the taxable year up to the limits established by the 2017 Act.

The 2017Act imposes limitations on the deductibility of state and local income, sales and real estate taxes. An itemized deduction of up to $10,000 may be taken for the combination of state and local income, sales and property taxes. If the individual already has a deduction for state and local income and sales tax in the tax year, there will be smaller deduction or no deduction for state and local real estate taxes.

The 2017 Act also imposes a limitation on the mortgage interest deduction. This deduction applies to a person's principal residence and second residence. Only the interest on the first $750,000 of an acquisition mortgage is deductable. The deductibility of interest on a home equity loan has been suspended.

The deduction under section 163 of the Code for interest is subject to certain other provisions of the Code which may limit the amount of the deduction in any one taxable year. For example, under section 461(g) of the Code, prepaid interest is not deductible by a cash basis taxpayer in the year of payment but must be allocated to the taxable year or years to which it is chargeable. However, the payment of "points" is deductible under certain circumstances in the year of payment, provided that the indebtedness was incurred by the taxpayer in connection with the purchase or improvement of his principal residence, and the other requirements of Code section 461(g)(2) are complied with.

It should be noted that a taxpayer who purchases a unit for investment purposes may find his interest deduction limited by Code section 163(d). Under this section a taxpayer other than a corporation will be subject to a ceiling on his deduction for investment interest. Investment interest is defined as interest paid or accrued on indebtedness incurred to purchase or carry

property for investment. To the extent that the taxpayer has investment income (defined as the gross income from interest, dividends, rents, royalties, net short term capital gains and recapture income), he increases his ceiling on the deduction for investment interest. See Code section 163(d).

I should further be noted that Code section 265(2) may impact the interest deduction otherwise allowable to a taxpayer in the event that he incurs debt to finance his purchase of a unit rather than liquidate his portfolio of tax exempt securities. Under these circumstances, Code section 265(2) may disallow the taxpayer's interest deduction since he would be deemed to have incurred the debt to "continue to carry" the tax exempt obligations. However, revenue rulings have made an exception for debt incurred to purchase the taxpayer's principal residence.

In Revenue Ruling 64-31`, 1964-1 C.B. 300, the Internal Revenue Service considered the deductibility of mortgage interest and real estate taxes incurred by the owner of a condominium unit. The Service ruled that sections 163 and 164 of the Code, respectively, permitted these deductions by the condominium unit owner provided that he itemized his deductions in filing his Federal income tax return.

It is my opinion that under Code sections 163 and 164, a unit owner will, for Federal income tax purposes, be entitled to a deduction for interest paid or accrued with respect to mortgage indebtedness and for real property taxes paid or accrued with respect to his method of accounting up to the limits established by the Tax Cuts and Jobs Act of 2017. Each purchaser's circumstances are different. A purchaser should consult with his or her tax adviser to determine the extent of deductibility for real estate taxes and mortgage interest.

I am also of the opinion that each unit owner will, for New York State and New York City income tax purposes, be entitled to the same deduction which is allowed for Federal Income Tax purposes for the mortgage interest and real estate taxes paid or accrued during the taxable year. See section 615 of the New York State Tax Law. It should be noted, however, that for New York City income tax purposes, the benefit of such deduction may be reduced if the unit owner has more than the specified amount of tax preference items. See sections 61`5, 622 and 623 of the New York State Tax Law and sections T46-115.00, T46-112.0 and T46-123.0 of the New York City Code.

The foregoing discussion applies primarily to residential unit owners. Referenced sections of the IRS Code are not applicable to owners of commercial units, if any, or owners of units for investment or resale, if any. However, insofar as the owners of commercial units will be using the unit for business purposes, other sections of the Code may allow such deductions. Purchasers of commercial units are strongly urged to consult their own accountants with regard to the deductibility of the mortgage interest and real estate taxes.

II. Common Charges-Federal Income Taxation of the Corporation

A condominium under New York law is not a corporation but rather an unincorporated association.

The Treasury Regulations in section 301.7701-2(a)(i) set out six factors to be considered in determining whether an association will be treated as an unincorporated association for Federal income tax purposes. Of these factors, the condominium possess five (an objective to carry on business, divide the gains, centralization of management, continuity of life and free transferability of interest). Since an unincorporated organization will be treated as a corporation if it has more corporate characteristics than non-corporate characteristics, it is my opinion that, the condominium will be treated as an association taxable as a corporation for Federal income tax purposes. In such event, and in the absence of any specific exemption, the condominium would be subject to Federal corporation income tax.

Assuming that the condominium is treated as an association taxable as a corporation, the receipt of substantially all of the Common Charges, may be excluded from the income of the condominium in the event that (i) the condominium is acting as agent of the unit owners as to collection and receipt of such funds; or (ii) the condominium is not acting as agent and receives the Common Charges as non-taxable contributions of capital, or receives the Common Charges as service income which is fully offset by the condominium's service expenses; or (iii) the condominium elects to be taxed under Code section 528 and the condominium has only "exempt function income" within the meaning of that section.

Code Section 528 provides a tax exemption for an organization that qualifies as a "homeowners association" which term includes a "condominium management association". A "condominium management association" is defined as an organization organized and operated to provide for the acquisition, construction, management, maintenance, and care of a condominium, provided substantially all of the units are used by individuals for residences. See Code sections 528(c)(1)(A), and 528 (c)(2). "Substantially all" of the units will be considered used by individuals for residences if at least 85% of the total square footage of all units within the project is used, or is intended to be used, by individuals for residential purposes auxiliary to residential use, such as storage rooms, laundry and maintenance areas. The organization itself would be considered "organized and operated" for the acquisition, construction, management, maintenance, and care of such condominium, if the facts and circumstances indicate such to be the case. See Treasury Regulations section 1.528-2. If the articles of the condominium reflect that this is the purpose of the association, then the condominium management association would be presumed to be operating for such purpose. Section 1.528.2(a).

In addition to the above organization and operation test, the tests set forth below must be satisfied pursuant to Code section 528 (c)(1) in order for a condominium to qualify as a "homeowner's association".

(i) Sixty percent (60%) or more of the gross income of the organization must be "exempt function income", that is, income derived from the payment of dues or fees from the residential unit owners in their capacity as owner-members rather than in the capacity as customers for services. Code section 528(c)(1)(A) and regulations sections 1.528-5 and 1.528-9. "Exempt function Income" includes income which is attributable to assessments that arise as a result of the member's ownership interest (either based on value or size of their units) and used for the purpose of enhancing or maintaining the value of the residences. Regulations

section 1.528-9. As an example, this regulation indicates that assessments for the purpose of paying real estate taxes, removing garbage, or removing snow is "exempt function income". Section 1.528-9(b). Income attributable to the use of laundry machines and interest earned on sinking funds are not exempt function income. Section 1.528-9(c). Any assessment attributable to special capital improvements, which are treated as capital contributions, are not included in gross income, and therefore, are not part of the calculation of the gross income test. Section 1.528-9(a).

(ii) Ninety percent (90%) or more of the expenditures of the organization for the taxable year must be used for the acquisition, construction, management, maintenance, and care of the organization's property. Code section 528(c)(1)(C). These expenditures include operating and capital expenditures during the taxable year. Investments in reserve funds for future expenditures are not included in this calculation.

(iii) No part of the net earnings of the organization may inure to the benefit of any individual. Code section 528 (c)(1)(D). The Code expressly excludes benefits received by a unit owner attributable to the homeowners association performing its exempt function, such as the benefit from the homeowners association acquiring, constructing, managing, maintaining and taking care of the association property.

(iv) The organization must properly and timely elect to have Code section 528 apply for the taxable year. Code section 528 (c)(1)E).

Based upon my understanding of these regulations and the organization of this association, it is my opinion that the condominium will be eligible to qualify as a homeowners association within the meaning of Code section 528(c)(1) and that, to the extend the condominium has income in excess of its expenses, that income will not be subject to Federal income tax.

III. Compliance with Real Property Law Section 339 (i)

I have reviewed the letter from the Sponsor's expert concerning allocation of the common interest to the units in the premises. The determination of Common Interest allocated to each unit is based on floor area subject to such other items of relative value as location of the unit within the building, uniqueness of the unit, availability of Limited Common Elements for shared or exclusive use and overall dimensions of the unit pursuant to Real Property Law (RPL) section 339(i)(1) subparagraph (iv). The method employed is permissible pursuant to the RPL and is in compliance therewith.

C. Conclusion

I express no views as to any Federal, New York State and/or New York City tax consequences or as to any aspects of the Plan other than those tax consequences and aspects explicitly discussed in this opinion, or as to the tax consequences of the Plan under the laws of any other State or foreign jurisdiction. This opinion does not discuss the tax consequences which may result from the ownership or the leasing of a unit to another, in connection with a unit owner's trade or business, for purposes of investment, or for the production of income, or tax consequences which may result to a foreign unit owner by reason of his foreign status.

This opinion also does not consider the tax consequences which may arise if units are acquired and/or leased by the Board of Managers, or the issue of whether a unit owner may be deemed to be a resident of New York State due to ownership of a unit. I, therefore, advise each person contemplating the purchase of a unit to consult his or her own tax advisor as to all such tax matters, as well as with respect to the tax matters discusses in this opinion.

The opinions expressed herein are based solely upon my current understanding and interpretation of the existing law, regulations, decided cases and rulings of administrative agencies and upon information set forth herein. If there has been any misstatement of a fact or omission of any fact which may be material, or any amendment or change in the By-Laws or the Plan, we should be notified, since any such omission, misstatement or change may require modification of part or all of this opinion. Moreover, it should be specifically noted that this opinion is not binding on the Internal Revenue Service, the New York State Department of Taxation and Finance, or the New York City Department of Taxation, and that such entities may not agree with any or all of the views stated above. Finally, the Federal and State Tax Laws and Regulations and the rulings and decisions thereunder may change and thereby affect the views stated above in whole or in part.

Purchasers should note that the $10,000 tax deduction is for the combined New York State income taxes, New York City (or local) income taxes and real estate taxes. Accordingly, in the event the Unit Owner's combined New York State income taxes, New York City (or local) income taxes and real estate taxes exceed the $10,000 threshold, a Unit owner may not be able to realize a deduction for amounts over the $10,000 threshold.

I hereby authorize the use of the opinion, or a reproduction thereof, in the Offering Plan

Very truly your,

Paul A. Zeff

XVII. WORKING CAPITAL FUND

Purchasers shall be required to pay two months common charges at closing of title as working capital. This amount shall be used to reimburse the Sponsor for prepaid Condominium expenses if any. This payment will not be used to reduce common charges. The working capital shall be turned over to the Board of Manager at each closing. The total fund is estimated to be $4,058.00 if and when all of the Units have been sold, subject to depletion based upon the Condominium's use of the fund. Sponsor will not contribute.

The working capital fund may not be used to reduce projected common charges in the plan.

Neither the Department of Law nor any other government agency has passed upon the adequacy of the fund.

Any adjustments for prepaid expenses between the sponsor and the Board of Managers may be deducted only from the working capital fund. The Sponsor does not anticipate any prepaid expenses other than insurance on the condominium. Such insurance is estimated to be $5,230 per annum. Purchasers who close during the first year of operation will reimburse the Sponsor for the Purchaser's pro rata share of the first year's insurance premium.

There is no minimum working capital fund which must be maintained regardless of the amount of the adjustment.

No representation is made that the proposed budget will be adequate to cover current or future expenses including repairs or replacements of common elements. If additional funds are required, it may be necessary to increase the common charges payable by the Unit Owners or to collect a special assessment from each unit owner.

XVIII. CONTINGENCY FUND

The Schedule B budget contains a contingency fund. This fund is kept separate and apart from the account for the yearly common charges and the account for the reserve fund.

The purpose of this fund is to provide for any unanticipated expenses or unanticipated increases in the projected expenses.

XIX. RESERVE FUND

The Schedule B budget contains a yearly reserve fund. This charge item shall equal 10% of the budget for the year in which it appears. These reserve funds shall be maintained in a special account separate and apart from the account for yearly expenses. It shall be used exclusively for capital repairs and improvements which might be required in the future. This reserve fund is sufficient to provide needed capital expenditures within five years following the first closing under this plan.

While the sponsor is in control of the board of managers, the reserve fund may not be used to reduce projected common charges in the plan.

There is no current balance in the reserve fund. It will be funded exclusively by the common charges. The development is new construction and the Sponsor does not contemplate any capital repairs for at least five years from the establishment of the condominium.

Neither the Department of Law nor any other government agency have passed upon the adequacy of the fund.

This reserve fund should be differentiated from a contingency fund. A contingency fund is intended to provide for any unanticipated expenses or unanticipated increases in the projected expenses. There is a provision for a contingency fund in the budget as outlined in XVIII above and footnote 10 on page 21.

The reserve fund as noted above will be funded out of the common charges collected from the owners. Whatever is collected is immediately available to the condominium for the purposes of this fund.

In the event that needed capital expenditures such as renewal or replacement of building components or systems or to remedy major building defects cannot be funded from the balances in the Reserve Fund, the condominium board will either assess a special assessment against the unit owners and/or borrow funds in the name of the condominium from outside lenders.

XIX- MANAGEMENT AGREEMENT, CONTRACTS AND LEASES

The Sponsor while it is in control of the condominium board will appoint Hua Wen, a principal of the sponsor as the management agent. This appointment will continue in effect until the condominium board is turned over to the unit owners as set out on page 53. In the event that the board desires to hire a third party managing agent, the cost will be approximately $6,000 per annum.

The managing agent will (i) work in the best interests of the condominium and its unit owners; and (ii) not engage in sweetheart deals.

There will be no management agreement nor will Hua Wen be compensated for her services during this period. Her duties and services will include, if applicable, collection of common charges, general book keeping for the association, and arranging for workmen if repairs or routine maintenance is necessary.

The Board of Managers of the condominium will reimburse Hua Wen for expenses incurred on behalf of the association. Hua Wen's services are not assignable and the board of managers has a right to retain another manager at any time with or without cause.

There are no contracts, agreement or leases which are binding on the condominium.

PART II

SECTION A

THE _____ CONDOMINIUM

UNIT ____

AGREEMENT

AGREEMENT made as of , 201_, between _____ having offices at _____ (Sponsor-Seller) and _____ having an address at _____ ("Purchaser").

WITNESSETH

1. **Purchase Price**

1.1 The Purchase price ("Purchase Price") is $_____.

(a) $_____ constituting a down payment in the amount of ten percent (10%) of the Purchase Price on the signing of this Agreement by check (subject to collection), receipt of which is hereby acknowledged; and

(b) $_____ constituting the balance of the Purchase price, in cash or good certified check of Purchaser or official bank check, on the delivery of the deed as hereinafter provided (subject to the provisions of subsection 1.2 hereof).

1.2 All checks shall be drawn on a New York bank or trust company, which is a member of the New York Clearing House Association. All checks in payment of the portion of the Purchase Price referred to in subsection 1.1 (a) hereof shall be made payable to the order of "BRIAN YANG, ESQ., AS ATTORNEY" and all checks in payment of the portion of the Purchase Price referred to in subsection 1.1(b) hereof shall be made payable to the direct order of the Sponsor.

1.3 Any portion of the Purchase Price to be loaned by a bank, trust company or other lending institution may be paid on the Closing Date (as hereinafter defined), provided the Sponsor shall have been furnished with a copy of a written mortgage loan commitment accepted by Purchaser from such bank, trust company or other lending institution for such portion of the Purchase Price as is being borrowed, on or before the date such portion of the Purchase Price would otherwise have been due under subsection 1.1 hereof.

2. **The Offering Plan.** Purchaser acknowledges having received and read a copy of the Offering Plan for Condominium ownership of the premises located at _____ and all amendments thereto filed with the Department of Law of the State of New York (hereinafter collectively referred to as the "Plan") within a 72 hour period immediately preceding the execution of this Agreement by Purchaser. The Plan is incorporated hereby by reference and made a part hereof with the same force and effect as if

set forth at length. In the event of any inconsistency between the provisions of this Agreement and the Plan, the Plan shall govern.

3. **Definitions.** Terms used herein which are also used in the Plan shall have the same meanings herein as therein unless the context otherwise requires.

4. **Architectural Plan.** Purchaser has been given an opportunity to examine the architectural plans and specifications for the above-numbered Unit and for the building in which it is located ("the Building"), prepared by the Licensed Professional Engineer, _____ ("the Engineer").

5. **Construction.** The construction of the building and Unit and the materials, equipment and fixtures installed therein shall be substantially in accordance with the plan and the Architectural Plans and specifications as said plans and specifications are modified or amended as provided in the plan. The issuance of a final certificate of occupancy for entire Building shall be deemed presumptive evidence that the Building has been fully completed in accordance with the plans and specifications.

6. **The Unit.** Sponsor agrees to sell and convey and Purchaser agrees to purchase the Unit ("Unit") designated as Unit No. in the Declaration, together with a % undivided interest in the Common Elements appurtenant thereto, together with and subject to the easements, covenants, rights and benefits set forth in the Declaration and By-Laws, and upon and subject to the terms and conditions set forth herein.

7. **Closing.** The closing of title shall take place on no less than thirty days' written notice to Purchaser at such place as Seller may designate, at an hour and on a date (hereinafter called the ("Closing Date") to be specified by Seller. Such date shall be no earlier than 30 days after the date on which written notice is given to Purchaser that the Plan has been declared effective (unless Purchaser and Seller shall agree on an earlier Closing Date). The closing of title may be adjourned to such later date as the parties may agree upon in writing, or otherwise as set forth in the following paragraph, and such adjourned date shall then be deemed the Closing Date hereunder. Purchaser shall be entitled to one reasonable adjournment of fifteen days, on five days written notice by Purchaser to Sponsor. The Seller may be entitled to reasonable adjournments in the closing of title in the event of delays by reason of weather conditions, strikes or material shortages, or delays in inspections and reports thereon, or other requirements.

8. **Delivery of the Deed and Power of Attorney to the Condominium Board.**

a. At the closing of title, Sponsor shall deliver to Purchaser a bargain and sale deed with covenants against grantor's acts conveying title to the unit to Purchaser. The deed shall be prepared by Sponsor substantially in the form set forth in Part II of the Plan and shall be executed and acknowledged by Sponsor in the form necessary for recording.

b. At the closing of title, and simultaneously with the delivery of the deed conveying the Unit to Purchaser, Purchaser shall execute and acknowledge a power of attorney to the

Condominium Board prepared by Sponsor and substantially in the form set forth in Part II of the Plan.

c. The deed and power of attorney to the Condominium Board shall be delivered to the representative of the title company insuring Purchaser's title (or if no such representative is present, then to Sponsor's attorney) for recording in the _____ County office of the Register of The City of New York (the "City Register's Office"). After being recorded, the deed shall be returned to Purchaser and the power of attorney shall be sent to the Condominium Board.

9. **Marketable Title.** At the closing of title, Sponsor shall convey to Purchaser good and marketable title in fee simple, free and clear of all encumbrances other than those set forth in the Plan at entitled "Terms of Sale" and mortgages, if any, covering the Unit, which Purchaser assumes. Any encumbrances to which title is not to be subject shall not be an objection to title if (a) the instrument required to remove it of record is delivered to the proper party together with the recording or filing fees or (b) any reputable title company will insure Purchaser that it will not be collected out of the Unit if it is a lien, or will not be enforced against the Unit if it is not a lien.

10. **Expenses of closing and closing Adjustments.** Purchaser will pay the closing costs and expenses referred to in the Section of the Plan (as same may be amended to date) entitled "Closing Costs and Adjustments", including New York State and City Real Property transfer taxes and the amount of any credit for mortgage recording tax as set forth in such Section. Purchaser shall make the contribution to the working capital of the Condominium referred to in such Section. Real estate taxes and common charges and expenses shall be adjusted between Seller and Purchaser as of midnight preceding the Closing Date in accordance with the provisions of the Plan. Any such expenses or adjustments payable to Seller in excess of $500.00 will be paid by certified check or bank check. Recording charges, fees and taxes, as set forth in the Plan, are based on the rates in effect on the date of the Plan and are subject to change without notice.

11. Escrow of Deposits. The Seller will hold all monies received directly or through its agents or employees hereunder in trust until the closing of title to a Unit pursuant to the terms of this Purchase Agreement or the Offering Plan in the attorney escrow account titled "BRIAN YANG, ESQ., AS ATTORNEY" or similar name in HSBC Bank, 6102 8TH AVENUE, BROOKLYN, NY 11220. The Funds existing in the Trust Account will be payable to the Seller after the closing of title to the Unit covered by this purchase agreement. In the event of default by the Purchaser under this Purchase Agreement, which default continues for thirty (30) days after notice of such default from Seller to the Purchaser, the down payment (to a maximum of 10%) plus the actual cost of any special work ordered, will be released to the Seller from such account as liquidated damages and thereafter neither party shall have any rights or obligations against the other.

In the event the Seller cannot convey title to the Unit, all monies advanced by the Purchaser hereunder shall be returned to the Purchaser. The Seller will not record the

Declaration until it has Purchase Agreements for at least 15% of all the Units. If the Seller does not record the Declaration and abandons the Offering Plan, all monies advanced by the Purchaser will be returned promptly thereafter with interest, if any. If the offering plan is to be abandoned after filing and the sponsor has accepted purchase agreements, the sponsor shall promptly submit an amendment to the Office of the Attorney General together with form RS-3 as promulgated by the Office of the Attorney General. If payments under purchase agreements have been received, the amount of such funds and the manner and time when these funds will be returned to purchasers must be disclosed. The funds must be returned within five (5) days after the amendment abandoning the plan has been accepted for filing.

12. **Binding Effect of Declaration, By-Laws and Rules and Regulations.** Purchaser hereby accepts and approves the Plan (including the Declaration, By-Laws and Rules and Regulations contained therein) and agrees to abide and be bound by the terms and conditions thereof.

13. **Agreement Subject to Mortgage.** No encumbrances shall arise against the Property as a result of this Agreement or any monies deposited hereunder. In furtherance and not in limitation of the provisions of the preceding sentence, Purchaser agrees that the provisions of this Agreement are and shall be subject and subordinate to the lien of any mortgages heretofore or hereafter made and any payments or expenses already made or incurred, pursuant to the terms thereof, or incidental thereto, or to protect the security thereof, to the full extent thereof without the execution of any further legal documents by Purchaser. Sponsor shall, at its option, either satisfy such mortgages or obtain a release of the Unit and its undivided interest in the Common Elements from the lien of such mortgages on or prior to the Closing Date unless Purchaser assumes such mortgages. The existence of any mortgage or mortgages encumbering the Property, or portions thereof, other than the Unit and its undivided interest in the Common Elements, shall not constitute an objection to title or excuse Purchaser from completing payment of the Purchase Price or performing all of his other obligations hereunder or be the basis of any claim against, or liability of, Sponsor, provided that any such mortgage is subordinated to the Declaration and the Unit is released from the lien of such mortgage. Purchaser may make his obligations under the Agreement contingent upon obtaining a mortgage loan by executing the Mortgage Addendum to Purchase Agreement attached hereto and compliance with the terms therein. In the event Purchaser does not comply with the terms set forth in the Mortgage Addendum to Purchase Agreement, Seller shall be entitled to declare this Agreement in default and retain the Down Payment and interest as liquidated and agreed upon damages. Should Purchaser comply with the terms set forth in the Mortgage Addendum to Purchase Agreement and fail to obtain a mortgage loan, Seller shall return the Down Payment and interest, if any, to Purchaser and thereafter the parties shall be released from any obligation under this agreement.

14. **Agreement Subject to Plan Becoming Effective; Seller's Right to Cancel.**

This Purchase Agreement is contingent upon the Plan being declared effective. The Plan may be abandoned by Seller at any time prior to its being declared effective and shall be abandoned and deemed abandoned if it has not been declared effective within the time prescribed by the Plan. If the Plan is abandoned or does not become effective, this Purchase

Agreement shall be deemed canceled. If, after the Plan is declared effective, title to the Unit shall not close within the time set forth herein or in the Plan for any reason other than Purchaser's default, then, at Purchaser's option upon thirty days' prior written notice, this Purchase Agreement shall be deemed canceled. If this Purchase Agreement is canceled pursuant to the provisions of this paragraph, then not later than five days thereafter, Purchaser shall receive a refund in full, of all monies paid by Purchaser hereunder, with the interest earned thereof, if any, and upon such repayment, neither party shall have any claim against the other and both shall be released from all obligations hereunder.

15. **Default by Purchaser.** In the event Purchaser shall fail to make any payment on the date hereinbefore provided or on such later date as the parties hereto shall agree upon, shall fail to close title on the closing date, or shall fail to perform any of the purchaser's other obligations hereunder, Sponsor may send notice to Purchaser of Sponsor's intention to cancel this Agreement if such default shall not be cured within thirty days thereafter. TIME IS OF THE ESSENCE TO CURE SUCH DEFAULT WITHIN THE SAID THIRTY-DAY PERIOD. If within said thirty day period Purchaser shall fail to cure such default, Sponsor may, at its option, cancel this Agreement by notice of cancellation to Purchaser sent within 30 days after the sending of the said notice of intention to cancel, and thereupon this agreement shall be deemed canceled. In the event that Sponsor shall elect to cancel this Agreement, Sponsor shall certify to its attorney that Purchaser has defaulted and that Sponsor has elected to cancel this Agreement by reason thereof. If, within three days after the sending of notice of cancellation, Purchaser shall have failed to object thereto by Notice to Sponsor's Attorney by certified mail, return receipt requested, all payments made by Purchaser pursuant to this Agreement, together with all other sums theretofore paid by Purchaser hereunder, shall be retained by Sponsor as liquidated damages. In no event shall liquidated damages exceed 10% of the purchase price plus the cost of any special work ordered. If this Agreement shall be canceled by Sponsor pursuant to the provisions of this Paragraph, Sponsor may sell the Unit to any third party and Sponsor shall be under no obligation to account to Purchaser for any part of the proceeds of such sale. If Purchaser shall have objected to Sponsor's Notice of cancellation within the aforesaid three day period, Sponsor will retain all payments made by Purchaser pursuant to this Agreement until the dispute is resolved, but Sponsor shall nevertheless have the right to sell the Unit to any third party without any obligation to account to Purchaser for any part of the proceeds of such sale. Sponsor's Attorney may rely on the truth and accuracy of the facts contained in Seller's certification and the authority of the person or persons executing the same.

16. **Possession of Unit Prior to Closing.** It is expressly understood and agreed that the Purchaser shall in no event take possession of the Unit prior to the time of the delivery of the deed and full compliance by the Purchaser with the terms of this Agreement, and should the Purchaser violate this provision, the Purchaser consents that the Seller shall have the right to remove him from the Unit as a squatter and intruder by summary proceedings. Upon the Purchaser's unauthorized possession, the Purchaser shall be deemed in default hereunder at the option of the Sponsor, and if the Sponsor so elects, the Sponsor may cancel this Agreement

and the amount deposited hereunder shall belong to the Sponsor as liquidated damages deemed earned hereunder. It is fully understood and agreed that the Sponsor will not be responsible for damage or loss to any personal property before, on or after the closing if title herein.

17. **Sponsor's Inability to Convey the Unit.** In the event Sponsor is unable to deliver title to the Unit to Purchaser for any reason whatsoever, Seller's liability shall be limited to the return of the money deposited hereunder and upon return of said money, this Agreement shall be null and void and the parties hereto released from any and all liability hereunder. Sponsor may not abandon the plan after effectiveness for any reason other than: (i) a defect in title which cannot be cured without litigation or cannot be cured for less than a stated amount which shall not be less than one-half of one percent of the total offering amount, or (ii) substantial damage or destruction of the building by fire or other casualty which cannot be cured for less than a stated amount which shall not be less than one-half of one percent of the total offering amount, or (iii) the taking of any material portion of the property by condemnation or eminent domain. Sponsor must provide that any stated dollar amount relied upon as basis for abandonment after effectiveness must exclude any attorneys fees or any such title defects or determinations of any authority or regulatory association which exist on the date of presentation of the plan and are either known to the sponsor or caused by the sponsor or are a matter of public record. (Please refer to the section of the Offering Plan entitled *"Effectiveness of Offering Plan".)*

In any event, the Sponsor shall not be obligated to bring any action or proceeding or otherwise incur any cost or expense of any nature whatsoever to cure such inability, and in such case, if Sponsor notifies Purchaser of its refusal to cure such inability and if Purchaser is not in default hereunder, Purchaser shall have the option to (a) take title to the Unit subject to such inability (without any abatement in, or credit against, the Purchase Price, or any claim or right of action against Sponsor for damages or otherwise) or (b) terminate this Agreement. If Purchaser so elects to terminate this Agreement, Sponsor shall within ten (10) days after receipt of notice of termination from Purchaser, return to Purchaser all sums deposited hereunder, and upon making such payment, this Agreement shall be null and void and neither party shall have any further rights, obligations or liability to or against the other and the parties shall be released and discharged from all obligations and liabilities under this Agreement and the Plan. The foregoing option must be exercised by notice of Purchaser in writing to Sponsor within ten days after the giving of Sponsor's notice of refusal to cure such inability. If Purchaser fails to give any notice to Sponsor, it shall be conclusively deemed that Purchaser elected the second option above to terminate this Agreement.

18. **Acceptance of Condition of Unit; Risk of Loss.**

(i) Purchaser shall accept title (without abatement in or credit against the Purchase Price or provision of escrow) notwithstanding that construction of (a) minor details of the Unit or the Building in which it is located or (b) other Units or (c) the landscaped area or (d) other portions of the common elements have not been completed. Purchaser will examine his Unit with a representative of the Sponsor during normal business hours prior to the Closing Date and will sign and deliver to Sponsor on or before the Closing Date an Inspection Statement acknowledging the condition in which he has received his Unit.

(ii) Purchaser represents to sponsor that he has examined the Unit and agrees that his execution of this Purchase Agreement shall constitute acceptance of the Unit and the Building and all fixtures, machinery, equipment, furnishings, appliances, installations and other personal property contained therein, in their present condition on the date of this Purchase Agreement, subject to reasonable use, wear, tear and natural deterioration between the date of this Purchase Agreement and the Closing Date.

(iii) Risk of loss for fire or other casualty remains with Seller until the earlier of the following events:

a. Legal title to the Unit has been conveyed to the Purchaser, or

b. The Purchaser has taken actual possession of the Unit pursuant to a written agreement with Seller.

c. Sponsor will notify a purchaser within 15 days after a loss as to whether or not sponsor will repair damage due to a casualty occurring prior to closing.

19. **Broker.** Purchaser represents to Sponsor that is the only broker or sales agent with whom Purchaser has dealt in connection with this transaction and Sponsor agrees to pay the commission earned by said broker, if any, pursuant to a separate agreement. Purchaser agrees that should any claim be made against Sponsor for commission by any broker, other than the above-named broker on account of any acts of Purchaser or Purchaser's representatives, Purchaser will indemnify and hold free and harmless Sponsor from and against any and all liabilities and expenses in connection therewith, including reasonable legal fees. The provisions of this Article shall survive the delivery of the deed.

20. **Warranties.** At the closing of title, the Seller will deliver the certificates and warranties delivered to them and transferable to purchaser or to the Condominium. Seller's liability pursuant to the manufacturer's warranties covering heat, appliances, electricity, plumbing and roofing are limited solely to the extent that such warranties are delivered to Seller, transferable to the Purchaser or to the Condominium and then only as against such manufacturer. In addition, however, Seller will promptly correct any defects in the construction of the Condominium Unit or the building containing the Unit or in the installation or operation of any mechanical equipment therein due to materials or improper workmanship substantially at variance with the plans and specifications, provided that it is notified of such defects in writing by certified mail within one year from the date of the closing of title to the Unit in which the alleged defect exists.

Purchaser should note that:

a. No steps taken by Seller to correct a defect shall act to extend the warranty period.

b. Seller accepts no responsibility for any warranty obligation for incidental or consequential damage caused by any defect.

c. These warranties give Purchaser specific legal rights. Purchaser may have other rights under State law.

d. These warranties are extended to you as Purchaser and are not extended to any subsequent Purchaser and mortgage lender who takes possession of the Unit.

e. These warranties shall be void if Purchaser misuses, abuses or otherwise interferes with or changes Seller's original construction or installations.

f. Seller is not responsible for any work or material ordered directly by Purchasers from Seller's contractors or suppliers.

g. Seller will provide Purchaser with the same warranties provided under the Housing Merchant Implied Warranty, Section 777-a of the General Business Law. The provisions of this Paragraph shall survive the delivery of the deed.

21. **Agreement May Not Be Assigned.** Purchaser shall not have the right to assign this Agreement without the prior written consent of Sponsor and any purported assignment of this Agreement in violation hereof shall be voidable at the option of Seller.

22. **Binding Effect.** This Agreement shall not be binding on Purchaser or Sponsor until a fully executed copy hereof has been furnished to Purchaser. If this Agreement is not accepted within twenty days from the date hereof by the furnishing to Purchaser of a fully executed copy, this Agreement shall be deemed to have been rejected and canceled and the deposit paid on the execution hereof, with interest accrued thereon, if any, shall be returned promptly to Purchaser.

23. **Notices.** Any notices, request or other communication hereunder or under the Plan shall be in writing and sent, postage prepaid, by registered or certified mail, return receipt requested, to Purchaser at the address given at the beginning of this Agreement, with a copy to his/her/their Counsel or to the seller at the address given at the beginning of this Agreement, with a copy to Law Offices of Yang & Partners, 711 59th Street, 2nd Floor, Brooklyn, NY 11220 by or to such other address as either party may hereafter designate to the other in writing. Except as otherwise expressly provided herein, the date of mailing shall be deemed to be the date of the giving of notice, except that the date of actual receipt shall be deemed to be the date of giving if any notice of change of address.

24. **Captions.** The captions in this Agreement are for convenience and reference only and in no way define, limit or describe the scope of this Agreement or the intent of any provision hereof.

25. **No Oral Changes:** This Agreement cannot be changed or terminated orally. ANY CHANGES OR ADDITIONAL PROVISIONS MUST BE SET FORTH IN A RIDER ATTACHED HERETO OR IN A SEPARATE WRITTEN AGREEMENT SIGNED BY ALL PARTIES. YOU, AS THE PURCHASER OF THIS UNIT, MAY REQUIRE THE

RECIPIENT OR CONTRACTOR TO DEPOSIT THE INITIAL ADVANCE MADE BY YOU IN AN ESCROW ACCOUNT. IN LIEU OF SUCH DEPOSIT, THE RECIPIENT OR CONTRACTOR MAY POST A BOND OR CONTRACT OF INDEMNITY WITH YOU GUARANTEEING THE RETURN OF SUCH ADVANCE.

IN WITNESS WHEREOF, the parties have executed this Agreement as of the date first above written.

MORTGAGE ADDENDUM

The obligations of Purchaser hereunder are conditioned upon issuance on or before **forty-five (45) days from a fully executed contract received by Purchaser's Attorney,** (the "Commitment Date") of a written commitment from any Institutional Lender pursuant to which such Institutional Lender agrees to make a first mortgage loan, other than a VA, FHA or other governmentally insured loan, to Purchaser, at Purchaser's sole cost and expense, of $_____ (not to exceed 80% of purchase price) or such lesser sum as Purchaser shall be willing to accept, at the prevailing fixed rate for a term of at least **30** years and on other customary commitment terms, whether or not conditional upon any factors other than an appraisal satisfactory to the Institutional Lender. For purposes of this contract, the term "Institutional Lender" shall mean any bank, savings bank, private banker, trust company, savings and loan association, credit union or similar banking institution whether organized under the laws of this state, the United States or any other state; foreign banking corporation licensed by the Superintendent of Banks of New York or the Comptroller of the Currency to transact business in New York State; insurance company duly organized or licensed to do business in New York State; mortgage banker licensed pursuant to Article 12-D of the Banking Law; and any instrumentality created by the United States or any state with the power to make mortgage loans. Purchaser shall comply with all requirements of such commitment (or any other commitment accepted by Purchaser) and Seller with a copy thereof promptly after receipt thereof. If such commitment is not issued on or before the Commitment Date, then, unless Purchaser has accepted a commitment that does not comply with the requirements set forth above, Purchaser may cancel this contract by giving Notice to Seller within 5 business days after the Commitment Date, (50 days from the date a fully executed contract is received by Purchaser's attorney) in which case this contract shall be deemed cancelled and thereafter neither party shall have any further rights against, or obligations or liabilities to, the other by reason of this contract, except that the Downpayment shall be refunded to Purchaser within five business days. If Purchaser fails to give notice of cancellation or if Purchaser shall accept a commitment that does not comply with the terms set forth above, then Purchaser shall be deemed to have waived Purchaser's right to cancel this contract and to receive a refund of the Downpayment by reason of the contingency contained in this paragraph. (Delete if inapplicable) (b) Purchaser and Seller agree that the submission of an application to a mortgage broker registered pursuant to Article 12-D of the New York Banking Law ("Mortgage Broker") shall constitute full compliance with the terms and conditions set forth in paragraph 8(a)(i) of this contract, and that Purchaser's cooperation in good faith with such Mortgage Broker to obtain a commitment from an Institutional Lender (together with Purchaser's cooperation in good faith with any Institutional Lender to which Purchaser's application has been submitted by such Mortgage Broker), and the giving of Notice by Purchaser to Seller within ten business days of the name and address of each Mortgage Broker to which Purchaser has submitted such an application shall constitute full compliance with the terms and conditions set forth in this contract.

Section 777-b(4)(i) provides that "a limited warranty shall not be construed to permit any limitation on or exclusion of property damage to a home proximately caused by a breach of the limited warranty, where the court finds that such limitation or exclusion would cause the limited warranty to fail of its essential purpose"

NOTE: THIS LIMITED WARRANTY EXCLUDES ALL CONSEQUENTIAL, INCIDENTIAL SPECIAL AND INDIRECT DAMAGES EXCEPT AS REQUIRED BY LAW. THIS LIMITED WARRANTY EXCLUDES ALL OTHER WARRANTIES OF EVERY KIND, EXPRESS AND IMPLIED ON THE CONSTRUCTION AND SALE OF THE HOME, ITS WORKMANSHIP AND MATERIALS, AND ITS FITNESS FOR USE AND HABITABILITY. THIS LIMITED WARRANTY IS ACCEPTED BY THE PURCHASERS IN LIEU OF ALL OTHER WARRANTIES. THE BUILDER MAKES NO WARRANTIES WHICH EXTEND BEYOND THE FACE HEREOF. THIS PURPOSE OF THIS LIMITED WARRANTY IS TO IDENTIFY THE BUILDER'S RESPONSIBILITES FOR DEFECTS OF A LATENT OR HIDDEN NATURE THAT WOULD NOT HAVE BEEN FOUND OR DISCLOSED ON THE FINAL INSPECTION.

3. FINAL INSPECTION OF THE HOME. Before the Purchaser moves into the Home or accepts the deed, the Builder will set up an appointment for the Final Inspection with the Purchaser. The purpose of the Final Inspection is to discover any Defects of a visible, apparent or patent nature, or any unfinished work.

Defects in the Home found on the Final Inspection will be itemized on a Final Inspection Form, annexed hereto as Schedule D, that includes a schedule for each item that will be corrected or completed. The Final Inspection Form will be signed by the Purchaser and the Builder before occupancy of the Home or transfer of the deed.

When the Purchaser moves into the Home or accepts the deed, the Builder's responsibility is limited to:

(a) completion of items shown on the Final Inspection Form, as provided in the Final Inspection Form, and

The term Defect does not include a condition in the Home that would have been apparent or ascertainable upon the Final Inspection. In no event will the Builder's total liability for deficiencies under this Limited Warranty exceed the Builder's Limit of Total Liability, shown on page 1. Any payments made by the Builder or the fair market cost of repairs and/or replacements made by the Builder will be applied to reduce the Builder's Limit of Total Liability set forth on page 1 of this Limited Warranty.

Repair, replacement or payment of reasonable cost for any Major Structural Defect is further limited to (i) the repair of damage to the load-bearing portions of the Home themselves which is necessary to restore their load-bearing function; and (2) the repair of those items of the Home damaged by the Major Structural Defect which made the Home unsafe, unsanitary or otherwise unlivable.

When the Builder finishes repairing or replacing the Defect or pays the reasonable cost of doing so, a full release of all legal obligations with respect to the Defect must be signed by the Purchaser and delivered to the Builder. In the event the Purchaser fails to execute a full release, the Builder will notify the Purchaser as to what action(s) it has taken with respect to the applicable Defect and thereafter the Builder will be deemed to have complied with all of its obligations under this Limited Warranty with respect to the applicable Defect.

(c) In response to a Notice of Warranty Claim, or any other complaint or request of the Purchaser, the Builder and the Builder's agents will have the right to inspect and test the portion of the Home to which the claim, complaint or request relates. The Purchaser and occupants of the Home must provide Reasonable Access to the Builder and the Builder's agents during normal business hours, Monday through Friday, to complete inspection, testing and repair or replacement.

"Reasonable Access" by the Purchaser for inspection, testing and completion of the work will (a) require the Purchaser or its representative to be physically present during any work period and (b) require the Purchaser and occupants of the Home to allow the Builder to inspect, test and complete the work and not obstruct the Builder in any way during the Builder's performance of its duties. A LIST OF THE BUILDER'S AUTHORIZED SERVICE REPRESENTATIVES IS ATTACHED TO THIS LIMITED WARRANTY AS SCHEDULE C. USE OF UNAUTHORIZED SERVICE VOIDS ANY CLAIMS UNDER THIS LIMITED WARRANTY.

15. LEGAL ACTIONS.

(a) No claim or cause of action under this Limited Warranty may be commenced or asserted in any suit, action, or other legal proceeding against the Builder in any court or forum unless notice of the claim or cause of action has been received by the Builder in a timely and properly completed Notice of Warranty Claim Form as provided in paragraph 14 above.

WORKMANSHIP/STSYEMS COVERAGE
CONSTRUCTION QUALITY STANDARDS

The following Construction Quality Standards are standards that have been developed and accepted by the residential construction industry in general. Where a specific deficiency has not been isolated, the standard practice of the construction industry will apply.

Homebuyer(s) should be aware that all new homes go through a period of settlement and movement. During this period, the Home may experience some minor material shrinkage, cracking and other events which are unavoidable and considered normal. The homebuyer(s) should also be aware that he/she is responsible for proper home maintenance, such as maintaining builder set grades around the house. Damages caused by Homebuyers negligence, improper maintenance or changes, alterations or additions performed by anyone other than the Builder, his/her employees, or subcontractors are excluded from the warranty.

The Board of Managers shall have a right of access to each unit for maintenance, repair or improvement to any pipes, wires, conduits, cable lines and public utility lines located in any unit and servicing any other unit. The cost of such repairs shall be a common expense.

The Board of Managers shall have a right of access to all common elements for maintenance, repair or improvement whether such common elements are limited or not.

The Sponsor, on behalf of itself and its successors and assigns who may take title to portions of the Condominium for purposes of development and sale, reserves the right to continue to use the

common elements and any facilities, sales offices, model units, and signs located on the common elements, in it efforts to market units in the Condominium. This paragraph shall not be amended without the written consent of the Sponsor.

SEVENTH: Service of Process and Building Code Violations. Service of process on the unit owners in any action with relation to the common elements or more than one unit and with regard to any violation of local building codes, zoning ordinances and other related building and zoning laws by the Common Elements or one or more units shall be made upon the Board of Managers of the Condominium. The Board of Managers shall have the principal responsibility for curing any violations of such building and zoning laws and service upon the Board of Managers shall be deemed service upon the owner or owners of the Condominium unit or units in which any such violation exists. The provisions of this Article shall not be amended without the consent of the Department of Buildings or any city agency which is a successor thereto.

EIGHTH: Common Interest. Each Unit owner shall have a percentage interest in the Common Elements and shall bear such percentage of the common expenses of the Condominium. The percentage interest of each Unit in the common elements has been determined by the Sponsor and is set forth in the Offering Plan of the Condominium and is recorded with the Plan.

Each Unit owner shall have one vote for all voting purposes at any meeting of the Unit owners unless otherwise mandated by law or expressly provided for herein or in the By-Laws.

NINTH: Administration. The administration of the condominium and the parcel of land described herein shall be in accordance with the provisions of this Declaration and with the provisions of the By-Laws which are made a part of this Declaration and are attached hereto.

TENTH: Amendment and Withdrawal. The property shall not be withdrawn from condominium ownership unless 100% of the Unit owners in number and common interest and the first mortgagees, if any, of each of these same units agree to such removal by duly recorded instruments. Such withdrawal of the property from condominium ownership shall not take effect until the withdrawal documents are duly recorded in the office of the clerk of the county of Richmond.

Except as provided pursuant to real Property Law section 339-p, the provisions of this Declaration may be modified or amended by an instrument executed by the Board of Managers upon a vote of 100% of the Unit owners in number and in common interest held at a duly called meeting of the unit owners provided, however, that:

(i) No amendment shall alter the percentage interest in the common elements appurtenant to any unit or alter any rights or obligations respecting portions of the Common Elements irrevocably restricted in use to the owners of any Units without the consent of the affected unit owners and the first mortgagees, if any, of the same units, which consents shall be expressed in the instruments of amendment.

(ii) No amendment shall add any parcel of land or Unit to or divest any parcel of land or unit from the Condominium property unless 100% of the unit owners in number and common interest and the first mortgagees, if any, of each of these same units agree to such change on the instrument or amendment.

(iii) No amendment shall be passed which shall impair or prejudice the rights and priorities of mortgagees.

There shall be a presumption for a period of 60 days subsequent to the recording of the amendment that the vote of the unit owners was made at a duly called meeting and that the requisite voting percentages were obtained. After the 60 day period, such presumption will be deemed conclusive. Any amendment to this Declaration shall not take effect until it is recorded in the Office of the Kings County Registrar.

TWELFTH: Common Charges. All sums assessed as common charges by the Board of Managers of the Condominium but unpaid, together with interest at the maximum legal rate thereon, chargeable to any Unit owner shall constitute a lien on his Unit prior to all other liens except: (a) tax or assessment liens on the unit by the taxing subdivision of any governmental authority, including but not limited to State, City, County and School District taxing agencies; and (b) all sums unpaid on any first mortgage of record encumbering any unit. Such lien may be foreclosed, when past due in accordance with the laws of the State of New York, by the Condominium, in like manner as a mortgage on real property, and the Condominium shall also have the right to recover all costs incurred including reasonable attorneys fees (but such right shall not be a lien against the unit).

In the event the proceeds of the foreclosure sale are not sufficient to pay such unpaid common charges, the unpaid balance shall be charged to all Unit owners as a common expense. However, where the holder of an institutional mortgage of record, or other purchaser of a Unit at a foreclosure sale of an institutional mortgage, obtains title to the Unit as a result of foreclosure, or the institutional mortgage holder obtains title by conveyance in lieu of foreclosure, such acquirer of title, his successors or assigns, shall not be liable and the unit shall not be subject to a lien for the payment of common charges chargeable to such Unit which were assessed and became due prior to the acquisition of title to such Unit by such acquirer. In such event, the unpaid balance of common charges shall be charged to all other Unit owners as a common expense. The term "institutional

mortgage" herein shall mean a first mortgage granted by a federal or state savings and loan association, savings or commercial bank, life insurance company, pension fund, trust company, agency of the United States Government or of the City or State of New York or other similar institutional lender or a purchase money mortgage granted by the Sponsor.

Every unit owner shall pay the common charges assessed against him when due and no Unit owner may exempt himself from liability for the payment of common charges assessed against him by waiver of the use or enjoyment of any of the common elements or by the abandonment of his Unit. However, no unit owner shall be liable for the payment of any common charges accrued subsequent to a sale, transfer or other conveyance by him of such unit made in accordance with Section 339-x of the Real Property Law or in accordance with the provisions of this Declaration and the By-Laws.

THIRTEENTH: Units acquired by the Board. In the event any Unit owner shall convey his unit to the Board of Managers in accordance with Section 339-x of the Real Property Law or in the event the Board of Managers shall purchase any Unit in a foreclosure sale, title to such unit or the rights to the lease of such unit shall be held by the Board of Managers or its designee on behalf of the other Unit owners.

In order to carry out the provisions of this paragraph, each Unit owner shall, upon becoming such, grant an irrevocable power of attorney, coupled with an interest, to the Board of Managers and their successors to acquire title or lease any such unit under whatever terms the Board may in its sole discretion deem proper and sell, lease, sublease, mortgage, vote or otherwise deal with such Unit under such terms as the Board in its sole discretion shall deem proper.

FOURTEENTH: Encroachments. The unit owners agree that if any portion of a Unit or the common elements (whether restricted in use to an individual unit owner or not) encroaches upon another or shall hereinafter encroach upon another as a result of construction, a valid easement for the encroachment and the maintenance of the same, so long as it stands, shall and does exist. In the event the building is partially or totally destroyed as a result of fire or other casualty or a result of condemnation or eminent domain proceedings and are rebuilt, the unit owners agree that encroachments of any portion of the unit or the common elements as herein described due to construction, shall be permitted, and that a valid easement for said encroachment and the maintenance thereof shall exist so long as the Building or reconstructed building shall stand.

FIFTEENTH: Unit Ownership. Upon the closing of title to a Unit, a purchaser shall automatically become a Unit owner in the Condominium subject to the Declaration, By-Laws and other effective rules and regulations and shall remain such until such time as he ceases to own a Unit for any reason.

SIXTEENTH: Conveyance of a Unit. In any conveyance of a unit, either by voluntary instrument, operation of law or judicial proceeding in accordance with this Declaration or the By-Laws, the grantee of the unit shall be jointly and severally liable with the Grantor for any unpaid common charges against the Grantor assessed and due up to the time of the grant or conveyance

without prejudice to the Grantee's right to recover from the grantor the amount paid by the grantee therefore. Any such grantee shall be entitled to a statement from the Board of Managers setting forth the amount of unpaid common charges against the Grantor and such Grantee shall not be liable for, nor shall the unit conveyed be subject to a lien for any unpaid common charges against the Grantor in excess of the amount set forth in such statement. Grantee as used herein shall not include either the holder of an institutional mortgage of record or other purchaser of a unit at a foreclosure sale of an institutional mortgage.

SEVENTEENTH: Covenants and Restrictions. The use of the Unit by the Unit owner or other occupant shall be subject to the rules, regulations and provisions of this Declaration, the By-Laws and rules and regulations of the Board of Managers and the following covenants and restrictions:

(a) The unit and area restricted to the unit owner's use shall be maintained in good repair and overall appearance.

(b) No alterations to the exterior of the unit or any part of the common elements may be made without the written consent of the Board of Managers. No alterations to the inside of a unit which would impair the structural soundness of the Building may be made without the written consent of the Board of Managers. Consent may be requested by mailing a letter, certified mail, return receipt requested, to the Management Agency, if any, or to the President of the Board of Managers, if no Management Agent is employed. The Board of Managers shall have an obligation to answer within thirty days and failure to do so within the stipulated time shall mean that there is no objection to the proposed modification or alteration.

(c) Any Unit owner who mortgages or sells his unit shall notify the Board of Managers providing the name and address of his mortgagee or purchaser.

(d) The Board of Managers shall, at the request of the mortgagee of the unit, report any unpaid common charges due from the Unit owner of such Unit.

(e) No nuisance shall be allowed upon the property nor shall any use or practice be allowed which is a source of annoyance to residents or which interferes with the peaceful possession and proper use of the property by its residents.

(f) No immoral, improper, offensive or unlawful use shall be made of the property nor of any part thereof and all valid laws, zoning ordinances and regulations of all governmental bodies having jurisdiction thereof shall be observed.

(g) Regulations promulgated by the Board of Managers concerning the use of the property shall be observed by the unit owners provided, however, that copies of such regulations are furnished to each unit owner prior to the time the said regulation becomes effective.

(h) The common charges shall be paid when due.

(i) The use for which the units are intended is residential occupancy, provided that, subject to all applicable governmental laws and regulations, any unit may be used as a professional office if the owner thereof resides therein.

EIGHTEENTH: Utilities. Gas and electricity consumed in or on the common elements and water covering the units and the common elements shall be paid for by the Board of Managers as an item of common expense, unless otherwise billed separately by the supplier. Each unit shall be individually metered for gas and electricity and the expense of such utilities consumed within the unit shall be paid for by the owner of the Unit.

The Sponsor, while in control of the Condominium, and the Board of Managers and the Unit owners thereafter shall maintain all internal sewers and drains at all times throughout the life of the Condominium. They shall be responsible for the abatement of any nuisance due to the use of the "internal drains" that would have an adverse effect on the health, safety and welfare of the City and State of New York.

The charges and assessments for maintenance and operation of internal drains, shall be a charge upon the land against which the same are made and shall be a continuing lien upon the property so charged and assessed, and in addition, that charge or assessment shall be a personal obligation of the record owner of the unit against which the same is made.

The Sponsor and/or the Board of Managers on behalf of the Condominium and each and every member thereof, shall utilize the "internal drains" in such a manner, that it will not in any way have an adverse effect on the City of New York's completed or pending sanitary and storm water drainage plans for the tributary drainage area of the separate sewer outlets.

NINTEENTH: General Provisions

A. Enforcement

The Condominium, or any owner, shall have the right to enforce, by any proceeding at law or in equity, all restrictions, conditions, covenants, reservations, liens and charges now or hereafter imposed by the provisions of this Declaration. Failure by the Condominium or by any owner to enforce any covenant or restriction herein contained shall in no event be deemed a waiver of the right to do so thereafter.

B. Severability

Invalidation of any one of these covenants or restrictions by judgment or court order shall in no manner affect the validity of any other provision, all of which shall remain in full force and effect.

C. Amendment

The covenants and restrictions of this Declaration shall run with and bind the land, for a term of twenty (20) years from the date this Declaration is recorded, after which time they shall be automatically extended for successive periods of ten (10) years. At such adjourned meeting at which a quorum shall be present or represented, any business may be transacted which might have been transacted at the meeting originally called.

Section 4. When a quorum is present at any meeting, the vote of a majority of the Unit owners present in person or represented by written proxy shall decide any question brought before such meeting. Such vote shall be binding upon all Unit owners, unless the question is one upon which, by express provisions of the Declaration, Statute, or of these By-Laws, a different vote is required, in which case such express provisions shall govern and control the decision of such question.

Section 5. At any meeting of unit owners, every Unit owner having the right to vote shall be entitled to vote in person or by proxy. Such proxy shall only be valid for such meeting or subsequent adjourned meetings thereof.

Section 6. All proxies shall be in writing and shall be filed with the Secretary prior to the meeting at which such proxies are to be used. A notion of such proxies shall be made in the minutes of the meeting.

In the event that the Board of Managers charges a unit owner for the painting or maintenance to any common element restricted in use to such unit owner, and the unit owner fails to make prompt payment, such charges shall be considered as additional common charges due from said unit owner, and the Board of Managers shall be entitled to bring suit thereon. In the event the Board brings such a suit, the unit owner shall be liable for the reasonable attorney's fees and costs of such suit or proceeding together with interest on all sums.

Section 7. Meeting of Board of Managers

Section 11. The members of the Board of Managers shall not be liable to the unit owners for any mistake of judgment, negligence, or otherwise, except for their own individual willful misconduct or bad faith. The unit owners shall indemnify and hold harmless each of the members of the Board of Managers against all contractual liability to others arising out of contracts made by the Board of Managers on behalf of the Condominium unless such contract shall have been made in bad faith or contrary to the provisions of the Declaration or of these By-Laws.

It is also intended that the liability of any unit owner arising out of any contract made by the Board of Managers or out of the aforesaid indemnity in favor of the members of the Board of Managers shall be limited to such proportion of the total liability there under as his interest in the common elements bears to the interests of all unit owners in the common elements. Every agreement made by the Board of Managers or by the Managing agent or by the Manager on behalf of the Condominium shall provide that the members of the Board of Managers, or the managing agent, or the manager, as the case may be, are acting only as agents for the Unit Owners and shall have no personal liability there under (except as unit owners), and that each unit owner's liability there under shall be limited to such proportion of the total liability there under as his interest in the common elements bears to the interest of all unit owners in the common elements. ARTICLE VII OPERATION OF THE PROPERTY

Section 1. The Board of Managers shall from time to time, and at least annually, prepare a budget for the Condominium, determine the amount of common charges payable by the unit owners to meet the common expenses of the Condominium, and allocate and assess such common charges and expenses among the unit owners according to their respective common interests. The common expenses shall include, among other things, the cost of all insurance premiums on all policies of insurance required to be or which have been obtained by the Board of Managers pursuant to the provisions of these By-Laws.

The common expenses also include such amounts as the Board of Managers may deem proper of the operation and maintenance of the property, including, without limitation, an amount for working capital of the Condominium, for a general operating reserve, for a reserve fund for replacements, and to make up any deficit in the common expenses for any prior year. The common expenses may also include such amounts as may be required for the purchase or lease by the Board of Managers or its designee, corporate or otherwise, on behalf of all unit owners, of any unit whose owner has elected to sell or lease such unit or of any unit which is to be sold at a foreclosure or other judicial sale.

A separate fund for future capital repairs and improvements shall be established. It will be funded yearly at 10% of the budget for that year. These funds shall be maintained in an account separate and apart from the yearly expenses. These funds shall not be used for normal yearly repair and maintenance.

The Board of Managers shall advise all unit owners, promptly, in writing, of the amount of common charges and expenses payable by each of them, respectively, as determined by the Board of Managers, as aforesaid, and shall furnish copies of such budget on which the common charges and expenses are based, to all unit owners. Until the Sponsor has conveyed title to all the units to purchasers, the Board of Managers can reduce the amount of common charges allocated to the units and payable by unit owners (including the Sponsor or its designee as owners of any unsold units) provided that so long as the Sponsor or its designee controls the Board of Managers the common charges will not be reduced below the amount necessary to operate the Property with the services to be provided as set forth in the Plan of Condominium Ownership.

Section 2. The Board of Managers shall be required to obtain and maintain, to the extent obtainable, the following insurance: (i) fire insurance with extended coverage, vandalism and malicious mischief endorsements, insuring the building (including all of the units and the bathroom and kitchen fixtures installed therein on the date of recordation of the Declaration, partitions,

flooring and ceilings within the units, but not including furniture, furnishings or other personal property provided or installed by unit owners), together with all service machinery contained therein and covering the interests of the Condominium, the Board of Managers and all unit owners and their mortgagees, as their interest may appear, in an amount equal to the full replacement value of the Building (exclusive of excavation and foundations), without deduction for depreciation; each of said policies shall contain a New York Standard mortgagees clause in favor of each mortgagee of a unit which shall provide that the loss, if any, there under shall be payable to such mortgagee as its interest may appear, subject, however, to the loss payment provisions in favor of the Board of Managers and the Insurance Trustee hereinafter set forth; (ii) public liability insurance; (iii) water damage legal liability insurance; (iv) rent insurance in an amount equal to the aggregate common charges and expenses payable to the Board of Managers; and (v) such other insurance as the Board of Managers may determine.

All policies of physical damage insurance shall contain waivers of subrogation and waivers of any defense based upon co-insurance or a pro-rata reduction of liability or of invalidity arising from any acts of the insured, and shall provide that such policies may not be cancelled or substantially modified without at least ten (10) days prior written notice to all of the insured, including all mortgagees of units.

Duplicate originals of all policies of physical damage insurance and of all renewals thereof, together with proof of payment of premiums, shall be delivered to all mortgagees of Units at least ten (10) days prior to the expiration of the then current policies. Prior to obtaining any policy of fire insurance or any renewal thereof, the Board of Managers shall obtain an appraisal from a fire insurance company or otherwise of the full replacement value of the Building, including all of the units and all of the common elements therein, without deduction for depreciation, for the purpose of determining the amount of fire insurance to be effected pursuant to this section.

The Board of Managers shall also be required to obtain and maintain, to the extent obtainable, public liability insurance in such limits as the Board of Managers may from time to time determine, covering each member of the Board of Managers, the managing agent, the manager, and each unit owner. Such public liability coverage shall also cover cross liability claims of one insured against another. The Board of Managers shall review such limits once each year.

While the sponsor controls the board of managers, the insurance coverage cannot be less that what is required by Part 20 of Title 13 NYCRR

Unit owners shall not be prohibited from carrying other insurance for their own benefit provided that all such policies shall contain waivers of subrogation and further provided that the liability of the carriers issuing insurance obtained by the Board of Managers shall not be affected or diminished by reason of any additional insurance carried by any unit owner.

Section 3. In event of damage to or destruction of the Building as a result of fire or other casualty (unless such damage or destruction shall give a unit owner or lienor a right of partition as provided by Article 9-B of the Real Property Law of the State of New York), the Board of Managers shall arrange for the prompt repair and restoration of the building (including any damaged units, and any kitchen or bathroom fixtures installed therein on the date of the recording of the Declaration, partitions, flooring and ceilings within the units but not including any wall ceiling, or floor decorations or coverings or other furniture, furnishings fixtures or equipment installed by unit owners in the units), and the Board of Managers shall disburse the proceeds of all insurance policies to the contractors engaged in such repair and restoration in appropriate progress payments. Any cost of such repair and restoration in excess of the insurance proceeds shall constitute a common expense and the Board of Managers may assess all the unit owners for such deficit as part of the common charges.

If, as a result of the damage to or destruction of the Building, by fire or other casualty, the Property becomes subject to an action for partition at the suit of any unit owner or lienor as if owned in common, in accordance with the provisions of Article 9-B of the Real Property Law of the State of New York, the property will not be repaired and the net proceeds of sale, together with the net proceeds of insurance policies (or if there shall have been a repair or restoration pursuant to the first paragraph of this Section 3, and the amount of insurance proceeds shall have exceeded the cost of such repair or restoration, then the excess of such insurance proceeds) shall be divided by the Board of Managers among all the unit owners in proportion to their respective common interests, after first paying out of the share of each unit owner the amount of unpaid liens on his unit, in the order of the priority of such liens.

Section 4. All unit owners shall be obligated to pay the common charges assessed by the Board of Managers pursuant to the provisions of this Article at such time or times as the Board of Managers shall determine.

No unit owner shall be liable for the payment of any part of the common charges assessed against his unit subsequent to a sale, transfer or other conveyance by him (made in accordance with the provisions of Article IX of these By-Laws) of such unit, together with the appurtenant interests.

In addition, any unit owner may, subject to the terms and conditions specified by these By-Laws, provided that his unit is free and clear of liens and encumbrances other than a permissible mortgage and the statutory lien for unpaid common charges, convey his unit, together with the appurtenant interests to the Board of Managers, or its designee, corporate or otherwise, on behalf of all other unit owners, and in such event be exempt from common charges thereafter assessed.

A purchaser of a unit shall be liable for the payment of common charges assessed against such unit prior to the acquisition by him of such unit, except that a mortgagee or other purchaser of a unit at a foreclosure sale of such unit shall not be liable for and such unit shall not be subject to a lien for the payment of common charges assessed prior to the foreclosure sale.

Section 5. The Board of Managers shall assess common charges against the unit owners from time to time and at least annually and shall take prompt action to collect any common charges due from any unit owner which remains unpaid for more than 30 days from the due date for payment thereof.

Section 6. In the event of default by any unit owner in paying to the Board of Managers the common charges as determined by the Board of Managers, such unit owner shall be obligated to pay interest at the legal maximum rate on such common charges from the due date thereof, together with all expenses, including attorney's fees, incurred by the Board of Managers in any proceeding brought to collect such unpaid common charges. The Board of Managers shall have the right and duty to attempt to recover such common charges, together with interest thereon, and the expenses of the proceeding, including attorney's fees, in an action to recover the same brought against such unit owner, or by foreclosure of the lien on such unit granted by section 339-z of the Real Property Law of the State of New York, in the manner provided in Section 339-aa thereof.

The Sponsor will cause the Board of Managers to file a lien as provided in Section 339-aa of the Real Property Law on the Units in which the Sponsor is more than 30 days in arrears of common charges while it is in control of the Board of Managers.

Section 7. In any action brought by the Board of Managers to foreclose a lien on a unit because of unpaid common charges, the unit owner shall be required to pay a reasonable rental for the use of his unit and the plaintiff in such foreclosure action shall be entitled to the appointment of a receiver to collect the same. The Board of Managers, acting on behalf of all unit owners, shall have the power to purchase such unit at the foreclosure sale and to acquire, hold, lease, mortgage, vote the votes appurtenant to (except that such votes shall not be cast by the Board of Managers for the election of any members of the Board of Managers), convey or otherwise deal with the same. A suit to recover a money judgment for unpaid common charges shall be maintained without foreclosing or waiving the lien securing the same.

Section 8. The Board of Managers shall promptly provide any unit owner so requesting the same in writing, with a written statement of all unpaid common charges due from such unit owner.

Section 9. The violation of any rule or regulation adopted by the Board of Managers, or the breach of any By-Laws contained herein, or the breach of any provision of the Declaration, shall give the Board of Managers the right, in addition to any other rights set forth in these By-Laws: (a) to enter the unit in which, or as to which, such violation or breach exists and to summarily abate and remove, at the expense of the defaulting unit owner, any structure, thing or condition that may exist therein contrary to the intent and meaning of the provisions hereof, and the Board of Managers shall not thereby be deemed guilty in any manner of trespass; or (b) to enjoin, abate or remedy by appropriate legal proceedings, either at law or in equity, the continuance of any such breach.

Section 10. All maintenance of and repairs to any unit, structural or non-structural, ordinary or extraordinary, (other than maintenance of and repairs to any common elements contained therein, and not necessitated by the negligence, misuse or neglect of the owner of such unit) shall be made by the owner of such unit. Each unit owner shall be responsible for all damages to any and all other units and/or to the common elements, that his failure to maintain or repair may engender.

All maintenance, repairs and replacements to the common elements, whether located inside or outside of the units, shall be charged directly to the unit owners, except as the Board of Managers shall otherwise determine.

Section 11. All maintenance, repairs and replacements to the air conditioning system, the heating system and the hot water heater servicing a unit shall be made by the unit owner at the unit owner's expense.

Section 12. In order to provide for congenial occupancy of the Property and for the protection of the values of the units, the use of the property shall be restricted to and shall be in accordance with the following provisions:

(a) The Units shall be used by Unit owners (other than the Sponsor) for residences only and in compliance with the occupancy restrictions imposed and as amended from time to time. While the Sponsor or its designee owns a unit, it shall have the right to use such unit for general and sales office purposes and as a sales model. Except upon the prior written consent of the Board of Managers, occupants of a unit must be members of the family of the unit owner or lessee (or if the unit owner is a partnership, a corporation or a trust, members of the family of a partner or of an officer, director, shareholder or employee of the corporation or of the beneficiary of the trust, as the case may be), but not more than one family my occupy a unit at one time. "Members of the family" as used herein shall be deemed to mean spouse, parents, parents-in-law, brothers, sisters, children and grandchildren.

(b) No nuisances shall be allowed on the Property nor shall any use or practice be allowed which unreasonably interferes with the peaceful possession or proper use of the Property by its residents or occupants.

(c) No immoral, improper, offensive, or unlawful use shall be made of the Property or any part thereof, and all valid laws, zoning ordinances and regulations of all governmental bodies having jurisdiction thereof shall be observed. Violations of laws, orders, rules, regulations or requirements of any governmental agency having jurisdiction thereof, relating to any portion of the Property, shall be complied with, by and at the sole expense of the unit owners or the Board of Managers, whichever shall have the obligation to maintain or repair such portion of the property.

(d) No portion of a Unit (other than the entire unit) may be rented, and no transient tenants may be accommodated therein.

(e) Smoking Policy. The condominium has adopted the following smoking policy in compliance with New York City Local Law 147. Smoking is prohibited in all of the common areas of the condominium. The common areas include but are not limited to the cellar area where the utility room is located, the stairways leading to and from the units, the roof area above the third floor and the outdoor front of the building to the property line. The unit owners may smoke in their units or the limited common elements appurtenant to a particular unit such as balconies or the roof area limited common element of units 4A and 4B as long as it does not create a nuisance to the other units. A nuisance shall be defined as infiltration of smoke or smoke odors into the units.

This policy includes electronic cigarettes and other vapor products in addition to the more conventional smoking apparatus.

(f) Rules and regulations concerning the use of the units may be promulgated and amended from time to time by the Board of Managers provided that copies of such rules and regulations are furnished to each unit owner no less than 5 days prior to the time that they become effective.

Section 13. Whenever, in the judgment of the Board of Managers the common elements shall require additions, alterations or improvements costing in excess of $1,000. And the making of such additions, alterations or improvements shall have been approved by 66 2/3% of the unit owners present in person and/or by proxy and voting at a meeting duly held in accordance with these By-Laws, and by the representative or representatives, if any, appointed pursuant to Section 5 of Article VIII hereof by the holders of mortgages constituting first liens upon units, the Board of Managers shall proceed with such additions, alterations or improvements and shall assess all unit owners for the cost thereof as a common charge. Any additions, alterations or improvements costing $1,000 or less may be made by the Board of Managers without approval of the unit owners, or the representative or representatives, if any, of mortgagees of units and the cost thereof shall constitute part of the common expenses.

Section 14. No unit owner shall make any structural addition, alteration or improvement in or to his unit and/or his limited common element (terrace and balconies), without the prior written consent thereto of the Board of Managers. The Board of Managers shall have the obligation to answer any written request by a unit owner for approval of a proposed structural addition, alteration or improvement in such unit owner's unit, within thirty (30) days after such request, and failure to do so within the stipulated time shall constitute a consent by the Board of Managers to the proposed addition, alteration or improvement. Any application to any governmental authority having or asserting jurisdiction for a permit to make an addition, alteration or improvement in or to any unit shall be executed by the Board of Managers only, without, however, incurring any liability on the part of the Board of Managers or any of them to any contractor, subcontractor, material man, architect or engineer on account of such addition, alteration or improvement, or to any person having any claim for injury to person or damage to property arising there from. The provisions of this section 14 shall not apply to a unit owned by the Sponsor or its designee until a deed to such unit has been delivered to a purchaser thereof.

The Board of Managers will execute any application or other document required to be filed with any governmental authority having or asserting jurisdiction in connection with any such installation or structural addition, alteration or improvement made by the Sponsor or its designee to any unit provided, however, that neither the Board of Managers nor the unit owners other than the Sponsor or its designee shall be subjected to any expense or liability by virtue of the execution of the application or such other document.

Section 15. (a) A unit owner shall not place or cause to be placed in the common areas or common facilities, other than the areas designated as storage areas, any furniture, packages or objects of any kind.

(b) The common elements and facilities shall be used only for those purposes for which they are reasonably suited and capable. No unit owner shall make any addition, alteration, improvement or change in or to any common element without the prior written consent of the Board of Managers.

(c) While the Sponsor or its designee owns any unit, it shall have the right to maintain general and sales offices on or about the Property, to have its employees present on the Property, to use the common elements and to do all things necessary and appropriate to sell units, to complete construction of the Building and to comply with its obligations under the Plan of Condominium Ownership, including but without being limited to, the right to erect and maintain signs on the common elements. Sponsor shall be obligated to repair and maintain the portions of the Property used by it for such purposes so long as such use by the Sponsor shall continue.

Section 16. A unit owner shall grant a right of access to his unit to the manager and/or the managing agent and/or any other person authorized by the Board of Managers, the manager of the managing agent, for the purpose of making inspections or for the purpose of correcting any condition originating in his unit and threatening another unit or the common element, or for the purpose of performing installations, alterations or repairs to the mechanical or electrical services or other common elements in his unit or elsewhere in the Building, or to correct any condition which violates the provisions of any mortgage covering another unit, providing that requests for entry are made in advance and that any such entry is at a time reasonably convenient to the unit owner and further provided that such right shall be exercised in such manner as will no unreasonable interfere with the use of the units for residential purposes. In case of an emergency, such right of entry shall be immediate, whether the unit owner is present at the time or not.

Section 17. Rules and regulations concerning the use of the units and the common elements may be promulgated and amended by the Board of Managers. Copies of such rules and regulations shall be furnished by the Board of Managers to each unit owner prior to the time when the same shall become effective. Initial rules and regulations, which shall be effective until amended by the Board of Managers, are annexed hereto and made a part hereof as Schedule A.

Section 18. Electricity shall be supplied by the public utility company serving the area directly to each unit through a separate meter and each unit owner shall be required to pay the bills for electricity consumed or used in his unit directly to the utility company. The cost of electricity for the public spaces outside the units, including but not limited to the hallways and walkways, as measured by one or more building meters, will be borne by the unit owners and will be included in the common charges.

Section 19. The condominium offering plan allows the sponsors and purchasers to rent the units. Therefore, there might be a number of Unit owners who do not occupy their dwelling units. The provisions of Real Property Law Section 339-kk applies in such circumstances.

ARTICLE VIII MORTGAGES

Section 1. A unit owner who mortgages his unit shall notify the Board of Managers of the name and address of his mortgagee and shall file a conformed copy of the note and mortgage with the Board of Managers. The Board of Managers shall maintain such information in a book entitled "Mortgages of Units".

Section 2. The Board of Managers, whenever so requested in writing by a mortgagee of a unit, shall promptly report any unpaid common charges due from, or any other default by, the owner of the mortgaged Unit.

Section 3. The Board of Managers, when giving notice to a unit owner of a default in paying common charges or other default, shall send a copy of such notice to each holder of a mortgage covering such unit whose name and address has theretofore been furnished to the Board of Managers.

Section 4. Each unit owner and each mortgagee of a unit shall be permitted to examine the books of account of the condominium at reasonable times, on business days, but not more than once a month.

Section 5. The holders of mortgages constituting first liens on the units may, at their election, appoint one or more (but not more than three) representatives who shall be empowered to act on behalf of all mortgagees (first or subordinate) with respect to any matter requiring the consent or approval of mortgagees under the Declaration or these By-Laws. If such representative or representatives are appointed and written notice thereof given to the Board of Managers the act of such representative or representatives shall be deemed binding upon the holders of all mortgages which are liens on units. If no such representative shall be appointed or written notice of the appointment shall not be given to the Board of Managers then notwithstanding any other provision of the Declaration of these By-Laws, the consent of mortgagees shall not be required to any act of the Board of Managers or the unit owners.

Section 6. Mortgagees and guarantors of the mortgage on any unit in the condominium project will receive timely written notice of the following:

c. A lapse, cancellation, or material modification of any insurance policy maintained by the condominium association;
d. Any proposed action that requires the consent of a specified percentage of mortgagees.

ARTICLE IX

Sales, Leases and Mortgages of Units

Section 1. (a) No unit owner may sell his unit or any interest therein except by complying with the following provisions:

Any unit owner who receives a bona fide offer (hereinafter called an "Outside Offer") for the sale of his unit together with: (i) the undivided interest in the common elements appurtenant hereto; (ii) the interest of such unit owner in any units theretofore acquired by the Board of Managers, or its designee, on behalf of all unit owners, or the proceeds of the sale or lease thereof, if any; and (iii) the interest of such unit owner in any other assets of the Condominium (hereinafter called the "Appurtenant Interests"), which he intends to accept, shall give notice to the Board of Managers of such offer and of such intention, the name and address of the proposed purchaser, and such other information as the Board of Managers may reasonably require.

Such deed to an Outside Offeror shall provide that the acceptance thereof by the grantee shall constitute an assumption of the provisions of the Declaration, the By-Laws and the Rules and regulations as the same may be amended from time to time.

The Board of Managers does not have a right of first refusal.

(b) No unit owner may lease his unit except by complying with the following provisions:

Any unit owner who receives a bona fide offer for a lease of his unit which he intends to accept shall give notice to the Board of Managers of such offer and of such intention, the name and address of the proposed lessee, references and such other information as the Board of Managers may reasonably require.

Any such lease shall be consistent with theses By-Laws.

The Board of Managers shall have the right to terminate the lease on not less than 30 day's prior written notice upon the foreclosure of the lien granted by Section 339-z of the Real Property Law of the State of New York. Except as hereinbefore set forth, the form of any such lease shall be the then current form of apartment lease recommended by the Real Estate Board of New York, Inc. With such modifications as shall be approved in writing by the Board of Managers.

Any purported lease of a unit in violation of this section shall be voidable at the election of the Board of Managers and if the Board should so elect, the unit owner shall be deemed to have authorized and empowered the Board of Managers to institute legal proceedings to evict the purported tenant in the name of the said unit owner as the purported landlord.

Any purported sale of a unit in violation of this Section shall be voidable at the election of the Board of Managers.

Section 2. No unit owner shall execute any deed, mortgage or other instrument conveying or mortgaging title to his unit without including therein the Appurtenant Interests, it being the intention hereof to prevent any severance of such combined ownership. Any such deed, mortgage, or other instrument purporting to affect one or more of such interest, without including all such interests, shall be deemed and taken to include the interest or interests so omitted, even though the latter shall not be expressly mentioned or described therein. No part of the Appurtenant Interests of any unit may be sold, transferred or otherwise disposed of , except as part of a sale, transfer or other disposition of the unit to which such interests are appurtenant, or as part of a sale, transfer or other disposition of such part of the Appurtenant Interests of all units.

Section 3. Any unit owner shall be free to convey or transfer his unit by gift, or to devise his unit by will, or to pass the same by intestacy, without restriction.

Section 4. In addition to the foregoing, if the builder makes repairs in response to a warranty claim under paragraph a of this subdivision, an action with respect to such claim may be commenced within one year after the last date on which such repairs are performed. The measure of damages shall be the reasonable cost of repair or replacement and property damage to the home proximately caused by the breach of warranty, not to exceed the replacement cost of the home exclusive of the value of the land, unless the court finds that, under the circumstances, the diminution in value of the home caused by the defect is a more equitable measure of damages.

a. A copy of the express terms of the limited warranty shall be provided in writing to the buyer for examination prior to the time of the buyer's execution of the contract or agreement to purchase the home.

b. A copy of the express terms of the limited warranty shall be included in, or annexed to and incorporated in, the contract or agreement.

c. The language of the contract or agreement for sale of the hmoe must conspicuously mention the housing merchant implied warranty and provide that the limited warranty excludes or modifies the implied warranty. Language to exclude all implied warranties is sufficient if it states, for example, that "There are no warranties which extend beyond the face hereof".

ii. Any exception, exclusion or standard that fails to ensure that the home is habitable, by permitting conditions to exist which render the home unsafe, shall be void as contrary to public policy.

f. What the builder and any other warrantor will do when a defect covered by the warranty does arise, and the time within which the builder and any other warrantor will act;

g. The term of the warranty coverage and when such term begins, provided, however, that such term shall be equal to or exceed the warranty periods of a housing merchant implied warranty, as defined in subdivision one of section seven hundred seventy-seven-A of this article;

h. Step-by-step claims procedures required to be undertaken by the owner, if any, including directions for notification of the builder and any other warrantor; an owner shall not be required to submit to binding arbitration or to pay any fee or charge for participation in nonbinding arbitration or any mediation process;

i. Any limitations on or exclusions of consequential or incidential damages, and any limitations on the builder's and other warrantor's total liability, conspicuously expressed on the first page of the warranty. Notwithstanding the foregoing, a limited warranty shall not be construed to permit any limitation on or exclusion of property damage to the home proximately

caused by a breach of the limited warranty, where the court finds that such limitation or exclusion would cause the limited warranty to fail of its essential purpose, except that such property damage may be limited by an express limitation on the builder's or other warrantor's total liability in accordance with the provisions of this paragraph.

5. a. This article shall not be construed to authorize or validate any covenant, promise, agreement or understanding which is void and unenforceable under section 5-322.1 of the general obligations law.

b. This article shall preempt any local law inconsistent with the provisions of this article. This article shall not preempt any builder subject to its provisions from complying with any local law with respect to the regulation of home builders except as expressly provided herein.

c. Nothing in this article shall be construed to repeal, invalidate, supersede or restrict any right, liability or remedy provided by any other statute of the state, except where such construction would, as a matter of law, be unreasonable.

I am a Licensed Engineer in the State of New York; the State in which the property is located.

The sponsor of the Offering Plan to convert the captioned property to condominium ownership retained my Office to prepare a report describing the construction and/or renovation of the property ("the Report"). I visually inspected existing portions of the renovated property on November 29, 2018, and I examined the building plans and specifications that were prepared by my office dated April 18, 2018 and prepared the report dated April 24, 2020 a copy of which is intended to be incorporated into the Offering Plan, so that prospective purchasers may rely on the Report.

I understand that I am responsible for complying with Article 23-A of the General Business Law and the regulations promulgated by the Department of Law in Part 20, insofar as they are applicable to this "Report".

I have prepared the entire Report and the Revised Report and investigated the facts set forth therein and the facts underlying it with due diligence in order to form a basis for this certification. This certification is made for the benefit of all persons to whom this offer is made.

I certify that the Report as revises does:

(i) set forth in narrative form the description and/or physical condition of the entire property as it will exist upon completion of construction, provided that construction is in accordance with the plans and specifications which I examined.

(ii) in my professional opinion, afford potential investors, purchasers and participants an adequate basis upon which to found their judgment concerning the description and/or physical condition of the property as it will exist upon completion of construction, provided that construction is in accordance with the plans and specifications which I examined.

(iii)Not omit any material fact;

(iv)Not contain any untrue statement of material fact;

(v) Not contain any fraud, deception, concealment, or suppression;

(vi)Not contain any promise or representation as to the future which is beyond reasonable expectation or unwarranted by existing circumstances;

(vii) Not contain any statement or representation which is false, where i
   a. Knew the truth;
   b. With reasonable effort could have known the truth;
   c. Made no reasonable effort to ascertain the truth; or
   d. Did not have knowledge concerning the representation or statements made.

I further certify that I am not owned or controlled by, and have no beneficial interest, in the sponsor and that my compensation for preparing the Report as revised is not contingent on the conversion of the property to condominium ownership, or on the profitability or price of the offering. This statement is not intended as a guarantee or warranty of the physical condition of the property.

Very Truly,

Yuk Lam, P.E.
