THIS PLAN CONTAINS SPECIAL RISKS TO THE PURCHASER. SEE PAGE 1.

THIS OFFERING PLAN IS THE SPONSOR'S ENTIRE OFFER TO SELL THESE CONDOMINIUM UNITS. NEW YORK LAW REQUIRES THE SPONSOR TO DISCLOSE ALL MATERIAL INFORMATION IN THIS PLAN AND TO FILE THIS PLAN WITH THE NEW YORK STATE DEPARTMENT OF LAW PRIOR TO SELLING OR OFFERING TO SELL ANY CONDOMINIUM UNIT. FILING WITH THE DEPARTMENT OF LAW DOES NOT MEAN THAT THE DEPARTMENT OR ANY OTHER GOVERNMENTAL AGENCY HAS APPROVED THIS OFFERING.

BECAUSE THE SPONSOR IS RETAINING THE UNCONDITIONAL RIGHT TO RENT RATHER THAN SELL UNITS AFTER THE CONSUMMATION OF THE PLAN, THIS PLAN MAY NOT RESULT IN THE CREATION OF A CONDOMINIUM IN WHICH A MAJORITY OF THE UNITS ARE OWNED BY OWNER-OCCUPANTS OR INVESTORS UNRELATED TO THE SPONSOR. (SEE SPECIAL RISKS SECTION OF THE PLAN.)

PURCHASERS FOR THEIR OWN OCCUPANCY MAY NEVER GAIN CONTROL OF THE BOARD OF MANAGERS UNDER THE TERMS OF THIS PLAN. (SEE SPECIAL RISKS SECTION OF THE PLAN.)

Common Interest: The proportionate interest of each Unit Owner as expressed in a numerical percentage in the Common Elements as determined in accordance with the Declaration. The total of all Common Interests of all Unit Owners equals 100%.

Consummation of the Plan: The filing of the Declaration of the condominium and the first transfer of title to a condominium Unit to at least one purchaser under the Plan following a declaration of effectiveness by the Sponsor.

General Common Elements: All of the Common Elements that are not Limited Common Elements.

Land: The land referred to and more particularly described in the Declaration.

Limited Common Elements: Those Common Elements that serve or benefit a single Unit and the use of which is restricted to said Unit.

Unit: Any space designated as a Unit in the Declaration, consisting of a specific apartment in the Building and an appurtenant undivided fee interest in the Common Elements. All of such units are collectively referred to as “**Units.**”

Unit Owner: Any owner of any Unit. All of such owners are collectively referred to as the “**Unit Owners.**”

SPECIAL RISKS

The following is a summary of certain special risk considerations in connection with the Plan but is not intended to summarize all major features of the Plan. Prospective purchasers are urged to read the following special risk factors in conjunction with the Plan for a discussion of these and other important aspects of this condominium offering.

1) There are numerous time constraints imposed in the Purchase Agreement set forth in Part II of this Offering Plan. **TIME IS OF THE ESSENCE** as to all such time constraints. This means that if the Purchaser fails to perform within the applicable time frame, s/he may waive substantive rights, or incur a forfeiture of substantial sums of money. Thus, a purchaser who fails to cure a default within thirty (30) days after receipt of written notice of said default will both have the Purchase Agreement canceled and lose his/her contract deposit. Similarly, a purchaser who fails to notify the Sponsor in the event s/he has failed to obtain mortgage financing within forty (40) days after receipt of a fully executed Purchase Agreement will be required to proceed to closing notwithstanding the fact that purchaser has failed to obtain mortgage financing; if such purchaser fails to proceed to closing, the down payment may be retained by the Sponsor. Please see the sections of this Plan entitled **PROCEDURE TO PURCHASE** and **CLOSING COSTS AND ADJUSTMENTS** in Part I, and the **PURCHASE AGREEMENT** set forth in Part II. Purchasers are advised to consult with their attorneys concerning all terms of this offering.

2) **The projected real estate taxes for the first year of operation contained in Schedule A are based on an assessment of the building before construction is complete. Purchasers are advised that real estate taxes may increase materially when the building is reassessed after construction is complete. See FOOTNOTE 6 TO SCHEDULE A for more information regarding the projected assessed valuation after completion of construction.**

3) In general, sellers of real property have a statutory obligation to pay the New York City real property transfer tax and New York State documentary stamp taxes. However, the terms of this Offering Plan transfer the statutory obligation to pay New York City Real Property transfer taxes (1.425% of purchase price for residential units), and New York State Documentary Stamp Taxes (\$4.00 per thousand) to the Purchaser; therefore, the costs of such taxes represent an additional closing cost to the Purchaser, as well as an additional item of consideration on which transfer taxes must be paid, which will result in a "tax on a tax" effect or "grossed up" sale price. At closing, each purchaser will pay to the Sponsor a reimbursement fee of \$2,500.00 for the cost of preparing and filing the

condominium offering plan. Purchasers of a unit shall pay to the Sponsor's attorney at closing a fee of \$4,000.00 for the preparation of closing documents, plus \$150 for the preparation of ACRIS documents and \$150 to fill out and forward each appraisal and lender questionnaire after the first. In addition, under no circumstances will Sponsor be required to close at any place other than a location designated by Sponsor's attorney. In the event that the Purchaser requests for a closing to take place outside the location designated by the Sponsor's attorney, and the Sponsor consents to the location change, the purchaser will be required to pay a location change fee of \$500.00 for closings in Kings or New York counties or \$1,000 for closings in any other location. If a purchaser fails to close on the date set for first closing, or adjourns a scheduled closing date on less than three (3) days notice, there shall be a late closing adjournment fee of \$250.00 added to the above. The above closing fees are cumulative to the extent applicable to an individual closing. Please see the section of the Offering Plan entitled CLOSING COSTS AND ADJUSTMENTS.

4) Transfer of control of the Condominium Board of Managers shall pass to unit owners other than the Sponsor at the earlier of: 1) thirty (30) days after the date by which 75% of the residential units have been conveyed to unit purchasers, or 2) three (3) years after the first conveyance of a unit to a unit purchaser. Sponsor will not hold control of the condominium board after the sponsor control period and therefore may not appoint more than one board member after the control period. Notwithstanding the foregoing, Sponsor may vote for unit owners of its choice. Prior to that time, the Condominium will be controlled by a Board of Managers elected by the Sponsor. There are certain limitations on actions that can be taken by the Board of Managers while the Sponsor remains in control of the Board of Managers. Such limitations are set forth in the CONTROL BY THE SPONSOR of this Offering Plan.

Until the earlier of five (5) years from the date of closing, or at the time at which the Sponsor or other Holder of Unsold Units owns units consisting of less than 25% of the common interest of the Condominium, Sponsor may exercise veto power over any expenses other than those expenses described in Schedule B or expenses required to comply with applicable laws or regulations, to remedy any notice of violation, or for any repair or replacement necessary for the preservation or safety of the Building or for the safety of occupants of the Building or to remedy any work order by an insurer. Additionally, so long as the Sponsor retains ownership of at least one unit in the building, the By-Laws, Declaration, and Rules and Regulations of the Condominium may not be amended or modified in any way so as to adversely affect the Sponsor without written consent by the Sponsor.

Please see the section of the Offering Plan entitled CONTROL BY THE SPONSOR for a more complete explanation.

5) The Sponsor is liable for all common charges, special assessments, and real estate taxes with respect to unsold units, and represents that Sponsor has financial resources to meet these obligations. However, no bond, escrow deposit, or other security has been furnished to secure the Sponsor's obligations. Please see the section of the Offering Plan entitled RIGHTS AND OBLIGATIONS OF THE SPONSOR for a more detailed explanation.

6) Pursuant to existing law and regulation, the Sponsor may declare the plan effective by selling a minimum of fifteen (15%) percent of the residential units in the building. In the case of this building, 3 residential units would satisfy the fifteen (15%) percent minimum. If the Plan is declared effective with a minimum number of sales, it is possible that Sponsor may be able to create a Condominium even though there is no guarantee that all of the purchasers counted towards effectiveness will ultimately purchase their units. The Plan would have to be re-declared effective in the event that purchasers counted towards effectiveness failed to close their sales. Please see the EFFECTIVE DATE section of this Offering Plan.

7) Purchasers should note that in the current real estate market, banks and other lenders are imposing various restrictions on purchase financing. Such restrictions include requiring that a certain percentage of apartments in a building or group of buildings be sold before a lender will consider making a loan. Thus, it may be possible for a Purchaser to experience difficulty obtaining a loan in a building or group of buildings where the Sponsor or holder of unsold shares has not sold a substantial percentage of the apartments in a building or group of buildings, which in some cases may be as high as 70%. Moreover, some lenders will not provide financing in a building or group of buildings where an investor other than the original Sponsor has an ownership interest of 10% or more. It also may be difficult for a purchaser to resell an apartment if prospective buyers are unable to obtain a loan due to the same minimum sales and investor ownership restrictions.

Even after a building undergoes conversion, lenders may still impose minimum sales requirements before granting a loan. It then may be difficult for a Purchaser to resell an apartment if prospective buyers are unable to obtain a loan due to such minimum sales requirements. Please see the PROCEDURE TO PURCHASE section of this Offering Plan.

8) The Sponsor is not limiting the conditions under which it will rent rather than sell units after consummation of the Offering Plan. There is no commitment to sell more than

three (3) residential units in this Condominium, which is the fifteen (15%) percent minimum necessary to declare the plan effective. Owner-Occupants, therefore, may never gain effective control and management of the condominium. Please see the INTRODUCTION, RIGHTS AND OBLIGATIONS OF THE SPONSOR, CONTROL BY SPONSOR, and BOARD OF MANAGERS sections of this Offering Plan for a more complete explanation.

9) The By-Laws do not include a provision that, after the initial Sponsor control period, a majority of the Board of Managers must be Owner-Occupants or members of an Owner-Occupant's household who are unrelated to the Sponsor and its Principals. Owner-Occupants and non-resident owners, including the Sponsor, may have inherent conflicts on how the Condominium should be managed because of their different reasons for purchasing, i.e., purchase as a home, as opposed to purchase as an investment. Please see the INTRODUCTION, RIGHTS AND OBLIGATIONS OF THE SPONSOR, CONTROL BY SPONSOR, and BOARD OF MANAGERS sections of this Offering Plan for a more complete explanation.

10) Upon closing of the first unit, the Board of Managers will enter into a management agreement with the Sponsor to manage the condominium for the first year of operation for the management fee included in SCHEDULE B. While the Sponsor is in control of the Board of Managers, the condominium shall not have the right to terminate the agreement. Should the Board of Managers after the first year of operation elect to employ the services of a managing agent, this will likely result in an additional cost of approximately 6-10% of the annual operating budget, which would require a concomitant increase in the common charges. Please see FOOTNOTE 9 to SCHEDULE B for a more complete explanation, including a listing of some of the tasks performed by a managing agent.

11) All funds received by the Sponsor for upgrades or extras must initially be placed in the escrow account set forth herein. However, the Purchaser should note that such funds may be released from the escrow account by the escrow agent as long as the Sponsor uses the funds for such upgrades or extras. As a result, in the event the Purchaser is entitled to a rescission, the Purchaser will not receive a refund of any funds used for upgrades or extras unless the plan is not consummated. A Purchaser will receive a refund of funds used for upgrades if the Plan is abandoned. Please see the PROCEDURE TO PURCHASE Section of this Offering Plan.

12) The cost of providing heat and hot water for individual units is not included in the monthly Common Charges. Thus, the cost of heat and hot water represents a cost in addition to the monthly Common Charges. Please see FOOTNOTES TO SCHEDULE B and SCHEDULE B1.

13) All down payments will be placed in an IOLA account. IOLA stands for “interest on lawyer accounts,” and is a special type of account maintained by an attorney for the purpose of holding escrow funds. The escrow account is federally insured by the FDIC at the maximum amount of \$250,000. To the extent that the total contract deposits exceed \$250,000, they will not be federally insured. If purchasers have accounts at the same bank as Sponsor’s account that holds escrowed funds, purchaser funds at the escrow bank factor into the \$250,000 insurance limit. Interest earned on IOLA accounts is paid over to the state of New York. No interest is credited to either the purchaser or the seller. Please see the PROCEDURE TO PURCHASE section of this Offering Plan.

14) Units 2A, 3A, and 4A will each have two balcony areas totaling approximately 226 sf allocated as limited common elements. Units 2B, 3B, and 4B will each have two balcony areas totaling approximately 223 sf allocated as limited common elements. Units 2C, 3C, and 4C will each have two balcony areas totaling approximately 219 sf allocated as limited common elements. Units 2D, 3D, and 4D will each have two balcony areas totaling approximately 212 sf allocated as limited common elements. Units 2E, 3E, and 4E will each have two balcony areas totaling approximately 235 sf allocated as limited common elements. Unit 5A will have an approximately 493 sf balcony and an approximately 918 sf roof terrace allocated as limited common elements. Unit 5B will have two balconies and two roof terraces totaling approximately 1,673 sf allocated as limited common elements. Unit 5C will have a balcony and a roof terrace totaling approximately 802 sf allocated as limited common elements. No structures of any kind may be built in or on these limited common elements except for temporary structures such as sukkots. Additionally, the limited common element spaces are not habitable and may not be used for sleeping or dining. The right to use and occupancy is subject to the right of the Condominium to enter into said areas for the purpose of inspection and/or building repairs, provided that the Condominium provides the owners reasonable notice of access. Please see the DESCRIPTION OF PROPERTY AND IMPROVEMENTS included in Part I of this Offering Plan and the DESCRIPTION OF PROPERTY AND BUILDING CONDITION included in Part II of this Offering Plan for a more complete explanation.

15) At each unit closing the Sponsor will transfer maintenance manuals and warranties for said unit, as applicable, to the Purchaser. At the meeting of the Board of Managers to be convened within thirty (30) days after the closing of the first unit the Sponsor will transfer construction documents, including “as-built” materials, maintenance manuals, and warranties, as applicable, to the Condominium. Please see the CONTROL BY THE SPONSOR section in Part I and the ARCHITECT’S REPORT located in Part II of this Offering Plan.

16) The obligations of a purchaser under a purchase agreement are conditioned on the Purchaser obtaining financing. The Sponsor does not require a Purchaser to apply for financing with any preferred lender. If a Purchaser intends to obtain mortgage financing, such Purchaser shall apply for said loan within five (5) days after receipt of a fully executed copy of the PURCHASE AGREEMENT, and shall have forty (40) days from receipt of a fully executed copy of said PURCHASE AGREEMENT to obtain said mortgage commitment. Purchaser agrees to accept any commitment offered by the lending institution applied to, provided that the loan offered by the lending institution is for at least the amount of the loan contemplated in the PURCHASE AGREEMENT. Purchaser is responsible for paying all costs and fees associated with the mortgage. In the event Purchaser obtains a firm written commitment for financing and the terms of such commitment are changed prior to closing, such change in terms shall not be an allowable reason for Purchaser to cancel the contract. Similarly, if the commitment expires prior to closing, Purchaser shall be under a good faith duty to take all required actions necessary to extend such commitment, including the payment of any extension fee required by the lending institution; however, in the event Purchaser has made such good faith effort to extend the commitment on the same terms and is unable to do so, then, provided that Purchaser notifies Sponsor within 10 days after receipt of a notice from a lending institution that it will not under any circumstances extend the commitment, and that Purchaser is exercising his right to rescind the contract, then Sponsor will return the contract deposit. Under New York law, when a mortgage commitment is not fulfilled through no fault of a purchaser, performance is excused. Therefore, if the purchaser acts in good faith and the lender revokes the loan commitment after the contingency period expires, performance is excused, and the Sponsor must grant to such purchaser a right of rescission and a reasonable period of time to exercise such right. Please see PROCEDURE TO PURCHASE in Part I, and PURCHASE AGREEMENT located in Part II of this Offering Plan.

17) In the event a child under eleven (11) years old resides in a unit or visits a unit for an extended period of time, the owner of that unit will be required, at his/her own cost and expense, to install child safety window guards on all windows in conformity with applicable New York City Administrative Code sections, and shall not remove them until permitted by applicable law. Failure to do so may create great risk to the life and health of such child, and result in the imposition of a violation against the building, which would be the responsibility of the unit owner to cure. Please see the RIGHTS AND OBLIGATIONS OF UNIT OWNERS AND BOARD OF MANAGERS section located in Part I and also the ARCHITECT'S REPORT in Part II for a more complete explanation.

18) The Sponsor will install in each B, C, and D residential unit located on floors 2 through 4 an induction cooktop, Bosch 30" BNIT5068UC or equivalent, a wall oven, Bosch 30" BHBL5451UC or equivalent, a downdraft 30" cooktop exhaust fan, GE model UVB30KS or equivalent, a dishwasher, 24" Bosch SHVM78Z53N or equivalent, a refrigerator, Bosch 30" Panel Ready B30IB900SP or equivalent, a clothes washer, 24" Bosch BWAT28400UC or equivalent, and a clothes dryer, 24" Bosch BWTG86400UC or equivalent. The Sponsor will install in each A and E residential unit located on floors 2 through 4 an induction cooktop, Bosch 36" BNIT5668UC or equivalent, a wall oven, Bosch 30" BHBL5451UC or equivalent, a downdraft 36" cooktop exhaust fan, GE model UVB36KS or equivalent, a dishwasher, 24" Bosch SHVM78Z53N or equivalent, a refrigerator, Bosch 36" Panel Ready B36IT900NP or equivalent, a clothes washer, 24" Bosch BWAT28400UC or equivalent, and a clothes dryer, 24" Bosch BWTG86400UC or equivalent. The Sponsor will install in each residential unit on the 5th floor an induction cooktop, Bosch 36" BNIT5668UC or equivalent, a wall oven, 30" BHBL5451UC or equivalent, a downdraft 36" cooktop exhaust fan, GE model UVB36KS or equivalent, a dishwasher, 24" Bosch SHVM78Z53N or equivalent, a refrigerator, 36" Panel Ready B36IT900NP or equivalent, a clothes washer, 24" Bosch BWAT28400UC or equivalent, a clothes dryer, 24" Bosch BWTG86400UC or equivalent, and a wine cellar, 24" XO SP-XXOU24WDZGSR or equivalent. All other appliances will be the responsibility of the unit Purchaser and will represent an additional cost of purchasing the unit. Please see the ARCHITECT'S REPORT included in Part II of this Offering Plan.

19) Improper use of the roof may void any roof warranty provided in the ARCHITECT'S REPORT located in Part II of this Offering Plan. No permanent structures may be built on the roof without a permit from the Building Department and the permission of the Board of Managers. The Board of Managers will have access for inspection and repair and may regulate any one or more of the following aspects of construction:

1. Time periods during which work is permitted;
2. The manner in which construction degree will be handled;
3. Measures which must be taken to prevent compromising the security of the building during construction;
4. Interruption of services during construction;
5. Liability insurance for contractors during construction.

The building Certificate of Occupancy and applicable zoning rules will not presently allow the construction of anything on the roof. Any damage occurring to the roof shall be the sole responsibility of the Condominium and/or any such Unit Owner causing such damage, and will need to be repaired at the Condominium or such Unit Owner's sole cost and expense as determined by the Condominium Board of Managers. Please see

SCHEDULE A, RIGHTS AND OBLIGATIONS OF UNIT OWNERS AND BOARD OF MANAGERS, and DESCRIPTION OF PROPERTY AND BUILDING CONDITION included in this Offering Plan.

20) Risk of loss from fire or other casualty remains with the Sponsor until title has passed unless and until the purchaser is given the right of possession of that unit pursuant to a written agreement with the Sponsor. The Sponsor will restore the damaged unit to conditions represented in the Offering Plan before a purchaser will be obligated to close the sale of the unit. The Sponsor will notify a purchaser whether or not it (the Sponsor) will repair any damage resulting from a casualty prior to the closing of a unit within 15 days of said casualty. If Sponsor decides to restore the unit, the Sponsor shall have 15 days in which to restore the unit or such longer time as is required to accommodate the delivery of materials that must be ordered to complete any such repairs, so long as such longer time is reasonable. If the Sponsor decides not to restore the unit, the purchaser in such case would have the right to rescind. An interim lessee assumes the risk of loss to his/her personal property that is not covered by the condominium's insurance, and, unless the casualty resulted from the act of the Sponsor or those acting under the Sponsor, the interim lessee would be obligated to close the sale of the unit despite such damage to the personal property. A person who is in possession who is not an owner cannot insure the unit since he or she has no ownership interest, and the unit cannot be doubly insured. It would be acceptable to state that a person who takes possession prior to closing assumes the risk of losses not covered by insurance. Purchasers and interim lessees are advised to confer with an insurance adviser regarding obtaining property and liability insurance. Please see the PROCEDURE TO PURCHASE section of the Offering Plan.

21) The Sponsor anticipates that the first closing of a unit will occur by January 1, 2022. Purchasers will be offered a right of rescission if: (i) the actual date of closing of title to the first unit; or (ii) the projected date of closing of title to the first unit occurs later than December 31, 2022, twelve months after the projected date for the first closing. If the Plan is amended to provide for a later projected date for the first closing, purchasers will be entitled to an offer of rescission if the first closing occurs more than 12 months beyond that amended, later date.

However, if the first unit closing occurs by January 1, 2022, the Sponsor may schedule the closings of title to other units significantly later than such date. Unless your Purchase Agreement contains an outside closing date, the Sponsor is not obligated to schedule your closing within any specified time frame or to ensure that closing of title to your Unit will occur by any date certain. PROSPECTIVE PURCHASERS SHOULD THEREFORE CAREFULLY CONSIDER SUCH RISKS IN THEIR DETERMINATION AS TO WHETHER TO PURCHASE A UNIT. In the event, however, that Sponsor cannot convey

title to the unit on or before twelve (12) months from the date of the Purchase Agreement, affected purchasers will be offered a right of rescission. Purchasers will have at least fifteen (15) days from presentation of an offer of rescission within which to elect to rescind. Please see the PROCEDURE TO PURCHASE section of this Offering Plan.

22) Purchasers are advised that in New York City, newly constructed and newly renovated buildings are sometimes offered as condominium projects without a final certificate of occupancy ("FCO") covering the entire building, but with only a temporary certificate of occupancy ("TCO"), and sometimes with several successive temporary certificates of occupancy. Certificates of occupancy are generally governed by section 301 of the New York Multiple Dwelling Law and local building codes and rules. Both TCOs and FCOs are issued by the New York City Department of Buildings ("DOB"). A TCO is intended to indicate that the "property conforms substantially to the DOB approved plans and specifications, and to the requirements of all applicable laws, rules, and regulations for the uses and occupancies specified in the TCO. No change of use or occupancy shall be made unless a new certificate of occupancy is issued." All TCOs have an expiration date. A TCO typically expires 90 days after the date of issuance. When a TCO expires and is not renewed, it may be difficult or impossible to buy insurance, refinance, or sell units. In New York City, it is common for sponsors to commence unit closings when some or all units are covered by a TCO rather than a FCO. Sponsor anticipates this scenario may occur. Sponsor and its principals will undertake the responsibility for extending each TCO received prior to expiration thereof and ultimately for obtaining a FCO covering the entire building within two years from the date of issuance of the first TCO. However, Sponsor and its principals make no representation or guarantee that DOB will issue the FCO within such two year period. NOTWITHSTANDING THE FOREGOING, SPONSOR AND ITS PRINCIPALS ARE OBLIGATED TO PROCURE THE FINAL CERTIFICATE OF OCCUPANCY FOR THE ENTIRE BUILDING, AND SHALL EXERCISE BEST EFFORTS TO OBTAIN THE FCO WITHIN SUCH TWO YEAR PERIOD WHILE KEEPING THE TCO CURRENT. Unit owners and the board of managers shall be obligated to cooperate with and refrain from obstructing sponsor in these undertakings.

Furthermore, because sponsor and the By-laws of the Condominium may permit unit owners to undertake renovations to individual units prior to the procurement of a FCO, such renovations may cause additional delays in the issuance thereof. Notwithstanding the foregoing, Sponsor and its principals are obligated to procure the FCO. Please see the RIGHTS AND OBLIGATIONS OF THE SPONSOR section of this Offering Plan. For more information on certificates of occupancy, please visit the DOB website at <https://www1.nyc.gov/site/buildings/homeowner/certificate-of-occupancy.page>.

23) Each Unit Owner shall be required to pay the Common Charges and Expenses levied by the Board of Managers. All Unit Owners, mortgagees, lessees, and occupants of Units and their employees, and any other persons who may use the facilities of the Property in any manner, are subject to the By-Laws, the Declaration, and the Rules and Regulations. A copy of the Declaration and By-Laws appear in Part II of this Plan. The violation of any of the Rules and Regulations or the breach of any By-Laws or provision of the Declaration shall give the Board of Managers, in addition to other rights set forth in specific provisions of the By-Laws, the right to: (i) enter any Unit in which, or as to which, such violations or breach exists and to abate and/or remove same summarily, at the expense of the defaulting Unit Owner. The Board of Managers shall not thereby be deemed guilty or liable for trespass nor be liable for any damage to the Unit, nuisances or fixtures incurred in connection with such rights unless such damage is caused by negligence on the part of the Board of Managers; or (ii) enjoin, abate, or remedy by appropriate legal proceedings, the continuance of any such violation or breach. Sponsor and Board of Managers will comply with all applicable laws when exercising said rights. The costs incurred by the Board by virtue of the exercise of its rights to correct such breaches or violations, including attorney's fees, shall be due upon demand from the Unit Owner in question if the Board is the prevailing party in the dispute, and shall constitute a Common Expense against his/her Unit. Please see the BYLAWS located in Part II of this Offering Plan.

24) Parking Unit P9 has been designated as a handicapped parking unit and will be the last parking unit sold if not previously sold to a purchaser who themselves or a member of their family has a vehicle with handicapped plates. The purchase of Parking Unit P9 and any subsequent sales or transfers of it are subject to the following covenants and restrictions in the deed:

In the event the present or future owner of a unit in the condominium, or a member of his or her family residing in the unit, becomes handicapped and acquires handicapped plates for his or her vehicle, and said unit owner is the owner of the parking unit, said unit owner has the right to demand that the owner of the Parking Unit P9 trade the handicapped parking unit he/she owns with said handicapped owner.

In the event the present or future owner of a unit in the condominium, or a member of his or her family residing in the unit, becomes handicapped and said unit owner does not own a parking unit, said unit owner has the right to demand that the owner of Parking Unit P9 sell it at its then current, fair market value to said handicapped owner. All costs and expenses entailed in the transfer of title to the parking units, including, without limitation, title abstracts, title insurance, transfer taxes, and recording fees and reasonable attorney fees shall be borne by the party requesting the transfer.

The owner of Parking Unit P9 must comply with the aforementioned demand upon thirty (30) days written notice.

If the parties cannot agree on the fair market value of Parking Unit P9 then the parties agree to submit the matter to binding arbitration in accordance with Article IX of the By-Laws of the Condominium. Please see DESCRIPTION OF PROPERTY AND IMPROVEMENTS located in Part I and the BYLAWS located in Part II of this Offering Plan.

25) Sponsor is not creating a fund on closing to be used as a reserve for capital expenditures. However, the budget for the first year of condominium operation in SCHEDULE B includes a budgeted yearly Capital Reserve Fund for repair and replacement of major systems or structural elements of the building. This budgeted item will start the gradual creation of a reserve fund. Unit owners will therefore be contributing to the yearly Capital Reserve Fund through their common charges, beginning with common charge adjustments paid at the closings of their individual condominium units. (Unit owners will also, at closing, pay their contributions to the building's Working Capital Fund.) In the event a need arises within five (5) years following the first closing under the Plan for capital expenditures such as renewal or replacement of building components or systems, or to remedy major building defects, and the reserve fund is inadequate to pay for those expenditures, it will be necessary to raise needed capital either by assessing individual units or owners for the cost of such expenditures. See the RESERVE FUND section of this Offering Plan.

26) At closing of title to each unit, the unit owner for such unit will contribute to the working capital fund of the Condominium an amount equal to two months' Common Charges (see CLOSING COSTS AND ADJUSTMENTS). No representation is made that the Working Capital Fund will be adequate to cover current or future expenses. If additional funds are required over and above the Working Capital Fund, it may be necessary to increase Common Charges or separately assess all Unit Owners. Neither the Department of Law nor any other government agency has passed upon the adequacy of the Working Capital Fund. See the WORKING CAPITAL FUND section of this Offering Plan.

27) New York City Local Law 147 went into effect on August 28, 2018 and requires buildings with three or more residential units to adopt written smoking policies. For condominiums such as the subject premises, the Board of Managers must adopt such a policy; the policy for this condominium is as follows: Pursuant to Local Law 147, the subject premises' smoking policy is consistent with the Smoke Free Air Act ("SFAA"),

which is the current law governing smoking in class A multiple dwellings. This building prohibits smoking or using electronic cigarettes in common indoor areas of the building. Smoking and electronic cigarette usage is permitted in private apartments, outdoor common areas, and outdoor limited common elements. Please see the RIGHTS AND OBLIGATIONS OF UNIT OWNERS section of this Offering Plan.

28) The unit owner is responsible for keeping safety warning devices (i.e., smoke detector and carbon monoxide detector) operational. The Sponsor will comply with the applicable requirements of the gas leak notice law, in accordance with the relevant provisions of the NYC Administrative Code and Rules and Regulations of the City of New York. Please see the DESCRIPTION OF PROPERTY AND IMPROVEMENTS and the RIGHTS AND OBLIGATIONS OF UNIT OWNERS sections located in Part I of this Offering Plan and the ARCHITECT'S REPORT located in Part II of the Offering Plan.

29) Principals of Sponsor have executed the Certification of Sponsor and Principals set forth in Part II of the Plan solely for Martin Act purposes. Consistent with a First Department decision in Board of Managers of 184 Thompson Street Condominium v. 184 Thompson Street Owner LLC, *et.al.*, 2013 N.Y. Slip Op 03574 (1st Dept. May 16, 2013), the Principals of Sponsor expressly disclaim the existence of any private right of action for contract claims by individual unit owners (or a board on their behalf) in connection with or arising solely from their execution of the Certification of Sponsor and Principals, absent liability under another statute or under an alter-ego or other veil-piercing theory. Please see CERTIFICATION OF SPONSOR AND PRINCIPALS located in Part II of this offering plan.

30) On November 8, 2019, the Financial Crimes Enforcement Network ("FinCEN") announced the issuance of a revised Geographic Targeting Order ("GTO"). This revised GTO requires U.S. title insurance companies to identify and report to FinCEN the natural persons behind companies making certain "all-cash" purchases of residential real property if the transaction meets the following criteria:

1. Residential real property is purchased by a domestic or foreign business entity, including but not limited to a corporation, limited liability company, or partnership.
2. The residential real property is located in the Borough of Brooklyn, Queens, Bronx, Staten Island, or Manhattan
3. The purchase price exceeds \$300,000.00.
4. Such purchase is made without a bank loan or other similar form of financing.

5. Such purchase is made, at least in part, using currency or a cashier's check, a certified check, a traveler's check, a personal check, a business check, a money order in any form, a funds transfer, or virtual currency.

The subject premises are located within the GTO described above. All-cash purchasers closing after November 12, 2019 and ending May 9, 2020 will be subject to the reporting requirements of this GTO. Purchasers are advised to confer with their own counsel regarding the effects of the GTO on their real estate purchases. Please see CLOSING COSTS & ADJUSTMENTS section of this offering plan.

31) On March 31, 2019, New York State announced additions to the base real estate transfer tax ("transfer tax") and established a new supplemental tax ("supplemental tax") on certain conveyances of real property within New York State occurring after July 1, 2019. These amended tax rates apply only to conveyances of real property in cities with a population of 1 million or more (which includes only New York City as of this date). The additional transfer tax applies only to conveyances of residential real property when the consideration for the conveyance is \$3 million or more, and conveyances of any other property when the consideration for the conveyance is \$2 million or more. The new supplemental tax applies only to conveyances of residential real property when the consideration for the conveyance is \$2 million or more. Purchasers shall be responsible for paying the base transfer tax and supplemental tax. The purchaser's payment of the base transfer tax will itself be deemed additional consideration, resulting in a "tax on a tax" effect. Purchasers are advised to consult with their own counsel concerning transfer taxes and other closing costs. Please see CLOSING COSTS AND ADJUSTMENTS section of the Offering Plan for a more complete explanation.

32) The subject premises contain nine (9) parking units, each of which will have their own tax lot and will be offered for sale to unit owners on a first come, first served basis in connection with the purchase of a unit. Unit owners are not guaranteed any parking at the condominium unless they purchase a parking unit. Please see ARCHITECT'S REPORT and FLOOR PLANS located in Part II of this Offering Plan.

The New York State Multiple Dwelling Law, Section 60, "Motor vehicle storage," applies to the parking units in this offering. Such space or structure shall be used solely for the storage of passenger motor vehicles of the occupants of the multiple dwelling or of multiple dwellings under common ownership, except that, in the event such space or structure or part thereof is not used by such occupants, it may be rented by the owner or owners of such dwelling or dwellings to persons other than the occupants thereof. The space which has thus been rented shall be made available to an occupant within thirty days after written request therefor.

33) Any matter required or permitted to be determined by arbitration pursuant to the terms of the Condominium Documents shall be submitted for resolution by a single arbitrator in a proceeding held in New York City, New York, in accordance with the then existing rules of the American Arbitration Association or any successor organization thereto. Please see Article IX of the BY-LAWS located in Part II of this Offering Plan. The single arbitrator will be an independent third party unrelated to either party in the dispute. The Condominium By-Laws do not provide for a waiver of jury trial.

34) The square footage in SCHEDULE A is calculated by the standard mathematical formula of multiplying the length of an area by the width of an area and adding together for each apartment all of the areas contained therein. The dimensions indicated are approximate and are calculated as follows: horizontally from the exterior side of the exterior walls (perimeter concrete columns and perimeter mechanical pipes are not deducted) to the midpoint of the interior walls and partitions separating one unit from another unit, or the exterior side of the interior walls and partitions separating a unit from public corridors, stairs, elevators, and other mechanical equipment spaces or any common elements or limited common elements. As is customary in New York City, these square foot areas exceed the usable floor area of each unit. The square footage reflected in SCHEDULE A is based upon measurements from exterior surfaces of exterior walls, and the actual area comprising the unit is significantly less than the area listed in SCHEDULE A. The measurement for any unit does not exclude for the purpose of computing the size of any unit any common elements located within the unit. However, any common elements included within any unit shall not be considered part of that unit. The estimated square footage of each unit is based on the FLOOR PLANS and ARCHITECT'S DESCRIPTION OF PROPERTY set forth in Part II of this Offering Plan, and may vary within reasonable tolerances from the "as-built" square footage as subsequently described in the condominium Declaration.

35) Sponsor has obtained construction financing from Bank Hapoalim B.M., having an office at 1120 Avenue of the Americas, New York, New York 10036 (the "Mortgage Lender"). The Mortgage Lender has agreed to subordinate its liens to the Declaration. At least fifteen percent (15%) of the Units must be under Contract to bona fide Purchasers counting toward effectiveness before the Mortgage Lender will subordinate its lien. In addition, the Unit and each subsequent Unit being conveyed and its appurtenant Common Interest will be released therefrom by partial release upon payment of the relevant payment as provided in the loan documents. There is a minimum release price set by the Mortgage Lender for the Mortgage Lender to release its lien from the Unit being sold. The Mortgage Lender has set no limits or requirements for Sponsor to sell rather than rent Units. See the INTRODUCTION and RIGHTS AND OBLIGATIONS OF THE

SPONSOR sections in Part I of the Plan.

36) Sponsor anticipates that all building common facilities as described in the ARCHITECT'S REPORT and all construction of the building will be fully completed and operational as of the date of commencement of condominium operation. The projected real estate taxes for each unit as listed in SCHEDULE A of this Offering Plan are based on post-completion assessments.

37) A decrease in a unit's area of 5% or less will not affect a purchaser's obligations unless such decrease is determined to be a material change. There is a rebuttable presumption that square footage that is diminished by 5% or less is not material. No change of any type set forth in this paragraph shall be made except by amendment duly filed with the New York State Department of Law. Please see the CHANGES IN UNIT PRICES section set forth in Part I of this Offering Plan.

38) There are 19 lot line windows located at the subject premises. The area of lot line windows does not exceed 10% of the area of the façade of the story at which they are located and are in compliance with the NYC Building Code for the maximum opening along zero lot lines. Each of the lot line windows are protected by a dedicated fire sprinkler. Lot line windows occur in units 2A (3 total), 2E (1 total), 3A (3 total), 3E (1 total), 4A (3 total), 4E (3 total), 5A (1 total), and 5C (4 total). These lot line windows are not necessary for legal light and air. Purchasers should note that lot line windows may have to be sealed if a building or structure is built on the property neighboring the lot line windows and such building or structure blocks the lot line windows. If the lot line windows are blocked, the Board of Managers will seal the lot line windows and the costs thereof shall be a common expense, which will be assessed against the unit owners in addition to their common charges. Additionally, any repairs (and the costs thereof) to the inside surface of the walls of the Units where the windows were located shall be the responsibility of each unit owner affected. Please see ARCHITECT'S REPORT and FLOOR PLANS located in Part II of this Offering Plan.

39) After re-zoning the property will have approximately 9,808 square feet of unused air rights (the "Air Rights"). The Sponsor is reserving the right to transfer these Air Rights to other buildings at a future date to an adjacent property or within the district (should zoning permit this). These Air Rights will not be used to expand the building that is the subject of this Offering Plan, which cannot be expanded. The maximum amount of square footage that could be added to an adjacent property pursuant to these Air Rights is 9,808 square feet. Adjacent properties can only be built to the maximum height defined by zoning. The transfer of the Air Rights will not change the maximum height allowable by zoning. Additional space or stories may be added from the transfer of the Air Rights

and/or from the transfer of air rights from other properties so long as any adjacent properties are below the maximum height threshold defined by zoning. Please see RESERVATION OF AIR AND DEVELOPMENT RIGHTS section of this Offering Plan.

40) The projected insurance coverage for the building does not include officers' and directors' liability. Officers' and directors' liability is a type of coverage which protects members of the Board of Managers or officers of the condominium from any liability engendered by performance of their functions, to the extent such activities are within the scope of their designated capacities and do not constitute criminal acts by such officer(s) or manager(s). In the event the condominium wishes to extend such insurance coverage to its directors and managers, this will represent an additional cost of approximately \$1,100 on the amount projected for insurance coverage in Schedule B. Please see SCHEDULE B and FOOTNOTES thereto for a more complete explanation.

41) There are (3) Community Facility Units located in the building. Community Facility Units are classified and taxed as commercial properties by the NYC Department of Finance (DOF). Uses are limited to schools, houses of worship and medical facilities. Such units have similar functional characteristics and/or nuisance impacts and are generally compatible with each other. New York City is divided into three basic zoning districts: Residence (R), Commercial (C), and Manufacturing (M). Community Facility Units can fall under one of only two zoning categories: R and C. R-zoned districts are characterized by a range of housing types. C-zoned districts are characterized by a range of business activities. The building is located in residential Zoning District R6, within which Use Groups 1-4 are permitted. Community Facility Units are classified for zoning purposes within commercial Use Groups 3 and 4 and are permitted within both residential and commercial districts. The Community Facility Units located in the building fall under Use Group 4. The zoning designation for this unit will be reflected in the temporary certificate of occupancy ("TCO") and final certificate of occupancy ("FCO") procured by the Sponsor. Any use of the community facility units, other than those permitted uses for Use Group 4 as listed in Article II, Chapter 2, Section 22-14 of the New York City Zoning Resolution, will require an amended TCO/FCO and/or a filing with New York City Department of Buildings. A Community Facility Unit owner has the right to subdivide his unit into any number of smaller units provided that the total allocation of common interest of the Community Facility Unit may not be altered by such subdivision and further provided that said all such subdivisions must be in conformity with applicable zoning rules and a Certificate of Occupancy for the premises. Please see the COMMUNITY FACILITY UNITS section of this Offering Plan for a more complete explanation.

42) Sponsor has applied for ICAP real estate tax abatement benefits for the Community Facility Units. Estimated real estate taxes for the community facility units are shown both with and without tax benefits in SCHEDULE A located in Part I of this Offering Plan. It is estimated that the first year of ICAP benefits will be the 2022/2023 tax year and should be granted for 25 years, with certain conditions, as more particularly described in the REAL ESTATE TAXES and TAX PROJECTION LETTER sections of this Offering Plan. At present the Sponsor does not intend to offer the community facility units for sale. In the event that the Sponsor decides to offer the community facility units for sale at a later date it will do so only in an amendment to the Offering Plan. In such case purchasers will not be required to reimburse the Sponsor for the costs associated with the tax benefit application, and purchasers would NOT be entitled to receive rescission if the ICAP tax benefits are not obtained or are suspended. Sponsor will use its best efforts to obtain said tax benefits. If at any point it becomes impossible for the Sponsor to obtain such benefits, Sponsor will immediately submit an amendment disclosing that it is impossible to obtain the tax benefits. Based on the opinion of the Sponsor's tax expert, the total property tax liability in 2022/2023 for the community facility portion of the building is estimated to be approximately \$18,707 after an abatement amount of \$38,511 is applied. Please see the REAL ESTATE TAXES and TAX PROJECTION LETTER sections of this Offering Plan for a more complete explanation.

43) No contingency has been budgeted for the performance of legal services for the first year of condominium operation, and an attorney for the condominium has not been determined. It is not anticipated that any legal services would be required during the first year of operation. In the event that legal services are required, same will represent an additional cost to the condominium. The condominium board will determine the attorney for the condominium in the future. Please see SCHEDULE B and FOOTNOTES TO SCHEDULE B.

44) It is anticipated that the Sponsor will hire one part-time superintendent/porter for performing ordinary cleaning and maintenance of the premises and working approximately 20 hours per month at an hourly rate of \$15.00. Sections 27-2053 and 27-2054 of the Administrative Code of the City of New York provide that janitorial services must be provided in a multiple dwelling of 9 or more dwelling units and that the person who performs such janitorial services (other than where janitorial services are performed on a 24-hour-a-day basis in a manner approved by the NYC Department of Housing Preservation and Development ("HPD")) must reside in or within a distance of one block or 200 feet from the building, whichever is greater, unless the owner resides in the building. However, "owner" is defined broadly and is generally considered to include unit owners. While the Condominium Board shall endeavor to hire a part-time superintendent living within the requisite one block or 200 feet from the Building or to

retain a 24-hour a day janitorial service in accordance with the requirements of HPD, the Sponsor anticipates the presence of resident owners and therefore anticipates that the governing statutes will accordingly be satisfied. Activities which the unit owners will need to perform in the event no superintendent is employed include rubbish removal, cleaning, painting, bulb replacement, snow removal, landscaping and minor repairs. Please see the FOOTNOTES TO SCHEDULE B section located in Part I of this Offering Plan.

45) A Community Facility Unit owner has rights and obligations that differ substantially from those of residential units. Commercial use of the premises may increase the cost of insuring the building. A Community Facility Unit owner will be responsible for reimbursing the condominium for his/her proportionate share of any insurance cost over and above that which the condominium would incur if all units in the building were residential units and accessory to residential units (such as parking). This additional cost is to be determined by the insurance carrier or agent of same that provides coverage for the building and presented to an owner or prospective owner of a Community Facility Unit it upon request; the community facility unit owner or prospective owner is responsible for providing said insurer with any information needed to make this determination. A Community Facility Unit owner may subdivide and sublet any or all of the Community Facility Units. A Community Facility Unit may be divided into any number of smaller condominium units, or combined into any number of larger units, provided that the net common interest of such newly created units shall not exceed the original common interest allocated to the Community Facility Unit or Units involved. It is not anticipated that such differences in rights and obligations will have a materially adverse impact upon the condominium. Please see COMMUNITY FACILITY UNITS section of this Offering Plan.

46) The Condominium will not qualify as an exempt homeowner's association under Section 528 of the Internal Revenue Code, and as such will be ineligible for exemption benefits under Section 528. As a result, the Condominium may be subject to Federal corporate income tax on the excess of the Common Charges and investment income over the expenses of operating the Condominium, if any. It is not presently anticipated that the condominium will have any income in excess of its expenses, as per SCHEDULE B included in this Offering Plan. It should be noted that the Condominium may, even if permitted to make an election under Section 528 of the Code, still be required to pay the minimum New York State and City corporation taxes. Sponsor anticipates that the amount budgeted in the line item for Miscellaneous Reserve shall also cover "minimum" New York City and State corporation and income taxes (current minimums are anticipated to be \$25.00 for New York City and \$50.00 for New York State) for the first year of operation in the event that the Condominium is required to pay them. However,

in the event that the Condominium does have any excess of income for the first year of operation, it may be necessary to increase Common Charges or separately assess all Unit Owners. There is no assurance that the line item for Miscellaneous Reserve will be sufficient to pay for taxes on said excess income. See SCHEDULE B, INCOME TAX DEDUCTIONS TO UNIT OWNERS AND TAX STATUS OF CONDOMINIUM, and COUNSEL'S TAX OPINION LETTER in Part I of the Plan for a more complete explanation.

47) The right to occupy a unit by a Purchaser who is an interim lessee shall terminate if said Purchaser/interim lessee is found in default of the PURCHASE AGREEMENT and the default is not cured within 15 days after notice thereof. Additionally, any default under the INTERIM LEASE shall be a default under the PURCHASE AGREEMENT, and any default under the PURCHASE AGREEMENT shall be a default under the INTERIM LEASE. Any such default will terminate the Purchaser's right to use and occupancy, and will also terminate the Purchaser's right to purchase the apartment, and may result in loss of the down payment. Please see the SAMPLE INTERIM LEASE section located in Part II of this Offering Plan.

48) The Sponsor gives no warranty as to materials or workmanship that shall survive sale of a unit, except as required by the New York State Housing Merchant Implied Warranty Law, located in Part II of this Offering Plan at pages HM1-HM7. New York State General Business Law requires the builder of new dwelling consisting of five stories or less to provide a warranty to the Purchaser as follows:

(a) For one year, the home must be free from defects caused by workmanship or materials that do not meet the standards of the applicable building code; for the items not covered by code, the construction must be in accordance with locally accepted building practices.

(b) For two years, the plumbing, electrical, heating, cooling and ventilation systems must be free from defects caused by unskillful installation.

(c) For six years, the home must be free from physical defects in the structural elements (foundations, floors, walls, roof framing) which make it unsafe or unlivable.

The Housing Merchant Implied Warranty Law applies to the limited common elements in conjunction with the units in the condominium. The Housing Merchant Implied Warranty Law does not apply to patent defects which an examination ought in the circumstances to have revealed. Purchasers are encouraged to examine the premises prior

to going to contract to determine whether any patent defects exist, and again to perform a standard pre-closing walk-through inspection prior to closing. Sponsor shall not be liable for any patent defects that an examination ought in the circumstances to have revealed. The time frames specified above apply to latent defects. Written notice of a warranty claim for breach of a housing merchant implied warranty must be received by the Sponsor pursuant to § 777-a of the General Business Law of the State of New York, and also pursuant to this section the owner and occupant of the home shall afford the builder reasonable opportunity to inspect, test, and repair the portion of the home to which the warranty claim relates.

The Sponsor's obligations, regardless of any limitations in the warranty or in this offering plan, is to construct the premises in accordance with all applicable codes and filed plans and specifications. Any conflict between the disclaimers and the Sponsor's obligation to construct the premises in accordance with all applicable codes and filed plans and specifications will be resolved in favor of the latter. Please see SCHEDULE A, DESCRIPTION OF PROPERTY AND BUILDING CONDITION, and RIGHTS AND OBLIGATIONS OF THE SPONSOR included in this Offering Plan.

49) Sponsor has designated Behzad Amiri of Corcoran Group, having an office at 1 Pierrepont Plaza, Brooklyn, NY 11201, as the Selling Agent. Purchasers of units at the subject premises are requested by the Sponsor, pursuant to the form Purchase Agreement, to represent to Sponsor that the Selling Agent is the only broker or sales agent with whom Purchaser has dealt in connection with the purchase of the unit. Sponsor agrees to pay the commission due the Selling Agent pursuant to separate agreement. Purchaser agrees that should any claim be made against Sponsor for commissions by any broker other than Selling Agent on account of any acts of Purchaser or of Purchaser's representatives, then Purchaser will indemnify and hold Sponsor free and harmless from any and all liabilities and expenses in connection therewith, including (without limitation) reasonable legal fees and disbursements. These provisions of the Purchase Agreement shall survive the Closing. Please see the IDENTITY OF PARTIES section located in Part I of this Offering Plan and the PURCHASE AGREEMENT located in Part II of this Offering Plan.

This is a new building that does not involve the renovation of existing structures. The Building will be constructed by Sponsor within the requirements of all applicable federal, state, and local codes and regulations. This is a new building located on property in the Boerum Hill section of Brooklyn. The Sponsor expects that construction will be completed in spring 2021. Prior to construction of the new building, a church previously stood on the premises for the primary use as a place of religious worship.

The premises consist of a mixed-use, single five-story building containing, in aggregate, eighteen (18) Residential Units, nine (9) Parking Units, and three (3) Community Facility Units. On-site amenities include a center exterior entry court on the first floor, a common outdoor space at the second floor roof plaza, a green roof landscape and planter wall along Bond Street, a bicycle storage room on the first floor off the lobby, and an indoor recreation space located on the first floor.

The Sponsor will install in each B, C, and D residential unit located on floors 2 through 4 an induction cooktop, Bosch 30" BNIT5068UC or equivalent, a wall oven, Bosch 30" BHBL5451UC or equivalent, a downdraft 30" cooktop exhaust fan, GE model UVB30KS or equivalent, a dishwasher, 24" Bosch SHVM78Z53N or equivalent, a refrigerator, Bosch 30" Panel Ready B30IB900SP or equivalent, a clothes washer, 24" Bosch BWAT28400UC or equivalent, and a clothes dryer, 24" Bosch BWTG86400UC or equivalent. Sponsor has obtained construction financing from Bank Hapoalim B.M., having an office at 1120 Avenue of the Americas, New York, New York 10036 (the "Mortgage Lender"). The Mortgage Lender has agreed to subordinate its liens to the Declaration. At least fifteen percent (15%) of the Units must be under Contract to bona fide Purchasers counting toward effectiveness before the Mortgage Lender will subordinate its lien. In addition, the Unit and each subsequent Unit being conveyed and its appurtenant Common Interest will be released therefrom by partial release upon payment of the relevant payment as provided in the loan documents. There is a minimum release price set by the Mortgage Lender for the Mortgage Lender to release its lien from the Unit being sold. The Mortgage Lender has set no limits or requirements for Sponsor to sell rather than rent Units. See the RIGHTS AND OBLIGATIONS OF THE SPONSOR section in Part I of this Plan.

Sponsor is retaining the unconditional right to rent rather than sell Units after the Plan has been declared effective and the First Unit Closing has occurred. Until this Plan is abandoned, Sponsor will endeavor in good faith to sell, but makes no representation that it will execute Purchase Agreements to sell fifteen percent (15%) of the Units, which in the case of this Plan means three (3) units. In the event Sponsor has rented a Unit and, subsequently, sells the Unit pursuant to this Plan, such sale of the Unit will provide that it will be sold in "as is" condition, except for any applicable warranties expressly provided in this Plan.

On the Effective Date of this Offering Plan as hereinafter described, Sponsor will by Declaration of Condominium recorded in the Office of the City Register of the City of New York submit the Property to Article 9-B of the Real Property Law of the State of New York (as amended, the "Condominium Act"). The proposed Declaration is set forth in Part II of this Plan. The Declaration, together with the By-Laws of the Condominium, will be recorded by Sponsor at its sole cost and expense prior to its conveyance of title to the first Unit.

This offering is made only to individuals over the age of 18.

In accordance with the provisions of the Laws of the City of New York, the Sponsor represents that neither the Sponsor, nor the Condominium, nor the Selling Agent, will discriminate against any person because of his race, creed, color, sex, sexual orientation, national origin, ancestry, or any other reason prohibited by civil rights law in the sale of

apartments offered by this Plan, or in the leasing of any apartment in the Building. Unit owners have an unrestricted right to lease, sell or mortgage units. Use of residential units is limited to residential use and appurtenant home office use.

The Plan delivered to prospective purchasers contains all the material terms of the transaction, and is presented in two Parts in one volume. Part I sets forth a general description of the Plan, including the relevant provisions of various agreements known as the Project Documents. Part II contains a detailed physical description of the Condominium, together with copies of the forms of many of the documents that will affect the use, resale, or mortgaging of each Unit. Both Parts, including all schedules and exhibits, constitute the entire offer of Sponsor. These documents should be reviewed carefully by each prospective Purchaser and his or her attorney prior to signing a Purchase Agreement. Copies of the Plan, all exhibits to the Plan, and Project Documents are available for inspection by prospective purchasers and their attorneys at the on-site offices of the Sponsor, and are also available for inspection and copying at a reasonable fee at the New York State Department of Law, 28 Liberty Street, New York, New York.

Ownership of a Condominium Unit resembles in many ways ownership of a private home. Basic aspects of condominium ownership include:

- (1) Each purchaser owns his/her unit outright and is entitled to exclusive possession of such unit. Each purchaser also has an interest in, and a right to use, common elements and exclusive right to use limited common elements of the building. However, each unit owner is obligated to comply with the Declaration, By Laws, rules and regulations, and any other requirements of the Board of Managers.
- (2) Common elements are parts of the Property which, in addition to his/her own Unit, a Unit Owner owns in common with the owners of all other Units, such as entryways, stairways, hallways, utility areas, and similar elements of the building that serve all Unit Owners. A Unit Owner will share the non-exclusive right to use the Common Elements with all other unit owners.
- (3) Limited Common Elements are those areas appurtenant to a particular Unit or Units, the use of which is restricted to the owner(s) of such Unit or Units, but which are not owned by such unit owner(s). Thus, in this Condominium, Units 2A, 3A, and 4A will each have two balcony areas totaling approximately 226 sf allocated as limited common elements. Units 2B, 3B, and 4B will each have two balcony areas totaling approximately 223 sf allocated as limited common elements. Units 2C, 3C, and 4C will each have two balcony areas totaling approximately 219 sf allocated as

limited common elements. Units 2D, 3D, and 4D will each have two balcony areas totaling approximately 212 sf allocated as limited common elements. Units 2E, 3E, and 4E will each have two balcony areas totaling approximately 235 sf allocated as limited common elements. Unit 5A will have an approximately 493 sf balcony and an approximately 918 sf roof terrace allocated as limited common elements. Unit 5B will have two balconies and two roof terraces totaling approximately 1,673 sf allocated as limited common elements. Unit 5C will have a balcony and a roof terrace totaling approximately 802 sf allocated as limited common elements. No structures of any kind may be built in or on these limited common elements except for temporary structures such as sukkots. Additionally, the limited common element spaces are not habitable and may not be used for sleeping or dining. The right to use and occupancy is subject to the right of the Condominium to enter into said areas for the purpose of inspection and/or building repairs, provided that the Condominium provides the owners reasonable notice of access. Please see the DESCRIPTION OF PROPERTY AND IMPROVEMENTS included in Part I of this Offering Plan and the DESCRIPTION OF PROPERTY AND BUILDING CONDITION included in Part II of this Offering Plan for a more complete explanation.

(4) After filing of the Declaration, each unit will be separately taxed and may be separately mortgaged; each unit owner may deduct from adjusted gross income for income tax purposes real estate taxes and mortgage interest. No unit owner will be responsible for payment of, or any lien arising out of nonpayment of, real estate taxes assessed against any other unit in the building.

(5) Each Unit Owner may vote for the members of the Board of Managers, which is the group elected by unit owners to operate the Condominium. The Board of Managers will set common charges based on cash needs of building operation, decide on special assessments, and, in general, make all decisions necessary to run the building.

(6) Each unit owner must pay common charges in accordance with the New York Condominium Act (Real Property Law Sections 339 (i) and (m)), and any applicable state or local law. The common charges payable under the By-Laws will be based strictly on the projected cash requirements of ownership and operation of the Property and may include an allowance for contingencies, replacements, and/or repairs. Furthermore, the Board of Managers may impose special assessments in order to meet emergencies, contingencies, or other unforeseen events, which will become the financial obligation of each purchaser of a Condominium Apartment.

These assessments will be levied in direct proportion to the percentage of common interest allocated to each apartment.

(7) Individual unit owners are responsible for repairs to and maintenance within their own condominium units. Individual purchasers should explore obtaining insurance coverage, which would be at their own cost and expense, to insure them for such risks as fire and casualty losses in their apartments to their personal contents therein, as well as liability insurance for each occurrence that might occur within their respective apartments. Otherwise, unit owners will not be covered for risks such as fire and casualty losses within their apartments. The condominium Board of Managers is not obligated to repair and maintain individual apartments, nor provide casualty and/or liability insurance for occurrences that may occur in individual apartments.

(8) Unit owners are responsible for maintenance and repairs to their individual units.

(9) The condominium Board does not have the right to approve or disapprove Purchasers, so there is no limit on the number of owners who may purchase for investment rather than personal occupancy. There may always be a substantial percentage of owners who are non-residents.

(10) Each unit owner is obligated to comply with the DECLARATION, the BY-LAWS, rules and regulations, and any other requirements of the Board of Managers.

The purchase prices, estimated common charges, and estimated real estate taxes for the first year of Condominium operation are set forth in SCHEDULE A. The projected budget for the first year of Condominium operation is set forth in SCHEDULE B.

There are three Community Facility Units located in the building. Community Facility Units are classified and taxed as commercial properties by the NYC Department of Finance (DOF). Uses are limited to schools, houses of worship and medical facilities; prohibited uses include retail and restaurants.

While the Sponsor will endeavor in good faith to sell all units, Sponsor is not limiting the conditions under which it will rent rather than sell units. There is no commitment to sell more units than the 15% necessary to declare the plan effective, which in this Plan constitutes three (3) total units, either Residential or Community Facility. Owner-Occupants, therefore, may never gain effective control and management of the

condominium. There are no requirements or restrictions on renting imposed by a construction lender. Additionally, the By-Laws do not include a provision that after expiration of the initial Sponsor Control period, a majority of the Board of Managers must be Owner-Occupants or member of an owner occupant's household who are unrelated to the Sponsor and its Principals. Owner-Occupants and non-resident owners, including the Sponsor, may have inherent conflicts on how the Condominium should be managed because of their different reasons for purchasing, i.e., purchase as a home, as opposed to purchase as an investment. If the Sponsor makes a bulk sale of all or some of its unsold units, the transferee successor is bound by Sponsor's representation regarding its commitment to sell units.

THE PURCHASE OF A CONDOMINIUM UNIT HAS MANY SIGNIFICANT LEGAL AND FINANCIAL CONSEQUENCES AND MAY BE ONE OF THE MOST IMPORTANT FINANCIAL TRANSACTIONS OF YOUR LIFE. THE ATTORNEY GENERAL STRONGLY URGES YOU TO READ THIS OFFERING PLAN CAREFULLY AND CONSULT WITH AN ATTORNEY BEFORE SIGNING AN AGREEMENT TO PURCHASE A CONDOMINIUM.

DESCRIPTION OF PROPERTY AND IMPROVEMENTS

The structure which is the subject of this Offering Plan is a mixed-use building consisting of five stories and containing, in aggregate, eighteen (18) Residential Units, nine (9) Parking Units, and three (3) Community Facility Units. The Sponsor and its principals will obtain a temporary Certificate of Occupancy prior to the First Unit Closing and will seek to obtain a final Certificate of Occupancy within two (2) years of the issuance of the first temporary Certificate of Occupancy for the Building, barring delays caused by *force majeure* or other reasons beyond the control of Sponsor. The Building is expected to be completed in spring of 2021.

All cabinetry and fixtures in kitchens and baths in the units will be new. The Sponsor will install in each B, C, and D residential unit located on floors 2 through 4 an induction cooktop, Bosch 30" BNIT5068UC or equivalent, a wall oven, Bosch 30" BHBL5451UC or equivalent, a downdraft 30" cooktop exhaust fan, GE model UVB30KS or equivalent, a dishwasher, 24" Bosch SHVM78Z53N or equivalent, a refrigerator, Bosch 30" Panel Ready B30IB900SP or equivalent, a clothes washer, 24" Bosch BWAT28400UC or equivalent, and a clothes dryer, 24" Bosch BWTG86400UC or equivalent. The Sponsor will install in each A and E residential unit located on floors 2 through 4 an induction cooktop, Bosch 36" BNIT5668UC or equivalent, a wall oven, Bosch 30" BHBL5451UC or equivalent, a downdraft 36" cooktop exhaust fan, GE model UVB36KS or equivalent, a dishwasher, 24" Bosch SHVM78Z53N or equivalent, a refrigerator, Bosch 36" Panel Ready B36IT900NP or equivalent, a clothes washer, 24" Bosch BWAT28400UC or equivalent, and a clothes dryer, 24" Bosch BWTG86400UC or equivalent. The Sponsor will install in each residential unit on the 5th floor an induction cooktop, Bosch 36" BNIT5668UC or equivalent, a wall oven, 30" BHBL5451UC or equivalent, a downdraft 36" cooktop exhaust fan, GE model UVB36KS or equivalent, a dishwasher, 24" Bosch SHVM78Z53N or equivalent, a refrigerator, 36" Panel Ready B36IT900NP or equivalent,

All other appliances will be the responsibility of the unit Purchaser and will represent an additional cost of purchasing the unit. Please see the ARCHITECT'S REPORT included in Part II of this Offering Plan.

The Building has one passenger elevator and no service elevators. Mailboxes are located in the residential lobby.

The Sponsor will complete the work set forth in this plan relating to the building, and the apartments contained therein, in accordance with all applicable zoning and building laws, including, but not limited to, the Building Code of the City of New York, the New York City Administrative Code and the Zoning Resolution of 1961 as amended, and subject to procurement of all applicable and proper permits which are required, if any. All residential units will be equipped with operable smoke and carbon monoxide detectors as required by the New York City Administrative Code.

The Sponsor hereby adopts the detailed description of property and building condition set forth in the section entitled ARCHITECT'S REPORT/DESCRIPTION OF PROPERTY AND BUILDING CONDITION in Part II of this Offering Plan. With reference to such material, a licensed architect or engineer prepared the description of property and building condition contained therein. Prospective purchasers are urged to refer to said section for a more complete understanding of the physical condition of the subject property and building.

Sponsor reserves the right to amend or modify, in any way, the Plans and Specifications (including without limitation, changing materials, appliances, equipment, fixtures and other construction details) and to substitute in place of any materials, appliances, equipment, and fixtures as set forth, materials, appliances, equipment and of equal or better quality, provided that any necessary approval of any governmental authority having jurisdiction is first obtained and subject to the requirements of law.

LOCATION AND AREA INFORMATION

The premises are located in the Boerum Hill section in the Borough of Brooklyn, New York. The neighborhood is surrounded by Downtown Brooklyn and located not far from the Red Hook Waterfront.

The property is located approximately a third of a mile from the Bergen Street subway station, which is served by the F and G subway lines. Bus lines servicing the neighborhood include the B65 running along Bergen Street and the B57 running along Smith Street.

The local zoned elementary school is P.S. 38. The designated school district for the subject premises is District 15. District 15 provides district-wide choice through an application process for middle schools, and New York City provides city-wide choice for high schools through an application process. Students may also choose among the local religious schools or secular private schools.

The nearest library is the Pacific Branch of the Brooklyn Public Library located at 25 Fourth Avenue. The post office servicing the property is located at 539 Atlantic Avenue. Nearby local medical centers include the Brooklyn Hospital Center at 121 DeKalb Avenue less than 1 mile from the premises. There are several houses of worship of most major denominations in the neighborhood.

Police, Fire, Water, Sanitation, snow removal, and road maintenance are provided by the City of New York, and all charges (except water) are incorporated into City taxes.

New York City is divided into three basic zoning districts: Residence (R), Commercial (C), and Manufacturing (M). Community Facility Units can fall under one of only two zoning categories: R and C. R-zoned districts are characterized by a range of housing types. C-zoned districts are characterized by a range of business activities. The building is located in residential Zoning District R6, within which Use Groups 1-4 are permitted. The building is located in Zoning District R6, which permits residential use as-of-right, in addition to commercial Use Group 4, of which the three Commercial Facility Units at the subject premises fall under. Permitted uses for Use Group 4 community facilities include, but are not limited to, health care facilities and houses of worship. Any use of the community facility units, other than those permitted uses for Use Group 4 as listed in Article II, Chapter 2, Section 22-14 of the New York City Zoning Resolution, will require an amended Certificate of Occupancy and/or a filing with New York City Department of Buildings. R6 districts are widely mapped in built-up, medium-density areas in Brooklyn,

Queens and the Bronx. The character of R6 districts can range from neighborhoods with a diverse mix of building types and heights to large-scale “tower in the park” developments designed to be compatible with older buildings found in medium-density neighborhoods. Zoning regulations produce high lot coverage with six- to eight-story apartment buildings set at or near the street line. The Building complies with all zoning and use requirements of Use Groups 1-4 which permit residential and community facility uses.

Neither the Sponsor nor principals of the Sponsor own any undeveloped areas adjacent to or directly across the street from the property.

After the date of submission of this Offering Plan to the Department of Law, Sponsor makes no guarantee or representation as to the continued operation of any of the services or amenities disclosed in this section of the Plan.

No structures of any kind may be built in or on these limited common elements except for temporary structures such as sukkots. Additionally, the limited common element spaces are not habitable and may not be used for sleeping or dining. The right to use and occupancy is subject to the right of the Condominium to enter into said areas for the purpose of inspection and/or building repairs, provided that the Condominium provides the owners reasonable notice of access. Please see the DESCRIPTION OF PROPERTY AND IMPROVEMENTS included in Part I of this Offering Plan and the DESCRIPTION OF PROPERTY AND BUILDING CONDITION included in Part II of this Offering Plan for a more complete explanation.
- 2) In addition to the offering prices above, there are additional closing costs assessed against each unit, such document preparation fees, payment of transfer taxes, reimbursement fee, working capital fund contribution equal to two months' common charges, etc. Additionally, Purchasers will pay their own title insurance costs, recording charges, and mortgage recording taxes. Please see the CLOSING COSTS AND ADJUSTMENTS section of this Offering Plan for a more complete explanation.
- 3) **The projected real estate taxes for the first year of operation contained in Schedule A are based on an assessment of the building before construction is complete. Purchasers are advised that real estate taxes may increase materially when the building is reassessed after construction is complete. See FOOTNOTE 6 TO SCHEDULE A for more information regarding the projected assessed valuation after completion of construction.**
- 4) Sponsor has applied for ICAP real estate tax benefits for the Community Facility Units. Estimated real estate taxes for the first year of operation with and without ICAP benefits are shown in SCHEDULE A. At present the Sponsor does not intend to offer the Community Facility Units for sale. In the event that Sponsor decides to offer the community facility units for sale at a later date it will do so only in an amendment to the Offering Plan. In such case purchasers will not be required to reimburse the Sponsor for the costs associated with the tax benefit application and purchasers would NOT be entitled to receive rescission if the ICAP tax benefits are not obtained or are suspended. If at any point it becomes impossible for the Sponsor to obtain the ICAP benefits, the Sponsor will immediately submit an amendment disclosing that it is impossible to obtain the tax benefits. See the REAL ESTATE TAXES section of this Offering Plan for a more complete explanation.

FOOTNOTES TO SCHEDULE A

1. The square footage in SCHEDULE A is calculated by the standard mathematical formula of multiplying the length of an area by the width of an area and adding together for each apartment all of the areas contained therein. The dimensions indicated are approximate and are calculated as follows: horizontally from the exterior side of the exterior walls (perimeter concrete columns and perimeter mechanical pipes are not deducted) to the midpoint of the interior walls and partitions separating one unit from another unit, or the exterior side of the interior walls and partitions separating a unit from public corridors, stairs, elevators, and other mechanical equipment spaces or any common elements or limited common elements. In the case of this offering, all residential units in the building include limited common elements in the form of balconies and/or roof terraces. As is customary in New York City, these square foot areas exceed the usable floor area of each unit. The square footage reflected in SCHEDULE A is based upon measurements from exterior surfaces of exterior walls, and the actual area comprising the unit is significantly less than the area listed in SCHEDULE A. The measurement for any unit does not exclude for the purpose of computing the size of any unit any common elements located within the unit. However, any common elements included within any unit shall not be considered part of that unit. The estimated square footage of each unit is based on the FLOOR PLANS and ARCHITECT'S DESCRIPTION OF PROPERTY set forth in Part II of this Offering Plan, and may vary within reasonable tolerances from the "as-built" square footage as subsequently described in the condominium Declaration.
2. The room count is based on the method suggested by the Real Estate Board of New York. This method counts each fully partitioned room as one room, and each bathroom containing a sink, toilet, and shower or bath as a full bathroom. Multi-use rooms, such as living/dining rooms are counted as a single room. Baths that do not include a tub or shower are counted as half baths. See the section entitled DESCRIPTION OF PROPERTY AND BUILDING CONDITION, and FLOOR PLANS, both of which are included in Part II of this Offering Plan, for a more complete description of each apartment. Additionally, the square footage set forth in SCHEDULE A is approximate, and may differ, from the square footage specified for this unit in Schedule B to the Condominium Declaration.
3. The determination of percentages of Common Interest allocated to each unit is based upon floor area, subject to such other items of relative value as the location of the

apartment within the building; uniqueness of the apartment; the availability of common elements for exclusive or shared use; and the overall dimensions of a particular unit, as per Section 339(i)(1)(iv) of the New York State Real Property Law.

4. Across-the-board changes in unit prices, advertised price changes, and increases in individual unit prices may be made only by an amendment duly filed with the New York State Department of Law; however, individually negotiated reductions in the purchase price of a unit may be made without prior amendment. Purchasers will also incur certain closing costs in connection with the purchase of their unit. See CHANGES IN PRICES IN UNITS and CLOSING COSTS AND ADJUSTMENTS sections of this Offering Plan.

5. Projected Common Charges for the first year of operation include only those expenses which are enumerated in SCHEDULE B. Common Charges do not include such expenses as repairs to the interior of the owner's unit, and the owner's individual gas, electricity, cable, Internet service, air conditioning, and telephone expenses; individual costs for heat and hot water for each apartment are set forth in SCHEDULE B1 of this Offering Plan. Moreover, if the purchaser should obtain financing for the purchase, the debt service on that loan will be an additional expense not covered by the Common Charges. Common Charges are arrived at by allocating to each unit a share of the Monthly Charges proportionate to the Common Interest that such unit bears in the condominium.

6. After the condominium is divided into individual tax lots, each lot will be separately taxed for New York City property tax purposes. A unit owner will not be responsible for the payment of, nor will the unit be subject to, any lien arising from the nonpayment of taxes on other units.

The anticipated date of completion of construction is in the summer of 2021.

Although the Sponsor anticipates that construction of the subject premises will be completed by the first year of condominium operation, **THE SPONSOR DOES NOT ANTICIPATE THAT THE REAL ESTATE TAXES FOR THE FIRST YEAR OF OPERATION WILL REFLECT THE FULL POST-COMPLETION ASSESSED VALUE OF THE PROPERTY. PURCHASERS ARE ADVISED THAT THEIR REAL ESTATE TAXES ARE LIKELY TO INCREASE IN THE SECOND YEAR OF CONDOMINIUM OPERATION TO REFLECT THE FULL POST-COMPLETION ASSESSED VALUE.**

Sponsor has obtained an estimate of post-completion assessed value of the property for real estate tax purposes from MGNY Consulting, 18 Bridge Street, Suite 2D, Brooklyn, NY 11201, whose opinion letter dated April 28, 2021 is included in this Plan. MGNY is of the opinion that post-completion, the residential portions of the property will be classified by the New York City Department of Finance (“DOF”) as Tax Class 2 property and will pay taxes based on the Tax Class 2 tax rate, while the commercial Class 4 tax rate will be applied to the Community Facility Units. Community Facility Units are classified and taxed as commercial properties by the NYC Department of Finance (DOF). DOF calculations of real estate taxes are arrived at by applying the current tax rate to the assessed property value, and then allocating the resulting taxes in direct proportion to the allocation of common interest percentages set forth in the condominium Declaration. Sponsor makes no representation, however, that DOF will actually apportion the real estate taxes for each unit based on common interest, as the city is not bound by common interest allocations.

MGNY has provided projections of the resulting estimated real estate taxes for the first year of condominium operation by applying the estimated 2021/2022 pre-construction assessed value of the premises and the estimated 2022/2023 post-construction assessed value to the appropriate tax rate and totaling the pro rata tax liabilities of the two tax years that coincide with the first year of operation. Estimated real estate taxes for the first year of condominium operation are provided in SCHEDULE A. As the first year of condominium operation is expected to commence on January 1, 2022 and the NYC property tax year commences on July 1st each year, the anticipated first year of condominium operation therefore encompasses a blended year consisting of two tax years (2021/2022 and 2022/2023) and does not reflect the full post-completion assessed value of the building after completion of construction. The estimate for the first year of operation for the residential portion of the building assumes a Tax Class 2 tax rate of 12.267% for both tax years, which is the current tax rate for Tax Class 2 properties in the 2020/2021 tax year. It reflects an assessed value of \$2,541,682 for real estate tax purposes for the first six months of operation (January 1, 2022 through June 30, 2022) and an assessed value of \$2,750,000 for real estate tax purposes for the latter six months of the first year of operation (July 1, 2022 through December 31, 2022). The resulting anticipated annual tax burden on the residential portion of the property for the first year of operation is anticipated to be \$324,565 (consisting of \$155,894 for the period from January 1, 2022 through June 30, 2022 plus \$168,671 for the period from July 1, 2022 through December 31, 2022). **It is anticipated that the real estate taxes for the second year of operation, which is anticipated to commence January 1, 2023, will reflect an annual tax burden on**

the residential portion of the property of \$337,342 based upon a post-completion assessed value of the residential portion of the property of \$2,750,000 and a tax rate of 12.267%.

Sponsor is applying for ICAP real estate tax benefits for the Community Facility portion of the property. MGNY has estimated the post-completion assessed value for the community facility component of the building for the 2022/2023 tax year if ICAP benefits are obtained and if ICAP benefits are not obtained. Real estate taxes for the community facility portion of the property in SCHEDULE A reflect a combination of the pre-construction assessed value of the 2021/2022 tax year and the post-construction assessed value of the 2022/2023 tax year. The assessed value for the community facility portion of the building for the 2021/2022 tax year, which will not reflect the ICAP benefits or the post-construction assessed value, is estimated at \$413,762. The post-construction assessed value for the community facility portion of the building for the 2022/2023 tax year without ICAP benefits is estimated at \$535,048. The total tax liability for the first year of operation is then calculated by applying the Tax Class 4 tax rate of 10.694% to the estimated 2021/2022 assessed value for the first half of the first year of operation and to the estimated 2022/2023 assessed value for the second half of the first year of operation and totaling the tax liability of the two halves. The estimated tax liability for the community facility portion of the building for the first year of operation without ICAP benefits is therefore \$50,733 (consisting of \$22,124 for the period from January 1, 2022 through June 30, 2022 plus \$28,609 for the period from July 1, 2022 through December 31, 2022).

MGNY projects that the total property tax in the 2022/23 tax year for the community facility portion of the building with ICAP benefits is estimated to be approximately \$18,707 after the abatement amount of \$38,511 is applied, as discussed above. After applying the Tax Class 4 tax rate of 10.694% to the estimated 2021/2022 assessed value for the first half of the first year of operation to the estimated 2022/2023 assessed value with ICAP benefits for the second half of the first year of operation and totaling the tax liability of the two halves, the resulting estimated tax liability for the community facility portion of the premises for the first year of operation with ICAP benefits is \$31,478 (consisting of \$22,124 for the period from January 1, 2022 through June 30, 2022 and \$9,354 (half of \$18,707) for the period from July 1, 2022 through June 30, 2023). It is anticipated that the total property tax in the second year of condominium operation for the community facility portion of the building with ICAP benefits will be \$18,707 after the abatement amount of \$38,511 is applied.

All figures are estimates. Prospective Purchasers should note that the taxes listed for each unit in Schedule A are allocated in proportion to the allocation of Common Interest that each unit bears in relation to all other units of its type and are proportional to said unit's Common Interest in the whole condominium. The DOF is not bound by this method of allocation and may allocate on a different basis. Unit Owners shall be entitled to deduct real property taxes paid on the unit for income tax purposes subject to the limits imposed by the Tax Cuts and Jobs Act of 2017, which allows an itemized deduction of up to \$10,000 for the total of state and local property taxes and income or sales taxes. This maximum applies to both single and married filers. Purchasers are directed to the opinion from MGNY in the section of this Offering Plan entitled REAL ESTATE TAXES for a more complete explanation.

Until the units are separately assessed for real estate taxes, real estate taxes for the property shall be paid by the condominium (although no such payment is provided for in Schedule B) as a general common expense and each Unit Owner shall pay additional common charges (which are not reflected in the estimated common charges for the unit as set forth in Schedule A) equal to the applicable unit's pro rata share, based upon the common interest of the applicable unit, of such real estate taxes for the property for such period. If real estate taxes are charged to Unit Owners as additional common charges for any period with respect to which the units shall not have been separately assessed, then a Unit Owner's payment of such additional common charges shall be in lieu of payment by such Unit Owner to the city of real estate taxes (which otherwise might have been assessed against the unit as a separate tax lot) for such period. As set forth in the By-Laws, after the units are separately assessed for real estate tax purposes, the Board of Managers as agent of the Unit Owners shall promptly assess any Unit Owners who have underpaid real estate taxes with respect to their units based on the assessed valuation of such units and shall likewise reimburse any Unit Owners for overpayment of taxes. Although the condominium will be obligated to pay the real estate taxes for the property until the units are separately assessed, it is possible that Purchaser's lender may, nevertheless, require that Purchaser escrow with such lender for real estate taxes for such period.

7. Monthly carrying charges are composed of the monthly common charges and the monthly real estate taxes projected against each unit.

Residential unit owners who itemize their deductions should, for federal income tax purposes, be entitled to a deduction for real estate taxes in the year in which same are

paid or accrued subject to the limits imposed by the Tax Cuts and Jobs Act of 2017. The projected tax deduction may vary in future years due to changes in the interest rate on the unit owner's mortgage (if any), or from changes in the allocation of constant debt service payments to interest and principal; or due to changes in real property taxes resulting from the expiration of real estate tax benefits, or from changes in the assessed value, tax rates, or the method of assessing real property; or from changes in the tax laws governing deductibility of mortgage interest and real estate taxes. Please see the TAX OPINION LETTER set forth in this Offering Plan for a more complete explanation. Carrying charges do not include certain costs for which the unit owner is responsible, such as repairs to the interior of the unit, separate metered gas, electricity, hot water, heat, air conditioning, and cable television service. Please see SCHEDULE B-1 for estimates of individual utility charges.

8. Estimates of annual real estate taxes for the first year of condominium operation are provided in column 8 of SCHEDULE A.

FOOTNOTES TO SCHEDULE B

1. Natural gas for domestic hot water usage will be billed as a common charge. The Sponsor has obtained an estimate, dated April 26, 2021, from ABS Engineering, PLLC, 37 West 37th Street, New York, NY 10018, of approximately 2,177.8 therms of annual gas usage for domestic hot water based upon 10.08 therms per month per residential unit. The projection in Schedule B for gas is based upon a rate of approximately \$1.26 per therm and includes supply and delivery charges and all applicable state and local taxes. Each residential and community facility unit will be separately metered for electricity, including electric heat. Each purchaser will pay separately for the electric heat supplied to his/her unit. See SCHEDULE B1 hereinafter set forth for an estimate of individual electricity charges.
2. Electricity: The Sponsor has obtained an estimate, dated February 6, 2020, from ABS Engineering, PLLC, 37 West 37th Street, New York, NY 10018, of approximately 110,407 kilowatt hours per year of electrical usage for the common areas. The projection in SCHEDULE B is based on a rate of approximately 29 cents per kilowatt hour, plus delivery charges, and includes the cost of all applicable state and local taxes and fuel adjustments, and a 10% allowance for inflation. Purchasers shall be responsible for individual utility costs for their own apartments.
3. Water and Sewer: Water is supplied to the building by the City of New York through a single water meter serving the entire building. The Sponsor has obtained an annual estimate, dated April 26, 2021, from ABS Engineering, PLLC, 37 West 37th Street, New York, NY 10018, of 114,988 gallons per month and current combined water and sewer charges of \$10.10 per 100 cubic feet of water consumed. Projected figure also includes a 10% allowance for inflation.
4. Repairs and Maintenance: The budgeted figure is based on normal maintenance and repairs to the common elements of the building and its systems and equipment. Insofar as this is a newly renovated building it is not anticipated that any major repairs will be required. The budget includes items of regular maintenance, such as cleaning, painting and minor mechanical, carpentry, or electrical work, which are budgeted, in aggregate, at \$5,000. In addition, Sponsor has obtained estimates for the following additional maintenance services:

Elevator maintenance contract, annual testing & servicing	\$ 6,160
Fire alarm monitoring and sprinkler monthly inspection	\$ 2,000
Professional gardening and garden maintenance	\$15,000

Individual unit owners will be responsible for the cost of interior repairs, and decorations, and painting of their respective apartments, including appliances.

5. Services and Supplies: These include items expected to be consumed in the normal course of building operation, including light bulbs, cleaning supplies, paints, and hardware items.

6. Insurance: Sponsor has received a letter dated September 16, 2020 estimating the cost of coverage for the building via a package policy from Narrows Insurance Agency, Inc., 8804 Fourth Avenue, 2nd Floor, Brooklyn, NY 11209 in the following coverage amounts:

Building.....\$14,000,000 Replacement Cost

Liability.....\$1,000,000 Per Occurrence
\$2,000,000 Aggregate

The foregoing insurance, including the public liability coverage included therein will be in effect at the time of closing. The insurance company has advised the Sponsor via letter that in its opinion, the amount of coverage is adequate to rebuild the building structure if totally destroyed by an insured peril; however, the policy does not guaranty the replacement of individual fixture and improvements installed by individual unit owners. This policy waives a standard co-insurance clause, so that no insured thereunder shall be a co-insurer. The policy will provide that:

- (i) each unit owner will be an additional insured;
- (ii) there will be no cancellation without notice to the Board of Managers and individual unit owners;
- (iii) will waive subrogation;
- (iv) will waive invalidity because of the acts of the insured and individual unit owners;
- (v) and, will waive pro rata reduction if individual unit owners obtain additional individual coverage.

The policy does not include coverages for officers' and directors' liability, workers' compensation, disability insurance, fidelity/crime, or umbrella/excess coverage, each of which can be provided at extra cost. Purchasers are advised of the desirability of obtaining additional insurance, at their own cost and expense, to cover such risk as fire and casualty losses to unit contents, replacements, additions, up-graded fixtures and improvements, and liability coverage for occurrences within the unit or, where applicable, on the limited common elements pertinent to the units.

Commercial use of the premises may increase the cost of insuring the building. A Community Facility Unit owner will be responsible for reimbursing the condominium for his/her proportionate share of any insurance cost over and above that which the condominium would incur if all units in the building were residential units and accessory to residential units (such as parking). This additional cost is to be determined by the insurance carrier or agent of same that provides coverage for the building and presented to an owner or prospective owner of a Community Facility Unit upon request; the community facility unit owner or prospective owner is responsible for providing said insurer with any information needed to make this determination.

7. Legal and Accounting Fees: This figure is based on an estimate dated September 8, 2020, received from Phillips Gold and Company, LLC, Certified Public Accountants, 1430 Broadway, Suite 803, New York, New York 10018, for preparation of a certified financial statement for the first year of operation and City, State and Federal tax returns, which estimate was \$5,000.00. No contingency has been budgeted for the performance of legal services. If the condominium decides to hire an attorney, additional costs will be incurred.

8. Labor: The projected labor expense is based on the projected staff of one (1) part-time superintendent/porter working 15 hours per week at a salary of \$20 per hour, and includes estimates of the wages, payroll taxes, insurance, and other benefits payable with respect to such staff as illustrated below. This estimate is based upon the assumption that a superintendent's apartment will not be built and used by the employee free of charge as part of his or her salary.

The budget item is based on a 52-week year, yielding total gross wages of approximately \$15,600 ($\$300 \times 52 = \$15,600$), to account for vacation, plus the costs set forth below.

The projected staff will be non-union employees and the projected wages meet current minimum wages laws. The level of staffing complies with all current applicable labor laws.

Category of Employee (and Number of such Employees)	Projected Base Weekly Wages for the Period Covered by Schedule B.	
One Part Time Superintendent	\$300	
Estimated payroll taxes, insurance and any other benefits based on such estimated wages are computed as follows:		
Item	Method of Calculation	Annual Amount
FICA — Social Security	6.2% of each employee’s taxable gross income	\$968
FICA — Medicare	1.45% of each employee’s wages	\$227
State Unemployment Insurance	2.5% of first \$8,500 of employee’s wages	\$415
Federal Unemployment Insurance	8% of the first \$7,000 of each employee’s wages	\$1,120
Disability Insurance	Based on current cost of \$0.60 per week per employee	\$32
Workers Compensation	4.46% of each employee’s wages	\$696
TOTAL		\$19,058.

Sections 27-2053 and 27-2054 of the Administrative Code of the City of New York provide that janitorial services must be provided in a multiple dwelling of 9 or more dwelling units and that the person who performs such janitorial services (other than where janitorial services are performed on a 24-hour-a-day basis in a manner approved by the NYC Department of Housing Preservation and Development (“HPD”) must reside in or within a distance of one block or 200 feet from the building, whichever is greater, unless the owner resides in the building. However, “owner” is defined broadly and is generally considered to include unit owners. While the Condominium Board shall endeavor to hire a part-time superintendent living within the requisite one block or 200 feet from the Building or to retain a 24-hour a day janitorial service in accordance with the requirements of HPD, the Sponsor anticipates the presence of resident owners and

therefore anticipates that the governing statutes will accordingly be satisfied. Activities which the unit owners will need to perform in the event no superintendent is employed include rubbish removal, cleaning, painting, bulb replacement, snow removal, landscaping and minor repairs. The projected level of staffing complies with all current applicable housing laws. The superintendent will be able to provide regular maintenance services such as replacement of light bulbs, trash removal, common area cleaning, snow removal, etc. Plumbing, heating, electrical, mechanical or carpentry work will require the engagement of personnel for those purposes.

9. Management: Pursuant to a management agreement between the Board of Managers and the Sponsor, the Sponsor will serve as managing agent for the first year of condominium operation for the annual cost specified in SCHEDULE B. This annual cost for management is on the low end of average for the cost of such services from an outside property management company. While the Sponsor is in control of the Board of Managers, the condominium shall not have the right to terminate the agreement. The Board of Managers thereafter may elect to employ the services of a managing agent of the Board's own choosing, which will affect the operating budget and therefore affect the common charges accordingly by an anticipated increase of approximately 6% to 10%.

Activities typically performed by the managing agent include maintenance of checking and savings accounts for the condominium, collection of monthly common charges, payment of all condominium common charges, processing of all individual unit sales, supervision and payment of building employees, building maintenance; review and resolution of any problems arising in the day-to-day operation of the building, compliance with all government laws and regulations affecting building operation, ownership, and maintenance, filing of annual tax returns, enforcement of condominium-adopted rules and regulations, seizure and sale of delinquent units, and response to individual unit owner complaints, questions or issues. In addition to the foregoing, any additional issues or problems arising out of the operation, maintenance, ownership, or occupancy of the building will need to be dealt with by the Board of Managers.

10. Sponsor anticipates that the line item for Anticipated Taxes shall cover "minimum" New York City and State corporation and income taxes (current minimums are anticipated to be \$25.00 for New York City and \$50.00 for New York State) for the first year of operation. Sponsor's Counsel is of the opinion that the Condominium will not qualify as an exempt homeowner's association under section 528 of the IRS code and will, therefore, be required to pay such taxes. However, based upon the income and expenses

projected in SCHEDULE B, it is not anticipated that any income in excess of expenses will be earned by the condominium. Therefore, Sponsor and Sponsor's counsel are of the opinion that the condominium will be subject to "minimum" New York City and State corporation and income taxes. In the event that the condominium earns income in excess of its expenses, same would represent an additional source of revenue to the condominium and it is possible that the condominium would owe more than the "minimum" anticipated taxes, in which case it may be necessary for the condominium to raise additional revenue either through an assessment or an increase in common charges.

11. The miscellaneous budgeted item is intended to provide a cushion for unforeseen costs and an opportunity for the condominium to accrue a reserve for future expense.

12. The projected item represents a reserve for repair or replacement of major mechanical systems or structural elements of the building. The capital reserve fund may not be used for regular operating expenses or to reduce the monthly common charges.

SCHEDULE B1
January 1, 2022 – December 31, 2022

Each residential and community facility unit is separately metered for electricity. Electric heat is provided to each unit. The attached Exhibit A includes annual estimates obtained on April 26, 2021, from ABS Engineering, PLLC, 37 West 37th Street, New York, NY 10018, for the cost of providing electricity for heating, cooling, lighting, equipment, and appliances for each residential unit.

The estimate assumes an average residential electricity rate of \$0.22 per kilowatt hour (kWh).

Taxes are based on current New York City and New York State sales taxes applicable to the sale of electricity.

A 10% inflation factor has been included with regard to electricity costs.

CHANGES IN PRICES AND UNITS

Across-the-board increases or decreases in unit prices, advertised price changes, and increases in individual unit prices may be made only by an amendment duly filed with the New York State Department of Law. However, prices are negotiable, and Sponsor may enter into an agreement with a purchaser to sell one or more units at prices lower than those set forth in SCHEDULE A without filing an amendment prior to entering such agreement.

No change will be made in the size or number of units, and/or their respective percentage of common interest, and no material change will be made in the size or quality of common elements except by amendment to the Plan and, when applicable, to the Declaration. If a Purchase Agreement has been executed and delivered to the Sponsor for that unit then no material change will be made in unit size, layout, or percentage of common interest unless the affected purchaser consents. No material change will be made in the size, and no material adverse change will be made in the quality, of common elements unless all purchasers consent. No change of any type set forth in this paragraph shall be made except by amendment duly filed with the New York State Department of Law.

Compliance with Real Property Law 339i (I) (IV)**

To Whom It May Concern:

The firm has reviewed the floor plans and calculated the common interests for Schedule A of the offering plan for 452 Warren Street. The firm will act as a selling agent of the property. We have no beneficial interests in the sponsor or in the profits of this offering of the property, with the exception of a fee for our services as selling agent.

Corcoran is a licensed Real Estate broker that has marketed condominium units throughout New York City for over 20 years. The method of allocation used in this plan evaluates floor space, the location of such space, and the additional factors of relative value to other space in the condominium, the uniqueness of the unit, the availability of common elements for exclusive or shared use, and the overall dimensions of the unit.

The factual basis of calculating the percentage of common interests consists of the size, layout and the location within the premises of each individual unit, and the anticipated selling price of each unit.

Based on the review of the forgoing factors, I have concluded that the proposal allocation of the common interest to individual units is in compliance with section 339-i(1) (IV) of the New York Real Property Law.

Regards,

Yael Streit
Senior Managing Director

COMMUNITY FACILITY UNITS

There are three Community Facility Units located in the building. Community Facility Units are classified and taxed as commercial properties by the New York City Department of Finance (DOF). Uses are limited to schools, houses of worship and medical facilities providing essential services for the community they serve that are not commonly considered offensive, such as outpatient medical treatment centers or day care facilities. Uses that are commonly considered offensive, such as massage parlors, drug treatment facilities, or homeless shelters, are not permitted. Such units have similar functional characteristics and/or nuisance impacts and are generally compatible with each other. New York City is divided into three basic zoning districts: Residence (R), Commercial (C), and Manufacturing (M). Community Facility Units can fall under one of only two zoning categories: R and C. R-zoned districts are characterized by a range of housing types. C-zoned districts are characterized by a range of business activities. The building is located in residential Zoning District R6, within which Use Groups 1-4 are permitted. Community Facility Units are classified for zoning purposes within commercial Use Groups 3 and 4 and are permitted within both residential and commercial districts. The Community Facility Units located in the building fall under Use Group 4. Permitted uses for Use Group 4 community facilities include, but are not limited to, health care facilities and houses of worship. The zoning designation for these units will be reflected in the temporary certificate of occupancy ("TCO") and final certificate of occupancy ("FCO") procured by the Sponsor. Any use of the community facility units, other than those permitted uses for Use Group 4 as listed in Article II, Chapter 2, Section 22-14 of the New York City Zoning Resolution, will require an amended TCO/FCO and/or a filing with New York City Department of Buildings.

The Community Facility Units in this condominium will occupy the first floor of the building.

The common charges payable by a Community Facility Unit owner are sufficient to cover the expenses attributable to said unit. Electricity service is separately metered and will therefore not consume any portion of the condominium budget. The Community Facility Unit owners are responsible for all internal repairs and maintenance; therefore, heavier wear and tear attributable to use as community facilities should not impact on the budget for the condominium.

A Community Facility Unit owner has rights and obligations that differ substantially from those of residential units. Commercial use of the premises may increase the cost of insuring the building. A Community Facility Unit owner will be responsible for

reimbursing the condominium for his/her proportionate share of any insurance cost over and above that which the condominium would incur if all units in the building were residential units and accessory to residential units (such as parking). This additional cost is to be determined by the insurance carrier or agent of same that provides coverage for the building and presented to an owner or prospective owner of a Community Facility Unit upon request; the community facility unit owner or prospective owner is responsible for providing said insurer with any information needed to make this determination. A Community Facility Unit owner may subdivide and sublet any or all of the Community Facility Units. A Community Facility Unit may be divided into any number of smaller condominium units, or combined into any number of larger units, provided that the net common interest of such newly created units shall not exceed the original common interest allocated to the Community Facility Unit or Units involved. It is not anticipated that such differences in rights and obligations will have a materially adverse impact upon the condominium.

INTERIM LEASE

The Sponsor may, at Sponsor's option, extend an interim lease to any purchaser who has executed a contract of sale for a unit at the subject premises and is not in default thereon. It shall be in the Sponsor's sole and exclusive discretion as to whether or not to offer an interim lease. The Sponsor may, for any or for no reason, refuse to offer an interim lease to any purchaser. The Sponsor and its agents will not discriminate against any person on the basis of race, creed, color, national origin, sex, sexual orientation, age, disability, marital status, or any other grounds prohibited by law. Interim leases or short-term leases shall not be offered to any party who has not executed a Purchase Agreement for a unit. The owner of the building may, however, rent any unit to a purchaser in contract under the plan as an interim lessee, including prior to consummation of the plan. The interim lease shall not create a landlord-tenant relationship but shall be deemed the use and occupancy agreement and part of the contract. No rental protection laws are applicable to the interim leases. The interim lease will provide that in the event the contract is cancelled or the Plan is abandoned the Interim Lessee will move out on 30 days written notice. The interim lease will further provide that an uncured default under the purchase agreement is a default under the interim lease, and that an uncured default under the interim lease is a default under the purchase agreement. Notwithstanding the foregoing, before the Sponsor can utilize a default under the interim lease to declare a default under the purchase agreement, the Sponsor must either obtain an order of eviction or other judgment or order from a court or agency of competent jurisdiction against the interim lessee, unless the interim lessee has vacated the unit. Interim lessee has 30 days to vacate the unit after receipt of written notice of a default, after delivery to the Sponsor of written notice of exercise of right of rescission, or after delivery to the purchaser of written notice that the Plan has been abandoned. A person who takes possession of a unit prior to closing assumes the risk of losses not covered by insurance. Any conflict between the Plan and the Interim Lease will be resolved in favor of the Plan. A SAMPLE INTERIM LEASE is located in Part II of this Offering Plan.

PROCEDURE TO PURCHASE

Persons desiring to purchase condominium units will be required to execute a Purchase Agreement in the form contained in Part II of this Plan and return it to the selling agent, together with a check in the amount of 10% of the purchase price as a contract deposit ("Deposit"), drawn to the order of SMITH, GAMBRELL & RUSSELL, LLP, AS ESCROW AGENT. The Sponsor is not obligated to negotiate with the Purchaser. Sponsor reserves the right to accept a lesser contract deposit to accommodate Purchasers, but in no case will the contract deposit be less than 5% of the purchase price of the unit.

The prospective purchaser must have the Offering Plan and all filed amendments in his/her possession at least three (3) business days prior to executing the Purchase Agreement. In the event Purchaser has not had said Offering Plan in his possession for at least three (3) business days prior to execution, Purchaser may rescind the Purchase Agreement by mailing Notice of Rescission to Sponsor or selling agent, or by hand delivering notice, within seven (7) days after executing same. Notice by mail will be effective if it is postmarked within seven (7) days of executing Purchase Agreement. Purchase Agreements shall not be binding on any party until accepted by the Sponsor. Within twenty (20) days after the prospective purchaser has delivered to the selling agent a signed Purchase Agreement together with the required contract deposit, the Sponsor must either accept the Purchase Agreement and return a fully executed counterpart, or reject the Purchase Agreement and refund in full any contract deposit taken. If the Sponsor takes no action, the Purchase Agreement will be deemed rejected. This Offering Plan will expire twelve (12) months from the date on which it is accepted by the New York State Department of Law, unless extended by a duly filed amendment hereto.

All down payments will be placed in an account in conformity with the disclosures contained in this Plan.

The Sponsor will comply with the escrow and trust fund requirements of General Business Law Sections 352-e(2-b) and 352-h and the Attorney General's regulations promulgated pursuant thereto.

Any provision of any contract or agreement, whether oral or in writing, by which a purchaser purports to waive or indemnify any obligation of the escrow agent holding trust funds is absolutely void. The provisions of the Attorney General's regulations

concerning escrow/trust funds shall prevail over any purchase. Purchasers shall not be obligated to pay any legal or other expenses of the Sponsor in connection with the establishment, maintenance, or defense of obligations arising from the handling or disposition of trust funds.

The law firm of SMITH, GAMBRELL & RUSSELL, LLP, with an address at 1301 Avenue of the Americas, 21st Floor, New York, New York 10019, telephone number (212) 907-9736, shall serve as escrow agent ("Escrow Agent") for Sponsor and Purchaser. Escrow Agent has designated the following attorneys to serve as signatories: Stephen O'Connell, Esq. Sean Altschul, Esq., Neal Dorman, Esq., John McCarthy, Esq. and Eliot Zuckerman, Esq. All designated signatories are admitted to practice law in the State of New York. Neither the Escrow Agent nor any authorized signatories on the account are the Sponsor, Selling Agent, Managing Agent, or any principal thereof, or have any beneficial interest in any of the foregoing.

The Escrow Agent has established the escrow account at Wells Fargo Bank NA, located at 437 Madison Avenue, New York, New York 10022, in the State of New York ("Bank"), a bank authorized to do business in the State of New York. The escrow account is entitled the Smith, Gambrell & Russell, LLP, IOLA Account ("Escrow Account"). The Escrow Account is federally insured by the FDIC at the maximum amount of \$250,000 per deposit. Any deposit in excess of \$250,000 will not be insured.

All Deposits made by Purchaser shall be in the form of checks, money orders, wire transfers, or other instruments, and shall be made payable to or endorsed by the Purchaser to the order of SMITH, GAMBRELL & RUSSELL, LLP, AS ESCROW AGENT.

All Deposits made by Purchaser prior to closing will be placed, within five (5) business days after the Agreement is signed by all necessary parties, in a segregated special Escrow Account. Any Deposits made for upgrades, extras, or custom work shall be initially deposited into the Escrow Account, and released in accordance with the Escrow Agreement.

The Escrow Account is of an IOLA type, and no interest will inure to the benefit of either the Sponsor or the Purchaser. No fees of any kind may be deducted from the Escrow Account, and the Sponsor shall bear all costs associated with the maintenance of the Escrow Account.

The Purchase Agreement is attached hereto in Part II of the Offering Plan. The relevant escrow trust fund provisions are included in Section 5 of the Purchase Agreement, which incorporates all of the provision of the Escrow Agreement set forth in Part II of this Offering Plan. The Purchase Agreement must be executed by the Purchaser, Seller, and the Escrow Agent.

Within five (5) business days after the Purchase Agreement has been tendered to Escrow Agent along with the Deposit, the Escrow Agent shall sign the Purchase Agreement and place the Deposit into the Escrow Account. Within ten (10) days of placing the Deposit in the escrow account, the Escrow Agent shall notify the Purchaser that such funds have been placed in the Bank by providing written notice to Purchaser and Sponsor, confirming the Deposit. The notice shall provide the account number and the name and address of the bank where the account is located.

The Escrow Agent is obligated to send notice to the Purchaser once the Deposit is placed in the Escrow Account. If the Purchaser does not receive notice of such deposit within fifteen (15) business days after tender of the Deposit, he or she may cancel the Purchase Agreement within ninety (90) days after tender of the Purchase Agreement and Deposit to Escrow Agent. Complaints concerning the failure to honor such cancellation requests may be referred to the New York State Department of Law, Real Estate Finance Bureau, 28 Liberty Street, 21st Floor, New York, NY 10005. Rescission shall not be afforded where proof satisfactory to the Attorney General is submitted establishing that the Deposit was timely placed in the Escrow Account in accordance with the New York State Department of Law's regulations concerning Deposits and requisite notice was timely sent to the Purchaser.

All Deposits, except for advances made for upgrades, extras, or custom work received in connection with the Purchase Agreement, are and shall continue to be the Purchaser's money, and may not be comingled with any other money or pledged or hypothecated by Sponsor, as per GBL section 352-h.

Under no circumstances shall Sponsor seek or accept release of the Deposit of a defaulting Purchaser until after consummation of the Plan, as evidenced by the acceptance of a post-closing amendment by the New York State Department of Law. Consummation of the Plan does not relieve the Sponsor of its obligations pursuant to GBL sections 352-e(2-b) and 352-h.

The escrow agent shall release the Deposit if so directed:

- (a) pursuant to terms and conditions set forth in the Escrow Agreement and Purchase Agreement upon closing of title to the unit; or
- (b) in a subsequent writing signed by both Sponsor and Purchaser; or
- (c) by a final, non-appealable judgment or order of a court of competent jurisdiction.

If the Escrow Agent is not directed to release the Deposit pursuant to paragraphs (a) through (c) above, and the Escrow Agent receives a request by either party to release the Deposit, then the Escrow Agent must give both the Purchaser and Sponsor prior written notice of not fewer than thirty (30) days before releasing the Deposit. If the Escrow Agent has not received notice of objection to the release of the Deposit prior to the expiration of the thirty (30) day period, the Deposit shall be released and the Escrow Agent shall provide further written notice to both parties informing them of said release. If the Escrow Agent receives a written notice from either party objecting to the release of the Deposit within said thirty (30) day period, the Escrow Agent shall continue to hold the Deposit until otherwise directed pursuant to paragraphs (a) through (c) above. Notwithstanding the foregoing, the Escrow Agent shall have the right at any time to deposit the Deposit contained in the Escrow Account with the clerk of the county where the unit is located and shall give written notice to both parties of such deposit.

The Sponsor will not object to the release of the escrowed funds to:

- (a) a Purchaser who timely rescinds in accordance with an offer of rescission contained in the Plan, or an amendment to the Plan; or
- (b) all Purchasers after an Amendment abandoning the Plan is accepted for filing by the Department of Law.

The Department of Law may perform random reviews and audits of any records involving the Escrow Account to determine compliance with all applicable statutes and regulations. The Escrow Agent will maintain all records concerning the escrow account for seven years after the release of funds.

Before funds are transferred to a new escrow account, or if the escrow agent is replaced, the plan must be amended to provide the same full disclosure with respect to the new account, the escrow agent, and the escrow agreement as was originally provided. The Sponsor may apply to the Attorney General to use security in the form of surety bonds or a letter of credit, in accordance with the regulations of the New York State Department of Law, in lieu of escrow of such funds. Such alternate security must be approved by the Department of Law. In the event the Sponsor elects to use such alternative security, an amendment to that effect will be filed in the Offering Plan fully complying with all provisions of the Department of Law for proof of satisfactory insurance of said funds.

Risk of loss from fire or other casualty remains with the Sponsor until title has passed unless and until the purchaser is given the right of possession of that unit pursuant to a written agreement with the Sponsor. The Sponsor will restore the damaged unit to conditions represented in the Offering Plan before a purchaser will be obligated to close the sale of the unit. The Sponsor will notify a purchaser whether or not it (the Sponsor) will repair any damage resulting from a casualty prior to the closing of a unit within 15 days of said casualty. If Sponsor decides to restore the unit, the Sponsor shall have 15 days in which to restore the unit or such longer time as is required to accommodate the delivery of materials that must be ordered to complete any such repairs, so long as such longer period of time is reasonable. If the Sponsor decides not to restore the unit, the purchaser in such case would have the right to rescind. An interim lessee assumes the risk of loss to his/her personal property that is not covered by the condominium's insurance, and, unless the casualty resulted from the act of the Sponsor or those acting under the Sponsor, the interim lessee would be obligated to close the sale of the unit despite such damage to the personal property. Purchasers and interim lessees are advised to confer with an insurance adviser regarding obtaining property and liability insurance.

Purchase Agreements will be contingent on Purchaser obtaining a firm written commitment for financing. Purchaser shall have 40 days from the date on which a signed and executed Purchase Agreement is delivered to such Purchaser within which to obtain such financing. If a Purchaser fails to obtain a firm written commitment for financing within such 40 day period, and fails to notify Sponsor's attorney within five days thereafter, **TIME BEING OF THE ESSENCE THERETO**, Purchaser shall conclusively be deemed to have waived the financing contingency and will be required to proceed to closing, or forfeit his/her down payment, whether or not a mortgage commitment is obtained. If Purchaser, after a good faith attempt to do so, fails to obtain a firm written

commitment for financing, and notifies Sponsor within the prescribed time period, then Sponsor will return the down payment or deposit within 10 days after receipt of such notice. In the event Purchaser obtains a firm written commitment for financing, and the terms of such commitment are changed prior to closing, such change in terms shall not be an allowable reason for Purchaser to cancel the contract. Similarly, if the commitment expires prior to closing, Purchaser shall be under a good faith duty to take all required actions necessary to extend such commitment, including the payment of any extension fee required by the lending institution. However, in the event Purchaser has made such good faith effort to extend the commitment and is unable to do so, then, provided that Purchaser notifies Sponsor within 10 days after receipt of a notice from a lending institution that it will not under any circumstances extend the commitment, and that Purchaser is exercising his right to rescind the contract, Sponsor will return the down payment within 10 days of Sponsor's receipt of Purchaser's notification of exercise of right to rescind.

Under New York State law, when a mortgage commitment is not fulfilled through no fault of a purchaser, performance is excused. Therefore, if the purchaser acts in good faith, and the lender revokes the loan commitment after the contingency period expires, performance is excused, and the Sponsor must grant to such purchaser a right of rescission and a reasonable period of time in which to exercise such right.

Certain provisions of the Purchase Agreement are "**time of the essence**." This means that failure strictly to comply with the time requirements of said provisions may result in the Purchaser losing his right to complete the purchase, and forfeiting his downpayment hereunder. Thus, a Purchaser who fails to cure a default within thirty (30) days after receipt of written notice of said default will both have the Contract canceled and lose his Deposit; however, Sponsor must make written demand for payment after default at least 30 days before forfeiture the deposit may be declared. Similarly, a Purchaser who fails to notify the Sponsor in the event he has failed to obtain mortgage financing within forty (40) days after executing the Purchase Agreement will be required to proceed to closing, notwithstanding the fact that Purchaser has failed to obtain mortgage financing, and if such Purchaser fails to proceed to closing, the down payment may be retained by the Sponsor.

After the Plan has been declared effective, the Sponsor will fix dates for closing title to all units for which Purchase Agreements have been executed by serving notice on each Purchaser stating the date of the first closing and setting such purchaser's closing date.

Such notice will be served in compliance with the Attorney General's rules no less than 30 days prior to the closing date set therein. Sponsor will permit Purchasers to waive this 30 day provision by delivering to Sponsor's attorney written notice that Purchaser wishes to close prior to the expiration of the 30 day notice period. While no such waiver is included herein, Sponsor reserves the right to include such waiver in a subsequent amendment.

On closing, Purchaser will be required to sign a Power of Attorney in favor of the Board of Managers as otherwise set forth in this Offering Plan. If Purchaser refuses at closing to sign such a Power of Attorney, the Purchase Agreement shall be deemed cancelled and all rights of the parties thereunder shall terminate except that the amount of the purchaser's Deposit shall be paid over to the Sponsor as liquidated damages.

The Sponsor anticipates that the first closing of a unit will occur by January 1, 2022. Purchasers will be offered a right of rescission if: (i) the actual date of closing of title to the first unit; or (ii) the projected date of closing of title to the first unit occurs later than December 31, 2022, twelve months after the projected date for the first closing. If the Plan is amended to provide for a later projected date for the first closing, Purchasers will be entitled to an offer of rescission if the first closing occurs more than 12 months beyond that amended, later date.

However, if the first closing occurs on or before December 31, 2022, the Sponsor may schedule the closings of title to other units significantly later than such date. Unless your Purchase Agreement contains an outside closing date, the Sponsor is not obligated to schedule your closing within any specified time frame or to ensure that closing of title to your Unit will occur by any date certain. **PROSPECTIVE PURCHASERS SHOULD THEREFORE CAREFULLY CONSIDER THE POSSIBILITY OF SUCH DELAYS IN THEIR DETERMINATION AS TO WHETHER TO PURCHASE A UNIT.** In the event, however, that Sponsor cannot convey title to the unit on or before twelve (12) months from the date of the purchase agreement, affected Purchasers will be offered a right of rescission.

The Purchase Agreement may not contain, or be modified to contain, a provision waiving Purchaser's rights or abrogating Sponsor's obligations under the Offering Plan or Article 23-A of the General Business Law. Any conflict between the Purchase Agreement and the Offering Plan shall be resolved in favor of the Offering Plan. Sponsor will not permit the assignment or transfer of Purchase Agreements.

THE PURCHASE OF A CONDOMINIUM UNIT HAS MANY SIGNIFICANT LEGAL AND FINANCIAL CONSEQUENCES AND MAY BE ONE OF THE MOST IMPORTANT FINANCIAL TRANSACTIONS OF YOUR LIFE. THE ATTORNEY GENERAL STRONGLY URGES YOU TO READ THIS OFFERING PLAN CAREFULLY AND CONSULT WITH AN ATTORNEY BEFORE SIGNING AN AGREEMENT TO PURCHASE A UNIT IN A CONDOMINIUM.

EFFECTIVE DATE

The offer to sell embodied in this Offering Plan is contingent upon the Plan being declared effective in accord with its terms and conditions, and the terms and conditions imposed by law.

The Plan will only be declared effective by a duly filed amendment, or by personal service of notice to all Purchasers. If declared effective by notice, an amendment to that effect, specifying the date on which the Plan was declared effective, shall be filed within five (5) days thereafter with the New York State Department of Law. No closing on any individual unit will be held prior to the acceptance for filing of such amendment by the New York State Department of Law.

The Plan may be declared effective upon the execution of Purchase Agreements for 15% (in number, not common interest) of the residential units in the building to bona fide purchasers, including investors. A minimum of three (3) residential units must be sold to declare the Plan effective. The count of Purchase Agreements towards the minimum number for effectiveness shall not include those: signed by Purchasers granted a right of rescission which has neither expired nor been waived; a Purchaser who has not had at least three (3) business days to review the Offering Plan and all filed amendments prior to executing a Purchase Agreement or had less than seven (7) days after delivering an executed Purchase Agreement together with the required deposit to rescind the Purchase Agreement and have the full deposit refunded immediately; with any Purchaser who is the Sponsor, the selling agent, or the managing agent, or is a principal for the Sponsor, the selling agent, or the managing agent, or is related to the Sponsor, the selling agent, or the managing agent, or to any principal of the Sponsor, or the selling agent, or the managing agent by blood, marriage, or adoption, or as a business associate, employee, shareholder, or a limited partner; except that such a Purchaser, other than the Sponsor or a principal of the Sponsor, may be included if the Sponsor has submitted proof satisfactory to the Department of Law establishing that the Purchaser is bona fide. Parking and storage units are deemed accessory and shall not count towards the minimum number of units required to declare the plan effective; however, residential units purchased by an investor or for the purpose of resale shall be counted.

Notwithstanding the fact that not all purchasers used for purposes of declaring the Plan effective may actually close, Sponsor must re-declare the Plan effective in order to consummate the Offering Plan in accordance with 13 N.Y.C.R.R. § 20.1(c)(6). If all purchase agreements are either rescinded or terminated prior to the date of first unit

closing, regardless of whether the condominium declaration has been recorded, then Sponsor must re-declare the Offering Plan effective.

The Plan must be declared effective upon the execution of Purchase Agreements for 80% (in number, not common interest) of the residential units, which, in the case of this Plan means fifteen (15) residential units. Prior to the sale of 80% of such Units, or prior to being declared effective, the Plan may be abandoned by the Sponsor at its option. The Sponsor cannot abandon the plan for any judgments or liens against the property resulting from acts of the Sponsor or any of its principals or which are known to the Sponsor on the date of the plan. If the Sponsor abandons the plan, the Sponsor will return all monies paid by Purchasers, including down payments and the cost of custom work, if any, together with interest earned, if any, within ten business days. The Sponsor will also file with the New York State Department of Law an amendment abandoning the Plan and form RS-3, detailing why the Plan was abandoned, and explaining all disbursements of funds. If payments under Purchase Agreements have been received, the amount of such funds and the manner and time when these funds will be returned to purchasers must be disclosed. The funds must be returned within five (5) days after the amendment abandoning the Plan has been accepted for filing.

The Sponsor may not abandon the Plan after it has been declared effective for any reason other than: a defect in title which cannot be cured without litigation, or expenditure of an amount in excess of one-half (1/2) of one percent (1%) of the total offering price, or substantial damage or destruction of the building by fire or other casualty which cannot be cured for less than one-half (1/2) of one percent (1%) of the total offering price, or the taking of any material portion of the property by condemnation or eminent domain; however, any stated dollar amount relied upon as a basis for abandonment after effectiveness must exclude any attorney's fees. Such title defects, violations, or substantial damage or destruction of the building by fire or other casualty, or determinations of any authority or regulatory association, which exist on the date of the presentation of the Plan, and are either known to the Sponsor, or are a matter of public record, shall be excluded from calculations under this section. Additionally, any dollar amount relied on as a basis for abandonment after effectiveness must exclude any attorney's fees. The Sponsor may also not abandon the Plan on account of any judgments or liens against the property resulting from the acts of the Sponsor or any of its Principals, or which are known to the Sponsor or any of its Principals on the date of presentation of the Plan.

Risk of loss from fire or other casualty remains with the Sponsor until title is passed, unless and until the Purchaser is given the right of possession of a unit pursuant to a written agreement with the Sponsor. Upon Purchaser acquiring the right of possession of the unit, all risk of loss to the unit and its contents, to the extent not covered by building insurance, passes to Purchaser, and Sponsor shall not thereafter be responsible for repairing any damage. No closing will occur unless and until a partial, temporary, or permanent Certificate of Occupancy for the unit to be closed has been issued.

The Declaration, By-Laws, and Floor Plans for the Condominium, and such other documents as are required by law, will be recorded with the Office of the City Register of the City of New York in accordance with the New York Condominium Act prior to the first conveyance of title to a unit.

If any mortgages or construction loans encumbering the property will not be satisfied at or prior to closing of the first unit, each mortgagee will, at the time of the conveyance of the first unit, either consent to the formation of a Condominium and acknowledge that its lien will be limited to Unsold Condominium Units, or subordinate the lien of its mortgage to the Declaration of the Condominium, or release its lien upon the Condominium Unit being conveyed and its interest in the Common Elements.

CLOSING COSTS AND ADJUSTMENTS

As set forth in the Purchase Agreement, the Purchaser will pay the following estimated closing costs at the time of Closing of Title for the Purchaser's Unit. Purchaser may use any title insurance company of his or her choosing without incurring a penalty. These estimates are based on current costs and charges, which are subject to change:

- (a) If a Purchaser elects to obtain fee title insurance, the Purchaser will pay the premium thereof which will vary depending upon the purchase price of the Unit. Rates set by the New York Board of Title Underwriters are \$723.00 on a Purchase Price of \$200,001.00 and approximately \$2.60 for each additional thousand dollars or fraction thereof. Mortgage title insurance is currently \$137.00 on a mortgage of \$100,001.00 and \$0.77 for each additional thousand dollars or fraction thereof. Where mortgage and fee title are obtained simultaneously the charge for mortgage insurance is reduced to 30% of the usual applicable rate, up to the amount of the fee insurance; the amounts provided reflect this.
- (b) Fees for recording the Deed and Power of Attorney are \$42.00 for the first two pages, plus \$5.00 per page for every page thereafter, and a \$50.00 service charge per instrument. Additionally, there is a \$25.00 charge for recording the Real Property Transfer Tax Return along with the deed.
- (c) If the purchaser obtains a mortgage loan, the purchaser will pay a mortgage tax of 2.05% of the principal amount of the mortgage if the mortgage is under \$500,000.00; under New York State Law the lending institution is required to pay 0.25% so that a purchaser's effective rate of a residential mortgage under \$500,000.00 will be 1.8%. If the residential mortgage is \$500,000.00 or over the rate will be 2.175%, minus the 0.25% lending institution's contribution for an effective mortgage tax rate of 1.925%. If a mortgage tax credit is or becomes available pursuant to Section 339-ee(2) of the Condominium Act, such credit will inure to the benefit of the Sponsor. Accordingly, at closing, the Purchaser will reimburse the Sponsor for any mortgage tax credit allowed and will pay the balance of the mortgage recording tax as provided by law.
- (d) All legal costs, fees, and expenses charged by the purchaser's attorney will be the sole responsibility of the purchaser.

(e) New York City Real Property Transfer taxes, currently one (1%) percent of the Purchase Price of up to \$499,999, and 1.425% for those priced \$500,000 or above, will be the sole responsibility of the Purchaser. In general, sellers are obligated to pay the New York City Real Property Transfer Tax; however, here the Sponsor is transferring the statutory obligation to the Purchaser to pay the New York City Real Property Transfer Tax. Payment of the New York City Real Property transfer tax by the Purchaser therefore is deemed an additional consideration to the Seller, and so is in and of itself taxable, which will result in a "tax on a tax" effect.

(f) New York State Documentary Stamp taxes presently \$4.00 per \$1,000.00 of the Purchase Price of a Unit with consideration of less than three million (\$3,000,000.00) dollars, less existing and continuing mortgage, will be the sole responsibility of the Purchaser. In general, sellers are obligated to pay the New York State Documentary Stamp Tax; however, here the Sponsor is transferring the statutory obligation to the Purchaser to pay the New York State Documentary Stamp Tax. Payment of the New York State Documentary tax stamps by the Purchaser is therefore deemed an additional consideration to the Seller, and so is in and of itself taxable, which will result in a "tax on a tax" effect.

(g) At closing, each Purchaser will be required to make a contribution to the Working Capital Fund in an amount equal to two months' common charges for the unit purchased.

(h) All costs with regard to any mortgage that the Purchaser will place on his/her Unit (i.e., loan origination fees, commitment fees, application fees, appraisal fees, credit reports, survey fees, bank attorney fees, tax service fees, bank document preparation fees, etc.) will be the Purchaser's own and sole responsibility.

(i) All closings will occur in New York County at the offices of Smith, Gambrell & Russell, LLP located at 1301 Avenue of the Americas, New York, New York 10019 or another location designated by the Sponsor's attorney. Under no circumstances will Sponsor be required to close at any place other than a location designated by Sponsor's attorney. In the event that the Purchaser requests for the closing to take place outside the location designated by the Sponsor's attorney, and Sponsor consents to the location change, the purchaser will be required to pay a location change fee of \$500.00 for closings in Kings or New York counties or \$1,000 for closings in any other location.

(j) An apartment with a purchase price of \$1,000,000.00 or higher will be required to pay the New York State Mansion Tax of 1% of the purchase price. To the extent that the “grossed-up” consideration causes the consideration to exceed \$1,000,000.00, this New York State Mansion Tax will be due. Effective July 1, 2019, conveyances of residential real property with a consideration of two million (\$2,000,000.00) dollars or more will be subject to a supplemental Mansion Tax. Below is a table showing the break-down of the supplemental Mansion Tax charges for residential real property with considerations up to \$9,999,999.99:

Consideration	New York Mansion Tax (including supplemental Mansion Tax)
\$1,000,000.00 or less	Not subject to tax
\$1,000,000.00 to 1,999,999.99	1%
\$2,000,000.00 to 2,999,999.99	1.25%
\$3,000,000.00 to 4,999,999.99	1.5%
\$5,000,000.00 to 9,999,999.99	2.25%

(k) On March 31, 2019, New York State announced additions to the base real estate transfer tax (“transfer tax”) and established a new supplemental tax (“supplemental tax”) on certain conveyances of real property within New York State occurring after July 1, 2019. These amended tax rates apply only to conveyances of real property in cities with a population of 1 million or more (which includes only New York City as of this date). The additional base transfer tax applies only to conveyances of residential real property when the consideration for the conveyance is \$3 million or more, and conveyances of any other property when the consideration for the conveyance is \$2 million or more. For conveyances of residential real property where the consideration for the entire conveyance is \$3 million or more, the new additional base tax rate is \$1.25 for each \$500 or fractional part thereof (“additional base tax”). The new supplemental tax applies only to conveyances of residential real property when the consideration for the conveyance is \$2 million or more. For conveyances of residential real property where the entire conveyance amount is at least \$2 million but less than \$3 million, the new supplemental tax is one-quarter of one percent (0.25%). For conveyances of residential real property where the entire conveyance amount is at least \$3 million but less than \$5 million, the new supplemental tax is one-half of one percent (0.5%). Purchasers shall be responsible for paying the additional base transfer tax and supplemental tax. The purchaser’s payment of the

additional base transfer tax will itself be deemed additional consideration, resulting in a "tax on a tax" effect. Purchasers are advised to consult with their own counsel concerning transfer taxes and other closing costs.

ALL COSTS FOR RECORDING CHARGES, MORTGAGE, TRANSFER, AND OTHER TAXES ARE SUBJECT TO CHANGE. THESE CHARGES ARE NOT SET BY THE SPONSOR AND SPONSOR SHALL NOT BE LIABLE ON ACCOUNT OF ANY INCREASE IN SUCH CHARGES IMPOSED BY THE CITY AND/OR STATE AND/OR OTHER ASSESSING AUTHORITY BETWEEN THE TIME OF THIS WRITING AND THE TIME OF A PURCHASER'S CLOSING.

Purchasers of a unit shall pay to the Sponsor's attorney at closing a fee of \$4,000.00 for the preparation of closing documents, plus \$250 for the preparation of ACRIS documents and \$250 to fill out and forward an appraisal and lender questionnaire and for obtaining the necessary and proper Certificates of Insurance for the purchaser and their lender. If a purchaser fails to close on the date set for first closing, or adjourns a scheduled closing date on less than three (3) days notice, there shall be a late closing adjournment fee of \$250.00 added to the above. In the event Purchaser fails to fulfill his/her terms of the Purchase Agreement and Sponsor's attorney mails a Notice of Default, there will be a \$100.00 charge for such notice. The above closing fees are cumulative to the extent applicable to an individual closing.

If the Units have not been separately assessed for real estate tax purposes prior to the Closing of Title to the first Unit, the Sponsor will place in escrow, in the name of the Board of Managers, an amount equal to the unpaid real estate taxes (or estimates thereof based on current assessments) due for the next ensuing six months (or until the Units are separately assessed, whichever is shorter), provided, however, that as closings occur, the portion of such funds held in escrow which represent the portion allocable to the Unit being sold shall be released, and interest accrued on such escrow, if any, shall inure to the benefit of, and belong to, the Sponsor. The Board of Managers will pay the real estate taxes from the escrow account when taxes are due and payable; the Sponsor shall be entitled to reimbursement from unit owners for any taxes paid on their behalf.

Purchasers under contract to purchase a unit must take title to the property in the same name that appears on the executed Purchase Agreement. Sponsor at Sponsor's option may allow Purchaser to assign a contract but shall have no obligation to do so. In the event of such assignment, Purchaser shall pay an assignment fee of \$1,500.00.

At closing, each purchaser will pay to the Sponsor a reimbursement fee of \$2,500.00 for the cost of preparing and filing the condominium offering plan.

Except as specifically set forth herein, the Sponsor will pay all costs and expenses incurred in connections with this Plan, the creation of the Condominium and the initial sale of units.

A numerical example of closing costs allocable to a typical Unit is set forth on the next page. Said example is for illustrative purposes only and is not intended to be comprehensive.

RIGHTS AND OBLIGATIONS OF THE SPONSOR

It is the Sponsor's obligation to build and complete the condominium in accordance with the building plans and specifications identified in the Offering Plan. Sponsor has the right to substitute equipment or materials and make modifications of layout or design, provided however, that Sponsor may not:

- (i) substitute equipment or materials of lesser quality or design; or
- (ii) change the size, location of buildings or units other improvements or common elements if such changes affect the percentage of common interest or adversely affect the value of any unit to which title has closed or for which a purchase agreement has been executed and is in effect unless all affected unit owners and contract vendees consent in writing to such change.

While the Sponsor will endeavor in good faith to sell all units, the Sponsor is retaining the unconditional right to rent rather than sell units after consummation of the Plan. Thus, Sponsor may never sell more than the 15% of units required to declare the plan effective, which in the case of this plan means three (3) units. As a result of this, the plan may not result in the creation of a condominium in which a majority of the units are owned by owner-occupants or investors unrelated to the Sponsor. The condominium Board does not have the right to approve or disapprove Purchasers, so there is no limit on the number of owners who may purchase for investment rather than personal occupancy. There may always be a substantial percentage of owners who are non-residents. Owner-occupants and non-resident owners, including Sponsor or purchasers for investment, may have inherent conflict on how the condominium should be managed because of their different reasons for purchasing (i.e., purchase as home as opposed to purchase as investment). There are no restrictions on renting imposed by a construction lender.

The Sponsor gives no warranty as to materials or workmanship that shall survive sale of a unit, except as required by the New York State Housing Merchant Implied Warranty Law, located in Part II of this Offering Plan at pages HM1-HM7. New York State General Business Law requires the builder of new dwelling consisting of five stories or less to provide a warranty to the Purchaser as follows:

- (a) For one year, the home must be free from defects caused by workmanship or materials that do not meet the standards of the applicable building code; for the items not covered by code, the construction must be in accordance with locally accepted building practices.

(b) For two years, the plumbing, electrical, heating, cooling and ventilation systems must be free from defects caused by unskillful installation.

(c) For six years, the home must be free from physical defects in the structural elements (foundations, floors, walls, roof framing) which make it unsafe or unlivable.

The Housing Merchant Implied Warranty Law does not apply to patent defects which an examination ought in the circumstances to have revealed. Purchasers are encouraged to examine the premises prior to going to contract to determine whether any patent defects exist, and again to perform a standard pre-closing walk-through inspection prior to closing. Sponsor shall not be liable for any patent defects that an examination ought in the circumstances to have revealed. The time frames specified above apply to latent defects. Written notice of a warranty claim for breach of a housing merchant implied warranty must be received by the Sponsor pursuant to § 777-a of the General Business Law of the State of New York, and also pursuant to this section the owner and occupant of the home shall afford the builder reasonable opportunity to inspect, test, and repair the portion of the home to which the warranty claim relates.

The Housing Merchant Implied Warranty is also applicable to the common elements. In addition to, and notwithstanding any limitations set forth in the Housing Merchant Implied Warranty Law, Sponsor remains under a duty to construct the premises in accordance with all applicable codes, filed plans, and specifications, and, for items not covered by local building codes, locally accepted building practices for such items. Notwithstanding the foregoing, all representations under this Offering Plan, all obligations pursuant to the General Business Law, and such additional obligations under the Offering Plan that are specifically to be performed subsequent to the closing date, shall survive delivery of the deed.

Each prospective purchaser may have the building and apartments therein inspected by an architect or engineer of their own choosing, and at their own expense, to determine the quality of materials and workmanship.

Unless the plan has been abandoned pursuant to the EFFECTIVE DATE section of this offering plan, Sponsor will repair any damage from casualty or other cause that occurs prior to the closing of a unit. A Purchaser is under the obligation to inspect the unit prior to closing and shall be obligated to report any pre-closing damage to the Sponsor prior to closing. With regard to damage to a unit which is reported prior to closing, Sponsor will, as set forth above, repair all such damage within fifteen (15) days after closing (or such longer time as is required to accommodate the delivery of materials which must be ordered to complete any such repairs, so long as such longer time period is reasonable).

In the event Sponsor fails to perform such obligation, Purchaser may enforce same in a court of competent jurisdiction.

The Sponsor will pay for the authorized and proper work involved in the conversion of the property that the Sponsor is obligated to complete under the Plan. All mechanics' liens that are lodged against the property by virtue of work done by the Sponsor, or on the Sponsor's behalf, will be promptly discharged or appropriately bonded. Sponsor guarantees payment of all common charges and assessments with respect to unsold units. Such guarantees will remain in effect until all units are sold. Sponsor warrants and represents that it has adequate financial resources to meet its obligations with respect to any unsold unit.

The Sponsor agrees to pay all common charges, special assessments, and real estate taxes with regards to unsold units, and has financial resources to meet its obligations with respect to such unsold units, which source of funding includes both proceeds of the sale of units and existing financial resources of the Sponsor. No bond or other security has been furnished to secure Sponsor's obligations.

In the event of dissolution or liquidation of the Sponsor, or transfer of 20% or more of the total number of residential units in the condominium, the principals of the Sponsor will provide financially responsible entities or individuals who will assume the status and all of the obligations of the Sponsor for those units under the Offering Plan, applicable laws, or regulations.

The Sponsor will defend any suits or proceedings against the condominium arising out of the Sponsor's acts or omissions, and the Sponsor does hereby indemnify the condominium, the Board of Managers, and individual unit owners therefor. Nothing contained herein shall limit the rights of the condominium that are granted pursuant to law and statute.

In the event the work on the building as set forth herein is not fully completed at the time the building becomes occupied, the Sponsor will have the right to enter the premises to complete its obligations under this Plan. Such entry shall be conducted in such a manner so as to produce a minimum of discomfort to those purchasers already in possession.

In the event the Sponsor finds it necessary to enter the property after closing of title to complete work, then such work will be performed between 8 am and 6 pm on weekdays and non-holiday weekends. Damage caused by such work will be repaired in a good and workmanlike manner.

Sponsor will secure, and provide at closing, an agreed amount replacement value multi-peril hazard policy which will prevent the Condominium from being a co-insurer. The cost of such policy will be paid by the Condominium and is provided for in SCHEDULE B. Sponsor also agrees to deliver a set of "as built" plans to the Board of Managers upon election of the first Board of Managers after closing of the first unit. Sponsor will assign any manufacturer's warranties with respective equipment and appliances installed in any individual unit to the unit owner, and with respect to equipment and appliances installed in the common elements, same will be assigned to the Board of Managers.

The property will be conveyed free and clear of all liens. Copies of the plans, exhibits and documents referred to herein shall be kept on file at the office of the Attorney for the sponsor for a period of six years after filing of the Declaration of Condominium. No bond or other security has been furnished to secure Sponsor's obligations hereunder. The Sponsor will repair any damage from a casualty or other cause that occurs prior to the closing of any unit, and no Purchaser shall be required to accept a damaged unit.

Purchasers are advised that in New York City, newly constructed and newly renovated buildings are sometimes offered as condominium projects without a final certificate of occupancy ("FCO") covering the entire building but with only a temporary certificate of occupancy ("TCO"), and sometimes with several successive TCOs. Certificates of occupancy are generally governed by Section 301 of the New York Multiple Dwelling Law and local building codes and rules. Both TCOs and FCOs are issued by the New York City Department of Buildings ("DOB"). A TCO is intended to indicate that the property conforms substantially to the DOB approved plans and specifications, and to the requirements of all applicable laws, rules, and regulations for the uses and occupancies specified in the TCO. No change of use or occupancy shall be made unless a new certificate of occupancy is issued. All TCOs have an expiration date. A TCO typically expires 90 days after the date of issuance. When a TCO expires and is not renewed, it may be difficult or impossible to buy insurance, refinance, or sell units. In New York City, it is common for sponsors to commence unit closings when some or all units are covered by a TCO rather than an FCO. Sponsor anticipates this scenario may occur. Sponsor and its Principals will undertake the responsibility for extending each TCO received prior to expiration thereof, and ultimately for obtaining an FCO covering the entire building within two years from the date of the issuance of the first TCO. However, Sponsor and its Principals make no representations or guarantee that DOB will issue the FCO within such two-year period. NOTWITHSTANDING THE FOREGOING, SPONSOR AND ITS PRINCIPALS ARE OBLIGATED TO PROCURE THE FCO FOR THE ENTIRE BUILDING AND SHALL EXERCISE BEST EFFORTS TO OBTAIN THE FCO WITHIN SUCH TWO-YEAR PERIOD WHILE KEEPING THE TCO CURRENT. Unit owners and the Board of Managers shall be obligated to cooperate with and refrain from

obstructing Sponsor in these undertakings.

Furthermore, because Sponsor and the By-laws of the Condominium may permit unit owners to undertake renovations to individual units prior to the procurement of an FCO, such renovations may cause additional delays in the issuance thereof. Notwithstanding the foregoing, Sponsor and its Principals are obligated to procure the FCO.

It is the obligation of the Sponsor and its principals to procure the TCO. As described in greater detail in the Plan, Sponsor will maintain sufficient funds in escrow to cover the anticipated costs of obtaining a FCO. Sponsor will also use best efforts to extend the TCO; however, the TCO may lapse for reasons outside the Sponsor's control. Procuring an FCO is the obligation of the Sponsor and its principals. In the absence of a FCO or TCO it is unlawful to reside in or rent a unit and will be difficult for owners or purchasers to obtain financing and pass clear title. Buyers are advised to visit the DOB website for further recommendations when purchasing a unit in a building that does not have an FCO. A Factsheet on Certificates of Occupancy is available on the DOB website at: http://www.nyc.gov/html/dob/downloads/pdf/co_factsheet.pdf. Please see the ARCHITECT'S REPORT located in Part II of this Offering Plan.

If the first closing may take place prior to the issuance of a permanent certificate of occupancy for the property:

(i) Sponsor is required to maintain all deposits and funds in any special escrow account required by General Business Law, section 352-e(2-b) unless the sponsor's engineer, architect or other qualified expert certifies that a lesser amount will be reasonably necessary to complete the work needed to obtain a permanent certificate of occupancy, in which case the sum exceeding the amount so certified by the sponsor's engineer, architect or other qualified expert may be released from any special escrow account. Alternatively, sponsor must deposit with an escrow agent an unconditional, irrevocable letter of credit, post a surety bond in the amount so certified, or provide other collateral acceptable to the Department of Law.

(ii) Notwithstanding subparagraph (i) of this paragraph, if the offering plan is subject to the provisions of General Business Law, section 352-ee, sponsor is required to maintain all deposits and funds in any special escrow account required by General Business Law, section 352-e(2-b) unless the sponsor's engineer or architect certifies that a lesser amount will be reasonably necessary to complete all alterations and improvements to the public portions and common areas of the building. In such case the sum exceeding the amount so certified by the sponsor's engineer or architect may be released from any special escrow account. Alternatively, sponsor must deposit with an escrow agent an

unconditional, irrevocable letter of credit, post a surety bond in the amount so certified, or provide other collateral acceptable to the Department of Law.

CONTROL BY THE SPONSOR

The Sponsor's Control of the Board of Managers of the Condominium will be subject to the following:

The By-Laws are reproduced in Part II, beginning on page CBL1. A summary of certain pertinent provisions of these By-Laws is set forth below. The By-Laws limit the number of Managers on the Board of Managers (hereinafter called "Managers") to not less than three (3). The first Board of Managers to be elected by the Unit Owners shall consist of three (3) members. They will be Sam Alison-Mayne, Sebastian Mendez, and Hugo Grassi, all principals of the Sponsor.

At the time of the First Closing there will be three Managers designated by the Sponsor. However, the Managers will resign in favor of Managers who will be elected by the purchasers at a meeting to be convened within 60 days after First Closing. If the Sponsor still owns 50% or more of the units in the building 60 days after the first closing, a majority of the new Board of Managers may be Sponsor-appointees.

Because a majority of the new Board of Managers may be Sponsor-appointees, if the Sponsor still owns 50% or more of the units in the building 60 days after the first closing, transfer of control of the Condominium Board of Managers shall pass to unit owners other than the Sponsor at the earlier of the following, if it has not already:

- a) Sixty (60) days after the date by which 75% of the units have been conveyed to unit purchasers; or
- b) Three (3) years after the first conveyance of a unit to a unit purchaser.

Within thirty (30) days after transfer of control, a meeting will be held to elect new Managers unrelated to the Sponsor. Notwithstanding the foregoing, even after control is surrendered to a Board elected by unit owners, the Sponsor may vote for the unit owner of its choice at an election of Managers. The Sponsor will not hold control of the condominium board after the Sponsor control period and therefore may not appoint more than one board member after the control period.

So long as a majority of the Board of Managers consists of managers elected by the Sponsor or holders of unsold units, the Board:

1. Shall not eliminate or reduce the number of employees, insurance coverages, or any service to a level less than that provided in Schedule B unless a majority of Board members elected by bona fide unit purchasers vote in favor thereof.
2. Shall, to the extent of their authority as Board Members, use all reasonable efforts to cause the Building (including its equipment, services, and installations) to be kept operational, clean, and in a good state of repair and condition;
3. Shall not veto expenditures required to comply with applicable laws or regulations and/or expenses necessary to remedy notice of violations of law, or order of an insurance carrier.

The Sponsor may exercise veto power over other expenses for a period ending not more than five (5) years after the closing of the first unit, or whenever the unsold units constitute less than 25% of the common interest, whichever is sooner. Additionally, the By-Laws do not include a provision that a majority of the Board of Managers must be owner-occupants or members of an owner-occupant's household that are unrelated to the Sponsor and its Principals after the end of the initial Sponsor control period.

Until the earlier of five years from the date of closing, or at the time at which the Sponsor or other Holder of Unsold Units owns units consisting of less than 25% of the common interest of the Condominium, Sponsor may exercise veto power over any expenses other than those described in SCHEDULE B, or which are required to comply with applicable laws or regulations, remedy any notice of a violation, or remedy any work order from an insurer. Additionally, so long as the Sponsor retains ownership of at least one unit in the building, the By-Laws, Declaration, and Rules and Regulations of the Condominium may not be amended or modified in any way so as to adversely affect the Sponsor without written consent by the Sponsor.

All Board Members shall serve without compensation. Any member of the Board of Managers who is a designee of the Sponsor, may contract or deal with Sponsor or a partner, affiliate, or entity controlled by the Sponsor; however, such Board members shall remain under a fiduciary duty to act in the best interest of the condominium. Additionally, such Board Members shall be required to disclose the nature of their relationship(s) in dealing with the Sponsor to all unit owners.

BOARD OF MANAGERS

The Condominium shall be governed according to the By-Laws in Part II, beginning on page CBL1.

The By-Laws limit the number of Managers to not less than three (3) members. The first Board of Managers shall consist of three (3) members designated by the Sponsor. They will be Sam Alison-Mayne, Sebastian Mendez, and Dr. Hugo O. B. Grassi, all principals of the Sponsor. However, these Officers and Managers will resign in favor of Officers and Managers which will be elected by the Unit Owners at a meeting to be convened within sixty (60) days after the First Closing; they may, however, be re-elected at such time. Transfer of control of the Condominium Board of Managers shall pass to Unit Owners other than the Sponsor at the earlier of the following:

- a) Sixty (60) days after the date by which 75% of the units have been conveyed to unit purchasers; or
- b) Three (3) years after the first conveyance of a unit to a unit purchaser.

Within thirty (30) days after transfer of control, a meeting will be held to elect new Managers unrelated to the Sponsor. The By-Laws do not include a provision that a majority of the Board of Managers must be owner-occupants or members of an owner-occupant's household who are unrelated to the Sponsor and its Principals after the end of the initial Sponsor control period.

Managers shall be elected by a plurality of the votes at a meeting at which a quorum shall be present. When voting for Managers, each Unit Owner shall be entitled to cast one vote for each .01% of common interest in the condominium appurtenant to such Owner's Unit, which may be cast all for one nominated manager or divided among any number of candidates. At such time as the Unsold Units constitute less than twenty-five (25) percent of the Condominium, but in no event later than the third anniversary of the Closing Date, not less than a majority of Managers shall be unit owners other than, and unrelated to, the Sponsor. Notwithstanding the foregoing, Sponsor may vote for Unit Owners from among the non-Sponsor related persons seeking election to the Board of Managers. Members of the Board of Managers shall serve without compensation, except for reimbursement for expenses actually incurred in the course of any furtherance of business for the Board of Managers.

The Board of Managers shall meet at least annually in March of each year, and at such regularly scheduled times as shall be adopted by resolution by the Board. Special meetings may be called on five (5) days written notice by any two Managers.

The Board of Managers will be responsible for the operations of the affairs of the Condominium, including, but not limited to, the fiscal operation, repairs and maintenance of the common areas of the Property, replacement and capital improvements to the common areas of the Property, the hiring, supervision and discharging of employees and Managing Agent (if any), and the enforcement of the provisions of the By-Laws, and shall have the powers and duties necessary for the administration of such affairs. The Managers shall serve without compensation or remuneration.

Any Manager may be removed from office at any time with or without cause upon the affirmative vote of the Unit Owners whose aggregate votes are at least 51% of the votes of the Condominium at a Unit Owner's meeting duly called for the purpose, provided, however, that the Manager(s) elected by the Holder(s) of Unsold Units can be removed only for cause by vote of a majority of the Unit Owners or without cause by the Holders of the Unsold Units.

The members of the Board of Managers shall not be liable to the Unit Owners for any mistake of judgment, negligence, or otherwise, except for willful misconduct or bad faith. The Unit Owners shall severally indemnify the members of the Board of Managers against any liability or claims except those arising out of the bad faith or willful misconduct of a member or members of the Board of Managers. It is intended that the members of the Board of Managers shall have no personal liability with respect to any contract made by them on behalf of the Condominium. It is also intended that the liability of any Unit Owner arising out of any contract made by the Board of Managers, or out of the aforesaid indemnity in favor of the members of the Board of Managers, shall be limited to such proportion of the total liability thereunder as his/her interest in the Common Elements of all Unit Owners.

The principal officers of the Condominium shall be the President, Vice-President, Secretary, and Treasurer, all of whom shall be elected by the Board of Managers. The President and Vice-President (but no other officers) need be members of the Board of Managers. All officers shall serve without compensation or remuneration. The officers shall be elected annually by the Board of Managers, and each officer shall hold office at the pleasure of the Board of Managers or until succession, resignation, or death. Upon

the vote of a majority of the Board of Managers, any officer may be removed with or without cause.

The President shall be the chief executive officer of the Condominium, and shall have all of the general powers and duties which are incident to the office of a President pursuant to Section 9B of the Real Property Law of the state of New York (New York's Condominium Act).

The Vice-President shall take the place of the President and perform his/her duties whenever the President shall be absent or unable to act. The Vice-President shall also perform such other duties as shall from time to time be imposed upon him/her by the Board of Managers or by the President.

The Secretary shall keep the minutes of all meetings of the Unit Owners and of the Board of Managers, shall have charge of such books and papers as the Board of Managers may direct, and shall, in general, perform all the duties incident to the office of a secretary pursuant to Section 9B of the Real Property Law of the state of New York (New York's Condominium Act).

The Treasurer shall have the responsibility for Condominium funds and securities and shall be responsible for keeping full and accurate financial records and books of account, and deposit of all moneys and other valuable effects in the name of the Board of Managers, or the Managing Agent, in such depositories as may from time to time be designated by the Board of Managers.

The Board of Managers, or the Secretary, shall keep detailed records of the actions and minutes of the meetings of the Board of Managers, minutes of the meetings of the Unit Owners, and financial records and books of account of the Condominium. In addition, an annual audited financial statement of the Condominium and an income tax deduction statement certified by an independent Certified Public Accountant shall be rendered by the Board of Managers to all Unit Owners on March 1st of each calendar year.

The Secretary shall mail a notice of each annual or special meeting to all Unit Owners of record. The notice shall state the purpose of the meeting as well as the time and place where it is to be held, and the notice will be given at least ten (10), but not more than forty (40) days prior to such meeting.

Each Unit Owner and each mortgagee of a Unit shall, upon prior request and with a valid business purpose, be permitted to examine the books of account of the Condominium

and other records of the Condominium during normal business hours on business days at the office of the Condominium.

Both the Declaration and the By-Laws may be modified or amended by the vote of two-thirds (2/3) of the Unit Owners, as that term is defined in Article II, Section 8 of the By-Laws, at a meeting of Unit Owners duly held for such purpose. Anything herein contained to the contrary notwithstanding, so long as the Sponsor is the owner of one or more Unsold Units, the By-Laws may not be altered, amended, repealed, or added to without the consent of the Sponsor.

The Board of Managers shall be required to maintain hazard and casualty insurance on the building in an amount sufficient to ensure that the condominium shall not be a co-insurer (which generally means that the policy must be retained at replacement value), and it shall also maintain liability insurance in an amount which it deems appropriate. The proceeds of the hazard and fire insurance policy shall be payable to the condominium Board in the event of a loss amounting to \$100,000 or less and to the insurance trustee if the loss exceeds \$100,000. Such proceeds shall be applied to the repairing, restoring, or rebuilding of the building unless otherwise determined by unit owners. In no event shall the proceeds of any such insurance policy be paid to the holder of any mortgage on a unit unless there has been a determination by Unit Owners not to rebuild the building. The insurance trustee, if any, shall be a bank or trust company having an office in the city and state of New York.

The Condominium shall continue, unless terminated by reason of casualty, loss, or by condemnation, until such time as the Condominium shall be legally abandoned and terminated as a result of the vote of Unit Owners owning at least eighty (80%) percent of the total votes of the Condominium, at which time the Property shall be subject to an action for partition by any Unit Owner, or any lienor, as if owned in common, and the net proceeds of the sale resulting therefrom shall be divided among all Unit Owners in proportion to their respective interests in the Common Elements, after first applying the share of the net proceeds of such sale otherwise payable to each Unit Owner to the payment of any liens on his/her Unit in the order of the priority of such liens.

Copies of the Declaration and By-Laws are set forth in Part II of the Plan.

Any provisions that give the Sponsor control of the enforcement of the Sponsor's obligations are not lawful. If there are non-Sponsor members of the board, and there is a vote on whether to sue the Sponsor, the Sponsor's representatives cannot lawfully vote on that issue.

RIGHTS AND OBLIGATIONS OF UNIT OWNERS AND BOARD OF MANAGERS

The headings used in this Section are inserted only as a matter of convenience and in no way define or limit the scope of the information contained within this Section.

1. Sale, lease, and mortgaging of units by unit owners.

Unit Owners will have the right to sell, lease, or mortgage their units, without restriction, except as set forth herein, subject to the requirements that all Common Charges are current. A Unit Owner may only sell or lease the entire Unit. A Unit Owner may not sell or rent only a portion of a Unit. While lease of a condominium unit, like any other contract, is subject to regulation by certain state laws (General Obligations Law, Multiple Dwelling Law, etc.), the terms of the lease (including rent) will not be subject to any state or local rent regulatory laws.

2. No right of first refusal.

The Board of Managers does not have a right of first refusal with regards to the sale or lease of any unit.

3. Common charges and assessments.

The Board of Managers shall from time to time, but at least annually, prepare a budget for the Condominium determining the amount of the Common Charges payable by the Unit Owners. Common Charges will be established by determining the operating budget for the coming year of condominium operation and allocating to each unit owner a percentage of that budget in accordance with their percentage of ownership for common interest in the condominium. The Common Expenses include, among other things, the cost of all insurance premiums on all policies of insurance required to be, or which have been, obtained by the Board of Managers. The Common Expenses may also include such amounts as the Board of Managers may deem proper for the operation and maintenance of the Property, including, without limitation, an amount of working capital and a general operating reserve. The Board of Managers shall advise all Unit Owners promptly, in writing, of the amount of Common Charges payable by each of them, and shall furnish copies of each budget on which such Common Charges are based to all Unit Owners and to their mortgagees of record, if requested.

Under the provisions of Section 339-z of the Real Property Law, the Board of Managers on behalf of the Unit Owners shall have a lien on each Unit for unpaid Common Charges assessed against such Unit by the Board of Managers, together with interest thereon. Such lien shall be subordinate only to liens for real estate taxes on the Unit and to any sums unpaid on the first mortgage or record of such Unit. Any lien for unpaid Common Charges against a Unit shall be effective from and after the filing of a notice thereof in the Kings County Office of the City Register, and until all sums secured thereby with the interest thereon shall have been fully paid, or until six years from the date of filing (unless foreclosure of such lien is started within such six year period), whichever may be earlier. Such lien may be foreclosed by a suit brought in the name of the Board of Managers acting on behalf of the Unit Owners in like manner as the foreclosure of a mortgage on real property, or an action may be brought by the Board of Managers to recover the Unpaid Common Charges without foreclosing the lien. In the event the Sponsor is more than thirty (30) days in arrears on Common Charges for any unsold Unit during the time the Sponsor is in control of the Board of Managers, Sponsor will cause the Board of Managers to file a lien as provided for in section 339-aa of the Real Property law.

Under section 339-kk of the Real Property Law, the Board of Managers has the right to require the tenant in an apartment owned by a non-occupying owner to make rental payments directly to the Board of Managers where such non-occupying owner is in default on payments of common charges, assessments, or late fees for such unit for a period of 60 days after the expiration of any grace period after they are due. Payments by such rental tenant to the condominium pursuant to this statute relieves such rental tenant from the obligation to pay such rent to such non-occupying owner, and is an absolute defense in any nonpayment proceeding commenced by such non-occupying owner. The procedures by which the Board of Managers may enforce this right, including required notice, means of protest, and termination are set forth in the aforementioned section which is recited at Page RP1 of this Offering Plan.

No Unit Owner may exempt himself from liability for Common Charges or Expenses by waiver of the use or enjoyment of any of the Common Elements, or by abandonment of his Unit. The liability of each Unit Owner for the payment of the Common Charges and Expenses thereafter assessed or becoming due against the Unit shall terminate upon a permissible sale, transfer, or other conveyance of such Unit and the appurtenant interests in the Common Elements. In addition, any Unit Owner may, subject to the terms and conditions specified in the By-Laws, convey his/her Unit together with the said appurtenant interests to the Board of Managers or its nominee on behalf of all other Unit Owners, and in such event be exempt from all Common Charges and Expenses thereafter assessed.

4. Repairs and Maintenance.

All maintenance or any repair to any Unit, ordinary or extraordinary, and to the doors and windows (except the painting and decoration of the side of the stairwell doors which do not face into a Unit), electrical (except Common Elements) within the Unit or belonging to the Unit Owner, shall be at the Unit Owner's expense, except for structural elements as specifically required herein. All maintenance, repairs, and replacements to the Common Elements (including the exterior walls of the Building) and the painting and decorating of the side of the stairwell doors which do not face into a Unit shall be made at the direction of the Board of Managers, and be proportionately charged to all the Unit Owners as a Common Expense, except to the extent that the same are necessitated by the negligence, misuse, or neglect of a Unit Owner, in which case such expense shall be charged to such Unit Owner. Unit owners who enjoy use of a limited common element are responsible for regular repair and maintenance of such limited common element such as cleaning, painting, repair to surface damage, etc. Damage to the structural or mechanical systems serving such limited common element (except where directly caused by act or omission of the unit owner, their agents, employees, or invitees) are the responsibility of the condominium through the Board of Managers.

5. Additions, alterations, and improvements.

No Unit Owner may make any structural addition, alteration or improvement in his Unit without the prior written approval of the Board of Managers. As a condition of the granting of its consent to the above acts, the Board of Managers may require the Unit Owner to execute an agreement in form and substance satisfactory to the Board of Managers setting forth the terms and conditions under which such alteration, addition, improvement, or repair may be made, including, without limitation, the days and hours during which any work may be done. No application shall be filed with any governmental authority for a permit covering an addition, alteration, or improvement to be made in a Unit unless approved and executed by the Board of Managers; such approval, however, shall not result in liability on the part of the Board of Managers, or any of them, to a contractor, subcontractor, materialman, architect, or engineer, by reason of such addition, alteration, or improvement, or to any person having any claim for injury to person or damage to property arising therefrom. The provisions of this paragraph shall not apply to an Unsold Unit, provided that any alterations to such Unsold Units shall be in accordance with, and only as permitted by, the Condominium Act and all governmental regulations. Non-structural alterations and improvements to Residential

Units that do not affect the exterior of the Building or the value of other Units may be made without prior approval of the Board of Managers.

Unit owners may perform all standard repair and maintenance items within their apartments and standard home improvement items without permission of the Board of Managers. Thus, unit owners may repair or replace fixtures, equipment, cabinetry, flooring, sheetrock, etc., without permission of the Board of Managers. However, unit owners may not relocate plumbing, heating, electric, or other service lines affecting other units in the building during the course of such repairs or improvements without receiving Board permission.

6. Insurance.

The Board of Managers shall obtain and maintain: (1) fire and hazard insurance with extended coverage, insuring the Building and Units (but not including furniture, furnishings, or other personal property supplied to, or installed by, Unit Owners), together with all service machinery contained therein covering the interests of the Condominium, The Board of Managers, and all Unit Owners and their mortgagees, as their interest may appear, in an amount equal to the full replacement value of the insured property without deduction for depreciation; (2) liability insurance for personal injury or property damage in an amount not less than one million dollars; and (3) such other insurance as the Board of Managers may determine. Each of the policies shall contain a New York standard mortgage clause in favor of each mortgagee of a Unit which shall provide that the loss, if any, thereunder shall be payable to such mortgagee as its interests may appear, subject, however, to the loss payment provisions in favor of the Board of Managers in the event of casualty or condemnation. Unit Owners shall be entitled to carry casualty insurance protection for their furniture and the interiors of their Units and for personal liability coverage for their own benefit at their own expense provided that such policies contain waivers of subrogation, and further provided that the liability of the carriers issuing insurance procured by the Board of Managers shall not be affected or diminished by reason of any other insurance carried by a Unit Owner. Please see SCHEDULE B for details of insurance coverage.

The proceeds of the hazard and fire insurance policy shall be payable to the condominium Board in the event of a loss amounting to \$100,000.00 or less and to the insurance trustee if the loss exceeds \$100,000.00. Such proceeds shall be applied to the repairing, restoring, or rebuilding of the subject premises unless otherwise determined by unit owners. In no event shall the proceeds of any insurance policy be paid to the holder of any mortgage on a unit unless there has been a determination by unit owners not to rebuild the

building. The insurance trustee, if any, shall be a bank or trust company having an office in the City and State of New York.

7. Restrictions on occupancy and use.

The By-Laws provide that the use of the Units shall be restricted to and be in accordance with the following provisions:

(a) A Unit Owner may only use his/her Unit for a purpose consistent with any applicable ordinance or statute, or regulation of a government authority that has jurisdiction over the Condominium, but in no event for a use that violates the By-Laws of the Condominium.

(b) The Common Elements shall be used for the furnishing of services and facilities for which they are reasonably suited and capable, and which are incident to the use and occupancy of Units.

(c) No nuisances shall be allowed on the Property, nor shall any use or practice be allowed that interferes with the peaceful possession or use of the Property by its residents or occupants.

(d) No improper, offensive, or unlawful use shall be made of the Property nor any part thereof. Violations of laws, orders, rules, regulations, or requirements, of any governmental agency having jurisdiction thereof, relating to any portion of the Property, shall be eliminated by, and at the sole expense of, the respective Unit Owners or by the Board of Managers, whichever shall have the obligation to maintain or repair such portion of the Property or comply with such laws.

(e) Each Unit Owner shall keep his Unit in a good state of cleanliness and repair in accordance with the provisions of the By-Laws and the rules and regulations of municipal departments or agencies having jurisdiction thereof.

Each Unit Owner will have an undivided interest in the Common Elements in the respective percentages set forth in SCHEDULE A in Part I. Subject to the provisions of the By-Laws and Rules and Regulations, the Common Elements are appurtenant to, serve, and benefit each Unit to the extent of such Unit's percentage share of the Common Elements, and the Common Elements are for the common use of all Unit Owners.

Further restrictions on the use of Units are set forth in the By-Laws, which are set forth in Part II of the Plan, and in Rules and Regulations made in accordance with the By-Laws. Current restrictions include a restriction that the residential units shall be used for private residence only, or any home occupation use permitted under applicable zoning law, ordinances, building codes, or other governmental regulations. However, the Sponsor or Sponsor-Designee has the right, without charge, (i) to maintain general and sales offices in one or more Units or elsewhere on the Property, to use one or more Units as models and for other promotional purposes and to erect and maintain signs on the Property; (ii) to have its employees, contractors and sales agents present on the Property; (iii) to do all things necessary or appropriate, including the use of the Common Elements, to sell or lease Units and to complete construction of the Building and to comply with its obligations. Units may not be used for any unlawful purpose, and any use which amounts to a violation of law or to rules, regulations, or requirements of any governmental agency having jurisdiction thereover shall be eliminated at the sole expense of the unit owner. No nuisances shall be allowed on the Property nor shall any use or practice be allowed which is a source of annoyance to its residents or which interferes with the peaceful possession or proper use of the Property by its residents. The Common Elements shall be used only for the furnishing of the services and facilities for which they are reasonably suited and which are incident to the use and occupancy of Units. A Unit Owner shall not place or cause to be placed in the lobby, public halls, stairways or other common areas or common facilities, any furniture, packages or objects of any kind. The public halls and stairways shall be used for no purpose other than for normal transit through them. There are currently no limitations on pets; aesthetic controls; restrictions on occupancy of units owned by corporations, partnerships or fiduciaries; limitations on the use of parking units. Rules and Regulations concerning the use of the Units may be promulgated and amended from time to time by the Board of Managers as provided in the By-Laws. Residential use of the premises is consistent with the zoning regulations and the anticipated certificate of occupancy.

8. Other material rights and obligations.

A Unit Owner by acceptance of a Deed for a Unit shall have granted a right of access to the Unit and to all appurtenant areas, if any, to the Managing Agent and/or any other person authorized by the Board of Managers or the Managing Agent for the purpose of performing installations, alterations, or repairs to the mechanical or electrical services of other Common Elements in his/her Unit or elsewhere in the Building in which the Unit is located, to remove violations, cure defaults by a Unit Owner, and for any other purpose provided in the Plan, Declaration, or as may be required by law or governmental regulation, provided that requests for entry (except in emergency situations) are at a time reasonably convenient to the Unit Owner. In case of emergency, such right of entry shall be immediate, whether the Unit Owner is present at the time or not. Provided reasonable care is exercised to safeguard the Unit Owner's property, such entry shall not render the Board of Managers or its authorized agents liable for damage incurred in connection with the exercise of such right of entry. Each Unit Owner will deposit with the President of the Board of Managers a key to his/her Unit to allow for entry in an emergency. The Board of Managers may designate responsible individual(s) to hold such keys.

Each Unit Owner shall be required to pay the Common Charges and Expenses levied by the Board of Managers. All Unit Owners, mortgagees, lessees and occupants of Units and their employees, and any other persons who may use the facilities of the Property in any manner, are subject to the By-Laws, the Declaration, and the Rules and Regulations. A copy of the Declaration and By-Laws and Rules and Regulations appear in Part II of this Plan. The violation of any of the Rules and Regulations or the breach of any By-Laws or provision of the Declaration shall give the Board of Managers, in addition to other rights set forth in specific provisions of the By-Laws, the right to: (i) enter any Unit in which, or as to which, such violations or breach exists and to abate and/or remove same summarily, at the expense of the defaulting Unit Owner. The Board of Managers shall not thereby be deemed guilty or liable for trespass nor be liable for any damage to the Unit, nuisances or fixtures incurred in connection with such rights unless such damage is caused by negligence on the part of the Board of Managers; or (ii) enjoin, abate, or remedy by appropriate legal proceedings, the continuance of any such violation or breach. The costs incurred by the Board by virtue of the exercise of its rights to correct such breaches or violations, including attorney's fees, shall be due upon demand from the Unit Owner in question, and shall constitute a Common Expense against his/her Unit.

At the time of closing, Purchaser will be required to execute a broad Power of Attorney in favor of the Board of Managers of the Condominium. This Power of Attorney will give the Board of Managers the right to acquire and otherwise administer defaulted, abandoned, or foreclosed units in the name of the condominium. It will also give the Board of Managers the right to execute amendments to the Condominium Declaration, Deeds conveying condominium property, filing for severance of tax lots, and other functions reasonable or necessary to effectuate the purposes set forth in the Condominium Declaration, on behalf of all of the Unit Owners. Purchaser must sign the Power of Attorney at closing; failure to sign the Power of Attorney will be deemed a default and will result in cancellation of the transaction and possible loss of the down payment. Please see the POWER OF ATTORNEY set forth in Part II of this Offering Plan.

9. Smoking Policy.

New York City Local Law 147 went into effect on August 28, 2018 and requires buildings with three or more residential units to adopt written smoking policies. For condominiums such as the subject premises, the Board of Managers must adopt such a policy; the policy for this condominium is as follows: Pursuant to Local Law 147, the subject premises' smoking policy is consistent with the Smoke Free Air Act ("SFAA"), which is the current law governing smoking in class A multiple dwellings. This building prohibits smoking or using electronic cigarettes in common indoor and outdoor areas of the building. Smoking and electronic cigarette usage is permitted in private apartments and outdoor limited common elements allocated to particular units.

REAL ESTATE TAXES

After the units are separately assessed, each Unit will be taxed as a separate tax lot for real estate tax purposes, and no unit owner will be responsible for the payment of, nor subject to, any lien for non-payment of taxes on any other unit. While there is no anticipated reason for delay in obtaining separate assessments by the New York City Department of Finance, which is the assessing authority, it is anticipated that units will not be separately assessed by commencement of the first year of condominium operation, which is anticipated to be January 1, 2022. On closing, Sponsor shall deposit with the Board of Managers a sum sufficient to pay all taxes due for the balance of 2021/2022 tax year. The Board of Managers shall be authorized to pay such taxes as and when due from such escrow fund. As each subsequent individual condominium Unit is sold, the Purchasers thereof, as a standard closing adjustment, shall reimburse the Sponsor for the portion of their tax liability paid by the Sponsor from the date of closing through the end of the 2021/2022 tax year. It is anticipated that Units will be separately assessed for the 2022/2023 tax year, and that individual unit owners (whether Purchasers, holders of unsold units, or the Sponsor) will pay the taxes thereof as set forth in the included SCHEDULE A. The amount of the taxes deposited with the Board of the condominium will be disclosed in the post closing amendments until the units are separately assessed.

The property is assessed by New York City through the assessing authority of the Department of Finance ("DOF").

Sponsor is **not** applying for Real Estate Tax Exemption Benefits for the residential portion of the condominium pursuant to Section 421-a of the New York City Real Property Tax Law implemented under the "Affordable New York Housing Program Rules," nor are such benefits available for this project.

Although the Sponsor anticipates that construction of the subject premises will be completed by the first year of condominium operation, **THE SPONSOR DOES NOT ANTICIPATE THAT THE REAL ESTATE TAXES FOR THE FIRST YEAR OF OPERATION WILL REFLECT THE FULL POST-COMPLETION ASSESSED VALUE OF THE PROPERTY. PURCHASERS ARE ADVISED THAT THEIR REAL ESTATE TAXES ARE LIKELY TO INCREASE IN THE SECOND YEAR OF CONDOMINIUM OPERATION TO REFLECT THE FULL POST-COMPLETION ASSESSED VALUE.**

Sponsor has obtained an estimate of post-completion assessed value of the property for real estate tax purposes from MGNY Consulting, 18 Bridge Street, Suite 2D, Brooklyn, NY 11201, whose opinion letter dated April 28, 2021 is included in this Plan. MGNY is of the opinion that post-completion, the residential portions of the property will be classified by the DOF as Tax Class 2 property and will pay taxes based on the Tax Class 2 tax rate, while the commercial Class 4 tax rate will be applied to the Community Facility Units. Community Facility Units are classified and taxed as commercial properties by the NYC Department of Finance (DOF). DOF calculations of real estate taxes are arrived at by applying the current tax rate to the assessed property value, and then allocating the resulting taxes in direct proportion to the allocation of common interest percentages set forth in the condominium Declaration. Sponsor makes no representation, however, that DOF will actually apportion the real estate taxes for each unit based on common interest, as the city is not bound by common interest allocations.

MGNY has provided projections of the resulting estimated real estate taxes for the first year of condominium operation by applying the estimated 2021/2022 pre-construction assessed value of the premises and the estimated 2022/2023 post-construction assessed value to the appropriate tax rate and totaling the pro rata tax liabilities of the two tax years that coincide with the first year of operation. Estimated real estate taxes for the first year of condominium operation are provided in SCHEDULE A. As the first year of condominium operation is expected to commence on January 1, 2022 and the NYC property tax year commences on July 1st each year, the anticipated first year of condominium operation therefore encompasses a blended year consisting of two tax years (2021/2022 and 2022/2023) and does not reflect the full post-completion assessed value of the building after completion of construction. The estimate for the first year of operation for the residential portion of the building assumes a Tax Class 2 tax rate of 12.267% for both tax years, which is the current tax rate for Tax Class 2 properties in the 2020/2021 tax year. It reflects an assessed value of \$2,541,682 for real estate tax purposes for the first six months of operation (January 1, 2022 through June 30, 2022) and an assessed value of \$2,750,000 for real estate tax purposes for the latter six months of the first year of operation (July 1, 2022 through December 31, 2022). The resulting anticipated annual tax burden on the residential portion of the property for the first year of operation is anticipated to be \$324,565 (consisting of \$155,894 for the period from January 1, 2022 through June 30, 2022 plus \$168,671 for the period from July 1, 2022 through December 31, 2022). **It is anticipated that the real estate taxes for the second year of operation, which is anticipated to commence January 1, 2023, will reflect an annual tax burden on the residential portion of the property of \$337,342 based upon a post-completion**

assessed value of the residential portion of the property of \$2,750,000 and a tax rate of 12.267%.

Unit owners shall be entitled to deduct real property taxes paid on the unit for income tax purposes subject to the limits imposed by the Tax Cuts and Jobs Act of 2017, which allows an itemized deduction of up to \$10,000 for the total of state and local property taxes and income or sales taxes. This maximum applies to both single and married filers.

The explanation and projection prepared by the Sponsor's real estate tax expert, MGNY, is expressly adopted by the Sponsor and the Sponsor's attorney and included as part of this Offering Plan as REAL ESTATE TAXES AND BENEFITS LETTER.

Sponsor has also submitted a Preliminary Application for Certificate of Eligibility for the Industrial and Commercial Abatement Program (ICAP) with the DOF for the community facility portion of the property pursuant to NYRPT Law § 489-bbbbbb. Based on the Preliminary Application filed by Sponsor, MGNY opines that the community facility portion of the building is expected to be eligible for ICAP benefits, and that the first year of the abatement shall be the tax year with the first taxable status date that follows the sooner of: 1) completion of construction, or 2) four years from the date the first building permit was issued, or if no permit was required, the commencement of construction. The anticipated date of completion of construction is in the summer of 2021. It is therefore estimated that the first year of abatement will be the 2022/23 tax year.

After issuing the Certificate of Eligibility, the Department of Finance is expected to use the following conventions in calculating the amount of abatement under ICAP:

1. Calculate the pro-rated portion of pre-construction building tax attributable to commercial space subject to the ICAP benefits.
2. Calculate 115% of pre-construction tax.
3. Calculate the post-completion **building tax**.
 - a. It is important to note that the tax on the land value is never abated by ICAP. The land value is likely to increase significantly after the project is completed.
 - b. Land Value attributable to the commercial portion of the property is estimated to be \$80,257.
 - c. Building Value attributable to the community facility portion of the property is estimated to be \$454,791.
 - d. Assuming the tax rate for Tax Class 4 properties remains at the current level of 10.694% of assessed value (Land Value plus Building Value), the total pre-

abatement building tax for the 2022/23 tax year for the community facility portion of the building is estimated to be approximately \$48,635.

4. Determine the amount of abatement by subtracting the 115% of pre-construction tax from post-completion building tax, resulting in an abatement in the amount of \$38,511.

Based on the foregoing, the total property tax in 2022/23 tax year for the community facility portion of the building is estimated to be approximately \$18,707 after the abatement amount of \$38,511 is applied.

DOF advises that the condominium project is located in the special commercial abatement area, and as such, the tax benefits should be granted for 25 years, with certain conditions. For years one through sixteen, the abatement shall be the amount of the abatement base, which is estimated to be \$38,511. See REAL ESTATE TAXES AND BENEFITS LETTER hereinafter set forth for a more complete discussion of conditions governing the ongoing eligibility of the community facility units for tax benefits and the abatement phase-out schedule.

MGNY has estimated the post-completion assessed value for the community facility component of the building for the 2022/2023 tax year if ICAP benefits are obtained and if ICAP benefits are not obtained. Real estate taxes for the community facility portion of the property in SCHEDULE A reflect a combination of the pre-construction assessed value of the 2021/2022 tax year and the post-construction assessed value of the 2022/2023 tax year. The assessed value for the community facility portion of the building for the 2021/2022 tax year, which will not reflect the ICAP benefits or the post-construction assessed value, is estimated at \$413,762. The post-construction assessed value for the community facility portion of the building for the 2022/2023 tax year without ICAP benefits is estimated at \$535,048. The total tax liability for the first year of operation is then calculated by applying the Tax Class 4 tax rate of 10.694% to the estimated 2021/2022 assessed value for the first half of the first year of operation and to the estimated 2022/2023 assessed value for the second half of the first year of operation and totaling the tax liability of the two halves. The estimated tax liability for the community facility portion of the building for the first year of operation without ICAP benefits is therefore \$50,733 (consisting of \$22,124 for the period from January 1, 2022 through June 30, 2022 plus \$28,609 for the period from July 1, 2022 through December 31, 2022).

MGNY projects that the total property tax in the 2022/23 tax year for the community facility portion of the building with ICAP benefits is estimated to be approximately

\$18,707 after the abatement amount of \$38,511 is applied, as discussed above. After applying the Tax Class 4 tax rate of 10.694% to the estimated 2021/2022 assessed value for the first half of the first year of operation to the estimated 2022/2023 assessed value with ICAP benefits for the second half of the first year of operation and totaling the tax liability of the two halves, the resulting estimated tax liability for the community facility portion of the premises for the first year of operation with ICAP benefits is \$31,478 (consisting of \$22,124 for the period from January 1, 2022 through June 30, 2022 and \$9,354 (half of \$18,707) for the period from July 1, 2022 through June 30, 2023). It is anticipated that the total property tax in the second year of condominium operation for the community facility portion of the building with ICAP benefits will be \$18,707 after the abatement amount of \$38,511 is applied.

While Sponsor is applying for ICAP abatement benefits, and the MGNY opinion included in this Offering Plan projects that such benefits are available and will be granted, no guarantee can be, or is made, that said benefits will be obtained, or will continue to be available. Sponsor will use best efforts to obtain the aforementioned real estate tax benefits and will make all filings necessary to obtain such benefits, including a timely filing of all applications and timely compliance with all procedures required to properly process and maintain the benefits. Upon closing, the Sponsor will make all documents available to the Board of Managers for inspection and copying for the life of the benefits. Sponsor will keep all records required by DOF and will make them available whenever requested to do so. DOF routinely conducts audits that can result in the reduction or revocation of benefits if proper documentation is not retained.

At present the Sponsor does not intend to offer the community facility units for sale. In the event that the Sponsor decides to offer the community facility units for sale at a later date it will do so only in an amendment to the Offering Plan. In such case purchasers will not be required to reimburse the Sponsor for the costs associated with the tax benefit application, and Purchasers would NOT be entitled to receive rescission if the ICAP tax benefits are not obtained or are suspended. If at any point it becomes impossible for the Sponsor to obtain the ICAP benefits, the Sponsor will immediately submit an amendment disclosing that it is impossible to obtain the tax benefits.

The Sponsor's projection of tax due for the first year of operation is based on the figures and assumptions in the accompanying expert's opinion as to real estate tax benefits. However, it is not possible accurately to determine what the increase in actual assessed valuation will be. Moreover, it is equally impossible to predict any future increases in real estate tax rates, which may affect the amount of tax due on the property.

NO WARRANTY IS OR CAN BE MADE THAT THE BENEFITS SET FORTH THEREIN WILL BE OBTAINED. IN THE EVENT THE BENEFITS ARE NOT OBTAINED, OR IN THE EVENT THERE ARE INCREASES IN THE TAX RATE, OR THE PROPERTY'S ASSESSED VALUATION, OR IN THE STATUTES GOVERNING THE TAX BENEFITS, REAL ESTATE TAXES MAY BE HIGHER THAN ANTICIPATED FOR THE FIRST YEAR OF OPERATION AND IN FUTURE YEARS. HENCE, INDIVIDUAL CARRYING COSTS FOR ALL UNITS WOULD ALSO BE HIGHER. UNDER NO CIRCUMSTANCES WILL SPONSOR OR SPONSOR'S ATTORNEY OR SPONSOR'S EXPERT BE HELD RESPONSIBLE IN THE EVENT THAT THESE BENEFITS ARE NOT OBTAINED.

The real estate taxes for the first year of condominium operation are provided in SCHEDULE A. All figures are estimates. Prospective Purchasers should note that the taxes listed for each unit in Schedule A are allocated in proportion to the allocation of Common Interest that each unit bears in relation to all other units of its type, and are proportional to said unit's Common Interest in the whole condominium. The DOF is not bound by this method of allocation, and may allocate on a different basis. Unit Owners shall be entitled to deduct real property taxes paid on the unit for income tax purposes subject to the limits imposed by the Tax Cuts and Jobs Act of 2017. See REAL ESTATE TAXES and TAX OPINION hereinafter set forth for a more complete discussion.

Until the units are separately assessed for real estate taxes, real estate taxes for the property shall be paid by the condominium (although no such payment is provided for in Schedule B) as a general common expense and each unit owner shall pay additional common charges (which are not reflected in the estimated common charges for the unit as set forth in Schedule A) equal to the applicable unit's pro rata share, based upon the common interest of the applicable unit, of such real estate taxes for the property for such period. If real estate taxes are charged to unit owners as additional common charges for any period with respect to which the units shall not have been separately assessed, then a unit owner's payment of such additional common charges shall be in lieu of payment by such unit owner to the city of real estate taxes (which otherwise might have been assessed against the unit as a separate tax lot) for such period. As set forth in the By-laws, after the units are separately assessed for real estate tax purposes, the Board of Managers as agent of the unit owners shall promptly assess any unit owners who have underpaid real estate taxes with respect to their units based on the assessed valuation of such units and shall likewise reimburse any unit owners for overpayment of taxes. Although the condominium will be obligated to pay the real estate taxes for the property until the units are separately assessed, it is possible that Purchaser's lender may, nevertheless, require

that Purchaser escrow with such lender for real estate taxes for such period.

The City of New York is not bound by the allocation of Common Interest, and may allocate on a different basis. All figures are estimates. Sponsor makes no representation that the assessed value of the property, the estimated allocations, or the tax rate will not be changed.

There are no tax certiorari proceedings currently pending. Individual owners may challenge the assessment of their property by filing a tax protest in accord with the rules of the New York City Tax Commission. The Board of Managers may also file a protest on behalf of all Unit Owners. While there is no specific section of the By-Laws dealing with review of real estate tax assessment, the general grant of power in the Board of Managers to operate the property in the best interest of unit owners is sufficient to delegate to the Board of Managers a right to file tax protests on behalf of all unit owners. The Building benefits from the limitations imposed by Sections 581 (which prevents a building from being assessed at a higher level than similarly situated rental properties merely because of its status) and 1805 (which limits the annual increases due to changes in market value) of the Real Property Tax Law.

The projections set forth herein are based on current New York City Tax rates and assessment procedures. No guarantee or warranty is or can be made that the tax rates will not change in the future, or that the assessed value of the property will not rise due to changes in assessment practices and policies or increases in market value that are reflected in the assessed value.

Prospective Purchasers are advised to read the full text of the real estate tax analysis by MGNY for details about the projected real estate tax assessments.

**Tax Opinion Letter for Condominium Project
195 Bond Street, Brooklyn Block: 399 Lot: 6**

Mr. Sam Alison-Mayne
450WSP LLC
55 Washington Street, Suite 551
Brooklyn NY 11201

Dear Mr. Alison-Mayne,

THIS LETTER IS BEING SENT TO YOU WITH THE EXPRESS UNDERSTANDING THAT OUR FIRM ASSUMES NO LIABILITY FOR OUR OPINIONS PRESENTED HEREIN. THESE OPINIONS ARE PRESENTED ONLY FOR YOUR ASSISTANCE IN CONNECTION WITH YOUR CONSTRUCTION OF A CONDOMINIUM.

The following estimates are provided in response to your request for an opinion and projection of the real estate assessments and taxes.

This opinion is based **solely** on the representations made to us by you and your architect.

I. Project Details

You have informed us that you intend to build a condominium on the above tax lot ("property"), and that this condominium will be constructed pursuant to the Department of Buildings job number **321-594-262** for job type "NB – New Building".

You have requested an opinion concerning the real property assessment to be levied upon the above property for the first full tax year after completion of construction, which corresponds to the tax year 2022/2023. In order to prepare this letter and the opinion set forth herein, you have supplied us with certain information upon which we have relied. You have informed us the construction commenced on **December 13, 2019**; and that the anticipated completion date is **June, 2021**. The anticipated commencement of the first year of condominium operation is **January, 2022**.

You have also supplied us with architectural drawings of the proposed building prepared by Theodore Kane of Kane A|UD. The data contained in the architectural drawings indicates that the building will have a gross floor area of **31,692** square feet and will have 5 (five) main levels.

The total gross square footage of residential space is estimated to be **27,228** square feet. You have informed us that there will be a total of 18 (eighteen) residential units located on floors 2 (two) through 5 (five). Cellar space and first floor will also include 9 residential parking spaces. The total gross square footage of commercial space is estimated to be **4,464** square feet. You have informed

us that there will be 3 community facility units located on floor 1 (one).

II. Estimated Assessed Value

We have considered the following factors in formulating our opinion: (a) the recent tax assessment history on the property; (b) the potential income for the new structure (if operated as a rental); (c) comparable new construction properties in Brooklyn (specifically, in Boerum Hill, Carroll Gardens and Gowanus neighborhoods); (d) market conditions in the general area; and (e) estimate of the cost of construction.

Real Property Tax Law Section 581 provides that cooperative and condominium apartments shall be assessed for tax purposes as if the building was a comparable rental property. Thus, the Department of Finance is prohibited from utilizing the sales prices of the individual condominium units in determining the assessed valuation. Therefore, the prices that you set in your offering plan and any subsequent sales or re-sales are not relevant in determining the assessed value of the property or of the individual condominium units. Upon conversion to a condominium and after an application is submitted by you, the New York City Department of Finance shall assign individual tax lot numbers to each of the condominium units. The residential units will be designated as tax class 2 property and will pay on the class 2 tax rate. The current 2020/21 class 2 tax rate is 12.267% of assessed valuation. The commercial units will be designated as tax class 4 property and will pay on the class 4 tax rate. The current 2020/21 class 4 tax rate is 10.694% of assessed valuation.

Assessments in New York City are made on a fiscal year basis, beginning on July 1st of each year and ending on June 30th the following year. The status of the building on January 5th of each year is the basis of the assessment for the fiscal year beginning that July 1st.

Real Property Tax Law Section 1805 provides for the creation of a transition assessment system within the City of New York. Under the transition assessment system, the usual increase in the actual assessed value of a property between one year and the next is phased in over a five-year period in equal installments. The five-year phase in does not apply to new construction or other increases due to physical improvements to the property. Increases due to such physical improvements or new construction are added in full to the next year's assessment. Pursuant to Real Property Tax Law Section 1805, the taxable assessment is determined to be the lesser of the actual assessed valuation or the transition assessed valuation.

We believe there will be a substantial increase in value for 2022/2023 as a result of the new construction, and that such increase will be placed on the assessment roll immediately and not subject to the limitation on increases described above.

III. ICAP Eligibility and Effect on Taxes

With respect to the commercial portion of the property, you have informed us that a Preliminary Application for Certificate of Eligibility for Industrial and Commercial Abatement Program (ICAP) has been filed with the NYC Department of Finance pursuant to N.Y. RPT. LAW § 489-bbbbbb. The first year of the abatement shall be the tax year with the first taxable status date that follows the sooner of

1. Completion of construction; or
2. Four years from the date the first building permit was issued, or if no permit was required, the commencement of construction.

It is estimated that the first year of abatement will be **2022/23 tax year**.

If all the requirements are met, the commercial portion of the building is expected to be eligible for the ICAP benefits. After issuing the Certificate of Eligibility, the Department of Finance is expected to use the following conventions in calculating the amount of abatement under ICAP:

1. Calculate the pro-rated portion of pre-construction building tax attributable to commercial space subject to the ICAP benefits. We estimate this pre-construction tax to be **\$8,804**
2. Calculate 115% of pre-construction tax. $\$0 \times 115\% = \mathbf{\$10,125}$
3. Calculate the post-completion **building tax**.
 - a. It is important to note that the tax on the land value is never abated by ICAP. The land value is likely to increase significantly after the project is completed;
 - b. Land Value attributable to the commercial portion of the property is estimated to be **\$80,257** (or 15% of the total projected assessed value for commercial portion)
 - c. Building Value attributable to the commercial portion of the property is estimated to be **\$454,791** (or 85% of the total projected assessed value for commercial portion)
 - d. Assuming the tax rate for tax class 4 properties remains at the current level of 10.694 % from assessed value, the total ***pre-abatement*** building tax in 2022/23 tax

year for the commercial portion of the building is estimated to be approximately **\$48,635**.

4. Determine the amount of abatement by subtracting the 115% of pre-construction tax from post-completion building tax. $\$48,635 - \$10,125 = \$38,511$.

Based on the foregoing, the total property tax in 2022/23 tax year for the commercial portion of the building is estimated to be approximately **\$18,707 after the abatement amount of \$38,511 is applied**.

We have been informed by the NYC Finance Department that the project is located in the special commercial abatement area. As such, the tax benefits should be granted for 25 years, with certain conditions.¹ For years one through sixteen, the abatement shall be the amount of the abatement base, which is estimated to be **\$38,511**. For years seventeen through twenty-five, the abatement shall decrease by ten percent each year, according to the following schedule:

<i>Year of Abatement</i>	<i>Percentage of Abatement Base</i>	<i>Approximate Amount of Tax Abatement</i>
Year 1-16	100%	\$38,511
Year 17	90%	\$34,660
Year 18	80%	\$30,808
Year 19	70%	\$26,957
Year 20	60%	\$23,106
Year 21	50%	\$19,255
Year 22	40%	\$15,404
Year 23	30%	\$11,553
Year 24	20%	\$7,702
Year 25	10%	\$3,851
Year 25	Fully taxable	\$0

THE WRITER OF THIS LETTER SHALL NOT BE LIABLE, IF BECAUSE OF CHANGES IN LAWS AND/OR REGULATIONS, OR THE INTERPRETATIONS OF LAWS AND/OR REGULATIONS, OR IF THE FACTS REPRESENTED BY SPONSOR, ARCHITECT OR APPRAISER PROVE INCORRECT, THE PROPERTY FAILS TO OBTAIN SECTION 489-bbbbbbb BENEFITS.

¹ Where more than 10% of the building is used for retail purposes, only the non-retail portions of the building and up to 10% of the retail portion are eligible for the 25-year benefit. The remaining retail portion shall be eligible for benefits in accordance with the 15-year schedule. ICAP Special Abatement Areas are determined by the Temporary Commercial Incentive Area Boundary Commission and are published by the Department of Finance. These areas are subject to revision in the future by the Commission, which is required to meet at least once every five years beginning in 2009.

DEDUCTIONS TO UNIT OWNERS, AND TAX STATUS OF CONDOMINIUM

Unit Owners who itemize their deductions should, for Federal Income Tax purposes, be entitled to a deduction for mortgage interest and real estate taxes in the year paid, or accrued, under Sections 163 and 164 of the IRS Code. These deductions are subject, however, to certain exceptions and limitations that are more particularly discussed in the COUNSEL'S TAX OPINION LETTER, including the Tax Cuts and Jobs Act of 2017. The Tax Cuts and Jobs Act of 2017 limits an itemized deduction on real estate taxes to \$10,000.00 for the total of state and local property taxes and limits deductible mortgage debt to \$750,000.00 for new loans taken out before December 14, 2017. Each individual Unit Owner should, for New York State and New York City Income Tax purposes, be entitled to similar deductions for the mortgage interest and real estate taxes paid, or accrued, during the taxable year, up to the limits imposed by the Tax Cuts and Jobs Act of 2017.

The Condominium will be governed by a Board of Managers. The Board of Managers will assess and collect Common Charges from the Unit Owners and will have certain discretionary powers over the operating expenses and the application of the assessments. Sponsor's Counsel is of the opinion that the Condominium will not qualify as an exempt homeowner's association under section 528 of the IRS code. As a result, the condominium may be subject to Federal corporate income tax on its taxable income, if any. It is not presently anticipated that the condominium will have any income in excess of its expenses, as per SCHEDULE B included in this Offering Plan. It should be noted that the Condominium may, even if permitted to make an election under Section 528 of the Code, still be required to pay the minimum New York State and City corporation taxes, as well as income tax on any taxable income it may receive. For this purpose, "taxable income" is defined as the excess, if any, of (a) the gross income for the taxable year (other than "exempt function income" as defined below) over (b) the deductions allowed by the Code which are directly connected with the production of such gross income (excluding "exempt function income") computed with certain modifications provided in Section 528. "Exempt function income" is defined as any amount received as membership dues, fees or assessments from owners of condominium housing units. Income such as interest earned as cash deposits would not be exempt function income. Sponsor does not anticipate that the condominium will have any excess of income (or "taxable income") after "exempt function income" for the first year of operation. Sponsor anticipates that the amount budgeted in the yearly Miscellaneous Reserve Fund shall also cover "minimum" New York City and State corporation and income taxes for the first year of

operation in the event that the condominium is required to pay them. In the event that the condominium DOES have any excess of income (or “taxable income”) after “exempt function income” for the first year of operation, it may be necessary to increase Common Charges or separately assess all Unit Owners.

The statements set forth herein are based upon an analysis of the Internal Revenue Code of 1986, as amended (the "Code") and modified by the Tax Cuts and Jobs Act of 2017, New York State Tax Law, the Administrative Code of the City of New York, the applicable regulations promulgated or proposed thereunder, the current position of applicable administrative agency, in particular, the position of the IRS stated in published Revenue Rulings and Revenue Procedures, and judicial decisions. No warranty is or can be made by Sponsor or any other person that the United States Treasury Department or the New York State Department of Taxation will allow the aforementioned deductions and no representation or warranty is or can be made that the tax law or the regulations or rulings issued thereunder, or any judicial interpretation thereof, may not change so as to disallow the deductions in whole or in part. Neither Sponsor nor its counsel shall be liable if it is held that the Unit Owners are not entitled to such income tax deductions or to special exemptions as aforesaid due to changes in applicable law, regulation or decisional law. Neither counsel nor Sponsor shall have any liability should Unit Owners not be entitled to deductions if facts represented by Sponsor are not true.

A more detailed statement of the tax factors involved may be found in the COUNSEL'S TAX OPINION; however, each purchaser should consult with his or her own attorney with regard to tax consequences of this transaction.

OPINION OF COUNSEL REGARDING TAX STATUS OF THE 450 WARREN CONDOMINIUM PURSUANT TO TITLE 13 NYCRR § 20.3(y)

The purpose of this document is to render an opinion with regard to 1) the availability of tax deductions for real estate taxes and mortgage interest under current federal, state, and city law; 2) the income tax status of the condominium; and 3) the condominium's compliance with New York State Real Property Law Section 339-(i).

This discussion assumes that the condominium in question, the 450 Warren Condominium, is a validly-formed condominium under New York's Condominium Act (Article 9B of the New York State Real Property Law) consisting of eighteen (18) Residential Units and three (3) Community Facility Units.

1. Availability of Tax Deductions

A. Tax Deductions for Real Estate Taxes

Section 164(a) of the Internal Revenue Code has traditionally spoken to the issue of deductibility of real estate taxes: "Except as otherwise provided in this section, the following taxes shall be allowed as a deduction for the taxable year within which paid or accrued: (1) State and local, and foreign, real property taxes." I.R.C. § 164(a). The section further defines a State or local tax as "includ[ing] only a tax imposed by a State, a possession of the United States, or a political subdivision of any of the foregoing, or by the District of Columbia." I.R.C. § 164(b)(2). Indeed, the IRS's 2012 Instructions for Schedule A Itemized Deductions (Form 1040) specifically instructs at page A-6 that taxpayers may include state and local real estate taxes paid.

New York, as one of the original 13 states, arguably traces its statehood back to 1776, and ratified the present United States Constitution in 1788. Clearly, its statehood is well-established. New York's 1964 Condominium Act clearly establishes the conceptualization of condominium units as real property, stating, "each unit and its common interest, not including any personal property, shall be deemed to be a parcel

and shall be subject to separate assessment and taxation.” N.Y. REAL PROP. LAW § 339-y. Each condominium unit is accordingly assigned its own block and lot; purchasers of condominium units take ownership of their units pursuant to real property deeds. Furthermore, the Condominium Act explicitly states, “each unit, together with its common interest, shall for all purposes constitute real property.” N.Y. REAL PROP. LAW § 339-g. Therefore, New York state and city property taxes on condominium units constitute potentially deductible real property taxes for federal income tax purposes.

With regard to deductions, New York tax law generally follows the federal system: “If federal taxable income of a resident individual is determined by itemizing deductions from his federal adjusted gross income, he may elect to deduct his New York itemized deduction in lieu of his standard New York deduction.” N.Y. TAX LAW § 615(a). (Indeed, New York State’s 2012 Resident Itemized Deduction Schedule includes a line item for interest paid as reflected in the taxpayer’s federal Schedule A.)

On January 1, 2018, the new federal Tax Cuts and Jobs Act of 2017 went into effect. This federal law significantly changes the previously existing Internal Revenue Code, including the taxes and deductions related to home ownership. The Federal Tax Cuts and Jobs Act of 2017 allows an itemized deduction of up to \$10,000.00 for the total of state and local property taxes and income or sales taxes. This maximum applies to both single and married filers.

It is therefore my opinion that owners of residential units in this condominium who itemize their deductions will be eligible to deduct real estate taxes paid on said units for federal income tax purposes as well as New York state and city income tax purposes, subject to the limits imposed by the Internal Revenue Code, the New York tax law, and the specific taxpayer’s personal situation. Each potential purchaser is strongly encouraged to consult with his or her own tax advisor concerning the deductibility of real estate taxes in his or her specific situation.

B. Tax Deductions for Mortgage Interest

Prior to January 1, 2018, the general Internal Revenue Code rule concerning interest has been, “There shall be allowed as a deduction all interest paid or accrued within the taxable year on indebtedness.” I.R.C. § 163(a). While subsection (h) disallowed deductions for personal interest (I.R.C. § 163(h)(1)), it also clarified, “For purposes of this subsection, the term ‘personal interest’ means any interest allowable as a deduction under this chapter *other than* (D) any qualified residence interest (within the meaning of paragraph (3))” (emphasis mine). I.R.C. § 163(h)(2). Paragraph (3) stated, “The term ‘qualified residence interest’ means any interest which is paid or

accrued during the taxable year on (i) acquisition indebtedness with respect to any qualified residence of the taxpayer, or (ii) home equity indebtedness with respect to any qualified residence of the taxpayer.” I.R.C. § 163(h)(3). “Acquisition indebtedness” is further defined as “any indebtedness which (I) is incurred in acquiring, constructing, or substantially improving any qualified residence of the taxpayer, and (II) is secured by such residence.” I.R.C. § 163(h)(3)(B)(i). The subsection limited acquisition indebtedness to \$1,000,000.00. I.R.C. § 163(h)(3)(B)(ii). “Home equity indebtedness” was defined as “any indebtedness (other than acquisition indebtedness) secured by a qualified residence to the extent the aggregate amount of such indebtedness does not exceed (I) the fair market value of such qualified residence, reduced by (II) the amount of acquisition indebtedness with respect to such residence.” I.R.C. § 163(h)(3)(C)(i). The subsection limited home equity indebtedness to \$100,000.00. I.R.C. § 163(h)(3)(C)(ii).

The Tax Cuts and Jobs Act of 2017 limits deductible mortgage debt to \$750,000.00 for new loans taken out after 12/14/17, and interest paid on home equity debt is no longer deductible through 12/31/25; interest is still deductible on home equity loans (or second mortgages) if the proceeds are used for substantial improvement of the residence.

Again, here, New York tax law allows individuals who itemize their deductions for federal income tax purposes to elect to deduct their New York itemized deductions in lieu of their standard New York deduction. N.Y. TAX LAW § 615(a).

Given the provisions above, it is my opinion that purchasers who intend to use their units in this condominium for residential purposes and who itemize their deductions will generally be able to deduct their home mortgage interest for federal and New York State income tax purposes subject to the limits imposed by § 163 of the Internal Revenue Code as modified by the Tax Cuts and Jobs Act of 2017. Unit owners are strongly advised to consult with their own tax advisors regarding the effects of the Tax Cuts and Jobs Act of 2017 on their tax burdens and their prospective real estate purchases. I express no opinion with regard to mortgage interest deductibility for purchasers of non-residential units or purchasers of units for non-residential reasons, such as investment or resale. Such purchasers are also strongly advised to consult with tax professionals to see if mortgage interest may be deductible for them and their purposes under other provisions of the Internal Revenue Code.

These materials are difficult even for practitioners to comprehend, as is evidenced by the plethora of clarifying Revenue Rulings and discussions surrounding the pertinent provisions of the Internal Revenue Code. Potential purchasers are *strongly* advised to consult with their own tax experts with regard to deductibility of

mortgage interest, as § 163 contains several limitations on deductibility that may or may not apply to a given taxpayer's specific situation. This opinion is only intended to render a general opinion; purchasers' or owners' specific situations are well beyond the scope of this document and require a far more tailored analysis.

2. Income Tax Status of the Condominium

The Internal Revenue Code exempts "homeowners associations" from income taxes, and defines a "homeowners association" as "an organization which is a condominium management association. . . if (A) such organization is organized and operated to provide for the acquisition, construction, management, maintenance, and care of association property; (B) 60 percent or more of the gross income of such organization for the taxable year consists solely of amounts received as membership dues, fees, or assessments from (i) owners of residential units in the case of a condominium management association. . . (C) 90 percent or more of the expenditures of the organization for the taxable year are expenditures for the acquisition, construction, management, maintenance, and care of association property. . . (D) no part of the net earnings of such organization inures. . . to the benefit of any private shareholder or individual, and (E) such organization elects (at such time and in such manner as the Secretary by regulations prescribes) to have this section apply for the taxable year." I.R.C. § 528. Additionally, the section states that, "the term 'condominium management association' means any organization meeting the requirements of subparagraph (A) of paragraph (1) with respect to a condominium project substantially all of the units of which are used by individuals for residences." I.R.C. § 528(c)(2).

"Substantially all" the Units will be considered used by individuals for residences if at least eighty-five percent (85%) of total square footage of all units within the project is used, or is intended to be used by individuals for residential purposes or purposes auxiliary to residential use, such as storage rooms, laundry and areas used by maintenance personnel. Given that this condominium consists of three (3) Community Facility Units which will occupy the first floor of this structure, it is my opinion that this condominium as managed by its Board of Managers will *not* qualify as a homeowners association within the meaning of I.R.C. § 528 and will therefore *not* be exempt from income taxes, provided, of course, that the Board of Managers properly elects to file under § 528.

3. Discussion Regarding the Condominium's Compliance with New York State Real Property Law § 339-(i)

Real Property Law § 339-(i) governs allocation of common interest and provides four acceptable methods for allocating common interest among condominium units. The allocation of common interest to the units in this condominium has been made pursuant to Real Property Law § 339-(i)(1)(iv), which allows for common interest to be “based upon floor space, subject to the location of such space and the additional factors of relative value to other space in the condominium, the uniqueness of the unit, the availability of common elements for exclusive or shared use, and the overall dimensions of the particular unit.” N.Y. REAL PROP. LAW § 339-(i)(1)(iv). It is my opinion that this condominium’s allocation of common interest complies with Real Property Law § 339-(i)(1)(iv). This opinion is also based on expert factual determinations as required by § 20.3(i) of Title 13 NYCRR; specifically, Sponsor’s expert’s opinion included in the Offering Plan at the section entitled COMPLIANCE WITH REAL PROPERTY LAW 339-(i)(1)(iv).

4. Discussion Regarding Real Estate Tax Benefits

As part of this opinion, I hereby adopt the opinion of MGNY Consulting regarding the Condominium’s projected real estate tax liabilities and real estate tax benefits anticipated to become available to unit owners. This opinion as adopted is hereby incorporated into this opinion.

Conclusion

In my opinion, the condominium will not be eligible for tax-exempt status under I.R.C. § 528, if it elects such status, and unit owners will potentially be eligible for the real estate tax deductions and benefits described above. However, this opinion is not a guarantee; it is based on existing rules of law applied to the facts and documents referred to above. No assurances can be given that the tax laws upon which counsel bases this opinion will not change. In no event will the Sponsor, the Sponsor’s counsel, the Board of Managers of the condominium, the selling agent, or any other person be liable if there are changes in the facts on which counsel relied in issuing this opinion or if there are changes in the applicable statutes, regulations, decisional law, or Internal Revenue Service rulings, or the New York State tax law, as amended, and cause the unit owners not to be entitled to income tax deductions or the benefits described above.

Sincerely,

Claudia V. Murdoch

RESERVE FUND

Sponsor is not creating a fund on closing to be used as a reserve for capital expenditures. However, the budget for the first year of condominium operation in SCHEDULE B includes a budgeted Capital Reserve Fund for repair and replacement of major systems or structural elements of the building. This budgeted item will start the gradual creation of a reserve fund. Unit owners will therefore be contributing to the Capital Reserve Fund through their common charges, beginning with common charge adjustments paid at the closings of their individual condominium units. (Unit owners will also, at closing, pay their contributions to the building's Working Capital Fund.) In the event a need arises for capital expenditures such as renewal or replacement of building components or systems, or to remedy major building defects, and the reserve fund is inadequate to pay for those expenditures, it will be necessary to raise needed capital either by assessing individual units or owners for the cost of such expenditures. However, in the Sponsor's estimation, and in view of the fact that all major building systems and components are new, it is anticipated that there will be no needed capital expenditures within the five (5) years immediately following the first closing of a condominium unit under the Offering Plan. While the Sponsor is in control of the Board of Managers, the reserve fund may not be used to reduce projected common charges in the Plan. Neither the Department of Law nor any other government agency has passed upon the adequacy of the fund.

WORKING CAPITAL FUND

At closing of title to each unit, the unit owner for such unit will contribute to the working capital fund of the Condominium an amount equal to two months' Common Charges (see CLOSING COSTS AND ADJUSTMENTS). Thus, the minimum Working Capital Fund will be equal to \$25,260.00. This Working Capital Fund will be used to make repairs and improvements and for other appropriate purposes as determined by the Board of Managers, particularly to meet emergencies not budgeted for in SCHEDULE B. While the Sponsor controls the Board of Managers (see CONTROL BY THE SPONSOR), the Working Capital Fund will not be used to reduce estimated Common Charges.

The Working Capital Fund will not be reduced by any closing adjustments to the Sponsor. All closing adjustments to the Sponsor will be paid in equal monthly installments over the twelve (12) month period following closing. All adjustments represent reimbursement for prepayment of expenses already included in the budget set forth herein, and therefore do not represent an additional expense to Condominium Purchasers.

No representation is made that the Working Capital Fund will be adequate to cover current or future expenses. If additional funds are required over and above the Working Capital Fund, it may be necessary to increase Common Charges or separately assess all Unit Owners. Neither the Department of Law nor any other government agency has passed upon the adequacy of the Working Capital Fund.

MANAGEMENT AGREEMENT, CONTRACTS, AND LEASES

Upon closing of the first unit, the condominium Board of Managers will enter into a management agreement with the Sponsor, 450WSP LLC, 55 Washington Street, Suite 551, Brooklyn, New York 11201, for an initial period of one year from the date of first closing. The agreement will not automatically renew. While the Sponsor is in control of the Board of Managers the condominium shall not have the right to terminate the agreement. Thereafter during the term of the agreement the managing agent and the condominium shall each have the right to terminate same on 30 days written notice to the other with or without cause. Upon termination of the managing agreement by either party, for any reason whatsoever, the managing agent shall be required to transfer all books and records in its possession to the condominium Board of Managers or to any successor managing agent named by the condominium Board of Managers.

In consideration of managing the premises, the managing agent shall receive monthly compensation of \$875.00 per month for a total of \$10,500.00 per year. In addition, the managing agent shall have the right to establish reasonable fees for the processing of lease or sale applications, review of requests for permission to make improvements on individual units, and any other activity outside the normal course of building management. In addition, the managing agent shall be entitled to provide services (such as repair and maintenance) to individual unit owners where requested and shall be entitled to charge such individual unit owners (but not the condominium) for such services.

The major duties to be provided by the managing agent shall include, but not be limited to maintenance of all condominium books and records; collection of monthly common charges and any special assessments levied by the condominium; payment of all condominium expenses from condominium funds; maintenance of condominium checking accounts; or keeping, payroll and tax reporting functions; inspections and inspection compliance; repair and maintenance of common elements; and the hiring and firing of condominium employees. In addition, the managing agent shall be entitled to, where in its sole and exclusive discretion such is needed, retain the services of outside professionals such as accountants, attorneys, etc., which expense shall be borne by the condominium. Additionally, where required items of repair or maintenance exceed the

capabilities of building employees, the managing agent shall be entitled to contract for such services, which shall be paid for from condominium funds.

In addition to the compensation set forth above, the managing agent shall be entitled to reimbursement for expenses incurred in the normal course of its functions, such as messenger and delivery charges, travel expenses, etc. In addition, the condominium shall indemnify the managing agent against any liability or obligation incurred for acts properly performed by it pursuant to the management agreement and name the managing agent as an additional insured under its insurance policy.

The management agreement may not be assigned by the agent.

GENERAL

The Plan does not knowingly omit any material fact or contain any untrue statement of any material fact. Copies are contained in Part II hereof of the Condominium Declaration, Purchase Agreement, Condominium By-Laws, and form of Unit Deed.

There are no lawsuits or other proceedings now pending, or any judgments outstanding, either against the Sponsor or any other person or persons that might become a lien against the Property or that may materially affect this offering, the Property, Sponsor's capacity to perform all obligations under the Plan, the Condominium, or the operation of the Condominium, except as disclosed elsewhere in this Plan.

No units in this building are occupied by residential or commercial tenants. No contracts or agreements, written or oral, have been entered into for the sale or transfer of any of the units offered pursuant to the Offering Plan. No deposits or advances of funds have been taken by, or on behalf of, the Sponsor in connection with the reservation, sale, or transfer of any units offered pursuant to this Offering Plan.

The Property has not been the subject of any prior cooperative or condominium offerings. There are no preliminary binding agreements entered with any purchasers, nor has any money been collected from any prospective purchasers. Sponsor submitted an application to the New York State Department of Law to test the market pursuant to Cooperative Policy Statement No. 1. This application was accepted on February 1, 2021 and given the File No. CP20-0051.

In accordance with the provisions of the laws of the State and City of New York, the Sponsor represents that the Sponsor, and the Selling Agent, will not discriminate against any person because of race, creed, color, sex, sexual orientation, disability, age, marital status, national origin, or ancestry in the sale of the units offered by the Plan, or in the leasing of any apartment in the building.

Operable smoke detectors and carbon monoxide detectors will be installed in all apartments as per the New York City Administrative Code.

If there is a material amendment to the Offering Plan that adversely affects a purchaser, such purchaser shall have the right to rescind his/her purchase agreement within fifteen (15) days after the date of presentation by the Sponsor, which rescission shall be made by

trackable overnight courier or CERTIFIED MAIL - RETURN RECEIPT REQUESTED, and shall be deemed made on the date when notice of rescission is deposited with the courier or United States Post Office. Sponsor shall promptly return the deposit on contract to any purchaser who validly rescinds.

No person has been authorized to make a representation that is not expressly contained herein. This Plan may not be changed or modified orally.

RESERVATION OF AIR AND DEVELOPMENT RIGHTS

After re-zoning the property will have approximately 9,808 square feet of unused air rights (the “Air Rights”). The Sponsor is reserving the right to transfer these Air Rights to other buildings at a future date to an adjacent property or within the district (should zoning permit this).

These Air Rights will not be used to expand the building that is the subject of this Offering Plan, which cannot be expanded.

The maximum amount of square footage that could be added to an adjacent property pursuant to these Air Rights is 9,808 square feet. Adjacent properties can only be built to the maximum height defined by zoning. The transfer of the Air Rights will not change the maximum height allowable by zoning. Additional space or stories may be added from the transfer of the Air Rights and/or from the transfer of air rights from other properties so long as any adjacent properties are below the maximum height threshold defined by zoning.

DOCUMENTS ON FILE

Sponsor shall keep copies of the Offering Plan, all documents referred to in the Offering Plan, and all exhibits submitted to the Department of Law in connection with the Offering Plan on file and available for inspection without charge, and for copying at a reasonable charge, at the Sponsors' office as set forth in this Offering Plan, or at the office of the Sponsors' attorney, for a period of six (6) years from the date of first closing. The Board of Managers of the Condominium shall give annually to each and every Unit Owner:

The Property will be offered in its condition as described in this plan. Neither the Sponsor nor its Principal will have any obligation to make repairs or improvements except to the extent that the building or its systems do not conform to the conditions as described in the Plan. The Sponsor will cure, or cause to be cured, all violations of record against the Property on the closing date, eliminate all known dangerous or hazardous conditions, and comply with all work orders from mortgagees.

I RECEIVED THE PLAN, AS AMENDED, AT LEAST THREE FULL BUSINESS DAYS, AND HAVE READ BOTH PARTS I AND II OF THE PLAN, BEFORE EXECUTION HEREOF BY ME.

1. OFFERING PLAN READ. As Purchaser, I have received and read the Offering Plan of Condominium Organization ("Offering Plan" or "Plan") with respect to premises located at 450 Warren Street, Brooklyn, New York.

The Offering Plan for said premises, including all documents set forth in Part II thereof and any amendments thereto, is incorporated herein by reference with the same effect as

if set forth at length. I hereby accept and approve the Plan (and all of said amendments thereto, if any) and agree to abide and be bound by the terms and conditions thereof. The terms used herein shall have the same meanings as ascribed thereto in the Plan.

2. AGREEMENT TO PURCHASE. I hereby agree to purchase the above unit and a ____ percent of undivided appurtenant interest in the Common Elements of the Condominium in said premises.

3. DOWN PAYMENT AND BALANCE. Submitted herewith is my check to the order of " SMITH, GAMBRELL & RUSSELL, LLP, AS ESCROW AGENT " for the amount of the above stated Contract Deposit ("Deposit"). I agree that after the Plan becomes effective, as therein provided, I will pay the above-stated balance of said Cash Purchase Price on closing. The payment due on closing shall be by certified check or official check drawn on a New York City bank which is a member of the New York City Clearing Housing System. The check shall be delivered to the seller.

The Seller will give me prompt written notice thereof when the Plan either becomes effective or is abandoned, unless same has already been declared effective by a duly filed amendment to the Plan submitted to me.

4. MANNER OF PAYMENT AND BALANCE. Provided that I shall have paid the full Cash Purchase Price for said unit, as provided herein, and shall not be in default hereunder, I am to receive a deed for the unit at the closing of title ("Closing") to the unit. The date of the commencement of my obligations under such deed, including the payment of Common Charges, shall be the date on which I acquire title to such unit. At the time the deed is delivered, I shall execute the Power of Attorney to the Board of Managers of the Condominium in the form contained in the Plan and whatever other documents are reasonably necessary to convey the Unit to me, such as real property transfer tax forms.

5. DEPOSIT HELD IN ESCROW.

5.1 SMITH, GAMBRELL & RUSSELL, LLP, with and address at 1301 Avenue of the Americas, 21st Floor, New York, NY 10019, telephone number (212) 907-9736, shall serve as escrow agent ("Escrow Agent") for Sponsor and Purchaser. Escrow Agent has designated the following attorneys to serve as signatories: Stephen O'Connell, Esq., Sean Altschul, Esq., Neal Dorman, Esq., John McCarthy, Esq. and Eliot Zuckerman, Esq. All designated signatories are admitted to practice law in the State of New York. Neither the Escrow Agent nor any authorized signatories on the account are the Sponsor, Selling

Agent, Managing Agent, or any principal thereof, or have any beneficial interest in any of the foregoing.

5.2. Escrow Agent and all authorized signatories hereby submit to the jurisdiction of the State of New York and its courts for any cause of action arising out of the Purchase Agreement or otherwise concerning the maintenance of release of the Deposit from escrow.

5.3 The Escrow Agent has established the escrow account at Wells Fargo Bank, NA, located at 437 Madison Avenue, New York, New York 10022 in the State of New York ("Bank"), a bank authorized to do business in the State of New York. The escrow account is entitled the Smith, Gambrell & Russell, LLP, IOLA Account ("Escrow Account"). The Escrow Account is federally insured by the FDIC at the maximum amount of \$250,000 per deposit. Any deposit in excess of \$250,000 will not be insured.

5.4 All Deposits received from Purchaser shall be in the form of checks or wire transfers and shall be made payable to or endorsed by the Purchaser to the order of SMITH, GAMBRELL & RUSSELL, LLP, AS ESCROW AGENT.

5.5 The Escrow Account is an IOLA account. No interest will accrue to the benefit of either the Sponsor or the Purchaser. No fees of any kind may be deducted from the Escrow Account, and the Sponsor shall bear all costs associated with the maintenance of the Escrow Account.

5.6 Within five (5) business days after the Purchase Agreement has been tendered to Escrow Agent along with the Deposit, the Escrow Agent shall sign the Escrow Agreement and place the Deposit into the Escrow Account. Within ten (10) business days of the placing the deposit in the Escrow Account, Escrow Agent shall provide written notice to Purchaser and Sponsor, confirming the Deposit. The notice shall provide the account number and the initial interest rate to be earned on the Deposit. Any Deposits made for upgrades, extras, or custom work shall be initially deposited into the Escrow Account and released in accordance to the terms of the Purchase Agreement/Escrow Agreement.

5.7 The Escrow Agent is obligated to send notice to the Purchaser once the Deposit is placed in the Escrow Account. If the Purchaser does not receive notice of such deposit within fifteen (15) business days after tender of the Deposit, he or she may cancel the Purchase Agreement within ninety (90) days after tender of the Purchase Agreement and Deposit to Escrow Agent. Complaints concerning the failure to honor such cancellation requests may be referred to the New York State Department of Law, Real Estate Finance

Bureau, 28 Liberty Street, 21st Floor, New York, N.Y. 10005. Rescission shall not be afforded where proof satisfactory to the Attorney General is submitted establishing that the Deposit was timely placed in the Escrow Account in accordance with the New York State Department of Law's regulations concerning Deposits and requisite notice was timely sent to the Purchaser.

5.8 All Deposits, except for advances made for upgrades, extras, or custom work received in connection with the Purchase Agreement, are and shall continue to be the Purchaser's money, and may not be comingled with any other money or pledged or hypothecated by Sponsor, as per GBL § 352-h.

5.9 Under no circumstances shall Sponsor seek or accept release of the Deposit of a defaulting Purchaser until after consummation of the Plan, as evidenced by the acceptance of a post-closing amendment by the New York State Department of Law. Consummation of the Plan does not relieve the Sponsor of its obligations pursuant to GBL §§ 352-e(2-b) and 352-h.

5.10 The Escrow Agent shall release the Deposit if so directed:

(a) pursuant to terms and conditions set forth in the Purchase Agreement upon closing of title to the Unit; or

(b) in a subsequent writing signed by both Sponsor and Purchaser; or

(c) by a final, non-appealable order or judgment of a court.

If the Escrow Agent is not directed to release the Deposit pursuant to paragraphs (a) through (c) above, and the Escrow Agent receives a request by either party to release the Deposit, then the Escrow Agent must give both the Purchaser and Sponsor prior written notice of not fewer than thirty (30) days before releasing the Deposit. If the Escrow Agent has not received notice of objection to the release of the Deposit prior to the expiration of the thirty (30) day period, the Deposit shall be released and the Escrow Agent shall provide further written notice to both parties informing them of said release. If the Escrow Agent receives a written notice from either party objecting to the release of the Deposit within said thirty (30) day period, the Escrow Agent shall continue to hold the Deposit until otherwise directed pursuant to paragraphs (a) through (c) above. Notwithstanding the foregoing, the Escrow Agent shall have the right at any time to deposit the Deposit contained in the Escrow Account with the clerk of the county where the [unit/building] is located and shall give written notice to both parties of such deposit.

The Sponsor shall not object to the release of the Deposit to:

(a) a Purchaser who timely rescinds in accordance with an offer of rescission contained in the Plan or an Amendment to the Plan; or

(b) all Purchasers after an Amendment abandoning the Plan is accepted for filing by the Department of Law.

The Department of Law may perform random reviews and audits of any records involving the Escrow Account to determine compliance with all applicable statutes and regulations.

5.11 Any provision of the Purchase Agreement, Escrow Agreement, or separate agreement, whether oral or in writing, by which a Purchaser purports to waive or indemnify any obligation of the Escrow Agent holding any Deposit in trust is absolutely void. The provisions of the Attorney General's regulations and GBL §§ 352-e(2-b) and 352-h concerning escrow trust funds shall prevail over any conflicting or inconsistent provisions in the Purchase Agreement, Plan, or any amendment thereto.

5.12 Escrow Agent shall maintain the Escrow Account under its direct supervision and control.

5.13 A fiduciary relationship shall exist between Escrow Agent and Purchaser, and Escrow Agent acknowledges its fiduciary and statutory obligations pursuant to GBL §§ 352-e(2-b) and 352(h). However, Escrow Agent shall be permitted to represent the Sponsor in any lawsuit. There is no compensation by the Sponsor to the depository bank. The Sponsor is not compensating the Escrow Agent for acting as such.

5.14 Escrow Agent may rely upon any paper or document which may be submitted to it in connection with its duties under this Purchase Agreement and which is believed by Escrow Agent to be genuine and to have been signed or presented by the proper party or parties and shall have no liability or responsibility with respect to the form, execution, or validity thereof.

5.15 Sponsor agrees that it shall not interfere with Escrow Agent's performance of its fiduciary duties and statutory obligations as set forth in GBL §§ 352-e(2-b) and 352-(h) and the New York State Department of Law's regulations.

5.16 If the Escrow Account is interest-bearing, Sponsor shall obtain or cause the selling agent under the Plan to obtain a completed and signed Form W-9 or W-8, as applicable, from Purchaser and deliver such form to Escrow Agent together with the Deposit and this Purchase Agreement.

5.17 Prior to release of the Deposit, Escrow Agent's fees and disbursements shall neither be paid by Sponsor from the Deposit nor deducted from the Deposit by any financial institution under any circumstance.

5.18 Sponsor agrees to defend, indemnify, and hold Escrow Agent harmless from and against all costs, claims, expenses and damages incurred in connection with or arising out of Escrow Agent's responsibilities arising in connection with this Purchase Agreement or the performance or non-performance of Escrow Agent's duties under this Purchase Agreement, except with respect to actions or omissions taken or suffered by Escrow Agent in bad faith or in willful disregard of the obligations set forth in this Purchase Agreement or involving gross negligence of Escrow Agent. This indemnity includes, without limitation, disbursements and attorneys' fees either paid to retain attorneys or representing the hourly billing rates with respect to legal services rendered by Escrow Agent to itself.

6. ACCEPTANCE OF CONDITION. My signing of this Purchase Agreement shall constitute my acceptance of said apartment "As Is," except for those matters which are the responsibility of the Sponsor as stated in the Plan.

7. THIS AGREEMENT IS CONTINGENT. It is agreed that this Purchase Agreement is contingent upon the Plan being declared effective.

8. ABANDONMENT OF PLAN. The Plan may be abandoned by the Seller at any time prior to its being declared effective, and thereafter only for reasons heretofore set forth in the Plan. The Plan shall be abandoned by amendment duly filed with the Department of Law of the State of New York and upon notice to all prospective purchasers who have signed the Purchase Agreement.

9. REFUND AND LIMITATION ON CLAIMS. If the Plan is abandoned or does not become effective within twelve (12) months from the date of presentation and is not extended, this Agreement shall be deemed canceled and the Plan terminated and I am to receive back, not later than five (5) business days thereafter, in full, all monies paid by me hereunder. Upon such payment no party shall have any claim against any other party or person, the Sponsor, the Seller, or the agent, and all parties shall be released from all

obligations hereunder and under the Plan.

10. DEFAULT AND LIQUIDATED DAMAGES. I agree that if I shall fail to pay the balance of the Cash Purchase Price when due, as herein provided, or, if I am otherwise in default hereunder as such term is defined herein, the Seller may elect to cancel this Agreement by written notice to me at my residence or at the address stated above, by trackable overnight courier or certified mail, and at the expiration of 30 days after the date of sending thereof (unless I shall have theretofore paid the balance of the Cash Purchase Price in full) said notice shall be effective and this Agreement shall be deemed canceled and all rights of the parties thereunder shall terminate except that the amount of my Deposit shall be paid over to the Seller as liquidated damages, such liquidated damages not to exceed 10% of the Cash Purchase Price plus the cost of any special work in the apartment ordered by me, together with any interest earned thereon. However, it is not anticipated that any interest will be earned. TIME IS OF THE ESSENCE TO REMEDY SUCH DEFAULT WITHIN SAID THIRTY (30) DAY PERIOD. The notice of default is hereby deemed a notice to vacate as well if I occupy the apartment under the terms of an Interim Lease. In the event of such cancellation, the Seller shall have the right to sell said Units to another purchaser as though this Agreement had never been made and without accountability to me for the proceeds received on any sale to another.

11. CLOSING DATE AND PLACE. The closing of title shall occur on the date and at the time and place in the City and State of New York as Sponsor shall designate to Purchaser on not less than thirty (30) days' prior written notice. Sponsor shall have the right, from time to time, to adjourn such time and date for closing on written notice to Purchaser. If adjourned, Sponsor shall fix a new date and time for title closing and shall give Purchaser not less than ten (10) business days prior written notice of the new scheduled date and time for closing.

In the event that a Purchaser does not close on the closing date set forth in the notice of closing and the Sponsor elects not to cancel the Purchase Agreement, or if the Sponsor approves the Purchaser's request to adjourn the Purchaser's unit closing, there shall be a late closing adjournment fee of \$250.00 added to the Purchaser's closing costs and interest shall accrue on the unpaid amount of the purchase price from the closing date until such amount is paid. The interest rate shall be ten percent (10%) per annum. This rate shall be in effect for as long as there is any unpaid amount owing towards the full purchase price.

12. APPORTIONMENT OF CHARGES. At the Closing, the parties shall apportion, as of the date of actual closing, the Common Charges, real estate taxes and other charges

under the By-Laws, utility charges (if any) due to the Condominium, and the use and occupancy charge, if any. Assessments will not be apportioned and will be payable by the party who is the owner of the Unit when the same became due and payable. A letter from the Condominium or its Managing Agent as to status of Common Charges, utility or other charges shall be sufficient for purposes of determining the adjustments as herein described.

In the event a mortgage recording tax credit becomes available pursuant to Section 339-ee(2) of the New York Condominium Act, it is specifically understood that such credit will inure to the benefit of the Sponsor. Accordingly, on the Closing Date, the Purchaser will pay the full amount (but not in excess thereof) of the mortgage recording tax chargeable on the entire amount financed, if any. The Sponsor will be reimbursed to the extent of any mortgage tax credit allowed.

13. CLOSING COSTS. Purchaser shall be responsible for paying all costs as outlined in the Section of this Offering Plan entitled Closing Costs and Adjustments.

14. ENTIRE AGREEMENT, OPPORTUNITY TO EXAMINE, NON-ASSIGNABILITY. The entire contract between the parties is set forth herein and in the Plan and as the Plan may be amended from time to time. The only representations made to the Purchaser are those contained herein and in the Plan, as may be amended. Purchaser has not relied upon any representations, statements, or warranties, written or oral, as to any matter or estimate, that is not set forth herein and in the Plan. Purchaser has had at least three days to read and review the Offering Plan and all amendments and has had the opportunity to examine all the documents filed as Exhibits to the Plan. This Agreement is not assignable by Purchaser without prior written consent of the Seller and shall bind and apply to the parties hereto and their personal legal representatives, successors, and assigns and may not be amended, changed, or discharged orally.

15. CONFLICTS WITH THE PLAN. Conflicts between this Agreement and the Plan shall be resolved in favor of the Plan.

16. CONDITIONS FOR BINDING AGREEMENT. This Agreement shall not be binding on Purchaser or Seller until a fully executed copy thereof shall have been delivered to Purchaser. If this Agreement shall not be accepted within twenty (20) days of the date hereof by the delivery to Purchaser of such endorsed and fully signed copy, this Purchase Agreement shall be deemed rejected and canceled and the Deposit shall be promptly refunded to Purchaser.

17. CONDITIONS FOR CLOSING. It is a condition of this closing that:

- (a) There shall be no claims or liens against the Unit at the time of the Closing, except for Permitted Encumbrances as described in the Plan; and
- (b) The Seller has full right and authority to sell and transfer the Units.

18. WHEN TITLE PASSES. Purchaser shall acquire no right, title or interest in the aforesaid unit until (i) the entire Cash Purchase Price has been paid in accordance with the terms hereof, and (ii) Purchaser has otherwise performed, observed and complied with the terms and conditions of this Agreement.

At the Closing the Seller shall deliver to Purchaser a bargain and sale deed with covenants against the grantor's acts conveying the Unit to Purchaser. Such deed shall be in the form contained in Part II of the Plan, executed and acknowledged by the Seller in form for recording.

19. IDENTIFICATION OF PURCHASER. Purchaser represents that s/he is a person over 18 years of age. The term "purchaser" shall be read as "purchasers" if more than one person are purchasers, in which case the purchasers' obligations shall be deemed joint and several. Purchaser further represents to the Condominium and to all of the persons to who are Unit Owners that Purchaser is purchasing the Unit for Purchaser's own account and that Sponsor will have no interest, direct or indirect, in the Unit being purchased hereunder.

20. BONA FIDE PURCHASER. Purchaser certifies that Purchaser agrees in good faith to purchase the above-described unit with no discriminatory re-purchase agreement or other discriminatory inducement.

21. AGREEMENT SUBJECT TO MORTGAGES. Purchaser agrees that all terms and provisions of this Agreement are and shall be subject and subordinate to the lien of any building loan mortgage or development loan mortgage heretofore or hereafter made and any advances heretofore or hereafter made thereon and any payments or expenses already made or incurred or which may hereafter be made or incurred, pursuant to the terms thereof, incidental thereto, or to protect the security thereof, to the full extent hereof without the execution of any further legal documents by Purchaser. The subordination shall apply whether such advances are voluntary or involuntary and whether made in accordance with the building loan schedule of payments or accelerated thereunder by virtue of lender's right to make advances before they become due in accordance with the schedule of payments. Notwithstanding anything to the contrary contained in this

paragraph, however, on the Closing Date the only mortgage to which the Unit will be subject will be the mortgage(s) obtained by Purchaser.

22. MORTGAGE FINANCING. This Purchase Agreement will be contingent upon Purchaser obtaining a commitment for a mortgage loan in an amount not more than \$_____ from an institutional lender. Purchaser shall apply for said loan within five (5) business days after receipt of a fully executed copy of this Purchase Agreement and shall have forty (40) days from the date of the Purchase Agreement to obtain said mortgage commitment. Purchaser agrees to accept any commitment offered by the aforementioned lending institution provided same is in at least the amount set forth above and the Purchaser has reasonably determined that s/he can satisfy the conditions set forth therein. In the event Purchaser fails to obtain such commitment within forty (40) days from the date of the Purchase Agreement, either party may cancel this Purchase Agreement on five (5) business days written notice to the other party, whereupon this Purchase Agreement shall become null and void, and the Deposit shall be returned to the Purchaser. If the financing commitment lapses or expires prior to closing and the Purchaser has made a good faith effort to extend the commitment but has been unable to do so, then so long as the Purchaser notifies the Sponsor within five (5) business days of the lending institution's refusal to extend the commitment, the Sponsor shall grant to the Purchaser a right of rescission. **IN THE EVENT THAT SPONSOR'S ATTORNEY DOES NOT RECEIVE SUCH NOTICE OF FAILURE TO OBTAIN FINANCING WITHIN FIVE BUSINESS DAYS AFTER EXPIRATION OF THE FORTY-DAY-PERIOD SET FORTH ABOVE (OR ANY EXTENSION THERETO), PURCHASER SHALL BE REQUIRED TO CLOSE WHETHER OR NOT PURCHASER RECEIVES FINANCING.**

Note that under New York law, when a mortgage commitment is not fulfilled through no fault of a purchaser, performance is excused. Therefore, if the purchaser acts in good faith and the lender revokes the loan commitment after the contingency period expires, performance is excused, and the sponsor must grant to such purchaser a right of rescission and a reasonable period of time to exercise such right.

23. AMENDMENTS. No change will be made in the size or number of units, and/or their respective percentage of common interest, and no material change will be made in the size or quality of common elements except by amendment to the Plan and, when applicable, to the Declaration. If a Purchase Agreement has been executed and delivered to the Sponsor for that unit then no material change will be made in unit size, layout, or percentage of common interest unless the affected purchaser consents. No material change will be made in the size, and no material adverse change will be made in

the quality, of common elements unless all purchasers consent. No change of any type set forth in this paragraph shall be made except by amendment duly filed with the New York State Department of Law. Please see the CHANGES IN PRICES AND UNITS section located in Part I of the Offering Plan. If there is a material change in the size or quality of common areas, Purchaser shall be given written notice thereof by trackable overnight courier or certified mail and Purchaser shall have fifteen (15) days from the presentation of the filed amendment to rescind the Purchase Agreement and obtain return of the Deposit by so notifying the Sponsor or Selling Agent in writing by trackable overnight courier or certified mail. Notice of an amendment may also be given by e-mail and regular mail, and shall be deemed made when received, or when delivery is attempted. Notice of an amendment hereunder may be made by delivering a copy thereof and notice of its acceptance for filing to the attorney for the purchaser rather than directly to the purchaser in the form or manner set forth above. Notice of an amendment may also be given by trackable overnight courier or e-mail and regular mail, and shall be deemed made when received, or when delivery is attempted. Notice of an amendment hereunder may be made by delivering a copy thereof and notice of its acceptance for filing to the attorney for the purchaser rather than directly to the purchaser in the form or manner set forth above.

24. CAPTIONS. The captions used herein are inserted only as a matter of convenience and for reference and in no way define, limit, or describe the scope of this Purchase Agreement or the intent of any provision hereof.

25. RECORDING OF DEED AND POWER OF ATTORNEY. At the Closing, Purchaser will deliver the executed deed received from Seller and an executed and acknowledged power of attorney to the representative of the title company, if any, or to Seller for recording in the Office of the Register of the City of New York, County of Kings. Such deed and power of attorney will be in the form set forth in the Plan.

26. RISK OF LOSS. Risk of loss from fire or other casualty remains with the Sponsor until title has passed unless and until the purchaser is given the right of possession of that unit pursuant to a written agreement with the Sponsor. The Sponsor will notify a purchaser whether or not it (the Sponsor) will repair any damage resulting from a casualty prior to the closing of a unit within 15 days of said casualty. A person who takes possession of a unit prior to closing assumes the risk of losses not covered by insurance.

27. SURVIVAL. The Closing of Title to the Unit and the delivery of the deed thereto shall be deemed full compliance by the Seller with each and every term of this Purchase Agreement, except as to any item specifically listed and excepted therefrom.

28. EXECUTION OF FORMS. It shall be a condition of this Agreement that Purchaser shall execute and deliver to the Sponsor's attorney all forms and papers required by the State of New York and City of New York in connection with the purchase of the unit including but not limited to the "RPT" form.

29. LAWS. The laws of the State of New York shall govern this transaction.

30. PURCHASER'S REMEDIES. In the event that the Sponsor shall for any reason (except for willful default) be unable to convey and deliver the unit in accordance with terms of the Purchase Agreement (except for any failure to perform any obligation imposed by applicable statute or regulation, or a failure to perform Sponsor's obligations under the Offering Plan), the sole remedy of the Purchaser shall be to rescind the Purchase Agreement and be refunded the entire Deposit with interest earned, if any, plus the cost of title searches, if any.

Any conflict between the Plan and the Purchase Agreement shall be resolved according to the terms of the Plan.

Nothing contained in the Purchase Agreement or the Plan shall be construed to waive a Purchaser's right to abrogate Sponsor's obligations under Article 23-A of the GBL.

31. APPLIANCES AND EQUIPMENT. The Unit is being sold unfurnished, without window blinds or shades and will contain only the appliances and equipment described above and in the Plan. Furniture, wall coverings, furnishings, decorations, and the like in or about any model unit are for display purposes only and are not included in this sale. Residential Units will be offered with surface treatments as are specified in the DESCRIPTION OF PROPERTY AND BUILDING CONDITION set forth in the Offering Plan. Purchaser will be responsible for any repainting and touch-ups necessitated from moving in. Any floor plans or sketches shown to Purchaser (including those contained in the Plan) are only approximations of the Unit's dimensions and arrangement, and Purchaser should not rely thereon. Sponsor shall not be liable for minor variations from any floor plans or sketches.

There will be no modifications or extras unless agreed to in writing by the parties. All modifications and alterations must be approved by Sponsor in writing and, if approved, shall be performed by Sponsor at Purchaser's expense (payable in the manner to be set forth in addendum to this Agreement or separate agreement).

32. CONSTRUCTION

A. The construction of the building and the Unit, including the materials, equipment and fixtures to be installed therein, shall be substantially in accordance with the Plan and the architectural plans and specifications included therein, subject to the right reserved by Sponsor to modify and amend the Plan in order to substitute materials, equipment, or fixtures of equal or better quality and design, provided only the approval of any governmental authorities having jurisdiction thereover and the construction lender are first obtained (if required). The issuance of a Certificate of Occupancy for the building shall be deemed rebuttable evidence that the building and the Unit have been fully completed in accordance with the Plan. However, nothing herein contained shall excuse Sponsor from its obligations to correct any defects in construction in accordance with the conditions set forth in the Plan in the section entitled "RIGHTS AND OBLIGATIONS OF THE SPONSOR."

B. The construction of the building and the Unit and the correction of any defects in construction to the extent required under the Plan are the sole responsibility of the Sponsor. The Sponsor gives no warranty as to materials or workmanship that shall survive closing except as required by the New York State Housing Merchant Implied Warranty Law. The New York State Housing Merchant Implied Warranty applies to this Plan and is included in Part II of the Offering Plan. Purchaser acknowledges and agrees that Sponsor will not be liable for, and will have no obligation to correct certain variations from the Plan as indicated in the Plan in "RIGHTS AND OBLIGATIONS OF THE SPONSOR," and will only be responsible to correct any construction defects to the extent, and on the terms and conditions, set forth in said section.

33. INSPECTION OF UNIT. At least ten (10) days before the balance is to be paid, the Selling Agent shall notify the Purchaser that the Unit is ready for a standard pre-closing walk-through inspection. Upon receipt of the notice, Purchaser shall promptly arrange an appointment with the Selling Agent to perform a standard pre-closing walk-through inspection of the Unit before the lapse of such ten (10) day period. Purchaser or Purchaser's duly authorized agent shall attend such inspection and shall complete, date and sign the Pre-Closing Inspection Statement (in the form set forth as Exhibit A to this Agreement) and deliver same to the Selling Agent at the conclusion of the inspection. Failure of Purchaser either to arrange such appointment or to inspect the Unit within ten (10) days of receipt of said notice or to so sign and deliver the completed Inspection Statement shall not excuse Purchaser from paying the balance when due and shall constitute Purchaser's full acceptance of the Unit. However, nothing herein shall relieve Sponsor of its obligations as set forth in the "RIGHTS AND OBLIGATIONS OF

THE SPONSOR."

34. NOTICES. All notices, elections, consents, demands, and communications (collectively called "notices" or individually called "notice") shall be delivered personally or given in writing by trackable overnight courier or registered or certified mail, postage prepaid, and, if sent to Purchaser, addressed to Purchaser at Purchaser's address given in the preamble to this Agreement and, if sent to Sponsor, addressed to the Sponsor's Attorney as indicated in this Plan. Either party may, by written notice to the other, change the address to which notices are to be sent. Unless otherwise provided herein, all notices shall be deemed given when personal delivery is affected or when deposited in any branch station or depository maintained by the U.S. Postal service in the City and State of New York, except that a notice of change of address shall be deemed given when actually received. Notice may also be given by e-mail and regular mail, and shall be deemed effective when received or when delivery is attempted. Any notice required to be given hereunder may be given to the attorney of the respective party.

35. BROKER. Purchaser represents to Sponsor that the Selling Agent is the only broker or sales agent with whom Purchaser has dealt in connection with this transaction. Sponsor agrees to pay the commission due the Selling Agent pursuant to separate agreement. Purchaser agrees that should any claim be made against Sponsor for commissions by any broker other than Selling Agent on account of any acts of Purchaser or of Purchaser's representatives, then Purchaser will indemnify and hold Sponsor free and harmless from any and all liabilities and expenses in connection therewith, including (without limitation) reasonable legal fees and disbursements. The provisions of this Paragraph 35 shall survive the Closing.

36. ASSIGNMENT AND RECORDATION. This contract may not be assigned or recorded. Purchaser must take title to the property in the same name that appears on this executed Purchase Agreement. Any proposed assignment or recordation without express written permission of the Seller shall be deemed a default hereunder entitling Seller to cancel the contract and retain all sums deposited pursuant hereto. Sponsor at Sponsor's option may allow Purchaser to assign a contract but shall have no obligation to do so; in the event of such assignment Purchaser shall pay an assignment fee of \$1,500.00.

37. NOLIEN. No lien or encumbrances shall arise against the Property or the Unit as a result of this Agreement or any monies deposited hereunder. This Agreement shall not be recorded and any purported recordation hereof by Purchaser shall constitute an Event of Default. Purchaser hereby waives any right or privilege to

place a lis pendens upon the premises and, accordingly, notwithstanding anything contained herein to the contrary, Purchaser shall be liable for all damages, including, without limitation, liquidated damages equal to triple his/her contract deposit relating to the Purchaser's failure to comply with the terms of this Paragraph 37. This Paragraph 37 shall survive the termination of the Contract.

38. INVALIDITY. Invalidity or unenforceability of any portion or portions of this Agreement shall not affect the validity or enforceability of the other portions, which shall all be deemed valid and enforceable to the fullest extent of the law.

39. STRICT COMPLIANCE. Any failure by Sponsor to insist upon strict performance by Purchaser of any of the provisions of this Agreement shall not be deemed a waiver of any of the provisions hereof, irrespective of the number of violations or breaches which may occur, and Sponsor, notwithstanding any failure, shall have the right thereafter to insist upon strict performance by Purchaser of any and all of the provisions of this Agreement to be performed by Purchaser.

40. SMOKING POLICY. Pursuant to Local Law 147, the subject premises' smoking policy is consistent with the Smoke Free Air Act ("SFAA"), which is the current law governing smoking in class A multiple dwellings. This building prohibits smoking or using electronic cigarettes in common indoor and outdoor areas of the building. Smoking and electronic cigarette usage is permitted in private apartments and outdoor limited common elements allocated to particular units.

41. COUNTERPART AND PDF ACCEPTABLE. This Agreement may be executed in multiple counterparts, each of which shall constitute an original, and all of which when taken together shall constitute one original. Delivery via facsimile or PDF transmission of a counterpart of this Agreement as executed by the parties making such delivery shall constitute good and valid execution and delivery of this Agreement for all purposes.

General Business Law—Civil Practice Law and Rules
New Homes—Sales—Warranties

We ACT to amend the general business law and civil practice law and rules, in relation to warranties on sales of new homes.

Approved September 6, 1988, effective as provided in S 3.

The people of the State of New York, represented in Senate and Assembly, do enact as follows:

§ 1. The general business law is amended by adding a new article S 1 thirty-six B to read as follows:

ARTICLE 36-B

§ 777. Definitions.

777-a. Housing Merchant Implied Warranty

777-b. Exclusion or modification of warranties.

§ 777. Definitions. As used in this article, the following terms shall have the following meanings:

1. "Builder" means any person, corporation, partnership or other entity contracting with an owner for the construction or sale of a new home.

2. "Building code" means the uniform fire prevention and building code promulgated under section three hundred seventy-seven of the executive law, local building code standards approved by the uniform fire prevention and building code council under section three hundred seventy-nine of the executive law, and the building code of the city of New York, as defined in title twenty-seven of the administrative code of the city of New York.

3. "Constructed in a skillful manner" means that workmanship and materials meet or exceed the specific standards of the applicable building code. When the applicable building code does not provide a relevant specific standard, such term means that workmanship

and materials meet or exceed the standards of locally accepted building practices.

4. "Material defect" means actual physical damage to the following load-bearing portions of the home caused by failure of such load-bearing portions which affects their load-bearing functions to the extent that the home becomes unsafe, unsanitary or otherwise unlivable: foundation systems and footings, beams, girders, lintels, columns, walls and partitions, floor systems, and roof framing systems.

5. "New home" or "home" means any single family house or for-sale unit in a multi-unit residential structure of five stories or less in which title to the individual units is transferred to owners under a condominium or cooperative regime. Such terms do not include dwellings constructed solely for lease, mobile homes as defined in section seven hundred twenty-one of this chapter, or any house or unit in which the builder has resided or leased continuously for three years or more following the date of completion of construction, as evidenced by a certificate of occupancy.

6. "Owner" means the first person to whom the home is sold and, during the unexpired portion of the warranty period, each successor in title to the home and any mortgagee in possession. Owner does not include the builder of the home or any firm under common control of the builder.

7. "Plumbing, electrical, heating, cooling and ventilation systems" shall mean:

a. in the case of plumbing systems: gas supply lines and fittings; water supply, waste and vent pipes and their fittings; septic tanks and their drain fields; water, gas and sewer service piping, and their extensions to the tie-in of a public utility connection, or on-site well and sewage disposal system;

b. in the case of electrical systems: all wiring, electrical boxes, switches, outlets and connections up to the public utility connection; and

c. in the case of heating, cooling and ventilation systems: all duct work, steam, water and refrigerant lines, registers, convectors, radiation elements and dampers.

8. "Warranty date" means the date of the passing of title to the first owner for occupancy by such owner or such owner's family as a residence, or the date of first occupancy of the home as a residence, whichever first occurs.

§ 777-a. Housing merchant implied warranty.

1. Notwithstanding the provisions of section two hundred fifty-one of the real property law, a housing merchant implied warranty is implied in the contract or agreement for the sale of a new home and shall survive the passing of title. A housing merchant implied warranty shall mean that:

- a. one year from and after the warranty date the home will be free from defects due to a failure to have been constructed in a skillful manner;
- b. two years from and after the warranty date the plumbing, electrical, heating, cooling and ventilation systems of the home will be free from defects due to a failure by the builder to have installed such systems in a skillful manner; and
- c. six years from and after the warranty date the home will be free from material defects.

2. Unless the contract or agreement by its terms clearly evidences a different intention of the seller, a housing merchant implied warranty does not extend to:

- a. any defect that does not constitute (i) defective workmanship by the builder or by an agent, employee or subcontractor of the builder, (ii) defective materials supplied by the builder or by an agent, employee or subcontractor of the builder, or (iii) defective design provided by a design professional retained exclusively by the builder; or
- b. any patent defect which an examination ought in the circumstances to have revealed, when the buyer before taking title or accepting construction as complete has examined the home as fully as the buyer desired, or has refused to examine the home.

3. In the case of goods sold incidentally with or included in the sale of the new home, such as stoves, refrigerators, freezers, room air conditioners, dishwashers, clothes washers and dryers, a housing merchant implied warranty shall mean that such goods shall be free from defects due to failure by the builder or any agent, employee or subcontractor of the builder to have installed such systems in a skillful manner.

Merchantability, fitness and all other implied warranties with respect to goods shall be

governed by part three of article two of the uniform commercial code and other applicable statutes.

4. a. Written notice of a warranty claim for breach of a housing merchant implied warranty must be received by the builder prior to the commencement of any action under paragraph b of this subdivision and no later than thirty days after the expiration of the applicable warranty period, as described in subdivision one of this section. The owner and occupant of the home shall afford the builder reasonable opportunity to inspect, test and repair the portion of the home to which the warranty claim relates.

b. An action for damages or other relief caused by the breach of a housing merchant implied warranty may be commenced prior to the expiration of one year after the applicable warranty period, as described in subdivision one of this section, or within four years after the warranty date, whichever is later. In addition to the foregoing, if the builder makes repairs in response to a warranty claim under paragraph a of this subdivision, an action with respect to such claim may be commenced within one year after the last date on which such repairs are performed. The measure of damages shall be the reasonable cost of repair or replacement and property damage to the home proximately caused by the breach of warranty, not to exceed the replacement cost of the home exclusive of the value of the land, unless the court finds that, under the circumstances, the diminution in value of the home caused by the defect is a more equitable measure of damages.

c. In addition to any other period for the commencement of an action permitted by law, an action for contribution or indemnification may be commenced at any time prior to the expiration of one year after the entry of judgment in an action for damages under paragraph b of this subdivision.

5. Except as otherwise provided in section seven hundred seventy-seven-b of this article, any provision of a contract or agreement for the sale of a new home which excludes or modifies a housing merchant implied warranty shall be void as contrary to public policy.

6. Except as otherwise provided in section seven hundred seventy-seven-b of this article, other implied warranties may arise from the terms of the contract or agreement or from course of dealing or usage of trade.

§ 777-b. Exclusion or modification of warranties.

1. Except in the case of a housing merchant implied warranty, the builder or seller of a

new home may exclude or modify all warranties by any clear and conspicuous terms contained in the written contract or agreement of sale which call the buyer's attention to the exclusion or modification of warranties and make the exclusion or modification plain.

2. Except in the case of a housing merchant implied warranty, the builder or seller of a new home may exclude or modify warranties with respect to particular defects by any clear and conspicuous terms contained in the written contract or agreement of sale which identify such defects, call the buyer's attention to the exclusion or modification of warranties and make the exclusion or modification plain.

3. A housing merchant implied warranty may be excluded or modified by the builder or seller of a new home only if the buyer is offered a limited warranty in accordance with the provisions of this subdivision.

a. A copy of the express terms of the limited warranty shall be provided in writing to the buyer for examination prior to the time of the buyer's execution of the contract or agreement to purchase the home.

b. A copy of the express terms of the limited warranty shall be included in, or annexed to and incorporated in, the contract or agreement.

c. The language of the contract or agreement for sale of the home must conspicuously mention the housing merchant implied warranty and provide that the limited warranty excludes or modifies the implied warranty. Language to exclude all implied warranties is sufficient if it states, for example, that "There are no warranties which extend beyond the face hereof."

d. The limited warranty shall meet or exceed the standards provided in subdivisions four and five of this section.

4. A limited warranty sufficient to exclude or modify a housing merchant implied warranty must be written in plain English and must clearly disclose:

a. that the warranty is a limited warranty which limits implied warranties on the sale of the home; the words "limited warranty" must be clearly and conspicuously captioned at the beginning of the warranty document;

b. the identification of the names and addresses of all warrantors;

c. the identification of the party or parties to whom the warranty is extended and

whether it is extended to subsequent owners; the limited warranty must be extended to the first owner of the home and survive the passing of title but may exclude any or all subsequent owners;

d. a statement of the products or parts covered by the limited warranty;

e. the clear and conspicuous identification of any parts or portions of the home or premises that are excepted or excluded from warranty coverage, and the standards that will be used to determine whether a defect has occurred; provided, however, that:

i. any exception, exclusion or standard which does not meet or exceed a relevant specific standard of the applicable building code, or in the absence of such relevant specific standard a locally accepted building practice, shall be void as contrary to public policy and shall be deemed to establish the applicable building code standard or locally accepted building practice as the warranty standard; and

ii. any exception, exclusion or standard that fails to ensure that the home is habitable, by permitting conditions to exist which render the home unsafe, shall be void as contrary to public policy.

f. what the builder and any other warrantor will do when a defect covered by the warranty does arise, and the time within which the builder and any other warrantor will act;

g. the term of the warranty coverage and when the term begins, provided, however, that such term shall be equal to or exceed the warranty periods of a housing merchant implied warranty, as defined in subdivision one of section seven hundred seventy-seven-a of this article;

h. step-by-step claims procedures required to be undertaken by the owner, if any, including directions for notification of the builder and any other warrantor; an owner shall not be required to submit to binding arbitration or to pay any fee or charge for participation in nonbinding arbitration or any mediation process;

i. any limitations on or exclusions of consequential or incidental damages, and any limitations on the builder's and other warrantor's total liability, conspicuously expressed on the first page of the warranty. Notwithstanding the foregoing, a

limited warranty shall not be construed to permit any limitation on or exclusion of property damage to the home proximately caused by a breach of the limited warranty, where the court finds that such limitation or exclusion would cause the limited warranty to fail of its essential purpose, except that such property damage may be limited by an express limitation on the builder's or other warrantor's total liability in accordance with the provisions of this paragraph.

5.
 - a. This article shall not be construed to authorize or validate any covenant, promise, agreement or understanding which is void and unenforceable under section 5-322.1 of the general obligations law.
 - b. This article shall preempt any local law inconsistent with the provisions of this article. This article shall not preempt any builder subject to its provisions from complying with any local law with respect to the regulation of home builders except as expressly provided herein.
 - c. Nothing in this article shall be construed to repeal, invalidate, supersede or restrict any right, liability or remedy provided by any other statute of the state, except where such construction would, as a matter of law, be unreasonable.

New York Real Property Law, Article 9-B.

§339-kk. Rents.

(a) For the purposes of this section, "non-occupying owner" shall mean a unit owner in a condominium association who does not occupy the dwelling unit.

(b) If a non-occupying owner rents any dwelling unit to a rental tenant and then fails to make payments due for common charges, assessments or late fees for such unit within sixty days of the expiration of any grace period after they are due, upon notice in accordance with subdivision (c) of this section, all rental payments from the tenant shall be directly payable to the condominium association.

(c) If the common charges, assessments or late fees due for any unit have not been paid in full, within sixty days after the expiration of any grace period of the earliest due date, the board of managers shall provide written notice to the tenant and the non-occupying owner providing that, commencing immediately and until such time as all payments for common charges, assessments or late fees are made current, all rental payments due subsequent to the issuance of such notice are to be made payable to the condominium association at the address listed on the notice. Where a majority of the board of managers has been elected by and from among the unit owners who are in occupancy, the board may elect not to require that rental payments be made payable to the condominium association. At such time as payments for common charges, assessments and late fees from the non-occupying owner are once again current, notice of such fact shall be given within three business days to the rental tenant and non-occupying owner. Thereafter all rental payments shall be made payable to the non-occupying owner or a designated agent. A non-occupying owner who disputes the association's claim to rental payments pursuant to this section shall be entitled to present facts supporting such owner's position at the next scheduled meeting of the board of managers, which must be held within thirty days of the date that such board receives notice that such owner seeks to dispute such claim.

(d) Nothing in this section shall limit any rights of unit owners or of the board of managers existing under any other law or agreement.

(e) Payment by a rental tenant to the condominium association made in connection with this section shall relieve that rental tenant from the obligation to pay such rent to

the non-occupying owner and shall be an absolute defense in any non-payment proceeding commenced by such non-occupying owner against such tenant for such rent.

DECLARATION ESTABLISHING A PLAN FOR CONDOMINIUM OWNERSHIP of Premises to be known as the 450 WARREN CONDOMINIUM, located at 450 Warren Street, Brooklyn, New York, Borough of Brooklyn, County of Kings, City and State of New York, pursuant to Article 9B of the Real Property Law of the State of New York.

450WSP LLC, located at 55 Washington Street, Suite 551, Brooklyn, New York 11201, hereinafter referred to collectively as "the Declarant," does hereby declare:

1. SUBMISSION OF PROPERTY: Declarant hereby submits the land hereinafter described, together with the Buildings and improvements thereon erected ("the Property"), to the provisions of Article 9-B of the Real Property Law of the State of New York.
2. AREA AND LOCATION OF LAND: The land ("Land") consists of all that certain tract, plot, piece, and parcel of land situate, lying and being in the County of Kings, City and State of New York, more particularly described on Schedule A annexed hereto and made a part hereof. The Land is owned by the Declarant in fee simple absolute.
3. NAME OF CONDOMINIUM: The Condominium shall be known as the 450 WARREN CONDOMINIUM.
4. DESCRIPTION OF THE BUILDING: The condominium consists of a single building composed of five stories, and containing, in aggregate, eighteen (18) residential units and three (3) community facility units. The legal occupancy will match the proposed occupancy hereunder. The building complies with Class 1B construction requirements.
5. THE UNITS: SCHEDULE B annexed hereto and made a part hereof sets forth the following data with respect to each Unit necessary for the proper identification thereof: Unit designation; tax lot number; approximate square foot area; location; number of rooms; the portion of the Common Elements, including Limited Common Elements to which the Unit has immediate access (if any) and the percentage of interest in the Common Elements. The location of each Unit and any Limited Common Elements appurtenant thereto is more clearly designated on the Floor Plans (as hereinafter defined) and reference should be made thereto for the statement of the location of each Unit.

6. FLOOR PLANS: As shown on the Floor Plans of the Buildings (the "Floor Plans"), certified by Theodore Kane, R.A., and intended to be filed in the Office of the City Register of the City of New York simultaneously with the recording of this Declaration, the dimensions indicated are approximate, and are incorporated by reference as if fully set forth herein. The dimensions indicated on these plans are approximate and are calculated as follows: horizontally from the exterior side of the exterior walls (perimeter concrete columns and perimeter mechanical pipes are not deducted) to the midpoint of the interior walls and partitions separating one unit from another unit, or the exterior side of the interior walls and partitions separating a unit from public corridors, stairs, elevators, and other mechanical equipment spaces or any common elements or limited common elements. As is customary in New York City, these square foot areas exceed the usable floor area of each unit. The measurement for any unit does not exclude for the purpose of computing the size of any unit any common elements located within the unit. However, any common elements included within any unit shall not be considered part of that unit.

7. COMMON ELEMENTS: The Common Elements of the Condominium consist of the entire Property, including parts of the Buildings and improvements thereon other than the Units. Common Elements are comprised of General Common Elements and Limited Common Elements. They include, to the extent applicable, the following:

a) General Common Elements:

(i) The land on which the Buildings are physically erected, including any open areas appurtenant to the building(s);

(ii) All foundations, columns, girders, beams, supports, bearing walls; those portions of the exterior walls and installations beyond the exterior face of the Buildings; those portions of the walls and partitions dividing the Units from corridors, lobby and stairs located beyond the exposed face of the dry walls enclosing the Unit; the subfloor and framing joists, including any framing attached to such joists from which the dry wall ceiling of the Unit below is attached; roofs (excluding terraces), fire escapes (if any), corridors, halls, stairs and stairway areas located beyond the unexposed face of the dry walls enclosing the Residential Unit; lobby; storage and utility areas located beyond the unexposed face of the dry walls and the entrances to and exits from the Buildings;

(iii) All installations outside the Units for services such as gas, power, light, telephone and water;

(iv) All sewer pipes and drainage pipes outside units, including all drains and dry well on the land and those located outside the building footprint;

(v) The boiler room and meter areas, and janitor's closet(s), if any, as shown and delineated on the Floor Plans. To the extent the "as-built" condition of the building differs from such Floor Plans, both said Floor Plans and this Declaration shall be deemed amended to conform to said as-built condition;

(vi) All other apparatus and installations existing in the Buildings for common use or necessary or convenient to the existence, maintenance or safety of the Buildings.

(vii) The foregoing are included only to the extent they are present in this building. If any of the foregoing items are hereinafter designated as limited common elements, such designation shall take priority over the listing set forth herein.

b) Limited Common Elements:

Limited Common Elements are those areas appurtenant to a particular Unit or Units, the use of which is restricted to the owner(s) of such Unit or Units, but which are not owned by that unit owner. Each Unit Owner, his guests, invitees, lessees and residents of his Unit shall have the exclusive right to use and possession of the limited common elements of the building indicated in the attached Exhibit B, subject to the following:

Each Unit Owner shall be solely and only responsible for repair and maintenance of the Limited Common Element appurtenant to his/her Unit including, but not limited to, painting, cleaning, patching, and surface repair. In the event a Unit Owner fails to properly maintain his/her Limited Common Element, the Condominium Board of Managers may take such steps as in its exclusive judgment are necessary to maintain the areas and the cost thereof shall be assessed against the Condominium Unit to which such Limited Common Elements are appurtenant. To the extent that any damage to a Limited Common Element is caused by building condition, or by other condition for which the Condominium carries insurance, the cost of repair of such damage shall be borne by the Condominium.

8. DETERMINATION OF PERCENTAGES OF COMMON INTEREST: The determination of percentages of Common Interest allocated to each unit is based upon floor space, subject to the location of such space, and the additional factors of relative value to other space in the condominium, the uniqueness of the unit, the availability of common elements or exclusive or shared use, and the overall dimensions of a particular unit, as per Section 339(i)(1)(iv) of the New York State Real Property Law.

9. USE OF UNITS: Any Residential Unit may be used for private residential use, or for any home occupation use permitted under applicable zoning laws and ordinances, building code, or other rules and regulations of governmental authorities having jurisdiction thereof. Community facility unit usage must conform to applicable zoning regulations or any variance granted thereof, and the Certificate of Occupancy for the premises or any amendment thereto. Notwithstanding the foregoing, the Declarant may, without the permission of the Board of Managers, retain ownership of one or more Units for use as rental units, models, sales and/or offices, in connection with the sale or rental of the Units.

10. ENCROACHMENTS: If any portion of the Common Elements encroach upon any Unit, or if any Unit now encroaches upon any other Unit or upon any portion of the Common Elements, or if any encroachment shall occur hereafter as a result of (a) settling or shifting of the Buildings, or (b) alteration or repair to the Common Elements made by or with the consent of the Board of Managers, or (c) as a result of repair or restoration of the Buildings or a Unit after damage by fire or other casualty, or (d) as a result of condemnation or eminent domain proceedings; a valid easement shall exist for such encroachments and for the maintenance of the same so long as the Buildings shall stand.

11. EASEMENTS:

a) Each Unit Owner shall have an easement in common with the owners of all other Units to use all pipes, wires, ducts, cables, conduits, public utility lines and other Common Elements located in any of the other Units and serving his Unit. Each Unit shall be subject to an easement in favor of the Owners of all other Units to use the pipes, ducts, cables, wires, conduits, public utility lines and other Common Elements serving such other Units and located in such Unit. The Board of Managers shall have a right to access to each Unit and any Limited Common Elements appurtenant thereto to inspect the same, to remove violations therefrom and/or to maintain, repair or replace the Common Elements contained therein or elsewhere in the Building.

b) The Declarant and its designees, their successors, assigns, invitees, licensee, contractors, employees and tenants, shall have an easement in, on, over and across the Property for (i) construction, installation and development thereon and for the construction and installation, ingress to and egress from, and use of (including the right to connect with) all pipes, conduits, ducts, cables, wires, storm drainage facilities, water, sewer and other utility lines and (ii) construction and installation, ingress to and egress from and the right to use (in common with Unit Owners) all storm drainage facilities, water, sewer and other utility lines, pipes, conduits, flues, ducts, wires and cables, and (iv) ingress to and egress from all land areas of the Property and the use of said land areas (in common with Unit Owners) for any lawful purpose.

c) The Declarant, its designees and their successors, assigns, invitees, licensees, contractors, employees and tenants (i) shall have an easement to erect, maintain, repair and replace from time to time one or more signs on the Property for the purposes of advertising the sale of Units and the leasing of space in any Unit as well as an easement in the access to Units and Common Elements consistent with the purposes of the Offering Plan for the Property as same may be amended, and Declarant's rights and obligations thereunder, including, without limitation, the right to develop, renovate, maintain, repair, refurbish, offer, sell and lease Units and Common Elements, and (ii) reserve the right to establish, grant and create easements for any additional underground electric, transformer, amplifier, gas, cable television, telephone, water, storm drainage, sewer or other utility lines and appurtenances in, under and through the Property, including, without limitation, an easement or easements for the benefit of any property adjacent to the Property, to relocate any existing utility easements in any portion of the Property and to dedicate any or all of such facilities to any governmental body, public benefit corporation or utility company if the Declarant or designee shall deem it necessary or desirable for the proper operation and maintenance of the Property or any portion thereof, or the residents of any property adjacent to the Property, or users of the Recreation Facilities, provided that such additional utilities or the relocation of existing utilities will not prevent or unreasonably interfere with the use of the Residential Units for dwelling purposes. Any utility company or public benefit corporation furnishing services to the Property, and the employees and agents of any such company or corporation, shall have the right to access of any Unit, to the Common Elements or the Limited Common Elements in furtherance of such easements, provided such right to access is exercised in such a manner as not unreasonably to interfere with the use of the Units.

d) The user of any easement granted by Sub-paragraphs "b" and "c" of this Paragraph 11 shall have the responsibility of repairing any damage resulting therefrom.

12. PERSON TO RECEIVE SERVICE: For the period during which Declarant is in control of the Board of Managers, 450WSP LLC, 55 Washington Avenue, Suite 551, Brooklyn, New York 11201, is hereby designated to receive notice of process in any action which may be brought against the Condominium. After Declarant relinquishes control of the Board of Managers notice of process in any action which may be brought against the Condominium shall be served on the President of the Condominium at the office of the Condominium located at 450 Warren Street, Brooklyn, New York. In addition to the foregoing, the Secretary of State of the state of New York is hereby designated as agent of the Board of Managers to accept the service of process in any proceeding.

13. UNITS SUBJECT TO DECLARATION, BY-LAWS, AND RULES AND REGULATIONS: All present and future Owners, tenants, subtenants and occupants of Units shall be subject to and shall comply with the provisions of this Declaration, the By-Laws, and the Rules and Regulations (if any), as they may be amended from time to time. The acceptance of a deed or conveyance or the entering into a lease or the entering unto occupancy of any Unit shall constitute an agreement that the provisions of this Declaration, the By-Laws, and the Rules and Regulations, as they may be amended from time to time, are accepted and ratified by such Owner, tenant, or occupant, and all of such provisions shall be deemed and taken to be covenants running with the land and shall bind any person having at any time any interest or estate in such Unit, as though such provisions were recited and stipulated at length in each and every deed or conveyance or lease thereof.

14. AMENDMENT TO DECLARATION: This Declaration may be amended, modified, added to or deleted from by vote of Unit Owners representing at least 66-2/3% of all Unit Owners in number and in common interest, cast in person or by proxy at a meeting duly held in accordance with the provisions of the By-Laws, or in lieu of a meeting, any amendment may be approved, in writing by vote of Unit Owners representing at least 66-2/3% of the Common Interest of all Unit Owners; provided however,

a) No amendment, modification, addition, or deletion which shall adversely affect the lien or any mortgage may be made without the written consent of the mortgagee;

b) No amendment which shall change the percentage of Common Interest allocated to any Unit or Units may be made without the written consent of such Owner;

c) No amendment, modification, addition, or deletion of or to this Declaration will be effective in any respect against the Declarant, its designee, or

any Unsold Unit until the Declarant or such designee shall consent thereto in writing;

d) No amendment, modification, addition, or deletion of or to this Declaration which would in any way alter, restrict or change the use to which a Commercial Unit may be put shall be effective against any such Commercial Unit without the written consent of the Owner of such Commercial Unit.

The Declarant hereby reserves to itself and its designee(s) the right to amend this Declaration at any time without the requirements of a vote and without the approval or consent of any Unit Owners or mortgagees for the sole purpose of filing the Floor Plans required by the New York Real Property Law Section 339-p for any portion or portions of the Buildings and appurtenances that are incomplete upon the original filing of the Declaration provided that the verified statement of a registered architect or licensed professional engineer certifying that the plans being filed simultaneously with such amendment, fully and fairly depicting the layout, location, unit designations and approximate dimensions of the particular Unit or Units as built, as provided in said Section 339-p, will be filed with such amendment.

No such amendment shall be effective until recorded in the Office of the City Register of the City of New York.

15. CHANGES IN UNSOLD UNITS:

A. For any Unit owned by the Sponsor or its designee(s), if not prohibited by the New York Condominium Act (as the same may be amended), the Sponsor or its designee(s) shall have the right, without the vote or consent of the Board of Managers, other Unit Owners or the holders of Unit Mortgages, to (i) make alterations, additions, or improvements in, to and upon the Unit; (ii) change the layout or number of rooms in the Unit; (iii) change in and size and/or number of such Units by subdividing a Unit, combining separate Units (including those resulting from any subdivision or otherwise) into one or more Units, altering the boundary walls between any Unit or otherwise; and (iv) reapportion among such Units affected by such change in size or number, subdivision, combination or alteration, appurtenant interests in the Common Elements; provided, however, that the Sponsor or its designee(s) shall comply with all rules, ordinances and regulations of all governmental authorities having jurisdiction and shall agree to hold the Board of Managers and all other Unit Owners harmless from any liability arising therefrom. In accordance with law, the Common Elements appurtenant to each Unit as expressed in this Declaration shall have a permanent character and shall not be altered without the consent of all Unit Owners affected. Written consent will be

obtained from Unit Owners, if any, who are adversely affected as a result of the above changes. Contract vendees, if any, pursuant to Purchase Agreements with the Sponsor or its designees for a Unit adversely affected as a result of the above changes, will be given the right to rescind their Purchase Agreements and receive a refund of any disclosed in an amendment to the Offering Plan for the Property. The provisions of this Paragraph 15 may not be added to, amended or deleted without the prior written consent of the Sponsor or its designee(s). In the event of any such change in an Unsold Units, Sponsor shall amend the Declaration and Floor Plans to reflect same.

B. CHANGES TO A COMMERCIAL UNIT: Except to the extent prohibited by law, the Owner of a Commercial Unit shall have the right without the vote or consent of the Board of Managers to: (i) make alterations, additions or improvements, whether structural or non-structural, interior or exterior, ordinary or extraordinary, in, to and upon the Commercial Unit; (ii) change the layout of, or number of rooms in the Commercial Unit; (iii) change the size and/or numbers by subdividing the Commercial Unit, into two or more separate Commercial Units, combining separate Commercial Units (including those resulting from such subdivision or otherwise) into one or more Commercial Units, altering the boundary walls between any Commercial Units, or otherwise; and (iv) if appropriate, reapportion amount the Commercial Units affected by such change in size or number pursuant to the preceding clause "c" their percentages of interest in the common element; provided, however, that the percentage of interest in the common elements of any other Commercial Units shall not be changed by reason thereof unless the Owners of such Commercial Units shall consent thereto and, provided further, that the owner filing such changes shall comply with all laws, ordinances and regulations of all governmental authorities having jurisdiction and shall agree to hold the Board of Managers and all other Commercial Units harmless from any liability arising therefrom.

Nothing contained in this Declaration shall prohibit the division or consolidation of any Commercial Units and common interest appurtenant thereto, including but not limited to a change in the number of rooms. Any such change which will affect the structural integrity of the Building requires the prior written consent of the Board of Managers. In no case, however, may such division or consolidation result in a different percentage of common interest for the total of new Commercial Units than existed for the total of the original Commercial Units before division or consolidation. An amendment to this Declaration authorized by this paragraph may be filed by the new Unit Owner(s) without notice to or consent of the Board of Managers or any other Commercial Owner(s) provided the percentage of common interest of all other existing Commercial Units is not affected thereby.

If the number of rooms in an Unsold Commercial Unit is changed, or the size and/or number of Unsold Commercial Units is changed (whether as a result of a subdivision or combination of Unsold Commercial Units, or of boundary walls between Unsold Commercial Units, or otherwise) and the appurtenant percentage interest in the common elements is reapportioned as a result thereof, all in accordance with the provisions of this Article, then the Sponsor or its designee shall have the right to execute, or (on its request) to require any other Unit Owner or the Condominium Board of Managers to execute, and record in the Office of the City Register of the City of New York, an amendment to this Declaration (together with such other documents as the Sponsor or its designee deems appropriate to effectuate the same) reflecting such change in the number of rooms in an Unsold Commercial Units any of them or in the size and/or number of Unsold Commercial Units (whether as a result of said subdivision, combination, alteration or otherwise) and the reapportionment of the percentage of interest in the common elements.

In the event the Sponsor or its designee, exercising its rights pursuant to this Article so requires, the Board of Managers shall promptly amend the Declaration at the expense of the Sponsor or its designee, to reflect any such alteration, addition, improvements, changes or reapportionments and shall record such amendment in the Office of the City Register of the City of New York.

Unit Owners in the Condominium hold title to their respective Units subject to the benefits, rights, privileges, easements, burdens, covenants, and restrictions as described herein, in the By-Laws of the Condominium and any agreement of record recorded prior or subsequent to this Declaration.

16. INVALIDITY:

a) If any provision of this Declaration or of the By-Laws is invalid under, or would cause this Declaration or the By-Laws to be insufficient to submit the Property to, the provisions of the Condominium Act, such provision shall be deemed deleted from this Declaration or the By-Laws, as the case may be, for the purpose of submitting the Property to the provisions of the Condominium Act, but shall nevertheless be valid and binding upon, and shall inure to the benefit of, the owners of the Property and their heirs, executors, administrators, legal representatives, successors and assigns, as covenants running with the Land and with every part thereof and interest therein under other applicable law with the same force and effect as if, immediately after the recording of this Declaration or the By-Laws, all Unit Owners had signed and recorded an instrument agreeing to each such provision as a covenant running with the Land. If any provision

that is necessary to cause this Declaration or the By-Laws to be sufficient to submit the Property to the provisions of the Condominium Act is missing from this Declaration or the By-Laws, then such provision shall be deemed included;

(b) Subject to the terms of Paragraph "a" above, if this Declaration or the By-Laws are insufficient to submit the Property to the provisions of the Condominium Act, this Declaration and By-Laws shall nevertheless be valid and binding upon, and shall inure to the benefit of, the owners of the Property and their heirs, executors, administrators, legal representatives, successors and assigns, as covenants running with the Land and with every part thereof and interest therein under other applicable law to the extent permitted under such applicable law with the same force and effect as if, immediately after the recording of this Declaration and the By-Laws, all Unit Owners had signed and recorded an instrument agreeing to each such provisions as a covenant running with the Land.

17. THIS PARAGRAPH HAS BEEN INTENTIONALLY OMITTED.

18. TERMINATION OF CONDOMINIUM: The Condominium may be terminated by casualty loss, condemnation, or eminent domain, in accordance with the provisions of the By-Laws, or by withdrawing the Property from the provisions of the New York Condominium Act if authorized by an affirmative vote of Unit Owners who own not less than eighty (80%) percent in Common Interest of the Units. The Declarant or its designees will not vote its interests appurtenant to any Unsold Units for such withdrawal unless at least eighty (80%) percent in Common Interest of all other Unit Owners have elected for such withdrawal, in which event the Declarant may choose to vote in favor of or against such withdrawal. In the event said withdrawal is authorized as aforesaid, the Property shall be subject to an action for partition by any Unit Owner or lienor as if owned in common, in which event the net proceeds of sale shall be divided among all the Unit Owners in proportion to their respective Common Interests, provided however, that no payment shall be made to a Unit Owner until all lienors have first been paid off out of his share of such proceeds.

19. COMMON EXPENSE: Common Expenses of the Condominium mean and include all expenses of operation of the Property and all sums designated Common Expenses by or pursuant to the provisions of Article 9-B of the Real Property Law of the State of New York, the Declaration or the By-Laws. Common expenses shall be charged to unit owners according to their respective common interests, except that such expenses may be specially allocated and apportioned by the Board of Managers in a manner different from common profits and expenses for one (1) or more non-residential units.

Additionally, common expenses may be specially allocated and apportioned to residential or non-residential units, or a combination thereof, based on special or exclusive use or availability, or exclusive control, of particular units or common areas by particular unit owners.

20. DEFINITION OF "DECLARANT-DESIGNEE": The term "Declarant- Designee" as used in this Declaration shall mean any person or entity designated by the Declarant to acquire title to a Unit, other than a good faith Purchaser for value purchasing pursuant to a validly executed Purchase Agreement. A "Declarant-Designee" shall have the right to designate a person or entity to succeed to its rights and any such designee shall also be deemed a "Declarant-Designee."

21. WAIVER: No provision contained in this Declaration shall be deemed to have been abrogated or waived by reason of any failure to enforce the same, irrespective of the number of violations or breaches which may occur.

22. CAPTIONS: The captions herein are inserted only as a matter of convenience and for reference, and in no way define, limit or describe the scope of this Declaration, nor the intent of any provision thereof.

23. GENDER: The use of the masculine gender in this Declaration shall be deemed to refer to the plural, and vice versa, whenever the context so requires.

24. MORTGAGEES RIGHTS:

a) Notwithstanding anything to the contrary set forth in any other portion of this Declaration, amendments of a material adverse nature to the interest of the mortgagees must be agreed to by mortgagees holding mortgages on units entitled to cast at least 51.00% of the votes of the Condominium allocated to all units which are subject to mortgages;

b) Any action to terminate the legal status of the project after substantial destruction or condemnation, or for any other reason, must be agreed to by mortgagees holding mortgages on units entitled to cast at least 51.00% of the votes allocated to units which are encumbered by mortgages at the time of such termination. In the event notice of either of the foregoing is delivered to any mortgagee; and in the further event such mortgagee fails to submit a written response to such written notice within sixty (60) days after it receives such notice (and further provided that such notice was delivered by

registered or certified mail with a return receipt requested); then in such case such mortgagee will be deemed to have consented to the notice to action.

IN WITNESS WHEREOF, the parties have caused this Declaration to be executed by its duly authorized representatives this day of , 20 .

Section 2. Special Meetings: Special meetings of Unit Owners, other than those the calling of which is regulated by statute, may be called at any time by the President or Secretary or by a majority of the Board of Managers. It shall also be the duty of the Secretary to call such meetings whenever requested in writing to do so by Unit Owners owning at least twenty-five per cent (25%) of the votes of the Condominium. The Secretary shall cause a notice of such Special Meeting stating the time, place and object thereof and the officer or other person or persons by whom the meeting is called, to be delivered personally or e-mailed and mailed as provided in Section 1 of this Article to each Unit Owner of record of the Condominium entitled to vote at such meeting not less than ten (10) nor more than forty (40) days before such meeting. Except that there shall be a meeting commenced within sixty (60) days after the closing of the First Unit to be sold to elect a Board of Managers.

The proxies shall be in writing duly signed by the Unit Owner but need not be acknowledged or witnessed, and the person named as proxy by any Unit Owner need not himself be a Unit Owner of the Condominium. Voting by Unit Owners shall be viva voce unless any Unit Owner present at the meeting, in person or by proxy, demands a vote by written ballot, in which case the voting shall be by ballot, and each ballot shall state the name of the Unit Owner voting and the number of votes appurtenant to his/her Unit, and in addition, the names of the proxy of such ballot if cast by a proxy.

Section 6. Each person so elected shall be a member of the Board of Managers until a successor shall be elected at the next annual meeting of Unit Owners to serve the remaining term. In the event of the failure to hold any election of Managers at the time designated for the annual election of Managers or in the event that the Board of Managers shall not have filled any such vacancy, a Special Meeting of Unit Owners shall be called to elect a new Board of Managers. Any vacancy created by amendment of these By-Laws shall be filled in the manner provided in the resolution adopting such amendment. In case of a reduction of the authorized number of Managers by amendment of these By-Laws, the Manager, if any, whose term of office shall cease, shall be determined in the manner provided in the resolution adopting such amendment.

Meetings: The Board of Managers shall meet immediately after the Annual Meeting of Unit Owners without notice and also whenever called together by any Manager of the Condominium or upon the written request of any three Managers then holding office, upon notice given to each Manager, by delivering personally or e-mailing and mailing the same to him at least two days prior to such meeting at the last address furnished by him to the Condominium. Regular meetings may be held without notice at such times and places as the Board of Managers may determine. Any meeting of the Board at which all the Managers shall be present, or of which notice shall be duly waived by all absentees, either before or after the holding of such meeting, shall be valid for all purposes provided a quorum be present. Meetings of Managers may be held either at the principal office of the Condominium or elsewhere within the State of New York as provided in the notice calling the meeting, unless the Board of Managers by resolution adopt some further limitation in regard thereto. At all meetings of the Board of Managers, each Manager shall be entitled to one vote. The vote of a majority of the Board of Managers present at the time of a vote of a duly constituted meeting shall be the act of the Board of Managers.

Section 7. Resignation and Removal: Any Manager may resign at any time by written notice delivered in person or sent by trackable overnight courier or certified registered mail to the President or Secretary of the Condominium. Such resignation shall take effect at the time specified therein, and unless specifically requested acceptance of such resignation shall not be necessary to make it effective. Any Manager may be removed from office at any time with or without cause upon the affirmative vote of the Unit Owners whose aggregate vote is at least 51% of the votes of the Condominium at a Unit Owners' meeting duly called for that purpose; provided, however, that the Manager(s) elected by the Holders of "Unsold Units" can be removed only for cause by a vote of a majority of the Unit Owners or without cause by the Holders of Unsold Units.

Section 8. The Board of Manager shall have discretionary power to prescribe the manner of maintaining and operating the Building, to be paid as aforesaid by the Unit Owners. Every such determination by the Board of Managers shall be final and conclusive as to all Unit Owners and any expenditures made by the Condominium's officers or its agent under authority of, or with the approval of, the Board of Managers of the Condominium shall, as against the Unit Owners, be deemed necessarily and properly made for such purpose. Until the earlier of (i) the fifth anniversary of the First Closing or (ii) such time

as the Holders of Unsold Units hold less than 50% of the outstanding votes of the Residential Units, the Board of Managers of the Condominium will not take any of the following actions unless Unit Owners owning at least 51% of the votes of Residential Units of the Condominium approve in writing or by vote, in person or by proxy, at a duly constituted meeting called for such purpose:

- a) Increase the number or change the type of employees from that described in the FOOTNOTES TO SCHEDULE B of the Offering Plan;
- b) Provide for new or additional services from those indicated in the FOOTNOTES TO SCHEDULE B, unless the annual cost of such new or additional services, when added to the annual cost of all other services, being provided, is no greater than that provided in said notes;
- c) Establish any reserve other than the Reserve and/or Working Capital Funds set forth in the Offering Plan.

Until the earlier of five years from the date of closing, or at the time at which the Sponsor or other Holder of Unsold Units owns units consisting of less than 25% of the common interest of the Condominium, the Sponsor may exercise veto power over any expenses other than those described in SCHEDULE B, or which are required to comply with applicable laws or regulations; remedy any notice of a violation; or remedy any work order from an insurer. Additionally, so long as the Sponsor retains ownership of at least one unit in the building, the By-Laws, Declaration, and Rules and Regulations of the Condominium, may not be amended or modified in any way so as to adversely affect the Sponsor without written consent by the Sponsor.

Section 9. Rules and Regulations: The Board of Managers may from time to time adopt and amend such rules and regulations as it may deem necessary in respect to the Building of the Condominium for the health, safety and convenience of the Unit Owners. Copies thereof and of changes therein shall be furnished to each Unit Owner.

Section 10. Compensation: No Member of the Board of Managers shall receive any compensation from the Condominium for acting as such.

Section 11. Liability of the Board of Managers: The Members of the Board of Managers shall not be liable to the Unit Owners for any mistake of judgment, negligence, or otherwise, except for their own individual willful misconduct or bad faith. The Unit Owners shall indemnify and hold harmless each of the members of the Board of Managers against all contractual liability to others arising out of contracts made by the Board of Managers on behalf of the Condominium unless any such contract shall have

been made in bad faith or contrary to the provisions of the Declaration or of these By-Laws. It is intended that the members of the Board of Managers shall have no personal liability with respect to any contract made by them on behalf of the Condominium within the scope of their authority. It is understood and permissible for the original Board of Managers, who are designated by the Sponsor, to contract with the Sponsor and affiliated corporations without fear of being charged with self-dealing. It is also intended that the liability of any Unit Owner arising out of any contract made by the Board of Managers shall be limited to such proportion of the total liability thereunder as his interest in the Common Elements bears to the interest of all the Unit Owners in the Common Elements, and, except as prohibited by law, the Unit Owner's interest in the Unit. Every agreement made by the Board of Managers, or the Managing Agent, or the Manager, on behalf of the Condominium shall provide that the members of the Board of Managers, or the Managing Agent, or the Manager as the case may be, are acting only as agent for the Unit Owners in the Common Elements. Every agreement made by the Board of Managers or by the Managing Agent or by the Manager on behalf of the Condominium shall provide that the members of the Board of Managers, or the Managing Agent, or the Manager, as the case may be, are acting only as agent for the Unit Owners and shall have no personal liability thereunder (except as Unit Owners), and that each Unit Owner's liability thereunder shall be limited to such proportion of the total liability thereunder as his interest in the Common Elements bears to the interest of all Unit Owners in the Common Elements, and, except as prohibited by law, the Unit Owner's interest in the Unit.

ARTICLE V

Section 1. Definitions: Whenever under the provisions of the Declaration or of these By-Laws, notice is required to be given to the Board of Managers, any Manager, Unit Owner or mortgagee, it shall not be construed to mean personal notice; but such notice may be given in writing, by e-mail and mail, by depositing the same in a post office or letter box, in a postpaid sealed wrapper, addressed to the Board of Managers, such Managers or Unit Owner or mortgagee in such address as appears on the books of the Condominium.

Sections 2. ARTICLE VI

OPERATION OF THE PROPERTY

Section 1. Determination of Common Expenses and Fixing of Common Charges: The Board of Managers shall from time to time, and at least annually, prepare a budget for the operation of the Condominium, determine the amount of the Common Charges payable by the Unit Owners to meet the Common Expenses, and allocate and assess such Common Charges and Expenses among the Unit Owners in proportion to their respective Common Interests; except that such expenses may be specifically allocated and apportioned by the Board of Managers in a manner different from common interest to one (1) or more non-residential units; or in the case of either residential or non-residential units or any combination thereof, such expenses may be specially allocated and apportioned based on special or exclusive use or availability, or exclusive control, of particular units or common areas by particular unit owners. The Common Expenses shall include, among other things, the cost of all insurance premiums on all policies of insurance required to be or which have been obtained by the Board of Managers pursuant to the provisions of these By-Laws and the fees and disbursements of the Insurance Trustee. The Common Expenses may also include such amount as the Board of Managers may deem proper for the operation and maintenance of the Common Elements including, without limitation, an amount for working capital of the Condominium, for a general operating reserve, for a reserve fund for replacements, and to make up any deficit in the common expenses for any prior year. The Common Expenses may also include such amounts as may be required for the purchase or lease of any Unit whose Owner has elected to sell or lease such Unit, or any Unit which is to be sold at a foreclosure or other judicial sale. The Board of Managers shall advise all Unit Owners promptly, in writing, of the amount of Common Charges and Expenses payable by each of them, respectively, as determined by the Board of Managers, as aforesaid, and shall furnish copies of each budget on which such Common Charges and Expenses are based, to all Unit Owners. Any dispute relating to the expenses to be borne by the Unit Owners shall be submitted to arbitration in accordance with these By-Laws.

Until such time as units are separately assessed for New York City real estate tax purposes, real estate taxes shall be deemed part of the common expenses of the building, and individual unit owners will be assessed their proportionate share thereof. After assessment, unit owners will be reimbursed for any overpayment of taxes or assessed for any underpayment.

The Sponsor or Sponsor-designee shall be responsible for the Common Charges assessed against a Unit owned by it from the date of the First Unit Closing until such Unit is sold to a bona fide purchaser.

Section 2. Insurance: The Board of Managers shall be required to obtain and maintain, to the extent obtainable, fire insurance with extended coverage, vandalism and malicious mischief endorsements, insuring the Buildings containing the Units (including all of the Units and the fixtures initially installed therein by the Sponsor or by prior construction and any other property usual to the servicing and general occupancy, but not including furniture, furnishings, or other personal property supplied or installed by Unit Owners) together with all service machinery and equipment contained therein and covering the interests of the Condominium, the Board of Managers and all Unit Owners and their mortgagees with certificates of insurance, as their interests may appear, in an amount to be determined by the Board of Managers. In the event this building includes a commercial unit, the Board of Managers shall annually obtain from the insurance broker a letter stating the extent to which the cost of insurance for the condominium, on account of the usage of the commercial unit, exceeds the cost which would otherwise have been obtained if no commercial unit were present; and this cost shall be borne by the commercial unit owner. A copy of the letter shall be delivered to the commercial unit owner within ten (10) days after receipt thereof, and the commercial unit owner shall be obligated to pay the amount assessed therein within fifteen (15) days after receipt thereof.

Section 3. Payment of Common Charges: All Unit Owners shall be obligated to pay the Common Charges assessed by the Board of Managers pursuant to the provisions of Section 1 of Article VI at such time or times as the Board of Managers shall determine.

No Unit Owner shall be liable for the payment of any part of the Common Charges assessed against his Unit subsequent to a sale, transfer or other conveyance by him.

Section 4. Collection of Common Charges and Assessments: The Board of Managers shall assess Common Charges against Unit Owners from time to time at least annually and shall take prompt action to collect any Common Charge due from any Unit Owner that remains unpaid for more than thirty (30) days from the due date for payment thereof. The Board of Managers shall also take prompt action to collect any assessment due from any Unit Owner that remains unpaid for more than thirty (30) days from the due date thereof.

Section 5. Default in Payment of Common Charges or Assessments: In the event of default by any Unit Owner in paying to the Board of Managers the Common Charges or

any assessment as determined by the Board of Managers, such Unit Owners shall be obligated to pay interest at the highest legal rate on such Common Charges or assessments from the due date thereof, together with all expenses, including attorney's fees, incurred by the Board of Managers in any proceeding brought to collect such unpaid Common Charges or assessments. The Board of Managers shall have the right and duty to attempt to recover such Common Charges or assessments, together with interest thereon, and the expenses of the proceeding, including attorney's fees, in an action to recover the same brought against such Unit Owner, or by foreclosure of the lien on such Unit granted by Section 339-z of the Real Property Law of the State of New York, in the manner provided in Section 339-aa thereof. A Unit Owner defaulting in payment of Common Charges or assessments shall not be permitted to vote at any regular or special meeting of Unit Owners. During the time that the Sponsor is in control of the Board of Managers, Sponsor will cause the Board of Managers to file a lien as provided for in Section 339-aa of the Real Property Law on units in which the Sponsor is more than 30 days in arrears of common charges.

Under section 339-kk of the Real Property Law, the Board of Managers has the right to require the tenant in an apartment owned by a non-occupying owner to make rental payments directly to the Board of Managers where such non-occupying owner is in default on payments of common charges, assessments, or late fees for such unit for a period of 60 days after the expiration of any grace period after they are due. Payments by such rental tenant to the condominium pursuant to this statute relieves such rental tenant from the obligation to pay such rent to such non-occupying owner, and is an absolute defense in any nonpayment proceeding commenced by such non-occupying owner. The procedures by which the Board of Managers may enforce this right, including required notice, means of protest, and termination are set forth in the aforementioned section which is recited at Page RP1 of this Offering Plan.

Section 6. Foreclosure of Liens for Unpaid Common Charges: In any action brought by the Board of Managers to foreclose a lien on a Unit because of unpaid Common Charges, the Unit Owner shall be required to pay a reasonable rental for the use of his Unit and the plaintiff in such foreclosure action shall be entitled the appointment of a receiver to collect the same. The Board of Managers, acting on behalf of all Unit Owners, shall have the power to purchase such Unit at foreclosure sale and to acquire, hold, lease, mortgage (but not to vote the votes appurtenant to), convey, or otherwise deal with same. A suit to recover a money judgment for unpaid Common Charges shall be maintainable without foreclosing or waiving the lien securing the same. The proceeds from the sale of any Unit pursuant to this Section shall be used first to pay the unpaid Common Charges and/or assessments, plus reasonable attorney's fees and administrative costs and any other

lawful liens on the defaulting Unit. Amounts above this, if any, will be the property of the defaulting Unit Owner. If after the sale of Unit for the nonpayment of Common Charges and/or assessments, the sale does not recover the full amount due and owing, the Board of Managers has the right to assess all the Unit Owners as a Common Expense for the difference between the amount received by the Condominium from the sale of the Unit and the amount owed to the Condominium.

Section 7. Statement of Common Charges and Assessment: The Board of Managers shall promptly provide any Unit Owner so requesting the same in writing, with a written statement of all unpaid Common Charges due from such Unit Owner.

Section 8. Abatement and Enjoinment of Violations by Unit Owners: The violation of any rule or regulation adopted by the Board of Managers, or the breach of any By-Law contained herein, or the breach of any provision of the Declaration, shall give the Board of Managers the right, in addition to any other right set forth in these By-Laws; (a) upon reasonable notice to the Unit Owner, to enter the Unit in which, or as to which, such violation or breach exists and to summarily abate and remove, at the expense of the defaulting Unit Owner, any structure, thing or condition that may exist therein contrary to the intent and meaning of the provisions hereof (provided, however, that no prior notice shall be required in the event the Board of Managers shall determine that action is immediately necessary for the preservation or safety of the Property of the Condominium or for the safety of residents of the Condominium or other persons or required to avoid the suspension of any necessary service to the Condominium); or (b) to enjoin, abate or remedy by appropriate legal proceedings, either at law or in equity, the continuance of any such breach.

Section 9. Maintenance and Repairs:

a) All maintenance, replacement, or repair to any Unit, ordinary or extraordinary, and to the doors (except painting exterior side of Unit entrance door), windows (except painting exterior side of windows), electrical (except Common Elements), plumbing (except Common Elements) and heating fixtures and air conditioning units within the Unit or belonging to the Unit Owner shall be the responsibility of the unit owner, and the expense thereof shall be the sole responsibility of the Unit Owner, excepting as otherwise specifically provided herein.

b) All maintenance, repairs and replacements to the General Common Elements as defined in the Declaration, shall be made by the Board of Managers

as a Common Expense, excepting to the extent that the same are necessitated by the negligence, misuse or neglect of a Unit Owner, in which case such expense shall be charged to such Unit Owner. Maintenance, repair and replacements in or to the Limited Common Elements as defined in the Declaration will be performed as per the Declaration.

c) Each unit owner shall be solely and only responsible for repair or maintenance of any limited common element appurtenant to his/her unit, including but not limited to painting, cleaning, patching, and surface repair, and, in the case of balconies, if any, structural maintenance.

d) In the event a Unit Owner fails properly to maintain his unit or limited common element, the Board of Managers may take such steps as in its exclusive judgment are necessary to maintain the areas, and the cost thereof shall be assessed against the owner of the condominium unit in question, or the owner of the unit to which such limited common elements are appurtenant.

e) To the extent that damage to a limited common element or unit is caused by a building condition or by other condition for which the condominium carries insurance, the cost of repair of such damage shall be borne by the condominium.

Section 10. Restrictions on Use of Units: In order to provide for congenial occupancy of the Property and for the protection of the values of the Units, the use of the Property shall be restricted to and shall be in accordance with the following:

a) The Units shall be used for any use permitted under applicable zoning law and ordinances, building code or other rules and regulations of governmental authorities having jurisdiction, and the Certificate of Occupancy. Notwithstanding the foregoing, the Sponsor or Sponsor-Designee shall have the right, without charge, (i) to maintain general and sales offices in one or more Units or elsewhere on the Property, to use one or more Units as models and for other promotional purposes and to erect and maintain signs on the Property; (ii) to have its employees, contractors and sales agents present on the Property; (iii) to do all things necessary or appropriate, including the use of the Common Elements, to sell or lease Units and to complete construction of the Building and to comply with its obligations.

- b) The Common Elements shall be used only for the furnishing of the services and facilities for which they are reasonably suited and which are incident to the use and occupancy of Units.
- c) No nuisances shall be allowed on the Property nor shall any use or practice be allowed which is a source of annoyance to its occupants or which interferes with the peaceful possession or proper use of the Property by its occupants.
- d) No unlawful use shall be made of the Property or any part thereof, and all valid laws, zoning ordinances and regulations of all governmental bodies having jurisdiction thereof shall be observed. Violations of laws, orders, rules, regulations or requirements of any governmental agency having jurisdiction thereof, relating to any portion of the Property, shall be eliminated, by and at the sole expense of the Unit Owners, or the Board of Managers, whichever shall have the obligation to maintain or repair such portion of the Property.
- e) In the event the Board of Managers determines, via letter from the insurance agent providing insurance for the building, that the cost of insuring the building with the Commercial Units exceeds the cost of insuring the building without Commercial Units, then the Commercial Unit Owners shall be responsible for a special assessment in the amount of such overage. Commercial Unit Owners shall be under a duty to maintain heat in their unit on a 24-hour basis, notwithstanding the operating hours of the business, so as to prevent any piping or building facilities which run through said Commercial Units from freezing or being otherwise damaged by any weather condition.

Section 11. Additions, Alterations or Improvements by Unit Owners: No Unit Owner shall make any structural addition, alteration or improvement in or to his Unit, or which affects the exterior of the Building's Units, without prior written consent thereto of the Board of Managers. The Board of Managers shall have the obligation to answer in writing any written request by a Unit Owner for approval of a proposed structural addition, alteration or improvement in such Unit Owner's Unit, within thirty (30) days after such request, and failure to do so within the stipulated time shall constitute a consent by the Board of Managers to the proposed addition, alteration, or improvement. An application to any department of the City of New York or to any other governmental authority for a permit to make an addition, alteration or improvement in or to any Unit shall be executed by the Board of Managers only, without however, incurring any liability on the part of the Board of Managers or any of them to any contractor, subcontractor, or material man

on account of such addition, alteration or improvement, or to any person having any claim for injury to person or damage to property arising therefrom.

In the event the Board of Managers grants its consent, either affirmatively or by its inaction, to any structural addition, alteration or improvement to be made by a Unit Owner, the consent shall provide that any such work shall be at the Unit Owner's sole cost and expense, that work shall be done in accordance with all governmental or quasi-governmental laws, rules, regulations, codes and ordinances, that all work shall be done by reputable contractors with adequate liability, property damage and worker's compensation insurances (certificates for which shall be delivered to the Board of Managers prior to the commencement of construction), that any additions, alterations or improvements, shall be maintained in their entirety by said Unit Owner who shall also be responsible for any repairs, including structural repairs, to such area in any event, and to the Unit and any Common Elements where such repairs become necessary due to additional stresses caused by the structural alteration, addition or improvement, or due to improper design or construction of the structural alteration, addition or improvement, and such approval shall further provide that the Unit Owner shall reimburse the Board of Managers for any out-of-pocket expenses incurred by the Board of Managers in connection with the granting of such approval and in connection with any services provided to such alteration, addition or improvement; such expenses may include, but shall not be limited to, any fees of an attorney and/or fees of an architect consulted in connection with any request by a Unit Owner for approval of such work.

The provisions of this Section 11 that require the consent of the Board of Managers in connection with a structural addition, alteration, or improvement shall not apply to Units owned by the Sponsor or its designee. All other provisions of this Section 11 shall apply to all Units.

Non-structural alterations and improvements to Units that do not affect the exterior of the Buildings may be made without the prior approval of the Board of Managers.

Section 12. Use of Common Elements and Facilities: A Unit Owner shall not place or cause to be placed in the lobby, public halls, stairways or other common areas or common facilities, any furniture, packages or objects of any kind. The public halls and stairways shall be used for no purpose other than for normal transit through them. The Sponsor and any Sponsor-Designee shall have the right to use of the Common Elements, without charge, for the purpose set forth in Section II of this Article VI.

Section 13. Right of Access: A Unit Owner shall grant a right of access to his Unit, to the Manager and/or any other person authorized by the Board of Managers, the Manager or the Managing Agent, for the purpose of making inspections or for the purpose of correcting any condition originating in his Unit and threatening another Unit or a Common Element, or for the purpose of performing installations, alterations or repairs to the mechanical or electrical services or other Common Elements in his Unit or elsewhere in the Building in which the Unit is located, provided that requests for entry are made in advance and that any such entry is at a time reasonably convenient to the Unit Owner. In case of an emergency, such right of entry shall be immediate, whether the Unit Owner is present at the time or not. In the event of the exercise of the right of access provided in this Section 13, any costs for repairs shall be borne in accordance with the provisions of Section 10 of this Article VI. Each Unit Owner will be required to give a copy of his/her keys to his/her Unit to the President of the Board of Managers who shall designate an authorized person or persons to keep the keys and use them in case of an emergency.

Section 14. Rules of Conduct: Rules and Regulations concerning the use of the Units and the Common Elements may be promulgated and amended by the Board of Managers. A majority vote of Unit Owners at a meeting may overrule the Board. A copy of such rules and regulations shall be furnished by the Board of Managers to each Unit Owner prior to the time when the same shall become effective. Initial rules and regulations, which shall be effective until amended by the Board of Managers are annexed hereto and made a part hereof as Schedule A.

Section 15. Water Charges and Sewer Rents: Water shall be supplied to all of the Units and the Common Elements through one or more building meters or pursuant to a frontage charge and, the Board of Managers shall pay, as a Common Expense, all charges for water consumed on the Property and in the Units, together with all related sewer rents arising therefrom, promptly after the bills for the same shall have been rendered. In the event of a proposed sale of a Unit by the Owner thereof, the Board of Managers, on request of the selling Unit Owner, shall execute and deliver to the purchaser of such Unit or to the purchaser's title insurance company, a letter agreeing to pay all charges for water and sewer rents affecting the Property as of the date of closing of title to such Unit promptly after such charges shall have been billed.

Section 16. Smoking Policy: Pursuant to Local Law 147, the subject premises' smoking policy is consistent with the Smoke Free Air Act ("SFAA"), which is the current law governing smoking in class A multiple dwellings. This building prohibits smoking or using electronic cigarettes in common indoor and outdoor areas of the building. Smoking

and electronic cigarette usage is permitted in private apartments and outdoor limited common elements allocated to particular units.

ARTICLE VII

Mortgages

Section 1. Notice to Board of Managers: A Unit Owner who mortgages his Unit shall notify the Board of Managers of the name and address of his mortgagee and shall file a confirmed copy of the note and mortgage with the Board of Managers; the Board of Managers shall maintain such information in a book entitled "Mortgages of Units."

Section 2. Notice of Unpaid Common Charges: The Board of Managers, when so requested in writing by a mortgagee of a Unit, shall promptly notify any mortgagee of a Unit, of such Unit Owner's default, including non-payment of Common Charges, in the obligations of such Unit Owner under the Declaration, By-Laws, Rules and Regulations, as the same are amended from time to time, or in any order of the Board of Managers issued with respect thereto.

Section 3. Notice of Default: The Board of Managers, when giving notice to a Unit Owner of a default in paying Common Charges or other default, shall send a copy of such notice to each holder of a mortgage covering such Unit whose name and address has heretofore been furnished to the Board of Managers.

Section 4. Examination of Books: Each Unit Owner and each mortgagee of a Unit shall be permitted to examine the books of account of the Condominium at reasonable times, on business days.

- c. A lapse, cancellation, or material modification of any insurance policy maintained by the Homeowner's Association.
- d. Any proposed action that requires the consent of a specified percentage of mortgagees.

Section 6. Notwithstanding anything to the contrary set forth in any portion of these By-Laws, any first mortgagee who obtains title to a condominium unit pursuant to the remedies in the mortgage or through foreclosure will not be liable for more than six (6) months of such unit's unpaid regularly scheduled budgeted dues or common charges accrued before acquisition of title to the unit by the mortgagee, together with any fees or costs related to the collection of such unpaid dues.

Section 7. Notwithstanding anything to the contrary set forth elsewhere in these By-Laws, no amendment, modification, addition, or deletion that shall adversely affect the lien of any mortgage may be made without the consent of the mortgagee.

Section 8. When a mortgagee fails to submit a response to any written notification made pursuant to these By-Laws within sixty (60) days after such notice is delivered by trackable overnight courier or certified or registered mail, return receipt requested, said mortgagee will be conclusively presumed to have consented to the action set forth in said notice.

ARTICLE VIII

Condemnation and Termination

Section 1. Condemnation: In the event of a taking in condemnation or by eminent domain of part or all of the Common Elements, the award made for such taking shall be payable to the Board of Managers, if such award amounts to \$50,000.00 or less, and to the Insurance Trustee if such award amounts to more than \$50,000.00. If seventy-five (75%) percent or more of the Unit Owners duly and promptly approve the repair and restoration of such Common Elements, the Board of Managers or the Insurance Trustee, as the case may be, shall arrange for the repair and restoration of such Common Elements, and the Board of Managers or the Insurance Trustee, as the case may be, shall disburse the proceeds of such award to the contractors engaged in such repair and restoration in appropriate progress payments. In the event that seventy-five (75%) percent or more of the Unit Owners do not duly and promptly approve the repair and restoration of such Common Element, the Board of Managers shall disburse the net proceeds of such award in the same manner as they are required to distribute insurance proceeds where there is no repair or restoration of the damage, as provided in Section 2 of Article VI of these By-

Laws. As used in this Section, the words "promptly approve" shall mean not more than sixty (60) days from the date of such taking.

Section 2. Termination: The Condominium may be terminated by the casualty loss, condemnation or eminent domain, in accordance with the provisions of the By-Laws, or by withdrawing the Property from the provisions of the New York Condominium Act if authorized by an affirmative vote of Unit Owners who own not less than eighty (80%) percent in number and in Common Interest of the Units. Sponsor or its designees will not vote its interests appurtenant to any Unsold Units for such withdrawal unless at least eighty (80%) percent in number and in Common Interest of all other Unit Owners have elected for such withdrawal, in which event the Sponsor may choose to vote in favor of or against such withdrawal. In the event said withdrawal is authorized as aforesaid, the Property shall be subject to an action for partition by any Unit Owner or lienor as if owned in common, in which event the net proceeds of sale shall be divided among all the Unit Owners in proportion to their respective Common Interests. However, no payment shall be made to a Unit Owner until all liens to which his/her Unit are subject are paid off.

**CERTIFICATION BY EXPERT ON ADEQUACY OF COMMON CHARGES PAYABLE BY THE
COMMERCIAL UNIT OWNER(S) PURSUANT TO SECTION 20 OF THE REGULATIONS ISSUED
PURSUANT TO GENERAL BUSINESS LAW, ARTICLE 23A, AS AMENDED**

RE: 452 Warren Street, Brooklyn, New York

The Sponsor of the condominium Offering Plan for the above captioned property retained me to review SCHEDULE B, which includes projections of common charges payable by owners of commercial units. My experience in the field includes being a licensed real estate broker for over twenty years, managing a total of eleven buildings in this area over ten years, and the sale of numerous condominium and rental properties. We are familiar with prices, practices, and procedures in the area of this condominium.

We understand that we are responsible for complying with Article 23A of the General Business Law and the regulations promulgated by the Attorney General, Part 20 thereof, insofar as they are applicable to the commercial units listed in SCHEDULE B. We also have relied on our experience in managing residential buildings.

We certify that the projections in SCHEDULE B for common charges payable by the owners of commercial units appear reasonable and adequate under existing circumstances to meet the anticipated operating expenses fairly attributable to such commercial units for the projected first year of condominium operation, and that the allocation of common charges attributable to the commercial units also reflect special or exclusive use or availability, or exclusive control of, particular common areas.

We certify that the estimates in SCHEDULE B for common charges payable by the owners of commercial units do:

2. Afford potential investors, purchasers and participants an adequate basis upon which to found their judgment concerning the common charges payable by owners of the commercial unit;
3. Not omit any material fact;
4. Not contain any untrue statement of a material fact;
5. Not contain any fraud, deception, concealment, or suppression;
6. Does not contain any promise or representation as to the future which is beyond reasonable expectation or unwarranted by existing circumstances;

 - a) knew the truth;
 - b) with reasonable effort, could have known the truth;
 - c) made no reasonable effort to ascertain the truth; or,
 - d) did not have knowledge concerning the representations or statements made.

We further certify that we are not owned or controlled by the Sponsor. We understand that a copy of this certification is intended to be incorporated into the Offering Plan. This statement is not intended as a guarantee or warranty of the common charges fairly attributable to the commercial units for the first year of condominium operation. This certification is made under the penalty of perjury for the benefit of all persons to whom this offering is made. We understand that violations are subject to the civil and criminal penalties of the General Business Law and Penal Law.

I declare under penalty of perjury under the laws of the State of New York and the United States of America that the foregoing is true and correct. Executed on September 9, 2020.
