THIS PLAN CONTAINS SPECIAL RISKS TO PURCHASERS, SEE PAGE 1

THIS OFFERING PLAN IS THE SPONSOR'S ENTIRE OFFER TO SELL THESE CONDOMINIUM UNITS. NEW YORK LAW REQUIRES THE SPONSOR TO DISCLOSE ALL MATERIAL INFORMATION IN THIS PLAN AND TO FILE THIS PLAN WITH THE NEW YORK STATE DEPARTMENT OF LAW PRIOR TO SELLING OR OFFERING TO SELL ANY CONDOMINIUM UNIT. FILING WITH THE DEPARTMENT OF LAW DOES NOT MEAN THAT THE DEPARTMENT OR ANY OTHER GOVERNMENT AGENCY HAS APPROVED THIS OFFERING.

BECAUSE SPONSOR IS RETAINING THE UNCONDITIONAL RIGHT TO RENT RATHER THAN SELL UNITS AFTER CONSUMMATION OF THE PLAN, THIS PLAN MAY NOT RESULT IN THE CREATION OF A CONDOMINIUM IN WHICH A MAJORITY OF THE UNITS ARE OWNED BY OWNER-OCCUPANTS OR INVESTORS UNRELATED TO THE SPONSOR. (SEE SPECIAL RISKS SECTION OF THE PLAN.) PURCHASERS FOR THEIR OWN OCCUPANCY MAY NEVER GAIN CONTROL OF THE BOARD OF MANAGERS UNDER THE TERMS OF THIS PLAN. (SEE SPECIAL RISKS SECTION OF THE PLAN.)

PART I

SECTION A SPECIAL RISKS

1. Sponsor's Unconditional Right to Rent Units

The Sponsor is reserving an unconditional right to rent rather than sell units after consummation of the Offering Plan. Because the Sponsor is not limiting the conditions under which it will rent rather than sell units after consummation of the Offering Plan, there is no commitment to sell more units than the fifteen percent (15%) of the units, or one (1) unit(s), necessary to declare the Plan effective (See Subsection 4(a) of this Section A and Section B, Subsection 1(b) in Part I of the Offering Plan).

2. Construction Financing and Partial Release of Lien

(a) Sponsor has sufficient funds to complete the construction of the Condominium and did not obtain a construction loan from any lender.

(b) If the sponsor obtains construction financing at any time in the future, the sponsor will promptly submit an amendment to the plan disclosing the material terms of that financing, including any restrictions imposed by the lender.

(See Section O, Subsection 1 (a) in Part I of the Offering Plan.)

3. Initial Sponsor Control Period

The Sponsor has the right to retain control of the Board of Managers until the sale of the last unit or two (2) years from the anniversary of the closing of title to the first unit, whichever first occurs (Hereinafter the "Initial Sponsor Control Period"). During this period, one (1) board member assigned by the Sponsor will sit on the Board. Within thirty (30) days after the Initial Sponsor Control Period, Sponsor will immediately give up control over the Board of Managers, and a meeting will be held to elect a new board of three (3) members (See Section P, Subsection 1(a) and (b) in Part I of the Offering Plan).

4. Control by Sponsor

(a) Purchasers of units should note that the By-Laws of the Condominium do not require that after the Initial Sponsor Control Period, which period shall not extend beyond two (2) years after the closing of title to the first unit, a majority of the Board of Managers must be owner-occupants or members of an owner-occupants' household who are unrelated to the Sponsor and its principals. This means that the purchasers for their own occupancy may never gain control of the Board of Managers under the terms of this Plan. Owner-occupants and non-resident owners, including Sponsor, may have inherent conflicts on how the Condominium should be managed because of their different reasons for purchasing, i.e., purchase as a home as opposed to as an investment (See Section P, Subsection 1 (c) in Part I of the Offering Plan).

(b) Purchasers of units should further note that as the Sponsor has the unconditional right to rent units after plan consummation, all of the units may never be sold (See Section O, Subsection 16 (b) in Part I of the Offering Plan). However, except as otherwise provided in Section J, the Sponsor may not rent any units prior to consummation under this Offering Plan (See Section J in Part I of the Offering Plan).

5. Power of Sponsor over Board of Managers

(a) While the Sponsor is in control of the Board of Managers, the Board may take additions, alterations, or improvements to the common elements costing in excess of $10,000.00 or enter into service or maintenance contracts the duration of which will extend more than a year after the Sponsor loses control of the Board of Managers, only with the approval of a majority of the unit owners, excluding the Sponsor, voting at duly held meeting of the unit owners (See Section P, Subsection 3 in Part I of the Offering Plan).

(b) Sponsor may exercise veto power as described herein for so long as Sponsor owns units representing twenty-five (25%) or more in common interest or five (5) years, whichever occurs sooner, whether or not Sponsor voluntarily relinquishes control of the Board: (i) make any addition, alteration or improvements to the common elements costing cumulatively more than $10,000.00, the foregoing not to include necessary repairs and maintenance work, or (ii) assess any common charges for the creation of, addition to, or replacement of all or part of a reserve, contingency or surplus fund, or (iii) hire any employee in addition to the employees referred to in the Plan of condominium ownership, or (iv) enter into any service or maintenance contract for work not covered by contracts in existence on the date the said Plan is declared effective, or (v) borrow money in excess of $10,000.00 on behalf of the Condominium, or (vi) take any action which impairs Sponsor's sales program or continued use of the Condominium property in connection with such program, or (vii) increase or reduce the services of maintenance set forth in Schedule B (See Section P, Subsection 4 in Part I of the Offering Plan).

Notwithstanding anything stated above, Sponsor may not exercise veto power over expenses described in Schedule B or over expenses required to: (i) comply with applicable laws or regulations, or (ii) remedy any notice of violation, or (iii) remedy any work order by an insurer or (iv) for any matter affecting the health and/or safety of the occupants of the building (See Section P, Subsection 3 in Part I of the Offering Plan).

6. No Amendment to the By-Laws or the Declaration

So long as the Sponsor has any unsold units remaining, no amendment to the By-Laws or the Declaration affecting the rights of the Sponsor shall take place without the written consent of the Sponsor (See Section P, Subsection 1(d) in Part I of the Offering Plan).

7. Contribution to Working Capital Fund

At the closing, the Purchaser will be required to pay an amount equal to one (1)

month's common charge as a contribution to the Condominium's Working Capital Fund. This contribution will not be credited against regular assessments (See Section V, Subsection 2 in Part I of the Offering Plan).

8. Default by Purchaser

The Purchase Agreement provides that if the purchaser shall fail to pay any portion of the Total Purchase Price when due, fail to close title on the Closing Date, or fail to perform any of purchaser's other obligations under the Purchase Agreement, (including without limitation the obligation to furnish any lender promptly with such information as such lender may require), Sponsor may cancel the agreement if such default is not cured within thirty (30) days after Sponsor sends notice of intent to cancel. The Sponsor must give thirty (30) days' written notice of default before forfeiture of deposit is declared. TIME IS OF THE ESSENCE TO CURE SUCH DEFAULT WITHIN SAID THIRTY (30) DAY PERIOD. FAILURE TO CURE DEFAULT WITHIN SAID PERIOD MAY RESULT IN THE LOSS OF THE DOWN PAYMENT AND CANCELLATION OF THE PURCHASE AGREEMENT. "Time is of the Essence" means that Purchasers must strictly adhere to this thirty (30) day period, and should in no event go beyond the thirty (30) day period to cure the default (See Exhibit AA, Subsection 15 in Part II of the Offering Plan).

9. Management by Sponsor

(a) The sponsor shall handle all management requirements as a Management Agent at an annual fee of $2,722.00 for the first two (2) years of the condominium operation commencing upon the conveyance of the first unit. Such management fee to be collected by the Sponsor is about ten percent (10%) of the total common charges. The projected cost for management of the condominium is neither greater than nor substantially less than the prevailing cost (ranging from four percent (4%) to twelve percent (12%)) which would be charged for such services. 13 NYCRR §20.3(h)(4)(ix). Such arrangement may not be canceled at least for one (1) year. After one (1) year, either the Board of Managers or the Sponsor may terminate such arrangement upon sixty (60) days written notice to the other (See Section W in Part I of the Offering Plan). However, while Sponsor controls the Board, it is unlikely that the condominium will terminate the management agreement with Sponsor.

(b) Potential purchasers are advised that the Managing Agent, also the Sponsor herein, does not have experience in managing condominium and/or apartment buildings (See Section W in Part I of the Offering Plan).

10. Sponsor's Fund for Certain Payments

The Sponsor shall be obliged to pay all common charges, special assessment and real estate taxes with respect to unsold units. The Sponsor has net worth sufficient to meet all of such obligations. No bond of security will be posted to secure the Sponsor's obligation to pay common charges and assessments, but the Sponsor will secure the fund

for payment of such charges by depositing $4,536.00 which is the amount equal to approximately two (2) months of the first-year common charges into an escrow account of the Sponsor's closing attorney, Lawrence Lixin Yang, P.C., after the closing of the first unit. However, no bond or other security will be posted to secure such Sponsor's obligation. The deposit of such funds will be disclosed in the initial post-closing amendment (See Section O, Subsection 8 in Part I of the Offering Plan).

11. Effectiveness of the Offering Plan

(a) The Sponsor may declare the Plan effective by selling a minimum of fifteen percent (15%) of the units, or one (1) unit(s) (which may include residential units, excluding parking units, if any), in the building. If the plan is declared effective with a minimum number of sales, it is possible that the sponsor may be able to create a condominium although it is not guaranteed that all purchasers counted towards effectiveness will ultimately close title to their units.

(b) Notwithstanding the fact that not all purchasers used for purposes of declaring the plan effective may actually close, sponsor will re-declare the plan effective if all purchase agreements are either rescinded or terminated prior to the date of first unit closing, regardless of whether the condominium declaration has been recorded.

(See Section L in Part I of the Offering Plan.)

12. Financing the Purchase of a Unit

(a) (i) The Units may be purchased for all cash, or may be purchased partly for cash and the balance for the purchase price financed by mortgage loan. (Note that the sponsor does not offer financing to purchasers, nor will Purchaser(s) be required to use a sponsor-preferred lender for the purpose of executing any mortgage financing.) If a purchaser of a Unit requires mortgage financing, the purchase agreement will be conditioned upon such Purchaser obtaining a commitment from a lending institution of his own choosing. Any mortgage lien given by a Purchaser to a lender will be governed by the New York State Condominium Act.

(ii) In such case, Purchaser must execute a Mortgage Addendum together with the Purchase Agreement (See Section BB in Part II of the Offering Plan) to ensure that purchase of his/her/its Unit is conditioned upon mortgage financing.

(iii) (A) Pursuant to the Mortgage Addendum, typically Purchaser has forty-five (45) calendar days from the date of the receipt of a fully executed copy of the Purchaser Agreement by Purchaser or Purchaser's attorney to obtain a mortgage loan commitment from a mortgage lender selected by the Purchaser. To comply with the terms and conditions therein, (I) Purchaser must, within ten (10) days from the date of the receipt of a fully executed copy of the Purchaser Agreement by Purchaser or Purchaser's attorney, submit a duly executed loan application to the mortgage lender to obtain a loan at the fixed prevailing rate of interest at the time of closing, and upon such other terms

and conditions as are determined by the mortgage lender. Purchaser must also promptly comply with any and all requirements of the mortgage lender; and (II) in the event that Purchaser is unable to obtain a mortgage loan commitment within said forty-five (45) day period, Purchaser must notify Sponsor/Seller within seven (7) calendar days thereafter. Failure to do so will result in Purchaser losing the mortgage contingency and he/she will have to purchase the Unit with all cash or lose the down payment.

(B) (I) If the Purchaser(s) receives a rejection letter from the Mortgage Lender, he/she/it shall submit a copy of same to the Sponsor/Seller. Purchaser(s) shall then have the option to: (x) cancel the agreement, in which case the agreement shall be null and void, and Sponsor/Seller's sole responsibility shall be to refund the down payment plus accrued interest, if any; or (y) waive the requirement that the Purchase Agreement be contingent upon obtaining financing.

(II) If Purchaser(s) has not received any definitive written response, denying or approving his/her/its mortgage application from the Mortgage Lender, he/she/it may request additional time to obtain such a response, which the Sponsor/Seller at his sole discretion may agree to. Should Sponsor/Seller not agree to such an extension, Purchaser(s) may cancel the Agreement or waive the contingency as provided for above.

(vi) Therefore, if the obligations of a purchaser under a Purchase Agreement are not conditioned on obtaining financing, any prospective purchaser who executes a Purchase Agreement and does not obtain financing may lose his or her deposit if he or she is unable to otherwise raise the monies for the balance of the purchase price. Prospective purchasers who require financing are advised to consult with a lending institution before execution of a Purchase Agreement. No representation is made by the sponsor as to the availability or cost of such financing.

(vi) Under New York law, when a mortgage commitment is not fulfilled through no fault of a purchaser, performance is excused. Therefore, if the purchaser acts in good faith and the lender revokes the loan commitment after the contingency period expires, performance is excused, and the sponsor must grant to such purchaser a right of rescission and a reasonable period of time to exercise such right.

(b) Purchasers should note that in the current real estate market, banks and other lenders are imposing various restrictions on purchasing financing. Such restrictions include requiring that a certain percentage of the apartments in a building or group of buildings be sold before a lender will consider making a loan. Thus, it may be possible for a purchaser to experience difficulty obtaining a loan in a building or group of buildings where the sponsor or holder of unsold shares has not sold a substantial percentage of the apartments in the building or group of buildings, which in some cases may be as high as seventy percent (70%). Moreover, some lenders will not provide financing in a building or group of buildings where an investor other than the original sponsor has an ownership interest of ten percent (10%) or more. It also may be difficult for a purchaser to resell an apartment if prospective buyers are unable to obtain a loan

due to the same minimum sales and investor ownership restrictions.

(c) Purchasers should further note that Sponsor may grant the Purchasers the right to obtain financing from a second lender if Purchaser so requests. (See Subsection 34 of this Section A, in Part I of the Offering Plan below)

(d) It is a special risk for Purchasers if Purchasers should fail to execute the Mortgage Addendum, in which case, his or her obligation to consummate the purchase transaction will NOT be contingent upon obtaining financing (See this Subsection 12(a)(ii) above).

(See Section K, Subsections 27 to 31, in Part I, and Section BB in Part II of the Offering Plan.)

13. Refund of Funds Used for Upgrades or Extras

All funds received by the Sponsor for upgrades or extras must initially be placed in the escrow account. However, purchasers should note as a special risk that such funds may be released from the escrow account by the escrow agent as long as the Sponsor uses the funds for such upgrade or extra. As a result, in the event a purchaser is entitled to rescission, the purchaser will not receive a refund of any funds used for upgrades or extras to the extent expended. However, a purchaser is entitled to a full refund of such funds, even those funds already expended, in the event the plan is abandoned (See Section K, Subsection 6 in Part I of the Offering Plan).

14. Real Property Transfer Taxes

It is Sponsor's statutory obligation to pay real estate transfer taxes. The New York City Real Property Transfer Tax and New York State Deed Documentary Stamps are normally the expenses of the seller, however, by contractual arrangement they will be paid by the purchaser. The City of New York Department of Finance has taken the position that when a purchaser assumes the obligation to pay the New York City Real Property Transfer Tax the amount of such taxes will be included in the consideration subject to tax (See Section N, Subsections 2 and 3 in Part I of the Offering Plan).

15. Certain Closing Costs

(a) At the closing of each unit, the purchaser will be required to pay (i) the Sponsor/Seller's attorney closing fee of $1,500.00 for a residential unit or a parking space unit (if carried out as an independent transaction); (ii) attendance fee of $350.00 if the purchaser desires to have the closing other than at the office of the Sponsor/Seller's Attorney; (iii) assistance fee of $350.00 for mortgage application if Purchaser requires Sponsor/Seller's attorney to provide assistance therein, such as providing Attorney Escrow Letter, documents on sales and closing of condominium units, status of condominium, condominium questionnaire and other related information to the Purchaser's mortgage lender and/or broker; (iv) assignment/amendment fee of $350.00

for each assignment of, or amendment to, the Purchase Agreement required by the Purchaser; and (v) termination fee of fifty percent (50%) of the Sponsor/Seller's attorney fee (or $875.00 with assistance in obtaining purchase mortgage, or $750.00, without such assistance), as provided in Section N, unless such termination or cancellation is due to the fact that Sponsor/Seller is in default and Purchaser is entitled to such termination or cancellation.

(b) At closing the purchaser is also expected to pay the amount equal to one (1) month common charges as contribution to Working Capital Fund. For a complete explanation of closing costs associated with the transfer of title to the Units, see Section O "Unit Closing Costs and Adjustments" in Part I of the Offering Plan for details. The closing costs are in addition to the purchase price of each unit.

16. Commencement and Completion of Construction

(a) Construction had commenced and excavation had begun in good faith on the basis of approved building plans on or before October 21, 2016 (See Exhibit C-4 for a copy of the "Start of Construction Affidavit" from the architect and a copy of the Permit History from DOB). Sponsor anticipates that the Final Certificate of Occupancy will be issued on or about June 30, 2021, or as soon as feasible thereafter.

(b) Purchasers are advised that in New York City, newly constructed and newly renovated buildings are sometimes offered as condominium projects without a Final Certificate of Occupancy (Hereinafter the "FCO") covering the entire building, but with only a Temporary Certificate of Occupancy (Hereinafter the "TCO"), and sometimes with several successive Temporary Certificates of Occupancy. Certificates of Occupancy are generally governed by Section 301 of the New York Multiple Dwelling Law and local building codes and rules. Both TCOs and FCOs are issued by the New York City Department of Buildings (Hereinafter the "DOB"). A TCO is intended to indicate that the property is safe for occupancy, but means that not all of the construction work and/or inspection have been performed, or that not all of the required documents have been submitted to the DOB. All TCOs have an expiration date. A TCO typically expires ninety (90) days after the date of issuance. When a TCO expires and is not renewed, it may be difficult to buy insurance, refinance, or sell units. In New York City, it is common for sponsors to commence unit closings when some or all units are covered by a TCO rather than an FCO. Sponsor anticipates this scenario may occur. Sponsor and its principals will undertake the responsibility for extending each TCO received prior to expiration thereof, and ultimately for obtaining an FCO covering the entire building within two (2) years from the date of the issuance of the first TCO. However, Sponsor and its principals make no representation or guarantee that DOB will issue the FCO within such two (2) year period. Furthermore, because Sponsor and the By-Laws of the Condominium may permit unit owners to undertake renovations to individual units prior to the procurement of an FCO, such renovations may cause additional delays in the issuance thereof. NOTWITHSTANDING THE FOREGOING, SPONSOR AND ITS PRINCIPALS ARE OBLIGATED TO PROCURE THE FCO FOR THE ENTIRE BUILDING, AND SHALL EXERCISE BEST EFFORTS TO OBTAIN THE FCO

WITHIN SUCH TWO (2) YEAR PERIOD WHILE KEEPING THE TCO CURRENT. NO CHANGE OF USE OR OCCUPANCY SHALL BE MADE UNLESS A NEW CERTIFICATE OF OCCUPANCY IS ISSUED. Unit owners and the Board of Managers shall be obligated to cooperate with and refrain from obstructing Sponsor in these undertakings.

(c) Buyers are advised to visit the DOB website for further recommendations when purchasing a unit in a building that does not have an FCO. A Factsheet on Certificates of Occupancy is available on the DOB website at https://www1.nyc.gov/site/buildings/homeowner/certificate-of-occupancy.page

(d) No additional construction works which require a building permit shall be commenced until the Final Certificate of Occupancy for the Condominium building is issued because the Sponsor will not be able to obtain the Final Certificate of Occupancy until all open permits are signed off. Sponsor may include Purchaser's alteration plan in the final 'as-built' plan of the Condominium building by amending the same, so that the Purchaser will be able to commence the construction work without waiting for the issuance of the Final Certificate of Occupancy. In such event, the Offering Plan will be amended to disclose such revisions to the Building Plans including an addendum to the architect's report. However, the Sponsor does not guarantee that Sponsor will actually be able to do so. If the Purchaser asks the Sponsor to amend the building plan to include his/her/its alteration plan, the cost to amend the Plan must be borne by the Purchaser. Any additional construction works or alteration works such as removal or erection of interior partitions or addition or relocation of a bathroom each individual purchaser may wish to perform must conform to the applicable codes and laws including, but not limited to, the Building Code of The City of New York, the New York State Multiple Dwelling Law and the New York City Housing Maintenance Code. All construction must conform to the various building codes, which minimally require the use of proper materials, legal configurations and dimensions of rooms, adequate light and natural or mechanical ventilation for all spaces, legal plumbing and electrical systems. Additionally, contractors used by a Purchaser must be licensed and insured. (See Section D, Subsection 1(g) in Part I of the Offering Plan.)

17. Risk of Loss and Insurance

(a) The risk of loss from fire or other casualty to the units, common elements and limited common elements remains with Sponsor unless and until legal title to the Unit has been conveyed to Purchaser. Thereafter, it passes to the Unit Owner together with the limited common elements to which the Unit Owner has access and its proportional share of the common elements.

(b) It should be noted that insurance for the condominium covers the Unit but the Purchaser is responsible for the contents of the Unit (i.e., Purchaser's personal property).

(c) It is a special risk if the Purchaser enters into possession of the contracted-

for-unit under an Interim Lease prior to closing in which case, the Purchaser assumes the risk of loss for property not covered by the insurance for the units and for any Purchaser who enters into possession before closing. It is recommended that the Purchaser obtain insurance for his or her personal property.

(d) If an Interim Lease is entered pursuant to Section K, the risk that an Interim Lessee assumes is the risk of loss for the personal property not covered by the condominium insurance. Insurance proceeds are available to either Sponsor or the condominium for loss to the Unit and an Interim Lessee shall not assume such loss.

(See Section K, Subsections 34 through 37 in Part I of the Offering Plan.)

(e) Prospective purchasers are advised that prior to the first closing, the entire building will be insured by the sponsor; after the first closing, the entire building will be insured by the condominium. Additionally, a person in possession who is not an owner cannot insure the unit since he or she has no ownership interest, and the unit cannot be doubly insured. A person who takes possession prior to closing assumes the risk of losses not covered by insurance. (See Section O, Subsection 18 in Part I of the Offering Plan.)

18. Condominium Power of Attorney

At the time of closing, the purchaser is required to sign a Power of Attorney to the Board of Managers of the Condominium, appointing the members of the Board of Managers as Attorneys-In-Fact to carry out any of the provisions of the Offering Plan including acquisition, leasing, or sale of the Units by the Board of Managers pursuant to Declaration and By-Laws of the Condominium and filing the amendments to the Declaration of Condominium. A form of Power of Attorney is included in Part II, Section CC of this Plan. If the purchaser refuses to sign the Power of Attorney, the purchaser will be held in default under the Purchase Agreement (See Section K, Subsection 40 in Part I of the Offering Plan).

19. Limit of FDIC Insurance

The money deposited into escrow account by a purchaser under the Purchase Agreement in excess of $250,000.00 will not be federally insured for the portion in excess of $250,000.00. Furthermore, if purchasers have accounts at the same bank as sponsor's account that holds escrowed funds, purchaser funds at the escrow bank factor into the $250,000 insurance limit (See Section K, Subsection 4 in Part I of the Offering Plan).

20. No Pets Policy

Unit owners are not allowed to maintain any pets (See Section R, Subsection 2 (e) in Part I of the Offering Plan).

21. Unit Square Footage in Schedule A

(a) Column 2 (a) of Schedule A shows the net square footage of the Units

which is measured from the unit side of the window glass or concealed fireproofed structural members of the exterior wall to the center line of the drywall partitions or block partitions which separate the Unit from another Unit, or to the unit side of the concealed masonry work or concealed structural members or to the surface of the drywall partitions which separate a Unit from corridors, stairs and other common or mechanical equipment spaces.

(b) The common elements on each floor, such as hallway, corridor and/or stairway, are not included in the net square footage. The limited common elements such as balconies and/or terraces are shown in Column 2 (b). The gross square footage (1) shown in Column 2 (c) is the sum of the net square footage and the limited common elements such as balconies and terraces to which only the Unit Owner is accessible (See Section A in Part I of the Offering Plan). The gross square footage (1) shown in Column 2 (c) are not based upon the measurements from interior surfaces of the interior walls, and the actual area compromising the unit is substantially less than the area listed in both Columns 2 (c) in Schedule A. The measurements are approximate within reasonable tolerances.

22. No Insurance for Officers' and Directors' Liability

The budget provided in Schedule B of Section G does not include the insurance premium for officers' and directors' liability coverage. The additional annual premium for such coverage is currently estimated to be around $600.00 by ABC Insurance Agency Inc, an insurance brokerage firm with an office at 41-25 Kissena Boulevard, Suite 110, Flushing, NY 11355.

23. No Reserve Fund in Budget

The current budget does not include a Reserve Fund, which is a special risk. If major capital improvements and/or repairs are needed, it might be necessary for a possible special assessment and/or increase in common charges ((See Section G, Subsection 11(a), Footnotes to Schedule B, in Part I of the Offering Plan).)

24. Limitation on Use of the Working Capital Fund

While the sponsor is in control of the board of managers, the working capital fund may not be used to reduce projected common charges in the plan (13 N.Y.C.R.R. § 20.3 (z)(1)).

25. Intentionally deleted.

26. Intentionally deleted.

27. Window Guards for Children

(a) Unit Owner(s) must notify the Managing Agent in writing when a child or children under the age of eleven (11) years lives or resides (even temporarily) in the Unit.

Each residential owner shall install at the residential owner's expense, the required window guards in all windows of the Unit and shall not remove them until permitted by law in any event, without the full knowledge of the Managing Agent.

(b) The New York City Health Code Section 131.15 provides that owners of condominium units shall provide, install, and maintain, a window guard of a type and installation in accordance with the specifications of the Department set forth in Chapter 12 of Title 24 of the Rules of the City of New York, on the windows of each apartment in which a child or children ten (10) years of age and under reside.

(c) It is the responsibility of the Sponsor to install window guards if a child under the age of 11 lives or resides in the Unit for an interim lessee.

28. Limitation on Use of Balconies/Terraces and Cellar Space

(a) Balconies/Terraces may not be used for any type of occupancy, including but not limited to, sleeping, dining, living room, recreation room, office, etc. To do so may result in a violation against the building being issued by the Building Department.

(b) Cellar space, is Accessary Use Only, may not be used for sleeping, cooking and dining space, or living purpose. It will not be rented independently. Additionally, cellar space has less light and air than ordinary living space and it is more susceptible to dampness.

29. Warranty for the Roof and Cost of Repair

(a) The sponsor is NOT providing NDL Manufacturer's Warranty for the roof of the Condominium (See Section EE, Paragraph I (g) in Part II of the Offering Plan). This is a red flag, indicative that most likely the roofing membrane and appurtenances were not installed in accordance with the manufacturer's specifications.

(b) Typically, NDL Warranties include completely repairing the problem, no matter what it takes. The Manufacturer will solve the problem, even if it requires complete re-roofing. The Warranty only includes roof leakage that is caused by defects in labor or materials. It does not include damage caused by abuse to the roof. There is normally a charge for "No Dollar Limit" Warranties. These warranties, like all Manufacturer Warranties, are subject to certain terms and limitations stated by the Manufacturer. Potential purchasers should note that the NDL Warranties do not apply to this offering.

(c) After consummation of the Offering Plan, the cost of repairing the roof will be borne by the unit owners and the actual cost for repairs will depend on the extent of damages to the roof.

(d) Notwithstanding the foregoing, the sponsor's obligation, regardless of whether a warranty is provided, is to construct the premises in accordance with all applicable codes and filed plans and specifications, and that any conflict between

disclaimers in the Plan and the sponsor's obligation to construct the premises in accordance with all applicable codes and filed plans and specifications shall be resolved in favor of the latter.

(e) Prospective purchasers are advised that the roof is NOT an amenity space or recreational space to be enjoyed by owners as a common element; or certain owners as a limited common element appurtenant to their units, or accessory space (See Section EE, Subsection 20.7(h)(7)(vi), in Part II of the Offering Plan).

(See Section D, Subsection 1(j), in Part I of the Offering Plan.)

30. First Closing of the Unit and Possible Delays

(a) The Sponsor anticipates that the first closing of the Unit will occur on or about July 1, 2021. Purchasers will be offered a right of rescission if the actual date of closing of title to the first Unit occurs later than July 1, 2022, i. e. twelve (12) months after the projected date for the closing of title to the first Unit. If the Plan is amended to provide a later projected date for the first closing, purchasers who enter into purchase agreements after the amendment is accepted for filing will be entitled to an offer of rescission if the first closing occurs more than twelve (12) months beyond that amended, later date (See Section K, Subsection 25 in Part I of the Offering Plan).

(b) However, even if the first closing occurs on or before July 1, 2021, the Sponsor may schedule the closings of title to other units significantly later than such date. Unless the Purchaser Agreement contains an outside closing date, the Sponsor is not obligated to schedule your closing within any specified time frame or to ensure that closing of title to your Unit will occur by any date certain.

(c) Furthermore, Purchasers should note that even if the first closing occurs on or before July 1, 2021, (or such other date projected as the date of commencement of the operation at the time the purchase agreement was entered into) or within the twelve (12) month period thereafter, the closing of subsequent units may be substantially delayed beyond such dates if a TCO has not been issued for such units or for the floor on which such units are located. In such case, provided that sponsor is diligently pursing completion of construction and the issuance of a certificate of occupancy and is otherwise in compliance with its obligations under the Plan, Purchaser will not be entitled to a right of rescission or to make claims against the sponsor for damages or losses as a result of such delays and will not be excused from paying the full purchase price for the unit. PROSPECTIVE PURCHASERS SHOULD THEREFORE CAREFULLY CONSIDER THE POSSIBILITY OF SUCH DELAYS IN THEIR DETERMINATION AS TO WHETHER TO PURCHASE A UNIT.

(d) Intentionally deleted.

(e) For additional guidance, refer to the Department of Law memo on delay in first closings in newly constructed condominiums and rescission, available here:

http://www.ag.ny.gov/sites/default/files/pdfs/bureaus/real_estate_finance/Effective-memos/E-17.%20Delay%20in%20first%20closing.pdf.

31. Interim Lease

(a) In the event that Purchaser enters into an Interim Lease pursuant to Section K in Part I of this Plan, he/she, as Purchaser/Tenant, will have to agree to indemnify and hold Sponsor/Landlord harmless from and against any claims related to Purchaser/Tenant's acts and/or negligence.

(b) Furthermore, prospective purchasers are warned that no rental protection laws are applicable to the interim lease. An uncured default under the Purchase Agreement shall be considered as a default under the interim lease. The interim lessee must vacate the Unit within thirty (30) days after a default under the Purchase Agreement or rescission of the Purchase Agreement by the Lessee. The Lessee's default under the lease, if such defaults are not cured by the time of closing, shall be considered as default under the Purchase Agreement. However, before Sponsor may utilize the default under the lease to declare the default under the Purchase Agreement, Sponsor must either obtain an order of eviction or other judgment or order from a court or agency of competent jurisdiction against the lessee unless the lessee has vacated the Unit (13 N.Y.C.R.R. § 20.3(n)(3)). (See Section J, Subsection 1 in Part I of the Offering Plan.)

32. Unit Owner's Right to Mortgage

A Unit owner shall have the right to mortgage or encumber his Unit provided that such mortgage or encumbrance is made to a mortgagee as defined in Section C, Definitions in Part I of the Offering Plan (See Section R, Subsection 3 in Part I of the Offering Plan).

33. Intentionally deleted.

34. Financing from a Second Lender

Purchasers should further note that Sponsor may grant Purchaser the right to obtain financing from a second lender if Purchaser so requests, but it will entail further costs and expenses which Purchasers will be responsible for and an additional time (about 45 days) for closing. It is a special risk for Purchaser (See Section K, Subsection 29 in Part I of the Offering Plan).

35. Sponsor's Right to Adjourn Closing

At or prior to closing, all liens affecting the Unit to be closed and its undivided common interest will be discharged or a partial release obtained and duly recorded as required by Section 339-R of the Condominium Act. Sponsor shall have the right to extend the closing for a period not to exceed six (6) months, calculated from the issuance of a Temporary Certificate of Occupancy, if applicable, in order to obtain and be able to

convey marketable title. If at the end of such six (6) months period, Sponsor is still unable to satisfy aforementioned condition, Purchaser shall be entitled to terminate the Purchase Agreement upon ten (10) days' written notice. Furthermore, Purchaser shall be entitled to a return of all down payments and interest, if any, thereon plus the reasonable cost incurred for any title searches or survey. The foregoing shall not limit or affect any other rights of rescission provided to the Purchaser in this Plan or under law (See Section M, Subsection 5 in Part I of the Offering Plan).

36. Housing Merchant Implied Warranty

(a) This Condominium Building shall be subject to the Housing Merchant Implied Warranty under Article 36-B of the General Business Law of the State of New York. Under the relevant provisions, a housing merchant implied warranty shall mean that: (i) one (1) year from and after the warranty date (which is defined as the date of the passing of title to the first owner for occupancy by such owner or such owner's family as a residence, or the date of first occupancy of the home, in this case, the Unit, as a residence, whichever first occurs) the Unit will be free from defects due to a failure to have been constructed in a skillful manner; (ii) two (2) years from and after the warranty date the plumbing, electrical, heating, cooling and ventilation systems of the Unit will be free from defects due to a failure by the builder to have installed such systems in a skillful manner; and (iii) six (6) years from and after the warranty date the Unit will be free from material defects (See Section M, Subsection 12(a)(xvii) in Part I of the Offering Plan; see also Section MM Condominium Limited Warranty in Part II of the Offering Plan).

(b) Notwithstanding the foregoing, the sponsor's obligation, regardless of whether a warranty is provided, is to construct the premises in accordance with all applicable codes and filed plans and specifications, and that any conflict between disclaimers in the Plan and the sponsor's obligation to construct the premises in accordance with all applicable codes and filed plans and specifications shall be resolved in favor of the latter.

37. Tax Cuts and Jobs Act of 2017

On January 1, 2018, the Tax Cuts and Jobs Act of 2017 went into effect. This federal law significantly changed the previously existing Internal Revenue Code, including the taxes and deductions related to homeownership. Wherever applicable, the plan includes updated tax information and projections based on the new federal tax law. (See Section T, Subsection 1 in Part I of the Offering Plan).

38. Waiver of Jury

EXCEPT AS PROHIBITED BY LAW, THE PARTIES SHALL, AND THEY HEREBY DO, EXPRESSLY WAIVE TRIAL BY JURY IN ANY LITIGATION ARISING OUT OF, OR CONNECTED WITH, OR RELATING TO, THIS AGREEMENT, OR THE RELATIONSHIP CREATED HEREBY. WITH RESPECT TO

ANY MATTER FOR WHICH A JURY TRIAL CANNOT BE WAIVED, THE PARTIES AGREE NOT TO ASSERT ANY SUCH CLAIM WITH, ANY ACTION OR PROCEEDING IN WHICH A JURY TRIAL IS WAIVED.

39. Amenities

There are no amenities annexed to the Condominium Building.

40. The Right of First Refusal by the Board of Managers

The Board of Managers of the Condominium has the right of first refusal with respect to the units that Unit Owners desire to sell or lease (See Section R, Subsection 1 in Part I of the Offering Plan for details).

41. Condominium Smoking Policy

(a) Upon commencement of the condominium operation, the Board of Managers of the Condominium shall, in compliance with the City of New York Administrative Code § 17-506.1. et al (Local Law 147) and the New York State Department of Law regulations, adopt a condominium smoking policy substantially in the form as Section NN in Part II of the Offering Plan.

(b) Pursuant to the condominium smoking policy, smoking and/or using an electronic cigarette are prohibited at any time during the daytime and/or nighttime in the following areas of the Condominium: (1) All indoor common areas, including, without limitation, hallway, lobby, corridors, stairs, and any other area to which that Unit Owners and/or Tenants may have access; (2) all indoor areas within a Unit, including, without limitation, the living room, bedroom, kitchen, bathroom, closet, and any other area to which that the owner of the Unit and/or its Tenant may have access; (3) All limited common elements, including, without limitation, balconies, terraces, backyards, and any other area to which access is limited to the owner of one Unit and/or its Tenant; and (4) all outdoor areas, including, without limitation, common courtyards, rooftops, balconies, terraces, patios, any area within fifteen (15) feet of the entrance and/or exit of, walk or path from and/or to, the Condominium, and any other outdoor area of the Condominium to which that Unit Owners and/or Tenants may have access.

(c) The condominium smoking policy is a material term of the Offering Plan and is incorporated into and form part of the Purchase Agreement, Interim Lease and the Condominium By-Laws. It must be incorporated into any agreement to rent a Unit or part thereof.

(d) The condominium smoking policy will be applicable to all Unit Owners, Tenants, the invitees as well as any other person on the premises.

(See Section R Subsection 21 in Part I, Sections AA, HH and LL in Part II, of the Offering Plan.)

42. DOL FinCEN Disclosure

(a) The Geographic Targeting Order ("GTO") issued by the Financial Crimes Enforcement Network ("FinCEN") requires U.S. title insurance companies to identify and report to FinCEN the natural persons behind companies making "all cash" – i.e., non-financed – purchases of residential real property located in New York City and several other jurisdictions.

(b) Prospective purchasers are advised that FinCEN requires U.S. title insurance companies to report to FinCEN the personal identity of purchasers in residential real estate transactions in which:

(i) the purchaser is a legal entity as defined in the GTO;

(ii) the purchaser purchases residential real property located in the Boroughs of Bronx, Brooklyn, Queens, Manhattan, and Staten Island;

(iii) the total purchase price is in the amount of $300,000.00 or more;

(iv) such purchase is made without a bank loan or other similar form of external financing; and

(v) the purchase is made, at least in part, using currency or a cashier's check, a certified check, a traveler's check, a personal check, a business check, a money order in any form, a funds transfer, or virtual currency.

(c) As long as the GTO remains in effect, its reporting requirements apply to all residential real property closings meeting the above criteria and occurring on or after November 17, 2018 (the revised GTO's effective date)."

43. Covenants and Restrictions on Handicapped Parking Space Units

Parking Space Unit 3 (Hereinafter the "PS3H") has been designated as a handicapped parking space and will be the last parking space sold if it has not previously been sold to a purchaser who themselves or a member of their family has a vehicle with handicapped plates. The purchase of PS3H and any subsequent sale or transfer of it is subject to certain covenants and restrictions in the deed:

(a) In the event that the present or future owner of a unit in the condominium or a member of his or her family residing in the unit becomes handicapped and acquires handicapped plates for his or her vehicle and said unit owner is the owner of a parking space, said unit owner has the right to demand that the owner of PS3H trade this PS3H with the parking space that said unit owner owns.

(b) In the event the present or future owner of a unit or a member of his or her family member residing in the unit becomes handicapped and said unit owner does not

own a parking space in the condominium, said unit owner has the right to demand that the owner of PS3H sell it at then current, fair market value to said unit owner. All costs and expenses entailed in the transfer of title to the parking spaces, including without limitation, title abstracts, title insurance, transfer taxes and recording fees and reasonable attorney fees (including the attorney fees for the owner of PS3H) shall be borne by the party requesting the transfer.

(See Section D Subsection 3, in Part I, and Article VIII, Section 12 in Part II of the Offering Plan for details.)

44. Preoccupied Unit

A purchaser of a previously occupied unit should consult with their attorney about the condition of the unit before signing a purchase agreement.

SECTION B INTRODUCTION

1. Sponsor and Offer to Sell

(a) (i) 5105 Junction LLC, a New York limited liability company with an office at 51-05 Junction Boulevard, Elmhurst, NY 11373 (Hereinafter the "Sponsor"), with this offering plan (Hereinafter the "Offering Plan" or "Plan"), offers for sale of all Condominium Units (Hereinafter the "Unit(s)") in one three (3) story building with cellar floor being constructed at 51-05 Junction Boulevard, Elmhurst, New York (Hereinafter the "Condominium" or the "Building"). The building is a newly constructed building and will contain five (5) residential unit(s). All the Units on the 2nd through 3rd floors have access to either a balcony or terrace. Balconies or terraces are considered as limited common elements. Unit Owners do not have access to the roof either as a common element or limited common element. All Units in the Condominium are hereby offered for sale. The residential units are to be used solely for residential purpose.

(ii) (I) The Condominium also contains four (4) parking space units located in the rear of the condominium building for residential use, which are offered for sale in fee simple (See Section D, Subsection 1 in Part I of the Offering Plan; see also Section F Schedule A in Part I of the Offering Plan).

(II) The offer of parking space unit(s) is limited to residential unit owners on a first-come, first-served basis.

(III) Only one parking space unit can be purchased by a prospective purchaser.

(IV) Owners of the parking space units, including Sponsor in its role as owner of the parking space units, shall be responsible for: (i) all costs and expenses associated with the operation of the parking space area, and (ii) the payment of any maintenance costs and/or Special Assessments imposed by the Condominium Board related to the parking space units.

(V) A garage gate will be built at the driveway entrance for the use of four (4) parking space units in the rear of the Condominium. It is an open grille motorized rolled up overhead gate controlled by a remote control where there is a reverse safety mechanism built in to control the safety of the gate. Each Parking Space Unit Owner will be provided with a remote control for the gate. No parking attendant will be provided. The garage gate is a general common element and the Condominium Board of Managers will be responsible for the costs/expenses associated with the garage gate including repairs and maintenance.

(iii) Any equipment or fixtures described in the plan are included in the offering price. 13 NYCRR § 20.3(d)(8).

(iv) The prices are not subject to approval by the Department of Law or

any other government agency. 13 NYCRR § 20.3(d)(9).

(v) On August 8, 2019, the Sponsor acquired title to the property on 51-05 Junction Boulevard, Elmhurst, NY 11373. The property was previously used as two-family dwelling.

(b) (i) The Sponsor is reserving an unconditional right to rent rather than sell units after consummation of the Offering Plan. Because the Sponsor is not limiting the conditions under which it will rent rather than sell units after consummation of the Offering Plan, there is no commitment to sell more units than the fifteen percent (15%) necessary to declare the Plan effective.

(ii) Potential Purchasers should note that owner-occupants and non-resident owners, including sponsor, may have inherent conflicts on how the condominium shall be managed because of their different reasons for purchasing, i.e., purchase as a home as opposed to as an investment. 13 NYCRR § 20.3(c)(2).

2. Condominium Smoking Policy

Upon commencement of the condominium operation, the Board of Managers of the Condominium shall, in compliance with the City of New York Administrative Code § 17-506.1. et al (Local Law 147) and the New York State Department of Law regulations, adopt a condominium smoking policy substantially in the form as Section NN in Part II of the Offering Plan.

(a) Pursuant to the condominium smoking policy, smoking and/or using an electronic cigarette are prohibited at any time during the daytime and/or nighttime in the following areas of the Condominium: (1) All indoor common areas, including, without limitation, hallway, lobby, corridors, stairs, and any other area to which that Unit Owners and/or Tenants may have access; (2) all indoor areas within a Unit, including, without limitation, the living room, bedroom, kitchen, bathroom, closet, and any other area to which that the owner of the Unit and/or its Tenant may have access; (3) All limited common elements, including, without limitation, balconies, terraces, backyards, and any other area to which access is limited to the owner of one Unit and/or its Tenant; and (4) all outdoor areas, including, without limitation, common courtyards, rooftops, balconies, terraces, patios, any area within fifteen (15) feet of the entrance and/or exit of, walk or path from and/or to, the Condominium, and any other outdoor area of the Condominium to which that Unit Owners and/or Tenants may have access.

(b) The condominium smoking policy is a material term of the Offering Plan and is incorporated into and form part of the Purchase Agreement, Interim Lease and the Condominium By-Laws. It must be incorporated into any agreement to rent a Unit or part thereof.

(c) The condominium smoking policy will be applicable to all Unit Owners, Tenants, the invitees as well as any other person on the premises.

3. General

(a) Sponsor recommends that all prospective purchasers thoroughly read this offering plan before making a final commitment. Parts I and II together with all Exhibits constitute the entire Offering Plan and contain the detailed terms of the transaction. All the documents referred to in this Offering Plan are important. All the exhibits or documents referred to herein have been submitted to the New York State Department of Law, located at 28 Liberty Street, 21st Floor, New York, NY 10005-1413 in connection with the filing of this Plan, and are available there for inspection. Such exhibits and documents are also available for inspection without charge and for copying at reasonable charge to prospective purchasers and their attorneys at the office of the Selling Agent and also at the New York State Department of Law.

The purpose of this Offering Plan is to set forth all the material terms of the offer to allow prospective purchasers to make an informed decision as required by 13 N.Y.C.R.R.§ 20.3(d)(10). However, this Plan may be amended from time to time during this offering. If amended, such amendments shall be filed with the New York State Department of Law Office of the Attorney General and shall be served on all offerees, Purchasers, and Unit Owners promptly after the filing in accordance with13 N.Y.C.R.R.§ 20.1(d).

THE PURCHASE OF A CONDOMINIUM HAS MANY SIGNIFICANT LEGAL AND FINANCIAL CONSEQUENCES. THE ATTORNEY GENERAL STRONGLY URGES YOU TO READ THIS OFFERING PLAN CAREFULLY AND TO CONSULT WITH AN ATTORNEY BEFORE SIGNING A PURCHASE AGREEMENT. 13 NYCRR §20.3(d)(12)

4. Submission of Property to Condominium Statute

The condominium is subject to and complies with the New York Condominium Act regulating condominiums in New York. A Declaration submitting the property to Article 9-B of the Real Property Law (Hereinafter the "Condominium Act") and By-Laws will be recorded prior to conveyance of title to the first Unit by the Sponsor. The Declaration and By-Laws will be exactly the same to those set forth in this Plan or its Amendments, if the plan is amended. This plan and the accompanying documentation should be carefully studied by prospective purchasers and their attorneys prior to the purchase of a Unit. The prices have been set by the Sponsor alone and are not subject to review or approval by the Department of Law. 13 N.Y.C.R.R.§ 20.3(d)(9)

5. Features of Condominium Ownership

(a) Ownership of a condominium is similar to ownership of any real property which is used for either commercial or residential purposes. The purchaser of a Unit (Hereinafter the "Unit Owner" or "Purchaser") will own, in fee simple absolute, all of the interior space of that particular Unit. The exterior walls and space within the walls, roof and all of the land and improvements which are located outside of the Unit itself are

owned in fee simple absolute in common, by the owners of all the Units. Each Unit owner is entitled to exclusive possession of his/her/its Unit together with an interest in and right to use the common elements(common elements are those portions of the Condominium Building, such as land, hallways, lobby and stairwells, that are jointly owned by all Unit Owners and maintained through Board of Managers), and an exclusive right to use the limited common elements(limited common elements are those portions of the Condominium Building, such as balconies and terraces, that are owned and maintained by individual Unit Owner who has exclusive access to them) (See Section C, Subsections 7 and 14 in Part I of the Offering Plan). 13 N.Y.C.R.R.§ 20.3(d)(7)(ii).

(b) Each owner must pay common charges in accordance with Section 339-i and Section 339-m of the New York Condominium Act.

(c) (i) The Units may be purchased for all cash, or may be purchased partly for cash and the balance for the purchase price financed by mortgage loan. (Note that the sponsor does not offer financing to purchasers, nor will Purchaser(s) be required to use a sponsor-preferred lender for the purpose of executing any mortgage financing). If a purchaser of a Unit requires mortgage financing, the purchase agreement will be conditioned upon such Purchaser obtaining a commitment from a lending institution of his own choosing. Any mortgage lien given by a Purchaser to a lender will be governed by the New York State Condominium Act.

(ii) In such case, Purchaser must execute a Mortgage Addendum together with the Purchase Agreement (See Section BB in Part II of the Offering Plan) to ensure that purchase of his/her/its Unit is conditioned upon mortgage financing.

(iii) (A) Pursuant to the Mortgage Addendum, typically Purchaser has forty-five (45) calendar days from the date of the receipt of a fully executed copy of the Purchaser Agreement by Purchaser or Purchaser's attorney to obtain a mortgage loan commitment from a mortgage lender selected by the Purchaser. To comply with the terms and conditions therein, (I) Purchaser must, within ten (10) days from the date of the receipt of a fully executed copy of the Purchaser Agreement by Purchaser or Purchaser's attorney, submit a duly executed loan application to the mortgage lender to obtain a loan at the fixed prevailing rate of interest at the time of closing, and upon such other terms and conditions as are determined by the mortgage lender. Purchaser must also promptly comply with any and all requirements of the mortgage lender; and (II) in the event that Purchaser is unable to obtain a mortgage loan commitment within said forty-five (45) day period, Purchaser must notify Sponsor/Seller within seven (7) calendar days thereafter. Failure to do so will result in Purchaser losing the mortgage contingency and he/she will have to purchase the Unit with all cash or lose the down payment.

(B) (I) If the Purchaser(s) receives a rejection letter from the Mortgage Lender, he/she/it shall submit a copy of same to the Sponsor/Seller. Purchaser(s) shall then have the option to: (x) cancel the agreement, in which case the agreement shall be null and void, and Sponsor/Seller's sole responsibility shall be to refund the down payment plus accrued interest, if any; or (y) waive the requirement that

the Purchase Agreement be contingent upon obtaining financing.

(II) If Purchaser(s) has not received any definitive written response, denying or approving his/her/its mortgage application from the Mortgage Lender, he/she/it may request additional time to obtain such a response, which the Sponsor/Seller at his sole discretion may agree to. Should Sponsor/Seller not agree to such an extension, Purchaser(s) may cancel the Agreement or waive the contingency as provided for above.

(vi) Therefore, if the obligations of a purchaser under a Purchase Agreement are not conditioned on obtaining financing, any prospective purchaser who executes a Purchase Agreement and does not obtain financing may lose his or her deposit if he or she is unable to otherwise raise the monies for the balance of the purchase price. Prospective purchasers who require financing are advised to consult with a lending institution before execution of a Purchase Agreement. No representation is made by the sponsor as to the availability or cost of such financing.

(vi) Under New York law, when a mortgage commitment is not fulfilled through no fault of a purchaser, performance is excused. Therefore, if the purchaser acts in good faith and the lender revokes the loan commitment after the contingency period expires, performance is excused, and the sponsor must grant to such purchaser a right of rescission and a reasonable period of time to exercise such right.

(vii) Purchasers should note that in the current real estate market, banks and other lenders are imposing various restrictions on purchasing financing. Such restrictions include requiring that a certain percentage of the apartments in a building or group of buildings be sold before a lender will consider making a loan. Thus, it may be possible for a purchaser to experience difficulty obtaining a loan in a building or group of buildings where the sponsor or holder of unsold shares has not sold a substantial percentage of the apartments in the building or group of buildings, which in some cases may be as high as seventy percent (70%). Moreover, some lenders will not provide financing in a building or group of buildings where an investor other than the original sponsor has an ownership interest of ten percent (10%) or more. It also may be difficult for a purchaser to resell an apartment if prospective buyers are unable to obtain a loan due to the same minimum sales and investor ownership restrictions.

(viii) Purchasers should further note that Sponsor may grant Purchaser the right to obtain financing from a second lender if Purchaser so requests, but it will entail further costs and expenses which Purchasers will be responsible for and an additional waiting period time (about 45 days) for closing.

(ix) It is a special risk for Purchasers if Purchasers should fail to execute the Mortgage Addendum, in which case, his or her obligation to consummate the purchase transaction will NOT be contingent upon obtaining financing.

(d) Each Unit will be taxed separately for real estate purposes and may be

mortgaged separately, and consequently no Unit Owner is responsible for the payment of real estate taxes on any other Unit, or for payment of any mortgage obligations of any other Unit. In the opinion of counsel, under the present Federal and State Income Tax Laws, a residential Unit Owner may deduct on income tax returns the amount paid for real property taxes and the amount paid for interest on a mortgage loan, if any to the extent that is allowed under the new TCJA (as defined in Section U) (See Section U in Part I of the Offering Plan for details).

(e) A Unit Owner is required to pay monthly common charges in proportion to his/her/its share of ownership in the common elements assessed by the Board of Managers for the operation and maintenance of the Condominium pursuant to Section 339-I and Section 339-M of the New York Condominium Act. Casualty and liability insurance, electricity for lighting in the common areas of the building, water and sewer charge for the entire building, wages for the superintendent and the cost of maintenance and repair of the common elements are included with other expenses as part of the common charges (See Section F, Schedule A in Part I of the Offering Plan). However, casualty and liability insurance for the purchaser's personal effects and the interior of a Unit should be carried by the individual Unit Owner. Each Unit will be responsible for the cost of repairs and decoration of the interior of his Unit, limited common elements, as well as the initial installation of any fixtures or improvements. A separate electricity and gas meters will be installed for each Unit, and each Unit Owner will receive his/her/its own utility bills. Sponsor may install a sub-meter for each Unit to register its water consumption. In such event, Unit owners will be billed by the Board of Managers for their water and sewer charge. Common charges are levied in proportion to the interest in the "common elements" appurtenant to each Unit. For possible increases in common charges upon default in payment by a Unit Owner, see Section S, Subsection 4 (e) for lien for non-payment of Common Charges. Units can be sold or leased by a Unit Owner subject to the right of first refusal by the Board of Managers (See Section S, Subsection 1 in Part I of the Offering Plan for details).

(f) Each Unit Owner must comply with the Declaration, By-Laws, regulations and any other requirement of the Board of Managers. It is the function of the Board of Managers to administer the affairs of the Condominium and supervise the operation of the Condominium Property. The Managers shall be elected annually at the annual meeting of Unit Owners by a majority vote (See Section S, Subsection 12 in Part I, Sections GG and HH in Part II of the Offering Plan).

(g) Sponsor is reserving an unconditional right to rent rather than sell after plan consummation. Because Sponsor is not limiting the conditions under which it will rent rather than sell Units after plan consummation, there is no commitment to sell more units than the fifteen percent (15%) of the units, or one (1) Units (which may include residential units, excluding parking units, if any), necessary to declare the Plan effective. Purchasers for their own occupancy may never gain control of the board of managers. Owner-occupants and non-resident owners, such as sponsor, may have inherent conflicts on management of the condominium because by-laws do not require that, after the sponsor relinquishes control of the Board, a majority of the board of managers be owner-

occupants or members of an owner-occupant's household who are unrelated to sponsor and its principals. Sponsor's construction lender does not impose any limits on Sponsor's right to rent rather than sell Units after plan consummation (See this Section B, Subsection 1, in Part I of the Offering Plan above).

(h) If Sponsor makes a bulk sale of its unsold units, the transferee successor sponsor is bound by the Sponsor's representation regarding its commitment to sell Units.

(i) Prospective Purchasers shall note that, under this Offering Plan, there are no limits on who may purchase and who may not. 13 N.Y.C.R.R. § 20.3(d)(11). The condominium board does not have the right to approve or disapprove purchasers, and there is no limit on the number of owners who may purchase for investment rather than for personal occupancy. There may be a substantial percentage of owners who are non-residents. 13 N.Y.C.R.R. § 20.3(d)(7)

6. Warranty for the Roof and Cost of Repair

(a) The sponsor is NOT providing NDL Manufacturer's Warranty for the roof of the Condominium (See Section EE, Paragraph I (g) in Part II of the Offering Plan). This is a red flag, indicative that most likely the roofing membrane and appurtenances were not installed in accordance with the manufacturer's specifications.

(b) Typically, NDL Warranties include completely repairing the problem, no matter what it takes. The Manufacturer will solve the problem, even if it requires complete re-roofing. The Warranty only includes roof leakage that is caused by defects in labor or materials. It does not include damage caused by abuse to the roof. There is normally a charge for "No Dollar Limit" Warranties. These warranties, like all Manufacturer Warranties, are subject to certain terms and limitations stated by the Manufacturer. Potential purchasers should note that the NDL Warranties do not apply to this offering.

(c) After consummation of the Offering Plan, the cost of repairing the roof will be borne by the unit owners and the actual cost for repairs will depend on the extent of damages to the roof.

(d) Notwithstanding the foregoing, the sponsor's obligation, regardless of whether a warranty is provided, is to construct the premises in accordance with all applicable codes and filed plans and specifications, and that any conflict between disclaimers in the Plan and the sponsor's obligation to construct the premises in accordance with all applicable codes and filed plans and specifications shall be resolved in favor of the latter.

(e) Prospective purchasers are advised that the roof is NOT an amenity space or recreational space to be enjoyed by owners as a common element; or certain owners as a limited common element appurtenant to their units, or accessory space (See Section EE, Subsection 20.7(h)(7)(vi), in Part II of the Offering Plan).

SECTION D

DESCRIPTION OF PROPERTY AND IMPROVEMENTS

1. The Condominium, Amendments or Alterations

(a) The Condominium will be located on the property containing a floor area of approximately 5,957 square feet, including the cellar floor at 51-05 Junction Boulevard, Elmhurst, New York. The Building is in an R5 zoning district, which permits the uses for up to 40 feet high story apartment Buildings, such as Class "A" apartments along with residential parking space units as required.

(b) (i) The Condominium is a recently built Building and consists of one three (3) story Building plus cellar being constructed at 51-05 Junction Boulevard, Elmhurst, New York. The Building will contain five (5) Residential Unit(s) and four (4) Parking Space Unit(s). The Parking Space Unit(s) will be located on the first floor, and the Residential Unit(s) will be located on first through third floors. Units 2A and 2B on the second floor and Units 3A and 3B on the third floor have access to a balcony. Balconies are considered as limited common elements. Unit Owners do not have access to the roof either as a common element or limited common element. All the Unit(s) in the Building are hereby offered for sale. All Residential Unit(s) shall be used for residential purpose only as designated herein. The Parking Space Unit(s) are to be used for residential parking purpose.

(ii) Purchasers will have the ability to purchase deeded parking space unit(s) because parking space units will be apportioned into individual tax lots and they will be sold to Unit Owners as an appurtenance on a first-come, first-served basis. They may be rented to Unit Owners, but not to non-unit owners.

(iii) The sale of parking space unit(s) is limited to Unit Owners.

(iv) Intentionally deleted.

(v) Owners of the parking space units, including Sponsor in its role as owner of the parking space units, shall be responsible for: (i) all costs and expenses associated with the operation of the parking space area, and (ii) the payment of any maintenance costs and/or Special Assessments imposed by the Condominium Board related to the parking space units.

(vi) A Garage Gate will be built at the driveway entrance for the use of four (4) parking space units in the rear of the Condominium. It is an open grille motorized rolled up overhead gate controlled by a remote control where there is a reverse safety mechanism built in to control the safety of the gate. Each Parking Space Unit Owner will be provided with a remote control for the gate. No parking attendant will be provided. The garage gate is a general common element and the Condominium Board of

Managers will be responsible for the costs/expenses associated with the garage gate including repairs and maintenance.

(vii) The property was previously used as two-family dwelling.

(viii) The property was vacant as of the date the proposed offering plan was submitted to the Department of Law and will remain vacant until the sponsor consummates the plan.

(c) The property has been improved and the Unit(s) have been constructed in accordance with all applicable zoning and Building laws and requirements.

(d) The offering price for the Unit(s) includes that for the major fixtures and appliances such as gas range, refrigerator, dishwasher, bathroom fixtures, kitchen cabinets and partition walls. (See Section EE in Part II of the Offering Plan.)

(e) Effective November 5, 2004, owners of Class A multiple dwellings in New York City, which include condominium units, must install carbon monoxide detectors. The Sponsor will install smoke detectors and carbon monoxide detectors in each Residential Unit. The law requires the owners of residential condominium units to maintain the detectors.

(f) (i) Sponsor reserves the right to amend or modify, in any way, the Plans and Specifications identified in the Plan (including, without limitation, changing materials, appliances, equipment, fixtures, layouts and other construction details) and substitute in place of any materials, appliances, equipment and fixtures set forth therein or in Section EE in Part II of the Plan, materials, appliances, equipment and fixtures of Equal or Better Quality; provided only that any necessary approval of any governmental authority having jurisdiction thereover is first obtained. However, Sponsor may not change the size, location of Buildings or units, other improvements or common elements, if such changes affect the percentage of common interests or adversely affect the value of any unit to which title has closed or for which a purchase agreement has been executed and is in effect unless all affected unit owners and contract vendees consent in writing to such change. Except as otherwise provided in the Offering Plan, any or all of the foregoing amendments or changes may be made without prior notice to unit owners and/or contract vendees.

(ii) However, unless an affected purchaser consents, no material change will be made in unit size, layout, or percentage of common interest if a purchase agreement has been executed and delivered to the sponsor for that unit and the purchaser is not in default; and, furthermore, unless all purchasers consent, no material change will be made in the size and no material adverse change will be made in the quality of common elements. See 13 N.Y.C.R.R. §§ 20.3(k)(3) and (4).

(g) (i) The Condominium Building is expected to be completed on or about April 30, 2021 and the Sponsor anticipates that the Certificate of Occupancy will

be issued on or about May 31, 2021.

(ii) No additional construction works which require a Building permit shall be commenced until the Final Certificate of Occupancy for the Condominium Building is issued because the Sponsor will not be able to obtain the Final Certificate of Occupancy until all open permits are signed off. Sponsor may include Purchaser's alteration plan in the final 'as-built' plan of the Condominium Building by amending the same, so that the Purchaser will be able to commence the construction work without waiting for the issuance of the Final Certificate of Occupancy. In such event, the Offering Plan will be amended to disclose such revisions to the Building Plans including an addendum to the architect's report. However, the Sponsor does not guarantee that Sponsor will actually be able to do so. If the Purchaser asks the Sponsor to amend the Building plan to include his/her/its alteration plan, the cost to amend the Plan must be borne by the Purchaser. Any additional construction works or alteration works such as removal or erection of interior partitions or addition or relocation of a bathroom each individual purchaser may wish to perform must conform to the applicable codes and laws including, but not limited to, the Building Code of The City of New York, the New York State Multiple Dwelling Law and the New York City Housing Maintenance Code. All construction must conform to the various Building codes, which minimally require the use of proper materials, legal configurations and dimensions of rooms, adequate light and natural or mechanical ventilation for all spaces, legal plumbing and electrical systems. Additionally, contractors used by a Purchaser must be licensed and insured.

(iii) The Board of Managers may, and has a right to regulate the following regarding additional construction or alterations of the individual Unit owners:

(1) The schedule for construction work, e.g., 8:00 AM to 5:00 PM except holidays;

(2) The measures that will be taken to protect the security of the Building during construction, including the manner in which each Unit owner and the construction workers will gain access to the Building;

(3) Interruption of services during construction, including interruption to water, electricity and elevator service;

(4) Requirement of the contractor to carry liability insurance.

(iv) Prospective purchasers are warned that a Unit Owner's failure to complete any work in his/her unit can affect the issuance of a Final Certificate of Occupancy. Nonetheless, the Sponsor and its principals remain obligated to procure a Final Certificate of Occupancy.

(v) In the event that the condominium Building has a Temporary Certificate of Occupancy and a purchaser in contract desires to close title to his/her contracted-for-unit with Sponsor, or Sponsor permits any construction work to be

conducted while the condominium Building is occupied, a tenant protection plan shall be put in place.

(h) The additional works or alteration works each Purchaser wishes to perform on his/her/its Unit must be done at each Purchaser's own cost and expense.

(i) All said additional work a purchaser desires for his/her/its Unit must be performed either by a contractor designated by Sponsor or a contractor approved by Sponsor, which approval shall not be unreasonably withheld or delayed, and which contractor will not employ any person or means that may cause labor disturbances or stoppages in the work of the Building employees or other contractors or subcontractors employed in the Building or at the Property.

(j) (i) Purchasers are advised that in New York City, newly constructed and newly renovated Buildings are sometimes offered as condominium projects without a final certificate of occupancy ("FCO") covering the entire Building but with only a temporary certificate of occupancy ("TCO"), and sometimes with several successive temporary certificates of occupancy. Certificates of occupancy are generally governed by Section 301 of the New York Multiple Dwelling Law and local Building codes and rules. Both TCOs and FCOs are issued by the New York City Department of Buildings ("DOB"). A TCO is intended to indicate that the property conforms substantially to the DOB approved plans and specifications, and to the requirements of all applicable laws, rules, and regulations for the uses and occupancies specified in the TCO. No change of use or occupancy shall be made unless a new certificate of occupancy is issued. All TCOs have an expiration date. A TCO typically expires 90 days after the date of issuance. When a TCO expires and is not renewed, it may be difficult or impossible to buy insurance, refinance, or sell units. In New York City, it is common for sponsors to commence unit closings when some or all units are covered by a TCO rather than a FCO. Sponsor anticipates this scenario may occur. Sponsor and its principals will undertake the responsibility for extending each TCO received prior to expiration thereof, and ultimately for obtaining a FCO covering the entire Building. However, Sponsor and its principals make no representation or guarantee that DOB will issue the FCO within two years, which is the timeframe anticipated by the Multiple Dwelling Law for issuance of a FCO. NOTWITHSTANDING THE FOREGOING, SPONSOR AND ITS PRINCIPALS ARE OBLIGATED TO PROCURE THE FINAL CERTIFICATE OF OCCUPANCY FOR THE ENTIRE BUILDING, AND SHALL EXERCISE BEST EFFORTS TO OBTAIN THE FCO WITHIN SUCH TWO-YEAR PERIOD WHILE KEEPING THE TCO CURRENT. Unit owners and the Board of Managers shall be obligated to cooperate with and refrain from obstructing sponsor in these undertakings.

(ii) Furthermore, because Sponsor and the by-laws of the Condominium may permit unit owners to undertake renovations to individual units prior to the procurement of a FCO, such renovations may cause additional delays in the issuance thereof. Notwithstanding the foregoing, Sponsor and its principals are obligated to procure the FCO.

(iii) Buyers are advised to visit the DOB website for further

recommendations when purchasing a unit in a Building that does not have a FCO. A Factsheet on Certificates of Occupancy is available on the DOB website at: https://www1.nyc.gov/site/buildings/property-or-business-owner/certificate-of-occupancy.page

(k) (i) (1) The sponsor is NOT providing a No Dollar Limit (Hereinafter the "NDL") Manufacturer's Warranty for the roof of the Condominium. This is a red flag, indicative that most likely the roofing membrane and appurtenances were not installed in accordance with the manufacturer's specifications.

(2) Typically, NDL Warranties include completely repairing the problem, no matter what it takes. The Manufacturer will solve the problem, even if it requires complete re-roofing. The Warranty only includes roof leakage that is caused by defects in labor or materials. It does not include damage caused by abuse to the roof. There is normally a charge for "No Dollar Limit" Warranties. These warranties, like all Manufacturer Warranties, are subject to certain terms and limitations stated by the Manufacturer. Potential purchasers should note that the NDL Warranties do not apply to this offering.

(ii) After consummation of the Offering Plan, the cost of repairing the roof will be borne by the unit owners and the actual cost for repairs will depend on the extent of damages to the roof.

(iii) Notwithstanding the foregoing, the sponsor's obligation, regardless of whether a warranty is provided, is to construct the premises in accordance with all applicable codes and filed plans and specifications, and that any conflict between disclaimers in the Plan and the sponsor's obligation to construct the premises in accordance with all applicable codes and filed plans and specifications shall be resolved in favor of the latter.

2. Easements

Each Unit Owner will have an easement in common with all other Unit Owners for the use, maintenance and repair of all pipes, wires, conduits and public utility lines located in the common elements or located in other Unit(s) and servicing his/her/its Unit. Further, each Unit Owner will have an easement for the continuance of any encroachment by his/her/its Unit or any adjoining Unit or common elements now existing or which may come into existence hereafter as a result of the settling of the Building or repair or alteration of the Unit by the Board of Managers after damage by fire or other casualty or as a result of condemnation or eminent domain proceeding, or any alteration made by the Board to the common elements, so that any such encroachment may remain undisturbed so long as the Unit stands. Each Unit will be subject to these encroachments and easements in favor of all other Unit(s). The Board of Managers, its agents and employees shall have a right of access to the Unit(s) and the common elements (irrespective of the restricted nature of any common elements), upon at least twenty-four (24) hours prior notice, except for emergency repairs, to inspect, maintain, or repair the common elements

or to make repairs to the Unit to prevent damage to the common elements or any other Unit.

3. Covenants and Restrictions on Handicapped Parking Spaces

(a) Parking Space Unit 3 (Unit PS3H) has been designated as a handicapped parking space and will be the last parking space sold if it has not previously been sold to a purchaser who themselves or a member of their family has a vehicle with handicapped plates. The purchase of PS3H and any subsequent sale or transfer of it is subject to the following covenants and restrictions in the deed:

"(i) In the event that the present or future owner of a unit in the condominium or a member of his or her family residing in the unit becomes handicapped and acquires handicapped plates for his or her vehicle and said unit owner is the owner of a parking space, said unit owner has the right to demand that the owner of PS3H trade this PS3H with the parking space that said unit owner owns.

(ii) In the event the present or future owner of a unit or a member of his or her family member residing in the unit becomes handicapped and said unit owner does not own a parking space in the condominium, said unit owner has the right to demand that the owner of PS3H sell it at then current, fair market value to said unit owner. All costs and expenses entailed in the transfer of title to the parking spaces, including without limitation, title abstracts, title insurance, transfer taxes and recording fees and reasonable attorney fees (including the attorney fees for the owner of PS3H) shall be borne by the party requesting the transfer.

(iii) The owner of PS3H must comply with the demands in paragraph (i), or paragraph (ii), as the case may be, upon thirty (30) days written notice.

(iv) If the parties cannot agree on the fair market value of PS3H then the parties agree to submit the matter to the Board of Managers for a decision."

(b) (i) If disagreement between the parties occurs as provided in this Subsection 3(a)(iv) above and sixty (60) days has elapsed since the demand was made, either party may submit a written request to the Board of Managers for the determination of the fair market value of PS3H.

(ii) Within thirty (30) days as of the receipt of the written request as provided in this Subsection 3 (b)(i) above, the Board of Managers will hire an appraiser, who is unrelated to either party, to appraise PS3H and the appraiser is required to submit an appraisal report to the Board within fourteen (14) days.

(iii) Upon receipt of said appraisal report, the Board of Managers will notify the parties and the market value that the appraiser has determined in the appraisal report shall be the purchase price of PS3H.

(iv) The parties shall complete the transaction within thirty (30) days as of the receipt of the notice from the Board of Managers.

(v) The costs and expenses related to the appraisal shall be borne by the party requesting the transfer.

(See also Article VIII, Section 12 in Part II of the Offering Plan.)

4. Compliance with Parking Regulation in Multiple Dwelling

Parking spaces in a multiple dwelling should conform to Multiple Dwelling Law § 60, which provides, inter alia, that "a space may be provided and maintained in any multiple dwelling or upon the premises thereof, or a structure may be erected and maintained at the rear or side thereof, for the storage of passenger motor vehicles, but only with a written permit therefor when required by local law and in accordance with every applicable local law, ordinance, resolution, code provision or regulation and with the following provisions:

". . . Such space or structure shall be used solely for the storage of passenger motor vehicles of the occupants of the multiple dwelling or of multiple dwellings under common ownership, except that, in the event such space or structure or part thereof is not used by such occupants, it may be rented by the owner or owners of such dwelling or dwellings to persons other than the occupants thereof. The space which has thus been rented shall be made available to an occupant within thirty days after written request therefor. However, such space may be used also for the storage of any type of mechanical or motor-driven equipment or other accessory device or passenger bus required for the proper maintenance of the site and of the dwellings thereon."

*PS means Parking Space Unit.

Note 1: Balconies and Terraces are uninhabitable space and this space may not be legally used as a bedroom or living room. To do so may result in a building code violation being issued for the Building.

2. Cellar space may not be used for sleeping or dining space. Additionally, cellar space has less light and air than ordinary living space and it is more susceptible to dampness.

3: The projected real estate taxes for the first year of operation contained on Schedule A are based on an assessment of the building before new construction is complete. Purchasers are advised that real estate taxes may increase materially when the building is reassessed after new construction is complete. The projected real estate taxes will be $50,035.00 for the whole buidling. See Footnote 8 to Schedule A for more information regarding the projected assessed valuation after completion of construction/rehabilitation.

FOOTNOTES TO SCHEDULE A

1. (a) The method of calculating the number of bedrooms is in accordance with the Zoning Code of the City of New York, which requires the bedrooms to meet certain standard of "habitability" with minimum size and lighting. A bathroom with lavatory and shower or bathtub counts as one (1) bath, and a bathroom with a lavatory and toilet only counts as ½ bath. The dining area, study, den, balconies and closets do not count as rooms.

(b) The following are the Unit information:

Units 1A, 2A, 2B, 3A, and 3B:

2 Bedroom, Living, Dining Area,
Kitchen, 2 Full Bath

(c) All the Residential Units on the second through the third floor have access to a balcony. The balconies are considered as limited common elements.

The floor plans are contained in Section FF, Part II of this Plan.

2. (a) (i) Column 2(a) of Schedule A shows the net square footage of the Units which is measured from the unit side of the window glass or concealed fireproofed structural members of the exterior wall to the center line of the drywall partitions or block partitions which separate the Unit from another Unit, or to the unit side of the concealed masonry work or concealed structural members or to the surface of the drywall partitions which separate a Unit from corridors, stairs and other common or mechanical equipment spaces.

(ii) The common elements on each floor, such as hallway, corridor and/or stairway, are not included in the net square footage. The limited common elements such as balconies are shown in Column 2(b). The gross square footage shown in Column 2(c) is the sum of the net square footage and the limited common elements such as balconies to which only the Unit Owner is accessible (See Section A in Part I of the Offering Plan). The gross square footage shown in Column 2(c) are not based upon the measurements from interior surfaces of the interior walls, and the actual area compromising the unit is substantially less than the area listed in Columns 2(c) in Schedule A. The measurements are approximate within reasonable tolerances.

(b) When measured horizontally, each Unit is defined to consist of the space from the unit side of the window glass or concealed fireproofed structural members of the exterior wall to the center line of the drywall partitions or block partitions which separate the Unit from another Unit, or to the unit side of the concealed masonry work or concealed structural members or to the surface of the drywall partitions which separate a Unit from corridors, stairs and other common or mechanical equipment spaces. When measured vertically, each Unit is defined to consist of the space from the underside of the

concealed concrete slab, or of the fireproofed beam, as the case may be, at the highest level of a Unit to the top of the concrete floor or wood subfloor at the lower level of a Unit, except that the structural slabs and beams separating floors and any Common Elements located within any Unit shall not be considered as part of the Unit.

3. (a) Offering prices may be increased or decreased by a duly filed amendment to the Plan when it is an "across the board" change affecting one or more lines of Units, or Unit models, or is to be advertised or is an individually negotiated price which is higher than the listed offering price. Offering prices and specified terms are negotiable and the Sponsor may enter into a Purchase Agreement with an individual Purchaser to sell one or more Units at prices lower than those set forth in Schedule A without filing an amendment (See Section I, Subsection 1 in Part I of the Offering Plan). NYCRR§20.3(g) (2) However, the provisions applicable to any of the negotiable terms must be disclosed in the Plan.

(b) (i) At the closing of each Unit, the Purchaser will pay (i) the Sponsor/Seller's attorney closing fee of $1,500.00 for a residential unit or a parking space unit (if carried out as an independent transaction); (ii) $350.00 attendance fee if the purchaser desires to have the closing other than at the office of the Sponsor/Seller's Attorney; (iii)$350 assistance fee for mortgage application if Purchaser requires Sponsor/Seller's attorney to provide assistance therein, such as providing Attorney Escrow Letter, documents on sales and closing of condominium units, status of condominium, condominium questionnaire and other related information to the Purchaser's mortgage lender and/or broker; (iv) $350.00 assignment/amendment fee for each assignment of, or amendment to, the Purchase Agreement required by the Purchaser; and(v) fifty percent (50%) of the Sponsor/Seller's attorney fee (or $875.00 with assistance in obtaining purchase mortgage, or $750.00, without such assistance), as provided in Section O, unless such termination or cancellation is due to the fact that Sponsor/Seller is in default and Purchaser is entitled to such termination or cancellation.

(ii) At closing, the purchaser is also expected to pay the State and City transfer taxes and the amount equal to one (1) month common charge as contribution to Working Capital Fund. For a complete explanation of closing costs associated with the transfer of title to the Units, see Section N "Closing Cost and Adjustments" in Part I of the Offering Plan. NYCRR§20.3(g) (2) The closing costs are in addition to the purchase price of each Unit.

4. The percentage interest of each Unit in the Common Elements shall be the approximate proportion that the fair value of the Unit at the date of Declaration bears to the then aggregate fair value of all the Units pursuant to the New York Condominium Act Section 339-I.1. (i).

5. Sponsor will apply for separate tax lots for each unit. Each purchaser of the Units will be assigned a separate tax lot number. After the Condominium is divided into individual tax lots, each Unit will be taxed as a separate tax lot for real estate tax purpose and Unit Owner will not be responsible for the payment of, nor will the Unit be subject to

any lien arising from the non-payment of taxes on other units. Each Unit Owner will be solely responsible for payment of real estate tax of his/her own unit. Sponsor will not be responsible for payment of real estate tax for each unit once the title is closed.

6. (a) Projected first year's monthly carrying charges shown in Column (7) and are the total of Common Charge (Column 5) and Real Estate Tax (Column 6). Projected annual carrying charges shown in Column (9) are the twelve (12) times the first year's monthly carrying charges (Column 7). The monthly carrying charges do not include certain housing costs for which the Unit Owner is generally responsible, such as repairs to the interior of the Unit and the payment for electricity and gas which is separately metered.

(b) Since Sponsor does not offer nor procures mortgage financing, these costs are not included in monthly carrying charges. It is therefore necessary for the Purchaser (should he finance the purchase of his Unit) to add to his monthly carrying charges, the cost of his monthly mortgage and interest payments.

NYCRR§20.3(g) (1)

7. Schedule A, Column (8) shows the first-year real estate tax. The Condominium building is expected to be completed on or about April 30, 2021 and the Sponsor anticipates that the Certificate of Occupancy will be issued on or about May 31, 2021. The calculation of Column (8) is made based on the estimated assessed valuation for the tax year of 2021/2022 after completion of the Condominium building:

$A \times B \times C$

A=	The estimated assessed value of the property during 2021/2022 tax year	($256,651.00)
B=	Estimated tax rate then in effect	(12.451%)
C=	Percentage of common interest allocated to each Residential Unit	

8. Purchasers are advised that the estimated assessed value of the Condominium in Subsection 7 above reflects the assessment for the first year Condominium operation, the assessed value and therefore the real estate taxes may increase materially when the full valuation of the new building is reassessed on the first taxable status date (i.e., January 5) following issuance of the Certificate of Occupancy for the next tax year (i.e., tax year of 2022/2023), commencing from July 1, 2022.

(a) The calculation for the residential portion is made as follows:

$A \times B \times C$

A= The estimated assessed value of the property

	during 2022/2023 tax year	($401,856.00)
B=	Estimated tax rate then in effect (assuming it remains static)	(12.451%)
C=	Percentage of common interest allocated to each Residential Unit	

9. (a) In the absence of an individual mortgage on the Unit, the total amount of carrying charges deductible for income tax purposes for the residential unit owners would equal the monthly real estate taxes. Should Purchaser obtain financing, the projected amount deductible for income tax purposes may vary in subsequent years due to refinancing the mortgage, the application of constant debt service payments between interest and principal, or due to changes in the assessed valuation, the tax rate or in the method of assessing real property which results in change in real property taxes, or such other changes as may reasonably be expected to affect deductions.

(b) Notwithstanding the previous paragraph, prospective Purchasers should note that on January 1, 2018, the Tax Cuts and Jobs Act of 2017 went into effect. This federal law significantly changed the previously existing Internal Revenue Code, including the taxes and deductions related to homeownership. Under the new law, for the tax years between 2018 through 2025, interest that can be deducted from an individual's federal income taxes will be limited to the amount that he/she will have paid on the home acquisition indebtedness not exceeding $750,000.00; and additionally for the tax years between 2018 through 2025, individual deductions from federal tax income on the amount that he/she has paid as state, local real property taxes and personal property taxes shall not exceed $10,000.00. Purchasers are advised to consult with a tax expert regarding whether the new law will affect the purchaser's taxes. Purchasers should not rely on any representations in this offering plan addressing taxes without first consulting a tax expert (See Section U, Subsection 1 in Part I of the Offering Plan).

FOOTNOTES TO SCHEDULE B

1. Common Charges $27,216.00

These estimates of operating expenses and income have been made by the Sponsor's experts based on the operation of comparable properties in the area. It cannot be construed as an assurance of the final expenses and is merely based upon monthly common charges set forth in Schedule A which will be paid by each Unit Owner.

2. Salaries and Wages $9,428.00

It is anticipated that the building staff will consist of one part-time, non-union superintendent who works approximately ten (10) hours a week at the hourly rate of $15.00 and employee benefits, such as, worker's compensation insurance and medical insurance as required by federal or state laws and regulations amounting to about $3.13 per hour to provide services necessary for maintenance of the common areas. The level of staffing complies with all applicable housing and labor laws. The wages for the superintendent meet state minimum wage laws. (13 N.Y.C.R.R. § 20.3(h)(4)(ii))). The budgeted amount reflects current wage rates and reasonably anticipated increases. The estimated labor cost is based on the following calculations:

Payroll:	$9,428.00
Payroll Taxes & Miscellaneous Expenses:	
FICA $9,428.00× 7.65%=	$ 721.24
State Unemployment Insurance:	
$9,428.00× 4%=	$ 377.12
Federal Unemployment Insurance:	
$9,428.00× 0.8%=	$ 75.42
Worker's Compensation/Disability:	
Insurance: $9,428.00× 4.5%=	$ 424.26
Miscellaneous	$ 28.28

3. Utilities – Electricity for Lighting & Garage Gate $ 819.00

(a) The projection for cost of electricity is based upon estimates provided by Chang Hwa Tan, Registered Architect, of Tan Architect, P.C. with office at 194-02 Northern Blvd., Suite 205, Auburndale, NY 11358. The following estimate is for the cost of electricity which is included and covered by the common charge such as cost of electricity for exterior and interior common area lighting, garage gate, fans, pumps and the elevator system, if applicable. The rate indicated below includes tax and latest utility company surcharges for fuel adjustments. Due to inflation, ten percent (10%) has been added to the rate currently in effect.

	Consumption	Cost
	---	---
ELECTRICITY	3,035 KWH @ $0.27/KWH	$819.00/Year

The projection does not include the cost of electricity for each unit which shall be individually metered and billed directly to each Unit Owner. Purchasers are referred to Schedule B-1 for individual electricity costs.

(b) In view of the current energy situation, it is not possible to predict whether the budgeted figure will reflect the actual cost to be incurred during the first year of condominium operation, which will vary with the level of consumption and the cost of the utility. Electricity is generated by the utility company by means of fuel oil as the primary energy source. If the cost of oil to generate electricity increases, it is likely that electric rates will increase. It is believed that the projected figure should be sufficient to cover a reasonable increase in the cost of electricity resulting from the foregoing during the first year of condominium operation. However, no budget item is warranted.

4. Utilities – Electricity for Heating $ 270.00

(a) The projection for cost of electricity is based upon estimates provided by Chang Hwa Tan, Registered Architect, of Tan Architect, P.C. with office at 194-02 Northern Blvd., Suite 205, Auburndale, NY 11358. The following estimate is for the cost of electricity which is included and covered by the common charges such as cost of electricity for common area heating. The rate indicated below includes tax and latest utility company surcharges for fuel adjustments. Due to inflation, ten percent (10%) has been added to the rate currently in effect.

	Consumption	Cost
COMMON AREA		
ELECTRICITY:	1,000 KWH @ $0.27/KWH	$270.00/Year

(b) Intentionally deleted.

(c) Although the Sponsor is under obligation to provide accurate information to prospective purchasers, factors beyond its control may substantially affect the cost of heating after the purchase of a Unit or in subsequent years. The Sponsor represents, however, that it has followed the plan and specifications provided by the manufacturer of the heating system together with the recommendation of the utility company and other experts to enable these items of equipment to operate at optimum efficiency at the lowest cost. Further, the Sponsor represents that it has not been induced to select the heating system described herein on the basis of any financial inducement other than the price of the system made to it by the manufacturer or distributor of the system or the supplier of energy to be used in connection therewith or by any of their agents or employees.

5. Water and Sewer Charges $ 3,398.00

One (1) water meter covers the entire condominium. The Units will not be individually metered for water. The budgeted figure is based upon the water and sewer

formula which consists number of families, tubs/shower stalls, toilets that are in each unit, hose bibs, number of floors in the building and street frontages. Water costs are based upon 329 HCF/yr. at $3.99/HCF and sewer charge is based upon one hundred fifty-nine percent (159%) of water costs. The projection for water and sewer charges is based on the estimate given by Chang Hwa Tan, Registered Architect, of Tan Architect, P.C. with office at 194-02 Northern Blvd., Suite 205, Auburndale, NY 11358.

6. Repairs, Maintenance, Service & Supply $ 2,000.00

The budget figure is for the repair and maintenance of all the common elements such as roof, exterior (including walls, foundations, windows, doors and locks), sewer system, plumbing, electrical work, elevator system, painting and flooring of the common area, and other maintenance services. The budget also includes cost of cleaning supplies, hardware, lighting bulbs and rubbish bags. The snow removal and daily cleaning of the common area and sidewalk will be done by the superintendent. Inasmuch as the Building is a new construction, no major interior and exterior repairs are anticipated. Minor repairs will be done by the superintendent. The budget is based on the operation of comparable properties in the area. The budgeted figure does not include improvements and repairs to, maintenance of, or supplies for individual Units and limited Common elements. Each individual Unit Owner is responsible for improvements and repairs to, maintenance of, and supplies for his/her Unit and those Common Elements irrevocably restricted to his/her use.

7. Insurance $ 3,800.00

(a) The budgeted figure for insurance is based upon an estimate provided by ABC Insurance Agency, Inc., an insurance brokerage firm having an office at 41-25 Kissena Boulevard, Suite 110, Flushing, New York 11355. They have advised that they would be willing to write a policy with the following coverage:

Building-$1,200,000.00 Limit, replacement cost, subject to a deductible of $2,500.00 per occurrence;
Maintenance Fee- Actual Loss, no deductible;
Comprehensive General Liability- $1,000,000 per occurrence, $2,000,000 per aggregate;
Fire Damage Legal Liability- $50,000.00 per occurrence;
Water Damage Covered- subject to the building's deductible

Total anticipated annual premium: $ 3,800.00

(b) The above package policy (including fire, casualty and general liability insurance) provides:

(i) That each unit owner is an additional insured party;
(ii) that there will be no cancellation without notice to the board of managers;

(iii) a waiver of subrogation;
(iv) a waiver of invalidity because of the acts of the insured and unit owners; and
(v) a waiver of pro-rata reduction if unit owners obtain additional coverage.

(c) The fire insurance coverage for the building master policy in the amount of $1,200,000.00 budgeted in the Plan is adequate to replace the building in the event of total loss and to avoid being a co-insurer in the event of partial loss.

(d) The above proposed coverage is provided by a company licensed in the State of New York with a Best's financial rating of "A", Excellent, and meets the requirement of any mortgage lender procured by the Sponsor.

(e) The following policies are recommended by ABC Insurance Agency, Inc. at additional costs: Earthquake, Flood, Directors' and Officers' Liability, Fidelity Bond, Boiler & Machinery, Workers Compensation, Disability, Crime, Auto Liability and excess coverage.

(f) The budget for insurance must provide and the condominium must have public liability insurance (covered by Comprehensive General Liability) at closing.

Note the budget figure does not include the coverage for the Unit Owner's personal properties. It is recommended that each Unit Owner purchases his/her own insurance to cover losses and damages for his/her personal property.

8. Legal and Auditing $ 2,000.00

The fee for the accountant's services is based on the estimate given by Liming Shi, C.P.A., with office at 136-20 38th Avenue, Suite 9G, Flushing, New York 11354. The figure reflects the estimated cost of $1,000.00 for retaining an accountant to prepare a year end audited financial statement and tax return. This budgeted amount is sufficient for such accountant's services. $1,000.00 is provided for retaining an attorney to represent the Board of Managers in connection with the Condominium's normal business operations. While the Sponsor is in control of the Board, Lawrence Yang, Esq. /Lawrence Lixin Yang, P.C. at 135-11 Northern Boulevard, 2nd Floor, Flushing, NY 11354 will represent the Board therefor. The amount reflected does not cover extraordinary costs or expenses for additional services rendered or costs incurred to conduct litigation on behalf of the Condominium.

9. Management Fee $ 2,720.00

At or prior to the first closing of title to Unit, the Condominium will enter into management contract with the Sponsor as managing agent for a period of two (2) years. The management fee to be collected by the sponsor is about ten percent (10%) of the total common charges. The projected cost for management of the condominium is neither

greater than nor substantially less than the prevailing cost (ranging from four percent (4%) to twelve percent (12%)) which would be charged for such services. 13 NYCRR §20.3(h)(4)(ix). After one (1) year, either the Board of Managers or the sponsor may terminate the management contract upon sixty (60) days' written notice to the other.

10. Income Tax $ 0.00

The Condominium is not likely to generate any significant any taxable income during the first year of operation.

11. Contingencies $2,781.00

(a) This budget item is to provide a fund for unanticipated expenses or possible increases in operating expenses not now foreseen or other condominium corporate purposes. This fund will be used in the event any income taxes are incurred to the Condominium. The budget may be modified from time to time prior to commencement of or during condominium operation to increase one or more items of expense and decrease the contingency fund. This fund does not include a reserve for capital repair and/or replacement.

(b) If the actual or projected commencement of the budget year in the Offering Plan differs by six (6) months or more from the anticipated date of closing of the first unit, the Plan will be amended to include a revised budget which will disclose then current projections. If such amended budget projections exceed the original budget projections by twenty-five percent (25%) or more, all purchasers will have the right within fifteen (15) days after the receipt of the amended budget to rescind their offers to purchase and have their deposits refunded.

(c) The Sponsor may not declare the Plan effective where there are any material changes to the budget if such changes have not been disclosed by a duly filed amendment to the Offering Plan.

(d) Since no reserve fund is being provided for major capital improvements, it is a special risk that the need for such improvements might result in an increase in common charges and/or special assessment.

FOOTNOTE TO SCHEDULE B-1

The attached Schedule B-1 shows the estimated cost of electricity and gas consumed by each condominium unit. The projection for cost of electricity and gas is based upon estimates provided in the letter dated as of November 20, 2020 by Chang Hwa Tan in Tan Architect P.C., with the office at 194-02 Northern Boulevard, Suite 205, Auburndale, NY 11358. Gas consumption for heating and cooking is for approximately seven (7) months per year. The estimate is based upon a normal season of 4,997 heating degree days and the average cost of gas of $1.91 per therm, including tax, fuel adjustment and ten percent (10%) inflation factor. Electricity consumption for cooling (including lighting and small appliances) is for approximately three (3) months per year. The estimate is based upon a normal season of 1,142 cooling degree days and the average cost of electricity of $0.27 per kilowatt hour, including taxes, fuel adjustment and ten percent (10%) inflation factor (13 N.Y.C.R.R. § 20.3(h) (5) and 13 N.Y.C.R.R. § 20.3(h) (4) (iv)) (See also Section G Footnotes to Schedule B, Subsections 4 and 5, in Part I of the Offering Plan).

In view of the fact that these averages may include the use of energy by persons of varying needs with different standards of comfort, or with families of different sizes, the amount of energy consumed by the purchaser may vary substantially from the average estimates herein provided. In addition, the effect of inflation, gas shortages and other factors may raise the cost of gas and electricity substantially higher than the current or projected rate.

Re: 5105 Junction Condominium

Elmhurst, New York 11373

Dear Sir/Madam:

The undersigned is a real estate broker licensed in the State of New York. We have been engaged in the sales and management of at least five(5) cooperative, condominium and rental properties in the course of over ten(10) years.

The sponsor of the Offering Plan for the subject condominium has retained us to review the allocation of common interests applied to the Units contained in Schedule A of the Offering Plan. We have no beneficial interest in the sponsor or the profitability of the subject condominium.

We have reviewed the percentage of common interest allocated to each Unit as shown in Schedule A of the Offering Plan and it is our opinion that such interest for each of the units is in approximate proportion that the fair value of the unit at the date of declaration bears to the then aggregate fair value of all the units in accordance with Section 339-I(1)(i) of the New York State Real Property Law. This allocation method utilizes the calculations of the values of the salable net square footage provided by the Sponsor's architect.

Very truly yours,

SECTION I CHANGES IN PRICES OR UNITS

1. Changes in Prices

The Offering Price set forth in Schedule A, Section F may only be changed by a duly filed amendment when the price change is an across-the-board increase or decrease affecting one or more lines of units or unit models, or is to be advertised or is a price increase for an individual Purchaser. Prices are negotiable. Sponsor may enter into an agreement with an individual purchaser to sell one or more Units at prices lower than set forth in Schedule A without filing an amendment. No change in the price of a Unit, however, will increase the share of common expenses to be borne by any other Unit Owner. Likewise, no change in the price of a Unit will vary the percentage of common interest appurtenant to such Unit. Some purchasers will pay less or more for the same type of unit.

2. Changes in Sizes and Layout of Units

(a) Sponsor states that no changes will be made in the size or number of Units, and/or their respective percentage of common interest and that no material change will be made in the size or quality of Common Elements except by amendment to the Plan and to the Declaration, when applicable.

(b) Sponsor further states that unless an affected Purchaser consents, no material change will be made in unit size, layout, percentage of common interest if a purchase agreement has been executed and delivered to sponsor for that unit and the purchaser is not in default. 13 NYCRR §20.3(k)(3).

(c) Sponsor further states that unless all purchasers consent, no material change will be made in the size and no material adverse change will be made in the quality of Common Elements.

SECTION J INTERIM LEASES

1. (a) (i) The Sponsor and a Purchaser who is in contract may enter into an interim lease prior to consummation of the Offering Plan and thereafter. (See Section LL in Part II of the Offering Plan). 13 N.Y.C.R.R. § 20.3(n)(1). No rental protection laws are applicable to the interim lease. An uncured default under the Purchase Agreement shall be considered as a default under the interim lease. The interim lessee must vacate the Unit within thirty (30) days after a default under the Purchase Agreement or rescission of the Purchase Agreement by the Lessee. The Lessee's default under the lease, if such defaults are not cured by the time of closing, shall be considered as default under the Purchase Agreement. However, before Sponsor may utilize the default under the lease to declare the default under the Purchase Agreement, Sponsor must either obtain an order of eviction or other judgment or order from a court or agency of competent jurisdiction against the lessee unless the lessee has vacated the Unit.

(ii) Despite the provision in Subsection 1(a)(i) above, a purchaser in contract who desires to enter an interim lease for the unit that he/she is purchasing must obtain prior written consent of the Sponsor.

(iii) In the event that a purchaser in contract has obtained the consent from Sponsor to enter into an interim lease for the unit that he/she is purchasing, he/she, or with the assistance of his/her attorney, may request a copy of the Form Condominium Unit Interim Lease (in the form as Section LL in Part II of the Offering Plan) from the Sponsor or Sponsor's attorney and deliver an executed copy of the same together with the first month's rent (which rent shall be the fair market rent for the city where the Condominium is located and agreed by the Sponsor) and a security deposit equal to three (3) months' rent. Provided that the subject unit is fit for occupancy, Sponsor shall countersign the interim lease and deliver possession to the purchaser within fifteen (15) days as of the date of the lease.

(iv) The sponsor and its agents will not discriminate against any person on the basis of race, creed, color, national origin, sex, age, disability, marital status or other grounds prohibited by law. (13 N.Y.C.R.R. § 20.3(ae)(3))

(b) The sponsor retains the risk of loss until the Purchaser closes title to the Unit. It should be noted that insurance for the condominium covers the Unit but the Purchaser is responsible for the contents of the Unit (i.e., Purchaser's personal property). The risk that an Interim Lessee assumes is the risk of loss for the personal property not covered by the condominium insurance. Insurance proceeds are available to either Sponsor or the condominium for loss to the Unit and an Interim Lessee shall not assume such loss.

(c) In the event that there are any inconsistencies between the lease and the Offering Plan, the terms of the Offering Plan shall govern.

SECTION K PROCEDURE TO PURCHASE

A complete copy of the Purchase Agreement (Hereinafter the "Agreement") is contained in Section AA, Part II of the Plan. The Sponsor hereby offers for sale the Units to be constructed in the Condominium for residential occupancy.

1. The sales price at which the Units are being offered are shown in detail in Schedule A. Sponsor reserves the right to change the sales price (See Section J in Part I of the Offering Plan). Any such changes will not affect the common interest of the unit; however, some purchasers may pay less or more for the same Unit.

2. Any person may accept Sponsor's offer to sell the Units by entering into a Purchase Agreement with Sponsor. The Agreement provides that Purchasers will purchase from Sponsor a designated Unit in the 5105 Junction Condominium Declaration creating such condominium. Any conflict between the Plan and the Purchase Agreement shall be resolved in favor of the Plan. Upon signing the Purchase Agreement, Purchaser shall make a down payment in the amount equal to ten percent (10%) of the purchase price or any other amount, but not less than $10,000.00 per unit plus the cost of any special work ordered by Purchaser and itemized in the Purchase Agreement. Upon purchaser's full payment of the purchase price at closing, in cash or by mortgage, Purchaser will receive a bargain and sale deed with covenants against grantor's acts and containing the provisions set forth in Section 13 Subdivision 5 of the Lien Law, which will convey good and marketable title to him/her/it of fee ownership in the Unit and such percentage of common interest in the common elements as set forth in Schedule A, free and clear of all liens and encumbrances other than those set forth in Section N, Subsection 12 in Part I of the Offering Plan. The Purchase Agreement may be modified with the consent of Purchaser and Sponsor in a manner not inconsistent with the law, or with the terms of this Plan. Within twenty (20) days after delivery by Purchaser of an executed Purchase Agreement together with the required down payment, Sponsor will either (a) accept the Agreement offer and fully execute, or (b) reject the Agreement offer and refund the down payment. If the Sponsor takes no action within said twenty (20) day period, the Purchase Agreement shall be deemed rejected by Sponsor.

3. The law firm of Lawrence Lixin Yang, P.C., with an address at 135-11 Northern Boulevard, 2nd Floor, Flushing, New York 11354, and a telephone number of (718)886-7999, shall serve as escrow agent (Hereinafter the "Escrow Agent") for the Sponsor and Purchaser. Escrow Agent has designated the following attorney(s) to serve as signatories: Lawrence (Lixin) Yang. All designated signatories are admitted to practice law in the State of New York. Neither the Escrow Agent nor any authorized signatories on the account are the Sponsor, Selling Agent, Managing Agent, or any principal thereof, or have any beneficial interest in any of the foregoing.

4. The Escrow Agent has established the escrow account at Citibank, located at 215 Jericho Turnpike, Floral Park, NY 11001, in the State of New York (Hereinafter the "Bank"), a bank authorized to do business in the State of New York. The escrow account is entitled 5105 Junction Condominium Escrow Account (Hereinafter the "Escrow

Account"). The Escrow Account is an IOLA account. The Escrow Account is federally insured by the FDIC at the maximum amount of $250,000.00 per deposit. Any deposit in excess of $250,000.00 will not be insured. Furthermore, if purchasers have accounts at the same bank as sponsor's account that holds escrowed funds, purchaser funds at the escrow bank factor into the $250,000 insurance limit.

5. All Deposits received by Purchaser shall be in the form of checks, money orders, wire transfers, or other instruments, and shall be made payable to or endorsed by the Purchaser to the order of Lawrence Lixin Yang, P.C., as Escrow Agent.

6. Any Deposits made for upgrades, extras, or custom work shall be initially deposited into the Escrow Account, and released in accordance to the terms of a written agreement between Purchaser and Sponsor.

7. No fees of any kind may be deducted from the Escrow Account, and the Sponsor shall bear all costs associated with the maintenance of the Escrow Account.

8. A copy of the Purchase Agreement is attached hereto as Section AA in Part II of the Plan. The relevant escrow trust fund provisions are included in Subsection 11 of the Purchase Agreement, which must be executed by the Escrow Agent.

9. Within five (5) business days after the Purchase Agreement has been tendered to Escrow Agent along with the Deposit, the Escrow Agent shall sign the Purchase Agreement and place the Deposit into the Escrow Account. With ten (10) business days of the placing the deposit in the Escrow Account, Escrow Agent shall provide written notice to Purchaser and Sponsor, conforming the Deposit. The notice shall provide the account number. Any Deposits made for upgrades, extras, or custom work shall be initially deposited into the Escrow Account, and released in accordance with the terms of the Purchase Agreement.

10. The Escrow Agent is obligated to send notice to the Purchaser once the Deposit is placed in the Escrow Account. If the Purchaser does not receive notice of such deposit within fifteen (15) business days after tender of the Deposit, he or she or it may cancel the Purchase Agreement within ninety (90) days after tender of the Purchase Agreement and Deposit to Escrow Agent. Complaints concerning the failure to honor such cancellation requests may be referred to the New York State Department of Law, Real Estate Finance Bureau, 28 Liberty Street, 21st Floor, New York, NY10005. Rescission shall not be afforded where proof satisfactory to the Attorney General is submitted establishing that the Deposit was timely placed in the Escrow Account in accordance with the New York State Department of Law's regulations concerning Deposits and requisite notice was timely mailed to the Purchaser.

11. All Deposits, except for advances made for upgrades, extras, or custom work received in connection with the Purchase Agreement, are and shall continue to be the Purchaser's money, and may not be comingled with any other money or pledged or hypothecated by Sponsor, as per GBL § 352-h.

12. Under no circumstances shall Sponsor seek or accept release of the Deposit of a defaulting Purchaser until after consummation of the Plan, as evidenced by the acceptance of a post-closing amendment by the New York State Department of Law. Consummation of the Plan does not relieve the Sponsor of its obligations pursuant to GBL §§ 352-e (2-b) and 352-h.

13. The Escrow Agent shall release the Deposit if so directed:

(a) Pursuant to the terms and conditions set forth in the Escrow Agreement and/or the Purchase Agreement upon closing of title to the Unit; or

(b) In a subsequent writing signed by both Sponsor and Purchaser; or

(c) By a final, non-appealable order or judgment of a court.

14. If the Escrow Agent is not directed to release the Deposit pursuant to Subsection 13 (a) through (c) above, and the Escrow Agent receives a request by either party to release the Deposit, then the Escrow Agent must give both the Purchaser and Sponsor prior written notice of not fewer than thirty (30) days before releasing the Deposit. If the Escrow Agent has not received notice of objection to the release of the Deposit prior to the expiration of the thirty (30) day period, the Deposit shall be released and the Escrow Agent shall provide further written notice to both parties informing them of said release. If the Escrow Agent receives a written notice from either party objecting to the release of the Deposit within said thirty (30) day period, the Escrow Agent shall continue to hold the Deposit until otherwise directed pursuant to Subsection 13(a) through (c) above. Notwithstanding the foregoing, the Escrow Agent shall have the right at any time to deposit the Deposit contained in the Escrow Account with the clerk of the county where the [unit/building] is located and shall give written notice to both parties of such deposit.

15. The Sponsor shall not object to the release of the Deposit to:

(a) A Purchaser who timely rescinds in accordance with an offer of rescission contained in the Plan or an Amendment to the Plan; or

(b) All Purchasers after an Amendment abandoning the Plan is accepted for filing by the Department of Law.

The Department of Law may perform random reviews and audits of any records involving the Escrow Account to determine compliance with all applicable statutes and regulations.

16. Any provision of any Purchase Agreement or separate agreement, whether oral or in writing, by which a Purchaser purports to waive or indemnify any obligation of the Escrow Agent holding any Deposit in trust is absolutely void. The provisions of the Attorney General's regulations and GBL §§ 352-e (2-b) and 352-h concerning escrow trust funds shall prevail over any conflicting or inconsistent provisions in the Purchase

Agreement, Plan, or any amendment thereto.

17. In the event of a default by Purchaser under the Purchase Agreement, which default continues for thirty (30) days after written demand for payment based upon such default from Sponsor to Purchaser, the down payment to a maximum of ten percent (10%) of the purchase price plus the actual cost of any special work ordered may be released to Sponsor from such account as liquidated damages and thereafter neither party shall have any rights or obligations against or to the other. The Sponsor must give thirty (30) days written notice of default before forfeiture of deposit is declared. TIME IS OF THE ESSENCE TO CURE SUCH DEFAULT WITHIN SAID THIRTY (30) DAY PERIOD. The deposit money may be withdrawn prior to closing in the event the Plan is abandoned or Purchaser defaults or the Purchase Agreement is rescinded. If the Purchase Agreement is rescinded or Sponsor cannot convey title to the Unit for any reason other than default by Purchaser, all monies advanced by Purchaser shall be returned to Purchaser. If the Plan is abandoned, all the deposit monies shall also be returned to Purchaser together with the interest earned thereon, if any.

18. The deposit monies may be released upon mutual written consent of Sponsor and Purchaser. The deposit money may also be released if Purchaser has executed a Mortgage Rider, complied with the terms therein and failed to obtain a mortgage loan or where Purchaser can lawfully rescind the Purchase Agreement without being in default.

19. The Escrow Agent is obligated to maintain all records concerning the Escrow Account for seven (7) years after release of funds. The Attorney General's Office may review and audit any records involving escrow accounts to determine compliance with statute and regulation.

20. Before funds are transferred to a new escrow account, or if the Escrow Agent is replaced, the Plan must be amended to provide the same full disclosure with respect to the new account, the Escrow Agent and the escrow agreement as was originally provided for. A bond, letter of credit or other security may be substituted for the escrow account only after the Department of Law approves in writing the use of such alternate form of security, pursuant to the provisions of paragraph (4) of this subdivision.

21. Notwithstanding anything to the contrary set forth above, in the event that the Attorney General's Regulations are modified or changed, the effect of which is to eliminate some or all of the Escrow Agent's obligations under the Escrow Agreement, then the Plan, terms of the Escrow Agreement, this section, and all then existing Purchase Agreement, and all Purchase Agreements executed thereafter, shall be amended accordingly. However, the foregoing does not affect a purchaser's right of rescission if any such amendment has a material effect.

22. Purchaser should note that in the event a Purchaser is entitled to a rescission, Purchaser will not receive any funds which he initially placed in the escrow account for the upgrade or extra works, if such works have been completed and the funds have been released to the Sponsor from the escrow account. Nonetheless, if the sponsor abandons

the plan, funds for special work will also be returned to a purchaser.

23. After the Plan has been declared effective, the Sponsor will fix dates for closing title to all units for which purchase agreements have been executed by serving notice on each purchaser stating the date of the first closing and setting such purchaser's closing date. Such notice will be served in compliance with section 20.1(d)(1) of this Part 20 (See 13 NYCRR§20.3(d)(1)) no less than thirty (30) days before the date set for the closing of the units. The Sponsor herein permit Purchasers to waive this 30-day provision. 13 NYCRR §20.3 (o)(11).

24. If the requirement for Purchaser to close the transaction is contingent upon Purchaser obtaining a written mortgage commitment letter from a mortgage lender, the balance of the purchase price is not payable until closing of title to the Unit.

25. The Sponsor anticipates that the first closing of the Unit will occur on or about July 1, 2021. Purchasers will be offered a right of rescission if the actual date of closing of title to the first Unit occurs later than July 1, 2022, i. e. twelve (12) months after the projected date for the closing of title to the first Unit. If the Plan is amended to provide a later projected date for the first closing, purchasers who enter into purchase agreements after the amendment is accepted for filing will be entitled to an offer of rescission if the first closing occurs more than twelve (12) months beyond that amended, later date.

26. (a) However, if the first closing occurs on or before July 1, 2021, the Sponsor may schedule the closings of title to other units significantly later that such date. Unless your Purchase Agreement contains an outside closing date, the Sponsor is not obligated to schedule your closing within any specified time frame or to ensure that closing of title to your Unit will occur by any date certain.

(b) Furthermore, Purchasers should note that even if the first closing occurs on or before July 1, 2021 (or such other date projected as the date of commencement of the operation at the time the purchase agreement was entered into), or within the twelve (12) month period thereafter, the closing of subsequent units may be substantially delayed beyond such dates if a TCO has not been issued for such units or for the floor on which such units are located. In such case, provided that sponsor is diligently pursing completion of construction and the issuance of a certificate of occupancy and is otherwise in compliance with its obligations under the Plan, Purchaser will not be entitled to a right of rescission or to make claims against the sponsor for damages or losses as a result of such delays and will not be excused from paying the full purchase price for the unit. PROSPECTIVE PURCHASERS SHOULD THEREFORE CAREFULLY CONSIDER THE POSSIBILITY OF SUCH DELAYS IN THEIR DETERMINATION AS TO WHETHER TO PURCHASE A UNIT.

27. (a) The Units may be purchased for all cash, or may be purchased partly for cash and the balance for the purchase price financed by mortgage loan. If a purchaser of a Unit requires mortgage financing, the purchase agreement will be conditioned upon such Purchaser obtaining a commitment from a lending institution of his own choosing. Any

mortgage lien given by a Purchaser to a lender will be governed by the New York State Condominium Act.

(b) Therefore, if the obligations of a purchaser under a Purchase Agreement are not conditioned on obtaining financing, any prospective purchaser who executes a Purchase Agreement and does not obtain financing may lose his or her deposit if he or she is unable to otherwise raise the monies for the balance of the purchase price. Prospective purchasers who require financing are advised to consult with a lending institution before execution of a Purchase Agreement. No representation is made by the sponsor as to the availability or cost of such financing.

(Note the sponsor does not offer financing to purchasers, nor will Purchaser(s) be required to use a sponsor-preferred lender for the purpose of executing any mortgage financing.)

(i) If Purchaser desires to make his or her or its obligations under the Purchase Agreement contingent upon obtaining a commitment for financing or actual financing for the purchase of the Unit, Purchaser must execute a Mortgage Addendum together with the Purchase Agreement (See Section BB in Part II of the Offering Plan) to ensure that purchase of his/her/its Unit is conditioned upon mortgage financing.

(ii) (A) Pursuant to the Mortgage Addendum, typically Purchaser has forty-five (45) calendar days from the date of the receipt of a fully executed copy of the Purchaser Agreement by Purchaser or Purchaser's attorney to obtain a mortgage loan commitment from a mortgage lender selected by the Purchaser. To comply with the terms and conditions therein, (I) Purchaser must, within ten (10) days from the date of the receipt of a fully executed copy of the Purchaser Agreement by Purchaser or Purchaser's attorney, submit a duly executed loan application to the mortgage lender to obtain a loan at the fixed prevailing rate of interest at the time of closing, and upon such other terms and conditions as are determined by the mortgage lender. Purchaser must also promptly comply with any and all requirements of the mortgage lender; and (II) in the event that Purchaser is unable to obtain a mortgage loan commitment within said forty-five (45) day period, Purchaser must notify Sponsor/Seller within seven (7) calendar days thereafter. Failure to do so will result in Purchaser losing the mortgage contingency and he/she will have to purchase the Unit with all cash or lose the down payment.

(B) (I) If the Purchaser(s) receives a rejection letter from the Mortgage Lender, he/she/it shall submit a copy of same to the Sponsor/Seller. Purchaser(s) shall then have the option to: (x) cancel the agreement, in which case the agreement shall be null and void, and Sponsor/Seller's sole responsibility shall be to refund the down payment plus accrued interest, if any; or (y) waive the requirement that the Purchase Agreement be contingent upon obtaining financing.

(II) If Purchaser(s) has not received any definitive written response, denying or approving his/her/its mortgage application from the Mortgage Lender, he/she/it may request additional time to obtain such a response, which

the Sponsor/Seller at his sole discretion may agree to. Should Sponsor/Seller not agree to such an extension, Purchaser(s) may cancel the Agreement or waive the contingency as provided for above.

(iii) Purchasers should note that in the current real estate market, banks and other lenders are imposing various restrictions on purchasing financing. Such restrictions include requiring that a certain percentage of the apartments in a building or group of buildings be sold before a lender will consider making a loan. Thus, it may be possible for a purchaser to experience difficulty obtaining a loan in a building or group of buildings where the sponsor or holder of unsold shares has not sold a substantial percentage of the apartments in the building or group of buildings, which in some cases may be as high as seventy percent (70%). Moreover, some lenders will not provide financing in a building or group of buildings where an investor other than the original sponsor has an ownership interest of ten percent (10%) or more. It also may be difficult for a purchaser to resell an apartment if prospective buyers are unable to obtain a loan due to the same minimum sales and investor ownership restrictions.

28. (a) Purchasers should note that the financing commitment for Purchaser of a Unit may have expiration dates prior to which closing of title to the Unit must occur, and the terms of the commitment may change prior to actual closing. If Purchaser's financing commitment lapses or expires prior to closing, and Purchaser has made a good faith effort to extend the commitment, Sponsor must grant such Purchaser a right of rescission and a reasonable period of time to exercise that right afforded under 13 NYCRR§20.3(o)(18).

(b) Note that under New York law, when a mortgage commitment is not fulfilled through no fault of a purchaser, performance is excused. Therefore, if the purchaser acts in good faith and the lender revokes the loan commitment after the contingency period expires, performance is excused, and the sponsor must grant to such purchaser a right of rescission and a reasonable period of time to exercise such right.

29. Purchasers should further note that Sponsor may grant Purchaser the right to obtain financing from a second lender if Purchaser so requests, but it will entail further costs and expenses which Purchasers will be responsible for and an additional waiting period time (about 45 days) for closing. It is a special risk for Purchaser.

30. It is also a special risk for Purchaser if Purchaser should fail to execute the Mortgage Addendum, in which case, his obligation to consummate the purchase transaction will NOT be contingent upon obtaining financing.

31. Purchaser should further note that the Purchase Agreement will provide that Purchaser's failure to provide information to the lender promptly upon request thereof, or to accept a commitment issued to Purchaser by lender on terms set forth in the Purchaser Agreement shall constitute a default by Purchaser under the Agreement, whereupon Sponsor shall have remedies as set forth therein.

32. The Purchase Agreement is contingent upon effectiveness of the Plan. If the Plan is abandoned, all Purchase Agreements will be deemed cancelled.

33. The Purchase Agreement and Plan may not contain, or be modified to contain, a provision waiving purchaser's rights or abrogating sponsor's obligations under Article 23-A of the General Business Law. NYCRR§20.3(o)(21) (See Section DD in Part II of the Offering Plan). Any conflict between the Offering Plan and the Purchase Agreement will be resolved in favor of the Plan.

34. The risk of loss from fire or other casualty to the Unit, common elements and limited common elements remains with Sponsor unless and until legal title to the Unit has been conveyed to Purchaser. Thereafter, it passes to the Unit Owner together with the limited common elements to which the Unit Owner has access and its proportional share of the common elements.

35. It should be noted that insurance for the condominium covers the Unit but the Purchaser is responsible for the contents of the Unit (i.e., Purchaser's personal property).

36. It is a special risk if Purchaser enters into possession prior to closing in which case, Purchaser assumes the risk of loss for property not covered by the insurance for the units and for any Purchaser who enters into possession before closing. It is recommended that Purchaser obtain insurance for his/her personal property.

37. If an Interim Lease is entered pursuant to Section K, the risk that an Interim Lessee assumes is the risk of loss for the personal property not covered by the condominium insurance. Insurance proceeds are available to either Sponsor or the condominium for loss to the Unit and an Interim Lessee shall not assume such loss.

38. (a) In the event that loss or damages have resulted from fire or other casualty to the units, common elements and limited common elements prior to closing, the notification to the purchasers in contract will be given within ten (10) days after the occurrence of the casualty.

(b) Furthermore, Sponsor will notify the purchasers in contract within fourteen (14) days of such occurrence whether or not it will repair any damage resulting from a casualty prior to the closing of a unit:

(i) If Sponsor elects to repair such damages, it will do so as promptly as possible and restore the unit, common elements and limited common elements to substantially the same condition as prior to the casualty. In such a case, a purchaser will be required to make a good faith effort to extend the term of the commitment to enable the Sponsor to repair the damage, but in the event that an extension is not obtained, the purchaser will be offered a right of rescission.

(ii) If Sponsor elects not to repair such damages, it will notify Purchaser of its intention to terminate this Agreement and return to Purchaser all sums deposited hereunder (including advances made for upgrades, extras, or custom work, if any) within ten (10) days, and upon such return, this Agreement shall be null and void and neither party shall have any further rights, obligations or liability to or against the other arising out of this Agreement and the Plan.

(See Section AA, Subsection 18(g) in Part II of the Offering Plan.)

39. If the closing delays more than six (6) months due to Sponsor's inability to repair the damages, Purchaser may also rescind the contract and receive the refund of downpayment, in addition to any other right of rescission granted to Purchaser under the Plan.

40. (a) At the time of closing, Purchaser is required to sign a Power of Attorney to the Board of Managers of the Condominium appointing the members of the Board of Managers as Attorneys-In-Fact to carry out any of the provisions of the Offering Plan including acquisition, leasing, or sale of the Units by the Board of Managers pursuant to Declaration and By-laws of the Condominium and filing the amendments to the Declaration of Condominium. A form copy of Power of Attorney is included as Section CC in Part II of this Offering Plan.

(b) In the event that Purchaser fails to execute the Power of Attorney to the Board of Managers of the Condominium at closing, Purchaser shall be in default and Sponsor will be entitled to all the rights under the Purchase Agreement and this Offering Plan (13 NYCRR § 20.3(o) (14)) (See Section AA Subsections 8 and 15, in Part II of this Offering Plan).

41. Purchasers will be afforded not fewer than three business days to review the offering plan and all filed amendments prior to executing a purchase agreement.

(13 NYCRR§20.3(o) (15).)

42. (a) The Purchase Agreement may not be assigned without prior written consent of Sponsor.

(b) With regard to consent to any proposed assignment of the Purchase Agreement, Sponsor and its agents will not discriminate against any person on the basis of race, creed, color, national origin, sex, age, disability, marital status or other grounds prohibited by law (13 NYCRR § 20.3(ae)(3)).

43. The plan does not provide for the construction of residential condominium units. Section 71-a (3) of the Lien Law is not applicable to this plan (13 NYCRR § 20.3(o)(8)).

SECTION L EFFECTIVE DATE

Sponsor's offer to sell Units hereunder is contingent upon the Plan being declared effective in accordance with relevant conditions and time periods. All Purchase Agreements are contingent upon such effectiveness. In declaring the Plan effective, the following will govern:

1. (a) The Plan shall be declared effective by personal service of notice on every Purchaser or by commencement of service by regular mail or registered or certified mail with or without return receipt requested addressed to Purchaser's last known residence or if Purchaser has provided written information of an alternative address for notices, addressed to Purchaser at the alternative address.

(b) The notice shall state that the Plan was declared effective on a particular date, the percentage used to declare the Plan effective and a list of the units being counted to meet the minimum percentage under the terms of the Plan to declare it effective

(c) A closing may occur without the sponsor's submitting an amendment to the Department of Law to declare the plan effective; however, the sponsor must comply with the requirements of 13 NYCRR§ 20.5(e) when submitting a post-closing amendment pursuant to 13 NYCRR§20.5(f). (See 13 NYCRR§ 20.3(q)(2).)

2. (a) The Plan may not be declared effective until Purchase Agreements executed by bona fide Purchasers have been accepted by Sponsor for not less than fifteen percent (15%) of the units, or one (1) unit, offered under the Plan, as same may be amended. The following Purchase Agreements shall not be counted toward effectiveness:

(i) Purchaser Agreements signed by Purchasers who have been granted a right of rescission that has not yet expired or been waived; or

(ii) Purchaser Agreements of which Purchasers were not afforded no fewer than three (3) business days to review the Offering Plan prior to executing a Purchase Agreement (See also Section K Subsection 41 in Part I of the Offering Plan). (13 NYCRR§ 20.3(o)(15)); or

(iii) Purchase Agreements with any purchaser who is the sponsor, the selling agent, or the managing agent or is a principal of the sponsor, the selling agent or the managing agent or is related to the sponsor, the selling agent or the managing agent or to any principal of the sponsor or the selling agent or the managing agent by blood, marriage or adoption or as a business associate, an employee, a shareholder or a limited partner; except that such a purchaser other than the sponsor or a principal of the sponsor may be included if the sponsor has submitted proof satisfactory to the Department of Law establishing that the purchaser is bona fide. See 13 NYCRR§20.3(q)(4)(iii).

(b) After acceptance of such Agreements, the Plan may be declared effective by Sponsor.

(c) Notwithstanding the fact that not all purchasers used for purposes of declaring the plan effective may actually close, sponsor will re-declare the plan effective if all purchase agreements are either rescinded or terminated prior to the date of first unit closing, regardless of whether the condominium declaration has been recorded.

The Plan must be declared effective when Purchase Agreements are accepted for the sale of eighty percent (80%) of the Units, or four (4) Units, offered under the Plan.

3. The Plan may be abandoned by Sponsor, at its sole and unrestricted option, at any time before it is declared effective. In the event Sponsor has decided to abandon the Plan after it has accepted Purchase Agreements, Sponsor shall promptly submit an amendment to the Office of the Attorney General along with Form RS-3 as promulgated by the Office of the Attorney General. If any payments have been received by Sponsor under the Purchase Agreements, such payments shall be returned in the form of checks in full amount with any interest earned thereon within five (5) days after the amendment abandoning the Plan has been accepted for filing by the Office of the Attorney General.

4. (a) Once the Plan has been declared effective, it may not be abandoned except under the following circumstances:

(i) If there is a defect in title which cannot be cured without litigation or cannot be cured for less than one-half (½) of one percent (1%) of the total amount of the offering; or

(ii) Substantial damage or destruction of the building by fire or other casualty which cannot be cured for less than one-half (½) of one percent (1%) of the total amount of the offering; or

(iii) The taking of any material portion of the property by condemnation or eminent domain.

(b) Any stated dollar amount relied upon as a basis for abandonment after effectiveness must exclude any attorney's fees or any such title defects or determinations of any authority or regulatory association which exist on the date of presentation of the Plan and are either known to Sponsor or are a matter of public record.

5. Sponsor agrees that copies of all Purchase Agreements (and any amendments or modifications) will be delivered to the Department of Law within five (5) business days of a request for inspection by the Department of Law.

SECTION M TERMS OF SALE

The terms "Closing of Title" is intended to signify the passage of title to a particular Unit from Sponsor to Purchaser. The Sponsor agrees, prior to closing, to comply with the following:

1. A temporary or permanent Certificate of Occupancy and all necessary permits will be obtained for the Condominium Building in which the Unit is located. The Sponsor declares that all Units will be constructed in accordance with the plans and specifications identified in this Plan. A closing will take place only concurrently with the issuance of a temporary or permanent Certificate of Occupancy for the entire project or, issuance of a partial, temporary or permanent Certificate of Occupancy for the Unit closed or the building in which the Unit is located. All Purchasers will be required to close title to the Units that they have been contracted-for once a Temporary Certificate of Occupancy is issued.

2. The Sponsor will not provide any mortgage financing for the purchase of a Unit.

3. (a) Purchasers are advised that in New York City, newly constructed and newly renovated buildings are sometimes offered as condominium projects without a Final Certificate of Occupancy (Hereinafter the "FCO") covering the entire building, but with only a Temporary Certificate of Occupancy (Hereinafter the "TCO"), and sometimes with several successive Temporary Certificates of Occupancy. Certificates of Occupancy are generally governed by Section 301 of the New York Multiple Dwelling Law and local building codes and rules. Both TCOs and FCOs are issued by the New York City Department of Buildings (Hereinafter the "DOB"). A TCO is intended to indicate that the property is safe for occupancy, but means that not all of the construction work and/or inspection have been performed, or that not all of the required documents have been submitted to the DOB. All TCOs have an expiration date. A TCO typically expires ninety (90) days after the date of issuance. When a TCO expires and is not renewed, it may be difficult to buy insurance, refinance, or sell units. In New York City, it is common for sponsors to commence unit closings when some or all units are covered by a TCO rather than an FCO. Sponsor anticipates this scenario may occur. Sponsor and its principals will undertake the responsibility for extending each TCO received prior to expiration thereof, and ultimately for obtaining an FCO covering the entire building within two (2) years from the date of the issuance of the first TCO. However, Sponsor and its principals make no representation or guarantee that DOB will issue the FCO within such two (2) year period. NOTWITHSTANDING THE FOREGOING, SPONSOR AND ITS PRINCIPALS ARE OBLIGATED TO PROCURE THE FCO FOR THE ENTIRE BUILDING, AND SHALL EXERCISE BEST EFFORTS TO OBTAIN THE FCO WITHIN SUCH TWO (2) YEAR PERIOD WHILE KEEPING THE TCO CURRENT. NO CHANGE OF USE OR OCCUPANCY SHALL BE MADE UNLESS A NEW CERTIFICATE OF OCCUPANCY IS ISSUED. Unit owners and the Board of Managers shall be obligated to cooperate with and refrain from obstructing Sponsor in these undertakings.

(b) Buyers are advised to visit the DOB website for further recommendations when purchasing a unit in a building that does not have an FCO. A Factsheet on Certificates of Occupancy is available on the DOB website at https://www1.nyc.gov/site/buildings/homeowner/certificate-of-occupancy.page

4. The Declaration, By-Laws, and floor plans will be recorded and filed with the Office of the City Register of the City of New York prior to the first conveyance of title to a unit in accordance with the New York Condominium Act or other applicable law. 13 NYCRR§ 20.3(r)(6).

5. At or prior to closing, all liens [including, without limitation, mortgage, mechanic's lien and DOB violations (see Section AA Subsection 17 in Part II of the Offering Plan)] affecting the Unit to be closed and its undivided common interest will be discharged or a partial release obtained and duly recorded as required by Section 339-R of the Condominium Act. Sponsor shall have the right to extend the closing for a period not to exceed six (6) months, calculated from the issuance of a Temporary Certificate of Occupancy, if applicable, in order to obtain and be able to convey marketable title. If at the end of such six (6) months period, Sponsor is still unable to satisfy aforementioned condition, Purchaser shall be entitled to terminate the Purchase Agreement upon ten (10) days' written notice. Furthermore, Purchaser shall be entitled to a return of all down payments and interest, if any, thereon plus the reasonable cost incurred for any title searches or survey. The foregoing shall not limit or affect any other rights of rescission provided to the Purchaser in this Plan or under law.

6. The Purchaser will be given written notice of the closing at least thirty (30) days prior thereto, and given an opportunity to inspect the Unit and other property subject to the Declaration.

7. The Purchaser will receive a Bargain and Sale Deed with covenant against grantor's acts in proper form for recording (See Section DD in Part II of the Offering Plan).

8. (a) The closing of the first unit shall not occur until the plan is declared effective and the effectiveness amendment is accepted for filing by the Department of Law.

(b) Sponsor will file an amendment to this Plan to disclose that it has been declared effective and closing has occurred pursuant to 13 NYCRR§20.5(f).

9. All personal property located within the Unit on the date the Purchase Agreement is signed or located within the common elements on the date the Declaration is filed, that is owned by Sponsor or the owner of the property, is included in the conveyance unless specifically excepted in the Offering Plan. Sponsor will assign to the Unit Owner any manufacturers' warranties (to the extent assignable) with respect to all equipment, appliances or furnishings installed in the Unit.

10. Sponsor will assign (and deliver the warranties in conjunction with assigning them) any manufacturer's warranties with respect to equipment and appliances installed in the unit to the unit owner and assign any warranties with respect to equipment and appliances installed in the common elements to the Board of Managers.

11. The Purchaser shall execute an instrument in the form set forth as Section CC, designating the Board of Mangers as his Attorneys-In-Fact, coupled with an interest, for the sole purpose of managing, selling mortgaging, leasing, voting or otherwise dealing with any Units acquired by the Board of Managers in accordance with any of the provisions of the By-Laws.

12. (a) Title to each Unit and its appurtenant interest in the common elements will be conveyed at the closing free and clear of all liens, encumbrances and title exceptions other than those described in the plan and the proposed unit deed:

(ii) All easements set forth in the By-Laws and Declaration as they are subsequently recorded and, in the Plan, and Purchase Agreement including:

(II) Easements in favor of the Board of Managers, its agents, contractors and employees to have a right of access to the Units and to the common elements to inspect, maintain or repair or to make repairs to the Unit to prevent damage to the common element or any other Units;

(III) Easements in favor of those Units having restricted use to portions of the common elements;

(IV) Easements for the continuance of encroachments on the Unit and on the common elements by other Units or portions of the common elements, now existing or hereafter occurring by reason of the settling or shifting of the Units, or by reason of the repair and/or restoration by the Board of Managers of the Units or the other Units or the common elements, after damage by fire or other casualty or after taking in condemnation or eminent domain proceedings, or by reason of an alteration to the common elements made by the Board of Managers, so that any such encroachment may remain as long as the Units stand;

(iii) The standard printed exceptions in the title policy of the company

insuring title.

(iv) Consequences of the exercise and enforcement or attempted enforcement of any governmental, war or policy powers over the premises.

(v) Any laws, regulations or ordinances (including, but not limited to zoning, building, and environmental protection) as to use, and issuance of a Permanent Certificate of Occupancy of the Building in which the Unit is located, subdivision or improvement of the premises adopted or imposed by any governmental body, or the effect of any noncompliance with or any violation thereof, provided that to the extent any such laws should have a material impact on the quiet enjoyment and use of the premises as contemplated under the Offering Plan, said laws shall be disclosed in the Offering Plan or in an amendment to the Offering Plan.

(vi) Judgments against the insured or estates, interests, defects, objections, liens, or encumbrances created, suffered, assumed or agreed to, by or with the privity of the insured.

(vii) Title to any property beyond the lines of the premises, or title to areas within or rights or easements in any abutting streets, roads, avenues, lanes, ways or waterways, or the right to maintain therein vaults, tunnels, ramps, or any other structure unless the title policy specifically provides that such titles, rights or easements are insured.

(viii) Title to any personal property, whether the same be attached to or used in connection with said premises or otherwise.

(ix) The Purchaser has been served with a written notice of closing date thirty (30) days in advance and opportunity to inspect the Unit and other property subject to the Declaration.

(x) Rights of Tenants, if expressly provided for in the Purchase Agreement.

(xi) Sponsor assigns any manufacturers' warranties with respect to equipment installed in the unit to the Unit Owner and assigns any warranties with respect to equipment installed in common elements to the Board of Managers and such facts do not conflict with the representations made in the Offering Plan concerning the Units and Condominium.

(xii) Encroachments of stoops, areas, cellar steps or doors, trim, copings, retaining walls, bay windows, balconies, sidewalks, elevators, fences, fire escapes, cornices, foundations, footings, and similar projections, if any, on, over, or under the streets or sidewalks abutting the property and the rights of governmental authorities to require the removal of any such projections and variations between record lines of the property and retaining walls and the like, if any.

(xiii) The lien of any unpaid common charges, real estate tax, water charge or sewer rent, provided the same are adjusted at the closing of title.

(xiv) Any other declaration or other instrument affecting the property which Sponsor deems necessary or appropriate to comply with any law, ordinance, regulation, zoning, resolution, or requirement of the Department of Buildings, the City Planning Commission, the Board of Standards and Appeals, or any other public authority.

(xv) Any other encumbrance against the property other than mortgage or other lien for the payment of money, which does not prevent the use of the Unit or the Condominium or any part thereof for its prescribed purposes or render title unmarketable.

(xvi) State of facts shown in the survey of the land as made by Szczepan Henryk Roguski, Licensed Land Surveyor of Rouguski Land Surveying, P.C. dated July 21, 2018 and any additional state of facts which a subsequent survey or personal inspection thereof would show, provided such facts would not prevent the use of the Unit or the Condominium or any part thereof for its purposes or render title unmarketable.

(xvii) (I) This Condominium Building shall be subject to the Housing Merchant Implied Warranty under Article 36-B of the General Business Law of the State of New York. Under the relevant provisions, a housing merchant implied warranty shall mean that: (i) one (1) year from and after the warranty date (which is defined as the date of the passing of title to the first owner for occupancy by such owner or such owner's family as a residence, or the date of first occupancy of the home, in this case, the Unit, as a residence, whichever first occurs) the Unit will be free from defects due to a failure to have been constructed in a skillful manner; (ii) two (2) years from and after the warranty date the plumbing, electrical, heating, cooling and ventilation systems of the Unit will be free from defects due to a failure by the builder to have installed such systems in a skillful manner; and (iii) six (6) years from and after the warranty date the Unit will be free from material defects.

(II) The Sponsor will assign to the Purchaser upon closing of title to his Unit and the Board of Managers upon the recording of the Declaration as applicable, warranties, if any, or manufacturers and subcontractors warranties relating to heating, electrical work, plumbing and appliances, as well as bonds relating to the Purchaser's unit of the common elements respectively, if any. Sponsor undertakes to do the above only to the extent that warranties are actually made by such manufacturers and subcontractors and only to the extent such warranties and bonds are assignable. Subsequent to the conveyance of title to a Unit, Sponsor shall not be responsible for paint touch-ups to a Unit, dented porcelain or formica chips. Sponsor has no obligation to make any repair to the Units or the common elements except as a Final Inspection Statement and Punchlist entered between the parties at closing.

(III) Notwithstanding any warranty transferred to the Condominium or unit owners, the Sponsor/Seller remains liable to perform the construction of the premises in accordance with the Plan and applicable law. Therefore, if

there are any patent or latent defects in the construction of the Condominium Unit and the Common Elements or in the installation or operation of any mechanical equipment therein due to materials or improper workmanship substantially at variance with the plans and specifications, Sponsor/Seller will cure such defects as promptly as possible, provided that it is notified of them in writing by certified mail within one (1) year from the date of the closing of title to the Unit in which the alleged defect exists, or in the case that such defect exists in the Common Elements, the date of substantial completion of such Common Elements, whichever later occurs, unless there is a latent defect due to faulty construction by Sponsor that could not be discovered within such timeframe.

(b) Pursuant to 13 NYCRR § 20.3(r)(8), if existing mortgages will not be satisfied at or prior to the closing of the first unit, at the time of conveyance of the first unit, each mortgagee will either: (i) consent to the formation of a condominium and acknowledge that its lien will be limited to unsold condominium units; or (ii) subordinate the lien of its mortgage to the declaration of condominium; or (iii) release its lien on the condominium unit being conveyed.

(c) If requested by the purchaser, Liberty Land Abstract, Inc. with an address at 42-40 Bell Boulevard, Suite 103, Bayside, NY 11361, an authorized agent for Chicago Title Insurance Company, a title insurance company licensed to do business in New York State, will agree at the rates set by the New York Board of Title Underwriters and generally charged by title companies for such Condominium insurance as set forth in Section O Part I of the Plan, to insure (i) that Purchaser has insurable fee title in the Unit, free and clear of all liens and encumbrances except those set forth in Subsection 12(a)(i) through (xv) of this section, subject to the provisions of the Declaration and By-Laws and any mortgage executed by Purchaser; (ii) with respect to the easements, covenants and agreement affecting title to the Unit, the title company will affirmatively insure that none of same affect the use and maintenance of the premises as a condominium; and (iii) that the Condominium was validly formed pursuant to Article 9-B of the Real Property Law. Purchasers are free to use a title insurance company of their choice without incurring a penalty and Sponsor will be obligated to convey the title to each unit and appurtenant common elements free and clear of all liens, encumbrances and title exceptions.

(d) The Sponsor has been advised by its counsel, Lawrence Yang, Esq./ Lawrence Lixin Yang, P.C., with an address at 135-11 Northern Boulevard, 2nd Floor, Flushing, New York 11354 that in its counsel's opinion, none of the exceptions to title herein above set forth are contrary to the terms of the Purchase Agreement nor do they interfere with the quiet use or enjoyment of Purchaser's Unit. Sponsor represents and warrants that none of the exceptions listed above render title unmarketable.

THE UNDERLYING DOCUMENTS CONCERNING THE EXCEPTIONS NOTED ABOVE WILL BE AVAILABLE TO A PURCHASER'S ATTORNEY FOR INSPECTION AT THE OFFICE OF THE SPONSOR.

13. (a) The risk of loss from fire or other casualty to the units, common elements and limited common elements remains with Sponsor unless and until legal title to the

Unit has been conveyed to Purchaser. Thereafter, it passes to the Unit Owner together with the limited common elements. It should be noted that insurance for the condominium covers the Unit but the Purchaser is responsible for the contents of the Unit (i.e., the Purchaser's personal property). In the case of an interim lessee, the risk of loss is upon such lessee for the losses (i.e., Purchaser's personal property) not covered by the condominium's (or the Sponsor's, if the casualty occurs before the first closing) insurance.

(b) It is a special risk if Purchaser enters into possession prior to closing in which case, the Purchaser assumes the risk of loss for property not covered by the insurance for the units and for any Purchaser who enters into possession before closing. It is recommended that Purchaser obtain insurance for his/her/its personal property.

(c) (i) In the event that loss or damages have resulted from fire or other casualty to the units, common elements and limited common elements prior to closing, the notification to the purchasers in contract will be given within ten (10) days after the occurrence of the casualty.

(ii) Furthermore, Sponsor will notify the purchasers in contract within fourteen (14) days of such occurrence whether or not it will repair any damage resulting from a casualty prior to the closing of a unit:

(I) If Sponsor elects to repair such damages, it will do so as promptly as possible and restore the unit, common elements and limited common elements to substantially the same condition as prior to the casualty. In such a case, a purchaser will be required to make a good faith effort to extend the term of the commitment to enable the Sponsor to repair the damage but in the event that an extension is not obtained, the purchaser will be offered a right of rescission.

(II) If Sponsor elects not to repair such damages, it will notify Purchaser of its intention to terminate this Agreement and return to Purchaser all sums deposited hereunder (including advances made for upgrades, extras, or custom work, if any) within ten (10) days, and upon such return, this Agreement shall be null and void and neither party shall have any further rights, obligations or liability to or against the other arising out of this Agreement and the Plan.

(See also Section L, Subsection 38 in Part I of the Offering Plan)

(d) In the event the closing delays more than six (6) months due to Sponsor's inability to repair the damages, Purchaser may also rescind the contract and receive the refund of downpayment, in addition to any other right of rescission granted to Purchaser under the Plan.

14. A closing will take place only concurrently with the issuance of a temporary or permanent certificate of occupancy for the entire project or, issuance of a partial, temporary or permanent certificate of occupancy for the unit closed or the building in which the unit is located.

SECTION N

UNIT CLOSING COSTS AND ADJUSTMENTS

The Purchaser will be required to pay for the following at closing:

1. (a) Mortgage Costs. Purchaser will pay costs for obtaining mortgage financing of his/her/its Unit, including, but not limited to application costs, points, bank attorney fees, credit check and appraisal fee. Fee for recording mortgage is $107.00 for the 1st two pages and $5.00 for each additional page according to current information available. The mortgage recording fee varies depending upon the number of pages contained in the mortgage prepared by purchaser's lender.

(b) Fee Title Insurance Charges. The current schedule of rates set by the New York Board of Title Underwriters and generally charged by title companies(which purchasers are free to use of their choosing without incurring a penalty) for such Condominium insurance are as follows: a base rate of $382.00 on the first $35,000.00 of fee insurance; $6.34 for each additional $1,000.00 between $35,001.00 and $50,000.00; $5.16 for each additional $1,000.00 between $50,001.00 and $100,000.00; $4.14 for each additional $1,000.00 between $100,001.00 and $500,000.00; $3.78 for each additional $1,000.00 between $500,001.00 to $1,000,000.00; and $3.48 for each additional $1,000.00 between $1,000,001.00 to $5,000,000.00. There will be additional premiums if Purchaser obtains mortgage insurance as well as fee insurance. The present premium for the mortgage title insurance is calculated at the following rates: $327.00 on the first $35,000.00 of the mortgage amount; $5.27 for each additional $1,000.00 between $35,001.00 and $50,000.00; $4.31 for each additional $1,000.00 between $50,001.00 and $100,000.00; $3.46 for each additional $1,000.00 between $100,001.00 and $500,000.00; $3.14 for each additional $1,000.00 between $500,001.00 and $1,000,000.00; and $2.90 for each additional $1,000.00 between $1,000,001.00 to $5,000,000.00. If a Purchaser obtains the fee title insurance and mortgage title insurance simultaneously the premium for mortgage insurance will be reduced to thirty percent (30%). These rates only apply to the initial Purchaser of each Condominium Unit. Rates for subsequent Purchasers will be higher. For example, the fee title insurance charge for a Unit No. 2A with a purchase price of $445,000.00 will be around $2,163.40. If the purchaser obtains a mortgage equal to approximately eighty percent (80%) of the purchase price ($356,000.00) in the same transaction, the Purchaser must pay $545.61 as additional premium for mortgage title insurance.

2. Fee collected by the City Register for recording the deed is $187.00 and the Power of Attorney is $42.00. Title Company may collect additional $25.00 to $75.00 for their service charge. In addition, $125.00 for the Residential Units for the New York State Real Property Transfer Report filing fee will be collected by the City Register.

3. (a) New York State Real Estate Transfer Tax is currently $2.00 per $500.00, or a fraction thereof, of the purchase price. The payment of real estate transfer taxes are the legal obligation of the Sponsor (13 NYCRR § 20.3(s)(1)); however, by contractual

arrangement it will be paid by Purchaser. For example, if the purchase price is $445,000.00, New York State Real Estate Transfer Tax will approximately be $1,780.00.

(b) (i) New York City Real Property Transfer Tax rates are as follows:

Residential Unit(s): $500,000.00 or less 1%

$500,001.00 and more 1.425%

(ii) Again, the payment of real estate transfer taxes is the legal obligation of the Sponsor (see Id.); however, by contractual arrangement it will be paid by Purchaser. For example, the New York City Real Property Transfer Tax for the purchase price of $445,000.00 will approximately be $4,450.00.

(iii) The City of New York Department of Finance has taken the position that when a Purchaser assumes the obligation to pay the New York City Real Property Transfer Tax s, the amount of such tax will be included in the consideration subject to tax.

(c) Mortgage Recording Tax for the Residential Unit(s) currently is 2.05% for a mortgage in the amount of less than $500,000.00, and 2.175% for a mortgage in the amount of $500,000.00 or more. For example, mortgage recording tax for a mortgage in the amount of $356,000.00 will approximately be $7,298.00. However, most of the lenders offering a residential 1st mortgage will pay 0.25% of mortgage tax.

4. Proration of real estate taxes, and common charges assessed during the month in which title clears, as of the closing date, is based upon the latest bill for such taxes or charges.

5. (a) Mortgage Tax Credit. Section 339-ee (2) of the New York Real Property Law provides as follows:

"In the event the proceeds of a construction mortgage were applied to construction of a unit of a condominium submitted to the provisions of this article, or in the event that a unit submitted to the provisions of this act was subject to a blanket mortgage whose proceeds were applied exclusively to payment of the construction mortgage or to capital expenditures or expenses for the development or operation of the condominium, or to purchase of land or buildings for the condominium provided that such purchase was no more than two years prior to the recording of the declaration of condominium, and a mortgage recording tax was duly paid on such construction or blanket mortgage in accordance with article eleven of the tax law, then, as each unit is first conveyed, there shall be allowed a credit against the mortgage recording taxes . . . that would otherwise be payable on a purchase money mortgage, said credit to be in the amount resulting from the product of the purchaser's pro rata percentage of interest in the common elements and the mortgage tax already paid on the construction or blanket mortgage."

(b) The Condominium is currently NOT subject to a construction mortgage. In the event, any mortgage tax credit becomes available, pursuant to the above section, it is specifically understood that such credit shall inure to the benefit of the Sponsor. Accordingly, at closing, each Purchaser electing mortgage financing shall pay the full amount (but not in excess thereof) of the mortgage recording tax chargeable on the entire amount being financed. At closing, Sponsor shall be reimbursed to the extent of the mortgage tax credit allowed.

6. Purchasers shall be required to contribute one (1) month's common charges as a contribution to working capital. This contribution shall not be credited against regular assessments.

7. Purchaser shall be liable for all costs incurred in obtaining mortgage financing of his Unit.

8. (a) Pursuant to 13 NYCRR § 20.3(s) (5), if Units have not been separately assessed for real estate tax purposes prior to the closing of title to the first Unit, Sponsor will place in a special escrow account with its attorneys, in the name of the Board of Managers, an amount equal to the unpaid real estate taxes which will be levied against the parcel for the six (6) month period following the first closing. The Board of Managers will pay the real estate taxes from the escrow account when taxes are due and payable and Sponsor, as the funder of the escrow account, will be entitled to reimbursement from unit owners to the extent of actual assessment.

(b) The amount of the real estate tax escrow will be disclosed in the first post-closing amendment.

(c) No adjustments are expected to occur between the Sponsor and the condominium board.

9. The following closing fees will be charged by the attorney for Sponsor/Seller in connection with the closing of title to the Units:

(a) Attorney Fee. A closing fee in the amount of $1,500.00 for a residential unit or a parking space unit (if carried out as an independent transaction) will be charged by the attorney for Sponsor in connection with the closing of title to the Units.

(b) Assignment/Amendment Fee. A legal fee in the amount of $350.00 for each assignment of, and/or amendment to, the Purchase Agreement required by the Purchaser.

(c) Attendance Fee. The closing is to be held at the office of Sponsor/Seller's Attorney located at 135-11 Northern Boulevard, 2nd Floor, Flushing, NY 11354. There will be an additional $350.00 attendance fee if Purchaser desires to have the closing at a location other than the office of Sponsor's attorney.

(d) Assistance Fee for Mortgage Application. If the Purchaser's obligations under this Agreement are contingent upon obtaining a mortgage pursuant to Paragraph 13(b) of the Purchase Agreement and Purchaser requires Sponsor/Seller's attorney to provide assistance therein, such as providing Attorney Escrow Letter, documents on sales and closing of condominium units, status of condominium, condominium questionnaire and other related information to the Purchaser's mortgage lender and/or broker., Purchaser is willing to pay an additional amount of $350.00 to Sponsor/Seller's attorney as legal fee.

(e) Termination Fee. In the event that the Purchaser desires to terminate or otherwise cancel the Purchase Agreement that is fully executed and in full force and effect, the Purchaser agrees to pay fifty percent (50%) of the Sponsor/Seller's attorney fee (or $875.00 with assistance in obtaining purchase mortgage, or $750.00, without such assistance), as provided in this Section N, unless such termination or cancellation is due to the fact that Sponsor/Seller is in default and Purchaser is entitled to such termination or cancellation.

10. (a) The estimated total closing costs of Unit 2A, if the purchase price is $445,000.00 and the Purchaser obtains a mortgage equal to eight percent (80%) of the Purchase Price, will be as follows:

Title Insurance premium:	
Fee	$ 2,163.40
Mortgage	$ 545.61
Recording Fee:	
Deed	$ 187.00
Power of Attorney	$ 42.00
Recording service fee	$ 75.00
NYS Real Property Transfer Report	
Filling Fee	$ 125.00
NYS Deed Real Estate Transfer Tax	$ 1,780.00
NYC Real Property Transfer Tax	$ 4,450.00
Mortgage Tax	$ 7,298.00
Closing Fee for Sponsor's Attorney	$ 1,500.00
Contribution to Working Capital Fund	$ 420.53
Total:	$ 18,586.54

(b) The above estimate does not include Purchaser's mortgage costs and cost for recording mortgage, which vary depending upon the lending institution.

SECTION O

RIGHTS AND OBLIGATIONS OF THE SPONSOR

The rights and obligations of the Sponsor pursuant to this Plan shall be as follows:

1. (a) Sponsor has sufficient funds to complete the construction of the Condominium. If the sponsor obtains construction financing at any time in the future, the sponsor will promptly submit an amendment to the plan disclosing the material terms of that financing, including any restrictions imposed by the lender.

(b) (i) Sponsor has obligations to build and complete the condominium in accordance with the building plans and specifications identified in the plan. Sponsor has the right to substitute equipment or materials and make modifications of layout or design, provided however, that Sponsor may only substitute materials or equipment of Equal or Better Quality (See Section C in Part I of the Offering Plan). 13 NYCRR § 20.3(t)(10)(i).

(ii) Sponsor may not change the size or location of the Condominium Building, Units, other improvements or Common Elements if such changes affect the percentage of common interests or adversely affect the value of any Unit to which title has closed or for which a Purchase Agreement has been executed and is in effect unless all affected Unit Owners and contract vendees consent in writing to such change (13 NYCRR §20.3 (t)(10)(ii)) and all affected Purchasers are given the right to rescind and receive a fund of any deposit or down payment plus interest.

2. (a) Sponsor and its Principals are required, prior to closing of the first Unit, to obtain a Temporary or Final Certificate of Occupancy for the Condominium Building. In the event Sponsor and its Principals close title to a Unit prior to obtaining a Final Certificate of Occupancy, Sponsor and its Principals are required to obtain a Final Certificate of Occupancy within two (2) years of closing title to the first Unit and, in no event, before expiration of an applicable Temporary Certificate of Occupancy, as same may be renewed, replaced, or extended. Purchasers are obligated to close, once a Temporary Certificate of Occupancy is issued.

(b) Pursuant to 13 NYCRR § 20.3 (t) (13), if the first closing takes place prior to the issuance of a Final Certificate of Occupancy for the property, Sponsor is required to maintain all deposits and funds in the special escrow account required by GBL Section 352-e (2-b) unless Sponsor's engineer, architect or other qualified expert certifies that a lesser amount will be reasonably necessary to complete the work needed to obtain a Final Certificate of Occupancy, in which case the sum exceeding the amount so certified by Sponsor's engineer, architect or other qualified expert may be released from the special escrow account. Alternatively, Sponsor must deposit with an escrow agent an unconditional, irrevocable letter of credit, post a surety bond in the amount so certified, or provide other collateral acceptable to the Department of Law. However, the use of any alternate security will be previously disclosed in an amendment to the Offering Plan. Additionally, the amount of any escrow retained for the issuance of a Final Certificate of

Occupancy shall be disclosed in the post-closing amendment.

(c) Purchasers are advised that in New York City, newly constructed and newly renovated buildings are sometimes offered as condominium projects without a Final Certificate of Occupancy (Hereinafter the "FCO") covering the entire building, but with only a Temporary Certificate of Occupancy (Hereinafter the "TCO"), and sometimes with several successive Temporary Certificates of Occupancy. Certificates of Occupancy are generally governed by Section 301 of New York Multiple Dwelling Law and local building codes and rules. Both TCOs and FCOs are issued by the New York City Department of Buildings (Hereinafter the "DOB"). A TCO is intended to indicate that the property is safe for occupancy, but means that not all of the required documents have been submitted to the DOB. All TCOs have an expiration date. A TCO typically expires ninety (90) days after the date of issuance. When a TCO expires and is not renewed, it may be difficult to buy insurance, refinance, or sell units. In New York City, it is common for sponsors to commence unit closings when some or all units are covered by a TCO rather than an FCO. Sponsor anticipates this scenario may occur. Sponsor and its principals will undertake the responsibility for extending each TCO received prior to expiration thereof, and ultimately for obtaining an FCO covering the entire building within two (2) years from the date of the issuance of the first TCO. However, Sponsor and its principals make no representation or guarantee that DOB will issue the FCO within such two (2) year period. Furthermore, because Sponsor and the By-Laws of the Condominium may permit unit owners to undertake renovations to individual units prior to the procurement of an FCO, such renovation may cause additional delays in the issuance thereof. NOTWITHSTANDING THE FOREGOING, SPONSOR AND ITS PRINCIPALS ARE OBLIGATED TO PROCURE THE FCO FOR THE ENTIRE BUILDING, AND SHALL EXERCISE BEST EFFORTS TO OBTAIN THE FCO WITHIN SUCH TWO (2) YEAR PERIOD WHILE KEEPING THE TCO CURRENT. NO CHANGE OF USE OR OCCUPANCY SHALL BE MADE UNLESS A NEW CERTIFICATE OF OCCUPANCY IS ISSUED. Unit owners and the Board of Managers shall be obligated to cooperate with a refrain from obstructing Sponsor in these undertakings.

Buyers are advised to visit the DOB website for further recommendations when purchasing a unit in a building that does not have a FCO. A Factsheet on Certificates of Occupancy is available on the DOB website at: https://www1.nyc.gov/nycbusiness/description/certificate-of-occupancy

(d) (i) No additional construction works which require a building permit shall be commenced until the Final Certificate of Occupancy for the Condominium building is issued because the Sponsor will not be able to obtain the Final Certificate of Occupancy until all open permits are signed off. Sponsor may include Purchaser's alteration plan in the final 'as-built' plan of the Condominium building by amending the same, so that the Purchaser will be able to commence the construction work without waiting for the issuance of the Final Certificate of Occupancy. In such event, the Offering Plan will be amended to disclose such revisions to the Building Plans including an addendum to the architect's report. However, the Sponsor does not guarantee that

Sponsor will actually be able to do so. If the Purchaser asks the Sponsor to amend the building plan to include his/her/its alteration plan, the cost to amend the Plan must be borne by the Purchaser. Any additional construction works or alteration works such as removal or erection of interior partitions or addition or relocation of a bathroom each individual purchaser may wish to perform must conform to the applicable codes and laws including, but not limited to, the Building Code of The City of New York, the New York State Multiple Dwelling Law and the New York City Housing Maintenance Code. All construction must conform to the various building codes, which minimally require the use of proper materials, legal configurations and dimensions of rooms, adequate light and natural or mechanical ventilation for all spaces, legal plumbing and electrical systems. Additionally, contractors used by a Purchaser must be licensed and insured.

(ii) Prospective purchasers are warned that a Unit Owner's failure to complete any work in his/her unit can affect the issuance of a Final Certificate of Occupancy. Nonetheless, the Sponsor and its principals remain obligated to procure a Final Certificate of Occupancy.

(See also Section D in Part I of the Offering Plan).

3. The sponsor agrees to pay for the authorized and proper work involved in the construction and establishment and sale of the condominium that sponsor is obligated to complete under the plan and will cause all mechanics liens with respect to such construction to be promptly discharged or bonded. 13 NYCRR § 20.3 (t) (16).

4. The Sponsor has an obligation to defend any suits or proceedings arising out of Sponsor's acts or omissions and to indemnify members of the Board of Managers and the unit owners pursuant to 13 NYCRR§ 20.3 (t)(2).

5. After delivery of deed to Purchaser, Sponsor shall be required to perform all obligations imposed under this Offering Plan, Article 23-A of the General Business Law, 13 NYCRR Part 20 and all other applicable laws. All representations under the Offering Plan, all obligations pursuant to the General Business Law, and such additional obligations under the Offering Plan which are to be performed subsequent to the closing date will survive delivery of the deed. 13 NYCRR §20.3(t)(3).

6. Following the issuance of a Final Certificate of Occupancy for the Building, Sponsor agrees to deliver a set of "as built" plans filed with the recording of the declaration of any amendment thereto and in addition will provide the Board with a full set of building plans filed with the local municipality together with any field changes made during the course of the construction.

7. Sponsor has sufficient funds to complete the construction of the Condominium.

8. The Sponsor shall be obligated to pay all common charges, special assessments and real estate taxes with respect to unsold units. Sponsor represents that it has the financial resources (from its own funds) to meet its obligations with respect to unsold units. In addition, Sponsor will secure payment of such financial obligations by setting

aside $4,536.00 of the proceeds from the sale of the first Unit and depositing such amount into the escrow account of the Sponsor's attorney after the closing of the first Unit (See Section KK in Part II of the Offering Plan for details). Said amount is equal to two (2) months' worth of the first-year common charges. The deposit of such funds will be disclosed in the initial post-closing amendment.

NO BOND OR OTHER SECURITY HAS BEEN OR WILL BE POSTED TO SECURE SPONSOR'S OBLIGATIONS.

9. The Sponsor Agrees to procure fire and casualty insurance, as set forth in Section G, Schedule B in an amount equal to the insurance replacement value or in an amount sufficient to avoid co-insurance. Such insurance will provide that there will be no cancellation without notice to the Board of Managers and all Unit Owners.

10. Pursuant to Section 352-e (9) for the General Business Law, Sponsor agrees to keep copies of the Plan and Exhibits and documents referred to in the Plan on file at the office of Sponsor for six (6) years from the date of recording the Declaration for examination by any person who has purchased a Condominium interest offered by this Plan or otherwise participated in this offering.

11. The Sponsor shall enforce its obligations under the plan, as those obligations are described in the plan, and owes a fiduciary duty to the condominium to do so. The Sponsor will not voluntarily take any action which will prevent Sponsor from carrying out all of its obligations under the Plan. However, should Sponsor liquidate or dissolve prior to fulfillment of all obligations, Unit Owners shall be relegated to pursue any and all remedies under law, if any. In the event of the dissolution or liquidation of Sponsor or the transfer of two (2) or more Units or twenty percent (20%) or more of the total number of Units in the Condominium, whichever is less, the principals of Sponsor will provide financially responsible entities or individuals who will assume the status and all of the obligations of Sponsor for those Units under the Offering Plan, applicable laws or regulations.

12. (a) (i) Given the fact that it is five (5) stories or less in height, this Condominium Building shall be subject to the Housing Merchant Implied Warranty under Article 36-B of the General Business Law of the State of New York. Under the relevant provisions, a housing merchant implied warranty shall mean that: (i) one (1) year from and after the warranty date (which is defined as the date of the passing of title to the first owner for occupancy by such owner or such owner's family as a residence, or the date of first occupancy of the home, in this case, the Unit, as a residence, whichever first occurs) the Unit will be free from defects due to a failure to have been constructed in a skillful manner; (ii) two (2) years from and after the warranty date the plumbing, electrical, heating, cooling and ventilation systems of the Unit will be free from defects due to a failure by the builder to have installed such systems in a skillful manner; and (iii) six (6) years from and after the warranty date the Unit will be free from material defects.

(ii) Prospective purchasers are advised that the sponsor is NOT providing NDL Manufacturer's Warranty for the roof of the Condominium (See Section

EE, Paragraph I (g) in Part II of the Offering Plan). This is a red flag, indicative that most likely the roofing membrane and appurtenances were not installed in accordance with the manufacturer's specifications.

(iii) Typically, NDL Warranties include completely repairing the problem, no matter what it takes. The Manufacturer will solve the problem, even if it requires complete re-roofing. The Warranty only includes roof leakage that is caused by defects in labor or materials. It does not include damage caused by abuse to the roof. There is normally a charge for "No Dollar Limit" Warranties. These warranties, like all Manufacturer Warranties, are subject to certain terms and limitations stated by the Manufacturer. Potential purchasers should note that the NDL Warranties do not apply to this offering.

(iv) After consummation of the Offering Plan, the cost of repairing the roof will be borne by the unit owners and the actual cost for repairs will depend on the extent of damages to the roof.

(b) At or prior to the closing of the unit, the Sponsor will assign (and deliver the warranties in conjunction with assigning them) any manufacturer's warranties with respect to equipment and appliances installed in the Unit to the Unit Owner and assign any warranties with respect to equipment and appliances installed in the common elements to the Board of Managers. 13 NYCRR§ 20.3 (t)(15). Sponsor undertakes to do the above only to the extent that warranties are actually made by such manufacturers and subcontractors and only to the extent such warranties and bonds are assignable. Subsequent to the conveyance of title to a Unit, Sponsor shall not be responsible for paint touch-ups to a Unit, dented porcelain or formica chips. Sponsor has no obligation to make any repair to the Units or the common elements except as expressly set forth an Inspection Statement and Punchlist in the form as Exhibit B hereto annexed (See Section AA Purchase Agreement in Part II of the Offering Plan) or under all applicable laws, entered between the parties at closing(Pursuant to Subsection 18 of the Purchase Agreement, Purchaser has the right to inspect the Unit she/he/it is under contract to purchase within seventy-two(72) hours prior to closing). Sponsor does not warrant materials or workmanship of each Unit or common elements except as stated in this plan and under all applicable laws.

(c) Notwithstanding any warranty transferred to the Condominium or unit owners, the Sponsor/Seller remains liable to perform the construction of the premises in accordance with the Plan and applicable law. Therefore, if there are any patent or latent defects in the construction of the Condominium Unit and the Common Elements or in the installation or operation of any mechanical equipment therein due to materials or improper workmanship materially nonconforming with the plans and specifications, Sponsor/Seller will cure such defects as promptly as possible, provided that it is notified of them in writing by certified mail within one (1) year from the date of the closing of title to the Unit in which the alleged defect exists, or in the case that such defect exists in the Common Elements, the date of substantial completion of such Common Elements, whichever later occurs, unless there is a latent defect due to faulty construction by Sponsor that could not be discovered within such timeframe.

(d) Furthermore, Sponsor's obligation, regardless of any limitations in the warranty or in this offering plan, is to construct the premises in accordance with all applicable codes and filed plans and specifications, and that any conflict between the disclaimers and the sponsor's obligation to construct the premises in accordance with all applicable codes and filed plans and specifications shall be resolved in favor of the latter.

13. The Sponsor will pay all expenses incurred prior to the establishment of the Condominium in connection with establishment, and will bear and pay all costs and expenses incurred in connection with the creation of the Condominium, whenever such costs or expenses are incurred, or in connection with the sale of all the Units held or owned by Sponsor (Except for costs specifically made payable by Purchaser under this Plan) and will pay all selling expenses including but not limited to, advertising and printing costs, architect fees and costs of filing this plan and amendments thereto.

14. Intentionally deleted.

15. In accordance with Section 339-P of the Real Property Law, a registered architect or licensed professional engineer shall certify that the floor plans filed with the recording of the Declaration are a substantially accurate copy of portions of the plans of the building as filed with and approved by the municipality or other governmental subdivision having jurisdiction over the issuance of permits for the construction of the building.

16. (a) Ater consummation of the Offering Plan, the Sponsor (its successors, assigns or designees) may offer all or any unsold Units for lease. Purchasers of any such leased Units will be purchasing Units that have been previously occupied. Sponsor will notify Purchasers of Units that have been previously occupied and will set forth the conditions in which such Unit will be delivered (including outstanding warranties, if any). There shall be no obligation from the Sponsor, or any other offeror, to decorate, refurbish or in any way repair such Unit.

(b) With regard to the sale of the units offered in Schedule A, Sponsor will endeavor in good faith to sell all of the units in a reasonably timely manner. However, Sponsor is reserving an unconditional right to rent rather than sell units after consummation of the Offering Plan. Because Sponsor is not limiting the conditions under which it will rent rather than sell units after consummation of the Offering Plan, there is no requirement to sell more units than the fifteen percent (15%) necessary to declare the Plan effective, and owner-occupants may never gain effective control and management of the Condominium. Sponsor has sufficient funds to complete the construction of the Condominium.

(c) If Sponsor makes a bulk sale of its unsold Units, the transferee-successor of Sponsor is bound by Sponsor's representation regarding its commitment to sell Units.

17. (a) As a condition of sales of Units pursuant to this Plan, Sponsor reserves to itself, its successors, assigns, designers, invitees, contractors, agents, employees and tenants any and all easements and rights of access, in and to Units and common elements

consistent with the purposes of the Plan and Sponsor's rights and obligations thereunder. Such rights shall include the following, but not be limited thereto:

(i) The right to maintain general and sales and leasing office(s) and personnel on the premises, to post signs, and to conduct other activities connected with promotion, sales, leasing, such as inspection by and display of vacant or leased Units, as well as the common elements, to prospective purchasers or lessees;

(ii) Right of access in and to Units and common elements for purposes of construction, repair, refurbishments correction, alterations, finishing, servicing (including, but not limited to garbage collection) and similar work; and Sponsor reserves the easements, licenses, rights and privileges of a right-of-way in, through, over under and across the common elements of the Condominium for the purpose of completing construction and sale of Units and facilities in the Condominium and, towards this end, reserves the right to grant and reserve easements and right-of-way in, through, under, over, and across the common elements for installation, maintenance and inspection of lines and appurtenances for public or private water, sewer, drainage, cable television, and other utilities and for any other materials or services necessary for the completion of the work. (13 NYCRR §20.3(t)(19)) Sponsor also reserves the right to connect with and make use of the utility lines, wires, pipes, conduits, cable television, sewers and drainage lines which may from time to time be in or along the streets and roads of other areas of the common elements. Finally, Sponsor reserves the right to continue to use the common elements, any facilities, sales offices, model Units, signs, and parking spaces located on the common elements, in its efforts to market Units constructed in the Condominium. Sponsor will be obligated to repair any damage to the common property caused as a result of its use and the easements, licenses, rights and privileges of a right-of-way to repair the Condominium. With regard to Sponsor's right to access in and to Units, a reasonable prior notice shall be given to the Unit Owner, and Sponsor shall use its best effort not to interfere with the owner's use of his/her unit. All works shall be performed during reasonable hours.

(iii) Right to alter any Unit or common elements subject to filed amended plan and/or specifications, consistent with this offering (See Section I in Part I of the Offering Plan) and all applicable laws.

(b) Sponsor shall have the rights enumerated herein for so long as Sponsor owns at least one Unsold Unit or to the extent necessary to enable Sponsor to uphold its obligations under the offering plan and applicable law.

18. (a) In the event that loss or damages have resulted from fire or other casualty to the units, common elements and limited common elements prior to closing, Sponsor will notify a purchaser within fourteen (14) days of such occurrence whether or not it will repair any damage resulting from a casualty prior to the closing of a unit:

(i) If Sponsor elects to repair such damages, it will do so as promptly as possible and restore the unit, common elements and limited common elements to

substantially the same condition as prior to the casualty. In such a case, a purchaser will be required to make a good faith effort to extend the term of the commitment to enable the Sponsor to repair the damage but in the event that an extension is not obtained, the purchaser will be offered a right of rescission.

(ii) If Sponsor elects not to repair such damages, it will notify Purchaser of its intention to terminate this Agreement and return to Purchaser all sums deposited hereunder (including advances made for upgrades, extras, or custom work, if any) within ten (10) days, and upon such return, this Agreement shall be null and void and neither party shall have any further rights, obligations or liability to or against the other arising out of this Agreement and the Plan.

(iii) If the closing delays more than six (6) months due to Sponsor's inability to repair the damages, Purchaser may also rescind the contract and receive the refund of downpayment, in addition to any other right of rescission granted to Purchaser under the Plan.

Sponsor's obligations as set forth in this Section will survive delivery of any Unit Deed.

13 NYCRR§ 20.3 (t)(6).

(b) (i) No bond or other security has been furnished to secure performance of the above. All obligations pertaining to the common elements shall be enforceable only by the Board of Managers on behalf of the Unit Owners and not by the individual Unit Owners. However, nothing herein shall prevent an individual Unit Owner from bringing an action in the nature of derivative actions against the Board of Managers. During the time the principals of the Sponsor control the Board, it is within their sole power to enforce the obligation of Sponsor pertaining to the common elements and, therefore, Sponsor agrees that during such period it will, in its capacity as the Board of Managers, enforce such obligations when required to do so by a resolution duly passed by a majority of the Unit Owners, excluding Sponsor, at a special meeting of the Unit Owners called for such purpose.

(ii) All members of the Board, including those members who are affiliated with the Sponsor, have a fiduciary obligation to act within the best interest of the condominium unit owners.

(c) Prospective purchasers are advised that prior to the first closing, the entire building will be insured by the sponsor; after the first closing, the entire building will be insured by the condominium. Additionally, a person in possession who is not an owner cannot insure the unit since he or she has no ownership interest, and the unit cannot be doubly insured. A person who takes possession prior to closing assumes the risk of losses not covered by insurance.

19. A purchaser of a previously occupied unit should consult with their attorney about the condition of the unit before signing a purchase agreement.

SECTION P CONTROL BY THE SPONSOR

1. The extent to which Sponsor may exercise voting control over the Board of Managers under this Plan, as it may be hereinafter amended from time to time, is as follows:

(a) (i) During the Initial Sponsor Control Period, i.e., before the sale of the last Unit or two (2) years from the closing of title to the first Unit, whichever first occurs, Sponsor shall be entitled to designate all the members of the Board of Managers. Under this Plan, Sponsor has designated one (1) board member, who will be the only Manager sitting on the Board.

(ii) After the Initial Sponsor Control Period ends, Sponsor shall be entitled to vote for Managers in accordance with the By-Laws; provided, however, so long as it holds at least one of the Units for sale in the ordinary course of business, Sponsor shall be entitled to appoint one (1) Manager out of the three (3) Board of Managers (See Subsection 1(b) of this Section below)

(b) (i) Within thirty (30) days after the Initial Sponsor Control Period, Sponsor will immediately give up control over the Board of Managers, and a meeting will be held to elect a new board of three (3) members. All Unit owners, including Sponsor, will vote in the same capacity for the new three (3) member board.

(ii) It is not the intent of Sponsor to exercise voting control through the ownership of a majority of the Units to control the board after the Initial Sponsor Control Period.

(c) However, the By-Laws of the Condominium do not require that after the Initial Sponsor Control Period, a majority of the Board of Managers must be owner-occupants or members of an owner-occupant's household who are unrelated to the Sponsor and its principals. This means that Purchasers for their own occupancy may never gain control of the Board of Managers under the terms of this Plan. Owner-occupants and non-resident owners, including Sponsor, may have inherent conflicts on how the Condominium should be managed because of their different reasons for purchasing, i.e., purchase as a home as opposed to as an investment.

(d) In addition, so long as Sponsor has any unsold Units remaining, no amendment to the By-Laws or the Declaration affecting the rights of Sponsor shall take place without the written consent of Sponsor.

2. In the event that Sponsor voluntarily gives up control of the Board of Managers before all units are sold, so long as Sponsor or its designees shall continue to own Units representing twenty-five percent (25%) or more in common interest, but in no event later than five (5) years from closing of title to the first Unit, the Board of Managers may not, without Sponsor's prior written consent: (i) make any addition, alteration or improvements to the common elements costing cumulatively more than $10,000.00, the

foregoing not to include necessary repairs and maintenance work, or (ii) assess any common charges for the creation of, addition to, or replacement of all or part of a reserve, contingency or surplus fund, or (iii) hire an employee in addition to the employees referred to in the Plan of Condominium ownership, or (iv) enter into any service or maintenance contract for work not covered by contracts in existence on the date said Plan is declared effective, or (v) borrow money in excess of $10,000.00 on behalf of the Condominium, or (vi) take any action which impairs Sponsor's sales program or continued use of the Condominium property in connection with such program, or (vii) increase or reduce the services of maintenance set forth in Schedule B. No provision stated herein can allow Sponsor to act in violation of Subsections 3 and 4 below.

3. Sponsor may not exercise veto power over expenses described in Schedule B, or over expenses required:

(a) To comply with applicable laws or regulations; or

(b) To remedy any notice of violation; or

(c) To remedy any work order by an insurer; or

(d) For any matter affecting the health and/or safety of the occupants of the building.

4. Sponsor may exercise veto power over expenses other than those described in Subsection 3 above, for a period ending not more than five (5) years after the closing of first Unit or whenever the unsold Units constitute less than twenty-five percent (25%) of the common interest, whichever is sooner.

SECTION Q BOARD OF MANAGERS

It is the function of the Board of Managers to administer the affairs of the Condominium and supervise the operation of the Condominium property. The following is a summary of the important sections of the Declaration and By-Laws with respect to the Board of Managers.

1. (a) The number of Managers which shall constitute the initial Board shall be one (1) until succeeded by Managers elected at the first annual meeting of Unit Owners. The original Board of Managers need not be Unit Owners (or officers, directors or partners of Unit Owners). The first Board of Managers of the Condominium will be Guang Yuan Liang, who is the principal of the Sponsor. Guang Yuan Liang will be the President of the Board of Managers.

(b) Within thirty (30) days after the Initial Sponsor Control Period (i.e. the time of closing of title to the last unit or two (2) years from the closing of title to the first unit, whichever first occurs), Sponsor will immediately give up control over the Board of Managers, and a meeting will be held for such purpose. Sponsor shall call the first annual Unit Owners' meeting. At such meeting, a new Board of Managers of three (3) members shall be elected by the Unit Owners. The former member(s) of the Board shall thereupon resign. Thereafter, annual meetings shall be held on the anniversary of such date in each succeeding year; except that if such date is a Saturday, Sunday or legal holiday the annual meeting shall be held on the next succeeding business day. At such meetings, there shall be elected by ballot of the Unit Owners a Board of Managers in accordance with the requirements of Article III of the By-Laws.

(c) The Managers shall be elected annually at the annual meeting of Unit Owners by a majority vote, cumulative voting being prohibited. The Managers shall hold office until their successors have been elected.

(d) Notwithstanding the foregoing, after the Initial Sponsor Control Period, the board will consist of three (3) members and Sponsor will be entitled to designate one of the three (3) members for so long as Sponsor continues to own at least one (1) Unit. Therefore, Unit Owners will be entitled to vote for two (2) members of the board for so long as Sponsor continues to own at least one (1) Unit. Members of the Board of Managers designated by Sponsor need not be Unit Owners or officers, directors, stockholders or partners of Unit Owners.

(e) Any member of the Board may be removed from office with or without cause by the vote or agreement in writing of a majority of all Unit Owners. A special meeting of the Unit Owners to remove a member or members of the Board shall be called by the President as directed by a majority of the Unit Owners or the Board. The notice of such special meeting shall state the purpose of the meetings. A majority of the remaining Managers shall elect a successor who shall hold office for the unexpired term of the removed Managers, except that the Sponsor shall have the right to replace any Manager elected or appointed by Sponsor.

(f) The rights granted to Sponsor under Article III of the By-Laws and as outlined in this Section, shall not be exercised in such a manner as to give Sponsor the right to control the Board of Managers after Sponsor calls the first annual Unit Owners meeting as provided for in Subsection 1(b) above and Sponsor shall agree not to cast votes to control the Board of Managers.

2. (a) Written notice of the annual meeting of the Unit Owners shall be personally served upon or mailed to each member entitled to vote at such address as appears on the books of the Condominium, at least fourteen (14) but no more than thirty (30) days prior to the meeting. The post office receipt of mailing shall be proof of such mailing.

(b) Written notice of a special meeting of the Unit Owners stating the time, place and object thereof shall be served upon or mailed to each member entitled to vote thereon at such address as appears on the books of the Condominium at least fourteen (14) but no more than thirty (30) days before such meetings. Notice of meetings at which disposition of Condominium property will be voted upon must also be given record mortgagees.

(c) The minutes of all meetings of Unit Owners shall be kept in a book available for inspection by Unit Owners or their authorized representatives and Board members at any reasonable time. The Board shall retain these minutes for a period of not less than seven (7) years.

(d) All Unit Owners will receive annually, within three (3) months of the end of each fiscal year, copies of an annual report of the Condominium including a balance sheet and a profit and loss statement certified by an independent public accountant, a statement regarding any taxable income attributable to the Unit Owner and notice of the holding of the annual Unit Owners meeting. All Unit Owners shall be entitled to examine the books and records of the Condominium on reasonable notice to the Board, but not more than once a month.

(e) All Units which are acquired by the Board of Managers, or its designees, subject to the Board's right of first refusal, shall be held by it on behalf of all Unit Owners. The Unit Owners shall hold their respective interests in the Unit in proportion to their percentage of common interest and the votes appurtenant to such Units shall be cast by the Board of Managers or its designee at all meetings of the Unit Owners, except that the Board will not vote in any election of members of the Board.

3. As stated above, the first Board of Managers of the Condominium will be Guang Yuan Liang. Sponsor retains the right to substitute other persons in place of the above-named individuals until the resignation of the first Board of Managers, as set forth below.

4. As stated in the By-Laws, no member of the Board of officers shall receive any compensation or fee for their services as a Manager or Officer.

5. The Board may remove any officer or management agent of the Condominium at

its discretion or should said manager or management agent be appointed by contract then such removal shall be dependent upon the terms of the governing contract.

6. The member of the Board of Managers shall not be liable to the Unit Owners for any mistake of judgment, negligence or otherwise, except for their own individual willful misconduct, bad faith or gross negligence. It is intended that the members of the Board of Managers shall have no personal liability to others arising out of the contracts made by the Board of Managers on behalf of the Condominium. The Unit Owners shall indemnify and hold harmless each of the members of the Board of Managers against all contractual liability to others arising out of the contracts made by the Board of Managers on behalf of the Condominium unless any such contract shall have been made in bad faith or contrary to the provisions of the Declaration or By-Laws.

7. Each Unit Owner shall be entitled to cast one vote on each Ballot for each 0.01% of common interest he/she/it owns. The three (3) nominees receiving the highest number of votes on each of their ballot shall constitute the duly elected Board of Managers, provided, however, Sponsor will be entitled to designate one of the three (3) members for so long as Sponsor continues to own at least one (1) Unit.

8. (a) The Declaration may be amended at any regular or special meeting of the Unit Owners called or convened in accordance with the By-Laws by the affirmative vote of at least two-thirds (⅔) in number and in common interest of all Unit Owners, except where otherwise specified. 13 NYCRR § 20.3 (v) (7). Minor corrective amendments may be approved by the Board or the Sponsor. Each amendment shall be effective upon the recording in the Office of the City Register of the City of New York of an appropriate instrument setting forth the amendment and its due adoption, execution and acknowledgement by one or more officers of Sponsor or one or more members of the Board. No amendments shall be passed which shall impair or prejudice the right or priorities of any mortgagee without the prior written consent of such mortgagee which consent shall not be unreasonably withheld. No amendment shall be passed which shall in any way affect any of the rights, privileges, powers or options of Sponsor. No amendment which affects the percentage of common interest appurtenant to any Unit shall be passed without the consent of all affected Unit Owners.

(b) Except where a greater percentage is required under the Declaration or the Condominium Act, the By-Laws may be amended by the affirmative vote of at least two-thirds (⅔) of the Unit Owners at a meeting duly called; provided, however, that no amendments to the By-Laws shall be passed which would operate to impair or prejudice the rights or liabilities of any mortgagee.

(c) No amendment to the Declaration, the By-Laws or this Plan shall, in any manner, change the rights and privileges of Sponsor without the written approval of the appropriate party. However, this provision applies only where Sponsor continues to hold any unsold units.

9. The By-Laws of the Condominium do not require that after the Initial Sponsor

Control Period, a majority of the Board of Managers must be owner-occupants or members of an owner-occupant's household who are unrelated to Sponsor and its principals. This means that Purchasers for their own occupancy may never gain control of the Board of Managers under the terms of this Plan. Owner-occupants and non-residents owners, including Sponsor, may have inherent conflicts on how the Condominium should be managed because of their different reasons for purchasing, i.e., purchase as a home as opposed to as an investment.

10. (a) If there are non-sponsor members of the board, and there is a vote on whether to sue the sponsor, the sponsor's board representatives cannot lawfully vote on that issue. See Park River Owners Corp. v. Bangser Klein Rocca & Blum, 269 A.D.2d 313, 703 N.Y.S.2d 465 (1st Dept. 2000); McKinney's Consolidated Laws of the State of New York, General Business Law, Volume 19, pocket part, page 193; and BCL § 713(a)(1). See also Board of Managers of Fairways at North Hills v. Fairways at North Hills, 193 A.D.2d 322, 603 N.Y.S.2d 867 (2nd Dept. 1993), McKinney's Consolidated Laws of the State of New York, General Business Law, Volume 19, page 160.

(b) Any provisions that give the sponsor control of the enforcement of the sponsor's obligations are not lawful.

11. (a) The principal officers of the Condominium shall be President, who shall be a Manager, Vice President, Treasurer and Secretary, all of whom shall be elected annually by the Board. The Board may appoint an Assistant Secretary, an Assistant Treasurer or such other officers as the Board determines is necessary to efficiently administer the affairs of the Condominium.

(b) All officers and agents shall be subject to removal, with or without cause, at any time by the affirmative vote of a majority of the entire Board except the managers representing Sponsor. Only Sponsor has the right to replace the manger elected or appointed by Sponsor. All officers must be Unit owners or members of the first Board of Managers. Two or more officers may not be held by the same person.

(c) The President of the Condominium shall be the Chief Executive Officer and shall preside at all meetings of the members and the Board and be an official member of all standing committees. SECTION R RIGHTS AND OBLIGATIONS OF THE UNIT OWNERS AND THE BOARD OF MANAGERS

The rights and obligations of Unit Owners may be summarized as follows:

1. (a) A Unit Owner (including that of Parking Space Unit) has the right to sell or lease his/her/its Unit providing he/she/it gives notice of the bona fide terms of any proposed sale or lease to the Board of Managers and obtains their approval for the sale and lease. The failure of the Board of Managers to approve or disapprove such proposed sale or lease within thirty (30) days after notice thereof or thirty (30) days after submission of such reasonable information as requested by the Board shall be deemed to constitute approval. If the Board disapproves the transaction, it shall within fifteen (15) days after making its decision known, produce a Purchaser or lessee who will accept the transaction upon the same terms as those terms stated in the notice to the Board. If the Board does not produce such a Purchaser or lessee within the aforesaid fifteen (15) days the Unit Owner shall have the right to effectuate such sale or lease on the terms submitted, as more specifically set forth herein.

(b) (i) Alternatively, the Board of Managers may designate itself to purchase or lease such Unit on behalf of all of the Unit Owners, in the manner set forth herein, provided that approval for such purchase or lease is obtained from Unit Owners owning Units to which not less than seventy-five percent (75%) of the common elements are appurtenant. In the event the Board of Managers does not have sufficient funds on hand for such purchase or lease from working capital, it may either borrow such funds and/or assume an existing indebtedness secured only by a mortgage on the Unit, or may assess the Unit Owners therefore in proportion to their percentage of common interest, or the Board may use any combination of these methods to undertake the acquisition.

(ii) The closing of sale of the Unit or date of the commencement of the term of lease shall be the same as set forth in the contract to sell or lease included in the notice of such proposed transaction to the Board if the transaction is disapproved.

(c) Any sale or lease which is not authorized by the terms of the By-Laws or for which authorization has not been obtained pursuant to the terms hereof is voidable and may be voided in action brought by the Board of Managers.

(d) A Unit Owner intending to make a sale or lease of the Unit shall give notice to the Board of Managers of such intention. He/she/it shall furnish the following information to the Board: (i) the name and address of the intended grantee or lessee; (ii) financial and professional references of the transferee or lessee; (iii) an executed copy of the proposed contract of sale or lease; and (iv) such other information as the Board of Managers may reasonably require. He/she/it shall use the form, if any, supplied by the Board in order to supply such information. Such notice, when given, shall constitute a representation, warranty and an offer to sell or lease to the Board or any Purchaser or lessee produced by the Board and a representation that the Unit Owner believes the offer to be bona fide in all respects. The Board shall have a right of first refusal, with regard to

the proposed sale or lease by the Unit Owner, upon the same terms and conditions as set forth in the notice to the Board. All notices shall be given by registered or certified mail. Delivery shall be deemed made and notice shall be deemed given by such mailing and shall not be dependent upon acceptance by the addressee.

(e) When the Board has produced a Purchaser or a lessee within the fifteen (15) day period set forth above and Purchaser or lessee so agrees, a binding contract shall be deemed to have come into existence and the Unit Owner shall be obligated to consummate the transaction with such Purchaser or lessee furnished by the Board, in accordance with the terms thereof.

(f) The action by the Board of Managers consenting to a sale or lease shall be in recordable form. The failure of the Board to act on a notice given to it, together with such additional information reasonable requested, within thirty (30) days shall be deemed to constitute approval of the sale or lease. The Unit Owner, the Purchaser or lessee may demand and shall be entitled to receive from the Board consent to the sale or lease in recordable form.

(g) The Board of Managers may not discriminate against any person on the basis of race, creed, color, national origin, sex, age, disability, marital status, other grounds prohibited by law.

(h) If the proposed Purchaser or lessee of a Unit, or any interest therein, is other than a natural person, the approval of the sale shall be conditioned upon the approval by the Board of Managers of the entity or entities which will occupy the Unit.

(i) The right of first refusal granted herein shall not be applicable to the following:

(i) The sale, lease or sublease of Units by or to Sponsor;

(ii) The sale or lease of the Unit to an Owner's spouse, issue, parents, grandparents, or grandchildren;

(iii) Foreclosure or other judicial sale of Condominium Units or a conveyance by the Owner of a Unit to a mortgagee in lieu of foreclosure; and any subsequent sale, lease or sublease by a mortgagee (provided that unrelated persons acquiring the Unit from such mortgagee shall be subject to such right of first refusal herein);

(iv) The sale, lease or sublease from a Unit Owner to a partnership, corporation or limited liability company in which the Unit Owner is a partner, principal stockholder or member; from a partnership, corporate owner or limited liability company to the partners, stockholders or members thereof; from partners who are owners to new partners; from one co-owner to another;

(v) A conveyance or transfer from a Unit Owner by gift, devise by will

or intestate succession.

2. (a) All units shall be used in accordance with a Certificate of Occupancy and in compliance with zoning codes.

(b) Sponsor may utilize a limited number of Units for models and as a sales office in conjunction with the sale and rental of Unsold Units.

(c) Restrictions on Occupancy and Use:

No immoral, improper, offensive or unlawful use shall be made of the Condominium property or any property operated by the Board or any part of it. All valid laws, zoning ordinances and regulations of all governmental bodies having jurisdiction shall be observed. No nuisance shall be allowed on the Condominium property. All parts of the Condominium shall be kept in a clean and sanitary condition, and no rubbish, refuse or garbage allowed to accumulate no any fire hazard allowed to exist. Access to common elements may not be obstructed in any way.

(d) The owners of Units shall be fully responsible for the activities and actions of their guests, visitors, permittees, invitees or employees and shall take all necessary action to ensure that all such persons fully comply with the provisions of the Declaration and the By-Laws and rules and regulations of the Condominium.

(e) Unit Owners are not allowed to maintain any pets.

3. A Unit Owner shall have the right to mortgage or encumber his Unit provided that such mortgage or encumbrance is made to a mortgagee as defined in Section C in Part I of the Offering Plan.

4. (a) (i) Each Unit Owner shall be liable for that percentage of the common expenses of the Condominium that corresponds to that owner's percentage of ownership in the common elements set forth in Schedule A. However, additional services with the Unit Owners may desire or other factors can increase these charges. The Board of Managers shall have the power to fix, determine, and collect assessments to cover these common expenses. The Board of Managers may commence the collection of common charges upon the closing of title to the first Unit or at any subsequent date as in its sole discretion it may determine. The Board's collection of common charges will be in such amount as will be necessary to carry out the duties of the Board of Managers as set forth in the Plan. All such common charges shall be paid by the Unit Owners and Sponsor, as the owner of the unsold units, in accordance with their respective percentage of common interest as set forth in the Plan. The Board of Managers will have a lien on each unit for unpaid common charges pursuant to and Real Property Law Section 339-Z, and the lien can be made effective pursuant to Real Property Law Section 339-AA. The common charges will be placed in an account in the name of the Board of Managers. The sponsor will not be delaying the collection of common charges, or reserving the right to do same.

(ii) The Sponsor shall be liable for the monthly common charges of all Units which have not been transferred to a Purchaser, commencing after the closing of title to the first Unit. Sponsor will cause the Board to file a lien as provided by Real Property Law Section 339-AA on the Units in which Sponsor is thirty (30) days in arrears of common charges while in control of Board.

(b) The common expenses of the Condominium shall include, without limitation, management fees, salary for the building staffs, building maintenance and repair, utilities for common area, water and sewer charges, accountant, legal and insurance fees.

(c) The common expenses of the Condominium shall be incurred to provide for the full enjoyment and protection of each Unit Owner's use of the Common Area of the Condominium.

(d) The common charges do not include maintenance, repairs or decoration of any of the Units or portions thereof, electricity and gas consumed by each unit, or payments required pursuant to the terms of the Unit Owners Mortgages and Real Estate Taxes covering the individual Units.

(e) Under the Real Property Law, the Board of Managers shall have a lien against each Unit for its unpaid common charges (plus legal interest) prior to all other liens except liens for the payment of taxes and all sums unpaid on a first mortgage of record. The lien shall also cover reasonable attorney's fees incurred to collect the unpaid assessments together with all costs of the suit. The Board may also declare the common charge assessment on the delinquent Unit Owner's Unit for the balance of the fiscal year immediately due and payable. The lien shall continue in force even after resale of a Unit except that in accordance with the Declaration, the Board shall release the lien and its right to collect prior unpaid common charges against any purchaser of a Unit where the purchase arises out of a foreclosure of a first mortgage of record. The Board of Managers may foreclose the lien in the same manner as a mortgage on real property and in so doing shall be entitled to recover all costs incurred including the reasonable attorney's fees. The liability of each Unit Owner for the payment of common charges thereafter assessed against his Unit shall terminate upon a sale, transfer or conveyance of the Unit in accordance with the provisions of the Declaration and By-Laws. Further, any Unit Owner may convey his unit to the Board of Managers or its nominee on behalf of all other Unit Owners, without any compensation, in accordance with the Declaration and By-Laws. In that case, he shall be exempt from any common charges thereafter assessed (13 NYCRR § 20.3(w)(3)(iii)), but not relieved of his obligation to pay his mortgage loan. A Unit Owner may not exempt himself from liability for his common charges by waiver of the use or enjoyment of any of the common elements or by abandonment of his Unit. Upon resale, the purchaser of a Unit shall be liable for the payment of unpaid common charges assessed against the Unit prior to the acquisition of the Unit by the purchaser, except that a first mortgagee who acquires title to a Unit or other purchaser at a foreclosure sale of a first mortgage shall not be liable and the Unit shall not be subject to a lien for the payment of common charges assessed prior to the acquisition of title to the Unit by the

mortgagee or purchaser at foreclosure sale. In that case and in the event of a foreclosure by the Board of Managers of its lien on any Unit for unpaid common charges where the proceeds of the foreclosure sale are not sufficient for the payment of such unpaid common charges, the unpaid balance shall be charged to all other Unit Owners as a common expense. Sponsor will cause the Board of Managers to file a lien against itself on Units, in which Sponsor is more than thirty (30) days in arrears while it is in control of the Board.

(f) Default in payment of common charges by non-occupying owners--Real Property Law, Section 339-KK. The Real Property Law has been amended by adding a new section 339-KK, which provides as follows:

"If a Unit Owner who does not occupy the unit rents such unit to a rental tenant, and then fails to make payments due for common charges, assessments or late fees for such Unit, within sixty (60) days from the expiration period after they are due, the Board of Managers shall provide a written notice to the tenant and the non-occupying owner providing that commencing immediately and until such time as all payments for common charges, assessments or late fees are made current, all payments due subsequent to the issuance of such notice are to be made payable to the Board of Managers at the address listed on the notice. Where a majority of the Board of Managers has been elected by and from among the Unit Owners who are in occupancy, the Board of Managers may elect not to require that rental payments be made payable to the Board of Managers. At such time as payments for common charges, assessments and late fees from the non-occupying owners are once again current, a notice of such fact shall be given within three (3) business days to the rental tenant and non-occupying owner. Thereafter, all payments shall be made payable to the non-occupying owner or a designated agent. A non-occupying owner who disputes the Board of Managers' claim to rental payments shall be entitled to present facts supporting such owner's position at the next scheduled meeting of the Board of Managers which must be held within thirty (30) days of the date that such Board received notice that such owner seeks to dispute such claim. Payment by a rental tenant to the Board of Managers shall relieve the rental tenant from the obligation to pay such rent to the non-occupying owner and shall be an absolute defense in any non-payment proceeding commenced by such non-occupying owner against such tenant for such rent."

5. The responsibility for repairs and maintenance is as follows:

(a) The maintenance and repair of the common elements shall be the responsibility of the Condominium unless such repairs or replacement become necessary as a result of the negligence of abuse of a Unit Owner. The cost of such repairs or replacement shall be borne solely by the Unit Owner who caused the repair or replacement due to his/her/ negligence or abuse. It is the obligation of each Unit Owner to provide an access to their Unit and to the limited common elements to the Board of Managers for inspection or repairs, provided that such inspection and repairs are made with a reasonable prior notice and during reasonable hours, except for emergency repair.

(b) (i) Any expenses attributable to the maintenance, repair or

replacement of limited common elements shall be the responsibility of the Unit Owner who has exclusive use of the limited common elements. Exterior surfaces of balconies and terraces, if any, shall be treated as limited common elements for this purpose.

(ii) All maintenance to the Units, including electrical repairs, plumbing stoppage, window cleaning, painting and decorating in the Units (except for cleaning of exterior surface of the windows), repairs and replacement to Units including windows and doors (including all glass breakage) and repairs to heating and air conditioning units, if any, pipes, wires and conduits located in and servicing the same Unit other than as set forth, shall be made by the respective Unit Owner's at their expense.

6. Additions, alterations or improvements by Unit Owners:

The Unit Owner can make interior alterations or improvements to the Unit he/she desires without obtaining the consent of the Condominium so long as the alterations or improvements do not affect the building or any other common elements. No Unit Owner (other than Sponsor as noted in the By-Laws) may make any structural additions, alterations or improvements in his Unit or of the common elements without the prior written approval of the Board or impair any easement without the written consent of the Board and the Unit Owner or Owners for whose benefit such easement exists. The Unit Owners shall not employ any contractor that may cause labor disturbances or other stoppage in the work of the Building employees or other contractors or subcontractors employed in the Building or at the property. No Unit Owner shall erect any privacy fence, sunscreen or similar object or enclose the balcony except as expressly permitted by the rules and regulations of the Condominium without prior written approval of the Board. No structure shall be erected on the terraces or yard. Until control of the Board is relinquished to other Unit Owners, Sponsor will not make any improvements or additions to the common elements which would result in the imposition of special assessments or result in a substantial increase in the common expenses. However, this will not apply to the expenses required:

(i) To comply with applicable laws or regulations; or

(ii) To remedy any notice of violation; or

(iii) To remedy any work order by an insurer; or

(iv) Any matter affecting the health and/or safety of the occupants of the building.

7. The Board of Managers (or Sponsor until control of the common elements is vested in the Condominium) shall be required to obtain and maintain, to the extent obtainable, the following insurance upon the Condominium property and the equipment and personal property owned by the Condominium. The policies so obtained shall be for the benefit and protection of the Condominium, Unit Owners and their respective mortgagees as their interest may appear. Such policies shall include provisions that they

be without contribution, that improvements to Units made by Unit Owners shall not affect the valuation of the Condominium property for the purpose of insurance and that the insurer waives its rights of subrogation as to any claims against Unit Owners, the Board and their respective families, employees, servants, agents and guests. The insurance maintained shall cover the following perils and contingencies:

(a) All improvements upon the Condominium property and all personal property included therein, except the Units and such personal property as may be owned by the Unit Owners, shall be insured in an amount equal to the maximum insurable replacement value thereof (exclusive of excavation, foundations and other construction components customarily excluded) as determined periodically by the insurance company affording such coverage. Such coverage shall afford protection against:

(i) Loss of damage by fire or other hazards covered by the standard extended coverage endorsement; and

(ii) Such other risks as from time to time shall customarily be covered with respect to improvements similar in construction, location and use including but not limited to vandalism, malicious mischief, windstorm and water damage.

(b) Comprehensive general and/or public liability: The amount and coverage shall be determined by the Board, which will include, but not limited to, water damage, legal liability, hired automobiles, non-owned automobiles and off-premises employee coverage.

(c) The fire casualty and general liability insurance must be on terms that provide: (i) that such Unit Owner is additional insured party; (ii) that there will be no cancellation without notice to the Board of Managers; (iii) a waiver of subrogation; (iv) a waiver of invalidity because of the acts of the insured and Unit Owners; and (v) waiver of pro-rata reduction if Unit Owners obtain additional coverage.

(d) Fidelity bonds in sufficient amounts to fully protect the interests of the Condominium on each member of the Board of Managers, officers of the Condominium, managing agents and managers including any person or persons handling or responsible for funds of the Condominium.

(e) In addition to the above, the coverage for directors' and officers' liability, boiler and machinery, workers' compensation, disability, auto liability, and excess liability is generally available, but not provided by the Board of Managers.

(f) Unit Owners shall not be prohibited from carrying other insurance for their own benefit provided such policies contain waivers of subrogation and further provided that the liability of the carriers issuing insurance procured by the Board of Managers shall not be affected or diminished by reason of any Unit Owner's other insurance.

(g) It is important to recognize that the insurance described in sub-paragraph

(a), above, provides coverage for the Condominium. Each Unit Owner is advised to obtain liability and casualty insurance covering his own Unit and insurance covering personal possessions and living expenses.

(h) Purchasers are referred to Schedule B in Part I of the Offering Plan for details (13 NYCRR § 20.3(w) (6)(ii)).

8. In the event that a Unit Owner fails to maintain his/her Unit as required herein or otherwise violates the provisions hereof, the Board shall have the right to assess the Unit Owner and the Unit for the sums necessary to restore the Unit to good condition, to collect such assessments and have a lien for same as provided herein. The Board shall have the right, before or after any such assessment, to have its employees or agents enter the Unit and do the work necessary to enforce compliance with the above provisions. Unit Owners may also be individually assessed for any damage to the common elements or limited common elements which may be caused by such owners, their family, lessees, guests, invitees or permittees. If it becomes necessary for the Board of Managers to bring a lawsuit or any other proceeding to enforce its right to make a repair or correct a condition or to collect any sum due on account thereof, the Board of Managers shall also be entitled to collect reasonable attorneys' fees in connection with any suit or proceeding.

9. (a) Each Unit Owner, his/her family, lessees, invitees and permittees, shall be governed by and conform to the Declaration and the By-Laws and rules and regulations of the Condominium. Failure to do so shall entitle the Condominium or any Unit Owner to recover damages or obtain injunctive relief or both, but such relief shall not be exclusive of other remedies provided by law.

(b) The Sponsor shall enjoy certain exceptions to these Condominium documents so long as the Sponsor has any Unit of sale. These special reserved rights of the Sponsor shall cover such activities as using the Units for sales offices, selection of members of the Board of Managers and amendments to the Condominium documents. In any event, however, Sponsor may not cease sales efforts and indefinitely rent/lease or reserve units for selection of members of the Board.

10. At the time of the closing to a Unit, there will be no other liens or encumbrances on the Unit or common elements other than the lien for non-payment of common charges, the lien of the first mortgage which arises if the purchaser obtains a first mortgage on his/her Unit, and the liens and encumbrances as set forth in Section N, Subsection 12 in Part I of the Offering Plan.

11. The rules and regulations set forth in the By-Laws and Declaration can be found in Section GG and HH in Part II of the Offering Plan. The Board of Managers can institute legal actions to enforce compliance with the provisions of the Declaration and By-Laws as well as the rules and regulations established therewith.

Sponsor shall have the right to alter unsold Units or common elements by amending plan and/or specification. However, any construction which might be undertaken by Sponsor shall in no event undermine the structural integrity of the Building. The provisions of the By-Laws which require members of the Board of Managers to be Unit Owners will not apply to the first Board of Managers.

(a) Upon commencement of the condominium operation, the Board of Managers of the Condominium shall, in compliance with the City of New York Administrative Code § 17-506.1. et al (Local Law 147) and the New York State Department of Law regulations, adopt a condominium smoking policy substantially in the form as Section NN in Part II of the Offering Plan.

(b) Pursuant to the condominium smoking policy, smoking and/or using an electronic cigarette are prohibited at any time during the daytime and/or nighttime in the following areas of the Condominium: (1) All indoor common areas, including, without

limitation, hallway, lobby, corridors, stairs, and any other area to which that Unit Owners and/or Tenants may have access; (2) all indoor areas within a Unit, including, without limitation, the living room, bedroom, kitchen, bathroom, closet, and any other area to which that the owner of the Unit and/or its Tenant may have access; (3)All limited common elements, including, without limitation, balconies, terraces, backyards, and any other area to which access is limited to the owner of one Unit and/or its Tenant; and(4) all outdoor areas, including, without limitation, common courtyards, rooftops, balconies, terraces, patios, any area within fifteen(15) feet of the entrance and/or exit of, walk or path from and/or to, the Condominium, and any other outdoor area of the Condominium to which that Unit Owners and/or Tenants may have access.

(c) The condominium smoking policy is a material term of the Offering Plan and is incorporated into and form part of the Purchase Agreement, Interim Lease and the Condominium By-Laws. It must be incorporated into any agreement to rent a Unit or part thereof.

(d) The condominium smoking policy will be applicable to all Unit Owners, Tenants, the invitees as well as any other person on the premises.

SECTION S REAL ESTATE TAXES

1. Assessment for Individual Tax Lots

(a) The Sponsor will obtain individual tax lot for each Condominium Unit from the NYC Department of Finance (Hereinafter the "DOF"). After the Units are separately assessed by the DOF, each unit will be taxed as a separate tax lot for real estate tax purposes and the Unit owner will not be responsible for the payment of, nor will the Unit be subjected to any lien arising from the non-payment of taxes on other Units.

(b) (i) If Units have not been separately assessed for real estate tax purposes prior to the closing of title to the first Unit, Sponsor will place in a special escrow account with its attorneys, in the name of the Board of Managers, an amount equal to the unpaid real estate taxes which will be levied against the parcel for the six (6) month period following the first closing. The Board of Managers will pay the real estate taxes from the escrow account when taxes are due and payable and Sponsor, as funder of the escrow account, will be entitled to reimbursement from unit owners to the extent of actual assessment.

(ii) Furthermore, until Units have been separately assessed, all post-closing amendments will disclose the amount of the funds deposited in the escrow for the payment of the real estate taxes.

(c) There is no provision in the By-Laws applicable to the Real Estate Tax assessments. Once each condominium unit receives individual tax lot, each unit will be assessed and taxed separately (See Section S, Subsection 17(d) if a Unit Owner desires to authorize the Board of Managers to initiate proceedings under Sections 512 and 704 of the Real Property Tax Law on his/her behalf).

(d) (i) Congress passed the Tax Cuts and Jobs Act of 2017 (Hereinafter the "TCJA") and was signed into law on December 22, 2017. The TCJA became effective on January 1, 2018 and has impact on the amount of tax deduction of local real estate tax applicable to individuals (see Section U, Subsection 1 in Part I of the Offering Plan for details).

(ii) As an owner in fee simple, the Purchaser has the right to take out a separate mortgage as well as the obligation to pay property taxes on his/her/its individual Unit. However, potential purchasers are advised that, under the new TCJA, for the tax years between 2018 through 2025, interest that can be deducted from an individual's federal income taxes will be limited to the amount that he/she will have paid on the home acquisition indebtedness not exceeding $750,000.00. (26 U.S.C.§163(h)(3)(F)(i)(II)); and for the tax years between 2018 through 2025, individual deductions from federal tax income on the amount that he/she has paid as state, local real property taxes and personal property taxes shall not exceed $10,000.00 (26 U.S.C.§164(b)(6)(B)).

2. Residential Units:

(a) The Condominium consists of all residential units (except four (4) open parking spaces units), which are located on the cellar floor through third (3rd) floors.

(i) The Residential Unit Owners will be responsible for the real estate taxes against their respective Units and Sponsor shall not be liable for any portion thereof, except to the extent that it is the owner of any unsold units. The projected real property taxes for the whole Condominium Building for tax year of 2021/2022 is estimated to be $31,956.00. The calculation is made by multiplying the projected then current tax rate for Class 2 of 12.451% for the Residential Units by the estimated assessed value of the Condominium property in the tax year of 2021/2022 (i.e., $256,651.00).

(ii) (I) Purchasers are advised that the estimated assessed value of the Condominium in Subsection 2(a)(i) above reflects the assessment for the first year Condominium operation(or, pre-completion), the assessed value and therefore the real estate taxes may increase materially when the full valuation of the building is reassessed on the first status date(i.e. January 5) following issuance of the Certificate of Occupancy for the next tax year(i.e. tax year of 2022/2023), commencing from July 1, 2022.

(II) The projected real estate taxes for the condominium for tax year of 2022/2023, after the full valuation of the building (or post-completion) has been reassessed, is estimated to be around $50,035.00. The calculation is made by multiplying the estimated assessed value of the Condominium property in the tax year of 2022/2023 ($401,856.00) by the projected then current Class 2 tax rate of 12.451% (assuming the tax rate remains unchanged) for the Residential Units.

(iii) The projected real estate taxes for the first year of operation contained on Schedule A are based on an assessment of the building before construction is complete. Purchasers are advised that real estate taxes may increase materially when the building is reassessed after construction is complete. See Footnote 8 to Schedule A for more information regarding the projected assessed valuation after completion of Construction.

(b) Prospective purchasers are advised that the City of New York has not actually assessed the Units in the Condominium. The estimates of projected real estate taxes in the Offering Plan have been prepared by Sponsor's experts and cannot be construed as an assurance of the final tax costs, but are merely estimates based upon information available to the Sponsor at this time. The tax assessment for each unit may be allocated on a basis that differs from the allocation of common interests (13 NYCRR 20.3(x)(2)).

(c) Intentionally deleted.

(d) Sponsor's attorney has opined that the Condominium will be able to make an election under Section 528 of the Internal Revenue Code (See Section T in Part I of the Offering Plan).

HOWEVER, NEITHER SPONSOR, ANY COUNSEL TO SPONSOR, THE MANAGING AGENT, THE SELLING AGENT OR ANY OTHER PERSON, MAKES ANY WARRANTY AS TO THE AMOUNT, IF ANY, OF THE MINIMUM TAX WHICH WILL BE ASSESSED AGAINST THE CONDOMINIUM UNITS OR THE AMOUNT OF REAL ESTATE TAXES PAYABLE AT ANY TIME BY A UNIT OWNER.

3. There are no tax certiorari proceedings are pending for the Condominium property.

OPINION OF COUNSEL
ON REAL ESTATE TAXES AND TAX EXEMPTION

5105 Junction LLC
51-05 Junction Boulevard
Elmhurst, NY11373

Re: 5105 Junction Condominium
51-05 Junction Boulevard
Elmhurst, NY11373

Dear Sir/Madam:

We have reviewed your Offering Plan including schedules, exhibits and documents for the Condominium known as 5105 Junction Condominium.

We have now been asked to render an opinion on (1) Tax Deduction on Real Estate Taxes; (2) Condominium Income Taxes; (3) Section 528 Tax Exemption; and (4) Condominium Common Interest Assignment with regard to the Unit Owners as well as for said Condominium.

In rendering this opinion, we have examined relevant documents including the Declaration of Condominium and the By-Laws. During this examination we have assumed the authenticity of all documents and the genuineness of all signatures. We have also considered applicable provisions of the Internal Revenue Code, as amended under Tax Cuts and Jobs Act (Hereinafter the "TCJA"), which came into effect on January 1, 2018, and the Tax Laws of the State of New York.

1. Tax Deduction on Real Estate Taxes

The Purchaser of a Condominium Unit at 5105 Junction Condominium will receive a legal title in fee simple to a Condominium Unit as well as ownership of an undivided interest in the common elements and in the limited common elements appurtenant to his/her Unit. As an owner in fee simple, the Purchaser has the right to take

out a separate mortgage as well as the obligation to pay property taxes on his/her/its individual Unit.

However, the new TCJA provides that (i), for the tax years between 2018 through 2025, interest that can be deducted from an individual's federal income taxes will be limited to the amount that he/she will have paid on the home acquisition indebtedness not exceeding $750,000.00. (26 U.S.C.§163(h)(3)(F)(i)(II)); and (ii) for the tax years between 2018 through 2025, individual deductions from federal tax income on the amount that he/she has paid as state, local real property taxes and personal property taxes shall not exceed $10,000.00 (26 U.S.C.§164(b)(6)(B)).

Therefore, it is our opinion that at the present time the owner of a Residential Condominium Unit of 5105 Junction Condominium may deduct from his/her federal income taxes all interest payments made on the mortgage indebtedness and real estate taxes in the year paid or accrued covering his/her/its Condominium Unit to the extent that are allowed under the new TCJA. It is to be noted that for federal income tax purposes, should an owner not use his/her Condominium Unit as a personal residence, but rather as an investment, he/she may be subject to overall limitations on the deductibility of investment interest.

2. Condominium Income Taxes

Although Condominiums are considered taxable entities under the rulings of the Internal Revenue Service, receipts from capital or special assessment may not be taxable assuming these assessments are properly designated and treated as trust funds. Under these circumstances the Condominium would not be subject to any significant taxable income from receipt of such trust funds other than possible investment income such as interest earned on the funds deposited in local banks.

3. Section 528 Tax Exemption

Section 528 of the Internal Revenue Code provides that a "Condominium Management Association" could elect to be exempt from federal taxes on income from membership fees, dues and assessments from Unit Owners, if the Condominium can satisfy the following requirements: (a) Substantially all of the Condominium Units (or at least eighty-five (85%) of the total square footage of all units within the project) must be used as residences; (b) ninety percent (90%) or more of its expenditures must be for the purposes of acquiring, constructing, managing, maintaining and caring for the Condominium property; (c) sixty percent (60%) or more of its gross income must consist of membership dues, fees and assessments; and (d) no part of the Condominium's net earnings may inure to the benefit of any private shareholder or individual.

Based on the information provided to us in the Offering Plan, we opine that, provided the Condominium is operated pursuant to the budget as described in Section G Schedule B herein, the Condominium will satisfy the Section 528 criteria and qualify to make an election under Section 528 of the Internal Revenue Code.

4. Condominium Common Interest Assignment

The percentage interest of each unit in the common elements shown in Schedule A of the Offering Plan is assigned so that such interest for each of the units shall be in approximate proportion that the fair value of the unit at the date of declaration bears to the aggregate fair value of all the units. In the case of 5105 Junction Condominium, the fair value is based on the calculations of the values of the salable net square footage provided by the Sponsor's architect. In our opinion, this method of assigning the percentage of common interest to each unit is in compliance with Real Property Law Section 339-I(1)(i). This opinion is based on other expert factual determinations as required by 13 NYCRR §20.3(i) (See Section H(a) in Part I of the Offering Plan for a copy of the letter of the real estate broker, Steve S. Cheung, dated as of November 20, 2020).

IN OUR OPINION, THE RESIDENTIAL UNITS OWNERS IN THE CONDOMINIUM WILL BE ELIGIBLE FOR THE REAL ESTATE TAX DEDUCTIONS, TAX TREATMENT AND EXEMPTION DESCRIBED IN SUBSECTIONS (1) THROUGH (3) ABOVE. THE TAX BENEFITS UNDER SUBSECTIONS (1) THROUGH (3) WILL LIKELY BE AVAILABLE TO UNITS OWNERS DURING THE FIRST YEAR OF CONDOMINIUM OPERATION. HOWEVER, OUR OPINION IN THE PROCEEDING PARAGRAPHS IS NOT A GUARANTEE; IT IS BASED ON EXISTING RULES OF LAW APPLIED TO THE FACTS AND DOCUMENTS REFERRED TO ABOVE. NO ASSURANCE CAN BE GIVEN THAT THE TAX LAWS UPON WHICH COUNSEL BASES THIS OPINION WILL NOT CHANGE. IN NO EVENT WILL THE SPONSOR, THE SPONSOR'S COUNSEL, THE BOARD OF MANAGERS OF THE CONDOMINIUM, THE SELLING AGENT OR ANY OTHER PERSON BE LIABLE IF THERE ARE CHANGES IN THE FACTS ON WHICH COUNSEL RELIED IN ISSUING THIS OPINION OR IF THERE ARE CHANGES IN THE APPLICABLE STATUTES, REGULATIONS, DECISIONAL LAW OR INTERNAL REVENUE SERVICE RULINGS ON WHICH COUNSEL RELIED WHICH CAUSE THE CONDOMINIUM TO COMMENCE OR CEASE TO MEET THE REQUIREMENTS OF SECTION 528 OF THE INTERNAL REVENUE CODE OF 1986, AS AMENDED, THE TCJA, OR THE NEW YORK STATE TAX LAW, AS AMENDED, AND CAUSE THE UNIT OWNERS NOT TO BE ENTITLED TO INCOME TAX DEDUCTIONS, OR WHICH CAUSE UNIT OWNERS NOT TO BE OR CEASE TO BE ENTITLED TO THE BENEFITS OR THE LEVEL OR DURATION OF BENEFITS DESCRIBED ABOVE.

We hereby authorize the use of this opinion, or a reproduction thereof, in the Plan.

Very truly yours,

Lawrence Lixin Yang, P.C.

SECTION U RESERVE FUND

1. (a) Under the provisions of the By-Laws, the Board has the right to establish a Reserve Fund for the future replacement of or additions to the common elements.

(b) In case additional funds are required to finance needed capital expenditures such as renewal or replacement of building components or systems or to remedy major building defects, the Board of Managers may make assessment against each condominium unit, borrow money from an institutional lender on behalf of the Unit Owners to finance such needed capital expenditures, and/or utilizes other means available to the Board of Managers under the Condominium By-Laws. 13 NYCRR § 20.3 (z)(5)

2. The Board shall fix and determine the sums necessary to maintain the Reserve Fund. The amount to be reserved shall be computed by means of a formula which is based upon the estimated life and estimated replacement cost of each reserve item.

3. There is no Reserve Fund in the current budget set forth in Section G, Schedule B, nor does it include any Reserve Fund for major capital improvements.

4. The Reserve Fund may not be used to reduce projected common charges while Sponsor is in control of the Board.

5. A reserve fund, when established, may only be used to pay for capital expenditure such as the renewal or replacement of building components or systems or to remedy major building defects. The sponsor will amend the plan if it determines to create a reserve fund.

SECTION V WORKING CAPITAL FUND

1. At the time of closing each Purchaser (but not Sponsor) shall contribute one (1) month's common charges to the Condominium's Working Capital Fund. This contribution shall not be credited against the purchase price as regular assessments. This is the one-time contribution until further assessments are made by the Board of Managers in the future.

2. (a) The Working Capital Fund shall be set aside and used for the start-up operation of the Condominium building, while each Unit owner, including Sponsor, shall commence payment of monthly common charges allocated to his/her/its Unit, the amount of which is provided in Schedule A of this Plan, as soon as the Condominium operation starts upon closing of the first Unit.

(b) The Working Capital Fund may not be used to reduce projected common charges in the Plan while Sponsor is in control of the Board.

3. Any budget item that has to be paid before the sale of the first Condominium Unit, e.g., insurance, shall be paid for by Sponsor and Sponsor shall be entitled to a pro-rata re-imbursement from Purchasers during the first year of condominium operation from the common charges as each Condominium Unit is sold.

4. (a) Closing adjustments between the Sponsor and the Board of Managers, if any, may be deducted only from the Working Capital Fund. The net closing adjustments, if in favor of the Sponsor, are to be paid from the Working Capital Fund contributed by Purchasers at closing.

(b) However, Sponsor does not anticipate any adjustments for prepaid expenses between the Sponsor and the Board of Managers at closing.

(c) Regardless of the amount of closing adjustments between Sponsor and the Board of Managers, Purchasers shall pay a minimum Working Capital Fund, which equals one (1) month's common charges, into the account of the condominium Board of Managers as provided in Paragraph 1 above.

13 NYCRR § 20.3 (z)(3) and (4)

5. (a) No representation is made that the Working Capital Fund will be sufficient to cover current or future expenses, including repair of the common elements, or other purposes as determined by the Board of Managers and its agents in their discretion.

(b) In case additional funds are required to finance needed capital expenditures such as renewal or replacement of building components or systems or to remedy major building defects, the Board of Managers may make assessment against each condominium unit, borrow money from an institutional lender on behalf of the Unit

Owners to finance such needed capital expenditures, and/or utilizes other means available to the Board of Managers under the Condominium By-Laws.

(c) Except as set forth above no Working Capital Fund has been provided for.

NEITHER THE DEPARTMENT OF LAW OF THE STATE OF NEW YORK NOR ANY OTHER GOVERNMENTAL AGENCY HAS MADE ANY JUDGMENT AS TO THE ADEQUACY OF ANY WORKING CAPITAL FUND BUDGET ITEM.

SECTION W

MANAGEMENT AGREEMENT, CONTRACTS AND LEASES

1. (a) The Board of Managers will enter into a Management Agreement with Sponsor (Hereinafter the "Managing Agent"). The Agreement will be for a term commencing upon the date of the conveyance of the first Unit and expiring two (2) years thereafter, at an annual fee of $2,722.00 payable in equal monthly installments. Such management fee is about ten percent (10%) of the total common charges. The projected cost for management of the condominium is neither greater than nor substantially less than the prevailing cost (ranging from four percent (4%) to twelve percent (12%)) which would be charged for such services. 13 NYCRR §20.3(h)(4)(ix). SUCH MANAGEMENT AGREEMENT WITH THE SPONSOR SHALL NOT BE CANCELLED FOR ONE (1) YEAR. After one (1) year, it may be cancelled by either party upon sixty (60) days written notice with or without cause (13 NYCRR 20.3(aa)(1)(vii).) The Managing Agent will be obligated to bill and collect common charges, hire and fire employees, supervise alterations and repairs, maintain the Condominium's books and records, advise the Board of Managers regarding its proposed annual budget, purchase supplies for the Condominium and generally perform the duties of a managing agent for condominium. In performing these duties, the managing agent may engage contractors on behalf of the Board of Managers for the purpose of carrying out the maintenance and repair of the common elements.

(b) Although the Managing Agent is affiliated with the sponsor, it shall nevertheless have a fiduciary duty to the Condominium.

2. The Board of Managers shall reimburse the Managing Agent for its costs and expenses incurred and indemnify the Managing Agent against any liabilities for the acts properly performed pursuant to the Agreement.

3. Until such time as the Declaration of the Condominium is recorded, Sponsor reserves the right to designate another person or entity as managing agent as per the terms set forth above as well as the right to enter into any new service or concession contracts or to renew or replace any such contract which may expire for the services described in Schedule B to this Plan.

4. No such contract, however, will be for a term expiring more than two (2) years after the recording of the Declaration, unless it provides for a cancellation thereafter upon ninety (90)-day written notice. Sponsor will endeavor to obtain all such new, renewal and replacement contracts on a competitive cost basis.

5. The Management Agreement is not assignable by the agent unless the Managing Agent is the Sponsor.

6. Other than the Management Agreement that the Board of Managers will enter into with the Managing Agent (Sponsor) with major terms as described in Subsections 1 and 2

above, the Sponsor has not entered into any agreements that will be binding on the condominium (13 NYCRR § 20.3(aa)(2)).

2. Unit Owners who have purchased a Parking Space Unit have the same rights and obligations with respect to the Parking Space Unit as with respect to the Unit to which it is appurtenant (See Section R in Part I of the Offering Plan).

3. Owners of the parking space units, including Sponsor in its role as owner of the parking space units, shall be responsible for: (i) all costs and expenses associated with the operation of the parking space area, and (ii) the payment of any maintenance costs and/or Special Assessments imposed by the Condominium Board related to the parking space units.

4. The Parking Space Units that are designated handicapped parking spaces will be sold or rented to Unit Owners with a parking permit for handicapped person. Section 1203 et al of the New York State Vehicle and Traffic Law will apply to the handicapped parking space. The Board of Manager will have the power and authority to enforce the rules (See Section D, Paragraph 3 in Part I of the Offering Plan for Covenants and Restrictions on Handicapped Parking Spaces).

5. Parking Space Unit 3 (Hereinafter the "PS3H") has been designated as a handicapped parking space and will be the last parking space sold if it has not previously been sold to a purchaser who themselves or a member of their family has a vehicle with handicapped plates. The purchase of PS3H and any subsequent sale or transfer of it is subject to the following covenants and restrictions in the deed:

(a) "(i) In the event that the present or future owner of a unit in the condominium or a member of his or her family residing in the unit becomes handicapped and acquires handicapped plates for his or her vehicle and said unit owner is the owner of a parking space, said unit owner has the right to demand that the owner of PS3H trade this PS3H with the parking space that said unit owner owns.

(ii) In the event the present or future owner of a unit or a member of his or her family member residing in the unit becomes handicapped and said unit owner does not own a parking space in the condominium, said unit owner has the right to demand that the owner of PS3H sell it at then current, fair market value to said unit owner. All costs and expenses entailed in the transfer of title to the parking spaces, including without limitation, title abstracts, title insurance, transfer taxes and recording fees and reasonable attorney fees (including the attorney fees for the owner of PS3H) shall be borne by the party requesting the transfer.

(iii) The owner of PS3H must comply with the demands in paragraphs (i) and (ii) as provided above upon thirty (30) days written notice.

(iv) If the parties cannot agree on the fair market value of PS3H then the parties agree to submit the matter to the Board of Managers for a decision."

(b) (i) If disagreement between the parties occurs as provided in this Subsection 3(a)(iv) above and sixty (60) days has elapsed since the demand was made, either party may submit a written request to the Board of Managers for the determination of the fair market value of PS3H.

(ii) Within thirty (30) days as of the receipt of the written request as provided in this Subsection 3 (b)(i) above, the Board of Managers will hire an appraiser, who is unrelated to either party, to appraise PS3H and the appraiser is required to submit an appraisal report to the Board within fourteen (14) days.

(iii) Upon receipt of said appraisal report, the Board of Managers will notify the parties and the market value that the appraiser has determined in the appraisal report shall be the purchase price of PS3H.

(iv) The parties shall complete the transaction within thirty (30) days as of the receipt of the notice from the Board of Managers.

(v) The costs and expenses related to the appraisal shall be borne by the party requesting the transfer.

(See Article VIII, Section 12 in Section HH in Part II of the Offering Plan.)

THIS PURCHASE AGREEMENT(Hereinafter the "Agreement") is made as of _____, 2021, between 5105 Junction LLC, a New York limited liability company, having an office at 51-05 Junction Boulevard, Elmhurst, NY 11373 (Hereinafter the "Sponsor/Seller") and _____, having an address at _____ (Hereinafter the "Purchaser").

W I T N E S S E T H

1. Purchase Price.

(a) The purchase price (Hereinafter the "Purchase Price") is $_____, payable as follows:

(i) $ _____, constituting a down payment in the amount of ten percent (10%) of the Purchase Price upon execution of this Agreement by check (subject to collection), receipt of which is hereby acknowledged; and

(ii) $ _____, constituting the balance of the Purchase Price, in cash or good certified check of Purchaser or official bank check, on the delivery of the deed as hereinafter provided (subject to the provisions of subsection 1(b) hereof).

(b) All checks shall be drawn on a New York bank or trust company which is a member of the New York Clearing House Association. All checks in payment of the portion of the Purchase Price referred to in subsection 1(a)(i) hereof shall be made payable to the order of "Lawrence Lixin Yang, P.C. As Attorney" and all checks in payment of the portion of the Purchase Price referred to in subsection 1(a)(ii) hereof shall be made payable to the direct order of the Sponsor/Seller.

(c) Any portion of the Purchase Price to be loaned by a bank, trust company or other lending institution may be paid on the Closing Date (as hereinafter defined), provided the Sponsor/Seller shall have been furnished with a copy of a written mortgage loan commitment accepted by Purchaser from such bank, trust company or other lending institution for such portion of the Purchase Price as is being borrowed, on or before the date such portion of the Purchase Price would otherwise have been due under subsection 1(a) hereof.

2. The Offering Plan and Provision of Conflicts.

(a) Purchaser acknowledges having received and read a copy of the Offering Plan for Condominium ownership of the premises located at 51-05 Junction Boulevard, Unit No. __, Elmhurst, New York and all amendments thereto filed with the Department of Law of the State of New York (Hereinafter the "Plan") within a seventy-two (72) hour period immediately preceding the execution of this Agreement by Purchaser. The Plan is incorporated hereby by reference and made a part hereof with the same force and effect as if set forth at length.

(b) In the event of any inconsistency between the terms of the Plan and those of this Agreement, the terms of the Plan shall control. (13 NYCRR § 20.3(o)(19))

3. Definitions.

Terms used herein which are also used in the Plan shall have the same meanings herein as therein unless the context otherwise requires.

4. Architectural Plans.

Purchaser has been given an opportunity to examine the architectural plans and specifications for the above-numbered Unit and for the building in which it is located (Hereinafter the "Building"), prepared by Chang Hwa Tan, Registered Architect, of Tan Architect P.C., with the office at 194-02 Northern Boulevard, Suite 205, Auburndale, NY 11358 (Hereinafter the "Architect").

5. Construction.

The construction of the building and Unit and the materials, equipment and fixtures installed therein shall be substantially in accordance with the plan and the Architectural Plans and specifications as said plans and specifications are modified or amended as provided in the plan. The issuance of a Final Certificate of Occupancy for entire Building shall be deemed presumptive evidence that the Building has been fully completed in accordance with the plans and specifications.

6. The Unit.

Sponsor/Seller agrees to sell and convey and Purchaser agrees to purchase the Unit (Hereinafter the "Unit") designated as Unit No. ____ in the Declaration, together with a _____% undivided interest in the Common Elements appurtenant thereto, together with and subject to the easements, covenants, rights and benefits set forth in the Declaration and By-Laws, and upon and subject to the terms and conditions set forth herein.

7. Closing.

(a) The closing of title shall take place on no less than thirty (30) days' written notice to Purchaser's Attorney at such place as Sponsor/Seller may designate, at an hour and on a date (Hereinafter the "Closing Date") to be specified by Sponsor/Seller. Such date shall be no earlier than thirty (30) days after the date on which written notice is given to Purchaser's Attorney that the Plan has been declared effective (unless Purchaser and Sponsor/Seller shall agree on an earlier Closing Date). The closing of title may be adjourned to such later date as the parties may agree upon in writing, or otherwise as set forth in the following paragraph, and such adjourned date shall then be deemed the Closing Date hereunder. Purchaser shall be entitled to one (1) reasonable adjournment of up to fifteen (15) days, on five (5) days written notice by Purchaser to Sponsor/Seller.

(b) The Sponsor/Seller may be entitled to reasonable adjournments in the closing of title in the event of delays by reason of weather conditions, strikes or material shortages, or delays in inspections and reports thereon, or other requirements.

(c) The Sponsor anticipates that the first closing of the Unit will occur on or about July 1, 2021. Purchasers will be offered a right of rescission if the actual date of closing of title to the first Unit occurs later than July 1, 2022, i.e., twelve (12) months after the projected date for the closing of title to the first Unit. If the Plan is amended to provide a later projected date for the first closing, purchasers who enter into purchase agreements after the amendment is accepted for filing will be entitled to an offer of rescission if the first closing occurs more than twelve (12) months beyond that amended, later date.

(d) Purchasers should note that even if the first closing occurs on or before July 1, 2021 (or such other date projected as the date of commencement of the operation at the time the purchase agreement was entered into), or within the twelve (12) months period thereafter, the closing of subsequent units may be substantially delayed beyond such dates if a TCO has not been issued for such units or for the floor on which such units are located. In such case, provided that sponsor is diligently pursing completion of construction and the issuance of a certificate of occupancy and is otherwise in compliance with its obligations under the Plan, Purchaser will not be entitled to a right of rescission or to make claims against the sponsor for damages or losses as a result of such delays and will not be excused from paying the full purchase price for the unit. PROSPECTIVE PURCHASERS SHOULD THEREFORE CAREFULLY CONSIDER THE POSSIBILITY OF SUCH DELAYS IN THEIR DETERMINATION AS TO WHETHER TO PURCHASE A UNIT.

8. Delivery of the Deed and Power of Attorney to the Condominium Board.

(a) At the closing of title, Sponsor/Seller shall deliver to Purchaser a bargain and sale deed with covenants against grantor's acts conveying title to the Unit to Purchaser (Hereinafter the "Deed"). The Deed shall be prepared by Sponsor/Seller substantially in the form set forth in Part II of the Plan and shall be executed and acknowledged by Sponsor/Seller in the form necessary for recording.

(b) At the closing of title, and simultaneously with the delivery of the Deed conveying the Unit to Purchaser, Purchaser shall execute and acknowledge a Power of Attorney to the Condominium Board prepared by Sponsor/Seller and substantially in the form set forth in Part II of the Offering Plan (Hereinafter the "Power of Attorney").

(c) The Deed and Power of Attorney to the Condominium Board shall be delivered to the representative of the title company insuring Purchaser's title (or if no such representative is present, then to Sponsor/Seller's Attorney) for recording in the Office of the City Register of the City of New York (Hereinafter the "City Register's Office"). After being recorded, the Deed shall be returned to Purchaser and the Power of Attorney shall be sent to the Condominium Board.

9. Marketable Title.

At the closing of title, Sponsor/Seller shall convey to Purchaser good and marketable title in fee simple, free and clear of all encumbrances other than those set forth in Exhibit A hereto annexed, which has been made a part hereof, and mortgages, if any, covering the Unit, which Purchaser assumes. Any encumbrances to which title is not to be subject shall not be an objection to title if: (a) the instrument required to remove it of record is delivered to the proper party together with the recording or filing fees or (b) Liberty Land Abstract, Inc., or any other reputable title insurance company will insure Purchaser that it will not be collected out of the Unit if it is a lien, or will not be enforced against the Unit if it is not a lien.

10. Expenses of Closing and Closing Adjustments.

(a) Purchaser will pay the closing costs and expenses referred to in Section N of the Plan (as same may be amended from time to time) entitled "Unit Closing Costs and Adjustments", including, without limitation, the New York State Real Estate Transfer Tax and the New York City Real Property transfer taxes, the amount of any credit for mortgage recording tax, legal fee for Sponsor/Seller's attorney, travel fee for Sponsor/Seller's attorney, if applicable, and the Purchaser's proportionate share of the fee for 421-a Partial Tax Exemption program paid to the City of New York as set forth in said Section, if applicable. Purchaser shall make the contribution to the working capital of the Condominium referred to in said Section. Real estate taxes and common charges and expenses shall be adjusted between Sponsor/Seller and Purchaser as of midnight preceding the Closing Date in accordance with the provisions of the Plan. Any such expenses or adjustments payable to Sponsor/Seller in excess of $1,000.00 will be paid by certified check or bank check.

(b) The following closing fees will be charged by the attorney for Sponsor/Seller in connection with the closing of title to the Unit(s):

(i) Attorney Fee. A closing fee in the amount of $1,500.00 for a residential unit or a parking space unit (if carried out as an independent transaction) will be charged by the attorney for Sponsor in connection with the closing of title to the Unit(s).

(ii) Assignment/Amendment Fee. A legal fee in the amount of $350.00 for each assignment of, and/or amendment to, the Purchase Agreement required by the Purchaser

(iii) Attendance Fee. The closing is to be held at the office of Sponsor/Seller's Attorney. There will be an additional $350.00 attendance fee if Purchaser desires to have the closing at a location other than the office of Sponsor's attorney.

(iv) Assistance Fee for Mortgage Application. If the Purchaser's obligations under this Agreement are contingent upon obtaining a mortgage pursuant to

Paragraph 13(b) of the Purchase Agreement and Purchaser requires Sponsor/Seller's attorney to provide assistance in obtaining such mortgage, such as providing Attorney Escrow Letter, documents on sales and closing of condominium units, status of condominium, condominium questionnaire and other related information to the Purchaser's mortgage lender and/or broker, Purchaser is willing to pay an additional amount of $350.00 to Sponsor/Seller's attorney as legal fee.

(c) In the event that the Purchaser desires to terminate or otherwise cancel the Purchase Agreement that is fully executed and in full force and effect, the Purchaser agrees to pay fifty percent (50%) of the Sponsor/Seller's attorney fee (or $875.00 with assistance in obtaining purchase mortgage, or $750.00, without such assistance), as provided in Section N, unless such termination or cancellation is due to the fact that Sponsor/Seller is in default and Purchaser is entitled to such termination or cancellation.

(d) Recording charges, fees and taxes, as set forth in the Plan, are based on the rates in effect on the date of the Plan and are subject to change without notice.

11. Escrow of Deposits.

(a) The law firm of Lawrence Lixin Yang, P.C., with an address at 135-11 Northern Boulevard, 2nd Floor, Flushing, New York 11354, and a telephone number of (718) 886-7999, shall serve as escrow agent (Hereinafter the "Escrow Agent") for the Sponsor and Purchaser. Escrow Agent has designated the following attorney(s) to serve as signatories: Lawrence (Lixin) Yang. All designated signatories are admitted to practice law in the State of New York. Neither the Escrow Agent nor any authorized signatories on the account are the Sponsor, Selling Agent, Managing Agent, or any principal thereof, or have any beneficial interest in any of the foregoing.

(b) Escrow Agent and all authorized signatories hereby submit to the jurisdiction of the State of New York and its Courts for any cause of action arising out of the Purchase Agreement or otherwise concerning the maintenance of release of the Deposit from escrow (Hereinafter the "Deposit").

(c) The Escrow Agent has established the escrow account at Citibank, located at 215 Jericho Turnpike, Floral Park, New York 11001, in the State of New York (Hereinafter the "Bank"), a bank authorized to do business in the State of New York. The escrow account is entitled 5105 Junction Condominium Escrow Account (Hereinafter the "Escrow Account"). The Escrow Account is an IOLA account. The Escrow Account is federally insured by the FDIC at the maximum amount of $250,000.00 per deposit. Any deposit in excess of $250,000.00 will not be insured. Additionally, any other deposits a purchaser has at the escrow bank will count toward the $250,000.00 FDIC insurance limit.

(d) All Deposits received by Purchaser shall be in the form of checks, money orders, wire transfers, or other instruments, and shall be made payable to or endorsed by the Purchaser to the order of Lawrence Lixin Yang, P.C., as Escrow Agent.

(e) No fees of any kind may be deducted from the Escrow Account, and the Sponsor/Seller shall bear all costs associated with the maintenance of the Escrow Account.

(f) Within five (5) business days after the Purchase Agreement has been tendered to Escrow Agent along with the Deposit, the Escrow Agent shall sign the Purchase Agreement and place the Deposit into the Escrow Account. Within ten (10) business days of the placing the Deposit in the Escrow Account, the Escrow Agent shall provide written notice to Purchaser and Sponsor/Seller, confirming the Deposit. The notice shall provide the account number. Any Deposits made for upgrades, extras, or custom work shall be initially deposited into the Escrow Account, and released in accordance with the terms of the Purchase Agreement.

(g) The Escrow Agent is obligated to send notice to the Purchaser once the Deposit is placed in the Escrow Account. If the Purchaser does not receive notice of such Deposit within fifteen (15) business days after tender of the Deposit, he/she/it may cancel the Purchase Agreement within ninety (90) days after tender of the Purchase Agreement and Deposit to Escrow Agent. Complaints concerning the failure to honor such cancellation requests may be referred to the New York State Department of Law, Real Estate Finance Bureau, 28 Liberty Street, 21st Floor, New York, NY 10005-1413. Rescission shall not be afforded where proof satisfactory to the Attorney General is submitted establishing that the Deposit was timely placed in the Escrow Account in accordance with the New York State Department of Law's regulations concerning Deposits and requisite notice was timely mailed to the Purchaser.

(h) All Deposits, except for advances made for upgrades, extras, or custom work received in connection with the Purchase Agreement, are and shall continue to be the Purchaser's money, and may not be comingled with any other money or pledged or hypothecated by Sponsor/Seller, as per GBL§352-h.

(i) Under no circumstances shall Sponsor/Seller seek or accept release of the Deposit of a defaulting Purchaser until after consummation of the Plan, as evidenced by the acceptance of a post-closing amendment by the New York State Department of Law. Consummation of the Plan does not relieve the Sponsor/Seller of its obligations pursuant to GBL §§ 352-e (2-b) and 352-h.

(j)

(i) The Escrow Agent shall release the Deposit if so directed:

(1) Pursuant to the terms and conditions set forth in the Purchase Agreement in Paragraph 7 upon closing of title to the Unit; or

(2) In a subsequent writing signed by both Sponsor/Seller and Purchaser; or

(3) By a final, non-appealable order or judgment of a court.

If the Escrow Agent is not directed to release the Deposit pursuant to paragraphs (1) through (3) above, and the Escrow Agent receives a request by either party to release the Deposit, then the Escrow Agent must give both the Purchaser and Sponsor/Seller prior written notice of not fewer than thirty (30) days before releasing the Deposit. If the Escrow Agent has not received notice of objection to the release of the Deposit prior to the expiration of the thirty (30) day period, the Deposit shall be released and the Escrow Agent shall provide further written notice to both parties informing them of said release. If the Escrow Agent receives a written notice from either party objecting to the release of the Deposit within said thirty (30) day period, the Escrow Agent shall continue to hold the Deposit until otherwise directed pursuant to paragraphs (1) through (3) above. Notwithstanding the foregoing, the Escrow Agent shall have the right at any time to deposit the Deposit contained in the Escrow Account with the clerk of the county where the Unit is located and shall give written notice to both parties of such deposit.

(ii) The Sponsor/Seller shall not object to the release of the Deposit to:

(1) A Purchaser who timely rescinds in accordance with an offer of rescission contained in the Plan or an Amendment to the Plan; or

(2) All Purchasers after an Amendment abandoning the Plan is accepted for filing by the Department of Law.

The Department of Law may perform random reviews and audits of any records involving the Escrow Account to determine compliance with all applicable statutes and regulations.

(k) Any provision of any Purchase Agreement or separate agreement, whether oral or in writing, by which a Purchaser purports to waive or indemnify any obligation of the Escrow Agent holding any Deposit in trust is absolutely void. The provisions of the Attorney General's regulations and GBL §§ 352-e (2-b) and 352-h concerning escrow trust funds shall prevail over any conflicting or inconsistent provisions in the Purchase Agreement, Plan, or any amendment thereto.

(l) Escrow Agent shall maintain the Escrow Account under its direct supervision and control.

(m) A fiduciary relationship shall exist between Escrow Agent, and Purchaser, and Escrow Agent acknowledges its fiduciary and statutory obligations pursuant to GBL§§ 352-e (2-b) and 352-h.

(n) Escrow Agent may rely upon any paper or document which may be submitted to it in connection with its duties under this Purchase Agreement and which is believed by Escrow Agent to be genuine and to have been signed or presented by the proper party or parties and shall have no liability or responsibility with respect to the

form, execution or validity thereof.

(o) Sponsor/Seller agrees that Sponsor/Seller and its agents, including any selling agents, shall deliver the Deposit received by them prior to closing of the Unit to a designated attorney who is a member of or employed by Escrow Agent, within two (2) business days of tender of the Deposit by Purchaser.

(p) Sponsor/Seller agrees that it shall not interfere with Escrow Agent's performance of its fiduciary duties and statutory obligations as set forth in GBL §§ 352-e (2-b) and 352-h and the New York State Department of Law's regulations.

(q) Sponsor/Seller shall obtain or cause the selling agent under the Plan to obtain a completed and signed Form W-9 or W-8, as applicable, from Purchaser and deliver such form to Escrow Agent together with the Deposit and this Purchase Agreement.

(r) Prior to release of the Deposit, Escrow Agent's fees and disbursements shall neither be paid by Sponsor/Seller from the Deposit nor deducted from the Deposit by any financial institution under any circumstance.

(s) Sponsor/Seller agrees to defend, indemnify and hold Escrow Agent harmless from and against all costs, claims, expenses and damages incurred in connection with or arising out of Escrow Agent's responsibilities arising in connection with this Purchase Agreement or the performance or non-performance of Escrow Agent's duties under this Purchase Agreement, except with respect to actions or omissions taken or suffered by Escrow Agent in bad faith or in willful disregard of the obligations set forth in this Purchase Agreement or involving gross negligence of Escrow Agent. This indemnity includes, without limitation, disbursements and attorneys' fees either paid to retain attorneys or representing the hourly billing rates with respect to legal services rendered by Escrow Agent to itself.

12. Binding Effect of Declaration, By-Laws and Rules and Regulations.

Purchaser hereby accepts and approves the Plan (including the Declaration, By-Laws and Rules and Regulations contained therein) and agrees to abide and be bound by the terms and conditions thereof.

13. Agreement Subject to Mortgage.

(a) No encumbrances shall arise against the Property as a result of this Agreement or any monies deposited hereunder. In furtherance and not in limitation of the provisions of the preceding sentence, Purchaser agree(s) that the provisions of this Agreement are and shall be subject and subordinate to the lien of any mortgages heretofore or hereafter made and any payments or expenses already made or incurred, pursuant to the terms thereof, or incidental thereto, or to protect the security thereof, to the full extent thereof without the execution of any further legal documents by Purchaser.

Sponsor/Seller shall, at its option, either satisfy such mortgages or obtain a release of the Unit and its undivided interest in the Common Elements from the lien of such mortgages on or prior to the Closing Date unless Purchaser assumes such mortgages. The existence of any mortgage or mortgages encumbering the Property, or portions thereof, other than the Unit and its undivided interest in the Common Elements, shall not constitute an objection to title or excuse Purchaser from completing payment of the Purchase Price or performing all of his/her/its other obligations hereunder or be the basis of any claim against, or liability of, Sponsor/Seller, provided that any such mortgage is subordinated to the Declaration and the Unit is released from the lien of such mortgage.

(b) (I) Purchaser may make his/her/its obligations under the Agreement contingent upon obtaining a mortgage loan from an institutional lender selected by the Purchaser(s) by executing the Mortgage Addendum to Purchase Agreement attached hereto and compliance with the terms therein. In the event Purchaser does not comply with the terms set forth in the Mortgage Addendum to Purchase Agreement, Sponsor/Seller shall be entitled to declare this Agreement in default and retain the Down Payment and interest as liquidated and agreed upon damages. Should Purchaser comply with the terms set forth in the Mortgage Addendum to Purchase Agreement and fail to obtain a mortgage loan, Sponsor/Seller shall return the Down Payment and interest if any to Purchaser and thereafter the parties shall be released from any obligation under this Agreement.

(II) Under New York law, when a mortgage commitment is not fulfilled through no fault of a purchaser, performance is excused. Therefore, if the purchaser acts in good faith and the lender revokes the loan commitment after the contingency period expires, performance is excused, and the sponsor must grant to such purchaser a right of rescission and a reasonable period of time to exercise such right.

(III) Purchaser(s) will not be required to use a sponsor-preferred lender for the purpose of executing any mortgage financing.

(c) Therefore, if the obligations of a Purchaser under a Purchase Agreement are not conditioned on obtaining financing, any prospective Purchaser who executes a Purchase Agreement and does not obtain financing may lose his/her/its deposit if he/she/it is unable to otherwise raise the monies for the balance of the Purchase Price. Prospective Purchasers who require financing are advised to consult with a lending institution before execution of a Purchase Agreement. No representation is made by the Sponsor/Seller as to the availability or cost of such financing.

14. Agreement Subject to Plan Becoming Effective; Sponsor/Seller's Right to Cancel.

(a) This Purchase Agreement is contingent upon the Plan being declared effective. The Plan may be abandoned by Sponsor/Seller at any time prior to its being declared effective and shall be abandoned and deemed abandoned if it has not been declared effective within the time prescribed by the Plan. In the event Sponsor/Seller has decided to abandon the Plan after it has accepted Purchase Agreements, Sponsor/Seller

shall promptly submit an amendment to the Office of the Attorney General of the State of New York along with Form RS-3 as promulgated by the Office of the Attorney General. If any payments have been received by Sponsor/Seller under the Purchase Agreements, such payments shall be returned in the form of checks in full amount with any interest earned thereon, if any, within five (5) days after the amendment abandoning the Plan has been accepted for filing by the Office of the Attorney General.

(b) If, after the Plan is declared effective, title to the Unit shall not close within the time set forth herein or in the Plan for any reason other than Purchaser's default, then, at Purchaser's option upon thirty (30) days written notice, this Purchase Agreement shall be deemed cancelled. If this Purchase Agreement is cancelled pursuant to the provisions of this paragraph, then not later than five (5) days thereafter, Purchaser shall receive a refund in full, of all monies paid by Purchaser hereunder, with the interest earned thereof, if any, and upon such repayment, neither party shall have any claim against the other and both shall be released from all obligations hereunder.

15. Default by Purchaser.

(a) In the event Purchaser shall fail to make any payment on the date hereinbefore provided or on such later date as the parties hereto shall agree upon, shall fail to close title on the closing date, or shall fail to perform any of the Purchaser's other obligations hereunder, Sponsor/Seller may send notice to Purchaser of Sponsor/Seller's intention to cancel this Agreement if such default shall not be cured within thirty (30) days thereafter. TIME IS OF THE ESSENCE TO CURE SUCH DEFAULT WITHIN THE SAID THIRTY (30) DAY PERIOD. If within said thirty (30) day period Purchaser shall fail to cure such default, Sponsor/Seller may at its option, cancel this Agreement by notice of cancellation to Purchaser sent within thirty (30) days after the sending of the said notice of intention to cancel, and there upon this Agreement shall be deemed cancelled. In the event that Sponsor/Seller shall elect so to cancel this Agreement, Sponsor/Seller shall certify to the Escrow Agent, Lawrence (Lixin) Yang, Esq./Lawrence Lixin Yang, P.C. that Purchaser has defaulted and that Sponsor/Seller has elected to cancel this Agreement by reason thereof. If, within three (3) days after the sending of notice of cancellation, Purchaser shall have failed to object thereto by Notice to the Escrow Agent, sent by certified mail, return receipt requested, all payments made by Purchaser pursuant to this Agreement, together with all other sums theretofore paid by Purchaser hereunder, shall be retained by Sponsor/Seller as liquidated damages. In no event shall liquidated damages exceed ten percent (10%) of the Purchase Price plus the cost of any special work ordered. If this Agreement shall be cancelled by Sponsor/Seller pursuant to the provisions of this paragraph, Sponsor/Seller may sell the Unit to any third party and Sponsor/Seller shall be under no obligation to account to Purchaser for any part of the proceeds of such sale. If Purchaser shall have objected to Sponsor/Seller's notice of cancellation within the aforesaid three (3) day period, Sponsor/Seller will retain all payments made by Purchaser pursuant to this Agreement until the dispute is resolved, but Sponsor/Seller shall nevertheless have the right to sell the Unit to any third party without any obligation to account to Purchaser for any part of the proceeds of such sale.

(b) The Escrow Agent may rely on the truth and accuracy of the facts contained in Sponsor/Seller's certification and the authority of the person or persons executing the same. In the event of Purchaser's default, no funds will be released to Sponsor/Seller without the signature of Sponsor/Seller's attorney.

16. Possession of Unit Prior to Closing.

It is expressly understood and agreed that, except as otherwise provided in Section K in Part I of the Offering Plan, Purchaser shall not take possession of the Unit prior to the time of the delivery of the deed and full compliance by Purchaser with the terms of this Agreement. Should Purchaser violate this provision, Purchaser hereby consents that Sponsor/Seller shall have the right to remove him/her/it from the Unit as a squatter and intruder by summary proceedings. Upon the Purchaser's unauthorized possession, Purchaser shall be deemed in default hereunder at the option of Sponsor/Seller, and if Sponsor/Seller so elects, the Sponsor/Seller may cancel this Agreement and the amount deposited hereunder shall belong to Sponsor/Seller as liquidated damages deemed earned hereunder. It is further understood and agreed that Sponsor/Seller will not be responsible for damage or loss to any personal property before, on or after the closing of title herein.

17. Sponsor/Seller's Inability to Convey the Unit.

In the event Sponsor/Seller is unable to deliver title to the Unit to Purchaser for any reason, other than Sponsor/Seller's obligation to cure violations and title which cost up to one-half (½) of one percent (1%) of the total Purchase Price, Sponsor/Seller's liability shall be limited to the return of the money deposited hereunder and upon return of said money, this Agreement shall be null and void and the parties hereto released from any and all liability hereunder. In any event, Sponsor/Seller shall not be obligated to bring any action or proceeding or otherwise incur any cost or expense of any nature whatsoever to cure such inability, and in such case, if Sponsor/Seller notifies Purchaser of its refusal to cure such inability and if Purchaser is not in default hereunder, Purchaser shall have the option to (a) take title to the Unit subject to such inability (without any abatement in, or credit against, the Purchase Price, or any claim or right of action against Sponsor/Seller for damages or otherwise) or (b) terminate this Agreement. If Purchaser so elects to terminate this Agreement, Sponsor/Seller shall within ten (10) days after receipt of notice of termination from Purchaser, return to Purchaser all sums deposited hereunder, and upon making such payment, this Agreement shall be null and void and neither party shall have any further rights, obligations or liability to or against the other and the parties shall be released and discharged from all obligations and liabilities under this Agreement and the Plan. The foregoing option must be exercised by notice of Purchaser in writing to Sponsor/Seller within ten (10) days after the giving of Sponsor/Seller's notice of refusal to cure such inability. If Purchaser fails to give any notice to Sponsor/Seller, it shall be conclusively deemed that Purchaser elected the second option above to terminate this Agreement.

18. Acceptance of Condition of Unit; Risk of Loss.

(a) Purchaser shall accept title (without abatement in or credit against the Purchase Price or provision of escrow) notwithstanding that construction of (i) minor details of the Unit or the Building in which it is located or (ii) other Units or (iii) the landscaped area or (iv) other portions of the common elements have not been completed. Purchaser will examine his/her/its Unit with a representative of the Sponsor/Seller during normal business hours within seventy-two (72) hours prior to the Closing Date and will sign and deliver to Sponsor/Seller on or before the Closing Date a Final Inspection Statement and Punchlist in the form as Exhibit B hereto annexed, acknowledging the condition in which he/she/it has received his/her/its Unit.

(b) (Omit this paragraph, if the Unit has not been completed.) Purchaser represents to Sponsor/Seller that he/she/it has examined the Unit and agrees that his/her/its execution of this Purchase Agreement shall constitute acceptance of the Unit and the Building and all fixtures, machinery, equipment, furnishings, appliances, installations and other personal property contained therein, in their present condition on the date of this Purchase Agreement, subject to reasonable use, wear, tear, and natural deterioration between the date of this Purchase Agreement and the Closing Date.

(c) The risk of loss from fire or other casualty to the units, Common Elements and Limited Common Elements remains with Sponsor/Seller unless and until legal title to the Unit has been conveyed to Purchaser. Thereafter, it passes to the Unit Owner together with the limited common elements to which, as Unit Owner, has access.

(d) It should be noted that insurance for the condominium covers the Unit but the Purchaser is responsible for the contents of the Unit (i.e., Purchaser's personal property).

(e) It is a special risk if Purchaser enters into possession prior to closing in which case, Purchaser assumes the risk of loss for property not covered by the insurance for the units and for any Purchaser who enters into possession before closing. It is recommended that Purchaser obtain insurance for his/her/its personal property.

(f) If an Interim Lease is entered pursuant to Section J in Part I of the Offering Plan, the risk that an Interim Lessee assumes is the risk of loss for the personal property not covered by the condominium insurance. Insurance proceeds are available to either Sponsor/Seller or the condominium for loss to the Unit and an Interim Lessee shall not assume such loss.

(g) (i) In the event that loss or damages have resulted from fire or other casualty to the units, common elements and limited common elements prior to closing, the notification to the purchasers in contract will be given within ten (10) days after the occurrence of the casualty.

(ii) Furthermore, Sponsor will notify the purchasers in contract within

fourteen (14) days of such occurrence whether or not it will repair any damage resulting from a casualty prior to the closing of a unit:

(I) If Sponsor elects to repair such damages, it will do so as promptly as possible and restore the unit, common elements and limited common elements to substantially the same condition as prior to the casualty. In such a case, a purchaser will be required to make a good faith effort to extend the term of the commitment to enable the Sponsor to repair the damage but in the event that an extension is not obtained, the purchaser will be offered a right of rescission.

(II) If Sponsor elects not to repair such damages, it will notify Purchaser of its intention to terminate this Agreement and return to Purchaser all sums deposited hereunder (including advances made for upgrades, extras, or custom work, if any) within ten (10) days, and upon such return, this Agreement shall be null and void and neither party shall have any further rights, obligations or liability to or against the other arising out of this Agreement and the Plan.

(See Section K, Paragraph 38 in Part I of the Offering Plan.)

(h) If the closing delays more than six (6) months due to Sponsor/Seller's inability to repair the damages, Purchaser may also rescind the Purchase Agreement and receive the refund of downpayment, in addition to any other right of rescission granted to Purchaser under the Plan.

19. Broker.

The Purchaser represents to Sponsor/Seller that _____ is the only broker or sales agent with whom Purchaser has dealt in connection with this transaction and Sponsor/Seller agrees to pay the commission earned by said broker, if any, pursuant to a separate agreement. Purchaser agrees that should any claim be made against Sponsor/Seller for commissions by any broker, other than the above-named broker on account of any acts of Purchaser or Purchaser's representatives, Purchaser will indemnify and hold free and harmless Sponsor/Seller from and against any and all liabilities and expenses in connection therewith, including reasonable legal fees. The provisions of this Article shall survive the delivery of the deed.

20. Warranties.

(a) This Condominium Building shall be subject to the Housing Merchant Implied Warranty under Article 36-B of the General Business Law of the State of New York. Under the relevant provisions, a housing merchant implied warranty shall mean that: (i) one (1) year from and after the warranty date (which is defined as the date of the passing of title to the first owner for occupancy by such owner or such owner's family as a residence, or the date of first occupancy of the home, in this case, the Unit, as a residence, whichever first occurs) the Unit will be free from defects due to a failure to have been constructed in a skillful manner; (ii) two (2) years from and after the warranty

date the plumbing, electrical, heating, cooling and ventilation systems of the Unit will be free from defects due to a failure by the builder to have installed such systems in a skillful manner; and (iii) six (6) years from and after the warranty date the Unit will be free from material defects. (See Section MM in Part II of the Offering Plan)

(b) The Sponsor will assign to the Purchaser upon closing of title to his Unit and the Board of Managers upon the recording of the Declaration as applicable, warranties, if any, or manufacturers and subcontractors warranties relating to heating, electrical work, plumbing and appliances, as well as bonds relating to the Purchaser's unit of the common elements respectively, if any. Sponsor undertakes to do the above only to the extent that warranties are actually made by such manufacturers and subcontractors and only to the extent such warranties and bonds are assignable. Subsequent to the conveyance of title to a Unit, Sponsor shall not be responsible for paint touch-ups to a Unit, dented porcelain or formica chips. Sponsor has no obligation to make any repair to the Units or the common elements except as expressly set forth in Exhibit B, if any, entered between the parties at closing.

(c) Notwithstanding any warranty transferred to the Condominium or unit owners, the Sponsor/Seller remains liable to perform the construction of the premises in accordance with the Plan and applicable law. Therefore, if there are any patent or latent defects in the construction of the Condominium Unit and the Common Elements or in the installation or operation of any mechanical equipment therein due to materials or improper workmanship substantially at variance with the plans and specifications, Sponsor/Seller will cure such defects as promptly as possible, provided that it is notified of them in writing by certified mail within one (1) year from the date of the closing of title to the Unit in which the alleged defect exists, or in the case that such defect exists in the Common Elements, the date of substantial completion of such Common Elements, whichever later occurs, unless there is a latent defect due to faulty construction by Sponsor that could not be discovered within such timeframe.

(d) Purchaser should note that:

(i) No steps taken by Sponsor/Seller to correct a defect shall act to extend the warranty period.

(ii) Sponsor/Seller accepts no responsibility for any warranty obligation for incidental or consequential damage caused by any defect.

(iii) These warranties give Purchaser specific legal rights. Purchaser may have other rights under State law.

(iv) These warranties are extended to you as Purchaser and are not extended to any subsequent Purchaser and mortgage lender who takes possession of the Unit.

(v) These warranties shall be void if Purchaser misuses, abuses or

otherwise interferes with or changes Sponsor/Seller's original construction or installations.

(vi) Sponsor/Seller is not responsible for any work or material ordered directly by Purchaser from Sponsor/Seller's contractors or suppliers.

(vii) These warranties are specifically in lieu of any other guarantee or warranty, express or implied including any warranty of merchantability.

(viii) The provisions of this Paragraph shall survive the delivery of the deed.

(e) Sponsor's obligation, regardless of any limitations in the warranty or in this offering plan, is to construct the premises in accordance with all applicable codes and filed plans and specifications, and that any conflict between the disclaimers and the sponsor's obligation to construct the premises in accordance with all applicable codes and filed plans and specifications shall be resolved in favor of the latter.

21. Condominium Smoking Policy

(a) Upon commencement of the condominium operation, the Board of Managers of the Condominium shall, in compliance with the City of New York Administrative Code § 17-506.1. et al (Local Law 147) and the New York State Department of Law regulations, adopt a condominium smoking policy substantially in the form as Exhibit C hereto annexed.

(b) The condominium smoking policy is a material term of the Offering Plan and is incorporated into and form part of the Purchase Agreement, Interim Lease and the Condominium By-Laws. It must be incorporated into any agreement to rent a Unit or part thereof.

(c) The condominium smoking policy will be applicable to all Unit Owners, Tenants, the invitees as well as any other person on the premises.

(d) This Subsection 21 shall survive closing of title.

22. Agreement May Not Be Assigned.

(a) Purchaser shall not have the right to assign this Agreement without the prior written consent of Sponsor/Seller and any purported assignment of this Agreement in violation hereof shall be voidable at the option of Sponsor/Seller.

(b) With regard to consent to any proposed assignment of Purchase Agreement, the Sponsor/Seller and its agents will not discriminate against any person on the basis of race, creed, color, national origin, sex, age, disability, marital status or other grounds prohibited by law. (13 N.Y.C.R.R. § 20.3(ae) (3))

23. Counterparts and Binding Effect.

(a) This Agreement may be (i) executed in several counterparts, all of which shall constitute one and the same instrument, and (ii) delivered by telecopy, facsimile or in portable document format (PDF) by electronic mail (which shall be deemed an original for all purposes). This Agreement shall not be binding on Purchaser or Sponsor/Seller until a fully executed copy hereof has been furnished to Purchaser or his/her/its attorney.

(b) If this Agreement is not accepted within twenty (20) days from the date hereof by the furnishing to Purchaser or his/her/its attorney of a fully executed copy, this Agreement shall be deemed to have been rejected and cancelled and the Deposit (if paid upon execution hereof), with interest accrued thereon, if any, shall be returned promptly to Purchaser.

MORTGAGE ADDENDUM

TO

PURCHASE AGREEMENT

By and Between

5105 Junction LLC

And

_____

Dated _____ 2021

For the Purchase of Unit #_____

5105 Junction Condominium
51-05 Junction Boulevard
Elmhurst, NY 11373

1. Purchaser(s) hereby elects to use mortgage financing to financing a portion of the Total Purchase Price of the Unit and Purchaser(s) shall, within ten (10) days from the date of the receipt of a fully executed copy of this Agreement, submit a duly executed loan application to an institutional lender selected by the Purchaser(s) which engages in mortgage financing of residential real estate (Hereinafter the "Mortgage Lender") for a mortgage loan at the fixed prevailing rate of interest at the time of closing, and upon such other terms and conditions as are determined by the Mortgage Lender. Purchaser(s) acknowledges that the rate of interest, any predictions or representation of present or future interest rates which may have been contained in any advertising or promotion by Sponsor/Seller are not binding. Purchaser(s) will not be required to use a sponsor-preferred lender for the purpose of executing any mortgage financing.

2. (a) Purchaser(s) shall promptly execute all instruments required to the Mortgage Lender and Purchaser(s) shall promptly comply with any and all requirements of the Mortgage Lender.

(b) The Purchaser(s) must notify the Sponsor/Seller of his/her/its failure to obtain a written mortgage commitment, or his/her/its being rejected by the Mortgage Lender for a mortgage within forty-five (45) days of the receipt of a fully executed copy of this Agreement. If the Purchaser(s) receives a rejection letter from the Mortgage Lender, he/she/it shall submit a copy of same to the Sponsor/Seller. Purchaser(s) shall then have the option of: (i) cancelling the agreement, in which case the agreement shall

be null and void, and Sponsor/Seller's sole responsibility shall be to refund the down payment plus accrued interest, if any; (ii) waive the requirement that the Purchase Agreement be contingent upon obtaining financing; or (iii) in the event Purchaser(s) has not received any definitive written response, denying or approving his/her/its mortgage application, from the Mortgage Lender, he/she/it may request additional time to obtain such a response, which Seller at his sole discretion may agree to. Should Sponsor/Seller not agree to such an extension, Purchaser(s) may cancel the Agreement or waive the contingency as provided for above.

3. Only in the event that Purchaser(s) performs each and every item of his/her/its obligations as set forth in this Mortgage Addendum and fails to obtain a written commitment for a mortgage loan in the sum of $ _____, for a period of 15/30 years at the fixed prevailing rate of interest within forty-five (45) days from the date hereof, shall Purchaser(s) be entitled to a return of the down payment plus interest if any; provided, however, that Sponsor/Seller may elect, in such event, after sending written notice to Purchaser(s) within five (5) days after such forty-five (45) day period, to secure other financing on behalf of Purchaser(s) provided said financing is in accordance with the terms of Paragraph 1 hereinabove. Purchaser(s) will be responsible for the payment of any additional fee in connection thereof. If Sponsor/Seller returns to Purchaser(s) all of the down payment plus interest, if any, the parties shall be relieved of any and all obligations under the Purchase Agreement.

4. In the event Sponsor/Seller is not notified within forty-five (45) days provided for, then Sponsor/Seller shall have the right to:

(a) Cancel the Purchase Agreement by sending a notice within five (5) days to that effect to Purchaser(s), and return the down payment plus interest, if any, or;

(b) Send no notice within the above five (5) day period which will result in this Mortgage Addendum being null and void and the Purchaser(s) will be required to close under the terms and conditions of the Purchase Agreement on an all-cash basis.

5. Purchaser(s) should note that the financing commitment for Purchaser(s) of a Unit may have expiration dates prior to which closing of title to the Unit must occur, and the terms of the commitment may change prior to actual closing. If Purchaser(s)'s financing commitment lapses or expires prior to closing, and Purchaser(s) has made a good faith effort to extend the commitment, Sponsor/Seller must grant such Purchaser(s) a right of rescission and a reasonable period of time to exercise that right as afforded under Title 13 NYCRR 20.3(o)(18).

6. Purchaser(s) shall be responsible for and shall pay all costs of obtaining the Loan, including, but not limited to, such expenditures as legal fees, documentary stamps, mortgage title insurance, tangible fees, recording fees, loan fees, points and discounts.

7. The Sponsor/Seller and/or Mortgage Lender are hereby authorized to make any inquiry and investigation as to Purchaser(s)'s character, reputation and financial

responsibility. Sponsor/Seller assumes no obligation to Purchaser(s) and shall not be bound in any manner whatsoever should the Mortgage Lender fail to approve Purchaser(s) for the Loan or otherwise fail to provide the Loan.

8. If Purchaser(s) is other than an individual, such as a corporation, a partnership or a limited liability company, then Purchaser(s) shall be obligated to supply such guarantee or payment from the principals of Purchaser(s) as the Mortgage Lender or Sponsor/Seller may require.

9. PURCHASER'S FAILURE TO MAKE TIMELY APPLICATION TO THE MORTGAGE LENDER AND COMPLY WITH THE OTHER REQUIREMENTS OF THIS ADDENDUM WILL CONSTITUTE DEFAULT.

10. Under New York law, when a mortgage commitment is not fulfilled through no fault of a purchaser, performance is excused. Therefore, if the purchaser acts in good faith and the lender revokes the loan commitment after the contingency period expires, performance is excused, and the sponsor must grant to such purchaser a right of rescission and a reasonable period of time to exercise such right.

11. The terms and conditions of the Addendum are hereby incorporated into and made a part of the Purchase Agreement described above.

The Board of Managers shall have a right of access to all common elements for maintenance, repair or improvement whether such common elements are restricted or not.

(b) The Sponsor, its successors, assigns, and purchasers, reserves the easements, licenses, rights and privileges of a right-of-way in, through, over under and across the common elements of the Condominium for the purpose of completing construction and sale of the Units and facilities in the Condominium and, towards this end, reserves the right to grant and reserve easements and rights-of-way in, through, under, over and across the common elements for the installation, maintenance and inspection of lines and appurtenances for public or private water, sewer, drainage, cable television and other utilities and for any other materials or services necessary for the completion of the work. The Sponsor, its successors, assigns, and purchasers, also reserve the right to connect with and make use of the utility lines, wires, pipes, conduits, cable television, sewer and drainage lines which may from time to time be in or along the streets and roads or other areas of the common elements. Finally, the Sponsor, its successors, assigns and purchasers reserve the right to continue to use the common elements and any facilities, sales offices, model homes, and signs located on the common elements, in its efforts to market units in the Condominium for a period ending two (2) years after the closing to the First Unit or until eighty percent (80%) of the Units are conveyed to Purchasers, whichever is sooner, to market any other Units owned by Sponsor. This paragraph shall not be amended without the consent of the Sponsor.

(c) The Sponsor, on behalf of itself and its successors and assigns who may take title to portions of the condominium for purposes of marketing and sale of Units, reserves the right to continue to use the common elements and any facilities, sales offices, model units and signs located on the common elements, in its efforts to market and sell Units in the Condominium. This paragraph shall not be amended without the written consent of the Sponsor.

NINTH: Service of Process and Building Code Violations

Service of process on the Unit Owners in any action with relation to the common elements or more than one Unit and with regard to any violation of local building codes,

zoning ordinances and other related building and zoning laws by the common elements or more than one Unit shall be made upon the Board of Managers of 5105 Junction Condominium at 51-05 Junction Boulevard, Elmhurst, NY 11373.

TENTH: Common Interest

Each Unit Owner shall have such percentage interest in the common elements as is set forth on Schedule B attached hereto and shall bear such percentage of the common expenses of the Condominium. All expenses of the Condominium shall be common expenses and shall be apportioned among all the Unit Owners according to the method set forth in the By-Laws. Such Unit Owner shall have one vote for all voting purposes at any meeting of the Unit Owners for each 0.01% of undivided interest in the common elements unless otherwise mandated by law or expressly provided for herein. The percentage interest of the respective Units in the Common Elements has been assigned in the approximate proportion that the fair market value of the Unit at the date of Declaration bears to the aggregate fair value of all the Units.

ELEVENTH: Administration

The administration of the Condominium and parcel of land described herein shall be in accordance with the provisions of this Declaration and with the provisions of the By-Laws which are made a part of this Declaration and are attached hereto as Section HH.

TWELFTH: Amendment and Withdrawal

(a) The property shall not be withdrawn from Condominium ownership unless at least eighty percent (80%) of the Unit Owners in number and in common interest and the first mortgagees, if any, of each of those same Units agree to such removal by duly recorded instruments. Such withdrawal of the property from Condominium ownership shall not take effect until it is duly recorded in the Office of the City Register of the City of New York.

(b) The provisions of this Declaration may be modified or amended by an instrument executed by the Board of Managers upon an affirmative vote of eighty percent (80%) of the Unit Owners in number and in common interest held at a duly called meeting of the Unit Owners, provided, however, that:

(i) No amendment shall alter the percentages of interest in the common elements appurtenant to any Unit or alter any rights or obligations respecting portions of the common elements without the consent of the affected Unit Owners and the first Mortgagees, if any, of the same Units, which consents shall be expressed on the instrument or amendment.

(ii) No amendment shall add any parcel of land to or divest any parcel of land from the Condominium properties unless all of the Unit Owners and the first

mortgagees, if any, of each of these same Unit Owners agree to such change on the instrument or amendment.

(iii) No amendment shall be passed which shall impair or prejudice the rights and priorities of mortgagees.

(c) There shall be a presumption for a period of sixty (60) days subsequent to the recording of the amendment that the vote of the Unit Owners was made at a duly called meeting and that the requisite voting percentage was obtained. After the sixty (60) day period, such presumption will be deemed conclusive. Any amendment to this Declaration shall not take effect until it is recorded in the Office of the City Register of the City of New York.

(d) Irrespective of any other provision in this Declaration, no action for partition or division of the common elements shall be bought nor shall this Plan of Condominium ownership be terminated when such partition, division or termination will result in a violation of the then existing local zoning and building laws and codes.

THIRTEENTH: Subject to Declaration, By-Laws, etc.

All present or future Unit Owners, tenants, future tenants, or any other person that might use the facilities of the Condominium in any manner, are subject to the provisions of this Declaration, the By-Laws and Rules and Regulations of the Condominium and the mere acquisition or rental of any of the Units of the Condominium or the mere act of occupancy of any of said Units shall signify that the provisions of the Declaration, By-Laws and Rules and Regulations of the Condominium are accepted and ratified and all of such provisions shall be deemed and taken to be covenants running with the land that shall bind any person having at any time any interest or estate in such Unit, as though such provisions were recited and stipulated at length in each and every deed, conveyance or lease thereof.

FOURTEENTH: Common Charges

(a) All sums assessed as common charges by the Board of Managers of the Condominium but unpaid, together with interest at the maximum legal rate thereon, chargeable to any Unit Owner shall constitute a lien on his Unit prior to all other liens except: (a) tax or assessment liens on the Unit by the taxing subdivision of any governmental authority, including but not limited to State, County, Municipal and School District taxing agencies; and (b) all sums unpaid on any first mortgage of record encumbering any Unit. Such lien may be foreclosed when past due in accordance with the laws of the State of New York, by the Condominium, in like manner as a mortgage on real property, and the Condominium shall also have the right to recover all costs incurred including reasonable attorney's fees and late charges, if any, assessed pursuant to the By-Laws of this Declaration (but such right shall not be a lien against the Unit). In the event the proceeds of the foreclosure sale are not sufficient to pay such unpaid common charges, the unpaid balance will be charged to all Unit Owners as a common expense.

However, where the holder of a mortgage of record, or other purchaser of a Unit at a foreclosure sale of a mortgage of record, obtains title to the Unit as a result of a foreclosure, or the mortgage holder obtains title by conveyance in lieu of foreclosure, such acquirer of title, his successors or assigns, shall not be liable and the Unit shall not be subject to a lien for the payment of common charges chargeable to such Unit which were assessed and became due prior to the acquisition of title to such Unit by such acquirer. In such event, the unpaid balance of common charges shall be charged to all other Unit Owners as a common expense. The term "mortgage of record" herein used shall mean a first mortgage granted by a Federal or State Savings and Loan Association, Savings or Commercial Bank, Life Insurance Company, Pension Fund, Trust Company, Agency of the United States Government or of the City or State of the New York or other similar lender or a purchase money mortgage granted by Seller.

(b) Every Unit Owner shall pay the common charges assessed against him when due and no Unit Owner may exempt himself from liability for the payment of the common charges assessed against him by waiver of the dues or enjoyment of any of the common elements or by the abandonment of his Unit. However, no Unit Owner shall be liable for the payment of any common charges accruing subsequent to a sale, transfer or other conveyance by him of such Unit made in accordance with Section 339-X of the Real Property Law or in accordance with the provisions of this Declaration and the By-Laws.

FIFTEENTH: Unit Acquired by the Board

(a) In the event any Unit Owner shall convey his Unit to the Board of Managers in accordance with Section 339-X of the Real Property Law or in the event the Board of Managers shall purchase any Unit at a foreclosure sale in accordance with Article VI, Section 9 of the By-Laws, title to such Unit or the rights to the lease of such Unit shall be held by the Board of Managers or its designee on behalf of all of the other Unit Owners.

(b) In order to carry out the provisions of this Article, each Unit Owner shall, upon becoming such, grant an irrevocable Power of Attorney, coupled with an interest, to the Board of Managers and their successors to acquire title or lease any such Unit under whatever terms the Board may in its sole discretion deem proper and to sell, lease, sublease, mortgage, vote or otherwise deal with such Unit under such terms as the Board in its sole discretion shall deem proper.

SIXTEENTH: Encroachments

The Unit Owners agree that if any portion of a Unit or the common elements whether restricted to an individual owner or not, encroaches upon another or shall hereinafter encroach upon another as a result of original construction or setting of the Building, a valid easement from the encroachment and the maintenance of the same, so long as it stands, shall and does exist. In the event the Building is partially or totally destroyed as a result of fire or other casualty or a result of condemnation or eminent

domain proceedings and is rebuilt, the Unit Owners agree that encroachments of any portion of the Unit or the common elements as afore described due to construction, shall be permitted, and that a valid easement for said encroachment and the maintenance thereof shall exist so long as the Building or reconstructed Building shall stand.

SEVENTEENTH: Unit Ownership

Upon the closing of title to a Unit, a Purchaser shall automatically become a Unit Owner in the Condominium and shall remain a Unit Owner until such time as he ceases to own the Unit for any reason.

EIGHTEENTH: Conveyance of a Unit

In any conveyance of a Unit, either by voluntary instrument, operation of law or judicial proceeding in accordance with this Declaration or the By-Laws, the grantee of the Unit shall be jointly and severally liable with the grantor for any unpaid common charges against the latter assessed and due up to the time of the grant or conveyance without prejudice to the grantee's right to recover from the grantor the amounts so paid by the grantee therefore. Any such grantee shall, upon ten (10) days written request, be entitled to a statement from the Board of Managers setting forth the amount of the unpaid common charges against the grantor and such grantee shall not be liable for, nor shall the Unit conveyed be subject to a lien for any unpaid common charges against the grantor in excess of the amount set forth in such statement. Grantee as used herein shall not include either the holder of a mortgage of record or other purchaser of a Unit at a foreclosure sale of a mortgage or record.

NINETEENTH: Covenants and Restrictions

(a) The use of the Unit by the Unit Owner or other occupant shall be subject to the rules, regulations and provisions of this Declaration, the By-Laws and Rules and Regulations of the Board of Managers and the following covenants and restrictions:

(i) The Unit and area restricted to Unit Owner's use shall be maintained in good repair and overall appearance.

(ii) No alterations to the exterior of the Unit or any part of the common elements may be made without the written consent of the Board of Managers. No alterations to the inside of a Unit which would impair the structural soundness of the Building may be made without the written consent of the Board of Managers. Consent may be requested to the Managing Agent, if any, or to the President of the Board of Managers, by mailing a letter certified mail, return receipt requested, if no Managing Agent is employed. If building plans are required for such alteration under any applicable building code, a copy of such plans must be included with said letter. The Board of Managers shall have the obligation to answer within thirty (30) days and failure to do so within the stipulated time shall mean that there is no objection to the proposed modification or alteration. The provisions of this paragraph shall not apply to Sponsor.

(iii) Any Unit Owner who mortgages or sells his Unit shall notify the Board of Managers providing the name and address of his mortgagee or purchaser.

(iv) The Board of Managers shall, at the request of the mortgagee of a Unit, report any unpaid common charges due from the Unit Owner of such Unit.

(v) No Units shall be used for the purposes other than the purpose stated in the Certificate of Occupancy.

(vi) No nuisances shall be allowed upon the property nor shall any use or practice be allowed which is a source of annoyance to occupants or which interferes with the peaceful possession and proper use of the property by its occupants.

(vii) No immoral, improper, offensive or unlawful use shall be made of the property nor any part thereof and all valid laws, zoning ordinances and regulations of all governmental bodies having jurisdiction shall be observed.

(viii) Regulations promulgated by the Board of Managers concerning the use of the property shall be observed by the Unit Owner provided, however, that copies of such regulations are furnished to each Unit Owner prior to the time the said regulations become effective.

(ix) Occupancy of the Unit shall be restricted to occupancy in accordance with the applicable zoning regulations of the municipality having jurisdiction over the Condominium.

(x) The common charges shall be paid when due.

TWENTIETH: Changes to the Condominium

(a) Except to the extent prohibited by law, the Sponsor or its designee shall have the right, without the vote or consent of the Board of Managers to: (a) make alterations, additions or improvements, whether structural or nonstructural, interior or exterior, ordinary or extraordinary, in, to and upon Units owned by the Sponsor or its designees (Hereinafter the "Unsold Units"); (b) change the layout of, or number of rooms in, any unsold Units from time to time; (c) change the size and/or number of unsold Units by subdividing the one or more unsold Units into two or more separate Units, combining separate unsold Units (including those resulting from such subdivision or otherwise) into one or more Units, altering the boundary walls between any unsold Units, otherwise; and (d) if appropriate, reapportion among the unsold Units affected by such change in size or number pursuant to the preceding clause their percentages of interest in the common elements; provided, however, that the percentage of interest in the common elements of any other Units (other than unsold Units) shall not be changed by reason thereof unless the owners of such units shall consent thereto and, provided further, that the Sponsor or its designee shall comply with all laws, ordinances and regulations of all governmental authorities having jurisdiction and shall agree to hold the Board of Mangers and all other

Unit Owners harmless from any liability arising thereof. Sponsor further states that unless Purchaser consents, no change will be made on Unit size, layout, percentage of common interest or in the amount or quality of common elements directly affecting or servicing the Unit if a purchase agreement has been executed and delivered to Sponsor for that Unit and the purchase is not in default.

(b) Nothing contained in this Declaration shall prohibit the division or consolidation of any Unit or Units or common interest appurtenant thereto, including but not limited to a change in the number of rooms. Any such change which will affect the structural integrity of the Building requires the prior written consent of the Board of Managers. In no case, however, may such division or consolidation result in a different percentage of common interest for the total of the new Units than existed for the total of the original units before division or consolidation. An amendment to this Declaration authorized by this paragraph of Twelfth Article may be filed by the new Unit Owner(s) without the consent of any other Unit Owner provided that the percentage of common interest of all other existing Units is not affected thereby and provided such Unit Owner(s) secure the written consent of the Board of Managers which consent may not be unreasonably withheld.

(c) Notwithstanding other provisions of this Article, no reapportionment of the interest in the common elements appurtenant to any Unit shall be made unless there is first delivered to the Board of Managers a written certification stating that the percentages of interest of the respective Units in the common elements, immediately after such reapportionment, will be based upon the approximate proportion that the fair market value of each Unit at the date of this Declaration bears to the aggregate fair value of all Units on said date.

(d) If the number of rooms in an Unsold Unit is changed, or the size and/or number of unsold Units is changed (whether as a result of a subdivision or combination of unsold Units or alteration of boundary walls between unsold Units, or otherwise) and the appurtenant percentage interest in the common elements is reapportioned as a result thereof, all in accordance with the provisions of the Article, then the Sponsor or its designee shall have the right to execute, or (on its request) to require any other Unit Owner or the Condominium Board of Managers to execute and record in the Office of the City Register of the City of New York, an amendment to this Declaration (together with such other documents as the Sponsor or its designee deems appropriate to effectuate the same) reflecting such change in the number of rooms in an unsold Unit or in the size and/or number of unsold Units (whether as a result of said subdivision, combination, alteration or otherwise) and the reapportionment of the percentage of interest in the common elements.

(e) In the event the Sponsor or its designee, exercising its rights pursuant to this Article so requests, the Board of Mangers shall promptly amend the Declaration at the expense of the Sponsor or its designee, to reflect any such alterations, additions, improvements, changes or reapportionments as provided by clauses (a), (b), (c), and shall record such amendment in the Office of the City Register of the City of New York.

TWENTY-FIRST: Invalidity

Invalidation of any of the covenants, limitations or provisions of this Declaration by judgment or court order shall in no way effect any of the remaining part of parts hereof, and the same shall continue in full force and effect.

TWENTY-SECOND: Gender

The use of the masculine gender in this Declaration shall be deemed to refer to the feminine gender, and the use of the singular shall be deemed to refer to the plural, and vice versa, whenever the context so requires.

TWENTY-THIRD: Waiver

No provisions contained in this Declaration shall be deemed to have been abrogated or waived by reason of any failure to enforce the same, irrespective of the number of violations or breaches which may occur.

TWENTY-FOURTH: Captions

The captions herein are inserted only as a matter of convenience, and for reference, and in no way define, limit or describe the scope of this Declaration, nor the intent of any provision hereof.

At the meeting, the member of the first Board of Managers will resign, and the new Board of Managers will be elected by the unit owners. Thereafter, annual meetings shall be held on or about the

anniversary of such date each succeeding year. At such meeting, there shall be elected by ballot of the unit owners a Board of Managers in accordance with the requirements of Article II of these By-Laws. The unit owners may also transact such other business of the Condominium as may properly come before them.

Section 8 Default in Payment of Common Charges

(a) In the event of default by any unit owner in paying to the Board of Managers the common charges as determined by the Board of Managers, such unit owner shall be obligated to pay interest at the legal rate on such common charges from the due date thereof, together with all expenses, including attorney's fees, incurred by the Board of Managers. Where a majority of the Board of Managers has been elected by and from among the unit owners who are in occupancy, the Board of Managers may

The Board of Managers, acting on behalf of all unit owners, shall have the power to lease, mortgage (but not to vote the votes appurtenant to), convey or otherwise deal with the same. A suit to recover a money judgment for unpaid common charges shall be maintainable without foreclosing or waiving the lien securing the same.

In the event that the Board of Managers charges a unit owner who fails to make prompt payment, the Board of Managers shall be entitled to bring suit thereon and, in such event, the unit owner shall be liable for the reasonable attorney's fees and costs of such suit or proceeding together with interest on all sums due.

(b) As long as the Sponsor continues to own twenty-five percent (25%) or more units, but in no event longer than five (5) years from the conveyance of the first unit, the Condominium will not be allowed to incur a substantial increase in maintenance costs (e.g. no additional employees) and cannot make any repairs or alterations greater than $10,000.00 without the Sponsor's consent. However, this $10,000.00 limitation shall not be applicable to the expenses to (i) comply with applicable laws and regulations; or (ii) remedy any notice of violation; or (iii) remedy any work order by an insurer; or (iv) for any repair or maintenance required for the health and/or safety of the occupants of the building.

Section 12 Limited Common Elements

(f) The Board of Managers or its designated agent may retain a passkey to the units. No unit owner shall alter any lock or install a new lock on any door of the units without the written consent of the Board of Managers. When such consent is given, the unit owners shall provide the Board of Managers, or its agent, with an additional key.

(g) If any keys are entrusted by a unit owner or by his agent, servant, employee, invitee, licensee or visitor, to any employee or agent of the Board of Managers, for any lock other than a lock on the door of the unit, the relinquishment of the key shall be at the sole risk of such unit owner or other person, and the Board of Managers shall not be liable for injury, loss or damage of any nature whatsoever directly or indirectly resulting therefrom or connected therewith.

(h) Unit owners may not maintain pets in the Units.

Any additions, alterations or improvements costing $10,000.00 or less may be made by the Board of Managers without approval of the unit owners and the cost thereof shall constitute part of the common expenses.

The Board of Managers shall have the obligation to answer any written request by a unit owner for approval of a proposed structural addition, alteration or improvement in such unit owner's unit, within thirty (30) days after such request, and failure to do so within the stipulated time shall constitute a consent by the Board of Managers to the proposed addition, alteration or improvement. Any application to any department of the City of New York or to any other governmental authority for a permit to make an addition, alteration, or improvement in or to any unit shall be executed by the Board of Managers only, without incurring any liability on the subcontractor or material-man on account of such addition, alteration or improvement, or to any person having any claim for injury to person or damage to property arising therefrom. Section 19 Water Charges and Sewer Rents

Water shall be supplied to all the units and the common elements through a building meter, and the Board of Managers shall pay, as a common expense, all charges for water consumed on the condominium property including the units, together with all related sewer rents arising therefrom, promptly after the bills for the same shall have been rendered. In the event of a proposed sale of a unit by the owner thereof, the Board of Managers, on request of the selling unit owner shall execute and deliver to the purchaser of such unit or to the purchaser's title insurance company, a letter agreeing to pay all charges for water and sewer rents affecting the common area as of the date of closing of title to such unit promptly after such charges shall have been billed.

Section 20 Electricity and Gas

There shall be established and maintained a cash deposit account to be known as the "Operating Account" into which shall be deposited the operating portion of all monthly and special assessments as fixed and determined for all units. Disbursements from said account shall be for the general need of the operation including, but not limited to, wages, repairs, betterments, maintenance and other operating expenses of the common elements and for the purchase, lease, sale and other expenses resulting from the purchase or lease of the units.

Section 22 Other Accounts

The Board shall maintain any other accounts it shall deem necessary to carry out its purpose.

ARTICLE VII

MORTGAGES

Section 1 Notice to Board of Managers

A unit owner, who mortgages his unit, shall notify the Board of Managers the name and address of his mortgagee and shall file a conformed copy of the note and mortgage with the Board of Managers; the Board of Managers shall maintain such information in a book entitled "Mortgages of Units."

Section 2 Notice of Unpaid Charges

The Board of Managers when so requested in writing by a mortgagee of a unit shall promptly notify any mortgagee of a unit of such unit owner's default, including nonpayment of common charges, in the obligations of such unit owner under the Declaration, By-Laws, Rules and Regulations, as the same are amended from time to time, or in any order of the Board of Managers issued with respect thereto.

Section 3 Notice of Default

The Board of Managers when giving notice to a unit owner of a default in paying common charges or other default, shall send a copy of such notice to each holder of a mortgage covering such unit whose name and address has heretofore been furnished to the Board of Managers.

Section 4 Examination of Books

Each unit owner and each mortgagee of a unit shall be permitted to examine the books of account of the Condominium at reasonable times, on business days.

ARTICLE VIII

SALES, LEASES AND MORTGAGES OF UNITS

Section 1 Right of First Refusal on Sale or Lease of Units by the Board of Managers

(a) A unit owner has the right to sell or lease his unit provided he gives notice of the bona fide terms of any proposed sale or lease to the Board of Managers and obtains its waiver of first right of refusal to purchase or lease such unit. The failure of the Board of Managers to act on such proposed sale or lease within thirty (30) days after notice thereof shall be deemed to constitute the waiver. If the Board elects to exercise its right of first refusal, it shall within fifteen (15) days after making its decision known, produce a purchaser or lessee approved by it who will accept the transaction upon terms as favorable to the unit owner as the terms stated in the notice to the Board. If the Board does not produce such a purchaser or lessee within the aforesaid fifteen (15) days, the unit owner shall have the right to effectuate such sale or lease on the terms submitted, as more specifically set forth herein.

(b) The Board of Managers or its designee, may elect to purchase or lease such unit on behalf of all of the unit owners, in the manner set forth herein, provided that approval for such purchase or lease is obtained from the unit owners of not less than seventy-five percent (75%) of the units in common interest. In the event the Board of Managers does not have sufficient funds on hand for such purchase or lease from working capital, it may either borrow such funds and/or assume an existing indebtedness secured by the unit, provided such borrowing is secured only by a mortgage, or may

assess the unit owners therefore in proportion to their respective common interest, or the Board may use any combination of these methods to undertake the acquisition.

(c) In the event the Board shall notify the selling unit owner of its intention to exercise its right to purchase or lease of the unit then, within fifteen (15) days of such notification the Purchaser or Lessee supplied by the Board, shall execute a contract to sell or lease pertaining to such unit at the purchase price and other terms set forth in the contract to sell supplied with the notice of transfer or on other terms more favorable to the owner of the unit. The closing of title of the unit or date of the commencement of the term of lease shall be the same as set forth in the contract to sell or lease included in the notice of intention to sell the unit.

Section 2 Unauthorized Sale or Lease is Voidable

Any sale, voluntary transfer, conveyance or lease which is not authorized by the terms of these By-Laws or for which authorization has not been obtained pursuant to the terms thereof is voidable and may be voided in an action brought by an immediately contiguous unit owner or the Board of Managers.

Section 3 Notice

(a) All notices referred to in this Article VIII shall be given by registered or certified mail, return receipt requested. Delivery shall be deemed made and notice shall be deemed given by such mailing and shall not be dependent upon acceptance by the addressee.

(b) A unit owner intending to make a transfer, sale or lease or the unit or any part thereof, or interest therein, shall give notice to the Board of Managers of such intention. He shall furnish at the time to the Board: (i) the name and address of the intended grantee or lessee; (ii) a statement of all the terms of the transactions; (iii) financial references of the transferee or lessee; (iv) the specific occupation of the transferee or lessee including any areas of specialization; (v) an executed copy of the proposed contract to sell or lease; and (vi) such other information as the Board of Managers may reasonably require. He shall use the form, if any, supplied by the Board in order to supply such information. Such notice, when given, shall constitute a representation, warranty and an offer to sell or lease to any purchaser or lessee produced by the Board and a representation that the unit owner believes the offer to be bona fide in all respects.

Section 4 Unit Owner's Right to Withdraw Unit from Proposed Sale or Lease

Where the Board has failed to act on a transaction, or where the Board has acted but has not yet produced a purchaser within the fifteen (15) day period permitted, the unit owner may withdraw his offer to sell or lease, or sell or lease in accordance with the proposed terms submitted to the board.

Section 5 Form of Consent for the Board

The action by the Board of Managers consenting to a sale or lease shall be in recordable form. The failure of the Board to act on a notice given to it within thirty (30) days shall be deemed to constitute approval of the sale or lease. The unit owner, purchaser or lessee may demand and shall be entitled to receive from the Board consent to the sale or lease in recordable form.

Section 6 Approval of Occupant of Unit

If the proposed purchaser or lessee of a unit, or any interest, therein, is other than a natural person, the approval of the sale may be conditioned upon the approval of the entity or entities which will occupy the unit.

Section 7 Transaction to Which the Right of First Refusal does not Apply

The right of first refusal granted herein shall not be applicable to the following:

(a) The sale, lease or sublease of units by or to the Sponsor;

(b) Foreclosure or other judicial sale of Condominium units or a conveyance by the owner of a unit to a Mortgagee in lieu of foreclosure; and any subsequent sale, lease or sublease by a Mortgagee (provided that unrelated persons acquiring the unit from such Mortgagee shall be subject to such right or prior refusal herein);

(c) The sale, lease, or sublease from a unit owner to a partnership, corporation or limited liability company in which the unit owner is a partner or principal stockholder or member; from a partnership, corporate owner, or limited liability company to the partners, stockholders or members thereof; from partners who are owners to new partners; from one co-owner to another;

(d) A conveyance or transfer from a unit owner by gift, devise by will or interstate succession.

Section 8 No Severance of Ownership

No unit owner shall execute any deed, mortgage, or other instrument conveying or mortgaging title to his unit without including therein the Appurtenant Interests, it being the intention thereof to prevent any severance of such combined ownership. Any such deed, mortgage, or other instrument purporting to affect one or more of such interests, without including all such interests, shall be deemed and taken to include the interest or interest so omitted, even though the latter shall not be expressly mentioned or described therein. No part of the Appurtenant Interest of any unit may be sold, transferred, or otherwise disposed of, except as part of a sale, transfer or other dispositions of the unit to which such interest or interests are appurtenant, or as part of a sale, transfer of other disposition of such part of the Appurtenant Interests of all units.

Section 9 Waiver of Right of Partition With Respect to Such Units as Are Acquired By the Board of Managers or Its Designee, On Behalf of All Unit Owners As Tenants in Common

In the event that a unit shall be acquired by the Board of Managers or its designee, on behalf of all unit owners as tenants in common, all such unit owners shall be deemed to have waived all rights of partition with respect to such unit.

Section 10 Mortgage of Units

No unit owner shall mortgage his unit except by a first mortgage made to a bank, trust company, insurance company, federal savings and loan association, pension fund or other institutional lender or a purchase money mortgage made to the seller of the unit. Any such mortgage shall be made substantially in the form on file with the Board of Managers except for such charges or additions as may be required in order to permit the particular institutional lender to make the mortgage loan, or to the extent permitted by the Board of Managers.

Section 11 Selling and Leasing of Units-Payment of Assessments

(a) No unit owner shall convey, mortgage, pledge, hypothecate, sell or lease his unit unless and until all unpaid common charges assessed against his unit shall have been paid to the Board of Managers and until he has satisfied all unpaid liens against his unit except for permitted mortgages. However, such unpaid common charges can be paid out of the proceeds from the sale of a unit, or by the grantee. Further, a unit owner may convey his unit and his common interest appurtenant thereto, to the Board of Managers on behalf of all unit owners free of any cost to the Board or the unit owners and upon such conveyance such unit owner shall not be liable for any common charges thereafter accruing against such unit. Any sale or lease of any unit in violation of this section shall be voidable at the election of the Board of Managers.

(b) The provisions of this section shall not be applied to the acquisition or sale of a unit by a mortgagee who shall acquire title to such unit by foreclosure or by dead in lieu of foreclosure. Such provisions shall, however, apply to any purchaser from such mortgagee.

Section 12 Sale or Transfer of Handicapped Parking Space Units and Determination of the Fair Market Value

(a) Parking Unit 3 has been designated as a handicapped parking space. The purchase of Parking Unit 3 and any subsequent sale or transfer of it is subject to the following covenants and restrictions in the deed:

"(i) In the event that the present or future owner of a unit in the condominium or a member of his or her family residing in the unit becomes handicapped and acquires handicapped plates for his or her vehicle and said unit owner is the owner of

a parking space, said unit owner has the right to demand that the owner of Parking Unit 3 trade this Parking Unit 3 with the parking space that said unit owner owns.

(ii) In the event the present or future owner of a unit or a member of his or her family member residing in the unit becomes handicapped and said unit owner does not own a parking space in the condominium, said unit owner has the right to demand that the owner of Parking Unit 3 sell it at then current, fair market value to said unit owner. All costs and expenses entailed in the transfer of title to the parking spaces, including without limitation, title abstracts, title insurance, transfer taxes and recording fees and reasonable attorney fees (including the attorney fees for the owner of Parking Unit 3) shall be borne by the party requesting the transfer.

(iii) The owner of Parking Unit 3 must comply with the demands in paragraphs (i) and (ii) as provided above upon thirty (30) days written notice.

(iv) If the parties cannot agree on the fair market value of Parking Unit 3 then the parties agree to submit the matter to the Board of Managers for a decision."

(b) (i) If disagreement between the parties occurs as provided in this Section 12(a)(iv) above and sixty (60) days has elapsed since the demand was made, either party may submit a written request to the Board of Managers for the determination of the fair market value of Parking Unit 3.

(ii) Within thirty (30) days as of the receipt of the written request as provided in this Section 12(b)(i) above, the Board of Managers will hire an appraiser, who is unrelated to either party, to appraise Parking Unit 3 and the appraiser is required to submit an appraisal report to the Board within fourteen (14) days.

(iii) Upon receipt of said appraisal report, the Board of Managers will notify the parties and the market value that the appraiser has determined in the appraisal report shall be the purchase price of Parking Unit 3.

(iv) The parties shall complete the transaction within thirty (30) days as of the receipt of the notice from the Board of Managers.

(v) The costs and expenses related to the appraisal shall be borne by the party requesting the transfer.

In the event that seventy-five percent (75%) or more of the unit owners do not duly and promptly approve the repair and restoration of such common elements, the Board of Managers shall disburse the net proceeds of such award in the same manner as they are required to distribute insurance proceeds where there is no repair or restoration of the damage, as provided in Section 3 of Article VI of these By-Laws. The choice among repair replacement or repayment is solely that of the Sponsor.

In no event will the Sponsor's total liability for deficiencies under this Limited Warranty exceed the Sponsor's limit of total liability, which is ten (10%) percent of the purchase price of the Condominium Unit.

(b) No step taken by the Sponsor, Purchaser or any other person to inspect, test or correct defects will extend any time period under this Limited Warranty. The Sponsor's response to any complaint or request, other than a timely and properly

completed Notice of Warranty Claim, will not impair, prejudice or otherwise affect any right of the Sponsor, including but not limited the Sponsor's right to receive a timely and properly completed Notice of Warranty Claim.

(c) In response to a Notice of Warranty Claim, or any other complaint or request of the Purchaser, Sponsor and the Sponsor's agent will have the right to inspect and test the portion of the Unit to which the claim, complaint or request relates. The Purchaser and occupants of the Unit must provide reasonable access to the Sponsor and the Sponsor's agent during normal business hours, Monday through Friday, to complete inspection, testing and repair or replacement. Failure by Purchaser to provide such access will invalidate the warranty with respect to the defect(s) set forth in the Notice of Warranty Claim.

(d) The Sponsor will complete inspection and testing within a reasonable time under the circumstances after receipt of a timely and properly completed Notice of Warranty Claim. Upon completion of inspection and testing, the Sponsor will determine whether to accept or reject the claim. If the Sponsor rejects the claim, the Sponsor will give written notice of that decision to the claimant at the address shown on the Notice of Warranty Claim. If the Sponsor accepts the claim, the Sponsor will take corrective action within a reasonable time under the circumstances and, upon completion, will give written notice of completion to the claimant at the address shown on the Notice of Warranty Claim.
