BECAUSE SPONSOR IS RETAINING THE UNCONDITIONAL RIGHT TO RENT RATHER THAN SELL RESIDENTIAL UNITS AFTER CONSUMMATION OF THIS PLAN, THIS PLAN MAY NOT RESULT IN THE CREATION OF A CONDOMINIUM IN WHICH A MAJORITY OF THE UNITS ARE OWNED BY OWNER-OCCUPANTS OR INVESTORS UNRELATED TO THE SPONSOR. PURCHASERS FOR THEIR OWN OCCUPANCY MAY NEVER GAIN CONTROL OF THE BOARD OF MANAGERS UNDER THE TERMS OF THIS PLAN. (SEE SPECIAL RISKS SECTION OF THE PLAN.)

THIS OFFERING PLAN IS THE ENTIRE OFFER TO SELL THESE CONDOMINIUM UNITS. NEW YORK LAW REQUIRES THE SPONSOR TO DISCLOSE ALL MATERIAL INFORMATION IN THIS PLAN AND TO FILE THIS PLAN WITH THE NEW YORK STATE DEPARTMENT OF LAW PRIOR TO SELLING OR OFFERING TO SELL ANY CONDOMINIUM UNIT. FILING WITH THE DEPARTMENT OF LAW DOES NOT MEAN THAT THE DEPARTMENT OR ANY OTHER GOVERNMENT AGENCY HAS APPROVED THIS OFFERING.

SPECIAL RISKS

TERMS USED IN THIS SECTION AND OTHER SECTIONS OF THIS PLAN ARE DEFINED IN THE “DEFINITIONS” SECTION OF THIS PLAN.

The following is a summary of certain special risk considerations in connection with the Plan but is not intended to summarize all major features of the Plan. Purchasers are urged to read the the entire Plan and the following special risk factors in conjunction with the Plan for a discussion of these and other important aspects of this condominium offering.

1. The Building and Units are permissible under, and will be constructed in accordance with, all applicable zoning and building laws and all other applicable requirements. The Sponsor intends to sell the Units offered pursuant to this Plan and will endeavor in good faith to sell Units rather than rent. Sponsor reserves the unconditional right to rent the Residential and Parking Units offered pursuant to this Plan after consummation of this Plan. Because the Sponsor is not limiting the conditions under which it will rent rather than sell Units, there is no commitment to sell more units than the fifteen percent (15%) necessary (i.e., 3 Residential Units) to declare the Plan effective and owner-occupants may never gain effective control and management of the Condominium. If the Sponsor makes a bulk sale of all or some of its Unsold Units, meaning a sale in bulk to a transferee successor sponsor, then the transferee successor sponsor is bound by Sponsor’s representations regarding its commitment to sell, and its reservation of the right to rent, the Units as specified herein. The validity of the Plan’s effectiveness shall not be impaired or affected if one or more Purchasers counted for purposes of declaring the Plan effective do not close title. However, if all Purchase Agreements are rescinded or terminated prior to the date of the first Unit closing, the Sponsor shall re-declare the Plan effective, regardless of whether the Declaration has been recorded in the Office of the City Register. See the sections of the Plan entitled “Introduction,” “Effective Date” and “Rights and Obligations of the Sponsor.”
2. The tax projections set forth on Schedule A include the projection of real estate taxes payable by each Unit Owner during the projected first year of Condominium operations, which include and are based on an assessment of the Building before construction is complete and, therefore, Purchasers are advised that the real estate taxes projected on Schedule A for the projected first year of Condominium operations may increase materially when the Building is reassessed after construction is complete. See Footnote 6 to Schedule A for more information regarding the projected assessed valuation after completion of construction. Therefore, Schedule A also contains projections for the second year of Condominium operations because it is the first tax year for which taxes are anticipated to be fully (rather than partially) assessed, resulting in significantly higher projected real estate taxes.

Upon completion of construction, the estimated taxable assessed value for the Building is \$2,225,500, with estimated applicable tax rates of 12.35% for the Residential Units and

10.85% for the Parking Units. The estimated real estate taxes for the Building for the first year of Condominium operations are \$11,626 for the Parking Units and \$207,314 for the Residential Units. The estimated real estate taxes for the Building for the second year of Condominium operations are \$14,488 for the Parking Units and \$258,358 for the Residential Units.

The projections are based on reasonable, expert assumptions made by a third party expert. But only the New York City tax authorities and other applicable authorities will determine the actual real estate taxes payable by the Units after filing of the tax lots. Therefore, Unit Owners may pay significantly different real estate taxes than those set forth on Schedule A. See "Schedule A" and the "Notes to Schedule A" in Part I of this Plan.

3. No bond or other security is provided to secure the obligations of the Sponsor under the Plan, including the obligation to complete the construction work described in this Plan. See the section of this Plan entitled "Rights and Obligations of Sponsor."
4. The Sponsor has commenced the construction described in this Plan with its own funds. Such funds are anticipated and expected, but not guaranteed, to be sufficient to complete the construction described in this Plan. If Sponsor obtains construction financing for the Property, Sponsor will amend this Plan to disclose the relevant terms of such financing, including any sales and rental requirements or restrictions imposed by the construction lender. If unforeseen circumstances arise, however, the Sponsor will make commercially reasonable efforts, but ultimately may not be able to complete the construction described in this Plan. If Sponsor is unable to complete construction, the Sponsor may abandon this Plan or provide financially responsible entities or individuals who will assume the status and all of the obligations of the Sponsor under this Plan, in either case in accordance with applicable legal requirements. If this Plan is abandoned, all Purchase Agreements will be terminated and all Down Payments will be promptly returned to Purchasers. However, all Purchase Agreements will remain in full force and effect if a financially responsible successor sponsor is provided. See the section of this Plan entitled "Rights and Obligations of Sponsor."
5. Under the By-Laws, as set forth in Part II of this Plan, until the first meeting of Unit Owners, the Board of Managers will consist of three (3) members designated by the Sponsor. Within ninety (90) days after the first Closing of title to a Unit, the Sponsor will call the first meeting of Unit Owners, at which meeting the Unit Owners shall elect three (3) members, subject to Sponsor's right to designate members. The Sponsor shall have the right to designate two members of the Board until the earlier of: (1) five years after the Closing of the first Unit or (2) the time the Sponsor holds less than fifty percent (50%) of the Common Interests. After Sponsor's initial voting control period, there is no requirement that a majority of the Board of Managers be composed of owner-occupants or members of an owner-occupant's household who are unrelated to the Sponsor and its principals. Therefore, owner-occupants and non-resident owners, including Sponsor, may have inherent conflicts on how the Condominium should be managed. The Sponsor may not exercise veto power over expenses described in "Schedule B – Projected Budget for First Year of Condominium Operations," or over expenses required to comply with

applicable laws or regulations, or to remedy any notice of violation, or to remedy any work order by an insurer. The Sponsor may exercise veto power over expenses other than those described in the preceding sentence until five (5) years after the Closing of the first Unit or until the Unsold Units constitute less than twenty five (25%) percent of the Common Interest, whichever is sooner. See the sections of this Plan entitled “Control by the Sponsor” and “Board of Managers.”

6. Down Payments will be placed in an escrow account of the Sponsor’s attorney at Bank of America. Deposits in excess of \$250,000 will not be federally insured in excess of \$250,000. Purchasers with bank accounts at Bank of America should note that other Purchaser funds held with Bank of America may factor into such \$250,000 insurance limit. See the section of this Plan entitled “Procedure to Purchase.”

In the event of an uncured default by a Purchaser in his, her or its obligations under the Purchase Agreement, no more than ten percent (10%) of the purchase price (or twenty percent (20%) in the event Purchaser contracts for more than one Unit), plus any interest earned thereon, may be retained as liquidated damages, plus the actual cost incurred by the Sponsor for any modifications or special work ordered by the Purchaser. The Sponsor agrees not to seek the remedy of specific performance in connection with the Purchaser Agreement as to which there has been a default by a Purchaser.

7. In New York, the seller of real property is statutorily obligated to pay and responsible for the payment of the New York State Real Estate Transfer Tax and the New York City Real Property Transfer Tax, and the buyer of real property is statutorily obligated to pay the Mansion Tax and Supplemental Tax, if applicable. However, in sales of condominium units by a sponsor, it is customary for buyers to pay these transfer taxes. Purchasers are advised that under this Plan, the Sponsor is imposing on Purchasers Sponsor’s statutory obligation to pay these transfer taxes and, pursuant to the Purchase Agreement, Purchasers are obligated to pay these transfer taxes.

The Purchaser is responsible for the payment of the New York State Real Estate Transfer Tax, which currently is 0.4% of the purchase price for Residential and Parking Units costing less than \$3,000,000 and 0.65% of the purchase price for Residential and Parking Units costing \$3,000,000 or more, and for an additional tax commonly known as “Mansion Tax,” which is currently 1% of the purchase price for Residential Units costing \$1,000,000 or more, and for a “Supplemental Tax” for Residential Units, as follows:

<u>Residential Unit Price</u>	<u>Supplemental Tax (% of Price)</u>
\$2,000,000 – \$2,999,999	0.25%
\$3,000,000 - \$4,999,999	0.5%
\$5,000,000 – \$9,999,999	1.25%
\$10,000,000 - \$14,999,999	2.25%
\$15,000,000 - \$19,999,999	2.5%
\$20,000,000 - \$24,999,999	2.7%
\$25,000,000 or more	2.9%

The Purchaser is also responsible for the New York City Real Property Transfer Tax, which is currently equal to one percent (1%) of the purchase price for Residential and Parking Units costing \$500,000 or less and one and four hundred twenty five one thousandths percent (1.425%) for Residential and Parking Units costing more than \$500,000. When calculating the taxes, taxes paid by Purchasers, except the Mansion Tax and Supplemental Tax, are added to the purchase price for recalculating the New York City Real Property Transfer Tax, but only the New York City Real Property Tax is added to the purchase price for recalculating the New York State Real Estate Tax and the Mansion and Supplemental Taxes.

In addition to transfer taxes and the Mansion Tax and Supplemental Tax, Purchasers will also be obligated to pay at Closing any new or supplement tax, or any increase to or modification of existing taxes or rates, on the transfer of condominium units enacted after the date of this Plan (any such tax, an "Additional Tax"), regardless of whether such Additional Tax is by law the primary obligation of the seller or purchaser. Sponsor will amend the Plan to disclose the enactment of any Additional Tax. However, Purchasers will be required to pay such Additional Tax at Closing regardless of whether the Plan amendment disclosing the Additional Tax has been accepted for filing by the date on which the Purchase Agreement is fully executed. Notwithstanding the foregoing, if the Department of Law considers the enactment of an Additional Tax resulting in an increase of 25% or more a material revision adversely affecting the rights, obligations or liabilities of then existing Purchasers, the Department of Law may require Sponsor to offer such Purchasers the right to rescind their Purchase Agreements, in which case such Purchasers will be given the right to rescind their Purchase Agreements and be refunded all monies paid thereunder (with interest earned thereon, if any) within thirty (30) days of presentation of the amendment offering such rescission. However, as to a Purchaser who first became an occupant of the Building after this Plan is filed with the Department of Law, such rescission will be conditioned on the cancellation of any Interim Lease and surrender of possession of his, her or its Unit within thirty (30) days after rescission.

See the section of the Plan entitled "Closing Costs and Adjustments."

8. Purchasers are advised that in New York City, newly constructed and newly renovated buildings are sometimes offered as condominium projects without a final certificate of occupancy ("FCO") covering the entire buildings but with only a temporary certificate of occupancy ("TCO"), and sometimes with several successive TCOs. Certificates of occupancy are generally governed by Section 301 of the New York Multiple Dwelling Law and local building codes and rules. Both TCOs and FCOs are issued by the New York City Department of Buildings ("DOB"). A TCO is intended to indicate that the Property is safe for occupancy, and that it conforms substantially to the DOB approved plans and specifications and to the requirements of all applicable laws, rules and regulations for the uses and occupancies specified in the TCO, but means that not all of the construction or renovation work and/or inspections have been performed, or that not all of the required documents for an FCO have been submitted to DOB. No change of use or occupancy shall be made unless a new certificate of occupancy is issued. All TCOs

have an expiration date. A TCO typically expires ninety (90) days after the date of issuance. When a TCO expires and is not renewed, it may be difficult or impossible to buy insurance or sell or refinance the Unit. In New York City, it is common for sponsors to commence unit closings when one, some or all units are covered by a TCO rather than a FCO. The Sponsor anticipates this scenario may occur. Sponsor and its principals will undertake the responsibility for obtaining and extending each TCO received for the Building prior to expiration thereof and ultimately for obtaining a FCO covering the Building within two years from the date of the issuance of the first TCO for the Building. However, the Sponsor and its principals make no representation or guarantee that DOB will issue the FCO within such two-year periods. Furthermore, because Sponsor and the Condominium's By Laws may permit Unit Owners to undertake renovations to individual Units prior to the procurement of a FCO, such renovations may cause additional delays in the issuance of a FCO, including a delay beyond two (2) years from the date of issuance of the first TCO. NOTWITHSTANDING THE FOREGOING, SPONSOR AND ITS PRINCIPALS ARE OBLIGATED TO PROCURE THE FCO FOR THE BUILDING AND SHALL EXERCISE THEIR BEST EFFORTS TO OBTAIN THE SAME WITHIN SUCH TWO-YEAR PERIOD WHILE KEEPING THE TCO CURRENT. Unit Owners and the Board of Managers shall be obligated to cooperate with and refrain from obstructing the Sponsor in these undertakings. Purchasers are advised to visit the DOB website for further recommendations when purchasing a Unit without an FCO having been issued. A Factsheet on certificates of occupancy is available on the DOB website at: <https://www1.nyc.gov/site/buildings/business/certificate-of-occupancy.page> Additionally, Purchasers are advised that because open building permits for Unit Owner alterations may impact the ability to obtain the FCO, Sponsor or the Board may, in order to obtain the FCO or any other reason, impose temporary restrictions or prohibitions on Unit alterations by Unit Owners. See the section of this Plan entitled "Rights and Obligations of the Sponsor."

9. The Sponsor anticipates that construction of the Building will be completed by July 1, 2022. Any material delays in the anticipated construction completion date will be disclosed in an amendment to this Plan. Construction is a complicated process requiring the coordination of numerous tasks and the balancing of complex mechanical and architectural systems. No assurance can be given with regard to the accuracy of any projected completion dates set forth herein. During the first year of Condominium operation, construction workers and related personnel may be at the Property from time to time to make adjustments and to perform various tasks related to the completion of construction. Various systems, including, but not limited to, water supply, electricity, air conditioning, elevators, heating and ventilation may require up to a year after the first Unit Closing to complete and may need to be shut down temporarily. Various other adjustments to windows, elevators and other systems may require up to eighteen (18) months after the first Closing to be completed. The Sponsor may not complete the decoration of the corridors in the Building, including, but not limited to, installing light fixtures, hanging wall coverings or laying carpeting until, that particular floor is fully occupied by Unit Owners. However, the Sponsor does not anticipate that any such incomplete items or amenities will have an impact on the budget for the Condominium. Notwithstanding the foregoing, the Building and Units will be constructed in accordance

with all applicable zoning and building laws, codes, regulations and all other applicable requirements. See the section of this Plan entitled “Rights and Obligations of the Sponsor.”

10. The Sponsor will not apply for real property tax benefits for the Building or Units, and no representation is made as to the Building’s or a Unit’s eligibility to receive any such real property tax benefits. Purchasers should note that an owner of a Residential Unit used as such owner’s primary residence may qualify for the Coop/Condo Property Tax Abatement, which would reduce the real estate taxes of such qualifying Unit. Each qualifying Unit Owner is responsible for applying for such abatement and the Sponsor cannot and will not make any such application. Effective July 1, 2022, only “qualified properties” will be eligible for the Coop/Condo Abatement. A “qualified property” is defined in Section 467-a of the New York Real Property Tax Law as (i) a property with an average unit assessed value of less than or equal to \$60,000, or (ii) a property with an average unit assessed value of more than \$60,000 and less than or equal to \$100,000 in a building with less than thirty (30) dwelling units, or (iii) a property in which all building service employees employed or to be employed at the property receive the applicable prevailing wage for the duration of the tax abatement. A service employee is defined as any person employed at a building for at least eight (8) hours per week for the building’s care and maintenance, including, without limitation, porters, superintendents, janitors and gardeners. As disclosed in Schedule B and Note 2 to Schedule B of this Plan, the Sponsor is budgeting for one superintendent to be an independent contractor, not an employee of the Condominium, and who is expected to be at the Building an average of four (4) hours per week. Therefore, under the terms of this Plan and during the time that the Sponsor controls the Board of Managers, the Building would not qualify as a “qualified property” for purposes of the Coop/Condo Abatement, and Unit Owners would not be able to apply for such abatement. However, the Building could qualify as a “qualified property” in the future if a future Unit Owner-controlled Board of Managers hires employees covered under the service employee definition as long as all of the Condominium’s service employees are paid the applicable prevailing wage for the duration of the tax abatement. The prevailing wage rates are determined and published annually by the Office of the Comptroller of the City of New York. The prevailing wages existing on the date of this Plan can be found on this link: <file:///C:/Users/norst/Downloads/Comptroller%20prevailing%20wage%20schedule.pdf>. No representation is made as to the an Owner’s eligibility to receive any such real property tax benefits. See the sections of this Plan entitled “Real Estate Taxes and Taxes on the Condominium” and “Schedule A – Schedule of Purchase Prices and Other Financial Details.”
11. At the request of a Purchaser, the Sponsor may, in its sole discretion, agree to perform modifications, upgrades or specialized work in a Unit, or to combine one or more Units into a single Unit, all subject to any Legal Requirements, including obtaining a certificate of occupancy covering the combined Unit and disclosing any such modifications and/or combinations in an amendment to the Plan. Such work shall be performed upon terms and conditions determined by the Sponsor and the Purchaser. In connection with the combination of one or more Units into a single Unit, the first installment of the Down

Payment payable by the Purchaser shall equal twenty percent (20%) of the total Purchase Price of the combined Units; in all other cases, a sum equal to the cost of such modifications or special work shall be paid to the Sponsor prior to any obligation on the Sponsor's part to perform such work. Such sum will be placed in the Escrow Account initially together with the Down Payment. However, Purchasers should note that such funds may be released from the Escrow Account by the Escrow Agent so long as Sponsor uses the funds for such upgrades, modifications or special work. As a result, except as set forth below, in the event a Purchaser is entitled to rescind its Purchase Agreement or in the event the Sponsor is unable to close title to the Unit with Purchaser for any reason, and even if this Plan is not consummated, the Purchaser will not receive a refund of any funds used for such requested modifications or specialized work but shall receive a refund of any unused funds. Notwithstanding the foregoing, Purchasers will receive a full refund of funds for such modifications or special work in the event the Sponsor abandons the Plan prior to declaring the Plan effective. See the section of this Plan entitled "Changes in Prices and Units."

12. Risk of loss for fire or other casualty remains with the Sponsor until legal title to the Unit has been conveyed to the Purchaser, unless the Purchaser enters into an Interim Lease or otherwise takes possession of the Unit. The Building will be covered by a fire and casualty insurance policy in an amount expected to be adequate to rebuild the Building's structure (but not portions of the interior of Units that are the responsibility of Unit Owners to insure) if totally destroyed by fire or other insured peril. Purchasers are advised to obtain insurance against loss for fire or other casualty for items not covered by the insurance described above, effective upon his, her or its taking title to or possession of a Unit. Specifically, Unit Owners, as well as Purchasers who take possession prior to the Closing, are urged to obtain insurance for the contents of their Units, their personal possessions, replacements, additions, upgraded fixtures and improvements to the Units and liability coverage for occurrences within their Units. A Purchaser who occupies a Residential Unit prior to the closing pursuant to an Interim Lease, or otherwise takes possession of a Unit prior to Closing, may not be able to obtain insurance for all risks of damage to the Unit and therefore assumes the risk of losses not covered by insurance. See the section of this Plan entitled "Procedure to Purchase."
13. Areas in Schedule A are not based on measurements from the interior surfaces of interior walls of rooms and are significantly greater than the usable floor area of the Units. All measurements are approximate, within reasonable tolerances. A Residential Unit's square footage is calculated from the exterior face of exterior walls (perimeter and mechanical pipes are not deducted) to the centerline of partitions between Units, and to the exterior face of partitions separating the unit from any common areas, stairs, elevators & other mechanical equipment spaces or any Common Elements. However, any Common Elements located within a Unit shall not be considered a part of the Unit. No Unit shall include any Common Element. See the section in Part I of this Plan entitled "Offering Prices and Related Information, Schedule A," as well as the Description of Property and Specifications or Building Conditions and the Declaration, copies of which are included in Part II of this Plan.

14. If a Purchaser defaults under a Purchase Agreement, time is of the essence with respect to the time within which the Purchaser must cure the default, as provided in the Purchase Agreement. This means that time limits within which the Purchaser must cure the default will be strictly observed and extensions will not be granted. In addition, if a Purchaser defaults under a Purchase Agreement, Seller may send notice to Purchaser of Sponsor's intention to cancel the Purchase Agreement, and if Sponsor chooses to cancel the Purchase Agreement, Sponsor must give such written notice of cancellation and default at least thirty (30) days before forfeiture of the Down Payment may be declared. The Sponsor's attorney shall impose a fee of \$500 for such notice of default, which will be paid by Purchaser. See the section of Part I of this Plan entitled "Procedure to Purchase," as well as the Purchase Agreement, a copy of which is included in Part II of this Plan.
15. Although a Purchaser may obtain financing from a lending institution or any other source, his, her or its obligation to purchase a Unit pursuant to his, her or its Purchase Agreement is not contingent on obtaining financing for such purchase. Any Purchaser who executes a Purchase Agreement and does not obtain financing may lose his or her deposit if he or she is unable to otherwise raise the monies necessary to pay the balance of the purchase price at the closing of title.

Purchasers should note that in the current real estate market, banks and other lenders are imposing various restrictions on purchase financing. Such restrictions may include requiring that a certain percentage of Units be sold before a lender will consider making a loan. Thus, it may be possible for a Purchaser to experience difficulty in obtaining a loan in the Building if the Sponsor has not sold a substantial percentage of the Units, which in some cases may be as high as 70%. Moreover, some lenders will not provide financing if an investor, other than the Sponsor, owns 10% or more of the Units. It may also be difficult for a Purchaser to resell a Unit if prospective buyers are unable to obtain a loan due to the same minimum sales and investor ownership restrictions. Prospective purchasers who require financing for the purchase of a Unit are advised to consult with a lending institution before executing a Purchase Agreement. No representation is made by the Sponsor, its principals or any other agents of the Sponsor as to the availability or cost of such financing. See the section of this Plan entitled "Procedure to Purchase."

16. The Purchase Agreement provides that prior to the Closing, the Purchaser shall not offer the Unit or the Purchase Agreement for sale or rental, engage any selling agent or broker, list the Unit or the Purchase Agreement with any selling agent or broker, link or make reference to or otherwise use any marketing material used by the Sponsor or its representatives, for the purpose of offering the Unit or the Purchase Agreement for sale or rental without the prior, written consent of the Sponsor. Failure by Purchaser to abide by the restrictions contained in the Purchase Agreement shall constitute a default thereunder. See the Purchase Agreement in Part II of this Plan, as well as the section in Part I entitled "Terms of Sale."
17. Jamie Rubin and Katharine Dautrich Rubin (collectively, "Optionee"), the owners of the neighboring property at 666 Union Street, which has been combined with the Property as a single zoning lot for zoning purposes only, have an option to purchase a Parking Unit

(the “Neighbor Parking Unit”) from and designated by the Sponsor (the “Purchase Option”). If the Purchase Option is exercised, the Sponsor shall convey the Neighbor Parking Unit to Optionee by deed in the form included in Part II of this Plan, and Optionee shall execute and acknowledge a power of attorney in favor of the Board of Managers in the form included in Part II of this Plan. Optionee’s ownership of the Neighbor Parking Unit is permitted under the Zoning Resolution and shall be subject to the Plan, Declaration, By Laws and the Condominium’s Rules and Regulations. The Sponsor shall, within thirty (30) days after the date thereof (the “Notice Date”), notify Optionee that the Plan has been accepted for filing and provide Optionee with a copy of the Plan. Optionee shall have thirty (30) days after the Notice Date, time being of the essence, to exercise the Purchase Option by executing and delivering to the Sponsor a Purchase Agreement in the form included in this Plan, together with (i) the Down Payment and (ii) any other amounts due in accordance with this Plan. The Purchase Option is personal to Optionee, and if Optionee shall die prior to the Closing of the Unit, the Purchase Option shall be deemed terminated and of no further force and effect (i.e., the Purchase Option shall not inure to the benefit of Optionee’s heirs, distributees, legal representatives, successors or assigns). Optionee has no right to assign the Purchase Option or any of its rights thereunder without the prior written consent of the Sponsor, which consent may be withheld or conditioned in the Sponsor’s sole discretion.

If the Purchase Option is exercised and the Neighbor Parking Unit is sold to Optionee, then the Property will be subject to a parking easement agreement to be recorded against the Property in the form included in Part II of this Plan (the “Parking Unit Easement Agreement”).

Under the Parking Unit Easement, the Optionee would have a non-exclusive, perpetual, permanent and irrevocable easement permitting pedestrian and vehicular right of access over, across and through the Condominium’s garage and driveway to and from the Neighbor Parking Unit solely for the parking and retrieving of one automobile belonging to a Optionee that fits within the dimensions of the Neighbor Parking Unit. The Optionee will be required to pay the Condominium the monthly Common Charges applicable to the Neighbor Parking Unit and to pay for all real estate taxes applicable to the Neighbor Parking Unit.

The combination of the Property and 666 Union Street as a single zoning lot was done for zoning purposes only and in compliance with applicable laws. This means that the Property and 666 Union Street are and will continue to be treated separate tax lots to be separately assessed for real estate tax purposes and for all other non-zoning purposes. There are no negative consequences, financial or otherwise, to the Condominium, this Plan, Unit Owners or Purchasers as a result of this zoning lot combination.

18. Each Unit Owner must notify the Board of Managers (and the Managing Agent, if any) in writing when a child or children under the age of eleven (11) years lives or resides (even temporarily) in the Residential Unit. Each Unit Owner shall install, at such Unit Owner’s expense, the required window guards in all windows of the Residential Unit. The Unit Owner must maintain all window guards installed in the Residential Unit and shall not

remove the same until permitted by applicable law and in any event, without full knowledge of the Board of Managers (and the Managing Agent, if applicable). See the Rules and Regulations contained in the By Laws in Part II of this Plan.

19. The Sponsor anticipates that the first Closing of a Unit will occur on July 1, 2022. Except as otherwise set forth below, if the first Unit Closing does not occur within twelve months following July 1, 2022, Purchasers will be offered the right to rescind their Purchase Agreements. If this Plan is amended to provide for a later projected date for the first Unit closing, Purchasers will be offered the right to rescind their Purchase Agreements if the first Unit closing occurs more than twelve months following such amended, later date. Purchasers should note that even if the first Unit closing occurs on or before July 1, 2022 (or such other date projected as the date of commencement of Condominium operations at the time the Purchase Agreement was entered into) or within the twelve month period thereafter, not only may the closing of subsequent Units be substantially delayed beyond such dates if a TCO has not been issued for such units or for the floor on which such Units are located, but the Sponsor may also schedule the closings of title to other Units significantly later than such projected date. In such cases, provided the Sponsor is diligently pursuing completion of construction and the issuance of a certificate of occupancy and is otherwise in compliance with its obligations under the Plan, the Purchaser will not be entitled to terminate the Purchase Agreement (unless the Purchase Agreement contains an outside closing date and the Closing to the Unit does not occur by such outside closing date), or to a right of rescission or to make claims against the Sponsor for damages or losses as a result of such delays and will not be excused from paying the full purchase price for the Unit. PROSPECTIVE PURCHASERS SHOULD THEREFORE CONSIDER CAREFULLY THE POSSIBILITY OF SUCH DELAYS AND SUCH RISKS IN THEIR DETERMINATION AS TO WHETHER TO PURCHASE A UNIT. See the section entitled "Procedure to Purchase" in Part I.
20. At the first Unit Closing, the Sponsor shall, without any representation or warranty by, or recourse against, the Sponsor, assign to the Board of Managers any assignable manufacturers' warranties with respect to the Sponsor-installed equipment in or serving the Building. At the Closing of a Unit, the Sponsor shall, without any representation or warranty by, or recourse against, the Sponsor, assign to the Purchaser any assignable manufacturers' warranties with respect to the equipment and appliances in the Unit. See the Description of Property and Specifications in Part II of this Plan.
21. A Purchaser will pay the closing costs and expenses referred to in the section of this Plan (as same may be amended to date) entitled "Closing Costs and Adjustments," which include, without limitation, the following fees of the Sponsor's attorney: \$2,500 for preparation of legal documents and for coordinating the Closing; an additional \$300 attendance fee if, at Purchaser's request and Sponsor's consent, the Closing occurs outside of the Sponsor's attorney's office or other office designated by the Sponsor but in the City of New York or \$500 if in Westchester, Nassau or Suffolk Counties, or an amount determined by the Sponsor's attorney if elsewhere; an additional \$300 fee if the Closing is adjourned at the Purchaser's request on less than forty-eight (48) hours notice (nothing herein shall give a Purchaser a right to adjourn a Closing); an additional \$500 fee if notice

of default is issued, unless the Closing does not occur because of a default by the Sponsor or the Sponsor's inability to close; and an additional \$500 fee if the Purchaser assigns his, her or its Purchase Agreement. See the section of this Plan entitled "Closing Costs and Adjustments."

22. At Closing, each Purchaser will contribute three months' Common Charges to the Condominium's working capital fund. No representation is made that the working capital fund will be, or is intended to be, adequate to cover expenses for the first or any subsequent year of Condominium operations, including, without limitation, the cost of any necessary repairs or replacements. If additional funds are required over and above the working capital fund, it may be necessary to increase the Common Charges or to assess Unit Owners. Neither the Department of Law nor any other governmental agency has passed upon the adequacy of the working capital fund. See the section of this Plan entitled "Working Capital Fund and Closing Adjustments with the Condominium Board."
23. The Sponsor has budgeted for a yearly contribution to a reserve fund in the amount set forth in Schedule B. It is anticipated, but not guaranteed, that the budgeted yearly reserve fund will be sufficient to pay for major capital repairs or replacement items that may be needed within the first five years of Condominium operations. However, no warranty or representation as to the need for, or timing of, future capital improvements is made to Unit Owners or the Board of Managers. See the section in Part I of this Plan entitled "Reserve Fund."
24. The Board of Managers does not have the right to approve or disapprove Purchasers. There is no limit on the number of Unit Owners who may purchase for investment rather than for personal occupancy. Therefore, there may always be a substantial percentage of Unit Owners who are non-residents and owner-occupants may never gain effective control and management of the Board of Managers or the Condominium. See the By Laws included in Part II of this Plan.
25. Each Unit Owner shall be responsible for maintaining, repairing and replacing the Limited Common Elements appurtenant to his Unit. See the section of this Plan entitled "Rights and Obligations of Unit Owners and the Board of Managers" and the Declaration of Condominium.
26. The Financial Crimes Enforcement Network ("FinCEN") has issued a Geographic Targeting Order ("GTO") requiring U.S. title insurance companies to identify and report to FinCEN the natural persons behind certain companies purchasing certain residential real property in New York City without lender financing. For as long as the GTO remains in effect, U.S. title insurance companies must report to FinCEN the personal identity of purchasers in residential real estate transactions occurring on or after November 17, 2018 in which:
 - a. The purchaser is a legal entity as defined in the GTO;

- b. The purchaser buys residential real property located in the Boroughs of Bronx, Brooklyn, Queens, Manhattan and Staten Island;
- c. The total purchase price is for \$300,000 or more;
- d. The purchase is made without a bank loan or other similar form of external financing; and
- e. The purchase is made, at least in part, using currency (including, without limitation, virtual currency) or a cashiers check, certified check, traveler's check, personal check, business check, money order in any form or a funds transfer.

See the section of this Plan entitled "Procedure to Purchase."

- 27. The Purchase Agreement provides that the Purchaser shall have the one time right to adjourn the Closing Date for up to fifteen (15) days after the scheduled Closing Date (to a date that shall be acceptable to Sponsor) on five (5) days written notice to Sponsor, provided however, that Purchaser shall pay to Sponsor at Closing an adjournment fee equal to 0.04% of the Total Purchase Price for the Unit for each day starting from (and including) the originally scheduled Closing Date to (and including) the day before the actual Closing Date as a reimbursement of Sponsor's higher carrying costs for the Unit by virtue of the delay. In addition, the Closing apportionments described in the Plan will be made as of midnight of the day preceding the originally scheduled Closing Date, regardless of when the actual Closing occurs. The fees described in this paragraph shall also apply during any default-curing period. See the Purchase Agreement included in Part II of this Plan.
- 28. Wood flooring in a Residential Unit should be maintained in accordance with the manufacturer's and the National Wood Flooring Association's recommendations and specifications. The Sponsor will provide each Purchaser at the Closing with such manufacturer's recommendations and specifications. For more information on proper care for wood flooring, Purchasers can visit the website of the National Wood Flooring Association at <http://www.nwfa.org>. See the "Procedure to Purchase" section in Part I of this Plan.
- 29. The By Laws provide that any controversy between Unit Owners or any claim by a Unit Owner against the Condominium or another Unit Owner arising out of or in relation to the Declaration, By-Laws or Rules and Regulations of the Condominium shall be settled by arbitration in accordance with the Rules of the American Arbitration Association, and judgment upon the award rendered by the Arbitration may be entered in any court having jurisdiction thereof. The arbitrator must be an independent third party unrelated to any party of the dispute. See the By Laws included in Part II of this Plan.
- 30. The Purchase Agreement provides that Purchaser waives trial by jury in any action, proceeding, or counterclaim involving any matter arising out of, or connected with, the

Purchase Agreement or the relationship of the parties as Purchaser and Seller, or the right of Purchaser to any statutory relief or remedy. See the Purchase Agreement included in Part II of this Plan.

31. On December 22, 2017 the Tax Cuts and Jobs Act (the “2017 Act”) was signed into law. The 2017 Act made changes to the Internal Revenue Code of 1986, as amended (the “Code”) that are generally effective for individual taxpayers for the period January 1, 2018 through December 31, 2025, at which point the relevant Code provisions in effect prior to 2018 become effective again. The 2017 Act made changes to the pre-2018 Code provisions relating to tax and interest deduction for home ownership. In general, under the new Tax Cuts and Jobs Act, the owner of a residential condominium unit may deduct interest paid on his or her mortgage indebtedness on a mortgage of \$750,000 or less, as well as up to \$10,000 in the aggregate of the real estate taxes assessed and paid on his or her interest in the property and the state and local taxes paid to the taxing authorities. See the Opinion Letter included in Part I of this Plan.
32. If there is any “floor area” (as defined in the Zoning Resolution of the City of New York (the “Zoning Resolution”)) pertaining to the Property and not used in the Building as constructed or as a result of a future rezoning of the area on which the Property is located (the “Excess Floor Area”), the Sponsor or its designee, on behalf of itself, and acting as attorney-in-fact for the Board of Managers and each of the Unit Owners, may execute and deliver such documents and take such other actions as are appropriate to transfer, sell or permit the use of the Excess Floor Area, at any adjoining lot where the use of the Excess Floor Area is permitted pursuant to the Zoning Resolution, including, without limitation, executing and delivering on behalf of itself, the Board of Managers and each of the Unit Owners one or more declarations of zoning restrictions, zoning lot development agreements, and waiver of parties in interest. If the Excess Floor Area is used on adjoining properties, it may result in the vertical or horizontal expansion of such adjoining properties and, therefore, it may alter the views from and light into the Building. The Sponsor will not use the Excess Floor Area to expand the Building. Solely the Sponsor, and not the Board of Managers or any of the Unit Owners, has any interest in the Excess Floor Area or any proceeds from the transfer or sale or use thereof. Therefore, unless development rights are separately acquired on behalf of the Condominium or a Unit Owner, any future expansion of the Building by the Board of Managers or of a Unit by a Unit Owner as may otherwise be permitted pursuant to applicable Legal Requirements may not be possible or may be limited. The power of attorney granted to the Sponsor or its designee in this paragraph is irrevocable and coupled with an interest. See the “Reservation of Development Rights” section in Part I of this Plan and the Declaration in Part II of this Plan.
33. Local Law 147 (“LL 147”) was signed into law on August 28, 2017 and went into effect on August 28, 2018. Pursuant to LL 147, the Condominium must contain a written smoking policy for the Property that addresses smoking in Units, Common Elements and Limited Common Elements and that applies to all Unit Owners, occupants of the Units and persons on the Property.

In accordance with LL 147, the Condominium's smoking policy, set forth as a Rule and Regulation of the Condominium and which shall be included in all Purchase Agreements and Interim Leases, is the following:

"Except as expressly permitted pursuant to this Rule and Regulation, smoking is not allowed in (a) any indoor Common Element or Limited Common Element, including, but not limited to, indoor corridors, rooms, hallways, stairs, stairways, storage areas and lobbies, and (b) in any outdoor Common Elements (other than Limited Common Elements), including, but not limited to, any common rooftops, patios, yards, parking areas, pool areas, porches and courtyards. Notwithstanding the foregoing, smoking is permitted inside of Units and in any outdoor Limited Common Elements appurtenant to a Unit, including, but not limited to, yards, terraces, decks and balconies appurtenant to a Unit. For purposes of this Rule and Regulation, (i) "smoking" shall mean inhaling, exhaling, burning or carrying any lighted or heated cigar, cigarette, electronic cigarette, little cigar, pipe, water pipe or hookah, herbal cigarette, non-tobacco smoking product (e.g., marijuana or non-tobacco shisha), or any similar form of lighted object or device designed for people to use to inhale smoke, and (ii) "electronic cigarette (e-cigarette)" shall mean a device that heats a liquid, gel, herb or other substance and produces vapor for the user or people to inhale."

The Condominium's smoking policy is contained in the By Laws, Purchase Agreement and Interim Lease forms included in Part II of this Plan.

34. The following Parking Unit(s) are handicapped spaces and will be designated as such in the Floor Plans: Unit P2. Each Parking Unit designated as handicapped may be sold to any Purchaser, whether or not the Purchaser is handicapped or has handicapped plates in his or her vehicle, and all such Parking Units will be the last Parking Units sold, unless sold to a Purchaser who himself or herself (or a member of the Purchaser's family who will reside in the Unit) has a vehicle with handicapped plates. The purchase and all subsequent sales or transfers of each Parking Unit designated as handicapped space will be subject to the following covenants and restrictions in the Declaration:
- (a) If a Unit Owner, or a member of such Unit Owner's family residing in the Unit Owner's Residential Unit, becomes handicapped and acquires handicapped plates for his or her vehicle (the "Handicapped Owner"), and such Handicapped Owner owns a Parking Unit that is not designated as a handicapped space (the "Handicapped Owner's Regular Space"), such Handicapped Owner has the right to demand in writing that any other Unit Owner (the "Non-Handicapped Owner") who owns a Parking Unit designated as a handicapped space (the "Non-Handicapped Owner's Handicapped Space") but who himself or herself does not own a vehicle with handicapped plates and who does not have a family member residing in his or her Unit with a vehicle with handicapped plates, trade the Non-Handicapped Owner's Handicapped Space to the Handicapped Owner, so that the Handicapped Owner is left owning the Non-Handicapped Owner's Handicapped Space and the Non-Handicapped Owner is left owning the Handicapped Owner's Regular Space.

(b) If a Unit Owner, or a member of such Unit Owner's family residing in the Unit Owner's Residential Unit, becomes handicapped and acquires handicapped plates for his or her vehicle (the "Handicapped Owner"), and such Handicapped Owner does not own a Parking Unit, such Handicapped Owner has the right to demand in writing that any other Unit Owner (the "Non-Handicapped Owner") who owns a Parking Unit designated as a handicapped space (the "Non-Handicapped Owner's Handicapped Space") but who himself or herself does not own a vehicle with handicapped plates and who does not have a family member residing in his or her Unit with a vehicle with handicapped plates, sell the Non-Handicapped Owner's Handicapped Space to the Handicapped Owner at the then current fair market value of the Non-Handicapped Owner's Handicapped Space. The Non-Handicapped Owner must comply with the Handicapped Owner's written demand within thirty (30) of receipt of such written demand, and all costs and expenses related to the transfer of the Parking Unit, including, without limitation, title searches and reports, title insurance, transfer taxes, recording fees and reasonable attorney's fees, shall be borne by the Handicapped Owner requesting the transfer. If the Handicapped Owner and Non-Handicapped Owner cannot agree on the market value of the Parking Unit or any other terms of the transfer, then they shall submit the matter to binding arbitration pursuant to and in accordance with Article IX, Section 10 of the By Laws.

See the section in Part I entitled "Description of Property" and the Declaration and By Laws in Part II.

35. Except for the Neighbor Parking Unit, the Parking Units offered for sale may only be purchased by a Unit Owner or a Purchaser of a Unit and may only be used by Unit Owners or Unit occupants for the parking of motor vehicles and uses incidental thereto. The Sponsor intends to sell the Parking Units offered pursuant to this Plan and will endeavor in good faith to sell Parking Units rather than rent. The Sponsor, however, reserves the right, in its sole discretion, to decline an offer from a Unit Owner or a Purchaser of a Unit to purchase a Parking Unit, and to rent instead of to sell the Parking Units at any time after consummation of this Plan (or before consummation of this Plan to Purchasers occupying their Units pursuant to Interim Leases). The Parking Units (other than the Neighbor Parking Unit) may be sold or leased by a Unit Owner separately from his Unit, but only to another Unit Owner (or, in the case of a lease, to another Unit occupant) and subject to a right of first refusal in favor of the Board of Managers. The Neighbor Parking Unit may not be sold or leased separately from the Neighbor Property. The Declaration provides that the sale or lease of any Units by the Sponsor or other owner(s) of Unsold Units is not subject to such right of first refusal. See the section in Part I entitled "Introduction," "Description of Property" and the Declaration and By Laws in Part II.
36. The Purchase Agreement provides that if Purchaser is a foreign government, a resident representative of a foreign government or such other person or entity otherwise entitled to diplomatic or sovereign immunity, that the Purchaser designates a duly authorized and lawful agent to receive process for and on behalf of Purchaser in any state or Federal suit, action or proceeding in the State of New York based on, arising out of or connected with the Purchase Agreement or the Condominium Documents. Furthermore, if Purchaser is

a foreign mission, as such term is defined under the Foreign Missions Act, 22 U.S.C. section 4305, Purchaser shall notify the United States Department of State prior to purchasing a Unit and provide a copy of such notice to Sponsor. Sponsor shall not be bound under the Purchase Agreement unless and until the earlier to occur of: (i) a notification of approval is received from the United States Department of State; or (ii) sixty (60) days after Purchaser's notice is received by the United States Department of State. See the form of Purchase Agreement in Part II of this Plan.

37. Until there are no Unsold Units, Sponsor and its designee(s) shall have the right to use, without charge, portions of the Building's Common Elements for exhibitions, events and promotions. See the section in Part I of this Plan entitled "Description of Property and Improvements."
38. Sponsor reserves the right to delay and waive the collection of Common Charges from Purchasers for a period of time prior to full occupancy of the Building (the "Waiver Period"). During the Waiver Period, Sponsor shall be solely responsible for the timely payment of, and will timely pay, all expenses to operate the Building based on the actual costs of operating the Building, including, without limitation, insurance premiums and reserve fund payments, instead of on the estimates set forth in Schedule B. Such expenses, however, shall not include individual Unit Owner expenses such as, but not limited to, real estate taxes and utility charges consumed within the Units. Therefore, during the Waiver Period, Schedule B will not be in effect and the level of services to the Building described in the Notes to Schedule B will not be fully in effect. In all instances, however, including during the Waiver Period, Unit Owners will remain responsible for the payment of real estate taxes applicable to and utility charges consumed within their Units, regardless of whether the Units have been separately assessed. As the occupancy level of the Building increases, the Building's operating costs will increase, and Sponsor will terminate the Waiver Period upon thirty (30) days' prior written notice to Unit Owners, after which the Schedule B and all Building services disclosed in the Notes to Schedule B will be in effect and the collection and payment of Common Charges will commence.

Upon commencement of collection of Common Charges, there will not be an assessment for any item in the approved budget for the Condominium. Regardless of the Waiver Period, Sponsor shall remain obligated to update the Condominium's budget as required by the Department of Law's governing regulations.

If Sponsor elects to delay and waive the collection of Common Charges, Sponsor will disclose the implementation of the Waiver Period in a closing notice to Purchasers and in the post closing amendment to this Plan, and will file a subsequent amendment to the Plan disclosing the expiration of the Waiver Period. See the section in Part I of this Plan entitled "Rights and Obligations of Unit Owners and the Board of Managers."

39. If the Building is occupied by tenants and/or Unit owners prior to issuance of the Final Certificate of Occupancy, a tenant protection plan will be distributed to each occupant who will be occupying any Unit during construction, in accordance with the New York

City Building Code, Section 28-104.8.4. See the Section in Part I of this Plan entitled “Rights and Obligations of the Sponsor.”

40. Local Law 11/98 may require that the exterior walls of the Building be inspected every five (5) years after completion of construction, which construction completion is estimated to occur on or about July 1, 2022, or as required by applicable Legal Requirements. Compliance with Local Law 11/98, including all costs, expenses, fees, inspections and filings in connection therewith, shall be the responsibility of the Board of Managers and the Unit Owners, not the Sponsor. The Board would have to obtain quotes for such costs, expenses and fees and bids to perform such work at the appropriate time. Purchasers are advised that the costs associated with Local Law 11/98 inspections and compliance can be substantial, may include installation of construction scaffolding and sheds as required by DOB for extended periods of time, the hiring of an architect or engineer, and are not included in Schedule B. See the section in Part I of this Plan entitled “Description of Property.”
41. At Sponsor’s election, a Purchaser may rent a Residential Unit pursuant to an Interim Lease for the contracted-for Unit prior to the Closing and prior to or after consummation of this Plan, in the form included in Part II of this Plan. It will be a default under the Interim Lease if the Purchaser-occupant fails to comply with all of the Purchaser’s obligations under the Purchase Agreement. It will be a default under the Purchase Agreement if the Purchaser-occupant fails to comply with all of the Purchaser-occupant’s obligations under the Interim Lease, which default will permit the Sponsor to cancel the Purchase Agreement. See the section in Part I of this Plan entitled “Interim Leases.”
42. A Unit Owner may sell or lease his, her or its Residential Unit and Parking Unit subject only to the right of first refusal exercisable by the Board of Managers, and may mortgage his, her or its Unit, without restriction, with a lender. See Articles VI and VII of the “By Laws” in Part II of this Plan.
43. Immediately prior to the first Unit Closing or as soon thereafter as necessary information is available, the Sponsor shall apportion certain typical real estate closing items with the Board of Managers as of midnight of the day immediately preceding such Closing. If the result of the closing adjustments is a net credit in favor of the Condominium, the Sponsor shall make a contribution to the working capital fund in the amount of such net credit. If, however, the result of the closing adjustments is a net credit in favor of the Sponsor, same will be paid to the Sponsor by the Board in twelve (12) equal consecutive monthly installments pursuant to the terms of twelve (12) negotiable serial promissory notes to be executed by the Board at the first Closing. The first of these serial promissory notes will mature two (2) months after the date upon which the first Closing takes place and the balance will mature monthly thereafter. Each serial promissory note will contain a provision allowing the Sponsor to accelerate the note’s maturity date in the event of a default under any other serial promissory note, in which case interest shall be due and payable on the compound sum of the lesser of 16% per annum or the highest rate permitted by law, such interest to accrue from the date payment was initially due until payment of said sum plus all such interest is made in full.. The Board of Managers will be entitled to

prepay each serial promissory note, in full only, at any time and without penalty. Payments of the serial promissory notes may be withdrawn from the Working Capital Fund. In the event the Working Capital Fund is insufficient to fully pay off the serial promissory notes, payment of the balance of the same shall be a Common Expense that will increase the Common Charges. The Sponsor will disclose any such closing adjustments made as of and in the post-closing amendment to this Plan. See the section of this Plan titled "Closing Adjustments with the Condominium Board."

44. Each Purchaser shall execute and deliver to the Sponsor at the Closing the Power of Attorney included in Part II of this Plan at the Closing. Failure to do so will be a default under the Purchase Agreement. See the section of this Plan titled "Procedure to Purchase."
45. Units 3A, 3C, 4A, 4B, 5A, 5C, 6A and 6C have lot line windows, as shown on the Floor Plans and as more fully set forth below, that are not counted towards legal light and ventilation requirements. Purchasers should note that lot line windows may have to be sealed if a building or structure is built on the property next to the lot line windows and such building or structure blocks the lot line windows. If the lot line windows are blocked, the Board of Managers will seal the lot line windows and the costs thereof shall be a Common Expense, but any repairs (and the costs thereof) to the inside surface of the walls of the Units where the windows were located shall be the responsibility of each Unit Owner affected. The cost of sealing a lot line window is estimated at approximately \$1,000 per window.

The lot line windows are located as follows:

Third Floor

Unit 3A: one lot line window within the unit's Living & Dining Room, one lot line window in the Kitchen, and one lot line window in Bedroom 2.

Unit 3C: one lot line window within the unit's Kitchen, one lot line window in the Powder Room, and one lot line window in Bedroom 3.

Fourth Floor

Unit 4A: one lot line window within the unit's Kitchen, one lot line window in the Powder Room, and one lot line window in Bedroom 3.

Unit 4B: one lot line window within the unit's Kitchen, one lot line window in the Powder Room, and one lot line window in Bedroom 3.

Fifth Floor

Unit 5A: one lot line window within the unit's Living & Dining Room, one lot line window in the Kitchen, and one lot line window in Bedroom 2.

Unit 5C: one lot line window within the unit's Kitchen, one lot line window in the Powder Room, and one lot line window in Bedroom 3.

Sixth Floor

Unit 6A: one lot line window within the unit's Kitchen, one lot line window in the Powder Room, and one lot line window in Bedroom 2.

Unit 6C: one lot line window within the unit's Kitchen, one lot line window in the Powder Room, and one lot line window in Bedroom 3.

See the section of this Plan titled "Description of Property" and "Floor Plans."

46. Article 36-B of the New York General Business Law (the Housing Merchant Implied Warranty Law) does not apply to this offering because the Building contains more than five stories. Sponsor makes no warranties, express or implied, in connection with this offering and all such warranties are excluded, except as expressly set forth in this Plan. Regardless of any limitations this Plan, Sponsor is obligated to construct the Building in accordance with all applicable codes, filed plans and specifications, and locally accepted building practices for items which are not covered by codes, and any conflict between the disclaimers and Sponsor's obligations to construct the Building in accordance with all applicable codes, filed plans and specifications shall be resolved in favor of the latter. See the "Rights and Obligations of the Sponsor" in Part I of this Plan.
47. No material change in a Unit's size or layout may be made unless an affected Purchaser consents if a Purchase Agreement has been executed and delivered to the Sponsor for that Unit and the Purchaser is not in default. No material change in size of the Units will be made without an amendment to the Plan. A decrease in a Unit's area of 5% or less will not affect a Purchaser's obligations under the Purchase Agreement unless such decrease is determined to be a material change. There is a rebuttable presumption that an area that is diminished by 5% or less is not material. See the "Notes to Schedule A" in Part I.
48. At the time a Purchase Agreement is executed, a Purchaser will be required to make an initial Down Payment in an amount equal to ten (10%) percent of the purchase price. In the event that Purchaser defaults under a Purchase Agreement, and fails to cure any such default within thirty (30) days of Sponsor's delivery of a notice of such default, Sponsor may, at its option, either (i) cancel such Purchase Agreement and retain all sums deposited by Purchaser thereunder, including any money paid on account of changes to the plans for the Unit requested by Purchaser, together with any interest earned thereon, if any, or (ii) bring an action against Purchaser for specific performance, in which event Purchaser could be compelled to close title to the Unit. TIME IS OF THE ESSENCE for Purchaser to cure any default.

If a Purchaser fails to close title to a Unit through no fault of Sponsor on the originally scheduled Closing Date, and Sponsor elects not to cancel Purchaser's Purchase Agreement, then (a) the closing adjustments to be made at the Closing will be made as of midnight of the day preceding the originally scheduled Closing Date and (b) Purchaser will be required to pay to

Sponsor an amount equal to 0.04% percent of the purchase price of the Unit for each day the Closing is adjourned.

The Purchase Agreement also provides that a Purchaser shall be obligated to reimburse Sponsor for any legal fees and disbursements incurred by Sponsor in successfully defending Sponsor's rights under the Purchase Agreement, or, in the event Purchaser defaults under the Purchase Agreement beyond any applicable grace period, in cancelling the Purchase Agreement or otherwise enforcing Purchaser's obligations thereunder. THE PURCHASE AGREEMENT ALSO PROVIDES THAT EXCEPT AS PROHIBITED BY LAW, THE PARTIES WAIVE TRIAL BY JURY IN ANY LITIGATION ARISING OUT OF, OR IN CONNECTION WITH, OR RELATING TO, THE PLAN, THE PURCHASE AGREEMENT, OR THE RELATIONSHIP CREATED HEREBY.

See the "Purchase Agreement" in Part II.

49. Each Residential Unit shall have as a Limited Common Element a storage area in the cellar, as shown on the Floor Plans. The owners of such Units may use their storage areas for storage and only in compliance with all Legal Requirements, and shall be responsible for maintenance, repair and replacement of their storage areas. Storage areas may not be used for sleeping, dining or other habitable purposes, or for the storage of combustible items as that term is defined in the New York City Building Code, as doing so may result in violations against the Building being issued by the Department of Buildings. The Board of Managers and its agents, employees and contractors may have access to all storage areas in order to inspect the Common Elements and for any action the Board of Managers is required or permitted to take. In the event that any such Board action requires removal or disruption of all or any elements of the storage areas, it shall be the responsibility of the Board of Managers to replace such elements. Purchasers should note that because they are located in the cellar, the storage areas are susceptible to dampness and have less light and air than ordinary living space. See the Description of Property and Notes to Schedule A in Part I of this Plan.
50. The Purchase Agreement contains a clause requiring that disputes regarding the disposition of Down Payments or Deposits be submitted to "Expedited Arbitration". Expedited Arbitration means a binding arbitration proceeding held in New York County administered by JAMS, or if JAMS is no longer providing such service to another private alternative dispute resolution provider selected by Sponsor which is not affiliated with Sponsor (the "ADR Provider") and conducted, to the extent consistent with the Purchase Agreement, in accordance with the then prevailing rules and expedited procedures of the ADR Provider (the "ADR Rules"). Accordingly, by submitting to Expedited Arbitration, the parties to the Purchase Agreement waive the right to a trial by jury and to bring suit in court concerning disputes under the Purchase Agreement over the disposition of escrowed funds and agree to accept the Arbitrator's decision as final. New York law does not authorize the filing of a notice of pendency based on ongoing arbitration proceedings, unlike litigation. There is generally no right to appeal. The right of the parties to be represented by counsel and to submit data, memoranda and similar material in support of their respective positions, and the ability of the parties to obtain documents, witness statements and other discovery may be more limited in Expedited

Arbitration than in court proceedings. After hearing the dispute, the Arbitrator shall be obligated to render a determination (the “Award”) within the applicable time period under the ADR Rules for the rendering thereof. The Arbitrator may not have to explain the reason(s) for the Award. The Award shall be final and binding upon the parties. A party’s ability to have a court reverse or modify an arbitration award is very limited (see New York Civil Practice Law and Rules § 7511). Any motion to confirm or vacate the Award must be filed in a federal or state court located in the City, County and State of New York. Escrow Agent shall continue holding the Down Payment or Deposit in escrow until the later of (a) ninety (90) days following the Award or (b) final adjudication of any motion filed to confirm or vacate the Award. The parties shall bear the costs of their own expenses and witness preparation. The parties shall equally share the costs of the JAMS administrative fees, including the Arbitrator’s compensation. At the conclusion of the hearing, the Arbitrator shall make his or her determination and shall award to the prevailing party, if any, the costs and attorneys’ fees reasonably incurred by the prevailing party in connection with the Arbitration. The prevailing party shall be reimbursed for its share of the JAMS administrative expenses. See the “Procedure to Purchaser” section in Part I and the Purchase Agreement in Part II of this Plan.

51. No representation is made regarding the views from any windows in the Building and all views are subject to change at any time, for any reason, and/or may become obstructed. No representation is made that construction in the neighborhood surrounding the Property, or that any existing trees or trees planted in the future, will not result in obstruction of views from any windows in the Building. See the “Description of Property and Specifications” in Part II of this Plan.
52. The Sponsor reserves the right to substitute in place of any materials, appliances, equipment, and/or fixtures described in the “Description of Property and Specifications or Building Condition” in Part II of this Plan, with Equal or Better materials, appliances, equipment, and/or fixtures provided only that any necessary approval of any governmental authority having jurisdiction thereover is first obtained. See the “Description of Property and Specifications” in Part II of this Plan.
53. All maintenance, repairs and replacements to the Common Elements, including the garage area and including Limited Common Elements and whether located inside or outside the Units, will be made by the Board of Managers and the cost thereof will be a Common Expense, except for repairs to Limited Common Elements that are expressly made the responsibility of the Unit Owner of the benefited Unit. All maintenance, repairs and replacements to the Residential and Parking Units, including the Neighbor Parking Unit, whether structural or non-structural, ordinary or extraordinary, other than to the Common Elements contained therein, will be made by each respective Unit Owner at his, her or its expense and shall be completed within a reasonable period of time. All maintenance, repairs and replacements to the Common Elements of the Condominium, including Limited Common Elements and whether located inside or outside the Units, if necessitated by the negligence, misuse or neglect of a Unit Owner or an occupant of a Unit or a Unit Owner's employees, invitees, agents or contractors shall be made at the

election of the Board of Managers either by the Board, at the expense of the Unit Owner, or by the Unit Owner.

54. The interior winder stair in Unit 2B from the second floor to the first floor garage is not an egress stair and does not have to comply with Section 1009.4.2, Exception 7 of the New York City Building Code, which dictates egress stair requirements. Winder stairs, however, may pose a risk of stumbling and falling. See the “Description of Property and Specifications” and “Floor Plans” in Part II of this Plan.

INTRODUCTION

668-670 Union St LLC (“Sponsor”) presents this offering plan (“Plan”) to describe the submission to condominium ownership of the Land and the Building known as 670 Union Street, Brooklyn, New York and all appurtenances thereto and the sale of Units in the Condominium. The Condominium will be known as “670 Union Street Condominium.” The Condominium will contain a total of fourteen (14) Residential Units and ten (10) Parking Units, all of which are vacant and offered for sale.

The Sponsor invites all prospective Purchasers to read this Plan in order to properly and thoroughly evaluate the offering made by the Sponsor. The purpose of this Plan is to set forth all the material terms of the offer to sell Units in order to allow prospective Purchasers to make informed decisions regarding their purchase of Units. The terms of this Plan may be changed from time to time by amendments accepted for filing by the Department of Law. Amendments will be distributed to Purchasers and Unit Owners and any other person entitled to receive a copy of an amendment pursuant to 13 N.Y.C.R.R. §20.1(d) and §20.3(d)(1).

The Condominium is subject to, and complies with, the Condominium Act. The Property will be submitted to provisions of the Condominium Act by the Sponsor's recording the Declaration in the Office of City Register, Borough of Brooklyn. From the date of recording the Declaration, the Sponsor will be the owner of each of the Units until each is sold and conveyed. The Sponsor may not, under law, offer Units for sale unless and until an offering plan has been accepted for filing by the Department of Law.

The Sponsor of this Plan is 668-670 Union St LLC and acquired the Property on November 27, 2017. The Sponsor will newly construct the Building, which will consist of a cellar, six floors, fourteen (14) Residential Units and ten (10) Parking Units. The Property will also include storage areas, balconies, terraces and condensers as Limited Common Elements. Please refer to Note 8 to Schedule A, below and to the Declaration in Part II for a more detailed description of the Limited Common Elements.

Each Unit will be provided with, and each Unit's purchase price includes, the equipment, appliances and fixtures described in the Description of Property and Specification included in Part II of this Plan, subject to Equal or Better substitutions.

The budget for the first year of Condominium operation does not provide for the maintenance, repair and replacement of the Building's windows. In accordance with the By-Laws, maintenance, repair and replacement of the same shall be the responsibility of the Board of Managers and the costs thereof shall be a Common Expense. Unit Owners, however, shall be responsible for the cost of cleaning the inside face of windows at their Units. The Board of Managers may require that all Unit Owners grant access to their Units and terraces or balconies

to persons retained by the Board of Managers to clean the exterior surfaces of the windows and to maintain, repair and/or replace the windows.

The Sponsor intends to sell the Units offered pursuant to this Plan and will endeavor in good faith to sell the Units rather than rent. Sponsor reserves the unconditional right to rent the Residential Units offered pursuant to this Plan after consummation of this Plan and the unconditional right to rent the Parking Units after consummation of this Plan (or before consummation of this Plan to Purchasers occupying Residential Units pursuant to Interim Leases). Because the Sponsor is not limiting the conditions under which it will rent rather than sell Units, there is no commitment to sell more units than the fifteen percent (15%) necessary (i.e., 3 Residential Units) to declare the plan effective and owner-occupants may never gain effective control and management of the Condominium. If the Sponsor makes a bulk sale of all or some of its Unsold Units, meaning a sale in bulk to a transferee successor sponsor, then the transferee successor sponsor is bound by Sponsor's representations regarding its commitment to sell, and its reservation of the right to rent, the Units as specified herein. The validity of the Plan's effectiveness shall not be impaired or affected if one or more Purchasers counted for purposes of declaring the Plan effective does or do not close title. However, if all Purchase Agreements are rescinded or terminated prior to the date of the first Unit closing, the Sponsor shall re-declare the Plan effective, regardless of whether the Declaration has been recorded in the Office of the City Register.

Except for the Neighbor Parking Unit, the Parking Units offered for sale may only be purchased by a Unit Owner or a Purchaser of a Unit and may only be used by Unit Owners or Unit occupants for the parking of motor vehicles and uses incidental thereto. The Sponsor intends to sell the Parking Units offered pursuant to this Plan and will endeavor in good faith to sell Parking Units rather than rent. Parking Units, like Residential Units, would be transferred by deed, and there is no limit as to the number of Parking Units that a Purchaser may buy. The Sponsor, however, reserves the right, in its sole discretion, to decline an offer from a Unit Owner or a Purchaser of a Unit to purchase a Parking Unit, and to rent instead of to sell the Parking Units after consummation of this Plan (or before consummation of this Plan to Purchasers occupying their Units pursuant to Interim Leases). The Parking Units (other than the Neighbor Parking Unit) may be sold or leased by a Unit Owner separately from his Unit, but only to another Unit Owner (or, in the case of a lease, to another Unit occupant) and subject to a right of first refusal in favor of the Board of Managers. The Neighbor Parking Unit may not be sold or leased separately from the Neighbor Property. The Declaration provides that the sale or lease of any Units by the Sponsor or other owner(s) of Unsold Units is not subject to such right of first refusal.

Although a Purchaser may obtain financing from a lending institution or any other source, his, her or its obligation to purchase a Unit pursuant to his, her or its Purchase Agreement is not contingent on obtaining financing for such purchase. Any Purchaser who executes a Purchase Agreement and does not obtain financing may lose his or her deposit if he or she is unable to otherwise raise the monies necessary to pay the balance of the purchase price at the closing of title. Purchasers should note that in the current real estate market, banks and other lenders are

imposing various restrictions on purchase financing. Such restrictions may include requiring that a certain percentage of Units be sold before a lender will consider making a loan. Thus, it may be possible for a Purchaser to experience difficulty in obtaining a loan in the Building if the Sponsor has not sold a substantial percentage of the Units, which in some cases may be as high as 70%. Moreover, some lenders will not provide financing if an investor, other than the Sponsor, owns 10% or more of the Units. It may also be difficult for a Purchaser to resell a Unit if prospective buyers are unable to obtain a loan due to the same minimum sales and investor ownership restrictions. Prospective purchasers who require financing for the purchase of a Unit are advised to consult with a lending institution before executing a Purchase Agreement. No representation is made by the Sponsor, its principals or any other agents of the Sponsor as to the availability or cost of such financing.

The Sponsor has commenced the construction described in this Plan with its own funds. Such funds are anticipated and expected, but not guaranteed, to be sufficient to complete the construction described in this Plan. If Sponsor obtains construction financing for the Property, Sponsor will amend this Plan to disclose the relevant terms of such financing, including any sales and rental requirements or restrictions imposed by the construction lender. If unforeseen circumstances arise, however, the Sponsor will make commercially reasonable efforts, but ultimately may not be able to complete the construction described in this Plan. If Sponsor is unable to complete construction, the Sponsor may abandon this Plan or provide financially responsible entities or individuals who will assume the status and all of the obligations of the Sponsor under this Plan, in either case in accordance with applicable legal requirements. If this Plan is abandoned, all Purchase Agreements will be terminated and all Down Payments will be promptly returned to Purchasers. However, all Purchase Agreements will remain in full force and effect if a financially responsible successor sponsor is provided. This Plan may be abandoned by the Sponsor, at its sole and unrestricted option, at any time before it is declared effective by an amendment together with form RS-3 filed at the Department of Law, but it may not be abandoned once it has been declared effective for any reason other than those set forth in the "Effective Date" section of this Plan.

The Board of Managers does not have the right to approve or disapprove Purchasers. There is no limit on the number of Unit Owners who may purchase for investment rather than for personal occupancy. Therefore, there may always be a substantial percentage of Unit Owners who are non-residents and owner-occupants may never gain effective control and management of the Board of Managers or the Condominium.

This Plan as currently constituted calls for fourteen (14) Residential Units and ten (10) Parking Units, as well as the Common Elements. Improvements being made to the Building by the Sponsor are described in the section of Part II of this Plan entitled "Description of Property and Specifications or Building Condition."

The initial purchase price for each Unit, the percentage of Common Interest allocated to each Unit, the estimated annual Common Charges and other financial information are listed below

in “Schedule A – Schedule of Purchase Prices and Other Financial Details for Each Unit.” **THE PRICES CONTAINED IN THIS PLAN HAVE BEEN SET BY THE SPONSOR WITHOUT ARMS LENGTH NEGOTIATION AND ARE NOT SUBJECT TO APPROVAL BY THE DEPARTMENT OF LAW OR ANY OTHER GOVERNMENTAL AGENCY.**

Each Residential Unit will be provided with, and each Unit’s purchase price includes, the equipment, appliances and fixtures described in the Description of Property and Specification included in Part II of this Plan, subject to Equal or Better substitutions.

No binding obligation will arise between a Purchaser and the Sponsor unless and until a Purchase Agreement, executed by both a Purchaser and the Sponsor, has been exchanged and Sponsor has collected the Down Payment. The submission of a Purchase Agreement for a Unit by the Sponsor to a prospective Purchaser or receipt by the Sponsor of a Purchase Agreement from a prospective Purchaser does not mean that the Sponsor has approved the prospective Purchaser to purchase a Unit.

Within fifteen (15) days after a prospective Purchaser delivers an executed Purchase Agreement, together with the Down Payment, the Sponsor must either accept the Purchase Agreement and return a fully executed counterpart to the Purchaser, or reject the Purchase Agreement and, within such fifteen (15) days, refund the Down Payment. If the Sponsor fails to do either within fifteen (15) days, Purchaser’s offer shall be deemed rejected and the Down Payment refunded within ten (10) days following such rejection, unless Purchaser agrees, in writing, to have his, her or its offer extended. The Purchaser will have ten (10) days from the end of the fifteen (15) day period to exercise the right to extend his, her or its offer. If the Sponsor accepts the extended offer and Purchase Agreement, the Down Payment will be placed promptly in a segregated special attorney's escrow account, described below. If the Sponsor rejects the extended offer and the Purchase Agreement, the Down Payment will be refunded within ten (10) days following such rejection.

As set forth in the Reservation of Development Rights section in Part I of this Plan, if there is any “floor area” (as defined in the Zoning Resolution of the City of New York (the “Zoning Resolution”)) pertaining to the Property and not used in the Building as the Building exists on the date it is completed or as a result of a future rezoning of the area on which the Property is located (the “Excess Floor Area”), the Sponsor or its designee, on behalf of itself, and acting as attorney-in-fact for the Board of Managers and each of the Unit Owners, may execute and deliver such documents and take such other actions as are appropriate to transfer, sell or permit the use of the Excess Floor Area, at any adjoining lot where the use of the Excess Floor Area is permitted pursuant to the Zoning Resolution, including, without limitation, executing and delivering on behalf of itself, the Board of Managers and each of the Unit Owners one or more declarations of zoning restrictions, zoning lot development agreements, and waiver of parties in interest. If the Excess Floor Area is used on adjoining properties, it may result in the vertical or horizontal expansion of such adjoining properties and, therefore, it may alter the views from and

light into the Building. The Sponsor will not use the Excess Floor Area to expand the Building. Solely the Sponsor, and not the Board of Managers or any of the Unit Owners, has any interest in the Excess Floor Area or any proceeds from the transfer or sale or use thereof. Therefore, unless development rights are separately acquired on behalf of the Condominium or a Unit Owner, any future expansion of the Building by the Board of Managers or of a Unit by a Unit Owner as may otherwise be permitted pursuant to applicable Legal Requirements may not be possible or may be limited. The power of attorney granted to the Sponsor or its designee in this paragraph is irrevocable and coupled with an interest.

Features of Condominium Ownership

The Purchaser of a Residential Unit will own his, her or its Unit in a manner similar in many respects to the ownership of a one-family home. He, she or it will own the Unit outright, will be entitled to the exclusive possession of the Unit and also will own an undivided fee interest in, and will have the right to use, the Common Elements in common with all other Unit Owners. He, she or it also will have the exclusive or shared right to use any Limited Common Elements appurtenant to his, her or its Unit, as such Limited Common elements are described and set forth in Schedule A, the Notes to Schedule A and the Declaration.

A Unit Owner will be required to pay Common Charges in accordance with the Declaration, By-Laws and Sections 339-i, 339-m and other applicable provisions of the Condominium Act, proportionate to his, her or its respective interest in the Common Elements, for the operation and maintenance of the Property. The Condominium budget and Common Charges may include a line item for contingencies, replacements and/or repairs in such amount as the Board of Managers shall decide is in the best interest of the Condominium. The Board of Managers will determine the Common Charges. See “Schedule B – Projected Budget for First Year of Condominium Operations.” A Unit Owner may use the Unit for any legal purpose, subject to Legal Requirements. Prospective Purchasers should note the use restrictions contained in the Declaration and the By-Laws and described in the section of this Plan entitled “Rights and Obligations of the Unit Owners and the Board of Managers.” Each Unit Owner must comply with the Declaration, the By-Laws and the Rules and Regulations and may lose the right to vote annually for the Board of Managers and be subject to other sanctions if not in compliance with all of the foregoing.

Pursuant to Articles VI and VII of the By Laws, a Unit Owner may sell or lease his, her or its Unit subject only to the right of first refusal exercisable by the Board of Managers, and may mortgage his, her or its Unit, without restriction, with a lender. Parking Units (other than the Neighbor Parking Unit), however, may only be sold or leased to other Unit Owners (or, in the case of a lease, to other Unit occupants). The Neighbor Parking Unit may not be sold or leased separately from the Neighbor Property.

Each Unit Owner will be taxed separately for real estate tax purposes and may obtain a mortgage loan on his, her or its Unit and make the mortgage loan payment directly to the mortgage

lender. The Unit will not be affected by any other Unit Owner's separate obligation for such other Unit Owner's mortgage loan or real estate taxes. Each Unit Owner will be further responsible for utility charges consumed in his, her or its Unit.

At the Closing of a Unit, the Purchaser will be required to make a contribution equal to three months of Common Charges to the Working Capital Fund as described in the section of this Plan entitled "Working Capital Fund and Closing Adjustments with the Condominium Board" below.

Each Unit Owner will be responsible for the cost of interior maintenance and repair of his, her or its Unit, and for the cost of all decoration of the interior of the Unit beyond that set forth in the "Description of Property and Specifications or Building Conditions" in Part II of this Plan. Each Unit Owner will be responsible for the cost of his, her or its own liability insurance to cover occurrences within the Unit as well as for casualty insurance to cover losses to his, her or its personal possessions and improvements in the Unit. A more detailed description of the rights and obligations of Unit Owners is contained in the Declaration and By-Laws of the Condominium. These documents appear in Part II of this Plan.

All maintenance, repairs and replacements to the Common Elements, including the garage area and including Limited Common Elements and whether located inside or outside the Units, will be made by the Board of Managers and the cost thereof will be a Common Expense, except for repairs to Limited Common Elements that are expressly made the responsibility of the Unit Owner of the benefited Unit. All maintenance, repairs and replacements to the Residential and Parking Units, including the Neighbor Parking Unit, whether structural or non-structural, ordinary or extraordinary, other than to the Common Elements contained therein, will be made by each respective Unit Owner at his, her or its expense and shall be completed within a reasonable period of time. All maintenance, repairs and replacements to the Common Elements of the Condominium, including Limited Common Elements and whether located inside or outside the Units, if necessitated by the negligence, misuse or neglect of a Unit Owner or an occupant of a Unit or a Unit Owner's employees, invitees, agents or contractors shall be made at the election of the Board of Managers either by the Board, at the expense of the Unit Owner, or by the Unit Owner.

The Board of Managers will conduct the affairs of the Condominium and supervise the operation of the Property. Unit Owners have the right to vote for members of the Board of Managers.

Any controversy between Unit Owners or any claim by a Unit Owner against the Condominium or another Unit Owner arising out of or in relation to the Declaration, By-Laws or Rules and Regulations of the Condominium shall be settled by arbitration in accordance with the Rules of the American Arbitration Association and in accordance with Article IX, Section 10 of the By-Laws.

During the period that the Sponsor controls the Board, the Sponsor has a fiduciary duty to and agrees that it will enforce its obligations under the Plan and as required by law. The obligations of the Sponsor hereunder shall be enforceable by the Board of Managers on behalf of Unit Owners. Except as expressly provided herein to the contrary, the obligations of the Sponsor shall be enforceable by individual Unit Owners only if either (i) the Board fails to take reasonable action to enforce such obligations within ninety (90) days following the giving of notice of a claim by a Unit Owner to the Board or (ii) the applicable statute of limitations with respect to any claim by a Unit Owner which would otherwise be enforceable by the Board will expire during the aforesaid ninety (90) day period (in either of which events the Unit Owner may bring an action in the nature of a derivative action against the Board of Managers). However, with regard to the Sponsor's obligations pertaining to the Common Elements, nothing herein shall prevent an individual Unit Owner from bringing an action in his, her or its own capacity against the Sponsor after the aforesaid ninety (90) day period has expired and the Board of Managers has failed to take reasonable action to enforce such obligations within the aforesaid ninety (90) day period.

Under the By-Laws, as set forth in Part II of this Plan, until the first meeting of Unit Owners, the Board of Managers will consist of three (3) members designated by the Sponsor. Within ninety (90) days after the first Closing of title to a Unit, the Sponsor will call the first meeting of Unit Owners, at which meeting the Unit Owners shall elect three (3) members, subject to Sponsor's right to designate members. The Sponsor shall have the right to designate two members of the Board until the earlier of: (1) five years after the Closing of the first Unit or (2) the time the Sponsor holds less than fifty percent (50%) of the Common Interests. After Sponsor's initial voting control period, there is no requirement that a majority of the Board of Managers be composed of owner-occupants or members of an owner-occupant's household who are unrelated to the Sponsor and its principals.

* * * *

In the opinion of the counsel for the Sponsor, each Unit Owner may be entitled to certain deductions for income tax purposes. See the section of this Plan entitled "Opinion of Counsel."

When notice is required pursuant to the regulations of the Department of Law as described in Part I of this Plan, it shall be delivered in accordance with such regulations and be effective as follows: service by personal delivery shall be deemed complete upon delivery; service by mailing shall be presumed complete on the fifth day after the date of mailing. Purchasers should note that documents contained in Part II of this Plan may contain different notice provisions in which case such different provision shall apply.

The Sponsor has the right to reject any prospective Purchaser without cause or explanation, provided that such rejection is not based on sex, sexual orientation, race, creed, color, national origin, ancestry, age, disability, marital status or other ground proscribed by law. Units may be offered only to individuals over the age of eighteen (18) and to corporations and other entities that may legally own real property in the State of New York.

A form of the Purchase Agreement is reproduced in Part II of this Plan.

This Plan consists of Parts I and II, including all schedules, as well as Parts A, B, C and D of the Exhibits submitted to the Department of Law. This Plan constitutes the entire offer of the Sponsor and contains all of the material terms of the transaction. Part I sets forth a general description of the offering and the Condominium. Part II of this Plan contains the basic documents necessary to create the Condominium and otherwise effectuate this Plan. Also included in Part II are a detailed physical description of the Property and certifications as to certain matters discussed in this Plan. All documents referred to in this Plan are important and should be read carefully by prospective Purchasers. Prospective Purchasers should consult an attorney before purchasing a Unit and provide him or her with a copy of this Plan. Copies of this Plan, all documents referred to herein and all Exhibits submitted to the Department of Law in connection with the filing of this Plan, will be available for inspection by prospective Purchasers and their attorneys without charge at the office of the Sponsor's attorney during normal business hours. Copies will also be available for photocopying at a reasonable charge. In addition, copies of this Plan and all Exhibits will be available for inspections and copying at a reasonable fee at the Department of Law.

THE PURCHASE OF A CONDOMINIUM UNIT HAS MANY SIGNIFICANT LEGAL AND FINANCIAL CONSEQUENCES. THE ATTORNEY GENERAL STRONGLY URGES YOU TO READ THIS OFFERING PLAN CAREFULLY AND TO CONSULT WITH AN ATTORNEY BEFORE SIGNING A PURCHASE AGREEMENT.

DESCRIPTION OF PROPERTY AND IMPROVEMENTS

Located in the Park Slope neighborhood of Brooklyn, the Property is located on a parcel of land with an address at 670 Union Street, between between 4th and 5th Avenues. The parcel of land consists of block 955, lot 33 on the Tax Map of the Borough of Brooklyn. Before Sponsor's acquisition thereof, the land that is currently lot 33 consisted of four parcels of land with addresses at 668, 670, 670-A and 672 Union Street. The Sponsor combined all four parcels into what is now the Property and lot 33. The prior use of three of the four parcels that now constitute the Property was residential, and a fourth parcel was used as a day care center. The combination of the four parcels into the one parcel that is now the Property will not have any adverse impact on the Condominium.

The Sponsor will newly construct the Building, which will contain a cellar, six floors, an elevator, fourteen (14) Residential Units and ten (10) Parking Units. The Property will also include storage areas, terraces, balconies and condensers as Limited Common Elements, as follows:

Terraces

Units 3C, 6A shall each have a terrace as a Limited Common Element, as shown on the Floor Plans. The owners of such Units and their successors and assigns shall be responsible for maintenance, repair and replacement of their terrace, including the terrace's surface, but the Board of Managers shall make any structural repairs to the terraces, including the railings, if any, that are required, except that in all events the Unit Owner shall be responsible for any maintenance, repair and replacement of any portion of their terrace if necessitated by damage caused by the Unit Owner or the Unit Owner's invitees, tenants, employees, agents or contractors. The Board of Managers and its agents, employees and contractors may have access to the terraces in order to inspect the Common Elements and for any action the Board of Managers is required or permitted to take. In the event Board repairs require removal or disruption of any elements of the terraces, it shall be the responsibility of the Board of Managers to replace such elements. The owners of such Units may not perform construction in their terraces unless the owners comply with all Legal Requirements and obtain the written approval of the Board of Managers.

Balconies

Units 2A, 2B, 4B, 5C and 6B shall each have a balcony as a Limited Common Element, as shown on the Floor Plans. The owners of such Units and their successors and assigns shall be responsible for maintenance, repair and replacement of their balconies, including the balconies' surfaces, but the Board of Managers shall make any structural repairs to the balconies, including the railings, if any, that are required, except that in all events the Unit Owner shall be responsible for any maintenance, repair and replacement of any portion of the balconies if necessitated by damage caused by the Unit Owner or the Unit Owner's invitees, tenants, employees, agents or contractors. The Board of Managers and its agents, employees and contractors may have access to the balconies in order to inspect the Common Elements and for any action the Board of Managers is required or permitted to take. In the event repairs by the Board of Managers require removal or disruption of any elements of the balconies, it shall be the responsibility of the Board of Managers to replace such elements. The owners of such Units may not perform construction in their balconies unless the owners comply with all Legal Requirements and obtain the written approval of the Board of Managers.

Storage Areas

Each Residential Unit shall have as a Limited Common Element a storage area in the cellar, as shown on the Floor Plans. The owners of such Units may use their storage areas for storage and only in compliance with all Legal Requirements, and shall be responsible for maintenance, repair and replacement of their storage areas. Storage areas may not be used for sleeping, dining or other habitable purposes. The Board of Managers and its agents, employees and contractors may have access to all storage areas in order to inspect the Common Elements and for any action the Board of Managers is required or permitted to take. In the event that any such Board action requires removal or disruption of all or any elements of the storage areas, it shall be the responsibility of the Board of Managers to replace such elements. Purchasers should

note that because they are located in the cellar, the storage areas are susceptible to dampness and have less light and air than ordinary living space.

Condensers

Each Residential Unit shall have as a Limited Common Element at least one condenser unit. The Unit Owners shall have the right to place, inspect, maintain, repair and replace their condenser and other condenser equipment serving their respective Units. A Unit Owner, and his, her or its agents and contractors shall have a right of access over and through any areas where the condenser units are located for such purposes. A Unit Owner shall be responsible for the maintenance, repair and replacement of the condenser and condenser equipment servicing his, her or its Unit (including equipment located outside the Unit and all piping and wiring associated with the Condenser), as required. The Board of Managers shall be responsible for maintenance, repair and replacement of all common areas, and all elements thereof, except that in all events a Unit Owner shall be responsible for the cost and expense of any maintenance, repair and replacement of any portion of common areas or elements thereof if necessitated by the negligence, misuse or neglect of a Unit Owner or an occupant of a Unit or a Unit Owner's employees, invitees, agents, guests or contractors. In the event any common areas or elements thereof require removal or disruption of any condenser unit or associated piping or wiring, or element thereof, it shall be the responsibility of the Board of Managers to replace or repair same. In any event, the Board of Managers and its agents, employees and contractors may have access to all common areas of the Building in order to inspect the Common Elements and for any action the Board of Managers is required or permitted to take.

The Building and Units are permissible under, and will be constructed in accordance with, all applicable zoning and building laws and all other applicable requirements.

Each Unit will be provided with, and each Unit's purchase price includes, the equipment, appliances and fixtures described in the Description of Property and Specification included in Part II of this Plan, subject to Equal or Better substitutions. There are no equipment, appliances or fixtures described in the Description of Property and Specifications pertaining to a Unit that are not included in such Unit's purchase price.

The budget for the first year of Condominium operation does not provide for the maintenance, repair and replacement of the Building's windows. In accordance with the By-Laws, maintenance, repair and replacement of the same shall be the responsibility of the Board of Managers and the costs thereof shall be a Common Expense. Unit Owners, however, shall be responsible for the cost of cleaning the inside face of windows at their Units. The Board of Managers may require that all Unit Owners grant access to their Units and terraces or balconies to persons retained by the Board of Managers to clean the exterior surfaces of the windows and to maintain, repair and/or replace the windows.

Until there are no Unsold Units, Sponsor and its designee(s) shall have the right to use, without charge, portions of the Building's Common Elements for exhibitions, events and promotions.

Units 3A, 3C, 4A, 4B, 5A, 5C, 6A and 6C have lot line windows, as shown on the Floor Plans and as more fully set forth below, that are not counted towards legal light and ventilation requirements. Purchasers should note that lot line windows may have to be sealed if a building or structure is built on the property next to the lot line windows and such building or structure blocks the lot line windows. If the lot line windows are blocked, the Board of Managers will seal the lot line windows and the costs thereof shall be a Common Expense, but any repairs (and the costs thereof) to the inside surface of the walls of the Units where the windows were located shall be the responsibility of each Unit Owner affected. The cost of sealing a lot line window is estimated at approximately \$1,000 per window.

The lot line windows are located as follows:

Third Floor

Unit 3A: one lot line window within the unit's Living & Dining Room, one lot line window in the Kitchen, and one lot line window in Bedroom 2.

Unit 3C: one lot line window within the unit's Kitchen, one lot line window in the Powder Room, and one lot line window in Bedroom 3.

Fourth Floor

Unit 4A: one lot line window within the unit's Kitchen, one lot line window in the Powder Room, and one lot line window in Bedroom 3.

Unit 4B: one lot line window within the unit's Kitchen, one lot line window in the Powder Room, and one lot line window in Bedroom 3.

Fifth Floor

Unit 5A: one lot line window within the unit's Living & Dining Room, one lot line window in the Kitchen, and one lot line window in Bedroom 2.

Unit 5C: one lot line window within the unit's Kitchen, one lot line window in the Powder Room, and one lot line window in Bedroom 3.

Sixth Floor

Unit 6A: one lot line window within the unit's Kitchen, one lot line window in the Powder Room, and one lot line window in Bedroom 2.

Unit 6C: one lot line window within the unit's Kitchen, one lot line window in the Powder Room, and one lot line window in Bedroom 3.

Jamie Rubin and Katharine Dautrich Rubin (collectively, "Optionee"), the owners of the neighboring property at 666 Union Street, which has been combined with the Property as a single zoning lot for zoning purposes only, have an option to purchase a Parking Unit (the "Neighbor Parking Unit") from and designated by the Sponsor (the "Purchase Option"). If the Purchase Option is exercised, the Sponsor shall convey the Neighbor Parking Unit to Optionee by deed in the form included in Part II of this Plan, and Optionee shall execute and acknowledge a power of attorney in favor of the Board of Managers in the form included in Part II of this Plan. Optionee's ownership of the Neighbor Parking Unit is permitted under the Zoning Resolution and shall be subject to the Plan, Declaration, By Laws and the Condominium's Rules and Regulations. The Sponsor shall, within thirty (30) days after the date thereof (the "Notice Date"), notify Optionee that the Plan has been accepted for filing and provide Optionee with a copy of the Plan. Optionee shall have thirty (30) days after the Notice Date, time being of the essence, to exercise the Purchase Option by executing and delivering to the Sponsor a Purchase Agreement in the form included in this Plan, together with (i) the Down Payment and (ii) any other amounts due in accordance with this Plan. The Purchase Option is personal to Optionee, and if Optionee shall die prior to the Closing of the Unit, the Purchase Option shall be deemed terminated and of no further force and effect (i.e., the Purchase Option shall not inure to the benefit of Optionee's heirs, distributees, legal representatives, successors or assigns). Optionee has no right to assign the Purchase Option or any of its rights thereunder without the prior written consent of the Sponsor, which consent may be withheld or conditioned in the Sponsor's sole discretion. If the Purchase Option is exercised and the Neighbor Parking Unit is sold to Optionee, then the Property will be subject to a parking easement agreement to be recorded against the Property in the form included in Part II of this Plan (the "Parking Unit Easement Agreement").

Except for the Neighbor Parking Unit, the Parking Units offered for sale may only be purchased by a Unit Owner or a Purchaser of a Unit and may only be used by Unit Owners or Unit occupants for the parking of motor vehicles and uses incidental thereto. The Sponsor intends to sell the Parking Units offered pursuant to this Plan and will endeavor in good faith to sell Parking Units rather than rent. The Sponsor, however, reserves the right, in its sole discretion, to decline an offer from a Unit Owner or a Purchaser of a Unit to purchase a Parking Unit, and to rent instead of to sell the Parking Units after consummation of this Plan (or before consummation of this Plan to Purchasers occupying their Units pursuant to Interim Leases). The Parking Units (other than the Neighbor Parking Unit) may be sold or leased by a Unit Owner separately from his Unit, but only to another Unit Owner (or, in the case of a lease, to another Unit occupant) and subject to a right of first refusal in favor of the Board of Managers. The Neighbor Parking Unit may not be sold or leased separately from the Neighbor Property. The Declaration provides that

the sale or lease of any Units by the Sponsor or other owner(s) of Unsold Units is not subject to such right of first refusal.

The following Parking Unit(s) are handicapped spaces and will be designated as such in the Floor Plans: Unit P2. Each Parking Unit designated as handicapped may be sold to any Purchaser, whether or not the Purchaser is handicapped or has handicapped plates in his or her vehicle, and all such Parking Units will be the last Parking Units sold, unless sold to a Purchaser who himself or herself (or a member of the Purchaser's family who will reside in the Unit) has a vehicle with handicapped plates. The purchase and all subsequent sales or transfers of each Parking Unit designated as handicapped space will be subject to the following covenants and restrictions in the Declaration:

(a) If a Unit Owner, or a member of such Unit Owner's family residing in the Unit Owner's Residential Unit, becomes handicapped and acquires handicapped plates for his or her vehicle (the "Handicapped Owner"), and such Handicapped Owner owns a Parking Unit that is not designated as a handicapped space (the "Handicapped Owner's Regular Space"), such Handicapped Owner has the right to demand in writing that any other Unit Owner (the "Non-Handicapped Owner") who owns a Parking Unit designated as a handicapped space (the "Non-Handicapped Owner's Handicapped Space") but who himself or herself does not own a vehicle with handicapped plates and who does not have a family member residing in his or her Unit with a vehicle with handicapped plates, trade the Non-Handicapped Owner's Handicapped Space to the Handicapped Owner, so that the Handicapped Owner is left owning the Non-Handicapped Owner's Handicapped Space and the Non-Handicapped Owner is left owning the Handicapped Owner's Regular Space.

(b) If a Unit Owner, or a member of such Unit Owner's family residing in the Unit Owner's Residential Unit, becomes handicapped and acquires handicapped plates for his or her vehicle (the "Handicapped Owner"), and such Handicapped Owner does not own a Parking Unit, such Handicapped Owner has the right to demand in writing that any other Unit Owner (the "Non-Handicapped Owner") who owns a Parking Unit designated as a handicapped space (the "Non-Handicapped Owner's Handicapped Space") but who himself or herself does not own a vehicle with handicapped plates and who does not have a family member residing in his or her Unit with a vehicle with handicapped plates, sell the Non-Handicapped Owner's Handicapped Space to the Handicapped Owner at the then current fair market value of the Non-Handicapped Owner's Handicapped Space. The Non-Handicapped Owner must comply with the Handicapped Owner's written demand within thirty (30) of receipt of such written demand, and all costs and expenses related to the transfer of the Parking Unit, including, without limitation, title searches and reports, title insurance, transfer taxes, recording fees and reasonable attorney's fees, shall be borne by the Handicapped Owner requesting the transfer. If the Handicapped Owner and Non-Handicapped Owner cannot agree on the market value of the Parking Unit or any other terms of the transfer, then they shall submit the matter to binding arbitration pursuant to and in accordance with Article IX, Section 10 of the By Laws.

Local Law 11/98 may require that the exterior walls of the Building be inspected every five (5) years after completion of construction, which construction completion is estimated to occur on or about July 1, 2022, or as required by applicable Legal Requirements. Compliance with Local Law 11/98, including all costs, expenses, fees, inspections and filings in connection therewith, shall be the responsibility of the Board of Managers and the Unit Owners, not the Sponsor. Purchasers are advised that the costs associated with Local Law 11/98 inspections and compliance can be substantial, may include installation of construction scaffolding and sheds as required by DOB for extended periods of time, the hiring of an architect or engineer, and are not included in Schedule B.

The Sponsor anticipates that construction will be substantially completed on or about July 1, 2022, though the Sponsor does not warrant or guarantee any occupancy dates for the Building. In Part II of this Plan is a detailed description of the Property and the construction work.

Jamie Rubin and Katharine Dautrich Rubin (collectively, "Optionee"), the owners of the neighboring property at 666 Union Street, which has been combined with the Property as a single zoning lot for zoning purposes only, have an option to purchase a Parking Unit (the "Neighbor Parking Unit") from and designated by the Sponsor (the "Purchase Option"). If the Purchase Option is exercised, the Sponsor shall convey the Neighbor Parking Unit to Optionee by deed in the form included in Part II of this Plan, and Optionee shall execute and acknowledge a power of attorney in favor of the Board of Managers in the form included in Part II of this Plan. Optionee's

ownership of the Neighbor Parking Unit is permitted under the Zoning Resolution and shall be subject to the Plan, Declaration, By Laws and the Condominium's Rules and Regulations.

Neither the Sponsor nor a principal of the Sponsor owns or has an option or right to acquire any properties adjacent to the Property that are not fully developed. If either the Sponsor or a principal of the Sponsor acquires or gets an option or right to acquire any such adjacent properties, this Plan will be amended within thirty (30) days of any such occurrence.

*Purchasers are advised that Limited Common Elements are not habitable spaces and may not be used as such. The Limited Common Elements are: terraces for Units 3C and 6A; balconies for Units 2A, 2B, 4B, 5C and 6B; and storage spaces and condenses for each Residential Unit.

**The projected real estate taxes for the first year of Condominium operations contained on Schedule A are based on an assessment of the Building before construction is complete. Purchasers are advised that real estate taxers may increase materially when the Building is reassessed after construction is complete. See Footnote 6 to Schedule A for more information regarding the projected assessed valuation after completion of construction.

NOTES TO SCHEDULE A

1. Bedrooms and Bathrooms

The room count is calculated as follows: bedrooms and bathrooms. Full bathrooms – those with a sink, toilet and either a shower or a tub – are counted as one bathroom, whereas those bathrooms without a shower or a tub are counted as a half-bathroom.

The bedroom/bathroom count does not necessarily conform to counts used by the New York City Department of Buildings or any other government agency. Any Floor Plan or sketch shown to a prospective Purchaser shows only an approximation of the dimensions and layout of a Unit, within reasonable tolerances. Floor Plans are included in Part II of this Plan. Each Unit should be inspected to determine its condition, layout and the position of partitions. The Sponsor reserves the right to change the location of any demising walls used in defining the spaces of any Unit, and thereby change, within reasonable tolerances, the approximate square footage of the Unit so affected.

No material change in size or layout may be made unless an affected Purchaser consents if a Purchase Agreement has been executed and delivered to the Sponsor for that Unit and the Purchaser is not in default. No material change in size of the Units will be made without an amendment to the Plan. A decrease in a Unit's area of 5% or less will not affect a Purchaser's obligations under the Purchase Agreement unless such decrease is determined to be a material change. There is a rebuttable presumption that an area that is diminished by 5% or less is not material.

2. Approximate Area

Areas in Schedule A are not based on measurements from the interior surfaces of interior walls of rooms and are significantly greater than the usable floor area of the Units. The square footage of Residential Units is calculated from the exterior face of exterior walls (perimeter and mechanical pipes are not deducted) to the centerline of demising walls, and to the exterior face of partitions separating the Unit from any common areas, stairs, elevators & other mechanical equipment spaces or any Common Elements. However, any Common Elements located within a Unit shall not be considered a part of the Unit. No Unit shall include any Common Element. Unit area measurements are approximate, within reasonable tolerances. No material change in size or layout may be made unless an affected Purchaser consents if a Purchase Agreement has been executed and delivered to the Sponsor for that Unit and the Purchaser is not in default. No material change in size of the Units will be made without an amendment to the Plan. A decrease in a Unit's area of 5% or less will not affect a Purchaser's obligations under the Purchase Agreement unless such decrease is determined to be a material change. There is a rebuttable presumption that an area that is diminished by 5% or less is not material.

3. Offering Prices

The prices presented in Schedule A for Units may be changed only by an amendment to this Plan duly filed with the Department of Law when the change in price is an across-the-board increase or decrease affecting one or more lines of Units, or is to be advertised, or is a price increase for an individual Purchaser. The Sponsor reserves the right amend prices at any time. The sponsor also reserves the right to lower prices and alter other terms of the Purchase Agreement for a Unit as a result of individual negotiations between the Sponsor and a Purchaser without filing an amendment. Accordingly, it is possible that Purchasers may pay more or less than is indicated in this Plan. See the section of this Plan entitled “Changes in Price and Units,” below.

Closing costs and adjustments, which will vary for each Unit, are not included in the purchase price. The current estimates of such costs and adjustments are discussed in the section of this Plan entitled “Closing Costs and Adjustments,” below. One such Closing cost for which Purchaser will be responsible is the payment of transfer taxes. In New York, the seller of real property is statutorily obligated to pay and responsible for the payment of the New York State Real Estate Transfer Tax and the New York City Real Property Transfer Tax, and the buyer of real property is statutorily obligated to pay the Mansion Tax and Supplemental Tax, if applicable. However, in sales of condominium units by a sponsor, it is customary for buyers to pay these transfer taxes. Purchasers are advised that under this Plan, the Sponsor is imposing on Purchasers Sponsor’s statutory obligation to pay these transfer taxes and, pursuant to the Purchase Agreement, Purchasers are obligated to pay these transfer taxes.

The Purchaser is responsible for the payment of the New York State Real Estate Transfer Tax, which currently is 0.4% of the purchase price for Residential and Parking Units costing less than \$3,000,000 and 0.65% of the purchase price for Residential and Parking Units costing \$3,000,000 or more, and for an additional tax commonly known as “Mansion Tax,” which is currently 1% of the purchase price for Residential Units costing \$1,000,000 or more and less than \$2,000,000, and for a “Supplemental Tax” for Residential Units, as follows:

<u>Residential Unit Price</u>	<u>Supplemental Tax (% of Price)</u>
\$2,000,000 – \$2,999,999	0.25%
\$3,000,000 - \$4,999,999	0.5%
\$5,000,000 – \$9,999,999	1.25%
\$10,000,000 - \$14,999,999	2.25%
\$15,000,000 - \$19,999,999	2.5%
\$20,000,000 - \$24,999,999	2.7%
\$25,000,000 or more	2.9%

The Purchaser is also responsible for the New York City Real Property Transfer Tax, which is currently equal to one percent (1%) of the purchase price for Residential and Parking Units costing \$500,000 or less and one and four hundred twenty five one thousandths percent (1.425%) for Residential and Parking Units costing more than \$500,000. When calculating the taxes, taxes paid by Purchasers, except the Mansion Tax and Supplemental Tax, are added to the purchase price.

In addition to transfer taxes and the Mansion Tax and Supplemental Tax, Purchasers will also be obligated to pay at Closing any new or supplement tax, or any increase to or modification of existing taxes or rates, on the transfer of condominium units enacted after the date of this Plan (any such tax, an “Additional Tax”), regardless of whether such Additional Tax is by law the primary obligation of the seller or purchaser. Sponsor will amend the Plan to disclose the enactment of any Additional Tax. However, Purchasers will be required to pay such Additional Tax at Closing regardless of whether the Plan amendment disclosing the Additional Tax has been accepted for filing by the date on which the Purchase Agreement is fully executed. The enactment of an Additional Tax and any amendment to the Plan to disclose the same shall not give right to any right of rescission or recourse of any kind.

4. Percentage of Common Interest

A Unit’s percentage of Common Interest is calculated based on a Unit's floor space subject to the location of such space and additional factors of relative value to other space in the Condominium, the uniqueness of the Unit, the availability of Common Elements for exclusive or shared used, and the overall dimensions of the particular Unit, pursuant to Section 339-i (1) (iv) of the Condominium Act.

5. Common Charges

Common Charges will be billed and collected on a monthly basis, subject to change by the Board of Managers. To the extent that Common Charges are unpaid, they shall constitute a lien upon the Unit charged. Such lien shall be subordinate to liens for real estate taxes and any first mortgage on the Unit.

6. Projected Real Estate Taxes

After the Condominium is divided into individual tax lots, each Unit will be taxed as a separate tax lot for real estate tax purposes. A Unit Owner will not be responsible for, nor will the Unit be subject to, any lien arising from the non-payment of, taxes on other Units.

The opinion of the Sponsor's attorney, included in this Plan, describes circumstances under which real estate taxes may be deductible for income tax purposes. On December 22, 2017 the Tax Cuts and Jobs Act (the “2017 Act”) was signed into law. The 2017 Act made changes to the Internal Revenue Code of 1986, as amended (the “Code”) that are generally effective for

individual taxpayers for the period January 1, 2018 through December 31, 2025, at which point the relevant Code provisions in effect prior to 2018 become effective again. The 2017 Act made changes to the pre-2018 Code provisions relating to tax and interest deduction for home ownership. In general, under the new Tax Cuts and Jobs Act, up to \$10,000 in real estate taxes paid on a Residential Unit used as the taxpayer's primary residence and in state and local taxes paid to authorities in the aggregate may be deductible. Deductibility in other circumstances is discussed in the attorney's opinion. As a result of changes in real estate taxes, tax laws, assessed values and/or tax rates, the amount of income tax deductions with respect to real estate taxes will vary. See the section of this Plan entitled "Real Estate Taxes," below.

The opinion of the Sponsor's attorney included in this Plan also describes circumstances under which interest paid by a Unit Owner on his or her mortgage indebtedness for a Residential Unit may be deductible for income tax purposes. As a result of changes in interest rate on the Unit Owner's mortgage and allocation of constant debt service payments to interest and principal on the Unit Owner's mortgage, the amount of income tax deductions with respect to mortgage interest paid will vary.

The tax projections set forth on Schedule A include the projection of real estate taxes payable by each Unit Owner during the projected first year of Condominium operations, which include and are based on an assessment of the Building before construction is complete and, therefore, the taxes projected on Schedule A for the projected first year of Condominium operations may increase materially when the Building is reassessed after construction is complete. Therefore, Schedule A also contains projections for the second year of Condominium operations because it is the first tax year for which taxes are anticipated to be fully (rather than partially) assessed, resulting in significantly higher projected real estate taxes. The projections for both years are also described below.

It is estimated that construction of the Building will be substantially completed by July 1, 2022.

Upon completion of construction, the estimated taxable assessed value for the Building is \$2,225,500, with estimated applicable tax rates of 12.35% for the Residential Units and 10.85% for the Parking Units. The Department of Finance of the City of New York will allocate the assessed value among the Units. It is anticipated that the allocation will be based on each Unit's Common Interest but no warranty as to the method of allocation is made to any Purchaser or Unit Owner. Pursuant to Real Property Law Section 581, the assessed value of the Property must be determined without regard for whether the Property is owned on a condominium basis or not. The estimated real estate taxes for the Building for the first year of Condominium operations are \$11,626 for the Parking Units and \$207,314 for the Residential Units. Due to the date in January every year in which New York City conducts assessments and because the real estate tax year commences in July, not January, the estimated real estate taxes shown in Schedule A for the estimated first year of Condominium operations are not based on an assessment of a fully complete Building. The assessment for the fully completed Building will be done in January of

2023, during the first year of Condominium operations. The estimated real estate taxes for the Building for the second year of Condominium operations are \$14,488 for the Parking Units and \$258,358 for the Residential Units.

The Sponsor will not apply for real property tax benefits for the Building or the Residential or Parking Units. Purchasers should note that an owner of a Residential Unit used as such owner's primary residence may qualify for the Coop/Condo Property Tax Abatement, which would reduce the real estate taxes of such qualifying Unit. Each qualifying Unit Owner is responsible for applying for such abatement and the Sponsor cannot and will not make any such application. Effective July 1, 2022, only "qualified properties" will be eligible for the Coop/Condo Abatement. A "qualified property" is defined in Section 467-a of the New York Real Property Tax Law as (i) a property with an average unit assessed value of less than or equal to \$60,000, or (ii) a property with an average unit assessed value of more than \$60,000 and less than or equal to \$100,000 in a building with less than thirty (30) dwelling units, or (iii) a property in which all building service employees employed or to be employed at the property receive the applicable prevailing wage for the duration of the tax abatement. A service employee is defined as any person employed at a building for at least eight (8) hours per week for the building's care and maintenance, including, without limitation, porters, super intendants, janitors and gardeners. As disclosed in Schedule B and Note 2 to Schedule B of this Plan, the Sponsor is budgeting for one super intendent to be an independent contractor, not an employee of the Condominium, and who is expected to be at the Building an average of four (4) hours per week. Therefore, under the terms of this Plan and during the time that the Sponsor controls the Board of Managers, the Building would not qualify as a "qualified property" for purposes of the Coop/Condo Abatement, and Unit Owners would not be able to apply for such abatement. However, the Building could qualify as a "qualified property" in the future if a future Unit Owner-controlled Board of Managers hires employees covered under the service employee definition as long as all of the Condominium's service employees are paid the applicable prevailing wage for the duration of the tax abatement. The prevailing wage rates are determined and published annually by the Office of the Comptroller of the City of New York. The prevailing wages existing on the date of this Plan can be found on this link: <file:///C:/Users/norst/Downloads/Comptroller%20prevailing%20wage%20schedule.pdf>. No representation is made as to the Building's or Units' eligibility to receive any such real property tax benefits.

Projected real estate taxes for the property were assigned to the Units based on Common Interests.

Real estate taxes for an individual Unit will increase in proportion to any increase in real estate taxes for the Condominium as a whole.

The foregoing estimate of real estate taxes and benefits is made based upon assumptions about taxation, abatement and exemption practices and policies of the City of New York made by The Mazursky Group, Inc., 42 Broadway, Suite 1744, New York, NY 10004. No assurance can be given that the practices and policies will be applied as assumed or that the practices and policies

will not change. The Sponsor has relied on these letters in the projection of real estate taxes. No assurance can be given that the practices and policies will be applied as assumed or that the practices and policies will not change.

7. Carrying Charges

Purchasers should note that monthly carrying charges do not include certain housing and other costs for which each Unit Owner is responsible, such as repairs to the interior of the Unit, separately metered utilities (an estimate of which is provided in Schedule B-1, below), repairing the Unit's appliances, cable television, internet and telephone services, and insurance on improvements to the Unit and a Unit Owner's possessions and against liability for occurrences in the Unit. In addition, if a Purchaser obtains financing, debt servicing on such financing will be an additional monthly expense that is not included in the carrying charges. The Sponsor is not offering or procuring mortgage financing for Purchasers.

8. Limited Common Elements

Terraces

Units 3C, 6A shall each have a terrace as a Limited Common Element, as shown on the Floor Plans. The owners of such Units and their successors and assigns shall be responsible for maintenance, repair and replacement of their terrace, including the terrace's surface, but the Board of Managers shall make any structural repairs to the terraces, including the railings, if any, that are required, except that in all events the Unit Owner shall be responsible for any maintenance, repair and replacement of any portion of their terrace if necessitated by damage caused by the Unit Owner or the Unit Owner's invitees, tenants, employees, agents or contractors. The Board of Managers and its agents, employees and contractors may have access to the terraces in order to inspect the Common Elements and for any action the Board of Managers is required or permitted to take. In the event Board repairs require removal or disruption of any elements of the terraces, it shall be the responsibility of the Board of Managers to replace such elements. The owners of such Units may not perform construction in their terraces unless the owners comply with all Legal Requirements and obtain the written approval of the Board of Managers.

Balconies

Units 2A, 2B, 4B, 5C and 6B shall each have a balcony as a Limited Common Element, as shown on the Floor Plans. The owners of such Units and their successors and assigns shall be responsible for maintenance, repair and replacement of their balconies, including the balconies' surfaces, but the Board of Managers shall make any structural repairs to the balconies, including the railings, if any, that are required, except that in all events the Unit Owner shall be responsible for any maintenance, repair and replacement of any portion of the balconies if necessitated by damage caused by the Unit Owner or the Unit Owner's invitees, tenants, employees, agents or contractors. The Board of Managers and its agents, employees and contractors may have access

to the balconies in order to inspect the Common Elements and for any action the Board of Managers is required or permitted to take. In the event repairs by the Board of Managers require removal or disruption of any elements of the balconies, it shall be the responsibility of the Board of Managers to replace such elements. The owners of such Units may not perform construction in their balconies unless the owners comply with all Legal Requirements and obtain the written approval of the Board of Managers.

Storage Areas

Each Residential Unit shall have as a Limited Common Element a storage area in the cellar, as shown on the Floor Plans. The owners of such Units may use their storage areas only in compliance with all Legal Requirements and shall be responsible for maintenance, repair and replacement of their storage areas. The Board of Managers and its agents, employees and contractors may have access to all storage areas in order to inspect the Common Elements and for any action the Board of Managers is required or permitted to take. In the event that any such Board action requires removal or disruption of all or any elements of the storage areas, it shall be the responsibility of the Board of Managers to replace such elements.

Condensers

Each Residential Unit shall have as a Limited Common Element at least one condenser unit. The Unit Owners shall have the right to place, inspect, maintain, repair and replace their condenser and other condenser equipment serving their respective Units. A Unit Owner, and his, her or its agents and contractors shall have a right of access over and through any areas where the condenser units are located for such purposes. A Unit Owner shall be responsible for the maintenance, repair and replacement of the condenser and condenser equipment servicing his, her or its Unit (including equipment located outside the Unit and all piping and wiring associated with the Condenser), as required. The Board of Managers shall be responsible for maintenance, repair and replacement of all common areas, and all elements thereof, except that in all events a Unit Owner shall be responsible for the cost and expense of any maintenance, repair and replacement of any portion of common areas or elements thereof if necessitated by the negligence, misuse or neglect of a Unit Owner or an occupant of a Unit or a Unit Owner's employees, invitees, agents, guests or contractors. In the event any common areas or elements thereof require removal or disruption of any condenser unit or associated piping or wiring, or element thereof, it shall be the responsibility of the Board of Managers to replace or repair same. In any event, the Board of Managers and its agents, employees and contractors may have access to all common areas of the Building in order to inspect the Common Elements and for any action the Board of Managers is required or permitted to take.

The Sponsor may not declare this Plan effective where there are material changes to the budget if such material changes have not been disclosed by a duly filed amendment to this Plan.

NOTES TO SCHEDULE B

1. Common Charges

The estimate of the Common Charges to be billed during the first year of Condominium operation is based upon the assumption that the first year of Condominium operation will be the year from July 1, 2022 to June 30, 2023. The actual first year of operation may be earlier or later than that year.

2. Labor Costs

A visiting part-time superintendent will be an independent contractor. He or she will be on-call 24 hours a day and expected to be at the Building an average of four hours per week to clean the common areas and to place on curb for collection garbage and recycling on collection days. He or she will be paid an estimated \$1,000 per month. The superintendent will clean the common areas and Common Elements only. Snow removal would be billed separately, based on the snowfall amount. He or she will be responsible for paying all taxes, benefits and insurance required by law from his or her fee. He or she will not be a union member. The level of staffing complies with all applicable housing and labor laws, including, but not limited to, the NYC Administrative Code section 27-2052, et.seq, and New York State minimum wage laws.

3. Gas Costs

No gas will be used in the Building.

4. Electricity Costs

The estimated electrical charge of \$31,084.20 is for lighting, cooling and heating the common areas of the Building and use of the Building's common systems, and for use of the hot water heaters for the Residential Units. Unit Owners will each arrange directly with the utility company for electricity consumed within Units and will be responsible for paying charges for their own electrical service, an estimate of which is provided in Schedule B-1, below. The budgeted common electrical charges are based on the estimate of 128,715.10 KWH power usage at an average rate of \$0.22 per KWH, which includes applicable taxes and surcharges, and a 5% inflation factor. The electricity costs were estimated by Insite East LLC, 13 Greene Avenue, Brooklyn, NY 11238.

The budgeted amount for electricity is only an estimate. The actual amount will vary depending on usage and the cost of power, among other things. It is believed that the projected figure should be sufficient to cover the cost of electricity during the first year of Condominium operations. However, no warranty is made that the projection will equal the actual cost during the first year of Condominium operations.

5. Water and Sewer

Water charges and sewer rents are based upon an estimate by Insite East LLC, 13 Greene Avenue, Brooklyn, NY 11238, based on estimated usage and current rates. Based on an estimated consumption of 118,259 cubic feet per year at an estimated cost of \$10.57 per 100 cubic feet, the annual cost of water and sewer charges for the Units and Common Elements is estimated to be \$12,500.

Pursuant to Article V, Section 1(d) of the By Laws, titled “Specially Allocated Expenses,” water charges and sewer rents will be Common Expenses of all Units unless either (i) any Unit Owner is directly billed for water charges and sewer rents by the municipal authority or (ii) pursuant to its authority under the By Laws, the Board of Managers finds that a Unit Owner uses water in excess of normal domestic, sanitary and lavatory purposes and requires such Owner to install a water meter and bills such Owner for water used, in which event the owner of such Unit shall not be charged water charges and sewer rents as part of the Common Charges and the owners of Units not so directly billed shall be specially allocated the Condominium's water charges and sewer rents.

Disputes as to any future specially allocated expenses shall be settled by arbitration pursuant to the commercial arbitration rules of the American Arbitration Association or, if such association shall not exist, such other closest analogous organization as the Board and Unit Owners may agree upon.

6. Repairs, Maintenance and Supplies

It is anticipated that there will not be major repairs to the common areas of the Building during the first year of Condominium operations. The budgeted figure is based upon an estimate of repairs and maintenance to the common areas, includes various supplies (such as cleaning supplies and materials, lubricants, bulbs, general and hardware supplies) and painting of the common areas as needed and is based on the experience of the Managing Agent in operating comparable buildings. The estimate does not include repairs, painting, maintenance, or supplies for individual Units, all of which are the responsibility of the Unit Owners.

7. Service Contracts

The following services are anticipated and are included in the estimate:

- Annual RPZ backflow testing: \$450 per year, per quote from RiteWay Heating Corp., 50 Quentin Road, Brooklyn, NY 11223;
- Elevator maintenance and inspection - \$7,800 per year, per quote from Thyssenkrupp Elevator Corporation, 700 Hicksville Road, Bethpage, NY 11704.
- Fire Alarm inspection and servicing - \$1,876 per year, per quote from Progressive Alarm Company, 154 Avenue U, Brooklyn, NY 11223;
- Annual costs for the Building's intercom service: \$1,500 per year, per quote from Butterfly MX, 127 West 26th Street, New York, NY 10001; and
- Costs of phone and internet connection/service for the Building's intercom system: \$1,140 per year, per quote from Spectrum Business, 3179 Erie Boulevard, Syracuse, NY 13214.

Purchasers should note that either the Sponsor or the Managing Agent expects to enter, but has not yet entered, into contracts with third parties on the Condominium's behalf for the above-referenced services. The above-referenced estimates are based on current market rates for those services and assume applicable taxes, and are based on estimates received from contractors and the experience of the Managing Agent in operating comparable buildings.

The budget for the first year of Condominium operation does not provide for the maintenance, repair and replacement of the Building's windows. In accordance with the By-Laws, maintenance, repair and replacement of the same shall be the responsibility of the Board of Managers and the costs thereof shall be a Common Expense. Unit Owners, however, shall be responsible for the cost of cleaning the inside face of windows at their Units. The Board of Managers may require that all Unit Owners grant access to their Units and terraces or balconies to persons retained by the Board of Managers to clean the exterior surfaces of the windows and to maintain, repair and/or replace the windows.

8. Insurance

The budget for insurance is based upon a proposal submitted by R.W.G. Brokerage Corp., 54A Broadway, PO Box 352, Greenlawn, NY 11740, and includes the following coverage for the first year of Condominium operations, which will be in place at the first Unit closing:

Building	\$6,700,000 –Agreed Value; Special Form
General Liability	\$1,000,000 per occurrence; \$2,000,000 aggregate bodily injury and property damage.
Equipment Breakdown	Included
D&O Liability	\$1,000,000 (\$2,500 deductible)
Est. Annual Premium	\$9,500

This coverage does not include Auto Liability, Fidelity Bond or Rent Insurance, all of which may be available at extra cost, which would be a Common Expense of all Unit Owners.

The fire and casualty policy is expected to be on an agreed amount replacement cost basis, which eliminates co-insurance. It is the opinion of the insurance broker, that the described insurance coverage is an adequate amount to rebuild the structures (but not portions of the interior of Units which are the responsibility of Unit Owners to insure) if totally destroyed by fire or other insured peril.

The fire, casualty and general liability insurance is expected to be on terms that provide: (1) that each Unit Owner is an additional insured party; (2) that there will be no cancellation without notice to the Board of Managers; (3) a waiver of subrogation in favor of Unit Owners; (4) a waiver of invalidity because of the acts of the insured and Unit Owners; and (5) waiver of pro-rata reduction if Unit Owners obtain additional coverage.

Unit Owners are urged to obtain insurance, at their own expense, for items not covered by the insurance described above, such as, without limitation, the contents of their Units, their personal possessions, replacements, additions, upgraded fixtures and improvements to the Units and liability coverage for occurrences within their Units.

The Sponsor does not have a mortgage on the Property and, therefore, there are no insurance requirements from a Sponsor lender.

9. Management Fee

The Building will be managed by First Class Management, Inc., 102-10 Metropolitan Avenue, Forest Hills, NY 11375 ("FCMI"). FCMI is not affiliated with the Sponsor or Sponsor's principals. The management fee for the first year of Condominium operations will be \$8,400, which is assumed to be the prevailing rate for managing similar properties. FCMI will provide the following services, among others: attending Board of Managers and Unit Owners' meetings; purchasing necessary supplies; effecting insurance policies and renewals; arranging for the cleaning and maintenance the Common Areas, as well as for sanitation, recycling and snow shoveling; paying all Condominium accounts; collecting Common Charges; assisting accountants for the Condominium tax returns; maintaining required Buildings' registrations; maintaining service contracts, if any; and providing profit and loss statements.

10. Legal and Audit Fees

Accounting and auditing expenses will consist of a \$1,150 fee for tax filing and preparing the annual financial report to the Condominium Board of Managers for the first year of Condominium operations. The fee is based on a quotation from Oleg Gorshkov, CPA, of OG Tax and Accounting Group, 718 3rd Avenue, 2nd Floor, Brooklyn, NY 11232. \$1,000 for minor legal services in connection with the Building's operation is included in the budget, such as preparation

of Board minutes or attendance of Board meetings. No warranty is made that the amount shall be sufficient to pay all legal and audit expenses incurred.

11. Other Expenses

Includes minimal miscellaneous charges such as special communications and mailings to Unit Owners, annual meetings and general expenses. No warranty is made that the amount shall be sufficient to pay all expenses incurred.

12. Contingency Fund

This item is included to provide a fund out of which unanticipated expenses or unanticipated increases in one or more items of operating expenses can be paid, and is to be funded out of Common Charges. However, no warranty is made that the contingency fund will cover all unanticipated expenses and/or increases. If additional funds are required, it may be necessary to increase Common Charges or separately assess all Unit Owners.

13. Reserve Fund

This item is included to provide for a yearly contribution to a reserve fund for the Condominium. The Sponsor will not contribute to the reserve fund at the first or any other Unit closing. Rather, the reserve fund is to be funded by Unit Owners on a monthly basis out of Common Charges. At commencement of Condominium operations, a separate account for the Condominium for the reserve fund will be in place. The budgeted amount of the reserve fund is equal to approximately 10% of the Condominium budget for the first year of operations. It is anticipated, but not guaranteed, that the budgeted yearly reserve fund will be sufficient to pay for major capital repairs or replacement items that may be needed within the first five years of Condominium operations. However, no warranty or representation as to the need for, or timing of, future capital improvements is made to Unit Owners or the Board of Managers.

* * * *

The Sponsor has reserved the right to modify, renew and replace existing service, maintenance, employment, other agreements and insurance policies, and to enter into new agreements and policies that will be binding on the Condominium on the date of the Closing of the first Unit. However, no service or maintenance contracts which would materially increase the first year's estimated Common Charges will be made unless this Plan is amended.

If at any time, the projected commencement of the budget year in this Plan differs by six (6) months or more from the anticipated date of the first Closing, this Plan will be amended to include a revised budget. If the amended projections exceed the original projections by twenty five percent (25%) or more, the Sponsor will offer all Purchasers with pending Purchase Agreements the right to rescind for a period of fifteen (15) days after the date of presentation of

such amendment. The Sponsor shall return promptly all Down Payments, with interest earned, if any, to Purchasers who rescind.

The Sponsor may not declare this Plan effective where there are material changes to Schedule B – Budget for First Year of Condominium Operations if said material changes have not been disclosed by a duly filed amendment to this Plan.

IN THE OPINION OF FIRST CLASS MANAGEMENT, INC., AN EXPERIENCED BUILDING MANAGER, THE PROJECTED RECEIPTS ARE ADEQUATE TO MEET THE ESTIMATED EXPENSES FOR THE CONDOMINIUM'S FIRST YEAR OF OPERATION, ASSUMING SUCH FIRST YEAR TO BE THE FISCAL YEAR COMMENCING ON JULY 1, 2022. THE FOREGOING SCHEDULES, HOWEVER, ARE NOT INTENDED AND SHOULD NOT BE TAKEN AS A WARRANTY OR GUARANTEE BY ANYONE THAT THE COMMON CHARGES, OTHER INCOME OR EXPENSES FOR THE FIRST YEAR OR ANY SUBSEQUENT YEAR OF OPERATION OF THE CONDOMINIUM WILL BE AS SET FORTH IN SAID SCHEDULES, AND IT IS LIKELY THAT THE ACTUAL INCOME AND EXPENSES WILL VARY FROM THE AMOUNTS SHOWN IN THE SCHEDULE. NO PROVISION IS MADE FOR UNFORESEEN EVENTS OTHER THAN THE CONTINGENCY FUND DESCRIBED ABOVE.

SCHEDULE B-1

Each Unit Owner will be responsible for the electricity associated with his, her or its Unit. Electricity costs estimates for the Residential Units include the use of appliances and systems in the Residential Units. The costs were estimated by Insite East LLC, 13 Greene Avenue, Brooklyn, NY 11238 and are based on current charges. Electricity costs are estimated at a rate of \$0.28 per KWH, and include applicable taxes and surcharges plus a 5% inflation factor.

The annual costs are estimated as follows:

Residential Units	Estimated Annual Electricity Costs	Estimated Annual Usage (in KWH)
1A	\$907	3,086.71
1B	\$917	3,117.85
2A	\$2,463	8,378.57
2B	\$2,730	9,285.71
3A	\$1,893	6,439.28
3B	\$1,235	4,200
3C	\$2,507	8,528.57
4A	\$22,667	9,071.43
4B	\$2,508	8,532.14
5A	\$1,860	6,328.57
5B	\$1,143	3,889.28
5C	\$22,618	8,907.14
6A	\$2,576	8,760.14
6B	\$2,922	9,939.28

In view of the varying costs of electricity and patterns of usage, it is not possible to predict with certainty whether the estimated figures will reflect the actual cost to be incurred during the first year of operation. The projected rates are not guaranteed and it must be expected that these rates will increase with the passage of time and may be affected by many factors that are beyond the control of the Sponsor. Purchasers are advised that the projections are only estimates and actual consumption will vary based on the personal needs of occupants, weather conditions and the cost of utilities.

ALTHOUGH SPONSOR BELIEVES THAT THE FOREGOING IS ACCURATE, NO WARRANTY IS MADE BY THE SPONSOR OR THE SPONSOR'S CONSULTANT AS TO WHAT AN INDIVIDUAL UNIT OWNER'S COSTS MAY BE.

Re: 670 Union Street Condominium
Brooklyn, New York

Gentlemen:

I have been a licensed real estate broker since 2003 and have been engaged in the real estate business in New York State for over 17 years. I have participated in the sale and rental of properties in the Brooklyn area and am familiar with numerous buildings similar to the building proposed for 670 Union Street.

My company will not serve as the managing agent for the property.

You have told me that the factual basis for the allocation of each unit's common interest as expressed in the Declaration, pursuant to Section 339-i (1)(iv) of the Real Property Law, is based upon floor space, subject to the location of such space and the additional factors of relative value of other space in the Condominium, the uniqueness of the Unit, the availability of Common Elements for exclusive and shared use, and the overall dimensions of the particular Unit.

I have examined the Schedule A and it is my opinion that the allocation of the common interest for each unit of the condominium complies with Section 339-i of the Real Property Law.

I hereby authorize the use of this opinion or a reproduction hereof in the offering plan.

Very truly yours,

A handwritten signature in dark ink, appearing to read 'L Barrett'.

CHANGES IN PRICES AND UNITS

A. Changes in Prices

The offering prices set forth in “Offering Prices and Related Information, Schedule A,” above, may only be changed by a duly filed amendment to this Plan if the change in prices is an across-the-board change affecting one or more lines of Units or Unit models or is to be advertised or is a price increase for an individual Purchaser. However, the Sponsor may enter into an agreement with a Purchaser to sell one or more Units at prices lower than those set forth in Schedule A pursuant to negotiations with an individual Purchaser without filing an amendment.

The Sponsor reserves the right to amend Unit prices at any time. If the Sponsor changes the purchase price of one or more Units, the Purchaser(s) of such Unit(s) may pay more or less than other Purchasers of comparable Units having the same Common Interest. However, such price change shall not alter the Common Interest of, or the amount of the Common Charges payable by, the owner of any Unit.

The Sponsor reserves the right to change the manner of payment of the purchase price and any other terms of sale of any Unit from time to time, both before and after the first Closing, without any consent or approval including, without limitation, the consent or approval of the managing agent, if any, the Board of Managers, any Unit Owner or any mortgagee. Notwithstanding the foregoing, however, no such change shall be made with respect to a Unit for which a Purchase Agreement is then in effect without the consent of the Purchaser thereunder.

B. Changes of Sizes, Layout, Number and Use

In order to meet the possible varying demands for number and type of Units, or for any other reason, the Sponsor or other owner of an Unsold Unit reserves the right to change (a) the layout of or number of rooms in Unsold Units, (b) the size and/or number of Unsold Units by subdividing one or more Unsold Units into two or more separate Units, by combining two or more Units into one or more Unsold Units, by altering the boundary walls of any Unsold Unit(s), or otherwise, including, without limitation, the use of any portion(s) of the Common Elements adjacent to such Unsold Units to the extent that such portion(s) are not required to be maintained as Common Elements pursuant to the terms of Section 19 of the Declaration and/or Section 14 or Article V of the By-Laws. Subject to the terms of this paragraph, such right may be exercised by the Sponsor or other owner of an Unsold Unit from time to time, both before and after the first Closing, without any consent or approval including, without limitation, the consent or approval of the managing agent, if any, the Board of Managers, any Unit Owner or any mortgagee. However, the Sponsor or other owner of an Unsold Unit shall first obtain the approval of all governmental authorities whose approval is required by law and otherwise comply with all Legal Requirements.

The Sponsor reserves the right to amend or modify the plans and specifications for the Building in any way (including, without limitation, changing materials, appliances, equipment, fixtures, and other construction details and design details) by amendment to this Plan and to substitute in place of any materials, appliances, equipment, and/or fixtures set forth therein or described in the "Description of Property and Specifications or Building Condition" in Part II of this Plan, Equal or Better materials, appliances, equipment, and/or fixtures provided only that any necessary approval of any governmental authority having jurisdiction thereover is first obtained. However, Sponsor shall not (a) substitute equipment or materials of lesser quality or design or (b) change the size or location of the Building, Units or Common Elements if such changes affect the percentages of Common Interest or adversely affect the value of any Unit to which title has closed or for which a Purchase Agreement has been executed and is in effect unless all affected Unit Owners and Purchasers consent in writing to such change.

Notwithstanding the immediately preceding paragraph, No change will be made in the size or number of Units, and/or their respective percentage of Common Interest or in the size or quality of Common Elements, except by amendment to this Plan and, when applicable, to the Declaration.

In the event that the Sponsor or other owner of an Unsold Unit changes the size and/or number of Unsold Units, the Sponsor shall increase or decrease the Common Interest appurtenant thereto accordingly; however, the aggregate amount of the Common Interest of all of the Units shall always be one hundred percent (100%). As a result of such reapportionment, the amount of the Common Charges and assessments and, subject to the judgment of the assessing authorities, the real estate taxes payable by the owners of the directly affected Unsold Units will be increased or decreased proportionately, but the proportion of the Common Interest, Common Charges and the amounts of assessments and the real estate taxes payable by the owners of Units not directly affected will not be changed due to the reapportionment.

In addition, unless the affected Purchaser consents and the Purchaser is not in default, no material change will be made in Unit size, layout, or percentage of Common Interest if a Purchase Agreement has been executed and accepted by the Sponsor for that Unit.

No material change will be made in the size and no material adverse change will be made in the quality of Common Elements unless all Purchasers consent.

Any change in the number of Units or number of rooms within a Unit, or in the size of any Unit resulting from a subdivision or combination or alteration of boundary walls as permitted in this Plan, or otherwise, or in the Common Interest of any Unit, shall be reflected in a duly recorded amendment to this Plan, or, once filed, the Declaration. As more particularly provided in the Declaration, the Sponsor and any other owner of an Unsold Unit have the right to amend the Declaration to effectuate such change without the Board of Managers, any other Unit Owners, or any mortgagee consenting to, or executing, the amendment. However, no change of a Unit's Common Interest will be made without the prior written consent of the owner of such Unit. In

addition, no change will be made in the Common Interest of any Unit for which a Purchase Agreement is in effect without the prior written consent of the affected Purchaser thereof.

To the extent not prohibited by law, if the size or configuration of a Unit is changed in compliance with this Plan, the Declaration and the By-Laws and, in connection therewith, a wall, space or other area forming a part of the Common Elements serving and benefiting only such Unit is razed or incorporated into the Unit, then such Common Element shall be deemed for the exclusive use and benefit of the owner of such Unit and the Unit's Common Interest will remain unchanged.

The Sponsor may agree, in its sole discretion, at the request of any Purchaser, to modify the interior of any Unit including the equipment and fixtures in the Unit, to combine one or more Units into a single Unit, or to perform other specialized work in any Unit, subject to any Legal Requirements. Such work shall be performed upon terms and conditions determined by the Sponsor and the Purchaser. In connection with the combination of one or more Units into a single Unit, the first installment of the Down Payment payable by the Purchaser shall equal twenty percent (20%) of the total Purchase Price of the combined Units; in all other cases, a sum equal to the cost of such modifications or special work or materials shall be paid to the Sponsor prior to any obligation on the Sponsor's part to perform such work. Such sum shall be held in escrow together with the Down Payment. However, Purchasers should note that such funds may be released from the Escrow Account by the Escrow Agent so long as Sponsor uses the funds for such modifications or special work or materials. As a result, except as set forth below, in the event a Purchaser is entitled to rescind its Purchase Agreement or in the event the Sponsor is unable to close title to the Unit with Purchaser for any reason, and even if this Plan is not consummated, the Purchaser will not receive a refund of any funds used for such requested modifications or specialized work but shall receive a refund of any unused funds. Notwithstanding the foregoing, Purchasers will receive a full refund of funds for such modifications or special work in the event the Sponsor abandons the Plan prior to declaring the Plan effective.

INTERIM LEASES

At the election of the Sponsor, a Purchaser may rent a contracted-for Residential Unit pursuant to an Interim Lease in the form included in Part II of this Plan prior to the Closing and prior to or after consummation of this Plan. The Interim Lease would be signed simultaneously with, or after execution of, a Purchase Agreement. No rental protection laws are applicable to Interim Leases. Rent payable under the Interim Lease shall be negotiated by the Sponsor and the Purchaser. The term of the Interim Lease shall expire on the date of the Closing or on the date provided in the Interim Lease if this Plan is not declared effective. If this Plan is abandoned, the tenant under the Interim Lease may, at any time, cancel the Interim Lease and vacate the Unit upon ninety (90) days prior written notice to the Sponsor, except that a tenant may not remain in a Unit after the end of the term of an Interim Lease without the prior written consent of the Sponsor.

It will be a default under the Interim Lease if the Purchaser-tenant fails to comply with all of the Purchaser's obligations under the Purchase Agreement. It will be a default under the Purchase Agreement if the Purchaser-tenant fails to comply with all of the Purchaser-tenant's obligations under the Interim Lease, which default will permit the Sponsor to cancel the Purchase Agreement provided (a) the Sponsor either obtains an order of eviction or other judgment or order from a court or agency of competent jurisdiction against the Purchaser-tenant or (b) the Purchaser-tenant has vacated the Unit. In the event of a default by a Purchaser, the Sponsor will make a written demand for payment after default thirty (30) days before forfeiture of the Down Payment shall be declared. Time is of the essence to cure said default, meaning that time limits will be strictly observed and extensions will not be granted. The Purchaser-tenant shall vacate the Unit within thirty (30) days after notice of cancellation of the Purchase Agreement from the Sponsor or rescission of the Purchase Agreement by the Purchaser-tenant, in the event rescission is permitted. If the right to rescind a Purchase Agreement is offered to a Purchaser who has entered into an Interim Lease, the Purchaser's right to rescind shall be conditioned upon (i) his, her or its surrendering possession of the Unit within thirty (30) days of the service of such Purchaser's notice of rescission to the Sponsor, (ii) leaving the Unit broom swept, clean, empty of the Purchaser-tenant's possessions and restored to its condition prior to the Purchaser-tenant's occupancy, and (iii) paying all rent due under the Interim Lease. Nothing contained in this Plan and no recession shall relieve any Purchaser of liability for damage caused to the Unit. The Purchaser shall be responsible for payment of the Sponsor's reasonable costs and attorney's fees if it is necessary for the Sponsor to bring an action or proceeding to remove the Purchaser-tenant from the Unit or to recover money in connection with damage to the Unit and the Sponsor is the prevailing party.

Rent due under any Interim Lease for the month in which the Closing occurs shall be adjusted between the Sponsor and the Purchaser-tenant as of the date of the Closing. No part of any rent paid under any Interim Lease will inure to the benefit of the Purchaser-tenant under the Interim Lease. Security held by the Sponsor under an Interim Lease with interest, if any, less any statutorily permitted administrative fee will be transferred to the Purchaser at the Closing.

The Sponsor is under no obligation to enter into an Interim Lease. The Sponsor may rent any vacant Residential Unit not subject to a Purchase Agreement for any term, rent and conditions the Sponsor may choose after consummation of this Plan, and the Sponsor may rent any vacant Parking Unit not subject to a Purchase Agreement for any term, rent and conditions the Sponsor may choose at any time, after consummation of this Plan (or before consummation of this Plan to Purchasers occupying their Units pursuant to Interim Leases).

Risk of loss for fire or other casualty remains with the Sponsor until legal title to the Unit has been conveyed to the Purchaser, unless the Purchaser enters into an Interim Lease or otherwise takes possession of the Unit. The Building will be covered by a fire and casualty insurance policy in an amount expected to be adequate to rebuild the Building's structure (but not portions of the interior of Units that are the responsibility of Unit Owners to insure) if totally destroyed by fire or other insured peril. Purchasers are advised to obtain insurance against loss for fire or other

casualty for items not covered by the insurance described above, effective upon his, her or its taking title to or possession of a Unit. Specifically, Unit Owners, as well as Purchasers who take possession prior to the Closing, are urged to obtain insurance for the contents of their Units, their personal possessions, replacements, additions, upgraded fixtures and improvements to the Units and liability coverage for occurrences within their Units. A Purchaser who occupies a Unit prior to the closing pursuant to an Interim Lease, or otherwise takes possession of a Unit prior to Closing, may not be able to obtain insurance for all risks of damage to the Unit and therefore assumes the risk of losses not covered by insurance.

PROCEDURE TO PURCHASE

A person desiring to purchase a Unit shall have at least three (3) business days to review this Plan and all filed amendments to this Plan prior to executing a Purchase Agreement. A person desiring to purchase a Unit will be required to execute, in quadruplicate, a Purchase Agreement in the form included in Part II of this Plan. The Purchase Agreement contains the terms and conditions upon which the Unit will be sold and should be read carefully by a Purchaser and his, her or its legal and financial advisors before being executed.

A potential Purchaser must deliver all four (4) copies of the executed Purchase Agreement together with his, her or its good unendorsed check made payable to “Marcus Attorneys, as Escrow Agent” the Down Payment of ten percent (10%) of the purchase price and additional sums due in accordance with this Plan to the Selling Agent, if any is designated by the Sponsor, or to the Sponsor.

Within fifteen (15) days after a prospective Purchaser delivers an executed Purchase Agreement, together with the Down Payment, the Sponsor must either accept the Purchase Agreement and return a fully executed counterpart to the Purchaser, or reject the Purchase Agreement and, within such fifteen (15) days, refund the Down Payment. If the Sponsor fails to do either within fifteen (15) days, Purchaser’s offer shall be deemed rejected and the Down Payment refunded within ten (10) days following such rejection, unless Purchaser agrees, in writing, to have his, her or its offer extended. The Purchaser will have ten (10) days from the end of the fifteen (15) day period to exercise the right to extend his, her or its offer. If the Sponsor accepts the extended offer and Purchase Agreement, the Down Payment will be placed promptly in a segregated special attorney's escrow account, described below. If the Sponsor rejects the extended offer and the Purchase Agreement, the Down Payment will be refunded within ten (10) days following such rejection.

The Sponsor may reject any Purchase Agreement, without cause or explanation, so long as the rejection is not based upon race, creed, color, national origin, ancestry, age, marital status, sex, sexual orientation or any other ground proscribed by law. Until the Purchase Agreement is executed by the Sponsor and returned to the prospective Purchaser, the Sponsor will not be bound to a prospective Purchaser in any respect. No Purchase Agreement submitted to the Sponsor or to any agent and no deposit of any Down Payment or other payment on behalf of a Purchaser shall

create any obligation on the part of the Sponsor (other than to return the Down Payment or such other payment).

Any time prior to Closing, the Sponsor may check the credit rating of any prospective Purchaser. Such credit check shall be performed in accordance with any applicable laws, rules, or regulations of governmental authorities. Purchasers shall timely provide the Sponsor or the Selling Agent with any and all information, execute any and all documents, and do any and all other things that the Sponsor may reasonably request to enable the Sponsor to perform such credit check.

The circumstances under which the Sponsor may vary the price of a Unit or the size, layout and use of a Unit from that described in this Plan as a result of the negotiations with a prospective Purchaser are described in the section of this Plan entitled “Changes in Prices and Units,” above. Furthermore, Sponsor reserves the right to negotiate with each Purchaser the other terms and conditions of the Purchase Agreement, including, but not limited to, interest on the required Down Payment, financing contingencies, and alteration work and customization to a Unit and/or credits therefor and the waiver of conditions to, and notices of, Closing. No Purchaser will benefit from any term or condition negotiated with any other Purchaser or have any rights of rescission or renegotiation under a Purchase Agreement due to any term or condition negotiated with any other Purchaser.

The Sponsor may agree, in its sole discretion, at the request of any Purchaser, to modify the interior of any Unit including the equipment and fixtures in the Unit, to combine one or more Units into a single Unit, or to perform other specialized work in any Unit, subject to any Legal Requirements. Such work shall be performed upon terms and conditions determined by the Sponsor and the Purchaser. In connection with the combination of one or more Units into a single Unit, the first installment of the Down Payment payable by the Purchaser shall equal twenty percent (20%) of the total Purchase Price of the combined Units; in all other cases, a sum equal to the cost of such modifications or special work or materials shall be paid to the Sponsor prior to any obligation on the Sponsor’s part to perform such work. Such sum shall be held in escrow together with the Down Payment. However, Purchasers should note that such funds may be released from the Escrow Account by the Escrow Agent so long as Sponsor uses the funds for such modifications or special work or materials. As a result, except as set forth below, in the event a Purchaser is entitled to rescind its Purchase Agreement or in the event the Sponsor is unable to close title to the Unit with Purchaser for any reason, and even if this Plan is not consummated, the Purchaser will not receive a refund of any funds used for such requested modifications or specialized work but shall receive a refund of any unused funds. Notwithstanding the foregoing, Purchasers will receive a full refund of funds for such modifications or special work in the event the Sponsor abandons the Plan prior to declaring the Plan effective.

Among the important provisions of the Purchase Agreement are the following:

1. The Down Payment will be ten percent (10%) of the purchase price. However, the Down Payment will be increased to twenty percent (20%) if the Purchaser purchases two or more Units that are to be combined. If Sponsor agrees to modifications or special work, the cost of same shall be paid to the Sponsor prior to any obligation on the Sponsor's part to perform such work and shall be held in escrow together with the Down payment. However, such funds may be released from Escrow Account by the Escrow Agent so long as the Sponsor uses the funds for the modifications or special work.

2. Escrow Trust Fund Provisions. (a) The Escrow Agent: The law firm of Marcus Attorneys PLLC ("Marcus Attorneys"), with an address at 13 Greene Avenue, Brooklyn, New York and telephone number 718-643-6555, shall serve as Escrow Agent for Sponsor and the Purchaser. Escrow Agent has designated the following attorneys to serve as signatories: Guillermo Santiago, Jed S. Marcus and Philip Lavender. All designated signatories are admitted to practice law in the State of New York. Neither the Escrow Agent nor any authorized signatories on the account are the Sponsor, Selling Agent, Managing Agent, or any principal thereof, or have any beneficial interest in any of the foregoing.

(b) The Escrow Account: The Escrow Agent has established the escrow account at Bank of America, located at 76 Court Street, Brooklyn, New York 11201, a bank authorized to do business in the State of New York. The escrow account is entitled Marcus Attorneys PLLC Escrow Account ("Escrow Account"). The Escrow Account is federally insured by the FDIC at the maximum amount of \$250,000 per deposit. Any deposit in excess of \$250,000 will not be insured. All such deposits made by Purchasers will be aggregated for the purpose of the maximum FDIC insured amount. Purchaser funds held with Bank of America may factor into such \$250,000 insurance limit.

All deposits made by Purchasers pursuant to a Purchase Agreement, whether in the form of checks, money orders, wire transfers, or other instruments that identify the payor, shall be made payable to or endorsed by the Purchaser to the order of "Marcus Attorneys, as Escrow Agent."

Any deposits made for upgrades, extras, or custom work shall be initially deposited into the Escrow Account, and released in accordance with the terms of the Purchase Agreement or, if the Purchase Agreement does not address such release terms, in accordance with the terms of a written agreement between Purchaser and Sponsor.

The main Escrow Account will be an IOLA account and interest will not be credited to any party. No fees of any kind may be deducted from the Escrow Account, and the Sponsor shall bear all costs associated with the maintenance of the Escrow Account.

(c) Notification to Purchaser: Within five (5) business days after the Purchase Agreement has been tendered to Escrow Agent along with the Down Payment, the Escrow Agent shall sign the Purchase Agreement and place the Down Payment into the Escrow Account. Such deposit in the Escrow Account may be made even though the Sponsor has not accepted the Purchase

Agreement of the Purchaser. Furthermore, Escrow Agent's execution of the Purchase Agreement prior to Sponsor's execution thereof and prior to delivery of a fully executed Purchase Agreement to the Purchaser shall not, in any way whatsoever, constitute acceptance of the Purchase Agreement by the Sponsor. With ten (10) business days of the placing the Down Payment in the Escrow Account, Escrow Agent shall provide written notice to Purchaser and Sponsor, conforming the deposit. The notice shall provide the account number and the initial interest rate to be earned on the Down Payment, if any. Any deposits made for upgrades, extras, or custom work shall be initially deposited into the Escrow Account, and released in accordance to the terms of a written agreement between Purchaser and Sponsor.

The Escrow Agent is obligated to send notice to the Purchaser once the Down Payment is placed in the Escrow Account. If the Purchaser does not receive notice of such deposit within fifteen (15) business days after tender of the Down Payment, he or she may cancel the Purchase Agreement within ninety (90) days after tender of the Purchase Agreement and Down Payment to Escrow Agent. Complaints concerning the failure to honor such cancellation requests may be referred to the New York State Department of Law, Real Estate Finance Bureau, 28 Liberty Street, New York, N.Y. 10005. Rescission shall not be afforded where proof satisfactory to the Attorney General is submitted establishing that the Down Payment was timely placed in the Escrow Account in accordance with the New York State Department of Law's regulations concerning deposits and requisite notice was timely mailed to the Purchaser.

(d) Release of Funds: All deposits, except for advances made for upgrades, extras, or custom work received in connection with the Purchase Agreement, are and shall continue to be the Purchaser's money, and may not be comingled with any other money or pledged or hypothecated by Sponsor, as per General Business Law § 352-h.

Under no circumstances shall Sponsor seek or accept release of the Down Payment of a defaulting Purchaser until after consummation of the Plan, as evidenced by the acceptance of a post-closing amendment by the New York State Department of Law. Consummation of the Plan does not relieve the Sponsor of its obligations pursuant to GBL §§ 352-e(2-b) and 352-h.

The Escrow Agent shall release the Down Payment if so directed:

(i) pursuant to the terms and conditions set forth in the Purchase Agreement upon closing of title to the Unit; or

(ii) in a subsequent writing signed by both Sponsor and Purchaser; or

(iii) by a final order or judgment of an arbitrator, as set forth herein. Any dispute regarding the disposition of Deposit funds must be submitted to "Expedited Arbitration". Expedited Arbitration means a binding arbitration proceeding held in New York County administered by JAMS, or if JAMS is no longer providing such service to another private alternative dispute resolution provider selected by Sponsor which is not affiliated with Sponsor

(the “ADR Provider”) and conducted, to the extent consistent with the Purchase Agreement, in accordance with the then prevailing rules and expedited procedures of the ADR Provider (the “ADR Rules”). Accordingly, by submitting to Expedited Arbitration, the parties to the Purchase Agreement waive the right to bring suit in court concerning disputes under the Purchase Agreement and agree to accept the Arbitrator’s decision as final. There is generally no right to appeal. The right of the parties to be represented by counsel and to submit data, memoranda and similar material in support of their respective positions, and the ability of the parties to obtain documents, witness statements and other discovery may be more limited in Expedited Arbitration than in court proceedings. After hearing the dispute, the Arbitrator shall be obligated to render a determination (the “Award”) within the applicable time period under the ADR Rules for the rendering thereof. The Award shall be final and binding upon the parties. Any motion to confirm or vacate the Award must be filed in a federal or state court located in the City, County and State of New York. The parties shall bear the costs of their own expenses and witness preparation. The parties shall equally share the costs of the JAMS administrative fees, including the Arbitrator’s compensation. At the conclusion of the hearing, the Arbitrator shall make his or her determination and shall award to the prevailing party, if any, the costs and attorneys’ fees reasonably incurred by the prevailing party in connection with the Arbitration. The prevailing party shall be reimbursed for its share of the JAMS administrative expenses.

If the Escrow Agent is not directed to release the Down Payment pursuant to paragraphs (1) through (iii) above, and the Escrow Agent receives a request by either party to release the Down Payment, then the Escrow Agent must give both the Purchaser and Sponsor prior written notice of not fewer than thirty (30) days before releasing the same. If the Escrow Agent has not received notice of objection to the release of the Down Payment prior to the expiration of the thirty (30) day period, the Down Payment shall be released and the Escrow Agent shall provide further written notice to both parties informing them of said release. If the Escrow Agent receives a written notice from either party objecting to the release of the Down Payment within said thirty (30) day period, the Escrow Agent shall continue to hold the same until otherwise directed pursuant to any of paragraphs (i) through (ii) above. Notwithstanding the foregoing, the Escrow Agent shall have the right at any time to deposit the Down Payment Escrow Account with the clerk of the county where the Unit is located and shall give written notice to both parties of such deposit.

The Sponsor shall not object to the release of the Down Payment to:

(a) a Purchaser who timely rescinds in accordance with an offer of rescission contained in the Plan or an amendment to the Plan; or

(b) all Purchasers after an amendment abandoning the Plan is accepted for filing by the Department of Law.

The Department of Law may perform random reviews and audits of any records involving the Escrow Account to determine compliance with all applicable statutes and regulations.

(e) Waiver Void: Any provision of any Purchase Agreement or separate agreement, whether oral or in writing, by which a Purchaser purports to waive or indemnify any obligation of the Escrow Agent holding any deposit in trust is absolutely void. The provisions of the Attorney General's regulations and General Business Law §§ 352-e (2-b) and 352-h concerning escrow trust funds shall prevail over any conflicting or inconsistent provisions in the Purchase Agreement, Plan, or any amendment thereto.

(f) Purchase Agreement: A copy of the Purchase Agreement is included in Part II of this Plan and the escrow provisions are included in Section 17 of the Purchase Agreement, which shall be executed by the Escrow Agent.

(g) Other Important Provisions:

(i) Sponsor agrees to defend, indemnify and hold Escrow Agent harmless from and against all costs, claims, expenses and damages incurred in connection with or arising out of Escrow Agent's responsibilities arising in connection with the Purchase Agreement or the performance or non-performance of Escrow Agent's duties under the Purchase Agreement, except with respect to actions or omissions taken or suffered by Escrow Agent in bad faith or in willful disregard of the obligations set forth in the Purchase Agreement or involving gross negligence of Escrow Agent. This indemnity includes, without limitation, disbursements and attorneys' fees either paid to retain attorneys or representing the hourly billing rates with respect to legal services rendered by Escrow Agent to itself.

(ii) Before the Down Payment is transferred to another escrow account, or if Escrow Agent is replaced, this Plan must be amended to provide the same full disclosures contained herein with respect to the new account and/or new Escrow Agent.

(iii) Escrow Agent shall maintain all records concerning the escrow account for seven years after release of escrowed funds. Upon the dissolution of any law firm that was the Escrow Agent, the former partners or members of the firm shall make appropriate arrangements for the maintenance of these records by one of them or by the successor firm and shall notify the Department of Law of such transfer.

3. As required by Section 71-a (3) of the Lien Law of the State of New York, the Purchase Agreement provides that

YOU, AS THE PURCHASER OF THIS RESIDENCE, MAY REQUIRE THE RECIPIENT OR CONTRACTOR TO DEPOSIT THE INITIAL ADVANCE MADE BY YOU IN AN ESCROW ACCOUNT. IN LIEU OF SUCH DEPOSIT, THE RECIPIENT OR CONTRACTOR MAY, UPON APPLICATION TO AND APPROVAL BY THE DEPARTMENT OF

**LAW, POST A BOND OR CONTRACT OF INDEMNITY WITH YOU
GUARANTEEING THE RETURN OF SUCH ADVANCE.**

4. In the event of an uncured default by a Purchaser in his, her or its obligations under the Purchase Agreement, no more than ten percent (10%) of the purchase price (or twenty percent (20%) in the event Purchaser contracts for more than one Unit), plus any interest earned thereon, may be retained as liquidated damages, plus the actual cost incurred by the Sponsor for any modifications or special work ordered by the Purchaser. The Sponsor agrees not to seek the remedy of specific performance in connection with the Purchaser Agreement as to which there has been a default by a Purchaser.

5. If a Purchaser defaults under a Purchase Agreement, time is of the essence with respect to the thirty (30) day time-frame within which the Purchaser must cure the default, as provided in the Purchase Agreement. This means that time limits within which the Purchaser must cure the default will be strictly observed, and extensions will not be granted. See the Purchase Agreement, a copy of which is included in Part II of this Plan.

6. The balance of the purchase price is payable at the Closing, unless the Purchase Agreement provides for earlier payments with respect to special work ordered by a Purchaser. The balance shall be paid by wire transfer or certified or official bank or cashier's check drawn on a bank which is a member of the New York Clearing House Association to the order of "668-670 Union St LLC," or to such other party or parties as the Sponsor may designate, and delivered to the Sponsor at the Closing.

7. At any time after the Plan is declared effective, the Sponsor will fix dates for Closing for each Unit for which a Purchase Agreement has been executed by serving notice on each Purchaser setting such Purchasers' Closing date. Such notice will be sent to the Purchaser at least thirty (30) days prior to the Closing date for his, her or its Unit and at least thirty (30) days prior to terminating a purchase agreement for failure by a Purchaser to close. Purchasers may waive this thirty (30) day closing notice provision by executing a written waiver.

8. The Sponsor anticipates that the first Closing of a Unit will occur by July 1, 2022. Except as otherwise set forth below, if the first Unit Closing does not occur within twelve months following July 1, 2022, Purchasers will be offered the right to rescind their Purchase Agreements. If this Plan is amended to provide for a later projected date for the first Unit closing, Purchasers will be offered the right to rescind their Purchase Agreements if the first Unit closing occurs more than twelve months following such amended, later date. Purchasers should note that even if the first Unit closing occurs on or before July 1, 2022 (or such other date projected as the date of commencement of Condominium operations at the time the Purchase Agreement was entered into) or within the twelve month period thereafter, not only may the closing of subsequent Units be substantially delayed beyond such dates if a TCO has not been issued for such units or for the floor on which such Units are located, but the Sponsor may also schedule the closings of title to other Units significantly later than such projected date. In such cases, provided the Sponsor is

diligently pursuing completion of construction and the issuance of a certificate of occupancy and is otherwise in compliance with its obligations under the Plan, the Purchaser will not be entitled to terminate the Purchase Agreement (unless the Purchase Agreement contains an outside closing date and the Closing to the Unit does not occur by such outside closing date), or to a right of rescission or to make claims against the Sponsor for damages or losses as a result of such delays and will not be excused from paying the full purchase price for the Unit. PROSPECTIVE PURCHASERS SHOULD THEREFORE CONSIDER CAREFULLY THE POSSIBILITY OF SUCH DELAYS AND SUCH RISKS IN THEIR DETERMINATION AS TO WHETHER TO PURCHASE A UNIT.

9. In the event of a default by a Purchaser, the Sponsor will make a written demand for payment after default thirty (30) days before forfeiture of the Down Payment shall be declared. Time is of the essence to cure said default, meaning that time limits will be strictly observed and extensions will not be granted.

10. Each Purchaser shall execute and deliver to the Sponsor at the Closing the Power of Attorney included in Part II of this Plan at the Closing. Failure to do so will be a default under the Purchase Agreement.

11. Purchasers will be afforded not less than three (3) business days to review this Plan and all filed amendments to this Plan, prior to executing a Purchase Agreement.

12. The Building will be covered by a fire and casualty insurance policy in an amount expected to be adequate to rebuild the Building's structure (but not portions of the interior of Units that are the responsibility of Unit Owners to insure) if totally destroyed by fire or other insured peril. Purchasers are advised to obtain insurance against loss for fire or other casualty for items not covered by the insurance described above, effective upon his, her or its taking title to or possession of a Unit. Specifically, Unit Owners, as well as Purchasers who take possession prior to the Closing, are urged to obtain insurance for the contents of their Units, their personal possessions, replacements, additions, upgraded fixtures and improvements to the Units and liability coverage for occurrences within their Units. A Purchaser who occupies a Unit prior to the closing pursuant to an Interim Lease, or otherwise takes possession of Unit prior to closing, may not be able to obtain insurance for all risks of damage to the Unit and therefore assumes the risk of losses not covered by insurance.

13. Although a Purchaser may obtain financing from a lending institution or any other source, his, her or its obligation to purchase a Unit pursuant to his, her or its Purchase Agreement is not contingent on obtaining financing for such purchase. Any Purchaser who executes a Purchase Agreement and does not obtain financing may lose his or her deposit if he or she is unable to otherwise raise the monies necessary to pay the balance of the purchase price at the closing of title. Neither the Sponsor nor the Selling Agent, if any, makes any representation as to the terms or availability of any mortgage financing. Prospective Purchasers are, therefore, advised to finalize their financing arrangements before signing a Purchase Agreement. However,

prospective Purchasers should be aware that even if a loan commitment is obtained, its term may be fixed and it could expire before the Closing Date.

14. Any conflict between any provisions of this Plan and the Purchase Agreement will be resolved in favor of such provisions in this Plan.

15. Within fifteen (15) days after delivery by a Purchaser of an executed Purchase Agreement together with the Down Payment, the Sponsor will either:

- o accept the Purchase Agreement and cause to be returned to Purchaser a fully executed counterpart thereof; or
- o reject the Purchase Agreement offer and, within ten (10) days following such rejection, refund the Down Payment tendered.

If the Sponsor fails to do either within fifteen (15) days, Purchaser's offer shall be deemed rejected and the Down Payment refunded, unless Purchaser agrees, in writing, to have his, her or its offer extended. The Purchaser will have ten (10) days to exercise the right to extend his, her or its offer. If the Sponsor accepts the extended offer and the Purchase Agreement, the Down Payment will be placed promptly in a segregated special attorney's escrow account, as described in this Plan. If the Sponsor rejects the extended offer and Purchase Agreement, the Down Payment will be refunded within ten (10) days following such rejection.

16. Nothing contained in this Plan will be in derogation of the rights of a Purchaser under Article 23-A of the General Business Law, and neither this Plan nor the Purchase Agreement may contain, or be modified to contain, a provision waiving a Purchaser's rights or abrogating Sponsor's obligations under Article 23-A of the General Business Law.

17. The Sponsor agrees to convey to a Purchaser title in fee simple to the Unit free and clear of all liens and encumbrances, other than those set forth in the sections of this Plan entitled "Terms of Sale" and "Purchase Agreement", and any mortgages obtained by the Purchaser.

18. Neither the Purchase Agreement nor any monies deposited thereunder shall constitute a lien against the Property, including the Unit.

19. The following occurrences, among others, constitute a default by a Purchaser under the Purchase Agreement:

- o Purchaser's failure to pay the balance on the Closing date designated by the Sponsor;

- o Purchaser's failure to duly sign, notarize and deliver at the Closing the Power of Attorney to the Board of Managers pursuant to the Purchase Agreement or to complete the New York City Real Property Transfer Tax Return and New York State Combined Real Estate Transfer Tax Return and Credit Line Mortgage Certificate or to pay the taxes shown as due on said forms;
- o If applicable, Purchaser's failure to duly sign, notarize, deliver or complete at the Closing any forms or returns necessary for the calculation or recording of the portion of the mortgage tax to be computed in accordance with Section 339-ee of the Condominium Act, or to pay such portion to the Sponsor in reimbursement of mortgage tax which the Sponsor previously paid if the Sponsor had previously placed a mortgage on the Property;
- o The failure to pay, perform or observe any of the Purchaser's other obligations under the Purchase Agreement; and
- o The failure of the Purchaser to observe all the terms, covenants and conditions of an Interim Lease, if any.

The provisions of the Purchase Agreement relating to defaults by a Purchaser, the thirty (30) day time-period to cure defaults, retention by the Sponsor of monies paid under the Purchase Agreement, and the obligation of the Purchaser to pay a legal fee to the Sponsor's counsel if the thirty (30) day notice of default is sent, are of special importance and should be read carefully by each Purchaser.

20. The Purchase Agreement is contingent upon the effectiveness of this Plan. If this Plan is abandoned, all Purchase Agreements will be canceled. However, defaults by Purchasers shall not be waived as long as the Plan is not abandoned.

21. The Purchase Agreement contains important provisions regarding acceptance of the condition of the Unit and Common Elements by the Purchaser at the Closing, which provisions should be read carefully by each Purchaser. Among the provisions is the requirement that the Purchaser pay the balance of the purchase price at the closing scheduled by the Sponsor even if work remains to be done on the Unit or on Common Elements. Closing will not relieve the Sponsor of its obligation to complete the work described in this Plan. No escrow or other security will be provided to secure the obligation of the Sponsor to complete work in the Unit.

22. The Purchase Agreement provides that if the Sponsor is unable, as distinguished from unwilling, to deliver to Purchaser title to the Unit in accordance with the provisions of this Agreement, Sponsor will not be obligated to bring any action or proceeding or otherwise incur any cost or expense to render title marketable. If Sponsor notifies Purchaser of its inability to remedy the defect in title, Purchaser shall have the option (i) to take title subject to such title defect (without any abatement in, or credit against, the Total Purchase Price or claim or right of action

against Sponsor for damages or otherwise), or (ii) to terminate the Purchase Agreement. If Purchaser elects to terminate, Sponsor shall instruct the Escrow Agent to return to Purchaser, within ten (10) days after receipt of Purchaser's termination notice, all monies deposited thereunder, with interest earned thereon, if any. Upon making such refund the Purchase Agreement shall be null and void and neither party shall have any further rights, obligations or liabilities with respect to the other thereunder or under the Plan. The foregoing option must be exercised by written notice given by Purchaser to Sponsor no later than ten (10) days after Sponsor's notice of inability to remedy the title defect. If Purchaser shall not give such notices within said ten (10) day period, it shall be conclusively deemed that Purchaser elected the first option above, to acquire title subject to the title defect.

23. The Sponsor may cancel a Purchase Agreement if any governmental bureau, department or subdivision thereto shall impose restrictions on the manufacture, sale, distribution and/or use of material necessary in the construction of improvements to the Building and such restrictions shall prevent the Sponsor from obtaining such materials from its regular suppliers or from using same in the construction and/or completion of the Unit; or the Sponsor is unable to obtain materials from its usual sources due to strikes, lockouts, war, military operations and requirements, national emergencies, acts of God; or if the installation of public utilities is restricted or curtailed.

24. The Purchase Agreement contains a representation by the Purchaser to the Sponsor that he, she or it has not dealt with any broker other than any broker specified in the Purchase Agreement in connection with the acquisition of his, her or its Unit and will indemnify the Sponsor against any costs and expenses in connection with claims by any other broker claiming to have dealt with the Purchaser or the Purchaser's representatives.

25. No provision of the Purchase Agreement shall survive the delivery of the deed, except those obligations expressly stated therein to so survive or to be performed subsequent to the Closing, and except that all representations under the Plan, all obligations pursuant to the General Business Law and such additional obligations under the Plan that are to be performed subsequent to the Closing will survive delivery of the deed. Each Purchaser of a Unit shall be given a reasonable opportunity to examine his, her or its Unit prior to Closing and is urged to make a careful inspection of the Unit. Purchaser shall examine the Unit with a representative of Seller or Selling Agent, if any, during ordinary business hours prior to the Closing and will sign and deliver to Seller after said examination a Final Inspection Sheet in the form attached as Exhibit C to the Purchase Agreement. Any work remaining to be done within the Unit pursuant to the Plan and/or the Purchase Agreement shall be itemized in reasonable detail on the Final Inspection Sheet. Seller shall complete the items on the Final Inspection Sheet either before or within a reasonable time after the Closing but, in no event other than those beyond Seller's control, later than ninety (90) days after the Closing. If the Seller completes any items on the Final Inspection Sheet prior to the Closing, Purchaser shall re-inspect the Unit on the day preceding the Closing and sign off on all items that the Seller completed within the Unit by said date. Purchaser's failure to inspect the Unit prior to the Closing and to re-inspect, if necessary, on the date preceding the

Closing or to complete, sign and deliver the Final Inspection Sheet shall not excuse Purchaser from paying the Balance Due at Closing and shall constitute Purchaser's full and unconditional acceptance of the Unit in its "as is" condition. Purchasers are advised to consult with their attorney regarding the condition of the Unit, including, without limitation, if the Purchaser is buyer a Unit that was previously occupied by any person(s).

26. The following fees to Sponsor's attorneys will be payable by a Purchaser at the Closing, unless the Closing does not occur because of a default by the Sponsor or the Sponsor's inability to close: \$2,500 for preparation of legal documents and coordinating the Closing; an additional \$300 attendance fee if, at Purchaser's request and Sponsor's consent, the Closing occurs outside of the Sponsor's attorney's office or other office designated by the Sponsor but in the City of New York or \$500 if in Westchester, Nassau or Suffolk Counties, or an amount determined by the Sponsor's attorney if elsewhere; an additional \$300 fee if the Closing is adjourned at the Purchaser's request on less than forty-eight (48) hours notice (nothing herein shall give a Purchaser a right to adjourn a Closing); an additional \$500 if notice of default is issued, unless the Closing does not occur because of a default by the Sponsor or the Sponsor's inability to close; and an additional \$500 fee if the Purchaser assigns his, her or its Purchase Agreement.

27. In addition, a Purchaser will pay the items described in the section of this Plan entitled "Closing Costs and Adjustments," below.

28. At the Closing, the Sponsor will deliver to the Purchaser a bargain and sale deed with covenants against grantor's acts conveying title to the Unit to the Purchaser. Such deed will be in the form contained in Part II of this Plan, executed and acknowledged by the Sponsor and the Purchaser in the form for recording.

29. The Financial Crimes Enforcement Network ("FinCEN") has issued a Geographic Targeting Order ("GTO") requiring U.S. title insurance companies to identify and report to FinCEN the natural persons behind certain companies purchasing certain residential real property in New York City without lender financing. For as long as the GTO remains in effect, U.S. title insurance companies must report to FinCEN the personal identity of purchasers in residential real estate transactions occurring on or after November 17, 2018 in which:

- a. The purchaser is a legal entity as defined in the GTO;
- b. The purchaser buys residential real property located in the Boroughs of Bronx, Brooklyn, Queens, Manhattan and Staten Island;
- c. The total purchase price is for \$300,000 or more;
- d. The purchase is made without a bank loan or other similar form of external financing; and

- e. The purchase is made, at least in part, using currency (including, without limitation, virtual currency) or a cashiers check, certified check, traveler's check, personal check, business check, money order in any form or a funds transfer.

30. Purchasers should note that any wood flooring in their Unit should be maintained in accordance with the manufacturer's and the National Wood Flooring Association's recommendations and specifications. For more information on proper care for wood flooring, Purchasers can visit the website of the National Wood Flooring Association at <http://www.nwfa.org>.

31. At the request of a Purchaser, the Sponsor may, in its sole discretion, agree to perform modifications, upgrades or specialized work in a Unit, or to combine one or more Units into a single Unit, all subject to any Legal Requirements, , including obtaining a certificate of occupancy covering the combined Unit and disclosing any such modifications and/or combinations in an amendment to the Plan. Such work shall be performed upon terms and conditions determined by the Sponsor and the Purchaser. In connection with the combination of one or more Units into a single Unit, the first installment of the Down Payment payable by the Purchaser shall equal twenty percent (20%) of the total Purchase Price of the combined Units; in all other cases, a sum equal to the cost of such modifications or special work shall be paid to the Sponsor prior to any obligation on the Sponsor's part to perform such work. Such sum will be placed in the Escrow Account initially together with the Down Payment. However, Purchasers should note that such funds may be released from the Escrow Account by the Escrow Agent so long as Sponsor uses the funds for such upgrades, modifications or special work. As a result, except as set forth below, in the event a Purchaser is entitled to rescind its Purchase Agreement or in the event the Sponsor is unable to close title to the Unit with Purchaser for any reason, and even if this Plan is not consummated, the Purchaser will not receive a refund of any funds used for such requested modifications or specialized work but shall receive a refund of any unused funds. Notwithstanding the foregoing, Purchasers will receive a full refund of funds for such modifications or special work in the event the Sponsor abandons the Plan prior to declaring the Plan effective.

Additional costs a Purchaser may incur are described in the section of this Plan entitled "Closing Costs and Adjustments," below.

ASSIGNMENT OF PURCHASE AGREEMENTS

The Purchase Agreement is not assignable by the Purchaser without obtaining the express written consent of the Sponsor. In the event the Sponsor, in its sole discretion, consents to an assignment, the same shall be subject to the conditions that

- o the Purchaser wishing to assign a Purchase Agreement has executed the Purchase Agreement and tendered the Down Payment;

- o the assignment is in a form approved by Sponsor is executed and delivered by the prospective assignee to the Sponsor no later than thirty (30) days prior to the Closing date; and
- o the assignee pays to Sponsor's attorney the sum of \$500 to cover the fee for legal services rendered to Sponsor in connection with the assignment.

In no event will a Purchaser have the right to postpone the Closing as a result of an assignment. If Sponsor refuses to consent, Purchaser will not be excused from his, her or its obligations under the Purchase Agreement.

In accordance with the laws of the United States, the State of New York and The City of New York, the Sponsor and its agents will not discriminate against any person in connection with an assignment on the basis of race, creed, color, national origin, sex, sexual orientation, age, disability, marital status or other grounds prohibited by law.

EFFECTIVE DATE

The Sponsor's offer to sell Units is contingent upon this Plan being declared effective and upon the Purchaser's compliance with relevant conditions and time periods described in this Plan and in the Purchase Agreement. All Purchase Agreements are contingent upon such effectiveness and no Closing will occur before this Plan has been declared effective. This Plan will be declared effective upon the following conditions:

- o This Plan may be declared effective (i) by an amendment duly filed with the Department of Law or (ii) by personal service of a notice on every Purchaser or by commencement of service by mail in the manner required by the regulations of the Department of Law of a notice that this Plan has been declared effective and submitting an amendment to this Plan to the Department of Law within five (5) days confirming that this Plan was declared effective on a specified date. The amendment shall conform to said regulations. The Closing of the first Unit shall not be fixed until the Plan is declared effective and the effectiveness amendment is accepted for filing by the Department of Law.
- o This Plan may not be declared effective unless bona fide Purchasers, including investors, have signed Purchase Agreements for at least fifteen percent (15%) of the Residential Units offered under this Plan (i.e., 3 Residential Units) and until executed Purchase Agreements have been accepted by Sponsor for not less than fifteen percent (15%) of the Residential Units offered under this Plan. Parking Units may not be counted to declare the Plan effective.
- o The Plan will not be declared effective based on Purchase Agreements:

(i) signed by Purchasers who or which have been granted a right of rescission that has not yet expired or been waived; or

(ii) if the Purchaser was not afforded at least three (3) business days to review the offering plan and all filed amendments prior to executing a Purchase Agreement; or

(iii) with any Purchaser who or which is the Sponsor, the Selling Agent, if any, or the managing agent or is a principal of the Sponsor, the Selling Agent or the managing agent or is related to the Sponsor, the Selling Agent or the managing agent by blood, marriage or adoption or as a business associate, an employee, a shareholder or a limited partner; except that such a Purchaser other than the Sponsor or a principal of the Sponsor may be included if the Sponsor has submitted proof satisfactory to the Department of Law establishing that the Purchaser is a bona fide tenant in occupancy or is a bona fide Purchaser who intends that he or she or one or more of his or her family intend to occupy the Unit.

- o This Plan must be declared effective when Purchase Agreements have been accepted by the Sponsor for eighty percent (80%) or more of the Residential Units offered under this Plan.
- o This Plan may be abandoned by the Sponsor, at its sole and unrestricted option, at any time before it is declared effective. This Plan will be abandoned by an amendment together with form RS-3 filed at the Department of Law. Within five (5) days of acceptance of the amendment for filing, all monies paid by Purchasers shall be refunded to them in full with interest, if any.
- o This Plan may not be abandoned once it has been declared effective for any reason other than:
 - a defect in title which cannot be cured without litigation or cannot be cured for less than one-half of one percent of the total amount of the offering; or
 - substantial damage or destruction of the Building by fire or other casualty which cannot be cured for less than one-half of one percent of the total amount of the offering; or
 - the taking of any material portion of the Property by condemnation or eminent domain.

The stated dollar amounts relied upon as basis for abandonment after effectiveness of this Plan will exclude any attorneys' fees or any such title defects or determinations of any authority or regulatory association which exist on the date of presentation of this Plan and are either known to the Sponsor or are a matter of public record.

The Sponsor may abandon this Plan once it has been declared effective by an amendment or cancel Purchase Agreements for any of the foregoing reasons, acting in its sole discretion. If the Sponsor abandons this Plan by an amendment and/or cancels the Purchase Agreements, then within five (5) days of acceptance of such amendment or cancellation of the Purchase Agreement the Sponsor shall instruct the Escrow Agent to return to affected Purchasers all monies deposited with interest, if any. Upon making such refund, the parties shall be relieved of all further obligations and liabilities under the Purchase Agreements and this Plan.

The Sponsor is not obligated to engage in litigation to cure title defects, nor to incur any expense to cure any title defect if the cost to cure exceeds one-half of one percent of the total offering price. The Sponsor is not obligated to cure substantial damage or destruction of the Building, if the cure or performance of the foregoing would exceed one-half of one percent of the total amount of the offering.

The validity of the Plan's effectiveness shall not be impaired or affected if one or more Purchasers counted for purposes of declaring the Plan effective do not close title. However, in the event that all Purchase Agreements are rescinded or terminated prior to the date of the first Unit closing, the Sponsor shall re-declare the Plan effective, regardless of whether the Declaration has been recorded in the Office of the City Register.

The Sponsor agrees that copies of all Purchase Agreements (and any amendments or modifications) will be delivered to the Department of Law within five (5) business days of a request for inspection by the Department of Law.

TERMS OF SALE

A Purchaser will receive a bargain and sale deed with covenants against grantor's acts. The form of deed is included in Part II of this Plan.

Subject to the Sponsor's right to abandon this Plan due to damage to the Property, as described in the section of this Plan entitled "Effective Date," above, and unless the risk of loss with respect to a Unit has passed to a Purchaser that has taken possession of a Unit, in the event a Unit is damaged by a casualty or other cause between the date a Purchase Agreement is accepted by the Sponsor and the Closing, the Sponsor will repair the Unit if the cost of the repair is less than or equal to one-half of one percent of the purchase price. If the cost of the repair is more

than one-half of one percent of the purchase price, the Sponsor may, but is not obligated to, repair the Unit. The Sponsor shall notify Purchaser in writing of its election to repair or not repair the Unit within fifteen (15) days of the damage to the Unit. The date for the Closing will be extended to give the Sponsor reasonable time to repair the Unit if the Sponsor is obligated to repair the Unit or elects to repair the Unit. If the Sponsor repairs the Unit, then the Purchase Agreement shall remain in full force and effect and the Closing shall occur as specified in a notice from the Sponsor to the Purchaser after the repair is completed. If the cost of the repair is more than one-half of one percent of the purchase price and the Sponsor does not elect to repair the Unit, then the Purchaser may either purchase the Unit with a credit of one-half of one percent of the purchase price or rescind the Purchase Agreement, in either case by giving the Sponsor written notice of the Purchaser's choice within thirty (30) days after the Sponsor gives notice of the Sponsor's election not to repair the Unit. If the Purchaser fails to give notice rescinding the Purchase Agreement within said thirty (30) day period, then the Purchaser will be deemed to have chosen to be bound by the Purchase Agreement and to receive the credit of one-half of one percent of the purchase price. Upon Closing, a Purchaser of a damaged Unit will be responsible for all repairs to the Unit and for complying with all Legal Requirements with respect to the condition of the Unit and repairs.

The Sponsor is not obligated to perform any work other than the work described in the "Description of Property and Specifications or Building Condition" in Part II of this Plan and is obligated to provide only the equipment, fixtures, and furnishings described in the "Description of Property and Specifications or Building Condition" in Part II of this Plan. If a Purchaser requests that the Sponsor perform other or additional work or provide other or additional equipment, fixtures or furnishings, and Sponsor, in the Sponsor's sole discretion, agrees to perform such work or to provide such equipment, fixtures or furnishings, then Sponsor may require the Purchaser to first deposit with the Escrow Agent the amount Sponsor determines to be the cost of such work or such equipment, fixtures or furnishings. The Sponsor shall not be bound to perform such work or provide such equipment, fixtures, or furnishings unless the special work and the cost thereof is memorialized in a writing executed by the Sponsor and the Purchaser. In no event shall the presence of any furniture, furnishings, equipment, material or other features in any model apartment imply or represent that any Unit will be other than as described in the "Description of Property and Specifications or Building Condition."

Risk of loss for fire or other casualty remains with the Sponsor until legal title to the Unit has been conveyed to the Purchaser, unless the Purchaser enters into an Interim Lease or otherwise takes possession of the Unit. The Building will be covered by a fire and casualty insurance policy in an amount expected to be adequate to rebuild the Building's structure (but not portions of the interior of Units that are the responsibility of Unit Owners to insure) if totally destroyed by fire or other insured peril. Purchasers are advised to obtain insurance against loss for fire or other casualty for items not covered by the insurance described above, effective upon his, her or its taking title to or possession of a Unit. Specifically, Unit Owners, as well as Purchasers who take possession prior to the Closing, are urged to obtain insurance for the contents of their Units, their personal possessions, replacements, additions, upgraded fixtures and improvements to the Units

and liability coverage for occurrences within their Units. A Purchaser who occupies a Unit prior to the closing pursuant to an Interim Lease, or otherwise takes possession of a Unit prior to Closing, may not be able to obtain insurance for all risks of damage to the Unit and therefore assumes the risk of losses not covered by insurance.

The actual, as-built layout and dimensions of a Unit may, within reasonable tolerances, differ from the layout and dimensions on the Floor Plans in Part II of this Plan. Notwithstanding the foregoing, Sponsor is obligated to construction the Building and Units in accordance with the plans and specifications set forth in this Plan, and any material deviation therefrom shall be disclosed in a duly filed amendment to this Plan.

Each Purchaser of a Unit shall be given a reasonable opportunity to examine his, her or its Unit prior to Closing and is urged to make a careful inspection of the Unit. Purchaser shall examine the Unit with a representative of Seller or Selling Agent, if any, during ordinary business hours prior to the Closing and will sign and deliver to Seller after said examination a Final Inspection Sheet in the form attached as Exhibit C to the Purchase Agreement. Any work remaining to be done within the Unit pursuant to the Plan and/or the Purchase Agreement shall be itemized in reasonable detail on the Final Inspection Sheet. Seller shall complete the items on the Final Inspection Sheet either before or within a reasonable time after the Closing but, in no event other than those beyond Seller's control, later than ninety (90) days after the Closing. If the Seller completes any items on the Final Inspection Sheet prior to the Closing, Purchaser shall re-inspect the Unit on the day preceding the Closing and sign off on all items that the Seller completed within the Unit by said date. Purchaser's failure to inspect the Unit prior to the Closing and to re-inspect, if necessary, on the date preceding the Closing or to complete, sign and deliver the Final Inspection Sheet shall not excuse Purchaser from paying the Balance Due at Closing and shall constitute Purchaser's full and unconditional acceptance of the Unit in its "as is" condition. At the Closing, each Purchaser shall be required to sign and deliver to Sponsor a Final Inspection Sheet substantially in the form set forth as Exhibit C to the Purchase Agreement in Part II of this Plan wherein the Purchaser acknowledges the condition in which he, she or it has received his, her or its Unit. Under no circumstances shall any item included on a Final Inspection Sheet constitute grounds for a Purchaser to postpone or otherwise delay the date scheduled for Closing.

Title to each Unit and its appurtenant interest in the Common Elements will be conveyed at the Closing free and clear of all liens, encumbrances and title exceptions other than the provisions of the deed, a form of which is in Part II of this Plan, and other than the following (which are also included in the Purchase Agreement):

- o The Declaration,
- o The Floor Plans,
- o The By-Laws,

- o The state of facts an accurate survey of the Property would show, provided such state of facts would not render title unmarketable,
- o The Power of Attorney as required in the Purchase Agreement, a form of which Power of Attorney is included in Part II of this Plan,
- o Mortgages and UCC financing statements, if any, against the Property or any portion thereof other than the Unit, which are subordinated to the Declaration,
- o Standard printed exceptions contained in the form of title insurance policy then issued by the title insurance company insuring the Purchaser's interest in the Unit,
- o Building restrictions and zoning regulations and ordinances and any amendments thereto now or hereafter adopted by any governmental or quasi-governmental authority having jurisdiction which are not violated by the Building and which do not prevent the use of the Building described in this Plan,
- o Existing violations of building, fire, electrical and similar codes, laws, rules and regulations, subject to the Sponsor's obligation to cure violations as described in the section of this Plan entitled "Rights and Obligations of Sponsor," below,
- o Encroachments of retaining walls, fences, bay windows, fire escapes, stoops, banisters, areas, cellar steps, doors, railings, air conditioners, balconies, drain, vent and other pipes, electrical conduits, lights, trim, foundation, cornices, if any, and similar projections on, over and under the Property and encroachments on to streets, highways and adjoining premises by improvements on the Property, and the rights of governmental authorities to require the removal of any such projections and variations beyond record lines of the Property,
- o Consents by the Sponsor or the owner or any former owner of the Property for the erection of any structure or structures on, under, or above any street or streets on which the Property may abut,
- o Any other covenants, restrictions, easements or agreements of record, if any, which are not violated by the Building or its use described in this Plan,
- o Any state of facts a physical inspection of the Property would disclose,
- o The terms and conditions of this Plan and any amendments thereto,
- o The lien of any unpaid Federal or State or New York City taxes, provided Sponsor, at the Closing, makes such deposit or guarantee as might be reasonably required

by the Purchaser's title insurance company to issue to the Purchaser a policy of title insurance insuring against the collection of such taxes out of the Unit,

- o The revocability of the right to maintain street vaults and other areas under or projections over any sidewalk, if any, and the lien of unpaid vault charges (which are to be paid by the Board of Managers),
- o Any easement or right of use created in favor of any public utility company and the right to install, use, maintain, repair and replace wires, lines, facilities, connections, equipment and the like upon, under and across the Property,
- o Service, maintenance, employment, management and license contracts and agreements, if any, described in this Plan,
- o The lien of unpaid water charges and sewer rents, which shall be paid by the Board of Managers,
- o The lien of unpaid Common Charges and real estate taxes, which shall be apportioned as of the Closing,
- o The lien of any unpaid assessments payable in installments, except the Sponsor will pay all such installments due and payable prior to the Closing date, and the Purchaser will be obligated to pay all installments due at or subsequent to the Closing Date (however, the then current installment shall be apportioned at the Closing),
- o Any other matter or encumbrance as to which TitleVest or any other reputable title insurance company licensed to do business in New York would be willing, in a fee title insurance policy issued by it to the Purchaser, to insure the Purchaser that such matter or encumbrance (a) will not be collected out of the Unit if it is a lien, and (b) will not prevent the use of the Unit for dwelling purposes,
- o Any other declaration or other instrument affecting the Property that the Sponsor deems necessary or appropriate to comply with any Legal Requirement.

A Closing will take place only concurrently with (i) the issuance of a temporary or permanent certificate of occupancy for the entire project or (ii) issuance of a partial, temporary or permanent certificate of occupancy for the Unit closed or the Building in which the Unit is located.

The Purchase Agreement lists the personal property to be included in the sale of the Unit. All personal property to be used in connection with the use of the Unit, as described in this Plan, and located within the Unit on the date the Purchase Agreement is signed is included in the conveyance unless specifically excepted in this Plan or the Purchase Agreement. In addition, the

Purchaser shall acquire an undivided interest in the personal property located within the Common Elements on the date the Declaration is filed and necessary for the operation of the Building and which is the property of the Sponsor unless specifically excepted in this Plan.

No conveyance of a Unit will include any personal property located in a Unit at any time or on any Common Element on the date that the Declaration is filed (or at any time) that is owned by the Sponsor.

The Purchase Agreement provides that prior to the Closing, the Purchaser shall not offer the Unit or the Purchase Agreement for sale or rental, engage any selling agent or broker, list the Unit or the Purchase Agreement with any selling agent or broker, link or make reference to or otherwise use any marketing material used by the Sponsor or its representatives, for the purpose of offering the Unit or the Purchase Agreement for sale or rental without the prior, written consent of the Sponsor. Failure by Purchaser to abide by the restrictions contained in the Purchase Agreement shall constitute a default thereunder. In addition, after the Closing, the Unit Owner shall not link or make reference to or otherwise use any marketing material used by the Sponsor or its representatives, for the purpose of offering the Unit for sale or rental, without the prior, written consent of the Sponsor.

The Declaration, the By-Laws and the Floor Plans and such other documents as may be required by law will be recorded or filed prior to the first Closing in accordance with the Condominium Act in the Office of the City Register, Borough of Brooklyn.

A copy of plans for the construction work on the Building, approved in accordance with Section 300 of the Multiple Dwelling Law, has been submitted to the Department of Law. The "Description of the Property and Specifications or Building Condition" in Part II of this Plan describes construction work on the public portions and common areas of the Building and to the Units as may be necessary to obtain a permanent Certificate of Occupancy for permanent residential use of the Units. It is the obligation of the Sponsor to complete all alterations and improvements to the Units, the public portions and Common Areas of the Building in material compliance with such approved plans, and to obtain a temporary Certificate of Occupancy for a Unit prior to its Closing.

If any mortgage or construction loan will not be satisfied at or prior to the Closing of the first Unit, at the time of conveyance of the first Unit, each mortgagee will either: (i) consent to the formation of the Condominium and acknowledge that the mortgagee's lien will be limited to Unsold Units; (ii) subordinate the lien of its mortgage to the Declaration; or (iii) release its lien on the Unit being conveyed and its appurtenant interest in the Common Elements.

UNIT CLOSING COSTS AND ADJUSTMENTS

General

The estimated Closing costs and expenses to be borne by a Purchaser are described below. The estimates are based on current rates, costs and charges, which are subject to change without notice or amendment of this Plan. Changes in rates, costs or charges shall not be deemed an objection to title nor cause an offer of rescission.

Closing Adjustments

At each Closing, the Sponsor and the Purchaser shall apportion as of midnight of the day preceding the Closing:

- o Real estate taxes (including all prepaid real estate taxes), on the basis of the quarter or semi-annual installment (as the case may be) due with respect to the period including the Closing date.
- o Assessments, if any, payable in installments based on the due date of the installments, regardless of when the assessment became a lien.

In the event that the Unit has not been separately assessed for the then current fiscal tax year of a taxing or assessing authority at the time of the Closing, the apportionment of real estate taxes and assessments shall be apportioned based on the real estate taxes and assessment payable with respect to the Property multiplied by the percentage of Common Interest attributable to the Unit. Installments for real estates taxes and assessments assessed against the Unit due after delivery of the deed (if any) shall be paid by the Purchaser and shall not be considered a defect in title.

The By-Laws provide that if at the time of the Closing of the first Unit, Units have not been separately assessed for real estate tax and assessment purposes, Common Expenses shall include real estate taxes and assessments on the Property until the Units are separately assessed. After the Units are separately assessed, the Board of Managers will reimburse Unit Owners for any overpayment of taxes or assessments or assess Unit Owners for any underpayment of taxes or assessments.

- o If water charges and sewer rents are separately assessed against the Unit, such charges shall be apportioned on the basis of the usage per day based on the last meter reading and the number of days between the last meter reading and the Closing date.
- o The estimated Common Charges for each Unit, as shown in “Offering Prices and Related Information, Schedule A,” above, for the month in which title closes.

If any of the foregoing cannot be adjusted because they are not fully ascertainable, they shall be apportioned and adjusted at Closing to the extent reasonably possible, and final

adjustments will be made as soon thereafter as the undetermined amounts are ascertained. Any errors or omissions in calculating adjustments at Closing shall be corrected after the Closing and payment shall be made to the proper party promptly after discovery of such error or omission.

If the assessed valuation of the Units for the tax year in which the first Closing occurs or in any subsequent tax year is reduced and the real estate taxes predicated thereon are reduced or a credit or refund is issued for the benefit of a Purchaser of a Unit as a result of tax certiorari applications or proceedings instituted by the Sponsor, whether by settlement or otherwise in the Sponsor's sole discretion, the Board of Managers shall, upon request of the Sponsor, reimburse the Sponsor for the actual cost of any such tax certiorari applications or proceedings (including Sponsor's reasonable attorneys' fees) incurred by the Sponsor that are allocable to the time periods after the date of the first Closing. The Sponsor shall, upon request of the Board of Managers, furnish the Board with receipts or other proof of such costs. The Board of Managers shall assess against every Unit Owner who has received the benefit of such tax reduction, credit or refund, such costs, in proportion to (a) the time period each Unit Owner has been the owner of his, her or its Unit and (b) each Unit Owner's Common Interest.

Closing Costs

In the following paragraphs, examples of fees and/or costs that Purchasers may incur are provided. The Sponsor, the Sponsor's attorney and the Selling Agent, if any, make no warranty or representation that the following examples will accurately reflect Purchaser's actual fees and/or costs. Purchasers should consult with their attorneys and financial advisors to determine the actual costs likely to be associated with the purchase of their individual Unit.

- o Owner's (Fee) Title Insurance: If a Purchaser obtains fee title insurance, the Purchaser will pay a premium to his, her or its title insurance company. The amount of the premium will depend upon the amount of insurance requested. Each Purchaser is free to obtain title insurance from a title insurance company of his, her or its choice without being subject to penalties for doing so. The Sponsor makes no representation or warranty as to the cost, terms or availability of such title insurance from any particular title insurance company. Example: The premium for Owner's Title Insurance for a Residential Unit with a purchase price of \$1,800,000 would be approximately \$7,065.

For Residential Units with a purchase price above \$500,000, Owner's Title Insurance premiums are based on the following cost rates:

	<u>Owners Title Insurance</u>
Minimum Insurance*	402
For each \$1,000 or part thereof, add	

35,000 – 50,000	6.67
50,001 – 100,000	5.43
100,001 – 500,000	4.36
500,001 – 1,000,000	3.98
1,000,001 – 5,000,000	3.66
5,000,001 – 10,000,000	3.25
10,000,001 – 15,000,000	3.07
Over 15,000,000	2.76

*First \$35,000 or under.

Purchaser shall be obligated to pay the following costs at Closing:

- o Recording Fees: Fees for recording the deed covering the Unit and the power of attorney in favor of the Board of Managers and Sponsor and mortgages and UCC financing statements, if any, from Purchaser's lender if Purchaser obtains a mortgage. Typical recording charges are \$125 for a deed, \$75 for a power of attorney and for a UCC financing statement in connection with any Purchaser's mortgage, and \$125 for a mortgage. UCC Financing statements would be issued by Purchaser's lender if Purchaser obtains a mortgage, and would not be a Sponsor related cost transferred by Sponsor to a Purchaser.
- o New York State and New York City Transfer Taxes: In New York, the seller of real property is statutorily obligated to pay and responsible for the payment of the New York State Real Estate Transfer Tax and the New York City Real Property Transfer Tax, and the buyer of real property is statutorily obligated to pay for the Mansion Tax and Supplemental Tax, if applicable. However, in sales of condominium units by a sponsor, either the seller or the buyer can pay these transfer taxes and it is customary for buyers to pay these transfer taxes. Purchasers are advised that under this Plan, the Sponsor is imposing on Purchasers the Sponsor's statutory obligation to pay these transfer taxes and, pursuant to the Purchase Agreement, Purchasers are obligated to pay these transfer taxes.

The Purchaser is responsible for the payment of the New York State Real Estate Transfer Tax, which currently is 0.4% of the purchase price for Residential and Parking Units costing less than \$3,000,000 and 0.65% of the purchase price for Residential and Parking Units costing \$3,000,000 or more, and for an additional tax commonly known as "Mansion Tax," which is currently 1% of the purchase price for Residential Units costing \$1,000,000 or more, and for a "Supplemental Tax" for Residential Units, as follows:

<u>Residential Unit Price</u>	<u>Supplemental Tax (% of</u>
-------------------------------	-------------------------------

	<u>Price)</u>
\$2,000,000 – \$2,999,999	0.25%
\$3,000,000 - \$4,999,999	0.5%
\$5,000,000 – \$9,999,999	1.25%
\$10,000,000 - \$14,999,999	2.25%
\$15,000,000 - \$19,999,999	2.5%
\$20,000,000 - \$24,999,999	2.7%
\$25,000,000 or more	2.9%

The Purchaser is also responsible for the New York City Real Property Transfer Tax, which is currently equal to one percent (1%) of the purchase price for Residential and Parking Units costing \$500,000 or less and one and four hundred twenty five one thousandths percent (1.425%) for Residential and Parking Units costing more than \$500,000. When calculating the taxes, taxes paid by Purchasers, except the Mansion Tax and Supplemental Tax, are added to the purchase price for recalculating the New York City Real Property Transfer Tax, but only the New York City Real Property Tax is added to the purchase price for recalculating the New York State Real Estate Tax and the Mansion and Supplemental Taxes.

In addition to transfer taxes and the Mansion Tax and Supplemental Tax, Purchasers will also be obligated to pay at Closing any new or supplement tax, or any increase to or modification of existing taxes or rates, on the transfer of condominium units enacted after the date of this Plan (any such tax, an “Additional Tax”), regardless of whether such Additional Tax is by law the primary obligation of the seller or purchaser. Sponsor will amend the Plan to disclose the enactment of any Additional Tax. However, Purchasers will be required to pay such Additional Tax at Closing regardless of whether the Plan amendment disclosing the Additional Tax has been accepted for filing by the date on which the Purchase Agreement is fully executed. Notwithstanding the foregoing, if the Department of Law considers the enactment of an Additional Tax resulting in an increase of 25% or more a material revision adversely affecting the rights, obligations or liabilities of then existing Purchasers, the Department of Law may require Sponsor to offer such Purchasers the right to rescind their Purchase Agreements, in which case such Purchasers will be given the right to rescind their Purchase Agreements and be refunded all monies paid thereunder (with interest earned thereon, if any) within thirty (30) days of presentation of the amendment offering such rescission. However, as to a Purchaser who first became an occupant of the Building after this Plan is filed with the Department of Law, such rescission will be conditioned on the cancellation of any Interim Lease and surrender of possession of his, her or its Unit within thirty (30) days after rescission.

Example: For a Residential Unit with a purchase price of \$1,800,000, the New York State transfer tax would be \$7,200 and the New York City transfer tax would be \$25,650. However (a) the New York City and New York State transfer taxes must be added back into the purchase price to recalculate the New York City Transfer Tax, (b) the New York City transfer tax must be added back into the purchase price to recalculate the New York State transfer tax and the Mansion and Supplemental Taxes, and (c) the taxes recalculated so that the taxes actually due would be \$7,302.60 for the State and \$26,118.11 for the New York City tax. The Mansion Tax would be \$18,256.50. There would be no Supplemental Tax.

Purchasers are advised that in the event that any Additional Tax is enacted, the transfer taxes and Mansion Tax information and closing costs illustrations disclosed in the Plan, as amended, may be inaccurate because such are based on tax laws that existed prior to the enactment of such Additional Tax. Purchasers are further advised to consult with their attorney or a tax expert regarding the transfer or mansion taxes or other costs which may be payable in connection with the closing of title.

- o Mortgages: If a Purchaser obtains a mortgage loan, then he, she or it will be responsible for paying all closing costs and expenses in connection with the loan in amounts determined by the lender. Generally such costs include: points, a fee charged by the lender's attorney, an appraisal fee, mortgage insurance, fees for recording the mortgage and any UCC financing statement, and an origination fee. The Sponsor makes no representation or warranty as to such Closing costs and expenses or as to availability of mortgage financing. In addition the lender is likely to require the Purchaser to obtain title insurance in the lender's favor and pay the premium for the insurance. Example: For a Residential Unit with a purchase price of \$1,800,000, the lender's fees would typically include the following: an origination fee ("points") of between 0% and 2% of the loan (between \$0 and \$28,800 on a \$1,440,000 loan); lender's attorney fees, typically between \$500 and \$1,000; an appraisal fee, typically between \$500 and \$1,000; plus various other fees totaling between \$500 and \$1,000.

The Mortgagee Title Insurance premium for a mortgage in the amount of \$1,440,000 would be approximately \$1,455.

Residential Units with a purchase price above \$500,000, Mortgagee's Title Insurance premiums are based on the following cost rates:

	<u>Mortgage Title Insurance</u>
Minimum Insurance*	344

For each \$1,000 or part thereof, add

35,000 – 50,000	5.55
50,001 – 100,000	4.54
100,001 – 500,000	3.64
500,001 – 1,000,000	3.31
1,000,001 – 5,000,000	3.05
5,000,001 – 10,000,000	2.71
10,000,001 – 15,000,000	2.55
Over 15,000,000	2.31

*First \$35,000 or under.

For mortgages on Units securing a principal debt or obligation of less than \$500,000, the mortgage tax is \$2.05 for each \$100.00 or major fraction thereof of the principal amount secured. For mortgages on Units securing a principal debt or obligation of \$500,000 or more, the mortgage tax is \$2.175 for each \$100.00 or major fraction thereof of principal amount secured. Example: For a Unit with a mortgage of \$1,440,000, the Mortgage Tax would be \$31,320.

A portion of the mortgage tax, to be computed in accordance with Section 339-ee of the Condominium Act, will be paid by the Purchaser to the Sponsor in reimbursement of mortgage tax which the Sponsor previously paid if the Sponsor had previously placed a mortgage on the Building. The portion to be paid is roughly equal to the Purchaser's Percentage Common Interest multiplied by the mortgage tax previously paid by the Sponsor, if any. The portion reimbursed to the Sponsor will be deducted from the mortgage tax due from the Purchaser to the taxing authorities at Closing.

Mortgages from institutional lenders will generally require monthly deposits with the lender of monies applicable to the payment of casualty and mortgage insurance and real estate taxes, as well as a reserve which will be sufficient when included with anticipated monthly deposits to meet the taxes and insurance when due. This amount will vary depending on the institutional lender and the date of the Closing.

There will be no mortgage Closing costs on Units that are not covered by mortgages.

- o Attorney Fees: The fees of the Sponsor's attorney due at Closing are as follows: \$2,500 for preparation of legal documents and for coordinating the Closing; an additional \$300 attendance fee if, at Purchaser's request and Sponsor's consent, the Closing occurs outside of the Sponsor's attorney's office or other office

designated by the Sponsor but in the City of New York or \$500 if in Westchester, Nassau or Suffolk Counties, or an amount determined by the Sponsor's attorney if elsewhere; an additional \$300 fee if the Closing is adjourned at the Purchaser's request on less than forty-eight (48) hours notice (nothing herein shall give a Purchaser a right to adjourn a Closing); an additional \$500 fee if notice of default is issued, unless the Closing does not occur because of a default by the Sponsor or the Sponsor's inability to close; and an additional \$500 fee if the Purchaser assigns his, her or its Purchase Agreement.

- o Working Capital Fund Contribution: The Purchaser will be required to pay an amount equal to three month's Common Charges as shown in Schedule A, above, to provide the Condominium with a working capital fund. This amount will be kept separate from the general funds of the Condominium and will not be refunded. It is not an advance payment of a Unit's monthly Common Charges. During the period in which the Sponsor is in control of the Board of Managers, these funds will not be used to reduce Common Charges without the permission of a majority of Unit Owners other than the Sponsor.
- o Purchaser's Professionals: The Purchaser shall have sole responsibility for payment of all professionals, including attorney(s), retained by the Purchaser.

Based on the information above, the closing costs for a Residential Unit with a purchase price of \$1,800,000 and a mortgage of \$1,440,000 would be:

Owner's Title Insurance	\$7,065
Recording fees	\$275
New York City transfer tax	\$26,118

The entire contents of the foregoing part of this section of the Plan, "Closing Costs and Adjustments," as same may be revised or amended, shall be deemed to be incorporated in each Purchase Agreement.

RIGHTS AND OBLIGATIONS OF THE SPONSOR

(This section and subsequent sections of this Plan contain summaries of certain provisions of the By-Laws. No such summary shall modify any provision of the By-Laws. Potential Purchasers and their attorneys are encouraged to review the By-Laws and should note that if there is any inconsistency between the summary in this section and the By-Laws, the By-Laws shall govern.)

The rights and obligations of the Sponsor pursuant to this Plan include the following:

- 1 The Sponsor intends to sell the Units offered pursuant to this Plan and will endeavor in good faith to sell Units rather than rent. Sponsor reserves the unconditional right to rent the Residential and Parking Units offered pursuant to this Plan after consummation of this Plan. Because the Sponsor is not limiting the conditions under which it will rent rather than sell Units, there is no commitment to sell more units than the fifteen percent (15%) necessary to declare the plan effective and owner-occupants may never gain effective control and management of the Condominium. In addition, after Sponsor's initial voting control period, there is no requirement that a majority of the Board of Managers be composed of owner-occupants or members of an owner-occupant's household who are unrelated to the Sponsor and its principals. Therefore, owner-occupants may never gain control of the Board of Managers, and owner-occupants and non-resident owners, including Sponsor, may have inherent conflicts on how the Condominium should be managed. If the Sponsor makes a bulk sale of all or some of its Unsold Units, meaning a sale in bulk to a transferee successor sponsor, then the transferee successor sponsor is bound by Sponsor's representations regarding its commitment to sell, and its reservation of the right to rent, the Units as specified herein. The validity of the Plan's effectiveness shall not be impaired or affected if one or more Purchasers counted for purposes of declaring the Plan effective do not close title. However, in the event that all Purchase Agreements are rescinded or terminated prior to the date of the first Unit closing, the Sponsor shall re-declare the Plan effective, regardless of whether the Declaration has been recorded in the Office of the City Register.
- 2 The Sponsor shall defend any suits or proceedings arising out of Sponsor's acts or omissions and indemnify the Board of Managers and Unit Owners with respect to

liability due to the Sponsor's acts or omissions. Therefore, except in the case of claims arising out of the acts, omissions or representations of the Sponsor, the Sponsor has no obligation to defend any suits or proceedings, nor to indemnify the Board of Managers or the Unit Owners, except as otherwise stated in the Plan.

- 3 All representations of the Sponsor under this Offering Plan, all the obligations of the Sponsor under the General Business Law and all obligations of the Sponsor under this Plan which are to be performed after the Closing shall survive delivery of the deed to a Unit.
- 4 Except for costs and expenses to be apportioned as described in the section of this Plan entitled "Closing Costs and Adjustments," above, the Sponsor will pay all costs and expenses incurred prior to the establishment of the Condominium or in connection with the sale of all the Units held or owned by the Sponsor (except for costs and expenses specifically made payable by a Purchaser under this Plan), and will pay all selling expenses including, but not limited to, advertising and printing costs, the Sponsor's architect fees, and the costs of filing this Plan and amendments to this Plan. The Sponsor agrees to pay all Common Charges, assessments and real estate taxes with respect to Unsold Units. The Sponsor represents that it has the financial resources to meet its obligations with respect to Unsold Units. It will fund its financial obligations to the Condominium from its resources and from the proceeds of the sales or rental of Unsold Units. No bond or other security has been posted to secure the Sponsor's obligations with respect to the aforementioned expenses.
- 5 Subject to the Sponsor's right to abandon this Plan due to damage to the Property, as described in the section of this Plan entitled "Effective Date," above, and unless the risk of loss with respect to a Unit has passed to a Purchaser that has taken possession of a Unit, in the event a Unit is damaged by a casualty or other cause between the date a Purchase Agreement is accepted by the Sponsor and the Closing, the Sponsor will repair the Unit if the cost of the repair is less than or equal to one-half of one percent of the purchase price. If the cost of the repair is more than one-half of one percent of the purchase price, the Sponsor may, but is not obligated to, repair the Unit. The Sponsor shall notify Purchaser in writing of its election to repair or not repair the Unit within fifteen (15) days of the damage to the Unit. The date for the Closing will be extended to give the Sponsor reasonable time to repair the Unit if the Sponsor is obligated to repair the Unit or elects to repair the Unit. If the Sponsor repairs the Unit, then the Purchase Agreement shall remain in full force and effect and the Closing shall occur as specified in a notice from the Sponsor to the Purchaser after the repair is completed. If the cost of the repair is more than one-half of one percent of the purchase price and the Sponsor does not elect to repair the Unit, then the Purchaser may either purchase the Unit with a credit of one-half of one percent of the

purchase price or rescind the Purchase Agreement, in either case by giving the Sponsor written notice of the Purchaser's choice within thirty (30) days after the Sponsor gives notice of the Sponsor's election not to repair the Unit. If the Purchaser fails to give notice rescinding the Purchase Agreement within said thirty (30) day period, then the Purchaser will be deemed to have chosen to be bound by the Purchase Agreement and to receive the credit of one-half of one percent of the purchase price. Upon Closing, a Purchaser of a damaged Unit will be responsible for all repairs to the Unit and for complying with all Legal Requirements with respect to the condition of the Unit and repairs.

- 6 The Sponsor agrees to procure fire and casualty insurance pursuant to an agreed amount replacement value policy or in an amount sufficient to avoid co-insurance. No representation is made as to the amount of the premium for any insurance, as set forth in "Budget for First Year of Condominium Operation, Schedule B," or otherwise.
- 7 In the event of dissolution or liquidation of the Sponsor or the transfer of twenty percent (20%) or more of the total number of Units, the principals of the Sponsor will provide financially responsible entities or individuals who will assume the status and all of the obligations of the Sponsor for those Units under this Plan, applicable laws or regulations. In the event of dissolution or liquidation, the principals of the Sponsor shall guarantee the performance of such obligations.
- 8 The Sponsor has commenced the construction described in this Plan with its own funds. Such funds are anticipated and expected, but not guaranteed, to be sufficient to complete the construction described in this Plan. If Sponsor obtains construction financing for the Property, Sponsor will amend this Plan to disclose the relevant terms of such financing, including any sales and rental requirements or restrictions imposed by the construction lender. If unforeseen circumstances arise, however, the Sponsor will make commercially reasonable efforts, but ultimately may not be able to complete the construction described in this Plan. If Sponsor is unable to complete construction, the Sponsor may abandon this Plan or provide financially responsible entities or individuals who will assume the status and all of the obligations of the Sponsor under this Plan, in either case in accordance with applicable legal requirements. If this Plan is abandoned, all Purchase Agreements will be terminated and all Down Payments will be promptly returned to Purchasers. However, all Purchase Agreements will remain in full force and effect if a financially response successor sponsor is provided.
- 9 The Sponsor intends to complete the Condominium in accordance with the building plans and specifications identified in this Plan. The Sponsor will maintain each Unit, and the fixtures and personalty contained therein up to the transfer of title to the Unit in question. Sponsor-installed equipment and fixtures

shall be in working order at the time of transfer of title. Purchaser shall examine the Unit with a representative of Seller or Selling Agent, if any, during ordinary business hours within twenty (20) days prior to the Closing and will sign and deliver to Seller within three days after said examination a Final Inspection Sheet in the form attached as Exhibit C to the Purchase Agreement. Any work remaining to be done within the Unit pursuant to the Plan and/or the Purchase Agreement shall be itemized in reasonable detail on the Final Inspection Sheet. Seller shall complete the items on the Final Inspection Sheet either before or within a reasonable time after the Closing but, in no event other than those beyond Seller's control, later than ninety (90) days after the Closing. If the Seller completes any items on the Final Inspection Sheet prior to the Closing, Purchaser shall re-inspect the Unit on the day preceding the Closing and sign off on all items that the Seller completed within the Unit by said date. Purchaser's failure to inspect the Unit prior to the Closing and to re-inspect, if necessary, on the date preceding the Closing or to complete, sign and deliver the Final Inspection Sheet shall not excuse Purchaser from paying the Balance Due at Closing and shall constitute Purchaser's full and unconditional acceptance of the Unit in its "as is" condition. Purchasers are advised to consult with their attorney regarding the condition of the Unit, including, without limitation, if the Purchaser is buyer a Unit that was previously occupied by any person(s).

- 10 The Sponsor will construct the Building and Units in accordance with the plans and specifications identified in this Plan. However, the fact that work on the Unit as detailed on a Final Inspection Sheet remains shall not permit a Purchaser to delay a Closing or to claim credit or to require any escrow or otherwise to fail to fully perform a Purchase Agreement. A Purchaser's sole right shall be to require the Sponsor to complete the incomplete work as provided in the preceding paragraph. The Sponsor shall complete all required construction work as promptly as reasonably possible.
- 11 In all events, the Sponsor shall have the right to substitute equipment or materials of Equal or Better quality or design, as recognized by industry standards for the respective equipment or material and subject to applicable Legal Requirements, without having to offer rescission to any Purchaser. The Sponsor shall not change the size or location of Units, Common Elements or other improvements if such changes affect the percentage of Common Interest or adversely affect the value of any Unit to which title has closed or for which a Purchase Agreement has been executed and is in effect, unless all affected Unit Owners consent in writing to such change and all affected Purchases are given a right of rescission. In addition, unless the affected Purchaser consents, no material change will be made in Unit size, layout, or percentage of Common Interest if a Purchase Agreement has been executed and accepted by the Sponsor for that Unit and the Purchaser is not in default.

- 12 The Sponsor anticipates that construction of the Building will be completed by July 1, 2022. Any material delays in the anticipated construction completion date will be disclosed in an amendment to this Plan. Construction is a complicated process requiring the coordination of numerous tasks and the balancing of complex mechanical and architectural systems. No assurance can be given with regard to the accuracy of any projected completion dates set forth in this Plan. During the first year of Condominium operation, construction workers and related personnel may be at the Property from time to time to make adjustments and to perform various tasks related to the completion of construction. Various systems, including, but not limited to, water supply, electricity, elevators, air conditioning, heating and ventilation, may require up to a year after any Unit Closing to complete and may need to be shut down temporarily. Various other adjustments to windows, elevators and other systems may require up to eighteen (18) months after the first Closing to be completed. The Sponsor may not complete the decoration of the corridors in the Building, including, but not limited to, installing fixtures, hanging wall coverings or laying carpeting, until that particular floor is fully occupied by Unit Owners. Notwithstanding the foregoing, and although the Building and Units will be constructed in accordance with all applicable zoning and building laws, codes, regulations and all other applicable requirements, neither Sponsor nor any other party listed in this Plan makes any warranty or guaranty, express or implied, with respect to any aspect of the Property, Building, Units, Common Elements and Limited Common Elements, or any portion thereof, except as set forth in this Plan and under all applicable laws. Prospective Purchasers are advised that Article 36-B of the New York General Business Law (the Housing Merchant Implied Warranty) does not apply to this offering.
- 13 Purchasers are advised that in New York City, newly constructed and newly renovated buildings are sometimes offered as condominium projects without a final certificate of occupancy (“FCO”) covering the entire buildings but with only a temporary certificate of occupancy (“TCO”), and sometimes with several successive TCOs. Certificates of occupancy are generally governed by Section 301 of the New York Multiple Dwelling Law and local building codes and rules. Both TCOs and FCOs are issued by the New York City Department of Buildings (“DOB”). A TCO is intended to indicate that the Property is safe for occupancy, and that it conforms substantially to the DOB approved plans and specifications and to the requirements of all applicable laws, rules and regulations for the uses and occupancies specified in the TCO, but means that not all of the construction or renovation work and/or inspections have been performed, or that not all of the required documents for an FCO have been submitted to DOB. No change of use or occupancy shall be made unless a new certificate of occupancy is issued. All TCOs have an expiration date. A TCO typically expires ninety (90) days after the date of issuance. When a TCO expires and is not renewed, it may be difficult or

impossible to buy insurance or sell or refinance the Unit. In New York City, it is common for sponsors to commence unit closings when one, some or all units are covered by a TCO rather than a FCO. The Sponsor anticipates this scenario may occur. Sponsor and its principals will undertake the responsibility for obtaining and extending each TCO received for the Building prior to expiration thereof and ultimately for obtaining a FCO covering the Building within two years from the date of the issuance of the first TCO for the Building. However, the Sponsor and its principals make no representation or guarantee that DOB will issue the FCO within such two-year periods. Furthermore, because Sponsor and the Condominium's By Laws may permit Unit Owners to undertake renovations to individual Units prior to the procurement of a FCO, such renovations may cause additional delays in the issuance of a FCO, including a delay beyond two (2) years from the date of issuance of the first TCO. NOTWITHSTANDING THE FOREGOING, SPONSOR AND ITS PRINCIPALS ARE OBLIGATED TO PROCURE THE FCO FOR THE BUILDING AND SHALL EXERCISE THEIR BEST EFFORTS TO OBTAIN THE SAME WITHIN SUCH TWO-YEAR PERIOD WHILE KEEPING THE TCO CURRENT. Unit Owners and the Board of Managers shall be obligated to cooperate with and refrain from obstructing the Sponsor in these undertakings. Purchasers are advised to visit the DOB website for further recommendations when purchasing a Unit without an FCO having been issued. A Factsheet on certificates of occupancy is available on the DOB website at: <https://www1.nyc.gov/site/buildings/business/certificate-of-occupancy.page> Additionally, Purchasers are advised that because open building permits for Unit Owner alterations may impact the ability to obtain the FCO, Sponsor or the Board may, in order to obtain the FCO or any other reason, impose temporary restrictions or prohibitions on Unit alterations by Unit Owners. See the section of this Plan entitled "Rights and Obligations of the Sponsor."

- 14 If the first Closing will take place prior to the issuance of an FCO, the Sponsor will maintain all deposits and funds in the Escrow Account described in the section of this Plan entitled "Procedure to Purchase," above, unless the Sponsor's architect or engineer certifies that a lesser amount will be reasonably necessary to complete the work needed to obtain the FCO. In such cases, the sum exceeding the amount so certified by the Sponsor's architect may be released from the Escrow Account and paid to the Sponsor. Alternatively, the Sponsor may deposit with the Escrow Agent an unconditional, irrevocable letter of credit, or post a surety bond, or provide other collateral, in all three cases in the amount so certified, acceptable to the Department of Law and disclosed in advance in an amendment to this Plan.
- 15 The Sponsor will assign to a Purchaser upon the Closing of a Unit any manufacturer's and/or subcontractor's warranty or bond relating to heating, electrical work, plumbing, equipment and appliances installed in the Unit. Such warranties or bonds, if any, with respect to Common Elements shall be assigned

to the Board of Managers. The Sponsor undertakes to do the above only to the extent that warranties or bonds are actually made by manufacturers and/or subcontractors and only to the extent such warranties are assignable. All prospective Purchasers are advised that warranties vary in length depending, in part, upon when appliances, equipment, finishes, materials or fixtures covered are first purchased or installed. The Sponsor makes no representation as to which, if any, of the warranties will continue to remain in force upon the Closing date of any particular Unit.

- 16 The Sponsor agrees to pay for all authorized and proper work involved in the Sponsor's construction of the Building, establishment of the Condominium to the extent provided in this Plan, and sale of the Units, and to cause all mechanics' liens with respect to such renovation and construction to be discharged or bonded.
- 17 The Sponsor agrees to keep copies of this Plan, the Exhibits and documents referred to in this Plan on file at its office or at the office of its attorney for six (6) years from the date of the first Closing. The Sponsor agrees to deliver a set of "as-built" plans to the Board of Managers.
- 18 No bond or other security has been furnished to secure any of the Sponsor's obligations, including Sponsor's obligations to complete any construction or renovation after Closing title to the first Unit.
- 19 The Sponsor agrees to repair damage resulting from exercise of the Sponsor's rights of access and to exercise such rights so as to limit, to the extent practicable, unnecessary interference with use of the Property by Unit Owners, without, however, incurring overtime for labor or other extraordinary charges.
- 20 During the period that the Sponsor controls the Board, the Sponsor has a fiduciary duty to and agrees that it will enforce its obligations under the Plan and as required by law. All the Sponsor's obligations pertaining to the Common Elements shall be enforceable only by the Board of Managers on behalf of the Unit Owners and not by the individual Unit Owners. However, nothing herein shall prevent an individual Unit Owner from bringing an action in his, her or its own capacity against the Sponsor if the Board of Managers has failed to take reasonable action to enforce such obligations within ninety (90) days after an individual Unit Owner gives the Board of Managers notice of a claim.
- 21 Before the first Unit Closing, all liens and mortgages affecting the Property shall be paid and satisfied or each mortgagee shall either: (a) consent to the formation of the Condominium and acknowledge that its lien will be limited to Unsold Units; (b) subordinate the lien of its mortgage to the Declaration; or (c) release its lien on the Unit being conveyed and its interest in the Common Elements.

- 22 The Sponsor will pay all contractors, subcontractors and materialmen and all others involved in the renovation and construction of the Condominium for work properly performed on behalf of the Sponsor and for fixtures, material and equipment properly supplied or installed in the renovation and construction of the Condominium on behalf of the Sponsor and will cause all mechanic's liens arising out of the renovation and construction of the Condominium on behalf of the Sponsor or the furnishing or installation of fixtures or equipment properly on behalf of the Sponsor to be discharged or bonded after the liens are filed.
- 23 In accordance with Section 339-p of the Condominium Act, a registered architect or licensed professional engineer shall certify within reasonable tolerances that the Floor Plans filed with the recording of the Declaration are an accurate copy of portions of the plans of the Building as filed with and approved by the municipal or other governmental subdivision having jurisdiction over the issuance of permits for the construction of buildings.
- 24 The Sponsor has the right to use Unsold Units or common spaces within the Building as a sales or construction office and/or model apartment until there are no Unsold Units. It is not expected that this would prevent any Unit Owner from using Common Elements for their intended purposes.
- 25 The Sponsor has the right to change prices set forth in Schedule A of this Offering Plan and subject to the provisions set forth in the Changes in Prices and Units section of this Plan.
- 26 The Sponsor reserves the right to rent or lease Units to Purchasers as described in the section of this Plan entitled "Interim Leases," above, and to rent or lease Unsold Residential and Parking Units at any time after consummation of this Plan to anyone it may choose without approval of the Board. Purchasers are advised to consult with their attorney regarding the condition of the Unit that was previously occupied by any person(s).
- 27 If the Building is occupied by tenants and/or Unit owners prior to issuance of the Final Certificate of Occupancy, a tenant protection plan will be distributed to each occupant who will be occupying any Unit during construction, in accordance with the New York City Building Code, Section 28-104.8.4.
- 28 Sponsor reserves the right to delay and waive the collection of Common Charges from Purchasers for a period of time prior to full occupancy of the Building (the "Waiver Period"). During the Waiver Period, Sponsor shall be solely responsible for the timely payment of, and will timely pay, all expenses to operate the Building based on the actual costs of operating the Building, including, without limitation,

insurance premiums and reserve fund payments, instead of on the estimates set forth in Schedule B. Such expenses, however, shall not include individual Unit Owner expenses such as, but not limited to, real estate taxes and utility charges consumed within the Units. Therefore, during the Waiver Period, Schedule B will not be in effect and the level of services to the Building described in the Notes to Schedule B will not be fully in effect. In all instances, however, including during the Waiver Period, Unit Owners will remain responsible for the payment of real estate taxes applicable to and utility charges consumed within their Units, regardless of whether the Units have been separately assessed. As the occupancy level of the Building increases, the Building's operating costs will increase, and Sponsor will terminate the Waiver Period upon thirty (30) days' prior written notice to Unit Owners, after which the Schedule B and all Building services disclosed in the Notes to Schedule B will be in effect and the collection and payment of Common Charges will commence. Upon commencement of collection of Common Charges, there will not be an assessment for any item in the approved budget for the Condominium. Regardless of the Waiver Period, Sponsor shall remain obligated to update the Condominium's budget as required by the Department of Law's governing regulations. If Sponsor elects to delay and waive the collection of Common Charges Sponsor will disclose the implementation of the Waiver Period in a closing notice to Purchasers and in the post closing amendment to this Plan, and will file a subsequent amendment to the Plan disclosing the expiration of the Waiver Period.

29. Article 36-B of the New York General Business Law (the Housing Merchant Implied Warranty Law) does not apply to this offering because the Building contains more than five stories. Sponsor makes no warranties, express or implied, in connection with this offering and all such warranties are excluded, except as expressly set forth in this Plan. Regardless of any limitations this Plan, Sponsor is obligated to construct the Building in accordance with all applicable codes, filed plans and specifications, and locally accepted building practices for items which are not covered by codes, and any conflict between the disclaimers and Sponsor's obligations to construct the Building in accordance with all applicable codes, filed plans and specifications shall be resolved in favor of the latter.

The obligations of the Sponsor hereunder shall be enforceable by the Board of Managers on behalf of Unit Owners. Except as expressly provided herein to the contrary, the obligations of the Sponsor shall be enforceable by individual Unit Owners only if either (i) the Board fails to take reasonable action to enforce such obligations within ninety (90) days following the giving of notice of a claim by a Unit Owner to the Board or (ii) the applicable statute of limitations with respect to any claim by a Unit Owner which would otherwise be enforceable by the Board will expire during the aforesaid ninety (90) day period (in either of which events the Unit Owner may bring an action in the nature of a derivative action against the Board of Managers). However, with regard to the Sponsor's obligations pertaining to the Common Elements, nothing herein shall

prevent an individual Unit Owner from bringing an action in his, her or its own capacity against the Sponsor after the aforesaid ninety (90) day period has expired and the Board of Managers has failed to take reasonable action to enforce such obligations within the aforesaid ninety (90) day period.

o Sponsor's Rights of Access; Alterations

- (a) Rights of Access. The Sponsor reserves to itself, its successors, assigns, designees, employees, agents and contractors, easements and rights of access in, and to, Units and Common Elements, consistent with the purposes of this Plan and the Sponsor's rights and obligations hereunder. Except in the case of emergencies, Sponsor shall provide a Unit Owner with reasonable notice of at least 48 hours prior to accessing a Unit. The rights of the Sponsor and its successors, assigns, designees, employees, agents and contractors include, among other rights:

- 1) Right of access in, and to, Units and Common Elements for purposes of construction, repair, refurbishment, correction, alterations, finishing, servicing (including but not limited to garbage collection) and similar work anywhere in the Building or at the Property;
- 2) Right to show vacant or leased Units; and
- 3) Right to create and use utility and other easements created for the benefit of Unit Owners and the Board of Managers.

If reasonable care, under the circumstances, is exercised to safeguard the Unit Owner's property, such entry shall not render the Sponsor or its authorized agents liable for any damage to the Unit or personalty, equipment, fixtures or furnishings contained therein.

- (b) Alterations. The Sponsor (and its successors, assigns, designees, employees, agents and contractors) have the right to alter any Unit or Common Element in accordance with this Plan and applicable Legal Requirements, subject to the rights of Purchasers under binding Purchase Agreements and to the terms contained in the "Changes in Prices and Units" section in Part I of this Plan and subject to disclosure of the same in an amendment to this Plan.
- (c) Repairs, Interference. Subject to Unit Owner's responsibility for improvements to Limited Common Elements, the Sponsor agrees to repair damage resulting from the exercise of the above rights of access and to

exercise such rights so as to limit, to the extent practicable, unnecessary interference with use of the Property by Unit Owners.

The obligations of the Sponsor set forth in this Plan and the Purchase Agreement together set forth the entire obligations of Sponsor and no others shall be implied. The Sponsor makes no representation or warranty as to the work, materials, appliances, equipment, or fixtures other than as set forth in this Plan. However, regardless of any limitations in this Plan, Sponsor is obligated to construct the Property in accordance with all applicable codes, filed plans and specifications, and locally accepted building practices for items that are not covered by codes. Any conflict between any disclaimers in this Plan and Sponsor's obligation to construct the Property in accordance with all applicable codes, filed plans and specifications shall be resolved in favor of the latter.

CONTROL BY THE SPONSOR

The affairs of the Condominium will be governed by the Board of Managers.

Under the By-Laws, as set forth in Part II of this Plan, until the first meeting of Unit Owners, the Board of Managers will consist of three (3) members designated by the Sponsor. Within ninety (90) days after the first Closing of title to a Unit, the Sponsor will call the first meeting of Unit Owners, at which meeting the Unit Owners shall elect three (3) members, subject to Sponsor's right to designate members. The Sponsor shall have the right to designate two members of the Board until the earlier of: (1) five (5) years after the Closing of the first Unit or (2) the time the Sponsor holds less than fifty percent (50%) of the Common Interests. A meeting will be held to elect new members of the Board within thirty (30) days of the termination of the Sponsor's special right to designate members of the Board. During the period in which the Sponsor may designate two members of the Board, Unit Owners, other than the Sponsor, will vote for the remaining Board member. After the period during which Sponsor may designate two members of the Board, all Unit Owners, including the Sponsor, may vote for all members of the Board, including members of the Board that are related or unrelated to the Sponsor.

After Sponsor's initial voting control period, there is no requirement that a majority of the Board of Managers be composed of owner-occupants or members of an owner-occupant's household who are unrelated to the Sponsor and its principals. Therefore, owner-occupants may never gain control of the Board of Managers, and owner-occupants and non-resident owners, including Sponsor, may have inherent conflicts on how the Condominium should be managed.

The number of members of the Board may not be increased without the consent of the Sponsor for so long as Sponsor owns one Unit. The Sponsor may not exercise veto power over expenses described in "Schedule B – Projected Budget for First Year of Condominium Operations," or over expenses required to comply with applicable laws or regulations, or to remedy any notice of violation, or to remedy any work order by an insurer. The Sponsor may exercise veto power over expenses other than those described in the preceding sentence until five

(5) years after the Closing of the first Unit or until the Unsold Units constitute less than twenty five (25%) percent of the Common Interest, whichever is sooner.

Because the Sponsor will hold Units as investments, it may have different priorities in operating the Building, such as regarding when and how much to invest in repairs, maintenance or capital improvements.

During the period that the Sponsor controls the Board, the Sponsor agrees that it has a fiduciary duty to and will enforce its obligations under the Plan and as required by law. The obligations of the Sponsor hereunder shall be enforceable by the Board of Managers on behalf of Unit Owners. Except as expressly provided herein to the contrary, the obligations of the Sponsor shall be enforceable by individual Unit Owners only if either (i) the Board fails to take reasonable action to enforce such obligations within ninety (90) days following the giving of notice of a claim by a Unit Owner to the Board or (ii) the applicable statute of limitations with respect to any claim by a Unit Owner which would otherwise be enforceable by the Board will expire during the aforesaid ninety (90) day period (in either of which events the Unit Owner may bring an action in the nature of a derivative action against the Board of Managers). However, with regard to the Sponsor's obligations pertaining to the Common Elements, nothing herein shall prevent an individual Unit Owner from bringing an action in his, her or its own capacity against the Sponsor after the aforesaid ninety (90) day period has expired and the Board of Managers has failed to take reasonable action to enforce such obligations within the aforesaid ninety (90) day period. Any provision that gives the Sponsor control over the enforcement of Sponsor's obligations hereunder are not lawful. Furthermore, if there are non-Sponsor members of the Board and there is a vote on whether to sue the Sponsor, the Sponsor's Board representative(s) cannot lawfully vote on that issue.

BOARD OF MANAGERS

The Board of Managers will be responsible for management and maintenance of the Condominium. It shall have the powers and duties necessary for the administration of the affairs of the Condominium and may perform any acts necessary therefor, consistent with the Declaration, By-Laws and applicable law. Such acts include: determination and collection of Common Charges and enforcement of the obligation of Unit Owners to pay Common Charges; employment and dismissal of personnel and a managing agent; providing for insurance as to Common Elements; and adoption of Rules and Regulations relating to use and operation of Condominium property. A detailed list of the powers and duties of the Board is contained in Article II, Section 2 of the By-Laws in Part II of this Plan.

Under the By-Laws, as set forth in Part II of this Plan, until the first meeting of Unit Owners, the Board of Managers will consist of three (3) members designated by the Sponsor. Within ninety (90) days after the first Closing of title to a Unit, the Sponsor will call the first meeting of Unit Owners, at which meeting the Unit Owners shall elect three (3) members. The

election of members of the Board of Managers shall be subject to the rights of the Sponsor described in the section of this Plan entitled “Control by the Sponsor,” above.

Except for members designated by the Sponsor, all members of the Board of Managers shall be Unit Owners, mortgagees of Units, partners or employees of a partnership owning a Unit or a mortgage covering a Unit, shareholders, officers, directors or employees of a corporate Unit Owner or corporate mortgagee of Units, fiduciaries or officers or employees of fiduciaries who are Owners or mortgagees of Units, or persons with similar authority over, or interest in, another entity owning or holding a mortgage on a Unit.

After Sponsor’s initial voting control period, there is no requirement that a majority of the Board of Managers be composed of owner-occupants or members of an owner-occupant’s household who are unrelated to the Sponsor and its principals.

The Board of Managers shall elect its officers.

Article II, Section 9 of the By-Laws provide for the calling of special meetings of the Board of Managers. Special meetings may be called by the President of the Board of Managers and shall be called by the President or the Secretary upon the written request of one member of the Board of Managers. Pursuant to Article III, Section 3 of the By-Laws, it shall be the duty of the President to call a special meeting if so directed by resolution of the Board of Managers or upon a petition signed and presented to the Secretary by Unit Owners holding twenty five (25%) percent of the Common Interest.

The initial Board of Managers will consist of three members designated by the Sponsor. The Sponsor anticipates that it will designate William Caleo, Eric Liftin and Colleen Monahan as the initial members of the Board of Managers. Eric Liftin and William Caleo are principals of the Sponsor. Colleen Monahan is employed by a company of one of Sponsor’s principals.

Article II, Section 14 of the By-Laws discusses indemnification of Board members and liability, and provides that the Unit Owners will severally indemnify the members of the Board of Managers against any claims except those arising out of bad faith or willful misconduct. The members of the Board of Managers may have personal liability for actions taken in bad faith or for willful misconduct. The members of the Board of Managers shall not be liable to the Unit Owners for any mistake or judgment or negligence or otherwise except for their own individual willful misconduct or bad faith.

All members of the Board of Managers shall serve without compensation.

The term of office of members of the Board of Managers shall be one (1) year. The second meeting of Unit Owners will occur on the first anniversary of the first meeting of the Unit Owners.

The By-Laws provide that at any regular or special meeting of Unit Owners, any one or more of the members of the Board of Managers, other than a member designated by the Sponsor or a Sponsor-affiliate (who may be removed by the Unit Owners at such a meeting only for cause) may be removed with or without cause by a majority of the Unit Owners and a successor may then and there or thereafter be elected to fill the vacancy thus created. Any member of the Board of Managers whose removal has been proposed by the Unit Owners shall be given an opportunity to be heard at the meeting. A member of the Board of Managers designated by the Sponsor or a Sponsor-affiliate may be removed by the Sponsor for any reason. If a member of the Board of Managers ceases to be a Unit Owner or Unit mortgagee (or a designee of an entity which owns a Unit or holds a mortgage on a Unit), unless such member is a designee of the Sponsor or a Sponsor-affiliate, he or she shall be deemed to have resigned effective as of the date such ownership or mortgage interest ceases. The provision for removal of members of the Board of Managers is contained in Article II, Section 5 of the By-Laws.

The voting rights of Unit Owners are described in Article III, Section 8 of the By-Laws. Specifically, each Unit Owner (as determined by the Board of Managers) or some person designated by a Unit Owner to act as proxy on his, her or its behalf and who need not be a Unit Owner shall be entitled to cast the votes appurtenant to such Unit at all meetings of Unit Owners. The designation of any such proxy shall be made in writing to the Secretary by the Unit Owner so designating. Any or all of such Unit Owners may be present at any meeting of the Unit Owners and (those constituting a group acting unanimously) may vote or take any other action as a Unit Owner either in person or by proxy. The total number of votes of all Unit Owners shall be one hundred and each Unit Owner (including the Sponsor or Sponsor-affiliates if the Sponsor or a Sponsor-affiliate shall then own or shall then hold title to one or more Units) shall be entitled to cast the number of votes at all meetings of the Unit Owners equal to his, her or its percent of interest in the Common Elements applicable to his, her or its Unit. A fiduciary shall be the voting party with respect to any Unit owned in a fiduciary capacity.

During the period that the Sponsor controls the Board, the Sponsor has a fiduciary duty to and agrees that it will enforce its obligations under the Plan and as required by law. The obligations of the Sponsor hereunder shall be enforceable by the Board of Managers on behalf of Unit Owners. Except as expressly provided herein to the contrary, the obligations of the Sponsor shall be enforceable by individual Unit Owners only if either (i) the Board fails to take reasonable action to enforce such obligations within ninety (90) days following the giving of notice of a claim by a Unit Owner to the Board or (ii) the applicable statute of limitations with respect to any claim by a Unit Owner which would otherwise be enforceable by the Board will expire during the aforesaid ninety (90) day period (in either of which events the Unit Owner may bring an action in the nature of a derivative action against the Board of Managers). However, with regard to the Sponsor's obligations pertaining to the Common Elements, nothing herein shall prevent an individual Unit Owner from bringing an action in his, her or its own capacity against the Sponsor after the aforesaid ninety (90) day period has expired and the Board of Managers has failed to take reasonable action to enforce such obligations within the aforesaid ninety (90) day period.

Amending the Declaration and the By-Laws

Except with respect to amendments required to implement the rights of owners of Unsold Units to make alterations to their Units, the Declaration may be amended with the approval of at least sixty-six and two-thirds percent (66 2/3%) in number and in Common Interest of all Unit Owners, in accordance with the provisions of the Declaration, provided, however, that the Common Interest appurtenant to each Unit as expressed in the Declaration shall not be altered without the consent of all Unit Owners affected.

The By-Laws may be amended with the approval of at least sixty-six and two-thirds percent (66 2/3 %) in number and in Common Interest of all the Unit Owners, as provided in Article X of By-Laws included in Part II of this Plan.

RIGHTS AND OBLIGATIONS OF UNIT OWNERS AND THE BOARD OF MANAGERS

Below is a summary of various provisions of the Declaration and By-Laws, as well as certain provisions of the Condominium Act, respecting rights and obligations of Unit Owners and the Board of Managers. This is intended as an illustrative summary only, and the Declaration, the By-Laws, and the Rules and Regulations should be carefully reviewed by potential Purchasers and their attorneys. They are fully set forth in Part II of this Plan. The terms of the Declaration, the By-Laws and the Rules and Regulations should not be deemed varied in any way by this section or any other provision of this Plan.

Compliance with the Terms of the Declaration, the By-Laws and the Rules and Regulations

Generally, Unit Owners must comply with the Declaration, the By-Laws and the Rules and Regulations of the Condominium and other requirements of the Condominium. Failure to comply may result in liability on the part of a Unit Owner. For example, in the event of default by any Unit Owner in paying Common Charges or any other money due to the Board of Managers, such Unit Owner shall be obligated to pay the maximum legal interest rate on such Common Charges and money from the due date thereof, together with all expenses, including attorney fees, incurred by the Board. Among its remedies, the Board may bring an action for foreclosure of the lien for Common Charges and other money due on the Unit with the potential result that the Unit would be sold and the amounts realized used to satisfy the Unit Owner's obligation to the Board of Managers.

In addition, the violation of any rule or regulation adopted by the Board of Managers, or the breach of any By-Law, or the breach of any provision of the Declaration shall give the Board the right, among other rights, (a) to enter the Unit which, or as to which, such violation or breach exists and to abate and remove, at the expense of the defaulting Unit Owner, any structure, thing or condition that may exist therein which presents the violation or breach; and/or (b) to enjoin,

abate or remedy by appropriate legal proceedings, either at law or in equity, the continuance of any such violation or breach; and/or (c) to seek compensation for damages caused by the violation or breach.

Local Law 147 (“LL 147”) was signed into law on August 28, 2017 and went into effect on August 28, 2018. Pursuant to LL 147, the Condominium must contain a written smoking policy for the Property that addresses smoking in Units, Common Elements and Limited Common Elements and that applies to all Unit Owners, occupants of the Units and persons on the Property.

In accordance with LL 147, the Condominium’s smoking policy, set forth as a Rule and Regulation of the Condominium and which shall be included in all Purchase Agreements and Interim Leases, is the following:

“Except as expressly permitted pursuant to this Rule and Regulation, smoking is not allowed in (a) any indoor Common Element or Limited Common Element, including, but not limited to, indoor corridors, rooms, hallways, stairs, stairways, storage areas and lobbies, and (b) in any outdoor Common Elements (other than Limited Common Elements), including, but not limited to, any common rooftops, patios, yards, parking areas, pool areas, porches and courtyards. Notwithstanding the foregoing, smoking is permitted inside of Units and in any outdoor Limited Common Elements appurtenant to a Unit, including, but not limited to, yards, terraces, decks and balconies appurtenant to a Unit. For purposes of this Rule and Regulation, (i) “smoking” shall mean inhaling, exhaling, burning or carrying any lighted or heated cigar, cigarette, electronic cigarette, little cigar, pipe, water pipe or hookah, herbal cigarette, non-tobacco smoking product (e.g., marijuana or non-tobacco shisha), or any similar form of lighted object or device designed for people to use to inhale smoke, and (ii) “electronic cigarette (e-cigarette) shall mean a device that heats a liquid, gel, herb or other substance and produces vapor for the user or people to inhale.”

The Condominium’s smoking policy is contained in the By Laws, Purchase Agreement and Interim Lease forms included in Part II of this Plan.

Sale or Lease of Unit by Unit Owners
Rights of First Refusal of Board of Managers

Each Unit Owner other than the Sponsor and other owner of an Unsold Unit has the right to sell or lease his, her or its Residential and/or Parking Unit (subject to the consent, if required, of his, her or its mortgagee, if any) provided the Board of Managers waives its right of first refusal. The selling Unit Owner must give the Board of Managers thirty (30) days prior written notice of terms of any bona fide sale or lease which he, she or it desires to make. The failure of the Board of Managers to act however, within the thirty (30) day period shall be deemed to constitute waiver of the Board’s right of first refusal. If the Board of Managers disapproves the transaction, it shall, within the thirty (30) day period, either (a) produce a purchaser or lessee who will purchase or

lease the Unit upon the same terms as stated in the Unit Owner's notice to the Board of Managers or (b) agree to purchase or lease the Unit on behalf of all other Unit Owners upon the same terms as stated in the Unit Owner's notice to the Board of Managers. The Board of Managers, however, may not purchase or lease a Unit without the approval of the Owners of Units constituting sixty-six and two-thirds percent (66 2/3%) of the Common Interest, excluding the Common Interest of the selling/leasing Unit Owner. If the Board of Managers does not have sufficient funds on hand for the acquisition and maintenance of a Unit which has been approved by the Unit Owners, the Board of Managers may either borrow such funds or assess the Unit Owners therefor in proportion to their respective Common Interests, excluding the Common Interest of the selling/leasing Unit Owner. If the Board of Managers does not either produce a purchaser or lessee for the Unit or agree to purchase or lease the Unit on behalf of all other Unit Owners as set forth above within the aforesaid thirty (30) day period, the Unit Owner shall have the right to consummate the sale or lease on the terms submitted to the Board of Managers. The rights of first refusal described above are governed by more specific terms set forth in the By-Laws.

There are no limitations on the price or rent that a Unit Owner may negotiate with a prospective purchaser or tenant.

Any lease of a Residential Unit shall be in the form recommended for apartments by the Real Estate Board of New York, Inc., except as otherwise provided in the By-Laws or as otherwise approved by the Board of Managers.

The restrictions upon the sale and lease of Units set forth in this section and the rights of the Board of Managers with respect thereto shall not apply to the Sponsor or other owner of Unsold Units, or to acquisition by an institutional mortgagee acquiring title in foreclosure or by deed in lieu of foreclosure; the Sponsor, an owner of an Unsold Unit and any such mortgagee shall be free to sell or lease without first notifying or obtaining the consent or waiver of the Board of Managers and not subject to any right of first refusal. The Board of Managers shall cooperate in providing appropriate physical access to any Unit being so sold or leased and related Common Elements, as well as all financial information regarding the Condominium and the Unit in question.

Units acquired or leased by the Board of Managers pursuant to the rights of first refusal described above may be sold, leased, mortgaged or otherwise dealt with in the discretion of the Board of Managers. Such Units may be used in any manner in compliance with the Legal Requirements. Such Units held by the Board of Managers shall not carry any voting rights. Proceeds of such disposition will be received by the Board of Managers on behalf of all Unit Owners in proportion to their respective Common Interest. See the subsection of this section of this Plan entitled "Units Acquired or Leased by Board of Managers," below.

The Board of Managers may not discriminate against any person on the basis of race, creed, color, national origin, sex, sexual orientation, age, disability, marital status or other ground prohibited by law.

Subject to the rights of the Board of Managers, Units may be sold or leased by a Unit Owner provided that he, she or it is not in arrears on payment of Common Charges and satisfies other liens against the Unit other than permitted mortgages.

Notwithstanding the rights of the Board of Managers described above, any Unit Owner who is a natural person may sell or lease his or her Unit to his or her spouse, domestic partner registered as such with the City of New York, adult child, parent, grandparent, parent-in-law or adult sibling, or may convey his or her Unit by gift, devise by will or have it pass by intestacy without complying with the restrictions described above, provided, however, that each succeeding Unit Owner shall be bound by, and his, her or its Unit shall be subject to, the restrictions described above and as more particularly set forth in the By-Laws. In addition, any Unit Owner that is not a natural person may sell, lease or convey its Unit to a controlled or related entity or person as more particularly set forth in the By-Laws.

Each conveyance of a Unit by a Unit Owner shall include, as part of the property to be conveyed, such Unit Owner's: Common Interest; undivided interest in any Unit or Units acquired by the Board from Unit Owners (or the proceeds received at a foreclosure or other judicial sale of a Unit); and undivided interest in any other assets of the Condominium. In addition, title to a Unit may not be conveyed unless all unpaid Common Charges and liens against such Unit (other than permitted mortgages) are paid and satisfied at, or prior to, Closing. At the time of acquisition of a Unit and as a condition thereof, the new Unit Owner shall be required to execute, acknowledge and deliver to the Board of Managers a Unit Owner's Power of Attorney in favor of the Board (and the Sponsor, if applicable), in the form set forth in Part II of this Plan or such other form as the Board of Managers may approve from time to time, in accordance with the Declaration. The new Unit Owner shall be responsible for having said Power of Attorney recorded and returned to the Board of Managers, and paying the fees therefor.

The Board of Managers may establish a reasonable fee for the processing of Unit sales and leases and notices relating to the Board of Manager's rights of first refusal. Such fee shall be payable by the selling or leasing Unit Owner, as the case may be, but not by the Sponsor or an owner of an Unsold Unit.

Further restrictions on, or conditions to, the sale or lease of Units may be made in the future, consistent with the Declaration, the By-Laws and applicable law.

Mortgaging of Units by Unit Owners

Each Unit Owner shall have the right to mortgage his, her or its Unit without restriction, provided that (a) any such mortgage shall be substantially in the form of a New York statutory form mortgage, except for such changes or addition as may be necessary in order to permit a particular bank, trust company, savings and loan association or other institutional lender to make the mortgage loan; (b) the Board is notified in writing in advance of the making of such mortgage

and is given a copy thereof promptly; and (c) the Unit Owner making such mortgage is not in arrears for Common Charges and first satisfies all other unpaid liens against his, her or its Unit, other than mortgages placed on his, her or its Unit in compliance with the By-Laws and cures any default under any such mortgage. The Sponsor or its designee, as the owner of Unsold Units, and any other owner of Unsold Units, shall have the right to mortgage the Unsold Units without any restriction or limitation except that the Board shall be notified in writing of the making of such mortgage and shall be given a copy thereof.

Common Charges and Assessments

Each Unit Owner shall have the obligation to pay Common Charges and assessments, proportionate to his, her or its Common Interest, for the operation and maintenance of the Property as determined by the Board of Managers. For the purpose of making such determination, the Board, pursuant to the By-Laws, is required to prepare from time to time (and at least annually) a budget of Common Expenses. Common Expenses include expenses for maintenance and operation of the Common Elements, such as those listed in "Budget for First Year of Condominium Operations, Schedule B," above, and other items enumerated in the By-Laws. The Common Expenses are multiplied by each Unit Owner's Common Interest to determine each Unit Owner's Common Charges. Common Charges (aside from adjustments made at Closing) will initially be billed monthly. For details see Article V, Section 1 of the By-Laws.

The Board shall have the right to charge any Unit Owner the difference in the cost of any higher insurance premium incurred by the Board if the use of such Unit Owner's Unit has caused such the higher premium.

The Board of Managers may increase Common Charges or collect assessments for the accumulation of reserves for capital expenditures, subject to provisions of applicable tax laws and subject to Sponsor's right, for a limited period, to withhold consent to such action.

No Unit Owner shall be liable for the payment of any part of the Common Charges or assessments assessed against his, her or its Unit subsequent to a sale, transfer or other conveyance of the Unit (with the appurtenant Common Interest) made in accordance with the Declaration and By-Laws.

Under the provisions of Section 339-z of the Condominium Act, the Board of Managers on behalf of the Unit Owners will have a lien on each Unit for unpaid Common Charges, together with the interest thereon. Such lien will be subordinate only to liens for real estate taxes on the Unit and to any sums unpaid on certain first mortgages of record thereon. Any lien for unpaid Common Charges against a Unit may be filed in the Office of the City Register, Borough of Brooklyn and shall be effective until all sums secured thereby with the interest thereon shall have been fully paid or until six (6) years from the date of filing (unless foreclosure of such lien is started within such six-year period), whichever may be earlier. The By-Laws also impose upon a Unit Owner a responsibility to pay the Condominium's attorney fees incurred in connection with

unpaid Common Charges and liens with respect thereto. A lien may be foreclosed by a suit brought in the name of the Board of Managers acting on behalf of the Unit Owners in like manner as the foreclosure of a mortgage on real property and/or an action may be brought by the Board of Managers to recover the unpaid Common Charges without foreclosing the lien. Upon the sale or conveyance of a Unit, unpaid Common Charges shall be paid out of the sales proceeds or by the seller, lessor, or transferor, as the case may be. Any seller, lessor or transferor or purchaser, lessee, or transferee, as the case may be, is entitled to a statement from the Board setting forth the accrued amount of unpaid Common Charges against the Unit as of the date of conveyance and such amount shall be the limit of liability of the seller, lessor or transferor or purchaser, lessee, or transferee, as the case may be, as well as the limit of the lien subject to which the Unit may be conveyed.

The Sponsor will cause the Board of Managers to file a lien as provided in Section 339-aa of the Condominium Act on Units in which the Sponsor is more than thirty (30) days in arrears of Common Charges while it is in control of the Board of Managers.

Under the provisions of section 339-kk of the Condominium Act, if a non-occupying Unit Owner rents his, her or its Residential Unit to a tenant and then fails to make payments due for Common Charges, assessments or late fees for such Unit within sixty (60) days of the expiration of any grace period after they are due, upon written notice by the Board of Managers to the non-occupying Unit Owner and tenant, all rental payments from the tenant shall be directed to the Board of Managers and made payable to the Condominium until such time as all payments for Common Charges, assessments or late fees are made current, at which time the Board of Managers shall provide written notice to the non-occupying Unit Owner and tenant within three (3) business days. Thereafter, all rental payments shall be directed and made payable to the non-occupying Unit Owner or his, her or its designated agent. A non-occupying Unit Owner who or that disputes the Condominium's claim to rental payments pursuant to section 339-kk of the Condominium Act shall be entitled to present facts supporting his, her or its position at the next scheduled meeting of the Board of Managers, which must be held within thirty (30) days of the date that the Board of Managers receives notice that the non-occupying Unit Owner seeks to dispute such claim. Payment by a tenant to the Condominium made pursuant to section 339-kk of the Condominium Act shall relieve that tenant from the obligation to pay such rent to the non-occupying Unit Owner and shall be an absolute defense in any non-payment proceeding commenced by the non-occupying Unit Owner against the tenant for such rent.

Pursuant to the By-Laws, the Board has the right to revise its projection of Common Expenses at any time and from time to time during any fiscal year of the Condominium. Any such revision may result in an increase or decrease in the amount of Common Charges payable by Unit Owners during such fiscal year. However, no such revision shall have a retroactive effect on the amount of Common Charges payable by Unit Owners prior to the date of such revision. So long as there are Unsold Units, the Sponsor shall disclose any such revisions to the Common Expenses in an amendment to this Plan.

Each Unit Owner shall comply with the By-Laws and any Rules and Regulations and pay Common Charges and assessments to the Board of Managers. In addition to the lien for Common Charges described above, the Board of Managers will have the right to take additional actions to abate and enjoin violations of the By-Laws and Rules and Regulations by Unit Owners, as provided, for example, in Article V, Section 8 of the By-Laws.

Repairs

All maintenance, repairs and replacements to the Common Elements, including Limited Common Elements and whether located inside or outside the Units, will be made by the Board of Managers and the cost thereof will be a Common Expense, except for repairs to Limited Common Elements that are expressly made the responsibility of the Unit Owner of the benefited Unit. All maintenance, repairs and replacements to the Units, whether structural or non-structural, ordinary or extraordinary, other than to the Common Elements contained therein, will be made by each respective Unit Owner at his, her or its expense and shall be completed within a reasonable period of time. All maintenance, repairs and replacements to the Common Elements of the Condominium, including Limited Common Elements and whether located inside or outside the Units, if necessitated by the negligence, misuse or neglect of a Unit Owner or an occupant of a Unit or a Unit Owner's employees, invitees, agents or contractors shall be made at the election of the Board of Managers either by the Board, at the expense of the Unit Owner, or by the Unit Owner.

Units 3C, 6A shall each have a terrace as a Limited Common Element, as shown on the Floor Plans. The owners of such Units and their successors and assigns shall be responsible for maintenance, repair and replacement of their terrace, including the terrace's surface, but the Board of Managers shall make any structural repairs to the terraces, including the railings, if any, that are required, except that in all events the Unit Owner shall be responsible for any maintenance, repair and replacement of any portion of their terrace if necessitated by damage caused by the Unit Owner or the Unit Owner's invitees, tenants, employees, agents or contractors. The Board of Managers and its agents, employees and contractors may have access to the terraces in order to inspect the Common Elements and for any action the Board of Managers is required or permitted to take. In the event Board repairs require removal or disruption of any elements of the terraces, it shall be the responsibility of the Board of Managers to replace such elements. The owners of such Units may not perform construction in their terraces unless the owners comply with all Legal Requirements and obtain the written approval of the Board of Managers.

Units 2A, 2B, 4B, 5C and 6B shall each have a balcony as a Limited Common Element, as shown on the Floor Plans. The owners of such Units and their successors and assigns shall be responsible for maintenance, repair and replacement of their balconies, including the balconies' surfaces, but the Board of Managers shall make any structural repairs to the balconies, including the railings, if any, that are required, except that in all events the Unit Owner shall be responsible for any maintenance, repair and replacement of any portion of the balconies if necessitated by damage caused by the Unit Owner or the Unit Owner's invitees, tenants, employees, agents or

contractors. The Board of Managers and its agents, employees and contractors may have access to the balconies in order to inspect the Common Elements and for any action the Board of Managers is required or permitted to take. In the event repairs by the Board of Managers require removal or disruption of any elements of the balconies, it shall be the responsibility of the Board of Managers to replace such elements. The owners of such Units may not perform construction in their balconies unless the owners comply with all Legal Requirements and obtain the written approval of the Board of Managers.

Each Residential Unit shall have as a Limited Common Element a storage area in the cellar, as shown on the Floor Plans. The owners of such Units may use their storage areas only in compliance with all Legal Requirements and shall be responsible for maintenance, repair and replacement of their storage areas. The Board of Managers and its agents, employees and contractors may have access to all storage areas in order to inspect the Common Elements and for any action the Board of Managers is required or permitted to take. In the event that any such Board action requires removal or disruption of all or any elements of the storage areas, it shall be the responsibility of the Board of Managers to replace such elements.

Each Residential Unit shall have as a Limited Common Element at least one condenser unit. The Unit Owners shall have the right to place, inspect, maintain, repair and replace their condenser and other condenser equipment serving their respective Units. A Unit Owner, and his, her or its agents and contractors shall have a right of access over and through any areas where the condenser units are located for such purposes. A Unit Owner shall be responsible for the maintenance, repair and replacement of the condenser and condenser equipment servicing his, her or its Unit (including equipment located outside the Unit and all piping and wiring associated with the Condenser), as required. The Board of Managers shall be responsible for maintenance, repair and replacement of all common areas, and all elements thereof, except that in all events a Unit Owner shall be responsible for the cost and expense of any maintenance, repair and replacement of any portion of common areas or elements thereof if necessitated by the negligence, misuse or neglect of a Unit Owner or an occupant of a Unit or a Unit Owner's employees, invitees, agents, guests or contractors. In the event any common areas or elements thereof require removal or disruption of any condenser unit or associated piping or wiring, or element thereof, it shall be the responsibility of the Board of Managers to replace or repair same. In any event, the Board of Managers and its agents, employees and contractors may have access to all common areas of the Building in order to inspect the Common Elements and for any action the Board of Managers is required or permitted to take.

Those public or other areas of the Building exposed to public view that are required to be maintained by a Unit Owner or the Board shall be kept by each in good appearance in conformity with the dignity and character of the Building as determined by the Board of Managers.

The Board of Managers shall have the right of access to any Unit and Limited Common Element upon prior reasonable notice of at least 48 hours, except in the case of emergencies, for the purposes of inspecting and making any repairs or replacements to any of the Common

Elements or to remedy any condition which would result in damage to any Unit or the Common Elements or which would violate the provisions of any mortgage covering another Unit or for the purpose of complying with, and determining the Unit Owner's compliance with, Legal Requirements. The Board's right of access shall be exercised so as not to unreasonably interfere with the use of the Units, but no prior notice shall be required in the event the Board of Managers shall determine that action is immediately necessary for the preservation or safety of the property of the Condominium or the Units or for the safety of Condominium residents or other persons or required to avoid the suspension of any necessary service to the Condominium.

Work in the nature of decorating, which does not involve any structural alterations or any electrical or plumbing work, may be done without a building permit. Most construction, such as a deck or gazebo, the addition of rooms or interior stairs, electrical work and alterations to plumbing, requires a permit from the Department of Buildings and is subject to the requirements of zoning. Certain roof structures and enclosure of a balcony or terrace, if permitted by the Declaration, the By-Laws and Board of Managers, and which may involve the addition of more enclosed space than is permitted by zoning or which are obstructions in required yards, cannot be built as-of-right and require a variance from the Board of Standards and Appeals. The application for a variance may be opposed by the Board of Managers, and for this reason, among others, may be denied.

Additions, Alterations and Improvements by Board of Managers

Additions, alterations, or improvements may be made by the Board of Managers without approval of Unit Owners, except that (a) no addition, alteration or improvement costing more than \$15,000 shall be made without the approval of the Sponsor and all other owners of Unsold Units as long as there are any Unsold Units (unless such addition, alteration or improvement is necessary in order to comply with Legal Requirements or is necessary to protect the Property from deterioration), and (b) no additions, alterations or improvements costing more than \$15,000 shall be made unless approved by sixty-six and two-thirds percent (66 2/3%) in number and in Common Interest of the Unit Owners, including the Sponsor or its designee. The Board of Managers shall proceed with duly authorized additions, alterations or improvements and shall assess each Unit Owner his, her or its proportionate share of the cost as part of the Common Expenses or as a special assessment, or shall pay for the addition, alteration or improvement from reserves accumulated for purposes of same or shall borrow funds to pay therefore as described below. Additions, alterations or improvements costing \$15,000 or less may be made by the Board of Managers without approval of Unit Owners and the cost thereof shall constitute part of the Common Expenses.

Whenever in the judgment of the Board of Managers, in connection with the operation, care, upkeep and maintenance of the Common Elements, money must be borrowed on behalf of the Condominium, no lien to secure repayment of any sum borrowed may be created on any Unit or its appurtenant interests or on the Common Elements without the consent of all of the Unit Owners. The Board of Managers may only borrow money on behalf of the Condominium when

required in connection with the payment, collection, and disbursement of funds, including reserves, to provide for major and minor maintenance, repairs, additions, improvements, replacements, working capital, bad debts and unpaid common expenses, depreciation, obsolescence and similar purposes, provided, however, that (i) such debt is incurred no earlier than the fifth anniversary of the first Closing of a Unit and (ii) the incurrence of such debt shall require the consent of majority of all Unit Owners in Common Interest and the Sponsor and any other owner of an Unsold Unit as long as there is an Unsold Unit. If any sum borrowed by the Board of Managers is not repaid by the Board, a Unit Owner who pays to the creditor the proportion of the loan equal to the proportion that the Unit Owner's Common Interest bears to the Common Interest of all Units shall be entitled to a release of any judgment or other lien which the creditor shall have filed or shall have the right to file against the Unit Owner's Unit.

Additions, Alterations and Improvements by Unit Owners

Except as provided below with respect to the Sponsor and Unsold Units, (a) no Unit Owner may make any structural addition, alteration or improvement in his, her or its Residential or Parking Unit without the prior written approval of the Board of Managers (and, if required, of his, her, or its mortgagee), and (b) no application or other document shall be filed with any governmental authority for a permit covering an addition, alteration or improvement to be made in a Unit unless approved and, if necessary, executed by the Board of Managers, without, however, incurring any liability on the part of the Board of Managers, or any of them, to any contractor, subcontractor, material supplier, architect or engineer, or other professional by reason of such addition, alteration or improvement or to any person having any claim for injury to any person or damage to property arising therefrom. The Board may, at its option, require the Unit Owner to execute an agreement satisfactory to the Board of Managers setting forth the terms and conditions under which such addition, alteration or improvement may be made.

The Sponsor (or its designee) shall have the right without the approval of the Board, the Selling Agent, if any, the Managing Agent, if any, other Unit Owners or holders of mortgages on Units (a) to make alterations, additions, improvements or repairs in, or to, any Unsold Unit, whether structural or non-structural, interior or exterior, and (b) to subdivide, to combine and to change the boundary walls of Unsold Units. At the request of the Sponsor, the Board of Managers will execute any application or other document required to be filed with any governmental authority having or asserting jurisdiction in connection with any structural addition, alteration or improvement, subdivision, continuation, or change made by the Sponsor or its designee to any Unit, provided, however, that the Board of Managers shall not be subjected to any expense or liability by virtue of the execution of the application or such other document.

Non-structural alterations and improvements to a Residential or Parking Unit that do not affect the exterior of the Building or the value of other Units may be made by a Unit Owner without the prior approval of the Board of Managers.

In the event that, with the approval of the Board of Managers, a Unit Owner, other than an owner of an Unsold Unit, wishes to construct, either structural or non-structural additions, alterations, improvements in or to his, her, or its Unit or the Limited Common Element associated with his, her or its Unit, the Board of Managers may regulate one or more of the aspects of construction including, without limitation, the following: (a) the time periods during which work is permitted; (b) the manner in which deliveries and construction debris will be handled; (c) the measures which must be taken to prevent compromising the security of the Building during construction; (d) the interruption of services during construction; (e) liability insurance for contractors during construction; and (f) such other matters as are necessary for the safety and continued enjoyment of the Building by all Unit Owners. The Board of Managers may, at its sole discretion, require that such terms be memorialized in a written agreement with the Unit Owner.

No Unit Owner, other than the Sponsor, may make any changes in, or to, the Common Elements without the prior written approval of the Board of Managers.

Insurance

The Board of Managers will obtain and maintain, to the extent obtainable: (a) fire insurance, with extended coverage, vandalism and malicious mischief endorsements normal for condominiums similar to the Condominium, insuring the Building, including all of the Units, partitions, floors and ceilings within the Units (but not including any equipment, any wall, ceiling or floor decorations or coverings, or furniture, furnishings, fixtures or other personal property within the Unit), together with all Building's service machinery, covering the interest of the Condominium, the Board of Managers and all Unit Owners and their mortgagees, as their interest may appear, in an amount equal to an agreed replacement value of the Building (exclusive of the cost of excavations and foundations) without deduction for depreciation; (b) water damage legal liability insurance; and (c) such other insurance as the Board of Managers may determine.

The amount of fire insurance to be maintained on the Building until the first meeting of the Board of Managers elected by the Unit Owners will be \$6,700,000.

The proceeds of all policies of physical damage insurance will be payable to the Board of Managers in accordance with the terms of the By-Laws, to be applied for the purpose of repairing, restoring or rebuilding the Building unless otherwise determined by the Unit Owners as described in the By-Laws. No portion of the insurance proceeds shall be applied to the payment of the mortgage indebtedness of any Unit Owner unless the Unit Owners determine not to repair, restore or rebuild the Building as set forth in Section 339-cc of the Condominium Act.

The Board of Managers will obtain policies of physical damage insurance which contain waivers of subrogation and of any defense based on co-insurance or of pro-rata reduction of liability or invalidity arising from any acts of the insured, and shall provide that such policies may not be canceled by the insurance carrier or substantially modified without at least ten (10) days' prior written notice to all of the insureds, including all mortgagees of Units. Duplicate original

certificates of all policies of physical damage insurance and of all renewals thereof, together with proof of payment of premiums, shall be delivered to all mortgagees, of whom the Board of Managers has notice and who have requested policies, at least ten (10) days prior to expiration of the then current policies and each Unit Owner shall receive a certificate of such insurance.

The Board of Managers shall also obtain to the extent obtainable for commercially reasonable premiums public liability insurance covering the Condominium and each member of the Board of Managers in such amount as the Board of Managers may deem proper and covering all claims for bodily injury or property damage arising out of any occurrence in the Common Elements or the Units, except that such policy will not cover liability of a Unit Owner arising from occurrences within his, her or its own Unit or due to the acts or omissions of Unit Owners, occupants of Units, or invitees, employees, agents or contractors of Unit Owners; and public liability insurance also shall cover cross-liability claims of one insured against another.

Until the first meeting of the Board of Managers elected by the Unit Owners the public liability insurance will be in a limit of \$2,000,000 in the aggregate or \$1,000,000 per occurrence, covering all claims for bodily injury and property damage with respect to any one occurrence. For details regarding initial insurance coverage see the footnote to "Budget for First Year of Condominium Operations, Schedule B," above.

The cost of all the insurance obtained by the Board of Managers, including that described in this section of this Plan shall be paid by the Board of Managers and shall constitute a Common Expense. The Board may charge a Unit Owner the cost of any increase in an insurance premium if due to any act, omission or activity of the Unit Owner, the occupants of the Unit or the Unit Owner's contractors, employees or invitees or if due to the condition of the Unit.

Unit Owners may carry other insurance at their own expense (covering items not included or included only to a limited extent in the policy of the Board of Managers), provided that such policies contain waivers of subrogation for the benefit of the Board of Managers and other Unit Owners and further provided that the liability of the carriers issuing insurance procured by the Board of Managers shall not be affected or diminished by reason of any Unit Owner's other insurance. Examples of items not included in the policy of the Board of Managers are fire and casualty losses to Unit contents, furnishings, replacements, additions, upgraded fixtures and improvements, as well as liability coverage for Unit Owners for occurrences within Units or due to the acts or omissions of Unit Owners, occupants of Units or invitees, employees, agents or contractors of Unit Owners. Insurance policies for such losses within a Unit are generally available. Unit Owners are strongly urged to consider the advisability of obtaining insurance to cover items not included in the policy of the Board of Managers.

Restrictions on Occupancy and Use

In order to provide for the congenial occupancy of the Building and Units and for the protection of the values of the Units, the By-Laws provide that the use of the Units shall be restricted to, and be in accordance with, the following provisions:

The Rules and Regulations provide that the Board of Managers may restrict or prohibit pets and that a subsequent prohibition would apply to all Unit Owners whether or not pets were previously permitted.

Purchasers should note the restrictions contained in the Rules and Regulations regarding television antennas and other objects visible from the exterior of the Building, the use of vestibules, and related matters. If air conditioners and similar objects are permitted to be inserted in windows of the Building, the Board of Managers may prescribe a uniform color for them. The Board of Managers may make such other aesthetic restrictions as it deems advisable.

As more fully set forth in the Declaration, By-Laws and the Rules and Regulations each Residential Unit shall be used only as a residence and for legally permitted uses accessory to residential use and for professional or business use of a permitted residential occupant, provided that such use is in accordance with Legal Requirements. As defined in the Rules and Regulations, a family includes domestic partners registered as such with The City of New York. In addition the Sponsor may, without obtaining the consent of the Board or the other Unit Owners: (a) allow Unsold Units to be used as a professional or business office or for any other purpose, provided that such use is permitted by law and does not violate Legal Requirements and (b) use Unsold Units as a model Unit and sales and/or promotion offices in connection with the sale or rental of the Unsold Units or for any other purpose, subject only to compliance with law. The current zoning law permits the use of up to five hundred (500) square feet, but no more than twenty-five percent (25%) of the Residential Unit, for a home occupation. The term "home occupation" is defined to include certain artistic, professional and teaching activities.

Except for the Neighbor Parking Unit, the Parking Units offered for sale may only be purchased by a Unit Owner or a Purchaser of a Unit and may only be used by Unit Owners or Unit occupants for the parking of motor vehicles and uses incidental thereto. The Sponsor intends to sell the Parking Units offered pursuant to this Plan and will endeavor in good faith to sell Parking Units rather than rent. The Sponsor, however, reserves the right, in its sole discretion, to decline an offer from a Unit Owner or a Purchaser of a Unit to purchase a Parking Unit, and to rent instead of to sell the Parking Units after consummation of this Plan (or before consummation of this Plan to Purchasers occupying their Units pursuant to Interim Leases). The Parking Units (other than the Neighbor Parking Unit) may be sold or leased by a Unit Owner separately from his Unit, but only to another Unit Owner (or, in the case of a lease, to another Unit occupant) and subject to a right of first refusal in favor of the Board of Managers. The Neighbor Parking Unit may not be sold or leased separately from the Neighbor Property. The Declaration provides that the sale or lease of any Units by the Sponsor or other owner(s) of Unsold Units is not subject to such right of first refusal.

A Unit owned or leased by an individual, corporation, partnership, fiduciary or other entity may be occupied only by said individual, or by a designated officer, director, stockholder or employee of such corporation, or by a designated partner or employee of such partnership or by said fiduciary (including designated officers, directors, stockholders or employees of corporate fiduciaries), or by the beneficiary of said fiduciary, or by a principal or designated employee of such other entity, respectively, or by members of the family or guests of any of the foregoing. Within thirty (30) days after a Unit is acquired by an owner other than an individual, such non-individual owner shall notify the Board of Managers of the name of the officer, director, stockholder, partner, employee, principal, fiduciary, or beneficiary designated by such owner to occupy its Unit. The person so designated may be changed from time to time by the non-individual owner by similar written notice to the Board of Managers. However, all designees must be bona fide officers, directors, stockholders, partners, employees, principals, fiduciaries or beneficiaries of the non-individual owner and, under no circumstances, may more than one family occupy a Unit at one time. All of the foregoing restrictions on occupancy shall not apply to Unsold Units.

The Rules and Regulations contain restrictions against illegal or offensive uses. Specifically, the Rules and Regulations provide that no noxious or offensive activity (including without limitation the production or release of offensive odors or excessive noise) shall be carried on by any Unit Owner in any Unit or in or on the Common Elements or Limited Common Elements, nor shall anything be done therein or thereon, either willfully or negligently, which may be or become an annoyance or nuisance to any other Unit Owner or occupant.

Self-Help

In the event that any Unit Owner fails to maintain or repair parts of the Property required to be maintained or repaired by such Unit Owner, or in the event of any breach of the Declaration, By-Laws or Rules and Regulations, then, as set forth in the By-Laws, the Board shall have certain rights to perform such maintenance or repairs or to cure such breach at such Unit Owner's expense.

Mechanic's Liens and Judgement Liens

Under the provisions of Section 339-l of the Condominium Act, no lien of any nature may arise or be created against the Common Elements except with the unanimous consent of all Unit Owners. Liens may arise or be created only against the several Units and their respective Common Interest. A lien for labor performed in, or materials supplied to, a Unit may be filed against the Unit of an Owner who has expressly requested or consented to the same, but in the case of emergency repairs the Owner shall be deemed to have consented thereto. No labor performed in, or materials furnished to, the Common Elements shall be the basis for a lien on the Common Elements, but all Common Charges received and to be received by the Board, and the right to receive such funds, shall constitute trust funds for the purpose of paying the such cost of labor performed or materials furnished at the express request of, or with the consent of, the Board

or the managing agent and same shall be expended first for such purpose before expending any part of same for any other purpose.

A lien resulting from a judgment for personal injury and/or property damage arising out of, taking place in, or caused by, the Common Elements may be filed against all the Units.

Easements

As specifically described in the Declaration, each Unit shall have, in common with all other Units: (a) an easement to use, maintain, repair, alter and replace all pipes, wires, flues, ducts, vents, cables, conduits, public utility lines, equipment and facilities and other Common Elements located in other Units or elsewhere on the Property and servicing such Unit; and (b) an easement for the continuance of any encroachment by such Unit on any other Unit or on any Common Elements existing, or that may come into existence, as a result of (i) the settling or shifting of the Building; (ii) any alteration or repair to the Common Elements made by, or with the consent of, the Board of Managers; or (iii) any repair or restoration of the Building (or any portion thereof) or of any Unit after damage by fire or other casualty or any taking by condemnation or eminent domain proceedings of all or any portion of any Unit or the Common Elements, so that any such encroachment may remain so long as the Building shall stand. Each Unit shall be subject to the aforesaid easements in favor of all other Units. In addition, each Unit shall have, and shall be subject to, easements of subjacent support and necessity in favor of such Unit or in favor of other Units and the Common Elements.

The Sponsor reserves the right, for itself and its designees (so long as the Sponsor or its designee owns a Unit), and for the Board of Managers to grant such additional electric, transformer, amplifier, gas, television, telephone, communications, sprinkler, fire protection, fire alarm, security, air conditioning, water, storm drainage, sewer or other utility easements or to relocate any existing utility easements as the Sponsor, any of its designees or the Board shall deem necessary or desirable for the proper operation and maintenance of the Building, or any portion thereof, or for the general health or welfare of the Unit Owners, provided that such additional utilities or the relocation of existing utilities will not prevent, or unreasonably interfere with, the use of the Units for their permitted purposes. Access to any Unit or to the Common Elements in furtherance of such additional or relocated easements shall be exercised in such a manner as shall not unreasonably interfere with the use of the affected Units for their permitted purposes.

The Sponsor and other owners of Unsold Units and prospective Purchasers and tenants of Unsold Units shall have an easement on and through the Common Elements for all purposes relating to the use, sale and rental of such Units, without being subject to any charge or fee. An owner of an Unsold Unit may use its Unit and the Common Elements (at any one or more places designated by the Sponsor) for sales, renting or display purposes, including placing "for sale" or "for rent" signs and other promotional items of such size and content as such owner shall determine. It is not expected that this would prevent any Unit Owner from using Common Elements for their intended purposes.

Termination

Once the Property has been subjected to the provisions of the Condominium Act, the Property shall not be withdrawn therefrom unless at least eighty percent (80%) of the Unit Owners in number and in Common Interest (and if required by the respective mortgages, their first mortgagees, if any, of such Units) agree to the withdrawal of the Property from the provisions in the Condominium Act. The Sponsor or its nominee will not cast any of its votes for withdrawal, unless eighty percent (80%) of the Unit Owners other than the Sponsor so vote, in which event the Sponsor will be free to cast its votes either for or against withdrawal.

Relative to termination of the Condominium by withdrawal from the provisions of the Condominium Act, Section 339-t of such law provides as follows:

If withdrawal of the Property from this article is authorized... then the Property shall be subject to an action for partition by any Unit Owner or lienor as if owned in common, in which event the net proceeds of sale shall be divided among all the Unit Owners in proportion to their respective Common Interests, provided, however, that no payment shall be made to any Unit Owner until there has first been paid off out of his share of such net proceeds all liens on his Unit. Such withdrawal of the Property from this article shall not bar the subsequent submission to the provisions of this article in accordance with the terms of this article.

Amendments of By-Laws

The By-Laws may be amended with the approval of at least sixty-six and two-thirds percent (66 2/3%) in number and in Common Interest of all Unit Owners. Consent of the Sponsor is required for certain changes in the By-Laws. See Article X of the By-Laws included in Part II of this Plan.

Units Acquired or Leased by Board of Managers

The Board of Managers, with the approval of owners of Units constituting sixty-six and two-thirds percent (66 2/3%) of the Common Interest, may purchase or lease a Unit from a Unit Owner desiring to sell or lease it, or at a foreclosure or other judicial sale. In the event the Board of Managers does not have sufficient funds on hand for the purchase or lease of a Unit which has been so approved by the Unit Owners, the Board of Managers either may borrow such funds or may assess the Unit Owners therefor in proportion to their respective Common Interest.

Any Unit acquired or leased by the Board of Managers or its designee shall be held on behalf of all Unit Owners in proportion to their respective Common Interest. The votes appurtenant to the Units so acquired may not be voted by the Board of Managers or its designee.

Power of Attorney in Favor of Board of Managers

Each Unit Owner, on the closing of title to his, her or its Unit, will be required to execute an instrument in the form set forth in Part II of this Plan or such other form as the Board of Managers may from time to time approve, irrevocably constituting the Board of Managers and its successors his, her or its attorneys-in-fact, coupled with an interest, for the purpose, among others, of selling, conveying, mortgaging, leasing or otherwise dealing with any Unit acquired by, or leasing any Unit leased by, the Board of Managers or its designee on behalf of all Unit Owners.

Severance of Ownership Prohibited

The Declaration and the By-Laws prohibit a Unit Owner from attempting to convey his, her or its Unit separate from its appurtenant interests, the intent of such provision being to prevent any severance of such combined ownership.

Unit Owners of Unsold Units

Each owner of an Unsold Unit shall have the rights and obligations with respect to his, her or its Unit that the Sponsor would have if the Sponsor owned the Unit, provided such owner of an Unsold Unit owns fifty percent (50%) or more of the total number of Units.

The foregoing sections of this Plan are not intended as a complete summary of the Declaration, the By-Laws and the Rules and Regulations or the Condominium Act, but only as reference to some of their important provisions. The Rules and Regulations, By-Laws, the Declaration and other important documents affecting the fundamental nature and operation of the Condominium are reproduced in Part II. Prospective purchasers and their attorneys are urged to review them carefully. In the case of inconsistency between the provisions of Part I of this Plan and the Declaration, the By-Laws or the Condominium Act, the provisions of the Declaration, the By-Laws and the Condominium Act shall govern.

REAL ESTATE TAXES AND TAXES ON THE CONDOMINIUM

As provided in Section 339-y of the Real Property Law and Section 581 of the New York Real Property Tax Law, each Unit and its Common Interest shall be deemed to be a separate tax parcel and shall be subject to separate assessment and taxation by each applicable assessing authority. Under law, the aggregate of the assessment of the Units and their appurtenant interests shall not exceed the total valuation of the Property were it assessed as a single parcel.

After the Units are separately assessed by The City of New York, each Unit will be taxed as a separate tax lot for real estate tax purposes. A Unit Owner will not be responsible for the payment of, nor will the Unit be subjected to, any lien arising from the non-payment of taxes on other Units.

It is possible that separate assessments for each Unit will not be obtained from the tax assessor's office prior to the Unit's Closing. In such event, each Unit Owner will pay to the Board of Managers as a part of Common Charges the proportion of taxes assessed against the Property equal to the Unit's Common Interest, apportioned at the time of the Closing of each Unit and thereafter promptly upon request therefor by the managing agent or the Board of Managers. At the election of the Board of Managers or the managing agent, payments for real estate taxes may be required to be made in advance in monthly installments.

After the Condominium is divided into individual tax lots, each Unit will be taxed as a separate tax lot for real estate tax purposes. A Unit Owner will not be responsible for, nor will the Unit be subject to, any lien arising from the non-payment of, taxes on other Units.

The opinion of the Sponsor's attorney, included in this Plan, describes circumstances under which real estate taxes may be deductible for income tax purposes. On December 22, 2017 the Tax Cuts and Jobs Act (the "2017 Act") was signed into law. The 2017 Act made changes to the Internal Revenue Code of 1986, as amended (the "Code") that are generally effective for individual taxpayers for the period January 1, 2018 through December 31, 2025, at which point the relevant Code provisions in effect prior to 2018 become effective again. The 2017 Act made changes to the pre-2018 Code provisions relating to tax and interest deduction for home ownership. In general, under the new Tax Cuts and Jobs Act, up to \$10,000 in real estate taxes paid on a Unit used as the taxpayer's primary residence and in state and local taxes paid to authorities may be deductible in the aggregate. Deductibility in other circumstances is discussed in the attorney's opinion. As a result of changes in real estate taxes, tax laws, assessed values and/or tax rates, the amount of income tax deductions with respect to real estate taxes will vary. See the section of this Plan entitled "Real Estate Taxes," below.

The opinion of the Sponsor's attorney included in this Plan also describes circumstances under which interest paid by a Unit Owner on his or her mortgage indebtedness may be deductible for income tax purposes. As a result of changes in interest rate on the Unit Owner's mortgage and allocation of constant debt service payments to interest and principal on the Unit Owner's mortgage, the amount of income tax deductions with respect to mortgage interest paid will vary.

The tax projections set forth on Schedule A include the projection of real estate taxes payable by each Unit Owner during the projected first year of Condominium operations, which include and are based on an assessment of the Building before construction is complete and, therefore, the taxes projected on Schedule A for the projected first year of Condominium operations may increase materially when the Building is reassessed after construction is complete. Therefore, Schedule A also contains projections for the second year of Condominium operations because it is the first tax year for which taxes are anticipated to be fully (rather than partially) assessed, resulting in significantly higher projected real estate taxes. The projections for both years are also described below.

It is estimated that construction of the Building will be substantially completed by July 1, 2022.

Upon completion of construction, the estimated taxable assessed value for the Building is \$2,225,500, with estimated applicable tax rates of 12.35% for the Residential Units and 10.85% for the Parking Units. The Department of Finance of the City of New York will allocate the assessed value among the Units. It is anticipated that the allocation will be based on each Unit's Common Interest but no warranty as to the method of allocation is made to any Purchaser or Unit Owner. Pursuant to Real Property Law Section 581, the assessed value of the Property must be determined without regard for whether the Property is owned on a condominium basis or not. The estimated real estate taxes for the Building for the first year of Condominium operations are \$11,626 for the Parking Units and \$207,314 for the Residential Units. Due to the date in January every year in which New York City conducts assessments and because the real estate tax year commences in July, not January, the estimated real estate taxes shown in Schedule A for the estimated first year of Condominium operations are not based on an assessment of a fully complete Building. The assessment for the fully completed Building will be done in January of 2023, during the first year of Condominium operations. The estimated real estate taxes for the Building for the second year of Condominium operations are \$14,448 for the Parking Units and \$258,358 for the Residential Units.

The Sponsor will not apply for real property tax benefits for the Building or the Residential or Parking Units. Purchasers should note that an owner of a Residential Unit used as such owner's primary residence may qualify for the Coop/Condo Property Tax Abatement, which would reduce the real estate taxes of such qualifying Unit. Each qualifying Unit Owner is responsible for applying for such abatement and the Sponsor cannot and will not make any such application. Effective July 1, 2022, only "qualified properties" will be eligible for the Coop/Condo Abatement. A "qualified property" is defined in Section 467-a of the New York Real Property Tax Law as (i) a property with an average unit assessed value of less than or equal to \$60,000, or (ii) a property with an average unit assessed value of more than \$60,000 and less than or equal to \$100,000 in a building with less than thirty (30) dwelling units, or (iii) a property in which all building service employees employed or to be employed at the property receive the applicable prevailing wage for the duration of the tax abatement. A service employee is defined as any person employed at a building for at least eight (8) hours per week for the building's care and maintenance, including, without limitation, porters, super intendants, janitors and gardeners. As disclosed in Schedule B and Note 2 to Schedule B of this Plan, the Sponsor is budgeting for one super intendent to be an independent contractor, not an employee of the Condominium, and who is expected to be at the Building an average of four (4) hours per week. Therefore, under the terms of this Plan and during the time that the Sponsor controls the Board of Managers, the Building would not qualify as a "qualified property" for purposes of the Coop/Condo Abatement, and Unit Owners would not be able to apply for such abatement. However, the Building could qualify as a "qualified property" in the future if a future Unit Owner-controlled Board of Managers hires employees covered under the service employee definition as long as all of the Condominium's service employees are paid the applicable prevailing wage for the duration of the tax abatement. The prevailing wage rates

are determined and published annually by the Office of the Comptroller of the City of New York. The prevailing wages existing on the date of this Plan can be found on this link: <file:///C:/Users/norst/Downloads/Comptroller%20prevailing%20wage%20schedule.pdf>. No representation is made as to the Building's or Units' eligibility to receive any such real property tax benefits.

Projected real estate taxes for the property were assigned to the Units based on Common Interests.

Real estate taxes for an individual Unit will increase in proportion to any increase in real estate taxes for the Condominium as a whole.

The foregoing estimate of real estate taxes and benefits is made based upon assumptions about taxation, abatement and exemption practices and policies of the City of New York made by The Mazursky Group, Inc., 42 Broadway, Suite 1744, New York, NY 10004. No assurance can be given that the practices and policies will be applied as assumed or that the practices and policies will not change. The Sponsor has relied on these letters in the projection of real estate taxes. No assurance can be given that the practices and policies will be applied as assumed or that the practices and policies will not change.

An estimate of the real estate taxes which will be due on the Property at the time of the creation of the Condominium and during the first year of Condominium operations and of relevant assessment and tax policies is included in notes to "Offering Prices and Related Information, Schedule A," above.

No tax certiorari proceedings challenging the Property's assessed value are pending. Article II, Section 2(t) of the By-Laws provide that the Board of Managers may act as an agent of each Unit Owner who has given his, her or its written authorization to complain or apply to the Board of Assessment Review of the assessing agency by filing a single complaint on behalf of all such Unit Owners pursuant to Section 512 of the Real Property Tax Law and to commence and prosecute a special proceeding for the review of assessment of real property as an aggrieved person pursuant to Section 704 of the Real Property Tax Law of the State of New York. The Board of Managers may retain legal counsel on behalf of all Unit Owners for which it is acting as agent and charge all such Unit Owner a pro rata share of expenses, disbursements and legal fees, for which charges the Board of Managers shall have a lien pursuant to Section 339 of the Condominium Act.

INCOME TAX DEDUCTIONS TO UNIT OWNERS AND TAX STATUS OF THE CONDOMINIUM

The Sponsor has been advised by its counsel that each Unit Owner who is a person may be entitled under present law to deduct from his or her gross income for federal, New York State

and New York City income tax purposes up to \$10,000 in the aggregate of the real estate taxes assessed against his or her Residential Unit and the state and local taxes and paid to the taxing authorities, as well as the amount paid by him or her on any mortgage indebtedness of \$750,000 or less in connection with the purchase of his or her Residential Unit if the Residential Unit is a household's primary residence.

In addition, the Sponsor has been advised by counsel that some Unit Owners, such as veterans of the United States armed forces, may be entitled to exemptions covering part of the real estate taxes otherwise assessed against their Units.

The Condominium is expected to be a taxable entity and will file tax returns. Certain condominiums that satisfy the requirements of Section 528 (c) (i) of the Code, however, may elect to be treated as "homeowners associations" for federal tax purposes. In order for the Condominium to qualify as a homeowners association, Section 528 would require, among other things, that substantially all of the Units in the Condominium be used by individuals for residences. The Treasury Regulations promulgated under Section 528 state that substantially all of the condominium units will be considered used by individuals for residences if at least eighty-five percent (85%) of the total square footage of all the units within the project is used by individuals for residential purposes. In addition, in order for the Condominium to qualify, at least sixty percent (60%) of the Condominium's gross income for the tax year must consist of membership dues, fees or assessments from Unit Owners and at least ninety percent (90%) of the Condominium's expenses for the tax year must consist of expenses to acquire, build, manage, maintain or care for the Property. The Sponsor has been advised by counsel that the Board of Managers will be eligible to elect, on an annual basis, tax-exempt status for the Condominium under Section 528.

A copy of the opinion of counsel concerning the deductibility of real estate taxes and interest on mortgage indebtedness for the purpose of determining taxable income appears below.

Neither the Sponsor nor counsel for the Sponsor makes any warranty or guaranty that the United States Internal Revenue Service or the New York State Department of Taxation and Finance or the New York City Department of Finance will allow the deductions described above, or any representation or warranty that the tax laws or the regulations or rulings issued thereunder, or any judicial interpretation thereof may not change so as to disallow the deductions in whole or in part. Neither the Sponsor nor counsel to the Sponsor shall be liable if, for any such reason, it is held that the Unit Owners are not entitled to such income tax deductions or to real estate tax benefits or other exemptions or abatements as aforesaid.

Re: 670 Union Street
Brooklyn, New York

I, JEROME MAZURSKY, CERTIFY:

THAT I am a real estate appraiser and have many years of experience in the assessment of real estate for tax purposes both as an Assessor in the Borough of Manhattan and as the Department of Finance's Assistant Commissioner of the Real Property Assessment Division;

THAT I have been retained by the sponsor, to estimate for inclusion in an Offering Plan to be submitted to the Attorney General, the assessed valuation of the above-captioned property after completion of construction of a 6-story and cellar, condominium;

THAT in estimating the assessed valuation of the property, I am aware of the construction costs, rental values and offering prices of the units;

THAT I have consulted with personnel in the Property Division of the Department of Finance regarding the current practice in assessing newly-constructed residential condominiums. Specifically, discussions centered around appropriate land and building factors and income projections for properties similar to the subject in type and location.

Page 1

I have discovered the following:

- 1) The subject property is located at 668-672 Union Street in the Gowanus section of the borough of Brooklyn. The sponsor is in the process of constructing a 6-story and cellar, elevator apartment house on the site. After completion of construction, the property will be declared a condominium and apportioned into fourteen (14) residential units and ten (10) parking units. Prior to construction, the site was improved with four two-family houses which have since been demolished.

The site has 66.68' frontage on the southerly side of Union Street and extends 100' in depth. It is rectangularly-shaped and contains 6,680 square feet of ground area. It was on the city tax records as Block 955 Lots 32, 33, 34 and 35, prior to the lots being merged into one lot, Lot 33, in tax year 2021/22. It is now known on the city tax records as Block 955 Lot 33.

- 2) After completion of construction, scheduled for April 2022, the units will contain the following square foot areas and uses:

<u>FLOORS</u>	<u>AREA</u>	<u>USE</u>
Cellar	4,595	Mechanical and Meter Rooms, 14 Storage Lockers
1	3,531	2-Studio Apartments, 10 Parking Units
2	5,231	2-3BR Apartments
3	4,399	1-1BR, 1-2BR, 1-3BR Apartments
4	4,336	2- 3BR Apartments
5	4,339	1-1BR, 1-2BR, 1-3BR Apartments
6	4,165	1-2BR, 1-3BR Apartments

- 3) The property is currently assessed in Tax Class 1B. After completion of construction, the residential units will be assessed in Tax Class 2 and the parking units will be assessed in Tax Class 4 under the classification system adopted by the State Legislature in its revision of the Real Property Tax Law (Section 305, Article 1802, and Section 581, applicable to the assessment of cooperative apartments and condominiums).

3) continued

Tax Class 2 is comprised of primarily residential rental, cooperatives and condominiums containing more than ten units. Tax Class 4 consists of most properties other than residential. The City's assessment ratio policy is to assess both tax classes at 45% of market value based upon value as an income-producing property. Increases to value are unlimited but, except for increases due to physical changes, are required to be phased-in over a five-year period. The taxable value is the lower of the actual or transitional values.

The 2021/22 Class 2 tax rate is \$12.235 and the Class 4 rate is \$10.755 per \$100. I estimate the tax rates for 2022/23 and 2023/24 at \$12.35 per \$100 for Class 2 and \$10.85 per \$100 for Class 4.

- 4) The recent history of assessed valuation of 668-672 Union Street is as follows:

<u>2021/22</u>	<u>Land</u>	<u>Total</u>
Actual:	\$ 101,040	\$ 101,040
Market Value:		\$1,684,000

<u>2022/23 TENTATIVE</u>	<u>Land</u>	<u>Total</u>
Actual:	\$ 116,220	\$ 116,220
Market Value:		\$1,937,000

- 5) The recently-released Tentative 2022/23 Assessed Value does not include a building value, which appears to be an error. We anticipate that the Final 2022/23 Assessed Value will be corrected and include a partial building value. It is my judgment that during and after completion of construction, the property will be assessed as follows:

<u>2022/23 FINAL</u>	<u>Land</u>	<u>Total</u>
Actual:	\$ 225,000	\$ 1,885,000 ¹
Transitional:	\$ 125,800	\$ 1,785,800
Market Value:		\$3,965,000

<u>2023/24</u>	<u>Land</u>	<u>Total</u>
Actual:	\$ 225,000	\$ 2,300,000
Transitional:	\$ 150,560	\$ 2,225,500
Market Value:		\$ 5,100,000

- 6) Using relative values as a rental building as the criterion, I have estimated that the residential units will be assessed at 94% and the parking units at 6% of the total assessed valuation. The first year of the operation of the condominium is scheduled to start on July 1, 2022, The estimated tax in the first year of operation will not be based on a full value because it reflects a partially-completed structure (see footnote 1).

In the first year of the operation of the condominium starting July 1, 2022 through June 30, 2023, the tax liability based on a partially-completed building is estimated at \$ 207,314 for the residential units and \$ 11,626 for the parking units. In the second year of operation beginning July 1, 2023 through June 30, 2024, the tax liability based on a completed building is estimated at \$ 258,358 for the residential units and \$ 14,488 for the parking units. The calculations are as follows:

ESTIMATED TAX IN FIRST YEAR OF OPERATION:

RESIDENTIAL UNITS

7/1/22 - 6/30/23

$$(\$ 1,785,800^1 \times .94^2) \times .1235^5 = \$ 207,314$$

PARKING UNITS

7/1/22 - 6/30/23

$$(\$ 1,785,800^1 \times .06^2) \times .1085^4 = \$ 11,626$$

ESTIMATED TAX IN SECOND YEAR OF OPERATION:

RESIDENTIAL UNITS

7/1/23 - 6/30/24

$$(\$ 2,225,500^3 \times .94^2) \times .1235^5 = 258,358$$

PARKING UNITS

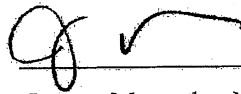

7/1/23 - 6/30/24

$$(\$ 2,225,500^3 \times .06^2) \times .1085^4 = 14,488$$

Each unit will be given a separate tax lot number. Individual tax liability for the residential units may be estimated by apportioning the total tax among the unit owners in accordance with their percentages of common interest, as indicated in the Offering Plan.

- 7) The co-op/condominium real estate tax abatement law has had a favorable effect on the real estate tax burden of residential co-op and condominium unit owners. The Legislature indicated its intention in passing this law was to address the disparity between the tax burden of one to three family homeowners and that of residential co-op and condominium unit owners. Effective July 1, 2022 only "qualified properties" will be eligible for the abatement. A "qualified property" is defined in Section 467-a of the RPTL as (i) a property with an average unit AV of less than or equal to \$60,000; or (ii) a property with an average unit assessed value of more than \$60,000 and less than or equal to \$100,000, and less than 30 dwelling units; or (iii) a property in which all building service employees employed or to be employed at the property receive the applicable prevailing wage for the duration of the tax abatement. We believe this could be a "qualified property" as long as all of its building service employees are paid the applicable prevailing wage. If a property qualifies and the abatement is granted, the law may allow up to a 17.5% abatement of the real estate tax bill of a unit owner for whom the unit is his or her primary residence on the city's taxable status date of January 5, 2023. Excluded from receiving the abatement benefits are co-ops and condominiums that receive tax exemption benefits.
- 8) This estimate of the assessed valuation has been prepared for inclusion in the Offering Plan, and I consent to its use for this purpose. Although the aforesaid estimate of the Actual Assessed Valuation is a good-faith estimate, it is not possible to estimate same with any degree of certainty. Assessed valuations, when actually made, may be lesser or greater based on our interpretation of the administrative code and the applicable rules and regulations of the City of New York. Although I believe my opinions are well-founded, they are not intended, and should not be construed as warranties as to future assessed valuations of the property under discussion.

In no event will this firm be liable if the assessed valuation, when actually made, is lesser or greater than that estimated above, or if the administrative code and the applicable rules and regulations of the City of New York are changed in the future, or if the facts as represented prove to be untrue.

Re: Condominium Offering Plan
670 Union Street Condominium
670 Union Street, Brooklyn, New York

Gentlemen and Ladies:

You have requested our opinion concerning the deductibility for federal, New York State, and New York City income tax purposes of mortgage interest and real estate taxes paid by individual residents of New York who purchase residential Units (“Residential Units”) offered pursuant to the referenced Offering Plan (the “Plan”). You have also requested our opinion concerning whether the allocation of the Common Interest for each Unit of the Condominium complies with Section 339-i of the Real Property Law.

In addition, you have requested us to provide a general description of the federal income tax treatment to 670 Union Street Condominium (the “Condominium”) of assessments payable by unit owners to meet common expenses of the Condominium (“Common Charges”).

In this connection, we have reviewed the Plan (including the exhibits thereto) and relevant sections of the Internal Revenue Code of 1986, as amended, including the Tax Cuts and Jobs Act (the “Code”), the New York State Tax Law (the “State Tax Law”), the New York City Administrative Code (the “City Code”), the Regulations promulgated under the foregoing laws and such other material as we deemed relevant.

The opinions expressed herein are based upon the assumptions that (1) the Plan becomes effective and is consummated in accordance with its terms, (2) condominium ownership of the Residential Units located in the Condominium is established under applicable law and (3) the legal consequences of the Plan are as described therein. Except where otherwise indicated, the terms used in this opinion have the same meaning as in the Plan.

The Plan provides for the establishment of condominium ownership of the land and building and appurtenances thereto, comprising the Condominium, situated at 670 Union Street,

Brooklyn, New York. The Condominium will be comprised of fourteen (14) “Residential Units” and ten (10) “Parking Units” and the common elements (“Common Elements”). This opinion addresses the tax consequences that would result from the ownership of a Residential Unit by an individual taxpayer for use as his or her own primary or secondary residence. It does not address the tax consequences of ownership of Residential Units by corporations, other entities or foreign persons.

I. Deductibility of Mortgage Interest and Real Estate Taxes.

We understand that each Residential Unit Owner will hold title to his or her Residential Unit and an undivided interest in the Common Elements in fee simple and that each Residential Unit Owner may individually place a mortgage on his or her Residential Unit incurring direct liability for the interest or finance charges attributable thereto. Under New York State law, each Residential Unit and its interest in the Common Elements will be taxed as a separate parcel for real estate tax purposes (Section 339-y, N.Y. Real Property Law). Under the new Tax Cuts and Jobs Act, the owner of a residential condominium unit may deduct interest paid on his or her mortgage indebtedness on a mortgage of \$750,000 or less, as well as up to \$10,000 in the aggregate of the real estate taxes assessed and paid on his or her interest in the property and the state and local taxes paid to the taxing authorities.

Based on the foregoing, it is our opinion that each individual taxpayer will be entitled under current law to deduct from his or her gross income, subject to limitations on deductions as set forth in the Code, for federal, New York State and New York City income tax purposes, up to \$10,000 in the aggregate of real estate taxes assessed against his or her Residential Unit and state and local taxes and paid to the local authorities. However, no deduction for real estate taxes is permitted for purposes of the federal alternative minimum tax. Residential Unit Owners should consult their tax advisers regarding the applicability of the overall limitation on deductions to the deductibility of real estate taxes, and the effect of the alternative minimum tax.

A taxpayer generally is entitled to a deduction for federal income tax purposes for interest paid during the taxable year on “acquisition indebtedness” with respect to a “qualified residence” of the taxpayer. A “qualified residence” means the principal residence of the taxpayer and one other residence of the taxpayer selected by the taxpayer for the taxable year. “Acquisition indebtedness” means any indebtedness which is secured by any qualified residence of the taxpayer and which is incurred in acquiring, constructing or substantially improving the qualified residence (or which constitutes a refinancing thereof, to the extent that such indebtedness does not exceed the amount of the refinanced debt). The aggregate amount treated as acquisition indebtedness for any period cannot exceed \$750,000 (\$375,000 in the case of a married individual filing a separate return). Accordingly, an owner of a Residential Unit who itemizes deductions and who uses such Unit as a qualified residence will be entitled, under current law, to deduct from his or her gross income, subject to an overall limitation on deductions as set forth in the Code, for federal income tax purposes, interest paid by him or her on acquisition indebtedness incurred with respect to such Unit to the extent that such indebtedness, when added to the amount of acquisition indebtedness

incurred with the respect to a second qualified residence (if any), does not exceed \$750,000 (\$375,000 in the case of a married individual filing a separate return). Since the rules and limitations regarding deductibility of home mortgage interest are complex, purchasers are urged to consult their tax advisers regarding the application of such rules to them, as well as regarding the deductibility of interest with respect to their Residential Units for alternative minimum tax purposes (which at present is subject to rules different from those described above for regular tax purposes). In addition, owners of Residential Units should consult their tax advisers regarding potential limitations on the deductibility of points and prepaid interest, if any, on their mortgage loans and on the overall limitation on the allowance of itemized deductions.

Each owner of a Residential Unit who uses such Unit as a residence will generally be entitled to the same deduction for interest and real estate taxes paid or accrued with respect to such Unit for New York State and New York City income tax purposes as is allowed for federal (regular) income tax purposes. However, although the overall deductions limitation set forth in the Code does not apply, under New York State and New York City income tax law, itemized deductions, such as interest and real estate tax deductions, are subject to reduction by as much as 50% in the case of individuals having income exceeding certain prescribed levels. Furthermore, purchasers should consult their tax advisers to determine the application, if any, of the New York State and New York City minimum tax to the deduction for interest and real estate taxes with respect to their Units.

II. General Description of the Tax Status of the Condominium.

The following discussion is a general description of the federal income tax treatment of the Condominium under present law. It is for informational purposes only and we express no opinion with respect to the method of taxation of the Condominium.

We have reviewed various documents included as exhibits in the Plan relating to the organization of the Board of Managers of the Condominium, including the Declaration of Condominium and By-Laws of the Condominium.

Under the Plan, the Board will, from time to time, assess Common Charges against the Unit Owners generally in proportion to their respective Common Interest in order to pay the costs and expenses of operating, repairing and maintaining the Common Elements.

The Internal Revenue Service may assert that a condominium association such as the Condominium should be treated for federal tax purposes as a separate taxable entity apart from the Unit Owners. In such case the Service may assert that the Condominium is taxable as a corporation and that the assessments paid by the Unit Owners must be treated as income to the Condominium.

Certain condominiums that satisfy the requirements of Section 528 (c) (i) of the Code may elect to be treated as “homeowners associations” for federal tax purposes. In order for the

Condominium to qualify as a homeowners association, Section 528 would require, among other things, that substantially all of the Units in the Condominium be used by individuals for residences. The Treasury Regulations promulgated under Section 528 state that substantially all of the condominium units will be considered used by individuals for residences if at least eighty-five percent (85%) of the total square footage of all the units within the project is used by individuals for residential purposes. In addition, in order for the Condominium to qualify, at least sixty percent (60%) of the Condominium's gross income for the tax year must consist of membership dues, fees or assessments from Unit Owners and at least ninety percent (90%) of the Condominium's expenses for the tax year must consist of expenses to acquire, build, manage, maintain or care for the Property. An analysis of the finances of the Condominium would be necessary to determine if it is desirable to elect to be treated as a "home-owners association."

You have advised us that at least 85% of the Building's total square footage will be used by individuals for residential purposes and that no person may rent his Residential Unit for a period of less than thirty (30) days. Accordingly, the "substantially all" test should initially be met.

Our review of the documents referred to above indicates that the Board of Managers meets the organizational tests described above for qualification for exemption. Assuming the Plan is consummated in accordance with its provisions and the Board of Managers, in its actual operation, meets the other tests set forth above, it is our opinion that the Board of Managers will be eligible to elect, on an annual basis, tax-exempt status under Section 528. If such exempt status is properly elected, it is our opinion that the Condominium will not be subject to federal income tax for the taxable years in which such election is in effect, except as noted in the following paragraph.

An effective election will exempt from federal income taxation all amounts received by the Condominium as exempt function income. This consists of amounts received as membership dues, fees, or assessments from owners of Residential Units. However, the Condominium will be subject to tax on income that is not exempt function income to the extent that such income exceeds expenses properly allocable to such income. Examples of the latter include interest earned on reserve funds, amounts received from persons who are not members of the Condominium, amounts received from work done on privately owned property that is not Condominium property and amounts received from Condominium members for special use of the Condominium's facilities, the use of which is not available to all members as a result of having paid the dues, fees or assessments required to be paid by all members.

In the event that the Condominium does not qualify for, or chooses not to make, the election under Code Section 528, the present state of the law is uncertain as to the proper reporting and tax treatment of the income of the Condominium derived from Unit Owners ("membership income") and others ("nonmembership income") in excess of appropriate deductions and credits. It is possible that the Condominium could be viewed as an agent or conduit for Unit Owners, in which case each Unit Owner would be required to report his or her proportionate share of nonmembership and possibly membership income (and deductions attributable thereto) directly

on his or her own tax return. Alternatively, the Internal Revenue Service may take the position that the Condominium should be treated as a separate entity taxable as a corporation. If the Condominium is so treated, it would be subject to tax on its taxable income. In determining its taxable income, the Condominium's deductions attributable to furnishing services to Unit Owners may be limited to its membership income. Certain earnings and profits expended for the benefit of Unit Owners, and possibly rebates, if any, to Unit Owners of excess membership dues, fees or assessments may be treated as dividends to them. In addition, the Condominium would be subject to New York City and New York State franchise taxes.

We express no opinion concerning (a) any federal, New York State, or New York City tax consequences not explicitly discussed in this opinion, (b) any other aspects of the Plan other than those consequences and aspects explicitly discussed in this opinion, or (c) the tax status and tax consequences of the Plan under the laws of any other local or foreign jurisdiction. Except as explicitly provided, this opinion does not address (i) tax consequences which may result with respect to any Units held in connection with a trade or business, or any Units held for purposes of investment or for the production of income, or (ii) tax consequences which may result to a foreign Unit Owner by reason of his or her foreign status. This opinion also does not discuss the tax consequences which may arise if Units or Common Elements are acquired and/or leased by the Board or the issue of whether a Residential Unit Owner may be deemed to be a resident of the United States, New York State, or New York City as a result of the ownership of a Residential Unit and the attendant income, estate or other tax consequences. We therefore advise each person contemplating the purchase of a Unit to consult his or her own tax adviser concerning all such tax matters as well as with respect to the matters discussed in this opinion.

It should be noted that this opinion is based solely on the facts and documents referred to above and is not binding on the Internal Revenue Service, the New York State Department of Taxation and Finance, or the New York City Department of Finance. Moreover, the federal, New York State and New York City tax laws and regulations and the rulings and decisions thereunder may change, possibly with retroactive effect, and thereby affect the opinions stated above in whole or in part. We undertake no obligation to update, modify or supplement this opinion in the event of any such change in applicable law, although we have advised you that you are obligated to do so.

This opinion is not a guarantee; it is based on existing rules of law applied to the facts and documents referred to above. No assurances can be given that the tax laws upon which counsel base this opinion will not change. In no event will the sponsor, the sponsor's counsel, the board of managers of the condominium, the selling agent, if any, or any other person be liable if there are changes in the facts on which counsel relied in issuing this opinion or if there are changes in the applicable statutes, regulations, decisional law or Internal Revenue Service rulings on which counsel relied which cause the condominium to cease to meet the requirements of Section 528 of the Internal Revenue Code of 1986, as amended or the New York State tax law, as amended and unit owners not to be entitled to income tax deductions (or which cause unit owners not to be or to cease to be entitled to the benefits or the level or duration of benefits described above).

III. Compliance with Real Property Law Section 339-i

We understand that, pursuant to Section 339-i (1)(iv) of the Real Property Law, a Unit's percentage of Common Interest is calculated based on a Unit's floor space subject to the location of such space and additional factors of relative value to other space in the Condominium, the uniqueness of the Unit, the availability of Common Elements for exclusive or shared used, and the overall dimensions of the particular Unit. Based on the factual determinations made by the licensed real estate broker who provided the 339-i compliance letter included in this Plan, it is our opinion that the allocation of the Common Interest for each Unit of the Condominium complies with Section 339-i of the Real Property Law.

Very truly yours,

RESERVE FUND

The Sponsor has budgeted for a yearly contribution to a reserve fund, as set forth in Schedule B. It is anticipated, but not guaranteed, that the budgeted yearly reserve fund will be sufficient to pay for major capital repairs or replacement items that may be needed within the first five years of Condominium operations. However, no warranty or representation as to the need for, or timing of, future capital improvements is made to Unit Owners or the Board of Managers.

Article V, Section 1 of the By Laws authorizes Common Expenses to include a reserve fund.

While Sponsor controls the Board of Managers, the reserve fund will not be used to reduce Common Charges.

Neither the Department of Law nor any other government agency has passed on the adequacy of the reserve fund.

The Board of Managers may augment the reserve fund by allocations from the monthly Common Charges or by special assessments. Capital expenditures may also be financed by borrowing money pursuant to the provisions therefor in the By Laws.

WORKING CAPITAL FUND AND CLOSING ADJUSTMENTS WITH THE CONDOMINIUM BOARD

Working Capital Fund

A Purchaser shall contribute three months' Common Charges at the time of Closing on his, her or its Unit.

The Sponsor will not contribute to the working capital fund for the Units held as Unsold Units.

The working capital fund may be held or used for working capital, to make repairs or for such other appropriate purposes permitted under the By-Laws as will be determined by the Board, in its sole discretion. For so long as the Sponsor is in control of the Board, the working capital fund will not be used to reduce Common Charges.

No representation is made that the working capital fund will be, or is intended to be, adequate to cover expenses for the first or any subsequent year of Condominium operations, including, without limitation, the cost of any necessary repairs or replacements. If additional funds are required over and above the working capital fund, it may be necessary to increase the Common Charges or to assess Unit Owners. The Board of Managers may choose to establish a

reserve fund for capital expenditures. None is currently provided. Neither the Department of Law nor any other governmental agency has passed upon the adequacy of the working capital fund.

Closing Adjustments with the Condominium Board

Immediately prior to the first Unit Closing or as soon thereafter as necessary information is available, the Sponsor shall apportion the following items with the Board of Managers as of midnight of the day immediately preceding such Closing:

- o charges for electricity for the Common Elements;
- o water charges and sewer rents on the basis of the fiscal or calendar year for which assessed;
- o vault charges, if any;
- o any prepaid service contract fees or premiums on transferable insurance policies;
- o salaries, wages and benefits for any employees of the Sponsor who will become employees of the Board of Managers;
- o cost of fuel, if any;
- o cost of unopened packages of Building's supplies plus sales tax; and
- o the costs of any renewable permits, licenses, authorization and inspection fees which cover a period running from prior to, to after, such Closing; and
- o any other customary closing adjustments.

If the result of the closing adjustments is a net credit in favor of the Condominium, the Sponsor shall make a contribution to the working capital fund in the amount of such net credit. If, however, the result of the closing adjustments is a net credit in favor of the Sponsor, same will be paid to the Sponsor by the Board in twelve (12) equal consecutive monthly installments pursuant to the terms of twelve (12) negotiable serial promissory notes to be executed by the Board at the first Closing. The first of these serial promissory notes will mature two (2) months after the date upon which the first Closing takes place and the balance will mature monthly thereafter. Each serial promissory note will contain a provision allowing the Sponsor to accelerate the note's maturity date in the event of a default under any other serial promissory note, in which case interest shall be due and payable on the compound sum of the lesser of 16% per annum or the highest rate permitted by law, such interest to accrue from the date payment was initially due until payment of said sum plus all such interest is made in full.. The Board of Managers will be entitled to prepay each serial promissory note, in full only, at any time and without penalty.

Payments of the serial promissory notes may be withdrawn from the Working Capital Fund. In the event the Working Capital Fund is insufficient to fully pay off the serial promissory notes, payment of the balance of the same shall be a Common Expense that will increase the Common Charges.

The Sponsor will disclose any such closing adjustments made as of and in the post-closing amendment to this Plan.

The Sponsor makes no guarantee or representation of any minimum working capital fund after adjustments, if any, are made with the Condominium.

The Board is obligated to reimburse the Managing Agent for all expenses it incurs in the course of its duties and to indemnify the Managing Agent for all acts properly performed by it pursuant to the management agreement.

If the Excess Floor Area is used on adjoining properties, it may result in the vertical or horizontal expansion of such adjoining properties and, therefore, it may alter the views from and light into the Building. The Sponsor will not use the Excess Floor Area to expand the Building. Solely the Sponsor, and not the Board of Managers or any of the Unit Owners, has any interest in the Excess Floor Area or any proceeds from the transfer or sale or use thereof. Therefore, unless development rights are separately acquired on behalf of the Condominium or a Unit Owner, any future expansion of the Building by the Board of Managers or of a Unit by a Unit Owner as may otherwise be permitted pursuant to applicable Legal Requirements may not be possible or may be limited. The power of attorney granted to the Sponsor or its designee in this paragraph is irrevocable and coupled with an interest.

Statements of Seller and Purchaser

1. Statement of Seller: 668-670 Union ST LLC, with an address of 80 4th Street, Brooklyn, New York 11231 ("Seller" or "Sponsor") has promulgated a Plan (the "Plan") of Condominium Ownership of 670 Union Street Condominium pursuant to which the land with appurtenances and the units (the "Units") located at 670 Union Street, Brooklyn, New York (the "Property") will be declared to be a condominium under the provisions of Article 9-B of the Real Property Law of the State of New York on the terms and conditions more particularly set forth in the Plan.

2. Statement of Purchaser: Purchaser acknowledges as follows: At least three (3) days prior to the execution of this Purchase Agreement, Purchaser has received a copy of the Plan (which includes the Declaration to be made by Seller and to be recorded in the Office of the City Register, Borough of Brooklyn, the Schedules, By-Laws and Rules and Regulations attached thereto, all of which are incorporated herein by reference and made part of this Agreement with the same force and effect as if fully set forth herein), including any amendments to the Plan filed with the New York State Department of Law.

Purchaser acknowledges having had a full opportunity to examine the Plan and all amendments thereto for at least three (3) business days prior to signing this Agreement and to

investigate all statements therein, to examine all documents referred to herein, to investigate all statements made herein, and to consult such experts as Purchaser feels are appropriate.

Purchaser has been given an opportunity to examine the architectural plans and specifications for the above-numbered Unit and for the building in which it is located ("the Building").

Purchaser is desirous of purchasing the above-numbered Unit, as designated in the Declaration and on the floor plans filed or to be filed in the Office of the City Register, Borough of Brooklyn, together with an undivided interest in the Common Elements appurtenant thereto (the above-numbered Unit and the undivided interest being hereinafter collectively called the "Unit"). Purchaser hereby adopts, accepts and approves of the Plan (including the proposed Condominium documents contained in Part II of the Plan) and agrees to abide and be bound by the terms and conditions thereof, as well as all amendments to the Plan duly filed by Seller (including amendments involving any changes, modifications or updating of the estimated Common Charges, the estimated real estate taxes to be paid by Purchaser or the "Budget for First Year of Condominium Operation, Schedule B"). Any such amendments shall neither excuse Purchaser from performing Purchaser's obligations hereunder nor entitle Purchaser to any offset of credit against the total Purchase Price and may be made by Seller without Purchaser's consent or approval, except that in certain circumstances described in the Plan Purchaser may have a right to rescind this Agreement upon the filing of certain amendments to the Plan. The Plan is hereby incorporated in this Agreement as if set forth at length. In the event of any inconsistency or conflict between the provisions of this Agreement and those contained in the Plan, the provisions of the Plan shall govern and be binding.

Agreements Between Seller and Purchaser

For good and valuable consideration, receipt of which is hereby acknowledged, Seller and Purchaser mutually agree as follows:

3. Payment for Unit: Seller hereby agrees to sell and Purchaser hereby agrees to purchase the Unit for the Total Purchase Price stated above. The Down Payment stated above has been made on the signing of this Agreement, receipt of which by wire transfer or check subject to collection is acknowledged by Seller. The balance due at Closing shall be payable at the Closing of title, as hereinafter provided in Paragraph 4, by wire transfer or by unendorsed certified or cashier's check of Purchaser payable to the order of Seller.

TIME IS OF THE ESSENCE CONCERNING PURCHASER'S OBLIGATIONS. This means the time for payment of the balance of the Purchase Price hereunder is of the essence of this Agreement; Purchaser's failure to pay the balance on the Closing Date shall constitute a default and result in cancellation of this Agreement and such other consequences as are specified in Paragraph 10.

4. Closing of Title: The Closing of title shall take place on no less than thirty (30) days' prior written notice to Purchaser (the "Closing Notice") at such place as Seller may designate, at an hour and on a date (hereinafter called the "Closing Date") to be specified by Seller. Such date shall

be no earlier than thirty (30) days after the date on which written notice is given to Purchaser that the Plan has been declared effective (unless Purchaser and Seller shall agree on an earlier Closing Date). The Closing of title may be adjourned to such later date as the parties may agree upon in writing, or as otherwise set forth in the following paragraph, and such adjourned date shall then be deemed the Closing Date hereunder.

Seller shall be entitled to reasonable adjournments of the Closing of title for any reason.

Purchaser shall have the one time right to adjourn the Closing Date for up to fifteen (15) days after the scheduled Closing Date (to a date that shall be acceptable to Sponsor) on five (5) days written notice to Seller, provided however, that Purchaser shall pay to Sponsor at Closing an adjournment fee equal to 0.04% of the Total Purchase Price for each day starting from (and including) the originally scheduled Closing Date to (and including) the day before the actual Closing Date as a reimbursement of Seller's higher carrying costs for the Unit by virtue of the delay. In addition, the Closing apportionments described in the Plan will be made as of midnight of the day preceding the originally scheduled Closing Date, regardless of when the actual Closing occurs. The fees described in this paragraph shall also apply during any default-curing period.

At the Closing of title Seller shall deliver to Purchaser a bargain and sale deed with covenants against grantor's acts, conveying the Unit to Purchaser, such deed to be substantially in the form contained in Part II of the Plan, executed and acknowledged by Seller in form for recording.

Simultaneously with the delivery of the deed, Purchaser shall cause the balance of the purchase price to be paid to Seller, if applicable, by payment to Seller of the proceeds of any mortgage loan obtained by Purchaser, and shall execute and deliver to the mortgagee the note and mortgage and any other documents required by the mortgagee, as well as any documents required by Seller.

5. Power of Attorney to Board of Managers: At the Closing of title and simultaneously with the delivery to Purchaser of the deed conveying the Unit, Purchaser shall execute and acknowledge a power of attorney for each Board of Managers, as applicable to the Unit, in the form prepared by the attorney for Seller and substantially in the form contained in Part II of the Plan. Purchaser agrees to deliver such power of attorney(s) to Seller at the Closing of title.

6. Binding Effect of Declaration, By-Laws, Plan, Rules and Regulations: Purchaser hereby agrees to be bound by the Declaration, the By-Laws, the Rules and Regulations as contained in the Plan, and the Plan, as such documents may be amended from time to time, including, but not limited to, the Condominium's smoking policy set forth in the Rules and Regulations, which states as follows:

“Except as expressly permitted pursuant to this Rule and Regulation, smoking is not allowed in (a) any indoor Common Element or Limited Common Element, including, but not limited to, indoor corridors, rooms, hallways, stairs, stairways, storage

areas and lobbies, and (b) in any outdoor Common Elements (other than Limited Common Elements), including, but not limited to, any common rooftops, patios, yards, parking areas, pool areas, porches and courtyards. Notwithstanding the foregoing, smoking is permitted inside of Residential Units and in any outdoor Limited Common Elements appurtenant to a Unit, including, but not limited to, yards, terraces, decks and balconies appurtenant to a Unit. For purposes of this Rule and Regulation, (i) "smoking" shall mean inhaling, exhaling, burning or carrying any lighted or heated cigar, cigarette, electronic cigarette, little cigar, pipe, water pipe or hookah, herbal cigarette, non-tobacco smoking product (e.g., marijuana or non-tobacco shisha), or any similar form of lighted object or device designed for people to use to inhale smoke, and (ii) "electronic cigarette (e-cigarette)" shall mean a device that heats a liquid, gel, herb or other substance and produces vapor for the user or people to inhale."

7. Condition of Title: Seller agrees to convey to Purchaser title in fee simple to the Unit free and clear of all liens and encumbrances other than those set forth in the Plan (as well as mortgages, if any, obtained by Purchaser) and as set forth in Exhibit E attached hereto.

Notwithstanding the above, the existence of unpaid taxes or liens or encumbrances of any kind at the Closing of title shall not constitute an objection to title, provided that Purchaser's title insurance company or TitleVest (the "Title Company") shall be willing to insure against collection of same from the Unit at standard rates and without additional premium. The parties agree that Seller may pay and discharge any liens and encumbrances upon the Unit, not permitted to remain under the Plan or this Agreement, out of the monies to be paid by Purchaser at the time of the Closing of title.

Notwithstanding anything to the contrary contained in this Purchase Agreement, Seller shall not be obligated to cause Purchaser's title company to omit any exceptions if the Title Company is willing to insure, without additional premium, Purchaser's title with such exception (as evidenced by the issuance of the same by the Title Company in connection with the closing of any other Units in the Condominium).

Purchaser's payment of the balance of the Total Purchase Price and acceptance of a deed to the Unit shall constitute Purchaser's recognition that Seller has satisfactorily performed all its obligations under and stated in the Plan and this Agreement, except those expressly provided to survive the Closing or to be performed after the Closing. However, nothing herein contained shall excuse Seller from performing those obligations (if any) expressly stated herein or in the Plan to be performed subsequent to the Closing of title.

Purchaser shall deliver to Seller, at least fifteen (15) days prior to Closing, a statement of any objections to the state of title to the Unit. Delivery to Seller of the title report and amendments or updates thereto shall constitute such statement of objections to the Unit's state of title. In the event that Seller is unable to deliver to Purchaser title to the Unit in accordance with the provisions

of this Agreement, Seller will not be obligated to bring any action or proceeding or otherwise incur any cost or expense to render title marketable. If Seller notifies Purchaser of Seller's inability to remedy the defect in title, Purchaser shall have the option (i) to take title subject to such title defect (without any abatement in, or credit against, the Total Purchase Price or claim or right of action against Seller for damages or otherwise), or (ii) to terminate this Agreement. If Purchaser elects to terminate, Seller shall instruct the Escrow Agent (defined below) to return to Purchaser, within ten (10) days after receipt of Purchaser's termination notice, all monies deposited hereunder, with interest earned thereon, if any. Upon making such refund this Agreement shall be null and void and neither party shall have any further rights, obligations or liabilities with respect to the other hereunder or under the Plan. The foregoing option must be exercised by written notice given by Purchaser to Seller no later than ten (10) days after Seller's notice of inability to remedy the title defect. If Purchaser shall not give such notices within said ten (10) day period, it shall be conclusively deemed that Purchaser elected the first option above, to acquire title subject to the title defect.

8. Expenses of Closing and Closing Adjustments: Purchaser will pay the Closing costs and expenses referred to herein or in the Section of the Plan (as same may be amended to date) entitled "Closing Costs and Adjustments," including, if applicable, the amount of any credit for mortgage tax as set forth in said Section. Purchaser shall make the contribution to the working capital of the Condominium referred to in said Section. Real estate taxes and Common Charges and expenses shall be adjusted between Seller and Purchaser as of midnight preceding the Closing Date in accordance with the provisions of the Plan. In the event real estate taxes shall not have been levied against the Unit, then real estate taxes shall be apportioned based on the real estate taxes payable with respect to the Property multiplied by the percentage of Common Interest attributable to the Unit. Purchaser will pay the New York City Real Property Transfer Tax and New York State Real Estate Transfer Tax attributable to the delivery of the deed hereunder, as well as the Mansion Tax and/or Supplemental Tax, if applicable. ANY SUCH EXPENSES OR ADJUSTMENTS PAYABLE TO SELLER IN EXCESS OF \$500 WILL BE PAID BY CERTIFIED CHECK OR BANK CHECK.

The "Customs in Respect to Title Closing" recommended by the Real Estate Board of New York, Inc., as amended to date, shall apply to the adjustments and other matters therein mentioned, except as otherwise provided herein. A copy of such publication may be purchased on REBNY's website at www.rebny.com

Any errors or omissions in computing apportionments at Closing shall be corrected and payment made to the proper party promptly after discovery. This provision shall survive the Closing.

9. Agreement Subject to Mortgages: Purchaser agrees that all terms and provisions of this Agreement are and shall be subject and subordinate to the lien of any mortgage, building loan mortgage or construction loan mortgage heretofore or hereafter made and any advances heretofore or hereafter made thereon and any payments or expenses already made or incurred or which may hereafter be made or incurred, pursuant to the terms thereof, or incidental thereto, or to protect the security thereof, to the full extent thereof without the execution of any further legal documents by Purchaser. This subordination shall apply whether such advances are voluntary or involuntary and

whether made in accordance with the building loan schedule of payments or accelerated thereunder by virtue of lender's right to make advances before they become due in accordance with the schedule of payments. Notwithstanding anything to the contrary contained in this Paragraph 9, however, on the Closing Date the Unit will not be subject to any such mortgage, building loan mortgage or construction loan mortgage, but may be subject to any mortgage(s) obtained by Purchaser.

10. Default by Purchaser: TIME IS OF THE ESSENCE CONCERNING PURCHASER'S PERFORMING HIS, HER OR ITS RESPECTIVE OBLIGATIONS UNDER THIS AGREEMENT WITHIN THE TIME PERIOD PROVIDED FOR HEREIN. If Purchaser shall (i) fail to pay any portion of the purchase price when due, or (ii) fail to close title on the Closing Date, or (iii) become a tenant of the Unit or the Building and fail to pay rent or otherwise to comply with Purchaser's lease or tenancy obligations, or (iv) fail to perform any of Purchaser's other obligations hereunder, Seller may elect by notice to Purchaser to (a) cancel this Purchase Agreement or (b) seek specific performance. Seller's attorney shall impose a fee of \$500 for such notice of default, which will be paid by Purchaser. If Seller elects to cancel, Purchaser shall have thirty (30) days from the giving of the cancellation notice, TIME BEING OF THE ESSENCE, to cure the specified default, failing which this Purchase Agreement will be deemed cancelled and Seller shall have the right to retain, as and for liquidated damages, the Down Payment and any interest earned thereon. Seller shall certify to the Escrow Agent that this Agreement has been cancelled due to Purchaser's uncured default, and the Escrow Agent shall thereupon pay over to Seller as liquidated damages the Down Payment (plus all sums held by the Escrow Agent with respect to special work in the Unit ordered by Purchaser, which sums, whether paid to the Escrow Agent or paid directly to Seller by Purchaser, Seller may also retain as liquidated damages to the extent of actual costs incurred for such special work) and any interest earned thereon, and upon such payment being made, each of the parties hereto shall be relieved of any further liabilities or obligations hereunder. If the Agreement shall be canceled pursuant to this Paragraph 10, Seller may sell the Unit to any third party or otherwise exercise its rights as owner of the Unit in any manner it may choose and shall be under no obligation to account to Purchaser for any part of the proceeds of such sale or such exercise of its rights. The Escrow Agent may rely upon the truth and accuracy of the facts contained in Seller's certification and the authority of the person or persons executing the same and shall have no liability as a result of such reliance. If Seller elects to seek specific performance, then Purchaser shall have thirty (30) days from the giving of notice of Seller's election to close on the Unit in accordance with this Purchase Agreement, without prejudice to Seller's right to recover from Purchaser all damages, losses, costs, expenses and all other lawful sums to which Seller is entitled (including, but not limited to, reasonable legal fees and costs of collection).

11. Agreement May Not be Assigned; Marketing Representations: Purchaser shall have no right to assign this Agreement without the prior consent in writing of Seller and any purported assignment of this Agreement in violation hereof shall be voidable at the option of Seller. Seller's refusal to consent to an assignment shall not entitle Purchaser to cancel this Agreement or give rise to any claim for damages against Seller. In the event Seller, in its sole discretion, shall consent to an assignment, the same shall be subject to the conditions that (a) Purchaser wishing to assign his, her or its Purchase Agreement has executed the Purchase Agreement and tendered the required Down Payment; (b) the assignment in a form approved by Seller is executed and delivered by the

respective assignee no later than thirty (30) days prior to the Closing Date; and (c) the assignee pays Seller's attorney a fee for legal services in connection with the assignment.

Prior to the Closing, Purchaser shall not offer this Agreement or the Unit for sale or rental, engage any selling agent or broker, list this Agreement or the Unit with any selling agent or broker, link or make reference to or otherwise use any marketing material used by the Seller or its representatives, for the purpose of offering this Agreement or the Unit for sale or rental without the prior, written consent of the Seller. Failure by Purchaser to abide by the restrictions contained in this paragraph shall constitute a default under this Agreement.

12. Notices: Except as otherwise stated herein, any notice to be given hereunder shall be in writing and sent to Purchaser at the address given above, with a copy to _____, and to Seller at 80 4th Street, Brooklyn, New York 11231, with a copy to Marcus Attorneys, Attention: Guillermo Santiago, Esq., 13 Greene Avenue, Brooklyn, New York 11238, or such other address as either party may hereafter designate to the other in writing. Notices shall be given by certified mail, return receipt requested, or by overnight delivery or e-mail. The date of mailing shall be deemed to be the date of the giving of notice, except that the date of actual receipt shall be deemed to be the date of the giving of any notice of change of address. Notwithstanding anything to the contrary contained in this Agreement or in the Plan, the attorneys for the parties hereto are authorized to give and receive notices on behalf of the parties without having to copy the parties.

13. No Representation: Except as herein or in the Plan specifically set forth, Purchaser acknowledges that Purchaser has not relied upon any plans or specifications, sales plans, selling brochures, advertisements, representations, warranties or statements of any nature, whether made by Seller, Seller's counsel or anyone acting or purporting to act on behalf of Seller, with respect to any matter, including, without limitation, the description or physical condition of the Building or the Unit, the size or the dimensions of the Unit or the rooms therein contained or any other physical characteristics thereof, the Building services, the estimated Common Charges and Expenses and real estate taxes allocable to the Unit and any abatement thereof or exemption therefrom, or the right to any income tax deduction on account of any real estate taxes and/or mortgage interest paid by Purchaser. Purchaser agrees that Seller shall have no liability or responsibility to Purchaser if the layout or dimensions of the Unit or any part thereof or of the Common Elements as shown on the floor plans or on the architectural plans and specifications for the Building or site plan are not completely accurate or correct provided such layout or dimensions conform substantially to the floor plans and the architectural plans and specifications for the Building and the site as modified or supplemented in accordance with the Plan and that Purchaser will not be relieved from his, her or its obligations hereunder by reason of any minor variation, inaccuracy or error.

14. Recording of Deed and Power of Attorney: At the Closing of title, Purchaser shall also execute the deed thereby accepting and ratifying the provisions of the Condominium Declaration, By-Laws and Residential By-Laws, and Purchaser will deliver the executed deed received from Seller and the executed and acknowledged power of attorney(s) to the representative of the title company, if any, or to Seller for recording in the Office of the City Register, Borough of Brooklyn. Such deed and power of attorney(s) will be substantially in the form set forth in the Plan. Purchaser shall pay the cost of such recording to said representative or Seller, as the case may be, at the Closing of title.

15. Binding Effect: This Agreement shall not be effective or binding on Seller until a counterpart hereof is executed by Seller and delivered to Purchaser. Subject to the provisions hereof, this Purchase Agreement shall bind and inure to the benefit of the parties hereto, their heirs, personal representatives, successors and assigns.

16. Agreement Subject to Plan Becoming Effective; Seller's Right to Cancel: This Purchase Agreement is contingent upon the Plan being declared effective. The Plan may be abandoned by Seller at any time prior to its being declared effective and shall be abandoned and deemed abandoned if it has not been declared effective within the time prescribed in the Plan. If the Plan is abandoned or does not become effective, this Purchase Agreement shall be deemed canceled. If, after the Plan is declared effective, title to the Unit shall not close within the time set forth herein or in the Plan for the Closing, as such time may be extended as provided herein or in the Plan, for any reason other than Purchaser's default, then, Purchaser may elect to terminate this Agreement upon ten (10) days prior notice. If Seller offers to close within said ten (10) day period, then this Agreement shall remain fully binding. If Seller shall fail to tender a deed and otherwise perform within said ten (10) day period this Purchase Agreement shall be canceled at the conclusion of said ten (10) day period. If this Purchase Agreement is canceled pursuant to the provisions of this paragraph, then not later than fifteen (15) days thereafter, Purchaser shall receive a refund in full of all monies paid by Purchaser hereunder, with the interest earned thereon, if any, and upon such repayment, neither party shall have any claim against the other and both shall be released from all obligations hereunder.

In addition to Seller's rights pursuant to Paragraph 10 of this Agreement relating to default by Purchaser, Seller may cancel this Agreement by forwarding its check in the full amount paid by Purchaser, together with a notice to Purchaser for any of the reasons set forth in the Plan, including, prior to the Plan's being declared effective, without limitation, in the event of the occurrence of any of the following: (a) that any governmental bureau, department or subdivision thereto shall impose restrictions on the manufacture, sale, distribution and/or use of material necessary in the construction of improvements to the Building and such restrictions shall prevent Seller from obtaining such materials from its regular suppliers or from using same in the construction and/or completion of the Unit; or (b) that Seller is unable to obtain materials from its usual sources due to strikes, lockouts, war, military operations and requirements, national emergencies, acts of God; or (c) if the installation of public utilities is restricted or curtailed.

17. Monies to be Held in Trust; Payment of Purchase Price; Notice of Closing:

(a) The Down Payment pursuant to this Agreement will be ten percent (10%) of the Total Purchase Price for the Unit, which Down Payment shall be increased by the cost of special work or materials, if any, offered by Seller and ordered by Purchaser as itemized in this Agreement. Seller agrees that Seller and its agents, including any selling agents, shall deliver the Down Payment and any W-8 or W-9 form received by them prior to the Closing to a designated attorney who is a member of or employed by Escrow Agent, within two (2) business days of tender of the Down Payment by Purchaser. All monies received by Seller directly or through its agents (including any selling agents) or employees pursuant to this Agreement will be deposited with Bank of America, in an escrow account entitled "Marcus Attorneys PLLC Escrow Account" at its branch located at

76 Court Street, Brooklyn, NY 11201. Such funds will be held in trust in accordance with the escrow and trust provisions of Section 352(h) and 352-e 2(b) of the New York General Business Law, and regulations, if any, promulgated pursuant to said Section 352-e 2(b). Such funds will be disbursed only upon written instructions of a member of the law firm of Seller's attorney, as set forth in subsection (b), below. Down payments, with accumulated interest, if any, shall remain the property of Purchaser except as provided by law.

(b) All deposits, Down Payments, or advances made by Purchaser prior to Closing of each individual transaction, whether received before or after the date of consummation of the Plan, will be placed, within five (5) business days after receipt of fully executed purchase agreements by the Seller's attorney, in a segregated special escrow account of Marcus Attorneys PLLC, the "Escrow Agent", whose address is 13 Greene Avenue, Brooklyn, New York 11238 and whose telephone number is (718) 643-6555. The signatories on this account authorized to withdraw funds are: Guillermo Santiago, Jed S. Marcus and Philip Lavender. This bank is covered by federal bank deposit insurance to the allowed maximum (\$250,000) per individual deposit. All such deposits made by Purchasers will be aggregated for the purpose of the maximum FDIC insured amount. Purchaser funds held with Bank of America may factor into such \$250,000 insurance limit. Within such five (5) business days, Escrow Agent shall also execute this Agreement. Escrow Agent's execution of this Agreement prior to Sponsor's execution thereof and prior to delivery of a fully executed Agreement to the Purchaser shall not, in any way whatsoever, constitute acceptance of this Agreement by the Sponsor.

Escrow Agent shall maintain the Escrow Account under its direct supervision and control.

A fiduciary relationship shall exist between Escrow Agent and Purchaser, and Escrow Agent acknowledges its fiduciary and statutory obligations pursuant to General Business Law §§ 352-e (2-b) and 352(h). Seller agrees that it shall not interfere with Escrow Agent's performance of its fiduciary duties and statutory obligations as set forth in General Business Law §§ 352-e (2-b) and 352-(h) and the New York State Department of Law's regulations.

The Escrow Account will be an IOLA account and interest will not be credited to any party.

All checks shall be made payable to or endorsed to the order of "Marcus Attorneys PLLC, as Escrow Agent".

Within ten (10) business days after tender of the Down Payment submitted with this Purchase Agreement, the Escrow Agent will notify Purchaser that such funds have been deposited into the escrow account. The notice shall provide the account number and the initial interest rate, if any, to be earned on the Down Payment. If the Purchaser does not receive notice of such deposit within fifteen (15) business days after tender of the Down Payment, the Purchaser may cancel the purchase and rescind so long as the right to rescind is exercised within ninety (90) days after tender of the deposit. Complaints concerning the failure to honor such cancellation requests may be referred to the New York State Department of Law, Real Estate Finance Bureau, 28 Liberty Street, New York, N.Y. 10005. Rescission may not be afforded where proof satisfactory to the

Attorney General is submitted establishing that the escrowed funds were timely deposited and requisite notice was timely mailed to Purchaser in conformity with the Attorney General's regulations.

The Escrow Agent will hold funds in escrow until otherwise directed:

(i) pursuant to the terms and conditions set forth in this Agreement upon closing of title to the Unit; or

(ii) in a subsequent writing signed by both Seller and Purchaser; or

(iii) by a final order or judgment of an arbitrator, as set forth herein. Any dispute regarding the disposition of Deposit funds must be submitted to "Expedited Arbitration". Expedited Arbitration means a binding arbitration proceeding held in New York County administered by JAMS, or if JAMS is no longer providing such service to another private alternative dispute resolution provider selected by Sponsor which is not affiliated with Sponsor (the "ADR Provider") and conducted, to the extent consistent with the Purchase Agreement, in accordance with the then prevailing rules and expedited procedures of the ADR Provider (the "ADR Rules"). Accordingly, by submitting to Expedited Arbitration, the parties to the Purchase Agreement waive the right to bring suit in court concerning disputes under the Purchase Agreement and agree to accept the Arbitrator's decision as final. There is generally no right to appeal. The right of the parties to be represented by counsel and to submit data, memoranda and similar material in support of their respective positions, and the ability of the parties to obtain documents, witness statements and other discovery may be more limited in Expedited Arbitration than in court proceedings. After hearing the dispute, the Arbitrator shall be obligated to render a determination (the "Award") within the applicable time period under the ADR Rules for the rendering thereof. The Award shall be final and binding upon the parties. Any motion to confirm or vacate the Award must be filed in a federal or state court located in the City, County and State of New York. The parties shall bear the costs of their own expenses and witness preparation. The parties shall equally share the costs of the JAMS administrative fees, including the Arbitrator's compensation. At the conclusion of the hearing, the Arbitrator shall make his or her determination and shall award to the prevailing party, if any, the costs and attorneys' fees reasonably incurred by the prevailing party in connection with the Arbitration. The prevailing party shall be reimbursed for its share of the JAMS administrative expenses.

If the Escrow Agent is not directed to release the Down Payment pursuant to the provisions set forth above, and the Escrow Agent receives a request by either party to release the Down Payment, then the Escrow Agent must give both the Purchaser and Seller prior written notice of not fewer than thirty (30) days before releasing the Down Payment. If the Escrow Agent has not received notice of objection to the release of the Down Payment prior to the expiration of the thirty (30) day period, the Down Payment shall be released and the Escrow Agent shall provide further written notice to both parties informing them of said release. If the

Escrow Agent receives a written notice from either party objecting to the release of the Down Payment within said thirty (30) day period, the Escrow Agent shall continue to hold the Down Payment until otherwise directed pursuant to the provisions set forth above. Notwithstanding the foregoing, the Escrow Agent shall have the right at any time to deposit the Down Payment contained in the Escrow Account with the clerk of the county where the Unit is located and shall give written notice to both parties of such deposit.

Seller shall not object to the release of the Down Payment to: (a) a Purchaser who timely rescinds in accordance with an offer of rescission contained in the Plan or an Amendment to the Plan; or (b) all Purchasers after an Amendment abandoning the Plan is accepted for filing by the Department of Law.

Prior to release of the Down Payment, Escrow Agent's fees and disbursements shall neither be paid by Seller from the Down Payment nor deducted from the Down Payment by any financial institution under any circumstance.

Under no circumstances shall Seller seek or accept release of the Down Payment of a defaulting Purchaser until after consummation of the Plan, as evidenced by the acceptance of a post-closing amendment by the New York State Department of Law. Consummation of the Plan does not relieve the Seller of its obligations pursuant to GBL §§ 352-3(2-b) and 352-h.

Escrow Agent may rely upon any paper or document that may be submitted to it in connection with its duties under this Agreement and which is believed by Escrow Agent to be genuine and to have been signed or presented by the proper party or parties and shall have no liability or responsibility with respect to the form, execution or validity thereof.

Seller agrees to defend, indemnify and hold Escrow Agent harmless from and against all costs, claims, expenses and damages incurred in connection with or arising out of Escrow Agent's responsibilities arising in connection with this Agreement or the performance or non-performance of Escrow Agent's duties under this Agreement, except with respect to actions or omissions taken or suffered by Escrow Agent in bad faith or in willful disregard of the obligations set forth in this Agreement or involving gross negligence of Escrow Agent. This indemnity includes, without limitation, disbursements and attorneys' fees either paid to retain attorneys or representing the hourly billing rates with respect to legal services rendered by Escrow Agent to itself.

The Department of Law may perform random reviews and audits of any records involving the Escrow Account to determine compliance with all applicable statutes and regulations.

Any provision of this Agreement or any separate agreement, whether oral or in writing, by which the Purchaser purports to waive or indemnify any obligation of the Escrow Agent holding any deposit in trust is absolutely void. The provisions of the Attorney General's regulations and General Business Law §§ 352-e (2-b) and 352-h concerning escrow trust funds shall prevail over any conflicting or inconsistent provisions in this Agreement, the Plan or any amendment thereto.

(c) In the event of an uncured default by Purchaser in his, her or its obligations under this Purchase Agreement, no more than ten percent (10%) of the purchase price (or twenty percent (20%) in the event this Purchase Agreement covers more than one Unit) plus any interest earned thereon, may be retained as liquidated damages. Notwithstanding the above, the actual cost incurred by Seller for any special work, materials, labor, machinery or equipment ordered by Purchaser also may be retained as liquidated damages.

(d) The balance of the purchase price will not be payable until Closing of title to the Unit. The balance shall be paid by wire transfer, certified or official bank or cashier's check drawn to the order of Seller or to such other party or parties as the Seller may designate, and delivered to the Seller at the Closing.

(e) Purchaser will be given notice of the declaration of effectiveness of the Plan, at least thirty (30) days prior to the Closing date for his, her or its Unit, which notice will also remind Purchaser of the obligation to pay the balance of the purchase price at that time and will state when Common Charges will be due and payable. The Purchaser may waive this thirty (30) day provision by executing a written waiver.

YOU, AS PURCHASER OF THIS RESIDENCE, MAY REQUIRE THE RECIPIENT OR CONTRACTOR TO DEPOSIT THE INITIAL ADVANCE MADE BY YOU IN AN ESCROW ACCOUNT. IN LIEU OF SUCH DEPOSIT, THE RECIPIENT OR CONTRACTOR MAY, UPON APPLICATION TO AND APPROVAL BY THE DEPARTMENT OF LAW, POST A BOND OR CONTRACT OF INDEMNITY WITH YOU GUARANTEEING THE RETURN OF SUCH ADVANCE.

18. Equipment and Furnishings: Seller will provide Purchaser only with the fixtures, equipment, hardware, appliances and furnishings referred to in the Plan, including the "Description of Property and Specifications or Building Condition," which are included in the purchase price of the Unit. Fixtures, equipment, hardware, appliances, furnishings and decorations in any model unit or sales office not referred to in the Plan are excluded from this sale. Optional items, if any, offered by Seller which Purchaser desires to purchase as "extras," and the cost thereof, are listed in Exhibit B attached hereto. Such costs will be added to the purchase price of the Unit. All sums or deposits paid for the optional items shall be deemed to be part of the Down Payment. Purchaser shall select other applicable items for the Unit from Seller's samples within five (5) days after request is made thereof by Seller, and if Purchaser fails to do so Seller shall have the right to make the selection for Purchaser.

19. Acceptance of Condition of Unit; Risk of Loss:

(a) Purchaser shall accept title without abatement of, or credit against, the purchase price (or provision for escrow) notwithstanding that construction of minor details of the Unit have not been completed. Purchaser shall be given a reasonable opportunity to examine the Unit prior to Closing and if work remaining to be done pursuant to the Plan or this Purchase Agreement is found to be incomplete by Seller and Purchaser, then such work (and only such work) shall be itemized in reasonable detail on the Final Inspection Sheet in the form attached hereto as Exhibit C. Sponsor

shall furnish Purchaser its written undertaking to the items on the Final Inspection Sheet prior to or within a reasonable time following the Closing, subject to delays caused by weather, strikes, lockouts, acts of God, shortages of, or inability to obtain materials, equipment or labor, governmental restrictions, approvals or preemption, damages by fire or the elements or any other cause over which the Sponsor has no control.

(b) Risk of loss for fire or other casualty remains with Seller until the earlier of the following events:

(i) Legal title to the Unit has been conveyed to Purchaser; or

(ii) Purchaser has taken actual possession of the Unit pursuant to a written agreement with Seller.

20. Possession of Unit prior to Closing: It is expressly understood and agreed that Purchaser shall in no event take possession of the Unit prior to the Closing and full compliance by a Purchaser with the terms of this Agreement except pursuant to an Interim Lease, as described in the Plan, and should Purchaser violate this provision, Seller shall have the right to remove him, her or it from the Unit as a squatter and intruder. Upon Purchaser's unauthorized possession, Purchaser shall be deemed in default hereunder at the option of Seller, and if Seller so elects, Seller may cancel this Agreement and all amounts deposited hereunder shall belong to Seller as liquidated damages deemed earned hereunder. It is further understood and agreed that upon Purchaser's taking possession of the Unit, Seller will not be responsible for damage or loss to any property of Purchaser or to the Unit before, on, or after the Closing of title. If, in Seller's sole discretion, Seller shall permit Purchaser to take possession of the Unit prior to the Closing, then and in such event, Purchaser's failure to pay rent or otherwise to comply with Purchaser's lease or tenancy obligations shall be deemed a default by Purchaser under this Agreement.

21. Damage to the Unit: Subject to the Sponsor's right to abandon the Plan due to damage to the Building and for other reasons, as described in the Plan, in the event the Unit is damaged by a casualty or other cause prior to the Closing, the Sponsor will repair the Unit if the cost of the repair is less than or equal to one-half of one percent of the purchase price. If the cost of the repair is more than one-half of one percent of the purchase price, the Sponsor may, but is not obligated to, repair the Unit. The Sponsor shall notify Purchaser in writing of its election to repair or not repair the Unit within fifteen (15) days of the damage to the Unit. The date for the Closing will be extended to give the Sponsor reasonable time to repair the Unit if the Sponsor is obligated to repair the Unit or elects to repair the Unit. If the Sponsor repairs the Unit, then this Agreement shall remain in full force and effect and the Closing shall occur as specified in a notice from the Sponsor to the Purchaser after the repair is completed. If the cost of the repair is more than one-half of one percent of the purchase price, and the Sponsor does not elect to repair the Unit, then the Purchaser may either purchase the Unit with a credit of one-half of one percent of the purchase price or rescind this Agreement, in either case by giving the Sponsor notice of the Purchaser's choice within thirty (30) days after the Sponsor gives notice of the Sponsor's election not to repair the Unit. If the Purchaser fails to give notice rescinding this Agreement within said thirty (30) day period, then the Purchaser will be deemed to have chosen to be bound by this Agreement and receive the credit described above. A Purchaser of a damaged Unit will be responsible for all repairs to the Unit and for complying with all laws, rules and regulations with respect to the condition of the Unit and repairs. As set forth in

the Plan, however, the Sponsor will obtain a certificate of occupancy covering the Unit prior to the Unit's Closing.

22. Definitions: The term "Purchaser" shall be read as "Purchasers" if more than one person or entity are purchasers, in which case their obligations shall be joint and several. The capitalized terms used herein shall have the same meanings as in the Plan.

23. Other Agreements: This Purchase Agreement supersedes any and all understandings and agreements between the parties and constitutes the entire agreement between them and no oral representations or statements shall be considered a part hereof.

24. Amendment of Purchase Agreement: This Purchase Agreement may not be amended, altered, discharged or waived except by agreement in writing signed by the party sought to be charged therewith or by his, her or its duly authorized agent.

25. Brokerage: Purchaser represents and warrants to Seller that Purchaser did not negotiate with any broker for the purchase of the Unit other than the broker(s) identified in Exhibit D hereto, if any. Purchaser agrees that should any claim be made against Seller for commissions by any other broker on account of any acts of Purchaser or of Purchaser's representatives, Purchaser will indemnify and hold Seller free and harmless from any and all liabilities and expenses in connection therewith, including (without limitation) reasonable legal fees and disbursements. The provisions of this Paragraph shall survive the Closing.

26. Governing Law: This Purchase Agreement shall be governed by and construed in accordance with the laws of the State of New York.

27. Jury Waiver: Purchaser hereby waives trial by jury in any action, proceeding, or counterclaim involving any matter arising out of, or connected with, this Purchase Agreement or the relationship of the parties as Purchaser and Seller, or the right of Purchaser to any statutory relief or remedy.

28. Acceptance by Seller: Within fifteen (15) days after delivery to the Seller or Selling Agent, if any, by Purchaser of this Purchase Agreement with the required Down Payment, executed by Purchaser, Seller will either:

(i) accept this Agreement and cause to be returned to Purchaser a fully executed counterpart thereof, or

(ii) reject this Agreement and refund the Down Payment tendered by Purchaser.

29. Survival: The Closing of title to the Unit and the delivery of the deed thereto shall be deemed full compliance with each and every term of this Purchase Agreement, except as to any item expressly stated to survive Closing.

30. Conflict with Plan: Any conflict between the Plan and this Purchase Agreement will be resolved in favor of the Plan.

31. Captions: The captions in this Purchase Agreement are for convenience and reference only and in no way define, limit or describe the scope of this Purchase Agreement or the intent of any provision hereof.

32. Closing Fees to Seller's Counsel: All legal costs, fees and expenses charged by the Purchaser's attorney shall be the sole responsibility of each Purchaser. In addition, Purchaser shall be responsible for payment of the following fees to Sponsor's attorneys, Marcus Attorneys, in connection with the closing of title to Purchaser's Unit: \$2,500 for preparation of legal documents and for coordinating the Closing; an additional \$300 attendance fee if, at Purchaser's request and Sponsor's consent, the Closing occurs outside of the Sponsor's attorney's office or other office designated by the Sponsor but in the City of New York or \$500 if in Westchester, Nassau or Suffolk Counties, or an amount determined by the Sponsor's attorney if elsewhere; an additional \$300 fee if the Closing is adjourned at the Purchaser's request on less than forty-eight (48) hours notice (nothing herein shall give a Purchaser a right to adjourn a Closing); an additional \$500 fee if notice of default is issued, unless the Closing does not occur because of a default by the Sponsor or the Sponsor's inability to close; and an additional \$500 fee if the Purchaser assigns his, her or its Purchase Agreement.

33. Transfer Tax Return: At Closing, Seller and Purchaser shall each duly complete and sign before a Notary Public the transfer tax return required to be filed by the state and any local government and any affidavits and certificates required in connection with the recording of the deed. The transfer tax return shall be delivered at Closing to the representative of Purchaser's title insurance company (or, if none, to Seller's attorney) for filing with the proper governmental officer.

34. Contract Not Subject to Loan: This Agreement is not contingent upon the Purchaser obtaining a loan commitment. If the Purchaser does not obtain financing to purchase the Unit, the Purchaser may lose the Down Payment if it is unable to otherwise raise sufficient funds to pay for the Balance Due at Closing. Purchaser, therefore, is advised to finalize its financing arrangements before signing this Purchase Agreement. In the event the Purchaser obtains financing, he, she or it shall pay the Mortgage Tax applicable to any mortgage given by Purchaser and shall sign, acknowledge, notarize, deliver or complete at the Closing any forms or returns necessary for the calculation or recording of the portion of the Mortgage Tax to be computed in accordance with Section 339-ee of the Condominium Act, and shall pay such portion to the Sponsor in reimbursement of the Mortgage Tax which the Sponsor previously paid if the Sponsor had previously placed a mortgage on the Property. Purchaser shall give Seller a copy of any loan commitment promptly after Purchaser's receipt.

35. W-8 or W-9 Forms. Purchaser shall execute and deliver to Seller a completed W-8 or W-9 Internal Revenue Service form, as applicable, in the form attached hereto as Exhibit A.

36. Further Assurances: Either party shall execute, acknowledge and deliver to the other party such instruments and take such other actions, in addition to the instruments and actions specifically provided for herein, as such other party may reasonably request in order to effectuate the provisions of this Agreement and the transactions contemplated herein or to confirm or perfect any right to be created or transferred hereunder or by any such transaction.

37. Severability: If any provision of this Agreement or the Plan is invalid or unenforceable as against any person or entity or under certain circumstances, the remainder of this Agreement or the Plan and the applicability of such provision to other persons, entities or circumstances shall not be affected thereby. Each provision of this Agreement or the Plan, except as otherwise herein or therein provided, shall be valid and enforced to the fullest extent permitted by law.

38. Strict Compliance: Any failure by Seller to insist upon strict performance by Purchaser of any of the provisions of this Agreement shall not be deemed a waiver of any of the provisions hereof, irrespective of the number of violations or breaches that may occur, and Seller, notwithstanding any such failure, shall have the right thereafter to insist upon strict performance by Purchaser of any and all of the provisions of this Agreement to be performed by Purchaser.

39. No Lien: No lien or encumbrance shall arise against the Property or the Unit as a result of this Agreement or any monies deposited hereunder. This Agreement shall not be recorded.

40. Costs of Enforcing and Defending Agreement. Purchaser shall reimburse Seller for any legal fees and disbursements incurred by Seller in successfully defending Seller's rights under this Agreement or, in the event Purchaser defaults under this Agreement beyond any applicable grace period, in canceling this Agreement or otherwise enforcing Purchaser's obligations hereunder. In the event of litigation to enforce or defend Seller's rights under this Agreement, Purchaser shall reimburse Seller for any legal fees and disbursements incurred by Seller for such litigation if Seller is the prevailing party. The provisions of this Article shall survive closing of title or the termination of this Agreement.

41. Waiver of Diplomatic or Sovereign Immunity. 4. Name of Condominium: The condominium shall be known as "670 Union Street Condominium".

5. Units:

(a) List and Description: Annexed hereto and made a part hereof as Exhibit B is a list of all Units containing their designations and tax lot numbers, locations and approximate areas of the Units, number of rooms in each Unit, the Common Elements and Limited Common Elements to which each has immediate access (all as shown on the floor plans of the Building (the "Floor Plans") intended to be filed in the Office of the Register of the City of New York, Borough of Brooklyn simultaneously with the recording of this Declaration), and the percentage of interest of each Unit in the Common Elements (the "Common Interest"). Any heating, hot-water and/or air-conditioning systems located inside or outside the Unit together with any piping and/or ductwork attached thereto, and/or any equipment which only serves the individual Unit shall be deemed a fixture and part of the individual Unit.

(b) Dimensions: A Residential Unit's square footage is calculated from the exterior face of exterior walls (perimeter and mechanical pipes are not deducted) to the centerline of partitions between Units, and to the exterior face of partitions separating the unit from any common areas, stairs, elevators & other mechanical equipment spaces or any Common Elements. However, any Common Elements located within a Unit shall not be considered a part of the Unit. No Unit shall include any Common Element. The provisions of this subdivision (b) may not be amended without the approval of the Unit Owner (defined below) of every Unit affected.

6. Certain Definitions:

(a) The owner of each Unit is herein referred to as the "Unit Owner," which term shall have the meaning ascribed to it in the Condominium Act. Every Unit Owner shall be treated for all purposes as a single owner, irrespective of whether such ownership is joint, in common, or tenancy by the entirety. The number of Unit Owners shall be equal to the number of Units, regardless of whether an owner owns more than one Unit, except as expressly provided herein, when a Unit is owned by the Board of Managers.

(b) "Board of Managers" shall mean the Board of Managers of 670 Union Street Condominium.

(c) "By-Laws" shall mean the By-Laws of 670 Union Street Condominium as from time to time amended pursuant thereto.

The Parking Units may be sold or leased by a Unit Owner separately from his or her Unit, but only to another Unit Owner (or, in the case of a lease, to another Unit occupant) and subject to a right of first refusal in favor of the Board of Managers.

8. Common Elements: The "Common Elements" shall mean the entire Property, including all parts of the Building other than the Units and including, without limitation, the following:

(a) General Common Elements

(b) "Limited Common Elements" are Common Elements which are available for the use, for certain purposes, solely by the Owners of Units to which such Limited Common Elements are appurtenant and by the occupants of such Units and invitees of such Owner and occupants. The Limited Common Elements are as follows.

(i) Each Residential Unit shall have as a Limited Common Element a storage area in the cellar, as shown on the Floor Plans. The owners of such Units may use their storage areas only in compliance with all Legal Requirements and shall be responsible for maintenance, repair and replacement of their storage areas. The Board of Managers and its agents, employees and contractors may have access to all storage areas in order to inspect the Common Elements and for any action the Board of Managers is required or permitted to take. In the event that any such Board action requires removal or disruption of all or any elements of the storage areas, it shall be the responsibility of the Board of Managers to replace such elements.

(ii) Units 2A, 2B, 4B, 5C and 6B shall each have a balcony as a Limited Common Element, as shown on the Floor Plans. The owners of such Units and their successors and assigns shall be responsible for maintenance, repair and replacement of their balconies, including the balconies' surfaces, but the Board of Managers shall make any structural repairs to the balconies, including the railings, if any, that are required, except that in all events the Unit Owner shall be responsible for any maintenance, repair and replacement of any portion of the balconies if necessitated by damage caused by the Unit Owner or the Unit Owner's invitees, tenants, employees, agents or contractors. The Board of Managers and its agents, employees and contractors may have access to the balconies in order to inspect the Common Elements and for any action the Board of Managers is required or permitted to take. In the event repairs by the Board of Managers require removal or disruption of any elements of the balconies, it shall be the responsibility of the Board of Managers to replace such elements. The owners of such Units may not perform construction in their balconies unless the owners comply with all Legal Requirements and obtain the written approval of the Board of Managers.

(iii) Units 3C, 6A shall each have a terrace as a Limited Common Element, as shown on the Floor Plans. The owners of such Units and their successors and assigns shall be responsible for maintenance, repair and replacement of their terrace, including

the terrace's surface, but the Board of Managers shall make any structural repairs to the terraces, including the railings, if any, that are required, except that in all events the Unit Owner shall be responsible for any maintenance, repair and replacement of any portion of their terrace if necessitated by damage caused by the Unit Owner or the Unit Owner's invitees, tenants, employees, agents or contractors. The Board of Managers and its agents, employees and contractors may have access to the terraces in order to inspect the Common Elements and for any action the Board of Managers is required or permitted to take. In the event Board repairs require removal or disruption of any elements of the terraces, it shall be the responsibility of the Board of Managers to replace such elements. The owners of such Units may not perform construction in their terraces unless the owners comply with all Legal Requirements and obtain the written approval of the Board of Managers.

(iv) Each Residential Unit shall have as a Limited Common Element at least one condenser unit. The Unit Owners shall have the right to place, inspect, maintain, repair and replace their condenser and other condenser equipment serving their respective Units. A Unit Owner, and his, her or its agents and contractors shall have a right of access over and through any areas where the condenser units are located for such purposes. A Unit Owner shall be responsible for the maintenance, repair and replacement of the condenser and condenser equipment servicing his, her or its Unit (including equipment located outside the Unit and all piping and wiring associated with the Condenser), as required. The Board of Managers shall be responsible for maintenance, repair and replacement of all common areas, and all elements thereof, except that in all events a Unit Owner shall be responsible for the cost and expense of any maintenance, repair and replacement of any portion of common areas or elements thereof if necessitated by the negligence, misuse or neglect of a Unit Owner or an occupant of a Unit or a Unit Owner's employees, invitees, agents, guests or contractors. In the event any common areas or elements thereof require removal or disruption of any condenser unit or associated piping or wiring, or element thereof, it shall be the responsibility of the Board of Managers to replace or repair same. In any event, the Board of Managers and its agents, employees and contractors may have access to all common areas of the Building in order to inspect the Common Elements and for any action the Board of Managers is required or permitted to take.

9. Determination of Percentages in Common Elements: The percentages of interest of the Units in the Common Elements are based on a Unit's floor space subject to the location of such space and additional factors of relative value to other space in the Condominium, the uniqueness of the Unit, the availability of Common Elements for exclusive or shared used, and the overall dimensions of the particular Unit, pursuant to Section 339-i (1) (iv) of the Condominium Act, and shall be as set forth in Exhibit B, a part hereof. A Unit Owner may not convey his, her or its Unit separate from its appurtenant interest in the Common Elements. No change will be made to the Units' percentages of Common Interest without the consent of all owners of Units directly affected, without the consent of Sponsor's construction lender (so long as the construction lender holds a lien on the Property), and without the consent of a Purchaser's lender, if any and if required by the same.

10. Encroachments: If any portion of the Common Elements now encroaches upon any Unit, or if any Unit now or upon completion of construction by the Sponsor substantially in

accordance with the Floor Plans encroaches upon any other Unit or upon any portion of the Common Elements, as a result of the construction of the Building, or if any such encroachment shall occur hereafter as a result of settling or shifting of the Building, or as a result of repair or restoration of the Building (or any portion thereof), any Unit or the Common Elements after damage or destruction by fire or other casualty or after a taking in condemnation or eminent domain proceedings of all or any portion of a Unit or the Common Elements or by reason of alteration or repair to the Common Elements made by, or with the consent of, the Board of Managers, a valid easement for the encroachment and for the maintenance of the encroachment so long as the Building stands shall exist.

11. Condemnation: In the event of taking in condemnation or by eminent domain of part or all of the Common Elements, the award made for such taking shall be payable to the Board of Managers. If the Unit Owners duly and promptly approve the repair and restoration of such Common Elements, the Board of Managers shall arrange for such repair and restoration, and the Board of Managers shall disburse the proceeds of such award to the contractors engaged in such repair and restoration in appropriate progress payments. If the Unit Owners do not duly and promptly approve the repair and restoration of such Common Elements, the Board of Managers shall disburse the net proceeds of such award in the same manner as they are required to distribute insurance proceeds where there is no repair or restoration of the damage, as provided in Section 3 of Article V of the By-Laws.

12. Easements:

(a) Each Unit Owner shall have an easement in common with the owners of other Units to use, maintain, repair, alter and replace all pipes, wires, flues, ducts, vents, cables, conduits, public utility lines, equipment and facilities and other Common Elements located in any of the Units or elsewhere on the Property and serving his, her or its Unit. Each Unit shall be subject to an easement in favor of the owners of all other Units and the Board of Managers (i) to use the pipes, flues, ducts, cables, wires, conduits, utility lines, equipment and facilities and other Common Elements serving other Units and located in such Unit, and (ii) for the Board of Managers and its agents, employees and contractors to have access to each Unit to inspect the Unit, to remove violations of Legal Requirements, and (iii) to maintain, repair, replace or modify Common Elements contained therein or elsewhere in the Building.

(b) Each Unit shall have, and shall be subject to, easements of subjacent support and necessity in favor of such Unit and in favor of other Units and the Common Elements.

(c) The Sponsor, Sponsor-affiliates and their successors, assigns, invitees, licensees, contractors, employees, and tenants (i) shall have an easement to erect, maintain, repair and replace from time to time one or more signs on the Property for the purposes of advertising the sale of Units and the leasing of space in any Unit as well as an easement in, and access to, Units and Common Elements consistent with the purposes of the Offering Plan and Sponsor's rights and obligations thereunder, including, without limitation, the right to develop, renovate, alter, maintain, repair, replace, refurbish, offer, sell and lease Units and appurtenant interests and Common Elements; and (ii) reserve the right to establish, grant and create easements for any additional

electric, transformer, amplifier, gas, television, telephone, communications, sprinkler, fire protection, fire alarm, security, air conditioning, water, storm drainage, sewer or other utility or service lines and appurtenances in, under and through the Property including, without limitation, an easement or easements for the benefit of any property adjacent to the Property, to relocate any existing utility easements in any portion of the Property and to dedicate any or all of such facilities to any governmental body, public benefit corporation or utility company if the Sponsor or designee shall deem it necessary or desirable for the proper operation and maintenance of the Property or any portion thereof, for the general health or welfare of any Unit Owner, or the residents of any property adjacent to the Property, provided that such additional utilities or the relocation of existing utilities will not prevent or unreasonably interfere with the use of the Units for their permitted purposes. Any governmental agency, utility company or public benefit corporation furnishing services to the Property, and the employees and agents of any such agency, company or corporation, shall have the right of access to any Unit, to the Common Elements, and to the Limited Common Elements included in the exercise of the rights to which such easements pertain, provided such right of access is exercised in such a manner as not unreasonably to interfere with the use of the affected Units for their permitted purposes.

(d) The user of any easement granted by subparagraph (b) or (c) of this Article 12 shall have the responsibility of repairing any damage to Common Elements resulting from such use. A Unit Owner shall have the responsibility of repairing any damage to his, her or its Unit resulting from such use.

(e) Each Unit Owner whose Unit has one or more appurtenant Limited Common Elements shall have an exclusive easement for use thereof.

(f) In addition to the specific easements set forth in this Article 12, the Property and every portion thereof shall be subject to all easements and the rights of access prescribed in the Condominium Act.

(g) Notwithstanding the foregoing, no person shall use or enjoy the Common Elements or Limited Common Elements except in accordance with the reasonable purposes for which they are intended and, subject to such purposes, without encroaching unreasonably upon the rights of other persons to do so in accordance with this Declaration.

13. Power of Attorney to Board of Managers: Each Unit Owner shall grant to the persons who shall from time to time constitute the Board of Managers, an irrevocable power of attorney, coupled with an interest, in such form as the Board of Managers may from time to time approve, to, among other things, acquire title to or lease any Unit whose Owner desires to surrender, sell or lease the same, or which may be the subject of a foreclosure or other judicial sale, in the name of the Board of Managers or its designee, corporate or otherwise, and to convey, sell, lease, mortgage or otherwise deal with any such Unit so acquired or to sublease any Unit so leased by the Board of Managers.

14. Acquisition of Units by Board of Managers: In the event any Unit Owner shall surrender his Unit together with: (i) the undivided interest in the Common Elements appurtenant

thereto; (ii) the interest of such Unit Owner in any other Units acquired by the Board of Managers or its designee on behalf of all Unit Owners, or the proceeds of the sale or lease thereof, if any; and (iii) the interest of such Unit Owner in any other assets of the Condominium (hereinafter collectively called the "Appurtenant Interest") pursuant to the provisions of Section 339-x of the Condominium Act, or in the event the Board of Managers shall purchase at a foreclosure or other judicial sale a Unit together with its Appurtenant Interests, title to any such Unit, together with its Appurtenant Interests, shall be held by the Board of Managers or its designee, corporate or otherwise, on behalf of all Unit Owners, in proportion to their respective Common Interests. The lease covering any Unit leased by the Board of Managers, or its designee, corporate or otherwise, shall be held by the Board of Managers, or its designee, on behalf of all Unit Owners, in proportion to their respective Common Interest.

15. Person to Receive Service of Process: The Secretary of State of the State of New York is hereby designated as agent of the Board of Managers upon whom process against it may be served, and the post office address to which the Secretary of State shall mail a copy of any process against it served upon him or her is Board of Managers, 670 Union Street, Brooklyn, New York 11226. As required by law, the Board of Managers shall notify the Secretary of State of any change in the managing agent or person authorized to receive a copy of any process served against the Secretary of State. Until the first meeting of Unit Owners, William Caleo, having an office at 80 4th Street, Brooklyn, New York 11231, is hereby designated to receive service of process in any action which may be brought against the Condominium. Following said meeting any member of the Board of Managers is hereby designated to receive service of process in any such action.

16. Units Subject to Declaration, By-Laws and Rules and Regulations: All present and future Unit Owners, tenants, sub-tenants and occupants of Units and invitees, employees, agents, and contractors of Unit Owners shall be subject to, and shall comply with, the provisions of this Declaration, the By-Laws and the Rules and Regulations, as they may be amended from time to time. The acceptance of a deed or conveyance for, or the entering into a lease for, or the entering into occupancy of, any Unit shall constitute an agreement that the provisions of this Declaration, the By-Laws and the Rules and Regulations, as they may be amended from time to time, are accepted and ratified by such Owner, tenant or occupant and shall be binding on all sub-tenants, invitees, employees, agents and contractors, and all of such provisions shall be deemed and taken to be covenants running with the land and shall bind any person having at any time any interest or estate in such Unit as though such provisions were recited and stipulated at length in each and every deed or conveyance or lease thereof.

17. Amendment of Declaration:

(a) This Declaration may be amended with the approval of owners of sixty-six and two-thirds percent (66 2/3%) in number and in Common Interest of all Unit Owners, in accordance with the provisions of the By-Laws, provided, however, that the Common Interest appurtenant to each Unit as expressed in this Declaration shall not be altered without the consent of all Unit Owners affected, and provided further that no right granted herein to the Sponsor or a

Sponsor-affiliate shall be modified without the written consent of the Sponsor so long as the Sponsor or a Sponsor-affiliate shall own a Unit.

(b) The Sponsor or a Sponsor-affiliate shall have the right without vote or consent of other Unit Owners, the Board of Managers or the holders of Unit mortgages to execute or (on its request) to require the Board of Managers to execute and record in the Office of the City Register, Borough of Brooklyn and elsewhere if required by law, an amendment or amendments to this Declaration (together with such other documents, plans and maps as may be required to effectuate the same) to reflect (i) any changes in Units and the reapportionments of the Common Interests resulting therefrom, made by the Sponsor pursuant to Article 19 hereof; or (ii) any construction of the Building which shall not have been completed on the date of recording of this Declaration, including, without being limited to, the final location, dimensions or size of the Building and the Units therein.

(c) Notwithstanding the provisions of Section 17(a), above, no amendment to this Declaration that would have a materially adverse impact on the holders of Unit mortgages may be made without the approval of at least fifty-one percent (51%) of such holders of Unit mortgages. The Board shall serve on all holders of Unit mortgages a copy of such a proposed amendment by certified mail, return receipt requested to such addresses as designated by the mortgagees from time to time, in writing, to the Board of Managers. In the event any holder of Unit mortgages shall fail to respond in writing to the Board within sixty (60) calendar days after being served with such a proposed amendment, then said holder of Unit mortgages shall be deemed to have consented to such proposed amendment. For purposes of this paragraph, the date of mailing shall be deemed to be the date of the giving of notice.

18. Termination: If withdrawal of the Property from application of the Condominium Act is authorized by at least eighty percent (80%) of the Unit Owners in number and in Common Interest (and if required by the respective mortgages, their first mortgagees, if any, of such Unit), then the Property shall be subject to an action or partition by any Unit Owner or lienor as if owned in common, in which event the net proceeds of sale shall be divided among all the Unit Owners in proportion to their respective Common Interests, provided, however, that no payment shall be made to a Unit Owner until there has first been paid off out of his, her or its share of such net proceeds all liens on his, her or its Units. The Sponsor or its nominee will not cast any of its votes for withdrawal, unless eighty percent (80%) of the Unit Owners other than the Sponsor so vote, in which event the Sponsor will be free to cast its votes either for or against withdrawal.

In addition to the termination requirements set forth herein, at least fifty one percent (51%) of the mortgagees of Units must consent to termination before the Property may be withdrawn from application of the Condominium Act.

19. Changes in Sponsor-Owned Units: For any Units owned by the Sponsor or its designee(s) or a Sponsor-affiliate, if not prohibited by the Condominium Act (as the same may be amended from time to time), the Sponsor or a Sponsor-affiliate shall have the right, without the vote or consent of the Board of Managers, other Unit Owners or the holders of Unit mortgages, to (i)

make alterations, additions, or improvements in, to, and upon, the Unit; (ii) change the layout or number of rooms in the Unit; (iii) change the size and/or number of such Units by subdividing a Unit, combining separate Units (including those resulting from any subdivision or otherwise) into one or more Units, altering the boundary walls between any Units or otherwise; and (iv) reapportion among such Units affected by such changes in size or number, subdivision, combination or alteration, their appurtenant interests in the Common Elements; provided, however, that the Sponsor or its designee(s) shall comply with all rules, ordinances and regulations of all governmental authorities having jurisdiction and shall agree to hold the Board of Managers and all other Unit Owners harmless from any liability arising therefrom. In accordance with law, the Common Elements appurtenant to each Unit as expressed in this Declaration shall have a permanent character and shall not be altered without the consent of all Unit Owners affected. Written consents will be obtained from Unit Owners, if any, who are adversely affected as a result of the above changes. The provision of this Article 19 may not be added to, amended or deleted without the prior written consent of the Sponsor or its designee(s).

20. Specially Allocated Expenses: The Board of Managers shall not allocate specific expense items to a Unit if the owner of said Unit pays such items directly. An expense from which a Unit is exempt shall be specially allocated to the Units which are not exempt. A specially allocated expense is charged to a Unit based on the proportion that the Common Interest of said Unit bears to the total Common Interest of all Units not exempt from said expense. The Board of Managers, acting reasonably, shall determine which items of expense shall be specially allocated as aforesaid, and inform the owners of the Units thereof and the owners of the Units shall determine the amounts thereof. Water charges and sewer rents will be Common Expenses of all Units unless either (i) any Unit Owner is directly billed for water charges and sewer rents by the municipal authority or (ii) the Board of Managers finds that a Unit Owner uses water in excess of normal domestic, sanitary and lavatory purposes and requires such Owner to install a water meter and bills such Owner for water used, in which event the owner of such Unit shall not be charged water charges and sewer rents as part of the Common Charges and the owners of Units not so directly billed shall be specially allocated the Condominium's water charges and sewer rents. The Board of Managers shall have all the rights with respect to the collection of such specially allocated expenses and the creation of liens therefor and the enforcement of such collection and liens and the foreclosure of such liens, as the Board of Managers has with respect to Common Charges.

21. Invalidity: The invalidity of any provision of this Declaration shall not be deemed to impair or affect in any manner the validity, enforceability or affect of the remainder of this Declaration and the remainder of this Declaration shall continue in full force and affect as if such invalid provision had never been included herein.

22. Waiver: No provision contained in this Declaration shall be deemed to have been abrogated or waived by reason of any failure to enforce the same, irrespective of the number of violations of any provision hereof.

23. Gender and Number: The use of the masculine gender in this Declaration shall be deemed to refer to the feminine gender and neuter and the use of the singular shall be deemed to refer to the plural, and vice versa, whenever the context so requires.

24. Further Assurances: (a) Any person who is subject to the terms of this Declaration, whether such a person is a Unit Owner, a lessee or a sublessee of a Unit Owner, an occupant of a Unit member of the Board of Managers, an officer of the Condominium, or otherwise, shall, at the expense of such other person requesting the same, execute, acknowledge and deliver to such other person such instrument, in addition to those specifically provided for herein, and take such other action as such other persons may reasonably request to effectuate the provisions of this Declaration or of any transaction contemplated herein or to perfect any right to be created or transferred hereunder or pursuant to any such transaction.

(b) If any Unit Owner or any other person who is subject to the terms of this Declaration fails or refuses to execute, acknowledge, or deliver any instrument, or fails or refuses, within ten days after request therefor, to take any action that such Unit Owner or person is required to take pursuant to this Declaration, the Board of Managers is hereby authorized as attorney-in-fact for such Unit Owner or other person, which power shall be deemed to be coupled with an interest, to execute, acknowledge and deliver such instrument, or to take such action, in the name of such Unit Owner or other person, and such document or action shall be binding on such Unit Owner or other person.

(c) If any Unit Owner, the Board of managers or any other person who is subject to the terms of this Declaration fails to execute, acknowledge or deliver any instrument, or fails or refuses, within ten days after request therefor, to take any action which the Board of Managers, Unit Owner or person is required to execute, acknowledge and deliver or to take pursuant to this Declaration at the request of Sponsor or the Sponsor's affiliate, then the Sponsor or the Sponsor's affiliate is hereby authorized as attorney- in-fact for such Unit Owner, the Board of Managers or other person, coupled with an interest, to execute, acknowledge and deliver such instrument or to take such action, in the name of such Unit Owner, the Board of Managers or other person and such document or action shall be binding on such Unit Owner, the Board of Managers or other person.

25. Covenants to Run With the Land: (a) All provisions of this Declaration, the By-Laws and the Rules and Regulations, including, without limitation, the provisions of this Article 25, shall, to the extent applicable and unless otherwise expressly herein or therein provided to the contrary, be perpetual and be construed to be covenants running with the land and with every part thereof and interest therein, and all of the provisions shall be binding upon, and shall inure executors, administrators, legal representatives, successors and assigns, but the same are not intended to create, nor shall they be construed as creating, any rights in or for the benefit of the general public. All present and future Unit Owners, tenants and occupants of Units shall be subject to, Regulations, as they may be amended from time to time. The acceptance of a deed or conveyance, the entering into a lease, or the entering into an occupancy of any Unit shall constitute an agreement that the provisions of this Declaration, the By-Laws and the Rules and Regulations, as they may be amended from time to time, are accepted and ratified by such Unit Owner, tenant, or occupant, and all of such provisions shall be deemed and taken to be covenants running with the land and shall bind any

person having, at any time, any interest or estate in such Unit, as though such provisions were recited and stipulated at length in each and every deed, conveyance or lease.

(b) If any provision of this Declaration or of the By-Laws is invalid under, or would cause this Declaration or the By-Laws to be insufficient to submit the Property to, the provisions of the Condominium Act, such provision shall be deemed deleted from this Declaration or the By-Laws, as the case may be, for the purpose of submitting the Property to the provisions of the Condominium Act, but shall nevertheless be valid and binding upon, and shall inure to the benefit of, the owners of the Property and their heirs, executors, administrators, legal representatives, successors and assigns, as covenants running with the land and with every part thereof and interest therein under other applicable law to the extent permitted under such applicable law with the same force and effect as if, immediately after the recording of this Declaration or the By-Laws, all Unit Owners had signed and recorded an instrument agreeing to each such provision as a covenant running with the land. If any provision that is necessary to cause this Declaration or the By-Laws to be sufficient to submit the Property to the provisions of the Condominium Act is missing from this Declaration or the By-Laws, then such provision shall be deemed included as a part of this Declaration or the By-Laws, as the case may be, for the purpose of submitting the Property to the provisions of the Condominium Act.

(c) Subject to the terms of paragraph (b) of this Article, if this Declaration or the By-Laws are insufficient to submit the Property to the provisions of the Condominium Act, the provisions of this Declaration or the By-Laws shall nevertheless be valid and binding upon, and shall inure to the benefit of, the owners of the Property and their heirs, executors, administrators, legal representatives, successors and assigns, as covenants running with the land and with every part thereof and interest therein under other applicable law to the extent permitted under such applicable law with the same force and effect as if, immediately after the recording of this Declaration or the By-Laws, all Unit Owners had signed and recorded an instrument agreeing to each such provision as a covenant running with the land.

26. Successors and Assign: The rights and/or obligations of the Sponsor or its designee as set forth herein shall inure to the benefit of, and shall be binding upon, any successor or assignee of Sponsor or, with consent of the Sponsor or its designee, any transferee of all of the then Unsold Units. Subject to the foregoing, the Sponsor or its designee shall have the right, at any time, in its sole discretion, to assign or otherwise, transfer its interest herein, whether by merger, consolidation, lease, assignment or otherwise, without the consent of the Board of Managers or any other person.

27. Captions. The captions are included only as a matter of convenience and for reference and in no way define, limit or describe the scope of this Declaration or the intent of any provision hereof.

28. Development Rights. If there is any "floor area" (as defined in the Zoning Resolution of the City of New York (the "Zoning Resolution")) pertaining to the Property and not used in the Building as constructed or as a result of a future rezoning of the area on which the Property is located (the "Excess Floor Area"), the Sponsor or its designee, on behalf of itself, and acting as attorney-in-fact for the Board of Managers and each of the Unit Owners, may execute

and deliver such documents and take such other actions as are appropriate to transfer, sell or permit the use of the Excess Floor Area, at any adjoining lot where the use of the Excess Floor Area is permitted pursuant to the Zoning Resolution, including, without limitation, executing and delivering on behalf of itself, the Board of Managers and each of the Unit Owners one or more declarations of zoning restrictions, zoning lot development agreements, and waiver of parties in interest. If the Excess Floor Area is used on adjoining properties, it may result in the vertical or horizontal expansion of such adjoining properties and, therefore, it may alter the views from and light into the Building. The Sponsor will not use the Excess Floor Area to expand the Building. Solely the Sponsor, and not the Board of Managers or any of the Unit Owners, has any interest in the Excess Floor Area or any proceeds from the transfer or sale or use thereof. The power of attorney granted to the Sponsor or its designee in this paragraph is irrevocable and coupled with an interest.

29. Handicapped Parking Units. Parking Units P1 and P2 are designated as handicapped spaces in the Floor Plans. The sale and/or transfer of Units P1 and P2 are subject to the following covenants and restrictions:

a. If a Unit Owner, or a member of such Unit Owner's family residing in the Unit Owner's Residential Unit, becomes handicapped and acquires handicapped plates for his or her vehicle (the "Handicapped Owner"), and such Handicapped Owner owns a Parking Unit that is not designated as a handicapped space (the "Handicapped Owner's Regular Space"), such Handicapped Owner has the right to demand in writing that any other Unit Owner (the "Non-Handicapped Owner") who owns a Parking Unit designated as a handicapped space (the "Non-Handicapped Owner's Handicapped Space") but who himself or herself does not own a vehicle with handicapped plates and who does not have a family member residing in his or her Unit with a vehicle with handicapped plates, trade the Non-Handicapped Owner's Handicapped Space to the Handicapped Owner, so that the Handicapped Owner is left owning the Non-Handicapped Owner's Handicapped Space and the Non-Handicapped Owner is left owning the Handicapped Owner's Regular Space.

b. If a Unit Owner, or a member of such Unit Owner's family residing in the Unit Owner's Residential Unit, becomes handicapped and acquires handicapped plates for his or her vehicle (the "Handicapped Owner"), and such Handicapped Owner does not own a Parking Unit, such Handicapped Owner has the right to demand in writing that any other Unit Owner (the "Non-Handicapped Owner") who owns a Parking Unit designated as a handicapped space (the "Non-Handicapped Owner's Handicapped Space") but who himself or herself does not own a vehicle with handicapped plates and who does not have a family member residing in his or her Unit with a vehicle with handicapped plates, sell the Non-Handicapped Owner's Handicapped Space to the Handicapped Owner at the then current fair market value of the Non-Handicapped Owner's Handicapped Space. The Non-Handicapped Owner must comply with the Handicapped Owner's written demand within thirty (30) of receipt of such written demand, and all costs and expenses related to the transfer of the Parking Unit, including, without limitation, title searches and reports, title insurance, transfer taxes, recording fees and reasonable attorney's fees, shall be borne by the Handicapped Owner requesting the transfer. If the Handicapped Owner and Non-Handicapped Owner cannot agree on the market value of the Parking Unit or any other terms of the transfer, then

they shall submit the matter to binding arbitration pursuant to and in accordance with Article IX, Section 10 of the By Laws.

ARTICLE I
Plan of Unit Ownership

Section 1. Unit Ownership. The property located in the County of Kings, City and State of New York at 670 Union Street has been submitted to the provisions of Article 9-B of the Real Property Law of the State of New York (the "Condominium Act") by the Declaration (the "Declaration") recorded in the Office of the Register of the City of New York, Borough of Brooklyn simultaneously herewith and shall hereinafter be known as 670 Union Street Condominium (hereinafter called the "Condominium"). The Residential and Parking Units are herein sometimes called the "Units". The owner of a Unit is herein referred to as a "Unit Owner". All capitalized terms not defined herein shall have the meaning set forth in the Condominium Act.

Section 2. Applicability of By-Laws.

(a) The provisions of these By-Laws are applicable to the Property of the Condominium and to the use, operation and occupancy thereof. The term "Property" as used herein shall include the land, the buildings and all other improvements thereon (including the Units, the Common Elements and the Limited Common Elements) known as 670 Union Street, Brooklyn, New York, and all easements, rights and appurtenances belonging thereto, and all other property, real, personal or mixed, intended for use in connection therewith. The provisions of these By-Laws are applicable to the Property of the Condominium and to the use, operation and occupancy thereof.

(b) All present and future owners, mortgagees, lessees, sublessees and occupants of Units and their employees, invitees, agents and contractors and any other persons who may use the facilities of the Property in any manner are subject to these By-Laws, the Declaration and the rules and regulations (the "Rules and Regulations") attached hereto as Schedule A, each as amended from time to time.

The acceptance of a deed or conveyance or the entering into of a lease or the occupancy of a Unit shall constitute an agreement that these By-Laws, the Rules and Regulation and the Declaration, as they may be amended from time to time, are accepted, ratified, and will be complied with.

Section 3. Office. The office of the Condominium and of the Board of Managers of the Condominium (the "Board of Managers") shall be located at the Property, unless another office in the County and State of is designated by the Board of Managers.

ARTICLE II Board of Managers

Section 1. Number and Qualification. The affairs of the Condominium shall be governed by a Board of Managers which shall consist of three persons. Until the first meeting of Unit Owners held pursuant to Section 1 (a) of Article III of these By-Laws, the Board of Managers shall consist of three (3) persons designated by the sponsor of the Condominium, 668-670 Union ST LLC (the "Sponsor"). As used in these By-Laws "Unsold Units" shall mean a Unit owned, at the time in question, by the Sponsor or its designee or successor who or which does not occupy the Unit for his, her, its or their own use. Within ninety (90) days after the first Closing of title to a Unit, the Sponsor will call the first meeting of Unit Owners, at which meeting the Unit Owners shall elect three (3) members, subject to the Sponsor's right to designate two members of the Board until the earlier of: (1) five years after the Closing of the first Unit or (2) the time the Sponsor holds less than fifty percent (50%) of the Common Interests. A meeting will be held to elect new members of the Board within thirty (30) days of the termination of the Sponsor's special right to designate members of the Board. During the period in which the Sponsor may designate two members of the Board, Unit Owners, other than the Sponsor, will vote for the remaining Board member. After the period during which Sponsor may designate two members of the Board, all Unit Owners, including the Sponsor, may vote for all members of the Board, including members of the Board that are related or unrelated to the Sponsor. A Sponsor-affiliate shall have the right to designate a person or entity to succeed to its rights. The term Sponsor-affiliate is also used to refer to any such designee.

Section 2. Power and Duties. The Board of Managers shall have the powers and duties necessary for the administration of the affairs of the Condominium and may do all acts and things except such acts or things which by law or by the Declaration or by these By-Laws may not be delegated to the Board of Managers by the Unit Owners. The Sponsor and Sponsor-affiliates shall have the right to withhold its or their consent to any of the foregoing actions. (t) The Board of Managers may act as an agent of each Unit Owner who has given his written authorization to complain or apply to the Board of Assessment Review of the assessing agency by filing a single complaint on behalf of all such Unit Owners pursuant to Section 512 of the Real Property Tax Law and to commence and prosecute a special proceeding for the review of assessment of real property as an aggrieved person pursuant to Section 704 of the Real Property Tax Law of the State of New York. The Board of Managers may retain legal counsel on behalf of all Unit Owners for which it is acting as agent and to charge all such Unit Owner a pro rata share of its expenses, disbursements and legal fees in connection with the review of assessments, for which charges the Board of Managers shall have a lien pursuant to Section 339 of the Condominium Act.

Section 3. Managing Agent and Manager. The Board of Managers may employ a managing agent and/or manager (including the Sponsor or a corporation or other entity organized or controlled by the Sponsor) for the Condominium at a compensation established by the Board of Managers to perform such duties and services as the Board of Managers shall authorize. The Board of Managers may delegate to any manager or managing agent all of the powers granted to the Board of Managers by these By-Laws other than the powers set forth in subdivisions (b), (e), (g), (h), (i), (j), (k), (n) and (o) of Section 2 of this Article II.

Section 4. Election and Term of Office. The term of office of the members of the Board of Managers elected by Unit Owners at the first meeting of Unit Owners held pursuant to Section 1(a) of Article III of these By-Laws shall expire on the date of the second meeting of the Unit Owners held pursuant to Section 1(b) of Article III of these By-Laws. At the second meeting and all subsequent meetings of the Unit Owners held for the purpose of electing members of the Board of Managers, the term of office of the three (3) members of the Board of Managers shall be fixed at one year.

Section 5. Removal of Members of the Board of Managers. At any regular or special meeting of Unit Owners, any one or more of the members of the Board of Managers, other than a member designated by the Sponsor or a Sponsor-affiliate (who may be removed by the Unit Owners at such a meeting only for cause) may be removed with or without cause by a majority of the Unit Owners and a successor may then and there or thereafter be elected to fill the vacancy thus created. Any member of the Board of Managers whose removal has been proposed by the Unit Owners shall be given an opportunity to be heard at the meeting. A member of the Board of Managers designated by the Sponsor or a Sponsor-affiliate may be removed by the Sponsor for

any reason. If a member of the Board of Managers ceases to be a Unit Owner or Unit mortgagee (or a designee of an entity which owns a Unit or holds a mortgage on a Unit), unless such member is a designee of the Sponsor or a Sponsor-affiliate, he or she shall be deemed to have resigned effective as of the date such ownership or mortgage interest ceases.

Section 6. Vacancies. Vacancies in the Board of Managers caused by any reason other than the removal of a member thereof by a vote of the Unit Owners, shall be filled by vote of a majority of the remaining members at a special meeting of the Board of Managers held for that purpose promptly after the occurrence of any such vacancy, even though the members present at such meeting may constitute less than a quorum, and each person selected shall be a member of the Board of Managers until the next annual meeting of the Unit Owners, at which meeting a successor shall be elected for such member. Notwithstanding any other provisions of these By-Laws, vacancies for any reason of members designated by the Sponsor or Sponsor-affiliate shall be filled only by the Sponsor or a Sponsor-affiliate.

Section 7. Organization Meeting. The first meeting of the members of the Board of Managers following the first meeting of the Unit Owners shall be held within ten (10) days after the first meeting of the Unit Owners at such time and place as shall be fixed by the members of the Board of Managers and no notice shall be necessary to the newly elected members of the Board of Managers in order legally to constitute such meeting, provided a majority of the whole Board of Managers shall be present thereat.

Section 8. Regular Meetings. Regular meetings of the Board of Managers may be held at such time and place as shall be determined from time to time by the members of the Board of Managers, but at least four (4) such meetings shall be held during each fiscal year. Notice of regular meetings of the Board of Managers shall be given to each member of the Board of Managers by mail or fax at least three (3) business days prior to the day of such meeting.

Section 9. Special Meetings. Special meetings of the Board of Managers may be called by the President on three (3) business days' notice to each member of the Board of Managers given by mail or fax, which notice shall state the time, place and purpose of the meeting. Special meetings of the Board of Managers shall be called by the President or Secretary in like manner and on like notice on the written request of at least one (1) member of the Board of Managers.

Section 10. Waiver of Notice. Any member of the Board of Managers may at any time waive notice of any meeting of the Board of Managers in writing, and such waiver shall be deemed equivalent to the giving of such notice. Attendance by a member of the Board of Managers at any meeting of the Board shall constitute a waiver of notice by him or her of the time and place thereof. Any one or more members of the Board of Managers or any committee thereof may participate in a meeting of the Board by means of a conference telephone or similar communications equipment allowing all persons participating in the meeting to hear each other at the same time. Participation by such means shall constitute presence in person at a meeting. If all the members of the Board of Managers are present at any meeting of the Board, no notice shall be required and any business may be transacted at such meeting.

Section 11. Quorum of the Board of Managers. At all meetings of the Board of Managers, a

majority of the members thereof shall constitute a quorum for the transaction of business, and the votes of the members of the Board of Managers present at a meeting at which a quorum is present shall constitute the decision of the Board of Managers. If at any meeting of the Board of Managers there shall be less than a quorum present, the meeting must be adjourned. At any such adjourned meeting at which a quorum is present, any business which might have been transacted at the meeting originally called, may be transacted without further notice. Any action required or permitted to be taken by the Board of Managers may be taken without a meeting if all members of the Board consent in writing to the adoption of a resolution authorizing such action, and the writing or writings are filed with the minutes of the proceedings of the Board.

Section 12. Fidelity Bonds. The Board of Managers may obtain a fidelity bond in the amount of \$25,000 or more for all officers and employees of the Condominium and of the managing agent handling or responsible for Condominium funds. The Board of Managers may obtain such other fidelity bonds as it deems proper. The premiums on such bonds shall constitute a Common Expense.

Section 13. Compensation. No member of the Board of Managers shall receive any compensation from the Condominium for acting as such.

Section 14. Liability of the Board of Managers. The members of the Board of Managers shall not be liable to any Unit Owner for any mistake of judgment, negligence or otherwise, except for their own individual willful misconduct or bad faith. The Unit Owners shall indemnify and hold harmless each of the members of the Board of Managers against all liability to others arising from their acts as, or by reason of the fact that such person was, a member of the Board of Managers. It is intended that the members of the Board of Managers shall have no personal liability with respect to any contract made by them on behalf of the Condominium within the scope of their authority. It is also intended that the liability of any Unit Owner arising out of any contract made by the Board of Managers or out of the aforesaid indemnity in favor of the members of the Board of Managers shall be limited to such proportion of the total liability thereunder as his, her or its interest in the Common Elements bears to the interests of all the Unit Owners in the Common Elements. Every agreement made by the Board of Managers or by the managing agent on behalf of the Board of Managers shall be deemed made on behalf of the Unit Owners, and the Board of Managers and the managing agent, as the case may be, are acting only as agents for the Unit Owners and shall have no personal liability thereunder (except as Unit Owners) and any liability of a Unit Owner thereunder shall be limited to such proportion of the total liability thereunder as his, her or its interest in the Common Elements bears to the interests of all Unit Owners in the Common Elements. Members of the Board of Managers designated by the Sponsor or a Sponsor-affiliate shall not incur any liability for self-dealing in connection with any contract made by the Board of Managers on behalf of the Unit Owners with the Sponsor or Sponsor-affiliate provided that any compensation paid under such contract shall be no more than at then competitive rates for similar goods and services in Kings County.

Section 9. Quorum. Except as otherwise provided in these By-Laws or the Declaration, the presence in person or by proxy of Unit Owners representing a majority of the Common Interest shall constitute a quorum at all meetings of the Unit Owners.

Section 10. Majority Vote. The vote of Unit Owners constituting a majority of the percentage of Common Interest present at a meeting at which a quorum shall be present shall be binding upon all Unit Owners for all purposes unless a provision of these By-Laws or the Declaration shall expressly require approval by a higher or different number of votes or Unit Owners. Members of the Board of Managers shall be elected by a plurality of the percentage of Common Interest present except as provided in these By-Laws with respect to members designated by the Sponsor.

Section 11. Action Without Meeting. Any action required or permitted to be taken by the Unit Owners may be taken without a meeting if the number of Unit Owners required by the Declaration, these By-Laws or applicable law consents in writing to the adoption of a resolution authorizing such action and the writing or writings are filed with records of the Condominium.

The Unit Owners shall indemnify and hold harmless each of the officers of the Condominium against all liability to others arising from his or her acts as, or by reason of the fact that such person was, an officer. It is intended that the officers shall have no personal liability with respect to any contract made by them on behalf of the Condominium within the scope of their authority. It is also intended that the liability of any Unit Owner arising out of any contract made by an officer or out of the aforesaid indemnity in favor of the officers shall be limited to such proportion of the total liability thereunder as his, her or its interest in the Common Elements bears to the interest of all the Unit Owners in the Common Elements.

ARTICLE V
Operation of the Property

Section 1. Determination of Common Expenses and Fixing of Common Charges.

(a) The Board of Managers shall, from time to time and at least annually, prepare a budget for the Common Expenses of the Condominium and fix the Common Charges payable by the Unit Owners. The Common Charges payable by a Unit Owner shall be the same portion of the Common Expenses as his, her or its interest in the Common Elements bears to the interests of all the Unit Owners in the Common Elements, except as provided in (d) of this Section. Common Charges shall be payable in such installments and at such times as the Board of Managers may determine. The Common Expenses shall include the cost of all insurance premiums on all policies of insurance required to be or which the Board of Managers has obtained pursuant to the provisions of Section 2 of this Article V. The Common Expenses may also include (i) such amounts as the Board of Managers may deem proper for the operation and maintenance of the Property, including, without limitation, an amount for working capital of the Condominium, for a general operating reserve, for a reserve fund for replacements, and to make up any deficit in the Common Expenses for any prior year, (ii) such amounts as may be required for the purchase or lease by the Board of Manager or its designee, corporate or otherwise, on behalf of all Unit Owners, of any Unit which the Board of Managers decides to acquire and lease pursuant to these By-Laws, (iii) such assessments as are necessary to provide funds for other Condominium purposes including, without limitation, capital improvements to, and repairs and replacements of Condominium real or personal property, the acquisition of real or personal property on behalf of the Unit Owners, and expenses which were not anticipated at the last time Common Expenses were determined, and (iv) if Units have not been separately assessed for real estate tax and assessment purposes, such proportion of real estate taxes and assessments assessed against the Property equal to the Unit's Common Interest. After the Units are separately assessed, the Board of Managers shall reimburse Unit Owners for any overpayment of taxes or assessments or assess Unit Owners for any underpayment of taxes or assessments. Notwithstanding any other provision of these By-Laws, any Common Expense of the nature described in (iii) above and which is in excess of \$15,000 shall require the approval of sixty-six and two thirds percent (66 2/3%) in number and Common Interest of the Unit Owners. The Board of Managers shall advise all Unit Owners, promptly, in writing, of the amount of Common Expenses and the amount of Common Charges payable by each of them, respectively, as determined by the Board of Managers, as aforesaid, and shall furnish copies of each budget on which such Common Expenses and Charges are based to all Unit Owners (and their respective mortgagees, if required). The Board of Managers may from time to time increase or decrease its prior determination of Common Expenses for a year or portion thereof. No determination of Common Expenses shall have any effect on the amount of Common Charges payable by any Unit Owner for any period prior to the date of such determination.

(b) Section 2 of Article II of these By-Laws contains additional limitations on the Board of Managers powers to set Common Expenses.

(c) The Sponsor or a Sponsor-affiliate shall be responsible for the Common Charges

assessed against a Unit owned by it from the date of the first conveyance of title to a Unit in the Building in which such Sponsor-owned Unit is located until such Unit is sold to a bona fide purchaser.

(d) Specially Allocated Expenses. The Board of Managers shall not allocate specific expense items to a Unit if the owner of said Unit pays such items directly. An expense from which a Unit is exempt shall be specially allocated to the Units which are not exempt. A specially allocated expense is charged to a Unit based on the proportion that the Common Interest of said Unit bears to the total Common Interest of all Units not exempt from said expense. The Board of Managers, acting reasonably, shall determine which items of expense shall be specially allocated as aforesaid, and inform the owners of the Units thereof and the owners of the Units shall determine the amounts thereof, except that the cost of obtaining insurance for the Building shall always be a Common Expense and shall not be specially allocated. Subject to the terms of this Article V, the Common Expenses shall initially be allocated among the Residential Units and Parking Units as set forth in Schedule B and the Notes to Schedule B in the Plan. Water charges and sewer rents will be Common Expenses of all Units unless either (i) any Unit Owner is directly billed for water charges and sewer rents by the municipal authority or (ii) the Board of Managers finds that a Unit Owner uses water in excess of normal domestic, sanitary and lavatory purposes and requires such Owner to install a water meter and bills such Owner for water used, in which event the owner of such Unit shall not be charged water charges and sewer rents as part of the Common Charges and the owners of Units not so directly billed shall be specially allocated the Condominium's water charges and sewer rents. The Board of Managers shall have all the rights with respect to the collection of such specially allocated expenses and the creation of liens therefor and the enforcement of such collection and liens and the foreclosure of such liens, as the Board of Managers has with respect to Common Charges.

(e) The omission or failure of the Board of Managers to determine the Common Expenses for any year or portion thereof shall not affect the obligation of a Unit Owner to pay Common Charges, but Common Charges on the basis of the Common Expenses as last determined for a year or portion thereof shall continue to be the Common Charges due from each Unit Owner until a new determination of Common Expenses shall be made.

Section 2. Insurance.

(a) The Board of Managers shall obtain and maintain, to the extent obtainable at commercially reasonable premiums, the following insurance: (1) fire insurance with extended coverage, including provision for "additional living expense" of Unit Owners, vandalism and malicious mischief endorsements normal for a condominium of this type, insuring the Building, (including all of the Units and partitions, floors and ceilings within the Units and installed by the Sponsor or the Board of Managers but not including any equipment, any wall, ceiling or floor decorations or coverings or other furniture, furnishings, fixtures or other personal property within the Units) together with all property real, personal or mixed part of, or used in connection with, the Common Elements and covering the interests of the Condominium (collectively, the "Insured Property"), the Board of Managers and all Unit Owners and their mortgagees, as their interest may appear, in an amount equal to the full replacement value of the Building (exclusive of the

cost of excavation and foundations) and all other Insured Property, without deduction for depreciation; each of said policies shall contain a New York standard mortgagee clause in favor of each mortgagee of a Unit which shall provide that the loss, if any, thereunder shall be payable to such mortgagee as its interest may appear, subject, however, to the loss payment provisions in favor of the Board of Managers; (2) water damage legal liability insurance; and (3) such other insurance as the Board of Managers may determine. All such policies shall provide that adjustment of loss shall be made by the Board of Managers and that the net proceeds thereof shall be payable to the Board of Managers.

The amount of fire insurance to be maintained until the first meeting of the Board of Managers following the first meeting of the Unit Owners shall be in at least the sum of \$6,700,000.

(b) The Board of Managers shall also be required to obtain and maintain, to the extent obtainable at a cost deemed reasonable by the Board of Managers, public liability insurance in such limits as the Board of Managers may from time to time determine, covering each member of the Board of Managers, the officers, the managing agent, the manager, and each Unit Owner and covering all claims for bodily injury or property damage arising out of any occurrence in the Common Elements or the Units, except such policy shall not cover liability of a Unit Owner arising from an occurrence from within his, her or its own Unit. Such public liability coverage shall also cover cross liability claims of one insured against another. The Board of Managers shall review such limits once each year or prior to renewal of a policy if a policy covers a multi-year period. Until the first meeting of the Board of Managers following the second meeting of the Unit Owners, such public liability insurance shall be a single limit of not less than \$2,000,000 in the aggregate and \$1,000,000 per occurrence, covering all claims for bodily injury and property damage with respect to any one occurrence.

(c) To the extent obtainable at a cost deemed reasonable by the Board of Managers, all policies of physical and liability insurance shall contain waivers of subrogation and waivers of any defense based on co-insurance or of pro-rata reduction of liability or of invalidity arising from any acts of the insured, and shall provide that such policies may not be canceled or substantially modified without at least ten (10) days' a prior written notice to all of the insured, including all mortgagees of Units of which the insurer has notice. Duplicate originals of all physical damage insurance and of all renewals thereof, together with proof of payment of premiums, shall be delivered to all mortgagees of Units of which the Board of Managers has notice and who has requested copies at least ten (10) days prior to the expiration of the then current policies. Each Unit Owner shall receive a certification of such insurance. Prior to obtaining any policy of fire insurance or any renewal thereof, the Board of Managers shall obtain an appraisal from a fire insurance company or otherwise of the Building (exclusive of the cost of excavation and foundations), including all of the Units, and all of the Common Elements therein including such property, without deduction for depreciation, for the purpose of determining the amount of fire insurance to be effected pursuant to this Section.

(d) If the Property is within a federally designated flood plain the Board of Managers shall insure the Insured Property against flood damage in such amounts as the Board of Managers determines.

(e) Unit Owners shall not be prohibited from carrying other insurance for their own benefit provided that all such policies shall contain waivers of subrogation in favor of the Board of Managers and other Unit Owners and further provided that the liability of the carriers issuing insurance obtained by the Board of Managers shall not be affected or diminished by reason of any such additional insurance carried by any Unit Owner.

(f) The Board of Managers shall have the right to charge any Unit Owner the cost of any increase in an insurance premium if due to any act, omission or activity of the Unit Owner, the occupants of the Unit or invitees, employees, agents or contractors of the Unit Owner, or if due to the condition of the Unit.

Section 3. Repair or Reconstruction after Fire or Other Casualty. In the event of damage to, or destruction of, the Building as a result of fire or other casualty (unless a Unit Owner or lienor exercises a right of partition as provided in the Condominium Act, the Board of Managers shall arrange for prompt repair and restoration of the Building (including all of the Units and the equipment installed by the Sponsor or the Board of Managers and partitions, floors and ceilings within the Units and installed by the Sponsor or the Board of Managers but not including any equipment, any wall, ceiling or floor decorations or coverings or other furniture, furnishings, fixtures or other personal property within the Unit) and the Board of Managers shall disburse the proceeds of all insurance policies and such additional sums, if any, as may be required, to the contractors engaged in such repair and restoration in appropriate progress payments. Any cost of such repair and restoration in excess of the insurance proceeds shall constitute a Common Expense and the Board of Managers may assess all the Unit Owners for such deficit as part of the Common Charges. No portion of the insurance proceeds shall be applied to the payment of the mortgage indebtedness of any Unit Owner except pursuant to applicable provisions of the Condominium Act.

If, as a result of damage or destruction of the Building by fire or casualty, the Property becomes subject to an action for partition by any Unit Owner or lienor, in accordance with the provisions of the Condominium Act, the Building will not be repaired and the net proceeds of sale, together with the net proceeds of insurance policies (or if there shall have been a repair or restoration pursuant to the first paragraph of this Section 3 and the amount of insurance proceeds shall have exceeded the cost of such repair or restoration, then the excess of such insurance proceeds) shall be divided by the Board of Managers among all the Unit Owners in proportion to their respective Common Interests, after first paying out of the share of each Unit Owner the amount of any unpaid liens on his, her or its Unit, in the order of the priority of such liens.

Section 4. Payment of Common Charges. All Unit Owners shall be obligated to pay the Common Charges and assessments assessed by the Board of Managers pursuant to the provisions of Section 1 of this Article V at such time or times as the Board of Managers shall determine.

No Unit Owner shall be liable for the payment of any part of the Common Charges or assessments assessed against his, her or its Unit subsequent to a sale, transfer or other conveyance by him, her or it (made in accordance with the provisions of Section 1 of Article VII of these By-Laws) of such Unit, together with the Appurtenant Interests (as defined in Section 1

of Article VII hereof.) In addition, any Unit Owner may, subject to the terms and conditions specified in these By-Laws, provided that his, her or its Unit is free and clear of liens and encumbrances (other than a first mortgage from an institutional lender) and the statutory lien for unpaid Common Charges, convey his, her or its Unit, together with the Appurtenant Interests, to the Board of Managers, or its designee, corporate or otherwise, on behalf of all other Unit Owners, without any compensation and in such event be exempt from Common Charges thereafter assessed. A purchaser of a Unit shall be liable for the payment of Common Charges assessed against such Unit prior to the acquisition by him, her or it of such Unit, except that a mortgagee or other purchaser of a Unit at a foreclosure sale of such Unit shall not be liable for, and such Unit shall not be subject to a lien for the payment of, Common Charges assessed prior to the foreclosure sale.

Section 5. Default in Payment of Common Charges or Assessments. In the event of a default by any Unit Owner other than the Sponsor in paying any installment of the Common Charges or any assessment as determined by the Board of Managers, such Unit Owner shall be obligated to pay a charge thereon at the lower of eighteen percent (18%) per year or the highest lawful rate on such Common Charges or assessments from the due date thereof, together with all expenses, including attorneys' fees, incurred by the Board of Managers in, and prior to, any action or proceeding brought to collect such unpaid Common Charges or assessments. The Board of Managers shall have the right and duty to attempt to recover such Common Charges or assessments together with interest thereon, and such expenses, in an action or proceeding to recover the same brought against such Unit Owner, or by foreclosure of the lien on such Unit granted by the Condominium Act, in the manner provided by the Condominium Act or otherwise as permitted by law.

Pursuant to Real Property Law Section 339-kk, if a non-occupying Unit Owner rents his, her or its Unit to a rental tenant and then fails to make payments due for common charges, assessments or late fees for such Unit within sixty days of the expiration of any grace period after they are due, upon notice per the By-laws, all rental payments from the tenant shall be directly payable to the condominium association. Payment by a rental tenant to the condominium association made in connection with Section 339-kk shall relieve that rental tenant from the obligation to pay such rent to the non-occupying Unit Owner and shall be an absolute defense in any non-payment proceeding commenced by such non-occupying Unit Owner against such tenant for such rent. If the common charges, assessments or late fees due for any Unit have not been paid in full, within sixty (60) days after the expiration of any grace period of the earliest due date, the Board shall provide written notice to the tenant and the non-occupying Unit Owner providing that, commencing immediately and until such time as all payments for common charges, assessments or late fees are made current, all rental payments due subsequent to the issuance of such notice are to be made payable to the condominium association at the address listed on the notice. Where a majority of the Board has been elected by and from among the Unit Owners who are in occupancy, the Board may elect not to require that rental payments be made payable to the condominium association. At such time as payments for common charges, assessments and late fees from the non-occupying Unit Owner are once again current, notice of such fact shall be given within three (3) business days to the rental tenant and non-occupying Unit Owner. Thereafter all rental payments shall be made payable to the non-occupying Unit Owner or a designated agent. A non-occupying Unit Owner who disputes the association's

claim to rental payments pursuant to Real Property Law Section 339-kk shall be entitled to present facts supporting such Unit Owner's position at the next scheduled meeting of the Board, which must be held within thirty (30) days of the date that such Board receives notice that such Unit Owner seeks to dispute such claim.

The Sponsor will cause the Board of Managers to file a lien as provided in Section 339-aa of the Condominium Act on Units in which the Sponsor is more than thirty (30) days in arrears of Common Charges while it is in control of the Board of Managers.

Section 6. Foreclosure of Liens for Unpaid Common Charges. If any action or proceeding is brought by the Board of Managers to foreclose a lien on a Unit because of unpaid Common Charges, the Unit Owner shall be required to pay a reasonable rental for the use of his, her or its Unit for any period of such use from the time of failure to pay Common Charges, until judgment and the plaintiff in such foreclosure action shall be entitled to the appointment of a receiver to collect the same. The Board of Managers, acting on behalf of all Unit Owners, shall have the power to purchase such Unit at the foreclosure sale and to acquire, hold, lease, mortgage, convey or otherwise deal with the same. A suit to recover a money judgment for unpaid Common Charges, interest thereon as specified in Section 5 of this Article and expenses of the Board of Managers in connection with the collection thereof (including attorneys' fees and disbursement) shall be maintainable without foreclosing or waiving the lien securing the same.

Section 7. Statement of Common Charges and Assessments. The Board of Managers (or a managing agent on its behalf) shall promptly provide to any Unit Owner so requesting the same in writing, a written statement of all unpaid Common Charges, assessments and other sums due from such Unit Owner.

Section 8. Abatement and Enjoinment of Violation by Unit Owners. The violation of any rule or regulation adopted by the Board of Managers, or the breach of any provision of these By-Laws, or the breach of any provision of the Declaration, shall give the Board of Managers the right, in addition to any other right by law or as set forth in these By-Laws: (a) upon reasonable notice to the Unit Owner, to enter the Unit in which, or as to which, such violation or breach exists and to summarily abate and remove, at the expense of the defaulting Unit Owner, any structure, thing or condition that may exist therein contrary to the intent and meaning of the provisions hereof or thereof (provided, however, that no prior notice shall be required in the event the Board of Managers shall determine that action is immediately necessary for the preservation or safety of the Property of the Condominium or otherwise for the safety of occupants of the Condominium or other persons or required to avoid the suspension of any necessary service to the Condominium or any Unit); and/or (b) to enjoin, abate or remedy by appropriate legal proceedings, either at law or in equity, the continuance of any such violation or breach; and/or (c) to seek compensation for damages caused by the violation or breach.

Section 9. Maintenance and Repair. (a) All maintenance, repairs and replacements to a Unit, whether structural or non-structural, ordinary or extraordinary (other than maintenance of, and repairs to, any Common Element contained therein and not necessitated by the negligence, misuse or neglect of the owner of such Unit or his, her or its tenants, invitees, employees, agents or contractors), shall be made by the owner of such Unit at his, her or its expense. Each Unit

Owner shall be responsible for all damages to any and all other Units and/or to the Common Elements, that result from his, her or its failure to perform such maintenance, repair or replacements.

(b) All maintenance, repairs and replacements to the Common Elements, whether located inside or outside of the Units (unless necessitated by the negligence, misuse or neglect of a Unit Owner or his, her or its tenants, invitees, agents, employees or contractors, in which case such expense shall be charged to such Unit Owner) shall be made by the Board of Managers and be charged to all Unit Owners as a Common Expense except as provided in these By-Laws with respect to specially allocated expenses and assessments.

(c) Maintenance, repair and replacement of the windows shall be the responsibility of the Board of Managers and the costs thereof shall be a Common Expense, except that Unit Owners shall be responsible for the cost of cleaning the inside face of windows at their Units. The Board of Managers may choose to require that all Unit Owners grant access to their Units to persons retained by the Board of Managers to clean the exterior surfaces of the windows and to maintain, repair and/or replace the windows.

(d) Notwithstanding the above, the Board of Managers shall have the responsibility (which shall constitute its only responsibility regarding those items) of painting or refinishing the exterior of doors opening out of Units (should same ever become necessary) in compliance with all applicable laws.

Section 10. Limited Common Elements. The Limited Common Elements shall be as described in the Declaration.

Section 11. Heating, Hot Water and Air-Conditioning Systems. All maintenance, repairs and replacements to the heating, hot water, and air-conditioning system solely serving a Unit, if any, shall be made by the Unit Owner at the Unit Owner's expense. Maintenance, repairs and replacements to any heating, hot water, or air-conditioning system serving the common areas and/or all Units in common shall be made by the Board of Managers and the costs thereof included in the Common Charges.

Section 12. Restrictions on Use of Units. In order to provide for congenial occupancy of the Property and for the protection of the values of the Units, the use of the Property shall be restricted to and shall be in accordance with the following provisions:

(a) All Units shall be used only in the manner and for the uses permitted in the Declaration and in conformity with all Legal Requirements.

(b) The Common Elements shall be used by Unit Owners and their invitees, employees, agents, and contractors and occupants of Units only for the furnishing of the services and facilities for which they are reasonably suited and which are incident to the use and occupancy of Units.

(c) No nuisances shall be allowed on the Property nor shall any use or practice be

allowed which unreasonably interferes with the peaceful possession or proper use of the Property by other Unit Owners and other occupants.

(d) No immoral, improper, offensive, or unlawful use shall be made of the Property or any part thereof by Unit Owners and their invitees, employees, agents, and contractors and occupants of Units, and all Legal Requirements relating to any portion of the Property or the use or condition thereof, shall be complied with, by and at the sole expense of each Unit Owner or the Board of Managers, whichever shall have the obligation to maintain or repair such portion of the Property except such expense shall be borne by a Unit Owner if the Unit Owner or other occupant of the Unit or any of the Unit Owners' invitees, employees, agents, or contractors caused the condition which must be remedied.

(e) No portion of a Residential Unit (other than the entire Unit and its appurtenant interests) may be rented, and no transient tenants may be accommodated therein.

(f) No Unit Owner shall keep or do anything in a Unit or the Common Elements or Limited Common Elements which will increase the rate of insurance of the Building, or contents thereof, without the prior written consent of the Board of Managers. Without affecting the obligation of the Owner of a Unit to remove or abate anything which increases the rate of such insurance, the Unit Owner shall pay to the Board of Managers the amount of such increase within three (3) days of written demand.

(g) Those public or other areas of the Building exposed to public view that are required to be maintained by a Unit Owner or the Board of Managers shall be kept by each in good appearance in conformity with the dignity and character of the Building, as determined by the Board of Managers.

(h) The Parking Units may only be purchased by a Unit Owner or a Purchaser of a Unit and may only be used by Unit Owners or Unit occupants for the parking of motor vehicles and uses incidental thereto. The Sponsor reserves the right, in its sole discretion, to decline an offer from a Unit Owner or a Purchaser of a Unit to purchase a Parking Unit, and to rent instead of to sell the Parking Units. The Parking Units may be sold or leased by a Unit Owner separately from his or her Unit, but only to another Unit Owner (or, in the case of a lease, to another Unit occupant) and subject to a right of first refusal in favor of the Board of Managers. The sale or lease of any Units by the Sponsor or other owner(s) of Unsold Units is not subject to such right of first refusal.

Section 13. Additions, Alterations or Improvements by Board of Managers. Additions, alterations, or improvements may be made by the Board of Managers without approval of Unit Owners, except that (a) no addition, alteration or improvement costing more than \$15,000 shall be made without the approval of the Sponsor and all other owners of Unsold Units as long as there are any Unsold Units (unless such addition, alteration or improvement is necessary in order to comply with Legal Requirements or is necessary to protect the Property from deterioration), and (b) no additions, alterations or improvements costing more than \$15,000 shall be made unless approved by sixty-six and two-thirds percent (66 23/%) in number and in Common Interest of the Unit Owners, including the Sponsor or its designee. The Board of Managers shall proceed with duly authorized additions, alterations or improvements and shall assess each Unit

Owner his, her or its proportionate share of the cost as part of the Common Expenses or as a special assessment, or shall pay for the addition, alteration or improvement from reserves accumulated for purposes of same or shall borrow funds to pay therefore as described below. Additions, alterations or improvements costing \$15,000 or less may be made by the Board of Managers without approval of Unit Owners and the cost thereof shall constitute part of the Common Expenses.

Section 14. Additions, Alterations or Improvements by Unit Owners. No Unit Owners shall make any addition, alteration or improvement in or to his, her or its Unit which is structural or which affects the value of other Units or which affects the exterior of the Building, without the prior written consent thereto of the Board of Managers (and if required, of his, her or its mortgagee). The Board of Managers shall answer any written request by a Unit Owner for approval of a proposed addition, alteration or improvement in or to a Unit, within thirty (30) days after such request; and failure to do so within such time shall constitute a consent by the Board of Managers to the proposed addition, alteration or improvement. The Board of Managers may condition its approval in any way it deems appropriate. Any application to any governmental authority having or asserting jurisdiction, for a permit to make an addition, alteration or improvement in or to any Unit shall be executed by the Board of Managers only, without, however, incurring any liability on the part of the Board of Managers or any of them to any Unit Owner, contractor, subcontractor, materialman, architect or engineer on account of such addition, alteration or improvement, or to any person having any claim for injury to person or damage to property arising therefrom. This Section 14 shall not apply to a Unit owned by the Sponsor or Sponsor-affiliate.

The Board of Managers will execute any application or other document required to be filed with any governmental authority having or asserting jurisdiction in connection with any addition, alteration, improvement or repair or any subdivision, combination or change in the boundary walls made by the Sponsor or a Sponsor-affiliate to any Unit held by it, provided, however, that neither the Board of Managers nor any of them nor any Unit Owner other than the Sponsor or Sponsor-affiliate shall be subjected to any expense or liability by virtue of the execution of the application or such other document.

Non-structural alterations and improvements to Units that do not affect the exterior of the Building or the value of other Units may be made without the prior approval of the Board of Managers, except any alterations and/or improvements to an appurtenant Limited Common Element shall require the prior approval of the Board of Managers, which approval may be withheld or conditioned at the sole discretion of the Board of Managers.

In the event that a Unit Owner wishes to make either structural or non-structural additions, alterations, improvements in or to his, her, its Unit or the Limited Common Element associated with his, her or its Unit, the Board of Managers may regulate:

- (a) the time periods during which work is permitted;
- (b) the manner in which construction debris will be handled;

- (c) the measures which must be taken to prevent compromising the security of the Building during construction;
- (d) the interruption of services during construction;
- (e) liability insurance for contractors during construction; and
- (f) such other matters as are necessary for the safety and continued enjoyment of the Building by all Unit Owners.

The Board of Managers may, at its option, require the Unit Owner to execute an agreement in form and substance satisfactory to the Board setting forth the terms and conditions under which the addition, alteration or improvement may be made.

Section 15. Use of Common Elements and Facilities.

(a) A Unit Owner shall not store any furniture, packages or objects or any kind in any part of the Common Elements other than a Limited Common Element appurtenant to his, her or its Unit.

(b) The Common Elements and facilities shall be used only for those purposes for which they are reasonably suited and capable. No Unit Owner shall make any addition, alteration, improvement or change in, or to, any Common Element (including, without limitation, the exterior of the Building) without the prior written consent of the Board of Managers (and the holders of Unit first mortgages, if required), except as permitted with respect to Limited Common Elements. The Sponsor and any Sponsor-affiliate shall have the right to alter and use the Common Elements, without charge, for the purposes and in the manner permitted herein and in the Declaration.

Section 16. Right of Access. A Unit Owner shall grant a right of access to his, her or its Unit, including any appurtenant Limited Common Element, to the manager and/or the managing agent and/or any other person authorized by the Board of Managers, the manager or the managing agent, for the purpose of making inspections or for the purpose of correcting any condition originating in his, her or its Unit and threatening another Unit or a Common Element, or for the purpose of performing installations, alterations, additions or repairs to the mechanical or electrical services or other Common Elements in his, her or its Unit or elsewhere in the Building or to correct any condition which violates any Legal Requirement, provided that request for entry is made in advance and that any such entry is at a time reasonably convenient to the Unit Owner and further provided that such right shall be exercised in such a manner as will not unreasonably interfere with the proper use of the Units. In case of any emergency, such right of entry shall be immediate, whether the Unit Owner is present at the time or not.

Section 17. Water, Gas and Electricity. Electricity to Units will be supplied by the public utility companies serving the area through individual meters and billed by such companies to each Unit Owner. The cost of electricity and gas, if any, for common areas, as measured by one or more building meters, will be borne by the Unit Owners and will be included in the Common Charges,

subject to special allocation, if any, as described in Section 1 of Article V of these By-Laws. Water will be supplied to all Units by the City of New York or other public utility and the cost thereof will be included in the Common Charges, except as otherwise provided in these By-Laws.

Section 18. Rules and Regulations.

(a) The rules and regulations adopted by the Board of Managers may be promulgated and amended from time to time by the Board of Managers provided that copies of such Rules and Regulations are furnished to each Unit Owner not less than five (5) days prior to the time that they become effective. Any rule or regulation may be rescinded by a vote of owners of two-thirds (2/3rds) of the Units at a meeting duly called for such purpose.

(b) The Condominium's initial rules and regulations are attached hereto as Schedule A.

Section 19. Default by Unit Owners and Expenses of Board of Managers.

(a) In the event a Unit Owner fails to make any payment due to the Board of Managers by the due date thereof, then a charge shall accrue on the unpaid sum at the lower of eighteen percent (18%) per annum and the highest rate permitted by law from the due date thereof until payment is made.

(b) In the event the Board of Managers incurs any expense (including attorneys' fees) in connection with the failure of any Unit Owner to abide by the provisions of these By-Laws or the Declaration, then the defaulting Unit Owner shall pay to the Board of Managers the amount of such expense no later than three (3) days after notice of the amount thereof from the Board of Managers or its designee to the defaulting Unit Owner.

(c) If a Unit Owner shall fail to pay any sum due to the Board of Managers pursuant to this Section 19, the Board of Managers shall have all of the rights with respect to such sum and such failure which the Board of Managers would have with respect to a failure to pay Common Charges to the extent permitted by the Condominium Act.

ARTICLE VI
Mortgages

Section 1. Mortgage of Units. Each Unit Owner shall have the right to mortgage his, her or its Unit without restriction provided that any such mortgage shall be granted to a bank or insurance company or a savings and loan association or a mortgage company affiliated with any of the foregoing or a governmental agency, or unless such mortgage shall be substantially in the form available from the Board of Managers, and provided further that a copy of each mortgage and the note secured thereby shall be delivered to the Board of Managers promptly after execution and delivery thereof together with a written notice of the name and address of the mortgagee for the purposes of notices to the mortgagee.

Section 2. Notice of Unpaid Common Charges or Other Default. The Board of Managers,

whenever so requested in writing by a mortgagee of a Unit, shall promptly report any then unpaid Common Charges or assessments levied by the Board of Managers due from, or any default by, the owner of the mortgaged Unit.

Section 3. Notice of Default. The Board of Managers, when giving notice to a Unit Owner of a default in paying Common Charges or assessments or other default, shall send a copy of such notice to each holder of a mortgage covering such Unit whose name and address had theretofore been furnished to the Board of Managers and which requested such notice.

Section 4. Examination of Books. Each Unit Owner and each mortgagee of a Unit shall be permitted to examine the books of account of the Condominium at reasonable times, on business days.

ARTICLE VII Sales and Leases of Units

Section 1. Sales and Leases. The Board of Managers shall have the rights set forth in this Section ("Right of First Refusal") with respect to the sale and lease of Units.

(a) No Unit Owner may sell his, her or its Unit or any interest therein except by complying with the following provisions:

Any Unit Owner who receives a bona fide offer (hereinafter called an "Outside Offer") for the purchase of his, her or its Unit, which offer shall be deemed to include, for the purposes of this Article VII, the purchase of (i) the Unit Owner's undivided interest in the Common Elements; (ii) the interest of such Unit Owner in any Units theretofore acquired by the Board of Managers, or its designee, on behalf of all Unit Owners, and the proceeds of the sale or lease thereof, if any; and (iii) the interest of such Unit Owner in any other assets of the Condominium (which interests are collectively referred to as "Appurtenant Interests") which the Unit Owner intends to accept, shall give notice to the Board of Managers of such offer and of such intention, the name and address of the proposed purchaser, the terms of the proposed transaction and such other information as the Board of Managers may reasonably require, and shall offer to sell such Unit, together with the Appurtenant Interests, to the Board of Managers, or its designee, corporate or otherwise, on behalf of the owners of all other Units, on the same terms and conditions as contained in such Outside Offer. The giving of such notice shall constitute a warranty and representation by the Unit Owner who received the Outside Offer to the Board of Managers on behalf of the other Unit Owners that such Unit Owner believes the Outside Offer to be bona fide in all respects. Within thirty (30) days after receipt of such notice, the Board of Managers may elect by notice to such Unit Owner either (iv) to purchase such Unit, together with the Appurtenant Interests (or to cause the same to be purchased by its designee (corporate or otherwise) on behalf of all other Unit Owners) on the same terms and conditions as contained in the Outside Offer and as stated in the notice from the offering Unit Owner, on the same terms and conditions contained in the Outside Offer and as stated in the notice from the offering Unit Owner, or (v) to produce a purchaser who will purchase such Unit, together with the Appurtenant Interests, on the same terms and conditions contained in the Outside Offer and as

stated in the notice from the offering Unit Owner. In the event the Board of Managers shall elect to purchase such Unit, together with the Appurtenant Interests, or to cause the same to be purchased by its designee, corporate or otherwise, title shall close at the office of the attorneys for the Condominium in accordance with the terms of the offer but not more than sixty (60) days after the giving of notice by the Board of Managers of its election to accept such offer. At the Closing, the Unit Owner shall convey the Unit (and Appurtenant Interests) to the Board of Managers or to its designee, on behalf of all other Unit Owners by deed in the form required by Section 339-o of the Real Property Law of the State of New York, with all transfer stamps affixed, and shall pay all transfer and other taxes arising out of such sale, unless the Outside Offer permits otherwise. Real estate taxes, mortgage interest on any mortgage assumed by the Board of Managers or other purchaser and Common Charges and Expenses shall be apportioned between the Unit Owner and the Board of Managers, or its designee, as of midnight of the day immediately preceding such Closing date. In the event the Board of Managers or its designee shall fail to accept such offer or to produce a purchaser within thirty (30) days as aforesaid or fails to act within said thirty (30) days, the offering Unit Owner shall be free to contract to sell such Unit, together with the Appurtenant Interest, within ninety (90) days after the expiration of the period in which the Board of Managers or its designee might have elected to purchase or cause the purchase of such Unit with Appurtenant Interests on the terms and conditions set forth in the notice from the Unit Owner to the Board of Managers of the Outside Offer. Any deed to an outside purchaser shall provide that the acceptance thereof by the grantee shall constitute an assumption of the provisions of the Declaration, the By-Laws and the Rules and Regulations, as the same may be amended from time to time. In the event the offering Unit Owner shall not, within said ninety (90) days, contract to sell such Unit, together with the Appurtenant Interests, to the outside purchaser on the terms and conditions contained in the Outside Offer, or if the Unit Owner shall so contract to sell such Unit, together with the Appurtenant Interests, to such outside purchaser on the terms and conditions in the Outside Offer, but such sale shall not be consummated pursuant to the terms of such contract, then should the offering Unit Owner thereafter elect to sell such Unit (any such sale being deemed to include the Appurtenant Interests) to the same or another outside purchaser on the same or other terms or conditions, the offering Unit Owner shall be required to again comply with all of the terms and provisions of this Section 1 of this Article VII.

(b) No Unit Owner may lease his, her or its Unit except by complying with the following provisions:

Any Unit Owner who receives a bona fide offer for a lease (the "Lease Offer") of his, her or its Unit, which he, she or it intends to accept, shall give notice to the Board of Managers of such offer and of such intention, the name and address of the proposed lessee, the terms of the proposed lease, references for the proposed lessee, and such other information as the Board of Managers may reasonably require and shall offer to lease such Unit to the Board of Managers, or its designee, corporate or otherwise, on the same terms and conditions as the Lease Offer. The Board of Managers shall have the same right of election to lease the Unit on behalf of all Unit Owners or to produce a lessee for the Unit as contained in subsection (a) above relating to the purchase of Units. In the event the Board of Managers or its designee shall fail to accept the Lease Offer or to produce a lessee to accept the Lease Offer or fails to act within the time period set forth in subsection (a) the Unit Owner shall be free to lease such Unit to the proposed lessee

of the Lease Offer on the terms and conditions contained in the Lease Offer, provided such lease shall be executed within sixty (60) days after the expiration of the period in which the Board of Managers or its designee might have elected to lease or produce a lessee on the terms and conditions of the Lease Offer.

Any such lease shall be consistent with these By-Laws and shall provide that it may not be modified, amended, extended or assigned, without the prior consent in writing of the Board of Managers, that the lessee shall not sublet the demised premises or any part thereof without the prior consent in writing of the Board of Managers, that the Board of Managers shall have power to terminate such lease and/or to bring summary proceedings to evict the lessee in the name of the landlord thereunder in the event of default by the lessee under the provisions of such lease, and the Board of Managers shall have the right to terminate the lease on not less than thirty (30) days prior written notice upon foreclosure of the lien for Common Charges granted herein and pursuant to the Condominium Act. Except as hereinbefore set forth, the form of any such lease shall be the then current form of apartment lease recommended by The Real Estate Board of New York, Inc., except as may be otherwise provided herein or by the Board of Managers.

(c) Any purported sale or lease of a Unit in violation of this Section shall be voidable at the election of the Board of Managers.

(d) The Board of Managers may establish a reasonable fee for the processing of Unit sales and leases and notices relating to the Board of Manager's rights of first refusal. Such fee shall be payable by the selling or leasing Unit Owner, as the case may be.

Section 2. Consent of Unit Owners to Purchase of Units by Board of Managers. The Board of Managers shall not exercise any option to acquire or lease a unit as set forth in Section 1 of this article set forth to purchase or lease any Unit without the prior approval of owners of Units constituting sixty six and two-thirds percent (66 2/3%) of the Common Interest, not including the Unit Owner who or which wishes to sell or lease. If the Board of Managers does not have sufficient funds on hand for the acquisition and maintenance of a Unit which has been approved by the Unit Owners, the Board of Managers may either borrow such funds or may assess the Unit Owners therefor in proportion to their respective Common Interest, not including the Unit Owner of the sold or leased Unit.

Section 3. No Severance of Ownership. No Unit Owner shall execute any deed, mortgage, or other instrument transferring, conveying or mortgaging title to his, her or its Unit without simultaneously transferring conveying or mortgaging the Appurtenant Interests. Any deed, mortgage or other instrument purporting to affect the transfer, conveyance or mortgage of a Unit without including all such Appurtenant Interests shall be deemed and taken to include the interest or interests so omitted even though the latter shall not be expressly mentioned or described therein. No part of the Appurtenant Interests of any Unit may be transferred, conveyed, mortgaged, or otherwise disposed of, except as part of a transfer, conveyance, mortgage or other disposition of the Unit to which such interests are appurtenant, or as part of a transfer, conveyance or mortgage or other disposition of such part of the Appurtenant Interests of all Units.

Section 4. Release by Board of Managers of Right of First Refusal. The Right of First Refusal may be released or waived by the Board of Managers, in which event the Unit, together with the Appurtenant Interests, may be leased, sold or conveyed free and clear of the provisions of Section 1 of this Article VII.

Section 5. Certificate of Termination of Right of First Refusal. A certificate, executed and acknowledged and in recordable form by the Secretary of the Condominium, stating that the provisions of Section 1 of this Article VII have been met by a Unit Owner, or have been duly waived by the Board of Managers, and that the rights of the Board of Managers thereunder have terminated, shall conclusively bind the Board of Managers and the Unit Owners in favor of all persons who rely thereon in good faith. Such certificate shall be furnished to any Unit Owner who has in fact complied with the provisions of Section 1 of this Article VII or with respect to whom the provisions of such Section have been waived, upon request.

Section 6. Financing of Purchase and Lease of Units by Board of Managers. Acquisition and lease of Units by the Board of Managers, or its designee, on behalf of all Unit Owners and payment of the costs and expenses associated therewith may be made from the working capital and Common Charges in the hands of the Board of Managers, or if such fund are insufficient, the Board of Managers may levy an assessment against each Unit Owner, excepting the Unit Owner of the sold or leased Unit, in proportion to such owner's interest in the Common Elements, as a Common Charge, which assessment shall be enforceable in the same manner as provided in Sections 5 and 6 of Article V, or the Board of Managers, in its discretion, may borrow money to finance the acquisition or lease of such Unit (together with associated costs and expenses), provided, however, that no financing may be secured by an encumbrance or hypothecation of any property other than the Unit, together with its Appurtenant Interests, so to be acquired by the Board of Managers.

Section 7. Gifts and Devises, etc. Any Unit Owner shall be free to convey or transfer his, her or its Unit and Appurtenant Interests by gift, or to devise his, her or its Unit and Appurtenant Interests by will or to pass the same by intestacy without restriction.

Section 8. Waiver or Right of Partition with Respect to Such Units As Are Acquired by the Board of Managers, or Its Designee, on Behalf of All Unit Owners As Tenants in Common. In the event that a Unit shall be acquired by the Board of Managers, or its designee, on behalf of all Unit Owners as tenants in common, all Unit Owners shall be deemed to have waived all rights of partition with respect to such Unit.

Section 9. Payment of Common Charges and Assessments. No Unit Owner shall be permitted to convey, mortgage, pledge, hypothecate, sell or lease his, her or its Unit unless and until the Unit Owner shall have paid in full to the Board of Managers all unpaid Common Charges and assessments and expenses theretofore assessed by the Board of Managers against the Unit and until he, she or it shall have satisfied all unpaid liens against such Unit, except permitted mortgages or except in the case of a foreclosing mortgagee.

Section 10. Exceptions. The provisions of Section 1 of this Article VII shall not apply with respect to (a) any sale, conveyance or lease of a Unit and Appurtenant Interests to a Unit

Owner's spouse, including domestic partners registered as such with the City of New York, or child or children over the age of eighteen (18) years or parent or parents or brother or sister, or any more than one of them, or (b) any sale, conveyance or lease of a Unit and Appurtenant Interests to a trust for the benefit of the Unit Owner or for the benefit of one or any more than one of the persons stated in (a) of this Section 11, or (c) the acquisition, conveyance, sale or lease of a Unit and Appurtenant Interests by the Sponsor, a Sponsor-affiliate or another owner of an Unsold Unit, or (d) the acquisition, sale or lease of a Unit, together with its Appurtenant Interests, by a mortgagee who shall acquire title to such Unit by foreclosure or by deed in lieu of foreclosure. The Board of Managers shall be required to cooperate in providing appropriate physical access to any Unit (and related Common Elements) described in Subdivision (c) and (d) of this Section 10, as well as all financial information regarding same.

Section 11. Mortgage of Units. Each Unit Owner shall have the right to mortgage his, her or its Unit without restriction provided that any such mortgage shall be granted to a bank or insurance company or a savings and loan association or a mortgage company affiliated with any of the foregoing or a governmental agency, provided that such mortgage shall be substantially in the form available from the Board of Managers, and provided further that a conformed copy of each note and mortgage shall be delivered to the Board of Managers promptly after execution and delivery thereof.

Section 12. Voting Rights and Proceeds. Units held by the Board of Managers shall not carry any voting rights. Proceeds from the disposition of a Unit held by the Board of Managers shall be received by the Board on behalf of all Unit Owners in proportion to their respective Common Interest.

Section 13. Power of Attorney to Board of Managers. At the time of acquisition of a Unit and as a condition thereof, the new Unit Owner shall be required to execute, acknowledge and deliver to the Board of Managers a Unit Owner's Power of Attorney in favor of the Board (and the Sponsor, if applicable), in the form required by the Board, in accordance with the Declaration. The new Unit Owner shall be responsible for having said Power of Attorney recorded, returnable to the Board, and paying the fees therefor.

Section 14. Abandonment. No Unit Owner may exempt himself from liability for his common charges by waiver of the use or enjoyment of any of the common elements or by abandonment of his Unit. Subject to such terms and conditions as may be specified in the By-Laws, any Unit Owner may, by conveying his Unit and his Common Interest to the Board of Managers on behalf of all other Unit Owners, exempt himself from common charges thereafter accruing.

ARTICLE VIII

Records

The Board of Managers shall keep detailed records of the actions of the Board of Managers, minutes of the meetings of the Board of Managers, minutes of the meetings of the Unit Owners, and financial records and books of account of the Condominium, including a chronological listing of receipts and expenditures, as well as a separate account for each Unit

which, among other things, shall contain the amount of each assessment of Common Charges against such Unit, the date when due, the amounts paid thereon and the balance remaining unpaid.

An annual report of the receipts and expenditures of the Condominium, certified or audited, as the Board of Managers may choose, by an independent certified public accountant, shall be given by the Board of Managers to all Unit Owners and to all mortgagees of Units who have requested the same promptly after the end of each fiscal year but not later than six (6) months after the end of the Condominium year. The cost of such report shall be paid by the Board of Managers as a Common Expense.

ARTICLE IX Miscellaneous

Section 1. Notices. All notices hereunder shall be sent by registered or certified mail to the Board of Managers at the office of the Board of Managers or to such other address as the Board of Managers may designate from time to time by notice in writing to all Unit Owners and to all mortgagees of Units. All notices to any Unit Owner shall be sent by registered or certified mail to the Unit Owner at the Building or to such other address as may have been designated by the Unit Owner from time to time by notice in writing to the Board of Managers. All notices to mortgagees of Units shall be sent by registered or certified mail to their respective addresses, as designated by the respective mortgagee from time to time, in writing, to the Board of Managers. All notices shall be deemed to have been given when mailed, except notices of change of address which shall be deemed to have been given when received. Where these By-Laws permit the use of notice by facsimile, such notice shall be deemed effective on the date faxed.

The Board shall notify by first-class mail holders of Unit mortgages and, to the extent known by the Board, guarantors of a Unit mortgage, of (a) any condemnation or casualty loss affecting either a material portion of the Property or the Unit securing a mortgage, (b) a lapse, cancellation or materially adverse modification of the insurance policy maintained by the Board and (c) any proposed action by the Board that requires the consent of holders of Unit mortgages. For purposes of this paragraph, the date of mailing shall be deemed to be the date of the giving of notice.

Section 2. Invalidity. The invalidity of any part of these By-Laws shall not impair or affect in any manner the validity, enforceability or effect of the balance of these By-Laws.

Section 3. Captions. Captions are inserted in these By-Laws only as a matter of convenience and for reference, and in no way define, limit or describe the scope of these By-Laws, or the intent of any provision hereof.

Section 4. Gender and Number. The use of the masculine gender in these By-Laws shall be deemed to include the feminine gender and the neuter. The singular shall be deemed to include the plural and vice-versa whenever the context so requires.

Section 5. Waiver. No restriction, condition, obligation, or provisions contained in these By-Laws shall be deemed to have been abrogated or waived by reason of any failure to enforce the same, irrespective of the number of violations or breaches thereof which may occur.

Section 6. Definition of "Mortgagee." As used in these By-Laws, the term "mortgagee" or "holder of a first mortgage" shall include the holder of any construction loan mortgage which shall be a lien on a Unit.

Section 7. Application of Payments. The Board of Managers, and the managing agent on its behalf, may apply any funds received on or on behalf of any Unit Owner to any sum due from such Unit Owner to the Condominium which the Board of Managers or the managing agent may elect, notwithstanding any direction from the Unit Owner as to how any payment shall be applied or any notation on any check or any condition attached to such payment.

Section 8. No Discrimination. The Board of Managers shall not discriminate against any person on the basis of race, creed, color, national origin, sex, sexual orientation, age, disability, marital status or other grounds prohibited by law.

Section 9. Termination. If withdrawal of the Property from application of the Condominium Act is authorized by at least eighty percent (80%) of the Unit Owners in number and in Common Interest (and if required by the respective mortgages, their first mortgagees, if any, of such Unit), then the Property shall be subject to an action or partition by any Unit Owner or lienor as if owned in common, in which event the net proceeds of sale shall be divided among all the Unit Owners in proportion to their respective Common Interests, provided, however, that no payment shall be made to a Unit Owner until there has first been paid off out of his, her or its share of such net proceeds all liens on his, her or its Units. The Sponsor or its nominee will not cast any of its votes for withdrawal, unless eighty percent (80%) of the Unit Owners other than the Sponsor so vote, in which event the Sponsor will be free to cast its votes either for or against withdrawal.

Section 10. Arbitration. Any controversy between Unit Owners or any claim by a Unit Owner against the Condominium or another Unit Owner arising out of or in relation to the Declaration, By-Laws or Rules and Regulations of the Condominium shall be settled by arbitration in accordance with the Rules of the American Arbitration Association, and judgment upon the award rendered by the Arbitration may be entered in any court having jurisdiction thereof.

ARTICLE X Amendments to By-Laws

Except as hereinafter provided otherwise, these By-Laws may be modified or amended with the approval of at least sixty-six and two-thirds percent (66 2/3%) in number and in Common Interest of all the Unit Owners, upon notice as provided in Section 4 of Article III of these By-Laws.

The following provisions of these By-Laws may not be amended without the consent in writing of the Sponsor or Sponsor-affiliate so long as it shall be the owner of one or more Units:

(a) Section 2 of Article II - Insofar as it provides that the Board of Managers may not exercise certain powers without the Sponsor's or Sponsor-affiliate's consent for a period specified therein or so long as the Sponsor or a Sponsor-affiliate shall continue to own one or more Units.

(b) Section 1 of Article III - Insofar as it provides that the Sponsor or Sponsor-affiliate, so long as it is the owner of a Unit, shall be entitled to elect members of the Board of Managers, which members need not be Unit Owners.

(c) Section 8 of Article III - Insofar as it provides that the Sponsor or Sponsor-affiliate, so long as it is the owner of one or more Units, may cast the votes appurtenant thereto.

(d) Section 14 of Article V - Insofar as it provides that the provisions of such Section shall not apply to any Units owned by the Sponsor, Sponsor-affiliate, or any designee of same.

(e) Section 15 of Article V - Insofar as it provides for rights of the Sponsor and Sponsor-affiliate with respect to the use and alteration of the Common Elements so long as the Sponsor or a Sponsor-affiliate owns one or more Units.

(f) Section 11 of Article VII - Insofar as it applies to the Sponsor or a Sponsor-affiliate.

(g) This Article X.

(h) Any other provision of these By-Laws granting the Sponsor or a Sponsor-affiliate rights as such, or the amendment of which would adversely affect the Sponsor or any Sponsor-affiliate.

ARTICLE XI

Conflicts

These By-Laws are intended to comply with the requirements of Article 9-B of the Real Property Law of the State of New York. In case any of these By-Laws conflict with the provisions of said statute or of the Declaration, the provisions of said statute or of the Declaration, as the case may be, shall control.

ARTICLE XII

Certain Remedies

Section 1 Self Help. If any Unit Owner shall violate or breach any provision of the Declaration, these By-Laws or the Rules and Regulations and shall fail to cure such violation or breach within

five days after receipt of written notice of the same from the Board of Managers (or, with respect to any violation or breach of the same not reasonably susceptible to cure within such period, to commence such cure within such five day period and, thereafter, to prosecute such cure diligently to completion) or immediately in the case of an emergency, the managing agent if any, and the Board of Managers shall have the right to enter such Unit Owner's Unit and summarily to abate, remove, or cure such violation or breach without thereby being deemed guilty or liable in any manner of trespass. In the event that the Board of Managers shall determine that the abatement, removal, or cure of any such violation or breach is immediately necessary for the preservation or safety of the Building or for the safety of the occupants of the Building or other individuals or is required to avoid the suspension of any necessary service in the Building the Board of Managers may take such action immediately, without prior notice and without allowing the said Unit Owner any period of time within which to cure or to commence to cure such violation or breach.

Section 2 Abatement and Enjoinment.

(b) Any violation or breach of any provision of the Declaration, these By-Laws or the Rules and Regulations with respect to any of the rights, easements, privileges or licenses granted to the Sponsor or other owner of an Unsold Unit shall give to Sponsor or such owner, the right to enjoin, abate, or remedy the continuation or repetition of any such violation or breach by appropriate proceedings either at law or in equity.

The exercise of any remedy or failure to exercise any remedy shall not operate as a waiver, or preclude the exercise, of the remedy at any time or any number of times or the exercise of any other remedy.

Section 4 Costs and Expenses. All sums of money expended, and all costs and expenses (including reasonable attorneys fees and disbursements) incurred, in connection with any breach or violation of the Declaration, these By-Laws or the Rules and Regulations and any cure, abatement, remedy, injunction, proceeding or other action in connection with such breach or violation, (a) by the Board of Managers or (b) by the Sponsor or other owner of an Unsold Unit shall be paid immediately upon demand (y) by the Unit Owner committing the breach or violation to the Board of Managers (if expended or incurred by the Board of Managers) or (z) by the offending party (i.e., the Board of Managers or a Unit Owner or Unit Owners) to the Sponsor or other owner of an Unsold Unit (if expended or incurred by the Sponsor or such owner). 7. No animal of any kind shall be raised, bred, or kept in any Unit or in the Common Elements or Limited Common Elements, except subject to the rules and regulations adopted by the Board of Managers from time to time. 16. If any key or keys are entrusted by a Unit Owner or occupant or by his, her or its agent, servant, employee, licensee or visitor to an employee of the Board of Managers, whether for such Unit or for an automobile, trunk or other item of personal property, the acceptance of the key shall be at the sole risk of such Unit Owner or occupant, and the Board of Managers shall not be liable for injury, loss or damage of any nature whatsoever directly or indirectly resulting therefrom or connected therewith.

Interim Lease

This Interim Lease (the "Agreement") is made as of the _____ day of _____, 201__ between 668-670 Union ST LLC ("Seller") and [Purchaser] ("Purchaser").

WHEREAS Purchaser under a "Purchase Agreement" dated _____ and as amended to date, has agreed to purchase Unit _____ ("Unit") of the 670 Union Street Condominium (the "Condominium"), located at 670 Union Street, Brooklyn, New York (the "Property");

WHEREAS Purchaser has placed \$_____ (the "Down Payment") in escrow with Marcus Attorneys (the "Escrow Agent") under the terms of the Purchase Agreement and the Condominium offering plan (the "Plan"); and

WHEREAS Purchaser wishes to enter upon the Property and to occupy the Unit prior to the closing of title under the terms hereinafter stated.

NOW, THEREFORE, in consideration of the granting of the right to Purchaser to take possession of the Unit on _____ without first having paid the Total Purchase Price under the Purchase Agreement, Purchaser and Seller jointly agree to the following:

1. Seller leases to Purchaser the Unit at the fee and for the term hereinafter provided. Purchaser shall have the right to use and occupy the Unit as provided in this Agreement. There is no landlord-tenant relationship between Seller and Purchaser. This Agreement is not subject to any lease or lease regulatory laws, rules or regulations.
2. Purchaser will, at Purchaser's expense, promptly comply with all laws, orders, rules, requests and directions of all governmental authorities, Seller's insurers, Board of Fire Underwriters, or similar groups, pertaining to the Unit and the Property and Purchaser's use thereof. Purchaser, Purchaser's agents, guests or invitees and the "Occupants" of the Unit shall not perform any action that may increase the Property's insurance premiums. In the event that any action of Purchaser or Purchaser's agents, guests or invitees shall cause an increase in the Property's insurance premiums, Purchaser shall pay the increase as an additional fee.
3. Subject to the terms of paragraph 17 of this Agreement and to the terms of the Limited Warranty (as set forth in the Plan) to be given to Purchaser at the Closing, Purchaser hereby assumes responsibility for all damages to the Unit and accepts the Unit in its "as is" condition.
4. Purchaser and the Occupants hereby indemnify and hold Seller, Seller's members, managers, agents, employees, successors, assigns and contractors harmless, to the fullest extent permitted by law, from and against any and all claims, liabilities, obligations, damages, penalties, claims, costs, charges and expenses, including reasonable attorney's fees, that may be imposed upon, or incurred by, or asserted against, Seller by Purchaser or Occupants, their agents, employees, successors, assigns, independent contractors, guests or invitees, by reason of any damage arising from the negligent acts of Seller or Seller's members, managers, agents, employees, successors,

assigns or contractors during Purchaser's and/or Occupant's occupancy of the Unit and Property.

5. Purchaser will assume all obligations for maintenance and repair of the Unit during the term of this Agreement, except for those obligations that are the responsibility of the Condominium to maintain or repair pursuant to the Plan and any obligations of Seller under this Agreement. If the Purchase Agreement is cancelled, Purchaser will be responsible for delivery of the Unit at the conclusion of the Agreement in a physical condition equal to that which existed at the time of execution of this Agreement.
6. To secure Purchaser's compliance with all terms of this Agreement, the Down Payment shall also serve as Purchaser's security deposit for this Agreement. If Seller incurs any expenses in connection with a breach of this Agreement by Purchaser, Seller may deduct any fees, additional fees, or any of Seller's reasonable expenses in connection with such breach, including legal fees, from Purchaser's security, without waiving Purchaser's default. Seller and Purchaser, as parties to the Purchase Agreement, hereby direct Escrow Agent to make payment to Seller of any sums due to Seller under this paragraph. If the Seller draws down Purchaser's security pursuant to this Agreement, it shall be an additional breach hereunder if Purchaser shall fail to replenish the amount drawn down within five (5) business days after notice from Seller to Purchaser.
7. Except as otherwise set forth in this Agreement, any mortgage contingency provision contained in, and any other provisions of, the Purchase Agreement that permit the Purchaser to terminate the Purchase Agreement are hereby void and no longer in effect.
8. The term of this Agreement shall commence on _____ and shall end at the earliest to occur of (a) the closing of title to the Unit, (b) _____ or (c) termination of this Agreement pursuant to its terms (the "Term").
9. Purchaser agrees to pay to Seller \$ _____ per month (the "Fee") on or before the first day of each month, in advance, for use and occupancy of the Unit during the Term (or pro rata per day for each day of a partial month of occupancy). The first month's Fee shall be by check or money order made to Seller simultaneously with the execution of this Agreement and this Agreement is subject to the collection of such funds. At the Closing, the amount of the Fee paid covering days following the Closing Date shall be credited (pro rata per day) against the balance of the Unit's Total Purchase Price. If the Purchaser holds over beyond the end of the Term (unless the Term ends because title to the Unit has passed to the Purchaser), Purchaser acknowledges and agrees that a fee shall then be due at the rate of \$ _____ per day for each day past the end of the Term that Purchaser remains in possession of the Unit. Notwithstanding the foregoing, Purchaser (a) acknowledges that Purchaser shall not be entitled to remain in possession of the Unit beyond the end of the Term for any reason whatsoever (unless the Term ends because title to the Unit has passed to the Purchaser) and (b) agrees that Seller shall be entitled to the use of self-help and change the locks to obtain possession of the Unit in the event Purchaser remains in possession of the Unit past the end of the Term in violation of this Agreement.

10. Purchaser has provided proof that he/she has the ability to close title to the Unit and represents that it will continue to maintain the ability until the date of Closing. Purchaser shall maintain all of Purchaser's representations under this Agreement and the Purchase Agreement. Failure to by Purchaser to maintain its representations hereunder and thereunder shall be a material breach of this Agreement and the Purchase Agreement.
11. Purchaser agrees that any default under the Purchase Agreement shall be a default under this Agreement that will permit Seller to cancel this Agreement and any default under this Agreement shall be a default under the Purchase Agreement that will permit Seller to cancel the Purchase Agreement. Purchaser shall be required to vacate the Unit within thirty (30) days after notice from Seller of cancellation of this Agreement or the Purchase Agreement, or within thirty (30) days after rescission or termination of the Purchase Agreement by Purchaser in the event rescission or termination is permitted. If the right to rescind the Purchase Agreement is offered to Purchaser, or if Purchaser has the right to terminate the Purchase Agreement under its terms, then Purchaser's right to rescind or terminate shall be conditioned upon his, her or its surrendering possession of the Unit within thirty (30) days of the service of Purchaser's notice of rescission or termination to Seller, leaving the Unit broom swept, clean, empty of Purchaser's possessions and restored to its condition prior to Purchaser's occupancy and paying any fees due under this Agreement. Nothing contained in this Agreement shall relieve Purchaser of liability for damage caused to the Unit by Purchaser or Purchaser's agents, guests or invitees. Purchaser shall be responsible for payment of the Seller's reasonable costs and attorney's fees if it is necessary for the Seller to bring an action or proceeding to remove Purchaser or anyone claiming under Purchaser from the Unit or if the Seller commences an action against Purchaser for damage caused to the Unit by Purchaser or Purchaser's agents, guests or invitees. Any default under either the Purchase Agreement, beyond the applicable notice and grace periods contained therein, or this Agreement shall terminate this Agreement. Notwithstanding the foregoing, before Seller may utilize a default under this Agreement to declare a default under the Purchaser Agreement, Seller will either obtain an order of eviction or other judgment or order from a court or agency of competent jurisdiction against Purchaser unless Purchaser has vacated the Unit.
12. Seller and Purchaser waive trial by a jury in any matter that may come up between the parties under or because of this Agreement. In any action or proceeding seeking possession of the Unit, Purchaser shall not have the right to make a counterclaim or set off.
13. Any bill, statement or notice under this agreement must be in writing in accordance with the notice provisions contained in the Purchase Agreement.
14. Seller's acceptance of the Fee or failure to enforce any term in this Agreement is not a waiver of any of Seller's rights. If a term in this Agreement is illegal or unenforceable, the rest of this Agreement remains in full force.
15. If Purchaser requires Seller's consent to any act and such consent is not given, Purchaser's only right is to ask a court to force Seller to give consent. Purchaser agrees not to make any claim against Seller for money or subtract any sum from the fee due hereunder because such consent was not given.

16. Seller is not liable for loss, expense or damage to any person or property unless due to Seller's gross negligence. Purchaser must pay for damages suffered and money spent by Seller relating to any claim arising from any act or neglect of Purchaser or Purchaser's family, employees, agents, guests or invitees.
17. Execution of this Agreement shall constitute acceptance of the Unit and the Property and all fixtures, machinery, equipment, furnishings, appliances, in good present condition free of all defects and damage on the date of this Agreement and in the condition requested pursuant to the Purchase Agreement as of the date of Closing thereunder, unless Purchaser conducts a final walk through and the parties enter into the Final Inspection Sheet (as defined in the Purchase Agreement) prior to Purchaser's taking possession of the Unit, in which case Seller shall complete, repair or replace, as the case may be, the items in the Final Inspection Sheet in accordance with and pursuant to the Purchase Agreement.
18. This Agreement is subject and subordinate to the following (the "Documents"): (a) the By-Laws, Rules and Regulations and Provisions of the Declaration of Condominium, (b) Powers of Attorney granted to the Board of Managers, Leases, agreements, building loan mortgages, renewals, modifications, consolidations, replacements and extensions to which the Declaration or the Unit are presently or may in the future be subject, and (c) insurance policies covering the Property and/or the Unit. Purchaser and Occupants shall not perform any act or fail to perform an act if the performance or failure to perform would be or if done or not done would be, a violation of or default under any of the Documents. Purchaser shall not exercise any right or privilege under this Agreement the performance of which would be a default under or violation of any of the Documents. Purchaser acknowledges it had the opportunity to read the Documents. Purchaser and Occupants agree to observe and be bound by all the terms contained in the Documents that apply to the occupant or user of a Condominium unit or a user of Condominium common areas and facilities, including, but not limited to, the Condominium's smoking policy set forth in Rule and Regulation 27, which states as follows:

"Except as expressly permitted pursuant to this Rule and Regulation, smoking is not allowed in (a) any indoor Common Element or Limited Common Element, including, but not limited to, indoor corridors, rooms, hallways, stairs, stairways, storage areas and lobbies, and (b) in any outdoor Common Elements (other than Limited Common Elements), including, but not limited to, any common rooftops, patios, yards, parking areas, pool areas, porches and courtyards. Notwithstanding the foregoing, smoking is permitted inside of Residential Units and in any outdoor Limited Common Elements appurtenant to a Unit, including, but not limited to, yards, terraces, decks and balconies appurtenant to a Unit. For purposes of this Rule and Regulation, (i) "smoking" shall mean inhaling, exhaling, burning or carrying any lighted or heated cigar, cigarette, electronic cigarette, little cigar, pipe, water pipe or hookah, herbal cigarette, non-tobacco smoking product (e.g.,

marijuana or non-tobacco shisha), or any similar form of lighted object or device designed for people to use to inhale smoke, and (ii) “electronic cigarette (e-cigarette) shall mean a device that heats a liquid, gel, herb or other substance and produces vapor for the user or people to inhale.”

19. Purchaser shall not assign this Agreement or sublease its right of possession to the Unit under any circumstances without Seller’s prior written consent, which consent may be withheld for any reason whatsoever.
20. Purchaser shall arrange for and pay for any service for which the Unit is separately metered or monitored, such as, but not limited to, gas, electric, telephone, internet and cable service, if applicable.
21. In the case of any inconsistency between the terms of this Agreement and the Purchase Agreement, the terms of this Agreement shall control, except that nothing herein shall limit the right of Seller to declare Purchaser in default under the Purchase Agreement according to its terms.
22. Until the end of the Term, Seller may, at reasonable times and upon prior notice to Purchaser, enter the Unit to examine or to make repairs or alterations to it or to show it to lenders or mortgage or real estate brokers or prospective buyers.
23. If all of the Unit or Property is taken or condemned by a legal authority, the term of this Agreement and Purchaser’s rights shall end as of the date the authority takes title to the Unit or Property. If any part of the Unit or Property is taken, Seller may cancel this Agreement on notice to Purchaser. The notice shall set a cancellation date not less than 30 days from the date of the notice. If the Agreement is canceled, Purchaser must deliver the Unit to Seller on the cancellation date together with any fees due to that date. The entire award for any taking belongs to Seller. Purchaser gives Seller any interest Purchaser may have to any part of the award. Purchaser shall make no claim for the value of the remaining part of the term.
24. This Agreement is binding on Seller and Purchaser and those that lawfully succeed to their rights or take their place.
25. Purchaser shall not alter the Unit in anyway without Seller’s prior written consent.
26. The liability of the persons constituting Purchaser shall be joint and several.
27. This Agreement may be changed only by an agreement in writing signed by and delivered to both parties. Terms used but not defined herein shall have the meaning given to them in the Purchase Agreement.
28. This Agreement is effective when Seller delivers to Purchaser a copy signed by all parties.

29. This Agreement may be executed in counterparts and by facsimile or e-mail/.pdf signatures, each of which shall be deemed an original and all of which shall be deemed to constitute a single instrument.

IN WITNESS WHEREOF, the parties herewith have signed this Agreement as of the date above written.

ARTICLE III.

RIGHTS AND OBLIGATIONS OF THE PARTIES

SECTION 3.1 The Neighbor Parking Unit may only be owned by a Neighbor Party and may only be used by a Neighbor Party (or such other person or persons legally occupying the Neighbor Building with the knowledge and consent of the Neighbor Party) for the parking of one automobile belonging to a Neighbor Party that does not exceed the Vehicle Dimensions.
