The Date of Acceptance for Filing is _____, 2022. The Offering Plan May Not Be Used After _____, 2023 Unless Extended by Amendment.

THIS PLAN CONTAINS SPECIAL RISKS TO PURCHASERS. SEE PAGE (iv).

BECAUSE SPONSOR IS RETAINING THE UNCONDITIONAL RIGHT TO RENT RATHER THAN SELL THE RESIDENTIAL UNITS AFTER PLAN CONSUMMATION, THIS PLAN MAY NOT RESULT IN THE CREATION OF A CONDOMINIUM IN WHICH A MAJORITY OF THE UNITS ARE OWNED BY OWNER-OCCUPANTS OR INVESTORS UNRELATED TO THE SPONSOR. SEE SPECIAL RISK 1 OF THE OFFERING PLAN. PURCHASERS FOR THEIR OWN OCCUPANCY MAY NEVER GAIN CONTROL OF THE BOARD OF MANAGERS.

THIS OFFERING PLAN IS THE SPONSOR'S ENTIRE OFFER TO SELL THESE CONDOMINIUM UNITS. NEW YORK LAW REQUIRES THE SPONSOR TO DISCLOSE ALL MATERIAL INFORMATION IN THIS PLAN AND TO FILE THIS PLAN WITH THE NEW YORK STATE DEPARTMENT OF LAW PRIOR TO SELLING OR OFFERING TO SELL ANY CONDOMINIUM UNIT. FILING WITH THE DEPARTMENT OF LAW DOES NOT MEAN THAT THE DEPARTMENT OR ANY OTHER GOVERNMENT AGENCY HAS APPROVED THIS OFFERING.

SPECIAL RISKS

The following is a summary of certain special risks considerations in connection with the Plan but is no intended to summarize all major features of the Plan. Prospective Purchasers are urged to read the following special risk factors in conjunction with the Plan for a discussion of these and other important aspects of this Condominium offering.

1. The Sponsor has the right to maintain a majority of the Board of Managers of the Condominium for a period ending (i) three (3) years from date of the closing of the first Residential Unit, or (ii) thirty (30) days after the closing of seventy-five (75%) percent of all Residential Units in the Condominium, whichever occurs sooner/earlier ("Sponsor Control Period"). Thereafter, the Sponsor shall retain the right to designate one (1) of the five (5) Members of the Board of Managers, which are available to be elected by the Residential Unit Owners, until such time as Sponsor no longer owns a Residential Unit. This right is in addition to any other right the Sponsor may have to designate a Member of the Board of Managers in connection with Sponsor's ownership of one or more Non-Residential Units. While Sponsor retains ownership of the Commercial Units and Parking Garage Unit, the Sponsor will be entitled to designate up to three (3) Members of the Board of Managers (1 Residential Member, 1 Commercial Member and 1 Parking Garage Member), until such time as Sponsor no longer owns a Residential Unit. During said time the individual Residential Unit Owners will not be able to enforce Sponsor's obligations through the Board of Managers. Notwithstanding said fact, Sponsor has the right to voluntarily relinquish a majority of the Members of the Board of Managers before the closing of title to the last Residential Unit. If Sponsor relinquishes control of the Board of Managers there is no provision in the By-Laws that requires a majority of the Board of Managers to be owner occupants who are unrelated to the Sponsor or its principals. If there are non-Sponsor members of the Board, and there is a vote on whether to sue the Sponsor, the Sponsor's Board representatives cannot lawfully vote on that issue. Owner-occupants and non-resident owners, including Sponsor, may have inherent conflicts on how the Condominium should be managed as a result of their different reasons for purchasing, i.e. purchasing a Residential Unit to live in as opposed to purchasing as an investment. The Board, whether or not controlled by the Sponsor, assumes a fiduciary duty to act in the best interests of the Condominium and its Unit Owners.

At the first annual meeting of Unit Owners called pursuant to Section 9 of Article II a total of seven (7) Members shall be elected or designated. One (1) member shall be elected/appointed collectively by the Commercial Unit Owners, one (1) member shall be elected/appointed by the Parking Garage Unit Owner, and five (5) members shall be elected by the Residential Unit Owners. The Sponsor shall retain the right to designate one (1) of the five (5) Members of the Board of Managers, which are available to be elected by the Residential Unit Owners, until such time as Sponsor no longer owns a Residential Unit. This right is in addition to any other right the Sponsor may have to designate a Member of the Board of Managers in connection with Sponsor's ownership of one or more Non-Residential Units. The term of office of three (3) of the Members shall be fixed for three (3) years, the term of office of two (2) of the Members shall be fixed at two (2) years, and the term of office of two (2) of the Members shall be fixed at one (1) year. The term of office of the Commercial Unit Member shall be fixed at three (3) years. The term of office of the

Parking Garage Unit Member shall be fixed at three (3) years. Until the Non-Residential Units are sold, the Sponsor will retain the right to designate the two Non-Residential Unit members of the Board, which is in addition to Sponsor's right to designate members based on Sponsor's ownership of Residential Units. In any event, Sponsor shall not be entitled to designate a majority of the Board of Managers after the expiration of the control period. See Sections XVI and XVII of the Offering Plan.

2. If Sponsor does not voluntarily relinquish control of the Board of Managers, the Sponsor will have the right to retain control over certain expenditures and fiscal actions of the Board of Managers of the Condominium for a period ending not more than five (5) years after the closing of the first Residential Unit or whenever the unsold Residential Units constitute less than twenty-five (25%) percent of the Common Interest, whichever is sooner. During this period the Sponsor will have control of maintenance, facilities and services to be provided and will determine the Common Charges to be paid by all Unit Owners, including the Sponsor and will also have control over the enforcement of the Sponsor's obligations. During this period, Sponsor will have the right to control all decisions including but not limited to the determination of Common Expenses, management of the Condominium, the hiring and termination of employees of the Condominium, placing easements on the property and making improvements to Common Elements. Purchasers individually or as a group may take legal or administrative action to enforce the Sponsor's obligations to the Condominium. However, they will be unable to do so in the name of the Condominium. If there are non-Sponsor members of the Board, and there is a vote on whether to sue the Sponsor, the Sponsor's Board representatives cannot lawfully vote on that issue. In addition the funds utilized for such actions will either have to be obtained by a special assessment of all Unit Owners excluding the Sponsor or obtained through independent funds of the Unit Owners. In the event the Unit Owners are unsuccessful in an action against the Sponsor, Sponsor has the right to request that the court or administrative department hearing the action grant the Sponsor reimbursement of legal fees, which would be payable by the Unit Owners, excluding the Sponsor. At no time may Sponsor exercise veto power over expenses described in Schedule B or over expenses required to (i) comply with applicable laws or regulations, (ii) to remedy any notice of violation, (iii) to remedy any work order by an insurer, or (iv) remedy a matter regarding the health and safety of the occupants of the Building. See Section XVI of the Offering Plan and Schedule B.

3. Sponsor will endeavor in good faith to sell the Residential Units in the Condominium. However, Sponsor is retaining the unconditional right to rent rather than sell the Residential Units, upon consummation of the Plan. Because Sponsor is retaining the unconditional right to rent rather than sell the Residential Units, this plan may result in the creation of a condominium in which a majority of the Residential Units are not owned by owner-occupants or investors who are unrelated to the Sponsor. Due to the fact Sponsor is not limiting the conditions under which it will rent rather than sell the Residential Units, Sponsor's obligation is limited to entering into purchase agreements for a minimum of fifteen (15%) percent (or twenty-six (26)) of the Residential Units being offered for sale, which is the minimum necessary to declare the plan effective. As such, owner-occupants may never gain effective control and management of the Condominium. See Section I of the Offering Plan.

4. Sponsor is transferring its statutory obligation to pay New York State Transfer Tax ("NYSTT") of 0.4% of the Purchase Price where the consideration is less than $3,000,000 and 0.65% of the Purchase Price where the consideration is $3,000,000 or greater; New York City Real Property Transfer Taxes ("NYCRPTT") of one (1%) percent of the Purchase Price where the consideration is less than $500,000 and 1.425% where the consideration is $500,000 or greater. For purposes of calculating the NYCRPTT, as the Purchaser shall be responsible for paying the NYCRPTT, the tax due New York City will be based on the Purchase Price plus the amount of both the NYCRPTT and NYSTT due, which equates to a "grossed up" Purchase Price for calculation of the NYCRPTT. For purposes of calculating the NYSTT, as the Purchaser shall be responsible for paying the NYSTT, the tax due New York State will be based on the Purchase Price plus the amount of the NYCRPTT only. In addition, the Purchaser will be responsible for New York State Mansion Tax pursuant to Section 1402-a of the Tax Law of one (1%) percent of the Purchase Price for any Residential Unit which has a combined sales price of $1,000,000 or more.

The Tax Law Amendment eliminates the requirement to "gross-up" the consideration payable by a Purchaser for a Unit pursuant to a Purchase Agreement that requires the Purchaser to pay the New York State Real Estate Transfer Tax at the closing of title to the Unit. Pursuant to the Tax Law Amendment, a Purchaser will no longer pay the portion of the New York State Real Estate Transfer Tax based on grossed-up consideration.

The Mansion Tax is required to be paid by the Purchaser, however the Tax Law was amended to provide that when the Purchaser fails to pay the tax, the seller is required to pay. When the seller is required to pay the additional tax because the Purchaser failed to pay, the additional tax becomes the joint and several liability of the seller and the Purchaser.

The Tax Law was amended to provide for an addition to the base tax (additional base tax) in the amount of $1.25 for each $500, or fractional part, of the consideration for certain conveyances of real property located in New York City. The tax applies to:

• The conveyance of residential real property where the consideration for the entire conveyance is $3 million or more.
• The conveyance of real property other than residential real property where the consideration for the entire conveyance is $2 million or more.

The seller is required to pay the additional base tax, but here Sponsor is transferring its statutory obligation to the Purchaser. If the seller fails to pay the tax or is exempt from the tax, the Purchaser is required to pay the tax. When the Purchaser is required to pay the tax because the seller has failed to pay, the additional base tax becomes the joint and several liability of the seller and the Purchaser. For purposes of the additional base tax, all mixed-use real property is considered residential real property. Therefore, if the consideration for the conveyance of mixed-use real property is $3 million or more, the entire consideration is subject to the additional base tax.

Residential real property includes any premises that is or may be used in whole or in part as a personal residence, and includes a one-, two- or three-family house, an individual condominium unit or a cooperative apartment unit. Mixed-use real property is real

property that is used for both residential and other than residential (for example, commercial) purposes.

The Tax Law was also amended to add a supplemental tax on the conveyance of residential real property located in New York City where the consideration for the conveyance is $2 million or more. The supplemental tax differs depending on the amount of the consideration for the entire conveyance. For example: entire conveyance amount of at least $ 2 million but less than $ 3 million = Supplemental tax rate of one-quarter of one percent (.25%), and entire conveyance amount of at least $ 3 million but less than $ 5 million = Supplemental tax rate of one-half of one percent (.5%). The Purchaser is required to pay the supplemental tax. If the Purchaser fails to pay the tax or is exempt, the seller is required to pay the tax. When the seller is required to pay the tax because the Purchaser has failed to pay, the supplemental tax becomes the joint and several liability of the seller and the Purchaser. The supplemental tax is due on the conveyance of mixed-use real property when the consideration for the entire property is $2 million or more. Tax is computed only on the consideration attributed to the residential portion of the property.

See Footnote 7 to Schedule A and Section XVI of the Offering Plan as to how the above taxes are calculated. See the Purchase Agreement set forth as Schedule D.

5. Sponsor has not been required to post a completion bond with the City of New York covering the Common Elements. In addition, no bond has been posted to secure Sponsor's obligations under the Offering Plan. See Section XVII.

6. Although all funds received by Sponsor for upgrades or extras to a Residential Unit will initially be placed in the Escrow Account as described in Section X of the Offering Plan, such funds may be released from the Escrow Account as long as the Sponsor uses the funds for such upgrade or extra. As a result, in the event a Purchaser is entitled to rescission, the Purchaser will not receive a refund of any funds paid to and expended by the Sponsor for upgrades or extras. In the event the Offering Plan is abandoned, the Sponsor will return funds received for upgrades or extras. See Section XIV of the Offering Plan.

7. The first annual meeting of the Residential Unit Owners may not be held until one (1) year after the date of the closing of title to the first Residential Unit in the Condominium. During this time period the Sponsor will be actively undertaking its sales efforts and the Sponsor is reserving adequate time to allow for a sufficient number of Units to be transferred to residential purchasers. See Section XIX of the Offering Plan.

8. Sponsor is reserving the right to delay the collection of Common Charges for an indeterminate time. During any such period of delay, Sponsor will timely pay all expenses of the Condominium, including, but not limited to, insurance premiums and any reserve fund payments. Such expenses shall not include individual Unit Owner expenses such as real estate taxes, utility charges, etc. Upon commencement of collection of Common Charges, there will not be an assessment for any item set forth in the approved budget for the Condominium. Sponsor shall remain obligated to update the budget for the Condominium. Regardless of the delay in collection of Common Charges, Sponsor shall remain obligated

to update the budget for the Condominium as required by the Department of Law governing regulations. In the event Sponsor elects to delay the collection of Common Charges, Sponsor shall disclose such fact in the closing notice, statement to Purchaser's, or in the post-closing Amendment to the Offering Plan as a benefit to subsequent Purchasers. Such Amendment shall also disclose the period of delay. Prior to commencing the collection of Common Charges, Sponsor will notify all Unit Owners by written notice of the expiration of the delay period. Notice shall be given to Unit Owners in writing at least thirty (30) days prior to the commencement of collection of Common Charges. Sponsor will disclose such fact in the next substantive Amendment to the Offering Plan. See Section XX of the Plan

9. No Residential Unit Owner will be permitted to make any addition, alteration or improvement (of either a temporary or permanent nature) of a structural nature in or to the Residential Unit Owner's Residential Unit, or any Residential Unit Limited Common Element, without the prior written approval of the Board of Managers. Said provision requiring the written consent of the Board of Managers does not apply to the Sponsor. See Article Twenty of Schedule I and Article VIII of Schedule J.

10. The obligations of a purchaser under a Purchase Agreement are not conditioned on obtaining financing. Any prospective purchaser who executes a Purchase agreement and does not obtain financing may lose his or her deposit if he or she is unable to otherwise raise the monies for the balance of the purchase price. Prospective purchasers who require financing are advised to consult with a lending institution before execution of a Purchase Agreement. No representation is made by the Sponsor as to the availability or cost of such financing. In no event will the Sponsor be obligated to return a Purchaser's down payment in the event a Purchaser is unable to obtain a mortgage. In addition, the Purchase Agreement will remain in full force and effect and Purchaser will be obligated to pay the balance of the purchase price at closing regardless of the availability of financing. In the event a Purchaser does not close title to the Home as a result of their inability to obtain a mortgage, the down payment plus the cost of any custom work ordered, will be retained by Sponsor as liquidated damages. See Section X of the Plan.

11. Sponsor may declare the Plan effective by selling a minimum of fifteen (15%) percent (twenty-six (26)) of the Residential Units being offered for sale. Even if the Plan is declared effective with a minimum number of sales, it is possible that the Sponsor may be able to close Residential Units with fewer than the minimum number of sales, if Purchasers counted towards effectiveness do not ultimately purchase a Residential Unit. Purchasers should note that in the current real estate market, banks and other lenders are imposing various restrictions on purchase financing. Such restrictions include requiring that a certain percentage of apartments in a building or group of buildings be sold before a lender will consider making a loan. Thus, it may be possible for a purchaser to experience difficulty obtaining a loan in a building or group of buildings where the sponsor or holder of unsold shares has not sold a substantial percentage of the apartments in the building or group of buildings, which in some cases may be as high as seventy (70%) percent. Moreover, some lenders will not provide financing in a building or group of buildings where an investor other than the original sponsor has an ownership interest of ten (10%) percent or more. It also may be difficult for a purchaser to resell an apartment if prospective buyers are unable to obtain a loan due to the same minimum sales and investor ownership restrictions.

Notwithstanding the fact that not all Purchasers used for purposes of declaring the Plan effective may actually close, the Sponsor will re-declare the Plan effective if all purchase agreements are either rescinded or terminated prior to the date of first Unit Closing, regardless of whether the Condominium Declaration has been recorded.

See Section XIV as to the requirements of declaring the Plan effective.

12. In the event Sponsor is unable to convey title to a Residential Unit twelve (12) months after the proposed date of delivery set forth in the Purchase Agreement a Purchaser shall have the option to cancel the Purchase Agreement and have the downpayment advanced by Purchaser returned to Purchaser. Purchaser shall be obligated to notify the Sponsor in writing of its intent to exercise said option no later than thirty (30) days after the twelve (12) month period. Failure to so notify Sponsor shall be deemed a waiver of this provision, and Purchaser shall continue to be bound by the terms of the Purchase Agreement. See Paragraph 6 of the Purchase Agreement in Part II of the Plan.

13. All deposits received from Purchaser will initially be deposited either into an escrow account of Lau & Associates, P.C. (the "Escrow Agent") located at 133-47 Sanford Avenue, Unit C1E, Flushing, New York 11355, as described in Section XI of the Offering Plan. The Escrow Account is federally insured by the FDIC at the maximum amount of $250,000 per deposit. Any deposit in excess of $250,000 will not be insured. Additionally, any other deposits a Purchaser may have at the escrow bank will count towards the $250,000 FDIC insurance limit.

14. The Board of Managers has the right to borrow money on behalf of the Condominium when required in connection with the operation, care, upkeep and maintenance of the Common Elements provided, however, that no lien to secure repayment of any sum borrowed may be created on any Unit or its appurtenant interest in the Common Elements without the written consent of the Unit Owners of said Unit.

15. The projections for the first year of operation of the Condominium contained in the budget are only estimates and the actual expenses may vary from the amounts shown. Purchasers should further note that premiums for insurance have been extremely volatile and have increased substantially in recent years. Sponsor cannot predict whether or not the insurance rates will continue to increase or stabilize. Sponsor makes no representation that the premium costs for the insurance reflected in the proposed first year budget will be applicable at the time of the first closing of a Residential Unit in the Condominium. At this time the Sponsor is not including legal expenses in the budget. Director's and Officer's Liability is not included in the budgeted amount, but is available at an additional cost of $2,000. See Schedule B, the proposed first year budget and the footnotes immediately following thereto.

16. Purchasers should note that it shall be the responsibility of each Purchaser to pay the following additional closing costs: (a) an initial non-reimbursable capital contribution in an amount equal to two (2) months Common Charges to the Condominium; and (b) $2,000 to Sponsor's attorney for the preparation of the closing documents. In addition, in the event the Sponsor's Attorney is required to prepare the New York City "ACRIS" transfer

documents Purchaser shall be required to pay Sponsor's attorney an additional fee of $250. In the event the title company prepares the ACRIS, Purchaser shall pay the applicable fee of the title company.

In the event a closing is adjourned with Sponsor's consent, at the request of Purchaser or Purchaser's attorney within forty-eight (48) hours of the scheduled time of Closing, Purchaser shall also pay Sponsor's attorney an adjournment fee in the sum of $500. See Section XVI of the Offering Plan.

17. This project does not qualify for 421-a or ICAP tax benefits. See Section XXI of the Offering Plan.

18. Purchasers should be aware that they may be living in an active construction site after they close on their Residential Unit. During this period of construction there may be dirt and debris and construction material on site, construction vehicular traffic, construction noises, unfinished areas of the Development and other inconveniences which are normal in a community undergoing construction. Notwithstanding the above, any such improvement or construction will not render the Unit uninhabitable nor materially affect Purchaser's use of the Unit. Sponsor anticipates completion of all construction by May 2023. This Paragraph shall survive Closing and the delivery of the deed.

19. If through no fault of Sponsor, Purchaser fails for any reason to close title after the date originally scheduled in Sponsor's Notice of Closing or such later date (if applicable) to which Sponsor in a subsequent Notice for Closing adjourned the Closing, all of the apportionments shall be made as of midnight of the day preceding (i) the date originally scheduled for Closing or (ii) Sponsor's adjourned Closing Date (as the case may be).

In addition, Purchaser shall pay to Sponsor at or prior to the actual Closing an amount equal to .0438% per day (which equals an annual rate of 16%) of the purchase price for the Unit for each day beyond such originally scheduled or Sponsor adjourned Closing Date, to and including the date of actual Closing, for reimbursement and defrayal of Sponsor's carrying costs and other charges. Such interest rate shall not surpass the legal limit under applicable law. See Section XVI of the Offering Plan.

20. Purchasers should note that if a Purchaser fails to appear and close title in accordance with this Purchase Agreement on the date and at the time and place stated in Seller's Notice for Closing, or if Purchaser fails to observe or perform any other thing to be observed or performed by Purchaser under this Purchase Agreement, Seller may send Purchaser a written notice of default giving Purchaser thirty (30) days from the date of such notice to cure any such default, **time being of the essence.** Time of the essence indicates that failure to cure the default by a certain date will constitute and incurable default under the Purchase Agreement and Sponsor shall be entitled to cancel the Purchase Agreement and retain a Purchaser's downpayment as liquidated damages. See Paragraph 21 of the Purchase Agreement in Part II of the Offering Plan.

21. Each Condominium Unit is measured as follows: (i) horizontally from the outside face of the exterior walls to the midpoint of partitions separating one Unit from

another Unit to the outside face of the interior partitions separating public corridors, stairs, elevators and other mechanical equipment spaces or any common elements or limited common elements, and (ii) vertically from the area enclosed by the unexposed surface of the gypsum wallboard, plaster or other material forming the ceiling of the highest story level of the Unit to the upper surface of the subfloor of doors within the Unit which open either onto common elements or the exterior of the property, as shown on the tax lot drawings. Any concrete slabs separating floors of a Unit located on more than one level and any common elements located in a Unit shall not be considered part of that Unit.

22. Purchasers are advised that in New York City, newly constructed and newly renovated buildings are sometimes offered as condominium projects without a permanent certificate of occupancy ("PCO") covering the entire building but with only a temporary certificate of occupancy ("TCO"), and sometimes with several successive temporary certificates of occupancy. Certificates of occupancy are generally governed by Section 301 of the New York Multiple Dwelling Law and local building codes and rules. Both TCOs and PCOs are issued by the Department of Buildings ("DOB"). A TCO is intended to indicate that the property conforms substantially to the DOB approved plans and specifications, and to the requirements of all applicable laws, rules, and regulations for the uses and occupancies specified in the TCO. No change of use or occupancy shall be made unless a new certificate of occupancy is issued. All TCOs have an expiration date. A TCO typically expires 90 days after the date of issuance. When a TCO expires and is not renewed, it may be difficult or impossible to buy insurance, refinance, or sell units. In New York City, it is common for sponsors to commence unit closings when some or all units are covered by a TCO rather than a PCO. Sponsor anticipates this scenario may occur. Sponsor and its principals will undertake the responsibility for extending each TCO received prior to expiration thereof, and ultimately for obtaining a PCO covering the entire building within two years from the date of the issuance of the first TCO. However, Sponsor and its principals make no representation or guarantee that DOB will issue the PCO within two-years, which is the timeframe anticipated by the Multiple Dwelling Law for issuance of a PCO. NOTWITHSTANDING THE FOREGOING, SPONSOR AND ITS PRINCIPALS ARE OBLIGATED TO PROCURE THE PERMANENT CERTIFICATE OF OCCUPANCY FOR THE ENTIRE BUILDING, AND SHALL EXERCISE BEST EFFORTS TO OBTAIN THE PCO WITHIN SUCH TWO-YEAR PERIOD WHILE KEEPING THE TCO CURRENT. Unit owners and Board of Managers shall be obligated to cooperate with and refrain from obstructing Sponsor in these undertakings.

Furthermore, because Sponsor and the By-laws of the Condominium may permit Unit Owners to undertake renovations to individual Units prior to the procurement of an PCO, such renovations may cause additional delays in the issuance thereof. Buyers are advised to visit the DOB website for further recommendations when purchasing a Unit in a building that does not have a FCO. A Factsheet on Certificates of Occupancy is available on the DOB website at:

http://www.nyc.gov/html/dob/downloads/pdf/co_factsheet.pdf.

In the event Sponsor obtains a TCO for the Building, a tenant protection plan will be put in place prior to any occupancy of the Building. See Section XVII of the Offering Plan.

23. Purchasers should note there is a rebuttable presumption that a variation of five (5%) percent or less in the estimated square footage of the Units, closet space and/or cabinets shall not be considered a material adverse change. There is a rebuttable presumption that a variation of 5% of less in the estimated square footage of the Units shall not be considered a material adverse change that would trigger a right of rescission. See Section IX of the Offering Plan.

24. Purchasers should note that the Sponsor reserves the right to select the ultimate location of kitchen and bathroom cabinets, which may differ from the locations, set forth on the floor plans. In the event an affected Unit is under contract, Sponsor shall first obtain consent from the Purchaser of said Unit. Sponsor is obligated to construct the premises in accordance with building plans and specifications. Any substantial modification to or variation therefrom will first be disclosed in an amendment to the Offering Plan. See Section XV of the Offering Plan.

25. The risk of loss from fire or other casualty remains with the Sponsor unless and until a Purchaser takes actual possession of a Unit pursuant to an interim lease (or written agreement with the Sponsor) or legal title to the Unit has been conveyed to the Purchaser. However, Sponsor is not entering into any interim leases so there should be no pre-closing possession.

26. Regardless of any limitations in the warranty or in this Offering Plan, Sponsor's obligation cannot go below the duty to construct the premises in accordance with all applicable codes, filed plans and specifications, as same may be amended and locally accepted building practices for items which are not covered by codes. See Section XV of the Plan.

27. Sponsor has obtained construction financing (the "Construction Loan") from Shanghai Commercial Bank, Ltd., located at 125 E. 56th Street, New York, New York 10022 ("Construction Lender"), which has enabled Sponsor to construct the Development. The Sponsor will be obligated to pay off and otherwise comply with the terms of the Construction Loan on the entire Condominium. After the recording of the Declaration and before the closing of title to the first Unit, any Construction Loan mortgage will be satisfied, or released, or subdivided, extended and consolidated with the individual permanent mortgages, which will be placed on the Units of those Purchasers obtaining a mortgage. In addition, before the closing of title to the first Unit, all liens and mortgages affecting the Condominium shall be paid and satisfied or the Unit being conveyed and its appurtenant Common Interest shall be released therefrom by partial release duly recorded. In order to obtain partial releases, the Construction Lender will require that the Sponsor pay a release price on the sale of each Unit, until the loan is repaid in full. Therefore, there will be no resulting costs from Sponsor's construction loan added to Purchaser's individual mortgage. The terms of the Construction Loan contemplate the project as a "for-sale" condominium project.

28. Purchasers should note that the Sponsor is reserving a right to seek assignment and assumption by Purchaser's mortgage lender, as detailed in Special Risk 29 below. Any severance and assignment of a portion of the mortgage on the Property, as contemplated herein would not result in any additional risk to Purchaser. Purchasers shall

be responsible for any severance and/or assignment cost charged by their own mortgage lender and Sponsor will incur the cost of any fees charged by Sponsor's lender. Any severance/assignment transaction will be initiated only after financing has been procured by Purchaser, as evidenced by a commitment letter from Purchasers mortgage lender. Should said transaction fail to take place and result in the loss of Purchaser's financing commitment, then Purchaser will be entitled to an opportunity to obtain new financing, if Purchaser so elects.

29. Purchasers should note, if necessary to obtain a mortgage tax credit, Purchaser shall use its best efforts to request that its lender (i) accepts an assignment of the existing mortgage(s) encumbering the Property, as severed, to encumber only the Unit and its appurtenant percentage of Common Interest in the Common Elements, and (ii) cooperates with Seller and its existing lender, as necessary to effectuate such assignment. At Closing, Purchaser shall execute the affidavit required pursuant to Section 255 of the New York State Tax Law. It is agreed and understood that Seller shall receive as a credit from Purchaser at Closing, a sum equal to the full mortgage tax credit which Purchaser may be entitled under any applicable law by reason of mortgage taxes having been previously paid by Seller on the amount of Purchaser's mortgage. The foregoing credit shall be paid by Purchaser regardless of whether Purchaser's lender accepts the assignment of the Seller's existing mortgage as severed. All terms and provisions of this Purchase Agreement and all payments made hereunder are and shall be subject and subordinate to the lien of any acquisition, improvement, interim or building loan mortgage heretofore or hereafter made and any advances heretofore or hereafter made thereon, to the full extent thereof without the execution of any further documents by Purchaser. This subordination shall apply whether such advances are voluntary or involuntary and whether made in accordance with the loan schedule of payments or accelerated thereunder by virtue of the lenders right to make advances before they become due in accordance with the schedule of payments. Seller shall satisfy all such mortgages or obtain a release of the Unit and its appurtenant percentage of Common Interest in the Common Elements (as such term is defined in the Plan) from the liens of such mortgages at or prior to Closing, unless Purchaser shall be required to take title subject to the existing mortgage, as severed and converted to Purchaser's individual mortgage on the Unit.

30. Neither Sponsor nor any of its Principals have an option or right to acquire any of the adjoining areas. The Sponsor does not currently have any other projects in the immediate vicinity, nor has Sponsor been made aware of same.

31. There are no restrictions on who may purchase a Residential Unit in the Condominium except that this offer is made only to persons over eighteen (18) years of age. Each Residential Unit Owner can sell their Residential Unit to whomever they desire.

32. The purchase of a Condominium Unit has many significant legal and financial consequences. The Attorney General strongly urges you to read this Offering Plan carefully and to consult with an attorney before signing a Purchase Agreement.

33. Purchasers should further note that the By-Laws do not contain any provision that provides that after the Sponsor relinquishes control of the Board a majority of the Board of Managers must be owner occupants who are unrelated to the Sponsor or its Principals.

34. On January 1, 2018, the Tax Cuts and Jobs Act of 2017 went into effect. This federal law significantly changed the previously existing Internal Revenue Code, including the taxes and deductions related to homeownership. Accordingly, the tax information and projections disclosed in this offering plan may be inaccurate because such are based on federal tax law as it existed prior to 2018. Purchasers are advised to consult with a tax expert regarding whether the new law will affect the purchaser's taxes. Purchasers should not rely on any representations in this offering plan addressing taxes without first consulting a tax expert. See Section XXII of the Plan.

35. The Sponsor anticipates that the first closing of a unit will occur by September 1, 2023. Purchasers will be offered a right of rescission if: (i) the actual date of closing of title to the first unit; or (ii) the projected date of closing of title to the first unit occurs later than August 31, 2024, twelve months after the projected date for the first closing. If the Plan is amended to provide for a later projected date for the first closing, purchasers will be entitled to an offer of rescission if the first closing occurs more than 12 months beyond that amended, later date. However, if the first unit closing occurs before August 31, 2024, the Sponsor may schedule the closings of title to other units significantly later than such date.

If the Offering Plan is amended to provide for a later projected date for the first Unit closing, Purchasers who enter into Purchase Agreements after the amendment filing date will be offered rescission if the first Unit closing occurs more than twelve months beyond that amended, later date. Unless your Purchase Agreement contains an outside closing date, the Sponsor is not obligated to schedule your closing within any specified time frame or to ensure that closing of title to your Unit will occur by any date certain. PROSPECTIVE PURCHASERS SHOULD THEREFORE CAREFULLY CONSIDER SUCH RISKS IN THEIR DETERMINATION AS TO WHETHER TO PURCHASE A UNIT.

All common elements and amenities will be fully operational as of the date of commencement of the Condominium operation. See Section XI of the Offering Plan.

36. Purchasers should note that on April 29, 2022 the Financial Crimes Enforcement Network ("FinCEN") announced the issuance of an updated Geographic Targeting Order ("GTO"), which requires U.S. title insurance companies to report to FinCEN the personal identity of purchasers in residential real estate transactions in which: (1) the purchaser is a legal entity as defined in the GTO; (2) the purchaser purchases residential real property (including condominium units) located in the Boroughs of Bronx, Brooklyn, Queens, Manhattan and Staten Island; (3) the total purchase price is in an amount of $300,000 or more; (4) such purchase is made without a bank loan or other similar form of external financing; and (5) the purchase is made, at least in part, using currency or cashier's check, a certified check, a traveler's check, a personal check, a business check, a money order in any form, a funds transfer, or virtual currency.

As long as the updated GTO remains in effect, the reporting requirements set forth above apply to all residential real property closings (including condominium units) meeting the above criteria and occurring on or after April 30, 2022.

Further information regarding the revised GTO is available at the following web address:

See Section XI of the Offering Plan.

This Smoking Policy applies to all Unit Owners, tenants, subtenants, occupants and residents of the Building, and to any guests, agents, licensees and invitees of a Unit Owner. It is the Unit Owner's responsibility to ensure that its tenants, subtenants, occupants, residents, guests, agents, licensees and invitees comply with this Smoking Policy.

Smoking is PROHIBITED within individual Units and on the terraces, balconies, patios and yards attached to individual Units.

Any Unit Owner who sells, leases, or subleases its Unit must include a copy of this Smoking Policy in the contract of sale, lease or sublease.

In the event of a violation of this Smoking Policy, in addition to and not in diminution of, all other remedies available to the Condominium, as provided in its Declaration of Condominium and By-Laws, or at law or in equity, with regard to a default by the Unit Owner, the Board shall have the right to impose an administrative fee in the amount of Two Hundred

Fifty ($250.00) Dollars on the Unit Owner for each such violation of this Smoking Policy. A continuing violation shall be considered a new violation.

This Smoking Policy shall become effective immediately. The Board will advise Unit Owners of any changes to the Smoking Policy. See Section Xi. Of the Offering Plan and Article VIII of the By-Laws.

Either Sponsor or an agent of Sponsor's shall operate the Parking Garage Unit. The Parking Garage Unit will contain one hundred ninety-eight (198) indoor parking spaces, located at the cellar level designated as follows: five (5) for community facility use, one hundred and seven (107) for retail stores use, and eighty-six (86) for residential use. Two loading dock spaces are provided on the cellar floor and each space is approximately 12'-0"W X 33'-0"L X 14'-0"H. The parking attendant office is provided on the cellar floor adjacent to the commercial elevator lobby.

As the Parking Garage will be attendant operated, handicap parking spaces are not required. Unit Owners, occupants and guests of the building will be given a right to lease a space on a first come, first served basis. The Parking Garage Unit will be operational at the commencement of the first closing. The parking spaces shall be used solely for the parking or storage of motor vehicles of the occupants of the Condominium, except that, in the event such parking spaces are not used by such occupants, it may be rented by the owner to persons other than occupants of the Condominium. Parking Spaces designated for residential use may only be rented to non-residents for not less than one week, nor more than one month. Any parking space, which has thus been rented, shall be made available to an occupant of the Condominium within thirty (30) days after written request therefor. However, parking spaces may be used for the storage of any mechanical or motor-driven equipment or other accessory device required for the proper maintenance of the Condominium. Purchasers should note that they will be leasing the parking spaces from the Sponsor or a tenant of the Sponsor. See Section I of the Offering Plan.

39. Balcony and Terrace space may not be legally used as a bedroom or living room and to do so may result in a building code violation being issued for the building.

40. All general maintenance, repairs and replacements of the balconies and terraces that are Limited Common Elements, including cleaning, snow removal and all repairs not structural in nature (including the repair of leaks and the repair or replacement

of the surface of the balconies or terraces), shall be the responsibility of the Residential Unit Owner whose balcony or terrace is a Limited Common Element of their Residential Unit. Although the cost of repairs and replacements to Limited Common Elements shall be borne by the Residential Unit Owners, the Board of Managers shall be charged with performing all repairs and replacements at the Residential Unit Owners sole cost and expense.

41. The Sponsor has been advised by its counsel that the Condominium will be taxed on any excess of income over expenses from unrelated sources. Examples of unrelated source income include interest earned on reserve and other invested funds, income from concessions and income from dues or fees received from persons other than the Residential Unit Owners. If the Condominium is required to pay taxes, the amount thereof will be levied as an additional Common Charge.

42. Sponsor has not engaged a selling agent or real estate broker to market the property for sale at this time. Purchaser represents that no selling agent or real estate broker brought about this sale, and Purchaser agrees to indemnify Sponsor against any claim brought by any other selling agent or real estate broker for brokerage commission based upon Purchaser's acts. Should Sponsor engage a selling agent or real estate broker in the future, Sponsor shall pay the selling agent or real estate broker pursuant to separate agreement. In the event Purchaser is represented or has consulted with an outside selling agent or real estate broker, Purchaser shall be responsible for all costs and commissions associated therewith, and Sponsor shall not be responsible for any co-broker commission. This Paragraph shall survive Closing and delivery of the deed. See Paragraph 28 of the Purchase Agreement.

43. Any failure by Seller to insist upon strict performance by Purchaser of any of Purchaser's obligations under this Purchase Agreement shall not be deemed a waiver of such obligations, and Seller may at any time insist upon strict performance by Purchaser of any and all obligations to be performed by Purchaser under this Purchase Agreement irrespective of the number of times Purchaser failed to strictly comply with such obligations in the past. If any part of this Purchase Agreement or the Plan is invalid or unenforceable with respect to a particular individual or circumstance, the remainder of this Purchase Agreement or the Plan and the applicability to other individuals or circumstances shall not be affected thereby but shall continue in full force and effect.

Purchaser waives all rights to trial by jury in any action, proceeding or counterclaim in any way arising out of or relating to this Purchase Agreement or the Plan. Purchaser agrees to pay all court fees, including reasonable attorney fees, should Purchaser bring an action against Seller in any court of proper jurisdiction (including small claims court) and be unsuccessful. Further Purchaser agrees to waive the right to file a Lis Pendens if not filed within sixty (60) days of the cancellation of this Purchase Agreement.

Purchasers agrees to pay all court fees, including reasonable attorney fees, should Purchaser bring an action against Seller in any court of proper jurisdiction (including small claims court) and be unsuccessful. Furthermore, Purchaser shall waive trial by jury in any action, proceeding or counterclaim arising out of the Purchase Agreement, provided such

waiver is not prohibited by any laws of the State of New York. See Paragraph 35 of the Purchase Agreement in Part II of the Offering Plan.

44. Purchasers should note that the Commercial Units (or "Non-Residential Units") may be used for any lawful purposes permitted under the local zoning code, including, without limitation, for retail uses, office uses, heath care, ambulatory and religious facilities. Notwithstanding the foregoing, the Commercial Units shall not be used for any illegal uses or for the following uses: pornography stores, drug treatment facilities or homeless shelters.

The Owners of the Commercial Units shall have the right to subdivide their Units, without the consent of the Units Owners or Board of Managers. Furthermore, no amendment to the Declaration and/or By-Laws (including the rules and regulations of the Building), which affects a Commercial Unit, can be made without the consent of the affected Commercial Unit Owners. See Section IX of the Offering Plan.

45. Purchasers should note that the Owner(s) of the Commercial Units (defined Non-Residential and or Parking Garage Unit) will be obligated to pay a share of the cost of insurance and maintenance and operation of the Common Expenses shared with the Residential Units and other costs reflected in Schedule B based on their percentage of General Common Interest in the Condominium. The Non-Residential Unit Owners will also be responsible for the entire cost of the maintenance and operation of the Non-Residential Units Limited Common Elements. However, in accordance with New York State Real Property Law, Section 339-m, the Condominium Board may also make allocations and assessments of Common Charges to the Common Expenses in accordance with sub-metering, contract allocations and usage (both projected and actual) so long as such allocations are reasonable under the circumstances and are based on special or exclusive use or availability or exclusive control of particular Units or Common Elements by particular Unit Owners. In the event of any dispute relating to the expenses to be borne by the Non-Residential Unit Owners such dispute shall be submitted to arbitration in accordance with the provisions contained in Article XII of the By-Laws. The arbitrator shall be mutually agreed upon by the Board of Managers and the Non-Residential Unit Owners. Options for appeal are limited for matters submitted to arbitration. In addition, pursuant to Section 339-bb of the Real Property Law a larger portion of the insurance costs may be applied to a Non-Residential Unit.

The Purchase Agreement does not contain a clause requiring that disputes regarding the disposition of deposits, down payments, or advances received by Sponsor be submitted to arbitration.

46. Purchasers should note that pursuant to Section 528 of the Internal Revenue Code, certain Condominiums, substantially all of whose Residential Units are used for residences, are afforded the opportunity to elect to be treated as tax exempt organizations. In order to qualify, sixty (60%) percent or more of the gross income of each must consist of amounts received as membership dues, fees or assessments from the Residential Unit Owners and ninety (90%) percent or more of the expenditures of each must be for the acquisition, construction, management, maintenance and care of the Condominium

Properties, which properties, as defined in Section 528 of said Code, include property held by the Condominium, property commonly held by the members of the Condominium, or property within the Condominium held by the members of the Condominium. This Condominium has been structured so that it will meet the requirements of Section 528 of the Internal Revenue Code and as a result the Condominium will be eligible to be treated as a tax exempt organization under Section 528 of the Internal Revenue Code. Purchasers should refer to the Opinion of Counsel in Section XXI of the Offering Plan.

47. All units are separately metered for electricity used in apartments and Commercial Units. Each owner will pay the charges for all electricity furnished to their unit, as measured by such separate meter, directly to the utility, as and when billed. See schedule B-1 for estimated costs for each Unit.

48. In the unlikely event the Units have not been separately assessed for real estate tax purposes prior to the closing of title to the first Unit, Sponsor may place in escrow, in the name of the Board of Managers, an amount equal to the unpaid real estate taxes which will be levied against said Unit for the six (6) month period following the first closing. This is a determination made by the taxing authority and not in control of the Sponsor. Said amount is to be paid by Purchaser. Alternatively, the Sponsor may place in escrow, in the name of Board of Managers, an amount equal to the real estate taxes attributable to the unsold Units for such six (6) month period and may collect at each closing the estimated amount of taxes attributable to such Unit for the balance of the six (6) month period. The Board of Managers will pay the real estate taxes from the escrow account when taxes are due and payable and either the Sponsor or the Board of Managers will be entitled to reimbursement from Unit owners to the extent of the actual assessment. Until the Units are separately assessed, all post-closing amendments will disclose the amount of the funds deposited in escrow for the payment of the real estate taxes.

49. Sponsor anticipates that all amenities set forth in the Offering Plan will be completed, and available for the use by Unit Owners, at the time of the closing of the first Residential Unit.

50. It is anticipated that the reserve fund will be adequate for future replacements of Common Elements. If additional funds are required over and above the reserve fund, it may be necessary to increase the maintenance charges or Common Charges payable by the Unit Owners or to collect a Special Assessment from each Unit Owner.

51. Hazardous materials, environmental restrictions, little E, RD, and/or easements are not present. In general, the groundwater level is expected to fluctuate depending upon weather conditions, seasonal factors, or other unknown conditions. The project is not located in a designated flood zone by any local, state, or federal agency.

52. Façade Inspection & Safety Program (FISP) is required for all buildings greater than six stories, therefore an application is required to be filed with the Dept. of Building by a Qualified Exterior Wall Inspector (QEWI) as per NYC Construction Codes Section 28-302. A critical examination of a building's exterior walls and appurtenances shall be conducted at least once every five years. The initial examination for a new building shall

be conducted in the fifth year following the erection or installation of exterior wall as evidenced by the issuance date of temporary or final certificate of occupancy. The relevant façade inspection filing period cycle is Sub-Cycle C: 02/21/2027 to 02/21/2029. The condominium board will retain a structural engineer and the condominium is responsible for the costs.

The methods used to examine the building must permit a complete inspection of the use of a scaffold or other observation platform is preferred, but the QEWI may use other methods of inspection as he/she deems appropriate. The use of drones, high resolution photography, non-destructive testing, or other similar methods does not eliminate the requirements for close-up inspections. The QEWI must file with the Department a written report describing the result of the critical examination, clearly documenting all conditions noted during the inspection and stating that the inspection was performed and completed in accordance with FISP requirements. The report must include an executive overview that consists of a summary of findings and recommendations, a concise statement of the scope of the inspection and findings, the conclusions and recommendations and a determination as to whether the building is categorized as" safe", "SWARMP", or "unsafe".

A description, classification, and mapping of each significant condition observed including deterioration and any movement detected and the apparent water-tightness of the exterior surfaces. The description must also include a list of all the exterior appurtenances and their condition. Each condition must be classified as safe, unsafe or SWARMP. If the building is classified as unsafe or SWARMP, the report must include the locations and descriptions of all unsafe or SWARMP conditions. If unsafe conditions are noted, the report must recommend the types and location of public protection. Photographs must be labeled and the report must include key plans, key elevations and locator drawings documenting these conditions.

If a building is categorized as SWARMP:

A. The recommended time frame for such repairs or maintenance to be performed, which must indicate the date by which the work must be performed (MM/DD/YYYY) to prevent the conditions from becoming unsafe and not the date on which work is planned or scheduled;
B. Time frames of less than one (1) year, "ASAP" or "immediately," shall not be accepted.

If a building is categorized as unsafe:

A. The QEWI must provide a recommended time frame for repairs to be performed to bring the building to SWARMP or safe status, and must indicate the date by which the work will be completed (MM/DD/YYYY);
B. Time frames of more than five (5) years will not be accepted.

53. Purchasers should note, title is subject to an "Access Agreement" and "Future Access Agreement" between the Sponsor and an adjacent property owner (the "Adjacent Owner"). The purpose of the Access Agreement is to provide the Sponsor temporary

access to the Adjacent Owner's property for the purposes of conducting pre-construction surveys, conducting structural monitoring and potential damage inspections, installing and maintaining sidewalk bridging, installing overhead protection and/or barriers on the Adjacent Owners parking lot, and access for the completion of façade and waterproofing of the project. The Purpose of the Future Access Agreement is to provide the Sponsor temporary access to the Adjacent Owner's property for the purposes of conducting pre-construction surveys, conducting structural monitoring and potential damage inspections, maintaining sidewalk bridging, implementing and maintaining structural support measures, weatherproofing, conducting adjacent flues work, providing the air space access, completing facade work, and such other customary and necessary access to safely complete the development of the Condominium. Annexed hereto as Schedule N are copies of both the Access Agreement and Future Access Agreement, which set forth the complete terms of said agreements.

54. Paragraph 28 of the Purchase Agreement provides as follows:

"28. Restrictions on Sale. Purchaser covenants and agrees to retain ownership in the Residential Unit for a period of one (1) year from the date Purchaser acquired the Residential Unit, except in the case of the death of Purchaser or spouse. Failure to abide by this requirement shall result in the Purchaser paying the Seller a sum equal to 25% of the difference between the new purchase price of the Residential Unit and the Purchase Price set forth in paragraph 1 of this Purchase Agreement but in no event less than 10% of the purchase price set forth in paragraph 1 of this Purchase Agreement. The provisions of this Paragraph shall survive delivery of the deed and the closing of title." See Section I of the Offering Plan."

(a) The private terraces appurtenant to the Residential Units 210 thru Units 223, Units 701, 702, 703 and 704.

(b) Any heating, cooling or other mechanical system servicing an individual Residential Unit that is located in or on the Common Elements.

(c) All apparatus, installations, systems equipment and facilities in the Common Elements (including pipes, wire, ducts, vents, cables, conduits and lines), which will serve or benefit exclusively a Residential Unit.

All general maintenance, repairs and replacements of the balconies and terraces that are Limited Common Elements, including cleaning, snow removal and all repairs not structural in nature (including the repair of leaks and the repair or replacement of the surface of the balconies or terraces), shall be the responsibility of the Residential Unit Owner whose balcony or terrace is a Limited Common Element of their Residential Unit. Although the cost of repairs and replacements to Limited Common Elements shall be borne by the Residential Unit Owners, the Board of Managers shall be charged with performing all repairs and replacements at the Residential Unit Owners sole cost and expense.

All repairs, maintenance and any replacement of any heating, cooling or other mechanical system servicing an individual Residential Unit that is located in or on the Common Elements and/or all apparatus, installations, systems equipment and facilities in the Common Elements (including pipes, wire, ducts, vents, cables, conduits and lines) which will serve or benefit exclusively a Residential Unit shall be the responsibility of the Residential Unit Owner for such equipment services, etc.

Terrace space may not be legally used as a bedroom or living room and to do so may result in a building code violation being issued for the building. The terraces are not permitted to be used for storage of any items and are not permitted to be enclosed.

There are a variety of different model types of Residential Units. See Schedule G in Part II of the Plan for a detailed description of each model. The land and all improvements to be erected thereon are hereinafter referred to as the "Development" or the "Condominium".

Sponsor will endeavor in good faith to market and sell the Units in the Condominium however, Sponsor is retaining the unconditional right to rent rather than sell Units after consummation of the Plan. Because Sponsor is retaining the unconditional right to rent rather than sell Units this Plan may result in the creation of a condominium in which a majority of the Units are not owned by owner-occupants or investors who are unrelated to the Sponsor. Due to the fact Sponsor is not limiting the conditions under which it will rent rather than sell the Residential Units, Sponsor's is required to enter into purchase agreements for a minimum of fifteen (15%) percent (26 Units) of the Residential Units being offered for sale, as that is the minimum necessary to declare the plan effective. As such, owner-occupants may never gain effective control and management of the Condominium. In the event Sponsor makes a bulk sale of all or some of its unsold Residential Units, the transferee successor Sponsor will be bound by Sponsor's representations regarding its commitment to sell Units and will also be responsible for all Sponsor's obligations under the Offering Plan with respect to such Units.

Sponsor has obtained construction financing (the "Construction Loan") from Shanghai Commercial Bank, Ltd. ("Construction Lender"), 125 E. 56th Street, New York, New York 10022, which has enabled Sponsor to construct the Development. The Sponsor will be obligated to pay off and otherwise comply with the terms of the Construction Loan on the entire Condominium. After the recording of the Declaration and before the closing of title to the first Unit, any Construction Loan mortgage will be satisfied, or released, or subdivided, extended and consolidated with the individual permanent mortgages, which will

be placed on the Units of those Purchasers obtaining a mortgage. In addition, before the closing of title to the first Unit, all liens and mortgages affecting the Condominium shall be paid and satisfied or the Unit being conveyed and its appurtenant Common Interest shall be released therefrom by partial release duly recorded.

As in the ownership of a private one (1) family home, the Purchaser of a Residential Unit in a Condominium (the "Residential Unit Owner") owns their Residential Unit in fee simple absolute and is entitled to exclusive possession of their Residential Unit. Each Purchaser of a Residential Unit will also own an undivided interest in and right to use the General Common Elements and a right to use the Limited Common Elements that pertain to an individual Residential Unit or to all the Residential Units. A full description of the General and applicable Limited Common Elements is described above.

Each Residential Unit and Commercial Unit includes the area measured horizontally from the outside face of exterior walls to the centerline of the walls separating adjacent Units, to the outside face of drywalls and/or interior walls separating the Units from the utility rooms/closets and stairs, and to the outside face of the walls separating a Unit from the corridors. Doors and windows, which open from or create a border to a Unit shall be deemed part of the Unit. For a detailed description of the Residential Unit to be conveyed see Schedule K, Article Third in Part II of the Plan.

A Unit Owner is required to pay monthly Common Charges assessed by the Board of Managers for the operation and maintenance of the Condominium pursuant to Sections 339-i and 339-m of the New York Condominium Act. Monthly Common Charges may commence with the closing of the first Residential Unit, which is expected to be in September 1, 2023, however, see Section XVIII as to the right of the first Board of Managers to commence the collection of Common Charges at a subsequent date. Until title to a Residential Unit has passed to a Purchaser, the Sponsor will pay such Common Charges and special assessments as are assessed by the Board of Managers on the Units to which title has not passed. Once title has passed to a Purchaser, the Purchaser will be responsible for all costs, including all Common Charges and individual expenses associated with the Unit, as well as any costs associated with the Limited Common Elements that pertain to the Purchasers' Unit.

Sponsor reserves the right to delay the commencement of collection of Common Charges. During any such delay, the Sponsor will timely pay all expenses of the Condominium, including but not limited to insurance premiums and any reserve fund payments. Such expenses shall not include individual Unit Owner expenses such as real estate taxes, utility charges, etc. Upon commencement of collection of Common Charges, there will not be an assessment for any item set forth in the approved budget for the Condominium. Sponsor shall remain obligated to update the budget for the Condominium as provided for in governing regulations. In the event Sponsor elects to delay the collection of Common Charges, it will disclose such a fact in the closing notice to Purchasers and will further disclose such fact in the Post-Closing Amendment to the Offering Plan. Such Amendment will also disclose the anticipated period of delay. Sponsor will notify all Owners

in writing the expiration of the delay period at least thirty (30) days prior to the commencement of collection of Common Charges and will disclose such fact in the following Amendment to the Offering Plan.

A Unit Owner, upon acquiring title to their Unit, will be obligated to comply with the Declaration of Condominium, Condominium By-Laws and its rules and regulations and any other requirements of the Board of Managers of the Condominium.

There is no restriction upon ownership of a Residential Unit. Occupancy of a Residential Unit, however, may only be for residential purposes as described in Section XVIII of the Offering Plan. Units can be sold by a Residential Unit Owner, provided that the Unit Owner is not in arrears on the payment of Common Charges (except where the payment of such unpaid Common Charges is paid by the Grantee or provided for out of the proceeds of the sale) and subject to restrictions contained in the mortgage, if any, covering their Unit. A Purchaser is free to make a gift of their Unit to anyone during their lifetime or to devise their Unit by will, or to have it pass by intestacy without any restriction. No Unit can be sold without a simultaneous sale of the undivided interest in the Limited Common Elements that pertain to the Unit.

Each Residential Unit Owner may sell their Residential Unit to whomever they desire; however, such sale is subject to the following Restrictions on Sale:

> Purchaser covenants and agrees to retain ownership in the Residential Unit for a period of one (1) year from the date Purchaser acquired the Residential Unit, except in the case of the death of Purchaser or spouse. Failure to abide by this requirement shall result in the Purchaser paying the Seller a sum equal to 25% of the difference between the new purchase price of the Residential Unit and the Purchase Price set forth in paragraph 1 of the Purchase Agreement but in no event less than 10% of the purchase price set forth in paragraph 1 of the Purchase Agreement. The provisions of this Paragraph shall survive delivery of the deed and the closing of title.

Residential Unit Owners may lease their Residential Units subject to the conditions contained in Section XVIII of the Offering Plan. The Board of Managers does not have the right to approve or disapprove Purchasers.

The Units can be purchased for all cash or may be purchased partly for cash and partly by mortgage. The Purchase Agreement is not conditioned upon a Purchaser securing satisfactory mortgage financing. Obtaining a mortgage shall be the sole responsibility of each Purchaser. In no event will the Sponsor be obligated to return a Purchaser's down payment in the event a Purchaser is unable to obtain a mortgage. In addition, the Purchase Agreement will remain in full force and effect and Purchaser will be obligated to pay the balance of the purchase price at closing regardless of the availability of financing. In the event a Purchaser does not close title to the Unit as a result of their inability to obtain a mortgage, the down payment plus the cost of any custom work ordered, will be retained by Sponsor as liquidated damages. Prospective Purchasers who require financing are advised

to consult with a lending institution before execution of a Purchase Agreement. No representation is made by the Sponsor as to the availability or cost of such financing.

There is no limit on the number of Owners who may purchase for investment rather (subject to the one-year occupancy requirement) than for personal occupancy and there may always be a substantial percentage of Owners who are non-residents. Owner-occupants and non-resident Owners, including Sponsor, may have inherent conflicts on how the Condominium shall be managed because of their different reasons for purchasing, i.e., purchase as a home as opposed to an investment.

There shall be one (1), attendant operated, Parking Garage Unit, which is currently not being offering for sale. The Parking Garage Unit contains one hundred ninety-eight (198) parking spaces, located at the cellar level. Unit Owners, occupants and guests of the building will be given a right to lease a space on a first come, first served basis. Parking spaces may only be used for the purpose of parking automobiles and other permitted vehicles. Parking of commercial automobiles and/or trucks shall be prohibited unless expressly permitted by the Board of Managers.

A Unit Owner may mortgage their Unit at any time after they acquire title to the Unit in whatever amount and under whatever terms they can obtain. Any Unit Owner may also, upon the resale of their Unit, grant a purchase money mortgage to a Purchaser of their Unit. A Unit Owner may mortgage their Unit only if all arrears for Common Charges, if any, are provided for at the closing of the mortgage.

Primary responsibility for operating the Condominium rests with the Board of Managers who is elected by the Residential Unit Owners. See Schedule J, Article III in Part II of the Plan. For information concerning Sponsor's initial control of the Board of Managers, see Section XVI of the Offering Plan.

Each Residential Unit Owner, upon obtaining title, will automatically have one (1) vote at all meetings of the Unit Owners for each of the Residential Units owned by such Residential Unit Owner.

Each Unit will be taxed separately for real estate tax purposes and may be separately mortgaged. Therefore, no Unit Owner is liable for the payment of real estate taxes or mortgage payments on any other Unit. In the opinion of counsel, a Residential Unit Owner may presently be entitled to deductions for local and state income tax purposes for payments for real estate taxes applicable to their Unit, up to a maximum of $10,000 per year (inclusive of state and local taxes). In addition, provided the Unit will be the Purchaser's principal residence or one (1) other residence selected pursuant to Section 163(h)(5)(A)(i)(II) of the Internal Revenue Code of 1986 and the Tax Cuts and Jobs Act of 2017, a Residential Unit Owner may also deduct the interest on the mortgage they procure to finance the purchase of their Residential Unit, for income tax purposes, up to a maximum loan amount of $750,000. See Section XX of the Offering Plan.

Fire and liability insurance covering the General Common Elements are included with other items as part of Common Charges, but fire and liability insurance for the Purchaser's

personal effects, the interior of the Residential Unit and the Limited Common Elements for an individual Residential Unit Owner's exclusive use must be carried by the individual Purchaser. Common Charges are levied in proportion to the interest in the "Common Elements" appurtenant to each Unit. For possible increases in Common Charges upon default in payment by a Unit Owner see Section XVIII of the Offering Plan. Each Residential Unit Owner is responsible for the cost of their own interior repairs and decoration in their Residential Unit after closing.

The price of the Residential Units will include only the appliances and fixtures detailed in the Description of Property Report contained in Part II of the Plan. A washer and dryer is included in the price of a Residential Unit. Installation and the cost of any upgraded appliance or appliance not provided is the sole responsibility of each Residential Unit Owner.

The prices for the Units are set forth in Schedule A. THESE PRICES HAVE BEEN SET BY THE SPONSOR ALONE AND ARE NOT SUBJECT TO APPROVAL BY THE DEPARTMENT OF LAW OR ANY OTHER GOVERNMENTAL AGENCY.

This Offering Plan contains all of the material terms of this transaction. Parts I and II along with Parts A, B, C and D of the Exhibits submitted along with the Offering Plan together constitute the entire Offering Plan. Copies of the Plan and Parts A, B, C and D of the Exhibits will be available for inspection by Prospective Purchasers and their attorneys without charge and for copying at a reasonable charge at the Condominium site whenever the on-site sales office is open, at the office of the Sponsor or any Selling Agent engaged by Sponsor and at the New York State Office of the Attorney General, Real Estate Finance Bureau, 28 Liberty Street, New York, New York 10005.

Construction of the Building has commenced and completion and closing of title to the first Residential Unit is expected to occur September 2023, barring any strikes, material shortages, acts of God, sales activity or other unforeseen delays beyond the control of the Sponsor. Completion of the balance of the Residential Units and the Common Elements of the Condominium is expected within one (1) year thereafter barring any strikes, material shortages, acts of God, sales activity or other unforseen delays beyond the control of the Sponsor. Each Unit will be subject to such encroachments and easements in favor of all other Units. The Board of Managers, its agents and employees shall have a right of access to the Units and the Common Elements (irrespective of the restricted nature of such Common Element) to inspect, maintain or repair the Common Elements or to make repairs to the Unit to prevent damage to the Common Elements or any other Unit.

Purchasers should note, title is subject to an "Access Agreement" and "Future Access Agreement" between the Sponsor and an adjacent property owner (the "Adjacent Owner"). The Purpose of the Future Access Agreement is to provide the Sponsor temporary access to the Adjacent Owner's property for the purposes of conducting pre-construction surveys, conducting structural monitoring and potential damage inspections, maintaining sidewalk bridging, implementing and maintaining structural support measures, weatherproofing, conducting adjacent flues work, providing the air space access, completing facade work, and such other customary and necessary access to safely complete the development of the Condominium. Allocation of Common Interest

The Common Interest of the Condominium establishes the Unit Owners' percentage of ownership in the Common Elements and percentage of liability for the payment of Common Charges. Each Unit Owner has the percentage of Common Interest in the Condominium set forth on Schedule A. Such allocation has been made based upon floor space, subject to the location of such space and the additional factors of relative value to other space in the Condominium, the uniqueness of the Unit, the availability of Common Elements for exclusive or shared use, and the overall dimensions of the particular Unit. Said method of determining the percentage of Common Interest in a condominium complies with and is pursuant to Section 339-i (1) (iv) of the Real Property Law of the State of New York.

FOOTNOTES TO SCHEDULE A

1. No change in the sales prices will be made other than pursuant to a duly filed amendment, except that the Sponsor reserves the right to decrease the sales prices below the Offering Plan prices without filing an amendment to the Plan at any time during the Offering where a reduction in sales price does not constitute a general offering but is rather the result of an individually negotiated Unit purchase. See Section IX of the Offering Plan as to other terms of the offering which are negotiable. See Section XIV of the Offering Plan for estimated closing costs and adjustments, which costs are in addition to the sale prices set forth herein.

2. Purchasers should refer to the floor plans in Schedule G of Part II of the Plan for details of each type of Unit. The square footage of each Residential Unit is based on the area measured horizontally from the outside face of exterior walls to the centerline of the walls separating adjacent Units, to the outside face of drywalls and/or interior walls separating the Units from the utility rooms/closets and stairs, and to the outside face of the walls separating a Unit from the corridors. Doors and windows, which open from or create a border to a Unit shall be deemed part of the Unit. As such the areas are not based upon measurements from interior surfaces of interior walls, and the actual, usable, floor area comprising the Residential Unit is substantially less than the area listed in Schedule A. Due to the fact that the measurement of the Units includes wall thickness, the some square footage attributable to Common Elements are included in the Unit square footage amount reflected in Schedule A. Several Units will have balconies and/or terraces as Limited Common Elements, as set forth on Schedule A.

3. The Common Interest of each Residential Unit is based upon floor space, subject to the location of such space and the additional factors of relative value to other space in the Condominium, the uniqueness of the Unit, the availability of Common Elements for exclusive or shared use, and the overall dimensions of the particular Unit. Said method of determining the percentage of Common Interest in a condominium complies with and is pursuant to Section 339-i (1) (iv) of the Real Property Law of the State of New York. This percentage determines the amount that the Residential and Parking Garage Unit Owner will pay for their Common Charges. The percentage of Residential Common Interest and Commercial Unit Common Interest will determine the amount each individual Unit Owner will pay for their Common Charges.

4. Common Charges have been estimated by the Sponsor and include fire and liability insurance for the Units and Common Elements and maintenance and operation of the General Common Elements. Common Charges exclude repair and decoration to the inside of a Residential Unit, utilities for each Residential Unit and insurance for personal belongings. See Schedule B-1 for estimated heating and electrical costs for the Residential Units.

5. The Building is not eligible for 421-a tax benefits, as such, Schedule A reflects the estimated taxes for the Units without 421-a tax.

   Real estate tax estimates are based upon information received from Anthony Como Associates, NYRETS, with an address of 36 Richmond Terrace, Suite 108, Staten Island,

NY 10301, a real estate tax consultant, by letter dated November 4, 2021, at the completion of construction the real estate taxes for the residential portion will be as follows:

2024/25	Residential
Actual Assessment	13,000,000
Taxable Assessment	12,807,099
Class 2 Tax Rate*	0.12235
Residential Real Estate Taxes	$1,566,948

*The most recent tax rate available is for 2021/22, which is Class 2 Tax Rate of 0.12235. The rates for future years are assumed to be equal to the current rate.

Benefits under the Industrial Commercial Abatement Program (ICAP) will be applied for the Commercial Portion of the building. The commercial portion of this building will receive ICAP Benefits; this building is in a designated "special area".

Properties that qualify for ICAP benefits in a designated special area will receive a property tax abatement of the added physical value resulting from the construction for 25 years, the first 16 years will receive 100% of the exemption benefit decreasing each year thereafter by 10%. The physical assessment will be fully taxable in Year 26.

In addition, all special area ICAP exemptions will receive assessment inflation protection. All equalization assessment increases [market appreciation only, not physical assessments] above 5% will automatically be added to the ICAP Abatement in year 2 through 13. It is anticipated that the building will receive ICAP tax benefits; Schedule A reflects the estimates taxes with and without ICAP benefits. It is estimated that for the first and second year of condominium operations the real estate taxes with ICAP benefits will be as follows:

Condominium Operations	**1st Year 9/1/2023-8/31/2024**	**2nd Year 9/1/2024-8/31/2025**
Commercial	459,904	88,238
Parking	98,858	18,967
Residential	1,492,734	1,562,473

Although the aforesaid estimate of actual assessed valuation is a good faith estimate, it is not possible to estimate the same with any degree of certainty. Assessed valuations, when actually made, may be lesser or greater based on interpretation of the administrative code and the applicable rules and regulations of the City of New York. The estimates are not intended, and should not be construed as warranties as to future assessed valuations of the Property. In no event will the consultant, the Sponsor, the Sponsor's counsel or any other person be liable if the administrative code and the applicable rules and regulations of the City of New York are in the future changed or if the facts as represented, prove to be untrue.

After the condominium is divided into individual tax lots, each Unit will be taxed as a separate tax lot for real estate tax purposes and the Unit Owner will not be responsible for the payment of, nor will the Unit be subject to, any lien arising from the non-payment of taxes on other Units. In addition, under present law to a deduction for Federal and New

York State income tax purposes for the real estate taxes paid by him covering his Residential Unit, up to a maximum of $10,000 per year.

Projected tax deductions (where applicable) may vary in future years due to changes in the interest rate on the Residential Unit Owner's mortgage (if any) or from changes in the allocation of constant debt service payments to interest and principal, or due to changes in real property taxes resulting from the expiration of real estate tax benefits, or from changes in the assessed value, the tax rate or the method of assessing real property.

Purchasers are encouraged to review the projected real estate taxes with a real estate tax professional.

See Section XXI for a full discussion of the real estate taxes applicable to the Units.

6. The Sponsor is not offering and has not procured mortgage financing. As a result, the projected monthly carrying charges for financing have not been included in Schedule A. In the event a Purchaser obtains a mortgage, a Purchaser's monthly carrying charges will increase. Any Purchaser who applies for a mortgage from a lending institution should check with that institution as to the monthly mortgage costs as well as any closing costs that the Purchaser will be obligated to pay the lending institution. Additionally, projected carrying charges do not include certain costs for which the unit owner is responsible such as (where applicable) repairs to the interior of the unit, separately metered gas, electricity, hot water, heat, air conditioning and cable television service. Purchasers should refer to Schedule B-1 herein for estimated individual utility charges.

7. Sponsor is transferring its statutory obligation to pay New York State Transfer Tax ("NYSTT") of 0.4% of the Purchase Price where the consideration is less than $3,000,000 and 0.65% of the Purchase Price where the consideration is $3,000,000 or greater; New York City Real Property Transfer Taxes ("NYCRPTT") of one (1%) percent of the Purchase Price where the consideration is less than $500,000 and 1.425% where the consideration is $500,000 or greater. For purposes of calculating the NYCRPTT, as the Purchaser shall be responsible for paying the NYCRPTT, the tax due New York City will be based on the Purchase Price plus the amount of both the NYCRPTT and NYSTT due, which equates to a "grossed up" Purchase Price for calculation of the NYCRPTT. For purposes of calculating the NYSTT, as the Purchaser shall be responsible for paying the NYSTT, the tax due New York State will be based on the Purchase Price plus the amount of the NYCRPTT only. In addition, the Purchaser will be responsible for New York State Mansion Tax pursuant to Section 1402-a of the Tax Law of one (1%) percent of the Purchase Price for any Residential Unit which has a combined sales price of $1,000,000 or more.

The Tax Law Amendment eliminates the requirement to "gross-up" the consideration payable by a Purchaser for a Unit pursuant to a Purchase Agreement that requires the Purchaser to pay the New York State Real Estate Transfer Tax at the closing of title to the Unit. Pursuant to the Tax Law Amendment, a Purchaser will no longer pay the portion of the New York State Real Estate Transfer Tax based on grossed-up consideration.

The Mansion Tax is required to be paid by the Purchaser, however the Tax Law was amended to provide that when the Purchaser fails to pay the tax, the seller is required to

pay. When the seller is required to pay the additional tax because the Purchaser failed to pay, the additional tax becomes the joint and several liability of the seller and the Purchaser.

The Tax Law was amended to provide for an addition to the base tax (additional base tax) in the amount of $1.25 for each $500, or fractional part, of the consideration for certain conveyances of real property located in New York City. The tax applies to:

- The conveyance of residential real property where the consideration for the entire conveyance is $3 million or more.
- The conveyance of real property other than residential real property where the consideration for the entire conveyance is $2 million or more.

The seller is required to pay the additional base tax, but here Sponsor is transferring its statutory obligation to the Purchaser. If the seller fails to pay the tax or is exempt from the tax, the Purchaser is required to pay the tax. When the Purchaser is required to pay the tax because the seller has failed to pay, the additional base tax becomes the joint and several liability of the seller and the Purchaser. For purposes of the additional base tax, all mixed-use real property is considered residential real property. Therefore, if the consideration for the conveyance of mixed-use real property is $3 million or more, the entire consideration is subject to the additional base tax.

Residential real property includes any premises that is or may be used in whole or in part as a personal residence, and includes a one-, two- or three-family house, an individual condominium unit or a cooperative apartment unit. Mixed-use real property is real property that is used for both residential and other than residential (for example, community facility) purposes.

The Tax Law was also amended to add a supplemental tax on the conveyance of residential real property located in New York City where the consideration for the conveyance is $2 million or more. The supplemental tax differs depending on the amount of the consideration for the entire conveyance. For example: entire conveyance amount of at least $ 2 million but less than $ 3 million = Supplemental tax rate of one-quarter of one percent (.25%), and entire conveyance amount of at least $ 3 million but less than $ 5 million = Supplemental tax rate of one-half of one percent (.5%). The Purchaser is required to pay the supplemental tax. If the Purchaser fails to pay the tax or is exempt, the seller is required to pay the tax. When the seller is required to pay the tax because the Purchaser has failed to pay, the supplemental tax becomes the joint and several liability of the seller and the Purchaser. The supplemental tax is due on the conveyance of mixed-use real property when the consideration for the entire property is $2 million or more. Tax is computed only on the consideration attributed to the residential portion of the property.

In addition, Purchasers will be required to pay the following additional closing costs: (a) an initial non-reimbursable capital contribution in an amount equal to two (2) months Common Charges to the Condominium; and (b) $2,500 to Sponsor's attorney for the preparation of the closing documents. In addition, in the event the Sponsor's Attorney is required to prepare the New York City "ACRIS" transfer documents Purchaser shall be required to pay Sponsor's attorney an additional fee of $250. In the event the title company prepares the ACRIS, Purchaser shall pay the applicable fee of the title company. In the event a closing is adjourned with Sponsor's consent, at the request of Purchaser or Purchaser's attorney

within forty-eight (48) hours of the scheduled time of Closing, Purchaser shall also pay Sponsor's attorney an adjournment fee in the sum of $500. In addition, if a closing takes place, at the request of Purchaser, at any location other than the office of Sponsor's attorney, Purchaser shall pay to Sponsor's attorney a travel fee in the sum of $250. See Section XVI.

The above costs include an inflation factor of ten (10%) percent. The above costs are estimated only, and are based on conditions outlined herein and electric and water rated currently in effect which include the latest utility company surcharges for fuel adjustments plus applicable taxes. It also takes in account the variation of family size and lifestyle. The above costs may also vary depending upon the setting of the apartments' thermostats and the maintenance of the equipment in good and efficient condition. The projected costs presented herein cannot be guaranteed and should only be used as a guide. A true assessment of the costs can only be made after several years of stable building operation. In addition, the effect of inflation, fuel shortages and other factors may raise the cost of electricity and gas substantially higher than the current or projected rate. Residential Units will be commonly metered for gas.

Although the Sponsor is under obligation to provide accurate information to prospective Purchasers, factors beyond its control may substantially affect the cost of electricity and gas after the purchase of a Residential Unit or in subsequent years. Sponsor represents however, that it has followed the plans and specifications provided by the manufacturer of the appliances together with the recommendation of the manufacturer and other experts to enable these items of equipment to operate at a optimum efficiency at the lowest cost.

VIII. COMPLIANCE WITH REAL PROPERTY LAW SECTION 339-i

Re: **Northern Parc**

Gentlepeople:

The Sponsor of the Condominium Offering Plan for the captioned property has retained this office to review the percentage of Common Interest applied to the Units contained in Schedule A of the Offering Plan.

Our experience includes the preparation of numerous Condominium Offering Plans and legal representation of several Condominium Boards of Managers in the State of New York.

In reviewing said Schedule A, the percentage of Common Interest for each Unit as contained therein has been determined based upon floor space, subject to the location of such space and the additional factors of relative value to other space in the Condominium, the uniqueness of the Unit, the availability of Common Elements for exclusive or shared use, and the overall dimensions of the particular Unit. Said method of determining the percentage of Common Interest in a condominium complies with and is pursuant to Section 339-i (1) (iv) of the Real Property Law of the State of New York.

I hereby authorize inclusion of this opinion in the Offering Plan for Northern Parc to be filed with the Department of Law.

Very truly yours,

MORITT HOCK & HAMROFF LLP

IX. NON-RESIDENTIAL UNITS

The Condominium will contain one (1) Community Facility Unit, twelve (12) Retail Units and one (1) Parking Garage Unit, which shall be subject to the rights of the Non-Residential Unit Owners to subdivide and merge same.

The Commercial Units may be used for any lawful purposes permitted under the local zoning code, including, without limitation, for commercial uses. Pursuant to the New York City zoning code, the lawful uses permitted include retail uses, restaurant uses, service uses, heath care, ambulatory and religious facilities. Notwithstanding the foregoing, the Commercial Units shall not be used for any illegal uses or for the following uses: pornography stores, drug treatment facilities or homeless shelters.

The Sponsor and/or Owner(s) of a Non-Residential Unit will have the right, without the consent of the Condominium Board or Residential Board, other Unit Owners or the holders of mortgages on Units, whether before or after the recording of the Declaration of Condominium, to (a) make alterations, additions or improvements, structural and non-structural, interior and exterior, ordinary and extraordinary into and upon their Units; or (b) alter or improve any Limited Common Elements applicable to their Unit; provided, however, that in each instance the Non-Residential Unit Owner shall comply with all laws, ordinances and regulations of all governmental authorities having jurisdiction and shall agree to hold the Boards and all other Unit Owners harmless from any liability arising therefrom.

The Commercial Unit Owners will be entitled to elect one (1) Member to the Board of Managers. The Parking Garage unit Owner will be entitled to appoint one (1) Member to the Board of Managers.

Except to the extent prohibited by law, the Sponsor, its successor, assignee or designee and the Non-Residential Unit Owner(s) shall have the right, without the vote or consent of the Boards to: (a) make alterations, additions or improvements, whether structural or nonstructural, interior or exterior, ordinary or extraordinary, in, to and upon the Non-Residential Unit(s); (b) change the layout of, or number of rooms in the Non-Residential Unit(s) from time to time; (c) change the size and/or number by subdividing one or more Non-Residential Units into two or more separate Non-Residential Units, combining separate Non-Residential Units (including those resulting from such subdivision or otherwise) into one or more Non-Residential Units, altering the boundary walls between any Non-Residential Units, or otherwise; (d) if appropriate, reapportion among the Non-Residential Unit(s) affected by such change in size or number pursuant to the preceding clause their percentages of interest in the Common Elements; provided, however, that the percentage of interest in the Common Elements of any other Non-Residential Units shall not be changed by reason thereof unless the owners of such Non-Residential Units shall consent thereto and, provided further, that the Declarant, its successor, assignee or designee and the Non-Residential Unit Owner(s) shall comply

with all laws, ordinances and regulations of all governmental authorities having jurisdiction and shall agree to hold the Boards and all other Non-Residential Unit Owner(s) harmless from any liability arising therefrom.

Nothing contained in this Declaration shall prohibit the division or consolidation of any Non-Residential Unit(s) and Common Interest appurtenant thereto, including but not limited to a change in the number of rooms. In no case, however, may such division or consolidation result in a different percentage of Common Interest for the total of the new Non-Residential Unit(s) than existed for the total of the original Non-Residential Units(s) before division or consolidation.

The Owner(s) of a Non-Residential Unit will have easements for (i) the installation, maintenance, repair and replacement of signs, flues, vents, air-conditioning, heating, ventilating, water and other mechanical lines and fixtures and equipment on the exterior walls, the roof and through the General Common Elements of the Condominium, and in, through, under and over any Non-Residential Unit; (ii) through the General Common Elements and General Residential Units Limited Common Elements of the Condominium for access to any part of the Condominium for the purpose of installing, repairing, maintaining and replacing any fixtures and equipment now or hereafter located in or on the Condominium servicing the applicable Non-Residential Unit, provided, however, that except in the case of an emergency, the right of access may be exercised only after prior notice to the Condominium Board and the affected Unit Owner (s); and (iii) for access to any equipment that services the Non-Residential Units and which are located in the Residential Area of the Condominium or the General Residential Units Limited Common Elements. Notwithstanding the foregoing, such access shall not materially affect the other Unit Owners' use and enjoyment of the premises.

The Non-Residential Unit(s) will also be subject to easements in favor of any other Unit(s) for the installation, maintenance, repair and replacement of all utility pipes, lines, conduits, ducts, etc., including gas, electricity, heating, air-conditioning, ventilating and water and other mechanical lines and fixtures and equipment serving the Non-Residential Unit(s). The Owner(s) and tenants of the Non-Residential Unit(s) will have the right, at their sole expense, to install separate heating systems for the Non-Residential Unit(s) and an easement is granted in, over, under and through the any part of the Condominium for the installation, maintenance, repair and replacement of the heating systems and all necessary pipes, lines, conduits, ducts, water lines and flues in connection therewith if such right is exercised.

Each Non-Residential Unit and/or their tenants will have an easement to erect, maintain and replace one (1) sign on the property as permitted by law for the purpose of advertising the operation of any business conducted therein. Any such signs shall be in compliance with the requirements of the City of New York.

At the request of a Non-Residential Unit Owner, the Condominium Board will execute any application or other document required to be filed with any governmental agency having or asserting jurisdiction in connection with any addition, alteration,

improvement, or repair of a Non-Residential Unit or the operation thereof. The Non-Residential Unit Owner(s) shall indemnify and hold the Condominium Board and the Unit Owners harmless from any liability resulting therefrom.

A Non-Residential Unit Owner shall have the right, without the payment of any fees or charges to the Condominium Board, to sell or lease the Non-Residential Unit without the Condominium Board having any right of first refusal to sell or lease, or to procure a third party to sell or lease, the same, and all sale or rental proceeds shall belong solely to the applicable Non-Residential Unit Owner.

The Owner(s) of a Non-Residential Unit shall be responsible for payment of the Common Charges to the Condominium allocated to the applicable Non-Residential Unit and all real estate taxes allocated against, and interest and amortization on all mortgages affecting said Non-Residential Unit and the entire cost of maintaining, repairing and replacing the Limited Common Elements applicable to their Non-Residential Unit. No bond or other security will be posted for this obligation and the Non-Residential Unit Owner's ability to perform will depend upon its financial condition at the time it may be called upon. If the Non-Residential Unit Owner fails to pay the Common Charges and Common Expenses, allocated against their Non-Residential Unit, the Condominium Board will have the same rights and remedies against it as against any other defaulting Unit Owner. In addition, the Owner(s) of the Non-Residential Unit(s) shall be responsible for their pro rata share of the General Common Expenses of the Condominium. Pursuant to the opinion of Sponsor's expert contained in the Certification of Adequacy of the Common Charges of the Non-Residential Unit(s) contained in Part II of the Plan, the Common Charges payable by the Non-Residential Unit Owner(s) are sufficient to cover the expenses fairly attributable to such Non-Residential Unit(s).

The Condominium Board will not have any right to restrict or limit the method of operation, use or appearance of any Non-Residential Unit, which are permitted by law. No rules affecting the operation of the Non-Residential Units may be adopted or modified by the Condominium Board without the consent of the respective Non-Residential Unit Owners. All or any part of a Non-Residential Unit may be leased or subleased by the Non-Residential Unit Owner. The Residential Unit Owners will have no interest in the rents, profits or revenues from the rental or use of any of the Non-Residential Units.

No representation is made with respect to the continued ownership by the Sponsor of all or any portion of the Non-Residential Units or as to who the tenants or occupants of any portion of the Non-Residential Units may be, at any time, or as to the uses to which any portion of the Non-Residential Units may be put at any time and no assurance is given that such tenants, occupants or uses will not be objectionable to other Unit Owners or other parties.

The Owner(s) of the Non-Residential Units will be obligated to pay a share of the Common Expenses reflected in Schedule B based on their percentage of Common Interest in the Condominium. The Non-Residential Unit Owners will also be responsible for the entire cost of the maintenance and operation of the Non-Residential Units Limited Common Elements. There are no special allocations of Common Expenses in this Offering Plan. In the event of any dispute relating to the expenses to be borne by the

Non-Residential Unit Owners such dispute shall be submitted to arbitration in accordance with the provisions contained in Article XII of the By-Laws.

The Residential Unit Owners shall have an easement through the Non-Residential Unit(s) and Non-Residential Units Limited Common Elements for access, installation, maintenance, repair and replacement of any flues, vents, air-conditioning, gas, heating, ventilating, water and other mechanical lines and fixtures and any other machinery, pipes, wires, conduits, equipment or meters servicing the General Residential Units' Limited Common Elements, Individual Residential Unit Limited Common Elements, the Residential Units and/or the entire Building.

At the first annual meeting of Unit Owners called pursuant to Section 9 of Article II a total of seven (7) Members shall be elected or designated. Two (2) members shall be elected/appointed collectively by the Non-Residential Unit Owners and five (5) members shall be elected by the Residential Unit Owners.

X. CHANGES IN PRICES OF RESIDENTIAL UNITS

Sponsor will not make any material change in the size or adverse material change in the quality of Common Elements without the consent of all Residential Unit Owners. However, Sponsor reserves the right to change the model mix, or the manner in which the Sponsor has laid out each individual Unit floor plan, of the Residential Units without consent of any Residential Unit Owner as long as the percentage of Common Interest for the Residential Units is not affected, there is no Purchase Agreement in effect for said Residential Unit and as long as the Sponsor does not change the total number of Residential Units being offered for sale, nor the total number of buildings in the development, nor substantially change the size of the Residential Unit. There is a rebuttable presumption that variations of five (5%) percent or less of the estimated square footage of the Units, closet space and/or cabinet space shall not be considered materially adverse changes to the Units.

Sponsor will not make any material change in the Residential Units size, layout, percentage of Common Interest or in the amount or quality of Common Elements directly affecting or servicing the Residential Unit if a Purchase Agreement has been executed and delivered to Sponsor for that Residential Unit and the Purchaser is not in default, unless the Purchaser consents in writing to such change. Furthermore, no change will be made in the size or number of units and/or their respective percentages of Common Interest, and that no material change will be made in the size or quality of Common Elements, except by amendment to the offering plan and, when applicable, to the declaration of condominium.

Unless all Purchasers consent, no material change will be made in the size and no material adverse change will be made in the quality of the Common Elements. There is a rebuttable presumption that a variation of 5% of less in the estimated square footage of the Units shall not be considered a material adverse change that would trigger a right of rescission.

The prices for these Condominium interests may be changed from those set forth in this Offering Plan so that Purchasers may pay different prices for similar interests. No such change will be made other than pursuant to a duly filed amendment, except that the Sponsor reserves the right to decrease the sales prices below the Offering Plan prices without filing an amendment to the Plan at any time during the offering where a reduction in sales prices does not constitute a general offering but is rather the result of an individually negotiated Unit purchase. All changes in prices which are an across the board increase or decrease affecting one (1) or more lines of Units or models, or is to be advertised or is a price increase for an individual Purchaser will be done by a duly filed amendment to the Offering Plan.

The Sponsor further reserves the right, but not the obligation, to negotiate with a Purchaser on an individual basis in connection with all aspects of the purchase price, including but not limited to: upgrades to a Residential Unit or the fixtures or equipment contained therein or credits or allowances therefor; treatment of reduced and/or split down

payment; financing contingency; extension of period to secure financing; payment of all or part of a Purchaser's acquisition or financing costs such as, but not limited to: origination fees and commitment fees; any and all other costs relating to the cost of acquiring title to a Unit; maintenance subsidies, rebates or other costs associated with maintaining a Unit as a credit against the purchase price or payable on a periodic basis or any other manner as is negotiated between the parties; promotional gifts on the purchase of a Unit and application of rent toward the purchase price. As a result, a Purchaser may receive different terms than a prior or subsequent Purchaser may receive for a similar Unit. Furthermore, the Sponsor reserves the right to amend the Plan from time to time to add and/or delete negotiable terms or, at its sole option, to expand the applicability of such negotiable terms to some or all Purchasers pursuant to Section 352-e of the General Business Law.

XA. INTERIM LEASES

The Sponsor will not enter into interim leases with Purchasers for Residential Units prior to closing. In no event shall Purchaser take possession of the Residential Unit prior to the time of the delivery of the deed, nor shall Purchaser enter the Residential Unit or have his or her contractors or agents enter the Residential Unit to perform work prior to closing without the written authorization of the Sponsor. Should the Purchaser violate this provision, Sponsor will have the right to remove Purchaser from the Residential Unit as a squatter and intruder by summary proceedings. Upon the Purchaser's unauthorized possession, the Purchaser shall be deemed in default of the Purchase Agreement and Sponsor may retain the funds being held in escrow to a maximum of ten (10%) percent of the sales price plus the cost of extras ordered, as liquidated damages. Purchasers should refer to Paragraph 22 of the Purchase Agreement.

XI. PROCEDURE TO PURCHASE

The Sponsor hereby offers for sale the Residential Units under construction in the Condominium for residential occupancy in accordance with applicable municipal zoning regulations. Occupancy of the Residential Units or portion of a Residential Unit by a lessee or lessees of the Residential Unit Owner for the purposes set forth in this paragraph conform with the zoning regulations permitting construction of this Condominium.

Sponsor will endeavor in good faith to sell the Units in the Condominium in a reasonably timely manner. However, Sponsor is retaining the unconditional right to rent rather than sell the Units after consummation of the Plan. Because Sponsor is retaining the unconditional right to rent rather than sell the Units, this plan may result in the creation of a condominium in which a majority of the Units are not owned by owner-occupants or investors who are unrelated to the Sponsor. Due to the fact Sponsor is not limiting the conditions under which it will rent rather than sell the Units, there is no commitment to sell more Residential Units than fifteen (15%) percent of the Residential Units being offered for sale (twenty-six (26) Residential Units), necessary to declare the plan effective and owner-occupants may never gain effective control and management of the Condominium.

The sales prices at which the Units are being offered for sale are shown in detail in Schedule A. The Sponsor reserves the right to lower the sales prices and to negotiate other terms on an individual basis. All changes in prices which are an across the board increase or decrease affecting one or more lines of Units or models, or are to be advertised or is a price increase for an individual Purchaser will be done by a duly filed amendment to the Offering Plan. See Section IX of the Offering Plan. Any such change will not affect the Common Interest of the Unit; however, some Purchasers may pay less or more for the same model Unit or receive different terms.

Any person may accept Sponsor's offer to sell a Unit by entering into a Purchase Agreement with the Sponsor. The Agreement provides that the Purchaser will purchase from the Sponsor a designated Unit in Northern Parc as described in the Declaration creating such Condominium. A Purchaser will be afforded a minimum of three (3) business days to review the Offering Plan and all filed amendments prior to executing a Purchase Agreement. Any conflict between the Offering Plan and the Purchase Agreement shall be resolved in favor of the Offering Plan.

Upon signing the Purchase Agreement, the Purchaser shall make a down payment of a minimum of ten (10%) percent of the purchase price of a Unit plus the cost of any special work ordered by the Purchaser. Upon full payment of the balance of the purchase price and the balance of the cost of any special work ordered at the closing, in cash or by mortgage, Purchaser will receive a bargain and sale deed with covenant against grantor's acts and containing the provisions set forth in Section 13 Subdivision 5 of the Lien Law, which will convey good and marketable title to the ownership of fee ownership in the Unit and such percentage of Common Interest in the Common Elements as is set forth on Schedule A, free and clear of all liens and encumbrances other than those set forth in

Section XIII of the Offering Plan. The Purchase Agreement may be modified with the consent of Purchaser and Sponsor in a manner not inconsistent with law, subject to the terms of this Offering Plan. Sponsor must either return a fully executed Purchase Agreement within twenty (20) days to the Purchaser or reject the Purchase Agreement and refund the deposit monies. In the event the Sponsor does not act within said twenty (20) day period the Purchase Agreement will be deemed rejected by the Sponsor.

The risk of loss from fire or other casualty remains with the Sponsor unless and until a Purchaser takes actual possession of a Unit pursuant to an interim lease (or written agreement with the Sponsor) or legal title to the Unit has been conveyed to the Purchaser.

The Power of Attorney included as Schedule E herein, as same may be amended from time to time so as to comply with applicable law, must be executed by Purchaser at the closing of title. Failure to execute the Power of Attorney will result in a default under the Purchase Agreement.

The Sponsor anticipates that the first closing of a unit will occur by September 1, 2023. Purchasers will be offered a right of rescission if: (i) the actual date of closing of title to the first unit; or (ii) the projected date of closing of title to the first unit occurs later than August 31, 2024, twelve months after the projected date for the first closing. If the Plan is amended to provide for a later projected date for the first closing, purchasers will be entitled to an offer of rescission if the first closing occurs more than 12 months beyond that amended, later date. However, if the first unit closing occurs before August 31, 2024, the Sponsor may schedule the closings of title to other units significantly later than such date.

Unless your Purchase Agreement contains an outside closing date, the Sponsor is not obligated to schedule your closing within any specified time frame or to ensure that closing of title to your Unit will occur by any date certain. PROSPECTIVE PURCHASERS SHOULD THEREFORE CAREFULLY CONSIDER SUCH RISKS IN THEIR DETERMINATION AS TO WHETHER TO PURCHASE A UNIT.

All common elements will be fully operational as of the date of commencement of the Condominium operation.

After the Offering Plan is declared effective, the Sponsor will give each Purchaser who enters into a Purchase Agreement not less than thirty (30) days' prior written notice of the date, time and place for the transfer of title to the Residential Unit unless a Purchaser waives such thirty (30) day notice. A form for such waiver is contained as Schedule D-3 to the Offering Plan.

Sponsor must make a written demand for payment after default at least thirty (30) days before forfeiture of the deposit may be declared. Time is of the essence for a Purchaser to cure a default within such thirty (30) day period.

The Purchase Agreement may not be assigned by Purchaser without the written consent of Sponsor. Sponsor and its agents will not discriminate against any person on the basis of race, creed, color, national origin, sex, age, disability, marital status, or other grounds prohibited by law.

Purchasers should note that if a Purchaser fails to appear and close title in accordance with this Purchase Agreement on the date and at the time and place stated in Seller's Notice for Closing, or if Purchaser fails to observe or perform any other thing to be observed or performed by Purchaser under this Purchase Agreement, Seller may send Purchaser a written notice of default giving Purchaser thirty (30) days from the date of such notice to cure any such default, **time being of the essence.** See Paragraph 21 of the Purchase Agreement in Part II of the Offering Plan.

The Purchase Agreement may not contain, or be modified to contain, a provision waiving purchaser's rights or abrogating Sponsor's obligations under the Offering Plan or under Article 23-A of the General Business Law. Any conflict between the Purchase Agreement and the Plan will be resolved in favor of the Plan. The Purchase Agreement and Plan comply with Section 71.a(3) of the New York Lien Law. Said statute provides that the initial advance of the Purchase Agreement be deposited in an escrow account in a bank, trust company, savings bank, state or federal savings and loan association, located in New York State. The escrow and trust fund provisions disclosed below complies with said statute. The Purchase Agreement does not contain a clause requiring that disputes regarding the disposition of deposits, down payments, or advances received by Sponsor be submitted to arbitration.

The obligations of a purchaser under a Purchase Agreement are not conditioned on obtaining financing. Any prospective Purchaser who executes a Purchase agreement and does not obtain financing may lose his or her deposit if he or she is unable to otherwise raise the monies for the balance of the purchase price. Prospective purchasers who require financing are advised to consult with a lending institution before execution of a Purchase Agreement. No representation is made by the Sponsor as to the availability or cost of such financing. In no event will the Sponsor be obligated to return a Purchaser's down payment in the event a Purchaser is unable to obtain a mortgage. In addition, the Purchase Agreement will remain in full force and effect and Purchaser will be obligated to pay the balance of the purchase price at closing regardless of the availability of financing. In the event a Purchaser does not close title to the Home as a result of their inability to obtain a mortgage, the down payment plus the cost of any custom work ordered, will be retained by Sponsor as liquidated damages.

A complete copy of the Purchase Agreement is contained in Part II of the Plan.

Purchasers should note that on April 29, 2022 the Financial Crimes Enforcement Network ("FinCEN") announced the issuance of an updated Geographic Targeting Order ("GTO"), which requires U.S. title insurance companies to report to FinCEN the personal identity of purchasers in residential real estate transactions in which: (1) the purchaser is a legal entity as defined in the GTO; (2) the purchaser purchases residential real property

(including condominium units) located in the Boroughs of Bronx, Brooklyn, Queens, Manhattan and Staten Island; (3) the total purchase price is in an amount of $300,000 or more; (4) such purchase is made without a bank loan or other similar form of external financing; and (5) the purchase is made, at least in part, using currency or cashier's check, a certified check, a traveler's check, a personal check, a business check, a money order in any form, a funds transfer, or virtual currency.

As long as the updated GTO remains in effect, the reporting requirements set forth above apply to all residential real property closings (including condominium units) meeting the above criteria and occurring on or after April 30, 2022.

Further information regarding the revised GTO is available at the following web address:

ESCROW AND TRUST FUND PROVISIONS

The Sponsor will comply with the escrow and trust fund requirements of General Business Law Sections 352-e (2-b) and 352-h and the Attorney General's regulations promulgated pursuant thereto. All funds required to be held pursuant to GBL, Sections 352-e(2-b) and 352-h on the effective date of this section shall be transferred into escrow accounts in compliance with this regulation within 60 days thereafter.

Any provision of any contract or agreement, whether oral or in writing, by which a Purchaser purports to waive or indemnify any obligation of the Escrow Agent holding trust funds is absolutely void. The provisions of the Attorney General's regulations concerning escrow/trust funds shall prevail over any conflicting or inconsistent provision in the Offering Plan or in a Purchase Agreement. Purchasers shall not be obligated to pay any legal or other expense of the Sponsor in connection with the establishment, maintenance or defense of obligations arising from the handling or disposition of trust funds.

All deposits, down payments, or advances made by Purchasers prior to closing of each individual transaction, whether received before or after the date of consummation of the Plan, will be placed, within five (5) business days after the Purchase Agreement is tendered to the Escrow Agent along with the deposit, in a segregated special Escrow Account of Lau & Associates, P.C., the Escrow Agent, who address is 133-47 Sanford Avenue, Unit C1E, Flushing, New York 11355, at Cathay Bank, at its branch located at 36-54 Main St, Flushing, NY 11354. The signatories on this account authorized to withdraw funds are: Jay Lau, Esq. All designated signatories are admitted to practice law in the State of New York. Neither the Escrow Agent nor any authorized signatories on the account are the Sponsor, Selling Agent, Managing Agent, or any principal thereof, or have any beneficial interest in any of the foregoing. The name of the account is "Lau & Associates, P.C. IOLA/FBO Northern Parc". The Escrow Account is federally insured by

the FDIC at the maximum amount of $250,000 per deposit. Any deposit in excess of $250,000 will not be insured. Additionally, any other deposits a Purchaser may have at the escrow bank will count towards the $250,000 FDIC insurance limit.

The Escrow Account will be Interest-On-Lawyer-Account ("IOLA"). Pursuant to Judiciary Law, Section 497, all interest earned on the IOLA account will be paid to the State of New York.

Purchasers should note as a special risk that although all funds received by Sponsor for upgrades or extras to a Residential Unit will initially be placed in the escrow account, such funds may be released from the Escrow Account without the requirements outlined below as long as the Sponsor uses the funds for such upgrade or extra. As a result, in the event a Purchaser is entitled to rescission, the Purchaser will not receive a refund of any funds paid to and expended by the Sponsor for upgrades or extras.

All instruments shall be made payable to or endorsed to the order of "Lau & Associates, P.C., as Escrow Agent" and shall be accepted subject to collection.

The Purchase Agreement is included herein as Schedule D in Part II of the Plan. The relevant escrow trust fund provisions are included in Paragraph 29 of the Purchase Agreement, which must be executed by the Escrow Agent.

Within five (5) business days after the Purchase Agreement has been tendered to Escrow Agent along with the Deposit, the Escrow Agent shall sign the Purchase Agreement and place the Deposit into the Escrow Account. With ten (10) business days of the placing the deposit in the Escrow Account, Escrow Agent shall provide written notice to Purchaser and Sponsor, conforming the Deposit. The notice shall provide the account number and the initial interest rate to be earned on the Deposit. Any Deposits made for upgrades, extras, or custom work shall be initially deposited into the Escrow Account, and released in accordance to the terms of a written agreement between Purchaser and Sponsor.

The Escrow Agent is obligated to send notice to the Purchaser once the Deposit is placed in the Escrow Account. If the Purchaser does not receive notice of such deposit within fifteen (15) business days after tender of the Deposit, he or she may cancel the Purchase Agreement within ninety (90) days after tender of the Purchase Agreement and Deposit to Escrow Agent. Complaints concerning the failure to honor such cancellation requests may be referred to the New York State Office of the Attorney General, Real Estate Finance Bureau, 28 Liberty Street, New York, New York 10005. Rescission shall not be afforded where proof satisfactory to the Attorney General is submitted establishing that the Deposit was timely placed in the Escrow Account in accordance with the New York State Department of Law's regulations concerning Deposits and requisite notice was timely mailed to the Purchaser.

Purchasers should note that the deposit of a Purchaser's down payment into the Escrow Account shall not be deemed acceptance by the Sponsor of the Purchase Agreement. The Purchase Agreement shall be deemed accepted by the Sponsor only when countersigned by the Sponsor.

The Escrow Agent will hold funds in escrow until otherwise directed in:

(i) a writing signed by both Sponsor and Purchaser. Sponsor and/or the Escrow Agent may require a Purchaser to execute a writing authorizing release of the funds by the Escrow Agent as a condition of closing. Authorization of the release of funds at closing in the Purchase Agreement will be deemed such a writing; or

(ii) in a subsequent writing signed by both Sponsor and Purchaser; or

(iii) a final, non-appealable judgment or order of a court of competent jurisdiction.

If the Escrow Agent is not directed to release the Deposit pursuant to paragraphs (i) through (iii) above, and the Escrow Agent receives a request by either party to release the Deposit, then the Escrow Agent must give both the Purchaser and Sponsor prior written notice of not fewer than thirty (30) days before releasing the Deposit. If the Escrow Agent has not received notice of objection to the release of the Deposit prior to the expiration of the thirty (30) day period, the Deposit shall be released and the Escrow Agent shall provide further written notice to both parties informing them of said release. If the Escrow Agent receives a written notice from either party objecting to the release of the Deposit within said thirty (30) day period, the Escrow Agent shall continue to hold the Deposit until otherwise directed pursuant to paragraphs (i) through (iii) above. Notwithstanding the foregoing, the Escrow Agent shall have the right at any time to deposit the Deposit contained in the Escrow Account with the clerk of the county where the Building is located and shall give written notice to both parties of such deposit.

The Escrow Agent will also be permitted to release the escrow funds if:

(i) pursuant to terms and conditions set forth in the Purchase Agreement upon closing of title to the Unit; or

(ii) in a subsequent writing signed by both Sponsor and Purchaser; or

(iii) by a final, non-appealable order or judgment of a court.

The Sponsor will not object to the release of the escrowed funds to:

(i) a Purchaser who timely rescinds in accordance with an offer or rescission contained in the Plan or an Amendment to the Plan;

(ii) all Purchasers after an Amendment abandoning the Plan is accepted for filing by the Department of Law.

Any provision of any Purchase Agreement or separate agreement, whether oral or in writing, by which a Purchaser purports to waive or indemnify any obligation of the Escrow Agent holding any Deposit in trust is absolutely void. The provisions of the Attorney General's regulations and General Business Law Sections 352-e(2-b) and 352-h concerning escrow trust funds shall prevail over any conflicting or inconsistent provisions in the Purchase Agreement, Plan, or any amendment thereto.

Nothing contained herein shall diminish or impair the sponsor's statutory obligation to each purchaser pursuant to GBL section 352-h to hold in trust all deposits, advances or payments made in connection with the offer until consummation of the transaction with such purchaser. Consummation of the plan does not relieve sponsor of its obligations pursuant to GBL section 352-h. Funds from the escrow account remain the property of the purchaser until employed in connection with the consummation of the transaction. Such funds shall not be a part of the estate of the sponsor or the escrow agent upon any bankruptcy, incapacity or death.

Under no circumstances shall Sponsor apply for release of the escrowed funds of a defaulting Purchaser until after consummation of the Plan, as evidenced by the acceptance of a post-closing amendment by the New York State Department of law. Consummation of the Plan does not relieve the Sponsor of its obligations pursuant to General Business Law Sections 352-3(2-b) and 352-h.

Purchasers should note that it shall be an express condition of closing of title that the Purchaser sign the form contained in Part II which will enable the Escrow Agent to release the escrow funds, if not previously released as provided above.

The Department of Law may perform random reviews and audits of any records involving escrow accounts to determine compliance with statute and regulation.

Sponsor must make a written demand for payment after a default at least thirty (30) days before forfeiture of the deposit may be declared.

A copy of the Escrow Agreement between the Sponsor and the Escrow Agent which incorporates the terms of the Attorney General's regulations is contained in Part II of the Plan as Schedule L. The Escrow Agent shall maintain all records concerning the escrow account for seven (7) years after release of the funds. Upon the dissolution of the law firm which was the escrow agent, the former partners or members of the firm shall make appropriate arrangements for the maintenance of the Escrow Account records by one of them or by the successor firm and shall notify the Department of Law of such transfer.

Before escrow funds are transferred to a new escrow account, or if the Escrow Agent is replaced, the Plan shall be amended to provide the same full disclosure with

respect to the new escrow account, the new Escrow Agent and Escrow Agreement, as was originally provided.

In compliance with Local Law 147 and pursuant to Article 17 of the New York City Administrative Code, the Board of Managers (the "Board") of Northern Parc (the "Condominium"), have adopted the following smoking policy (the "Smoking Policy") for the Building:

Smoking is PROHIBITED (i) in all commons areas of the Building, including, but not limited to, the lobby, entryways, vestibules, ante rooms, mail rooms, storage rooms, bike rooms, common rooms, amenity rooms, gym, roof decks, garbage chute rooms, compactor rooms, basement, corridors, hallways, stairwells, elevators, playroom, garage, garage ramp, walkways, and (ii) within twenty-ten (25) feet of any outside entrance to the Building or within twenty-five (25) feet of any outdoor air intake or operable window opening onto Common Elements or Units.

For the purposes of this Smoking Policy, the term "smoking" includes, but is not limited to, inhaling, exhaling, burning or carrying any lighted cigar, cigarette, pipe or any other form of lighted object or device which contains tobacco, including the use of electronic cigarettes or any similar device that delivers vapor for inhalation (including any refill, cartridge or other component of an electronic cigarette or similar device), or any other items or materials that may be smoked, whether such substance is a legal substance or an illegal substance. This Smoking Policy applies to all Unit Owners, tenants, subtenants, occupants and residents of the Building, and to any guests, agents, licensees and invitees of a Unit Owner. It is the Unit Owner's responsibility to ensure that its tenants, subtenants, occupants, residents, guests, agents, licensees and invitees comply with this Smoking Policy.

Smoking is PROHIBITED within individual Units and on the terraces, balconies, patios and yards attached to individual Units.

Any Unit Owner who sells, leases, or subleases its Unit must include a copy of this Smoking Policy in the contract of sale, lease or sublease.

In the event of a violation of this Smoking Policy, in addition to and not in diminution of, all other remedies available to the Condominium, as provided in its Declaration of Condominium and By-Laws, or at law or in equity, with regard to a default by the Unit Owner, the Board shall have the right to impose an administrative fee in the amount of Two Hundred Fifty ($250.00) Dollars on the Unit Owner for each such violation of this Smoking Policy. A continuing violation shall be considered a new violation.

XII. FINANCING FOR QUALIFIED PURCHASERS

THIS PLAN DOES NOT CONTAIN ANY FINANCING ARRANGEMENTS FOR PURCHASERS. PROSPECTIVE PURCHASERS WHO ARE INTERESTED IN SUCH FINANCING SHOULD CONTACT LENDING INSTITUTIONS, SUCH AS MUTUAL SAVINGS BANKS AND COMMERCIAL BANKS, MANY OF WHICH HAVE ADVERTISED THAT THEY OFFER FINANCING TO PURCHASERS OF CONDOMINIUM HOMES.

Any applications for such financing with lending institutions must be done on an individual basis by prospective Purchasers and will involve negotiations exclusively between the lending institution and the applicant. The Sponsor should not be construed hereunder as offering any such financing or representing the availability or terms of such financing.

The Purchase Agreement is not conditioned upon a Purchaser securing satisfactory mortgage financing. Obtaining a mortgage shall be the sole responsibility of each Purchaser. In no event will the Sponsor be obligated to return a Purchaser's down payment in the event a Purchaser is unable to obtain a mortgage. In addition, the Purchase Agreement will remain in full force and effect and Purchaser will be obligated to pay the balance of the purchase price at closing regardless of the availability of financing. In the event a Purchaser does not close title to the Residential Unit as a result of their inability to obtain a mortgage, the down payment plus the cost of any custom work ordered, will be retained as liquidated damages.

Prospective Purchasers who require financing are advised to consult with a lending institution before execution of a Purchase Agreement. No representation is made by the Sponsor as to the availability or cost of such financing.

The closing of title to a Unit where the Purchaser has obtained financing will take place simultaneously with the closing of the mortgage loan and the proceeds will be applied towards the then balance of the purchase price.

XIII. ASSIGNMENT OF PURCHASE AGREEMENTS

The Purchase Agreement may not be assigned by Purchaser without the express written consent of Sponsor, which consent may be granted or withheld in Sponsors sole and absolute discretion. However, Sponsor and its agents will not discriminate against any person on the basis of race, creed, color, national origin, sex, age, disability, marital status, or other grounds prohibited by law.

XIV. EFFECTIVE DATE OF THE PLAN

Sponsor's offer to sell the Units is contingent upon the Plan being declared effective and no closing to a Unit will be held until the Plan is declared effective. This Offering Plan will not become effective until bona fide Purchasers, including investors, have executed Purchase Agreements which have been accepted by Sponsor for at least fifteen (15%) percent in number of the Residential Units offered under the Plan (172 x 15% = 26 Residential Units). The Sponsor will declare the Plan effective by personal service of notice on every Purchaser or commencement of service by mail, stating that the Plan has been declared effective. Sponsor will, within five (5) business days of said service of notice, submit for filing an amendment to the Offering Plan confirming that the Plan was declared effective on a specified date and will file an affidavit of service of the notice on all Purchasers. Sponsor will not close title to the first Residential Unit until the amendment disclosing the effectiveness of the Condominium has been accepted for filing by the Attorney General. The Plan will not be declared effective based on Purchase Agreements:

(i) signed by Purchasers who have been granted a right of rescission that has not yet expired or been waived; or

(ii) based on Purchase Agreements where the Purchaser has not had at least three (3) business days to review the Offering Plan and all filed amendments; or

(iii) with any Purchaser who is the Sponsor, the selling agent, or the managing agent or is a Principal of the Sponsor, the selling agent or the managing agent or is related to the Sponsor, the selling agent or the managing agent or to any Principal of the Sponsor or the selling agent or the managing agent by blood, marriage or adoption or as a business associate, an employee, a shareholder or a limited partner; except that such a Purchaser other than the Sponsor or a Principal of the Sponsor may be included if the Sponsor has submitted proof satisfactory to the Department of Law establishing that the Purchaser is bonafide.

Further, prior to declaring the Plan effective, the Sponsor has the option not to close title to the Units and to abandon the Plan at any time, if less than eighty (80%) percent in number of the Residential Units offered hereby are sold and title to any Residential Unit has not been conveyed (172 x 80% = 138 Residential Units). In the event Sponsor exercises such option, it shall forthwith return to the Purchaser all monies paid with interest, if any, within five (5) days of acceptance of an amendment abandoning the Plan. When Purchase Agreements for eighty (80%) percent of the Residential Units have been entered into, the Sponsor must declare the Plan effective.

Notwithstanding the fact that not all Purchasers used for purposes of declaring the Plan effective may actually close, the Sponsor will re-declare the Plan effective if all

purchase agreements are either rescinded or terminated prior to the date of first Unit Closing, regardless of whether the Condominium Declaration has been recorded.

Once the Plan has been declared effective, it may not be abandoned except for (i) a defect in title which cannot be cured for less than one-half (½%) percent of the total amount of the offering or (ii) substantial damage or destruction of a Building by fire or other casualty which cannot be cured for less than one-half (½%) percent of the total offering, or (iii) the taking of any material portion of the property by condemnation or eminent domain. Any stated dollar amount relied upon as basis for abandonment after effectiveness will exclude all attorneys' fees as well as any such title defects or determinations of any authority or regulatory association which exist on the date of presentation of the Plan and are either known to the Sponsor or are a matter of public record. In the event Sponsor abandons the Plan, it shall do so by means of a filed amendment to the Plan. All monies advanced by Purchasers will be returned to them within five (5) days of the abandonment of the Plan. If Sponsor decides to abandon the Plan before declaring the Plan effective, Sponsor will file an amendment disclosing such abandonment and file a RS-3 Form with the Department of Law.

XV. TERMS OF SALE

After the Plan has been declared effective the Sponsor will fix a date for the closing of title to all Residential Units for which Purchase Agreements have been executed by serving notice on each Purchaser stating the date of the first closing and setting such Purchaser's closing date. Notice will be sent to all Purchasers who have executed and delivered Purchase Agreements to the Sponsor and whose Purchase Agreements are then in effect by (i) personal delivery; or (ii) mailing by regular mail or registered or certified mail with or without return receipt requested, addressed to the Purchasers at the last known residence of such Purchaser or, if the Purchaser has provided written information of an alternative address for notices, addressed to the Purchaser at the alternative address. If Sponsor has no information of the last known residence address, but has written information of the place of business or employment of such Purchaser, the mailing shall be addressed to such last business or employment address.

Such notice will be served no less than thirty (30) days before the date set for the closing of the Units. Sponsor shall permit Purchasers to waive the thirty (30) day provision by a written waiver. A form for such waiver is contained as Schedule D-2 to the Offering Plan. Said notice will also include notice of the obligation to pay the balance of the purchase price. On the closing date, fee title to the Unit will be conveyed to the Purchaser together with the Unit's undivided interest in the Common Elements. The Sponsor anticipates that the first closing of a unit will occur by September 1, 2023. Purchasers will be offered a right of rescission if: (i) the actual date of closing of title to the first unit; or (ii) the projected date of closing of title to the first unit occurs later than August 31, 2024, twelve months after the projected date for the first closing. If the Plan is amended to provide for a later projected date for the first closing, purchasers will be entitled to an offer of rescission if the first closing occurs more than 12 months beyond that amended, later date. However, if the first unit closing occurs before August 31, 2024, the Sponsor may schedule the closings of title to other units significantly later than such date.

Unless your Purchase Agreement contains an outside closing date, the Sponsor is not obligated to schedule your closing within any specified time frame or to ensure that closing of title to your Unit will occur by any date certain. PROSPECTIVE PURCHASERS SHOULD THEREFORE CAREFULLY CONSIDER SUCH RISKS IN THEIR DETERMINATION AS TO WHETHER TO PURCHASE A UNIT.

Such closing, however, will only take place after or simultaneously with the happening of the following events:

1. The delivery to the Unit Owner of a Bargain and Sale Deed with covenants against grantor's acts. A copy of the Deed is set forth as Schedule F in Part II of the Plan.

2. The Sponsor's repair of any damage from a casualty or other cause that occurs before the closing of Purchaser's Residential Unit. In the event a Home is damaged by casualty or other cause prior to the closing of

Purchaser's Home, through no fault of Purchaser, Sponsor shall repair the Home to meet the specifications set forth in the architects and/or engineers property description report(s) contained herein prior to closing of title to such Home. In the event Sponsor cannot complete such repair within the anticipated delivery timeframe set forth in the Offering Plan or Purchase Agreement, Purchaser shall be afforded a right of rescission.

3. The issuance of a permanent or temporary Certificate of Occupancy to the Residential Unit or Building in which the Residential Unit is located and any other necessary permits.

4. Title to each Unit and its appurtenant interest in the Common Elements will be conveyed at the closing free and clear of all liens, encumbrances and title exceptions other than those described in the Offering Plan and the proposed Unit Deed. If existing mortgages or construction loans will not be satisfied at or prior to the closing of the first unit, state that at the time of conveyance of the first unit, each mortgagee will either: (i) consent to the formation of a condominium and acknowledge that its lien will be limited to unsold condominium units; (ii) subordinate the lien of its mortgage to the declaration of condominium; or (iii) release its lien on the condominium unit being conveyed and its interest in the common elements.

5. If so requested by the Purchaser, Cornerstone Land Abstract, LLC ("Cornerstone"), a title company authorized to do business in the State of New York, 248-52 Jericho Turnpike Bellerose Village, New York 11101, and (516) 327-5400. Cornerstone shall agree to insure that such Purchaser has good and marketable fee title in the Unit, free and clear of all liens, encumbrances and title exceptions, except those set forth below, the Deed, and subject to the provisions of the Declaration and By-Laws and any mortgage executed by the Purchaser and that the Condominium was validly formed pursuant to Article 9-B of the Real Property Law. Purchasers are free to obtain title insurance from any title company authorized to do business in the State of New York without incurring any additional fees or penalty from Sponsor.

6. All articles of personal property, fixtures and equipment as set forth in the Offering Plan for the Residential Unit being purchased are to be included in the sale of such Residential Unit.

7. The Declaration, By-Laws, floor plans and engineers and tax authority certification required by Section 339-p of Article 9-B of the Real Property Law of the State of New York shall be recorded or filed as required by law in the New York City Registers Office, Queens County.

8. The Unit and its undivided interest in the Common Elements shall not be subject to the lien of any mortgage at the time of closing except any

mortgage requested by the Purchaser at the time of closing representing a purchase money mortgage or mortgages taken by the Purchaser.

9. The Sponsor will give each Purchaser who has entered into a Purchase Agreement not less than thirty (30) days' prior written notice of the date, time and place for the transfer of title to their Unit unless a Purchaser waives such thirty (30) days notice. A form of such waiver is contained as Schedule D-2 to the Plan.

10. The filing of an amendment to the Offering Plan disclosing that the Plan has been declared effective and that the terms of this Section will be met, that the Residential Units to be closed have been constructed in accordance with the plans filed with the Building Department of the City of New York and that the Sponsor has complied with the requirements of this Section.

11. Purchaser shall receive any manufacturers' warranty certificates with respect to equipment and appliances installed in the Residential Unit and Sponsor shall assign any warranties with respect to equipment and appliances installed in Common Elements to the Board of Managers.

12. The Purchaser shall execute an instrument in the form annexed to the Purchase Agreement designating the Board of Managers as the Purchaser's attorneys-in-fact, coupled with an interest for the sole purpose of managing, selling, mortgaging, leasing, subleasing, voting or otherwise dealing with any Units acquired by the Board of Managers in accordance with any of the provisions of the By-Laws and designating the Sponsor as their attorney-in-fact to file an amendment to the Declaration of Condominium permitting the certification by a registered architect or professional engineer, certifying that the floor plans filed as part of an amended Declaration are an accurate copy of portions of the plans of the building and fully and fairly depict the layout, location, designation and approximate dimensions of the Residential Units as built or amending such Declaration to create any utility easements or to carry out any of the provisions of the Offering Plan of such Condominium as described in Article Tenth, Section (c) of the Declaration of Condominium.

Title to the Unit and its appurtenant interest in the Common Elements will be conveyed at the closing free and clear of all liens, encumbrances and title exceptions other than those permitted below and/or described in the proposed Unit deed. Title to the Units will be subject to the following:

1. State of facts of the property as shown on a survey to be made prior to the closing of title provided such facts would not render title unmarketable and any state of facts which an accurate survey of the building would show provided such state of facts would not render title unmarketable.

2. Any sewer, water, gas, electric, drainage, telephone, cable television or utility easements granted or to be granted hereafter.

3. All of the terms, covenants and conditions of the Declaration, the By-Laws of the Condominium and the Building Plans, as they are subsequently filed or recorded, the Offering Plan and any amendment thereto.

4. All easements set forth in the By-Laws and Declaration of the Condominium as they are subsequently recorded in the Offering Plan and Purchase Agreement, including:

   (a) Easements in favor of the Owners of other Units to use the pipes, wires, conduits, cable television, and public utility lines located in the Common Elements or in the Unit itself servicing such other Units and/or the Common Elements.

   (b) Easements in favor of the Board of Managers, its agents, contractors or employees to have a right of access to any Unit and to the Common Elements to inspect, maintain or repair or to make repairs to any Unit to prevent damage to the Common Elements or any other Units, to make repairs to the Common Elements, to any wires, pipes, conduits or cable television system servicing any of the Units or to make repairs to any other Unit, regardless of the nature of the Common Element.

   (c) Easements in favor of those Residential Units having restricted use to portions of the Common Elements.

   (d) Easements in favor of the Residential Unit Owners for access through any other part of a Building for the purpose of access, installation, maintenance, repair and replacement of any flues, vents, gas, air-conditioning, heating, ventilation, water and other mechanical lines and fixtures and any other machinery, pipes, wires, conduits, equipment or meters servicing an individual Residential Unit.

   (e) Easements for the continuance of encroachments on any Unit and on the Common Elements by other Units or portions of the Common Elements, now existing by reason of the construction of the Units, or hereafter occurring by reason of the settling or shifting of the Units, or by reason of the repair and/or restoration by the Board of Managers of the Units or such other Units or such Common Elements, after damage by fire or other casualty or after taking in condemnation or eminent domain proceedings, or by reason of an alteration to the Common Elements made by the Board of Managers,

so that any such encroachments may remain as long as the Units stand.

(f) Easement in favor of the Sponsor, it's agents and employees for access through any part of a Building for the purpose of access, installation, maintenance, repair and replacement to of any portion of the Building, including but not limited to the installation of solar energy panels on the roof.

5. Any additional declarations, covenants, restrictions, exceptions, easements and agreements which have been recorded, or appear in recorded documents, or are yet to be recorded, provided they do not prevent use of a Residential Unit as a one (1) family residence.

If existing mortgages or construction loans will not be satisfied at or prior to the closing of the first Unit, at the time of conveyance of the first Unit, each mortgagee will either: (i) consent to the formation of a condominium and acknowledge that its lien will be limited to unsold condominium units; (ii) subordinate the lien of its mortgage to the declaration of condominium; or (iii) release its lien on the condominium unit being conveyed and its interest in the common elements.

The Sponsor has been advised by its counsel that in counsel's opinion, none of the exceptions to title herein above set forth are contrary to the terms of the Purchase Agreement nor will they interfere with the quiet use or enjoyment of the Purchaser's Unit.

All personal property located within a Unit on the date the Purchase Agreement is signed, or located within the Common Elements on the date the declaration is filed, which is owned by the Sponsor or owner of the Property, is included in the conveyance unless specifically excluded the Offering Plan. As such, Sponsor specifically excludes all personal property located within the Units or within the Common Elements, which is not described in the Offering Plan as being included in a Unit or the Common Elements and which is not intended to be subject to this offering.

XVI. CLOSING COSTS AND ADJUSTMENTS

The estimated closing costs and expenses to be borne by each Purchaser are as follows:

1. Cornerstone Land Abstract, LLC ("Cornerstone"), a title company authorized to do business in the State of New York, 248-52 Jericho Turnpike Bellerose Village, New York 111011, (516) 327-5400, at the estimated rates of $5.81 per thousand for the first $50,000 of fee title insurance, approximately $4.74 for each additional $1,000 of insurance up to $100,000 and approximately $3.80 per thousand for each additional $1,000 up to $500,000 plus six (6%) percent.

   Each Purchaser will be free to obtain title insurance from a title insurance company of their own choosing without incurring a penalty from Sponsor.

2. Mortgage title insurance at the estimated rates of $4.84 per thousand for the first $50,000 of mortgage title insurance, approximately $3.95 for each additional $1,000 of mortgage title insurance up to $100,000 and approximately $3.17 per thousand for each additional $1,000 up to $500,000 plus six (6%) percent.

   In the event a Purchaser obtains both mortgage and fee title insurance at closing, the Mortgage Policy shall be issued at a reduced rate known as the Simultaneous Mortgage Rate. The fee title insurance policy will be based on the full fee rate and the Simultaneous Mortgage Policy is based on thirty (30%) percent of the applicable mortgage rate up to the amount of the Mortgage Policy. Any excess is based on the full mortgage rates.

   Each Purchaser will be free to obtain title insurance from a title insurance company other than Cornerstone without incurring a penalty from Sponsor. Sponsor makes no representation or warranty as to cost, terms or availability of such other title insurance.

3. Fees for the recording of the deed, power of attorney and any affidavit required in connection with the mortgage tax credit available under RPL §339-ee which are approximately $235, $100 and $50 for each document.

For first mortgages in an amount less than $500,000, Purchaser shall pay mortgage tax of 2.05% of the amount of the mortgage less $25 and for first mortgages in an amount in excess of $500,000, Purchaser shall pay mortgage tax of 2.175% of the amount of the mortgage less $25. In addition, the Purchaser will be required to pay the lending institution's attorney's fees, any mortgage origination fees, bank credit an appraisal fees

and other expenses that the lending institution may charge incident to the making of the permanent loan. If applicable, a portion of the mortgage recording tax set forth above will be computed in accordance with Section 339-ee subsection 2, of the New York Condominium Act, and shall be paid to the Sponsor in reimbursement of mortgage recording taxes which the Sponsor may have previously paid in connection with existing mortgage on the Condominium. There will be no mortgage closing costs pursuant to this paragraph 4 on Residential Units which are not covered by mortgages.

5. Sponsor is transferring its statutory obligation to pay New York State Transfer Tax ("NYSTT") of 0.4% of the Purchase Price where the consideration is less than $3,000,000 and 0.65% of the Purchase Price where the consideration is $3,000,000 or greater; New York City Real Property Transfer Taxes ("NYCRPTT") of one (1%) percent of the Purchase Price where the consideration is less than $500,000 and 1.425% where the consideration is $500,000 or greater. For purposes of calculating the NYCRPTT, as the Purchaser shall be responsible for paying the NYCRPTT, the tax due New York City will be based on the Purchase Price plus the amount of both the NYCRPTT and NYSTT due, which equates to a "grossed up" Purchase Price for calculation of the NYCRPTT. For purposes of calculating the NYSTT, as the Purchaser shall be responsible for paying the NYSTT, the tax due New York State will be based on the Purchase Price plus the amount of the NYCRPTT only. In addition, the Purchaser will be responsible for New York State Mansion Tax pursuant to Section 1402-a of the Tax Law of one (1%) percent of the Purchase Price for any Residential Unit which has a combined sales price of $1,000,000 or more.

   The Tax Law Amendment eliminates the requirement to "gross-up" the consideration payable by a Purchaser for a Unit pursuant to a Purchase Agreement that requires the Purchaser to pay the New York State Real Estate Transfer Tax at the closing of title to the Unit. Pursuant to the Tax Law Amendment, a Purchaser will no longer pay the portion of the New York State Real Estate Transfer Tax based on grossed-up consideration.

   The steps to compute the tax are:

   (a) Multiply the purchase price by the State Tax Rate to compute the tentative NYSTT.

   (b) Multiply the purchase price by the New York City Tax Rate to compute the tentative NYCRPTT.

   (c) For NYSTT purposes, add the NYCRPTT to the purchase price (item "b")

(d) For NYCRPTT purposes, add both the NYSTT and NYCRPTT to the purchase price (items “a” and “b”).

(e) Multiply the total of “c” above by the NYS tax rate for the NYSTT due.

(f) Multiply the total of “d” above by the NYC Tax Rate for the NYCRPTT due.

EXAMPLE: Purchase Price = $899,674

(a) $899,674 x .004 = $3,599 = tentative NYSTT
(b) $899,674 x .01425 = $12,820 = tentative NYCRPTT
(c) $899,674 + $12,820 = $912,494 = Purchase Price for NYSTT
(d) $899,674+ $3,599 + $12,820 = $916,093 = Purchaser Price for NYCRPTT
(e) $916,093 x .004 = $3,664 = amount due for NYSTT
(f) $916,093 x .01425 = $13,054 = amount due for NYCRPTT

6. Working capital in the amount of two (2) months Common Charges to be paid to the Condominium. While Sponsor is in control of the Board of Managers, the working capital fund will not be used to reduce the Common Charges of the Condominium. If any portion of the working capital fund is used during this period to pay for items in the budget set forth, such amounts will be repaid to such fund out of Common Charges collected.

7. The Mansion Tax is required to be paid by the Purchaser, however the Tax Law was amended to provide that when the Purchaser fails to pay the tax, the seller is required to pay. When the seller is required to pay the additional tax because the Purchaser failed to pay, the additional tax becomes the joint and several liability of the seller and the Purchaser.

The Tax Law was amended to provide for an addition to the base tax (additional base tax) in the amount of $1.25 for each $500, or fractional part, of the consideration for certain conveyances of real property located in New York City. The tax applies to:

• The conveyance of residential real property where the consideration for the entire conveyance is $3 million or more.
• The conveyance of real property other than residential real property where the consideration for the entire conveyance is $2 million or more.

The seller is required to pay the additional base tax, but here Sponsor is transferring its statutory obligation to the Purchaser. If the seller fails to pay the tax or is exempt from the tax, the Purchaser is required to pay the tax. When the Purchaser is required to pay the tax because the seller has failed to pay, the additional base tax becomes the joint and several liability of the

seller and the Purchaser. For purposes of the additional base tax, all mixed-use real property is considered residential real property. Therefore, if the consideration for the conveyance of mixed-use real property is $3 million or more, the entire consideration is subject to the additional base tax.

Residential real property includes any premises that is or may be used in whole or in part as a personal residence, and includes a one-, two- or three-family house, an individual condominium unit or a cooperative apartment unit. Mixed-use real property is real property that is used for both residential and other than residential (for example, commercial) purposes.

The Tax Law was also amended to add a supplemental tax on the conveyance of residential real property located in New York City where the consideration for the conveyance is $2 million or more. The supplemental tax differs depending on the amount of the consideration for the entire conveyance. For example: entire conveyance amount of at least $ 2 million but less than $ 3 million = Supplemental tax rate of one-quarter of one percent (.25%), and entire conveyance amount of at least $ 3 million but less than $ 5 million = Supplemental tax rate of one-half of one percent (.5%). The Purchaser is required to pay the supplemental tax. If the Purchaser fails to pay the tax or is exempt, the seller is required to pay the tax. When the seller is required to pay the tax because the Purchaser has failed to pay, the supplemental tax becomes the joint and several liability of the seller and the Purchaser. The supplemental tax is due on the conveyance of mixed-use real property when the consideration for the entire property is $2 million or more. Tax is computed only on the consideration attributed to the residential portion of the property.

8. Each Purchaser shall pay $2,500 to Sponsor's counsel, representing a fee for services in connection with preparing the Unit Deed, the Unit Owner's Power of Attorney and for coordinating and attending the closing. Such fee shall be payable at or prior to the closing by Purchaser's unendorsed, personal check made payable directly to the order of Sponsor's attorney.

9. Any mortgage tax credit received pursuant to Section 339-ee of the Real Property Law will inure to the benefit of Sponsor.

10. A pro-rata portion of the estimated first year condominium insurance based on the percentage of Common Interest of the Unit being purchased.

As an example, a Purchaser of a Residential Unit in which the purchase price is $899,674 and who procures a first mortgage in the amount of $719,739 will pay the following approximated closing costs:

Fee Title Insurance:	$ 3,317
Mortgage Insurance:	$ 2,696
Deed Recording Fee:	$ 235

Power of Attorney Recording Fee:	$ 100
Mortgage Recording Fees:	$ 225
§339-ee Affidavit Recording Fee:	$ 50
New York State Transfer Tax:	$ 3,664
New York City Transfer Tax:	$13,054
Mortgage Tax:	$13,824
Condominium Working Capital:	$ 730
Pro-Rata Insurance	$ 282
Sponsor Attorney Fees for Preparation of Deed, Power of Attorney and other Closing Documents:	$ 2,000
TOTAL	$40,177

In addition, if a closing takes place, at the request of Purchaser, at any location other than the office of Sponsor's attorney, Purchaser shall pay to Sponsor's attorney a travel fee in the sum of $250.

In addition, in the event the Sponsor's Attorney is required to prepare the New York City "ACRIS" transfer documents Purchaser shall be required to pay Sponsor's attorney an additional fee of $250. In the event the title company prepares the ACRIS, Purchaser shall pay the applicable fee of the title company.

In the event a closing is adjourned with Sponsor's consent, at the request of Purchaser or Purchaser's attorney within forty-eight (48) hours of the scheduled time of Closing, Purchaser shall also pay Sponsor's attorney an adjournment fee in the sum of $500.

In the unlikely event the Units have not been separately assessed for real estate tax purposes prior to the closing of title to the first Unit, Sponsor may place in escrow, in the name of the Board of Managers, an amount equal to the unpaid real estate taxes which will be levied against said Unit for the six (6) month period following the first closing. This is a determination made by the taxing authority and not in control of the Sponsor. Said amount is to be paid by Purchaser. Alternatively, the Sponsor may place in escrow, in the name of Board of Managers, an amount equal to the real estate taxes attributable to the unsold Units for such six (6) month period and may collect at each closing the estimated amount of taxes attributable to such Unit for the balance of the six (6) month period. The Board of Managers will pay the real estate taxes from the escrow account when taxes are due and payable and either the Sponsor or the Board of Managers will be entitled to reimbursement from Unit owners to the extent of the actual assessment. Until the Units are separately assessed, all post-closing amendments will disclose the amount of the funds deposited in escrow for the payment of the real estate taxes.

If through no fault of Sponsor, Purchaser fails for any reason to close title within seven (7) days after the date originally scheduled in Sponsor's Notice of Closing

or such later date (if applicable) to which Sponsor in a subsequent Notice for Closing adjourned the Closing, all of the aforementioned apportionments shall be made as of midnight of the day preceding (i) the date originally scheduled for Closing or (ii) Sponsor's adjourned Closing date (as the case may be). In addition, Purchaser shall pay to Sponsor at or prior to the actual Closing an amount equal to .0438% (which equals an annual rate of 16%) of the purchase price for the Residential Unit for each day beyond such originally scheduled or Sponsor adjourned Closing date, to and including the date of actual Closing, for reimbursement and defrayal of Sponsor's carrying costs and other charges.

The fee title policy premiums and the recording charges set forth above are estimates based on the rates in effect as of the date of this Offering Plan. If said premiums, charges or rates are subsequently revised by the title company, the State, or Municipality, each Purchaser shall be required to pay the title policy premiums, recording charges and closing costs in effect as of the date of the closing of title to their Residential Unit.

The Sponsor anticipates that the only items which will be apportioned at the closing of title to the Units will be real estate taxes and sewer charges, if any, and Common Charges, if they have been declared by the Board of Managers. The adjustments will be made as of 11:59 P.M. on the day preceding the closing date. In the event there are any other items which are to be apportioned at closing, said items will be adjusted at the closing. The Sponsor will advise the Purchaser of the closing date by giving him written notice at least thirty (30) days prior to the closing date.

XVII. RIGHTS AND OBLIGATIONS OF THE SPONSOR

No bond or other security has been furnished to secure performance of the following obligations. All obligations pertaining to the Common Elements shall be enforceable only by the Board of Managers on behalf of the Unit Owners and not by the individual Unit Owners. During the time the principals of the Sponsor control the Board, it is within their sole power to enforce the obligations of the Sponsor pertaining to the Common Elements. If there are non-Sponsor members of the Board, and there is a vote on whether to sue the Sponsor, the Sponsor's Board representatives cannot lawfully vote on that issue. The following shall pertain to the Sponsor:

1. Sponsor will endeavor in good faith to market and sell the Units in the Condominium in a reasonably timely manner. Notwithstanding, Sponsor retains the unconditional right to rent rather than sell the Units after consummation of the Plan. Because Sponsor is retaining the unconditional right to rent rather than sell Units, this Plan may result in the creation of a condominium in which a majority of the Units are not owned by owner-occupants or investors who are unrelated to the Sponsor. Due to the fact Sponsor is not limiting the conditions under which it will rent rather than sell the Residential Units, Sponsor's obligation is limited to entering into purchase agreements for a minimum of fifteen (15%) percent of the Residential Units being offered for sale, which is the minimum necessary to declare the plan effective. As such, owner-occupants may never gain effective control and management of the Condominium.

2. The Sponsor shall be obligated to defend any suit or proceeding arising out of Sponsor's acts or omissions and shall indemnify the Board of Managers and the Unit Owners for same.

3. All representations under the Offering Plan, all obligations pursuant to the General Business Law, and such additional obligations under the Offering Plan which are to be performed subsequent to the closing date will survive delivery of the deed.

4. Until title to a Unit is passed to a Purchaser, the Sponsor will pay such Common Charges, special assessments and real estate taxes, as are assessed by the Board of Managers of the Condominium and the City of New York on the Units to which title has not passed. Once title is passed to a Purchaser the Purchaser shall be solely responsible for all Common Charges, special assessments, real estate taxes and all other costs applicable to the Unit, as are assessed by the Board of Managers of the Condominium and the City of New York. No bond or other security has been posted to secure such obligations. Sponsor will fund its financial obligations to the Condominium from the income derived from the sale of the Units and Sponsor's assets. Sponsor currently has the resources necessary to meet its obligations under the Offering Plan.

5. The Sponsor's repair of any damage from a casualty or other cause that occurs before the closing of Purchaser's Residential Unit. In the event a Residential Unit is damaged by casualty or other cause prior to the closing of Purchaser's Residential Unit, through no fault of Purchaser, Sponsor shall repair the Residential Unit to meet the specifications set forth in the architects and/or engineers property description report(s) contained herein prior to closing of title to such Residential Unit. In the event Sponsor cannot complete such repair within the anticipated delivery timeframe set forth in the Offering Plan or Purchase Agreement, Purchaser shall be afforded a right of rescission.

6. Sponsor will initially procure fire and casualty insurance for the Condominium on the terms set forth in the budget and will collect a pro-rata share of said insurance from a Purchaser at each closing based on the Unit's percentage of common interest (provided Sponsor has pre-paid the first year insurance premium). Notwithstanding, in the event the amount of insurance increases or additional funds are required to pay for such insurance, Sponsor will have the option to lend the Condominium such funds and Sponsor will be repaid out of subsequent Common Charges collected. No Board or Unit Owner approval is required to make such loan. Sponsor may continue to collect the insurance reimbursement until all Units in the Condominium have been sold.

7. In the event of the dissolution or liquidation of the Sponsor or the transfer of twenty (20%) percent or more of the total number of Residential Units in the Condominium, the Principals of the Sponsor will provide financially responsible entities or individuals who will assume the status and all the obligations of the Sponsor for those Residential Units under the Offering Plan, applicable laws or regulations.

8. Sponsor has obtained construction financing (the "Construction Loan") from Shanghai Commercial Bank, Ltd., located at 125 E. 56th Street, New York, New York 10022 ("Construction Lender"), which has enabled Sponsor to construct the Development. The Sponsor will be obligated to pay off and otherwise comply with the terms of the Construction Loan on the entire Condominium. After the recording of the Declaration and before the closing of title to the first Unit, any Construction Loan mortgage will be satisfied, or released, or subdivided, extended and consolidated with the individual permanent mortgages, which will be placed on the Units of those Purchasers obtaining a mortgage. In addition, before the closing of title to the first Unit, all liens and mortgages affecting the Condominium shall be paid and satisfied or the Unit being conveyed and its appurtenant Common Interest shall be released therefrom by partial release duly recorded. In order to obtain partial releases, the Construction Lender will require that the Sponsor pay a release price on the sale of each Unit, until the loan is repaid in full. Therefore, there will be no resulting costs from Sponsor's construction loan added to Purchaser's individual mortgage. The terms of

the Construction Loan contemplate the project as a “for-sale” condominium project.

The Sponsor is reserving a right to seek assignment and assumption by Purchaser’s mortgage lender, of a portion of Sponsor’s Construction Loan. Any severance and assignment of a portion of the mortgage on the Property, as contemplated herein would not result in any additional risk to Purchaser. Purchasers shall be responsible for any severance and/or assignment cost charged by their own mortgage lender and Sponsor will incur the cost of any fees charged by Sponsor’s lender. Any severance/assignment transaction will be initiated only after financing has been procured by Purchaser, as evidenced by a commitment letter from Purchasers mortgage lender. Should said transaction fail to take place and result in the loss of Purchaser’s financing commitment, then Purchaser will be entitled to an opportunity to obtain new financing, if Purchaser so elects.

9. The Sponsor will diligently, expeditiously and at its own cost, complete construction of the Condominium in accordance with the plans and specifications described in the architects and/or engineers property description report(s) contained herein and will diligently perform all of its obligations set forth in this Offering Plan and will deliver to the Board of Managers a copy of the “as built” plans filed with the recording of the Declaration or any amendment thereto and in addition will provide the Board with a full set of building plans filed with the local Municipality together with any “field changes” made during the course of construction. A decrease in a Unit’s area of five (5%) percent or less may not affect a Purchaser’s right to consent, unless such decrease is determined to be a material change. There is a rebuttable presumption that an area that is diminished by five (5%) percent or less is not material. Furthermore, Sponsor reserves the right to select the ultimate location of the kitchen and bathroom cabinets, counters and drawers, as same may differ from the locations set forth on the floorplans. Although the Sponsor intends to use the materials, fixtures, appliances and equipment described herein and in the building plans, the Sponsor reserves the right to substitute materials, fixtures, appliances and equipment of Equal or Better quality or design for any of those set forth. The substitution of materials, fixtures, appliances and equipment will be disclosed in an amendment to the Offering Plan. Sponsor reserves the right to change the size, number and location of the improvements or Common Elements, provided such changes do not change or adversely affect the percentage of Common Interest of any Residential Unit to which title has closed or for which a Purchase Agreement has been executed and is in effect unless all affected Residential Unit Owners and Purchasers consent in writing to such a change. Sponsor further reserves the right to determine the ultimate Residential Unit type mix to be constructed at a Building; determine the location of electric, gas and water meters, electric transformers, air conditioning compressors, speed bumps, mailboxes; and make any other changes required by the City of New York.

10. The Sponsor will obtain a temporary or permanent Certificate of Occupancy and any other certificate or permit required by law for the Building or Residential Unit before the closing of title to a Residential Unit and will, at its own cost, perform any work and supply any materials necessary to obtain the Certificates or permits. In addition, Sponsor will deliver a Bureau of Electrical Control Certificate, or its equivalent, to the Building Department of the City of New York prior to the issuance of a permanent Certificate of Occupancy.

In the event a Permanent Certificate of Occupancy for the Building or an individual Residential Unit has not been issued as of the date of closing for said Residential Unit, the Sponsor will continue to hold all deposits and funds in the special escrow account required pursuant to Section 352-e (2-b) and 352-h as described in Section X of the Offering Plan unless Sponsor's engineer or architect certifies that a lesser amount will be reasonably necessary to complete the work needed to obtain a permanent Certificate of Occupancy. Any sum of money exceeding the amount certified by the Sponsor's engineer or architect will be released to the Sponsor. Upon the issuance of the Permanent Certificate of Occupancy, such escrow deposit will be released to Sponsor without the consent of any other party. Alternatively, Sponsor may deposit with an escrow agent an unconditional, irrevocable letter of credit or post a surety bond in the amount certified by Sponsor's engineer or architect. In such event, it will disclose such fact by duly filed amendment to the Plan prior to releasing the escrow deposit. The amounts retained in escrow pending the delivery of a Permanent Certificate of Occupancy and the architect's certification(s), certifying such amount(s) will be included in each post- closing amendment to the Offering Plan until such time as the Permanent Certificate of Occupancy is obtained.

Purchasers are advised that in New York City, newly constructed and newly renovated buildings are sometimes offered as condominium projects without a permanent certificate of occupancy ("PCO") covering the entire building but with only a temporary certificate of occupancy ("TCO"), and sometimes with several successive temporary certificates of occupancy. Certificates of occupancy are generally governed by Section 301 of the New York Multiple Dwelling Law and local building codes and rules. Both TCOs and PCOs are issued by the New York City Department of Buildings ("DOB"). A TCO is intended to indicate that the property conforms substantially to the DOB approved plans and specifications, and to the requirements of all applicable laws, rules and regulations for the uses and occupancies specified in the TCO. No Change of use or occupancy shall be made unless a new certificate of occupancy is issued. All TCOs have an expiration date. A TCO typically expires 90 days after the date of issuance. When a TCO expires and is not renewed, it may be difficult or impossible to buy insurance, refinance, or sell units. In New York City, it is

common for sponsors to commence unit closings when some or all units are covered by a TCO rather than a PCO. Sponsor anticipates this scenario may occur. Sponsor and its principals will undertake the responsibility for extending each TCO received prior to expiration thereof, and ultimately for obtaining a PCO covering the entire building within two years from the date of issuance of the first TCO. However, Sponsor and its principals make no representation or guarantee that DOB will issue the PCO within such two year period. NOTWITHSTANDING THE FOREGOING, SPONSOR AND ITS PRINCIPALS ARE OBLIGATED TO PROCURE THE PERMANENT CERTIFICATE OF OCCUPANCY FOR THE ENTIRE BUILDING AND SHALL EXERCISE BEST EFFORTS TO OBTAIN THE PCO WITHIN SUCH TWO YEAR PERIOD WHILE KEEPING THE TCO CURRENT. Unit owners and the Board of Managers shall be obligated to cooperate with and refrain from obstructing sponsor in these undertakings.

Buyers are advised to visit the DOB website for further recommendations when purchasing a Unit in a building that does not have a FCO. A Factsheet on Certificates of Occupancy is available on the DOB website at: http://www.nyc.gov/html/dob/downloads/pdf/co_factsheet.pdf.

11. At the closing of title, the Sponsor will deliver the certificates and warranties delivered to it and transferable to Purchaser. Sponsor's liability pursuant to any manufacturers' warranties covering heating, appliances, electricity, plumbing and roofing are limited solely to the extent that such warranties are delivered to Sponsor, transferable to the Purchaser or to the Condominium Board of Managers and then only as against such manufacturer.

12. The Purchaser of a Residential Unit will inspect such Residential Unit prior to the Closing Date and will execute at such time an inspection statement acknowledging Purchaser's acceptance of the Residential Unit in good condition and in accordance with the terms of the Plan, provided that if Purchaser finds that Sponsor's improvements have not been completed as described in the Plan then Sponsor and the Purchaser in question will agree to include on the inspection statement a list of incomplete work of a material nature to be completed in the Residential Unit by Sponsor as provided in the Purchase Agreement. Sponsor will have no obligation to complete any work, which is not specifically designated by the Purchaser on the inspection statement. A Purchaser will receive prior notice that a Residential Unit is available for inspection pursuant to this Paragraph, as more particularly set forth in the Purchase Agreement in Part II of the Plan. A Purchaser who fails to inspect such Residential Unit will be deemed to have accepted the Residential Unit in good condition and in accordance with the terms of the Plan. After Closing of title to each Residential Unit the Purchaser thereof must comply with the procedures established by the Managing Agent or the Board of Managers regarding such Purchaser's move into the Residential Unit. This will include "move in" fees, which will

be refunded to the Purchaser unless the Purchaser or the Purchaser's agents cause damage to the Building during the move in. In such an event the move in fees will be used to repair said damage. In the event the move in fees are less than any damage caused, the Purchaser will be responsible for the additional amount. In the event the move in fees are greater than the damage caused, the Purchaser will be refunded the excess amount. At this time the Sponsor will be collecting move in fees from Purchasers in the initial amount of $1,000. In addition, Purchasers will be required to utilize licensed professional movers when moving in and out of the Building. Said movers must carry all-risk general liability insurance in a minimum amount of $1,000,000 per occurrence and name the Board of Managers of the Condominium as additional insured. A copy of said policy must be tendered to the Board a minimum of three (3) business days prior to the scheduled move date.

13. In view of the fact the Condominium will consist of a Building containing more than five (5) stories the Housing Merchant Implied Warranty Law contained in Article 36-B of the General Business Law is not applicable. Notwithstanding said fact, the Sponsor will correct any materially adverse condition in the construction of the Residential Unit or in the installation or operation of any mechanical equipment therein due to materials or improper workmanship substantially at variance with the plans and specifications set forth in the architects and/or engineers property description report(s), as may have been changed by Sponsor from time to time provided that it is notified of such materially adverse construction condition in writing by certified mail within one (1) year from the date of Closing of Title to the Residential Unit in which the alleged materially adverse condition exists ("Limited Warranty"). If a materially adverse construction condition occurs in an item, which is covered by this warranty, the Sponsor or Sponsor's contractors will (a) repair or (b) replace the item. The choice between repair or replacement is strictly the Sponsors.

Purchaser should note that:

(a) No steps taken by Sponsor or Sponsor's contractors to correct a materially adverse construction condition shall act to extend the warranty period.

(b) Sponsor accepts no responsibility for any warranty obligation for incidental or consequential damage caused by any materially adverse construction condition.

(c) The Limited Warranty is extended to Purchaser and is not extended to any subsequent purchaser, tenant, or mortgage lender who takes possession of a Residential Unit.

(d) The Limited Warranty shall be void if Purchaser, tenant or occupant, misuses, abuses or otherwise interferes with or changes Sponsor's

original construction or installations, or if Purchaser, tenant or occupant hires any outside contractor to do any work during the warranty period.

(e) Sponsor is not responsible for any work or material ordered directly by Purchasers from Sponsor's contractors or suppliers, or other outside suppliers and contractors.

Regarding the Common Elements of the Condominium the Sponsor will correct any materially adverse condition in the construction of the Common Elements, or in the installation or operation of any mechanical equipment therein, due to improper workmanship or material substantially at variance with this Offering Plan as may be changed by Sponsor from time to time provided and on condition that Sponsor is notified of or becomes aware of such material adverse construction condition(s) within twelve (12) months from the Date of the Closing of the first Residential Unit. In no event will Sponsor be liable for consequential damages (whether based on negligence, breach of contract, warranty, or otherwise), it being intended that Sponsor's sole obligations under the Plan will be to repair or, at Sponsor's option, replace (or cause to be repaired or replaced) any materially adverse condition of construction (whether arising as a result of defects in material or improper workmanship or material substantially at variance with the plans and specifications contained within the architects and/or engineers property description report(s)), subject to the terms and conditions (and within the time limits) set forth in this paragraph. The quality of construction shall be comparable to local standards customary in the particular trade and in accordance with the plans and specifications contained within the architects and/or engineers property description report(s).

In no event will Sponsor be responsible for any condition in the Residential Unit or the Common Elements resulting from (i) normal wear and tear or natural deterioration or from the normal movement, settlement and/or shrinkage of the Building and/or building materials; (ii) construction issues or adverse construction condition of an insubstantial nature, such as, without limitation, partial or total loss of any trees, shrubs, bushes or other landscape improvements that may abut the Building, nail pops, protruding dry wall fastenings, ridging on gypsum board, lumber shrinkage, door or window sticking, door warpage including, without limitation, warpage of the main entrance door within reasonable tolerances of doors of similar size and weight, scratches in plastic laminate, vitreous china, natural stone, wood, stainless steel or porcelain surfaces; bathroom finish grouting; adjustment of doors; walls not square; electrical plates not straight; discoloration or shrinkage; slight separation between base and floors; (iii) normal settlement and deflection or any consequential damage resulting therefrom including, without limitation, cracks in roof ballast, or concrete cracks which do not reduce the structural integrity of the Building; (iv) deviations in the level of

ceilings, and imperfections in ceiling finishes; (v) imperfections in painting finishes; (vi) deviations in the level of a floor or failure of finished floors and walls to be straight or on plane or at less than 90º from each other; (vii) alignment of bathroom finishes and variation in grouting thickness; (viii) air infiltration and water infiltration from windows in accordance with customary practice and professional standards; (ix) noise from normal plumbing and the HVAC system; (x) normal floor noises and creaking; (xi) carpet or floor discoloring or stretching; (xii) scratches and imperfections or variations in width, length, thickness, finish or color range of wood floor strips or other flooring or floor finishes, also, normal shrinkage or expansion of wood flooring due to changes in moisture content of wood; (xiii) repair of chips, scratches, mars, breaks, dents, cracks or other defects in: exterior stone; windows, window glass, frames and hardware; insulation attached to the curtain wall; sliding glass doors, frames, door glass and hardware; louvers; shower doors; lighting fixtures, lenses, baffles and globes; all painted surfaces; all sinks, tubs, basins, water closets; kitchen cabinets, back splashes and countertops; vanity tops and cabinets; all tile or natural stone floors and walls; saddles; all appliances (except if appliances are dented or chipped due to improper installation); woodwork, millwork and doors; mirrors and after the Residential Unit Closing, paint touch-ups, repair of dented appliances, or replacement of light bulbs; (xiv) cracks or variations in tone or color of natural stone or variations in tone or color of vanity tops or variations in veining of any natural stone surfaces; (xv) leaching or color variation in color mortar and colored brick, and dimensional variations in brick joints, and mortar droppings on bricks; (xvi) ponding and/or controlled drainage on the roof surface; (xvii) cracks in pressure-treated lumber used or intended for use outside the Building; (xviii) cracks or discoloration in concrete and/or paving; (xix) discoloration to hardware and plumbing finishes; (xx) stains, runs, lumps, shags or imperfections in weave in fabric panels; (xxi) scratched, dirty or cracked lenses in light fixtures; or (xxii) terrace tiles not laid flat, or color variation in tiles or mortar, or stained tiles; (xxiii) subsequent to the Residential Unit Closing, paint touch-ups, repairs of dented appliances or replacement of fluorescent light ballasts, or (xxiv) salting or color variation in exterior colored mortar and deep colored brick; (xxv) remove mold from the Building or any Unit therein, which was not a result of construction or Sponsor's actions or failure to act, or (xxvi) or normal water penetration in frameless shower doors. Sponsor will be obligated to repair only abnormally chipped stone, formica and porcelain surfaces, which repair will be made by filling the stone or formica or refinishing the porcelain, but Sponsor will not be obligated to replace such stone, formica or porcelain surfaces. THE ITEMS AND CONDITIONS DESCRIBED IN THIS PARAGRAPH ARE NOT DEFECTS OR MATERIALLY ADVERSE CONSTRUCTION CONDITIONS AND MAY BE FOUND IN ANY NEWLY CONSTRUCTED BUILDING OR RESIDENTIAL UNIT. PURCHASERS WHO PURCHASE A RESIDENTIAL UNIT IN THE BUILDING OR IN ANY OTHER NEWLY CONSTRUCTED BUILDING MAY

EXPERIENCE SOME OR ALL OF THESE ITEMS AND CONDITIONS IN THEIR RESIDENTIAL UNIT, THE COMMON ELEMENTS OR ELSEWHERE IN THE BUILDING OR RESIDENTIAL UNIT. SPONSOR HAS NO OBLIGATION TO CORRECT OR REPAIR ANY OF THESE ITEMS AND CONDITIONS AND WILL NOT BE LIABLE TO ANY PURCHASER OR THE BOARD THEREOF. IF PURCHASERS OR ANY BOARD DESIRES TO CORRECT OR REPAIR ANY OF THESE ITEMS OR CONDITIONS, TO THE EXTENT THEY CAN BE CORRECTED OR REPAIRED, THEY WILL HAVE TO PROCEED AT THEIR SOLE COST AND EXPENSE BY THEMSELVES AND/OR UNDER ANY WARRANTIES OR UNDERTAKINGS ASSIGNED TO THEM BY SPONSOR.

The Sponsor has no obligation to make any repair to the Common Elements except as expressly set forth in the Offering Plan.

Sponsor will not be obligated to correct and will not be liable to any Purchaser as a result of (i) any insubstantial variations from the Plans and specifications contained within the architects and/or engineers property description report(s) or the description of any portion of the Building or a Residential Unit set forth in the Plan or (ii) variations from the Plans and specifications contained within the architects and/or engineers property description report(s) or the description of any portion of the Building or a Residential Unit set forth in the Plan which are neither in violation of applicable building codes, nor require the approval of any governmental authority having jurisdiction, provided such variations are of substantially similar or better quality than as set forth in the plans and specifications contained within the architects and/or engineers property description report(s) or description in this Plan as solely determined by Sponsor's architect. A decrease in a Unit's area of five (5%) percent or less may not affect a Purchaser's right to consent, unless such decrease is determined to be a material change. There is a rebuttable presumption that an area that is diminished by five (5%) percent or less is not material. Any such variation affecting the Property, which is material will be disclosed in a duly filed amendment to the Plan. Furthermore, Sponsor reserves the right to select the ultimate location of the kitchen and bathroom cabinets, counters and drawers, as same may differ from the locations set forth on the floor plans.

All personal property located within the Residential Unit on the date the Purchase Agreement is executed or that is located within the Common Elements on the date the Declaration is filed, that is owned by the Sponsor or anyone else, will be included in the conveyance to Purchaser of their Residential Unit unless specifically excepted in the Plan or Purchase Agreement.

14. The Sponsor will deliver to the Purchaser and/or the Board of Managers upon the recording of the Declaration all manufacturers' and sub-

contractors' heating, electrical, plumbing, roofing and appliance warranties and bonds relating to the Purchaser's Unit or the Common Elements respectively, if any, to the extent made by such manufacturers and subcontractors and to the extent such warranties and bonds are assignable.

15. The Sponsor will pay all contractors, subcontractors and material men and all others involved in the construction of the Condominium for work performed and fixtures, material and equipment supplied or installed in the construction of the Condominium and will cause all mechanics' liens arising out of the construction of the Condominium or the furnishing or installation of fixtures or equipment, to be discharged, bonded or escrowed promptly after the liens are filed.

    The Sponsor will pay all expenses incurred prior to the establishment of the Condominium and will bear and pay all costs and expenses incurred in connection with the creation of the Condominium whenever such costs or expenses are incurred or in connection with the sale of all of the Residential Units held or owned by the Sponsor and will pay all selling expenses including, but not limited to, advertising and printing costs, architect fees, and costs of filing this Offering Plan and amendments thereto.

16. No bond or other security has been posted to secure Sponsor's obligations.

17. The Sponsor reserves the easements, licenses, rights and privileges of a right-of-way in, through, over, under and across the Common Elements of the Condominium for the purpose of completing its construction and sale of the Units and facilities in the Condominium and, towards this end, reserves the right to grant and reserve easements and rights-of-way in, through, under, over and across the Common Elements for the installation, maintenance and inspection of lines and appurtenances for public or private water, sewer, drainage, cable television, and other utilities and for any other materials or services necessary for the completion of the work. Sponsor also reserves the right to connect with and make use of the utility lines, wires, pipes, conduits, cable television, sewers and drainage lines which may from time to time be in or along the Common Elements. Sponsor will be obligated to pay for the cost of any utilities it uses as a result of its use of the easements, licenses, rights and privileges of a right-of-way. Finally, the Sponsor reserves the right to continue to use the Common Elements and any facilities, sales offices, model units and signs located on the Common Elements, in its efforts to market the Units in the Condominium. Sponsor will be obligated to repair any damage to the Common Elements and Units caused as a result of its use of the easements, licenses, rights and privileges of a right-of-way to complete the construction of the Condominium. Sponsor's use of the easements, licenses, rights and privileges of a right-of way to complete the Condominium will not preclude a Unit Owner from using its Unit as a single family residence. Sponsor's

right to use of the Common Elements, as described herein, will terminate when the Sponsor ceases to own any Units in the Condominium.

18. Pursuant to Section 352-e (9) of the General Business Law, copies of all documents mentioned in this Offering Plan, including without limitation the following, are and will be kept on file at the office of Sponsor set forth on the cover page of this Offering Plan for six (6) years from the date the Declaration is recorded for examination by any person who has purchased a condominium interest offered by this Plan or otherwise has participated in this offering: This Offering Plan; the proposed Declaration and By-Laws of the Condominium; public liability, fire and casualty policy, and Exhibits submitted to the Department of Law in conjunction with this Plan. A copy of the form of Residential Unit Owner's Purchase Agreement is submitted with this Offering Plan as Schedule D in Part II of the Offering Plan.

19. In accordance with Section 339-p of the Real Property Law, a registered architect or licensed professional engineer shall certify within reasonable tolerances that the floor plans filed with the recording of the declaration are an accurate copy of portions of the plans of the buildings as filed with and approved by the municipal or other governmental subdivision having jurisdiction over the issuance of permits for the construction of buildings.

XVIII. CONTROL BY THE SPONSOR

The Sponsor, as the owner of unsold Residential Units, will be entitled to designate a majority of the Members of the Board of Managers for a period ending (i) three (3) years from date of the closing of the first Residential Unit, or (ii) thirty (30) days after the closing of seventy-five (75%) percent of all Residential Units in the Condominium, whichever occurs sooner/earlier ("Sponsor control period"). Thereafter, the Sponsor shall retain the right to designate one (1) of the five (5) Members of the Board of Managers, which are available to be elected by the Residential Unit Owners, until such time as Sponsor no longer owns a Residential Unit. This right is in addition to any other right the Sponsor may have to designate a Member of the Board of Managers in connection with Sponsor's ownership of one or more Non-Residential Units. While Sponsor retains ownership of the Commercial Units and Parking Garage Unit, the Sponsor will be entitled to designate up to three (3) Members of the Board of Managers (1 Residential Member, 1 Commercial Member and 1 Parking Garage Member), until such time as Sponsor no longer owns a Residential Unit. During said time the individual Residential Unit Owners will not be able to enforce Sponsor's obligations through the Board of Managers. Notwithstanding said fact, Sponsor has the right to voluntarily relinquish a majority of the Members of the Board of Managers before the closing of title to the last Residential Unit. If Sponsor relinquishes control of the Board of Managers there is no provision in the By-Laws that requires a majority of the Board of Managers to be owner occupants who are unrelated to the Sponsor or its principals. If there are non-Sponsor members of the Board, and there is a vote on whether to sue the Sponsor, the Sponsor's Board representatives cannot lawfully vote on that issue. Owner-occupants and non-resident owners, including Sponsor, may have inherent conflicts on how the Condominium should be managed as a result of their different reasons for purchasing, i.e. purchasing a Residential Unit to live in as opposed to purchasing as an investment.

At the first annual meeting of Unit Owners called pursuant to Section 9 of Article II a total of seven (7) Members shall be elected or designated. One (1) member shall be elected/appointed collectively by the Commercial Unit Owners, one (1) member shall be elected/appointed by the Parking Garage Unit Owner, and five (5) members shall be elected by the Residential Unit Owners. The Sponsor shall retain the right to designate one (1) of the five (5) Members of the Board of Managers, which are available to be elected by the Residential Unit Owners, until such time as Sponsor no longer owns a Residential Unit. This right is in addition to any other right the Sponsor may have to designate a Member of the Board of Managers in connection with Sponsor's ownership of one or more Non-Residential Units. While Sponsor retains ownership of the Commercial Units and Parking Garage Unit, the Sponsor will be entitled to designate up to three (3) Members of the Board of Managers (1 Residential Member, 1 Commercial Member and 1 Parking Garage Member), until such time as Sponsor no longer owns a Residential Unit. The term of office of three (3) of the Members shall be fixed for three (3) years, the term of office of two (2) of the Members shall be fixed at two (2) years, and the term of office of two (2) of the Members shall be fixed at one (1) year. The term of office of the Commercial Unit Member shall be fixed at three (3) years. The term of office of the Parking Garage Unit Member shall be fixed at three (3) years. Until the Non-

Residential Units are sold, the Sponsor will retain the right to designate the two Non-Residential Unit members of the Board, which is in addition to Sponsor's right to designate members based on Sponsor's ownership of Residential Units. In any event, Sponsor shall not be entitled to designate a majority of the Board of Managers after the expiration of the control period. Purchasers should further note that the By-Laws do not contain any provision that provides that after the Sponsor relinquishes control of the Board a majority of the Board of Managers must be owner occupants who are unrelated to the Sponsor or its principals. Owner-occupants and non-resident owners, including Sponsor, may have inherent conflicts on how the Condominium should be managed as a result of their different reasons for purchasing, i.e. purchasing a Residential Unit to live in as opposed to purchasing as an investment. The Sponsor will also, during this indeterminate period, have control of maintenance, facilities and services to be provided and will determine the Common Expenses to be paid by all Unit Owners, including the Sponsor and the enforcement of the Sponsor's obligations through the Board of Managers. Purchasers individually or as a group may take legal or administrative action to enforce the Sponsor's obligations to the Condominium. However, they will be unable to do so in the name of the Condominium. In addition, the funds utilized for such actions will either have to be obtained by a special assessment of all Unit Owners excluding the Sponsor or obtained through independent funds of the Unit Owners. In the event the Unit Owners are unsuccessful in an action against the Sponsor, Sponsor has the right to request that the court or administrative department hearing the action grant the Sponsor reimbursement of legal fees, which would be payable by the Unit Owners, excluding the Sponsor. The Board, whether or not controlled by the Sponsor, assumes a fiduciary duty to act in the best interests of the Condominium and its Unit Owners.

The first Board of Managers of the Condominium will consist of Eric Chong, Meng Hua Wang and Alex Lu. Meng Hua Wang is a principal of the Sponsor and Alex Lu and Eric Chong are business affiliates of the Sponsor, but are not Principals of the Sponsor. The Sponsor shall retain the right to substitute other persons in the place of the above-named individuals until the resignation of the first Board as set forth below. The first Board of Managers will call for the first Annual Meeting of the Residential Unit Owners to elect and designate a new Board within one (1) year of the closing of the first Residential Unit. Sponsor will continue to hold annual meetings during the period it controls the Board of Managers. At such time as all of the Residential Units are closed, Sponsor must relinquish control of the Board of Managers. Upon the election and designation of the new Board, the Members of the first Board will resign. Members of the Board of Managers shall not be compensated for their services. Members of the Board of Managers may be removed for cause by an affirmative vote of a majority of the Residential Unit Owners. Officers of the Condominium may be removed with or without cause, at anytime, by the affirmative vote of a majority of the whole Board of Managers.

For a period ending not more than (i) three (3) years from date of the closing of the first Residential Unit, or (ii) thirty (30) days after the closing of seventy-five (75%) percent of all Residential Units, whichever is sooner, the Board of Managers may not, without the Sponsor's prior written consent, (i) make any additions, alterations or improvements to the Common Elements or to any Residential Unit costing cumulatively more than $25,000,

the foregoing not to include necessary repairs and maintenance work; or (ii) assess any Common Charges for the creation of, addition to or replacement of all or part of a reserve, contingency or surplus fund in excess of the reserve for contingencies provided in Schedule B; or (iii) hire any employee in addition to the employees referred to in the Plan; or (iv) enter into any contracts not in existence on the date of the first closing of title to a Residential Unit; or (v) borrow money on behalf of the Condominium; or (vi) reduce the services or maintenance set forth in Schedule B; (vii) charge any special assessment for a non-budgeted item unless required by law, municipal agency, emergency or for the health and safety of the condominium; or (viii) increase the Common Charges of the Condominium more than ten (10%) from the prior year's budget, unless documentation is provided to the Sponsor in the nature of a financial statement, bids from contractors or verified increases in utility rates evidencing the need for an increase greater than ten (10%) percent, or (ix) utilize condominium funds or assess the Sponsor for the purpose of commencing a lawsuit against the Sponsor or any of its principals.

As noted above, the Sponsor has the right to retain control over certain expenditures and fiscal actions of the Board of Managers. Notwithstanding said fact, Sponsor may not exercise veto power over expenses described in Schedule B (the proposed first year budget), or over expenses required:

(i) to comply with applicable laws or regulations; or
(ii) to remedy any notice of violation; or
(iii) to remedy any work order by an insurer.

The above provisions provide that during said period, significant financial decisions of the Board of Managers will be decided by the Sponsor. Examples of such decisions are, in part, the ability to borrow money, as provided in The Condominium Act (Article 9-B of the Real Property Law, §339-jj), for a capital improvement all Residential Unit Owners are in favor of, or the ability to enter into a contract with a lawyer and fund legal fees if the Sponsor fails to comply with provisions in the offering.

The detailed provisions for the management of the Condominium are set forth in the By-Laws which are contained in Part II of the Offering Plan in Schedule J. The By-Laws contain provisions, among others, dealing with the election of the Board of Managers, and Condominium officers, powers of the Board of Managers, voting rights of Residential Unit Owners, assessment of Common Charges, foreclosure of liens for non-payment of Common Charges, management of the Condominium and the use of the Residential Units. The By-Laws provide that the Condominium shall be governed by the Board of Managers, but that the Board of Managers shall have the right to designate Committees or a managing agent to carry out such function.

XIX. BOARD OF MANAGERS

The form of the By-Laws and the Declaration of Condominium referred to in the Plan appear in Part II as Schedules I and J.

The following is a summary of certain provisions of the By-Laws and Declaration.

Board of Managers

The affairs of the Condominium shall be governed by a Board of Managers. The first Board of Managers shall consist of three (3) Members designated by the Sponsor who shall hold office and exercise all powers of the Board of Managers until the first annual meeting of the Unit Owners. Until succeeded by the Members elected at the first annual meeting of Unit Owners, Members need not be Unit Owners; thereafter, all Members, other than designees or nominees of the Sponsor, shall be Unit Owners. The Members shall be elected or designated at the annual meeting of the Unit Owners.

At the first annual meeting of Unit Owners called pursuant to Section 9 of Article II a total of seven (7) Members shall be elected or designated. One (1) member shall be elected/appointed collectively by the Commercial Unit Owners, one (1) member shall be elected/appointed by the Parking Garage Unit Owner, and five (5) members shall be elected by the Residential Unit Owners. The Sponsor shall retain the right to designate one (1) of the five (5) Members of the Board of Managers, which are available to be elected by the Residential Unit Owners, until such time as Sponsor no longer owns a Residential Unit. This right is in addition to any other right the Sponsor may have to designate a Member of the Board of Managers in connection with Sponsor's ownership of one or more Non-Residential Units. While Sponsor retains ownership of the Commercial Units and Parking Garage Unit, the Sponsor will be entitled to designate up to three (3) Members of the Board of Managers (1 Residential Member, 1 Commercial Member and 1 Parking Garage Member), until such time as Sponsor no longer owns a Residential Unit. The term of office of three (3) of the Members shall be fixed for three (3) years, the term of office of two (2) of the Members shall be fixed at two (2) years, and the term of office of two (2) of the Members shall be fixed at one (1) year. The term of office of the Non-Residential Unit Members shall be fixed at three (3) years. Each Residential Unit Owner (including the Sponsor and the Board of Managers, if the Sponsor or the Board of Managers shall then own or hold title to one or more Units) shall be entitled to cast one vote for each .01% (rounded off to the nearest .01%) of Common Interest attributable to its Unit or Units, for each Residential Board Member to be elected, in proportion to the Common Interest of all Units unless otherwise mandated by law or expressly provided for in the Declaration. Each Non-Residential Unit Owner (including the Sponsor and the Board of Managers, if the Sponsor or the Board of Managers shall then own or hold title to one or more Units) shall be entitled to cast one vote for each .01% (rounded off to the nearest .01%) of Common Interest attributable to its Unit or Units, for the Non-Residential Unit Board Members to be elected, in proportion to the Common Interest of all Units unless otherwise mandated by law or expressly provided for in the Declaration, if not appointed. The one nominee(s) on each of the ballots, as the case

may be, receiving the highest number of votes on their ballot shall constitute the duly elected Board of Managers. At the expiration of the initial term of office of each respective Member, the Member's successor shall be elected to serve a term of three (3) years. The Members shall hold office until their successors have been elected and hold their first meeting. Elections are to be held annually. After Sponsors initial control period Sponsor shall retain the right to designate one (1) Residential Member of the Board of Managers until such time as Sponsor no longer owns a Residential Unit. See Section XVI of the Offering Plan for details concerning Sponsor control of the Board of Managers.

The first Board of Managers of the Condominium will be Eric Chong, Meng Hua Wang and Alex Lu. Meng Hua Wang is a principal of the Sponsor and Alex Lu and Eric Chong are business affiliates of the Sponsor, but are not Principals of the Sponsor.

The first annual meeting of the Board of Managers of the Condominium will take place within one (1) year of the closing of the first Residential Unit in the Condominium. Thereafter, annual meetings shall be held on the anniversary date of each succeeding year, unless such date is changed by the Board of Managers.

It shall be the duty of the President to call a special meeting of the Condominium, if so directed by the Board of Managers, or upon the presentation to the Secretary of a petition signed by a majority of the Residential Unit Owners. The secretary shall cause a notice of such special meeting stating the time, place and object thereof and the officer or other person or persons by whom the meeting is called, to be delivered personally or mailed to each Residential Unit Owner of the Condominium entitled to vote at such meeting not less than ten (10) nor more than thirty (30) days before such meeting. The date of the special meeting shall be determined by the Board of Managers and shall be held no later than sixty (60) days from receipt of any written request unless a later date is agreed to in writing by the Residential Unit Owners of the Condominium or the Board of Managers, requesting such meeting. No business other than that stated in such notice shall be transacted at such special meeting unless all Residential Unit Owners of the Condominium are present in person or by proxy. See Article II, Section 10 of the By-Laws of the Condominium.

Officers and Members of the Board of Managers shall not be entitled to compensation for serving on the Board.

Removal of Members of the Board of Managers

Residential Unit Members of the Board of Managers may be removed for cause by an affirmative vote of a majority of the respective Residential Unit Owners. No representative of the Board of Managers, other than a member of the first Board of Managers or Sponsor's designees or nominees, shall continue to serve on the Board if, during their term of office, the Member shall cease to be a Residential Unit Owner.

Powers and Duties of Board of Managers

The property and business of the Condominium shall be managed by its Board of Managers. The powers of the Board of Managers include, but are not limited to, the following items:

1. To determine and levy monthly assessments ("Common Charges") to cover the cost of Common Expenses, payable in advance. The Board of Managers may increase the monthly assessments or vote a special assessment in excess of annual Common Charges, if required, to meet any additional necessary expenses, but said increases can only be assessed among all the Unit Owners pro-rata according to their respective percentage of Common Interest.

2. To collect, use, and expend the Common Charges collected to maintain, care for and preserve the Units, the Building, and other Common Elements;

3. To open bank accounts on behalf of the Condominium and to designate the signatories to such bank accounts;

4. To make repairs, restore or alter any Unit or the Common Elements after damage or destruction by fire or other casualty or as a result of condemnation or eminent domain proceedings;

5. To enter into and upon the Units when necessary and at as little inconvenience to the Unit Owners as possible in connection with the maintenance, care and preservation of the property. No notice is required to gain access for repairs. Any repairs required as the result of negligence of the Unit Owner will be at the expense of the Unit Owner;

6. To insure and keep insured the General Common Elements, Limited Common Elements and the Units. A Unit Owner may secure supplemental coverage for the Unit and its contents and the liability coverage for the Unit;

7. To collect delinquent Common Charges and special Common Charge assessments by suit or otherwise, to abate nuisances and to enjoin or seek damages from the Unit Owners of the property for violations of the house rules or rules and regulations herein referred to;

8. To make reasonable rules and regulations applicable to the Common Elements of Units and Unit Owners and to amend the same from time to time, and such rules and regulations and amendments shall be binding upon the Unit Owners when the Board has approved them in writing. A copy of such rules and all amendments shall be delivered to each Residential Unit;

9. To employ and terminate the employment of employees and independent contractors and to purchase supplies and equipment, to enter into contracts, and generally to have the powers of a manager in connection with the matters hereinabove set forth;

10. To bring and defend actions by or against more than one Residential Unit Owner and pertinent to the operation of the Condominium and to levy special Common Charge assessments to pay for the cost of such litigation;

11. To acquire a Unit in foreclosure or as a result of abandonment and to take any or all steps necessary to repair or renovate any Unit so acquired and to vote as a Residential Unit Owner, offer such Unit for sale or lease or take any other steps regarding such Unit as shall be deemed proper by the Board of Managers;

12. To make additions, alternations, or improvements to the General Common Elements of the Condominium and those portions of the Condominium which are included in the description of an individual Unit but which service two (2) or more Units in the Condominium;

13. To borrow money on behalf of the Condominium when required in connection with the financing of the Parking Garage Unit and the operation, care upkeep and maintenance of the General Common Elements, provided, however, that no lien to secure repayment of any sum borrowed may be created on any Unit or its appurtenant interest in the Common Elements without the written consent of the Owners of said Unit.

14. Pursuant to Section 339-y(4) of the New York Real Property Law, the Board of Managers may (but is not obligated to) act as an agent for one or more Unit Owners who have given their written authorization to file a single complaint and bring a special proceeding on behalf of Unit Owners who wish to contest the real estate tax assessments of their Units. In such event, the Board could retain counsel on behalf of such Unit Owners and charge each Unit Owner for whom it is acting a pro rata share of expenses, disbursements and legal fees, the payment for which would be secured by a lien on each Unit;

15. To grant utility or other easements over or to the Common Elements as may, at any time, be required for the benefit of the Condominium and the Unit Owners without the necessity of the consent thereto, or joinder therein, by the Unit Owners or any mortgagee (except that if the granting of such easement impairs the ability of one (1) or more Unit Owners who have the right to use such Common Elements to the exclusion of any other Unit Owners, the consent of all such affected Unit Owners shall be required in writing before such easement shall be granted); and

16. To impose reasonable fines upon Unit Owners for violating the rules and regulations of the Community, as contained in these By-Laws or as promulgated by the By-Laws.

Liability of Board of Managers and Residential Unit Owners

In order to limit the liability of the Unit Owners, any contract, agreement or commitment made by the Board of Managers or Officers of the Condominium shall state that it is made by the Board of Managers as agent for the Unit Owners as a group only and that no Member of the Board of Managers or Officers of the Condominium nor individual Unit Owner shall be liable for such contract, agreement or commitment except that every Unit Owner shall be liable to the extent that their proportionate interest in the Common Elements bears to the total liability under such commitment. The Board of Managers and Officers of the Condominium shall have no liability to the Unit Owners in the management of the Community except for wilful misconduct or bad faith and the Unit Owners shall severally indemnify all Members of the Board of Managers against any liabilities or claims arising from acts taken by a Member of the Board of Managers in accordance with their duties except acts of wilful misconduct or acts made in bad faith. Such several liability of the Unit Owners shall, however, be limited to the extent that their proportionate interest in the Common Elements bears to the total liability of the Member of the Board of Managers.

Indemnification of Board of Managers

The Unit Owners of the Condominium shall indemnify and hold harmless each of the Members of the Board of Managers against all contractual liability to others arising out of contracts made by the Board of Managers on behalf of the Condominium unless any such contract shall have been made in bad faith or contrary to the provision of the Declaration or of the By-Laws. It is intended that the Members of the Board of Managers shall have no personal liability with respect to any contract made by them on behalf of the Condominium (except as Unit Owners). In the event a Member of the Board of Managers acts in bad faith or contrary to the provisions of the Declaration or By-Laws, the individual Member may be personally liable.

Officers

Eric Chong, Meng Hua Wang and Alex Lu. Meng Hua Wang is a principal of the Sponsor and Alex Lu and Eric Chong are business affiliates of the Sponsor, but are not Principals of the Sponsor.

The officers of the Condominium shall be chosen by the Board of Managers and shall be a president, a vice president, a secretary and a treasurer. The Board of Managers may also choose one (1) or more assistant secretaries and assistant treasurers and such other officers as in their judgment may be necessary. Officers do not need to be Residential Unit Owners. Two (2) or more offices may be held by the same person, except for the President whom can only hold the office of the President.

The President shall be the chief executive officer of the Condominium, shall preside at all meetings, shall have general and active management of the business of the Condominium and shall see that all orders and resolutions of the Board are carried into effect.

The Vice President shall take the place of the President and perform the duties of the President whenever the President is unable to do so.

The Secretary shall record all votes and the minutes of all proceedings in a book.

The Treasurer shall have the custody of the Condominium funds and securities and shall keep full and accurate chronological accounts of receipts and disbursements in books belonging to the Condominium including the vouchers for such disbursements, and shall deposit all monies and other valuable effects in the name and to the credit of the Condominium in such depositories as may be designated by the Board of Managers.

The Treasurer shall disburse the funds of the Condominium.

The Treasurer shall keep detailed financial records and books of account of the Condominium, including a separate account for each Residential Unit which, among other things, shall contain the amount of each assessment of Common Charges against such Residential Unit, the date when due, the amounts paid thereon and the balance remaining unpaid.

Repairs, Alterations and Improvements to Common Elements

All maintenance, repairs and replacements to the General Common Elements including but not limited to exterior walls of a Building, windows, roof and roof members, as well as all maintenance, repairs and replacements to any pipes, wires, conduits and public utility lines, any portion of which is located outside the Unit shall be made by the Board of Managers and the cost thereof shall be a Common Charge payable by all Unit Owners. The Board of Managers shall repair all plumbing stoppages and electrical repairs occurring in the General Common Elements. All maintenance, repairs and replacements within and to the Residential Units, whether structural or nonstructural, ordinary or extraordinary, will be made by the respective Residential Unit Owners at their expense.

All general maintenance and repairs to the balconies and terraces that are Limited Common Elements, including cleaning, snow removal and all repairs not structural in nature, (including maintenance or replacement of the surface of the balcony or terrace), shall be the responsibility of the Residential Unit Owner whose balcony or terrace is appurtenant to their Residential Unit and is a Limited Common Element of their Residential Unit. All repairs, maintenance and any replacement of any heating, cooling or other mechanical system servicing an individual Residential Unit that is located in or on the Common Elements and/or all apparatus, installations, systems equipment and facilities in the Common Elements (including pipes, wire, ducts, vents, cables, conduits

and lines) which serve or benefit a Residential Unit exclusively shall be the responsibility of the Residential Unit Owner. All repairs to the exterior of any door, building, open area or other generally visible portion of the Condominium must be in conformation with the style and colors initially installed by the Sponsor.

The Condominium shall be responsible for the maintenance, repairs and replacements to all elements of the building which service two (2) or more Residential Units and which are located in the space between the exterior face of the sheetrock wall enclosing the interior of a Residential Unit and the exterior face of the exterior masonry wall. As such, any Common Elements located within a Residential Unit shall not be considered a part of such Unit.

The Board of Managers and their agents, employees and contractors shall have the right of access to any Unit for the purpose of making any repairs or replacements to any of the General Common Elements and Limited Common Elements contained therein or elsewhere in the Condominium or to remedy any condition which would result in damage to any other Unit or the General Common Elements or Limited Common Elements, or which would violate the provisions of any mortgage covering another Unit or for the purpose of complying with any laws, orders, rules or regulations of any governmental body having jurisdiction thereof or for the purpose of carrying out any of its obligations under this Offering Plan, the By-Laws or the Declaration of the Condominium. Such right of access shall be exercised in such manner as will not unreasonably interfere with the use of the Units but no prior notice shall be required in the event the Board of Managers shall determine that action is immediately necessary for the preservation or safety of the Condominium or its property, or the Units, or for the safety of Condominium residents or other persons, or required to avoid the suspension of any necessary service to the Condominium.

Restoration or Reconstruction After Fire or Other Casualty

In the event of damage to or destruction of a Building as a result of fire or other casualty, the Board of Managers shall arrange for the prompt repair and restoration of a Building and the Board of Managers or the Insurance Trustee shall disburse the proceeds of all insurance policies to the contractors engaged in such repair and restoration in appropriate progress payments. Any cost of such repair and restoration in excess of the insurance proceeds shall constitute a Common Expense and the Board of Managers may assess all the Unit Owners for such deficit as part of the Common Charges.

If seventy-five (75%) percent or more of the Residential Units are destroyed or substantially damaged and seventy-five (75%) percent or more of the Residential Unit Owners do not resolve to proceed with repair or restoration, the Property shall be subject to an action for partition at the suit of any Unit Owner or lienor, as if owned in common in which event the net proceeds of sale, together with the net proceeds of insurance policies shall be divided by the Board of Managers or the Insurance Trustee, as the case may be, among all the Unit Owners in proportion to their respective Common Interests, after first

paying out of the share of each Unit Owner the amount of any unpaid liens on the Unit, in the order of the priority of such liens.

Insurance

The Board of Managers shall obtain and maintain, to the extent obtainable, fire insurance with extended coverage, water damage, vandalism and malicious mischief endorsements insuring a Building, including all of the Units and the bathroom, kitchen and laundry equipment initially installed therein by the Sponsor, together with all heating, air conditioning equipment and other service machinery contained therein, covering the interest of the Condominium, the Board of Managers and all Unit Owners and their mortgagees, as their interest may appear, in an amount equal to the full replacement value of a Building. Each of such policies shall contain a New York Standard Mortgagee clause in favor of each mortgagee of a Unit which shall be payable to such mortgagee as its interest may appear, subject, however, to the loss payment provisions in favor of the Board of Managers and the Insurance Trustee hereinafter set forth; and such other insurance as the Board of Managers may determine.

Reports to Residential Unit Owners

All Residential Unit Owners will receive within four (4) months of the end of each fiscal year, copies of an annual report of the Condominium including a balance sheet and profit and loss statement prepared by an independent public accountant, a statement regarding any taxable income attributable to the Residential Unit Owners, and a notice of the holding of the annual Residential Unit Owners meeting. All Residential Unit Owners shall be entitled to examine the books and records of the Condominium on reasonable notice to the Board but not more often than once a month. During such time as the Sponsor retains a majority of the Board of Managers, the Board shall provide a certified annual statement at the cost of the Condominium.

Amendments

The Declaration may be amended upon a vote of at least sixty-six and two-thirds (66⅔%) percent of the Residential Unit Owners in number held at a duly called meeting of the Residential Unit Owners, provided however, that:

(i) No amendment shall change any Condominium parcel, nor a Unit Owner's proportionate share of the Common Charges, nor the voting rights appurtenant to any Residential Unit, unless all of the record owner(s) in number and Common Interest thereof and the first mortgagees, if any, of each of these same Units agree to such revocation by recorded instrument.

(ii) No amendment shall be passed which shall affect, impair or prejudice the validity, interest, rights and priorities of mortgagees or the Sponsor.

(iii) No amendment to the Declaration shall affect the Limited Common Elements appurtenant to a specific Residential Unit without the written

consent of the specific Residential Unit Owner affected thereby unless required for the health and safety of the Condominium.

(iv) No Amendment to the Declaration shall adversely affect the Commercial Units Owner without the written consent of the Commercial Units Owner, unless required for health and safety of the Condominium.

The By-Laws may be amended at any duly called Residential Unit Owners meeting provided:

(i) That the notice of the meeting shall contain a full statement of the proposed amendment;

(ii) That the amendment shall be approved by at least sixty-six and two-thirds (66⅔%) percent of the Residential Unit Owners in number and Common Interest; and

(iii) Said amendment shall be set forth in a duly recorded amendment to the Declaration.

No amendment to the Declaration or By-Laws shall be passed which would affect or impair the validity or priority of the Residential Unit Owners' interest and the interests of holders of a mortgage encumbering a Residential Unit or Residential Units. No amendment to the Declaration or By-Laws shall be passed which would impair or prejudice the rights and priorities of mortgages or the Sponsor.

Units Acquired by the Board of Managers

All Units which are acquired by the Board of Managers, or its designee as a result of foreclosure of a lien for non-payment of Common Charges, shall be held by the Board on behalf of all Unit Owners. The percentage of Common Interest acquired by the Board shall remain as originally designated in Schedule A of the Offering Plan and the Declaration of Condominium and the Board shall be responsible for paying all Common Charges appurtenant to said Unit. The Board shall be entitled to cast all votes that are appurtenant to said Units at any Unit Owners meeting for all purposes except for the election of Members to the Board of Managers.

Termination of Condominium

This property shall not be withdrawn from the provisions of Article 9-B of the Real Property Law unless at least eighty (80%) percent of the Residential Unit Owners in number and in Common Interest and the first mortgagees, if any, of these same Residential Units agree to the withdrawal of this property from the provisions of such Article. The Sponsor or its nominee will not cast any of its votes for withdrawal, unless eighty (80%) percent of Residential Unit Owners other than Sponsor so vote.

Covenant Against Partition of Common Elements

The Common Elements are not subject to partition nor are they severable from the Residential Units except in accordance with the Real Property Law.

XX. RIGHTS AND OBLIGATIONS OF UNIT OWNERS AND BOARD OF MANAGERS

Sale or Lease of Units

Units can be sold or leased by a Unit Owner, provided that the Unit Owner is not in arrears on the payment of Common Charges (except where the payment of such unpaid Common Charges is paid by the Grantee or provided for out of the proceeds of the sale); subject to the following Restrictions on Sale:

> Purchaser covenants and agrees to retain ownership in the Residential Unit for a period of one (1) year from the date Purchaser acquired the Residential Unit, except in the case of the death of Purchaser or spouse. Failure to abide by this requirement shall result in the Purchaser paying the Seller a sum equal to 25% of the difference between the new purchase price of the Residential Unit and the Purchase Price set forth in paragraph 1 of the Purchase Agreement but in no event less than 10% of the purchase price set forth in paragraph 1 of the Purchase Agreement. The provisions of this Paragraph shall survive delivery of the deed and the closing of title.

Any Residential Unit Owner who wishes to enter into a lease for their Residential Unit shall be required to provide the Board of Managers with a copy of the proposed lease prior to its execution. Any lease entered into must contain a provision that the Lessee is subject to the Declaration, By-Laws and Rules and Regulations of the Condominium, the provisions of Article XI, Section 2 of the Condominium By-Laws and the Deed to the Residential Unit. Failure to comply with the above shall be deemed an automatic violation of the By-Laws of the Condominium. Rental of a Residential Unit in the Condominium is not currently subject to any local or state regulation and is not subject to a right of first refusal by the Board of Managers.

A Residential Unit Owner is free to make a gift of the Residential Unit Owner's Unit to anyone during the Residential Unit Owner's lifetime or to devise the Residential Unit by will, or to have it pass by intestacy without any restriction. The restrictions regarding the sale or lease of a Residential Unit shall not pertain to the Sponsor.

The Board of Managers may not discriminate against any person on the basis of race, creed, color, national original, sex, sexual orientation, age, disability, marital status or other grounds prohibited by law, in its sale or lease of any Residential Unit which it acquires.

The terms on leases of Residential Units are not currently subject to any state or local laws.

Each Unit Owner, on the closing of title to his or her Unit shall be required to execute a Power of Attorney in the form contained in Part II of this Plan as Exhibit E, as

same may be amended from time to time as required by applicable law, constituting the fact, coupled with an interest, for the purpose of selling, conveying, mortgaging, leasing, subleasing (but not voting the votes of) or otherwise dealing with Units acquired by the Board of Managers or their designee, on behalf of all Unit Owners, and otherwise acting in accordance with the Condominium's Declaration and By-Laws designating the Sponsor as Purchaser's attorney-in-fact to file an amendment to the Declaration of Condominium permitting the certification by a registered architect or professional engineer certifying that the floor plans filed as part of an amended Declaration are an accurate copy of portions of the plans of a Building and fully and fairly depict the layout, location, designation and approximate dimensions of the Units as built or amending such Declaration to create any utility easements or to carry out any of the provisions of the Offering Plan of such Condominium as described in Article Tenth, Section (c) of the Declaration of Condominium.

No Unit can be sold without a simultaneous sale of the undivided interest in the Common Elements.

Real Property Law Section 339-kk

Pursuant to the provisions of Section 339-kk of the Real Property Law of the State of New York any non-occupying owner who rents a Residential Unit in the Condominium to a rental tenant and then fails to make payments due for Common Charges, assessments or late fees for such Residential Unit within sixty (60) days of the expiration of any grace period after they are due is subject to the following: Upon notice in accordance with the statute, all rental payments from the tenants shall thereafter be directly payable to the condominium association. A complete copy of Section 339-kk of the Real Property Law is contained in Part II of the Plan as Schedule M.

Restrictions on Occupancy and Use

Occupancy of a Residential Unit may only be for residential purposes in accordance with the applicable zoning regulations of the municipality having jurisdiction over the Condominium.

The By-Laws of the Condominium contain the following use restrictions: No immoral, improper, offensive or unlawful use shall be made of the Condominium nor any part thereof and all valid laws, zoning ordinances and regulations of all governmental bodies having jurisdiction thereof shall be observed. Unit Owners, their families, employees, guests and any permitted pets shall not use or permit the use of the Units and Common Elements in any manner that would be illegal, disturbing or a nuisance to other Unit Owners. No Unit Owner shall put any advertisement, poster, or signs, including for-sale signs of any kind in or on the Condominium without the consent of the Board of Managers. It is prohibited to hang any item (including but not limited to, garments, rugs, etc.) from the windows or from a Building or to string clothes lines on or over the Common Elements or to use any of the Common Elements for storage unless designated for such use. No Residential Unit Owner shall paint the exterior surfaces of the windows, walls or

doors opening out of their Residential Unit. All Residential Unit Owners must maintain their thermostat at a minimum of sixty (60º) degrees Fahrenheit to avoid pipes from freezing. Any Unit Owner failing to adhere to this provision shall be responsible for any and all damage to the Condominium or any other Unit as a result thereof. See Schedule J, Article VIII for complete details.

Restrictions on Pets

No animals shall be kept or harbored in the Condominium or any Residential Unit except for a maximum of two (2) of the following household pets: dogs; cats; and domestic birds. Fish tanks and/or aquariums shall not exceed one-hundred (100) gallons. No exceptions will be permitted unless the same in each instance be expressly permitted in writing by the Board of Managers of the Condominium. The Board of Managers may require the permanent removal of any animal kept in a Residential Unit that is not in compliance with the above as well as any animal causing or creating a nuisance or unreasonable disturbance or noise upon three (3) days written notice from the Board of Managers.

In no event shall any pet be permitted in any of the public corridors or lobbies of the Condominium unless carried or on leash. All Unit Owners shall be responsible for picking up and disposing of their pets' waste and for any damage caused by their pets to any Common Elements of the Condominium and shall comply with the local and municipal rules and regulations regarding pets. In no event may any Unit Owner maintain a "pit-bull" or other potentially dangerous dog or other dangerous animal in any Unit or within the Condominium. No pigeons or other birds or animals shall be fed from the window sills, balconies, terraces or other public portions of the Building or on the sidewalk or street adjacent to the Building. Each Unit Owner who keeps any type of pet in such Unit Owner's Unit may be required to enter into an agreement with the Board setting forth such other rules regarding pets as the Board shall deem suitable and indemnifying and holding harmless the Condominium, all Unit Owners and the managing agent from all claims and expenses resulting from acts of such pet.

Mortgage of Residential Units by Residential Unit Owners

A Unit Owner may mortgage the Unit Owner's Unit at any time after the Unit Owner acquires title to the Unit in whatever amount and under whatever terms the Unit Owner can obtain provided the Unit Owner first notifies the Board of Managers. Any Unit Owner may, upon the resale of their Unit, grant a purchase money mortgage to a purchaser of their Unit. A Unit Owner may mortgage their Unit only if all arrears for Common Charges, if any, are provided for at the closing of the mortgage.

Common Charges Assessment and Collection

The Board of Managers will prepare and furnish its budget to the Residential Unit Owners and their mortgagees annually. Based upon such budget and any modification thereof approved by the Board of Managers, all the Unit Owners will be charged for the

cost of the Common Expenses for operation of the Condominium in accordance with their interest in the Common Elements.

The charges assessed by the Board of Managers ("Common Charges"), in addition to the cost of repairing and maintaining the Common Elements, assessments and other normal operational costs, may include, in the discretion of the Board of Managers, reserves, working capital and other sums necessary to carry on the affairs of the Condominium. In addition Common Charges may have to be increased as a result of Residential Unit Owners not paying their Common Charges.

The estimate of Condominium expenditures in Schedules A and B were made by the Sponsor and passed upon by G Buddy Inc., 2026 60th Street, Brooklyn, New York. Although the Sponsor is of the opinion that such estimates are accurate and reasonable, they are not intended and cannot be construed as an assurance of the actual expenses and are merely based upon information available at this time. Actual costs may be lesser or greater than as set forth herein.

It is presently anticipated that the Common Charges are to be used primarily to pay for fire and other casualty insurance on the Building and the Common Elements, public liability and property damage insurance, legal and accounting expenses, supplies, a contingency reserve and other Common Expenses of the Building as set forth in Schedule B. The Common Charges do not include maintenance, repairs or decoration of interior of the Residential Units or portions thereof, payments required pursuant to the terms of Unit Owners' mortgages or real estate taxes covering the individual Residential Units.

The Common Charges which may be collected monthly by the Board of Managers and other costs of maintenance of the Units are set forth on Schedule A. See Schedule B-1 for estimated electrical, heating and other utility costs for the Residential Units. However, additional services which the Residential Unit Owners may desire or other factors can increase these charges.

The initial Board of Managers may commence the collection of Common Charges upon the closing of title to the first Residential Unit or at any subsequent date as in its sole discretion it may determine. Prior to the collection of Common Charges, Sponsor shall be obligated to provide all the services disclosed in the first year budget at its sole expense. In the event Sponsor elects to delay the collection of Common Charges, Sponsor shall disclose such fact in the closing notice, statement to Purchaser's, or in the post-closing Amendment to the Offering Plan as a benefit to subsequent Purchasers. The Board's collection of Common Charges will be in an amount necessary to carry out the duties of the Board of Managers as is set forth in this Offering Plan and such Common Charges shall be paid by the Unit Owners and the Sponsor as Owner of the unsold Units in accordance with the Common Interest set forth herein. The Common Charges will initially be placed in an account in the name of the Board of Managers in a bank authorized to do business in the State of New York.

Sponsor reserves the right to delay the commencement of collection of Common Charges. During any such delay, the Sponsor will timely pay all expenses of the Condominium, including but not limited to insurance premiums and any reserve fund payments required by lenders. Upon commencement of collection of Common Charges, there will not be an assessment for any item set forth in the approved budget for the Condominium. Sponsor shall remain obligated to update the budget for the Condominium as provided for in governing regulations. In the event Sponsor elects to delay the collection of Common Charges, it will disclose such a fact in the closing notice to Purchasers and will further disclose such fact in the Post-Closing Amendment to the Offering Plan. Such Amendment will also disclose the anticipated period of delay. Sponsor will notify all Owners in writing the expiration of the delay period at least thirty (30) days prior to the commencement of collection of Common Charges and will disclose such fact in the following Amendment to the Offering Plan.

In the event a Unit is damaged by casualty and the proceeds of insurance are not sufficient to cover the repair of the damage, the amount necessary to restore the Unit over and above the proceeds from any fire insurance on the Units will be a Common Charge to all Unit Owners. In order to protect the Unit Owner against the possibility of such Common Charges, the Board of Managers determines the amount of blanket casualty insurance covering all Units (the cost of such insurance is part of the Common Charges) and reviews the amount of such coverage annually.

The Sponsor shall be liable for the Common Charges, special Common Charge assessments, real estate taxes and individual utility costs of all Residential Units to which title has not been transferred to a Purchaser commencing when Common Charges are first collected by the Board of Managers. Once title has passed to a Purchaser, the Purchaser shall be solely responsible for all costs associated with the Residential Unit including but not limited to Common Charges, any special Common Charge assessments, real estate taxes and all individual utility costs.

Liens for the Non-Payment of Common Charges

Under Section 339-z of the Real Property Law of the State of New York, the Board of Managers shall have a lien against each Unit for its unpaid Common Charges and legal interest thereon prior to all other liens except liens for the payment of taxes and all sums unpaid on a first mortgage of record. The lien shall continue in force even after resale of a Unit except that the Board shall, in accordance with the Declaration, release the lien and right to collect unpaid Common Charges against any purchaser of a Unit where such purchase arises out of a foreclosure of a first institutional mortgage when the Board of Managers has been made a party to the foreclosure action.

The Board of Managers may foreclose the lien in the same manner as a mortgage on real property or being a separate action to collect the unpaid Common Charges and in doing so shall be entitled to recover all costs incurred including reasonable attorney's fees. The liability of each Unit Owner for the payment of Common Charges thereafter assessed against the Unit Owner's Unit shall terminate upon a sale, transfer or

conveyance of such Unit in accordance with the provisions of the Condominium Declaration and By-Laws. Further, any Unit Owner may convey their Unit to the Board of Managers or its nominee, on behalf of all other Unit Owners, without any compensation and in accordance with the Declaration and By-Laws, and in such event the Unit Owner shall be exempt from any Common Charges thereafter assessed, but not relieved of their obligation to pay the Unit Owner's mortgage. However a Unit Owner may not be exempt from liability for the Unit Owner's Common Charges by waiver of the use or enjoyment of any of the Common Elements or by abandonment of the Unit Owner's Unit.

Upon a resale, the Purchaser of a Unit shall be liable for the payment of unpaid Common Charges assessed against such Unit prior to the acquisition of such Unit by the Purchaser, except that a first mortgagee who acquires title to a Unit or a Purchaser at a foreclosure sale shall not be liable and the Unit shall not be subject to a lien for the payment of Common Charges assessed prior to the acquisition of title to such Unit by the first mortgagee or purchaser at a foreclosure sale. In such event and in the event of a foreclosure by the Board of Managers of its lien on any Unit for unpaid Common Charges where the proceeds of the foreclosure sale are not sufficient for the payment of such unpaid Common Charges, the unpaid balance shall be charged to all Unit Owners as a Common Expense.

During the period of time the Sponsor retains a majority of the seats of the Board of Managers, the Sponsor will cause the Board of Managers to file a lien as provided for in Section 339-aa of the Real Property Law on Units in which Sponsor is more than thirty (30) days in arrears of Common Charges.

Repairs, Alterations and Improvements to the Units

No Residential Unit Owner shall make any addition, alteration or improvement (of either a temporary or permanent nature) of a structural nature in or to the Residential Unit Owner's Residential Unit, any Limited Common Element or any portion of the Condominium which affects two (2) or more Residential Units, without the prior written approval of the Board of Managers. Furthermore, no Residential Unit Owner may alter or remove any interior wall without the prior written approval of the Board of Managers. The Board of Managers shall have the obligation to answer any written request by a Residential Unit Owner for approval of a proposed structural addition, alteration or improvement in such Residential Unit Owner's Residential Unit within forty-five (45) days after such request is received, and failure to do so within the stipulated time shall constitute a denial by the Board of Managers of the proposed addition, alteration or improvement. No Residential Unit Owner will make any addition, alteration or improvement of a structural nature in or to any Residential Unit, any Limited Common Element or any portion of the Condominium which affects two (2) or more Residential Units, without first (1) obtaining and maintaining during the course of such work such insurance as the Board of Managers may reasonably prescribe and providing the Board with a certificate of insurance prior to the commencement of the work, (2) executing and delivering to the Board of Managers an agreement, in form and substance reasonably satisfactory to the Board, setting forth the reasonable terms and conditions under which

such alteration, addition or improvement may be made, including, without limitation, the days and hours during which any such work may be done, (3) executing and delivering to the Board of Managers an agreement indemnifying and holding harmless the Board, its members and officers, and all Residential Unit Owners from and against any liability, cost or expense arising out of or connected to such work and (4) obtaining all approvals, as necessary, from the City of New York or any other governmental agency. In the event the Board of Managers chooses to have the proposed addition, alteration or improvement reviewed by an independent architect or engineer, the Residential Unit Owner shall pay the charges of such architect or engineer. The Residential Unit Owner shall also bear the cost of any increased taxes or insurance premiums resulting from their alterations, additions or improvements to their Residential Unit.

Any application to any department of The City of New York or any other governmental authority for a permit to make an addition, alteration or improvement in or to any Residential Unit shall be completed by the Residential Unit Owner and executed by the Board of Managers only, without however, incurring any liability on the part of the Board of Managers or any of them to any contractor, subcontractor or material man on account of such addition, alteration or improvement, or to any person having any claim for injury to person or damage to property arising therefrom. The above provisions regarding changes to a Residential Unit shall not apply to Residential Units owned by the Sponsor or its designee until such Residential Units shall have been initially conveyed to a bona fide purchaser by the Sponsor or such designee.

All maintenance (including electrical repairs and plumbing stoppages in the Residential Units, interior painting and decorating of the Residential Units), repairs and replacements to the interior of the Residential Units including repairs to the heating/air conditioning system servicing said Residential Unit whether inside or outside the Residential Unit, all appliances located therein, pipes, wires and conduits servicing a single Residential Unit other than as may be set forth in the Condominium By-Laws shall be made by the respective Residential Unit Owner at the Residential Unit Owner's sole cost and expense. All maintenance and repair to the interior portion of the window area and doors which open from a Residential Unit are the responsibility of the Residential Unit Owner at the Residential Unit Owner's sole cost and expense. All maintenance, repair and replacement to the external portion of the window area, the actual window and external portion of the doors which open from a Residential Unit will be the responsibility of the Condominium, unless the maintenance, repair or replacement of the external portion of the window, the actual window and external portion of the doors which open from a Residential Unit are caused as a direct result of the negligence or act of a Residential Unit Owner. In such an event it shall be the Residential Unit Owners responsibility to repair or replace the external portion of the window, the window or the external portion of the doors which open from a Residential Unit.

All general maintenance and repairs to the balconies or terraces that are Limited Common Elements, including cleaning, snow removal and all repairs not structural in nature, (including maintenance or replacement of the surface of the balconies or terraces), shall be the responsibility of the Residential Unit Owner whose balcony or

terrace is appurtenant to their Residential Unit and is a Limited Common Element of their Residential Unit. Although the cost of repairs and replacements of the Limited Common Elements shall be borne by the Residential Units Owners, the Board of Managers shall be charged with performing all such repairs and replacements at the Residential Unit Owners sole cost and expense.

In the event that the Residential Unit Owner fails to make any repair or creates any condition which affects a Building, the General Common Elements, the Limited Common Elements, or any other Residential Unit, the Board of Managers, may, upon notice given in accordance with the provisions of the By-Laws, make such repair or correct such condition and charge the Residential Unit for the cost of such service.

In the event it becomes necessary for the Board of Managers to bring any lawsuit or other proceeding to enforce its right to make such repair or correct such condition or to collect any sum due on account thereof, the Board of Managers shall also be entitled to collect reasonable attorney's fees in connection with such suit or proceeding.

Prospective Purchasers should refer to Section XVII of the Offering Plan for repairs, alterations and improvements to the General and Limited Common Elements.

Insurance

The Board of Managers shall obtain and maintain, to the extent obtainable, fire insurance with extended coverage, water damage, vandalism and malicious mischief endorsements insuring a Building, including all of the Units and the bathroom, kitchen and laundry equipment initially installed therein by the Sponsor, together with all heating, any air conditioning equipment and other service machinery contained therein, covering the interest of the Condominium, the Board of Managers and all Unit Owners and their mortgagees, as their interest may appear, in an amount equal to the full replacement value of a Building. Each of such policies shall contain a New York Standard Mortgagee clause in favor of each mortgagee of a Unit which shall provide
that the loss, if any, thereunder shall be payable to such mortgagee as its interest may appear, subject, however, to the loss payment provisions in favor of the Board of Managers and the Insurance Trustee hereinafter set forth; and such other insurance as the Board of Managers may determine.

In addition to the insurance set forth herein, the Purchaser will be required to insure their personal effects and the interior of the Residential Unit itself for fire and liability. Such insurance will be payable by the Purchaser directly.

The proceeds of all policies of physical damage insurance carried by the Board shall be payable to the Insurance Trustee if the loss shall amount to more than $40,000 to be applied for the purpose of repairing, restoring or rebuilding a Building unless otherwise determined by the Residential Unit Owners, as hereinafter set forth.

All policies of physical damage insurance shall contain waivers of subrogation and of any reduction of pro-rata liability of the insurer as a result of any insurance carried by the Residential Unit Owners or of the invalidity arising from any acts of the insured or any Residential Unit Owners and shall provide that such policies may not be canceled or substantially modified without at least ten (10) days prior written notice to all of the insured, including all mortgagees of Units. Duplicate originals of all policies of physical damage insurance and of all renewals thereof, together with proof of payment of premiums shall be delivered to all mortgagees of Units at least ten (10) days prior to expiration of the then current policies.

The amount of fire insurance to be maintained on the entire Building upon the transfer of title to the first Residential Unit and until the first meeting of the Board of Managers following the first annual meeting of the Unit Owners will be in the amount reflected in the footnotes to Schedule B, the budget for the first year of operation of the Condominium. The Board of Managers shall review the amount of fire insurance annually.

A New York Bank or Trust Company shall be the Insurance Trustee unless or until replaced by a bank or trust company in the State of New York, designated by the Board of Managers. In the event that the Insurance Trustee shall resign or not qualify, the new Insurance Trustee shall also be a bank or trust company in the State of New York designated by the Board of Managers. The Insurance Trustee shall hold all proceeds of insurance policies in accordance with Section 254.4 of the Real Property Law.

The cost of all such insurance and the fees and expenses of the Insurance Trustee shall be paid by the Board of Managers and shall constitute a General Common Expense. The Board of Managers shall also obtain and maintain, to the extent obtainable: (1) fidelity insurance covering all employees of the Condominium who handle Condominium funds; (2) Worker's Compensation insurance; and (3) in order to limit the liability of Unit Owners for personal injury and tort, public liability insurance covering each Member of the Board of Managers and each Unit Owner, in such limits as the Board of Managers may deem proper. The Board of Managers shall review such limits once each year.

The public liability insurance policy to be maintained until the first meeting of the Board of Managers following the first annual meeting of the Unit Owners will be a limit of $1,000,000 per occurrence covering all claims for bodily injury and for property damage arising out of any one (1) occurrence in the Common Elements.

Residential Unit Owners shall not be prohibited from carrying other insurance for their own benefit provided such policies contain waivers of subrogation and further provided that the liability of the carriers issuing insurance procured by the Board of Managers shall not be affected or diminished by reason of any Residential Unit Owner's other insurance.

THE CONDOMINIUM INSURANCE COVERAGE DOES NOT COVER FIRE AND LIABILITY INSURANCE FOR THE PURCHASER'S PERSONAL EFFECTS AND

INTERIOR OF THE RESIDENTIAL UNIT. PURCHASERS ARE ADVISED TO SECURE SUCH COVERAGE.

The insurance the Sponsor will initially procure for the Condominium will contain officers and directors liability or fidelity bond insurance.

The Board will arrange for repair of the Units in the event of casualty loss. In the event the insurance proceeds are not sufficient to cover the cost of repairs to the Units, the balance of the cost of such repairs will be assessed against all Unit Owners. For further provisions regarding repair or reconstruction of Units, after fire or casualty and condemnation provisions see Article VII and XII of the By-Laws. In the event of a casualty loss, the Unit Owners will continue to pay the Common Charges on his or her Unit.

Although there is no requirement for annual appraisals to ascertain whether the insurance coverage is adequate, such appraisals are required prior to renewal of any fire policy. See Schedule B for the estimated insurance costs of the Condominium.

Access by Board of Managers

The Board of Managers and its agents, employees and contractors shall have a right of access to any Unit and to all portions of the Common Elements for the purpose of carrying out any of its obligations under the Declaration and By-Laws. Such right of access shall be exercised in such manner as will not unreasonably interfere with the use of the Units but no prior notice shall be required in the event the Board of Managers shall determine that action is immediately necessary for the preservation or safety of the Condominium or its property, or the Units, or for the safety of Condominium residents or other persons, or required to avoid the suspension of any necessary service to the Condominium.

By-Laws and Rules and Regulations

Ownership of a Unit in the Condominium subjects the Unit Owner to compliance with the provisions of the Declaration and By-Laws as well as any rules and regulations contained in the Declaration or By-Laws or established by the Condominium in accordance therewith. The rules and regulations set forth in the Declaration and By-Laws can be found in Part II of the Plan in Schedule I, Article Seventeenth and Schedule J, Article VIII. The Board of Managers can institute legal actions to enforce compliance with the provisions of the Declaration and By-Laws as well as the rules and regulations established therewith.

The provisions of the By-Laws which requires Members of the Board of Managers to be Residential Unit Owners will not apply to the first Board of Managers or any Sponsor designees to the Board of Managers.

Easements

Each Unit Owner will have an easement in common with all other Unit Owners for the use, maintenance and repair of all pipes, wires, conduits and public utility lines located

in the Common Elements or located in other Units and servicing the Unit Owner's Unit. Further, each Unit Owner will have an easement for the continuance of any encroachment by their Unit on any adjoining Unit or Common Element now existing or which may come into existence hereafter as a result of the settling of the Units or repair or alteration of the Unit by the Board of Managers, after damage by fire or other casualty or as a result of condemnation or eminent domain proceedings, or by reason of an alteration made by the Board to the Common Elements so that any such encroachment may remain undisturbed so long as the Unit stands. Each Unit will be subject to such encroachments and easements in favor of all other Units.

Each Residential Unit Owner will have, in common with all other Residential Unit Owners and each Residential Unit will be subject to, an easement for the use of a Residential Unit's Limited Common Elements and any facilities located therein, including but not limited to, such easement as will be necessary to operate, maintain, repair, rebuild, restore and replace, as necessary, such Residential Unit Owner's Residential Unit and an easement to connect to existing utilities including, but not limited to, utilities for gas, electricity, water and ventilation.

Each Unit will have an easement of support from all structural members (including, but not limited to, columns, footings, bracings, foundations, slabs, and exterior walls) supporting or serving the Building and any replacements thereof and additions thereto and an easement of necessity, and each Unit will be subject to an easement of support and necessity in favor of all other Units and the Common Elements. Each Unit will have an easement for lateral and vertical support among all adjoining Units and Common Elements.

The Board of Managers, its agents and employees shall have a right of access to the Units and to the Common Elements (irrespective of the restricted nature of such Common Element) to inspect, maintain or repair the Common Elements or any pipe, wire, or conduit therein or to make repairs to the Unit to prevent damage to the Common Elements or any other Unit.

Allocation of Common Interest

The Common Interest of the Condominium establishes the Unit Owners percentage of ownership in the Common Elements of the Condominium and percentage of liability for the payment of General Common Charges. Each Unit Owner has the percentage of Common Interest in the Condominium set forth on Schedule A.

The Common Interest of each Unit has been based upon floor space, subject to the location of such space and the additional factors of relative value to other space in the Condominium, the uniqueness of the Unit, the availability of Common Elements for exclusive or shared use, and the overall dimensions of the particular Unit. Said method of determining the percentage of Common Interest in a condominium complies with and is pursuant to Section 339-i (1) (iv) of the Real Property Law of the State of New York. This percentage determines the amount that the Residential and Parking Garage Unit Owners will pay for their Common Charges. The Percentage of Residential Common

Interest and Percentage of Parking Common Interest will determine the amount each individual Unit Owner will pay for their Common Charges.

The percentage of the undivided interest in the Common Elements shall not be changed except with the consent of all Unit Owners affected expressed in a duly recorded amendment to the Declaration.

Copies of both the Declaration and By-Laws are contained in Part II of the Offering Plan.

XXI. REAL ESTATE TAXES

In accordance with the New York State Condominium Act, real estate taxes applicable to each Unit will be separately assessed. After the Units are separately assessed, each Unit will be taxed as a separate tax lot for real estate tax purposes and the Unit Owners will not be responsible for the payment, nor will the Unit be subject to any lien arising from the non-payment of real estate taxes on Units other than their own. The estimated monthly costs and charges to be incurred by the owner of each Unit in the first year in which the property will be fully subject to real estate taxes together with estimated Common Charges on each Unit and other carrying costs are set forth on Schedule A.

The Building is not eligible for 421-a tax benefits, as such, Schedule A reflects the estimated taxes for the Units without 421-a tax.

Real estate tax estimates are based upon information received from Anthony Como Associates, NYRETS, with an address of 36 Richmond Terrace, Suite 108, Staten Island, NY 10301, a real estate tax consultant, by letter dated November 4, 2021, at the completion of construction the real estate taxes for the residential portion will be as follows:

2024/25	**Residential**
Actual Assessment	13,000,000
Taxable Assessment	12,807,099
Class 2 Tax Rate*	0.12235
Residential Real Estate Taxes	$1,566,948

*The most recent tax rate available is for 2021/22, which is Class 2 Tax Rate of 0.12235. The rates for future years are assumed to be equal to the current rate.

Benefits under the Industrial Commercial Abatement Program (ICAP) will be applied for the Commercial Portion of the building. The commercial portion of this building will receive ICAP Benefits; this building is in a designated “special area”.

Properties that qualify for ICAP benefits in a designated special area will receive a property tax abatement of the added physical value resulting from the construction for 25 years, the first 16 years will receive 100% of the exemption benefit decreasing each year thereafter by 10%. The physical assessment will be fully taxable in Year 26.

In addition, all special area ICAP exemptions will receive assessment inflation protection. All equalization assessment increases [market appreciation only, not physical assessments] above 5% will automatically be added to the ICAP Abatement in year 2 through 13. It is anticipated that the building will receive ICAP tax benefits; Schedule A reflects the estimates taxes with and without ICAP benefits. It is estimated that for the first and second year of condominium operations the real estate taxes with ICAP benefits will be as follows:

Condominium Operations	1st Year 9/1/2023-8/31/2024	2nd Year 9/1/2024-8/31/2025
Commercial	459,904	88,238
Parking	98,858	18,967
Residential	1,492,734	1,562,473

Each Unit will be given a separate block and lot designation.

The estimate of real estate taxes for each Unit for the first year of Condominium operation further assumes that the amount of real estate taxes payable with respect to each Unit will be calculated by dividing the total tax liability among the Units in proportion to the percentage of Common Interest of the individual Units indicated in Schedule A. There is no assurance that the City of New York will allocate taxes among the Units in proportion to the individual Units' percentage of Common Interest. If they do not, Owners of Units with the same percentage of Common Interest will pay different amounts of real estate taxes.

Although in the Sponsor's opinion this method of calculating the real estate taxes applicable to each Unit is reasonable, there can be no assurance that final exemption will be granted or that this method of calculation of real estate taxes applicable to each Unit will be the final method used by the New York City taxing authorities in establishing the real estate tax assessment for each Unit. If for any reason a different method of calculation is used or a different assessment is placed upon any of the Units by such authorities, real estate taxes may increase or decrease, depending upon the final decision of such taxing authorities.

Since the New York State Condominium Act provides that real estate taxes will be separately assessed against each individual Unit Owner, the result of the tax exemption program will be to give each individual Residential Unit Owner the full benefit of the tax exemption program.

In the event the Units have not been separately assessed for real estate tax purposes prior to the closing of title to the first Unit, Sponsor may place in escrow, in the name of the Board of Managers, an amount equal to the unpaid real estate taxes which will be levied against the Units in the Condominium for the six (6) month period following the first closing. Thereafter, at each closing during said period, each Purchaser will reimburse the Sponsor for the pro-rata amount paid on behalf of said Unit. In the event the actual assessment is greater than the amount adjusted, Purchaser agrees to reimburse Sponsor after the closing to the extent of the actual assessment. In the event the actual assessment is less than the amount adjusted, Sponsor agrees to reimburse the Purchaser after the closing to the extent of the actual assessment.

Alternatively, the Sponsor may place in escrow, in the name of Board of Managers, an amount equal to the real estate taxes attributable to the unsold Units for such six (6) month period and may collect at each closing the estimated amount of taxes attributable to such Unit for the balance of the six (6) month period. The Board of Managers will pay the real estate taxes from the escrow account when taxes are due and payable and the

funder of the escrow account will be entitled to reimbursement from Unit Owners to the extent of the actual assessment.

If prior to consummation of the Offering Plan, as evidenced by the acceptance of a post-closing amendment to the Plan, Sponsor rents any Residential Unit (or portion thereof) to any person other than an interim lessee, the Sponsor will be obligated to abandon the Plan in accordance with the provisions of 13 NYCRR 20.1(1)(2) and 20.5(g).

Unit Owners will not be responsible for or subject to any lien arising from the non-payment of real estate taxes on any other Unit.

There are no tax certiorari proceedings currently pending for the property. The By-Laws empower the Board of Managers to bring such proceedings on behalf of the Unit Owners.

The Sponsor anticipates that the real estate tax rate will vary in future years rather than remain constant. The estimates of projected real estate taxes in this Offering Plan have been prepared by the Sponsor and cannot be construed as an assurance of the final tax costs, but are merely estimates based upon information available to the Sponsor at this time. Purchasers should note that it is an inherent risk of any Offering Plan that the amount of the taxes may differ from those projected herein. This inherent risk alone, will likely not bring rise to a Purchaser being offered rescission of their Purchase Agreement. Purchasers are encouraged to review the projected real estate taxes with a real estate tax professional.

XXII. INCOME TAX DEDUCTIONS TO RESIDENTIAL UNIT OWNERS AND TAX STATUS OF THE CONDOMINIUM

The Sponsor has been advised by its counsel, Moritt Hock & Hamroff LLP, that each Residential Unit Owner will be entitled under present law to a deduction for Federal and New York State income tax purposes for the real estate taxes paid by him covering his Residential Unit, up to a maximum of $10,000 per year, inclusive of state and local taxes, and, provided the Residential Unit is used as the Residential Unit Owner's primary residence or one (l) other residence that the Residential Unit Owner selects pursuant to Section 163(h) of the Internal Revenue code of 1986 and the Tax Cuts and Jobs Act of 2017, for the interest paid by the Residential Unit Owner on any mortgage covering the Residential Unit Owner's Unit, up to a maximum loan amount of $750,000. See the Opinion of Counsel in Section XXIII of the Offering Plan. Similarly, the Sponsor has been advised by counsel that certain Residential Unit Owners who are veterans of the United States Armed Forces may be entitled to deductions covering part of the real estate taxes applicable to their respective Residential Units.

The Sponsor has been advised by its counsel that the Condominium will be taxed on any excess of income over expenses from unrelated sources. Examples of unrelated source income include interest earned on reserve and other invested funds, income from concessions and income from dues or fees received from persons other than the Residential Unit Owners. If the Condominium is required to pay taxes, the amount thereof will be levied as an additional Common Charge.

Sponsor has also been advised that pursuant to Section 528 of the Internal Revenue Code, certain Condominiums, substantially all of whose Residential Units are used for residences, are afforded the opportunity to elect to be treated as tax exempt organizations, as it relates to income derived from Common Charges. In order to qualify, sixty (60%) percent or more of the gross income of each must consist of amounts received as membership dues, fees or assessments from the Residential Unit Owners and ninety (90%) percent or more of the expenditures of each must be for the acquisition, construction, management, maintenance and care of the Condominium Properties, which properties, as defined in Section 528 of said Code, include property held by the Condominium, property commonly held by the members of the Condominium, or property within the Condominium held by the members of the Condominium. This Condominium has been structured so that it will meet the requirements of Section 528 of the Internal Revenue Code and as a result the Condominium will be eligible to be treated as a tax exempt organization under Section 528 of the Internal Revenue Code. Purchasers should refer to the Opinion of Counsel in Section XXI of the Offering Plan.

Purchasers should note that Moritt Hock & Hamroff LLP is counsel for the Sponsor and Purchasers should consult with their own attorneys or tax professionals to verify any statements made within this section of the Offering Plan.

XXIII. OPINION OF COUNSEL

CW Northern LLC
34-28 Collins Place
Flushing, New York 11354

Re: Northern Parc

Gentlepeople:

We note that the Offering Plan for the above-captioned Condominium states that it is believed that the monthly payments of interest on any mortgage up to a maximum loan amount of $750,000 in the aggregate, which becomes a lien on a Condominium Residential Unit and real estate taxes payable by a Residential Unit Owner, up to a maximum of $10,000 per year (inclusive of state and local taxes), which are assessed against their Residential Unit by any governmental taxing authority, are a proper deduction in connection with Federal and New York State Income Taxes payable by the owner of such Condominium Residential Unit.

We have given this matter careful study, and it is our opinion that, pursuant to the provisions of the Internal Revenue Code of 1986 (the "Code") (See Revenue Ruling 64-31, C.B. 1964-300) and the corresponding provision of the New York State Law (See Section 615 of the Tax Law) and the Tax Cuts and Jobs Act of 2017, such interest payments and the aforesaid real estate payments are proper deductions by the Home Owner of a Condominium Residential Unit, in connection with their Federal and New York State income taxes. Similarly, we are of the opinion that each Condominium Residential Unit Owner whose Residential Unit is either their principal residence or the one other residence they select pursuant to Section 163 (h) (5) (A) (i) (II) of the Code will be entitled, under Section 216 (a) (2) of the Code and Section 615 (a) of the State Law, and the Tax Cuts and Jobs Act of 2017, to deduct interest paid or accrued by them on any mortgage which becomes a lien on their Condominium Residential Unit, up to a maximum amount of $750,000. The Residential Unit may be so selected if the Residential Unit Owner either uses it as a residence within the meaning of Code Section 280A (d) (1) (i.e., they use it for personal purposes for a number of days which exceed the greater of fourteen (14) days, or ten (10%) percent of the number of days during the year for which the Residential Unit is rented at a fair rental), or neither rents nor uses the Residential Unit at any time during the year.

In addition, certain Residential Unit Owners who are veterans of the United State Armed Forces may be entitled to deductions covering part of the real estate taxes applicable to their Residential Unit.

In adding a new Section 528 to the Code, the Tax Reform Act of 1976 affords certain Condominiums and Associations, substantially all of whose Residential Units are used for residences, the opportunity to elect to be treated as tax exempt organizations. In order to qualify, sixty (60%) percent or more of the gross income of each must consist of amounts received as membership dues, fees or assessments from the Residential Unit Owners and ninety (90%) percent or more of the expenditures of each must be for the acquisition, construction, management, maintenance and care of the Condominium or Association properties, which properties, as defined in Section 528 of the Code, include property held by the Condominium or Association, or property within the Condominium or Association. Based upon our examination of the Offering Plan and subject to the Condominium or Association, if one is formed, actually satisfying the minimum percentage income and expenditure criteria set forth above, which is likely, it is our opinion that the Condominium or Association will be eligible to be treated as a tax exempt organization under Section 528 of the Code.

Such an election will exempt from Federal and New York State Income Taxation all amounts received by the Condominium from the Residential Unit Owners as membership dues, fees or assessments. The Condominium will be taxed, however, on any excess of income over expenses from unrelated sources. Examples of unrelated sources of income include interest earned on reserve funds, income from concessions and income from dues or fees received from persons other than the Residential Unit Owners. In the event either the Condominium or the Association fails to qualify for and elect Section 528 taxation status in any year, it may, to the extent it has any income from accumulated revenues received by virtue of dues, fees and assessments received from Residential Unit Owners and unrelated sources of income, not expended in any taxable year, be subject to Federal and New York State Income Taxation (see Rev. Ruling 74-99, 1974-1 C.B. 131).

We have considered the relevant cases and rulings on the tax status of the Condominium including Revenue Rulings 74-17, 74-99, 75-370 and 75-371. These rulings, under certain circumstances, permit assessments for capital replacements and new or replacement equipment to be excluded from the Condominium's income and be treated for tax purposes as additional capital contributions. In such case each Residential Unit Owner's assessment for such purposes would add to their tax basis. Although the Condominium described in the Plan may be deemed a taxable entity under such Rulings, assuming that all expenses are designated and accounted for, and that certain other special purpose assessments are properly treated as trust funds, the Condominium should not realize any significant amount of taxable income, other than with respect to incidental investment income, such as interest earned on reserve funds deposited in bank accounts.

We have examined the exceptions to title set forth in Section XIII of the Offering Plan, and we are of the opinion that none of such exceptions of title are contrary to the terms of the Purchase Agreement nor do they interfere with the quiet use or enjoyment of the Purchaser's Unit as set forth in the Offering Plan.

We have examined the Declaration and By-Laws pertaining to the proposed Condominium. It is our opinion that the Declaration and By-Laws, when recorded, will validly create a Condominium in accordance with Article 9-B of the Real Property Law of the State of New York.

In addition, we note that the percentage of Common Interest for each Residential Unit as contained in Schedule A has been determined based upon floor space, subject to the location of such space and the additional factors of relative value to other space in the Condominium, the uniqueness of the unit, the availability of Common Elements for exclusive or shared use, and the overall dimensions of the particular unit. In our opinion, this is a proper method of determining the percentage of Common Interest in a Condominium and complies with Section 339-i (1)(iv) of the Real Property Law.

In our opinion, the Condominium will be eligible for tax exempt status, if it so elects, and Residential Unit Owners will be entitled to the above-mentioned income tax deductions. However, this opinion is not a guarantee; it is based on existing rules of law applied to the given facts and documents referred to above. No assurances can be given that the tax laws upon which counsel base this opinion will not change. In no event will the Sponsor, the Sponsor's counsel, the Board of Managers of the Condominium, the selling agent or any other person be liable if there are changes in the facts on which counsel relied in issuing this opinion or if there are changes in the applicable statutes, regulations, decisional law or Internal Revenue Service rulings on which counsel relied which cause the Condominium to cease to meet the requirements of section 528 of the Internal Revenue Code of 1986, as amended, or the New York State Tax Law, as amended, and cause the Unit Owners not to be entitled to income tax deductions (or which cause Unit Owners not to be or to cease to be entitled to the benefits or the level or duration of benefits described above).

It is our understanding that this letter will be made a part of the Offering Plan of Northern Parc and we consent to its inclusion therein.

Very truly yours,

MORITT HOCK & HAMROFF LLP

The physical assessment will be fully taxable in Year 26.

In addition, all special area ICAP exemptions will receive assessment inflation protection. All equalization assessment increases [market appreciation only, not physical assessments] above 5% will automatically be added to the ICAP Abatement in year 2 through 13.

XXIV. RESERVE FUND

The Condominium budget includes as a reserve fund line item of $106,381 to be collected out of the maintenance charges paid by the Unit Owners. The reserve fund is to be used for replacement of the Common Elements. See Footnote 12 to Schedule B for complete details.

It is anticipated that the reserve fund will be adequate to pay for major capital repairs or replacement items likely to be needed within the first five years of condominium operation. If additional funds are required over and above the reserve fund, it may be necessary to increase the maintenance charges or Common Charges payable by the Unit Owners or to collect a Special Assessment from each Unit Owner.

During the period Sponsor is in control of the Board of Managers, the reserve fund will not be used to reduce the estimated Common Charges. The reserve fund will become available to the Condominium upon commencement of collection of Common Charges.

Neither the Department of Law nor any other Governmental Agency has passed upon the adequacy of the reserve fund.

XXV. WORKING CAPITAL FUND

At closing the Sponsor will collect an amount equal to two (2) months Common Charges from each Purchaser to be paid to the Condominium as initial working capital. While Sponsor is in control of the Board of Managers of the Condominium the working capital funds will not be used to reduce the Common Charges. The working capital fund may be utilized to reimburse Sponsor for prepaid expenses of the Condominium. The only budgetary item that might require a substantial credit to the Sponsor would be the insurance disclosed in Schedule B and/or any deposits required by utility companies to establish utility accounts for the Building. If any portion of the working capital funds are used during this period to pay for prepaid expenses, such amounts will be repaid to such fund out of future Common Charges collected.

In the event the Building requires replacement of Building components and systems in an amount exceeding funds available in the Reserve Fund and/or Working Capital Fund, the Board may implement a Special Assessment and/or engage a commercial lender to obtain funds to cover such expenses.

Neither the Department of Law nor any other Governmental Agency has passed upon the adequacy of such funds.

XXVI. MANAGEMENT AGREEMENT, CONTRACTS AND LEASES

Sponsor has received a proposed management agreement (the "Agreement") from G Buddy Inc., 8725 18th Ave 2nd Fl., Brooklyn NY 11214 (hereinafter "G Buddy") to manage the Condominium for an initial term of one (1) year at an annual fee of $128,400 for the first year of Condominium operation; payable at the sum of $10,700 per month for twelve months. Upon the expiration of the initial term, the Agreement will be extended on an annual basis, and same may be terminated by either party without cause on sixty (60) days written notice.

G Buddy will have normal management responsibility, subject to the directives of the Board of Managers, including engaging personnel; performing bookkeeping services; involvement in collection of assessments; review of contracts to be entered into on behalf of the Condominium (subject to approval of the Board of Managers); causing maintenance and repair of the Property, but, unless provided for in the budget for the Condominium, G Buddy shall not obligate the Condominium for any single item of repair, replacement, refurnishing or refurbishing in excess of $2,000 without the prior approval of the Board of Managers; maintaining the books and records of the Condominium; assistance in the preparation of annual budgets; attendance at monthly meetings of the Board of Managers; maintenance of bank accounts for the deposit of funds collected from Residential Owners; routine visual inspections of the property and presentation of recommendations to the Board of Managers. G Buddy may charge additional fees for matters beyond the scope of the Agreement, such as with respect to extraordinary or repeated requests for inspection of the Condominium records and the like. The Board shall be required to reimburse G Buddy for expenses incurred in connection with its regular duties. The Management agreement may not be assigned.

G Buddy shall not be liable to the Condominium for any loss or damage not caused by the G Buddy negligence or willful misconduct; the Condominium will indemnify and save harmless G Buddy from any liability for damages, cost and expenses for injury to any persons or property in, about and in connection with the Condominium, from any cause whatsoever arising from the acts of G Buddy within the scope of its duties under this Agreement, unless such injury shall be caused by G Buddy negligence or willful misconduct; the Condominium will also indemnify and save G Buddy from any liability for damages, penalties, costs and expenses, statutory or otherwise, for all acts performed by G Buddy pursuant to any other written instructions of the Condominium except for those arising from G Buddy negligence or willful misconduct.

2) **DESCRIPTION OF UNIT** - Seller agrees, at its own cost and expense, to erect and complete, and Purchaser shall buy from Seller, the condominium unit(s) known as Residential Unit No. _____ (the "Residential Unit"), together with a _____ percent undivided interest in the common elements of the condominium (the "Common Elements") known as Northern Parc (the "Condominium"), located on 144-49 Northern Boulevard, Flushing, New York 11354, and as described in the Declaration of Condominium to be recorded in the New York County Register's Office, Queens County, to be built by Seller on property comprising the Condominium Map (the "Property") filed or to be filed in the New York County Register's Office, Queens County. The Unit shall be constructed in accordance with the requirements as to materials and workmanship of the Building Department of the City of New York, which, when completed, will be in substantial accordance with the plans as filed or to be filed with the Building Department of the City of New York.

The Unit may vary from any models displayed to Purchaser, and Purchaser should not rely on any model depiction of the units in the Condominium. All dimensions are approximate and may vary from the floor plans of the Condominium.

3) **OFFERING PLAN** - Seller has exhibited and delivered to the Purchaser, and Purchaser acknowledges having received, read and understood, the Offering Plan for condominium ownership of the Property and all amendments thereto filed to date, all of which are incorporated by reference and made a part of this Purchase Agreement, with the same force and effect as if fully set forth in this Purchase Agreement. Purchaser agrees to be bound by the Offering Plan, including all amendments thereto now or hereafter filed by Seller (collectively the "Plan"). Seller may freely amend the Plan in any respect from time to time, without Purchaser's approval or consent. Any conflict between the Plan and this Purchase Agreement shall be resolved according to the terms of the Plan. Purchaser acknowledges having received and read the Plan at least three (3) business days prior to signing this Purchase Agreement and having had full opportunity to examine all papers and documents and investigate all matters set forth in the Plan.

Purchaser shall deliver all documents to Seller and perform all acts required by Seller to carry out the provisions of the Plan, establish the Condominium and conform to all applicable laws and regulations. This Paragraph shall survive Closing and delivery of the deed.

4) **GOVERNMENTAL REQUIREMENTS** – If after the date of this Purchase Agreement any law or governmental authority requires any substitutions, changes or additions in any part of the construction of the Unit, the materials used in construction, the manner of construction or any other aspect of development, then the actual cost of such substitution, change or addition shall be added to the price of the Unit and shall be payable by Purchaser to Seller at Closing (defined below), provided, however, that if the amount of such additional cost exceeds $1,000, then Purchaser may cancel this Purchase Agreement and receive a full refund of all payments made to Seller on account of the purchase price, whereupon neither party shall have any further liability of obligation to the other in connection with this Purchase Agreement or transaction.

However, such right to cancel this Purchase Agreement shall automatically terminate if Purchaser fails to give written notice of cancellation to Seller within ten (10) days after Seller informs Purchaser of the amount of the additional expense.

5) **MORTGAGE FINANCING** - This Purchase Agreement is not conditioned upon Purchaser obtaining mortgage financing. In the event Purchaser is unable to obtain a mortgage, this Purchase Agreement shall remain in effect and Purchaser shall have an ongoing obligation to consummate the transaction. If a Purchaser does not consummate the transaction and close title to the Unit as a result of Purchaser's inability to obtain a mortgage, Purchaser will be in default under this Purchase Agreement and Seller may retain all monies as provided for in Paragraph 22 herein. Purchaser further understands and agrees that if he or she chooses to finance the purchase of the Unit through a lending institution and obtain a commitment therefrom, neither a subsequent change in the terms of such commitment, the expiration or other termination of such commitment, nor any change in his financial status or condition shall release or relieve him of his obligations pursuant to this Purchase Agreement and Sponsor shall have no liability as a result of any scheduling or adjournment of the closing beyond the expiration of the loan commitment.

6) **CLOSING DATE; ADJOURNMENTS; CONSTRUCTION DELAYS BY SELLER** - The act of transferring ownership of the Unit in return for payment in full of the Purchase Price and all other sums due from Purchaser under this Purchase Agreement is known as the "Closing". The Anticipated Closing Date indicated on the first page of the Purchase Agreement is an approximate date and Seller cannot make any guarantees that such date will be the actual Closing Date. Seller shall have the right to adjourn or advance such Closing Date as provided herein. The Closing shall take place at such time and place and on such date as Seller shall designate by prior written notice ("Notice for Closing") delivered in accordance with Paragraph 30 herein, which shall be given no less than thirty (30) days before the date set for Closing. Purchaser may waive the thirty (30) day notice period by execution and delivery of a waiver in the form set forth as Schedule D-2 to the Purchase Agreement in the Plan.

Should Seller be unable to convey title to Purchaser in accordance with the Notice for Closing, Seller shall have the right, from time to time, to adjourn the date and time for Closing on written notice to Purchaser. In such event, Seller shall, by a new Notice for Closing, fix a new date and time for Closing, which shall be no less than ten (10) days before the new scheduled date and time for Closing.

If the Closing takes place at the request of Purchaser at any location other than the office of Seller's attorney, Purchaser shall pay to Seller's attorney a travel fee in the sum of $250. The Closing may not take place in any other location without Seller's prior written consent. In the event the Closing is adjourned with Seller's consent, at the request of Purchaser or Purchaser's attorney within forty-eight (48) hours of the scheduled time of Closing, Purchaser shall also pay Seller's attorney an adjournment fee in the sum of $500.

In the event that the closing of title to the first Residential Unit in the Condominium has not occurred within twelve (12) months of the anticipated date of first closing set forth in the Offering Plan, as same may be amended, Purchasers will be afforded a right of recission.

If Purchaser is not in default under this Purchase Agreement and the Closing has not taken place within twelve (12) months after the Anticipated Closing Date set forth on the first page of this Purchase Agreement, either Seller or Purchaser may cancel this Purchase Agreement by forwarding written notice of cancellation to the other no later than ten (10) days after expiration of such twelve (12) month period whereupon Seller shall refund to Purchaser, subject to the escrow provisions as disclosed in Section XII of the Plan, all payments, other than Funds used towards upgrades, options or extras, made by Purchaser to Seller on account of the Purchase Price and neither party shall thereafter have any further liability or obligation to the other in connection with this Purchase Agreement or transaction. Purchaser shall be obligated to notify Seller in writing of its intent to exercise said option no later than ten (10) days after the twelve (12) month period. Failure to so notify Seller shall be deemed a waiver of this provision, and Purchaser shall continue to be bound by the terms of the Purchase Agreement. In the event Seller shall be unable to convey title to the Residential Unit within twenty-four (24) months of the proposed date of delivery through no fault of the Purchaser, the Purchase Agreement shall be deemed null and void and Seller shall return all monies being held in escrow within thirty (30) days thereafter.

7) **ADDITIONAL MONEY TO BE PAID BY PURCHASER AT CLOSING** - In addition to all other sums payable or reimbursable elsewhere under this Purchase Agreement, Purchaser shall at Closing pay, or reimburse to Seller if Seller has already made payment, or pay to any Lender, all applicable charges for:

(a) Any Lender's charges for inspections, appraisals, title examination and policy insuring the Lender's interest, Lender's attorneys' fees for preparation of all loan documents, all commitment fees, points, origination fees and other fees and charges (however characterized) imposed or exacted by the Lender or incurred by Seller or Purchaser in connection with Purchaser's mortgage loan;
(b) any mortgage recording taxes on Purchaser's mortgage;
(c) governmental charges which may be assessed on account of any mortgage loan;
(d) mortgage insurance, if required, on Purchaser's mortgage;
(e) New York State real estate transfer tax on the deed;
(f) New York City real estate transfer tax on the deed;
(g) Mansion Tax pursuant to Section 1402-a of the Tax Law of the State of New York, if applicable;
(h) all recording and filing charges payable on account of the transfer of title and recording of all documents in connection therewith including without limitation any mortgage, the deed, power of attorney, affidavit required pursuant to Section 339-ee of the New York State Real Property Law and

any blanket mortgage release documents;

(i) a sum equal to the partial mortgage tax credit to which Purchaser may be entitled under any applicable law by reason of mortgage taxes having been previously paid by Seller;

(j) an initial non-reimbursable capital contribution in an amount equal to two (2) months Common Charges, payable to the Condominium;

(k) a pro-rata portion of the Condominium's estimated first year insurance, based on the Unit's percentage of Common Interest; and

(l) $2,000 to Seller's attorney for the preparation of the closing documents.

Purchaser shall also apportion with Seller as of the end of the day prior to Closing, and pay to Seller at Closing, the apportioned amount due for taxes, condominium Common Charges, sewer use, water use, fuel oil (if any) and any other utility costs. Purchaser shall also pay the deposits required by the Lender to establish the estimated or escrow fund for future payments of taxes, condominium Common Charges, sewer use and insurance premiums (if applicable). In addition, in the event Seller's attorney prepares the New York City "ACRIS" transfer documents, Purchaser shall be required to pay Seller's attorney an additional fee of $250. In the event the title company prepares the ACRIS, Purchaser shall pay the applicable fee of the title company. If through no fault of Seller, Purchaser fails for any reason to close title on the date originally scheduled in Seller's Notice for Closing, or such later date (if applicable) to which Seller in a subsequent Notice for Closing adjourned the Closing, all of the aforementioned apportionments shall be made as of the end of the day preceding (i) the date originally scheduled for Closing or (ii) Seller's adjourned closing date (as the case may be).

Purchaser shall pay to Seller at or prior to the date of the actual adjourned Closing, an amount equal to .0438% per diem (which equals an annual rate of 16%) of the Purchase Price for the Unit for each day beyond such originally scheduled or Seller adjourned Closing Date, to and including the date of actual Closing, for reimbursement and defrayal of Seller's carrying costs and other charges, which amount Purchaser acknowledges to be reasonable and proper.

Any errors or omissions in computing apportionments or any other sums payable under this Paragraph which are communicated to the other party within six (6) months after Closing shall be corrected and payment made to the proper party promptly after such communication. This Paragraph shall survive Closing and delivery of the deed.

8) **CONSTRUCTION LOAN MORTGAGE** - This Purchase Agreement is subject and subordinate without the necessity of Purchaser signing or delivering any documents or papers, to the lien of any existing or future construction loan mortgage and all payments or expenses already made or incurred or which may hereafter be made or incurred in connection with such construction loan mortgage. This subordination shall apply whether such advances are voluntary or involuntary and whether made in accordance with the construction loan schedule of payments or accelerated thereunder by virtue of the construction lender's right to make advances before they become due in

accordance with the schedule of payments. The Unit and its/their appurtenant percentage of Common Interest in the Common Elements (as such term is defined in the Plan), shall be released from the lien of such construction loan mortgage upon Closing, except where such mortgage is converted to Purchaser's individual mortgage on the Unit. In such case, the Unit shall remain subject to the lien of such construction loan mortgage and Purchaser shall reimburse to Seller at Closing, in addition to all other sums to be reimbursed by Purchaser to Seller under this Purchase Agreement, an amount equal to the mortgage tax paid by Seller on such construction loan mortgage. In all other cases, any mortgage tax credit available under Real Property Law Section 339-ee shall inure exclusively to the benefit of Seller.

9) **DEED AND ENCUMBRANCES UPON OWNERSHIP** - The deed to be given by Seller to Purchaser at Closing shall be a Bargain and Sale with Covenant against Grantor's Acts deed, but subject, nevertheless, to the matters set forth in sub-paragraphs (a) through (f) below which need not be recited in the deed given at Closing but shall survive Closing, and Seller's covenant in the deed against encumbrances shall be deemed modified accordingly. The deed shall be duly executed and acknowledged by Seller in proper statutory form for recording (except for payment of the New York State and City transfer tax which is the obligation of Purchaser) so as to convey to Purchaser fee simple title to the Unit, free and clear of all liens and encumbrances, except as herein stated. The deed shall also contain the covenant required by subdivision 5 of Section 13 of the Lien Law. Purchaser shall accept such title and deed description of the Unit subject to the liens, encumbrances and other matters set forth in this Purchase Agreement, as a title company authorized to do business in the State of is willing to approve and insure without additional premium. Purchaser may obtain title insurance from any title insurance company or abstract company, or Purchaser may decline to obtain any title insurance at all. In the event of a claimed breach of any covenant of the grantor contained in the deed, Purchaser must first seek recovery against the title insurance company which insured Purchaser's title to the Unit before proceeding against Sponsor, it being agreed that the liability of Sponsor will be limited to any loss of damage not covered by such title insurance company. In the event that Purchaser elects not to purchase title insurance, then the liability of Sponsor shall be limited to any loss or damage which would have been covered by the title insurance that was available to Purchaser at the time of closing of title.

Purchaser shall be responsible for payment to the title company of the entire premium for Purchaser's title insurance, and shall also pay the applicable New York State and City transfer tax and mansion tax, if applicable.

The sale and transfer of ownership of the Unit to Purchaser shall, even though not stated in the deed, be subject to:

Purchaser shall deliver to Seller's attorney at least ten (10) days prior to Closing, a written notice setting forth each objection to title, if any (other than those specifically set forth herein subject to which the Property are being sold), and a copy of Purchaser's title report. Seller shall have the right to a reasonable adjournment of Closing, not to exceed sixty (60) days, for the purpose of curing any title defect; however, no such action taken by Seller shall be deemed an admission by Seller that such defect is one that would entitle Purchaser to cancel this Purchase Agreement. However, if such defect in title existed at least ten (10) days prior to the closing of title and Purchaser failed to send Sponsor's attorney written notice of such defect in title at least ten (10) days prior to the closing of title, then Purchaser shall be deemed at fault for not having sent timely notice, and the closing adjournment to allow Sponsor to correct or remove such title defect shall be considered at the request of Purchaser.

10) **PERSONAL PROPERTY INCLUDED IN SALE** - All articles of personal property, fixtures and equipment for the Unit which are included in this sale will be delivered free and clear of all liens and encumbrances, except as stated in Paragraph 9 herein, if applicable.

11) **POWER OF ATTORNEY** - At closing, Purchaser shall execute, acknowledge and deliver to Seller in recordable form, a power of attorney in the form set forth as Schedule E, as same may be amended from time to time to comply with applicable law, to the Plan (the "Power of Attorney"), in favor of the Board of Managers of the Condominium relative to leasing and purchasing of Units in the Condominium under certain circumstances and to foreclose upon Units in the Condominium for which the payment of Common Charges is delinquent, and in favor of Seller relative to amending the Condominium documents to the extent provided for in the Plan. In the event the form Power of Attorney set forth in the Plan is deemed to be insufficient, in Seller's sole

discretion, due to statutory changes to the New York State short form power of attorney, Purchaser shall execute an amended power of attorney to effectuate the powers granted in the Power of Attorney set forth in the Plan. This paragraph shall survive delivery of the deed.

12) **ENCUMBRANCES/LIENS EXISTING AT CLOSING** - The existence of anything affecting the sale at Closing, including unpaid taxes or liens of any kind, shall not constitute an objection to title provided Certified, or another title or abstract company selected by Purchaser, is willing to insure Purchaser's title clear of the matter or is willing to insure against enforcement or collection out of the Unit upon Seller's doing whatever acts as may be required by said company and/or the depositing of money. The parties agree that the Seller may pay and discharge any liens and encumbrances upon the Unit, not provided for in this Purchase Agreement, out of the monies to be paid by the Purchaser at the time of Closing.

13) **EXTRA WORK AND EXTRA ITEMS ORDERED BY PURCHASER -** Any work or items ordered from Seller by Purchaser which are not included in the plans or standard model of the Unit shall, except as may otherwise be provided in this Purchase Agreement or in a writing signed by Seller, be paid for in full by Purchaser at the time they are ordered. The failure of Seller to perform or supply and install such work or items shall not entitle Purchaser to cancel this Purchase Agreement even if Purchaser has already paid for such work or items. Purchaser's only right, in the event of Seller's failure to perform such extra work or supply and install such extra items, is to receive a refund or credit at Closing equal to the total payments made to Seller for such extra work or extra items. All extras must be ordered prior to commencement of construction and must not delay construction. In the event Purchaser orders upgraded or optional items or finishes other than the standard provided by Seller, Seller or Seller's contractors shall not be responsible or liable for any defects in quality of materials or workmanship in installation. Failure to make any payments due in accordance with the payment schedule of Seller, Seller's contractors or sub-contractors, as applicable, shall constitute a breach in accordance with Paragraph 22 herein. As noted as a Special Risk in the Plan, in the event a Purchaser is entitled to rescission, the Purchaser will not receive a refund of any funds paid for Extras. Seller shall have no responsibility for any work, fixtures, appliances, equipment or materials not ordered directly from Seller by Purchaser. For the purposes of this provision, any orders which Purchaser places directly with Seller's contractors or suppliers shall not be deemed to have been ordered directly from Seller.

14) **OPTIONS AND COLOR SELECTIONS** - Any choices given by Seller to Purchaser in colors, products, materials, design, features and similar matters shall be made by Purchaser in writing at Seller's office or model site, within ten (10) days after notification to Purchaser to make such choices. If there is anything as to which Purchaser has a choice, and Purchaser fails to inform Seller of Purchaser's choice within such ten (10) day time period, then Seller may make the choice on Purchaser's behalf and Purchaser shall accept such choice so made by Seller as if originally made by Purchaser. No claim or objection to Closing shall be made by Purchaser because of

any choice made by Seller in any case where Purchaser failed to give Seller timely notice of Purchaser's choice.

15) **NO INSPECTIONS DURING CONSTRUCTION** - Purchaser acknowledges that unsupervised visits to the Property (the "Construction Site") present a dangerous circumstance and could incur liability to Seller. **Unless specifically agreed to by Seller in writing, Purchaser shall not visit the Unit or any other portion of the Construction Site, and shall only have the right to visit the Seller's sales office (the "Sales Office"). Any unauthorized visits to the Construction Site by Purchaser are subject to a charge by Seller of $500 per visit, which Purchaser agrees to pay Seller within ten (10) days of billing thereof.** Purchaser hereby releases and indemnifies, defends and holds Seller harmless for all claims and liabilities incurred by Seller resulting from the unauthorized presence of Purchaser or Purchaser's family members or invitees on the Property prior to Closing. Purchaser further agrees to execute the Express Assumption of Risk Form, in the form set forth as Schedule D-3 to the Plan.

16) **PURCHASERS' INTERFERENCE** - Purchaser acknowledges that it may not interfere with Seller's ability to construct the Unit or other unit(s) or facilities, including interference with work performed on site by Seller's staff in connection with the construction of the Unit or any other units, attempts to hire any of Seller's staff or contractors, and/or attempts to bring contractors, materialman, subcontractors or workers onto the site for work on the Unit prior to Closing, unless otherwise agreed to in writing by Seller.

17) **PURCHASER MAY NOT TAKE POSSESSION OF THE UNIT PRIOR TO CLOSING** - Neither Purchaser nor anyone acting on Purchaser's behalf may enter or take possession of any part of the Unit nor have any work performed or materials supplied or installed at the Unit prior to Closing without the prior written consent of Seller.

Purchaser acknowledges and agrees that Seller will accept no liability whatsoever for any property belonging to the Purchaser, their agents, employees, family, or belonging to any party other than Seller which is placed on the Property and/or in the Unit prior to Closing. No act of the Seller, whatever its nature, shall constitute a waiver of this Paragraph.

18) **CHANGES BY SELLER -** In building the Unit and performing any other work on the Property, Seller reserves the right to: (a) make changes or substitutions of materials or construction from those shown in the model units or building plans, provided any such changes or substitutions are of substantially similar or better quality; (b) determine the exterior color and design of the Building; (c) change the location and type of the Units to be constructed in the Condominium; (d) fix the location and setbacks of the Building; (e) determine whether existing trees, shrubs and other plant life on the Property are to be moved or removed, (f) add or remove retaining walls on the Property where required by grade conditions; (g) determine the location of electric, gas and water

meters, electric transformers, air conditioning compressors, mailboxes; (h) change appliances as long as they are equal to or better than originally offered; (i) change the location of kitchen and bathroom cabinets, counters and drawers; (j) make changes to the Unit, which result in variations of up to five (5%) percent of the Unit square footage listed in Schedule A to the Offering Plan; and (k) make any other changes required by the City of New York. The changes described in items (a)-(j) may not be effectuated unless Seller obtains the consent of any affected Purchaser. Furthermore, Sponsor's rights, as described herein, are subject to the representations made in the Offering Plan.

Seller shall notify Purchaser of any major changes, specifications, deviations, additions or deletions, which are beyond the scope of those set forth above ("Extraordinary Changes"). If Seller notifies Purchaser in writing of any Extraordinary Changes, Purchaser shall be deemed to have approved of same, unless Seller receives Purchaser's written disapproval thereof within ten (10) days from date of the notice by Seller. Upon receipt of Purchaser's disapproval, Seller may, within thirty (30) days thereafter, give Purchaser written notice withdrawing its proposed Extraordinary Changes, in which case Seller shall thereafter continue with its development activities without the Extraordinary Changes. If Seller fails to give Purchaser notice of withdrawal within such thirty (30) day period, Purchaser may declare this Purchase Agreement null and void by so notifying Seller in writing delivered to Seller no later than forty-five (45) days after having delivered Seller the original notice of disapproval, whereupon Seller shall promptly return to Purchaser all monies paid by Purchaser to Seller, except Funds used towards upgrades, options or extras, on account of the purchase price and thereafter neither party shall have any further liability or obligation to the other in connection with this Purchase Agreement or transaction.

19) **COMPLETION OF CONSTRUCTION; PURCHASER'S INSPECTION** - Purchaser shall accept title (without abatement in or credit against the Purchase Price or provision for escrow) notwithstanding that construction of (a) minor details of the Unit or the building in which it is located, or (b) other units in the Condominium, or (c) the landscaped areas of the Property, or (d) parking spaces or driveway or garage, or (e) other portions of the Common Areas have not been completed. Purchaser will inspect the Unit with a representative of the Seller during normal business hours approximately three (3) days prior to Closing and will sign and deliver to Seller on or before Closing, a Pre-Title Inspection Statement supplied by Seller, acknowledging the condition of the Unit. Receipt of the executed Pre-Title Inspection Statement shall be a condition precedent to closing. Purchaser agrees to accept the Pre-Title Inspection Statement wherein the Seller shall agree to complete all unfinished items within six (6) months from the date of Closing, weather and other circumstances permitting. Any such incomplete items shall not constitute an objection to closing provided Seller executes and delivers to Purchaser, a letter agreement in accordance with the foregoing. Purchaser shall allow Seller, its agents, servants and/or employees the right to enter the Unit and shall provide reasonable access thereto subsequent to Closing to complete any incomplete items.

In the event Seller is required to make any repair or complete any item of work to be performed by Seller after Closing, the limit of Seller's liability shall be to make said repair and/or to complete such item. This Paragraph shall survive Closing and delivery of the deed.

20) **CERTIFICATE OF OCCUPANCY** - At Closing, Seller shall deliver to Purchaser a temporary or permanent Certificate of Occupancy for the Unit (or building in which it is located) and, if available, a New York Board of Fire Underwriter's Certificate for the Unit.

21) **UNIT PART OF DEVELOPMENT** - Purchaser acknowledges that they may be living in an active construction site after Closing on the Unit. During the period of construction, there may be dirt and debris and construction material on the Property, construction vehicular traffic, construction noises, unfinished areas of the Condominium and other inconveniences, which are normal in a community undergoing construction. Purchaser further acknowledges that other units and infrastructure are presently being constructed at the Property and that Seller anticipates that such construction shall continue until the Condominium project is completed in accordance with the Plan. Any such construction will not render the Unit uninhabitable nor materially affect Purchaser's use of the Unit. Accordingly, Purchaser agrees that such continuing construction shall not be deemed a nuisance nor an interference with Purchaser's quiet enjoyment of the Unit after Closing. Sponsor anticipates completion of construction by May 1, 2020. This Paragraph shall survive Closing and the delivery of the deed.

22) **PURCHASER'S DEFAULT** - If Purchaser fails to appear and close title in accordance with this Purchase Agreement on the date and at the time and place stated in Seller's Notice for Closing, or if Purchaser fails to observe or perform any other thing to be observed or performed by Purchaser under this Purchase Agreement, Seller may send Purchaser a written notice of default giving Purchaser thirty (30) days from the date of such notice to cure any such default. Upon Purchaser's failure to cure such default within such thirty (30) day period, this Purchase Agreement shall, at Seller's option, be deemed canceled and Seller shall have the right to retain as and for liquidated damages, all sums paid by Purchaser to Seller on account of the Purchase Price plus all additional sums paid and/or payable by Purchaser for all Extras ordered by Purchaser, together with all interest credited thereon, if any, which total amount Purchaser acknowledges to be fair and reasonable.

The notice of default shall be deemed notice to the Purchaser by the Escrow Agent of the Escrow Agent's intent to release the funds being held in escrow on behalf of the Purchaser pursuant to the dispute resolution provisions of the Attorney General's escrow regulations as described in Section X of the Offering Plan.

TIME IS OF THE ESSENCE FOR PURCHASER TO CURE SUCH DEFAULT WITHIN SUCH THIRTY (30) DAY PERIOD.

Upon cancellation of this Purchase Agreement for Purchaser's failure to timely cure any such default, Seller shall be released and discharged of all further liability and

obligations to Purchaser under this Purchase Agreement. Thereafter the Unit may be sold or disposed of as though this Purchase Agreement had never existed and without any accounting to Purchaser for the proceeds of any subsequent sale. The foregoing remedy shall be in addition to any and all other remedies available to Seller under this Purchase Agreement or at law for any default by Purchaser under this Purchase Agreement.

23) **SELLER'S RIGHT TO CANCEL** - Seller may cancel this Purchase Agreement by forwarding a full refund of the Downpayment to Purchaser together with written notice of cancellation in the event of the occurrence of any of the following:

(a) any governmental authority imposes a ban on the construction or completion of residential dwellings or imposes restrictions on the manufacture, sale, distribution and/or use of materials from Seller's regular suppliers or from using same in the construction and/or completion of the Unit; or

(b) Seller is unable to obtain materials from its usual sources due to labor troubles, lockouts, war, military operations and requirements, civil unrest, act of God or national emergencies; or

(c) the installation of public utilities is restricted or curtailed; or

(d) should zoning and/or building restrictions and regulations, imposed by any governmental body having jurisdiction over the construction of residential housing and appurtenances, either presently in effect or as enacted or promulgated in the future, create or impose requirements upon the Seller which are not presently contemplated; or

(e) the Plan is abandoned, withdrawn or not consummated for any reason.

Upon such cancellation and refund, this Purchase Agreement shall be terminated and neither party shall have any further rights, obligations or liability to or against the other and the parties shall be released and discharged from all obligations and liability under this Purchase Agreement and the Offering Plan.

24) **INABILITY OF SELLER TO TRANSFER OWNERSHIP** - Except for Seller's willful default, if Seller is unable to transfer ownership of the Unit in accordance with this Purchase Agreement, Seller shall only be liable to Purchaser for the return to Purchaser of the down payment. Thereafter, this Purchase Agreement shall be deemed canceled and neither party shall have any further liability to the other in connection with this Purchase Agreement or transaction. Seller shall not be required to commence any action or proceeding or incur any expense in order to remove the condition, which prevents Seller from transferring ownership of the Unit in accordance with this Purchase Agreement.

25) **PROHIBITION AGAINST ASSIGNMENT OR RECORDING OF PURCHASE AGREEMENT** - Neither this Purchase Agreement nor Purchaser's interest hereunder may be assigned by Purchaser without the written consent of Seller. In addition, neither shall this Purchase Agreement nor any memorandum thereof be recorded in the office of any county clerk or the Queens County Register's Office by Purchaser or anyone on Purchaser's behalf. Should Purchaser violate the provisions of the foregoing sentence, this Purchase Agreement, at Seller's option, shall become null and void, whereupon all rights of the Purchaser shall cease and terminate and Seller shall have the right to retain the Downpayment and all amounts paid by Purchaser for Extras, as and for liquidated damages on account of such default by Purchaser pursuant to the provisions of Paragraph 22 hereunder.

26) **PROHIBITION AGAINST SIGNS ON UNIT** - Purchaser shall not place any sign anywhere on the Unit or Property at any time.

27) **PROHIBITION AGAINST ADVERTISING OF UNIT FOR SALE** - From and after the date hereof, Purchaser shall not place an advertisement for the sale of the Unit in any newspaper or other publication or media, or list the Unit with any real estate broker prior to Closing. Such action will constitute a material breach of this Purchase Agreement entitling Seller to retain monies paid on account of the Purchase Agreement plus the cost of Extras as liquidated damages.

28) **RESTRICTIONS ON SALE** - Purchaser covenants and agrees to retain ownership in the condominium unit for a period of one (1) year from the date Purchaser acquired the condominium unit, except in the case of the death of Purchaser or spouse. Failure to abide by this requirement shall result in the Purchaser paying the Seller a sum equal to 25% of the difference between the new purchase price of the condominium unit and the Purchase Price set forth in paragraph 1 of this Purchase Agreement but in no event less than 10% of the purchase price set forth in paragraph 1 of this Purchase Agreement. The provisions of this Paragraph shall survive delivery of the deed and the closing of title.

29) **NO BROKER CONSULTED BY PURCHASER** – Seller has not engaged a selling agent or real estate broker to market the property for sale at this time. Purchaser represents that no selling agent or real estate broker brought about this sale, and Purchaser agrees to indemnify Seller against any claim brought by any other selling agent or real estate broker for brokerage commission based upon Purchaser's acts. Should Seller engage a selling agent or real estate broker in the future, Seller shall pay the selling agent or real estate broker pursuant to separate agreement. In the event Purchaser is represented or has consulted with an outside selling agent or real estate broker, Purchaser shall be responsible for all costs and commissions associated therewith, and Seller shall not be responsible for any co-broker commission. This Paragraph shall survive Closing and delivery of the deed.

30) **TRUST FUNDS** - The law firm of Lau & Associates, P.C. with an address at 133-47 Sanford Avenue, Unit C1E, Flushing, New York 11355, telephone number (516) 829-

9770, shall serve as escrow agent ("Escrow Agent") for Sponsor and Purchaser. Escrow Agent has designated the following attorneys to serve as signatories: Jay Lau, Esq. All designated signatories are admitted to practice law in the State of New York. Neither the Escrow Agent nor any authorized signatories on the account are the Sponsor, Selling Agent, Managing Agent, or any principal thereof, or have any beneficial interest in any of the foregoing.

Escrow Agent and all authorized signatories hereby submit to the jurisdiction of the State of New York and its Courts for any cause of action arising out of the Purchase Agreement or otherwise concerning the maintenance of release of the down payment from escrow.

The Escrow Agent has established the escrow account at a bank authorized to do business in the State of New York. The escrow account is entitled "Lau & Associates, P.C., IOLA/ FBO Northern Parc" ("Escrow Account"). The Escrow Account is an IOLA account. The Escrow Account is federally insured by the FDIC at the maximum amount of $250,000 per deposit. Any deposit in excess of $250,000 will not be insured.

All down payments received by Purchaser shall be in the form of checks, money orders, wire transfers, or other instruments, and shall be made payable to the order of "Lau & Associates, P.C., as Escrow Agent".

The Escrow Account is an IOLA account and no interest will be paid to Purchaser. No fees of any kind may be deducted from the Escrow Account, and the Sponsor shall bear all costs associated with the maintenance of the Escrow Account.

The Purchase Agreement shall only be deemed accepted when countersigned by the Seller or Seller's authorized agent. **In addition, although all funds received by Seller for Extras will initially be placed in the Escrow Account; such funds may be released from the Escrow Account as long as Seller uses the funds for such Extras. In the event Purchaser is entitled to a right of rescission, the return of their Downpayment shall not include any funds paid towards Extras.** At Closing the Downpayment shall be paid to Seller upon consummation of the Closing and execution of this Purchase Agreement shall be deemed a writing executed by both Seller and Purchaser authorizing the Escrow Agent to release said funds to Seller at Closing. Purchaser shall execute the Tender of Escrow form, as set forth in Schedule D-4 of the Plan upon execution of this Purchase Agreement; and shall execute the Release form, as set forth in Schedule D-1 of the Plan, at Closing.

Within five (5) business days after the Purchase Agreement has been tendered to Escrow Agent along with the Deposit, the Escrow Agent shall sign the Purchase Agreement and place the Deposit into the Escrow Account. With ten (10) business days of the placing the deposit in the Escrow Account, Escrow Agent shall provide written notice to Purchaser and Sponsor, conforming the Deposit. The notice shall provide the account number and the initial interest rate to be earned on the Deposit. Any Deposits

made for upgrades, extras, or custom work shall be initially deposited into the Escrow Account, and released in accordance to the terms of a written agreement between Purchaser and Sponsor.

The Escrow Agent is obligated to send notice to the Purchaser once the Deposit is placed in the Escrow Account. If the Purchaser does not receive notice of such deposit within fifteen (15) business days after tender of the Deposit, he or she may cancel the Purchase Agreement within ninety (90) days after tender of the Purchase Agreement and Deposit to Escrow Agent. Complaints concerning the failure to honor such cancellation requests may be referred to the New York State Department of Law, Real Estate Finance Bureau, 28 Liberty Street 16th Floor, New York, N.Y. 10005. Rescission shall not be afforded where proof satisfactory to the Attorney General is submitted establishing that the Deposit was timely placed in the Escrow Account in accordance with the New York State Department of Law's regulations concerning Deposits and requisite notice was timely mailed to the Purchaser.

All Deposits, except for advances made for upgrades, extras, or custom work received in connection with the Purchase Agreement, are and shall continue to be the Purchaser's money, and may not be comingled with any other money or pledged or hypothecated by Sponsor, as per GBL § 352-h.

Under no circumstances shall Sponsor seek or accept release of the Deposit of a defaulting Purchaser until after consummation of the Plan, as evidenced by the acceptance of an effectiveness amendment by the New York State Department of Law. Consummation of the Plan does not relieve the Sponsor of its obligations pursuant to GBL §§ 352-3(2-b) and 352-h.

The Escrow Agent shall release the Deposit if so directed:

(a) pursuant to terms and conditions set forth in the Purchase Agreement in Section 5 upon closing of title to the Unit; or

(b) in a subsequent writing signed by both Sponsor and Purchaser; or

(c) by a final, non-appealable order or judgment of a court.

If the Escrow Agent is not directed to release the Deposit pursuant to paragraphs (a) through (c) above, and the Escrow Agent receives a request by either party to release the Deposit, then the Escrow Agent must give both the Purchaser and Sponsor prior written notice of not fewer than thirty (30) days before releasing the Deposit. If the Escrow Agent has not received notice of objection to the release of the Deposit prior to the expiration of the thirty (30) day period, the Deposit shall be released and the Escrow Agent shall provide further written notice to both parties informing them of said release. If the Escrow Agent receives a written notice from either party objecting to the release of the Deposit within said thirty (30) day period, the Escrow Agent shall continue to hold the Deposit until otherwise directed pursuant to paragraphs (a) through (c) above.

Notwithstanding the foregoing, the Escrow Agent shall have the right at any time to deposit the Deposit contained in the Escrow Account with the clerk of the county where the [unit/building] is located and shall give written notice to both parties of such deposit.

The Sponsor shall not object to the release of the Deposit to:

(a) a Purchaser who timely rescinds in accordance with an offer of rescission contained in the Plan or an Amendment to the Plan; or

(b) all Purchasers after an Amendment abandoning the Plan is accepted for filing by the Department of Law.

The Department of Law may perform random reviews and audits of any records involving the Escrow Account to determine compliance with all applicable statutes and regulations.

Any provision of any Purchase Agreement or separate agreement, whether oral or in writing, by which a Purchaser purports to waive or indemnify any obligation of the Escrow Agent holding any Deposit in trust is absolutely void. The provisions of the Attorney General's regulations and GBL §§ 352-e(2-b) and 352-h concerning escrow trust funds shall prevail over any conflicting or inconsistent provisions in the Purchase Agreement, Plan, or any amendment thereto.

Escrow Agent shall maintain the Escrow Account under its direct supervision and control.

A fiduciary relationship shall exist between Escrow Agent, and Purchaser, and Escrow Agent acknowledges its fiduciary and statutory obligations pursuant to GBL §§ 352(e)(2-b) and 352(h).

Escrow Agent may rely upon any paper or document which may be submitted to it in connection with its duties under this Purchase Agreement and which is believed by Escrow Agent to be genuine and to have been signed or presented by the proper party or parties and shall have no liability or responsibility with respect to the form, execution or validity thereof.

Sponsor agrees that Sponsor and its agents, including any selling agents, shall deliver the Deposit received by them prior to closing of the Unit to a designated attorney who is a member of or employed by Escrow Agent, within two (2) business days of tender of the Deposit by Purchaser.

Sponsor agrees that it shall not interfere with Escrow Agent's performance of its fiduciary duties and statutory obligations as set forth in GBL §§ 352-(e)(2-b) and 352-(h) and the New York State Department of Law's regulations.

Sponsor shall obtain or cause the selling agent under the Plan to obtain a completed and signed Form W-9 or W-8, as applicable, from Purchaser and deliver

such form to Escrow Agent together with the Deposit and this Purchase Agreement.

Prior to release of the Deposit, Escrow Agent's fees and disbursements shall neither be paid by Sponsor from the Deposit nor deducted from the Deposit by any financial institution under any circumstance.

Sponsor agrees to defend, indemnify and hold Escrow Agent harmless from and against all costs, claims, expenses and damages incurred in connection with or arising out of Escrow Agent's responsibilities arising in connection with this Purchase Agreement or the performance or non-performance of Escrow Agent's duties under this Purchase Agreement, except with respect to actions or omissions taken or suffered by Escrow Agent in bad faith or in willful disregard of the obligations set forth in this Purchase Agreement or involving gross negligence of Escrow Agent. This indemnity includes, without limitation, disbursements and attorneys' fees either paid to retain attorneys or representing the hourly billing rates with respect to legal services rendered by Escrow Agent to itself.

31) **NOTICES** - Any notices, statements, certificates, requests or demand required or permitted to be given or delivered under this Purchase Agreement shall be in writing and may be sent by mail, overnight courier or personal delivery, addressed to Purchaser or to Seller, as the case may be, at their respective addresses shown at the beginning of this Purchase Agreement, or to such other address as Purchaser or Seller may designate in the manner herein provided, or to their respective attorneys. Such notice, statement, certificate, request or demand shall be deemed to have been given

(a) when delivered to an overnight courier service, if sent by overnight courier,

(b) upon personal delivery actually being made, and

(c) upon receipt or first refusal of delivery or inability of delivery after delivery to the United States Post Office with proper postage prepaid, if sent by regular mail, registered or certified mail return receipt requested.

Notwithstanding the foregoing, any notice of default must be delivered only by overnight courier service, personal delivery, or certified mail return receipt requested.

32) **PURCHASER GENERAL REPRESENTATIONS** - Purchaser represents that Purchaser has not relied upon any architect's plans, sales plans, selling brochures, advertisements, representations, warranties, statements or estimates, written or oral, of any nature whatsoever, made by Sponsor, or otherwise, including but not limited to, any of the above relating to the description or physical condition of a Condominium building or the Unit or the Property, the size or the dimensions of the Unit or the rooms therein contained or any physical characteristics thereof, the services offered by the Condominium, the estimated Common Charges for the Unit, the estimated real estate taxes on the Unit, the right to any income tax deduction for any real estate taxes or mortgage interest paid by Purchaser, the right to any income tax credit with respect to

the Purchase of the Unit, the potential for future profit with respect to the Unit, any future appreciation in value of the Property, the Condominium building or the Unit, any rental income potential, depreciation or investment potential with respect to the Property, the Condominium building or the Unit, any monetary or financial advantage with respect to the Property, the Condominium building or the Unit, or any other data, the environmental and/or flood plan conditions affecting the Condominium building, the availability of liability, casualty and flood insurance or the cost thereof, the costs of ongoing maintenance and repair of the Condominium building or any other matter or estimate not set forth herein and in the Plan. Purchaser further represents that Purchaser has not relied on any verbal or written representations made by the Broker or any other agent of Seller. No person has been authorized to make any representation on behalf of Sponsor except as herein or in the plans specifically set forth. Purchaser further acknowledges having had full opportunity to examine all documents and investigate all facts referred to and stated herein and in the Plan. Purchaser has relied solely on his own judgment and investigation in deciding to enter into this Purchase Agreement and purchase of the Unit. No oral representations or statements shall be considered a part of this Purchase Agreement, and any current or prior oral statements are void and have no effect. Sponsor makes no representation or warranty as to the work, materials, appliances, equipment or fixtures in the Unit, the Common Elements or any other part of the Property other than as set forth herein or in the Plan. Purchaser agrees that the Seller shall have no liability or responsibility to Purchaser and that Purchaser will not be relieved from his or her obligations hereunder, by reason of any immaterial or insubstantial accuracy or error. Purchaser agrees that a decrease in a Unit's area of five (5%) percent or less may not affect a Purchaser's right to consent, unless such decrease is determined to be a material change. There is a rebuttable presumption that an area that is diminished by five (5%) percent or less is not material. The provisions of this paragraph shall survive the closing of title or the termination of this Purchase Agreement. Purchaser understands and acknowledges that the Seller cannot guarantee a firm completion and availability date for the Unit and agrees that the Seller shall not be obligated to make, provide or compensate for any accommodations or costs to Purchaser as a result of construction delays nor shall such delays serve to cancel, amend or diminish any of Purchaser's obligations hereunder, except as set forth in the Plan and provided under applicable law.

33) **ACKNOWLEDGMENT THAT THERE ARE NO OTHER UNDERSTANDINGS** - All prior understandings and agreements are hereby superseded and merged into this Purchase Agreement, which alone contains the final and entire understanding and agreement between Seller and Purchaser. Neither Seller nor Purchaser shall be bound by any terms, conditions, statements, or representations, oral or written, not set forth in this Purchase Agreement or in the Offering Plan. Purchaser acknowledges that Purchaser is buying a Unit in a condominium development which may not yet have been formed at the time this Purchase Agreement is signed, and that, except as stated in this Purchase Agreement, the Declarations, By-Laws, Exhibits, Schedules and Plan, Purchaser has not relied on any representations or other statements of any kind or nature made by Seller or anyone else except as set forth in the Plan or any amendment thereto and this Purchase Agreement, including but not limited to, the description, size

or dimensions of the Unit or rooms therein, or the estimated common charges, or other expenses relative thereto.

Purchaser also acknowledges that none of Seller's representatives has the authority to modify this Purchase Agreement or to make any oral promise, agreement or representation inconsistent or contrary to the terms of this Purchase Agreement. This Purchase Agreement may be changed only by a written document signed by both Purchaser and Seller's Authorized Agent. The invalidity or unenforceability of any particular provision of this Purchase Agreement will not affect the other provisions, and this Purchase Agreement will be interpreted in all respects as if such unenforceable provisions were omitted.

34) **RISK OF LOSS** - The risk of loss or damage to the Unit by fire or any other cause until delivery of the deed is assumed by Seller. In the event a substantial portion of the Unit or Condominium shall be destroyed or damaged prior to Closing, Seller shall be entitled to cancel this Purchase Agreement by written notice to Purchaser, together with a check in the amount of the Downpayment paid by Purchaser, with interest, if any; however, Purchaser will not receive a refund of any funds paid for Extras. The parties shall thereafter be released from any further liability hereunder.

If any part of the Unit is damaged or destroyed by any casualty prior to Closing, Seller will have the option to restore the Unit to its previous condition as soon as reasonably possible. In the event Seller elects to restore the Unit, then the Closing Date and any other applicable date or deadline will be extended in a reasonable manner by Seller. Seller agrees to notify Purchaser of Seller's decision within ten (10) business days of the date of such casualty. In the event Seller elects not to restore the Unit, then this Purchase Agreement will terminate and Purchaser will receive a full refund of all monies paid to Seller. The parties shall thereafter be released from any further liability hereunder.

35) **DAMAGE TO PUBLIC IMPROVEMENTS, AMENITIES AND COMMON ELEMENTS** - Purchaser shall repair and/or restore to their original condition and standards any public improvement, amenity or Common Elements on the Property damaged by Purchaser or Purchaser's agents, employees, contractors or licensees. Upon failure of Purchaser to complete such repair and/or restoration work within thirty (30) days after written notice from Seller, then and in that event, Seller may complete same at the expense of Purchaser who shall reimburse Seller for the cost thereof immediately upon demand. This Paragraph shall survive Closing and delivery of the deed.

36) **STRICT COMPLIANCE; SEVERABILITY; WAIVER OF TRIAL BY JURY** - Any failure by Seller to insist upon strict performance by Purchaser of any of Purchaser's obligations under this Purchase Agreement shall not be deemed a waiver of such obligations, and Seller may at any time insist upon strict performance by Purchaser of any and all obligations to be performed by Purchaser under this Purchase Agreement irrespective of the number of times Purchaser failed to strictly comply with such

obligations in the past. If any part of this Purchase Agreement or the Plan is invalid or unenforceable with respect to a particular individual or circumstance, the remainder of this Purchase Agreement or the Plan and the applicability to other individuals or circumstances shall not be affected thereby but shall continue in full force and effect. Purchaser waives all rights to trial by jury in any action, proceeding or counterclaim in any way arising out of or relating to this Purchase Agreement or the Plan. Purchaser agrees to pay all court fees, including reasonable attorney fees, should Purchaser bring an action against Seller in any court of proper jurisdiction (including small claims court) and be unsuccessful.

Purchaser and Seller hereby waive trial by jury in any action, proceeding or counterclaim arising out of this Purchase Agreement, provided such waiver is not prohibited by any laws of the State of New York. Any action or proceeding brought by either party hereto against the other, directly or indirectly, arising out of this Purchase Agreement, shall be instituted in a court in Queens County and all motions in any such action shall be made in Queens County.

This Paragraph shall survive Closing and delivery of the Deed.

37) **LIEN OF DEPOSIT** - All sums paid on account of this Purchase Agreement are hereby made liens upon the Unit, but such liens shall not continue after default by the Purchaser under this Purchase Agreement.

38) **MISCELLANEOUS:**

(a) The start of any activity by Seller in connection with the Unit is not to be deemed a waiver of any of Seller's rights under this Purchase Agreement.

(b) The personal property referred to in this Purchase Agreement shall be deemed conveyed by the deed, and no part of the Purchase Price shall be deemed allocated to such personal property.

(c) The attorneys representing the Seller or any Lender represent such parties only and not the Purchaser. The Purchaser may retain independent counsel at Purchaser's own expense in order to protect Purchaser's own interest.

(d) The delivery of the deed for the Unit to Purchaser or Purchaser's representative at Closing shall be deemed to mean that all things required to be done by Seller under this Purchase Agreement have been done and that Purchaser shall not claim otherwise except as to those things, if any, which are specifically stated in this Purchase Agreement or in a separate writing signed by Seller or Seller's attorney on Seller's behalf, to survive or continue beyond Closing or delivery of the deed.

(e) The paragraph headings set forth in this Purchase Agreement are inserted solely for convenience of reference and in no way deemed to affect, amend, define, describe or limit the scope or intent of the provisions set forth in this Purchase Agreement.

(f) No provision of this Purchase Agreement may be changed, waived, discharged, or terminated orally, by telephone, or by any other means, except an instrument in writing signed by the party against whom enforcement of such change, waiver, discharge, or termination is sought and then only to the extent set forth in such instrument.

(g) Any singular word or term herein shall also be read as in the plural whenever the sense of this Purchase Agreement may require it. The use of the masculine gender shall be deemed to refer to the feminine gender, or neuter, whenever the context so requires.

(h) If two (2) or more persons are named as Purchaser in this Purchase Agreement, (i) each person shall be jointly and severally liable for payment, observance and performance of all obligations under this Purchase Agreement and (ii) anyone of them is hereby made agent for the other in all matters of any and every kind or nature with respect to the Unit and/or this Purchase Agreement. The act, assent, election or approval by one shall conclusively constitute the act, assent, election and approval by all.

(i) The provisions of this Purchase Agreement shall bind and inure to the benefit of Purchaser and Purchaser's heirs, legal representatives, successors and permitted assigns and shall bind and inure to the benefit of Seller and its successors and assigns.

(j) This Purchase Agreement shall not be binding or effective until fully executed and delivered by Seller and Purchaser.

(k) Seller represents that its Federal Employer Identification Number is _____; and Purchaser represents that his/her/their social security number(s) is _____ and _____.

(l) In the event any portion of this Purchase Agreement shall be declared by any court of competent jurisdiction to be invalid, illegal or unenforceable, such portion shall be deemed severed from this Purchase Agreement and the remaining parts hereof shall remain in full force and effect, as fully as though such invalid, illegal or unenforceable portion had never been part of this Purchase Agreement.

(m) The parties agree that this Purchase Agreement shall be governed by, and construed in accordance with the laws of the State of New York.

39) LIMITED WARRANTY - AT THE CLOSING OF TITLE, THE SELLER WILL DELIVER THE CERTIFICATES AND WARRANTIES DELIVERED TO IT AND TRANSFERABLE TO PURCHASER AND IT IS FURTHER AGREED THAT TITLE WILL NOT CLOSE UNTIL A TEMPORARY CERTIFICATE OF OCCUPANCY HAS BEEN ISSUED COVERING THE RESIDENTIAL UNIT OR BUILDING IN WHICH THE RESIDENTIAL UNIT IS LOCATED. IN THE EVENT A TEMPORARY CERTIFICATE OF OCCUPANCY IS ISSUED, SELLER SHALL KEEP THE TEMPORARY CERTIFICATE OF OCCUPANCY IN FULL FORCE AND EFFECT UNTIL A PERMANENT CERTIFICATE OF OCCUPANCY IS ISSUED. SELLER'S LIABILITY PURSUANT TO ANY MANUFACTURERS' WARRANTIES COVERING HEATING, APPLIANCES, ELECTRICITY AND PLUMBING ARE LIMITED SOLELY TO THE EXTENT THAT SUCH WARRANTIES ARE DELIVERED TO SELLER, TRANSFERABLE TO THE PURCHASER OR TO THE CONDOMINIUM AND THEN ONLY AS AGAINST SUCH MANUFACTURER. IF A DEFECT OCCURS IN AN ITEM WHICH IS COVERED BY THIS WARRANTY, THE SELLER OR SELLER'S CONTRACTORS WILL (A) REPAIR OR (B) REPLACE THE DEFECTIVE ITEM. THE CHOICE BETWEEN REPAIR OR REPLACEMENT IS THE SELLER'S.

PURCHASER SHOULD NOTE THAT:

Smoking is PROHIBITED (i) in all commons areas of the Building, including, but not limited to, the lobby, entryways, vestibules, ante rooms, mail rooms, storage rooms, bike rooms, common rooms, amenity rooms, gym, roof decks, garbage chute rooms, compactor rooms, basement, corridors, hallways, stairwells, elevators, playroom, garage, garage ramp, walkways, and (ii) within twenty-ten (25) feet of any outside entrance to the Building or within twenty-five (25) feet of any outdoor air intake or operable window opening onto Common Elements or Units.

For the purposes of this Smoking Policy, the term "smoking" includes, but is not limited to, inhaling, exhaling, burning or carrying any lighted cigar, cigarette, pipe or any other form of lighted object or device which contains tobacco, including the use of electronic cigarettes or any similar device that delivers vapor for inhalation (including any refill, cartridge or other component of an electronic cigarette or similar device), or any other items or materials that may be smoked, whether such substance is a legal substance or an illegal substance. POWER OF ATTORNEY

CAUTION TO THE PRINCIPAL: Your Power of Attorney is an important document. As the "principal," you give the person whom you choose (your "agent") authority to spend your money and sell or dispose of your property during your lifetime without telling you. You do not lose your authority to act even though you have given your agent similar authority.

When your agent exercises this authority, he or she must act according to any instructions you have provided or, where there are no specific instructions, in your best interest. "Important Information for the Agent" at the end of this document describes your agent's responsibilities.

Your agent can act on your behalf only after signing the Power of Attorney before a notary public.

You can request information from your agent at any time. If you are revoking a prior Power of Attorney by executing this Power of Attorney, you should provide written notice of the revocation to your prior agent(s) and to the financial institutions where your accounts are located.

You can revoke or terminate your Power of Attorney at any time for any reason as long as you are of sound mind. If you are no longer of sound mind, a court can remove an agent for acting improperly.

Your agent cannot make health care decisions for you. You may execute a "Health Care Proxy" to do this.

The law governing Powers of Attorney is contained in the New York General Obligations Law, Article 5, Title 15. This law is available at a law library, or online through the New York State Senate or Assembly websites, www.senate.state.ny.us or www.assembly.state.ny.us.

If there is anything about this document that you do not understand, you should ask a lawyer of your own choosing to explain it to you.

I (We) residing at _____ ("Principal") the owner of Condominium Unit No. ___ in the Condominium known as Northern Parc, covering the property located in the Borough and County of Queens, City and State of New York, do hereby nominate, constitute and appoint the Members of the Board of Managers of Northern Parc c/o CW NORTHERN LLC, 34-28 Collins Place, Flushing, New York 11354 and their successors, jointly, my true and lawful attorneys-in-fact, coupled with an interest, with power of substitution, in my name and on my behalf to acquire, in their own name or in the name of their designee by deed on behalf of all owners of Condominium Units in said property, any Condominium Unit whose owner desires to abandon the same, or which shall be the subject of a foreclosure sale or in lieu of a foreclosure sale, at such price and on such terms as my said attorneys-in-fact shall, in their sole discretion deem proper and thereafter to convey, sell, lease, sublease, mortgage, vote or otherwise deal in such Condominium Unit so acquired, at such terms as my attorneys-in-fact may in their sole discretion determine, granting to my said attorneys-in-fact the power to do all things in the said premises which I could do if I were personally present.

I (We) do further hereby nominate, designate, constitute and appoint the Members of the Board of Managers of Northern Parc and their successors, jointly, my true and lawful attorneys-in-fact, coupled with an interest, with power of substitution, in my name and on my behalf, the right to act in my behalf to take any and all action necessary against any tenant(s) that may be residing in my Residential Unit including but not limited to, the right to seek an eviction in a court of law for failure to adhere to any of the provisions of the Declaration of Condominium, By-Laws and/or Rules and Regulations of Northern Parc.

I (We) do hereby further irrevocably nominate, constitute and appoint CW NORTHERN LLC and its successors, my true and lawful attorneys-in-fact coupled with an interest in my name and on my behalf to vote at any Unit Owners meeting for, and to file an amendment to the Declaration of Condominium of Northern Parc permitting the certification by a registered architect or professional engineer, certifying that the floor plans filed as part of an amended Declaration are an accurate copy of portions of the plans of the building and fully and fairly depict the layout, location, designation and approximate dimensions of the Units, as built, and to amend any Filed Map or amending such Declaration to create any utility easements or to carry out any of the provisions of the Offering Plan of such Condominium as described in Article Eleventh, Section (c) of the Declaration of Condominium of Northern Parc.

This document does not revoke any power of attorney I/we have previously

executed. In order to revoke a prior power of attorney, I/we will execute a revocation specifically referring to the power to be revoked.

Notwithstanding anything set forth herein to the contrary, this power of attorney is irrevocable and shall not be revoked by any subsequent power of attorney I/we may execute.

This provision is not subject to amendment.

5. In the case of material changes, approval must be obtained from first mortgage holders representing at least fifty-one (51%) percent of the votes of Units that are subject to first mortgages. A change to any of the following would be considered as material: voting rights; assessments, assessment liens, or subordination of assessment liens; reserves for maintenance, repair and replacement of common elements; responsibility for maintenance and repairs; reallocation of interests in the general or limited common elements, or rights to their use; boundaries of any Unit; convertibility of Units into Common; elements or vice versa; expansion or contraction of the project, or the addition, annexation or withdrawal of property to or from the project; insurance or fidelity bonds; revisions to the leasing provisions of Units contained in Article XI of the By-Laws; imposition of any restrictions on a Unit Owner's right to self or transfer his or her Unit; a decision by the Condominium to establish self management when professional management had been required previously by an eligible mortgage holder; restoration or repair of the project (after a hazard damage or partial condemnation) in a manner other than that specified in the documents; any action to terminate the legal status of the project after substantial destruction or condemnation occurs; or any provisions that expressly benefit mortgage holders, insurers or guarantors. An addition or amendment to the Declaration shall not be considered material if it is for the purpose of correcting technical errors, or for clarification only. Any eligible mortgage holder who received a written request by certified or registered mail, return receipt requested to approve amendments who does not deliver to the Condominium a negative written response within

sixty (60) days of the receipt of the request shall be deemed to have approved such amendment.

There shall be a presumption for a period of sixty (60) days subsequent to the recording of the amendment that the vote of the Unit Owners was made at a duly called meeting and that the requisite voting percentage was obtained. After the sixty (60) day period such presumption will be deemed conclusive.

C. The Declarant, its successors, assigns and purchasers of undeveloped or unsold Units shall have the right without vote or consent of the Unit Owners, the Board of Managers or the holders of Unit mortgages to execute or (on its request) to require the Board of Managers to execute and record in the Office of the Register of the City of New York, Queens County and elsewhere, if required by law, an amendment or amendments to this Declaration (together with such other documents, plan and maps as may be required to effectuate the same) to reflect (i) the certification by a registered architect or professional engineer, certifying that the floor plans filed as part of an amended Declaration are an accurate copy of portions of the plans of the Building and fully and fairly depict the layout, location, designation and approximate dimensions of the Units as built, or (ii) utility easements, or (iii) technical corrections to the Declaration to conform to other documents including but not limited to the Offering Plan or as-built plans (iv) to amend Schedule B of this Declaration to conform the model type, square footage and type and number of rooms and any other required information for a specified Unit, so long as the appurtenant percentage of Common Interest does not change for said Unit, or (v) to amend Schedule B of this Declaration to consolidate Units subject to all necessary approvals by the City of New York, to revise the square footage and type and number of rooms and any other required information for a specified Unit and to change the appurtenant percentage of Common Interest so long as the new percentage of Common Interest equals the combined percentage of Common Interest of the Units that were combined, or (vi) to effectuate permissible changes in unsold Units or (vii) to amend Schedule B to make technical corrections to said Schedule including, but not limited to, square footage of Units, assign or revise Limited Common Elements appurtenant to a Unit or to revise the number and description of rooms contained in a Unit or (viii) the carrying out of other provisions of the Offering Plan of Northern Parc.

D. Any amendment to this Declaration shall not take effect until it is recorded in the Office of the Register of the City of New York, Queens County.

Regardless of any other provision of this Declaration, no action for partition or division of the Common Elements shall be brought nor shall this plan of condominium ownership be terminated where such partition, division or termination will result in a violation of the then existing local zoning and building laws and codes.

TWELFTH: SUBJECT TO DECLARATION, BY-LAWS, ETC. All present or future Unit Owners, tenants, future tenants, or any other person that might use the facilities of the Condominium in any manner, are subject to the provisions of this Declaration, the By-Laws and Rules and Regulations of the Condominium and the mere

acquisition or rental of any of the Units of the Condominium or the mere act of use or occupancy of any of said Units shall signify that the provisions of this Declaration and the By-Laws and Rules and Regulations of the Condominium are accepted and ratified and all of such provisions shall be deemed and taken to be covenants running with the land and shall bind any person having at any time any interest or estate in such Unit, as though such provisions were recited and stipulated at length in each and every deed, conveyance or lease thereof.

THIRTEENTH: COMMON CHARGES. All sums assessed as Common Charges by the Board of Managers of the Condominium but unpaid together with the maximum interest permitted in New York thereon, chargeable to any Unit Owner shall constitute a lien on his or her Unit prior to all other liens except: (a) tax or assessment liens on the Unit by the taxing subdivisions of any governmental authority, including but not limited to State, County, City, and School District taxing agencies; and (b) all sums unpaid on any first mortgage of record encumbering any Unit. Such lien may be foreclosed when past due in accordance with the laws of the State of New York, by the Condominium, in like manner as a mortgage on real property, and the Condominium shall also have the right to recover all costs incurred including reasonable attorneys' fees and costs of collection (but such right shall not be a lien against the Unit). In the event the proceeds of the foreclosure sale are not sufficient to pay such unpaid Common Charges, the unpaid balance shall be charged to all Unit Owners as a Common Expense. However, where the holder of an institutional mortgage of record, or other purchaser of a Unit at a foreclosure sale of an institutional mortgage, obtains title to the Unit as a result of foreclosure, or the institutional mortgage holder obtains title by conveyance in lieu of foreclosure, such acquirer of title, his successors or assigns, shall not be liable and the Unit shall not be subject to a lien for the payment of Common Charges chargeable to such Unit which were assessed and became due prior to the acquisition of title to such Unit by such acquirer. In such event, the unpaid balance of Common Charges will be charged to all other Unit Owners as a Common Expense. The term "institutional mortgage" herein used shall mean a first mortgage granted by a bank, savings and loan association, life insurance company, pension fund, trust company or other institutional lender or a mortgage granted by the Declarant to a purchaser of a Unit or in which the Declarant participates with one of the above.

In addition to the Board's right to bring an action to foreclose a lien on a Unit Owner's Unit, the Board (on behalf of the Unit Owners) shall have the right to bring suit to recover a money judgment for unpaid Common Charges at the option of the Board, without foreclosing or waiving the lien securing such charges. In such an event, the Condominium shall be entitled to recover all cost of suit including reasonable attorneys' fees.

Every Unit Owner shall pay the Common Charges assessed against the Unit Owner when due as determined by the Board of Managers and no Unit Owner may be exempt from liability for the payment of the Common Charges assessed against the Unit Owner by waiver of the use or enjoyment of any of the Common Elements or by the abandonment of a Unit. However, no Unit Owner shall be liable for the payment of any

Common Charges accruing subsequent to a sale, transfer or other conveyance by the Unit Owner of such Unit made in accordance with Section 339-x of the Real Property Law or in accordance with the provisions of this Declaration and the By-Laws.

FOURTEENTH: UNITS ACQUIRED BY THE BOARD. In the event any Unit Owner shall convey their Unit to the Board of Managers in accordance with Section 339-x of the Real Property Law or in the event the Board of Managers shall purchase any Unit at a foreclosure sale in accordance with Article IX of the By-Laws, title to such or the rights to the lease of such Unit shall be held by the Board of Managers or its designee on behalf of all of the other Unit Owners.

FIFTEENTH: POWER OF ATTORNEY. In order to carry out the provisions of Article Thirteenth of the Declaration and Article XI of the By-Laws, each Unit Owner shall, upon becoming such, grant an irrevocable power of attorney, coupled with an interest to the Board of Managers and their successors to acquire title or lease any such Unit acquired by the Board of Managers under whatever terms the Board may in its sole discretion deem proper and to sell, lease, sublease, mortgage, vote or otherwise deal with such Unit under such terms as the Board in its sole discretion shall deem proper. Each Unit Owner shall upon becoming a Unit Owner further grant an irrevocable power of attorney, coupled with an interest to the Board of Managers to nominate, designate, constitute and appoint the members of the Board of Managers of the Condominium and their successors, jointly, their true and lawful attorneys-in-fact, coupled with an interest, with power of substitution, in their name and on their behalf, the right to act in their behalf to take any and all action necessary against any tenant(s) that may be residing in a Unit Owner's Condominium Unit including but not limited to, the right to seek an eviction in a court of law for failure to adhere to any of the provisions of the Declaration of Condominium, By-Laws and/or Rules and Regulations of the Condominium.

SIXTEENTH: ENCROACHMENTS. The Unit Owners agree that if any portion of a Unit or the Common Elements (whether restricted in use to an individual Unit Owner or not) encroaches upon another or shall hereinafter encroach upon another as a result of original construction or settling of the Building, a valid easement for the encroachment and the maintenance of the same, so long as it stands, shall and does exist. In the event the Building is partially or totally destroyed as a result of fire or other casualty or as a result of condemnation or eminent domain proceedings and is rebuilt, the Unit Owners agree that encroachments of any portion of the Unit or the Common Elements as aforedescribed due to construction, shall be permitted, and that a valid easement for said encroachment and the maintenance thereof shall exist so long as the Building or reconstructed Building shall stand.

SEVENTEENTH: UNIT OWNERSHIP. Upon the closing of title to a Unit, a purchaser shall automatically become a Unit Owner in the Condominium and shall remain such until such time as the Unit Owner ceases to own the Unit for any reason. Occupancy of the Residential Units shall be restricted to residential occupancy in accordance with the applicable zoning regulations of the municipality having jurisdiction over the Condominium. Occupancy of the Commercial Unit shall be restricted to Commercial

occupancy in accordance with the applicable zoning regulations of the municipality having jurisdiction over the Condominium.

EIGHTEENTH: USE OF UNITS.

A. Residential Units shall be restricted to residential occupancy in accordance with the applicable zoning regulations of the municipality having jurisdiction over the Community.

B. The Commercial Units shall be restricted in use, in accordance with the applicable zoning regulations of the municipality having jurisdiction over the Condominium including without limitation, to Commercial related uses.

C. Parking Garage Unit may be used only for the purpose of parking automobiles and other permitted vehicles. In no event shall Parking Garage Unit be enclosed or converted into additional residential living or storage space.

NINETEENTH: CONVEYANCE OF A UNIT. In any conveyance of a Unit, either by voluntary instrument, operation of law or judicial proceeding in accordance with this Declaration or the By-Laws, the Grantee of the Unit shall be jointly and severally liable with the Grantor for any unpaid Common Charges against the latter assessed and due up to the time of the grant or conveyance without prejudice to the Grantee's right to recover from the Grantor the amounts paid by the Grantee therefor. Any such Grantee shall be entitled to a statement from the Board of Managers setting forth the amount of the unpaid Common Charge against the Grantor and such Grantee shall not be liable for, nor shall the Unit conveyed be subject to a lien for any unpaid Common Charge against the Grantor in excess of the amount set forth in such statement. Grantee as used herein shall not include either the holder of an institutional mortgage of record or other purchaser of a Unit at a foreclosure sale of an institutional mortgage.

TWENTIETH: COVENANT OF FURTHER ASSURANCES. Any party subject to the terms of this Declaration, whether such party is a Unit Owner, a lessee or sublessee of a Unit Owner, or the occupant of a portion of a Unit, a Member of the Board of Managers, an officer of the Condominium, or otherwise, shall, at the expense of any such other party requesting the same, execute, acknowledge and deliver to such other party such instruments, in addition to those specifically provided for herein, and take such other action, as such other party may reasonably request to effectuate the provisions of this Declaration or of any transaction contemplated herein or to confirm or perfect any right to be created or transferred hereunder or pursuant to any such transaction.

If any Unit Owner or any other party subject to the terms of this Declaration fails to execute, acknowledge or deliver any instrument, or fails or refuses, within ten (10) days after request thereof, to take any action which the Unit Owner or such other party is required to take pursuant to this Declaration, then the Board of Managers is hereby

authorized as attorney-in-fact for such Unit Owner or other party, coupled with an interest, to execute, acknowledge and deliver such instrument, or to take such action, in the name of such Unit Owner, or other party and such document or action shall be binding on such Unit Owner or other party.

If any Unit Owner or the Board of Managers or any other party who is subject to the terms of this Declaration fails or refuses to execute, acknowledge or deliver any instrument, or fails or refuses within ten (10) days after request therefor, to take any action that the Board of Managers, any Unit Owner, or other party is required to take pursuant to this Declaration at the request of Declarant or Declarant's designee, then Declarant or Declarant's designee, as the case may be, is hereby authorized as attorney-in-fact for the Board of Managers, such Unit Owner, or other party, which power shall be deemed to be coupled with an interest, to execute, acknowledge and deliver such instrument, or to take such action, in the name of the Board of Managers, such Unit Owner, or other party, and such document or action shall be binding on the Board of Managers, such Unit Owner, or other party, as the case may be.

Each Unit Owner will have the affirmative duty to maintain its respective Unit in such a manner so as to reasonably prevent and avoid inflicting harm to other Units, the Limited Common Elements, however described, the General Common Elements or the Building. In the event any Unit Owner causes or permits any condition, or fails to take any action to prevent a condition, that has a deleterious effect on another Unit, any Limited Common Element, the General Common Elements or the Building, the Condominium Board will give written notice to such Unit Owner including a request that the Unit Owner take specific steps to ameliorate such a condition ("Remedy Notice"). If the Unit Owner fails to remedy the condition within seven (7) days of the receipt of the Remedy Notice, or, if the condition is such that it cannot be remedied within seven (7) days, fails to commence appropriate remedies, the Condominium Board may, upon ten (10) business days additional notice to the Unit Owner, enter into the Unit and effect a reasonable remedy, at the Unit Owner's sole cost and expense. In the event a Unit Owner reasonably believes another Unit Owner has caused, permitted, or failed to prevent a condition that has a deleterious effect on its Unit, the first Unit Owner may request that the Board of Managers send a Remedy Notice. If the Board of Managers fails or otherwise determines not to send the Remedy Notice, the Unit Owner will have all rights to enjoin, abate or remedy by appropriate legal proceedings against the other Unit Owner or the Board of Managers, either at law or in equity, the continuance of any such condition or breach and to seek reimbursement for any costs or expenses incurred in connection therewith.

The Board of Managers will not promulgate and/or enforce any rules or regulations, or otherwise act, in a discriminatory manner.

TWENTY-FIRST: COVENANTS AND RESTRICTIONS. The use of the Unit by the Unit Owner or other occupant shall be subject to the rules, regulations and provisions of this Declaration, the By-Laws and Rules and Regulations of the Board of Managers and the following covenants and restrictions:

(a) The Residential Unit and area restricted to the Residential Unit Owner's use shall be maintained in good repair and overall appearance.

(b) No alteration, addition, decoration or change to any part of the Common Elements may be made and no structure or other improvement may be built or placed on any portion of the Common Elements or Limited Common Elements or any portion of the Condominium which affects two (2) or more Units, without the written consent of the Board of Managers. The provisions of this paragraph shall not apply to Declarant.

(c) No Residential Unit Owner shall make any structural addition, alteration or improvement (of either a temporary or permanent nature) in or to their Residential Unit, any Limited Common Element or any portion of the Condominium which affects two (2) or more Residential Units, without the prior written approval of the Board of Managers. In addition, no Residential Unit Owner may alter or remove any interior wall without written approval of the Board of Managers. The Board of Managers shall have the obligation to answer any written request by a Residential Unit Owner for approval of a proposed structural addition, alteration or improvement in such Residential Unit Owner's Residential Unit within forty-five (45) days after such request is received, and failure to do so within the stipulated time shall constitute a denial by the Board of Managers of the proposed structural addition, alteration or improvement. No Residential Unit Owner shall make any structural addition, alteration or improvement in or to any Residential Unit or any Limited Common Element without first (1) obtaining and maintaining during the course of such work such insurance as the Board of Managers may reasonably prescribe and providing the Board with a certificate of insurance prior to the commencement of the work, (2) executing and delivering to the Board of Managers an agreement, in form and substance reasonably satisfactory to the Board, setting forth the reasonable terms and conditions under which such alteration, addition or improvement may be made, including, without limitation, the days and hours during which any such work may be done, (3) executing and delivering to the Board of Managers an agreement indemnifying and holding harmless the Board, its members and officers, and all Residential Unit Owners of the Condominium from and against any liability, cost or expense arising out of or connected to such work and (4) obtaining all approvals, as necessary, from the City of New York or any other governmental agency. In the event the Board of Managers chooses to have the proposed structural addition, alteration or improvement reviewed by an independent architect or engineer, the Residential Unit Owner shall pay the charges of such architect or engineer. The Residential Unit Owner shall also bear the cost of any increased taxes or insurance premiums resulting from the structural alterations, additions or improvements.

Any application to any department of the City of New York or any other governmental authority for a permit to make a structural addition, alteration or improvement in or to any Residential Unit or Limited Common Element shall be completed by the Residential Unit Owner and executed by the Board of Managers only, without however, incurring any liability on the part of the Board of Managers or any of them to any contractor, subcontractor or materialmen on account of such structural addition, alteration or improvement or to any person having any claim for injury to person or damage to property arising therefrom.

In the event a Residential Unit Owner violates this provision of the Declaration, the Board of Managers, in addition to all remedies it may have under this Declaration and the By-Laws, may institute legal action against the Residential Unit Owner for the enforcement of this provision. In such an event the Residential Unit Owner shall be responsible for the payment of reasonable attorney's fees of the Condominium, plus interest and costs of suit, as well as all costs associated with remedying the violation.

These provisions shall not apply to Residential Units owned by the Declarant or its designee until such Residential Units shall have been initially conveyed by the Declarant or such designee.

(d) Any interior alterations or improvements made to a Residential Unit shall be made in accordance with all applicable rules, regulations, permits and zoning ordinances of any governmental agencies having jurisdiction thereof.

(e) The Commercial Unit Owner shall be permitted to make a structural addition, alteration or improvement (of either a temporary or permanent nature) in or to their Commercial Unit, or any Limited Common Element for their exclusive use, without the prior written approval of the Board of Managers. However, the Commercial Unit Owners must notify the Board of Managers at least forty-five (45) days prior to any such structural addition, alteration or improvement and the Commercial Unit Owners shall not make any structural addition, alteration or improvement in or to any Commercial Unit or any Limited Common Element for its exclusive use without first (1) obtaining and maintaining during the course of such work such insurance as the Board of Managers may reasonably prescribe and providing the Board with a certificate of insurance prior to the commencement of the work, (2) executing and delivering to the Board of Managers an agreement, in form and substance reasonably satisfactory to the Board, setting forth the reasonable terms and conditions under which such alteration, addition or improvement may be made, including, without limitation, the days and hours during which any such work may be done, (3) executing and delivering to the Board of Managers an agreement indemnifying and holding harmless the Board, its members and officers, and all Unit Owners of the

Condominium from and against any liability, cost or expense arising out of or connected to such work and (4) obtaining all approvals, as necessary, from the City of New York, Queens County or any other governmental agency. In the event the Board of Managers chooses to have the proposed structural addition, alteration or improvement reviewed by an independent architect or engineer, the Commercial Unit Owners shall pay the charges of such architect or engineer. The Commercial Unit Owners shall also bear the cost of any increased taxes or insurance premiums resulting from the structural alterations, additions or improvements.

Any application to any department of the City of New York or any other governmental authority for a permit to make a structural addition, alteration or improvement in or to any Commercial Unit or Limited Common Element for its exclusive use shall be completed by the Commercial Unit Owner and executed by the Board of Managers only, without however, incurring any liability on the part of the Board of Managers or any of them to any contractor, subcontractor or materialmen on account of such structural addition, alteration or improvement or to any person having any claim for injury to person or damage to property arising therefrom.

Any interior alterations or improvements made to a Unit shall be made in accordance with all applicable rules, regulations, permits and zoning ordinances of any governmental agencies having jurisdiction thereof.

(f) Any Unit Owner who mortgages their Unit shall notify the Board of Managers providing the name and address of the mortgagee.

(g) The Board of Managers shall, at the request of the mortgagee of the Unit, report any unpaid Common Charges due from the Unit Owner of such Unit.

(h) No nuisances shall be allowed upon the property nor shall any use or practice be allowed which is a source of annoyance to residents or which interferes with the peaceful possession and proper use of the property by its residents.

(i) No immoral, improper, offensive or unlawful use shall be made of the property nor any part thereof and all valid laws, zoning ordinances and regulations of all governmental bodies having jurisdiction thereof shall be observed.

(j) Regulations promulgated by the Board of Managers concerning the use of the property shall be observed by the Unit Owners, provided, however, that copies of such regulations are furnished to each Unit Owner prior to the time the said regulations become effective.

(k) Parking Garage Unit may be used only for the purpose of parking

automobiles and other permitted vehicles. In no event shall Parking Garage Unit be enclosed or converted into additional residential living or storage space.

(l) The Common Charges shall be paid when due.

TWENTY-SECOND: FIRST LIEN HOLDERS' RIGHTS

(a) Notices of Action. A holder, insurer or guarantor of a first mortgage, upon written request to the Condominium, (such request to state the name and address or such holder, insurer or guarantor and the Unit number), shall be entitled to timely written notice of:

(1) Any proposed amendment of the Condominium instruments effecting a change in (i) the boundaries of any Unit or the exclusive easement rights appertaining thereto, (ii) the interest in the general or Limited Common Elements appertaining to any Unit or the liability for common expenses appertaining thereto, (iii) the number of votes in the Condominium appertaining to any Unit or (iv) the purposes to which any Unit or the Common Elements are restricted;

(2) Any proposed termination of the Condominium regime;

(3) Any condemnation loss or any casualty loss which affects a material portion of the Condominium or which affects any Unit on which there is a first mortgage held, insured or guaranteed by such eligible holder;

(4) Any delinquency in the payment of assessments or charges owed by a Unit Owner of a Unit subject to the mortgage of such eligible holder, insurer or guarantor, which such delinquency has continued for a period of sixty (60) days; and

(5) Any lapse, cancellation or material modification of any insurance policy maintained by the Condominium.

(b) Other Provisions for First Lien Holders. To the extent permitted under applicable law, the following protections for the benefit of first mortgage holders will be legally binding with respect to the Condominium:

(1) Any restoration or repair of the Condominium after a partial condemnation or damage due to an insurable hazard shall be substantially in accordance with the Declaration and the original plans and specifications unless the approval of the eligible holders of first mortgages on Units to which at least fifty-one (51%) percent

of the votes of Units subject to mortgages held by such eligible holders are allocated, is obtained;

(2) Any election to terminate the Condominium regime after substantial destruction or a substantial taking in condemnation of the Condominium property must require the approval of the eligible holders of first mortgages on Units to which at least fifty-one (51%) percent of the votes of Units subject to mortgages held by such eligible holders are allocated; and

(3) Unless the formula for reallocation of interests in the Common Elements after a partial condemnation or partial destruction of the Condominium project is fixed in advance by the Declaration or by applicable law, no reallocation of interests in the Common Elements resulting from a partial condemnation or partial destruction of the Condominium project may be effected without the approval of the eligible holders of first mortgages on Units to which at least eighty (80%) percent of the votes of Units subject to mortgages held by such eligible holders are allocated.

As used in this section, the term "eligible holder, insurer or guarantor" shall mean a holder, insurer or guarantor of a first mortgage on a Unit in a Condominium which has requested notice in accordance with the provisions of (a) above.

TWENTY-THIRD: SPECIAL RIGHTS OF DECLARANT.

Notwithstanding anything to the contrary contained herein Declarant, its successors, assigns or designees shall have the right, without requiring the consent of either the Condominium or Board of Managers, and without charge or limitation, to:

(a) have its employees, contractors, subcontractors and sales agents present on the properties described in Exhibit "A" and any Building erected thereon;

(b) erect and maintain signs and other promotional materials (including, without limitation, "For Sale", and "For Rent" signs), in connection with the promotion, sale, leasing, management, or operation of the Units;

(c) use any one or more Units as;

(i) model Units,
(ii) offices for the promotion, sale, rental, management and/or operation of any unsold Units,
(iii) offices in connection with any installation, construction, modification, alteration, renovation, maintenance, repair, restoration, replacement, or change being performed, or to be performed, by, or on behalf of, Declarant with respect to the Common Elements and/or the Units; or any unsold Units; and/or

(iv) for any other purpose;

(d) do and cause to be done all of the things that are necessary, desirable or appropriate (including, without limitation, the use of the Common Elements, the Units and any unsold Units) for the purpose of:

(i) the promotion, sale, rental, management and/or operation of any unsold Units,

(ii) the performance and completion of installation, construction, modification, alteration, renovation, maintenance, repair, restoration, replacement, or change being performed, or to be performed, by, or on behalf of, Declarant with respect to the Common Elements and/or

(iii) the exercise performance and discharge of Declarant's other rights and obligations under this Declaration, the By-Laws or the rules and regulations;

(e) make any other changes required by the City of New York or other Municipal Agency.

In no event, however, shall Declarant or such designee be entitled to use any portion of the Common Elements in such a manner as will unreasonably interfere with the use of the same or of any Unit for its permitted purposes.

The provisions of this Article Twenty-Second may not be amended without the written consent of the Declarant, or its successors or assigns.

TWENTY-FOURTH: INVALIDITY. Invalidation of any of the covenants, limitations or provisions of the Declaration by judgment or court order shall in no wise affect any of the remaining part or parts hereof, and the same shall continue in full force and effect.

Section 4. Definitions. The definitions contained in the Declaration of Condominium shall be applicable to these By-Laws unless otherwise indicated.

ARTICLE II. CONDOMINIUM, VOTING, QUORUM, PROXIES AND WAIVERS

Section 1. Condominium. The Condominium shall be limited to Unit Owners.

Section 2. Voting. Each Unit Owner (including the Sponsor and the Board of Managers, if the Sponsor or the Board of Managers shall then own or hold title to one or more Units) shall be entitled to cast one vote for each .01% (rounded off to the nearest .01%) of Common Interest attributable to its Unit or Units (including, without limitation, for each Board member to be elected) in proportion to the Common Interest of all Units unless otherwise mandated by law or expressly provided for in the Declaration of Condominium (the "Declaration"). In the event the Board of Managers acquires a Unit on behalf of the Condominium it shall not cast any of its votes appurtenant to such Unit, for the election of any Member of the Board. "Sponsor" as referred to in these By-Laws

shall mean the Declarants who executed the Declaration and any successor in interest, assignee, of such Declarant's rights or designee of such Declarant.

Section 3. Quorum. So many Unit Owners as shall represent at least fifty-one (51%) percent of the total authorized votes of all Unit Owners present in person or represented by written proxy shall constitute a quorum at all meetings of the Unit Owners for the transaction of business, except as otherwise provided by Statute, by the Declaration, or by these By-Laws. If, however, such quorum shall not be present or represented at any meeting of the Unit Owners, the Unit Owners entitled to vote thereat, present in person or represented by written proxy, shall have the power to adjourn the meeting from time to time, without notice other than announcement at the meeting. At such adjourned meeting so many Unit Owners as shall represent at least thirty-three and one-third (33⅓%) percent of the total authorized votes of all Unit Owners shall constitute a quorum. At such adjourned meeting any business may be transacted which might have been transacted at the meeting originally called. If, however, such quorum shall not be present or represented at any meeting of the Unit Owners, the Unit Owners entitled to vote thereat, present in person or represented by written proxy, shall have power to adjourn the meeting from time to time, without notice other than announcement at the meeting. At such adjourned meeting so many Unit Owners as shall represent at least twenty-five (25%) percent of the total authorized votes of all Unit Owners shall constitute a quorum. Any business may be transacted which might have been transacted at the meeting originally called.

Section 4. Vote Required to Transact Business. When a quorum is present at any meeting, the vote of a majority of the Unit Owners present in person or represented by written proxy shall decide any question brought before such meeting and such vote shall be binding upon all Unit Owners, unless the question is one upon which, by express provisions of the Declaration, Statute, or of these By-Laws, a different vote is required, in which case such express provisions shall govern and control the decision of such question.

Section 5. Right to Vote. At any meeting of Unit Owners, every Unit Owner having the right to vote shall be entitled to vote in person, or by proxy. Such proxy shall only be valid for such meeting or subsequent adjourned meetings thereof.

Section 6. Proxies. All proxies shall be in writing and shall be filed with the Secretary prior to the meeting at which the same are to be used. A notation of such proxies shall be made in the minutes of the meeting.

Section 7. Waiver and Consent. Whenever the vote of Unit Owners at a meeting is required or permitted by any provision of the Declaration, Statutes or of these By-Laws to be taken in connection with any action of the Condominium, the meeting and vote of Unit Owners may be dispensed with if all Unit Owners who would have been entitled to vote upon the action if such meeting were held, shall consent in writing to such action being taken.

Section 8. Place of Meetings. Meetings shall be held at such suitable place convenient to the Unit Owners as may be designated by the Board of Managers.

Section 9. Annual Meetings Control of Board of Managers by Sponsor. The initial Board of Managers will call for the first annual meeting of the Unit Owners to elect a new Board of Managers within one (1) year of the closing of the first Residential Unit. At such meeting, Members of the Board of Managers shall be elected by the Unit Owners, other than the Members of the Board the Sponsor shall have the right to designate, and the former Members of the Board shall thereupon resign. Thereafter annual meetings shall be held on the anniversary of such date each succeeding year or such other convenient date as the Board of Managers may so designate. At such meetings there shall be elected by ballot of the Unit Owners a Board of Managers in accordance with the requirements of Article III of these By-Laws. The Unit Owners may also transact such other business of the Condominium as may properly come before them. The Sponsor will have voting control and may designate a majority of the Board of Managers for a period ending (i) three (3) years from date of the closing of the first Residential Unit, or (ii) thirty (30) days after the closing of seventy-five (75%) percent of all Residential Units in the Condominium, whichever occurs sooner/earlier. Thereafter, the Sponsor shall retain the right to designate one (1) of the five (5) Members of the Board of Managers, which are available to be elected by the Residential Unit Owners, until such time as Sponsor no longer owns a Residential Unit. At such time as Sponsor no longer owns a Residential Unit in the Condominium, Sponsor may not hold a seat on the Board of Managers, unless said seat is associated with Sponsors ownership of a Commercial Unit.

Section 10. Special Meetings. It shall be the duty of the President to call a special meeting of the Condominium, if so directed by the Board of Managers, or upon the presentation to the Secretary of a petition signed by a majority of the Residential Unit Owners. The secretary shall cause a notice of such special meeting stating the time, place and object thereof and the officer or other person or persons by whom the meeting is called, to be delivered personally or mailed as provided in Section 11 of this Article to each Unit Owner of the Condominium entitled to vote at such meeting not less than ten (10) nor more than thirty (30) days before such meeting. The date of the special meeting shall be determined by the Board of Managers and shall be held no later than sixty (60) days from receipt of any written request pursuant to this Section 10 unless a later date is agreed to in writing by the Unit Owners of the Condominium or the Board of Managers, requesting such meeting. No business other than that stated in such notice shall be transacted at such special meeting unless all Unit Owners of the Condominium are present in person or by proxy. Any or all of the Board of Managers of the Condominium, other than those designated by the Declarant may be removed without cause by vote of the Members at a special meeting called pursuant to this section if the meeting is called for such purpose.

Section 11. Notice of Meetings. It shall be the duty of the Secretary to mail a notice of each annual or special meeting, stating the purpose thereof as well as the time and place where it is to be held, to each Unit Owner of record, at least ten (10) but not

ARTICLE III. BOARD OF MANAGERS

Section 1. Number and Term. The affairs of the Condominium shall be governed by a Board of Managers. The first Board of Managers shall consist of three (3) Members designated by the Sponsor who shall hold office and exercise all powers of the Board of Managers until the first annual meeting of the Unit Owners. Until succeeded by the Members elected at the first annual meeting of Unit Owners, Members need not be Unit Owners; thereafter, all Members, other than designees or nominees of the Sponsor, shall be Unit Owners. The Members shall be elected or designated at the annual meeting of the Unit Owners.

At the first annual meeting of Unit Owners called pursuant to Section 9 of Article II a total of seven (7) Members shall be elected or designated. One (1) member shall be elected/appointed collectively by the Commercial Unit Owners, one (1) member shall be elected/appointed by the Parking Garage Unit Owner, and five (5) members shall be elected by the Residential Unit Owners. The term of office of three (3) of the Members shall be fixed for three (3) years, the term of office of two (2) of the Members shall be fixed at two (2) years, and the term of office of two (2) of the Members shall be fixed at one (1) year. The term of office of the Commercial Unit members shall be fixed at three (3) years. Separate ballots shall be conducted for each of the three terms of office. Each Residential Unit Owner (including the Sponsor and the Board of Managers, if the Sponsor or the Board of Managers shall then own or hold title to one or more Units) shall be entitled to cast one vote for each .01% (rounded off to the nearest .01%) of Common Interest attributable to its Unit or Units, for each Residential Board Member to be elected, in proportion to the Common Interest of all Units unless otherwise mandated by law or expressly provided for in the Declaration. Each Commercial Unit Owner (including the Sponsor and the Board of Managers, if the Sponsor or the Board of Managers shall then own or hold title to one or more Units) shall be entitled to cast one vote for each .01% (rounded off to the nearest .01%) of Common Interest attributable to

its Unit or Units, for the Commercial Unit Board Members to be elected, in proportion to the Common Interest of all Units unless otherwise mandated by law or expressly provided for in the Declaration, if not appointed. The one nominee(s) on each of the ballots, as the case may be, receiving the highest number of votes on their ballot shall constitute the duly elected Board of Managers. At the expiration of the initial term of office of each respective Member, the Member's successor shall be elected to serve a term of three (3) years. The Members shall hold office until their successors have been elected and hold their first meeting.

Notwithstanding the foregoing, the Sponsor will have voting control and may designate a majority of the Board of Managers for a period ending (i) three (3) years from date of the closing of the first Residential Unit, or (ii) thirty (30) days after the closing of seventy-five (75%) percent of all Residential Units in the Condominium, whichever occurs sooner/earlier. Thereafter, the Sponsor shall retain the right to designate three (3) Members of the Board of Managers until such time as Sponsor no longer owns a Unit.

This Section may not be amended without the written consent of Sponsor.

Section 2. Vacancy and Replacement. If the office of any Member or Members becomes vacant by reasons of death, resignation, retirements, disqualification, removal from office or otherwise, a majority of the remaining Members, though less than a quorum, at a special meeting of Members duly called for this purpose, shall choose a successor or successors, who shall hold office for the unexpired term in respect to which such vacancy occurred. The Board of Managers shall also have the right to call for a special meeting in accordance with Article II, Section 10 to elect the Member's successor to fill the unexpired portion of the term of office. In the event of the failure to hold any election of the Board of Managers at the time designated for the annual election of the Board of Managers or in the event that the Board of Managers shall not have filled any such vacancy, a special meeting of the Unit Owners to elect a new Board of Managers or to fill such vacancy or vacancies may be called in the manner generally provided for the calling of special meetings of the Unit Owners. If the vacancy occurs with respect to any member of the Board of Managers who has been elected by the Commercial Unit Owners, only the Commercial Unit Owners shall have the right to choose such Manager's successor to fill the unexpired portion of the term of office. If the vacancy occurs with respect to any member of the Board of Managers who has been elected by the Residential Unit Owners, only the Residential Unit Owner's remaining member(s) on the Board of Managers shall have the right to choose such Manager's successor to fill the unexpired portion of the term of office. If the vacancy occurs with respect to any Member of the first Board of Managers (see Section 4 of this Article III) or any other Member who has been designated by the Sponsor and the Sponsor still retains ownership of at least one (1) Residential Unit, the Sponsor shall have the sole right to choose such Member's successor to fill the unexpired portion of the term.

Section 3. Removal. Members may be removed for cause by an affirmative vote of a majority of the Unit Owners. No Member, other than a Commercial Unit Member, a Member of the first Board of Managers or a designee of the Sponsor, shall continue to serve on the Board if, during their term of office, they shall cease to be a Unit Owner. In the event a Sponsor designee is removed for cause and the Sponsor still retains ownership of at least one (1) Residential Unit, the Sponsor shall have the sole right to designate a replacement.

Section 4. Resignation. Any Member may resign at any time by written notice delivered in person or sent by certified registered mail to the President or Secretary of the Condominium. Such resignation shall take effect at the time specified therein. Acceptance of such resignation shall not be necessary to make it effective.

Section 5. First Board of Managers. The first Board of Managers shall consist of Eric Chong, Meng Hua Wang and Alex Lu who shall hold office and exercise all powers of the Board of Managers until the first annual meeting of Unit Owners. The Sponsor has the right to substitute or change any or all of said representatives of the first Board of Managers. Any or all of said Members shall be subject to replacement in the event of resignation or death in the manner set forth in Section 2 of this Article.

Section 6. Powers.

(a) The property and business of the Condominium shall be managed by its Board of Managers, which may exercise all such powers of the Condominium and do all such lawful acts and things as are not by Statute or by the Declaration or by these By-Laws, directed or required to be exercised or done by the Unit Owners personally. These powers shall specifically include, but not be limited to, the following items:

1. To determine and levy monthly assessments ("Common Charges") to cover the cost of Common Expenses, payable in advance. The Board of Managers may increase the monthly assessments or vote a special assessment in excess of annual Common Charges, if required, to meet any additional necessary expenses, but said increases can only be assessed among all the Unit Owners pro-rata according to their respective percentage of Common Interest.

2. To collect, use, and expend the Common Charges collected to maintain, care for and preserve the Units, the Building, and other Common Elements;

3. To open bank accounts on behalf of the Condominium and to designate the signatories to such bank accounts;

4. To make repairs, restore or alter any Unit or the Common Elements after damage or destruction by fire or other casualty or as a result of condemnation or eminent domain proceedings;

5. To enter into and upon the Units when necessary and at as little inconvenience to the Unit Owners as possible in connection with the maintenance, care and preservation of the property. No notice is required to gain access for repairs. Any repairs required as the result of negligence of the Unit Owner will be at the expense of the Unit Owner;

6. To insure and keep insured the General Common Elements, Limited Common Elements and the Units. A Unit Owner may secure supplemental coverage for the Unit and its contents and the liability coverage for the Unit;

7. To collect delinquent Common Charges and special Common Charge assessments by suit or otherwise, to abate nuisances and to enjoin or seek damages from the Unit Owners of the property for violations of the house rules or rules and regulations herein referred to;

8. To make reasonable rules and regulations applicable to the Common Elements of Units and Unit Owners and to amend the same from time to time, and such rules and regulations and amendments shall be binding upon the Unit Owners when the Board has approved them in writing. A copy of such rules and all amendments shall be delivered to each Residential Unit;

9. To employ and terminate the employment of employees and independent contractors and to purchase supplies and equipment, to enter into contracts, and generally to have the powers of a manager in connection with the matters hereinabove set forth;

10. To bring and defend actions by or against more than one Residential Unit Owner and pertinent to the operation of the Condominium and to levy special Common Charge assessments to pay for the cost of such litigation;

11. To acquire a Unit in foreclosure or as a result of abandonment and to take any or all steps necessary to repair or renovate any Unit so acquired and to vote as a Unit Owner, offer such Unit for sale or lease or take any other steps regarding such Unit as shall be deemed proper by the Board of Managers;

12. To make additions, alternations, or improvements to the General Common Elements of the Condominium and those portions of the Condominium which are included in the description of an individual Unit but which service two (2) or more Units in the Condominium;

13. To borrow money on behalf of the Condominium when required in connection with the financing of the Superintendent's Unit, Parking Space Units and the operation, care upkeep and maintenance of the General Common Elements, provided, however, that no lien to secure repayment of any sum borrowed may be created on any Unit or its appurtenant interest in the Common Elements without the written consent of the Owners of said Unit.

14. Pursuant to Section 339-y (4) of the New York Real Property Law, the Board of Managers may (but is not obligated to) act as an agent for one or more Unit Owners who have given their written authorization to file a single complaint and bring a special proceeding on behalf of Unit Owners who wish to contest the real estate tax assessments of their Units. In such event, the Board could retain counsel on behalf of such Unit Owners and charge each Unit Owner for whom it is acting a pro rata share of expenses, disbursements and legal fees, the payment for which would be secured by a lien on each Unit;

15. To make payment for the real estate taxes assessed to the Building until the Units are separately assessed for taxes and to collect a reasonable adjustment for same from the individual Unit Owners.

16. To grant utility or other easements over or to the Common Elements as may, at any time, be required for the benefit of the Condominium and the Unit Owners without the necessity of the consent thereto, or joinder therein, by the Unit Owners or any mortgagee (except that if the granting of such easement impairs the ability of one (1) or more Unit Owners who have the right to use such Common Elements to the exclusion of any other Unit Owners, the consent of all such affected Unit Owners shall be required in writing before such easement shall be granted); and

17. To impose reasonable fines upon Unit Owners for violating the rules and regulations of the Community, as contained in these By-Laws or as promulgated by the By-Laws.

(b) The Board of Managers may, by resolution or resolutions passed by a majority of the whole Board, designate one or more committees, each of such committees to include at least one (1) Member which, to the extent provided in said resolution or resolutions, shall have and may exercise the powers of the Board of Managers in the management of the business affairs of the Condominium and may have power to sign all papers which may be required, provided the said resolutions shall specifically so provide. Such committee or committees shall have such name or names as may be determined from time to time by resolution adopted by the Board of Managers. Committees established by resolution of the Board of Managers shall keep regular minutes of their proceedings and shall report the same to the Board as required.

(c) Notwithstanding anything to the contrary contained in these By-Laws, for a period ending not more than five (5) years after the closing of title to the first Residential Unit or whenever the unsold Residential Units constitute less than twenty-five (25%) percent of the Common Interest, whichever is sooner, the Board of Managers, may not, without the Sponsor's prior written consent: (i) make an addition, alteration or improvement to the Common Elements or to any Unit, costing cumulatively more than $25,000, the foregoing not to include necessary repairs and maintenance work, or (ii) assess any Common Charges for the creation of, addition to, or replacement of all or part of a reserve, contingency or surplus fund, in excess of the reserve for contingencies contained in the Condominium budget for the first year of operation, (iii) hire any employee in addition to the employees referred to in the Plan of Condominium ownership, or (iv) enter into any service or maintenance contract for work not covered by contracts in existence on the date of closing of the first Residential Unit, or (v) borrow money on behalf of the Condominium, (vi) reduce the services or maintenance set forth in the Condominium budget for the first year of operation, or (vii) charge any special Common Charge assessment for a non-budgeted item unless required by law, municipal agency, emergency or for the health and safety of the Condominium; or (viii) increase the Common Charges of the Condominium more than ten (10%) percent from the prior year's budget, unless documentation is provided to the Sponsor in the nature of a financial statement, bids from contractors or verified increases in utility rates, evidencing the need for an increase greater than ten (10%) percent, or (ix) utilize Condominium funds or assess the Sponsor in order to commence a lawsuit against the Sponsor or any of its principals.

(d) Notwithstanding Article III, Section 6(c) of these By-Laws Sponsor may not exercise veto power over expenses described in the proposed first year budget, as described in the Offering Plan, or over expenses required:

(i) to comply with applicable laws or regulations; or

(ii) to remedy any notice of violation; or

(iii) to remedy any matter regarding the health and safety of the occupants of the Building; or

(iv) to remedy any work order by an insurer.

(e) Sponsor may exercise veto power over expenses, other than those described in Article III, Sections 6(c) and (d) of the By-Laws, for a period ending not more than five (5) years after the closing of the first Residential Unit or whenever the unsold Residential Units constitute less than twenty-five (25%) percent of the common interest, whichever is sooner.

The provisions of this paragraph may not be amended without the written consent of Sponsor.

Section 7. Repairs and Maintenance. All maintenance, repairs and replacements to the Common Elements including but not limited to exterior walls of the Building, windows, roof and roof members, as well as all maintenance, repairs and replacements to any pipes, wires, conduits and public utility lines, any portion of which is located in one Unit and services another Unit or more than one (1) Unit or so much of any pipes (including sewer and water pipes), wires, conduits and public utility lines as are located in the Common Elements but serve one or more Units shall be made by the Board of Managers and the cost thereof shall be a Common Charge payable by all Unit Owners. The Board of Managers shall repair all plumbing stoppages and electrical repairs occurring in the Common Elements.

All maintenance (including electrical and plumbing repairs in the Units and painting and decorating of the inside of the Units), repairs and replacements to the Units including windows (including all glass breakage), doors, windows and doors which open from a Unit (except painting and maintenance of the exterior surface which is performed by the Board of Managers on behalf of the Condominium), and repairs to any heating (boiler)/air conditioning/hot water system servicing a Unit, pipes, wires and conduits located within or without the same Unit other than as set forth above shall be made by the respective Unit Owners at their own expense.

All general maintenance, repairs and replacements to a balcony or terrace that is a Limited Common Element, including cleaning, snow removal and all repairs not structural in nature, including the repair of leaks and the repair or replacement of the balcony or terrace surface shall be the responsibility of the Residential Unit Owner whose balcony or terrace is appurtenant to their Residential Unit and is a Limited Common Element of their Residential Unit. No Residential Unit Owner shall make any addition, alteration or improvement (of either a temporary or permanent nature) of a structural nature in or to any Limited Common Element, without the prior written approval of the Board of Managers. Any repair or replacement to any Limited Common Element by a Residential Unit Owner, if permitted, shall conform to the requirements contained in Article Eighteenth (2) of the Declaration of Condominium. The balconies and terraces are not permitted to be used for storage and are not permitted to be enclosed. The Board of Managers on behalf of the Condominium shall repair and replace any public utility lines located underground or overhead of any Limited Common Element except where such repair or replacement is necessitated because of the negligence or misuse or neglect of the Unit Owner to which the Common Element is

restricted in use, in which event such Unit Owner shall make such repairs or replacements at their own expense.

The Board of Managers and their agents, employees and contractors shall have the right of access to any Unit for the purpose of making any repairs or replacements to any of the General Common Elements and Limited Common Elements contained therein or elsewhere in the Condominium or to remedy any condition which would result in damage to any other Unit or the General Common Elements or Limited Common Elements, or which would violate the provisions of any mortgage covering another Unit or for the purpose of complying with any laws, orders, rules or regulations of any governmental body having jurisdiction thereof or for the purpose of carrying out any of its obligations under the By-Laws or the Declaration of the Condominium. Such right of access shall be exercised in such manner as will not unreasonably interfere with the use of the Residential Units but no prior notice shall be required in the event the Board of Managers shall determine that action is immediately necessary for the preservation or safety of the Condominium or its property, or the Units, or for the safety of Condominium residents or other persons, or required to avoid the suspension of any necessary service to the Condominium.

All replacements, repairs, painting or maintenance, whether made by the Unit Owner or by the Board of Managers to the doors, windows, or the exterior surface of a Unit, including roofs, or to any generally visible portion of the Common Elements shall be carried out in such a manner so as to conform to the materials, style and color initially provided by the Sponsor and shall comply with the requirements of Article Twentieth (c) of the Declaration of Condominium.

In the event that a Unit Owner fails to perform any maintenance or repair which maintenance or repair is necessary to protect any of the Common Elements or any other Unit, the Board of Managers shall have the right to make such maintenance or repair (after the failure of the Unit Owner to do so after ten (10) days written notice, or written or oral notice of a shorter duration in the event of any emergency situation) and to charge the Unit Owner for the cost of all such repairs and/or maintenance. In the event that the Board of Managers charges a Unit Owner for repairs or maintenance to Unit Owner's Unit or for repairs to any Common Element restricted in use to such Unit Owner, and the Unit Owner fails to make prompt payment, the Board of Managers shall be entitled to bring suit thereon and, in such event, the Unit Owner shall be liable for the reasonable Attorneys' fees and costs of such suit or proceeding together with interest on all sums due.

Section 8. Compensation. Members and officers, as such, shall receive no compensation for their services.

Section 9. Meetings.

(a) The first meeting of each Board newly elected by the Unit Owners shall be held immediately upon adjournment of the meeting at which they were

elected, provided a quorum shall then be present, or as soon thereafter as may be practicable. The annual meeting of the Board of Managers shall be held at the same place as the Unit Owners meetings, and immediately after the adjournment of same, at which time the dates, places and times of regularly scheduled meetings of the Board shall take place.

(b) Regularly scheduled meetings of the Board may be held without special notice.

(c) Special meetings of the Board may be called by the President on two (2) days notice to each Member either personally or by mail or telegram. Special meetings shall be called by the President or Secretary in a like manner and on like notice on the written request of at least two (2) Members.

(d) At all meetings of the Board, a majority of the Members shall be necessary and sufficient to constitute a quorum for the transaction of business, and an act of the majority of the Members present at any meeting at which there is a quorum shall be the act of the Board of Managers, except as may be otherwise specifically provided by statute or by the Declaration or by these By-Laws. If a quorum shall not be present at any meetings of Members, the Members present thereat may adjourn the meeting from time to time, without notice other than announcement at the meeting, until a quorum shall be present.

(e) Before or at any meeting of the Board of Managers, any Member may, in writing, waive notice of such meeting and such waiver shall be deemed equivalent to the giving of such notice. Attendance by a Member at any meeting of the Board shall be a waiver of notice by him of the time and place thereof. If all the Members are present at any meeting of the Board, no notice shall be required and any business may be transacted at such meeting.

(f) Members of the Board may participate in a meeting by means of a conference telephone call or similar communications equipment by means of which all persons participating in such meeting can hear each other and such participation shall constitute presence at such meeting.

Section 10. Annual Statement. The Board of Managers shall furnish to all Unit Owners and their mortgagees and shall present annually (at the annual meeting, but in no event later than four (4) months after the close of the fiscal year) and when called for by a vote of the Unit Owners at any special meeting of the Unit Owners, a full and clear statement of the business conditions and affairs of the Condominium, including a balance sheet and profit and loss statement verified by an independent public accountant and a statement regarding any taxable income attributable to the Unit Owner and a notice of the holding of the annual Unit Owners meeting.

Section 11. Fidelity Bonds. The Board of Managers shall require that all officers and employees of the Condominium handling or responsible for Condominium funds shall furnish adequate fidelity bonds. The premiums on such bonds shall be a common expense.

Section 12. Management Agent. The Board of Managers may employ for the Condominium a management agent under a term contract or otherwise at a compensation established by the Board, to perform such duties and services as the Board shall authorize, including, but not limited to, all of the delegable duties of the Board listed in this Article.

Section 13. Liability of the Board of Managers, Officers and Unit Owners. No Member of the Board of Managers or officer of the Condominium shall have any personal liability to the Condominium or to any Unit Owner for damages for any breach of duty in his or her capacity as a Member of the Board or officer, provided that this provision does not eliminate or limit the liability of a Member of the Board or officer if a judgment or other final adjudication adverse to him or her establishes (a) that his or her acts or omissions were in bad faith or involved intentional misconduct or a knowing violation of law, or (b) that he or she personally gained in fact a financial profit or other advantage to which he or she was not legally entitled.

The Condominium, through the Unit Owners, shall indemnify to the fullest extent permitted by law any person made, or threatened to be made, a party to an action or proceeding, whether civil or criminal, including an action by or in the right of the Condominium to procure a judgment in its favor or an action other than one by or in the right of the Condominium and including an action by or in the right of any corporation of any type or kind, domestic or foreign, or any partnership, joint venture, trust, employee benefit plan or other enterprise, which any Member of the Board or officer of the Condominium served in any capacity at the request of the Condominium, by reason of the fact that he, his testator or intestate, was a Member of the Board or officer of the joint venture, trust, employee benefit plan or other enterprise in any capacity; provided that no indemnification may be made to or on behalf of any Member of the Board or officer if a judgment establishes that his or her acts were committed in bad faith or were the result of active and deliberate dishonesty and were material to the cause of action so adjudicated, or that he or she personally gained in fact a financial profit or the advantage to which he or she was not legally entitled.

The Unit Owners shall indemnify and hold harmless each of the Members of the Board of Managers against all contractual liability to others arising out of contracts made by the Board of Managers on behalf of the Condominium unless any such contract shall have been made in bad faith or contrary to the provision of the Declaration or of these By-Laws. It is intended that the Members of the Board of Managers shall have no personal liability with respect to any contract made by them on behalf of the Condominium (except as Unit Owners). It is understood and permissible for the original Board of Managers, who may be members of or be employed by the Sponsor, to contract with the Sponsor and affiliated corporations and entities without

incurring any liability for self-dealing. It is also intended that the liability of any Unit Owner arising out of any contract made by the Board of Managers or out of the aforesaid indemnity in favor of the Member of the Board of Managers shall be limited to such proportion of the total liability thereunder as his or her interest in the Common Elements bears to the interest of all the Unit Owners in the Common Elements. Every agreement made by the Board of Managers or by the managing agent or by the manager on behalf of the Condominium shall provide that the Members of the Board of Managers, or the managing agent, or the manager, as the case may be, are acting only as agent for the Unit Owners and shall have no personal liability thereunder (except as Unit Owners).

Each Unit Owner's liability pursuant to this Section shall be limited to such proportion of the total liability thereunder as his or her interest in the Common Elements bears to the interest of all Unit Owners in the Common Elements.

ARTICLE IV. OFFICERS

Section 1. Elective Officers. The officers of the Condominium shall be chosen by the Board of Managers and shall be a President, a Vice President, a Secretary and a Treasurer. The Board of Managers may also choose one (1) or more Assistant Secretaries and Assistant Treasurers and such other officers as in their judgment may be necessary. All officers must be Unit Owners, Members of the first Board of Managers or designated Members of the Board of Managers of the Sponsor. Two (2) or more offices may be held by the same person, except that the President may only hold the office of President.

Section 2. Election. The Board of Managers at its first meeting after each annual Unit Owners Meeting shall elect a President, a Vice-President, a Secretary and a Treasurer. Only the President must be a member of the Board.

Section 3. Appointive Officers. The Board may appoint such other officers and agents as it shall deem necessary who shall hold their offices for such terms and shall exercise such powers and perform such duties as shall be determined from time to time by the Board.

Section 4. Term. The officers shall hold office until their successors are chosen and qualify in their stead. Any officer elected or appointed by the Board of Managers may be removed with or without cause, at any time, by the affirmative vote of a majority of the whole Board of Managers. If the office of any officer becomes vacant for any reason, the vacancy shall be filled by the Board of Managers.

Section 5. The President. The President shall be the chief executive officer of the Condominium; the President shall preside at all meetings of the Unit Owners and Members, the President shall be an ex-officio member of all standing committees, shall have general and active management of the business of the Condominium, shall see that all orders and resolutions of the Board are carried into effect and shall have such

other powers and duties as are usually vested in the office of President of a stock corporation organized under the Business Corporation of the State of New York.

Section 6. The Vice-President. The Vice President shall take the place of the President and perform the President's duties whenever the President shall be absent or unable to act and shall have such other powers and duties as are usually vested in the office of Vice President of a stock corporation organized under the Business Corporation Law of the State of New York.

Section 7. The Secretary. The Secretary and/or Assistant Secretary shall attend all sessions of the Board and all Unit Owners meetings and record all votes and the minutes of all proceedings in a book to be kept for that purpose and shall perform like duties for the standing committees when required. The Secretary shall give, or cause to be given, notice of all Unit Owners meetings and special meetings of the Board of Managers, and shall perform such other duties as may be prescribed by the Board of Managers or by the President, under whose supervision the Secretary shall be.

Section 8. The Treasurer. The Treasurer shall have the custody of the Condominium funds and securities and shall keep full and accurate chronological accounts of receipts and disbursements in books belonging to the Condominium including the vouchers for such disbursements, and shall deposit all monies and other valuable effects in the name and to the credit of the Condominium in such depositories as may be designated by the Board of Managers.

The Treasurer shall disburse the funds of the Condominium as may be ordered by the Board, making proper vouchers for such disbursements and shall render to the President and Members, at the regular meeting of the Board or whenever they may require it, an account of all transactions as Treasurer and of the financial condition of the Condominium.

The Treasurer shall keep detailed financial records and books of account of the Condominium, including a separate account for each Unit which, among other things, shall contain the amount of each assessment of Common Charges against such Unit, the date when due, the amounts paid thereon and the balance remaining unpaid.

Section 9. Agreements, etc. All agreements and other instruments shall be executed by the President or such other person as may be designated by the Board of Managers.

ARTICLE V. NOTICES

Section 1. Definition. Whenever under the provisions of the Declaration or of these By-Laws, notice is required to be given to the Board of Managers, any Member or Unit Owner, it shall not be construed to mean personal notice; but such notice may be given in writing, by mail, by depositing the same in a post office or letter box in a

postpaid sealed wrapper, addressed to the Board of Managers, such Member or Unit Owner at such address as appears on the books of the Condominium.

Section 2. Service of Notice-Waiver. Whenever any notice is required to be given under the provisions of the Declaration, or of these By-Laws, a waiver thereof, in writing, signed by the person or persons entitled to such notice, whether before or after the time stated therein, shall be deemed the equivalent thereof.

ARTICLE VI. FINANCES

Section 1. Checks. All checks or demands for money and notes of the Condominium shall be signed by the President and Treasurer, or by such other officer or officers or such other person or persons as the Board of Managers may from time to time designate.

Section 2. Assessments. The Board of Managers shall, from time to time, but at least annually, fix and determine the budget representing the sum or sums necessary and adequate for the continued operation of the Condominium and shall send a copy of the budget and supplement to the budget to every Unit Owner and mortgagee. They shall determine the total amount required, including the operational items such as insurance, repairs, reserves, betterments, maintenance of the Common Elements and other operating expenses as well as charges to cover any deficits from prior years.

The total annual requirements shall be assessed as a single sum against all Units and prorated against each of said Units according to the respective Common Interest appurtenant to such Units. This proration of assessments shall remain constant regardless of the percentage of the building square footage included in each Unit or the Common Elements restricted to the use of the Unit Owner of said Unit.

Said assessments shall be payable monthly or such other manner as ordered by the Board of Managers and shall be referred to as Common Charges. Special Common Charge assessments, should such be required, shall be levied and paid in the same manner as herein above provided for regular assessments.

The Unit Owner agrees to pay promptly when due the monthly Common Charges and all special Common Charge assessments assessed against the Unit Owner's own Unit. In the event any Unit Owner fails to make payment of the Unit Owner's Common Charge payment, the Unit Owner who owns such Unit shall be obligated to pay (a) a "late charge" of $.15 for each $1.00 of such amounts which remain unpaid for more than ten (10) days from their due date (although nothing herein shall be deemed to extend the period within which such amounts are to be paid) and (b) interest at the rate of two (2%) percent per month (but in no event in excess of the maximum rate theretofore collected on such amounts) computed from the due date thereof, and (c) all expenses, including, without limitation, attorneys' fees paid or incurred by the Board or by any managing agent in any proceeding brought to collect such unpaid Common Charges or in an action to foreclose the lien on such Unit Owner's Unit arising from said unpaid

Common Charges in the manner permitted by applicable law. All such "late charges," interest and expenses shall be added to and shall constitute Common Charges payable by such Unit Owner.

In addition, in the event of a default in payment of Common Charge assessments by any Unit Owner, the Board, at its sole option, may declare the Common Charge assessment on said Unit Owner's Unit for the balance of the fiscal year immediately due and payable. Prior to making any such declaration following a default the Board shall send notice to the delinquent Unit Owner and the mortgagee, if any, of such Unit giving the Unit Owner a five (5) day grace period in which to make the late payment.

The Board may take action to collect any Common Charges due from any Unit Owner which remains unpaid ninety (90) days from its due date by way of foreclosure of the lien on such Unit in accordance with Section 339 of the Real Property Law or otherwise. During the period of time the Sponsor retains a majority of the seats of the Board of Managers, the Sponsor will cause the Board of Managers to file a lien as provided for in Section 339-aa of the Real Property Law on Units in which Sponsor is more than thirty (30) days in arrears of Common Charges.

No Unit Owner shall be liable for any Common Charges, which accrue against the Unit Owner's Unit subsequent to a sale, transfer or other conveyance of the Unit by the Unit Owner in accordance with these By-Laws and the Declaration. A purchaser of a Unit shall be liable for the payment of all future Common Charges assessed against the Unit as well as unpaid Common Charges assessed against the Unit at the time of the purchase. However, where a holder of an institutional mortgage of record, or other purchaser of a Unit at a foreclosure sale of an institutional mortgage, obtains title to the Unit as a result of foreclosure, or the institutional mortgage holder obtains title by conveyance in lieu of foreclosure, such acquiree of title, its successors or assigns, shall not be liable and the Unit shall not be subject to a lien for the payment of Common Charges chargeable to such Unit which were assessed and became due prior to the acquisition of title to such Unit by such acquiree. In such event, the unpaid balance of Common Charges will be charged to all other Unit Owners as a Common Expense. The term "institutional mortgage" herein used shall mean a first mortgage granted by a bank, savings and loan association, life insurance company, pension fund, trust company or other institutional lender or a mortgage granted by the Declarant to a purchaser of a Unit or in which the Declarant participates with one of the above.

Section 3. Purpose of Common Charges. The Common Charges shall be used to pay for the Common Expenses of the Condominium including but not limited to repair and maintenance of the General Common Elements, including all sewer and drainage pipes for the Building; insurance; common utilities; labor; common water and sewer charges; legal and accounting; services and supplies; management fees; contingencies; reserve fund and any other expenses that are Common Expenses of the Condominium.

Section 4. Foreclosures of Liens for Unpaid Common Charges. The Board shall have the power to purchase any Unit at a foreclosure sale resulting from any action brought by the Board to foreclose a lien on the Unit because of unpaid Common Charges. In the event of such purchase, the Board shall have the power to hold, lease, mortgage, vote, sell or otherwise deal with the Unit. A suit to recover a money judgment for unpaid Common Charges shall also be obtainable separately without waiving the lien on the Unit. In either event the Unit Owner shall be liable for all costs of suit, including reasonable attorneys' fees.

Section 5. Statement of Common Charges. Upon the written request of any Unit Owner or their mortgagee, the Board shall promptly furnish such Unit Owner or their mortgagee with a written statement of the unpaid Common Charges due from such Unit Owner.

Section 6. Liability for Utilities. Any utility, including gas and electricity, consumed and individually metered in a Unit shall be an expense of each individual Unit Owner.

Section 7. Operating Account. There shall be established and maintained a cash deposit account to be known as the "Operating Account," into which shall be deposited the operating portion of all monthly and special assessments as fixed and determined for all Units. Disbursements from said account shall be for the general need of the operation including, but not limited to, wages, repairs, betterments, maintenance and other operating expenses of the Common Elements and for the purchase, lease, sale or other expenses resulting from the purchase or lease of Units.

Section 8. Other Accounts. The Board shall maintain any other accounts it shall deem necessary to carry out its purpose.

Section 9. Determination of Common Expenses and Fixing of Common Charges. The Board of Managers shall from time to time, and at least annually, prepare a budget for the operation of the General Common Elements and Common Expenses of the Condominium, determine the amount of the Common Charges payable by the Unit Owners to meet the Common Expenses of the General Common Elements and other expenses for, and allocate and assess such Common Charges and Common Expenses among all the Unit Owners in proportion to their respective Common Interests in the Condominium as reflected in Schedule A of the Declaration of Condominium.

The Common Expenses of the Condominium shall include, among other things, the cost of all insurance premiums on all policies of insurance required to be or which have been obtained by the Board of Managers pursuant to the provisions of Article VIII and the fees and disbursements of the Insurance Trustee. The Common Expenses may also include such amounts as the Board of Managers may deem proper for the operation and maintenance of the General Common Elements including, without limitation, an amount for working capital of the Condominium, for a general operating reserve, for a reserve fund for replacements, and to make up any deficit in the Common

Expenses for any prior year. The Common Expenses may also include such amounts as may be required for the purchase or lease by the Board of Managers or its designee, corporate or otherwise, on behalf of all Unit Owners, of any Unit whose Owner has elected to sell or lease such Unit or of any Unit which is to be sold at a foreclosure or other judicial sale.

The Board of Managers shall advise all Unit Owners promptly, in writing, of the amount of Common Charges and Expenses payable by each of them, respectively, as determined by the Board of Managers, as aforesaid, and shall furnish copies of each budget on which such Common Charges and expenses are based, to all Unit Owners pursuant to the provisions of Article III, Section 10 of these By-Laws.

The Sponsor or its designee shall be responsible for the Common Charges assessed against each Unit owned by it until such Unit it sold to a bona fide purchaser.

ARTICLE VII. INSURANCE AND INSURANCE TRUSTEE

Section 1. Insurance to be Carried by the Board. The Board of Managers shall be required to obtain and maintain, to the extent obtainable from generally acceptable insurance carriers, the following insurance: blanket property insurance, liability insurance as provided below, flood insurance (if applicable), fidelity bond coverage and worker's compensation, insuring all of the Common Elements, Limited Common Elements and the Units in the Building in the Condominium (except land, foundations, excavation and other items normally excluded from coverage) including fixtures, to the extent they are part of the Common Elements of the Condominium, building service equipment and supplies, and other common personal property belonging to the Condominium. In addition, any fixtures, equipment or other property within the Units which are to be financed by a mortgage (regardless of whether or not such property is part of the Common Elements, but not including wall, ceiling or floor decoration, furniture, furnishings or other personal property supplied or installed by the Unit Owners), contained therein, covering the interest of the Condominium, the Board of Managers and all Unit Owners and their mortgagees, as their interest may appear, in an amount equal to the full replacement value of the Building, exclusive of land, foundation, excavation and other items normally excluded from coverage. Each of such policies shall be in favor of the Condominium, and shall contain a New York standard mortgagee clause in favor of each mortgagee of a Unit which shall provide that the loss, if any, thereunder shall be payable to such mortgagee as its interest may appear, subject, however, to the loss payment provisions in favor of the Board of Managers and the Insurance Trustee as defined below, hereinafter set forth; and such other insurance as the Board of Managers may determine. All such policies shall provide that adjustment of loss shall be made by the Board of Managers with the approval of the Insurance Trustee as defined below, and that the net proceeds thereof, if $40,000 or less, shall be payable to the Board of Managers, and if more than $40,000 shall be payable to the Insurance Trustee. Each Unit Owner and each Unit Owner's mortgagee, if any, shall be beneficiaries of the policy in the percentage of common ownership applicable to said Unit.

The fire insurance will commence with the Closing of Title to the first Unit in an amount as required by the mortgagee of such Unit and such amount will be increased upon the Closing of Title to all Units. Until the first meeting of the Board of Managers following the first Unit Owners meeting, such amount shall be at least in the sum as provided for in the estimated first year budget contained in the Offering Plan upon completion of the Building.

All policies of physical damage insurance shall contain waivers of subrogation and of any reduction of pro rata liability of the insurer as a result of any insurance carried by Unit Owners or of the invalidity arising from any acts of the insured or any Unit Owners, and shall provide that such policies may not be canceled or substantially modified without at least ten (10) days prior written notice to all of the insured, including all mortgagees of a Unit. Duplicate originals of all policies of physical damage insurance and of all renewals thereof together with proof of payment of premiums, shall be delivered to all mortgagees of a Unit at least ten (10) days prior to expiration of then current policies. Prior to obtaining any policy of fire insurance or any renewal thereof, the Board of Managers shall obtain an appraisal from a fire insurance company or otherwise of the full replacement value of the Building, including all of the Common Elements appurtenant thereto for the purpose of determining the amount of fire insurance to be effected pursuant to this Section.

All policies must also provide for the following: recognition of any, Insurance Trust Agreement; a waiver of the right of subrogation against Unit Owners individually; that the insurance is not prejudiced by any act or neglect of individual Unit Owners which is not in the control of such Unit Owners collectively; and that the policy is primary in the event the Unit Owner has other insurance covering the same loss. All policies shall include the standard form of a "Special Condominium Endorsement" or its equivalent. All policies shall include an "Agreed Amount Endorsement" and, if available, an "Inflation Guard Endorsement".

The Board of Managers shall also be required to obtain and maintain, to the extent obtainable, public liability insurance in such limits as the Board of Managers may from time to time determine, covering the Common Elements, each Member and Officer of the Board of Managers, the managing agent and each Unit Owner. Such public liability coverage shall also cover cross liability claims of one insured against another. Until the first meeting of the Board of Managers following the first annual Unit Owners meeting, such public liability insurance shall be a minimum of $1,000,000 covering all claims for bodily injury, deaths and property damage arising out of one occurrence in connection with the operation, maintenance or use of the Common Elements, and legal liability arising out of lawsuits related to employment contracts of the Condominium. Such policies must provide that they may not be cancelled or substantially modified, by any party, without at least ten (10) days' prior written notice to the Condominium and to each holder of a first mortgage on any Unit in the Condominium which in listed as a scheduled holder of a first mortgage in the insurance policy. Such coverage may also include protection against such other risks as are customarily covered with respect to condominiums similar in construction, location and use, including, but not limited to,

host liquor liability, employers liability insurance, contractual and all-written contract insurance, and comprehensive automobile liability insurance. Such public liability insurance shall commence on the closing of title to the first Unit.

In addition to the above, blanket fidelity bonds shall be required to be maintained by the Condominium for all officers, directors and employees of the Condominium and all other persons handling or responsible for, funds of or administered by the Condominium. In the event a management agent has the responsibility for handling or administering funds of the Condominium, the management agent shall be required to maintain fidelity bond coverage for its officers, employees and agents handling or responsible for funds of, or administered on behalf of the Condominium. Such fidelity bonds shall name the Condominium as an obligee and shall not be less than the estimated maximum of funds, including reserve funds, in the custody of the Condominium or the management agent, as the case may be, at any given time during the term of each bond. In no event may the aggregate amount of such bonds be less than a sum equal to three (3) months aggregate assessments on all units plus reserve funds. The bonds shall contain waivers by the issuers of the bonds of all defenses based upon the exclusion of persons serving without compensation from the definition of "employees", or similar terms or expressions. The premiums on all bonds required herein, except those maintained by the management agent, shall be paid by the Condominium as a Common Expense. The bonds shall provide that they may not be cancelled or substantially modified (including cancellation for non-payment of premium) without at least ten (10) days' prior written notice to the Condominium or Insurance Trustee. Such bonds shall also provide that, if applicable, the Federal National Mortgage Association ("FNMA") and servicers on behalf of FNMA, shall also receive such notice of cancellation or modification.

Unit Owners shall not be prohibited from carrying other insurance for their own benefit provided that such policies contain waivers of subrogation and further provided that the liability of the carriers issuing insurance procured by the Board of Managers shall not be affected or diminished by reason of any such additional insurance carried by any Unit Owner.

Section 2. The Insurance Trustee. The Board of Managers on behalf of the Condominium, shall name an authorized representative, including any trustee with whom the Condominium may enter into any Insurance Trust Agreement or any successor to such trustee (each of whom shall be referred to herein as the "Insurance Trustee") who shall have exclusive authority to negotiate losses under any policy providing such property or liability insurance and to perform such other functions as are necessary to accomplish this purpose subject to the adjustment of loss provision contained in the first paragraph of this Section 1 of Article VII. The Insurance Trustee shall be a bank or trust company located in the State of New York, designated by the Board of Managers and costs associated with the Insurance Trustee shall constitute a Common Expense of the Condominium. In the event the Insurance Trustee resigns or fails to qualify, the Board of Managers shall designate a new Insurance Trustee which

shall be a bank or trust company located in the State of New York. The Insurance Trustee shall have a capital, surplus and undivided profits of $50,000 or more.

Section 3. Restoration or Reconstruction After Fire or Other Casualty. In the event of damage to or destruction of the Building as a result of fire or other casualty (unless seventy-five (75%) percent or more of the Units are destroyed or substantially damaged and seventy-five (75%) percent or more of the Unit Owners do not duly and promptly resolve to proceed with repair or restoration), the Board of Managers shall arrange for the prompt repair and restoration of the Buildings (including any damaged Units, and any kitchen or bathroom fixtures initially installed therein by the Sponsor, any heating, air conditioning or other service machinery which is covered by insurance but not including any wall, ceiling or door decorations or coverings or other furniture, furnishings, fixtures or equipment installed by Unit Owners in the Units), and the Board of Managers or the Insurance Trustee, as the case may be, shall disburse the proceeds of all insurance policies to the contractors engaged in such repair and restoration in appropriate progress payments. Any cost of such repair and restoration in excess of the insurance proceeds shall constitute a Common Expense and the Board of Managers may assess all the Unit Owners for such deficit as part of the Common Charges.

If seventy-five (75%) percent or more of the Units are destroyed or substantially damaged and seventy-five (75%) percent or more of the Unit Owners do not duly and promptly resolve to proceed with repair or restoration, the Property shall be subject to an action for partition at the suit of any Unit Owner or lienor, as if owned in common in which event the net proceeds of sale, together with the net proceed of insurance policies (or if there shall have been a repair or restoration pursuant to the first paragraph of this Section 3, and the amount of insurance proceeds shall have exceeded the cost of such repair or restoration then the excess of such insurance proceeds) shall be divided by the Board of Managers or the Insurance Trustee, as the case may be, among all the Unit Owners in proportion to their respective Common Interests, after first paying out of the share of each Unit Owner the amount of any unpaid liens on his Unit, in the order of the priority of such liens.

ARTICLE VIII. HOUSE RULES

Section 1. General. In addition to the other provisions of these By-Laws, the following house rules and regulations together with such additional rules and regulations as may hereafter be adopted by the Board of Managers shall govern the use of the Units and the conduct of all residents and occupants thereof:

Section 2. Rules and Regulations Applicable to all Unit Owners.

(a) Use

(i) All Residential Units shall be used for residential purposes only. All rentals, other than rentals by the Sponsor, must be subject to local

zoning ordinances and must comply with the requirements contained in these By-Laws under Article XI, Section 2.

(ii) The Commercial Units may be used for any lawful use permitted by the applicable zoning laws of the City of New York. The Board of Managers will not have any right to restrict or limit the method of operation, use or appearance of the Commercial Units unless it affects the General Common Elements, General Residential Units' Limited Common Elements or the structural integrity of the Building and/or is a violation of any municipal or state code or statute. No rules affecting the operation of the Commercial Units may be adopted or modified by the Board of Managers without the consent of the Commercial Unit Owners.

(b) Owners, members of their families, their employees, guests and their pets, if permitted, shall not use or permit the use of the premises in any manner which would be illegal or disturbing or a nuisance to other said Owners, or in such a way as to be injurious to the reputation of the Condominium.

(c) The Common Elements shall not be obstructed, littered, defaced or misused in any manner.

(d) Every Unit Owner must perform promptly all maintenance and repair work to their own Unit and any Limited Common Element for the Unit Owner's exclusive use which, if omitted, would affect the Condominium in its entirety or in a part belonging to other Unit Owners, or the Building of which the Unit forms apart, the Unit Owner being expressly responsible for the damages and liabilities that the failure to do so may engender.

(e) All the repairs to internal installations of the Unit located in and servicing only that Unit, such as telephones and sanitary installations shall be at the Unit Owner's expense.

(f) Structural Changes

(i) No alteration, addition or change to any part of the General Common Elements or General Residential Units' Limited Common Elements may be made and no structure or other improvement (including landscaping) may be built or placed on any portion of the Common Elements or Limited Common Elements without the written consent of the Board of Managers.

(ii) No Residential Unit Owner shall make any structural addition, alteration or improvement (of either a temporary or permanent nature) in or to their Residential Unit, or any Limited Common Element for its exclusive use, without the prior written approval of the Board of Managers. In addition, no structural addition,

alteration or improvement to any balcony or terrace (including the roof terrace), which is a Limited Common Element shall be permitted unless required as a part of the general maintenance, repair or replacement of said balcony or terrace. The Board of Managers shall have the obligation to answer any written request by a Residential Unit Owner for approval of a proposed structural addition, alteration or improvement in such Residential Unit Owner's Residential Unit within forty-five (45) days after such request is received, and failure to do so within the stipulated time shall constitute a denial by the Board of Managers of the proposed structural addition, alteration or improvement. No Residential Unit Owner shall make any structural addition, alteration or improvement in or to any Residential Unit or any Limited Common Element without first (1) obtaining and maintaining during the course of such work such insurance as the Board of Managers may reasonably prescribe and providing the Board with a certificate of insurance prior to the commencement of the work, (2) executing and delivering to the Board of Managers an agreement, in form and substance reasonably satisfactory to the Board, setting forth the reasonable terms and conditions under which such alteration, addition or improvement may be made, including, without limitation, the days and hours during which any such work may be done, (3) executing and delivering to the Board of Managers an agreement indemnifying and holding harmless the Board, its members and officers, and all Unit Owners of the Condominium from and against any liability, cost or expense arising out of or connected to such work, and (4) obtaining all approvals, as necessary, from the City of New York or any other governmental agency. In the event the Board of Managers chooses to have the proposed structural addition, alteration or improvement reviewed by an independent architect or engineer, the Residential Unit Owner shall pay the charges of such architect or engineer. The Residential Unit Owner shall also bear the cost of any increased taxes or insurance premiums resulting from the structural alterations, additions or improvements.

Any application to any department of the City of New York or any other governmental authority for a permit to make a structural addition, alteration or improvement in or to any Residential Unit or Limited Common Element for its exclusive use shall be completed by the Residential Unit Owner and executed by the Board of Managers only, without however, incurring any liability on the part of the Board of Managers or any of them to any contractor, subcontractor or materialmen on account of such structural addition, alteration or improvement or to any person having any claim for injury to person or damage to property arising therefrom.

These provisions shall not apply to Residential Units owned by the Sponsor or its designee until such Residential Units shall have been initially conveyed by the Sponsor or such designee.

(iii) The Commercial Unit Owners shall be permitted to make a structural addition, alteration or improvement (of either a temporary or permanent nature) in or to their Commercial Unit, or any Limited Common Element for its exclusive use, without the prior written approval of the Board of Managers. However, the Commercial Unit Owner must notify the Board of Managers at least forty-five (45) days prior to any such structural addition, alteration or improvement and no Commercial Unit Owner shall make any structural addition, alteration or improvement in or to any Commercial Unit or any Limited Common Element for its exclusive use without first (1) obtaining and maintaining during the course of such work such insurance as the Board of Managers may reasonably prescribe and providing the Board with a certificate of insurance prior to the commencement of the work, (2) executing and delivering to the Board of Managers an agreement, in form and substance reasonably satisfactory to the Board, setting forth the reasonable terms and conditions under which such alteration, addition or improvement may be made, including, without limitation, the days and hours during which any such work may be done, (3) executing and delivering to the Board of Managers an agreement indemnifying and holding harmless the Board, its members and officers, and all Unit Owners of the Condominium from and against any liability, cost or expense arising out of or connected to such work and (4) obtaining all approvals, as necessary, from the City of New York or any other governmental agency. In the event the Board of Managers chooses to have the proposed structural addition, alteration or improvement reviewed by an independent architect or engineer, the Commercial Unit Owner shall pay the charges of such architect or engineer. The Commercial Unit Owner shall also bear the cost of any increased taxes or insurance premiums resulting from the structural alterations, additions or improvements.

Any application to any department of the City of New York or any other governmental authority for a permit to make a structural addition, alteration or improvement in or to any Commercial Unit or Limited Common Element for its exclusive use shall be completed by the Commercial Unit Owner and executed by the Board of Managers only, without however, incurring any liability on the part of the Board of Managers or any of them to any contractor, subcontractor or materialmen on account of such structural addition, alteration or improvement or to any person having any claim for injury to person or damage to property arising therefrom.

At the request of a Commercial Unit Owner, the Board will execute any application or other document required to be filed with any governmental agency having or asserting jurisdiction in connection with any addition, alteration, improvement, or repair of a Commercial Unit or the operation thereof. The Commercial Unit Owners shall indemnify and hold the Board and the Unit Owners harmless from any liability resulting therefrom.

The Board of Managers will not have any right to restrict or limit the method of operation, use or appearance of the Commercial Units, which are permitted by law. No rules affecting the operation of the Commercial Units may be adopted or modified by the Board of Managers without the consent of the Commercial Unit Owner(s).

(g) No resident, owner or occupant of the Condominium shall post any signs, advertisement, or posters of any kind in or on the Common Elements (General or Limited) or their Units including "For Sale" and "For Rent" signs except as authorized and approved by the Board of Managers.

(h) No clothes, sheets, blankets, laundry of any kind or other articles shall be hung out of a Unit or on any balcony or terrace or exposed on any part of the Common Elements. The General Common Elements and Limited Common Elements shall be kept free and clear of rubbish, debris and other unsightly materials. No rugs or mops shall be shaken or hung from or on any of the doors, windows, balconies or terrace, nor shall a Residential Unit Owner sweep or throw or permit to be swept or thrown therefrom any dirt or other substance.

(i) No Unit Owner shall paint the exterior surfaces of the windows, walls or doors opening out of their Unit.

(j) No television or radio antenna or any other type of receiving or transmitting antenna or structure shall be erected on the exterior of the Building without the prior written consent of the Board of Managers.

ARTICLE XI. SELLING, MORTGAGING AND LEASING UNITS

Section 1. Selling and Leasing Residential Units. Any Residential Unit may be conveyed or leased, subject to the leasing requirements contained in Section 2, subject to local zoning ordinances, by its Residential Unit Owner free of any restrictions except that no Residential Unit Owner shall convey, mortgage, pledge, hypothecate, sell or lease their Residential Unit unless and until all unpaid Common Charges assessed against the Residential Unit Owner's Residential Unit shall have been paid to the Board of Managers of the Condominium. However, such unpaid Common Charges can be paid out of the proceeds of the sale of a Residential Unit, or by the Grantee; such sale is subject to the following Restrictions on Sale:

> Purchaser covenants and agrees to retain ownership in the Residential Unit for a period of one (1) year from the date Purchaser acquired the Residential Unit, except in the case of the death of Purchaser or spouse. Any sale or lease of any Unit in violation of this section shall be voidable at the election of the Board of Managers.

The provisions of this section shall not apply to the acquisition or sale of a Unit by a first mortgagee who shall acquire title to such Unit by foreclosure or by deed in lieu of foreclosure. Such provisions shall, however, apply to any purchaser from such mortgagees.

Whenever the term "Residential Unit" is referred to in this section, it shall include the Residential Unit, the Residential Unit Owners undivided interest in the Common Elements and the Residential Unit Owners interest in any Residential Units acquired by the Board of Managers.

The Board of Managers of the Condominium shall give the tenant and the Residential Unit Owner written notice of the nature of the violation of the rules, and thirty (30) days from the mailing of the notice in which to cure the violation before the Board of Managers of the Condominium may file for eviction.

The Sponsor, its successors, assignees or designees; any mortgagee acquiring title to a Unit in a foreclosure or otherwise and the Commercial Unit Owners shall have the right to freely sell their Unit or to freely lease all or any part thereof without first having to offer the same for sale or lease to the Board of Managers as long as the lease and use by a tenant is in compliance with the permitted use of the applicable Unit under New York City zoning and occupancy requirements.

Section 3. Tenant Bound by Declaration. By becoming a tenant, each tenant agrees to be bound by the Declaration, By-Laws and the other rules and regulations of the Condominium and recognizes and accepts the right and the power of the Board of Managers of the Condominium to evict the tenant for any violation by the tenant of the above, and the other rules and regulations of the Condominium.

The Real Property Law is amended by adding a new Section 339-kk to read as follows:

"§ 339-kk. Rents. (a) For the purposes of this section, "non-occupying owner" shall mean a unit owner in a condominium association who does not occupy the dwelling unit.

(b) If a non-occupying owner rents any dwelling unit to a rental tenant and then fails to make payments due for common charges, assessments or late fees for such unit within sixty days of the expiration of any grace period after they are due, upon notice in accordance with subdivision (c) of this section, all rental payments from the tenant shall be directly payable to the condominium association.

(c) If the common charges, assessments or late fees due for any unit have not been paid in full, within sixty days after the expiration of any grace period of the earliest due date, the board of managers shall provide written notice to the tenant and the non-occupying owner providing that, commencing immediately and until such time as all payments for common charges, assessments or late fees are made current, all rental payments due subsequent to the issuance of such notice are to be made payable to the condominium association at the address listed on the notice. Where a majority of the board of managers has been elected by and from among the unit owners who are in occupancy, the board may elect not to require that rental payments be made payable to the condominium association. At such time as payments for common charges, assessments and late fees from the non-occupying owner are once again current, notice of such fact shall be given within three business days to the rental tenant and non-occupying owner. Thereafter all rental payments shall be made payable to the non-occupying owner or a designated agent. A non-occupying owner who disputes the association's claim to rental payments pursuant to this section shall be entitled to present facts supporting such owner's position at the next scheduled meeting of the board of managers, which must be held within thirty days of the date that such board receives notice that such owner seeks to dispute such claim.

(d) Nothing in this section shall limit any rights of unit owners or of the board of managers existing under any other law or agreement.

(e) Payment by a rental tenant to the condominium association made in connection with this section shall relieve that rental tenant from the obligation to pay such rent to the non-occupying owner and shall be an absolute defense in any non-payment proceeding commenced by such non-occupying owner against such tenant for such rent."

This act may be enforced by any party by means of a special proceeding brought pursuant to Article 4 of the Civil Practice Law and Rules.

Developer further acknowledges and agrees that the following are conditions precedent to Owner's granting the License:

(c) Developer shall give at least three (3) business days written notice to Owner before the exercise of any right of entry to the Owner Property pursuant to the License's commencement of the Monitoring, Excavation Work, and Temporary Protections, so that Owner may advance written notice of such work to the occupants of the Building. 6. **REPAIR OF DAMAGES**:

(a) During the performance of the Monitoring, Excavation Work, Temporary Protections and the Project, Developer shall report any new damage or exacerbation of pre-existing damage (collectively "Damage") immediately to Owner and Developer's insurance carriers. Developer shall be responsible for promptly and diligently repairing ("Repair Work"), at Developer's sole cost and expense, any and all Damage to the Building and/or Owner Property caused by the Project, the Excavation Work, and the Temporary Protections. Developer or Developer's architect, engineer, consultants, construction managers, general contractor, and subcontractors, and each of their respective contractors, subcontractors, employees, agents, and representatives (collectively, the "Developer Parties"), in connection with the Project. All Damage will be measured and determined by reference to the Preconstruction Survey and Repair Work. All such Repair Work shall be completed to the reasonable satisfaction of the Owner. The Developer will complete any required Repair Work within ten (10) days of the Owner's notice to Developer of such Physical Damages unless the Damages and/or the Repair Work are of such a nature that, even with the exercise of commercially reasonable diligence, such Repair Work cannot be completed in such ten (10) days, in which case the Developer shall have up to thirty (30) days to complete the Repair Work, provided the Developer exercises commercially reasonable diligence to complete the Repair Work as promptly as possible during such thirty (30) day period. Only in such instances where the completion of the Repair Work is contingent upon a third-party's actions, such as the Department of Buildings (e.g., an inspection), not under the control of the Developer, shall a further extension of time to complete the Repair Work be granted by Owner, provided that at all times, the Licensee exercises commercially reasonable diligence to obtain what is needed from such third-party to complete the Repair Work. Any Repair Work must be approved in advance of commencement of such work by the Owner, which approval will not be unreasonable denied, conditioned or delayed. If: (i) Developer fails to perform the Repair

Work, or to otherwise remediate any of the Physical Damage, within the time frames and/or with the diligence required above or (2) the Owner in its sole discretion determines that the Physical Damage interferes with the safe occupancy of the Owner Property or otherwise presents a risk of harm to the Owner Property, it occupants or the public or (3) the Consulting Engineer in its professional opinion determines that the Physical Damage will cause further damage unless immediately repaired, the Owner will be entitled to perform the Repair Work and invoice the Developer for its costs, expenses and fees incurred in connection with same, which invoices shall be timely paid within twenty (20) days of presentation. Should the Owner be required to commence a legal action or proceeding to recover such costs, expenses or fees, Developer will be responsible for the Owner's reasonable attorney's fees, together with interest at the statutory judgment rate, if the Owner is the prevailing party. This Paragraph 6(a) shall survive termination of this Agreement.

(b) Upon completion of the Excavation Work and Temporary Protections, Developer and Owner shall perform a Damage inspection within ten (10) days of such completion. In addition, Owner shall notify Developer of any Damage alleged to have been caused by the Developer Parties within fifteen (15) days after receiving actual notice of the same. The plans for repair work pursuant to this Section 6 shall be subject to Owner's prior review and approval in accordance with Section 3(c) of this Agreement, and subject to the terms and conditions of this Agreement, including but not limited to Section 6(a) above. Notwithstanding anything in this Section 6 to the contrary, Owner may elect, in its sole and absolute discretion, to complete any such repairs itself, in which event Developer shall reimburse Owner for its reasonable, out-of-pocket third-party costs and expenses within thirty (30) days of receipt of invoices that reasonably describe the work performed by or on behalf of Owner, provided, however, Developer approves of the work, such approval not to be unreasonably withheld, conditioned or delayed. The provisions of this Section 6 shall survive the Expiration Date.

7. **LIENS/VIOLATIONS**:

(a) If, for any reason whatsoever, one or more mechanics' liens are filed against the Owner Property and/or Building relating to the Project, the Excavation Work or Temporary Protections as a result of any labor, services, or material supplied or furnished in connection with the Project, Developer shall, at Developer's sole cost and expense, cause such mechanics' lien or liens to be discharged or bonded within thirty (30) days of such filing. If Developer fails to discharge such liens within such thirty (30)-day period, Owner may discharge or bond them and recover from Developer all its reasonable costs and expenses in connection therewith, including, but not limited to, Owner's reasonable legal fees.

(b) Developer shall take all reasonable precautions to prevent, and Developer hereby assumes all responsibility for, violations placed on the Owner Property and/or Building as a result of the Project, the Excavation Work and/or the Temporary Protections. At Developer's sole cost and expense, Developer shall promptly take action to cure any such violation(s) and promptly cause such violation(s) to be removed from record. Developer further agrees to indemnify, defend and hold Owner harmless from any liability in connection with such violation(s).

(c) The provisions of this Section 7 shall survive the Expiration Date.

8. **INDEMNITY**.

(a) To the fullest extent permitted by law, Developer shall indemnify, defend and hold harmless Owner, Owner's managing agent (currently Midwood Management Corp.), Tenant and their respective officers, directors, employees and affiliated entities and such entities from and against claims, damages, losses, judgments and expenses, including but not limited to claims for reasonable attorney's fees ("Claims"), including but limited to those Claims for bodily injury, death, or physical damage to the Owner Property resulting from Developer's, or anyone for whom the Developer is responsible, acts or willful or negligent omissions. The foregoing indemnity shall not include any damages resulting from the acts, or the willful or negligent omissions, of Owner, its agents, affiliates, employees or contractors. The provisions of this Section 8 shall survive the Expiration Date.

(b) **Reimbursement of Professional Fees.** Upon execution of this Agreement, the Developer shall pay the reasonable attorney's fees incurred by Owner in connection with the drafting and negotiation of this Agreement. Upon execution of this Agreement, Developer shall also reimburse Adjacent Owner for its reasonable engineering fees in connection with the review of the Project as it relates to the Owner Property, the Monitoring, the Excavation Work and Temporary Protections and protection plans referenced herein, and all other engineering's fees incurred to date in connection with Developer's Project. It is acknowledged that pursuant to that certain letter and email dated January 26, 2021, from Developer to Owner, Developer previously made payments of $28,232 in engineering fees and legal fees, which shall be credited against any sums due at the time of execution of this Agreement. In addition, Developer shall reimburse Owner for its continuing reasonable legal and engineering fees in connection with the ongoing review of the Adjacent Property, the Monitoring, the Excavation Work, Temporary Protections or the Project as it relates to the Owner Property, including but not limited to periodic inspections of the Owner Property and/or the Developer Property, as deemed reasonably necessary by Owner Consultant, changes to the Plans, damage to the Owner Property, breach of this Agreement by Developer and/or enforcement of Adjacent Owner's rights hereunder. For all continuing fees incurred, Adjacent Owner shall provide invoices to the Developer who shall reimburse same within ten (10) days.

(b) Developer, at its sole cost and expense, shall obtain all governmental approvals, permits and certificates (collectively and individually, "Permits") that may be required, including, but not limited to, Permits from the New York City Department of Buildings necessary for the License Work. Subject to the provisions of Section 3, Owner shall cooperate fully with Developer and its engineers and construction manager in preparing, executing and returning within a reasonable time any forms, applications or other submittals that may be required to implement the License Work, at Developer's sole cost and expense.

(c) Developer shall give at least three (3) business days written notice to Owner before the exercise of any right of entry to the Owner Property pursuant to the License's commencement of the License Work, so that Owner may advance written notice of such work to the occupants of the Building. Developer further agrees to provide Owner with a construction schedule, updated every two weeks.

6. **REPAIR OF DAMAGES**:

(a) During the performance of the License Work and the Project, Developer shall report any new damage or exacerbation of pre-existing damage (collectively "Damage") immediately to Owner and Developer's insurance carriers. Developer shall be responsible for promptly and diligently repairing ("Repair Work"), at Developer's sole cost and expense, any and all Damage to the Building and/or Owner Property caused by the Project, the Work, and the License Work. All Damage will be measured and determined by reference to the Preconstruction Survey and Repair Work. All such Repair Work shall be completed to the reasonable satisfaction of the Owner. The Developer will complete any required Repair Work within ten (10) days of the Owner's notice to Developer of such Physical Damages unless the Damages and/or the Repair Work are of such a nature that, even with the exercise of commercially reasonable diligence, such Repair Work cannot be completed in such ten (10) days, in which case the Developer shall have up to thirty (30) days to complete the Repair Work, provided the Developer exercises commercially reasonable diligence to complete the Repair Work as promptly as possible during such thirty (30) day period. Only in such instances where the completion of the Repair Work is contingent upon a third-party's actions, such as the Department of Buildings (e.g., an inspection), not under the control of the Developer, shall a further extension of time to complete the Repair Work be granted by Owner, provided that at all times, the Licensee exercises commercially reasonable diligence to obtain what is needed from such third-party to complete the Repair Work. Any Repair Work must be approved in advance of commencement of such work by the Owner, which approval will not be unreasonable denied, conditioned or delayed. If: (i) Developer fails to perform the Repair Work, or to otherwise remediate any of the Physical Damage, within the time frames and/or with the diligence required above or (2) the Owner in its sole discretion determines that the Physical Damage interferes with the safe occupancy of the Owner Property or otherwise presents a risk of harm to the Owner Property, it occupants or the public or (3) the Consulting Engineer in its professional opinion determines that the Physical Damage will cause further damage unless immediately repaired, the Owner will be entitled to perform the Repair Work and invoice the Developer for its costs, expenses and fees incurred in connection with same, which invoices shall be timely paid within twenty (20) days of presentation. Should the Owner be required to commence a legal action or proceeding to recover such costs, expenses or fees, Developer will be responsible for the Owner's reasonable attorney's fees, together with interest at the statutory judgment rate, if the Owner is the prevailing party. This Paragraph 6(a) shall survive termination of this Agreement.

(b) Upon completion of the License Work, Developer and Owner shall perform a Damage inspection within ten (10) days of such completion. In addition, Owner shall notify Developer of any Damage alleged to have been caused by the Developer Parties within fifteen (15)

days after receiving actual notice of the same. The plans for repair work pursuant to this Section 6 shall be subject to Owner's prior review and approval in accordance with Section 3(c) of this Agreement, and subject to the terms and conditions of this Agreement, including but not limited to Section 6(a) above. Notwithstanding anything in this Section 6 to the contrary, Owner may elect, in its sole and absolute discretion, to complete any such repairs itself, in which event Developer shall reimburse Owner for its reasonable, out-of-pocket third-party costs and expenses within thirty (30) days of receipt of invoices that reasonably describe the work performed by or on behalf of Owner, provided, however, Developer approves of the work, such approval not to be unreasonably withheld, conditioned or delayed. The provisions of this Section 6 shall survive the Expiration Date.

If Developer fails to discharge such liens within such thirty (30)-day period, Owner may discharge or bond them and recover from Developer all its reasonable costs and expenses in connection therewith, including, but not limited to, Owner's reasonable legal fees.

(b) Developer shall take all reasonable precautions to prevent, and Developer hereby assumes all responsibility for, violations placed on the Owner Property and/or Building as a result of the Project, the Work and/or the License Work. At Developer's sole cost and expense, Developer shall promptly take action to cure any such violation(s) and promptly cause such violation(s) to be removed from record. (c) The provisions of this Section 7 shall survive the Expiration Date.
