SEE PAGE 1 FOR SPECIAL RISKS TO PURCHASERS.

THIS OFFERING PLAN IS THE ENTIRE OFFER TO SELL THESE CONDOMINIUM UNITS. NEW YORK LAW REQUIRES THE SPONSOR TO DISCLOSE ALL MATERIAL INFORMATION IN THIS PLAN AND TO FILE THIS PLAN WITH THE NEW YORK STATE DEPARTMENT OF LAW PRIOR TO SELLING OR OFFERING TO SELL ANY CONDOMINIUM UNIT. FILING WITH THE DEPARTMENT OF LAW DOES NOT MEAN THAT THE DEPARTMENT OF LAW OR ANY OTHER GOVERNMENTAL AGENCY HAS APPROVED THIS OFFERING.

BECAUSE SPONSOR IS RETAINING THE UNCONDITIONAL RIGHT TO RENT RATHER THAN SELL UNITS AFTER THE CONSUMMATION OF THE PLAN, THIS PLAN MAY NOT RESULT IN THE CREATION OF A CONDOMINIUM IN WHICH A MAJORITY OF THE UNITS ARE OWNED BY OWNER-OCCUPANTS OR INVESTORS UNRELATED TO THE SPONSOR. OWNER-OCCUPANTS AND NON-RESIDENT OWNERS, SUCH AS SPONSOR, MAY HAVE INHERENT CONFLICTS ON THE MANAGEMENT OF THE CONDOMINIUM. (SEE SPECIAL RISKS SECTION OF THE PLAN).

PURCHASERS FOR THEIR OWN OCCUPANCY MAY NEVER GAIN CONTROL OF THE BOARD OF MANAGERS UNDER THE TERMS OF THIS PLAN (SEE SPECIAL RISKS SECTION OF THE PLAN).

A. SPECIAL RISKS

The following is a summary of certain special risk considerations in connection with the Plan. It is not intended to summarize all major features of the Plan. Prospective purchasers are urged to read the following special risk factors in conjunction with the Plan for a discussion of these and other important aspects of this condominium offering.

1. The building does not provide code compliant egress from the second and third floor residential units during a flood emergency. The building has been designed as "nonresidential for flood zone purposes" with dry-floodproofing including flood shields, but this designation as "nonresidential" is not in compliance with NYC Building Code requirements, which classifies this building as "residential for flood zone purposes" as there is no non-residential (commercial) portion of the building. A flood emergency for the purposes of this Offering Plan is defined as whenever the local governing authorities issue an evacuation order or a shelter in place order for the neighborhood in which the building is located due to the risk of flooding. The second and third floors egress though the cellar level which is below the design flood elevation and is dry floodproofed, with flood shields at the exits. As per 2014 BC G308.7.1, temporary stairs and ramps to provide elevated ingress and egress for dry floodproofed buildings shall not be permitted to serve as required means of egress for a dwelling unit. Therefore, in the case of a flood emergency, occupants of the second and third floor units are granted a right of egress through the living room areas of Units 1A, 1B, 1C and 1D on the first floor, to exit the building through the porches with access from the living rooms of those Units. Unit Owners of Units 1A, 1B, 1C and 1D must keep a path from the entrance doors of their Units to the living room door which accesses the porch unobstructed to allow emergency egress. This right of egress may only be used in the case of a flood emergency and only in a reasonable manner and will be included in the Condominium Declaration to be recorded. A reasonable manner of granting access to the first floor Units will be created, such as the installation of a combination lockbox in the hallway outside the first floor Units with keys to those Units. Sponsor has recorded a Flood Zone and Emergency Egress Restrictive Declaration which includes the restriction that all rooms and spaces within the dwelling units, and all spaces intended to be used by persons for sleeping purposes, shall be located at or above the design flood elevation and also contains the above easement. Such restrictive declaration was recorded on March 28, 2023, under CRFN 2023000076955. An inspection of the dry floodproofing system shall be conducted annually in accordance with Section 28-324.2 of the Administrative Code. A full-scale deployment inspection shall be conducted every three years in accordance with Section 28-324.3 of the Administrative Code. Please see the Architect's Report and the Flood Zone and Emergency Egress Restrictive Declaration in Part II of this Plan for more details.

2. Flood Emergency Plan: Dry floodproofing measures that require human intervention to activate or implement prior to or during a flood, including temporary stairs or ramps, shall be permitted only when all of the following conditions are satisfied:

   (i) The flood warning time (alerting potential flood victims of pending flood situation) shall be a minimum of 12 hours, unless the community operates a flood warning system and implements an emergency plan to ensure safe evacuation of flood hazard areas, in which

case human intervention is allowed only if the community can provide a minimum flood warning time equal to or longer than the cumulative:

(a) time to notify person(s) responsible for installation of floodproofing measures, plus;
(b) time for responsible persons to travel to structure to be floodproofed, plus;
(c) time to install, activate, or implement floodproofing measures, plus;
(d) time to evacuate all occupants from the flood hazard area.

(ii) All removable shields or covers for openings such as windows, doors, and other openings in walls and temporary stairs or ramps shall be designed to resist flood loads specified by code; and

(iii) Where removable shields or temporary stairs or ramps are to be used, a flood emergency plan shall be approved by the authority having jurisdiction and shall specify, at a minimum, the following information: storage location(s) of the shields and temporary stairs and ramps; the method of installation and removal; conditions activating installation and removal; maintenance of shields and attachment devices and temporary stairs and ramps; testing sump pumps and other drainage measures; and inspecting necessary material and equipment to activate or implement floodproofing. The flood emergency plan shall be permanently posted in at least two conspicuous locations within the structure.

3. Sponsor will endeavor in good faith to sell all Units. The Sponsor is reserving the unconditional right to rent Units rather than sell Units after consummation of the Offering Plan. Accordingly, there is no commitment by Sponsor to sell more than 15% of the residential Units or two (2) residential Units, which is necessary to declare the plan effective and owner-occupants may never gain effective control and management of the condominium. Notwithstanding the fact that not all purchasers used for purposes of declaring the plan effective may actually close, Sponsor must re-declare the plan effective in order to consummate the offering plan in accordance with 13 N.Y.C.R.R. § 20.1(c)(6). If all purchase agreements are either rescinded or terminated prior to the date of first Unit closing, regardless of whether the condominium declaration has been recorded, Sponsor must re-declare the offering plan effective.

As the Sponsor is reserving an unconditional right to rent Units rather than sell after consummation of the plan it may arise that a Unit for purchase will have been previously inhabited. If a buyer is purchasing a Unit that has been previously rented the buyer will purchase the property "as is" and purchaser is strongly recommended to make a thorough inspection of the Unit before closing.

The Sponsor has secured financing for the construction and completion of this Property with Columbia Bank, a federal savings bank, with an address at 19-01 Route 208, Fair Lawn, NJ 07410. The minimum release price of each Residential Unit shall be 90% of the net proceeds of sale of each unit, after deduction of the usual and customary closing expenses, including brokerage commission(s) incurred in connection with each such sale. See section "Rights and Obligation of Sponsor."

4. The Condominium Board shall consist of three (3) individuals. Sponsor shall have "voting

control" of the condominium Board for five (5) years from the First Closing of a Residential Unit under the Plan or until the Unsold Units constitute less than twenty-five percent (25%) in Common Interest of all Units, whichever is sooner ("Sponsor Control Period"). Additionally, Sponsor retains at all times, as long as Sponsor continues to own at least one (1) Unsold Unit, the right to exclusively designate and appoint one (1) member to the Board (a Sponsor designated and appointed board member shall hereinafter be referred to as a "Sponsor Board Member") and to vote for the members not designated and appointed by the Sponsor (such members elected to the board and not designated and appointed by the Sponsor shall hereinafter be referred to as [an] "Independent Board Member(s)") as the owner of Unsold Units. As such, (a) during the Sponsor Control Period, the Board shall consist of two (2) Sponsor Board Members, and one (1) Independent Board Member; (b) after the Sponsor Control Period, if Sponsor retains at least one (1) Unsold Unit, the Condominium Board shall consist of two (2) Independent Board Members, and one (1) Sponsor Board Member; and (c) after all residential Units are sold and conveyed, the Condominium Board shall consist of exclusively Independent Board Members. See Section 2.7 of the By-Laws.

5. The By-Laws do not contain a provision that after the Sponsor Control Period a majority of the Condominium Board must be owner-occupants or members of an owner-occupant's household who are unrelated to the Sponsor and its principals. Purchasers should note that owner-occupants may never gain effective control of the condominium and Sponsor may control the Condominium Board indefinitely. Owner occupants and non-resident owners, including the Sponsor, may have inherent conflicts on how the condominium should be managed because of their different reasons for purchasing, i.e., purchase as a home as opposed to as an investment. After all Units are sold, a meeting will be held to elect new board members unrelated to the Sponsor within thirty (30) days of the last closing or sooner. See Section entitled "Control by Sponsor" for more details.

6. The Condominium Board does not have the right to approve or disapprove purchasers; therefore, there is no limit on the number of owners who may purchase for investment rather than for personal occupancy. See Section "Procedure to Purchase" for further details.

7. After the plan has been declared effective, Sponsor will serve a notice setting a closing date, which date shall not be earlier than thirty (30) days from the date of such notice. TIME IS OF THE ESSENCE to close on such date.

In the event that a Purchaser (i) defaults in paying the balance of the Purchase Price on the date scheduled by Sponsor for closing title to his or her Unit; or (ii) defaults in performing some other obligation under the Purchase Agreement and fails to cure such default within thirty (30) days after Sponsor sends written notice to such Purchaser specifying the nature of the default, then Sponsor's remedy shall be the cancellation of the Purchase Agreement and the retention of the Liquidated Damages. Sponsor must provide (30) day written notice to Purchaser of the cancellation of the Purchase Agreement and the retention of the Liquidated Damages. If such Purchaser shall fail to cure such default or fails to send written notice of objection to the release of the Downpayment within the said thirty (30) day period, TIME IS OF THE ESSENCE, Sponsor may retain Liquidated Damages. The Sponsor may not retain more than 10% of the purchase price (regardless of the amount deposited with the Escrow

Agent) plus any amounts paid for any special work or extras. Any payments received by Sponsor in excess of the Downpayment plus the actual cost incurred by Sponsor for any special work or upgrades together with any interest earned on such excess payments, if any, shall be refunded to the Purchaser with fifteen (15) days after cancellation. See Sections "Procedure to Purchase" and "Definitions" for further details.

8. The obligations of a purchaser under a Purchase Agreement are not conditioned on obtaining financing. Any prospective purchaser who executes a Purchase Agreement and does not obtain financing may lose his or her deposit if he or she is unable to otherwise raise the monies for the balance of the purchase price. Prospective purchasers who require financing are advised to consult with a lending institution before execution of a Purchase Agreement. No representation is made by the Sponsor as to the availability or cost of such financing. The Sponsor may in its sole discretion consent to a Financing Contingency Rider attached hereto in Part II of the Offering Plan, Document No. 2 Exhibit B.

   Purchasers should note that in the current market, banks and other lenders are imposing various restrictions on purchase financing. Such restrictions include requiring that a certain percentage of apartments in a building or group of buildings be sold before a lender will consider making a loan. Thus, it may be possible for a Purchaser to experience difficulty obtaining a loan in a building or group of buildings where the Sponsor or holder of unsold shares has not sold a substantial percentage of the apartments in the building or group of buildings, which in some cases may be as high as 70%. Moreover, some lenders will not provide financing in a building or group of buildings where an investor other than the original Sponsor has an ownership interest of 10% or more. It may also be difficult for a Purchaser to resell an apartment if prospective buyers are unable to obtain a loan due to the same minimum sales and investor ownership restrictions.

   In the event that Sponsor consents to financing, both parties must execute a Financing Contingency Rider. Purchaser shall have until the Financing Contingency Expiration Period, which shall be thirty (30) days from the date Purchaser's attorney receives a fully executed Purchase Agreement, to obtain a mortgage commitment from Sponsor's Preferred Mortgagee. If Purchaser fails to obtain a mortgage commitment by the Financing Contingency Expiration Date, Purchaser must notify Sponsor of failure to obtain such commitment within five (5) days of the Financing Contingency Expiration Date. All terms of the Financing Contingency are applicable. See Section "Procedure to Purchase" for all terms of the Financing Contingency.

   Provided that the Sponsor consents to permit a Financing Contingency in accordance with the above terms and the purchaser complies with all of such terms, if the financing commitment lapses or expires prior to closing and Purchaser has made a good faith effort to extend the commitment, the Sponsor will grant Purchaser a right of rescission and ten (10) days after expiration to exercise such right. If Sponsor does grant Purchaser a Financing Contingency, and a mortgage commitment is not fulfilled through no fault of the Purchaser, under New York law performance is excused. If Purchaser acts in good faith and lender revokes the commitment after the contingency period expires, performance is excused.

   Purchaser should note that even if a mortgage commitment is secured, said mortgage

commitment may expire or change prior to the actual closing. Any risks related to the expiration or change to the mortgage commitment shall be borne by the Purchaser, if Purchaser is at fault.

In the event Purchaser fails to exercise the right of termination within time periods set forth the Financing Contingency Rider or has failed to satisfy the conditions set forth in the Financing Contingency Rider, then, in either case, the Purchase Agreement shall remain in full force and effect. See Section "Procedure to Purchase" for more details.

9. The Sponsor's Preferred Mortgagee may require that at least 30% percent of the Units be in-contract with purchasers who intend to be owner-occupants before it will close a loan. There is no requirement that the purchaser must specify in the purchase agreement whether or not they will be owner-occupants. As the closing of the purchaser's Unit is contingent upon the satisfaction of this condition, even if a purchaser obtains and satisfies all conditions of the financing commitment applicable to the purchaser, the closing of the loan may be delayed or may not occur if the minimum sales and owner-occupancy requirements are not satisfied. If Sponsor's Preferred Lender and Sponsor's Preferred Mortgage Brokers do not close a purchaser's loan for this reason, the Sponsor shall grant to such purchaser a right of rescission and a reasonable period of time to exercise such right.

   The Condominium declaration and by-laws contain provisions typically required by Freddie Mac, Fannie Mae and FHA loan requirements. However, the Sponsor has not made an application to such agencies for their respective approvals of the condominium, and no representations are made that the condominium satisfies the requirements of such agencies. See Section "Procedure to Purchase" for more details.

10. In the event a purchaser does not close on the Closing Date set forth in the Notice of Closing and the Sponsor elects not to cancel the Purchase Agreement or if the Sponsor approves the Purchaser's request to adjourn the Purchaser's closing to his apartment, interest shall accrue on the unpaid amount of the purchase price from the Closing Date or adjourned closing date until such amount is paid. The interest rate shall be ten percent (10%) per annum calculated at a daily rate of approximately 0.0277%. This rate shall be in effect for as long as there are any unpaid amounts owing towards the full purchase price. The interest rate charged will not exceed New York State usury charges. See Section "Procedure to Purchase" for further details.

11. Purchaser will be responsible for the following costs at closing, in addition to the purchase price and other closing costs listed in the Section "Unit Closing Costs and Adjustments."

    (a) fees and service charges for recording the deed and Unit Owner's Power of Attorney of $32.00 for each instrument plus $5.00 per page, together with a service charge to the title company for such recording (varies per document);

    (b) all governmental fees and title company service charges associated with discharging and recording a mortgage lien release and UCC-3 termination statement or other appropriate instruments discharging the unit and its contents from any mortgage lien and security interest other than the lien of any mortgage loan Purchaser obtains.

(c) If Purchaser obtains a mortgage loan, Purchaser will pay:

(i) fees and service charges for recording the mortgage at the same rates as recording the deed;

(ii) mortgage recording tax in the amount provided for by law, currently 2.05% (1.8% paid by the purchaser, 0.25% paid by the Lending Bank) of the face amount of the mortgage for mortgages under $500,000.00 and 2.175% (1.925% paid by the purchaser, 0.25% paid by the Lending Bank) for mortgages over $500,000.00);

(iii) all of Purchaser's savings in the mortgage recording tax to which Purchaser is entitled, whether such savings result from an assignment of an existing mortgage on the unit or is pursuant to Real Property Law 339-ee or otherwise. (Note: The Lending Bank pays an additional 0.25%);

(iv) all costs and expenses in connection with such loan in amounts determined by the lender, i.e., application, points, credit report, survey, appraisal, bank's attorney's fees, Residential and Condominium Endorsements (title insurance forms required by banks) escrows (such as for common charges and real estate taxes) private mortgage insurance if any, and any other fees required by lender. Sponsor makes no representation or warranty as to such closing costs or expenses or as to the availability of such financing.

(d) Although statutorily a Seller's expense, Purchaser shall pay the Real Property Transfer Tax due to The City of New York. This tax is in the amount of 1% of the total purchase price of the Unit if the purchase price is $500,000.00 or less, 1.425% of the total purchase price if the purchase price is more than $500,000.00, and 2.625% if the Purchase is for more than one residential unit at one time [see (g) below]. The Purchaser shall also pay for the New York State Real Estate Transfer Tax imposed by statute on transferors of property. New York State has recently adopted changes to the tax imposed. The changes went into effect on conveyances on or after July 1, 2019 for contracts entered into after April 1, 2019. The revised New York State tax is as follows: 0.4% of the total consideration for conveyances of a Unit with a purchase price of $2,999,999.99 or less, and 0.65% of the total consideration for conveyances of a Unit with a purchase price exceeding $3,000,000.00.

New York State Tax Law Section 1404(a) has recently been amended (the "Amended Tax Law"), effective as of July 1, 2021. The Amended Tax Law can be accessed at the following web address: https://www.nysenate.gov/legislation/laws/TAX/1404. Per the Amended Tax Law, in the case of a conveyance of residential real property, if the New York State transfer tax imposed by the law is paid by the Purchaser pursuant to a contract between the Sponsor and the Purchaser, the amount of such tax shall be excluded from the calculation of consideration subject to tax.

Therefore, as the Plan and Purchase Agreement calls for the Purchaser to pay for both New York State and New York City transfer taxes, for purposes of calculating the transfer taxes to be paid, total consideration includes the following transfer taxes paid by the Purchaser:

(i) For New York City Taxes: New York City and New York State Transfer Taxes (i.e.: consideration equals the purchase price plus NYC and NYS transfer taxes);

(ii) For New York State Taxes: New York City Transfer Taxes only (i.e.: consideration equals the purchase price plus NYC transfer taxes).

(e) Under Section 1402-a of the New York Tax Law, a "Mansion Tax" of one percent (1%) of consideration is payable by the grantee (Purchaser) on each conveyance of residential real property, including condominium units where the consideration for the entire conveyance is $1,000,000.00 or more. Residential real property includes a one to three family house, an individual condominium unit, and a cooperative unit that is or may be used, in whole or in part, as a personal residence. As per the law, the Purchaser shall be responsible for the payment of the Mansion Tax.

(f) New York State recently implemented a "Supplemental Tax" (in addition to the Mansion Tax, statutorily paid by the Purchaser) for transfers of residential real property in New York City, as detailed below. As per the recently enacted law, the Purchaser shall be responsible for the payment of the Supplemental Tax. The Supplemental Tax adds a tax on the Purchaser for purchases starting with a purchase price of $2,000,000.00 or more according to the following chart:

Purchase Price	**Supplemental Tax Rate**
$2,000,000.00 to $2,999,999.99	.25% of the purchase price
$3,000,000.00 to $4,999,999.99	.50% of the purchase price
$5,000,000.00 to $9,999,999.99	1.25% of the purchase price
$10,000,000.00 to $14,999,999.99	2.25% of the purchase price
$15,000,000.00 to $19,999,999.99	2.50% of the purchase price
$20,000,000.00 to $24,999,999.99	2.75% of the purchase price
$25,000,000.00 and above	2.90% of the purchase price

(g) If a Purchaser purchases two (2) or more residential Units that have not been physically combined into a single residence or Unit before the transfer (a "combined sale"), The New York City Department of Finance may impose the New York City Transfer taxes at higher, non-residential rates, i.e., where the consideration is $500,000 or less, the rate will be 1.425% of the purchase price, and where the consideration exceeds $500,000, the rate will be 2.625% of the purchase price. This may be the case even if the Residential Units are transferred to the Purchaser pursuant to separate sales contracts with separate closing dates. The Department of Finance has taken the position that the consideration for the transfer of each Residential Unit under a deed in a combined sale is not aggregated with the consideration for the other such deeded transfers in the same combined sale for purposes of determining the rate to be applied to each Residential Unit transfer (i.e., the 1.425% rate or the 2.625% rate). The Department of Finance has stated that the application of the "bulk sale rule" is made on a case-by-case basis depending on the particular facts and circumstances and there is no guarantee that the Department of Finance will not change its position with respect to the foregoing. Consideration is also not aggregated for Mansion Tax purposes. Purchasers will be required to pay the Mansion Tax on each Residential Unit

in a combined sale, if the total consideration attributable to each such unit is $1,000,000.00 or more.

(h) Purchaser will be required to deposit with the Board of Managers two (2) months' estimated monthly common charges for his Unit to be used as working capital. See Section "Working Capital Fund" for details.

(i) Purchaser shall be obligated to pay the following fees to the law firm of Sponsor's attorney: (a) $3,000.00 for services rendered in connection with recording the Declaration of Condominium and the preparation of documents in anticipation of closing; (b) $450.00 if the closing is held at any location other than Sponsor's attorney's office, at the request of the Purchaser, Purchaser's attorney, Purchaser's lender, or Purchaser's mortgage broker, whether Seller or their attorney attend the closing or not; (c) $400.00 if Purchaser applies for and closes with a mortgage; (d) $300.00 for the preparation of e-forms for New York City Real Property Transfer Tax; and (e) $450.00 for each time the closing is rescheduled at the request of the Purchaser, Purchaser's attorney, Purchaser's lender, or Purchaser's mortgage broker (for the costs to fix a new Closing Date and time, to coordinate the attendance of all persons, to re-date the closing documents and to recalculate the closing apportionments).

(j) At closing, each purchaser shall pay to the Sponsor the sum of $3,500.00 to defray the Sponsor's costs of creating the condominium, e.g., architectural costs, filing fees, legal fees and other costs incurred in creating the condominium.

(k) At closing, in addition to adjustments for real estate taxes for the quarter in which the closing occurs, Common Charges for the month in which the closing occurs, and rent and other charges, if any, pursuant to a lease for, or tenancy of, the Unit (if applicable) for the month in which the closing occurs, the Sponsor will also collect each purchaser's pro-rated share in the first year's insurance premium from the date of the closing until the end of the first year of condominium operation. This amount will be calculated in proportion to each purchaser's common interest and will be used to reimburse the Sponsor for payment of the first year's premium. Insurance premiums paid as part of common charges from closing until the end of the budget year will be retained by the Board to pay toward the premium for the next year. The pro-rated insurance adjustment collected by Sponsor will be in lieu of any other closing adjustments with the Board for insurance.

12. The Purchaser will represent to Sponsor that he or she has not dealt with any broker other than the Selling Agent in connection with the acquisition of his or her Unit and will indemnify the Sponsor against the claims of any other broker, if such broker is not disclosed to the Sponsor at the time of the contract. If the purchaser has dealt with a broker other than the Selling Agent, a co-broker agreement will be executed, between the brokers. See Section "Procedure to Purchase" for further details.

13. No bond or other security has been posted to secure Sponsor's obligations. The Sponsor has access to sufficient funds from private investors to complete the construction. See Section "Rights and Obligations of the Sponsor."

14. The Sponsor, 21Y, LLC with an address of 369 Avenue X, Brooklyn, NY 11223, will be the Managing Agent of the Building for the first year of condominium operation. Sponsor will not charge the Condominium a management fee for the first year. After the first year, the Sponsor may charge a fee similar to the prevailing rate for such services for buildings similar in size and location to this building which will result in an approximate increase to the Budget of 10-15%. At that time, the Unit Owners may choose to enter into a contract with another managing agent. In either case, the Common Charges may need to be increased. See Section "Management Agreement."

15. The Sponsor is not providing blinds or shades to the Units. It will be the responsibility of each Unit Owner to provide them, at his or her own cost. See Part II, "Description of Property" for further details.

16. As Common Charges do not include heating and cooling costs for each Unit, each Unit Owner is responsible for the payment of the electricity costs of his individual Unit. See Schedules B and B-1 for further details.

17. No representation is made that the initial working capital fund will be adequate to cover current or future expenses, including repairs or replacements, and if additional funds are required over and above the initial capital fund, it may be necessary for the Condominium Board to increase the common charges. See Section "Working Capital Fund" for details.

18. Purchasers should note that the Reserve Fund may not be sufficient for needed capital improvements for the first five years of Condominium Operations and in the event any capital replacements are necessary, the Board may impose a special assessment to cover the cost thereof. See Section "Reserve Fund" for further details.

19. The escrow account in which down payments or advances made by purchasers will be placed is covered by federal bank deposit insurance to $250,000.00 per individual deposit. Any deposit in excess of $250,000.00 will not be insured to the extent such amount exceeds $250,000.00. If a purchaser has an account at the same bank that holds the escrowed funds, purchaser's funds at the escrow bank factor into the $250,000 insurance limit. See Section "Procedure to Purchase" for further details.

20. All funds received by the Sponsor for upgrades or extras must initially be placed in the escrow account. However, purchasers should note that such funds may be released from the escrow account by the escrow agent as long as the Sponsor uses the funds for such upgrades or extras. As a result, in the event a purchaser is entitled to rescission, the purchaser will not receive a refund of any funds already expended for upgrades or extras. If, however, the Plan is abandoned, Unit upgrade funds will be returned to Purchasers. See Section "Procedure to Purchase" for details.

21. For as long as Sponsor or its designee is the owner of one (1) or more Units in the entire condominium, the Declaration, By-Laws and Rules and Regulations may not be amended or modified so as to adversely affect Sponsor or its designee without the prior written consent of every Unit Owner affected by such amendment. See Section "Rights and Obligations of

Condominium Board, Summary of By-Laws" for details.

22. All conflicts that may be resolved by arbitration pursuant to NYS law, between Unit Owners and the Condominium Board, between Condominium Board Members, or between Sponsor and the Board, with respect to the Condominium, or to break any deadlock in voting in any matter, must be submitted to arbitration for resolution by a single arbitrator in a proceeding in Kings County or other mutually agreed to location in accordance with the existing rules of the AAA or any successor organization within 90 days of the dispute. The arbitrator shall be a third party mutually agreed upon by affected parties and shall be neutral and independent of any parties involved. Costs shall be shared equally by the parties. Each disputant shall also be responsible for fees and expenses of counsel and expert witnesses. The parties are giving up the right to bring suit in court, including trial by jury. Arbitration awards are generally final and binding, and a party's ability to appeal this decision is very limited. This provision does not abrogate a party's rights under Article 23-A of the New York General Business Law. This does not include any disputes regarding the Purchase Agreement. See Section "Rights & Obligations of Board of Managers, Summary of Bylaws" for details.

    Except as otherwise expressly provided in the Declaration or the By-Laws, the affirmative vote of a majority of the members of the Condominium Board shall constitute the decision of the Condominium Board. Alternatively, any decision that is required or permitted to be made by the Condominium Board may be made without a meeting thereof if all of the members of the Condominium Board shall individually or collectively consent in writing to such decision, and all such written consents shall be duly filed by the Condominium in the minutes of the Condominium Board. In the event of a deadlock in voting between the Unit Owners or in the Condominium Board, such deadlock shall be submitted to an arbitration board in accordance with Article 10 of the By-Laws, "Arbitration." See Section "Rights and Obligations of Condominium Board, Summary of By-Laws."

23. In the event Purchaser-in-contract enters into an Interim Lease and Purchaser-in-contract defaults on the Purchase Agreement and fails to close, and after notice from Sponsor to vacate Purchaser-in-contract fails to vacate, such Purchaser-in-contract will pay Sponsor $250.00 per day for each day he remains in possession beyond the thirtieth (30th) day following mailing of the Notice to Vacate. See sections "Interim Leases" and also see Part II, Document No. 9 for a form of said lease agreement.

    An uncured default under the Purchase Agreement is a default under the lease and an uncured default under the lease is a default under the Purchase Agreement. If Sponsor desires to declare a default of the Purchase Agreement as a result of an uncured default under the lease Sponsor must either obtain an order of eviction or other judgment or order from a court or agency of competent jurisdiction against the lessee, unless the lessee has vacated the contracted-for Unit.

24. Sponsor shall be excused from performing any obligation or undertaking provided for in this Agreement for so long as such performance is prevented, delayed or hindered by an act of G-d, fire, flood, explosion, war, riot, sabotage, inability to procure or general shortage of energy, labor, equipment, facilities, materials, or supplies in the open market, failure of transportation,

strike, lock-out, action of labor unions or any other cause (whether similar or dissimilar to the foregoing) not within the reasonable control of Sponsor. Sponsor's time to perform such obligation or undertaking shall be tolled for the length of the period during which such performance was excused (although Purchaser's time to perform *its* obligations under the purchase agreement may *also* be tolled during the tolling period mentioned above). Purchasers should be advised that executing a purchase agreement that includes the foregoing provisions may impact the Purchaser's ability to close on her/his Unit in the time frame originally contemplated in the purchase agreement and may limit the Purchaser's remedies for any such delay in the closing date. **The Attorney General strongly recommends that Purchasers consult with their attorneys regarding any risks associated with executing a purchase agreement containing the foregoing provision prior to executing the purchase agreement.** See the Purchase Agreement in Part II of the Plan.

25. The Sponsor prior to any Unit closing shall retain risk of loss to the Building from fire or other casualty. The Sponsor shall retain the risk of loss to the Unit from fire and other casualty until the Purchaser-in-contract shall be conveyed legal title or until the Purchaser-in-contract occupies the contracted-for Unit pursuant to an interim lease prior to closing and assumes risk of loss from the Sponsor. Unit Owners should obtain the following at their own cost: homeowner's insurance including coverage for the contents of the Unit, personal property, and liability for personal injury as a result of occurrences in the individual Unit. See Sections "Procedure to Purchase" and "Terms of Sale."

    Prior to the first closing, the entire building will be insured by the Sponsor; after the first closing, the entire building will be insured by the Condominium Board. A person in possession who is not an owner cannot insure the Unit since he or she has no ownership interest, and the Unit cannot be doubly insured. Therefore, a purchaser who takes possession of the contracted-for-Unit prior to closing pursuant to an interim lease assumes the risk of losses not covered by insurance; if the Unit is damaged prior to closing the purchaser in possession's failure to make repairs will not excuse them from paying the balance of the purchase price and accepting delivery of the deed for the contracted-for Unit. See Section "Interim Leases."

26. The Sponsor is not obligated to consent to any assignment, and, if Sponsor refuses to consent, the Purchaser will not be excused from his or her obligations under the Purchase Agreement. In the event that Sponsor consents to an assignment, a Purchase Agreement may be assigned one time only by the Purchaser thereunder upon payment of a fee of $500.00 to Sponsor's counsel and execution of all assignment documents prepared by such counsel. See Section "Assignment of Purchase Agreement."

27. The Sponsor reserves the right to make changes in size, layout and number of unsold Units without the approval of the Condominium Board. The Sponsor will file an amendment to the offering plan disclosing any such changes and any material changes must be with the consent of any affected purchasers. A decrease in a unit's area of 5% or less will not affect a purchaser's obligations unless such decrease is determined to be a material change. There is a rebuttable presumption that an area that is diminished by 5% or less is not material. Please consult with your attorney and engineer/architect on this issue prior to closing. See Section "Changes in Prices and Units" for further details.

28. All Unit Owners shall severally indemnify each member of the Condominium Board against any liability or claim, contractual or otherwise, except those arising out of the bad faith, willful misconduct or gross negligence of such member or that are contrary to law or the terms of the Declaration or the By-Laws. However, the liability of any Unit Owner on account of the indemnification of the Condominium Board will be limited to such proportionate share thereof as the Common Interests of such Unit Owner bear to the aggregate Common Interests of all Unit Owners.

    There is no provision for insurance covering indemnification of Board Members. It is at the discretion of the Condominium Board to obtain such coverage, the cost of which will be borne by the Unit Owners as a common expense. See Section "Rights and Obligations of Condominium Board."

29. In the event of a bulk sale by the Sponsor of all or some of its unsold Units, the transferee successor Sponsor will be responsible for all obligations under the Offering Plan for those Units. The Sponsor will provide a financially responsible entity or individuals who will assume the status and all of the obligations of the Sponsor for those Units under the offering plan, applicable laws and regulations. See sections "Introduction" and "Right and Obligations of Sponsor" for more details.

30. Statement of Dimensions. The approximate floor area (within reasonable tolerances) of the Units calculates the square footage of each Unit as measured horizontally from the exterior side of the exterior walls (columns, mechanical pipes, shafts, shaft ways, chases, chase ways, and conduits are not deducted) to the centerline of the partitions separating one Unit from another Unit, public corridors, stairs, elevators and other mechanical equipment spaces or any Common Elements not within a Unit. Each Residential Unit consists of the area measured vertically from the top of the concrete floor slab below to the underside of the finished ceiling.

    The approximate floor area in the Schedule A is not based upon measurements from interior surfaces or interior walls, and the area compromising the Unit may be less than the area listed in Schedule A.

    Purchasers are advised that, after the closing, for disputes related to room dimensions diminished by 5% or less, there is a rebuttable presumption that such diminishment is immaterial, and therefore shall not be considered as a basis for rescission. Purchasers should consult with their attorney and engineer/architect on this issue prior to closing. See "Notes to Schedule A."

31. Unit Owners shall not have any right to install structures or perform any construction on private balconies or terraces, without approval of a third-party architect retained by the condominium Board. Additionally, the Board shall have the power to regulate one or more of the following aspects of any construction: (a) time periods during which work is permitted; (b) the manner in which construction debris would be handled; (c) measures which must be taken to prevent compromising of the security of the building during construction; (d) the interruption of services during construction; and (e) liability insurance for contractors during construction. See Rights and Obligations of Unit Owners & Condominium Board.

32. The Sponsor anticipates that the first closing of a Unit will occur by April 1, 2023. Purchasers will be offered a right of rescission if: (i) the actual date of closing of title to the first unit; or (ii) the projected date of closing of title to the first Unit occurs later than March 31, 2024, twelve (12) months after the projected date for the first closing. If the Plan is amended to provide for a later projected date for the first closing, purchasers who enter into purchase agreements after the amendment is accepted for filing will be entitled to an offer of rescission if the first closing occurs more than twelve (12) months beyond that amended, later date.

    Purchasers should note that even if the first closing occurs on or before April 1, 2023 (or such other date projected as the date of commencement of condominium operation at the time the Purchase Agreement was entered into) or within the twelve-month period thereafter, the closing of subsequent Units may be substantially delayed beyond such dates. In such case, provided that Sponsor is otherwise in compliance with its obligations under the Plan, Purchaser will not be entitled to a right of rescission or to make claims against the Sponsor for damages or losses as a result of such delays and will not be excused from paying the full Purchase Price for the Unit. PROSPECTIVE PURCHASERS SHOULD THEREFORE CAREFULLY CONSIDER THE POSSIBILITY OF SUCH DELAYS IN THEIR DETERMINATION AS TO WHETHER TO PURCHASE A UNIT.

33. Each Unit Owner shall notify the Condominium Board or the Managing Agent, if any, in writing when a child or children, under the age of eleven (11) years lives or resides (even temporarily) in the Unit. Each Unit Owner shall install at such Unit Owner's expense, the required window guards (or safety "stops" in lieu of window guards, designed specifically to prevent a child from falling out of the window) in all windows of the Unit in compliance with all applicable New York City Administrative code requirements. The Unit Owner should maintain all window guards (or stops) installed in the Unit and shall not remove same until permitted by applicable law and in any event, without prior written notice to the Condominium Board or the Managing Agent. See the Addendum to the By-Laws, Rules and Regulations in part II of this Plan.

34. As this building's height is less than five (5) stories, the Housing Merchant Implied Warranty applies to this offering. Pursuant to Article 36-B of the General Business Law, the Sponsor has elected to limit the Housing Merchant Implied Warranty. See Section "Rights and Obligations of Sponsor."

    (a) The Sponsors maximum liability to any Unit owner under the Sponsor's Limited Warranty is limited to fifty percent (50%) of the purchase price of the Unit. Additionally, the Sponsor's Limited Warranty is limited to actual purchasers and their successors whom acquire title to the subject Unit by will or by the governing intestacy laws. However, despite the limitation, Sponsor must construct the premises in accordance with all applicable codes and filed plans and specifications. Furthermore, any conflict between the disclaimers and the Sponsor's obligation to construct the premises in accordance with all applicable codes and filed plans and specifications shall be resolved in favor of the latter. See Section "Rights and Obligations of Sponsor" for further details and additional limitations. See Part II Document 8 "Article 36-B of the General Business Law Warranties on the Sale of New Homes" for further details and additional limitations.

(b) The Sponsor's Limited Warranty excludes all consequential, incidental, special damages not foreseeable to the Sponsor and indirect damages.

(c) The Sponsor's Limited Warranty does not cover defects in appliances, fixtures, equipment and household items, except defects due to improper installation by the Sponsor.

(d) The Sponsor's Limited Warranty does not cover any defects for any labor or in any work or materials ordered directly by any purchaser from Sponsor's sub-contractors, suppliers, or any independent contractor not engaged in any non-delegable duty(ies).

(e) The Sponsor's Limited Warranty is limited to actual purchasers and their successors whom acquire title to the subject Unit by will or by the governing intestacy laws.

(f) In addition, the following items are not covered by the Sponsor's Limited Warranty:

(i) conspicuous defects and any defects which an inspection of the Unit would reveal;

(ii) damage caused by the failure of the purchaser or any affiliate thereof, to comply with the requirements of the Sponsor's Limited Warranty or of any requirements imposed by a manufacturer, supplier of appliances, fixtures, equipment or household items;

(iii) damage caused by the misuse, overuse, or interference by purchaser or anyone other than the Sponsor or its employees or delegates;

(iv) any additional damage caused by the failure of purchaser to give adequate notice to the Sponsor of any defects or damage in a timely fashion as provided in the Sponsor's Limited Warranty;

(v) any damage caused by changes, alterations or improvements made to the Unit by anyone other than the Sponsor or its employees or delegates;

(vi) any damage caused by purchaser's failure to adequately maintain and preserve any item or property covered under the Sponsor's Limited Warranty;

(vii) any loss or damage caused by or stemming from an accident, catastrophe, unnatural forces due to violence or gross negligence, fire, explosion, smoke, motor vehicles, acts of God, lightening, windstorm, hail, flood, earthquake, soil movement, and changes in the underground waterbase;

(viii) any loss or damage caused by seepage of water unless such loss or damage is directly related to a construction defect resulting from construction by the Sponsor;

(ix) any damage resulting from purchaser's failure to take action to mitigate any pre-existing damages. Purchaser must take action within fifteen (15) days of learning of the preexisting damage;

(x) any condition resulting from normal wear and tear or form normal settling of the building, including but not limited to, concrete cracks, outer building cracks which do not impair the structural stability of the building;

(xi) insects, vermin, rodent damage and infestation, or damage caused by other animals or pests;

(xii) death, bodily injury or damage to personal property;

(xiii) damage which arises from any misuse or unauthorized use of the Unit.

(g) Any exclusion or modification of warranties that does not meet or exceed a relevant specific standard of the applicable building code, or in the absence of such standard, a locally accepted building practice, shall be void as contrary to public policy. In addition, any exclusion or modification of warranties that fails to ensure that a home is habitable by permitting conditions to exist which render the home unsafe, shall be considered void as well.

(h) A written notice of a warranty claim for breach of a housing merchant implied warranty must be received by the builder prior to the commencement of any action no later than thirty days after the expiration of the applicable warranty period. The owner and occupant of the home shall afford the builder reasonable opportunity to inspect, test and repair the portion of the home to which the warranty claim relates.

(i) The Sponsor's limited warranty replaces all other warranties on the construction and sale of the Unit and any and all components thereof, both express and implied (including but not limited to, any implied warranties of merchantability or fitness for a particular purpose). The full text of Sponsor's limited warranty is annexed to the purchase agreement and set forth in part ii of this plan. Purchasers are urged to review the Sponsor's limited warranty carefully before executing a purchase agreement.

(j) The Sponsor's obligation, regardless of any limitations in the warranty or in this offering plan, is to construct the premises in accordance with all applicable codes and filed plans and specifications, and that any conflict between the disclaimers and the Sponsor's obligation to construct the premises in accordance with all applicable codes and filed plans and specifications shall be resolved in favor of the latter.

35. Purchasers are advised that the Limited Common Elements, which include the terraces and balconies, may not be used for any type of occupancy-including but not limited to sleeping, living room, recreation, office, etc. To do so may result in a violation against the building being issued by the Buildings Department. See Architect's Report in Part II for more details.

36. Refuse must not be placed on the sidewalk except on the days of collection under penalty of fine. See Architect's Report in Part II.

37. Any exclusion or modification of warranties that does not meet or exceed a relevant specific

standard of the applicable building code, or in the absence of such standard, a locally accepted building practice, shall be void as contrary to public policy. In addition, any exclusion or modification of warranties that fails to ensure that a home is habitable by permitting conditions to exist which render the home unsafe, shall be considered void as well. See "Rights and Obligations of Sponsor" for more details.

38. On January 1, 2018, the Tax Cuts and Jobs Act of 2017 went into effect. This federal law significantly changed the previously existing Internal Revenue Code, including the taxes and deductions related to homeownership. Accordingly, it is the opinion of Sponsor's counsel that a Unit Owner who itemizes deductions will be entitled to deduct, for federal income tax purposes, real estate taxes in the amount of up to $10,000.00 a year assessed against his Unit. Purchasers should note that the $10,000.00 tax deduction is for the combined New York State income taxes, New York City (or local) income taxes and real estate taxes. Accordingly, in the event the Unit Owner's combined New York State income taxes, New York City (or local) income taxes and real estate taxes exceed the $10,000.00 threshold, a Unit Owner may not be able to realize a deduction for amounts over the $10,000.00 threshold. In addition, a Unit Owner who itemizes deductions will be entitled to deduct, for federal income tax purposes, interest on any acquisition indebtedness up to $750,000.00. See Sections 163 (interest) and 164 (taxes) of the Internal Revenue Code of 1986, as amended (the "Code"). These expenses will be deductible when paid or accrued in accordance with the Unit Owner's method of accounting. See Section "Counsel's Income Tax Opinion."

39. The real estate tax estimates set forth in Schedule A are based on the Sponsor's expert, Metropolitan Realty Exemptions, Inc.' opinion letter. As per Rules and Regulations set by the Department of Finance multiple residential Class A Units would be categorized as a tax Class 2, with the current tax rate of 12.235%. (i.e., $12.235 per $100 of assessed value, the final 2021/2022 tax rates). Purchasers should note that the tax estimates provided are based on current tax rates and may be subject to change based on the fluctuation of tax rates.

    The total assessed value and real estate tax liabilities for the building, after reassessment, which should occur at the start of each fiscal year, following completion of construction, will be approximately as follows:

Residential Tax Liability	
Assessed Value	$602,100
Tax Liability	$73,677

40. The parking spaces will be assigned their own tax lots and offered for sale as individual units to purchasers of residential units as shown in Schedule A. Parking Units P1 and P6 are for compact cars only and are also "tandem" parking spaces. If P1 and P6 are not sold to the same Unit Owner, the Units Owner of each respective parking space will need to coordinate moving their cars for their neighbors' access to these spaces, as there is insufficient room for cars parked in these spaces to maneuver around one another.

    Pursuant to New York Multiple Dwelling Law §60, parking spaces shall be used solely for the storage of passenger motor vehicles of the occupants of the multiple dwelling, except that,

in the event such space or structure or part thereof is not used by such occupants, it may be rented by the owner or owners of such dwellings to persons other than the occupants thereof. The space which has thus been rented shall be made available to an occupant within thirty (30) days after written request therefor. Parking spaces may be rented for periods of not less than one week or more than one month. However, such spaces may be used also for the storage of any type of mechanical or motor-driven equipment or other accessory device or passenger bus required for the proper maintenance of the site and of the dwellings thereon. With regard to both the parking and storage spaces, purchasers are limited to purchasing one parking and/or storage space per residential Unit with the exception of Parking Units P1 and P6, which are "tandem" spaces and may be purchased together or separately.

41. Parking Unit P5 has been designated as a handicapped parking space and will be the last parking space sold if not previously sold to a purchaser who themselves or a member of their family has a vehicle with handicapped license plates. The initial purchase of Unit P5 and any subsequent sales or transfers of Unit P5 are subject to the following covenants and restrictions in the deed:

    (a) In the event the present or future owner of a residential Unit, or a member of his or her family residing in a residential Unit, becomes handicapped and acquires handicapped license plates for his or her vehicle, and

        (i) If said Unit Owner is the owner of a parking space other than P5, said unit owner has the right to demand that the Unit Owner of Unit P5 trade Unit P5 with said handicapped Unit Owner's other parking space;

        (ii) If said unit owner does not own a parking space in the building, said unit owner has the right to demand that the Unit Owner of Unit P5 sell it at its then current, fair market value, to said handicapped Unit Owner.

    (b) All costs and expenses entailed in the transfer of title to the parking spaces, including, without limitation, title abstracts, title insurance, transfer taxes, and recording fees and reasonable attorney fees shall be borne by the party requesting the transfer.

    (c) The owner of Parking Space P5 must comply with the aforementioned demand upon thirty (30) days written notice.

    (d) If the parties cannot agree on the fair market value of Parking Space P5 then the parties agree to submit the matter to binding arbitration in accordance with the By-Laws of the Condominium. Please see the By-Laws located in Part II of this Offering Plan.

42. Outdoor porch, balcony and terrace railing heights are 42". All porch, balcony, and terraces railings have both horizontal and vertical configurations which creates a "ladder effect." This "ladder effect" creates a climbing hazard that can pose a danger to the health and safety of young children. Unit owners are strongly advised to install child safety blocking devices to counteract this effect. Installation of such blocking devices will be at the Unit Owners' own cost and expense. Costs of such devices vary but may be approximately $200 - $400 per railing.

Please see the Architect's Report in Part II of this Plan for more details.

43. Rooms designated as storage rooms in Units 1B, 1C, 2B, and 2C are uninhabitable, and are not to be used for sleeping or living. They have less light and ventilation than habitable spaces and may only be used for accessory use. Additionally, the aforementioned Units have windows in the non-habitable accessory storage rooms which are less than the required distance to the property line and Units 1C and 2C have additional windows in living rooms that are less than the required distance to the property line. These windows may not be used for required light and ventilation. Please see the Architect's Report in Part II of this Plan for more details.

44. Roof Warranty: The roof of the building was installed by Mactech Roofing & Sign Restoration Corp., with an address at 3908 New Utrecht Avenue, Brooklyn, NY 11219 who provides a one (1) year limited Contractor's workmanship guarantee, including materials and labor which one (1) year begins on the date of the First Closing of a Unit under the Plan.

The building roof consist of three separate areas: (i) the pitched roof (above 3A & 3B) which is made from GAF Timberline HD® Shingles & 15lb felt roll; (ii) the flat portion of the roof and the elevator and stair bulkhead roofs which are made from SBS Modified Bitumen Roofing Systems (Firestone SBS White Granular Cap) & Johns Manville Tapered Insulation; and (iii) the roof terraces which are made from SBS Modified Bitumen Roofing Systems (Firestone SBS White Granular Cap), Johns Manville Tapered Insulation, and 2" thick Durastrong exterior rubber paving tiles made by Sofsurfaces Inc.

GAF Timberline HD Shingles are protected under "GAF Shingle & Accessory Limited Warranty." Under this warranty, GAF Timberline HD Shingles carry a 40 year manufacturing defect guarantee and a Smart Choice Protection period of 5 years. The commencement date of this warranty is October 9, 2017. The Smart Choice Protection Period refers to the crucial period of time following installation of the GAF Products during which the coverage provided for in the limited warranty is non-prorated. After the Smart Choice Protection Period specified above, the remedy provided for in the warranty may be different than that provided for during the Smart Choice Protection Period, and any remedy will be reduced to reflect the use that the building has received from the GAF Product. During the Smart Choice Protection Period GAF will pay the full reasonable cost of labor to repair or re-cover any defective GAF Products (excluding non-GAF accessories, metal work, or flashing) and will provide replacement GAF Products or the reasonable cost of obtaining replacement GAF Products, at GAF's option. GAF will not pay to tear off the GAF Products, or to dispose of them. Additionally, after the Smart Choice Protection Period, labor will no longer be covered. GAF's contribution will be based on either providing replacement GAF Products or, at GAF's choice, reimbursing the reasonable cost of replacement GAF Products. The amount of replacement GAF Products or reimbursement provided will be reduced to reflect the use that was received from the GAF Products. The amount of use will be calculated by dividing the number of months which have elapsed since installation to the date of claim by the number of months in the warranty term. For a Lifetime warranty, the number of months in the warranty term is deemed to be 600 for years 11-40 of the warranty term. For years 41 and beyond of a Lifetime warranty, GAF's contribution is 20%.

Firestone and Johns Manville do not offer any warranties against manufacturing defects.

Sofsurfaces Durastrong Rubber Paving Tiles shall be warranted for defects in materials as follows: Sofsurfaces shall be responsible for 100% of the product cost of the repair or replacement of any product found to be defective or not in compliance with the warranty within the first six (6) years following the original shipment of the product which was May 1, 2020. After six (6) years, Sofsurfaces shall be responsible for 50% of the cost of the product or repair or replacement of any product found to be defective or not in compliance with the warranty. In either case, the liability is at Sofsurfaces option and is limited to the material and transportation costs of repair or replacement of the product. Please see the Architect's Report in Part II of this Plan for more details.

45. The roof of the subject premises contains a structure to be utilized for the purpose of displaying billboard-type advertising materials and banners (the "Roof Banner Structure"). This structure consists of a set of galvanized steel tubing that can hold a banner in the air. The Sponsor is retaining the right to use this entire Roof Banner Structure for the purposes of displaying billboards, banners, or other advertising material. The retained right includes but is not limited to the right of Sponsor to access the third floor storage room allocated to Unit 3B as a limited common element for purposes of hanging banners on and/or maintaining the Roof Banner Structure. The Sponsor will indemnify and hold harmless the condominium from any loss, liability, expense, or obligation on account of or relating to the aforementioned advertising material on the easement area. The Sponsor shall be free to sell, transfer, assign, and/or lease its rights under this easement. The Sponsor will be responsible for maintaining all advertising material placed upon the building and/or structure pursuant to this easement in safe condition. Around the time of the First Closing, Sponsor shall enter in a renewable 49-year lease at a rate of $100.00 per year with the Board of Managers to memorialize Sponsor's retained right to the Roof Banner Structure. Please see the Terms of Sale section of the Plan and the Declaration located in Part II of this Offering Plan.

46. Radiant Floor Heating and Warranty: The Units have installed in each bathroom, bedroom, living room, kitchen, and non-habitable accessory storage rooms a Warmly Yours Inc. Thermostatically controlled Electric floor heating system. Each area has its own TempZone Custom Mats which are constructed so that the electrical heating element is sandwiched between two layers of fabric which lends a degree of additional durability during the installation process. The mats generate 15 watts per square foot. Warmly Yours, Inc. warrants the mats to be free from defects in materials and workmanship for twenty-five (25) years from the date of sale. Please see the Architect's Report in Part II of this Plan for more details.

47. Smoking, which includes carrying, burning, or otherwise handling or controlling any lit or smoldering product containing tobacco or cloves, including but not limited to cigarettes, cigars, pipes or electronic cigarettes, shall be permitted only inside a Unit or in an outdoor Limited Common Element that is connected to a Unit. Smoking anywhere else in the Condominium shall be prohibited, including, but not limited to, in indoor and outdoor Common Elements. No Unit Owner shall smoke, or permit smoking by any occupant, agent, tenant, invitee, guest, friend, or family member anywhere on the property except in their Unit or in any outdoor Limited Common Element that is connected to the Unit. Smoking in violation of this rule shall

constitute a nuisance pursuant to the terms and provisions of the By-Laws and shall be subject to a fine as reasonably determined by the Condominium Board. See Section "Rights and Obligations of Unit Owners and Condominium Board.

48. As per a recent Order issued by the Financial Crimes Enforcement Network (FinCEN), order entitled "Geographic Targeting Order" (which Order can be obtained by visiting https://www.fincen.gov/sites/default/files/shared/508_Order_April2023REGTO.pdf), for all closings on residential properties taking place on or after April 25, 2023 and until October 21, 2023 (which expiration date is subject to change by FinCEN), certain title insurance companies are now required to collect and report information regarding purchasers in transactions (hereinafter "Covered Transactions") where: (a) the purchaser is a corporation, limited liability company, partnership or other similar business entity, whether formed under the laws of a state or of the United States or a foreign jurisdiction, other than a business whose common stock or analogous equity interests are listed on a securities exchange regulated by the Securities Exchange Commission ("SEC") or a self-regulatory organization registered with the SEC, or an entity solely owned by such a business (hereinafter "the Legal Entity"); and (b) the purchaser purchases residential real property located in any of the Boroughs in New York City (Manhattan, Brooklyn, Queens, Bronx, and Staten Island) and total purchase price is in the amount of $300,000 or more; and (c) such purchase is made without a bank loan or other similar form of external financing; and (d) the purchase is made at least in part, using currency or a cashier's check, a certified check, a traveler's check, a personal check, a business check, a money order in any form, a funds transfer, or virtual currency.

    As per the Order, in Covered Transactions, title companies must duly file a FinCEN Currency Transaction Report (the "Report") within thirty (30) days of the closing of the Covered Transaction (the contents of the Report and the requirements for filing are contained in the Order). See Section "Unit Closing Costs and Adjustments."

49. If the Purchase Agreement set forth in Part II of this Offering Plan is contingent on Purchaser obtaining financing, such mortgage contingency clause only applies if Purchaser makes application through Cash 800, Inc. DBA New York Mortgage Exchange (NMLS# 93848), 369 Avenue X, Brooklyn, NY 11223, phone number (718) 339-3600 (the "Preferred Mortgagee"), a New York State-licensed mortgage broker, NYS Department of Financial Services License No. A000701. Eugene Volynets (NMLS #93757), the principal of the Sponsor, is a licensed mortgage broker and the principal of New York Mortgage Exchange. Purchaser may make application to other lending institutions; however, the mortgage contingency clause will only apply in the event Purchaser makes an application through New York Mortgage Exchange. Otherwise, the obligations of a purchaser under a Purchase Agreement are not conditioned on obtaining financing. Any prospective purchaser who executes a Purchase Agreement, does not apply to the Preferred Mortgagee, and does not obtain financing may lose his or her deposit if he or she is otherwise unable to raise the monies for the balance of the purchase price. Prospective purchasers who require financing are advised to consult with a lending institution before execution of a Purchase Agreement. No representation is made by the Sponsor as to the availability or cost of such financing. Purchaser shall have thirty (30) days from the date on which a signed and executed Purchase Agreement is delivered to such Purchaser within which to obtain financing through the Preferred Lender. Through the Preferred Lender the purchaser

can apply for conventional loan products that are offered by Fannie Mae, Freddie Mac, and FHA lenders; the Preferred Lender procures financing with institutional lenders. Prospective purchasers are also encouraged to seek pre-approval from the Preferred Lender before entering into a Purchase Agreement. Please see sections "Procedure to Purchase" and "Identity of Parties" and the form "Purchase Agreement" in Part II of this Offering Plan.

50. Sponsor has designated Eugene Volynets of Certa Realty, LLC, having an office at 369 Avenue X, Brooklyn, NY 11223, as the Selling Agent. Eugene Volynets is a New York State-licensed real estate broker and is also the principal of the Sponsor. Eugene Volynets has been a licensed real estate broker since 2014 and has no prior felony convictions, or convictions, injunctions, or judgments that may be material to the offering plan or to an offering of securities generally. See Identity of Parties Section.

B. INTRODUCTION

Purpose of the Offering Plan

The purpose of the Plan is to set forth all the material terms of the offer to sell these apartments as condominium Units. The Plan may be amended from time to time to reflect changes which materially affect the offering. All amendments will be filed with the New York State Department of Law and will thereafter be served upon purchasers who have executed and delivered Purchase Agreements to the Sponsor or Selling Agent, Unit Owners and any other person entitled to service pursuant to local law or regulation.

The Offer

The Sponsor presents this Offering Plan (the "Plan") for the establishment of condominium ownership of the Property pursuant to and in compliance with Article 9-B of the Real Property Law of the State of New York, as amended (the "Condominium Act"). The condominium shall be known as the Certa House Condominium (the "Condominium").

The offering plan encompasses the land, the structure and all appurtenances thereto at the following address: 2478 East 11th Street, Brooklyn, New York (the "Building"). The Sponsor is 21Y, LLC, a New York limited liability company with an address at 369 Avenue X, Brooklyn, NY 11223 (the "Sponsor"). The Sponsor acquired title to part of the property (old lot 39) on September 8, 2014, and part of the property on December 15, 2014 (old lot 41) and merged the two parts to form one new lot 39. There is one (1) newly constructed building on the site which was built under plans filed with and approved by the Department of Buildings of the City of New York. The building and land are hereinafter collectively referred to as the "Property."

There are a total of ten (10) residential Units, ten (10) parking Units, and ten (10) storage Units in the Condominium being offered for sale under this Offering Plan (hereinafter collectively referred to as "the Units"). The purchase prices and estimated Common Charges for each of the Units are listed in "Schedule A -- Offering Prices and Related Information."

THE PRICES CONTAINED IN THE PLAN HAVE BEEN SET BY SPONSOR WITHOUT ARMS LENGTH NEGOTIATION AND ARE NOT SUBJECT TO APPROVAL BY THE DEPARTMENT OF LAW OR ANY GOVERNMENTAL AGENCY.

Although Sponsor will endeavor in good faith to sell all the Units in the building, Sponsor is reserving the unconditional right to rent Units rather than sell Units after consummation of the Plan. Accordingly, there is no commitment by Sponsor to sell more than 15% of the residential Units or two (2) residential Units, which is necessary to declare the plan effective. In addition, the By-laws do not contain a provision that, after an initial Sponsor voting control period a majority of the Condominium Board must be owner-occupants or members of an owner-occupant's household who are unrelated to the Sponsor and its principal(s). Purchasers should note that owner-occupants may never gain effective control of the condominium.

In the event of a bulk sale by the Sponsor of all or some of its unsold Units, the transferee

successor Sponsor will be responsible for all obligations under the Offering Plan for those Units. The Sponsor will provide a financially responsible entity or individuals who will assume the status and all of the obligations of the Sponsor for those Units under the offering plan, applicable laws and regulations. A bulk sale is a sale by the Sponsor of ten (10) Units, or twenty percent (20%) of the Units, whichever is less, to one purchaser not purchasing for occupancy by the purchaser or one or more members of his or her immediate family. In this condominium two (2) such Units purchased not for occupancy by the purchaser or one or more members of his or her immediate family would need to be sold to one purchaser in order to constitute a bulk sale.

This Offering Plan including all Schedules and Parts A, B, C and D of the Exhibits constitute the entire Offer of the Sponsor, and copies of the Offering Plan and Parts A, B, C and D of the Exhibits will be available for inspection by prospective purchasers without charge at the office of the selling agent or the Sponsor.

Basic Aspects of Condominium Ownership

The ownership of a condominium Unit is similar in many respects to the ownership of a private home. Each purchaser owns his Unit outright, in fee simple absolute, and is entitled to exclusive possession of his Unit together with an interest in and right to use the Common Elements and the Limited Common Elements, if any. The Common Elements essentially consist of all parts of the Property other than the Units themselves, are owned by all of the Unit Owners as tenants in common, each having an undivided interest therein.

The Common Elements consist of all portions of the Condominium Property that are not designated as Units or parts thereof. The Common Elements include, generally, but without limitation, the Condominium Property including the portions on which the Building is erected. The parking garage, with the exception of the actual parking spaces, collectively will be a Common Element. Utility rooms shall also be Common Elements. Sponsor shall not provide individual security or protection for the Unit Owners' property. See Part II Document No. 6 "Declaration."

Limited Common Elements

Limited Common Elements generally are those Common Elements reserved for use and enjoyment by one or more Units. The Limited Common Elements in this Condominium are the yards, terraces and balconies which are allocated to the Units as shown on the Floor Plans.

The Common and Limited Common Elements are not subject to partition nor are they severable from the Units except in accordance with The Condominium Act (Article 9-B of the Real Property Law).

Common Charges

Each Unit Owner must pay Common Charges in accordance with the New York Condominium Act, Sections 339-i and 339-m. These charges are payable on a monthly basis. Common Charges have been estimated by the Sponsor and include fire insurance for and liability insurance for the Common Elements, and maintenance and operation of the Common Elements.

For more information on Common Charges and how they are assessed, see Article VI of the By-Laws attached hereto as Document No. 7.

Ownership/Leasing of Units

Other than as set forth herein, there is no restriction upon ownership of a Unit.

Any Unit Owner may sell or lease his or her Unit to anyone, without restriction or limitation, subject only to Civil Rights laws and the right of first refusal (if any) in favor of the Condominium Board of the Condominium (the "Condominium Board") or a third party produced by the Condominium Board to acquire or lease such Unit upon the same terms that were offered to the prospective buyer or tenant. Note that the following is merely a summary of conditions for the resale or lease of a Unit, and Purchasers are referred to Article 7 of the By-Laws attached hereto for detailed restrictions on sale, resale or leasing of Units. Any deed to a subsequent purchaser must provide that the acceptance thereof by the grantee constitutes an assumption of the provisions of the Declaration, the By-Laws, and the rules and regulations of the Condominium as they may be amended from time to time.

No Unit Owner may convey or mortgage title to his Unit without including therein the appurtenant interest.

No Unit Owner is permitted to convey, mortgage, pledge, hypothecate, sell or lease his Unit unless and until he has paid in full to the Condominium Board all unpaid Common Charges previously assessed by the Condominium Board against his Unit, and until he shall have satisfied all unpaid liens against the Unit, except permitted mortgages.

Construction Financing

The Sponsor has secured financing for the construction and completion of this Property with Columbia Bank, a federal savings bank, with an address at 19-01 Route 208, Fair Lawn, NJ 07410. The minimum release price of each Residential Unit shall be 90% of the net proceeds of sale of each unit, after deduction of the usual and customary closing expenses, including brokerage commission(s) incurred in connection with each such sale. See section "Rights and Obligation of Sponsor."

Powers/Duties of Condominium Board

The Condominium Board has the power and responsibility for the operation of the Condominium. These responsibilities include, among other things, the care, upkeep and maintenance of the Common Areas, collection of Common Charges from the Unit Owners, employment of personnel, adoption and amendment of rules and regulations, maintenance of bank accounts, obtaining insurance, making repairs, additions, improvements or alterations to the Common Elements, repair, reconstruction and restoration of damage by fire or other casualty, and such other functions as may be required in connection with the operation and maintenance of the Property. The Condominium Board will elect a President, a Secretary and a Treasurer. Neither members of the Board nor any officer will receive any compensation for acting in such capacity.

The Board may engage a manager or managing agent to perform any of its delegable duties as provided in the By-Laws of the Condominium and may pay such manager or managing agent such compensation as the Board deems desirable. See Section "Rights and Obligations of Condominium Board."

Voting

Each Unit is entitled to vote as follows: all Unit Owners will be entitled to one (1) vote for each Residential Unit owned in all matters which require a vote of the Unit Owners, including Board elections. Where title to a Residential Unit is held by two (2) persons, each such co-owner will be entitled to one-half (½) such vote. Except in those instances where the New York Condominium Act, the Declaration or the By-Laws provide otherwise, all matters to be decided by the vote of Unit Owners will be decided by a majority vote thereof.

All conflicts that may be resolved by arbitration pursuant to NYS law, between Unit Owners and the Condominium Board, between Condominium Board Members, or between Sponsor and the board, with respect to the Condominium, or to break any deadlock in voting in any matter, must be submitted to arbitration for resolution by a single arbitrator in a proceeding in Kings County or other mutually agreed to location in accordance with the existing rules of the AAA or any successor organization within ninety (90) days of the dispute. The arbitrator shall be a third party mutually agreed upon by affected parties and shall be neutral and independent of any parties involved. Costs shall be shared equally by the parties. Each disputant shall also be responsible for fees and expenses of counsel and expert witnesses. The parties are giving up the right to bring suit in court, including trial by jury. Arbitration awards are generally final and binding, and a party's ability to appeal this decision is very limited. This provision does not abrogate a party's rights under Article 23-A of the New York General Business Law. This does not include dispute between a Purchaser and the Sponsor with respect to the Purchase Agreement. In order to resolve any dispute, controversy, claim or question arising with respect to the Condominium, or to break any deadlock in voting, any disputes involving the condominium shall seek to be settled by arbitration. The Arbitration provisions do not preclude an owner from exercising their rights under Article 23-A of the General Business Law and the regulations promulgated thereunder. The arbitrator shall be a third party mutually agreed upon by affected parties. See Section "Rights & Obligations of Condominium Board, Summary of Bylaws" for details.

Real Estate Taxes

Each Unit will be separately taxed for real estate tax purposes and, therefore, no Unit Owner is liable for the payment of real estate taxes on any Unit other than his own. No Unit is subject to the lien of a mortgage on any other Unit.

Insurance

The Condominium Board will maintain fire and liability insurance covering the entire building, the building's equipment, the boundary walls of each Unit and all other items of the Common Elements. Charges for insurance are included with other items as part of the Common

Charges, but fire and liability insurance for the purchaser's personal effects in the interior of each Unit, including, but not limited to decorations, painting, furniture or improvements made by the Unit Owner, should be carried out by the individual purchaser. The condominium insurance will not cover losses to the furniture, furnishings, personal belongings, fixtures, cabinets, appliances or other improvements and contents in an Owner's Unit. Each Unit Owner desiring such coverage must purchase his own policy at his own cost and expense. All policies purchased by Unit Owners must contain waivers of subrogation and must contain provisions to the effect that the liability of the carriers issuing insurance procured by the Condominium Board shall not be affected or diminished by reason of the policy or policies carried by Unit Owners.

Painting/Decoration of Common Elements and Units

All painting and decorating of exterior portions of the Building and Common Elements as well as all repairs and replacements to the Common Elements shall be made by the Condominium Board through its officers, its manager or managing agent, if any. No further approval of the Unit Owners shall be required for the foregoing, regardless of the cost, and such costs will be charged to the Unit Owners as Common Charges, except to the extent that the same may be charged to a particular Unit Owner if such costs are necessitated by his negligence or misuse.

Each Unit Owner may decorate the interior of his or her Unit in any manner that he or she desires, subject to compliance with the Condominium's By-Laws and the Rules and Regulations promulgated pursuant thereto and will be solely responsible for the cost and expense of maintaining, repairing, painting and maintaining casualty and liability insurance on his or her Unit.

Furnishings

The Sponsor is not providing blinds or shades to the Units. It will be the responsibility of each Unit Owner to provide them, at his or her own cost. See Part II, "Description of Property" for further details.

Carbon Monoxide Detectors

The Sponsor is providing combination carbon monoxide/smoke detectors in each Unit at each level in accordance with the Administrative Code of the City of New York. See Part II, "Description of Property" and "Definitions" for further details.

Purchasers for Occupancy or Investments

Since the condominium board does not have the right to approve or disapprove purchasers there is no limit on the number of owners who may purchase for investment rather than for personal occupancy and accordingly there may always be a substantial percentage of owners who are non-residents. Purchasers for their own occupancy may never gain control of the Condominium Board and owner-occupants and non-resident owners may have inherent conflicts on management of the condominium.

Limitations on Purchase of Units

There are no restrictions on who may purchase a Unit in the Condominium. However, the Sponsor hereby reserves the right at any time for any reason whatsoever to refuse to approve and execute (i) a Purchase Agreement for any Unit, and (ii) a Purchase Agreement or Agreements, as the case may be, for more than one (1) Unit to any one person or entity; provided, however, that neither the Sponsor nor the Selling Agent will discriminate in the sale or lease of Units on the basis of race, creed, sex, color, disability, marital status, sexual orientation, or national origin or other grounds prohibited by law.

Flood Emergency Egress Easement

The building does not provide code compliant egress from the second and third floor residential units during a flood emergency. The building has been designed as "nonresidential for flood zone purposes" with dry-floodproofing including flood shields, but this designation as "nonresidential" is not in compliance with NYC Building Code requirements, which classifies this building as "residential for flood zone purposes." A flood emergency for the purposes of this Offering Plan is defined as whenever the local governing authorities issue an evacuation order or a shelter in place order for the neighborhood in which the building is located due to the risk of flooding. The second and third floors egress though the cellar level which is below the design flood elevation and is dry floodproofed, with flood shields at the exits. As per 2014 BC G308.7.1, temporary stairs and ramps to provide elevated ingress and egress for dry floodproofed buildings shall not be permitted to serve as required means of egress for a dwelling unit. Therefore, in the case of a flood emergency, occupants of the second and third floor units are granted a right of egress through the living room areas of Units 1A, 1B, 1C and 1D on the first floor, to exit the building through the porches with access from the living rooms of those Units. Unit Owners of Units 1A, 1B, 1C and 1D must keep a path from the entrance doors of their Units to the living room door which accesses the porch unobstructed to allow emergency egress. This right of egress may only be used in the case of a flood emergency and only in a reasonable manner and will be included in the Condominium Declaration to be recorded. A reasonable manner of granting access to the first floor Units will be created, such as the installation of a combination lockbox in the hallway outside the first floor Units with keys to those Units. Sponsor has recorded an Emergency Egress Restrictive Declaration which includes the above easement on March 28, 2023, under CRFN 2023000076955. Please see the Architect's Report and the Emergency Egress Restrictive Declaration in Part II of this Plan for more details.

Flood Emergency Plan: Dry floodproofing measures that require human intervention to activate or implement prior to or during a flood, including temporary stairs or ramps, shall be permitted only when all of the following conditions are satisfied:

(1) The flood warning time (alerting potential flood victims of pending flood situation) shall be a minimum of 12 hours, unless the community operates a flood warning system and implements an emergency plan to ensure safe evacuation of flood hazard areas, in which case human intervention is allowed only if the community can provide a minimum flood warning time equal to or longer than the cumulative:

(a) time to notify person(s) responsible for installation of floodproofing measures, plus;
(b) time for responsible persons to travel to structure to be floodproofed, plus;

(c) time to install, activate, or implement floodproofing measures, plus;
(d) time to evacuate all occupants from the flood hazard area.

(2) All removable shields or covers for openings such as windows, doors, and other openings in walls and temporary stairs or ramps shall be designed to resist flood loads specified by code; and

(3) Where removable shields or temporary stairs or ramps are to be used, a flood emergency plan shall be approved by the authority having jurisdiction and shall specify, at a minimum, the following information: storage location(s) of the shields and temporary stairs and ramps; the method of installation and removal; conditions activating installation and removal; maintenance of shields and attachment devices and temporary stairs and ramps; testing sump pumps and other drainage measures; and inspecting necessary material and equipment to activate or implement floodproofing. The flood emergency plan shall be permanently posted in at least two conspicuous locations within the structure.

Contents of Part II

A detailed description of the physical condition of the Property is set forth in Part II as Document No. 1, entitled "Description of Property," which includes an architect's/engineer's report describing the property, and should be reviewed carefully by prospective purchasers. Floor plans of the Units are included as part of Document No. 1.

The agreement to purchase a Unit is called a "Purchase Agreement," the general form of which is set forth in Part II as Document No. 2. The terms of sale of Units, as well as the procedure to purchase the same, are summarized in Section "Procedure to Purchase."

The form of Unit Owner's Power of Attorney that each Unit Owner will be required to give to the Condominium Board and to Sponsor pursuant to Article 14 of the Declaration, is set forth as Document No. 4 in Part II of the Plan. The Power of Attorney permits the Condominium Board to file an instrument affecting the condominium with respect to compliance with laws, zoning, easements, etc. For more details see the form annexed hereto in Part II of the Plan.

The form of deed that Sponsor will issue to purchasers of Units is set forth as Document No. 5 in Part II.

The salient provisions of the Declaration of the Condominium (the "Declaration"), which is the document that establishes condominium ownership of the Property, and the By-Laws of the Condominium (the "By-Laws"), which govern the operation of the Condominium and to which are annexed the Rules and Regulations of the Condominium (the "Rules and Regulations"), are partially summarized in Section "Rights and Obligations of Unit Owners and Condominium Board" and are reproduced in full in Part II as Documents Numbers 6 and 7, respectively. Each Unit Owner is obligated to comply with the Declaration, the By-laws, the Rules and Regulations and any other requirement of the Condominium Board.

The Emergency Egress Restrictive Declaration referenced just prior to this Section is

included in Part II as Document No. 10.

Parts I and II constitute the entire offering and contain all the detailed terms of the offer. The exhibits submitted to the Department of Law in connection with the filing of the Plan contain additional supporting documentation. All of these are available for inspection and copying to prospective purchasers and their attorneys at the office of the attorneys for the Sponsor during regular business hours. There will be no charge for inspection. However, there will be a charge of forty cents ($0.40) per page for copying. The Plan and exhibits are also available for inspection, at no charge, and copying by appointment (at a current charge of $0.25 per page) at the Department of Law, 28 Liberty Street 21st Floor, New York, New York 10005. There is a $25.00 deposit required for each copy of the book, which will be refunded if it is returned to the Sponsor in good condition, normal wear and tear excepted.

THE PURCHASE OF A CONDOMINIUM UNIT HAS MANY SIGNIFICANT LEGAL AND FINANCIAL CONSEQUENCES. THE ATTORNEY GENERAL STRONGLY URGES ALL PURCHASERS TO READ THIS OFFERING PLAN CAREFULLY AND TO CONSULT WITH AN ATTORNEY BEFORE SIGNING A PURCHASE AGREEMENT.

D. DESCRIPTION OF PROPERTY AND IMPROVEMENTS

This description of the property and improvements is intended to provide a general outline of the land, building and Units, but shall not be interpreted as enlarging in any manner, directly or by reference, the obligations or liability of the Sponsor as set forth in this Plan. A more detailed description of the building and property, including the Engineer's Report and floor plans is set forth in the "Description of Property," Document No. 1 in Part II of the Plan.

The land is known by street address as 2478 East 11th Street, Brooklyn, New York. It is located at the corner formed by the intersection of the northerly side of Avenue Y with the westerly side of East 11th Street. The site is located in a R4 zone which is a general residence district zone and allows for Use Group 2 Residential Use as a matter of right.

The Common Elements consist of all that part of the Condominium Property or facilities servicing or benefiting all the Units comprising the Condominium, as defined in Section 339-e of the Condominium Act. The Common Elements include generally, and without limitation: (i) all parts of the building (other than the Units in the building) including but not limited to the foundation, roof and supports of the building; and (ii) all areas or facilities for the common use of all the Units of the building and Unit Owners. Common Elements consist of all portions of the Condominium Property which are not designated as Units or parts thereof. The cellar which includes the parking garage, with the exception of (a) the storage spaces and (b) the actual painted parking spaces, collectively will be a Common Element. The storage spaces and the parking spaces will be separate tax lots and are being offered for sale. Sponsor shall not provide individual security or protection for the Unit Owners' property.

There is one (1) building on the site which consists of three (3) stories and a cellar, and contains ten (10) residential Units, ten (10) parking Units, and ten (10) storage Units. The building has been vacant since it was newly constructed and received a Final Certificate of Occupancy on December 31, 2020. There is a parking garage in the cellar with eight (8) parking spaces and there are an additional two (2) spaces located in a driveway on Avenue Y. The outdoor parking spaces are for compact cars only and are also "tandem" parking spaces. If the outdoor spaces (P1 and P6) not sold to the same Unit Owner, the Unit Owners of each respective parking space will need to coordinate moving their cars for their neighbors' access to these spaces, as there is insufficient room for cars parked in these spaces to maneuver around one another. The Storage Spaces are located in the Cellar and are made up of foundation monolithic walls and partition walls are CMU concrete filled. Walls are painted finish. Ceilings are 4" concrete over steel decking. Doors and frames are commercial steel 90-minute fire rated. Locksets are commercial steel tubular storeroom door levers with keyed entry. The storage rooms range in size from approximately 21 sf to 39 sf. See "Schedule A - Offering Prices and Related Information" and the Architect's Report and Floor Plans in Part II of the Plan for further details.

Limited Common Elements generally are those Common Elements reserved for use and enjoyment by one or more Units. All Units will be allocated either a balcony or a terrace as Limited Common Elements. The 1st Floor Units are also allocated portions of the yard which surrounds the building. See Part II, "Description of Property" and Schedule A herein for specific details as to which Units are allocated which Limited Common Elements.

The property will be improved, and the Units built in accordance with all applicable zoning and building laws, regulations, codes, and other government requirements. The proposed project is governed by New York City zoning laws and the Building Code.

The Units and Common Elements will be built in accordance with this Plan and with the Plans and Specifications filed with the Department of Buildings as the same may be amended. The Units, when fully completed, will comply with all applicable rules, regulations, laws and other requirements of all governmental authorities having jurisdiction thereof, including those governing zoning and construction. The Plans and Specifications will be available for inspection at the Sponsor's office on the Property.

The approximate floor area (within reasonable tolerances) of the Units calculates the square footage of each Unit as measured horizontally from the exterior side of the exterior walls (columns, mechanical pipes, shafts, shaft ways, chases, chase ways, and conduits are not deducted) to the centerline of the partitions separating one Unit from another Unit, public corridors, stairs, elevators and other mechanical equipment spaces or any Common Elements not within a Unit. Each Residential Unit consists of the area measured vertically from the top of the concrete floor slab below to the underside of the finished ceiling.

The approximate floor area in the Schedule A is not based upon measurements from interior surfaces or interior walls, and the area compromising the Unit may be less than the area listed in Schedule A.

No Unit Owner shall be deemed to own the structural walls, supporting columns, pipes, wires, conduits or other public lines running through the Unit which are utilized for or serve more than one (1) Unit. Any area or installation which is designated on the Floor Plans as part of a Unit shall be considered as part of said Unit.

The Sponsor reserves the right to amend or modify such plans, specifications and description of property (including changes in area, floor plans and allocation of space, changes in materials, and other construction details) and substitute in place of any materials and other construction details set forth herein or in Document No. 1 in Part II of this Plan, materials and other construction details of Equal or Better Quality; provided that (i) the Sponsor may not materially change the Unit size, layout or percentage of Common Interest if a purchase agreement has been executed and delivered to the Sponsor for that Unit and the purchaser is not in default; and, Sponsor may not make any material change in the size nor any material adverse change in the quality of the Common Elements unless all purchasers consent. See Section "Changes in Prices and Units" for further details. All references in this Plan to "Plans and Specifications" shall mean the aforesaid plans and specifications for the Building prepared by the Sponsor's Architects and Engineers as the same may have, from time to time, been amended or changed, or may, from time to time, hereafter be amended or changed in accordance with the provisions of this paragraph.

Water supply and combined sewer servicing the building will be provided by the City of New York and shall be paid by the condominium Unit Owners as part of the Common Charges. Storm water is carried into the New York sewer system as is the entire sanitary waste from the

building.

There is no Natural gas service provided in the building.

Electricity is provided by Consolidated Edison. There shall be individual meters for electric consumption serving each Unit. Electricity utilized within the Units shall be billed directly to the condominium Unit Owner. There shall be a separate meter for the Common Elements. The electricity utilized for the Common Elements shall be paid by the condominium Unit Owners as part of the common charges.

As Common Charges do not include heating and cooling costs for each Unit, each Unit Owner is responsible for the payment of the electricity costs of his individual Unit. See Schedules B and B-1 for further details.

Telephone service will be provided by local cable providers as selected by Purchasers. Each condominium unit owner will be billed directly by provider.

The Sponsor is not providing blinds or shades to the Units. It will be the responsibility of each Unit Owner to provide them, at his or her own cost. See Part II, "Description of Property" for further details.

The building does not provide code compliant egress from the second and third floor residential units during a flood emergency. The building has been designed as "nonresidential for flood zone purposes" with dry-floodproofing including flood shields, but this designation as "nonresidential" is not in compliance with NYC Building Code requirements, which classifies this building as "residential for flood zone purposes." A flood emergency for the purposes of this Offering Plan is defined as whenever the local governing authorities issue an evacuation order or a shelter in place order for the neighborhood in which the building is located due to the risk of flooding. The second and third floors egress though the cellar level which is below the design flood elevation and is dry floodproofed, with flood shields at the exits. As per 2014 BC G308.7.1, temporary stairs and ramps to provide elevated ingress and egress for dry floodproofed buildings shall not be permitted to serve as required means of egress for a dwelling unit. Therefore, in the case of a flood emergency, occupants of the second and third floor units are granted a right of egress through the living room areas of Units 1A, 1B, 1C and 1D on the first floor, to exit the building through the porches with access from the living rooms of those Units. Unit Owners of Units 1A, 1B, 1C and 1D must keep a path from the entrance doors of their Units to the living room door which accesses the porch unobstructed to allow emergency egress. This right of egress may only be used in the case of a flood emergency and only in a reasonable manner and will be included in the Condominium Declaration to be recorded. A reasonable manner of granting access to the first floor Units will be created, such as the installation of a combination lockbox in the hallway outside the first floor Units with keys to those Units. Sponsor has recorded an Emergency Egress Restrictive Declaration which includes the above easement on March 28, 2023 under CRFN 2023000076955.

Flood Emergency Plan: Dry floodproofing measures that require human intervention to activate or implement prior to or during a flood, including temporary stairs or ramps, shall be

permitted only when all of the following conditions are satisfied:

(1) The flood warning time (alerting potential flood victims of pending flood situation) shall be a minimum of 12 hours, unless the community operates a flood warning system and implements an emergency plan to ensure safe evacuation of flood hazard areas, in which case human intervention is allowed only if the community can provide a minimum flood warning time equal to or longer than the cumulative:

    (a) time to notify person(s) responsible for installation of floodproofing measures, plus;
    (b) time for responsible persons to travel to structure to be floodproofed, plus;
    (c) time to install, activate, or implement floodproofing measures, plus;
    (d) time to evacuate all occupants from the flood hazard area.

(2) All removable shields or covers for openings such as windows, doors, and other openings in walls and temporary stairs or ramps shall be designed to resist flood loads specified by code; and

(3) Where removable shields or temporary stairs or ramps are to be used, a flood emergency plan shall be approved by the authority having jurisdiction and shall specify, at a minimum, the following information: storage location(s) of the shields and temporary stairs and ramps; the method of installation and removal; conditions activating installation and removal; maintenance of shields and attachment devices and temporary stairs and ramps; testing sump pumps and other drainage measures; and inspecting necessary material and equipment to activate or implement floodproofing. The flood emergency plan shall be permanently posted in at least two conspicuous locations within the structure.

Please see the Architect's Report and the Emergency Egress Restrictive Declaration in Part II of this Plan for more details.

10 Residential Units, 10 Parking Units & 10 Storage Units Offered for Sale											

Note: (B/T) = Balcony/Terrace; (Y) = Yard;

Note: All Residential Units are allocated either balcony/terraces, or a portion of the rear, front or side yards. Some Units have more than one of the above allocations. See floor plans for limited common element allocations.

Note: At closing, each Purchaser shall deposit an Initial Capital Payment equal to two (2) months' estimated monthly common charges for the unit. See Section "Working Capital Fund."

Note: At closing, each Purchaser shall pay an additional $3,500.00 to defray Sponsor's costs of forming the condominium. See Section "Unit Closing Costs and Adjustments."

Note: The limited common elements may not be used for any type of use classified as habitable space as defined by the New York City Building Code, such uses include but are not limited to using such spaces as a living room, bedroom or kitchen. To do so may result in a violation against the building being issued by the Buildings Department. In addition to the limited common elements, Units 1B, 1C, 2B and 2C each have within their Units an accessory storage room that has the same limitations as the limited common elements and may not be used as habitable spaces. The accessory storage room square footage is, however, included in the Unit Area column and such rooms are not classified as limited common elements.

Note: With regard to both the parking and storage spaces, purchasers are limited to purchasing one parking and/or storage space per residential unit with the exception of Parking Units P1 and P6, which are "tandem" spaces and may be purchased together or separately. See note below.

Note*: Parking Units P1 and P6 are for compact cars only. Additionally, Units P1 and P6 are "tandem" parking spaces. If P1 and P6 not sold to the same unit owner, the Unit Owners of each respective parking space will need to coordinate moving their cars for their neighbor's access to these spaces, as there is insufficient room for cars parked in these spaces to maneuver around one another. Pursuant to New York Multiple Dwelling Law §60, such spaces shall be used solely for the storage of passenger motor vehicles of the occupants of the multiple dwelling, except that, in the event such space or structure or part thereof is not used by such occupants, it may be rented by the owner or owners of such dwellings to persons other than the occupants thereof. The space which has thus been rented shall be made available to an occupant within thirty days after written request therefor. However, such space may be used also for the storage of any type of mechanical or motor-driven equipment or other accessory device, or passenger bus required for the proper maintenance of the site and of the dwellings thereon.

Note**: Parking space P5 has been designated as a handicapped parking space and will be the last parking space sold if not previously sold to a purchaser who themselves or a member of their family has a vehicle with handicapped plates. Please see the "Special Risks" and "Description of Property" sections of the Plan.

G. NOTES TO SCHEDULE A

1. The layout and dimensions may be slightly different than the Floor Plans shown in the Offering Plan. Accordingly, each Unit should be inspected prior to purchase to determine its actual dimensions, layout and physical condition. The areas shown are, within reasonable tolerances, the usable floor spaces of the Units. The number of bedrooms in each Unit is computed in accordance with the standards established by the New York City Building Code. See the "Description of Property" set forth in Part II for a more detailed description of the Units and the rooms, including floor plans of the Units.

   The approximate floor area (within reasonable tolerances) of the Units calculates the square footage of each Unit as measured horizontally from the exterior side of the exterior walls (columns, mechanical pipes, shafts, shaft ways, chases, chase ways, and conduits are not deducted) to the centerline of the partitions separating one Unit from another Unit, public corridors, stairs, elevators and other mechanical equipment spaces or any Common Elements not within a Unit. Each Residential Unit consists of the area measured vertically from the top of the concrete floor slab below to the underside of the finished ceiling.

   The approximate floor area in the Schedule A is not based upon measurements from interior surfaces or interior walls, and the area compromising the Unit may be less than the area listed in Schedule A.

   Purchasers are advised that, after the closing, for disputes related to room dimensions diminished by 5% or less, there is a rebuttable presumption that such diminishment is immaterial, and therefore shall not be considered as a basis for rescission. Purchasers should consult with their attorney and engineer/architect on this issue prior to closing. See "Notes to Schedule A."

   Note: No Unit Owner shall be deemed to own the structural walls, supporting columns, pipes, wires, conduits or other public lines running through the Unit which are utilized for or serve more than one (1) Unit. Any area or installation which is designated on the Floor Plans as part of a Unit shall be considered as part of said Unit. Vertically, each Unit consists of the non-structural walls, floors and ceilings that are interior to the Unit, including but not limited to hardwood floors, interior walls and ceilings surfaces and the space between the upper face of the subfloor and the upper face of the dry wall ceiling.

   Notwithstanding anything contained in this Plan to the contrary, each Unit Owner shall have the right, exercisable at any time and from time to time, to install, at such Unit Owner's sole cost and expense, such decorations, fixtures and coverings (including, without limitation, painting, finishing, wall papering, carpeting, pictures, mirrors, shelving and lighting fixtures) on the surfaces of the walls, ceilings and floors that face the interior of such Unit Owner's Unit and to a depth of one inch behind such surfaces for the purposes of installing nails, screws, bolts and the like, provided that no such installation shall impair the structural integrity of such Unit or of the Building.

2. Prices are negotiable. The Sponsor reserves the right to change the offering prices set forth in

Schedule A. These offering prices, however, may only be changed by a duly filed amendment to this Plan when the change in price is an across-the-board change affecting one or more lines of Units or is to be advertised or is a price increase for an individual purchaser. However, the prices for the Units are negotiable and the Sponsor may enter into an agreement with a purchaser to sell one or more Units at prices lower than those set forth in Schedule A. See Section "Changes in Prices and Units." See Section "Unit Closing Cost and Adjustments" which discloses and explains the closing costs and adjustments that a purchaser has to pay.

Sponsor reserves the right to negotiate with purchasers all aspects of the purchase price of the Unit, including but not limited to: renovations or improvements to the apartments or the fixtures or equipment contained therein or credits or allowances therefore; amount of down payment; the terms of financing contingency in the event the Sponsor agrees to permit the same; extension of period to secure financing; default clause; application of the interim lease rental payment towards the purchase price; payment of all or part of purchaser's closing or financing costs such as closing costs, attorneys' fees, origination fees, commitment fees and waiver or reduction of the attorney's fees set forth in the offering plan; and any and all other costs relating to the cost of acquiring title to the Unit. Furthermore, the Sponsor reserves the right to amend the Plan from time to time to add and/or delete negotiable terms.

3. In accordance with Section 339-i (1)(iv) of the New York State Condominium Act, the Common Interests of each of the Units have been allocated based upon floor space, subject to the location of such space and the additional factors of relative value to other space in the condominium, the uniqueness of the Unit, the availability of common elements for exclusive or shared use, and the overall dimensions of the particular Unit. Such Percent Common Interest is used in determining the Unit's Common Charges.

4. Common Charges have been estimated by the Sponsor and include fire insurance for the Building and liability insurance for the Common Elements, and maintenance and operation of the Common Elements. Common Charges exclude repair or decoration to the inside of the Units, electricity for each Unit and insurance for personal effects. Common Charges have been estimated by the Sponsor based on the estimated operating budgets annexed as Schedule B to this Plan. See Schedule B-1 for individual electricity expenses for the Units.

5. The real estate tax estimates set forth in Schedule A are based on an opinion letter by Metropolitan Realty Exemptions, Inc., the Sponsor's expert, with an office address at 349 Keap Street, Brooklyn, NY 11211.

Estimated real estate tax assessments are determined using various factors including sales price, square footage, location of the Unit, availability of limited common elements and/or access to common elements. No assurances can be given that the taxing authorities will assess the building and allocate the assessments in the same manner and the actual assessments may not be in the same proportion as the common interests set forth in Schedule A.

After separate tax lots are apportioned, each Unit will be taxed as a separate lot for real estate tax purposes and the Unit Owner will not be responsible for the payment of, nor will the Unit be subject to, any lien arising from the non-payment of taxes on other Units.

As per Rules and Regulations set by the Department of Finance multiple residential Class A Units would be categorized as a tax Class 2, with the current tax rate of 12.235%. (i.e., $12.235 per $100 of assessed value, the final 2021/2022 tax rates). Purchasers should note that the tax estimates provided are based on current tax rates and may be subject to change based on the fluctuation of tax rates.

The total assessed value and real estate tax liabilities for the building, after reassessment, which should occur at the start of each fiscal year, following completion of construction, will be approximately as follows:

Residential Tax Liability	
Assessed Value	$602,100
Tax Liability	$73,677

6. All projected total carrying charges are for the projected first year of operation beginning April 1, 2023. **NOTE**: Sponsor has not obtained, nor is it offering, permanent financing commitments to purchasers. Therefore, if a purchaser obtains financing, debt service on such financing will be a monthly expense additional to the total charge listed. In addition, prospective purchasers will be required to pay at closing, among other things: (i) two (2) months' Common Charges to be used as working capital; (ii) New York City and State transfer taxes; (iii) $3,500.00 to defray Sponsor's costs of creating the condominium. See section entitled "Closing Costs and Adjustments" below.

H1. NOTES TO SCHEDULE B

1. Salaries and Wages, Payroll Taxes and Benefits: Superintendent

The Administrative Code of the City of New York § 27-2052, et seq., requires one of the following when a building has nine (9) or more [rental] Units: (1) that the owner performs the janitorial services; or (2) that there be a full time superintendent who resides in the building or within 200 feet of the building; or (3) that there be a janitorial service approved by the Department of Buildings available 24 hours per day. The Managing Agent will take responsibility for the hiring of a janitorial service, that will be employed to ensure the upkeep of the building. The cost of the janitorial service will be $2,574.00 annually based on three (3) hours of weekly service at a $15.00 hourly rate. Staffing will comply with the requirements stated above.

Each Unit Owner will be responsible for his own refuse removal.

2. Management

The Sponsor, 21Y, LLC with an address of 369 Avenue X, Brooklyn, NY 11223, will be the Managing Agent of the Building for the first year of condominium operation. Sponsor will not charge the Condominium a management fee for the first year. After the first year, the Sponsor may charge a fee similar to the prevailing rate for such services for buildings similar in size and location to this building which will result in an approximate increase to the Budget of 10-15%. At that time, the Unit Owners may choose to enter into a contract with another managing agent. In either case, the Common Charges may need to be increased.

3. Gas, Hot Water

The Building does not have any gas service. All power for appliances, heating/cooling and hot water will be by electricity. Each Unit will have individual heating and cooling electrical systems. Each Unit will have its own electric meter and the charges therefore will be paid directly to the utility company by Unit Owners. Estimates for individual Unit electricity costs are set forth in Schedule B-1.

4. Electricity, Heating & Cooling

This item includes the cost of electricity use in the common areas (lighting and convenience outlets), elevator usage, and electric heaters located in the garage, lobby, and elevator area hallways. The budgeted figure for this expense is $6,246.00 as provided in an estimate from by Stone Edge Management, 18 Spencer Street, Suite 801, Brooklyn, NY 11205, and includes a 10% increase:

Estimated usage in KwH:	18,927
Cost per KwH:	$0.30
Estimated total annual cost (including 10% increase):	**$6,246.00**

Each Unit will have individual heating and cooling electrical systems. Each Unit will have

its own electric meter and the charges therefore will be paid directly to the utility company by Unit Owners. Budgets for individual Unit electricity costs are set forth in Schedule B-1.

5. Water and Sewer

The building will be metered for water and sewer usage by the City of New York Department of Environmental Protection in accordance with current law. The amount budgeted for this item is $8,970.00 which is based on estimated daily usage of 1,500 gallons of water for the building (including all Units and Recreation Room usage) and converted to cubic feet (CF) by dividing by 7.48. The estimate is provided by Stone Edge Management, 18 Spencer Street, Suite 801, Brooklyn, NY 11205:

Estimated Consumption

Estimated Daily Usage		=	200.53 CF
Estimated Annual Usage		=	73,195.19 CF
Convert to Hundred CF (HCF)	73,195.19 / 100	=	731.95 HCF

Estimated Water & Sewer Rates

Water Charge:		=	$4.30 / HCF
Sewer Charge:	159% of water charge	=	$6.84 / HCF

	Usage		**Rate per HCF**		**Cost**
Water Charges:	731.95 HCF	x	$4.30 / HCF	=	$3,147.39
Sewer Charges:	731.95 HCF	x	$6.84 / HCF	=	$5,006.55
Total:					$8,153.94
Estimated Charges (Including 10% Inflation):					**$8,970.00**

6. Elevator

There is one (1) elevator provided for all Units. The cost for elevator maintenance and electricity will be $5,000.00 for the first year of condominium operation. It will be regularly and systematically examined, adjusted and lubricated as required by a qualified contractor. The contractor will use all reasonable care to maintain the elevator equipment in proper operating conditions. If conditions warrant, the contractor will repair and replace the necessary parts and devices to maintain the operation upon request.

7. Repairs and Maintenance; Services and Supplies

The projected amount does not include repairs, painting, maintenance, or supplies for the interior of the Units, all of which are the responsibility of the individual Unit Owners.

The budgeted figure is based upon an estimation by the budget expert of repairs to the interior of the building, the roof, the exterior of the Building (including walls, foundations, windows, doors, and locks), the plumbing and electrical systems, elevator maintenance and electric

costs, and includes various supplies (such as cleaning supplies and materials, lubricants, bulbs, public fixtures, general and hardware supplies), painting of common areas and maintenance of parking areas. Inasmuch as this is a new construction, repairs and maintenance should be minimal. However, the Sponsor does not warrant that this will be the case. At the present time there are no maintenance contracts. However, if any services are needed, the Contingency Fund may be used.

The following is a breakdown of the repairs and maintenance:

Repairs	$1,000.00
Cleaning	$500.00
Supplies	$500.00
TOTAL:	**$2,000.00**

No service contracts will be in effect as of the closing.

8. General Insurance

The following insurance is available for the Property for the first year of condominium operations as set forth in a letter from First Fidelity Brokerage, Inc., a licensed insurance broker with an address of 1140 Avenue of Americas, 9th Floor, New York, NY 10036, dated June 24, 2022:

Items Covered	**Deductible**	**Coverage Limits**
General Liability:	--	$1,000,000
Property All-risk Perils Building Replacement Cost (No Co-Insurance):	$10,000	$3,000,000
Flood:	$25,000	$1,000,000

Projected Annual Premium: **$10,000.00**

The coverage limits for the building are based upon the current replacement cost for the Building (excluding excavation and foundation) estimated by a licensed insurance broker, which, in his opinion, is adequate so that the insured shall not be a co-insurer. Flood coverage is included for FEMA Flood Zone X and accounts for the flood protection gates. Should the Condominium board desire to purchase additional insurance each additional coverage may increase the insurance premium by 25% or more. In order to safeguard the investment of its Unit Owners in the event of a substantial or total destruction of the Building, the Condominium Board should periodically review the amount of casualty insurance for the Building to ensure that the amount of coverage equals the Building's then replacement cost. The insurance coverage will meet the requirements of the Sponsor or any mortgage lender procured by the Sponsor.

The fire, casualty and general liability insurance will be on terms that provide: (1) that each Unit Owner is an insured party; (2) that there will be no cancellation without notice to the Condominium Board and the Unit Owners; (3) a waiver of subrogation; (4) a waiver of invalidity because of the acts of the insured and Unit Owners; and (5) a waiver of pro rata reduction if Unit

Owners obtain additional coverage. The condominium will have public liability insurance at closing.

This coverage does not include claims for personal injury or property damage resulting from occurrences in a Unit, nor does it include coverage of the furniture or personal property of Unit Owners. Therefore, each Unit Owner should consider the desirability of obtaining additional insurance at his or her own cost covering among other items (i) fire or casualty losses to the contents of his or her Unit and any replacements, additions, upgraded fixtures and improvements therein, (ii) personal property, and (iii) liability for personal injury as a result of occurrences in the individual Unit. In the event of a loss, the claim is made payable to the named insured (the Condominium Board).

There is no provision for insurance covering indemnification of Board members. It is at the discretion of the Condominium Board to obtain such coverage, the cost of which will be borne by the Unit Owners as a Common Expense.

9. Legal Fees and Audit Fees

A portion ($500.00) of the budgeted item will be used for auditing fees in connection with the preparation of the first year's audited financial statements of the Condominium and its Federal, State and City income tax returns. The estimate for accounting fees is based on a letter from Stan Kosyakovskiy, a CPA with ODIS Management Inc., dated June 27, 2022. An allowance ($500.00) is provided for miscellaneous (but not major) legal services, such as but not limited to, hiring an attorney to attend Unit Owner meetings and Board Member elections, in the event the Condominium Board decides to engage an attorney.

10. Building Phone Line

This item includes the cost of a dedicated phone line for the use of the building in case of emergency. Service will be provided by local telephone service provider.

11. Fire Alarm Monitoring

The budgeted item is for monthly monitoring service for the fire alarm which includes as part of its system, a required dedicated phone line.

12. Reserve Fund

This item is to be used as a yearly reserve fund to be set aside and used for periodic capital replacements, or necessary repairs of common elements. The basis of the figure projected for this item is approximately ten percent (10%) of the entire budget. The amount budgeted is projected to be sufficient to pay for any major capital repairs or replacements, or necessary repairs of common elements, likely to be needed within the first five (5) years of condominium operation.

IN THE OPINION OF STONE EDGE MANAGEMENT, 18 SPENCER STREET, SUITE 801, BROOKLYN, NY 11205, THE PROJECTED RECEIPTS ARE ADEQUATE TO MEET

THE ESTIMATED EXPENSES FOR THE CONDOMINIUM BOARD' FIRST YEAR OF OPERATION, ASSUMING SUCH FIRST YEAR TO BE THE FISCAL YEAR COMMENCING APRIL 1, 2023. THE FOREGOING SCHEDULE, HOWEVER, IS NOT INTENDED, AND SHOULD NOT BE TAKEN, AS A GUARANTEE BY ANYONE THAT THE ANNUAL COMMON CHARGES OR EXPENSES FOR THE FIRST YEAR OR ANY SUBSEQUENT YEAR OF OPERATION OF THE BUILDING BY THE CONDOMINIUM BOARD WILL BE AS SET FORTH IN SAID SCHEDULE AND IT IS LIKELY THAT THE ACTUAL ANNUAL COMMON CHARGES OR EXPENSES WILL VARY FROM THE ACTUAL AMOUNTS SHOWN IN THE SCHEDULE.

THE SPONSOR HAS RESERVED THE RIGHT TO MODIFY, RENEW AND REPLACE EXISTING SERVICE, MAINTENANCE, EMPLOYMENT CONCESSIONAIRE AND OTHER AGREEMENTS AND INSURANCE POLICIES, AND TO ENTER INTO NEW AGREEMENTS AND POLICIES THAT WILL BE BINDING ON THE CONDOMINIUM BOARD ON THE CLOSING DATE. ANY SUCH NEW AGREEMENT WHICH HAS THE EFFECT OF MATERIALLY INCREASING COMMON CHARGES OR IS BINDING ON THE CONDOMINIUM BOARD FOR MORE THAN TWO YEARS WILL BE DISCLOSED BY A DULY FILED AMENDMENT TO THIS PLAN.

IN THE EVENT THAT THE ACTUAL OR ANTICIPATED DATE OF COMMENCEMENT OF CONDOMINIUM OPERATION DIFFERS FROM THE BUDGET YEAR PROJECTED HEREIN BY MORE THAN SIX (6) MONTHS FROM THE ANTICIPATED DATE OF THE CLOSING OF THE FIRST UNIT, THIS PLAN WILL BE AMENDED TO INCLUDE A REVISED BUDGET WHICH WILL DISCLOSE NEW PROJECTION. IF SUCH NEW PROJECTIONS EXCEED THE PROJECTIONS CONTAINED HEREIN BY TWENTY-FIVE PERCENT (25%) OR MORE, THE SPONSOR WILL OFFER ALL PURCHASERS THE RIGHT FOR NOT LESS THAN FIFTEEN (15) DAYS FOLLOWING THE PRESENTATION OF SUCH AMENDMENT TO RESCIND THEIR OFFER TO PURCHASE AND HAVE THEIR DOWN PAYMENTS REFUNDED.

IN THE EVENT THAT THE ACTUAL OR ANTICIPATED DATE OF COMMENCEMENT OF CONDOMINIUM OPERATION IS DELAYED BY TWELVE (12) MONTHS OR MORE FROM THE ANTICIPATED DATE OF CLOSING, THE SPONSOR WILL AMEND THE PLAN TO OFFER ALL PURCHASERS THE RIGHT FOR NOT LESS THAN FIFTEEN (15) DAYS FOLLOWING THE PRESENTATION OF SUCH AMENDMENT TO RESCIND THEIR OFFER TO PURCHASE AND TO HAVE THEIR DOWN PAYMENTS REFUNDED.

IF A RIGHT TO RESCIND IS EXERCISED, THE DOWN PAYMENT WILL BE REFUNDED WITHIN FIFTEEN (15) DAYS OF THE SPONSOR'S RECEIPT OF THE NOTICE OF RESCISSION.

SPONSOR MAY NOT DECLARE A PLAN EFFECTIVE WHERE THERE ARE ANY MATERIAL CHANGES TO THE BUDGET IF THESE CHANGES HAVE NOT BEEN DISCLOSED BY A DULY FILED AMENDMENT TO THE OFFERING PLAN.

3B	11,200	$0.30	$308.00	$3,696.00

I1. NOTES TO SCHEDULE B-1

1. Each Unit Owner will be responsible for the cost of electricity service (for all electricity needs including heating and cooling) supplied to his Unit. The building contains electric meters for each of the residential Units. Charges for each Unit will be payable directly to the utility company. The building also has an electric meter for the common areas. Common electric charges are set forth in Schedule B.

2. The above information is based upon a survey and estimate provided by Stone Edge Management, with an address of 18 Spencer Street, Suite 801, Brooklyn, NY 11205 dated July 21, 2022. The building uses electricity for all power needs. Usage and costs vary based on the location and area of the Units. For example: the yearly electricity costs for Unit 2A are estimated based on current Con Edison rates of $0.30 per KwH and projected usage of 7,700 KwH per year, for approximately $2,541.00 including a 10% increase. The figures for the other Units have been calculated accordingly. The estimate factors in (i) home heating based on maintaining a 70-degree temperature for 16 hours during the day and a 60 degree temperature for 8 hours during the night; and (ii) cooling adequate to maintain a 72 degree indoor temperature when the heat temperature outside is 93 degrees.

3. The estimated costs are subject to change based on changes in Con Edison rates.

ALTHOUGH SPONSOR BELIEVES THAT THE FOREGOING IS ACCURATE, NO WARRANTY OR GUARANTY IS BEING MADE BY SPONSOR, MANAGING AGENT, OR ANY OTHER PERSON OR ENTITY AS TO WHAT THE SEPARATELY METERED ELECTRICITY COSTS MAY BE.

COMPLIANCE WITH REAL PROPERTY LAW § 339-i

Re: Certa House Condominium
2478 East 11th Street, Brooklyn, New York

To Whom It May Concern,

I am not the selling agent or managing agent for this property. I am familiar with condominium units in the area have over twelve (12) years of experience in real estate management. I have consulted with and advised other sponsors as to the allocation of their interests in the common elements.

The method selected for calculating the percentage of common interests in the condominium pursuant to Real Property Law Section 339-i (1) is subparagraph (iv), which provides:

> "(iv) the Common Interests of each of the Units have been allocated based upon floor space, subject to the location of such space and the additional factors of relative value to other space in the condominium, the uniqueness of the unit, the availability of common elements for exclusive or shared use, and the overall dimensions of the particular unit."

The percentages of interest in the common elements in this condominium have been allocated to the units in accordance with the above factors in compliance with Real Property Law Section 339-i (1) (iv).

K. CHANGES IN PRICES AND UNITS

Changes in Purchase Price

The Sponsor reserves the right at any time and from time to time prior and subsequent to the date of transfer of title to the first Unit, to increase or decrease the amount of the purchase price of one or more Units from the amounts shown in the Section entitled "Schedule A: Offering Prices and Related Information."

The offering prices set forth in Schedule A of the offering plan may be changed only by a duly filed amendment to the Plan when the change in price is: (i) an across-the-board increase or decrease affecting one (1) or more lines of Units or Unit models; (ii) is to be advertised; (iii) is a price increase for an individual purchaser. However, the prices for the Units are negotiable and the Sponsor may enter into an agreement with a purchaser to sell one or more Units at prices lower from those set forth in Schedule A.

No change will be made in the size or number of Units and/or their respective percentages of common interest, and no material change will be made in the size or quality of common elements, except by amendment to the plan, and, when applicable, to the Declaration. A decrease in area of 5% or less could be material and trigger a right of rescission. However, there is a rebuttable presumption that an area that is diminished by 5% or less is not material.

Unless an affected purchaser consents, no material change will be made in Unit size, layout, or percentage of common interest if a purchase agreement has been executed and delivered to the Sponsor for that Unit and the Purchaser is not in default. Unless all purchasers consent, no material change will be made in the size and no material adverse change will be made in the quality of common elements, including expanding a Unit to use common elements designated for any amenity, the lobby, or that interfere with the ingress or egress for any other Unit Owner.

In the event of a change in the purchase price of one or more Units, the purchaser of a Unit may pay or have paid more or less than other purchasers of comparable Units having the same Common Interest. However, such a change shall not affect the Common Charges or Common Interest of any Unit (including Units whose purchase prices have changed), nor affect the purchase price stated in any Purchase Agreement then in effect.

Changes in Size, Layout and Number of Units

In order to meet the possible varying demands for number and type of Units, or to meet the particular needs of prospective purchasers, or for any other reason, Sponsor reserves the right to change: (a) the layout of, or number of rooms in, Unsold Units and (b) the size and/or number of Unsold Units by subdividing one or more Unsold Units into two or more separate Units, by combining two or more separate Unsold Units into one or more Unsold Units, by altering the boundary walls of any Unsold Unit(s), or otherwise, including, without limitation, the use of any portion(s) of the Common Elements adjacent to such Unsold Units to the extent that such portion(s) are not required to be maintained as Common Elements pursuant to the terms of the By-Laws. Subject to the terms of this section, such right may be exercised by Sponsor from time to time,

both before and after the First Closing, and without the consent or approval of the Selling Agent, the Managing Agent, the Condominium Board, any Unit Owner, or any mortgagee, so long as such changes do not compromise the structural integrity of the building. However, Sponsor shall first obtain the approval of all governmental authorities having jurisdiction thereof whose approval is required by law. In addition, there may be no change in the number of Units at any time without an amendment to the offering plan.

Once the Declaration is recorded, no change may be made in the number of Units or number of rooms within a Unit, nor may the size of any Unit be changed by subdivision or combination or alteration of boundary walls as aforesaid, or otherwise, nor may the Common Interest of any Unit be changed, unless reflected in a duly recorded amendment to the Declaration. As more particularly provided in the Declaration, Sponsor or its designee as the Owner of an Unsold Units, will have the right itself to so amend the Declaration to effectuate such change, without the Condominium Board, the other Unit Owners, or any mortgagee consenting to, or executing, such amendment. However, no change of a Unit's Common Interest will be made without obtaining the prior consent of all affected Unit Owners. In addition, no change will be made in the Unit size, layout or Common Interest of any Unit for which a Purchase Agreement is in effect, without obtaining the prior written consent of the Purchaser thereof. Additionally, no material change will be made in the size or layout and no material adverse change will be made in the quality of the Common Elements unless all purchasers who have signed Purchase Agreements have consented thereto. Therefore, Sponsor must first obtain the consent of all purchasers who have signed Purchase Agreements before amending the Declaration to reflect such change.

L. INTERIM LEASES TO PURCHASERS

All Units will be delivered vacant by the Sponsor unless the purchaser has entered into an interim lease and Units may not be occupied unless it is pursuant to an interim lease executed in conjunction with an executed purchase agreement. No purchaser shall have the right to occupy the Unit purchased by him prior to the closing unless Sponsor-Seller agrees to permit such occupancy under an interim lease. With respect to agreeing to allow an interim lease, Sponsor and its agents will not discriminate on the basis of race, creed, color, national origin, sex, age, disability, marital status or other grounds prohibited by law. The purchaser may not occupy the Unit or perform any work in the Unit prior to closing without the prior consent of the Sponsor. Such an event shall constitute a default under the terms of the Purchase Agreement. In the event Purchaser enters into an Interim Lease and Purchaser defaults on the Purchase Agreement and fails to close, and after notice form Sponsor to vacate Purchaser fails to vacate, Purchaser will pay Sponsor $250.00 per day for each day he remains in possession beyond the 30th day following mailing of the Notice to Vacate. See Section "Procedure to Purchase" and the general form of lease as set forth as Document No. 9 in Part II of the Plan for further details.

These Units are not subject to rent stabilization or rent protection laws. The lease shall be prepared substantially in accordance with Document No. 9 in Part II of the plan. The term of such lease shall be subject to negotiation. No Units will be leased before consummation of the plan unless it is an interim lease in combination with a purchase agreement.

If Sponsor-Seller elects to lease contracted-for Unit, the lease will be for such rent and other terms as may be mutually agreed upon. Such lease will also provide that an uncured default by the purchaser under his Purchase Agreement will constitute a default under the lease entitling the landlord (i.e., Sponsor-Seller), at its sole option, to immediately terminate such lease. The Purchase Agreement contains a similar cross-default provision entitling the Sponsor to cancel the Purchase Agreement in the event the purchaser fails to cure a default under his lease within the applicable grace period (if any) and purchaser has vacated the contracted-for Unit. Before the Sponsor may utilize the default under the lease to declare a default under the purchase agreement, the Sponsor must either obtain an order of eviction or other judgment or order from a court or agency of competent jurisdiction against the lessee unless the lessee has vacated the Unit. The interim lessee will have thirty (30) days to vacate the contracted-for Unit after a default under the Purchase Agreement or in the event the lessee rescinds the Purchase Agreement. Sponsor must make a written demand for payment after default at least 30 days before forfeiture of the deposit may be declared.

By entering into an interim lease agreement, purchaser represents that he/she is informed that smoking, which includes carrying, burning, or otherwise handling or controlling any lit or smoldering product containing tobacco or cloves, including but not limited to cigarettes, cigars, pipes or electronic cigarettes, shall be permitted only inside a Unit or in an outdoor Limited Common Element that is connected to a Unit. Smoking anywhere else in the Condominium shall be prohibited, including, but not limited to, in indoor and outdoor Common Elements. Purchaser agrees that Purchaser shall not smoke, or permit smoking by any occupant, agent, tenant, invitee, guest, friend, or family member anywhere on the property except in Purchaser's Unit or in any outdoor Limited Common Element that is connected to the Unit. Purchaser is aware that Smoking

in violation of this rule shall constitute a nuisance pursuant to the terms and provisions of the By-Laws and shall be subject to a fine as reasonably determined by the Condominium Board.

Prior to the first closing, the entire building will be insured by the Sponsor; after the first closing, the entire building will be insured by the condominium. The Sponsor assumes the risk of loss from fire or other casualty for a Unit until the purchaser of said Unit assumes the risk of loss by taking possession of the Unit pursuant to an interim lease. A person in possession who is not an owner cannot insure the Unit since he or she has no ownership interest, and the Unit cannot be doubly insured. Therefore, a purchaser who takes possession of the contracted-for-Unit prior to closing pursuant to an interim lease assumes the risk of losses not covered by insurance. If the Unit is damaged prior to closing the purchaser in possession's failure to make repairs will not excuse them from paying the balance of the purchase price and accepting delivery of the deed for the contracted-for Unit.

M. PROCEDURE TO PURCHASE

A person desiring to purchase a Unit will be required to execute, in triplicate, a Purchase Agreement in the form set forth as Number 2 in Part II of the Plan. Purchaser must deliver all of the above documents to the Selling Agent, together with a check for the down payment payable to the order of "Lowenthal P.C. as Attorney." The down payment shall be 10% of the purchase price and is subject to negotiation; however, in no event shall the down payment be less than $5,000.00. The Purchase Agreement contains the terms and conditions upon which the Unit will be sold and should be read carefully by the prospective Purchaser and his or her legal or financial representative before being executed.

A purchaser seeking financing will be responsible for all fees and costs imposed by the lender, including (but not limited to) appraisal and origination fees (if any). It is possible that a purchaser's financing commitment may expire prior to the Closing and purchaser will incur additional costs.

Purchasers shall have at least three (3) business days to review the Plan and all filed amendments prior to executing a Purchase Agreement.

A Purchase Agreement submitted by any prospective purchaser will not be binding on the Sponsor until a fully executed duplicate original of such Purchase Agreement is returned to such prospective purchaser. Within twenty (20) days after the purchaser delivers an executed Purchase Agreement together with the required deposit, the Sponsor will either accept the Purchase Agreement and return a fully executed counterpart to the purchaser, or if not returned within such time, the Purchase Agreement will be deemed rejected and all monies submitted with such Purchase Agreement will be promptly returned to such prospective purchaser, with interest, if any. Sponsor may reject any Purchase Agreement without cause or explanation so long as such rejection is not based upon race, creed, color, national origin, ancestry, sex, or any other ground prohibited by law.

Notice of Closing

After the Plan is declared effective, Sponsor will give each Purchaser not less than thirty (30) days' prior written notice of the date, time and place (in The City of New York) for the transfer of title to his or her Unit TIME OF THE ESSENCE. Such notice will be served in compliance with Section 20.1(d)(1) no less than thirty (30) days before the date set for the closing of the Units. Purchaser at his option may waive this thirty (30) day notice provision as provided for in the Purchase Agreement.

At title closing, such Purchaser shall pay the balance of the Purchase Price stated in the Purchase Agreement by his or her unendorsed certified personal check or by official cashier's check drawn on a New York bank, a member of the New York Clearing House Association, and execute a Unit Owner's Power of Attorney to the Condominium Board which provides for the Condominium Board to acquire a Unit from an individual Unit Owner if such owner sells the Unit to the Condominium Board. Paying the balance of the Purchase Price and returning the Unit Owners Power of Attorney are conditions precedent to closing and must be completed at or before

the closing in order to close on a Unit.

The Sponsor anticipates that the first closing of a Unit will occur by April 1, 2023. Purchasers will be offered a right of rescission if: (i) the actual date of closing of title to the first unit; or (ii) the projected date of closing of title to the first Unit occurs later than March 31, 2024, twelve (12) months after the projected date for the first closing. If the Plan is amended to provide for a later projected date for the first closing, purchasers who enter into purchase agreements after the amendment is accepted for filing will be entitled to an offer of rescission if the first closing occurs more than twelve (12) months beyond that amended, later date.

Purchasers should note that even if the first closing occurs on or before April 1, 2023 (or such other date projected as the date of commencement of condominium operation at the time the Purchase Agreement was entered into) or within the twelve-month period thereafter, the closing of subsequent Units may be substantially delayed beyond such dates. In such case, provided that Sponsor is otherwise in compliance with its obligations under the Plan, Purchaser will not be entitled to a right of rescission or to make claims against the Sponsor for damages or losses as a result of such delays and will not be excused from paying the full Purchase Price for the Unit. PROSPECTIVE PURCHASERS SHOULD THEREFORE CAREFULLY CONSIDER THE POSSIBILITY OF SUCH DELAYS IN THEIR DETERMINATION AS TO WHETHER TO PURCHASE A UNIT.

Terms of Purchase Agreement

The following is a summary of certain material provisions of the Purchase Agreement but is not intended as a complete statement of these or other important provisions of the same. Reference should be made to the form of Purchase Agreement set forth as Document No. 2 of the Plan for the complete terms of these and other material provisions:

(a) Incorporation of the Plan. The Plan (including, without limitation, the Condominium Documents contained in Part II of the Plan), and any amendments thereto duly filed by Sponsor are incorporated into each Purchase Agreement by reference. The execution and submission of a Purchase Agreement constitutes Purchaser's acceptance of the Plan (Parts I and II) and his or her agreement to abide and be bound by the terms of the same, as well as all amendments to the Plan duly filed by Sponsor. No Purchaser shall have the right to approve or consent to any such amendments, including, without limitation, any changes, modifications, or updating of the estimated Common Charges or estimated real estate taxes and assessments to be paid by the Purchaser on Schedule B -- "Budget for First Year of Condominium Operation" and no such amendment will excuse a purchaser from performing his or her obligations under a Purchase Agreement or entitle such purchaser to any credit or offset against the purchase price set forth therein. However, if an amendment materially adversely affects the rights, obligations, or liabilities of then existing Purchasers, Purchasers will be given the right to rescind their Purchase Agreements by notifying Sponsor within fifteen (15) days of presentation of such amendment and will receive a refund of their Down Payments, without interest (unless interest is earned), within fifteen (15) days after Sponsor's receipt of Purchaser's election to rescind.

(b) Funds. All funds received from prospective purchasers by the Sponsor will be handled

in accordance with the provisions of Sections 352-h and 352-e(2)(b) of the General Business Law and Section 71-a(3)(a) of the Lien Law and shall be used by the Sponsor only in connection with the consummation of the Plan. Section 71-a(3) of the Lien Law requires, at the purchaser's option, that the deposit funds be placed in an escrow account in a bank trust company, savings bank, or state or federal savings and loan association located in New York State. Said monies must be deposited within five (5) business days of the Sponsor's receiving them. The Sponsor must advise the purchaser in writing within ten (10) business days after the deposit has been made of the name of the depository where the funds have been placed.

All funds received by the Sponsor for upgrades or extras must initially be placed in the escrow account. However, purchasers should note as a special risk that such funds may be released from the escrow account by the escrow agent as long as the Sponsor uses the funds for such upgrades or extras. As a result, in the event a purchaser is entitled to rescission, the purchaser will not receive a refund of any funds used for upgrades or extras, unless said Purchase Agreement is cancelled as a result of the Sponsor abandoning the Plan.

(c) Financing Contingency: The obligations of a purchaser under a Purchase Agreement are not conditioned on obtaining financing. Any prospective purchaser who executes a Purchase Agreement and does not obtain financing may lose his or her deposit if he or she is unable to otherwise raise the monies for the balance of the purchase price. Prospective purchasers who require financing are advised to consult with a lending institution before execution of a Purchase Agreement. No representation is made by the Sponsor as to the availability or cost of such financing. The Sponsor may in its sole discretion consent to a Financing Contingency Rider attached hereto in Part II of the Offering Plan Document No. 2 Exhibit B.

Purchasers should note that in the current market, banks and other lenders are imposing various restrictions on purchase financing. Such restrictions include requiring that a certain percentage of apartments in a building or group of buildings be sold before a lender will consider making a loan. Thus, it may be possible for a Purchaser to experience difficulty obtaining a loan in a building or group of buildings where the Sponsor or holder of unsold shares has not sold a substantial percentage of the apartments in the building or group of buildings, which in some cases may be as high as 70%. Moreover, some lenders will not provide financing in a building or group of buildings where an investor other than the original Sponsor has an ownership interest of 10% or more. It may also be difficult for a Purchaser to resell an apartment if prospective buyers are unable to obtain a loan due to the same minimum sales and investor ownership restrictions.

The Sponsor's Preferred Mortgagee may require that at least 30% percent of the Units be sold and at least 30% percent of the Units be owner-occupied before it will close a loan. As the closing of the purchaser's Unit is contingent upon the satisfaction of this condition, even if a purchaser obtains and satisfies all conditions of the financing commitment applicable to the purchaser, the closing of the loan may be delayed or may not occur if the minimum sales and owner-occupancy requirements are not satisfied. If the Sponsor's Preferred Mortgagee does not close a purchaser's loan for this reason, the Sponsor shall grant to such purchaser a right of rescission and a reasonable period of time to exercise such right.

The Condominium declaration and by-laws contain provisions typically required by

Freddie Mac, Fannie Mae and FHA loan requirements. However, the Sponsor has not made an application to such agencies for their respective approvals of the condominium, and no representations are made that the condominium satisfies the requirements of such agencies.

In the event that Sponsor consents to a financing contingency, both parties must execute a Financing Contingency Rider. The following are the terms of the Financing Contingency Rider:

1. The obligations of Purchaser hereunder are conditioned upon issuance on a date which is on or before the Financing Contingency Expiration Date, of a written commitment from any Lender pursuant to which such Lender agrees to make a first mortgage loan to Purchaser, at Purchaser's sole cost and expense, of an amount equal to 75% of the Purchase Price or such lesser sum as Purchaser shall be willing to accept, at prevailing interest rates for a term of at least thirty (30) years and on other customary commitment terms, whether or not conditional upon any factors other than an appraisal satisfactory to the Lender.

2. Within two (2) weeks of the Contract Date, Purchaser must make a mortgage application to a Lender. Within seven (7) days thereafter, the Purchaser must provide the Seller and/or Seller's attorney with the name and address of the Lender to which the application has been made. Failure to send such notice will be considered to be a waiver of the financing contingency. Purchaser shall authorize the Lender to talk directly to Seller's attorney regarding the status of the mortgage application. Purchaser shall (a) furnish accurate and complete information regarding Purchaser and members of Purchaser's family, as required, (b) pay all fees, points and charges required in connection with such application and loan, including (but not limited to) appraisal and origination fees (if any), (c) pursue such application with diligence, and (d) cooperate in good faith with such Lender to obtain such commitment. Purchaser shall comply with all requirements of such commitment (or of any other commitment accepted by Purchaser) and shall furnish Seller with a copy thereof promptly after receipt thereof.

3. If Purchaser only applies to Purchaser's Preferred Lender and a commitment is not issued or a rejection is received, Purchaser shall within five (5) days of the Financing Contingency Expiration Date or rejection date, notify the Seller of the failure to receive a commitment or of the rejection. At such time, the Seller may, at its option, within fifteen (15) days of receiving notice from Purchaser, cause the Purchaser to submit a mortgage application together with the required fees to Sponsor's Preferred Mortgagee, and provided the Condominium meets the Preferred Mortgagee presale requirements (i.e., a minimum percentage of Units in contract who are owner-occupants, a minimum reserve fund of 10% of the total budget, and a notice of default provision), Purchaser shall be required to accept the commitment if issued by Sponsor's Preferred Mortgagee under the same terms and conditions as stated above. Purchaser shall have thirty (30) days from the date Seller caused the Purchaser to submit a mortgage application together with the required fees to Sponsor's Preferred Mortgagee (the "2nd Financing Contingency Expiration Date") to obtain a mortgage commitment from said Preferred Mortgagee. If such Preferred Mortgagee issues a commitment, the terms of such commitment being substantially similar to the terms originally sought by the Purchaser, Purchaser must close, either, with said financing commitment, with another financing commitment Purchaser receives from another Lender, or without financing, or risk losing the Downpayment. Purchaser is required to pay all applicable fees in connection with the mortgage application

with the Preferred Mortgagee. If Seller fails to cause Purchaser to make such application to Sponsor's Preferred Mortgagee within fifteen (15) days of receiving notice from Purchaser of the failure to receive a commitment or of the rejection, or if the Preferred Mortgagee failed to provide a commitment by the 2nd Financing Contingency Expiration Date, or denied the Purchaser's mortgage application, Purchaser may cancel this contract by giving notice to Seller within five (5) days of Financing Contingency Expiration Date or the 2nd Financing Contingency Expiration Date (as applicable), in which case this contract shall be deemed cancelled and thereafter neither party shall have any further rights against, or obligations or liabilities to, the other by reason of this contract and the Down Payment shall be promptly refunded to Purchaser.

4. If Purchaser applied to Purchaser's Preferred Lender and Sponsor's Preferred Mortgagee and fails to receive a commitment or receives a rejection from Purchaser's Preferred Lender but received a commitment at prevailing rates from Sponsor's Preferred Mortgagee, Purchaser must close with Sponsor's Preferred Mortgagee. If Purchaser applied to Purchaser's Preferred Lender and Sponsor's Preferred Mortgagee and either a commitment is not issued or a rejection is received from both, Purchaser shall within five (5) days of the Financing Contingency Expiration Date or rejection date, notify the Seller of the failure to receive a commitment or of the rejection, in which case this contract shall be deemed cancelled and thereafter neither party shall have any further rights against, or obligations or liabilities to, the other by reason of this contract and the Down Payment shall be promptly refunded to Purchaser.

5. If Purchaser fails to give notice of cancellation, then Purchaser shall be deemed to have waived Purchaser's right to cancel this contract and to receive a refund of the Down Payment by reason of the contingency contained in this Rider and the financing contingency will no longer apply. In addition, if Purchaser fails to notify Seller within fifty (50) days of the Contract Date that he has received a commitment, Seller may at its option cancel the contract and thereafter neither party shall have any further rights against or obligations or liabilities to, the other by reason of this contract, and upon cancellation the Down Payment shall be promptly refunded to Purchaser.

Provided that the Sponsor consents to permit a financing contingency in accordance with the above terms and the purchaser complies with all of such terms, if the financing commitment lapses or expires prior to closing and Purchaser has made a good faith effort to extend the commitment, the Sponsor will grant Purchaser a right of rescission and ten (10) days after expiration to exercise such right. If Sponsor does grant Purchaser a financing contingency, and a mortgage commitment is not fulfilled through no fault of the Purchaser, under New York law performance is excused. If Purchaser acts in good faith and lender revokes the commitment after the contingency period expires, performance is excused.

Purchaser should note that even if a mortgage commitment is secured, said mortgage commitment may expire or change prior to the actual closing. Any risks related to the expiration or change to the mortgage commitment, if Purchaser is at fault, shall be borne by the Purchaser.

In accordance with this Rider, Purchaser will have the right to terminate the Purchase

Agreement and be refunded all monies deposited thereunder, without interest, in the event:

(i) a Lender fails, through no fault of the Purchaser, to issue its commitment on the terms described above by the Financing Contingency Expiration Date or the 2nd Financing Contingency Expiration Date (as applicable), or such greater period as the Sponsor may permit in Sponsor's sole discretion, provided the Purchaser gives notice of termination not later than five (5) days after the expiration of the aforementioned dates; or

(ii) the commitment issued by the Lender is not funded by the closing through no fault of the Purchaser, provided the Purchaser gives notice of termination no later than ten (10) days before the closing, provided the lender has given Purchaser more than ten (10) days' notice.

In the event Purchaser fails to exercise the right of termination within time periods set forth above or has failed to satisfy the conditions set forth in the Financing Contingency Rider, then, in either case, the Purchase Agreement shall remain in full force and effect.

(d) Escrow and Trust Fund Requirements.

The Escrow Agent:

Steven Lowenthal, Esq. of Lowenthal P.C., with an address of 2001 Flatbush Avenue, Brooklyn, NY 11234, and telephone number of (718) 758-2200, and email address of steve@lokopc.com, shall serve as escrow agent ("Escrow Agent") for Sponsor and Purchaser. Escrow Agent has designated the following attorneys to serve as signatories: Steven Lowenthal, Esq. All designated signatories are admitted to practice law in the State of New York. Neither the Escrow Agent nor any authorized signatories on the account are the Sponsor, Selling Agent, Managing Agent, or any principal thereof, or have any beneficial interest in any of the foregoing.

The Escrow Account:

The Escrow Agent has established the escrow account at Investors Bank, N.A., at its branch located at 4624 13th Avenue, Brooklyn, NY 11219 ("Bank"), a bank authorized to do business in the State of New York. The escrow account is entitled "COOP CONDO Attorney Escrow Account" ("Escrow Account"). The Escrow Account is an IOLA account. The Escrow Account is federally insured by the FDIC at the maximum amount of $250,000.00 per deposit. Any Deposit in excess of $250,000.00 will not be insured unless Escrow Agent has established multiple accounts on behalf of Purchaser at various institutions. Additionally, if Purchasers have accounts at the same bank that holds escrowed funds, Purchaser's funds at the escrow bank factor into the $250,000.00 insurance limit.

All Deposits received by Purchaser shall be in the form of checks, money orders, wire transfers, or other valid instruments, and shall be made payable to or endorsed by the Purchaser to the order of "Lowenthal P.C. as Attorney."

Any Deposits made for upgrades, extras, or custom work shall be initially deposited into

the Escrow Account and only released in accordance with the terms of the Purchase Agreement.

The Escrow Account is an IOLA account with no interest accrued to the benefit of the either the Sponsor or the purchaser. An IOLA account is a special segregated escrow account maintained by an attorney in which the interest earned is paid to the State of New York. It is not anticipated that any interest will be earned thereon. If at some future point, the Offering Plan is amended to provide that the account will be a non-IOLA account, then the interest rate for all deposits made into the Escrow Account shall be the prevailing rate for such accounts. Interest shall begin to accrue upon placing the Deposit into the Escrow Account. All interest earned thereon shall be paid to or credited to the Purchaser at closing. No fees of any kind may be deducted from the Escrow Account, and the Sponsor shall bear all costs associated with the maintenance of the Escrow Account.

The escrow agent shall maintain all records concerning the escrow account for seven years after release of the funds. Upon the dissolution of any law firm which was the escrow agent, the former partners or members of the firm shall make appropriate arrangements for the maintenance of these records by one of them or by the successor firm and shall notify the Department of Law of such transfer.

Sponsor agrees to defend, indemnify, and hold Escrow Agent harmless from and against all costs, claims, expenses and damages incurred in connection with or arising out of Escrow Agent's responsibilities arising in connection with this Purchase Agreement or the performance or non-performance of Escrow Agent's duties under this Purchase Agreement, except with respect to actions or omissions taken or suffered by Escrow Agent in bad faith or in willful disregard of the obligations set forth in this Purchase Agreement or involving gross negligence of Escrow Agent. This indemnity includes, without limitation, disbursements and attorneys' fees either paid to retain attorneys or representing the hourly billing rates with respect to legal services rendered by Escrow Agent to itself.

The Purchase Agreement:

The Purchase Agreement is attached hereto as Document No. 2 Part II of the Plan. The relevant escrow trust fund provisions are included in Section 5 of the Purchase Agreement, which must be executed by the Escrow Agent.

Notification to Purchaser:

Within five (5) business days after the Purchase Agreement has been tendered to Escrow Agent along with the Deposit, the Escrow Agent shall sign the Purchase Agreement and place the Deposit into the Escrow Account. Within ten (10) business days of the placing the Deposit in the Escrow Account, Escrow Agent shall provide written notice to Purchaser and Sponsor, confirming the Deposit. The notice shall provide the account number and the initial interest rate to be earned on the Deposit (if any). Any Deposits made for upgrades, extras, or custom work shall be initially deposited into the Escrow Account, and only released in accordance with the terms of the Purchase Agreement.

The Escrow Agent is obligated to send notice to the Purchaser once the Deposit is placed in the Escrow Account. If the Purchaser does not receive notice of such deposit within fifteen (15) business days after tender of the Deposit, he or she may cancel the Purchase Agreement within ninety (90) days after tender of the Purchase Agreement and Deposit to Escrow Agent. Complaints concerning the failure to honor such cancellation requests may be referred to the New York State Department of Law, Real Estate Finance Bureau, 28 Liberty Street, 21st Floor, New York, NY 10005. Rescission shall not be afforded where proof satisfactory to the Attorney General is submitted establishing that the Deposit was timely placed in the Escrow Account in accordance with the New York State Department of Law's regulations concerning Deposits and requisite notice was timely mailed to the Purchaser.

Escrow Agent is acting solely as a stakeholder at the parties' request and for their convenience and that Escrow Agent shall not be liable to either party for any act or omission in its part unless taken or suffered in bad faith or in willful disregard of this contract or involving gross negligence on the part of the Escrow Agent. Escrow Agent will be compensated by the Sponsor for acting as such. Escrow Agent shall have a fiduciary duty to the depositor of the funds, which is the Purchaser.

Additionally, Escrow Agent or any member of its firm shall be permitted to act as counsel for Seller in any dispute as to the disbursement of the Down payment or any other dispute between the parties whether or not Escrow Agent is in possession of the Downpayment and continues to act as Escrow Agent.

Before funds are transferred to a new escrow account or if the escrow agent is replaced, the plan must be amended to provide the same full disclosure with respect to the new account, the escrow agent and the escrow agreement as was originally provided.

Release of Funds:

All Deposits, except for advances made for upgrades, extras, or custom work received in connection with the Purchase Agreement, are and shall continue to be the Purchaser's money, and may not be comingled with any other money or pledged or hypothecated by Sponsor, as per GBL § 352-h. Such funds shall not be a part of the estate of the Sponsor or the escrow agent upon any bankruptcy, incapacity or death.

Under no circumstances shall Sponsor seek or accept release of the Deposit of a defaulting Purchaser until after consummation of the Plan, as evidenced by the acceptance of a post-closing amendment by the New York State Department of Law. Consummation of the Plan does not relieve the Sponsor of its obligations pursuant to GBL §§ 352-3(2-b) and 352-h.

The Escrow Agent shall release the Deposit if so directed: (a) pursuant to terms and conditions set forth in the Purchase Agreement upon closing of title to the Unit; or (b) in a subsequent writing signed by both Sponsor and Purchaser; or (c) by a final, non-appealable order or judgment of a court.

If the Escrow Agent is not directed to release the Deposit pursuant to paragraphs (a)

through (c) above, and the Escrow Agent receives a request by either party to release the Deposit, then the Escrow Agent must give both the Purchaser and Sponsor prior written notice of not fewer than thirty (30) days before releasing the Deposit. If the Escrow Agent has not received notice of objection to the release of the Deposit prior to the expiration of the thirty (30) day period, the Deposit shall be released, and the Escrow Agent shall provide further written notice to both parties informing them of said release. If the Escrow Agent receives a written notice from either party objecting to the release of the Deposit within said thirty (30) day period, the Escrow Agent shall continue to hold the Deposit until otherwise directed pursuant to paragraphs (a) through (c) above. Notwithstanding the foregoing, the Escrow Agent shall have the right at any time to deposit the Deposit contained in the Escrow Account with the clerk of the county where the unit is located and shall give written notice to both parties of such deposit.

The Sponsor shall not object to the release of the Deposit to: (a) a Purchaser who timely rescinds in accordance with an offer of rescission contained in the Plan or an Amendment to the Plan; or (b) all Purchasers after an Amendment abandoning the Plan is accepted for filing by the Department of Law.

The Department of Law may perform random reviews and audits of any records involving the Escrow Account to determine compliance with all applicable statutes and regulations.

Waiver Void:

Any provision of the Purchase Agreement or separate agreement, whether oral or in writing, by which a Purchaser purports to waive or indemnify any obligation of the Escrow Agent holding any Deposit in trust is absolutely void. The provisions of the Attorney General's regulations and GBL §§ 352-e(2-b) and 352-h concerning escrow trust funds shall prevail over any conflicting or inconsistent provisions in the Purchase Agreement, Plan, or any amendment thereto.

The Sponsor will comply with the escrow and trust fund requirements of General Business Law Sections 352-e (2-b) and 352-h and the Attorney General's regulations promulgated pursuant thereto.

(e) Events of Default. In the event that a Purchaser (i) defaults in paying the balance of the Purchase Price on the date scheduled by Sponsor for closing title to his or her Unit; or (ii) defaults in performing some other obligation under the Purchase Agreement and fails to cure such default within thirty (30) days after Sponsor sends written notice to such Purchaser specifying the nature of the default, then Sponsor's remedy shall be the cancellation of the Purchase Agreement and the retention of the Liquidated Damages. Sponsor must provide (30) day written notice to Purchaser of the cancellation of the Purchase Agreement and the retention of the Liquidated Damages. If such Purchaser shall fail to cure such default or fails to send written notice of objection to the release of the Downpayment within the said thirty (30) day period, TIME IS OF THE ESSENCE, Sponsor may retain Liquidated Damages. The Sponsor may not retain more than 10% of the purchase price (regardless of the amount deposited with the Escrow Agent) plus any amounts paid for any special work or extras. Any payments received by Sponsor in excess of the Downpayment plus the actual cost incurred by Sponsor for any special work or upgrades together with any interest

earned on such excess payments, if any, shall be refunded to the Purchaser with fifteen (15) days after cancellation. The Sponsor may not seek specific performance of the Purchase Agreement.

In the event that Purchaser does not close on the Closing Date set forth in the Notice of Closing, and Sponsor elects not to cancel the Purchase Agreement, or if the Sponsor approves the Purchaser's request to adjourn the closing, interest shall accrue on the unpaid amount of the Purchase Price from the Closing Date until such amount is paid. The interest rate shall be ten percent (10%) per annum calculated at a daily rate of approximately 0.0277%. This rate shall be in effect for as long as there is any unpaid amount owing towards the full Purchase Price. The interest rate charged will not exceed New York State usury charges.

If a Purchaser-in-contract is or becomes a tenant under an interim lease and fails to pay rent or otherwise to comply with his or her lease obligations or vacates or abandons his or her contracted-for Unit, then Sponsor may cancel his or her Purchase Agreement as set forth above whether or not such Purchaser-in-contract is evicted from the Building by reason thereof. Before the Sponsor may utilize the default under the lease to declare a default under the purchase agreement, the Sponsor must either obtain an order of eviction or other judgment or order from a court or agency of competent jurisdiction against the lessee unless the lessee has vacated the contracted-for Unit. However, if such Purchaser-in-contract is not evicted from the Building by reason of such default, vacating or abandonment, Sponsor shall return to such Purchaser-in-contract all monies deposited under the Purchase Agreement, together with the interest earned thereon, if any. See Section "Interim Leases."

The purchaser may not occupy the Unit or perform any work in the Unit prior to closing without the prior consent of the Sponsor. In the event the purchaser occupies the Unit or performs any work in the Unit prior to closing without the prior consent of the Sponsor, such event shall constitute a default under this section.

In the event that a Purchase Agreement is cancelled, both the Sponsor and the Purchaser shall be relieved of all further obligations and liabilities thereunder and under the Plan, and the Sponsor shall be free to sell the Unit to another as though such Purchase Agreement had never been made and without accounting to the Purchaser for the proceeds received on such sale.

(f) Fixtures and Appliances. The Sponsor is not providing blinds or shades to the Units. It will be the responsibility of each Unit Owner to provide them, at his or her own cost. Each Unit will be equipped with ducted split system for heating and cooling installed by the Sponsor. See Part II, "Description of Property" for further details.

(g) Fee to Sponsor's Attorney. Purchaser shall be obligated to pay the following fees to the law firm of Sponsor's attorney: (a) $3,000.00 for services rendered in connection with recording the Declaration of Condominium and the preparation of documents in anticipation of closing; (b) $450.00 if the closing is held at any location other than Sponsor's attorney's office, at the request of the Purchaser, Purchaser's attorney, Purchaser's lender, or Purchaser's mortgage broker, whether Seller or their attorney attend the closing or not; (c) $400.00 if Purchaser applies for and closes with a mortgage; (d) $300.00 for the preparation of e-forms for New York City Real Property Transfer Tax; and (e) $450.00 for each time the closing is rescheduled at the request of

the Purchaser, Purchaser's attorney, Purchaser's lender, or Purchaser's mortgage broker (for the costs to fix a new Closing Date and time, to coordinate the attendance of all persons, to re-date the closing documents and to recalculate the closing apportionments).

(h) Closing of Title. The closing of title to each Unit will be held at the office of the Sponsor's attorney, on such date and at such hour as the Sponsor shall designate to the Purchaser of such Unit on not less than thirty (30) days' prior written notice. The Purchaser may waive this notice provision. Sponsor has the right to postpone the closing date and to fix a new closing date within a reasonable time period. In such event, Sponsor shall give the Purchaser not less than ten (10) days' notice of the new date and time of closing. The closing shall take place only after or concurrently with the occurrence of the events set forth in Section "Unit Closing Costs and Adjustments." Purchasers desiring to arrange for such closing to take place at another location in New York City should promptly notify Counsel for Sponsor of that address and, in addition, will be responsible for the payment of an attendance fee to such Counsel (See Section "Unit Closing Costs and Adjustments").

The foregoing shall not act to extend Sponsor's time to declare the Plan effective as set forth in the Section entitled "Effective Date" and shall not affect the Sponsor's right to abandon the Plan as set forth in such section. In the event that the Plan is so abandoned, the Purchase Agreement will be deemed cancelled and all monies paid by the Purchaser thereunder, together with interest earned thereon, if any, shall be disbursed as discussed in the subsection entitled "Trust Funds" of the Plan. After the funds are so disbursed, neither the Purchaser nor Sponsor shall have any claims against each other or against the Selling Agent in connection with the Purchase Agreement or the Plan, and all of the same shall be released and discharged from all liabilities under the Purchase Agreement and the Plan.

(i) Broker. The Purchaser will represent to Sponsor that he or she has not dealt with any broker other than the Selling Agent in connection with the acquisition of his or her Unit and will indemnify the Sponsor against the claims of any other broker, unless such other broker is disclosed to the Sponsor at the time of the contract.

(j) No Lien. Neither the Purchase Agreement nor any monies deposited thereunder shall constitute a lien against the Property, including the Unit.

(k) Survival of Obligations. All representations set forth in the Offering Plan, all obligations pursuant to the GBL, and such additional obligations under the Offering Plan which are to be performed subsequent to the Closing Date shall survive delivery of the deed. However, no provisions of the Purchase Agreement shall survive the delivery of the deed, except those obligations expressly stated therein or to be performed subsequent to the closing.

(l) DAMAGE TO UNITS. THE SPONSOR PRIOR TO ANY UNIT CLOSING AND THE CONDOMINIUM BOARD AFTER THE FIRST UNIT CLOSES SHALL RETAIN RISK OF LOSS TO THE BUILDING FROM FIRE OR OTHER CASUALTY. THE SPONSOR SHALL RETAIN THE RISK OF LOSS TO THE UNIT FROM FIRE AND OTHER CASUALTY UNTIL THE PURCHASER-IN-CONTRACT SHALL BE CONVEYED LEGAL TITLE OR UNTIL THE PURCHASER-IN-CONTRACT OCCUPIES THE CONTRACTED-FOR UNIT

PURSUANT TO AN INTERIM LEASE AND ASSUMES RISK OF LOSS FROM THE SPONSOR. UNIT OWNERS SHOULD OBTAIN THE FOLLOWING AT THEIR OWN COST: HOMEOWNER'S INSURANCE INCLUDING COVERAGE FOR THE CONTENTS OF THE UNIT, PERSONAL PROPERTY, AND LIABILITY FOR PERSONAL INJURY AS A RESULT OF OCCURRENCES IN THE INDIVIDUAL UNIT.

A person in possession who is not an owner cannot insure the Unit since he or she has no ownership interest, and the Unit cannot be doubly insured. Therefore, a purchaser who takes possession of the contracted-for-Unit prior to closing pursuant to an interim lease assumes the risk of losses not covered by insurance; if the Unit is damaged prior to closing the purchaser in possession's failure to make repairs will not excuse them from paying the balance of the purchase price and accepting delivery of the deed for the contracted-for Unit.

(m) Purchaser's Remedy. In the event that the Sponsor shall for any reason (except for willful default) be unable to convey and deliver the apartments in accordance with the terms of the Purchase Agreement, (except for any failure to perform any obligation imposed by applicable statute or regulation, or a failure to perform his obligations under the offering plan) the sole remedy of the purchaser shall be to rescind the Purchase Agreement and be refunded the entire down payment with interest plus the cost of title searches, if any.

Except as set forth in paragraph (l) above, all other risk of loss or damage prior to Closing is assumed by Sponsor, but Sponsor shall not be obligated or liable to repair the damage. The Sponsor will make a determination whether or not to repair damages within fifteen (15) days. If Sponsor or (in the event the Declaration is filed) the Unit Owners do not elect to repair the damage, the Purchase Agreement will be cancelled and be of no further force or effect. Thereafter, the purchaser will be refunded all purchase monies paid to Sponsor with any interest earned thereon. If Sponsor elects to repair or replace the loss or damage, the Purchase Agreement shall continue in full force and effect; Purchaser shall not have the right to reject title to the Unit or to receive a credit against, or abatement in, the purchase price; Sponsor shall be entitled to a reasonable period of time to complete such repairs or replacement; and purchaser shall not be required to pay the balance of the purchase price unless and until (i) the Unit has been substantially repaired in compliance with the offering plan and the repairs done with equal quality or in better condition than immediately prior to the casualty, (ii) its essential services (such as gas, electricity, and heat) and a reasonable means of ingress and egress to the street have been restored and (iii) any condition in the Unit for which a violation (if any) is noted or issued has been corrected, other than those that are the obligations of the tenant to cure or that are caused by the act or omission of the tenant. Sponsor will remove subsequent to closing all violations of record it is obligated to correct.

The Purchase Agreement is not assignable without the consent of the Sponsor. Sponsor may not, however, withhold permission for assignment of the Purchase Agreement based upon race, creed, color, national origin, sex, age, disability, marital status or other grounds prohibited by law.

If there is any conflict between the Plan and the Purchase Agreement, it will be resolved in favor of the Plan. The Purchase Agreement does not contain, nor will it be modified to contain a provision waiving a purchaser's rights or abrogating Sponsor's obligations under the Offering Plan or under Article 23-A of the General Business Law.

N. ASSIGNMENT OF PURCHASE AGREEMENT

The Sponsor is not obligated to consent to any assignment, and, if Sponsor refuses to consent, the Purchaser will not be excused from his or her obligations under the Purchase Agreement. In the event that Sponsor consents to an assignment, a Purchase Agreement may be assigned one time only by the Purchaser thereunder upon payment of a fee of $500.00 to Sponsor's counsel and execution of all assignment documents prepared by such counsel. If a Purchaser desires to take title in the name of an entity to, or controlled by the Purchaser that differs from the name on the Purchase Agreement, or to add, delete, or substitute the name of a member of Purchaser's family, then, if such alteration, addition, deletion, or substitution is permitted by Sponsor (in Sponsor's sole discretion), the Purchaser will be required to deliver to the Selling Agent or Sponsor's counsel, four (4) signed assignments of the Purchase Agreement (in form and content acceptable to Sponsor, in its sole discretion), as well as three (3) completed and signed copies of either Form W-9 (Request for Taxpayer Identification Number and Certification) or Form W-8 (Certificate of Foreign Status), as applicable, must be delivered to the Selling Agent or Sponsor's counsel, together with a personal certified check, or an official bank or cashier's check, in the amount of $500.00 made payable to Sponsor's counsel (for services rendered in connection with the assignment), not less than twenty (20) days prior to the date scheduled for Purchaser's closing. In no event will the Purchaser have the right to postpone the closing as a result of such change in name or assignment. Sponsor is not obligated to consent to any such assignment, and, if Sponsor refuses to consent, the Purchaser will not be excused from his or her obligations under the Purchase Agreement. Sponsor may not withhold permission for assignment of the Purchase Agreement based upon race, creed, color, national origin, sex, age, disability, marital status or other grounds prohibited by law.

O. EFFECTIVE DATE

The offer to sell the Units under this Plan is contingent upon the Plan's being declared effective in accordance with the provisions set forth below.

1. The Plan may be declared effective (i) an amendment to the plan; or (ii) by personal service of notice on every purchaser, or by commencement of service by mail addressed to the offeree at the last known residence of such offeree, stating that the plan is declared effective, and submitting an amendment to the Department of Law within five (5) days confirming that the plan was declared effective on a specified date. The amendment will conform to section 20.5(e) of Title 13 of the Codes, Rules and Regulations of the State of New York. The closing of the first Unit shall not occur until the plan is declared effective and the effectiveness amendment is accepted for filing by the Department of Law.

2. The Plan may not be declared effective unless bona fide purchasers, including investors, have signed purchase agreements for at least fifteen percent (15%) of the residential Units offered under the Plan. In this Offering, the Sponsor may declare effective by selling two (2) residential Units, which is twenty percent (20%). In the event that any purchase agreements counted toward the minimum necessary to declare effectiveness are either rescinded or terminated prior to the date of first closing, Sponsor will re-declare the plan effective with [a] new Purchase Agreement(s) from bona fide Purchasers, regardless of whether or not the condominium declaration has been recorded.

3. The Plan will not be declared effective based on Purchase Agreements:

   (a) signed by purchasers who have been granted a right of rescission that has not yet expired or been waived; or

   (b) if the purchaser did not have three (3) business days to review the offering plan and all filed amendments prior to executing a purchase agreement; or

   (c) with any purchaser who is the Sponsor, the Selling Agent, or the managing agent, or is a principal of the Sponsor, the Selling Agent, or the managing agent, or is related to the Sponsor, the Selling Agent or the managing agent or any principal of the Sponsor, the Selling Agent or the Managing Agent by blood, marriage or adoption or as a business associate, an employee, a shareholder or a limited partner; except that such a purchaser, other than a Sponsor or a principal of the Sponsor, may be included in the count if the Sponsor has submitted proof satisfactory to the Department of Law establishing that such purchaser is bona fide.

4. The Plan must be declared effective when Purchase Agreements have been accepted by Sponsor for 80% of the residential Units offered under the Plan. In this Offering, the Sponsor must declare effective when accepting purchase agreements for eight (8) residential Units, which is eighty percent (80%) of the residential Units.

5. The Sponsor may, at its option, declare the Plan abandoned for any reason whatsoever before

it is declared effective. If the offering plan is to be abandoned after filing and the Sponsor has accepted purchase agreements, the Sponsor shall promptly submit an amendment to the Office of the Attorney General together with form RS-3 as promulgated by the Office of the Attorney General. If payments under the purchase agreements have been received, Sponsor shall refund them in full, with interest earned, if any, within five (5) days after abandonment via overnight mail. If there are no outstanding purchase agreements the Sponsor need not submit an amendment but shall submit a form RS-3 to the Office of the Attorney General which shall be served simultaneously by the Sponsor on all commercial or professional tenants, if any, in the manner specified by Section 20.1(d)(1).

6. Sponsor may not abandon the plan after effectiveness for any reason other than (a) a defect in title which cannot be cured without litigation or cannot be cured for less than one-half of one percent of the total offering amount, or (b) substantial damage or destruction of the building by fire or other casualty which cannot be cured for less than one-half of one percent of the total offering amount, or (c) the taking of any material portion of the Property in condemnation proceedings or by eminent domain. Any amount relied upon as a basis for abandonment after effectiveness excludes attorney fees or any such title defects or determinations of any authority or regulatory association which exist on the date of presentation of the plan and are either known to the Sponsor or are a matter of public record.

Subsequent to the First Closing, this Plan may not be abandoned unless at least eighty percent (80%) of the Unit Owners vote to terminate the Condominium. In this Offering, eight (8) Unit Owners would need to vote to terminate the Condominium to meet the 80% threshold (see Section "Rights and Obligations of Unit Owners" for further discussion).

P. TERMS OF SALE

1. Deed and State of Title. Upon delivery to Sponsor of: (i) the balance of the Purchase Price, (ii) a Unit Owner's Power of Attorney in favor of the Condominium Board and Sponsor and (iii) a transferee affidavit or a transfer tax return in the form required to be filed with The City of New York, each of which must be executed and acknowledged by the Purchaser, the Sponsor will execute, acknowledge and deliver to the Purchaser a Bargain and Sale Deed with covenant against grantor's acts, conveying title to such Unit and its appurtenant interest in the common elements to Purchaser free and clear of all liens, encumbrances and title exceptions subject only to the title conditions set forth in Exhibit A to the Purchase Agreement. Title exceptions may include the state of facts shown on a stated survey and any additional state of facts a subsequent survey would show, provided that such additional state of facts does not render title unmarketable. The Unit Owner's Power of Attorney and Deed will be substantially in the forms set forth in Documents No. 4 and No. 5 in Part II of the Plan.

2. At any time after the execution of a purchase agreement, the Sponsor may give the Purchaser thirty (30) days' Notice of Closing. The thirty-day notice may not be served until the Plan has been declared effective. The actual closing of title to each Unit shall take place only after, or concurrently with, the latest of the following events to occur:

   (i) issuance of a temporary or permanent certificate of occupancy or letter of completion for the Property or a temporary or permanent certificate of occupancy or letter of completion covering the Unit being purchased.

   (ii) the Plan has been declared effective;

   (iii) the recording or filing, as required by law, of the Declaration, the By-Laws and the Floor Plans and such other documents as may be required by law;

   (iv) the existing mortgagee at the time of the conveyance of the first Unit and at the time of the conveyance of each Unit will release its lien on the condominium Unit being conveyed and its interest in the common elements;

   Note: The Sponsor has secured financing for the construction and completion of this Property with Columbia Bank, a federal savings bank, with an address at 19-01 Route 208, Fair Lawn, NJ 07410. The minimum release price of each Residential Unit shall be 90% of the net proceeds of sale of each unit, after deduction of the usual and customary closing expenses, including brokerage commission(s) incurred in connection with each such sale. See section "Rights and Obligation of Sponsor."

   (v) if the purchaser of such Unit so requests, the issuance of a title insurance binder insuring fee title to such Unit in the purchaser, at purchaser's expense, subject only to the encumbrances set forth in such purchaser's Purchase Agreement (all other liens will be removed or insured against enforcement or collection out of the Unit by Purchaser's title company prior to or at closing), which binder will also insure that a valid condominium has been created pursuant to the terms of the

Condominium Act. (See Section "Unit Closing Costs and Adjustments" for an estimate of the cost to the purchaser to obtain such title insurance).

(vi) purchaser being given the opportunity to inspect such Unit and other portions of the Property subject to the Declaration;

(vii) the assignment by Sponsor of any manufacturers' warranties with respect to equipment and appliances in the Unit to the Unit Owner and with respect to the equipment and appliances in the General Common Elements or Limited Common Elements, to the Condominium Board.

3. Title to each Unit and its appurtenant interest in the common elements will be conveyed at the closing free and clear of all liens, encumbrances and title exceptions other than those described in the Plan and the proposed Unit Deed and other matters set forth below (collectively the "Permitted Encumbrances"):

(i) Building restrictions and zoning laws and other regulations, resolutions and ordinances and any amendments thereto now or hereafter adopted by any governmental or quasi-governmental authority having jurisdiction;

(ii) Title exceptions may include the state of facts shown on a stated survey and any additional state of facts a subsequent survey would show, provided that such additional state of facts does not render title unmarketable;

(v) Encroachments of the Building, walls, stoops, steps, balconies, ornamental columns, windows, door caps, keystones, ledges, pilasters, coping, trim and cornices, and any other part thereof, if any, upon any street or highway or upon any adjoining property and similar encroachments upon the Property;

(xii) The lien of any Common Charges and Special Assessments, real estate taxes, water frontage and/or meter charges, sewer rents, vault charges and assessments, provided that apportionment of such items is made as provided in the Section of the Plan entitled "Unit Closing Costs and Adjustments";

(xiii) Leases and service, maintenance, employment, concessionaire and license agreements, if any, of other Units or portions of the Common Elements. Service, labor, concessionaire and maintenance agreements contemplated under the Plan;

(xiv) Any Interim Lease with the Purchaser for such Residential Unit and any other leases, tenancies and occupancies permitted by the Purchase Agreement for such Residential Unit;

(xv) Any lien, notice of pendency or other encumbrance either (i) for which the instrument required to remove said lien, notice of pendency or other encumbrance of record is delivered at or prior to the date of closing of title to the Residential Unit, together with the required recording or filing fee, to the proper party or to the Purchaser's title insurance company, or (ii) as to which the Purchaser's title insurance company will insure that the lien, notice of pendency or other encumbrance will not be collected out of or enforced against the Residential Unit;

(xvi) The lien of any assessment or assessments that are or may become payable in annual installments of which any installment is then a charge or a lien, provided that apportionment thereof is made as provided in the Section of the Plan entitled "Unit Closing Costs and Adjustments";

(xviii) Uniform Commercial Code financing statements or conditional bills of sale, provided that (i) such statements were filed on a date more than five years prior to the closing of title to the Unit, (ii) Sponsor executes and delivers to the Condominium an affidavit setting forth that the property covered thereby is no longer in the Residential Unit or is fully paid for, or (iii) a tenant is the debtor thereunder;

(xxi) The standard exceptions contained in the form of fee title insurance policy then issued by the title insurance company insuring Purchaser's title to the Residential Unit;

(xxii) Any encumbrance as to which the title insurance company which insures Purchaser's title to the Unit would be willing, in a fee policy issued by it to Purchaser, to insure Purchaser that such encumbrance (a) will not be collected out of the Unit if it is a lien and (b) will not prevent the use of the Unit for dwelling purposes;

(xxiii) Any lease covering the Unit;

(xxiv) Certificate of Occupancy to be issued covering the unit if required;

(xxv) Any violations against the Property (other than the Unit) which are the obligation of the Condominium Board or another Unit Owner to correct;

Title exceptions include the state of facts shown on a stated survey and any additional state of facts a subsequent survey would show, provided that such additional state of facts does not render title unmarketable. Other than the Condominium's governing documents which will be recorded prior to the first condominium Unit closing of title, each condominium will be

conveyed free and clear of any leases and mortgages.

4. Damage to Units. The Sponsor prior to any Unit closing and the Condominium Board after the first Unit closes shall retain risk of loss to the Building from fire or other casualty. The Sponsor shall retain the risk of loss to the Unit from fire and other casualty until the Purchaser-in-contract shall be conveyed legal title or until the Purchaser-in-contract occupies the contracted-for Unit pursuant to an interim lease and assumes risk of loss from the Sponsor. A person in possession who is not an owner cannot insure the Unit since he or she has no ownership interest, and the Unit cannot be doubly insured. Therefore, a purchaser who takes possession of the contracted-for-Unit prior to closing pursuant to an interim lease assumes the risk of losses not covered by insurance. If the Unit is damaged prior to closing the purchaser in possession's failure to make repairs will not excuse them from paying the balance of the purchase price and accepting delivery of the deed for the contracted-for Unit. Unit Owners should obtain the following at their own cost: homeowner's insurance including coverage for the contents of the Unit, personal property, and liability for personal injury as a result of occurrences in the individual Unit.

   Except as set forth in the preceding paragraph, all other risk of loss or damage prior to closing is assumed by Sponsor, but Sponsor shall have no obligation or liability to repair or restore the Unit. The Sponsor will make a determination whether or not to repair the damage within fifteen (15) days. If Sponsor or (in the event the Declaration is filed) the Unit Owners elect to repair or replace the loss or damage, this agreement shall continue in full force and effect, Purchaser-in contract shall not have the right to reject title to the contracted-for Unit or to receive a credit against, or abatement in, the Purchase Price, and Sponsor shall be entitled to a reasonable period of time to complete or to permit the Condominium Board to complete such repairs or replacements.

   If Sponsor, or (in the event the Declaration is filed) the Unit Owners, does/do not elect to repair the damage, the Purchase Agreement will be cancelled and be of no further force or effect. Thereafter, the Purchaser-in contract will be refunded all purchase monies paid to Sponsor with interest earned thereon, if any, unless Purchaser-in contract is then in default thereunder (beyond the applicable grace period, if any), in which event the said purchase monies (but in no event to exceed Liquidated Damages) will be retained by Sponsor as recompense. Purchaser-in contract shall not be required to pay the Balance unless and until (i) the contracted-for Unit has been repaired to as near as reasonably possible to its condition immediately prior to the casualty and (ii) its essential services (such as gas, electricity, and heat) and a reasonable means of ingress and egress to the street have been restored. Any proceeds received from insurance or in satisfaction of any claim or action in connection with such loss, shall belong entirely to Sponsor (subject to the rights, if any, of the Condominium Board or other Unit Owners) and if such proceeds are paid to Purchaser-in contract, Purchaser-in contract shall promptly upon receipt turn them over to Sponsor. The provisions of the preceding sentence shall survive the closing.

5. The Declaration of Condominium, By-Laws and floor plans for the condominium and such other documents as required by law, will be recorded or filed prior to the first conveyance of title to a Unit in accordance with the New York Condominium Act or applicable state and local

law in the Office of the City Register of the County in which the Condominium is located.

6. Title to each Unit and its appurtenant interest in the common elements will be conveyed at the closing free and clear of all liens, encumbrances and title exceptions other than those described in the plan and the proposed Unit deed. Title exceptions include the state of facts shown on a stated survey and any additional state of facts a subsequent survey would show, provided that such additional state of facts does not render title unmarketable. Other than the Condominium's governing documents which will be recorded prior to the first condominium Unit closing of title, each condominium will be conveyed free and clear of any leases and mortgages.

7. All personal property located within the Unit on the date the Purchase Agreement is signed or located within the common elements on the date the Declaration of Condominium is filed, that is owned by the Sponsor or the owner of the property, is included in the conveyance unless specifically excluded in the Offering Plan or in the Purchase Agreement.

8. The roof of the subject premises contains a structure to be utilized for the purpose of displaying billboard-type advertising materials and banners (the "Roof Banner Structure"). This structure consists of a set of galvanized steel tubing that can hold a banner in the air. The Sponsor is retaining the right to use this entire Roof Banner Structure for the purposes of displaying billboards, banners, or other advertising material. The retained right includes but is not limited to the right of Sponsor to access the third-floor storage room allocated to Unit 3B as a limited common element for purposes of hanging banners on and/or maintaining the Roof Banner Structure. The Sponsor will indemnify and hold harmless the condominium from any loss, liability, expense, or obligation on account of or relating to the aforementioned advertising material on the easement area. The Sponsor shall be free to sell, transfer, assign, and/or lease its rights under this easement. The Sponsor will be responsible for maintaining all advertising material placed upon the building and/or structure pursuant to this easement in safe condition. Around the time of the First Closing, Sponsor shall enter in a renewable 49-year lease at a rate of $100.00 per year with the Board of Managers to memorialize Sponsor's retained right to the Roof Banner Structure. Please see Declaration located in Part II of this Offering Plan.

Q. UNIT CLOSING COSTS AND ADJUSTMENTS

1. Closing Adjustments. At the closing of title to each Unit, Sponsor and the Purchaser shall apportion, as of midnight of the day preceding the closing: (i) real estate taxes (including all prepaid real estate taxes) and assessments, if any, on the basis of the fiscal or calendar year for which assessed, including water charges and sewer rents (if separately assessed) and any escrows for real estate taxes; (ii) Common Charges for the month in which title closes; (iii) rent and other charges, if any, pursuant to a lease for, or tenancy of, the Unit; and (iv) insurance apportioned to the Unit until the policy expiration date.

2. Closing Costs. At the time of title closing, each Purchaser of a Unit will pay certain closing costs in addition to the legal fees of such Purchaser's counsel and the amount of any net credit in favor of Sponsor resulting from the closing apportionments described above. Such closing costs will include the following, the amounts of which are based on rates in effect on the date of the Plan.

   (i) If such Purchaser elects to obtain fee title insurance, he or she will pay a premium therefor to his or her title insurance company which will vary depending upon the amount of insurance requested. The premium for fee title insurance, if ordered through a title insurance company (the Purchaser is free to choose any title company), should be $773.00 for the first $100,000.00 of fee insurance plus $4.36 for each $1,000.00 or fraction thereof of additional fee insurance up to $500,000.00. The premium for mortgage title insurance should be $654.00 for the first $100,000.00 of insurance plus $3.64 for each $1,000.00 or fraction thereof of additional insurance up to $500,000.00. Sponsor's Title Company: a) has updated the title search; and b) has been retained by the Sponsor to clear any title issues affecting the premises, and c) has been retained by the Sponsor to record any documents requiring recording with respect to the offering plan. A copy of the title report will be furnished to the purchaser. In the event that Purchaser's title company refuses to accept Sponsor's undertaking in lieu of an escrow, then the Purchaser shall be required to accept title insurance from the title company procured by Sponsor provided that such title company will accept such undertaking.

   (ii) A fee for recording the deed and Unit Owner's Power of Attorney of $32.00 for each instrument plus $5.00 per page, together with a service charge to the title company for such recording of approximately $185.00;

   (iii) Purchaser shall pay all governmental fees and title company service charges associated with discharging and recording a mortgage lien release and UCC-3 termination statement or other appropriate instruments discharging the unit and its contents from any mortgage lien and security interest other than the lien of any mortgage loan Purchaser obtains.

   (iv) If Purchaser obtains a mortgage loan, Purchaser will pay:

      (a) fees and service charges for recording the mortgage at the same rates given above for recording the deed;

(b) mortgage recording tax in the amount provided for by law, currently 2.05% (1.8% paid by the purchaser, 0.25% paid by the Lending Bank) of the face amount of the mortgage for mortgages under $500,000.00 and 2.175% (1.925% paid by the purchaser, 0.25% paid by the Lending Bank) for mortgages over $500,000.00);

(c) to Seller all of Purchaser's savings in the mortgage recording tax to which Purchaser is entitled, whether such savings result from an assignment of an existing mortgage on the unit or is pursuant to Real Property Law 339-ee or otherwise. (Note: The Lending Bank pays an additional 0.25%);

(d) all costs and expenses in connection with such loan in amounts determined by the lender, i.e., application, points, credit report, survey, appraisal, bank's attorney's fees, Residential and Condominium Endorsements (title insurance forms required by banks) escrows (such as for common charges and real estate taxes) private mortgage insurance if any, and any other fees required by lender. Sponsor makes no representation or warranty as to such closing costs or expenses or as to the availability of such financing.

(v) Although statutorily a Seller's expense, Purchaser shall pay the Real Property Transfer Tax due to The City of New York. This tax is in the amount of 1% of the total purchase price of the Unit if the purchase price is $500,000.00 or less, 1.425% of the total purchase price if the purchase price is more than $500,000.00, and 2.625% if the Purchase is for more than one residential unit at one time [see (viii) below]. The Purchaser shall also pay for the New York State Real Estate Transfer Tax imposed by statute on transferors of property. New York State has recently adopted changes to the tax imposed. The changes went into effect on conveyances on or after July 1, 2019 for contracts entered into after April 1, 2019. The revised New York State tax is as follows: 0.4% of the total consideration for conveyances of a Unit with a purchase price of $2,999,999.99 or less, and 0.65% of the total consideration for conveyances of a Unit with a purchase price exceeding $3,000,000.00.

New York State Tax Law Section 1404(a) has recently been amended (the "Amended Tax Law"), effective as of July 1, 2021. The Amended Tax Law can be accessed at the following web address: https://www.nysenate.gov/legislation/laws/TAX/1404. Per the Amended Tax Law, in the case of a conveyance of residential real property, if the New York State transfer tax imposed by the law is paid by the Purchaser pursuant to a contract between the Sponsor and the Purchaser, the amount of such tax shall be excluded from the calculation of consideration subject to tax.

Therefore, as the Plan and Purchase Agreement calls for the Purchaser to pay for both New York State and New York City transfer taxes, for purposes of calculating the transfer taxes to be paid, total consideration includes the following transfer taxes paid by the Purchaser:

(a) For New York City Taxes: New York City and New York State Transfer Taxes (i.e.: consideration equals the purchase price plus NYC and NYS transfer taxes);

(b) For New York State Taxes: New York City Transfer Taxes only (i.e.: consideration equals the purchase price plus NYC transfer taxes).

(vi) Under Section 1402-a of the New York Tax Law, a "Mansion Tax" of one percent (1%) of consideration is payable by the grantee (Purchaser) on each conveyance of residential real property, including condominium units where the consideration for the entire conveyance is $1,000,000.00 or more. Residential real property includes a one to three family house, an individual condominium unit, and a cooperative unit that is or may be used, in whole or in part, as a personal residence. As per the law, the Purchaser shall be responsible for the payment of the Mansion Tax.

(vii) New York State recently implemented a "Supplemental Tax" (in addition to the Mansion Tax, statutorily paid by the Purchaser) for transfers of residential real property in New York City, as detailed below. As per the recently enacted law, the Purchaser shall be responsible for the payment of the Supplemental Tax. The Supplemental Tax adds a tax on the Purchaser for purchases starting with a purchase price of $2,000,000.00 or more according to the following chart:

Purchase Price	**Supplemental Tax Rate**
$2,000,000.00 to $2,999,999.99	.25% of the purchase price
$3,000,000.00 to $4,999,999.99	.50% of the purchase price
$5,000,000.00 to $9,999,999.99	1.25% of the purchase price
$10,000,000.00 to $14,999,999.99	2.25% of the purchase price
$15,000,000.00 to $19,999,999.99	2.50% of the purchase price
$20,000,000.00 to $24,999,999.99	2.75% of the purchase price
$25,000,000.00 and above	2.90% of the purchase price

(viii) If a Purchaser purchases two (2) or more residential Units that have not been physically combined into a single residence or Unit before the transfer (a "combined sale"), The New York City Department of Finance may impose the New York City Transfer taxes at higher, non-residential rates, i.e., where the consideration is $500,000 or less, the rate will be 1.425% of the purchase price, and where the consideration exceeds $500,000, the rate will be 2.625% of the purchase price. This may be the case even if the Residential Units are transferred to the Purchaser pursuant to separate sales contracts with separate closing dates. The Department of Finance has taken the position that the consideration for the transfer of each Residential Unit under a deed in a combined sale is not aggregated with the consideration for the other such deeded transfers in the same combined sale for purposes of determining the rate to be applied to each Residential Unit transfer (i.e., the 1.425% rate or the 2.625% rate). The Department of Finance has stated that the application of the "bulk sale rule" is made on a case-by-case basis depending on the particular facts and circumstances and there is no guarantee that the Department of Finance will not change its position with respect to the foregoing. Consideration is also not aggregated for Mansion Tax purposes.

Purchasers will be required to pay the Mansion Tax on each Residential Unit in a combined sale, if the total consideration attributable to each such unit is $1,000,000.00 or more.

(ix) Purchaser will be required to deposit with the Board of Managers two (2) months' estimated monthly common charges for his unit to be used as working capital.

(x) Purchaser shall be obligated to pay the following fees to the law firm of Sponsor's attorney: (a) $3,000.00 for services rendered in connection with recording the Declaration of Condominium and the preparation of documents in anticipation of closing; (b) $450.00 if the closing is held at any location other than Sponsor's attorney's office, at the request of the Purchaser, Purchaser's attorney, Purchaser's lender, or Purchaser's mortgage broker, whether Seller or their attorney attend the closing or not; (c) $400.00 if Purchaser applies for and closes with a mortgage; (d) $300.00 for the preparation of e-forms for New York City Real Property Transfer Tax; and (e) $450.00 for each time the closing is rescheduled at the request of the Purchaser, Purchaser's attorney, Purchaser's lender, or Purchaser's mortgage broker (for the costs to fix a new Closing Date and time, to coordinate the attendance of all persons, to re-date the closing documents and to recalculate the closing apportionments).

(xi) At closing, each purchaser shall pay to the Sponsor the sum of $3,500.00 to defray the Sponsor's costs of creating the condominium, e.g., architectural costs, filing fees, legal fees and other costs incurred in creating the condominium.

(xii) At closing, the Sponsor will collect each purchaser's pro-rated share in the first year's insurance premium from the date of the closing until the end of the first year of condominium operation. This amount will be calculated in proportion to each purchaser's common interest and will be used to reimburse the Sponsor for payment of the first year's premium. Insurance premiums paid as part of common charges from closing until the end of the budget year will be retained by the Board to pay toward the premium for the next year. The pro-rated insurance adjustment collected by Sponsor will be in lieu of any other closing adjustments with the Board for insurance.

All fees are cumulative to the extent applicable to an individual Purchaser. If, for example, Unit 2B has a purchase price of $750,000.00, a mortgage of $562,500.00, and title insurance, the following closing costs are estimated:

Owners Liability	$2,835.00
Loan Liability	$661.00
Mortgage Tax Buyer's Portion	$10,798.13
NYS Transfer Tax	$3,056.00
NYC Transfer Tax	$10,882.55
Municipals	$295.00
Bankruptcy Search	$50.00
Patriot's Search	$20.00
Overnights	$50.00

Condominium Endorsement	$50.00
Waiver of Arbitration	$50.00
Environmental Endorsement	$50.00
Escrow Service Fee	$50.00
Mortgage Recording Fee	$200.00
Deed Recording Fee	$145.00
Transfer Tax Filing Fee	$125.00
Release of Mortgage/ALR/UCC Recording Fee	$600.00
E-Forms (if applicable)	$300.00
Working Capital Contribution (Approx.)	$600.00
Legal Fee to Sponsor's Attorney	$3,400.00
Paid To Sponsor for Costs	$3,500.00
Total:	**$37,717,68**

3. In the event that Units have not been separately assessed for real estate tax purposes prior to the closing of title to the first Unit, the Sponsor shall place in escrow in the name of the Condominium Board an amount equal to the real estate taxes which will be levied against the property for the six (6) month period following the first closing and will collect at each Unit closing the estimated amount of taxes attributable to such Unit. The Condominium Board will pay the real estate taxes from the escrow account when taxes are due and payable, and the funder of the escrow account will be entitled to reimbursement from Unit Owners to the extent of the actual assessment. The amount deposited in escrow for real estate taxes will be disclosed in all post-closing amendments until the Units are separately assessed.

   In the event that the Unit has not been separately assessed for the then current fiscal tax year at the time of closing title, the apportionment of real estate taxes shall be based on the Unit's pro rata share (in proportion to its Common Interest) of the then current real estate taxes assessed against the Property. Installments for tax assessments due after delivery of the deed (if any) shall be paid by the Purchaser and shall not be considered a defect in title.

4. As per a recent Order issued by the Financial Crimes Enforcement Network (FinCEN), order entitled "Geographic Targeting Order" (which Order can be obtained by visiting https://www.fincen.gov/sites/default/files/shared/508_Order_April2023REGTO.pdf), for all closings on residential properties taking place on or after April 25, 2023 and until October 21, 2023 (which expiration date is subject to change by FinCEN), certain title insurance companies are now required to collect and report information regarding purchasers in transactions (hereinafter "Covered Transactions") where: (a) the purchaser is a corporation, limited liability company, partnership or other similar business entity, whether formed under the laws of a state or of the United States or a foreign jurisdiction, other than a business whose common stock or analogous equity interests are listed on a securities exchange regulated by the Securities Exchange Commission ("SEC") or a self-regulatory organization registered with the SEC, or an entity solely owned by such a business (hereinafter "the Legal Entity"); and (b) the purchaser purchases residential real property located in any of the Boroughs in New York City (Manhattan, Brooklyn, Queens, Bronx, and Staten Island) and total purchase price is in the amount of $300,000 or more; and (c) such purchase is made without a bank loan or other similar form of external financing; and (d) the purchase is made at least in part, using currency

or a cashier's check, a certified check, a traveler's check, a personal check, a business check, a money order in any form, a funds transfer, or virtual currency.

As per the Order, in Covered Transactions, title companies must duly file a FinCEN Currency Transaction Report (the "Report") within thirty (30) days of the closing of the Covered Transaction (the contents of the Report and the requirements for filing are contained in the Order). See Section "Unit Closing Costs and Adjustments."

R. RIGHTS AND OBLIGATIONS OF SPONSOR

1. The Sponsor will endeavor in good faith to sell all of the Units in a reasonably timely manner. The Sponsor is reserving the unconditional right to rent Units rather than sell Units after Consummation of the Plan. Accordingly, there is no commitment by Sponsor to sell more than 15% of the residential Units or two (2) residential Units, which is necessary to declare the plan effective.

   The Sponsor has secured financing for the construction and completion of this Property with Columbia Bank, a federal savings bank, with an address at 19-01 Route 208, Fair Lawn, NJ 07410. The minimum release price of each Residential Unit shall be 90% of the net proceeds of sale of each unit, after deduction of the usual and customary closing expenses, including brokerage commission(s) incurred in connection with each such sale.

   In addition, the By-laws do not contain a provision that, after the Sponsor Control Period, a majority of the Condominium Board must be owner-occupants or members of an owner-occupant's household who are unrelated to the Sponsor and its principal(s). Purchasers should note that owner-occupants may never gain effective control of the condominium.

   In the event of a Bulk Sale by the Sponsor of all or some of its unsold Units, the transferee successor Sponsor will be bound by the Sponsor's representations regarding its commitment to sell Units.

2. Sponsor shall be obligated to defend any suits or proceedings arising out of Sponsor's acts or omissions and to indemnify the Condominium Board and the Unit Owners.

3. All representations under the offering plan, all obligations pursuant to the General Business Law, and such additional obligations under the offering plan which are to be performed subsequent to the closing date will survive delivery of the deed.

4. Disclaimers of limitations of liability on the part of the Sponsor or its principals for failure to perform any obligation imposed by applicable statute or regulation may not be included. The plan may not include any financial limitation on Sponsor's liability for failure to perform its obligations under the offering plan.

5. Sponsor agrees to pay all Common Charges, special assessments and real estate taxes with respect to unsold Units. Sponsor represents that it has the financial resources to meet its obligations with respect to unsold Units. Such obligations shall be funded through the rentals and sales of unsold Units and from other funds of the Sponsor. No bond or other security has been posted to secure Sponsor's obligations.

6. The Sponsor will cause the Condominium Board to maintain the property in substantially the same condition and manner as on the date of first closing until the Sponsor no longer controls the Condominium Board.

7. If the Purchaser is or becomes the tenant or the occupant of the Unit before the closing of title

thereto and, before such closing, the Unit is damaged by casualty or otherwise, such Purchaser shall assume the risk of loss and the obligation to repair the damage to his/her personal belongings and any other property not covered by the insurance for the condominium, unless the cause thereof originated outside of the Unit and did not result from the acts of such Purchaser or other occupants of the Unit or such Purchaser's guests, invitees, or workmen. Additionally, if before closing, the Unit is damaged by casualty or otherwise, a purchaser will not be able to close a loan on the damaged Unit and insurance proceeds will not be made available to a purchaser to restore a Unit prior to closing.

Except as set forth in the preceding paragraph, all other risk of loss or damage prior to closing is assumed by Sponsor, but Sponsor shall have no obligation or liability to repair or restore the same. The Sponsor will make a determination whether or not to repair such damage within fifteen (15) days after the date of the casualty. If Sponsor or (in the event the Declaration is filed) the Unit Owners do not elect to repair the damage, the Purchase Agreement will be cancelled and be of no further force or effect. Thereafter, the Purchaser will be refunded all purchase monies paid to Sponsor with interest earned thereon, if any, in which event the said purchase monies (but in no event to exceed the Liquidated Damages) will be retained by Sponsor as and for liquidated damages. If Sponsor elects to repair or replace the loss or damage, the Purchase Agreement shall continue in full force and effect, Purchaser shall not have the right to reject title to the Unit or to receive a credit against, or abatement in, the Purchase Price, and Sponsor shall be entitled to a reasonable period of time to complete such repairs or replacements.

8. Sponsor shall procure fire and casualty insurance in an amount sufficient to avoid co-insurance, as reflected in Schedule B.

9. In the event of dissolution or liquidation of the Sponsor or the transfer of ten (10) Units or twenty percent (20%) or more of the total number of Units in the condominium (whichever is less) to one purchaser, the principals of the Sponsor will provide financially responsible entities or individuals who will assume the status and all of the obligations of the Sponsor for those Units under the offering plan, applicable laws or regulations and in the event of dissolution or liquidation, the principals of the Sponsor shall guarantee the performance of such obligations.

10. <u>Construction</u>

Sponsor is obligated to build and complete the condominium in accordance with the building plans and specifications identified in the plan and will, at its sole cost and expense, perform or cause to be performed such work, and will supply or cause to be supplied all materials, necessary to complete the Building and its appurtenances substantially in accordance with the "plans and specifications" (as hereinafter defined) and with a quality of construction comparable to currently prevailing local standards, however, the Sponsor may not substitute equipment or materials of lesser quality or design.

All references in this Plan to "Plans and Specifications" shall mean the plans and specifications for the Building filed with the Department of Buildings and other appropriate governmental authorities (some of which are summarized in Document Number 1 of Part II of

the Plan), as the same may be amended or changed from time to time in accordance with the provisions of the following sentence.

Sponsor reserves the right to amend or modify from time to time the Plans and Specifications (including, without limitation, changes in layouts and designs or changes affecting the materials, appliances, equipment, fixtures and other construction details) and to substitute materials, appliances, equipment and fixtures in place of those described in the plans and specifications, provided such substitutions are of Equal or Better Quality and design. The foregoing notwithstanding, no change will be made in the size or number of Units and/or their respective percentages of common interest, and that no material change will be made in the size or quality of common elements, except by amendment to the plan and, when applicable, to the declaration. There is a rebuttable presumption that a Unit size that is diminished by five percent (5%) or less is not material. Unless all affected Unit Owners and affected contract vendees consent in writing to such change, no material change will be made in Unit size, layout, or percentage of common interest if a purchase agreement has been executed and delivered to the Sponsor for that Unit and the purchaser is not in default, and unless all purchasers consent, no material change will be made in the size and no material adverse change will be made in the quality of common elements.

Sponsor shall not be obligated to correct and will not be liable to any Purchaser as a result of: (i) any immaterial variations from the Plans and Specifications or the description of the Building or a Unit set forth in the Plan; or (ii) variations from the Plans and Specifications or the description of the Building or a Unit set forth in the Plan which are neither in violation of applicable building codes, nor require the approval of any governmental authority having jurisdiction, provided such variations are of Equal or Better Quality than as set forth in the Description of Property and Specifications as set forth as Exhibit 1 in Part II of the Plan. Any such variation which is material will be disclosed in a duly filed amendment to the Plan. Sponsor is obligated to complete construction in accordance with all applicable laws and codes and substantially in accordance with filed building Plans and Specifications.

The issuance of a temporary or permanent Certificate of Occupancy for all or any portion of the Building shall be deemed presumptive evidence that the construction of the Building or such portion and its appurtenances and all of the Units has been substantially completed in accordance with this Plan and the Plans and Specifications. However, notwithstanding the foregoing, Sponsor or its representatives will correct, repair or replace all defects in the construction of the Building and its appurtenances and the Units offered hereby, or in the installation or operation of any appliances, fixtures or equipment in the same, or will cause the same to be corrected, repaired or replaced, but only if such defects are due to improper workmanship or material substantially at variance with the Plans and Specifications in any material respect, and Sponsor is notified by the Condominium Board or the affected Unit Owner in writing of such defect: (i) as to the Common Elements, within one (1) year from the earlier of the issuance of a temporary Certificate of Occupancy for the portion of the Building subject to such defect or the date of substantial completion of the portion(s) of the Common Elements which is claimed to be defective; or (ii) as to any Unit, on or prior to the date of closing for such Unit, except that if any such defect in a Unit can be detected only by occupancy of the Unit, Sponsor will correct such defect if notified in writing by the Unit Owner

within one (1) year from the earlier of the closing of title to such Unit or the commencement date of an interim lease for such Unit. Notwithstanding the foregoing, Sponsor will not be responsible for correcting any defects in construction or installation or operation of any appliances, equipment or fixtures with respect to which assignable warranties or other undertakings (however denoted) from contractors, materialmen or others are assigned to the Condominium Board or Unit Owners; or for any condition resulting from normal wear and tear or natural deterioration or from normal settling or shifting of the Building, or for defects of an insubstantial nature, such as, without limitation, partial or total demise of any landscape improvements, nail pops, ridging on gypsum board or sheet rock walls, lumber shrinkage, doors or windows sticking due to weather, door warpage, grouting cracks, scratches in stone, formica or porcelain surfaces, bath and kitchen tile grouting cracks, adjustment of any bi-fold doors, walls not square, electrical plates not straight, discolorations or shrinkages, normal settlement and deflection or any consequential damage resulting therefrom including, without limitation, cracks in any concrete roof pavers, or concrete cracks which do not impair the structural soundness of the Building, ceiling imperfections, slight separation in joints of kitchen tile or wood flooring, warping, cupping or creaking of wood flooring or any nicks, scratches, gouges, imperfections or discolorations thereof, floors out of level, variations in width, length or tone of wood floor strips or other flooring or floor finishes, also, normal shrinkage or expansion of wood flooring due to changes in moisture content of wood, ceiling imperfections, painting defects, alignment of bathroom finishes, air infiltration from windows, any consequential damage resulting from settling (including, without limitation, concrete or drywall cracks which do not impair the structural soundness of the Building), existence of mold, normal plumbing, heating and air conditioning noises, or carpet discoloring and stretching; or for paint touch-ups or for repair of chips, mars, breaks or other defects in windows, and window sashes, sliding glass doors, lighting fixtures and globes, interior painted surfaces, sinks, tubs, bowls, shower doors, kitchen cabinets, counter tops, vanity tops and bases, medicine cabinets, doors, mirrors, saddles, appliances, woodwork, doors, hardware, flooring and appliance cabinets, salting, or color variation in exterior colored mortar and deep colored brick, ponding and/or controlled drainage on the roof finish, or cracks in any pressure treated wood or redwood used or intended for use outside the Building. Sponsor shall be obligated to repair only abnormally chipped stone, formica and porcelain surfaces, which repair shall be made by filling the stone or formica or refinishing the porcelain, but Sponsor shall not be obligated to replace such stone, formica or porcelain surfaces. Except as expressly set forth herein, Sponsor has no obligation to make any repairs of any kind. In no event shall Sponsor be liable for special or consequential damages (whether based on negligence, breach of contract, warranty, or otherwise), it being intended that Sponsor's sole obligations under the Plan shall be to repair or, at Sponsor's option, replace any defective item of construction (whether arising as a result of defects in material or improper workmanship or material substantially at variance with the Plans and Specifications), subject to the terms and conditions set forth in this paragraph, provided, however, that nothing contained herein is intended to relieve Sponsor of liability for actual damages resulting from property damage or personal injury arising as a result of negligence of Sponsor or its authorized agents or employees in connection with the transactions contemplated in the Plan.

In addition, in no event shall Sponsor or any contractor or supplier of the Sponsor, be required as a condition to closing, to correct any of the following: (i) any condition resulting

from normal wear and tear or natural deterioration or from the normal settling or shifting of the Building, (ii) defects of an immaterial nature, such as, without limitation, nail pops, ridging on sheet-rock walls and ceilings, lumber shrinkage, door or window sticking due to weather, door warpage, including, without limitation, warpage of the main entrance door within reasonable tolerances of doors of similar size, weight and quality, slight scratches in plastic laminate, porcelain, or other surfaces, imperfect bath and kitchen tile grouting, adjustment of bi-fold doors, walls not square, electrical plates not straight, discoloration or shrinkage, slight separation in joints of flooring or between base and floor, (iii) normal settlement and deflection or any consequential damage resulting therefrom, including, without limitation, cracks in concrete roof pavers (if any), or concrete cracks (if any) which do not impair the structural soundness of the Building, (iv) immaterial variations in floor levels, (v) ceiling imperfections, (vi) painting defects, (vii) alignment of bathroom finishes, (viii) air infiltration from windows, (ix) normal plumbing, elevator, trash chute, heating and air-conditioning noises, (x) normal floor noises and creaking, (xi) floor discoloring, (xii) variations in width, length or tone of wood floors, (xiii) repair of chips, scratches, mars, breaks or other defects in any windows, window sashes, sliding glass doors, shower doors, electrical fixtures and globes, painted surfaces, sinks, tubs, basins, kitchen cabinets and countertops, vanity tops and cabinets, medicine cabinets, ceramic tile, marble floors and walls, resilient flooring, saddles, appliances, woodwork and doors, mirrors, hardware, appliance cabinets and flooring, (xiv) subsequent to the closing of title to the Unit, paint touch-ups, repairs of dented appliances, carpet discoloration, stretching or shrinkage, or replacement of fluorescent light ballasts in such Unit, (xv) variations in tone or color of marble or stone used in bathrooms or variations in tone or color of vanity tops or other marble or stone aggregate surfaces, (xvi) salting or color variation in exterior colored mortar and deep colored brick, (xvii) ponding and/or controlled drainage on the roof surface, (xviii) cracks in pressure treated wood used or intended for use outside the Building, (xix) seepage through masonry walls, (xx) the partial or total death of any trees, shrubs, bushes, ground cover, grass or other landscape improvements including any such landscape improvements in the garden, (xxi) damage to walkways or other concrete areas caused by the application of deicers, (xxii) water problems caused by ice dams, normal plumbing and heating noises, (xxiii) carpet stretching, normal settlement cracks on concrete foundations, patios, terraces, sidewalks and other flat work, (xxiv) basement leaks resulting from acts of God or alteration of landscaping or grading, leakage resulting from "ice dams" forming on roofs, shading variations of the exterior siding straining (on the face surface or grooves), and shading variations on fasciae from staining. Sponsor shall be obligated to repair abnormal scratches by filling any plastic laminate scratches or refinishing any porcelain scratches, but Sponsor shall not be obligated to replace such plastic laminate or porcelain surfaces. References in this Section or elsewhere this Plan to excluded repairs or excluded conditions with respect various items listed shall not be construed to imply an obligation on the part of Sponsor to do any work or construction or to install any equipment, fixtures or appliances or other items except, in each case, as expressly provided in the Section entitled "Description of Property and Specifications" contained in Part II of this Plan.

Each Unit offered hereby and the fixtures and personal property contained therein, are being sold and delivered "AS IS," as described in the Plan at the time of transfer of title to such Unit, unless Sponsor and the Purchaser of such Unit otherwise agree in writing (subject to Sponsor's obligation to deliver the Unit in the condition set forth in the Section of Part II of

the Plan entitled "Description of Property"). The Purchaser of a Unit shall inspect such Unit prior to the closing date and shall execute at such time an inspection statement attached to Document No. 2 in Part II of the Plan acknowledging the Purchaser's acceptance of the Unit in good condition and in accordance with the terms of the Plan. See the Purchase Agreement annexed as Document No. 2 in Part II of the Plan. However, if a Purchaser finds that Sponsor's improvements as described in the Plan or in the Purchase Agreement for such Unit or other writing duly executed and delivered by Sponsor, have not been fully completed, although such improvements have been substantially completed, then Sponsor or its designated representative and the Purchaser will at the time of such execution agree upon and set forth in the inspection statement a list of the incomplete work to be completed in the Unit by Sponsor following the closing for such Unit. Sponsor reserves the right to limit the number of individuals who may accompany Purchaser(s) in its inspection of the Unit. Prior to the closing of a Unit, Purchaser shall not be entitled to conduct any invasive testing in the Unit including, without limitation, making holes in the walls or ceiling and/or removing sheet rock, tiles, wood flooring, windows or window panes to test for mold, asbestos, lead paint, mildew, spores, fungi or other toxins or for any other purpose.

The Housing Merchant Implied Warranty Law (New York State General Business Law Article 36-B) does not apply to this offering as the building height is greater than five (5) stories. Sponsor makes no other warranties, express or implied, in connection with this offering of the Units and all such warranties are excluded, except as provided in the limited warranty ("Limited Warranty") set forth in this Section. Sponsor will correct, repair, or replace any and all defects relating to construction of the Building, Common Elements or the Units or in the installation or operation of any appliances, fixtures, or equipment therein, or will cause the same to be corrected, repaired, or replaced, but only if:

A. such defects are due to substantially improper workmanship or construction practices or the use of materials that are substantially and materially at variance with the Plans and Specifications for the same; and

B. Sponsor is notified by the Condominium Board or the affected Unit Owner, as the case may be, of the same in accordance with the following, which notice shall be by certified mail, return receipt requested:

    (i) with respect to any latent defect (that is, a defect that is not visually ascertainable) in the construction of a Unit, within 1 year of the earlier to occur of the (a) the Closing of Title to the Unit or (b) the commencement date of any agreement by which a Purchaser is permitted to occupy the Unit prior to Closing;

    (ii) with respect to any patent defect (that is, a defect that is ascertainable through inspection) in the construction of a Unit within six (6) months of the earlier to occur of the (a) the Closing of Title to the Unit, or (b) the commencement date of any agreement by which a Purchaser is permitted to occupy the Unit prior to Closing, provided, in each instance such patent defect is not caused by the Unit Owner or other occupant of the Unit;

(iii) with respect to any defects (patent or latent) in the construction of the Common Elements, within 1 year from the date of substantial completion of the portion of the Common Elements claimed to be defective. The issuance of a TCO or FCO covering such Common Elements shall be presumptive evidence that the construction of the Common Elements has been substantially completed.

The method of correcting any defect will be selected by Sponsor in its sole discretion. The quality of construction as to any such correction will be comparable to local standards customary in the particular trade or trades involved and will be in accordance with the Plans and Specifications.

Sponsor will be conclusively considered to have discharged any obligation that it may have with respect to the repair of a defect or replacement of a defective item, whether patent or latent, if:

(a) Sponsor is not notified of the existence of such defect, in the manner and within the appropriate time period specified above;

(b) The Condominium Board and/or Managing Agent and/or the Unit Owner fails to allow prompt access to the Unit in question by Sponsor or Sponsor's contractors; or

(c) Sponsor has corrected, or caused the correction of, the defect in accordance with the practice of the industry, as determined by Sponsor's general contractor, architect, or engineer, in their sole judgment.

(d) Purchaser, through any act or omission (i) is the cause of such defect, or (ii) obstructs, delays, prevents or hinders Sponsor from gaining access to the Unit to repair a defect or replace a defective item.

C. This Limited Warranty is only available to the first Purchaser of the Unit and Sponsor shall have no liability to any subsequent Purchaser with respect to any claimed defects relating to the construction of the Units, the Common Elements or the Building.

This Sponsor's Limited Warranty is annexed to the Purchase Agreement set forth in Part II of this Plan. PURCHASERS ARE URGED TO REVIEW THE SPONSOR'S LIMITED WARRANTY CAREFULLY BEFORE EXECUTING A PURCHASE AGREEMENT.

Sponsor's obligations, regardless of any limitations in the warranty or in the Plan, is to construct the building and the Units in accordance with all applicable codes and Plans and specifications. Any conflict between the disclaimers and Sponsor's obligation to construct the building and units in accordance with all applicable codes and plans and specifications shall be resolved in favor of the latter.

Sponsor will not be obligated to correct and will not be liable to any Unit purchaser as a result of: (i) any immaterial variations from filed building plans or the description of the

Building set forth in the Plan; or (ii) minor variations from filed building plans or the description of the Building set forth in the Plan which are neither in violation of applicable building codes nor require the approval of any governmental authority having jurisdiction or which are necessitated by site conditions or job requirements, or (iii) immaterial variations in the dimensions or arrangement of rooms, walls or other areas within Units, provided (A) such variations are of Equal or Better Quality and design than that originally set forth in said plans or description, and (B) such changes did not affect the common interests or adversely affect the value of any Unit to which title has closed or for which a purchase agreement has been executed and is in effect, unless all Unit Owners affected by such change consent in writing to such change and all contract vendees directly affected by such change are given the right to rescind their purchase agreements and have their down payments returned to them.

Sponsor has no obligation to correct or repair any other defect or conditions in the Units, the Common Elements or the Building, or any other installations, apparatuses, fixtures or appurtenances. The representations set forth in this Plan and applicable law set forth the entire obligation of Sponsor to correct any defects and none other shall be implied. Except as provided in this Plan or under applicable law, each Purchaser of a Unit shall be required to complete the payment of the purchase price (without the provision of an escrow) and accept title at the time of closing, notwithstanding Sponsor's failure to complete the construction, finishing and decorating of such Unit or other Units or hallways or the Common Elements, so long as a temporary or permanent certificate of occupancy has been issued covering such Unit and such Unit's kitchen and bathroom appliances and fixtures are operable and its windows, interior walls and floors are installed in accordance with this Plan.

11. Prior to the closing of a Unit, Sponsor will assign any manufacturer's warranties with respect to equipment and appliances installed in the Unit to the Unit Owner and assign any warranties with respect to equipment and appliances installed in the Common Elements to the Condominium Board.

12. Sponsor agrees to pay for the authorized and proper work involved in the construction, establishment and sale of the condominium that Sponsor is obligated to complete under the plan and shall cause all mechanic's liens with respect to such construction to be promptly discharged or bonded.

13. The Sponsor will deliver a set of "as-built" plans to the Condominium Board.

14. No bond or other security has been furnished to secure Sponsor's obligations including Sponsor obligations to complete construction of the condominium. The ability of Sponsor to perform its obligations will depend upon its financial condition, when and if it is called upon to perform. No warranty is made that Sponsor will be financially able to perform any of all of such obligations except that the foregoing shall not discharge or otherwise limit Sponsor's obligations under this Plan. If at any time while Sponsor is making an offering or making sales pursuant to the Plan Sponsor's financial condition does not permit it to perform its obligations hereunder, Sponsor will amend the Plan to disclose such change in financial condition and to offer Purchasers with outstanding Purchase Agreements a right to rescind such Purchase Agreements and will cease making sales pursuant hereto until Sponsor's financial condition

shall again permit it to perform its obligations hereunder.

15. Sponsor and its contractors, subcontractors, agents and employees will have a right of reasonable access to each Unit and its appurtenant Limited Common Elements and to all of the Common Elements and to all of the Common Elements for purposes of completing construction of the Building or performing certain alterations and repairs in or about Unsold Units and in fulfilling Sponsor's obligations under the Plan, provided (i) Sponsor repairs any resulting damage to the Unit and restores it to substantially the condition it was in prior to Sponsor's entry and (ii) Sponsor provides reasonable prior notice to the Owner of the Unit to which access is required.

16. General

Except for Sponsor's obligations to pay Common Charges and to perform other duties as a Unit Owner with respect to any Unsold Units (for so long as Sponsor owns same), the foregoing sets forth the entire extent of the obligations of Sponsor under this Plan and none other shall be implied, except that nothing contained herein shall be deemed to limit the rights of purchasers relative to their Units under their respective Purchase Agreements. Sponsor makes no warranties other than as set forth in this section. The obligations of Sponsor under this section shall survive the delivery of the deeds to the respective Units. Sponsor shall not be liable for, or obligated to defend, any suits or claims with respect to any Unit arising out of any occurrence taking place on or after the date of the closing of title to such Unit or the leasing thereof to any purchaser or, with respect to the Common Elements, or Limited Common Elements, arising out of any occurrence taking place on or after the date of the First Closing, except suits or claims arising out of the acts or omissions of Sponsor or the representations made by Sponsor in this Plan or any obligations imposed by statutes and/or regulations.

Obligations of Sponsor under this section with respect to the Condominium, the Common Elements or the Limited Common Elements shall be enforceable only by the Condominium Board on behalf of all Unit Owners. During the Sponsor Control Period, the obligations by the Sponsor shall be enforceable by the Independent Board Members on behalf of all Unit Owner through binding arbitration. Any provisions that give Sponsor control of the enforcement of the Sponsor's obligations are not lawful. If there is a vote on whether to sue the Sponsor, the Sponsor's board representative cannot lawfully vote on that issue. In no event shall any obligations of Sponsor to the Condominium be enforceable by individual Unit Owners unless the Condominium Board fails to take reasonable action to enforce such obligations within ninety (90) days following the giving of written notice of such claim by any Unit Owner to the Condominium Board.

Sponsor agrees to indemnify the Condominium Board and the residential Unit Owners against, hold them harmless from and defend on their behalf any suits, proceedings, or claims arising out of any acts or omissions by Sponsor or any default by Sponsor in performing its obligations under this Plan or any breach of any representation expressly made by Sponsor in this Plan, and resulting: (a) as to any Unit, from any occurrence taking place prior to the closing of title to such Unit; or (b) as to the Common Elements, from any occurrence taking place prior to the First Closing.

Sponsor's Right of Access

Sponsor and its contractors, subcontractors, agents and employees will have a right of reasonable access to each Unit and to the Common Elements for purposes of completing construction of the Building or performing certain alterations and repairs in or about Units owned by Sponsor and in fulfilling Sponsor's obligations under the Plan, provided (i) Sponsor repairs any resulting damage to the Unit and restores it to substantially the condition it was in prior to Sponsor's entry, and (ii) Sponsor provides reasonable prior notice to the Owner of the Unit to which access is required.

Sponsor and its invitees, Licensees, contractors, subcontractors, agents and employees will have a right of access to each Unit and all of the Common Elements for purposes of completing construction of the Building or performing repairs in or about Units owned by Sponsor or in fulfilling Sponsor's obligations under the Plan or for any lawful purpose, provided (i) Sponsor repairs any resulting damage to the Unit or the Common Elements, as the case may be, and restores the Unit or the Common Elements, as the case may be, to substantially the condition they were in prior to Sponsor's entry and (ii) Sponsor provides reasonable prior notice to the owner of the Unit to which access is required or the applicable Board in the case of the Common Elements.

For additional special rights of Sponsor under the Declaration with respect to the combining and subdividing of Units, designation of any of the Common Elements and other matters, please see the Section of the Plan entitled "Rights and Obligations of Unit Owners and Condominium Board; Summary of By-Laws" and the copy of the Declaration and By-Laws contained in Part II of the Plan.

Sponsor's Liability

Except for Sponsor's obligations to pay Common Charges and to perform other duties as a Unit Owner with respect to the Units that remain unsold from time to time (for so long as Sponsor owns same), the foregoing sets forth the entire extent of the obligations of Sponsor under this Plan and none other shall be implied, except that nothing contained herein shall be deemed to limit the rights of Purchasers relative to their Units under their respective Purchase Agreements.

Sponsor makes no undertakings or warranties except as hereinabove set forth and none should be implied. Sponsor does not warrant or guarantee the materials, workmanship or any other aspect of the Units or the Common Elements, any personal property or any portion thereof, except to the extent expressly provided in this Plan.

NOTWITHSTANDING ANYTHING STATED ABOVE, SPONSOR HAS AN ABSOLUTE DUTY TO CONSTRUCT THE BUILDING IN ACCORDANCE WITH THIS PLAN, ALL APPLICABLE CODES AND FILED PLANS AND SPECIFICATIONS AS THE SAME MAY BE AMENDED FROM TIME TO TIME.

Survival of Sponsor's Obligations

Sponsor's obligations and representations under the Plan or under the GBL that are to be

performed subsequent to the closing of title to a Unit shall survive delivery of the deed to the Unit affected by such obligation for the limited time periods set forth in the Plan.

Sponsor's Obligations for Retained Units

So long as Sponsor retains title to any Units, Sponsor shall pay all Common Charges, Special Assessments and real estate taxes with respect to such Units. Sponsor represents that its financial resources will be sufficient to meet its obligations described above and its other obligations described in this Plan. Sponsor intends at present to meet its financial obligations under the Plan through profits generated from sales of Unsold Units and income generated from the rental of Unsold Units. Sponsor has not furnished any bond or other security for the performance of its obligations under the Plan, however, and Sponsor's ability to perform its obligations hereunder will depend solely upon its financial condition if and when called upon to perform. No warranty is made that Sponsor will be financially able to perform any or all of such obligations, provided that if at any time while Sponsor is making an offering or making sales pursuant to the Plan Sponsor's financial condition does not permit it to perform its obligations hereunder, Sponsor will amend the Plan to disclose such change in financial condition and to offer Purchasers with outstanding Purchase Agreements a right to rescind such Purchase Agreements and will cease making sales pursuant hereto until Sponsor's financial condition shall again permit it to perform its obligations hereunder.

Dissolution of Sponsor

If Sponsor shall be dissolved or liquidated or shall transfer in bulk ten (10) Units or twenty percent (20%) or more of the total number of Units in the condominium (whichever is less) to one purchaser, Sponsor shall provide one or more financially responsible entities or individuals who will assume the status and obligations of Sponsor under the Plan and Applicable Law.

Insurance Described in Condominium Budget

Sponsor shall cause the Condominium to obtain and have in effect as of the date of the First Closing the insurance described in the Footnotes to Schedule B.

S. CONTROL BY SPONSOR

Sponsor Control Period:

The Condominium Board shall consist of three (3) individuals. Sponsor shall have "voting control" of the condominium Board for five (5) years from the First Closing of a Residential Unit under the Plan or until the Unsold Units constitute less than twenty-five percent (25%) in Common Interest of all Units, whichever is sooner ("Sponsor Control Period"). The term "Voting Control" means Sponsor's exclusive right during the Sponsor Control Period, as Owner of Unsold Units to: (a) appoint and designate two (2) Sponsor Board Members who will constitute the majority of the three (3) member Board of Managers; and (b) vote for the Independent Board Member(s) (who shall have no family, employment or business relationship or affiliation with Sponsor or an Unsold Unit Owner or a related party to Sponsor or an Unsold Unit Owner). Additionally, Sponsor retains at all times, as long as Sponsor continues to own at least one (1) Unsold Unit, the right to exclusively designate and appoint one (1) Sponsor Board Member and to vote for the Independent Board Member(s) as the owner of Unsold Units.

Constitution of the Condominium Board

Until the first meeting of the Unit Owners, to be held within four (4) to six (6) months after the first closing of a residential Unit under the Plan, the Condominium Board shall consist of three (3) or more individuals to be appointed and designated from time to time exclusively by Sponsor. After the first meeting of Unit Owners following the first residential Unit closing and at all subsequent meetings of Unit Owners to elect the Condominium Board until all Units are sold and conveyed, the Board shall be composed of three (3) Board Members partly comprised of Sponsor Board Member(s), and partly comprised of Independent Board Member(s):

(a) During the Sponsor Control Period, the Board shall consist of two (2) Sponsor Board Members, and one (1) Independent Board Member;

(b) After the Sponsor Control Period, if Sponsor retains at least one (1) Unsold Unit, the Condominium Board shall consist of two (2) Independent Board Members, and one (1) Sponsor Board Member;

(c) After all residential Units are sold and conveyed, the Condominium Board shall consist of exclusively Independent Board Members.

Within thirty (30) days after the expiration of the Sponsor Control Period, Sponsor will cause the Condominium Board to call and hold a special meeting of Unit Owners. At such meeting, Independent Board Members (i.e., individuals who are unrelated to Sponsor and Sponsors principals) will be elected to replace Sponsor Board Members (who will resign effective at the date of such election), and a new three (3) Member Board will be established: (i) if Sponsor retains at least one (1) Unsold Unit, the Condominium Board shall consist of two (2) Independent Board Members, and one (1) Sponsor Board Member; (ii) if Sponsor no longer owns any Unsold Residential Units, the Board shall consist of exclusively Independent Board Members.

The By-Laws do not require that a majority of the Board be owner-occupants unrelated to Sponsor. Sponsor may control the Condominium Board indefinitely. Non-Sponsor affiliated Unit Owners should note that they may never gain control of the Board of Managers and owner-occupants and non-resident owners may have inherent conflicts on management of the condominium.

Consequences of Sponsor's Voting Control

As a result of Sponsor's Voting Control of the Board during only the Sponsor Control Period, Sponsor will be able to control the decisions to be made by the Condominium Board, including those concerning:

(a) the Building's operations and services, which are nonetheless to be maintained and provided in accordance with the building's maintenance standard and the level of standards, quality and requirements of Sponsor in accordance with, and as stated in this Plan;

(b) the amount of the Common Charges, which are, nonetheless, to be in an amount sufficient to provide the level of Building services, amenities (if any) and facilities in accordance with, and as stated in, this Plan; and

(c) the expenditures of the Working Capital Fund (which may be used for operating or working capital and to defray increases in Common Charges but may not be used to reduce Common Charges below the projected Common Charges in SCHEDULE B as explained below.

Veto Rights During the Sponsor Control Period

During the Sponsor Control Period, the Condominium Board and Unit Owners shall and must obtain Sponsor's prior written discretionary approval or consent (hereinafter Sponsor's Veto Rights") to (i) borrow money on behalf of the Condominium or (ii) raise Common Charges or levy a Special Assessment for any of the following purposes:

(a) to make an Alteration to the Common Elements or the Association's Properties (the latter includes any Unit owner, leased licensed or otherwise held or operated by the condominium Board, or its nominee or designee);

(b) to create a fund for reserves for non-capital Repairs, Alterations, unanticipated expenses and/or contingencies (i.e., a Reserve for Contingencies), which in the aggregate exceed five percent (5%) of the projected annual General Common Expenses or five percent (5%) of the projected annual Residential Common Expenses (as applicable) for any Budget Year of the Condominium Operation or increase, decrease, or eliminate the minimum ten percent (10%) Reserve for Capital Replacement to be included in each Budget in accordance with the Declaration.

(c) to increase, decrease, eliminate or otherwise change the number, types, and calcification or working hours of the Buildings' service staff as set forth in the First Year's Budget.

(d) to increase, decrease or eliminate building services by (for example) entering into contracts for new or additional services or maintenance work not included in said First Year's Budget, or failing to provide any service or maintenance contract set forth in such first Year's Budget, or otherwise; or

(e) to increase, decease, eliminate or otherwise change the amounted or types of insurance coverage from those set forth in said First Year's Budget.

Limit on Sponsor's Veto Rights: Sponsor has the right to condition, delay, withhold or deny its approval or consent to any of the items in the preceding subsection without cause or explanation, and without liability for any Claims or Cost and Expenses or other recourse against Sponsor for conditioning delaying, withholding or denying its consent. Nevertheless, Sponsor will give its approval or consent if the Costs and Expenses (as determined by Sponsor, in its sole and absolute judgment) of the proposed action requiring Sponsor's approval or consent, when added to all other budgeted Residential Common Expenses or General Common Expenses (as applicable), will not increase the Residential Common Charges or General Common Charges (as applicable), inclusive of any Special Assessments of the Condominium Board, for the Budget year of the Condominium at issue, by more than 5% above the residential Common Charges or General common Charges (as applicable) for the immediately preceding Budget Year of the condominium. In addition, Sponsor may not exercise Sponsor's Veto Rights over expenses included in the first Year's Budget or over expenses required: (a) to comply with applicable Laws; (b) to remedy a governmental notice or violation or (c) to remedy a work order of an insurer of the Building, (d) or any matter concerning the health and safety of the occupants of the building.

As stated above, Sponsor's Veto Rights, as set forth herein, may be exercised during only the Sponsor Control Period. If Sponsor makes a bulk sale of Unsold Units to a substitute sponsor, the substitute sponsor shall assume the Sponsor's Veto Rights so long as five (5) years from the First Closing of a Residential Unit under the Plan has not elapsed and the Unsold Units constitute at least twenty-five percent (25%) in Common Interest of all Units. If five (5) years from the First Closing have elapsed, or if the Unsold Units constitute at less than twenty-five percent (25%) in Common Interest of all Units there shall no longer be any Sponsor's Veto Rights and the Condominium Board may act without Sponsor's approval for any of the actions listed in the preceding subparagraphs. In the event of two (2) or more substitute sponsors, the required discretionary consent of only those substitute sponsors constituting a majority of the Common Interests of all Unsold Units will suffice. Nothing contained herein will extend the term of the Sponsor's Veto Rights period.

T. RIGHTS AND OBLIGATIONS OF CONDOMINIUM BOARD, SUMMARY OF BYLAWS

A. The Board of Directors

1. Board Members

The affairs of the building of the Condominium shall be governed by the Condominium Board, which shall consist initially of members designated by the Sponsor. The first three anticipated board members will be Eugene Volynets, the Principal of the Sponsor, and Sammy Gulamdunova and Ted Volynets, business associates of the Principal of the Sponsor. Each member of the Board shall have one (1) vote. As provided in the By-Laws, Boards elected at the first meeting of Unit Owners following the First Unit Closing under the plan and at all subsequent meetings of Unit Owners to elect the Condominium Board, shall be composed of three (3) Board Members, each of whom will have one (1) vote. The first meeting to elect board members will be held within four (4) to six (6) months after the first closing and thereafter, board elections shall take place annually. The term of office of each member of the Condominium Board shall continue for one (1) year. Board members may be a Unit Owner, or a person designated by a Unit Owner. Any member of the Condominium Board may resign his or her membership at any time by giving written notice thereof to the Condominium Board. Notwithstanding anything to the contrary, however, each Condominium Board shall serve until a successor Board is elected and qualified.

There is no provision in the By Laws requiring that a majority of the Condominium Board be owner-occupants or members of an owner-occupant's household who are unrelated to the Sponsor and its principals. Thus, purchasers for their own occupancy may never gain control of the Condominium Board and that owner-occupants and non-resident owners, such as Sponsor, may have inherent conflicts on the management of the condominium.

There shall be no limit on the number of terms of office, successive or otherwise, that a member of the Condominium Board may serve. In addition, special meetings of Unit Owners may be held from time to time, pursuant to the By-Laws, whenever necessary for the affairs of the Condominium.

2. Officers of the Condominium

The officers of the Condominium shall consist of the President, the Secretary and the Treasurer, all of whom shall be elected by the Condominium Board which may also appoint additional officers. All officers shall serve without compensation from the Condominium. At least two (2) officers must be members of the Condominium Board and Unit Owners (or officers, directors, partners, employees, beneficiaries [or members of their family] of corporations, partnerships, fiduciaries, or mortgagees that are Unit Owners). Any officer may be removed, without cause, by vote of a majority of the Condominium Board at a meeting called for such purpose.

3. Liability of the Condominium Board and the Unit Owners

The members of the Condominium Board will have no liability to Unit Owners for errors of judgment, negligence, or otherwise, except that individual members will be liable for their own bad faith, willful misconduct or gross negligence.

Every contract made by the Condominium Board, by any officer of the Condominium, or by any superintendent or Managing Agent of the Building, shall state (if obtainable) that (a) it is made only as agent for all Unit Owners, and the members of the Condominium Board or such officer, superintendent, or Managing Agent shall have no personal liability thereon (except in their capacities as Unit Owners), and (b) the liability of any Unit Owner with respect to such contract shall be limited to (i) such proportionate share of the total liability thereunder as the Common Interest of such Unit Owner bears to the aggregate Common Interests of all Unit Owners, and (ii) such Unit Owner's interest in his or her Unit and its appurtenant Common Interest, unless otherwise provided by law.

All Unit Owners shall severally indemnify each member of the Condominium Board against any liability or claim, contractual or otherwise, except those arising out of the bad faith or willful misconduct of such member or that are contrary to law or the terms of the Declaration or the By-Laws. However, the liability of any Unit Owner on account of the indemnification of the Condominium Board will be limited to such proportionate share thereof as the Common Interests of such Unit Owner bear to the aggregate Common Interests of all Unit Owners.

4. Compensation

All members of the Condominium Board shall serve without compensation.

5. Board Member Removal

Any officer may be removed, without cause, by vote of a majority of the Condominium Board at a meeting called for such purpose. While the Sponsor is in control, the Board may not be prohibited from removing members for cause. After Sponsor Control Period, a Board member may be removed by a majority of the Unit Owners with or without cause.

6. Voting

When votes of the Unit Owners are required, each Unit Owner shall exercise his vote in the manner set forth in the By-Laws, which provides as follows: each Unit Owner, including Sponsor or its designee, for so long as Sponsor or such designee shall own at least one (1) Unit, shall be entitled to cast one (1) vote for each Unit owned.

The presence, in person or by proxy, of a 2/3 majority of all Unit Owners shall constitute a quorum at all meetings of Unit Owners, and unless otherwise provided, the decision of a majority of the Unit Owners at a meeting at which a quorum shall be present shall be binding upon all of the Unit Owners.

7. Amendments to the Condominium Documents

Generally, subject to certain exceptions and provided that any required consent of the mortgage representatives is obtained, any provision of the Declaration, the By-Laws, or the Rules and Regulations may be amended, modified, added to or deleted by the affirmative vote of 66 2/3% of the Unit Owners, taken in accordance with the By-Laws. However, for so long as Sponsor or its designee is the owner of one (1) or more Units in the entire Condominium, the Declaration, the By-Laws and the Rules and Regulations may not be amended or modified so as to adversely affect Sponsor or such designee without the prior written consent of every Unit Owner affected by such amendment.

B. Powers and Duties of the Condominium Board

(A) The Condominium Board shall have all of the powers and duties necessary for, or incidental to, the administration of the affairs of the Condominium, provided, however, that the Condominium Board shall not have such powers and duties that by Law, or pursuant to the terms of the Declaration and these By-Laws, may not be delegated to the Condominium Board by the Unit Owners. Without intention to limit the generality of the foregoing in any respect, the Condominium Board shall have the following specific powers and duties:

(i) to operate, maintain, repair, restore, add to, improve, alter and replace the Common Elements, including, without limitation, as the Condominium Board shall deem necessary or proper in connection therewith: (a) the purchase and leasing of supplies, equipment and material and (b) the employment, compensation and dismissal of personnel;

(ii) to acquire, in the name of the Condominium Board or its designee, corporate or otherwise, and on behalf of the Unit Owners, all rights, titles and interests in real and personal property deemed necessary or proper by the Condominium Board for use in connection with the ownership and operation of the Property as a condominium;

(iii) to maintain records with respect to the finances and the operation of the Condominium, including, without limitation: (a) detailed accounts of receipts and expenditures affecting the Property; (b) other financial records, as well as other books of account of the Condominium, as may be required to be kept pursuant to the terms of these By-Laws; and (c) minutes and other records of all meetings held pursuant to the terms of these By-Laws;

(iv) to prepare and adopt a budget for the Condominium for each fiscal year thereof, setting forth, without limitation: (a) a detailed accounting of the anticipated Common Expenses for the ensuing fiscal year and (b) a detailed projection of all sources and amounts of income necessary to discharge the same;

(v) to determine the amount and establish the means and methods of payment of, and to collect, the Common Charges and Special Assessments from the Unit Owners;

(vi) to borrow money on behalf of the Condominium when required in connection with the operation, maintenance, repair, restoration, improvement, alteration and replacement of the Common Elements, provided, however, that: (a) with respect to the

borrowing of any sum in excess of $25,000.00 in any one fiscal year (regardless of the balance of any loans outstanding from previous fiscal years) in addition to the affirmative consent of a majority of the members of the Condominium Board, the affirmative consent of a majority of all Unit Owners shall be required; (b) no lien to secure repayment of any sum borrowed may be created on any Unit or its Appurtenant Interests without the consent of the owner of such Unit; and (c) the documentation executed in connection with any such borrowing shall provide that, if any sum borrowed by the Condominium Board pursuant to this subparagraph (vi) shall not be repaid by the Condominium Board, any Unit Owner who pays to the creditor thereunder such proportion of the then outstanding indebtedness represented or secured thereby as such Unit Owner's Common Interest bears to the aggregate Common Interest of all Unit Owners shall be entitled to obtain from the creditor a release of any judgment or other lien that the said creditor shall have filed, or shall have the right to file, against such Unit Owner's Unit;

(vii) to open and maintain bank accounts on behalf of the Condominium and to designate the signatories required therefor;

(viii) to use the Common Charges and Special Assessments collected from Unit Owners, as well as all other funds held by the Condominium Board or received in connection with the operation of the Property, for the administration of the Condominium, including, without limitation: (a) the payment of Common Expenses and (b) the making of restorations, additions, alterations and improvements to the Common Elements;

(ix) to obtain insurance for the Property, including the Units, pursuant to the terms of Section 5.4 of the By-Laws;

(x) to adjust and settle claims under insurance policies obtained pursuant to the terms of Section 5.4 of the By-Laws, and to execute and deliver releases upon such adjustment and settlement on behalf of: (a) all Unit Owners; (b) all holders of mortgages and other liens on Units; and (c) all holders of any other interest in the Property;

(xi) to make, or to contract with others for the making of, repairs, maintenance, additions and improvements to, and alterations, restorations and replacements of, the Property after damage or destruction by fire or other casualty, or as a result of condemnation or eminent domain proceedings, all in accordance with the terms of these By-Laws;

(xii) to accumulate reserve funds for capital replacements or other purposes;

(xiii) to accept the surrender of any Unit pursuant to the terms of paragraph (C) of Section 6.2 of the By-Laws, in the name of the Condominium Board or its designee, corporate or otherwise, and on behalf of all Unit Owners;

(xiv) to purchase, lease, or otherwise acquire Units offered for sale or lease by their owners, in the name of the Condominium Board or its designee, corporate or otherwise, and on behalf of all Unit Owners;

(xv) to purchase Units at foreclosure or other judicial sales, in the name of the Condominium Board or its designee, corporate or otherwise, and on behalf of all Unit Owners;

(xvi) to sell, lease, mortgage and otherwise deal with Units acquired by, and to sublease Units leased by, the Condominium Board or its designee, corporate or otherwise, on behalf of all Unit Owners, provided, however, that the Condominium Board or its designees shall in no event be entitled to exercise the vote(s) appurtenant to any such Unit;

(xvii) to adopt and amend the Rules and Regulations and to levy and collect fines against Unit Owners for violations of the same;

(xviii) to enforce by legal means the terms, covenants and conditions contained in the Condominium Documents and to bring or defend against any proceedings that may be instituted on behalf of, or against, the Unit Owners;

(xix) to incorporate, to the extent and in the manner provided in the Condominium Act, provided, however, that: (a) the certificate of incorporation and by-laws of any such resulting corporation shall conform as closely as practicable to the terms of the Declaration and these By-Laws and (b) the terms of the Declaration and these By-Laws shall prevail in the event of any inconsistency or conflict between the terms thereof and the terms of such certificate of incorporation and by-laws;

(xx) to organize corporations to act as the designees of the Condominium Board in acquiring title to, or leasing of, Units and in acquiring rights, titles and interests in real and personal property for use in connection with the ownership and operation of the Property as a condominium;

(xxi) to execute, acknowledge and deliver: (a) any declaration or other instrument affecting the Property that the Condominium Board deems necessary or appropriate to comply with any Law applicable to the maintenance, demolition, construction, renovation, alteration, repair, or restoration of the Building and (b) any consent, covenant, restriction, easement, or declaration affecting the Property that the Condominium Board deems necessary or appropriate;

(xxii) to prepare, execute, acknowledge and record on behalf of all Unit Owners, as their attorney in fact, coupled with an interest, a restatement of the Declaration or the By-Laws, whenever, in the Condominium Board's estimation, it is advisable to consolidate and restate all amendments, modifications, additions and deletions theretofore made to the same; and

(xxiii) to execute, acknowledge and deliver any documents necessary for filing an appeal for reduction of assessment of real estate taxes on behalf of all Units in the Condominium, unless written notice is received by the Condominium Board from any Unit Owner to not do so on behalf of his or her condominium Unit;

(xxiv) unless and until real estate taxes, water charges and sewer rents are billed directly to the Unit Owners by the New York City Department of Finance and/or the Department of Environmental Protection, the Condominium Board shall promptly pay such taxes, charges and rents as a common expense. In the event there is a closing prior to the units being separately assessed for real estate taxes the Sponsor shall place in escrow in the name of the Board of Managers an amount equal to the real estate taxes which will be levied against the property for the six (6) month period following the first closing and will collect at each unit closing the estimated amount of taxes attributable to such unit. The unit owners(s) will be required to pay the entire amount of tax allocated to his unit at the time that the Board of Managers is required to make its real estate tax payment to the City of New York. The allocation for taxes will be based on the unit's percentage of common interest allocated to the unit; and

(xxv) to carry out any other duties imposed upon the Condominium Board pursuant to the Declaration and the By-Laws.

C. Meeting and Votes of the Unit Owners.

Under the Condominium By-Laws, set forth in Part II of the Plan, until the first meeting of the Unit Owners, to be held within four (4) to six (6) months after the first closing of a residential Unit under the Plan, the Condominium Board shall consist of three (3) or more individuals to be appointed and designated from time to time exclusively by Sponsor. After the first meeting of Unit Owners following the first residential Unit closing and at all subsequent meetings of Unit Owners to elect the Condominium Board until all Units are sold and conveyed, the Board shall be composed of three (3) Board Members partly comprised of Sponsor Board Member(s), and partly comprised of Independent Board Member(s): (a) during the Sponsor Control Period, the Board shall consist of two (2) Sponsor Board Members, and one (1) Independent Board Member; (b) after the Sponsor Control Period, if Sponsor retains at least one (1) Unsold Unit, the Condominium Board shall consist of two (2) Independent Board Members, and one (1) Sponsor Board Member; and (c) after all residential Units are sold and conveyed, the Condominium Board shall consist of exclusively Independent Board Members.

Elections for these seats on the Condominium Board shall be held annually. The term of office of each member of the Condominium Board shall continue for one (1) year. Any member of the Condominium Board may resign his or her membership at any time by giving written notice thereof to the Condominium Board and, with respect to members of the Condominium Board designated as such. Notwithstanding anything to the contrary, however, each Condominium Board shall serve until a successor Board is elected and qualified.

(a) Meeting. Except for the first meeting, the Unit Owners shall hold annual meetings on or about the anniversary of the first meeting and every anniversary thereafter, unless such date shall occur on a legal holiday, in which event the meeting shall be held on the succeeding business day. At each annual meeting, the Unit Owners shall conduct such business as may properly be conducted. In addition, special meetings of Unit Owners may be held from time to time, pursuant to Article 2 of the By-Laws, whenever necessary for the affairs of the Condominium.

(b) Quorum. The presence, in person or by proxy, of a 2/3 majority of all Unit Owners shall constitute a quorum at meetings of Unit Owners.

(c) Voting. In votes of the Unit Owners, each Unit Owner (including Sponsor or its designee, for so long as Sponsor or such designee shall own Unsold Units) shall be entitled to cast one (1) vote for each Unit owned. Unless otherwise provided, the affirmative 2/3 majority vote of the Unit Owners at which a quorum is present shall be binding upon all of the Unit Owners.

(d) Designation of Board Members. Board Members are elected annually by a majority vote of all Unit Owners present at a regular or special meeting at which a quorum is present.

D. Condominium Board Meetings and Voting:

(a) Quorum. A quorum for meetings of the Condominium Board consists of a majority of the members of the Condominium Board.

(b) Voting. All decisions or acts requiring a vote, resolution, approval, agreement or consent of the Condominium Board must be made by the affirmative vote, approval, resolution, agreement, or consent of a majority of the Board Members at which a quorum is present.

E. Repairs, Alterations and Improvements to Common Elements

All painting, decorating, maintenance, repairs and replacements to the Common Elements, whether located inside or outside of Units, shall be made by the Condominium Board, which need not obtain the approval of the Unit Owners or of mortgagees of Units (regardless of the cost thereof), and the cost of the same shall be a Common Expense (unless necessitated by the negligence, misuse, or neglect of a Unit Owner, in which case such Unit Owner will bear the entire cost thereof). It should be noted that windows and entrance doors to the Units shall be deemed part of their respective Unit. In connection with the foregoing, the exterior glass surfaces of all windows located in any Unit are to be washed and cleaned by the owner of such Unit, at such Unit Owner's sole cost and expense.

The cost of snow removal from Common Elements shall be a Common Expense. All maintenance and repairs to the Common Elements shall be performed by employees of the Condominium or by independent contractors.

Whenever, in the judgment of the Condominium Board, the Common Elements shall require additions, alterations, or improvements costing more than $25,000.00, in the aggregate, in any calendar year, such additions, alterations, or improvements shall not be made unless the same have been approved by a majority vote of all the Unit Owners (including Sponsor, if it then owns any Unit) at a duly constituted Unit Owner's meeting and by the representatives of mortgagees of Units, if any, appointed pursuant to the By-Laws (the "Mortgage Representatives"). If approved, the Condominium Board may, in its discretion, assess each Unit Owner his or her pro rata share of the cost of such additions, alterations, or improvements according to his or her Common Interest, as part of the Common Charges. Any additions, alterations, or improvements costing $25,000.00

or less, in the aggregate, in any calendar year may be made by the Condominium Board without the approval of the Unit Owners or the Mortgage Representatives, if any, and the cost thereof shall constitute a Common Expense. Notwithstanding the foregoing, for a period of five (5) years after the closing of the first Unit, or as long as Sponsor or its designee or both shall collectively own Units representing at least twenty-five percent (25%) or more in number or in common interests, no additions, alterations, or improvements shall be made to the Common Elements, regardless of the cost thereof, unless the consent of the Sponsor or its designees is first obtained, unless same is required by law or is necessary for the health or safety (but not the general comfort or welfare) of the residents of the Building.

F. Insurance

The Condominium Board shall maintain fire insurance policies insuring the Building (not including: (i) the Units from the unfinished walls, subfloor, and underside of the celling inward; (ii) all bathroom and kitchen fixtures installed therein; (iii) all service machinery contained therein; and (iv) any appliances or any furniture, furnishings, decorations, belongings, or other personal property supplied or installed by Unit Owners or the tenants of Unit Owners), and covering the interests of the Condominium, the Condominium Board, a majority the Unit Owners and the holders of all Permitted Mortgages (the "Permitted Mortgagee"), as their replacement value of the Building (exclusive of excavation and foundations), without deduction for depreciation. Each of such policies shall contain a New York Standard Mortgagee clause in favor of each Permitted Mortgagee, which shall provide that the loss proceeds, if any, thereunder shall be payable to such Permitted Mortgagee as its interest may appear; subject, however, to the loss payment provisions in favor of the Condominium Board and the Insurance Trustee (hereinafter defined) as set forth below. The cost of all such insurance shall be paid by the Condominium Board and shall be borne by the Unit Owners as part of the Common Charges.

The proceeds of all such policies of physical damage insurance shall be payable to the Condominium Board. Such proceeds shall be applied for the purpose of repairing, restoring or rebuilding the Building, unless otherwise determined by Unit Owners. In no event shall such proceeds be paid to the holder of any mortgage placed by a Unit Owner on his or her Unit unless, in accordance with the provisions of Section 5.5 of the By-Laws, "Casualty or Condemnation," there shall be a determination not to rebuild the Building.

All policies of physical damage insurance shall contain waivers of subrogation and of any defense based on co-insurance or on invalidity arising from any acts of the insured and of pro rata reduction of liability, and shall provide that such policies may not be cancelled or substantially modified without at least ten (10) days' written notice to all of the insured, including Unit Owners, the Condominium Board and Permitted Mortgagees. Each Unit Owner shall be named as an additional insured on all such policies. Duplicate originals of all policies of physical damage insurance and of all renewals thereof, together with proof of payment of premiums, shall be delivered to all Permitted Mortgagees ten (10) days prior to expiration of the then current policies, and Unit Owner shall receive a certificate of such insurance.

The Condominium Board shall also maintain, to the extent obtainable: (a) public liability insurance as to personal injury and property damage in such limits and amounts as the

Condominium Board may from time to time determine, covering each member of the Condominium Board, and the Managing Agent or manager (if any) and each of the Unit Owners; (b) rent insurance in an amount equal to the Common Charges for one (1) year; (c) workers' compensation and New York State disability benefits insurance; (d) elevator liability and collision insurance; (e) hazard insurance; and (f) such other insurance as the Condominium Board may from time to time determine. Such public liability insurance will also cover cross-liability claims of one insurer against another. However, such insurance will not cover the individual liability of a Unit Owner arising from any occurrence within his or her own Unit.

Any insurance maintained by the Condominium Board may provide for such deductible amounts as the Condominium Board may determine. The cost of all such insurance shall be paid by the Condominium Board and shall be borne by all Unit Owners as part of the Common Charges.

Until the first meeting of the Condominium Board elected by the Unit Owners, the public liability insurance will be in an amount of $1,000,000.00 per occurrence or $2,000,000.00 aggregate covering all claims for personal injury or property damage in respect of any one occurrence, and the fire insurance will be at least in the amount set forth in the Notes to the Schedule B. The Condominium Board shall review such limits annually.

Unit Owners shall not be prohibited from carrying other insurance for their own benefit, provided that such policies contain waivers of subrogation and provided, further, that the liability of the carriers issuing insurance procured by the Condominium Board shall not be affected or diminished by reason of any Unit Owner's other insurance. A Unit Owner should consider maintaining, at his or her own expense: (a) separate insurance on the contents (i.e., furniture and other personal property and belongings) in his or her Unit, in such amount as will be adequate to insure against loss by reason of fire or other casualty; and (b) liability insurance against claims for personal injury or property damage resulting from occurrences in his or her Unit.

A. Repair or Restoration after Fire or Other Casualty

Except as set forth in the next paragraph, in the event that the Building or any of the Common Elements thereof is damaged or destroyed by fire or other casualty, the Condominium Board will arrange for the prompt repair and restoration thereof.

If the insurance proceeds are insufficient to cover the cost of repairs or restorations of the building or any Common Elements thereof, the Condominium Board may assess all Unit Owners for such deficit as a Common Expense. Any surplus insurance proceeds shall be paid to all Unit Owners in proportion to their respective Common Interests, except that no payment shall be made to a Unit Owner until there has first been paid, out of his or her share of such funds, such amounts as may be necessary to reduce unpaid liens on his or her Unit (other than mortgages that are not Permitted Mortgages) in the order of priority of such liens.

If a Unit is damaged by casualty and the proceeds of insurance obtained by the Condominium Board are not sufficient to cover the repair of the Unit, the amount necessary to restore the Unit over and above the proceeds from any fire insurance on the Building will be an expense of the individual Unit Owner. In order to protect himself against the possibility of such an

expense, the Unit Owner should obtain additional fire insurance coverage above and beyond that coverage maintained by the Condominium Board.

1. In the event that either (i) the Building or any part thereof is damaged or destroyed by fire or other casualty (hereinafter referred to as a "Casualty Loss") or (ii) the Common Elements or any part thereof is taken in condemnation or by eminent domain (hereinafter referred to as a "Taking"), the net insurance proceeds payable under the insurance policies maintained by the Condominium Board by reason of such Casualty Loss or the net condemnation awards receivable by reason of such Taking, as the case may be, shall be payable to the Condominium Board. In either instance, all such monies actually received (hereinafter referred to as the "Trust Funds") shall be held in trust for the benefit of all Unit Owners and their Permitted Mortgagees and shall be disbursed pursuant to the terms of this Section. Notwithstanding anything to the contrary contained either in this paragraph (I) or elsewhere in this Section, however, no Unit Owner whose Unit, or any portion thereof, is taken in condemnation or by eminent domain (whether or not all or a part of the Common Elements are contemporaneously taken) shall be deemed to have waived whatever rights that he or she may have to pursue a separate claim against the condemning authority by reason thereof.

2. Subject to the terms of paragraph (4) hereof, the Condominium Board shall arrange for the prompt repair or restoration (hereinafter referred to as the "Work" of: (i) in the event of a Casualty Loss, the portion(s) of the Building (including all Units and the bathroom and kitchen fixtures installed therein on the date of recording the Declaration and all service machinery contained therein, but not including appliances or any furniture, furnishings, decorations, belongings, or other personal property supplied or installed by either Unit Owners or the tenants of Unit Owners) affected by such Casualty Loss or (ii) in the event of a Taking, the portion(s) of the Common Elements affected by such Taking. If, pursuant to the immediately preceding sentence, work is to be performed in or to Units, Common Elements that service or enclose Units and other Common Elements, or any combination of the foregoing, the work shall be performed, to the extent practicable, first in or to the Units, next in or to the Common Elements that service or enclose Units and then in or to the balance of the Common Elements. In addition, each Unit Owner whose Unit, or any portion thereof, shall be the subject of all or part of any Work shall have the right, subject to the terms of Section 5.2 of the By-Laws in Part II, to supervise any redecorating of his or her Unit.

3. In the event that Work shall be performed pursuant to the terms of paragraphs (2) and (4) of this Section, the Condominium Board or the Insurance Trustee, as the case may be, shall disburse the Trust Funds to the contractors engaged in the Work in appropriate progress payments. If the Trust Funds shall be less than sufficient to discharge the cost and expense of performing the Work, the Condominium Board shall levy a Special Assessment against all Unit Owners for the amount of such deficiency in proportion to their respective Common Interests, and all proceeds of such Special Assessment shall become part of the Trust Funds. However, if the insurance proceeds are not sufficient to discharge the cost and expense of performing any work attributable to any part of the building which is not a "Common Element," such cost and expense must be paid by the owner or owners of the

Units or Limited Common Element which were damaged, and no special assessment may be levied against the Unit Owners. If, conversely, the Trust Funds shall prove to be more than sufficient to discharge the cost and expense of performing the Work, such excess shall be paid to the Unit Owner of the damaged Unit, except that no payment shall be made to a Unit Owner until there has first been paid, out of said excess, such amounts as may be necessary to reduce unpaid liens on the Unit Owner's Unit (other than mortgages that are not Permitted Mortgages) in the order of priority of such liens. Notwithstanding the foregoing, however, in the event that the Unit Owners are assessed pursuant to the terms of the second sentence of this paragraph (3) for any projected deficiency in the amount of the Trust Funds available to the Condominium Board and, after the payment of all costs and expenses incurred in connection with the Work, any portion of the Trust Funds remains unspent, such excess Trust Funds shall, to the extent of such Special Assessment, be deemed to be, and shall constitute, an unspent Special Assessment and shall be paid to the Unit Owners so assessed in proportion to their respective Common Interests, free of any claim of any lienor (including, without limitation, any Permitted Mortgagee).

In the event that the damage is caused to both a Unit and Common Elements, the Condominium Board shall retain the services of an insurance adjuster to determine the amount of damages caused separately by the Unit and Common Element and all the underpayments and overpayments shall be subject to provisions in paragraph (4).

4. If seventy-five (75%) percent or more of the Building is destroyed or substantially damaged and if all Unit Owners do not promptly resolve to proceed with the repair or restoration thereof, the Building will not be repaired and shall be subject to an action for partition instituted by any Unit Owner or lienor, as if owned in common, in which case the net proceeds of the resulting sale, together with the net proceeds of insurance policies, shall be divided among all Unit Owners in accordance with the factors set out in the New York State Condominium Act Section 339-i(1)(iv), which is based on floor space, subject to the location of such space and the additional factors of relative value to other space in the Condominium, the uniqueness of the Unit, the availability of common elements for exclusive or shared use, and overall dimensions of the particular Unit and the fair market value of such Unit. In the event of any dispute, the issue shall be presented for arbitration in accordance with Article 10 of the By-Laws. No payment shall be made to a Unit Owner until there has first been paid, out of his or her share of such funds, such amounts as may be necessary to discharge all unpaid liens on his or her Unit (other than mortgages that are not Permitted Mortgages) in the order of the priority of such liens. If Sponsor or its designee is then a Unit Owner, it will have the right to vote at any meeting of Unit Owners called for the purpose of deciding whether or not to proceed with the restoration or repair of the Building.

B. Units Acquired by the Condominium Board

All Units acquired or leased by the Condominium Board or its designee shall be held by the Condominium Board or its designee on behalf of all Unit Owners. Any rent, purchase price, closing costs and closing adjustments payable in connection therewith shall be assessed against all Unit Owners as a Common Expense. No Units held by the Condominium Board or its designee

shall carry voting rights.

C. Termination of Condominium; Partition of Common Elements

The Condominium shall continue (unless terminated by casualty loss, condemnation, or eminent domain as provided by the By-Laws) until such time as the Property shall be withdrawn from the provisions of the Condominium Act as a result of the vote to do so by at least eighty percent (80%) of the vote, taken in accordance with the By-Laws. In addition, the written consent of the Mortgage Representatives, if any, shall be required before such vote is effective. In the event of withdrawal, the Property shall be subject to an action for partition by any Unit Owner or any lienor as if owned in common, in which event the net proceeds of the sale resulting therefrom shall be divided among all Unit Owners in accordance with the value of each of the Units. In the event of any dispute, the issue shall be presented for arbitration in accordance with Article 10 of the By-Laws. Before paying any of the proceeds to a Unit Owner, the shares of such proceeds payable to such Unit Owner shall first be applied to the payment of any liens on his or her Unit, in the order of priority of such liens.

D. Reports to Unit Owners

All Unit Owners will receive annually copies of an annual report of the Condominium including a balance sheet and profit and loss statement certified by a certified public accountant (as long as the Sponsor is in control of the Condominium Board), a statement regarding any taxable income attributable to the Unit Owners and a notice of the holding of the Annual Unit Owners' meeting. In addition, it is the obligation of the Condominium Board to give all Unit Owners annually a copy of the proposed annual budget of the condominium ten (10) days prior to the date set for the adoption of such budget.

E. Review of Real Estate Assessments

The Condominium Board will be responsible for reviewing, appealing and filing any documents necessary for obtaining a reduction in the tax assessment and will file such documents on behalf of all of the owners. Such owners shall execute any documents required for such filing.

After the Units have been separately assessed, tax review for each Unit will be the responsibility of the Unit Owner.

F. Covenant against Partition of Common Elements

The Common Elements are not subject to partition nor are they severable from the Units except in accordance with the Real Property Law.

G. Capital Reserves

The Condominium Board has the power to accumulate reserve funds for capital replacements or other purposes in accordance with the Declaration and By-Laws, as set forth in Documents 6 and 7 in Part II of the Offering Plan.

H. Arbitration

In order to resolve any dispute, controversy, claim or question arising with respect to the Condominium, or to break any deadlock in voting, the parties shall consult with an agreed-upon person in order to resolve the issue. Such consultation shall take place within thirty (30) days of notice to either party from the other. In the event that after such consultation, the issue is still unresolved, or if the parties cannot agree upon a person to resolve the matter, then the parties shall submit such dispute or question to arbitration. If the parties cannot agree on the arbitrator or if the arbitration procedure has not commenced for any other reason within ninety (90) days of the original notice, then such dispute or question shall be submitted to the American Arbitration Association, which will give any party the rights he is entitled to under New York law. The decision of the arbitrator so chosen shall be given within thirty (30) days after their selection or appointment. The fees, costs and expenses of the arbitrators shall be shared equally by the disputants. Each disputant shall also bear the fees and expenses of his or her counsel and expert witnesses. Nothing contained in this paragraph shall be construed to preclude any purchaser's rights under Article 23-A of the GBL.

The arbitrator shall be a third party mutually agreed upon by affected parties, and the Condominium Board shall follow the directions of the Arbitrator. The arbitrator will have the authority to file its decision with the Court under the New York Arbitration Law and Article 75 of the CPLR. Any decision or award rendered shall be final and conclusive upon the parties and a judgment thereon may be entered in a court of competent jurisdiction. The decision shall be enforceable in a court of competent jurisdiction.

U. RIGHTS AND OBLIGATIONS OF UNIT OWNERS & CONDOMINIUM BOARD

Sales and Leases of Units

Each owner of a Unit may sell or lease his or her Unit; provided, however, that such owner first gives the Condominium Board written notice of his or her intention to do so, which notice shall be accompanied by a fully executed copy of the contract of sale or lease, as the case may be, containing all of the terms offered in good faith by the prospective purchaser or lessee.

The board will not have a right of first refusal on the sale of Units.

Mortgages of Units

Each Unit Owner has the right to mortgage his or her Unit, provided that, with respect to Units other than the Unsold Units, the conditions with respect thereto set forth in Article 8 of the By-Laws are first complied with. As more fully set forth in said Article 8, these conditions include the requirements that:

(a) no Unit Owner shall be permitted to mortgage, pledge or hypothecate his or her Unit unless and until he or she shall have paid in full to the Condominium Board all unpaid Common Charges and special assessments theretofore assessed against such Unit and shall have satisfied all unpaid liens, except the liens of Permitted Mortgages levied against such Unit;

(b) no Unit Owner shall execute any mortgage or other document mortgaging, pledging or hypothecating title to his or her Unit without including therein its Appurtenant Interests, it being the intention to prevent any severance of such combined ownership. Any mortgage or other instrument purporting to affect one or more of such interests without including all such interests shall be deemed and taken to include the interest or interests so omitted, even though the latter shall not be expressly mentioned or described therein so that at all times, all of the Units interests in the Condominium shall remain and shall not be severed;

(c) any mortgage covering a Unit shall be substantially in the form of the New York statutory form of mortgage, except for such changes or additions as may be required to permit a lender to make the loan;

(d) The Condominium Board is notified in writing of the making of such mortgage and is given a copy thereof.

Sponsor or its designee, as the owner of Unsold Units, shall have the right to mortgage the Unsold Units without any restriction or limitation, except that the Condominium Board is required to be notified in writing of the making of such mortgage and is to be given a copy thereof.

Capital Reserves

The Condominium Board has the power to accumulate reserve funds for capital replacements or other purposes to meet the needs of the Condominium in accordance with the

Declaration and By-Laws, as set forth in Documents 6 and 7 in Part II of the Offering Plan. There are no restrictions on these powers.

Common Charges: Assessment, Collection and Lien for Non-Payment

The Condominium Board will commence to collect the Common Charges upon the closing of title to the first Unit. Furthermore the Condominium Board will prepare and distribute to all Unit Owners, at least annually, a budget setting forth its projection of the Common Expenses for the coming fiscal year of the Condominium. Such Common Expenses will include, among other things:

(a) all costs and expenses in connection with the repair, maintenance, replacement, restoration and operation of, and any alteration, addition, or improvement to, the Common Elements;

(b) water charges and sewer rents in connection with the Building (unless the same are separately assessed to individual Units);

(c) real estate taxes and assessments levied with respect to the Property (until the same are separately assessed to individual Units); and

(d) amounts for such other items as the Condominium Board may deem proper (such as amounts for reserves, to make up deficits for prior years, to prepay indebtedness of the Condominium, or to purchase or lease Units).

Based upon such budget, the Condominium Board will promptly determine and advise each Unit Owner of the Common Charges payable by such Unit Owner during the ensuing fiscal year, which Common Charges shall represent a portion of the projected Common Expenses of the Condominium assessed to such Unit Owner prorated according to the Common Interest of his or her Unit.

Pursuant to the terms of Article 6 of the By-Laws, the Condominium Board has the right to revise its projection of the Common Expenses at any time and from time to time during any fiscal year of the Condominium. Any such revision may result in an increase or decrease in the amount of Common Charges payable by Unit Owners during such fiscal year. However, no such revision shall have a retroactive effect on the amount Common Charges payable by Unit Owners prior to the date of such new determination, and any such revision must be duly filed in an amendment to the Plan.

Unless otherwise determined by the Condominium Board, Common Charges will be payable in monthly installments, in advance, on the first day of each month. No Unit Owner will be relieved from liability for the payment of his or her Common Charges by waiving the use of any of the Common Elements or by mere abandonment of his or her Unit. No Unit Owner, however, will be liable for the payment of any part of the Common Charges assessed against his or her Unit subsequent to a permissible sale and transfer, or other conveyance by him or her of such Unit.

Any Unit Owner may, by conveying his or her Unit, without consideration, to the Condominium Board and complying with certain conditions set forth in the By-Laws in connection therewith, exempt himself or herself from Common Charges thereafter accruing. Such conditions include the payment of all Common Charges and assessments then due and payable with respect to his or her Unit and such Unit being free and clear of all liens and encumbrances other than any statutory lien for unpaid Common Charges. However, in no event shall Sponsor or its designee be permitted to convey any Unsold Unit to the Condominium Board and thereby exempt itself from Common Charges attributable to such Unit thereafter accruing, unless:

(a) the aggregate Common Interests appertaining to the Unsold Units constitutes fifteen (15%) percent or less of the total Common Interests appertaining to all Units;

(b) at least five (5) years have elapsed since the First Closing; and

(c) at the time of conveyance, Sponsor shall pay the Condominium Board a sum equal to the product of the then current monthly Common Charges for the Unsold Units being conveyed multiplied by twenty-four (24).

On a resale of any Unit, the purchaser of such Unit shall be required to pay unpaid Common Charges assessed against such Unit prior to his or her acquisition, except that a mortgagee acquiring title to a mortgaged Unit or a purchaser at a mortgage foreclosure sale shall not be liable, and such mortgaged Unit shall not be subject to, a lien for the payment of any Common Charges assessed subsequent to the recording of such mortgage and prior to the acquisition of title to such Unit by the mortgagee or a purchaser at a mortgage foreclosure sale and such assessments shall be the liability of the owner of the Unit at the time of the assessments. In the event that the Condominium Board forecloses its statutory lien on any Unit for unpaid Common Charges and the net proceeds of the foreclosure sale shall not be sufficient to pay such unpaid Common Charges, or if such Unit is acquired by a mortgagee or purchaser at a mortgage foreclosure sale, then, in either event, the defaulting Unit Owner shall remain personally liable for the balance of such unpaid Common Charges. The Condominium Board shall have the right to assess such unpaid balance amongst all those who are Unit Owners at the time that the same is levied.

Under the provision of Section 339-z of the Real Property Law, and Article 6 of the By-Laws, the Condominium Board will have a lien, on behalf of all Unit Owners, on each Unit for unpaid Common Charges and expenses assessed against such Unit together with interest and costs thereon. All such liens, however, will be subordinate, to the extent required by applicable law, to any liens for real estate taxes and assessments on such Unit.

Any lien for unpaid Common Charges and expenses against a Unit will be effective from and after filing of a verified notice thereof in the Register's Office and until all sums secured thereby, with interest and costs accrued thereon, shall have been fully paid, or until six (6) years from the date of filing (unless foreclosure of such lien is started within such six-year period), whichever shall be sooner. Such liens may be foreclosed by a suit brought in the name of the Condominium Board (acting on behalf of all Unit Owners) in like manner as the foreclosure of a mortgage on real property, or an action may be brought by the Condominium Board to recover unpaid Common Charges without foreclosing the lien.

In accordance with Section 339-aa of the Real Property Law, while the Sponsor is in control of the Condominium Board, the Sponsor will cause the Condominium Board to file a lien on Units in which Sponsor is more than thirty (30) days in arrears of Common Charges.

Failure by Non-Occupying Owner to Make Payments on its Unit

Section 339-kk of the Real Property Law of the State of New York (the "Condominium Act") applies to all condominium plans in existence after July 22, 1998. It is intended to provide financial protection for a condominium association if a non-occupying owner fails to make monthly payments for its Units. The terms of Section 339-kk are as follows:

> For purposes of this section, "non-occupying owner" means a condominium Unit Owner who does not occupy the dwelling Unit.
>
> If a non-occupying owner rents any dwelling Unit to a rental tenant and then fails to make payments due for Common Charges, assessments or late fees for such Unit within 60 days of the expiration of any grace period after they are due, the Condominium Board shall provide written notice to the tenant and the non-occupying owner that rental payments from the tenant shall be paid directly to the Condominium Board.
>
> Such notice shall provide that commencing immediately and until such time as all such payments are made current, all rental payments due subsequent to the issuance of such notice are to be made to the Condominium Association at the address listed on the notice. However, where a majority of the Condominium Board has been elected by Unit Owners who are in occupancy, the Board may elect not to require that rental payments be made payable to the Condominium Board.
>
> When such payments from the non-occupying owner are once again current, written notice of this fact shall be given within 3 business days to the rental tenant and non-occupying owner; thereafter, all rental payments shall be made payable to the non-occupying owner or a designated agent.
>
> A non-occupying owner who disputes the Board's claim to rental payments pursuant to Section 339-kk shall be entitled to present facts supporting such position at the next scheduled meeting of the Condominium Board, which must be held within 30 days of the date that such Board receives notice that such owner seeks to dispute such claim.
>
> Nothing in Section 339-kk shall limit any rights of Unit Owners or of the Condominium Board existing under any other law or agreement.
>
> Payment by a rental tenant to the Condominium Board made in connection with Section 339-kk shall relieve that rental tenant from the obligation to pay such rent to the non-occupying owner and shall be an absolute defense in any non-payment proceeding commenced by such non-occupying owner against such tenant

for such rent.

Repair and Maintenance of Units and Common Elements

Each Unit and all portions of the Common Elements shall be kept in first-class (same as new, excepting normal wear and tear) condition, order and repair (and free of snow, ice and accumulation of water with respect to any terrace, patio, roof or other part of the Property exposes to the elements) by the Unit Owner or the Condominium Board, whichever is responsible for the maintenance thereof and such Unit Owner or the Condominium Board, as the case may be, shall promptly make or perform, or cause to be made or performed, all maintenance work that is necessary in connection therewith. In the event that any Unit Owner fails to keep his or her Unit in such condition, the Condominium Board may, at the expense of such Unit Owner, enter his or her Unit to perform such acts as are necessary to cure such default. (See the subsection entitled "Rights of Access" for a further discussion).

Subject to the rights of existing tenants and other occupants of Unsold Units, each Unit Owner shall grant to the Condominium Board, the Managing Agent and/or any other person authorized by any of the foregoing a right of access (to be exercised in a reasonable manner) to his or her Unit for the purposes of: making inspections, removing violations against the Common Elements or any part of the Property, making general repairs, curing defaults by the Unit Owner and for other purposes permitted by the By-Laws.

Generally, all painting, decorating, maintenance, repairs and replacements, whether structural or non-structural, ordinary or extraordinary: (a) in or to any Unit (other than the Common Elements contained therein) shall be performed by the Owner of such Unit at his or her sole cost and expense; and (b) in or to the Common Elements shall be performed by the Condominium Board as a Common Expense.

In connection with the foregoing, it should be noted that the exterior glass surfaces of all windows located in any Unit are to be washed and cleaned by the owner of such Unit, at such Unit Owner's sole cost and expense.

Notwithstanding the foregoing, however, all maintenance, repairs and replacements to the Common Elements, whether structural or non-structural, ordinary or non-extraordinary, that are necessitated by the negligence, misuse, or abuse of a Unit Owner, will be made by such Unit Owner at his or her sole cost and expense.

Alterations and Improvements of Units, Limited Common Elements and Common Elements

Upon Condominium Board approval, each Unit Owner shall have the right to change the layout, make alterations, additions, or improvements to the interior of his unit or to the interior of any part of the property allocated to his unit (i.e., enclosed storage spaces and other spaces that have no effect on the aesthetic of the Building), provided, however, that, with respect to any such change in layout, alteration, addition, or improvement to, of or upon a unit or any part of the property allocated to his unit:

(1) no physical modification shall be made to any other Unit, and the Common Interest or interior dimensions of any other Unit shall not be changed by reason thereof, unless the owner of such other affected Unit shall consent thereto;

(2) the Unit Owner shall agree to hold the Condominium Board and all other Unit Owners harmless from any liability arising therefrom; and

(3) such change, alteration, addition, or improvement shall not jeopardize the soundness or structural integrity of any part of the Building or the safety of any tenant or other persons at the Property.

In the event that any Unit is subdivided, the subdivided Units shall jointly exercise and share the vote allocated to the original Unit.

In connection therewith, the Condominium Board, on behalf of the Unit Owner, shall execute any applications to any departments or to any governmental agencies having jurisdiction thereof, for any and all permits required in connection the making of alterations, additions, improvements, or repairs in or to a Unit, provided however that Condominium Board approval shall be required prior to any work of a structural nature.

Alterations and Improvements of Common Elements:

Generally, all alterations, additions, or improvements in or to the Common Elements will be made by the Condominium Board, and the cost and expense thereof will be charged to the Unit Owners as a Common Expense.

Except as otherwise provided in the By-Laws, no Unit Owner may make any alteration, addition, improvement, or repair in or to the Common Elements.

Sponsor or its designee or the owners of the Units shall have the right, without the approval of the Condominium Board, the Selling Agent, the Managing Agent, other Unit Owners, or representatives of holders of mortgages on Units to:

(a) make alterations, additions, improvements, or repairs in or to any Unsold Unit or Units, whether structural or non-structural, interior or exterior, ordinary or extraordinary; and

(b) subdivide, combine and change the boundary walls of Unsold Unit or Units. (See Section Changes in Prices and Units" for further discussion.)

However, no change will be made in the size or number of Units and/or their respective percentages of common interest, and no material change will be made in the size or quality of common elements, except by amendment to the Plan and, when applicable, the declaration.

In addition, the Sponsor may not substitute equipment or materials of lesser quality and design, nor may the Sponsor change the size, location of building or Units, other improvements or common elements if such changes affect the percentage of common interests or adversely affect

the value of any Unit to which title has closed or for which a purchase agreement has been executed and is in effect unless all affected Unit Owners and contract vendees consent in writing to such change.

At the request of the Sponsor or its designee or the Unit Owner, the Condominium Board will execute any application or other documents required to be filed with any governmental authority having or asserting jurisdiction in connection with any addition, alteration, improvement, or repair proposed to be made by the Sponsor or Unit Owner, at which time Sponsor or the Unit Owner shall execute an agreement to indemnify and hold harmless the Condominium Board and the Unit Owners from any expense or liability by virtue of the execution of the application or such other documents.

Insurance Coverage

If a Unit is damaged by casualty and the proceeds of insurance obtained by the Condominium Board are not sufficient to cover the repair of the Unit, the amount necessary to restore the Unit over and above the proceeds from any fire insurance on the Building will be an expense of the individual Unit Owner. In order to protect himself against the possibility of such an expense, the Unit Owner should obtain additional fire insurance coverage above and beyond that coverage maintained by the Condominium Board. See subsection "Repair or Restoration after Fire or Other Casualty," under the Section entitled: "Rights and Obligations of the Condominium Board."

The Insurance policy listed in the section "Schedule B" includes the following coverage:

Items Covered	**Deductible**	**Coverage Limits**
General Liability:	--	$1,000,000
Property All-risk Perils Building Replacement Cost (No Co-Insurance):	$10,000	$3,000,000
Flood:	$25,000	$1,000,000

Projected Annual Premium: **$10,000.00**

Except as set forth in the next paragraph, in the event that the Building or any of the Common Elements thereof is damaged or destroyed by fire or other casualty, the Condominium Board will arrange for the prompt repair and restoration thereof.

If the insurance proceeds are insufficient to cover the cost of repairs or restorations of the building or any Common Elements thereof, the Condominium Board may assess all Unit Owners for such deficit as a Common Expense. Any surplus insurance proceeds shall be paid to all Unit Owners in proportion to their respective Common Interests, except that no payment shall be made to a Unit Owner until there has first been paid, out of his or her share of such funds, such amounts as may be necessary to reduce unpaid liens on his or her Unit (other than mortgages that are not Permitted Mortgages) in the order of priority of such liens.

There is no provision for insurance covering indemnification of board members. It is at the discretion of the condominium board to obtain such coverage, the cost of which will be borne by the Unit Owners as a common expense.

If a Unit is damaged by casualty and the proceeds of insurance obtained by the Condominium Board are not sufficient to cover the repair of the Unit, the amount necessary to restore the Unit over and above the proceeds from any fire insurance on the Building will be an expense of the individual Unit Owner. In order to protect himself against the possibility of such an expense, the Unit Owner should obtain additional fire insurance coverage above and beyond that coverage maintained by the Condominium Board.

(I) In the event that either (i) the Building or any part thereof is damaged or destroyed by fire or other casualty (hereinafter referred to as a "Casualty Loss") or (ii) the Common Elements or any part thereof is taken in condemnation or by eminent domain (hereinafter referred to as a "Taking"), the net insurance proceeds payable under the insurance policies maintained by the Condominium Board by reason of such Casualty Loss or the net condemnation awards receivable by reason of such Taking, as the case may be, shall be payable to the Condominium Board. In either instance, all such monies actually received (hereinafter referred to as the "Trust Funds") shall be held in trust for the benefit of all Unit Owners and their Permitted Mortgagees and shall be disbursed pursuant to the terms of this Section. Notwithstanding anything to the contrary contained either in this paragraph (I) or elsewhere in this Section, however, no Unit Owner whose Unit, or any portion thereof, is taken in condemnation or by eminent domain (whether or not all or a part of the Common Elements are contemporaneously taken) shall be deemed to have waived whatever rights that he or she may have to pursue a separate claim against the condemning authority by reason thereof.

(II) Subject to the terms of paragraph (IV) hereof, the Condominium Board shall arrange for the prompt repair or restoration (hereinafter referred to as the "Work" of: (i) in the event of a Casualty Loss, the portion(s) of the Building (including all Units and the bathroom and kitchen fixtures installed therein on the date of recording the Declaration and all service machinery contained therein, but not including appliances or any furniture, furnishings, decorations, belongings, or other personal property supplied or installed by either Unit Owners or the tenants of Unit Owners) affected by such Casualty Loss or (ii) in the event of a Taking, the portion(s) of the Common Elements affected by such Taking. If, pursuant to the immediately preceding sentence, work is to be performed in or to Units, Common Elements that service or enclose Units and other Common Elements, or any combination of the foregoing, the work shall be performed, to the extent practicable, first in or to the Units, next in or to the Common Elements that service or enclose Units and then in or to the balance of the Common Elements. In addition, each Unit Owner whose Unit, or any portion thereof, shall be the subject of all or part of any Work shall have the right, subject to the terms of Section 5.2 of the By-Laws in Part II, to supervise any redecorating of his or her Unit.

(III) In the event that Work shall be performed pursuant to the terms of paragraphs (II) and (IV) of this Section, the Condominium Board or the Insurance Trustee, as the case may

be, shall disburse the Trust Funds to the contractors engaged in the Work in appropriate progress payments. If the Trust Funds shall be less than sufficient to discharge the cost and expense of performing the Work, the Condominium Board shall levy a Special Assessment against all Unit Owners for the amount of such deficiency in proportion to their respective Common Interests, and all proceeds of such Special Assessment shall become part of the Trust Funds. However, if the insurance proceeds are not sufficient to discharge the cost and expense of performing any work attributable to any part of the building which is not a "Common Element," such cost and expense must be paid by the owner or owners of the Units or Limited Common Element which were damaged, and no special assessment may be levied against the Unit Owners. If, conversely, the Trust Funds shall prove to be more than sufficient to discharge the cost and expense of performing the Work, such excess shall be paid to the Unit Owner of the damaged Unit, except that no payment shall be made to a Unit Owner until there has first been paid, out of said excess, such amounts as may be necessary to reduce unpaid liens on the Unit Owner's Unit (other than mortgages that are not Permitted Mortgages) in the order of priority of such liens. Notwithstanding the foregoing, however, in the event that the Unit Owners are assessed pursuant to the terms of the second sentence of this paragraph (III) for any projected deficiency in the amount of the Trust Funds available to the Condominium Board and, after the payment of all costs and expenses incurred in connection with the Work, any portion of the Trust Funds remains unspent, such excess Trust Funds shall, to the extent of such Special Assessment, be deemed to be, and shall constitute, an unspent Special Assessment and shall be paid to the Unit Owners so assessed in proportion to their respective Common Interests, free of any claim of any lienor (including, without limitation, any Permitted Mortgagee).

In the event that the damage is caused to both a Unit and Common Elements, the Condominium Board shall retain the services of an insurance adjuster to determine the amount of damages caused separately by the Unit and Common Element and all the underpayments and overpayments shall be subject to provisions in paragraph (IV).

(IV) If seventy-five (75%) percent or more of the Building is destroyed or substantially damaged and if all Unit Owners do not promptly resolve to proceed with the repair or restoration thereof, the Building will not be repaired and shall be subject to an action for partition instituted by any Unit Owner or lienor, as if owned in common, in which case the net proceeds of the resulting sale, together with the net proceeds of insurance policies, shall be divided among all Unit Owners in accordance with the factors set out in the New York State Condominium Act Section 339-i(1)(iv), which is based on floor space, subject to the location of such space and the additional factors of relative value to other space in the Condominium, the uniqueness of the Unit, the availability of common elements for exclusive or shared use, and overall dimensions of the particular Unit and the fair market value of such Unit. In the event of any dispute, the issue shall be presented for arbitration in accordance with Article 10 of the By-Laws. No payment shall be made to a Unit Owner until there has first been paid, out of his or her share of such funds, such amounts as may be necessary to discharge all unpaid liens on his or her Unit (other than mortgages that are not Permitted Mortgages) in the order of the priority of such liens. If Sponsor or its designee is then a Unit Owner, it will have the right to vote at any meeting of Unit Owners called for the purpose of deciding whether or not to proceed with the restoration or repair of the

Building.

Restrictions on the Use of Units

As more fully set forth in the Declaration and in the By-Laws, each Unit may be used in accordance with the use permitted by local law and zoning regulations and the Certificate of Occupancy.

No bird, reptile, or animal shall be permitted, raised, bred, kept, or harbored in the Building unless, in each instance, the same shall have been expressly consented to in writing by the Condominium Board or the Managing Agent, which consent shall not be unreasonably withheld. There are no aesthetic controls in the building. The Units and common elements are limited to residential use and no business or professional use may be carried on in the Units. Such limitations are more restrictive than those applicable to the Sponsor. The Sponsor may, without obtaining the consent of the Condominium Board or the other Unit Owners, use any one or more of such Units as model Units and sales and/or promotion offices in connection with the sale of the Unsold Units or for any other purpose, subject only to compliance with current laws, statutes or regulations.

A Unit owned or leased by an individual, corporation, partnership, fiduciary, or other entity may be occupied only by said individual, or by an officer, director, stockholder, or employee of such corporation, or by a partner or employee of such partnership, or by said fiduciary (including officers, directors, stockholders, or employees or corporate fiduciaries), or by the beneficiary of said fiduciary, or by a principal or employee of such entity, respectively, or by members of the immediate family or guests of any of the foregoing. However, the foregoing restriction shall not apply to Unsold Units.

No nuisance, or immoral, improper, offensive, or unlawful use, as determined by the Condominium Board, shall be allowed in the Building or any portion thereof. All valid laws, zoning ordinances and regulations of governmental No nuisance, or immoral, improper, offensive, or unlawful use, shall be allowed in the Building or any portion thereof. All valid laws, zoning ordinances and regulations of governmental bodies having jurisdiction thereof, relating to any portion of the Property, shall be complied with at the sole expense of the respective Unit Owners or the Condominium Board, whomever shall have the obligation to maintain or repair such portion of the Property. The Rules and Regulations of the Condominium, which govern the use of all of the Units, may be amended from time to time by the Condominium Board, provided that copies of such amendments are furnished to each Unit Owner prior to the time that they become effective. For further discussion, see the “Addendum to the Bylaws - Rules and Regulations” attached as part of Document No. 7 in Part II of the Plan.

Smoking, which includes carrying, burning, or otherwise handling or controlling any lit or smoldering product containing tobacco or cloves, including but not limited to cigarettes, cigars, pipes or electronic cigarettes, shall be permitted only inside a Unit or in an outdoor Limited Common Element that is connected to a Unit. Smoking anywhere else in the Condominium shall be prohibited, including, but not limited to, in indoor and outdoor Common Elements. No Unit Owner shall smoke, or permit smoking by any occupant, agent, tenant, invitee, guest, friend, or family member anywhere on the property except in their Unit or in any outdoor Limited Common

Element that is connected to the Unit. Smoking in violation of this rule shall constitute a nuisance pursuant to the terms and provisions of the By-Laws and shall be subject to a fine as reasonably determined by the Condominium Board.

Rights of Access

As more fully set forth in the By-Laws, the Condominium Board, and the Managing Agent, superintendent and other persons authorized by the Condominium Board, will have a right of access to any Unit for the purposes, among others, of making inspection of, or removing violations of governmental laws or regulations against any part of the Property, curing defaults committed by the owner of such Unit under the Condominium Documents, or correcting conditions originating in any Unit and threatening another Unit or any Common Element. In addition, Sponsor and its contractors, subcontractors, agents and employees will have a right of access to each Unit and to all of the Common Elements for purposes of performing certain alterations and repairs in or about Unsold Units and in fulfilling Sponsor's obligations under the Plan. The foregoing rights of access shall be exercised only upon not less than one day's advance notice and only in such a manner as will not unreasonably interfere with the use of the Units for their permitted purposes. In cases of emergency, however, such rights of access may be exercised immediately, without advance notice and whether or not the Unit Owner is present.

Self-Help

In the event that any Unit Owner fails to maintain or repair parts of the Building required to be maintained or repaired by such Unit Owner, or in the event of any breach of the Condominium Documents, then, as set forth in Article 9 of the By-Laws, the Condominium Board shall have certain rights to perform such maintenance or repairs, or to cure such breach, at such Unit Owner's expense.

Mechanic's Liens

Under the provisions of the Condominium Act, no lien of any nature may arise or be created against the Common Elements except with the unanimous consent of all Unit Owners. Liens may arise or be created against only the several Units and their respective Common Interests. A lien for labor performed in, or materials supplied to, a Unit may be filed against the Unit of an owner who has expressly requested or consented to the performance of such work or the supplying of such materials, but may not be filed against the Unit of any other owner who has not expressly requested or consented to the same, except in the case of emergency repairs. No labor performed in, or materials furnished to, the Common Elements shall be the basis for a lien thereon, but all Common Charges received by the Condominium Board shall constitute trust funds for the purpose of paying the cost of labor performed or materials furnished at the request, or with the consent of, the Condominium Board or the Managing Agent.

Compliance with the Terms of the Declaration, the By-Laws and the Rules and Regulations

Each Unit Owner must strictly comply with the provisions of the Condominium Documents, including, but not limited to the Declaration, By-Laws, or any other rules, regulations or

requirements promulgated by the Condominium Board, and as the same may be amended, modified, deleted, or added to from time to time pursuant to the terms thereof. Failure to strictly comply is grounds for an action for damages, including but not limited to attorney's fees, late charges and interest at the highest legal rate allowable, or injunctive relief, or both.

V. REAL ESTATE TAXES

After tax lots are apportioned and the Units are separately assessed, each Unit will be taxed as a separate tax lot for real estate tax purposes and the Unit Owner will not be responsible for the payment or non-payment of taxes on any other Units, nor will his or her Unit be subjected to any lien arising from the same. In the event that the Units are not separately assessed at the time of the closing, the following procedure will be applicable:

1. To the extent that the taxes have been paid by the Sponsor for the initial period, there will be an adjustment made at the time of the closing in the amount of the prepaid taxes with respect to this Unit. The adjustment will be based on the percentage common interest allocated to the Unit; or

2. The Unit Owner will be required to pay the entire amount of tax allocated to his Unit at the time that the Condominium Board is required to make its real estate tax payment to the City of New York. The allocation for taxes will be based on the unit's percentage of common interest allocated to the Unit.

Taxes are assessed by the Real Property Assessment Bureau of the Department of Finance of the City of New York. The tax assessments of condominium apartment buildings are governed by Section 581 of the Real Property Tax Law. This law requires the tax assessor to disregard the condominium form of ownership in valuing such properties and to value the building in the same manner as similar but non-condominium owned rental buildings.

The real estate tax estimates set forth in Schedule A are based on an opinion letter by Metropolitan Realty Exemptions, Inc., a real estate tax consulting firm with an office address of 349 Keap Street, Brooklyn, NY 11211.

Estimated real estate tax assessments are determined using various factors including sales price, square footage, location of the Unit, availability of limited common elements and/or access to common elements. No assurances can be given that the taxing authorities will assess the building and allocate the assessments in the same manner and the actual assessments may not be in the same proportion as the common interests set forth in Schedule A.

As per Rules and Regulations set by the Department of Finance multiple residential Class A Units would be categorized as a tax Class 2, with the current tax rate of 12.235%. (i.e., $12.235 per $100 of assessed value, the final 2021/2022 tax rates). Purchasers should note that the tax estimates provided are based on current tax rates and may be subject to change based on the fluctuation of tax rates.

Based on Sponsor's expert's letter, the total assessed value and real estate tax liabilities for the building, will be approximately as follows:

Residential Tax Liability	
Assessed Value	$602,100
Tax Liability	$73,677

As of July 2023, no tax certiorari proceedings are pending on the premises.

Review of Real Estate Assessments

The Condominium Board will be responsible for reviewing, appealing and filing any documents necessary for obtaining a reduction in the tax assessment and will file such documents on behalf of all of the owners. Such owners shall execute any documents required for such filing. After the Units have been separately assessed, tax review for each Unit will be the responsibility of the Unit Owner.

THERE IS NO ASSURANCE THAT THE TAXING AUTHORITY WILL ASSESS THE MINIMUM TAX PAYABLE WITH RESPECT TO THE UNITS, IF ANY, IN PROPORTION TO EACH UNIT'S COMMON INTEREST (AND IF NOT SO ASSESSED, UNITS HAVING THE SAME COMMON INTEREST MAY PAY DIFFERENT REAL ESTATE TAXES).

Tax Treatment of Condominium and Condominium Board

Section 528 was added to the Internal Revenue Code, pursuant to which the Condominium Board may, if qualified, elect to exclude from income the Common Charges payable by Unit Owners. (New York State and New York City have not adopted a similar statute.) This exemption is available to the Condominium Board only if:

(i) 60% or more of the gross income for the taxable year is received as fees or assessments from owners of Units ("Exempt Function Income"); and

(ii) 90% or more of the expenditures for the taxable year are for management, acquisition, maintenance and care of the Common Elements.

(iii) 85% or more of the total square footage of all Units within the Condominium must be used by individuals for residential purposes; and

No part of the net earnings may inure to the benefit of any private individual except through the rebate of excess assessments or indirectly through the acquisition, management and maintenance of association property.

An Association meeting the requirements of Section 528 of the Code and electing to be exempt from federal income tax on Exempt Function Income would be taxable at a flat corporate rate, with some minor modifications, on the amount by which its non-exempt function income exceeds the amount of allowable deductions which are directly connected with the production of such income.

The Association will meet the requirements for election of Section 528 during its first year of operation pursuant to the requirements as set forth herein above. Thus, the Association may make such election during the first year if it is advantageous. However, since the requirements for election under Section 528 are applied annually it cannot now be determined whether the Association may elect Section 528 treatment in any subsequent tax year.

Letter of Opinion regarding proposed real estate tax liabilities for the project located at 2478 East 11 Street, Brooklyn, NY

Project Details: 10 Residential Condominium Units

Dear Sir;

You have requested an opinion concerning the real property assessment to be levied upon the above property for the first full tax year after completion of construction, to be included in the Condominium Offering Plan.

In order to prepare this letter and the opinion set forth herein, you have supplied us with the following information upon which we have relied:

1. The subject property is located at 2478 East 11 Street, Brooklyn, NY 11222, and is known as Block: 7411, Lot 39 with the New York City Department of Finance ("DOF").

2. The proposed is to construct a new multiple dwelling building with 10 condominium units.

3. According to the information provided to our firm, the approximate gross square footage of the entire building will be **10,073 SF**.

4. There will be separate condominium tax lots filed with the DOF for each residential unit.

5. Based on assessment guidelines, the DOF Surveyor's Office shall class the condominium units as a tax class 2C and thus levy the assessed value on a 45% rate of the market value.

DOF Assessment Guidelines

The New York City Department of Finance assesses the values in regard to all New York City residential and commercial properties annually. Based on the assessor's determination of the assessment on taxable status date January 5th, the Department of Finance releases tentative assessments of the property value in January of every year and final assessments every May, prior to the beginning of each tax year. Assessments in New York City are made on a fiscal year basis, beginning on July 1st of each year and ending on June 30th the following year.

The property tax assessment process commences when the city's assessors determine the market value of the property. Property tax is only levied on a portion of the market value. This portion is called the assessed value. Regarding 1-3 family homes and condominiums with no more than three (3) stories, provided such property was previous classified as class one (1), the assessed values are levied on 6% of the market value. Regarding all other properties, taxes are levied on 45% of the market value.

Real Property Tax Law Section 581 provides that cooperative and condominium apartments shall be assessed for tax purposes as if the building was a comparable rental property. Thus, the Department of Finance is prohibited from utilizing the sales prices of the individual condominium units in determining the assessed valuation. Therefore, the prices that you set in your offering plan and any subsequent sales or re-sales are not relevant in determining the assessed value of the property or of the individual condominium units. Upon conversion to a condominium and after an application is submitted by you, the New York City Department of Finance shall assign individual tax lot numbers to each of the condominium units. The residential units will be designated as tax class 2C property and will pay on the class 2 tax rate. Real Property tax rates set each year by the City Council are applied to these property values, to determine each homeowner's annual tax liability. The current 2022 class 2 tax rate is 12.235%.

Tax Class 2a, 2b and 2c CAP

Per New York Real Property Tax Law Section 1805, tax class 2a, 2b and 2c properties are subject to an assessment cap of 8%. Specifically, the law states that an assessor of any special assessing unit "shall not increase the assessed value of any tax class 2a, 2b and 2c properties" in a single year by more than 8% of the previous year's assessed value, as listed on the assessment roll. Additionally, the assessor may not increase the tax class 2a, 2b and 2c properties assessed, value by more than 30% within any five-year period. The assessment cap does not apply to increases in assessed value due to physical alterations or the expiration of any tax exemptions or abatements.

Real Estate Tax liabilities

The Final Taxable Assessed Value of the property for tax year 2022/2023 is $602,100. Based on the current tax rate for tax class 2 of 12.235% (i.e., $12.235 per $100 of assessed value, the 2022 tax rates), the tax liability will be $73,667. This amount will be the tax liability for tax year starting July 1, 2022 and ending June 30, 2023.

In determining the assessed values for the individual units, the Department of Finance may use the common interest percentages set forth in the condominium declaration if such percentages are rationally and fairly determined.

Disclaimer

Though the aforesaid estimate of the Actual Assessed Valuation is a good-faith estimate, it is not possible to estimate same with any degree of certainty. Assessed valuations, when made, may be lesser or greater based on the interpretation of the administrative code and the applicable rules and regulations of the City of New York.

Although we believe our opinions are well-founded, they are not intended, and should not be construed as warranties or guaranties or representations as to future assessed valuations of the property under discussion and we accept no responsibility or liability in the event that the figures or projections set forth herein are incorrect or inaccurate. In no event will this firm, the Sponsor, the Sponsor's counsel or any other person be liable if the assessed valuation, when actually made, is lesser or greater that that estimated above, or if the administrative code and the applicable rules and regulations of the City of New York are changed in the future, or if the facts as represented prove to be untrue.

Sincerely yours,

W. COUNSEL'S INCOME TAX OPINION

July 6, 2023

Certa House Condominium
2478 East 11th Street
Brooklyn, New York 11235

Re: Offering Plan ("Plan") for the Condominium Ownership of the Premises known as the Certa House Condominium, 2478 East 11th Street, Brooklyn, NY 11235 (the "Property")

Gentlemen:

You have requested our opinion with regard to certain Federal, New York State and New York City income tax matters relating to a person ("Unit Owner") who purchases a condominium Unit ("Unit") under the Plan.

In connection with this opinion, we have reviewed the Plan including the exhibits thereto and such other documents as we considered necessary for the purposes of this opinion.

The opinion expressed herein is based upon the assumptions that the Plan becomes effective and is consummated in accordance with its terms and condominium ownership of the Property is validly established. All terms not otherwise defined herein shall have the same meanings ascribed to them in the Plan.

I. Tax Deductions for Unit Owners

Under the Plan:

(1) a Unit Owner will receive legal title in fee simple to the Unit coupled with ownership of an individual interest in the land and appurtenances and all other parts of the Building held in common with other Units Owners in its building (the "Common Elements");

(2) each Unit will be a separate tax lot for the purposes of The New York City real estate tax, and the Unit Owner will be directly liable to The City for the real estate tax assessment with respect to his Unit, but not with respect to any other Unit;

(3) subject to certain restrictions as to form, a Unit Owner may mortgage his Unit as he wishes, and will be individually liable for payment of principal and interest (and/or finance charges) on such mortgage but the Unit will not be subject to the lien of any mortgage placed on other Units; and

Phone: (347) 504-1724 **EFax: (917) 688-2553** **E-mail: Jay@Jaylichtmanlaw.com**

(4) a Unit Owner may separately transfer his Unit subject, with certain exceptions, to certain rights of the Condominium Board of his building.

On January 1, 2018, the Tax Cuts and Jobs Act of 2017 went into effect. This federal law significantly changed the previously existing Internal Revenue Code, including the taxes and deductions related to homeownership. Accordingly, it is our opinion that a Unit Owner who itemizes deductions will be entitled to deduct, for federal income tax purposes, real estate taxes in the amount of up to $10,000.00 a year assessed against his Unit. Purchasers should note that the $10,000.00 tax deduction is for the combined New York State income taxes, New York City (or local) income taxes and real estate taxes. Accordingly, in the event the Unit Owner's combined New York State income taxes, New York City (or local) income taxes and real estate taxes exceed the $10,000.00 threshold, a Unit Owner may not be able to realize a deduction for amounts over the $10,000.00 threshold. In addition, a Unit Owner who itemizes deductions will be entitled to deduct, for federal income tax purposes, interest on any acquisition indebtedness [1] up to $750,000.00[2]. See Sections 163 (interest) and 164 (taxes) of the Internal Revenue Code of 1986, as amended (the "Code")[3]. These expenses will be deductible when paid or accrued in accordance with the Unit Owner's method of accounting.

In addition to the interest and real estate tax deductions discussed above, a Unit Owner who uses all or part of his Unit in the conduct of his trade or business, or for the production of income, may deduct a portion of Common Charges allocable to such use. Each such Unit Owner who uses all or part of his Unit in the conduct of his trade or business will be entitled to deduct cost recovery on his Unit (similar to depreciation), computed separately and based upon the cost of his Unit (see Code Section 1012). Such deduction may be determined under Code Section 168 by using the straight-line method or under ACRS tables which approximate the use of 175% declining balance method, switching to straight-line recovery in later years. The excess of accelerated cost recover deductions over deductions computed using the straight-line method is an item of tax preference and may result in Unit Owners incurring alternative minimum tax. The

[1] Per the Internal Revenue Code of 1986 section 163 (h) B (i), as amended, "acquisition indebtedness" means any indebtedness which: (I) is incurred in acquiring, constructing, or substantially improving any qualified residence of the taxpayer; and (II) is secured by such residence. Such term also includes any indebtedness secured by such residence resulting from the refinancing of indebtedness meeting the requirements.

[2] However, the Internal Revenue Code of 1986, as amended, provides that if the Unit Owner has more than two (2) residences, he will not be able to deduct his interest on more than two (2) of his residences. See section "Real Estate Taxes."

[3] The New York State and City tax laws incorporate by reference Federal itemized deductions in regard to resident individuals (see N.Y. Tax Law Section 615; N.Y.C. Admin. Code Section 11-1715) and for corporations (see N.Y. Tax Law Section 208.9; N.Y.C. Admin. Code Section 11-600). Hence, all Federal authorities hereinafter referred to should, for the most part, apply under the New York State and/or City income tax statutes and to the extent that deductions are permitted for Federal tax purposes, they will be permitted for New York State and New York City tax purposes. However, the State and City income tax deductions for real estate taxes are not capped at the $10,000.00 threshold, and thus may be fully deducted New York State and New York City income tax purposes. It should be noted, however, that for Federal income tax purposes, the interest and real estate tax deductions discussed herein may be reduced for a taxpayer who has certain specified items of tax preference for Federal income tax purposes (including but not limited to holders subject to the alternative minimum tax, insurance companies, pensions, trusts partnerships and U.S. expatriates). Accordingly, a Unit Owner who is liable for an alternative minimum tax will not receive the full benefits of certain tax deductions (including interest on mortgages) (see Section 55 of the Internal Revenue Code).

amount of permitted deductions has been modified by the Internal Revenue Code 1986. The deduction of Common Charges for a Unit Owner who uses all or part of his Unit in the conduct of his trade or business is limited to that portion which does not exceed the Unit Owners' share of expenses paid or incurred through the Condominium and which would constitute trade or business expenses under Code Section 162, or would constitute expenses for the production of income under Code Section 212, if they were paid directly by the Unit Owner. Common Charges may exceed the deductible amount to the extent that Common Charges are used by the Condominium Board to finance capital expenditures or reserves. The amount used to fund capital expenditures or reserves are not deductible and must be capitalized by Unit Owners, increasing the basis in the Unit and thus the cost recovery deduction available for that Unit.

II. Tax Treatment of Condominium and Condominium Board

Under the Plan, each Condominium, via the Condominium Board, will determine, assess to, and collect from, its Unit Owners, in proportion to their respective Common Interests, the Common Charges to pay the costs and expenses of operating, repairing and maintaining the Common Elements of that Building.

The tax status of the Condominium Board of a Condominium (an "Association") is uncertain and turns upon whether the Association is treated as a mere conduit for Unit Owners or as an association taxable as a corporation.

If the Association is deemed to be the conduit for the Unit Owners, all income of the Condominium, such as investment income earned on interim investments or rent on any Unit it acquires, less the applicable expenses of earning such income, will be deemed income to the Unit Owners and taxable to them. However, Common Charges will not be considered income to the Association.

The Internal Revenue Service, however, may take the position that the Unit Owners, acting through the Condominium Board, constitute an association taxable as a corporation and that some or all of its income (including the Common Charges, and income described above, less expenses related to such income) which is deemed to constitute gross income is subject to Federal corporate income tax, New York State Corporation Franchise Tax, and New York City Corporate Franchise or Unincorporated Business Tax. Alternatively, it is possible that some or all of such income might be reportable directly by the Unit Owners.

In an effort to resolve the above uncertainty, Section 528 was added to the Code, pursuant to which the Condominium Board may, if qualified, elect to exclude from income the Common Charges payable by Unit Owners. (New York State and New York City have not adopted a similar statute.) In order for the Association to qualify as an exempt organization for federal income tax purposes under Code Section 528, it must meet the following six conditions:

(1) The Association must be organized and operated to provide for the acquisition, construction, management, maintenance, and care of the Association's property;

(2) 60% or more of the gross income for the taxable year is received as fees or assessments from

owners of Units ("Exempt Function Income");

(3) 90% or more of the expenditures for the taxable year are for management, acquisition, maintenance and care of the Common Elements;

(4) 85% or more of the total square footage of the Condominium must be used for residential purposes, including areas with auxiliary purposes within the Condominium such as laundry areas, recreational rooms, swimming pools, storage rooms, and areas used by maintenance personnel;

(5) No part of the net earnings may inure to the benefit of any private individual except through the rebate of excess assessments or indirectly through the acquisition, management and maintenance of association property; and

(6) The Association must properly elect to have Code Section 528 apply for the taxable year.

An Association meeting the requirements of Section 528 of the Code and electing to be exempt from federal income tax on Exempt Function Income would be taxable at a flat corporate rate, with some minor modifications, on the amount by which its non-exempt function income exceeds the amount of allowable deductions which are directly connected with the production of such income[4].

It is our opinion that the Association will meet the requirements for election of Section 528 during its first year of operation pursuant to the requirements as set forth herein above. Thus, the Association may make such election during the first year if it is advantageous. However, since the requirements for election under Section 528 are applied annually it cannot now be determined whether the Association may elect Section 528 treatment in any subsequent tax year.

We express no views as to any Federal, New York State and/or New York City tax consequences or as to any aspects of the Plan other than those explicitly discussed in this opinion. Nor do we express any view as to the tax status and tax consequences of the Plan under the laws of any other U.S. or foreign jurisdictions. This opinion does not deal with tax consequences which may result to a foreign Unit Owner by reason of his foreign status. This opinion also does not deal with the tax consequences which may arise if Units are acquired and/or leased by the Condominium Board or with respect to whether a Unit Owner may be deemed a resident of New York City due to ownership of a Unit. We therefore strongly advise each person contemplating the purchase of a Unit to consult his own tax advisor as to all such tax matters (including the tax matters discussed in this opinion).

[4] If in the future an Association does meet the substantially all test and elects tax treatment under Code Sec. 528, all amounts received by the Association as exempt function income will be exempt from federal income tax. This consists of amounts received as membership dues, fees, or assessments from owners of Residential Units. However, the Association would be subject to tax on income which is not exempt function income to the extent such income exceeds expenses properly allocable to such income. Examples of income which is not exempt function income are interest earned on reserve funds, amounts received from persons who are not members of the Association amounts received for work done on privately owned property which is not Association property, and amounts received from members for special use of the Association's facilities, the use of which is not available to all members as a result of having paid the dues, fees, or assessments required to be paid by all members.

We make no warranty that the Internal Revenue Service, the New York State Department of Taxation and Finance or the Finance Administration of The City of New York will accept any or all of the views stated above. Moreover, the Federal, State and City tax laws and regulations (and the rulings and decisions thereunder) may change and thereby affect, in whole or in part, the views stated above.

THIS OPINION IS NOT A GUARANTEE IT IS BASED UPON EXISTING RULES OF LAW APPLIED TO THE FACTS AND DOCUMENTS REFERRED TO ABOVE. NO ASSURANCES CAN BE GIVEN THAT THE TAX LAWS UPON WHICH COUNSEL BASE THIS OPINION WILL NOT CHANGE. IN NO EVENT WILL THE SPONSOR, THE SPONSOR'S COUNSEL, THE CONDOMINIUM BOARD, COUNSEL TO THE CONDOMINIUM BOARD, THE SELLING AGENT OR ANY OTHER PERSON BE LIABLE IF THERE ARE CHANGES IN THE FACTS ON WHICH COUNSEL RELIED IN ISSUING THIS OPINION, OR IF THERE ARE CHANGES IN THE APPLICABLE STATUTES, REGULATIONS, DECISIONAL LAW OR INTERNAL REVENUE SERVICE RULINGS ON WHICH COUNSEL RELIED WHICH CAUSE THE CONDOMINIUM TO CEASE TO MEET THE REQUIREMENTS OF THE INTERNAL REVENUE CODE OF 1986, AS AMENDED, OR THE NEW YORK STATE TAX LAW, AS AMENDED. ALL UNIT OWNERS, POTENTIAL UNIT OWNERS AND THE CONDOMINIUM ARE HEREBY INFORMED THAT (I) ANY TAX ADVICE CONTAINED IN THIS OPINION IS NOT INTENDED OR WRITTEN TO BE USED, AND CANNOT BE USED, FOR THE PURPOSE OF AVOIDING TAXES AND PENALTIES UNDER THE INTERNAL REVENUE CODE, (II) THE ADVICE IS WRITTEN TO SUPPORT THE PROMOTION OR MARKETING OF THE TRANSACTIONS OR MATTERS ADDRESSED IN THE PLAN, AND (III) EACH UNIT OWNER, EACH POTENTIAL UNIT OWNER, AND THE CONDOMINIUM SHOULD SEEK ADVICE BASED ON ITS PARTICULAR CIRCUMSTANCES FROM AN INDEPENDENT TAX ADVISOR.

We consent to the incorporation of this opinion in the Plan.

Condominium Offering Plan
Compliance with Real Property Law § 339-i

To Whom It May Concern;

Pursuant to your request, I have received the allocation of Percent Common Interests (PCI) as set forth on the Schedule A to the Offering Plan.

Based solely on my review of the Schedule A of the Offering Plan, the New York State Condominium Act and the Rules and Regulations, as well as the validity and correctness, without further independent investigation, of an opinion letter set forth in the Offering Plan as required by NYCRR section 20.3(i), from Stone Edge Management, with an address of 18 Spencer Street, Suite 801, Brooklyn, NY 11205, I have determined that the method selected for calculating the percentage of common interests in the condominium is in accordance with the Real Property Law section 339-i (1) is subparagraph (iv), which provides:

> "(iv) the Common Interests of each of the Units have been allocated based upon floor space, subject to the location of such space and the additional factors of relative value to other space in the condominium, the uniqueness of the Unit, the availability of common elements for exclusive or shared use, and the overall dimensions of the particular Unit."

X. RESERVE FUND

A reserve fund will be established in the budget. The basis of the figure projected for this item is approximately ten percent (10%) of the entire budget. This fund shall be used as a reserve to pay for periodic capital replacements or repairs, or necessary repairs of common elements. The amount budgeted is projected to be sufficient to pay for any major capital repairs or replacements, or necessary repairs of common elements, likely to be needed within the first five (5) years of condominium operation. In the event the amount budgeted is insufficient to cover any such expenditures, the Condominium Board will levy a Special Assessment in accordance with the manner set forth in the Condominium By Laws.

While the Sponsor is in control of the Condominium Board, the reserve fund may not be used to reduce common charges.

Neither the Department of Law nor any government agency passed upon the adequacy of the reserve fund.

Y. WORKING CAPITAL FUND

The Sponsor, as agent of the Condominium Board, will collect from each original purchaser at the time of the Closing an "Initial Capital Payment" equal to two (2) months' estimated Common Charges for each Unit. The Sponsor will deliver the funds so collected to the Condominium Board to provide the necessary working capital for the Condominium. Such funds may be used for certain prepaid items, organizational costs, and for such other purposes as the Condominium Board may determine and may be replenished as the Board sees fit. While the Sponsor is in control of the Condominium Board, the Working Capital Fund shall not be used to reduce estimated Common Charges. Adjustments for prepaid expenses between the Sponsor and the Condominium Board may be deducted only from the working capital fund.

NO REPRESENTATION IS MADE THAT THE INITIAL WORKING CAPITAL FUND WILL BE ADEQUATE TO COVER CURRENT OR FUTURE EXPENSES, INCLUDING REPAIRS OR REPLACEMENTS, AND IF ADDITIONAL FUNDS ARE REQUIRED OVER AND ABOVE THE INITIAL CAPITAL FUND, IT MAY BE NECESSARY FOR THE CONDOMINIUM BOARD TO INCREASE THE CHARGES.

NEITHER THE DEPARTMENT OF LAW NOR ANY OTHER GOVERNMENT AGENCY HAS PASSED UPON THE ADEQUACY OF THE INITIAL WORKING CAPITAL FUND OR THE PHYSICAL CONDITION OF THE BUILDING.

Z. MANAGEMENT AGREEMENT

On or about the closing of title to the first Unit, the Condominium Board shall enter into an agreement with the Sponsor, 21Y, LLC with an address of 369 Avenue X, Brooklyn, NY 11223 to manage the property. The term of the agreement shall be one (1) year. Sponsor will not charge the Condominium a management fee for the first year. After the first year, the Sponsor may charge a fee similar to the prevailing rate for such services for buildings similar in size and location to this building, and at that time, the Unit Owners may choose to enter into a contract with another managing agent. The managing agent's main duties, among others, will be:

1. Bill and collect Common Charges and other charges and, if authorized by the Condominium Board, institute summary proceedings to recover possession of Units against Unit Owners in default of Common Charges and other charges;

2. Cause the building to be maintained, repaired and altered in the condition deemed advisable by the Condominium Board;

3. Contract for necessary services for the building, such as electricity, gas, window cleaning, exterminator service, elevator maintenance and cleaning service;

4. Purchase all supplies necessary to properly maintain and operate the building;

5. Check all bills received in connection with the operation of the building and cause to be paid all such bills and other expenses such as water charges etc.;

6. Supervise, pay, hire and discharge employees;

7. Enter into contract with elevator Company to perform monthly maintenance service tests as required by law;

8. Obtain and maintain (to the extent obtainable) fire, liability and other insurance, and in such amounts, as may be required;

9. Maintain an accurate set of books and orderly files of Common Charge records, insurance policies, receipted bills, etc.; and

10. Meet with Board of Directors to discuss financial and operating issues.

All expenses incurred by the Managing Agent in performance of its duties shall be paid by the Condominium, which will also indemnify the Managing Agent against any liability for acts properly performed by it pursuant to the agreement of the Condominium's instructions or for injury to the person or property not resulting from the Managing Agent's gross negligence or willful failure to comply with its obligations under the Management Agreement. The management agreement is assignable. Either party has the right to cancel the agreement without cause upon providing 60 days written notice to the managing agent.

(6) There is no gas supplied to the building.

(E) SUB-SOIL CONDITIONS.

(1) Test borings were taken by a licensed engineer to determine the bearing value and classification of the sub-soil. The soil should have minimum bearing capacity of three (3) tons per square feet, which would be sufficient to support the proposed three-story and cellar buildings. Soil borings indicated a suitable soil, consisting of a sand very fine dark brown salt at an elevation of approximately 10'-0" below curb level. The N.Y.C. Buildings Code defines this type of soil as having a minimum of 3 ton per square foot capacity.

(2) The water table was encountered at a level of 18' -0" below grade, which is below the proposed cellar floor elevation.

(3) The flood plain in which the site lies is built by standards of N.Y.C. Building Code, Appendix G and is considered safe for construction and the City permits new buildings in this area. There is a chance of flood, but as built by standards is not considered dangerous from flooding due to overflow from any body of water.

This building is in Flood Zone AE-10 as per FEMA Preliminary maps. As per 2014 BC G102.2.1, the preliminary maps are adopted as a reference standard, and as per G102.2.2, the more restrictive of the effective and preliminary maps is to be used. The building is residential; the parking on the lower level is accessory to residential use.

The AE-10 zone is considered a high-risk flood zone. AE-10 flood zones are areas that present a 1% annual chance of flooding according to FEMA. Flood insurance is required for this zone by FEMA, flood insurance cost is included in the budget of the condominium association.

The building has been designed as "nonresidential for flood zone purposes" with dry-floodproofing including flood shields, but this designation as "nonresidential" is not in compliance

with NYC Building Code requirements, which classifies this building as "residential for flood zone purposes", as there is no non-residential (commercial) portion of the building.

This building is residential for flood zone purposes, as all spaces on the lowest level are accessory to residential use.

The building does not provide code compliant egress from the second and third floor residential units during a flood emergency. The second and third floors egress through the cellar level which is below the design flood elevation and is dry floodproofed, with flood shields at the exits. As per 2014 BC G308.7.1, temporary stairs and ramps to provide elevated ingress and egress for dry floodproofed buildings shall not be permitted to serve as required means of egress for a dwelling unit. Therefore, in the case of a flood emergency, occupants of the second and third floor units are granted a right of egress through the living room areas of Units 1A, 1B, 1C and 1D on the first floor, to exit the building through the porches with access from the living rooms of those Units. Unit Owners of Units 1A, 1B, 1C and 1D must keep a path from the entrance doors of their Units to the living room door which accesses the porch unobstructed to allow emergency egress. This right of egress may only be used in the case of a flood emergency and only in a reasonable manner.

(4) The cellar walls are waterproofed and have no moisture seepage.

(5) The foundation walls have a 1/4" thick Bondtac waterproofing troweled on down to the base with 3" Rigid insulation R-15 rated applied vertically. The cellar floor slab is 4" concrete with 6 mil moisture barrier over 2" Rigid insulation rated R-10 and 4" gravel base.

(6) There is no evidence of uneven foundation movement or settlement.

(7) There is no evidence of seepage or water infiltration.

(8) According to the US Federal Emergency Management Authority (FEMA), The project is located in Preliminary Flood Zone AE-10, a Flood Zone Category as identified by the Flood Insurance Rate Map (FIRM) defined as a Special Flood Hazard Area (SFHA). SFHAs are defined as the area that will be inundated by the flood event having a 1% chance of being equaled or exceeded in any given year. The 1% annual chance flood is also referred to as the base flood or 100-year flood.

(9) As per section 3604970354F of current Effective Flood Insurance Rate Map (FIRM) dated 09/05/2007, the property is located in the Shaded X flood zone which is a moderate flood hazard area.

(10) FEMA states that preliminary data are for review and guidance purposes only, are subject to change, and are not for use until the data are finalized and labeled as "Effective" on the MSC (FEMA Flood Map Service Center), located at https://msc.fema.gov. Purchasers are advised to consult https://www1.nyc.gov/site/floodmaps/index.page for more information concerning flood maps, including information that until new flood maps are issued, flood insurance rates in New York City will continue to be based on the 2007 Effective FIRM (Flood Insurance Rate Maps). However, pursuant to 2014 Building Code G102.2.1, the preliminary maps are adopted as a reference standard, and pursuant to 2014 Building Code G102.2., the more restrictive of the effective and preliminary maps is to be used, which in this situation would be the FEMA Preliminary Flood Hazard Data that classifies the subject premises in the more restrictive AE-10 flood zone as described above. Pursuant to FEMA's Effective Flood Data Map and FIRM, the premises are located in Zone X FEMA flood map 3604970354F. X Zones are minimal-risk areas where flood insurance is not mandatory, although there is a risk of flooding at the subject premises. The amount projected for insurance in SCHEDULE B for the first year of operation includes flood coverage for FEMA Flood Zone X and accounts for the flood zone gates with which the subject premises are designed. In this building, only uninhabitable spaces are located at the cellar floor level, which is the level below the design flood elevation, which in the opinion of the architect renders this building "Nonresidential for Flood Zone Purposes" pursuant to the 2014 New York City Building Code Appendix G, Subsection BC G201.2. This building is therefore designed with a "dry floodproofing" gate system for the uninhabitable cellar floor level and received a Final Certificate of Occupancy from the NYC Department of Buildings on December 31, 2020. Purchasers are advised to consult with their own attorneys, engineers, and insurance advisors regarding the building design and the desirability of obtaining flood insurance.

(11) The property was purchased 2014. The property has not flooded since the time of purchase. Sponsor has no knowledge whether or not the property flooded during the 4 years before the time of purchase.

(12) There are no environmental site issues present on the property.

(13) The building does not provide code compliant egress from the second and third floor residential units during a flood emergency. The building has been designed as "nonresidential for flood zone purposes" with dry-floodproofing including flood shields, but this designation as "nonresidential" is not in compliance with NYC Building Code requirements, which classifies this building as "residential for flood zone purposes." as there is no non-residential (commercial) portion of the building. A flood emergency for the purposes of this Offering Plan is defined as whenever the local governing authorities issue an evacuation order or a shelter in place order for the neighborhood in which the building is located due to the risk of flooding. The second and third floors egress though the cellar level which is below the design flood elevation and is dry floodproofed, with flood shields at the exits. As per 2014 BC G308.7.1, temporary stairs and ramps to provide elevated ingress and egress for dry floodproofed buildings shall not be permitted to serve as required means of egress for a dwelling unit. Therefore, in the case of a flood emergency, occupants of the second and third floor units are granted a right of egress through the living room areas of Units 1A, 1B, 1C and 1D on the first floor, to exit the building through the porches with access from the living rooms of those Units. Unit Owners of Units 1A, 1B, 1C and 1D must keep a path from the entrance doors of their Units to the living room door which accesses the porch unobstructed to allow emergency egress. This right of egress may only be used in the case of a flood emergency and only in a reasonable manner and will be included in the Condominium Declaration to be recorded. A reasonable manner of granting access to the first floor Units will be created, such as the installation of a combination lockbox in the hallway outside the first floor Units with keys to those Units. Sponsor shall record a Flood Zone and Emergency Egress Restrictive Declaration which shall include the restriction that all rooms and spaces within the dwelling units, and all spaces intended to be used by persons for sleeping purposes, shall be located at or above the

design flood elevation and shall also contain the above easement. Such restrictive declaration was recorded on March 28, 2023 under CRFN 2023000076955.

(14) Flood Emergency Plan: Dry floodproofing measures that require human intervention to activate or implement prior to or during a flood, including temporary stairs or ramps, shall be permitted only when all of the following conditions are satisfied:

1. The flood warning time (alerting potential flood victims of pending flood situation) shall be a minimum of 12 hours, unless the community operates a flood warning system and implements an emergency plan to ensure safe evacuation of flood hazard areas, in which case human intervention is allowed only if the community can provide a minimum flood warning time equal to or longer than the cumulative:

(a) time to notify person(s) responsible for installation of floodproofing measures, plus;

(b) time for responsible persons to travel to structure to be floodproofed, plus;

(c) time to install, activate, or implement floodproofing measures, plus;

(d) time to evacuate all occupants from the flood hazard area.

2. All removable shields or covers for openings such as windows, doors, and other openings in walls and temporary stairs or ramps shall be designed to resist flood loads specified by code; and

3. Where removable shields or temporary stairs or ramps are to be used, a flood emergency plan shall be approved by the authority having jurisdiction and shall specify, at a minimum, the following information: storage location(s) of the shields and temporary stairs and ramps; the method of installation and removal; conditions activating installation and removal; maintenance of shields and attachment devices and temporary stairs and ramps; testing sump pumps and other drainage measures; and inspecting necessary material and equipment to activate or implement floodproofing. The flood emergency plan shall be permanently posted in at least two conspicuous locations within the structure.

(F) LANDSCAPING AND ENCLOSURES.

(1) Grass Cover (type, location): New grass (Kentucky Blue Grass Sod) cover provided through-out the unpaved portions of the front and rear yards. See BPP plan.

(2) Fencing- a 6-foot-high chain link fence is provided along portions of the property line along the sides of the condominium complex (not in front yard or between building sections)

(3) The Property has 3 entrances, and each entrance has an installed flood gates/shield. FLOOD SHIELDS LOCATION

THE PROPERTY HAS 3 ENTRANCES, AND EACH ENTRANCE HAS A FLOOD GATE/SHIELD INSTALLED. AT THE MAIN BUILDING ENTRANCE ON EAST 11TH STREET, AT THE RAMP BUILDING ENTRANCE ON AVE Y, AT THE GARAGE ENTRANCE ON EAST 11TH STREET. FLOOD GATES/SHIELDS ARE MADE BY PS FLOOD BARRIERS (PS INDUSTRIES INCORPORATED, 1150 S. 48TH STREET, GRAND FORKS, ND 58201, PHONE 877-446-1519, EMAIL: 4PSINFO@PSINDUSTRIES.COM (MAILTO:4PSINFO@PSINDUSTRIES.COM). THE HYDRODEFENSE FLOOD PLANK MODELS FP-530/FP-530FM. FLOOD GATES ARE MADE OF ALUMINUM, THE HEIGHT IS 48 INCHES.

FLOOD PLANK DEPLOYMENT STEPS

- STEP 1. USING A SCREWDRIVER, REMOVE THE SCREW SECURING COVER ASSEMBLY TO JAMBS.

- STEP 2. LUBE JAMB SEALS (RECOMMENDED TO ALLOW FLOOD PLANK TO SLIDE MORE EASILY INTO THE JAMBS).

a. USING A SPRAY BOTTLE FILLED WITH A WATER-DISH SOAP MIXTURE. THIS MAY NEED TO BE REPEATED AS PLANKS ARE PLACED IN THE JAMB. KEEP JAMB GASKETS MOIST DURING FLOOD PLANK DEPLOYMENT.

- STEP 3. REMOVE ALL DEBRIS FROM SILL/GASKET SEALING SURFACE.

- STEP 4. THE BOTTOM PLANK IS UNIQUE AND MUST BE INSTALLED FIRST.

a. LOCATE THE FLOOD PLANK THAT IS LABELED “BOTTOM” FLOOD PLANK, (AS SHOWN IN THE BOTTOM PLANK DETAIL).
b. THE ENDS OF THE GASKETS HAVE TWO THICK (1”) GASKETS MOUNTED TO THE BOTTOM OF THE PLANK.

- STEP 5. INSTALLATION OF BOTTOM PLANK.

a. PLACE ONE CORNER OF THE BOTTOM PLANK INTO THE BOTTOM CORNER OF THE JAMB.
b. ANGLE THE OPPOSITE END OF THE PLANK UPWARD UNTIL IT CLEARS THE OPPOSITE JAMB.
c. SLIDE INTO THE JAMB, TAKING CARE TO NOT TEAR THE GASKETS.
d. LEVEL PLANK AND SLIDE DOWN TO SILL/GASKET SEALING SURFACE.
e. CENTER PLANK EVENLY BETWEEN JAMBS, ENSURING PLANK FULLY OVERLAPS THE JAMB GASKET.

- STEP 6. INSTALL INTERMEDIATE PLANKS IN THE SAME MANNER AS THE BOTTOM PLANK, ENSURING CONTACT WITH PLANK BELOW.

a. ENSURE EACH ADDITIONAL PLANK IS FULLY SEATED ONTO THE PLANK BELOW BY INSPECTING FOR CONTINUOUS AND UNIFORM PLANK GASKET CONTACT BETWEEN PLANKS.
b. IF THIS IS NOT ACHIEVED; REMOVE AND RE-INSTALL THE PLANK BEFORE INSTALLING SUBSEQUENT PLANKS.

- STEP 7. TIGHTEN BOTH LATCHES EVENLY UNTIL THE BOTTOM GASKET IS COMPRESSED TO 5/8” OR LOWER (TO ACHIEVE 1/8” GASKET COMPRESSION) ALONG THE ENTIRE LENGTH OF PLANK.

a. REFER TO YOUR APPROVED FOR CONSTRUCTION DRAWINGS TO DETERMINE THE TYPE OF LATCHING SUPPLIED FOR YOUR FLOOD PLANK.

FLOOD PLANK REMOVAL STEPS:

- STEP 1. IF PLANKS HAVE BEEN DEPLOYED FOR AN EXTENDED PERIOD OF TIME, SPRAY/HOSE WATER TO MOISTEN PLANK/JAMB GASKETS PRIOR TO REMOVAL.

a. PLACE PLANK REMOVAL TOOL ON THE TOP PLANK (REFER TO ILLUSTRATION I).
b. ROCK BACK AND FORTH UNTIL PLANK IS RELEASED FROM THE PLANK BELOW (REFER TO ILLUSTRATION II).
c. REMOVE PLANK, TAKING CARE NOT TO DAMAGE JAMB GASKET.

- STEP 2. REPEAT STEP 1 FOR ALL REMAINING PLANKS.

- STEP 3. INSPECT ALL GASKETS FOR DAMAGE, CONTINUOUS ADHESION TO THE ATTACHED SURFACE, AND PROPER POSITION AND COMPRESSION BEFORE STORAGE.

5. Procedure to Purchase

(i) Steven Lowenthal, Esq. of the law firm of Lowenthal P.C., with an address of 2001 Flatbush Avenue, Brooklyn, NY 11234, telephone number of (718) 758-2200, and email address of steve@lokopc.com, shall serve as escrow agent ("Escrow Agent") for Sponsor and Purchaser. Escrow Agent has designated the following attorneys to serve as signatories: Steven Lowenthal, Esq. All designated signatories are admitted to practice law in the State of New York. Neither the Escrow Agent nor any authorized signatories on the account are the Sponsor, Selling Agent, Managing Agent, or any principal thereof, or have any beneficial interest in any of the foregoing.

(ii) Escrow Agent and all authorized signatories hereby submit to the jurisdiction of the State of New York and its Courts for any cause of action arising out of the Purchase Agreement or otherwise concerning the maintenance of release of the Deposit from escrow.

(iii) The Escrow Agent has established the escrow account at Investors Bank, N.A., at its branch located at 4624 13th Avenue, Brooklyn, NY 11219 ("Bank"), a bank authorized to do business in the State of New York. The escrow account is entitled "COOP CONDO Attorney Escrow Account" ("Escrow Account"). The Escrow Account is an IOLA account. The Escrow Account is federally insured by the FDIC at the maximum amount of $250,000.00 per deposit. Any monies deposited on behalf of Purchaser in excess of $250,000.00 will not be insured unless Escrow Agent has established multiple accounts on behalf of Purchaser at various institutions. Additionally, if Purchasers have accounts at the same bank that holds escrowed funds, Purchaser's funds at the escrow bank factor into the $250,000.00 insurance limit.

(iv) All Deposits received by Purchaser shall be in the form of checks, money orders, wire transfers, or other valid instruments, and shall be made payable to or endorsed by the Purchaser to the order of "Lowenthal P.C. as Attorney."

(v) The Escrow Account is an IOLA account with no interest accrued to the benefit of the either the Sponsor or the purchaser. An IOLA account is a special segregated escrow

account maintained by an attorney in which the interest earned is paid to the State of New York. It is not anticipated that any interest will be earned thereon. If at some future point, the Offering Plan is amended to provide that the account will be a non-IOLA account, then the interest rate for all deposits made into the Escrow Account shall be the prevailing rate for such accounts. Interest shall begin to accrue upon placing the Deposit into the Escrow Account. All interest earned thereon shall be paid to or credited to the Purchaser at closing. No fees of any kind may be deducted from the Escrow Account, and the Sponsor shall bear all costs associated with the maintenance of the Escrow Account.

(vi) Within five (5) business days after the Purchase Agreement has been tendered to Escrow Agent along with the Deposit, the Escrow Agent shall sign the Purchase Agreement and place the Deposit into the Escrow Account. Within ten (10) business days of the placing the Deposit in the Escrow Account, Escrow Agent shall provide written notice to Purchaser and Sponsor, confirming the Deposit. The notice shall provide the account number and the initial interest rate to be earned on the Deposit (if any). Any Deposits made for upgrades, extras, or custom work shall be initially deposited into the Escrow Account, and only released in accordance with the terms of this Purchase Agreement.

(vii) The Escrow Agent is obligated to send notice to the Purchaser once the Deposit is placed in the Escrow Account. If the Purchaser does not receive notice of such deposit within fifteen (15) business days after tender of the Deposit, he or she may cancel the Purchase Agreement within ninety (90) days after tender of the Purchase Agreement and Deposit to Escrow Agent. Complaints concerning the failure to honor such cancellation requests may be referred to the New York State Department of Law, Real Estate Finance Bureau, 28 Liberty Street, 21st Floor, New York, NY 10005. Rescission shall not be afforded where proof satisfactory to the Attorney General is submitted establishing that the Deposit was timely placed in the Escrow Account in accordance with the New York State Department of Law's regulations concerning Deposits and requisite notice was timely mailed to the Purchaser.

(viii) All Deposits, except for advances made for upgrades, extras, or custom work received in connection with the Purchase Agreement, are and shall continue to be the Purchaser's money, and may not be comingled with any other money or pledged or hypothecated by Sponsor, as per GBL § 352-h.

(ix) Under no circumstances shall Sponsor seek or accept release of the Deposit of a defaulting Purchaser until after consummation of the Plan, as evidenced by the acceptance of a post-closing amendment by the New York State Department of Law. Consummation of the Plan does not relieve the Sponsor of its obligations pursuant to GBL §§ 352-e(2-b) and 352-h.

(x) The Escrow Agent shall release the Deposit if so directed:

(a) pursuant to terms and conditions set forth in the Purchase Agreement in upon closing of title to the Unit; or

(b) in a subsequent writing signed by both Sponsor and Purchaser; or

(c) by a final, non-appealable order or judgment of a court.

If the Escrow Agent is not directed to release the Deposit pursuant to paragraphs (a) through (c) above, and the Escrow Agent receives a request by either party to release the Deposit, then the Escrow Agent must give both the Purchaser and Sponsor prior written notice of not fewer than thirty (30) days before releasing the Deposit. If the Escrow Agent has not received notice of objection to the release of the Deposit prior to the expiration of the thirty (30) day period, the Deposit shall be released, and the Escrow Agent shall provide further written notice to both parties informing them of said release. If the Escrow Agent receives a written notice from either party objecting to the release of the Deposit within said thirty (30) day period, the Escrow Agent shall continue to hold the Deposit until otherwise directed pursuant to paragraphs (a) through (c) above. Notwithstanding the foregoing, the Escrow Agent shall have the right at any time to deposit the Deposit contained in the Escrow Account with the clerk of the county where the unit is located and shall give written notice to both parties of such deposit.

The Sponsor shall not object to the release of the Deposit to:

(a) a Purchaser who timely rescinds in accordance with an offer of rescission contained in the Plan or an Amendment to the Plan; or

(b) all Purchasers after an Amendment abandoning the Plan is accepted for filing by the Department of Law.

The Department of Law may perform random reviews and audits of any records involving the Escrow Account to determine compliance with all applicable statutes and regulations.

(xi) Any provision of the Purchase Agreement or separate agreement, whether oral or in writing, by which a Purchaser purports to waive or indemnify any obligation of the Escrow Agent holding any Deposit in trust is absolutely void. The provisions of the Attorney General's regulations and GBL §§ 352-e(2-b) and 352-h concerning escrow trust funds shall prevail over any conflicting or inconsistent provisions in the Purchase Agreement, Plan, or any amendment thereto.

(xii) Escrow Agent shall maintain the Escrow Account under its direct supervision and control.

(xiii) A fiduciary relationship shall exist between Escrow Agent and Purchaser, and Escrow Agent acknowledges its fiduciary and statutory obligations pursuant to GBL §§ 352-e(2-b) and 352(h).

(xiv) Escrow Agent may rely upon any paper or document which may be submitted to it in connection with its duties under this Purchase Agreement and which is believed by Escrow Agent to be genuine and to have been signed or presented by the proper party or

parties and shall have no liability or responsibility with respect to the form, execution, or validity thereof.

(xv) Sponsor agrees that it shall not interfere with Escrow Agent's performance of its fiduciary duties and statutory obligations as set forth in GBL §§ 352-e(2-b) and 352-(h) and the New York State Department of Law's regulations.

(xvi) Sponsor shall obtain or cause the selling agent under the Plan to obtain a completed and signed Form W-9 or W-8, as applicable, from Purchaser and deliver such form to Escrow Agent together with the Deposit and this Purchase Agreement.

(xvii) Prior to release of the Deposit, Escrow Agent's fees and disbursements shall neither be paid by Sponsor from the Deposit nor deducted from the Deposit by any financial institution under any circumstance.

(xviii) Sponsor agrees to defend, indemnify, and hold Escrow Agent harmless from and against all costs, claims, expenses and damages incurred in connection with or arising out of Escrow Agent's responsibilities arising in connection with this Purchase Agreement or the performance or non-performance of Escrow Agent's duties under this Purchase Agreement, except with respect to actions or omissions taken or suffered by Escrow Agent in bad faith or in willful disregard of the obligations set forth in this Purchase Agreement or involving gross negligence of Escrow Agent. This indemnity includes, without limitation, disbursements and attorneys' fees either paid to retain attorneys or representing the hourly billing rates with respect to legal services rendered by Escrow Agent to itself.

6. Closing Contingent on Plan Being Declared Effective

The respective obligations of Purchaser and Sponsor hereunder are contingent upon the Plan being declared effective. The Plan shall not be declared effective except in accordance with the prerequisites set forth in the Plan, as same may be amended from time to time. Purchaser understands and agrees that the Sponsor shall have the right to abandon the Plan at any time prior to its being declared effective or thereafter, in certain limited cases set forth in the Plan (see the section in the Plan entitled "Effective Date" for full details). The Plan will be abandoned or deemed abandoned if it has not been declared effective within the time limits prescribed in the Plan. The Sponsor shall notify Purchaser, in writing or by a duly filed Amendment to the Plan, when the Plan becomes effective or is abandoned.

7. Closing Date and Place

The closing of title shall occur on the date and at the time and place in the State of New York as Sponsor shall designate to Purchaser on not less than thirty (30) days' prior written notice. Sponsor shall have the right, from time to time, to adjourn such date and time for closing written notice to Purchaser. If adjourned, Sponsor shall fix a new date and time for title closing and shall give Purchaser not less than ten (10) business days' prior written notice of the new scheduled date and time for closing.

Purchaser may waive this thirty (30) day provision by initialing below.

I hereby waive the provision requiring thirty (30) days' notice of closing _____

8. The Deed

At closing, Sponsor shall deliver to Purchaser a Bargain and Sale Deed with covenant against grantor's acts transferring to Purchaser full ownership (fee simple title) to the Unit. The deed shall be substantially in the form reproduced as Document Number 5 in Part II of the Plan and shall be executed and acknowledged by Sponsor in form for recording. Such executed deed shall be delivered immediately to the representative of the title company insuring Purchaser's title (or, if no such representative is present, to Purchaser or Purchaser's attorney).

9. State of Title

Legal ownership to the Unit shall be transferred to Purchaser at closing subject only to the liens, encumbrances and title conditions (hereinafter called the "Permitted Encumbrances") enumerated in Exhibit A to this Agreement.

A. Any encumbrance to which title is not to be subject shall not be an objection to title if (i) the instrument required to remove it of record is delivered at or prior to the closing of title to the proper party or to Purchaser's title insurance company, together with the attendant recording or filing fee, if any, or (ii) such title insurance company as Purchaser may utilize, is or would be willing, in a fee policy issued by it to the Purchaser, to insure Purchaser that it will not be collected out of the Unit if it is a lien, or will not be enforced against the Unit if it is not a lien. The parties agree that the Sponsor may pay and discharge any liens and encumbrances upon the Property, not provided for in the Plan or this Purchase Agreement, out of the monies to be paid by the Purchaser at the time of closing title.

B. Notwithstanding anything else to the contrary in this Purchase Agreement or the Plan, if Sponsor is unable to deliver title to the Unit to Purchaser in accordance with the provisions of this Purchase Agreement and the Plan, Sponsor shall not be obligated to bring any action, suit or other proceeding or otherwise incur any cost or expense of any nature whatsoever in excess of its obligations set forth in the Plan in order to cure such inability, and, in such case, if Sponsor notifies Purchaser of its refusal to cure such inability and if Purchaser is not in default hereunder, Purchaser's sole remedy shall be either (i) to take title to the Unit subject to such inability (without any abatement in, or credit against, the Purchase Price, or any claim or right of action against Sponsor for damages or otherwise) or (ii) to terminate this Purchase Agreement. If Purchaser so elects to terminate this Purchase Agreement, Sponsor shall, within thirty (30) days after receipt of notice of termination from Purchaser, return to Purchaser all sums deposited by Purchaser hereunder (except for funds released to Sponsor to be used for special work, upgrades or extras), together with interest earned thereon, if any, and, upon the making of such payment, this Purchase Agreement shall be terminated and neither party hereto shall have any further rights, obligations or liability to or against the other under this Purchase Agreement or the Plan except for provisions hereof that by their terms survive the termination hereof. The foregoing remedy must be exercised

by notice of Purchaser in writing to Sponsor within fifteen (15) days after the giving of Sponsor's notice of refusal to cure such inability, failing which it shall be conclusively deemed that Purchaser elected the remedy described in clause (i) above (i.e., to acquire title subject to such inability).

10. Title Company Approval

Sponsor shall give, and Purchaser shall accept such title as any member of the New York Board of Title Underwriters will approve and insure, provided only the liens, encumbrances and conditions affecting title shall be the Permitted Encumbrances. Sponsor shall not be obligated to satisfy any exceptions to title raised by any other title insurance company that would be insured at no additional cost to Purchaser by Sponsor's title company. Purchasers are free to use a title company of their choosing without incurring additional costs or a penalty.

11. Sponsor's Inability to Convey Title

Sponsor may not abandon the plan after effectiveness for any reason other than a defect in title which cannot be cured without litigation or cannot be cured for less than a stated amount which shall not be less than one-half of one percent of the total offering amount.

12. Purchaser's Remedies

In the event that the Sponsor shall for any reason (except for willful default) be unable to convey and deliver the apartments in accordance with the terms of the Purchase Agreement, (except for any failure to perform any obligation imposed by applicable statute or regulation, or a failure to perform Sponsor's obligations under the Offering Plan) the sole remedy of the purchaser shall be to rescind the Purchase Agreement and be refunded the entire Down Payment with interest, if any has been earned, plus the cost of title searches, if any.

Any conflict between the Plan and the Purchase Agreement shall be resolved according to the terms of the Plan.

Nothing contained in the Purchase Agreement or in the Plan shall be construed to waive a purchaser's rights or abrogate Sponsor's obligations under Article 23-A of the GBL.

13. Closing Adjustments

A. At closing, Sponsor and Purchaser shall apportion, as of midnight of the day preceding the closing:

(i) real estate taxes (including all prepaid real estate taxes) and assessments, if any, on the basis of the fiscal or calendar year for which assessed, including water charges and sewer rents (if separately assessed) and any escrows for real estate taxes;

(ii) Common Charges for the month in which title closes;

(iii) rent and other charges, if any, pursuant to a lease for, or tenancy of, the Unit; and

(iv) insurance apportioned to the Unit until the policy expiration date.

The "Customs in Respect of Title Closings" recommended by The Real Estate Board of New York, Inc., as amended to date, shall apply to the adjustments and other matters therein mentioned, except as otherwise provided herein.

B. In the event the Unit has not been separately assessed for the then current fiscal tax year at the time of title closing, the apportionment of real estate taxes shall be based on the Unit's pro-rata share (in proportion to its Common Interest) of the then current real estate taxes assessed against the Property. If the Unit has been separately assessed but the closing occurs before the tax rate is fixed, then the apportionment of real estate taxes shall be based upon the latest tax rate applied to the most recent assessed valuation.

C. Any errors or omissions in computing apportionments at closing shall be corrected and payment made to the proper party promptly after discovery. This provision shall survive the closing.

D. Installments for tax assessments due after the delivery of the deed, if any, shall be paid by the Purchaser without abatement, set off or credit against the Purchase Price, without recourse of any kind against the Seller and shall not be considered a defect in title.

14. Purchaser's Closing Costs

At the time of title closing, Purchaser will pay the balance of the Purchase Price along with certain closing costs in addition to the legal fees of such Purchaser's counsel and the amount of any net credit in favor of Sponsor resulting from the closing apportionments described above. Such closing costs will include the following, the amounts of which are based on rates in effect on the date of the Plan and are subject to change without prior notice or amendment:

(i) If such Purchaser elects to obtain fee title insurance, he or she will pay a premium therefor to his or her title insurance company which will vary depending upon the amount of insurance requested. The premium for fee title insurance, if ordered through a title insurance company (the Purchaser is free to choose any title company without incurring additional fees from Sponsor), should be $773.00 for the first $100,000.00 of fee insurance plus $4.36 for each $1,000.00 or fraction thereof of additional fee insurance up to $500,000.00. The premium for mortgage title insurance should be $654.00 for the first $100,000.00 of insurance plus $3.64 for each $1,000.00 or fraction thereof of additional insurance up to $500,000.00. Sponsor's Title Company: a) has updated the title search; and b) has been retained by the Sponsor to clear any title issues affecting the premises, and c) has been retained by the Sponsor to record any documents requiring recording with respect to the offering plan. A copy of the title report will be furnished to the purchaser. In the event that Purchaser's title company refuses to accept Sponsor's undertaking in lieu of an escrow, then the Purchaser shall be required to accept title insurance from the title company procured by Sponsor provided that such title company will accept such undertaking.

(ii) A fee for recording the deed and Unit Owner's Power of Attorney of $32.00 for each instrument plus $5.00 per page, together with a service charge to the title company for such recording of approximately $185.00;

(iii) Purchaser shall pay all governmental fees and title company service charges associated with discharging and recording a mortgage lien release and UCC-3 termination statement or other appropriate instruments discharging the unit and its contents from any mortgage lien and security interest other than the lien of any mortgage loan Purchaser obtains.

(iv) If Purchaser obtains a mortgage loan, Purchaser will pay:

(a) a fee and service charge for recording the mortgage at the same rates given above for recording the deed;

(b) mortgage recording tax in the amount provided for by law, currently 2.05% (1.8% paid by the purchaser, 0.25% paid by the Lending Bank) of the face amount of the mortgage for mortgages under $500,000.00 and 2.175% (1.925% paid by the purchaser, 0.25% paid by the Lending Bank) for mortgages over $500,000.00);

(c) to Seller a sum equal to all of Purchaser's savings in the mortgage recording tax to which Purchaser is entitled, whether such savings result from an assignment of an existing mortgage on the unit or is pursuant to Real Property Law 339-ee or otherwise. (Note: The Lending Bank pays an additional 0.25%);

(d) all costs and expenses in connection with such loan in amounts determined by the lender, i.e., application, points, credit report, survey, appraisal, bank's attorney's fees, Residential and Condominium Endorsements (title insurance forms required by banks) escrows (such as for common charges and real estate taxes) private mortgage insurance if any, and any other fees required by lender. Sponsor makes no representation or warranty as to such closing costs or expenses or as to the availability of such financing.

(v) Although statutorily a Seller's expense, Purchaser shall pay the Real Property Transfer Tax due to The City of New York. This tax is in the amount of 1% of the total purchase price of the Unit if the purchase price is $500,000.00 or less, 1.425% of the total purchase price if the purchase price is more than $500,000.00, and 2.625% if the Purchase is for more than one residential unit at one time [see (viii) below]. The Purchaser shall also pay for the New York State Real Estate Transfer Tax imposed by statute on transferors of property. New York State has recently adopted changes to the tax imposed. The changes went into effect on conveyances on or after July 1, 2019 for contracts entered into after April 1, 2019. The revised New York State tax is as follows: 0.4% of the total consideration for conveyances of a Unit with a purchase price of $2,999,999.99 or less, and 0.65% of the total consideration for conveyances of a Unit with a purchase price exceeding $3,000,000.00.

New York State Tax Law Section 1404(a) has recently been amended (the "Amended Tax Law"), effective as of July 1, 2021. The Amended Tax Law can be accessed at the

following web address: https://www.nysenate.gov/legislation/laws/TAX/1404. Per the Amended Tax Law, in the case of a conveyance of residential real property, if the New York State transfer tax imposed by the law is paid by the Purchaser pursuant to a contract between the Sponsor and the Purchaser, the amount of such tax shall be excluded from the calculation of consideration subject to tax. Therefore, as the Plan and Purchase Agreement calls for the Purchaser to pay for both New York State and New York City transfer taxes, for purposes of calculating the transfer taxes to be paid, total consideration includes the following transfer taxes paid by the Purchaser:

(a) For New York City Taxes: New York City and New York State Transfer Taxes (ie: consideration equals the purchase price plus NYC and NYS transfer taxes);

(b) For New York State Taxes: New York City Transfer Taxes only (ie: consideration equals the purchase price plus NYC transfer taxes).

(vi) Under Section 1402-a of the New York Tax Law, a "Mansion Tax" of one percent (1%) of consideration is payable by the grantee (Purchaser) on each conveyance of residential real property, including condominium units where the consideration for the entire conveyance is $1,000,000.00 or more. Residential real property includes a one to three family house, an individual condominium unit, and a cooperative unit that is or may be used, in whole or in part, as a personal residence. As per the law, the Purchaser shall be responsible for the payment of the Mansion Tax.

(vii) New York State recently implemented a "Supplemental Tax" (in addition to the Mansion Tax, statutorily paid by the Purchaser) for transfers of residential real property in New York City, as detailed below. As per the recently enacted law, the Purchaser shall be responsible for the payment of the Supplemental Tax. The Supplemental Tax adds a tax on the Purchaser for purchases starting with a purchase price of $2,000,000.00 or more according to the following chart:

Purchase Price	**Supplemental Tax Rate**
$2,000,000.00 to $2,999,999.99	.25% of the purchase price
$3,000,000.00 to $4,999,999.99	.50% of the purchase price
$5,000,000.00 to $9,999,999.99	1.25% of the purchase price
$10,000,000.00 to $14,999,999.99	2.25% of the purchase price
$15,000,000.00 to $19,999,999.99	2.50% of the purchase price
$20,000,000.00 to $24,999,999.99	2.75% of the purchase price
$25,000,000.00 and above	2.90% of the purchase price

(viii) If a Purchaser purchases two (2) or more residential Units that have not been physically combined into a single residence or Unit before the transfer (a "combined sale"), The New York City Department of Finance may impose the New York City Transfer taxes at higher, non-residential rates, i.e., where the consideration is $500,000 or less, the rate will be 1.425% of the purchase price, and where the consideration exceeds $500,000, the rate will be 2.625% of the purchase price. This may be the case even if the Residential Units are transferred to the Purchaser pursuant to separate sales contracts with separate

closing dates. The Department of Finance has taken the position that the consideration for the transfer of each Residential Unit under a deed in a combined sale is not aggregated with the consideration for the other such deeded transfers in the same combined sale for purposes of determining the rate to be applied to each Residential Unit transfer (i.e., the 1.425% rate or the 2.625% rate). The Department of Finance has stated that the application of the "bulk sale rule" is made on a case-by-case basis depending on the particular facts and circumstances and there is no guarantee that the Department of Finance will not change its position with respect to the foregoing. Consideration is also not aggregated for Mansion Tax purposes. Purchasers will be required to pay the Mansion Tax on each Residential Unit in a combined sale, if the total consideration attributable to each such unit is $1,000,000.00 or more.

(ix) Purchaser will be required to deposit with the Board of Managers two (2) months' estimated monthly common charges for his unit to be used as working capital.

(x) Purchaser shall be obligated to pay the following fees to the law firm of Sponsor's attorney: (a) $3,000.00 for services rendered in connection with recording the Declaration of Condominium and the preparation of documents in anticipation of closing; (b) $450.00 if the closing is held at any location other than sponsor's attorney's office, at the request of the Purchaser, Purchaser's attorney, Purchaser's lender, or Purchaser's mortgage broker, whether Seller or their attorney attend the closing or not; (c) $400.00 if Purchaser applies for and closes with a mortgage; (d) $300.00 for the preparation of e-forms for New York City Real Property Transfer Tax; and (e) $450.00 for each time the closing is rescheduled at the request of the Purchaser, Purchaser's attorney, Purchaser's lender, or Purchaser's mortgage broker (for the costs to fix a new Closing Date and time, to coordinate the attendance of all persons, to re-date the closing documents and to recalculate the closing apportionments).

(xi) At closing, each purchaser shall pay to the Sponsor the sum of $3,500.00 to defray the Sponsor's costs of creating the condominium, e.g., architectural costs, filing fees, legal fees and other costs incurred in creating the condominium.

(xii) At closing, the Sponsor will collect each purchaser's pro-rated share in the first year's insurance premium from the date of the closing until the end of the first year of condominium operation. This amount will be calculated in proportion to each purchaser's common interest and will be used to reimburse the Sponsor for payment of the first year's premium. Insurance premiums paid as part of common charges from closing until the end of the budget year will be retained by the Board to pay toward the premium for the next year. The pro-rated insurance adjustment collected by Sponsor will be in lieu of any other closing adjustments with the Board for insurance.

15. Rent Security Deposit

If Purchaser is or hereafter becomes a tenant of the Unit, Purchaser's unapplied rent security deposit, if any, will be refunded to Purchaser, together with any interest earned thereon, within thirty (30) days following the closing, provided Purchaser is not in default under

Purchaser's lease or tenancy obligations. If the Unit is occupied by other than Purchaser, then the unapplied security deposit (if any) of the tenant or occupancy will be transferred at closing to Purchaser, who will upon receipt sign and deliver to Sponsor an agreement acknowledging the amount received, indemnifying Sponsor from all liability in connection therewith and agreeing to hold such security deposit in trust and to deposit same in an interest bearing bank account pursuant to the provisions of Section 7-103 of the New York General Obligations Law (such agreement to be in form and substance satisfactory to Sponsor). In either event, Sponsor will have the right to deduct from any tenant's security deposit the amount of any rent arrearage owing to Sponsor and to sue the tenant to the extent such rent security is insufficient.

The Purchaser may not occupy the Unit or perform any work in the Unit prior to closing without the prior consent of the Sponsor. In the event the Purchaser occupies the Unit or performs any work in the Unit prior to closing without the prior consent of the Sponsor, such event shall constitute a default under Section 18 of this Agreement.

It is expressly understood and agreed that the Purchaser shall in no event take possession of the Unit prior to the time of the delivery of the deed (unless Seller agrees to give Purchaser an interim lease, which Seller is not obligated to give), and full compliance by the Purchaser with the terms of this Purchase Agreement, and should the Purchaser violate this provision, the Purchaser consents that the Sponsor shall have the right to remove him or her from the Unit as a squatter and intruder by summary proceedings. Upon the Purchaser's unauthorized possession, the Purchaser shall be deemed in default hereunder at the option of the Sponsor, and if the Sponsor so elects, the Sponsor may cancel this Purchase Agreement and the amount deposited hereunder shall belong to the Sponsor as liquidated damages deemed earned hereunder, but not more than ten percent (10%) of the Purchase Price, together with amounts (if any) released to Sponsor to be used for special work, upgrades or extras, shall be paid over to the Sponsor as liquidated damages. Notwithstanding the above, the Sponsor may receive the actual costs incurred for any special work, upgrades or extras ordered by Purchaser as a part of its liquidated damages even though the total amount of liquidated damages thereby exceeds ten percent (10%) of the Purchase Price plus interest. It is further understood and agreed that the Sponsor will not be responsible for damage or loss to any property belonging to Purchaser whether same is delivered to the Property before, on or after the closing of title herein. Sponsor may, in its discretion, grant Purchaser possession of the Unit prior to Closing under an Interim Use and Occupancy Agreement, if the Unit is currently or hereafter becomes vacant.

16. Power of Attorney to Board of Managers and Sponsor

At closing, Purchaser shall execute, acknowledge and deliver to the representative of the title insurance company insuring Purchaser's title to the Unit (or if no representative is present, then to Sponsor's attorney) for recording in the Kings County Clerk's Office, a power of attorney in favor of the Board of Managers relative to purchasing or leasing of Units and in favor of Sponsor relative to amending the Condominium Documents to the extent permitted in the power of attorney. The power of attorney shall be substantially in the form set forth in Document Number 4 in Part II of the Plan. After being recorded, the power of attorney shall be sent to the Condominium Board.

17. Transfer Tax Return

At closing, Sponsor and Purchaser shall each duly complete and sign before a Notary Public the transfer tax return required to be filed with The State of New York. The transfer tax return shall be delivered at closing to the representative of Purchaser's title insurance company (or, if none, to Sponsor's attorney) for filing with the proper governmental officer.

18. Events of Default

A. The following shall constitute "Events of Default" hereunder:

(i) Purchaser's failure to pay the Balance on the Closing Date designated by Sponsor pursuant to paragraph 7 herein;

(ii) Purchaser's failure to duly sign, notarize and deliver at closing the power of attorney pursuant to paragraph 16 above or the New York State transfer tax return pursuant to Paragraph 17 above;

(iii) If Purchaser is or becomes a tenant of the Building, Purchaser's failure to pay rent or to otherwise comply with Purchaser's lease or tenancy obligations, which results in Purchaser's eviction from Purchaser's Unit (either by voluntary removal or by court order);

(iv) If Purchaser occupies the unit or performs any work in the unit prior to closing without the prior consent of the Sponsor; or

(v) The failure to pay, perform or observe any of the Purchaser's other obligations hereunder, which is not cured within thirty (30) days after the mailing of written notice specifying the nature of such default.

B. Upon the occurrence of an Event of Default, the Sponsor's sole remedy shall be to cancel the Purchase Agreement by sending Purchaser thirty (30) days' prior written notice of its intention to do so. If Sponsor elects to cancel, Purchaser shall have thirty (30) days from the giving of the cancellation notice within which time Purchaser must cure the specified default. If the default is not timely cured, then Sponsor shall have the right to retain, as and for liquidated damages, the Down Payment (but in no event to exceed ten percent (10%) of the Purchase Price of the unit) plus the cost of any special work in the Unit ordered by Purchaser and expended by the sponsor from the amount Purchaser delivered therefore, (hereinafter called the "Liquidated Sum") and any sums in excess thereof (together with any interest earned thereon) shall be returned to Purchaser promptly thereafter. Upon cancellation of this Agreement and making such refund to Purchaser (if any), Purchaser, Sponsor and Selling Agent will be released and discharged of all further liability and obligations hereunder and under the Plan. Thereafter, the Unit may be sold to another as though this Agreement had never been made, and without accounting to Purchaser for the proceeds of such sale.

C. In the event that Purchaser does not close on the Closing Date set forth in the Notice of Closing, and Sponsor elects not to cancel the Purchase Agreement, or if the Sponsor approves the Purchaser's request to adjourn the closing, interest shall accrue on the unpaid amount of the Purchase Price from the Closing Date until such amount is paid. The interest rate shall be ten percent (10%) per annum calculated at a daily rate of approximately 0.0277%. This rate shall be in effect for as long as there is any unpaid amount owing towards the full Purchase Price.

D. Notwithstanding the occurrence of an Event of Default Sponsor may, in its sole discretion, keep this Agreement in effect and proceed to close title without prejudicing Sponsor's right to recover from Purchaser's damages, losses, costs, expenses and all other lawful sums to which Sponsor is entitled (including, but not limited to, legal fees and costs of collection).

E. If Purchaser is or becomes a tenant of the Building and Purchaser fails to pay rent or otherwise comply with Purchaser's lease or tenancy obligations, or Purchaser vacates or abandons the leased premises, then such failure, vacating or abandonment (as the case may be) shall constitute a default hereunder entitling Sponsor, at its sole option, to cancel this Agreement, even though Purchaser is not evicted from the leased premises as a result thereof. However, in the event Sponsor elects to so cancel, unless Purchaser is evicted, Sponsor shall refund to Purchaser all monies deposited hereunder together with any interest earned thereon. Upon such refund being made, Sponsor and Purchaser will be released and discharged of all further liability and obligations under this Agreement and the Plan. However, in no event shall Purchaser be released or excused from paying and performing Purchaser's lease or tenancy obligations.

19. Appliances and Equipment

A. The Unit is being sold unfurnished, without window blinds or shades and will contain only the appliances and equipment described herein and in the Plan. Furniture, wall coverings, furnishings, decorations, and the like in or about any model Unit are for display purposes only and are not included in this sale. Any floor plans or sketches shown to Purchaser (including those contained in the Plan) are only approximations of the Unit's dimensions and arrangement, and Purchaser should not rely thereon. Sponsor shall not be liable for immaterial variations from any floor plans or sketches.

B. There will be no modifications or extras unless approved by Sponsor and memorialized in a written agreement between the parties. All modifications and alterations must be in writing and, if approved, shall be performed by Sponsor at Purchaser's expenses (payable in the manner to be set forth in an addendum to this Agreement or separate agreement).

20. Construction

A. The construction of the Building and the Unit, including the materials, equipment and fixtures to be installed therein, shall be in accordance with the Plan and the architectural "plans and specifications" (defined in the Plan), subject to the right reserved by Sponsor to modify and amend the Plan and the "plans and specifications" in order to substitute

materials, equipment or fixtures of equal or better quality and design, provided only that the approval of any governmental authorities having jurisdiction thereover and the construction lender are first obtained (if required). The issuance of a Certificate of Occupancy for the Building shall be deemed presumptive evidence that the Building and the Unit have been fully completed in accordance with the Plan and the "plans and specifications." However, nothing herein contained shall excuse Sponsor from its obligations to correct any defects in construction in accordance with the conditions set forth in the Plan in the section entitled "Rights and Obligations of the Sponsor."

B. The construction of the Building and the Unit and the correction of any conditions in construction to the extent required under the Plan are the sole responsibility of the Sponsor. Purchaser acknowledges and agrees that Sponsor will not be liable for, and will have no obligation to correct, certain immaterial variations from the Plan and "plans and specifications" as indicated in the "Rights and Obligations of Sponsor--Construction Obligations" section of the Plan, and will only be responsible to correct any construction defects to the extent, and on the terms and conditions, set forth in said section.

21. Inspection of Unit

At least ten (10) days before the Balance is to be paid, the Selling Agent shall notify the Purchaser that the Unit is ready for inspection. Upon receipt of the notice, Purchaser shall promptly arrange an appointment with the Selling Agent to inspect the Unit before the lapse of such ten (10) day period. Purchaser or his duly authorized agent shall attend such inspection and shall complete, date and sign the Inspection Statement (in the form set forth as Exhibit C to this Agreement) and deliver same to the Selling Agent at the conclusion of the inspection. Failure of Purchaser either to arrange such appointment or to inspect the Unit within ten (10) days of receipt of said notice or to so sign and deliver the completed Inspection Statement, shall not excuse Purchaser from paying the Balance when due and shall constitute Purchaser's full acceptance of the Unit. However, nothing herein shall relieve Sponsor of its obligations as set forth in the "Rights and Obligations of Sponsor -- Construction Obligations" as set forth in the offering plan.

22. Possession; Risk of Loss

A. Unless Purchaser now resides in the Unit, Purchaser shall not be entitled to occupy the Unit until the deed is delivered to Purchaser at closing. Sponsor may, in its discretion, grant Purchaser possession of the Unit prior to the closing under an interim lease, if the Unit is currently, or hereafter becomes, vacant.

B. The Sponsor retains the risk of loss from fire or other casualty until the Purchaser is conveyed legal title to the Unit or occupies the Unit whether title has been conveyed or not. If Purchaser is given possession of the Unit prior to Closing under an interim lease or otherwise, the Purchaser shall be solely responsible for any damage to, or loss or other condition in the Unit resulting from Purchaser's use or occupancy, which is not covered by insurance, and Sponsor shall not be obligated to make any repairs to the Unit or its installations as a Purchaser that takes possession of a Unit assumes the risk of loss not covered by insurance. However, until closing, Sponsor will remain responsible to make

those repairs required of it as a landlord under any existing or interim lease and, after closing, the Condominium Board will be responsible to make those repairs required of it under the Condominium Documents.

C. If during Purchaser's occupancy the Unit is damaged by casualty or otherwise, the Purchaser shall assume the risk of loss not covered by insurance and the obligation to repair the damage, unless the cause thereof originated outside the Unit and did not result from the acts of Purchaser or other occupants of the Unit or Purchaser's guests, invitees or workmen. If Purchaser is obligated to repair the damage, then Purchaser's failure to make such repair shall not excuse Purchaser from paying the Balance and accepting delivery of the deed.

D. Except as provided in the preceding subparagraph C, Sponsor assumes all other risk of loss prior to closing, but without any obligation or liability of Sponsor to repair the damage or restore the Unit. If Sponsor or (in the event the Declaration is filed) the Unit Owners elect to repair or replace the loss or damage, this agreement shall continue in full force and effect, Purchaser shall not have the right to reject title to the Unit or to receive a credit against, or abatement in, the Purchase Price, and Sponsor shall be entitled to a reasonable period of time to complete or to permit the Condominium Board to complete such repairs or replacements. Purchaser shall not be required to pay the Balance unless and until (i) the Unit has been substantially repaired, as near as reasonably possible, to its condition immediately prior to the casualty and (ii) its essential services (such as gas, electricity, and heat) and a reasonable means of ingress and egress to the street have been restored. Any proceeds received from insurance or in satisfaction of any claim or action in connection with such loss, shall belong entirely to Sponsor (subject to the rights, if any, of the Condominium Board or other Unit Owners) and if such proceeds are paid to Purchaser, Purchaser shall promptly upon receipt turn them over to Sponsor. The provisions of the preceding sentence shall survive the closing.

E. In the event Sponsor notifies Purchaser that it does not elect to repair or restore the Unit or if the Unit Owners do not resolve to make such repairs or restoration pursuant to the Condominium's By-Laws, this Agreement shall be deemed cancelled and of no further force or effect and Sponsor shall return to Purchaser all sums deposited hereunder, without interest (unless interest is earned), whereupon the parties shall be released and discharged from all obligations and liability hereunder and under the Plan, except that if Purchaser is then in default hereunder (beyond the applicable grace period, if any), Sponsor shall retain the Liquidated Sum pursuant to Paragraph 18 above. The Sponsor will notify the Purchaser within fifteen (15) days of its decision with respect to repairing the unit.

23. No Representation

Purchaser acknowledges that Purchaser has not relied upon any architect's plans, sales plans, selling brochures, advertisements, representations, warranties, statements or estimates of any nature whatsoever, whether written or oral, made by Sponsor, Selling Agent or others, including, but not limited to, any relating to the description or physical condition of the Property, the Building or the Unit, or the size or the dimensions of the Unit or the rooms therein contained or any other physical characteristics thereof, the services to be provided to Unit Owners or the

estimated Common Charges and estimated real estate taxes for the Unit, the right to any income tax deduction for any real estate taxes or mortgage interest paid by Purchaser, or any other data, except as may be specifically represented herein or in the Plan; Purchaser having relied on Purchaser's own examination and investigation thereof. No person has been authorized to make any representations on behalf of Sponsor. No oral representations or statements shall be considered a part of this Agreement. Purchaser agrees (a) to purchase the Unit, without offset or any claim against, or liability of, Sponsor, whether or not any layout or dimension of the Unit or any part thereof, or of the Common Elements, as shown on the Floor Plans, is accurate or correct, provided the layouts and dimensions conform substantially to such Floor Plans and (b) that Purchaser shall not be relieved of any of Purchaser's obligations hereunder by reason of any immaterial inaccuracy or error. The provisions of this Paragraph 23 shall survive the closing of title.

24. Notices

All notices, elections, consents, demands and communications (collectively called "notices" or individually called "notice") shall be delivered personally or given in writing by registered or certified mail, return receipt requested, postage prepaid, and, if sent to Purchaser, addressed to Purchaser at Purchaser's address given in the preamble to this Agreement and, if sent to Sponsor, addressed to the Sponsor.

Notice to Purchaser shall include email transmission to Purchaser or Purchaser's attorney. Seller's attorney may send all notices to Purchaser's attorney and/or Purchaser via email at the following:

_____.

A PDF copy of the email sent showing transmission was complete is sufficient evidence that the email has been transmitted and the notice has been served.

25. Brokers

Purchaser represents to Sponsor that Eugene Volynets of Certa Realty, LLC [and _____ of _____] is/are the only broker(s) or sales agent(s) with whom Purchaser has dealt in connection with this transaction. Sponsor agrees to pay the commission due the aforementioned selling agent(s) pursuant to separate agreement. Purchaser agrees that should any claim be made against Sponsor for commissions by any broker, other than the aforementioned selling agent(s), on account of any acts of Purchaser or of Purchaser's representatives, Purchaser will indemnify and hold Sponsor free and harmless from any and all liabilities and expenses in connection therewith, including (without limitation) reasonable legal fees and disbursements. The provisions of this Paragraph 25 shall survive the closing.

26. No Lien; Agreement Subject to Mortgage

A. No lien or encumbrance shall arise against the Property or the Unit as a result of this Agreement or any monies deposited hereunder. This Agreement shall not be recorded and any purported recordation hereof by Purchaser shall constitute an Event of Default.

B. In furtherance and not in limitation of the provisions of the preceding subparagraph A, Purchaser agrees that the provisions of this Agreement are and shall be subject and subordinate to the lien of any mortgages heretofore or hereafter made and any payments or expenses already made or incurred or which hereafter may be made or incurred, pursuant to the terms thereof, or incidental thereto, or to protect the security thereof, to the full extent without the execution of any further legal documents by Purchaser. Sponsor shall, at its option, either satisfy such mortgages or obtain a release of the Unit and its undivided interest in the Common Elements from the lien of such mortgages on or prior to the Closing Date unless Purchaser assumes such mortgages. The existence of any mortgage or mortgages encumbering the Property, or portions thereof, other than the Unit and its undivided interest in the Common Elements, shall not constitute an objection to title or excuse Purchaser from completing payment of the Purchase Price or performing all of Purchaser's other obligations hereunder or be the basis of any claim against, or liability of, Sponsor, provided that any such mortgage is subordinated to the Declaration and the Unit is released from the lien of such mortgage at closing.

27. Entire Agreement

This Purchase Agreement, together with the Plan, as the Plan may be amended from time to time, constitutes the entire agreement between the parties as to the subject matter hereof and supersedes all prior understandings and agreements.

28. Joint Purchasers

The term "Purchaser" shall be read as "Purchasers" if more than one person is purchasing the Unit, in which case their obligations shall be joint and several.

29. Liability of Sponsor

A. Sponsor shall be excused from performing any obligation or undertaking provided for in this Agreement for so long as such performance is prevented, delayed or hindered by an act of G-d, fire, flood, explosion, war, riot, sabotage, inability to procure or general shortage of energy, labor, equipment, facilities, materials, or supplies in the open market, failure of transportation, strike, lock-out, action of labor unions or any other cause (whether similar or dissimilar to the foregoing) not within the reasonable control of Sponsor. Sponsor's time to perform such obligation or undertaking shall be tolled for the length of the period during which such performance was excused. Purchaser's time to perform its obligations under the purchase agreement may also be tolled during the tolling period mentioned above.

B. Notwithstanding the forgoing, disclaimers or limitations of liability on the part of the Sponsor or its principals for failure to perform any obligation imposed by applicable statute or regulation may not be included. The plan may not include any financial limitation on Sponsor's liability for failure to perform its obligations under the Plan. Additionally, Sponsor cannot limit any rights which the purchaser may have or be entitled to pursuant to Article 23A of the General Business Law, the NYCRR regulations, and the Offering Plan,

except (i) as determined in a final decision or order by a court of competent jurisdiction or (ii) any governmental agency or (iii) by executive order.

30. Further Assurances

Either party shall execute, acknowledge and deliver to the other party such instruments and take such other actions, in addition to the instruments and actions specifically provided for herein, as such other party may reasonably request in order to effectuate the provisions of this Agreement or of any transaction contemplated herein or to confirm or perfect any right to be created or transferred hereunder or pursuant to any such transaction.

31. Severability

If any provision of this Agreement or the Plan is invalid or unenforceable as against person or under certain circumstances, the remainder of this Agreement or the Plan and the applicability of such provision to other persons or circumstances shall not be affected thereby. Each provision of this Agreement or the Plan, except as otherwise herein or therein provided, shall be valid and enforced to the fullest extent permitted by law.

32. Strict Compliance

Any failure by Sponsor to insist upon strict performance by Purchaser of any of the provisions of this Agreement shall not be deemed a waiver of any of the provisions hereof, irrespective of the number of violations or breaches which may occur, and Sponsor, notwithstanding any failure, shall have the right thereafter to insist upon strict performance by Purchaser of any and all of the provisions of this Agreement to be performed by Purchaser.

33. Governing Law

The provisions of this Agreement shall be governed by, and construed and enforced in accordance with, the Laws of the State of New York.

34. Gender

A reference in this Agreement to any one gender, masculine, feminine or neuter, includes the other two, and the singular includes the plural, and vice versa, unless the context otherwise requires.

35. Certain References

The term “herein,” “hereof” or “hereunder” or similar terms used in this Agreement refer to this entire Agreement and not to the particular provision in which the term is used. Unless otherwise stated, all references herein to Paragraphs, subparagraphs or other provisions, are references to Paragraph, subparagraphs or other provisions of this Agreement.

36. Captions

The captions in this Agreement are for convenience and reference only and in no way define, limit or describe the scope of this Agreement or the intent of any provisions hereof.

37. Successors and Assigns

The provisions of this Agreement shall bind and inure to the benefit of Purchaser and Purchaser's heirs, legal representatives, successors and permitted assigns and shall bind and inure to the benefit of Sponsor and its successors and assigns.

38. No Oral Changes

This Agreement cannot be changed, nor any provision waived orally. ANY CHANGES OR ADDITIONAL PROVISIONS OR WAIVERS MUST BE SET FORTH IN A RIDER ATTACHED HERETO OR IN A SEPARATE WRITTEN AGREEMENT SIGNED BY THE PARTIES.

39. Acceptance of Purchase Agreement

A. On or prior to Purchaser's signing and delivering this Purchase Agreement, Purchaser agrees (if requested) to complete, sign and deliver to the Selling Agent an application form furnished by Sponsor. Such application shall be used to determine Purchaser's qualification to purchase and own the Unit but does not constitute a reservation or binding obligation on either the applicant or Sponsor.

B. The submission of such application or this Purchase Agreement to Purchaser does not constitute a binding obligation on either Purchaser or Sponsor. No such binding obligation shall arise until duplicates of this Purchase Agreement are executed by, and delivered to, both Purchaser and Sponsor (or Sponsor's duly authorized agent). If, within twenty (20) days after the Selling Agent receives this Purchase Agreement signed by Purchaser, a duplicate of this Agreement signed by Sponsor or its authorized agent is not sent or delivered to Purchaser, then it shall be deemed rejected and of no force or effect, and all monies paid by Purchaser shall be promptly refunded, without interest. Upon such refund being made, neither party shall have any further rights, obligations or liabilities hereunder with respect to the other. Sponsor has the right, without incurring any liability, to reject this Agreement without cause or explanation to Purchaser. This Agreement may not be rejected due to Purchaser's sex, sexual orientation, race, creed, color, national origin, ancestry, disability, marital status or other ground proscribed by law.

40. Purchase Agreement Not Conditioned on Financing

Purchaser may partially finance the purchase of this unit by obtaining a mortgage loan for the Purchase Price. However, the obligations of Purchaser under this Purchase Agreement are not conditional on Purchaser's obtaining financing unless Sponsor agrees to condition the contract upon financing and both Sponsor and Purchaser execute the Financing Contingency Rider.

41. Building Smoking Policy

By signing this Agreement, Purchaser represents that he/she is informed that Smoking, which includes carrying, burning, or otherwise handling/controlling any lit or smoldering product containing tobacco or cloves, including, but not limited to, cigarettes, cigars, pipes or electronic cigarettes, shall be permitted only inside a Unit or in an outdoor Limited Common Element that is connected to a Unit. Smoking anywhere else in the Condominium shall be prohibited, including, but not limited to, in indoor and outdoor Common Elements. 5. 6. Sewer, water, electric, plumbing, heating, gas, telephone and other utility easements and consents, if any, then or thereafter recorded, including the right to maintain and operate lines, wires, cables, amplifiers, transformers, pipes, conduits, poles, meters and distribution boxes in, over, under and upon the Property and the Building;

11. Revocability of licenses for vault space, if any, under the sidewalks and streets and the lien of any unpaid vault tax (which is to be paid by the Condominium Board);

12. The lien of any Common Charges and Special Assessments, real estate taxes, water frontage and/or meter charges, sewer rents, vault charges and assessments, provided that apportionment of such items is made as provided in the Section of the Plan entitled "Unit Closing Costs and Adjustments";

13. Leases and service, maintenance, employment, concessionaire and license agreements, if any, of other Units or portions of the Common Elements. Service, labor, concessionaire and maintenance agreements contemplated under the Plan;

14. Any Interim Lease with the Purchaser for such Residential Unit and any other leases, tenancies and occupancies permitted by the Purchase Agreement for such Residential Unit;

15. Any lien, notice of pendency or other encumbrance either (i) for which the instrument required to remove said lien, notice of pendency or other encumbrance of record is delivered at or prior to the date of closing of title to the Residential Unit, together with the required recording or filing fee, to the proper party or to the Purchaser's title insurance company, or (ii) as to which the Purchaser's title insurance company will insure that the lien, notice of pendency or other encumbrance will not be collected out of or enforced against the Residential Unit;

16. The lien of any assessment or assessments that are or may become payable in annual installments of which any installment is then a charge or a lien, provided that apportionment thereof is made as provided in the Section of the Plan entitled "Unit Closing Costs and Adjustments";

17. Judgments, bankruptcies or other returns against other persons having names the same as or similar to that of Sponsor or any of its principals, provided Sponsor or any such principals, as the case may be, deliver to the Purchaser or the Purchaser's title insurance company an affidavit showing that such judgments, bankruptcies or other returns are not against Sponsor or any such principals, as the case may be;

18. Uniform Commercial Code financing statements or conditional bills of sale, provided that (i) such statements were filed on a date more than five years prior to the closing of title to the Unit, (ii) Sponsor executes and delivers to the Condominium an affidavit setting forth that the property covered thereby is no longer in the Residential Unit or is fully paid for, or (iii) a tenant is the debtor thereunder;

19. Sidewalk violations and any other violations against the Property that are the obligation of any Board or another Unit Owner to correct.

20. All of the terms, burdens, easements, covenants, restrictions, conditions and rules and regulations set forth in the Declaration, the By-Laws (and the Rules and Regulations made thereunder), the Residential Unit Owner's Power of Attorney and the Floor Plans, all as may be amended from time to time; and

21. The standard exceptions contained in the form of fee title insurance policy then issued by the title insurance company insuring Purchaser's title to the Residential Unit.

22. Any encumbrance as to which the title insurance company which insures Purchaser's title to the Unit would be willing, in a fee policy issued by it to Purchaser, to insure Purchaser that such encumbrance (a) will not be collected out of the Unit if it is a lien and (b) will not prevent the use of the Unit for dwelling purposes.

23. Any lease covering the Unit.

24. Certificate of Occupancy to be issued covering the unit if required.

25. Any violations against the Property (other than the Unit) which are the obligation of the Condominium Board or another Unit Owner to correct.

Encroachments of shrubbery, stoops, areas, steps, doors, ledges, window sills, trim, copings, retaining walls, bay windows, balconies, sidewalk elevators, fences, fire escapes, cornices, foundations, footings, chutes, fuel oil lines, drainage and stand pipes, sewerage pipes, air-conditioning units, canopies, ramps, and similar projections, if any, on, over, or under the Property or the streets or sidewalks or property abutting the Property and the rights of governmental authorities and adjoining property owners to require the removal of any such projections and variations between record lines of the Property and retaining walls and the like, if any.

27. The building does not provide code compliant egress from the second and third floor residential units during a flood emergency. The second and third floors egress though the cellar level which is below the design flood elevation and is dry floodproofed, with flood shields at the exits. As per 2014 BC G308.7.1, temporary stairs and ramps to provide elevated ingress and egress for dry floodproofed buildings shall not be permitted to serve as required means of egress for a dwelling unit. Therefore, in the case of a flood emergency, occupants of the second and third floor units are granted a right of egress through the living room areas of Units 1A, 1B, 1C and 1D on the first floor, to exit the building through the porches with access from the living rooms of those Units. Unit Owners of Units 1A, 1B, 1C and 1D must keep a path from the entrance doors of their Units to the living room door which accesses the porch unobstructed to allow emergency egress. This right of egress may only be used in the case of a flood emergency and only in a reasonable manner.

Sponsor will not be obligated to bring any action or proceeding or otherwise incur any cost or expense in excess of its obligations under the Plan to cure any inability to deliver title to a Residential Unit in accordance with the Plan and the terms of the Purchase Agreement for such Residential Unit. If Sponsor notifies a Purchaser of its refusal to cure any such inability, then such Purchaser's sole remedy will be either (a) to take such title as Sponsor is able to deliver without abatement in or credit against the Purchase Price for the Residential Unit and without any claim or right of action against Sponsor for damages or otherwise or (b) to terminate his Purchase Agreement and receive a refund of his Down Payment and any interest earned thereon. A Purchaser must notify Sponsor in writing as to which option such Purchaser elects within ten (10) days after

the giving of Sponsor's notice of refusal to cure such inability, with **TIME BEING OF THE ESSENCE**. If a Purchaser fails to timely deliver such notice, it will be conclusively deemed that such Purchaser has elected to acquire title to the Unit subject to such inability as set forth in clause (a).

EXHIBIT B: TERMS OF FINANCING CONTINGENCY RIDER

THE TERMS SET FORTH IN THIS FINANCING CONTINGENCY RIDER SHALL APPLY, AT SELLER'S SOLE OPTION, ONLY IF AGREED TO BY THE SPONSOR IN THE SPACE PROVIDED BELOW. PURCHASER'S SIGNATURE ALONE DOES NOT EFFECTUATE THIS FINANCING CONTINGENCY RIDER.

THIS RIDER IS ANNEXED TO AND FORMS A PART OF THE PURCHASE AGREEMENT, DATED _____, 2022 BETWEEN 21Y, LLC, SELLER, AND _____, PURCHASER, RELATIVE TO THE SALE OF UNIT _____ AT THE CERTA HOUSE CONDOMINIUM, 2478 EAST 11TH STREET, BROOKLYN, NEW YORK.

As used in the Financing Contingency Rider, the following terms as hereinafter referred to, shall be defined as follows:

A. Contract Date: the date Purchaser's attorney receives a fully executed Purchase Agreement.

B. Institutional Lender: any bank, savings bank, private banker, trust company, savings and loan association, credit union or similar banking institution whether organized under the laws of this state, the United States or any other state, foreign banking corporation licensed by the Superintendent of Banks of New York or regulated by the Comptroller of the Currency to transact business in New York State; insurance company duly organized or licensed to do business in New York State; mortgage banker licensed pursuant to Article 12 D of the Banking Law; and any instrumentality created by the United States or any state with the power to make mortgage loans.

C. Lender: Sponsor's Preferred Mortgagee or Purchaser's Preferred Lender.

D. Financing Contingency Expiration Date: thirty (30) days from the Contract Date.

E. Purchaser's Preferred Lender: any Institutional Lender that is not Sponsor's Preferred Mortgagee.

F. Sponsor's Preferred Mortgagee: Cash 800, Inc. DBA New York Mortgage Exchange (NMLS# 93848), 369 Avenue X, Brooklyn, NY 11223, phone number (718) 339-3600, NYS Department of Financial Services License No. A000701, Agent: Eugene Volynets (NMLS #93757).

The following are the terms of the Rider:

1. The obligations of Purchaser hereunder are conditioned upon issuance on a date which is on or before the Financing Contingency Expiration Date, of a written commitment from any Lender pursuant to which such Lender agrees to make a first mortgage loan to Purchaser, at Purchaser's sole cost and expense, of an amount equal to 75% of the Purchase Price or such lesser sum as Purchaser shall be willing to accept, at prevailing interest rates

for a term of at least thirty (30) years and on other customary commitment terms, whether or not conditional upon any factors other than an appraisal satisfactory to the Lender.

2. Within two (2) weeks of the Contract Date, Purchaser must make a mortgage application to a Lender. Within seven (7) days thereafter, the Purchaser must provide the Seller and/or Seller's attorney with the name and address of the Lender to which the application has been made. Failure to send such notice will be considered to be a waiver of the financing contingency. Purchaser shall authorize the Lender to talk directly to Seller's attorney regarding the status of the mortgage application. Purchaser shall (a) furnish accurate and complete information regarding Purchaser and members of Purchaser's family, as required, (b) pay all fees, points and charges required in connection with such application and loan, including (but not limited to) appraisal and origination fees (if any), (c) pursue such application with diligence, and (d) cooperate in good faith with such Lender to obtain such commitment. Purchaser shall comply with all requirements of such commitment (or of any other commitment accepted by Purchaser) and shall furnish Seller with a copy thereof promptly after receipt thereof.

3. If Purchaser only applies to Purchaser's Preferred Lender and a commitment is not issued or a rejection is received, Purchaser shall within five (5) days of the Financing Contingency Expiration Date or rejection date, notify the Seller of the failure to receive a commitment or of the rejection. At such time, the Seller may, at its option, within fifteen (15) days of receiving notice from Purchaser, cause the Purchaser to submit an application together with the required fees to Sponsor's Preferred Mortgagee, and provided the Condominium meets the Preferred Mortgagee presale requirements (i.e., a minimum percentage of Units in contract who are owner-occupants, a minimum reserve fund of 10% of the total budget, and a notice of default provision), Purchaser shall be required to accept the commitment if issued by Sponsor's Preferred Mortgagee under the same terms and conditions as stated above. Purchaser shall have thirty (30) days from the date Seller caused the Purchaser to submit an application together with the required fees to said Sponsor's Preferred Mortgagee (the "2nd Financing Contingency Expiration Date") to obtain a mortgage commitment from said Preferred Mortgagee. If such Preferred Mortgagee issues a commitment, the terms of such commitment being substantially similar to the terms originally sought by the Purchaser, Purchaser must close, either, with said financing commitment, with another financing commitment Purchaser receives from another Lender, or without financing, or risk losing the Downpayment. Purchaser is required to pay all applicable fees in connection with the mortgage application with the Preferred Mortgagee. If Seller fails to cause Purchaser to make such application to Sponsor's Preferred Mortgagee within fifteen (15) days of receiving notice from Purchaser of the failure to receive a commitment or of the rejection, or if the Preferred Mortgagee failed to provide a commitment by the 2nd Financing Contingency Expiration Date, or denied the Purchaser's mortgage application, Purchaser may cancel this contract by giving notice to Seller within five (5) days of Financing Contingency Expiration Date or the 2nd Financing Contingency Expiration Date (as applicable), in which case this contract shall be deemed cancelled and thereafter neither party shall have any further rights against, or obligations or liabilities to, the other by reason of this contract and the Down Payment shall be promptly refunded to Purchaser.

4. If Purchaser applied to Purchaser's Preferred Lender *and* Sponsor's Preferred Mortgagee and fails to receive a commitment or receives a rejection from Purchaser's Preferred Lender but received a commitment at prevailing rates from Sponsor's Preferred Mortgagee, Purchaser must close with Sponsor's Preferred Mortgagee. If Purchaser applied to Purchaser's Preferred Lender *and* Sponsor's Preferred Mortgagee and either a commitment is not issued or a rejection is received from both, Purchaser shall within five (5) days of the Financing Contingency Expiration Date or rejection date, notify the Seller of the failure to receive a commitment or of the rejection, in which case this contract shall be deemed cancelled and thereafter neither party shall have any further rights against, or obligations or liabilities to, the other by reason of this contract and the Down Payment shall be promptly refunded to Purchaser.

5. If Purchaser fails to give notice of cancellation, then Purchaser shall be deemed to have waived Purchaser's right to cancel this contract and to receive a refund of the Down Payment by reason of the contingency contained in this Rider and the financing contingency will no longer apply. In addition, if Purchaser fails to notify Seller within fifty (50) days of the Contract Date that he has received a commitment, Seller may at its option cancel the contract and thereafter neither party shall have any further rights against or obligations or liabilities to, the other by reason of this contract, and upon cancellation the Down Payment shall be promptly refunded to Purchaser.

Provided that the Sponsor consents to permit a financing contingency in accordance with the above terms and the purchaser complies with all of such terms, if the financing commitment lapses or expires prior to closing and Purchaser has made a good faith effort to extend the commitment, the Sponsor will grant Purchaser a right of rescission and ten (10) days after expiration to exercise such right. If Sponsor does grant Purchaser a financing contingency, and a mortgage commitment is not fulfilled through no fault of the Purchaser, under New York law performance is excused. If Purchaser acts in good faith and lender revokes the commitment after the contingency period expires, performance is excused.

Purchaser should note that even if a mortgage commitment is secured, said mortgage commitment may expire or change prior to the actual closing. Any risks related to the expiration or change to the mortgage commitment shall be borne by the Purchaser, if Purchaser is at fault.

In accordance with this Rider, Purchaser will have the right to terminate the Purchase Agreement and be refunded all monies deposited thereunder, without interest, in the event:

(i) a Lender fails, through no fault of the Purchaser, to issue its commitment on the terms described above by the Financing Contingency Expiration Date or the 2nd Financing Contingency Expiration Date (as applicable), or such greater period as the Sponsor may permit in Sponsor's sole discretion, provided the Purchaser gives notice of termination not later than five (5) days after the expiration of the aforementioned dates; or

(ii) the commitment issued by the Lender is not funded by the closing through no fault of the Purchaser, provided the Purchaser gives notice of termination no later than ten (10) days before the closing, provided the lender has given Purchaser more than ten (10) days' notice.

In the event Purchaser fails to exercise the right of termination within time periods set forth above or has failed to satisfy the conditions set forth in the Financing Contingency Rider, then, in either case, the Purchase Agreement shall remain in full force and effect.

General Information

REIT TRANSFER

A REIT Transfer is any deed or other instrument or transaction conveying or transferring real property or an economic interest in real property to a Real Estate Investment Trust as defined in Section 856 of the Internal Revenue Code (a 'REIT"), or to a partnership or corporation in which a REIT owns a controlling interest immediately following the transaction and any issuance or transfer of an interest in a REIT or in such a partnership or corporation in connection with such a transaction, provided either:

1. the transaction occurs on or after June 9, 1994 in connection with the initial formation of the REIT and conditions 1(a), 2 and 3 below are met, or

2. the transaction occurs on or after July 13, 1996 and before September 1, 2002 (or after August 30, 2002 if the transfer is made pursuant to a binding written contract entered into before September 1, 2002, with a REIT or a partnership or corporation in which the REIT owns a controlling interest, and the date of execution of that contract is confirmed by independent evidence satisfactory to the Department), and conditions 1 (b) and 2 below are met.

For a definition of "controlling interest", see General Information for Form NYC-RPT, "Imposition of Tax."

CONDITIONS

1a. The value of the ownership interests in the REIT or in the partnership or corporation controlled by the REIT received by the grantor as consideration for the transaction must be equal to 40 percent or more of the excess of the value of the total consideration received over the amount of mortgages and other liens and encumbrances on the property or on the grantor's economic interest in the property, other than mortgages and other liens and encumbrances created in contemplation of the formation of the REIT.

b. This condition is the same as Condition 1(a), except that the value of the ownership interests received as consideration must be equal to at least 50 percent rather than 40 percent of the excess of the total consideration received over mortgages and other liens and encumbrances on the property or economic interest transferred excluding mortgages and other liens or encumbrances created in contemplation of the transaction reported on this Schedule R.

Use the worksheet on the following page of this Schedule to make this determination.

2. The interests in the REIT or in the partnership or corporation controlled by the REIT may not be transferred by the grantor or owners of the grantor within two years following the date of the transaction other than transfers within the two-year period resulting from the death of an individual grantor or owner of a grantor.

3. At least 75 percent of the cash proceeds of the initial public offering of REIT shares must be used for the following:

   a. payments on loans secured by an interest in the real property or an economic interest therein owned directly or indirectly by the REIT, or payments into reserves therefor;

   b. capital improvements to real property owned directly or indirectly by the REIT, or payments into reserves therefor;

   c. brokerage fees and commissions, professional fees and payments to or on behalf of a tenant as an inducement to enter into a lease or sublease of real property owned directly or indirectly by the REIT, or payments into reserves therefor; or

   d. payments to acquire real property or an economic interest therein other than an acquisition that would qualify as a REIT Transfer without regard to this condition 3.

If condition 2 or 3, where applicable, ceases to be met after this Schedule R is filed, an amended Form NYC-RPT must be filed and any additional tax due must be paid.

Instructions for Completing Worksheet

LINE 1

Where the value of the underlying property transferred or interest therein is used in determining the consideration for a REIT Transfer, you may, but are not required to, report as the value of the real property or interest therein (Form NYC-RPT, Schedule 1, line 7), the estimated market value as determined by the Department of Finance as reflected on the most recent Notice of Assessment issued by the Department. *(See Statements of Audit Procedure 93-2-GCT/RPTT, 3/1/93 and 95-1-GCT/RPTT, 7/28/95)* Add to the amount reported on line 1 the amount of any mortgages and other liens and encumbrances created in contemplation of the formation of the REIT in the case of condition 1(a) or in contemplation of the transaction reported on this Schedule R in the case of condition 1(b).

LINE 2

If the grantor received REIT shares as consideration for the transfer, enter on line 2a the number of REIT shares received. If the grantor received interests in a partnership or corporation controlled by the REIT that may be converted into REIT shares, enter on line 2b the maximum number of REIT shares into which such interests may be converted and attach an explanation of the terms of the conversion. If the grantor received interests that may be converted into REIT shares but you believe that the offering price for the REIT shares into which such interests may be converted is not a proper measurement of the value of the interests received, do not complete line 2b. Instead, attach an explanation of the terms of the conversion and enter on line 2f the fair market value of the interests received. If the grantor received interests in a partnership or corporation controlled by the REIT that cannot be converted into REIT shares at any time, enter on line 2f the fair market value of the interests received. If you enter an amount on line 2f, attach an explanation of the method used for determining the value of the interests received.

Certification

I swear or affirm under penalties of perjury that the grantor has no present intention to transfer or convey the REIT shares or interests in a partnership or corporation controlled by the REIT received by the grantor as consideration in the transaction reported on this Schedule R within two years of the date of the transfer, other than a distribution of such shares or interests to the partners or shareholders of the grantor, and that, to the best of my knowledge, condition 3 above regarding the use of the cash proceeds of the REIT offering will be satisfied, if applicable. I further swear or affirm that I will file an amended Form NYC-RPT and pay any additional tax due if any such transfer or conveyance occurs within such two-year period or if condition 3 above, if applicable, ceases to be met.

o. Nonprofit organizations should see instructions, page **17** for information on exemption from Real Estate Tax and related charges.

These transfers are exempt from the New York City Real Property Transfer Tax. See NYS Tax Law §39(g) and New York State Tax Form TP-584-SNY.

Check the type of property that is transferred or in which an interest is transferred.

Type of Interest

If you are not recording a deed or other document in connection with this transaction, check the box at the right and file your return with the New York City Department of Finance, Non-Recorded RPTT Return Processing, 66 John Street, 13th Floor, New York, NY 10038, pursuant to the instructions on pages 16 and 17 of this booklet.

If this is a transfer of stock in a cooperative housing corporation, complete Schedule B. If this is a transfer of stock or of partnership interests or other controlling economic interest in real property, complete Schedule H.

SCHEDULE 1
DETAILS OF CONSIDERATION

Cooperatives. In the case of a transfer of an individual residential cooperative unit (other than the original transfer of the unit by the cooperative corporation or cooperative plan sponsor) the consideration does not include any portion of the mortgage on the underlying real property. In the case of an original transfer of any cooperative unit, or of a subsequent transfer of a cooperative unit other than an individual residential unit, a proportionate share of any preexisting mortgage(s) on the underlying real property must be included in the consideration. An individual unit that is used for residential purposes by the occupant shall be presumed to be residential unless such residential use is *de minimis*.

Liquidations. In the case of a liquidation of a corporation, partnership, or other entity, if the fair market value of the property or interest therein distributed exceeds the consideration received, such fair market value is the measure of the tax. Enter the amount from Schedule D, line 3 on Schedule 1, line 11.

Marital Transfers. In the case of a transfer pursuant to a separation agreement, marital settlement agreement or divorce decree, consideration will be presumed to be equal to the fair market value of the portion of the property or interest transferred unless you establish the consideration to be a different amount.

If the measure of consideration is fair market value, the fair market value amount should not be reduced by any mortgages on the property. The fair market value amount should be inserted on Line 10 of Schedule 1.

If the measure of consideration is a value for the property that is specified in an agreement or decree, this value should reflect the portion of any mortgage the grantee may have assumed and/or taken subject to rather than reflect only the equity transferred. The specified value should be inserted on Line 10 of Schedule 1. If the specified value does not include mortgages, the mortgage amounts must be added as appropriate on line(s) 2, 3, 4, or 6 of Schedule 1.

In either situation, if the real property is encumbered by any mortgages that qualify as excludible liens, you may deduct the percentage of any excludible liens equal to the percentage of the interest in the real property that is transferred on Line 2 of Schedule 2.

In addition, you must complete Schedule I.

Transfers to Business Entities. In the case of a transfer of property or interest therein to a business entity in exchange for an interest in the entity, the value of such interest in the entity is equal to the fair market value of the property or interest therein less the amount of mortgages, liens or encumbrances thereon. (See Schedules F and M)

SCHEDULE 2
COMPUTATION OF TAX

PAYMENT -
If the real property is located in Staten Island (Richmond County), make check or money order payable to: **Richmond County Clerk.**

For real property not located in Staten Island, make check or money order payable to: **NYC Department of Finance.**

LINE 1 - Total Consideration
Enter the amount from line 11, Schedule1, page 2.

LINE 2 - Excludible liens- Transfers involving certain residential property or interest therein
With certain exceptions, the amount of mortgages, liens or encumbrances is excluded from consideration for the transfer on or after August 28, 1997 of a one-, two-, or three-family house, an individual residential cooperative apartment or individual residential condominium unit, or economic interest in such property if the mortgage, lien or encumbrance existed before the date of the transfer and remains on the property or interest after the date of the transfer. This provision does not apply to any mortgage, lien or encumbrance placed on the property or interest in connection with, or in anticipation of, the transfer, or by reason of deferred payments of the purchase price. This exclusion also does not apply to a transfer to a mortgagee, lienor or encumbrancer of the property or interest, or to a qualifying real estate investment trust transfer. Recently adopted rules govern the application of the exclusion. Under the rules, an existing mortgage will be excluded in all transfers pursuant to gifts or divorce. In any other transfer, an examination time period beginning six months prior to, and ending three months after, the transfer is established. Mortgages placed on the property or discharged outside that time period will be excluded unless there is documentary evidence that the mortgage was placed or discharged in connection with the transfer. Mortgages placed or discharged within the examination period will be excluded unless the facts and circumstances indicate that the mortgage was placed or discharged in connection with the transfer. Mortgages that are modified will be excluded in all cases except where the modifications occur within the examination period AND result in a change in the identity of the lender PLUS a change of at least ten percent in either the interest rate or term of the mortgage loan. See Title 19 of the Rules of the City of NY §23-03(k) for more information.

Enter on line 2 of Schedule 2 the amount of any mortgage, lien or encumbrance included in the amount entered on line 3 of Schedule 1 that is eligible for the exclusion described above.

NOTE: *You may not enter any amount online 2 if you have not checked box a, b or c under "Type of Property" on page 2 of Form NYC-RPT or you HAVE checked box d, f, q or t under "Condition of Transfer".*

LINE 4 - Tax Rate

Insert the appropriate tax rate based on the consideration on line 3. Note: the tax rate is determined after certain liens are excluded but before taking into account the mere change of form exemption. Tax rates depend on the kind of real property that is transferred or is held by the entity whose stock or partnership interest is the subject of this transfer.

Effective for transfers on or after August 1, 1989, the tax rates are as follows:

Certain Residential Property and Interests
1% of the consideration where the consideration is $500,000 or less or 1.425% of the consideration where the consideration is greater than $500,000 in the following instances:

- conveyances where the real property transferred, or the real property in which the economic interest is transferred, is a one-, two-, or three family house, an individual cooperative apartment, an individual residential condominium unit, or an individual dwelling unit in a dwelling which is to be occupied as the residence or home of four or more families living independently of each other; and
- grants, assignments or surrenders of leasehold interests in a one-, two-, or three-

family house, or an individual dwelling unit in a dwelling which is to be occupied or is occupied as the residence or home of four or more families living independently of each other.

An individual condominium that is used for residential purposes by the occupant shall be presumed to be residential, unless such residential use is *de minimis*. (For illustrations, see RCNY Section 23-03(b)(9) and (10).)

Other Transfers

- For all transfers involving property or interests in property other than the residential property specified above, the rate is 1.425% of the consideration where the consideration is $500,000 or less or 2.625% of the consideration where the consideration is greater than $500,000.

LINE 5

If you qualify for the "Mere Change In Form Exemption", enter the percentage from Schedule M, line 2, Column f. If you do not qualify for the Mere Change In Form Exemption, enter 100%.

LINE 7 - Tax

Attach additional schedules 1 and 2 if varying tax rates apply.

LINE 8 - Credit

a. **Liquidations** - If a purchaser acquires a controlling economic interest in a corporation, partnership, association, trust or other entity owning real property in a transaction subject to the Real Property Transfer Tax and within 24 months of such acquisition the entity owning the real property or interest therein is liquidated and the real property or interest therein is conveyed to the purchaser of the controlling economic interest, a credit is available against the transfer tax due on the liquidation in the amount of the transfer tax paid with respect to the original acquisition of the controlling economic interest. In no event shall this credit be greater than the tax payable upon the conveyance in liquidation.

b. **Original Co-op Transfer** - In the case of the original transfer of cooperative housing corporation stock by a cooperative corporation or cooperative plan sponsor in connection with the grant or transfer of a proprietary leasehold, a credit is allowed for a proportionate part of the amount of any tax paid upon the conveyance to the cooperative housing corporation of the land and building or buildings comprising the cooperative dwelling or dwellings. This credit applies only for original transfers of stock by the cooperative housing corporation or cooperative plan sponsor. It does not apply to taxable resales of cooperative housing corporation stock.

No credit is allowed for any tax paid more than 24 months prior to the date on which occurs the first in a series of transfers of shares of stock in the initial offering of cooperative housing corporation shares.

Attach a detailed schedule to support the credit claimed on this line.

LINE 10 - Interest

If the tax is not paid on or before the due date (determined without regard to any extension of time), interest must be paid on the amount of the underpayment from the due date to the date paid. For information as to the applicable rate of interest call *(212) 504-4036*.

LINE 11 - Penalties

a) If you fail to file a return when due, add to the tax 5% for each month or partial month the form is late up to 25%, unless the failure is due to reasonable cause.

b) If you fail to pay the tax shown on the return by the prescribed filing date, add to the tax (less any payments made) 1/2% for each month or partial month the payment is late up to 25%, unless the failure is due to reasonable cause.

c) The total of the additional charges in a) and b) may not exceed 5% for any one month.

SCHEDULE 3

If this transaction includes more than one grantor or grantee, complete this schedule and provide the requested information for all such grantors or grantees that are not listed on page 1 of this form. For any grantor and grantee that is a single member LLC, provide the requested information for the single member (name and EIN or SSN). For any grantor and grantee that is a partnership or multiple member LLC, provide the requested information for each general partner or member (name and SSN) on a supporting document with a separate page for each partnership or LLC, including the name of the partnership or LLC. If the social security number or employer identification number is not provided for each grantor and grantee, the single member of a single member LLC or a general partner of a partnership or a member of a multiple member LLC which is either a grantor or grantee, attach an affidavit attesting to the reasons that information is missing.

SCHEDULE A

Line 2d

If bid price is paid in cash, enter here and on Schedule 1, line 1. If other than cash, enter here and on the appropriate line on Schedule 1.

Line 2f

Enter remaining mortgages, liens or encumbrances here and on Schedule 1, line 3, 4, 5, 6 or 10 as appropriate.

SCHEDULE C

Line 4

Enter remaining mortgages, liens or encumbrances here and on Schedule 1, line 3, 4, 5, 6 or 10 as appropriate.

SCHEDULE D

In a liquidation, the measure of the tax is the greater of fair market value or consideration. The greater of fair market value or consideration, and the applicable rate of tax are determined separately for each parcel of real property or economic interest in a parcel of real property that is distributed in a liquidation. If this transaction involves the distribution in liquidation of more than one such parcel or economic interest, complete a separate Schedule D for each such property or interest. Attach additional schedules 1 and 2 as necessary. (See §23-03 (g) of the rules of the City of New York for examples of calculation of the tax base in liquidations.)

SCHEDULE F

Line 8

If you received other property in exchange for the real property or interest therein that was transferred to the business entity, enter the value of the other property here. If assets other than real property or interests therein were transferred to the business entity in connection with this transaction, the consideration received must be apportioned among the assets transferred. Attach schedule.

SCHEDULE H

If the entity named in A owns assets in addition to real property or interests therein, the consideration subject to tax is deemed equal to the fair market value of the entity's real property or interests therein multiplied by the percentage of the ownership interest that is transferred. See Administrative Code §11-2102(d). Consideration should be entered on Schedule 1 on appropriate lines.

If the entity named in A owns more than one parcel of real property or economic interest therein, the consideration and the applicable rate of tax is determined separately for each parcel of property or economic interest. Attach separate Schedules H, 1 and 2, as necessary.

If any of the percentages in B, C, D, E or F is 50 percent or more, a return must be filed and tax paid with respect to any transaction reflected in items B, C, D, E or F. The tax rate applicable to each item of real property or economic interest therein is based on its proportionate share of the aggregate consideration for all transactions reflected in items B, C, D, E or F.

SCHEDULE M - MERE CHANGE OF FORM TRANSFERS

For transfers occurring on or after June 9, 1994, a transfer that represents a mere change in identity or form of ownership or organization is not taxable to the extent the beneficial ownership of the real property or economic interest therein remains the same. (NYC Administrative Code Section 11-2106 (b) (8)). However, a transfer to a cooperative housing corporation, other than a corporation formed under Articles 2, 4, 5, or 11 of the Private Housing Finance Law, of the property that will comprise the cooperative dwelling will not qualify for this exemption.

The following are types of transfers that may qualify for the mere-change exemption in whole or in part. If you checked condition "g", "i", or "l" on Form NYC-RPT, page 1, the transfer may qualify for this exemption in whole or in part. Transfers other than those listed may also qualify for the exemption in whole or in part.

a. A transfer of property or interest therein to a new or pre-existing corporation in which the owners of the property or interest therein prior to the transfer are shareholders;

b. A transfer of property or interest therein by one wholly-owned subsidiary of a corporation to another wholly-owned subsidiary of the same corporation;

c. A transfer of property or interest therein to a new or pre-existing partnership in which the owners of the property or interest therein prior to the transfer are partners; or

d. A distribution of property or interest therein by a corporation or partnership to its shareholders or partners.

Examples:

1. A transfer of property owned by three individuals as equal tenants-in common to a corporation or partnership in which the same three individuals are equal shareholders or partners will be fully exempt as a mere change of form of ownership.

2. A transfer of a cooperative apartment owned by an individual to a corporation in which the individual is a 25 percent shareholder will be exempt to the extent that the individual retains a 25% beneficial interest in the coop after the transfer.

3. Corporation X is owned 25% by individual A and 75% by individual B. If Corporation X distributes New York City real property to A and B as equal tenants-in-common, the transfer will be exempt to the extent A retains the same 25 percent interest in the property and B retains a 50 percent interest in the property. The transfer will be taxable to the extent of the additional 25 percent interest in the property transferred to A

For additional information, see Title 19 of the Rules of the City of NY §23-05(b)(8).

EXEMPTIONS FROM THE TRANSFER TAX

A. The following parties are exempt from the payment of the tax and from filing a return:

1. The State of New York, its agencies, instrumentalities, public corporations (including a public corporation created pursuant to agreement of compact with another state or Canada) or political subdivisions.

2. The United States of America and its agencies and instrumentalities, insofar as they are immune from taxation.

   The exemption of such governmental bodies does not relieve a grantee from them of liability for the tax or from filing a return.

B. The tax imposed does not apply to any of the following deeds:

1. A deed, instrument or transaction by or to the United Nations or any other world-wide international organization of which the United States is a member.

2. A deed, instrument or transaction by or to any corporation, association, trust, community chest, fund or foundation, organized and operated exclusively for religious, charitable, or educational purposes, or for the prevention of cruelty to children or animals, and no part of the net earnings of which inures to the benefit of any private shareholder or individual and no substantial part of the activities of which is carrying on propaganda, or otherwise attempting to influence legislation, provided, however, that nothing in this paragraph shall include an organization operated for the primary purpose of carrying on a trade or business for profit, whether or not all of its profits are payable to one or more organizations described in this paragraph.

3. A deed, instrument or transaction to any governmental body listed in "A" above.

4. A deed or instrument given solely as security for a debt, or a deed or instrument given solely for the purpose of returning such security.

5. A deed or instrument or transaction from a mere agent, dummy, strawman or conduit to a principal, or a deed from the principal to an agent, dummy, strawman or conduit.

Where a tax does not apply to any deed, neither the grantor nor the grantee is required to pay the tax. However, a return relating to the deed must be filed.

C. The tax does not apply to the grant or assignment of a leasehold interest in real property located in a tax-free New York area to an approved business participating in the START-UP NY program. See NYS Tax Law §39(g) and New York State Tax Form TP-584-SNY.

FILING OF RETURN AND PAYMENT OF FILING FEE AND TAX

A notarized joint return shall be filed by both the grantor and the grantee for each deed, instrument, or transaction, whether or not a tax is due. Thus, a return must be filed although the consideration for the transaction is $25,000 or less. Where the total consideration is $400,000 or more, a copy of the contract of sale or closing statement must be attached to the return. A return need not be filed for the grant of a leasehold interest in a 1-, 2-, or 3-family house or an individual dwelling unit except where tax is owed or the lease is to be recorded.

FILING FEE

A fee of one hundred dollars ($100) must be paid upon the filing of the form NYC-RPT for those transactions for which the filing of a New York State Real Property Transfer Report (RP-5217NYC) is not required to be filed. Such transactions include, but are not limited to, transfers of co-ops, leaseholds and controlling economic interests.

OF THE
CERTA HOUSE CONDOMINIUM

Pursuant to Article 9-B of the Real Property Law of the State of New York

21Y, LLC, with an address at 369 Avenue X, Brooklyn, NY 11223 (the "Declarant"), hereby declares as follows:

Article 1 Definitions

All capitalized terms used in this Declaration that are not otherwise defined in the Articles hereof shall have the meanings set forth in Exhibit C annexed hereto, unless the context in which the same are used shall otherwise require. All capitalized terms used in this Declaration that are defined in any of the Articles hereof shall have the meanings ascribed to them in such Articles, unless the context in which the same are used shall otherwise require. Each of the said capitalized terms shall be applicable to singular and to plural nouns, as well as to verbs of any tense.

Article 2 Submission of the Property

The Declarant hereby submits the land (the "Land") hereinafter described, together with the building and improvements thereon erected (the "Building") owned by the Declarant in fee simple absolute (the Land and Building being hereinafter referred to collectively as the "Property"), to the provisions of Article 9-B of the Real Property Law of the State of New York (the "Condominium Act").

Article 3 Description of the Land

The land is located in the Borough of Brooklyn, County of Kings, City and State of New York, and is designated on the Tax Map of Kings County as Block 7411 formerly known as Lot 39 and being designated herein as Lots XX01 – XX30. See Exhibit A attached hereto for a metes and bounds description of the land.

Article 4 Description of the Building

There is one (1) building on the site which consists of three (3) stories and a cellar, and contains ten (10) residential Units, ten (10) parking Units, and ten (10) storage Units (hereinafter collectively referred to as the "Units"). There is a parking garage in the cellar with eight (8) parking spaces and there are an additional two (2) spaces located in a driveway on Avenue X. The outdoor parking spaces are for compact cars only and are also "tandem" parking spaces. If the outdoor spaces (P1 and P6) not sold to the same Unit Owner, the Unit Owners of each respective parking space will need to coordinate moving their cars for their neighbors' access to these spaces, as there is insufficient room for cars parked in these spaces to maneuver around one another. The building has an elevator. The principal materials of which it is constructed are block, brick, wood and steel.

Article 5 Name of the Condominium

The Condominium shall be known as the Certa House Condominium.

Article 6 The Units

(a) Exhibit B annexed hereto sets forth the following data with respect to each Unit necessary for the proper identification thereof: (i) its designation number; (ii) its tax lot number; (iii) its approximate location in the Building; (iv) its approximate area; (v) the number of rooms contained therein; (vi) the portions of the Common Elements to which such Unit has immediate access; and (vii) the Common Interest appurtenant to such Unit. The precise location and areas of each Unit within the Building and all of the areas and installations which are included as part of the Units are shown on the Floor Plans of the Building, certified by the engineer/architect _____, P.E./R.A., intended to be filed in the Office of the City Register simultaneously with the recording of this Declaration and are made a part of this Declaration. The Floor Plans shall govern in the event of any inconsistency between the written part of the Declaration and the Floor Plans.

(b) Statement of Dimensions. The horizontal physical dimensions of each Unit consist of the floor area enclosed by the outside face of the masonry work at the exterior walls of the building and the non-Unit side of the walls and centerline of partitions (dividing the Units from corridors, stairs and mechanical spaces). The limited common elements are not included in the dimensions. The vertical physical dimensions of each Unit consist of the floor area enclosed by the top of the floor and underside of the ceiling. Any common elements located within a Unit will not be considered a part of such Unit.

The dimensions and arrangements may vary as referred to in the Offering Plan. All dimensions are approximate.

No Unit Owner shall be deemed to own the structural walls, supporting columns, pipes, wires, conduits or other public lines running through the Unit which are utilized for or serve more than one (1) Unit. Any area or installation which is designated on the Floor Plans as part of a Unit shall be considered as part of said Unit.

(c) Notwithstanding anything contained in this Article 6 to the contrary, each Unit Owner shall have the right, exercisable at any time and from time to time, to install, at such Unit Owner's sole cost and expense, such decorations, fixtures and coverings (including, without limitation, painting, finishing, wall papering, carpeting, pictures, mirrors, shelving and lighting fixtures) on the surfaces of the walls, ceilings and floors that face the interior of such Unit Owner's Unit and to a depth of one inch behind such surfaces for the purposes of installing nails, screws, bolts and the like, provided that no such installation shall impair the structural integrity of such Unit or of the Building.

Article 7 The Common Elements

A. Common Elements. The Common Elements generally consist of the Land and those rooms,

areas and corridors and other portions of the Building (other than the Units), as well as those Facilities therein, either currently or hereafter existing for the common use of the Units or of the Unit Owners or necessary for, or convenient to, the existence, maintenance, management, operation, or safety of the Property. Without intention to limit the generality of the foregoing in any respect, and unless otherwise provided for in the Floor Plans, Common Elements include the following:

(i) the Land not specifically designated to any of the Condominium Units on the Floor Plans;

(ii) all foundations, columns, beams, supports, girders, exterior walls, interior walls, partitions, floors, roofs and ceilings in, on or under the Building, to the extent that the same are not expressly included as a part of a Unit pursuant to the terms of Article 6 hereof;

(iii) all vestibules, stairs, elevators, mechanical and electrical equipment spaces, to the extent that the same are not expressly included as a part of a Unit pursuant to the terms of Article 6 hereof;

(iv) all central and appurtenant installations and facilities for services such as power, light, telephone, gas, sewer, plumbing, drainage, hot and cold water distribution, ventilation, garbage disposal, and other mechanical and electrical systems to the extent that the same are not expressly included as a part of a Unit pursuant to the terms of Article 6 hereof, if any;

(v) all sewer and drainage pipes;

(vi) all other parts of the Property and all apparatus and installations existing in the Buildings or Premises for common use of the Unit Owners, or which are, or may be necessary or convenient for the existence, maintenance or safety of the Buildings.

B. Limited Common Elements.

(i) The Limited Common Elements in this Condominium are the Yards, Terraces and Balconies, which are allocated to the Units as shown on the Floor Plans.

(ii) The Unit Owner's or Owners' right to make alterations, additions or improvements to the Limited Common Elements shall be subject to the provisions of Article 9 of this Declaration, which shall also govern alterations, additions, or improvements allocated to the Units.

C. The Common Elements shall remain undivided and are not subject to partition nor are they severable from the Units except in accordance with The Condominium Act (Article 9-B of the Real Property Law), or as expressly permitted pursuant to the terms of Section 5.5 of the By-Laws.

Article 8 Determination of Common Interests

In accordance with Section 339-i (1) (iv) of the New York State Condominium Act, the Common Interests of each of the Units have been allocated based upon floor space, subject to the

location of such space and the additional factors of relative value to other space in the condominium, the uniqueness of the unit, the availability of common elements for exclusive or shared use, and the overall dimensions of the particular unit.

Article 9 Use of Units

As more particularly set forth in the By-Laws, each Unit may be used in accordance with the use permitted by local law and zoning regulations and the Certificate of Occupancy, and not more than one family may occupy a Unit at one time. A Unit owned or leased by an individual, corporation, partnership, fiduciary, or any other entity may be occupied only by said individual, or by an officer, director, stockholder, or employee of such corporation, or by a partner or employee of such partnership, or by said fiduciary (including directors, officers, stockholders, or employees of corporate fiduciaries and partners or employees of partnership fiduciaries), or by the beneficiary of said fiduciary, or by a principal or employee of such other entity, respectively, or by Family Members or guests of any of the foregoing (and nothing contained in this sentence shall be deemed to prohibit the exclusive occupancy of any Unit by such Family Members or guests).

Article 10 Easements for the Enjoyment of Common Elements

Subject to the terms of the By-Laws and the Rules and Regulations, Sponsor, the Unit Owners, the Selling Agent, the Managing Agent, the Condominium Board and all officers, partners, employees, agents, guests, invitees and licensees of the foregoing shall have, in common with all of the others, an easement for ingress and egress through, as well as for the use and enjoyment of, all of the Common Elements, and the Common Elements shall be subject to such easement. Notwithstanding the foregoing, however, no Person shall use or enjoy the Common Elements except in accordance with the reasonable purposes for which they are intended and without encroaching upon the rights of other Persons to do so.

Article 11 Other Easements

(a) Subject to the terms of the By-Laws and to the Rules and Regulations, each Unit Owner shall have, in common with all other Unit Owners, an easement to use any of the Common Elements, and all pipes, wires, ducts, cables, conduits, public utility lines and all other utility distribution systems, whether or not Common Elements, located in, over, under, through, adjacent to, or upon any other Unit or the Common Elements to the extent that such Common Element and utility distribution system serves, or is necessary to the service of, his or her Unit, and each Unit and all of the Common Elements shall be subject to such easement. In addition, each Unit Owner shall have a reasonable right of access through any other Unit for the purpose of entry to any part of his Unit where there is no other means of access to such part of his Unit or Limited Common Elements allocated to his Unit. In addition, the Condominium Board shall have an easement and a right of access to each Unit and to the Common Elements to inspect the same, to remove violations therefrom and to install, operate, maintain, repair, alter, rebuild, restore and replace any of the Common Elements located in, over, under, through, adjacent to, or upon the same, and each Unit and the Common Elements shall be subject to such easement and right of access. The easements and the rights of access granted in this paragraph shall be exercised in such a manner as will not unreasonably interfere with the use of the Units for their permitted purposes. Such entry shall be

permitted only upon reasonable notice, except that no such notice shall be necessary in the event of repairs or replacements immediately necessary or required for the preservation or safety of the Building, for the safety of the occupants of the Building or other persons, or to avoid the suspension of any necessary service in the Building. Each of the units may maintain or replace its porches or balconies but may not enclose same without approval of the Board.

(b) The Condominium Board shall have, on behalf of all Unit Owners, the right to grant such additional electric, gas, steam, cable television, telephone, water, storm drainage, sewer and other utility easements in, or to relocate any existing utility easements to, any portion of the Property as the Condominium Board shall deem necessary or desirable for the proper operation and maintenance of the Building or any portion thereof or for the general health or welfare of the owners, tenants and occupants of the appropriate Units; provided, however, that the grant of such additional utility easements, or the relocation of existing utility easements, shall not unreasonably interfere with the use of the Units for their permitted purposes. Any utility company, as well as its officers, employees and agent, shall have the right of access to each Unit and to the Common Elements in furtherance of such easement. However, such right of access shall be exercised in such a manner as will not unreasonably interfere with the use of the Units for their permitted purposes.

(c) Each Unit and the Common Elements shall have easements of subjacent support and necessity, and the same shall be subject to such easements in favor of all of the other Units and the Common Elements.

(d) If (i) any portion of the Common Elements now encroaches upon any Unit or upon any other portion of the Common Elements, or (ii) any Unit now encroaches upon any other Unit or upon any portion of the Common Elements, or (iii) any such encroachment shall hereafter occur as a result of (x) the settling or shifting of the Building, or (y) any repair or alteration made to the Common Elements in accordance with the terms of this Declaration and the By-Laws, by, or with the consent of, the Condominium Board, or (z) any repair or restoration made to the Building or any portion thereof, to any Unit, or to the Common Elements in accordance with the terms of this Declaration and the By-Laws after damage by fire or other casualty or after any taking by condemnation or eminent domain proceedings, then, in any such event, a valid easement shall exist for such encroachment and for the maintenance of the same for so long as the Building or the affected Unit or Common Elements shall stand.

(e) In addition, a right of access is hereby granted to the unit owners, their successors, heirs and assigns, for the purpose of gaining access to the following areas: common areas; mechanical areas of the building, including but not limited to the boiler room, storage room, meter room or any other facility to which each such unit owner has a right of use; or to any area of the property that such Unit Owner has a right to use as part of his Unit or as a Common Element. However, the right shall only be exercised in a reasonable manner.

(f) The building does not provide code compliant egress from the second and third floor residential units during a flood emergency. A flood emergency for the purposes of this Declaration is defined as whenever the local governing authorities issue an evacuation order or a shelter in place order for the neighborhood in which the building is located due to the risk of flooding. The second and third floors egress though the cellar level which is below the design flood elevation

and is dry floodproofed, with flood shields at the exits. As per 2014 BC G308.7.1, temporary stairs and ramps to provide elevated ingress and egress for dry floodproofed buildings shall not be permitted to serve as required means of egress for a dwelling unit. Therefore, in the case of a flood emergency, occupants of the second and third floor units are granted a right of egress through the living room areas of Units 1A, 1B, 1C and 1D on the first floor, to exit the building through the porches with access from the living rooms of those Units. Unit Owners of Units 1A, 1B, 1C and 1D must keep a path from the entrance doors of their Units to the living room door which accesses the porch unobstructed to allow emergency egress. This right of egress may only be used in the case of a flood emergency and only in a reasonable manner. A reasonable manner of granting access to the first floor Units will be created, such as the installation of a combination lockbox in the hallway outside the first floor Units with keys to those Units.

(g) The roof of the subject premises contains a structure to be utilized for the purpose of displaying billboard-type advertising materials and banners (the "Roof Banner Structure"). This structure consists of a set of galvanized steel tubing that can hold a banner in the air. The Sponsor is retaining the right to use this entire Roof Banner Structure for the purposes of displaying billboards, banners, or other advertising material. The retained right includes but is not limited to the right of Sponsor to access the third floor storage room allocated to Unit 3B as a limited common element for purposes of hanging banners on and/or maintaining the Roof Banner Structure. The Sponsor will indemnify and hold harmless the condominium from any loss, liability, expense, or obligation on account of or relating to the aforementioned advertising material on the easement area. The Sponsor shall be free to sell, transfer, assign, and/or lease its rights under this easement. The Sponsor will be responsible for maintaining all advertising material placed upon the building and/or structure pursuant to this easement in safe condition. Around the time of the First Closing, Sponsor shall enter in a renewable 49-year lease at a rate of $100.00 per year with the Board of Managers to memorialize Sponsor's retained right to the Roof Banner Structure.

(h) In addition to the specific easements set forth in this Article 11 and in Article 10 hereof, the Property and every portion thereof shall be subject to all easements and rights of access prescribed in the Condominium Act.

Article 12 Alterations, Addition, Improvements and Changes to Units

Upon Condominium Board approval, each Unit Owner shall have the right to:

(i) make alterations, additions, or improvements in the interior of his Unit;

(ii) make alterations, additions, or improvements in the interior of any part of the property allocated to his Unit (i.e., enclosed storage spaces and other spaces, if any, that have no effect on the aesthetic of the Building);

(iii) change the layout of his Unit;

provided, however, that, with respect to any such alteration, addition, improvement or change in, to, of or upon a Unit:

(1) no physical modification shall be made to any other Unit, and the Common Interest or interior dimensions of any other Unit shall not be changed by reason thereof, unless the owner of such other affected Unit shall consent thereto;

(2) the Unit Owner shall agree to hold the Condominium Board and all other Unit Owners harmless from any liability arising therefrom; and

(3) such alteration, addition, improvement or change shall not jeopardize the soundness or structural integrity of any part of the Building or the safety of any tenant or other persons at the Property.

In the event that any unit is subdivided, the subdivided units shall jointly exercise and share the vote and the percentage of common interest allocated to the original unit. The Declarant has accepted the present use and construction of the building "as is".

Article 13 Acquisition of Units by the Condominium Board

If (i) any Unit Owner surrenders his or her Unit, together with its Appurtenant Interests, to the Condominium Board pursuant to the terms of the By-Laws or of Section 339-x of the Condominium Act or (ii) the Condominium Board, pursuant to the terms of the By-Laws or otherwise, either (x) acquires or leases a Unit, together with its Appurtenant Interests or (y) purchases a Unit, together with its Appurtenant Interests, at a foreclosure or other similar sale, then, in any such event, title or the leasehold estate, as the case may be, and to such Unit and such Appurtenant Interests shall be held by the Condominium Board or its designee, corporate or otherwise, on behalf of all Unit Owners, in proportion to their respective Common Interests. Any lease or sublease of any Unit leased or subleased by the Condominium Board or its designee shall be held by the Condominium Board or such designee, corporate or otherwise, on behalf of all Unit Owners, in proportion to their respective Common Interests.

Article 14 Power of Attorney to the Condominium Board

(a) Each Unit Owner, by acceptance of a deed or otherwise succeeding to title to a Unit, shall be deemed to have irrevocably nominated, constituted and appointed as such Unit Owner's attorney-in-fact, coupled with an interest and with power of substitution, the Persons who shall from time to time constitute the Condominium Board, jointly, to:

(i) acquire or lease any Unit, together with its Appurtenant Interests, (1) whose owner desires to sell, convey, transfer, assign, lease, or surrender the same or (2) that becomes the subject of a foreclosure or other similar sale, in the name of the Condominium Board or its designee, corporate or otherwise, on behalf of all Unit Owners;

(ii) convey, sell, lease, mortgage, or otherwise deal with (but not to exercise the vote appurtenant to) any Unit so acquired or to sublease any Unit so leased; and

(iii) execute, acknowledge and deliver (1) any declaration or other instrument affecting the Condominium that the Condominium Board deems necessary or appropriate to comply with

any Law applicable to the maintenance, demolition, construction, alteration, repair, or restoration of the Condominium or (2) any consent, covenant, restriction, easement, or declaration, or any amendment thereto, affecting the Condominium or the Common Elements that the Condominium Board deems necessary or appropriate.

(b) In confirmation of the foregoing power of attorney, each Unit Owner, upon the request of the Condominium Board, shall duly execute, acknowledge and deliver to the requesting party, for recording in the Register's Office, a Unit Owner's Power of Attorney in the form provided in the Plan.

Article 15 Termination of Condominium

The Condominium shall continue until terminated by (i) casualty loss, condemnation, or eminent domain, as more particularly provided in the By-Laws or (ii) withdrawal of the Property from the provisions of the Condominium Act by at least eighty percent (80%) of the vote. In the event that said withdrawal is authorized as aforesaid, but only in such event, the Property shall be subject to an action for partition by any Unit Owner or lienor as if owned in common, in which event the net proceeds of sale shall be divided among all Unit Owners in accordance with the factors set out in The New York State Condominium Act Section 339-i(1)(iv), which is based on floor space, subject to the location of such space and the additional factors of relative value to other space in the Condominium, the uniqueness of the unit, the availability of common elements for exclusive or shared use, the overall dimensions of the particular unit and the fair market value of such unit. In the event of any dispute, the issue shall be presented for arbitration in accordance with Article 10 of the By-Laws. No payment shall be made to a Unit Owner until there has first been paid, out of his or her share of such funds, such amounts as may be necessary to discharge all unpaid liens on his or her Unit (other than mortgages that are not Permitted Mortgages) in the order of the priority of such liens.

Article 16 Covenant of Further Assurances

(a) Any Person who is subject to the terms of this Declaration, whether such Person is a Unit Owner, a lessee or a sublessee of a Unit Owner, an occupant of a Unit, a member of the Condominium Board, an officer of the Condominium, or otherwise, shall, at the expense of any such other Person requesting the same, execute, acknowledge and deliver to such other Person such instruments, in addition to those specifically provided for herein, and take such other action, as such other Person may reasonably request to effectuate the provisions of this Declaration or of any transaction contemplated herein or to confirm or perfect any right to be created or transferred hereunder or pursuant to any such transaction.

(b) If any Unit Owner or any other person who is subject to the terms of this Declaration fails or refuses to execute, acknowledge, or deliver any instrument, or fails or refuses, within ten (10) days after request therefor, to take any action that such Unit Owner or Person is required to take pursuant to this Declaration, then the Condominium Board is hereby authorized as attorney-in-fact for such Unit Owner or other Person, which power shall be deemed to be coupled with an interest, to execute, acknowledge and deliver such instrument, or to take such action, in the name of such Unit Owner or other Person, and such document or action shall be binding on such Unit Owner or

other Person.

(c) If any Unit Owner or the Condominium Board or any other Person who is subject to the terms of this Declaration fails or refuses to execute, acknowledge, or deliver any instrument, or fails or refuses, within ten (10) days after request therefor, to take any action that the Condominium Board, Unit Owner, or other Person is required to take pursuant to this Declaration at the request of the Managing Agent, then the Managing Agent is hereby authorized as attorney-in-fact for the Condominium Board, such Unit Owner, or other Person, which power shall be deemed to be coupled with an interest, to execute, acknowledge and deliver such instrument, or to take such action, in the name of the Condominium Board, such Unit Owner, or other Person, and such document or action shall be binding on the Condominium Board, such Unit Owner, or other Person, as the case may be.

Article 17 Covenants to Run with the Land

(a) All provisions of this Declaration, the By-Laws and the Rules and Regulations, including, without limitation, the provisions of this Article 17, shall, to the extent applicable and unless otherwise expressly herein or therein provided to the contrary, be perpetual and be construed to be covenants running with the Land and with every part thereof and interest therein, and all of the provisions thereof shall be binding upon, and shall inure to the benefit of, the owner of all or any part thereof, or interest therein, and his or her heirs, executors, administrators, legal representatives, successors and assigns, but the same are not intended to create, nor shall they be construed as creating, any rights, in, or for the benefit of, the general public. All present and future owners, tenants and occupants of Units shall be subject to, and shall comply with, the provisions of this Declaration, the By-Laws and the Rules and Regulations, as they may be amended from time to time. The acceptance of a deed or conveyance, the entering into a lease, or the entering into occupancy of any Unit shall constitute an agreement that the provisions of this Declaration, the By-Laws and the Rules and Regulations, as they may be amended from time to time, are accepted and ratified by such owner, tenant, or occupant, and all of such provisions shall be deemed and taken to be covenants running with the Land and shall bind any person having at any time, any interest or estate in such Unit, as though such provisions were recited and stipulated at length in each and every deed, conveyance, or lease.

This Declaration of Condominium is subject also to such other liens, covenants, easements, restrictions, consents, agreements, and other matters of record and any agreements as pertain to the Units, the Land and/or the Building.

(b) If any provision of this Declaration or of the By-Laws is invalid under, or would cause this Declaration and the By-Laws to be insufficient to submit the Property to, the provisions of the Condominium Act, such provision shall be deemed deleted from this Declaration or the By-Laws, as the case may be, for the purpose of submitting the Property to the provisions of the Condominium Act, but shall nevertheless be valid and binding upon, and shall inure to the benefit of, the owners of the Property and their heirs, executors, administrators, legal representatives, successors and assigns, as covenants running with the Land and with every part thereof and interest therein under other applicable Law to the extent permitted under such applicable Law with the same force and effect as if, immediately after the recording of this Declaration and the By-Laws,

all Unit Owners had signed and recorded an instrument agreeing to each such provision as a covenant running with the Land. If any provision that is necessary to cause this Declaration and the By-Laws to be sufficient to submit the Property to the provisions of the Condominium Act is missing from this Declaration or the By-Laws, then such provision shall be deemed included as part of this Declaration or the By-Laws, as the case may be for the purposes of submitting the Property to the provisions of the Condominium Act.

(c) Subject to the terms of paragraph (b) of this Article 17, if this Declaration and the By-Laws are insufficient to submit the Property to the provisions of the Condominium Act, the provisions of this Declaration and the By-Laws shall nevertheless be valid and binding upon, and shall inure to the benefit of, the owners of the Property and their heirs, executors, administrators, legal representatives, successors and assigns, as covenants running with the Land and with every part thereof and interest therein under other applicable Law to the extent permitted under such applicable law with the same force and effect as if, immediately after the recording of this Declaration and the By-Laws, all Unit Owners had signed and recorded an instrument agreeing to each such provision as a covenant running with the Land.

Article 18 Amendments to this Declaration

(a) Any provision of this Declaration may be amended, modified, added to, or deleted by a 66 2/3% vote of the Unit Owners, taken in accordance with the provisions of the By-Laws, provided, however, that no amendment shall be made which limits or affects the rights of the mortgagee against the mortgagor. No such amendment, modification, addition, or deletion shall be effective until recorded in the Kings County Register's Office. Subject to the provisions contained herein or in the By-Laws with respect to amendments, modifications, additions, or deletions affecting Sponsor or its designee or any Unsold Units, any such amendment, modification, addition, or deletion may be executed either (i) by the Condominium Board as attorney-in-fact for the Unit Owners, which power shall be deemed to be coupled with an interest as provided for in Article 12 hereof; or (ii) by the Unit Owner or Unit Owners whose Unit or Units are affected by such amendment, modification, addition or deletion.

(b) If the amendment requires the approval of a specified percentage of Unit Owners pursuant to the terms of this Declaration or the By-Laws, then there shall be attached to such amendment an original executed Secretary's Certification, certifying that the requisite number and percentage of Unit Owners approved the amendment at a duly constituted meeting or (when permitted in this Declaration or the By-Laws) in writing without a meeting, in which Certification shall be described the number and percentage of Unit Owners so consenting and (if voted upon at a meeting) the date and time of the meeting.

Article 19 Consents of Sponsor

Wherever the consent, approval, satisfaction, or permission of Sponsor or its designee is required under this Declaration or the By-Laws, such consent, approval, satisfaction, or permission shall not be required when Sponsor or such designee no longer owns any Units.

Article 20 Person to Receive Service

The Secretary of State is designated as agent of the Condominium Board upon whom process against it may be served. The post office address within or without this state to which the secretary of state shall mail a copy of any process against the Condominium Board served upon him or her is: Certa House Condominium, 2478 East 11th Street, Brooklyn, New York 11235.

Article 21 Incorporation by Reference

The terms, covenants, conditions, descriptions, and other information contained in (i) the Property description annexed hereto as Exhibit A; (ii) the description of the Units annexed hereto as Exhibit B; (iii) the table of definitions annexed hereto as Exhibit C; (iv) the By-Laws annexed hereto as Exhibit D; and (v) the Floor Plans recorded simultaneously herewith, are by this reference, each incorporated herein and made a part of this Declaration as if the same were set forth at length in the text hereof.

Article 22 Waiver

No provision contained in this Declaration shall be deemed to have been abrogated or waived by reason of any failure to enforce the same, regardless of the number of violations or breaches that may occur.

Article 23 Severability

Subject to the provisions of paragraphs (b) and (c) of Article 17 hereof, if any provision of the Condominium Documents is invalid or unenforceable as against any Person or under certain circumstances, the remainder of the Condominium Documents and the applicability of such provision to other Persons or circumstances shall not be affected thereby. Each provision of the Condominium Documents shall, except as otherwise provided herein, be valid and enforced to the fullest extent permitted by Law. Any conflict between any provision of the Condominium Documents and the Condominium Act, or any questions regarding the interpretation of any of the Condominium Documents, shall be governed by the Condominium Act.

Article 24 Gender

A reference in this Declaration to any one gender, masculine, feminine, or neuter, includes the other two, and the singular includes the plural, and vice-versa, unless the context otherwise requires.

First Elected Board: At such first meeting of Unit Owners following the First Unit Closing under the plan and at all subsequent meetings of Unit Owners to elect the condominium Board, the Board shall be composed of three (3) Board Members. Sponsor Board Member(s) shall represent the interests of the owner of the Unsold Units and shall make all decisions and conduct all transactions on behalf of the Board that affects only the Unsold Units and do not affect the Common Elements, the Associations Properties, the Common Expenses or the Common Charges. Sponsor Control Period: Sponsor shall have “voting control” of the condominium Board for five (5) years from the First Closing of a Residential Unit under the Plan or until the Unsold Units constitute less than twenty-five percent (25%) in Common Interest of all Units, whichever is sooner (“Sponsor Control Period”). Additionally, Sponsor retains at all times, as long as Sponsor continues to own at least one (1) Unsold Unit, the right to exclusively designate and appoint at least one (1) Sponsor Board Member and to vote for the Independent Board Member(s) as the owner of Unsold Units.

After the Sponsor Control Period, if the Sponsor retains at least one (1) Unsold Unit, the Condominium Board shall consist of two (2) Independent Board Members and one (1) Sponsor Board Member. Sponsor will cause the Condominium Board to call a special meeting of Unit Owners to be held within approximately thirty (30) calendar days after the expiration of the Sponsor Control Period, and to conduct a new election of board members in accordance with the rules set forth above.

Nomination and Voting Rules for Condominium Board:

The following rules shall govern the nomination and voting for the election of the Independent Board Members:

(A) during the Sponsor Control Period, there is no restriction or limitation on the nomination and voting rights of Sponsor, who may both nominate and vote (without restriction or limitation) to elect any qualified candidate to serve as an Independent Board Member;

(B) after the Sponsor Control Period, Sponsor shall have the right to vote (without restriction or limitation) for any and all candidates nominated to serve as Independent Board Members but may NOT nominate any candidates to serve as Independent Board Members, nominations coming during that time only from the Unit Owners.

The foregoing restriction limiting Sponsor's nomination rights after the end of the Sponsor Control Period applies only to nominating candidates to serve as Independent Board Members and does not apply to the Sponsor Board member to be appointed and designated exclusively by Sponsor aforesaid.

Veto Rights During the Sponsor Control Period: during the Sponsor Control Period, the Condominium Board and Unit Owners shall and must obtain Sponsor's prior written discretionary approval or consent (hereinafter "Sponsor's Veto Rights") to (i) borrow money on behalf of the Condominium or (ii) to raise Common Charges or levy a Special Assessment for any of the following purposes:

(a) to make an Alteration to the Common Elements or the Association's Properties (the latter includes any Unit owner, leased licensed or otherwise held or operated by the condominium Board, or its nominee or designee);

(b) to create a fund for reserves for non-capital Repairs, Alterations, unanticipated expenses and/or contingencies (i.e., a Reserve for Contingencies), which in the aggregate exceed five percent (5%) of the projected annual General Common Expenses or five percent (5%) of the projected annual Residential Common Expenses (as applicable) for any Budget Year of the Condominium Operation or increase, decrease, or eliminate the minimum ten percent (10%) Reserve for Capital Replacement to be included in each Budget in accordance with the Declaration.

(c) to increase, decrease, eliminate or otherwise change the number, types, and calcification or working hours of the Buildings' service staff as set forth in the First Year's Budget.

(d) to increase, decrease or eliminate building services by (for example) entering into contracts for new or additional services or maintenance work not included in said First Year's Budget, or failing to provide any service or maintenance contract set forth in such first Year's Budget, or otherwise; or

(e) to increase, decease, eliminate or otherwise change the amounted or types of insurance coverage from those set forth in said First Year's Budget.

Limit on Sponsor's Veto Rights: Sponsor has the right to condition, delay, withhold or deny its approval or consent to any of the items in the preceding subsection without cause or explanation, and without liability for any Claims or Cost and Expenses or other recourse against Sponsor for conditioning delaying, withholding or denying its consent. Nevertheless, Sponsor will give its approval or consent if the Costs and Expenses (as determined by Sponsor, in its sole and absolute judgment) of the proposed action requiring Sponsor's approval or consent, when added to all other budgeted Residential Common Expenses or General Common Expenses (as applicable), will not increase the Residential Common Charges or General Common Charges (as applicable), inclusive of any Special Assessments of the Condominium Board, for the Budget year of the Condominium at issue, by more than 5% above the residential Common Charges or General common Charges (as applicable) for the immediately preceding Budget Year of the condominium. In addition, Sponsor may not exercise veto control over expenses included in the first Year's Budget or over expenses required: (a) to comply with applicable Laws; (b) to remedy a governmental notice or violation or (c) to remedy a work order of an insurer of the Building, (d) or any matter concerning the health and safety of the occupants of the building.

As stated above, Sponsor's Veto Rights, as set forth herein, may be exercised during only the Sponsor Control Period. If Sponsor makes a bulk sale of Unsold Units to a substitute sponsor, the substitute sponsor shall assume the Sponsor's Veto Rights so long as five (5) years from the First Closing of a Residential Unit under the Plan has not elapsed and the Unsold Units constitute at least twenty-five percent (25%) in Common Interest of all Units. If five (5) years from the First Closing have elapsed, or if the Unsold Units constitute at less than twenty-five percent (25%) in Common Interest of all Units there shall no longer be any Sponsor's Veto Rights and the Condominium Board may act without Sponsor's approval for any of the actions listed in the preceding subparagraphs. In the event of two (2) or more substitute sponsors, the required discretionary consent of only those substitute sponsors constituting a majority of the Common Interests of all Unsold Units will suffice. Nothing contained herein will extend the term of the Sponsor's Veto Rights period.

Section 2.8. Term of Office of Members. The term of office of each member of the Condominium Board shall continue for one (1) year. Notwithstanding anything to the contrary, however, each Condominium Board shall serve until a successor Board is elected and qualified.

There shall be no limit on the number of terms of office, successive or otherwise, that a member of the Condominium Board may serve. In addition, special meetings of Unit Owners may be held from time to time, pursuant to the By-Laws, whenever necessary for the affairs of the Condominium.

Section 2.9. Resignation of Members. Any member of the Condominium Board may resign his or her membership at any time by giving written notice thereof to the Condominium Board.

After the initial period of Sponsor control, a majority of the board of managers need not be owner-occupants or members of an owner- occupant's household who are unrelated to the Sponsor and its principals.

Section 2.10. Vacancies. Any vacancy on the Condominium Board shall be filled by calling a regular or special meeting to elect a new Board Member pursuant to Section 2.7 of these By-laws.

Section 2.11. Sponsor's Right to Make Changes to Unsold Units and the Common Elements.

The Sponsor reserves the right to make changes in size, layout and number of unsold units, and the common areas without the approval of the Board of Managers provided that all changes comply with the building code and all applicable laws and regulations. The Sponsor will file an amendment to the offering plan disclosing any such changes and any material changes must be with the consent of any affected purchasers. Unless an affected purchaser consents, no material change will be made in unit size, layout or percentage of common interest if a purchase agreement has been executed and delivered to the Sponsor and the purchaser is not in default.

Any area of the building affecting only two (2) units, the two (2) Unit Owners may agree between each other how to allocate said area between them without the permission of the Board of Managers.

Section 2.12. Regular Meetings of the Condominium Board. Regular meetings of the Condominium Board may be held at such time and place as shall be determined from time to time by a majority of the members thereof, provided that at least one (1) such meeting shall be held during each fiscal year.

Section 2.13. Special Meetings of the Condominium Board. Any member of the Condominium Board may call a special meeting of the Condominium Board whenever he or she deems the same to be necessary or desirable.

Section 2.14. Waiver of Notice of Meetings. Any member of the Condominium Board may, at any time, waive notice of any meeting thereof in writing, and such waiver shall be deemed equivalent to the giving of notice. Attendance by a member of the Condominium Board at any meeting thereof shall constitute a waiver by him or her of notice of the time and place thereof.

Section 2.15. Quorum of the Condominium Board. For purposes of all meetings of the Condominium Board, the attendance of a majority of all Board Members thereof shall be required for the transaction of business. In connection therewith, one or more members of the Condominium Board may participate in any meeting thereof by means of telephone or similar communications

equipment permitting all individuals participating in the meeting to hear each other at the same time, and such participation shall constitute presence at such a meeting for all purposes.

Section 2.16. Conduct of Meetings. The minutes of the meetings of the Condominium Board shall be faithfully recorded, which minutes shall include the full text of all resolutions duly adopted by the Condominium Board and a record of all transactions and proceedings occurring thereat. The then current edition of Robert's Rules of Order shall govern the conduct of meetings of the Condominium Board unless the same shall be in conflict with the terms of the Declaration, these By-Laws or the Condominium Act.

Section 2.17. Decision by the Condominium Board. Except as otherwise expressly provided in the Declaration or these By-Laws, the affirmative vote of a majority of the members of the Condominium Board shall constitute the decision of the Condominium Board. Alternatively, any decision that is required or permitted to be made by the Condominium Board may be made without a meeting thereof if all of the members of the Condominium Board shall individually or collectively consent in writing to such decision, and all such written consents shall be duly filed by the Condominium in the minutes of the Condominium Board. In the event of a deadlock in voting between the two units or in the Condominium Board, such deadlock shall be submitted to an arbitration board in accordance with Article 10, "Arbitration", below.

Section 2.18. Compensation of Members. No member of the Condominium Board shall receive any compensation from the Condominium for acting as such.

Section 2.19. Common or Interested Members of the Condominium Board. Each member of the Condominium Board shall perform his or her duties, and shall exercise his or her powers, in good faith and with a view to the interests of the Condominium. To the extent permitted by law, no contract or other transaction between the Condominium Board and either (i) any of its members or (ii) any corporation, partnership, fiduciary, firm, association, or other entity in which any of the members of the Condominium Board are officers, directors, employees, partners, fiduciaries, beneficiaries, or principals, or are otherwise interested, pecuniary or otherwise, shall be deemed either void or voidable because either (a) any such member of the Condominium Board was present at the meeting or meetings of the Condominium Board during which such contract or transaction was discussed, authorized, approved, or ratified, or (b) the vote of any such member was counted for such purpose, provided, however, that either:

(x) the fact thereof is disclosed to, or known by, the Condominium Board or noted in the minutes thereof, and the Condominium Board shall authorize, approve, or ratify such contract or transaction in good faith by vote of the Condominium Board;

(y) the fact thereof is disclosed to, or known by the Unit Owners, and the Unit Owners authorize, approve, or ratify such contract or transaction; or

(z) the contract or transaction is commercially reasonable to the Condominium Board at the time that the same is authorized, approved, ratified, executed, or otherwise consummated.

Any such member of the Condominium Board may be counted in determining the requisite attendance of any meeting of the Condominium Board that authorizes, approves, or ratifies any such contract or transaction.

Section 2.20. Liability of the Condominium Board.

(A) The members of the Condominium Board shall have no liability to the Unit Owners for errors of judgment, negligence, or otherwise, except that each member of the Condominium Board shall be liable thereto for his or her own bad faith or willful misconduct.

(B) Every contract made, and other document executed, by or on behalf of the Condominium Board, any committee thereof, or the Managing Agent shall expressly state (if obtainable and in addition to the limitation of liability of the officers of the Condominium and the Unit Owners pursuant to the terms of Sections 3.10 and 4.12 hereof, respectively) that the same is made or executed by or on behalf of the Condominium Board, such committee, or the Managing Agent solely as agent for the Unit Owners and that the members of the Condominium Board or such committee or the Managing Agent shall have no liability thereon, except to the extent of their liability, if any, as Unit Owners pursuant to the terms of Section 4.12 hereof.

(C) Neither the Condominium Board nor any member thereof shall be liable for either:

(i) any failure or interruption of any utility or other services to be obtained by, or on behalf of, the Condominium Board or to be paid for as a Common Expense; or

(ii) any injury, loss, or damage to any individual or property, occurring in or upon either a Unit or the Common Elements, and either: (a) caused by the elements, by any Unit Owner, or by any other Person; (b) resulting from electricity, water, snow or ice that may leak or flow from a Unit or any portion of the Common Elements; or (c) arising out of theft or otherwise.

(D) The Unit Owners shall jointly and severally indemnify and hold each member of the Condominium Board harmless from and against any claim or liability to others arising from his or her acts or omissions as, or by reason of the fact that such individual is or was, a member of the Condominium Board, except, however, to the extent that such claim or liability shall be due to, or shall arise out of, the bad faith or willful misconduct of such member.

The other officers of the Condominium, however, need not be Unit Owners or members of the Condominium Board and need not have any interest in the Condominium.

Section 3.7. Removal and Resignation of Officers. While the Sponsor is in control of the Board, any officer of the Condominium may be removed from office with cause, by an affirmative vote of a majority of the members of the Condominium Board. After initial period of Sponsor's control of the Board, any officer of the Condominium may be removed from office with or without cause, by an affirmative vote of a majority of the members of the Condominium Board. In addition, any officer may resign at any time by giving written notice to the Condominium Board. Finally, if the President or the Vice President of the Condominium shall cease to be a member of the

Condominium Board during his or her term of office, such officer shall be deemed to have resigned his or her office effective upon the date upon which his or her membership shall cease.

Section 3.8. Vacancies. Any vacancy in an office shall be filled by a majority vote of the Condominium Board at any regular meeting of the Condominium Board or at a special meeting thereof called for such purpose.

Section 3.9. Compensation of Officers. No officer of the Condominium shall receive any compensation from the Condominium for acting as such.

ARTICLE 4 UNIT OWNERS

Section 4.1. Annual Meetings of the Unit Owners. The first annual meeting of the Unit Owners shall be held approximately four (4) to six (6) months after the First Closing. Thereafter, annual meetings of the Unit Owners shall be held within sixty (60) days of the anniversary date of the first meeting. At each such subsequent meeting, the Unit Owners shall transact such business

as may properly come before such meeting. In the event that any annual meeting of members is delayed, the existing Condominium Board shall continue to serve.

Section 4.2. Special Meetings of Unit Owners. The Condominium Board shall call a special meeting of the Unit Owners whenever so directed by a duly adopted resolution of the Condominium Board or upon receipt of a petition calling for such a meeting signed by a Unit Owner. Each such resolution or petition shall set forth, in reasonable detail, the purposes for calling such a meeting, and no business shall be transacted at such special meeting except business reasonably related to such stated purposes.

Section 4.3. Place of Meetings. Meetings of the Unit Owners shall be held at the principal office of the Condominium or at such other suitable and convenient place as may be designated by the Condominium Board.

Section 4.4. Notice of Meetings. The Condominium Board shall give notice of each annual or special meeting of the Unit Owners to all Unit Owners then of record entitled to vote at such meeting, which notice shall set forth the purpose, time and place of such meeting. Such notice may be given to any Unit Owner by personal delivery, mail, telephone or telegram not later than five (5) business days prior to the day fixed for the meeting; however, the mailing of such notice to any Unit Owner, addressed to his or her address at the Property, at least ten (10) days prior to the day fixed for the meeting shall be conclusively deemed the giving of notice to such Unit Owner of such meeting. Any Unit Owner may designate an address for the giving of notice other than such Unit Owner's address at the Property by giving written notice thereof to the Condominium Board not less than ten (10) days prior to the giving of notice of the applicable meeting.

Section 4.5. Quorum of the Unit Owners. Except as otherwise provided in these By-Laws, the presence, in person or by proxy, of a majority of all Unit Owners shall be required at all meetings of the Unit Owners.

(f) Reports of inspectors of election (when so required);
(g) Election or designation of members of the Condominium Board (if there is a vacancy);
(h) Unfinished business; and
(i) New business.

Section 4.8. Voting at Meetings of Unit Owners.

(A) Subject to the terms of Sections 2.7 and 4.9 hereof, at meetings of Unit Owners, each Unit Owner (including the Sponsor or its designee, for so long as Sponsor or such designee shall own Unsold Units) shall be entitled to cast one (1) vote for each unit owned.

(B) Notwithstanding the terms contained in paragraph (A) hereof, no Unit Owner may vote at any meeting of the Unit Owners if the Condominium Board has perfected a lien against such Unit Owner's Unit and the amount necessary to release such lien has not been paid at the time of such meeting. In addition, neither the Condominium Board nor any designee thereof shall be entitled to the vote appurtenant to any Unit owned by the Condominium Board or such designee. The vote of all Units whose owners are precluded from voting pursuant to the terms of this paragraph (B) will be excluded when computing the results of voting.

(C) A fiduciary shall be the voting member with respect to a Unit owned in a fiduciary capacity. In addition, if two (2) or more Persons own a Unit, they shall designate one Person amongst them the vote appurtenant to their Unit in a writing given to the Condominium Board, and the vote of such designee shall be binding upon all of such Persons. Failing such a designation, all of such Persons shall mutually exercise the vote appurtenant to such unit under one ballot without division, and the concurrence of all Persons shall be conclusively presumed if any one of them purports to exercise such vote without protest being contemporaneously made to the individual presiding over the meeting at which such vote is taken. If protest is made, the vote appurtenant to such Unit shall be counted solely for the purpose of determining whether the required attendance is present for such voting.

(D) The owner(s) of any Unit may designate any Person to act as a proxy on his or her behalf. The designation of any such proxy shall be made in a writing both signed and dated by the designor and delivered to the Condominium Board at or before the appointed time for the meeting(s) during which the same is to be effective. Any such designation shall be revocable at any time upon written notice given to the Condominium Board; however, no revocation of such a designation shall be effective with respect to any votes cast by such proxy prior to the receipt of such revocation notice by the Condominium Board.

Section 4.9. Election of Members of the Condominium Board. After the Sponsor Control Period, each Unit Owner shall be entitled to nominate one individual as a candidate to be elected to the Condominium Board, whom, if elected in a duly held Unit owners' vote, shall represent his/her interests. See Section 2.7 above for more details.

Section 4.10. Action without a Meeting. Any action required or permitted to be taken by the Unit Owners at a duly constituted meeting may be taken without such a meeting if the number of Unit Owners sufficient to approve such an action at a duly constituted meeting of the Unit Owners pursuant to the Declaration or to these By-Laws consent in writing to the adoption of a resolution approving such action. All written consents given by Unit Owners pursuant to this Section 4.10 shall be retained in the records of the Condominium together with a true copy of the resolution to which they relate.

Section 4.11. Title to Units. Title to any Unit may be taken by any Person or by any two (2) or more Persons as joint tenants, tenants in common, or tenants by the entirety, as may be appropriate, but not as owners in severalty.

Section 4.12. Contractual Liability of Unit Owners. Every contract made by the Condominium Board, by any officer of the Condominium, or by any superintendent or Managing Agent of the Building shall state (if obtainable and in addition to the limitation of liability of the members of the Condominium Board and the officers of the Condominium pursuant to the terms of Section 2.20 and 3.10 hereof, respectively), that the liability of any Unit Owner with respect thereto shall be limited to: (i) such proportionate share of the total liability thereunder as the Common Interest of such Unit Owner bears to the aggregate Common Interests of all Unit Owners and (ii) such Unit Owner's interest in his or her Unit and its Appurtenant Interests, unless otherwise provided by Law.

ARTICLE 5 OPERATION OF THE PROPERTY

Section 5.1. Maintenance.

(A) Except as otherwise provided in the Declaration or in these By-Laws, all painting, decorating, maintenance, and replacements, whether structural or non-structural, ordinary or extraordinary, (i) in or to any Unit and all portions thereof (including, but not limited to, the interior walls, ceilings and floors in the Unit, kitchen and bathroom fixtures and appliances, windows and their frames, sills and sashes, all doors (entrance and terrace or patio, if any) and their frames and saddles, exposed plumbing, gas and heating fixtures shall be performed by the owner of such Unit at such Unit Owner's cost and expense; (ii) in or to the Common Elements shall be performed by the Condominium Board as a Common Expense; and (iii) in or to the Limited Common Elements shall be performed (a) by the Condominium Board and the cost and expense thereof will be charged to all Unit Owners as a Common Expense, if involving structural or extraordinary maintenance, repair or replacement, (except if necessitated by the negligent act or omission of the Unit Owner) or (b) by the Unit Owner having direct and exclusive access thereto at such Residential Unit Owner's sole cost and expense, if involving painting, decorating, and non-structural ordinary maintenance, repairs and replacements.

However, if any work is necessitated by any condition or occurrence in the individual unit such Unit Owner shall be liable for such costs which are not paid by the insurance carrier. Promptly upon obtaining knowledge thereof, each Unit Owner shall report to the Condominium Board or to the Managing Agent any defect which the Condominium Board is responsible pursuant to the terms thereof. All painting, decorating, maintenance, repairs and replacements performed hereunder or otherwise, whether by or at the behest of a Unit Owner or the Condominium Board, shall be performed in such a manner as shall not unreasonably disturb or interfere with any Unit Owners or the tenants and occupants of any Units.

(B) Notwithstanding anything to the contrary provided in paragraph (A) of this Section 5.1, however, the exterior glass surfaces of all windows of each Unit are to be washed and cleaned by the owner of such Unit at such Unit Owner's sole cost and expense. In addition, if any painting, decorating, maintenance, or replacements to the Property or any part thereof, whether structural or

non-structural, ordinary or extraordinary, is necessitated by the negligence, misuse, or abuse of (i) any Unit Owner, the entire cost and expense thereof shall be borne by such Unit Owner, or (ii) the Condominium Board, the entire cost and expense thereof shall be borne by the Condominium Board as a Common Expense, except, in all events, to the extent that such cost and expense is covered by the proceeds of any insurance maintained pursuant to the terms of these By-Laws. Similarly, each Unit Owner shall be responsible for any and all damage to any Unit or to the Common Elements resulting from such Unit Owner's failure to maintain, repair, or replace his or her Unit or any portion thereof as required herein.

(C) Each Unit and all portions of the Common Elements shall be kept in first-class condition and order (and free of snow, ice and accumulation of water with respect to any terrace, patio, roof, or other part of the Property exposed to the elements) by the Unit Owner or the Condominium Board, whichever is responsible for the maintenance thereof as set forth herein, and such Unit Owner or the Condominium Board, as the case may be, shall promptly make or perform, or cause to be made or performed, all maintenance work (including, without limitation, painting, repairs and replacements) that is necessary in connection therewith. In addition, the public areas of the Building and those areas exposed to public view shall be kept in good appearance, in conformity with the dignity and character of the Building, by (i) the Condominium Board, with respect to such parts of the Building required to be maintained by it, and (ii) each Unit Owner, with respect to the interior and exterior surfaces of terraces, patios, windows and shades, venetian or other blinds, drapes, curtains or other window decorations in or appurtenant to his or her Unit.

The public areas of the Building as well as the private areas exposed to public view shall be kept in good appearance, in conformity with the dignity and character of the Building, as determined by the Condominium Board in its sole discretion, by the Condominium Board, with respect to such parts of the Building required to be maintained by it. In order to promote a consistent appearance of the Building from the outside, no Unit Owner shall be permitted to enclose, erect a greenhouse and/or alter a Limited Common Element appurtenant to a Unit in such a way that will alter the conformity of the Building, without the prior approval of the Condominium Board.

If a hallway appurtenant to a Unit is utilized by only a single Unit Owner, such Unit Owner shall have the right to modify the decor of such hallway, provided that such decor is in keeping with the décor of the Condominium. Such Unit Owner shall be responsible, at its sole cost and expense, for all maintenance, repairs, replacements and upkeep of the common hallway and the furnishings located thereon.

(D) In the event that any Unit Owner, after receipt of written notice from the Condominium Board, fails or neglects in any way to perform any of its obligations with respect to the painting, decorating, maintenance, repair or replacement of its Unit as provided in this Section 5.1 (or of any Common Elements for which such Unit Owner is responsible under the Declaration or these By-Laws), the Condominium Board may perform or cause to be performed such painting, decorating, maintenance, repair or replacement unless such Unit Owner, within five (5) days after receiving notice of such default by the Condominium Board, cures such default, or in the case of a default not reasonably susceptible to cure within such period, commences and thereafter prosecutes to completion, with due diligence, the curing of such default. All sums expended and

all costs and expenses incurred in connection with the making of any such painting, decorating, maintenance, repair or replacement in such Unit Owner's Unit or to any such Common Element for which such Unit Owner is responsible, together with interest thereon at the rate of 2% per month (but in no event in excess of the maximum rate permitted by Law), shall be immediately payable by such Unit Owner to the Condominium Board and shall, for all purposes hereunder, constitute Common Charges payable by such Unit Owner.

Section 5.2. Alterations, Additions, or Improvements in and to Units.

(A) Upon Condominium Board approval, each Unit Owner shall have the right to:

(i) make alterations, additions, or improvements in the interior of his Unit;

(ii) make alterations, additions, or improvements in the interior of any part of the property allocated to his Unit (i.e., enclosed storage spaces and other spaces, if any, that have no effect on the aesthetic of the Building); or

(iii) change the layout of his unit;

provided, however, that, with respect to any such alteration, addition, improvement or change in, to, of or upon a Unit:

(1) no physical modification shall be made to any other Unit, and the Common Interest or interior dimensions of any other Unit shall not be changed by reason thereof, unless the owner of such other affected Unit shall consent thereto;

(2) the Unit Owner shall agree to hold the Condominium Board and all other Unit Owners harmless from any liability arising therefrom; and

(3) such alteration, addition, improvement or change shall not jeopardize the soundness or structural integrity of any part of the Building or the safety of any tenant or other persons at the Property.

In the event that any Unit is subdivided, the subdivided Units shall jointly exercise and share the vote and the percentage of common interest allocated to the original unit.

Prior to, and as a condition of, the granting of any such approval, the Condominium Board may, at its sole option, require the Unit Owner to procure and agree to maintain during the course of such work such insurance as the Condominium Board may reasonably prescribe and to execute an agreement, in form and substance satisfactory to the Condominium Board, setting forth the terms and conditions under which such alteration, addition, improvement, or repair may be made, including, without limitation, the indemnity referred to in paragraph (D) hereof and the days and hours during which any such work may be done.

(B) All alterations, additions, and improvements by Unit Owners shall be made in compliance with laws. In connection therewith, the Condominium Board shall execute applications

to any departments of the City of New York, or to any other governmental agencies having jurisdiction thereof, for any and all permits required in connection with the making of alterations, additions, improvements, or repairs in or to a Unit, provided that, with respect to all such work of a structural nature (but other than that of the nature described in paragraph (B) hereof), the same was approved by the Condominium Board pursuant to the terms of paragraph (A) hereof.

(C) Neither the Condominium Board nor any Unit Owner (other than the Unit Owner(s) making any alterations, improvements, additions, or repairs, or causing any of the same to be made, in or to his, her or their Unit(s)) shall incur any liability, cost, or expense either (i) in connection with the preparation, execution, or submission of the applications referred to in paragraph (C) hereof; (ii) to any contractor, subcontractor, materialman, architect, or engineer on account of any alterations, improvements, additions, or repairs made or asserting any claim for personal injury or property damage arising therefrom. Any Unit Owner(s) making any alterations, improvements, additions, or repairs, or causing any of the same to be made, in or to his, her or their Unit(s) shall agree (in a writing executed and delivered to the Condominium Board, if the Condominium Board shall so request), and shall be deemed to agree (in the absence of such writing), to indemnify and hold the Condominium Board, the members of the Condominium Board, the officers of the Condominium, and the Managing Agent and all other Unit Owners harmless from and against any such liability, cost and expense.

(D) Sponsor [and any Commercial/Community Facility Unit Owner, if and as applicable], shall have the right, *without* the approval of the Condominium Board, the Selling Agent, the Managing Agent, or other Unit Owners, to:

(a) make alterations, additions, improvements, or repairs in or to any Unsold Residential Unit or Units [or to any Commercial Unit or Units, if applicable] as the case may be, whether structural or non-structural, interior or exterior, ordinary or extraordinary; and

(b) subdivide, combine and change the boundary walls of its Unit(s), provided the same does not materially interfere or affect any other Unit,

(c) Subdivide the percent common interest of any Unit. In the event that any Unit is subdivided subject to the terms and conditions of any offering plan approved by the New York State Department of Law, in connection with a subdivision of the Residential Unit, the Individual Units shall severally exercise and share the vote and the percentage of common interest allocated to each Individual Unit.

Section 5.3. Alterations, Additions, or Improvements to the Common Elements. Except as otherwise provided in the Declaration or in these By-Laws, all necessary or desirable alterations, additions, or improvements in or to any of the Common Elements shall be made by the Condominium Board, and the cost and expense thereof shall constitute a Common Expense. Notwithstanding the foregoing, however, whenever the cost and expense of any such alterations, additions, or improvements would, in the judgment of the Condominium Board, exceed $5,000.00 in the aggregate in any calendar year, such proposed alterations, additions, or improvements shall not be made unless first approved by all of the Unit Owners at a duly constituted meeting of the

Unit Owners and by the Mortgagee Representatives, if any. Except as otherwise provided in the Declaration and in these By-Laws, all such alterations, additions, or improvements costing $5,000.00 or less in the aggregate in any calendar year may be made as aforesaid without the approval of either the Unit Owners or any Mortgagee Representatives.

Section 5.4. Insurance.

(A) If the same shall be obtainable, the Condominium Board shall obtain, and shall maintain in full force and effect, fire insurance policies with all risk extended coverage, vandalism and malicious mischief endorsements, insuring the Building (including the restoration of all Units to vanilla box condition, and the bathroom and kitchen fixtures installed therein on the date of recording the Declaration, and all service machinery contained therein, but not including appliances or any furniture, furnishings, decorations, belongings, or other personal property supplied or installed by Unit Owners or the tenants of Unit Owners) and covering the interest of the Condominium, the Condominium Board, all of the Unit Owners and all Permitted Mortgagees, as their interests may appear. Each of the said policies shall contain:

(i) waivers of (a) subrogation, (b) any defense based upon co-insurance or other insurance, (c) invalidity arising out of any acts of the insured, and (d) pro-rata reduction of liability;

(ii) a provision that any adjustment of loss will be made by the Condominium Board and that all proceeds thereof shall be paid to either the Condominium Board or the Insurance Trustee, as provided in Section 5.5 hereof;

(iii) a New York standard mortgagee clause in favor of each Permitted Mortgagee, which shall provide that the proceeds thereof shall be paid to such Permitted Mortgagee as its interest may appear, subject, however, to the loss payment provisions in favor of the Condominium Board and the Insurance Trustee set forth in subparagraph (ii) above and in Section 5.5 hereof; and

(iv) a provision that such policy may not be either cancelled or substantially modified except upon at least ten days' prior written notice to all of the insureds, including all Permitted Mortgagees.

(v) Duplicate originals or certificates of all such policies and of all renewals thereof, together with proof of payment of premiums, shall be sent to all Unit Owners and Permitted Mortgagees at least ten days prior to the expiration of the then current policies.

(B) The Condominium Board shall also obtain and maintain, to the extent practicable:

(i) comprehensive general liability insurance, covering all claims for personal injury or property damage arising out of any occurrence on the Property and listing as co-insureds (a) the Condominium Board and each member thereof, (b) the Managing Agent or manager (if any), (c) each officer and employee of the Condominium and (d) each Unit

Owner (except, however, that such insurance shall not cover any liability of a Unit Owner arising from occurrences within his or her own Unit);

(ii) rent insurance (if applicable);

(iii) workmen's compensation and New York State disability benefits insurance;

(iv) boiler and machinery insurance; and

(v) such other insurance as the Condominium Board shall from time to time determine.

Each of the aforementioned policies of insurance shall also cover cross-liability claims of one insured against another.

(C) All policies of insurance to be maintained by the Condominium Board shall contain such limits as the Condominium Board shall from time to time determine, provided, however, that:

(i) with respect to insurance policies maintained by the Condominium Board pursuant to paragraph (A) hereof, the coverage shall be in an amount equal to not less than eighty percent of the full replacement cost of the Building, exclusive of land, excavation and foundations, without deduction for depreciation, as approved by a fire insurance company, a qualified insurance broker, or another qualified source;

(ii) with respect to insurance policies maintained by the Condominium Board pursuant to subparagraph (i) of paragraph (B) hereof, such policies shall contain single limits of not less than $500,000.00 in the aggregate until the first regular meeting of the first Condominium Board elected by the Unit Owners; and

(iii) with respect to insurance policies maintained by the Condominium Board pursuant to subparagraph (ii) of paragraph (B) hereof, the coverage shall be in an amount equal to the aggregate of all of the Unit Owners' Common Charges for one year.

Any insurance policies maintained by the Condominium Board may also provide for such deductible amounts as the Condominium Board shall determine. The Condominium Board shall review the limits of each insurance policy, as well as the amount of any deductible sum thereunder, at least once each year.

(D) The cost of all insurance maintained by the Condominium Board pursuant to this Section 5.4, together with the fees and disbursements of any Insurance Trustee appointed by the Condominium Board pursuant to the terms of these By-Laws, shall be borne by the Condominium Board as a Common Expense.

(E) Unit Owners shall not be prohibited from carrying other insurance for their own benefit, provided that all such policies shall contain waivers of subrogation and further provided that the liability of the carriers issuing the insurance maintained by the Condominium Board shall

not be affected or diminished by reason of any such, additional insurance carried by any Unit Owner.

Section 5.5. Casualty or Condemnation.

(A) In the event that either (i) the Building or any part thereof is damaged or destroyed by fire or other casualty (hereinafter referred to as a "Casualty Loss") or (ii) the Common Elements or any part thereof is taken in condemnation or by eminent domain (hereinafter referred to as a "Taking"), the net insurance proceeds payable under the insurance policies maintained by the Condominium Board pursuant to the terms of Section 5.4 hereof by reason of such Casualty Loss or the net condemnation awards receivable by reason of such Taking, as the case may be, shall be payable to the Condominium Board. In either instance, all such monies actually received (hereinafter referred to as the "Trust Funds") shall be held in trust for the benefit of all Unit Owners and their Permitted Mortgagees and shall be disbursed pursuant to the terms of this Section 5.5. Notwithstanding anything to the contrary contained either in this paragraph (A) or elsewhere in this Section 5.5, however, no Unit Owner whose Unit, or any portion thereof, is taken in condemnation or by eminent domain (whether or not all or a part of the Common Elements are contemporaneously taken) shall be deemed to have waived whatever rights that he or she may have to pursue a separate claim against the condemning authority by reason thereof.

(B) Subject to the terms of paragraph (D) hereof, the Condominium Board shall arrange for the prompt repair or restoration (hereinafter referred to as the "Work" of: (i) in the event of a Casualty Loss, the portion(s) of the Building (including all Units and the bathroom and kitchen fixtures installed therein on the date of recording the Declaration and all service machinery contained therein, but not including appliances or any furniture, furnishings, decorations, belongings, or other personal property supplied or installed by either Unit Owners or the tenants of Unit Owners) affected by such Casualty Loss or (ii) in the event of a Taking, the portion(s) of the Common Elements affected by such Taking. If, pursuant to the immediately preceding sentence, work is to be performed in or to Units, Common Elements that service or enclose Units and other Common Elements, or any combination of the foregoing, the work shall be performed, to the extent practicable, first in or to the Units, next in or to the Common Elements that service or enclose Units and then in or to the balance of the Common Elements. In addition, each Unit Owner whose Unit, or any portion thereof, shall be the subject of all or part of any Work shall have the right, subject to the terms of Section 5.2 hereof, to supervise any redecorating of his or her Unit.

(C) In the event that Work shall be performed pursuant to the terms of paragraphs (B) and (D) of this Section 5.5, the Condominium Board or the Insurance Trustee, as the case may be, shall disburse the Trust Funds to the contractors engaged in the Work in appropriate progress payments. If the Trust Funds shall be less than sufficient to discharge the cost and expense of performing the Work, the Condominium Board shall levy a Special Assessment against all Unit Owners for the amount of such deficiency in proportion to their respective Common Interests, and all proceeds of such Special Assessment shall become part of the Trust Funds. However, if the insurance proceeds are not sufficient to discharge the cost and expense of performing any work attributable to any part of the building which is not a "Common Element", such cost and expense must be paid by the owner or owners of the Units or Limited Common Element which were

damaged, and no Special Assessment may be levied against the Unit Owners. If, conversely, the Trust Funds shall prove to be more than sufficient to discharge the cost and expense of performing the Work, such excess shall be paid to the Unit Owner of the damaged unit, except that no payment shall be made to a Unit Owner until there has first been paid, out of said excess, such amounts as may be necessary to reduce unpaid liens on the Unit Owner's Unit (other than mortgages that are not Permitted Mortgages) in the order of priority of such liens. Notwithstanding the foregoing, however, in the event that the Unit Owners are assessed pursuant to the terms of the second sentence of this paragraph (C) for any projected deficiency in the amount of the Trust Funds available to the Condominium Board and, after the payment of all costs and expenses incurred in connection with the Work, any portion of the Trust Funds remains unspent, such excess Trust Funds shall, to the extent of such Special Assessment, be deemed to be, and shall constitute, an unspent Special Assessment and shall be paid to the Unit Owners so assessed in proportion to their respective Common Interests, free of any claim of any lienor (including, without limitation, any Permitted Mortgagee).

In the event that the damage is caused to both a Unit and any portion of the Common Elements, the Condominium Board shall retain the services of an insurance adjuster to determine the amount of damages caused separately to the Unit and the Common Element, and all the underpayments and overpayments shall be subject to provisions in paragraph (C).

(D) If either 75% or more of a Building is destroyed or substantially damaged by fire or other casualty or 75% or more of the Common Elements are taken in a Taking, the Work shall not be performed unless 75% or more of the Unit Owners of the Building shall promptly resolve to proceed with the same. In the event that a sufficient number of Unit Owners shall so resolve, the Work shall be performed pursuant to the terms of paragraphs (B) and (C) hereof. Conversely, in the event that a sufficient number of Unit Owners shall either fail or refuse to so resolve, the Work shall not be performed and the Property shall be subject to an action for partition by any Unit Owner or lienor, as if owned in common, in which event the net proceeds of the resulting sale, together with any Trust Funds, shall be paid to all Unit Owners in proportion to their respective Common Interests, except that no payment shall be made to a Unit Owner until there first has been paid, out of such Unit Owner's share of such funds, such amounts as may be necessary to reduce unpaid liens on the Unit Owner's Unit (other than mortgages that are not Permitted Mortgages) in the order of priority of such liens.

(E) [INTENTIONALLY OMITTED].

(F) If (i) a portion of any Unit shall be taken in condemnation or by eminent domain and (ii) the Condominium shall not be terminated by reason of a simultaneous Taking pursuant to the terms of paragraph (D) hereof, the Common Interest appurtenant to such Unit shall be adjusted in the proportion that the total floor area of such Unit after such Taking bears to the total floor area of such Unit prior to such Taking. The Condominium Board shall promptly prepare and record an amendment to the Declaration reflecting the new Common Interest appurtenant to such Unit, which amendment shall be executed by the owner of such Unit together with the holders of record of any liens thereon (or, in lieu of execution by such Unit Owner and lienors, the same may execute a consent to such amendment in recordable form). In either event, the Common Interests of the other or remaining Units shall be adjusted accordingly and reflected in an amendment to the

Declaration duly executed and acknowledged by the Condominium Board and the owners of, together with the holders of record of all liens upon, all of the other or remaining Units.

(G) As used in this Section 5.5, the terms:

"prompt repair or restoration" shall mean that the Work is to be commenced not more than sixty (60) days after the date on which the Condominium Board has received the Trust Funds, whether or not the same are sufficient to discharge the cost and expense of the Work; and

"promptly resolve" shall mean that a resolution shall be duly made not more than sixty (60) days after the date on which the Condominium Board notifies the Unit Owners that it has received the Trust Funds and that the same are or are not sufficient to discharge the estimated cost and expense of the Work, as the case may be.

(H) Any dispute that may arise under this Section 5.5 between Unit Owners or between any Unit Owner(s) and the Condominium Board shall be resolved by arbitration pursuant to the terms of Article 10 hereof.

Section 5.6. Use of The Property.

(A) No nuisance shall be allowed on the Property, nor shall any use or practice be allowed that either is a source of annoyance to its residents or interferes with the peaceful possession or proper use of the Property by its residents or occupants. Any expense incurred by the Condominium due to the creation of a nuisance thereof by a Unit Owner or any occupant, agent, tenant, invitee, guest, friend, or family member, as determined by the Condominium Board, shall be paid by the offending Unit Owner, together with any fine, fee or penalty set forth by the Condominium Board. No immoral, improper, offensive, or unlawful use, as determined by the Condominium Board, shall be made of the Property or any portion thereof, and all valid Laws relating to any portion of the Property shall be complied with at the full cost and expense of the respective Unit Owners or the Condominium Board, whoever shall have the obligation to maintain or repair such part of the Property.

(B) Nothing shall be done or kept in any Unit or in any of the Common Elements that would increase the rate of insurance for the Property, except upon the prior written consent of the Condominium Board. No Unit Owner shall permit anything to be done or kept in a Unit or in the Common Elements that will result in the cancellation of insurance on the Property or the contents thereof, or that would be in violation of any law. No waste shall be committed in the Common Elements.

(C) Nothing shall be done in any Unit or in, on or to the Common Elements that will impair the structural integrity of the Property or that will structurally change the Building, except as is otherwise provided in the Declaration or in these By-Laws. In no event shall interior partitions contributing to the support of any Unit or the Common Elements be altered or removed. Unit owners shall not have any right to install structures or perform any construction on private balconies, terraces, roof areas, without approval of a third-party architect retained by the Condominium Board.

Section 5.7. Use of the Units.

(A) In order to provide for congenial occupancy of the Property and for the protection of the values of the Units, the use of Units shall be restricted to, and shall be in accordance with, the terms contained in the balance of this Section 5.7. Each Unit may be used in accordance with the use permitted by local law and zoning regulations and the Certificate of Occupancy. Any Unit may be partially used as a professional office by the owner of such unit only.

(B) A Unit owned or leased by an individual, corporation, partnership, fiduciary, or any other entity may be occupied only by said individual, or by an officer, director, stockholder, or employee of such corporation, or by a partner or employee of such partnership, or by said fiduciary (including directors, officers, stockholders, or employees of corporate fiduciaries and partners and employees of partnership fiduciaries), or by the beneficiary of said fiduciary, or by a principal or employee of such other entity, respectively, or by the Family Members and guests of any of the foregoing (and nothing herein contained shall be deemed to prohibit the exclusive occupancy of any Unit by such Family members or guests). Notwithstanding the foregoing, the Condominium Board may, in its sole discretion, permit Persons other than those set forth above to occupy a Unit. In no event, however, shall a portion of a Unit (as opposed to the entire Unit) be sold, conveyed, leased, or subleased, and no transient occupant (other than a guest permitted under this paragraph (B)) may be accommodated therein. [This paragraph in its entirety is not applicable to a Commercial Unit Owner (if applicable).]

Section 5.8. Use of the Common Elements. (A) Subject to the terms of paragraph (B) of this Section 5.8, the Common Elements (including, without limitation, the electrical, heating, gas, plumbing and other mechanical systems and equipment of the Building and the Facilities) may be used only for the furnishing of the services and facilities, and for the other uses, for which they are reasonably suited and capable. The lobbies, vestibules, public halls, stairways and shall be used only for normal passage through them. Accordingly, all Unit Owners shall require their tradesmen to utilize exclusively the entrance designated by the Condominium Board for transporting packages, merchandise, or other objects.

Use of the Limited Common Elements. The cost of maintenance, repair and replacement of Limited Common Elements shall be borne by the Unit Owner having the exclusive or shared use thereto if such Unit Owner or other person for whom s/he is legally responsible for has caused damage thereto. In the event that the damage caused to a limited common element was not brought about by the Unit Owner having exclusive or shared right thereto or such other person for whom s/he is legally responsible for, the Condominium Board shall be responsible for the cost of such maintenance, repair and replacement, if so necessary.

Section 5.9. Rights of Access.

(A) Subject to the rights of existing tenants and other occupants of Unsold Units, each Unit Owner shall grant to the Condominium Board, to the Managing Agent or manager (if any), to the superintendent and/or to any other Person authorized by any of the foregoing a right of access to his or her Unit for the purposes of:

(i) making inspections of, or removing violations noted or issued by any governmental authority against, the Common Elements or any other part of the Property;

(ii) curing defaults hereunder or under the Declaration or violations of the Rules and Regulations committed by such Unit Owner or correcting any conditions originating in his or her Unit and threatening another Unit or all or a portion of the Common Elements;

(iii) performing maintenance, installations, alterations, repairs, or replacements to the mechanical or electrical services, or other portions of the Common Elements located within his or her Unit or elsewhere in the Building;

(iv) reading, maintaining, or replacing utility meters relating to the Common Elements, to his or her Unit, or to any other Unit; or

(v) correcting any condition that violates the provisions of any Permitted Mortgage encumbering another Unit.

Except in cases of emergency (that is, a condition requiring repairs or replacements immediately necessary for the preservation or safety of the Building or for the safety of the occupants of the Building or other individuals, or required to avoid the suspension of any necessary service in the Building), the foregoing rights of access shall be exercised only upon not less than one day's advance notice and only in such a manner as will not unreasonably interfere with the use of the Units for their permitted purposes. In cases of emergency, however, such rights of access may be exercised immediately, without advance notice and whether or not the Unit Owner is present.

(B) For purposes of paragraph (A), each Unit Owner shall grant to the Condominium Board a right of access to his or her Unit and the Condominium Board shall grant rights of access to the Common Elements, provided that access thereto shall not be exercised with respect to any Unit in such a manner as will unreasonably interfere with the use of such Unit for its permitted purposes.

(C) A right of access is hereby granted to the unit owners, their successors, heirs and assigns, for the purpose of gaining access to the following areas: common areas; mechanical areas of the building, including but not limited to the boiler room, storage room, meter room or any other facility to which each such unit owner has a right of use; or to any area of the property that such Unit Owner has a right to use as part of his Unit or as a Common Element. However, the right shall only be exercised in a reasonable manner.

Section 5.10. Modification of the Rules and Regulations. Unless otherwise provided herein and in the Rules and Regulations, the Condominium Board shall have the right to amend, modify, add to or delete any of the Rules and Regulations from time to time, provided, however, that any such amendment, modification, addition, or deletion may be overruled by the vote of 66 2/3% of the Unit Owners. Copies of the text of any amendments, modifications, additions, or

deletions to the Rules and Regulations shall be furnished to all Unit Owners not less than thirty days prior to the effective date thereof.

Section 5.11. Real Estate Taxes, Water Charges and Sewer Rents. Water for the Building shall be supplied by the City of New York. Unless and until real estate taxes, water charges and sewer rents are billed directly to Unit Owners by the City Collector, the Condominium Board shall promptly pay such taxes, charges and rents as a Common Expense. However, the Condominium Board shall have the right, exercisable in its sole discretion to require the installation of submeters to determine the consumption of water by each Unit. In the event of a proposed sale of any Unit, the Condominium Board (for so long as the Condominium Board is still paying such real estate taxes, water charges and sewer rents) shall, upon the written request of the selling Unit Owner, execute and deliver to the purchaser of such Unit or to such purchaser's title company, a letter agreeing to promptly pay all such taxes, charges and rents affecting such owner's Unit to the date of the closing of title to such Unit.

Section 5.12. INTENTIONALLY OMITTED.

Section 5.13. Gas and Electricity. Gas shall be used for hot water only and there will be one meter serving the entire building. Gas costs will be part of the Condominium's Budget and will be paid through Common Charges. Electricity shall be supplied to each Unit through a separate meter for such Unit, and each (Unit Owner shall be required to pay all charges for electricity consumed or used in his or her Unit directly to the utility company servicing the Building as and when billed therefor). However, the Condominium Board shall have the right, exercisable in its sole discretion, to require that electricity be supplied to the Condominium through one or more common meters. In such an event, the cost thereof shall be borne by each Unit Owner based upon the consumption or usage of electricity in his or her Unit, as determined by submetering, survey, or any other reasonable method prescribed by the Condominium Board and permitted by Law, and shall be payable either to the Condominium Board or to the utility company servicing the Building, as directed by the Condominium Board.

Section 5.14. Utilities Serving the Common Elements. The cost and expense of water, steam, electricity and gas serving or benefitting any Common Element (as well as gas utilized for hot water) shall be (i) considered part of the expense of maintaining such Common Elements, (ii) determined by the Board and (iii) charged to the Unit Owners as a Common Expense. The Condominium reserves the right to have sub-meters installed and bill unit owners for their allotted water use which shall be payable to the Condominium in addition to the regular monthly Common Charges.

Section 5.15. Vault Charges. All license fees, and all periodic taxes and charges, for vaults or other protrusions beyond the building line shall be paid by the Condominium Board as a Common Expense.

Section 5.16. [INTENTIONALLY OMITTED.]

Section 5.17. Records and Audits.

(A) The Condominium Board, or the Managing Agent, shall keep full, detailed and accurate records with respect to the financial affairs of the Condominium, which records and books of account shall include, without limitation, (i) a listing of all receipts of and expenditures by the Condominium Board and the Managing Agent and (ii) a separate listing for each Unit, setting forth, among other things, the amount of each assessment of Common Charges and Special Assessments levied against such Unit, the date when due, the amounts paid thereon and the balance, if any, remaining unpaid.

(B) Within (4) four months after the end of each fiscal year of the Condominium, the Condominium Board shall submit to each Unit Owner, and, if so requested, to any Permitted Mortgagee, an annual report of the receipts and expenditures of the Condominium prepared by an independent accountant. The cost of preparing and distributing each such report shall be borne by the Condominium Board as a Common Expense.

ARTICLE 6 COMMON CHARGES

Section 6.1. Determination of Common Expenses and Fixing of Common Charges.

(A) From time to time, but not less frequently than once a year, the Condominium Board shall: (i) prepare and adopt and budget for the Condominium, subject, in all respects, to the strictures set forth in Section 2.5 hereof; (ii) determine the aggregate amount of Common Charges necessary to be charged to the Unit Owners in order to meet the Common Expenses; and (iii) allocate and assess such Common Charges amongst the Unit Owners pro-rata, in accordance with their respective Common Interests (except as otherwise provided in the Declaration or in these By-Laws). If the Condominium contains any Commercial/Community Facility Units, pursuant to N.Y. Real Prop. Law ("RPL") § 339-m, the Condominium Board may specially allocate Common Expenses and Common Charges to the Commercial/Community Facility Unit(s), as reasonably determined, annually, by the Condominium Board. The Condominium Board shall advise all Unit Owners promptly thereafter in writing of the amount of Common Charges payable by each of them and, not later than ten days next preceding the date upon which the first installment of newly determined Common Charges is due, shall furnish copies of the budget (in a reasonably itemized form) upon which such Common Charges are based to all Unit Owners and to their respective Permitted Mortgagees. The Condominium Board may, at its sole discretion, from time to time increase or decrease the amount of Common Charges allocated to the Units and payable by the Unit Owners and may modify its prior determination of the Common Expenses for any fiscal year so as to increase or decrease the amount of Common Charges payable for such fiscal year or portion thereof; however, no such revised determination of Common Expenses shall have a retroactive effect on the amount of Common Charges payable by Unit Owners for any period prior to the date of such new determination.

(B) The failure or delay of the Condominium Board to prepare or adopt a budget or to determine the Common Expenses for any fiscal year or portion thereof shall not be deemed a waiver or modification in any respect of the covenants and provisions hereof or a release of any Unit Owner from the obligation to pay Common Charges. In such event, the Common Charges that were computed on the basis of the Common Expenses last determined for any fiscal year or

portion thereof shall continue thereafter to be the Common Charges payable by the Unit Owners until a new determination of the Common Expenses shall be made.

(C) In addition to the foregoing duty to determine the amount of and assess Common Charges, the Condominium Board shall have the right, subject, in all respects, to the strictures contained in Section 2.5 hereof, to levy Special Assessments to meet the Common Expenses. All Special Assessments shall be levied against all Unit Owners in proportion to their respective Common Interests and may be payable either in one lump sum or in installments, as the Condominium Board shall determine, provided, however that the Condominium Board shall give each Unit Owner not less than fifteen (15) days' notice prior to the date upon which such Special Assessment, or the first installment thereof, shall be due and payable, which notice shall set forth, in reasonable detail, the nature and purpose thereof. The Condominium Board shall have all rights and remedies for the collection of Special Assessments as are provided herein for the collection of Common Charges (including, without limitation, the provisions of Section 6.4 hereof).

(D) The excess of all rents, profits and revenues derived from the rental or use of any space forming a part of, or included in, any Common Element remaining after deduction of all expenses incurred in connection with generating the same shall constitute income of the Unit Owners, and shall be collected on behalf of the Unit Owners by the Condominium Board and applied against the Common Expenses for the year in which collected. In the event that such net rents, profits and revenues, together with the Common Charges and any Special Assessments collected from the Unit Owners, for any year of operation shall exceed the Common Expenses for such year, then such excess shall be applied by the Condominium Board against the Common Expenses for the next succeeding year(s) of operation, and no Unit Owner shall be entitled to a distribution of any portion of such excess unless the Condominium Board shall determine to distribute all or part of such excess to all Unit Owners pro-rata, in proportion to their respective Common Interests. Notwithstanding any provision contained in these By-Laws or in the Declaration to the contrary, however, in no event shall any rent, profit, or revenue derived from the rental or use of any space in the Building be deemed to be derived from the rental or use of any floor slabs, ceilings, or walls delineating or enclosing such space or the incidental use of any portion of any Common Elements appurtenant to such space.

Section 6.2. Payment of Common Charges.

(A) All Unit Owners shall be obligated to pay Common Charges and Special Assessments assessed by the Condominium Board pursuant to the terms of Section 6.1 hereof at such time or times (but not less than annually) as the Condominium Board shall determine. Unless otherwise determined by the Condominium Board, Common Charges shall be payable in installments on the first day of every month in advance. To the extent permitted by Law, the Condominium Board shall have a lien on each Unit, on behalf of all Unit Owners, for unpaid Common Charges and Special Assessments assessed against such Unit. Such lien, however, shall be subordinate, to the extent required by Law, to any liens for real estate taxes assessed against such Unit.

(B) No Unit Owner shall be liable for the payment of any part of the Common Charges and any Special Assessments assessed against his or her Unit subsequent to a sale, transfer, or other conveyance by him or her of such Unit, together with its Appurtenant Interests, made in

compliance with the terms of Article 7 hereof. A purchaser or other successor-in-title to the owner of a Unit shall be liable for the payment of all Common Charges and any Special Assessments accrued and unpaid against such Unit prior to his or her acquisition thereof, except that, to the extent permitted by Law, a Permitted First Mortgagee acquiring title to a mortgaged Unit or a purchaser at a mortgage foreclosure sale held with respect to a Permitted First Mortgage shall not be liable, and such mortgaged Unit shall not be subject to a lien, for the payment of any Common Charges and Special Assessments assessed subsequent to the recording of such Permitted First Mortgage and prior to the acquisition of title to such Unit by the Permitted First Mortgagee or by such purchaser. However, in the event of a foreclosure of a Permitted First Mortgage (whether by sale, deed in lieu of foreclosure, or otherwise), the defaulting Unit Owner shall remain fully liable for the payment of all unpaid Common Charges and Special Assessments that accrued prior to such foreclosure. Any unpaid Common Charges and Special Assessments that are not collected from such defaulting Unit Owner shall be deemed a Common Expense, collectible from all those who are Unit Owners at the time that the same is levied.

(C) Subject to the terms and conditions contained in these By-Laws, any Unit Owner may convey his or her Unit, together with its Appurtenant Interests, to the Condominium Board or to its designee, corporate or otherwise, on behalf of all Unit Owners, without being compensated therefor, and, in such event, be exempt from the payment of Common Charges and Special Assessments thereafter accruing, provided, however that: (i) all Common Charges and any Special Assessments then due and payable with respect to such Unit have been paid; (ii) such Unit is free and clear of all liens and encumbrances other than a Permitted First Mortgage and the statutory lien for unpaid Common Charges and Special Assessments; and (iii) no violation of any provision of the Condominium Documents then exists with respect to such Unit.

(D) No Unit Owner shall be exempted from liability for the payment of Common Charges or Special Assessments by waiving the use or enjoyment of any or all of the Common Elements or by abandoning his or her Unit (except with respect to a conveyance of the same to the Condominium Board, without compensation, pursuant to the terms of paragraph (C) hereof. Except as expressly provided to the contrary in paragraph (E) of Section 5.5 hereof, no Unit Owner shall be entitled to a diminution or abatement in the Common Charges or Special Assessments payable thereby for any inconvenience or discomfort arising from: (i) the failure or interruption of any utility or other services; (ii) the making of repairs or improvements to the Common Elements or any Unit (including, without limitation, such Unit Owner's Unit) pursuant to the terms of Sections 5.1, 5.2 or 5.3 hereof; or (iii) any action taken by the Condominium Board to comply with Law.

Section 6.3. Statement of Common Charges. The Condominium Board shall promptly provide a written statement of all unpaid Common Charges due from any Unit Owner upon its receipt of a written request therefor from such Unit Owner. In addition, each Unit Owner shall be permitted to examine the books of account of the Condominium at reasonable times on business days, but not more frequently than once a month.

Section 6.4. Default in Payment of Common Charges.

(A) In the event that any party defaults in performing any act or making any payment which is that party's responsibility hereunder and said default is not cured within fifteen (15) days of

written notice of said default, then the Condominium Board shall take prompt action to collect any Common Charges due to the Condominium Board that remains unpaid for more than thirty days after the due date for the payment thereof. In connection therewith, the Condominium Board shall at its discretion or upon instruction by sponsor if sponsor is in control of the board, have the right and obligation to cause liens for all sums due and owing to the Condominium Board to be filed in the Register's Office pursuant to the terms of Section 399-z of the Condominium Act, to cause such liens to be foreclosed in the manner provided in Section 399-aa of the Condominium Act and/or to institute all other proceedings deemed necessary or desirable by the Condominium Board to recover all such unpaid Common Charges, together with all additional sums of money collectable by the Condominium Board by reason of such nonpayment pursuant to the terms of paragraph (B) hereof. A suit to recover a money judgment for unpaid Common Charges, however, shall be maintainable without foreclosing or waiving the lien securing such charges. In accordance with Section 339-aa of the Real Property Law, the Sponsor while in control of the Board of Managers will cause the Board of Managers to file a lien on units in which the Sponsor is more than thirty (30) days in arrears of Common Charges.

(B) In the event that any Unit Owner shall fail to make prompt payment of Common Charges, such Unit Owner shall be obligated to pay a penalty charge equal to 10% of the outstanding charge, together with all costs and expenses paid or incurred by the Condominium Board, the Managing Agent, or the manager (if any) in connection with collecting such aforementioned lien, including, without limitation, reasonable attorneys' fees and disbursements and court costs. In addition, if the Condominium Board shall bring an action to foreclose the aforementioned lien, the defaulting Unit Owner shall be required to pay a reasonable rental for the use of his or her Unit, and the plaintiff in such foreclosure action shall be entitled to the appointment of a receiver to collect the same. All such interest, costs and expenses and rentals shall be added to and shall constitute Common Charges payable by such Unit Owner.

(C) In any action brought by the Condominium Board to foreclose a lien on a Unit because of unpaid Common Charges, the Condominium Board shall have, on behalf of all Unit Owners, the power to purchase such Unit at the foreclosure sale thereof and to acquire, hold, lease, mortgage, convey, or otherwise deal with such Unit (but not to vote the votes appurtenant to the same). In the event that the net proceeds received on such foreclosure (after deduction of all legal fees and disbursements, advertising costs, brokerage commissions, court costs and other costs and expenses paid or incurred in connection therewith) shall be insufficient to satisfy the defaulting Unit Owner's obligations to the Condominium, such Unit Owner shall remain liable for the deficit. Any surplus on such foreclosure sale shall be paid to the defaulting Unit Owner after first paying all liens on such Unit Owner's Unit in the order of priority of such liens.

Section 6.5. Failure by Non-Occupying Owner to Make Payments on its Unit

Section 339-kk of the Real Property Law of the State of New York (the "Condominium Act") applies to all condominium plans in existence after July 22, 1998. It is intended to provide financial protection for a condominium association if a non-occupying owner fails to make monthly payments for its units. The terms of Section 339-kk are as follows:

For purposes of this section, "non-occupying owner" means a condominium unit owner who does not occupy the dwelling unit.

If a non-occupying owner rents any dwelling unit to a rental tenant and then fails to make payments due for common charges, assessments or late fees for such unit within 60 days of the expiration of any grace period after they are due, the Condominium Board shall provide written notice to the tenant and the non-occupying owner that rental payments from the tenant shall be paid directly to the Condominium Board.

Such notice shall provide that commencing immediately and until such time as all such payments are made current, all rental payments due subsequent to the issuance of such notice are to be made to the Condominium Association at the address listed on the notice. However, where a majority of the Board of Managers has been elected by Unit Owners who are in occupancy, the Board may elect not to require that rental payments be made payable to the Condominium Board.

When such payments from the non-occupying owner are once again current, written notice of this fact shall be given within 3 business days to the rental tenant and non-occupying owner; thereafter, all rental payments shall be made payable to the non-occupying owner or a designated agent.

A non-occupying owner who disputes the Board's claim to rental payments pursuant to Section 339-kk shall be entitled to present facts supporting such position at the next scheduled meeting of the Board of Managers, which must be held within 30 days of the date that such Board receives notice that such owner seeks to dispute such claim.

Nothing in Section 339-kk shall limit any rights of Unit Owners or of the Condominium Board existing under any other law or agreement.

Payment by a rental tenant to the Condominium Board made in connection with Section 339-kk shall relieve that rental tenant from the obligation to pay such rent to the non-occupying owner and shall be an absolute defense in any non-payment proceeding commenced by such non-occupying owner against such tenant for such rent.

Section 6.6 Reserve Fund. The budget for the Condominium shall include a yearly Reserve Fund.

ARTICLE 7 SELLING AND LEASING OF UNITS

Section 7.1. General. Subject to the terms of Section 7.5 hereof, no Unit Owner may sell or lease his or her Unit except in compliance with, the applicable provisions of this Article 7. Any purported sale or lease consummated in default of the applicable terms hereof shall be voidable at the sole election of the Condominium Board, and, if the Condominium Board shall so elect, the

selling or leasing Unit Owner shall be deemed to have authorized and empowered the Condominium Board to institute legal proceedings to eject the purported purchaser (in the event of an unauthorized sale) or to evict the purported tenant (in the event of an unauthorized leasing) in the name of the said Unit Owner as the owner or landlord, as the case may be. The said Unit Owner shall reimburse the Condominium Board for all costs and expenses paid or incurred in connection with such proceedings, including, without limitation, reasonable attorneys' fees and disbursements and court costs. Every lease shall be for a period of at least thirty (30) days.

Section 7.2. No Severance of Ownership. No Unit Owner shall execute any deed or other instrument conveying title to his or her Unit without including therein its Appurtenant Interests, it being the intention to prevent any severance of such combined ownership. Any deed or other instrument purporting to affect one or more such interests shall be taken to include the interest or interests so omitted, even though the latter shall not be expressly mentioned or described therein. No part of the Appurtenant Interests of any Unit may be sold, conveyed, or otherwise disposed of, except as part of a sale, conveyance, or other disposition of the Unit to which such interests are appurtenant or as part of a sale, conveyance, or other disposition of such part of the Appurtenant Interests of all Units. Nothing contained in this Section 7.2, however, shall prohibit the lease of any Unit without the simultaneous lease of its Appurtenant Interests. However, in no event shall any party which has use of the driveway be allowed to lease his interest in the driveway to a non-occupant of the property.

Section 7.3. Payment of Common Charges. No Unit Owner shall be permitted to convey or lease his or her Unit unless he or she shall have paid in full to the Condominium Board all unpaid Common Charges and Special Assessments theretofore assessed against such Unit and shall have satisfied all unpaid liens, other than that of Permitted Mortgages, levied against such Unit. Proceeds from lease payments may be used to satisfy the outstanding Common Charges.

Section 7.4. Power of Attorney. At the time of acquiring title to a Unit and as a condition thereof, the new Unit Owner shall duly execute, acknowledge and deliver to the representative of his or her title insurance company (or, if no such representative is present, to the Condominium Board) for recording in the Register's Office, the Unit Owner's Power of Attorney required in Article 14 of the Declaration, in the form set forth as Exhibit E to the Declaration.

Section 7.5. Transfers by Sale, Gifts and Devises, Etc. Any Unit Owner shall be free to sell, convey, gift or transfer his or her Unit, together with its Appurtenant Interests, or to devise the same by will or to have the same pass by intestacy, without restriction, provided, however, that each succeeding Unit Owner shall be bound by, and his or her Unit shall be subject to, all the provisions of this Declaration and By-Laws.

ARTICLE 8 MORTGAGING OF UNITS

Section 8.1. General. Each Unit Owner shall have the right to mortgage his or her Unit, subject only to the terms and conditions contained in Section 8.2 hereof. Any Unit Owner who mortgages his or her Unit, or the holder of such mortgage, shall supply the Condominium Board with the name and address of his or her mortgagee and shall file a confirmed copy of the note and mortgage with the Condominium Board. Any Unit Owner who satisfies a mortgage covering his

or her Unit shall so notify the Condominium Board and shall file a conformed copy of the satisfaction of mortgage with the Condominium Board. The Secretary of the Condominium shall maintain such information in a book entitled "Mortgages of Units."

Section 8.2. Restrictions on Mortgaging.

(A) No Unit Owner shall be permitted to mortgage, pledge, or hypothecate his or her Unit unless and until he or she shall have paid in full to the Condominium Board all unpaid Common Charges and Special Assessments theretofore assessed against such Unit and shall have satisfied all unpaid liens, except the liens of Permitted Mortgages levied against such Unit.

(B) No Unit Owner shall execute any mortgage or other document mortgaging, pledging, or hypothecating title to his or her Unit without including therein its Appurtenant Interests, it being the intention to prevent any severance of such combined ownership. Any mortgage or other instrument purporting to affect one or more of such interests without including all such interests shall be deemed and taken to include the interest or interests so omitted, even though the latter shall not be expressly mentioned or described therein.

(C) Any mortgage covering a Unit shall be substantially in the form of the New York statutory form of mortgage, except for such changes or additions thereto as may be required in order to permit a particular bank, trust company, insurance company, savings and loan association, or other institutional or non- institutional lender to make the mortgage loan or take an assignment thereof.

Section 8.3. Notice of Unpaid Common Charges and Default. Whenever requested in writing by a Permitted Mortgagee, the Condominium Board shall promptly report to such Permitted Mortgagee any default by his or her mortgagor(s) in the payment of Common Charges or Special Assessments or in the observance or performance of any of the provisions of the Condominium Documents as to which the Condominium Board has knowledge then exists. The Condominium Board shall, when giving notice to a Unit Owner of any such default, also send a copy of such notice to his or her Permitted Mortgagee, if so requested. However, the Condominium Board shall have no liability for any failure, through oversight or negligence, in notifying a Permitted Mortgagee of any default by his or her mortgagor under the Condominium' Documents, provided that (i) the Condominium Board shall advise such Permitted Mortgagee of the default promptly after discovering such failure and (ii) if the Condominium Board shall foreclose a lien on such mortgagor's Unit pursuant to the terms of Section 6.4 hereof by reason of such default, the Condominium Board shall pay to such Permitted Mortgagee any net proceeds of any foreclosure sale of such Unit (after retaining all sums due and owing to the Condominium Board pursuant to the Condominium Documents) or such lesser sum as shall be due and owing to such Permitted Mortgagee.

Section 8.4. Performance by Permitted Mortgagees. Any sum of money to be paid or any act to be performed by a Unit Owner pursuant to the terms of the Condominium Documents may be paid or performed by his or her Permitted Mortgagee, and the Condominium Board shall accept such Permitted Mortgagee's payment or performance with the same force and effect as if the same were paid or performed by such Unit Owner.

Section 8.5. Examination of Books. Each Permitted Mortgagee shall be permitted to examine the books of account of the Condominium at reasonable times on business days, but not more frequently than once a month.

Section 8.6 Additional Rights of Mortgagee.

A. If the Declaration and the By-Laws of the Condominium are to be amended and such amendment would materially interfere with any right or interest of any mortgagee such amendment may only be filed upon approval of 51% of all mortgagees.

B. In addition to any other notices provided for in the Declaration and By-Laws, Notices will be sent to any mortgagee, by certified or registered mail return receipt requested, upon the happening of any of the following circumstances to either the building or to a mortgaged unit:

(1) In the event that either (i) the Building or any part thereof is damaged or destroyed by fire or other casualty (hereinafter referred to as a "Casualty Loss") or (ii) the Common Elements or any part thereof is taken in condemnation or by eminent domain (hereinafter referred to as a "Taking") in accordance with section 5.5 of the By-Laws.

In addition to notice in the event of any happening in this subsection (1), when applicable (i) no termination of condominium shall occur (whether because of casualty, condemnation or other reasons) without 51% mortgagee approval; and (ii) no use of the insurance proceeds for any purpose other than to rebuild shall occur without 51% mortgagee approval.

(2) In the event that any party whose unit or interest is mortgaged to a mortgagee defaults in performing any act or making any payment which is that party's responsibility hereunder, including Common Charges and/or Special Assessments, for a period of sixty (60) days after the obligation to pay, and said default is not cured within fifteen (15) days of written notice of said default.

(3) If any insurance policies insuring the Building and all service machinery contained therein covering the interest of the Condominium, the Condominium Board, all of the Unit Owners and all Permitted Mortgagees, as their interests may appear may not be either cancelled, or be allowed to lapse, or substantially modified except upon at least ten (10) days' prior written notice to all of the insureds, including all Permitted Mortgagees.

(4) If the Declaration and the By-Laws of the Condominium are to be amended and such amendment would materially interfere with any right or interest of any mortgagee.

C. Notwithstanding the foregoing provisions in the event a mortgagee fails to respond to written notice within sixty (60) days of said written notice, provided notice was delivered by certified or registered mail return receipt requested said silence shall be construed as an implied approval by said mortgagee.

ARTICLE 9 CERTAIN REMEDIES

Section 9.1. Self Help. If any Unit Owner shall violate or breach any of the provisions of the Condominium Documents on his or her part to be observed or performed, including, without limitation, any breach of his or her obligation to paint, decorate, maintain, repair, or replace his or her Unit pursuant to the terms of Article 5 hereof, and shall fail to cure such violation or breach within five days after receipt of written notice of the same from the Condominium Board, the Managing Agent, or any manager (or, with respect to any violation or breach of the same not reasonably susceptible to cure within such period, to commence such cure within such five day period and, thereafter, to prosecute such cure with due diligence to completion), the Condominium Board shall have the right to enter such Unit Owner's Unit and summarily to abate, remove, or cure such violation or breach without thereby being deemed guilty or liable in any manner of trespass. In addition, in the event that the Condominium Board shall determine that the abatement, removal, or cure of any such violation or breach is immediately necessary for the preservation or safety of the Building or for the safety of the occupants of the Building or other individuals or is required to avoid the suspension of any necessary service in the Building, the Condominium Board may take such action immediately, without prior notice and without allowing the said Unit Owner any period of time within which to cure or to commence to cure such violation or breach.

Section 9.2. Abatement and Enjoinment. In the event that any Unit Owner shall violate or breach any of the provisions of the Condominium Documents on his or her part to be observed or performed, the Condominium Board shall have the right to enjoin, abate, or remedy the continuance or repetition of any such violation or breach by appropriate proceedings brought either at law or in equity.

Section 9.3. Remedies Cumulative. The remedies specifically granted to the Condominium Board in this Article 9 or elsewhere in the Condominium Documents shall be cumulative, shall be in addition to all other remedies obtainable at law or in equity and may be exercised at one time or at different times, concurrently or in any order, in the sole discretion of the Condominium Board. Further, the exercise of any remedy shall not operate as a waiver, or preclude the exercise, of any other remedy.

Section 9.4. Costs and Expenses. All sums of money expended, and all costs and expenses incurred, by the Condominium Board in connection with the abatement, enjoinment, removal, or cure of any violation, breach, or default committed by a Unit Owner pursuant to the terms of Section 9.1 or paragraph (A) of Section 9.2 hereof or shall be immediately payable by such Unit Owner to the Condominium Board, which amount shall be paid within ten (10) days of receiving notice. In the event it is not paid within ten (10) days of receiving notice, a penalty charge equal to 10% of the outstanding charge shall be payable. All sums payable by a Unit Owner to the Condominium Board pursuant to the terms of this Section 9.3 shall, for all purposes hereunder, constitute Common Charges payable by such Unit Owner.

ARTICLE 10 ARBITRATION

Section 10.1. Procedure. Any matter or issue that may be resolved by arbitration pursuant to New York State law, or if there is a deadlock in any matter, must be submitted to arbitration. If

the parties cannot agree on the arbitrator(s) or if the arbitration procedure has not commenced for any other reason within ninety (90) days of the original notice, then such dispute or question shall be submitted to the American Arbitration Association, under its Commercial Arbitration Rules, which will give any party the rights he is entitled to under New York law. The arbitrator shall be a third party mutually agreed upon by the affected parties. No party may commence a proceeding in any other forum other than to enforce these arbitration provisions. The decision of the arbitrator(s) so chosen shall be given within thirty (30) days after his/her/their selection or appointment. The decision shall be enforceable in a court of law of competent jurisdiction. In the event there is a deadlock in voting between the units, such deadlock shall be submitted to arbitration. The place of arbitration shall be Brooklyn, New York and New York State law shall apply. The arbitration board is hereby given the power to cast a deciding vote in order to break any deadlock, and shall render an arbitration decision in accordance with the best interests of the Condominium. The determination of said arbitration shall be binding and legally enforceable by the parties and the Condominium Board shall follow the directions of the Arbitrator(s). The panel will have the authority to file their decision with the Court under the New York Arbitration Law and Article 75 of the CPLR. The following language shall be signed to by the parties prior to the commencement of the arbitration proceedings (Note: capitalized terms shall have the meaning described to them in the Offering Plan for the Certa House Condominium [the "Plan"]):

> "We, the undersigned parties, hereby agree to submit to arbitration administered by the American Arbitration Association under its Commercial Arbitration Rules the following controversy: [Describe controversy, issue, or matter in which there is a deadlock in voting]. We have not reached an agreement as to the [determination of the controversy, issue or vote]. We are therefore submitting the matter to the arbitration under these terms. We further agree that the above controversy be submitted to one arbitrator and that in so doing, we are giving up the right to bring suit in court including the right to a trial by jury, concerning the [determination of the controversy, issue or vote], except as provided by the rules of the arbitration forum in which the determination is sought. The place of the arbitration shall be Brooklyn, New York, and New York State law shall apply. We further agree that we will faithfully observe this agreement and the rules, that we will abide by and perform any decision and action rendered by the arbitrator, and that the decision shall be legally enforceable in any court having jurisdiction in this matter."

Section 10.2. Variation by Agreement. The parties to any dispute required or permitted to be resolved by arbitration pursuant to the terms of the Condominium Documents may, by written agreement, vary any of the terms of Section 10.1 hereof with respect to the arbitration of such dispute or may agree to resolve their dispute in any manner, including, without limitation, the manner set forth in Section 3031 of the New York Civil Practice Law and Rules and known as "New York Simplified Procedure for Court Determination of Disputes".

Section 10.3. Binding Effect. The decision in any arbitration conducted pursuant to the terms of Sections 10.1 and 10.2 hereof shall be binding upon all of the parties thereto and may be entered in any court of appropriate jurisdiction. Notwithstanding the foregoing, however, any arbitration held pursuant to the terms of the Condominium Documents with respect to a matter that

arose prior to the first annual meeting of all Unit Owners held pursuant to the terms of Section 4.1 hereof shall be non-binding.

Section 10.4. Costs and Expenses.

(A) The fees, costs and expenses of the arbitrators shall be borne equally by the disputants. Each disputant shall also bear the fees and expenses of his or her counsel and expert witnesses.

(B) All costs and expenses paid or incurred by the Condominium Board in connection with any arbitration held hereunder, including, without limitation, the fees and expenses of counsel and expert witnesses, shall constitute Common Expenses.

Section 11.2. Waiver of Service of Notice. Whenever any notice is required to be given by Law or pursuant to the terms of the Condominium Documents, a waiver thereof in writing, signed by the Person or Persons entitled to such notice, whether before or after the time stated therein, shall be deemed the equivalent thereof.

ARTICLE 12 AMENDMENTS TO BY-LAWS

Any provision of these By-Laws may be amended, modified, added to, or deleted by the affirmative vote of 66 2/3% of all Unit Owners either taken at a duly constituted meeting thereof or given in writing without a meeting as provided in Section 4.10 hereof. Each duly adopted amendment, modification, addition, or deletion hereof or hereto shall be effectuated in an

Attached to each such instrument shall be an original, executed Secretary's Certification, certifying that the requisite number and percentage of Unit Owners approved the amendment, modification, addition, or deletion set forth therein either at a duly constituted meeting of Unit Owners or in writing without a meeting pursuant to the terms of Section 4.10 hereof, in which Secretary's Certification there shall be described the number and percentage of Unit Owners approving the same and, if voted at a meeting, the date, time and place of such meeting. No such amendment, modification, addition, or deletion shall be effective unless and until such an instrument shall be duly recorded in the Register's Office.

17. No occupant of the Building shall send any employee of the Condominium or of the Managing Agent out of the Building on any private business.

18. Any consent or approval given under these Rules and Regulations may be amended, modified, added to, or repealed at any time by resolution of the Condominium Board. W I T N E S S E T H :

WHEREAS, SPONSOR is the Sponsor of a condominium conversion of premises located at 2478 East 11th Street, Brooklyn, NY 11235; and

WHEREAS, PURCHASER has executed a Purchase Agreement for Unit _____ at said premises; and

WHEREAS, PURCHASER wishes to occupy said apartment prior to the closing of the transaction;

NOW, THEREFORE, in conformity with the terms and conditions of the Offering Plan filed with the Attorney General of the State of New York, the parties agree as follows:

1. Commencing on the date of the execution of the Purchase Agreement, and terminating as hereinafter specified, PURCHASER shall have the right to use and occupy the aforementioned apartment.

2. PURCHASER shall have the right to occupy the apartment and PURCHASER shall pay a fee for use and occupancy of the apartment of $_____ per month starting _____ ____, 20___. It is understood that this use and occupancy fee is not rent, and that no landlord-tenant relationship has been created between the parties, and that this agreement is not governed or subject to any rent regulatory laws. If the unit fails to close within 90 days of _____ ____, 20___, the use and occupancy charge shall be increased $_____ a month unless the unit failed to solely through the fault of the Sponsor.

3. The use and occupancy fee for the month in which closing occurs shall not be adjusted for at closing. No portion of the use and occupancy fee will be applied to the purchase price of the apartment.

4. The terms of the Offering Plan and all related documents in effect as of the date hereof are incorporated in and made a part of this agreement.

5. As of the date of this Agreement, risk of loss to the apartment and its contents by fire or other hazard shall be determined pursuant to the terms of the Purchase Agreement for such apartment, as contained in the Offering Plan for the premises in effect as of the date hereof, as if PURCHASER was the owner of such apartment.

6. PURCHASER shall pay all utility costs and make any repairs to the apartment for which he would be obligated as owner. SPONSOR will not be responsible for ordinary wear and tear to the apartment during the PURCHASER'S occupancy.

7. PURCHASER may not make any alterations to the apartment without SPONSOR'S written

consent.

8. This lease will terminate on the happening of the earliest of the following:

    a. Closing; or
    b. Rescission of the Purchase Agreement by PURCHASER; or
    c. Default by PURCHASER

9. Upon a default by PURCHASER or Rescission of the subscription agreement by PURCHASER, which is not cured within 15 days after notice thereof, PURCHASER'S right to occupy the apartment will terminate, and PURCHASER must vacate the apartment within thirty (30) days after mailing of Notice to Vacate by the SPONSOR. Such notice must be by certified mail, return receipt requested, to the apartment. PURCHASER agrees to pay SPONSOR $500.00 per day for each day he remains in possession beyond the 30th day following mailing of the Notice to Vacate in conformity with this section. SPONSOR is hereby irrevocably authorized to deduct said per diem sum directly from any amounts being held as a security deposit hereunder, or from any sums being held in escrow pursuant to the contract of sale. Nothing contained herein shall be construed so as to limit SPONSOR's ability to have PURCHASER evicted from the premises and to pursue any other legal remedy available to SPONSOR; nor shall anything herein be construed as a waiver by the SPONSOR of his right to retain, as liquidated damages, the down payment deposited upon execution of the Purchase Agreement.

10. Any default under this agreement will be a default under the Purchase Agreement, and any default under the Purchase Agreement will be a default under this agreement. Any such default will terminate PURCHASER'S right to use and occupancy and will also terminate PURCHASER'S right to purchase the apartment and may result in loss of the down-payment.

11. This agreement may not be assigned, and may not be changed, except by signed, written instrument. This agreement is the entire agreement between the parties as regards use and occupancy of the apartment pending closing.

12. As of the date hereof PURCHASER confirms that all work required to be done in or about the subject apartment has been completed; and that in all respects PURCHASER agrees to accept the apartment in "as is" condition; subject to the "punch list", if any, attached hereto. As of the date hereof, PURCHASER waives any right whatsoever to cancel the contract, except for material change in the Offering Plan.

13. Before the Sponsor may utilize the default under the lease to declare a default under the purchase agreement, the Sponsor must either obtain an order of eviction or other judgment or order from a court or agency of competent jurisdiction against the lessee unless the lessee has vacated the Unit.

14. Building Smoking Policy: By signing this Agreement, Purchaser represents that he/she is informed that Smoking, which includes carrying, burning, or otherwise handling or controlling any lit or smoldering product containing tobacco or cloves, including but not limited to

WHEREAS, Declarant is desirous of creating a Restrictive Declaration for the purpose of permitting and enabling the present and future Unit Owners of Unit in the Certa House Condominium, their heirs, successors and assigns and their permitted guests, family members, and invitees (Unit Owners) the right to evacuate the building through any of the Units located on the 1st Floor, Units 1A, 1B, 1C and 1D ("the 1st Floor Units"), during a flood emergency;

NOW, **THEREFORE**, in consideration of the issuance by the DOB of a building permit for the Building, and in consideration of the Recitals, the mutual covenants contained herein and other good and valuable consideration, the receipt, adequacy and sufficiency of which is hereby acknowledged, Declarant does hereby declare, create, impose and establish the following:

1. All rooms and spaces within the dwelling units in the Building, and all spaces intended to be used by persons for sleeping purposes, shall be located at or above the design flood elevation;

2. No more than one toilet and one sink shall be located below the design flood elevation.
