THIS OFFERING PLAN IS THE SPONSOR'S ENTIRE OFFER TO SELL THESE CONDOMINIUM UNITS. NEW YORK LAW REQUIRES THE SPONSOR TO DISCLOSE ALL MATERIAL INFORMATION IN THIS PLAN AND TO FILE THIS PLAN WITH THE NEW YORK STATE DEPARTMENT OF LAW PRIOR TO SELLING OR OFFERING TO SELL ANY CONDOMINIUM UNIT. FILING WITH THE DEPARTMENT OF LAW DOES NOT MEAN THAT THE DEPARTMENT OR ANY OTHER GOVERNMENT AGENCY HAS APPROVED THIS OFFERING.

BECAUSE SPONSOR IS RETAINING THE UNCONDITIONAL RIGHT TO RENT RATHER THAN SELL UNITS AFTER THE PLAN HAS BEEN CONSUMMATED, THIS PLAN MAY NOT RESULT IN THE CREATION OF A CONDOMINIUM IN WHICH A MAJORITY OF THE UNITS ARE OWNED BY OWNER-OCCUPANTS OR INVESTORS UNRELATED TO THE SPONSOR. PART I

SECTION A SPECIAL RISKS

The following is a summary of certain special risk considerations in connection with the Plan but is not intended to summarize all major features of the Plan. Prospective purchasers are urged to read the following special risk factors in conjunction with the Plan for a discussion of these and other important aspects of this condominium offering.

1. Sponsor's Intent to Sell All Unit(s)

(a) (i) The Sponsor will endeavor in good faith to sell all of the Units under this Offering Plan (as defined in Section C in Part I of the Offering Plan) in a reasonably timely manner. However, the Sponsor is retaining the unconditional right to rent after the plan has been consummated. (See Section B, Subsection 1 in Part I of the Offering Plan.)

(ii) Because sponsor is not limiting conditions under which it will rent rather than sell units, there is no commitment to sell more units than the fifteen percent (15%) (i.e., five (5) unit(s)) necessary to declare the plan effective, and owner-occupants may never gain effective control and management of the condo. (See also Subsection 3 of this Section a below.)

(b) (i) Sponsor agrees to pay all common charges, special assessments and real estate taxes with respect to unsold units. Sponsor has the financial resources to meet its obligations with respect to unsold units. Sponsor will utilize income from projected sales to fund its financial obligations to the condominium. In the event that such projected sales are not made, Sponsor will utilize income from rent after consummation of the Offering Plan as other sources of funding.

(ii) Additionally, Sponsor will establish an escrow account with the Escrow Agent to secure sponsor's financial obligations to pay such common charges, special assessments and real estate taxes with respect to unsold Unit(s). Said escrow account will be maintained for one (1) year after closing of title to the first Unit, unless earlier exhausted or the release of which is objected by the Board of Managers.

(See Subsection 10 of this Section A below.)

2. Construction Financing

Sponsor has sufficient funds to complete the construction of the Condominium and did not obtain a construction loan from any lender.13 NYCRR §20.3(d)(4).

(See Section B, Subsection 1(c) in Part I of the Offering Plan.)

3. Initial Sponsor Control Period

(a) The Sponsor has the right to retain control of the Board of Managers until

the sale of the last unit or two (2) years from the anniversary of the closing of title to the first unit, whichever first occurs (Hereinafter the "Initial Sponsor Control Period"). During this period, three (3) board member designated by the Sponsor will sit on the Board. Within thirty (30) days after the Initial Sponsor Control Period, Sponsor call a meeting to elect a new board of three (3) members.

(b) If Sponsor owns a majority of the Units and/or common interest after the Initial Control Period, it will, as a Unit Owner, exercise any voting control it may have through its ownership of a majority of the Units and/or common interests, and thereby continue to control the board.

(c) The By-Laws do not include a provision that, after an initial sponsor voting control period, a majority of the board of managers must be owner-occupants or members of an owner-occupant's household who are unrelated to the sponsor and its principals. 13 NYCRR 20.3(u)(1).

(See Section R, Subsection 1 in Part I of the Offering Plan.)

4. Conflicts on Condominium Management.

Prospective purchasers are warned that the By-Laws of the Condominium do not require that after The Initial Sponsor Control Period, a majority of the Board of Managers must be owner-occupants or members of an owner-occupant's household who are unrelated to Sponsor and its principals. This means that Purchasers for their own occupancy may never gain control of the Board of Managers under the terms of this Plan. Owner-occupants and non-residents owners, including Sponsor, may have inherent conflicts on how the Condominium should be managed because of their different reasons for purchasing, i.e., purchase as a home as opposed to as an investment. (See Section S Subsection 9 in Part I of the Offering Plan.)

5. Power of Sponsor over Board of Managers

(a) While the Sponsor is in control of the Board of Managers, the Board may take additions, alterations, or improvements to the common elements costing in excess of $10,000.00 or enter into service or maintenance contracts the duration of which will extend more than a year after the Sponsor loses control of the Board of Managers, only with the approval of a majority of the unit owners, excluding the Sponsor, voting at duly held meeting of the unit owners.

(b) Sponsor may exercise veto power as described herein for a period ending not more than five (5) years after the closing of the first unit or whenever the unsold units constitute less than twenty-five percent (25%) of the common interest, whichever is sooner, whether or not Sponsor voluntarily relinquishes control of the Board: (i) make any addition, alteration or improvements to the common elements costing cumulatively more than $10,000.00, the foregoing not to include necessary repairs and maintenance work, or (ii) assess any common charges for the creation of, addition to, or replacement

of all or part of a reserve, contingency or surplus fund, or (iii) hire any employee in addition to the employees referred to in the Plan of condominium ownership, or (iv) enter into any service or maintenance contract for work not covered by contracts in existence on the date the said Plan is declared effective, or (v) borrow money in excess of $10,000.00 on behalf of the Condominium, or (vi) take any action which impairs Sponsor's sales program or continued use of the Condominium property in connection with such program, or (vii) increase or reduce the services of maintenance set forth in Schedule B.

Notwithstanding anything stated above, Sponsor may not exercise veto power over expenses described in Schedule B or over expenses required to: (i) comply with applicable laws or regulations, or (ii) remedy any notice of violation, or (iii) remedy any work order by an insurer or (iv) for any matter affecting the health and/or safety of the occupants of the building

(See Section R in Part I of the Offering Plan.)

6. No Amendment to the By-Laws or the Declaration

So long as the Sponsor has any unsold Unit(s) remaining, no amendment to the By-Laws or the Declaration affecting the rights of the Sponsor shall take place without the written consent of the Sponsor. (See Section R, Subsection 1 in Part I of the Offering Plan.)

7. Contribution to Working Capital Fund

At the closing, the Purchaser will be required to pay an amount equal to one (1) month's common charge as a contribution to the Condominium's Working Capital Fund. This contribution will not be credited against regular assessments. (See Section X, Subsection 1 in Part I of the Offering Plan.)

8. Default by Purchaser

The Purchase Agreement provides that if the purchaser shall fail to pay any portion of the Total Purchase Price when due, fail to close title on the Closing Date, or fail to perform any of purchaser's other obligations under the Purchase Agreement, (including without limitation the obligation to furnish any lender promptly with such information as such lender may require), Sponsor may cancel the agreement if such default is not cured within thirty (30) days after Sponsor sends notice of intent to cancel. The Sponsor must give thirty (30) days' written notice of default before forfeiture of deposit is declared. TIME IS OF THE ESSENCE TO CURE SUCH DEFAULT WITHIN SAID THIRTY (30) DAY PERIOD. FAILURE TO CURE DEFAULT WITHIN SAID PERIOD MAY RESULT IN THE LOSS OF THE DOWN PAYMENT AND CANCELLATION OF THE PURCHASE AGREEMENT. "Time is of the essence" means that Purchasers must strictly adhere to this thirty (30) day period, and should in no event go beyond the thirty (30) day period to cure the default. (See Exhibit AA, Subsection 15 in Part II of the Offering Plan.)

9. Condominium Managing and Repairs

(a) The sponsor shall handle all management requirements as a Management Agent at an annual fee of $8,373.00 for the first two (2) years of the condominium operation commencing upon the conveyance of the first unit. Such management fee to be collected by the Sponsor is about five percent (5%) of the total common charges. The projected cost for management of the condominium is neither greater than nor substantially less than the prevailing cost (ranging from four percent (4%) to twelve percent (12%)) which would be charged for such services. 13 NYCRR §20.3(h)(4)(ix). Such arrangement may not be canceled at least for one (1) year. After one (1) year, either the Board of Managers or the Sponsor may terminate such arrangement upon sixty (60) days written notice to the other. (See Section Y in Part I of the Offering Plan.) However, while Sponsor controls the Board, it is unlikely that the condominium will terminate the management agreement with Sponsor.

(b) Potential purchasers are advised that the officer of the Managing Agent, Mr. Guo Zhong Lin, also principal of the Sponsor, does not have experience in managing condominium and/or apartment buildings. (See Section Z in Part I of the Offering Plan.)

(c) Despite all, the sponsor, as the Managing Agent, will comply with all applicable law and regulations.

Note: The sponsor may cast all of its votes and effectively control the condominium board.

10. Sponsor's Fund for Certain Payments

(a) The Sponsor shall be obliged to pay all common charges, special assessment and real estate taxes with respect to unsold Unit(s). The Sponsor has approximate worth sufficient to meet all of such obligations. In addition, to secure the Sponsor's financial obligations to pay such common charges, special assessments and real estate taxes with respect to unsold Unit(s), the Sponsor will establish an escrow account in the amount of $27,911.00 (which is the amount equal to approximately two (2) months of the first-year common charges) with the Escrow Agent, Lawrence Lixin Yang, P.C. after the closing of the first unit. The deposit of such funds will be disclosed in the initial post-closing amendment. (See Section Q, Subsection 8 in Part I of the Offering Plan.) NO BOND OR OTHER SECURITY HAS BEEN OR WILL BE POSTED TO SECURE SPONSOR'S OBLIGATIONS.

(b) In the event that Sponsor fails to make payment for the common charges with respect to unsold Unit(s) after such are due, the Board of Managers may send a written notice to the Escrow Agent (with a copy to the Sponsor) to request the release of portion of the Fund that is equal to the amount overdue, Escrow Agent will release the requested amount pursuant to Subsection 3 of Section KK. Sponsor shall not object to the release of the Fund when the common charges for the Units unsold and held by Sponsor are actually overdue. (See Section KK in Part II of the Offering Plan for details.)

(c) If the Fund is not earlier exhausted, Escrow Agent is authorized to release the Fund, or the balance thereof, to Sponsor, if any, within five (5) days after one (1) year has elapsed since the closing of title to the first Unit, unless Escrow Agent receives notice of objection to the release of the Fund prior to the expiration of the five (5) day period from the Board of Managers. (See Section KK in Part II of the Offering Plan.)

Note that any provisions that give the sponsor control of the enforcement of the sponsor's obligations are not lawful. If there are non-sponsor members of the board, and there is a vote on whether to sue the sponsor, the sponsor's board representatives cannot lawfully vote on that issue.

11. Effectiveness of the Offering Plan

(a) The Sponsor may declare the Plan effective by selling a minimum of fifteen percent (15%) of the Unit(s), or five (5) Unit(s) (The term of Unit may include Residential Unit, Commercial Unit, Community Facility Unit and Parking Space Unit. However, only Residential Unit(s), Commercial Unit(s) and/or Community Facility Unit(s) that are not of an ancillary nature, will be counted towards effectiveness.), in the building. If the plan is declared effective with a minimum number of sales, it is possible that the sponsor may be able to create a condominium although it is not guaranteed that all purchasers counted towards effectiveness will ultimately close title to their Unit(s).

(b) Notwithstanding the fact that not all purchasers used for purposes of declaring the plan effective may actually close, sponsor will re-declare the plan effective if all purchase agreements are either rescinded or terminated prior to the date of first unit closing, regardless of whether the condominium declaration has been recorded.

(See Section N in Part I of the Offering Plan.)

12. Purchase of a Unit with Mortgage Financing or With All Cash

The Unit(s) may be purchased partly with cash and partly with a mortgage loan. It may also be purchased with all cash.

(a) (i) If a purchaser of a Unit requires mortgage financing, the purchase agreement will be conditioned upon such Purchaser obtaining a mortgage loan commitment from a lending institution/mortgage lender of his own choosing. Any mortgage lien given by a Purchaser to a lender will be governed by the New York State Condominium Act.

(ii) In such case, Purchaser(s) must execute a Mortgage Addendum together with the Purchase Agreement (See Section BB in Part II of the Offering Plan) to ensure that purchase of his/her/its Unit is conditioned upon mortgage financing.

(iii) (A) Pursuant to the Mortgage Addendum, typically Purchaser has forty-five (45) calendar days from the date of the receipt of a fully executed copy of

the Purchase Agreement by Purchaser or Purchaser's attorney to obtain a mortgage loan commitment from a mortgage lender selected by the Purchaser. To comply with the terms and conditions therein, (I) Purchaser must, within ten (10) days from the date of the receipt of a fully executed copy of the Purchase Agreement by Purchaser or Purchaser's attorney, submit a duly executed loan application to the mortgage lender to obtain a loan at the fixed prevailing rate of interest at the time of closing, and upon such other terms and conditions as are determined by the mortgage lender. Purchaser must also promptly comply with any and all requirements of the mortgage lender; (II) in the event that Purchaser is unable to obtain a mortgage loan commitment within said forty-five (45) day period, Purchaser must notify Sponsor/Seller within seven (7) calendar days thereafter. Failure to do so will result in Purchaser losing the mortgage contingency and he/she/it will have to purchase the Unit with all cash or lose the down payment.

(B) (I) If the Purchaser(s) receives a rejection letter from the Mortgage Lender, he/she/it shall submit a copy of same to the Sponsor/Seller. Purchaser(s) shall then have the option to: (x) cancel the agreement, in which case the agreement shall be null and void, and Sponsor/Seller's sole responsibility shall be to refund the down payment plus accrued interest, if any, within seven (7) calendar days; or (y) waive the requirement that the Purchase Agreement be contingent upon obtaining financing.

(II) If the Purchaser(s) has not received any definitive written response, denying or approving his/her/its mortgage application from the Mortgage Lender, he/she/it may request additional time to obtain such a response, which the Sponsor/Seller at its sole discretion may agree to. Should Sponsor/Seller not agree to such an extension, Purchaser(s) may cancel the Agreement or waive the contingency as provided for above.

(See Section BB in Part II of the Offering Plan.)

(iv) Purchaser(s) should note that in the current real estate market, banks and other lenders are imposing various restrictions on purchasing financing. Such restrictions include requiring that a certain percentage of the apartments in a building or group of buildings be sold before a lender will consider making a loan. Thus, it may be possible for a purchaser to experience difficulty obtaining a loan in a building or group of buildings where the sponsor or holder of unsold shares has not sold a substantial percentage of the apartments in the building or group of buildings, which in some cases may be as high as seventy percent (70%). Moreover, some lenders will not provide financing in a building or group of buildings where an investor other than the original sponsor has an ownership interest of ten percent (10%) or more. It also may be difficult for a purchaser to resell an apartment if prospective buyers are unable to obtain a loan due to the same minimum sales and investor ownership restrictions.

(v) Purchaser(s) should further note that Sponsor may grant Purchaser the right to obtain financing from a second lender if the Purchaser so requests, but it will entail further costs and an additional waiting period. It is a special risk for the Purchaser.

(b) If the obligations of a purchaser under a Purchase Agreement are not conditioned on obtaining financing, Purchaser will be obligated to purchase the Unit with all cash. Any prospective purchaser who executes a Purchase Agreement and does not obtain financing may lose his or her down payment if he or she is unable to otherwise raise the monies for the balance of the purchase price.

(c) It is a special risk for Purchaser if Purchaser, who requires mortgage financing, fails to execute the Mortgage Addendum, in which case, his/her obligation to consummate the purchase transaction will **NOT** be contingent upon obtaining financing.

(d) Under New York law, when a mortgage commitment is not fulfilled through no fault of a purchaser, performance is excused. Therefore, if the purchaser acts in good faith and the lender revokes the loan commitment after the contingency period expires, performance is excused, and the sponsor must grant to such purchaser a right of rescission and a reasonable period of time to exercise such right.

(See Section L, Subsections 28 to 32, in Part I, and Section BB in Part II of the Offering Plan.)

13. Refund of Funds Used for Upgrades or Extras

All funds received by the Sponsor for upgrades or extras must initially be placed in the escrow account. However, purchasers should note as a special risk that such funds may be released from the escrow account by the escrow agent as long as the Sponsor uses the funds for such upgrade or extra. As a result, in the event a purchaser is entitled to rescission, the purchaser will not receive a refund of any funds used for upgrades or extras to the extent expended. However, a purchaser is entitled to a full refund of such funds, even those funds already expended, in the event the plan is abandoned. (See Section L, Subsection 6 in Part I of the Offering Plan.)

14. Real Property Transfer Taxes

(a) It is Sponsor's statutory obligation to pay real estate transfer taxes. The New York City Real Property Transfer Tax and New York State Real Estate Transfer Tax are normally the expenses of the seller; however, by contractual arrangement they will be paid by the purchaser.

(b) The New York State Tax Law Section 1404(a) (the "Amended Tax Law"), which became effective as of July 1, 2021, has amended, inter alia, the calculation of New York State Real Estate Transfer Tax that is paid by the purchaser with respect to the consideration. Under the Amended Tax Law, when a Purchaser assumes the obligation to pay the New York State Real Estate Transfer Tax pursuant to a contract between the Seller and Purchaser, the amount of such tax shall be excluded the calculation of consideration subject to tax.

(c) Nevertheless, the City of New York Department of Finance has

maintained the position that when a Purchaser assumes the obligation to pay the New York City Real Property Transfer Tax, the amount of such tax will be included in the calculation of consideration subject to tax. (See Section P, Subsections 2 and 3 in Part I of the Offering Plan.)

15. Certain Closing Costs

(a) Purchaser will pay the closing costs and expenses referred to in Section P of the Plan (as same may be amended from time to time) entitled "Unit Closing Costs and Adjustments", including, without limitation, the New York State Real Estate Transfer Tax and the New York City Real Property transfer taxes, the amount of any credit for mortgage recording tax, if applicable, and legal fees and charges for Sponsor/Seller's attorney (see this Subsection 15(b) and (c) below). Purchaser shall make the contribution to the working capital of the Condominium referred to in said Section. Real estate taxes and common charges and expenses shall be adjusted between Sponsor/Seller and Purchaser as of midnight preceding the Closing Date in accordance with the provisions of the Plan. Any such expenses or adjustments payable to Sponsor/Seller in excess of $1,000.00 will be paid by certified check or bank check.

(b) The following closing fees will be charged by the attorney for Sponsor/Seller in connection with the closing of title to the Unit(s):

(i) Attorney Fee. A closing fee in the amount of (x) $2,000.00 for a residential unit, (y) $4,000.00 for a commercial unit, or (z) $2,000.00 for a parking space unit (if carried out as an independent transaction) will be charged by the attorney for Sponsor in connection with the closing of title to the Unit(s).

(ii) Assignment/Amendment Fee. A legal fee in the amount of $350.00 for each assignment of, and/or amendment to, the Purchase Agreement required by the Purchaser.

(iii) Attendance Fee. The closing is to be held at the office of Sponsor/Seller's Attorney. There will be an additional $350.00 attendance fee if Purchaser desires to have the closing at a location other than the office of Sponsor's attorney.

(iv) Assistance Fee for Mortgage Application. If the Purchaser's obligations under this Agreement are contingent upon obtaining a mortgage pursuant to Paragraph 13(b) of the Purchase Agreement and Purchaser requires Sponsor/Seller's attorney to provide assistance in obtaining such mortgage(such as providing Attorney Escrow Letter, documents on sales and closing of condominium units, status of condominium, condominium questionnaire and other related information to the Purchaser's mortgage lender and/or broker), Purchaser is willing to pay an additional amount of $350.00 to Sponsor/Seller's attorney as legal fee.

(c) In the event that the Purchaser desires to terminate or otherwise

cancel the Purchase Agreement that is fully executed and in full force and effect, the Purchaser agrees to pay fifty percent (50%) of the Sponsor/Seller's attorney fee (for example, $1,175.00 with assistance in obtaining purchase mortgage, or $1,000.00, without such assistance for a residential unit, or a parking space unit), as provided in Section P, unless such termination or cancellation is due to the fact that Sponsor/Seller is in default and Purchaser is entitled to such termination or cancellation.

(d) Recording charges, fees and taxes, as set forth in the Plan, are based on the rates in effect on the date of the Plan and are subject to change without notice.

16. Commencement and Completion of Construction

(a) Construction had commenced and excavation had begun in good faith on the basis of approved building plans on or about March 22, 2022 (See Exhibit C-4 for a copy of the "Start of Construction Affidavit" from the architect and a copy of the Permit History from DOB). Sponsor anticipates that a Temporary Certificate of Occupancy will be issued on or about April 30, 2025 and that construction will not be completed until after the end of the first year of condominium operation. (See Section F, Subsection 6, Footnote to Schedule A in Part I of the Offering Plan.)

(b) Purchasers are advised that in New York City, newly constructed and newly renovated buildings are sometimes offered as condominium projects without a Final Certificate of Occupancy (Hereinafter the "FCO") covering the entire building, but with only a Temporary Certificate of Occupancy (Hereinafter the "TCO"), and sometimes with several successive Temporary Certificates of Occupancy. Certificates of Occupancy are generally governed by Section 301 of the New York Multiple Dwelling Law and local building codes and rules. Both TCOs and FCOs are issued by the New York City Department of Buildings (Hereinafter the "DOB"). A TCO is intended to indicate that the property is safe for occupancy, but means that not all of the construction work and/or inspection have been performed, or that not all of the required documents have been submitted to the DOB. All TCOs have an expiration date. A TCO typically expires in approximately (90) days after the date of issuance. When a TCO expires and is not renewed, it may be difficult to buy insurance, refinance, or sell units. In New York City, it is common for sponsors to commence unit closings when some or all units are covered by a TCO rather than an FCO. Sponsor anticipates this scenario may occur. Sponsor and its principals will undertake the responsibility for extending each TCO received prior to expiration thereof, and ultimately for obtaining an FCO covering the entire building within two (2) years from the date of the issuance of the first TCO. However, Sponsor and its principals make no representation or guarantee that DOB will issue the FCO within such two (2) year period. Furthermore, because Sponsor and the By-Laws of the Condominium may permit unit owners to undertake renovations to individual units prior to the procurement of an FCO, such renovations may cause additional delays in the issuance thereof. NOTWITHSTANDING THE FOREGOING, SPONSOR AND ITS PRINCIPALS ARE OBLIGATED TO PROCURE THE FCO FOR THE ENTIRE BUILDING, AND SHALL EXERCISE BEST EFFORTS TO OBTAIN THE FCO WITHIN SUCH TWO (2) YEAR PERIOD WHILE KEEPING THE TCO

CURRENT. NO CHANGE OF USE OR OCCUPANCY SHALL BE MADE UNLESS A NEW CERTIFICATE OF OCCUPANCY IS ISSUED. Unit owners and the Board of Managers shall be obligated to cooperate with and refrain from obstructing Sponsor in these undertakings.

(c) Buyers are advised to visit the DOB website for further recommendations when purchasing a unit in a building that does not have an FCO. A Factsheet on Certificates of Occupancy is available on the DOB website at https://www1.nyc.gov/site/buildings/property-or-business-owner/certificate-of-occupancy.page

17. Risk of Loss and Insurance

(a) The risk of loss from fire or other casualty to the Unit(s), common elements and limited common elements remains with Sponsor unless and until legal title to the Unit has been conveyed to Purchaser. Thereafter, it passes to the Unit Owner together with the limited common elements to which the Unit Owner has access and its proportional share of the common elements.

(b) It should be noted that insurance for the condominium covers the Unit but the Purchaser is responsible for the contents of the Unit (i.e., Purchaser's personal property).

(c) It is a special risk if Purchaser, pursuant to an Interim Lease, enters into possession prior to closing in which case, Purchaser assumes the risk of loss for property not covered by the insurance for the Unit(s). It is recommended that Purchaser obtain insurance for his/her personal property.

(d) If an Interim Lease is entered pursuant to Section L, the risk that an Interim Lessee assumes is the risk of loss for the personal property not covered by the condominium insurance. A person in possession who is not an owner cannot insure the unit since he or she has no ownership interest, and the unit cannot be doubly insured. Thus, the risk of loss cannot, as a practical matter, be passed on to a person in possession. Therefore, a person who takes possession prior to closing assumes the risk of losses that are not covered by insurance.

(See Section L, Subsections 34 through 37 in Part I of the Offering Plan.)

18. Condominium Power of Attorney

At the time of closing, the purchaser is required to sign a Power of Attorney to the Board of Managers of the Condominium, appointing the members of the Board of Managers as Attorneys-In-Fact to carry out any of the provisions of the Offering Plan including acquisition, leasing, or sale of the Unit(s) by the Board of Managers pursuant to Declaration and By-Laws of the Condominium and filing the amendments to the Declaration of Condominium. A form of Power of Attorney is included in Part II, Section CC of this Plan. If the purchaser refuses to sign the Power of Attorney, the purchaser will be held in default under the Purchase Agreement. (See Section L, Subsection 40 in Part I

of the Offering Plan.)

19. Limit of FDIC Insurance

The money deposited into escrow account by a purchaser under the Purchase Agreement in excess of $250,000.00 will not be federally insured for the portion in excess of $250,000.00. Furthermore, if purchasers have accounts at the same bank as sponsor's account that holds escrowed funds, purchaser funds at the escrow bank factor into the $250,000 insurance limit. (See Section L, Subsection 4 in Part I of the Offering Plan.)

20. No Pets Policy

Unit Owners are not allowed to maintain any pets. (See Section T, Subsection 2 (e) in Part I of the Offering Plan.)

21. Unit Square Footage in Schedule A

(a) Column 2(a) of Schedule A shows the approximate square footage of the Unit(s) which is measured from the outside of the window glass or concealed fireproofed structural members of the exterior wall to the center line of the drywall partitions or block partitions which separate the Unit from another Unit, or to the outside of the concealed masonry work or concealed structural members or to the outside of the drywall partitions which separate a Unit from corridors, stairs and other common or mechanical equipment spaces. Because measurements are not based upon measurements from interior surfaces of interior walls, the actual area comprising the unit is significantly less than the area listed in Column 2(a) of Schedule A. Measurements are approximate, within reasonable tolerances.

(b) The common elements on each floor, such as hallway, corridor and/or stairway, are not included in the approximate square footage. The limited common elements such as balconies and/or terraces are shown in Column 2 (b). The gross square footage shown in Column 2 (c) is the sum of the approximate square footage and the limited common elements such as balconies and terraces to which only the Unit Owner is accessible (See Section A in Part I of the Offering Plan).

(c) Note that a decrease in a unit's area of five percent (5%) or less will not affect a purchaser's obligations unless such decrease is determined to be a material change. There is a rebuttable presumption that an area that is diminished by five percent (5%) or less is not material.

22. Projected Real Estate Taxes in Schedule A

The projected real estate taxes for the first year of operation contained on Schedule A are based on an assessment of the building before construction is complete. Purchasers are advised that real estate taxes may increase materially when the building is

reassessed after construction is complete. See Footnote 6(c) to Schedule A for more information regarding the projected assessed valuation after completion of construction. (See Section F Footnotes to Schedule A, Section U and Section V in Part I of the Offering Plan.)

23. No Insurance for Officers' and Directors' Liability

The budget provided in Schedule B of Section G does not include the insurance premium for officers' and directors' liability coverage. The additional annual premium for a coverage amount of $500,000.00 is currently estimated to be around $600.00 by ABC Insurance Agency Inc, an insurance brokerage firm with an office at 41-25 Kissena Boulevard, Suite 125A, Flushing, New York 11355. This will result in an increase in the common charges.

24. No Reserve Fund in Budget

(a) The current budget does not include a Reserve Fund, which is a special risk. If major capital repairs and/or major capital improvements are needed, such repairs and/or improvements might result in an increase in common charges and/or special assessment. (See Section G, Schedule B Budget for First Year of Condominium Operation and Subsection 11(a), Footnotes to Schedule B in Part I of the Offering Plan.) (See also this Section A, Subsection 25, in Part I of the Offering Plan below.)

(b) Prospective purchasers are advised that, as of the filing of this Offering Plan, Sponsor does not have the intention to create a Reserve Fund.

25. Limitation on Use of the Working Capital Fund

While the sponsor is in control of the board of managers, the working capital fund may not be used to reduce projected common charges in the plan (13 N.Y.C.R.R. § 20.3 (z)(1).)

26. Intentionally deleted.

27. No Special Allocation for Commercial Unit(s)

The Commercial Unit(s) are paying the expenses fairly attributable to them and there is no special allocation of common expenses for the Commercial Unit(s) (See Section G, Schedule B Budget for First Year of Condominium Operation in Part I of the Offering Plan.)

28. Window Guards for Children

(a) Unit Owner(s) must notify the Managing Agent in writing when a child or children under the age of eleven (11) years lives or resides (even temporarily) in the Unit. It is the responsibility of each residential owner to install at the residential owner's

expense, the required window guards in all windows of the Unit and shall not remove them until permitted by law in any event, without the full knowledge of the Managing Agent.

(b) The New York City Health Code Section 131.15 provides that owners of condominium units shall provide, install, and maintain, a window guard of a type and installation in accordance with the specifications of the Department set forth in Chapter 12 of Title 24 of the Rules of the City of New York, on the windows of each apartment in which a child or children ten (10) years of age and under reside.

(c) It is the responsibility of the Sponsor to install window guards if a child under the age of 11 lives or resides in the Unit for an interim lessee.

29. Limitation on Use of Balconies/Terraces

(a) Balconies/Terraces may not be used for any type of occupancy, including but not limited to, sleeping, dining, living room, recreation room, office, etc. To do so may result in a violation against the building being issued by the Building Department.

(b) Finishes material for the entire roof terrace area will be porcelain tile on concrete. This surface material is sufficient for daily foot traffic as passive recreation space. Unit Owner(s) are not permitted to make any structure changes or additions to the terrace or balcony of the building.

(See Section EE in Part II of the Offering Plan.)

30. Warranty for the Roof and Cost of Repair

(a) No bond or guarantee other than the ten (10) years manufactured warranty on construction material only. The warranty period shall begin upon finished date of roofing. (See Section EE Subsection H (7) in Part II of the Offering Plan)

(b) (i) The sponsor is NOT providing a No Dollar Limit (Hereinafter the "NDL") Manufacturer's Warranty for the roof of the Condominium. The roofing membrane and appurtenances will be installed in accordance with the manufacturer's specifications.

(ii) Typically, NDL Warranties include completely repairing the problem, no matter what it takes. The Manufacturer will solve the problem, even if it requires complete re-roofing. The Warranty only includes roof leakage that is caused by defects in labor or materials. It does not include damage caused by abuse to the roof. There is normally a charge for "No Dollar Limit" Warranties. These warranties, like all Manufacturer Warranties, are subject to certain terms and limitations stated by the Manufacturer. Potential purchasers should note that the NDL Warranties do not apply to this offering.

(c) After consummation of the Offering Plan, the cost of repairing the roof will be borne by the unit owners and the actual cost for repairs will depend on the extent of damages to the roof. This additional cost will result in an increase in the common charges or a special assessment.

(d) Notwithstanding the foregoing, the sponsor's obligation, regardless of whether a warranty is provided, is to construct the premises in accordance with all applicable codes and filed plans and specifications, and that any conflict between disclaimers in the Plan and the sponsor's obligation to construct the premises in accordance with all applicable codes and filed plans and specifications shall be resolved in favor of the latter.

(See Section D, Subsection 1(j), and Section Q, Subsection 12(a) in Part I of the Offering Plan.)

31. First Closing of the Unit and Possible Delays

(a) The Sponsor anticipates that the first closing of the Unit will occur on or about July 1, 2025. Purchasers will be offered a right of rescission if the actual date of closing of title to the first Unit occurs later than June 30, 2026, i.e., twelve (12) months after the projected date for the closing of title to the first Unit. If the Plan is amended to provide a later projected date for the first closing, purchasers who enter into purchase agreements after the amendment is accepted for filing will be entitled to an offer of rescission if the first closing occurs more than twelve (12) months beyond that amended, later date.

(b) However, even if the first closing occurs on or before July 1, 2025, the Sponsor may schedule the closings of title to other units significantly later than such date. Unless your Purchaser Agreement contains an outside closing date, the Sponsor is not obligated to schedule your closing within any specified time frame or to ensure that closing of title to your Unit will occur by any date certain.

(c) Furthermore, Purchasers should note that even if the first closing occurs on or before July 1, 2025, (or such other date projected as the date of commencement of the operation at the time the purchase agreement was entered into) or within the twelve (12) month period thereafter, the closing of subsequent units may be substantially delayed beyond such dates if a TCO has not been issued for such units or for the floor on which such units are located. In such case, provided that sponsor is diligently pursing completion of construction and the issuance of a certificate of occupancy and is otherwise in compliance with its obligations under the Plan, Purchaser will not be entitled to a right of rescission or to make claims against the sponsor for damages or losses as a result of such delays and will not be excused from paying the full purchase price for the unit. PROSPECTIVE PURCHASERS SHOULD THEREFORE CAREFULLY CONSIDER THE POSSIBILITY OF SUCH DELAYS IN THEIR DETERMINATION AS TO WHETHER TO PURCHASE A UNIT.

(See Section L, Subsections 25 and 26 in Part I of the Offering Plan.)

(d) For additional guidance, refer to the Department of Law memo on delay in first closings in newly constructed condominiums and rescission, available here: http://www.ag.ny.gov/sites/default/files/pdfs/bureaus/real_estate_finance/Effective-memos/E-17.%20Delay%20in%20first%20closing.pdf.

32. Interim Lease

(a) In the event that Purchaser enters into an Interim Lease pursuant to Section K in Part I of this Plan, he/she, as Purchaser/Tenant, will have to agree to indemnify and hold Sponsor/Landlord harmless from and against any claims related to Purchaser/Tenant's acts and/or negligence.

(b) Furthermore, an uncured default under the Purchase Agreement shall be considered as a default under the interim lease. The interim lessee must vacate the Unit within thirty (30) days after a default under the Purchase Agreement or rescission of the Purchase Agreement by the Lessee. The Lessee's default under the lease, if such defaults are not cured by the time of closing, shall be considered as default under the Purchase Agreement. However, when Sponsor desires to declare a default of the Purchase Agreement because of an uncured default under the lease, Sponsor must either obtain an order of eviction or other judgment or order from a court or agency of competent jurisdiction against the lessee, unless the lessee has vacated the contracted-for Unit. (See Section K, Subsection 1 in Part I of the Offering Plan.)

33. Unit Owner's Right to Mortgage

A Unit owner shall have the right to mortgage or encumber his Unit provided that such mortgage or encumbrance is made to a mortgagee as defined in Section C, Definitions in Part I of the Offering Plan. (See Section T, Subsection 3 in Part I of the Offering Plan.)

34. Restrictions on Use of the Commercial Unit(s)

(a) The commercial unit(s) are not restricted to their proposed use, but the usage of the commercial space that is commonly considered offensive, such as pornography stores, massage parlors, drug treatment facilities, homeless shelters, is not permissible. (See Section I, Subsection 4 in Part I of the Offering Plan.) (See also Article VI Section 13 of the By-Laws in Part II of the Offering Plan.)

(b) Such restrictions will not be changed by a Sponsor controlled board during the Initial Sponsor Control Period.

(c) Additionally, prospective purchasers should note that the commercial unit owner has the right to subdivide the unit (which is also applicable to a community facility unit, if and when so converted as discussed in Section I Subsection 3(b) in Part I of the Offering Plan. (See Section I, Subsection 3(b) in Part I of the Offering Plan.)

35. Financing from a Second Lender

Purchasers should further note that Sponsor may grant Purchaser the right to obtain financing from a second lender if Purchaser so requests, but it will entail further costs and an additional waiting period. It is a special risk for Purchaser. (See Section L, Subsection 30 in Part I of the Offering Plan.)

36. Sponsor's Right to Adjourn Closing

At or prior to closing, all liens affecting the Unit to be closed and its undivided common interest will be discharged or a partial release obtained and duly recorded as required by Section 339-R of the Condominium Act. Sponsor shall have the right to extend the closing for a period not to exceed six (6) months, calculated from the date when the condominium declaration is recorded in the Office of the City Register of the City of New York, or the date of the issuance of a Final Certificate of Occupancy (or a Temporary Certificate of Occupancy, if applicable), whichever later occurs, in order to obtain and be able to convey marketable title. If at the end of such six (6) months period, Sponsor is still unable to satisfy aforementioned condition, Purchaser shall be entitled to terminate the Purchase Agreement upon ten (10) days' written notice. Furthermore, Purchaser shall be entitled to a return of all down payments and interest, if any, thereon plus the reasonable cost incurred for any title searches or survey. The foregoing shall not limit or affect any other rights of rescission provided to the Purchaser in this Plan or under law. (See Section O, Subsection 5 in Part I of the Offering Plan.)

37. Housing Merchant Implied Warranty

(a) This Condominium Building shall **NOT** be subject to the Housing Merchant Implied Warranty under Article 36-B of the General Business Law of the State of New York. Under the relevant provisions, a housing merchant implied warranty shall mean that: (i) one (1) year from and after the warranty date (which is defined as the date of the passing of title to the first owner for occupancy by such owner or such owner's family as a residence, or the date of first occupancy of the home, in this case, the Unit, as a residence, whichever first occurs) the Unit will be free from defects due to a failure to have been constructed in a skillful manner; (ii) two (2) years from and after the warranty date the plumbing, electrical, heating, cooling and ventilation systems of the Unit will be free from defects due to a failure by the builder to have installed such systems in a skillful manner; and (iii) six (6) years from and after the warranty date the Unit will be free from material defects. (See Section O, Subsection 12(a)(xvii) in Part I of the Offering Plan.)

(b) Sponsor's obligation, regardless of any limitations in the warranty or in this offering plan, is to construct the premises in accordance with all applicable codes and filed plans and specifications, and that any conflict between the disclaimers and the sponsor's obligation to construct the premises in accordance with all applicable codes and filed plans and specifications shall be resolved in favor of the latter.

38. Tax Cuts and Jobs Act of 2017

On January 1, 2018, the Tax Cuts and Jobs Act of 2017 went into effect. This federal law significantly changed the previously existing Internal Revenue Code, including the taxes and deductions related to homeownership. This new federal law limits (i) the deduction amount of interest paid on an individual's home acquisition indebtedness to a maximum of $750,000.00 and (ii) the deduction amount of an individual's state, local real property taxes and personal property taxes to a maximum of $10,000.00 from his/her federal income taxes between 2018 through 2025. Purchasers are advised to consult with a tax expert regarding whether the new law will affect the purchaser's taxes. (See Section V, Subsection 1 in Part I of the Offering Plan.)

39. Waiver of Jury

EXCEPT AS PROHIBITED BY LAW, THE PARTIES SHALL, AND THEY HEREBY DO, EXPRESSLY WAIVE TRIAL BY JURY IN ANY LITIGATION ARISING OUT OF, OR CONNECTED WITH, OR RELATING TO, THIS AGREEMENT, OR THE RELATIONSHIP CREATED HEREBY. WITH RESPECT TO ANY MATTER FOR WHICH A JURY TRIAL CANNOT BE WAIVED, THE PARTIES AGREE NOT TO ASSERT ANY SUCH CLAIM WITH, ANY ACTION OR PROCEEDING IN WHICH A JURY TRIAL IS WAIVED.

40. Amenities et al

(a) There are no amenities (except an indoor recreation room on the tenth floor and outdoor recreation space on the roof) annexed to the Condominium Building.

(b) As for the utilization of the indoor recreation room on the tenth floor and outdoor recreation space on the roof, there are no other restrictions or limitations under the NYC zoning code except that (i) the number of people for the recreation room on the tenth floor is limited to twenty(20), (ii) the number of people for outdoor recreation space on the roof is limited to three(3), and (iii) those recreation spaces are accessible to residential unit owners and/or their tenants only as common elements. Additionally, no furniture nor equipment will be provided by the sponsor for those recreation spaces.

(See Section B Subsection 1, Section D Subsection 1 in Part I of the Offering Plan; and Section EE in Part II of the Offering Plan.)

41. The Right of First Refusal by the Board of Managers

The Board of Managers of the Condominium has the right of first refusal with respect to the units that Unit Owners desire to sell or lease. (See Section T, Subsection 1 in Part I of the Offering Plan for details.)

42. Condominium Smoking Policy

(a) Upon commencement of the condominium operation, the Board of

Managers of the Condominium shall, in compliance with the City of New York Administrative Code § 17-506.1. et al (Local Law 147) and the New York State Department of Law regulations, adopt a condominium smoking policy.

(b) Pursuant to the condominium smoking policy, smoking and/or using an electronic cigarette are prohibited at any time during the daytime and/or nighttime in the following areas of the Condominium: (1) All indoor common areas, including, without limitation, hallway, lobby, corridors, stairs, and any other area to which that Unit Owners and/or Tenants may have access; (2) all indoor areas within a Unit, including, without limitation, the living room, bedroom, kitchen, bathroom, closet, and any other area to which that the owner of the Unit and/or its Tenant may have access; (3) all limited common elements, including, without limitation, balconies, terraces, backyards, and any other area to which access is limited to the owner of one Unit and/or its Tenant; and (4) all outdoor areas, including, without limitation, common courtyards, rooftops, balconies, terraces, and patios, any area within fifteen(15) feet of the entrance and/or exit of, walk or path from and/or to, the Condominium, and any other outdoor area of the Condominium to which that Unit Owners and/or Tenants may have access.

(c) The condominium smoking policy is a material term of the Offering Plan and is incorporated into and form part of the Purchase Agreement (See Section AA, Subsection 35, and Exhibit C thereto annexed in Part II of the Offering Plan), the Interim Lease (See Section LL, Subsection 47, and Exhibit I thereto annexed in Part II of the Offering Plan) and the Condominium By-Laws. (See Article VI, Section 13 Restrictions on Use of Units of the Condominium By-Laws in Part II of the Offering Plan.) It must be incorporated into any agreement to rent a Unit or part thereof.

(d) The condominium smoking policy will be applicable to all Unit Owners, Tenants, the invitees as well as any other person on the premises.

(See Section T, Subsection 21 in Part I of the Offering Plan.)

43. Intentionally deleted.

44. Eligibility for Section 528 Tax Exemption

Prospective purchasers are advised that Sponsor's counsel has opined that the condominium will not be able to make an election under Section 528 of the Internal Revenue Code. The reason, despite others, is that the condominium will not be able to satisfy the requirement that substantially all of the Condominium Units (or at least eighty-five (85%) of the total square footage of all units within the project) must be used as residences, because less than eighty-five (85%) of the total square footage of all units within the project will be used as residences. (See Section V in Part I of the Offering Plan.)

45. DOL FinCEN Disclosure

(a) The Geographic Targeting Order ("GTO") issued by the Financial Crimes

Enforcement Network ("FinCEN") requires U.S. title insurance companies to identify and report to FinCEN the natural persons behind companies making "all cash" – i.e., non-financed – purchases of residential real property located in New York City and several other jurisdictions.

(b) Prospective purchasers are advised that FinCEN requires U.S. title insurance companies to report to FinCEN the personal identity of purchasers in residential real estate transactions in which:

(i) the purchaser is a legal entity as defined in the GTO;

(ii) the purchaser purchases residential real property located in the Boroughs of Bronx, Brooklyn, Queens, Manhattan, and Staten Island;

(iii) the total purchase price is in the amount of $300,000.00 or more;

(iv) such purchase is made without a bank loan or other similar form of external financing; and

(v) the purchase is made, at least in part, using currency or a cashier's check, a certified check, a traveler's check, a personal check, a business check, a money order in any form, a funds transfer, or virtual currency.

(c) The terms of this Order are effective beginning April 19, 2024, and ending on October 15, 2024.

Please refer to the link below for the GTO order:

46. Intentionally deleted.

47. Equipment and Fixtures Included in the Offering Price

Prospective purchasers are advised all equipment and fixtures described in the plan are included in the offering price, and the offering price for Residential Unit(s) is not conditioned on the equipment and fixtures selected. (See Section D, Subsection 1(d) in Part I of the Offering Plan)

48. Notices and Delays

(a) All notices, demands or requests given or required to be given by either party to the other under this Agreement (Hereinafter collectively, the "Notices") shall be

in writing and shall be sent by (i) a nationally recognized overnight courier service, (ii) delivered personally, (iii) delivered by facsimile transmission, or (iv) delivered by electronic mail, addressed as follows:

Any Notice shall be deemed given on the date one (1) day after same is sent by a nationally recognized overnight courier service, on the date personal delivery is made or the date of failure or refusal to accept or acknowledge delivery or on the date facsimile transmission is made, in each case, if delivery is made on a business day in New York City, New York. Seller and Purchaser acknowledge and agree that notices from the parties may be delivered by the respective counsel to the parties listed above.

(b) A delay in the actual delivery of the notice to a purchaser may affect the time period allotted to purchaser to respond in instances in which the purchaser is required to respond within a specified time period.

(See Section AA Subsection 23 in Part II of the Offering Plan.)

49. Penalty For Failure to Close Title

Prospective purchasers are advised that except as provided in Section AA, Purchase Agreement in Part II of the Offering Plan, the purchasers will not be charged

any interest or penalty for failure to close on the closing date set by sponsor. (See Section M Subsection 46 in Part I of the Offering Plan)

50. Façade Inspection Safety Program (FISP)

In New York City, Local Law 11/98 "Façade Inspection Safety Program" (FISP) requires owners of buildings higher than six (6) stories to have exterior walls and appurtenances inspected every five (5) years. FISP is applicable to this condominium building. Prior to completion of the construction, Sponsor will file an amendment to the Offering Plan to (i) disclose the FISP requirements; (ii) explain what is required in the periodic reports and explain the report's classifications (Safe, SWARMP, Unsafe); (iii). describe what is required if the report is classified as SWARMP and Unsafe; (iv) disclose the next relevant inspection starting cycle number, starting year and inspection frequency; and (v) disclose who is responsible for managing and paying for it, including the anticipated costs.

SECTION B INTRODUCTION

1. Sponsor and Offer to Sell

(a) (i) Hunter Square LLC, a New York limited liability company with an office at 42-62 Hunter Street, Long Island City, NY 11101, (Hereinafter the "Sponsor") with this Offering Plan offers for sale of all Condominium Units (Hereinafter the "Units") in one thirteen-story (13) building with cellar floor being constructed at 42-62 Hunter Street, Long Island City, New York. The building is a newly constructed building and will contain twenty-seven (27) residential unit(s) and one (1) commercial unit(s). Except Units 2A and 2B, all the Residential Units on the 2nd through 12th floors have access to either a balcony or terrace. Balconies/terraces are considered as limited common elements. All Units in this building are hereby offered for sale. All of the Units offered in the Offering Plan are vacant. The Sponsor is committed to sell all the Units under this Offering Plan and will make good faith effort to do so.

(ii) (A) There are an indoor recreation room on the tenth floor and outdoor recreation space on the roof annexed to the Condominium Building as common elements.

(B) As for the utilization of the indoor recreation room on the tenth floor and outdoor recreation space on the roof, there are no other restrictions or limitations under the NYC zoning code except that (i) the number of people for the recreation room on the tenth floor is limited to twenty(20), (ii) the number of people for outdoor recreation space on the roof is limited to three(3), and (iii) those recreation spaces are accessible to residential unit owners and/or their tenants only as common elements. Additionally, no furniture nor equipment will be provided by the sponsor for those recreation spaces.

(b) (i) In September 2019 and July 2020, the Sponsor acquired title to the property on 42-62 Hunter Street, Long Island City, New York (merged from two neighboring properties). The Residential Units are to be used solely for residential purpose and the commercial and community facility units are to be used for their specified purpose.

(ii) The property was previously (before merging) used as a two (2) family dwelling on each.

(c) Sponsor has sufficient funds to complete the construction of the Condominium and did not obtain a construction loan from any lender.

(See Section Q, Subsection 1 in Part I of the Offering Plan.)

2. General

Sponsor recommends that all prospective purchasers thoroughly read this offering

plan before making a final commitment. Parts I and II together with all Exhibits constitute the entire Offering Plan and contain the detailed terms of the transaction. All the documents referred to in this Offering Plan are important. All the exhibits or documents referred to herein have been submitted to the New York State Department of Law, located at 28 Liberty Street, 21st Floor, New York, NY 10005-1413 in connection with the filing of this Plan, and are available there for inspection. Such exhibits and documents are also available for inspection without charge and for copying at reasonable charge to prospective purchasers and their attorneys at the office of the Selling Agent and also at the New York State Department of Law.

(a) The purpose of this Offering Plan is to set forth all the material terms of the offer to allow prospective purchasers to make an informed decision. However, this Plan may be amended from time to time during this offering. If amended, such amendments shall be filed with the New York State Department of Law Office of the Attorney General and shall be served on all offerees, Purchasers, and Unit Owners promptly after the filing.

THE PURCHASE OF A CONDOMINIUM HAS MANY SIGNIFICANT LEGAL AND FINANCIAL CONSEQUENCES. THE ATTORNEY GENERAL STRONGLY URGES YOU TO READ THIS OFFERING PLAN CAREFULLY AND TO CONSULT WITH AN ATTORNEY BEFORE SIGNING A PURCHASE AGREEMENT.

3. Submission of Property to Condominium Statute

The condominium is subject to and complies with the New York Condominium Act regulating condominiums in New York. A Declaration submitting the property to Article 9-B of the Real Property Law (Hereinafter the "Condominium Act") and By-Laws will be recorded prior to conveyance of title to the first Unit by the Sponsor. The Declaration and By-Laws will be exactly the same to those set forth in this Plan or its Amendments, if the plan is amended. This plan and the accompanying documentation should be carefully studied by prospective purchasers and their attorneys prior to the purchase of a Unit. The prices have been set by the Sponsor alone and are not subject to review or approval by the Department of Law or any other government agency.

4. Features of Condominium Ownership

(a) Ownership of a condominium is similar to ownership of any real property which is used for either commercial or residential purposes. The purchaser of a Unit (Hereinafter the "Unit Owner" or "Purchaser") will own, in fee simple absolute, all of the interior space of that particular Unit. The exterior walls and space within the walls, roof and all of the land and improvements which are located outside of the Unit itself are owned in fee simple absolute in common, by the owners of all the Units. Each Unit owner is entitled to exclusive possession of his/her/its Unit together with an interest in and right to use the common elements (such as hallways, lobby and stairwells), and an exclusive right to the limited common elements (such as balconies and terraces) (See

Section C, Subsections 10 and 29 in Part I of the Offering Plan) 13 N.Y.C.R.R.§ 20.3 (d)(7)(ii).

(b) Each owner must pay common charges in accordance with Section 339-i and Section 339-m of the New York Condominium Act. The Units may be purchased for all cash, or may be purchased partly for cash and the balance for the purchase price financed by mortgage loan. The Sponsor makes no representation as to the availability or cost of any financing that may be required by a purchaser. If a purchaser of a Unit requires mortgage financing, the purchase agreement will be conditioned upon such Purchaser obtaining a commitment from a lending institution of his/her/its own choosing. Any mortgage lien given by a Purchaser to a lender will be governed by the New York State Condominium Act. The purchase agreement will only be conditioned on financing after Purchaser executes a mortgage addendum together with the purchase agreement.

(c) Each Unit will be taxed separately for real estate purposes, and consequently no Unit Owner is responsible for the payment of real estate taxes on any other Unit, or for payment of any mortgage obligations of any other Unit. In the opinion of counsel, under the present Federal and State Income Tax Laws, a residential Unit Owner may deduct on income tax returns the amount paid for real property taxes and the amount paid for interest on a mortgage loan, if any to the extent that is allowed under the new TCJA (as defined in Section U) (See Section U in Part I of the Offering Plan for details).

(d) A Unit Owner is required to pay monthly common charges in proportion to his/her/its share of ownership in the common elements assessed by the Board of Managers for the operation and maintenance of the Condominium pursuant to Section 339-i and Section 339-m of the New York Condominium Act. Casualty and liability insurance, electricity for lighting in the common areas of the building, water and sewer charge for the entire building, wages for the superintendent and the cost of maintenance and repair of the common elements are included with other expenses as part of the common charges (See Section F, Schedule A in Part I of the Offering Plan). However, casualty and liability insurance for the purchaser's personal effects and the interior of a Unit should be carried by the individual Unit Owner. Each Unit will be responsible for the cost of repairs and decoration of the interior of his Unit, as well as the initial installation of any fixtures or improvements. A separate electricity and gas meters will be installed for each Unit, and each Unit Owner will receive his/her/its own utility bills. Note 1: Balconies and/or Terraces are uninhabitable space and this space may not be legally used as a bedroom or living room. To do so may result in a building code violation being issued for the Building.

Note 2: The projected real estate taxes for the first year of operation contained on Schedule A are based on an assessment of the building before construction is complete. Purchasers are advised that real estate taxes may increase materially when the building is reassessed after construction is complete. The projected real estate taxes will be $242,438.00 for the whole buidling. See Footnote 6(c) to Schedule A for more information regarding the projected assessed valuation after completion of construction.

Note 3: Unit 1A is a Commercial Unit. For Unit 1A, of 5,188 sqaure feet(SF), 2,143SF is located on the cellar floor and 3,045 SF is located on the first floor.

FOOTNOTES TO SCHEDULE A

1. (a) The method of calculating the number of bedrooms is in accordance with the Zoning Code of the City of New York, which requires the bedrooms to meet certain standard of "habitability" with minimum size and lighting. A bathroom with lavatory and shower or bathtub counts as one (1) bath, and a bathroom with a lavatory and toilet only counts as ½ bath. The dining area, study, den, balconies and closets do not count as rooms.

(b) The following are the Unit information:

(i) Unit 1A:

Commercial retail store

(ii) Units 2A, 2B; 3A, 3B; 4A, 4B; 5A, 5B; 6A, 6B; 7A, 7B; 8A, 8B; 9A and 9B:

1 Bedroom, Living, Dining Area,
Kitchen, 1 Full Bath

(iii) Units 2C, 3C, 4C, 5C, 6C, 7C, 8C, 9C, 10A, 11A and 12A;

2 Bedroom, Living, Dining Area,
Kitchen, 2 Full Bath

(c) Except Units 2A and 2B, all the Residential Units on the 2nd through 12th floors have access to either a balcony or terrace. The balconies/terraces are considered as limited common elements.

The floor plans are contained in Section FF, Part II of this Plan.

2. (a) (i) Column 2(a) of Schedule A shows the approximate square footage of the Units which is measured from the outside of the window glass or concealed fireproofed structural members of the exterior wall to the center line of the drywall partitions or block partitions which separate the Unit from another Unit, or to the outside of the concealed masonry work or concealed structural members or to the outside of the drywall partitions which separate a Unit from corridors, stairs and other common or mechanical equipment spaces. Because measurements are not based upon measurements from interior surfaces of interior walls, the actual area comprising the unit is significantly less than the area listed in Column 2(a) of Schedule A. Measurements are approximate, within reasonable tolerances.

(ii) The common elements on each floor, such as hallway, corridor and/or stairway, are not included in the approximate square footage. The limited common elements such as balconies and/or terraces are shown in Column 2(b). The gross square

footage shown in Column 2(c) is the sum of the approximate square footage and the limited common elements such as balconies and terraces to which only the Unit Owner is accessible (See Section A in Part I of the Offering Plan).

(iii) Note that a decrease in a unit's area of 5% or less will not affect a purchaser's obligations unless such decrease is determined to be a material change. There is a rebuttable presumption that an area that is diminished by 5% or less is not material.

(b) When measured horizontally, each Unit is defined to consist of the space from the outside of the window glass or concealed fireproofed structural members of the exterior wall to the center line of the drywall partitions or block partitions which separate the Unit from another Unit, or to the outside of the concealed masonry work or concealed structural members or to the outside of the drywall partitions which separate a Unit from corridors, stairs and other common or mechanical equipment spaces. When measured vertically, each Unit is defined to consist of the space from the underside of the concealed concrete slab, or of the fireproofed beam, as the case may be, at the highest level of a Unit to the top of the concrete floor or wood subfloor at the lower level of a Unit, except that the structural slabs and beams separating floors and any Common Elements located within any Unit shall not be considered as part of the Unit.

3. (a) Offering prices may be increased or decreased by a duly filed amendment to the Plan when it is an "across the board" change affecting one or more lines of Units, or Unit models, or is to be advertised or is an individually negotiated price which is higher than the listed offering price. Offering prices and specified terms are negotiable and the Sponsor may enter into a Purchase Agreement with an individual Purchaser to sell one or more Units at prices lower than those set forth in Schedule A without filing an amendment (See Section J in Part I of the Offering Plan). However, the provisions applicable to any of the negotiable terms must be disclosed in the Plan.

(b) (i) At the closing of each Unit, the Purchaser will pay (i)(A) the Sponsor/Seller's attorney closing fee of $2,000.00 for a residential unit or a parking space unit (if applicable and carried out as an independent transaction), and(B) $4,000.00 for a commercial and/or community facility unit; (ii) $350.00 attendance fee if the purchaser desires to have the closing other than at the office of the Sponsor/Seller's Attorney; (iii) $350 assistance fee for mortgage application if Purchaser requires Sponsor/Seller's attorney to provide assistance therein, such as providing Attorney Escrow Letter, documents on sales and closing of condominium units, status of condominium, condominium questionnaire and other related information to the Purchaser's mortgage lender and/or broker; (iv) $350.00 assignment/amendment fee for each assignment of, or amendment to, the Purchase Agreement required by the Purchaser; and (v) fifty percent (50%) of the Sponsor/Seller's attorney fee (for example, $1,175.00 with assistance in obtaining purchase mortgage, or $1,000.00, without such assistance, for a residential unit), as provided in Section P, unless such termination or cancellation is due to the fact that Sponsor/Seller is in default and Purchaser is entitled to such termination or cancellation.

(ii) At closing, the purchaser is also expected to pay the State and City transfer taxes; and the amount equal to one (1) month common charge as contribution to Working Capital Fund.

(iii) For a complete explanation of closing costs associated with the transfer of title to the Units, see Section P "Closing Cost and Adjustments" in Part I of the Offering Plan. NYCRR§20.3(g) (2) The closing costs are in addition to the purchase price of each Unit.

4. The percentage interest of each Unit in the Common Elements shall be the approximate proportion that the fair value of the Unit at the date of Declaration bears to the then aggregate fair value of all the Units pursuant to the New York Condominium Act Section 339-I.1. (i).

5. The projected estimated first year's monthly common charges and the projected estimated first year's monthly carrying charges are shown in Columns 5 and 7 respectively. Sponsor is not offering or procuring mortgage financing, therefore if the purchaser obtains financing, the purchaser's debt service will be an additional expense. Additionally, the projected carrying charges do not include certain costs for which the unit owner is responsible such as repairs to the interior of the unit, separately metered gas, electricity, hot water, heat, air conditioning and cable television service. Please refer to Schedule B-1 for individual carrying charges. NYCRR§20.3(g) (2)(v)

6. (a) After the condominium is divided into individual tax lots, each unit will be taxed as a separate tax lot for real estate tax purposes and the unit owner will not be responsible for the payment of, nor will the unit be subject to, any lien arising from the non-payment of taxes on other units.

(b) Schedule A, Column (6) shows the projected estimated first-year monthly real estate tax. The Sponsor anticipates that a Temporary Certificate of Occupancy will be issued on or about April 30, 2025 and that construction will not be completed until after the end of the first year of condominium operation. The calculation of Column (6) is made based on the estimated assessed valuation for the tax year of 2025/2026 when Condominium building is still under construction:

(i) Residential Portion

$A \times B \times C \times 1/12$

A=	The estimated assessed value of the property during 2025/2026 tax year allocated to residential portion:	($1,254,658.00)
B=	Estimated tax rate then in effect	(12.635%)
C=	Percentage of common interest allocated to each Residential Unit.	

(ii) Commercial Portion

A × B × C × 1/12

A= The estimated assessed value of the property during 2025/2026 tax year allocated to the non-residential portion: ($444,438.00)

B= Estimated tax rate then in effect (10.698%)

C= Percentage of common interest allocated to the non-residential portion

NYCRR§20.3(g) (2)(vi)

(c) Purchasers are advised that the estimated assessed value of the Condominium in Subsection 6(b) above reflects the assessment for the first year Condominium operation while the condominium building is under construction, the assessed value and therefore the real estate taxes may increase materially when the full valuation of the building is reassessed on the first status date (i.e., January 5) after construction is complete for the following tax year (i.e., tax year of 2027/2028, based on the assumption that the Final Certificate of Occupancy will issue after July 1, 2026 and before December 31, 2026), commencing from July 1, 2027.

(i) The calculation for the residential portion is made as follows:

A × B × C × 1/12

A= The estimated assessed value of the property during 2027/2028 tax year allocated to the residential portion ($1,476,069.00)

B= Estimated tax rate then in effect (assuming it remains static) (12.635%)

C= Percentage of common interest allocated to each Residential Unit

Note: Based on the calculation, projected real estate taxes for the residential portion will be about $186,501.00.

(ii) The calculation for the non-residential portion is made as follows:

A × B × C× 1/12

A= The estimated assessed value of the property during 2027/2028 tax year allocated to

	the non-residential portion:	($522,868.00)
B=	Estimated tax rate then in effect (assuming it remains static)	(10.698%)
C=	Percentage of common interest allocated to the non-residential portion	

Note: Based on the calculation, projected real estate taxes for the non-residential portion will be about $55,936.00.

(d) The estimated real estate taxes for tax year of 2026/2027 will remain about the same as those for tax year of 2025/2026 while the Condominium building is still under construction.

(See Section V in Part I of the Offering Plan). 13 NYCRR 20.3(g)(2)(vi)

7. (a) In the absence of an individual mortgage on the Unit, the total amount of carrying charges deductible for income tax purposes for the residential unit owners would equal the monthly real estate taxes. Should Purchaser obtain financing, the projected amount deductible for income tax purposes may vary in subsequent years due to refinancing the mortgage, the allocation of constant debt service payments between interest and principal, or changes in the assessed valuation, the tax rate or in the method of assessing real property which results in change in real property taxes, or such other changes as may reasonably be expected to affect deductions. NYCRR§20.3(g) (2)(vii)

(b) Notwithstanding the previous paragraph, prospective Purchasers should note that on January 1, 2018, the Tax Cuts and Jobs Act of 2017 went into effect. This federal law significantly changed the previously existing Internal Revenue Code, including the taxes and deductions related to homeownership. Purchasers are advised to consult with a tax expert regarding whether the new law will affect the purchaser's taxes.

THE SPONSOR MAY NOT DECLARE THE PLAN EFFECTIVE WHERE THERE ARE ANY MATERIAL CHANGES TO THE BUDGET IF SUCH CHANGES HAVE NOT BEEN DISCLOSED BY A DULY FILED AMENDMENT TO THE OFFERING PLAN.

FOOTNOTES TO SCHEDULE B

1. Common Charges $167,466.00

(a) These estimates of operating expenses and income have been made by the Sponsor's experts based on the operation of comparable properties in the area. It cannot be construed as an assurance of the final expenses and is merely based upon monthly common charges set forth in Schedule A which will be paid by each Unit Owner.

(b) The allocation of the projected expenses among the Residential Unit(s) (consisting of 73.8427% of common interest) and the Commercial Unit(s) (consisting of 26.1573% of common interest) is based on the percentage of common interest each unit shares. There is no special allocation for the commercial unit(s).

2. Salaries and Wages $37,710.00

(a) It is anticipatcd that thc building staff will consist of onc full-timc, non-union superintendent who works approximately forty (40) hours a week at the hourly rate of $15.00 and employee benefits, such as, worker's compensation insurance and medical insurance as required by federal or state laws and regulations amounting to about $3.13 per hour to provide services necessary for maintenance of the common areas. The wages for the superintendent meet state minimum wage laws. (13 N.Y.C.R.R. § 20.3(h)(4)(ii))). The budgeted amount reflects current wage rates and reasonably anticipated increases. The estimated labor cost is based on the following calculations:

Payroll:	$37,710.00
Payroll Taxes & Miscellaneous Expenses:	
FICA $37,710.00 × 7.65%=	$ 2,884.82
State Unemployment Insurance: $37,710.00 × 4%=	$ 1,508.40
Federal Unemployment Insurance: $37,710.00 × 0.8%=	$ 301.68
Worker's Compensation/Disability: Insurance: $37,710.00 × 4.5%=	$ 1,696.95
Miscellaneous	$ 113.13

(b) The Administrative Code of the City of New York Article 13, § 27-2052, et seq., requires one of the following when the building has nine (9) or more dwelling (rental) units(which applies to privately owned condominium units, as per the interpretation of Department of Law Real Estate Finance Bureau): (1) that the owner performs the janitorial services; or (2) that there be a full time superintendent who resides in the building or within 200 feet from the building; or (3) there be a janitorial service

approved by the Department of Buildings available twenty-four (24) hours per day. The sponsor is committed to selling all the residential unit(s) under this offering plan within two (2) years as of the closing of title to the first unit. The sponsor will provide these services in compliance with all applicable laws.

3. Utilities – Electricity for Lighting, Elevator, Heating & Cooling $16,846.00

(a) The projection for cost of electricity is based upon estimates provided by Eric Chang, Professional Engineer, of EJC Engineering, PLLC. with office at 136-18 39th Avenue, Suite 703, Flushing, NY 11354. The following estimate is for the cost of electricity which is included and covered by the common charge such as cost of electricity for exterior and interior common area lighting, fans, pumps and the elevator system, if applicable. The rate indicated below includes tax and latest utility company surcharges for fuel adjustments.

	Consumption	Cost
COMMON AREA ELECTRICITY:	70,194KWH @ $0.24/KWH	$16,846.00/Year

(b) The projection does not include the cost of electricity for each unit which shall be individually metered and billed directly to each Unit Owner. Purchasers are referred to Schedule B-1 for individual electricity costs.

(c) In view of the current energy situation, it is not possible to predict whether the budgeted figure will reflect the actual cost to be incurred during the first year of condominium operation, which will vary with the level of consumption and the cost of the utility. Electricity is generated by the utility company by means of fuel oil as the primary energy source. If the cost of oil to generate electricity increases, it is likely that electric rates will increase. It is believed that the projected figure should be sufficient to cover a reasonable increase in the cost of electricity resulting from the foregoing during the first year of condominium operation. However, no budget item is warranted.

4. Utilities – Gas for Cooking and Hot Water $15,188.00

(a) The projection for cost of gas is based upon estimates provided by Eric Chang, Professional Engineer, of EJC Engineering, PLLC. with office at 136-18 39th Avenue, Suite 703, Flushing, NY 11354. The following estimate is for the cost of gas which is included and covered by the common charges such as cost of gas for common area heating. The rate indicated below includes tax and latest utility company surcharges for fuel adjustments.

	Consumption	Cost
COMMON AREA Gas:	7,869 THERMS @ $1.93/THERM	$15,188.00/Year

(b) For projection of cost of gas for each commercial and community facility unit, which will be individually metered and billed directly to each Unit Owner, Purchasers are referred to Schedule B-1 for individual gas costs.

(c) Although the Sponsor is under obligation to provide accurate information to prospective purchasers, factors beyond its control may substantially affect the cost of heating after the purchase of a Unit or in subsequent years. The Sponsor represents, however, that it has followed the plan and specifications provided by the manufacturer of the heating system together with the recommendation of the utility company and other experts to enable these items of equipment to operate at optimum efficiency at the lowest cost. Further, the Sponsor represents that it has not been induced to select the heating system described herein on the basis of any financial inducement other than the price of the system made to it by the manufacturer or distributor of the system or the supplier of energy to be used in connection therewith or by any of their agents or employees.

5. Water and Sewer Charges $ 15,152.00

One (1) water meter covers the entire condominium. The Units will not be individually metered for water. The budgeted figure is based upon the water and sewer formula which consists number of families, tubs/shower stalls, toilets that are in each unit, hose bibs, number of floors in the building and street frontages. Water costs are based upon 1,361HCF/yr. at $4.30/HCF and sewer charge is based upon one hundred fifty-nine percent (159%) of water costs. The projection for water and sewer charges is based on the estimate given by Eric Chang, Professional Engineer, of EJC Engineering, PLLC. with office at 136-18 39th Avenue, Suite 703, Flushing, NY 11354.

6. Repairs, Maintenance, Service & Supply $ 5,000.00

The budget figure is for the repair and maintenance of all the common elements such as roof, exterior (including walls, foundations, windows, doors and locks), sewer system, plumbing, electrical work, elevator system, painting and flooring of the common area, and other maintenance services. The budget also includes cost of cleaning supplies, hardware, lighting bulbs and rubbish bags. The snow removal and daily cleaning of the common area and sidewalk will be done by the superintendent. Inasmuch as the Building is a new construction, no major interior and exterior repairs are anticipated. Minor repairs will be done by the superintendent. The budget is based on the operation of comparable properties in the area. The budgeted figure does not include improvements and repairs to, maintenance of, or supplies for individual Units and limited Common elements. Each individual Unit Owner is responsible for improvements and repairs to, maintenance of, and supplies for his/her Unit and those Common Elements irrevocably restricted to his/her use.

7. Insurance $ 45,800.00

(a) The budgeted figure for insurance is based upon an estimate provided by ABC Insurance Agency, Inc., an insurance brokerage firm having an office at 41-25

Kissena Boulevard, Suite 125A, Flushing, New York 11355 (Hereinafter the "ABC"). They have advised that they would be willing to write a policy with the following coverage:

Building-15,000,000.00 Limit, replacement cost, subject to a deductible of $5,000.00 per occurrence;
Maintenance Fee- Actual Loss, no deductible;
Comprehensive General Liability- $1,000,000.00 per occurrence, $2,000,000.00 per aggregate;
Fire Damage Legal Liability- $50,000.00 per occurrence;
Water Damage- subject to the building's deductible

Total anticipated annual premium: $ 45,800.00

(b) The above fire, casualty and general liability insurance will provide for and contain the following:

1. That each unit owner is an additional insured party;

2. that there will be no cancellation without notice to the board of managers;

3. a waiver of subrogation;

4. a waiver of invalidity because of the acts of the insured and unit owners; and

5. a waiver of pro-rata reduction if unit owners obtain additional coverage.

(c) The fire insurance coverage for the building master policy in the amount of $15,000,000.00 budgeted in the Plan is adequate to replace the building in the event of total loss and to avoid being a co-insurer in the event of partial loss.

(d) The above proposed coverage is provided by a company licensed in the State of New York with a best rating of "A"-Excellent, and meets the requirement of any mortgage lender procured by the Sponsor.

(e) (i) ABC recommends the purchase of the following policies at additional costs: Earthquake, Flood, Directors' and Officers' Liability, Fidelity Bond, Boiler & Machinery, Workers Compensation, Disability, Crime, Auto Liability and Excess Liability coverage.

(ii) The budget figure does not include the coverage for the Unit Owner's personal properties. It is recommended that each Unit Owner purchases his/her own insurance to cover losses and damages for his/her personal property.

8. Legal and Auditing $ 6,500.00

The fee for the accountant's services is based on the estimate given by Liming Shi, C.P.A., with office at 136-20 38th Avenue, Suite 9G, Flushing, New York 11354. The figure reflects the estimated cost of $4,000.00 for retaining an accountant to prepare a year end audited financial statement and tax return. This budgeted amount is sufficient for such accountant's services. $2,500.00 is provided for retaining an attorney to represent the Board of Managers in connection with the Condominium's normal business operations. While the Sponsor is in control of the Board, Lawrence Lixin Yang, P.C. with its office at 136-20 38th Avenue, Suite 10E, Flushing, New York 11354 will represent the Board therefor. The amount reflected does not cover extraordinary costs or expenses for additional services rendered or costs incurred to conduct litigation on behalf of the Condominium.

9. Management Fee $ 8,373.00

At or prior to the first closing of title to Unit, the Condominium will enter into management contract with the Sponsor as managing agent for a period of two (2) years. The management fee to be collected by the sponsor is about five percent (5%) of the total common charges. The projected cost for management of the condominium is neither greater than nor substantially less than the prevailing cost (ranging from four percent (4%) to twelve percent (12%)) which would be charged for such services. After one (1) year, either the Board of Managers or the sponsor may terminate the management contract upon sixty (60) days' written notice to the other.

10. Income Tax $ 150.00

(a) Based on the sponsor's tax expert's projection, when the Condominium is in full operation, the Condominium probably will not generate any taxable income except that the Condominium is required to pay the fixed dollar minimum tax (the "FDM") as general business tax payers charged by the State of New York and City of New York (each $75 for gross receipts of more than $100,000.00 but not over $250,000.00) in the amount as indicated in this footnote during the first year of operation. 13 NYCRR§20.3(y)(2).

(b) The income tax projection in this Section G Subsection 10 is arrived at based on the factors that (i) common charges as major income source will most likely be used on estimated expenses as projected; (ii) there is no Reserve Fund, an income generating item, in the budget for this Offering Plan; (iii) the commercial & community facility units will be sold to prospective purchaser(s) and individually owned; and (iv) there are no condominium amenities, such as swimming pool, gym or fitness center, recreation room, public laundry equipment, storage space, internet and/or WiFi in this Condominium as other income generating sources.

11. Contingencies $ 0.00

This budget item, if provided, is generally to provide a fund for unanticipated

expenses or possible increases in operating expenses not now foreseen or other condominium corporate purposes. This fund will be used in the event any income taxes are incurred to the Condominium. The budget may be modified from time to time prior to commencement of or during condominium operation to increase one or more items of expense and decrease the contingency fund. This fund does not include a reserve for capital repair and/or replacement.

12. Reserve Fund $16,747.00

This Reserve Fund is established for major capital improvements, renewal or replacement of building components or systems or for remedy of major building defects. (See Section W in Part I of the Offering Plan for details).

13. Changes in Budget

(a) If the actual or projected commencement of the budget year in the Offering Plan differs by six (6) months or more from the anticipated date of closing of the first unit, the Plan will be amended to include a revised budget which will disclose then current projections. If such amended budget projections exceed the original budget projections by twenty-five percent (25%) or more, all purchasers will have the right within thirty (30) days after the receipt of the amended budget to rescind their offers to purchase and have their deposits refunded.

(b) The Sponsor may not declare the Plan effective where there are any material changes to the budget if such changes have not been disclosed by a duly filed amendment to the Offering Plan.

(From July 1, 2025 to June 30, 2026)

Dear Sir or Madam:

Upon your request, I am setting forth below the estimated energy consumption for the proposed 13-story mixed-use building, to be located at 42-62 Hunter Street, Long Island City, New York 11101, based upon the building plans and other pertinent information furnished by your design teams. I authorize you, the sponsor of said condominium, to include this estimation as a part of your submission to the New York Department of Law and an exhibit to the condominium offering plan.

Each estimation below is based on the current rate plus five percent (5%) increase for inflation allowance.

1. <u>Common Electricity Consumption</u>

This item covers the cost of electricity for cooling and/or heating for the common areas including indoor residential lobby area, corridors, recreation space, stairways, and the utility spaces.

(a) Heating in stairways and utility spaces

Heating Supply (Ton)	kWh/Ton	Hr/Day	Day/Year	Total (kWh/Year)

(b) Heating in common spaces

Heating Supply (Ton)	kWh/Ton	Hr/Day	Day/Year	Total (kWh/Year)
6.5	1.5	6	120	7,020.0

(c) Cooling in common spaces

Cooling Supply (Ton)	kWh/Ton	Hr/Day	Day/Year	Total (kWh/Year)
3.5	1.5	4	90	1,890.0

The total estimated annual electricity consumption for cooling and heating is approximately 10,802.1 (= 1,892.1 + 7,020.0 + 1,890.0) kWhrs.

This item covers the cost of electricity for lighting the common areas and for running the elevator and small motors or pumps.

(a) Lighting

1) Lighting in vestibule, lobby, corridors, recreation room and stairways

Area (Sq. Ft.)	Watt/Sq.Ft.	Hr/Day	Day/Year	Total (kWh/Year)
5,692	0.25	4	365	2,077.6

2) Lighting in utility rooms and storage room

Area (Sq. Ft.)	Watt/Sq.Ft.	Hr/Day	Day/Year	Total (kWh/Year)
1,333	0.25	1	365	121.6

The total estimated annual electricity consumption for lighting is approximately 2,199.2 (= 2,077.6 + 121.6) kWhrs.

(b) Building Service Systems

	Load (Kw)	Use Factor	Total (kWh/Year)
Water & Sewer pumps	9.9	0.2	14,390.6
Elevator	24.3	0.2	14,163.4
Small Motor	32.7	0.2	28,638.3
Total	-	-	57,192.3

• Based on 24 hours full load operation.

The total estimated annual electricity consumption for common areas lighting and building service systems is approximately 59,391.5 (= 2,199.2 + 57,192.3) kWhrs.

Therefore, the aggregated annual electricity consumption for common area heating, cooling, lighting, building service systems and water heating is approximately 70,193.7 (= 10,802.1 + 59,391.5) kWhrs, @ $0.24 per kWhr, the projected annual electricity cost is **$16,846 / year or $1,404 / month**.

2. Common Water and Sewer Consumption

The building has one common water meter. The water and wastewater (sewer) charges are collected together by New York City. The current wastewater rate is charged at 159% of the applicable water charge.

(a) Estimated daily usage for (16) 1-Bed Residential Units: 90 gallons per unit.

(b) Estimated daily usage for (10) 2-Bed Residential Units: 135 gallons per unit.

Estimate Total Daily Usage: 2,790 gallons
Estimated Annual Usage: 1,018,350 gallons = 136,134 cubic feet

Water charge@ $4.30 per 100-cubic feet
Water and sewer@11.13 per 100-cubic feet (= $4.30 x 259%)

Estimated total annual water and sewer cost = **$15,152 / year or $1,263 / month**.

3. Common Gas Consumption

The building has two common residential gas meters. One for residential cooking and one for common hot water heating. A 10% inflation factor has been added over current rates.

(a) Residential cooking

1) (16) One bedroom unit
= (30,000 btu x 2 x 365 x 110%) / 100,000 = 240.9 therms/year

2) (10) Two bedroom unit
= (30,000 btu x 2 x 365 x 120%) / 100,000 = 262.8 therms/year

Residential cooking usage = (16 x 240.9 therms + 10 x 262.8 therms)/year x $1.93 = 6,482.4 therms/year x $1.93 = $12,511/year

Estimated residential cooking annual cost = $12,511/year or $1,043/month

(a) Hot water usage assumption: 1/3 of water usage is hot water and generated by natural gas.

1) (16) One bed room unit = (45 x 2 x 365) / 3 = 10,950 gallons / 160 gallons = 68.4 Therms/year

2) (10) Two bed room unit = (45 x 3 x 365) / 3 = 16,425 gallons / 160 gallons = 102.7 Therms/year

Hot water usage = (16 x 68.4 Therms + 10 x 102.7 Therms) x $1.262 =2,121.6 Therms x $1.262 = $2,677/year

Estimated hot water annual cost = $2,677/year or $223/month

Estimated total gas annual cost = **$15,188/year or $1,266/month**

5. General Assumptions

The projections of the energy consumptions are based upon the following assumptions:

(a) Usage of Electricity

1) Air Conditioning

1) Electrical consumption for air conditioning is based upon the **average** electrical demands of 1.5 kWhr per ton of refrigeration.

2) Each Unit is to operate 450 - 550 equivalent full load hours per year.

3) All rooms are air conditioned with 1 ton of refrigeration covering 400 square feet of interior floor area.

2) Heating

1) Each Unit is to operate 900 – 1,000 equivalent full load hours per year.

2) All rooms are heated with 1 ton of refrigeration running as heat pump covering 400 square feet of interior floor area.

3) Lighting and Appliances

1) Lighting cost is based upon Watts per square foot in compliance with NYCECC Table 9.5.1.

2) The average residential unit is assumed to utilize forty percent of lighting fixtures approximately 8 hours per day and 365 days per year.

3) Appliances cost is based upon 2 Watts per square foot.

4) Electrical consumption for other appliances is based upon normal use of standard appliances, including refrigerator, clothes washer and dryer, televisions, and computers.

(b) Bill

The cost of electricity is based upon the electricity tariff at 23.1 Cents per kWhr.

(c) Heating

The estimated heating energy consumption is based upon the following:

Average winter temperature in New York City	42. 8 degrees Fahrenheit
Degree Days in New York City	4,871
Electricity efficiency	80%
Outdoor design temperature	95 Degrees Fahrenheit
Indoor design temperature	72 Degrees Fahrenheit

The above is only an estimation for reference and not a guaranty or warranty. In view of the current energy situation, it is not possible to predict whether the projection reflects the actual cost to be incurred, which will vary with the level of individual consumption and the actual costs of the utility. Future event or unpredictable factors may substantially affect the cost of energy.

SECTION H (a)

COMPLIANCE WITH REAL PROPERTY LAW SECTION 339 (I)

State of New York
Department of Law
28 Liberty Street, 21st Floor
New York, NY 10005-1413

Re: Hunter Tower Condominium
42-62 Hunter Street
Long Island City, New York 11101

Dear Sir/Madam:

The undersigned is a real estate broker licensed in the State of New York. We have been engaged in the sales and management of at least five(5) cooperative, condominium and rental properties in the course of over ten(10) years.

The sponsor of the Offering Plan for the subject condominium has retained us to review the allocation of common interests applied to the Units contained in Schedule A of the Offering Plan. We have no beneficial interest in the sponsor or the profitability of the subject condominium.

We have reviewed the percentage of common interest allocated to each Unit as shown in Schedule A of the Offering Plan and it is our opinion that such interest for each of the units is in approximate proportion that the fair value of the unit at the date of declaration bears to the then aggregate fair value of all the units in accordance with Section 339-I(1)(i) of the New York State Real Property Law. This allocation method utilizes the calculations of the values of the salable square footage provided by the Sponsor's architect.

Very truly yours,

Grand Development Realty LLC

SECTION I

COMMERCIAL UNIT(S)

1. This Condominium contains one commercial unit(s) located on the cellar and first floor in addition to twenty-seven (27) Residential Unit(s). The proposed use of the Commercial Unit is for retail store purpose. The projected share of expenses attributable to the commercial unit(s) is based on the offering price and square footage of such unit(s). The common charges collected from the Commercial Unit will be based on their percentage of common interests in the Condominium. There is no special allocation of common expenses designated for the Commercial Unit.

2. The common charges payable by each commercial unit owner are sufficient to cover the expenses fairly attributable to such unit.

3. (a) Under the current zoning code, the condominium building is in the mixed zoning district of M1-5 in R7-3, which permits the uses for medium-density apartment houses, such as Class "A" apartments and community facility unit(s) (See Section D, Subsection 1(a) in Part I of the Offering Plan). The maximum floor area ratio permitted for entire mixed use herein is 5 (which means five times of the lot area). The proposed building floor areas allocated among the residential use and commercial use will satisfy the requirements under the NYC Zoning Code.

(b) However, prospective purchasers should note that the commercial unit is not restricted to its proposed use and the commercial unit owner has the right to subdivide the unit (which is also applicable to a commercial unit, if and when so converted as discussed below). If NYC Zoning Code is amended in the future with respect to the zoning district in which this condominium building is located (such as through local zoning authority, community board, and/or upon application of condominium Board of Managers on behalf of all unit owners), commercial unit might be converted into a community facility unit, such as a day care center, or vice versa. Any such conversion of the commercial unit shall be disclosed in a duly filed amendment). Otherwise, the commercial unit owner does not have any rights or obligations which differ from those of the residential unit owners. The difference as described above will not have a material adverse impact upon the Condominium (13 NYCRR § 20.3(j)(6)).

4. (a) Prospective purchasers should further note that although the commercial unit is not restricted to its proposed use, the usage of such space that is commonly considered offensive, such as pornography stores, massage parlors, drug treatment facilities, homeless shelters, is not permissible. This restriction is also applicable to the commercial unit (if converted) (See also Article VI Section 13 of the By-Laws in Part II of the Offering Plan).

(b) Furthermore, Sponsor may not amend the by-laws to allow the currently prohibited uses through its control of the board whether through member appointment or voting control.

5. Except as otherwise provided above or elsewhere in this Offering Plan, community facility unit owners and/or commercial unit owners have the same rights and obligations as residential unit owners pursuant to Section S in Part I and the By-Laws in Part II of this Offering Plan, including, without limitation, casting votes to elect members to the Board of Managers. Community facility unit owners or commercial unit owners are not entitled to separate representation on the Board in addition to that of residential unit owners.

SECTION J CHANGES IN PRICES OR UNIT(S)

1. Changes in Prices

The Offering Price set forth in Schedule A, Section F may only be changed by a duly filed amendment when the price change is an across-the-board increase or decrease affecting one or more lines of Unit(s) or unit models, or is to be advertised or is a price increase for an individual Purchaser. Prices are negotiable. Sponsor may enter into an agreement with an individual purchaser to sell one or more Unit(s) at prices lower than set forth in Schedule A without filing an amendment. No change in the price of a Unit, however, will increase the share of common expenses to be borne by any other Unit Owner. Likewise, no change in the price of a Unit will vary the percentage of common interest appurtenant to such Unit. Some purchasers will pay less or more for the same type of unit.

2. Changes in Sizes and Layout of Unit(s)

(a) Sponsor states that no changes will be made in the size or number of Unit(s), and/or their respective percentage of common interest and that no material change will be made in the size or quality of Common Elements except by amendment to the Plan and to the Declaration, when applicable.

(b) Sponsor further states that unless an affected Purchaser consents, no material change will be made in Unit size, layout, percentage of common interest or in the amount of quality of Common Elements directly affecting or servicing the Unit if a Purchase Agreement has been executed and delivered to Sponsor for that Unit and the purchaser is not in default. 13 NYCRR §20.3(k)(3).

(c) Sponsor further states that unless all purchasers consent, no material change will be made in the size and no material adverse change will be made in the quality of common element.

SECTION K INTERIM LEASES

1. (a) (i) The Sponsor and a Purchaser who is in contract may enter into an interim lease (See Section LL in Part II of the Offering Plan). No rental protection laws are applicable to the interim lease. An uncured default under the Purchase Agreement shall be considered as a default under the interim lease. The interim lessee must vacate the Unit within thirty (30) days after a default under the Purchase Agreement or rescission of the Purchase Agreement by the Lessee. The Lessee's default under the lease, if such defaults are not cured by the time of closing, shall be considered as default under the Purchase Agreement. However, before Sponsor may utilize the default under the lease to declare the default under the Purchase Agreement, Sponsor must either obtain an order of eviction or other judgment or order from a court or agency of competent jurisdiction against the lessee unless the lessee has vacated the Unit.

(ii) Despite the provision in Subsection 1(a)(i) above, a purchaser in contract who desires to enter an interim lease for the unit that he/she is purchasing must obtain prior written consent of the Sponsor.

(iii) In the event that a purchaser in contract has obtained the consent from Sponsor to enter into an interim lease for the unit that he/she is purchasing, he/she, or with the assistance of his/her attorney, may request a copy of the Form Condominium Unit Interim Lease(in the form as Section LL in Part II of the Offering Plan) from the Sponsor or Sponsor's attorney and deliver an executed copy of the same together with the first month's rent (which rent shall be the fair market rent for the city where the Condominium is located and agreed by the Sponsor) and a security deposit equal to three(3) months' rent. Provided that the subject unit is fit for occupancy, Sponsor shall countersign the interim lease and deliver possession to the purchaser within fifteen (15) days as of the date of the lease.

(iv) The sponsor and its agents will not discriminate against any person on the basis of race, creed, color, national origin, sex, age, disability, marital status or other grounds prohibited by law. (13 NYCRR § 20.3(ae)(3))

(b) The sponsor retains the risk of loss until the Purchaser closes title to the Unit. It should be noted that insurance for the condominium covers the Unit but the Purchaser is responsible for the contents of the Unit (i.e., Purchaser's personal property). The risk that an Interim Lessee assumes is the risk of loss for the personal property not covered by the condominium insurance. A person in possession who is not an owner cannot insure the unit since he or she has no ownership interest, and the unit cannot be doubly insured. Thus, the risk of loss cannot, as a practical matter, be passed on to a person in possession. Therefore, a person who takes possession prior to closing assumes the risk of losses that are not covered by insurance.

(c) In the event that there are any inconsistencies between the lease and the Offering Plan, the terms of the Offering Plan shall govern.

2. (a) Upon commencement of the condominium operation, the Board of Managers of the Condominium shall, in compliance with the City of New York Administrative Code § 17-506.1. et al (Local Law 147) and the New York State Department of Law regulations, adopt a condominium smoking policy.

(b) Pursuant to the condominium smoking policy, smoking and/or using an electronic cigarette are prohibited at any time during the daytime and/or nighttime in the following areas of the Condominium: (1) All indoor common areas, including, without limitation, hallway, lobby, corridors, stairs, and any other area to which that Unit Owners and/or Tenants may have access; (2) all indoor areas within a Unit, including, without limitation, the living room, bedroom, kitchen, bathroom, closet, and any other area to which that the owner of the Unit and/or its Tenant may have access; (3) all limited common elements, including, without limitation, balconies, terraces, backyards, and any other area to which access is limited to the owner of one Unit and/or its Tenant; and (4) all outdoor areas, including, without limitation, common courtyards, rooftops, balconies, terraces, and patios, any area within fifteen(15) feet of the entrance and/or exit of, walk or path from and/or to, the Condominium, and any other outdoor area of the Condominium to which that Unit Owners and/or Tenants may have access.

(c) The condominium smoking policy is a material term of the Offering Plan and is incorporated into and form part of the Purchase Agreement (See Section AA, Subsection 35, and Exhibit C thereto annexed in Part II of the Offering Plan), the Interim Lease (See Section LL, Subsection 47, and Exhibit I thereto annexed in Part II of the Offering Plan) and the Condominium By-Laws (See Article VI, Section 13 Restrictions on Use of Units of the Condominium By-Laws in Part II of the Offering Plan). It must be incorporated into any agreement to rent a Unit or part thereof.

(d) The condominium smoking policy will be applicable to all Unit Owners, Tenants, the invitees as well as any other person on the premises.

SECTION L PROCEDURE TO PURCHASE

A complete copy of the Purchase Agreement (Hereinafter the "Agreement") is contained in Section AA, Part II of the Plan. The Sponsor hereby offers for sale the Unit(s) to be constructed in the Condominium for residential occupancy.

1. The sales price at which the Unit(s) are being offered are shown in detail in Schedule A. Sponsor reserves the right to change the sales price (See Section J in Part I of the Offering Plan). Any such changes will not affect the common interest of the Unit; however, some purchasers may pay less or more for the same Unit.

2. Any person may accept Sponsor's offer to sell the Unit(s) by entering into a Purchase Agreement with Sponsor. The Agreement provides that Purchasers will purchase from Sponsor a designated Unit in Hunter Tower Condominium Declaration creating such condominium. No Purchase Agreement shall be given to a prospective purchaser for execution until the expiration of at least three (3) business days from the date on which the Offering Plan and all filed amendments thereto have been delivered to such Purchaser for review. Any conflict between the Plan and the Purchase Agreement shall be resolved in favor of the Plan. Upon signing the Purchase Agreement, Purchaser shall make a down payment in the amount equal to ten percent (10%) of the purchase price or any other amount, but not less than $10,000.00 per Unit plus the cost of any special work ordered by Purchaser and itemized in the Purchase Agreement. Upon purchaser's full payment of the purchase price at closing, in cash or by mortgage, Purchaser will receive a bargain and sale deed with covenants against grantor's acts and containing the provisions set forth in Section 13 Subdivision 5 of the Lien Law, which will convey good and marketable or insurable title to him/her/it of fee ownership in the Unit and such percentage of common interest in the common elements as set forth in Schedule A, free and clear of all liens and encumbrances other than those set forth in Section N, Subsection 12 in Part I of the Offering Plan. The Purchase Agreement may be modified with the consent of Purchaser and Sponsor in a manner not inconsistent with the law, or with the terms of this Plan. Within twenty (20) days after delivery by Purchaser of an executed Purchase Agreement together with the required down payment, Sponsor will either (a) accept the Agreement offer and fully execute, or (b) reject the Agreement offer and refund the down payment. If the Sponsor takes no action within said twenty (20) day period, the Purchase Agreement shall be deemed rejected by Sponsor.

3. The law firm of Lawrence Lixin Yang, P.C., with an address at 136-20 38th Avenue, Suite 10E, Flushing, New York 11354, and a telephone number of (718) 886-7999, shall serve as escrow agent (Hereinafter the "Escrow Agent") for the Sponsor and Purchaser. Escrow Agent has designated the following attorney(s) to serve as signatories: Lawrence (Lixin) Yang. All designated signatories are admitted to practice law in the State of New York. Neither the Escrow Agent nor any authorized signatories on the account are the Sponsor, Selling Agent, Managing Agent, or any principal thereof, or have any beneficial interest in any of the foregoing.

4. The Escrow Agent has established the escrow account at Citibank, located at 215

Jericho Turnpike, Floral Park, NY 11001, in the State of New York (Hereinafter the "Bank"), a bank authorized to do business in the State of New York. The escrow account is entitled Hunter Tower Condominium Escrow Account (Hereinafter the "Escrow Account"). The Escrow Account is an IOLA account. The Escrow Account is federally insured by the FDIC at the maximum amount of $250,000.00 per deposit. Any deposit in excess of $250,000.00 will not be insured. Furthermore, if purchasers have accounts at the same bank as sponsor's account that holds escrowed funds, purchaser funds at the escrow bank factor into the $250,000 insurance limit.

5. All Deposits received by Purchaser shall be in the form of checks, money orders, wire transfers, or other instruments, and shall be made payable to or endorsed by the Purchaser to the order of Lawrence Lixin Yang, P.C., as Escrow Agent.

6. Any Deposits made for upgrades, extras, or custom work shall be initially deposited into the Escrow Account, and released in accordance to the terms of a written agreement between Purchaser and Sponsor.

7. No fees of any kind may be deducted from the Escrow Account, and the Sponsor shall bear all costs associated with the maintenance of the Escrow Account.

8. A copy of the Purchase Agreement is attached hereto as Section AA in Part II of the Plan. The relevant escrow trust fund provisions are included in Subsection 11 of the Purchase Agreement, which must be executed by the Escrow Agent.

9. Within five (5) business days after the Purchase Agreement has been tendered to Escrow Agent along with the Deposit, the Escrow Agent shall sign the Purchase Agreement and place the Deposit into the Escrow Account. With ten (10) business days of the placing the deposit in the Escrow Account, Escrow Agent shall provide written notice to Purchaser and Sponsor, conforming the Deposit. The notice shall provide the account number. Any Deposits made for upgrades, extras, or custom work shall be initially deposited into the Escrow Account, and released in accordance with the terms of the Purchase Agreement.

10. The Escrow Agent is obligated to send notice to the Purchaser once the Deposit is placed in the Escrow Account. If the Purchaser does not receive notice of such deposit within fifteen (15) business days after tender of the Deposit, he or she or it may cancel the Purchase Agreement within ninety (90) days after tender of the Purchase Agreement and Deposit to Escrow Agent. Complaints concerning the failure to honor such cancellation requests may be referred to the New York State Department of Law, Real Estate Finance Bureau, 28 Liberty Street, 21st Floor, New York, NY 10005. Rescission shall not be afforded where proof satisfactory to the Attorney General is submitted establishing that the Deposit was timely placed in the Escrow Account in accordance with the New York State Department of Law's regulations concerning Deposits and requisite notice was timely mailed to the Purchaser.

11. All Deposits, except for advances made for upgrades, extras, or custom work

received in connection with the Purchase Agreement, are and shall continue to be the Purchaser's money, and may not be comingled with any other money or pledged or hypothecated by Sponsor, as per GBL § 352-h.

12. Under no circumstances shall Sponsor seek or accept release of the Deposit of a defaulting Purchaser until after consummation of the Plan, as evidenced by the acceptance of a post-closing amendment by the New York State Department of Law. Consummation of the Plan does not relieve the Sponsor of its obligations pursuant to GBL §§ 352-e (2-b) and 352-h.

13. The Escrow Agent shall release the Deposit if so directed:

(a) Pursuant to the terms and conditions set forth in the Escrow Agreement and/or the Purchase Agreement upon closing of title to the Unit; or

(b) In a subsequent writing signed by both Sponsor and Purchaser; or

(c) By a final, non-appealable order or judgment of a court.

14. If the Escrow Agent is not directed to release the Deposit pursuant to Subsection 13(a) through (c) above, and the Escrow Agent receives a request by either party to release the Deposit, then the Escrow Agent must give both the Purchaser and Sponsor prior written notice of not fewer than thirty (30) days before releasing the Deposit. If the Escrow Agent has not received notice of objection to the release of the Deposit prior to the expiration of the thirty (30) day period, the Deposit shall be released and the Escrow Agent shall provide further written notice to both parties informing them of said release. If the Escrow Agent receives a written notice from either party objecting to the release of the Deposit within said thirty (30) day period, the Escrow Agent shall continue to hold the Deposit until otherwise directed pursuant to Subsection 13(a) through (c) above. Notwithstanding the foregoing, the Escrow Agent shall have the right at any time to deposit the Deposit contained in the Escrow Account with the clerk of the county where the [Unit/Building] is located and shall give written notice to both parties of such deposit.

15. The Sponsor shall not object to the release of the Deposit to:

(a) A Purchaser who timely rescinds in accordance with an offer of rescission contained in the Plan or an Amendment to the Plan; or

(b) All Purchasers after an Amendment abandoning the Plan is accepted for filing by the Department of Law.

The Department of Law may perform random reviews and audits of any records involving the Escrow Account to determine compliance with all applicable statutes and regulations.

16. Any provision of any Purchase Agreement or separate agreement, whether oral or

in writing, by which a Purchaser purports to waive or indemnify any obligation of the Escrow Agent holding any Deposit in trust is absolutely void. The provisions of the Attorney General's regulations and GBL §§ 352-e (2-b) and 352-h concerning escrow trust funds shall prevail over any conflicting or inconsistent provisions in the Purchase Agreement, Plan, or any amendment thereto.

17. In the event of a default by Purchaser under the Purchase Agreement, which default continues for thirty (30) days after written demand for payment based upon such default from Sponsor to Purchaser, the down payment to a maximum of ten percent (10%) of the purchase price plus the actual cost of any special work ordered may be released to Sponsor from such account as liquidated damages and thereafter neither party shall have any rights or obligations against or to the other. The Sponsor must give thirty (30) days written notice of default before forfeiture of deposit is declared. TIME IS OF THE ESSENCE TO CURE SUCH DEFAULT WITHIN SAID THIRTY (30) DAY PERIOD. The deposit money may be withdrawn prior to closing in the event the Plan is abandoned or Purchaser defaults or the Purchase Agreement is rescinded. If the Purchase Agreement is rescinded or Sponsor cannot convey title to the Unit for any reason other than default by Purchaser, all monies advanced by Purchaser shall be returned to Purchaser. If the Plan is abandoned, all the deposit monies shall also be returned to Purchaser together with the interest earned thereon, if any.

18. The deposit monies may be released upon mutual written consent of Sponsor and Purchaser. The deposit money may also be released if Purchaser has executed a Mortgage Rider, complied with the terms therein and failed to obtain a mortgage loan or where Purchaser can lawfully rescind the Purchase Agreement without being in default.

19. The Escrow Agent is obligated to maintain all records concerning the Escrow Account for seven (7) years after release of funds. The Attorney General's Office may review and audit any records involving escrow accounts to determine compliance with statute and regulation.

20. Before funds are transferred to a new escrow account, or if the Escrow Agent is replaced, the Plan must be amended to provide the same full disclosure with respect to the new account, the Escrow Agent and the escrow agreement as was originally provided for. A bond, letter of credit or other security may be substituted for the escrow account only after the Department of Law approves in writing the use of such alternate form of security, pursuant to the provisions of paragraph (4) of this subdivision.

21. Notwithstanding anything to the contrary set forth above, in the event that the Attorney General's Regulations are modified or changed, the effect of which is to eliminate some or all of the Escrow Agent's obligations under the Escrow Agreement, then the Plan, terms of the Escrow Agreement, this section, and all then existing Purchase Agreement, and all Purchase Agreements executed thereafter, shall be amended accordingly. The foregoing does not affect a purchaser's right of rescission if any such amendment has a material effect.

22. Purchaser should note that in the event a Purchaser is entitled to a rescission,

Purchaser will not receive any funds which he initially placed in the escrow account for the upgrade or extra works, if such works have been completed and the funds have been released to the Sponsor from the escrow account. Nonetheless, if the sponsor abandons the plan, funds for special work will also be returned to a purchaser.

23. After the Plan has been declared effective, the Sponsor will fix dates for closing title to all Unit(s) for which purchase agreements have been executed by serving notice on each purchaser stating the date of the first closing and setting such purchaser's closing date. Such notice will be served in compliance with section 20.1(d)(1) of this Part 20(see 13 NYCRR§20.3(d)(1)) no less than 30 days before the date set for the closing of the Unit(s). The Sponsor herein permit Purchasers to waive this 30-day provision. 13 NYCRR §20.3(o)(11).

24. If the requirement for Purchaser to close the transaction is contingent upon Purchaser obtaining a written mortgage commitment letter from a mortgage lender, the balance of the purchase price is not payable until closing of title to the Unit.

25. The Sponsor anticipates that the first closing of the Unit will occur on or about July 1, 2025. Purchasers will be offered a right of rescission if the actual date of closing of title to the first Unit occurs later than June 30, 2026, i.e., twelve (12) months after the projected date for the closing of title to the first Unit. If the Plan is amended to provide a later projected date for the first closing, purchasers who enter into purchase agreements after the amendment is accepted for filing will be entitled to an offer of rescission if the first closing occurs more than twelve (12) months beyond that amended, later date.

26. (a) However, if the first closing occurs on or before July 1, 2025, the Sponsor may schedule the closings of title to other Unit(s) significantly later that such date. Unless your Purchase Agreement contains an outside closing date, the Sponsor is not obligated to schedule your closing within any specified time frame or to ensure that closing of title to your Unit will occur by any date certain.

(b) Furthermore, Purchasers should note that even if the first closing occurs on or before July 1, 2025 (or such other date projected as the date of commencement of the operation at the time the purchase agreement was entered into), or within the twelve (12) month period thereafter, the closing of subsequent Unit(s) may be substantially delayed beyond such dates if a TCO has not been issued for such Unit(s) or for the floor on which such Unit(s) are located. In such case, provided that sponsor is diligently pursing completion of construction and the issuance of a certificate of occupancy and is otherwise in compliance with its obligations under the Plan, Purchaser will not be entitled to a right of rescission or to make claims against the sponsor for damages or losses as a result of such delays and will not be excused from paying the full purchase price for the Unit. PROSPECTIVE PURCHASERS SHOULD THEREFORE CAREFULLY CONSIDER THE POSSIBILITY OF SUCH DELAYS IN THEIR DETERMINATION AS TO WHETHER TO PURCHASE A UNIT.

27. (a) The Unit(s) may be purchased for all cash, or may be purchased partly for

cash and the balance for the purchase price financed by mortgage loan. If a purchaser of a Unit requires mortgage financing, the purchase agreement will be conditioned upon such Purchaser obtaining a commitment from a lending institution of his own choosing. Any mortgage lien given by a Purchaser to a lender will be governed by the New York State Condominium Act.

(b) Therefore, if the obligations of a purchaser under a Purchase Agreement are not conditioned on obtaining financing, any prospective purchaser who executes a Purchase Agreement and does not obtain financing may lose his or her deposit if he or she is unable to otherwise raise the monies for the balance of the purchase price. Prospective purchasers who require financing are advised to consult with a lending institution before execution of a Purchase Agreement. No representation is made by the sponsor as to the availability or cost of such financing.

(c) If Purchaser desires to make his or her or its obligations under the Purchase Agreement contingent upon obtaining a commitment for financing or actual financing for the purchase of the Unit, he or she or it may do so by executing a Mortgage Addendum as attached to the Purchase Agreement. Under the Mortgage Addendum, Purchaser will have forty-five (45) days after receipt of a fully executed copy of the Purchase Agreement to obtain a commitment for financing. In the event that Purchaser is unable to obtain such commitment after a good faith effort, either party may rescind the contract. Sponsor reserves the right to grant Purchaser reasonable extensions of said period of time. But Purchaser must notify Sponsor in writing within seven (7) calendar days by certified mail, return receipt requested, if Purchaser is unable to obtain the commitment after the 45-day period.

28. (a) Purchasers should note that the financing commitment for Purchaser of a Unit may have expiration dates prior to which closing of title to the Unit must occur, and the terms of the commitment may change prior to actual closing. If Purchaser's financing commitment lapses or expires prior to closing, and Purchaser has made a good faith effort to extend the commitment, Sponsor must grant such Purchaser a right of rescission and a reasonable period of time to exercise that right afforded under 13 NYCRR§20.3(o)(18).

(b) Note that under New York law, when a mortgage commitment is not fulfilled through no fault of a purchaser, performance is excused. Therefore, if the purchaser acts in good faith and the lender revokes the loan commitment after the contingency period expires, performance is excused, and Sponsor must grant to such purchaser a right of rescission and a reasonable period of time to exercise such right.

29. Purchasers should further note that Sponsor may grant Purchaser the right to obtain financing from a second lender if Purchaser so requests, but it will entail further costs and an additional waiting period. It is a special risk for Purchaser.

30. It is also a special risk for Purchaser if Purchaser should fail to execute the Mortgage Addendum, in which case, his obligation to consummate the purchase transaction will NOT be contingent upon obtaining financing.

31. Purchaser should further note that the Purchase Agreement will provide that Purchaser's failure to provide information to the lender promptly upon request thereof, or to accept a commitment issued to Purchaser by lender on terms set forth in the Purchaser Agreement shall constitute a default by Purchaser under the Agreement, whereupon Sponsor shall have remedies as set forth therein.

32. The Purchase Agreement is contingent upon effectiveness of the Plan. If the Plan is abandoned, all Purchase Agreements will be deemed cancelled.

33. The Purchase Agreement does not contain and may not be modified to contain a provision waiving Purchaser's rights or abrogating Sponsor's obligations under the Offering Plan or under Article 23-A of the General Obligations Law (See Section DD in Part II of the Offering Plan). Any conflict between the Offering Plan and the Purchase Agreement will be resolved in favor of the Plan.

34. The risk of loss from fire or other casualty to the Unit, common elements and limited common elements remains with Sponsor unless and until legal title to the Unit has been conveyed to Purchaser. Thereafter, it passes to the Unit Owner together with the limited common elements to which the Unit Owner has access and its proportional share of the common elements.

35. It should be noted that insurance for the condominium covers the Unit but the Purchaser is responsible for the contents of the Unit (i.e. Purchaser's personal property).

36. It is a special risk if Purchaser enters into possession prior to closing in which case, Purchaser assumes the risk of loss for property not covered by the insurance for the Unit(s) and for any Purchaser who enters into possession before closing. It is recommended that Purchaser obtain insurance for his/her personal property.

37. If an Interim Lease is entered pursuant to Section K, the risk that an Interim Lessee assumes is the risk of loss for the personal property not covered by the condominium insurance. A person in possession who is not an owner cannot insure the unit since he or she has no ownership interest, and the unit cannot be doubly insured. Thus, the risk of loss cannot, as a practical matter, be passed on to a person in possession. Therefore, a person who takes possession prior to closing assumes the risk of losses that are not covered by insurance.

38. (a) In the event that loss or damages have resulted from fire or other casualty to the Unit(s), common elements and limited common elements prior to closing, the notification to the purchasers in contract will be given within ten (10) days after the occurrence of the casualty.

(b) Furthermore, Sponsor will notify the purchasers in contract within fourteen (14) days of such occurrence whether or not it will repair any damage resulting from a casualty prior to the closing of a Unit:

(i) If Sponsor elects to repair such damages, it will do so as promptly as possible and restore the Unit, common elements and limited common elements to substantially the same condition as prior to the casualty. In such a case, a purchaser will be required to make a good faith effort to extend the term of the commitment to enable the Sponsor to repair the damage, but in the event that an extension is not obtained, the purchaser will be offered a right of rescission.

(ii) If Sponsor elects not to repair such damages, it will notify Purchaser of its intention to terminate this Agreement and return to Purchaser all sums deposited hereunder (including advances made for upgrades, extras, or custom work, if any) within ten (10) days, and upon such return, this Agreement shall be null and void and neither party shall have any further rights, obligations or liability to or against the other arising out of this Agreement and the Plan.

(See Section AA, Subsection 18(g) in Part II of the Offering Plan.)

39. If the closing delays more than six (6) months due to Sponsor's inability to repair the damages, Purchaser may also rescind the contract and receive the refund of downpayment, in addition to any other right of rescission granted to Purchaser under the Plan.

40. (a) At the time of closing, Purchaser is required to sign a Power of Attorney to the Board of Managers of the Condominium appointing the members of the Board of Managers as Attorneys-In-Fact to carry out any of the provisions of the Offering Plan including acquisition, leasing, or sale of the Unit(s) by the Board of Managers pursuant to Declaration and By-laws of the Condominium and filing the amendments to the Declaration of Condominium. A form copy of Power of Attorney is included as Section CC in Part II of this Offering Plan.

(b) In the event that Purchaser fails to execute the Power of Attorney to the Board of Managers of the Condominium at closing, Purchaser shall be in default and Sponsor will be entitled to all the rights under the Purchase Agreement and this Offering Plan (13 NYCRR § 20.3(o) (14)) (See Section AA Subsections 8 and 15, in Part II of this Offering Plan).

41. At Sponsor's option Purchasers will be afforded either:

(a) Not fewer than seven (7) days after delivering an executed purchase agreement together with the required deposit to rescind the purchase agreement and have the full deposit refunded promptly. The purchaser must either personally deliver a written notice of rescission to the sponsor or selling agent within the seven-day period or mail the notice of rescission to the sponsor or selling agent and have the mailing post-marked within the seven-day period; or

(b) Not fewer than three (3) business days to review the offering plan and all filed amendments prior to executing a purchase agreement.

(13 NYCRR§20.3(o) (15).)

42. (a) The Purchase Agreement may not be assigned without prior written consent of Sponsor.

(b) With regard to consent to any proposed assignment of the Purchase Agreement, Sponsor and its agents will not discriminate against any person on the basis of race, creed, color, national origin, sex, age, disability, marital status or other grounds prohibited by law (13 NYCRR § 20.3(ae)(3)).

SECTION M

ASSIGNMENT OF PURCHASE AGREEMENTS

1. Purchaser shall not have the right to assign this Agreement without prior written consent of Sponsor/Seller and any purported assignment of this Agreement in violation hereof shall be voidable at the option of Sponsor/Seller.

2. With regard to consent to any proposed assignment of purchase agreement, Sponsor and its agents will not discriminate against any person on the basis of race, creed, color, national origin, sex, age, disability, marital status or other grounds prohibited by law (13 NYCRR § 20.3(ae)(3).)

3. In the event that Sponsor grants consent to the assignment of purchase agreement, Sponsor shall base its decision mainly on the creditworthiness and net worth of the assignee purchaser. Such decision will be objective and nondiscriminatory.

SECTION N EFFECTIVE DATE

Sponsor's offer to sell Unit(s) hereunder is contingent upon the Plan being declared effective in accordance with relevant conditions and time periods. All Purchase Agreements are contingent upon such effectiveness. In declaring the Plan effective, the following will govern:

1. Closing of title to Unit(s) will not occur before the Plan has been declared effective, and the effectiveness amendment has been accepted by Attorney General's Office for filing. The Plan will be declared effective by personal service of notice on every Purchaser or by commencement of service by regular mail or registered or certified mail with or without return receipt requested addressed to Purchaser's last known residence or if Purchaser has provided written information of an alternative address for notices, addressed to Purchaser at the alternative address.

2. (a) The Plan may not be declared effective until Purchase Agreements executed by bona fide Purchasers have been accepted by Sponsor for not less than fifteen percent (15%) of the Unit(s), or five (5) Unit(s) (The term of Unit may include Residential Unit, Commercial Unit, Community Facility Unit, and Parking Space Unit. However, only Residential Unit(s), Commercial Unit(s) and/or Community Facility Unit(s) that are not of an ancillary nature, will be counted towards effectiveness.), offered under the Plan, as same may be amended. The following Purchase Agreements shall not be counted toward effectiveness:

(i) Purchaser Agreements signed by Purchasers who have been granted a right of rescission that has not yet expired or been waived; or

(ii) Purchaser Agreements of which Purchasers were not afforded no fewer than seven (7) days to rescind after delivering an executed Purchase Agreement together with the required deposit; or

(iii) Purchaser Agreements of which Purchasers were not afforded no fewer than three (3) business days to review the Offering Plan prior to executing a Purchase Agreement (See also Section L Subsection 41 in Part I of the Offering Plan). (13 NYCRR§ 20.3(o)(15)

(iv) Purchase Agreements with any purchaser who is Sponsor, the selling agent, or the managing agent or is a principal of Sponsor, the selling agent, or the managing agent or relating to any principal of Sponsor or the selling agent or managing agent by blood, marriage, or adoption or as a business associate, an employee, a shareholder or a limited partner; except that such a Purchaser other than Sponsor or a principal of Sponsor may be included if Sponsor has submitted proof satisfactory to the Department of Law establishing that the purchaser is bona fide.

(b) After acceptance of such Agreements, the Plan may be declared effective by Sponsor.

(c) Notwithstanding the fact that not all purchasers used for purposes of declaring the plan effective may actually close, sponsor will re-declare the plan effective if all purchase agreements are either rescinded or terminated prior to the date of first unit closing, regardless of whether the condominium declaration has been recorded.

3. The Plan must be declared effective when Purchase Agreements are accepted for the sale of eighty percent (80%) of the Unit(s), or twenty-three (23) Unit(s), offered under the Plan.

4. The Plan may be abandoned by Sponsor, at its sole and unrestricted option, at any time before it is declared effective or before eighty percent (80%) of the Units, or twenty-three (23) Units, have been purchased. In the event Sponsor has decided to abandon the Plan after it has accepted Purchase Agreements, Sponsor shall promptly submit an amendment to the Office of the Attorney General along with Form RS-3 as promulgated by the Office of the Attorney General. If any payments have been received by Sponsor under the Purchase Agreements, such payments shall be returned in the form of checks in full amount with any interest earned thereon within five (5) days after the amendment abandoning the Plan has been accepted for filing by the Office of the Attorney General.

5. (a) The Plan may not be abandoned once it has either been declared effective or eighty percent (80%) of the Units, or twenty-three (23), have been purchased, except as follows:

(i) If there is a defect in title which cannot be cured without litigation or cannot be cured for less than one-half (½) of one percent (1%) of the total amount of the offering; or

(ii) Substantial damage or destruction of the building by fire or other casualty which cannot be cured for less than one-half (½) of one percent (1%) of the total amount of the offering; or

(iii) The taking of any material portion of the property by condemnation or eminent domain.

(b) Any stated dollar amount relied upon as a basis for abandonment after effectiveness must exclude any attorney's fees or any such title defects or determinations of any authority or regulatory association which exist on the date of presentation of the Plan and are either known to Sponsor or are a matter of public record.

6. Sponsor agrees that copies of all Purchase Agreements (and any amendments or modifications) will be delivered to the Department of Law within five (5) business days of a request for inspection by the Department of Law.

SECTION O TERMS OF SALE

The terms "Closing of Title" is intended to signify the passage of title to a particular Unit from Sponsor to Purchaser. The Sponsor agrees, prior to closing, to comply with the following:

1. A temporary or final Certificate of Occupancy and all necessary permits will be obtained for the Condominium Building in which the Unit is located. The Sponsor declares that all Unit(s) will be constructed in accordance with the plans and specifications identified in this Plan. A closing will take place only concurrently with the issuance of a temporary or final Certificate of Occupancy for the entire project or, issuance of a partial, temporary or final Certificate of Occupancy for the Unit closed or the building in which the Unit is located. All purchasers shall close once a Temporary Certificate of Occupancy is issued.

2. The Sponsor will not provide any mortgage financing for the purchase of a Unit.

3. (a) Purchasers are advised that in New York City, newly constructed and newly renovated buildings are sometimes offered as condominium projects without a Final Certificate of Occupancy (Hereinafter the "FCO") covering the entire building, but with only a Temporary Certificate of Occupancy (Hereinafter the "TCO"), and sometimes with several successive Temporary Certificates of Occupancy. Certificates of Occupancy are generally governed by Section 301 of the New York Multiple Dwelling Law and local building codes and rules. Both TCOs and FCOs are issued by the New York City Department of Buildings (Hereinafter the "DOB"). A TCO is intended to indicate that the property is safe for occupancy, but means that not all of the construction work and/or inspection have been performed, or that not all of the required documents have been submitted to the DOB. All TCOs have an expiration date. A TCO typically expires ninety (90) days after the date of issuance. When a TCO expires and is not renewed, it may be difficult to buy insurance, refinance, or sell Unit(s). In New York City, it is common for sponsors to commence unit closings when some or all Unit(s) are covered by a TCO rather than an FCO. Sponsor anticipates this scenario may occur. Sponsor and its principals will undertake the responsibility for extending each TCO received prior to expiration thereof, and ultimately for obtaining an FCO covering the entire building within two (2) years from the date of the issuance of the first TCO. However, Sponsor and its principals make no representation or guarantee that DOB will issue the FCO within such two (2) year period. NOTWITHSTANDING THE FOREGOING, SPONSOR AND ITS PRINCIPALS ARE OBLIGATED TO PROCURE THE FCO FOR THE ENTIRE BUILDING, AND SHALL EXERCISE BEST EFFORTS TO OBTAIN THE FCO WITHIN SUCH TWO (2) YEAR PERIOD WHILE KEEPING THE TCO CURRENT. NO CHANGE OF USE OR OCCUPANCY SHALL BE MADE UNLESS A NEW CERTIFICATE OF OCCUPANCY IS ISSUED. Unit owners and the Board of Managers shall be obligated to cooperate with and refrain from obstructing Sponsor in these undertakings.

(b) Buyers are advised to visit the DOB website for further recommendations

when purchasing a unit in a building that does not have an FCO. A Factsheet on Certificates of Occupancy is available on the DOB website at https://www1.nyc.gov/site/buildings/property-or-business-owner/certificate-of-occupancy.page

4. The Declaration, By-Laws, and floor plans will be recorded and filed with the Office of the City Register of the City of New York in accordance with the New York Condominium Act or other applicable law. These documents will be recorded or filed prior to the first conveyance of title to a unit.

5. At or prior to closing, all liens affecting the Unit to be closed and its undivided common interest will be discharged or a partial release obtained and duly recorded as required by Section 339-R of the Condominium Act. Sponsor shall have the right to extend the closing for a period not to exceed six (6) months, calculated from the issuance of a Temporary Certificate of Occupancy, if applicable, in order to obtain and be able to convey marketable title. If at the end of such six (6) months period, Sponsor is still unable to satisfy aforementioned condition, Purchaser shall be entitled to terminate the Purchase Agreement upon ten (10) days' written notice. Furthermore, Purchaser shall be entitled to a return of all down payments and interest, if any, thereon plus the reasonable cost incurred for any title searches or survey. The foregoing shall not limit or affect any other rights of rescission provided to the Purchaser in this Plan or under law.

6. The Purchaser will be given written notice of the closing at least thirty (30) days prior thereto, and given an opportunity to inspect the Unit and other property subject to the Declaration.

7. The Purchaser will receive a Bargain and Sale Deed with covenant against grantor's acts in proper form for recording (See Section DD in Part II of the Offering Plan).

8. Sponsor will file an amendment to this Plan to disclose that it has been declared effective. No closing may be held until the effectiveness amendment has been accepted by Attorney General for filing.

9. All personal property located within the Unit on the date the Purchase Agreement is signed or located within the common elements on the date the Declaration is filed, that is owned by Sponsor or the owner of the property, is included in the conveyance unless specifically excepted in the Offering Plan. Sponsor will assign to the Unit Owner any manufacturers' warranties (to the extent assignable) with respect to all equipment, appliances or furnishings installed in the Unit.

10. Sponsor will assign to the Board of Managers any warranties (to the extent assignable) with respect to all equipment and appliances or furnishings installed in the common elements.

11. The Purchaser shall execute an instrument in the form set forth as Section CC, designating the Board of Mangers as his Attorneys-In-Fact, coupled with an interest, for

the sole purpose of managing, selling mortgaging, leasing, voting or otherwise dealing with any Unit(s) acquired by the Board of Managers in accordance with any of the provisions of the By-Laws.

12. (a) Title to each Unit and its appurtenant interest in the common elements will be conveyed at the closing free and clear of all liens, encumbrances and title exceptions subject to the following:

(i) Sewer, water, drainage, electricity, plumbing, heating, gas, telephone and other utility easements and consents, if any, granted or to be granted thereafter, including the right to maintain and operate lines, wires, cables, pipes, conduits, poles, and distribution boxes in, over, under and upon the Condominium.

(ii) All easements set forth in the By-Laws and Declaration as they are subsequently recorded and in the Plan and Purchase Agreement including:

(I) Easements in favor of the other Unit Owners to use the pipes, wires, conduits and public utility lines located in the common elements or in the Unit itself servicing each other Unit(s) and easements of necessity in favor of the other Unit(s) or the common elements;

(II) Easements in favor of the Board of Managers, its agents, contractors and employees to have a right of access to the Unit(s) and to the common elements to inspect, maintain or repair or to make repairs to the Unit to prevent damage to the common element or any other Unit(s);

(III) Easements in favor of those Unit(s) having restricted use to portions of the common elements;

(IV) Easements for the continuance of encroachments on the Unit and on the common elements by other Unit(s) or portions of the common elements, now existing or hereafter occurring by reason of the settling or shifting of the Unit(s), or by reason of the repair and/or restoration by the Board of Managers of the Unit(s) or the other Unit(s) or the common elements, after damage by fire or other casualty or after taking in condemnation or eminent domain proceedings, or by reason of an alteration to the common elements made by the Board of Managers, so that any such encroachment may remain as long as the Unit(s) stand;

(iii) The standard printed exceptions in the title policy of the company insuring title.

(iv) Consequences of the exercise and enforcement or attempted enforcement of any governmental, war or policy powers over the premises.

(v) Any laws, regulations or ordinances (including, but not limited to zoning, building, and environmental protection) as to use, and issuance of a Final

Certificate of Occupancy of the Building in which the Unit is located, subdivision or improvement of the premises adopted or imposed by any governmental body, or the effect of any noncompliance with or any violation thereof, provided that to the extent any such laws should have a material impact on the quiet enjoyment and use of the premises as contemplated under the Offering Plan, said laws shall be disclosed in the Offering Plan or in an amendment to the Offering Plan.

(vi) Judgments against the insured or estates, interests, defects, objections, liens, or encumbrances created, suffered, assumed or agreed to, by or with the privity of the insured.

(vii) Title to any property beyond the lines of the premises, or title to areas within or rights or easements in any abutting streets, roads, avenues, lanes, ways or waterways, or the right to maintain therein vaults, tunnels, ramps, or any other structure unless the title policy specifically provides that such titles, rights or easements are insured.

(viii) Title to any personal property, whether the same be attached to or used in connection with said premises or otherwise.

(ix) The Purchaser has been served with a written notice of closing date thirty (30) days in advance and opportunity to inspect the Unit and other property subject to the Declaration.

(x) Rights of Tenants, if expressly provided for in the Purchase Agreement.

(xi) Sponsor assigns any manufacturers' warranties with respect to equipment installed in the unit to the Unit Owner and assigns any warranties with respect to equipment installed in common elements to the Board of Managers and such facts do not conflict with the representations made in the Offering Plan concerning the Unit(s) and Condominium.

(xii) Encroachments of stoops, areas, cellar steps or doors, trim, copings, retaining walls, bay windows, balconies, sidewalks, elevators, fences, fire escapes, cornices, foundations, footings, and similar projections, if any, on, over, or under the streets or sidewalks abutting the property and the rights of governmental authorities to require the removal of any such projections and variations between record lines of the property and retaining walls and the like, if any.

(xiii) The lien of any unpaid common charges, real estate tax, water charge or sewer rent, provided that, at the closing of title, the amount thereof plus interest and penalties thereon, if any, shall be deducted from the Purchase Price and allowed as a credit to the Purchaser or, at Sponsor's election, shall be paid by Purchaser from the contract deposit without deduction from the balance of the Purchase Price due to

Sponsor; provided further that the title company of Purchaser's own choice will insure against collection of the same out of the Unit.

(xiv) Any other declaration or other instrument affecting the property which Sponsor deems necessary or appropriate to comply with any law, ordinance, regulation, zoning, resolution, or requirement of the Department of Buildings, the City Planning Commission, the Board of Standards and Appeals, or any other public authority.

(xv) Any other encumbrance against the property other than mortgage or other lien for the payment of money, which does not prevent the use of the Unit or the Condominium or any part thereof for its prescribed purposes or render title unmarketable.

(xvi) State of facts shown in the survey of the land as existent and any additional state of facts which a subsequent survey or personal inspection thereof would show, provided such facts would not prevent the use of the Unit or the Condominium or any part thereof for its purposes or render title unmarketable.

(xvii) (I) This Condominium Building shall NOT be subject to the Housing Merchant Implied Warranty under Article 36-B of the General Business Law of the State of New York. Under the relevant provisions, a housing merchant implied warranty shall mean that: (i) one (1) year from and after the warranty date (which is defined as the date of the passing of title to the first owner for occupancy by such owner or such owner's family as a residence, or the date of first occupancy of the home, in this case, the Unit, as a residence, whichever first occurs) the Unit will be free from defects due to a failure to have been constructed in a skillful manner; (ii) two (2) years from and after the warranty date the plumbing, electrical, heating, cooling and ventilation systems of the Unit will be free from defects due to a failure by the builder to have installed such systems in a skillful manner; and (iii) six (6) years from and after the warranty date the Unit will be free from material defects.

(II) The Sponsor will assign to the Purchaser upon closing of title to his Unit and the Board of Managers upon the recording of the Declaration as applicable, warranties, if any, or manufacturers and subcontractors warranties relating to heating, electrical work, plumbing and appliances, as well as bonds relating to the Purchaser's unit of the common elements respectively, if any. Sponsor undertakes to do the above only to the extent that warranties are actually made by such manufacturers and subcontractors and only to the extent such warranties and bonds are assignable. Subsequent to the conveyance of title to a Unit, Sponsor shall not be responsible for paint touch-ups to a Unit, dented porcelain or formica chips. Sponsor has no obligation to make any repair to the Unit(s) or the common elements except as expressly set forth in a survival agreement or a Final Inspection Statement and Punchlist entered between the parties at closing.

(III) Notwithstanding any warranty transferred to the Condominium or unit owners, the Sponsor/Seller remains liable to perform the construction of the premises in accordance with the Plan and applicable law. Therefore, if

there are any patent or latent defects in the construction of the Condominium Unit and the Common Elements or in the installation or operation of any mechanical equipment therein due to materials or improper workmanship substantially at variance with the plans and specifications, Sponsor/Seller will cure such defects as promptly as possible, provided that it is notified of them in writing by certified mail within one (1) year from the date of the closing of title to the Unit in which the alleged defect exists, or in the case that such defect exists in the Common Elements, the date of substantial completion of such Common Elements, whichever later occurs, unless there is a latent defect due to faulty construction by Sponsor that could not be discovered within such timeframe.

(b) Pursuant to 13 NYCRR§20.3(r)(8), if existing mortgages will not be satisfied at or prior to the closing of the first unit, at the time of conveyance of the first unit, each mortgagee will either: (i) consent to the formation of a condominium and acknowledge that its lien will be limited to unsold condominium Unit(s); or (ii) subordinate the lien of its mortgage to the declaration of condominium; or (iii) release its lien on the condominium unit being conveyed.

(c) If requested by the purchaser, Liberty Land Abstract, Inc. with an address at 42-40 Bell Boulevard, Suite 103, Bayside, NY 11361, an authorized agent for Chicago Title Insurance Company, a title insurance company licensed to do business in New York State, will agree at the rates set by the New York Board of Title Underwriters and generally charged by title companies for such Condominium insurance as set forth in Section O Part I of the Plan, to insure (i) that Purchaser has insurable fee title in the Unit, free and clear of all liens and encumbrances except those set forth in Subsection 12(a)(i) through (xv) of this section, subject to the provisions of the Declaration and By-Laws and any mortgage executed by Purchaser; (ii) with respect to the easements, covenants and agreement affecting title to the Unit, the title company will affirmatively insure that none of same affect the use and maintenance of the premises as a condominium; and (iii) that the Condominium was validly formed pursuant to Article 9-B of the Real Property Law. Purchasers are free to use a title insurance company of their choice without incurring a penalty and Sponsor will be obligated to convey the title to each unit and appurtenant common elements free and clear of all liens, encumbrances and title exceptions.

(d) The Sponsor has been advised by its counsel, Lawrence Yang, Esq./Lawrence Lixin Yang, P.C. at 136-20 38th Avenue, Suite 10E, Flushing, NY 11354 that in its counsel's opinion, none of the exceptions to title herein above set forth are contrary to the terms of the Purchase Agreement nor do they interfere with the quiet use or enjoyment of Purchaser's Unit. Sponsor represents and warrants that none of the exceptions listed above render title unmarketable.

THE UNDERLYING DOCUMENTS CONCERNING THE EXCEPTIONS NOTED ABOVE WILL BE AVAILABLE TO A PURCHASER'S ATTORNEY FOR INSPECTION AT THE OFFICE OF THE SPONSOR.

13. (a) The risk of loss from fire or other casualty to the Unit(s), common elements and limited common elements remains with Sponsor unless and until legal title

to the Unit has been conveyed to Purchaser. Thereafter, it passes to the Unit Owner together with the limited common elements. It should be noted that insurance for the condominium covers the Unit but the Purchaser is responsible for the contents of the Unit (i.e., the Purchaser's personal property). In the case of an interim lessee, the risk of loss is upon such lessee for the losses (i.e., Purchaser's personal property) not covered by the condominium's (or the Sponsor's, if the casualty occurs before the first closing) insurance.

(b) It is a special risk if Purchaser enters into possession prior to closing in which case, the Purchaser assumes the risk of loss for property not covered by the insurance for the Unit(s) and for any Purchaser who enters into possession before closing. It is recommended that Purchaser obtain insurance for his/her/its personal property.

(c) (i) In the event that loss or damages have resulted from fire or other casualty to the Unit(s), common elements and limited common elements prior to closing, the notification to the purchasers in contract will be given within ten (10) days after the occurrence of the casualty.

(ii) Furthermore, Sponsor will notify the purchasers in contract within fourteen (14) days of such occurrence whether or not it will repair any damage resulting from a casualty prior to the closing of a unit:

(I) If Sponsor elects to repair such damages, it will do so as promptly as possible and restore the unit, common elements and limited common elements to substantially the same condition as prior to the casualty. In such a case, a purchaser will be required to make a good faith effort to extend the term of the commitment to enable the Sponsor to repair the damage but in the event that an extension is not obtained, the purchaser will be offered a right of rescission.

(II) If Sponsor elects not to repair such damages, it will notify Purchaser of its intention to terminate this Agreement and return to Purchaser all sums deposited hereunder (including advances made for upgrades, extras, or custom work, if any) within ten (10) days, and upon such return, this Agreement shall be null and void and neither party shall have any further rights, obligations or liability to or against the other arising out of this Agreement and the Plan.

(See also Section L, Subsection 38 in Part I of the Offering Plan.)

(d) In the event the closing delays more than six (6) months due to Sponsor's inability to repair the damages, Purchaser may also rescind the contract and receive the refund of downpayment, in addition to any other right of rescission granted to Purchaser under the Plan.

SECTION P

UNIT CLOSING COSTS AND ADJUSTMENTS

The Purchaser will be required to pay for the following at closing:

1. (a) Mortgage Costs. Purchaser will pay costs for obtaining mortgage financing of his/her/its Unit, including, but not limited to application costs, points, bank attorney fees, credit check and appraisal fee. Fee for recording mortgage is $107.00 for the 1st two pages and $5.00 for each additional page according to current information available. The mortgage recording fee varies depending upon the number of pages contained in the mortgage prepared by purchaser's lender.

(b) Fee Title Insurance Charges. The current schedule of rates set by the New York Board of Title Underwriters and generally charged by title companies(which purchasers are free to use of their choosing without incurring a penalty) for such Condominium insurance are as follows: a basic rate of $402.00 on the first $35,000.00 of fee insurance; $6.34 for each additional $1,000.00 between $35,001.00 and $50,000.00; $5.16 for each additional $1,000.00 between $50,001.00 and $100,000.00; $4.14 for each additional $1,000.00 between $100,001.00 and $500,000.00; $3.78 for each additional $1,000.00 between $500,001.00 to $1,000,000.00; and $3.48 for each additional $1,000.00 between $1,000,001.00 to $5,000,000.00. There will be additional premiums if Purchaser obtains mortgage insurance as well as fee insurance. The present premium for the mortgage title insurance is calculated at the following rates: $327.00 on the first $35,000.00 of the mortgage amount; $5.27 for each additional $1,000.00 between $35,001.00 and $50,000.00; $4.31 for each additional $1,000.00 between $50,001.00 and $100,000.00; $3.46 for each additional $1,000.00 between $100,001.00 and $500,000.00; $3.14 for each additional $1,000.00 between $500,001.00 and $1,000,000.00; and $2.90 for each additional $1,000.00 between $1,000,001.00 to $5,000,000.00. If a Purchaser obtains the fee title insurance and mortgage title insurance simultaneously the premium for mortgage insurance will be reduced to thirty percent (30%). These rates only apply to the initial Purchaser of each Condominium Unit. Rates for subsequent Purchasers will be higher. For example, the fee title insurance charge for a Unit No. 3B with a purchase price of $488,000.00 will be around $2,341.42. If the purchaser obtains a mortgage equal to approximately eighty percent (80%) of the purchase price ($390,400.00) in the same transaction, the Purchaser must pay $487.90 as additional premium for mortgage title insurance.

2. Fee collected by the City Register for recording the deed is $62.00 and the Power of Attorney is $52.00. Title Company may collect additional $25.00 to $75.00 for their service charge. In addition, $125.00 for the Residential Unit(s) for the New York State Real Property Transfer Report filing fee will be collected by the City Register.

3. (a) (i) New York State Real Estate Transfer Tax is currently $2.00 per $500.00, or a fraction thereof, of the purchase price. The payment of real estate transfer taxes is the legal obligation of the Sponsor (13 NYCRR § 20.3(s)(1)); however, by

contractual arrangement it will be paid by Purchaser. For example, if the purchase price is $488,000.00, New York State Real Estate Transfer Tax will approximately be $1,952.00.

(ii) The State of New York Department of Taxation and Finance has taken the position that when a Purchaser assumes the obligation to pay the New York State Real Estate Transfer Tax pursuant to a contract between the Sponsor and Purchaser, the amount of such tax shall be excluded from the calculation of consideration subject to tax.

(b) (i) New York City Real Property Transfer Tax rates are as follows:

Residential Unit(s):	$500,000.00 or less	1%
	$500,001.00 and more	1.425%

(ii) Again, the payment of real estate transfer taxes is the legal obligation of the Sponsor (see Id.); however, by contractual arrangement it will be paid by Purchaser. For example, the New York City Real Property Transfer Tax for the purchase price of $488,000.00 will approximately be $4,880.00.

(iii) The City of New York Department of Finance has taken the position that when a Purchaser assumes the obligation to pay the New York City Real Property Transfer Tax, the amount of such tax will be included in the consideration subject to tax.

(c) Mortgage Recording Tax for the Residential Unit(s) currently is 2.05% for a mortgage in the amount of less than $500,000.00, and 2.175% for a mortgage in the amount of $500,000.00 or more. For example, mortgage recording tax for a mortgage in the amount of $390,400.00 will approximately be $8,003.20. However, most of the lenders offering a residential 1st mortgage will pay 0.25% of mortgage tax.

4. Proration of real estate taxes, and common charges assessed during the month in which title clears, as of the closing date, is based upon the latest bill for such taxes or charges.

5. (a) Mortgage Tax Credit. Section 339-ee (2) of the New York Real Property Law provides as follows:

"In the event the proceeds of a construction mortgage were applied to construction of a unit of a condominium submitted to the provisions of this article, or in the event that a unit submitted to the provisions of this act was subject to a blanket mortgage whose proceeds were applied exclusively to payment of the construction mortgage or to capital expenditures or expenses for the development or operation of the condominium, or to purchase of land or buildings for the condominium provided that such purchase was no more than two years prior to the recording of the declaration of condominium, and a mortgage recording tax was duly paid on such construction or

blanket mortgage in accordance with article eleven of the tax law, then, as each unit is first conveyed, there shall be allowed a credit against the mortgage recording taxes . . . that would otherwise be payable on a purchase money mortgage, said credit to be in the amount resulting from the product of the purchaser's pro rata percentage of interest in the common elements and the mortgage tax already paid on the construction or blanket mortgage."

(b) The Condominium currently is Not subject to a construction mortgage. In the event sponsor obtains a construction mortgage and any mortgage tax credit becomes available, pursuant to the above section, it is specifically understood that such credit shall inure to the benefit of the Sponsor. Accordingly, at closing, each Purchaser electing mortgage financing shall pay the full amount (but not in excess thereof) of the mortgage recording tax chargeable on the entire amount being financed. At closing, Sponsor shall be reimbursed to the extent of the mortgage tax credit allowed.

6. Purchasers shall be required to contribute one (1) month's common charges as a contribution to working capital. This contribution shall not be credited against regular assessments.

7. Purchaser shall be liable for all costs incurred in obtaining mortgage financing of his Unit.

8. (a) Pursuant to 13 NYCRR § 20.3(s) (5), if Unit(s) have not been separately assessed for real estate tax purposes prior to the closing of title to the first Unit, Sponsor will place in a special escrow account with its attorneys or a proper third party, in the name of the Board of Managers, an amount equal to the unpaid real estate taxes which will be levied against the parcel for the six (6) month period following the first closing. The Board of Managers will pay the real estate taxes from the escrow account when taxes are due and payable and Sponsor, as the funder of the escrow account, will be entitled to reimbursement from unit owners to the extent of actual assessment.

(b) The amount of the real estate tax escrow will be disclosed in the first post-closing amendment.

(c) No adjustments are expected to occur between the Sponsor and the condominium board.

9. The following closing fees will be charged by the attorney for Sponsor/Seller in connection with the closing of title to the Unit(s):

(a) Attorney Fee. A closing fee in the amount of (x) $2,000.00 for a residential unit, (y) $4,000.00 for a commercial/community facility unit, or (z) $2,000.00 for a parking space unit (if carried out as an independent transaction) will be charged by the attorney for Sponsor in connection with the closing of title to the Unit(s).

(b) Assignment/Amendment Fee. A legal fee in the amount of $350.00 for

each assignment of, and/or amendment to, the Purchase Agreement required by the Purchaser.

(c) Attendance Fee. The closing is to be held at the office of Sponsor/Seller's Attorney. There will be an additional $350.00 attendance fee if Purchaser desires to have the closing at a location other than the office of Sponsor's attorney.

(d) Assistance Fee for Mortgage Application. If the Purchaser's obligations under this Agreement are contingent upon obtaining a mortgage pursuant to Paragraph 13(b) of the Purchase Agreement and Purchaser requires Sponsor/Seller's attorney to provide assistance in obtaining such mortgage(such as providing Attorney Escrow Letter, documents on sales and closing of condominium units, status of condominium, condominium questionnaire and other related information to the Purchaser's mortgage lender and/or broker), Purchaser is willing to pay an additional amount of $350.00 to Sponsor/Seller's attorney as legal fee.

(e) In the event that the Purchaser desires to terminate or otherwise cancel the Purchase Agreement that is fully executed and in full force and effect, the Purchaser agrees to pay fifty percent (50%) of the Sponsor/Seller's attorney fee (for example, $1,175.00 with assistance in obtaining purchase mortgage, or $1,000.00, without such assistance, for a residential unit, or a parking space unit), unless such termination or cancellation is due to the fact that Sponsor/Seller is in default and Purchaser is entitled to such termination or cancellation.

10. (a) The estimated total closing costs of Unit 3B, if the purchase price is $488,000.00 and the Purchaser obtains a mortgage equal to eight percent (80%) of the Purchase Price, will be as follows:

Title Insurance premium:	
Fee	$ 2,341.42
Mortgage	$ 487.90
Recording Fee:	
Deed	$ 62.00
Power of Attorney	$ 52.00
Recording service fee	$ 75.00
NYS Real Property Transfer Report Filling Fee	$ 125.00
NYS Deed Real Estate Transfer Tax	$ 1,952.00
NYC Real Property Transfer Tax	$ 4,880.00
Mortgage Tax	$ 8,003.20
Closing Fee for Sponsor's Attorney	$ 2,350.00
Contribution to Working Capital Fund	$ 282.36
Total:	$ 20,673.88

(b) The above estimate does not include Purchaser's mortgage costs and cost for recording mortgage, which vary depending upon the lending institution, and title search charges.

SECTION Q

RIGHTS AND OBLIGATIONS OF THE SPONSOR

The rights and obligations of the Sponsor pursuant to this Plan shall be as follows:

1. (a) (i) Sponsor is obligated to build and complete the Condominium in accordance with the building plans and specifications identified in this Plan. Sponsor has sufficient funds to complete the construction of the Condominium and did not obtain a construction loan from any lender.

(ii) Sponsor shall have the right to substitute equipment or materials and make modifications of layout or design; provided, however, that Sponsor may only substitute equipment or materials of Equal or Better Quality as defined herein

(13 NYCRR §20.3 (t)(10)(i)).

(b) Sponsor may not change the size or location of the Condominium Building, Unit(s), other improvements or Common Elements if such changes affect the percentage of common interests or adversely affect the value of any Unit to which title has closed or for which a Purchase Agreement has been executed and is in effect unless all affected Unit Owners and contract vendees consent in writing to such change (13 NYCRR §20.3 (t)(10)(ii)) and all affected Purchasers are given the right to rescind and receive a fund of any deposit or down payment plus interest.

2. (a) Sponsor and its Principals are required, prior to closing of the first Unit, to obtain a Temporary or Final Certificate of Occupancy for the Condominium Building. In the event Sponsor and its Principals close title to a Unit prior to obtaining a Final Certificate of Occupancy, Sponsor and its Principals are required to obtain a Final Certificate of Occupancy within two (2) years of closing title to the first Unit and, in no event, before expiration of an applicable Temporary Certificate of Occupancy, as same may be renewed, replaced, or extended. Purchasers are obligated to close, once a Temporary Certificate of Occupancy is issued.

(b) Pursuant to 13 NYCRR § 20.3 (t) (13), if the first closing takes place prior to the issuance of a Final Certificate of Occupancy for the property, Sponsor is required to maintain all deposits and funds in the special escrow account required by GBL Section 352-e (2-b) unless Sponsor's engineer, architect or other qualified expert certifies that a lesser amount will be reasonably necessary to complete the work needed to obtain a Final Certificate of Occupancy, in which case the sum exceeding the amount so certified by Sponsor's engineer, architect or other qualified expert may be released from the special escrow account. Alternatively, Sponsor must deposit with an escrow agent an unconditional, irrevocable letter of credit, post a surety bond in the amount so certified, or provide other collateral acceptable to the Department of Law. However, the use of any alternate security will be previously disclosed in an amendment to the Offering Plan. Additionally, the amount of any escrow retained for the issuance of a Final Certificate of

Occupancy shall be disclosed in the post-closing amendment.

(c) Purchasers are advised that in New York City, newly constructed and newly renovated buildings are sometimes offered as condominium projects without a Final Certificate of Occupancy (Hereinafter the "FCO") covering the entire building, but with only a Temporary Certificate of Occupancy (Hereinafter the "TCO"), and sometimes with several successive Temporary Certificates of Occupancy. Certificates of Occupancy are generally governed by Section 301 of New York Multiple Dwelling Law and local building codes and rules. Both TCOs and FCOs are issued by the New York City Department of Buildings (Hereinafter the "DOB"). A TCO is intended to indicate that the property is safe for occupancy, but that not all of the required documents have been submitted to the DOB. All TCOs have an expiration date. A TCO typically expires ninety (90) days after the date of issuance. When a TCO expires and is not renewed, it may be difficult to buy insurance, refinance, or sell Unit(s). In New York City, it is common for sponsors to commence unit closings when some or all Unit(s) are covered by a TCO rather than an FCO. Sponsor anticipates this scenario may occur. Sponsor and its principals will undertake the responsibility for extending each TCO received prior to expiration thereof, and ultimately for obtaining an FCO covering the entire building within two (2) years from the date of the issuance of the first TCO. However, Sponsor and its principals make no representation or guarantee that DOB will issue the FCO within such two (2) year period. Furthermore, because Sponsor and the By-Laws of the Condominium may permit unit owners to undertake renovations to individual Unit(s) prior to the procurement of an FCO, such renovation may cause additional delays in the issuance thereof. NOTWITHSTANDING THE FOREGOING, SPONSOR AND ITS PRINCIPALS ARE OBLIGATED TO PROCURE THE FCO FOR THE ENTIRE BUILDING, AND SHALL EXERCISE BEST EFFORTS TO OBTAIN THE FCO WITHIN SUCH TWO (2) YEAR PERIOD WHILE KEEPING THE TCO CURRENT. NO CHANGE OF USE OR OCCUPANCY SHALL BE MADE UNLESS A NEW CERTIFICATE OF OCCUPANCY IS ISSUED. Unit owners and the Board of Managers shall be obligated to cooperate with a refrain from obstructing Sponsor in these undertakings.

Prospective purchasers are advised to visit the DOB website for further recommendations when purchasing a unit in a building that does not have a FCO. A Factsheet on Certificates of Occupancy is available on the DOB website at: https://www.nyc.gov/site/buildings/property-or-business-owner/certificate-of-occupancy.page

3. Sponsor agrees to pay for all authorized and proper work involved in the construction, establishment and sale of the Condominium Unit(s), and the Condominium's property, and to cause all mechanics' liens with respect to such construction to be promptly discharged or bonded.

4. The Sponsor has an obligation to defend any suits or proceedings arising out of Sponsor's acts or omissions and to indemnify members of the Board of Managers and the unit owners pursuant to 13 NYCRR§ 20.3 (t)(2).

5. After delivery of deed to Purchaser, Sponsor shall be required to perform all obligations imposed under this Plan, Article 23-A of the General Business Law, 13 NYCRR Part 20 and all other applicable laws.

6. Following the issuance of a Final Certificate of Occupancy for the Building, Sponsor agrees to deliver a set of "as built" plans filed with the recording of the declaration of any amendment thereto and in addition will provide the Board with a full set of building plans filed with the local municipality together with any field changes made during the course of the construction.

7. Intentionally deleted.

8. (a) The Sponsor shall be obligated to pay all common charges, special assessments and real estate taxes with respect to unsold Unit(s). Sponsor represents that it has the financial resources to meet its obligations with respect to unsold Unit(s). In addition, Sponsor will secure payment of such financial obligations by setting aside $26,360.34 of the proceeds from the sale of the first Unit and depositing such amount into the escrow account of the Sponsor's attorney after the closing of the first Unit. Said amount is equal to two (2) months' worth of the first-year common charges. The deposit of such funds will be disclosed in the initial post-closing amendment.

(b) If the Fund is not earlier exhausted, Escrow Agent is authorized to release the Fund, or the balance thereof, to Sponsor, if any, within five (5) days after one (1) year has elapsed since the closing of title to the first Unit, unless Escrow Agent receives notice of objection to the release of the Fund prior to the expiration of the five (5) day period from the Board of Managers.

NO BOND OR OTHER SECURITY HAS BEEN OR WILL BE POSTED TO SECURE SPONSOR'S OBLIGATIONS.

9. The Sponsor Agrees to procure fire and casualty insurance, as set forth in Section G, Schedule B in an amount equal to the insurance replacement value or in an amount sufficient to avoid co-insurance. Such insurance will provide that there will be no cancellation without notice to the Board of Managers and all Unit Owners.

10. Pursuant to Section 352-e (9) for the General Business Law, Sponsor agrees to keep copies of the Plan and Exhibits and documents referred to in the Plan on file at the office of Sponsor for six (6) years from the date of recording the Declaration for examination by any person who has purchased a Condominium interest offered by this Plan or otherwise participated in this offering.

11. The Sponsor will not voluntarily take any action which will prevent Sponsor from carrying out all of its obligations under the Plan. However, should Sponsor liquidate or dissolve prior to fulfillment of all obligations, Unit Owners shall be relegated to pursue any and all remedies under law, if any. In the event of the dissolution or liquidation of Sponsor or the transfer of ten (10) or more units or more Unit(s) or twenty percent (20%) or more of the total number of Unit(s) in the Condominium, whichever is less, the

principals of Sponsor will provide financially responsible entities or individuals who will assume the status and all of the obligations of Sponsor for those Unit(s) under the Offering Plan, applicable laws or regulations.

12. (a) (i) Given the fact that it is more than five (5) stories in height, this Condominium Building shall NOT be subject to the Housing Merchant Implied Warranty under Article 36-B of the General Business Law of the State of New York. Under the relevant provisions, a housing merchant implied warranty shall mean that: (i) one (1) year from and after the warranty date (which is defined as the date of the passing of title to the first owner for occupancy by such owner or such owner's family as a residence, or the date of first occupancy of the home, in this case, the Unit, as a residence, whichever first occurs) the Unit will be free from defects due to a failure to have been constructed in a skillful manner; (ii) two (2) years from and after the warranty date the plumbing, electrical, heating, cooling and ventilation systems of the Unit will be free from defects due to a failure by the builder to have installed such systems in a skillful manner; and (iii) six (6) years from and after the warranty date the Unit will be free from material defects.

(ii) The Sponsor's obligation, regardless of any limitations in the warranties or in the Plan, is to construct the premises in accordance with all applicable codes and filed plans and specifications, and that any conflict between the disclaimers and the sponsor's obligation to construct the premises in accordance with all applicable codes and filed plans and specifications shall be resolved in favor of the latter.

(b) (i) The Sponsor will assign to the Purchaser upon the closing of title to his Unit and the Board of Managers upon the recording of the Declaration as applicable, warranties, if any, or manufacturers and subcontractors warranties relating to heating, electrical work, plumbing and appliances, as well as bonds relating to the Purchaser's unit of the common elements respectively, if any. Sponsor undertakes to do the above only to the extent that warranties are actually made by such manufacturers and subcontractors and only to the extent such warranties and bonds are assignable. Subsequent to the conveyance of title to a Unit, Sponsor shall not be responsible for paint touch-ups to a Unit, dented porcelain or formica chips. Sponsor has no obligation to make any repair to the Unit(s) or the common elements except as expressly set forth in the survival agreement, or an Inspection Statement and Punchlist in the form as Exhibit B hereto annexed (See Section AA Purchase Agreement in Part II of the Offering Plan), entered between the parties at closing after the Purchaser's inspection of the Unit. Sponsor does not warrant materials or workmanship of each Unit or common elements except as stated in this paragraph.

(ii) Pursuant to Subsection 18 of the Purchase Agreement, Purchaser has the right to examine his/her/its Unit with a representative of the Sponsor/Seller during normal business hours prior to the Closing Date and will sign and deliver to Sponsor/Seller on or before the Closing Date a Final Inspection Statement and Punchlist as described in Subsection 12(b)(i) above, acknowledging the condition in which he/she/it has received his/her/its Unit and accept title.

(c) Notwithstanding any warranty transferred to the Condominium or unit owners, the Sponsor/Seller remains liable to perform the construction of the premises in accordance with the Plan and applicable law. Therefore, if there are any patent or latent defects in the construction of the Condominium Unit and the Common Elements or in the installation or operation of any mechanical equipment therein due to materials or improper workmanship substantially at variance with the plans and specifications, Sponsor/Seller will cure such defects as promptly as possible, provided that it is notified of them in writing by certified mail within one (1) year from the date of the closing of title to the Unit in which the alleged defect exists, or in the case that such defect exists in the Common Elements, the date of substantial completion of such Common Elements, whichever later occurs, unless there is a latent defect due to faulty construction by Sponsor that could not be discovered within such timeframe.

13. The Sponsor will pay all expenses incurred prior to the establishment of the Condominium in connection with establishment, and will bear and pay all costs and expenses incurred in connection with the creation of the Condominium, whenever such costs or expenses are incurred, or in connection with the sale of all the Unit(s) held or owned by Sponsor (Except for costs specifically made payable by Purchaser under this Plan) and will pay all selling expenses including but not limited to, advertising and printing costs, architect fees and costs of filing this plan and amendments thereto.

14. As described above, Sponsor has sufficient funds to complete the construction of the condominium building. Sponsor will be obligated to pay off and otherwise comply with the terms of any mortgage on the entire Condominium. Before the closing of title to the first Unit, all liens and mortgages affecting the property shall be paid and satisfied on the Unit being conveyed and its appurtenant common interest shall be released therefrom by partial release (13 NYCRR § 20.3(t)(9)).

15. In accordance with Section 339-P of the Real Property Law, a registered architect or licensed professional engineer shall certify that the floor plans filed with the recording of the Declaration are a substantially accurate copy of portions of the plans of the building as filed with and approved by the municipality or other governmental subdivision having jurisdiction over the issuance of permits for the construction of the building.

16. (a) The Sponsor (its successors, assigns or designees) may offer all or any unsold Unit(s) for lease. Purchasers of any such leased Unit(s) will be purchasing Unit(s) that have been previously occupied. Sponsor will notify Purchasers of Unit(s) that have been previously occupied and will set forth the conditions in which such Unit will be delivered (including outstanding warranties, if any). There shall be no obligation of or any other offeror of such Unit to decorate, refurbish or in any way repair such Unit.

(b) With regard to the sale of the Unit(s) offered in Schedule A, Sponsor is committed to sell all the Units under this Offering Plan and will endeavor in good faith to sell all of the Unit(s) in a reasonably timely manner. However, the Sponsor is retaining the unconditional right to rent after the plan has been consummated.

(c) If Sponsor makes a bulk sale of all or some of its unsold Unit(s), the transferee-successor of Sponsor is bound by Sponsor's representation regarding its commitment to sell Unit(s).

17. (a) As a condition of sales of Unit(s) pursuant to this Plan, Sponsor reserves to itself, its successors, assigns, designers, invitees, contractors, agents, employees and tenants any and all easements and rights of access, in and to Unit(s) and common elements consistent with the purposes of the Plan and Sponsor's rights and obligations thereunder. Such rights shall include the following, but not be limited thereto:

(i) The right to maintain general and sales and leasing office(s) and personnel on the premises, to post signs, and to conduct other activities connected with promotion, sales, leasing, such as inspection by and display of vacant or leased Unit(s), as well as the common elements, to prospective purchasers or lessees;

(ii) Right of access in and to Unit(s) and common elements for purposes of construction, repair, refurbishments correction, alterations, finishing, servicing (including, but not limited to garbage collection) and similar work; and Sponsor reserves the easements, licenses, rights and privileges of a right-of-way in, through, over under and across the common elements of the Condominium for the purpose of completing construction and sale of Unit(s) and facilities in the Condominium and, towards this end, reserves the right to grant and reserve easements and right-of-way in, through, under, over, and across the common elements for installation, maintenance and inspection of lines and appurtenances for public or private water, sewer, drainage, cable television, and other utilities and for any other materials or services necessary for the completion of the work. Sponsor also reserves the right to connect with and make use of the utility lines, wires, pipes, conduits, cable television, sewers and drainage lines which may from time to time be in or along the streets and roads of other areas of the common elements. Finally, Sponsor reserves the right to continue to use the common elements, any facilities, sales offices, model Unit(s), signs, and parking spaces located on the common elements, in its efforts to market Unit(s) constructed in the Condominium. Sponsor will be obligated to repair any damage to the common property caused as a result of its use and the easements, licenses, rights and privileges of a right-of-way to repair the Condominium. With regard to Sponsor's right to access in and to Unit(s), a reasonable prior notice shall be given to the Unit Owner, and Sponsor shall use its best effort not to interfere with the owner's use of his/her Unit. All works shall be performed during reasonable hours.

(iii) Right to alter any Unit or common elements subject to filed amended plan and/or specifications, consistent with this offering.

(b) Sponsor shall have the rights enumerated herein for so long as Sponsor owns at least one Unsold Unit or to the extent necessary to enable Sponsor to uphold its obligations under the offering plan and applicable law.

18. (a) In the event that loss or damages have resulted from fire or other casualty to the Unit(s), common elements and limited common elements prior to closing, Sponsor

will notify a purchaser within fourteen (14) days of such occurrence whether or not it will repair any damage resulting from a casualty prior to the closing of a Unit:

(i) If Sponsor elects to repair such damages, it will do so as promptly as possible and restore the Unit, common elements and limited common elements to substantially the same condition as prior to the casualty. In such a case, a purchaser will be required to make a good faith effort to extend the term of the commitment to enable the Sponsor to repair the damage but in the event that an extension is not obtained, the purchaser will be offered a right of rescission.

(ii) If Sponsor elects not to repair such damages, it will notify Purchaser of its intention to terminate this Agreement and return to Purchaser all sums deposited hereunder (including advances made for upgrades, extras, or custom work, if any) within ten (10) days, and upon such return, this Agreement shall be null and void and neither party shall have any further rights, obligations or liability to or against the other arising out of this Agreement and the Plan.

(iii) If the closing delays more than six (6) months due to Sponsor's inability to repair the damages, Purchaser may also rescind the contract and receive the refund of downpayment, in addition to any other right of rescission granted to Purchaser under the Plan.

Sponsor's obligations as set forth in this Section will survive delivery of any Unit Deed.

(b) Except as specifically set forth herein, no bond or other security has been furnished to secure performance of the above. All obligations pertaining to the common elements shall be enforceable only by the Board of Managers on behalf of the Unit Owners and not by the individual Unit Owners. However, nothing herein shall prevent an individual Unit Owner from bringing an action in the nature of derivative actions against the Board of Managers. During the time the principals of the Sponsor control the Board, it is within their sole power to enforce the obligation of Sponsor pertaining to the common elements and, therefore, Sponsor agrees that during such period it will, in its capacity as the Board of Managers, enforce such obligations when required to do so by a resolution duly passed by a majority of the Unit Owners, excluding Sponsor, at a special meeting of the Unit Owners called for such purpose.

SECTION R CONTROL BY THE SPONSOR

1. The extent to which Sponsor may exercise voting control over the Board of Managers under this Plan, as it may be hereinafter amended from time to time, is as follows:

(a) During the Initial Sponsor Control Period, i.e., before the sale of the last Unit or two (2) years from the closing of title to the first Unit, whichever first occurs, Sponsor shall be entitled to designate all the members of the Board of Managers. Under this Plan, Sponsor has designated three (3) board members, who will be the Managers sitting on the Board. If the Sponsor voluntarily gives up control before the Initial Sponsor Control Period ends, Sponsor shall be entitled to vote for Managers in accordance with the By-Laws; provided, however, that should Sponsor be unable to obtain equivalent representation in proportion to the number of Units owned by Sponsor through such electoral process, Sponsor shall be entitled to appoint one (1) Manager out of the three (3) Board of Managers (See Subsection 1(b) of this Section below) so long as it holds at least one of the Units for sale in the ordinary course of business.

(b) Within thirty (30) days after the Initial Sponsor Control Period, Sponsor will immediately give up control over the Board of Managers, and a meeting will be held to elect a new board of three (3) members. All Unit owners, including Sponsor, will vote in the same capacity for the new three (3) member board.

(c) However, the By-Laws of the Condominium do not require that after the Initial Sponsor Control Period, a majority of the Board of Managers must be owner-occupants or members of an owner-occupant's household who are unrelated to the Sponsor and its principals. This means that Purchasers for their own occupancy may never gain control of the Board of Managers under the terms of this Plan. Owner-occupants and non-resident owners, including Sponsor, may have inherent conflicts on how the Condominium should be managed because of their different reasons for purchasing, i.e., purchase as a home as opposed to as an investment.

(d) In addition, so long as Sponsor has any unsold Units remaining, no amendment to the By-Laws or the Declaration affecting the rights of Sponsor shall take place without the written consent of Sponsor.

2. In the event that Sponsor voluntarily gives up control of the Board of Managers before all units are sold, so long as Sponsor or its designees shall continue to own Units representing twenty-five percent (25%) or more in common interest, but in no event later than five (5) years from closing of title to the first Unit, the Board of Managers may not, without Sponsor's prior written consent: (i) make any addition, alteration or improvements to the common elements costing cumulatively more than $10,000.00, the foregoing not to include necessary repairs and maintenance work, or (ii) assess any common charges for the creation of, addition to, or replacement of all or part of a reserve, contingency or surplus fund, or (iii) hire an employee in addition to the employees referred to in the Plan of Condominium ownership, or (iv) enter into any service or

maintenance contract for work not covered by contracts in existence on the date said Plan is declared effective, or (v) borrow money in excess of $10,000.00 on behalf of the Condominium, or (vi) take any action which impairs Sponsor's sales program or continued use of the Condominium property in connection with such program, or (vii) increase or reduce the services of maintenance set forth in Schedule B. No provision stated herein can allow Sponsor to act in violation of Subsections 3 and 4 below.

3. Sponsor may not exercise veto power over expenses described in Schedule B, or over expenses required:

(a) To comply with applicable laws or regulations; or

(b) To remedy any notice of violation; or

(c) To remedy any work order by an insurer; or

(d) For any matter affecting the health and/or safety of the occupants of the building.

4. Sponsor may exercise veto power over expenses other than those described in Subsection 3 above, for a period ending not more than five (5) years after the closing of first Unit or whenever the unsold Units constitute less than twenty-five percent (25%) of the common interest, whichever is sooner.

5. Purchasers are advised that Sponsor will fulfill its obligations and perform its fiduciary duty to Unit Owner(s) as the sponsor-controlled Board of Managers. In the event that Sponsor fails to do so during the Initial Sponsor Control Period, Unit Owner(s) may bring an action to enforce its obligations under this Offering Plan.

SECTION S BOARD OF MANAGERS

It is the function of the Board of Managers to administer the affairs of the Condominium and supervise the operation of the Condominium property. The following is a summary of the important sections of the Declaration and By-Laws with respect to the Board of Managers.

1. (a) The number of Managers which shall constitute the initial Board shall be three (3) until succeeded by Managers elected at the first annual meeting of Unit Owners. The original Board of Managers need not be Unit Owners (or officers, directors or partners of Unit Owners). The first Board of Managers of the Condominium will be Guo Zhong Lin, who is the principal of the Sponsor, Xi Zhao and Man Chung Zhu. Guo Zhong Lin will be the President, Man Chung Zhu will be the Secretary, and Xi Zhao will be the Treasurer, of the Board of Managers. Both Xi Zhao and Man Chung Zhu owns interest in the Sponsor. None of the Board of Managers are related to the Sponsor's attorney.

(b) Within thirty (30) days after the Initial Sponsor Control Period (i.e., the time of closing of title to the last unit or two (2) years from the closing of title to the first unit, whichever first occurs), Sponsor will immediately give up control over the Board of Managers, and a meeting will be held for such purpose. Sponsor shall call the first annual Unit Owners' meeting. At such meeting, a new Board of Managers of three (3) members shall be elected by the Unit Owners. The former member(s) of the Board shall thereupon resign. Thereafter, annual meetings shall be held on the anniversary of such date in each succeeding year; except that if such date is a Saturday, Sunday or legal holiday the annual meeting shall be held on the next succeeding business day. At such meetings, there shall be elected by ballot of the Unit Owners a Board of Managers in accordance with the requirements of Article III of the By-Laws.

(c) The Managers shall be elected annually at the annual meeting of Unit Owners by a majority vote, cumulative voting being prohibited. The Managers shall hold office until their successors have been elected.

(d) Notwithstanding the foregoing, after the Initial Sponsor Control Period, the board will consist of three (3) members and Sponsor will be entitled to designate one of the three (3) members for so long as Sponsor continues to own at least one (1) Unit. Therefore, Unit Owners will be entitled to vote for two (2) members of the board for so long as Sponsor continues to own at least one (1) Unit. Members of the Board of Managers designated by Sponsor need not be Unit Owners or officers, directors, stockholders or partners of Unit Owners.

(e) Any member of the Board may be removed from office with or without cause by the vote or agreement in writing of a majority of all Unit Owners. A special meeting of the Unit Owners to remove a member or members of the Board shall be called by the President as directed by a majority of the Unit Owners or the Board. The notice of such special meeting shall state the purpose of the meetings. A majority of the remaining

Managers shall elect a successor who shall hold office for the unexpired term of the removed Managers, except that the Sponsor shall have the right to replace any Manager elected or appointed by Sponsor.

(f) The rights granted to Sponsor under Article III of the By-Laws and as outlined in this Section, shall not be exercised in such a manner as to give Sponsor the right to control the Board of Managers after Sponsor calls the first annual Unit Owners meeting as provided for in Subsection 1(b) above and Sponsor shall agree not to cast votes to control the Board of Managers.

2. (a) Written notice of the annual meeting of the Unit Owners shall be personally served upon or mailed to each member entitled to vote at such address as appears on the books of the Condominium, at least fourteen (14) but no more than thirty (30) days prior to the meeting. The post office receipt of mailing shall be proof of such mailing.

(b) Written notice of a special meeting of the Unit Owners stating the time, place and object thereof shall be served upon or mailed to each member entitled to vote thereon at such address as appears on the books of the Condominium at least fourteen (14) but no more than thirty (30) days before such meetings. Notice of meetings at which disposition of Condominium property will be voted upon must also be given record mortgagees.

(c) The minutes of all meetings of Unit Owners shall be kept in a book available for inspection by Unit Owners or their authorized representatives and Board members at any reasonable time. The Board shall retain these minutes for a period of not less than seven (7) years.

(d) All Unit Owners will receive annually, within three (3) months of the end of each fiscal year, copies of an annual report of the Condominium including a balance sheet and a profit and loss statement certified by an independent public accountant, a statement regarding any taxable income attributable to the Unit Owner and notice of the holding of the annual Unit Owners meeting. All Unit Owners shall be entitled to examine the books and records of the Condominium on reasonable notice to the Board, but not more than once a month.

(e) All Units which are acquired by the Board of Managers, or its designees, subject to the Board's right of first refusal, shall be held by it on behalf of all Unit Owners. The Unit Owners shall hold their respective interests in the Unit in proportion to their percentage of common interest and the votes appurtenant to such Units shall be cast by the Board of Managers or its designee at all meetings of the Unit Owners, except that the Board will not vote in any election of members of the Board.

3. As stated above, the first Board of Managers of the Condominium will be three members designated by Sponsor. Sponsor retains the right to substitute other persons in place of the above-named individuals until the resignation of the first Board of Managers,

as set forth below.

4. As stated in the By-Laws, no member of the Board of officers shall receive any compensation or fee for their services as a Manager or Officer.

5. The Board may remove any officer or management agent of the Condominium at its discretion or should said manager or management agent be appointed by contract then such removal shall be dependent upon the terms of the governing contract.

6. The member of the Board of Managers shall not be liable to the Unit Owners for any mistake of judgment, negligence or otherwise, except for their own individual willful misconduct, bad faith or gross negligence. It is intended that the members of the Board of Managers shall have no personal liability to others arising out of the contracts made by the Board of Managers on behalf of the Condominium. The Unit Owners shall indemnify and hold harmless each of the members of the Board of Managers against all contractual liability to others arising out of the contracts made by the Board of Managers on behalf of the Condominium unless any such contract shall have been made in bad faith or contrary to the provisions of the Declaration or By-Laws.

7. Each Unit Owner shall be entitled to cast one vote on each Ballot for each 0.01% of common interest he/she/it owns. The three (3) nominees receiving the highest number of votes on each of their ballot shall constitute the duly elected Board of Managers, provided, however, Sponsor will be entitled to designate one of the three (3) members for so long as Sponsor continues to own at least one (1) Unit.

8. (a) The Declaration may be amended at any regular or special meeting of the Unit Owners called or convened in accordance with the By-Laws by the affirmative vote of at least two-thirds (⅔) in number and in common interest of all Unit Owners, except where otherwise specified. Minor corrective amendments may be approved by the Board or the Sponsor. Each amendment shall be effective upon the recording in the Office of the City Register of the City of New York of an appropriate instrument setting forth the amendment and its due adoption, execution and acknowledgement by one or more officers of Sponsor or one or more members of the Board. No amendments shall be passed which shall impair or prejudice the right or priorities of any mortgagee without the prior written consent of such mortgagee which consent shall not be unreasonably withheld. No amendment shall be passed which shall in any way affect any of the rights, privileges, powers or options of Sponsor. No amendment which affects the percentage of common interest appurtenant to any Unit shall be passed without the consent of all affected Unit Owners.

(b) Except where a greater percentage is required under the Declaration or the Condominium Act, the By-Laws may be amended by the affirmative vote of at least two-thirds (⅔) of the Unit Owners at a meeting duly called; provided, however, that no amendments to the By-Laws shall be passed which would operate to impair or prejudice the rights or liabilities of any mortgagee.

(c) No amendment to the Declaration, the By-Laws or this Plan shall, in any manner, change the rights and privileges of Sponsor without the written approval of the appropriate party. However, this provision applies only where Sponsor continues to hold any unsold units.

9. The By-Laws of the Condominium do not require that after the Initial Sponsor Control Period, a majority of the Board of Managers must be owner-occupants or members of an owner-occupant's household who are unrelated to Sponsor and its principals. This means that Purchasers for their own occupancy may never gain control of the Board of Managers under the terms of this Plan. Owner-occupants and non-residents owners, including Sponsor, may have inherent conflicts on how the Condominium should be managed because of their different reasons for purchasing, i.e., purchase as a home as opposed to as an investment.

10. If there are non-sponsor members of the board, and there is a vote on whether to sue the sponsor, the sponsor's board representatives cannot lawfully vote on that issue. See Park River Owners Corp. v. Bangser Klein Rocca & Blum, 269 A.D.2d 313, 703 N.Y.S.2d 465 (1st Dept. 2000); McKinney's Consolidated Laws of the State of New York, General Business Law, Volume 19, pocket part, page 193; and BCL § 713(a)(1). Fairways at North Hills, 193 A.D.2d 322, 603 N.Y.S.2d 867 (2nd Dept. 1993), McKinney's Consolidated Laws of the State of New York, General Business Law, Volume 19, page 160.

11. (a) The principal officers of the Condominium shall be President, who shall be a Manager, Vice President, Treasurer and Secretary, all of whom shall be elected annually by the Board. The Board may appoint an Assistant Secretary, an Assistant Treasurer or such other officers as the Board determines is necessary to efficiently administer the affairs of the Condominium.

(b) All officers and agents shall be subject to removal, with or without cause, at any time by the affirmative vote of a majority of the entire Board except the managers representing Sponsor. Only Sponsor has the right to replace the manger elected or appointed by Sponsor. All officers must be Unit owners or members of the first Board of Managers. Except as otherwise elected or appointed by the First Board of Managers, two or more officers may not be held by the same person.

(c) The President of the Condominium shall be the Chief Executive Officer and shall preside at all meetings of the members and the Board and be an official member of all standing committees. He shall have general and active management authority over the business of the Condominium and shall have the general powers and duties of supervision and management usually vested in the office of the President of a stock corporation organized under the New York Business Corporation Law.

(d) The Vice President of the Condominium shall be vested with all the powers and be required to perform all the duties of the President in his absence, together with such other duties as may be prescribed by the Board or the President.

(e) The Secretary shall keep the minutes of the meetings of the members and of the Board in one (1) or more books for that purpose. The minute book shall be available for inspection by all members, or their authorized representatives, and by the Board, which minutes shall be retained for a period of not less than seven (7) years. He shall see that all notices are duly given in accordance with the provisions of the By-Laws or as otherwise required by law. In general, he shall perform all duties incident to the office of the Secretary and other duties as from time to time may be assigned to him by the President or the Board.

(f) The Treasurer shall have custody of all Condominium funds and securities, keep full and accurate accounts of receipts and disbursements in books belonging to the Condominium, and shall deposit all monies and other valuable effects in the name and to the credit of the Condominium in such depositories as may be designated by the Board. He shall disburse the funds of the Condominium as ordered by the Board and shall render to the President and the Board at the regular meetings of the Board, or whenever they may require it, an account of all his transactions as Treasurer and of the financial condition of the Condominium.

SECTION T RIGHTS AND OBLIGATIONS OF THE UNIT OWNERS AND THE BOARD OF MANAGERS

The rights and obligations of Unit Owners (including owners of commercial unit(s)) may be summarized as follows:

1. (a) A Unit Owner has the right to sell or lease his/her/its Unit provided that he/she/it gives notice of the bona fide terms of any proposed sale or lease to the Board of Managers and obtains their approval for the sale and lease. The failure of the Board of Managers to approve or disapprove such proposed sale or lease within thirty (30) days after notice thereof or thirty (30) days after submission of such reasonable information as requested by the Board shall be deemed to constitute approval. If the Board disapproves the transaction, it shall within fifteen (15) days after making its decision known, produce a Purchaser or lessee who will accept the transaction upon the same terms as those terms stated in the notice to the Board. If the Board does not produce such a Purchaser or lessee within the aforesaid fifteen (15) days the Unit Owner shall have the right to effectuate such sale or lease on the terms submitted, as more specifically set forth herein.

(b) (i) Alternatively, the Board of Managers may designate itself to purchase or lease such Unit on behalf of all of the Unit Owners, in the manner set forth herein, provided that approval for such purchase or lease is obtained from Unit Owners owning Units to which not less than seventy-five percent (75%) of the common elements are appurtenant. In the event the Board of Managers does not have sufficient funds on hand for such purchase or lease from working capital, it may either borrow such funds and/or assume an existing indebtedness secured only by a mortgage on the Unit, or may assess the Unit Owners therefore in proportion to their percentage of common interest, or the Board may use any combination of these methods to undertake the acquisition.

(ii) The closing of sale of the Unit or date of the commencement of the term of lease shall be the same as set forth in the contract to sell or lease included in the notice of such proposed transaction to the Board if the transaction is disapproved.

(c) Any sale or lease (the terms of the lease, including the rent, will be subject to state or local law) which is not authorized by the terms of the By-Laws or for which authorization has not been obtained pursuant to the terms hereof is voidable and may be voided in action brought by the Board of Managers.

(d) A Unit Owner intending to make a sale or lease of the Unit shall give notice to the Board of Managers of such intention. He/she/it shall furnish the following information to the Board: (i) the name and address of the intended grantee or lessee; (ii) financial and professional references of the transferee or lessee; (iii) an executed copy of the proposed contract of sale or lease; and (iv) such other information as the Board of Managers may reasonably require. He/she/it shall use the form, if any, supplied by the Board in order to supply such information. Such notice, when given, shall constitute a representation, warranty and an offer to sell or lease to the Board or any Purchaser or lessee produced by the Board and a representation that the Unit Owner believes the offer

to be bona fide in all respects. The Board shall have a right of first refusal, with regard to the proposed sale or lease by the Unit Owner, upon the same terms and conditions as set forth in the notice to the Board. All notices shall be given by registered or certified mail. Delivery shall be deemed made and notice shall be deemed given by such mailing and shall not be dependent upon acceptance by the addressee.

(e) When the Board has produced a Purchaser or a lessee within the fifteen (15) day period set forth above and Purchaser or lessee so agrees, a binding contract shall be deemed to have come into existence and the Unit Owner shall be obligated to consummate the transaction with such Purchaser or lessee furnished by the Board, in accordance with the terms thereof.

(f) The action by the Board of Managers consenting to a sale or lease shall be in recordable form. The failure of the Board to act on a notice given to it, together with such additional information reasonable requested, within thirty (30) days shall be deemed to constitute approval of the sale or lease. The Unit Owner, the Purchaser or lessee may demand and shall be entitled to receive from the Board consent to the sale or lease in recordable form.

(g) The Board of Managers may not discriminate against any person on the basis of race, creed, color, national origin, sex, age, disability, marital status, other grounds prohibited by law.

(h) If the proposed Purchaser or lessee of a Unit, or any interest therein, is other than a natural person, the approval of the sale shall be conditioned upon the approval by the Board of Managers of the entity or entities which will occupy the Unit.

(i) The right of first refusal granted herein shall not be applicable to the following:

(i) The sale, lease or sublease of Units by or to Sponsor;

(ii) The sale or lease of the Unit to an Owner's spouse, issue, parents, or grandparents;

(iii) Foreclosure or other judicial sale of Condominium Units or a conveyance by the Owner of a Unit to a mortgagee in lieu of foreclosure; and any subsequent sale, lease or sublease by a mortgagee (provided that unrelated persons acquiring the Unit from such mortgagee shall be subject to such right of first refusal herein);

(iv) The sale, lease or sublease from a Unit Owner to a partnership, corporation or limited liability company in which the Unit Owner is a partner, principal stockholder or member; from a partnership, corporate owner or limited liability company to the partners, stockholders or members thereof; from partners who are owners to new partners; from one co-owner to another;

(v) A conveyance or transfer from a Unit Owner by gift, devise by will or intestate succession.

2. (a) All units shall be used in accordance with a Certificate of Occupancy and in compliance with zoning codes.

(b) Sponsor may utilize a limited number of Units for models and as a sales office in conjunction with the sale and rental of Unsold Units.

(c) Restrictions on Occupancy and Use:

No immoral, improper, offensive or unlawful use shall be made of the Condominium property or any property operated by the Board or any part of it. All valid laws, zoning ordinances and regulations of all governmental bodies having jurisdiction shall be observed. No nuisance shall be allowed on the Condominium property. All parts of the Condominium shall be kept in a clean and sanitary condition, and no rubbish, refuse or garbage allowed to accumulate no any fire hazard allowed to exist. Access to common elements may not be obstructed in any way.

(d) The owners of Units shall be fully responsible for the activities and actions of their guests, visitors, permittees, invitees or employees and shall take all necessary action to insure that all such persons fully comply with the provisions of the Declaration and the By-Laws and rules and regulations of the Condominium.

(e) Unit Owners are not allowed to maintain any pets.

(f) (i) There are an indoor recreation room on the tenth floor and outdoor recreation space on the roof annexed to the Condominium Building as common elements.

(ii) As for the utilization of the indoor recreation room on the tenth floor and outdoor recreation space on the roof, there are no other restrictions or limitations under the NYC zoning code except that (i) the number of people for the recreation room on the tenth floor is limited to twenty(20), (ii) the number of people for outdoor recreation space on the roof is limited to three(3), and (iii) those recreation spaces are accessible to residential unit owners and/or their tenants only as common elements. Additionally, no furniture nor equipment will be provided by the sponsor for those recreation spaces.

3. A Unit Owner shall have the right to mortgage or encumber his Unit provided that such mortgage or encumbrance is made to a mortgagee as defined in Section C in Part I of the Offering Plan.

4. (a) (i) Each Unit Owner shall be liable for that percentage of the common expenses of the Condominium that corresponds to that owner's percentage of ownership in the common elements set forth in Schedule A. However, additional services with the Unit Owners may desire or other factors can increase these charges. The Board of

Managers shall have the power to fix, determine, and collect assessments to cover these common expenses. The Board of Managers may commence the collection of common charges upon the closing of title to the first Unit or at any subsequent date as in its sole discretion it may determine. The Board's collection of common charges will be in such amount as will be necessary to carry out the duties of the Board of Managers as set forth in the Plan. All such common charges shall be paid by the Unit Owners and Sponsor, as the owner of the unsold units, in accordance with their respective percentage of common interest as set forth in the Plan. The Board of Managers will have a lien on each unit for unpaid common charges pursuant to and Real Property Law Section 339-Z, and the lien can be made effective pursuant to Real Property Law Section 339-AA. The common charges will be placed in an account in the name of the Board of Managers.

(ii) The Sponsor shall be liable for the monthly common charges of all Units which have not been transferred to a Purchaser, commencing after the closing of title to the first Unit. Sponsor will cause the Board to file a lien as provided by Real Property Law Section 339-AA on the Units in which Sponsor is thirty (30) days in arrears of common charges while in control of Board.

(b) The common expenses of the Condominium shall include, without limitation, management fees, salary for the building staffs, building maintenance and repair, utilities for common area, water and sewer charges, accountant, legal and insurance fees.

(c) The common expenses of the Condominium shall be incurred to provide for the full enjoyment and protection of each Unit Owner's use of the Common Area of the Condominium.

(d) The common charges do not include maintenance, repairs or decoration of any of the Units or portions thereof, electricity and gas consumed by each unit, or payments required pursuant to the terms of the Unit Owners Mortgages and Real Estate Taxes covering the individual Units.

(e) Under the Real Property Law, the Board of Managers shall have a lien against each Unit for its unpaid common charges (plus legal interest) prior to all other liens except liens for the payment of taxes and all sums unpaid on a first mortgage of record. The lien shall also cover reasonable attorney's fees incurred to collect the unpaid assessments together with all costs of the suit. The Board may also declare the common charge assessment on the delinquent Unit Owner's Unit for the balance of the fiscal year immediately due and payable. The lien shall continue in force even after resale of a Unit except that in accordance with the Declaration, the Board shall release the lien and its right to collect prior unpaid common charges against any purchaser of a Unit where the purchase arises out of a foreclosure of a first mortgage of record. The Board of Managers may foreclose the lien in the same manner as a mortgage on real property and in so doing shall be entitled to recover all costs incurred including the reasonable attorney's fees. The liability of each Unit Owner for the payment of common charges thereafter assessed against his Unit shall terminate upon a sale, transfer or conveyance of the Unit in

accordance with the provisions of the Declaration and By-Laws. Further, any Unit Owner may convey his unit to the Board of Managers or its nominee on behalf of all other Unit Owners, without any compensation, in accordance with the Declaration and By-Laws. In that case, he shall be exempt from any common charges thereafter assessed (13 NYCRR § 20.3(w)(3)(iii)), but not relieved of his obligation to pay his mortgage loan. A Unit Owner may not exempt himself from liability for his common charges by waiver of the use or enjoyment of any of the common elements or by abandonment of his Unit. Upon resale, the purchaser of a Unit shall be liable for the payment of unpaid common charges assessed against the Unit prior to the acquisition of the Unit by the purchaser, except that a first mortgagee who acquires title to a Unit or other purchaser at a foreclosure sale of a first mortgage shall not be liable and the Unit shall not be subject to a lien for the payment of common charges assessed prior to the acquisition of title to the Unit by the mortgagee or purchaser at foreclosure sale. In that case and in the event of a foreclosure by the Board of Managers of its lien on any Unit for unpaid common charges where the proceeds of the foreclosure sale are not sufficient for the payment of such unpaid common charges, the unpaid balance shall be charged to all other Unit Owners as a common expense. Sponsor will cause the Board of Managers to file a lien against itself on Units, in which Sponsor is more than thirty (30) days in arrears while it is in control of the Board.

(f) Default in payment of common charges by non-occupying owners--Real Property Law, Section 339-KK. The Real Property Law has been amended by adding a new section 339-KK, which provides as follows:

"If a Unit Owner who does not occupy the unit rents such unit to a rental tenant, and then fails to make payments due for common charges, assessments or late fees for such Unit, within sixty (60) days from the expiration period after they are due, the Board of Managers shall provide a written notice to the tenant and the non-occupying owner providing that commencing immediately and until such time as all payments for common charges, assessments or late fees are made current, all payments due subsequent to the issuance of such notice are to be made payable to the Board of Managers at the address listed on the notice. Where a majority of the Board of Managers has been elected by and from among the Unit Owners who are in occupancy, the Board of Managers may elect not to require that rental payments be made payable to the Board of Managers. At such time as payments for common charges, assessments and late fees from the non-occupying owners are once again current, a notice of such fact shall be given within three (3) business days to the rental tenant and non-occupying owner. Thereafter, all payments shall be made payable to the non-occupying owner or a designated agent. A non-occupying owner who disputes the Board of Managers' claim to rental payments shall be entitled to present facts supporting such owner's position at the next scheduled meeting of the Board of Managers which must be held within thirty (30) days of the date that such Board received notice that such owner seeks to dispute such claim. Payment by a rental tenant to the Board of Managers shall relieve the rental tenant from the obligation to pay such rent to the non-occupying owner and shall be an absolute defense in any non-payment proceeding commenced by such non-occupying owner against such tenant for such rent."

5. The responsibility for repairs and maintenance is as follows:

(a) The maintenance and repair of the common elements shall be the responsibility of the Condominium unless such repairs or replacement become necessary as a result of the negligence of abuse of a Unit Owner. The cost of such repairs or replacement shall be borne solely by the Unit Owner who caused the repair or replacement due to his/her/ negligence or abuse. It is the obligation of each Unit Owner to provide an access to their Unit and to the limited common elements to the Board of Managers for inspection or repairs, provided that such inspection and repairs are made with a reasonable prior notice and during reasonable hours, except for emergency repair.

(b) (i) Any expenses attributable to the maintenance, repair or replacement of limited common elements shall be the responsibility of the Unit Owner who has exclusive use of the limited common elements. Exterior surfaces of balconies and terraces, if any, shall be treated as limited common elements for this purpose.

(ii) All maintenance to the Units, including electrical repairs, plumbing stoppage, window cleaning, painting and decorating in the Units (except for cleaning of exterior surface of the windows), repairs and replacement to Units including windows and doors (including all glass breakage) and repairs to heating and air conditioning units, if any, pipes, wires and conduits located in and servicing the same Unit other than as set forth, shall be made by the respective Unit Owner's at their expense.

6. Additions, alterations or improvements by Unit Owners:

The Unit Owner can make interior alterations or improvements to the Unit he/she desires without obtaining the consent of the Condominium so long as the alterations or improvements do not affect the building or any other common elements. No Unit Owner (other than Sponsor as noted in the By-Laws) may make any structural additions, alterations or improvements in his Unit or of the common elements without the prior written approval of the Board or impair any easement without the written consent of the Board and the Unit Owner or Owners for whose benefit such easement exists. The Unit Owners shall not employ any contractor that may cause labor disturbances or other stoppage in the work of the Building employees or other contractors or subcontractors employed in the Building or at the property. No Unit Owner shall erect any privacy fence, sunscreen or similar object or enclose the balcony except as expressly permitted by the rules and regulations of the Condominium without prior written approval of the Board. No structure shall be erected on the terraces or yard. Until control of the Board is relinquished to other Unit Owners, Sponsor will not make any improvements or additions to the common elements which would result in the imposition of special assessments or result in a substantial increase in the common expenses. However, this will not apply to the expenses required:

(i) To comply with applicable laws or regulations; or

(ii) To remedy any notice of violation; or

(iii) To remedy any work order by an insurer; or

(iv) Any matter affecting the health and/or safety of the occupants of the building.

7. The Board of Managers (or Sponsor until control of the common elements is vested in the Condominium) shall be required to obtain and maintain, to the extent obtainable, the following insurance upon the Condominium property and the equipment and personal property owned by the Condominium. The policies so obtained shall be for the benefit and protection of the Condominium, Unit Owners and their respective mortgagees as their interest may appear. Such policies shall include provisions that they be without contribution, that improvements to Units made by Unit Owners shall not affect the valuation of the Condominium property for the purpose of insurance and that the insurer waives its rights of subrogation as to any claims against Unit Owners, the Board and their respective families, employees, servants, agents and guests. The insurance maintained shall cover the following perils and contingencies:

(a) All improvements upon the Condominium property and all personal property included therein, except the Units and such personal property as may be owned by the Unit Owners, shall be insured in an amount equal to the maximum insurable replacement value thereof (exclusive of excavation, foundations and other construction components customarily excluded) as determined periodically by the insurance company affording such coverage. Such coverage shall afford protection against:

(i) Loss of damage by fire or other hazards covered by the standard extended coverage endorsement; and

(ii) Such other risks as from time to time shall customarily be covered with respect to improvements similar in construction, location and use including but not limited to vandalism, malicious mischief, windstorm and water damage.

(b) Comprehensive general and/or public liability: The amount and coverage shall be determined by the Board, which will include, but not limited to, water damage, legal liability, hired automobiles, non-owned automobiles and off-premises employee coverage.

(c) The fire casualty and general liability insurance must be on terms that provide: (i) that such Unit Owner is additional insured party; (ii) that there will be no cancellation without notice to the Board of Managers; (iii) a waiver of subrogation; (iv) a waiver of invalidity because of the acts of the insured and Unit Owners; and (v) waiver of pro-rata reduction if Unit Owners obtain additional coverage.

(d) Fidelity bonds in sufficient amounts to fully protect the interests of the Condominium on each member of the Board of Managers, officers of the Condominium, managing agents and managers including any person or persons handling or responsible for funds of the Condominium.

(e) In addition to the above, the coverage for directors' and officers' liability, boiler and machinery, workers' compensation, disability, auto liability, and excess liability is generally available, but not provided by the Board of Managers.

(f) Unit Owners shall not be prohibited from carrying other insurance for their own benefit provided such policies contain waivers of subrogation and further provided that the liability of the carriers issuing insurance procured by the Board of Managers shall not be affected or diminished by reason of any Unit Owner's other insurance.

(g) It is important to recognize that the insurance described in sub-paragraph (a), above, provides coverage for the Condominium. Each Unit Owner is advised to obtain liability and casualty insurance covering his own Unit and insurance covering personal possessions and living expenses.

(h) Purchasers are referred to Schedule B in Part I of the Offering Plan for details (13 NYCRR § 20.3(w) (6)(ii)).

8. The Board shall have the right, before or after any such assessment, to have its employees or agents enter the Unit and do the work necessary to enforce compliance with the above provisions. Unit Owners may also be individually assessed for any damage to the common elements or limited common elements which may be caused by such owners, their family, lessees, guests, invitees or permittees. If it becomes necessary for the Board of Managers to bring a lawsuit or any other proceeding to enforce its right to make a repair or correct a condition or to collect any sum due on account thereof, the Board of Managers shall also be entitled to collect reasonable attorneys' fees in connection with any suit or proceeding.

9. (a) Each Unit Owner, his/her family, lessees, invitees and permittees, shall be governed by and conform to the Declaration and the By-Laws and rules and regulations of the Condominium. Failure to do so shall entitle the Condominium or any Unit Owner to recover damages or obtain injunctive relief or both, but such relief shall not be exclusive of other remedies provided by law.

(b) The Sponsor shall enjoy certain exceptions to these Condominium documents so long as the Sponsor has any Unit of sale. These special reserved rights of the Sponsor shall cover such activities as using the Units for sales offices, selection of members of the Board of Managers and amendments to the Condominium documents. In any event, however, Sponsor may not cease sales efforts and indefinitely rent/lease or reserve units for selection of members of the Board.

10. At the time of the closing to a Unit, there will be no other liens or encumbrances on the Unit or common elements other than the lien for non-payment of common charges,

the lien of the first mortgage which arises if the purchaser obtains a first mortgage on his/her Unit, and the liens and encumbrances as set forth in Section N, Subsection 12 in Part I of the Offering Plan.

11. Ownership of Unit in the Condominium subjects the Unit Owner to compliance with the provisions of the Declaration and By-Laws as well as any rules and regulations contained in the Declaration or By-Laws or established by the Condominium in accordance therewith. The rules and regulations set forth in the By-Laws and Declaration can be found in Section GG and HH in Part II of the Offering Plan. The Board of Managers can institute legal actions to enforce compliance with the provisions of the Declaration and By-Laws as well as the rules and regulations established therewith. Sponsor shall have the right to alter unsold Units or common elements by amending plan and/or specification. However, any construction which might be undertaken by Sponsor shall in no event undermine the structural integrity of the Building. The provisions of the By-Laws which require members of the Board of Managers to be Unit Owners will not apply to the first Board of Managers.

The Board of Managers may make additions, alterations or improvements to the common elements costing in excess of $10,000.00 only with the approval of a majority of the Unit Owners. While Sponsor is in control of the Board of Managers, the Board may make additions, alterations, or improvements to the common areas elements costing in excess of $10,000.00 or enter into service or maintenance contracts the duration of which will extend more than a year after Sponsor loses control of the Board of Managers, only with the approval of a majority of the Unit Owners, excluding Sponsor, voting at duly held meeting of the Unit Owners.

No member of the Board of Mangers or individual Unit Owners shall be liable for such contract, agreement or commitment. The Unit Owners shall be liable as a group under such contract, agreement or commitment but the liability of each Unit Owner shall be limited to that percentage of the total liability that is equal to his percentage of common interest. The Board of Managers shall have no liability to the Unit Owners in the management of the Condominium except for willful misfeasance or malfeasance and the Unit Owners shall severally indemnify all members of the Board of Managers against any liabilities or claims arising from acts or omissions taken by a member of the Board of Managers in accordance with his duties as such member except acts of willful misfeasance or malfeasance. Such several liability of the Unit Owners shall, however, be limited as to each Unit Owner to such proportion of the total liability thereunder as such Unit Owner's common interest bears to the common interest of all Unit Owners.

14. The By-Laws will not be amended so as to adversely affect any Unit Owner while Sponsor retains voting control of the Condominium. Sponsor will not cast any of its votes for termination of the condominium except as set forth at Section S, Subsection 8 in Part I of the Offering Plan.

15. A New York bank or trust company shall be the Insurance Trustees as designated by Sponsor unless or until replaced by a bank or trust company in the State of New York designated by the Board of Managers. Sponsor or its nominee will not cast any of its votes for withdrawal, unless eighty percent (80%) of the Unit Owners other than Sponsor so vote, in which event Sponsor will be free to cast its votes either for or against withdrawal.

17. The following is a brief summary of the tax valuation petition procedures for the City of New York:

(a) Tax notices are issued annually by January 15th. A taxpayer has until March 1st to apply for a corrective hearing before the Borough Commission.

(b) The decision of the Borough Commission is appealable to the City Tax Commission.

(c) If the taxpayer wishes to contest the issue beyond the Tax Commission, he must institute an Article 7, certiorari proceeding.

(d) The Board of Managers will act as an agent of each Unit Owner who has given his written authorization to apply to the local and county real estate tax assessment board of review agency by filing a single complaint on behalf of all such Unit Owners pursuant to Section 512 of the Real Property Tax Law and to commence and prosecute a special proceeding for the review of assessments of real property as an aggrieved person pursuant to Section 704 of the Real Property Tax Law. The Board of Managers may retain legal counsel on behalf of all Unit Owners for which it is acting as agent and to charge all such Unit Owners a pro rata share of expenses, disbursements and legal fees for which charges the Board of Managers shall have a lien. (See Section HH, Article III, Section 2(n) in Part II of the Offering Plan)

18. The undivided share in the common elements which is appurtenant to a Unit, and the exclusive right to sue all appropriate appurtenant limited common elements shall not be separated from the Unit, and shall pass with the title to the Unit. The respective shares in the common elements appurtenant to Units shall remain undivided, and no action for partition of the common elements shall lie, except as provided with respect to termination of the Condominium.

19. The Board of Managers shall have the right to accumulate reserves for capital replacement. Such reserves may be used for exterior painting, roof repair and replacement and such other capital expenses as the Board determines. The current budget set forth in Section G, Schedule B does not include a Reserve Fund for capital replacement.

20. Copies of the Declaration and By-Laws are found in Part II, Section GG and HH respectively.

21. Unit Owners shall also be bound by the following Condominium Smoking Policy:

(a) Upon commencement of the condominium operation, the Board of

Managers of the Condominium shall, in compliance with the City of New York Administrative Code § 17-506.1. et al (Local Law 147) and the New York State Department of Law regulations, adopt a condominium smoking policy.

(b) Pursuant to the condominium smoking policy, smoking and/or using an electronic cigarette are prohibited at any time during the daytime and/or nighttime in the following areas of the Condominium: (1) All indoor common areas, including, without limitation, hallway, lobby, corridors, stairs, and any other area to which that Unit Owners and/or Tenants may have access; (2) all indoor areas within a Unit, including, without limitation, the living room, bedroom, kitchen, bathroom, closet, and any other area to which that the owner of the Unit and/or its Tenant may have access; and(3) all outdoor areas, including, without limitation, common courtyards, rooftops, balconies, terraces, and patios, within fifteen(15) feet of the entrance and/or exit of, walk or path from and/or to, the Condominium, and any other outdoor area of the Condominium to which that Unit Owners and/or Tenants may have access.

(c) The condominium smoking policy is a material term of the Offering Plan and is incorporated into and form part of the Purchase Agreement, the Interim Lease and the Condominium By-Laws. It must be incorporated into any agreement to rent a Unit or part thereof.

(d) The condominium smoking policy will be applicable to all Unit Owners, Tenants, the invitees as well as any other person on the premises.

SECTION U REAL ESTATE TAXES

1. Assessment for Individual Tax Lots

(a) The Sponsor will obtain individual tax lot for each Condominium Unit. After the Units are separately assessed, each unit will be taxed as a separate tax lot for real estate tax purposes and the Unit owner will not be responsible for the payment of, nor will the Unit be subjected to any lien arising from the non-payment of taxes on other Units.

(b) (i) If Units have not been separately assessed for real estate tax purposes prior to the closing of title to the first Unit, unless such real estate taxes have been paid prior to or upon closing, Sponsor will place in a special escrow account with its attorneys or a proper third party, in the name of the Board of Managers, an amount equal to the unpaid real estate taxes which will be levied against the parcel for the six (6) month period following the first closing. The Board of Managers will pay the real estate taxes from the escrow account when taxes are due and payable and Sponsor, as funder of the escrow account, will be entitled to reimbursement from unit owners to the extent of actual assessment.

(ii) Furthermore, until Units have been separately assessed, all post-closing amendments will disclose the amount of the funds deposited in the escrow for the payment of the real estate taxes.

(c) There is no provision in the By-Laws applicable to the Real Estate Tax assessments. Once each condominium unit receives individual tax lot, each unit will be assessed and taxed separately (See Section T "Rights and Obligations of the Unit Owners and the Board of Managers" Subsection 17(d) in Part I of the Offering Plan for reference, if a Unit Owner desires to authorize the Board of Managers to initiate proceedings under Sections 512 and 704 of the Real Property Tax Law on his/her behalf).

2. Residential Unit(s):

(a) The Condominium consists of a residential portion, which is located on the second (2nd) floor through twelfth (12th) floor.

(b) The Condominium Unit Owner(s) will be responsible for the real estate taxes against their respective Units and Sponsor shall not be liable for any portion thereof, except to the extent that it is the owner of any unsold units.

(c) The estimated real property tax for the residential portion of the Condominium Building (still under construction) for 2025/2026 tax year is estimated to be $158,526.00. The calculation is made by multiplying the estimated assessed value of the residential portion of the Condominium property in the tax year of 2025/2026 (i.e., $1,254,658.00) by the projected then current Class 2 tax rate of 12.635% for the Residential Unit(s).

3. Commercial/Community Facility Unit(s):

(a) The Condominium consists of a non-residential portion, or commercial/ community facility portion, which is located on the cellar and first (1st) floor.

(b) The Commercial/Community Facility Unit Owner(s) will be responsible for the real estate taxes against their respective Units and Sponsor shall not be liable for any portion thereof, except to the extent that it is the owner of any unsold Unit(s).

(c) The real property tax for the non-residential portion of the Condominium Building (still under construction) for tax year of 2025/2026 is estimated to be $47,546.00. The calculation is made by multiplying the estimated assessed value of the non-residential portion of the Condominium property (still under construction) in the tax year of 2025/2026 (i.e., $444,438.00) by the projected then current tax rate for Class 4 of 10.698% for such non-residential portion of the Condominium Building.

4. The estimated real estate taxes for tax year of 2026/2027 are considered to remain about the same (without material changes) as those for tax year of 2025/2026 for both residential and non-residential portions while the Condominium building is still under construction.

5. Real Estate Taxes After Full Assessment

(a) Prospective purchasers are advised that the estimated assessed value of the Condominium in Subsections 2 and 3 above reflects the assessment for the first year Condominium operation while the Condominium Building is under construction, the assessed value and therefore the real estate taxes may increase materially when the full valuation of the building is reassessed on the first status date (i.e., January 5) after construction is complete for the following tax year (i.e., tax year of 2027/2028), commencing from July 1, 2027.

(b) (i) The projected real estate taxes for the residential portion of the Condominium for tax year of 2027/2028, after the full valuation of the building has been reassessed, is estimated to be around $186,501.00. The calculation is made by multiplying the estimated assessed value of the residential portion of the Condominium property in the tax year of 2027/2028 ($1,476,069.00) by the projected then current Class 2 tax rate of 12.635% (assuming the tax rate remains unchanged) for the Residential Units.

(ii) The projected real estate taxes for the non-residential portion, or commercial/ community facility portion of the Condominium for tax year of 2027/2028 after the full valuation of the building has been reassessed is estimated to be around $55,936.00. The calculation is made by multiplying the estimated assessed value of the non-residential portion of the Condominium property in the tax year of 2027/2028 ($522,868.00) by the projected then current Class 4 tax rate of 10.698% (assuming the tax rate remains unchanged) for the such non-residential portion of the Condominium

property.

For Subsections 2 through 6 of this Section above, refer to Section U(a) "Opinion(s) on Projection of Real Estate Taxes" in Part I of the Offering Plan

6. Nature of Estimated Assessment

Prospective purchasers are advised that the City of New York has not actually assessed the Units in the Condominium. The estimates of projected real estate taxes in the Offering Plan have been prepared by Sponsor's experts and cannot be construed as an assurance of the final tax costs, but are merely estimates based upon information available to the Sponsor's experts at this time. The tax assessment for each unit may be allocated on a basis that differs from the allocation of common interests (13NYCRR 20.3(x)(2)).

7. Expenses on Income Taxes

As the non-residential portion will be subdivided into individual lots and separately owned, the Condominium do not expect any significant expenses on income taxes, unless the common charges and assessments that the Condominium collects exceed the amount of costs and expenses associated with the Condominium operation.

HOWEVER, NEITHER SPONSOR, ANY COUNSEL TO SPONSOR, THE MANAGING AGENT, THE SELLING AGENT OR ANY OTHER PERSON, MAKES ANY WARRANTY AS TO THE AMOUNT, IF ANY, OF THE MINIMUM TAX WHICH WILL BE ASSESSED AGAINST THE CONDOMINIUM UNITS OR THE AMOUNT OF REAL ESTATE TAXES PAYABLE AT ANY TIME BY A UNIT OWNER.

8. No Tax Certiorari Proceedings

There are no tax certiorari proceedings are pending for the Condominium property.

9. Section 528

(a) Under Section 528 of the Internal Revenue Code, a Condominium Management Association could elect to be exempt from federal taxes on income from membership fees, dues and assessments from Unit owners, if the Condominium can satisfy certain requirements. One of the requirements is that substantially all of the Condominium Units (or at least eighty-five percent (85%) of the total square footage of all units within the project) must be used as residences (the "Eighty-Five Percent Requirement").

(b) Sponsor's attorney has opined that the Condominium will not be able to make an election under Section 528 of the Internal Revenue Code because this

Condominium as currently being constructed will not satisfy the Eighty-Five Percent Requirement. (See Section V "Opinion(s) of Counsel on Real Estate Taxes and Tax Exemption" in Part I of the Offering Plan.)

10. Tax Cuts and Jobs Act of 2017

On January 1, 2018, the Tax Cuts and Jobs Act of 2017 went into effect. This federal law significantly changed the previously existing Internal Revenue Code, including the taxes and deductions related to homeownership. Purchasers are advised to consult with a tax expert regarding whether the new law will affect the purchaser's taxes. Purchasers should not rely on any representations in this offering plan addressing taxes without first consulting a tax expert (See Section V "Opinion(s) of Counsel" Subsection 1 in Part I of the Offering Plan).

OPINION
ON PROJECTION OF REAL ESTATE TAXES

Hunter Square LLC
42-62 Hunter Street
Long Island City, NY 11101

Re: Hunter Tower Condominium
42-62 Hunter Street
Long Island City, NY 11101

Dear Sir:

We have over fifteen (15) years of experience in advising clients on the assessments of real estate taxes for properties located in the City of New York with and without 421-a Partial Tax Exemption (the "421a Program") and Industrial and Commercial Abate Program (the "ICAP") and we have successfully obtained tax exemption benefits for clients on over fifty (50) residential condominium buildings, apartment buildings and multi-family houses and commercial buildings.

Since 2008, we have prepared and filed numerous condominium offering plans (including making estimates on the tax liability of the condominiums units) with the Office of the New York State Attorney General (the "OAG") for developers of real property located in the City of New York. Up to now, over sixty (60) condominium offering plans have been accepted for filing with OAG.

We have now been asked to make an estimate of assessed valuation of Hunter Tower Condominium after completion of construction.

In making this estimate of assessed valuation, we have examined relevant documents including the Declaration of Condominium and the By-Laws. During this examination we have assumed the authenticity of all documents and the genuineness of all signatures. We are familiar with the tax assessment practices of NYC Department of Finance (the "DOF"), the locality in which the property is located and have considered such tax assessment practices as applicable to the subject condominium.

1. The Condominium consists of a residential portion, or residential units, which are located on the second (2nd) floor through twelfth (12th) floor, and a non-residential portion, or commercial/ community facility portion, which is located on the first (1st) floor and cellar floor of the building.

(a) To approximate the real estate taxes that will be due on the proposed residential portion of the building for 2025/2026 tax year, the following formula applies: Take the estimated assessed value of residential portion of the building, i.e., $1,254,658.00, and multiply this estimated assessed value by the estimated then current Class 2 tax rate of 12.635% (which tax rate reflects a three (3%) percent increase over the average of the tax rates for previous three tax years available) for the residential portion. The estimated real estate taxes for the residential portion of the building will approximately be about $158,526.00.

(b) To approximate the real estate taxes that will be due on the proposed non-residential portion, or commercial/ community facility units, of the building for 2025/2026 tax year, the following formula applies: Take the estimated assessed value of non-residential portion of the building, i.e., $444,438.00, and multiply this estimated assessed value by the estimated then current Class 4 tax rate of 10.698% (which tax rate reflects the average of the tax rates for previous three tax years available) for the non-residential portion. The estimated real estate taxes for the non-residential portion of the building will approximately be about $47,546.00.

2. Purchasers are advised that the estimated assessed value of the Condominium in paragraph 1 above reflects the assessment for the first year Condominium operation while the Condominium Building is under construction, the assessed value and therefore the real estate taxes may increase materially when the full valuation of the building is reassessed on the first status date (i.e., January 5) after construction is complete for the following tax year (i.e., tax year of 2027/2028), commencing from July 1, 2027.

(a) To approximate the real estate taxes that will be due on the proposed residential portion of the building for 2027/2028 tax year, the following formula applies: Take the estimated assessed value of residential portion of the building, i.e., $1,476,069.00, and multiply this estimated assessed value by the estimated then current Class 2 tax rate of 12.635% (assuming the tax rate remains unchanged) for the residential portion. The estimated real estate taxes for the residential portion of the building will approximately be about $186,501.00.

(b) To approximate the real estate taxes that will be due on the proposed non-residential portion, or commercial/ community facility units, of the building for 2027/2028 tax year, the following formula applies: Take the estimated assessed value of non-residential portion of the building, i.e., $522,868.00, and multiply this estimated assessed value by the estimated then current Class 4 tax rate of 10.698% (assuming the tax rate remains unchanged) for the non-residential portion. The estimated real estate taxes for the non-residential portion of the building will approximately be about $55,936.00.

Note: The estimated real estate taxes for tax year of 2026/2027 are considered to remain about the same (without material changes) as those for tax year of 2025/2026 for both residential and non-residential portions while the Condominium building is still under construction.

3. The Sponsor will obtain individual tax lot for each Condominium Unit. After the Units are separately assessed, each unit will be taxed as a separate tax lot for real estate tax purposes and the Unit owner will not be responsible for the payment of, nor will the Unit be subjected to any lien arising from the non-payment of taxes on other Units. The actual real estate taxes payable by each Unit will be based on the percentage of common interest of each Unit in the condominium building.

Prospective purchasers are advised that the DOF has not actually assessed the Units in the Condominium. The estimates of real estate taxes cannot be construed as an assurance of the final tax costs, but are merely estimates based upon information available to counsel at this time. The tax assessment for each Unit may be allocated on a basis that differs from the allocation of common interests.

COUNSEL MAKES NO WARRANTY AS TO THE AMOUNT OF REAL ESTATE TAXES PAYABLE AT ANY TIME BY A UNIT OWNER. OUR OPINION IN THE PROCEEDING PARAGRAPHS IS NOT A GUARANTEE; IT IS BASED ON EXISTING RULES OF LAW APPLIED TO THE FACTS AND DOCUMENTS REFERRED TO ABOVE. NO ASSURANCE CAN BE GIVEN THAT THE TAX LAWS OR TAX ASSESSMENT PRACTICES UPON WHICH COUNSEL BASES THIS OPINION WILL NOT CHANGE.

We hereby authorize the use of this opinion, or a reproduction thereof, in the Offering Plan.

Very truly yours,

SECTION V

OPINION OF COUNSEL

Hunter Square LLC
42-62 Hunter Street
Long Island City, NY 11101

Re: Hunter Tower Condominium
42-62 Hunter Street
Long Island City, NY 11101

Dear Sir/Madam:

We have received your Offering Plan including schedules, exhibits and documents for the Condominium known as Hunter Tower Condominium.

We have now been asked to render an opinion on (1) Tax Deduction on Real Estate Taxes; (2) Condominium Income Taxes; (3) Section 528 Tax Exemption; and (4) Condominium Common Interest Assignment with regard to the Unit Owners as well as for said Condominium during the first year's condominium operation and after completion of construction.

In rendering this opinion, we have examined relevant documents including the Declaration of Condominium, Schedule A and Schedule B, and the By-Laws. During this examination we have assumed the authenticity of all documents and the genuineness of all signatures. We have also considered applicable provisions of the Internal Revenue Code, as amended under Tax Cuts and Jobs Act (Hereinafter the "TCJA"), which came into effect on January 1, 2018, and the Tax Laws of the State of New York. We are familiar with the tax assessment practices of NYC Department of Finance (the "DOF"), the locality in which the property is located and have considered such tax assessment practices as applicable to the subject condominium.

1. Tax Deduction on Real Estate Taxes

The Purchaser of a Condominium Unit at Hunter Tower Condominium will receive a legal title in fee simple to a Condominium Unit as well as ownership of an

undivided interest in the common elements and in the limited common elements appurtenant to his/her/its Unit. As an owner in fee simple, the Purchaser has the right to take out a separate mortgage as well as the obligation to pay property taxes on his/her/its individual Unit.

However, the new TCJA provides that (i), for the tax years between 2018 through 2025, interest that can be deducted from an individual's federal income taxes will be limited to the amount that he/she will have paid on the home acquisition indebtedness not exceeding $750,000.00. (26 U.S.C.§163(h)(3)(F)(i)(II)); and (ii) for the tax years between 2018 through 2025, individual deductions from federal tax income on the amount that he/she has paid as state, local real property taxes and personal property taxes shall not exceed $10,000.00 (26 U.S.C.§164(b)(6)(B)).

Therefore, it is our opinion that at the present time the owner of a Residential Condominium Unit of Hunter Tower Condominium may deduct from his/her/its federal income taxes all interest payments made on the mortgage indebtedness and real estate taxes in the year paid or accrued covering his/her/its Condominium Unit to the extent that are allowed under the new TCJA. It is to be noted that for federal income tax purposes, should an owner not use his/her/its Condominium Unit as a personal residence, but rather as an investment, he may be subject to overall limitations on the deductibility of investment interest.

2. Condominium Income Taxes

Although Condominiums are considered taxable entities under the rulings of the Internal Revenue Service, receipts from capital or special assessment may not be taxable assuming these assessments are properly designated and treated as trust funds. Under these circumstances the Condominium would not be subject to any significant taxable income from receipt of such trust funds other than possible investment income such as interest earned on the funds deposited in local banks.

3. Section 528 Tax Exemption

Section 528 of the Internal Revenue Code provides that a "Condominium Management Association" could elect to be exempt from federal taxes on income from membership fees, dues and assessments from Unit Owners, if the Condominium can satisfy the following requirements: (a) Substantially all of the Condominium Units (or at least eighty-five (85%) of the total square footage of all units within the project) must be used as residences; (b) ninety percent (90%) or more of its expenditures must be for the purposes of acquiring, constructing, managing, maintaining and caring for the Condominium property; (c) sixty percent (60%) or more of its gross income must consist of membership dues, fees and assessments; and (d) no part of the Condominium's net earnings may inure to the benefit of any private shareholder or individual.

Based on the information provided to us, inter alia, that eighty-five percent (85%) of the total square footage of all units within the project will not be used as residences as

designed in the Offering Plan, we opine that the Condominium will NOT satisfy the Section 528 criteria and qualify to make an election under Section 528 of the Internal Revenue Code.

4. Condominium Common Interest Assignment

The percentage interest of each unit in the common elements shown in Schedule A of the Offering Plan is assigned so that such interest for each of the units is in approximate proportion that the fair value of the unit at the date of declaration bears to the aggregate fair value of all the units. In the case of Hunter Tower Condominium, the fair value is based on the calculations of the values of the salable square footage provided by the Sponsor's architect. In our opinion, this method of assigning the percentage of common interest to each unit is in compliance with Real Property Law Section 339-I(1)(i). This opinion is based on other expert factual determinations as required by 13 NYCRR §20.3(i) (See Section H(a) in Part I of the Offering Plan for a copy of the letter by Grand Development Realty LLC, dated as of January 26, 2024). (13 N.Y.C.R.R. § 20.3(y)(5))

COUNSEL MAKES NO WARRANTY AS TO THE AMOUNT, IF ANY, OF THE MINIMUM TAX WHICH WILL BE ASSESSED AGAINST THE CONDOMINIUM UNITS OR THE AMOUNT OF REAL ESTATE TAXES PAYABLE AT ANY TIME BY A UNIT OWNER.

IN OUR OPINION, THE RESIDENTIAL UNITS' OWNERS IN THE CONDOMINIUM WILL BE ELIGIBLE FOR THE REAL ESTATE TAX DEDUCTIONS AND TAX TREATMENT DESCRIBED IN SUBSECTIONS (1) THROUGH (2) ABOVE. THE TAX BENEFITS UNDER SUBSECTIONS (1) THROUGH (2) WILL LIKELY BE AVAILABLE TO UNITS' OWNERS DURING THE FIRST YEAR OF CONDOMINIUM OPERATION. HOWEVER, OUR OPINION IN THE PROCEEDING PARAGRAPHS IS NOT A GUARANTEE; IT IS BASED ON EXISTING RULES OF LAW APPLIED TO THE FACTS AND DOCUMENTS REFERRED TO ABOVE. NO ASSURANCE CAN BE GIVEN THAT THE TAX LAWS UPON WHICH COUNSEL BASES THIS OPINION WILL NOT CHANGE. IN NO EVENT WILL THE SPONSOR, THE SPONSOR'S COUNSEL, THE BOARD OF MANAGERS OF THE CONDOMINIUM, THE SELLING AGENT OR ANY OTHER PERSON BE LIABLE IF THERE ARE CHANGES IN THE FACTS ON WHICH COUNSEL RELIED IN ISSUING THIS OPINION OR IF THERE ARE CHANGES IN THE APPLICABLE STATUTES, REGULATIONS, DECISIONAL LAW OR INTERNAL REVENUE SERVICE RULINGS ON WHICH COUNSEL RELIED WHICH CAUSE THE CONDOMINIUM TO COMMENCE OR CEASE TO MEET THE REQUIREMENTS OF SECTION 528 OF THE INTERNAL REVENUE CODE OF 1986, AS AMENDED, THE TCJA, OR THE NEW YORK STATE TAX LAW, AS AMENDED, AND CAUSE THE UNIT OWNERS NOT TO BE ENTITLED TO INCOME TAX DEDUCTIONS, OR WHICH CAUSE UNIT OWNERS NOT TO BE OR CEASE TO BE ENTITLED TO THE BENEFITS OR THE LEVEL OR DURATION OF BENEFITS DESCRIBED ABOVE.

We hereby authorize the use of this opinion, or a reproduction thereof, in the Plan.

Very truly yours,

Lawrence Lixin Yang, P.C.

Lawrence Yang

Lawrence (Lixin) Yang, Esq.

SECTION W RESERVE FUND

1. (a) Under the provisions of the By-Laws, the Board has the right to establish a Reserve Fund for the future replacement of or additions to the common elements (See Section HH Article III, Section 2 and Article VI, Section 2 in Part II of the Offering Plan).

(b) In case additional funds are required to finance needed capital expenditures such as renewal or replacement of building components or systems or to remedy major building defects, the Board of Managers may make assessment against each condominium unit, borrow money from an institutional lender on behalf of the Unit Owners to finance such needed capital expenditures, and/or utilizes other means available to the Board of Managers under the Condominium By-Laws. (13 NYCRR § 20.3 (z) (5)).

2. The Board shall fix and determine the sums necessary to maintain the Reserve Fund. The amount to be reserved shall be computed by means of a formula which is based upon the estimated life and estimated replacement cost of each reserve item.

3. There is a Reserve Fund in the current budget set forth in Section G, Schedule B for major capital improvements.

4. The Reserve Fund may not be used to reduce projected common charges while Sponsor is in control of the Board.

5. Sponsor anticipates that the Reserve Fund will be sufficient to pay for the replacement of capital items likely to be needed within the first five years of condominium operation. (13 NYCRR 20.3(z)).

NEITHER THE DEPARTMENT OF LAW NOR ANY OTHER GOVERNMENTAL AGENCY HAS PASSED UPON THE ADEQUACY OF THE FUND. (13 NYCRR §20.3(z)(2)).

SECTION X WORKING CAPITAL FUND

1. At the time of closing each Purchaser shall contribute one (1) month's common charges to the Condominium's Working Capital Fund. This contribution shall not be credited against the purchase price as regular assessments. This is the one-time contribution until further assessments are made by the Board of Managers in the future.

2. (a) The Working Capital Fund shall be set aside and used for the start-up operation of the Condominium building, while each Unit owner, including Sponsor, shall commence payment of monthly common charges allocated to his/her/its Unit, the amount of which is provided in Schedule A of this Plan, as soon as the Condominium operation starts upon closing of the 1st Unit.

(b) The Working Capital Fund may not be used to reduce projected common charges in the Plan while Sponsor is in control of the Board.

3. Any budget item that has to be paid before the sale of the first Condominium Unit, e.g., insurance, shall be paid for by Sponsor and Sponsor shall be entitled to a pro-rata re-imbursement from Purchasers during the first year of condominium operation from the common charges as each Condominium Unit is sold.

4. (a) Closing adjustments between the Sponsor and the Board of Managers, if any, may be deducted only from the Working Capital Fund. The net closing adjustments, if in favor of the Sponsor, are to be paid from the Working Capital Fund contributed by Purchasers at closing.

(b) However, Sponsor does not anticipate any adjustments for prepaid expenses between the Sponsor and the Board of Managers at closing.

(c) Regardless of the amount of closing adjustments between Sponsor and the Board of Managers, Purchasers shall pay a minimum Working Capital Fund, which equals one (1) month's common charges, into the account of the condominium Board of Managers as provided in Paragraph 1 above. 13 NYCRR. § 20.3(z)(3).

5. (a) No representation is made that the Working Capital Fund will be sufficient to cover current or future expenses, including repair of the common elements, or other purposes as determined by the Board of Managers and its agents in their discretion.

(b) In case additional funds are required to finance needed capital expenditures such as renewal or replacement of building components or systems or to remedy major building defects, the Board of Managers may make assessment against each condominium unit, borrow money from an institutional lender on behalf of the Unit Owners to finance such needed capital expenditures, and/or utilizes other means available to the Board of Managers under the Condominium By-Laws.

(c) Except as set forth above no Working Capital Fund has been provided for.

NEITHER THE DEPARTMENT OF LAW OF THE STATE OF NEW YORK NOR ANY OTHER GOVERNMENTAL AGENCY HAS MADE ANY JUDGMENT AS TO THE ADEQUACY OF ANY WORKING CAPITAL FUND BUDGET ITEM.

SECTION Y

MANAGEMENT AGREEMENT, CONTRACTS AND LEASES

1. (a) The Board of Managers will enter into a Management Agreement with Sponsor (Hereinafter the "Managing Agent"). The Agreement will be for a term commencing upon the date of the conveyance of the first Unit and expiring two (2) years thereafter, at an annual fee of $8,373.00 payable in equal monthly installments. The management fee to be collected by the sponsor is about five percent (5%) of the total common charges. The projected cost for management of the condominium is neither greater than nor substantially less than the prevailing cost (ranging from four percent (4%) to twelve percent (12%)) which would be charged for such services. 13 NYCRR §20.3 (h)(4)(ix). SUCH MANAGEMENT AGREEMENT WITH THE SPONSOR SHALL NOT BE CANCELLED FOR ONE (1) YEAR. After one (1) year, it may be cancelled by either party upon sixty (60) days written notice with or without cause (13 NYCRR 20.3 (aa)(1)(vii).) The Managing Agent will be obligated to bill and collect common charges, hire and fire employees, supervise alterations and repairs, maintain the Condominium's books and records, advise the Board of Managers regarding its proposed annual budget, purchase supplies for the Condominium and generally perform the duties of a managing agent for condominium. In performing these duties, the managing agent may engage contractors on behalf of the Board of Managers for the purpose of carrying out the maintenance and repair of the common elements.

(b) Although the Managing Agent is affiliated with the sponsor, it shall nevertheless have a fiduciary duty to the Condominium.

2. The Board of Managers shall reimburse the Managing Agent for its costs and expenses incurred and indemnify the Managing Agent against any liabilities for the acts properly performed pursuant to the Agreement.

3. Guo Zhong Lin, having a business address at 5030 208th Street, Oakland Gardens, NY 11364, will be the officer(s) of the Managing Agent.

4. Until such time as the Declaration of the Condominium is recorded, Sponsor reserves the right to designate another person or entity as managing agent as per the terms set forth above as well as the right to enter into any new service or concession contracts or to renew or replace any such contract which may expire for the services described in Schedule B to this Plan.

5. No such contract, however, will be for a term expiring more than two (2) years after the recording of the Declaration, unless it provides for a cancellation thereafter upon ninety (90)-day written notice. Sponsor will endeavor to obtain all such new, renewal and replacement contracts on a competitive cost basis.

6. The Management Agreement is not assignable by the agent unless the Managing Agent is the Sponsor.

7. Other than the Management Agreement that the Board of Managers will enter into with the Managing Agent (Sponsor) with major terms as described in Subsections 1 and 2 above, the Sponsor has not entered into any agreements that will be binding on the condominium (13 NYCRR § 20.3(aa)(2)).

2. The Offering Plan and Provision of Conflicts.

(a) Purchaser acknowledges having received and read a copy of the Offering

Plan for Condominium ownership of the premises located at 42-62 Hunter Street, Unit No. ____, Long Island City, New York and all amendments thereto filed with the Department of Law of the State of New York (Hereinafter the "Plan") within a seventy-two (72) hour period immediately preceding the execution of this Agreement by Purchaser. The Plan is incorporated hereby by reference and made a part hereof with the same force and effect as if set forth at length.

(b) In the event of any inconsistency between the terms of the Plan and those of this Agreement, the terms of the Plan shall control. (13 NYCRR § 20.3(o)(19))

3. Definitions.

Terms used herein which are also used in the Plan shall have the same meanings herein as therein unless the context otherwise requires.

4. Architectural Plans.

Purchaser has been given an opportunity to examine the architectural plans and specifications for the above-numbered Unit and for the building in which it is located (Hereinafter the "Building"), prepared by Michael Kang, Registered Architect, of Michael Kang Architect, PLLC with the office at 37-01 Main Street, Suite 3A, Flushing, NY 11354. (Hereinafter the "Architect").

5. Construction.

The construction of the building and Unit and the materials, equipment and fixtures installed therein shall be substantially in accordance with the plan and the Architectural Plans and specifications as said plans and specifications are modified or amended as provided in the plan. The issuance of a Final Certificate of Occupancy for entire Building shall be deemed presumptive evidence that the Building has been fully completed in accordance with the plans and specifications.

6. The Unit.

Sponsor/Seller agrees to sell and convey and Purchaser agrees to purchase the Unit (Hereinafter the "Unit") designated as Unit No. ____ in the Declaration, together with a _____% undivided interest in the Common Elements appurtenant thereto, together with and subject to the easements, covenants, rights and benefits set forth in the Declaration and By-Laws, and upon and subject to the terms and conditions set forth herein.

7. Closing.

(a) The closing of title shall take place on no less than thirty (30) days' written notice to Purchaser's Attorney at such place as Sponsor/Seller may designate, at an hour and on a date (Hereinafter the "Closing Date") to be specified by Sponsor/Seller.

Such date shall be no earlier than thirty (30) days after the date on which written notice is given to Purchaser's Attorney that the Plan has been declared effective (unless Purchaser and Sponsor/Seller shall agree on an earlier Closing Date). The closing of title may be adjourned to such later date as the parties may agree upon in writing, or otherwise as set forth in the following Subsection, and such adjourned date shall then be deemed the Closing Date hereunder. Purchaser shall be entitled to one (1) reasonable adjournment of up to fifteen (15) days, on five (5) days written notice by Purchaser to Sponsor/Seller.

(b) Intentionally deleted.

(c) The Sponsor anticipates that the first closing of the Unit will occur on or about July 1, 2025. Purchasers will be offered a right of rescission if the actual date of closing of title to the first Unit occurs later than June 30, 2026, i.e., twelve (12) months after the projected date for the closing of title to the first Unit. If the Plan is amended to provide a later projected date for the first closing, purchasers who enter into purchase agreements after the amendment is accepted for filing will be entitled to an offer of rescission if the first closing occurs more than twelve (12) months beyond that amended, later date.

(d) Purchasers should note that even if the first closing occurs on or before July 1, 2025 (or such other date projected as the date of commencement of the operation at the time the purchase agreement was entered into), or within the twelve (12) month period thereafter, the closing of subsequent units may be substantially delayed beyond such dates if a TCO has not been issued for such units or for the floor on which such units are located. In such case, provided that sponsor is diligently pursing completion of construction and the issuance of a certificate of occupancy and is otherwise in compliance with its obligations under the Plan, Purchaser will not be entitled to a right of rescission or to make claims against the sponsor for damages or losses as a result of such delays and will not be excused from paying the full purchase price for the unit. PROSPECTIVE PURCHASERS SHOULD THEREFORE CAREFULLY CONSIDER THE POSSIBILITY OF SUCH DELAYS IN THEIR DETERMINATION AS TO WHETHER TO PURCHASE A UNIT.

8. Delivery of the Deed and Power of Attorney to the Condominium Board.

(a) At the closing of title, Sponsor/Seller shall deliver to Purchaser a bargain and sale deed with covenants against grantor's acts conveying title to the Unit to Purchaser (Hereinafter the "Deed"). The Deed shall be prepared by Sponsor/Seller substantially in the form set forth in Part II of the Plan and shall be executed and acknowledged by Sponsor/Seller in the form necessary for recording.

(b) At the closing of title, and simultaneously with the delivery of the Deed conveying the Unit to Purchaser, Purchaser shall execute and acknowledge a Power of Attorney to the Condominium Board prepared by Sponsor/Seller and substantially in the form set forth in Part II of the Offering Plan (Hereinafter the "Power of Attorney").

(c) The Deed and Power of Attorney to the Condominium Board shall be delivered to the representative of the title company insuring Purchaser's title (or if no such representative is present, then to Sponsor/Seller's Attorney) for recording in the Office of the City Register of the City of New York (Hereinafter the "City Register's Office"). After being recorded, the Deed shall be returned to Purchaser and the Power of Attorney shall be sent to the Condominium Board.

9. Marketable Title.

At the closing of title, Sponsor/Seller shall convey to Purchaser good and marketable title in fee simple, free and clear of all encumbrances other than those set forth in Exhibit A hereto annexed, which has been made a part hereof, and mortgages, if any, covering the Unit, which Purchaser assumes. Any encumbrances to which title is not to be subject shall not be an objection to title if: (a) the instrument required to remove it of record is delivered to the proper party together with the recording or filing fees or (b) Liberty Land Abstract, Inc., or any other reputable title insurance company will insure Purchaser that it will not be collected out of the Unit if it is a lien, or will not be enforced against the Unit if it is not a lien.

10. Expenses of Closing and Closing Adjustments.

(a) Purchaser will pay the closing costs and expenses referred to in Section P of the Plan (as same may be amended from time to time) entitled "Unit Closing Costs and Adjustments", including, without limitation, the New York State Real Estate Transfer Tax and the New York City Real Property transfer taxes, the amount of any credit for mortgage recording tax, if applicable, and legal fees and charges for Sponsor/Seller's attorney (see this Subsection 10 (b) and (c) below). Purchaser shall make the contribution to the working capital of the Condominium referred to in said Section. Real estate taxes and common charges and expenses shall be adjusted between Sponsor/Seller and Purchaser as of midnight preceding the Closing Date in accordance with the provisions of the Plan. Any such expenses or adjustments payable to Sponsor/Seller in excess of $1,000.00 will be paid by certified check or bank check.

(b) The following closing fees will be charged by the attorney for Sponsor/Seller in connection with the closing of title to the Unit(s):

(i) Attorney Fee. A closing fee in the amount of (x) $2,000.00 for a residential unit, (y) $4,000.00 for a commercial/community facility unit, or (z) $2,000.00 for a parking space unit (if carried out as an independent transaction) will be charged by the attorney for Sponsor in connection with the closing of title to the Unit(s).

(ii) Assignment/Amendment Fee. A legal fee in the amount of $350.00 for each assignment of, and/or amendment to, the Purchase Agreement required by the Purchaser.

(iii) Attendance Fee. The closing is to be held at the office of

Sponsor/Seller's Attorney. There will be an additional $350.00 attendance fee if Purchaser desires to have the closing at a location other than the office of Sponsor's attorney.

(iv) Assistance Fee for Mortgage Application. If the Purchaser's obligations under this Agreement are contingent upon obtaining a mortgage pursuant to Paragraph 13(b) of the Purchase Agreement and Purchaser requires Sponsor/Seller's attorney to provide assistance in obtaining such mortgage(such as providing Attorney Escrow Letter, documents on sales and closing of condominium units, status of condominium, condominium questionnaire and other related information to the Purchaser's mortgage lender and/or broker), Purchaser is willing to pay an additional amount of $350.00 to Sponsor/Seller's attorney as legal fee.

(c) In the event that the Purchaser desires to terminate or otherwise cancel the Purchase Agreement that is fully executed and in full force and effect, the Purchaser agrees to pay fifty percent (50%) of the Sponsor/Seller's attorney fee (for example, $1,175.00 with assistance in obtaining purchase mortgage, or $1,000.00, without such assistance for a residential unit, or a parking space unit), unless such termination or cancellation is due to the fact that Sponsor/Seller is in default and Purchaser is entitled to such termination or cancellation.

(d) Recording charges, fees and taxes, as set forth in the Plan, are based on the rates in effect on the date of the Plan and are subject to change without notice.

11. Escrow of Deposits.

(a) The law firm of Lawrence Lixin Yang, P.C., with an address at 136-20 38th Avenue, Suite 10E, Flushing, New York 11354, and a telephone number of (718) 886-7999, shall serve as escrow agent (Hereinafter the "Escrow Agent") for the Sponsor and Purchaser. Escrow Agent has designated the following attorney(s) to serve as signatories: Lawrence (Lixin) Yang. All designated signatories are admitted to practice law in the State of New York. Neither the Escrow Agent nor any authorized signatories on the account are the Sponsor, Selling Agent, Managing Agent, or any principal thereof, or have any beneficial interest in any of the foregoing.

(b) Escrow Agent and all authorized signatories hereby submit to the jurisdiction of the State of New York and its Courts for any cause of action arising out of the Purchase Agreement or otherwise concerning the maintenance of release of the Deposit from escrow (Hereinafter the "Deposit").

(c) The Escrow Agent has established the escrow account at Citibank, located at 215 Jericho Turnpike, Floral Park, New York 11001, in the State of New York (Hereinafter the "Bank"), a bank authorized to do business in the State of New York. The escrow account is entitled Hunter Tower Condominium Escrow Account (Hereinafter the "Escrow Account"). The Escrow Account is an IOLA account. The Escrow Account is federally insured by the FDIC at the maximum amount of $250,000.00 per deposit. Any

deposit in excess of $250,000.00 will not be insured. Additionally, any other deposits a purchaser has at the escrow bank will count toward the $250,000.00 FDIC insurance limit.

(d) All Deposits received by Purchaser shall be in the form of checks, money orders, wire transfers, or other instruments, and shall be made payable to or endorsed by the Purchaser to the order of Lawrence Lixin Yang, P.C., as Escrow Agent.

(e) No fees of any kind may be deducted from the Escrow Account, and the Sponsor/Seller shall bear all costs associated with the maintenance of the Escrow Account.

(f) Within five (5) business days after the Purchase Agreement has been tendered to Escrow Agent along with the Deposit, the Escrow Agent shall sign the Purchase Agreement and place the Deposit into the Escrow Account. Within ten (10) business days of the placing the Deposit in the Escrow Account, the Escrow Agent shall provide written notice to Purchaser and Sponsor/Seller, confirming the Deposit. The notice shall provide the account number. Any Deposits made for upgrades, extras, or custom work shall be initially deposited into the Escrow Account, and released in accordance with the terms of the Purchase Agreement.

(g) The Escrow Agent is obligated to send notice to the Purchaser once the Deposit is placed in the Escrow Account. If the Purchaser does not receive notice of such Deposit within fifteen (15) business days after tender of the Deposit, he/she/it may cancel the Purchase Agreement within ninety (90) days after tender of the Purchase Agreement and Deposit to Escrow Agent. Complaints concerning the failure to honor such cancellation requests may be referred to the New York State Department of Law, Real Estate Finance Bureau, 28 Liberty Street, 21st Floor, New York, NY 10005. Rescission shall not be afforded where proof satisfactory to the Attorney General is submitted establishing that the Deposit was timely placed in the Escrow Account in accordance with the New York State Department of Law's regulations concerning Deposits and requisite notice was timely mailed to the Purchaser.

(h) All Deposits, except for advances made for upgrades, extras, or custom work received in connection with the Purchase Agreement, are and shall continue to be the Purchaser's money, and may not be comingled with any other money or pledged or hypothecated by Sponsor/Seller, as per GBL § 352-h.

(i) Under no circumstances shall Sponsor/Seller seek or accept release of the Deposit of a defaulting Purchaser until after consummation of the Plan, as evidenced by the acceptance of a post-closing amendment by the New York State Department of Law. Consummation of the Plan does not relieve the Sponsor/Seller of its obligations pursuant to GBL §§ 352-e (2-b) and 352-h.

(j)

(I) The Escrow Agent shall release the Deposit if so directed:

(1) Pursuant to the terms and conditions set forth in the Purchase Agreement in Subsection 7 upon closing of title to the Unit; or

(2) In a subsequent writing signed by both Sponsor/Seller and Purchaser; or

(3) By a final, non-appealable order or judgment of a court.

If the Escrow Agent is not directed to release the Deposit pursuant to this Subsection 11(j)(I) (1) through (3) above, and the Escrow Agent receives a request by either party to release the Deposit, then the Escrow Agent must give both the Purchaser and Sponsor/Seller prior written notice of not fewer than thirty (30) days before releasing the Deposit. If the Escrow Agent has not received notice of objection to the release of the Deposit prior to the expiration of the thirty (30) day period, the Deposit shall be released and the Escrow Agent shall provide further written notice to both parties informing them of said release. If the Escrow Agent receives a written notice from either party objecting to the release of the Deposit within said thirty (30) day period, the Escrow Agent shall continue to hold the Deposit until otherwise directed pursuant to this Subsection 11(j)(I) (1) through (3) above. Notwithstanding the foregoing, the Escrow Agent shall have the right at any time to deposit the Deposit contained in the Escrow Account with the clerk of the county where the Unit is located and shall give written notice to both parties of such deposit.

(II) The Sponsor/Seller shall not object to the release of the Deposit to:

(1) A Purchaser who timely rescinds in accordance with an offer of rescission contained in the Plan or an Amendment to the Plan; or

(2) All Purchasers after an Amendment abandoning the Plan is accepted for filing by the Department of Law.

The Department of Law may perform random reviews and audits of any records involving the Escrow Account to determine compliance with all applicable statutes and regulations.

(k) Any provision of any Purchase Agreement or separate agreement, whether oral or in writing, by which a Purchaser purports to waive or indemnify any obligation of the Escrow Agent holding any Deposit in trust is absolutely void. The provisions of the Attorney General's regulations and GBL §§ 352-e (2-b) and 352-h concerning escrow trust funds shall prevail over any conflicting or inconsistent provisions in the Purchase Agreement, Plan, or any amendment thereto.

(l) Escrow Agent shall maintain the Escrow Account under its direct supervision and control.

(m) A fiduciary relationship shall exist between Escrow Agent, and Purchaser,

and Escrow Agent acknowledges its fiduciary and statutory obligations pursuant to GBL §§ 352-e (2-b) and 352-h.

(n) Escrow Agent may rely upon any paper or document which may be submitted to it in connection with its duties under this Purchase Agreement and which is believed by Escrow Agent to be genuine and to have been signed or presented by the proper party or parties and shall have no liability or responsibility with respect to the form, execution or validity thereof.

(o) Sponsor/Seller agrees that Sponsor/Seller and its agents, including any selling agents, shall deliver the Deposit received by them prior to closing of the Unit to a designated attorney who is a member of or employed by Escrow Agent, within two (2) business days of tender of the Deposit by Purchaser.

(p) Sponsor/Seller agrees that it shall not interfere with Escrow Agent's performance of its fiduciary duties and statutory obligations as set forth in GBL §§ 352-e (2-b) and 352-h and the New York State Department of Law's regulations.

(q) Sponsor/Seller shall obtain or cause the selling agent under the Plan to obtain a completed and signed Form W-9 or W-8, as applicable, from Purchaser and deliver such form to Escrow Agent together with the Deposit and this Purchase Agreement.

(r) Prior to release of the Deposit, Escrow Agent's fees and disbursements shall neither be paid by Sponsor/Seller from the Deposit nor deducted from the Deposit by any financial institution under any circumstance.

(s) Sponsor/Seller agrees to defend, indemnify and hold Escrow Agent harmless from and against all costs, claims, expenses and damages incurred in connection with or arising out of Escrow Agent's responsibilities arising in connection with this Purchase Agreement or the performance or non-performance of Escrow Agent's duties under this Purchase Agreement, except with respect to actions or omissions taken or suffered by Escrow Agent in bad faith or in willful disregard of the obligations set forth in this Purchase Agreement or involving gross negligence of Escrow Agent. This indemnity includes, without limitation, disbursements and attorneys' fees either paid to retain attorneys or representing the hourly billing rates with respect to legal services rendered by Escrow Agent to itself.

12. Binding Effect of Declaration, By-Laws and Rules and Regulations.

Purchaser hereby accepts and approves the Plan (including the Declaration, By-Laws and Rules and Regulations contained therein) and agrees to abide and be bound by the terms and conditions thereof.

13. Agreement Subject to Mortgage.

(a) No encumbrances shall arise against the Property as a result of this

Agreement or any monies deposited hereunder. In furtherance and not in limitation of the provisions of the preceding sentence, Purchaser agree(s) that the provisions of this Agreement are and shall be subject and subordinate to the lien of any mortgages heretofore or hereafter made and any payments or expenses already made or incurred, pursuant to the terms thereof, or incidental thereto, or to protect the security thereof, to the full extent thereof without the execution of any further legal documents by Purchaser. Sponsor/Seller shall, at its option, either satisfy such mortgages or obtain a release of the Unit and its undivided interest in the Common Elements from the lien of such mortgages on or prior to the Closing Date unless Purchaser assumes such mortgages. The existence of any mortgage or mortgages encumbering the Property, or portions thereof, other than the Unit and its undivided interest in the Common Elements, shall not constitute an objection to title or excuse Purchaser from completing payment of the Purchase Price or performing all of his/her/its other obligations hereunder or be the basis of any claim against, or liability of, Sponsor/Seller, provided that any such mortgage is subordinated to the Declaration and the Unit is released from the lien of such mortgage.

(b) Purchaser may make his/her/its obligations under the Agreement contingent upon obtaining a mortgage loan by executing the Mortgage Addendum to Purchase Agreement attached hereto and compliance with the terms therein. In the event Purchaser does not comply with the terms set forth in the Mortgage Addendum to Purchase Agreement, Sponsor/Seller shall be entitled to declare this Agreement in default and retain the Down Payment and interest as liquidated and agreed upon damages. Should Purchaser comply with the terms set forth in the Mortgage Addendum to Purchase Agreement and fail to obtain a mortgage loan, Sponsor/Seller shall return the Down Payment and interest if any to Purchaser and thereafter the parties shall be released from any obligation under this Agreement.

(c) Therefore, if the obligations of a Purchaser under a Purchase Agreement are not conditioned on obtaining financing, any prospective Purchaser who executes a Purchase Agreement and does not obtain financing may lose his/her/its deposit if he/she/it is unable to otherwise raise the monies for the balance of the Purchase Price. Prospective Purchasers who require financing are advised to consult with a lending institution before execution of a Purchase Agreement. No representation is made by the Sponsor/Seller as to the availability or cost of such financing.

14. Agreement Subject to Plan Becoming Effective; Sponsor/Seller's Right to Cancel.

(a) This Purchase Agreement is contingent upon the Plan being declared effective. The Plan may be abandoned by Sponsor/Seller at any time prior to its being declared effective and shall be abandoned and deemed abandoned if it has not been declared effective within the time prescribed by the Plan. In the event Sponsor/Seller has decided to abandon the Plan after it has accepted Purchase Agreements, Sponsor/Seller shall promptly submit an amendment to the Office of the Attorney General of the State of New York along with Form RS-3 as promulgated by the Office of the Attorney General. If any payments have been received by Sponsor/Seller under the Purchase Agreements, such payments shall be returned in the form of checks in full amount with any interest

earned thereon, if any, within five (5) days after the amendment abandoning the Plan has been accepted for filing by the Office of the Attorney General.

(b) If, after the Plan is declared effective, title to the Unit shall not close within the time set forth herein or in the Plan for any reason other than Purchaser's default, then, at Purchaser's option upon thirty (30) days written notice, this Purchase Agreement shall be deemed cancelled. If this Purchase Agreement is cancelled pursuant to the provisions of this Subsection, then not later than five (5) days thereafter, Purchaser shall receive a refund in full, of all monies paid by Purchaser hereunder, with the interest earned thereof, if any, and upon such repayment, neither party shall have any claim against the other and both shall be released from all obligations hereunder.

15. Defaults.

A. Default by Purchaser

(a) In the event Purchaser fails to make any payment on the date herein provided or on such later date as the parties hereto may agree upon, fails to close title on the closing date, or fails to perform any of the Purchaser's other obligations hereunder, Sponsor/Seller may send notice to Purchaser advising that Sponsor/Seller intends to cancel this Agreement if such default is NOT cured within thirty (30) days thereafter (Hereinafter the "Notice of Intention to Cancel"). TIME IS OF THE ESSENCE FOR PURCHASER TO CURE SUCH DEFAULT WITHIN SAID THIRTY (30) DAY PERIOD. If, within said thirty (30) day period, Purchaser fails to cure such default, Sponsor/Seller may, at its option, cancel this Agreement by sending notice to Purchaser notifying Purchaser that this Agreement has been cancelled at option of Seller/Sponsor (Hereinafter the "Notice of Cancellation"), provided that such Notice of Cancellation is sent within thirty (30) days as of the time after said thirty (30) day period for Purchaser to cure such default has passed. Thereupon this Agreement shall be deemed cancelled, void and of no further effect.

(b) If Sponsor/Seller has elected to cancel this Agreement pursuant to Subsection 15(a) above, Sponsor/Seller shall (i) certify to the Escrow Agent that Purchaser has defaulted and that Sponsor/Seller has elected to cancel this Agreement by reason thereof, and (ii) send a request in writing to the Escrow Agent for the release of the Deposit (if the Deposit has been placed into the Escrow Account). The Deposit shall be disposed of pursuant to the provisions in Subsection 11 (j)(I) above.

(c) If, the Deposit is released to Sponsor/Seller pursuant to this Agreement, it will be deemed as liquidated damages. In no event shall liquidated damages exceed ten percent (10%) of the Purchase Price plus the cost of any special work ordered.

(d) If this Agreement is cancelled by Sponsor/Seller pursuant to the provisions of this Subsection 15, Sponsor/Seller may sell the Unit to any third party and shall be under no obligation to account to Purchaser for any part of the proceeds of such sale.

B. Default by Sponsor/Seller

If Sponsor/Seller fails to comply with any of the provisions of this Agreement after written notice from Purchaser specifying Sponsor/Seller's alleged failure and the expiration of thirty(30) business days from receipt of said notice in which to cure the alleged failure, then Purchaser may thereafter: (i) terminate this Agreement, whereupon the Deposit shall be returned to Purchaser, together with Purchaser's reasonable costs for title examination without insurance and thereafter this Agreement shall be terminated and neither party shall have any further rights or obligations hereunder except for any obligation which expressly survives the termination of this Agreement, or, (ii) Purchaser shall have the right to bring an action against Sponsor/Seller to seek specific performance of Sponsor/Seller 's obligations hereunder no later than forty-five (45) calendar days after the expiration of all applicable notice and cure periods, provided that if such remedy is unavailable due to a transfer of title by Sponsor/Seller, then Purchaser may bring an action seeking damages. If Purchaser is the prevailing party in its specific performance action, Sponsor/Seller shall be obligated to pay all of Purchaser's cost in connection with such action. In the event Purchaser elects to proceed with an action for specific performance, Purchaser shall be entitled to record a Notice of Pendency of such action.

16. Possession of Unit Prior to Closing.

It is expressly understood and agreed that, except as otherwise provided in Section K in Part I of the Offering Plan, Purchaser shall not take possession of the Unit prior to the time of the delivery of the deed and full compliance by Purchaser with the terms of this Agreement. Should Purchaser violate this provision, Purchaser hereby consents that Sponsor/Seller shall have the right to remove him/her/it from the Unit as a squatter and intruder by summary proceedings. Upon the Purchaser's unauthorized possession, Purchaser shall be deemed in default hereunder at the option of Sponsor/Seller, and if Sponsor/Seller so elects, the Sponsor/Seller may cancel this Agreement and the amount deposited hereunder shall belong to Sponsor/Seller as liquidated damages deemed earned hereunder. It is further understood and agreed that Sponsor/Seller will not be responsible for damage or loss to any personal property before, on or after the closing of title herein.

17. Sponsor/Seller's Inability to Convey the Unit.

In the event Sponsor/Seller is unable to deliver title to the Unit to Purchaser for any reason, other than Sponsor/Seller's obligation to cure violations and title which cost up to one-half (½) of one percent (1%) of the total Purchase Price, Sponsor/Seller's liability shall be limited to the return of the money deposited hereunder and upon return of said money, this Agreement shall be null and void and the parties hereto released from any and all liability hereunder. In any event, Sponsor/Seller shall not be obligated to bring any action or proceeding or otherwise incur any cost or expense of any nature whatsoever to cure such inability, and in such case, if Sponsor/Seller notifies Purchaser of its refusal to cure such inability and if Purchaser is not in default hereunder, Purchaser

shall have the option to (a) take title to the Unit subject to such inability (without any abatement in, or credit against, the Purchase Price, or any claim or right of action against Sponsor/Seller for damages or otherwise) or (b) terminate this Agreement. If Purchaser so elects to terminate this Agreement, Sponsor/Seller shall within ten (10) days after receipt of notice of termination from Purchaser, return to Purchaser all sums deposited hereunder, and upon making such payment, this Agreement shall be null and void and neither party shall have any further rights, obligations or liability to or against the other and the parties shall be released and discharged from all obligations and liabilities under this Agreement and the Plan. The foregoing option must be exercised by notice of Purchaser in writing to Sponsor/Seller within ten (10) days after the giving of Sponsor/Seller's notice of refusal to cure such inability. If Purchaser fails to give any notice to Sponsor/Seller, it shall be conclusively deemed that Purchaser elected the second option above to terminate this Agreement.

18. Acceptance of Condition of Unit; Risk of Loss.

(a) Purchaser shall accept title (without abatement in or credit against the Purchase Price or provision of escrow) notwithstanding that construction of (i) minor details of the Unit or the Building in which it is located or (ii) other Units or (iii) the landscaped area or (iv) other portions of the common elements have not been completed. Purchaser will examine his/her/its Unit with a representative of the Sponsor/Seller during normal business hours prior to the Closing Date and will sign and deliver to Sponsor/Seller on or before the Closing Date a Final Inspection Statement and Punchlist in the form as Exhibit B hereto annexed, acknowledging the condition in which he/she/it has received his/her/its Unit.

(b) (Omit this Subsection, if the Unit has not been completed.) Purchaser represents to Sponsor/Seller that he/she/it has examined the Unit and agrees that his/her/its execution of this Purchase Agreement shall constitute acceptance of the Unit and the Building and all fixtures, machinery, equipment, furnishings, appliances, installations and other personal property contained therein, in their present condition on the date of this Purchase Agreement, subject to reasonable use, wear, tear, and natural deterioration between the date of this Purchase Agreement and the Closing Date.

(c) The risk of loss from fire or other casualty to the units, Common Elements and Limited Common Elements remains with Sponsor/Seller unless and until legal title to the Unit has been conveyed to Purchaser. Thereafter, it passes to the Unit Owner together with the limited common elements to which, as Unit Owner, has access.

(d) It should be noted that insurance for the condominium covers the Unit but the Purchaser is responsible for the contents of the Unit (i.e., Purchaser's personal property).

(e) It is a special risk if Purchaser enters into possession prior to closing in which case, Purchaser assumes the risk of loss for property not covered by the insurance for the units and for any Purchaser who enters into possession before closing. It is

recommended that Purchaser obtain insurance for his/her/its personal property.

(f) If an Interim Lease is entered pursuant to Section K in Part I of the Offering Plan, the risk that an Interim Lessee assumes is the risk of loss for the personal property not covered by the condominium insurance. Insurance proceeds are available to either Sponsor/Seller or the condominium for loss to the Unit and an Interim Lessee shall not assume such loss.

(g) (i) In the event that loss or damages have resulted from fire or other casualty to the units, common elements and limited common elements prior to closing, the notification to the purchasers in contract will be given within ten (10) days after the occurrence of the casualty.

(ii) Furthermore, Sponsor will notify the purchasers in contract within fourteen (14) days of such occurrence whether or not it will repair any damage resulting from a casualty prior to the closing of a unit:

(I) If Sponsor elects to repair such damages, it will do so as promptly as possible and restore the unit, common elements and limited common elements to substantially the same condition as prior to the casualty. In such a case, a purchaser will be required to make a good faith effort to extend the term of the commitment to enable the Sponsor to repair the damage but in the event that an extension is not obtained, the purchaser will be offered a right of rescission.

(II) If Sponsor elects not to repair such damages, it will notify Purchaser of its intention to terminate this Agreement and return to Purchaser all sums deposited hereunder (including advances made for upgrades, extras, or custom work, if any) within ten (10) days, and upon such return, this Agreement shall be null and void and neither party shall have any further rights, obligations or liability to or against the other arising out of this Agreement and the Plan.

(See Section L, Subsection 38 in Part I of the Offering Plan.)

(h) If the closing delays more than six (6) months due to Sponsor/Seller's inability to repair the damages, Purchaser may also rescind the Purchase Agreement and receive the refund of downpayment, in addition to any other right of rescission granted to Purchaser under the Plan.

19. Broker.

The Purchaser represents to Sponsor/Seller that _____ is the only broker or sales agent with whom Purchaser has dealt in connection with this transaction and Sponsor/Seller agrees to pay the commission earned by said broker, if any, pursuant to a separate agreement. Purchaser agrees that should any claim be made against Sponsor/Seller for commissions by any broker, other than the above-named broker on account of any acts of Purchaser or Purchaser's representatives, Purchaser will

indemnify and hold free and harmless Sponsor/Seller from and against any and all liabilities and expenses in connection therewith, including reasonable legal fees. The provisions of this Article shall survive the delivery of the deed.

20. Warranties.

(a) This Condominium Building shall NOT be subject to the Housing Merchant Implied Warranty under Article 36-B of the General Business Law of the State of New York. Under the relevant provisions, a housing merchant implied warranty shall mean that: (i) one (1) year from and after the warranty date (which is defined as the date of the passing of title to the first owner for occupancy by such owner or such owner's family as a residence, or the date of first occupancy of the home, in this case, the Unit, as a residence, whichever first occurs) the Unit will be free from defects due to a failure to have been constructed in a skillful manner; (ii) two (2) years from and after the warranty date the plumbing, electrical, heating, cooling and ventilation systems of the Unit will be free from defects due to a failure by the builder to have installed such systems in a skillful manner; and (iii) six (6) years from and after the warranty date the Unit will be free from material defects.

(b) The Sponsor will assign to the Purchaser upon closing of title to his Unit and the Board of Managers upon the recording of the Declaration as applicable, warranties, if any, or manufacturers and subcontractors warranties relating to heating, electrical work, plumbing and appliances, as well as bonds relating to the Purchaser's unit of the common elements respectively, if any. Sponsor undertakes to do the above only to the extent that warranties are actually made by such manufacturers and subcontractors and only to the extent such warranties and bonds are assignable. Subsequent to the conveyance of title to a Unit, Sponsor shall not be responsible for paint touch-ups to a Unit, dented porcelain or formica chips. Sponsor has no obligation to make any repair to the Units or the common elements except as expressly set forth in a survival agreement or Exhibit B, if any, entered between the parties at closing. Inasmuch as the Condominium Building consists of more than five (5) stories, the Condominium Building will not be covered by the Housing Merchant Implied Warranty. Sponsor does not warrant materials or workmanship of each Unit or common elements except as stated in this Subsection.

(c) Notwithstanding any warranty transferred to the Condominium or unit owners, the Sponsor/Seller remains liable to perform the construction of the premises in accordance with the Plan and applicable law. Therefore, if there are any patent or latent defects in the construction of the Condominium Unit and the Common Elements or in the installation or operation of any mechanical equipment therein due to materials or improper workmanship substantially at variance with the plans and specifications, Sponsor/Seller will cure such defects as promptly as possible, provided that it is notified of them in writing by certified mail within one (1) year from the date of the closing of title to the Unit in which the alleged defect exists, or in the case that such defect exists in the Common Elements, the date of substantial completion of such Common Elements, whichever later occurs, unless there is a latent defect due to faulty construction by

Sponsor that could not be discovered within such timeframe.

21. Agreement May Not Be Assigned.

(a) Purchaser shall not have the right to assign this Agreement without the prior written consent of Sponsor/Seller and any purported assignment of this Agreement in violation hereof shall be voidable at the option of Sponsor/Seller.

(b) With regard to consent to any proposed assignment of Purchase Agreement, the Sponsor/Seller and its agents will not discriminate against any person on the basis of race, creed, color, national origin, sex, age, disability, marital status or other grounds prohibited by law. (13 N.Y.C.R.R. § 20.3(ae)(3))

22. Counterparts and Binding Effect.

(a) This Agreement may be (i) executed in several counterparts, all of which shall constitute one and the same instrument, and (ii) delivered by telecopy, facsimile or in portable document format (PDF) by electronic mail (which shall be deemed an original for all purposes). This Agreement shall not be binding on Purchaser or Sponsor/Seller until a fully executed copy hereof has been furnished to Purchaser or his/her/its attorney.

(b) If this Agreement is not accepted within twenty (20) days after delivery by Purchaser of an executed Purchase Agreement together with the required down payment by the furnishing to Purchaser or his/her/its attorney of a fully executed copy, this Agreement shall be deemed to have been rejected and the Deposit (if paid upon execution hereof), with interest accrued thereon, if any, shall be returned promptly to Purchaser.

For the Purchase of Unit #_____

Hunter Tower Condominium
42-62 Hunter Street
Long Island City, New York 11101

1. Purchaser(s) hereby elects to use mortgage financing to finance a portion of the Total Purchase Price of the Unit and Purchaser(s) shall, within ten (10) days from the date of the receipt of a fully executed copy of this Agreement, submit a duly executed loan application to an institutional lender selected by the Purchaser(s) which engages in mortgage financing of residential real estate (Hereinafter the "Mortgage Lender") for a mortgage loan at the fixed prevailing rate of interest at the time of closing, and upon such other terms and conditions as are determined by the Mortgage Lender. Purchaser(s) acknowledges that the rate of interest, any predictions or representation of present or future interest rates which may have been contained in any advertising or promotion by Sponsor/Seller are not binding.

2. (a) Purchaser(s) shall promptly execute all instruments required to the Mortgage Lender and Purchaser(s) shall promptly comply with any and all requirements of the Mortgage Lender.

(b) The Purchaser(s) must notify the Sponsor/Seller of his/her/its failure to obtain a written mortgage commitment, or his/her/its being rejected by the Mortgage Lender for a mortgage within forty-five (45) days of the receipt of a fully executed copy of this Agreement. If the Purchaser(s) receives a rejection letter from the Mortgage Lender, he/she/it shall submit a copy of same to the Sponsor/Seller. Purchaser(s) shall then have the option of: (i) cancelling the agreement, in which case the agreement shall be null and void, and Sponsor/Seller's sole responsibility shall be to refund the down

payment plus accrued interest, if any; (ii) waive the requirement that the Purchase Agreement be contingent upon obtaining financing; or (iii) in the event Purchaser(s) has not received any definitive written response, denying or approving his/her/its mortgage application, from the Mortgage Lender, he/she/it may request additional time to obtain such a response, which Seller at his sole discretion may agree to. Should Sponsor/Seller not agree to such an extension, Purchaser(s) may cancel the Agreement or waive the contingency as provided for above.

3. Only in the event that Purchaser(s) performs each and every item of his/her/its obligations as set forth in this Mortgage Addendum and fails to obtain a written commitment for a mortgage loan in the sum of $ _____, for a period of 15/30 years at the fixed prevailing rate of interest within forty-five (45) days from the date hereof, shall Purchaser(s) be entitled to a return of the down payment plus interest if any; provided, however, that Sponsor/Seller may elect, in such event, after sending written notice to Purchaser(s) within five (5) days after such forty-five (45) day period, to secure other financing on behalf of Purchaser(s) provided said financing is in accordance with the terms of Paragraph 1 hereinabove. Purchaser(s) will be responsible for the payment of any additional fee in connection thereof. If Sponsor/Seller returns to Purchaser(s) all of the down payment plus interest, if any, the parties shall be relieved of any and all obligations under the Purchase Agreement.

4. In the event Sponsor/Seller is not notified within forty-five (45) days provided for, then Sponsor/Seller shall have the right to:

(a) Cancel the Purchase Agreement by sending a notice within five (5) days to that effect to Purchaser(s), and return the down payment plus interest, if any, or;

(b) Send no notice within the above five (5) day period which will result in this Mortgage Addendum being null and void and the Purchaser(s) will be required to close under the terms and conditions of the Purchase Agreement on an all-cash basis.

5. Purchaser(s) should note that the financing commitment for Purchaser(s) of a Unit may have expiration dates prior to which closing of title to the Unit must occur, and the terms of the commitment may change prior to actual closing. If Purchaser(s)'s financing commitment lapses or expires prior to closing, and Purchaser(s) has made a good faith effort to extend the commitment, Sponsor/Seller must grant such Purchaser(s) a right of rescission and a reasonable period of time to exercise that right as afforded under Title 13 NYCRR 20.3(o)(18).

6. Purchaser(s) shall be responsible for and shall pay all costs of obtaining the Loan, including, but not limited to, such expenditures as legal fees, documentary stamps, mortgage title insurance, tangible fees, recording fees, loan fees, points and discounts.

7. The Sponsor/Seller and/or Mortgage Lender are hereby authorized to make any inquiry and investigation as to Purchaser(s)'s character, reputation and financial responsibility. Sponsor/Seller assumes no obligation to Purchaser(s) and shall not be

bound in any manner whatsoever should the Mortgage Lender fail to approve Purchaser(s) for the Loan or otherwise fail to provide the Loan.

8. If Purchaser(s) is other than an individual, such as a corporation, a partnership or a limited liability company, then Purchaser(s) shall be obligated to supply such guarantee or payment from the principals of Purchaser(s) as the Mortgage Lender or Sponsor/Seller may require.

9. PURCHASER'S FAILURE TO MAKE TIMELY APPLICATION TO THE MORTGAGE LENDER AND COMPLY WITH THE OTHER REQUIREMENTS OF THIS ADDENDUM WILL CONSTITUTE DEFAULT.

10. The terms and conditions of the Addendum are hereby incorporated into and made a part of the Purchase Agreement described above.

Comprehensive narrative description of the building at

42-62 Hunter St., LIC, NY

The information contains herein has been obtained from available record in NYC Department of Buildings (DOB), the Department of Housing Preservation and Development and on site observation. This report conforms to outline promulgated by Attorney General of the State of New York. The basis for the report is the "Plans and Specification" on file in the office of Architect. It is to be noted that no written specification was provided to architect for this report. Specifications contained in this report were obtained from general contractor, sub contractors and by visual observation.

Certificate of occupancy: If closing with TCO, please note the following risk. "A temporary Certificate of Occupancy (TCO) indicates that the property is safe for occupancy but it has an expiration date. TCO typically expires 90 days after they are issued. When a TCO expires and is not renewed, it may be difficult or impossible to buy insurance, or sell, or refinance the property. Buyers should seriously consider negotiating a closing based upon a final certificate of occupancy, not a TCO. If the property has a TCO, consult with a New York State licensed professional engineer or registered architect to determine the outstanding issues, and speak with an attorney regarding the TCO issue."
Buyers are advised to visit the DOB website for further recommendations when purchasing unit(s) in a building that does not have a final certificate of occupancy.

Article XI Administration

The administration of the Condominium and parcel of land described herein shall be in accordance with the provisions of this Declaration and with the provisions of the By-Laws which are made a part of this Declaration and are attached hereto as Section HH.

Article XII Amendment and Withdrawal

(a) The property shall not be withdrawn from Condominium ownership unless at least eighty percent (80%) of the Unit Owners in number and in common interest and the first mortgagees, if any, of each of those same Units agree to such removal by duly recorded instruments. Such withdrawal of the property from Condominium ownership shall not take effect until it is duly recorded in the Office of the City Register of the City of New York.

(b) The provisions of this Declaration may be modified or amended by an instrument executed by the Board of Managers upon an affirmative vote of at least two-thirds (⅔) in number and in common interest of the Unit Owners held at a duly called meeting of the Unit Owners, provided, however, that:

(i) No amendment shall alter the percentages of interest in the common elements appurtenant to any Unit or alter any rights or obligations respecting portions of the common elements without the consent of the affected Unit Owners and the first Mortgagees, if any, of the same Units, which consents shall be expressed on the instrument or amendment.

(ii) No amendment shall add any parcel of land to or divest any parcel of land from the Condominium properties unless all of the Unit Owners and the first mortgagees, if any, of each of these same Unit Owners agree to such change on the instrument or amendment.

(iii) No amendment shall be passed which shall impair or prejudice the rights and priorities of mortgagees.

(c) There shall be a presumption for a period of sixty (60) days subsequent to the recording of the amendment that the vote of the Unit Owners was made at a duly called meeting and that the requisite voting percentage was obtained. After the sixty (60) day period, such presumption will be deemed conclusive. Any amendment to this Declaration shall not take effect until it is recorded in the Office of the City Register of the City of New York.

(d) Irrespective of any other provision in this Declaration, no action for partition or division of the common elements shall be bought nor shall this Plan of Condominium ownership be terminated when such partition, division or termination will result in a violation of the then existing local zoning and building laws and codes.

Article XIII Subject to Declaration, By-Laws, etc.

All present or future Unit Owners, tenants, future tenants, or any other person that might use the facilities of the Condominium in any manner, are subject to the provisions of this Declaration, the By-Laws and Rules and Regulations of the Condominium and the mere acquisition or rental of any of the Units of the Condominium or the mere act of occupancy of any of said Units shall signify that the provisions of the Declaration, By-Laws and Rules and Regulations of the Condominium are accepted and ratified and all of such provisions shall be deemed and taken to be covenants running with the land that shall bind any person having at any time any interest or estate in such Unit, as though such provisions were recited and stipulated at length in each and every deed, conveyance or lease thereof.

Article XIV Common Charges

(a) All sums assessed as common charges by the Board of Managers of the Condominium but unpaid, together with interest at the maximum legal rate thereon, chargeable to any Unit Owner shall constitute a lien on his Unit prior to all other liens except: (a) tax or assessment liens on the Unit by the taxing subdivision of any governmental authority, including but not limited to State, County, Municipal and School

District taxing agencies; and (b) all sums unpaid on any first mortgage of record encumbering any Unit. Such lien may be foreclosed when past due in accordance with the laws of the State of New York, by the Condominium, in like manner as a mortgage on real property, and the Condominium shall also have the right to recover all costs incurred including reasonable attorney's fees and late charges, if any, assessed pursuant to the By-Laws of this Declaration (but such right shall not be a lien against the Unit). In the event the proceeds of the foreclosure sale are not sufficient to pay such unpaid common charges, the unpaid balance will be charged to all Unit Owners as a common expense. However, where the holder of a mortgage of record, or other purchaser of a Unit at a foreclosure sale of a mortgage of record, obtains title to the Unit as a result of a foreclosure, or the mortgage holder obtains title by conveyance in lieu of foreclosure, such acquirer of title, his successors or assigns, shall not be liable and the Unit shall not be subject to a lien for the payment of common charges chargeable to such Unit which were assessed and became due prior to the acquisition of title to such Unit by such acquirer. In such event, the unpaid balance of common charges shall be charged to all other Unit Owners as a common expense. The term "mortgage of record" herein used shall mean a first mortgage granted by a Federal or State Savings and Loan Association, Savings or Commercial Bank, Life Insurance Company, Pension Fund, Trust Company, Agency of the United States Government or of the City or State of the New York or other similar lender or a purchase money mortgage granted by Seller.

(b) Every Unit Owner shall pay the common charges assessed against him when due and no Unit Owner may exempt himself from liability for the payment of the common charges assessed against him by waiver of the dues or enjoyment of any of the common elements or by the abandonment of his Unit. However, no Unit Owner shall be liable for the payment of any common charges accruing subsequent to a sale, transfer or other conveyance by him of such Unit made in accordance with Section 339-X of the Real Property Law or in accordance with the provisions of this Declaration and the By-Laws.

Article XV Unit Acquired by the Board

(a) In the event any Unit Owner shall convey his Unit to the Board of Managers in accordance with Section 339-X of the Real Property Law or in the event the Board of Managers shall purchase any Unit at a foreclosure sale in accordance with Article VI, Section 9 of the By-Laws, title to such Unit or the rights to the lease of such Unit shall be held by the Board of Managers or its designee on behalf of all of the other Unit Owners.

(b) In order to carry out the provisions of this Article, each Unit Owner shall, upon becoming such, grant an irrevocable Power of Attorney, coupled with an interest, to the Board of Managers and their successors to acquire title or lease any such Unit under whatever terms the Board may in its sole discretion deem proper and to sell, lease, sublease, mortgage, vote or otherwise deal with such Unit under such terms as the Board in its sole discretion shall deem proper.

Article XVI Encroachments

The Unit Owners agree that if any portion of a Unit or the common elements whether restricted to an individual owner or not, encroaches upon another or shall hereinafter encroach upon another as a result of original construction or setting of the Building, a valid easement from the encroachment and the maintenance of the same, so long as it stands, shall and does exist. In the event the Building is partially or totally destroyed as a result of fire or other casualty or a result of condemnation or eminent domain proceedings and is rebuilt, the Unit Owners agree that encroachments of any portion of the Unit or the common elements as afore described due to construction, shall be permitted, and that a valid easement for said encroachment and the maintenance thereof shall exist so long as the Building or reconstructed Building shall stand.

Article XVII Unit Ownership

Upon the closing of title to a Unit, a Purchaser shall automatically become a Unit Owner in the Condominium and shall remain a Unit Owner until such time as he ceases to own the Unit for any reason.

Article XVIII Conveyance of a Unit

In any conveyance of a Unit, either by voluntary instrument, operation of law or judicial proceeding in accordance with this Declaration or the By-Laws, the grantee of the Unit shall be jointly and severally liable with the grantor for any unpaid common charges against the latter assessed and due up to the time of the grant or conveyance without prejudice to the grantee's right to recover from the grantor the amounts so paid by the grantee therefore. Any such grantee shall, upon ten (10) days written request, be entitled to a statement from the Board of Managers setting forth the amount of the unpaid common charges against the grantor and such grantee shall not be liable for, nor shall the Unit conveyed be subject to a lien for any unpaid common charges against the grantor in excess of the amount set forth in such statement. Grantee as used herein shall not include either the holder of a mortgage of record or other purchaser of a Unit at a foreclosure sale of a mortgage or record.

Article XIX Covenants and Restrictions

(a) The use of the Unit by the Unit Owner or other occupant shall be subject to the rules, regulations and provisions of this Declaration, the By-Laws and Rules and Regulations of the Board of Managers and the following covenants and restrictions:

(i) The Unit and area restricted to Unit Owner's use shall be maintained in good repair and overall appearance.

(ii) No alterations to the exterior of the Unit or any part of the common elements may be made without the written consent of the Board of Managers. No alterations to the inside of a Unit which would impair the structural soundness of the

Building may be made without the written consent of the Board of Managers. Consent may be requested to the Managing Agent, if any, or to the President of the Board of Managers, by mailing a letter certified mail, return receipt requested, if no Managing Agent is employed. If building plans are required for such alteration under any applicable building code, a copy of such plans must be included with said letter. The Board of Managers shall have the obligation to answer within thirty (30) days and failure to do so within the stipulated time shall mean that there is no objection to the proposed modification or alteration. The provisions of this paragraph shall not apply to Sponsor.

(iii) Any Unit Owner who mortgages or sells his Unit shall notify the Board of Managers, providing the name and address of his mortgagee, and guarantor(s) of the mortgage, if any.

(iv) (I) The Board of Managers shall, at the request of the mortgagee of a Unit, and guarantor(s) of the mortgage, if any, report any unpaid common charges due from the Unit Owner of such Unit.

(II) The Board of Managers shall give the mortgagee and guarantor(s) of the mortgage on any unit in this Condominium the right to timely written notice of: (x) Any condemnation or casualty loss that affects either a material portion of this Condominium or the Unit securing its mortgage, and (y) any proposed action that requires the consent of a specified percentage of mortgagees as provided in this Declaration, the By-Laws and Rules and Regulations of the Condominium.

(v) No Units shall be used for the purposes other than the purpose stated in the Certificate of Occupancy.

(vi) No nuisances shall be allowed upon the property nor shall any use or practice be allowed which is a source of annoyance to occupants or which interferes with the peaceful possession and proper use of the property by its occupants.

(vii) No immoral, improper, offensive or unlawful use shall be made of the property nor any part thereof and all valid laws, zoning ordinances and regulations of all governmental bodies having jurisdiction shall be observed.

(viii) Regulations promulgated by the Board of Managers concerning the use of the property shall be observed by the Unit Owner provided, however, that copies of such regulations are furnished to each Unit Owner prior to the time the said regulations become effective.

(ix) Occupancy of the Unit shall be restricted to occupancy in accordance with the applicable zoning regulations of the municipality having jurisdiction over the Condominium.

(x) The common charges shall be paid when due.

Article XX Changes to the Condominium

(a) Except to the extent prohibited by law, the Sponsor or its designee shall have the right, without the vote or consent of the Board of Managers to: (a) make alterations, additions or improvements, whether structural or nonstructural, interior or exterior, ordinary or extraordinary, in, to and upon Units owned by the Sponsor or its designees (Hereinafter the "Unsold Units"); (b) change the layout of, or number of rooms in, any unsold Units from time to time; (c) change the size and/or number of unsold Units by subdividing the one or more unsold Units into two or more separate Units, combining separate unsold Units (including those resulting from such subdivision or otherwise) into one or more Units, altering the boundary walls between any unsold Units, otherwise; and (d) if appropriate, reapportion among the unsold Units affected by such change in size or number pursuant to the preceding clause their percentages of interest in the common elements; provided, however, that the percentage of interest in the common elements of any other Units (other than unsold Units) shall not be changed by reason thereof unless the owners of such units shall consent thereto and, provided further, that the Sponsor or its designee shall comply with all laws, ordinances and regulations of all governmental authorities having jurisdiction and shall agree to hold the Board of Mangers and all other Unit Owners harmless from any liability arising thereof. Sponsor further states that unless Purchaser consents, no change will be made on Unit size, layout, percentage of common interest or in the amount or quality of common elements directly affecting or servicing the Unit if a purchase agreement has been executed and delivered to Sponsor for that Unit and the purchase is not in default.

(b) Nothing contained in this Declaration shall prohibit the division or consolidation of any Unit or Units or common interest appurtenant thereto, including but not limited to a change in the number of rooms. Any such change which will affect the structural integrity of the Building requires the prior written consent of the Board of Managers. In no case, however, may such division or consolidation result in a different percentage of common interest for the total of the new Units than existed for the total of the original units before division or consolidation. An amendment to this Declaration authorized by this paragraph of Twelfth Article may be filed by the new Unit Owner(s) without the consent of any other Unit Owner provided that the percentage of common interest of all other existing Units is not affected thereby and provided such Unit Owner(s) secure the written consent of the Board of Managers which consent may not be unreasonably withheld.

(c) Notwithstanding other provisions of this Article, no reapportionment of the interest in the common elements appurtenant to any Unit shall be made unless there is first delivered to the Board of Managers a written certification stating that the percentages of interest of the respective Units in the common elements, immediately after such reapportionment, will be based upon the approximate proportion that the fair market value of each Unit at the date of this Declaration bears to the aggregate fair value of all Units on said date.

(d) If the number of rooms in an Unsold Unit is changed, or the size and/or

number of unsold Units is changed (whether as a result of a subdivision or combination of unsold Units or alteration of boundary walls between unsold Units, or otherwise) and the appurtenant percentage interest in the common elements is reapportioned as a result thereof, all in accordance with the provisions of the Article, then the Sponsor or its designee shall have the right to execute, or (on its request) to require any other Unit Owner or the Condominium Board of Managers to execute and record in the Office of the City Register of the City of New York, an amendment to this Declaration (together with such other documents as the Sponsor or its designee deems appropriate to effectuate the same) reflecting such change in the number of rooms in an unsold Unit or in the size and/or number of unsold Units (whether as a result of said subdivision, combination, alteration or otherwise) and the reapportionment of the percentage of interest in the common elements.

(e) In the event the Sponsor or its designee, exercising its rights pursuant to this Article so requests, the Board of Mangers shall promptly amend the Declaration at the expense of the Sponsor or its designee, to reflect any such alterations, additions, improvements, changes or reapportionments as provided by clauses (a), (b), (c), and shall record such amendment in the Office of the City Register of the City of New York.

Article XXI Invalidity

Invalidation of any of the covenants, limitations or provisions of this Declaration by judgment or court order shall in no way effect any of the remaining part of parts hereof, and the same shall continue in full force and effect.

Article XXII Gender

The use of the masculine gender in this Declaration shall be deemed to refer to the feminine gender, and the use of the singular shall be deemed to refer to the plural, and vice versa, whenever the context so requires.

Article XXIII Waiver

No provisions contained in this Declaration shall be deemed to have been abrogated or waived by reason of any failure to enforce the same, irrespective of the number of violations or breaches which may occur.

Article XXIV Captions

The captions herein are inserted only as a matter of convenience, and for reference, and in no way define, limit or describe the scope of this Declaration, nor the intent of any provision hereof.

A fiduciary capacity shall be the voting member with respect to any unit in a fiduciary capacity. Any unit or units owned by the Board of Managers or its designee shall not be entitled to a vote.

Section 8 Majority of Unit Owners

As used in these By-Laws the term "majority of unit owners" shall mean those unit owners having greater than fifty percent (50%) of the total authorized votes of all unit owners present in person or by proxy and voting at any meeting of the unit owners, determined in accordance with the provisions of Section 7 of this Article II.

Section 9 Quorum

Except as otherwise provided in these By-Laws, the presence in person or by proxy of a majority of unit owners of the total authorized vote of all unit owners shall constitute a quorum at all meetings of the units owners. If, however, such quorum shall not be present or represented at any of the meetings of the unit owners, the unit owners entitled to vote thereat, present in person or represented by written proxy, shall have power to adjourn the meetings from time to time, without notice other than announcement at the meeting until a quorum shall be presented, any business may be transacted which might have been transacted at the meeting originally called.

Section 11 Waiver and Consent

Whenever the vote of unit owners at a meeting is required or permitted by any provision of the Declaration, statutes of these By-Laws to be taken in connection with any action of the Condominium, the meeting and vote of all unit owners may be dispensed with if all unit owners who would have been entitled to vote upon such action if such meeting were held, shall consent in writing to such action being taken.

ARTICLE III

Section 8 Default in Payment of Common Charges

(a) In the event of default by any unit owner in paying to the Board of Managers the common charges as determined by the Board of Managers, such unit owner shall be obligated to pay interest at the legal rate on such common charges from the due date thereof, together with all expenses, including attorney's fees, incurred by the Board of Managers. The Board of Managers shall have the right and duty to attempt to recover such common charges, together with interest thereon, and the expenses of the proceeding, including attorney's fees, in an action to recover the same brought against such unit owner, or by foreclosure of the lien on such unit granted by Section 339-Z of the Real Property Law of the State of New York, in the manner provided in Section 339-AA thereof. A unit owner defaulting in payment of common charges shall not be permitted to vote at any regular or special meeting of unit owners and the Board of Managers may request the Condominium to suspend unit privileges in it until the default is cured.

The Real Property Law has been amended by adding a new section 339-KK, which provides as follows:

Where a majority of the Board of Managers has been elected by and from among the unit owners who are in occupancy, the Board of Managers may

elect not to require that rental payments be made payable to the Board of Managers. At such time as payments for common charges, assessments and late fees from the non-occupying owners are once again current, a notice of such fact shall be given within three (3) business days to the rental tenant and non-occupying owner. Thereafter, all payments shall be made payable to the non-occupying owner or a designated agent. A non-occupying owner who disputes the Board of Managers' claim to rental payments shall be entitled to present facts supporting such owner's position at the next scheduled meeting of the Board of Managers which must be held within thirty (30) days of the date that such Board received notice that such owner seeks to dispute such claim. Payment by a rental tenant to the Board of Managers shall relieve the rental tenant from the obligation to pay such rent to the non-occupying owner and shall be an absolute defense in any non-payment proceeding commenced by such non-occupying owner against such tenant for such rent.

Section 9 Foreclosure of Liens for Unpaid Common Charges

In any action brought by the Board of Managers to foreclosure a lien on a unit because of unpaid common charges, the unit owner shall be required to pay a reasonable rental for the use of his unit and the plaintiff in such foreclosure action shall be entitled to the appointment of a receiver to collect the same. The Board of Managers, acting on behalf of all unit owners, shall have the power to lease, mortgage (but not to vote the votes appurtenant to), convey or otherwise deal with the same. A suit to recover a money judgment for unpaid common charges shall be maintainable without foreclosing or waiving the lien securing the same.

However, the Board of Managers shall repair and replace any public utility lines, sewer line and drainage systems located underground or overhead of any irrevocably restricted common element except where such repair or

replacement is necessitated because of the negligence or misuse or neglect of the unit owner to which the common element is restricted in use, in which event such unit owner shall bear the cost of such repairs or replacements. The Board of Managers and its agents, employees and contractors shall have a right of access to any unit and to all portions of the common elements for the purpose of carrying out any of its obligations under these By-Laws or the Declaration of the Condominium. The Board of Managers shall provide snow plowing for the roadways located on the property. All replacements, repairs, painting or maintenance, whether made by the unit owner or the Board of Managers to the doors, windows, or the exterior surface of the Building, including roofs, or to any generally visible portion of the common elements shall be carried out in such a manner so as to conform to the materials, style and color initially provided by the Sponsor. In the event that a unit owner fails to make any maintenance or the event that a unit owner fails to make any maintenance or repair which maintenance or repair is necessary to protect any of the common elements or any other unit, the Board of Managers shall have the right to make such maintenance or repair (after the failure of the unit owner to do so after ten (10) days written notice, or written or oral notice of a shorter duration in the event of an emergency situation) and to charge the unit owner for the cost of such repairs and/or maintenance. In the event that the Board of Managers charges a unit owner who fails to make prompt payment, the Board of Managers shall be entitled to bring suit thereon and, in such event, the unit owner shall be liable for the reasonable attorney's fees and costs of such suit or proceeding together with interest on all sums due.

(b) As long as the Sponsor continues to own twenty-five percent (25%) or more units, but in no event longer than five (5) years from the conveyance of the first unit, the Condominium will not be allowed to incur a substantial increase in maintenance costs (e.g., no additional employees) and cannot make any repairs or alterations greater than $10,000.00 without the Sponsor's consent. However, this $10,000.00 limitation shall not be applicable to the expenses to (i) comply with applicable laws and regulations; or (ii) remedy any notice of violation; or (iii) remedy any work order by an insurer; or (iv) for any repair or maintenance required for the health and/or safety of the occupants of the building.

Section 12 Limited Common Elements

All repairs and maintenance of limited common elements shall be the sole responsibility of the unit owner or owners having exclusive use thereof.

Section 13 Restrictions on Use of Units

In order to provide for congenial occupancy of the Property and for the protection of the values of the units, the use of the Property shall be restricted to and shall be in accordance with the following provisions:

(a) Each unit may only be used for its designated purpose in accordance with the Certificate of Occupancy.

(b) The Common Elements shall be used only for the furnishing of the services and facilities for which they are reasonably suited and which are incidental to the use and occupancy of units.

Each unit owner and each mortgagee of a unit shall be permitted to examine the books of account of the Condominium at reasonable times, on business days.

ARTICLE VIII

SALES, LEASES AND MORTGAGES OF UNITS

Section 1 Right of First Refusal on Sale or Lease of Units by the Board of Managers

(a) A unit owner has the right to sell or lease his unit provided he gives notice of the bona fide terms of any proposed sale or lease to the Board of Managers and obtains its waiver of first right of refusal to purchase or lease such unit. The failure of the Board of Managers to act on such proposed sale or lease within thirty (30) days after notice thereof shall be deemed to constitute the waiver. If the Board elects to exercise its right of first refusal, it shall within fifteen (15) days after making its decision known, produce a purchaser or lessee approved by it who will accept the transaction upon terms as favorable to the unit owner as the terms stated in the notice to the Board. If the Board does not produce such a purchaser or lessee within the aforesaid fifteen (15) days, the unit owner shall have the right to effectuate such sale or lease on the terms submitted, as more specifically set forth herein.

(b) The Board of Managers or its designee, may elect to purchase or lease such unit on behalf of all of the unit owners, in the manner set forth herein, provided that approval for such purchase or lease is obtained from the unit owners of not less than seventy-five percent (75%) of the units in common interest. In the event the Board of Managers does not have sufficient funds on hand for such purchase or lease from working capital, it may either borrow such funds and/or assume an existing indebtedness secured by the unit, provided such borrowing is secured only by a mortgage, or may assess the unit owners therefore in proportion to their respective common interest, or the Board may use any combination of these methods to undertake the acquisition.

(c) In the event the Board shall notify the selling unit owner of its intention to exercise its right to purchase or lease of the unit then, within fifteen (15) days of such notification the Purchaser or Lessee supplied by the Board, shall execute a contract to sell or lease pertaining to such unit at the purchase price and other terms set forth in the contract to sell supplied with the notice of transfer or on other terms more favorable to the owner of the unit. The closing of title of the unit or date of the commencement of the term of lease shall be the same as set forth in the contract to sell or lease included in the notice of intention to sell the unit.

Section 2 Unauthorized Sale or Lease is Voidable

Any sale, voluntary transfer, conveyance or lease which is not authorized by the terms of these By-Laws or for which authorization has not been obtained pursuant to the terms thereof is voidable and may be voided in an action brought by an immediately contiguous unit owner or the Board of Managers.

Section 3 Notice

(a) All notices referred to in this Article VIII shall be given by registered or certified mail, return receipt requested. Delivery shall be deemed made and notice shall be deemed given by such mailing and shall not be dependent upon acceptance by the addressee.

(b) A unit owner intending to make a transfer, sale or lease or the unit or any part thereof, or interest therein, shall give notice to the Board of Managers of such intention. He shall furnish at the time to the Board: (i) the name and address of the intended grantee or lessee; (ii) a statement of all the terms of the transactions; (iii) financial references of the transferee or lessee; (iv) the specific occupation of the transferee or lessee including any areas of specialization; (v) an executed copy of the proposed contract to sell or lease; and (vi) such other information as the Board of Managers may reasonably require. He shall use the form, if any, supplied by the Board in order to supply such information. Such notice, when given, shall constitute a representation, warranty and an offer to sell or lease to any purchaser or lessee produced by the Board and a representation that the unit owner believes the offer to be bona fide in all respects.

Section 4 Unit Owner's Right to Withdraw Unit from Proposed Sale or Lease

Where the Board has failed to act on a transaction, or where the Board has acted but has not yet produced a purchaser within the fifteen (15) day period permitted, the unit owner may withdraw his offer to sell or lease, or sell or lease in accordance with the proposed terms submitted to the board.

Section 5 Form of Consent for the Board

The action by the Board of Managers consenting to a sale or lease shall be in recordable form. The failure of the Board to act on a notice given to it within thirty (30) days shall be deemed to constitute approval of the sale or lease. The unit owner, purchaser or lessee may demand and shall be entitled to receive from the Board consent to the sale or lease in recordable form.

Section 6 Approval of Occupant of Unit

If the proposed purchaser or lessee of a unit, or any interest, therein, is other than a natural person, the approval of the sale may be conditioned upon the approval of the entity or entities which will occupy the unit.

Section 7 Transaction to Which the Right of First Refusal does not Apply

The right of first refusal granted herein shall not be applicable to the following:

(a) The sale, lease or sublease of units by or to the Sponsor;

(b) The sale or lease of units to an Owner's spouse, issue, parents, or grandparents

(c) Foreclosure or other judicial sale of Condominium units or a conveyance by the owner of a unit to a Mortgagee in lieu of foreclosure; and any subsequent sale, lease or sublease by a Mortgagee (provided that unrelated persons acquiring the unit from such Mortgagee shall be subject to such right or prior refusal herein);

(d) The sale, lease, or sublease from a unit owner to a partnership, corporation or limited liability company in which the unit owner is a partner or principal stockholder or member; from a partnership, corporate owner, or limited liability company to the partners, stockholders or members thereof; from partners who are owners to new partners; from one co-owner to another;

(e) A conveyance or transfer from a unit owner by gift, devise by will or interstate succession.

Section 8 No Severance of Ownership

No unit owner shall execute any deed, mortgage, or other instrument conveying or mortgaging title to his unit without including therein the Appurtenant Interests, it being the intention thereof to prevent any severance of such combined ownership. Any such deed, mortgage, or other instrument purporting to affect one or more of such interests, without including all such interests, shall be deemed and taken to include the interest or interest so omitted, even though the latter shall not be expressly mentioned or described therein. No part of the Appurtenant Interest of any unit may be sold, transferred, or otherwise disposed of, except as part of a sale, transfer or other dispositions of the unit to which such interest or interests are appurtenant, or as part of a sale, transfer of other disposition of such part of the Appurtenant Interests of all units.

Section 9 Waiver of Right of Partition With Respect to Such Units as Are Acquired By the Board of Managers or Its Designee, On Behalf of All Unit Owners As Tenants in Common

In the event that a unit shall be acquired by the Board of Managers or its designee, on behalf of all unit owners as tenants in common, all such unit owners shall be deemed to have waived all rights of partition with respect to such unit.

Section 10 Mortgage of Units

No unit owner shall mortgage his unit except by a first mortgage made to a bank, trust company, insurance company, federal savings and loan association, pension fund or other institutional lender or a purchase money mortgage made to the seller of the unit. Any such mortgage shall be made substantially in the form on file with the Board of Managers except for such charges or additions as may be required in order to permit the particular institutional lender to make the mortgage loan, or to the extent permitted by the Board of Managers.

Section 11 Selling and Leasing of Units-Payment of Assessments

(a) No unit owner shall convey, mortgage, pledge, hypothecate, sell or lease his unit unless and until all unpaid common charges assessed against his unit shall have been paid to the Board of Managers and until he has satisfied all unpaid liens against his unit except for permitted mortgages. However, such unpaid common charges can be paid out of the proceeds from the sale of a unit, or by the grantee. Further, a unit owner may convey his unit and his common interest appurtenant thereto, to the Board of Managers on behalf of all unit owners free of any cost to the Board or the unit owners and upon such conveyance such unit owner shall not be liable for any common charges thereafter accruing against such unit. Any sale or lease of any unit in violation of this section shall be voidable at the election of the Board of Managers.

(b) The provisions of this section shall not be applied to the acquisition or sale of a unit by a mortgagee who shall acquire title to such unit by foreclosure or by dead in lieu of foreclosure. Such provisions shall, however, apply to any purchaser from such mortgagee.

ARTICLE IX

CONDEMNATION

Section 1 Condemnation

In the event of a taking in condemnation or by eminent domain of part or all of the common elements, the award made for such taking shall be payable to the Board of Managers. If seventy-five percent (75%) or more of the unit owners duly and promptly approve the repair and restoration of such common elements, the Board of Managers shall arrange for the repair and restoration of such common elements and the Board of Managers shall disburse the proceeds of such award to the contractors engaged in such repair and restoration in appropriate progress payments. In the event that seventy-five percent (75%) or more of the unit owners do not duly and promptly approve the repair and restoration of such common elements, the Board of Managers shall disburse the net proceeds of such award in the same manner as they are required to distribute insurance proceeds where there is no repair or restoration of the damage, as provided in Section 3 of Article VI of these By-Laws. As used in the Section, the words "promptly approve" shall mean not more than sixty (60) days from the date of such taking.

ARTICLE X

Section 1 Record and Audits

The Board of Managers or the managing agent shall keep detailed records of the actions of the Board of Managers and the managing agent, minutes of the meetings of the Board of Managers, minutes of the meetings of the unit owners, and financial records and books of account of the Condominium, including as a separate account for each unit, which among other things, shall contain the amount of each assessment of common charges against such unit, the date when due, the amounts paid thereon, and the balance remaining unpaid. In addition, an annual report of the receipts and expenditures of the Condominium, certified by an independent certified public accountant, shall be rendered by the Board of Managers to all unit owners. All unit owners will receive annually, within three (3) months of the end of each fiscal year, copies of an annual report of the Condominium including a balance sheet and a profit and loss statement certified by an independent public accountant, a statement regarding any taxable income attributable to the unit owner and notice of the holding of the annual unit owners meeting. The cost of such report shall be paid by the Board of Managers as a common expense. All unit owners shall be entitled to examine the books and records of the Condominium on reasonable notice to the Board, but not more than once a month.

Re: Hunter Tower Condominium
42-62 Hunter Street
Long Island City, NY 11101

Dear Sirs:

The undersigned, a New York licensed real estate broker, certifies as follows:

The Sponsor of the Condominium Offering Plan for the captioned property has retained me/our office to review the Schedule(s) B, containing projections of common charges payable by the owners of the commercial units. We have over ten years' experience in sales and management of rental properties. We have managed about three properties including some residential properties.

We understand that we are responsible for complying with Article 23-A of the General Business Law and the regulations promulgated by the Department of Law in Part 20 insofar as they are applicable to the commercial unit(s) listed in Schedule B.

We have reviewed the Schedule as it impacts upon the commercial unit(s) and investigated the facts underlying it with due diligence in order to form a basis for this certification. We also have relied on our experience in managing residential buildings.

We certify that the projections in Schedule B for common charges payable by the owners of commercial unit(s) appear reasonable and adequate under existing circumstances to meet the anticipated operating expenses fairly attributable to such commercial unit(s) for the projected first year of condominium operation, and that the allocation of common charges attributable to the commercial unit(s) also reflects special or exclusive use or availability or exclusive control of particular common areas.

We certify that the estimates in Schedule B for the common charges payable by the owners of commercial unit(s):

i) set forth in detail the projected common charges for the commercial unit(s) for the first year of condominium operation;

ii) afford potential investors, purchasers and participants an adequate basis upon which to found their judgment concerning the common charges payable by the owners of commercial unit(s);

iii) do not omit any material fact;

iv) do not contain any untrue statement of a material fact;

v) do not contain any fraud, deception, concealment, or suppression;

vi) do not contain any promise or representation as to the future which is beyond reasonable expectation or unwarranted by existing circumstances;

vii) do not contain any representation or statement which is false where we:

a) knew the truth;
b) with reasonable effort could have known the truth;
c) made no reasonable effort to ascertain the truth; or
d) did not have knowledge concerning the representation or statement made.

We further certify that we are not owned or controlled by the Sponsor. We understand that a copy of this certification is intended to be incorporated into the offering plan. This statement is not intended as a guarantee or warranty of the common charges fairly attributable to the commercial unit(s) for the first year of condominium operation.

This Certification is made under penalty of perjury for the benefit of all persons to whom this offer is made. We understand that violations are subject to the civil and criminal penalties of the General Business Law and Penal Law.

Very truly yours,

By: Steve S. Cheung

(c) SPONSOR shall obtain or cause the selling agent under the Plan to obtain a completed and signed Form W-9 or W-8, as applicable, from PURCHASER and deliver such form to ESCROW AGENT together with the Deposit and Purchase Agreement.

7. TERMINATION OF AGREEMENT

(a) This Agreement shall remain in effect unless and until it is canceled by either:

set forth in applicable regulations of the New York State Department of Law. PURCHASER shall be deemed to have consented to such cancellation;

(ii) The resignation of ESCROW AGENT, which shall not take effect until ESCROW AGENT is replaced by a successor escrow agent that meets the requirements set forth in applicable regulations of the New York State Department of Law, and notice is given to PURCHASER of the identity of the successor escrow agent, the Bank in the State of New York where the Deposit is being held, and the account number therefore.

Landlord is not liable to Tenant with regard to any of the obligations of the Board of Condominium or its

Managers or other party responsible to them under the Condominium Declaration. The obligation to pay Rent and Additional Rent under this Interim Lease continues even if the Board of Condominium or its Managers and other party responsible to them fails to perform such obligations. Landlord will use its best efforts to cause the Board of Managers and other party responsible to them to fulfill their obligations.

§ 12.5 Tenant, by executing this Interim Lease agrees to indemnify and hold Landlord harmless from and against any claims arising from the Condominium Declaration related to Tenant's acts and/or negligence.

Tenant must deliver a copy of the declaration page of the policy of insurance or the binder showing Landlord as an insured prior to taking possession of the Unit.

§ 13.2 Tenant assumes the risk of loss for the personal property not covered by the condominium insurance. A person in possession who is not an owner cannot insure the unit since he or she has no ownership interest, and the unit cannot be doubly insured. Thus, the risk of loss cannot, as a practical matter, be passed on to a person in possession. Therefore, a person who takes possession prior to closing assumes the risk of losses that are not covered by insurance.

Section 14 Entry

§ 14.1 Except in an emergency, for the purposes of repair, inspection, extermination, installation or repair of any system, utility or appliance or to do any work deemed necessary by Landlord, Landlord may enter the Unit on reasonable notice and at reasonable times. Upon giving such notice, Landlord may also enter the Unit to show the Unit to prospective purchasers, lenders or other persons deemed appropriate and necessary by Landlord.

§ 14.2 Landlord is not responsible for disturbance to tenant or damage to Tenant due to work being performed on behalf of Landlord or the Board of Condominium or its Managers and Tenant waives any claim of eviction in such event.

§ 14.3 Upon reasonable notice to Tenant, the representatives of the Board of Condominium or its Managers or any other party authorized by them or by the Condominium Declaration may enter the Unit and Landlord assumes no responsibility nor shall Landlord be liable for any damage or loss caused by them.

Section 15 Assigning or Subletting

This Interim Lease may not be assigned by Tenant nor shall Tenant sublet the Unit.

Section 16 Subordination

This Interim Lease and Tenant's rights hereunder are subject and subordinate to all existing and future leases for the Building in which the Unit is situated, to all mortgages on said leases and/or the Unit and/or the Building and all renewals, modifications and extensions thereof. Upon request by Landlord, Tenant shall execute any certificate to this effect.

Section 17 Landlord's Consent

If, under the terms of this Interim Lease, the consent of Landlord is required, such consent shall not be unreasonably withheld.

Section 18 Keys, Locks

Tenant shall give Landlord keys to all locks for the Unit. Tenant shall not change any locks or add any locks to the Unit without obtaining Landlord's consent, and if given, Tenant shall provide keys to Landlord for these locks.

Section 19 Signs

§ 19.1 Tenant shall not place any signs on the Unit or upon the Building or in the Unit so as to be seen from outside the Unit.

§ 19.2 Landlord shall have the right to place or cause to be placed on the Unit and/or upon the Building, "For Rent" and/or "For Sale" signs.

Section 20 Compliance with Authorities

Tenant shall, at its own cost and expense, comply promptly with all laws, rules, ordinances and directions of governmental and/or municipal authorities, insurance carriers and/or the Board of Condominium. Tenant shall give all notice Tenant receives which are for Landlord.

Section 21 Tenant's Defaults, Landlord's Remedies

§ 21.1 **Events of Default**

Events of default are defined as following:

a. any commission or omission by Tenant under Sections 8, 9, 10, 11, 12, 13, 15, 18, or 19 of this Lease;
