THE DATE OF ACCEPTANCE FOR FILING IS _____, 2026 THE OFFERING PLAN MAY
NOT BE USED AFTER _____, 2027 UNLESS EXTENDED BY AMENDMENT.

THIS PLAN CONTAINS SPECIAL RISKS TO PURCHASERS. SEE PAGE (iii).

BECAUSE SPONSOR IS RETAINING THE UNCONDITIONAL RIGHT TO RENT RATHER THAN SELL THE RESIDENTIAL UNITS AFTER CONSUMMATION OF THE PLAN, THIS PLAN MAY RESULT IN THE CREATION OF A CONDOMINIUM IN WHICH A MAJORITY OF THE RESIDENTIAL UNITS ARE NOT OWNED BY OWNER-OCCUPANTS OR INVESTORS UNRELATED TO THE SPONSOR. (SEE THE SPECIAL RISK SECTION OF THE PLAN.) PURCHASERS FOR THEIR OWN OCCUPANCY MAY NEVER GAIN CONTROL OF THE BOARD OF MANAGERS OF THE CONDOMINIUM UNDER THE TERMS OF THIS OFFERING PLAN.

THIS OFFERING PLAN IS THE SPONSOR'S ENTIRE OFFER TO SELL THESE CONDOMINIUM RESIDENTIAL UNITS. NEW YORK LAW REQUIRES THE SPONSOR TO DISCLOSE ALL MATERIAL INFORMATION IN THIS PLAN AND TO FILE THIS PLAN WITH THE NEW YORK STATE DEPARTMENT OF LAW PRIOR TO SELLING OR OFFERING TO SELL ANY CONDOMINIUM RESIDENTIAL UNIT. SPECIAL RISKS

1. The Sponsor will have the right to control the Board of Managers and therefore have voting control and designate all of the Members of the Board of Managers of the Condominium until all of the Residential Units in the Condominium have been sold or transferred to Residential Unit Owners other than the Sponsor, its Principals, successors, assignees and/or designees ("Sponsor Control Period"). The initial Board of Managers will call for the First Annual Meeting of the Residential Unit Owners to elect a new Board of Managers within thirty (30) days after the end of the Sponsor Control Period. There is no limit on the period of time it may take Sponsor to convey all the Residential Units in the Condominium and as a result the Sponsor may control the Board indefinitely. The Sponsor during this indeterminate period will have control of maintenance, facilities and service to be provided to the Condominium and will determine the Common Expenses to be paid by all Residential Unit Owners, including the Sponsor and make decisions for the Condominium whether or not favorable to other Residential Unit Owners. See Section XX of the Offering Plan.

2. The Board of Managers has a fiduciary duty to the Residential Unit Owners to enforce Sponsor's obligations. In addition, the Residential Unit Owners may commence a lawsuit in the nature of a derivative action. In the event a Sponsor-controlled Board does not undertake the enforcement of the Sponsor's obligations, the Residential Unit Owners may have to independently raise funds to pursue such enforcement and any other causes of action against the Sponsor. Sponsor may not disclaim liability for its obligations and provisions that give a Sponsor sole control of enforcing its obligations while in control of the Condominium board. Any provisions that give the Sponsor control of the enforcement of the Sponsor's obligations are not lawful. If there are non-Sponsor members of the Board of Managers and there is a vote on whether to litigate a claim against the Sponsor, the Sponsor's Board of representatives cannot lawfully vote on that issue. Litigation against the Sponsor entity may require significant additional costs, time and resources and does not guarantee resolution in the Residential Unit Owner's favor. In addition, Sponsor has the right to voluntarily relinquish a majority of the Members of the Board of Managers before the last Residential Unit is closed. See Section XIX.

3. When Sponsor relinquishes control of the Members of the Board of Managers, as provided in Special Risk No. 1 above, there is no provision in the By-Laws that requires that a majority of Members of the Board of Managers be owner occupants who are unrelated to the Sponsor or its principals. Owner-occupants and non-resident owners, including Sponsor, may have inherent conflicts on how the Condominium should be managed as a result of their different reasons for purchasing, i.e., purchasing as a Residential Unit to live in as opposed to purchasing as an investment. See Sections I and XX of the Offering Plan.

4. Although Sponsor will endeavor in good faith to sell the Residential Units in the Condominium, Sponsor will retain the unconditional right to rent rather than sell the Residential Units. Because Sponsor is retaining the unconditional right to rent rather than sell the Residential Units after the Consummation of the Offering Plan, this Plan may result in the creation of a condominium in which a majority of the Residential Units are not owned by owner-occupants or investors who are unrelated to the Sponsor. Purchasers for their own occupancy may never gain control of the Board of Managers

under the terms of the Offering Plan. Due to the fact Sponsor is not limiting the conditions under which it will rent rather than sell the Residential Units, under the above circumstances, there would be no commitment to sell more Residential Units than the fifteen (15%) percent of the Residential Units being offered for sale excluding units of an ancillary nature ($15\% \times 27 = 5$ Residential Units) necessary to declare the plan effective and owner-occupants may never gain effective control and management of the Condominium, in such an event. Sponsor shall not rent a Residential Unit in the Condominium prior to Consummation of the Plan as defined in Title 13 NYCRR § 20.1(c)(6). See Section XIII of the Offering Plan.

5. Sponsor is offering fourteen (14) Parking Space Units for sale at the prices reflected in Schedule A for use as residential parking. Parking Space Units may only be owned by a Residential Unit Owner in this Condominium except as provided below. The Percentage of Common Interest of a Parking Space Unit shall be added to the Percentage of Common Interest of the Residential Unit of the Residential Unit Owner who owns said Parking Space Unit and the Residential Unit Owner thereof shall pay all Common Charges, Special Assessments and all other Common Expenses of the Condominium associated therewith. Parking Space Unit Owners shall not be entitled to any votes for any Parking Space Unit they own. Any Residential Unit Owner who owns a Parking Space Unit shall have the right to rent and utilize the Parking Space Unit of a Residential Unit Owner in the Condominium as may be permitted by law. The Board of Managers shall be required to keep an overall list of all Parking Space Units assigned or rented to Residential Unit Owners in the Condominium. All Residential Unit Owners in the Condominium will be obligated to advise the Board of Managers of any sale, transfer, or rental of any Parking Space Unit. Until such time as the Sponsor has sold all of the Residential Units a Purchaser may only purchase one (1) Parking Space Unit. In the event there are Parking Space Units available once all the Residential Units have been sold the Sponsor will have the right to offer additional Parking Space Units to Residential Unit Owners in the Condominium. In such an event a Residential Unit Owner may own two (2) or more Parking Space Units. In addition, the Sponsor shall have the right to rent, lease or permit the use of a Parking Space Unit that has not been acquired by a Residential Unit Owner to any non-resident for the use of such non-resident. In the event there are Parking Space Units that have not been sold to a Residential Unit Owner after the Sponsor has conveyed all of the Residential Units to bona fide Purchasers, the Sponsor shall have the right but not the obligation to convey any or all of the remaining Parking Space Units to the Condominium Board of Managers. In such an event, the cost of the then purchase price of the Parking Space Unit(s) to be paid to Sponsor will be the obligation of the Residential Unit Owners, the cost of which shall be paid pro-rata based upon each Residential Unit's Percentage of Common Interest. The Board of Managers may require a Special Assessment to pay for said parking Space Unit(s) and/or the Common Charges may be increased as a result thereof. Upon being conveyed to the Board of Managers on behalf of the Condominium, all costs and expenses associated with the Parking Space Unit(s) shall become the obligation of the Condominium as a Common Expense. In such an event, the Board of Managers of the Condominium will be responsible for overseeing the regulation of the Parking Space Unit(s) and shall have all of the rights and obligations associated therewith. Additionally, the Board of Managers shall have the rights afforded the Sponsor regarding the Parking Space Unit to sell or lease a Parking Space Unit to a Residential Unit Owner in the Condominium. In such an event the Board of Managers

may use said Parking Space Unit(s) as permitted by law. Reference to a Residential Unit or Unit in the Offering Plan shall include any appurtenant Parking Space Unit unless otherwise indicated. See Section XI of the Offering Plan.

6. Purchasers should note that the Parking Space Unit No. 4 will be designated as a handicapped parking space ("Handicapped Parking Space") and will be the last Parking Space Unit sold if it has not previously been sold to a Purchaser who themselves or a member of their family has a vehicle with handicapped license plates, or a permanent handicapped permit. The purchase of the Handicapped Parking Space and any subsequent sale or transfer of the Handicapped Parking Space is subject to the following covenants and restrictions in the Declaration:

- a. In the event the present or future owner of a Residential Unit in the Condominium or a member of the Residential Unit owner's family residing in the Residential Unit becomes handicapped and acquires handicapped plates or a permanent handicapped permit for the Residential Unit owner's vehicle, and said Residential Unit Owner is the owner of the Handicapped Parking Space Unit, said Residential Unit Owner has the right to demand that the owner of the Handicapped Parking Space Unit swap the Handicapped Parking Space Unit for which the Residential Unit Owner is the owner of a non-handicapped Parking Space Unit, with said Handicapped Residential Unit Owner.
- b. In the event the present or future Residential Unit Owner of a Residential Unit or member of the Residential Unit Owner's family residing in the Residential Unit becomes handicapped and acquires handicapped license plates or a permanent handicapped permit for the Residential Unit Owner's vehicle and said Residential Unit Owner is not an owner of a Non-Handicapped Parking Space Unit or the Handicapped Parking Space Unit, said Residential Unit Owner has the right to require that the owner of the Handicapped Parking Space Unit sell it at the then current fair market value to said Residential Unit Owner whose vehicle has a handicapped license place or permanent handicapped permit. All costs and expenses involved in the transfer of the Handicapped Parking Space Unit, including without limitation, recording fees and reasonable attorney fees shall be borne by the party requesting the transfer.
- c. The owner of the Handicapped Parking Space Unit must comply with the aforementioned demand upon thirty (30) days written notice.
- d. If the parties cannot agree on the fair market value of the Handicapped Parking Space, then the parties agree to submit the matter to binding arbitration in accordance with Article XIV of the By-Laws of the Condominium.

See Section XI of the Offering Plan.

7. The Condominium will include twenty-seven (27) Storage Spaces that are being offered to Purchasers of a Residential Unit subject to a License Agreement between the Residential Unit Owner as the Licensee and the Board of Managers as the Licensors for the exclusive use of the Licensee during the term of the License Agreement. As long as the Sponsor owns a Residential Unit in the Condominium the Sponsor shall have the right to limit the number of Storage Spaces licensed by a Residential Unit Owner.

Storage Spaces may only be utilized for storage of normal household items and pursuant to the provisions of the Declaration of Condominium and By-Laws of the Condominium and any Rules and Regulations regarding the Storage Spaces.

Nothing shall be stored in a Storage Space that will result in the cancellation or increase of insurance on the Building, or the contents thereof, or that would be in violation of any law. No inflammable, combustible, or explosive fluid, material, chemical, or substance shall be stored in a Storage Space. All provisions for safety shall be the sole responsibility of the Licensee of the Storage Space and the Licensee of the Storage Space should have their own insurance covering the Storage Space.

The term of the License shall commence on the date provided for in the License Agreement (the "Commencement Date") and subject to the rights of assignment provided in Paragraph 16 of the License Agreement expire at the earlier of (i) such time as Licensee or Licensee's Assignee no longer owns a Residential Unit in the Condominium, or (ii) forty-nine (49) years from the Commencement Date (the "Term"). In the event Licensee still owns a Residential Unit in the Condominium on the last day of the forty-ninth (49th) year, the Term shall automatically be extended for successive periods of ten (10) years each unless Licensee ceases to be an owner of a Residential Unit in the Condominium, in which event the Term shall automatically expire, the License Agreement shall terminate and the License granted thereunder shall be of no further force or effect. Upon the termination of the License Agreement the Storage Space shall revert to the Board of Managers of the Condominium and the Board of Managers shall have all of the rights and obligations regarding the Storage Space and shall have the right to enter into a subsequent License Agreement with a new Licensee.

The License Agreement for a Storage Space may only be assigned or rented to another Residential Unit Owner in the Condominium ("Assignee" or "Tenant"). The Board of Managers of the Condominium shall have the right to promulgate rules and regulations regarding the assignment or rental of the Storage Spaces. The initial Board of Managers will not charge a monthly fee as additional cost associated with the license applicable to the Storage Spaces. Future Boards of the Condominium reserve the right to charge a monthly fee for use of the Storage Spaces to be utilized towards any repair or maintenance associated with the Storage Spaces. In no event shall the Board of Managers have the right to prohibit the right of a Residential Unit Owner or the Sponsor to assign or rent a Storage Space to a purchaser of the Residential Unit Owner or another Residential Unit Owner in the Condominium. The Board of Managers shall have the right to approve the form of a License Agreement or promulgate a standard form for use by all Residential Unit Owners. Notwithstanding, as long as the Sponsor retains an Unsold Residential Unit in the Condominium the Sponsor shall have the right to utilize any form of License Agreement without interference with the Board of Managers.

Residential Unit Owners must comply with all applicable laws regarding the Storage Spaces, which may be subject to periodic inspection by the police and fire departments of New York City and other governmental agencies having jurisdiction thereover. In addition, the Storage Spaces may not be completed until after the Closing of Title of a Residential Unit and the fact that a Storage Space may not be available for use at the time of Closing will not constitute a basis for Residential Unit Owner to fail to Close Title to a Residential Unit.

All structural repairs of the Storage Spaces and all repairs and maintenance of the Storage Space Area shall be the responsibility of the Condominium as a Common Expense, subject to the provisions of Article XIII of the Condominium By-Laws. All general maintenance and repairs of the Storage Spaces shall be the responsibility of the Licensee of the Storage Space.

The Sponsor shall be authorized to execute all initial License Agreements for a Storage Space for any Storage Spaces entered into with a Residential Unit Owner, and to receive the proceeds of such License Agreement ("Storage Space License Expense"). A designated member of the Board of the Managers of the Condominium shall be authorized and required to execute the License Agreement on behalf of the Condominium as the Licenser of the License Agreement.

In the event there are Storage Spaces that have not been Licensed to a Residential Unit Owner after the Sponsor has conveyed all of the Residential Units to bona fide Purchasers, the Sponsor shall have the right but not the obligation to assign the rights pursuant to a License Agreement for any non-licensed Storage Space to the Board of Managers of the Condominium, subject to the Storage Space License Expense. In such an event, the cost of the Storage Space License Expense to be paid to Sponsor will be the obligation of the Residential Unit Owners the cost of which shall be paid pro-rata based upon each Residential Unit's Percentage of Common Interest. The Board of Managers may require a Special Assessment to pay for said Storage Space License Expense and/or the Common Charges may be increased as a result thereof. Upon being assigned said License Agreements to the Board of Managers on behalf of the Condominium all costs and expenses associated with the Storage Spaces shall become the obligation of the Condominium as a Common Expense. In such an event, the Board of Managers of the Condominium will be responsible for overseeing the regulation of the Storage Spaces and shall have all of the rights and obligations associated therewith. In addition, subsequent to all of the Residential Units having been sold, the Sponsor shall have the right to license or permit the use of a Storage Space that has not been licensed by a Residential Unit Owner to any non-resident or business establishment for the use of such non-resident or business establishment.

The Board of Managers shall be required to keep an overall list of all Storage Spaces licensed to Residential Unit Owners in the Condominium. All Residential Unit Owners in the Condominium will be obligated to advise the Board of Managers of any transfer of any License Agreement by a Licensee, of any Storage Space.

All Purchasers who enter into a Purchase Agreement for a Residential Unit and are simultaneously entering into a License Agreement for a Storage Space will be required to pay ten (10%) percent of the Storage Space License Expense as an initial

deposit ("Storage Space License Expense Deposit"). The Storage Space License Expense Deposit will be held in escrow according to the terms contained in Section XIV of the Plan. The balance of the License Expense is due at the Closing of Title to the Residential Unit. Sponsor reserves the right to retain such ten (10%) percent Deposit in the event of Purchaser's default under the Purchase Agreement or the License Agreement.

Due to the fact that only Residential Unit Owners may enter into License Agreements for the Storage Spaces in the Condominium which are able to be licensed, Purchasers who do not ultimately close title to their Residential Unit for any reason may not enter into separate License Agreements for a Storage Space without closing on their Residential Unit. See Section XII of the Plan and the Condominium By-Laws set forth as Schedule J in Part II of the Plan.

8. The Sponsor has the right to retain control over certain expenditures and fiscal actions of the Board of Managers of the Condominium for a period ending not more than five (5) years after the Closing of the first Residential Unit or whenever the unsold Residential Units constitute less than twenty-five (25%) percent of the Percentage of Common Interest, whichever is sooner. During this period the Sponsor will have control of maintenance, facilities, and services to be provided to the Condominium and will determine the Common Charges to be paid by all Residential Unit Owners, including those paid by the Sponsor. During this period the Sponsor will have the right to control all decisions including but not limited to the determination of Common Expenses, management of the Condominium, the hiring and termination of employees of the Condominium, the placing of easements on the property and making improvements to the Common Elements. Sponsor may not disclaim liability for its obligations and provisions that give a Sponsor sole control of enforcing its obligations while in control of the Condominium Board of Managers. The Board of Managers will not have any non-Sponsor designated board members during Sponsor Control Period. Notwithstanding the above, the Board of Managers has a fiduciary duty to the Residential Unit Owners to enforce Sponsor's obligations. Sponsor's intentional refusal to allow the Board of Managers to pursue litigation against the Sponsor entity may constitute a breach of fiduciary duty to the Board of Managers. In addition, the Residential Unit Owners may commence a lawsuit in the nature of a derivative action. In the event a Sponsor-controlled Board does not undertake the enforcement of the Sponsor's obligations, the Residential Unit Owners may have to independently raise funds to pursue such enforcement and any other causes of action against the Sponsor. At no time may Sponsor exercise veto power over expenses described in Schedule B or over expenses required to (i) comply with applicable laws or regulations, (ii) to remedy any notice of violation, (iii) to remedy any work order by an insurer or (iv) necessary for the preservation or safety of the Building or for the health and safety of occupants of the Building or required to avoid the suspension of any necessary service to the Building. See Section XX of the Offering Plan and Schedule B.

9. Purchasers should note that the New York State and New York City Transfer Tax is by statute a Seller's obligation. Notwithstanding, by contract, Sponsor is transferring those obligations to the Purchaser and shall be at Purchaser's sole expense. The New York State Real Estate Transfer Tax is calculated at the rate of \$2.00 per \$500 of consideration and the New York City Transfer Tax is calculated at one (1%) percent of

the Purchase Price for Residential Units where the consideration is less than \$500,000 and 1.4259 percent where the consideration is \$500,000 or greater. Pursuant to Section 1404(a) of the Tax Law of the State of New York, as amended on July 1, 2021, where the New York State Real Estate Transfer Tax is paid by the Purchaser pursuant to contractual agreement, such tax will be excluded from the total calculation of consideration of the Purchase Price of a Residential Unit. However, the amount of New York City Real Property Transfer Tax will be included in the consideration of the Purchase Price in determining the New York City Transfer Tax. See Section XVIII of the Offering Plan as to how the above tax is calculated. See the Purchase Contract set forth as Schedule D.

10. Pursuant to Sections 1402-a and 1402-b of the Tax Law of the State of New York, a Purchaser will be required to pay a tax for a Residential Unit where the consideration is \$1,000,000 or more (the “Mansion Tax”). The following are the rates applicable to the Mansion Tax in New York City effective as of July 1, 2019:

Total Consideration	Mansion Tax (as of July 1, 2019)
Less than \$1,000,000	Not subject to tax
\$1,000,000 to \$1,999,999.99	1%
\$2,000,000 to \$2,999,999.99	1.25%
\$3,000,000 to \$4,999,999.99	1.5%
\$5,000,000 to \$9,999,999.99	2.25%
\$10,000,000 to \$14,999,999.99	3.25%
\$15,000,000 to \$19,999,999.99	3.5%
\$20,000,000 to \$24,999,999.99	3.75%
\$25,000,000 or more	3.9%

Pursuant to the provisions of the statute the obligation to pay the Mansion Tax is the Purchasers.

See Section XVIII of the Offering Plan as to how the above taxes are calculated. See the Purchase Contract set forth as Schedule D.

11. Sponsor has not been required to post a completion bond with the City of New York covering the Common Elements. In addition, no bond has been posted to secure Sponsor’s obligations under the Offering Plan. See Section XIX of Part I of the Offering Plan.

12. Although all funds received by Sponsor from Purchaser for upgrades, options, extras, special work or custom work (“Extras”) not included in the base price of a Residential Unit will initially be placed in the Escrow Account as described in Section XIV of the Offering Plan, such funds may be released from the Escrow Account as long as the Sponsor uses the funds for such Extras. As a result, in the event a Purchaser is entitled to rescission, the Purchaser will not receive a refund of any funds paid to the Sponsor for Extras which (i) have been installed by Sponsor, (ii) not installed, but paid for by Sponsor or (iii) not installed, but which have been ordered but not installed by Sponsor and for which Sponsor is obligated to pay for unless the Offering Plan has been abandoned. In the event the Offering Plan is abandoned the Purchaser shall be entitled to receive a refund of all funds paid to the Sponsor for such Extras. See Section XIV of the Offering Plan.

13. The First Annual Meeting will be held within thirty (30) days after the expiration of the Sponsor Control Period which may occur later than one (1) year after the date of the Closing of Title to the first Residential Unit in the Condominium. See Section XXI of the Offering Plan.

14. No Residential Unit Owner shall make any addition, alteration or improvement (of either a temporary or permanent nature) of a structural nature in or to the Residential Unit Owner's Residential Unit, or any Individual Residential Unit's Limited Common Element, without the prior written approval of the Board of Managers. Said provision requiring the written consent of the Board of Managers does not apply to the Sponsor. See Section XXII of Part I of the Offering Plan and Article VIII of the By-Laws in Part II, Schedule J.

15. The Purchase Contract is not conditioned upon a Purchaser securing satisfactory mortgage financing. Obtaining a mortgage shall be the sole responsibility of each Purchaser. In no event will the Sponsor be obligated to return a Purchaser's Deposit in the event a Purchaser is unable to obtain a mortgage. The Purchase Contract will remain in full force and effect and Purchaser will be obligated to pay the balance of the purchase price at Closing regardless of the availability of financing. In the event a Purchaser does not Close Title to a Residential Unit as a result of Purchaser's inability to obtain a mortgage Sponsor will have the right to retain the Deposit plus the cost of any Extras paid by Purchasers as liquidated damages for Extras which have been installed by Sponsor, paid for but not installed by Sponsor or which have been ordered but not installed by Sponsor and for which Sponsor is obligated to pay. The obligations of a Purchaser under a Purchase Contract are not conditioned on obtaining financing. Any prospective Purchaser who executes a Purchase Contract and does not obtain financing may lose Purchaser's Deposit if the Purchaser is unable to otherwise raise the monies for the balance of the purchase price. Prospective Purchasers who require financing are advised to consult with a lending institution before execution of a Purchase Contract. No representation is made by the Sponsor as to the availability or cost of such financing. Notwithstanding the above, in the event the Offering Plan is abandoned, a Purchaser will be entitled to a return of all funds paid for Extras.

Purchasers should note that in the current real estate market, banks and other lenders are imposing various restrictions on purchase financing. Such restrictions include requiring that a certain percentage of the Residential Units in a building or group of buildings be sold before a lender will consider making a loan. Thus, it may be possible for a Purchaser to experience difficulty obtaining a loan in a building or group of buildings where the Sponsor has not sold a substantial percentage of the Residential Units in the building or group of buildings, which in some cases may be as high as seventy percent (70%). Moreover, some lenders will not provide financing in a building or group of buildings where an investor other than the original Sponsor has an ownership interest of ten percent (10%) or more. It may also be difficult for a Purchaser to resell a Residential Unit if prospective buyers are unable to obtain a loan due to the same minimum sales and investor ownership restrictions.

Even after Residential Units have closed, lenders may still impose minimum sales requirements before granting a loan. It then may be difficult for a Purchaser to resell if

prospective buyers are unable to obtain a loan due to such minimum sales requirements. See Section XV.

16. Pursuant to existing regulation, the Sponsor may declare the Plan effective by selling a minimum of fifteen (15%) percent of the Residential Units being offered for sale excluding Residential Units of an ancillary nature (15% x 27 Residential Units being offered for sale = 5 Residential Units). Even if the Plan is declared effective with a minimum number of sales, it is possible that the Sponsor may be able to close Residential Units with fewer than the minimum number of sales, if Purchasers counted towards effectiveness do not ultimately purchase a Residential Unit. See Section XVI.

17. Sponsor anticipates that the first Closing of Title to a Residential Unit will occur by June 1, 2026. All Purchasers will be offered a right of rescission if: (i) the actual date of Closing of Title to the first Residential Unit; or (ii) the projected date of Closing of Title to the first Residential Unit occurs later than May 31, 2027, which is twelve (12) months after the projected date for the first Closing contained in this Offering Plan. If the Plan is amended to provide for a later projected date of the first Closing, Purchasers who have entered into a Purchase Contract subsequent to the date of the Amendment will be entitled to an offer of rescission if the first Closing occurs more than twelve (12) months beyond that amended, later date. Notwithstanding, any Purchaser who entered into a Purchase Contract prior to the amendment revising the date will be entitled to a right of rescission if the closing of the first Residential Unit does not occur before May 31, 2027. If the first Residential Unit Closing occurs before May 31, 2027, the Sponsor may schedule the Closing of Title to other Residential Units significantly later than such date. Unless a Purchaser's Purchase Contract contains an outside Closing Date, the Sponsor is not obligated to schedule a Closing within any specified time frame or to ensure that Closing of Title to the Residential Unit will occur by any date certain. PROSPECTIVE PURCHASERS SHOULD THEREFORE CAREFULLY CONSIDER SUCH RISKS IN THEIR DETERMINATION AS WHETHER TO PURCHASE A RESIDENTIAL UNIT. See Section XIV.

In the event Sponsor is unable to convey title to a Purchaser's Residential Unit twelve (12) months after the proposed date of delivery set forth in the Purchase Contract a Purchaser shall have the option to cancel the Purchase Contract and have the Deposit advanced by Purchaser returned to Purchaser. Purchaser shall be obligated to notify the Sponsor in writing of its intent to exercise said option within a reasonable period of time but not more than thirty (30) days after the twelve (12) month period of the proposed date of delivery set forth in the Purchase Contract. Purchaser's failure to so notify Sponsor of Purchaser's intent to cancel Purchaser's Purchase Contract due to Sponsor being unable to convey title to the Purchaser's Residential Unit within the twelve (12) month period shall be deemed a waiver of said provision, and Purchaser shall continue to be bound by the terms of the Purchase Contract. The above date contained in the Purchase Contract is subject to Force Majeure, as described below, Force Majeure is not applicable to the provisions and requirements contained in the Offering Plan pertaining to the estimated date of the first closing or projected date of the first year of operation of the Condominium and is only applicable to the obligations and undertakings provided in the Purchase Contract.

“Force Majeure” shall mean unavoidable delays due to acts of God, weather, fire, flood, explosion, war, riot, sabotage, epidemics, pandemics, quarantine, acts of terrorism, freight embargos, inability to procure or general shortage of energy, labor, equipment, facilities, materials or supplies in the open market, failure of transportation, governmental restrictions, preemptions or approvals, strike, lockout, action of labor unions, or any other cause (whether similar or dissimilar to the foregoing) not within the control of Sponsor. In the event of a delay due to Force Majeure the above time frames shall be tolled for the length of the period during which such performance was excused, and such tolling shall not entitle Purchaser to any credit, offset, or reduction in Purchase Price or to be relieved of any other obligation under the Purchase Agreement. The tolling provisions applicable to Force Majeure are reciprocal to both the Purchaser and the Sponsor. However, none of Purchaser’s rights under the applicable regulations promulgated by the Attorney General, Article 23-A of the General Business Law or under the Plan shall be abridged by virtue of Force Majeure except as determined in a final decision or order by a court of competent jurisdiction or any governmental agency, or by executive order. Purchasers are specifically advised that the timing of the Closing of Title to the Residential Unit may be significantly delayed in the event that Sponsor exercises its tolling rights under the foregoing Force Majeure provision. The Attorney General recommends that Purchasers consult with their attorney as to: (i) whether there exists a final decision or order by a court of competent jurisdiction or any governmental agency, or executive order that impacts the timing of Purchaser’s obligations under the Purchase Agreement; and (ii) any risks associated with executing a Purchase Agreement containing the foregoing Force Majeure provision prior to executing the Purchase Agreement. See section XIV and Paragraph 5 of the Purchase Agreement in Part II of the Plan.

18. All Deposits received from Purchaser will initially be deposited into an escrow account of the law firm of Frisoni & Associates, 527 Townline Road, Suite 300, Hauppauge, New York 11788 (the “Escrow Agent”), in Capital One Bank, N.A., 2003 Smith Haven Plaza, Lake Grove, New York 11755, as described in Section XII of the Offering Plan. The escrow account is an IOLA account consistent with Section 487 of the Judiciary Law of the State of New York. The maximum deposit insurance amount will be \$250,000. If an individual makes a deposit in excess of said amount for the purchase of a Residential Unit, it is a special risk of this offer that such Deposit will not be federally insured in excess of said amount. Purchasers should further note that in the event a Purchaser has an account at Capital One Bank, N.A. the funds in Purchaser’s account are factored into the maximum insured amount of \$250,000. See Section XIV.

19. The projections for the first year of operation of the Condominium contained in the budget are only estimates. Actual expenses may vary from the amounts shown. Purchasers should further note that premiums for insurance have been extremely volatile and have increased in recent years. Sponsor cannot predict whether or not the insurance rates will continue to increase or stabilize. Sponsor makes no representation that the premium costs for the insurance reflected in the proposed first year budget will be applicable at the time of the first Closing of a Residential Unit in the Condominium. Purchasers should note that the Offering Plan will be amended to disclose any change in Schedule B at the time of the effectiveness of the Offering Plan and prior to the closing of title to the first Residential Unit. See Schedule B, the proposed first year budget and the footnotes immediately following thereto contained in Section VII of the Offering Plan.

20. It shall be the responsibility of each Purchaser to pay the following additional Closing Costs, if applicable: (a) an initial non-reimbursable Capital contribution equal to two (2) months Common Charges for the Residential Unit to the Condominium; (b) reimbursement to the Sponsor based on each Residential Unit's percentage of Common Interest for Sponsor's advancement for the cost of the Condominium's insurance; (c) \$2,500 to Sponsor's attorney for the preparation of the Closing documents. Purchaser shall also pay, or reimburse to Sponsor, if Sponsor has already made payment, the following charges, if applicable: (a) inspections, (b) appraisals, (c) surveying services, (d) water and sewer tap and connection fees, water meter deposit, water vault, water meter reading equipment and water and sewer test fees and (e) advance sewer use payments, if any. See Section XVIII of the Offering Plan.

21. At Closing the Sponsor will collect the equivalent of two (2) months Common Charges from each Purchaser to be paid to the Condominium as initial working capital ("Working Capital"). While Sponsor is in control of the Board of Managers of the Condominium the Working Capital Funds may be used to reduce the Common Charges. In addition, the Working Capital Fund may be utilized to reimburse Sponsor for prepaid expenses of the Condominium. The only budgetary item that might require a substantial credit to the Sponsor would be the insurance disclosed in Schedule B. At such time as the Sponsor relinquishes control of the Board of Managers any remaining balance of the Working Capital Fund will be turned over to the Board of Managers. The Offering Plan does not provide for any minimum Working Capital Fund to be turned over to the Board of Managers. See Section XXVII of the Offering Plan.

22. If through no fault of Sponsor, Purchaser fails for any reason to Close Title after the date originally scheduled in Sponsor's Notice of Closing or such later date (if applicable) to which Sponsor in a subsequent Notice for Closing adjourned the Closing, all of the apportionments shall be made as of midnight of the day preceding (i) the date originally scheduled for Closing or (ii) Sponsor's adjourned Closing Date (as the case may be).

In addition, Purchaser shall pay to Sponsor at or prior to the actual Closing an amount equal to .0438% per day (which equals an annual rate of 16%) of the purchase price for the Residential Unit for each day beyond such originally scheduled or Sponsor adjourned Closing Date, to and including the date of actual Closing, for reimbursement and defrayal of Sponsor's carrying costs and other charges. See Section XVIII of the Offering Plan.

23. As a result of the fact gas pipes, water pipes and electric wires run throughout the walls of the Building, Purchasers should be careful when placing any items on the wall or drilling into the walls of their Residential Unit. See Section XXII of the Offering Plan.

24. Purchasers of a Residential Unit should refer to the floor plans in Schedule G-2 of Part II of the Plan for details of each type of Residential Unit. The approximate (within reasonable tolerances) physical dimensions of each Residential Unit consists of the area measured as follows: (a) vertically from the top of the concrete slab to the underside of the gypsum board ceiling and (b) horizontally to the center line of demising

walls between units; to the center line of non-structural common walls; to the inside face of common structural walls or elements; and to the outside face of exterior walls. As such the areas are not based upon measurements from interior surfaces of interior walls, and the actual living area comprising the Residential Unit may be significantly less than the area listed in Schedule A. A decrease in a Residential Unit's area of five (5%) percent or less will not affect a Purchaser's obligations to purchase the Residential Unit unless such decrease is determined to be a material change. There is a rebuttable presumption that an area that is diminished by five (5%) percent or less is not material. See Schedule A and the footnotes thereto contained in Section V of Part I of the Offering Plan.

25. Terraces, balconies, and cellar spaces are accessory use only and may not be used for sleeping, living room, cooking, or similar use. To do so may result in a violation against the Building being issued by the Building Department. The cellar space will not be rented independently. The cellar consists of General Common Elements of the Condominium. Purchasers should note that the cellar space may have less light and air than ordinary living space and it is more susceptible to dampness. The General Common Elements in the cellar can be accessed and used by all the Residential Units in the Condominium. The rear yard includes the concrete parking lot. The Storage Space Area in the cellar includes twenty-seven (27) Storage Spaces that will be subject to a License Agreement as described in Section XII of the Offering Plan for use by a Residential Unit Owner who enters into a License Agreement. See Sections XII and XXII of the Offering Plan.

26. All Residential Unit Owners must notify the Board of Managers or the Managing Agent (if any) in writing when a Child or Children under the age of eleven (11) years lives or resides (even temporarily) in the Residential Unit. Each Residential Unit Owner shall install, at the Residential Unit Owner's expense, any required Window Guards in all windows of the Residential Unit and shall not remove them until permitted by applicable law and in any event, without the full knowledge of the Board of Managers or Managing Agent (if any). See Section XX of the Offering Plan.

27. All Residential Unit Owners are required to keep their thermostats at a minimum of sixty (60) degrees Fahrenheit to prevent freezing of pipes. In the event the Residential Unit Owner fails to adhere to this requirement the Residential Unit Owner shall be responsible for any damage done to the Common Elements of the Condominium and/or any other Residential Unit. See the By-Laws contained in Part II of the Offering Plan as Schedule J. See Section XXII in Part I of the Offering Plan.

28. Sponsor must either return a fully executed Purchase Contract within thirty (30) days to the Purchaser or reject the Purchase Contract and refund the Deposit monies. In the event the Sponsor does not act within said thirty (30) day period the Purchase Contract will be deemed rejected by the Sponsor. See Section XIV of the Offering Plan.

29. If Purchaser fails to appear and Close Title in accordance with the Purchase Contract on the date and at the time and place stated in Sponsor's Notice for Closing, or if Purchaser fails to observe or perform any other thing to be observed or performed by Purchaser under the Purchase Contract, Sponsor will send Purchaser a written notice of default giving Purchaser thirty (30) days from the date of such notice to cure any such

default. Time is of the Essence for Purchaser to cure such default within such thirty (30) day period. Time is of the Essence means that performance by one party at or within the period specified in the Purchase Contract is necessary to enable that party to require performance by the other party. In the event default(s) are not timely cured, the Purchase Contract, at Sponsor's option, shall be deemed cancelled and Sponsor shall retain as liquidated damages, all amounts paid by Purchaser (including for upgrades and extras), and the Unit may be sold by Sponsor without any accounting to Purchaser. See Section XIV in Part I of the Offering Plan and Paragraph 23 of the Purchase Contract contained in Part II of the Plan.

30. Purchasers should note that the Power of Attorney attached to the Purchase Contract must be executed by Purchaser at the Closing of Title. Failure to execute the Power of Attorney will result in a default under the Purchase Contract. See Section XIV of Part I of the Offering Plan and Schedule E, the Power of Attorney form.

31. During the Sponsor Control Period, Sponsor shall have the right, in its sole and absolute discretion, to cause the Condominium Board to waive the collection of some or all of the Common Charges, as set forth in the Condominium's budget from Unit Owners. During said period, Sponsor in its sole and absolute discretion; provided, however, that Sponsor shall have the right to either (a) be solely responsible for the payment of all actual expenses to operate the Condominium (the "Waiver Period"), or (b) cause the Condominium Board to assess Unit Owners their proportionate share of all actual operating expenses of the Condominium based on their respective Common Interests or as otherwise set forth in the budget, including, but not limited to, insurance premiums and any reserve fund payments included in the budget (the "Reduced Service Period"). In connection with the Waiver Period or Reduced Service Period, (i) Sponsor will disclose the implementation of such Waiver Period or Reduced Service Period in the amendment to the Plan that discloses the occurrence of the First Closing; (ii) Sponsor or the Managing Agent will notify Purchasers and Unit Owners of the expiration of the Waiver Period or Reduced Service Period at least 30 days prior to the expiration thereof, and (iii) Sponsor will disclose the expiration of the Waiver Period or Reduced Service Period in the next substantive amendment to the Plan. During any Waiver Period, Sponsor and/or Unit Owners will timely pay all actual expenses of the Condominium, including but not limited to insurance premiums and any reserve fund payments included in the budget. At such time as the Condominium Board commences the collection of Common Charges in accordance with the total proposed budget contained in Schedule B (the "Total Budget"), there will not be an assessment for any expense line item set forth in the budget, or maintenance fee that would have been due prior to the expiration of the Waiver Period or Reduced Service Period. Sponsor is not obligated to collect Common Charges based on a Waiver Period or Reduced Service Period and can commence collection of the Common Charges based upon the total Common Expenses reflected in the Total Budget provided in Schedule B of the Offering Plan. Purchasers should further note that during the Sponsor Control Period the Sponsor-controlled Board of Managers will be required to update the budget and provide certified (audited) financial statements for the Condominium on an annual basis. The cost of the certified (audited) financial statement shall be a Common Expense of the Condominium. See Sections XIX and XXII of the Offering Plan.

See Section I of the Offering Plan.

32. Purchasers should note that the Residential Unit Owners shall indemnify and hold harmless each of the Members of the Board of Managers of the Condominium against all contractual liability to others arising out of contracts made by the Board of Managers on behalf of the Condominium unless any such contract shall have been made in bad faith or contrary to the provision of the Declaration or of the By-Laws. It is intended that the Members of the Board of Managers have no personal liability with respect to any contract made by them on behalf of the Condominium (except as Residential Unit Owners). It is understood and permissible for the original Board of Managers, who may be affiliated with or be employed by the Sponsor, to contract with the Sponsor and affiliated corporations and entities. It is also intended that the liability of any Residential Unit Owner arising out of any contract made by the Board or out of the aforesaid indemnity in favor of the Members of the Board of Managers shall be limited to such proportion of the total liability thereunder as the Purchaser's Percentage of Common Interest in the Common Elements bears to the Percentage of Common Interest of all the Residential Unit Owners in the Common Elements. Every agreement made by the Board of Managers or by the managing agent or by a Member on behalf of the Condominium, shall provide that the Members of the Board of Managers, or the managing agent, or the Member, as the case may be, are acting only as agent for the Residential Unit Owners and shall have no personal liability thereunder (except as Residential Unit Owners) and as long as within the law. Notwithstanding the above, the Board of Managers has a fiduciary duty to the Condominium and the Residential Unit Owners to meet its obligations to the Condominium. See Section XXI in Part I of the Offering Plan and Article III, Section 14 of the By-Laws of the Condominium.

33. The Percentage of Common Interest of each of the Residential Units has been determined pursuant to Section 339-i(1)(iv) of the Condominium Act, based on floor space, subject to the location of such space and the additional factors of relative value to other space in the Condominium, the uniqueness of the Residential Unit, the availability of Common Elements for exclusive or shared use, and the overall dimensions of the particular Residential Unit. Based upon final specifications, construction conditions and/or "as-built" Plans for the Building reflecting relative measurements, areas and uses of portions of the Building, application of such method of allocation the Percentage of Common Interest may justify an immaterial increase or decrease in the aggregate Percentage of Common Interest appurtenant to Residential Units. In such event, the Percentage of Common Interest appurtenant to each individual Residential Unit would be adjusted pro rata. Sponsor expressly reserves the right, from time to time, prior to the first Closing, to affect a de minimis change in the Percentage of Common Interests and to amend the Plan so as to reflect the same. Notwithstanding, unless an affected Purchaser consents, no material change will be made in the Percentage of Common interest if a Purchase Contract has been executed and delivered to the Sponsor for that Residential Unit and the purchaser is not in default. See Section XXI of the Offering Plan.

34. Purchasers are advised that in New York, newly constructed and newly renovated buildings are sometimes offered as condominium projects without a final certificate of occupancy ("FCO") covering the entire building but with only a temporary certificate of occupancy ("TCO"), and sometimes with several successive temporary certificates of occupancy. Certificates of occupancy are generally governed by section

301 of the New York Multiple Dwelling Law and local building codes and rules. Both TCOs and FCOs are issued by the New York City Department of Buildings (“DOB”). A TCO is intended to indicate that the property is safe for occupancy but means that not all of the construction work and/or inspections have been performed, or that not all of the required documents have been submitted to the Building Department. All TCOs have an expiration date. A TCO typically expires 90 days after the date of issuance. When a TCO expires and is not renewed, it may be difficult or impossible to buy insurance, refinance, or sell Residential Units. In New York, it is common for sponsors to commence Residential Unit closings when some or all Residential Units are covered by a TCO rather than a FCO. Sponsor anticipates this scenario may occur. Sponsor and its principals will undertake the responsibility for extending each TCO received prior to expiration thereof and ultimately for obtaining a FCO covering the entire building within two years from the date of issuance of the first TCO. However, Sponsor and its principals make no representation or guarantee that the Building Department will issue the FCO within such two (2) year period. Notwithstanding the foregoing, Sponsor and its principals are obligated to procure the FCO for the entire building and shall exercise best efforts to obtain the FCO within such two (2) year period while keeping the TCO current. Residential Unit Owners and the Board of Managers shall be obligated to cooperate with and refrain from obstructing Sponsor in these undertakings. Sponsor is not responsible to the Residential Unit Owners making repairs for the issuance of a TCO and Residential Unit Owners shall reimburse the Sponsor for any costs incurred in such instance that are incurred by the Sponsor to obtain the TCO. See Section III in Part I of the Offering Plan.

35. Residential Unit Owners will not be permitted to make any changes, additions or alterations to their Residential Unit prior to the issuance of a Permanent Certificate of Occupancy for the Residential Unit and/or Building. Residential Unit Owners are responsible for obtaining all necessary permits from the City of New York and any other required municipal agencies for any changes the Residential Unit Owner makes to their Residential Unit subsequent to the Closing of Title with the Sponsor. Sponsor will not be liable for nor responsible to a Residential Unit Owner in the event an inspection by the Department of Buildings of the City of New York prevents the issuance of a renewal and/or extension of a Temporary Certificate of Occupancy or Permanent Certificate of Occupancy as a result of changes made to the Residential Unit by a Residential Unit Owner. In the event a Residential Unit Owner makes any changes, additions or alterations to their Residential Unit prior to the issuance of a Permanent Certificate of Occupancy for the Residential Unit and/or Building, the Residential Unit Owner shall reimburse Sponsor within ten (10) days following Sponsor’s demand therefor, for any and all costs incurred by Sponsor with respect to the Residential Unit Owner’s changes to the Residential Unit that prevent the extension or renewal of a Temporary Certificate of Occupancy or the issuance of a final Certificate of Occupancy by the Department of Buildings of the City of New York. See Section XVII of the Offering Plan.

36. The projected real estate taxes applicable to the Residential Units during the first year of operation contained in Schedule A are based on an assessment of the Building after construction is complete. Notwithstanding, in view of the fact the Department of Finance of the City of New York (“DOF”) has not issued a final post construction assessment, real estate taxes may increase materially after DOF issues its final post construction assessment. See footnote number 5 to Schedule A for more information regarding the projected assessed valuation after completion of construction

and Section XXIII of the Offering Plan and the Tax Consultants Opinion Letter contained in Section XXIV of the Offering Plan.

37. Common Charges are generally levied in proportion to each Residential Unit's Percentage of Common Interest in the Common Elements. However, as provided for in Section 339-m of The Real Property Law of the State of New York, the Board of Managers may also make allocations and assessments of Common Charges to the General Common Elements and any Individual Residential Unit's Limited Common Element that is the Condominium's obligation to repair and maintain, in accordance with sub-metering, contract allocations and usage (both projected and actual) so long as such allocations are reasonable under the circumstances and are based on intensive, special or exclusive use or availability or exclusive control of particular Residential Units or Common Elements by particular Residential Unit Owners. See Section XXII in Part I of the Offering Plan.

38. The Smoke-Free Air Act of New York City prohibits Smoking and using E-cigarettes of any kind in indoor common areas, including but not limited to, lobbies, hallways, stairwells, mailrooms, fitness areas, garages and laundry rooms in any building with three or more residential units. NYC Admin. Code, § 17-505. Effective as of August 28, 2018, Local Law 147 of the City of New York became effective. Local Law 147 amends the Administrative Code of the City of New York to require that all class A multiple dwellings (i.e., buildings with 3 or more residential dwelling units) adopt a written smoking policy (the "Smoking Policy"). In compliance with Local Law 147 the following is the smoking policy that will apply to this Condominium:

(a) Definitions:

- (i) Smoking: Inhaling, exhaling, burning or carrying any lighted or heated cigar, cigarette, little cigar, pipe, water pipe or hookah, herbal cigarette, non-tobacco smoking product (e.g., marijuana or non-tobacco shisha), or any similar form of lighted object or device designated for people to use to inhale smoke.
- (ii) Electronic Cigarette (E-cigarette): A battery-operated device that heats a liquid, gel, herb or other substance and produces a vapor for people to inhale.

(b) Policy:

- (i) All types of Smoking and use of Electronic Cigarettes as defined above are prohibited from all general common areas of the Condominium, including but not limited to any lobby, hallway, stairwell, mailroom, fitness room or other recreational facility, meeting room, laundry room, storage area, mechanical room, equipment room, cellar, basement, elevator, garage, rooftop, play areas, parking areas, shared balconies, shared courtyards, shared patios, shared porches, shared yards and/or any outdoor common area within 15 feet of entrances, exits, windows, and air intake units on property grounds.

- (ii) All types of Smoking and Electronic Cigarette use are prohibited from any rear yard, balcony and/or terrace or any space designated as an Individual Residential Unit's Limited Common Element appurtenant to the Residential Unit.
- (iii) All legal Smoking and Electronic Cigarette use is permitted within the interior area of a Residential Unit.
- (iv) The Smoking Policy shall be applicable to all Unit Owners, residents, tenants, guests, licensees, employees and all persons that may be in or on any portion of the Condominium.
- (v) Any Residential Unit Owner who leases their Residential Unit shall incorporate the provisions of the Smoking Policy into the lease with the Residential Unit Owner's tenant.

(c) Complaints:

Complaints about smoke drifting into a Residential Unit or common area should be made promptly to the Managing Agent. Complaints should be made in writing and should be as specific as possible, including the date, approximate time, location where smoke was observed, building address, description of incident and apparent source of smoke.

The Smoking Policy shall be applicable to all Residential Unit Owners, residents, tenants, guests, licensees, employees, and all persons that may be in or on any portion of the Property and any Building located thereon constituting the Condominium. Pursuant to the requirements of Local Law 147 all tenants in the Building are required to receive a copy of the Building's Smoking Policy and the Smoking Policy must be incorporated into all leases or interim leases. The provisions of Local Law 147 of the City of New York shall take precedent in the event of any conflict with the Smoking Policy contained herein. The Smoking Policy is contained in Article VIII (the "Rules and Regulations"), Section 2 of the By-Laws. Purchasers should also refer to Section XXII of the Offering Plan.

39. No representation is made that the Reserve Fund line item will be adequate for future expenses including repairs or replacements of Common Elements during the first five (5) years of the Condominium. If additional funds are required over and above said funds, it may be necessary to increase the Common Charges payable by the Residential Unit Owners, collect a Special Assessment from each Residential Unit Owner or borrow money for such repairs or replacements. See Section XXVI in Part I of the Offering Plan.

40. In view of the fact the Condominium will consist of a Building containing more than five (5) stories the Housing Merchant Implied Warranty Law contained in Article 36-B of the General Business Law is not applicable. Notwithstanding said fact, the Sponsor will correct any defects in the construction of the Residential Unit or in the installation or operation of any mechanical equipment therein due to materials or improper workmanship substantially at variance with the plans and specifications, as may have been changed by Sponsor from time to time provided that it is notified of such defects in writing by certified mail within one (1) year from the date of Closing of Title to the Residential Unit in which the alleged defect exists ("Limited Warranty"). If a defect occurs in an item which is

covered by this warranty, the Sponsor or Sponsor's contractors will (a) repair or (b) replace the defective item. The choice between repair or replacement is strictly the Sponsor's. **NOTWITHSTANDING ANYTHING STATED ABOVE, SPONSOR HAS AN ABSOLUTE DUTY TO CONSTRUCT THE PREMISES IN ACCORDANCE WITH ALL APPLICABLE CODES AND FILED PLANS AND SPECIFICATIONS SUBJECT TO FIELD CHANGES THAT MEET APPLICABLE CODE.** For details see Section XIX of the Plan.

41. Sponsor reserves the right to change the floor plan of a Residential Unit as long as the percentages of Common Interest for the Residential Units is not affected, there is no Purchase Contract in effect for said Residential Unit and as long as the Sponsor does not change the total number of Residential Units being offered for sale or the total number of Buildings in the Condominium. In such an event, Sponsor will amend the Offering Plan to reflect the revised Floor Plan. See Section X in Part I of the Offering Plan.

Purchasers should note that the Financial Crimes Enforcement Network ("FinCEN") of the U.S. Department of the Treasury issued a revised Geographic Targeting Order ("GTO") dated November 8, 2019, last renewed on October 9, 2025, requiring U.S. title insurance companies and any of its subsidiaries and agents to report to FinCEN the personal identity of purchasers in residential transactions in which:

- (1) Residential real property is purchased by a legal entity as defined in the GTO as follows: a corporation, limited liability company, partnership or other similar business entity, whether formed under the laws of a state or of the United States or a foreign jurisdiction, other than a business whose common stock or analogous equity interests are listed on a securities exchange regulated by the Securities Exchange Commission ("SEC"), or a self-regulatory organization registered with the SEC, or an entity solely owned by such a business;
- (2) the Purchaser purchases residential real property located in the Boroughs of Brooklyn, Queens, Bronx, Staten Island, or Manhattan in New York City;
- (3) the total purchase price is in the amount of \$300,000 or more;
- (4) such purchase is made without a bank loan or other similar form of external financing; and
- (5) such purchase is made at least in part, using currency or a cashier's check, a certified check, a traveler's check, a personal check, a business check, a money order in any form, a funds transfer or virtual currency.

The Order, as renewed on October 9, 2025, affects all residential real property closings effective October 10, 2025 and ending on February 28, 2026. A copy of the renewed GTO is available at:

All questions about the Order should be directed to the FinCEN Resource Center at FRC@FinCEN.gov.

42. Purchasers should note that Sponsor will not be responsible for any condition in the Residential Unit or the Common Elements resulting from (i) normal wear and tear or natural deterioration or from the normal movement, settlement and/or shrinkage of the Building and/or Building materials; (ii) defects of an insubstantial nature, such as, without limitation, partial or total loss of any trees, shrubs, bushes or other landscape improvements that may abut the Building, nail pops, protruding dry wall fastenings, ridging on gypsum board, lumber shrinkage, door or window sticking, door warpage including, without limitation, warpage of the main entrance door within reasonable tolerances of doors of similar size and weight, scratches in plastic laminate, vitreous china, natural stone, wood, stainless steel or porcelain surfaces; bathroom finish grouting; adjustment of doors; walls not square; electrical plates not straight; discoloration or shrinkage; slight separation between base and floors; (iii) normal settlement and deflection or any consequential damage resulting therefrom including, without limitation, cracks in roof ballast, or concrete cracks which do not reduce the structural integrity of the Building; (iv) deviations in the level of ceilings, and imperfections in ceiling finishes; (v) imperfections in painting finishes; (vi) deviations in the level of a floor or failure of finished floors and walls to be straight or on plane or at less than 90° from each other; (vii) alignment of bathroom finishes and variation in grouting thickness; (viii) air infiltration and water infiltration from windows in accordance with customary practice and professional standards; (ix) noise from normal plumbing and the HVAC system; (x) normal floor noises and creaking; (xi) carpet or floor discoloring or stretching; (xii) scratches and imperfections or variations in width, length, thickness, finish or color range of wood floor strips or other flooring or floor finishes, also, normal shrinkage or expansion of wood flooring due to changes in moisture content of wood; (xiii) repair of chips, scratches, mars, breaks, dents, cracks or other defects in: exterior stone; windows, window glass, frames and hardware; insulation attached to the curtain wall; sliding glass doors, frames, door glass and hardware; louvers; shower doors; lighting fixtures, lenses, baffles and globes; all painted surfaces; all sinks, tubs, basins, water closets; kitchen cabinets, back splashes and countertops; vanity tops and cabinets; all tile or natural stone floors and walls; saddles; all appliances; woodwork, millwork and doors; mirrors and after the Residential Unit Closing, paint touch-ups, repair of dented appliances, or replacement of light bulbs; (xiv) cracks or variations in tone or color of natural stone or variations in tone or color of vanity tops or variations in veining of any natural stone surfaces; (xv) leaching or color variation in color mortar and colored brick, and dimensional variations in brick joints, and mortar droppings on bricks; (xvi) ponding and/or controlled drainage on the roof surface; (xvii) cracks in pressure-treated lumber used or intended for use outside the Building; (xviii) cracks or discoloration in concrete and/or paving; (xix) discoloration to hardware and plumbing finishes; (xx) stains, runs, lumps, shags or imperfections in weave in fabric panels; (xxi) scratched, dirty or cracked lenses in light fixtures; or (xxii) terrace or balcony tiles not laid flat, or color variation in tiles or mortar, or stained tiles; (xxiii) subsequent to the Residential Unit Closing, paint touch-ups, repairs of dented appliances or replacement of fluorescent light ballasts, or (xxiv) salting or color variation in exterior colored mortar and deep colored brick; (xxv) remove mold from the Building or any Residential Unit

therein, or (xxvi) or normal water penetration in frameless shower doors. Sponsor will be obligated to repair only abnormally chipped stone, Formica and porcelain surfaces, which repair will be made by filling the stone or Formica or refinishing the porcelain, but Sponsor will not be obligated to replace such stone, Formica or porcelain surfaces. THE ITEMS AND CONDITIONS DESCRIBED IN THIS PARAGRAPH ARE NOT DEFECTS AND MAY BE FOUND IN ANY NEWLY CONSTRUCTED BUILDING OR RESIDENTIAL UNIT. PURCHASERS WHO PURCHASE A RESIDENTIAL UNIT IN THE BUILDING OR IN ANY OTHER NEWLY CONSTRUCTED BUILDING MAY EXPERIENCE SOME OR ALL OF THESE ITEMS AND CONDITIONS IN THEIR RESIDENTIAL UNIT, THE COMMON ELEMENTS OR ELSEWHERE IN THE BUILDING OR RESIDENTIAL UNIT. SPONSOR HAS NO OBLIGATION TO CORRECT OR REPAIR ANY OF THESE ITEMS AND CONDITIONS AND WILL NOT BE LIABLE TO ANY PURCHASER OR THE BOARD OF MANAGERS THEREOF. IF PURCHASERS OR ANY BOARD OF MANAGERS DESIRES TO CORRECT OR REPAIR ANY OF THESE ITEMS OR CONDITIONS, TO THE EXTENT THEY CAN BE CORRECTED OR REPAIRED, THEY WILL HAVE TO PROCEED AT THEIR SOLE COST AND EXPENSE BY THEMSELVES AND/OR UNDER ANY WARRANTIES OR UNDERTAKINGS ASSIGNED TO THEM BY SPONSOR. See Section XIX of Part I of the Offering Plan.

43. Purchaser should note that the Board of Managers shall have the right to require that a Residential Unit Owner utilize a contractor or sub-contractor of the Board of Manager's choosing for any repairs, maintenance and/or replacement of an Individual Residential Unit's Limited Common Element that is a Residential Unit Owner's obligation at the Residential Unit Owner's sole cost and expense. See Section I of the Offering Plan.

44. Sponsor has budgeted approximately \$2,000 towards legal fees for the first year of operation. Residential Unit Owners should expect that this expense will increase in future years. See the footnotes to Schedule B.

45. The Sponsor will not enter into interim leases with Purchasers for Residential Units prior to Closing. In no event shall Purchaser take possession of the Residential Unit prior to the time of the delivery of the deed, nor shall Purchaser enter the Residential Unit or have the Residential Unit Owner's contractors or agents enter the Residential Unit to perform work prior to Closing without the written authorization of the Sponsor. See Section XIII of the Offering Plan.

46. A prospective Purchaser should note that pursuant to Paragraph 29 of the Purchase Contract, Purchaser will represent that no broker other than The Corcoran Group, 590 Madison Avenue, New York, New York 10022 (the "Broker"), brought about the sale. Purchaser will indemnify and hold Sponsor harmless from and against claims brought by Purchaser's broker for work on behalf of Purchaser. Sponsor shall pay Broker pursuant to a separate agreement. In the event Purchaser is represented or has consulted with an outside broker (other than Broker), Purchaser shall be responsible for all costs, expenses and commissions associated therewith and Sponsor shall not be responsible for any co-broker commission. Said Paragraph 29 shall survive Closing and delivery of the deed. See Paragraph 29 of the Purchase Contract.

47. A prospective Purchaser should note that pursuant to Paragraph 36 of the Purchase Contract, any failure by Sponsor to insist upon strict performance by a

Purchaser of any of Purchaser's obligations under the Purchase Contract shall not be deemed a waiver of such obligations, and Sponsor may at any time insist upon strict performance by Purchaser of any and all obligations to be performed by Purchaser under the Purchase Contract irrespective of the number of times Purchaser failed to strictly comply with such obligations in the past. Pursuant to Paragraph 36 a Purchaser agrees to waive all rights to trial by jury in any action, proceeding or counterclaim in any way arising out of or relating to the Purchase Contract or the Plan provided such waiver is not prohibited by any laws of the State of New York. Further a Purchaser will agree to pay any and all court fees, including, without limitation, reasonable attorney fees, should Purchaser bring an action against Sponsor in any court of proper jurisdiction (including, without limitation, small claims court) as long as the Sponsor is the prevailing party. In addition, a Purchaser will agree to waive the right to file a lis pendens if not filed within sixty (60) days of the cancellation of the Purchase Contract. Any action or proceeding brought by either party against the other, directly, or indirectly, arising out of the Purchase Contract, shall be instituted in a court in the County of Queens, State of New York and all motions in any such action shall be made in the County of Queens, State of New York. See Paragraph 36 of the Purchase Contract.

48. It is anticipated that the Recreational Facilities will be complete by the date of the first closing subject to unforeseen circumstances beyond Sponsor's control such as weather conditions, labor strikes, material shortages, force majeure and anticipated rate of sales.

49. The Sponsor may rent any off-street parking spaces to non-residents of the Building, for periods of not less than one (1) week and not more than one (1) month. All off-street parking spaces shall be made available to residents within thirty (30) days after written request made to the Sponsor, by such residents. Purchasers should refer to the Description of Property Report contained in Part II of the Offering Plan.

50. Purchasers should note that the cellar is for "Accessory Use Only" and NOT to be used for sleeping, cooking and/or living purposes, and will not be rented independently.

51. New York City Local Law Eleven (NYC LL11 / 98): is applicable to this Building and requires that the Condominium must comply with the requirements of New York City Local Law Eleven with regards to inspection of exterior walls and appurtenances of buildings greater than six stories in height. The Condominium will be responsible for arranging future inspections and shall be conducted at least once every five (5) years. The inspections are required to be done by a qualified architect or engineer. The inspection would indicate whether or not the building is Safe (No problems and in good condition), SWARMP (Safe with a Repair and Maintenance Program) or Unsafe (Problems or defects threatening public safety). All costs associated with the required report and any repairs shall be a Condominium General Common Expense. Purchasers should refer to the Description of Property Report contained in Schedule G in Part II of the Offering Plan.

52. Prospective Purchasers should note that the property that the Condominium is being constructed on is subject to an Exclusive Pedestrian and Vehicular Easement

Agreement (the "Exclusive Easement Agreement") recorded in the New York City Register's Office on September 22, 2022, as City Register File No. 2022000367135. All of the capitalized terms in the Exclusive Easement Agreement shall have the meaning ascribed to said capitalized terms as contained in the Exclusive Easement Agreement. Pursuant to the terms of the Exclusive Easement Agreement the Grantee of the Exclusive Easement Agreement operates a parking lot that abuts the property the Condominium is to be located. Pursuant to the terms of the Exclusive Easement Agreement Grantee has been granted the following over a portion of the property referred to as the Exclusive Use Easement Area.

Easement. Grantee has been granted an exclusive easement on over and across the Exclusive Use Easement Area for the Permitted Use.

Permitted Use. The Permitted Use shall provide for the exclusive right to use the Exclusive Use Easement Area for the sole purpose of providing, vehicular and pedestrian ingress, egress and/or access from the Benefited Property on, over, across and through the Exclusive Use Easement Area, including without limitation, use of any existing improvements located on the Exclusive Use Easement Area ("Permitted Use"). In addition, Grantee, may, at Grantee's sole cost and expense, install certain improvements on the Exclusive Use Easement Area, which shall be limited solely to driveways, sidewalks and/or pathways (collectively, "Grantee's Improvements").

Maintenance. Grantee shall, at Grantee's sole cost and expense, take commercially reasonable care and keep the Exclusive Easement Area clean, and free of dirt and rubbish, snow and ice. In addition, Grantee shall, at Grantee's sole cost and expense, make all repairs to any existing improvements located on the Exclusive Easement Area and any Grantee's improvement, as and when needed to preserve the same in reasonably good condition (except for reasonable wear and tear, for which Grantee is not responsible under the Agreement); it is being understood that, notwithstanding anything in the contrary, in no event whatsoever shall Grantor be responsible and/or liable to maintain, repair and/or take good care of any portion of the Exclusive Easement Area.

Insurance. (a) Grantee shall carry and maintain liability insurance on the Exclusive Use Easement Area covering Grantee, and naming Grantor as an additional insured, with limits of not less than three million and no/100 dollars (\$3,000,000.00) per occurrence for bodily injury, personal injury and property damage. Grantee shall also carry all-risk property insurance, insuring the full replacement cost all Grantee's Improvements, the Benefitted Property, and other improvements existing or installed by Grantee on the Exclusive Use Easement Area. (b) Grantee shall furnish to Grantor certificates of insurance evidencing compliance with all insurance provisions simultaneously with the execution of the Agreement and ten (10) days prior to the expiration or anniversary of the respective policy terms. Upon failure of Grantee to procure and maintain any insurance to be maintained by Grantee, the Grantor may, at its option, do so, upon ten (10) days prior written notice, and Grantee agrees to pay the cost thereof to the Grantor.

Indemnification. (a) To the fullest extent of the law, Grantee agrees to indemnify, defend, and hold harmless Grantor and Grantor's agents, employees, contractors and invitees ("Grantor Parties") from and against all liabilities, obligations, claims, damages, fines, penalties, interest, causes of action, costs and expenses, including reasonable attorneys' fees imposed upon or incurred by or asserted against Grantor by reason of (i) any accident, injury to or death of persons (including workmen) or loss of or damage to property occurring or claimed to have occurred, on or about the Exclusive Easement Area or any part thereof, or any Grantee's Improvements erected thereon; (ii) any use or condition of the Exclusive Easement Area or any part thereof; (iii) any failure on the part of Grantee promptly and fully to comply with or perform any of the terms, covenants or conditions of the Agreement; or (iv) the performance of any labor or services or the furnishing of any materials or other property in respect of the Exclusive Easement Area or any part thereof. In the case and any suit, action or proceeding is brought against any Grantor Parties by reason of any such occurrence, Grantee, upon Grantor's request and at Grantee's expense, shall resist and defend such suit, action or proceeding, or cause the same to be resisted and defended by counsel designated by Grantee and approved by Grantor. (b) To the fullest extent of the law, Grantor agrees to indemnify, defend, and hold harmless Grantee and Grantee's agents, employees, contractors and invitees ("Grantee Parties") from and against all liabilities, obligations, claims, damages, fines, penalties, interest, causes of action, costs and expenses, including reasonable attorneys' fees imposed upon or incurred by or asserted against Grantee by reason of (i) any accident, injury to or death of persons (including workmen) or loss of or damage to property occurring or claimed to have occurred as a result of the carelessness, negligence, or improper conduct of Grantor or Grantor's agents, contractors, employees or licensees; or (ii) any failure on the part of Grantor promptly and fully to comply with or perform any of the terms, covenants or conditions of this Agreement.

The Exclusive Easement Area does not affect any portion of the Building or parking area for use by the residents or guests of the Condominium. See Section III of the Offering Plan. A complete copy of the Exclusive Easement is contained as Schedule M.

ROMA CONDOMINIUM PLAN OF CONDOMINIUM OWNERSHIP

I. INTRODUCTION

This is an Offering Plan (the "Plan") for the sale of twenty-seven (27) Residential Units ("Residential Units") for sale to Residential Unit Owners, in a Condominium to be known as the Roma Condominium located at 25-23 Newtown Avenue, Astoria, New York 11102. The Sponsor is also offering for sale fourteen (14) Parking Space Units ("Parking Space Units") to Purchasers of a Residential Unit. The Parking Space Units shall consist of eight (8) covered Parking Space Units and six (6) outdoor Parking Space Units. Parking Space Unit No. 4 will be designated as a Handicapped Parking Space Unit. Sponsor is initially offering only one (1) Parking Space Unit to a Purchaser of a Residential Unit. In the event there are Parking Space Units available after the Sponsor has sold all the Residential Units to Purchasers the Sponsor has the right to offer additional Parking Space Units to Purchasers who already purchased a Parking Space Unit. The purchase of a Parking Space Unit can only be purchased in conjunction with the purchase of a Residential Unit or by a Residential Unit Owner who has closed on their Residential Unit. In the event a Purchaser purchases a Parking Space Unit the Percentage of Common Interest allocated to the Parking Space Unit will be added to the Percentage of Common Interest of the Residential Unit and all Common Charges associated therewith will be the obligation of the Residential Unit Owner who purchases the Parking Space Unit. The use of the term Residential Unit or Unit shall include any Parking Space Unit acquired by a Residential Unit Owner unless otherwise indicated. The purpose of the Plan is to set forth all material terms of the offer for the benefit of Prospective Purchasers. The Condominium will also include twenty-seven (27) Storage Spaces which are being offered to Residential Unit Purchasers subject to license agreements ("License Agreements") as per the terms provided for in the License Agreement, a copy of which is included in Part II of the Offering Plan as Schedule D-6. The Storage Spaces may only be licensed to Residential Unit Owners.

Purchasers should note that Parking Space Unit No. 4 will be designated as a handicapped parking space ("Handicapped Parking Space") and will be the last Parking Space Unit sold if it has not previously been sold to a Purchaser who themselves or a member of their family has a vehicle with handicapped license plates, or a permanent handicapped permit. The purchase of the Handicapped Parking Space and any subsequent sale or transfer of the Handicapped Parking Space is subject to the following covenants and restrictions in the Declaration:

- a. In the event the present or future owner of a Residential Unit in the Condominium or a member of the Residential Unit Owner's family residing in the Residential Unit becomes handicapped and acquires handicapped plates or a permanent handicapped permit for the Residential Unit Owner's vehicle, and said Residential Unit Owner is the owner of the Handicapped Parking Space Unit, said Residential Unit Owner has the right to demand that the owner of the Handicapped Parking Space Unit swap the

Handicapped Parking Space Unit for which the Residential Unit Owner is the owner of a non-handicapped Parking Space Unit, with said Handicapped Residential Unit Owner.

- b. In the event the present or future Residential Unit Owner of a Residential Unit or member of the Residential Unit Owner's family residing in the Residential Unit becomes handicapped and acquires handicapped license plates or a permanent handicapped permit for the Residential Unit Owner's vehicle and said Residential Unit Owner is not an owner of a Non-Handicapped Parking Space Unit or Handicapped Parking Space Unit, said Residential Unit Owner has the right to require that the owner of the Handicapped Parking Space Unit sell it at the then current fair market value to said Residential Unit Owner whose vehicle has a handicapped license place or permanent handicapped permit. All costs and expenses involved in the transfer of the Handicapped Parking Space Unit, including without limitation, recording fees and reasonable attorney fees shall be borne by the party requesting the transfer.
- c. The owner of the Handicapped Parking Space Unit must comply with the aforementioned demand upon thirty (30) days written notice.
- d. If the parties cannot agree on the fair market value of the Handicapped Parking Space, then the parties agree to submit the matter to binding arbitration in accordance with Article XIV of the By-Laws of the Condominium.

See Section XI of the Offering Plan.

As noted, the Condominium will include twenty-seven (27) Storage Spaces that are being offered to Purchasers of a Residential Unit subject to a License Agreement between the Residential Unit Owner as the Licensee and the Board of Managers as the Licensor, for the exclusive use of the Licensee during the term of the License Agreement. As long as the Sponsor owns a Residential Unit in the Condominium the Sponsor shall have the right to limit the number of Storage Spaces licensed by a Residential Unit Owner. Purchasers should refer to Section XII of the Offering Plan as to the terms and obligations of a Licensee. All Purchasers who enter into a Purchase Agreement for a Residential Unit and are simultaneously entering into a License Agreement for a Storage Space will be required to pay ten (10%) percent of the Storage Space License Expense as an initial deposit Storage Space License Expense Deposit. The Storage Space License Expense Deposit will be held in escrow according to the terms contained in Section XIV of the Plan. The balance of the License Expense is due at the Closing of Title to the Purchaser's Residential Unit from each Purchaser. Sponsor reserves the right to retain such ten (10%) percent Storage Space License Expense Deposit in the event of Purchaser's default under the Purchase Agreement or the License Agreement. Due to the fact that only Residential Unit Owners may enter into License Agreements for the Storage Spaces in the Condominium which are able to be licensed, Purchasers who do not ultimately close

title to their Residential Unit for any reason may not enter into separate License Agreements for a Storage Space without closing on their Residential Unit. See Section II of the Plan and the Condominium By-Laws set forth as Schedule J in Part II of the Plan. If a Purchaser of a Residential Unit elects to enter into a License Agreement for (1) of the Storage Spaces, the price of their purchase will be increased to include the purchase price of the Storage Space License Expense as reflected in Schedule A-1 in addition to the Residential Unit. A copy of the form of a License Agreement is contained in Part II of the Offering Plan as Schedule D-6.

The Plan may be amended at any time and from time to time provided that the amendment is duly filed with the Department of Law of the State of New York and is served on Purchasers and Residential Unit Owners.

A Declaration submitting the property to Article 9-B of the Real Property Law of the State of New York (hereinafter referred to as the "Condominium Act") and By-Laws will be recorded prior to conveyance of title to the first Residential Unit by the Sponsor. The property will be subject to the Condominium Act. The Declaration and By-Laws will be substantially similar to those set forth in this Offering Plan and will not be changed so as to adversely affect the Purchaser. This Offering Plan and the accompanying documentation should be carefully studied by Prospective Purchasers and their attorneys prior to the purchase of a Residential Unit.

The Sponsor of the Offering Plan is Newtown Avenue Associates LLC, with an address at 1836 Gilford Avenue, New Hyde Park, New York 11040, a New York limited liability company. Purchasers should refer to Schedule A as to the Limited Common Elements appurtenant to the applicable Residential Unit.

C. Provisions Applicable to All Common Elements -

1. The Common Elements shall remain undivided and no Residential Unit Owner shall bring any action for partition or division unless otherwise provided by law.
2. The Common Elements are not subject to partition nor are they severable from the Residential Units except in accordance with the Real Property Law.
3. The Percentage of Common Interest in the Common Elements established herein shall not be changed except with the consent of all of the Residential Unit Owners affected expressed in a duly recorded amendment to the Declaration.
4. The Percentage of Common Interest in the Common Elements shall not be separated from the Residential Units to which it appertains and shall be deemed conveyed or encumbered with the Residential Units even though such interest is not expressly mentioned or described in the conveyance or other instrument.

The Condominium will include recreational facilities for passive and active recreational use as General Common Elements for use by residents of the Building that will include a Rooftop Terrace for use by the Residential Unit Owners for sitting and social gathering and a Fitness Center located on the 2nd floor.

The Board of Managers shall have the right to require that a Residential Unit Owner utilize a contractor or sub-contractor of the Board of Manager's choosing for any repairs, maintenance and/or replacement of an Individual Residential Unit's Limited Common Element that is a Residential Unit Owner's obligation at the Residential Unit Owner's sole cost and expense.

The Common Expenses associated with the Condominium, General Common Elements, and Individual Residential Unit's Limited Common Elements, that are the obligation of the Condominium to repair maintain and replace, as necessary and other

costs designated as a Condominium obligation or Common Expense shall be paid for by all Residential Unit Owners based upon their Percentage of Common Interest in the Condominium as reflected in Schedule A of the Offering Plan, except as provided in Section 339-m of the Real Property Law. See Special Risk No. 37.

The floor plans for each Residential Unit are provided in Schedule G-2 in Part II of the Plan for a detailed description of each Residential Unit type. The land and all improvements to be erected thereon are hereinafter referred to as the "Development" or the "Condominium".

Pursuant to existing regulation, the Sponsor may declare the Plan effective by selling a minimum of fifteen (15%) percent of the Residential Units being offered for sale excluding Residential Units of an ancillary nature (15% x 27 Residential Units being offered for sale = 5 Residential Units). Even if the Plan is declared effective with a minimum number of sales, it is possible that the Sponsor may be able to close Residential Units with fewer than the minimum number of sales, if Purchasers counted towards effectiveness do not ultimately purchase a Residential Unit.

Purchasers should note that in the current real estate market, banks and other lenders are imposing various restrictions on purchase financing. Such restrictions include requiring that a certain percentage of the Residential Units in a building or group of buildings be sold before a lender will consider making a loan. Thus, it may be possible for a Purchaser to experience difficulty obtaining a loan in a building or group of buildings where the Sponsor has not sold a substantial percentage of the Residential Units in the building or group of buildings, which in some cases may be as high as seventy percent (70%). Moreover, some lenders will not provide financing in a building or group of buildings where an investor other than the original Sponsor has an ownership interest of ten percent (10%) or more. It may also be difficult for a Purchaser to resell a Residential Unit if prospective buyers are unable to obtain a loan due to the same minimum sales and investor ownership restrictions.

Even after Residential Units have closed, lenders may still impose minimum sales requirements before granting a loan. It then may be difficult for a Purchaser to resell if prospective buyers are unable to obtain a loan due to such minimum sales requirements.

Although Sponsor will endeavor in good faith to market and sell the Residential Units in the Condominium, Sponsor will retain the unconditional right to rent rather than sell the Residential Units after Consummation of the Offering Plan. As a result, this Plan may then result in the creation of a condominium in which a majority of the Residential Units are not owned by owner-occupants or investors unrelated to the Sponsor. As a result, Purchasers for their own occupancy may never gain control of the Board of Managers under the terms of the Offering Plan. Due to the fact Sponsor is not limiting the conditions under which it will rent rather than sell Residential Units, under such circumstances, there is no commitment to sell more Residential Units than the fifteen (15%) percent necessary to declare the plan effective and owner-occupants may never gain effective control and management of the Condominium, in such an event. Owner-

occupants and non-resident owners, including Sponsor, may have inherent conflicts on how the Condominium should be managed as a result of their different reasons for purchasing, i.e., purchasing as a Residential Unit to live in as opposed to purchasing as an investment.

In the event Sponsor makes a bulk sale of all or some of its unsold Residential Units, the transferee successor Sponsor will be bound by Sponsor's representations regarding its commitment to sell Residential Units. A bulk sale consists of the transfer of twenty (20%) percent or more (6 Residential Units) of the total number of Residential Units in the Condominium.

The Sponsor has obtained a loan that will enable the Sponsor to construct the Building from Preferred Bank, 601 South Figueroa Street, 48th Floor, Los Angeles, California 90017, as the lender ("Lender") and permit the Sponsor to market the Residential Units for sale subject to a release price at each closing. The loan does not provide for any minimum number of percentage of Residential Units that must be under contract before the Offering Plan can be declared effective. The loan does not have any limitations or requirements that have been imposed by the Lender that require when the Sponsor may rent rather than sell under specified market conditions, except that the Sponsor cannot enter into any leases without the prior written consent of the Lender. The Sponsor is obligated to pay off and otherwise comply with the terms of the loan on the entire Condominium and is required to release each Residential Unit from the loan at the time of Closing.

As in the ownership of a private one (1) family Home, the Purchaser of a Residential Unit in a Condominium (the "Residential Unit Owner") owns their Residential Unit in fee simple absolute and is entitled to exclusive possession of their Residential Unit. Each Purchaser of a Residential Unit will also own an undivided interest in and right to use the General Common Elements and a right to use the Individual Residential Unit's Limited Common Elements that pertain to an individual Residential Unit for the Individual Residential Unit's Limited Common Elements. A full description of the General and applicable Individual Residential Unit's Limited Common Elements is described above.

The approximate (within reasonable tolerances) physical dimensions of each Residential Unit consists of the area measured as follows: (a) vertically from the top of the concrete slab to the underside of the gypsum board ceiling and (b) horizontally to the center line of demising walls between units; to the center line of non-structural common walls; to the inside face of common structural walls or elements; and to the outside face of exterior walls. As such the areas are not based upon measurements from interior surfaces of interior walls, and the actual living area comprising the Residential Unit may be significantly less than the area listed in Schedule A. See Schedule A and the footnotes thereto contained in Section V of Part I of the Offering Plan.

The Sponsor will have voting control and may designate the Members of the Board of Managers of the Condominium until all of the Residential Units in the Condominium

have been sold or transferred to Residential Unit Owners other than the Sponsor, its Principals, successors, assignees and/or designees ("Sponsor Control Period").

A Unit Owner is required to pay monthly Common Charges assessed by the Board of Managers for the operation and maintenance of the Condominium pursuant to Sections 339(i) and (m) of the New York Condominium Act. Monthly Common Charges may commence with the Closing of the first Residential Unit which is expected to be June 1, 2026, subject to factors beyond Sponsor's control such as weather conditions, strikes, material shortages, acts of God, and sales conditions. During the Sponsor Control Period, Sponsor shall have the right, in its sole and absolute discretion, to cause the Condominium Board to waive the collection of some or all of the Common Charges, as set forth in the Condominium's budget from Unit Owners. During said period, Sponsor in its sole and absolute discretion; provided, however, that Sponsor shall have the right to either (a) be solely responsible for the payment of all actual expenses to operate the Condominium (the "Waiver Period"), or (b) cause the Condominium Board to assess Unit Owners their proportionate share of all actual operating expenses of the Condominium based on their respective Common Interests or as otherwise set forth in the budget, including, but not limited to, insurance premiums and any reserve fund payments included in the budget (the "Reduced Service Period"). In connection with the Waiver Period or Reduced Service Period, (i) Sponsor will disclose the implementation of such Waiver Period or Reduced Service Period in the amendment to the Plan that discloses the occurrence of the First Closing; (ii) Sponsor or the Managing Agent will notify Purchasers and Residential Unit Owners of the expiration of the Waiver Period or Reduced Service Period at least 30 days prior to the expiration thereof, and (iii) Sponsor will disclose the expiration of the Waiver Period or Reduced Service Period in the next substantive amendment to the Plan. During any Waiver Period, Sponsor and/or Residential Unit Owners will timely pay all actual expenses of the Condominium, including but not limited to insurance premiums and any reserve fund payments included in the budget. At such time as the Condominium Board commences the collection of Common Charges in accordance with the total proposed budget contained in Schedule B (the "Total Budget"), there will not be an assessment for any expense line item set forth in the budget, or maintenance fee that would have been due prior to the expiration of the Waiver Period or Reduced Service Period. Sponsor is not obligated to collect Common Charges based on a Waiver Period or Reduced Service Period and can commence collection of the Common Charges based upon the total Common Expenses reflected in the Total Budget provided in Schedule B of the Offering Plan.

Until title to a Residential Unit has passed to a Purchaser, the Sponsor will pay such Common Charges and Special Assessments as are assessed by the Board of Managers on the Residential Units to which title has not passed. Once title has passed to a Purchaser, the Purchaser will be responsible for all costs, including all Common Charges, in the event the collection of Common Charges has commenced, and individual expenses associated with the Residential Unit, as well as any costs associated with the Individual Residential Unit's Limited Common Elements that pertain to the Purchasers' Residential Unit.

A Unit Owner, upon acquiring title to their Unit, will be obligated to comply with the Declaration of Condominium, Condominium By-Laws and its Rules and Regulations and any other requirements of the Board of Managers of the Condominium.

There is no restriction upon ownership of a Unit. Occupancy of a Residential Unit, however, may only be for residential purposes as described in Section XXII of the Offering Plan. Parking Space Units may only be used for parking of vehicles. Units can be sold by a Unit Owner, provided that the Unit Owner is not in arrears on the payment of Common Charges (except where the payment of such unpaid Common Charges is paid by the Grantee or provided for out of the proceeds of the sale) and subject to restrictions contained in the mortgage, if any, covering their Unit. A Purchaser is free to make a gift of their Residential Unit to anyone during their lifetime or to devise their Residential Unit by will, or to have it pass by intestacy without any restriction. No Residential Unit can be sold without a simultaneous sale of the undivided interest in the Individual Residential Unit's Limited Common Elements that pertain to the Residential Unit. Residential Unit Owners may also lease their Residential Units subject to the conditions contained in Section XXII of the Offering Plan. Parking Space Units are subject to the provisions contained in Section XI of the Offering Plan and Article XIX of the Declaration.

Storage Spaces that are being offered to Purchasers pursuant to a License Agreement are subject to the provisions contained in Section XII of the Offering Plan and Article XX of the Declaration and the License Agreement.

The Units can be purchased for all cash or may be purchased partly for cash and partly by mortgage. The Purchase Contract is not conditioned upon a Purchaser securing satisfactory mortgage financing. Obtaining a mortgage shall be the sole responsibility of each Purchaser. In no event will the Sponsor be obligated to return a Purchaser's Deposit in the event a Purchaser is unable to obtain a mortgage. In addition, the Purchase Contract will remain in full force and effect and Purchaser will be obligated to pay the balance of the purchase price at Closing regardless of the availability of financing. In the event a Purchaser does not Close Title to the Residential Unit and Parking Space Unit, if applicable, as a result of Purchaser's inability to obtain a mortgage Purchaser will be deemed in default of the Purchase Contract and after Sponsor complies with the required notices may, at its option, retain as liquidated damages all or any part of the monies paid on account of the Purchase Contract plus Extras paid by Purchaser which Extras have been installed by Sponsor, paid for but not installed by Sponsor or which have been ordered but not installed by Sponsor and for which Sponsor is obligated to pay, unless the Offering Plan has been abandoned. In the event the Offering Plan is abandoned a Purchaser will be entitled to a return of all funds paid for Extras.

A Residential Unit Owner may mortgage their Residential Unit at any time after they acquire title to the Residential Unit in whatever amount and under whatever terms they can obtain. Any Residential Unit Owner may also, upon the resale of their Residential Unit, grant a purchase money mortgage to a Purchaser of their Residential Unit. A Residential Unit Owner may mortgage their Residential Unit only if all arrears for Common

Charges and/or Special Assessments, if any, are provided for at the closing of the mortgage.

Primary responsibility for operating the Condominium rests with the Board of Managers who are elected by the Residential Unit Owners. See the By-Laws contained in Part II of the Offering Plan. For information concerning Sponsor's Control Period of the Board of Managers, see Section XX of the Offering Plan.

Each Residential Unit Owner, upon obtaining title, will automatically have one (1) vote at all meetings of Residential Unit Owners for each of the Residential Units owned by such Residential Unit Owner. Parking Space Unit Owners shall not be entitled to any votes for any Parking Space Unit they own. Further, a Licensee of a Storage Space shall not have any votes in the Condominium for the Storage Space that is subject to a License Agreement.

Each Unit will be taxed separately for real estate tax purposes and may be separately mortgaged. Therefore, no Unit Owner is liable for the payment of real estate taxes or mortgage payments on any other Unit. In the opinion of counsel, a Residential Unit Owner is presently entitled to deductions for federal income tax purposes for payments for state and local income taxes and real estate taxes applicable to their Residential Unit to a maximum of \$10,000 as currently permitted by law under the Federal Tax Cuts and Jobs Act of 2017 (the "Tax Act"). In addition, provided the Residential Unit will be the Purchaser's principal residence, a Residential Unit Owner may also deduct the interest on a mortgage, up to a maximum mortgage of \$750,000, they procure to finance the purchase of their Residential Unit for income tax purposes pursuant to the Tax Act. See Section XVIII of the Offering Plan.

The projected real estate taxes applicable to the Units during the first year of operation contained in Schedule A are based on an assessment of the Building after construction is complete. Notwithstanding, in view of the fact the Department of Finance of the City of New York ("DOF") has not issued a final post construction assessment, real estate taxes may increase materially after DOF issues its final post construction assessment. See footnote number 5 to Schedule A for more information regarding the projected assessed valuation after completion of construction and Section XXIII of the Offering Plan and the Tax Consultants Opinion Letter contained in Section XXV of the Offering Plan.

Fire and liability insurance covering the General Common Elements and Individual Residential Unit's Limited Common Elements are included with other items as part of Common Charges. Notwithstanding, insurance for the Purchaser's personal effects, the interior of the Residential Unit and personal effects in the Individual Residential Unit's Limited Common Elements should be carried by the individual Purchaser. Common Charges are levied in proportion to the Percentage of Common Interest in the "Common Elements" appurtenant to each Residential Unit. However, Purchasers should see Special Risk No. 37 which provides that as permitted in Section 339-m of the Real Property law of the State of New York, the Board of Managers may also make allocations

and assessments of Common Charges to the General Common Elements and in accordance with sub-metering, contract allocations and usage (both projected and actual) so long as such allocations are reasonable under the circumstances and are based on special or exclusive use or availability or exclusive control of particular Residential Units or common areas by particular Residential Unit Owners. For possible increases in Common Charges upon default in payment by a Residential Unit Owner see Section XXII of the Offering Plan. Each Residential Unit Owner is responsible for the cost of their own interior repairs and decoration in their Residential Unit after Closing.

The price of the Residential Units will include only the appliances and fixtures detailed in the Description of Property Report contained in Part II of the Plan. Installation and the cost of any extras, upgraded appliances, upgraded fixtures or appliances or fixtures not provided is the sole responsibility of each Residential Unit Owner.

The prices for the Units (Residential and Parking Space Units) are set forth in Schedule A. The Storage Space License Expense for a Storage Space are set forth in Schedule A-1. THESE PRICES HAVE BEEN SET BY THE SPONSOR ALONE AND ARE NOT SUBJECT TO APPROVAL BY THE DEPARTMENT OF LAW OR ANY OTHER GOVERNMENTAL AGENCY.

This Offering Plan contains all of the material terms of this transaction. Parts I and II along with Parts A, B, C and D of the Schedules submitted along with the Offering Plan together constitute the entire Offering Plan. Copies of the Plan and Parts A, B, C and D of the Schedules will be available for inspection by Prospective Purchasers and their attorneys without charge and for copying at a reasonable charge at the Condominium site whenever the on-site sales office is open, at the office of the Sponsor or any Selling Agent engaged by Sponsor and at the New York State Department of Law, 28 Liberty Street, 21st Floor, New York, New York 10005.

There are no restrictions on who may purchase a Residential Unit and Parking Space Unit, if applicable, in the Condominium except that this offer is made only to persons over eighteen (18) years of age. Each Residential Unit Owner can sell their Residential Unit to whomever they desire. See Section XI of the Offering Plan as to the provisions applicable to the sale or lease of a Parking Space Unit.

III. DESCRIPTION OF PROPERTY AND IMPROVEMENTS

Location, Acreage and Zoning

The Condominium is located at 25-23 Newtown Avenue, Astoria, New York 11102. The Condominium is zoned R6A which permits construction of the Building. The overall zoning lot size of the Condominium is approximately 9004 square feet. Construction of the Building has commenced, substantial completion of the Building and all Recreational Facilities and the Closing of Title to the first Residential Unit is expected to take place by June 1, 2026, barring any unforeseen delays beyond the control of the Sponsor such as weather conditions, strikes, material shortages, acts of God, Force Majeure and sales conditions.

Topographical Features

The site consists of a new building over gently sloped land. There is no evidence of any land subsidence, expansive soils, uneven foundation movement, heaving or settlement. There are no applicable environmental restrictions on this property.

Improvements - General Description

The Building is in the process of being constructed and it is anticipated that the Closing of Title to the first Residential Unit will occur by June 1, 2026, subject to factors beyond Sponsor's control such as weather conditions, strikes, material shortages, acts of God, Force Majeure and sales conditions. The Condominium as proposed will contain seven (7) floors and a cellar. The Building will contain twenty-seven (27) Residential Units and fourteen (14) Parking Space Units consisting of eight (8) covered Parking Space Units and six (6) outdoor Parking Space Units. Parking Space Unit No. 4 will be designated as a Handicapped Parking Space Unit. See Section XI of the Offering Plan. The Building will also include twenty-seven (27) Storage Spaces that will be subject to a License Agreement pursuant to the provisions detailed in Section XII of the Offering Plan.

The Building Plans have been filed with the Building Department of the City of New York and are available for inspection at the Sponsor's Office.

The Units, the Building containing them, and all other improvements will comply with all applicable rules, regulations, laws, and other requirements of all governmental authorities having jurisdiction thereof, including those governing zoning and construction, and the Sponsor and all other persons engaged by the Sponsor in connection with this Plan have complied and will comply with all applicable laws, rules and regulations and other governmental requirements pertaining thereto. Construction of the Condominium will comply with the Building Code of the City of New York. Before the Closing of Title to a Residential Unit, a temporary or permanent Certificate of Occupancy will be issued for such Residential Unit or the Building in which it is located. At the time of the first Closing of Title to a Residential Unit, the construction of all Residential Units in that Building will

have been partially or substantially completed. Purchasers should note that neither the Sponsor nor the manufacturer provides any warranty for the windows.

Purchasers are advised that in New York, newly constructed and newly renovated buildings are sometimes offered as condominium projects without a final certificate of occupancy ("FCO") covering the entire building but with only a temporary certificate of occupancy ("TCO"), and sometimes with several successive temporary certificates of occupancy. Certificates of occupancy are generally governed by section 301 of the New York Multiple Dwelling Law and local building codes and rules. Both TCOs and FCOs are issued by the New York City Department of Buildings ("DOB"). A TCO is intended to indicate that the property is safe for occupancy but means that not all of the construction work and/or inspections have been performed, or that not all of the required documents have been submitted to the Building Department. All TCOs have an expiration date. A TCO typically expires 90 days after the date of issuance. When a TCO expires and is not renewed, it may be difficult or impossible to buy insurance, refinance, or sell Residential Units. In New York, it is common for sponsors to commence Residential Unit closings when some or all Residential Units are covered by a TCO rather than a FCO. Sponsor anticipates this scenario may occur. Sponsor and its principals will undertake the responsibility for extending each TCO received prior to expiration thereof and ultimately for obtaining a FCO covering the entire building within two years from the date of issuance of the first TCO. However, Sponsor and its principals make no representation or guarantee that the Building Department will issue the FCO within such two (2) year period. Notwithstanding the foregoing, Sponsor and its principals are obligated to procure the FCO for the entire building and shall exercise best efforts to obtain the FCO within such two-year period while keeping the TCO current. Residential Unit Owners and the Board of Managers shall be obligated to cooperate with and refrain from obstructing Sponsor in these undertakings.

Construction Data for Residential Units, Common Elements and Individual Residential Unit's Limited Common Elements

The Building, the Residential Units, Parking Space Units and Common Elements will be constructed in the manner set forth in the Building Plans filed with the City of New York, which Plans will not be changed so as to adversely affect the Residential Unit Owners. For a detailed description of such data see the Description of Property Report in Part II of the Plan. Construction of the Building has commenced and Closing of Title to the first Residential Unit is expected to take place by June 1, 2026, barring any unforeseen delays beyond the control of the Sponsor such as weather conditions, strikes, material shortages, acts of God, Force Majeure and sales conditions.

A decrease in a Residential Unit's area of five (5%) percent or less will not affect a Purchaser's obligation to purchase a Residential Unit unless such decrease is determined to be material change. There is a rebuttable presumption that an area that is diminished by five (5%) percent or less is not material.

Allocation of Common Interest

The Common Interest of the Condominium establishes the Unit Owners' percentage of ownership in the Common Elements and percentage of liability for the payment of Common Charges subject to the provisions of Section 339-m. See Special Risk No. 37. Each Residential Unit Owner has the Percentage of Common Interest in the Condominium set forth on Schedule A. The Percentage of Common Interest applicable to a Parking Space Unit purchased by a Residential Unit in conjunction with the purchase of the Residential Unit will be added to the Percentage of Common Interest of the Residential Unit and the Residential Unit Owner whom acquire the Parking Space Unit will be responsible for all costs and expenses associated with both the Residential Unit and Parking Space Unit based on the total combined Percentage of Common Interest of the Residential Unit and the Parking Space unit. The Percentage of Common Interest of each of the Residential Units has been determined pursuant to Section 339-i(1)(iv) of the Condominium Act, based on floor space, subject to the location of such space and the additional factors of relative value to other space in the Condominium, the uniqueness of the Residential Unit, the availability of Common Elements for exclusive or shared use, and the overall dimensions of the particular Residential Unit. See Special Risk No. 33 as to Sponsor's right to adjust the Percentage of Common Interest a de minimis amount so that the Percentage of Common Interest equals 100%.

Recreational Facilities

The Condominium will include a Rooftop Terrace for use by the Residential Unit Owners for sitting and social gathering and a Fitness Center located on the 2nd floor. The Condominium will also include fourteen (14) bicycle spaces in the bicycle area located on the first (1st) floor at the front and rear of the covered Parking Spaces, which are for use of the residents of the Condominium on a first come first served basis.

Grantee shall also carry all-risk property insurance, insuring the full replacement cost all Grantee's Improvements, the Benefitted Property, and other improvements

existing or installed by Grantee on the Exclusive Use Easement Area. (b) Grantee shall furnish to Grantor certificates of insurance evidencing compliance with all insurance provisions simultaneously with the execution of the Agreement and ten (10) days prior to the expiration or anniversary of the respective policy terms. Upon failure of Grantee to procure and maintain any insurance to be maintained by Grantee, the Grantor may, at its option, do so, upon ten (10) days prior written notice, and Grantee agrees to pay the cost thereof to the Grantor.

Indemnification. (a) To the fullest extent of the law, Grantee agrees to indemnify, defend, and hold harmless Grantor and Grantor's agents, employees, contractors and invitees ("Grantor Parties") from and against all liabilities, obligations, claims, damages, fines, penalties, interest, causes of action, costs and expenses, including reasonable attorneys' fees imposed upon or incurred by or asserted against Grantor by reason of (i) any accident, injury to or death of persons (including workmen) or loss of or damage to property occurring or claimed to have occurred, on or about the Exclusive Easement Area or any part thereof, or any Grantee's Improvements erected thereon; (ii) any use or condition of the Exclusive Easement Area or any part thereof; (iii) any failure on the part of Grantee promptly and fully to comply with or perform any of the terms, covenants or conditions of the Agreement; or (iv) the performance of any labor or services or the furnishing of any materials or other property in respect of the Exclusive Easement Area or any part thereof. In the case and any suit, action or proceeding is brought against any Grantor Parties by reason of any such occurrence, Grantee, upon Grantor's request and at Grantee's expense, shall resist and defend such suit, action or proceeding, or cause the same to be resisted and defended by counsel designated by Grantee and approved by Grantor. (b) To the fullest extent of the law, Grantor agrees to indemnify, defend, and hold harmless Grantee and Grantee's agents, employees, contractors and invitees ("Grantee Parties") from and against all liabilities, obligations, claims, damages, fines, penalties, interest, causes of action, costs and expenses, including reasonable attorneys' fees imposed upon or incurred by or asserted against Grantee by reason of (i) any accident, injury to or death of persons (including workmen) or loss of or damage to property occurring or claimed to have occurred as a result of the carelessness, negligence, or improper conduct of Grantor or Grantor's agents, contractors, employees or licensees; or (ii) any failure on the part of Grantor promptly and fully to comply with or perform any of the terms, covenants or conditions of this Agreement.

FOOTNOTES TO SCHEDULE A

1. No change in the sales prices will be made other than pursuant to a duly filed amendment, except that the Sponsor reserves the right to decrease the sales prices below the Offering Plan prices without filing an amendment to the Plan at any time during the Offering where a reduction in sales price does not constitute a general offering but is rather the result of an individually negotiated Residential Unit purchase. See Section X of the Offering Plan as to other terms of the offering which are negotiable. See Section XVIII of the Offering Plan for estimated Closing Costs and Adjustments, which costs are in addition to the sale prices set forth herein.
2. Purchasers should refer to the floor plans in Schedule G-2 of Part II of the Plan for details of each type of Residential Unit. The room count has been made in accordance with the standards set forth by the New York City Department of Buildings as reflected in the Description of Property Report set forth in Part II of this Plan. The approximate (within reasonable tolerances) physical dimensions of each Residential Unit consists of the area measured as follows: (a) vertically from the top of the concrete slab to the underside of the gypsum board ceiling and (b) horizontally to the center line of demising walls between units; to the center line of non-structural common walls; to the inside face of common structural walls or elements; and to the outside face of exterior walls. As such the areas are not based upon measurements from interior surfaces of interior walls, and the actual living area comprising the Residential Unit may be significantly less than the area listed in Schedule A. The areas displayed in Schedule A consist of habitable and uninhabitable space. Any uninhabitable space appurtenant to a Residential Unit may not be legally used as a bedroom or living room and to do so may result in the issuance of a building code violation by the New York City Department of Buildings. The balconies and terraces are Limited Common Elements of the respective Residential Unit. Purchasers should refer to the Description of Property Report and the floor plans of the various model types in Schedule G and G-3 respectively, as to the description and location of the balconies and terraces. A decrease in a Residential Unit's area of five (5%) percent or less will not affect a Purchaser's obligation to purchase a Residential Unit unless such decrease is determined to be a material change. There is a rebuttable presumption that an area that is diminished by five (5%) percent or less is not material.
3. The Percentage of Common Interest of each Residential Unit has been based upon floor space, subject to the location of such space and the additional factors of relative value to other space in the Condominium, the uniqueness of the Residential Unit, the availability of Common Elements for exclusive or shared use, and overall dimensions of the particular Residential Unit. Said method of determining the Percentage of Common Interest in a condominium complies with and is pursuant to Section 339-i(1) (iv) of the Real Property Law of the State of New York. The Percentage of Common Interest applicable to a Parking Space Unit purchased by a Residential Unit in conjunction with the purchase of the Residential Unit will be added to the Percentage of Common Interest of the Residential Unit.

This Percentage of Common Interest determines the amount each of said Residential Unit Owners will pay for their Common Charges, subject to the provisions of Section 339-m of the Real Property Law of the State of New York as described in Special Risk No. 37. Based upon final specifications, construction conditions and/or “as-built” Plans for the Building reflecting relative measurements, areas and uses of portions of the Building, application of such method of allocation of the Percentage of Common Interest may justify a minor increase or decrease in the aggregate of the Percentage of Common Interest appurtenant to Residential Units. In such event, the Percentage of Common Interest appurtenant to each individual Residential Unit would be adjusted pro rata. Sponsor expressly reserves the right, from time to time, prior to the first Closing, to affect a de minimis change in the Percentage of Common Interests and to amend the Plan so as to reflect the same. Notwithstanding, unless an affected Purchaser consents, no material change will be made in the Percentage of Common Interest if a Purchase Contract has been executed and delivered to the Sponsor for that Residential Unit and the Purchaser is not in default.

4. Common Charges have been estimated by the Sponsor and include fire and liability insurance for the Residential Units and Common Elements and maintenance and operation of the General Common Elements and Individual Residential Unit's Limited Common Elements that are the obligation of the Condominium to repair, maintain and replace, as necessary. Common Charges exclude repair and decoration to the inside of a Residential Unit, utilities for each Residential Unit and insurance for personal belongings. See Schedule C for estimated heating and electrical costs for the Residential Units.
5. Real Estate Tax estimates were provided to the Sponsor by MGN Consulting Corp., 109 East 9th Street, Ground Floor, New York, New York 10003 (“Tax Consultant”) based upon information provided to them by the Sponsor. A copy of their Opinion Letter is contained in Section XXV of the Offering Plan.

It is the opinion of the Tax Consultant that the Residential Units will be classified as Tax Class 2 upon completion of construction. Once the apportionment of value between condominium units occurs, the individual Residential Units will be classified as Tax Class 2. The current 2023/24 class 2 tax rate is 12.502% of assessed valuation. The individual parking units will be classified as Tax Class 4. The current 2023/24 class 4 tax rate is 10.592% of assessed valuation. The 2025/26 Projected Assessed Value of Residential Units is \$2,371,747 and the projected tax liability is \$296,516. The projected Assessed Value of Parking Units is \$118,125 and the projected tax liability is \$12,512. In determining the assessed values for the individual units, the Department of Finance may use the common interest percentages set forth in the condominium declaration if such percentages are rationally and fairly determined.

The assessed value of the Residential Units is determined by the City of New York. Taxes may increase in subsequent years if the tax rates increase, or the estimated assessed valuation determined by the New York City Department of Finance (“DOF”) varies from the estimate. The projected real estate taxes for the first year

of operation contained in Schedule A are based on an estimated assessment of the Building post construction but prior to the DOF issuing its final assessment. Purchasers are advised that real estate taxes may increase materially after DOF issues its final post-construction assessment.

No representation or warranty is made that the actual assessed valuation will be as projected Schedule A, or that the projected tax rate will not change. In no event will Tax Consultant, Sponsor, Sponsor's Counsel, or any offerors hereunder be liable to any Purchaser under this Plan, nor will any Purchaser have the right to rescind the Purchaser's Purchase Contract, in the event the actual taxes differ from those projected.

Each Unit will be given a separate block and lot designation.

Although the aforesaid estimate of Actual Assessed Valuation is a good faith estimate, it is not possible to estimate the same with any degree of certainty. Assessed valuations, when actually made, may be lesser or greater based on interpretation of the administrative code and the applicable rules and regulations of the City of New York. The estimates are not intended and should not be construed as warranties as to future assessed valuations of the Property.

After the Condominium is divided into individual tax lots, each Unit will be taxed as a separate tax lot for real estate tax purposes and the Unit Owner will not be responsible for the payment of, nor will the Unit be subject to, any lien arising from the non-payment of taxes on other Units. In the opinion of counsel, a Residential Unit Owner is presently entitled to deductions for federal income tax purposes for payments for state and local income taxes and real estate taxes applicable to their Residential Unit to a maximum of \$10,000 as is currently permitted by law under the Federal Tax Cuts and Jobs Act of 2017 (the "Tax Act"). In addition, provided the Residential Unit will be the Purchaser's principal residence, a Residential Unit Owner may also deduct the interest on a mortgage, up to a maximum mortgage of \$750,000, they procure to finance the purchase of their Residential Unit for income tax purposes pursuant to the Tax Act. See Section XXIV of the Offering Plan. Any projected tax deduction (where applicable) may vary in future years due to changes in the interest rate on the Residential Unit Owner's mortgage (if any) or from changes in the allocation of constant debt service payments to interest and principal, or due to changes in real property taxes resulting from the expiration of real estate tax benefits, or from changes in the assessed value, the tax rate or the method of assessing real property.

See Section XXIII for a full discussion of the real estate taxes applicable to the Residential Units.

6. The Sponsor is not offering and has not procured mortgage financing. As a result, the projected monthly carrying charges for financing have not been included in Schedule A. In the event a Purchaser obtains a mortgage, a Purchaser's monthly carrying charges will increase. Any Purchaser who applies for a mortgage from a lending institution should check with that institution as to the monthly mortgage

costs as well as any Closing Costs that the Purchaser will be obligated to pay the lending institution.

7. Sponsor anticipates that the first Closing of Title to a Residential Unit will occur by June 1, 2026, subject to factors beyond Sponsor's control such as weather conditions, strikes, material shortages, acts of God, Force Majeure and sales conditions. All Purchasers will be offered a right of rescission if: (i) the actual date of Closing of Title to the first Residential Unit; or (ii) the projected date of Closing of Title to the first Residential Unit occurs later than May 31, 2027, twelve (12) months after the projected date for the first Closing contained in this Offering Plan. If the Plan is amended to provide for a later projected date of the first Closing, Purchasers who have entered into a Purchase Contract subsequent to the date of the Amendment will be entitled to an offer of rescission if the first Closing occurs more than twelve (12) months beyond that amended, later date. Notwithstanding, any Purchaser who entered into a Purchase Contract prior to the amendment revising the date will be entitled to a right of rescission if the closing of the first Residential Unit does not occur before May 31, 2027. If the first Residential Unit Closing occurs before May 31, 2026, the Sponsor may schedule the Closing of Title to other Residential Units significantly later than such date. Unless a Purchaser's Purchase Contract contains an outside Closing Date, the Sponsor is not obligated to schedule a Closing within any specified time frame or to ensure that Closing of Title to the Residential Unit will occur by any date certain. PROSPECTIVE PURCHASERS SHOULD THEREFORE CAREFULLY CONSIDER SUCH RISKS IN THEIR DETERMINATION AS TO WHETHER TO PURCHASE A RESIDENTIAL UNIT. See Section XIV.

In the event Sponsor is unable to convey title to a Purchaser's Residential Unit twelve (12) months after the proposed date of delivery set forth in the Purchase Contract a Purchaser shall have the option to cancel the Purchase Contract and have the Deposit advanced by Purchaser returned to Purchaser. Purchaser shall be obligated to notify the Sponsor in writing of its intent to exercise said option within a reasonable period of time but not less than thirty (30) days after the twelve (12) month period of the proposed date of delivery set forth in the Purchase Contract. Purchaser's failure to notify Sponsor of Purchaser's intent to cancel Purchaser's Purchase Contract due to Sponsor being unable to convey title to the Purchaser's Residential Unit within the twelve (12) month period shall be deemed a waiver of said provision, and Purchaser shall continue to be bound by the terms of the Purchase Contract. The above date contained in the Purchase Contract is subject to Force Majeure, as described below, Force Majeure is not applicable to the provisions and requirements contained in the Offering Plan pertaining to the estimated date of the first closing or projected date of the first year of operation of the Condominium and is only applicable to the obligations and undertakings provided in the Purchase Contract.

Sponsor may not declare a plan effective where there are any material changes to the budget if these changes have not been disclosed by a duly filed amendment to the Offering Plan.

See explanatory footnotes. If amended budget exceeds this budget by twenty-five (25%) percent or more, the Sponsor will offer all Purchasers the right to rescind their Purchase Contract and have their Deposits returned, with interest, if any within a reasonable period of time that is not less than fifteen (15) days. Sponsor may not declare a plan effective where there are any material changes to the budget if these changes have not been disclosed by a duly filed amendment to the Offering Plan.

FOOTNOTES TO PROJECTED BUDGET

1. **COMMON CHARGES**

The estimate of the annual Common Charges to be collected during the first year of Condominium operation is based upon a projection of the total amount of Common Charges that will be levied against the Units and is based upon full occupancy of the Condominium.

2. **SALARIES AND WAGES**

The Condominium will engage the services of a part-time superintendent to service the Condominium. Based upon information provided by Direct Management Corp., 42-14 Astoria Blvd., Astoria, New York 11103 dated January 31, 2025, the estimated cost for one (1) part-time superintendent is as follows:

Annual Salary (\$20/hr @ 20hrs/week)	\$20,800
FICA	1,600
Workers Compensation	1,100
N.Y State Disability	125
Unemployment Insurance	<u>775</u>
TOTAL:	\$24,400

The superintendent will not be a union member. The level of staffing complies with all applicable labor and housing laws. The wages of the superintendent will comply with minimum wage laws.

Purchasers should note that in the event there are nine (9) or more Residential Units being rented in the Condominium, the Condominium may be required to provide a full-time superintendent who resides in the building. In such an event, the cost of the superintendent will increase approximately fifty (50%) percent from the amount currently budgeted.

3. **CLEANING**

Based upon information provided by Direct Management Corp., 42-14 Astoria Blvd., Astoria, New York 11103 dated January 31, 2025, for cleaning services to be performed in the Building three (3) times per week. Such services include but are not limited to sweeping and mopping the Common Areas and moving the recyclables from each floor to the cellar level of the Building.

4. **COMMON ELECTRIC**

Based on an estimate from R & W Engineers, 380 Townline Road, Suite 150, Hauppauge, New York dated January 28, 2025. Purchasers should refer to R & W Engineer's letter contained in Schedule C as to the calculations for common electricity.

The estimate assumes a cost of \$0.28 cents per KWH plus a cost factor of 6.5% which includes a utility tax rate of 2.5% and an inflationary factor of 4%. All Residential Units have their own individual electric meter, as well as there being a separate electric meter for the common area. The budget is for the cost of the electricity in the common area only and does not include the cost for each Residential Unit, which shall be separately metered and billed directly to each Residential Unit Owner. Purchasers should refer to Schedule C as to estimated individual Residential Unit electricity costs.

It is not possible to predict whether the budgeted figure will reflect the actual cost to be incurred during the first year of Condominium operation due to the level of consumption being an estimate. Many factors affect the cost of electricity, including a cost of oil used to generate electricity, which cost has been highly volatile and unpredictable.

5. **GAS**

Based upon an estimate provided by R & W Engineers, 380 Townline Road, Suite 150, Hauppauge, New York dated January 28, 2025. Purchasers should refer to R & W Engineer's letter contained in Schedule C as to the calculations for gas for hot water, which will be a common expense of the Condominium.

The estimate assumes a cost of \$1.65 per therm plus a cost factor of 6.5%. Gas is provided by Con Edison. The budget is for the cost of the gas for hot water only and there is one (1) meter located in the cellar of the Building. Purchasers should refer to Schedule C for individual utility costs to the individual Residential Units.

It is not possible to predict whether the budgeted figure will reflect the actual cost to be incurred during the first year of the Condominium operation due to the level of consumption being an estimate.

6. **WATER & SEWER**

Based on an estimate from R & W Engineers, 380 Townline Road, Suite 150, Hauppauge, New York dated January 28, 2025, based upon the following:

The City of New York will provide water and sewer services to the building. Water and sewer charges will be commonly metered.

Water Consumption: New York City charge = \$4.30/100 cubic feet or \$4.30/748 gallons.

Water use = 125 gpd/one-bedroom units and 200 gpd/two-bedroom units.

Residential water use = 125 gpd/unit x 21 units) + (200 gpd x 6 units) + (7,250 sf x 0.04 gpd/sf) x 365 dys/yr x \$4.30/748 gal x 1.065 = \$9,195.58/year.

Sewage Charge: New York City charge = \$6.82/100 cubic feet or \$6.82/748 gallons.

Sewage charge 125 gpd/one-bedroom, 200 gpd/ two-bedroom unit, common area = 0.04 gpd/sf

Residential Sewage Charge = (125 gpd/unit x 21 units) + (200 gpd/unit x 6 units) + (7,250 sf x 0.04 gpd/sf) x 365 days/yr x \$6.34/748 gal x 1.065 = \$13,558.14/year.

The projected rates are not guaranteed, and it must be expected that these rates may increase with the passage of time and could be affected by many factors, which are beyond the control of the Sponsor. Actual consumption will be metered and will vary based on the personal needs of the occupants and weather conditions.

7. **BUILDING REPAIRS, MAINTENANCE**

Based upon information provided by Direct Management Corp., 42-14 Astoria Blvd., Astoria, New York 11103 dated January 31, 2025, it is estimated that this sum will be sufficient for expenses in connection with general repairs and maintenance needed to maintain the public areas for the first year of Condominium operation, with the only foreseen expenses at this time being for touch-up and or repaint of the common area walls and/or ceiling, if needed, and for an annual common area floor wax and polish. The Board shall be responsible for all other routine maintenance such as general cleaning, minor repairs to the common area, replacement of common area light bulbs etc.

The itemized costs for the budgeted figure is as follows:

Elevator Maintenance	\$7,000
Sprinkler Maintenance	\$4,000
Exterminator	\$2,000
Snow Removal	\$2,000
Supplies	\$3,500
Cable/Telephone	\$3,500

The budgeted figure does not include improvements and repairs to, maintenance of, or supplies for individual Residential Units. Each individual Residential Unit Owner is responsible for improvements and repairs to, maintenance of, and supplies for their Residential Unit and any Individual Residential Unit's Limited Common Elements that are not the obligation of the Condominium, restricted to their use and subject to the requirements contained in the Declaration and By-Laws. This line item of the budget does not include the costs of repairs, hardware supplies, painting, or extermination for the interior of Residential Units, which are the sole responsibility of the Residential Unit Owner.

8. INSURANCE

The coverage amount limited stated above for casualty insurance is based on full replacement value and should be sufficient to avoid the effects of co-insurance. The Condominium Board of Managers should review said amount annually. The above quotation does not include excess liability, workers compensation and auto liability which may be obtained at additional expense to the Condominium.

The insurance policies will provide that (i) each Residential Unit Owner is an additional insured; (ii) there will be no cancellation without notice to the Condominium Board and/or their legal representatives; (iii) the right to subrogation against Residential Unit Owners is waived; (iv) the defense of invalidity because of acts of defense of pro-rata reduction in liability if Residential Unit Owners obtain additional coverage is waived; and (v) policy will follow perimeters set forth by Declaration and By-Laws of Condominium. The insurance will meet the requirements of any mortgage lender procured by Sponsor.

The above coverage will be in place prior to or simultaneously with the closing of the first Residential Unit in the Condominium.

No coverage is provided for fire and casualty losses to the contents of each Residential Unit, Parking Space Unit and/or Storage Space, nor does the coverage take into account any future replacements or additions to the Residential Units, Parking Space Units or the fixtures and improvements contained therein. In addition, no liability coverage for an individual Residential Unit Owner or Parking Space Unit Owner is included in the coverage provided above for occurrences not within the Common Elements. Prospective Purchasers should consult their attorney or insurance agent to determine the advisability of obtaining insurance of their own risk of liability and fire and casualty losses.

Inflationary increases in property values and other changes in the exposures of property make it necessary to periodically review and update the coverage detailed above.

Purchasers will be required to pay their pro-rata portion of the Condominium insurance at Closing. As a result, Sponsor will not make adjustments with the Board of Managers or utilize any funds from the Working Capital Fund for pre-paid insurance. See Section XVIII of the Offering Plan.

IN RECENT YEARS, PREMIUMS FOR INSURANCE (ESPECIALLY FIRE AND LIABILITY INSURANCE) HAVE INCREASED SUBSTANTIALLY. IT IS NOT POSSIBLE TO PREDICT WHETHER FUTURE PREMIUMS WILL CONTINUE TO INCREASE OR WILL LEVEL OFF. NO REPRESENTATION IS MADE REGARDING THE ACTUAL COST OF INSURANCE AT THE TIME OF CLOSING. PURCHASERS ARE ADVISED TO PROCURE THEIR OWN FIRE AND LIABILITY COVERAGE FOR THE INTERIOR OF THE RESIDENTIAL UNIT AND THE PURCHASER'S PERSONAL AFFECTS.

9. MANAGEMENT FEES

On or before the closing date of the first Residential Unit, the Board of Managers will enter into an agreement with Direct Management Corporation, 42-14 Astoria Boulevard, Astoria, New York, to act as the managing agent of the property. The agreement will be assigned to the Condominium upon the commencement of operation of the Condominium. The budgeted item based upon a proposal dated January 31, 2025, by Direct Management Corporation reflects the anticipated fee

to be paid during the first year of Condominium operations. Management services will include billing and collection of common charges, bookkeeping services, record keeping, negotiation of basic contracts, and general administrative duties. The managing agent is not affiliated with the Sponsor or any of its Principals. The managing agent's fee as provided in the budget is commensurate with prevailing rates of a managing agent for a Condominium similar in size and services to this Condominium.

10. **AUDIT AND LEGAL FEES**

Accounting fees of \$6,000 are based on an estimate provided by Arvanitis CPA, PLLC, 25-31 Astoria Boulevard, Astoria, New York 11102 for the preparation of the annual certified audit and preparation of applicable tax returns. Sponsor has budgeted \$2,000 towards expense for legal fees for the first year of operation. Residential Unit Owners should expect that this line item will increase in future years. Litigation, if necessary, would be an additional expense.

11. **SECURITY VIDEO/DOORMAN/FIRE ALARM**

Based on an estimate provided by Ameritech Systems Corporation, 131-35 31st Avenue, 2nd Floor, Flushing, New York 11354 dated February 6, 2025, fire alarm monitoring system will cost \$261.67 plus tax per month. Security cameras will also be installed by Ameritech and will be maintained on a monitor in the basement. Intercom and secure door release will be installed by an electrical contractor. The unit is an AI Phone GT system and will operate the front door and package room and will be controlled through an app on each individual owner's phone.

12. **MISCELLANEOUS**

This amount is intended to provide for unforeseen increases in operating costs, or other appropriate Condominium purposes as determined by the Board of Managers of the Condominium and is based upon an estimate by Direct Management Corporation dated January 31, 2025.

13. **RESERVE FUND**

The Sponsor has estimated reserves for major capital improvements at approximately ten percent (10%) of the estimated operating budget. Said amount is sufficient to comply with Fannie Mae and FHA guidelines. It shall be the obligation of the Board of Managers to collect and utilize this Reserve fund strictly and solely for capital expenditures for the Common Elements of this Condominium regime. The Reserve Fund will be funded as part of the monthly Common Charges paid by each Residential Unit Owner to the managing agent to be transferred to the Reserve Fund account of the Condominium.

In view of the fact the Condominium will be newly constructed it is not anticipated that there should be any major capital repairs or replacements during the first five (5) years of operation of the Condominium.

IN THE OPINION OF DIRECT MANAGEMENT CORPORATION, 42-14 ASTORIA BOULEVARD, ASTORIA, NEW YORK 11103, (SET FORTH IN "CERTIFICATION OF SPONSOR'S EXPERT CONCERNING ADEQUACY OF BUDGET," IN PART II OF THIS PLAN), THE PROJECTED RECEIPTS APPEAR REASONABLE AND ADEQUATE BASED ON PRESENT PRICES (ADJUSTED TO REFLECT CONTINUED INFLATION AND PRESENT LEVELS OF CONSUMPTION FOR COMPARABLE RESIDENTIAL UNITS SIMILARLY SITUATED) TO MEET THE ESTIMATED EXPENSES FOR THEIR FIRST YEAR OF CONDOMINIUM OPERATION, ASSUMING SUCH FIRST YEAR TO BE THE YEAR COMMENCING JUNE OF 2026. THE FOREGOING BUDGET, HOWEVER, IS NOT INTENDED AND SHOULD NOT BE TAKEN AS A WARRANTY THAT THE ANNUAL COMMON CHARGES OR COMMON EXPENSES FOR THE FIRST OR ANY SUBSEQUENT YEAR OF OPERATION OF THE PROPERTY BY THE CONDOMINIUM BOARD WILL BE AS SET FORTH IN SAID BUDGET. IT IS LIKELY THAT THE ACTUAL COMMON EXPENSES FOR THE FIRST YEAR OF CONDOMINIUM OPERATION WILL VARY FROM THE AMOUNTS SHOWN IN THE BUDGET.

VIII. SCHEDULE C

The projected energy costs for the individual Residential Units have been provided by R & W Engineers, P.C., with offices located at 380 Townline Road, Hauppauge, New York 11788 as per the attached projections.

Actual costs may vary depending upon the hours of use, thermostat settings and proper maintenance. These cost figures are estimates and are not intended as guarantees.

In view of the fact that these averages may include the use of energy by persons of varying need with different standards of comfort or with families of different sizes, the amount of energy used by the Purchaser may vary substantially from the average estimates herein provided. In addition, the effect of inflation, fuel shortages and other factors may raise the cost of electricity and gas substantially higher than the current or projected rate.

Although the Sponsor is under obligation to provide accurate information to Prospective Purchasers, factors beyond its control may substantially affect the cost of electricity and gas after the purchase of a Residential Unit or in subsequent years. Sponsor represents, however, that it has followed the plans and specifications provided by the manufacturer of the appliances together with the recommendation of the manufacturer and other experts to enable these items of equipment to operate at optimum efficiency at the lowest cost. Further, it has not been induced to select the appliances etc., described herein on the basis of any financial inducement other than the cooperative advertising and price of the system made to it by the manufacturer or distributor of the system or by the supplier of energy to be used in connection therewith or by any of their agents or employees.

**Re: 25-23 Newtown Avenue, Astoria, NY
Water, Sewer, Natural Gas and Electric Utility Budgets**

Per our Agreement, we prepared the following annual individual unit and common utility consumption (electric, natural gas, sewer and water) estimates and anticipated present day costs. The cost factor of 6.5% added to each item is based on a utility tax rate of 2.5% (simplified average) and an inflation factor of 4.0% over the next year. The project Sponsor indicates that the New York City Water Board is the water purveyor, Consolidated Edison will provide electric and gas service. The building contains twenty seven (27) residential units on above ground floors two through seven over a common area first floor and cellar. There are fourteen (14) parking stalls on the first (grade level) floor and rear yard. Utility cost estimates for the residential units are categorized and calculated in two (2) categories. For the purposes of these estimates it is assumed that all residential units within a category equally consume utilities.

The cellar has utility meter rooms, tenant storage, water service room, tenant gym with powder room trash compactor room, elevator and stairway. The first floor contains an entry vestibule, parking, package room elevator, stairway and bicycle storage. In addition to four residential units, the second floor has a common area fitness room with a half bathroom, refuse room and hallway. Floors two through seven contain residential units, common hallways and stairways. An elevator serves the cellar through the roof. The roof contains passive recreation, elevator machine room and condenser racks. Several residential units have balconies and/or terraces.

The residential unit summary is as shown in the following table.

Unit Designation	Number of Bedroom	Number of Bathrooms	Interior Area (SF)	Terrace/Balcony Area (SF)	Category

Combined utility purveyor commodity and delivery costs with several averaging assumptions were applied to derive at the single unit cost for each utility. The calculations include many assumptions on appliances and common rooms use. It is not possible to predict how closely the estimated costs will reflect the actual costs for providing water, sewer, electricity and natural gas to the individual and common spaces during the first year of operation, in part because such costs will vary with the levels of consumption, the unit price for water, electric and natural gas, weather and any conservation measures adopted by the owners, residents and staff. It is believed that the projected figures should be sufficient to cover the cost of water, sewer, electricity and gas during the first year of operation. However, the unit prices for water, natural gas and electricity have been highly volatile and unpredictable. No budgeted item is warranted.

IX. COMPLIANCE WITH REAL PROPERTY LAW SECTION 339-i

December 29, 2025

State of New York
Department of Law
28 Liberty Street
New York, New York 10005

Re: **Roma Condominium**

Gentle people:

The Sponsor of the Condominium Offering Plan for the captioned property has retained this office to review the Percentage of Common Interest applied to the Residential Units contained in Schedule A of the Offering Plan.

Our experience includes the preparation of hundreds of Condominium Offering Plans and legal representation of numerous Condominium Boards of Managers in the State of New York for over thirty (30) years.

In reviewing said Schedule A, the Percentage of Common Interest for each Residential Unit as contained therein has been determined based upon the floor space, subject to the location of such space and the additional factors of relative value to other space in the Condominium the uniqueness of the Residential Unit, the availability of Common Elements for exclusive or shared use, and the overall dimensions of the particular Residential Unit. Said method of determining the percentage of Common Interest in a Condominium complies with and is pursuant to Section 339-i(1)(iv) of the Real Property Law of the State of New York.

I hereby authorize inclusion of this opinion in the Offering Plan for this Condominium to be filed with the Department of Law.

Very truly yours,

CERTILMAN BALIN ADLER & HYMAN, LLP

X. CHANGES IN PRICES AND RESIDENTIAL UNITS

The prices for these Condominium interests may be changed from those set forth in this Offering Plan so that Purchasers may pay different prices for similar interests. No such change will be made other than pursuant to a duly filed amendment, except that the Sponsor reserves the right to decrease the sales prices below the Offering Plan prices without filing an amendment to the Plan at any time during the offering where a reduction in sales prices does not constitute a general offering but is rather the result of an individually negotiated Residential Unit purchase. Except as may be permitted under any temporary guidelines or other memorandum issued by the New York State Real Estate Finance Bureau of the New York State Attorney General's Office, all changes in prices which are an across the board increase or decrease affecting one (1) or more lines of Residential Units or models or is to be advertised or is a price increase for an individual Purchaser will be done by a duly filed amendment to the Offering Plan.

The Sponsor further reserves the right, but not the obligation, to negotiate with a Purchaser on an individual basis in connection with all aspects of the purchase price, including but not limited to: upgrades to the Residential Unit or the fixtures or equipment contained therein or credits or allowances thereof; treatment of reduced and/or split down payment; financing contingency; extension of period to secure financing; payment of all or part of a Purchaser's acquisition or financing costs such as, but not limited to: origination fees and commitment fees; any and all other costs relating to the cost of acquiring title to a Unit; maintenance subsidies, rebates or other costs associated with maintaining a Unit as a credit against the purchase price or payable on a periodic basis or any other manner as is negotiated between the parties; promotional gifts on purchase of a Unit and application of rent toward the purchase price. As a result, a Purchaser may receive different terms as other Purchasers for a similar Residential Unit. The Sponsor reserves the right to amend the Plan from time to time to add and/or delete negotiable terms or at its sole option to expand the applicability of such negotiable terms to some or all Purchasers pursuant to Section 352-e of the General Business Law.

Sponsor will not make any changes in the size or number of Residential Units and/or their respective Percentage of Common Interest and no material change will be made in the size or quality of Common Elements, except by amendment to the Plan and to the Declaration of Condominium (if the Declaration was filed prior to such change). Sponsor reserves the right to change the floor plan of a Residential Unit as long as the percentage of Common Interest for the Residential Units is not affected, there is no Purchase Contract in effect for said Residential Unit, as long as the Sponsor does not change the total number of Residential Units being offered for sale or the total number of Buildings in the Condominium. In such an event Sponsor will amend the Offering Plan to reflect the revised floor plan.

Unless an affected Purchaser consents, no material change will be made in Residential Unit size, layout, or Percentage of Common Interest if a Purchase Contract has been executed and delivered to the Sponsor for that Residential Unit. Purchasers should note that there is a rebuttable presumption that a five (5%) percent change in the square footage of a Unit does not constitute a material change.

The Percentage of Common Interest of each of the Units has been determined pursuant to Section 339-i(1)(iv) of the Condominium Act, based on floor space, subject to the location of such space and the additional factors of relative value to other space in the Condominium, the uniqueness of the Unit, the availability of Common Elements for exclusive or shared use, and the overall dimensions of the particular Unit. Based upon final specifications, construction conditions and/or "as-built" Plans for the Building reflecting relative measurements, areas and uses of portions of the Building, application of such method of allocation the Percentage of Common Interest may justify a minor increase or decrease in the aggregate Percentage of Common Interest appurtenant to Units. In such event, the Percentage of Common Interest appurtenant to each individual Unit would be adjusted pro rata. Purchasers should note that there is a rebuttable presumption that a change of five (5%) percent or less of a Unit's square footage may be immaterial, there is no such presumption regarding a change in common interest. Sponsor expressly reserves the right, from time to time, prior to the first Closing, to effect such a change in the Percentage of Common Interests and to amend the Plan so as to reflect the same. See Section XXII of the Offering Plan.

Unless all Purchasers consent, no material change will be made in the size and no material adverse change will be made in the quality of Common Elements.

XI. PARKING SPACE UNITS

General

The Sponsor is offering fourteen (14) Parking Space Units for sale for parking of passenger vehicles consisting of eight (8) covered Parking Space Units and six (6) outdoor Parking Space Units. Parking Space Unit No. 4 will be designated as a Handicapped Parking Space Unit.

Parking Space Units may only be owned by a Residential Unit Owner in this Condominium except as provided below.

The Percentage of Common Interest of a Parking Space Unit shall be added to the Percentage of Common Interest of the Residential Unit of the Residential Unit Owner who owns said Parking Space Unit and the Residential Unit Owner thereof shall pay all Common Charges and other costs associated therewith.

Parking Space Unit Owners shall not be entitled to any votes for any Parking Space Unit they own.

Any Residential Unit Owner shall have the right to transfer the Parking Space Unit to another Residential Unit Owner in the Condominium. In such an event all costs and expenses that may be associated with amending Schedule B of the Declaration of Condominium will be the sole obligation of the Residential Unit Owner who is transferring the Parking Space Unit.

Any Residential Unit Owner who owns a Parking Space Unit shall have the right to rent and utilize the Parking Space Unit of a Residential Unit Owner in the Condominium as may be permitted by law.

Residential Unit Owners in the Condominium will be obligated to advise the Board of Managers of any sale, transfer, or rental of their Parking Space Unit. All administrative, legal fees and other costs and expenses regarding the sale, transfer or rental of a Parking Space Unit shall be the sole obligation of the Residential Unit Owner who is selling, transferring or renting the Parking Space Unit.

The Board of Managers shall be required to keep an overall list of all Parking Space Units assigned or rented to Residential Unit Owners in the Condominium. All Residential Unit Owners in the Condominium will be obligated to advise the Board of Managers of any sale, transfer, or rental of any Parking Space Unit.

Until such time as the Sponsor has sold all of the Residential Units a Purchaser may only purchase one (1) Parking Space Unit. In the event there are Parking Space Units available once all the Residential Units have been sold the Sponsor will have the right to offer additional Parking Space Units to Residential Unit Owners in the Condominium. In such an event a Residential Unit Owner may own two (2) or more Parking Space Units.

In addition, in the event there are Parking Space Units that have not been sold to a Residential Unit Owner after the Sponsor has conveyed all of the Residential Units to bona fide Purchasers, the Sponsor shall have the right but not the obligation to convey any or all of the remaining Parking Space Units to the Condominium Board of Managers. Additionally, the Board of Managers shall have the rights afforded the Sponsor regarding the Parking Space Unit to sell or lease a Parking Space Unit to a Residential Owner in the Condominium. The Board of Managers may use the Parking Space Unit as permitted by law. Notwithstanding the above the Sponsor shall have the right to rent, lease or permit the use of a Parking Space Unit, if not owned by a Residential Unit Owner, to any non-resident for the use of such non-resident. In such an event, access to the Parking Space Units will be through the same driveway as any Residential Unit Owner. Such access will not cause or create any additional disturbance to the other Unit Owners in the Condominium.

Handicapped Parking Space Unit

Parking Space Unit No. 4 will be designated as a handicapped parking space ("Handicapped Parking Space"). The purchase of the Handicapped Parking Space Unit and any subsequent sale or transfer of the Handicapped Parking Space Unit is subject to the following covenants and restrictions: The Handicapped Parking Space Unit will be the last Parking Space Unit sold by Sponsor if not previously sold to a Purchaser who themselves or a member of their family has a vehicle with handicapped license plates or a permanent handicapped permit. In the event the present or future owner of a Residential Unit in the Condominium or a member of the Residential Unit Owner's family residing in the Residential Unit becomes handicapped and then owns a non-handicapped Parking Space Unit and thereafter acquires handicapped plates for the Residential Unit Owner's vehicle, and a different Residential Unit Owner is the then current owner of the Handicapped Parking Space Unit, and does not have a handicapped license plate or permanent handicapped permit, said Residential Unit Owner has the right to demand that the owner of the Handicapped Parking Space Unit trade or swap a Non-Handicapped or Handicapped Parking Space Unit for which the Residential Unit Owner is the then owner for the non-handicapped Parking Space Unit then owned by the Residential Unit Owner who requires the Handicapped Parking Space Unit. In the event the present or future Residential Unit Owner of a Residential Unit or member of the Residential Unit Owner's family residing in the Residential Unit requires the Handicapped Parking Space by becoming the owner of a vehicle with handicapped license plates or a permanent handicapped permit and said Residential Unit Owner does not then own a non-handicapped Parking Space Unit, said Residential Unit Owner has the right to demand that the then owner of the Handicapped Parking Space Unit sell the Handicapped Parking Space Unit at the then current, fair market value to said handicapped Residential Unit Owner. All costs and expenses associated with the transfer of the Handicapped Parking Space Unit, including without limitation, recording fees, and reasonable attorney fees shall be borne by the party requesting the transfer. The owner of the Handicapped Parking Space Unit must comply with the aforementioned demand upon thirty (30) days written notice. If the parties cannot agree on the fair market value of the Handicapped Parking Space Unit, then the parties agree to submit the matter to binding arbitration in accordance with Article XIV of the By-Laws of the Condominium.

XII. STORAGE SPACES

The Condominium will include twenty-seven (27) Storage Spaces that are being offered to a Purchaser of a Residential Unit subject to a License Agreement between the Residential Unit Owner as the Licensee and the Board of Managers as the Licensor for the exclusive use of the Licensee during the term of the License Agreement. Schedule A-1 to the Plan sets forth the Storage Spaces, their approximate square footage, and estimated Storage Space License Expenses. The Board of Managers shall be required to keep a list of all Storage Spaces and the Residential Units that are subject to a License Agreement or subject to a rental. All Residential Unit Owners who are Licensees of a Storage Space shall be required to advise the Board of Managers of the Condominium of any assignment or rental of any Storage Spaces pursuant to a License Agreement within ten (10) days of such assignment or rental.

Storage Spaces may only be utilized for storage of normal household items and pursuant to the provisions of the Declaration of Condominium and By-Laws of the Condominium and any Rules and Regulations regarding the Storage Spaces.

Nothing shall be stored in a Storage Space that will result in the cancellation or increase of insurance on the Building, or the contents thereof, or that would be in violation of any law. No inflammable, combustible, or explosive fluid, material, chemical, or substance shall be stored in a Storage Space. All provisions for safety shall be the sole responsibility of the Licensee of the Storage Space and the Licensee of the Storage Space should have their own insurance covering the Storage Space.

The term of the License shall commence on the date provided for in the License Agreement (the "Commencement Date") and subject to the rights of assignment provided in Paragraph 16 of the License Agreement expire at the earlier of (i) such time as Licensee no longer owns a Residential Unit in the Condominium, or (ii) forty-nine (49) years from the Commencement Date (the "Term"). In the event Licensee still owns a Residential Unit in the Condominium on the last day of the forty-ninth (49th) year, the Term shall automatically be extended for successive periods of ten (10) years each unless Licensee ceases to be an owner of a Residential Unit in the Condominium, in which event the Term shall automatically expire, this License Agreement shall terminate and the License granted hereunder shall be of no further force or effect. Upon the termination of the License Agreement the Storage Space shall revert to the Board of Managers of the Condominium and the Board of Managers shall have all of the rights and obligations regarding the Storage Space and shall have the right to enter into a subsequent License Agreement with a new Licensee.

All structural repairs of the Storage Spaces and Storage Space Areas shall be the responsibility of the Condominium as a Common Expense, as provided for in the By-Laws. All general maintenance and repairs of the Storage Spaces shall be the responsibility of the Licensee of the Storage Space.

The Sponsor shall be authorized to execute all initial License Agreements for a Storage Space subject to the Declaration of Condominium, for any Storage Spaces entered into with a Residential Unit Owner, and to receive the proceeds of such License Agreement ("Storage Space License Expense"). A designated member of the Board of

the Managers of the Condominium shall be authorized and required to execute the License Agreement on behalf of the Condominium as the Licensor of the License Agreement.

The License Agreement for a Storage Space may only be assigned or rented to another Residential Unit Owner in the Condominium ("Assignee" or "Tenant"). The Board of Managers of the Condominium shall have the right to promulgate rules and regulations regarding the assignment or rental of the Storage Spaces. The initial Board of Managers will not charge a monthly fee or additional cost associated with the license applicable to the Storage Spaces. Future Boards of the Condominium reserve the right to charge a monthly fee for use of the Storage Spaces to be utilized towards any repair or maintenance associated with the Storage Spaces. In no event shall the Board of Managers have the right to prohibit the right of a Residential Unit Owner or the Sponsor to assign or rent a Storage Space to a purchaser of the Residential Unit Owner or another Residential Unit Owner in the Condominium. The Board of Managers shall have the right to approve the form of a License Agreement or promulgate a standard form for use by all Residential Unit Owners. Notwithstanding, as long as the Sponsor retains an Unsold Residential Unit in the Condominium the Sponsor shall have the right to utilize any form of License Agreement without interference with the Board of Managers.

Residential Unit Owners must comply with all applicable laws regarding the Storage Spaces, which may be subject to periodic inspection by the police and fire departments of New York City and other governmental agencies having jurisdiction thereover. In addition, the Storage Spaces may not be completed until after the Closing of Title of a Residential Unit and the fact that a Storage Space may not be available for use at the time of Closing will not constitute a basis for Residential Unit Owner to fail to Close Title to a Residential Unit.

A Licensee of a Storage Space shall not have any votes in the Condominium for the Storage Space that is subject to a License Agreement.

In the event there are Storage Spaces that have not been Licensed to a Residential Unit Owner after the Sponsor has conveyed all of the Residential Units to bona fide Purchasers, the Sponsor shall have the right but not the obligation to assign the rights pursuant to a License Agreement for any non-licensed Storage Space to the Board of Managers of the Condominium, subject to the Storage Space License Expense. In such an event, the cost of the Storage Space License Expense to be paid to Sponsor will be the obligation of the Residential Unit Owners the cost of which shall be paid pro-rata based upon each Residential Unit's Percentage of Common Interest. The Board of Managers may require a Special Assessment to pay for said Storage Space License Expense and/or the Common Charges may be increased as a result thereof. Upon being assigned said License Agreements to the Board of Managers on behalf of the Condominium all costs and expenses associated with the Storage Spaces shall become the obligation of the Condominium as a Common Expense. In such an event, the Board of Managers of the Condominium will be responsible for overseeing the regulation of the Storage Spaces and shall have all of the rights and obligations associated therewith. In addition, subsequent to all of the Residential Units having been sold, the Sponsor shall have the right to license or permit the use of a Storage Space that has not been licensed

by a Residential Unit Owner to any non-resident or business establishment for the use of such non-resident or business establishment.

All Purchasers who enter into a Purchase Agreement for a Residential Unit and are simultaneously entering into a License Agreement for a Storage Space will be required to pay ten (10%) percent of the Storage Space License Expense as an initial deposit ("Storage Space License Expense Deposit"). The Storage Space License Expense Deposit will be held in escrow according to the terms contained in Section XIV of the Plan. The balance of the Storage Space License Expense is due at the Closing of Title to the Residential Unit, from each Purchaser. Sponsor reserves the right to retain such ten (10%) percent Storage Space License Expense Deposit in the event of Purchaser's default under the Purchase Agreement or the License Agreement.

Due to the fact that only Residential Unit Owners may enter into License Agreements for the Storage Spaces in the Condominium which are able to be licensed, Purchasers who do not ultimately close title to their Residential Unit for any reason may not enter into separate License Agreements for a Storage Space without closing on their Residential Unit. See Section XIV of the Plan and the Condominium By-Laws set forth as Schedule J in Part II of the Plan.

XIII. INTERIM LEASES

The Sponsor will not enter into interim leases or rent with Purchasers for Residential Units prior to Consummation of the Offering Plan. In no event shall Purchaser take possession of the Residential Unit prior to such time, nor shall Purchaser enter the Residential Unit or have the Residential Unit Owner's contractors or agents enter the Residential Unit to perform work prior to Closing without the written authorization of the Sponsor. Should the Purchaser violate this provision, Sponsor will have the right to remove Purchaser from the Residential Unit as a squatter and intruder by summary proceedings. Upon the Purchaser's unauthorized possession, the Purchaser shall be deemed in default of the Purchase Agreement and Sponsor may retain as liquidated damages the funds being held in escrow as to a maximum of ten (10%) percent of the sales price.

Subsequent to the Consummation of the Offering Plan, the Sponsor has the right to enter into an Interim Lease at any time with a Purchaser who simultaneously enters into a Purchase Agreement for a Residential Unit in the Condominium. In such an event, a Purchaser's uncured default under the Interim Lease may, in the Sponsor's sole discretion, be deemed a material Event of Default under the Purchase Agreement that is executed simultaneously therewith by such Purchaser. Pursuant to the terms of the Purchase Agreement, the existence of an uncured Event of Default by Purchaser will give Sponsor the right, at Sponsor's option, to deem the Purchase Agreement canceled and to retain, as and for liquidated damages, all sums paid by Purchaser to Sponsor on account of the Purchase Price.

Except pursuant to an Interim Lease executed simultaneously with a Purchase Agreement for a Residential Unit, in no event shall any Purchaser take possession of a Residential Unit prior to Consummation of the Offering Plan, nor shall any Purchaser enter a Residential Unit or have the Residential Unit Owner's contractors or agents enter the Residential Unit to perform work prior to Closing without the written authorization of the Sponsor. Should the Purchaser violate this provision, Sponsor will have the right to remove Purchaser from the Residential Unit as a squatter and intruder by summary proceedings. Upon the Purchaser's unauthorized possession, the Purchaser shall be deemed in default of the Purchase Agreement and Sponsor may retain as liquidated damages the funds being held in escrow up to a maximum of ten (10%) percent of the sales price.

XIV. PROCEDURE TO PURCHASE

The Sponsor hereby offers for sale the Units in the Condominium for occupancy in accordance with applicable municipal zoning regulations. Occupancy of the Residential Units or portion of a Residential Unit by a lessee or lessees of the Residential Unit Owner for the purposes set forth in this paragraph conform with the zoning regulations permitting construction of this Condominium. The Sponsor is also offering the Parking Space Units for sale for ancillary use as provided in Section XI of the Offering Plan. In addition, Sponsor is also offering the Storage Spaces pursuant to a License Agreement for ancillary use as described in Section XII of the Offering Plan.

The sales prices at which the Units are being offered for sale are shown in detail in Schedule A. The Storage Space License Expense being offered for a Storage Space pursuant to a License Agreement is shown in Schedule A-1. The Sponsor reserves the right to lower the sales prices and to negotiate other terms on an individual basis. Except as may be permitted under any temporary guidelines or other memorandum issued by the New York State Real Estate Finance Bureau, of the New York State Attorney General's Office, all changes in prices which are an across the board increase or decrease affecting one or more lines of Units or models or are to be advertised or is a price increase for an individual Purchaser will be done by a duly filed amendment to the Offering Plan. See Section X of the Offering Plan. Any such change will not affect the common interest of the Unit; however, some Purchasers may pay less or more for the same model Unit or receive different terms.

Any person may accept Sponsor's offer to sell a Residential Unit by entering into a Purchase Contract with the Sponsor. The Agreement provides that the Purchaser will purchase from the Sponsor a designated Residential Unit, Parking Space Unit and/or Storage Space pursuant to a License Agreement, as applicable, in the Condominium as described in the Declaration creating such Condominium. A Purchaser will be afforded a minimum of three (3) business days to review the Offering Plan and all filed amendments prior to executing a Purchase Contract. Any conflict between the Offering Plan and the Purchase Contract shall be resolved in favor of the Offering Plan.

Purchaser and Sponsor shall execute four (4) originals of the Purchase Contract. Upon signing the Purchase Contract, the Purchaser shall make a Deposit of up to ten percent (10%) of the purchase price of a Residential Unit but not less than \$1,000, plus the cost of any Extras ordered by the Purchaser. Upon full payment of the balance of the purchase price and the balance of the cost of any Extras ordered and payable at the Closing, in cash or by mortgage proceeds, Purchaser will receive a bargain and sale deed with covenant against grantor's acts and containing the provisions set forth in Section 13 Subdivision 5 of the Lien Law, which will convey good and marketable title to the ownership of fee ownership in the Residential Unit and Parking Space Unit, if applicable, and such Percentage of Common Interest in the Common Elements applicable thereto as is set forth on Schedule A, free and clear of all liens and encumbrances other than those set forth in Section XVII of the Offering Plan. The Purchase Contract may be modified with the consent of Purchaser and Sponsor in a manner not inconsistent with law, subject to the terms of this Offering Plan. After Purchaser delivers a fully executed Purchase Contract with the required Deposit Sponsor must either return a fully executed

Purchase Contract within thirty (30) days to the Purchaser or reject the Purchase Contract and refund the Deposit monies. In the event the Sponsor does not act within said thirty (30) day period the Purchase Contract will be deemed rejected by the Sponsor.

All Purchasers who enter into a Purchase Agreement for a Residential Unit and are simultaneously entering into a License Agreement for a Storage Space will be required to pay ten (10%) percent of the Storage Space License Expense ("Storage Space License Expense Deposit") for the Storage Spaces. The Deposit and Storage Space License Expense Deposit will be held in escrow according to the terms contained in this Section XIV of the Offering Plan. The balance of the Storage Space License Expense is due at the Closing of Title to the Residential Unit from each Purchaser. Sponsor reserves the right to retain such ten (10%) percent Deposit and/or Storage Space License Expense Deposit in the event of Purchaser's default under the Purchase Agreement or the License Agreement. The Purchase Agreement may be modified with the consent of Purchaser and Sponsor in a manner not inconsistent with law, subject to the terms of this Offering Plan.

The Power of Attorney attached to the Purchase Contract must be executed by Purchaser at the Closing of Title. Failure to execute the Power of Attorney will result in a default under the Purchase Contract.

The Sponsor anticipates that the Closing of the first Residential Unit will occur by June 1, 2026, subject to factors beyond Sponsor's control such as weather conditions, strikes, material shortages, acts of Gods, Force Majeure and sales conditions. Purchasers will be offered a right of rescission if: (i) the actual date of Closing of Title to the first Residential Unit; or (ii) the projected date of Closing of Title to the first Residential Unit occurs later than May 31, 2027, twelve (12) months after the projected date of the first Closing. If the Plan is amended to provide for a later projected date of the first Closing, Purchasers who enter into a Purchase Contract subsequent to the amended date will be entitled to an offer of rescission if the first Closing occurs more than twelve (12) months beyond the amended later date. Notwithstanding, any Purchaser who entered into a Purchase Contract prior to the amendment revising the date will be entitled to a right of rescission if the closing of the first Residential Unit does not occur before May 31, 2027. Purchasers must advise the Sponsor no later than the date provided in an Amendment to the Offering Plan disclosing the later date but not more than fifteen (15) days from the date of the notice to the Purchaser of the acceptance of the Amendment to the Offering Plan. However, if the first Residential Unit Closing occurs before May 31, 2027, the Sponsor may schedule the Closings of Title to other Residential Units significantly later than such date. Each Purchaser's Purchase Contract will also contain an outside delivery date, as provided in the following paragraph. In the event Sponsor is unable to close title to a Residential Unit within said time frame a Purchaser will be entitled to the applicable provisions therein to rescind. Sponsor is not obligated to schedule a Closing within any specified time frame or to ensure that Closing of Title to a Residential Unit will occur by any date certain. PROSPECTIVE PURCHASERS SHOULD THEREFORE CAREFULLY CONSIDER SUCH RISKS IN THEIR DETERMINATION AS TO WHETHER TO PURCHASE A RESIDENTIAL UNIT.

As noted in the prior paragraph, each Purchase Contract provides that in the event Sponsor is unable to convey title to a Purchaser's Residential Unit twelve (12) months after the proposed date of delivery set forth in the Purchase Contract a Purchaser shall have the option to cancel the Purchase Contract and have the Deposit advanced by Purchaser returned to Purchaser. Purchaser shall be obligated to notify the Sponsor in writing of its intent to exercise said option no later than thirty (30) days after the twelve (12) month period of the proposed date of delivery set forth in the Purchase Contract. Purchaser's failure to notify Sponsor of Purchaser's intent to cancel Purchaser's Purchase Contract due to Sponsor being unable to convey title to the Purchaser's Residential Unit within the twelve (12) month period shall be deemed a waiver of said provision, and Purchaser shall continue to be bound by the terms of the Purchase Contract. The above date contained in the Purchase Contract is subject to Force Majeure, as described below, Force Majeure is not applicable to the provisions and requirements contained in the Offering Plan pertaining to the estimated date of the first closing or projected date of the first year of operation of the Condominium and is only applicable to the obligations and undertakings provided in the Purchase Contract. See Paragraph 5 of the Purchase Contract in Part II of the Plan.

After the Plan has been declared effective the Sponsor will fix a date for the Closing of Title Residential Units in which Purchase Contracts have been executed by serving notice on each Purchaser stating the date of the first Closing and setting such Purchaser's Closing Date. Notice will be sent to all Purchasers who have executed and delivered Purchase Contracts to the Sponsor and whose Purchase Contracts are then in effect by (i) personal delivery; or (ii) mailing by regular mail or registered or certified mail with or without return receipt requested, addressed to the Purchasers at the last known residence of such Purchaser or, if the Purchaser has provided written information of an alternative address for notices, addressed to the Purchaser at the alternative address. If Sponsor has no information of the last known residence address but has written information of the place of business or employment of such Purchaser, the mailing shall be addressed to such last business or employment address. Said notice will also include notice of the obligation to pay the balance of the purchase price.

Such notice will be served no less than thirty (30) days before the date set for the Closing of the Residential Units for those Purchasers who entered into a Purchase Contract before the Plan was declared effective. Sponsor may permit Purchasers to waive the thirty (30) day provision by a written waiver. Any Purchaser who enters into a Purchase Contract after the Plan is declared effective will also receive not less than thirty (30) days written notice of the date, time and place for the Closing of Title to Purchaser's Residential Unit, unless Purchaser gives a written waiver of such thirty (30) day notice. A form for such waiver of the thirty (30) day notice is contained as Schedule D-3 to the Offering Plan.

The Purchase Contract may not be assigned by Purchaser without the written consent of Sponsor.

The risk of loss or damage to a Residential Unit, Parking Space Unit and/or Storage Space subject to a License Agreement, if part of the purchase or any other cause until the delivery of the deed is assumed by the Sponsor. In the event of damage to a

Residential Unit prior to a Purchaser taking occupancy the Sponsor will notify the Purchaser within ten (10) days of the damage taking place to advise the Purchaser as to whether or not it will repair the damage from a casualty or other cause and if to be repaired the estimated time frame of the repair. In the event the Sponsor elects not to do the repair, Sponsor will return Purchaser's Deposit and any Extras within ten (10) days of the notice to the Purchaser. Subsequent to the Closing of Title to a Residential Unit the Purchaser assumes all risk of loss to the Residential Unit.

A Purchaser will inspect Purchaser's Residential Unit and the Storage Space, if part of the purchase, with a representative of the Sponsor during normal business hours prior to the Closing Date and will sign and deliver to Seller on or before the Closing Date a Pre-Title Inspection Statement supplied by Sponsor, acknowledging the condition in which Purchaser has received Purchaser's Residential Unit. Sponsor shall agree to complete any open items within six (6) months after Closing, weather and circumstances permitting.

The Purchase Contract may not contain, or be modified to contain, a provision waiving purchaser's rights or abrogating Sponsor's obligations under the Offering Plan or under Article 23-A of the General Business Law. Any conflict between the Purchase Contract and the Plan will be resolved in favor of the Plan. The Purchase Contract and Plan comply with Section 71.a(3) of the New York Lien Law. Said statute provides that the initial advance of the Purchase Contract be deposited in an escrow account in a bank, trust company, savings bank, state or federal savings and loan association, located in New York State. The escrow and trust fund provisions disclosed below complies with said statute.

The Purchase Contract is not conditioned upon a Purchaser securing satisfactory mortgage financing. Obtaining a mortgage shall be the sole responsibility of each Purchaser. In no event will the Sponsor be obligated to return a Purchaser's Deposit in the event a Purchaser is unable to obtain a mortgage. In addition, the Purchase Contract will remain in full force and effect and Purchaser will be obligated to pay the balance of the purchase price at Closing regardless of the availability of financing. In the event a Purchaser does not Close Title to the Residential Unit and Parking Space Unit, if included in the sale and/or Storage Space subject to a License Agreement, if included in the sale, as a result of their inability to obtain a mortgage, the Purchaser shall be deemed in default of the Purchase Contract and Sponsor may retain as liquidated damages the funds being held in escrow to a maximum of ten (10%) percent of the sales price of the Unit and Storage Space License Expense Deposit to a maximum of ten (10%) percent of the deposit of the Storage Space License Expense, plus the cost of Extras paid for by Purchaser which Extras have been installed by Sponsor, paid for but not installed by Sponsor or which have been ordered but not installed by Sponsor and for which Sponsor is obligated to pay for such Extras unless the Offering Plan has been abandoned. In the event the Offering Plan is abandoned the Purchaser shall be entitled to receive all funds paid to the Sponsor for such Extras.

If Purchaser fails to appear and not Close Title in accordance with the Purchase Contract on the date and at the time and place stated in Sponsor's Notice for Closing, or if Purchaser fails to observe or perform any other thing to be observed or performed by

Purchaser under the Purchase Contract, Sponsor shall send Purchaser a written notice of default giving Purchaser thirty (30) days from the date of such notice to cure any such default. Time is of the Essence for Purchaser to cure such default within such thirty (30) day period. Pursuant to a Time is of the Essence provision, in the event default(s) are not timely cured, the Purchase Contract, at Sponsor's option, shall be deemed cancelled and Sponsor shall retain as liquidated damages the funds being held in escrow as to a maximum of ten (10%) percent of the sales price plus the cost of Extras paid for by Purchasers which Extras have been installed by the Sponsor, paid for but not installed by the Sponsor or which have been ordered but not installed by Sponsor and for which Sponsor is obligated to pay for such Extras unless the Offering Plan has been abandoned. In the event the Offering Plan is abandoned the Purchaser shall be entitled to receive all funds paid to the Sponsor for such Extras.

In addition, as previously disclosed, all Purchasers who enter into a Purchase Agreement for a Residential Unit and are simultaneously entering into a License Agreement for a Storage Space will be required to pay ten (10%) percent of the Storage Space License Expense as an initial deposit ("Storage Space License Expense Deposit"). The Storage Space License Expense Deposit will be held in escrow according to the terms contained in Section XIV of the Plan. The balance of the License Expense is due at the Closing of Title to the Residential Unit from each Purchaser. Sponsor reserves the right to retain such ten (10%) percent Deposit in the event of Purchaser's default under the Purchase Agreement or the License Agreement.

Purchasers should note that the Financial Crimes Enforcement Network ("FinCEN") of the U.S. Department of the Treasury issued a revised Geographic Targeting Order ("GTO") dated November 8, 2019, last renewed on October 9, 2025, requiring U.S. title insurance companies and any of its subsidiaries and agents to report to FinCEN the personal identity of purchasers in residential transactions in which:

- (2) the Purchaser purchases residential real property located in the Boroughs of Brooklyn, Queens, Bronx, Staten Island, or Manhattan in New York City;
- (3) the total purchase price is in the amount of \$300,000 or more;
- (4) such purchase is made without a bank loan or other similar form of external financing; and

- (5) such purchase is made at least in part, using currency or a cashier's check, a certified check, a traveler's check, a personal check, a business check, a money order in any form, a funds transfer or virtual currency.

All questions about the Order should be directed to the FinCEN Resource Center at FRC@FinCEN.gov.

A complete copy of the Purchase Contract is contained in Part II of the Plan.

ESCROW AND TRUST FUND PROVISIONS

The Sponsor will comply with the escrow and trust fund requirements of General Business Law ("GBL") Sections 352-e(2-b) and 352-(h) and the Attorney General's regulations promulgated pursuant thereto as amended on November 14, 2012. The term Deposit in this Escrow and Fund Section shall include any Storage Space License Expense Deposit in the event a Purchaser is entering into a License Expense Agreement for a Storage Space.

The Escrow Agent:

The law firm of Frisoni & Associates, P.C., with an address at 527 Townline Road, Suite 300, Hauppauge, New York, telephone number (631) 390-4343, shall serve as escrow agent ("Escrow Agent") for Sponsor and Purchaser. Robert J. Frisoni is the sole signatory on the account. Mr. Frisoni is admitted to practice law in the State of New York. Neither the Escrow Agent nor its authorized signatory on the account are the Sponsor, Selling Agent, Managing Agent, or any principal thereof, or have any beneficial interest in any of the foregoing.

The Escrow Account:

The Escrow Agent has established the escrow account at Capital One Bank, N.A., 2003 Smith Haven Plaza, Lake Grove, New York 11755 ("Bank"), a bank authorized to do business in the State of New York. The escrow account is entitled "Roma Condominium IOLA Escrow Account" ("Escrow Account"). The Escrow Account is federally insured by the FDIC at the maximum amount of \$250,000 per Deposit. The maximum deposit insurance amount will be \$250,000. Any Deposit in excess of \$250,000 will not be insured. It is a special risk of this Offering Plan that if an individual makes a Deposit in excess of said amount for the purchase of a Residential Unit; the excess amount will not be federally insured. Purchasers should also note that if the Purchaser has any accounts in the Bank where the funds are being held, the funds in those accounts will count towards the \$250,000 FDIC insurance limit. The Escrow Agent and all authorized signatories hereby will submit to the jurisdiction of the State of New York and its Courts for any cause of action arising out of the Purchase Contract or otherwise concerning the maintenance or release of the Deposit from escrow.

All Deposits received from Purchaser shall be in the form of checks, money orders, wire transfers, or other instruments, and shall be made payable to or endorsed by the Purchaser to the order of Robert J. Frisoni, Esq., as Escrow Agent.

Any Deposits made for Extras shall initially be deposited into the Escrow Account and released in accordance to the terms of a written agreement between Purchaser and Sponsor as provided for in Paragraph 14 of the Purchase Contract.

The Escrow Account is an Interest-on-Lawyer Account ("IOLA") account consistent with Section 487 of the Judiciary Law of the State of New York. Pursuant to said law, all interest earned on the IOLA account will be paid to the State of New York.

The Purchase Contract:

The Purchase Contract is attached hereto as Schedule D in Part II of the Plan. The relevant escrow trust fund provisions are included in Paragraph 30 of the Purchase Contract, which must be executed by the Escrow Agent.

Notification to Purchaser:

Within five (5) business days after the Purchase Contract has been tendered to Escrow Agent along with the Deposit, the Escrow Agent shall sign the Purchase Contract and place the Deposit into the Escrow Account. Purchaser shall be required to complete the Tender of Escrow Agreement contained as Schedule D-1 in Part II of the Offering Plan upon execution of the Purchase Contract. Within ten (10) business days of the placing of the Deposit in the Escrow Account, the Escrow Agent shall provide written notice to Purchaser and Sponsor, confirming the Deposit. The notice shall provide the account number of the account. Any Deposits made for Extras shall be initially deposited into the Escrow Account and released in accordance to the terms of a written agreement between Purchaser and Sponsor as provided in Paragraph 14 of the Purchase Contract.

The Escrow Agent is obligated to send notice to the Purchaser once the Deposit is placed in the Escrow Account. If the Purchaser does not receive notice of such Deposit within fifteen (15) business days after tender of the Deposit, Purchaser may cancel the Purchase Contract within ninety (90) days after tender of the Purchase Contract and Deposit to the Escrow Agent. Complaints concerning the failure to honor such cancellation requests may be referred to the New York State Department of Law, Real Estate Finance Bureau, 28 Liberty Street, 21st Floor, New York, N.Y. 10005. Rescission shall not be afforded where proof satisfactory to the Attorney General is submitted establishing that the Deposit was timely placed in the Escrow Account in accordance with the New York State Department of Law's regulations concerning Deposits and requisite notice was timely mailed to the Purchaser.

Release of Funds:

All Deposits, except for advances made for Extras received in connection with the Purchase Contract, are and shall continue to be the Purchaser's money, and may not be

commingled with any other money or pledged or hypothecated by Sponsor, as per GBL § 352-(h).

Under no circumstances shall Sponsor seek or accept release of the Deposit of a defaulting Purchaser until consummation of the Plan as defined in Section 20.1 (c) (6) of the Department of Law regulations which defines consummation of the Plan, as the filing of the Declaration of Condominium and the first transfer of title to a Residential Unit to at least one Purchaser under the Offering Plan following a declaration of effectiveness by the Sponsor and acceptance of the amendment of the declaration of effectiveness by the Attorney General's Office. Consummation of the Plan does not relieve the Sponsor of its obligations pursuant to GBL §§ 352-e(2-b) and 352-h.

The Escrow Agent shall release the Deposit Funds in escrow if so directed:

- (a) pursuant to terms and conditions set forth in the Purchase Contract upon Closing of Title to the Residential Unit; or
- (b) in a subsequent writing signed by both Sponsor and Purchaser; or
- (c) by a final, non-appealable order or judgment of a court.

If the Escrow Agent is not directed to release the Deposit pursuant to paragraphs (a) through (c) above, and the Escrow Agent receives a request by either party to release the Deposit, then the Escrow Agent must give both the Purchaser and Sponsor prior written notice of not fewer than thirty (30) days before releasing the Deposit. If the Escrow Agent has not received notice of objection to the release of the Deposit prior to the expiration of the thirty (30) day period, the Deposit shall be released, and the Escrow Agent shall provide further written notice to both parties informing them of said release. If the Escrow Agent receives a written notice from either party objecting to the release of the Deposit within said thirty (30) day period, the Escrow Agent shall continue to hold the Deposit until otherwise directed pursuant to paragraphs (a) through (c) above. Notwithstanding the foregoing, the Escrow Agent shall have the right at any time to deposit the Deposit contained in the Escrow Account with the clerk of the county where the Residential Unit is located and shall give written notice to both parties of such Deposit.

The Sponsor will not object to the release of the Deposit to:

- (a) a Purchaser who timely rescinds in accordance with an offer or rescission contained in the Plan or an Amendment to the Plan; and
- (b) all Purchasers after an Amendment abandoning the Plan is accepted for filing by the Department of Law.

Purchasers should note that it shall be an express condition of Closing of Title that the Purchaser sign the form contained in Part II as Schedule D-2 which will enable the Escrow Agent to release the escrow funds, if not previously released as provided above.

The Department of Law may perform random reviews and audits of any records involving the Escrow Account to determine compliance with all applicable statutes and regulations.

Waiver Void:

Any provision of any contract or agreement, whether oral or in writing, by which a Purchaser purports to waive or indemnify any obligation of the Escrow Agent holding any Deposit is absolutely void. The provisions of the Attorney General's regulations and GBL §§ 352-e(2-b) and 352-h concerning escrow/trust funds shall prevail over any conflicting or inconsistent provision in the Purchase Contract, Offering Plan or any amendments.

General:

Nothing contained herein shall diminish or impair the Sponsor's statutory obligation to each Purchaser pursuant to GBL § 352-h to hold in trust all Deposits, advances or payments made in connection with the offer until consummation of the transaction with such Purchaser. Consummation of the plan does not relieve Sponsor of its obligations pursuant to GBL § 352-h. Funds from any Escrow Account remain the property of the Purchaser until employed in connection with the consummation of the transaction. Such funds shall not be a part of the estate of the Sponsor or the Escrow Agent upon any bankruptcy, incapacity or death.

The Escrow Agent shall maintain all records concerning their Escrow Account for seven (7) years after release of the funds.

Upon the dissolution of the law firm which was the Escrow Agent, the former partners or members of the firm shall make appropriate arrangements for the maintenance of the Escrow Account records by one of them or by the successor firm and shall notify the Department of Law of such transfer.

XV. FINANCING FOR QUALIFIED PURCHASERS

THIS PLAN DOES NOT CONTAIN ANY FINANCING ARRANGEMENTS FOR PURCHASERS. PROSPECTIVE PURCHASERS WHO ARE INTERESTED IN SUCH FINANCING SHOULD CONTACT LENDING INSTITUTIONS, SUCH AS MUTUAL SAVINGS BANKS AND COMMERCIAL BANKS, MANY OF WHICH HAVE ADVERTISED THAT THEY OFFER FINANCING TO PURCHASERS OF CONDOMINIUM RESIDENTIAL UNITS.

Any applications for such financing with lending institutions must be done on an individual basis by prospective Purchasers and will involve negotiations exclusively between the lending institution and the applicant. The Sponsor should not be construed hereunder as offering any such financing or representing the availability or terms of such financing.

The Purchase Contract is not conditioned upon a Purchaser securing satisfactory mortgage financing. Obtaining a mortgage shall be the sole responsibility of each Purchaser. In no event will the Sponsor be obligated to return a Purchaser's Deposit in the event a Purchaser is unable to obtain a mortgage. In addition, the Purchase Contract will remain in full force and effect and Purchaser will be obligated to pay the balance of the purchase price at Closing regardless of the availability of financing. In the event a Purchaser does not Close Title to the Residential Unit as a result of their inability to obtain a mortgage, the Purchaser shall be deemed in default of the Purchase Contract and Sponsor may retain a liquidated damages the funds being held in escrow to a maximum of ten (10%) percent of the sales price of the Residential Unit and Parking Space Unit, if applicable, and maximum of ten (10%) percent of the Storage Space License Expense for a Storage Space, if applicable, plus the cost of Extras paid for by Purchaser which Extras have been installed by Sponsor, paid for but not installed by Sponsor or which have been ordered but not installed by Sponsor and for which Sponsor is obligated to pay for such Extras unless the Offering Plan has been abandoned. In the event the Offering Plan is abandoned the Purchaser shall be entitled to receive all funds paid to the Sponsor for such Extras.

NO REPRESENTATION IS MADE BY THE SPONSOR AS TO WHETHER ANY PURCHASER WILL QUALIFY FOR FINANCING OR AS TO THE TERMS, COST OR AVAILABILITY OF SUCH FINANCING. THE SPONSOR SHALL HAVE NO LIABILITY OR RESPONSIBILITY TO ANY APPLICANT IF THEIR APPLICATION FOR FINANCING IS NOT ACCEPTED.

XVI. EFFECTIVE DATE OF THE PLAN

Sponsor's offer to sell the Residential Units is contingent upon the Plan being declared effective and no Closing to a Residential Unit will be held until the Plan is declared effective. This Offering Plan will not become effective until bona fide Purchasers, including investors, have executed Purchase Contracts which have been accepted by Sponsor for at least fifteen (15%) percent in number of the Residential Units offered for sale under the Plan excluding Residential Units of an ancillary nature ($15\% \times 27$ Residential Units = 5 Residential Units). The Sponsor will declare the Plan effective by personal service of notice on every Purchaser or commencement of service by mail stating that the plan has been declared effective. The Sponsor will, within five (5) business days of said notice, submit for filing an amendment to the Plan disclosing the Plan's effectiveness and will file an affidavit of service of the notice on all Purchasers. Sponsor will not close title to the first Residential Unit until the amendment disclosing the effectiveness of the Condominium has been accepted for filing by the Attorney General. In the event all Purchase Contracts are either rescinded or terminated prior to the date of the closing of title to the first Residential Unit, regardless of whether the Declaration of Condominium has been recorded, the Sponsor must re-declare the Offering Plan effective prior to closing title to a Residential Unit. The Plan will not be declared effective based on Purchase Contracts:

- (i) signed by Purchasers who have been granted a right of rescission that has not yet expired or been waived; or
- (ii) based on Purchase Contracts where the Purchaser has not had at least three (3) business days to review the Offering Plan and all filed amendments; or
- (iii) with any Purchaser who is the Sponsor, the Selling Agent, or the Managing Agent or is a Principal of the Sponsor, the Selling Agent or the Managing Agent or is related to the Sponsor, the Selling Agent or the Managing Agent or to any Principal of the Sponsor or the Selling Agent or the Managing Agent by blood, marriage or adoption or as a business associate, an employee, a shareholder or a limited partner; except that such a Purchaser other than the Sponsor or a Principal of the Sponsor may be included if the Sponsor has submitted proof satisfactory to the Department of Law establishing that the Purchaser is bona fide.

Further, prior to declaring the Plan effective, the Sponsor has the option not to close title to the Residential Units and to abandon the Plan at any time, if less than eighty (80%) percent in number of Residential Units offered hereby are sold and title to any Residential Unit has not been conveyed ($80\% \times 27$ Residential Units being offered for sale = 22 Units). In the event Sponsor exercises such option, it shall forthwith return to the Purchaser all monies paid with interest, if any, within five (5) days of the abandonment of the Plan. When Purchase Contracts for eighty (80%) percent of the Residential Units have been entered into the Sponsor must declare the Plan effective.

Once the Plan has been declared effective, it may not be abandoned except for (i) a defect in title which cannot be cured for less than one-half percent ($\frac{1}{2}\%$) of the total amount of the offering or (ii) substantial damage or destruction of the Building by fire or other casualty which cannot be cured for less than one-half percent ($\frac{1}{2}\%$) of the total offering, or (iii) the taking of any material portion of the property by condemnation or eminent domain. Any stated dollar amount relied upon as basis for abandonment after effectiveness will exclude all attorneys' fees as well as any such title defects or determinations of any authority or regulatory association which exist on the date of presentation of the Plan and are either known to the Sponsor or are a matter of public record. In addition, said amount will exclude any judgments and liens against the property resulting from acts of the Sponsor or any of its Principals which are known to the Sponsor on the acceptance date of the Plan. In the event Sponsor abandons the Plan, it shall do so by means of a filed amendment to the Plan. All monies advanced by Purchasers will be returned to them within five (5) days of the abandonment of the Plan. If Sponsor decides to abandon the Plan before declaring the Plan effective, Sponsor will file an amendment disclosing such abandonment and file a RS-3 Form with the Department of Law. In such event, Sponsor shall return any Deposit and any amount paid for Extras paid by Purchaser within five (5) days of acceptance of the amendment abandoning the Offering Plan.

XVII. TERMS OF SALE

On the Closing Date, fee title to the Residential Unit and Parking Space Unit, if applicable, that is included in the purchase, will be conveyed to the Purchaser together with the Residential Unit's undivided Percentage of Common Interest in the Common Elements. The Closing of Title to the first Residential Unit is expected to commence by approximately June 1, 2026, subject to factors beyond Sponsor's control such as weather conditions, strikes, material shortages, acts of God, Force Majeure and sales conditions. The New York State Department of Insurance does not permit the Sponsor to dictate the title company to be used or to infer that a given company should be selected because of a discount or bulk rate and Purchaser is free to use a title or abstract company of their choosing without incurring a penalty. The insurance rates and fees for recording documents are uniform and will be the same regardless of the title company used.

8. The Residential Unit and its undivided Percentage of Common Interest in the Common Elements shall not be subject to the lien of any mortgage at the time of Closing except any mortgage requested by the Purchaser at the time of Closing representing a purchase money mortgage or mortgages taken by the Purchaser.
9. Title to each Residential Unit and its appurtenant interest in the Common Elements will be conveyed to a Purchaser at the Closing free and clear of all liens, encumbrances, and title exceptions other than those described in the Offering Plan and the proposed Residential Unit deed.
10. Any Purchaser who enters into a Purchase Contract after the Plan is declared effective will also receive not less than thirty (30) days' written notice of the date, time and place for the transfer of title to Purchaser's Residential Unit, unless Purchaser waives such thirty (30) day notice. A form for such waiver of the thirty (30) day notice is contained as Schedule D-3 to the Plan.

The filing of an amendment to the Offering Plan disclosing that the Plan has been declared effective and that the terms of this Section XVI will be met, that the Residential Units to be closed have been constructed in accordance with the plans and specifications filed with the Building Department of the City of New York and that the Sponsor has complied with the requirements of this Section.
12. Purchaser shall receive any manufacturers' warranty certificates with respect to equipment and appliances installed in the Residential Unit and Sponsor shall assign any warranties with respect to equipment and appliances installed in Common Elements to the Board of Managers.
13. The Purchaser shall execute the irrevocable Power of Attorney in the form contained in Schedule E of the Offering Plan designating the Board of Managers and/or the Sponsor as the Purchaser's attorneys-in-fact, coupled with an interest for the purposes contained therein, including the following:

14. Purchasers should note that the Financial Crimes Enforcement Network (“FinCEN”) of the U.S. Department of the Treasury issued a revised Geographic Targeting Order (“GTO”) dated November 8, 2019, last renewed on October 9, 2025, requiring U.S. title insurance companies and any of its subsidiaries and agents to report to FinCEN the personal identity of purchasers in residential transactions in which:
 - (1) Residential real property is purchased by a legal entity as defined in the GTO as follows: a corporation, limited liability company, partnership or other similar business entity, whether formed under the laws of a state or of the United States or a foreign jurisdiction, other than a business whose common stock or analogous equity interests are listed on a securities exchange regulated by the Securities Exchange Commission (“SEC”), or a self-regulatory organization registered with the SEC, or an entity solely owned by such a business;
 - (2) the Purchaser purchases residential real property located in the Boroughs of Brooklyn, Queens, Bronx, Staten Island, or Manhattan in New York City;
 - (3) the total purchase price is in the amount of \$300,000 or more;
 - (4) such purchase is made without a bank loan or other similar form of external financing; and
 - (5) such purchase is made at least in part, using currency or a cashier’s check, a certified check, a traveler’s check, a personal check, a business check, a money order in any form, a funds transfer or virtual currency.

The Order, as renewed on October 9, 2025, affects all residential real property closings effective October 10, 2025 and ending on February 28, 2026. A copy of the renewed GTO is available at:

<https://www.fincen.gov/system/files/2025-10/RRE-GTO-Order.pdf>

All questions about the Order should be directed to the FinCEN Resource Center at FRC@FinCEN.gov.

Title to the Residential Unit will be subject to the following:

1. State of facts of the property as shown on a survey to be made prior to the Closing of Title provided such facts would not render title unmarketable and any state of facts which an accurate survey of the Building would show provided such state of facts would not render title unmarketable.
2. Any sewer, water, gas, electric, drainage, telephone, cable television or utility easements granted or to be granted hereafter.
3. All of the terms, covenants and conditions of the Declaration, the By-Laws of the Condominium and the Building Plans, as they are subsequently filed or recorded, the Offering Plan and any amendment thereto.
4. All easements set forth in the By-Laws and Declaration of the Condominium as they are subsequently recorded in the Offering Plan and Purchase Contract, including:
 - (a) Easements in favor of the Residential Unit Owners of other Residential Units to use the pipes, wires, conduits, cable television, and public utility lines located in the Common Elements or in the Residential Unit itself servicing such other Residential Units and/or the Common Elements.
 - (b) Easements in favor of the Board of Managers, its agents, contractors or employees to have a right of access to any Unit and to the Common Elements to inspect, maintain or repair or to make repairs to any Unit to prevent damage to the Common Elements or any other Units, to make repairs to the Common Elements, to any wires, pipes, conduits or cable television system servicing any of the Units or to make repairs to any other Residential Unit, regardless of the nature of the Common Element.
 - (c) Easements in favor of those Residential Unit Owners having restricted use to portions of the Common Elements.
 - (d) Easements for the continuance of encroachments on any Unit and on the Common Elements by other Units or portions of the Common Elements, now existing by reason of the construction of the Residential Units, or hereafter occurring by reason of the settling or shifting of the Units, or by reason of the repair and/or restoration by the Board of Managers of the Units or such other Units or such Common Elements, after damage by fire or other casualty or after taking in condemnation or eminent domain proceedings, or by reason of an alteration to the Common Elements made by the Board

of Managers, so that any such encroachments may remain as long as the Units stand.

(e) The following covenants, restrictions, easements, charges, or liens of record:

- (i) Right of Way and Driveway Easement recorded in Liber 2533 page 46.
- (ii) Exclusive Pedestrian & Vehicular Easement Agreement recorded in CRFN 2022000367135.
- (iii) Zoning Lot Certification dated 2/2/2023 recorded on 2/2/2023 in CRFN 2023000031000.
- (iv) Zoning Lot Description and Ownership Statement made by Newtown Avenue Associates, LLC, dated 1/26/2023 and recorded on 2/2/2023 in CRFN 2023000031001.
- (v) Termination of Easement recorded in CRFN 2022000403752. Termination Easement recorded in Liber 2603 page 490, as amended by Liber 5503 page 584.
- (vi) Reservation of Parking Easement recorded in Liber 6682 page 512.

5. Any additional declarations, covenants, restrictions, reservations, exceptions, easements, and agreements which have been recorded or appear in recorded documents, or are yet to be recorded, provided they do not prevent use of the Residential Unit as a one (1) family residence permitted by applicable law or do not prevent the use of a Parking Space Unit for the Parking of a permitted Vehicle and the Common Elements for their intended use and purpose and do not constitute a lien against the Residential Unit or any of the Common Elements.

If any existing mortgages or construction loans will not be satisfied at or prior to the Closing of the first Residential Unit then at the time of conveyance of the first Residential Unit each mortgagee will either:

- (i) consent to the formation of a condominium and acknowledge that its lien will be limited to unsold Condominium Residential Units;
- (ii) subordinate the lien of its mortgage to the Declaration of Condominium; or
- (iii) release its lien on the Condominium Residential Unit being conveyed and its interest in the Common Elements.

The Sponsor has been advised by its counsel that in counsel's opinion, none of the exceptions to title herein above set forth are contrary to the terms of the Purchase Contract nor will they interfere with the quiet use or enjoyment of the Purchaser's Residential Unit or the Common Elements of the Condominium.

The risk of loss or damage to the Residential Unit by fire or any other cause until delivery of the deed is assumed by the Sponsor. In the event a substantial portion of the Residential Unit or Condominium shall be destroyed or damaged prior to Closing, Sponsor shall be entitled to cancel the Purchase Contract by written notice to the Purchaser, together with a check in the amount of the Deposit paid by Purchaser, with interest, if any and any Extras paid by Purchaser. The parties shall thereafter be released from any further liability. In the event a Purchaser takes actual possession prior to Closing, said Purchaser will assume the risk of losses not covered by insurance upon production of the policy by the Sponsor to the Purchaser which provides that actions of interim lessees are not covered under the then existing policy. If Purchaser is or becomes the occupant or tenant (if rentals are permitted) of the Residential Unit prior to Closing, then, as of the date of Purchaser's occupancy, Purchaser shall be responsible for any and all damage caused by any acts or omissions of Purchaser, or Purchaser's agents, employees, invitees, or family members. If any part of the Residential Unit is damaged or destroyed by any casualty prior to Closing, Sponsor will have the option to restore the Residential Unit to its previous condition as soon as reasonably possible. The additional time required to restore a damaged Residential Unit will not affect the outside date for the Closing of Title set forth in the Purchase Contract without the consent of the Purchaser. Sponsor agrees to notify Purchaser of Sponsor's decision within ten (10) business days of the date of such casualty. In the event Sponsor elects not to restore the Residential Unit, then the Purchase Contract will terminate, and the Purchaser will receive a full refund of all monies paid to Sponsor. The Purchaser and Sponsor shall thereafter be released from any further liability.

XVIII. CLOSING COSTS AND ADJUSTMENTS

The estimated Closing Costs and expenses to be borne by each Purchaser are as follows:

1. Fee title insurance is available from Stewart Title Insurance Company, NY Metro, a title company authorized to do business in the State of New York, 100 Motor Parkway, Suite 500, Hauppauge, New York 11788, (516) 351-3154, Attn: Robyn Kelstein. If a Purchaser elects to obtain fee title insurance and for mortgage title insurance, the Purchaser will pay the premium therefor which will vary depending upon the purchase price and whether or not a mortgage title policy is obtained simultaneously with the fee title policy. Title insurance rates are set by the New York Board of Title Underwriters and filed with the New York State Insurance Department. The Purchaser is free to obtain title insurance from any company of their choice without incurring a penalty.
2. Purchasers should anticipate additional fees for Endorsements to the Owner and Mortgage Title Insurance, as applicable, and fees for municipal and other searches. Purchasers should refer to the example below as to estimated costs of these services.
3. Each Purchaser has the right to obtain title insurance from a title insurance company or abstract company other than Stewart Title Insurance Company, NY Metro without incurring penalty. The Sponsor makes no representation or warranty as to cost, terms, or availability of such other title insurance. Sponsor is required to convey marketable title and cure defects regardless of the title company utilized by Purchaser.
4. Fees for the recording of the mortgage, deed, power of attorney and any required assignment which total approximately \$725.
5. Purchasers should further note that pursuant to a recent New York State Department of Taxation and Finance opinion, any consideration for a Storage Space License Agreement needs to be aggregated to the overall purchase price in determining transfer taxes. The aggregation of the sums paid by a Purchaser towards the sales price of a Residential Unit and the consideration for the License Agreement might result in the Mansion Tax being applicable resulting in a higher rate to be paid towards the New York State and/or New York City transfer taxes.
6. In the event the Purchaser shall obtain a purchase money first mortgage, Purchaser shall pay recording fees for the mortgage of approximately \$100. For first mortgages in an amount less than \$500,000, Purchaser shall pay mortgage tax of 2.05% of the amount of the mortgage less \$25 and for first mortgages in an amount in excess of \$500,000, Purchaser shall pay mortgage tax of 2.175% of the amount of the mortgage less \$25. In addition,

the Purchaser will be required to pay the lending institution's attorney's fees, any mortgage origination fees, bank credit an appraisal fees and other expenses that the lending institution may charge incident to the making of the permanent loan. If Purchaser obtains a mortgage loan, Purchaser shall pay all closing costs associated with such loan, which may include, but need not be limited to, the following:

- (a) a fee and service charge for recording the mortgage;
- (b) a mortgage recording tax in the amount provided for by law;
- (c) to Sponsor, a sum equal to the full amount (but not in excess thereof) of the partial mortgage recording tax credit provided by Section 339-ee(2) of the New York Condominium Act, to the extent same is or becomes available, as a reimbursement for the mortgage recording taxes previously paid, if applicable. To the extent that the Purchaser is entitled to any credit against the mortgage recording tax by contractual arrangement the Purchaser shall pay to Sponsor at the Closing for such Residential Unit the amount of any such credit, if applicable. If Purchaser's Lender, that is providing a mortgage, assumes or consents to the assignment of a mortgage lien encumbering only such Purchaser's Residential Unit and as a result is entitled to an exemption of all or a portion of the mortgage tax which would have been available to the Purchasers, the Purchaser shall pay to Sponsor the amount of such exemption (the "Assignment Exemption"). In the event the credit under Section 339-ee(2) is not available and the Assignment Exemption is provided, the Sponsor, at its own discretion, may utilize the exemption to provide a discounted closing cost to the Purchaser upon which the Purchaser would be responsible for the legal fees in connection with obtaining such exemption and at no time would such fees exceed the amount of tax payable by Purchaser to the taxing authority had such an exemption not been made available.

There will be no mortgage closing costs if a Purchaser does not obtain a mortgage.

7. The New York State Transfer Tax will be \$2.00 per \$500 of the purchase price where the purchase price is under \$3,000,000 and \$3.25 per \$500 where the consideration is \$3,000,000 or greater and New York City Real Property Transfer Taxes of one (1%) percent of the Purchase Price where the consideration is less than \$500,000 and 1.4259% where the consideration is \$500,000 or greater and a Supplemental Tax where the consideration for the conveyance is \$2,000,000 or more. Purchasers should note that the New York State and New York City Transfer Tax is by statute a Seller's obligation. Notwithstanding, by contract, Sponsor is transferring those obligations to the Purchaser. Pursuant to Section 14014(a) of the Tax

Law of the State of New York, as amended on July 1, 2021, where New York State Real Estate Transfer Tax is paid by the Purchaser pursuant to contractual agreement, such tax will be excluded from the total calculation of consideration of the Purchase Price. However, the amount of the New York City Real Property Transfer Tax will be included in the consideration of the Purchase Price in determining the amount of the New York City Transfer Tax. The New York City Transfer Tax is calculated as follows:

- (a) Multiply the purchase price, including any Storage Space License Expense, by the City Tax Rate to compute a tentative tax.
- (b) Add the tentative New York City Transfer Tax to the purchase price.
- (c) Multiply the total of "b" above by the City Rate.

EXAMPLE: Purchase Price = \$1,375,000

- (1) $\$1,375,000 \times .014259 = \$19,606$ (rounded off)
- (2) $\$1,375,000 + \$19,606 = \$1,394,606$
- (1) $\$1,394,606 \times .014259 = \$19,886$ (rounded off) = amount due for New York City Real Property Transfer Tax.

The following are the rates applicable to the Supplemental Tax.

Entire Conveyance Amount	Supplemental Tax Rate
At least \$ 2 million but less than \$ 3 million	One-quarter of one percent (.25%)
At least \$ 3 million but less than \$ 5 million	One-half of one percent (.5%)
At least \$ 5 million but less than \$10 million	One and one-quarter percent (1.25%)
At least \$10 million but less than \$15 million	Two and one-quarter percent (2.25%)
At least \$15 million but less than \$20 million	Two and one-half percent (2.5%)
At least \$20 million but less than \$25 million	Two and three-quarters percent (2.75%)
\$25 million dollars or more	Two and nine-tenths percent (2.9%)

The Purchaser is required to pay the supplemental tax. If the Purchaser fails to pay the tax or is exempt, the Sponsor is required to pay the tax. When the Sponsor is required to pay the tax because the Purchaser has failed to pay, the Supplemental Tax becomes the joint and several liability of the Sponsor and the Purchaser. The additional transfer tax applies only to conveyances of residential real property when the consideration for the conveyance is \$3 million dollars or more/ and conveyances of any other property when the consideration for the conveyance is \$2 million dollars or more.

8. Working Capital equal to two (2) months Common Charges to be paid to the Condominium. While Sponsor is in control of the Board of Managers, the Working Capital Fund may be used to reduce the Common Charges of the Condominium. In addition, the Working Capital Fund may be utilized to

reimburse Sponsor for prepaid expenses of the Condominium. The only budgetary item that might require a substantial credit to the Sponsor would be the insurance disclosed in Schedule B. At such time as the Sponsor relinquishes control of the Board of Managers any remaining balance of the Working Capital Fund will be turned over to the Board of Managers. The Offering Plan does not provide for any minimum Working Capital Fund to be turned over to the Board of Managers.

9. Any Residential Units that are being offered for sale for \$1,000,000 or more are also subject to the provisions of Section 1402-a of the Tax Law of the State of New York (Mansion Tax) which requires a New York State Tax of one (1%) percent of the Purchase Price. Pursuant to the provisions of the statute the obligation to pay the tax is the Purchasers.
10. Each Purchaser shall pay \$2,500 to Sponsor's counsel, representing a fee for services in connection with preparing the Residential Unit Deed, the Residential Unit Owner's Power of Attorney and for coordinating and attending the Closing. Such fee shall be payable at or prior to the Closing by Purchaser's unendorsed, personal check made payable directly to the order of Sponsor's attorney.
11. Any mortgage tax credit received pursuant to Section 339-ee of the Real Property Law will inure to the benefit of Sponsor.
12. A pro-rata portion of the estimated then current year's condominium insurance based on the Percentage of Common Interest of the Residential Unit being purchased regardless of whether or not the first Board of Managers has commenced the collection of Common Charges.

As an example, a Purchaser of a Residential Unit in which the purchase price is \$1,375,000, who procures a first mortgage in the amount of \$1,100,000 and who has a Percentage of Common Interest of 4.69% will pay the following approximated Closing Costs:

In addition, if a Closing takes place, at the request of Purchaser, at any location other than Sponsor's attorney's office, Purchaser shall pay to Sponsor's attorney a travel fee in the sum of \$750.

In addition, in the event the Sponsor's Attorney is required to prepare the New York City "ACRIS" transfer documents Purchaser shall be required to pay Sponsor's attorney an additional fee of \$250. In the event the title company prepares the ACRIS, Purchaser shall pay the applicable fee of the title company.

In the event a Closing is adjourned with Sponsor's consent, at the request of Purchaser or Purchaser's attorney within forty-eight (48) hours of the scheduled time of Closing, Purchaser shall also pay Sponsor's attorney an adjournment fee in the sum of \$750.

In the event the Units have not been separately assessed for real estate tax purposes prior to the Closing of Title to the first Unit, Sponsor may place in escrow, in the name of the Board of Managers, an amount equal to the unpaid real estate taxes which will be levied against the Units in the Condominium for the six (6) month period following the first Closing. Thereafter, at each Closing during said period, each Purchaser will reimburse the Sponsor for the pro-rata amount paid on behalf of said Unit. Alternatively,

the Sponsor may place in escrow, in the name of Board of Managers, an amount equal to the real estate taxes attributable to the unsold Units for such six (6) month period and may collect at each Closing the estimated amount of taxes attributable to such Unit for the balance of the six (6) month period. The Board of Managers will pay the real estate taxes from the escrow account when taxes are due and payable. After the Units are separately assessed, the funder of the escrow account and the Unit Owner will be reimbursed for any overpayment of taxes or assessed for an underpayment.

Purchaser shall also pay, or reimburse to Sponsor, if Sponsor has already made payment, the following charges: (a) inspections and (b) appraisals.

If through no fault of Sponsor, Purchaser fails for any reason to Close Title after the date originally scheduled in Sponsor's Notice of Closing or such later date (if applicable) to which Sponsor in a subsequent Notice for Closing adjourned the Closing, all of the aforementioned apportionments shall be made as of midnight of the day preceding (i) the date originally scheduled for Closing or (ii) Sponsor's adjourned Closing Date (as the case may be). In addition, Purchaser shall pay to Sponsor at or prior to the actual Closing an amount equal to .0438% per day (which equals an annual rate of 16%) of the purchase price for the Unit for each day beyond such originally scheduled or Sponsor adjourned Closing Date, to and including the date of actual Closing, for reimbursement and defrayal of Sponsor's carrying costs and other charges.

The fee title policy premiums and the recording charges set forth above are estimates based on the rates in effect as of the date of this Offering Plan. If said premiums, charges or rates are subsequently revised by the title company, the State, or Municipality, each Purchaser shall be required to pay the title policy premiums, recording charges and Closing Costs in effect as of the date of the Closing of Title to their Residential Unit.

The Sponsor anticipates that the only items which will be apportioned at the Closing of Title to the Residential Units will be real estate taxes and sewer charges, if any, and Common Charges, if they have been declared by the Board of Managers. The adjustments will be made as of 11:59 P.M. on the day preceding the Closing Date. In the event there are any other items which are to be apportioned at closing, said items will be adjusted at the Closing. The Sponsor will advise the Purchaser of the Closing Date by giving Purchaser written notice at least thirty (30) days prior to the Closing Date.

XIX. RIGHTS AND OBLIGATIONS OF THE SPONSOR

No bond or other security has been furnished to secure performance of the following obligations. All obligations pertaining to the Common Elements shall be enforceable only by the Board of Managers on behalf of the Unit Owners and not by the individual Unit Owners. During the time the principals of the Sponsor control the Board of Managers, it is within their sole power to enforce the obligations of the Sponsor pertaining to the Common Elements. The following shall pertain to the Sponsor:

1. Although Sponsor will endeavor in good faith to sell the Residential Units in the Condominium, Sponsor will retain the unconditional right to rent rather than sell the Residential Units. As a result, since Sponsor is retaining the unconditional right to rent rather than sell the Residential Units after the Consummation of the Offering Plan, this Plan may result in the creation of a condominium in which a majority of the Residential Units are not owned by owner-occupants or investors who are unrelated to the Sponsor and Purchasers for their own occupancy may never gain control of the Board of Managers under the terms of the Offering Plan. Due to the fact Sponsor is not limiting the conditions under which it will rent rather than sell the Residential Units, under such circumstances, there would be no commitment to sell more Residential Units than the fifteen (15%) percent of the Residential Units being offered for sale excluding units of an ancillary nature ($15\% \times 27 = 5$ Residential Units) necessary to declare the plan effective and owner-occupants may never gain effective control and management of the Condominium, in such an event. Sponsor shall not rent a Residential Unit in the Condominium prior to Consummation of the Plan as defined in Title 13 NYCRR § 20.1(c)(6). See Section XVI of the Offering Plan.
2. The Sponsor has the obligation to defend any suits or proceedings arising out of Sponsor's acts or omissions under applicable law and regulations and the obligations in the Plan, and to indemnify the Board of Managers and the Residential Unit Owners.
3. All representations under the Offering Plan, all obligations pursuant to the General Business Law, and such additional obligations under the Offering Plan which are to be performed subsequent to the Closing Date will survive delivery of the deed.
4. Until title to a Unit is passed to a Purchaser, the Sponsor will pay such Common Charges, Special Assessments, and real estate taxes, as are assessed by the Board of Managers of the Condominium, and the City of New York on the Units to which title has not passed. Once title is passed to a Purchaser the Purchaser shall be solely responsible for all Common Charges, Special Assessments, real estate taxes and all other costs applicable to the Unit(s), as are assessed by the Board of Managers of the Condominium and the City of New York. No bond or other security has been

posted to secure such obligations. Sponsor will fund its financial obligations to the Condominium from the income derived from the sale of the Units and Sponsor's assets. Sponsor currently has the resources necessary to meet its obligations under the Offering Plan. During the Sponsor Control Period, Sponsor shall have the right, in its sole and absolute discretion, to cause the Condominium Board to waive the collection of some or all of the Common Charges, as set forth in the Condominium's budget from Unit Owners. During said period, Sponsor in its sole and absolute discretion; provided, however, that Sponsor shall have the right to either (a) be solely responsible for the payment of all actual expenses to operate the Condominium (the "Waiver Period"), or (b) cause the Condominium Board to assess Unit Owners their proportionate share of all actual operating expenses of the Condominium based on their respective Common Interests or as otherwise set forth in the budget, including, but not limited to, insurance premiums and any reserve fund payments included in the budget (the "Reduced Service Period"). In connection with the Waiver Period or Reduced Service Period, (i) Sponsor will disclose the implementation of such Waiver Period or Reduced Service Period in the amendment to the Plan that discloses the occurrence of the First Closing; (ii) Sponsor or the Managing Agent will notify Purchasers and Unit Owners of the expiration of the Waiver Period or Reduced Service Period at least 30 days prior to the expiration thereof, and (iii) Sponsor will disclose the expiration of the Waiver Period or Reduced Service Period in the next substantive amendment to the Plan. During any Waiver Period, Sponsor and/or Unit Owners will timely pay all actual expenses of the Condominium, including but not limited to insurance premiums and any reserve fund payments included in the budget. At such time as the Condominium Board commences the collection of Common Charges in accordance with the total proposed budget contained in Schedule B (the "Total Budget"), there will not be an assessment for any expense line item set forth in the budget, or maintenance fee that would have been due prior to the expiration of the Waiver Period or Reduced Service Period. Sponsor is not obligated to collect Common Charges based on a Waiver Period or Reduced Service Period and can commence collection of the Common Charges based upon the total Common Expenses reflected in the Total Budget provided in Schedule B of the Offering Plan.

5. The risk of loss or damage to the Residential Unit by fire or any other cause until delivery of the deed is assumed by the Sponsor. In the event a substantial portion of the Residential Unit or Condominium shall be destroyed or damaged prior to Closing, Sponsor shall be entitled to cancel the Purchase Contract by written notice to the Purchaser, together with a check in the amount of the Deposit paid by Purchaser, with interest, if any and any Extras paid by Purchaser. The parties shall thereafter be released from any further liability. In the event a Purchaser takes actual possession prior to Closing, said Purchaser will assume the risk of losses not covered by insurance upon production of the policy by the Sponsor to the Purchaser which provides that actions of interim lessees are not covered under the

then existing policy. If Purchaser is or becomes the occupant or tenant (if rentals are permitted) of the Residential Unit prior to Closing, then, as of the date of Purchaser's occupancy, Purchaser shall be responsible for any and all damage caused by any acts or omissions of Purchaser, or Purchaser's agents, employees, invitees, or family members. If any part of the Residential Unit is damaged or destroyed by any casualty prior to Closing, Sponsor will have the option to restore the Residential Unit to its previous condition as soon as reasonably possible. The additional time required to restore a damaged Residential Unit will not affect the outside date for the Closing of Title set forth in the Purchase Contract without the consent of the Purchaser. Purchaser will not have any right to reject a damaged Residential Unit if no additional time for repair is required beyond the initial Closing Date. Sponsor agrees to notify Purchaser of Sponsor's decision within ten (10) business days of the date of such casualty. In the event Sponsor elects not to restore the Residential Unit, then the Purchase Contract will terminate, and the Purchaser will receive a full refund of all monies paid to Sponsor. The Purchaser and Sponsor shall thereafter be released from any further liability. In the event a Purchaser does not consent to any additional time to repair the Residential Unit the Purchaser will be in default of the Purchase Contract and the Sponsor will have the right to send Purchaser a written notice of default giving Purchaser thirty (30) days from the date of such notice to cure any such default. Time is of the Essence for Purchaser to cure such default within such thirty (30) day period. In the event the default is not timely cured, the Purchase Contract, at Sponsor's option, shall be deemed cancelled and Sponsor shall retain as liquidated damages, all amounts paid by Purchaser (including upgrades and extras) and the Residential Unit may be sold by Sponsor without any accounting to Purchaser.

6. Sponsor will initially procure fire and casualty insurance for the Condominium on the terms set forth in the budget. The fire and casualty insurance will either be for an agreed amount replacement value or in an amount sufficient to avoid co-insurance. Each Purchaser will be required to pay a pro-rata portion of the first year Condominium insurance based on each Residential Unit's percentage of common interest.
7. In the event of the dissolution or liquidation of the Sponsor or the transfer of ten (10) or more Residential Units or twenty percent (20%) or more of the total number of Residential Units in the Condominium, whichever is less, the Principals of the Sponsor will provide financially responsible entities or individuals who will assume the status and all the obligations of the Sponsor for those Residential Units under the Offering Plan, applicable laws or regulations.
8. Sponsor has received a Loan from the Lender which will enable Sponsor to construct the Condominium. The Sponsor will be obligated to pay off and otherwise comply with the terms of any mortgage on Sponsor's interest in

the Units in the Condominium. After the recording of the Declaration and before the Closing of Title to the first Unit, any mortgage will be satisfied, or released, or subdivided, extended, and consolidated with the individual permanent mortgages which will be placed on the Units of those Purchasers obtaining a mortgage. Any mortgage tax savings as a result of any assignment of a mortgage or pursuant to law shall inure to the benefit of the Sponsor. Sponsor may, but is not obligated, to request that a Purchaser's lender take an assignment of Sponsor's mortgage loan for the purpose of obtaining the mortgage tax credit. In addition, before the Closing of Title to the first Unit, all liens and mortgages affecting the Condominium shall be paid and satisfied or the Unit being conveyed, and its appurtenant Common Interest shall be released therefrom by partial release duly recorded. The Sponsor's Loan provides that each Unit will be released from the lien of the Loan at each Closing upon the payment to the lender of a release price. The Loan will not have any limitations or requirements that provide when Sponsor may rent rather than sell.

9. The Sponsor will diligently and expeditiously complete construction of the Condominium in accordance with the plans and specifications described herein and will diligently perform all of its obligations set forth in this Offering Plan and will deliver to the Board of Managers a copy of the "as built" plans filed with the recording of the Declaration or any amendment thereto and in addition will provide the Board of Managers with a full set of building plans filed with the City of New York together with any "field changes" made during the course of construction. Although the Sponsor intends to use the materials, fixtures, appliances, and equipment described herein and in the building plans, the Sponsor reserves the right to substitute materials, fixtures, appliances, and equipment of Equal or Better Quality or design for any of those set forth. Sponsor reserves the right to change the size, number and location of the improvements or Common Elements, provided such changes do not change or adversely affect the Percentage of Common Interest of any Residential Unit to which title has closed or for which a Purchase Contract has been executed and is in effect unless all affected Residential Unit Owners and Purchasers consent in writing to such a change. Sponsor reserves the right to change the floor plan of a Residential Unit as long as the percentages of Common Interest for the Residential Units is not affected, there is no Purchase Contract in effect for said Residential Unit and as long as the Sponsor does not change the total number of Residential Units being offered for sale or the total number of Buildings in the Condominium. In such an event Sponsor will amend the Offering Plan to reflect the revised floor plan. Sponsor reserves the right to determine the location of electric, gas and water meters, electric transformers, air conditioning compressors, other Building wide equipment, mailboxes; and make any other changes required by the City of New York.
10. The Sponsor will obtain a permanent or temporary Certificate of Occupancy and any other certificate or permit required by law for the Building or Residential Unit before the Closing of Title to a Residential Unit and will, at

its own cost, perform any work and supply any materials necessary to obtain the Certificates or permits. In the event a permanent Certificate of Occupancy is not issued as of the Date of Closing of a Residential Unit, Sponsor anticipates obtaining the permanent Certificate of Occupancy within two (2) years of the Closing of the Residential Unit. However, Sponsor and its principals make no representation or guarantee that the New York City Department of Buildings will issue the permanent Certificate of Occupancy within such two (2) year period. Sponsor and its principals will obtain the permanent Certificate of Occupancy prior to the expiration of any temporary Certificate of Occupancy unless the temporary Certificate of Occupancy is extended. Purchasers should refer to Special Risk No. 34 regarding Sponsor's right to Close Title with a temporary Certificate of Occupancy.

In the event a permanent Certificate of Occupancy for the Building or an Individual Residential Unit has not been issued as of the Date of Closing for said Residential Unit, the Sponsor will continue to hold all Deposits and funds in the special escrow account required pursuant to Section 352-e (2-b) and 352-h as described in Section XIV of the Offering Plan unless Sponsor's engineer or architect certifies that a lesser amount will be reasonably necessary to complete the work needed to obtain a permanent Certificate of Occupancy. Any sum of money exceeding the amount certified by the Sponsor's engineer or architect will be released to the Sponsor. Upon the issuance of the permanent Certificate of Occupancy, such escrow Deposit will be released to Sponsor without the consent of any other party. Alternatively, Sponsor may deposit with an escrow agent an unconditional, irrevocable letter of credit or post a surety bond in the amount certified by Sponsor's engineer or architect. In such event, it will disclose such fact by duly filed amendment to the Plan.

Residential Unit Owners will not be permitted to make any changes, additions, or alterations to their Unit or Storage Space, that is subject to a License Agreement, prior to the issuance of a permanent Certificate of Occupancy for the Residential Unit and/or Building. Residential Unit Owners are responsible for obtaining all necessary permits from the City of New York and any other required municipal agencies for any changes the Residential Unit Owner makes to their Residential Unit subsequent to the Closing of Title with the Sponsor. Sponsor will not be liable for nor responsible to a Residential Unit Owner in the event an inspection by the Department of Buildings of the City of New York prevents the issuance of a renewal and/or extension of a temporary Certificate of Occupancy or permanent Certificate of Occupancy as a result of changes made to the Residential Unit by a Residential Unit Owner. In the event a Residential Unit Owner makes any changes, additions or alterations to their Residential Unit prior to the issuance of a Permanent Certificate of Occupancy for the Residential Unit and/or Building, the Residential Unit Owner shall reimburse Sponsor within ten (10) days following Sponsor's demand therefor, for any and all costs incurred by Sponsor with respect to Residential Unit Owner's

changes to the Residential Unit that prevent the extension or renewal of a Temporary Certificate of Occupancy or the issuance of a final Certificate of Occupancy by the Department of Buildings of the City of New York.

11. At the Closing of Title, the Sponsor will deliver and assign the certificates and warranties delivered to it and transferable to Purchaser. Sponsor's liability pursuant to any manufacturers' warranties covering heating, appliances, electricity, plumbing, and roofing are limited solely to the extent that such warranties are delivered to Sponsor, transferable to the Purchaser or to the Condominium Board of Managers and then only as against such manufacturer.
12. The acceptance of a deed by a Purchaser will be deemed an acknowledgment that Sponsor has performed and discharged every agreement and obligation on the part of Sponsor to be performed under the Plan except those (if any) which may be expressly stated in the Plan, in the Purchase Contract, in 13 NYCRR, Part 20 (the regulations of the Attorney General of the State of New York governing the acceptance for filing of this Plan), and in General Business Law Section 352-e to survive delivery of the deed. The Purchaser of a Residential Unit will inspect their Unit and any Storage Space that is subject to a License Agreement, prior to the Closing Date and will execute at such time an inspection statement acknowledging Purchaser's acceptance of the Unit and Storage Space, if applicable, in good condition and in accordance with the terms of the Plan, provided that if Purchaser finds that Sponsor's improvements have not been completed as described in the Plan then Sponsor and the Purchaser in question will agree to include on the inspection statement a list of incomplete work of a material nature to be completed in the Residential Unit by Sponsor as provided in the Purchase Contract. Sponsor will have no obligation to complete any work which is not specifically designated by the Purchaser on the inspection statement. A Purchaser will receive prior notice that a Residential Unit is available for inspection pursuant to this paragraph, as more particularly set forth in the Purchase Contract in Part II of the Plan. A Purchaser who fails to inspect such Residential Unit will be deemed to have accepted the Residential Unit in good condition and in accordance with the terms of the Plan. Notwithstanding the foregoing, Purchaser will retain the right to pursue any remedy available under their individual Limited Warranty. After Closing of Title to each Residential Unit the Purchaser thereof must comply with the procedures established by the Managing Agent or the Board of Managers regarding such Purchaser's move in and out of the Residential Unit. This may include "move in" and/or "move out" fees which will be refunded to the Purchaser unless the Purchaser or the Purchaser's agents cause damage to the Building during the move in or move out of the Residential Unit. In such an event the move in or move out fees will be used to repair said damage. In the event the move in and move-out fees paid are less than any damage caused, the Purchaser will be responsible for the additional amount of the damage. In the event the move

in or move out fees paid are greater than the damage caused, the Purchaser will be refunded the excess amount.

13. In view of the fact the Condominium will consist of a Building containing more than five (5) stories the Housing Merchant Implied Warranty Law contained in Article 36-B of the General Business Law is not applicable. Notwithstanding said fact, the Sponsor will correct any defects in the construction of the Residential Unit or in the installation or operation of any mechanical equipment therein or for the exclusive use of the Residential Unit due to materials or improper workmanship substantially at variance with the plans and specifications, as may have been changed by Sponsor from time to time provided that it is notified of such defects in writing by certified mail within one (1) year from the date of Closing of Title to the Residential Unit in which the alleged defect exists ("Limited Warranty"). If a defect occurs in an item which is covered by this warranty, the Sponsor or Sponsor's contractors will (a) repair or (b) replace the defective item. The choice between repair or replacement is strictly the Sponsors.

Purchaser should note that:

- (a) No steps taken by Sponsor or Sponsor's contractors to correct a defect shall act to extend the warranty period.
- (b) Sponsor accepts no responsibility for any warranty obligation for incidental or consequential damage caused by any defect.
- (c) The Limited Warranty is extended to Purchaser and is not extended to any subsequent purchaser, tenant, or mortgage lender who takes possession of a Residential Unit.
- (d) The Limited Warranty shall be void if Purchaser, tenant or occupant, misuses, abuses or otherwise interferes with or changes Sponsor's original construction or installations, or if Purchaser, tenant or occupant hires any outside contractor to do any work during the warranty period.
- (e) Sponsor is not responsible for any work or material ordered directly by Purchasers from Sponsor's contractors or suppliers, or other outside suppliers and contractors.

Regarding the Common Elements of the Condominium not covered by any Limited Warranty, the Sponsor will correct any defects in the construction of the Common Elements, or in the installation or operation of any mechanical equipment therein, due to improper workmanship or material substantially at variance with this Offering Plan as may be changed by Sponsor from time to time provided and on condition that Sponsor is notified of or becomes aware of such defect(s) within twelve (12) of the issuance of a temporary or permanent Certificate of Occupancy, whichever is issued upon the Closing of Title to the first Residential Unit. In no event will Sponsor be liable for consequential damages (whether based on negligence, breach of contract,

warranty, or otherwise), it being intended that Sponsor's sole obligations under the Plan will be to repair or, at Sponsor's option, replace (or cause to be repaired or replaced) any defective item of construction (whether arising as a result of defects in material or improper workmanship or material substantially at variance with the Plans and Specifications), subject to the terms and conditions (and within the time limits) set forth in this paragraph. The quality of construction shall be comparable to local standards customary in the particular trade and in accordance with the plans and specifications.

In no event will Sponsor be responsible for any condition in the Residential Unit or the Common Elements resulting from (i) normal wear and tear or natural deterioration or from the normal movement, settlement and/or shrinkage of the Building and/or Building materials; (ii) defects of an insubstantial nature, such as, without limitation, partial or total loss of any trees, shrubs, bushes or other landscape improvements that may abut the Building, nail pops, protruding dry wall fastenings, ridging on gypsum board, lumber shrinkage, door or window sticking, door warpage including, without limitation, warpage of the main entrance door within reasonable tolerances of doors of similar size and weight, scratches in plastic laminate, vitreous china, natural stone, wood, stainless steel or porcelain surfaces; bathroom finish grouting; adjustment of doors; walls not square; electrical plates not straight; discoloration or shrinkage; slight separation between base and floors; (iii) normal settlement and deflection or any consequential damage resulting therefrom including, without limitation, cracks in roof ballast, or concrete cracks which do not reduce the structural integrity of the Building; (iv) deviations in the level of ceilings, and imperfections in ceiling finishes; (v) imperfections in painting finishes; (vi) deviations in the level of a floor or failure of finished floors and walls to be straight or on plane or at less than 90° from each other; (vii) alignment of bathroom finishes and variation in grouting thickness; (viii) air infiltration and water infiltration from windows in accordance with customary practice and professional standards; (ix) noise from normal plumbing and the HVAC system; (x) normal floor noises and creaking; (xi) carpet or floor discoloring or stretching; (xii) scratches and imperfections or variations in width, length, thickness, finish or color range of wood floor strips or other flooring or floor finishes, also, normal shrinkage or expansion of wood flooring due to changes in moisture content of wood; (xiii) repair of chips, scratches, mars, breaks, dents, cracks or other defects in: exterior stone; windows, window glass, frames and hardware; insulation attached to the curtain wall; sliding glass doors, frames, door glass and hardware; louvers; shower doors; lighting fixtures, lenses, baffles and globes; all painted surfaces; all sinks, tubs, basins, water closets; kitchen cabinets, back splashes and countertops; vanity tops and cabinets; all tile or natural stone floors and walls; saddles; all appliances; woodwork, millwork and doors; mirrors and after the Residential Unit Closing, paint touch-ups, repair of dented appliances, or replacement of light bulbs; (xiv) cracks or variations in tone or color of natural stone or variations in tone or color of vanity tops or variations in veining of any natural stone surfaces;

(xv) leaching or color variation in color mortar and colored brick, and dimensional variations in brick joints, and mortar droppings on bricks; (xvi) ponding and/or controlled drainage on the roof surface; (xvii) cracks in pressure-treated lumber used or intended for use outside the Building; (xviii) cracks or discoloration in concrete and/or paving; (xix) discoloration to hardware and plumbing finishes; (xx) stains, runs, lumps, shags or imperfections in weave in fabric panels; (xxi) scratched, dirty or cracked lenses in light fixtures; or (xxii) terrace or balcony tiles not laid flat, or color variation in tiles or mortar, or stained tiles; (xxiii) subsequent to the Residential Unit Closing, paint touch-ups, repairs of dented appliances or replacement of fluorescent light ballasts, or (xxiv) salting or color variation in exterior colored mortar and deep colored brick; (xxv) remove mold from the Building or any Residential Unit therein, or (xxvi) or normal water penetration in frameless shower doors. Sponsor will be obligated to repair only abnormally chipped stone, Formica and porcelain surfaces, which repair will be made by filling the stone or Formica or refinishing the porcelain, but Sponsor will not be obligated to replace such stone, Formica or porcelain surfaces. THE ITEMS AND CONDITIONS DESCRIBED IN THIS PARAGRAPH ARE NOT DEFECTS AND MAY BE FOUND IN ANY NEWLY CONSTRUCTED BUILDING OR RESIDENTIAL UNIT. PURCHASERS WHO PURCHASE A RESIDENTIAL UNIT IN THE BUILDING OR IN ANY OTHER NEWLY CONSTRUCTED BUILDING MAY EXPERIENCE SOME OR ALL OF THESE ITEMS AND CONDITIONS IN THEIR RESIDENTIAL UNIT, THE COMMON ELEMENTS OR ELSEWHERE IN THE BUILDING OR RESIDENTIAL UNIT. SPONSOR HAS NO OBLIGATION TO CORRECT OR REPAIR ANY OF THESE ITEMS AND CONDITIONS AND WILL NOT BE LIABLE TO ANY PURCHASER OR THE BOARD OF MANAGERS THEREOF. IF PURCHASERS OR ANY BOARD OF MANAGERS DESIRES TO CORRECT OR REPAIR ANY OF THESE ITEMS OR CONDITIONS, TO THE EXTENT THEY CAN BE CORRECTED OR REPAIRED, THEY WILL HAVE TO PROCEED AT THEIR SOLE COST AND EXPENSE BY THEMSELVES AND/OR UNDER ANY WARRANTIES OR UNDERTAKINGS ASSIGNED TO THEM BY SPONSOR.

The Sponsor has no obligation to make any repair to the Common Elements except as expressly set forth in the Offering Plan.

Sponsor will not be obligated to correct and will not be liable to any Purchaser as a result of (i) any immaterial variations from the plans and specifications or the description of any portion of the Building or a Residential Unit set forth in the Plan or (ii) variations from the Plans and Specifications or the description of any portion of the Building or a Residential Unit set forth in the Plan which are neither in violation of applicable building codes, nor require the approval of any governmental authority having jurisdiction, provided such variations are of Equal or Better Quality than as set forth in the Plans and Specifications or description in this Plan as solely determined by Sponsor's architect. Any such variation

affecting the Building or a Residential Unit which is material will be disclosed in a duly filed amendment to the Plan. Notwithstanding the above, regardless of any limitations in a warranty offered under the Plan or in the Plan, the Sponsor's obligation is to construct the premises in accordance with all applicable codes and filed plans and specifications, and any conflict between the disclaimers and the Sponsor's obligation to construct the premises in accordance with all applicable codes and filed plans and specifications shall be resolved in favor of the latter.

All personal property located within the Residential Unit on the date the Purchase Contract is executed or that is located within a Limited Common Element for the exclusive use of the Residential Unit on the date the Declaration is filed that is owned by the Sponsor or anyone else, will be included in the conveyance to Purchaser of their Residential Unit unless specifically accepted in the Plan or Purchase Contract.

14. The Sponsor will deliver to the Purchaser and/or the Board of Managers upon the recording of the Declaration all manufacturers and sub-contractors heating, electrical, plumbing, roofing and appliance warranties and bonds relating to the Purchaser's Residential Unit or the Common Elements respectively, if any, to the extent made by such manufacturers and subcontractors and to the extent such warranties and bonds are assignable.
15. The Sponsor will pay all contractors, subcontractors and material men and all others involved in the construction of the Condominium for work performed and fixtures, material and equipment supplied or installed in the construction of the Condominium and will cause all mechanics' liens arising out of the construction of the Condominium or the furnishing or installation of fixtures or equipment, to be discharged or bonded promptly after the liens are filed.

The Sponsor will pay all expenses incurred prior to the establishment of the Condominium and will bear and pay all costs and expenses incurred in connection with the creation of the Condominium whenever such costs or expenses are incurred or in connection with the sale of all of the Residential Units held or owned by the Sponsor and will pay all selling expenses including, but not limited to, advertising and printing costs, architect fees, and costs of filing this Offering Plan and amendments thereto.

16. No bond or other security has been posted to secure Sponsor's obligations.
17. The Sponsor reserves the easements, licenses, rights and privileges of a right-of-way in, through, over, under and across the Common Elements of the Condominium for the purpose of completing its construction and sale or rental of Units and facilities in the Condominium and, towards this end, reserves the right to grant and reserve easements and rights-of-way in, through, under, over and across the Common Elements for the installation, maintenance and inspection of lines and appurtenances for public or private

water, sewer, drainage, cable television, and other utilities and for any other materials or services necessary for the completion of the work. Sponsor also reserves the right to connect with and make use of the utility lines, wires, pipes, conduits, cable television, sewers and drainage lines which may from time to time be in or along the Common Elements. Sponsor will be obligated to pay for the cost of any utilities it uses as a result of its use of the easements, licenses, rights, and privileges of a right-of-way. Finally, the Sponsor reserves the right to continue to use the Common Elements and any facilities, sales offices, model or unsold units and signs located on the Common Elements, in its efforts to market or lease the Units in the Condominium. Sponsor will be obligated to repair any damage to the Common Elements and Units caused as a result of its use of the easements, licenses, rights and privileges of a right-of-way to complete the construction of the Condominium. Upon reasonable notice to a Unit Owner, Sponsor shall have a right of access to any Unit for the purpose of carrying out any of the above easements, licenses, rights and privileges. During the construction period some obstructions, detours, storage of materials and equipment will likely be necessary.

18. Pursuant to Section 352-e (9) of the General Business Law, copies of all documents mentioned in this Offering Plan, including without limitation the following, are and will be kept on file at the office of Sponsor set forth on the cover page of this Offering Plan for six (6) years from the date the Declaration is recorded for examination by any person who has purchased a condominium interest offered by this Plan or otherwise has participated in this offering: This Offering Plan; the proposed Declaration and By-Laws of the Condominium; public liability, fire and casualty policy, and Schedules submitted to the Department of Law in conjunction with this Plan. A copy of the form of Residential Unit Owner's Purchase Contract is submitted with this Offering Plan as Schedule D in Part II of the Offering Plan.
19. In accordance with Section 339-p of the Real Property Law, a registered architect or licensed professional engineer shall certify within reasonable tolerances that the floor plans filed with the recording of the declaration are an accurate copy of portions of the plans of the Building as filed with and approved by the municipal or other governmental subdivision having jurisdiction over the issuance of permits for the construction of buildings.

XX. CONTROL BY THE SPONSOR

Prior to the First Annual Meeting the initial Board of Managers will consist of three (3) Sponsor's appointed Members. At the First Annual Meeting of the Residential Unit Owners and thereafter, the Board of Managers shall continue to consist of a total of three (3) elected and/or Sponsor designated Members to the Board of Managers. The Sponsor, as the owner of Unsold Residential Units, will be entitled to designate all of the Members of the Board of Managers of the Condominium until all of the Residential Units in the Condominium have been sold or transferred to Residential Unit Owners other than the Sponsor, its Principals, successors, assignees and/or designees ("Sponsor Control Period"). There is no limit on the period of time it may take Sponsor to convey all the Residential Units in the Condominium and as a result the Sponsor may control the board indefinitely. The First Annual Meeting will be held to elect the new Members of the Board of Managers unrelated to Sponsor within thirty (30) days after the expiration of the Sponsor Control Period. Notwithstanding, the Sponsor shall have the right but not the obligation to voluntarily relinquish control before said date.

As a result of the above the Sponsor will have voting control of the Board of Managers during the Sponsor Control Period. As a result of the fact Sponsor may designate all of the Members of the Board of Managers during the Sponsor Control Period, purchasers for their own occupancy may never gain control of the Board of Managers under the terms of this Offering Plan. Purchasers individually, or as a group, may take legal or administrative action to enforce the Sponsor's obligations to the Condominium. However, they will be unable to do so in the name of the Condominium. In addition, the funds utilized for such actions will either have to be obtained by a Special Assessment of all Residential Unit Owners excluding the Sponsor or obtained through independent funds of the Residential Unit Owners. The Sponsor will also, during this indeterminate period, have control of maintenance, facilities, and services to be provided to the Condominium and will determine the Common Expenses to be paid by all Residential Unit Owners, including the Sponsor and make decisions on behalf of the Condominium whether or not favorable to Residential Unit Owners. Examples of such decisions are, in part, the ability to borrow money, as provided in The Condominium Act (Article 9-B of the Real Property Law, §339-jj) for a capital improvement. Owner-occupants and non-resident owners, including Sponsor, may have inherent conflicts on how the Condominium should be managed as a result of their different reasons for purchasing, i.e., purchasing as a Residential Unit to live in as opposed to purchasing as an investment.

The initial Members of the Board of Managers of the Condominium will consist of Robert Cerrone, Bruno Cerrone and Vincent Ali, Jr., whom are all principals of the Sponsor. The Sponsor shall retain the right to substitute other persons in the place of the above-named individuals until the resignation of the first Board as set forth below. Thereafter the Sponsor shall have the right to substitute Members of the Board it has appointed as Sponsor so determines. The First Annual Meeting will be held within thirty (30) days after the Sponsor Control Period which may occur later than one (1) year after the date of the Closing of Title to the first Residential Unit in the Condominium. At the First Annual Meeting, the Residential Unit Owners will elect and Sponsor, if entitled, will

designate a new Board of Managers. Said Board will consist of three (3) Members. Until such time as the Sponsor relinquishes control of the Board of Managers, the Sponsor shall appoint the three (3) Members of the Board of Managers for one (1) year terms and shall continue to appoint the three (3) members of the Board of Managers until the Sponsor is required to hold the First Annual Meeting.

At such time as all of the Residential Units are Closed Sponsor will not be entitled to any representation of the Members on the Board of Managers. Upon the election and designation of the new Board of Managers at the First Annual Meeting, the Members of the first Board will resign. Members of the Board of Managers, other than Sponsor designees, may be removed for cause by an affirmative vote of sixty- six and two thirds percent ($66\frac{2}{3}^{\text{rds}}$) of the Residential Unit Owners. Sponsor designees may be removed by the Board of Managers for cause. Sponsor designees may be removed without cause solely by Sponsor. Officers of the Condominium may be removed with or without cause, at any time by the affirmative vote of a majority of the whole Board of Managers.

As long as the Sponsor retains at least one (1) Unsold Residential Unit in the Condominium, the Board of Managers may not, without the Sponsor's prior written consent, which will not be unreasonably withheld, (i) make any additions, alterations or improvements to the General Common Elements, Individual Residential Unit's Limited Common Elements of the Condominium that is not a Residential Unit Owner's obligation and/or to any Residential Unit costing cumulatively more than \$50,000, the foregoing not to include necessary repairs and maintenance work; or (ii) assess any Common Charges for the creation of, addition to or replacement of all or part of a reserve, contingency or surplus fund in excess of the reserve for contingencies provided in Schedule B; or (iii) hire any employee in addition to the employees referred to in the Plan; or (iv) enter into any contracts not in existence on the date of the first Closing of Title to a Residential Unit; or (v) borrow money on behalf of the Condominium; or (vi) reduce the services or maintenance set forth in Schedule B; (vii) charge any Special Assessment for a non-budgeted item unless required by law, municipal agency, emergency or for the health and safety of the Condominium; or (viii) increase the Common Charges of the Condominium more than ten (10%) from the prior year's budget, unless documentation is provided to the Sponsor in the nature of a financial statement, bids from contractors or verified increases in utility rates evidencing the need for an increase greater than ten (10%) percent, or (ix) utilize Condominium funds or assess the Sponsor for the purpose of commencing a lawsuit against the Sponsor or any of its principals.

As noted above, the Sponsor has the right to retain control over certain expenditures and fiscal actions of the Board of Managers. Notwithstanding said fact, Sponsor may not exercise veto power over expenses described in Schedule B (the proposed first year budget), or over expenses required:

- (i) to comply with applicable laws or regulations; or
- (ii) to remedy any notice of violation; or
- (iii) to remedy any work order by an insurer; or

- (iv) necessary for the preservation or health and safety of the Condominium or for the health and safety of occupants of the Condominium or required to avoid the suspension of any necessary service to the Condominium.

The above provisions provide that during the Sponsor Control Period, significant financial decisions of the Board of Managers will be decided by the Sponsor. Examples of such decisions are, in part, the ability to borrow money, as provided in The Condominium Act (Article 9-B of the Real Property Law, §339-jj), for a capital improvement all Residential Unit Owners are in favor of, or the ability to enter into a contract with a lawyer and fund legal fees if the Sponsor fails to comply with provisions in the offering.

The detailed provisions for the management of the Condominium are set forth in the attached By-Laws. The By-Laws contain provisions, among others, dealing with the election of the Board of Managers, and Condominium officers, powers of the Board of Managers, voting rights of Residential Unit Owners, assessment of Common Charges, foreclosure of liens for non-payment of Common Charges, management of the Condominium and the use of the Residential Units. The By-Laws provide that the Condominium shall be governed by the Board of Managers, but that the Board of Managers shall have the right to designate Committees or a Managing Agent to carry out such function.

Members and officers of the Board of Managers serve without compensation.

XXI. BOARD OF MANAGERS

The form of the Declaration and By-Laws of Condominium referred to in the Plan appear in Part II as Schedules I and J respectively.

The following is a summary of certain provisions of the By-Laws and Declaration.

Board of Managers

The affairs of the Condominium shall be governed by a Board of Managers. The initial Board of Managers shall consist of three (3) Members designated by the Sponsor ("First Board of Managers") who shall hold office and exercise all powers of the Board of Managers until the First Annual Meeting of the Residential Unit Owners which shall be held within thirty (30) days after the Sponsor Control Period (the "First Annual Meeting"). The initial Members of the Board of Managers of the Condominium will consist of Robert Cerrone, Bruno Cerrone and Vincent Ali, Jr. The Sponsor shall retain the right to substitute other persons in the place of the above-named individuals until the resignation of the first Board as set forth below. Thereafter the Sponsor shall have the right to substitute Members of the Board it has appointed as Sponsor so determines. Until succeeded by the Members elected at the First Annual Meeting of Residential Unit Owners, Members need not be Residential Unit Owners; thereafter, all Members, other than designees or nominees of the Sponsor, shall be Residential Unit Owners. The Members shall be elected or designated at the Annual meeting of the Residential Unit Owners.

Each Residential Unit owner shall have one vote for each Residential Unit Owner for all voting purposes at any meeting of the Residential Unit Owners. Parking Space Unit Owners shall not be entitled to any votes for any Parking Space Unit they own. Further, a Licensee of a Storage Space shall not have any votes for the Storage Space that is subject to a License Agreement.

At the First Annual Meeting of Residential Unit Owners a total of three (3) Members shall be elected or designated. Subsequent to the Sponsor Control Period and at such time as the Sponsor has sold all of the Residential Units, the Sponsor will not be entitled to any Members on the Board of Managers. Thereafter, all Members shall be elected by the Residential Unit Owners for a one (1) year term.

The three (3) Residential Unit Owners receiving the highest number of votes shall be elected to the Board of Managers. Each Residential Unit Owner shall be entitled to cast one vote for each Member to be elected to the Board of Managers. At the expiration of the initial term of office of each respective Member, their successor shall be elected to serve a term of one (1) year. The Members shall hold office until their successors have been elected and hold their first meeting.

Any Residential Unit Owner in default of the payment of Common Charges, Special Assessments, late fees, interest and/or penalties shall be ineligible to be elected to the Board of Managers and/or vote at any general, Annual, or special meeting.

The Sponsor shall have the right to designate the Members of the Board of Managers until the closing of title to all Residential Units in the Condominium. This Section may not be amended without the written consent of Sponsor.

In addition to the Members designated by the Sponsor, as long as Sponsor retains an unsold Residential Unit in the Condominium, Sponsor may vote as Sponsor so determines for any other Members, so long as the Members are not on Sponsor's slate of Members for the Board of Managers, Sponsor's payroll or as long as they did not receive other financial backing from the Sponsor other than any mortgage that may be held by the Sponsor or affiliated entity of the Sponsor, if applicable.

Sponsor is entitled to designate all the Members to the Board of Managers during the Sponsor Control Period. Sponsor Members shall be appointed for a one (1) year term. At the expiration of the Sponsor Member terms, if Sponsor is still entitled to nominate Members to the Board of Managers, the Sponsor Members shall thereafter continue to be appointed as Members for one (1) year terms until the Sponsor is required to relinquish the position or Sponsor voluntarily resigns the position. When the designated Members of the Board of Managers of the Sponsor are required to relinquish their position on the Board of Managers the Sponsor will call for the First Annual Meeting of the Residential Unit Owners as per the provisions of Article II, Section 9 of the By-Laws. The Sponsor shall have the right to voluntarily resign a position on the Board of Managers prior to the Sponsor Control Period. In such an event the Board of Managers will either (a) call for a Special Meeting of the Residential Unit Owners pursuant to the provisions of Article II, Section 10 of the By-Laws to elect a Residential Unit Owner for the balance of the Sponsor Member term or (b) the remaining Members of the Board of Managers will appoint a Residential Unit Owner to the Board of Managers for the balance of the Sponsor Member term. At the expiration of the term the Residential Unit Owners shall have a meeting to elect a Residential Unit Owner to a one (1) year term. Notwithstanding the aforementioned, in the event the Sponsor voluntarily relinquishes a position on the Board of Managers before the Sponsor is obligated to do so, upon notice from the Sponsor to the Board of Managers that the Sponsor desires to reclaim said position the Member appointed or elected to said position shall resign and the Sponsor shall reappoint a Member to the Board.

Special Meetings

The Board of Managers shall have the right to designate or approve a contractor to do any such work required by a Unit Owner at the Unit Owner's sole expense.

Insurance to be Carried by Board of Managers

The Board of Managers shall be required to obtain and maintain, to the extent obtainable from generally acceptable insurance carriers, the following insurance: blanket property insurance, liability insurance as provided below, flood insurance (if applicable), fidelity bond coverage and worker's compensation, insuring all of the Common Elements, no matter how classified and the Units in the Building of the Condominium (except land,

foundations, excavation and other items normally excluded from coverage) including fixtures, to the extent they are part of the Common Elements of the Condominium, building service equipment and supplies and other common personal property belonging to the Condominium. In addition, any fixtures, equipment or other property within or part of the Units which are to be financed by a mortgage (regardless of whether or not such property is part of the Common Elements, but not including wall, ceiling or floor decoration, furniture, furnishings or other personal property supplied or installed by the Unit Owners), contained therein, covering the interest of the Condominium, the Board of Managers and all Unit Owners and their mortgagees, as their interest may appear, in an amount equal to the full replacement value of the Building, exclusive of land, foundation, excavation and other items normally excluded from coverage. Each of such policies shall be in favor of the Condominium and shall contain a New York standard mortgagee clause in favor of each mortgagee of a Unit which shall provide that the loss, if any, there under shall be payable to such mortgagee as its interest may appear, subject, however, to the loss payment provisions in favor of the Board of Managers and the Insurance Trustee as defined below, hereinafter set forth; and such other insurance as the Board of Managers may determine. All such policies shall provide that adjustment of loss shall be made by the Board of Managers with the approval of the Insurance Trustee, and that the net proceeds thereof, if \$100,000 or less, shall be payable to the Board of Managers, and if more than \$100,000 shall be payable to the Insurance Trustee. Each Unit Owner and each Unit Owner's mortgagee, if any, shall be beneficiaries of the policy to the extent of the Percentage of Common Interest applicable to said Unit.

The blanket property insurance as provided above will commence with the Closing of Title to the first Residential Unit.

All policies of physical damage insurance shall contain waivers of subrogation and of any reduction of pro rata liability of the insurer as a result of any insurance carried by Unit Owners or of the invalidity arising from any acts of the insured or any Unit Owners and shall provide that such policies may not be canceled or substantially modified without at least ten (10) days prior written notice to all of the insured, including all mortgagees of a Unit. Duplicate originals of all policies of physical damage insurance and of all renewals thereof together with proof of payment of premiums, shall be delivered to all mortgagees of a Unit at least ten (10) days prior to expiration of the current policies. Prior to obtaining any policy of fire insurance or any renewal thereof, the Board of Managers shall obtain an appraisal from a fire insurance company or otherwise of the full replacement value of the Building, including all the Common Elements appurtenant thereto to determine the amount of fire insurance to be erected pursuant to this Section.

All policies must also provide for the following: recognition of any, Insurance Trust Agreement; a waiver of the right of subrogation against Unit Owners individually; that the insurance is not prejudiced by any act or neglect of individual Unit Owners which is not in the control of such Unit Owners collectively; and that the policy is primary in the event the Unit Owner has other insurance covering the same loss. All policies shall include the standard form of a "Special Condominium Endorsement" or its equivalent. All policies shall include an "Agreed Amount Endorsement" and, if available, an "Inflation Guard Endorsement".

The Board of Managers shall also be required to obtain and maintain, to the extent obtainable, public liability insurance in such limits as the Board of Managers may from time to time determine, covering the Common Elements, each Member and Officer of the Board of Managers, the managing agent, and each Unit Owner. Such public liability coverage shall also cover cross liability claims of one insured against another. Until the first meeting of the Board of Managers following the first annual Unit Owners meeting, such public liability insurance shall be a minimum of \$1,000,000 covering all claims for bodily injury, deaths and property damage arising out of one occurrence in connection with the operation, maintenance or use of the Common Elements, and legal liability arising out of lawsuits related to employment contracts of the Condominium. Such policies must provide that they may not be cancelled or substantially modified, by any party, without at least ten (10) days' prior written notice to the Condominium and to each holder of a first mortgage on any Unit in the Condominium which is listed as a scheduled holder of a first mortgage in the insurance policy. Such coverage may also include protection against such other risks as are customarily covered with respect to condominiums similar in construction, location, and use, including, but not limited to, host liquor liability, employer's liability insurance, contractual and all-written contract insurance, and comprehensive automobile liability insurance. Such public liability insurance shall commence on the closing of title to the first Residential Unit.

In addition to the above, blanket fidelity bonds shall be required to be maintained by the Condominium for all officers, directors and employees of the Condominium and all other persons handling or responsible for, funds of or administered by the Condominium. In the event a management agent has the responsibility for handling or administering funds of the Condominium, the management agent shall be required to maintain fidelity bond coverage for its officers, employees and agents handling or responsible for funds of, or administered on behalf of the Condominium. Such fidelity bonds shall name the Condominium as an obligee and shall not be less than the estimated maximum of funds, including reserve funds, in the custody of the Condominium or the management agent, as the case may be, at any given time during the term of each bond. In no event may the aggregate amount of such bonds be less than a sum equal to 3 months aggregate assessments on all Units plus reserve funds. The bonds shall contain waivers by the issuers of the bonds of all defenses based upon the exclusion of persons serving without compensation from the definition of "employees", or similar terms or expressions. The premiums on all bonds required herein, except those maintained by the management agent, shall be paid by the Condominium as a Common Expense. The bonds shall provide that they may not be cancelled or substantially modified (including cancellation for non-payment of premium) without at least 10 days' prior written notice to the Condominium or Insurance Trustee. Such bonds shall also provide that, if applicable, the Federal National Mortgage Association, ("Fannie Mae") Servicers on behalf of Fannie Mae, also receive such notice of cancellation or modification.

Residential Unit Owners shall be required to carry individual insurance on their Residential Units as provided in Section 4 of Article VII of the By-Laws.

The Insurance Trustee

The Board of Managers on behalf of the Condominium, shall name an authorized representative, including any trustee with whom the Condominium may enter into any Insurance Trust Agreement or any successor to such trustee (each of whom shall be referred to herein as the "Insurance Trustee") who shall have exclusive authority to negotiate losses under any policy providing such property or liability insurance and to perform such other functions as are necessary to accomplish this purpose subject to the adjustment of loss provision contained in the first paragraph of Section 1 of Article VII of the By-Laws. The Insurance Trustee shall be a bank, trust company, attorney or other permitted company located in the State of New York designated by the Board of Managers. All costs associated with the Insurance Trustee shall constitute a Common Expense of the Condominium. In the event the Insurance Trustee resigns or fails to qualify, the Board of Managers shall designate a new Insurance Trustee which shall be a bank, trust company, attorney or other permitted company located in the State of New York. The Insurance Trustee shall have a capital, surplus and undivided profits of \$10,000,000 or more.

Restoration or Reconstruction After Fire or Other Casualty

In the event of damage to or destruction of the Building as a result of fire or other casualty (unless seventy-five [75%] percent or more of the Units are destroyed or substantially damaged and seventy-five [75%] percent or more of the Unit Owners do not duly and promptly resolve to proceed with repair or restoration), the Board of Managers shall arrange for the prompt repair and restoration of the Building (including any damaged Unit, and any kitchen or bathroom fixtures initially installed or changed therein by the Sponsor, any heating, air conditioning or other service machinery which is covered by insurance but not including any wall, ceiling or door decorations or coverings or other furniture, furnishings, fixtures or equipment installed or changed by Unit Owners in the Units), and the Board of Managers or the Insurance Trustee, as the case may be, shall disburse the proceeds of all insurance policies to the contractors engaged in such repair and restoration in appropriate progress payments. Any cost of such repair and restoration in excess of the insurance proceeds shall constitute a Common Expense and the Board of Managers may assess all the Unit Owners for such deficit as part of the Common Charges.

If seventy-five (75%) percent or more of the Units are destroyed or substantially damaged and seventy-five (75%) percent or more of the Unit Owners do not duly and promptly resolve to proceed with repair or restoration, the Property shall be subject to an action for partition at the suit of any Unit Owner or lienor, as if owned in common in which event the net proceeds of sale, together with the net proceeds of insurance policies (or if there shall have been a repair or restoration pursuant to the first paragraph of Article VII, Section 3 of the By-Laws, and the amount of insurance proceeds shall have exceeded the cost of such repair or restoration then the excess of such insurance proceeds) shall be divided by the Board of Managers or the Insurance Trustee, as the case may be, among all the Unit Owners in proportion to the respective Percentage of Common Interest, after first paying out of the share of each Unit Owner the amount of any unpaid liens on the Unit Owner's Unit, in the order of the priority of such liens.

Unit Owner Insurance

Each Unit Owner is required to carry insurance covering their contents, fixtures, personal property and improvements and betterments (collectively "Contents") and liability insurance covering their Unit and extended to include the Board of Managers, the Condominium, any Managing Agent, and other Unit Owners as additional insured's. Such insurance is subject to the approval of the Board of Managers in advance of the purchase of a Unit, in the Board of Manager's sole discretion. The policy shall be extended to include any additional insured including but not limited to the Sponsor, other Unit Owners, and any Mortgagees. All such insurance must be provided by a carrier that is recognized as a licensed admitted carrier in the State of New York with a rating equal to a Best Rating Guide of AV or better. The Board of Managers reserves the right to alter or increase the coverage required hereunder at any time and from time to time without amendment to the By-Laws. In addition to the foregoing, Unit Owners are instructed to carry coverage for loss of rents, water damage, sewer and drain back up and such other coverage for their contents as they may determine to be in their best interests. The Board of Managers shall have the right to require that a Unit Owner provide evidence to the Board of Managers of the insurance required herein as requested by the Board of Managers.

General

Under no circumstances shall a Unit Owner permit or suffer anything to be done or left in a Unit Owner's Unit which will increase the insurance rates on the Condominium.

Amendment to Declaration

1. The provisions of the Declaration may be modified or amended by an instrument executed by the Board of Managers upon a vote of sixty-six and two-thirds (66⅔%) percent of the Residential Unit Owners in number held at a duly called meeting of the Residential Unit Owners, provided however, that:
 - a. No amendment altering a Unit Owner's Percentage of Common Interest shall be made without the consent of all Unit Owners affected.
 - b. No amendment shall be passed which shall affect, impair or prejudice the validity, interest, rights and priorities of mortgagees.
 - c. No amendment, modification, addition or deletion of, to or from the Declaration, the By-Laws or any Rules and Regulations shall be effective in any way against Sponsor or its successors, assigns or designees or against any Unsold Unit, as long as the Sponsor, its successors, assigns, or designees owns an Unsold Unit in the Condominium unless the Sponsor, its successors, assigns or designees has given its prior written consent thereto. This provision is not subject to amendment.

- d. The Declaration may not be altered, amended, or repealed in such a manner as would adversely affect the Sponsor, its successors, assigns or designees without the written consent of the Sponsor, its successors, assigns or designees.
- e. The Board of Managers and the Sponsor, as long as the Sponsor owns an Unsold Unit in the Condominium, shall have the right to amend the Declaration without the vote or consent of the Board of Managers, as it applies to Sponsor, the Unit Owners or the holders of any Unit mortgages and to execute and record in the New York City Registrar's Office, such amendment as may be required to reflect (i) changes in the Declaration (including Schedules A and B), As-Built Floor Plans and Condominium or Unit Designation Map that are corrective in nature or (ii) to resolve or clarify any inconsistency or which is patently a mistake or a scrivener's error, or (iii) technical corrections; or (iv) to comply with any federal, state or city law or regulation that may affect the Condominium. In connection therewith, each Unit Owner upon becoming a Unit Owner shall be deemed to grant an irrevocable power of attorney, coupled with an interest to the Board of Managers of the Condominium and to the Sponsor to amend the Declaration of Condominium for said purposes.
- f. The Sponsor and the Board of Managers shall have the right to amend the Declaration and record the amendment in the New York City Registrar's Office without the vote of the Unit Owners to reconfigure and renumber the Storage Spaces and in the Building under a revised Storage Space plan. Notwithstanding said right, any Residential Unit Owner who is also a Licensee of a Storage Space, shall continue to have the right to continue to utilize the same number of Storage Spaces in the revised Storage Space plan. In connection therewith, each Unit Owner upon becoming a Unit Owner shall be deemed to grant an irrevocable power of attorney, coupled with an interest to the Board of Managers of the Condominium and to the Sponsor to amend the Declaration of Condominium for said purposes.
- g. A Purchaser or Residential Unit Owner who purchases or owns two (2) adjoining Residential Units and is desirous of consolidating the two (2) Residential Units into one (1) Residential Unit may do so subject to obtaining all approvals required by the New York City Department of Buildings, New York City Department of Finance and any other required municipal approvals and obtaining whatever insurance and/or surety is required by the Board of Managers to do whatever work is necessary to consolidate the two (2) Residential Units. The Board of Managers shall be required to cooperate with the Purchaser in amending Schedule B to the Declaration to reflect the consolidation and to change the appurtenant Percentage of

Common Interest so long as the new Percentage of Common Interest equals the Percentage of Common Interest of the Residential Units that were consolidated and the Board of Managers shall have the right to amend said Schedule B without the vote or approval of the Residential Unit Owners. All approvals, revisions, amendments to Schedule B of the Declaration and any other requirements including any legal, engineering, architectural or otherwise necessary to consolidate the Residential Units shall be at the Purchaser's or Residential Unit Owner's sole cost and expense.

- h. In addition, in the case of material changes, approval must be obtained from first mortgage holders representing at least fifty-one (51%) percent of the votes of Residential Units that are subject to first mortgages. A change to any of the following would be considered as material: voting rights; assessments, assessment liens, or subordination of assessment liens; reserves for maintenance, repair and replacement of Common Elements; responsibility for maintenance and repairs; reallocation of interests in the General Common Elements or Limited Common Elements, or rights to their use; boundaries of any Unit; convertibility of Units into Common Elements or vice versa; expansion or contraction of the project, or the addition, annexation or withdrawal of property to or from the project; insurance or fidelity bonds; revisions to the leasing provisions of Units contained in Article XI of the By-Laws ; imposition of any restrictions on a Unit Owner's right to sell or transfer the Unit Owner's Unit; a decision by the Condominium to establish self-management when professional management had been required previously by an eligible mortgage holder; restoration or repair of the project (after a hazard damage or partial condemnation) in a manner other than that specified in the documents; any action to terminate the legal status of the project after substantial destruction or condemnation occurs; or any provisions that expressly benefit mortgage holders, insurers or guarantors. An addition or amendment to the Declaration shall not be considered material if it is for the purpose of correcting technical errors, or for clarification only. Any eligible mortgage holder who received a written request by certified or registered mail, return receipt requested, to approve amendments who does not deliver to the Condominium a negative written response within sixty (60) days of the receipt of the request shall be deemed to have approved such amendment. In order to comply with this provision of the Declaration all Unit Owners are required to provide the Board of Managers with their current mortgage holder when requested by the Board of Managers and whenever a Unit Owner obtains a new mortgage.

There shall be a presumption for a period of sixty (60) days subsequent to the recording of the amendment that the vote of the Residential Unit Owners was made at a

duly called meeting and that the requisite voting percentage was obtained. After the sixty (60) day period such presumption will be deemed conclusive.

2. The Sponsor, its successors, assigns and purchasers of undeveloped or unsold Units shall have the right without vote or consent of the Residential Unit Owners, the Board of Managers or the holders of Residential Unit mortgages to execute or (on its request) to require the Board of Managers to execute and record in the Register's Office of the City of New York, and elsewhere, if required by law, an amendment or amendments to the Declaration (together with such other documents, plan and maps as may be required to effectuate the same) to reflect (i) the certification by a registered architect or professional engineer, certifying that the floor plans and/or amended As-Built Floor Plans, Condominium or Unit Designation Map filed as part of an amended Declaration are an accurate copy of portions of the plans of the Building and fully and fairly depict the layout, location, designation and approximate dimensions of the Units as built, or (ii) utility easements, or (iii) technical corrections to the Declaration and By-Laws to conform to other documents including but not limited to the Offering Plan or as-built plans (iv) to amend Schedule B of the Declaration to conform the model type, square footage and type and number of rooms and any other required information for a specified Unit, so long as the appurtenant Percentage of Common Interest does not change for said Unit subject to (v), (vii) and (viii) hereof or (v) to amend Schedule B of the Declaration prior to the first closing, to effect a change in the Percentage of Common Interest of all or specific Units and revise Schedule B of the Declaration accordingly or (vi) to amend Schedule B of the Declaration to assign or revise a Limited Common Element appurtenant to a Residential Unit or (vii) to amend Schedule B of the Declaration to consolidate or subdivide Residential Units subject to all necessary approvals by the Building Department of the City of New York, or other municipality or administrative agency, to revise the square footage and type and number of rooms and any other required information for a specified Residential Unit and to change the appurtenant Percentage of Common Interest so long as the new Percentage of Common Interest equals the Percentage of Common Interest of the Residential Units that were consolidated or subdivided, or (viii) to effectuate permissible changes in unsold Units including the Percentage of Common Interest of one (1) or more of the Unsold Units as long as it does not change the Percentage of Common Interest of a sold Unit and to amend Schedule B of the Declaration accordingly, or (ix) to amend Schedule B to make technical corrections to said Schedule including, but not limited to, square footage of Units, assign or revise Limited Common Elements appurtenant to a Unit or to revise the number and description of rooms contained in a Unit or (x) to make changes or revisions to comply with the requests, guidelines and/or requirements of any major participant in the secondary market for mortgages, including but not limited to, the Federal National Mortgage Association ("Fannie Mae"), the Federal Home Loan Mortgage Corporation ("Freddie Mac"), the Federal Housing Association ("FHA") of the Housing and Urban Development ("HUD"), the

In connection therewith, each Unit Owner upon becoming a Unit Owner shall be deemed to grant an irrevocable power of attorney, coupled with an interest, to the Sponsor, its successors, assigns and purchasers of undeveloped or unsold Units to amend the Declaration of Condominium for said purposes.

3. Any amendment to the Declaration shall not take effect until it is recorded in the New York City Register's Office.

Regardless of any other provision of the Declaration, no action for partition or division of the Common Elements shall be brought nor shall this plan of condominium ownership be terminated where such partition, division or termination will result in a violation of the then existing local zoning and building laws and codes.

Amendment to By-Laws

The By-Laws may be altered, amended or added to at any duly called Unit Owners meeting; provided: (a) that the notice of the meeting shall contain a full statement of the proposed amendment; (b) that the amendment shall be approved by not less than sixty-six and two-thirds (66 $\frac{2}{3}$ %) percent of the Residential Unit Owners in number and Percentage of Common Interest and (c) said amendment shall be set forth in a duly recorded amendment to the Declaration. This provision is not subject to amendment.
- (c) The Board of Managers shall have the right to amend the By-Laws without the consent of the Unit Owners to make corrections to the By-Laws that are patent errors, inconsistencies, scrivener's errors and technical errors. In connection therewith, each Unit Owner upon becoming a Unit Owner shall

be deemed to grant an irrevocable power of attorney, coupled with an interest, to the Board of Managers to amend the By-Laws for said purposes.

- (d) No amendment to the By-Laws shall be passed which shall impair or prejudice the validity, interest, rights and priorities of a mortgagee.
- (e) The Sponsor shall have the right to amend the By-Laws without the consent of the Unit Owners or the Board of Managers to (a) make corrections that are patent errors, inconsistencies, scrivener's errors or technical errors, to conform to other documents, or (b) to make changes or revisions to comply with the requests, guidelines and/or requirements of any major participant in the secondary market for mortgages, including but not limited to the Federal National Mortgage Association ("Fannie Mae"), the Federal Home Loan Mortgage Corporation ("Freddie Mac"), the Federal Housing Association ("FHA") of the Housing and Urban Development ("HUD"), the Veterans Administration ("VA") and/or any State or Local Funding Agencies, or (c) to reduce the Sponsor control period of the Board of Managers, or (d) to comply with any federal, state or local law or regulation that may affect the Condominium. In connection therewith, each Unit Owner upon becoming a Unit Owner shall be deemed to grant an irrevocable power of attorney, coupled with an interest, to the Declarant, its successors, assigns and purchasers of undeveloped or unsold Units to amend the By-Laws for said purposes.
- (f) In addition, in the case of material changes, approval must be obtained from first mortgage holders representing at least fifty-one (51%) percent of the votes of Residential Units that are subject to first mortgages. An addition or amendment to the By Laws shall not be considered material if it is for the purpose of correcting technical errors, or for clarification only. Any eligible mortgage holder who received a written request by certified or registered mail, return receipt requested, to approve amendments who does not deliver to the Condominium a negative written response within sixty (60)

days of the receipt of the request shall be deemed to have approved such amendment.

Units Acquired by the Board of Managers

All Units which are acquired by the Board of Managers, or its designee as a result of foreclosure of a lien for non-payment of Common Charges or a Right of First Refusal, shall be held by the Board of Managers on behalf of all Unit Owners. The Percentage of Common Interest acquired by the Board of Managers shall remain as designated in Schedule B of the Declaration of Condominium and the Board of Managers shall be responsible for paying all Common Charges appurtenant to said Unit. The Board of Managers shall be entitled to cast all votes that are appurtenant to the Units at any Unit Owners meeting for all purposes except for the election of Members to the Board of Managers.

The Sponsor or its nominee will not cast any of its votes for withdrawal, unless eighty percent (80%) of Unit Owners other than Sponsor so vote.

Covenant Against Partition of Common Elements

The Common Elements are not subject to partition nor are they severable from the Units except in accordance with the Real Property Law.

XXII. RIGHTS AND OBLIGATIONS OF RESIDENTIAL UNIT OWNERS AND BOARD OF MANAGERS

Sale or Lease of Residential Units

Any Residential Unit may be conveyed subject to local zoning ordinances, by its Residential Unit Owner free of any restrictions except that no Residential Unit Owner shall convey, mortgage, pledge, hypothecate or sell their Residential Unit unless and until all unpaid Common Charges, Special Assessments and any other fees or charges owed the Condominium that have been assessed against the Residential Unit Owner's Residential Unit and any Storage Space in which the Residential Unit Owner is the Licensee of the Storage Space shall have been paid to the Board of Managers of the Condominium. However, such unpaid Common Charges can be paid out of the proceeds of the sale of a Residential Unit.

The sale or lease of a Residential Unit is not subject to any right of first refusal by the Board of Managers.

All leases must comply with all the requirements contained in said Section 2. Failure to comply will be deemed an automatic violation of the By-Laws of the Condominium.

The provisions contained herein shall not apply to the acquisition or sale of a Residential Unit by a mortgagee who shall acquire title to such Residential Unit by foreclosure or by deed in lieu of foreclosure. Such provisions shall, however, apply to any purchaser from such mortgagees.

The Board of Managers may not discriminate against any person on the basis of race, creed, color, national origin, sex, age, disability, marital status or other grounds prohibited by law or regulation.

Whenever the term "Residential Unit" is referred to in this section, it shall include the Residential Unit, the Residential Unit Owners undivided Percentage of Common Interest in the Common Elements and the Residential Unit Owners' interest in any

Residential Units acquired by the Board of Managers. In the event the Residential Unit Owner owns a Parking Space Unit the term Residential Unit referred to herein shall also include the Parking Space Unit.

Any sale or lease of any Residential Unit in violation of this section shall be voidable at the election of the Board of Managers.

Every lease on every Residential Unit in the Condominium is subject to the following rules and regulations, regardless of whether stated in the lease:

- (a) No later than thirty (30) days prior to execution of a lease or any renewal lease, the Residential Unit Owner must provide the Board of Managers of the Condominium with a copy of the lease, name of the proposed tenant and terms of the lease, credit and background check (including criminal background), a minimum of two (2) referrals and any other information that may be requested by the Board of Managers;

action in its own name or in the name of the Residential Unit Owner, or both, to have the tenant evicted or to recover damages, or both.

The Board of Managers, in its sole discretion, may add or change any of the criteria in Article XI Section 2 of the By-Laws with respect to the requirements of leasing Residential Units.

In order to carry out the provisions of Article XI of the By-Laws and pursuant to the provisions of Article XIV of the Declaration of Condominium each Residential Unit Owner shall upon becoming a Residential Unit Owner grant an irrevocable power of attorney, to nominate, designate, constitute and appoint the Members of the Board of Managers of the Condominium and their successors, jointly, their true and lawful attorneys-in-fact, coupled with an interest, with power of substitution, in their name and on their behalf, the right to act in their behalf to take any and all action necessary against any tenant(s) that may be residing in a Residential Unit Owner's Condominium Residential Unit including but not limited to, the right to seek an eviction in a court of law for failure to adhere to any of the provisions of the Declaration of Condominium, By-Laws and/or Rules and Regulations of the Condominium. The remedy provided by this subsection is not exclusive and is in addition to any other remedy or remedies available to the Board of Managers of the Condominium. If permitted by present or future law, the Condominium may recover all of its costs, including court costs and reasonable attorney's fees, and these costs shall be a continuing lien on the Residential Unit that shall bind the Residential Unit in the hands of the then Residential Unit Owner and the Residential Unit Owner's successors and assigns. The Board of Managers of the Condominium shall give the tenant and the Residential Unit Owner written notice of the nature of the violation of the Rule and Regulation, and thirty (30) days from the mailing of the notice in which to cure the violation before the Board of Managers of the Condominium may file for eviction.

Each tenant will be bound by the Declaration, the By-Laws and the other Rules and Regulations of the Condominium and recognizes and accepts the right and the power of the Condominium to evict the tenant for any violation by the tenant of the Declaration, the By-Laws and the other Rules and Regulations of the Condominium.

To protect first mortgage lenders and to encourage first mortgage lenders to make loans on Residential Units in the Condominium, only subsections (c), (f), (g), (h), (i), (j) (k) and (l) of Article XI, Section 2 of the By-Laws shall apply to a first mortgage lender who has title to the Residential Unit through (a) foreclosure of its first mortgage on the Residential Unit; or (b) a deed in lieu of foreclosure of its first mortgage on the Residential Unit. Any subsequent purchaser from the first mortgage lender is subject to all the terms of Article XI of the By-Laws. In addition, the provisions of Article XII of the Declaration of Condominium regarding an Institutional Mortgage shall be applicable regarding unpaid Common Charges accrued before acquisition of title of a Residential Unit by the mortgagee.

The foregoing restrictions shall not apply to Sponsor-owned Residential Units. The Sponsor, its successors, assignees, or designees shall have the right to freely sell an Unsold Residential Unit or to freely lease, if rentals are permitted, all or any part thereof

The Board of Managers shall, from time to time, but at least annually, fix and determine the budget representing the sum or sums necessary and adequate for the continued operation of the Condominium and shall send a copy of the budget and supplement to the budget to every Residential Unit Owner. The Board of Managers shall determine the total amount required, including the operational items such as insurance, repairs, reserves, betterments, maintenance of the General Common Elements, Individual Residential Unit's Limited Common Elements that are the obligation of the Condominium and other Common Expenses including but not limited to the Common

In the event a Residential Unit Owner acquires a Parking Space Unit the Percentage of Common Interest of a Parking Space Unit shall be added to the Percentage of Common Interest of the Residential Unit of the Residential Unit Owner who owns said Parking Space Unit and the Residential Unit Owner thereof shall pay all Common Charges associated therewith.

Said assessments shall be payable monthly or in such other manner as determined by the Board of Managers and shall be referred to as Common Charges.

The Board of Managers may also charge additional assessments in excess of the Common Charges for expenses not contemplated, foreseen or which exceed the amount budgeted. Said assessments shall be known as Special Assessments. The Board of Managers shall be entitled to charge a Special Assessment as a single sum or over a period of time as it may determine. Residential Unit Owners shall pay their portion of any Special Assessments in accordance with Section 9 of Article VI of the By-Laws.

The Residential Unit Owner agrees to pay promptly when due the monthly Common Charges and all Special Assessments assessed against the Residential Unit. In the event any Residential Unit Owner fails to make payment of the Residential Unit Owner's Common Charge payment, the Residential Unit Owner who owns such Residential Unit shall be obligated to pay (a) a "late fee" of \$.15 for each \$1.00 of such amounts which remain unpaid for more than ten (10) days from their due date (although nothing herein shall be deemed to extend the period within which such amounts are to be paid) and (b) all expenses, including, without limitation, attorneys' fees paid or incurred by the Board of Managers or by any Managing Agent in any proceeding brought to collect such unpaid Common Charges and/or Special Assessments or in an action to foreclose the lien on such Residential Unit Owner's Residential Unit arising from said unpaid Common Charges and/or Special Assessments in the manner permitted by applicable law. All such "late fees," interest and expenses shall be cumulative and shall be added to and shall constitute Common Charges payable by such Residential Unit Owner.

In addition, in the event of a default in payment of Common Charges by any Residential Unit Owner, the Board of Managers, at its sole option, may declare the Common Charge assessment on said Residential Unit Owner's Unit for the balance of the fiscal year immediately due and payable. Prior to making any such declaration following a default the Board of Managers shall send notice to the delinquent Residential Unit Owner and the mortgagee, if any, of such Residential Unit giving the Residential Unit Owner a five (5) day grace period in which to make the late payment.

The Board of Managers may place a lien and take action to collect any past due Common Charges from any Residential Unit Owner which remains unpaid as provided in Article IX of the By-Laws from its due date by way of foreclosure of the lien on such Residential Unit in accordance with Section 339-aa of the Real Property Law or otherwise.

No Residential Unit Owner shall be liable for any Common Charges, Special Assessments or other charges against a Residential Unit which accrue against the Residential Unit Owner's Residential Unit subsequent to a sale, transfer or other conveyance of the Residential Unit Owner in accordance with the By-Laws and the Declaration. A Residential Unit Owner shall be liable for the payment of all Common Charges, Special Assessments or other charges assessed by the Board of Managers against the Residential Unit after acquiring title to the Residential Unit, as well as any unpaid Common Charges, Special Assessments or other charges assessed against the Residential Unit by the Board of Managers at the time the Residential Unit is conveyed by means of a deed or other legal means of the conveyance, except for a mortgagee of an Institutional Mortgage whom shall be exempt for a portion of the Common Charges as provided below.

Notwithstanding any other provision in the Declaration or the By-Laws any mortgagee of an Institutional Mortgage as defined in the Declaration of Condominium who obtains title to a Residential Unit pursuant to the remedies in the mortgage or through foreclosure will not be liable for more than six (6) months of the Residential Unit's unpaid Common Charges accrued before acquisition of the title to the Residential Unit by the mortgagee unless otherwise required by law. If the Condominium's lien priority includes costs of collecting unpaid Common Charges and/or Special Assessments, the mortgagee of the Institutional Mortgage will be liable for any fees or costs related to the collection of unpaid Common Charges and/or Special Assessments. The unpaid balance of such Common Charges and/or Special Assessments that may be waived will be charged to all other Residential Unit Owners as a Common Expense. Upon acquisition of title the Institutional Mortgagee shall be responsible for all Common Charges, Special Assessments and/or any other costs and expenses of the Condominium thereafter due and payable.

The estimate of Condominium expenditures in Schedules A and B were made by the Sponsor and passed upon by Direct Management Corporation, with an address of 42-14 Astoria Boulevard, Astoria, New York 11103. Although the Sponsor is of the opinion that such estimates are accurate and reasonable, they are not intended and cannot be construed as an assurance of the actual expenses and are merely based upon information available at this time. Actual costs may be lesser or greater than as set forth herein.

It is presently anticipated that the Common Charges are to be used primarily to pay for the expenses detailed in Schedule B of the Offering Plan. The Common Charges and Common Expenses do not include maintenance, repairs or decoration of interior of the Residential Units or portions thereof, payments required pursuant to the terms of Residential Unit Owners' mortgages or real estate taxes covering the individual Residential Units.

The Common Charges which may be collected monthly by the Board of Managers and other costs of maintenance of the Residential Units are set forth on Schedule A. However, additional services which the Residential Unit Owners may desire, or other factors can increase these charges. See Schedule C for estimated utility costs applicable to an individual Residential Unit.

During the Sponsor Control Period, Sponsor shall have the right, in its sole and absolute discretion, to cause the Condominium Board to waive the collection of some or all of the Common Charges, as set forth in the Condominium's budget from Unit Owners. During said period, Sponsor in its sole and absolute discretion; provided, however, that Sponsor shall have the right to either (a) be solely responsible for the payment of all actual expenses to operate the Condominium (the "Waiver Period"), or (b) cause the Condominium Board to assess Unit Owners their proportionate share of all actual operating expenses of the Condominium based on their respective Common Interests or as otherwise set forth in the budget, including, but not limited to, insurance premiums and any reserve fund payments included in the budget (the "Reduced Service Period"). In connection with the Waiver Period or Reduced Service Period, (i) Sponsor will disclose the implementation of such Waiver Period or Reduced Service Period in the amendment to the Plan that discloses the occurrence of the First Closing; (ii) Sponsor or the Managing Agent will notify Purchasers and Unit Owners of the expiration of the Waiver Period or Reduced Service Period at least 30 days prior to the expiration thereof, and (iii) Sponsor will disclose the expiration of the Waiver Period or Reduced Service Period in the next substantive amendment to the Plan. During any Waiver Period, Sponsor and/or Unit Owners will timely pay all actual expenses of the Condominium, including but not limited to insurance premiums and any reserve fund payments included in the budget. At such time as the Condominium Board commences the collection of Common Charges in accordance with the total proposed budget contained in Schedule B (the "Total Budget"), there will not be an assessment for any expense line item set forth in the budget, or maintenance fee that would have been due prior to the expiration of the Waiver Period or Reduced Service Period. Sponsor is not obligated to collect Common Charges based on a Waiver Period or Reduced Service Period and can commence collection of the Common Charges based upon the total Common Expenses reflected in the Total Budget provided in Schedule B of the Offering Plan. See Sections I and XXII of the Offering Plan.

Where a Residential Unit is damaged by casualty and the proceeds of insurance are not sufficient to cover the repair of the damage, the amount necessary to restore the Residential Unit over and above the proceeds from any fire insurance on the Residential Units will be a Common Charge to all Residential Unit Owners. In order to protect the Residential Unit Owner against the possibility of such Common Charges, the Board of Managers determines the amount of blanket casualty insurance covering all Residential Units (the cost of such insurance is part of the Common Charges) and reviews the amount of such coverage annually.

Once title has passed to a Purchaser, the Purchaser will be responsible for all costs, including all Common Charges, in the event the collection of Common Charges has commenced, and all individual expenses associated with the Residential Unit, as well as any costs associated with Individual Residential Unit's Limited Common Elements that are the Residential Unit Owner's responsibility and pertain to the Purchaser's Residential Unit.

Liens for the Non-Payment of Common Charges

Under Section 339-z of the Real Property Law of the State of New York, the Board of Managers shall have a lien against each Unit for its unpaid Common Charges and legal interest thereon prior to all other liens except liens for the payment of taxes and all sums unpaid on a first mortgage of record. The lien shall continue in force even after resale of a Unit except that the Board of Managers shall, in accordance with the Declaration, release the lien and right to collect unpaid Common Charges against any Purchaser of a Unit where such purchase arises out of a foreclosure of a first institutional mortgage when the Board of Managers has been made a party to the foreclosure action.

The Board of Managers may foreclose the lien in the same manner as a mortgage on real property or bring a separate action to collect the unpaid Common Charges and Special Assessments and in doing so shall be entitled to recover all costs incurred including reasonable attorney's fees. The liability of each Unit Owner for the payment of Common Charges and Special Assessments thereafter assessed against the Unit Owner's Unit shall terminate upon a sale, transfer or conveyance of such Unit in accordance with the provisions of the Condominium Declaration and By-Laws. Further, any Unit Owner may convey their Unit to the Board of Managers or its nominee, on behalf of all other Unit Owners, without any compensation and in accordance with the Declaration and By-Laws, and in such event the Unit Owner shall be exempt from any Common Charges and Special Assessments thereafter assessed, but not relieved of their obligation to pay the Unit Owner's mortgage. However, a Unit Owner may not be exempt from liability for the Unit Owner's Common Charges and Special Assessments by waiver of the use or enjoyment of any of the Common Elements or by abandonment of the Unit Owner's Unit.

Upon a resale, the Purchaser of a Unit shall be liable for the payment of unpaid Common Charges and Special Assessments assessed against such Unit prior to the acquisition of such Unit by the Purchaser. Notwithstanding any other provision in the Declaration or the By-Laws any mortgagee of an Institutional Mortgage who obtains title to a Unit pursuant to the remedies in the mortgage or through foreclosure will not be liable for more than six (6) months of the Unit's unpaid Common Charges accrued before acquisition of the title to the Unit by the mortgagee unless otherwise required by law. If the Condominium's lien priority includes costs of collecting unpaid Common Charges the mortgagee of the Institutional Mortgage will be liable for any fees or costs related to the collection of unpaid Common Charges. The unpaid balance of such Common Charges and/or Special Assessments that may be waived will be charged to all other Unit Owners as a Common Expense. Upon acquisition of title the Institutional Mortgagee shall be responsible for all Common Charges, Special Assessments and/or any other costs and expenses of the Condominium thereafter due and payable.

During the period of time the Sponsor retains a majority of the seats of the Board of Managers, the Sponsor will cause the Board of Managers to file a lien as provided for in Section 339-aa of the Real Property Law on Units in which Sponsor is more than thirty (30) days in arrears of Common Charges and Special Assessments.

The Condominium shall approve all work and shall have the right to designate or approve the contractor doing the work.

In the event that a Unit Owner fails to maintain, repair or replace its Unit or any Limited Common Element for the Residential Unit Owner's exclusive use, which maintenance, repair or replacement is necessary to protect any of the General Common Elements, or any other portions of the Building or any other Unit or other Limited Common Element, the Board of Managers shall have the right to make the necessary maintenance, repair or replacement (after the failure of said Unit Owner to do so after ten (10) days written notice, or written or oral notice of a shorter duration in the event of an emergency situation) of the Unit or Limited Common Elements for a Residential Unit's exclusive use and to charge said Unit Owner for the cost of all such repairs and/or maintenance and/or replacement. In the event that the Board of Managers charges a Residential Unit Owner for repairs, maintenance and/or replacement to their Residential Unit or for repairs to any Limited Common Element restricted in use to such Residential Unit Owner, and the Unit Owner fails to make prompt payment, the Board of Managers shall be entitled to bring suit thereon and, in such event, the Unit Owner shall be liable for the reasonable attorneys' fees and cost of such suit or proceeding together with interest on all sums due.

The Board of Managers shall have the right to designate or approve a contractor to do any such work required by a Unit Owner at the Unit Owner's sole expense.

Insurance

Purchasers should refer to Schedule B (the estimated proposed first year budget) Section VII of the Offering Plan and the footnotes to the budget for a complete description of the insurance applicable to the Condominium.

THE CONDOMINIUM INSURANCE COVERAGE DOES NOT COVER FIRE AND LIABILITY INSURANCE FOR THE PURCHASER'S PERSONAL EFFECTS AND INTERIOR OF THE RESIDENTIAL UNIT. PURCHASERS ARE ADVISED TO SECURE SUCH COVERAGE.

Access by Board of Managers

The Board of Managers and its agents, employees and contractors shall have a right of access to any Residential Unit and to all portions of the Common Elements for the purpose of carrying out any of its obligations under the Declaration and By-Laws.

Compliance with terms of the Declaration, By-Laws and Rules and Regulations

Ownership of a Unit in the Condominium subjects the Residential Unit Owner to compliance with the provisions of the Declaration and By-Laws as well as the Rules and Regulations contained in the Declaration or By-Laws or established by the Condominium in accordance therewith. The Rules and Regulations set forth in the Declaration and By-Laws can be found in Part II of the Plan in Schedule J, Article VIII of the By-Laws. The Board of Managers can institute legal actions to enforce compliance with the provisions of the Declaration and By-Laws as well as the Rules and Regulations established therewith.

The provisions of the By-Laws which requires Members of the Board of Managers to be Residential Unit Owners will not apply to the first Board of Managers or any Sponsor designees to the Board of Managers.

Easements

The Board of Managers and its agents, contractors and maintenance staff will have, and each Unit will be subject to, an easement (a) to install, utilize, operate, maintain, repair, alter, rebuild, restore, replace and inspect the General Common Elements and any Limited Common Elements that are the obligation of the Condominium to repair, maintain and replace, located in, over, under, through or upon any Unit, or any other Common Elements or elsewhere in the Condominium, wherever located, and (b) to maintain any encroachment on any Unit or Common Elements resulting from the repair, alteration, rebuilding, restoration or replacement of the General Common Elements or any Limited Common Elements, no matter how classified.

Every Unit Owner shall have an easement in common with the owners of other Units to maintain and use all pipes, sewers and/or drainage lines, wires, conduits and public utility lines located in other Units that service such Unit Owner's Unit. Each Unit shall be subject to an easement in favor of the Unit Owners of other Units to maintain and use the pipes, sewers and/or drainage lines, wires, conduits and public utility lines servicing such other Units located in such Unit.

The Board of Managers shall have a right of access to each Unit for maintenance, repair or improvements to any pipes, sewers and/or drainage lines, wires, conduits and public utility lines located in or located in the walls abutting a Unit and servicing any other Unit or the Building or causing damage or in imminent danger of causing damage to any other Unit or any Common Element, no matter how classified. The cost of such repairs shall be a Common Expense unless the damage is the result of the negligence of a Unit Owner, resident or tenant, occupant, employee, or other person a Unit Owner may be responsible for, in which case the cost of such repairs shall be the responsibility of the Unit Owner who is responsible or whose tenant, occupant, employee or other person the Unit Owner is responsible for causing such damage. The Board of Managers shall have an easement to all areas of the Condominium for access to all Common Elements for maintenance, repair or improvement whether such Common Elements are restricted or not.

The Board of Managers and their agents, employees and contractors shall have an easement for access through all the Common Elements and the Units for the purpose of making any repairs or replacements to any Common Elements, no matter how classified, contained therein or elsewhere in the Condominium or to remedy any condition which would result in damage to any Unit or any other Common Element no matter how classified, or for the purpose of complying with any laws, orders, rules or regulations of any governmental body having jurisdiction thereof or for the purpose of carrying out any of its obligations under the By-Laws or the Declaration of Condominium or for the health and safety of the Condominium and its residents. Such right of access to a Unit shall be exercised in such a manner as is required in the event the Board of Managers shall determine that action is immediately necessary for the preservation or safety of the Condominium or its Property, or the Units, or for the safety of Condominium residents or other persons or required to avoid the suspension of any necessary service to the Condominium.

Each utility and/or cable company servicing the Condominium shall have an easement in, through and over all areas of the Condominium for access to the Common Elements, no matter how classified and in and through each Unit for maintenance, repair or improvements to any pipes, sewers and/or drainage lines, wires, conduits and public utility lines located in the Common Elements and any Unit. Any utility and/or cable company servicing the Condominium and its employees and agents shall have a right of access to any Unit or the Common Elements in furtherance of such easements, provided such right of access shall be exercised in such a manner as shall not unreasonably interfere with the use of any Unit for its permitted purposes by its owner, tenants or occupants.

The Board of Managers shall have the right to grant any electric, gas, water, sewer, drainage, cable or other utility company the right to install and/or relocate any pipes, wires conduits, machinery, equipment and/or meters and to grant any new easements or relocate any existing easements as a result thereto, in any portion of the Condominium as the Board of Managers shall deem necessary or desirable for the proper operation and maintenance of the Condominium, or any portion thereof, provided that such additional installation and/or relocation of any pipes, wires conduits, machinery, equipment and/or meters or new easements or relocation of any existing easements will not prevent or unreasonably interfere with the use of any Unit for its permitted purposes unless required by law. Any utility and/or cable company and its employees and agents shall have the right of access to any Unit or the Common Elements in furtherance of such easements. Access in, under, over and through the Property of the Condominium shall be exercised in such a manner as shall not unreasonably interfere with the use of any Unit for its permitted purposes by its owner, tenants or occupants unless access is immediately necessary for the preservation or safety of the Condominium or its Property, or the Units, or for the safety of Condominium residents or other persons, or required to avoid the suspension of any necessary service to the Condominium.

The Board of Managers shall have the right to grant easements in any portion of the Condominium as the Board of Managers shall deem necessary or desirable for the purpose of installation, maintenance and repair of a satellite dish, cable service, internet service, fiber optics, or other communication services and all ancillary wires, conduits,

utility lines and any other services required for a satellite dish, cable service, internet service, fiber optics, or other communication services for the use of the Unit Owners in the Condominium.

The Board of Managers shall have an easement through the Units for access, installation, maintenance, repair and replacement of any flues, vents, air-conditioning, gas, heating, ventilating, water and other mechanical lines and fixtures and any other machinery, pipes, wires, conduits, equipment or meters servicing any portion of the Condominium.

As long as the Sponsor retains an Unsold Unit in the Condominium the Sponsor shall have the right to grant any electric, gas, water, sewer, drainage, cable or other utility company the right to install and/or relocate any pipes, wires conduits, machinery, equipment and/or meters and to grant any new easements or relocate any existing easements as a result thereto, in any portion of the Condominium as the Sponsor shall deem necessary or desirable for the proper operation and maintenance of the Condominium, or any portion thereof, provided that such additional installation and/or relocation of any pipes, wires conduits, machinery, equipment and/or meters or new easements or relocation of any existing easements will not prevent or unreasonably interfere with the use of any Unit for its permitted purposes unless required by law. Any utility and/or cable company and its employees and agents shall have the right of access to any Unit or the Common Elements in furtherance of such easements. Access in, under, over and through the Property of the Condominium shall be exercised in such a manner as shall not unreasonably interfere with the use of any Unit for its permitted purposes by its owner, tenants or occupants unless access is immediately necessary for the preservation or safety of the Condominium or its Property, or the Units, or for the safety of Condominium residents or other persons, or required to avoid the suspension of any necessary service to the Condominium.

The Sponsor, its successors, assigns, and designees reserves the easements, licenses, rights and privileges of a right-of way in, through, over, under and across all of the Property and the Building comprising the Condominium for the purpose of completing construction, sale and rental of Units and facilities in the Condominium and towards this end, reserve the right to grant and reserve easements and rights of way in, through, under, over and across all of the Property and the Building comprising the Condominium for the installation, maintenance and inspection of lines and appurtenances for public or private water, sewer, drainage, cable television and other utilities and for any other materials or services necessary for the completion of the work. The Sponsor, its successors, assigns, and designees, also reserve the right to connect with and make use of the utility lines, wires, pipes, conduits, cable television, sewers and drainage lines which may from time to time be in or on the Property and Building comprising the Condominium. The Sponsor, its successors and assigns, and designees, shall have an easement to erect and maintain general sales, leasing, business or administration offices and/or model Residential Units, to erect, maintain, repair and replace from time to time one or more free-standing and other selling, directional and informational signs in/or on the Property and the Building comprising the Condominium as it deems necessary for the purposes of advertising the sale or lease of Units, and for the purpose of showing the Units to prospective Purchasers or lessees and for access to Units and Common

Elements consistent with the purposes of the Declaration, as the same may be amended, and Sponsor's rights and obligations thereunder, including, without limitation the right to develop, renovate, maintain, repair, refurbish, offer, sell and lease Units, together with their Percentage of Common Interest in the Common Elements. The Sponsor, its successors, assigns and designees reserve the right to continue to use the Common Elements and any facilities, sales offices, model Units and signs located on the Common Elements, in its efforts to sell and/or lease Units constructed in the Condominium and to complete construction of the Condominium. This paragraph shall not be amended without the consent of the Sponsor, its successors, assignees and/or designees.

Sponsor shall have and each Unit Owner shall be deemed to grant a right of access to and through their Unit to Sponsor or its designee, assignee or successor and any contractors, subcontractors, agents, and employees of the foregoing for the purposes of the repair and completion of any installation, construction, modification, alteration, renovation, maintenance, repair, restoration, replacement, or change being performed or to be performed by or on behalf of Sponsor with respect to the Common Elements and/or the Units.

Each Residential Unit Owner grants an easement of ingress and egress in, over and through any hallway that may be part of their Residential Unit to any other Residential Unit Owner, tenant, resident or other persons needing ingress or egress to their respective Residential Unit that may be necessary for said purpose.

The Board of Managers will have and each Unit will be subject to, an easement (a) to install, utilize, operate, maintain, repair, alter, rebuild, restore and replace the General Common Elements and Limited Common Elements that are the obligation of the Condominium to repair, maintain and replace, located in, over, under, through or upon any Unit, or any other Common Elements or elsewhere in the Condominium and (b) to maintain any encroachment on any Unit or Common Elements resulting from the repair, alteration, rebuilding, restoration or replacement of the General Common Elements or Limited Common Elements.

Each Unit will have an easement of support from all structural members (including, but not limited to, columns, footings, bracings, piles, plates, foundations, slabs, and exterior walls) supporting or serving the Building and any replacement thereof and additions thereto and an easement of necessity, and each Unit will be subject to an easement of support and necessity in favor of all other Units and the Common Elements. Each Unit will have an easement for lateral and vertical support among all adjoining Units and Common Elements.

Any easements granted to Sponsor, the Board of Managers, any Unit or any Unit Owner under the Declaration and the By-Laws may be exercised by such Sponsor's, Board of Managers' or Unit Owner's employees, agents, contractors, suppliers, customers, guests, invitees, licensees, servants, tenants, subtenants, members, and visitors, as the case may be, to the extent necessary to effectuate the purpose for the easement or as otherwise authorized by the Sponsor, the Unit Owner or Board of Managers.

Each Unit Owner will have a right and easement to use its Unit and Limited Common Elements appurtenant to such Unit or Units, and the General Common Elements subject to and in accordance with the terms and conditions of the Declaration and By-Laws.

All Unit Owners, residents, guests, tenants and anyone else needing access to a Unit shall have an easement of ingress and egress, in, through and over the Property of the Condominium, including the Common Elements regardless of how classified for access to their Unit.

The Board of Managers on behalf of the Condominium will have an easement and unlimited access to any Common Element, no matter how classified, for the purpose of making inspections, repairs or rebuilding of the Condominium.

All emergency vehicles and personnel, including, but not limited to, police, fire and medical vehicles and personnel shall be granted an easement of ingress and egress over, upon and through all areas of the Property. This paragraph may not be amended by the Unit Owners in the Condominium.

Except as may otherwise be set forth in the Declaration, any easement created or granted hereunder shall be perpetual and irrevocable for so long as the Condominium shall remain in existence.

Prospective Purchasers should further note that the property that the Condominium is being constructed on is subject to an Exclusive Pedestrian and Vehicular Easement Agreement (the "Exclusive Easement Agreement") recorded in New York City Register's Office on September 22, 2022, as City Register File No. 2022000367135 as detailed in Sections II and IV of the Offering Plan.

The Percentage of Common Interest of the Condominium establishes the Residential Unit Owners percentage of ownership in the Common Elements of the Condominium and percentage of liability for the payment of Common Charges subject to the rights under Section 339-m of the Real Property Law of the State of New York as described in Special Risk No. 37. Each Residential Unit Owner has the Percentage of Common Interest in the Condominium set forth on Schedule A. Such allocation has been based upon floor space, subject to the location of such space and the additional factors of relative value to other space in the Condominium the uniqueness of the Residential Unit, the availability of Common Elements for exclusive or shared use, and the overall dimensions of the particular Residential Unit. Said method of determining the percentage of Common Interest in a Condominium complies with and is pursuant to the provisions of Section 339-i(1)(iv) of the Real Property Law of the State of New York.

The Percentage of Common Interest in the Common Elements shall not be changed except with the consent of all Residential Unit Owners affected expressed in a duly recorded amendment to the Declaration. However, based upon final specifications, construction conditions and/or "as-built" Plans for the Building reflecting relative measurements, areas and uses of portions of the Building, application of such method of allocation of the Percentage of Common Interest may justify a minor increase or decrease

in the aggregate Percentage of Common Interest appurtenant to Residential Units. In such event, the Percentage Interest of Common Interest appurtenant to each individual Residential Unit would be adjusted pro rata. Sponsor expressly reserves the right, from time to time, prior to the first Closing, to affect a de minimis change in the Percentage of Common Interests and to amend the Plan so as to reflect the same. Notwithstanding, unless an affected Purchaser consents, no material change will be made in the Percentage of Common Interest if a Purchase Contract has been executed and delivered to the Sponsor for that Residential Unit and the Purchaser is not in default.

Copies of both the Declaration and By-Laws are contained in Part II of the Offering Plan.

Allocation of Common Interest

The Percentage of Common Interest of the Condominium establishes the Residential Unit Owners percentage of ownership in the Common Elements of the Condominium and percentage of liability for the payment of Common Charges subject to the rights under Section 339-m of the Real Property Law of the State of New York as described in Special Risk No. 37. Each Residential Unit Owner has the Percentage of Common Interest in the Condominium set forth on Schedule A. Such allocation has been based upon floor space, subject to the location of such space and the additional factors of relative value to other space in the Condominium the uniqueness of the Residential Unit, the availability of Common Elements for exclusive or shared use, and the overall dimensions of the particular Residential Unit. Said method of determining the percentage of Common Interest in a Condominium complies with and is pursuant to the provisions of Section 339-i(1)(iv) of the Real Property Law of the State of New York. In the event a Residential Unit Owner acquires a Parking Space Unit the Percentage of Common Interest of a Parking Space Unit shall be added to the Percentage of Common Interest of the Residential Unit of the Residential Unit Owner who owns said Parking Space Unit and the Residential Unit Owner thereof shall pay all Common Charges associated therewith.

The Percentage of Common Interest in the Common Elements shall not be changed except with the consent of all Residential Unit Owners affected expressed in a duly recorded amendment to the Declaration. However, based upon final specifications, construction conditions and/or "as-built" Plans for the Building reflecting relative measurements, areas and uses of portions of the Building, application of such method of allocation of the Percentage of Common Interest may justify a minor increase or decrease in the aggregate Percentage of Common Interest appurtenant to Residential Units. In such event, the Percentage Interest of Common Interest appurtenant to each individual Residential Unit would be adjusted pro rata. Sponsor expressly reserves the right, from time to time, prior to the first Closing, to affect a de minimis change in the Percentage of Common Interests and to amend the Plan so as to reflect the same. Notwithstanding, unless an affected Purchaser consents, no material change will be made in the Percentage of Common Interest if a Purchase Contract has been executed and delivered to the Sponsor for that Residential Unit and the Purchaser is not in default.

Copies of both the Declaration and By-Laws are contained in Part II of the Offering Plan.

XXIII. REAL ESTATE TAXES

In accordance with the New York State Condominium Act, real estate taxes applicable to each Residential Unit will be separately assessed. The estimated monthly costs and charges to be incurred by the owner of each Residential Unit in the first year in which the property will be fully subject to real estate taxes together with estimated Common Charges on each Residential Unit and other carrying costs are set forth on Schedule A.

Real Estate Tax estimates were provided to the Sponsor by MGN Consulting Corp., 109 East 9th Street, Ground Floor, New York, New York 10003 ("Tax Consultant") based upon information provided to them by the Sponsor. A copy of their Opinion Letter is contained in Section XXV of the Offering Plan.

The assessed value of the Residential Units is determined by the City of New York. Taxes may increase in subsequent years if the tax rates increase, or the estimated assessed valuation determined by the New York City Department of Finance ("DOF") varies from the estimate. The projected real estate taxes for the first year of operation contained in Schedule A are based on an estimated assessment of the Building post construction but prior to the DOF issuing its final assessment. Purchasers are advised that real estate taxes may increase materially after DOF issues its final post-construction assessment.

It is the opinion of the Tax Consultant that the Residential Units will be classified as Tax Class 2 upon completion of construction. Once the apportionment of value between condominium units occurs, the individual Residential Units will be classified as Tax Class 2. The current 2023/24 class 2 tax rate is 12.502% of assessed valuation. The individual parking units will be classified as Tax Class 4. The current 2023/24 class 4 tax rate is 10.592% of assessed valuation. The 2025/26 Projected Assessed Value of Residential Units is \$2,371,747 and the projected tax liability is \$296,516. The projected Assessed Value of Parking Units is \$118,125 and the projected tax liability is \$12,512. In determining the assessed values for the individual units, the Department of Finance may use the common interest percentages set forth in the condominium declaration if such percentages are rationally and fairly determined.

The assessed valuation is based on post-completion of the Building but prior to DOF issuing its final post-completion assessment. Purchasers are advised that real estate taxes may increase materially after DOF issues its final post-construction assessment.

No representation or warranty is made that the actual assessed valuation will be as projected Schedule A, or that the projected tax rate will not change. In no event will Sponsor, Sponsor's Counsel, or any offerors hereunder be liable to any Purchaser under this Plan, nor will any Purchaser have the right to rescind the Purchaser's Purchase Contract, in the event the actual taxes differ from those projected.

Although the aforesaid estimate of Actual Assessed Valuation is a good faith estimate, it is not possible to estimate the same with any degree of certainty. Assessed valuations, when actually made, may be lesser or greater based on interpretation of the

administrative code and the applicable rules and regulations of the City of New York. The estimates are not intended and should not be construed as warranties as to future assessed valuations of the Property.

In the event the Units have not been separately assessed for real estate tax purposes prior to the Closing of Title to the first Unit, Sponsor may place in escrow, in the name of the Board of Managers, an amount equal to the unpaid real estate taxes which will be levied against the Units in the Condominium for the six (6) month period following the first Closing. Thereafter, at each Closing during said period, each Purchaser will reimburse the Sponsor for the pro-rata amount paid on behalf of said Unit. Alternatively, the Sponsor may place in escrow, in the name of Board of Managers, an amount equal to the real estate taxes attributable to the unsold Units for such six (6) month period and may collect at each Closing the estimated amount of taxes attributable to such Unit for the balance of the six (6) month period. The Board of Managers will pay the real estate taxes from the escrow account when taxes are due and payable. After the Units are separately assessed, the funder of the escrow account or the Unit Owner will be reimbursed for any overpayment of taxes or assessed for an underpayment.

After the Units are separately assessed Unit Owners will not be responsible for the payment of or subject to any lien arising from the non-payment of real estate taxes on any other Unit.

There are no tax certiorari proceedings currently pending for the property. The By-Laws empower the Board of Managers to bring such proceedings on behalf of the Unit Owners.

The Condominium By-Laws provide that the Board of Managers has the right to act as an agent for one (1) or more Unit Owners to file a single complaint and bring a special proceeding on behalf of Unit Owners who wish to contest the real estate tax assessments of their Unit pursuant to Section 339-y(4) of the New York Property Law. In such event, the Board of Managers on behalf of the Condominium could retain counsel on behalf of such Unit Owners and charge each Unit Owner for whom it is acting a pro rata share of expenses, disbursements and legal fees, the payment for which would be secured by a lien on each Unit. The Board of Managers on behalf of the Condominium is not obligated to perform such services and it is necessary to obtain the written authorization of the Unit Owners. See Article III, Section 7 a (17) of the By-Laws.

The Sponsor anticipates that the real estate tax rate will vary in future years rather than remain constant. The estimates of projected real estate taxes in this Offering Plan have been estimated by the Sponsor based upon estimates provided by Sponsor's Tax Consultant and cannot be construed as an assurance of the final tax costs but are merely estimates based upon information available to the Sponsor at this time. In no event will the Sponsor or Sponsor's Counsel or Sponsor's Tax Consultant be liable to any Purchaser under this Plan, nor will any Purchaser have the right to rescind their Purchase Contract, in the event the amount of the taxes differ from those projected.

XXIV. INCOME TAX DEDUCTIONS TO RESIDENTIAL UNIT OWNERS AND TAX STATUS OF THE CONDOMINIUM

The Sponsor has been advised by its counsel, Certilman Balin Adler & Hyman, LLP that each Residential Unit Owner will be entitled under present law to a deduction for Federal, New York State and New York City income tax purposes for the real estate taxes paid by each Residential Unit Owner covering their Residential Unit and, provided the Residential Unit is used as the Residential Unit Owner's primary residence or one (1) other residence that the Residential Unit Owner selects pursuant to Section 163(h) of the Internal Revenue code of 1986, for the interest paid by the Residential Unit Owner on any mortgage, covering the Residential Unit Owner's Residential Unit. Purchasers should note that pursuant to the Federal Tax Cuts and Jobs Act of 2017 (the "Tax Act"), which went into effect on January 1, 2018, the maximum mortgage in which an individual can deduct the interest on is \$750,000. In addition, the Tax Act placed a maximum of \$10,000 on the amount an individual can deduct for the combined amount of real estate taxes and State income taxes. Purchasers are advised to seek the advice of their tax consultant to ascertain the income tax ramifications to the Purchaser pursuant to the Tax Act. See the Opinion of Counsel in Section XXV of the Offering Plan. Similarly, the Sponsor has been advised by counsel that certain Residential Unit Owners who are veterans of the United States Armed Forces may be entitled to deductions covering part of the real estate taxes applicable to their respective Residential Units.

Purchasers are advised to seek the advice of their tax consultant to ascertain the income tax ramifications to the Purchaser pursuant to the Tax Cuts and Jobs Act of 2017.

The Sponsor has been advised by its counsel that the Condominium will be taxed on any excess of income over expenses from unrelated sources. Examples of unrelated source income include interest earned on reserve and other invested funds, income from concessions and income from dues or fees received from persons other than the Residential Unit Owners. If the Condominium is required to pay taxes, the amount thereof will be levied as an additional Common Charge.

Sponsor has also been advised that pursuant to Section 528 of the Internal Revenue Code, certain Condominiums, substantially all of whose Residential Units are used for residences, are afforded the opportunity to elect to be treated as tax exempt organizations. In order to qualify, sixty (60%) percent or more of the gross income of each must consist of amounts received as membership dues, fees or assessments from the Residential Unit Owners and ninety (90%) percent or more of the expenditures of each must be for the acquisition, construction, management, maintenance and care of the Condominium Properties, which properties, as defined in Section 528 of said Code, include property held by the Condominium, property commonly held by the Residential Unit Owners of the Condominium, or property within the Condominium held by the Residential Unit Owners of the Condominium. This Condominium has been structured so that it will meet the requirements of Section 528 of the Internal Revenue Code and as a result the Condominium will be eligible to be treated as a tax-exempt organization under Section 528 of the Internal Revenue Code. Purchasers should refer to the Opinion of Counsel in Section XXV of the Offering Plan.

Re: **Roma Condominium**

Gentle people:

We note that the Offering Plan for the above-captioned Condominium states that it is believed that the monthly payments of interest on any mortgage, up to a maximum mortgage of \$750,000, which becomes a lien on a condominium Residential Unit and real estate taxes payable by a Residential Unit Owner, which are assessed against the Residential Unit by any governmental taxing authority, are a proper deduction in connection with Federal, New York State and New York City Income Taxes payable by the owner of such Condominium Residential Unit to the aforesaid maximum amount currently allowed by law pursuant to the Federal Tax Cuts and Jobs Act of 2017 (the "Tax Act"), which went into effect on January 1, 2018. In addition, the Tax Act placed a maximum of \$10,000 on the amount an individual can deduct for Federal income taxes for the combined amount of real estate taxes and State income taxes.

We have given this matter careful study, and it is our opinion that, pursuant to the provisions of the Internal Revenue Code (the "Code") the provision of the New York State Law (See Section 615 of the Tax Law), such interest payments and the aforesaid real estate payments are proper deductions by the owner of a Condominium Residential Unit, in connection with their Federal income taxes to the maximum amount currently allowed by the Act and New York State and City income taxes to the maximum allowed in each jurisdiction. Similarly, we are of the opinion that each Condominium Residential Unit Owner whose Residential Unit is their principal residence will be entitled, under the Code and Section 615 (a) of the State Law, to deduct interest paid or accrued by the Residential Unit Owner on any mortgage which becomes a lien on a Condominium Residential Unit to the maximum amount currently allowed by applicable law.

Pursuant to Section 528 of the Code, certain Condominiums, substantially all of whose Residential Units are used for residences, have the opportunity to elect to be treated as tax exempt organizations. In order to qualify, sixty (60%) percent or more of the gross income of each must consist of amounts received as membership dues, fees or assessments from the Residential Unit Owners and ninety (90%) percent or more of the expenditures of each must be for the acquisition, construction, management, maintenance and care of the Condominium properties, which properties, as defined in

528 of the Code, include property held by the Condominium, or property within the Condominium. Based upon our examination of the Offering Plan and subject to the Condominium, actually satisfying the minimum percentage income and expenditure criteria set forth above, it is our opinion that the Condominium will be eligible to be treated as a tax-exempt organization under Section 528 of the Code.

Such an election will exempt from Federal; New York State and New York City Income Taxation all amounts received by the Condominium from the Residential Unit Owners as membership dues, fees or assessments. The Condominium will be taxed, however, on any excess of income over expenses from unrelated sources. Examples of unrelated sources income include interest earned on Reserve Funds, income from concessions and income from dues or fees received from persons other than the Residential Unit Owners. In the event the Condominium fails to qualify for and elect Section 528 taxation status in any year, it may, to the extent it has any income from unrelated sources or from accumulated revenues received by virtue of dues, fees and assessments received from Residential Unit Owners not expended in any taxable year, be subject to Federal, New York State and New York City Income Taxation (see Rev. Ruling 74-99, 1974-1 C.B. 131).

We have considered the relevant cases and rulings on the tax status of the Condominium including Revenue Rulings 74-17, 74-99, 75-370 and 75-371. These rulings, under certain circumstances, permit assessments for capital replacements and new or replacement equipment to be excluded from the Condominium's income and be treated for tax purposes as additional capital contributions. In such case each Residential Unit Owner's assessment for such purposes would add to their tax basis. Although the Condominium described in the Plan may be deemed a taxable entity under such Rulings, assuming that all expenses are designated and accounted for, and that certain other special purpose assessments are properly treated as trust funds, the Condominium should not realize any significant amount of taxable income, other than with respect to incidental investment income, such as interest earned on Reserve Funds deposited in bank accounts.

We have examined the exceptions to title set forth in Section XVII of the Offering Plan, and we are of the opinion that none of such exceptions of title are contrary to the terms of the Purchase Contract nor do they interfere with the quiet use or enjoyment of the Purchaser's Residential Unit as set forth in the Offering Plan.

We have examined the Declaration and By-Laws pertaining to the proposed Condominium. It is our opinion that the Declaration and By-Laws, when recorded, will validly create a Condominium in accordance with Article 9-B of the Real Property Law of the State of New York.

In addition, we note that the Percentage of Common Interest for each Residential Unit as contained in Schedule A has been determined based upon floor space, subject to the location of such space and the additional factors of relative value to other space in the Condominium, the uniqueness of the Residential Unit, the availability of Common

Elements for exclusive or shared use, and overall dimensions of the particular Residential Unit. In our opinion, this is a proper method of determining the percentage of common interest in a Condominium and complies with Section 339-i(1)(iv) of the Real Property Law.

In our opinion, the Condominium will be eligible for tax exempt status, if it so elects, and Residential Unit Owners will be entitled to the above-mentioned income tax deductions. However, this opinion is not a guarantee; it is based on existing rules of law applied to the given facts and documents referred to above. No assurances can be given that the tax laws upon which counsel bases this opinion will not change. In no event will the Sponsor, the Sponsor's counsel, the Board of Managers of the Condominium, any selling agent or any other person be liable if there are changes in the facts on which counsel relied in issuing this opinion or if there are changes in the applicable statutes, regulations, decisional law or Internal Revenue Service rulings on which counsel relied which cause the Condominium to cease to meet the requirements of Section 528 of the Code or the New York State tax law as amended or New York City tax law and Residential Unit Owners not to be entitled to income tax deductions. All Purchasers are advised to consult with their personal tax consultant as to purchasing and owning a Residential Unit in the Condominium.

Very truly yours,

XXVI. RESERVE FUND

The Condominium budget includes a Reserve Fund line item to be used for future major capital improvements of the Condominium. In view of the fact the Condominium will be newly constructed it is not anticipated that there should be any major capital repairs or replacements during the first five (5) years of operation of the Condominium.

The Reserve Fund will be funded as part of the monthly Common Charges paid by each Residential Unit Owner to the managing agent to be transferred to the Reserve Fund account of the Condominium. No representation is made that the Reserve Fund line item will be adequate for future expenses including repairs or replacements of Common Elements during the first five (5) years of the Condominium. If additional funds are required over and above said funds, it may be necessary to increase the Common Charges payable by the Unit Owners, collect a Special Assessment from each Unit Owner or borrow money.

During the period Sponsor is in control of the Board of Managers, the Reserve Fund will not be used to reduce the estimated Common Charges.

Neither the Department of Law nor any other Governmental Agency has passed upon the adequacy of the Reserve Fund.

Article VI, Section 3 of the By-Laws authorizes the establishment of a Reserve Fund.

Article III, Section 7 of the By-Laws authorizes the Board of Managers to borrow money on behalf of the Condominium when required in connection with needed capital expenditures such as repair or replacement of Building components or systems or to remedy major Building defects, provided, however, that no lien to secure repayment of any sum borrowed may be created on any Unit or its appurtenant interest in the Common Elements without the written consent of the Owners of said Residential Unit. No representation is made by the Sponsor as to the availability or cost of such financing. In the event the Condominium is unable to borrow the money, the Board of Managers may be required to assess each Unit Owner for its applicable pro-rata share of the cost of the needed capital expenditure.

XXVII.WORKING CAPITAL FUND

At Closing the Sponsor will collect the equivalent of two (2) months Common Charges from each Purchaser to be paid to the Condominium as initial Working Capital. While Sponsor is in control of the Board of Managers of the Condominium the Working Capital Funds may be used to reduce the Common Charges. In addition, the Working Capital Fund may be utilized to reimburse Sponsor for prepaid expenses of the Condominium. The only budgetary item that might require a substantial credit to the Sponsor would be the insurance disclosed in Schedule B. At such time as the Sponsor relinquishes control of the Board of Managers any remaining balance of the Working Capital Fund will be turned over to the Board of Managers. The Offering Plan does not provide for any minimum Working Capital Fund to be turned over to the Board of Managers.

Neither the Department of Law nor any other Governmental Agency has passed upon the adequacy of such funds.

XXVIII. MANAGEMENT AGREEMENT, CONTRACTS AND LEASES

The Managing Agent shall be entitled to a fee in addition to its annual fee for the supervision of major alterations or capital improvements to the Building which are outside the scope of ordinary repairs, the cost of which exceeds \$10,000, a fee to be negotiated, provided, however, that such fee shall in no event be less than five percent (5%) of the total cost of such alterations or improvements.

The Agent shall not be liable to the Condominium for any loss or damage not caused by the Agent's own negligence or failure to comply with its obligations under the Agreement. The Condominium will indemnify the Agent against and hold the Agent completely harmless from (a) any liability, damages, costs and expenses (including reasonable attorneys' fees and disbursements) sustained or incurred for injury to any person or property in, about or in connection with the Building, from any cause whatsoever, provided the Agent is carrying out the provisions of the Agreement or acting under the express or implied directions of the Board of Managers unless such injury shall be caused by the Agent's own gross negligence or willful misconduct, and (b) any liability, damages, penalties, costs and expenses, statutory or otherwise, for all acts properly performed by the Agent pursuant to the instructions of the Condominium, provided, in each of the foregoing instances, that the Agent promptly advises the Board of Managers of its receipt of information concerning any such injury and the amount of any such liability, damages, penalties, costs and expenses. The Condominium will carry liability insurance (with limits acceptable to the Agent in its reasonable judgment), worker's compensation and employer's liability insurance, will include the Agent as a party insured under the liability policy and will deliver to the Agent a copy of such liability policy or a certificate evidencing the same.

Seller shall also be entitled to any other costs referenced to in Section XVlii of the Plan if not specifically contained herein.

Purchaser shall also pay the deposits required by Purchaser's lender to establish the estimated or escrow fund for future payment of taxes, Condominium Common Charges, sewer use and insurance premiums (if applicable).

In the event the title company, with Seller's prior written consent, prepares the ACRIS, Purchaser shall pay the applicable fee of the title company.

If through no fault of Seller, Purchaser fails for any reason to close title on the date originally scheduled in the Notice for Closing, or such later date (if applicable) to which Seller in a subsequent Notice for Closing adjourned the Closing, all of the aforementioned apportionments shall be made as of the end of the day preceding (i) the date originally scheduled for Closing or (ii) Seller's adjourned Closing Date, as the case may be.

Any errors or omissions in computing apportionments or any other sums payable under this Purchase Contract which are communicated to the other party within six (6) months after the Closing Date shall be corrected and payment made to the proper party promptly after such communication. This Paragraph shall survive Closing and delivery of the deed.

7) **SEVERANCE OF MORTGAGE** – If applicable, Purchaser shall use its best efforts to direct Purchaser's lender (i) to accept an assignment of the existing mortgage(s) encumbering the Property, as severed, to encumber only the Unit and its appurtenant percentage of Common Interest in the Common Elements, and (ii) to cooperate with Seller and Seller's existing lender as necessary to effectuate such assignment. At Closing, Purchaser shall execute the affidavits required pursuant to Section 255 of the Tax Law of the State of New York. It is agreed and understood that Seller shall receive, as a credit from Purchaser at Closing, a sum equal to the full mortgage tax credit which Purchaser may be entitled under any applicable law by reason of mortgage taxes having been previously paid by Seller on the amount of Purchaser's mortgage. The foregoing credit shall be paid by Purchaser regardless of whether Purchaser's lender accepts the assignment of Seller's existing mortgage, as severed.

8) **APPORTIONMENT OF TAXES** – In the event that on the Date of Closing any City or other real estate taxes, as applicable, have not yet been apportioned despite Seller's application for same, all un-apportioned tax bill(s) due for the Residential Unit have been or will be paid by Seller. At Closing, Purchaser shall pay to Seller Purchaser's pro-rata share of the un-apportioned taxes from the Date of Closing through the end of the applicable tax period paid by Seller. Purchaser hereby agrees that in the event that following the Date of Closing any of the applicable taxes for the Premises remain un-apportioned and Seller receives and pays such un-apportioned tax bill(s) which include the taxes applicable to the Residential Unit, Purchaser shall reimburse Seller for Purchaser's pro-rata share of such tax bill(s) promptly following receipt of written notice from Seller, which notice shall contain proof of payment of the relevant real estate tax and a calculation of the amount due by Purchaser. This Paragraph shall survive the closing of title and delivery of the deed to the Premises.

9) **MORTGAGE(S)** - All terms and provisions of this Purchase Contract and all payments made hereunder are and shall be subject and subordinate to the lien of any acquisition, improvement, interim or building loan mortgage heretofore or hereafter made and any advances heretofore or hereafter made thereon, to the full extent thereof without the execution of any further documents by Purchaser. This subordination shall apply whether such advances are voluntary or involuntary and whether made in accordance with the loan schedule of payments or accelerated thereunder by virtue of the lender's right to make advances before they become due in accordance with the schedule of payments. Seller shall satisfy all such mortgages or obtain a release of the Unit and its appurtenant percentage of Common Interest in the Common Elements from the liens of such mortgage(s) at or prior to Closing, unless Purchaser shall be required to take title subject to the existing mortgage(s), as severed and converted to Purchaser's individual mortgage encumbering the Unit.

10) **DEED AND ENCUMBRANCES UPON OWNERSHIP** - The deed to be given by Seller to Purchaser at Closing shall be a Bargain and Sale Deed with Covenant Against Grantor's Acts, but subject, nevertheless, to the matters set forth in sub-paragraphs (a) through (f) below and any additional exceptions stated in Section XVii of the Plan, as it may be amended, which need not be recited in the deed given at Closing, but shall survive Closing, and Seller's covenant in the deed against encumbrances shall be deemed modified accordingly. The deed shall be duly executed and acknowledged by Seller in proper statutory form for recording (except for payment of the New York State transfer tax and the New York City transfer tax which is the obligation of Purchaser) so as to convey to Purchaser fee simple title to the Unit, free and clear of all liens and encumbrances, except as herein stated. The deed shall also contain the covenant required by subdivision 5 of Section 13 of the Lien Law of the State of New York. Purchaser shall accept such title to the Unit subject to the liens, encumbrances and other matters set forth in this Purchase Contract, as Stewart Title Insurance Company, NY Metro, (the "Title Company"), a title company authorized to do business in the State of New York with an address at: 100 Motor Parkway, Suite 500, Hauppauge, New York 11788 telephone: (516) 351-3154, Attention: Robyn Kelstein, is willing to approve and insure without additional premium. Purchaser may obtain title insurance from any other

title insurance company or abstract company, or Purchaser may decline to obtain any title insurance at all.

Purchaser shall be responsible for payment to the title insurance company or abstract company, as the case may be, of the entire premium for Purchaser's title insurance, and shall also pay the applicable New York State transfer tax and New York City transfer tax and tax subject to Sections 1402-a and 1402-b of the Tax Law of the State of New York (the "Mansion Tax"), if applicable. Purchaser shall also be responsible for payment to the title company or abstract company, as the case may be, of the entire cost of the premium for Purchaser's lender, if any, and any and all recording charges in connection with Purchaser's mortgage loan, if any, title insurance and title charges.

The sale and transfer of ownership of the Unit to Purchaser shall, even though not stated in the deed, be subject to:

- (a) Ordinances, rules, regulations, requirements and approvals of applicable governmental authorities, provided not violated by the Unit to be constructed.
- (b) Rights for installation, use and/or maintenance of easements and rights of way for utilities, sewer, cable television, drainage, scenic purposes, screening and planting which have already been granted or may be granted after this Purchase Contract is signed or after Closing, provided they do not prevent use of the Unit or the Common Elements for their intended purposes.
- (c) Declarations, covenants, restrictions, reservations, exceptions, easements and agreements which have been recorded, or appear in recorded documents, or are yet to be recorded, provided they do not prevent use of the Unit or the Common Elements for their intended purposes.
- (d) Unpaid taxes and any liens provided the title insurance company shall insure against collection of same out of the Unit.
- (e) The filed Condominium Map and all matters reflected thereon.
- (f) The Declaration and By-Laws of the Condominium and any amendments or supplements thereto.
- (g) All exceptions listed in Section XVII of Part I of the Plan.

Purchaser shall deliver to Seller's attorney within thirty (30) days of Purchaser's attorney's receipt of a fully executed copy of this Purchase Contract, a written notice setting forth each objection to title, if any (other than those specifically set forth herein subject to which the Unit is being sold), and a copy of Purchaser's title report. Seller shall have the right to a reasonable adjournment of Closing, not to exceed sixty (60) days, for the purpose of curing any title defect; however, no such action taken by Seller shall be deemed an admission by Seller that such defect is one that would entitle Purchaser to cancel this Purchase Contract.

11) **PERSONAL PROPERTY INCLUDED IN SALE** - All articles of personal property, fixtures and equipment for the Unit which are included in this sale will be delivered free and clear of all liens and encumbrances, except as stated in Paragraph 10 herein, if applicable.

12) **POWER OF ATTORNEY** - At Closing, Purchaser shall execute, acknowledge and deliver to Seller in recordable form, a power of attorney in the form set forth as Schedule E to the Plan ("Power of Attorney"), in favor of the Board of Managers of the Condominium relative to leasing and purchasing of units in the Condominium under certain circumstances and to foreclose upon units in the Condominium for which the payment of Common Charges is delinquent, and in favor of Seller relative to amending the Condominium documents to the extent provided for in the Plan, the Declaration and By-Laws of the Condominium. Purchaser further agrees to execute and pay for any recording fees in the event the form required to be used for a Power of Attorney is revised subsequent to the date of the Closing. This Paragraph shall survive Closing and delivery of the deed.

13) **ENCUMBRANCES/LIENS EXISTING AT CLOSING** - The existence of anything affecting the transfer of title of the Unit at Closing, including unpaid taxes or liens of any kind, shall not constitute an objection to title provided the Title Company or another title or abstract company licensed to do business in the State of New York selected by Purchaser is willing to insure Purchaser's title clear of the matter or is willing to insure against enforcement or collection out of the Unit upon Seller's doing whatever acts as may be reasonably required by said company and/or the depositing of money not to exceed the net Purchase Price due Seller after payment of Seller's closing expenses and mortgage release amount. The parties agree that Seller may pay and discharge any liens and encumbrances upon the Unit, not provided for in this Purchase Contract, out of the monies to be paid by Purchaser at the time of Closing.

14) **EXTRA WORK AND EXTRA ITEMS ORDERED BY PURCHASER** - Any Extras ordered from Seller by Purchaser which are not included in the plans or standard model of the Unit shall, except as may otherwise be provided in this Purchase Contract or in a writing signed by Seller, be paid for in full by Purchaser at the time they are ordered. The failure of Seller to perform or supply and install such Extras shall not entitle Purchaser to cancel this Purchase Contract even if Purchaser has already paid for such Extras. Purchaser's only right, in the event of Seller's failure to perform the work required to install or actually install such Extras, is to receive a refund or credit at Closing equal to the total payments made to Seller for such Extras. All Extras must be ordered prior to commencement of construction and must not delay construction. In the event Purchaser orders Extras, other than the standard Extras offered by Seller, if any, Seller or Seller's contractors shall not be responsible or liable for any defects in quality of materials or workmanship in installation. Failure to make any payments due in accordance with the payment schedule of Seller, Seller's contractors, or sub-contractors, as applicable, shall constitute a breach in accordance with Paragraph 23 herein. **All funds received by Seller for Extras will initially be placed in the Escrow Account (as provided in**

Paragraph 30 herein). Such funds may be released from the Escrow Account as long as Seller uses the funds for such Extras. As noted as a Special Risk in the Plan, in the event Purchaser is entitled to rescission, Purchaser will not receive a refund of any funds paid for Extras which have been (i) installed by Seller, (ii) not installed but paid for by Seller or (iii) not installed but which have been ordered by Seller and for which Seller is obligated to pay unless the Plan has been abandoned. In the event the Plan is abandoned, Purchaser shall be entitled to receive a refund of all funds paid to Seller for such Extras. Seller shall have no responsibility for any work, fixtures, appliances, equipment, or materials not ordered directly from Seller by Purchaser. Any orders which Purchaser places directly with Seller's contractors, sub-contractors or suppliers shall not be deemed to have been ordered directly from Seller and Seller shall not be responsible or liable with respect to same.

15) OPTIONS AND COLOR SELECTIONS – Any options offered by Seller to Purchaser with respect to colors, products, materials, design, features and similar matters shall be made by Purchaser in writing at Seller's office or the sales office, within ten (10) days after notification to Purchaser to select such options. If Purchaser fails to inform Seller of Purchaser's final selections within such ten (10) day period, Seller shall make the selection on Purchaser's behalf and Purchaser shall accept such selection. No claim or objection to Closing shall be made by Purchaser because of any selection made by Seller in the event Purchaser failed to give Seller timely notice of Purchaser's final selections.

16) NO INSPECTIONS DURING CONSTRUCTION - Purchaser acknowledges that unsupervised visits to the Property present a dangerous circumstance and could incur liability to Seller. **Unless specifically agreed to by Seller in writing, Purchaser shall not visit the Unit or any other portion of the Property and shall only have the right to visit the sales office. Any unauthorized visits to the Property by Purchaser are subject to a charge by Seller of \$500.00 per visit, which Purchaser agrees to pay to Seller within ten (10) days of Seller's demand or billing thereof.** Purchaser hereby releases and indemnifies, defends, and holds Seller harmless from and against any and all claims and liabilities incurred by Seller resulting from the presence of Purchaser or Purchaser's family members, agents, licensees, or invitees on the Property prior to Closing. Purchaser further agrees to execute the Express Assumption of Risk Form as Schedule D-4 to the Plan annexed hereto and made a part hereof together with Purchaser's execution of this Purchase Contract.

17) PURCHASERS' INTERFERENCE - Purchaser acknowledges that it may not interfere with Seller's ability to construct the Unit or other unit(s) or facilities, including, without limitation, interference with work performed on the Property by Seller's staff, contractors and/or sub-contractors in connection with the construction of the Unit or any other unit(s), attempts to hire any of Seller's staff, contractors or subcontractors, and/or attempts to bring contractors, materialman, sub-contractors or workers onto the Property for work on the Unit prior to Closing, unless otherwise agreed to in writing by Seller.

18) POSSESSION OF THE UNIT PRIOR TO CLOSING - Neither Purchaser nor anyone acting on Purchaser's behalf may enter or take possession of all or any part of

the Unit nor have any work performed or materials supplied or installed at the Unit prior to Closing without the prior written consent of Seller.

Seller will not accept any liability whatsoever for any property belonging to Purchaser, their agents, employees, licensees, invitees, family, or belonging to any party other than Seller which is placed on the Property and/or in the Unit prior to Closing. No act of Seller, whatever its nature, shall constitute a waiver of this Paragraph.

19) **CHANGES BY SELLER** - In constructing and improving the Unit and performing any other work on the Property, Seller reserves the right to: (a) make changes or substitutions of materials or construction from those shown in the model or building plans, provided any such changes or substitutions are of Equal or Better Quality; (b) determine the exterior color and design of the Building; (c) change the location and type of units to be constructed in the Condominium; (d) change appliances as long as they are equal to or better than originally offered; and (e) make any other changes required by the City of New York or any other municipal or governmental agency having jurisdiction over the Property.

20) **COMPLETION OF CONSTRUCTION; PURCHASER'S INSPECTION** - Purchaser shall accept title (without abatement or credit against the Purchase Price or provision for escrow) notwithstanding that construction of (a) minor details of the Unit or the Building, or (b) other unit(s) in the Condominium, or (c) any landscaped areas of the Property, or (d) other portions of the Common Elements have not been completed. Purchaser shall inspect the Unit with a representative of Seller during normal business hours approximately three (3) days prior to Closing and will sign and deliver to Seller on or before Closing, a Pre-Title Inspection Statement supplied by Seller, acknowledging the condition of the Unit. Purchaser agrees to accept the Pre-Title Inspection Statement wherein Seller shall agree to complete all unfinished items within six (6) months from the date of Closing, weather and other circumstances permitting. Any such incomplete items shall not constitute an objection to Closing. Purchaser shall allow Seller, its agents, servants and/or employees the right to enter the Unit and shall provide reasonable access thereto subsequent to Closing to complete any incomplete items. In the event Seller is required to make any repair or complete any item of work to be performed by Seller after Closing, the limit of Seller's liability shall be to make said repair and/or to complete such item. This Paragraph shall survive Closing and delivery of the deed.

21) **CERTIFICATE OF OCCUPANCY** - At Closing, Seller shall deliver to Purchaser a temporary or final Certificate of Occupancy for the Unit (or the Building) and, if available, a New York Board of Fire Underwriter's Certificate or equivalent for the Unit. Purchaser represents and agrees that Purchaser will not do anything within the Unit to prevent the extension or renewal of a temporary Certificate of Occupancy or the issuance of a final Certificate of Occupancy. Purchaser further acknowledges that Seller will have no liability nor responsibility to Purchaser or to make improvements to the Unit in the event Purchaser has made changes to the Unit that prevents the extension or renewal of a temporary Certificate of Occupancy or the issuance of a final Certificate of Occupancy by the Department of Buildings of the City of New York. Purchaser shall reimburse Seller,

within ten (10) days following Seller's demand therefor, for any and all costs incurred by Seller with respect to Purchaser's changes to the Unit that prevent the extension or renewal of a temporary Certificate of Occupancy or the issuance of a final Certificate of Occupancy by the Department of Buildings of the City of New York. This Paragraph shall survive Closing and delivery of the deed.

22) UNIT PART OF DEVELOPMENT - Purchaser acknowledges that they may be living in an active construction site after Closing on the Unit. During the period of construction, there may be dirt and debris and construction material on the Property, construction vehicular traffic, construction noises, unfinished areas of the Condominium and other inconveniences which are normal in a community undergoing construction. Purchaser further acknowledges that other units and infrastructure may presently be in construction at the Property and that Seller anticipates that such construction shall continue until the Condominium is completed in accordance with the Plan. Accordingly, Purchaser agrees that such continuing construction shall not be deemed a nuisance nor an interference with Purchaser's quiet enjoyment of the Unit after Closing. Notwithstanding the foregoing, any noise or vibration shall not violate any building code related thereto. This Paragraph shall survive Closing and the delivery of the deed.

23) PURCHASER'S DEFAULT - If Purchaser fails to appear and close title in accordance with this Purchase Contract on the date and at the time and place stated in the Notice for Closing, or if Purchaser fails to observe or perform any other obligation on the part of Purchaser to be observed or performed under this Purchase Contract, Seller shall send Purchaser a written notice of default giving Purchaser thirty (30) days from the date of such notice to cure any such default. Upon Purchaser's failure to cure such default within such thirty (30) day period, this Purchase Contract shall, at Seller's option, be deemed canceled and Seller shall have the right to retain, as and for liquidated damages, all sums paid by Purchaser to Seller on account of the Purchase Price plus all additional sums paid and/or payable by Purchaser for all Extras in accordance with Paragraph 14 of this Purchase Contract. Purchaser acknowledges said amount to be fair and reasonable.

Prior to such funds being released to Seller, Escrow Agent shall send a notice to Purchaser of Escrow Agent's intent to release the funds being held in escrow on behalf of Purchaser pursuant to the escrow regulations as set forth in Section Xlv of the Plan and Paragraph 30 of this Purchase Contract.

TIME IS OF THE ESSENCE FOR PURCHASER TO CURE SUCH DEFAULT WITHIN SUCH THIRTY (30) DAY PERIOD. TIME IS OF THE ESSENCE MEANS THAT PERFORMANCE BY ONE PARTY AT OR WITHIN THE PERIOD SPECIFIED IN THE PURCHASE CONTRACT IS NECESSARY TO ENABLE THAT PARTY TO REQUIRE PERFORMANCE BY THE OTHER PARTY.

Upon cancellation of this Purchase Contract for Purchaser's failure to timely cure any default, Seller shall be released and discharged of any and all further liability and obligations to Purchaser under this Purchase Contract. Thereafter, the Unit may be sold or disposed of as though this Purchase Contract had never existed and without any

accounting to Purchaser for the proceeds of any subsequent sale. The foregoing remedy shall be in addition to any and all other remedies available to Seller under this Purchase Contract, at law or in equity for any default by Purchaser under this Purchase Contract.

24) **SELLER'S RIGHT TO CANCEL** - Seller may cancel this Purchase Contract by forwarding a full refund of the Deposit and the funds paid for Extras to Purchaser, together with written notice of cancellation, in the event of the occurrence of any of the following:

- (a) any governmental authority imposes a ban on the construction or completion of the Building and/or the Unit or imposes restrictions on the manufacture, sale, distribution and/or use of materials from Seller's regular suppliers or from using same in the construction and/or completion of the Unit and/or the Building; or
- (b) Seller is unable to obtain materials from its usual sources due to labor troubles, lockouts, war, military operations and requirements, civil unrest, act of God, force majeure, or national emergencies; or
- (c) the installation of public utilities is restricted or curtailed; or
- (d) zoning and/or building restrictions and/or regulations, imposed by any governmental body having jurisdiction over the construction of residential housing and appurtenances and/or the non-Units of the Condominium, either presently in effect or as enacted or promulgated in the future, which create or impose requirements upon Seller which are not presently contemplated; or
- (e) the Plan is abandoned, withdrawn, or not consummated for any reason.

Upon such cancellation and refund, this Purchase Contract shall be terminated and neither party shall have any further rights, obligations, or liability to or against the other and the parties shall be released and discharged from all obligations and liability under this Purchase Contract and the Plan.

25) **INABILITY OF SELLER TO TRANSFER OWNERSHIP** - Except for Seller's willful default, if Seller is unable to transfer ownership of the Unit in accordance with this Purchase Contract, Seller shall only be liable to Purchaser for the return to Purchaser of the Deposit. Thereafter, this Purchase Contract shall be deemed canceled and neither party shall have any further liability to the other in connection with this Purchase Contract or transaction. Seller shall not be required to commence any action or proceeding or incur any expense in order to remove the condition which prevents Seller from transferring ownership of the Unit in accordance with this Purchase Contract.

26) **PROHIBITION AGAINST ASSIGNMENT OR RECORDING OF PURCHASE CONTRACT**- Neither this Purchase Contract nor Purchaser's interest hereunder may be assigned by Purchaser without the prior written consent of Seller, which consent may be withheld in Seller's sole and absolute discretion. In addition, neither shall this Purchase Contract nor any memorandum thereof be recorded in the Office of the Register of the City of New York, by Purchaser or on behalf of Purchaser. Should Purchaser violate the

provisions of the foregoing sentence, this Purchase Contract, at Seller's option, shall become null and void, whereupon all rights of Purchaser shall cease and terminate as per and Seller shall have the right to retain, as liquidated damages, the Deposit and all amounts paid by Purchaser for Extras which have been (i) installed by Seller, (ii) not installed, but paid for by Seller or (iii) not installed, but which have been ordered by Seller and for which Seller is obligated to pay, pursuant to the default provisions of Paragraph 23 of this Purchase Contract. Seller shall have the right to assign this Purchase Contract to a successor and/or designee of Seller.

27) **PROHIBITION AGAINST SIGNS ON THE UNIT** - Purchaser shall not place any sign on the Unit or Property until Seller has closed title to all of the units in the Condominium. This Paragraph shall survive Closing and delivery of the deed.

28) **PROHIBITION AGAINST ADVERTISING OF THE UNIT FOR SALE** - From and after the date hereof through Closing, Purchaser shall not place an advertisement for the sale of the Unit in any newspaper or other publication or media or list the Unit with any real estate broker. Such action shall constitute a material breach of this Purchase Contract entitling Seller to retain all monies paid on account of this Purchase Contract as liquidated damages pursuant to the provisions of Paragraph 23 of this Purchase Contract.

29) **BROKER** – Purchaser represents that no broker other than The Corcoran Group (the "Broker"), brought about this sale. Purchaser hereby indemnifies and shall hold Seller harmless from and against claims brought by Purchaser's broker for work on behalf of Purchaser. In the event Purchaser is represented or has consulted with an outside broker (other than Broker), Purchaser shall be responsible for all costs, expenses and commissions associated therewith and Seller shall not be responsible for any co-broker commission. This Paragraph shall survive Closing and delivery of the deed.

30) **TRUST FUNDS/ESCROW PROVISIONS** - The Deposit and all other deposits or advances (collectively "Deposits") made by Purchaser prior to Closing shall initially be held in a segregated escrow account held by Escrow Agent (as hereinafter defined) pursuant to the following:

- (a) The law firm of Frisoni & Associates, P.C., with an address at 527 Townline Road, Suite 300, Hauppauge, New York 11788, telephone number (631) 390-4343, shall serve as escrow agent ("Escrow Agent") for Seller and Purchaser. Robert J. Frisoni is the authorized signatory. Said signatory is admitted to practice law in the State of New York. Neither the Escrow Agent nor its authorized signatory on the account are the Seller, Selling Agent, Managing Agent, or any principal thereof, or have any beneficial interest in any of the foregoing.
- (b) Escrow Agent and all authorized signatories hereby submit to the jurisdiction of the State of New York and its courts for any cause of action arising out of this Purchase Contract or otherwise concerning the maintenance or release of the Deposit from escrow.

- (c) The Escrow Agent has established the escrow account at Capital One N.A., 2003 Smith Haven Plaza, Lake Grove, New York 11755, a bank authorized to do business in the State of New York ("Bank"). The escrow account is entitled "Roma Condominium IOLA Escrow Account ("Escrow Account"). The Escrow Account is an IOLA account pursuant to Judiciary Law § 497. The Escrow Account is federally insured by the FDIC at the maximum amount of \$250,000 per Deposit. Any Deposit in excess of \$250,000 will not be insured.
- (d) All monies received from Purchaser shall be in the form of checks, money orders, wire transfers, or other instruments approved by Seller, and shall be made payable to or endorsed by Purchaser to the order of Frisoni & Associates, P.C. as Escrow Agent.
- (e) Pursuant to Section 497 of the Judiciary Law of the State of New York, all interest earned on the IOLA account will be paid to the State of New York. No fees of any kind may be deducted from the Escrow Account, and Seller shall bear all costs associated with the maintenance of the Escrow Account.
- (f) Within five (5) business days after this Purchase Contract has been tendered to Escrow Agent along with the Deposit, Escrow Agent shall sign this Purchase Contract and place the Deposit into the Escrow Account. Within ten (10) business days of placing the Deposit in the Escrow Account, Escrow Agent shall provide written notice to Purchaser and Seller, confirming that the Deposit has been deposited into the Escrow Account. The notice shall provide the account number. Any deposits made for Extras shall initially be deposited into the Escrow Account and released, as long as Seller uses the funds for such work as per Paragraph 14 of this Purchase Contract.
- (g) Escrow Agent is obligated to send notice to Purchaser once the Deposit is placed in the Escrow Account. If Purchaser does not receive notice of such Deposit within fifteen (15) business days after tender of the Deposit, Purchaser may cancel this Purchase Contract within ninety (90) days after tender of this Purchase Contract and the Deposit to Escrow Agent. Complaints concerning the failure to honor such cancellation requests may be referred to the New York State Department of Law, Real Estate Finance Bureau, 28 Liberty Street, 21st Floor, New York, New York 10005. Rescission shall not be afforded where proof satisfactory to the Office of the Attorney General of the State of New York is submitted establishing that the Deposit was timely placed in the Escrow Account in accordance with the New York State Department of Law's regulations concerning Deposits and requisite notice was timely mailed to Purchaser.
- (h) All Deposits, except for advances made for Extras, received in connection with this Purchase Contract are and shall continue to be Purchaser's money, and may not be comingled with any other money or pledged or hypothecated

by Seller, as per Section 352-h of the General Business Law of the State of New York.

- (i) Under no circumstances shall Seller seek or accept release of the Deposit of a defaulting Purchaser until consummation of the Plan as defined in Section 20.1 (c) (6) of the Department of Law regulations, which defines consummation of the Plan as the filing of the Declaration of Condominium and the first transfer of title to a unit to at least one (1) purchaser under the Plan following a declaration of effectiveness by Seller and acceptance of the amendment of the declaration of effectiveness by the Office of the Attorney General of the State of New York. Consummation of the Plan does not relieve Seller of its obligations pursuant to Sections 352-e(2-b) and 352-h of the General Business Law of the State of New York.
- (j) Escrow Agent shall release the Deposit if so directed:
 - (i) pursuant to terms and conditions set forth in this Purchase Contract, upon closing of title to the Unit; or
 - (ii) in a subsequent writing signed by both Seller and Purchaser; or
 - (iii) by a final, non-appealable order or judgment of a court of competent jurisdiction.

If Escrow Agent is not directed to release the Deposit pursuant to paragraphs (i) through (iii) above, and Escrow Agent receives a request by either party to release the Deposit, then Escrow Agent must give both Purchaser and Seller prior written notice of not fewer than thirty (30) days before releasing the Deposit. If Escrow Agent has not received notice of objection to the release of the Deposit prior to the expiration of such thirty (30) day period, the Deposit shall be released, and Escrow Agent shall provide further written notice to both parties informing them of said release. If Escrow Agent receives a written notice from either party objecting to the release of the Deposit within said thirty (30) day period, Escrow Agent shall continue to hold the Deposit until otherwise directed pursuant to subparagraphs (i) through (iii) above. Notwithstanding the foregoing, Escrow Agent shall have the right at any time to deposit the Deposit with the clerk of the county where the Unit is located and shall give written notice to both parties of such Deposit. Escrow Agent shall disburse Purchaser's Deposit(s) escrowed under this Purchase Contract within twenty (20) business days after the escrowed funds are permitted to be released in accordance with this Purchase Contract.

Seller shall not object to the release of the Deposit to:

- (i) a purchaser who timely rescinds in accordance with an offer of rescission contained in the Plan or an Amendment to the Plan; or

- (k) Any provision of any purchase contract or separate agreement, whether oral or in writing, by which a purchaser purports to waive or indemnify any obligation of Escrow Agent holding any Deposit in trust is absolutely void. - (l) Escrow Agent shall maintain the Escrow Account under its direct supervision and control.
- (m) A fiduciary relationship shall exist between Escrow Agent and Purchaser, and Escrow Agent acknowledges its fiduciary and statutory obligations pursuant to GBL §§ 352(e)(2-b) and 352(h).

- (s) Seller agrees that it shall not interfere with Escrow Agent's performance of its fiduciary duties and statutory obligations as set forth in GBL §§ 352-(e)(2-b) and 352-(h) and the New York State Department of Law's regulations.
- (t) The following record keeping provisions shall apply:
 - (i) Escrow Agent shall maintain all records concerning the Escrow Account for seven (7) years after the release of the funds.
 - (ii) Upon dissolution of a law firm which was Escrow Agent, the former partners or members of the firm shall make appropriate arrangements for the maintenance of these records by one of the partners or members of the firm or by the successor firm and shall notify the Department of Law of such transfer.
- (u) Prior to release of the Deposit, Escrow Agent's fees and disbursements shall neither be paid by Seller from the Deposit nor deducted from the Deposit by any financial institution under any circumstance.
- (v) Seller agrees to defend, indemnify and hold Escrow Agent harmless from and against any and all costs, claims, expenses, demands, causes of action, liability, judgments and damages incurred in connection with or arising out of Escrow Agent's responsibilities in connection with this Purchase Contract or the performance or non-performance of Escrow Agent's duties under this Purchase Contract, except with respect to actions or omissions taken or suffered by Escrow Agent in bad faith or in willful disregard of the obligations set forth in this Purchase Contract or involving gross negligence of Escrow Agent. This indemnity includes, without limitation, disbursements and attorneys' fees either paid to retain attorneys or representing the hourly billing rates with respect to legal services rendered by Escrow Agent to itself.
- (w) Escrow Agent shall not be liable for Seller's failure to tender Purchaser's funds to Escrow Agent within five (5) business days, for any mistakes of fact or errors of judgment, or for any acts or omissions of any kind unless caused by Escrow Agent's willful misconduct or gross negligence.
- (x) Escrow Agent shall not be liable in any manner for the sufficiency or correctness as to form, manner or execution, or validity of any written instructions delivered to it, nor as to the identity, authority, or rights of any person executing the same.
- (y) The duties of Escrow Agent shall be limited to the safekeeping of the Deposits and for disbursements of same in accordance with the written instructions described in this Purchase Contract.

(z) This Paragraph 30 shall remain in effect unless and until the following:

- (i) Written notice given by Seller to Escrow Agent of cancellation of designation of Escrow Agent to act in said capacity, which cancellation shall take effect only upon the filing of an amendment with the Department of Law providing for a successor escrow agent; or
- (ii) The resignation of Escrow Agent upon giving notice to Seller of its desire to so resign, which resignation shall take effect only upon the filing of an amendment with the Department of Law providing for a successor escrow agent; or
- (iii) All units offered pursuant to the Plan have been sold and all sales transactions have been consummated.

Escrow Agent shall have no responsibility to verify qualifications of any successor escrow agent.

- (aa) Upon termination of the duties of Escrow Agent as described in sub-paragraph 30(z) above, Escrow Agent shall deliver any and all funds held by it in the Escrow Account and any and all contracts or documents maintained by Escrow Agent to the successor escrow agent designated in the duly filed amendment related thereto.
- (bb) Upon delivery of all funds held by Escrow Agent to the successor escrow agent pursuant to sub-paragraph 30(aa) above, this Paragraph 30 shall be terminated, and Escrow Agent shall be released from all liability hereunder.
- (cc) Upon Escrow Agent disbursing the Deposit in accordance with the provisions of this Paragraph 30, Escrow Agent's obligations shall terminate as regards to the Deposit, and Escrow Agent shall thereafter be released of all liability in connection with Purchaser.
- (dd) In the event of a good faith disagreement about the interpretation of this Paragraph 30, or about the rights and obligations, or the propriety, of any action contemplated by Escrow Agent hereunder, Escrow Agent may, in its sole discretion, retain the Deposit and payments in escrow and file an action and deposit any applicable funds in a court of competent jurisdiction to resolve said disagreement. Escrow Agent shall be indemnified by Seller for any and all costs, including reasonable attorneys' fees or reasonable value of services rendered by Escrow Agent's litigation attorneys representing Escrow Agent pro se in connection with the aforesaid action. No such action shall be filed where Escrow Agent's required course of action is clearly dictated within this Paragraph 30.

- (ee) Any provision of any contract or agreement, whether oral or in writing, by which Purchaser purports to waive or indemnify any obligation of Escrow Agent holding trust funds is absolutely void. The provisions of the regulations pertaining to escrow funds, as amended on November 14, 2012, shall prevail over any conflicting or inconsistent provision in the Plan, an amendment to the Plan or in this Purchase Contract.
- (ff) This Paragraph 30 shall be construed in accordance with and governed by the laws of the State of New York without giving effect to its conflict of law provisions.

31) **NOTICES** - Any notices, statements, certificates, requests or demands required or permitted to be given or delivered under this Purchase Contract shall be in writing and may be sent by mail, nationally recognized overnight courier or personal delivery, addressed to Purchaser or to Seller, as the case may be, at their respective addresses shown at the beginning of this Purchase Contract, or to such other address as Purchaser or Seller may designate in the manner herein provided, or to their respective attorneys. Such notice, statement, certificate, request or demand shall be deemed to have been given:

- (a) upon personal delivery actually being made, and
- (d) upon receipt, notice of first refusal of delivery or when returned as undeliverable if delivered by: (i) the United States Post Office with proper postage prepaid, if sent by regular mail, registered, or certified mail return receipt requested; or (ii) nationally recognized overnight courier service.

Notwithstanding the foregoing, any notice of default must be delivered only by nationally recognized overnight courier service, personal delivery, or certified mail return receipt requested. Notice given by an attorney for a party shall be deemed effective notice as if given by such party.

32) **PURCHASER GENERAL REPRESENTATIONS** - Purchaser represents that Purchaser has not relied upon any architect's plans, sales plans, selling brochures, advertisements, representations, warranties or statements, written or oral, of any nature, including, but not limited to, any of the above relating to the description or physical condition of the Building or the Unit or the Property, the size or the dimensions of the Unit or the rooms therein contained or any physical characteristics thereof, the services offered by the Condominium, the estimated Common Charges for the Unit or any other matter or estimate not set forth herein and/or in the Plan. Purchaser further represents that Purchaser has not relied on any verbal or written representations made by Broker or any other agent of Seller. Purchaser further acknowledges having had full opportunity to examine all documents and investigate all facts referred to and stated herein and/or in the Plan. Purchaser agrees that Seller shall have no liability or responsibility to Purchaser and that Purchaser shall not be relieved from Purchaser's obligations hereunder, by reason of any inaccuracy or error in the layout or dimensions of the Unit so long as the layout and specifications as they may be changed or amended are in accordance with

the provisions of the Plan. Seller cannot guarantee a firm completion and availability date for the Unit and Purchaser agrees that Seller shall not be obligated to make, provide, or compensate for any accommodations or costs to Purchaser as a result of construction delays nor shall such delays serve to cancel, amend or diminish any of Purchaser's obligations hereunder.

33) ACKNOWLEDGMENT THAT THERE ARE NO OTHER UNDERSTANDINGS - All prior understandings and agreements are hereby superseded and merged into this Purchase Contract, which alone contains the final and entire understanding and agreement between Seller and Purchaser. Neither Seller nor Purchaser shall be bound by any terms, conditions, statements, or representations, oral or written, not set forth in this Purchase Contract or in the Plan. Purchaser acknowledges that Purchaser is buying a unit in a condominium development which may not yet have been formed at the time this Purchase Contract is signed, and that, except as stated in this Purchase Contract, the Declarations, By-Laws, Exhibits, Schedules and Plan, Purchaser has not relied on any representations or other statements of any kind or nature made by Seller or anyone else except as set forth in the Plan or any amendment thereto and this Purchase Contract, including but not limited to, the description, size or dimensions of the Unit or rooms therein, or the estimated common charges, or other expenses relative thereto.

Purchaser also acknowledges that none of Seller's representatives has the authority to modify this Purchase Contract or to make any oral promise, agreement, or representation inconsistent or contrary to the terms of this Purchase Contract. This Purchase Contract may be changed only by a written document signed by both Purchaser and Seller. The invalidity or unenforceability of any particular provision of this Purchase Contract will not affect the other provisions, and this Purchase Contract will be interpreted in all respects as if such unenforceable provisions were omitted.

34) RISK OF LOSS - The risk of loss or damage to the Unit by fire or any other cause until delivery of the deed is assumed by Seller. In the event a substantial portion of the Unit or the Building shall be destroyed or damaged prior to Closing, Seller shall be entitled to cancel this Purchase Contract by written notice to Purchaser, together with a check in the amount of the Deposit and all Extras paid by Purchaser. The parties shall thereafter be released from any further liability hereunder.

In the event Purchaser takes actual possession of the Unit prior to Closing, Purchaser shall assume the risk of any loss not covered by insurance upon production of the policy by Seller to Purchaser which provides that actions of interim lessees are not covered under the then-existing policy. If Purchaser is or becomes the occupant or tenant of the Unit prior to Closing, then, as of the date of Purchaser's occupancy, Purchaser shall be responsible for any and all damage caused by any acts or omissions of Purchaser, or Purchaser's agents, employees, invitees and/or family members.

If any part of the Unit is damaged or destroyed by any casualty prior to Closing, Seller shall have the option to restore the Unit to its previous condition as soon as reasonably possible. In the event Seller elects to restore the Unit, then the Closing Date

and any other applicable date or deadline will be extended in a reasonable manner by Seller. Seller shall notify Purchaser of Seller's decision within ten (10) business days of the date of such casualty. In the event Seller elects not to restore the Unit, then this Purchase Contract will terminate, and Purchaser shall receive a refund of all monies paid to Seller. The parties shall thereafter be released from any further liability hereunder.

35) DAMAGE TO PUBLIC IMPROVEMENTS, AMENITIES AND COMMON ELEMENTS - Purchaser shall repair and/or restore to their original condition and standards any public improvement, amenity or Common Elements on the Property damaged by Purchaser or Purchaser's agents, employees, contractors, or licensees. Upon failure of Purchaser to complete such repair and/or restoration work within thirty (30) days after written notice from Seller, then and in that event, Seller may complete same at the sole cost and expense of Purchaser who shall reimburse Seller for the cost thereof immediately upon demand. This Paragraph shall survive Closing and delivery of the deed.

36) STRICT COMPLIANCE; WAIVER OF TRIAL BY JURY - Any failure by Seller to insist upon strict performance by Purchaser of any of Purchaser's obligations under this Purchase Contract shall not be deemed a waiver of such obligations, and Seller may at any time insist upon strict performance by Purchaser of any and all obligations to be performed by Purchaser under this Purchase Contract irrespective of the number of times Purchaser failed to strictly comply with such obligations in the past.

Purchaser waives all rights to trial by jury in any action, proceeding or counterclaim in any way arising out of or relating to this Purchase Contract or the Plan provided such waiver is not prohibited by any laws of the State of New York. Purchaser agrees to pay any and all court fees, including, without limitation, reasonable attorney fees, should Purchaser bring an action against Seller in any court of proper jurisdiction (including, without limitation, small claims court) and be unsuccessful. Purchaser hereby agrees to waive the right to file a Lis Pendens if not filed within sixty (60) days of the cancellation of this Purchase Contract.

Any action or proceeding brought by either party hereto against the other, directly or indirectly, arising out of this Purchase Contract, shall be instituted in a court in the County of Queens, State of New York and all motions in any such action shall be made in the County of New York, State of New York.

This Paragraph shall survive Closing and delivery of the Deed.

37) LIEN OF DEPOSIT - All sums paid on account of this Purchase Contract are hereby made liens upon the Unit, but such liens shall not continue after default by Purchaser under this Purchase Contract.

38) MISCELLANEOUS -

- (a) The start of any activity by Seller in connection with the Unit is not to be deemed a waiver of any of Seller's rights under this Purchase Contract.

- (b) The personal property referred to in this Purchase Contract shall be deemed conveyed by the deed, and no part of the Purchase Price shall be deemed allocated to such personal property.
- (c) The attorneys representing Seller, or any lender represent such parties only and not Purchaser. Purchaser may retain independent counsel, at Purchaser's sole cost and expense, in order to protect Purchaser's interest.
- (d) Seller's employees, agents and representatives are not authorized to make any representations regarding economic benefits to be derived from the transaction contemplated by this Purchase Contract. Purchaser is advised that economic benefits to be derived from the transaction contemplated by this Purchase Contract may vary with individual circumstances and/or market conditions, and Purchaser should rely only upon Purchaser's attorney, accountant, and/or other counsel if guidance in such matters is desired.
- (e) Purchaser acknowledges that Seller has the right to lower and/or increase the price paid for a similar unit and/or change the terms applicable to similar units. As a result, Purchaser may pay more or less and may receive better or worse terms than another purchaser for a similar unit.
- (f) The delivery of the deed for the Unit to Purchaser or Purchaser's representative at Closing shall be deemed to mean that all things required to be done by Seller under this Purchase Contract have been done and that Purchaser shall not claim otherwise except as to those things, if any, which are specifically stated in this Purchase Contract or in a separate writing signed by Seller or Seller's attorney on Seller's behalf, or which may be expressly stated in the Plan, in 13 NYCRR Part 20 (the regulations of the Attorney General of the State of New York governing the acceptance for filing of this Plan), and in General Business Law Section 352-e, to survive or continue beyond Closing and delivery of the deed.
- (g) The paragraph headings set forth in this Purchase Contract are inserted solely for convenience of reference and in no way deemed to affect, amend, define, describe, or limit the scope or intent of the provisions set forth in this Purchase Contract.
- (h) No provision of this Purchase Contract may be changed, waived, discharged, or terminated orally, by telephone, or by any other means, except an instrument in writing signed by the party against whom enforcement of such change, waiver, discharge, or termination is sought and then only to the extent set forth in such instrument.
- (i) Any singular word or term herein shall also be read as in the plural whenever the sense of this Purchase Contract may require it. The use of the masculine

gender shall be deemed to refer to the feminine gender, or neuter, whenever the context so requires.

- (j) All capitalized terms shall be given the definition contained in Part I of the Plan unless otherwise defined in this Purchase Contract.
- (k) If two (2) or more persons are named as Purchaser in this Purchase Contract, (i) each person shall be jointly and severally liable for payment, observance, and performance of all obligations under this Purchase Contract; and (ii) anyone of them is hereby made agent for the other in all matters of any and every kind or nature with respect to the Unit and/or this Purchase Contract. The act, assent, election or approval by one shall conclusively constitute the act, assent, election and approval by all.
- (l) The provisions of this Purchase Contract shall bind and inure to the benefit of Purchaser and Purchaser's heirs, legal representatives, successors and permitted assigns and shall bind and inure to the benefit of Seller and its successors and assigns.
- (m) This Purchase Contract shall not be binding or effective until fully executed and delivered by Seller and Purchaser.
- (n) Seller represents that its Federal Employer Identification Number is __; and Purchaser represents that his/her/their social security number(s) is _____ and _____.
- (o) Purchaser shall execute the Tender of Escrow form attached hereto, as set forth in Schedule "D-1" upon execution of this Purchase Contract and shall execute the Release Form attached hereto as Schedule "D-2".
- (p) In the event any portion of this Purchase Contract shall be declared by any court of competent jurisdiction to be invalid, illegal or unenforceable, such portion shall be deemed severed from this Purchase Contract and the remaining parts hereof shall remain in full force and effect, as fully as though such invalid, illegal or unenforceable portion had never been part of this Purchase Contract.
- (q) This Purchase Contract and any schedules, riders, addenda, and amendments hereto may be executed in any number of counterparts each of which shall be deemed an original and all of which together shall be deemed to constitute one and the same agreement. Electronic (i.e., portable document format (.pdf), email and facsimile) signatures shall be deemed originals for purposes of this Purchase Contract.
- (r) The parties agree that this Purchase Contract shall be governed by and construed in accordance with the laws of the State of New York.

38) **SMOKING POLICY** – Purchaser acknowledges having received a copy of the Condominium's Smoking Policy a copy of which is contained in the Rules and Regulations in Article VIII, Section 2 of the Condominium By-Laws, and the Rider to this Purchase Contract as Schedule D-5.

39) **LIMITED WARRANTY - AT THE CLOSING OF TITLE, SELLER WILL DELIVER THE CERTIFICATES AND WARRANTIES DELIVERED TO IT AND TRANSFERABLE TO PURCHASER AND IT IS FURTHER AGREED THAT TITLE WILL NOT CLOSE UNTIL A TEMPORARY CERTIFICATE OF OCCUPANCY HAS BEEN ISSUED COVERING THE UNIT OR BUILDING IN WHICH THE UNIT IS LOCATED. IN THE EVENT A TEMPORARY CERTIFICATE OF OCCUPANCY IS ISSUED, SELLER SHALL KEEP THE TEMPORARY CERTIFICATE OF OCCUPANCY IN FULL FORCE AND EFFECT UNTIL A PERMANENT CERTIFICATE OF OCCUPANCY IS ISSUED. SELLER'S LIABILITY PURSUANT TO ANY MANUFACTURERS' WARRANTIES COVERING HEATING, APPLIANCES, ELECTRICITY AND PLUMBING ARE LIMITED SOLELY TO THE EXTENT THAT SUCH WARRANTIES ARE DELIVERED TO SELLER, TRANSFERABLE TO THE PURCHASER OR TO THE CONDOMINIUM AND THEN ONLY AS AGAINST SUCH MANUFACTURER. Upon the termination of the License Agreement the Storage Space shall revert to the Board of Managers of the Condominium and the Board of Managers shall have all of the rights and obligations regarding the Storage Space and shall have the right to enter into a subsequent License Agreement with a new Licensee.

6. **Late Charge.** In the event that any payment required to be made by Licensee pursuant to the terms of this License Agreement shall not be paid within ten (10) days from the date such payment is due, Licensor may charge Licensee a late fee in the amount of \$0.25 for each \$1.00 which remains unpaid for the purpose of defraying the expenses incurred in handling delinquent payments, which shall be payable to Licensor each and every month until Licensor is paid in full.

7. **Maintenance.** Subject to Paragraph 8 herein, Licensor shall provide, at its sole cost and expense, all maintenance and repair required for the Storage Space and Storage Space Area so as to keep the Storage Space and Storage Space Area in good order and repair, as provided in Article XIII of the By-Laws. All general maintenance and repairs of the Storage Spaces shall be the responsibility of the Licensee of the Storage Space.

8. **Damage Caused by Licensee.** Licensee shall throughout the Term, take good care of and maintain the Storage Space. All repairs and replacements to the Storage Space as well as the Storage Space Area shall be performed by Licensor and the cost thereof shall be a Common Expense, unless such repair or replacement is necessitated by the negligence, misuse, or abuse of Licensee (or any of Licensee's agents or invitees), in which event the entire

cost and expense of such repair or replacement shall be borne by Licensee, and shall be paid by Licensee to Licenser no later than ten (10) days following written demand therefor.

9. **Indemnification.** Licensee shall indemnify and hold Sponsor, Licenser, and their respective members, managers, owners, shareholders, officers, directors, agents, employees, servants, successors, designees and assigns harmless from and against any loss, cost, damage and expense of whatever kind arising directly or indirectly from the operation and use of the Storage Space or from Licensee's breach of this License Agreement, including, but not limited to, reasonable attorneys' fees and court costs, except to the extent such loss, damage, cost or expense is due to the gross negligence or willful misconduct of Licenser and/or its employees and/or agents or other owners of units in the Condominium.

10. **Insurance.** Licenser shall, at all times during the Term, maintain insurance as required. Licensee shall maintain the following: (i) property insurance on a broad coverage form with a limit equal to Licensee's personal property, and (ii) personal liability coverage (including auto coverage) in an amount of \$1,000,000 for bodily injury and/or property damage.

11. **Licensee's Default Under Purchase Agreement.** If Licensee fails to appear and close title in accordance with the Purchase Agreement dated _____, and at the time and place stated in the Notice for Closing, or if Licensee fails to observe or perform any other obligation on the part of Licensee to be observed or performed under said Purchase Agreement, Sponsor may send Licensee a written notice of default giving Licensee thirty (30) days from the date of such notice to cure any such default. Upon Licensee's failure to cure such default within such thirty (30) day period, this License Agreement shall, at Sponsor's option, be deemed canceled and Sponsor shall have the right to retain, as and for liquidated damages, all

sums paid by Licensee to Sponsor on account of this License Agreement. Licensee acknowledges said amount to be fair and reasonable.

Prior to such funds being released to Sponsor, Escrow Agent shall send a notice to Licensee of Escrow Agent's intent to release the funds being held in escrow on behalf of Licensee pursuant to the escrow regulations as set forth in Section XIV of the Offering Plan and Paragraph 29 of the Purchase Agreement.

TIME IS OF THE ESSENCE FOR LICENSEE TO CURE SUCH DEFAULT WITHIN SUCH THIRTY (30) DAY PERIOD.

Upon cancellation of this License Agreement for Licensee's failure to timely cure any default, Sponsor shall be released and discharged of any and all further liability and obligations to Licensee under this License Agreement. Thereafter, the Storage Space may be licensed or disposed of as though this License Agreement had never existed and without any accounting to Licensee for the proceeds of any subsequent license of the Storage Space. The foregoing remedy shall be in addition to any and all other remedies available to Sponsor under this License Agreement, at law or in equity for any default by Licensee under this License Agreement.

12. **Events of Default.** The following shall each be an "Event of Default" under this License Agreement:

(a) Licensee's failure to timely pay any License Fee, which failure continues for five (5) days after notice thereof.

(b) Licensee's violation or failure to perform any of the other material terms, conditions, covenants or agreements herein made by Licensee, if such violation or failure continues for a period of ten (10) days after notice thereof.

In the event of any violation or failure to perform a covenant as contemplated herein, and if such covenant cannot be performed within the ten (10) day period, provided that Licensee has promptly commenced to cure such violation and is diligently proceeding with the cure, the time within which Licensee may cure the same shall be extended to such reasonable time as may be necessary to cure the same with all due diligence.

(c) Licensee's violation of any provision of the Condominium Documents regarding the Storage Spaces.

13. **General.** (a) Neither Sponsor, Licensor nor their respective agents or employees shall be liable for any theft or damage to any property stored in the Storage Space Area and/or the Storage Space.

(b) The terms of this License Agreement are subject to the terms of the Condominium Documents. Nothing contained herein shall be construed as limiting the rights and obligations of the parties under the Condominium Documents. Any conflict between the provisions of this License Agreement and the Condominium Documents shall be resolved in favor of the Condominium Documents as they relate to the Storage Space.

(c) Licensor and/or its agents shall have the right, but not the obligation, to open the Storage Space or reasonably prevent access to the Storage Space in an emergency at any time, and, at other reasonable times upon prior notice to Licensee, to inspect and examine the Storage Space and to make such repairs, replacements and improvements as Licensor shall deem necessary.

14. **Remedies.** (a) If an Event of Default shall occur, and shall not be cured within the time period specified herein, then Licensor may give Licensee a fifteen (15) day notice of its intention to end the Term, and, at the expiration of such fifteen (15) day period, the Term shall

expire as fully and completely as if that day were the date herein originally fixed for the expiration of the Term, and Licensee shall then quit and surrender the Storage Space to Licensor and remain liable under the terms of this License Agreement.

(b) The Board of Managers shall have the same rights of collection and enforcement of the License Fee for the Storage Space as they have for Common Charges and Special Assessments as provided for in the Declaration and the By-Laws. In addition, if Licensee defaults in its obligations hereunder or under the Condominium Documents, the Condominium Board may, in addition to the rights and remedies set forth in the Condominium Documents, (i) deny access to and use of the Storage Space until Licensee cures such default or (ii) terminate this Agreement upon written notice to Licensee.

15. **Notices.** Any notices, statements, certificates, requests or demands required or permitted to be given or delivered under this License Agreement shall be in writing and may be sent by mail, nationally recognized overnight courier or personal delivery, addressed to Licensor or to Licensee, as the case may be, at their respective addresses shown at the beginning of this License Agreement, or to such other address as Licensor or Licensee may designate in the manner herein provided, or to their respective attorneys. Such notice, statement, certificate, request or demand shall be deemed to have been given:

- (a) upon personal delivery actually being made, and
- (b) upon receipt, first refusal of delivery or when returned as undeliverable if delivered by: (i) the United States Post Office with proper postage prepaid, if sent by regular mail, registered or certified mail return receipt requested; or (ii) nationally recognized overnight courier service.

Notwithstanding the foregoing, any notice of default must be delivered only by nationally recognized overnight courier service, personal delivery, or certified mail return receipt requested. Notice given by an attorney for a party shall be deemed effective notice as if given by such party.

16. **Assignment.** This License may be assigned by Licensee at any time provided the assignee satisfies the following: (i) owns a Residential Unit in the Condominium, or is a successor purchaser of the Residential Unit and assumes the obligations of Licensee under this License Agreement, (ii) a notification of the assignment is delivered in writing to Licensor in compliance with its requirements as the same may be modified from time to time, and (iii) no outstanding Common Charges, Special Assessments, Late Fees or other monies are owed to the Condominium by Licensee and/or the assignee. The License shall automatically terminate at such time as the Term expires as provided herein or the License is assigned to and assumed by another owner of a Residential Unit in the Condominium.

17. **Waiver.** Neither this License Agreement nor any provision hereof may be waived, amended, discharged or terminated except by an instrument in writing signed by the party against which the enforcement of such waiver, amendment, discharge or termination is sought and then only to the extent set forth in such instrument.

18. **Acknowledgement.** Either party shall execute, acknowledge and deliver to the other party such instruments and take such other actions, in addition to the instruments and actions specifically provided for herein, as such other party may reasonably request in order to effectuate the provisions of this License Agreement or of any transaction contemplated herein or to confirm or perfect any right to be created or transferred hereunder or pursuant to any such transaction.

19. **Strict Performance.** Any failure by the Licensor to insist upon strict performance by Licensee of any of the provisions of this License Agreement shall not be deemed a waiver of any of the provisions hereof, irrespective of the number of violations or breaches which may occur, and Licensor, notwithstanding any such failure, shall have the right thereafter to insist upon strict performance by Licensee of any and all of the provisions of this License Agreement to be performed by Licensee.

20. **Governing Law.** (a) This License Agreement shall be governed by and construed under the laws of the State of New York, without giving effect to its conflict of laws principles.

(b) If any provision of this License Agreement is invalid or unenforceable as against any party or under, certain circumstances, the remainder of this License Agreement and the applicability of such provision to other parties or circumstances shall not be affected thereby. Each provision of this License Agreement, except as otherwise herein or therein provided, shall be valid and enforced to the fullest extent permitted by Law.

21. **Entire Agreement.** This instrument contains the entire agreement between the parties and any and all other prior oral or written agreements or representations made by or on behalf of either party with respect to this License Agreement or to the subject matter hereof shall be of no force or effect whatsoever. All understandings and agreements heretofore had between the parties hereto are merged in this License Agreement, which alone fully and completely express their agreement and that this License Agreement supersedes any and all such understandings and agreements with respect to the subject matter hereof.

22. **Arbitration.** Any dispute regarding the allocation or amount of the License Fee for the Storage Space shall be decided by Arbitration pursuant to the terms of Article XIII of the By-Laws of the Condominium.

23. **Waiver of Jury Trial; Venue.** Licenser and Licensee do hereby mutually waive trial by jury in any action, proceeding or counterclaim brought by either Licenser or Licensee against the other with regard to any matters whatsoever arising out of or in any way connected with this License Agreement, the relationship of Licenser and Licensee, and Licensee's use of the Storage Space provided such waiver is not prohibited by any laws of the State of New York. Any action or proceeding brought by either party hereto against the other, directly or indirectly, arising out of this License Agreement shall be brought in a court in New York City.

IN WITNESS WHEREOF, the parties hereto have executed this License Agreement as of the date and year first above written.

There is no evidence of dampness, mold, moisture seepage or ground water infiltration in the cellar. As per test borings, soil up to 22 feet below consists of NYC classification 6 mostly fill and loose soil that was not suitable for structural load bearing purposes and the recommendation was to use caisson piles to be rested on the bedrock. Rock coring was performed from 27 to 32 feet below grade level in boring 2 and 32 to 37 feet below grade level in boring 1. Ground water table was encountered at 5 to 6 feet below grade level.

§ 20.7(h) Structural system.

The foundation of the building is composed of reinforced concrete grade beams, mat foundations, strip footings and spread footings with 5,000 PSI compressive strength. The mat foundation near the center of the building supports elevator shaft and shear wall system. Cellar slab is 4" thick slab on grade with wire mesh reinforcement. Foundation walls are 12 inch thick reinforced concrete wall and supported by strip footings. Columns are supported by spread footings and mat foundations. The foundation system were designed to accurately support all loads imposed by the new 7-story concrete building with roof and bulkhead. The foundation walls are protected with a waterproofing membrane, while the floor slab incorporates a urethane waterproof coat with sloped waterproof and an epoxy coat on 4" concrete over a 6" aggregate base for effective moisture control and durability.

The typical floor structure from first floor up to the roof bulkhead is composed of 8" thick reinforced concrete flat slabs. Slabs are supported by columns and shear walls on every floor. Columns are designed to take gravity load only. Shear walls are designed to resist both lateral loads, seismic and wind loads, and gravity loads. The floor assembly consists of a concrete slab with applied finishes as specified in the architectural finish schedule. The assembly is designed to meet Sound Transmission Class (STC) rating S3, indicating compliance with minimum sound attenuation requirements between units.

Sound mitigation measures include a 4" rigid floor assembly at the compactor room to enhance acoustic separation in high-noise areas. However, the floor construction does not include any underlayment or ceiling resilient channels typically used to improve Impact Insulation Class (IIC) performance. Therefore, while STC requirements are addressed through the mass and composition of the concrete assembly, there are no dedicated components installed to specifically enhance IIC ratings.

Underpinning Works – As per Drawing Set UP-S7

Underpinning was carried out in accordance with the structural drawings FO-503.00 (Underpinning Plan), FO-505.00 (Underpinning Sections), and FO-506.00 (Underpinning Details). The proposed concrete underpinning was laid out at 4'-0" O.C. (unless otherwise noted) along the perimeter wall adjacent to the neighboring structure.

Each underpinning pit was excavated manually within sheeting, per the construction sequence outlined on sheet FO-503.00. Excavation depth and pit dimensions complied with maximums stated: 4'-0" wide for concrete footings and clear spacing of 12 feet between open pits. Underpinning was performed sequentially from segment A through segment E, with inspection and verification before proceeding to the next sequence.

The underpinning piers were poured to bear on competent soil or to the elevations shown, whichever was deeper, as determined and confirmed by the special inspections engineer on site. After concrete curing (minimum 24 hours), steel plates and tapered wedges were installed and dry pack grout was used to ensure tight contact between the existing footing and new underpin.

All work complied with NYC Building Code and followed safety measures as outlined on sheet FO-502.00, including vibration monitoring and pre-condition surveys of adjacent buildings. No deviations from design drawings were encountered during the work.

(1) Exterior of Building:

The building has been designed to comply with applicable seismic codes of Local Law 17/95 and Chapter 16 of the New York City Building Code.

(i) Walls:

The front and rear walls are 2-hour rated, non-load bearing walls. The front and the rear walls are 4" galvanized metal studs @ 16" O.C. with one layer of type "x" 5/8" gypsum wall board on interior side, R-13 cavity batt insulation or spray foam open cell insulation approved equal and one 5/8" exterior grade gypsum board under a vapor retarding building wrap or Tyvek, continuous metal flashing with 2" rigid fluted polystyrene insulation having R-10, 1" airspace and 4" face brick finish. The walls facing the two terraces on the second floor are 6" galvanized metal studs @ 16" O.C. with one layer of type "x" 5/8" gypsum wall board on interior side, R-13 cavity batt insulation or spray foam open cell insulation approved equal and one 5/8" exterior grade gypsum board or 5/8" dens glass gold board under a vapor retarding building wrap or Tyvek, a vapor barrier and 3" thick E.I.F.S. (R=15) system finish on the exterior side.

The side walls are 2-hour fire-resistance rated system constructed using 3 5/8" metal studs spaced at 16" on center. The stud cavity is filled with R-13 batt insulation to provide thermal and acoustic performance. The interior face of the wall is finished with two layers of 5/8" Type X gypsum board, contributing to the required fire-resistance rating. On the exterior face, the wall is sheathed with 5/8" exterior-grade gypsum board or Dens-Glass Gold, providing additional structural support and

weather resistance. The exterior finish system includes 3" of Exterior Insulation and Finish System (EIFS) with R-15 extruded polystyrene (XPS) insulation, delivering a continuous thermal barrier. This assembly meets both fire-resistance and energy code requirements through the combined use of rated gypsum board layers, cavity and continuous insulation, and non-combustible sheathing materials.

On of the other side walls assembly provides a 2-hour fire-resistance rating and consists of 6" concrete masonry units (CMU) with partially grouted cells. The CMU serves as the primary structural and fire-rated component of the wall. On the exterior side, the assembly incorporates an Exterior Insulation and Finish System (EIFS) that includes 2" of extruded polystyrene (XPS) insulation, providing R-10 thermal performance and contributing to the building's energy efficiency. The interior face of the wall is finished with 7/8" metal furring hat channels, which create a cavity for mechanical or electrical routing and improve acoustical separation. A single layer of 5/8" gypsum board is applied over the furring channels, completing the interior finish while maintaining the fire-resistance rating of the wall assembly. This construction meets applicable fire safety and thermal insulation requirements for exterior wall systems.

The façade finish installation is in progress with estimated completion in April 2025.

It is required to file Local Law 11/98 report for periodic inspection of the exterior walls and appurtenances with the NYC Department of Buildings since the building exceeds six stories in height. The first FISP must be scheduled five years from the date of issuance of the Temporary Certificate of Occupancy, which will be approximately by April of 2029. If the FISP inspection report is classified as SWAMP and Unsafe, the management company must conduct the repair work as required and approved by the NYC Department of Buildings and any other regulatory agency having jurisdiction.

(ii) Windows:

The building windows are fixed type on first floor entrance, and a combination of casement and fixed types in the upper floors with casement sill at 34" height above finish floor and a fixed window panel at the bottom, all manufactured by Avirams Windows and Doors Industries. Windows throughout the building have fully thermally-broken components, 1" insulated double-pane IGU, low-E, tinted glass on a 2" insulated aluminum frame with paint finish. The U-factor of the windows is 0.29 and 0.30 maximum and the SHGC 0.23 and 0.27 value. Window hardware is the standard provided by the manufacturer. All perimeter of windows are finished with caulking at exterior. Light and ventilation requirements for the habitable spaces are met with the proposed windows. Windows are framed with steel studs at all sides and are finished with stucco system at the exterior and gypsum board at the interior. Screens and window guards are not installed, window opening restrainers are alternative. NYS Department of Health and Mental Hygiene approved window opening restrainers in dwelling units shall be installed as per the need of each unit owner, and any expenses incurred shall be the responsibility of same.

Except as may otherwise be set forth in this Declaration, any easement created or granted hereunder shall be perpetual and irrevocable for so long as the Condominium shall remain in existence.

ARTICLE VII. SERVICE OF PROCESS:

The Board of Managers on behalf of the Condominium designates the Secretary of State of New York as its agent for service. Service of process on the Unit Owners in any action with relation to the Common Elements shall be made upon the Secretary of State as the agent of the Board of Managers of the Condominium. The post office address to which the Secretary of State shall mail a copy of any process against this Condominium served upon the Secretary of State as agent for service of this Condominium during the period the Sponsor controls the Board of Managers is: c/o Newtown Avenue Associates LLC, 1836 Gilford Avenue, New Hyde Park, New York 11040. Once the Sponsor no longer controls the Board of Managers, the Board of Managers must notify the Secretary of State that the post office address to which the Secretary of State shall mail a copy of any process against this Condominium served upon the Board of Managers as agent of this Condominium is: Board of Managers, Roma Condominium, 25-23 Newtown Avenue, Queens, New York 11102 or such other address as the Board of Managers of the Condominium selects.

ARTICLE VIII. PERCENTAGE OF COMMON INTEREST.

Each Unit Owner shall have such Percentage of Common Interest in the Common Elements as is set forth in Schedule B attached hereto and shall be responsible for its pro rata share of the Common Expenses of the Condominium based upon such Percentage of Common Interest except as otherwise described in the Declaration or By-Laws. Each Residential Unit Owner shall have one vote for each Residential Unit owned by a

Residential Unit Owner for all voting purposes at any meeting of the Residential Unit Owners. Parking Space Unit Owners shall not be entitled to any votes for any Parking Space Units they own. The Percentage of Common Interest of each Unit in the Common Elements has been based upon floor space, subject to the location of such space and the additional factors of relative value to other space in the Condominium, the uniqueness of the Unit, the availability of Common Elements for exclusive or shared use, and the overall dimensions of the particular Unit. Said method of determining the Percentage of Common Interest in a condominium complies with and is pursuant to Section 339-i(1)(iv) of the Real Property Law of the State of New York.

ARTICLE IX. ADMINISTRATION.

The administration of the Condominium, and parcel of land described herein shall be in accordance with the provisions of this Declaration and with the provisions of the By-Laws which are made a part of this Declaration and are attached hereto as Schedule C.

ARTICLE X. AMENDMENTS AND WITHDRAWAL.

1. The dedication of the Property to Condominium ownership herein shall not be revoked or the Property withdrawn from Condominium ownership unless eighty (80%) percent of the Residential Unit Owners in number and in common interest and the first mortgagees, if any, of each of these same Residential Units agree to such revocation or removal of the Property from the Plan by duly recorded instruments.
2. The provisions of this Declaration may be modified or amended by an instrument executed by the Board of Managers upon a vote of sixty-six and two-thirds ($66\frac{2}{3}\%$) percent of the Residential Unit Owners in number held at a duly called meeting of the Residential Unit Owners, provided however, that:
 - a. No amendment altering a Unit Owner's Percentage of Common Interest shall be made without the consent of all Unit Owners affected.
 - b. No amendment shall be passed which shall affect, impair or prejudice the validity, interest, rights and priorities of mortgagees.
 - c. No amendment, modification, addition or deletion of, to or from this Declaration, the By-Laws or any Rules and Regulations shall be effective in any way against Sponsor or its successors, assigns or designees or against any Unsold Unit, as long as the Sponsor, its successors, assigns, or designees owns an Unsold Unit in the Condominium unless the Sponsor, its successors, assigns or

designees has given its prior written consent thereto. This provision is not subject to amendment.

- d. The Declaration may not be altered, amended, or repealed in such a manner as would adversely affect the Sponsor, its successors, assigns or designees without the written consent of the Sponsor, its successors, assigns or designees.
- e. The Board of Managers and the Sponsor, as long as the Sponsor owns an Unsold Unit in the Condominium, shall have the right to amend the Declaration without the vote or consent of the Board of Managers, as it applies to Sponsor, the Unit Owners or the holders of any Unit mortgages and to execute and record in the New York City Registrar's Office, such amendment as may be required to reflect (i) changes in the Declaration (including Schedules A and B), As-Built Floor Plans and Condominium or Unit Designation Map that are corrective in nature or (ii) to resolve or clarify any inconsistency or which is patently a mistake or a scrivener's error, or (iii) technical corrections; or (iv) to comply with any federal, state or city law or regulation that may affect the Condominium. In connection therewith, each Unit Owner upon becoming a Unit Owner shall be deemed to grant an irrevocable power of attorney, coupled with an interest to the Board of Managers of the Condominium and to the Sponsor to amend this Declaration of Condominium for said purposes.
- f. A Purchaser or Residential Unit Owner who purchases or owns two (2) adjoining Residential Units and is desirous of consolidating the two (2) Residential Units into one (1) Residential Unit may do so subject to obtaining all approvals required by the New York City Department of Buildings, New York City Department of Finance and any other required municipal approvals and obtaining whatever insurance and/or surety is required by the Board of Managers to do whatever work is necessary to consolidate the two (2) Residential Units. The Board of Managers shall be required to cooperate with the Purchaser in amending Schedule B to the Declaration to reflect the consolidation and to change the appurtenant Percentage of Common Interest so long as the new Percentage of Common Interest equals the Percentage of Common Interest of the Residential Units that were consolidated and the Board of Managers shall have the right to amend said Schedule B without the vote or approval of the Residential Unit Owners. All approvals, revisions, amendments to Schedule B of the Declaration and any other requirements including any legal, engineering, architectural or otherwise necessary to consolidate the Residential Units shall be at the Purchaser's or Residential Unit Owner's sole cost and expense.

- g. In addition, in the case of material changes, approval must be obtained from first mortgage holders representing at least fifty-one (51%) percent of the votes of Residential Units that are subject to first mortgages. A change to any of the following would be considered as material: voting rights; assessments, assessment liens, or subordination of assessment liens; reserves for maintenance, repair and replacement of Common Elements; responsibility for maintenance and repairs; reallocation of interests in the General Common Elements or Limited Common Elements, or rights to their use; boundaries of any Unit; convertibility of Units into Common Elements or vice versa; expansion or contraction of the project, or the addition, annexation or withdrawal of property to or from the project; insurance or fidelity bonds; revisions to the leasing provisions of Units contained in Article XI of the By-Laws ; imposition of any restrictions on a Unit Owner's right to sell or transfer the Unit Owner's Unit; a decision by the Condominium to establish self-management when professional management had been required previously by an eligible mortgage holder; restoration or repair of the project (after a hazard damage or partial condemnation) in a manner other than that specified in the documents; any action to terminate the legal status of the project after substantial destruction or condemnation occurs; or any provisions that expressly benefit mortgage holders, insurers or guarantors. An addition or amendment to the Declaration shall not be considered material if it is for the purpose of correcting technical errors, or for clarification only. Any eligible mortgage holder who received a written request by certified or registered mail, return receipt requested, to approve amendments who does not deliver to the Condominium a negative written response within sixty (60) days of the receipt of the request shall be deemed to have approved such amendment. In order to comply with this provision of the Declaration all Unit Owners are required to provide the Board of Managers with their current mortgage holder when requested by the Board of Managers and whenever a Unit Owner obtains a new mortgage.

There shall be a presumption for a period of sixty (60) days subsequent to the recording of the amendment that the vote of the Residential Unit Owners was made at a duly called meeting and that the requisite voting percentage was obtained. After the sixty (60) day period such presumption will be deemed conclusive.

3. The Sponsor, its successors, assigns and purchasers of undeveloped or unsold Units shall have the right without vote or consent of the Residential Unit Owners, the Board of Managers or the holders of Residential Unit mortgages to execute or (on its request) to require the Board of Managers to execute and record in the Register's Office of the City of New York, and elsewhere, if required by law, an amendment or amendments to this

Declaration (together with such other documents, plan and maps as may be required to effectuate the same) to reflect (i) the certification by a registered architect or professional engineer, certifying that the floor plans and/or amended As-Built Floor Plans, Condominium or Unit Designation Map filed as part of an amended Declaration are an accurate copy of portions of the plans of the Building and fully and fairly depict the layout, location, designation and approximate dimensions of the Units as built, or (ii) utility easements, or (iii) technical corrections to the Declaration and By-Laws to conform to other documents including but not limited to the Offering Plan or as-built plans (iv) to amend Schedule B of this Declaration to conform the model type, square footage and type and number of rooms and any other required information for a specified Unit, so long as the appurtenant Percentage of Common Interest does not change for said Unit subject to (v), (vii) and (viii) hereof or (v) to amend Schedule B prior to the first closing, to effect a change in the Percentage of Common Interest of all or specific Units and revise Schedule B accordingly or (vi) to amend Schedule B of this Declaration to assign or revise a Limited Common Element appurtenant to a Residential Unit or (vii) to amend Schedule B of this Declaration to consolidate or subdivide Residential Units subject to all necessary approvals by the Building Department of the City of New York, or other municipality or administrative agency, to revise the square footage and type and number of rooms and any other required information for a specified Residential Unit and to change the appurtenant Percentage of Common Interest so long as the new Percentage of Common Interest equals the Percentage of Common Interest of the Residential Units that were consolidated or subdivided, or (vi) to effectuate permissible changes in unsold Units including the Percentage of Common Interest of one (1) or more of the Unsold Units as long as it does not change the Percentage of Common Interest of a sold Unit and to amend Schedule B accordingly, or (ix) to amend Schedule B to make technical corrections to said Schedule including, but not limited to, square footage of Units, assign or revise Limited Common Elements appurtenant to a Unit or to revise the number and description of rooms contained in a Unit or (x) to make changes or revisions to comply with the requests, guidelines and/or requirements of any major participant in the secondary market for mortgages, including but not limited to, the Federal National Mortgage Association ("Fannie Mae"), the Federal Home Loan Mortgage Corporation ("Freddie Mac"), the Federal Housing Association ("FHA") of the Housing and Urban Development ("HUD"), the Veterans Administration ("VA") and/or any State or Local Funding Agencies, or (xi) to amend Schedule A to make corrections that are patent errors, inconsistencies, scrivener's errors and technical errors (xii) to make corrections to the Declaration and/or By-Laws that are patent errors, inconsistencies, scrivener's errors and technical errors, or (xiii) to comply with any federal, state or city law or regulation that may affect the Condominium; or (xiv) to comply with any requirement of the Department of

Buildings of the City of New York, the Department of Finance of the City of New York and/or HPD; or (xv) the carrying out of other provisions of the Offering Plan of the Condominium. In connection therewith, each Unit Owner upon becoming a Unit Owner shall be deemed to grant an irrevocable power of attorney, coupled with an interest, to the Sponsor, its successors, assigns and purchasers of undeveloped or unsold Units to amend the Declaration of Condominium for said purposes.

4. Any amendment to this Declaration shall not take effect until it is recorded in the New York City Register's Office.

Regardless of any other provision of this Declaration, no action for partition or division of the Common Elements shall be brought nor shall this plan of condominium ownership be terminated where such partition, division or termination will result in a violation of the then existing local zoning and building laws and codes.

ARTICLE XI. SUBJECT TO DECLARATION, BY-LAWS, ETC.

All present or future Unit Owners, tenants, future tenants, or any other person that might use the facilities of the Condominium in any manner, are subject to the provisions of this Declaration, the By-Laws and Rules and Regulations of the Condominium and the mere acquisition or rental of any of the Units of the Condominium or the mere act of occupancy or use of any of said Units shall signify that the provisions of this Declaration and the By-Laws and Rules and Regulations of the Condominium are accepted and ratified and all of such provisions shall be deemed and taken to be covenants running with the land and shall bind any person having at any time any interest or estate in such Unit, as though such provisions were recited and stipulated at length in each and every deed, conveyance or lease thereof.

ARTICLE XII. COMMON CHARGES.

Common Expenses of the Condominium shall be determined by the Board of Managers of the Condominium. The Common Expenses of the Condominium shall be assessed to and paid by the Unit Owners of the Units based upon each Unit's Percentage of Common Interest as reflected in Schedule B of this Declaration, except as provided below pursuant to Section 339-m of the Condominium Act. The Percentage of Common Interest of a Parking Space Unit shall be added to the Percentage of Common Interest of the Residential Unit of the Residential Unit Owner who owns said Parking Space Unit and the Residential Unit Owner thereof shall pay all Common Charges, Special Assessments and all other Common Expenses of the Condominium associated therewith. The assessments paid by the Unit Owners towards the Common Expenses of the Condominium shall be referred to as "Common Charges". All sums assessed as Common Charges by the Board of Managers of the Condominium but unpaid together with the maximum interest permitted in New York thereon, chargeable to any Unit Owner shall

constitute a lien on the Unit Owner's Unit prior to all other liens except: (a) tax or assessment liens on the Unit by the taxing subdivisions of any governmental authority, including but not limited to State and City taxing agencies; and (b) all sums unpaid on any first mortgage of record encumbering any Unit. Such lien may be foreclosed when past due in accordance with the laws of the State of New York, by the Condominium, in like manner as a mortgage on real property, and the Condominium shall also have the right to recover all costs incurred including reasonable attorneys' fees and costs of collection (but such right shall not be a lien against the Unit). In the event the proceeds of the foreclosure sale are not sufficient to pay such unpaid Common Charges, the unpaid balance shall be charged to all Unit Owners as a Common Expense. Each Unit Owner shall be personally liable for all unpaid Common Charges and any Special Assessments.

Notwithstanding the above, pursuant to Section 339-m of the Condominium Act, Common Charges, no matter how classified, may be adjusted based on allocations in accordance with sub-metering, contract allocations and usage (both projected and actual) for the Common Expenses based on special or exclusive use or availability or exclusive control of Units or Common Elements by particular Unit Owners. In the event of any dispute as to the allocation of Common Charges such dispute shall be submitted for arbitration pursuant to the provisions of Article XIV of the By-Laws of the Condominium.

In addition to the Board of Manager's right to bring an action to foreclose a lien of a Unit in the event of a default in the payment of Common Charges by any Unit Owner, the Board of Managers, at its sole option, may declare the Common Charge assessment on said Unit Owner's Unit for the balance of the fiscal year immediately due and payable. Prior to making any such declaration following a default the Board of Managers shall send notice to the delinquent Unit Owner and the mortgagee, if any, of such Unit giving the Unit Owner a five (5) day grace period in which to make the late payment.

In addition to the Board's right to bring an action to foreclose a lien on a Unit Owner's Unit, the Board (on behalf of the Unit Owners) shall have the right to bring suit to recover a money judgment for unpaid Common Charges at the option of the Board, without foreclosing or waiving the lien securing such charges. In such an event, the Condominium shall be entitled to recover all costs of suit including reasonable attorneys' fees.

Every Unit Owner shall pay the Common Charges assessed against the Unit Owner when due as determined by the Board of Managers and no Unit Owner may be exempt from liability for the payment of the Common Charges assessed against the Unit Owner by waiver of the use or enjoyment of any of the Common Elements or by the abandonment of a Unit. However, no Unit Owner shall be liable for the payment of any Common Charges accruing subsequent to a sale, transfer or other conveyance by the Unit Owner of such Unit made in accordance with Section 339-x of the Real Property Law or in accordance with the provisions of this Declaration and the By-Laws.

Notwithstanding any other provision in this Declaration or the By-Laws any mortgagee of an Institutional Mortgage as defined herein who obtains title to a Unit

pursuant to the remedies in the mortgage or through foreclosure will not be liable for more than six (6) months of the Unit's unpaid Common Charges accrued before acquisition of the title to the Unit by the mortgagee unless otherwise required by law. If the Condominium's lien priority includes costs of collecting unpaid Common Charges, the mortgagee of the Institutional Mortgage will be liable for any fees or costs related to the collection of unpaid Common Charges. The unpaid balance of such Common Charges and/or Special Assessments that may be waived will be charged to all other Unit Owners as a Common Expense. Upon acquisition of title the Institutional Mortgagee shall be responsible for all Common Charges, Special Assessments and/or any other costs and expenses of the Condominium thereafter due and payable.

ARTICLE XIII. UNITS ACQUIRED BY THE BOARD.

In the event any Unit Owner shall convey their Unit to the Board of Managers in accordance with Section 339-x of the Real Property Law or in the event the Board of Managers shall purchase any Unit at a foreclosure sale in accordance with Article IX of the By-Laws, title to such Unit or the rights to the lease of such Unit shall be held by the Board of Managers or its designee on behalf of all of the other Unit Owners.

In order to carry out the provisions of this paragraph, each Unit Owner shall, upon taking title to the Unit Owner's Unit, grant an irrevocable power of attorney coupled with an interest, to the Board of Managers and their successors to acquire title or lease any Unit under whatever terms the Board may, in its sole discretion, deem proper and to sell, lease, sublease, mortgage, vote or otherwise deal with such Unit under such terms as the Board, in its sole discretion, shall deem proper.

ARTICLE XIV. POWER OF ATTORNEY.

The Unit Owners do hereby nominate, constitute and appoint the persons who may from time to time constitute the Board of Managers (the "Board of Managers") of the Condominium and/or the Sponsor and their successors, designees and/or assigns, my true and lawful attorneys-in-fact, coupled with an interest, with power of substitution, in my name and on my behalf for the following actions:

1. To the Board of Managers to acquire or lease any Unit, together with its Common Interest whose Unit Owner desires to sell, convey, transfer, assign, lease or surrender the same, or which becomes the subject of a foreclosure or other similar sale, on such terms and at such price or rental, as the case may be, as the attorneys-in-fact deem proper, in the name of the Board of Managers or its designee, corporate or otherwise, on behalf of all Unit Owners, and after any such acquisition or leasing, to convey, sell lease, sublease, mortgage or otherwise deal with (but not vote the interest appurtenant thereto) any such Unit so acquired, or to sublease any Unit so

leased, without the necessity of further authorization by the Unit Owners, on such terms as the attorneys-in-fact may determine.

2. To the Board of Managers the right to commence, pursue, appeal, settle and/or terminate administrative and certiorari proceedings to obtain reduced real estate tax assessments with respect to the Units, including retaining counsel and taking any other action which the Board deems necessary or appropriate to comply with any law, ordinance, regulation, zoning resolution or requirement of the Department of Buildings, the City Planning Commission, the Board of Standards and Appeals, or any other public authority, applicable to the maintenance of the Building or the Property, respectively or any consent, covenant, restriction, easement or declaration, or any amendment thereto, affecting the Property which the Board or Managers deems necessary or appropriate.
3. To Sponsor, its successors, assigns and/or designees the right to amend the Condominium Declaration and Condominium By-Laws and to effectuate the rights granted to Sponsor its successors, assigns and designees and Unit Owners under the Declaration and By-Laws as set forth in Article X of the Declaration and Article X of the By-Laws.
4. To the Board of Managers to nominate, designate, constitute and appoint the Members of the Board of Managers of the Condominium and their successors, jointly, their true and lawful attorneys-in-fact, coupled with an interest, with power of substitution, in their name and on their behalf, the right to act in their behalf to take any and all action necessary against any tenant(s) that may be residing in a Residential Unit Owner's Unit including but not limited to, the right to seek an eviction in a court of law for failure to adhere to any of the provisions of the Declaration of Condominium, By-Laws and/or Rules and Regulations of the Condominium.
5. To the Board of Managers, successors, designees and/or assigns to amend the Declaration and the By-Laws for the purposes set forth in Article X of the Declaration and Article X of the By-Laws for the purposes set forth therein.
6. To the Board of Managers of the Condominium and the Sponsor, their successors and/or assigns, to vote at any Unit Owners meeting for, and to file an amendment to the Declaration of Condominium permitting the certification by a registered architect or professional engineer, certifying that the floor plans filed as part of an amended Declaration are an accurate copy of portions of the plans of the building and fully and fairly depict the layout, location, designation and approximate dimensions of the Units, as built.
7. To the Board of Managers and the Sponsor, their successors, assigns and/or designees the right to create any utility easements in, through and upon the Condominium.

8. To the Board of Managers and the Sponsor the right to make changes or revisions to comply with the requests, guidelines and/or requirements of any major participant in the secondary market for mortgages, including but not limited to the Federal National Mortgage Association ("Fannie Mae"), the Federal Home Loan Mortgage Corporation ("Freddie Mac"), the Federal Housing Association ("FHA") of the Housing and Urban Development ("HUD"), the Veterans Administration ("VA") and/or any State or Local Funding Agencies.

ARTICLE XV. ENCROACHMENTS.

The Unit Owners agree that if any portion of a Unit or the Common Elements (whether restricted in use to an individual Unit Owner or not) encroaches upon another or shall hereinafter encroach upon another as a result of original construction or settling of the Building, a valid easement for the encroachment and the maintenance of the same, so long as it stands, shall and does exist. In the event the Building is partially or totally destroyed as a result of fire or other casualty or as a result of condemnation or eminent domain proceedings and is rebuilt, the Unit Owners agree that encroachments of any portion of the Unit or the Common Elements as afore-described due to construction, shall be permitted, and that a valid easement for said encroachment and the maintenance thereof shall exist so long as the Building or reconstructed Building shall stand.

ARTICLE XVI. UNIT OWNERSHIP.

Upon the Closing of Title to a Unit, a Purchaser shall automatically become a Unit Owner in the Condominium and shall remain such until such time as the Unit Owner ceases to own the Unit for any reason.

ARTICLE XVII. USE OF UNITS.

- A. Residential Units shall be restricted to Residential Occupancy in accordance with the applicable zoning regulations of the municipality having jurisdiction over the Condominium.
- B. Parking Space Units shall be used for parking of passenger vehicles, such as automobiles, SUV's and other similar types of Vehicles.
- C. Storage Spaces that are subject to a License Agreement pursuant to Article XX of this Declaration shall be used for the storage of normal household items.

ARTICLE XVIII. CONVEYANCE OF A UNIT.

In any conveyance of a Unit, either by voluntary instrument, operation of law or judicial proceeding in accordance with this Declaration or the By-Laws, the Grantee of the Unit shall be jointly and severally liable with the Grantor for any unpaid Common Charges and any Special Assessments against the latter assessed and due up to the time of the grant or conveyance without prejudice to the Grantee's right to recover from the Grantor the amounts paid by the Grantee therefore. Any such Grantee shall be entitled to a statement from the Board of Managers setting forth the amount of the unpaid Common Charge against the Grantor and such Grantee shall not be liable for, nor shall the Unit conveyed be subject to a lien for any unpaid Common Charge against the Grantor in excess of the amount set forth in such statement. Grantee as used herein shall not include the holder of an Institutional Mortgage as provided in Article XII of this Declaration.

ARTICLE XIX. PARKING SPACE UNITS

Section 1. General

Parking Space Units may only be owned by a Residential Unit Owner in this Condominium except as provided below.

As long as the Sponsor owns an unsold Unit in the Condominium, the Sponsor shall have the right to limit the number of Parking Space Units owned or permitted to be utilized for parking by a Residential Owner.

The Percentage of Common Interest of a Parking Space Unit shall be added to the Percentage of Common Interest of the Residential Unit of the Residential Unit Owner who owns said Parking Space Unit and the Residential Unit Owner thereof shall pay all Common Charges, Special Assessments and all other Common Expenses of the Condominium associated therewith.

Any Residential Unit Owner shall have the right to transfer the Parking Space Unit to another Residential Unit Owner in the Condominium. In such an event all costs and expenses that may be associated with amending Schedule B of the Declaration of Condominium will be the sole obligations of the Residential Unit Owner who is transferring the Parking Space.

Any Residential Unit Owner who owns a Parking Space Unit shall have the right to rent the Parking Space Unit to other Residential Unit Owners or tenants of a Residential Unit Owner in the Condominium.

The Board of Managers shall be required to keep an overall list of all Parking Space Units assigned or rented to Residential Unit Owners in the Condominium. All Residential

Unit Owners in the Condominium will be obligated to advise the Board of Managers of any sale, transfer, or rental of any Parking Space Unit.

In the event there are Parking Space Units that have not been sold to a Residential Unit Owner after the Sponsor has conveyed all of the Residential Units to bona fide Purchasers, the Sponsor shall have the right but not the obligation to convey any or all of the remaining Parking Space Units to the Condominium Board of Managers. Thereafter the Board of Managers shall have the rights afforded the Sponsor regarding the Parking Space to sell or lease a Parking Space to a Residential Owner in the Condominium. In no event will the Board of Managers have the right to sell or lease a Parking Space Unit to any non-resident for the use of such non-resident. Notwithstanding the above the Sponsor shall have the right to rent, lease or permit the use of a Parking Space Unit, if not owned by a Residential Unit Owner, to any non-resident or business establishment for the use of such non-resident.

Section 2. Handicapped Parking Space Unit

One of the Parking Space Units will be designated as a handicapped parking space. The purchase of the handicapped Parking Space or any other Parking Space Unit that may be designated as a handicapped Parking Space Unit (hereinafter referred to as the "Handicapped Parking Space") and any subsequent sale or transfer of the Handicapped Parking Space Unit is subject to the following covenants and restrictions: The Handicapped Parking Space Unit will be the last Parking Space Unit sold by Sponsor if not previously sold to a Purchaser who themselves or a member of their family has a vehicle with handicapped license plates or a permanent handicapped permit. In the event the present or future owner of a Residential Unit in the Condominium or a member of the Residential Unit Owner's family residing in the Residential Unit becomes handicapped and then owns a non-handicapped Parking Space Unit and thereafter acquires handicapped plates or a permanent handicapped permit for his or her vehicle, and a different Residential Unit Owner is the then current owner of the Handicapped Parking Space Unit, and does not have a handicapped license plate or permanent handicapped permit, said Residential Unit Owner has the right to demand that the owner of the Handicapped Parking Space Unit trade or swap the Handicapped Parking Space Unit for which the Residential Unit Owner is the then owner for the non-handicapped Parking Space Unit then owned by the Residential Unit Owner who requires the Handicapped Parking Space Unit. In the event the present or future Residential Unit Owner of a Residential Unit or member of the Residential Unit Owner's family residing in the Residential Unit requires the Handicapped Parking Space by becoming the owner of a vehicle with handicapped license plates or a permanent handicapped permit and said Residential Unit Owner does not then own a non-handicapped Parking Space Unit, said Residential Unit Owner has the right to demand that the then owner of the Handicapped Parking Space Unit sell the Handicapped Parking Space Unit at the then current, fair market value to said handicapped Residential Unit Owner. All costs and expenses associated with the transfer of the Handicapped Parking Space Unit, including without limitation, recording fees, and reasonable attorney fees shall be borne by the party

requesting the transfer. The owner of the Handicapped Parking Space Unit must comply with the aforementioned demand upon thirty (30) days written notice. If the parties cannot agree on the fair market value of the Handicapped Parking Space Unit, then the parties agree to submit the matter to binding arbitration in accordance with Article XIV of the By-Laws of the Condominium.

ARTICLE XX. STORAGE SPACES

Section 1. General

Storage Spaces will be subject to a License Agreement between a Residential Unit Owner as the Licensee and the Board of Managers as the Licensors. The Board of Managers shall be required to keep a list of all Storage Spaces and the Residential Units that are subject to a License Agreement. All Residential Unit Owners subject to this Declaration shall be required to advise the Board of Managers of the Condominium of any assignment of any Storage Space pursuant to a License Agreement within ten (10) days of such assignment or rental.

Section 2. Use

Storage Spaces may only be utilized for storage of normal household items and pursuant to the provisions of the Declaration of Condominium and By-Laws of the Condominium and any Rules and Regulations regarding the Storage Spaces.

Nothing shall be stored in a Storage Space that will result in the cancellation or increase of insurance on the Building, or the contents thereof, or that would be in violation of any law. No inflammable, combustible, or explosive fluid, material, chemical, or substance shall be stored in a Storage Space. All provisions for safety shall be the sole responsibility of the Licensee of the Storage Space and the Licensee of the Storage Space should have their own insurance covering the Storage Space.

Section 3. Repair and Maintenance

All structural repairs of the Storage Spaces and all maintenance and repairs of the Storage Space Area shall be the responsibility of the Condominium as a Common Expense, subject to the provisions of this Section 3. All general maintenance and repairs of the Storage Spaces shall be the responsibility of the Licensee of the Storage Space. Storage Spaces are to be used for storage of general household items only.

Section 4. License Agreement

The Sponsor shall be authorized to execute all initial License Agreements for a Storage Space subject to this Declaration of Condominium for any Storage Space entered into with a Residential Unit Owner and to receive the proceeds of such License Agreement ("Storage Space License Expense") from the Purchaser. A designated member of the Board of the Managers of the Condominium shall be authorized and

required to execute the License Agreement on behalf of the Condominium as the Licensor of the License Agreement.

Section 5. Rules and Regulations

The License Agreement for a Storage Space may only be assigned and rented to another Residential Unit Owner in the Condominium ("Assignee or "Tenant"). The Board of Managers of the Condominium shall have the right to promulgate rules and regulations regarding the assignment or rental of the Storage Spaces. The initial Board of Managers will not charge a monthly fee or additional cost associated with the license applicable to the Storage Spaces. Future Boards of the Condominium reserve the right to charge a monthly fee for use of the Storage Spaces to be utilized towards any repair or maintenance associated with the Storage Spaces. In no event shall the Board of Managers have the right to prohibit the right of a Residential Unit Owner or the Sponsor to assign or rent a Storage Space to a purchaser of the Residential Unit Owner or another Residential Unit Owner in the Condominium. The Board of Managers shall have the right to approve the form of a License Agreement or promulgate a standard form for use by all Residential Unit Owners. Notwithstanding, as long as the Sponsor retains an Unsold Residential Unit in the Condominium the Sponsor shall have the right to utilize any form of License Agreement without interference with the Board of Managers.

Residential Unit Owners must comply with all applicable laws regarding the Storage Spaces, which may be subject to periodic inspection by the police and fire departments of the City of New York and other governmental agencies having jurisdiction thereover. In addition, the Storage Spaces may not be completed until after the Closing of Title of a Residential Unit and the fact that a Storage Space may not be available for use at the time of Closing will not constitute a basis for Residential Unit Owner to fail to Close Title to a Residential Unit.

Section 6. Sponsor

In the event there are Storage Spaces that have not been Licensed to a Residential Unit Owner after the Sponsor has conveyed all of the Residential Units to bona fide Purchasers, the Sponsor shall have the right but not the obligation to enter into a License Agreement for a Storage Space with a Licensee who does not reside in the Building.

In the event there are Storage Spaces that have not been Licensed to a Residential Unit Owner after the Sponsor has conveyed all of the Residential Units to bona fide Purchasers, the Sponsor shall have the right but not the obligation to assign the rights pursuant to a License Agreement for any non-licensed Storage Space to the Board of Managers of the Condominium, subject to the Storage Space License Expense. In such an event, the cost of Storage Space License Expense will be the obligation of the Residential Unit Owners, the cost of which shall be paid pro-rata based upon each Residential Unit's Percentage of Common Interest. The Board of Managers may require

a Special Assessment to pay for said Storage Space License Expense and/or the Common Charges may be increased as a result thereof. Upon being assigned said License Agreements to the Board of Managers on behalf of the Condominium all costs and expenses associated with the Storage Spaces shall become the obligation of the Condominium as a Common Expense. In such an event, the Board of Managers of the Condominium will be responsible for overseeing the regulation of the Storage Spaces and shall have all of the rights and obligations associated therewith. In addition, subsequent to all of the Residential Units having been sold, the Sponsor shall have the right to license or permit the use of a Storage Space that has not been licensed by a Residential Unit Owner to any non-resident or business establishment for the use of such non-resident or business establishment.

ARTICLE XXI. WORKING CAPITAL

Unit Owners shall be obligated to pay at the closing of title to their Residential Unit the Working Capital Fee contained in the Rules and Regulations of the By-Laws at Article VIII. This requirement shall not include a holder of an Institutional Mortgage as provided for in Article XII of this Declaration. The Board of Managers shall have the right to revise the amount of the Working Capital Contribution payable by a Unit Owner without amendment to the Declaration.

ARTICLE XXII. COVENANT OF FURTHER ASSURANCES

If any Unit Owner or any other party subject to the terms of this Declaration fails to execute, acknowledge or deliver any instrument, or fails or refuses, within a reasonable period of time to be determined by the Board of Managers after request thereof, to take any action which the Unit Owner or such other party is required to take pursuant to this Declaration, then the Board of Managers is hereby authorized as attorney-in-fact for such Unit Owner or other party, coupled with an interest, to execute, acknowledge and deliver such instrument, or to take such action, in the name of such Unit Owner, or other party and such document or action shall be binding on such Unit Owner or other party.

If any Unit Owner or the Board of Managers or any other party who is subject to the terms of this Declaration fails or refuses to execute, acknowledge or deliver any instrument, or fails or refuses within a reasonable period of time to be determined by the Board of Managers after request therefor, to take any action that the Board of Managers, any Unit Owner, or other party is required to take pursuant to this Declaration at the request of Sponsor or Sponsor's designee, then Sponsor or Sponsor's designee, as the case may be, is hereby authorized as attorney-in-fact for the Board of Managers, such Unit Owner, or other party, which power shall be deemed to be coupled with an interest, to execute, acknowledge and deliver such instrument, or to take such action, in the name of the Board of Managers, such Unit Owner, or other party, and such document or action

shall be binding on the Board of Managers, such Unit Owner, or other party, as the case may be.

Each Unit Owner will have the affirmative duty to maintain its respective Unit in such a manner so as to reasonably prevent and avoid inflicting harm to other Units, the Common Elements (no matter how classified) or the Building. In addition to any other remedies and/or rights the Board of Managers may have in this Declaration, the By-Laws and/or the Rules and Regulations of the Condominium, in the event any Unit Owner causes or permits any condition, or fails to take any action to prevent a condition, that has a deleterious effect on another Unit, any Common Element (no matter how classified) or the Building, the Condominium Board will give written notice to such Unit Owner including a request that the Unit Owner take specific steps to ameliorate such a condition ("Remedy Notice"). If the Unit Owner fails to remedy the condition within a reasonable period of time as provided in such Remedy Notice, the Board of Managers may, upon additional notice to the Unit Owner within a reasonable period of time to be determined by the Board of Managers, enter into the Unit and effect a reasonable remedy, at the Unit Owner's sole cost and expense.

ARTICLE XXIII. RULES AND REGULATIONS.

The use of the Unit by a Unit Owner, immediate family members residing in a Unit, tenants, licensees, guests, employees, contractors or other occupants of a Unit shall be subject to the provisions of this Declaration, the By-Laws and the Rules and Regulations of the Board of Managers contained in Article VIII of the By-Laws as the Rules and Regulations may be added to, amended, rescinded, repealed, modified, altered or waived pursuant to the provisions of Article VIII of the By-Laws.

ARTICLE XXIV. FIRST LIEN HOLDER'S RIGHTS.

1. Notices of Action. A holder, insurer or guarantor of a first mortgage shall be required to receive timely written notice of:
 - a. Any proposed amendment of the Condominium instruments effecting a change in (i) the boundaries of any Unit or the exclusive easement rights appertaining thereto, (ii) the interest in the general or limited Common Elements appertaining to any Unit or the liability for common expenses appertaining thereto, (iii) the number of votes in the Condominium appertaining to any Unit or (iv) the purposes to which any Unit or the Common Elements are restricted;
 - b. Any proposed termination of the Condominium regime;
 - c. Any condemnation loss or any casualty loss which affects a material portion of the Condominium or which affects any Unit on which there

is a first mortgage held, insured, or guaranteed by such eligible holder;

- d. Any delinquency in the payment of assessments or charges owed by a Unit Owner of a Unit subject to the mortgage of such eligible holder, insurer or guarantor, which such delinquency has continued for a period of sixty (60) days;
 - e. Any lapse, cancellation or material modification of any insurance policy maintained by the Condominium; and
 - f. Any proposed action that requires the consent of a specified percentage of mortgagees.
2. Other Provisions for First Lien Holders. To the extent permitted under applicable law, the following protections for the benefit of first mortgage holders will be legally binding with respect to the Condominium:
- a. Any restoration or repair of the Condominium after a partial condemnation or damage due to an insurable hazard shall be substantially in accordance with the Declaration and the original plans and specifications unless the approval of the eligible holders of first mortgages on Units to which at least fifty-one percent (51%) of the votes of Residential Units eligible to vote that are subject to mortgages held by such eligible holders are allocated, is obtained;
 - b. Any election to terminate the Condominium regime after substantial destruction or a substantial taking in condemnation of the Property must require the approval of the eligible holders of first mortgages on Units to which at least fifty-one percent (51%) of the votes of Residential Units eligible to vote that are subject to mortgages held by such eligible holders are allocated; and
 - c. Unless the formula for reallocation of interests in the Common Elements after a partial condemnation or partial destruction of the Condominium project is fixed in advance by the Declaration or by applicable law, no reallocation of interests in the Common Elements resulting from a partial condemnation or partial destruction of the Condominium project may be effected without the approval of the eligible holders of first mortgages on Units to which at least eighty (80%) percent of the votes of Residential Units eligible to vote that are subject to mortgages held by such eligible holders are allocated.

As used in this Section, the term "eligible holder, insurer or guarantor" shall mean a holder, insurer or guarantor of a first mortgage on a Unit in a Condominium.

ARTICLE XXV. SPECIAL RIGHTS OF SPONSOR.

Notwithstanding anything to the contrary contained herein, Sponsor, its successors, assignees and/or designees shall have, in addition to any rights granted elsewhere contained in the Declaration, By-Laws and/or Rules and Regulations, shall have the right, without requiring the consent of either the Condominium or Board of Managers, and without charge or limitation, the following rights:

1. The right to have its employees, contractors, subcontractors, and sales agents present on the properties and improvements of the Condominium.
2. The right to erect and maintain signs and other promotional materials (including, without limitation, "For Sale", and "For Rent" signs), in connection with the promotion, sale, leasing, management, or operation of the Units or any other property, development or community the Sponsor, its successors, assigns or designees so prescribe for the life of the Condominium.

 - e. for any other purpose.
4. The right to use any office in the Condominium for its exclusive use until such time as Sponsor no longer owns any Units in the Condominium.
5. The right to do and cause to be done all of the things that are necessary, desirable or appropriate (including, without limitation, the use of the Common Elements, including recreation facilities, the Units and any unsold Units) for the purpose of:
 - a. the promotion, sale, rental, management and/or operation of any unsold Units,
 - b. the performance and completion of installation, construction, modification, alteration, renovation, maintenance, repair, restoration, replacement, or change being performed, or to be performed, by, or on behalf of, Sponsor with respect to the Common Elements and/or

- 6. The right to make any other changes required by the Building Department City of New York or any other agency of the City of New York or other municipal or administrative agency.

Notwithstanding anything to the contrary contained in this Declaration of Condominium and/or the Condominium By-Laws and/or the Condominium Rules and Regulations, no Managing Agent, Board of Managers, nor any agent, member, or representative thereof, shall prevent, impede, or interfere with the sale or transfer of any Unit or the rental of any Unit by the Declarant, its successor(s), assignee(s), and/or designee(s), nor shall any charge or fees (including transfer fee, flip tax, and/or application fees) be imposed on the Declarant, its successor(s), assignee(s), and/or designee(s), by any Managing Agent, the Board of Managers, or any agent, member, or representative thereof, regarding any sale or transfer of a Unit or rental of a Unit by Declarant, its successor(s), assignee(s), and/or designee(s).

In no event, however, shall Sponsor or such designee be entitled to use any portion of the Common Elements in such a manner as will unreasonably interfere with the use of the same or of any Unit for its permitted purposes.

The provisions of this Article XXV cannot be amended without the written consent of the Sponsor, or its designees, successors or assigns.

OF
ROMA CONDOMINIUM**

ARTICLE I. PLAN OF CONDOMINIUM OWNERSHIP

Section 1. Condominium Unit Ownership

The property located at 25-23 Newtown Avenue, Borough and County of Queens, City and State of New York, as specifically set forth in the Declaration and more commonly known as Roma Condominium has been submitted to the provisions of Article 9-B of the Real Property Law of the State of New York.

Section 2. By-Laws Applicability.

The provisions of these By-Laws are applicable to the Condominium. The term "Condominium" as used herein shall include the land and the Building and improvements thereon including the Residential Units, Parking Space Units (hereinafter referred to as "Residential Units and Parking Space Units" unless otherwise indicated and when applicable to all Units referred to as "Units" unless otherwise indicated), and the Common Elements and the use and occupancy thereof. The Condominium will also include Storage Spaces each of which will be subject to a License Agreement between the Residential Unit Owner as the Licensee and the Board of Managers as the Licensor, that will entitle the Residential Unit Owner exclusive use of the Storage Space for the term of the License Agreement.

Section 3. Personal Application.

All present or future Unit Owners, mortgagees and lessees, licensees or their employees, guests or any other person that might use the facilities of the Condominium in any manner are subject to these By-Laws, the Declaration of Condominium and any Rules and Regulations established by the Board of Managers. The mere acquisition or rental of any of the Units or the mere act of occupancy of any of said Units will signify that these By-Laws, the Declaration of Condominium and the Rules and Regulations are accepted, ratified, and will be complied with.

Section 4. Definitions.

The definitions contained in the Declaration of Condominium shall be applicable to these By-Laws unless otherwise stated.

ARTICLE II. CONDOMINIUM, VOTING, QUORUM, PROXIES AND WAIVERS

Section 1. Condominium.

Owners of a Condominium Unit shall be Unit Owners. "Residential Unit Owner" as referred to herein shall mean the owner of a Residential Unit. "Parking Space Unit Owner" as referred to herein shall mean the owner of a Parking Space Unit. Reference in the By-Laws to "Unit" shall include both the Residential Unit and Parking Space Unit unless otherwise indicated. Reference in the By-Laws to "Unit Owner" shall include both the Residential Unit Owner and Parking Space Unit Owner unless otherwise indicated. Reference to a Licensee shall refer to a Residential Unit Owner in the Condominium who has entered into a License Agreement with the Board of Managers as the Licensor for a Storage Space.

Section 2. Voting.

Each Residential Unit Owner (including the Sponsor and the Board of Managers, if the Sponsor or the Board of Managers shall then own or hold title to one or more Residential Units), shall be entitled to cast one vote at all Residential Unit Owners' meetings for each Residential Unit owned by such Residential Unit Owner subject to the restrictions contained herein, including the provisions regarding the election of Members to the Board of Managers as provided in Article III, Section 1 of these By-Laws. Parking Space Unit Owners shall not be entitled to any vote other than in conjunction with the Residential Unit they own. In addition, licensees of a Storage Space shall not be entitled to any votes. In the event the Board of Managers acquires a Residential Unit on behalf of the Condominium it shall not cast any of its votes appurtenant to such Residential Unit, for the election of any Member to the Board of Managers. Any Residential Unit Owner in default of their Common Charges, Special Assessments, late fees, or any other penalties imposed by the Board of Managers applicable to said Residential Unit Owner's Residential Unit shall be prohibited from voting at any annual, general or Special Meeting of the Residential Unit Owners.

Section 3. Quorum.

So many Residential Unit Owners as shall represent at least fifty-one (51%) percent of the total authorized votes of all Residential Unit Owners present in person or represented by written proxy shall constitute a quorum at all meetings of the Residential Unit Owners for the transaction of business, except as otherwise provided by Statute, by the Declaration, or by these By-Laws. If, however, such quorum shall not be present or represented at any meeting of the Residential Unit Owners, the Residential Unit Owners entitled to vote thereat, present in person or represented by written proxy, shall have the power to adjourn the meeting from time to time, without notice other than announcement at the meeting until a quorum shall be present or represented. At such adjourned meeting so many Residential Unit Owners as shall represent at least thirty-three and one-third (33⅓%) percent of the total authorized votes of all Residential Unit Owners shall constitute a quorum. At such adjourned meeting, any business may be transacted which might have been transacted at the meeting originally called.

Section 4. Vote Required to Transact Business.

When a quorum is present at any meeting, the vote of a majority of the Residential Unit Owners present in person or represented by written proxy shall decide any question brought before such meeting and such vote shall be binding upon all Residential Unit Owners, unless the question is one upon which, by express provisions of the Declaration, Statute, or of these By-Laws, a different vote is required, in which case such express provisions shall govern and control the decision of such question.

Section 5. Right to Vote.

At any meeting of Unit Owners, every Residential Unit Owner having the right to vote shall be entitled to vote in person, or by proxy. Parking Space Unit Owners shall not be entitled to any vote other than in conjunction with the Residential Unit they own. Such proxy shall only be valid for such meeting or subsequent adjourned meetings thereof. Any Residential Unit Owner in default of their Common Charges, Special Assessments, late fees, or any other penalties imposed by the Board of Managers applicable to said Residential Unit Owner's Residential Unit shall be prohibited from voting at any annual or Special Meeting of the Residential Unit Owners.

Section 6. Proxies.

All proxies shall be in writing and shall be filed with the Secretary prior to the meeting at which the same are to be used. A notation of such proxies shall be made in the minutes of the meeting.

Section 7. Waiver and Consent.

Whenever the vote of Residential Unit Owners at a meeting is required or permitted by any provision of the Declaration, Statutes or of these By-Laws or for an amendment to the Declaration or By-Laws to be taken in connection with any action of the Condominium, the meeting and vote of Residential Unit Owners may be dispensed with if all Residential Unit Owners who would have been entitled to vote upon the action if such meeting were held, shall consent in writing to such action being taken.

Section 8. Place of Meetings.

Meetings shall be held at such suitable place convenient to the Residential Unit Owners as may be designated by the Board of Managers. Meetings may be held by electronic communication including video or web conference and need not occur in person. Residential Unit Owners may attend and participate in any "in-person" meeting by attending by video, or web conference. If the meeting is held by electronic communication, the electronic service and/or platform by which the meeting is held shall constitute the place of the meeting. All meetings held by electronic communication shall provide for the following:

- (a) The Board shall verify that each person participating electronically is a Residential Unit Owner or a proxy of a Residential Unit Owner;
- (b) All Residential Unit Owners participating electronically at a meeting shall have a reasonable opportunity to participate in the meeting, including an opportunity to propose, object to, and vote upon a specific action to be taken by the Residential Unit Owners, and to see, read, or hear the proceedings of the meeting substantially concurrently with those proceedings; and
- (c) The Board shall record and maintain a record of any votes or other actions taken by electronic communication at the meeting.

In the event meetings of Residential Unit Owners by electronic communication is discontinued or no longer permitted in New York State, then all meetings are required to be held in person and Residential Unit Owners shall attend either in person or by proxy.

Section 9. Annual Meetings/Control of Board of Managers by Declarant.

The Sponsor will have the right to designate all the Members of the Board of Managers until all of the Residential Units in the Condominium have been sold or transferred to Residential Unit Owners other than the Sponsor, its Principals, successors, assignees and/or designees ("Sponsor Control Period") and will have voting control until the expiration of the Sponsor Control Period. The First Board of Managers as defined in Article III, Section 1 of these By-Laws, will call for the First Annual Meeting of the Residential Unit Owners to elect a new Board of Managers within thirty (30) days after the Sponsor Control Period. The First Board of Managers shall have the right to call for the First Annual Meeting prior thereto. At the First Annual Meeting, the Members of the Board of Managers shall be elected by the Residential Unit Owners except as provided below. After the First Annual Meeting the Annual Meetings shall be held on or about the anniversary of such date each succeeding year or such other convenient date as the Board of Managers may so designate (the "Annual Meeting"). The Residential Unit Owners may also transact such other business of the Condominium as may properly come before them.

The Sponsor shall have the right to voluntarily resign a position or positions on the Board of Managers prior to the expiration of the Sponsor Control Period as per the provisions of Article III, Section 1 of these By-Laws. In the event the Sponsor voluntarily resigns a position or positions on the Board of Managers prior to the sale of all the Residential Units, the Sponsor will be entitled to designate the remaining Members of the Board of Managers until the Sponsor no longer owns any Residential Units in the Condominium. In addition as per Article III, Section I of these By-Laws, in the event the Sponsor voluntarily relinquishes a Board Member's position on the Board of Managers prior to the sale and conveyance to a bona fide purchaser of the last Residential Unit in the

Condominium, upon notice from the Sponsor to the Board of Managers that the Sponsor desires to reclaim said Residential Unit Member's position, the Board Member appointed or elected to said position shall resign and the Sponsor shall reappoint a Board Member to the Board of Managers. When the Sponsor no longer owns a Residential Unit in the Condominium, Sponsor may not be entitled to designate any Member to the Board of Managers.

Section 10. Special Meetings.

It shall be the duty of the President to call a Special Meeting of the Condominium, if so directed by the Board of Managers, or upon the presentation to the Secretary of a petition signed by a majority of the Residential Unit Owners. The Secretary shall cause a notice of such Special Meeting stating the time, place and object thereof and the Officer or other person or persons by whom the meeting is called, to be delivered personally or mailed or delivered by electronic mail or by facsimile as provided in Section 11 of this Article to each Residential Unit Owner of the Condominium entitled to vote at such meeting not less than ten (10) nor more than thirty (30) days before such meeting. The date of the Special Meeting shall be determined by the Board of Managers and shall be held no later than sixty (60) days from receipt of any written request pursuant to this Section 10 unless a later date is agreed to in writing by the Residential Unit Owners of the Condominium entitled to vote or the Board of Managers, requesting such meeting. No business other than that stated in such notice shall be transacted at such Special Meeting unless all Residential Unit Owners of the Condominium are present in person or by proxy. Any Members of the Board of Managers of the Condominium, other than those designated by the Sponsor, may be removed with or without cause by vote of a minimum of $66\frac{2}{3}$ in number of the Residential Unit Owners of the Condominium at a Special Meeting called pursuant to this section if the meeting is called for such purpose. Sponsor designated Members of the Board of Managers may only be removed by the Sponsor without cause.

Section 11. Notice of Meetings.

It shall be the duty of the Secretary or other designated agent of the Board of Managers to provide written notice of the place, date, and hour of each annual or Special Meeting, stating the purpose thereof at least ten (10) but not more than thirty (30) days prior to such meeting. A copy of the notice of any meeting shall be given, personally, by first class mail, facsimile telecommunications or by electronic mail to each Residential Unit Owner entitled to vote at such meeting. ARTICLE III. BOARD OF MANAGERS

Section 1. Number and Term.

The affairs of the Condominium shall be governed by a Board of Managers. The initial Board of Managers (the "First Board of Managers") shall consist of three Members designated by the Sponsor who shall hold office and exercise all powers of the Board of Managers until the First Annual Meeting of the Unit Owners. Until succeeded by the Members elected at the First Annual Meeting of Unit Owners, Members need not be Residential Unit Owners; thereafter, all Members, other than designees or nominees of the Sponsor, shall be Residential Unit Owners. The Members shall be elected or designated at the Annual Meeting of the Unit Owners. Unless called for sooner by the First Board of Managers, the First Annual Meeting shall occur within a reasonable period of time after the Sponsor Control Period.

Parking Space Unit Owners shall not be entitled to any vote other than in conjunction with the Residential Unit they own. In addition, Licensees of a Storage Space shall not be entitled to any votes.

At the First Annual Meeting of Unit Owners called pursuant to Section 9 of Article II a total of three (3) Members shall be elected or designated. All Members, other than those the Sponsor can designate, shall be elected by the Residential Unit Owners at the annual meeting. After the First Annual Meeting, the Board of Managers may request

nominations for the Members to the Board of Managers prior to the annual meeting in addition to nominations from Residential Unit Owners at the Annual Meeting. The term of office of each Member shall be fixed at one (1) year.

The three (3) Residential Unit Owners receiving the highest number of votes shall be elected to the Board of Managers. Each Residential Unit Owner shall be entitled to cast one vote for each Member to be elected to the Board of Managers. At the expiration of the initial term of office of each respective Member, their successor shall be elected to serve a term of one (1) year. The Members shall hold office until their successors have been elected and hold their first meeting.

Any Residential Unit Owner in default of the payment of Common Charges, Special Assessments, late fees, interest and/or penalties shall be ineligible to be elected to the Board of Managers and/or vote at any general, Annual or Special Meeting.

The Sponsor shall have the right to designate the Members of the Board of Managers until the expiration of the Sponsor Control Period. This Section may not be amended without the written consent of Sponsor.

In addition to the Members designated by the Sponsor, as long as Sponsor retains an unsold Residential Unit in the Condominium, Sponsor may vote as Sponsor so determines for any other Members, so long as the Members are not on Sponsor's slate of Members for the Board of Managers, Sponsor's payroll or as long as they did not receive other financial backing from the Sponsor other than any mortgage that may be held by the Sponsor or affiliated entity of the Sponsor, if applicable.

Sponsor is entitled to designate all the Members to the Board of Managers during the Sponsor Control Period. Sponsor Members shall be appointed for a one (1) year term. At the expiration of the Sponsor Member terms, if Sponsor is still entitled to nominate Members to the Board of Managers, the Sponsor Members shall thereafter continue to be appointed as Members for one (1) year terms until the Sponsor is required to relinquish the position or Sponsor voluntarily resigns the position. When the designated Members of the Board of Managers of the Sponsor are required to relinquish their position on the Board of Managers the Sponsor will call for the First Annual Meeting of the Unit Owners as per the provisions of Article II, Section 9 of these By-Laws.

The Sponsor shall have the right to voluntarily resign a position on the Board of Managers prior to the Sponsor Control Period. In such an event the Board of Managers will either (a) call for a Special Meeting of the Unit Owners pursuant to the provisions of Article II, Section 10 of these By-Laws to elect a Residential Unit Owner for the balance of the Sponsor Member term or (b) the remaining Members of the Board of Managers will appoint a Residential Unit Owner to the Board of Managers for the balance of the Sponsor Member term. At the expiration of the term the Residential Unit Owners shall have a meeting to elect a Residential Unit Owner to a one (1) year term. Notwithstanding the aforementioned, in the event the Sponsor voluntarily relinquishes a position on the Board of Managers before the Sponsor is obligated to do so, upon notice from the Sponsor to the Board of Managers that the Sponsor desires to reclaim said position the Member

appointed or elected to said position shall resign and the Sponsor shall reappoint a Member to the Board.

At such time as the Sponsor no longer owns any Residential Unit in the Condominium the Sponsor Board Members shall resign and the Sponsor will not be able to designate any Board Members to the Board of Managers thereafter.

This Section may not be amended without the written consent of the Sponsor.

Section 2. Vacancy and Replacement.

If the office of any Member or Members becomes vacant by reasons of death, resignation, retirements, disqualification, removal from office or otherwise, a majority of the remaining Members of the Board of Managers, though less than a quorum, at a Special Meeting of the Members of the Board of Managers duly called for this purpose, shall choose a successor or successors, who shall hold office for the unexpired term in respect to which such vacancy occurred. At such meeting, the remaining Members of the Board of Managers shall be entitled to vote for said Member's successor or successors. In the event of the failure to hold any election of the Members of the Board of Managers at the time designated for the annual election of the Members of the Board of Managers or in the event that the Members of the Board of Managers shall not have filled any such vacancy, a Special Meeting of the Unit Owners to elect new Members to the Board of Managers or to fill such vacancy or vacancies may be called in the manner generally provided for the calling of Special Meetings of the Unit Owners in Article II, Section 10 of these By-Laws. If the vacancy occurs with respect to any Member of the Board of Managers who has been designated by the Sponsor, only the Sponsor shall have the right to designate such Member's successor to fill the unexpired portion of the term. In addition, the Sponsor shall have the right to substitute the Members of the Board of Managers it has designated at Sponsor's discretion at any time during the applicable term.

The Board of Managers shall also have the right to call for a Special Meeting in accordance with Article II, Section 10 to elect a Member's successor to fill the unexpired portion of the term of office.

Section 3. Removal.

Members, other than Sponsor designees, may be removed with or without cause by an affirmative vote of sixty-six and two-thirds (66 2/3rds) in number of the Residential Unit Owners entitled to vote at a Special Meeting called pursuant to Article II, Section 10 of these By-Laws. Members designated by the Sponsor may be removed by the Board of Managers for cause. Members designated by the Sponsor may be removed without cause solely by the Sponsor. No Member other than a Member designated by the Sponsor shall continue to serve on the Board of Managers if, during their term of office, they shall cease to be a Residential Unit Owner. In the event a Sponsor designee Member

is removed, the Sponsor shall have the sole right to designate the Sponsor Member replacement.

Any Member of the Board of Managers in default of the payment of Common Charges, Special Assessments, late fees, penalties and/or interest shall be suspended from the Board of Managers until such time as all Common Charges, Special Assessments, late fees, penalties and/or interest are paid in full to the Condominium.

Section 4. Resignation.

Any Member may resign at any time by written notice delivered in person or sent by certified registered mail to an Officer of the Condominium. Such resignation shall take effect at the time specified therein. Acceptance of such resignation shall not be necessary to make it effective.

Section 5. Suspension

Any Member of the Board of Managers in default of the payment of Common Charges, Special Assessments, together with late charges, interest and expenses shall be suspended from the Board of Managers until such time as all Common Charges, Special Assessments, together with late charges, interest and expenses, if any, are paid in full to the Condominium.

Section 6. First Board of Managers.

The First Board of Managers shall consist of three (3) Members appointed by the Sponsor who shall hold office and exercise all powers of the Board of Managers until the First Annual Meeting of Unit Owners. Any of said Members shall be subject to replacement at the sole discretion of the Sponsor and/or in the event of resignation or death in the manner set forth in Section 2 of this Article.

Section 7. Powers.

These powers shall specifically include, but not be limited to, the following items:
 - 1. To determine and levy monthly assessments ("Common Charges") to cover the cost of Common Expenses. The Common Charges are payable in advance as determined by the Board of Managers. rata according to their respective Percentage of Common Interest as reflected in Schedule B of the Declaration of Condominium or in such other manner as provided in Article VI, Section 9 of these By-Laws.

2. To determine and impose penalties, late fees, and interest against Unit Owners delinquent in the payment of their Common Charges and/or Special Assessments and/or in violation of the Rules and Regulations applicable to the Unit Owners. 7. To enter in and upon the Units when necessary and at as little inconvenience to the Unit Owners as possible in connection with the maintenance, care, and preservation of the property, including any inspection or repairs necessitated by mold or infestation. No prior notice shall be required in the event the Board of Managers shall determine that action is immediately necessary for the preservation or safety of the Condominium or its property, or the Units, or for the safety of Condominium residents or other persons or required to avoid the suspension of any necessary service to the Condominium. Any repairs required as the result of negligence of a Unit Owner will be at the expense of the Unit Owner.
8. To open bank accounts on behalf of the Condominium and to designate the signatories to such bank accounts.
9. To insure and keep insured the Common Elements and Units in accordance with Article VII of these By-Laws.

nuisances and to enjoin or seek damages from the Unit Owners of the Condominium for violations of the Declaration, By-Laws or the Rules and Regulations of the Condominium.

11. To make reasonable Rules and Regulations applicable to all Units and all Unit Owners and to amend the same from time to time, and such Rules and Regulations and amendments shall be binding upon all the Unit Owners when the Board of Managers has approved them in writing. A copy of such Rules and Regulations and all amendments shall be delivered to each Unit Owner.

pursuant to Section 339-y(4) of the New York Real Property Law. In such an event, the Board of Managers could retain counsel on behalf of such Unit Owners and charge each Unit Owner for whom it is acting a pro-rata share of expenses, disbursements, and legal fees, based upon the Unit's Percentage of Common Interest as reflected in Schedule B of the Declaration of Condominium, the payment for which would be secured by a lien on each Unit. The Board of Managers is not obligated to perform such services and it is necessary to obtain the written authorization of the Unit Owners it will perform such service for.

18. To determine and impose penalties, late fees, and interest against Unit Owners delinquent in the payment of their Common Charges and/or Special Assessments and in violation of the Rules and Regulations. The Board of Managers shall have the right to revise the amount of such fees as the Board of Managers so determines.

 21. To enter into revocable license agreements in addition to License Agreements for Storage Spaces as provided in 20 above, for the use of space within the General Common Elements as long as the license agreement does not hinder or encroach upon the rights of Unit Owners to use the General Common Elements, and/or Limited Common Elements.
 22. To grant utility or other easements over or to the Common Elements as may, at any time required for the benefit of the Condominium and the Unit Owners without the necessity of the consent thereto, or joinder therein, by the Unit Owners or any mortgagee (except that if the granting of such easement impairs the ability of one or more Unit Owners who have the right to use such Common Elements to the exclusion of any other Unit Owners, the consent of all such affected Unit Owners shall be required in writing before such easement shall be granted);
- (b) The Board of Managers may, by resolution or resolutions passed by a majority of the whole Board of Managers, designate one or more committees, each of such committees to consist of at least one (1) Member

of the Board of Managers, which, to the extent provided in said resolution or resolutions, shall have and may exercise the powers of the Board of Managers in the management of the business affairs of the Condominium and may have power to sign all papers which may be required, provided said resolutions shall specifically so provide. Such committee or committees shall have such name or names as may be determined from time to time by resolution adopted by the Board of Managers. Committees established by resolution of the Board of Managers shall keep regular minutes of their proceedings and shall report the same to the Board of Managers as required.

- (c) As long as the Sponsor retains at least one (1) unsold unit in the Condominium, the Board of Managers may not, without the Sponsor's prior written consent, which will not be unreasonably withheld: (i) make an addition, alteration or improvement to the General Common Elements, or a Residential Unit's Common Elements that is the Condominium's obligation and/or to any Residential Unit, costing cumulatively more than \$50,000, the foregoing not to include necessary repairs and maintenance work, (ii) assess any Common Charges for the creation of, addition to, or replacement of all or part of a reserve, contingency or surplus fund, (iii) hire any employee in addition to the employees referred to in the Budget for the first year of operation of the Condominium, (iv) enter into any service or maintenance contract for work not covered by contracts in existence on the date of the first Closing, (v) borrow money on behalf of the Condominium, (vi) reduce the services or maintenance set forth in the Condominium budget for the first year of operation, (vii) charge any Special Assessment for a non-budgeted item unless required by law, municipal agency, emergency or for the health and safety of the Condominium, (viii) increase the Common Charges of the Condominium more than ten (10%) percent from the prior year's budget, unless documentation is provided to the Sponsor in the nature of a financial statement, bids from contractors or verified increases in utility rates, evidencing the need for an increase greater than ten (10%) percent, or (ix) utilize Condominium funds or assess the Sponsor in order to commence a lawsuit against the Sponsor or any of its principals. The provisions of this paragraph may not be amended without the written consent of the Sponsor.
- (d) Notwithstanding Article III, Section 7(c) of these By-Laws Sponsor may not exercise veto power over expenses described in the proposed first year budget, as described in the Offering Plan, or over expenses required:

If all the Members are present at any meeting of the Board of Managers, no notice shall be required, and any business may be transacted at such meeting.

Section 14. Liability of the Board of Managers, Officers and Unit Owners.

No Member of the Board of Managers or Officer of the Condominium shall have any personal liability to the Condominium or to any Unit Owner for damages for any breach of duty in the Member's capacity as a Member of the Board of Managers or Officer of the Condominium, provided that this provision does not eliminate or limit the liability of a Member of the Board of Managers or Officer of the Condominium if a judgment or other final adjudication adverse to the Member establishes (a) that the Member's or Officer's acts or omissions were in bad faith or involved intentional misconduct or a knowing violation of law, or (b) that the Member or Officer personally gained in fact a financial profit or other advantage to which the Member was not legally entitled.

The Condominium, through the Unit Owners, shall indemnify to the fullest extent permitted by law any person made, or threatened to be made, a party to an action or proceeding, whether civil or criminal, including an action by or in the right of the Condominium to procure a judgment in its favor or an action other than one by or in the right of the Condominium and including an action by or in the right of any corporation of any type or kind, domestic or foreign, or any limited liability company, partnership, joint

venture, trust, employee benefit plan or other enterprise, which any Member of the Board of Managers or Officer of the Condominium served in any capacity at the request of the Condominium, by reason of the fact that the Member, the Officer, the Member's or Officer's testator, was a Member of the Board of Managers, Officer of the Condominium or officer of the joint venture, trust, employee benefit plan or other enterprise in any capacity; provided that no indemnification may be made to or on behalf of any Member of the Board of Managers or Officer of the Condominium if a judgment establishes that the Member's or Officer's acts were committed in bad faith or were the result of active and deliberate dishonesty and were material to the cause of action so adjudicated, or that the Member or Officer personally gained in fact a financial profit or the advantage to which the Member or Officer was not legally entitled.

The Unit Owners shall indemnify and hold harmless each of the Members of the Board of Managers and Officers of the Condominium against all contractual liability to others arising out of contracts made by the Board of Managers or Officers of the Condominium on behalf of the Condominium unless any such contract shall have been made in bad faith or contrary to the provisions of the Declaration of Condominium or of these By-Laws. It is also intended that the liability of any Unit Owner arising out of any contract made by the Board of Managers, or Officer of the Condominium or out of the aforesaid indemnity in favor of the Member of the Board of Managers or Officer of the Condominium shall be limited to such proportion of the total liability thereunder as the Unit Owner's Percentage of Common Interest in the Common Elements bears to the Percentage of Common Interest of all the Unit Owners in the Common Elements. Every agreement made by the Board of Managers, a managing agent, by a Member of the Board of Managers or Officer of the Condominium on behalf of the Condominium shall provide that the Members of the Board of Managers, or the managing agent, or the Member, or Officer of the Condominium as the case may be, are acting only as agent for the Unit Owners and shall have no personal liability thereunder (except as Unit Owners).

Section 2. Assessments.

The Board of Managers shall, from time to time, but at least annually, fix and determine the budget representing the sum or sums necessary and adequate for the continued operation of the Condominium and shall send a copy of the budget and supplement to the budget to every Unit Owner. The Board of Managers shall determine the total amount required, including the operational items such as insurance, repairs, reserves, betterments, maintenance of the General Common Elements and Limited Common Elements that are the obligation of the Condominium and other Common Expenses including but not limited to the Common Expenses provided in Article VI, Section 3 of these By-Laws, as well as charges to cover any deficits from prior years.

The total annual requirements shall be assessed as a single sum against all Units and prorated against each of said Units according to the provisions of Section 9 hereof. In the event a Residential Unit Owner acquires a Parking Space Unit, the Percentage of Common Interest of a Parking Space Unit shall be added to the Percentage of Common Interest of the Residential Unit of the Residential Unit Owner who owns said Parking Space Unit and the Residential Unit Owner thereof shall pay all Common Charges associated therewith.

Said assessments shall be payable monthly or in such other manner as determined by the Board of Managers and shall be referred to as Common Charges.

Said assessments shall be known as Special Assessments. The Board of Managers shall be entitled to charge a Special Assessment as a single sum or over a period of time as it may determine. Unit Owners shall pay their portion of any Special Assessments in accordance with Section 9 of Article VI of the By-Laws.

The Unit Owner agrees to pay promptly when due the monthly Common Charges and all Special Assessments assessed against the Unit. In the event any Unit Owner fails to make payment of the Unit Owner's Common Charge payment, the Unit Owner who owns such Unit shall be obligated to pay (a) a "late fee" of \$.25 for each \$1.00 of such amounts which remain unpaid for more than ten (10) days from their due date (although nothing herein shall be deemed to extend the period within which such amounts are to be paid) and (b) all expenses, including, without limitation, attorneys' fees paid or incurred by the Board of Managers or by any Managing Agent in any proceeding brought to collect such unpaid Common Charges and/or Special Assessments or in an action to foreclose the lien on such Unit Owner's Unit arising from said unpaid Common Charges and/or Special Assessments in the manner permitted by applicable law. All such "late fees," interest and expenses shall be cumulative and shall be added to and shall constitute Common Charges payable by such Unit Owner.

In addition, in the event of a default in the payment of Common Charges by any Unit Owner, the Board of Managers, at its sole option, may declare the Common Charge assessment on said Unit Owner's Unit for the balance of the fiscal year immediately due and payable. Prior to making any such declaration following a default the Board of Managers shall send notice to the delinquent Unit Owner and any mortgagee of such Unit giving the Unit Owner a five (5) day grace period in which to make the late payment.

The Board of Managers may place a lien and take action to collect any past due Common Charges from any Unit Owner which remains unpaid as provided in Article IX of these By-Laws from its due date by way of foreclosure of the lien on such Unit in accordance with Section 339-aa of the Real Property Law or otherwise.

Every Unit Owner shall pay the Common Charges assessed against the Unit Owner when due as determined by the Board of Managers and no Unit Owner may be exempt from liability for the payment of the Common Charges assessed against the Unit Owner by waiver of the use or enjoyment of any of the Common Elements or by the abandonment of a Unit.

No Unit Owner shall be liable for any Common Charges, Special Assessments or other charges against a Unit which accrue against the Unit Owner's Unit subsequent to a sale, transfer, or other conveyance of the Unit Owner in accordance with these By-Laws and the Declaration. A Unit Owner shall be liable for the payment of all Common Charges, Special Assessments or other charges assessed by the Board of Managers against the Unit after acquiring title to the Unit, as well as any unpaid Common Charges, Special Assessments or other charges assessed against the Unit by the Board of Managers at the time the Unit is conveyed by means of a deed or other legal means of the conveyance, except for a mortgagee of an Institutional Mortgage whom shall be exempt for a portion of the Common Charges as provided below.

Notwithstanding any other provision in the Declaration or these By-Laws any mortgagee of an Institutional Mortgage as defined in the Declaration of Condominium who obtains title to a Unit pursuant to the remedies in the mortgage or through foreclosure will

not be liable for more than six (6) months of the Unit's unpaid Common Charges, Special Assessments or other charges accrued against the Unit before acquisition of the title to the Unit by the mortgagee unless otherwise required by law. If the Condominium's lien priority includes costs of collecting unpaid Common Charges, Special Assessments and/or other charges against the Unit, the mortgagee of the Institutional Mortgage will be liable for any fees or costs related to the collection of unpaid Common Charges, Special Assessments and/or other charges. The unpaid balance of such Common Charges, Special Assessments and/or other charges against the Unit that may be waived will be charged to all other Unit Owners as a Common Expense. Upon acquisition of title to a Unit such mortgagee of an Institutional Mortgage; its successors and assigns shall be responsible for all Common Charges, Special Assessments and/or any other costs and expenses of the Condominium thereafter due and payable thereafter.

Section 3. Purpose of Common Charges

The Common Charges shall be used to pay for the Common Expenses of the Condominium including but not limited to operation, repair and maintenance of the General Common Elements and any Limited Common Elements that have been delegated to the Condominium for repair, maintain and replacement as provided for in the Declaration of Condominium and/or these By-Laws. All Unit Owners are responsible for their pro-rata share of the Common Charges as determined in Section 9 of this Article VI regardless of whether or not a Unit or Unit Owner utilizes the services for which the Common Charges are spent. Said Common Expenses shall include the cost of all insurance premiums on all policies of insurance required to be or which have been obtained by the Board of Managers pursuant to the provisions of Article VII and the fees and disbursements of any Insurance Trustee as provided in Article VII, drainage, sewer, water and/or storm systems (including sewers, storm sewer and/or water pipes, drywells, detention tanks or other facilities servicing the drainage, sewer water and/or storm systems as applicable), and other Building wide obligations of the Condominium contained in the Declaration and these By-Laws, including, without limitation, an amount for working capital of the Condominium, for a general operating reserve, for a reserve fund for replacements, insurance; common utilities; labor; common water and sewer charges; legal and accounting; services and supplies; management fees; contingencies and any other expenses that are Common Expenses of the Condominium and to make up any deficit in the Common Expenses from any prior year. The Common Expenses may also include such amounts as may be required for the purchase or lease by the Board of Managers or its designee, corporate or otherwise, on behalf of all Unit Owners, of any Unit whose Owner has elected to sell or lease such Unit or of any Unit which is to be sold at a foreclosure or other judicial sale.

Section 4. Foreclosures of Liens for Unpaid Common Charges

The Board of Managers shall have the power to purchase any Unit at a foreclosure sale resulting from any action brought by the Board of Managers to foreclose a lien on the Residential Unit because of unpaid Common Charges. In the event of such purchase, the Board of Managers shall have the power to hold, lease, mortgage, vote, sell or

otherwise deal with the Unit. A suit to recover a money judgment for unpaid Common Charges shall also be obtainable separately without waiving the lien on the Unit. In either event the Unit Owner shall be liable for all costs of suit, including reasonable attorney's fees.

Section 5. Statement of Common Charges.

Upon the written request of any Unit Owner or their mortgagee, the Board of Managers shall promptly furnish such Unit Owner or their mortgagee with a written statement of the unpaid Common Charges due from such Unit Owner.

Section 6. Liability for Utilities.

Any utility, including electricity and gas, individually metered or sub-metered to a Unit or Vehicle shall be the sole expense of each applicable Unit Owner.

Section 7. Operating Account.

There shall be established and maintained a cash deposit account to be known as the "Operating Account", into which shall be deposited the operating portion of all monthly Common Charges and Special Assessments as fixed and determined for all Units. Disbursements from said account shall be for the general need of the operation including, but not limited to, wages, repairs, betterments, maintenance and other operating expenses of the Common Elements and Common Expenses and for the purchase, lease, sale or other expenses resulting from the purchase or lease of a Unit.

Section 8. Other Accounts.

The Board of Managers shall maintain any other accounts it shall deem necessary to carry out its purpose including a reserve account and working capital account. The funds in the reserve account are to be used exclusively for future major capital improvements of the Condominium.

Section 9. Determination of Common Expenses and Fixing of Common Charges.

The Board of Managers shall from time to time, and at least annually, prepare a budget for the operation of the General Common Elements and any Limited Common Elements that have been delegated to the Condominium to repair, maintain and replace as provided for in the Declaration of Condominium and/or these By-Laws as well as Common Expenses of the Condominium, determine the amount of the Common Charges payable by the Unit Owner(s) to meet the Common Expenses and other expenses applicable thereto, and allocate and assess such Common Charges and Common Expenses among all the Unit Owners in proportion to their respective Percentage of Common Interest in the Condominium as reflected in Schedule B of the Declaration of Condominium or as provided below.

The Percentage of Common Interest of a Parking Space Unit shall be added to the Percentage of Common Interest of the Residential Unit who owns said Parking Space Unit and the Residential Unit Owner thereof shall pay all Common Charges associated therewith.

Notwithstanding the above, as provided in Section 339-m of the Condominium Act, Common Charges and/or Special Assessments, no matter how classified, may be adjusted based on allocations in accordance with sub-metering, contract allocations and usage (both projected and actual) for the Common Expenses, no matter how classified, based on special or exclusive use or availability or exclusive control of particular Units or Common Elements by particular Unit Owners. In the event of any dispute as to the allocation of the Common Charges such dispute shall be submitted for arbitration pursuant to the provisions of Article XIV of the By-Laws of the Condominium.

Common Expenses of the Condominium shall include but not be limited to the Common Expenses referred to in Article VI, Section 3 of these By-Laws.

The Board of Managers shall advise all Unit Owners promptly, in writing, of the amount of Common Charges and Common Expenses payable by each of them, respectively, as determined by the Board of Managers, as aforesaid, and shall furnish copies of the budget on which such Common Charges and Common Expenses are based, to all Unit Owners.

The Sponsor, its successor, assignee and/or designee shall be responsible for the Common Charges and/or assessed against each Unit owned by the Sponsor, its designee, assignee and/or successor until such Unit is transferred to a bona fide purchaser.

Each of such policies shall be in favor of the Condominium and shall contain a New York standard mortgagee clause in favor of each mortgagee of a Unit which shall provide that the loss, if any, there under shall be payable to such mortgagee as its interest may appear, subject, however, to the loss payment provisions in favor of the Board of Managers and the Insurance Trustee as defined below, hereinafter set forth; and such other insurance as the Board of Managers may determine. All such policies shall provide that adjustment of loss shall be made by the Board of Managers with the approval of the Insurance Trustee, and that the net proceeds thereof, if \$100,000 or less, shall be payable to the Board of Managers, and if more than \$100,000 shall be payable to the Insurance Trustee. Each Unit Owner and each Unit Owner's mortgagee, if any, shall be beneficiaries of the policy to the extent of the Percentage of Common Interest applicable to said Unit.

The blanket property insurance as provided above will commence with the Closing of Title to the first Residential Unit.

All policies of physical damage insurance shall contain waivers of subrogation and of any reduction of pro rata liability of the insurer as a result of any insurance carried by Unit Owners or of the invalidity arising from any acts of the insured or any Unit Owners and shall provide that such policies may not be canceled or substantially modified without at least ten (10) days prior written notice to all of the insured, including all mortgagees of a Unit. Prior to obtaining any policy of fire insurance or any renewal thereof, the Board of Managers shall obtain an appraisal from a fire insurance company or otherwise of the full replacement value of the Building, including all the Common Elements appurtenant thereto to determine the amount of fire insurance to be erected pursuant to this Section.

All policies must also provide for the following: recognition of any, Insurance Trust Agreement; a waiver of the right of subrogation against Unit Owners individually; that the insurance is not prejudiced by any act or neglect of individual Unit Owners which is not in the control of such Unit Owners collectively; and that the policy is primary in the event the Unit Owner has other insurance covering the same loss. All policies shall include the standard form of a "Special Condominium Endorsement" or its equivalent. All policies shall include an "Agreed Amount Endorsement" and, if available, an "Inflation Guard Endorsement".

The Board of Managers shall also be required to obtain and maintain, to the extent obtainable, public liability insurance in such limits as the Board of Managers may from time to time determine, covering the Common Elements, each Member and Officer of the Board of Managers, the managing agent, and each Unit Owner. Such public liability coverage shall also cover cross liability claims of one insured against another. Until the first meeting of the Board of Managers following the first annual Unit Owners meeting, such public liability insurance shall be a minimum of \$1,000,000 covering all claims for

bodily injury, deaths and property damage arising out of one occurrence in connection with the operation, maintenance or use of the Common Elements, and legal liability arising out of lawsuits related to employment contracts of the Condominium. Such policies must provide that they may not be cancelled or substantially modified, by any party, without at least ten (10) days' prior written notice to the Condominium and to each holder of a first mortgage on any Unit in the Condominium which is listed as a scheduled holder of a first mortgage in the insurance policy. Such coverage may also include protection against such other risks as are customarily covered with respect to condominiums similar in construction, location, and use, including, but not limited to, host liquor liability, employer's liability insurance, contractual and all-written contract insurance, and comprehensive automobile liability insurance. Such public liability insurance shall commence on the closing of title to the first Residential Unit.

In addition to the above, blanket fidelity bonds shall be required to be maintained by the Condominium for all officers, directors and employees of the Condominium and all other persons handling or responsible for, funds of or administered by the Condominium. In the event a management agent has the responsibility for handling or administering funds of the Condominium, the management agent shall be required to maintain fidelity bond coverage for its officers, employees and agents handling or responsible for funds of, or administered on behalf of the Condominium. Such fidelity bonds shall name the Condominium as an obligee and shall not be less than the estimated maximum of funds, including reserve funds, in the custody of the Condominium or the management agent, as the case may be, at any given time during the term of each bond. In no event may the aggregate amount of such bonds be less than a sum equal to 3 months aggregate assessments on all Units plus reserve funds. The bonds shall contain waivers by the issuers of the bonds of all defenses based upon the exclusion of persons serving without compensation from the definition of "employees", or similar terms or expressions. The premiums on all bonds required herein, except those maintained by the management agent, shall be paid by the Condominium as a Common Expense. The bonds shall provide that they may not be cancelled or substantially modified (including cancellation for non-payment of premium) without at least 10 days' prior written notice to the Condominium or Insurance Trustee. Such bonds shall also provide that, if applicable, the Federal National Mortgage Association, ("Fannie Mae") Servicers on behalf of Fannie Mae, also receive such notice of cancellation or modification.

adjustment of loss provision contained in the first paragraph of this Section 1 of Article VII. The Insurance Trustee shall be a bank, trust company, attorney or other permitted company located in the State of New York designated by the Board of Managers. All costs associated with the Insurance Trustee shall constitute a Common Expense of the Condominium. In the event the Insurance Trustee resigns or fails to qualify, the Board of Managers shall designate a new Insurance Trustee which shall be a bank, trust company, attorney or other permitted company located in the State of New York. The Insurance Trustee shall have a capital, surplus and undivided profits of \$10,000,000 or more.

Section 3. Restoration or Reconstruction After Fire or Other Casualty.

In the event of damage to or destruction of the Building as a result of fire or other casualty (unless seventy-five [75%] percent or more of the Units are destroyed or substantially damaged and seventy-five [75%] percent or more of the Unit Owners do not duly and promptly resolve to proceed with repair or restoration), the Board of Managers shall arrange for the prompt repair and restoration of the Building (including any damaged Unit, and any kitchen or bathroom fixtures initially installed or changed therein by the Sponsor, any heating, air conditioning or other service machinery which is covered by insurance but not including any wall, ceiling or door decorations or coverings or other furniture, furnishings, fixtures or equipment installed or changed by Unit Owners in the Units), and the Board of Managers or the Insurance Trustee, as the case may be, shall disburse the proceeds of all insurance policies to the contractors engaged in such repair and restoration in appropriate progress payments. Any cost of such repair and restoration in excess of the insurance proceeds shall constitute a Common Expense and the Board of Managers may assess all the Unit Owners for such deficit as part of the Common Charges.

If seventy-five (75%) percent or more of the Units are destroyed or substantially damaged and seventy-five (75%) percent or more of the Unit Owners do not duly and promptly resolve to proceed with repair or restoration, the Property shall be subject to an action for partition at the suit of any Unit Owner or lienor, as if owned in common in which event the net proceeds of sale, together with the net proceeds of insurance policies (or if there shall have been a repair or restoration pursuant to the first paragraph of this Section 3, and the amount of insurance proceeds shall have exceeded the cost of such repair or restoration then the excess of such insurance proceeds) shall be divided by the Board of Managers or the Insurance Trustee, as the case may be, among all the Unit Owners in proportion to the respective Percentage of Common Interest, after first paying out of the share of each Unit Owner the amount of any unpaid liens on the Unit Owner's Unit, in the order of the priority of such liens.

Section 4. Unit Owner Insurance.

Each Unit Owner is required to carry insurance covering their contents, fixtures, personal property and improvements and betterments (collectively "Contents") and liability insurance covering their Unit and extended to include the Board of Managers, the Condominium, any Managing Agent, and other Unit Owners as additional insured's. Such insurance is subject to the approval of the Board of Managers in advance of the purchase

of a Unit, in the Board of Manager's sole discretion. The policy shall be extended to include any additional insured including but not limited to the Sponsor, other Unit Owners, and any Mortgagees. All such insurance must be provided by a carrier that is recognized as a licensed admitted carrier in the State of New York with a rating equal to a Best Rating Guide of AV or better. The Board of Managers reserves the right to alter or increase the coverage required hereunder at any time and from time to time without amendment to these By-Laws. In addition to the foregoing, Unit Owners are instructed to carry coverage for loss of rents, water damage, sewer and drain back up and such other coverage for their contents as they may determine to be in their best interests. The Board of Managers shall have the right to require that a Unit Owner provide evidence to the Board of Managers of the insurance required herein as requested by the Board of Managers.

Section 5. General

In the event there are Storage Spaces that have not been Licensed to a Residential Unit Owner after the Sponsor has conveyed all of the Residential Units to bona fide Purchasers, the Sponsor shall have the right but not the obligation to assign the rights pursuant to a License Agreement for any non-licensed Storage Space to the Board of Managers of the Condominium, subject to the Storage Space License Expense. In such an event, the cost of Storage Space License Expense will be the obligation of the Residential Unit Owners, the cost of which shall be paid pro-rata based upon each Residential Unit's Percentage of Common Interest. The Board of Managers may require a Special Assessment to pay for said Storage Space License Expense and/or the Common Charges may be increased as a result thereof. Upon being assigned said License Agreements to the Board of Managers on behalf of the Condominium all costs and expenses associated with the Storage Spaces shall become the obligation of the Condominium as a Common Expense. In such an event, the Board of Managers of the Condominium will be responsible for overseeing the regulation of the Storage Spaces and shall have all of the rights and obligations associated therewith. In addition,

subsequent to all of the Residential Units having been sold, the Sponsor shall have the right to license or permit the use of a Storage Space that has not been licensed by a Residential Unit Owner to any non-resident or business establishment for the use of such non-resident or business establishment.

ARTICLE XIV. ARBITRATION

Section 1. Procedure.

Any matter required or permitted to be determined by arbitration pursuant to the terms of the Condominium Documents shall be submitted for resolution by a single arbitrator in a proceeding held in the local jurisdiction of the Condominium in accordance with the then existing rules of the American Arbitration Association or any successor organization thereto. In the event that the American Arbitration Association shall not then be in existence and has no successor organization, any such arbitration shall be held in New York City before one arbitrator appointed, upon the application of any party by the Real Estate Board of New York.

Section 2. Variation by Agreement.

The parties to any dispute required or permitted to be resolved by arbitration pursuant to the terms of the Condominium Documents may, by written agreement, vary any of the terms of Section 1 hereof with respect to the arbitration of such dispute or may agree to resolve their dispute in any manner, including, without limitation, the manner set forth in Section 3031 of the New York Civil Practice Law and Rules and known as "New York Simplified Procedure for Court Determination of Disputes".

Section 3. Binding Effect.

The decision in any arbitration conducted pursuant to the terms of Section 1 and 2 hereof shall be binding upon all of the parties thereto and may be entered in any court of appropriate jurisdiction.

Section 4. Costs and Expenses.

The fees, costs and expenses of the arbitrator shall be borne by the losing party in the arbitration or, if the position of neither party to the dispute shall be substantially upheld by the arbitrator, such fees, costs and expenses shall be borne equally by the disputants. Each disputant shall also bear the fees and expenses of his counsel and expert witnesses.

All costs and expenses paid or incurred by the Condominium Board of Managers in connection with any arbitration held hereunder, including, without limitation, the fees and expenses of counsel and expert witnesses shall constitute Common Expenses.

ARTICLE XV. CONDEMNATION

In the event all or part of the Common Elements are taken in condemnation or eminent domain proceedings, the award from such proceedings shall be paid to the Insurance Trustee if the award is more than \$50,000 and to the Board of Managers if the award is \$50,000 or less, to be distributed in accordance with Section 3 of Article VII but in the following amounts:

- (a) So much of the award as is applicable to the General Common Elements, to the Unit Owners pro rata according to the respective Percentage of Common Interest appurtenant to the Unit owned by such Unit Owners.
- (b) So much of the award as is applicable to the Limited Common Elements, to the Unit Owner having general use of such Limited Common Element.

In such eminent domain or condemnation proceeding the Board of Managers shall request that the award set forth the amount allocated to General Common Elements, and to each Limited Common Element. In the event the award does not set forth such allocation then the question of such allocation shall be submitted to the arbitration in accordance with Article XIV of these By-Laws. Any condemnation or eminent domain award shall require that any proceeds applicable to a Unit be applied first to a first mortgagee of a Unit as its interest may appear.

ARTICLE XVI. SPONSOR RIGHTS

Section 1. Sales/Rentals.

The Sponsor, its nominees and agents, shall have the right and privilege to maintain general and local sales and rental offices in and about the Condominium, including any Unsold Units located within the Condominium Building or elsewhere throughout the project, and shall have the right and privilege to have their representatives, employees and agents present on the Condominium premises to show the Units to prospective purchasers or tenants, to utilize the Common Elements, no matter how classified, and without limitation, to do any and all things necessary incident to the sale or rental of the Units, without charge or contribution other than in the form of Common Charge payments as otherwise provided for herein.

Section 2. Signs/Ingress/Egress.

The Sponsor shall have the right to continue to employ signs of its choice upon the Condominium premises in its efforts to construct, sell and lease the Units, or any other property, development, or community the Sponsor, its successors, assigns or designees so prescribe. Section 3. Notice to Condominium.

A Unit Owner, who mortgages the Unit, shall notify the Condominium through the management agent, if any, or the Board of Managers in the event there is no management agent, of the name and address of the Unit Owner's mortgagee; and the Board of Managers shall maintain such information in a book entitled "Mortgagees of Units".

Said hours are to be determined by the Board of Managers or Managing Agent.

Section 6. Costs of Legal Action

In the event the Board of Managers institutes any legal action for the enforcement of any of the provisions of the Declaration of the Condominium, By-Laws and/or Rules and Regulations of the Condominium, then the Defendant shall be responsible for payment of reasonable attorney's fees of the Board of Managers on behalf of the Condominium, plus interest and costs of suit, except in instances where the Defendant is deemed the prevailing party in any litigation or adversarial proceeding.

SECTION 339-KK OF THE REAL PROPERTY LAW

The Real Property Law is amended by adding a new Section 339-kk to read as follows:

“§ 339-kk. Rents. (a) For the purposes of this section, “non-occupying owner” shall mean a unit owner in a condominium association who does not occupy the dwelling unit.

(b) If a non-occupying owner rents any dwelling unit to a rental tenant and then fails to make payments due for common charges, assessments or late fees for such unit within sixty days of the expiration of any grace period after they are due, upon notice in accordance with subdivision (c) of this section, all rental payments from the tenant shall be directly payable to the condominium association.

(c) If the common charges, assessments or late fees due for any unit have not been paid in full, within sixty days after the expiration of any grace period of the earliest due date, the board of managers shall provide written notice to the tenant and the non-occupying owner providing that, commencing immediately and until such time as all payments for common charges, assessments or late fees are made current, all rental payments due subsequent to the issuance of such notice are to be made payable to the condominium association at the address listed on the notice. Where a majority of the board of managers has been elected by and from among the unit owners who are in occupancy, the board may elect not to require that rental payments be made payable to the condominium association. At such time as payments for common charges, assessments and late fees from the non-occupying owner are once again current, notice of such fact shall be given within three business days to the rental tenant and non-occupying owner. Thereafter all rental payments shall be made payable to the non-occupying owner or a designated agent. A non-occupying owner who disputes the association’s claim to rental payments pursuant to this section shall be entitled to present facts supporting such owner’s position at the next scheduled meeting of the board of managers, which must be held within thirty days of the date that such board receives notice that such owner seeks to dispute such claim.

(d) Nothing in this section shall limit any rights of unit owners or of the board of managers existing under any other law or agreement.

(e) Payment by a rental tenant to the condominium association made in connection with this section shall relieve that rental tenant from the obligation to pay such rent to the non-occupying owner and shall be an absolute defense in any non-payment proceeding commenced by such non-occupying owner against such tenant for such rent.”

This act may be enforced by any party by means of a special proceeding brought pursuant to Article 4 of the Civil Practice Law and Rules.

Notwithstanding anything to the contrary, Grantee's acceptance of any Holdover Fee shall not constitute a waiver as to any default of Grantor or prevent Grantee from exercising any other rights and remedies afforded by this Agreement and/or as provided by applicable law.

7. Estoppel Certificate. Each party agrees, at any time and from time to time, as requested by the other party upon not less than ten (10) business days' prior written notice, to execute and deliver to the requesting party a statement certifying that this Agreement is unmodified and in full force and effect (or if there have been modifications that the same is in full force as modified and stating the modifications), stating whether or not, to the best knowledge of the certifying party, the requesting party is in default in performance of any of its obligations under this Agreement, and, if so, specifying each such default of which the certifying party may have knowledge, and certifying as to any other information regarding this Agreement as the requesting party shall reasonably request, it being intended that any such statement delivered pursuant hereto may be relied upon by others with whom the requesting party may be dealing.
