SEE PAGE (i) FOR SPECIAL RISKS TO PURCHASERS.

THIS OFFERING PLAN IS THE ENTIRE OFFER TO SELL THESE CONDOMINIUM UNITS. NEW YORK LAW REQUIRES THE SPONSOR TO DISCLOSE ALL MATERIAL INFORMATION CONCERNING THE CONDOMINIUM UNITS IN THIS PLAN AND TO FILE THIS PLAN WITH THE NEW YORK STATE OFFICE OF THE ATTORNEY GENERAL PRIOR TO SELLING OR OFFERING TO SELL ANY CONDOMINIUM UNIT. FILING WITH THE OFFICE OF THE ATTORNEY GENERAL DOES NOT MEAN THAT THE DEPARTMENT OF LAW OR ANY OTHER GOVERNMENT AGENCY HAS APPROVED THIS OFFERING.

BECAUSE SPONSOR IS RETAINING THE UNCONDITIONAL RIGHT TO RENT RATHER THAN SELL UNITS AFTER PLAN CONSUMATION, THIS PLAN MAY NOT RESULT IN THE CREATION OF A CONDOMINIUM IN WHICH A MAJORITY OF THE UNITS ARE OWNED BY OWNER-OCCUPANTS OR INVESTORS UNRELATED TO THE SPONSOR. PURCHASERS FOR THEIR OWN OCCUPANCY MAY NEVER GAIN CONTROL OF THE BOARD OF MANAGERS UNDER THE TERMS OF THIS PLAN. (SEE SPECIAL RISKS SECTION OF THE PLAN.)

SPECIAL RISKS

The following is a summary of certain special risk considerations in connection with the Plan but is not intended to summarize all major features of the Plan. Prospective purchasers are urged to read the following special risk factors in conjunction with the Plan for a discussion of these and other important aspects of this condominium offering.

1) Sponsor intends to sell the units. Sponsor may not rent units prior to consummation of the offering plan. However, because Sponsor is retaining the unconditional right to rent rather than sell units, and is not limiting the conditions under which it will rent rather than sell the units and there is no commitment to sell more units than the 15% necessary to declare the plan effective (1 Unit), this plan may not result in the creation of a Condominium in which a majority of the units are owned by owner-occupants or investors unrelated to the Sponsor. Purchasers may never gain control of the Board of Managers under the terms of this plan through their own occupancy. See Section XV “Rights and Obligations of Sponsor” and Section I “Introduction”.

2) Purchasers should note that in the current real estate market, banks and other lenders are imposing various restrictions on purchase financing. Such restrictions include requiring that a certain percentage of apartments in a building or group of building be sold before a lender will consider making a loan. Thus, it may be possible for a purchaser to experience difficulty obtaining a loan in a building or group of buildings where the Sponsor or holder of unsold shares has not sold a substantial percentage of the apartments in the building or group of buildings, which in some cases may be as high as 70%. Moreover, some lenders will not provide financing in a building or group of buildings where an investor other than the original Sponsor has an ownership interest of 10% or more. It also may be difficult for a purchaser to resell an apartment if prospective buyers are unable to obtain a loan due to the same minimum sales and investor ownership restrictions. See Section XI, "Procedure to Purchase".

3) The By-laws of the Condominium do not contain a provision that provides that after the initial Sponsor control period a majority of the Board of Managers must be owner-occupants or members of owner-occupants' household who are unrelated to the Sponsor or its principals. Owner-occupants and non-resident owners, including Sponsor, may have inherent conflicts on how the Condominium should be managed because of their different reasons for purchasing (i.e., purchase as a home as opposed to as an investment). See Section I “Introduction”, Section XVI, “Control by Sponsor” and Section XVII “Board of Managers”.

4) The Housing Merchant Implied Warranty (General Business Law Article 36-B) does not apply to this offering because that statute applies only to new single family homes or new for sale units in a multi-unit residential structure which is five (5) stories or less in which title is transferred to Purchasers under a cooperative or condominium regime. The property is not new construction. Where the Housing Merchant Implied Warranty does not apply, a common law implied warranty does not exist; therefore, unless a warranty is expressly provided by Sponsor, none such exists. See *Fumarelli v Marsam Dev.*, 92 NY2d 298, 301 [1998]; *Bd. of Managers of Beacon Tower Condominium v 85 Adams St., LLC*, 136 AD3d 680 [2d Dept 2016]; *Pine St. Homeowners Ass'n v 20 Pine St. Homeowners Ass'n v 20 Pine St. LLC*, 109 AD3d733 [1st Dept 2013]. Sponsor does not warrant the materials or workmanship of construction in Units, Limited Common Elements,

or Common Elements. Sponsor does not warrant the materials, workmanship, installation or operation of any appliances, equipment or fixtures. Nevertheless, Sponsor has the absolute obligation to design and build the Building in accordance with applicable law, codes, regulations, filed plans and specifications, and locally accepted building practices for items which are not covered by codes. Sponsor's obligations, regardless of any limitations in any warranty or in the Plan, cannot go below the duty to construct the Building in accordance with all applicable Laws and the Plans and Specifications, and any conflict between any such disclosures and Sponsor's obligation to construct the Building in accordance with all applicable Laws and the Plans and Specifications shall be resolved in favor of the latter. NO DISCLAIMER OR LIMITATION OF LIABILITY ON SPONSOR'S PART SHALL APPLY TO SPONSOR'S OBLIGATIONS UNDER ALL APPLICABLE STATUTES, LAWS AND REGULATIONS.

Sponsor will not be obligated to correct and will not be liable to any Purchaser as a result of immaterial variations in the dimensions or arrangement of rooms, walls or other areas within Units, or in the Plans and Specifications, or in the description of the Building or a Unit set forth in the Plan. Except as otherwise provided in this Plan, where alternatives are specified or where a particular practice, method, or design of construction, equipment, material or supply is not specified, the choice and decision of the Sponsor shall be determinative. See Section XV "Rights and Obligations of Sponsor".

5) The property was vacant land when Sponsor acquired it and Sponsor constructed a new building in 2017-2019. The building's structure remains as it was designed and built in 2019. No filings or work have taken place regarding the structure since then and there shall be no changes to it. There will be no renovations to the property. The roof was installed around 2017-2019. There is no roof warranty. The roof appears in fair condition and as expected for a roof installed approximately six (6) years ago. Roofs typically have a 10-15 year span when maintained properly. The windows are provided with no warranty. There shall be no warranty on the HVAC equipment. It is assumed that the intercom is no longer under warranty as it was installed in 2019 and intercoms generally only have 1 to 3 year manufacturer's warranty periods. There is no warranty on the fire alarm. All finishes within the Units will be the finishes installed in the construction in 2019 and are approximately six (6) years old. The walls, ceiling and floors shall be sold in as-is condition. The walls and ceilings are in fair condition with standard wear and tear for a building of this age. The bathrooms finishes shall be sold in as-is condition. Sponsor is selling the Units unfurnished and as-is except Sponsor is doing cosmetic work to the property including painting, changing cabinets in the kitchen, changing countertops, changing appliances, changing vanity and bathroom fixtures and sanding the floor. A final Certificate of Occupancy, CO number 321184106F, was issued on January 13, 2021 for the property. A new Certificate of Occupancy is not required or being pursued as part of this conversion.

Sponsor previously operated the property as a rental building. The building was not and is not subject to any rent stabilization, rent control or other tenant protection statutes. Rentals at the property began in 2019. All tenants vacated the building by July, 2025 and the building is now vacant. All tenants were given notice that their lease would not be renewed at least six (6) months prior to the expiration of the lease for each tenant. The following is a summary of how each unit became vacant:

- Unit 1 – lease expires September 30, 2025 and the tenant vacated on March 17, 2025
- Unit 2 – lease expired on May 31, 2025 and the tenant vacated on March 31, 2025
- Unit 3 – lease expires on August 31, 2025 and the tenant vacated on July 20, 2025
- Unit 4 – lease expired on July 31, 2025 and the tenant vacated on June 25, 2025

The Good Cause Eviction Law, enacted as part of the 2019 Housing Stability and Tenant Protection Act and clarified in later amendments, does not apply to buildings constructed after January 1, 2009. Since the subject building was built after this date, it is exempt from the requirement to provide “good cause” for non-renewal or eviction, meaning landlords can choose not to renew a lease without providing a specific reason, unless other regulations apply.

The building is not subject to any tax abatement or exemption programs, such as 421-a, J-51, or other municipal tax incentive programs.

The property is not new construction. The Units were previously lived in and are not in new condition. The signing of the Purchase Agreement by Purchaser signifies Purchaser’s acceptance of the condition of the Property, including the Building, the Common Elements, the Unit, and all fixtures, machinery, equipment, furnishings, appliances, installations, and other personal property contained therein, in the condition described in the offering plan, ordinary wear and tear excepted between the date Purchaser signs this Agreement, or the Filing Date of the Plan, and delivery of the deed to Purchaser. Purchaser acknowledges having read the Description of Property, which sets forth a description of the physical condition of the Building set forth in Part II of the Plan and having been given the opportunity to review the section of the Plan SPONSORS’ STATEMENT OF BUILDING CONDITION. Purchaser understands that Sponsor has no obligation to make any repairs, improvements, or decorations in or to the Property, the building, the Unit, or the fixtures, machinery, equipment, furnishings, appliances, installations, and other personal property contained therein, except as may otherwise be set forth in the Plan. Sponsor will maintain the Building and Common Elements in substantially the same condition they were in on the Filing Date, until the First Closing, unless prevented from doing so by reason of acts or events beyond Sponsor’s control.

Purchasers shall be given an opportunity to inspect the Unit prior to Closing. Punchlist items to be completed in the Unit pursuant to the Plan and/or the Purchase Agreement shall be itemized on an “Inspection Statement,” a form of which is contained in Part II of the Plan, signed by both Sponsor and Purchaser. The Inspection Statement merely serves to identify and memorialize any conditions the Purchaser believes to be material. Sponsor’s refusal to sign the Inspection Statement due to a disagreement with the items on the Inspection Statement shall not be grounds to cancel or postpone the Closing, unless otherwise entitled under applicable law. Nevertheless, Sponsor has the absolute obligation to design and build in accordance with applicable law, codes, regulations, filed plans and specifications, and locally accepted building practices for items which are not covered by codes, and otherwise fulfill its obligations under the Plan or Purchase Agreement; Purchasers may have a claim under a breach of contract theory in the event Sponsor does not fulfill their obligations under the Plan or Purchase Agreement.

Sponsor shall be obligated to complete the items agreed to on the Inspection Statement within a reasonable time after Closing. However, if Sponsor agrees in writing to complete any items on the Inspection Statement prior to Closing, Purchaser must re-inspect the Unit on the day prior to Closing to inspect and sign off on all items Sponsor agreed to complete. No open items of work will be discussed at the Closing itself. With the exception of items Sponsor agrees in writing to complete prior to the Closing, Sponsor's failure to complete any of the items listed on the Inspection Statement shall not be grounds to cancel or postpone the Closing, unless otherwise entitled under applicable law.

Purchasers may not add any additional work items to the Inspection Statement after the final inspection of the Unit has occurred, and neither Sponsor nor its contractors, subcontractors, principals, managers or members shall have any obligation to perform any such additional work items. See Section II, "Description of Property and Improvements" and Section XV, "Rights and Obligations of Sponsor".

6) The Sponsor anticipates that the first closing of a unit will occur by January 1, 2026. Purchasers will be offered a right of rescission if: (i) the actual date of closing of title to the first unit; or (ii) the projected date of closing of title to the first unit occurs later December 31, 2026, twelve months after the projected date for the first closing. If the Plan is amended to provide for a later projected date for the first closing, purchasers will be entitled to an offer of rescission if the first closing occurs more than 12 months beyond that amended, later date.

However, if the first closing occurs before December 31, 2026, the Sponsor may schedule the closings of title to other units significantly later than such date. Unless your Purchase Agreement contains an outside closing date, the Sponsor is not obligated to schedule your closing within any specified time frame or to ensure that closing of title to your closing within any specified time frame or to ensure that closing of title to your Unit will occur by any date certain.

In the event, however, Sponsor cannot convey title to the Unit on or before eighteen (18) months from the date of the Purchase Agreement, Purchaser shall be offered a right of rescission by written notice which shall give to the Purchaser a 15 calendar day period from receipt of such notice during which Purchaser may rescind the Purchase Agreement. PROSPECTIVE PURCHASERS SHOULD THEREFORE CAREFULLY CONSIDER THE POSSIBILITY OF SUCH DELAYS IN THEIR DETERMINATION AS TO WHETHER TO PURCHASE A UNIT. See Section XII, "Effective Date", Section XI, "Procedure to Purchase" and Section XV, "Rights and Obligations of Sponsor".

7) The Sponsor will not make an application for any tax abatement. See Section XV, "Rights and Obligations of Sponsor", Section IV, Schedule A, "Offering Prices and Related Information" and Section XIX, "Real Estate Taxes".

8) The real estate tax estimates for each Unit were calculated on the assumption that the real estate taxes payable with respect to each Unit for the first year of Condominium operation will be allocated in proportion to each Unit's percentage interest in the Common Elements as set forth in Schedule A. Upon determination of individual tax lots and individual Residential Unit assessments, the New York City tax authorities may allocate taxes between the Residential Units

in proportion to each Residential Unit's purchase price or imputed market value rather than its percentage interest in the Common Elements and, if so, Residential Units having the same or similar percentage interest may pay different real estate taxes and taxes may differ from those set forth on Schedule A. SPONSOR MAKES NO REPRESENTATION THAT THE ASSESSED VALUE OF THE PROPERTY, THE ESTIMATED ALLOCATIONS OR THE TAX RATE WILL NOT BE CHANGED. SPONSOR MAKES NO REPRESENTATIONS REGARDING THE METHODOLOGY WHICH THE TAXING AUTHORITIES WILL USE IN FUTURE TAX YEARS. SPONSOR MAKES NO REPRESENTATION THAT THE ASSESSED VALUE OF THE PROPERTY, THE ESTIMATED ALLOCATIONS OR THE TAX RATE WILL NOT BE CHANGED. PURCHASERS ARE ADVISED THAT THE NEW YORK CITY TAXING AUTHORITIES HAVE IMPLEMENTED SIGNIFICANT INCREASES IN THE TENTATIVE ASSESSED VALUATIONS FOR NEW CONSTRUCTION CONDOMINIUMS WHICH DO NOT APPEAR CONSISTENT WITH THEIR VALUATIONS IN PRIOR YEARS. SPONSOR MAKES NO REPRESENTATIONS REGARDING THE METHODOLOGY WHICH THE TAXING AUTHORITIES WILL USE IN FUTURE TAX YEARS. See Section IV, Schedule A, "Offering Prices and Related Information" and Section XIX, "Real Estate Taxes".

9) Residential Unit plans depicting layouts of Residential Units appear in Part II of the Plan. Purchasers should note that the square footage of each Unit, as reflected in Schedule A and Schedule B and the Floor Plans set forth in Part II of the Plan, is approximate within reasonable tolerances and may change due to field conditions and construction variances and tolerances and same may significantly exceed the actual usable floor area within each unit. Because dimensions listed are based on measurements from exterior walls, and may include columns, interior walls, mechanical pipe shafts, shaft ways, chases, chaseways and conduits which may be incorporated behind protruding walls or may be enclosed as freestanding columns, thereby reducing the available floor area, they do not accurately represent the interior space in the unit and same may significantly exceed the actual useable floor area and may be less than as set forth in Schedule A. Purchaser is entitled to rescission if there are material and adverse changes or variations. A decrease in area of a Unit of 5% or more could be material and trigger a right of rescission for a Purchaser. There is a rebuttable presumption that an area that is decreased by 5% or less is not material. See Section IV, "Offering Prices and Related Information," Section IX, "Changes in Prices and Units" and See Part II, "Floor Plans".

10) Areaways, yards and balconies appurtenant to certain Units, as described in Schedule A and the Floor Plans set forth in Part II of the Plan, will be Limited Common Elements available for the exclusive use of Owners of such Units. A Unit Owner who has areaways, yards and balconies appurtenant to his Unit shall have the exclusive use of same, subject to the right of the Condominium Board to regulate its use, and shall be responsible for all normal maintenance, repairs and replacements thereto. Unit Owners are expressly prohibited from installing paving stones or other materials over the existing surfaces of the roof deck and/or terraces without the prior written consent of the Condominium Board. Such installation must be in accordance with Law and is subject to the provisions of the Declaration and By-Laws regarding alterations. However, the costs and expenses of any structural repairs or replacements caused by the need for such structural repairs to any terrace or roof deck (unless due to damage caused by its Unit Owner), shall be charged to all Unit Owners as a Common Expense. See Section IV, "Offering Prices and Related Information" and See Part II, "Floor Plans".

11) All funds received by the Sponsor for upgrades or extras must initially be placed in the escrow account. Such funds may be released from the escrow account by the escrow agent as long as the Sponsor uses the funds for such upgrades or extras. As a result, in the event the Purchaser is entitled to rescission, the Purchaser will not receive a refund of any funds actually expended for upgrades or extras unless the Plan is abandoned by Sponsor in which case, Purchasers will receive a refund of the funds expended for extras and upgrades. The cost of extras and special work must be paid for in advance by placing the money in the escrow account. It is a special risk to purchasers who rescind their purchase agreements they will not receive back the expended money paid for such work. See Section XI, "Procedure to Purchase" and Section XIII entitled "Terms of Sale".

12) At closing, the Purchaser must pay the Sponsor's attorney fee in the amount of \$3,000.00 to reimburse Sponsor for a portion of its legal fees incurred in connection with the closing of title of the Purchaser's unit. If the closing takes place at a location other than in the Sponsor's counsel's office, the Purchaser will be required to pay to Sponsor's counsel an additional fee of \$500.00 or \$250.00 if the closing is held remotely. If the closing is adjourned through no fault of the Sponsor, the Purchaser will be required to pay to Sponsor's Counsel an additional fee of \$250.00 for each adjournment to defray the cost of scheduling, preparing for, and coordinating the new closing. If the closing venue changes to accommodate a Purchaser's request, extra costs will be added to closing costs. Purchasers of Residential Units shall also reimburse the Sponsor \$2,000.00 each for Sponsor's cost for engineering, architect and expediting fees to create the Condominium ("Creation Costs"). If Sponsor, in its sole discretion, consents to a Purchaser's request for an assignment of the Purchase Agreement, or for the addition, deletion, or substitution of names on the Purchase Agreement, Purchaser shall pay Sponsor's Counsel a fee of \$500.00, payable in advance, for preparation of an assignment agreement. If Purchaser's lenders require a "condo questionnaire" the Purchasers will pay Sponsor's attorney \$150.00 at closing. Purchaser may be required to pay more than one fee with respect to a single unit pursuant to the preceding provisions of the paragraph. Each Purchaser shall be responsible for the payment of fees to his own attorney and the attorney for Purchaser's lender. Purchaser may be required to pay more than one fee with respect to a single unit pursuant to the preceding provisions of the paragraph. See Section XIV, "Closing Costs and Adjustments".

13) Transfer taxes are generally a seller's statutory obligation. However, Sponsor is transferring this obligation to Purchaser pursuant to this offering plan. New York State has made modifications to the New York State Transfer Tax and the New York State Mansion Tax rates under certain circumstances, for transfers in New York City. Tax is computed at a rate of \$2.00 for each \$500.00, or fractional part thereof, of consideration. An additional tax of 1% of the sale price (Mansion Tax) applies to residences where consideration is \$1 million or more. Beginning on July 1, 2019, certain conveyances of real property or interests therein, located in New York City (other than a conveyance made pursuant to a binding written contract entered into on or before April 1, 2019) are also subject to the following New York State taxes: (1) A tax of \$1.25 for each \$500.00, or fractional part thereof, when the consideration for the entire conveyance of residential real property is \$3 million or more ("additional base tax"); (2) An additional base tax of \$1.25 for each \$500.00, or fractional part thereof, when the consideration for the entire conveyance of property other than residential real property is \$2 million or more and (3) A supplemental tax on the conveyance of residential real property, or interest therein, where the consideration is \$2 million or more. The tax rate is an incremental rate between .25% and 2.9% based on the purchase

price. Under the Purchase Agreement and the Offering Plan, Purchasers are required to pay these taxes as a closing cost, if applicable. In computing the total consideration for purposes of determining the total transfer taxes due, the transfer taxes (NYC and NYS) must be added to the purchase price and then recalculate the tax due. Purchaser must pay the New York State transfer tax and the New York City transfer tax in the amount of 1.0% if the price is less than \$500,000.00 and 1.425% of the purchase price if the price is greater than \$500,000.00, and any title company fees, RPT filing fees, and/or ACRIS fees, associated with the preparation and/or recording of the transfer tax documents. New York State Tax Law Section 1404(a) has been amended effective as of July 1, 2021. This amendment applies to transactions dated on or after July 1, 2021 other than conveyances that are made pursuant to binding written contracts entered on or before April 1, 2021, provided that the date of execution of such contract is confirmed by independent evidence, such as the recording of the contract, payment of a deposit or other facts and circumstances as determined by the commissioner of taxation and finance. Under the revised law, if the conveyance is of residential real property and the grantee pays the NYS transfer tax, the NYS transfer tax is no longer included as a part of the taxable consideration, and the ultimate NYS transfer tax to be paid by the grantee is no longer “grossed up.” The requirement to “gross up” the taxable consideration has now been eliminated when calculating New York State Real Estate Transfer Tax (RETT) and Mansion Taxes on the conveyancing of a one to three family residential dwelling, an individual residential condominium and an individual residential cooperative unit, or interests therein, when the contract of sale places the burden of such transfer tax upon the grantee. Grossing up for purposes of calculating NYC RPT are not subject to this amendment to the New York State Tax Law. See Section XIV, “Closing Costs and Adjustments”.

14) If Purchaser obtains a mortgage loan for the purchase of the Unit (the “Purchase Money Mortgage”), the Purchaser will pay to Sponsor a sum equal to the partial mortgage tax credit to which Purchaser may be entitled pursuant to Section 339-ee(2) of the Condominium Act, which sum will be paid as a reimbursement for the mortgage recording tax previously paid by Sponsor in connection with any existing mortgage(s). See Section XIV, "Closing Costs and Adjustments".

15) No bond or other security has been furnished to secure the performance of Sponsor's obligations. Sponsor does represent that it has the financial resources to meet its obligations under this Plan and with respect to Unsold Units. Sponsor will utilize its own funds in order to fund its financial obligations to the Condominium. Sponsor will promptly amend the Offering Plan and the Purchasers will be offered rescissions if the Sponsor cannot perform its obligations. See Section XV, "Rights and Obligations of the Sponsor".

16) Sponsor may control the Condominium Board during the Sponsor Control Period until the earlier of (a) five years from the First Closing or (b) the closing of 75% of the Units to Purchasers under this Plan, whichever is sooner. Until Sponsor relinquishes control, the Sponsor has the right to appoint a majority of the Members of the Board and therefore control such Board unless the Sponsor voluntarily relinquishes such right prior to the expiration of such period. During the period that Sponsor controls the Condominium Board, Sponsor will have control of maintenance, facilities and services to be provided to Unit Owners and will determine the Common Charges to be paid by all Unit Owners and such charges will be consistent with Schedule B. Notwithstanding, during the Sponsor Control Period, all services and repairs provided to the Condominium will be kept consistent with the disclosures in Schedule B or for repair or replacement necessary for the

preservation or safety of the Building or for the health safety of occupants of the Building or required to avoid the suspension of any necessary service to the Building. After the Sponsor Control Period, Sponsor may continue to control the Condominium Board if it owns enough units and therefore has sufficient votes to elect a majority of the members of the Board, which may include itself. Sponsor cannot recapture control after it relinquishes control of the Condominium Board; however, it may cast all of its vote. See Section XVII, “Board of Managers”.

Until Sponsor and Sponsor-designees convey title to all Units but in no event later than five years after the First Unit Closing, Sponsor has the right to veto any action of the Board of Managers to (i) make any addition, alteration, improvement at or to or change in or to Common Elements, any Unit or the Buildings, (ii) hire or replace any employee, (iii) enter into, modify or terminate prior to the end of the term any management, service or maintenance contract, (iv) borrow money on behalf of the Condominium, or (v) amend the By-laws. Sponsor may not veto any expenses described in Schedule “B” or over expenses required: (a) to comply with applicable laws or regulations; (b) to remedy any notice of violation; (c) to remedy any work order by an insurer; or (d) that affect the health and safety of the occupants of the building. Sponsor may exercise veto power over expenses other than those previously described, if the plan so provides, for a period ending not more than five years after the closing of the first unit or whenever the unsold units constitute less than 25 percent of the common interest, whichever is sooner. (See the Section XVI entitled “Control By Sponsor”).

17) Adjustments for prepaid expenses between the Sponsor and the Board of Managers may be deducted only from the working capital fund. Net adjustments for prepaid expenses, if in favor of the Sponsor, are to be paid from the working capital fund. There will be a minimum working capital fund totaling the aggregate of 2 months of common charges regardless of the amount of adjustments. In the event that the Working Capital Fund is not sufficient to cover any adjustment in favor of the Sponsor, common charges will be increased to cover any such shortfall. See Section XXII, “Working Capital Fund”.

18) The cellar area, balconies and terraces are not to be used for habitable space as defined by the NYS Building Code or rented independently. Further, accessory rooms in the cellar, including portions of any Units, may not be used for bedrooms, dining rooms, or any other use considered a “habitable” space as defined by the New York State Building Code. Rental use or use as living or sleeping quarters may result in Environmental Control Board (ECB) violation being issued by the New York City Department of Buildings, which would be the responsibility of the unit owner to cure. Further, the storage spaces/areas, located at the cellar level, may not be used for combustible items as identified in the Building Code. No storage of clothing, furniture, books, papers or any combustible items will be permitted. Storage of recreational, exercise, and sports related equipment will be permitted in these areas. Cellar space has less light and air than ordinary living space and it is more susceptible to dampness. Cellar is Accessory Use Only – Not to be used for Sleeping, Cooking and/or Living purposes and will not be rented independently. See “Schedule A” in Section IV of the Plan, Section II, “Description of Property and Improvements” and Schedule B and the Floor Plans set forth in Part II of the Plan.

19) Sponsor may abandon the plan at any time before the plan is declared effective. The Sponsor is under no obligation to declare the Plan effective until 80% of the Units (4 units) are in

contract and therefore, prospective Purchasers who enter into a Purchase Agreement may ultimately have the Purchase Agreement cancelled by Sponsor in the event that Sponsor abandons the Plan. In the event that Sponsor abandons the Plan and cancels Purchase Agreements, all Purchasers will receive a refund of the Down Payment and any funds deposited for special work or upgrades within five (5) days of the filing of an amendment by Sponsor abandoning the Plan. See Part I, Section XII “Effective Date”.

20) The insurance policy to be procured by Sponsor for the Condominium does not include fidelity bond, rent insurance or excess liability but may be purchased for an additional premium. The policy also does not include fire and casualty losses to unit contents, replacements, additions, fixtures and improvements, and liability coverage for occurrences within the unit or, where applicable, on limited common elements. The consequence of not obtaining such additional insurance is that in the event of any uncovered claim or damage the Board may need to assess a special assessment to the unit owners to be able to pay for the claim and or damage. Purchasers should note that it is desirable to obtain additional insurance at their own cost to cover such risks. See Schedule B in Section V entitled “Projected Budget”.

21) All deposits, Down Payments, or advances made by purchasers prior to closing of each individual transaction, whether received before or after the date of consummation of the plan, must be placed within five business days after the agreement is signed by all necessary parties, in an escrow account in the Eial Girtz PC Attorney Trust Account, maintained at Peapack-Gladstone Bank, 500 Hills Drive, Suite 300, PO Box 700, Bedminster, NJ 07921-1538, which account is covered by Federal Bank Deposit Insurance up to \$250,000.00. If Purchasers have accounts at the same bank as Sponsor’s account that holds the escrowed funds, Purchaser’s funds at the escrow bank factor into the \$250,000.00 insurance limit. See Section XI of the Plan entitled “Procedure to Purchase”.

22) The Budget for the first year of condominium operation does not include a projected expense for management. Until the Sponsor relinquishes control of the Condominium, the Sponsor Controlled Board shall manage the Condominium. After the Sponsor Control Period, the Condominium Board may either self manage the Condominium or retain an outside management company to manage the Condominium. In the event that the Board of Managers elects to hire an independent managing agent in the future, such expense will cause an increase in the budget and individual common charges by at least 30%. See Section V, Schedule B, “Projected Budget for First Year of Condominium Operation”.

23) Prior to Closing of Title, a Purchaser is prohibited from listing the Unit for sale or rental either through a real estate broker or from advertising, or otherwise offering, promoting or publicizing the availability of the Unit for sale or rental, without Sponsor’s prior written consent. Sponsor may withhold consent for any reason or for no reason. Purchaser’s violation of this provision will be deemed a breach under the terms of the Purchase Agreement and as a consequence, will entitle the Sponsor to cancel the Purchase Agreement and retain the Down Payment as liquidated damages. See Section XI, “Procedures to Purchase”.

24) At closing the Sponsor and Purchaser shall agree on a punch list containing unfinished items which Sponsor is required to complete pursuant to the offering plan. The list is to be signed

by both parties, and will contain a provision in which the Sponsor agrees to complete said item within a reasonable time, not to exceed ninety (90) days, unless such delay is due to such factors as are out of the control of the Sponsor, in which case the Sponsor will complete such items as soon as possible thereafter. No escrow will be established for unfinished items. A form punch list is annexed in Part II of the Plan. See Section XI, "Procedures to Purchase".

25) At the present time and under current zoning, there are no air rights that can be sold to adjoining properties. In the event of a zoning change, the Sponsor will amend this plan to disclose the maximum amount of space or the maximum number of stories that may be added to adjoining properties from the sale of air rights from this property. In the event that Sponsor transfers air rights, the subject building cannot be expanded in the future, or, any future expansion will be limited as a result of Sponsor retaining or selling air rights. The maximum space or stories that may be added to adjoining buildings as a result of Sponsor selling air rights must be disclosed by Sponsor in an amendment to this Offering Plan prior to the plan being declared effective. Notwithstanding, additional space or stories may be added from the transfer of air rights from other properties to the adjoining properties and the Sponsor makes no representations with respect to the sale of air rights from other buildings. The expansion of adjoining buildings may affect light and air to the Condominium. Sponsor may transfer, but not use, the inchoate development rights to expand the building. However, at the present time and under current zoning, there are no air rights that can be sold. See Section XXV, "Reservation of Air and Development Rights".

26) The risk of loss from fire or other casualty remains with the Sponsor unless and until a purchaser takes actual possession of a Unit pursuant to an interim lease or legal title to the unit has been conveyed to the Purchaser. A person who takes possession prior to closing assumes the risk of losses not covered by insurance. Because a purchaser in possession may not be able to obtain insurance, insurance proceeds may be unavailable in the event there is damage to the unit and Purchaser is required to make repairs. Purchasers may not be able to obtain a mortgage commitment or financing on a damaged unit. Therefore, a Purchaser taking possession of a Unit prior to closing should obtain insurance to cover personal property in the Unit. See Section XI, "Procedure to Purchase".

27) Hot water is provided for each Unit by a dedicated natural gas hot water heater located in the cellar. Each unit's respective owner will be responsible for costs of maintenance and replacement of the hot water heaters. The hot water heater units are approximately six (6) years old and appear to be in fair condition. They are not provided with a warranty by Sponsor. See Section II, "Description of Property and Improvements".

28) In the event that the Sponsor consents to an extension of a closing date, all adjustments as set forth in the section of the Plan entitled "Closing Costs and Adjustments" shall be made as of midnight of the date preceding the date originally set for closing (regardless as to when the closing actually happens) and further, Purchaser shall pay to Sponsor, the sum of .03% of the Purchase Price for that Unit for every day starting from the originally scheduled closing date through, and including, the day before the actual closing date (10.95% Annual Percentage Rate). This payment is intended to reimburse the Sponsor for carrying charges incurred during the extension period. If Sponsor adjourns the closing due to fault of the Purchaser, this provision shall apply to the adjourned closing date to be determined by Sponsor. The interest rate charged will not exceed

NYS usury charges. See Section XI, “Procedure to Purchase” and “Purchase Agreement”.

29) The obligations of a Purchaser under a Purchase Agreement are not conditioned on obtaining financing. Any prospective purchaser who executes a Purchase Agreement and does not obtain financing may lose his or her deposit if he or she is unable to otherwise raise the monies for the balance of the purchase price. A Purchase Agreement is not contingent on financing unless a financing contingency is agreed to by the Sponsor. A form Financing Contingency Rider is attached as Part II of this Plan. Sponsor must consent to a mortgage contingency prior to Purchaser executing same. If Purchaser has executed a Financing Contingency Rider to the Purchase Agreement and the Sponsor consents to a Financing Contingency Rider, and the Purchaser subsequently fails to obtain financing, such failure to obtain financing will relieve the Purchaser from the obligation to close under the Purchase Agreement provided that the Purchase has complied with the terms and condition of the Finance Contingency Rider as set forth below. Sponsor must first consent to a Financing Contingency Rider and same will be agreed to by Sponsor on a case by case basis. Prospective purchasers who require financing are advised to consult with a lending institution before execution of a Purchase Agreement. No representation is made by the Sponsor as to the availability or cost of such financing. Under New York law, when a mortgage commitment is not fulfilled through no fault of Purchaser, performance is excused. If Purchaser acts in good faith and lender revokes a commitment after the contingency period expires, performance is excused. See Section XI, “Procedure to Purchase”.

30) Sponsor reserves the right to cause the Condominium Board to delay the collection of Common Charges to any Unit Owner for so long as Sponsor pays the actual Condominium expenses, in lieu of Common Charges. In the event that Sponsor makes such election: i) Common Charges will not be assessed by the Board of Managers to any Unit Owners, ii) Sponsor shall disclose such information in the post-closing amendment to the Plan, and shall set forth the anticipated length of such delay period, and such information will be disclosed in the closing notice or statement to Purchasers; iii) Sponsor shall provide at least thirty (30) days written notice of the expiration of the delay period and shall disclose such notice in an amendment to the Plan; (iv) during any such delay period, the Sponsor will timely pay all expenses of the Condominium, including but not limited to insurance premiums and any reserve fund payments and such expenses shall not include individual unit owner expenses such as real estate taxes, utility charges, etc.; (v) upon the commencement of the collection of Common Charges, there will not be an assessment for any item set forth in the approved budget for the Condominium; and (vi) the Sponsor shall remain obligated to update the budget for the Condominium. See “Notes to Schedule A” in Section IV of the Plan.

31) Purchaser waives any right to trial by jury as well as court proceeding. Any matter required or permitted to be determined by arbitration pursuant to the terms of the Condominium Documents including but not limited to disputes regarding the Purchase Agreement and disputes between Unit Owners and the Board shall be submitted for resolution by a single arbitrator in a proceeding held in New York City, New York, in accordance with the then existing rules of the American Arbitration Association or any successor organization thereto. The arbitrator will be an independent third party unrelated to either party. By signing the Purchase Agreement, Purchaser waives any right to trial by jury in any action, proceeding or counterclaim in any way connected with this Agreement or the Plan. The Plan does not require that disputes regarding the return of

contract deposits or other disposition of escrowed funds be submitted to arbitration. The fees, costs and expenses of the arbitrator shall be borne by the losing party in the arbitration or, if the position of neither party to the dispute shall be substantially upheld by the arbitrator, such fees, costs and expenses shall be borne equally by the disputants. Each disputant shall also bear the fees and expenses of his counsel and expert witnesses. See Section XI, “Procedure to Purchase” and Part II, “By-Laws”.

32) Pursuant to the Geographic Target Order (the “Order”) issued by the Director of the Financial Crimes Enforcement Network (“FinCEN”), title companies are now required to collect and report information regarding purchasers in transactions where: (1) the purchaser is a legal entity as defined in the Order; (2) the purchaser purchases residential real property located in the Boroughs of Brooklyn, Queens, Bronx, Manhattan and Staten Island; (3) the total purchase price is in the amount of Three Hundred Thousand Dollars (\$300,000.00) or more; (4) such purchase is made without a bank loan or other similar form of external financing; and (5) the purchase is made, at least in part, using currency or a cashier’s check, a certified check, a traveler’s check, a personal check, a business check, or a money order in any form, a funds transfer, or virtual currency. This affects all residential real property closings meeting the above criteria and occurring on or after October 9, 2025 for so long as the Order remains in effect. A copy of the Order is available here:

<https://www.fincen.gov/system/files/2025-10/RRE-GTO-Order.pdf> See Section XI “Procedure to Purchase”.

33) The Tax Cuts and Jobs Act of 2017 is currently in effect and significantly changes the rules pertaining to the deductibility of mortgage interest and real estate taxes. As such, purchasers are urged to consult with their tax preparer or CPA to determine if they are eligible for any tax deductions as a result of mortgage interest or finance charges incurred in connection with a mortgage on their Unit. The most relevant changes to the tax code as same would affect a purchaser are (a) the itemized deduction for real estate taxes and state and local taxes is capped at a total of \$10,000.00 per year and (b) mortgage interest is only deductible up to a mortgage amount of \$750,000.00. However, the deduction for real estate taxes and state and local taxes has been temporarily increased to \$40,000.00 for married filing jointly or single filers (\$20,000.00 for married filing separately) effective for tax years beginning in 2025 until 2029 pursuant to the One Big Beautiful Bill Act (H.R.1). Sponsor, nor its counsel, make no representations that mortgage interest and real estate taxes will be deductible from Purchaser’s income taxes. Prospective Purchasers should consult with their respective experts regarding the tax consequences of purchasing a Condominium Unit. See Section XIX, “Real Estate Taxes”.

34) The Condominium will not employ any labor and janitorial services will be provided by an independent contractor. The expense of such independent janitorial services has been accounted for and is already included in the budget. See Section V, Schedule B, “Projected Budget for First Year of Condominium Operation” and Notes to Schedule B.

35) The Sponsor obtained construction financing from First Republic Bank, which was assigned to JPMorgan Chase Bank, National Association, with an address at 700 Kansas Lane, MC 800, Monroe, LA 71203, in the aggregate amount of \$1,500,000.00. There is no obligation by

Sponsor's lender on Sponsor to sell rather than rent any Units. The lien of the Sponsor's lender will be released at the first Unit Closing. See Section I, "Introduction".

36) Pursuant to New York City Local Law 147, which was implemented on August 28, 2018, the owner of each building in New York City with three or more residential dwelling units must establish a written smoking policy for the building. In the context of condominiums or cooperatives, Local Law 147 defines "owner" as the board of managers or board of directors, respectively. Smoking is prohibited in the interior common elements, the outdoor common elements, outdoor limited common elements and inside of the residential units. The Condominium's smoking policy is attached to the Purchase Agreement and By-Laws in Part II of the Plan. See Section XVIII, "Rights and Obligations of Unit Owners."

37) "Force Majeure" shall mean delays caused by weather, casualty, an act of God, fire, flood, explosion, war, riot, sabotage, inability to procure or general shortage of energy, labor, equipment, facilities, materials or supplies in the open market, failure of transportation, strike, lockout, action of labor unions, pandemic, virus, COVID19 or any other cause (whether similar or dissimilar to the foregoing) not within the reasonable control of Sponsor. Sponsor shall be excused from performing any obligation or undertaking provided for in this Agreement for so long as such performance is prevented, delayed or hindered by Force Majeure. Sponsor's time to perform such obligation or undertaking shall be tolled for the length of the period during which such performance was excused. Purchaser's time to perform its obligations under the Purchase Agreement also may be tolled during the tolling period. Sponsor may not limit any rights which Purchaser may have pursuant to Art. 23A of the GBL, NYCRR regulations, and the Offering Plan, except as determined in a final decision or order by a court of competent jurisdiction or any governmental agency or by executive order and that Purchaser may be entitled to. **Purchasers are advised that executing a Purchase Agreement that includes the foregoing provisions may impact the Purchaser's ability to close on her/his unit in the time frame originally contemplated in the Purchase Agreement and may limit the Purchaser's remedies for any such delay in the closing date. The Attorney General strongly recommends that Purchasers consult with their attorneys regarding any risks associated with executing a Purchase Agreement containing the foregoing provision prior to executing the Purchase Agreement.** See Section XI, "Procedure to Purchase" and "Purchase Agreement".

38) An uncured default under the purchase agreement shall be deemed a default under the Interim Lease and an uncured default under the Interim Lease shall be considered a default under the purchase agreement and will permit Sponsor to cancel the purchase agreement in accordance with its terms. The Purchaser-tenant will be required to vacate the Unit occupied under the Interim Lease within thirty (30) days after notice is sent of Sponsor's intent to cancel the Purchase Agreement, provided that the Purchaser-tenant fails to cure any such default within the applicable grace period, if any, with TIME BEING OF THE ESSENCE. Before a default under the Interim Lease may be declared a default under the purchase agreement, either (i) the sponsor must obtain an order of eviction or other judgment or order from a court or agency of competent jurisdiction against the Purchaser-tenant, or (ii) the Purchaser-tenant must have vacated the Unit. Sponsor must make a written demand for payment after default at least 30 days before forfeiture of the deposit may be declared. See Section X, "Interim Leases".

39) Sponsor has retained Serhant as the Selling Agent for this property. Serhant is a reputable real estate firm with substantial experience selling condominiums in New York City. Serhant is located at 372 West Broadway, New York, NY 10012. Serhant nor its principals have not had any prior felony convictions nor any convictions, injunctions or judgments against it or its principals that have occurred in the 15 years prior to submission of the offering plan that may be material it, or an offering of securities generally. Serhant has no other relationship with Sponsor other than acting as Sponsor's Selling Agent. Serhant is the only broker or sales agent with whom Purchaser has dealt with and Sponsor agrees to pay any commission due to said broker. See Section XXIV, "Identity of Parties".

**The 187 Pulaski Street Condominium
187 Pulaski Street
Brooklyn, New York 11206**

PART I

SECTION I. INTRODUCTION

This is an offering plan for the sale of Units in the 187 Pulaski Street Condominium. The purpose of this offering plan is to set forth all the material terms of the offer. The plan may be amended from time to time when an amendment is filed with the New York State Department of Law. Amendments will be served on all offerees as defined in 13 NYCRR 20.1(d). The Condominium is subject to and complies with the New York Condominium Act and Part 20 of Title 13, New York Code of Rules and Regulations.

The statute concerning condominiums in effect in the State of New York pursuant to which the Condominium will be organized is Article 9-B of the Real Property Law of the State of New York, as amended, commonly known, and hereinafter referred to as the “Condominium Act.” The Property will be submitted to the provisions of the Condominium Act by Sponsor’s recording of the Declaration in the City Register’s Office. From and after the date of recording the Declaration, Sponsor will be the owner of the Units until each is sold or conveyed. The Condominium will comply with all statutes and regulations applicable to condominiums in the State of New York.

The Sponsor hereby presents this offering plan (“Plan”) for the establishment of condominium ownership of the land together with the building thereon known as and having a street address of 187 Pulaski Street, Brooklyn, New York 11206 pursuant to the terms of Article 9-B of the Real Property Law of the State of New York (“Condominium Act”).

The Sponsor is 187 Pulaski LLC, a limited liability company organized under the laws of the State of New York, with an address at 11 Grace Avenue, Suite 108, Great Neck, NY 11021 and 6 Pulaski 7 LLC, a limited liability company organized under the laws of the State of New York, with an address at 8 Foxwood Road, Great Neck, NY 11021. Sponsor acquired the property from John C. Clinkscales aka John C. Clinkscale with an address at 196 Hart Street, Brooklyn, NY 11206 on December 1, 2016. The property was vacant land when Sponsor acquired it and Sponsor constructed a new building in 2017-2019. The building’s structure remains as it was designed and built in 2019. No filings or work have taken place regarding the structure since then and there shall be no changes to it. There will be no renovations to the property. The roof was installed around 2017-2019. There is no roof warranty. The roof appears in fair condition and as expected for a roof installed approximately six (6) years ago. Roofs typically have a 10-15 year span when maintained properly. The windows are provided with no warranty. There shall be no warranty on the HVAC equipment. It is assumed that the intercom is no longer under warranty as it was installed in 2019 and intercoms generally only have 1 to 3 year manufacturer’s warranty periods. There is no warranty on the fire alarm. All finishes within the Units will be the finishes installed in the construction in 2019 and are approximately six (6) years old. The walls, ceiling and floors shall be sold in as-is condition. The walls and ceilings are in fair condition with standard wear and tear for a building of this age. The bathrooms finishes shall be sold in as-is condition. Sponsor is

selling the Units unfurnished and as-is except Sponsor is doing cosmetic work to the property including painting, changing cabinets in the kitchen, changing countertops, changing appliances, changing vanity and bathroom fixtures and sanding the floor. A final Certificate of Occupancy, CO number 321184106F, was issued on January 13, 2021 for the property. A new Certificate of Occupancy is not required or being pursued as part of this conversion.

Sponsor previously operated the property as a rental building. The building was not and is not subject to any rent stabilization, rent control or other tenant protection statutes. Rentals at the property began in 2019. All tenants vacated the building by July, 2025 and the building is now vacant. All tenants were given notice that their lease would not be renewed at least six (6) months prior to the expiration of the lease for each tenant. The following is a summary of how each unit became vacant:

- Unit 1 – lease expires September 30, 2025 and the tenant vacated on March 17, 2025
- Unit 2 – lease expired on May 31, 2025 and the tenant vacated on March 31, 2025
- Unit 3 – lease expires on August 31, 2025 and the tenant vacated on July 20, 2025
- Unit 4 – lease expired on July 31, 2025 and the tenant vacated on June 25, 2025

The Sponsor is offering four (4) Residential Units located in one, four (4) story building with cellar. The price for each of the Units is listed in the section of the Plan entitled “Schedule A – Purchase Prices and Related Information”.

Window screens and window guards will not be provided by Sponsor.

Sponsor is providing those appliances and equipment set forth in the Architects Report included in Part II of this Plan. The Offering Price is not conditioned on any equipment or fixture being selected.

No off-street parking spaces will be provided. There is limited alternate side of the street and metered parking.

No recreational facilities will be provided. The roof area shall be designated as a common element for the purpose of providing access to all unit owners for maintenance and repair. The Common Elements are not offered for sale.

There will be no amenities provided in the building. The lack of amenities was accounted for when the budget was created and therefore there will be no change in the budget or common charges during the second year of operations.

There are restrictions on unit owner’s usage of areaways, yards and balconies as described in Section IV, “Offering Prices and Related Information”, the Schedule A contained herein and Part II, “Floor Plans”. Yards, storage and balconies are allocated to certain units as described in the sections mentioned below. Unit 1 shall have the exclusive use of an areaway and rear yard as

a limited common element. Unit 2 shall have the exclusive use of a Juliet balcony as a limited common element. Units 3 and 4 shall have the exclusive use of two (2) balconies as a limited common element. All limited common elements are subject to the right of the Board of Managers to regulate its use, and shall be responsible for all normal maintenance, repairs and replacements thereto. The use of the areaways, yards and balconies are limited to recreational use. No structures may be erected in these areas without the consent of the Board. Any Unit Owner who owns a unit that does not have areaways, yards and balconies appurtenant to his Unit shall be restricted from using those areas. These spaces are as described in the Schedule A and Part II "Floor Plans".

Sponsor will endeavor in good faith to sell rather than rent the Units. The plan may not be declared effective unless bona fide purchasers, including investors, have signed purchase agreements for at least one (1) unit which represents at least fifteen (15%) percent of the units offered under the plan. However, Sponsor is retaining the unconditional right to rent rather than sell the Units after plan consummation. As a result, this plan may not result in the creation of a Condominium in which a majority of the Units are owned by owner-occupants or investors unrelated to the Sponsor. Purchasers for their own occupancy may never gain voting control of the Board of Managers under the terms of this plan. If Sponsor makes a bulk sale of all or some of its unsold Units, the transferee successor Sponsor shall be bound by the representations and terms in this paragraph.

Purchasers should note that in the current real estate market, banks and other lenders are imposing various restrictions on purchase financing. Such restrictions include requiring that a certain percentage of apartments in a building or group of building be sold before a lender will consider making a loan. Thus, it may be possible for a purchaser to experience difficulty obtaining a loan in a building or group of buildings where the sponsor or holder of unsold shares has not sold a substantial percentage of the apartments in the building or group of buildings, which in some cases may be as high as 70%. Moreover, some lenders will not provide financing in a building or group of buildings where an investor other than the original sponsor has an ownership interest of 10% or more. It also may be difficult for a purchaser to resell an apartment if prospective buyers are unable to obtain a loan due to the same minimum sales and investor ownership restrictions.

The Sponsor obtained construction financing from First Republic Bank, which was assigned to JPMorgan Chase Bank, National Association, with an address at 700 Kansas Lane, MC 800, Monroe, LA 71203, in the aggregate amount of \$1,500,000.00. There is no obligation by Sponsor's lender on Sponsor to sell rather than rent any Units. The lien of the Sponsor's lender will be released at the first Unit Closing.

In the event that the Sponsor rents Units and subsequently sells the Units, such Units that have been previously rented will be sold in the condition contemplated in this Offering Plan (renovated and new). However, Sponsor may not rent any Units prior to plan consummation.

The basic aspects of Condominium ownership include the following:

The ownership of a Unit is similar in many respects to the ownership of a private home. Each Unit Owner owns fee title to such Unit Owner's Unit and is therefore entitled to the exclusive possession and the exclusive use of the Limited Common Elements as set forth in Schedule A of

this Plan, if any, appurtenant to such Unit Owner's Unit. A Unit Owner also owns, in common with the owners of all other Units, an undivided interest in (and right to use) the Common Elements, in common with the owners of all other Units.

The Limited Common Elements of the Condominium appurtenant to each unit are as follows:

- | | |
|---|--------------------------------------|
| 1 | Areaway (110 sf); Rear yard (600 sf) |
| 2 | Juliet balcony (1 sf) |
| 3 | Balcony (29 sf); Balcony (29 sf) |
| 4 | Balcony (29 sf); Balcony (29 sf) |

All other areas of the building which are not located within a Unit are Common Elements.

The floor plans in part II of the Plan set forth the size and location of each of these areas.

The undivided interest in the Common Elements, expressed as a percentage, (the "Common Interest") has been determined upon the basis of each Unit's floor space, location, uniqueness, overall dimensions and similar factors of relative values to other Units in the Condominium. These allocations have been made pursuant to the Condominium Act.

Each Unit Owner is obligated to comply with the declaration, the By-Laws, rules and regulations of the Condominium and any other requirement of the Board of Managers. A Unit Owner may decorate the interior of such Unit Owner's Unit in any way desired except as otherwise provided herein, subject to compliance with the By-Laws, the Rules and Regulations, and Law, and will be solely responsible for the cost of Maintenance and interior repairs to such Unit Owner's Unit after Closing. Each Unit owner is responsible for maintenance and repairs and for casualty and liability insurance for his Unit, as distinguished from the obligations of the Board of Managers with respect to the Common Elements and Limited Common Elements.

After the closing of title to a Unit, a Unit Owner must obtain and maintain casualty insurance with respect to the fixtures, equipment and personal property and improvements and betterments situated within such Unit Owner's Unit, as well as liability insurance with respect to occurrences in or about such Unit Owner's Unit. The By-Laws require that each Unit Owner maintain such insurance coverage. The Board of Managers will be solely responsible for maintaining casualty and liability insurance with respect to the Common Elements, in accordance with the provisions of the By-Laws. All Unit Owners must comply with the terms of the Declaration, By-Laws, Rules and Regulations and any other requirement of the Board of Managers. See the Section entitled "Rights and Obligations of Unit Owners and the Board of Managers" for a more complete discussion of the foregoing.

After the Units are separately assessed, each Unit will be taxed as a separate tax lot for real estate tax purposes, and no Unit Owner will be responsible for the payment of, nor will such Unit Owner's Unit be subjected to any lien arising from the nonpayment of, real estate taxes on other Units. Refer to the opinion of Eial Girtz, Esq., counsel to Sponsor, set forth herein, for a discussion regarding the deductibility for federal, New York State, and New York City income tax purposes,

of real estate taxes and the interest paid on a mortgage, if any, on a Unit.

The Board of Managers will be responsible for deciding all matters affecting the Building. Unit Owners will have the right to vote for members of the Board of Managers. Sponsor will control the Board of Managers during the Sponsor Control Period. Refer to the Sections of the Plan entitled “Control by Sponsor” and “Board of Managers” in Part I of the Plan for further details.

As more particularly set forth in the By-Laws, the Board of Managers will determine the amount of Common Expenses. On a monthly basis or at such other times as the Board of Managers determines, the Board of Managers will assess Unit Owners for Common Charges to meet Common Expenses. Such charges will be assessed against Unit Owners in proportion to their respective Common Interests except as otherwise determined by the Board of Managers or in accordance with the Condominium Act.

Generally, the cost of operating the Common Elements will be borne by the Unit Owners in proportion to their respective Common Interests except as otherwise may be provided in Schedule B “Projected Budget for First Year of Condominium Operation” in Part I of the Plan or in accordance with the terms of the By-Laws. Unit Owners must pay common charges in accordance with the New York Condominium Act, Real Property Section 339-(i) and (m).

The cost of improvements, repairs, replacements, alterations and additions to the Building will be determined by the Board of Managers and assessed against all Unit Owners in proportion to their respective Common Interests. The estimated Common Charges for each Unit for the first year of Condominium operation are set forth in Schedule B. Purchasers should note, that in view of the current energy situation, and the fact that energy costs have fluctuated greatly, it is not possible to predict with any certainty whether the budgeted amount for energy costs will be sufficient to pay for the actual costs incurred in the first year of Condominium operation. See Schedule B-1 for further details.

Subject to certain conditions contained in the By-Laws, each Unit Owner may mortgage such Unit Owner’s Unit with such lender and in such amount as the Unit Owner chooses. However, Sponsor makes no representations about the financiability of any Unit. Each Unit is separate and is not subject to the lien of any mortgage placed by other Unit Owners on their respective Units.

The Board of Managers does not have the right to approve or disapprove purchasers and the Board of Managers does not have a right of first refusal to purchase or lease a Unit in the event that an Owner desires to sell or lease same. There are no restrictions on use, resale, or leasing of the units in this plan. There is no limit on the number of owners who may purchase for investment rather than for personal occupancy and there may always be a substantial percentage of owners who are nonresident. There are no limitations on who may purchase Units. Under the New York Real Property Law, a condominium unit may be owned by an individual, a corporation, a partnership, a limited liability company, an association, a trust or any other entity which is permitted to take title pursuant to New York law. Sponsor hereby reserves the right at any time and from time to time for any reason whatsoever, without the consent of the Board of Managers,

any Unit Owner, or mortgagee, to refuse to approve and execute a Purchase Agreement for any Unit; provided, however, that, in either event, Sponsor shall not discriminate against any person because of race, creed, color, sex, disability, marital status, age, ancestry, national origin or other ground proscribed by law. No binding obligation will arise for the sale of a Unit unless and until a Purchase Agreement executed by both Purchaser and Sponsor, has been exchanged and Sponsor has collected the funds constituting Purchaser's required Down Payment thereunder (see the Section entitled "Procedure to Purchase" for more details). Sponsor will not accept an offer of purchase from an individual younger than eighteen (18) years of age or an incompetent under law.

Sponsor may not rent any unit in the condominium prior to consummation of the offering plan.

The Sponsor has not entered into any contracts or agreements and no funds, deposits or advances have been accepted or received from any Purchasers whatsoever as of the date the Plan is accepted for filing.

THE PRICES STATED HEREIN ARE NOT SUBJECT TO APPROVAL BY THE DEPARTMENT OF LAW OR ANY OTHER GOVERNMENT AGENCY.

The offering plan delivered to the prospective purchasers contains all of the material terms of the transaction. Copies of the plan, all documents referred to in the plan and all Exhibits submitted to the Department of Law in connection with the filing of the plan will be available for inspection without charge and for copying at a reasonable charge to prospective purchasers and their attorneys at the office of the Selling Agent or Sponsor. The Offering Plan and all Exhibits are also available for inspection without charge, and copying at an additional charge, at the NYS Department of Law, 28 Liberty Street, New York, NY 10005.

THE PURCHASE OF A CONDOMINIUM UNIT HAS MANY SIGNIFICANT LEGAL AND FINANCIAL CONSEQUENCES. THE ATTORNEY GENERAL STRONGLY URGES YOU TO READ THIS OFFERING PLAN CAREFULLY AND TO CONSULT WITH AN ATTORNEY BEFORE SIGNING A PURCHASE AGREEMENT.

The property was vacant land when Sponsor acquired it and Sponsor constructed a new building in 2017-2019. The building's structure remains as it was designed and built in 2019. No filings or work have taken place regarding the structure since then and there shall be no changes to it. There will be no renovations to the property. The roof was installed around 2017-2019. There is no roof warranty. The roof appears in fair condition and as expected for a roof installed approximately six (6) years ago. Roofs typically have a 10-15 year span when maintained properly. The windows are provided with no warranty. There shall be no warranty on the HVAC equipment. It is assumed that the intercom is no longer under warranty as it was installed in 2019 and intercoms generally only have 1 to 3 year manufacturer's warranty periods. There is no warranty on the fire alarm. All finishes within the Units will be the finishes installed in the construction in 2019 and are approximately six (6) years old. The walls, ceiling and floors shall be sold in as-is condition. The walls and ceilings are in fair condition with standard wear and tear for a building of this age. If the NYS Building Code is violated by a Unit Owner, the entire building may be issued a violation, which may be accompanied by a monetary fine. Cellar is Accessory Use Only – Not to be used for Sleeping, Cooking and/or Living purposes and will not be rented independently.

No assurance can be given with regard to the accuracy of any projected completion dates set forth herein. Sponsor shall not allow conditions at the building to fall below the warranty of habitability, as required by law.

The Good Cause Eviction Law, enacted as part of the 2019 Housing Stability and Tenant Protection Act and clarified in later amendments, does not apply to buildings constructed after January 1, 2009. Since the subject building was built after this date, it is exempt from the requirement to provide "good cause" for non-renewal or eviction, meaning landlords can choose not to renew a lease without providing a specific reason, unless other regulations apply.

The building is not subject to any tax abatement or exemption programs, such as 421-a, J-51, or other municipal tax incentive programs.

The property is not new construction. The Units were previously lived in and are not in new condition. The signing of the Purchase Agreement by Purchaser signifies Purchaser's acceptance of the condition of the Property, including the Building, the Common Elements, the Unit, and all fixtures, machinery, equipment, furnishings, appliances, installations, and other personal property contained therein, in the condition described in the offering plan, ordinary wear and tear excepted between the date Purchaser signs this Agreement, or the Filing Date of the Plan, and delivery of the deed to Purchaser. Purchasers shall be given an opportunity to inspect the Unit prior to Closing. Punchlist items to be completed in the Unit pursuant to the Plan and/or the Purchase Agreement shall be itemized on an "Inspection Statement," a form of which is contained in Part II of the Plan, signed by both Sponsor and Purchaser. The Inspection Statement merely serves to identify and memorialize any conditions the Purchaser believes to be material. Sponsor's refusal to sign the Inspection Statement due to a disagreement with the items on the Inspection Statement shall not be grounds to cancel or postpone the Closing, unless otherwise entitled under applicable law. Nevertheless, Sponsor has the absolute obligation to design and build in accordance with applicable law, codes, regulations, filed plans and specifications, and locally accepted building practices for items which are not covered by codes, and otherwise fulfill its obligations under the Plan or Purchase Agreement; Purchasers may have a claim under a breach of contract theory in the event Sponsor does not fulfill their obligations under the Plan or Purchase Agreement.

Sponsor shall be obligated to complete the items agreed to on the Inspection Statement within a reasonable time after Closing. However, if Sponsor agrees in writing to complete any items on the Inspection Statement prior to Closing, Purchaser must re-inspect the Unit on the day prior to Closing to inspect and sign off on all items Sponsor agreed to complete. No open items of work will be discussed at the Closing itself. With the exception of items Sponsor agrees in writing to complete prior to the Closing, Sponsor's failure to complete any of the items listed on the Inspection Statement shall not be grounds to cancel or postpone the Closing, unless otherwise entitled under applicable law.

Purchasers may not add any additional work items to the Inspection Statement after the final inspection of the Unit has occurred, and neither Sponsor nor its contractors, subcontractors, principals, managers or members shall have any obligation to perform any such additional work items.

- 1 Areaway (110 sf); Rear yard (600 sf)
- 2 Juliet balcony (1 sf)
- 3 Balcony (29 sf); Balcony (29 sf)
- 4 Balcony (29 sf); Balcony (29 sf)

The cellar is not to be used for habitable space as defined by the NYS Building Code.

Cellar space has less light and air than ordinary living space and it is more susceptible to dampness. Cellar is Accessory Use Only – Not to be used for Sleeping, Cooking and/or Living purposes and will not be rented independently.

Construction has been completed. Based on the opinion of Sponsor's expert, the current tax rate for residential condominiums is 12.50%. The current 2025-2026 taxable assessed value of the building is \$417,960.00 with taxes of \$52,245.00. The Sponsor's tax assessment expert has estimated the assessed value for the building for the tax year of 2026-2027 at \$451,397.00 with a tax liability of \$56,424.00. Because the first year of Condominium operation is expected to start on January 1, 2026, it will overlap between the 2025 and 2026 fiscal years. Therefore, the first year's tax liability is thus based on 50% of the 2025-2026 taxes and 50% of the 2026-2027 taxes for a blended total tax liability of \$54,334.50 for the first year of condominium operation.

NOTES TO SCHEDULE A

1. A half bathroom has only a sink and a toilet. A full bathroom has, in addition to a sink and toilet, a tub or shower. A bedroom is a room, other than a living room or kitchen, which may be used for living purposes (i.e., sleeping). The number of rooms is calculated by Sponsor's architect pursuant to industry standards for new construction condominiums counting the total number of bedrooms in each Unit. Although each Unit contains a living room and kitchen, for purposes of this column, kitchens and living rooms are not included. This method does not necessarily conform to the zoning room count or methods utilized by the Real Estate Board of New York. Some Units have use of limited common elements allocated to their respective Unit. Floor Plans are included in the Plan in Part II.

2. In addition to the purchase price listed here, purchasers should expect to pay the closing costs set forth in Section XIV, "Closing Costs and Adjustments". No change in the sales price will be made other than pursuant to a duly filed amendment, except that the Sponsor reserves the right to decrease the sale prices below the Offering Plan prices without filing an amendment to the Plan at any time during the Offering where a reduction in sales price does not constitute a general offering but is rather the result of an individually negotiated unit purchase. See Section IX, "Changes in Prices and "Units".

3. Residential Unit plans depicting layouts of Residential Units in this Schedule A appear in Part II of the Plan. Purchasers should note that the square footage of each Unit as reflected in Schedule A and Schedule B and the Floor Plans set forth in Part II of the Plan is approximate within reasonable tolerances but may change due to field conditions and construction variances and tolerances. Because dimensions listed are based on measurements from exterior walls, they do not accurately represent the interior space in the unit and significantly exceeds the actual useable floor area and be significantly less than as set forth in Schedule A. Purchaser is entitled to rescission if there are material and adverse changes or variations. Floor area may include columns, interior walls, mechanical pipe shafts, shaft ways, chases, chaseways and conduits which may be incorporated behind protruding walls or may be enclosed as freestanding columns, thereby reducing the available floor area. Each Unit will consist of the area measured horizontally from the exterior face of the perimeter wall to the centerline of the partitions separating one Unit from another Unit, corridors, stairs, and other mechanical equipment spaces or any common elements; or to the exterior face of the opposite perimeter walls.

The foregoing is set forth in the Floor Plans in Part II of the Plan.

The roof, balconies or terraces and cellar areas, if any, are not to be used for residential purposes (bedroom or living area). Fines and/or violations being levied against the entire building in the event of a violation of this rule.

4. Percentage of Common Interest is based on Real Property Law 339-i(1)(iv) which provides that the Common Elements of each unit have been allocated based upon floor space, subject to the location of such space and the additional factors of relative value to other space in the condominium, the uniqueness of the unit, the availability of common elements for exclusive or shared use, and the overall dimensions of the particular unit.

5. Limited Common Elements refers to the square footage of those Common Elements which serve or benefit exclusively one or more but not all the Units and/or the Unit Owners, including but not limited to attics, balconies, decks, sundecks, roof decks, patios, porches, terraces, yards, rear yards, courtyards, cellar space and/or gardens, if any. Limited common elements are uninhabitable space that may not be legally used as a bedroom or living room and doing so may result in a building code violation being issued against the Building. The cellar is not to be used for habitable space as defined by the NYS Building Code. Cellar space has less light and air than ordinary living space and it is more susceptible to dampness. Cellar is Accessory Use Only – Not to be used for Sleeping, Cooking and/or Living purposes and will not be rented independently.

6. Common Charges have been estimated by the Sponsor and include water and sewer charges, fire and liability insurance for the building and Common Elements, and maintenance and operation of the Common Elements. Common Charges are collected in order to fund the Condominium Budget shown in Schedule B and corresponding notes. Common Charges are collected monthly. Common Charges exclude repair and decoration to the inside of a home and electricity for each Unit and insurance for personal belongings. See Schedule B-1 for estimated water, gas and electric costs for each Unit.

There is no separate water or sewer rental charges by the Condominium as they are included in the Common Charges.

The Sponsor is not offering or procuring mortgage financing. If a Purchaser obtains financing, Purchaser's debt service will be an additional monthly expense.

7. This figure is the monthly Common Charges for each unit calculated by dividing the annual Common Charges by twelve.

Sponsor reserves the right to cause the Board of Managers to delay the collection of Common Charges to any Unit Owner for so long as Sponsor pays the actual Condominium expenses, in lieu of Common Charges. In the event that Sponsor makes such election: (i) Common Charges will not be assessed by the Board of Managers to any Unit Owners, (ii) Sponsor shall disclose such information in the post-closing amendment to the Plan, and shall set forth the anticipated length of such delay period, and such information will be disclosed in the closing notice or statement to Purchasers; (iii) Sponsor shall provide at least thirty (30) days written notice of the expiration of the delay period and shall disclose such notice in an amendment to the Plan; (iv) during any such delay period, the Sponsor will timely pay all expenses of the Condominium, including but not limited to insurance premiums and any reserve fund payments and such expenses shall not include individual unit owner expenses such as real estate taxes, utility charges, etc.; (v) upon the commencement of the collection of Common Charges, there will not be an assessment for any item set forth in the approved budget for the Condominium; and (vi) the Sponsor shall remain obligated to update the budget for the Condominium.

8. This figure is the estimated real estate tax shown annually. After the Condominium is divided into individual tax lots, each Unit will be taxed as a separate tax lot and each Unit Owner will be responsible only for the real estate tax of his or her Unit and not for any lien arising out of the non-payment of real estate taxes by other Units. Real estate tax estimates are based upon annual

tax estimates for the entire property upon completion as estimated by Metropolitan Realty Exemptions, Inc., Sponsor's specialist, by letter dated June 9, 2025 (attached in Part I). Real estate taxes for the Units will be assessed by the New York City Department of Finance. Construction has been completed. Based on the opinion of Sponsor's expert, the current tax rate for residential condominiums is 12.50%. The current 2025-2026 taxable assessed value of the building is \$417,960.00 with taxes of \$52,245.00. The Sponsor's tax assessment expert has estimated the assessed value for the building for the tax year of 2026-2027 at \$451,397.00 with a tax liability of \$56,424.00. Because the first year of Condominium operation is expected to start on January 1, 2026, it will overlap between the 2025 and 2026 fiscal years. Therefore, the first year's tax liability is thus based on 50% of the 2025-2026 taxes and 50% of the 2026-2027 taxes for a blended total tax liability of \$54,334.50 for the first year of condominium operation. The real estate tax estimates for each Unit were calculated on the assumption that the real estate taxes payable with respect to each Unit for the first year of Condominium operation will be allocated in proportion to each Unit's percentage interest in the Common Elements as set forth in Schedule A. Upon determination of individual tax lots and individual residential unit assessments, the New York City tax authorities may allocate taxes between the residential units in proportion to each residential unit's purchase price or imputed market value rather than its percentage interest in the Common Elements and, if so, residential units having the same or similar percentage interest may pay different real estate taxes and taxes may differ from those set forth on Schedule A. See Section XIX, entitled Real Estate Taxes.

The Plan provides that each Unit Owner will hold title to his Unit and an undivided interest in the Common Elements in fee simple absolute. Pursuant to New York Real Property Law Section 339-y, each Unit will be assessed and taxed separately for real estate tax purposes and, therefore, no Unit Owner will be liable for the payment of real estate taxes on any Units other than his own. Each Unit Owner may individually place an institutional or purchase money mortgage on his specific Unit in accordance with the By-Laws, and thereby incur direct liability for mortgage interest or finance charges attributable thereto. The Tax Cuts and Jobs Act of 2017 is currently in effect and significantly changes the rules pertaining to the deductibility of mortgage interest and real estate taxes. As such, Purchasers are urged to consult with their tax preparer or CPA to determine if they are eligible for any tax deductions as a result of mortgage interest or finance charges incurred in connection with a mortgage on their Unit. The most relevant changes to the tax code as same would affect a purchaser are (a) the itemized deduction for real estate taxes and state and local taxes is capped at a total of \$10,000.00 per year and (b) mortgage interest is only deductible up to a mortgage amount of \$750,000.00. However, the deduction for real estate taxes and state and local taxes has been temporarily increased to \$40,000.00 for married filing jointly or single filers (\$20,000.00 for married filing separately) effective for tax years beginning in 2025 until 2029 pursuant to the One Big Beautiful Bill Act (H.R.1). Sponsor, nor its counsel, make no representations that mortgage interest and real estate taxes will be deductible from Purchaser's income taxes. Due to the recent changes in the tax law referenced above, Purchasers are urged to consult with their tax preparer or CPA to determine if they are eligible for any tax deductions as a result of mortgage interest or finance charges incurred in connection with a mortgage on their Unit. No guarantee is given by Sponsor or its attorney that a Unit Owner will be entitled to an income tax deduction. Purchasers should note that any tax deduction, if applicable, may vary in future years due to changes in the interest rate on the Unit Owner's mortgage or from changes in the allocation of constant debt service payments to interest and principal, or due to changes in real

property taxes resulting from the expiration in real estate tax benefits, assessed value, tax rate or the method used in assessing the Unit. See Section XIX, entitled Real Estate Taxes.

SPONSOR MAKES NO REPRESENTATION THAT THE ASSESSED VALUE OF THE PROPERTY, THE ESTIMATED ALLOCATIONS OR THE TAX RATE WILL NOT BE CHANGED. SPONSOR MAKES NO REPRESENTATIONS REGARDING THE METHODOLOGY WHICH THE TAXING AUTHORITIES WILL USE IN FUTURE TAX YEARS. SPONSOR MAKES NO REPRESENTATION THAT THE ASSESSED VALUE OF THE PROPERTY, THE ESTIMATED ALLOCATIONS OR THE TAX RATE WILL NOT BE CHANGED. PURCHASERS ARE ADVISED THAT THE NEW YORK CITY TAXING AUTHORITIES HAVE IMPLEMENTED SIGNIFICANT INCREASES IN THE TENTATIVE ASSESSED VALUATIONS FOR NEW CONSTRUCTION CONDOMINIUMS WHICH DO NOT APPEAR CONSISTENT WITH THEIR VALUATIONS IN PRIOR YEARS. SPONSOR MAKES NO REPRESENTATIONS REGARDING THE METHODOLOGY WHICH THE TAXING AUTHORITIES WILL USE IN FUTURE TAX YEARS.

9. These figures are the estimated annual real estate tax for each unit divided by twelve to yield the monthly amount.

10. These figures are the total of the monthly real estate taxes added to the monthly common charge.

NOTES TO SCHEDULE B

1. The Condominium will not employ any labor. Refer to Note 6 for a discussion relating to the maintenance and upkeep of the Common Elements of the Condominium. Janitorial services will be provided by an independent contractor.
2. The Common Elements will not utilize gas service. Individual Units will use gas service (See Schedule B-1). Individual Unit Owners will pay for gas service.
3. For electric service to the Common Elements which will cover the cost of lighting and other electrical items as well as common area heating, based on the opinion of Reform Architecture PLLC, dated April 3, 2025, Common Elements will require approximately 9,488.6 KWH per year at a cost of approximately \$.3494/KWH for a total annual cost of \$3,672.00. This figure includes a 10% allowance for inflation, plus the cost of all applicable state and local taxes and may rise or fall depending on usage and energy source prices. Units are individually metered for electric consumption within each Unit. Projections are based on industry standards. See Schedule B-1 for estimates of individual Unit electric costs.
4. Water and sewer service to the individual units, based on the opinion of Reform Architecture PLLC, dated April 3, 2025, is based on the estimated water and sewer rate of \$11.13 per hundred cubic foot multiplied by the estimated annual usage of 351.33 HCF, for a total annual cost of \$3,910.00. This figure may rise or fall depending on usage and water source prices. This figure is based on usage of 180 gallons of water per day and 459,900 gallons of water annually. Projections are based on industry standards.
5. This item covers cleaning supplies and equipment as well as minor repairs to the Common Elements that will not be covered by the janitorial services discussed below. It is anticipated that such services will be performed by independent contractors on an “as needed” basis.
6. This item will cover the cost of any service contracts including the following:
 - Fire Alarm, IRL Systems, Inc., 1650 Bath Avenue, Brooklyn, NY 11214 – \$2,580.36 per year
 - Telephone/Cable/Internet for Common Elements, Spectrum – \$1,000.00 per year
 - Janitorial services – Sponsor anticipates that the cost of janitorial services to clean and maintain the Condominium Common Elements will be approximately \$300.00 per month (\$3,600.00 for the year) and that such service will be performed by an independent contractor, Market Finder Porter Solutions, 41 Moison Rd., N. Blauvelt, NY 10913. Services to be provided are: i) maintenance of residential refuse and recycling in accordance with current regulations and laws as per New York City Department of Sanitation; ii) clean-up and routine checks of building exterior common areas, fronts, curbs and sidewalks; and iii) weekly cleaning of interior common areas, including hallways and foyers. Market Finder Porter Solutions shall provide these services to the Condominium one hour per day, six (6) days a week.

Each Unit Owner will be responsible for his own refuse removal and keeping Common Elements clear of personal items and debris. Additional part time help may be supplied on an “ad hoc” basis as determined by the Board of Managers. Sponsor anticipates that one non-union part time independent contractor will be hired to maintain the Common Elements. The Sponsor does not anticipate that any other service contracts will be required at the building. Unit Owners will pay monthly service fees for cable, phone and internet that will service each Unit individually. The figures set forth herein are based on Sponsor’s experience.

7. This figure is based on an estimate received from Newbridge Coverage, with an address at 1666 Newbridge Road, North Bellmore, NY 11710, dated October 29, 2025 for an all risk replacement cost property insurance policy with the following coverages the annual premium will be \$7,041.00:

• Building Coverage	\$1,736,500.00
• Special Form- Excluding Theft	
• Replacement Cost Incl.	
• Mechanical Breakdown Sublimit	\$10,000.00
• Business Income	\$150,000.00
• Building Ord & Law	\$25,000.00
• Deductible	\$2,500.00
• General Liability	
• General Aggregate	\$2,000,000.00
• Each Occurrence	\$1,000,000.00
• Products Compl Ops Included	
• Damages to Premises Rented by You	\$100,000.00
• Medical Expense	\$5,000.00

This does not include D & O liability coverage. The insurance policy provides: that each owner is an additional insured party, there will be no cancellation of the policy without notice to the Board of Managers, a waiver of subrogation, a waiver of invalidity because of the acts of the insured and unit owners, a waiver of pro-rata reduction if unit owners obtain additional coverage. In the event of a partial or total loss, this policy will cover the replacement of the building without causing the Condominium to become a co-insurer. The insurance coverage does meet the requirements of most lenders including the requirement of Sponsor’s lender. This quote does not include Fidelity bond, rent insurance and excess but all may be purchased for an additional premium.

Purchasers should note that it is desirable to obtain additional insurance at their own cost to cover such risks as, fire and casualty losses to unit contents, replacements, additions, fixtures and improvements, and liability coverage for occurrences within the unit or, where applicable, on limited common elements. The consequence of not having such additional insurance is that in the event of any uncovered claim or damage the Board may need to assess a special assessment to the unit owners to be able to pay for the claim and or damage. In the event that additional insurance coverage is required by the Federal Housing Administration in order for it to insure or guarantee a mortgage on a Unit, the Sponsor shall obtain such additional insurance so as to comply with any such requirements.

8. The Budget for the first year of condominium operation does not include a projected expense for management. Until the Sponsor relinquishes control of the Condominium, the Sponsor Controlled Board shall manage the Condominium. After the Sponsor Control Period, the Condominium Board may either self manage the Condominium or retain an outside management company to manage the Condominium. In the event that the Board of Managers elects to hire an independent managing agent in the future, such expense will cause an increase in the budget and individual common charges by at least 30%.

9. To provide office supplies, photocopying, postage and other miscellaneous office expenses.

10. Pursuant to the proposal provided by Singer & Falk, Certified Public Accountants, 48 South Service Road, Suite 404, Melville, NY 11747, dated October 28, 2025, the fee to provide annual financial statements and tax returns for the Condominium is estimated to be \$1,000.00. While the Sponsor controls the Board of Managers, financial statements must be audited. The cost of an audited financial statement is approximately \$4,000.00. The Sponsor's budget expert estimates an amount of \$500.00 for legal fees for contract review, common charge collection requirements and other miscellaneous legal services. The attorney for the condominium will be determined at a later date when legal services are required. This estimate does not include the cost of litigation, if any, that might arise during this initial period.

11. This amount will be placed on deposit in order to provide for any unanticipated expenses or increases in the projected expenses of the Condominium.

12. This amount will be placed on deposit in order to provide for major capital repairs or replacement items likely to be needed within the first five years of Condominium operation. Sponsor anticipates that the reserve fund will be sufficient to cover the cost of capital replacements within five years after the first closing. The difference between the reserve fund and the contingency fund is that the reserve fund is to be used only for capital expenditures (such as roof replacement or other major repairs) while the contingency fund may be used for day to day items required to operate the condominium. See Section XXI, "Reserve Fund."

The Sponsor anticipates that the first closing of a unit will occur by January 1, 2026. Purchasers will be offered a right of rescission if: (i) the actual date of closing of title to the first unit; or (ii) the projected date of closing of title to the first unit occurs later than December 31, 2026, twelve months after the projected date for the first closing. If the Plan is amended to provide for a later projected date for the first closing, purchasers will be entitled to an offer of rescission if the first closing occurs more than 12 months beyond that amended, later date.

However, if the first closing occurs before December 31, 2026, the Sponsor may schedule the closings of title to other units significantly later than such date. Unless your Purchase Agreement contains an outside closing date, the Sponsor is not obligated to schedule your closing within any specified time frame or to ensure that closing of title to your closing within any specified time frame or to ensure that closing of title to your Unit will occur by any date certain. In the event, however, Sponsor cannot convey title to the Unit on or before eighteen (18) months from the date of the Purchase Agreement, Purchaser shall be offered a right of rescission by written

notice which shall give to the Purchaser a 15-calendar day period from receipt of such notice during which Purchaser may rescind the Purchase Agreement.

In the event of a rescission, Purchaser is entitled to a refund of all deposited funds, except for funds already expended for upgrades and extras. However, if the first closing occurs on or before December 31, 2026, the closing of subsequent units may be substantially delayed beyond such date then, in such case, provided that the Sponsor is diligently pursuing completion of construction and issuance of a certificate occupancy and is otherwise in compliance with its obligations under the plan, a Purchaser will not be entitled to a right of rescission or to make claims against the Sponsor for damages or losses as a result of such delays and will not be excused from paying the full purchase price for the Unit. PROSPECTIVE PURCHASERS SHOULD THEREFORE CAREFULLY CONSIDER THE POSSIBILITY OF SUCH DELAYS IN THEIR DETERMINATION AS TO WHETHER TO PURCHASE A UNIT.

NOTES TO SCHEDULE B-I

- Each Unit Owner will be responsible for the cost of gas and electricity supplied to his Unit. Charges for each unit will be payable directly to the utility company by each Unit Owner.
- The building uses gas for cooking and hot water and electricity for heating, cooling, clothes dryer and all other power needs. Estimated costs for electricity and gas vary based on the location and area of the units as well as usage. These rates have been determined by the current and prevailing rates of electricity as determined by Con Edison and National Grid and account for applicable delivery fees and surcharges. The rates for electricity above are based on a cost of \$.3494 per kilowatt for electric usage and \$2.645 per therm for gas usage.
- The estimated costs are subject to changes by Con Edison and National Grid.
- In view of the fact that these averages may include the use of energy by persons of varying needs, occupying dissimilar types of dwelling units, constructed of different materials at different times, with different standards of comfort or with families of different sizes, the amount of energy used by the purchaser may vary substantially from the average estimates herein provided. In

addition, the effect of inflation, and other factors may raise the cost of electricity and/or gas substantially higher than the current or projected rate. Certain factors beyond Sponsor's control may substantially affect the cost of heating and cooling after the purchase of a unit or in subsequent years.

5. Although the Sponsor is under obligation to provide accurate information to prospective purchasers, factors beyond its control may substantially affect the cost of heating and cooling after the purchase of a unit or in subsequent years. Sponsor represents, however, that it has followed the plans and specifications provided by the manufacturer of the heating, hot water and air conditioning units together with the recommendation of the utility company and other experts to enable these items of equipment to operate at optimum efficiency at the lowest cost. Sponsor represents that it has not been induced to select the heating system described herein on the basis of any financial inducement other than the comparative advertising and price of the system made to it by the manufacturer or distributor of the system or by the supplier of energy to be used in connection therewith or by any of their agents or employees.

6. The projections herein are based on the letter of Sponsor's engineer, Reform Architecture PLLC, dated April 3, 2025. Projections are based on industry standards.

SECTION VII.

COMMERCIAL UNIT

There will be no commercial units in the Condominium.

SECTION VIII.

COMPLIANCE WITH REAL PROPERTY LAW SECTION 339(I)

Each unit shall have appurtenant thereto a common interest as expressed in the declaration. Such interest shall be based on floor space, subject to the location of such space and the additional factors of relative value to other space in the condominium, the uniqueness of the unit, the availability of common elements for exclusive or shared use, and the overall dimensions of the particular unit pursuant to Real Property Law Sec. 339-i(1)(iv). Re.: The 187 Pulaski Street Condominium

Dear Sirs:

Regarding The 187 Pulaski Street Condominium (“Condominium”), we have been asked for my opinion concerning the method selected for determining the percentage of common interest allocated to each unit of the Condominium.

The method selected for determining the percentage of common interest allocated to each unit of the Condominium complies with section 339-i(1)(iv) of the Real Property Law of the State of New York in that the interest of each unit is based upon floor space, subject to the location of such space and the additional factors of relative value to other space in the condominium; the uniqueness of the unit; the availability of common elements for exclusive or shared use; and the overall dimensions of the particular unit.

Our firm is a real estate brokerage. We have been in business for over 5 years and have been involved in numerous condominium offering plans. We have no beneficial interest in the Sponsor and no interest in the profits of this offering plan.

Sincerely,

Ravi Kantha

SECTION IX. CHANGES IN PRICES AND UNITS

Sponsor reserves the right to change the Purchase Price, the manner of payment thereof and any other term of sale of any Unit, at any time and from time to time, both before and after the recording of the Declaration, without any prior notice and without the prior consent of the Managing Agent, if any, the Board of Directors, if any, and Unit Owner, any mortgagee or any other party.

The offering prices set forth in Schedule A may be changed only by a duly filed amendment to the plan when the change in price is an across the board increase or decrease affecting one or more lines of units or unit models, or is to be advertised, or is a price increase for an individual purchaser. Prices and specified terms of sale are negotiable and the Sponsor may enter into an agreement with an individual purchaser to sell one or more units at prices lower than those set forth in Schedule A without filing an amendment.

No change will be made in the size or number of units and/or their respective percentages of Common Interest, and no material change will be made in the size or quality of Common Elements, except by amendment to the plan and, when applicable, to the Declaration.

Sponsor reserves the right to change the unit size, layout, or percentage of Common Interest, at any time and from time to time, both before and after the recording of the Declaration, without any prior notice and without the prior consent of the Managing Agent, if any, the Board of Directors, if any, and Unit Owner, any mortgagee or any other party. However, unless an affected purchaser consents, no material change will be made in unit size, layout, or percentage of Common Interest if a purchase agreement has been executed and delivered to the Sponsor for that unit and the purchase agreement is in effect. A decrease in area of five-percent (5%) or less could be material and trigger a right of rescission but there is a rebuttable presumption that an area that is diminished by five-percent (5%) or less is not material.

Unless all Purchasers consent, no material change will be made in the size and no material adverse change will be made in the quality of Common Elements.

SECTION X. INTERIM LEASES

Sponsor reserves the right to rent or lease vacant units to Purchasers and non-Purchasers at any time after consummation of the offering plan and after the First Closing. Once a purchase agreement is executed for a vacant residential unit, that unit may only be leased to the Purchaser for that particular Unit pursuant to a lease (also referred to as “Interim Lease”) on the terms set forth in this section of the Plan. A form Interim Lease is included in Part II of this Plan.

No rental protection laws are applicable to interim lessees. Specifically, Units subject to Interim Leases are not and will not be “rent controlled” or “Rent Stabilized” and will not be subject to the New York City Rent Law or the Emergency Tenant Protection Act of 1974, the New York City Rent Stabilization Law or the New York City Rent Stabilization Code, as such laws and regulations are currently in effect.

The rent payable under the Interim Lease shall be negotiated by the parties. The term of such Interim Lease shall expire at the earlier of (i) the date of the closing of title for the unit covered by such interim lease, (ii) the date fixed in the Interim Lease as the expiration of the term, or (iii) the date upon which the Interim Lease is terminated at the option of the Sponsor by reason of a default of the Purchaser-tenant under the Interim Lease or a casualty or condemnation affecting the Unit or (iv) the date upon which the Interim Lease is terminated by the Purchaser-tenant or Sponsor as provided below.

An uncured default under the purchase agreement shall be deemed a default under the Interim Lease and an uncured default under the Interim Lease shall be considered a default under the purchase agreement and will permit Sponsor to cancel the purchase agreement in accordance with its terms. The Purchaser-tenant will be required to vacate the Unit occupied under the Interim Lease within thirty (30) days after notice is sent of Sponsor’s intent to cancel the Purchase Agreement, provided that the Purchaser-tenant fails to cure any such default within the applicable grace period, if any, with TIME BEING OF THE ESSENCE. Before a default under the Interim Lease may be declared a default under the purchase agreement, either (i) the sponsor must obtain an order of eviction or other judgment or order from a court or agency of competent jurisdiction against the Purchaser-tenant, or (ii) the Purchaser-tenant must have vacated the Unit. Sponsor must make a written demand for payment after default at least 30 days before forfeiture of the deposit may be declared.

If the Purchaser-tenant should exercise any right to terminate or rescind the purchase agreement or Interim Lease, such termination or rescission will be contingent upon the Purchaser-tenant surrendering possession of the Unit and leaving same in broom clean condition and vacant within thirty (30) days after the election to terminate or rescind is made. All rent due must be paid through the date of the surrender of possession. The Purchaser-tenant shall be liable for any damage caused to the Unit and for any other liability under the purchase agreement and the Interim Lease.

In no event will any portion of the rental paid under an Interim Lease be credited toward the Purchase Price of the Unit subject to the Interim Lease. Any inconsistencies between the Interim Lease and the Plan, terms of the Plan shall control.

Prior to the first closing, the entire building will be insured by the Sponsor and after the first closing, the entire building will be insured by the Condominium. A person who takes possession prior to closing assumes the risk of losses not covered by insurance. Because a purchaser in possession may not be able to obtain insurance, insurance proceeds may be unavailable in the event there is damage to the unit and Purchaser is required to make repairs. Purchasers may not be able to obtain a mortgage commitment or financing on a damaged unit.

Sponsor and its agents will not discriminate against any person on the basis of race, creed, color, national origin, sex, age, disability, marital status or other grounds prohibited by law.

SECTION XI. PROCEDURE TO PURCHASE

1. Purchaser Agreement; Down Payment

Any person may accept Sponsor's offer to sell a Unit by entering into a Purchase Agreement with the Sponsor. The agreement provides that the Purchaser will purchase from the Sponsor a designated unit in the Condominium described in the Declaration creating such Condominium. A copy of the form purchase agreement is contained in Part II of the Offering Plan. Purchaser will be afforded a minimum of three (3) business days to review the offering plan and all filed amendments prior to executing a purchase agreement. Any conflict between the offering plan and the purchase agreement shall be resolved in favor of the offering plan.

Upon signing the purchase agreement, the purchaser shall make a Down Payment in an amount to be negotiated by the Purchaser and the Sponsor but of not less than \$5,000.00 and not more than 10% of the total price of the unit plus the cost of special work ordered by the Purchaser, if any.

Within ten (10) days after a purchaser delivers an executed purchase agreement together with the required deposit, the Sponsor must either accept the purchase agreement and return a fully executed counterpart to the purchaser or reject the purchase agreement and refund the full deposit previously tendered. In the event the Sponsor does not return the purchase agreement timely, purchaser may extend his offer or demand the return of the deposit. However, if Sponsor does not countersign the Purchase Agreement within 10 days of its receipt, same shall be considered rejected by Sponsor and the deposit will be immediately returned to the Purchaser. This time period may be extended by Sponsor and Purchaser provided that both parties agree to such extension in writing.

The amount of the deposit, or Down Payment may be negotiated for each sale. There may be increases in the deposit for special work ordered by the purchaser as is to be itemized in the purchase agreement. All money, including any amounts for upgrades will be returned, if the plan is abandoned or if a Purchase Agreement is rescinded.

Sponsor shall be excused from performing any obligation or undertaking provided for in this Agreement for so long as such performance is prevented, delayed or hindered by Force Majeure. Sponsor's time to perform such obligation or undertaking shall be tolled for the length of the period during which such performance was excused. Purchaser's time to perform its obligations under the Purchase Agreement also may be tolled during the tolling period. Sponsor may not limit any rights which Purchaser may have pursuant to Art. 23A of the GBL, NYCRR regulations, and the Offering Plan, except as determined in a final decision or order by a court of competent jurisdiction or any governmental agency or by executive order and that Purchaser may be entitled to. **Purchasers are advised that executing a Purchase Agreement that includes the foregoing provisions may impact the Purchaser's ability to close on her/his unit in the time frame originally contemplated in the Purchase Agreement and may limit the Purchaser's remedies for any such delay in the closing date. The Attorney General strongly recommends that Purchasers consult with their attorneys regarding any risks associated with executing a Purchase Agreement containing the foregoing provision prior to executing the Purchase**

Agreement.

2. Escrow Funds Provision

Eial Girtz PC, with an address at 11 Grace Avenue, Suite 309, Great Neck, New York 11021, telephone number (516) 466-6911, shall serve as escrow agent ("Escrow Agent") for Sponsor and Purchaser. Escrow Agent has designated the following attorneys to serve as signatories: Eial Girtz. All designated signatories are admitted to practice law in the State of New York. Neither the Escrow Agent nor any authorized signatories on the account are the Sponsor, Selling Agent, Managing Agent, or any principal thereof, or have any beneficial interest in any of the foregoing.

The Escrow Agent has established the escrow account at Peapack-Gladstone Bank, 500 Hills Drive, Suite 300, PO Box 700, Bedminster, NJ 07921-1538 ("Bank"), a bank authorized to do business in the State of New York. The escrow account is entitled Eial Girtz PC Attorney Trust Account ("Escrow Account"). The Escrow Account is an IOLA account and is federally insured by the FDIC up to the maximum amount of \$250,000.00 per deposit. Any deposits in excess of \$250,000.00 will not be insured, unless Escrow Agent has established multiple accounts on behalf of Purchaser at various institutions. If purchaser's have accounts at the same bank as sponsor's account that holds escrowed funds, purchaser funds at the escrow bank factor into the \$250,000.00 insurance limit.

All Deposits received by Purchaser shall be in the form of checks, money orders, wire transfers, or other instruments, and shall be made payable to or endorsed by the Purchaser to the order of Eial Girtz PC, as Escrow Agent.

The Escrow Account is an IOLA account. There shall be no interest paid to Purchasers on Deposits made into the Escrow Account as the interest earned on IOLA accounts is paid into the New York State IOLA fund in order to fund their various programs. No fees of any kind may be deducted from the Escrow Account, and the Sponsor shall bear all costs associated with the maintenance of the Escrow Account.

The Purchase Agreement is attached hereto in Part II of the Plan. The Escrow Agreement is attached hereto as Exhibit "A" of the Purchase Agreement in Part II of the Plan. The Escrow Agreement must be executed by the Sponsor, Purchaser, and Escrow Agent.

Within five (5) business days after the Purchase Agreement has been tendered to Escrow Agent along with the Deposit, the Escrow Agent shall sign the Purchase Agreement and place the Deposit into the Escrow Account. Within (10) business days of the placing the deposit in the Escrow Account, Escrow Agent shall provide written notice to Purchaser and Sponsor, conforming the Deposit. The notice shall provide the account number and the initial interest rate to be earned on the Deposit. Any Deposits made for upgrades, extras, or custom work shall be initially deposited into the Escrow Account and released in accordance to the terms of the Purchase Agreement.

The Escrow Agent is obligated to send notice to the Purchaser once the Deposit is placed in the Escrow Account. If the Purchaser does not receive notice of such deposit within fifteen (15) business days after tender of the Deposit, he or she may cancel the Purchase Agreement within ninety (90) days after tender of the Purchase Agreement and Deposit to Escrow Agent. Complaints concerning the failure to honor such cancellation requests may be referred to the New York State Department of Law, Real Estate Finance Bureau, at 28 Liberty Street, New York, NY 10005. Rescission shall not be afforded where proof satisfactory to the Attorney General is submitted establishing that the Deposit was timely placed in the Escrow Account in accordance with the New York State Department of Law's regulations concerning Deposits and requisite notice was timely mailed to the Purchaser.

All Deposits, except for advances made for upgrades, extras, or custom work received in connection with the Purchase Agreement, are and shall continue to be the Purchaser's money, and may not be comingled with any other money or pledged or hypothecated by Sponsor, as per GBL § 352-h.

Under no circumstances shall Sponsor seek or accept release of the Deposit of a defaulting Purchaser until after consummation of the Plan, as evidenced by the acceptance of a post-closing amendment by the New York State Department of Law. Consummation of the Plan does not relieve the Sponsor of its obligations pursuant to GBL §§ 352-e(2-b) and 352-h.

The Escrow Agent shall release the Deposit if so directed:

- (a) Pursuant to the terms and conditions set forth in the Escrow Agreement and Purchase Agreement upon closing of title to the Unit; or
- (b) In a subsequent writing signed by both Sponsor and Purchaser; or
- (c) By a final, non-appealable order or judgment of a court.

If the Escrow Agent is not directed to release the Deposit pursuant to paragraphs (a) through (c) above, and the Escrow Agent receives a request by either party to release the Deposit, then the Escrow Agent must give both the Purchaser and Sponsor prior written notice of not fewer than thirty (30) days before releasing the Deposit. If the Escrow Agent has not received notice of objection to the release of the Deposit prior to the expiration of the thirty (30) day period, the Deposit shall be released and the Escrow Agent shall provide further written notice to both parties informing them of said release. If the Escrow Agent receives a written notice from either party objecting to the release of the Deposit within said thirty (30) day period, the Escrow Agent shall continue to hold the Deposit until otherwise directed pursuant to paragraphs (a) through (c) above. Notwithstanding the foregoing, the Escrow Agent shall have the right at any time to deposit the Deposit contained in the Escrow Account with the clerk of the county where the [unit/building] is located and shall give written notice to both parties of such deposit.

The Sponsor shall not object to the release of the Deposit to:

- (a) A Purchaser who timely rescinds in accordance with an offer of rescission contained in the Plan or an Amendment to the Plan; or
- (b) All Purchasers after an Amendment abandoning the Plan is accepted for filing by the Department of Law.

The escrow agent shall maintain all records concerning the escrow account for seven years after release of the funds. Upon the dissolution of any law firm which was the escrow agent, the former partners or members of the firm shall make appropriate arrangements for the maintenance of these records by one of them or by the successor firm and shall notify the Department of Law of such transfer.

Before funds are transferred to a new escrow account, or if the escrow agent is replaced, the plan must be amended to provide the same full disclosure with respect to the new account, the escrow agent and the escrow agreement as was originally provided.

The Department of Law may perform random reviews and audits of any records involving the Escrow Account to determine compliance with all applicable statutes and regulations.

Any provision of any Purchase Agreement or separate agreement, whether oral or in writing, by which a Purchaser purports to waive or indemnify any obligation of the Escrow Agent holding any Deposit in trust is absolutely void. The provisions of the Attorney General's regulations and GBL §§ 352-e(2-b) and 352-h concerning escrow trust funds shall prevail over any conflicting or inconsistent provisions in the Purchase Agreement, Plan, or any amendment thereto.

Nothing contained herein shall diminish or impair the Sponsor's statutory obligation to each purchaser pursuant to GBL Section 352-h to hold in trust all deposits, advances or payments made in connection with the offer until consummation of the transaction with such purchaser. Consummation of the plan does not relieve sponsor of its obligations pursuant to GBL section 352-h. Funds from any escrow account remain the property of the purchaser until employed in connection with the consummation of the transaction. Such funds shall not be a part of the estate of the Sponsor or the Escrow Agent upon any bankruptcy, incapacity or death.

The Sponsor must comply with Section 71-a(3) of the NYS Lien Law, which states that the initial advance pursuant to a contract of sale which by its terms provides for or is incidental to a contract providing for the construction on the subject real property of residential condominium unit or any structure designed solely for residential occupancy of not more than two families living separately, on property to be purchased shall, at the vendee's option, be deposited within five business days thereafter by the recipient in an interest bearing escrow account in a bank, trust company, savings bank, state or federal savings and loan association, located in this state. Such deposit, together with the interest accumulated thereon, shall remain the property of the vendee except as otherwise provided herein. The recipient shall advise the vendee in writing of the name of the depository where the funds have been placed within ten business days after such deposit has been made. In lieu of making the deposit of such moneys in an escrow account, the recipient may post with the vendee a bond guaranteeing the return of the moneys which otherwise would be required to be deposited in such escrow account, in which case the recipient shall not be required to deposit such money in an escrow account. The Sponsor will not be seeking to post a bond in connection with deposits received under this offering plan.

Sponsor agrees to defend, indemnify and hold Escrow Agent harmless from and against all costs, claims, expenses and damages incurred in connection with or arising out of this Agreement

or the performance or non-performance of Escrow Agent's duties under this Agreement, except with respect to actions or omissions taken or suffered by Escrow Agent in bad faith or in willful disregard of this Agreement or involving gross negligence of Escrow Agent. This indemnity includes, without limitation, disbursements and attorneys' fees either paid to retain attorneys or representing the hourly billing rates with respect to legal services rendered by Escrow Agent to itself. Escrow agent's obligations will be discharged by the Sponsor upon payment of the deposit and interest in accordance with the escrow agreement. The Escrow Agent has the right to represent the Sponsor in any lawsuit. Sponsor will not provide any compensation to the depository bank. Sponsor will not compensate the escrow agent for acting as such.

3. Closing Date and Closing

After the Plan has been declared effective the Sponsor will fix dates for closing title to all units for which purchase agreements have been executed by serving notice on each purchaser stating the date of the first closing and setting such purchaser's closing date. Such notice will be served no less than thirty (30) days before the date set for the closing of the units. Sponsor may permit purchasers to waive this thirty (30) day provision. The closing of title for each Unit will occur in accordance with the terms of the applicable purchase agreement for such Unit.

The Sponsor anticipates that the first closing of a unit will occur by January 1, 2026. Purchasers will be offered a right of rescission if: (i) the actual date of closing of title to the first unit; or (ii) the projected date of closing of title to the first unit occurs later than December 31, 2026, twelve months after the projected date for the first closing. If the Plan is amended to provide for a later projected date for the first closing, purchasers will be entitled to an offer of rescission if the first closing occurs more than 12 months beyond that amended, later date.

However, if the first closing occurs before December 31, 2026, the Sponsor may schedule the closings of title to other units significantly later than such date. Unless your Purchase Agreement contains an outside closing date, the Sponsor is not obligated to schedule your closing within any specified time frame or to ensure that closing of title to your closing within any specified time frame or to ensure that closing of title to your Unit will occur by any date certain.

In the event, however, Sponsor cannot convey title to the Unit on or before eighteen (18) months from the date of the Purchase Agreement, Purchaser shall be offered a right of rescission by written notice which shall give to the Purchaser a 15-calendar day period from receipt of such notice during which Purchaser may rescind the Purchase Agreement. In the event of a rescission, Purchaser is entitled to a refund of all deposited funds, except for funds already expended for upgrades and extras.

However, if the first closing occurs on or before December 31, 2026, the closing of subsequent units may be substantially delayed beyond such date then, in such case, provided that the sponsor is diligently pursuing completion of construction and issuance of a certificate occupancy and is otherwise in compliance with its obligations under the plan, a Purchaser will not be entitled to a right of rescission or to make claims against the Sponsor for damages or losses as a result of such delays and will not be excused from paying the full purchase price for the Unit. PROSPECTIVE PURCHASERS SHOULD THEREFORE CAREFULLY CONSIDER THE

POSSIBILITY OF SUCH DELAYS IN THEIR DETERMINATION AS TO WHETHER TO PURCHASE A UNIT.

Upon full payment of the purchase price at the closing, purchaser will receive a bargain and sale deed with covenant against grantor's acts, containing the provisions set forth in Section 13, Subdivision 5 of the New York Lien Law, which will convey good and marketable title to the Purchaser of fee ownership in the unit and such percentage of Common Interest in the Common Elements as is set forth on Schedule A, free and clear of all liens and encumbrances other than those set forth in this plan. The Purchase Agreement may be modified with the consent of Purchaser and Sponsor in a manner not inconsistent with law, subject to the terms of this Offering Plan.

The risk of loss from fire or other casualty remains with the Sponsor unless and until a purchaser takes actual possession of a Unit pursuant to an interim lease (or written agreement with the Sponsor) or legal title to the unit has been conveyed to the purchaser. A person who takes possession prior to closing assumes the risk of losses not covered by insurance. Therefore, a purchaser taking possession of a Unit prior to closing should obtain insurance to cover personal property in the Unit. The risk of loss from fire or other casualty to the common area remains with the Sponsor until the First Unit Closing at which time the risk of loss shall shift to the Board of Managers of the Condominium.

The risk of loss from fire or other casualty prior to the Closing of a Unit is assumed by Sponsor, but without any obligation or liability of Sponsor to repair the damage or restore the Unit. Sponsor shall notify a Purchaser within 30 days of the date of the casualty whether or not the Sponsor will restore a damaged Unit. Purchaser will not have the right to reject title to the Unit or to receive a credit against the Purchase Price, and Sponsor will be entitled to a reasonable period of time to complete such repairs or replacements but Sponsor agrees that such repair and replacement will be done as promptly as possible. Purchaser will not be required to close unless and until (i) the Unit has been repaired to as near as reasonably possible to its condition immediately prior to the casualty and (ii) it's essential services (such as electricity and heat) and a reasonable means of ingress and egress to the street have been restored. If a purchaser has obtained a commitment from a lender, such purchaser shall be required to make a good faith effort to extend the terms of the commitment to enable the sponsor to complete the repair or replacement but in the event that such commitment is not extended, the purchaser will be offered a right of rescission as discussed in this Section XI(4) of the Plan.

In the event Sponsor notifies Purchaser that it does not elect to repair or restore the Unit or if the Unit Owners do not resolve to make such repairs or restoration pursuant to the Condominium's Declaration and By-Laws, this Agreement will be cancelled and of no further force or effect and Sponsor will return to Purchaser all Down-payments and any funds paid by purchasers for special work, upgrades or extras whereupon the parties will be released and discharged from all obligations and liability hereunder and under the Plan, except that if Purchaser is then in default hereunder (beyond the applicable grace period, if any) or if this Agreement has previously been cancelled due to such default, Sponsor will retain the Down-payment as liquidated damages pursuant to Paragraph 10 hereof.

If Purchaser is given possession of the Unit prior to Closing under an interim lease, then Purchaser will be solely responsible for any damage to or loss or other condition in the Unit resulting from Purchaser's use or occupancy and Sponsor will not be obligated to make any repairs required of it as landlord under any existing or interim lease and, after Closing, the Board of Managers will be responsible to make those repairs required of it under the Condominium Declaration and By-Laws. The Sponsor shall maintain adequate insurance coverage on the Units. The Sponsor assumes any damage or loss to a Unit not resulting from the Purchaser's use and occupancy. However, such insurance will not cover the personal belongings of the purchaser/occupant. Purchasers occupying a unit prior to closing should therefore obtain insurance coverage for their personal belongings.

4. Financing Contingency

A Purchase Agreement is not contingent on financing unless a financing contingency is agreed to by the Sponsor. A form Financing Contingency Rider is attached as Part II of this Plan. Sponsor must consent to a mortgage contingency prior to Purchaser executing same. If Purchaser has executed a Financing Contingency Rider to the Purchase Agreement and the Sponsor consents to a Financing Contingency Rider, and the Purchaser subsequently fails to obtain financing, such failure to obtain financing will relieve the Purchaser from the obligation to close under the Purchase Agreement provided that the Purchase has complied with the terms and condition of the Finance Contingency Rider as set forth below. Sponsor must first consent to a Financing Contingency Rider and same will be agreed to by Sponsor on a case by case basis. The Financing Contingency Rider is included in Part II of this Plan.

If the obligations of a purchaser under a Purchase Agreement are not conditioned on obtaining financing, any prospective purchaser who executes a Purchase Agreement and does not obtain financing may lose his or her deposit if he or she is unable to otherwise raise the monies for the balance of the purchase price. Prospective purchasers who require financing are advised to consult with a lending institution before execution of a Purchase Agreement. No representation is made by the sponsor as to the availability or cost of such financing.

Purchasers should note that in the current real estate market, banks and other lenders are imposing various restrictions on purchase financing. Such restrictions include requiring that a certain percentage of apartments in a building be sold before a lender will consider making a loan. Thus, it may be possible for a purchaser to experience difficulty obtaining a loan in a building or group of buildings where the sponsor or holder of unsold shares has not sold a substantial percentage of the apartment in the building or group of buildings, which in some cases may be as high as 70%. Moreover, some lenders will not provide financing in a building or group of buildings where an investor other than the original sponsor has an ownership interest of 10% or more. It also may be difficult for a purchaser to resell an apartment if prospective buyers are unable to obtain a loan due to the same minimum sales and investor ownership restrictions.

Under the terms of the Financing Contingency Rider, the Purchaser shall have 30 days from the date of the Mortgage Financing Rider to obtain mortgage financing ("Commitment Date"). The maximum allowable financing is 80% of the purchase price (however, the Sponsor may agree, at its sole discretion to a higher amount). The Purchaser shall (i) make prompt

application for such mortgage loan; (ii) furnish accurate and complete information regarding Purchaser and members of Purchaser's family, as required; (iii) pay all fees, points and charges required in connection with such application and loan; (iv) pursue such application with diligence; (v) cooperate in good faith to obtain such commitment and (vi) promptly give Notice to Seller of the name and address of such lender to which Purchaser has made an application. Purchaser shall comply with all requirements of such commitment (or any other commitment accepted by Purchaser) and shall furnish Seller with a copy thereof promptly after receipt thereof. If such commitment is not issued on or before the Commitment Date, then, unless Purchaser has accepted a commitment that does not comply with the requirement set forth above, Purchaser may rescind the purchase agreement by giving Notice to Seller within 5 days after the date of the Commitment Date, in which case this contract shall be deemed cancelled and thereafter neither party shall have any further rights against, or obligations or liabilities to, the other by reason of this contract, except that the Down Payment shall be promptly refunded to Purchaser. The purchaser assumes the risk that a commitment may expire or that the terms of the commitment may change prior to actual closing. If the purchaser's obligations are contingent upon obtaining a financing commitment, and the financing commitment lapses or expires prior to closing due to no fault of the Purchaser, and the purchaser has made a good faith effort to extend the commitment, Sponsor shall grant to such purchaser a right of rescission and a reasonable period of time within which to exercise the right.

Under New York law, when a mortgage commitment is not fulfilled through no fault of a Purchaser, performance is excused. Therefore, if Purchaser acts in good faith and the lender revokes the loan commitment after the contingency period expires, performance is excused, and Sponsor must grant to such Purchaser a right of rescission and a reasonable period of time to exercise such right. The Sponsor is not offering financing to Purchasers. The Sponsor does not have a preferred Lender. If Sponsor consents to a Financing Contingency Rider, Purchasers may apply for financing with any Lender they choose.

5. Marketing Unit Prior to Closing

Prior to Closing of Title, a Purchaser is prohibited from listing the Unit for sale or rental either through a real estate broker or from advertising, or otherwise offering, promoting or publicizing the availability of the Unit for sale or rental, without Sponsor's prior written consent. Sponsor may withhold consent for any reason or for no reason. Purchaser's violation of this provision will be deemed a breach under the terms of the Purchase Agreement and as a consequence, will entitle the Sponsor to cancel the Purchase Agreement and retain the Down Payment as liquidated damages.

6. Assignment of Purchase Agreement

At Sponsor's option, Sponsor may permit the assignment or transfer of purchase agreements by a Purchaser. However, no purchase agreement shall be assigned or transferred without the written permission of the Sponsor and such permission may be withheld for any reason. In the event the Sponsor approves of such assignment; all Down Payment funds shall be deemed assigned. No portion of the Down Payment funds shall be disbursed or refunded prior to closing. If Sponsor, in its sole discretion, consents to a Purchaser's request for an assignment of the Purchase Agreement, or for the addition, deletion, or substitution of names on the Purchase

Agreement, Purchaser shall pay Sponsor's Counsel a fee of \$500.00, payable in advance, for preparation of an assignment agreement. Sponsor may not withhold consent for an assignment of the purchase agreement based upon race, creed, color, national origin, sex, age, disability, marital status, or other grounds prohibited by law.

7. Default

If Purchaser defaults under the Purchase Agreement, Sponsor shall notify Purchaser in writing of such default and advise Purchaser that he or she has thirty (30) days from the mailing date of such notice within which to cure such default. TIME IS OF THE ESSENCE FOR PURCHASER TO CURE ANY DEFAULT UNDER THE PURCHASE AGREEMENT WITHIN THE APPLICABLE PERIOD. "Time is of the essence", means that if Purchaser fails to make such payment when required under the Purchase Agreement, or fails to perform any of Purchaser's other obligations under the Purchase Agreement within said thirty (30) days, then Sponsor may cancel the Purchase Agreement by giving notice to Purchaser of Sponsor's cancellation of the Purchase Agreement. In the event of such a cancellation, the Sponsor may retain as liquidated damages all payments, including the Down Payment, made under the Purchase Agreement.

In the event that the Sponsor consents to an extension of the closing date, all adjustments as set forth in the section of the Plan entitled "Closing Costs and Adjustments" shall be made as of midnight of the date preceding the date originally set for closing (regardless as to when the closing actually happens) and further, Purchaser shall pay to Sponsor, the sum of .03% of the Purchase Price for that Unit for every day starting from the originally scheduled closing date through, and including, the day before the actual closing date (10.95% Annual Percentage Rate). This payment is intended to reimburse the Sponsor for Common Charges incurred during the extension period. If Sponsor adjourns the closing due to fault of the Purchaser, this provision shall apply to the adjourned closing date to be determined by Sponsor. The interest rate charged will not exceed NYS usury charges.

8. Miscellaneous

The purchase agreement and plan may not contain, or be modified to contain, a provision waiving purchaser's rights or abrogating Sponsor's obligations under Article 23-A of the GBL.

No escrow will be established for unfinished items. Sponsor will provide Purchaser an opportunity to inspect the Unit at least 48 hours before closing. At closing the Sponsor and purchaser shall agree on a list of unfinished items, to be signed by both parties, in which the Sponsor agrees to complete said item within a reasonable time, not to exceed ninety (90) days, unless such delay is due to such factors as are out of the control of the Sponsor, in which case the Sponsor will complete such items as soon as possible thereafter.

All representations under the offering plan and such additional obligations under the offering plan which are to be performed subsequent to the closing date will survive delivery of the deed.

The purchaser will be required to sign a power of attorney to the Board of Managers of the Condominium at the closing of his unit prior to the delivery of the deed, in the form shown in Part II of this offering plan. Failure to do so shall constitute a material breach of the contract. The power of attorney gives the Board of Managers to power to acquire any Unit whose owner desires to abandon the same, or which shall be the subject of a foreclosure sale or in lieu of a foreclosure sale, at such price and on such terms as the board, in their sole discretion deem proper and thereafter to convey, sell, lease, sublease, mortgage, vote or otherwise deal in such Unit so acquired, at such terms as the Board may in their sole discretion determine. It also nominates, constitutes and appoints the Board of Managers to vote at any home owners meeting, and to file amendments to the Declaration as necessary to carry out any of the provisions of the offering plan of the Condominium. The Sponsor will not deliver a deed to any unit unless accompanied by a Power of Attorney in the form shown in Part II of this Offering Plan.

The Purchase Agreement and Plan may not contain, or be modified to contain, a provision waiving Purchaser's right or abrogating Sponsor's obligations under Article 23A of the GBL. Any conflict between the offering plan and the purchase agreement will be resolved according to the terms of the plan.

Nothing contained herein shall diminish or impair the sponsor's statutory obligation to each purchaser pursuant to *GBL section 352-h* to hold in trust all deposits, advances or payments made in connection with the offer until consummation of the transaction with such purchaser. Consummation of the plan does not relieve sponsor of its obligations pursuant to *GBL section 352-h*. Funds from the escrow account remain the property of the purchaser until employed in connection with the consummation of the transaction. Such funds shall not be a part of the estate of the sponsor or the escrow agent upon any bankruptcy, incapacity or death.

Purchaser waives any right to trial by jury as well as court proceeding. Any matter required or permitted to be determined by arbitration pursuant to the terms of the Condominium Documents or Purchase Agreement including but not limited to disputes regarding the Purchase Agreement and disputes between Unit Owners and the Board shall be submitted for resolution by a single arbitrator in a proceeding held in New York City, New York, in accordance with the then existing rules of the American Arbitration Association or any successor organization thereto. The arbitrator will be an independent third party unrelated to either party. By signing the Purchase Agreement, Purchaser waives any right to trial by jury in any action, proceeding or counterclaim in any way connected with this Agreement or the Plan.

9. FinCen

Pursuant to the Geographic Target Order (the "Order") issued by the Director of the Financial Crimes Enforcement Network ("FinCEN"), title companies are now required to collect and report information regarding purchasers in transactions where: (1) the purchaser is a legal entity as defined in the Order; (2) the purchaser purchases residential real property located in the Boroughs of Brooklyn, Queens, Bronx, Manhattan and Staten Island; (3) the total purchase price is in the amount of Three Hundred Thousand Dollars (\$300,000.00) or more; (4) such purchase is made without a bank loan or other similar form of external financing; and (5) the purchase is made, at least in part, using currency or a cashier's check, a certified check, a traveler's check, a

personal check, a business check, or a money order in any form, a funds transfer, or virtual currency. This affects all residential real property closings meeting the above criteria and occurring on or after October 9, 2025 for so long as the Order remains in effect. A copy of the Order is available here:

SECTION XII. EFFECTIVE DATE

The offer to sell is contingent upon the plan's being declared effective and upon compliance with the relevant conditions and time periods described herein.

The plan may not be declared effective unless bona fide purchasers, including investors, have signed purchase agreements for at least one (1) unit which represents at least fifteen (15%) percent of the units offered under the plan.

The plan will be declared effective by mailing or personal service of notice on every purchaser in the manner required by NYCRR Title 13 Section 20.1(d) stating that the plan is declared effective. There will not be any closings until the Plan is declared effective. Sponsor will submit an Amendment of Effectiveness upon declaring the Plan effective. The Amendment to declare a plan effective must conform to the effective date section of the Offering Plan. If the Plan was declared effective by notice, the Amendment must refer to the notice and the date of the notice, and must be submitted to the Department of Law within five days of such notice. No closing shall occur until this Amendment is accepted for filing by the Department of Law unless the condominium development consists of five or fewer units. The Amendment shall state the percentage of units being offered for which Sponsor has accepted purchase agreements from bona fide Purchasers.

The plan will not be declared effective based on purchase agreements: (i) signed by purchasers who have been granted a right of rescission that has not yet expired or been waived; or (ii) if the purchasers were afforded fewer than three (3) business days to review the offering plan and all filed amendments prior to the execution of a purchase agreement pursuant to NYCRR 20.3(o)(15); or (iii) with any purchaser who is the Sponsor, the Selling Agent, or the Managing Agent or is a principal of the Sponsor, the Selling Agent or the Managing Agent or is related to the Sponsor, the Selling Agent or the managing agent or to any principal of the Sponsor or the Selling Agent or the Managing Agent by blood, marriage or adoption or as a business associate, an employee, a shareholder or a limited partner; except that such a purchaser other than the Sponsor or a principal of the Sponsor may be included if the Sponsor has submitted proof satisfactory to the Department of Law establishing that the purchaser is bona fide.

The plan may not be declared effective unless bona fide purchasers, including investors, have signed purchase agreements for at least one (1) unit which represents at least fifteen (15%) percent of the units offered under the plan. The plan must be declared effective when purchase agreements have been accepted by Sponsor for four (4) Units, which represent at least 80% of the Units offered under the plan. Sponsor will not declare the Offering Plan effective until it has one (1) bona fide purchaser under contract.

The plan may be abandoned by Sponsor, at its option, before it is declared effective. In the event of abandonment, Sponsor shall promptly file an amendment together with form RS-3 as required by 13 NYCRR §20.1(l)(2). Within five (5) days of after the amendment abandoning the plan has been accepted for filing, all monies paid by Purchasers shall be refunded to them in full. If payments under purchase agreements had been received, the amount of such funds and the manner and time when these funds will be returned to Purchasers will be disclosed to the

Department of Law. If there are no outstanding purchase agreements, Sponsor need not submit an amendment but shall nonetheless submit a form RS-3 to the Department of Law, which shall be served simultaneously by Sponsor on all commercial or processional tenants, if any, in the manner specified by Section 20.1(d)(1) of this 13 NYCRR §20.1(l)(2).

Sponsor may not abandon the plan after effectiveness for any reason other than (i) a defect in title which cannot be cured without litigation or cannot be cured for less than a stated amount which shall not be less than one-half of one percent of the total offering amount or (ii) substantial damage or destruction of the building by fire or other casualty which cannot be cured for less than a stated amount which shall not be less than one-half of one percent of the total offering amount, or (iii) the taking of any material portion of the property by condemnation or eminent domain. Sponsor must provide that any stated dollar amount relied upon as basis for abandonment after effectiveness must exclude any attorney's fees or any such title defects or determinations of any authority or regulatory association which exist on the date of presentation of the plan and are either known to the Sponsor or are a matter of public record.

Notwithstanding the fact that not all purchasers used for purposes of declaring the plan effective may actually close, sponsor will re-declare the plan effective if all purchase agreements are either rescinded or terminated prior to the date of first unit closing, regardless of whether the condominium declaration has been recorded.

SECTION XIII. TERMS OF SALE

At closing, Purchasers will give the Purchaser fee simple title to the Unit and respective undivided interest of the common elements. A form of a bargain and sale deed with covenants against grantors acts is contained in Part II of the Plan. Sponsor will convey good and marketable title to the Unit and its appurtenant interests, by a bargain and sale deed with covenants against grantor's acts, containing the provisions set forth in subdivision 5, Section 13 of the Lien Law, free and clear of all liens and encumbrances other than the following which are referred to as Permitted Encumbrances in the Purchase Agreement included in Part II of this Plan:

- (l) Any other declaration or other instrument affecting the Property which Sponsor deems necessary or appropriate to comply with any law, ordinance, regulation, zoning, resolution or requirement of the Department of Building, the City Planning Commission, the Board of Standards and Appeals, or any other public authority, applicable to the demolition, construction, alteration, repair or restoration of the Building; provided, however, that such declaration or other instrument does not adversely affect the right of the Unit Owner to utilize the Unit as herein described.
- (m) Violations noted or issued of record before or after the First Unit Closing by any governmental authority. Any violation, which Sponsor is obligated to remove, will not be an objection to Closing, provided Sponsor agrees in writing with the Board of Managers to remove same of record;

The Sponsor has the option to repair any damage from a casualty or other cause that occurs before the closing of a purchaser's unit. The rights and obligations of purchasers of damaged units shall be the same as those of purchasers of undamaged units, except that if Sponsor fails to repair and restore the unit by the date set for closing, the purchaser of a damaged unit may rescind the purchase agreement and receive back any Down Payment, less the actual cost of extras or special work, at any time after the date set for closing (if the closing did not take place due to Sponsor's failure to repair or restore) but not later than 15 days from the date set for closing by giving written notice of such intention to the Sponsor. Purchasers who rescind their purchase agreements pursuant to this paragraph will receive back the unexpended money paid for extra work. If Sponsor elects to repair or replace loss or damage, Sponsor shall so notify the Purchaser within 30 days of the loss or damage and the purchase agreement shall continue in full force and effect. If Sponsor is obligated to make repairs, Purchaser is to receive back all monies paid, including extras.

The cost of extras and special work must be paid for in advance by placing the money in the escrow account. It is a special risk to purchasers who rescind their purchase agreements they will not receive back the expended money paid for such work. If purchasers have not paid for the extras in advance, in the event of rescission the actual expended cost of such work will deducted from any amounts returned to the purchasers.

As set forth above, title to each unit and its appurtenant interest in the Common Elements will be conveyed at the closing free and clear of all liens, encumbrances and title exceptions, except those set forth herein. No leases, mortgages, liens, or encumbrances will affect the property after closing. Title exceptions which shall not be deemed objectionable by purchaser may include easements and/or the state of facts shown on a stated survey and any additional state of facts a subsequent survey would show, provided that such easements and/or additional state of facts do not render title unmarketable.

All personal property located within the unit on the date the purchase agreement is signed or located within the Common Elements on the date the Declaration is filed, that is owned by the Sponsor, is included in the conveyance unless such personal property (i) is construction related (ii) has been placed therein for display purposes or (iii) is specifically excepted in the purchase agreement.

The Declaration, By-Laws and Floor Plans for the Condominium and such other documents, as required by law, will be recorded or filed prior to the first closing of title to a unit in accordance with the New York Condominium Act or applicable state and local law in the office of the clerk of Kings County, New York.

If the existing mortgage and construction loan of Sponsor's lender, JPMorgan Chase Bank, National Association, will not be satisfied at or prior to the closing of the first unit, at the time of conveyance of each unit the mortgagee will release its lien on the Unit being conveyed and its interest in the Common Elements appurtenant to that unit.

Purchaser shall receive any manufacturers' warranty certificates with respect to equipment and appliances installed in the unit and Sponsor shall assign any warranties with respect to equipment and appliances installed in the Common Elements to the Board of Managers to the

extent such warranties are available.

Sponsor is selling Units as-is. The signing of the Purchase Agreement by Purchase signifies Purchaser's acceptance of the condition of the Property, including the Building, the Common Elements, the Unit, and all fixtures, machinery, equipment, furnishings, appliances, installations, and other personal property contained therein, in their respective existing conditions, ordinary wear and tear excepted between the date Purchaser signs this Agreement and delivery of the deed to Purchaser. Purchaser acknowledges having read the Description of Property, which sets forth a description of the physical condition of the Building set forth in Part II of the Plan and having been given the opportunity to review the section of the Plan SPONSORS' STATEMENT OF BUILDING CONDITION. Purchaser understands that Sponsor has no obligation to make any repairs, improvements, or decorations in or to the Property, the building, the Unit, or the fixtures, machinery, equipment, furnishings, appliances, installations, and other personal property contained therein, except as may otherwise be set forth in the Plan. Sponsor will maintain the Building and Common Elements in substantially the same condition they were in on the Filing Date, until the First Closing, unless prevented from doing so by reason of acts or events beyond Sponsor's control. Purchasers shall be given a reasonable opportunity to examine the Unit prior to Closing and it is recommended that Purchasers make a careful examination at such time.

All representations under the offering plan and such additional obligations under the offering plan which are to be performed subsequent to the closing date will survive delivery of the deed.

SECTION XIV. CLOSING COSTS AND ADJUSTMENTS

The estimated closing costs, expenses to be borne by each purchaser and related information is discussed below.

Purchaser may purchase fee title insurance from an insurer of the Purchaser's choice without incurring a penalty. The table below shows title charges in accordance with the schedules of rates set by the New York State Land Title Association and filed with the New York State Department of Insurance. The title policy premiums and the recording charges set forth herein are those in effect as of the date of this Offering Plan, and may be increased by the Title Company, State, County or municipality.

1. Approximately \$52.00 recording fee for the deed, approximately \$125.00 Real Property Transfer fee, and approximately \$57.00 for recording the power of attorney.

2. In the event the purchaser shall obtain a purchase money mortgage, he shall pay at the closing of title the sum of the following costs: recording fees for the mortgage of approximately \$250.00 and mortgage tax (subject to certain possible adjustments) of 1.8% of the principal amount of the mortgage for mortgage amounts under \$500,000.00 and 1.925% of the principal amount of the mortgage for mortgage amounts greater than \$500,000.00, mortgage title policy charges, lending institution's attorney's fees, origination fees, mortgage application fees, credit reporting fees and any other fees charged by the lending institution.

3. If applicable, a portion of the mortgage recording tax set forth above will be computed in accordance with Section 339-ee, subsection 2, of the New York Condominium Act, and shall be paid to the Sponsor in reimbursement of mortgage recording taxes which the Sponsor will have previously paid in connection with any existing mortgages on the Condominium property. In addition, the purchaser may be required by the lending institution to post with the lending institution a deposit towards the payment of real estate taxes based upon a multiple of estimated monthly real estate taxes which will vary with the closing date.

4. Sellers in general have a statutory obligation to pay the transfer taxes; however, the Seller's obligation to pay the transfer tax is transferred to the Purchaser. New York City Real Property Transfer Tax which is currently 1% of the purchase price for a purchase of \$500,000.00 or less and 1.425% of the purchase price for purchase price greater than \$500,000.00. Under the Purchase Agreement and the Offering Plan, Purchasers are required to pay these taxes as a closing cost. In computing the total consideration for purposes of determining the transfer taxes due, the NYC transfer taxes that would be due on the actual purchase price may be added to the purchase price and this "grossed up" amount is deemed the consideration.

5. Sellers in general have a statutory obligation to pay the transfer taxes; however, the Seller's obligation to pay the transfer tax is transferred to the Purchaser. New York State has made modifications to the New York State Transfer Tax and the New York State Mansion Tax rates under certain circumstances, for transfers in New York City. Tax is computed at a rate of \$2.00 for each \$500.00, or fractional part thereof, of consideration. An additional tax of 1% of the sale price (Mansion Tax) applies to residences where consideration is \$1 million or more. Beginning

on July 1, 2019, certain conveyances of real property or interests therein, located in New York City (other than a conveyance made pursuant to a binding written contract entered into on or before April 1, 2019) are also subject to the following New York State taxes: (1) A tax of \$1.25 for each \$500.00, or fractional part thereof, when the consideration for the entire conveyance of residential real property is \$3 million or more (“additional base tax”); (2) An additional base tax of \$1.25 for each \$500.00, or fractional part thereof, when the consideration for the entire conveyance of property other than residential real property is \$2 million or more and (3) A supplemental tax on the conveyance of residential real property, or interest therein, where the consideration is \$2 million or more. The tax rate is an incremental rate between .25% and 2.9% based on the purchase price. Under the Purchase Agreement and the Offering Plan, Purchasers are required to pay these taxes as a closing cost, if applicable. New York State Tax Law Section 1404(a) has been amended effective as of July 1, 2021. This amendment applies to transactions dated on or after July 1, 2021 other than conveyances that are made pursuant to binding written contracts entered on or before April 1, 2021, provided that the date of execution of such contract is confirmed by independent evidence, such as the recording of the contract, payment of a deposit or other facts and circumstances as determined by the commissioner of taxation and finance. Under the revised law, if the conveyance is of residential real property and the grantee pays the NYS transfer tax, the NYS transfer tax is no longer included as a part of the taxable consideration, and the ultimate NYS transfer tax to be paid by the grantee is no longer “grossed up.” The requirement to “gross up” the taxable consideration has now been eliminated when calculating New York State Real Estate Transfer Tax (RETT) and Mansion Taxes on the conveyancing of a one to three family residential dwelling, an individual residential condominium and an individual residential cooperative unit, or interests therein, when the contract of sale places the burden of such transfer tax upon the grantee. Grossing up for purposes of calculating NYC RPT are not subject to this amendment to the New York State Tax Law.

6. If the purchase price of a Unit is \$1,000,000.00 or more, the Purchaser shall also be obligated to pay the New York State Additional Tax pursuant to Article 31 of the Tax Law, commonly referred to as the “Mansion Tax,” currently one (1%) percent of the purchase price, which by law is the primary obligation of the Purchaser.

7. Two months of Common Charges are to be paid to the Condominium as an initial working capital contribution. While Sponsor is in control of the Board of Managers the working capital fund will not be used to reduce the Common Charges. If any portion of the working capital fund is used during this period to pay for items in the budget set forth as Schedule B, such amounts will be repaid to such fund out of Common Charges collected.

When completely funded, after all closings, the Working Capital fund will contain two months aggregate Common Charges. The purpose of this fund is to provide for unanticipated expenses that may arise in the day to day management of the Condominium from time to time without the necessity of resorting to a special assessment to unit owners. While the exact nature of unanticipated expenses cannot be defined, this contingency may be used to offset the costs of insurance deductibles on claims, to provide for additional management or maintenance services or improvements not otherwise classified in this budget. It will not be used to replace capital items.

This Plan must state in two separate sections whether the Condominium will have funds for Working Capital. The other section is Section XXII, Working Capital Fund.

8. At closing, the purchaser must pay the Sponsor's attorney fee in the amount of \$3,000.00 to reimburse Sponsor for a portion of its legal fees incurred in connection with the closing of title of the Purchaser's unit. If the closing takes place at a location other than in the Sponsor's counsel's office, the Purchaser will be required to pay to Sponsor's counsel an additional fee of \$500.00 or \$250.00 if the closing is held remotely. If the closing is adjourned through no fault of the Sponsor, the Purchaser will be required to pay to Sponsor's Counsel an additional fee of \$250.00 for each adjournment to defray the cost of scheduling, preparing for, and coordinating the new closing. If the closing venue changes to accommodate a Purchaser's request, extra costs will be added to closing costs. If Sponsor, in its sole discretion, consents to a Purchaser's request for an assignment of the Purchase Agreement, or for the addition, deletion, or substitution of names on the Purchase Agreement, Purchaser shall pay Sponsor's Counsel a fee of \$500.00, payable in advance, for preparation of an assignment agreement. If Purchaser's lenders require a "condo questionnaire" the Purchasers will pay Sponsor's attorney \$150.00 at closing. Purchaser may be required to pay more than one fee with respect to a single unit pursuant to the preceding provisions of the paragraph. Each Purchaser shall be responsible for the payment of fees to his own attorney and the attorney for Purchaser's lender.

9. Purchaser must pay any title company fees associated with the preparation and/or recording of the transfer tax documents, ACRIS documents or E-tax forms. ACRIS preparation fee will be paid to sponsor's attorney is prepared by Sponsor's attorney.

10. If separate tax assessments have not been made for individual units prior to the closing of title to a Unit, Sponsor will collect from each Purchaser at closing, and will place in escrow in a separate account established by the Sponsor for that purpose, an amount equal to the Unit's estimated proportionate share of the real estate taxes projected to be due for the entire Property for the half of the tax year next commencing after the closing of said Unit, (i.e., for either the first half or second half, depending on when the Unit closes) based on the higher of the actually assessment or the tax estimate set forth in Schedule A. If the tax assessor indicates that more than one half of a tax year may elapse before the Units are individually assessed, Sponsor shall collect at closing Purchaser's proportionate share of taxes for the upcoming half and shall deposit the same in the account described above. With respect to the balance of the estimated taxes due for the next applicable tax period, the Board of Managers is authorized, and shall be obligated to collect monthly escrows from Unit Owners with their Common Charges based upon the estimated tax bill for the entire Property and the then current tax rate deposit the same in the tax escrow account ("Tax Reserve"). At the time taxes are due and payable, Sponsor shall pay out of Sponsor's own funds, Sponsor's proportionate share of the Property tax bill allocable to the Unit(s) Sponsor then owns, based on the allocation method described above, and the Board of Managers shall be obligated to cause the release to Sponsor of the appropriate amount of escrowed tax funds in the tax escrow account for Sponsor's use in paying the share of taxes attributable to Units that have been sold and closed to other Unit Owners.

If the actual taxes due for any period for which Sponsor collected escrows are higher than the amount collected and held in escrow, the Board of Managers shall pay the difference and shall

bill Unit Owners for their proportionate share of any necessary reimbursement, as a Special Assessment. Sponsor will remain liable for all real estate taxes attributable to Sponsor's Units until Sponsor sells and conveys those Units. If any Unit Owner fails to pay a Unit's pro rata share of real estate taxes when due, by Common Charge billing, special assessment billing, or both, the Board of Managers will have a lien on such Unit for non-payment thereof, as if such charges were Common Charges. If the actual taxes due for any period for which Sponsor collected escrows are lower than the amount collected and held in escrow, the Board of Managers shall pay the Unit Owners their proportionate share of any excess.

If as of the date of closing, the units are not separately assessed and the unit owner is required to deposit moneys with the Board for the payment of real estate taxes, in addition to such deposit with the Board, the Unit Owner's lender may also require an escrow for taxes.

11. Purchasers of Residential Units shall also reimburse the Sponsor \$2,000.00 each for Sponsor's cost for engineering, architect and expediting fees to create the Condominium ("Creation Costs").

12. In the event that Purchasers elect to purchase title insurance, the premiums for fee insurance are calculated as follows: \$402.00 for the first \$35,000.00 of fee insurance plus from \$2.76 to \$6.67 for each \$1,000.00 of additional fee insurance depending on the amount of insurance purchased. The premiums for mortgage title insurance are calculated as follows: \$344.00 for the first \$35,000.00 of fee insurance plus from \$2.31 to \$5.55 for each \$1,000.00 of additional fee insurance depending on the amount of insurance purchased. Purchasers receive a discounted rate on the mortgage title insurance if fee insurance is purchased simultaneously. There rates are subject to change without notice.

The following is a breakdown of estimated closing costs typically incurred by purchasers (Purchasers may opt for additional coverages and services but the below are what is typically obtained) based on unit price of \$1,450,000.00 (which is the highest priced unit as of the submission of the Plan) and a mortgage of \$1,160,000.00 (this is not a warranty or guarantee of costs):

In the event that a Purchaser chooses to purchase title insurance at the Closing, Purchaser must obtain a commitment to issue title insurance in the form of a title report from a title insurance company licensed to do business in the State of New York. Such report is to be delivered to Sponsor's attorney at least 30 days before Closing. Sponsor must convey marketable title to the Unit. If Sponsor is unable to convey Marketable title pursuant to this Plan, the Purchaser will be entitled to a return of the Down Payment. There is no restriction on which title company purchasers may choose to insure title. However, the title company chosen by Purchaser must agree to submit all real estate tax forms, deeds, powers of attorney, satisfactions or partial releases of mortgage, and/or other instruments that must be recorded in connection with the conveyance of a deed to a Unit Owner and all transfer taxes due in connection therewith and will be obligated to indemnify Sponsor for such title company's failure to file such forms and/or failure to remit the required transfer taxes in connection therewith in a timely manner.

Purchasers may obtain title insurance from a company of their choice without incurring a penalty.

In the event of the failure of the purchaser to close title as a result of any title exception raised by a title company selected by Purchasers, Sponsor may choose to not remove the title exception if it does not make title unmarketable and a different TIRSA recognized and licensed title company is able to insure over the exception.

The Sponsor anticipates that the only items which will be apportioned at the closing of title to the units will be real estate taxes and Common Charges, if they have been declared by the Board of Managers. Adjustments will be made as of 11:59 P.M. on the day preceding the closing date. In the event there are any other items which are to be apportioned at closing, if practicable, the Sponsor will advise the purchaser in writing of such items at least two days before the closing.

If Purchaser obtains a mortgage loan for the purchase of the Unit (the "Purchase Money Mortgage"), the Purchaser will pay to Sponsor a sum equal to the partial mortgage tax credit to which Purchaser may be entitled pursuant to Section 339-ee(2) of the Condominium Act, which sum will be paid as a reimbursement for the mortgage recording tax previously paid by Sponsor in connection with any existing mortgage(s).

SECTION XV. RIGHTS AND OBLIGATIONS OF SPONSOR

Sponsor has certain rights and obligations under this Offering Plan and applicable Law, and all Purchasers, upon execution of their respective Purchase Agreements will be deemed to have accepted, approved and agreed to abide and be bound by the following.

1. Sponsor's Obligations with respect to the Property

The Sponsor intends to sell the Units. The Sponsor will endeavor in good faith to sell the Units in a reasonably timely manner. However, the Sponsor retains the unconditional right to rent any residential units without any conditions after plan consummation and there is no commitment to sell more units than the 15% necessary to declare the plan effective (1 Unit). As such, this plan may not result in the creation of a Condominium in which a majority of the units are owned by owner-occupants or investors unrelated to the Sponsor. Purchasers may never gain voting control of the Board of Managers under the terms of this plan through their own occupancy.

The Sponsor obtained construction financing from First Republic Bank, which was assigned to JPMorgan Chase Bank, National Association, with an address at 700 Kansas Lane, MC 800, Monroe, LA 71203, in the aggregate amount of \$1,500,000.00. There is no obligation by Sponsor's lender on Sponsor to sell rather than rent any Units. The lien of the Sponsor's lender will be released at the first Unit Closing.

Sponsor shall have the following obligations pursuant to this Offering Plan, which shall be performed in accordance with the practice of the industry:

a. Sponsor reserves the right without altering the total amount of space contained in the Building, to change the size, interior layout and location of any Unit or the number of Units, provided such changes are made in accordance with the section titled "Changes in Prices and Units" and with the requirements of law. Changes will be made in the size or number of Units, their respective percentage of Common Interest or in the amount or quality of Common Elements, except as otherwise provided herein, only with the consent of all Unit Owners directly affected, and by amendment to the Offering Plan and also by amendment to the Declaration, if the Declaration was filed prior to such change. However, Sponsor shall not be obligated to obtain consent of any Unit Owner for changes made prior to the execution of a Purchase Agreement for the affected Unit or Units so long as such changes are made by amendment to the Offering Plan and to the Declaration. A Unit Owner shall be deemed directly affected only if such change results in an alteration of his or her Unit or the Common Interests allocable thereto.

Sponsor may not make changes to the size, location of buildings or units other improvements or common elements if such changes affect the percentage of common interests or adversely affect the value of any unit to which title has closed or for which a purchase agreement has been executed and is in effect unless all affected unit owners and contract vendees consent in writing to such change.

Unless an affected Purchaser consents, no material change will be made in unit size, layout, or percentage of common interest if a Purchase Agreement has been executed and delivered to the

Sponsor for that unit and the Purchaser is not in default.

Unless all Purchasers consent, no material change will be made in the size and no material adverse change will be made in the quality of Common Elements.

b. A final Certificate of Occupancy, CO number 321184106F, was issued on January 13, 2021 for the property. A new Certificate of Occupancy is not required or being pursued as part of this conversion.

c. Except as provided in Section XIV “Closing Costs and Adjustments”, Sponsor will pay all expenses incurred prior to the establishment of the Condominium in connection with its operation and will bear and pay all costs and expenses incurred in connection with the creation of the Condominium, whenever such costs or expenses are incurred, or in connection with the sale of all of the Units held or owned by Sponsor. However, Purchasers shall pay to Sponsor the Creation Cost reimbursement of \$2,000.00, Sponsor’s attorney’s legal fee in connection with the closing of the Unit and those other fees set forth in the Summary of Closing Costs included in this Plan. Except as otherwise provided in this Offering Plan, Sponsor will pay all selling expenses of Sponsor, including, but not limited to, advertising and printing costs, architects’ fees, attorneys’ fees, organization costs, brokerage and Selling Agents’ fees and commissions, engineers’ fees, appraisal and surveying fees and costs.

d. Sponsor will pay all Common Charges, real estate taxes, Special Assessments and other expenses allocable to any Units owned by Sponsor, so long as Sponsor shall continue to own such Units. However, as set forth in this Offering Plan, where Purchaser has caused an unauthorized delay in Closing, sponsor shall be entitled to reimbursement by Purchaser of real estate taxes and Common Charges during such unauthorized delay.

Sponsor reserves the right to cause the Condominium Board to delay the collection of Common Charges to any Unit Owner for so long as Sponsor pays the actual Condominium expenses, in lieu of Common Charges. In the event that Sponsor makes such election: i) Common Charges will not be assessed by the Board of Managers to any Unit Owners, ii) Sponsor shall disclose such information in the post-closing amendment to the Plan, and shall set forth the anticipated length of such delay period, and such information will be disclosed in the closing notice or statement to Purchasers; iii) Sponsor shall provide at least thirty (30) days written notice of the expiration of the delay period and shall disclose such notice in an amendment to the Plan; (iv) during any such delay period, the Sponsor will timely pay all expenses of the Condominium, including but not limited to insurance premiums and any reserve fund payments and such expenses shall not include individual unit owner expenses such as real estate taxes, utility charges, etc.; (v) upon the commencement of the collection of Common Charges, there will not be an assessment for any item set forth in the approved budget for the Condominium; and (vi) the Sponsor shall remain obligated to update the budget for the Condominium.

Sponsor represents that it has sufficient financial resources to meet its obligations with respect to unsold units and will not require additional financing or the sale of any of the units to pay for same. Sponsor will fund its obligations to the Condominium for unsold units from its principals’ monetary contributions to Sponsor and from proceeds of the loan given to it by lender.

As provided in Article VI Section 5 of the By-Laws, no bond will be posted by Sponsor to insure completion. In the event that the Sponsor is more than thirty (30) days in arrears on Common Charges for any unsold unit during the time that the Sponsor is in control of the Board of Managers, Sponsor will cause the Board of Managers to file a lien as provided for in Section 339-aa of the Real Property Law.

e. Prior to Closing, all liens affecting the Unit and its appurtenant Common Interest shall be paid and satisfied or bonded and such Unit and its appurtenant Common Interest shall be released from such lien by partial release which will be duly recorded.

f. The Housing Merchant Implied Warranty (General Business Law Article 36-B) does not apply to this offering because that statute applies only to new single family homes or new for sale units in a multi-unit residential structure which is five (5) stories or less in which title is transferred to Purchasers under a cooperative or condominium regime. Where the Housing Merchant Implied Warranty does not apply, a common law implied warranty does not exist; therefore, unless a warranty is expressly provided by Sponsor, none such exists. See *Fumarelli v Marsam Dev.*, 92 NY2d 298, 301 [1998]; *Bd. of Managers of Beacon Tower Condominium v 85 Adams St., LLC*, 136 AD3d 680 [2d Dept 2016]; *Pine St. Homeowners Ass'n v 20 Pine St. Homeowners Ass'n v 20 Pine St. LLC*, 109 AD3d733 [1st Dept 2013]. Sponsor does not warrant the materials or workmanship of construction in Units, Limited Common Elements, or Common Elements. Sponsor does not warrant the materials, workmanship, installation or operation of any appliances, equipment or fixtures. Nevertheless, Sponsor has the absolute obligation to design and build the Building in accordance with applicable law, codes, regulations, filed plans and specifications, and locally accepted building practices for items which are not covered by codes. Sponsor's obligations, regardless of any limitations in any warranty or in the Plan, cannot go below the duty to construct the Building in accordance with all applicable Laws and the Plans and Specifications, and any conflict between any such disclosures and Sponsor's obligation to construct the Building in accordance with all applicable Laws and the Plans and Specifications shall be resolved in favor of the latter. NO DISCLAIMER OR LIMITATION OF LIABILITY ON SPONSOR'S PART SHALL APPLY TO SPONSOR'S OBLIGATIONS UNDER ALL APPLICABLE STATUTES, LAWS AND REGULATIONS.

Purchasers may have a claim under a breach of contract theory in the event Sponsor does not fulfill their obligation to have the building designed and built in accordance with applicable law, codes, regulations, filed plans and specifications, and locally accepted building practices for items which are not covered by codes or otherwise fails to fulfill its obligations under the Plan or Purchase Agreement.

At Closing, Sponsor will deliver and assign to Purchaser any manufacturers' warranties (to the extent available and assignable) with respect to any equipment and appliances installed by Sponsor in the Unit.

In addition, in no event shall Sponsor be responsible for any condition resulting from normal wear and tear or natural deterioration of from the normal shifting or settling of the Building, or for any defects of insubstantial nature, including but not limited to partial or total death of any landscape improvements, nail pops, ridging on sheet rock walls, lumber shrinkage, door sticking

due to weather, door warpage, tile, marble and granite grouting, separation in joints of tile, marble, granite or wood flooring, floor levels, ceiling imperfections, painting defects, alignment of bathroom finishes, air filtration from windows, and consequential damage resulting from settlement or normal plumbing, heating and air conditioning, noises, or carpet discoloration and stretching. In addition, Sponsor shall not be responsible for paint touch-ups, or for repair of chips, mars, breaks or other defects in window sashes, electric fixtures, interior painted surfaces, sinks, tubs, bowls, bidets (if any), cabinets, countertops, vanity tops and bases, doors, mirrors, hardware, flooring or appliance cabinets, unless notified of any such defect therein prior to closing of title to the Unit in question or the leasing of the Unit to the Purchaser thereof and Sponsor agreed to repair such items. Sponsor has no obligation to make any repair to the Units or the Common Elements, except as expressly set forth in this Offering Plan. Nothing contained herein shall be construed to render Sponsor liable for consequential damages, whether based on negligence, breach of contract, warranty or otherwise (except as Sponsor may be liable for by law).

Notwithstanding anything to the contrary in the foregoing discussion, both Unit Owners and the Board of Managers shall be obligated to permit Sponsor and its contractors and agent's access to Units and the Common Elements at the request of Sponsor and/or its contractors and agents, in order for Sponsor to complete construction in accordance with this Plan.

The Sponsor reserves the right to amend the Plans and Specifications and to make changes in the materials, appliances, equipment, and fixtures if (a) required or approved or accepted by governmental authorities having jurisdiction over the Property or by the Sponsor's architect; or (b) required by job conditions, local shortages or unavailability of materials; or (c) ordered by the Purchaser for his Unit without affecting Units previously sold. Changes or substitutions in materials, appliances, fixtures and equipment may also be made by the Sponsor provided that such substitutions are of Equal or Better Quality. See CHANGES IN PRICES AND UNITS set forth in Part I of the Plan.

Sponsor will not be obligated to correct and will not be liable to any Purchaser as a result of immaterial variations in the dimensions or arrangement of rooms, walls or other areas within Units, or in the Plans and Specifications, or in the description of the Building or a Unit set forth in the Plan. Except as otherwise provided in this Plan, where alternatives are specified or where a particular practice, method, or design of construction, equipment, material or supply is not specified, the choice and decision of the Sponsor shall be determinative.

Sponsor is selling Units as-is. The signing of the Purchase Agreement by Purchase signifies Purchaser's acceptance of the condition of the Property, including the Building, the Common Elements, the Unit, and all fixtures, machinery, equipment, furnishings, appliances, installations, and other personal property contained therein, in their respective existing conditions, ordinary wear and tear excepted between the date Purchaser signs this Agreement (with respect to Non-Tenant Purchasers), or the Filing Date of the Plan (with respect to Tenant-Purchasers), and delivery of the deed to Purchaser. Purchaser acknowledges having read the Description of Property, which sets forth a description of the physical condition of the Building set forth in Part II of the Plan and having been given the opportunity to review the section of the Plan SPONSORS' STATEMENT OF BUILDING CONDITION. Purchaser understands that Sponsor has no obligation to make any repairs, improvements, or decorations in or to the Property, the building, the Unit, or the fixtures,

machinery, equipment, furnishings, appliances, installations, and other personal property contained therein, except as may otherwise be set forth in the Plan. Sponsor will maintain the Building and Common Elements in substantially the same condition they were in on the Filing Date, until the First Closing, unless prevented from doing so by reason of acts or events beyond Sponsor's control. Subject to the rights of existing tenants and occupants, Non-Tenant Purchasers shall be given a reasonable opportunity to examine the Unit prior to Closing and it is recommended that Purchasers make a careful examination at such time.

Purchasers shall be given an opportunity to inspect the Unit prior to Closing. Punchlist items to be completed in the Unit pursuant to the Plan and/or the Purchase Agreement shall be itemized on an "Inspection Statement," a form of which is contained in Part II of the Plan, signed by both Sponsor and Purchaser. The Inspection Statement merely serves to identify and memorialize any conditions the Purchaser believes to be material. Sponsor's refusal to sign the Inspection Statement due to a disagreement with the items on the Inspection Statement shall not be grounds to cancel or postpone the Closing, unless otherwise entitled under applicable law. Nevertheless, Sponsor has the absolute obligation to design and build in accordance with applicable law, codes, regulations, filed plans and specifications, and locally accepted building practices for items which are not covered by codes, and otherwise fulfill its obligations under the Plan or Purchase Agreement; Purchasers may have a claim under a breach of contract theory in the event Sponsor does not fulfill their obligations under the Plan or Purchase Agreement.

Sponsor shall be obligated to complete the items agreed to on the Inspection Statement within a reasonable time after Closing. However, if Sponsor agrees in writing to complete any items on the Inspection Statement prior to Closing, Purchaser must re-inspect the Unit on the day prior to Closing to inspect and sign off on all items Sponsor agreed to complete. No open items of work will be discussed at the Closing itself. With the exception of items Sponsor agrees in writing to complete prior to the Closing, Sponsor's failure to complete any of the items listed on the Inspection Statement shall not be grounds to cancel or postpone the Closing, unless otherwise entitled under applicable law.

Purchasers may not add any additional work items to the Inspection Statement after the final inspection of the Unit has occurred, and neither Sponsor nor its contractors, subcontractors, principals, managers or members shall have any obligation to perform any such additional work items.

g. Neither Sponsor nor its principals, managers, members, agents, designees, employees or affiliates assumes any responsibility and will not be liable to repair or replace any of the following immaterial conditions:

- any immaterial condition resulting from normal wear and tear or natural deterioration from the normal movement, settlement and shrinkage or expansion of the residential units or the Building generally and/or building materials;
- defects of an immaterial nature such as, without limitation, partial or total death of any trees, shrubs, bushes or other landscape improvements, protruding dry wall fastenings, ridging on gypsum board, lumber or minor floor shrinkage or gapping, door or window sticking due to weather, door warpage including, without

limitation, warpage of any doors, minor scratches or chips in plastic, glass, metal, wood, vitreous china, stainless steel, tile porcelain or stone surfaces, bathroom finish, cracked grouting, adjustment or bi-fold door, walls not square, electrical plates or signs not straight, slight discoloration, expansion or shrinkage, slight separation between base and floor or differing coloration of any and all concrete, ceramic or stone tiles in gardens or kitchens;

- normal settlement and deflection or any minor consequential damage resulting therefrom including, without limitation, cracks in roof ballast or concrete cracks which do not reduce the structural integrity of the building generally;
- non-material deviations in the level of ceilings and non-material imperfections in ceiling finishes;
- non-material imperfections in painting finishes including, but not limited to, variances in color or texture;
- non-material deviations in the floors' levelness, buckling, gapping or sinking due to expansion and/ or shrinkage and/ or movement;
- slight misalignment of bathroom finishes and minor variation in grouting or tile thickness;
- minor noise, vibrations or odors from normal plumbing, heating, ventilation, air-conditioning and elevator operation, including boilers, condensing units, exhaust fans, elevator machine rooms and equipment;
- potential bathroom vents and ducts on the mechanical terraces, regardless of height, and any noise emanating from such vents and ducts shall be in accordance with permissible decibel levels pursuant to any rules and/or regulations governing noise levels in New York City;
- negligible floor noises and creaking;
- minor carpet or floor discoloring or stretching;
- non-material variations in width, length, thickness, finish, gaps or color range of wood flooring;
- minor chips, scratches, mars, breaks, dents, cracks, imperfections, or other immaterial conditions in each of the following: windows, window glass, frames and hardware; sliding glass doors, frames, door glass and hardware; louvers; shower doors; lighting fixtures, lenses, baffles and globes; all painted surfaces; all sinks, tubs, basins, water closets; kitchen cabinets, backsplashes and countertops; vanity tops and cabinets; all tile, stone or marble floors; saddles, all appliances; woodwork, millwork and doors; mirrors; all hardware; appliance cabinets; ceilings and flooring;
- after the closing of title to a unit, paint touch ups, repair dented appliances or replace light bulbs;
- non-material variations in tone or color of marble or stone or slight floors; saddles, all appliances; woodwork, millwork and doors; mirrors; all hardware appliance; appliance cabinets; ceilings and flooring;
- leaching or minor color variation in exterior color mortar and colored stone or brick, slight dimensional variations in brick joints, and mortar dropping on bricks and window surfaces;
- minor ponding and/or controlled drainage on terraces or balcony surfaces;

- television, radio or other telecommunications reception;
- slight discoloration to hardware or plumbing finishes;
- minor stains, runs, lumps, shags or imperfections in weave and fabric panels;
- terrace tile or pavers not laid flat, or slight color variation in tiles, pavers or mortar, or stained tiles or pavers;
- non-material scratches on window frames or glass;
- any other minor imperfection or immaterial conditions, except as expressly warranted pursuant to this Plan, provided it is indicated on written inspection statement and delivered to and acknowledge by Sponsor.

h. Notwithstanding any provision to the contrary herein, Sponsor shall not be obligated to correct, and shall not be liable to any Purchaser as a result of, (i) any immaterial variations from the plans and specifications or the description of the Buildings or a Unit not set forth in the Offering Plan or (ii) variations from the plans and specifications or description of the Buildings or a Unit Set forth in the Offering Plan which are neither in violation of applicable building codes, nor require approval of any governmental authority having jurisdiction, provided such variations are of Equal or Better quality. However, a decrease in area of a Unit of 5% or more could be material and trigger a right of rescission for a Purchaser. There is a rebuttable presumption that an area that is decreased by 5% or less is not material.

i. Prior to the First Unit Closing, Sponsor shall procure on behalf of and at the expense of the Condominium the insurance policy or policies provided for in Schedule B. Sponsor will be reimbursed for the cost of the insurance policy by the Board of Managers from the Working Capital Fund. The policies to be secured by Sponsor shall include fire and casualty insurance pursuant to an agreed amount replacement value policy or in an amount sufficient to avoid co-insurance, as reflected in Schedule B.

j. The Sponsor will NOT submit an application for a tax abatement or exemption for the property.

k. Sponsor shall keep copies of the Offering Plan exhibits and documents referred to in the Offering Plan on file at Sponsor's offices for six (6) years from the date the Declaration is recorded.

l. In accordance with Section 339-p of the New York Real Property Law, a registered architect or licensed professional engineer shall certify within reasonable tolerances that the Floor Plans filed with the recording of the Declaration are an accurate copy of portions of the plans of the Buildings as filed with and approved by the municipal or other governmental subdivision having jurisdiction over the issuance of permits for the construction of the Buildings.

m. Sponsor shall be obligated to defend any Suits or proceedings arising out of its acts or omissions and shall be obligated to indemnify the Board of Managers and the Unit Owners against any such suits or proceedings.

n. Sponsor shall repair any damage from fire or other casualty or other cause (other than a purchaser's neglect or intentional act) occurring to a purchaser's unit before closing. If the Sponsor fails to correct said damage within a reasonable time, the Purchaser may rescind the Purchase

Agreement and receive a refund of Purchaser's Down Payment. If the damage is a result of an interim lessee's neglect or intentional act, such lessee shall bear the risk of loss to the extent insurance proceeds are insufficient to cover the loss. If Sponsor elects to repair or replace loss or damage, Sponsor shall so notify the Purchaser within 30 days of loss or damage and the purchase agreement shall continue in full force and effect. A person who takes possession prior to closing assumes the risk of losses not covered by insurance. Because a purchaser in possession may not be able to obtain insurance, insurance proceeds may be unavailable in the event there is damage to the unit and Purchaser is required to make repairs. Purchasers may not be able to obtain a mortgage commitment or financing on a damaged unit.

o. In the event of the dissolution of the Sponsor, or a transfer of two or more units, or 20% or more of the total units of the condominium, whichever is less, the principals of the sponsor shall provide a financially responsible entity or individual who will assume the status and all of the obligations of the Sponsor for those units under the Offering Plan, applicable laws and regulations.

p. At or prior to the closing of a Unit, Sponsor shall assign all manufacturer's warranties with respect to equipment or appliances installed in such unit to the Purchaser to the extent such warranties are available.

q. All representations under the offering plan, all obligations pursuant to the General Business Law, and such additional obligations under the offering plan which are to be performed subsequent to the closing date will survive delivery of the deed.

r. Sponsor's obligation is to construct the premises in accordance with all applicable codes and filed plans and specifications, and any conflict between the disclaimers and the Sponsor's obligation to construct the premises in accordance with all applicable codes and filed plans and specifications shall be resolved in favor of the latter.

2. Sponsor's Right of Access

As a condition to selling Units pursuant to this Offering Plan, Sponsor reserves to itself, Sponsor-designees and any affiliate of either and each of their successors, assigns, invitees, contractors, agents, employees and tenants, any and all easements and rights of access, in and to the Units and Common Elements consistent with the purposes of the Offering Plan and Sponsor's rights and obligations thereunder, Without in any way limiting the generality of rights reserved in the foregoing sentence, the rights reserved to Sponsor shall include the following:

a. The right to maintain any vacant and Unsold Units as general, sales and/or leasing office and/or model Unit and to maintain personnel at the Property;

b. The right to post signs, and to conduct other activities connected with promotion, sales or leasing, such as displaying vacant Units or leased Units and Common Elements to prospective Purchasers or Lessees and inspection thereof by such Purchasers or lessees;

c. The right of access in and to Units and Common Elements and Limited Common Elements for purposes of inspection, construction, repair, refurbishment, correction, alterations,

finishing, servicing (including but not limited to garbage collection) and similar work and Sponsor shall also have the right to access all portions of the Property to complete construction of all the Units and Common Elements and Limited Common Elements;

d. The right to show vacant or leased Units;

Sponsor, Sponsor-designees and any partner of any entity affiliated directly or indirectly with Sponsor shall exercise all rights of access so as to limit, to the extent practicable, unnecessary interference with use of the Property by Unit Owners. Except in the case of emergencies, Sponsor, Sponsor-designees or a partner of any entity affiliated with Sponsor shall give three (3) days prior notice to the affected Unit Owner prior to exercising the right of access to the unit. Sponsor, Sponsor-designees and any partner of any entity affiliated directly or indirectly with Sponsor agrees to repair damage directly attributable to and caused by Sponsor, Sponsor-designees and any partner of any entity affiliated directly or indirectly with sponsor or its agents as a result of exercising such rights of access.

3. Sponsor's Right to Perform Alterations

The Sponsor or Sponsor-designees or any partner of any entity affiliated directly or indirectly with Sponsor shall have the right, without the consent of the Board of Managers, other Unit Owners or Permitted Mortgagees, to (i) make alterations, additions or improvements, structural and non- structural, ordinary and extraordinary, interior and exterior, in, to and upon any Unit owned by it and not under contract with any purchaser, except that Sponsor may not change the size, location of buildings, or units, other improvements or common elements if such changes affect the percentage of common interest or adversely affect the value of any unit to which title has closed or for which a purchase agreement has been executed and is in effect unless all affected unit owners and contract vendees consent in writing to such change; (ii) change the layout or number of rooms in such Units; (iii) change the size and/or number of Units by subdividing a Unit, combining separate Units (including those resulting from-such subdivision or otherwise) into one or more Units or altering the boundary walls between Units; and (iv) reapportion among such Units affected by such change their Appurtenant Interests provided, however, that in each instance the Sponsor or Sponsor-designees or any partner of any entity affiliated directly or indirectly with Sponsor shall comply with all laws, ordinances and regulations of all governmental authorities having jurisdiction and shall agree to hold the Board of Managers and all other Unit Owners harmless from any liability arising therefrom.

Unless an affected purchaser consents: (i) no material change will be made in unit size, layout, or percentage of common interest if a purchase agreement has been executed and delivered to the Sponsor for that unit and the purchaser is not in default; and (ii) unless all purchasers consent, no material change will be made in the size and no material adverse change will be made in the quality of common elements. However, a decrease in area of a Unit of 5% or more could be material and trigger a right of rescission for a Purchaser. There is a rebuttable presumption that an area that is decreased by 5% or less is not material.

4. Enforcing Sponsor's Obligations:

Only the Board of Managers acting on behalf of the Unit Owners shall have the right to enforce the obligations of Sponsor set forth in this section. Notwithstanding the foregoing, individual Unit Owners shall have the right to enforce Sponsor's obligations only if either (i) the Board of Managers fails to take reasonable action to enforce such obligations within 90 days following the giving of written notice of such claim by a Unit owner to the Board of Managers or (ii) the applicable statute of limitations with respect to any claim by a Unit Owner which would otherwise be enforceable by the Board of Managers will expire during such ninety (90) day period. The Board has a fiduciary duty to act in the best interest of the condominium, even during the control period.

5. Miscellaneous:

Sponsor may dissolve provided that Sponsor will provide a financially responsible individual or entity to assume the status and all obligations of Sponsor under the Plan.

In the event that Sponsor is unable to perform its material obligations under the Plan, all sales will cease, and Sponsor shall submit an amendment to the Plan setting forth its inability to perform such material obligations under the Plan and will offer all Purchasers the right to rescind their Purchase Agreements within no less than 15 days from the date of the amendment. Any purchasers who elect rescission will have their Deposits returned.

Sponsor makes no other representation or warranty except as provided in this section. However, nothing herein shall be construed to limit any rights, which Purchasers may otherwise have pursuant to the Offering Plan, Article 23-A of the General Business Law, Part 20 of the Regulations promulgated by the Attorney General and applicable laws.

In the event that the Sponsor rents Units and subsequently sells the Units, such Units that have been previously rented will be sold in the condition contemplated in this Plan, that is, renovated and new.

SECTION XVI. CONTROL BY SPONSOR

The Sponsor Control Period refers to the earlier of either five (5) years from the first closing or the date Sponsor has closed on 75% of the units, whichever is sooner. Until the first annual meeting of the Condominium, the Board of Managers shall consist of three persons designated by Sponsor, namely Asaf Dror and Habib Monas, principals of Sponsor, and Benjamin Dror, family member of the principal of Sponsor. At the first annual meeting of the Condominium, all Unit Owners, including Sponsor and Sponsor-designees, shall elect a new Board of Managers made up of three (3) persons. However, during the Sponsor Control Period, Sponsor will have the right to designate 2 of the 3 Board Members. Sponsor cannot control the Board of Managers after it relinquishes control; however, it may cast all of its votes. Sponsor cannot recapture control after it relinquishes control of the Board of Managers. Sponsor will relinquish control of the Board at a meeting to be held within 30 days of the expiration of the Sponsor Control Period. At such meeting a new Board, unrelated to Sponsor, shall be elected by the Unit Owners.

Until Sponsor and Sponsor-designees convey title to all Units but in no event later than five years after the First Unit Closing, Sponsor has the right to veto any action of the Board of Managers to (i) make any addition, alteration, improvement at or to or change in or to Common Elements, any Unit or the Buildings, (ii) hire or replace any employee, (iii) enter into, modify or terminate prior to the end of the term any management, service or maintenance contract, (iv) borrow money on behalf of the Condominium, or (v) amend the By-laws. Sponsor may not veto any expenses described in Schedule "B" or over expenses required: (a) to comply with applicable laws or regulations; (b) to remedy any notice of violation; (c) to remedy any work order by an insurer; or (d) that affect the health and safety of the occupants of the building. Sponsor may exercise veto power over expenses other than those previously described, if the plan so provides, for a period ending not more than five years after the closing of the first unit or whenever the unsold units constitute less than 25 percent of the common interest, whichever is sooner.

In addition to the right of Sponsor and Sponsor-designees to vote the Common Interests attributable to Units owned by them, Sponsor and Sponsor-designees shall, so long as Sponsor shall continue to own at least one (1) Unit, Sponsor shall have the right to vote one (1) board member to the Board of Managers and shall have all rights of ownership in connection with the Unit. The Board of Managers shall not have a right of first refusal or the right to impose any charge as to any sales or leases by Sponsor, Sponsor-designees or any partner of any entity affiliated directly or indirectly with Sponsor. In the case of the removal of a sponsor-designated member of the Board, the Sponsor will only have the right to replace such vacant Board seat if, at the time the replacement occurs, the Sponsor has the right to designate a member of the Board.

Only the Board of Managers acting on behalf of the Unit Owners shall have the right to enforce the obligations of Sponsor set forth in this section. Notwithstanding the foregoing, individual Unit Owners shall have the right to enforce Sponsor's obligations only if either (i) the Board of Managers fails to take reasonable action to enforce such obligations within 90 days following the giving of written notice of such claim by a Unit owner to the Board of Managers or (ii) the applicable statute of limitations with respect to any claim by a Unit Owner which would otherwise be enforceable by the Board of Managers will expire during such ninety (90) day period. The Board has a fiduciary duty to act in the best interest of the condominium, even during the

control period.

The By-laws do not require that a majority of the Board of Managers be owner occupants who are unrelated to Sponsor after Sponsor relinquishes voting control and therefore, purchasers for their own occupancy may never voting gain control of the Board of Managers. Owner occupants and non-resident owners such as Sponsor may have inherent conflicts of the management of the condominium.

Any provisions that give Sponsor control of the enforcement of Sponsor's obligations are not lawful. If there are non-Sponsor members of the Board, and there is a vote on whether to sue Sponsor, Sponsor's board representatives cannot lawfully vote on that issue." See *Park River Owners Corp. v. Bangser Klein Rocca & Blum*, 269 A.D.2d 313, 703 N.Y.S.2d 465 (1st Dept. 2000); McKinney's Consolidated Laws of the State of New York, General Business Law, Volume 19, pocket part, page 193; and BCL § 713(a)(1). Fairways at North Hills*, 193 A.D.2d 322, 603 N.Y.S.2d 867 (2d Dept. 1993), discussed in McKinney's Consolidated Laws of the State of New York, General Business Law, Volume 19, page 160.

SECTION XVII. BOARD OF MANAGERS

Principal provisions of the By-Laws are summarized below. Purchasers should refer to the full By-Laws, a copy of which is set forth in Part II of this Offering Plan.

1. Board of Managers:

The affairs of the Condominium shall be governed by the Board of Managers, which shall consist initially of Asaf Dror and Habib Monas, principals of Sponsor, and Benjamin Dror, family member of the principal of Sponsor. At the first meeting of the Unit Owners, the three-member Board of Managers shall resign in favor of a new three-member Board of Managers. If the Sponsor Control Period has expired, two members shall be elected by Unit Owners, including Sponsor and Sponsor-designees, and one member shall be designated by Sponsor and Sponsor-designees at such meeting if Sponsor so chooses and if Sponsor still owns at least 1 Unit. Thereafter, elections to the Board of Managers shall be held at the regular annual meeting of Unit Owners at such time and place, each year as may be designated by the Board pursuant to Article II Section 1 of the By-Laws. The term of office of each of the members of the Board of Managers shall be one year.

Notwithstanding the foregoing Sponsor and Sponsor-designees shall control the Board of Managers until the earlier of either five (5) years from the first closing or the date Sponsor has closed on 75% of the units, whichever is sooner. A meeting shall be held to elect a new board unrelated to the Sponsor within 30 days after expiration of the control period. So long as Sponsor shall continue to own at least one (1) Unit, Sponsor shall have the right to vote one (1) board member to the Board of Managers. Sponsor cannot recapture control after it relinquishes control of the Board of Managers.

Members of the Board of Managers shall be either (i) individual Unit Owners; (ii) individual Permitted Mortgagees; (iii) officers, directors, shareholders, partners, principals, employees, or beneficiaries of corporations, partnerships, fiduciaries, or any other entities that are Unit Owners or Permitted Mortgagees; or (iv) adult Family Members of any of the foregoing. However, the member designated by Sponsor and Sponsor-designees need not be a Unit Owner or interested party in a Unit Owner, as specified in the first sentence of this paragraph. Other than members designated by Sponsor and Sponsor-designees, no member shall continue to serve on the Board of Managers after he or she ceases to be a Unit Owner or an interested party in a Unit Owner, as specified in the first sentence of this paragraph. The By-laws do not require that a majority of the Board of Managers be owner occupants who are unrelated to Sponsor after Sponsor relinquishes control and therefore, purchasers for their own occupancy may never gain control of the Board of Managers. Owner occupants and non-resident owners such as Sponsor may have inherent conflicts of the management of the condominium.

Members of the Board of Managers are subject to removal, without cause, by vote of Unit Owners owning a majority of the Common Interest attending a meeting at which a quorum is present. Members of the Board designated by the Sponsor and Sponsor-designees may be removed by Unit Owners for cause. However, members designated by Sponsor and Sponsor-designees may be removed without cause only by Sponsor and Sponsor-designees, who alone will have the right to designate a replacement. The Sponsor-designee may be removed for cause by the Board of

Managers and removed without cause by the Sponsor; however, the Sponsor-designee may only be replaced by the Sponsor. The number of members of the Board of Managers may not be increased without the consent of Sponsor and Sponsor-designees as owners of Unsold Units for so long as there remain two unsold Units. All members of the Board of Managers shall serve without compensation. Except for the member(s) of the Board of Managers designated by Sponsor and Sponsor-designees, a member of the Board of Managers may be removed from office with or without cause. The member(s) of the Board of Managers designated by Sponsor and Sponsor-designees may only be removed by Sponsor and Sponsor-designees and only Sponsor and Sponsor-designees shall have the right to designate a replacement. Any member of the Board, whether or not designated by the Sponsor, may be removed for cause. Sponsor may change the member(s) designated by Sponsor at any time and from time to time. Such member(s) shall be entitled to attend all meetings of the Board of Managers and all committee meetings and executive sessions. An officer may be removed, without cause, by an affirmative vote of a majority of the members of the Board of Managers at a meeting called for such purpose.

Until Sponsor and Sponsor-designees no longer own Units with a sufficient percentage of the Common Interest attributable to such Units to elect two members of the Board of Managers, Sponsor will, through its control of the Board of Managers (by electing two members and designating one), have control of the maintenance and operation of the Condominium, including the Common Expenses described in Schedule B, capital repairs, and expenses required to comply with applicable laws or regulations. Sponsor may not veto any expenses described in Schedule "B" or over expenses required: (a) to comply with applicable laws or regulations; (b) to remedy any notice of violation; (c) to remedy any work order by an insurer; or (d) that affect the health and safety of the occupants of the building. Sponsor may exercise veto power over expenses other than those previously described, if the plan so provides, for a period ending not more than five years after the closing of the first unit or whenever the unsold units constitute less than 25 percent of the common interest, whichever is sooner.

2. Powers and Duties of the Board of Managers:

The Board of Managers shall have the powers and duties necessary for administration of the affairs of the Condominium (subject to the limitations set forth in the By-Laws including Sponsor's right to veto certain actions of the Board of Managers), including, without limitation, the following: (a) operation, care upkeep and maintenance of the Common Elements; (b) determination of the Common Charges required for the affairs of the Condominium, including, without limitation, the operation and maintenance of the Property; (c) collection of the Common Charges from the Unit Owners, including charges for water used or consumed in the Unit, (d) employment and dismissal of the personnel necessary for the maintenance and operation of the Common Elements; (e) adoption and amendment of the Rules and Regulations covering the details of the operation and use of the Property (subject to the right of the Unit Owners to overrule the Board of Managers as provided in the By-Laws); (f) maintaining bank accounts on behalf of the Condominium and designating the signatories required thereof; (g) purchasing, leasing, or otherwise acquiring in the name of the Board of Managers or its designees, on behalf of all Unit Owners, Units offered for sale or lease or surrendered by their owners to the Board of Managers; (h) purchasing Units at foreclosure or other judicial sales, in the name of the Board of Managers or its designee, on behalf of all Unit Owners; (i) selling, leasing, mortgaging, or otherwise dealing

The Board of Managers shall be responsible for maintaining and repairing the Common Elements as set forth in the Declaration and in the By-Laws, regardless of whether a Unit is vacant or occupied by the owner thereof or by a permitted lessee or another occupant.

While Sponsor is in control of the Board, the insurance coverage obtained by the Board shall not be less than what is required by 13 NYCRR §20.3(h)(iv)(viii).

3. Officers of the Condominium

The officers of the Condominium shall consist of the President, the Vice President, the Secretary and the Treasurer, all of whom shall be elected by the Board of Managers at its annual meeting. The Board of Managers may also appoint additional officers. All officers shall serve without compensation from the Condominium. None of the officers need be Unit Owners until the three-member Board of Managers is elected at the first meeting of the Unit Owners. Thereafter, both the President and the Vice President must be both members of the Board of Managers and Unit Owners (or officers, directors, shareholders, partners, employees, or beneficiaries, or members of their family, of Corporations, partnerships, fiduciaries, or mortgagees that are Unit Owners). Any officer may be removed, without cause, by vote of a majority of the Board of Managers at a meeting called for such purpose.

The President shall be the chief executive officer of the Condominium and preside over meetings of the Unit Owners and Board of Managers. The Treasurer shall have the care and custody of the funds and securities of the Condominium and shall be responsible for keeping financial records and books of account. All agreements, contracts, deeds, leases, checks and other instruments of the Board of Managers shall

be signed by any two officers or by such lesser number of officers or by such other person or persons as may be designated from time to time by the Board of Managers.

4. Liability of the Board of Managers, Officers and Unit Owners

Members of the Board of Managers must act in accordance with their fiduciary obligations. Members of the Board may be personally liable for misconduct committed in bad faith or other intentional misconduct. The members of the Board of Managers and the officers of the Condominium will have no liability to Unit Owners for errors of judgment, negligence, or otherwise, except that individual members and officers will be liable for their own bad faith or willful misconduct. The Board of Managers and any officer may contract or effect other transactions with any member of the Board of Managers, with any Unit Owner, with Sponsor, or with any affiliate of any of them at competitive rates without incurring any liability for self-dealing, subject to the By-Laws provided that the Board provide notice to the Unit Owners or any such transactions.

Every contract made by the Board of Managers, by any officer of the Condominium, or by any superintendent or Managing Agent of the Buildings shall state that (a) it is made only as agent for all Unit Owners, and the members of the Board of Managers or such officer, superintendent or Managing Agent shall have no personal liability thereon (except in their capacities as Unit Owners) and (b) the liability of any unit Owner with respect to such contract shall be limited to (i) such proportionate share of the total liability thereunder as the Common Interest of such Unit Owner bears to the aggregate Common Interest of all Unit Owners and (ii) such Unit Owner interest in his or her Unit and its Appurtenant Interest, unless otherwise provided by law. The Condominium does not have D & O liability insurance.

All Unit Owners shall severally indemnify each member of the Board of Managers and each officer of the Condominium against any liability or claim, contractual or otherwise, except those arising out of the bad faith or willful misconduct of such member or that are contrary to law or the terms of the Declaration of the By-Laws. However, the liability of any Unit Owner on account of such indemnification will be limited to such proportionate share thereof as the Common Interest of such Unit Owner bears to the aggregate Common Interest of all Unit Owners and such Unit Owner's interest in his or her Unit and its Appurtenant Interest, unless otherwise provided by law.

5. Reports to the Unit Owners

An annual report of the receipts and expenditures of the Condominium, certified by an independent certified public accountant, shall be submitted by the Board of Managers to all Unit Owners within four months after the end of each fiscal year of the Condominium.

Written notice of each annual or special meeting of Unit Owners shall be given to all Unit Owners who are then the record owners entitled to vote. Such notice shall set forth the purpose, time and place of such meeting and may be given to any Unit Owner by personal delivery, mail or telegram not later than ten (10) business days prior to the day fixed for the meeting. If the business to be conducted at the meeting shall include the consideration of a proposed amendment to the

Declaration or the By-Laws, the notice shall be mailed to all Unit Owners at least thirty (30) days prior to the day fixed for the meeting and shall be accompanied by a copy of the text of such proposed amendment.

The books of account and records of the Condominium may be examined by Unit Owners during regular business hours. True copies of the Floor Plans, the Declarations, the By-Laws and the Rules and Regulations shall be kept on file in the office of the Board of Managers and shall be available for inspection during regular business hours by persons having an interest therein.

6. Special Meetings:

Special meetings are governed by Article II Section 2 of the By-Laws. Special meetings of Unit Owners, other than those the calling of which is regulated by statute, may be called at any time by the President or Secretary or by a majority of the Board of Managers. It shall also be the duty of the Secretary to call such meetings whenever requested in writing to do by Unit Owners owning at least twenty-five per cent (25%) of the votes of the Condominium. The Secretary shall cause a notice of such Special Meeting stating the time, place and object thereof and the officer or other person or persons by whom the meeting is called, to be delivered personally or mailed as provided in Section 1 of this Article to each Unit Owner of record of the Condominium entitled to vote at such meeting not less than ten (10) nor more than forty (40) days before such meeting. No business other than that stated in such notice shall be transacted at such Special Meeting unless the holders of all the Units of the Condominium are present thereat in person or by proxy.

7. Miscellaneous

The Board of Managers may, at its option, appeal the real estate assessments against one or more Units.

The Common Elements shall remain undivided, and the Unit Owners shall have no right of partition with respect to the Common Elements and are deemed to covenant that they will institute no action for partition of the Common Elements, except as expressly permitted in the Declaration and the By-Laws.

Each Unit Owner, including Sponsor and Sponsor-designees, shall be entitled to cast one vote at all meetings of the Unit Owners for each .01% of Common Interest attributable to the Unit(s) owned by him or her. When voting for the election of members of the Board of Managers. Each Unit Owner entitled to vote shall be entitled to one vote for each .01% of Common Interest attributable to his or her Units per member to be elected.

Generally, subject to certain exceptions and provided that any required consent of the Mortgage Representatives is obtained, any provision of the Declaration, the By-Laws, or the Rules and Regulations may be amended, modified, added to, or deleted by the affirmative vote of 66-2/3% of all Unit Owners, both in number and in common Interests. However, the Declaration, the By-Laws and the Rules and Regulations may not be amended or modified so as to be effective in any respect against sponsor or any Sponsor-designee, or any Affiliate, and Unsold Unit or any mortgage, pledge, lien or security agreement covering such Units without the prior written consent

of Sponsor, Sponsor-designees and any partner of any entity affiliated directly or indirectly with Sponsor. In addition, the provisions of the Declaration and By-Laws relating to (i) the use of Units or each Unit's Common Interest may not be amended without the prior written consent of every Unit Owner affected by such amendment or (ii) the rights, benefits and exemptions of the Unsold Units, may not be amended without the prior written consent of Sponsor.

Any provisions that give Sponsor control of the enforcement of Sponsor's obligations are not lawful. If there are non-Sponsor members of the Board, and there is a vote on whether to sue Sponsor, Sponsor's board representatives cannot lawfully vote on that issue." See *Park River Owners Corp. v. SECTION XVIII. RIGHTS AND OBLIGATIONS OF UNIT OWNERS

Principal provisions of the By-Laws are summarized below. Purchasers should refer to the full By-Laws, a copy of which is set forth in Part II of this Offering Plan.

1. Meetings and Votes of the Unit Owners:

Except for the first meeting, the Unit Owners shall hold annual meetings on or about the last Tuesday in May of each year, unless such date shall occur on a legal holiday, in which event the meeting shall be held on the succeeding business day. At each annual meeting, the Unit Owners, including the Sponsor and Sponsor-designees, shall elect, and Sponsor and Sponsor-designees shall designate, as the case may be, successors to the members of the Board of Managers whose term of office expires as of such meeting. In addition, special meetings of Unit Owners may be held from time to time, pursuant to the By-Laws, whenever necessary for the affairs of the Condominium. Elections of members of the Board of Managers shall be determined by plurality vote. A copy of the Declaration and a copy of the By-Laws, are set forth in Part II of this Offering Plan.

2. Sale or Lease of Units:

3. Mortgage of Unit:

Each Unit Owner is free to mortgage his or her Unit subject to the restrictions contained in the By-Laws. Prior to or simultaneously with the closing of any mortgage transaction, the Unit Owner must satisfy all arrears for any unpaid Common Charges and Special Assessments owed by such Unit owner and discharge any liens therefor. Any first mortgagee who obtains title to a Unit pursuant to the remedies in the Mortgage or through foreclosure will not be liable for more than 6 months of the unit's unpaid regularly budgeted dues or charges accrued before the acquisition of the title to the unit by the mortgagee.

4. Use of Units and Restrictions:

The Residential Units may be used only for private residential use, except that a Unit Owner may use a portion of his or her Unit for any home occupation use including as a professional office, provided that the nature and manner of such use complies with Law and does not violate the then existing Certificate of Occupancy covering the Buildings and such Unit or applicable zoning laws and ordinances, building codes or other rules and regulations of governmental authorities having jurisdiction thereof. No illuminated or other sign may be used in connection with the aforementioned use without the prior written consent of the Board of Managers.

Except as set forth above, no industry, business, trade, occupation or otherwise, designated for profit, altruism, or otherwise shall be conducted, maintained or permitted in any part of the Units or Common Elements. No For Sale, For Rent or For Lease signs or other similar window displays or advertising shall be maintained or permitted in any Unit or adjoining Common Elements, nor shall any Unit be rented for transient, hotel or motel purposes. Notwithstanding the foregoing, Sponsor and Sponsor-designees reserve the right to place "For Sale", "For Rent" or "For Lease" or similar signs on any unoccupied Units or Unsold Units and the Building. Additionally, sponsor and Sponsor-designees reserve the right to maintain and staff one or more vacant and Unsold Units as a sales office and/or model Unit.

No Unit Owner shall be allowed to put his or her name on any entry to the Buildings or entrance to any Unit, except in the proper places approved by the Board of Managers for such purposes. Except as provided in the By-Laws, no sign, notice, lettering, or advertisement shall be inscribed or exposed on or at any window, door, or other part of a Unit or adjoining Common Element, nor shall anything be projected out of any window of the Buildings. No exterior of any Unit or the windows or doors thereof or any other portions of the Common elements shall be painted or decorated by any Unit Owner in any manner or without prior written consent of the Board of Managers or except as provided in the By-Laws.

No personal articles (including but not limited to, garbage cans, bicycles, motorcycles, bottles or mats) and no furniture, artwork, equipment or doormats shall be placed or stored in entrances, hallways, stairways, as other Common Elements, except as approved by the Board of Managers.

No Unit Owner shall change or alter in any way the design, layout or color scheme or furnishings in entrances, ways, stairways or other Common Elements. Decorating and furnishing of Limited Common Elements by the Owner of the Unit which has the exclusive right to use and occupancy of such Limited Common Elements shall not require the consent of the Board of Managers if it does not adversely affect the structure of the Buildings or the value of other Units or Common Elements and complies with all laws.

No fences or permanent barriers are allowed in the patios. Where there are fences, the Unit Owners of the Limited Common Elements shall not install lockable gates, in order to permit the Board of Manager or its designee to go through the patios or balconies to maintain the Common Elements. Any laundry lines installed in the patios or balconies shall not interfere with exit passage at the gates. The patios or balconies may not be used to store commercial goods or animals. Loud

music, noise or bright lights, which may disturb neighbors, are prohibited. The existing trees shall not be removed. There shall be no painting of the exterior walls adjacent to the Limited Common Elements except as approved by the Board of Managers.

The Board of Managers or the Managing Agent shall retain a passkey to each Unit. No Unit Owner shall change any lock on any door leading into his or her Unit without the prior written consent of the Board of Managers. As a condition to obtaining such consent, the Unit Owner must provide the Board of Managers with a key to such changed lock for their use. If a Unit Owner fails to provide the Board of Managers with all keys necessary to gain entrance to such Unit Owner's Unit promptly after such Unit Owner moves into his or her Unit, then Sponsor shall be automatically released from any obligation it may have for correcting defects in or making repairs to such Unit. If Sponsor or the Board of Managers must gain access to a Unit for emergency purposes and a Unit Owner has not furnished a key to the Board of Managers as provided in this paragraph, then the affected Unit Owner shall be liable and responsible for any damage to the Common Elements or such Unit caused by Sponsor or the Board of Managers in gaining access to such Unit. Furthermore, if the Unit Owner is not personally present to open and permit an entry to his or her Unit at any time when an entry therein is necessary or permissible under the Rules and Regulations or under the By-Laws, and has not furnished a key to the Board of Managers or the Managing Agent, then the Board of Managers or the Managing Agent or their agents (but, except in an emergency, only when specifically authorized by an officer of the Condominium or an officer of the Managing Agent) may forcibly enter such Unit without liability for damages or trespass by reason thereof (if, during such entry, reasonable care is given to such Unit Owner's property).

No Unit owner shall make or permit any noise or objectionable odor that will disturb or annoy the occupants in the Buildings or do or permit anything to be done therein which will interfere with the rights, comfort, or convenience of other Unit Owners. The Board shall determine whether odors are objectionable.

Each Unit Owner shall keep his or her Unit in a good state of preservation and cleanliness and shall not sweep or throw or permit any dirt or other substances to be swept or thrown therefrom, or from the doors, windows or fire escapes of a Unit.

Unit Owners shall be permitted to keep animals as pets provided that any pet does not interfere with the use and enjoyment of the Buildings by the other Unit Owners. In no event shall dogs or cats be permitted in any of the public portions of the Buildings unless carried or on a leash. Each Unit Owner who keeps an animal in the Buildings shall indemnify the Board of Managers and hold it harmless against any loss or liability of any kind or character whatsoever arising from or as a result of having an animal in the Property. Notwithstanding the foregoing, the Board of Managers shall have the right to limit the number of animals kept by a Unit Owner or to prohibit any animal which the Board of Managers determines to be interfering with the use and enjoyment of the Buildings by the other Unit Owners.

Unit Owners shall not be permitted to hang radio or television aerials from the exterior of the Buildings without written approval of the Board of Managers.

No unlawful use shall be made of the Property or any part thereof, and all valid laws, zoning ordinances and regulations of all governmental bodies having jurisdiction thereof shall be observed. Violations of laws, orders, rules, regulations or requirements of any governmental agency having jurisdiction thereof, relating to any portion of the Property, shall be eliminated, by and at the sole expense of the Unit Owners, or the Board of Managers, whichever shall have the obligation to maintain or repair such portion of the Property.

Sponsor or its designee, the agents of the Board of Managers, and any authorized contractor or workman may enter any Unit at any reasonable hour of the day for any purpose permitted under the terms of this Offering Plan, the Declaration, By-Laws, or Rules and Regulations of the Condominium.

All damage to the Buildings or Common Elements caused by moving or carrying of any article therein shall be paid by the Unit Owner responsible for the presence of such article. Any damage to the Buildings or equipment caused by Unit Owners, their guests, visitors, clients, patients or employees shall be repaired at the expense of the said Unit Owner.

Complaints regarding the management of the Property or regarding the actions of other Units Owners shall be made in writing to the Board of Managers. Only the Board of Managers shall have the right to enforce the Rules and Regulations of the Condominium. The Board of Managers may in its, absolute discretion waive any violation.

The Rules and Regulations of the Condominium are set forth in Part II of this Offering Plan as an addendum to the By-Laws. The Rules and Regulations govern the use of the Units and Limited Common Elements and may be amended from time to time by the Board of Managers.

5. Common Charges, Liens for Nonpayment of Common Charges

Each Unit Owner shall have an obligation to pay Common Charges and Special Assessments when due. Except as set forth in the Notes to Schedule B and as otherwise provided in the By-Laws, Common Charges for each Unit shall be determined by multiplying that Unit's percentage of Common Interest by the total annual net expenses incurred or anticipated to be incurred for those items listed in Schedule B herein, together with the expense of any special repairs, major capital improvements or other expenses deemed by the Board of Managers to be a part of the Common Expenses and to be paid as Common Charges, all in accordance with the By-Laws of the Condominium.

Common Charges will be established by the Board of Managers on an annual basis, at least, and be paid in equal monthly installments, due and payable on the first day of each month.

The Board of Managers, in accordance with the By-Laws, may impose Special Assessments in order to accumulate reserves as it deems necessary to meet unanticipated or extraordinary expenses, including, but not limited to, expenses incurred for major capital improvements. The Special Assessments to be paid by each Unit Owner shall also be determined in accordance with the Unit Owner's percentage of Common Interest, as determined by the Board of Managers.

Notwithstanding the foregoing, the Board of Managers shall not reduce the Common Charges payable during any year occurring within a period when Sponsor or Sponsor-designees own Units having more than 50% of the Common Interest of all Units or reduce the insurance coverage below that provided for the Buildings during such period.

Under the provisions of Section 339-z of the New York Real Property Law, the Board of Managers, on behalf of the Unit Owners, will have a lien on each Unit for unpaid Common Charges assessed by the Board of Managers. Such lien will be subordinate only to liens for real estate taxes on the Unit and to any sums unpaid on a first mortgage of record thereon. Any lien for unpaid Common Charges against a Unit shall be effective from and after the filing of notice thereof at the Register's Office, Kings County and until all sums secured thereby with the interest thereon shall have been fully paid or until six years from the date of filing (unless foreclosure of such lien is started within such six-year period), whichever may be earlier. Such lien may be foreclosed by a suit brought in the name of the Board of Managers acting on behalf of the Unit Owners in like manner as the foreclosure of a mortgage on real property or, an action may be brought by the Board of Managers to recover the unpaid Common Charges without foreclosing the lien.

Pursuant to Article VI Section 5 of the By-Laws and the provisions of Article 339(kk) of the Real Property Law, if a non-occupying owner of a condominium, including the Sponsor, fails to pay Common Charges when due within 60 days of the due date, the Board of Managers may demand and collect rent from the tenant of such unit. A copy of Section 339(kk) of the Real Property Law is attached in Part II of the plan.

Upon the failure of a Unit Owner to pay Common Charges for the Unit within fifteen (15) days of the same becoming due and payable, the Board of Managers shall have the right to place a lien against such Unit Owner's Unit for the unpaid Common Charges, as set forth above, failure of the Board of Managers to place such a lien shall not constitute a waiver of the right to do so at a later date or with respect to a subsequent failure to pay within the designated time. The failure to make prompt payment of Common Charges or Special Assessments when due shall subject the Unit Owner to a late charge as described in the By-Laws. Notwithstanding the foregoing, the Sponsor, any Sponsor-designee and any partner of any entity affiliated directly or indirectly with Sponsor shall not be subject to the late charge.

The Sponsor will cause the Board of Managers to file a lien as provided for in Section 339-aa of the Real Property Law on Units in which Sponsor is more than 30 days in arrears of Common Charges while it is in control of the Board of Managers.

No Unit Owner shall be liable for the payment of any part of the Common Charges assessed against his or her Unit subsequent to a sale, transfer, or other conveyance made by him or her of his or her Unit, with appurtenant Common Elements, in accordance with the Declaration and By-Laws.

6. Repairs, Right to Inspect and Easements:

Except as otherwise provided in the Declaration or By-Law, all painting, decorating, maintenance, repairs and replacements, whether structural or non-structural, ordinary or

extraordinary in or to any Unit and all portions of both, including, but not limited to, the interior walls, ceilings and floors, in the Unit, kitchen and bathroom fixtures and appliances, windows and their frames, sills and sashes, all doors and their frames and saddles (except painting the exterior side of a Unit entrance doors and door bucks) , all interior staircases, exposed plumbing, gas and heating fixtures and equipment, lighting and electrical fixtures (but excluding any Common Elements contained therein) shall be performed by the owner of such Unit at such Unit Owners cost and expense.

All painting, decorating, maintenance, repairs and replacements, whether structural or non-structural, ordinary or extraordinary, to the common Elements, as defined in the Declaration, and the painting of the exterior side of Unit entrance doors and door backs, shall be made by the Board of Managers and be charged to all the Unit Owners as a Common Expense, excepting to the extent that the same are necessitated by the negligence, misuse or neglect of a Unit Owner, in which case such expense shall be charged to such Unit Owner.

All painting, decorating, maintenance, repair and replacements in or to the Limited Common Elements, as defined in the Declaration, will be performed by (a) the Board of Managers if it involves structural or extraordinary maintenance, repairs or replacements (including, without limitations repairs that are not caused by the acts or omissions of the Unit Owner having direct and exclusive access thereto), or (b) subject to the restrictions set forth in the By-Laws and the Rules and Regulations, by the Unit Owner having direct and exclusive access thereto, at such Unit Owner's sole cost and expense, if it involves nonstructural, ordinary maintenance, repairs or replacements or it is as a result of the Unit Owner's acts or omissions.

Sponsor, the board of Managers and/or the Managing Agent shall have a permanent right of access to any Unit for the purpose of inspecting or making any repairs or replacements to any of the Common Elements contained in such Unit or elsewhere in the Buildings, remedying any condition which would result in damage to any other Unit or to the Common Elements, or which would violate the provisions of any mortgage encumbering another Unit, or for the purpose of complying with any laws, orders, rules or regulations of any governmental body having jurisdiction thereof, or to cure any defaults by a Unit Owner or for any other purposes permitted by the By-Laws. In order to gain access, the Sponsor shall notify the unit owner in writing that access is required and in said notice, specify the reason that access is required. Except in the case of emergencies, Sponsor, Sponsor-designees or a partner of any entity affiliated with Sponsor shall give three (3) days prior notice to the affected Unit Owner prior to exercising the right of access to the unit.

Patios and Balconies and any other Limited Common Element shall be maintained and repaired and shall be kept free and clear of snow, ice and any other accumulations, by the Unit Owner at the Unit Owner's own cost and expense.

Each Unit Owner shall have an easement in common with the other Unit owners to use, maintain, repair, alter and replace all pipes, ducts, cables, wires, conduits, public utility lines and other Common Elements located in other Units and serving his or her Unit. In addition, each Unit Owner shall have an easement to the continuance of any encroachment by the Unit on any adjoining Unit or on any Common Element, now existing or which may come into existence

hereafter as a result of the settling or shifting of the Buildings or, as a result of repair or restoration of the Buildings or a Unit after damage by fire or other casualty, or as a result of condemnation or eminent domain proceedings, or by reason of any alteration made by or with the consent of the Board of Managers, or the Sponsor, to the Common Elements, so that any such encroachment may remain undisturbed so long as the Building shall stand.

7. Alterations:

A non-structural alteration to a Unit or its appurtenant Limited Common Element that does not adversely affect the structure of the Buildings or the value of other Units or the Common Elements, that cannot be sighted from the Common Elements or another Unit or from a public street, and that complies with all laws, may be made by any unit owner without consent of the Board of Managers. No Unit Owner (other than Sponsor or Sponsor-designees) may make a structural alteration in a Unit without the prior written approval of the Board of Managers. Upon such approval, the Unit Owner in question shall agree that (i) such structural alteration shall be at the Unit Owner's sole cost and expense, (ii) all work shall be done in accordance with all governmental or quasi-governmental laws, rules, regulations, codes and ordinances, (iii) all work shall be done by reputable contractors with adequate liability, property damage and workmen's compensation insurance (certificates for which shall be delivered to the Board of Managers prior to the commencement of construction), (iv) the Unit Owner shall procure and maintain during the course of such work such other insurance as the Board of Managers may reasonably prescribe, and (v) any additions shall be maintained in their entirety by said Unit Owner who shall also be responsible for any repairs, including structural repairs, to such additions, and to the Unit and any Common Elements where such repairs become necessary due to additional stresses caused by the structural alteration or due to improper design or construction of the structural alteration. Such Unit Owner shall further agree to indemnify and hold harmless the Board of Managers and its officers, the Managing Agent, Sponsor, and all other Unit Owners from and against any liability cost and expense arising from such work. Such approval shall further provide that the Unit Owner shall reimburse the Board of Managers for any out-of-pocket expenses incurred by the Board of Managers in connection with the granting of such approval and in connection with any services provided to such alteration. Such expenses may include, without limitation, any fees of an attorney and/or fees of an architect consulted by the Board of Managers in connection with the request by a Unit Owner for approval of a structural alteration.

Notwithstanding the foregoing paragraph or any provision in this Offering Plan to the contrary, Sponsor, any Sponsor-designee, and any partner of any entity affiliated directly or indirectly with Sponsor, each have the right, at any time and from time to time, to make either or both non-structural alterations and structural alterations which comply with the By-Laws in any Unit owned by it, and to subdivide, combine and change the boundary walls of such Units without the prior consent of the Board of Managers and without paying any cost or charge to the Board of Manager or Managing Agent. Notwithstanding the foregoing; (a) no change will be made in the size or number of units and/or their respective percentages of common interest, and no material change will be made in the size or quality of common elements, except by amendment to the plan, and when applicable, to the declaration; (b) unless an affected purchaser consents, no material change will be made in the unit size, layout or percentage of common interest if a purchase agreement has been executed and delivered to the sponsor for that unit and the purchaser is not in

default; (c) unless all purchasers consent, no material change will be made in the size and no material adverse change will be made in the layout of the common elements; (d) Sponsor shall not change the size, location of buildings or units or other improvements or common elements if such changes affect the percentage of common interest, or adversely affect the value of any unit to which title has closed or for which a purchase agreement has been executed and is in effect unless all affected unit owners and contract vendees consent in writing to such change.

8. Insurance:

The insurance policies obtained by the Board of Managers shall provide that Sponsor, each Unit Owner, each Permitted Mortgagee of a Unit and Managing Agent shall be named insured, as their interests may appear. These policies shall provide All Risk Building Insurance for the full replacement value of the building, Comprehensive General Liability (including Standard Mortgagee Clause) and Directors and Officers Liability. The specific amounts of coverage are noted in the section titled "Notes to Schedule B"

The insurance does not include any coverage for (i) losses due to fire, theft or other casualty to the personal property of a Unit Owner contained within the Unit or a Limited Common Element, (ii) the cost of living elsewhere if a Unit is greatly damaged, or (iii) liability coverage for a Unit Owner for occurrences within a Unit or a Limited Common Element. The insurance does include coverage for losses due to fire or other casualty to the walls, ceilings and floors in the Units (other than those walls, ceilings and floors erected by a Unit Owner other than Sponsor), as finished by Sponsor in accordance with the section titled "Description of Property and Specifications" but the insurance will only pay to restore, the walls, ceilings and floors as finished by the Sponsor under the Offering Plan and will not pay for any improvements, alterations or decorations thereto made by the Unit Owner or for any kitchen or bathroom fixtures and appliances installed by the Unit Owner. The consequence of not obtaining such additional insurance is that in the event of any uncovered claim or damage the Board may need to assess a special assessment to the unit owners to be able to pay for the claim and or damage

UNIT OWNERS SHOULD CONSULT THEIR INSURANCE AGENT AS TO THE AVAILABILITY OF INSURANCE TO COVER ALL OF THE AFOREMENTIONED AND ANY ADDITIONAL COVERAGE WHICH MIGHT BE RECOMMENDED.

In the event of a taking in condemnation or by eminent domain of part or all of the Common Elements, the award made for such taking shall be payable to the Board of Managers, if such award amounts to \$250,000.00 or less, and to the Insurance Trustee if such award amounts to more than \$250,000.00. If seventy-five (75%) percent or more of the Unit Owners duly and promptly approve the repair and restoration of such Common Elements, the Board of Managers or the Insurance Trustee, as the case may be, shall arrange for the repair and restoration of such Common Elements, and the Board of Managers or the Insurance Trustee, as the case may be, shall disburse the proceeds of such award to the contractors engaged in such repair and restoration in appropriate progress payments. In the event that seventy-five (75%) percent or more of the Unit Owners do not duly and promptly approve the repair and restoration of such Common Element, the Board of Managers shall disburse the net proceeds of such award in the same manner as they are required to distribute insurance proceeds where there is no repair or restoration of the damage pursuant to these By-

Laws.

9. Voting rights

At each meeting of Unit Owners, each Unit Owner present in person or by proxy shall be entitled to cast the votes appurtenant to his or her Unit at the time of service of notice of such meeting or at such prior date, not more than forty (40) days before such meeting, as may be prescribed by the Board of Managers as the date for determining which Unit Owners of record are entitled to notice of and to vote at such meeting. The proxies shall be in writing duly signed by the Unit Owner but need not be acknowledged or witnessed, and the person named as proxy by any Unit Owner need not himself be a Unit Owner of the Condominium. Voting by Unit Owners shall be viva voce unless any Unit Owner present at the meeting, in person or by proxy, demands a vote by written ballot, in which case the voting shall be by ballot, and each ballot shall state the name of the Unit Owner voting and the number of votes appurtenant to her Unit, and in addition, the names of the proxy of such ballot if cast by a proxy.

10. Amendments to the Condominium Documents

Generally, subject to certain exceptions and provided that any required consent of the Mortgagee Representatives is obtained, any provision of the Declaration, the By-Laws, or the Rules and Regulations may be amended, modified, added to, or deleted by the affirmative vote of 66-2/3% of all Unit Owners, both in number and in common Interests. However, the Declaration, the By-Laws and the Rules and Regulations may not be amended or modified so as to be effective in any respect against sponsor or any Sponsor-designee, or any Affiliate, and Unsold Unit or any mortgage, pledge, lien or security agreement covering such Units without the prior written consent of Sponsor, Sponsor-designees and any partner of any entity affiliated directly or indirectly with Sponsor. In addition, the provisions of the Declaration and By-Laws relating to (i) the use of Units or each Unit's Common Interest may not be amended without the prior written consent of every Unit Owner affected by such amendment or (ii) the rights, benefits and exemptions of the Unsold Units, may not be amended without the prior written consent of Sponsor.

11. Smoking Policies Pursuant to New York City Local Law 147

The Condominium's smoking policy is attached to the Purchase Agreement and By-Laws in Part II of the Plan. Pursuant to New York City Local Law 147, which was implemented on August 28, 2018, the owner of each building in New York City with three or more residential dwelling units must establish a written smoking policy for the building. Smoking is prohibited in the interior common elements, the outdoor common elements, the outdoor limited common elements and inside of the residential units. In the context of condominiums or cooperatives, Local Law 147 defines "owner" as the board of managers or board of directors, respectively.

12. Miscellaneous:

In certain instances, Sponsor, Sponsor-designees, and any partner of any entity affiliated directly or indirectly with Sponsor, are not required to obtain the approval of the Board of Managers or meet requirements imposed upon other Unit Owners. These instances include,

without limitation, the right to use a Unit as a model and display For Sale, For rent, For Lease or similar signs, the right to transfer or lease a Unit without offering the Board of Managers the right of first refusal or paying a fee therefor, the right to alter a Unit without obtaining the prior consent of the Board of Managers (but only in accordance with the other terms of this Offering Plan), and the right to amend the Declaration without a vote for the sole purpose of filing the Floor Plans as required by Section 339-p of the Real Property Law. FOR AS LONG AS SPONSOR OR ANY SPONSOR-DESIGNEE OR ANY PARTNER OR ANY ENTITY AFFILIATED DIRECTLY OR INDIRECTLY WITH SPONSOR OWNS TITLE TO ONE OR MORE UNITS, THE RULES AND REGULATIONS OF THE CONDOMINIUM, THE BY-LAWS OR DECLARATION MAY NOT BE AMENDED IN A MANNER WHICH WOULD, IN THE SOLE DISCRETION OF SPONSOR OR ANY SPONSOR-DESIGNEE, OR ANY PARTNER OF ANY ENTITY AFFILIATED DIRECTLY OR INDIRECTLY WITH SPONSOR IN ANY WAY, IMPOSE ANY RESTRICTION UPON THE SALE OF ANY UNIT, OR IMPOSE A RIGHT OF FIRST REFUSAL OR PAYING A FEE THEREFOR UNLESS SPONSOR OR EACH SPONSOR-DESIGNEE OR EACH PARTNER OR ANY ENTITY AFFILIATED DIRECTLY OR INDIRECTLY WITH SPONSOR GIVES ITS PRIOR WRITTEN CONSENT TO SUCH AMENDMENT.

To cover administrative expenses, any Unit Owner who fails to pay any sum, charge or assessment within ten days of its due date shall be liable for any expenses incurred by the Condominium in collecting such sum, charge or assessment, including, but not limited to, reasonable attorneys' fees, plus a late charge of 5% and interest at the rate of 2% per month.

All Unit owners shall be required to comply with the Declaration, By-Laws, Rules and Regulations of the Condominium and with any other requirements duly imposed by the Board of Managers pursuant to the authority granted to them. The Board of Managers shall have the power to impose appropriate sanctions where a Unit Owner is in default. Such sanctions include, without limitation, placing a lien against the Unit Owner's Unit, instituting foreclosure proceedings and filing suit against a Unit Owner.

Purchaser waives any right to trial by jury as well as court proceeding. Any matter required or permitted to be determined by arbitration pursuant to the terms of the Condominium Documents or Purchase Agreement including but not limited to disputes regarding the Purchase Agreement and disputes between Unit Owners and the Board shall be submitted for resolution by a single arbitrator in a proceeding held in New York City, New York, in accordance with the then existing rules of the American Arbitration Association or any successor organization thereto. The arbitrator will be an independent third party unrelated to either party. By signing the Purchase Agreement, Purchaser waives any right to trial by jury in any action, proceeding or counterclaim in any way connected with this Agreement or the Plan.

SECTION XIX. REAL ESTATE TAXES

After the units are separately assessed, each unit will be taxed as a separate tax lot for real estate tax purposes. Unit Owners will not be responsible for the payment of, nor will the Unit be subjected to, a lien arising from the nonpayment of taxes on other units.

If separate tax assessments have not been made for individual units prior to the closing of title to a Unit, Sponsor will collect from each Purchaser at closing, and will place in escrow in a separate account established by the Sponsor for that purpose, an amount equal to the Unit's estimated proportionate share of the real estate taxes projected to be due for the entire Property for the half of the tax year next commencing after the closing of said Unit, (i.e., for either the first half or second half, depending on when the Unit closes) based on the higher of the actual assessment or the tax estimate set forth in Schedule A. If the tax assessor indicates that more than one half of a tax year may elapse before the Units are individually assessed, Sponsor shall collect at closing Purchaser's proportionate share of taxes for the upcoming half and shall deposit the same in the account described above. With respect to the balance of the estimated taxes due for the next applicable tax period, the Board of Managers is authorized, and shall be obligated to collect monthly escrows from Unit Owners with their Common Charges based upon the estimated tax bill for the entire Property and the then current tax rate deposit the same in the tax escrow account ("Tax Reserve"). At the time taxes are due and payable, Sponsor shall pay out of Sponsor's own funds, Sponsor's proportionate share of the Property tax bill allocable to the Unit(s) Sponsor then owns, based on the allocation method described above, and the Board of Managers shall be obligated to cause the release to Sponsor of the appropriate amount of escrowed tax funds in the tax escrow account for Sponsor's use in paying the share of taxes attributable to Units that have been sold and closed to other Unit Owners.

If the actual taxes due for any period for which Sponsor collected escrows are higher than the amount collected and held in escrow, the Board of Managers shall pay the difference and shall bill Unit Owners for their proportionate share of any necessary reimbursement, as a Special Assessment. Sponsor will remain liable for all real estate taxes attributable to Sponsor's Units until Sponsor sells and conveys those Units. If any Unit Owner fails to pay a Unit's pro rata share of real estate taxes when due, by Common Charge billing, special assessment billing, or both, the Board of Managers will have a lien on such Unit for non-payment thereof, as if such charges were Common Charges. If the actual taxes due for any period for which Sponsor collected escrows are lower than the amount collected and held in escrow, the Board of Managers shall pay the Unit Owners their proportionate share of any excess.

Real estate taxes for the Units will be assessed by the New York City Department of Finance. Sponsor anticipates that construction will be completed before the first year of operation. Based on the opinion of Metropolitan Realty Exemptions, Inc., Sponsor's expert, by letter dated June 9, 2025 (attached in Part I), the current tax rate for residential condominiums is 12.50%. Construction has been completed. Based on the opinion of Sponsor's expert, the current tax rate for residential condominiums is 12.50%. The current 2025-2026 taxable assessed value of the building is \$417,960.00 with taxes of \$52,245.00. The Sponsor's tax assessment expert has estimated the assessed value for the building for the tax year of 2026-2027 at \$451,397.00 with a tax liability of \$56,424.00. Because the first year of Condominium operation is expected to start

on January 1, 2026, it will overlap between the 2025 and 2026 fiscal years. Therefore, the first year's tax liability is thus based on 50% of the 2025-2026 taxes and 50% of the 2026-2027 taxes for a blended total tax liability of \$54,334.50 for the first year of condominium operation. The real estate tax estimates for each Unit were calculated on the assumption that the real estate taxes payable with respect to each Unit for the first year of Condominium operation will be allocated in proportion to each Unit's percentage interest in the Common Elements as set forth in Schedule A. Upon determination of individual tax lots and individual residential unit assessments, the New York City tax authorities may allocate taxes between the residential units in proportion to each residential unit's purchase price or imputed market value rather than its percentage interest in the Common Elements and, if so, residential units having the same or similar percentage interest may pay different real estate taxes and taxes may differ from those set forth on Schedule A.

Estimated tax obligations for each individual Unit are set forth in Schedule A. These estimates are based on the opinion of Sponsor's expert which is attached in Part II of this Plan. Pursuant to Sponsor's tax expert, Metropolitan Realty Exemptions, Inc., Sponsor expects taxes to increase once the construction is complete.

THE SPONSOR, SPONSOR'S COUNSEL AND EXPERTS MAKE NO REPRESENTATION OR GUARANTEES THAT THE FOREGOING INFORMATION, INCLUDING THE ASSESSED VALUE OF THE PROPERTY, THE ESTIMATED ALLOCATIONS, THE TAX RATE OR THE TAX DUE WILL NOT BE DIFFERENT THAN IS SET FORTH HEREIN. THE INFORMATION PROVIDED HEREIN IS BASED SOLELY ON SPONSOR'S EXPERT'S OPINION AND NO WARRANTY OR GUARANTEE IS GIVEN NOR SHOULD A WARRANTY OR GUARANTEE BE PRESUMED.

The tax assessment for each unit may be allocated on a basis that differs from the allocation of common interests. The figures given in Schedule A are only estimates based on the opinion of Sponsor's expert.

No tax certiorari proceedings are currently pending.

The Tax Cuts and Jobs Act of 2017 is currently in effect and significantly changes the rules pertaining to the deductibility of mortgage interest and real estate taxes. As such, Purchasers are urged to consult with their tax preparer or CPA to determine if they are eligible for any tax deductions as a result of mortgage interest or finance charges incurred in connection with a mortgage on their Unit. The most relevant changes to the tax code as same would affect a purchaser are (a) the itemized deduction for real estate taxes and state and local taxes is capped at a total of \$10,000.00 per year and (b) mortgage interest is only deductible up to a mortgage amount of \$750,000.00. However, the deduction for real estate taxes and state and local taxes has been temporarily increased to \$40,000.00 for married filing jointly or single filers (\$20,000.00 for married filing separately) effective for tax years beginning in 2025 until 2029 pursuant to the One Big Beautiful Bill Act (H.R.1). As such, certain Purchasers ability to deduct real estate taxes and mortgage interest will be limited.

The By-Laws in Section IV(2)(o) provide that the Board of Managers may act as an agent of each Unit Owner to complain or apply to the board of assessment review or the assessing agency

by filing a single complaint on behalf of all such Unit Owners and to commence and prosecute a special proceeding for the review of assessments of real property as an aggrieved person. The Board of Managers may retain legal counsel on behalf of all Unit Owners for which it is acting as agent and may charge all such Unit Owners a pro-rata share of expenses, disbursements and legal fees, for which charges the Board of Managers shall have a lien pursuant to the terms of these By-Laws.

Under Section 528 of the Internal Revenue Code, homeowner's associations as defined within that section may be exempt from income tax for the purposes of any law which refers to organizations exempt from income taxes. For a complete discussion of IRC Section 528, Purchasers are directed to the opinion of Sponsor Counsel in Section XX. If the Condominium qualifies as a homeowner's association within the meaning of Section 528 of the Code, it may elect not to be subject to Federal income tax on amounts received as membership dues, fees or assessments from residential Unit owners. However, even if the election is made, the Condominium will remain liable for Federal income tax on any taxable income it may have from other sources.

The Sponsor's counsel has given an opinion that common charges from unit owners received by the Board of Managers of the Condominium will not be taxable to the Board of Managers, pursuant to IRC Section 528.

RE: 187 Pulaski Street
Brooklyn, NY
Block & Lot: 1772- 59

Letter of Opinion regarding proposed real estate tax liabilities for the project located at
187 Pulaski Street, Brooklyn, NY

Project Details: 4 Residential Condominium Units

Dear Sir:

You have requested our opinion regarding the projected annual assessment and tax liabilities for the above-captioned real property, based on our experience.

In preparing this letter and the opinion set forth herein, we have relied on the following information provided by you:

1. The subject property is located at 187 Pulaski Street, Brooklyn, NY, and is known as Block: 1772, Lot: 59 with the New York City Department of Finance ("DOF").
2. The project consists of a 4-family house and is currently classified as a tax class 2a.
3. The proposed is convert the project into condominiums with 4 residential condo units, no construction was done.
4. The building will aggregate a total of 4,096 gross square feet.
5. Separate condominium tax lots will be filed with the DOF for each residential unit. Once the units are individually assessed, each will be taxed as a separate tax lot for real estate tax purposes.
6. Based on assessment guidelines, the DOF Surveyor's Office shall class the condominium units as a tax class 2c and thus levy the assessed value on a 45% rate of the market value.

DOF Assessment Guidelines

The New York City Department of Finance assesses the values in regard to all New York City residential and commercial properties annually. Based on the assessor's determination of the assessment on taxable status date January 5th, the Department of Finance releases tentative assessments of the property value in January of every year and final assessments every May, prior to the beginning of each tax year. Assessments in New York City are made on a fiscal year basis, beginning on July 1st of each year and ending on June 30th the following year.

The property tax assessment process commences when the city's assessors determine the market value of the property. Property tax is only levied on a portion of the market value. This portion is called the assessed value. Regarding 1-3 family homes and condominiums with no more than three (3) stories, provided such property was previous classified as class one (1), the assessed values are levied on 6% of the market value. Regarding all other properties, taxes are levied on 45% of the market value.

Real Property Tax Law Section 581 provides that cooperative and condominium apartments shall be assessed for tax purposes as if the building was a comparable rental property. Thus, the Department of Finance is prohibited from utilizing the sales prices of the individual condominium units in determining the assessed valuation. Therefore, the prices that you set in your offering plan and any subsequent sales or re-sales are not relevant in determining the assessed value of the property or of the individual condominium units. Upon conversion to a condominium and after an application is submitted by you, the New York City Department of Finance shall assign individual tax lot numbers to each of the condominium units. The residential units will be designated as tax class 2C property and will pay on the class 2 tax rate. Real Property tax rates set each year by the City Council are applied to these property values, to determine each homeowner's annual tax liability. The current 2025 class 2 tax rate is 12.50%.

Tax Class 2a, 2b and 2c CAP (Assessment Increase Limits)

Per New York Real Property Tax Law Section 1805, tax class 2a, 2b and 2c properties are subject to an annual assessment cap of 8%. Specifically, the law states that an assessor of any special assessing unit "shall not increase the assessed value of any tax class 2a, 2b and 2c properties" in a single year by more than 8% of the previous year's assessed value, as listed on the assessment roll. Additionally, the assessor may not increase the assessed value of tax class 2a, 2b, and 2c properties by more than 30% within any five-year period. The assessment cap does not apply to increases in assessed value due to physical alterations or the expiration of any tax exemptions or abatements.

2025/2026 Taxable Assessed Value and Tax Liability

As per the Final Assessment based on the Taxable Status Date of January 5, 2025, the Department of Finance (DOF) has classified the property as Tax Class 2a, with the assessment subject to a cap (8–30% limitation). Accordingly, the 2025/2026 Taxable Assessed Value has been set at \$417,960.

Assuming the 2025 tax rate of 12.50% for Tax Class 2 (i.e., \$12.50 per \$100 of assessed value), the projected tax liability is approximately \$52,245. This amount represents the anticipated property tax for the fiscal year beginning July 1, 2025, and ending June 30, 2026.

2026/2027 Projected Assessed Value and Tax Liability

METROPOLITAN Realty Exemptions, Inc.

The projected Assessed Value for tax year 2026/2027 is estimated to be \$451,397. Assuming the 2025 tax rate of 12.50% for tax class 2 (i.e., \$12.50 per \$100 of AV), the projected tax liability will be \$56,424.

In determining the assessed values of individual units, the NYC Department of Finance may use the common interest percentages set forth in the condominium declaration, provided that these percentages are rationally and fairly determined.

Note: The assessed values of individual units may be allocated using a method that differs from the allocation of common interests.

As per section 339-y of the Real Property Law, each condominium unit, along with its allocated percentage of common interest, is to be assessed and taxed **individually** as a separate tax lot.

This means that:

1. Each condominium unit owner is responsible **only for their unit's property taxes** and not for any other units in the condominium.
2. The nonpayment of taxes by one unit owner **does not create a lien** on any other unit within the condominium.
3. The NYC Department of Finance must treat each unit as an independent parcel for assessment and taxation purposes.

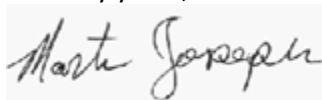

This provision safeguards individual unit owners from liability for their neighbors' unpaid taxes, reinforcing the legal and financial independence of each condominium unit.

Disclaimer

Though the aforesaid estimate of the Actual Assessed Valuation is a good-faith estimate, it is not possible to estimate same with any degree of certainty. Assessed valuations, when made, may be lesser or greater based on the interpretation of the administrative code and the applicable rules and regulations of the City of New York.

Although we believe our opinions are well-founded, they are not intended, and should not be construed as warranties or guaranties or representations as to future assessed valuations of the property under discussion and we accept no responsibility or liability in the event that the figures or projections set forth herein are incorrect or inaccurate. In no event will this firm, the Sponsor, the Sponsor's counsel or any other person be liable if the assessed valuation, when actually made, is lesser or greater than that estimated above, or if the administrative code and the applicable rules and regulations of the City of New York are changed in the future, or if the facts as represented prove to be untrue.

Sincerely yours,

Martin Joseph

Re.: 187 Pulaski Street, Brooklyn, New York 11206

Dear Sir or Madam:

Regarding The 187 Pulaski Street Condominium (“Condominium”), you have requested my opinion concerning (i) the availability of tax deductions for real estate taxes and mortgage interest to Purchasers of condominium Units in Condominium; (ii) the tax status of the Condominium with respect to property and income taxes; and (iii) the validity of the Condominium.

I have reviewed the information contained in the plan for the conversion of the property located at 187 Pulaski Street, Brooklyn, New York 11206 to Condominium Ownership (the “Plan”) and have given appropriate consideration to your representations made in connection therewith. My evaluation is based upon consideration of the relevant sections of the United States Internal Revenue Code (the “Code”), New York State Tax Law, regulations promulgated under these statutes, relevant sections of the New York State Real Property Law, and such other material, including decisional law and published interpretive pronouncements of the various tax law enforcement agencies, as I deemed relevant. Based upon such examination, I offer the following opinions:

1. Opinion regarding validity of the Condominium

The condominium regime, when created pursuant to the Declaration of Condominium, By-Laws and other related documents, will be validly formed and the provisions of the Declaration of Condominium and By-Laws will be legal and valid and the Condominium regime will comply with the rules against perpetuities and all other laws regarding the restrictions against alienation. I have, in rendering this part of our opinion, relied upon certain municipal, departmental and

information search reports issued by Millenium Abstract Corp., as well as the opinion of that a valid condominium will be formed upon recordation of the Floor Plans, declarations and By-Laws; and the description of Property prepared by Sponsor's architect and included in this plan.

2. Opinion regarding Deductibility of Mortgage Interest and Real Estate Taxes

The Plan provides that each Unit Owner will hold title to his Unit and an undivided interest in the Common Elements in fee simple absolute. Pursuant to New York Real Property Law Section 339-y, each Unit will be assessed and taxed separately for real estate tax purposes and, therefore, no Unit Owner will be liable for the payment of real estate taxes on any Units other than his own. Each Unit Owner may individually place an institutional or purchase money mortgage, on his specific Unit in accordance with the By-Laws, and thereby incur direct liability for mortgage interest or finance charges attributable thereto. The Tax Cuts and Jobs Act of 2017 is currently in effect and significantly changes the rules pertaining to the deductibility of mortgage interest and real estate taxes. As such, Purchasers are urged to consult with their tax preparer or CPA to determine if they are eligible for any tax deductions as a result of mortgage interest or finance charges incurred in connection with a mortgage on their Unit. The most relevant changes to the tax code as same would affect a purchaser are (a) the itemized deduction for real estate taxes and state and local taxes is capped at a total of \$10,000.00 per year and (b) mortgage interest is only deductible up to a mortgage amount of \$750,000.00. However, the deduction for real estate taxes and state and local taxes has been temporarily increased to \$40,000.00 for married filing jointly or single filers (\$20,000.00 for married filing separately) effective for tax years beginning in 2025 until 2029 pursuant to the One Big Beautiful Bill Act (H.R.1). As such, certain Purchasers ability to deduct real estate taxes and mortgage interest will be limited.

Based on the foregoing, pursuant to the provisions of the Code and corresponding New York State Tax Law, I am of the opinion that such interest and real estate tax payments may be proper deductions by the Unit Owner with respect to Federal, New York City, and New York State income taxes. Notwithstanding the foregoing, Purchasers are urged to consult with their own CPA or tax prepared to determine if they are eligible for any tax deductions as a result of mortgage interest or finance charges incurred in connection with a mortgage.

3. Opinion regarding the Status of the Condominium with Respect to Income Taxes

New York Real Property Law Section 339-y provides that "[n]either the building, the property for any of the common elements shall be deemed to be a parcel", against which real estate tax may be assessed where the Property has been converted to condominium ownership. Therefore, since the Board of Managers of the Condominium will not own any property against which real estate taxes may be assessed, the Board of Managers will incur no direct liability to pay real estate taxes.

If the Condominium qualifies as a homeowner's association within the meaning of Section 528 of the Code, it may elect not to be subject to Federal income tax on amounts received as membership dues, fees or assessments from residential Unit owners. However, even if the election is made, the Condominium will remain liable for Federal income tax on any taxable income it may have from other sources.

To qualify as a homeowner's association, the Condominium must meet all of the following requirements:

- a. It must be organized and operated to provide for the acquisition, construction, management, maintenance and care of association property ("exempt functions");
- b. 60% or more of its gross income for each taxable year must consist of amounts received as membership dues, fees or assessments from owners of residential units ("exempt function income");
- c. 90% or more of its expenditures for each taxable year must be expenditures made for the acquisition, construction, management, maintenance and care of association property ("qualifying expenditures");
- d. No part of its net earnings may inure to the benefit of any private shareholder or individual (other than through the performance by the Condominium of exempt functions and other than by a rebate of excess membership dues, fees, or assessments); and
- e. Under applicable Treasury Regulations (the "Section 528 Regulations"), at least 85% of the total square footage of all Units within the Condominium must be used by individuals for residential purposes.

Applying these requirements to the Condominium, Section 528 Regulations provide, for purposes of Requirement (1), that the organization must be organized and operated primarily to carry on one or more exempt functions relating to "association property," and that, in making this determination, all the facts and circumstances shall be considered. Section 528 Regulations state further that in the absence of other facts, an entity may be treated as "organized" to carry on one or more of such functions where its articles of organization provide that its sole purpose is to carry on such functions. The By-Laws of the Condominium state that its purpose is to carry on the acquisition, construction, management, maintenance and/or care of the Common Elements, and to perform related functions with respect to other portions of the Property. This statement demonstrates that the Condominium was organized primarily (if not "solely") to carry on exempt functions. Thus, assuming compliance with the clear objectives embodied in its governing documents, the Condominium should meet the "organized" test of Requirement (1). Under Section 528 Regulations, the Condominium will further satisfy the "operated" test of Requirement (1) if it satisfies the 60% and 90% tests, as discussed below.

With respect to Requirement (2) above, Section 528 Regulations provide that, for an amount to qualify as "exempt function income," it must be received from residential Unit Owners in their capacity as owner/members, and the liability for the payment of such amount must arise solely from membership in the organization. For this purpose, Section 528 Regulations further provides that dues, fees or assessments which are based on the assessed value of the unit owner's property will be treated as arising solely from membership in the organization. Section 528 Regulations provide by way of examples that exempt function income generally will include assessments made for the purpose of maintaining association property or paying real estate taxes or debts incurred in the acquisition of such property. Exempt function income will not, however, include interest earned on amounts set aside in a sinking fund, amounts received from non-members, or amounts received from members for work done on privately owned property or for the special use of facilities not available to all members.

Schedule B of the Plan projects that approximately 100% of the Condominium's gross income for its first full year of operation will consist of Common Charges which, under the Plan, are assessments from Unit Owners which are to be used for the purpose of repairing, maintaining, replacing, restoring, operating and improving the Common Elements. Accordingly, the Common Charges should constitute "exempt function income" and, assuming that the income of the Condominium for its first taxable year of operation will be of the same type and in the same proportions as shown in Schedule B of the Plan, Requirement (2) should be met.

With respect to Requirement (3) above, Section 528 Regulations provide that "qualifying expenditures" include both current operating and capital expenditures on "association property". Accordingly, assuming that the expenditures of the Condominium for its first taxable year are of the same type and in the same proportions as those shown on Schedule B, we believe that Requirement (3) should be satisfied for the Condominium's first taxable year.

With respect to Requirement (4) above, Code Section 528 and Section 528 Regulations provide that, to the extent that members receive a benefit from the general maintenance, of association property, or receive rebates of excess membership assessments, such benefits will not constitute inurement. Based on the projections contained in Schedule B, the Condominium is expected to receive at most only a minimal amount of income other than "exempt function income," and all of such income is expected to be used toward meeting yearly expenses. Accordingly, Requirement (4) should be satisfied for the first taxable year of the Condominium's operation.

With respect to Requirement (5) above, Section 528 Regulations clarify that a Unit may be treated as "used by individuals for residential purposes" even if it is not currently occupied, so long as it appears to have been constructed for use as a residence and the last individual to occupy it used it as such. Section 528 Regulations further provide that Units which are used for purposes auxiliary to residential use shall be considered used for residential purposes. All of the residential Units in the Condominium are being constructed for use as residences. The Condominium By-Laws further provide that each residential Unit shall be used only as a residence unless specific consent for a different use is obtained from the Condominium Board and such use does not violate the existing Certificate of Occupancy for the Building. Accordingly, assuming, as anticipated, that during the Condominium's first taxable year more than 85% of the total square footage of the Units is used by individuals for residential purposes, Requirement (5) will be met.

Accordingly, based on the foregoing discussion, and subject to the assumptions described therein, in my opinion the Condominium will be eligible for tax- exempt status under Code Section 528 for its first taxable year, and will qualify for such status provided a duly filed election is made. The qualification of an organization under Section 528 is determined annually at the close of each taxable year and, therefore, I express no opinion as to whether the Condominium will qualify for tax-exempt status under Code Section 528 in any future years.

4. Opinion regarding compliance with Real Property Law Section 339(i)

The Condominium complies with section 339-i of the Real Property Law of the State of New York in that the method for determining the percentage of common interest allocated to each

unit is based on the floor space, subject to the location of such space and the additional factors of relative value to other space in the condominium, the uniqueness of the unit, the availability of common elements for exclusive or shared use, and the overall dimensions of the particular unit. This opinion is based on other expert factual determination as required by Section 20.3(i)(1)(iv), and more specifically, the letter issued by Complete Condo Service Inc. included herein.

5. Disclaimer of Liability

The opinions expressed herein are not guarantees. They are based on existing rules of law applied to the facts and documents referred to above. No assurances can be given that the tax laws upon which these opinions were based will not change. In no event will the sponsor, the sponsor's counsel, the Board of Managers of the condominium, the Selling Agent or any other person be liable if there are changes in the facts on which counsel relied in issuing this opinion or if there are changes in the applicable statutes, regulations, decisional law or Internal Revenue Service rulings on which counsel relied which cause the condominium to cease to meet the requirements of Section 528 of the Internal Revenue Code of 1986, as amended, or the New York State tax law, as amended, and cause the unit owners not to be entitled to income tax deductions or which cause unit owners not to be or to cease to be entitled to the benefits or the level or duration of benefits described above. Prospective Purchasers should consult with their respective experts regarding the tax consequences of purchasing a Condominium Unit.

Sincerely,

Eial Girtz

SECTION XXI. RESERVE FUND

This Condominium shall maintain a reserve fund. The name and address of the bank holding the reserve fund account will be disclosed in the post-closing amendment. The New York City Reserve Fund Law restricts the use of the reserve fund to capital improvements. As set forth in the First-Year Budget in Section V of this Plan, the reserve fund will be funded by each Unit Owner as part of the monthly Common Charges. The amount collected each year shall be at least 10% of the yearly budget for the year prior. This amount will be deposited into a separate reserve fund account in order to provide for major capital repairs or replacement items likely to be needed within the first five years of Condominium operation. Sponsor does not anticipate that any such repairs will be required. Sponsor anticipates that the reserve fund will be sufficient to cover the cost of capital replacements within five years after the first closing. This fund may not be used to fund the day to day operations of the Condominium. For the first year of operation, the sum of \$3,400.00 has been budgeted towards the reserve account and same will be funded from the payments of Common Charges.

If the Condominium needs to finance further needed capital expenditures such as renewal or replacement of building components or systems or to remedy major building defects, the Board may make a special assessment on all unit owners or apply for an unsecured loan from a bank or another lender. The Board may also choose to increase common charges.

While Sponsor is in control of the Board of Managers, the reserve fund or working capital fund may not be used to reduce projected common charges in the plan.

Neither the Department of Law nor any other government agency has passed upon the adequacy of the fund.

SECTION XXII. WORKING CAPITAL FUND

At the time of the closing of title to each Unit to a bona fide Purchaser, such Purchaser shall pay a sum equal to two months Common Charges to the Board of Managers for its working capital (the Working Capital Fund). There is no minimum Working Capital Fund, regardless of adjustments.

For such period as Sponsor retains control of the Board of Managers, the Working Capital Fund shall not be used to reduce estimated Common Charges,

At the First Unit Closing, Sponsor will apportion with the Board, to the extent applicable to the Condominium, the following items as of midnight of the date preceding said Closing:

1. Employees' wages, vacation and severance pay, pension and welfare benefits and accruals, uniforms and all other payments or obligations relative to the employees of the Building;
2. Deposits with utility companies, if any, and fees for assignable permits and licenses, if any;
3. Charges for electricity and other utilities for the Common Elements and the Limited Common Elements;
4. Cost of fuel on hand (plus sales tax), if any;
5. Charges and receipts in connection with service, maintenance and concession contracts;
6. Water charges and sewer rents on the basis of the fiscal or calendar year for which assessed (unless separately assessed to individual Units);
7. Cost of Building supplies on hand at Sponsor's cost (including sales tax);
8. Premiums for transferable insurance policies; if any.

If any of the foregoing items to be apportioned cannot be adjusted at the First Unit Closing because they are not fully ascertainable, they shall be adjusted to the extent reasonably possible at the First Unit Closing, and final adjustment will be made as soon thereafter as the undetermined amounts are ascertained. Except as herein otherwise expressly provided, the customs with respect to title closings adopted by the Real Estate Board of New York Inc., as amended, shall apply to apportionments and other matters herein mentioned. The Sponsor will seek adjustments only at such time as the remaining balance after adjustments shall be at least one full month of common charges billed.

The Working Capital Fund will be held and used for working capital, or such other appropriate purposes as will be determined by the Board and may be augmented by allocations from the monthly Common Charges collected from each Unit.

The Board will be able to utilize the money in the Working Capital Fund at any time and, accordingly, no representation or warranty can be made and no assurance can be given as to the exact amount of funds available at any specific time.

Within three months from the end of the first year of operation of the Condominium, Sponsor shall deliver to the Board of Managers a statement certifying in reasonable detail as to any changes in the amount of the Working Capital Fund which occurred since the first closing.

NO REPRESENTATION OR WARRANTY IS MADE THAT THE WORKING CAPITAL FUND WILL BE, OR IS INTENDED TO BE, ADEQUATE TO COVER CURRENT OR FUTURE EXPENSES, FOR THE FIRST, OR SUBSEQUENT, YEAR OF THE CONDOMINIUM'S OPERATION. NEITHER THE DEPARTMENT OF LAW NOR ANY OTHER GOVERNMENT AGENCY HAS PASSED UPON THE ADEQUACY OF THE WORKING CAPITAL FUND.

SECTION XXIII. MANAGEMENT AGREEMENT, CONTRACTS AND LEASES

The Condominium will be managed by the Sponsor Controlled Board. Until the Sponsor relinquishes control of the Board, the Board shall manage the Condominium. As there will not be an outside management company during the Sponsor Control Period, during such period the condominium will effectively be managed by the Sponsor, which will control the board. The Sponsor will not charge a management fee. After the Sponsor Control Period, the Board of Managers may either self-manage the Condominium or retain an outside management company to manage the Condominium. The Condominium will bear the cost of any such Agreement. Due to the size of the building, it is not anticipated that a management company will be required.

The duties and services to be rendered by a Managing Agent include, among others:

1. Billing and collecting Common Charges;
2. Causing the Common Elements to be serviced, maintained, repaired and altered in the manner deemed advisable by the Board of Managers, except that the Managing Agent shall not, without the prior approval of the Board of Managers, make any expenditure in excess of \$2,000.00 for any one item of ordinary repairs or alterations (other than emergency repairs)
3. Entering into any contract in the name of the Condominium, except that the Managing Agent shall not, without the prior approval of the Board of Managers, enter into any such contract;
4. Supervising such employees of the Board of Managers as are charged with operation and management of the Condominium;
5. Maintaining in full force and effect all insurance required by the Board of Managers;
6. Maintaining records of cost and expenses incurred and income and receipts received in connection with the operation of the Property;
7. Furnishing to the Board of Managers statements of operations of the Property and an annual operating budget setting forth the anticipated income and expenses of the Condominium for the coming year;
8. Accepting applications and obtain references from all prospective Unit Owners, tenants and subtenants; and obtaining credit reports, if deemed advisable, relating to and at the expense of prospective Unit Owners, tenants and subtenants of proposed space, unless otherwise directed by the Board of Managers;
9. Scheduling the moving in and out of unit owners, tenants and subtenants;
10. Paying, out of the Condominium's account, bills and invoices for the costs and expenses of operating the Condominium; and

11. Sending notices to the Board members and Unit Owners, preparing agendas for, and causing a representative of its own organization to attend meetings of the Board of Managers and Unit Owners, if requested by the Board of Managers.

No other service contracts are anticipated except as set forth in the Notes to Schedule B and no contract herein is binding on the Condominium for more than five (5) years after the anticipated closing date. If any contract becomes necessary, the Plan will be amended to disclose same. Sponsor will work in the best interest of the Condominium and will not enter into sweetheart deals.

SECTION XXV. RESERVATION OF AIR AND DEVELOPMENT RIGHTS

Excluded from this offering is that portion of the unused floor area development rights that are now owned, subsequently acquired or that may become available under the New York City Zoning Resolution, which shall be retained by the Sponsor and which may be sold, transferred or hypothecated to any other entity for the sole purpose of being merged into a zoning lot pursuant to a zoning lot development agreement (“ZLDA”) or similar agreements.

The Building cannot be expanded by the Sponsor or the Board.

At the present time and under current zoning, there are no air rights that can be sold to adjoining properties. In the event of a zoning change, the Sponsor will amend this plan to disclose the maximum amount of space or the maximum number of stories that may be added to adjoining properties from the sale of air rights from this property. In the event that Sponsor transfers air rights, the subject building cannot be expanded in the future, or, any future expansion will be limited as a result of Sponsor retaining or selling air rights. The maximum space or stories that may be added to adjoining buildings as a result of Sponsor selling air rights must be disclosed by Sponsor in an amendment to this Offering Plan prior to the plan being declared effective. Notwithstanding, additional space or stories may be added from the transfer of air rights from other properties to the adjoining properties and the Sponsor makes no representations with respect to the sale of air rights from other buildings. The expansion of adjoining buildings may affect light and air to the Condominium.

SECTION XXVI. REPORT TO UNIT OWNERS

An annual report of the receipts and expenditures of the Condominium which will be in the form of the financial statements of the condominium, certified by an independent certified public accountant, shall be submitted by the Board of Managers to all Unit Owners within four months after the end of each fiscal year of the Condominium pursuant to Article VII Section 7 of the By-Laws. SECTION XXVIII. GENERAL

The Property was not the subject of a market test pursuant to Cooperative Policy Statement No. 1.

As of the date the Plan was accepted for filing, Sponsor had not entered into any contract or agreement, written or oral, for the sale or transfer of any of the Units offered under the Plan, and no funds had been taken by or on behalf of Sponsor in connection with the reservation, sale or transfer of such Units.

The Property has not been the subject of any prior cooperative or condominium offering plans.

In accordance with the provisions of the laws of the State of New York, neither Sponsor nor any Selling Agent engaged by Sponsor will discriminate against any person because of sex, race, creed, color, national origin, ancestry, or other ground proscribed by Applicable Law in the sale of the Units offered by Sponsor pursuant to the Plan or in the leasing of any such Units or any other portion of the Building.

The Plan does not knowingly omit any material fact or knowingly contain any untrue statement of a material fact and sets forth all the material terms of the offering. The Plan sets forth all material terms of the offering.

There are no lawsuits or other legal or administrative proceedings now pending, or any judgments outstanding against Sponsor that could materially affect this offering, the rights of Purchasers, the Property, the Condominium, or the operation thereof.

Sponsor reserves the right to revise, from time to time, the terms and conditions upon which Units are to be sold and to otherwise revise the Plan, including revisions affecting the rights, obligations and liabilities of Sponsor, Purchasers, or prospective Purchasers, without obtaining the consent of such Purchasers or others. However, Sponsor may neither unilaterally cancel an outstanding Purchase Agreement, except as therein provided (such as in case of uncured default), nor unilaterally change the Purchase Price or the payment terms contained in such a Purchase Agreement. All substantive or material revisions will be contained in a duly filed amendment to the Plan. In the case of a material revision adversely affecting in any material respect the rights, obligations or liabilities of then existing Purchasers or reducing the undertakings or obligations of Sponsor, such Purchasers will be given the right to rescind their Purchase Agreements and be refunded all monies paid thereunder within thirty (30) days after the Presentation Date of the amendment. However, such rescission, as to a Purchaser who is then a tenant in the Building, will be conditioned on the cancellation of any Interim Lease and surrender of possession of his Unit within thirty (30) days thereafter.

All statements and representations made in the Plan with respect to items prepared by others have been made by Sponsor in reliance upon the Persons responsible for the preparation of such items and their authority as experts.

Unless the context otherwise requires, words used in the singular in Part I of the Plan include the plural and vice versa, and a reference herein to any one gender, masculine, feminine, or neuter, includes the other two.

No Person has been authorized to make any statement or representation or furnish any information not expressly contained herein. Any information, data, or representations not contained herein or in the documents and exhibits referred to herein must not be relied upon. The Plan may not be changed or modified orally.

SECTION XXIX. SPONSOR'S STATEMENT OF BUILDING CONDITION

Sponsor adopts the report prepared by Reform Architecture PLLC and included as part of the "Description of Property and Specifications" contained in Part II of the Plan.

Sponsor represents that said report accurately states the description and specification or building condition as of the date it was prepared. Sponsor represents that it has no knowledge of any material defects or need for major repairs to the property except as set forth in the Description of Property and Specifications as of such date.

The number of units offered is identical to the number of units to be stated in the Certificate of Occupancy and the proposed use of the units is the same as the use indicated in the Certificate.

2. **Delivery of the Deed.** The Closing of Title will occur on the date and at the time and place in the City of New York or other such location as Sponsor will designate to Purchaser on not less than THIRTY (30) days' prior written notice. Sponsor will have the right from time to time, to adjourn such date and time for closing on written notice to Purchaser. If adjourned, Sponsor will fix a new date and time for closing and will give Purchaser not less than five business days' prior written notice of the new scheduled date and time for closing. The Closing of Title will occur only after or concurrently with compliance with the prerequisites set forth under "Terms of Sale" in Part I of The 187 Pulaski Street Condominium Plan (hereinafter the "Plan"). The First Closing, as defined in the Plan, will take place within the time period specified in the section entitled "Effective Date" in Part I of the Plan. As therein set forth, if the First Closing is adjourned beyond 365 days after the expected date of closing as set forth in Schedule A of the Plan, the sole remedy of Purchaser will be to rescind this Purchase Agreement and be refunded all Down Payments, together with any interest thereon, provided that written notice of Purchaser's intention to rescind must be sent pursuant to the Plan.

At Closing, Purchaser shall pay Sponsor the Balance due in Acceptable Funds and Sponsor shall deliver to Purchaser the deed to Purchaser's Unit. Purchaser agrees that upon delivery of the deed, Purchaser's present lease, if any, or monthly tenancy of the Unit shall be deemed cancelled and terminated as of the date of Closing.

3. **Receipt of Documents.** Purchaser acknowledges receipt, at least three (3) full business days prior to the execution of this Purchase Agreement, of the proposed Declaration, By-Laws, Schedules, Plans and Exhibits contained in the Offering Plan to convert the premises at 187 Pulaski Street, Brooklyn, New York 11206 to Condominium Ownership (the “Plan”), as amended, all of which are made part of this Purchase Agreement as if they were set forth in full in this Purchase Agreement.

Purchaser acknowledges that he has read the Plan and agrees to be bound by the Plan. In the event of any inconsistency or conflict between the terms and provisions of this Purchase Agreement and the terms and provisions contained in the Plan, the terms and provisions of the Plan will govern and be binding. Purchaser acknowledges having had full opportunity to examine all documents and investigate all statements made herein and in the Plan.

Purchaser acknowledges that except as stated in this Purchase Agreement (and as set forth in the Declaration, By-Laws, and Offering Plan), Purchaser has not relied on any representations or other statements of any kind or nature made by Sponsor, its agents or other persons, including but not limited to any representations relating to the description, size or dimensions of the Unit or rooms, and the estimated Common Charges or other expenses of the Condominium. No person has been authorized to make any representations on behalf of Sponsor. No oral representations or statements will be considered a part of this Purchase Agreement. Purchaser agrees (a) to purchase the Unit, without offset or any claim against, or liability of Sponsor, whether or not any layout or dimension of the Unit or any part thereof, or of the Common Elements, as shown on the Floor Plans, is accurate or correct, provided the layouts and dimensions conform substantially to such Floor Plans and (b) that Purchaser will not be relieved of any of Purchaser’s obligations hereunder by reason of any minor inaccuracy or error. The provisions of

this Paragraph 3 will survive the Closing.

4. **Marketable Title.** Sponsor shall convey to Purchaser good and marketable title as any title company which is a member of the Board of Title Underwriters and licensed to do business in New York State, shall approve and insure for fee title insurance (subject to the terms of the Plan, the Declaration and By-Laws as filed) and free and clear of all liens and encumbrances except the rights of present tenants, if any, as described below, the lien of any mortgage procured by Purchaser, and the title exceptions set forth as “Permitted Encumbrances” in the Plan as set forth in the Section of Part I entitled “Terms of Sale”. Any of such title exceptions and or any other title exceptions or objections which have been waived or consented to by Purchaser may for convenience be omitted by Sponsor in the deed to be delivered hereunder, but all of such exceptions shall nevertheless survive delivery of the deed. Fee title insurance may be purchased at Purchaser’s option at Purchaser’s own cost and expense.

5. **Condition of Unit.** The roof was installed around 2017-2019. There is no roof warranty. The roof appears in fair condition and as expected for a roof installed approximately six (6) years ago. Roofs typically have a 10-15 year span when maintained properly. The windows are provided with no warranty. There shall be no warranty on the HVAC equipment. It is assumed that the intercom is no longer under warranty as it was installed in 2019 and intercoms generally only have 1 to 3 year manufacturer’s warranty periods. There is no warranty on the fire alarm. All finishes within the Units will be the finishes installed in the construction in 2019 and are approximately six (6) years old. The walls, ceiling and floors shall be sold in as-is condition. The walls and ceilings are in fair condition with standard wear and tear for a building of this age. The bathrooms finishes shall be sold in as-is condition. At Closing, the Unit will contain only those fixtures and equipment currently installed therein that are owned by Sponsor and those set forth in

Part I of the Offering Plan and the Description of Property in Part II of the Offering Plan. They shall be delivered free and clear of all liens and encumbrances, other than those to which the Unit is subject pursuant to this Purchase Agreement. The Unit is being sold unfurnished. Any appliances, furnishings, equipment, fixtures and other personal property owned by any tenant of a Unit are not included in this sale. Furniture, wall coverings, furnishings, decorations and the like in or about any model unit are for display purposes only and are not included in the sale. Any floor plans or sketches shown to Purchaser are only approximations of the Unit's dimensions and arrangement, and Purchaser should not rely thereon. There will be no modifications or extras unless agreed to in writing by the parties.

The signing of this Purchase Agreement by Purchaser signifies Purchaser's acceptance of the condition of the Unit, and all fixtures, machinery, equipment, furnishings, appliances installations and other personal property contained therein (hereinafter collectively called "Installations"), in their respective existing conditions, subject to reasonable use, wear and tear and natural deterioration between the date Purchaser signs this Purchase Agreement and delivery of the deed to Purchaser. Purchaser acknowledges having read, or having had ample opportunity to read, the Inspection Report prepared by Sponsor's architect, set forth in Part II of the Plan, which sets forth a description of the existing physical condition of the Building. Purchaser understands that the Sponsor has no obligation to make any repairs, improvements or decorations in or to the Building, the Unit or the Installations, except as specifically set forth in the Plan and subject to Sponsor's representations in the Plan.

Sponsor will provide Purchaser an opportunity to inspect the Unit at least 48 hours before closing and Purchaser is advised to make a careful examination at such time.

6. **Effectiveness of Offering Plan.** It is agreed that this Purchase Agreement is contingent upon the Plan being declared effective and that the Plan shall not be declared effective except as provided in the Plan.

The Plan may be abandoned by the Sponsor at any time prior to declaring it effective and shall be abandoned and deemed abandoned if it has not been declared effective within the time prescribed by the Plan.

If the Plan is abandoned, does not become effective, or is not consummated for any reason after being declared effective within the time prescribed by the Plan, the following shall apply: This Purchase Agreement shall be deemed cancelled and within five (5) days thereafter, Purchaser will receive all monies paid hereunder. (Notwithstanding the foregoing, Sponsor will retain as liquidated damages as provided in Paragraph 10 all Down Payments and any interest thereon of any Purchaser who is then in default hereunder beyond any applicable grace period, or if this Purchase Agreement has previously been cancelled due to default by Purchaser). Upon such repayment, Purchaser and Sponsor will have no claim against each other or the Selling Agent in connection with this Purchase Agreement or the Plan, and all such parties will be relieved and discharged from all liabilities and obligations hereunder and under the Plan.

7. **Adjournment Penalty.** In the event that the Sponsor consents to an extension of the closing date, all adjustments as set forth in the section of the Plan entitled "Closing Costs and Adjustments" shall be made as of midnight of the date preceding the date originally set for closing (regardless as to when the closing actually happens) and further, Purchaser shall pay to Sponsor, the sum of .03% of the Purchase Price for that Unit for every day starting from the originally scheduled closing date through, and including, the day before the actual closing date (10.95% Annual Percentage Rate). This payment is intended to reimburse the Sponsor for

Common Charges incurred during the extension period. If Sponsor adjourns the closing due to fault of the Purchaser, this provision shall apply to the adjourned closing date to be determined by Sponsor. The interest rate charged will not exceed NYS usury charges.

8. **Closing Expenses and Adjustments.** At the closing of title, Purchaser shall pay the following: (i) any charges for the cost of title examination, cost of fee and/or mortgage title insurance, New York State Real Property Transfer taxes, NYC Real Property Transfer Tax, mortgage recording taxes, or recording charges for the deed, mortgage documents, and power of attorney in favor of the Board of Managers; (ii) an amount equal to two month's Common Charges representing Purchaser's share of initial working capital for the Condominium; and (iii) the closing fees described in the section entitled Closing Costs and Adjustments in the Plan.

Sponsor and Purchaser will apportion, as of midnight on the day preceding the Closing Date, real estate taxes and/or Common Charges assessed during the month in which title closes or established as a reserve based upon the last bill received, and rent and other charges, if any, pursuant to a lease for or tenancy of the Unit. Any errors or omissions in computing apportionments at Closing will be corrected; this provision will survive Closing. In the event Purchaser obtains a mortgage secured by the Unit, Purchaser shall pay to the Sponsor a sum equal to the partial mortgage tax credit to which the Purchaser is entitled pursuant to Section 339-ee(2) of the Condominium Act.

If separate tax assessments have not been made for individual units prior to the closing of title to a Unit, Sponsor will collect from each Purchaser at closing, and will place in escrow in a separate account established by the Sponsor for that purpose, an amount equal to the Unit's estimated proportionate share of the real estate taxes projected to be due for the entire Property for the half of the tax year next commencing after the closing of said Unit, (i.e., for either

the first half or second half, depending on when the Unit closes) based on the higher of the actually assessment or the tax estimate set forth in Schedule A. If the tax assessor indicates that more than one half of a tax year may elapse before the Units are individually assessed, Sponsor shall collect at closing Purchaser's proportionate share of taxes for the upcoming half and shall deposit the same in the account described above. With respect to the balance of the estimated taxes due for the next applicable tax period, the Board of Managers is authorized, and shall be obligated to collect monthly escrows from Unit Owners with their Common Charges based upon the estimated tax bill for the entire Property and the then current tax rate deposit the same in the tax escrow account. At the time taxes are due and payable, Sponsor shall pay out of Sponsor's own funds, Sponsor's proportionate share of the Property tax bill allocable to the Unit(s) Sponsor then owns, based on the allocation method described above, and the Board of Managers shall be obligated to cause the release to Sponsor of the appropriate amount of escrowed tax funds in the tax escrow account for Sponsor's use in paying the share of taxes attributable to Units that have been sold and closed to other Unit Owners.

If the actual taxes due for any period for which Sponsor collected escrows are higher than the amount collected and held in escrow, the Board of Managers shall pay the difference and shall bill Unit Owners for their proportionate share of any necessary reimbursement, as a Special Assessment. Sponsor will remain liable for all real estate taxes attributable to Sponsor's Units until Sponsor sells and conveys those Units. If any Unit Owner fails to pay a Unit's pro rata share of real estate taxes when due, by Common Charge billing, special assessment billing, or both, the Board of Managers will have a lien on such Unit for non-payment thereof, as if such charges were Common Charges. If the actual taxes due for any period for which Sponsor collected escrows are lower than the amount collected and held in escrow, the Board of Managers

shall pay the Unit Owners their proportionate share of any excess.

9. **Escrow of Down Payment.** A copy of the “Escrow Agreement for Contract Deposit” is included as Exhibit A to this contract and must be executed by Purchaser, Sponsor and Escrow Agent.

10. **Sponsor’s Rights in the Event of Purchaser’s Default.** All sums paid on account of this Purchase Agreement and the reasonable expense of the examination of title to the Unit shall constitute liens on the Unit. However, these liens shall not continue after default by Purchaser under this Purchase Agreement.

The following shall constitute Events of Default by Purchaser hereunder:

(i) Purchaser’s failure to pay the Balance on the Closing Date designated by Sponsor pursuant to Paragraph 2 hereof;

(ii) Purchaser’s failure to duly sign and deliver at Closing any document referred to in the Plan which Purchaser is required to sign when Sponsor delivers the deed to the Unit;

(iii) if Purchaser is or becomes a tenant of the Building, Purchaser’s failure to pay rent or to otherwise comply with Purchaser’s lease or tenancy obligations which failure is not fully cured within 20 days following written notice to Purchaser of such default even though Purchaser is not evicted from the leased premises as a result thereof or Purchaser’s removal from or abandonment of the leased premises (notwithstanding any such default or the cancellation of this Purchase Agreement by reason thereof, in no event will Purchaser be excused from paying and performing Purchaser’s lease or tenancy obligations);

(iv) the failure to pay, perform or observe any of Purchaser’s other obligations hereunder which failure is not fully cured within 15 days following written notice to Purchaser of such default.

Upon the occurrence of an Event of Default, Sponsor may cancel this Purchase Agreement on written notice to Purchaser, and upon the giving of such notice this Purchase Agreement shall be and be deemed cancelled. Sponsor shall retain, as liquidated damages, all Down Payments and any interest earned thereon and Purchaser, Sponsor and Selling Agent will be released and discharged of and from all further liability and obligations hereunder and under the Plan. Thereafter, the Unit may be sold to another as though this Purchase Agreement had never been made, and without accounting to Purchaser for the proceeds of such sale.

11. **Rent Security Deposit.** If Purchaser is or hereafter becomes a tenant of the Unit, Purchaser's un-applied rent security deposit, if any, will be refunded to Purchaser, together with any interest earned thereon, within 30 days following the Closing, provided Purchaser is not in default under Purchaser's lease or tenancy obligations. If the Unit is occupied by other than Purchaser, then the unapplied security deposit (if any) of the tenant or occupant will be transferred at Closing to Purchaser, who will upon receipt sign and deliver to Sponsor an agreement acknowledging the amount received, indemnifying Sponsor from all liability in connection therewith and agreeing to hold such security deposit in trust and to deposit it in an interest bearing account pursuant to the provisions of Section 7-103 of the New York General Obligations Law (such agreement to be in form and substance satisfactory to Sponsor). In either event, Sponsor will have the right if permitted by law to deduct from any tenant's security deposit the amount of any rent arrearage owing to Sponsor and to sue the tenant to the extent such rent security is insufficient.

12. **Seller's inability to Deliver Deed - Cancellation of Purchase Agreement.** It is understood and agreed that if Sponsor is unable to deliver a deed to the Unit in accordance with this Purchase Agreement because of Sponsor's inability to complete the filing of the premises as part of a condominium plan in accordance with the Offering Plan of The 187 Pulaski Street

Condominium, as it may be amended, or if Sponsor abandons the Plan (and Sponsor has the unconditional right to abandon the Plan at any time prior to its effective date), Sponsor shall immediately notify Purchaser in writing and this Purchase Agreement will terminate. In that case, Sponsor's sole liability shall be the prompt return to Purchaser (unless Purchaser is then in default or this Purchase Agreement has previously been cancelled, as provided in Paragraph 7) of the Down Payment and interest, if any, earned thereon.

In accordance with the Section of the Plan entitled "Effective Date", the Sponsor may, at its option, declare the Plan abandoned for any reason whatsoever before it is declared effective provided, however, that within 5 days after abandonment, all monies will be returned to Purchasers. Once the Plan has been declared effective, it may not be abandoned, except for (i) a defect in title (other than a defect which existed on the date of presentation of the Plan and either is known to the Sponsor or is a matter of public record) which cannot be cured without litigation or cannot be cured for less than one-half of one percent of the total offering amount or (ii) substantial damage or destruction of the Building by fire or other casualty which cannot be cured for less than one-half of one percent of the total offering amount or (iii) the taking of any material portion of the Property by condemnation or eminent domain.

Abandonment of the Plan will be by either duly filed amendment or notice of abandonment by Form CD-3 or RS-3 or other form then required by the Department of Law submitted promptly after abandonment explaining the reasons for abandonment of the Plan and setting forth the disposition of all purchasers' funds.

13. **Recording of Condominium Declaration.** The Declaration and By-Laws establishing the Condominium shall be recorded by Sponsor in the Office of the County Clerk, Kings County, prior to the closing of title to the first Unit as set forth in the Plan.

14. Possession, Risk of Loss.

A. The Sponsor assumes the risk of loss from fire or other casualty until the Purchaser assumes such risk of loss by taking possession of the Unit. Unless Purchaser now occupies the Unit, Purchaser will not be entitled to occupy the Unit until the deed is delivered to Purchaser at Closing. Sponsor may, in its discretion, grant Purchaser possession of the Unit prior to the closing under an interim lease.

B. If Purchaser is the existing tenant or occupant of the Unit or if Purchaser is given possession of the Unit prior to Closing under an interim lease or otherwise, then Purchaser will be solely responsible for any damage to or loss or other condition in the Unit resulting from Purchaser's use or occupancy and Sponsor will not be obligated to make any repairs required of it as landlord under any existing or interim lease and, after Closing, the Board of Managers will be responsible to make those repairs required of it under the Condominium Declaration and By-Laws. If Purchaser is given possession before closing, the purchaser will be responsible for losses not covered by insurance as the apartment cannot be doubly insured.

C. If during Purchaser's occupancy the Unit is damaged by casualty or otherwise, then Purchaser assumes the risk of loss and the obligation to repair the damage, unless the cause thereof originated outside the Unit and did not result from the acts of Purchaser or other occupants of the Unit or Purchaser's guests, invitees or workmen. If Purchaser is obligated to repair the damage, then Purchaser's failure to make such repair shall not excuse Purchaser from paying the Balance and accepting delivery of the deed.

D. Except as provided in the preceding subparagraph C, all other risk of loss prior to Closing is assumed by Sponsor, but without any obligation or liability of Sponsor to repair the damage or restore the Unit. If Sponsor elects to repair or replace loss or damage, Sponsor shall so

notify the Purchaser within 30 days of loss or damage and the Purchase Agreement shall continue in full force and effect. If Sponsor is obligated to make repairs, Purchaser is to receive back all monies paid, including money for extras. If the Unit Owners elect to repair or replace the loss or damage, this Purchase Agreement shall continue in full force and effect. Purchaser will not have the right to reject title to the Unit or to receive a credit against, or abatement of, the Purchase Price, and Sponsor will be entitled to a reasonable period of time to complete or to permit the Board of Managers to complete, such repairs or replacements. Purchaser will not be required to pay the Balance of the Purchase price unless and until (i) the Unit has been substantially repaired to as near as reasonably possible to its condition immediately prior to the casualty and (ii) its essential services (such as electricity and heat) and a reasonable means of ingress and egress to the street have been restored. Any proceeds received from insurance or in satisfaction of any claim or action in connection with such loss will belong entirely to Sponsor (subject to the rights, if any, of the Board of Managers or other Unit Owners) and if such proceeds are paid to Purchaser, Purchaser will promptly upon receipt turn them over to Sponsor. The provisions of the preceding sentence will survive the Closing.

E. In the event Sponsor notifies Purchaser that it does not elect to repair or restore the Unit or if the Unit Owners do not resolve to make such repairs or restoration pursuant to the Condominium's Declaration and By-Laws, this Purchase Agreement will be cancelled and of no further force or effect and Sponsor will return to Purchaser all Down Payments (with interest, if any) whereupon the parties will be released and discharged from all obligations and liability hereunder and under the Plan, except that if Purchaser is then in default hereunder (beyond the applicable grace period, if any) or if this Purchase Agreement has previously been cancelled due to such default, Sponsor will retain the Down Payment and any interest thereon as liquidated

damages pursuant to Paragraph 10 hereof.

15. **Existence of Liens Not Objection to Title.** The existence of unpaid taxes or liens of any kind at the time of Closing which are not Permitted Encumbrances hereunder shall not constitute an objection to title, provided Sponsor shall either deliver to Purchaser at the Closing instruments in recordable form and sufficient to satisfy such liens and encumbrances of record together with the cost of recording or filing said instruments; or, provided that Sponsor has made arrangements with the Title Company in advance of Closing, Sponsor will deposit with said company sufficient monies, acceptable to and required by it to insure obtaining and recording of such satisfactions and the issuance of title insurance to Purchaser either free of any such liens and encumbrances, or with insurance against enforcement of same out of the Unit. Purchaser, if request is made within a reasonable time prior to the Closing, agrees to provide at the Closing separate checks as requested, aggregating the amount of the balance of the Purchase Price, to facilitate the satisfaction of any such liens or encumbrances.

16. **Execution of Required Documents, etc.** Purchaser agrees to deliver to Sponsor all documents and perform all acts required by Sponsor to carry out the provisions of all applicable laws and regulations. This paragraph shall survive delivery of the deed.

17. **Binding Nature of Purchase Agreement, Assignability, Use.** Purchaser agrees that this Purchase Agreement is binding upon Purchaser, his respective heirs, executors, administrators and permitted assigns. Purchaser hereby represents that the Unit is being purchased for a use permitted by the Declaration and By-Laws.

Purchaser will not record this Purchase Agreement and any purported recordation thereof by Purchaser shall constitute an Event of Default. Purchaser does not have the right to assign this Purchase Agreement without the prior written consent of Sponsor, and any purported

assignment by Purchaser in violation of this Purchase Agreement will constitute an Event of Default and will be voidable at the option of Sponsor. Sponsors refusal to consent to an assignment will not entitle Purchaser to cancel this Purchase Agreement or give rise to any claim against Sponsor. In the even that Sponsor consents to an assignment of this Purchase Agreement, there will be a fee for legal review of all assignment documents in the amount of \$500. Sponsor may not withhold permission for an assignment based upon race, creed, national origin, color, sex, age, disability, marital status or other grounds prohibited by law.

18. **Notice.** All notices, elections, consents, demands and communications (collectively called “notices” or individually called “notice”) shall be delivered personally or given in writing by registered or certified mail, return receipt requested, postage prepaid and, if sent to Purchaser, addressed to Purchaser at Purchaser’s address given in the preamble to this Purchase Agreement and, if sent to Sponsor, addressed to Sponsor c/o Eial Girtz, Esq., 11 Grace Avenue, Suite 309, Great Neck, New York 11021. Either party may, by written notice to the other, change the address to which notices are to be sent. Unless otherwise provided herein, all notices will be deemed given when personal delivery is affected or when deposited in any branch, station or depository maintained by the U.S. Postal Service in the City and State of New York, except that a notice of change of address will be deemed given when actually received.

19. **Acceptance of Agreement.** This Purchase Agreement shall not be binding on Purchaser or the Sponsor until Purchaser is accepted, by endorsement of this Purchase Agreement, by the Sponsor, and a fully signed copy of this Purchase Agreement is delivered or mailed to Purchaser. If Sponsor does not accept the signed Purchase Agreement within 20 days of its receipt, the contract shall be deemed null and void and the Down Payment check will be returned to the Purchaser. Purchaser will be afforded a minimum of three (3) business days to

review the offering plan and all filed amendments prior to executing a purchase agreement.

20. **No Discriminatory Inducement.** Purchaser represents that he is over eighteen (18) years of age, and the offer for sale of the designated Unit was made in good faith pursuant to the terms set forth in the Plan, without fraud or duress.

21. **Broker.** _____ is the only broker or sales agent with whom Purchaser has dealt in connection with this transaction. Sponsor agrees to pay any commission due to said broker.

22. **Definitions.** The term “Purchaser” shall be read as “Purchasers” if more than one person is a purchaser. In that case Purchaser’s obligations shall be considered joint and several. A reference in this Purchase Agreement to any one gender, masculine, feminine or neuter, includes the other two, and the singular includes the plural, or vice versa, unless the context otherwise requires.

23. **Entire Agreement, Governing Law.** This Purchase Agreement states the entire understanding between Purchaser and Sponsor and Sponsor shall not be bound by any oral representations or agreement. This Purchase Agreement shall be governed by the laws of the State of New York. This Purchase Agreement cannot be changed or any provision waived orally.

ANY CHANGE OR ADDITIONAL PROVISIONS OR WAIVERS MUST BE SET FORTH IN A RIDER ATTACHED HERETO OR IN A SEPARATE WRITTEN AGREEMENT SIGNED BY BOTH PARTIES.

24. **Waiver.** Purchaser waives any right to trial by jury in any action, proceeding or counterclaim in any way connected with this Purchase Agreement or the Plan. The failure of the Sponsor to insist upon a strict performance of any of the terms or conditions of this Purchase Agreement shall not be deemed a waiver of any subsequent breach or default in the terms

and conditions of this Purchase Agreement.

25. **Survival of Seller's and Purchaser's Obligations.** The acceptance of a deed to the Unit by Purchaser shall be deemed to evidence full performance by Sponsor of all its obligations hereunder and Sponsor shall have no obligations under this Purchase Agreement or the Plan after Sponsor delivers to Purchaser the deed to the Unit, unless this Purchase Agreement or the Plan specifically gives Sponsor an obligation after that time. All representations made by Purchaser in this Purchase Agreement shall expressly survive the closing of title.

26. **Captions.** The captions in this Purchase Agreement are for convenience only and are not part of the meaning of this Purchase Agreement.

27. **Severability.** If any provision of this Purchase Agreement or the Plan is invalid or unenforceable as against any person or under certain circumstances, the remainder of this Purchase Agreement or the Plan and the applicability of such provision to other persons or circumstances shall not be affected thereby. Each provision of this Purchase Agreement or the Plan, except as otherwise herein or therein provided, will be valid and enforced to the fullest extent permitted by law.

28. **Mortgage Tax Credit.** In the event a mortgage recording tax credit becomes available pursuant to Section 330-ee(2) of the Condominium Act, such credit shall inure to the benefit of Sponsor. Accordingly, at closing, a Purchaser who elects mortgage financing will be responsible to pay the full amount (but not in excess thereof) of the mortgage recording tax chargeable on the entire amount being financed. Sponsor at closing will be reimbursed by Purchaser to the extent of any mortgage tax credit allowed.

29. **Warranties.** Purchaser shall be entitled to such warranties as are set forth in the Offering Plan.

30. **Smoking Policy.** Pursuant to New York City Local Law 147, which was implemented on August 28, 2018, the Condominium's smoking policy is attached hereto as Exhibit B. Smoking is prohibited in the interior common elements, the outdoor common elements, the outdoor limited common elements and inside of the residential units.

31. **Force Majeure.** Sponsor shall be excused from performing any obligation or undertaking provided for in this Agreement for so long as such performance is prevented, delayed or hindered by Force Majeure as defined in the Plan. Sponsor's time to perform such obligation or undertaking shall be tolled for the length of the period during which such performance was excused. Purchaser's time to perform its obligations under the Purchase Agreement also may be tolled during the tolling period. Sponsor may not limit any rights which Purchaser may have pursuant to Art. 23A of the GBL, NYCRR regulations, and the Offering Plan, except as determined in a final decision or order by a court of competent jurisdiction or any governmental agency or by executive order and that Purchaser may be entitled to. **Purchasers are advised that executing a Purchase Agreement that includes the foregoing provisions may impact the Purchaser's ability to close on her/his unit in the time frame originally contemplated in the Purchase Agreement and may limit the Purchaser's remedies for any such delay in the closing date. The Attorney General strongly recommends that Purchasers consult with their attorneys regarding any risks associated with executing a Purchase Agreement containing the foregoing provision prior to executing the Purchase Agreement.**

FINANCING CONTINGENCY RIDER
THE 187 PULASKI STREET CONDOMINIUM
DATED _____ FOR UNIT NO. _____

The Purchaser shall have 30 days from the date of the Purchase Agreement to obtain mortgage financing ("Commitment Date"). The maximum allowable financing is 80% of the purchase price. The Purchaser shall (i) make prompt application to an Institutional Lender for such mortgage loan; (ii) furnish accurate and complete information regarding Purchaser and members of Purchaser's family, as required; (iii) pay all fees, points and charges required in connection with such application and loan; (iv) pursue such application with diligence; (v) cooperate in good faith with such Institutional Lender to obtain such commitment and (vi) promptly give Notice to Seller of the name and address of each Institutional Lender to which Purchaser has made such application. Purchaser shall comply with all requirements of such commitment (or any other commitment accepted by Purchaser) and shall furnish Seller with a copy thereof promptly after receipt thereof.

If such commitment is not issued on or before the Commitment Date, then, unless Purchaser has accepted a commitment that does not comply with the requirement set forth above, Purchaser may rescind the purchase agreement by giving Notice to Seller within 5 days after the date of the Commitment Date, in which case this contract shall be deemed cancelled and thereafter neither party shall have any further rights against, or obligations or liabilities to, the other by reason of this contract, except that the Down Payment shall be promptly refunded to Purchaser.

The purchaser assumes the risk that a commitment may expire or that the terms of the commitment may change prior to actual closing. If the purchaser's obligations are contingent upon obtaining a financing commitment, and the financing commitment lapses or expires prior to closing, and the purchaser has made a good faith effort to extend the commitment, Sponsor shall grant to purchaser a right of rescission and a reasonable period of time within which to exercise

the right.

Under New York law, when a mortgage commitment is not fulfilled through no fault of a Purchaser, performance is excused. Therefore, if Purchaser acts in good faith and the lender revokes the loan commitment after the contingency period expires, performance is excused, and Sponsor must grant to such Purchaser a right of rescission and a reasonable period of time to exercise such right.

2.1 All Deposits received from PURCHASER prior to closing, whether in the form of checks, drafts, money orders, wire transfers, or other instruments which identify the payor, shall be placed into the Escrow Account. All instruments to be placed into the Escrow Account shall be made payable directly to the order of EIAL GIRTZ PC, AS ESCROW AGENT, pursuant to the terms set forth in the Plan. Rescission shall not be afforded where proof satisfactory to the Attorney General is submitted establishing that the Deposit was timely placed in the Escrow Account in accordance with the New York State Department of Law's regulations concerning the Deposit and requisite notice was timely mailed to the Purchaser.

3. RELEASE OF FUNDS

3.1 Under no circumstances shall SPONSOR seek or accept release of the Deposit of PURCHASER to SPONSOR until after consummation of the Plan, as evidenced by the acceptance of a post-closing amendment by the New York State Department of Law. Consummation of the Plan shall not relieve SPONSOR or ESCROW AGENT of any obligation to PURCHASER as set forth in GBL §§ 352-3(2-b) and 352-h.

3.2 ESCROW AGENT shall release the Deposit to PURCHASER or SPONSOR as directed:

3.2.1 pursuant to terms and conditions set forth in the Purchase Agreement and this Agreement, upon closing of title to the Unit;

3.2.2 in a subsequent writing signed by both SPONSOR and PURCHASER; or

3.2.3 by a final, non-appealable order or judgment of a court.

3.3 If Escrow Agent is not directed to release the Deposit pursuant to paragraph 3.2 above, and Escrow Agent receives a request by either SPONSOR or PURCHASER to release the

Deposit, then Escrow Agent must give both the Purchaser and Sponsor prior written notice of not fewer than thirty (30) days before releasing the Deposit. If Escrow Agent has not received notice of objection to the release of the Deposit prior to the expiration of the thirty (30) day period, the Deposit shall be released and Escrow Agent shall provide further written notice to both PURCHASER and SPONSOR informing them of said release. If Escrow Agent receives a written notice from either PURCHASER or SPONSOR objecting to the release of the Deposit within said thirty (30) day period, Escrow Agent shall continue to hold the Deposit until otherwise directed pursuant to paragraph 3.2 above. Notwithstanding the foregoing, Escrow Agent shall have the right at any time to deposit the Deposit contained in the Escrow Account with the Clerk of the county where the [unit/building] is located and shall give written notice to both SPONSOR and PURCHASER of such deposit.

3.4 Sponsor shall not object to the release of the Deposit to:

3.4.1 Purchaser, if Purchaser timely rescinds in accordance with an offer of rescission contained in the Plan or an Amendment to the Plan; or

3.4.2 Purchaser after an Amendment abandoning the Plan is accepted for filing by the New York State Department of Law.

4. RECORDKEEPING.

4.1 ESCROW AGENT shall maintain all records concerning the Escrow Account for seven years after release of the Deposit.

4.2 Upon the dissolution of the law firm which was ESCROW AGENT, the former partners or members of the firm shall make appropriate arrangements for the maintenance of these records by one of the partners or members of the firm or by the successor firm and shall notify the New York State Department of Law of such transfer.

4.3 ESCROW AGENT shall make available to the Attorney General, upon request, all books and records of ESCROW AGENT relating to the funds deposited and disbursed hereunder.

5. GENERAL OBLIGATIONS OF ESCROW AGENT.

5.1 ESCROW AGENT shall maintain the Escrow Account under its direct supervision and control.

5.2 A fiduciary relationship shall exist between ESCROW AGENT, and PURCHASER, and ESCROW AGENT acknowledges its fiduciary and statutory obligations pursuant to GBL §§ 352(e)(2-b) and 352(h).

5.3 ESCROW AGENT may rely upon any paper or document which may be submitted to it in connection with its duties under this Agreement and which is believed by ESCROW AGENT to be genuine and to have been signed or presented by the proper party or parties and shall have no liability or responsibility with respect to the form, execution or validity thereof.

6. RESPONSIBILITIES OF SPONSOR.

6.1 SPONSOR agrees that SPONSOR and its agents, including any Selling Agents, shall deliver the Deposit received by them prior to closing of the [unit/shares/membership interest/fractional interest] to a designated attorney who is a member of or employed by ESCROW AGENT, within two (2) business days of tender of the Deposit by PURCHASER, using such transmittal forms as required by ESCROW AGENT.

6.2 SPONSOR agrees that it shall not interfere with ESCROW AGENT'S performance of its fiduciary duties and statutory obligations as set forth in GBL §§ 352-(e)(2-b) and 352-(h) and the New York State Department of Law's regulations.

6.3 SPONSOR shall obtain or cause the Selling Agent under the Plan to obtain a completed and signed Form W-9 or W-8, as applicable, from PURCHASER and deliver such form to ESCROW AGENT together with the Deposit and Purchase Agreement.

7. TERMINATION OF AGREEMENT.

7.1 This Agreement shall remain in effect unless and until it is canceled by either:

7.1.1 Written notice given by SPONSOR to ESCROW AGENT of cancellation of designation of ESCROW AGENT to act in said capacity, which cancellation shall take effect only upon the filing of an amendment to the Plan with the Department of Law providing for a successor escrow agent that meets the requirements set forth in applicable regulations of the New York State Department of Law. PURCHASER shall be deemed to have consented to such cancellation;

7.1.2 The resignation of ESCROW AGENT, which shall not take effect until ESCROW AGENT is replaced by a successor escrow agent that meets the requirements set forth in applicable regulations of the New York State Department of Law, and notice is given to PURCHASER of the identity of the successor escrow agent, the Bank in the State of New York where the Deposit is being held, and the account number therefor.

7.2 Upon termination of the duties of ESCROW AGENT as described in paragraph 7.1.1 or 7.1.2 above, ESCROW AGENT shall deliver the Deposit held by ESCROW AGENT and the Purchase Agreement and any other documents maintained by ESCROW AGENT relating to the Deposit to the successor escrow agent.

8. SUCCESSORS AND ASSIGNS.

This Agreement shall be binding upon SPONSOR, PURCHASER, and ESCROW AGENT and their respective successors and assigns.

9. GOVERNING LAW.

This Agreement shall be construed in accordance with and governed by the laws of the State of New York.

10. ESCROW AGENT'S COMPENSATION.

Prior to release of the Deposit, ESCROW AGENT'S fees and disbursements shall neither be paid by SPONSOR from the Deposit nor deducted from the Deposit by any financial institution under any circumstance.

11. SEVERABILITY.

If any provision of this Agreement or the application thereof to any person or circumstance is determined to be invalid or unenforceable, the remaining provisions of this Agreement or the application of such provision to other persons or to other circumstances shall not be affected thereby and shall be valid and enforceable to the fullest extent permitted by law.

12. INDEMNIFICATION.

The Common Expenses shall include, among other things, the cost of all insurance premiums on all policies of insurance required to be or which have been obtained by the Board of Managers pursuant to the provisions of these By-Laws and the fees and disbursements of the Insurance Trustee. The Common Expenses may also include such amount as the Board of Managers may deem proper for the operation and maintenance of the Common Elements including, without limitation, an amount for working capital of the Condominium, for a general operating reserve, for a reserve fund for replacements, and to make up any deficit in the common expenses for any prior year. The Common Expenses may also include such amounts as may be required for the purchase or lease of any Unit whose Owner has elected to sell or lease such Unit, or any Unit which is to be sold at a foreclosure or other judicial sale. The Board of Managers shall advise all Unit Owners promptly, in writing, of the amount of Common Charges and Expenses payable by each of them, respectively, as determined by the Board of Managers, as aforesaid, and shall furnish copies of each budget on which such Common Charges and Expenses are based, to all Unit Owners. Any dispute relating to the expenses to be borne by the Unit Owners shall be submitted to arbitration in accordance with these By-Laws. The Sponsor or Sponsor-designee shall be responsible for the Common Charges assessed against a Unit owned by it from the date of the First Unit Closing until such Unit is sold to a bona fide purchaser.

Section 2. Insurance:

The Board of Managers shall be required to obtain and maintain, to the extent obtainable, the following insurance: (1) fire insurance with extended coverage, vandalism and malicious mischief endorsements, insuring the Buildings containing the Units (including all of the Units and the fixtures initially installed therein by the Sponsor or by prior construction and any other property usual to the servicing and general occupancy, but not including furniture, furnishings, or other personal property supplied or installed by Unit Owners) together with all service machinery and equipment contained therein and covering the interests of the Condominium, the Board of Managers and all Unit Owners and their mortgagees with certificates of insurance, as their interests may appear, in an amount to be determined by the Board of Managers but not less than full replacement value. In the event this building includes a commercial unit, the Board of Managers shall annually obtain from the insurance broker a letter stating the extent to which the cost of insurance for the condominium, on account of the usage of the commercial unit, exceeds the cost

which would otherwise have been obtained if no commercial unit were present; and this cost shall be borne by the commercial unit owner. A copy of the letter shall be delivered to the commercial unit owner within ten (10) days after receipt thereof, and the commercial unit owner shall be obligated the amount assessed therein within fifteen (15) days after receipt thereof. Holders of mortgages shall be entitled to timely notice of any lapse, cancellation or modification of insurance policies maintained by the Condominium.

Section 3. Payment of Common Charges:

All Unit Owners shall be obligated to pay the Common Charges assessed by the Board of Managers pursuant to the provisions of Section 1 of Article VI at such time or times as the Board of Managers shall determine. No Unit Owner shall be liable for the payment of any part of the Common Charges assessed against his Unit subsequent to a sale, transfer or other conveyance by him.

Section 4. Collection of Common Charges and Assessments:

The Board of Managers shall assess Common Charges against Unit Owners from time to time at least annually and shall take prompt action to collect any Common Charge due from any Unit Owner which remains unpaid for more than thirty (30) days from the due date for payment thereof. The Board of Managers shall also take prompt action to collect any assessment due from any Unit Owner which remains unpaid for more than thirty (30) days from the due date thereof.

Section 5. Default in Payment of Common Charges or Assessments:

In the event of default by any Unit Owner in paying to the Board of Managers the Common Charges or any assessment as determined by the Board of Managers, such Unit Owners shall be obligated to pay interest at the highest legal rate on such Common Charges or assessments from the due date thereof, together with all expenses, including attorney's fees, incurred by the Board of Managers in any proceeding brought to collect such unpaid Common Charges or assessments. The Board of Managers shall have the right and duty to attempt to recover such Common Charges or assessments, together with interest thereon, and the expenses of the proceeding, including attorney's fees, in an action to recover the same brought against such Unit Owner, or by foreclosure of the lien on such Unit granted by Section 339-z of the Real Property Law of the State of New York, in the manner provided in Section 339-aa thereof. A Unit Owner defaulting in payment of Common Charges or assessments shall not be permitted to vote at any regular or special meeting of Unit Owners. Pursuant to Section 339(kk) of the Real Property Law, if a non-occupying owner of a condominium, including the Sponsor, fails to pay Common Charges when due within 60 days of the due date, the Board of Managers may demand and collect rent from the tenant of such unit.

Section 6. Foreclosure of Liens for Unpaid Common Charges:

In any action brought by the Board of Managers to foreclose a lien on a Unit because of unpaid Common Charges, the Unit Owner shall be required to pay a reasonable rental for the use of his Unit and the plaintiff in such foreclosure action shall be entitled the appointment of a receiver to collect the same. The Board of Managers, acting on behalf of all Unit Owners, shall have the power to purchase such Unit at foreclosure sale and to acquire, hold, lease, mortgage (but not to vote the

votes appurtenant to), convey, or otherwise deal with same. A suit to recover a money judgment for unpaid Common Charges shall be maintainable without foreclosing or waiving the lien securing the same. The proceeds from the sale of any Unit pursuant to this Section shall be used first to pay the unpaid Common Charges and/or assessments, plus reasonable attorney's fees and administrative costs and any other lawful liens on the defaulting Unit. Amounts above this, if any, will be the property of the defaulting Unit Owner. If after the sale of Unit for the nonpayment of Common Charges and/or assessments, the sale does not recover the full amount due and owing, the Board of Managers has the right to assess all the Unit Owners as a Common Expense for the difference between the amount received by the Condominium from the sale of the Unit and the amount owed to the Condominium.

Section 7. Statement of Common Charges and Assessment:

The Board of Managers shall promptly provide any Unit Owner so requesting the same in writing, with a written statement of all unpaid Common Charges due from such Unit Owner.

Section 8. Abatement and Enjoinment of Violations by Unit Owners:

The violation of any rule or regulation adopted by the Board of Managers, or the breach of any provision of the By-Law contained herein, or the breach of any provision of the Declaration, shall give the Board of Managers the right, in addition to any other right set forth in these By-Laws; (a) upon reasonable notice to the Unit Owner, to enter the Unit in which, or as to which, such violation or breach exists and to summarily abate and remove, at the expense of the defaulting Unit Owner, any structure, thing or condition that may exist therein contrary to the intent and meaning of the provisions hereof (provided, however, that no prior notice shall be required in the event the Board of Managers shall determine that action is immediately necessary for the preservation or safety of the Property of the Condominium or for the safety of residents of the Condominium or other persons or required to avoid the suspension of any necessary service to the Condominium); or (b) to enjoin, abate or remedy by appropriate legal proceedings, either at law or in equity, the continuance of any such breach.

Section 9. Maintenance and Repairs:

a) All maintenance, replacement, or repair to any Unit, ordinary or extraordinary, and to the doors, windows, electrical (except Common Elements), plumbing (except Common Elements) and heating fixtures and air conditioning units within the Unit or belonging to the Unit Owner shall be at the Unit Owner's expense, excepting as otherwise specifically provided herein.

b) All maintenance, repairs and replacements to the Common Elements as defined in the Declaration, shall be made by the Board of Managers as a Common Expense, excepting to the extent that the same are necessitated by the negligence, misuse or neglect of a Unit Owner, in which case such expense shall be charged to such Unit Owner. Maintenance, repair and replacements in or to the Limited Common Elements as defined in the Declaration will be performed as per the Declaration.

Section 10. Restrictions on Use of Units:

In order to provide for congenial occupancy of the Property and for the protection of the values of the Units, the use of the Property shall be restricted to and shall be in accordance with the following:

a) The Units shall be used for private residences only, except that a Unit Owner may use his Unit for any home occupation use permitted under applicable zoning law and ordinances, building code or other rules and regulations of governmental authorities having jurisdiction. Any Unit may also be used as a professional office by a resident thereof provided such professional use does not violate zoning regulations and provided further that the prior consent of the Board of Managers to such professional use is obtained. Notwithstanding the foregoing, the Sponsor or Sponsor-Designee shall have the right, without charge, (i) to maintain general and sales offices in one or more Units or elsewhere on the Property, to use one or more Units as models and for other promotional purposes and to erect and maintain signs on the Property; (ii) to have its employees, contractors and sales agents present on the Property; (iii) to do all things necessary or appropriate, including the use of the Common Elements, to sell or lease Units and to complete construction or the Building and to comply with its obligations.

b) The Common Elements shall be used only for the furnishing of the services and facilities for which they are reasonably suited and which are incident to the use and occupancy of Units.

c) No nuisances shall be allowed on the Property nor shall any use or practice be allowed which is a source of annoyance to its residents or which interferes with the peaceful possession or proper use of the Property by its residents.

d) No unlawful use shall be made of the Property of any part thereof, and all valid laws, zoning ordinances and regulations of all governmental bodies having jurisdiction thereof shall be observed. Violations of laws, orders, rules, regulations or requirements of any governmental agency having jurisdiction thereof, relating to any portion of the Property, shall be eliminated, by and at the sole expense of the Unit Owners, or the Board of Managers, whichever shall have the obligation to maintain or repair such portion of the Property.

e) No portion of a Unit or other Limited Common Elements appurtenant thereto (other than the entire Unit including the Limited Common Elements appurtenant thereto), may be separately rented.

Section 11. Additions, Alterations or Improvements by Unit Owners:

No Unit Owner shall make any structural addition, alteration or improvement in or to his Unit, or which affects the exterior of the Building's Units, without prior written consent thereto of the Board of Managers. The Board of Managers shall have the obligation to answer in writing any written request by a Unit Owner for approval of a proposed structural addition, alteration or improvement in such Unit Owner's Unit, within thirty (30) days after such request, and failure to do so within the stipulated time shall constitute a consent by the Board of Managers to the proposed addition, alteration, or improvement. An application to any department of the City of New York

or to any other governmental authority for a permit to make an addition, alteration or improvement in or to any Unit shall be executed by the Board of Managers, if required by the appropriate department, without however, incurring any liability on the part of the Board of Managers or any of them to any contractor, subcontractor, or material man on account of such addition, alteration or improvement, or to any person having any claim for injury to person or damage to property arising therefrom. In the event the Board of Managers grants its consent, either affirmatively or by its inaction, to any structural addition, alteration or improvement to be made by a Unit Owner, the consent shall provide that any such work shall be at the Unit Owner's sole cost and expense, that work shall be done in accordance with all governmental or quasi-governmental laws, rules, regulations, codes and ordinances, that all work shall be done by reputable licensed contractors, to be reasonable approved by the Board of Managers, with adequate liability, property damage and worker's compensation insurances as shall be determined solely by the Board of Managers (certificates for which shall be delivered to the Board of Managers prior to the commencement of construction), that any additions, alterations or improvements, shall be maintained in their entirety by said Unit Owner who shall also be responsible for any repairs, including structural repairs, to such area in any event, and to the Unit and any Common Elements where such repairs become necessary due to additional stresses caused by the structural alteration, addition or improvement, or due to improper design or construction of the structural alteration, addition or improvement, and such approval shall further provide that the Unit Owner shall reimburse the Board of Managers any out-of-pocket expenses incurred by the Board of Managers in connection with the granting of such approval and in connection with any services provided to such alteration, addition or improvement; such expenses may include, but shall not be limited to, any fees of an attorney and/or fees of an architect and engineer consulted in connection with any request by a Unit Owner for approval of such work. The Board of Managers may require, as a condition to consenting to the proposed addition, alteration or improvement that the Unit Owner enter into an agreement with the Condominium setting forth the terms and condition of the proposed addition or improvements, including, but not limited to, the days and hours during which work will be performed. The provisions of this Section 11 which requires the consent of the Board of Managers in connection with a structural addition, alteration or improvement shall not apply to Units owned by the Sponsor or its designee. All other provisions of this Section 11 shall apply to all Units. Non-structural alterations and improvements to Units that do not affect the exterior of the Buildings may be made without the prior approval of the Board of Managers.

Section 12. Use of Common Elements and Facilities:

A Unit Owner shall not place or cause to be placed in the lobby, public halls, stairways or other Common Elements or common facilities, any furniture, packages or objects of any kind. The public halls and stairways shall be used for no purpose other than for normal transit through them. The Sponsor and any Sponsor-Designee shall have the right to use of the Common Elements, without charge, for the purpose set forth in this By-Law.

Section 13. Right of Access:

A Unit Owner shall grant a right of access to his Unit, to the Manager and/or any other person authorized by the Board of Managers, the Manager or the Managing Agent, for the purpose of making inspections or for the purpose of correcting any condition originating in his Unit and

threatening another Unit or a Common Element, or for the purpose of performing installations, alterations or repairs to the mechanical or electrical services or other Common Elements in his Unit or elsewhere in the Building in which the Unit is located, provided that requests for entry are made in advance and that any such entry is at a time reasonably convenient to the Unit Owner. In case of an emergency, such right of entry shall be immediate, whether the Unit Owner is present at the time or not. In the event of the exercise of the right of access provided in this Section 13, any costs for repairs shall be borne in accordance with the provisions of Section 11 of this Article VI. Each Unit Owner will be required to give a copy of his/her keys to his/her Unit to the President of the Board of Managers who shall designate an authorized person or persons to keep the keys and use them in case of an emergency.

Section 14. Rules of Conduct:

Rules and Regulations concerning the use of the Units and the Common Elements may be promulgated and amended by the Board of Managers. A majority vote of Unit Owners at a meeting may overrule the Board. Copies of such rules and regulations shall be furnished by the Board of Managers to each Unit Owner prior to the time when the same shall become effective. Initial rules and regulations, which shall be effective until amended by the Board of Managers are annexed hereto and made a part hereof as Schedule A.

Section 15. Water Charges and Sewer Rents:

Water shall be supplied to all of the Units and the Common Elements through one or more building meters or pursuant to a frontage charge and, the Board of Managers shall pay, as a Common Expense except for the Commercial Unit, if any, which shall be separately metered and billed, all charges for water consumed on the Property and in the Units, together with all related sewer rents arising therefrom, promptly after the bills for the same shall have been rendered. In the event of a proposed sale of a Unit by the Owner thereof, the Board of Managers, on request of the selling Unit Owner, shall execute and deliver to the purchaser of such Unit or to the purchaser's title insurance company, a letter agreeing to pay all charges for water and sewer rents affecting the Property as of the date of closing of title to such Unit promptly after such charges shall have been billed. The Commercial Unit or Units, if any, shall be entitled to a credit against Common Charges for the portion of such Common Charges allocable to water/sewer charges for residential Units.

ARTICLE VII MORTGAGING AND SELLING/LEASING UNITS

Section 1. Notice to Board of Managers:

A Unit Owner who mortgages his Unit shall notify the Board of Managers of the name and address of his mortgagee and shall file a confirmed copy of the note and mortgage with the Board of Managers; the Board of Managers shall maintain such information in a book entitled "Mortgages of Units".

Section 2. Notice of Unpaid Common Charges:

The Board of Managers, shall promptly notify any mortgagee of a Unit, of such Unit Owner's default, including non-payment of Common Charges, in the obligations of such Unit Owner under the Declaration, By-Laws, Rules and Regulations, as the same are amended from time to time, or in any order of the Board of Managers issued with respect thereto.

Section 3. Notice of Default:

The Board of Managers, when giving notice to a Unit Owner of a default in paying Common Charges or other default, shall send a copy of such notice to each holder of a mortgage covering such Unit whose name and address has heretofore been furnished to the Board of Managers.

Section 4. Examination of Books:

Each Unit Owner and each mortgagee, prospective mortgagee, guarantor and insurer of a mortgage of a Unit shall be permitted to examine the books of account of the Condominium at reasonable times on business days.

Section 5. General selling requirements:

(a) No Unit Owner may sell or lease his Unit except in compliance with the applicable provisions of this Article. Any purported sale or lease consummated in default of the applicable terms hereof shall be voidable at the sole election of the Board of Managers, and, if the Board of Managers shall so elect, the selling or leasing Unit Owner shall be deemed to have authorized and empowered the Board of Managers to institute legal proceedings to eject the purported purchaser (in the event at an unauthorized sale) or to evict the purported tenant (in the event of an unauthorized leasing) in the name of the said Unit Owner as the owner, or landlord, as the case may be. The said Unit Owner shall reimburse the Board of Managers for all costs and expenses paid or incurred in connection with such proceedings, including, without limitation, reasonable attorney's fees, disbursements and court costs.

(b) Any deed of a Unit and its Appurtenant Interests to an outside Offeror shall expressly provide that the acceptance thereof by the grantee shall constitute an assumption of all of the terms of the Condominium Documents, and, in the absence of such express language, the same shall be conclusively deemed to have been included therein.

(c) Any lease of a Unit to an Outside Offeror shall be in the then current form of apartment lease recommended by the Real Estate Board of New York, Inc. subject to such modifications as may be approved in writing by the Board of Managers. Notwithstanding the foregoing, however, each such lease shall be consistent with the Condominium Documents and shall expressly provide that:

(i) such lease shall be for a term of not less than six months and shall not be for less than an entire Unit.

(ii) such lease may not be amended, modified, or extended without the prior written consent of the Board of Managers in each instance;

(iii) the tenant thereunder shall not assign his interest in such lease or sublet the premises demised thereunder or any part thereof without the prior written consent of the Board of Managers in each instance; and

(iv) the Board of Managers shall have the power to terminate such lease and/or to bring summary proceedings to evict the tenant in the place of the landlord thereunder in the event of (a) a default by the tenant in the performance of its obligations under such lease or (b) a foreclosure of the lien granted by Section 339-z of the Condominium Act.

(d) No Unit Owner shall execute any deed or other instrument conveying title to his or her Unit without including therein its Appurtenant Interests, it being the intention to prevent any severance of such combined ownership. Any deed or other instrument purporting to affect one or more such interests shall be taken to include the interest or interests so omitted, even though the latter shall not be expressly mentioned or described therein. No part of the Appurtenant Interests of any Unit may be sold, conveyed, or otherwise disposed of, except as part of a sale, conveyance, or other disposition of the Unit to which such interests are appurtenant or as part of a sale, conveyance, or other disposition of such part of the Appurtenant Interests of all Units. Nothing contained in this Section however, shall prohibit the lease of any Unit without the simultaneous lease of its Appurtenant Interests.

(e) No Unit Owner shall be permitted to convey or lease his Unit unless he shall have paid in full to the Board of Managers all unpaid Common Charges and Special Assessments theretofore assessed against such Unit and shall have satisfied all unpaid liens, other than that of Permitted Mortgages, levied against such Unit provided that if a Unit Owner shall convey his Unit without having paid in full all such payments, the purchaser of such Unit shall be responsible for all such payments.

(f) At the time of acquiring title to a Unit and as a condition thereof, the new Unit Owner shall duly execute, acknowledge and deliver to the representative of his or her title insurance company (or, if no such representative is present, to Sponsor or its designee, or, if Sponsor or its designee is not then the owner of any Unsold Unit, to the Board of Managers) for recording in the Register's Office, the Unit Owner's Power of Attorney required in Article 13 of the Declaration, in the form set forth as on Exhibit to the Declaration and the new Unit Owner shall bear the cost of recording the Unit Owner's Power of Attorney.

(g) Any Unit Owner shall be free to devise his Unit together with its Appurtenant Interests by will or to have the same pass by intestacy, without restriction, provided, however, that each succeeding Unit Owner shall be bound by, and his or her Unit shall be subject to, the provisions of this Article.

ARTICLE VIII CONDEMNATION AND TERMINATION

Section 1. Condemnation:

In the event of a taking in condemnation or by eminent domain of part or all of the Common Elements, the award made for such taking shall be payable to the Board of Managers, if such award amounts to \$250,000.00 or less, and to the Insurance Trustee if such award amounts to more than \$250,000.00. If seventy-five (75%) percent or more of the Unit Owners duly and promptly approve the repair and restoration of such Common Elements, the Board of Managers or the Insurance Trustee, as the case may be, shall arrange for the repair and restoration of such Common Elements, and the Board of Managers or the Insurance Trustee, as the case may be, shall disburse the proceeds of such award to the contractors engaged in such repair and restoration in appropriate progress payments. In the event that seventy-five (75%) percent or more of the Unit Owners do not duly and promptly approve the repair and restoration of such Common Element, the Board of Managers shall disburse the net proceeds of such award in the same manner as they are required to distribute insurance proceeds where there is no repair or restoration of the damage pursuant to these By-Laws. As used in this Section, the words "promptly approve" shall mean not more than sixty (60) days from the date of such taking. Holders of mortgages shall be entitled to timely notice of any condemnation or casualty loss which affects a material portion of the Condominium or any Unit on which there is a mortgage held, insured or guaranteed by such holder. Restoration or repair of the Common Elements shall be in substantial accordance with the original plans and specifications without the approval of seventy-five (75%) percent or more of the Unit Owners and First Mortgagees, if any, of each of the same Units. No reallocation of interest in the common elements as a result of condemnation or partial destruction of the Condominium shall be effected without the approval of seventy-five (75%) percent or more of the Unit Owners and First Mortgagees, if any, of each of the same Units.

Section 2. Termination:

The Condominium may be terminated by the casualty loss, condemnation or eminent domain, in accordance with the provisions of the By-Laws, or by withdrawing the Property from the provisions of the New York Condominium Act if authorized by an affirmative vote of Unit Owners who own not less than eighty (80%) percent in number and in Common Interest of the Units. Sponsor or its designees will not vote its interests appurtenant to any Unsold Units for such withdrawal unless at least eighty (80%) percent in number and in Common Interest of all other Unit Owners have elected for such withdrawal, in which event the Sponsor may choose to vote in favor of or against such withdrawal. In the event said withdrawal is authorized as aforesaid, the Property shall be subject to an action for partition by any Unit Owner or lienor as if owned in common, in which event the net proceeds of sale shall be divided among all the Unit Owners in proportion to their respective Common Interests. However, no payment shall be made to a Unit Owner until all liens to which his/her Unit are subject are paid off.

The decision in any arbitration conducted pursuant to the terms of Section 1 and 2 hereof shall be binding upon all of the parties thereto and may be entered in any court of appropriate jurisdiction.

Section 4. Cost and Expenses:

The fees, costs and expenses of the arbitrator shall be borne by the losing party in the arbitration or, if the position of neither party to the dispute shall be substantially upheld by the arbitrator, such fees, costs and expenses shall be borne equally by the disputants. Each disputant shall also bear the fees and expenses of his counsel and expert witnesses. All costs and expenses paid or incurred by Board of Managers in connection with any arbitration held hereunder, including, without limitation, the fees and expenses of counsel and expert witnesses, shall constitute Common Expenses.
