May Not Be Used After _____, 2027 Unless Extended by Amendment.

THIS PLAN CONTAINS SPECIAL RISKS TO PURCHASERS. SEE PAGE (iv).

BECAUSE SPONSOR IS RETAINING THE UNCONDITIONAL RIGHT TO RENT RATHER THAN SELL UNITS AFTER THE PLAN HAS BEEN CONSUMMATED THIS PLAN MAY NOT RESULT IN THE CREATION OF A CONDOMINIUM IN WHICH A MAJORITY OF THE UNITS ARE OWNED BY OWNER-OCCUPANTS OR INVESTORS UNRELATED TO THE SPONSOR. BECAUSE SPONSOR IS WITHHOLDING UNITS FROM THE INITIAL OFFER, THIS PLAN MAY NOT RESULT IN THE CREATION OF A CONDOMINIUM IN WHICH A MAJORITY OF THE UNITS ARE OWNED BY OWNER-OCCUPANTS OR INVESTORS UNRELATED TO THE SPONSOR. PURCHASERS FOR THEIR OWN OCCUPANCY MAY NEVER GAIN CONTROL OF THE BOARD OF MANAGERS OF THE CONDOMINIUM UNDER THE TERMS OF THIS OFFERING PLAN. (SEE SPECIAL RISKS SECTION OF THE PLAN).

THIS OFFERING PLAN IS THE SPONSOR'S ENTIRE OFFER TO SELL THESE CONDOMINIUM UNITS. NEW YORK LAW REQUIRES THE SPONSOR TO DISCLOSE ALL MATERIAL INFORMATION IN THIS PLAN AND TO FILE THIS PLAN WITH THE NEW YORK STATE DEPARTMENT OF LAW PRIOR TO SELLING OR OFFERING TO SELL ANY CONDOMINIUM UNIT. FILING WITH THE DEPARTMENT OF LAW DOES NOT MEAN THAT THE DEPARTMENT OR ANY OTHER GOVERNMENT AGENCY HAS APPROVED THIS OFFERING.

SPECIAL RISKS

The following is a summary of certain special risk considerations in connection with the Plan but is not intended to summarize all major features of the Plan. Prospective Purchasers are urged to read the following special risk factors in conjunction with the Plan for a discussion of these and other important aspects of this condominium offering.

1. The Sponsor shall have the right to appoint all of the Board of Managers of the Condominium until all of the Residential Units in the Condominium are sold ("Sponsor Control Period"). Thereafter, the Sponsor shall retain the right to designate a minority of the Board of Managers until such time as Sponsor no longer owns a Non-Residential Unit. Notwithstanding said fact, Sponsor has the right to voluntarily relinquish a majority of the Members of the Board of Managers at any time. The By-Laws do not require a majority of the Board to be owner-occupants or members of an owner-occupant's household who are unrelated to the Sponsor and its principals. If there are non-Sponsor members of the Board, and there is a vote on whether to sue the Sponsor, the Sponsor's Board representatives cannot lawfully vote on that issue. Further, the Sponsor must enforce its obligations under the plan, as those obligations are described in the plan, and owes a duty to the condominium to do so. Owner-occupants and non-resident owners, including Sponsor, may have inherent conflicts on how the Condominium should be managed as a result of their different reasons for purchasing, i.e., purchasing a Residential Unit to live in as opposed to purchasing as an investment. Provisions which give the Sponsor control of the enforcement of the Sponsor's obligations are not lawful. The Board of Managers, whether or not controlled by the Sponsor, assumes a fiduciary duty to act in the best interests of the Condominium and its Unit Owners.

There is a possibility of an indefinite span of the Sponsor's Control Period. During the Sponsor's Control Period, Unit Owners may have no say in the operation of the Condominium. Further, even if Unit Owner's do not agree with the decisions of the Board, they will be obligated to comply with the Board's decisions. Litigation against the Sponsor, if any, may require significant additional costs, time, and resources but does not guarantee a resolution in the Unit Owners' favor. See Section XVIII of the Offering Plan.

2. The initial Board of Managers will have only three (3) Sponsor appointed Members. Thereafter, the first annual meeting of Unit Owners, shall be called on the earlier of five (5) years after the first closing or on the sale of all of the Residential Units. Pursuant to Section 9 of Article II of the By-Laws, a total of three (3) Members shall be elected or designated. One (1) of the three (3) Members shall be elected by the Non-Residential Unit Owners and two (2) of the Members shall be elected by the Residential Unit Owners. All Members, other than those designated by the Sponsor and/or the Non-Residential Unit Owners, shall be elected by the Residential Unit Owners. The term of office of the one (1) Non-Residential Unit Member shall be fixed for three (3) years, the term of office of one (1) of the Residential Members shall be fixed at three (3) years, the term of office of one (1) of the Residential Unit Members shall be fixed for two (2) years. Separate ballots shall be conducted for each of the three terms of office. Each Unit Owner

(including the Sponsor and the Board of Managers, if the Sponsor or the Board of Managers shall then own or hold title to one or more Units) shall be entitled to cast one vote for each .01% (rounded off to the nearest .01%) of Common Interest attributable to its Unit or Units, for each Board Member to be elected, in proportion to the Common Interest of all Units unless otherwise mandated by law or expressly provided for in the Declaration. The Non-Residential Unit Owners (including the Sponsor and the Board of Managers, if the Sponsor or the Board of Managers shall then own or hold title to one or more Units) shall be entitled to cast one vote for each .01% (rounded off to the nearest .01%) of Common Interest attributable to its Unit or Units, for the Non-Residential Board Members to be elected, in proportion to the Common Interest of all Units unless otherwise mandated by law or expressly provided for in the Declaration, if not appointed. The one nominee(s) on each of the ballots, as the case may be, receiving the highest number of votes on their ballot shall constitute the duly elected Board of Managers. At the expiration of the initial term of office of each respective Member, the Member's successor shall be elected to serve a term of three (3) years. The Members shall hold office until their successors have been elected and hold their first meeting. Notwithstanding the foregoing, the Sponsor will have voting control and may designate a majority of the Board of Managers until all of the Residential Units in the Condominium are sold. Thereafter, Sponsor shall have the right to designate and/or appoint the Non-Residential Unit Members to the Board of Managers. In the event the Sponsor no longer owns a Unit in the Condominium, the Sponsor shall no longer be permitted to designate or appoint Members to the Board of Manager. See Section XVIII of the Offering Plan.

3. If Sponsor does not voluntarily relinquish control of the Board of Managers, the Sponsor will have the right to retain control over certain expenditures and fiscal actions of the Board of Managers of the Condominium for a period ending not more than five (5) years after the first Unit closing; or whenever the unsold Units constitute less than twenty- five (25) percent of the Common Interest, whichever is sooner. During this period the Sponsor will have control of maintenance, facilities and services to be provided and will determine the Common Charges to be paid by all Unit Owners. During this period, Sponsor will have the right to control all decisions including but not limited to the determination of Common Expenses, management of the Condominium, the hiring and termination of employees of the Condominium, placing easements on the property and making improvements to Common Elements. Provisions which give the Sponsor control of the enforcement of the Sponsor's obligations are not lawful. See Section XIX of the Offering Plan.

4. The Sponsor may veto expenses for a period ending not more than five (5) years after the first unit closing; or whenever the unsold units constitute less than 25% of the common interest, whichever is sooner. Purchasers individually or as a group may take legal or administrative action to enforce the Sponsor's obligations to the Condominium. However, they will be unable to do so in the name of the Condominium. If there are non-Sponsor members of the Board, and there is a vote on whether to sue the Sponsor, the Sponsor's Board representatives cannot lawfully vote on that issue. If the Board were to undertake an action to enforce Sponsor's obligations under the Plan, any special

assessments that would be imposed, for payment of such, would be due and payable from all Unit Owners, including Sponsor, as a Unit Owner. In the event the Unit Owners are unsuccessful in an action against the Sponsor, Sponsor has the right to request that the court or administrative department hearing the action grant the Sponsor reimbursement of legal fees, which would be payable by the Unit Owners, excluding the Sponsor. At no time may Sponsor exercise veto power over expenses described in Schedule B or over expenses required to (i) comply with applicable laws or regulations, (ii) to remedy any notice of violation, (iii) to remedy any work order by an insurer, or (iv) remedy a matter regarding the health and safety of the occupants of the Building. Sponsor must enforce its obligations under the Plan, as those obligations are described in the plan, and owes a duty to the condominium to do so. See Section XVIII of the Offering Plan and Schedule B.

5. Sponsor is transferring its statutory obligation to pay New York State Transfer Tax ("NYSTT") of 0.4% of the Purchase Price where the consideration is less than \$3,000,000 and 0.65% of the Purchase Price where the consideration is \$3,000,000 or greater; New York City Real Property Transfer Taxes ("NYCRPTT") of one (1%) percent of the Purchase Price where the consideration is less than \$500,000 and 1.425% where the consideration is \$500,000 or greater. For purposes of calculating the NYCRPTT, as the Purchaser shall be responsible for paying the NYCRPTT, the tax due New York City will be based on the Purchase Price plus the amount of both the NYCRPTT and NYSTT due, which equates to a "grossed up" Purchase Price for calculation of the NYCRPTT. For purposes of calculating the NYSTT, as the Purchaser shall be responsible for paying the NYSTT, the tax due New York State will be based on the Purchase Price plus the amount of the NYCRPTT only. In addition, the Purchaser will be responsible for New York State Mansion Tax pursuant to Section 1402-a of the Tax Law of one (1%) percent of the Purchase Price for any Residential Unit which has a combined sales price of \$1,000,000 or more.

The Tax Law Amendment eliminates the requirement to "gross-up" the consideration payable by a Purchaser for a Unit pursuant to a Purchase Agreement that requires the Purchaser to pay the New York State Real Estate Transfer Tax at the closing of title to the Unit. Pursuant to the Tax Law Amendment, a Purchaser will no longer pay the portion of the New York State Real Estate Transfer Tax based on grossed-up consideration.

The Mansion Tax is required to be paid by the Purchaser; however, the Tax Law was amended to provide that when the Purchaser fails to pay the tax, the Sponsor is required to pay. When the Sponsor is required to pay the additional tax because the Purchaser failed to pay, the additional tax becomes the joint and several liability of the Sponsor and the Purchaser.

The Tax Law was amended to provide for an addition to the base tax (additional base tax) in the amount of \$1.25 for each \$500, or fractional part, of the consideration for certain conveyances of real property located in New York City. The tax applies to:

- The conveyance of residential real property where the consideration for the entire conveyance is \$3 million or more.

- The conveyance of real property other than residential real property where the consideration for the entire conveyance is \$2 million or more.

The Sponsor is required to pay the additional base tax, but here Sponsor is transferring its statutory obligation to the Purchaser. If the Sponsor fails to pay the tax or is exempt from the tax, the Purchaser is required to pay the tax. When the Purchaser is required to pay the tax because the Sponsor has failed to pay, the additional base tax becomes the joint and several liability of the Sponsor and the Purchaser. For purposes of the additional base tax, all mixed-use real property is considered residential real property. Therefore, if the consideration for the conveyance of mixed-use real property is \$3 million or more, the entire consideration is subject to the additional base tax.

Residential real property includes any premises that is or may be used in whole or in part as a personal residence, and includes a one-, two- or three-family house, an individual condominium unit or a cooperative apartment unit. Mixed-use real property is real property that is used for both residential and other than residential (for example, Commercial) purposes.

The Tax Law was also amended to add a supplemental tax on the conveyance of residential real property located in New York City where the consideration for the conveyance is \$2 million or more. The supplemental tax differs depending on the amount of the consideration for the entire conveyance. For example: entire conveyance amount of at least \$ 2 million but less than \$ 3 million = Supplemental tax rate of one-quarter of one percent (.25%), and entire conveyance amount of at least \$ 3 million but less than \$ 5 million = Supplemental tax rate of one-half of one percent (.5%). The Purchaser is required to pay the supplemental tax. If the Purchaser fails to pay the tax or is exempt, the Sponsor is required to pay the tax. When the Sponsor is required to pay the tax because the Purchaser has failed to pay, the supplemental tax becomes the joint and several liability of the Sponsor and the Purchaser. The supplemental tax is due on the conveyance of mixed-use real property when the consideration for the entire property is \$2 million or more. Tax is computed only on the consideration attributed to the residential portion of the property. See Footnote 7 to Schedule A and Section XVI of the Offering Plan as to how the above taxes are calculated. See the Purchase Agreement set forth as Schedule D.

6. Sponsor will endeavor in good faith to sell the Residential Units in the Condominium; however, Sponsor is retaining the unconditional right to rent rather than sell the Units (with respect to the Residential Units, upon consummation of the Plan). Because Sponsor is retaining the unconditional right to rent rather than sell the Units, this plan may result in the creation of a condominium in which a majority of the Units are not owned by owner-occupants or investors who are unrelated to the Sponsor. Due to the fact Sponsor is not limiting the conditions under which it will rent rather than sell the Units, there is no commitment to sell more Units than the fifteen (15%) percent of the Residential Units (three

(3) Residential Units) necessary to declare the plan effective and owner-occupants may never gain effective control and management of the Condominium. See Section I and XV of the Plan.

7. Sponsor has not been required to post a completion bond with the City of New York covering the Common Elements. In addition, no bond or other security has been posted to secure Sponsor's obligations under the Offering Plan. Sponsor has sufficient financial resources to fulfill its obligations under the Plan. See Section XVII.

8. Although all funds received by Sponsor for upgrades or extras to a Unit will initially be placed in the Escrow Account as described in Section X of the Offering Plan, such funds may be released from the Escrow Account as long as the Sponsor uses the funds for such upgrade or extra. As a result, in the event a Purchaser is entitled to rescission, the Purchaser will not receive a refund of any funds paid to the Sponsor, and actually expended, for upgrades or extras. In the event the Offering Plan is abandoned, the Sponsor will return funds received for upgrades or extras. In the event the Offering Plan is abandoned, the Sponsor will return all funds received for upgrades or extras. See Section XV of the Offering Plan.

9. Sponsor and/or the Board of Managers shall have the right to waive Unit Owner obligations to pay Common Charges from and after the first Unit closing for a period to be determined by the Sponsor or the Board of Managers ("Waiver Period") provided the basic operating costs of the Condominium, including without limitation any insurance premiums and reserves by lenders (collectively, "Operating Costs") are paid by either (i) Sponsor ("Sponsor Paid Waiver Period") or (ii) all Unit Owners, including without limitation Sponsor with respect to Unsold Units, according to the allocation of Common Expenses, or any Special Allocation of Common Expenses, set forth in the Offering Plan ("Unit Owners Paid Waiver Period"). If the Sponsor or Board of Managers elects to waive payment of Common Charges, Sponsor shall disclose such waiver in a post-closing amendment to the Plan, which shall include (i) the expiration date of the Waiver Period, (ii) whether the Waiver Period shall be a Sponsor Paid Waiver Period or a Unit Owners Paid Waiver Period and Sponsor shall remain obligated to update the certified budget and provide audited/certified financial statements. Purchasers are advised that the Operating Costs during the Waiver Period will likely vary from month to month and that certain seasons or periods may give rise to more or different costs than other seasons or periods (e.g., seasonal increases in heating and/or cooling costs, costs in the event of a needed repair to a Common Element, etc.). Depending on the occupancy level in the Building it is anticipated that the Operating Costs will increase as the occupancy level of the Building increases. In the event the Sponsor or the Board of Managers thereafter elects to extend the Waiver Period, Sponsor shall (a) notify Unit Owners of such extension at least thirty (30) days prior to the previously disclosed expiration date of the Waiver Period and (b) amend the Plan to disclose the new expiration date of the Waiver Period. Sponsor shall additionally notify Unit Owners of the expiration of the Waiver Period at least thirty (30) days prior to such expiration. Upon commencement of collection of Common Charges from all Unit Owners, there will not be a Special Assessment for any expense set forth in the approved budget for which Common Charges were not collected

during the Waiver Period. The Board of Managers shall remain obligated to update the budget in accordance with the terms of the Plan. Purchasers should note that, during any Waiver Period (regardless whether the Sponsor Paid Waiver Period or the Unit Owners Paid Waiver Period), Unit Owners will remain responsible for (in addition to their proportionate share of Operating Costs, if applicable) all individual Unit expenses, including without limitation (as applicable) real estate taxes on the Unit, mortgage payments under a loan obtained to finance the purchase of the Unit, the cost of electricity supplied to the Unit which will be separately metered and payable either directly to the utility company or to the Board of Managers for payment to the utility company, the cost of any insurance which the Unit Owner obtains for the Unit and the cost of interior repairs and decorations to the Unit. See Section XX of the Plan.

10. The Board of Managers is not required to obtain or maintain any insurance with respect to any property contained in any Unit or any liability with respect to occurrences in or about each Unit or the Common Elements, if any, exclusive and/or appurtenant thereto. Consequently, all Unit Owners are required to obtain and maintain (i) a personal liability policy if such Unit Owner is an individual, or (ii) commercial general liability insurance if such Unit Owner is a corporate entity, against claims for personal injury, death or property damage occurring in, on or about such Unit Owner's Unit and the Common Elements, if any, exclusive and/or appurtenant to his or her Unit affording protection of at least \$1,000,000 per occurrence, plus at least \$1,000,000 umbrella liability coverage. Further requirements with respect to such insurance are more particularly set forth in the Condominium By-Laws. In addition, all Unit Owners are urged to obtain property and casualty insurance with respect to the fixtures, furniture, improvements, furnishings and other personal property located within their respective Units. Purchasers are also advised that the insurance policies to be maintained by or on behalf of the Board of Managers will be on a "replacement cost" basis and will not cover losses to the extent that "market value" of a Unit may exceed its insured replacement cost. All insurance policies required to be maintained by the Board of Managers will be on a "replacement cost" and will not cover losses to the extent that market value may exceed such replacement cost.

All insurance policies required or permitted to be maintained by Unit Owners hereunder shall be primary with respect to the risks insured thereunder and shall contain waivers of subrogation, if available, and further provide that the liability of the carriers issuing insurance obtained by the Unit Owner shall not be affected or diminished by reason of any such additional insurance carried by any Unit Owner. Further, as a result of current fluctuations in the insurance market, the Board will not be required to obtain or maintain terrorism or mold coverage but may do so, and in such event, the cost thereof shall be a Common Expense as described in the Condominium By-Laws. See Section XX of the Offering Plan.

11. No Residential Unit Owner will be permitted to make any addition, alteration or improvement (of either a temporary or permanent nature) of a structural nature in or to the Residential Unit Owner's Residential Unit, or any Residential Unit Limited Common

Element, without the prior written approval of the Board of Managers. Said provision requiring the written consent of the Board of Managers does not apply to the Unsold Units and Limited Common Element appurtenant to any Unsold Unit. See the Declaration and By-Laws in Part II of the Offering Plan

12. The obligations of a Purchaser under a Purchase Agreement are not conditioned on obtaining financing. Any prospective purchaser who executes a Purchase agreement and does not obtain financing may lose his or her deposit if he or she is unable to otherwise raise the monies for the balance of the purchase price. Prospective purchasers who require financing are advised to consult with a lending institution before execution of a Purchase Agreement. No representation is made by the Sponsor as to the availability or cost of such financing. In no event will the Sponsor be obligated to return a Purchaser's down payment in the event a Purchaser is unable to obtain a mortgage. In addition, the Purchase Agreement will remain in full force and effect and Purchaser will be obligated to pay the balance of the purchase price at closing regardless of the availability of financing. In the event a Purchaser does not close title to the Home as a result of their inability to obtain a mortgage, the down payment plus the cost of any custom work ordered, will be retained by Sponsor as liquidated damages. See Section XI.

13. Sponsor may declare the Plan effective by selling a minimum of fifteen (15%) percent of the Residential Units (three (3) Residential Units) being offered for sale. Notwithstanding the fact that not all Purchasers used for purposes of declaring the Plan effective may actually close, Sponsor must re-declare the Plan effective in order to consummate the Offering Plan. In addition, if all Purchase Agreements are either rescinded or terminated prior to the date of first Unit closing, regardless of whether the Condominium declaration has been recorded, Sponsor must re-declare the Offering Plan effective. Purchasers should note that in the current real estate market, banks and other lenders are imposing various restrictions on purchase financing. Such restrictions include requiring that a certain percentage of apartments in a building or group of buildings be sold before a lender will consider making a loan. Thus, it may be possible for a purchaser to experience difficulty obtaining a loan in a building or group of buildings where the sponsor or holder of unsold shares has not sold a substantial percentage of the apartments in the building or group of buildings, which in some cases may be as high as seventy (70%) percent. Moreover, some lenders will not provide financing in a building or group of buildings where an investor other than the original sponsor has an ownership interest of ten (10%) percent or more. It also may be difficult for a purchaser to resell an apartment if prospective buyers are unable to obtain a loan due to the same minimum sales and investor ownership restrictions.

Notwithstanding the fact that not all Purchasers used for purposes of declaring the Plan effective may actually close, the Sponsor will re-declare the Plan effective if all purchase agreements are either rescinded or terminated prior to the date of first Unit Closing, regardless of whether the Condominium Declaration has been recorded.

See Section XIV as to the requirements of declaring the Plan effective.

14. All deposits received from Purchaser will initially be deposited into an IOLA account of the law firm of Moritt Hock & Hamroff LLP (the "Escrow Agent") located at 1407 Broadway, 39th Floor, New York, New York 10018, as described in Section X of the Offering Plan. The Escrow Agent has established the Escrow Account at Metropolitan Commercial Bank, located at 1359 Broadway, New York, NY 10018 ("Bank"), telephone: (212) 643-6981, a bank authorized to do business in the State of New York. The Escrow Account is federally insured by the FDIC at the maximum amount of \$250,000 per deposit. Any deposit in excess of \$250,000 will not be insured. Additionally, any other deposits a Purchaser may have at the escrow bank will count towards the \$250,000 FDIC insurance limit. See Section XV of the Offering Plan.

15. The Board of Managers has the right to borrow money on behalf of the Condominium when required in connection with the operation, care, upkeep and maintenance of the Common Elements provided, however, that no lien to secure repayment of any sum borrowed may be created on any Unit or its appurtenant interest in the Common Elements without the written consent of the Unit Owners of said Unit. See Section XIX of the Offering Plan.

16. The projections for the first year of operation of the Condominium contained in the budget are only estimates and the actual expenses may vary from the amounts shown. Purchasers should further note that premiums for insurance have been extremely volatile and have increased substantially in recent years. Sponsor cannot predict whether or not the insurance rates will continue to increase or stabilize. Sponsor makes no representation that the premium costs for the insurance reflected in the proposed first year budget will be applicable at the time of the first closing of a Residential Unit in the Condominium. Although there is no requirement for annual appraisals to ascertain whether the insurance coverage is adequate, such appraisals are required prior to renewal of any fire policy.

If the total of the amended budget exceeds the total of the above budget by twenty-five (25%) percent or more, the Sponsor will offer all purchasers the right to rescind their purchase agreement and have their deposits returned, with interest, if any, provided such election to rescind is received by Sponsor within fifteen (15) days of the date of presentation of the amendment disclosing the revised budget.

No representation is made that Reserve Fund line item will be adequate for future expenses including repairs or replacements of Common Elements during the first five (5) years of the Condominium. If additional funds are required over and above said funds, it may be necessary to increase the Common Charges payable by the Unit Owners, collect a Special Assessment from each Unit Owner or borrow money.

Each Unit Owner will be responsible for his own refuse removal and keeping the Common Areas clear of personal items and debris. All amenities will be fully operational as of the date of commencement of Condominium operation.

See Schedule B for the estimated insurance costs of the Condominium. See Schedule B, the proposed first year budget and the footnotes immediately following thereto.

17. Purchasers should note that it shall be the responsibility of each Purchaser to pay the following additional closing costs: (a) an initial non-reimbursable capital contribution in an amount equal to two (2) months Common Charges to the Condominium, for Working Capital; and (b) \$2,500 to Sponsor's attorney for the preparation of the closing documents. In addition, in the event the Sponsor's Attorney is required to prepare the New York City "ACRIS" transfer documents Purchaser shall be required to pay Sponsor's attorney an additional fee of \$250. In the event the title company prepares the ACRIS, Purchaser shall pay the applicable fee of the title company.

In the event a closing is adjourned with Sponsor's consent, at the request of Purchaser or Purchaser's attorney within forty-eight (48) hours of the scheduled time of Closing, Purchaser shall also pay Sponsor's attorney an adjournment fee in the sum of \$500. In addition, if a closing takes place, at the request of Purchaser, at any location other than the office of Sponsor's attorney, Purchaser shall pay to Sponsor's attorney a travel fee in the sum of \$250. See Section XVI of the Offering Plan.

18. The construction has commenced and the project is currently scheduled for completion by December 2026. See Description of Property Report in Part II of the Offering Plan.

19. If through no fault of Sponsor, Purchaser fails for any reason to close title after the date originally scheduled in Sponsor's Notice of Closing or such later date (if applicable) to which Sponsor in a subsequent Notice for Closing adjourned the Closing, all of the apportionments shall be made as of midnight of the day preceding (i) the date originally scheduled for Closing or (ii) Sponsor's adjourned Closing Date (as the case may be).

In addition, Purchaser shall pay to Sponsor at or prior to the actual Closing an amount equal to .0438% per day (which equals an annual rate of 16%) of the purchase price for the Unit for each day beyond such originally scheduled or Sponsor adjourned Closing Date, to and including the date of actual Closing, for reimbursement and defrayal of Sponsor's carrying costs and other charges. Such interest rate shall not surpass the legal limit under applicable law. See Section XVI of the Offering Plan.

20. Purchasers should note, that if a Purchaser fails to appear and close title in accordance with the Purchase Agreement on the date and at the time and place stated in Sponsor's notice for closing, or if Purchaser fails to observe or perform any other thing to be observed or performed by Purchaser under the Purchase Agreement, Sponsor may send Purchaser a written notice of default giving Purchaser thirty (30) days from the date of such notice to cure any such default, **time being of the essence**. Time of the essence indicates that failure to cure the default by a certain date will constitute and incurable

default under the Purchase Agreement. Upon Purchaser's failure to cure such default within such thirty (30) day period, the Purchase Agreement shall, at Sponsor's option, be deemed canceled and Sponsor shall have the right to retain, as and for liquidated damages, all sums paid by Purchaser to Sponsor on account of the purchase price plus all additional sums paid and/or payable by Purchaser for all extras ordered by Purchaser, together with all interest credited thereon, if any, which total amount Purchaser acknowledges to be fair and reasonable.

21. The floor area of the Units set forth in the floor plans are approximate. Each Unit shall be measured horizontally from the exterior side of the exterior walls or property line of any party wall to the centerline of the partitions separating one Unit from another Unit or separating one Unit from any common element or to the Unit side of the opposite exterior walls. Each Unit shall consist of the area measured vertically from the finished floor of the Units to the underside of the highest ceiling of the Units. However, any Common Element located within a Unit shall not be considered to be a part of that Unit, and all exterior spaces which are a part of a Unit are not included in the square footage count. All square footages are approximate and within reasonable tolerances and will vary from Unit to Unit of the same type. As such the areas are not based upon measurements from interior surfaces of interior walls, and the actual, usable, floor area comprising the Unit is substantially less than the area listed in Schedule A.

22. Purchasers should note a decrease in a unit's area of 5% or less will not affect a Purchaser's obligations unless such decrease is determined to be a material change. There is a rebuttable presumption that an area that is diminished by 5% or less is not material. See Section IX of the Offering Plan.

23. Purchasers should note that the Sponsor reserves the right to select the ultimate location of kitchen and bathroom cabinets, which may differ from the locations set forth on the floor plans. In the event an affected Unit is under contract, Sponsor shall first obtain consent from the Purchaser of said Unit. Sponsor is obligated to construct the premises in accordance with building plans and specifications. If Sponsor alters layouts and/or floor plans, Sponsor must receive approval from all applicable governmental agencies. Any material modification to or variation therefrom will first be disclosed in an amendment to the Offering Plan. See Section XV of the Offering Plan.

24. Sponsor will be providing a dishwasher and all residential units shall be furnished with electrical and water connections for washer and dryer. The washer and dryer provided by the Sponsor shall be ventless in the laundry closet.

25. The risk of loss from fire or other casualty remains with the Sponsor until legal title to the Unit has been conveyed to the Purchaser. Any Purchaser who takes possession of a Unit prior to closing assumes the risk of losses not covered by insurance. A person in possession who is not an Owner, cannot ensure the Unit since he or she has no ownership interest, and the Unit cannot be doubly insured. Purchaser takes possession prior to closing via an interim lease for the contracted unit. In no event shall

Purchaser take possession of the Residential Unit prior to the time of the delivery of the deed, nor shall Purchaser enter the Residential Unit or have his or her contractors or agents enter the Residential Unit to perform work prior to closing without the written authorization of the Sponsor. Should the Purchaser violate this provision, Sponsor will have the right to remove Purchaser from the Residential Unit as a squatter and intruder by summary proceedings. Upon the Purchaser's unauthorized possession, the Purchaser shall be deemed in default of the Purchase Agreement and Sponsor may retain the funds being held in escrow to a maximum of ten (10%) percent of the sales price plus the cost of extras ordered, as liquidated damages. In that Sponsor is not entering into any interim leases for Residential Units, there should be no pre-closing possession of Residential Units. The Sponsor may, at any time, enter into leases for Non- Residential Units in the Condominium. Purchasers should refer to Paragraph 22 of the Purchase Agreement.

26. Sponsor's obligation cannot go below the duty to construct the premises in accordance with all applicable codes, filed plans and specifications, as same may be amended and locally accepted building practices for items, which are not covered by codes. Any conflict between the disclaimers and the Sponsor's obligation to construct the premises in accordance with all applicable codes and filed plans and specifications shall be resolved in favor of the latter. The Condominium will be built in accordance with the building plans and specifications identified in the Plan. Purchasers are advised to review Section XVII of the Offering Plan, entitled Rights and Obligations of the Sponsor, which discusses items that are not considered material adverse conditions.

27. Sponsor has obtained financing (the "Construction Loan") from S III Capital Partners LLC, ("Lender"), having an office at 535 Madison Avenue, 19th Floor, New York, NY 10022, which has enabled Sponsor to construct the Development. After the recording of the Declaration and before the closing of title to the first Unit, any Building Loan mortgage will be satisfied or released, such that the lender will set a release price for Unit so that Sponsor can pay-off such amount of the underlying mortgage with the sale of the Unit. In addition, before the closing of title to the first Unit, all liens and mortgages affecting the Condominium shall be paid and satisfied or the Unit being conveyed and its appurtenant Common Interest shall be released therefrom by partial release duly recorded. In order to obtain partial releases, the Lender will require that the Sponsor pay a release price on the sale of each Unit, until the loan is repaid in full. Lender has not placed any other restrictions on the marketing, selling, or renting of Units. Such minimum release price shall be determined prior to the closing of a Unit and be based on the total outstanding loan at that time. This portion of the loan will not be added to the Purchase price, but rather Sponsor may use the proceeds from such sale to pay towards the underlying mortgage. Therefore, there will be no resulting costs from Sponsor's Building Loan added to Purchaser's individual mortgage, and no delay to the closing of title to a Unit due to the underlying mortgage.

Purchaser shall not be obligated to pay any adjournment fee as a result of a delay caused by any assignment/consolidation of Sponsor's construction loan. The terms of the Construction Loan contemplate the project as a "for-sale" condominium project. Sponsor

may declare the Plan effective by selling a minimum of fifteen (15%) percent of the Residential Units (three (3) Residential Units) being offered for sale.

At the time of conveyance of the first Unit, each mortgagee will either:

- (i) consent to the formation of a condominium and acknowledge that its lien will be limited to unsold condominium units; subordinate the lien of its mortgage to the declaration of condominium; or
- (ii) release its lien on the condominium unit being conveyed and its interest in the common elements.

There will be no steps needed to be undertaken by Purchaser; Sponsor will work directly with lender and pay a release price, which price shall not affect purchaser or Purchaser's financing, if any. Any fees imposed by a Purchaser's lender shall be at the sole cost and expense of Sponsor. If there is any possibility that Purchaser or a Purchaser's mortgage commitment could be adversely affected by a request for an assignment, then Sponsor shall have not the right to make such request.

Purchasers should note, in the event Sponsor seeks an assignment of a portion of the Building Loan (or any Sponsor obtained financing) to Purchaser's mortgage lender, in order to get the benefit of any available mortgage tax savings, such severance and assignment would not result in any additional risk or cost to the Purchaser. Sponsor will initiate any severance and assignment transaction only after financing has been procured by Purchaser. See Section I of the Offering Plan.

Common Elements (as such term is defined in the Plan) from the liens of such mortgages at or prior to Closing, unless Purchaser shall be required to take title subject to the existing mortgage, as severed and converted to Purchaser's individual mortgage on the Unit.

28. If necessary to obtain a mortgage tax credit, Purchaser shall use its best efforts to request that its lender (i) accepts an assignment of the existing mortgage(s) encumbering the Property, as severed, to encumber only the Home and its appurtenant percentage of Common Interest in the Common Elements, and (ii) cooperates with Seller and its existing lender, as necessary to effectuate such assignment. At Closing, Purchaser shall execute the affidavit required pursuant to Section 255 of the New York State Tax Law. It is agreed and understood that Seller shall receive as a credit from Purchaser at Closing, a sum equal to the full mortgage tax credit which Purchaser may be entitled under any applicable law by reason of mortgage taxes having been previously paid by Seller on the amount of Purchaser's mortgage. The foregoing credit shall be paid by Purchaser regardless of whether Purchaser's lender accepts the assignment of the Seller's existing mortgage as severed. All terms and provisions of this Purchase Agreement and all payments made hereunder are and shall be subject and subordinate to the lien of any acquisition, improvement, interim or building loan mortgage heretofore or hereafter made and any advances heretofore or hereafter made thereon, to the full

extent thereof without the execution of any further documents by Purchaser. This subordination shall apply whether such advances are voluntary or involuntary and whether made in accordance with the loan schedule of payments or accelerated thereunder by virtue of the lenders right to make advances before they become due in accordance with the schedule of payments. Seller shall satisfy all such mortgages or obtain a release of the Unit and its appurtenant percentage of Common Interest in the Common Elements (as such term is defined in the Plan) from the liens of such mortgages at or prior to Closing, unless Purchaser shall be required to take title subject to the existing mortgage, as severed and converted to Purchaser's individual mortgage on the Unit.

29. Neither Sponsor nor any of its Principals have an option or right to acquire any of the adjoining areas. The Sponsor does not currently have any other projects in the immediate vicinity, nor has Sponsor been made aware of same. See Section IV of the Offering Plan.

30. There are no restrictions on who may purchase a Residential Unit in the Condominium except that this offer is made only to persons over eighteen (18) years of age. Each Residential Unit Owner can sell their Residential Unit to whomever they desire. Residential Unit Owners may lease their Residential Units subject to the conditions contained in Section XVIII and Section XXI of the Offering Plan. The Board of Managers does not have the right to approve or disapprove Purchasers and does not have a right of first refusal on Purchases. Any Residential Unit Owner who wishes to enter into a lease for their Residential Unit shall be required to provide the Board of Managers with a copy of the proposed lease prior to its execution.

Any lease entered into must contain a provision that the Lessee is subject to the Declaration, By-Laws and Rules and Regulations of the Condominium, the provisions of Article XI, Section 2 of the Condominium By-Laws and the Deed to the Residential Unit. Failure to comply with the above shall be deemed an automatic violation of the By Laws of the Condominium. Rental of a Residential Unit in the Condominium is not currently subject to any local or state rent regulation. See Section I and XIX of the Offering Plan.

31. The purchase of a Condominium Unit has many significant legal and financial consequences. The Attorney General strongly urges you to read this Offering Plan carefully and to consult with an attorney before signing a Purchase Agreement. See Section I of the Offering Plan.

32. Purchasers should note, the By-Laws do not contain a provision requiring that after the Sponsor-Control Period expires the Board must be made up of owner-occupants or members of an owner-occupant's household who are unrelated to the Sponsor and its principals. Purchasers for their own occupancy may never gain control of the Board of Managers. Owner-occupants and non-resident owners, such as sponsor, may have inherent conflicts on management of the condominium. The Board has a right of first refusal on the sale of Residential Units, but shall not have such right on the sale of

Commercial Units. See Section XVIII of the Offering Plan.

33. On January 1, 2018, the Tax Cuts and Jobs Act of 2017 went into effect. This federal law significantly changed the previously existing Internal Revenue Code, including the taxes and deductions related to homeownership. Purchasers are advised to consult with a tax expert regarding whether the new law will affect the purchaser's taxes. Purchasers should not rely on any

representations in this offering plan addressing taxes without first consulting a tax expert. See Section XXII of the Plan.

34. Sponsor anticipates that the closing to the first Residential Unit will occur on or about July 1, 2026. Purchasers will be offered a right of rescission if: (i) the actual date of closing of title to the first Unit; or (ii) the projected date of closing of title to the first Unit occurs later than June 30, 2027, twelve (12) months after the projected date for the first closing. If the Plan is amended to provide for a later projected date for the first closing, Purchasers will be entitled to an offer of rescission if the first closing occurs more than twelve (12) months beyond that amended, later date. All common elements, including but not limited to the recreation roof terrace, will be fully operational as of the date of commencement of Condominium operation. will be fully operational as of the date of commencement of the Condominium operation.

However, if the first unit closing occurs before June 30, 2027, the Sponsor may schedule the closings of title to other units significantly later than such date. Unless your Purchase Agreement contains an outside closing date, the Sponsor is not obligated to schedule your closing within any specified time frame or to ensure that closing of title to your Unit will occur by any date certain. PROSPECTIVE PURCHASERS SHOULD THEREFORE CAREFULLY CONSIDER SUCH RISKS IN THEIR DETERMINATION AS TO WHETHER TO PURCHASE A UNIT. See Section XV of the Offering Plan.

35. As of February 28, 2026 the FinCEN's residential real estate Geographic Targeting Orders ("GTO") has expired, however, pursuant to a recent court decision, the FinCEN reporting is expected to be renewed. The Corporate Transparency Act ("CTA") and its implementing regulations issued by the Financial Crime Enforcement Network impose certain beneficial ownership reporting requirements on entities. The scope, interpretation, and enforcement of the CTA are currently subject to ongoing legal proceedings and regulatory development and may be modified. However, since March 1, 2026, a new permanent nationwide Residential Real Estate Rule (RRE Rule) mandates that specialized legal entities and trusts report to FinCEN on non-financed, cash residential real estate transfers. Due to the above, it is recommended that Purchasers inquire as to any update in the reporting requirements prior to purchasing. See Section XI of the Offering Plan.

36. In compliance with Local Law 147 and pursuant to Article 17 of the New York City Administrative Code, the Board of Managers (the "Board") of the Condominium

(the "Condominium"), have adopted the following smoking policy (the "Smoking Policy") for the Building:

Smoking is PROHIBITED (i) in all commons areas of the Building, including, but not limited to, the lobby, entryways, vestibules, ante rooms, mail rooms, storage rooms, bike rooms, common rooms, amenity rooms, gym, roof decks, garbage chute rooms, compactor rooms, basement, corridors, hallways, stairwells, elevators, playroom, garage, garage ramp, walkways; and (ii) within twenty-five (25) feet of any outside entrance to the Building or within twenty-five (25) feet of any outdoor air intake or operable window opening onto Common Elements or Units.

For the purposes of this Smoking Policy, the term "smoking" includes, but is not limited to, inhaling, exhaling, burning or carrying any lighted cigar, cigarette, pipe or any other form of lighted object or device which contains tobacco, including the use of electronic cigarettes or any similar device that delivers vapor for inhalation (including any refill, cartridge or other component of an electronic cigarette or similar device), or any other items or materials that may be smoked, whether such substance is a legal substance or an illegal substance. This Smoking Policy applies to all unit owners, tenants, subtenants, occupants and residents of the Building, and to any guests, agents, licensees and invitees of a Unit Owner. It is the Unit Owner's responsibility to ensure that its tenants, subtenants, occupants, residents, guests, agents, licensees and invitees comply with this Smoking Policy.

Smoking is PROHIBITED within individual apartments and on the terraces, balconies, patios and yards attached to individual apartments (except within twenty-five (25) feet of any outside entrance to the Building or within twenty-five (25) feet of any outdoor air intake or operable window opening onto Common Elements or Units). However, if there are reported and substantiated incidents of infiltration of smoke/smoke odors into common areas of the Building (including, but not limited to, hallways) and/or other apartments in the Building, it will be the offending Unit Owner's responsibility, at its sole cost and expense, to abate the nuisance.

Any Unit Owner who sells, leases, or subleases its apartment must include a copy of this Smoking Policy in the contract of sale, lease or sublease.

In the event of a violation of this Smoking Policy, in addition to and not in diminution of, all other remedies available to the Condominium, as provided in its Declaration of Condominium and By-Laws, or at law or in equity, with regard to a default by the Unit Owner, the Board shall have the right to impose an administrative fee in the amount of Two Hundred Fifty (\$250.00) Dollars on the Unit Owner for each such violation of this Smoking Policy. A continuing violation shall be considered a new violation. This Smoking Policy shall become effective immediately. The Board will advise Unit Owners of any changes to the Smoking Policy.

37. All general maintenance, repairs and replacements of the balconies and terraces that are Limited Common Elements, including cleaning, snow removal and all repairs not structural in nature (including the repair of leaks and the repair or replacement of the surface of the balconies or terraces), shall be the responsibility of the Residential Unit Owner whose balcony or terrace is a Limited Common Element of their Residential Unit. Although the cost of repairs and replacements to Limited Common Elements shall be borne by the Residential Unit Owners, the Board of Managers shall be charged with performing all repairs and replacements at the Residential Unit Owners sole cost and expense. See Section I of the Offering Plan.

38. The Sponsor has been advised by its counsel that the Condominium will be taxed on any excess of income over expenses from unrelated sources. Examples of unrelated source income include interest earned on reserve and other invested funds, income from concessions and income from dues or fees received from persons other than the Residential Unit Owners. If the Condominium is required to pay taxes, the amount thereof will be levied as an additional Common Charge. See Section XXII of the Offering Plan.

39. Purchaser should note, the Purchase Agreement contains a representation from the Purchaser that no broker other than Sponsor's broker (the "Broker") brought about the sale, and Purchaser agrees to indemnify Sponsor against any claim brought by any other broker for brokerage commission based upon Purchaser's acts relating to the purchase and sale in this Condominium. Sponsor shall pay the Broker pursuant to separate agreement. In the event Purchaser is represented or has consulted with an outside broker (other than the Broker), Purchaser shall be responsible for all costs and commissions associated therewith, and Sponsor shall not be responsible for any co-broker commission. Sponsor may be entitled to legal fees if sponsor is the prevailing party. See the Purchase Agreement in Part II of the Offering Plan.

40. Purchaser should note, any failure by Sponsor to insist upon strict performance by Purchaser of any of Purchaser's obligations under the Purchase Agreement shall not be deemed a waiver of such obligations, and Sponsor may at any time insist upon strict performance by Purchaser of any and all obligations to be performed by Purchaser under the Purchase Agreement irrespective of the number of times Purchaser failed to strictly comply with such obligations in the past. If any part of the Purchase Agreement or the Plan is invalid or unenforceable with respect to a particular individual or circumstance, the remainder of the Purchase Agreement or the Plan and the applicability to other individuals or circumstances shall not be affected thereby but shall continue in full force and effect.

Purchaser waives all rights to trial by jury in any action, proceeding or counterclaim in any way arising out of or relating to the Purchase Agreement or the Plan. Whether Purchaser or Sponsor commences an action, the reasonable legal fees and disbursements shall be paid by the prevailing party. Further Purchaser agrees to waive the right to file a Lis Pendens. See the Purchase Agreement in Part II of the Offering Plan.

If the Sponsor seeks to enforce or defend any of its rights, then the Purchaser may be required to pay the Sponsor/Sponsor's attorneys' fees if the Sponsor is the prevailing party.

41. Purchasers should note that pursuant to Section 528 of the Internal Revenue Code, certain Condominiums, substantially all of whose Residential Units are used for residences, are afforded the opportunity to elect to be treated as tax exempt organizations. In order to qualify, sixty (60%) percent or more of the gross income of each must consist of amounts received as membership dues, fees or assessments from the Residential Unit Owners and ninety (90%) percent or more of the expenditures of each must be for the acquisition, construction, management, maintenance and care of the Condominium Properties, which properties, as defined in Section 528 of said Code, include property held by the Condominium, property commonly held by the members of the Condominium, or property within the Condominium held by the members of the Condominium. This Condominium has been structured so that it will meet the requirements of Section 528 of the Internal Revenue Code and as a result the Condominium will be eligible to be treated as a tax-exempt organization under Section 528 of the Internal Revenue Code. Purchasers should refer to the Opinion of Counsel in Section XXIV of the Offering Plan.

42. In the event the Units have not been separately assessed for real estate tax purposes prior to the closing of title to the first Unit, Sponsor may place in escrow, in the name of the Board of Managers, an amount equal to the unpaid real estate taxes which will be levied against said Unit for the six (6) month period following the first closing. This is a determination made by the taxing authority and not in control of the Sponsor. Said amount is to be paid by Purchaser. Alternatively, the Sponsor may place in escrow, in the name of Board of Managers, an amount equal to the real estate taxes attributable to the unsold Units for such six (6) month period and may collect at each closing the estimated amount of taxes attributable to such Unit for the balance of the six (6) month period. The Board of Managers will pay the real estate taxes from the escrow account when taxes are due and payable and either the Sponsor or the Board of Managers will be entitled to reimbursement from Unit owners to the extent of the actual assessment. Until the Units are separately assessed, all post-closing amendments will disclose the amount of the funds deposited in escrow for the payment of the real estate taxes. See Section XXI of the Offering Plan.

43. Purchaser shall not place an advertisement for the sale of a Unit in any newspaper or other publication or media, or list a Unit with any real estate broker prior to Closing. Such action will constitute a material breach of the Purchase Agreement entitling Sponsor to retain monies paid on account of the Purchase Agreement plus the cost of extras as liquidated damages.

44. Unless specifically agreed to by Sponsor in writing, Purchaser shall not visit the Unit or any other portion of the Construction Site, and shall only have the right to visit

the Sponsor's sales office (the "Sales Office"). Any unauthorized visits to the Construction Site by Purchaser are subject to a charge by Sponsor of \$500 per visit, which Purchaser agrees to pay Sponsor within ten (10) days of billing thereof.

45. The Board's collection of Common Charges will be in an amount necessary to carry out the duties of the Board of Managers and such Common Charges shall be paid by the Unit Owners and the Sponsor as Owner of the unsold Units in accordance with the Common Interest set forth herein.

46. Purchasers are advised that in New York City, newly constructed and newly renovated buildings are sometimes offered as condominium projects without a final certificate of occupancy ("FCO") covering the entire building but with only a temporary certificate of occupancy ("TCO"), and sometimes with several successive temporary certificates of occupancy. Certificates of occupancy are generally governed by Section 301 of the New York Multiple Dwelling Law and local building codes and rules. Both TCOs and FCOs are issued by the New York City Department of Buildings ("DOB"). A TCO is intended to indicate that the property conforms substantially to the DOB approved plans and specifications, and to the requirements of all applicable laws, rules, and regulations for the uses and occupancies specified in the TCO. No change of use or occupancy shall be made unless a new certificate of occupancy is issued. All TCOs have an expiration date. A TCO typically expires 90 days after the date of issuance. When a TCO expires and is not renewed, it may be difficult or impossible to buy insurance, refinance, or sell units. In New York City, it is common for sponsors to commence unit closings when some or all units are covered by a TCO rather than an FCO. Sponsor anticipates this scenario may occur. Sponsor and its principals will undertake the responsibility for extending each TCO received prior to expiration thereof, and ultimately for obtaining a FCO covering the entire building. However, Sponsor and its principals make no representation or guarantee that DOB will issue the FCO within two years, which is the timeframe anticipated by the Multiple Dwelling Law for issuance of an FCO. NOTWITHSTANDING THE FOREGOING, SPONSOR AND ITS PRINCIPALS ARE OBLIGATED TO PROCURE THE FINAL CERTIFICATE OF OCCUPANCY FOR THE ENTIRE BUILDING, AND SHALL EXERCISE BEST EFFORTS TO OBTAIN THE FCO WITHIN SUCH TWO-YEAR PERIOD WHILE KEEPING THE TCO CURRENT. Unit owners and the Board of Managers shall be obligated to cooperate with and refrain from obstructing sponsor in these undertakings. Buyers are advised to visit the DOB website for further recommendations when purchasing a unit in a building that does not have an FCO.

A Factsheet on Certificates of Occupancy is available on the DOB website at:
http://www.nyc.gov/html/dob/downloads/pdf/co_factsheet.pdf

47. The Non-Residential Unit Owner(s) has the right to subdivide and merge the Unit. The Sponsor and/or Owner(s) of a Non-Residential Unit will have the right, without the consent of the Board, other Unit Owners or the holders of mortgages on Units, whether before or after the recording of the Declaration of Condominium, to (a) make alterations, additions or improvements, structural and non-structural, interior and exterior,

ordinary and extraordinary into and upon their Units; or (b) alter or improve any Limited Common Elements applicable to their Unit; provided, however, that in each instance the Non-Residential Unit Owner shall comply with all laws, ordinances and regulations of all governmental authorities having jurisdiction and shall agree to hold the Board and all other Unit Owners harmless from any liability arising therefrom. The aforementioned right is not provided to Residential Unit Owners; however, this will not have a material adverse impact upon the Condominium.

48. After Closing of title to each Residential Unit the Purchaser thereof must comply with the procedures established by the Managing Agent or the Board of Managers regarding such Purchaser's move into the Residential Unit. This will include "move in" fees, which will be refunded to the Purchaser unless the Purchaser or the Purchaser's agents cause damage (harm that reduces value or usefulness) to the Building during the move in. In such an event the move in fees will be used to repair said damage. In the event the move in fees are less than any damage caused, the Purchaser will be responsible for the additional amount. In the event the move in fees are greater than the damage caused, the Purchaser will be refunded the excess amount. At this time the Board of Managers will be collecting move in fees from Purchasers in the initial amount of \$1,000. In addition, Purchasers will be required to utilize licensed professional movers when moving in and out of the Building. Said movers must carry all-risk general liability insurance in a minimum amount of \$1,000,000 per occurrence and name the Board of Managers of the Condominium as additional insured. A copy of said policy must be tendered to the Board a minimum of three (3) business days prior to the scheduled move date.

49. Purchasers should note, shall a leak occur from the Common Element roof and/or a leak from any drains on the Common Element roof (not from a LCE terrace or balcony), the Board shall be charged with performing all maintenance, repairs and replacements up to and including the sheetrock into the Unit; the cost will be borne by all Unit Owners according to their percentage of Common Interest in the Condominium. Notwithstanding the foregoing, the cost for repair and/or replacement due to damage, if any, to furnishings or finishing's inside the Unit, shall be borne by the Unit Owner, as each Unit Owner is responsible for maintenance and repair to their own Unit, and all insurance coverage to their Unit. See Description of Property Report in Part II of the Offering Plan for additional information on the Storm Drainage System and Section XXI of the Offering Plan regarding Unit Owners insurance.

50. Local Law 97 (LL97) Local Law 11 of 1998, known as "Façade Inspection Safety Program" (FISP) shall be applicable to this building. This program shall require the owner of the building greater than six stories to have the building's exterior walls and appurtenances inspected once every five years and file a technical report to the Department of Buildings (DOB). The report for this building shall be filed five years from the date the first Temporary Certificate of Occupancy or Certificate of Occupancy is issued. The report shall include an executive overview that shall consist of a summary of findings and recommendations, a concise statement of the scope of the inspection and

findings, the conclusions and recommendations and a determination as to whether the building is categorized as “safe”, SWARMP”, or “unsafe”.

51. Should Purchaser bring an action against Seller in any court of proper jurisdiction (including small claims court), the Purchase Agreement contains a clause requiring that disputes regarding the disposition of deposits, down payments, or advances received by Sponsor be submitted to arbitration. The arbitration forum shall be the American Arbitration Association. Purchasers shall be required to bear the costs of any arbitration, including compensation of the arbitrator(s), if Sponsor is the prevailing party. Additional details, if any, concerning the arbitration clause, may be found in the Procedure to Purchase Section of the Plan and Purchase Agreement.

Purchaser and Seller hereby waive trial by jury in any action, proceeding or counterclaim arising out of this Purchase Agreement, provided such waiver is not prohibited by any laws of the State of New York. Any action or proceeding brought by either party hereto against the other, directly or indirectly, arising out of this Purchase Agreement, shall be instituted in a court in New York County and all motions in any such action shall be made in New York County. If arbitration is used to resolve a dispute herein, the arbitrator will be an independent third party not related to any party in the dispute.

Disputes regarding the disposition of deposits, down payments, or advances received by Sponsor shall be submitted to arbitration. The Purchase Agreement requires arbitration of disputes concerning the disposition of escrowed funds. Purchaser should be advised of the following:

1. the arbitrator will be neutral and independent of the Sponsor and its principal(s);
2. the arbitration will take place in the County of New York, State of New York;
3. the parties to the Purchase Agreement are giving up the right to bring suit in court, including the right to a trial by jury, concerning disputes over the disposition of escrowed funds, except as provided by the rules of the arbitration forum in which a claim is filed
4. arbitration awards are generally final and binding, and that a party's ability to have a court reverse or modify an arbitration award is very limited, see New York Civil Practice Law and Rules § 7511;
5. the ability of the parties to obtain documents, witness statements and other discovery may be more limited in arbitration than in court proceedings; the arbitrators may not have to explain the reason(s) for their award;
6. the rules of some arbitration forums may impose time limits for bringing a claim in arbitration;

7. New York law does not authorize the filing of a notice of pendency based on ongoing arbitration proceedings, unlike litigation;
8. the rules of the American Arbitration Association may be found at: www.adr.org/Rules;
9. Purchasers shall be required to bear the costs of any arbitration, including compensation of the arbitrator(s), if Sponsor is the prevailing party. Additional details, if any, concerning the arbitration clause, may be found in the procedure to purchase section of the plan and Purchase Agreement; and
10. That the deposit shall not be released from escrow until at least 90 days has elapsed from the issuance of a final arbitration award (see CPLR § 7511).
11. If the purchaser brings a proceeding pursuant to CPLR § 7511 to vacate the award, the funds must remain in escrow until that proceeding is finally adjudicated

52. Local Law 11 of 1998, known as “Façade Inspection Safety Program” (FISP) shall be applicable to this building. This program shall require the owner of the building greater than six stories to have the building’s exterior walls and appurtenances inspected once every five years and file a technical report to the Department of Buildings (DOB). The report for this building shall be filed five years from the date the first Temporary Certificate of Occupancy or Certificate of Occupancy is issued. The report shall include an executive overview that shall consist of a summary of findings and recommendations, a concise statement of the scope of the inspection and findings, the conclusions and recommendations and a determination as to whether the building is categorized as “safe”, “SWARMP”, or “unsafe”. The detailed inspection and reporting requirements, as well as additional aw updates, will contain in RCNY 103-04 Periodic Inspection of Exterior walls and Appurtenances of Buildings.

As of the date of the Report, in Part II of the Plan, no filing under the Façade Inspection Safety Program is currently required, as the building has not yet received its first Temporary or Permanent Certificate of Occupancy. Upon issuance of the first Temporary or Permanent Certificate of Occupancy, the initial FISP technical report will be required to be filed within five (5) years, in accordance with applicable law. In the event that the building is classified as Safe with a Repair and Maintenance Program (“SWARMP”) or Unsafe pursuant to a future FISP filing, the Sponsor and/or the Condominium Board of Managers, as applicable, shall be responsible for managing, performing, and funding all required façade inspections, repairs, maintenance, and any associated safety measures, including but not limited to sidewalk sheds, construction fencing, or other protective installations required by the Department of Buildings. The costs of any such inspections, repairs,

maintenance, and protective measures may be substantial and shall be treated as a common expense of the Condominium, subject to allocation in accordance with the Condominium documents.

53. The projected real estate taxes for the first year of operation contained in Schedule A are based on a post completion projected assessed value of the building.

54. The Industrial and Commercial Abatement Program (ICAP) reduces some of the increase in real estate taxes caused by new construction, modernization, or rehabilitation of industrial or commercial buildings by offering up to 25 years of property tax abatements for eligible projects. Sponsor has filed for ICAP benefits which is an abatement is granted on that part of a property's assessed value known as the abatement base. ICAP benefits are only granted after the first tax year (beginning July 1 of any year) following the completion of construction. Construction is considered complete once a Final Certificate of Occupancy has been issued.

55. Certain Residential Units contain lot line windows located on the left and right façades of the building, including Unit 3D, Unit 4A, Unit 5A, Unit 6A, Unit 4B, Unit 5B, and Unit 6B. Such lot line windows are not used for required light or ventilation. In the event of development on the adjoining or neighboring property, one or more such lot line windows may be required to be sealed or closed in accordance with applicable law. Any work required to modify such lot line windows may result in costs associated with the affected Units; Sponsor will be responsible for such costs. The estimated cost of sealing or closing such lot line windows will depend on the scope of work required and the construction conditions. The size and location of windows shall comply with light and air requirements as per the NYC building code. The windows shall be in accordance with the Energy Code. The windows shall have 5 years warranty from the manufacturer.

56. THE PURCHASE OF A CONDOMINIUM UNIT HAS MANY SIGNIFICANT LEGAL AND FINANCIAL CONSEQUENCES. THE ATTORNEY GENERAL STRONGLY URGES YOU TO READ THIS OFFERING PLAN CAREFULLY AND TO CONSULT WITH AN ATTORNEY BEFORE SIGNING A PURCHASE AGREEMENT.

THE 132-51 41ST ROAD CONDOMINIUM PLAN OF CONDOMINIUM OWNERSHIP

I. INTRODUCTION

This is an Offering Plan (the “Plan”) for the sale of fourteen (14) Residential Units (the “Residential Units”) and three (3) Community Facility Units in a Condominium to be known as The 132-51 41st Road Condominium, located at 132-51 41st Road, Flushing, New York 11355.

The purpose of the Plan is to set forth all the material terms of the offer for the benefit of prospective Purchasers.

The Plan may be amended at any time and from time to time provided that the amendment is duly filed with the Department of Law of the State of New York and is served on purchasers and Residential Unit Owners.

A Declaration submitting the property to Article 9-B of the Real Property Law of the State of New York (hereinafter referred to as the “Condominium Act”) and By-Laws will be recorded prior to Closing of Title to the first Residential Unit by the Sponsor. The property will be subject to and the Condominium will comply with the Condominium Act. The Declaration and By-Laws will be substantially similar to those set forth in this Offering Plan and will not be changed so as to adversely affect the Purchaser. This Offering Plan and the accompanying documentation should be carefully studied by prospective Purchasers and their attorneys prior to the purchase of a Residential Unit.

The Sponsor of the Offering Plan is WTS41 LLC. Sponsor acquired the property by deed May 20, 2025. The prior use of the property was residential vacant land.

The Non-Residential Unit Owner will be responsible to pay Common Charges in accordance with such Unit Owner’s percentage of Common Interest, or any special allocation of Common Expenses allocated to said Units. The Common Charges payable by the Non-Residential Unit Owners are sufficient to cover the expenses fairly attributable to such Units. There will be no special allocation of Common Expenses.

If the Sponsor makes a bulk sale of all or some of its Unsold Units, the transferee successor Sponsor is bound by Sponsor’s representations regarding its commitment to sell Units.

Sponsor will endeavor in good faith to market and sell the Residential Units in the Condominium, however, Sponsor is retaining the unconditional right to rent rather than sell the Units (with respect to the Residential Units after consummation of the Offering Plan). Because Sponsor is retaining the unconditional right to rent rather than sell the Units this Plan may result in the creation of a condominium in which a majority of the Units are not owned by owner-occupants or investors who are unrelated to the Sponsor. Due to the fact Sponsor is not limiting the conditions under which it will rent rather than sell Units, there is no commitment to sell more Residential Units than the fifteen (15%) percent necessary to declare the plan effective (3 Residential Units) and owner-occupants may

never gain effective control and management of the Condominium. In the event Sponsor makes a bulk sale of all or some of its unsold Units, the transferee successor Sponsor will be bound by Sponsor's representations regarding its commitment to sell Units.

There are a variety of model types of Residential Units. See Schedule G for a detailed description of different type of models. The Closing of Title to the first Residential Unit is estimated to occur on or about July 1, 2026, subject to weather conditions and other factors beyond Sponsor's control. The land and all improvements to be erected thereon are hereinafter referred to as the "Community", the "Condominium" or the "Development".

The Condominium will consist of fourteen (14) Residential Units and three (3) Community Facility Units located in a six (6) story building with roof and bulkhead. The Condominium will consist of a total lot area of approximately 4,309 square feet.

There is a recreation roof terrace provided on roof 375 square feet with 2 persons proposed. No furniture or equipment is being provided by the Sponsor. Rooftop shall be accessed for maintenance only.

Residential bike storage room of approximately 115 square feet with total eight (8) parking spaces, seven (7) parking spaces for Residential Units and one (1) parking space for Community Facility Units shall be located on cellar. There will be no fee to keep the bicycle; the bicycle rack space shall be served as first come first serve. Mailboxes shall be located in the residential vestibule and shall be individually key-locked and master keyed by the postman. There shall be no package room.

Sponsor has obtained financing (the "Construction Loan") from S III Capital Partners LLC, ("Lender"), having an office at 535 Madison Avenue, 19th Floor, New York, NY 10022, which has enabled Sponsor to construct the Development. After the recording of the Declaration and before the closing of title to the first Unit, any Building Loan mortgage will be satisfied or released, such that the lender will set a release price for Unit so that Sponsor can pay-off such amount of the underlying mortgage with the sale of the Unit. In addition, before the closing of title to the first Unit, all liens and mortgages affecting the Condominium shall be paid and satisfied or the Unit being conveyed and its appurtenant Common Interest shall be released therefrom by partial release duly recorded. In order to obtain partial releases, the Lender will require that the Sponsor pay a release price on the sale of each Unit, until the loan is repaid in full. Lender has not placed any other restrictions on the marketing, selling, or renting of Units. Such minimum release price shall be determined prior to the closing of a Unit and be based on the total outstanding loan at that time. This portion of the loan will not be added to the Purchase price, but rather Sponsor may use the proceeds from such sale to pay towards the underlying mortgage. Therefore, there will be no resulting costs from Sponsor's Building Loan added to Purchaser's individual mortgage, and no delay to the closing of title to a Unit due to the underlying mortgage.

Purchaser shall not be obligated to pay any adjournment fee as a result of a delay caused by any assignment/consolidation of Sponsor's construction loan. The terms of the Construction Loan contemplate the project as a "for-sale" condominium project. Sponsor

may declare the Plan effective by selling a minimum of fifteen (15%) percent of the Residential Units (three (3) Residential Units) being offered for sale.

At the time of conveyance of the first Unit, each mortgagee will either:

- (i) consent to the formation of a condominium and acknowledge that its lien will be limited to unsold condominium units;
- (ii) subordinate the lien of its mortgage to the declaration of condominium; or
- (iii) release its lien on the condominium unit being conveyed and its interest in the common elements.

There will be no steps needed to be undertaken by Purchaser; Sponsor will work directly with lender and pay a release price, which price shall not affect purchaser or Purchaser's financing, if any. Any fees imposed by a Purchaser's lender shall be at the sole cost and expense of Sponsor. If there is any possibility that Purchaser or a Purchaser's mortgage commitment could be adversely affected by a request for an assignment, then Sponsor shall have not the right to make such request.

Purchasers should note, in the event Sponsor seeks an assignment of a portion of the Building Loan (or any Sponsor obtained financing) to Purchaser's mortgage lender, in order to get the benefit of any available mortgage tax savings, such severance and assignment would not result in any additional risk or cost to the Purchaser. Sponsor will initiate any severance and assignment transaction only after financing has been procured by Purchaser.

In the event the Lender takes over the collateral for the Loan or the Sponsor's principals change or if the Sponsor's successors undertake to complete the offering pursuant to the terms of the Plan, then prospective purchasers will not have a right of rescission.

As in the ownership of a private one-family home, the Purchaser of a Unit in a Condominium (the "Unit Owner") owns the Unit in fee simple absolute and is entitled to exclusive possession of the Unit. Each Purchaser will also own an undivided interest in and right to use the General Common Elements and an exclusive right to use any Limited Common Elements that pertain to the individual Unit or Units. All Unit Owners will own in common the roof and all of the land and improvements located outside of the Units. Any portion of the exterior facade that is included in the measurement of a Residential Unit will be the responsibility of the Condominium to maintain, repair and replace as necessary. All portions of the exterior facade that are not included in the measurement of a Residential Unit will be a General Common Expense of the Condominium.

As provided for in Section 339-m of The Real Property Law of the State of New York, the Board may also make allocations and assessments of Common Charges to the General Common Elements in accordance with submetering, contract allocations and usages (both projected and actual) so long as such allocations are reasonable under the circumstances and are based on special or exclusive use or availability or exclusive control of particular units or common areas by particular Units Owners.

The square footage of a Unit set forth in the floor Plans, Schedule A to the Offering Plan and Schedule B to the Condominium Declaration, are approximate and are based upon the following method of tabulation:

The floor area of the Units set forth in the floor plans are approximate. Each Unit shall be measured horizontally from the exterior side of the exterior walls or property line of any party wall to the centerline of the partitions separating one Unit from another Unit or separating one Unit from any common element or to the Unit side of the opposite exterior walls. Each Unit shall consist of the area measured vertically from the finished floor of the Units to the underside of the highest ceiling of the Units. However, any Common Element located within a Unit shall not be considered to be a part of that Unit, and all exterior spaces which are a part of a Unit are not included in the square footage count. All square footages are approximate and within reasonable tolerances and will vary from Unit to Unit of the same type. As such the areas are not based upon measurements from interior surfaces of interior walls, and the actual, usable, floor area comprising the Unit is substantially less than the area listed in Schedule A.

Any equipment or fixtures described in the Offering Plan as being part of a Residential Unit are included in the offering prices set forth herein.

Any doors or windows which open from the Unit or area appurtenant to the interior of the Unit shall be deemed part of the Unit. No Unit Owner shall be deemed to own the supporting columns, pipes, wires, conduits or other public lines running through the Unit which are utilized for or serve more than one (1) Unit.

The Common Elements are described as follows:

A. General Common Elements – General Common Elements are those shared by all Unit Owners and include all portions of the Condominium except for the individual Units and the Limited Common Elements (irrevocably restricted in use to specified Units or Unit Owners) and include without limitation the following:

The following are descriptions of the irrevocable restricted Limited Common Elements:

1. Residential Restricted Common Elements – Residential Restricted Common Elements are those shared by all Residential Unit Owners and include all portions of the Residential Area of the Condominium except for the individual Units and the Residential Unit Restricted Common Elements (irrevocably restricted in use to a specified Unit(s) or Unit Owner(s)) and include without limitation the following:

The Residential Limited Common Elements servicing the Residential Units shall be maintained, repaired and replaced by the Residential Unit Owners. The cost of any

such maintenance, repair and/or replacement shall be allocated to all Residential Unit Owners based upon their Residential Percentage of Common Interest, as set forth in Schedule A. Although the cost of repairs and replacements to Residential Restricted Common Elements shall be borne by the Residential Unit Owners, the Board shall be charged with performing all maintenance, repairs and replacements. Notwithstanding the foregoing, the cost for maintenance, repair and/or replacement of Residential Restricted Common Elements that are part of the structural components serving the entire Condominium will be borne by all Unit Owners according to their percentage of Common Interest in the Condominium.

Although the cost of repairs and replacements to Limited Common Element shall be borne by the Individual Unit Owner, the Board shall be charged with performing all repairs and replacements at the Unit Owners sole cost and expense.

C. Provisions Applicable to the Non-Residential Unit Owners

1. Certain Common Elements, as detailed below in items (a) through (b), which service the Non-Residential Units, shall be maintained, repaired and replaced by the Board of Managers and the cost of any such maintenance, repair and/or replacement, shall be allocated to the Non-Residential Unit Owner based on such Unit Owner's Percentage of Common Interest.

2. The Common Elements are not subject to partition nor are they severable from the Units except in accordance with the Real Property Law.
3. The percentage of the undivided interest in the Common Elements established herein shall not be changed except with the consent of all of the Unit Owners affected expressed in a duly recorded amendment to this Declaration.
4. The undivided interest in the Common Elements shall not be separated from the Units to which it appertains and shall be deemed conveyed or encumbered with the Units even though such interest is not expressly mentioned or described in the conveyance or other instrument.

A Unit Owner is required to pay monthly Common Charges assessed by the Board for the operation and maintenance of the Condominium pursuant to Sections 339(i) and (m) of the New York Condominium Act. The estimated Common Charges for each Unit for the projected First Year of Condominium Operation are set forth in Schedule A. Monthly Common Charges may commence with the Closing of the first Residential Unit which is expected to occur on or about July 1, 2026, however, see Section XX of the Offering Plan as to the right of the first Board of Managers to commence the collection of Common Charges at a subsequent date. In addition, each Unit Owner is responsible for maintenance and repair to their own Unit, and all insurance coverage to their Unit.

Until title to a Unit has passed to a Purchaser, the Sponsor will pay such Common Charges and Special Assessments as are assessed by the Board on Units, built or unbuilt, to which title has not passed. Once title has passed to a Purchaser, the Purchaser will be responsible for all costs, including all Common Charges associated with the Unit. No Unit can be sold without a simultaneous sale of the undivided interest in the Common Elements.

A Unit Owner, upon acquiring title to the Unit, will be obligated to comply with the Declaration of Condominium, By-Laws and Rules and Regulations and any other requirements of the Board.

There is no restriction upon ownership of a Residential Unit. Occupancy of a Residential Unit, however, may only be for residential purposes as described in Section XX of the Offering Plan. Each sold or leased Residential Unit may be used only as a residential dwelling and any other incidental home occupation permitted by law and for other purpose and shall be occupied in accordance with the laws prohibiting overcrowding and the requirements of the Condominium documents. Residential Units can be sold by a Residential Unit Owner, provided that the Residential Unit Owner is not in arrears on the payment of Condominium Common Charges (except where the payment of such unpaid Common Charges are paid by the Grantee or provided for out of the proceeds of

the sale), subject to restrictions contained in the mortgage, if any, covering their Residential Unit and subject to notice to the Board within thirty (30) days of the execution of a Purchase Agreement advising the Board the name and address of the Purchaser. A Residential Unit Owner is free to make a gift of the Residential Unit to anyone during the Residential Unit Owner's lifetime or to devise the Residential Unit Owner's Residential Unit by will, or to have it pass by intestacy without any restriction. No Residential Unit can be sold without a simultaneous sale of the undivided interest in the Common Elements.

Each Residential Unit Owner can sell their Residential Units to whomever they desire. Residential Unit Owners may lease their Residential Units subject to the conditions contained in Section XXI of the Offering Plan. The Board does not have a right to approve or disapprove purchasers.

There is no limit on the number of owners or investors that may purchase Residential Units for investment, rather than for personal occupancy. As such, there may be a substantial percentage of owners who are not residents of the Condominium.

A Non-Residential Unit Owner shall have the right, without the payment of any fees or charges to the Board, to sell or lease the Non-Residential Unit without the Board having any right of first refusal to sell or lease, or to procure a third party to sell or lease, the same, and all sale or rental proceeds shall belong solely to the applicable Non-Residential Unit Owner.

The Purchase Agreement is not conditioned upon a Purchaser securing satisfactory mortgage financing. Obtaining a mortgage shall be the sole responsibility of each Purchaser. In no event will the Sponsor be obligated to return a Purchaser's down payment in the event a Purchaser is unable to obtain a mortgage. In addition, the Purchase Agreement will remain in full force and effect and Purchaser will be obligated to pay the balance of the purchase price at Closing regardless of the availability of financing. In the event a Purchaser does not Close Title to the Residential Unit as a result of their inability to obtain a mortgage, the down payment plus the cost of any custom work ordered, will be retained by Sponsor as liquidated damages. **The obligations of a purchaser under the Purchase Agreement are not condition on obtaining financing. Any prospective purchaser who executes a Purchase Agreement and does not obtain financing may lose his or her deposit if he or she is unable to otherwise raise the monies for the balance of the purchase price. Prospective purchasers who require financing are advised to consult with a lending institution before execution of a Purchase Agreement. No representation is made by the sponsor as to the availability or cost of such financing.**

Residential Unit Owners may mortgage their Residential Unit upon or after they acquire title to the Residential Unit in whatever amount and under whatever terms they can obtain. Any Residential Unit Owner who mortgages their Residential Unit will be required to provide the Board with the name and address of the mortgagee within thirty (30) days of the issuance of the mortgage.

Any Residential Unit Owner may, also, grant a purchase money mortgage to a Purchaser of the Residential Unit. A Residential Unit Owner may mortgage their

Residential Unit only if all arrears for Common Charges, if any, are paid in full at the closing of the mortgage.

Primary responsibility for operating the Condominium rests with the Board of Managers whose members are elected by the Unit Owners. See Schedule J, Article III in Part II of the Plan.

Each Unit Owner, upon obtaining title, will automatically have one vote for each .01% (rounded off to the nearest .01%) of Common Interest attributable to its Unit or Units at all meetings of the Unit Owners.

Each Unit will be taxed separately for real estate tax purposes and may be separately mortgaged. Therefore, no Unit Owner is liable for the payment of real estate taxes or mortgage payment on any other Unit. In the opinion of Counsel, a Residential Unit Owner is presently entitled to deductions for income tax purposes for the Residential Unit Owner's payments for real estate taxes on the Residential Unit. In addition, provided the Residential Unit will be the Purchaser's principal residence or one other residence selected pursuant to Section 163(h)(5)(A)(i)(II) of the Internal Revenue Code of 1986, a Residential Unit Owner may also deduct on their income tax the interest on the mortgage procured to finance the purchase of their Residential Unit. See Section XXII of the Offering Plan. Purchasers are advised to consult their own tax consultant regarding the tax implications of their purchase.

Fire and liability insurance covering the Common Elements are included with other items as part of the Common Charges but fire and liability insurance for the Purchaser's personal effects and the interior of the Residential Unit must be carried by the individual Purchaser. For possible increases in Common Charges upon default in payment by a Residential Unit Owner see Section XIX of the Offering Plan. Each Residential Unit Owner is responsible for the cost of their own interior repairs and decoration in their Residential Unit after Closing.

The prices for the Residential Units are set forth in Schedule A. THESE PRICES HAVE BEEN SET BY THE SPONSOR ALONE AND ARE NOT SUBJECT TO REVIEW OR APPROVAL BY THE DEPARTMENT OF LAW OR ANY OTHER GOVERNMENTAL AGENCY.

This Offering Plan contains all of the material terms of this transaction. Parts I and II along with Parts A, B, C and D of the Exhibits submitted along with the Offering Plan together constitute the entire Offering Plan. Copies of the Plan and Parts A, B, C and D of the Exhibits will be available for inspection by prospective Purchasers and their attorneys without charge and for copying at a reasonable charge at the Condominium site whenever the onsite sales office is open and at the office of the Sponsor, as well as the Department of Law, 28 Liberty Street, New York, New York 10005.

**** Sponsor is transferring its statutory obligation to pay real estate transfer tax to Purchaser. See Footnote 7 to Schedule A.

FOOTNOTES TO SCHEDULE A

1. No change in the sales price of a Residential Unit will be made other than pursuant to a duly filed amendment, except that the Sponsor reserves the right to decrease the sales prices below the Offering Plan prices without filing an amendment to the Plan at any time during the Offering where a reduction in sales price does not constitute a general offering, but is rather the result of an individually negotiated purchase. See Section X of the Offering Plan as to other terms of the offering, which are negotiable. See Section XVI for estimated closing costs and adjustments, which costs are in addition to the sale prices set forth herein.
2. Prospective Purchasers should refer to the floor plans in Schedule G-2 of Part II of the Plan for details of different types of rooms in each model. The floor area of the units set forth in the floor plans are approximate. The floor area of the Units set forth in the floor plans are approximate. Each Unit shall be measured horizontally from the exterior side of the exterior walls or property line of any party wall to the centerline of the partitions separating one Unit from another Unit or separating one Unit from any common element or to the Unit side of the opposite exterior walls. Each Unit shall consist of the area measured vertically from the finished floor of the Units to the underside of the highest ceiling of the Units. However, any Common Element located within a Unit shall not be considered to be a part of that Unit, and all exterior spaces which are a part of a Unit are not included in the square footage count. All square footages are approximate and within reasonable tolerances and will vary from Unit to Unit of the same type. As such the areas are not based upon measurements from interior surfaces of interior walls, and the actual, usable, floor area comprising the Unit is substantially less than the area listed in Schedule A.
3. The Common Interest of each Unit has been based upon floor space, subject to the location of such space and the additional factors of relative value to other space in the Condominium, the uniqueness of the Unit, the availability of Common Elements for exclusive or shared use, and the overall dimensions of the particular Unit. Said method of determining the percentage of Common Interest in a condominium complies with and is pursuant to Section 339-i (1) (iv) of the Real Property Law of the State of New York. This percentage determines the amount that the Unit Owners will pay for their Common Charges.
4. Common Charges have been estimated by the Sponsor and include fire and liability insurance for the Units and Common Elements, maintenance and operation of the Common Elements. Common Charges exclude repair and decoration to the inside of a Unit, utilities for each Unit and insurance for personal belongings. See Schedule B-1 for estimated heating and electrical costs for each model type Residential Unit.

If applicable, Common Charges may be adjusted based on allocations in accordance with sub-metering, contract allocations and usage (both projected and actual) for the Common Expenses based on special or exclusive use or availability or exclusive control of particular Units or Common Elements by particular Unit Owners. In accordance with Section 339-bb of the Real Property Law the Non-

Residential Unit(s) may be allocated a greater amount of the insurance premium for the Condominium if the increased cost of the insurance is a result of the use or existence of the Non-Residential Unit.

In the event a Purchaser obtains a mortgage, the interest payable on the mortgage will be deductible for income tax purposes provided the Residential Unit will be the Purchaser's principal residence or one other residence selected pursuant to the Internal Revenue Code. A Purchaser is advised to consult with their personal financial consultant or tax advisor as to the financial and tax consequences of the Purchase of a Residential Unit in the Condominium.

On January 1, 2018, the Tax Cuts and Jobs Act of 2017 went into effect. This federal law significantly changed the previously existing Internal Revenue Code, including the taxes and deductions related to homeownership. Purchasers are advised to consult with a tax expert regarding whether the new law will affect the purchaser's taxes. Purchasers should not rely on any representations in this offering plan addressing taxes without first consulting a tax expert.

5. Based on an opinion letter from Metropolitan Realty Exemptions ("Metropolitan"), 349 Keap Street, Brooklyn, NY 11211, dated September 11, 2025, the projected tax liabilities for the first year of Condominium operation based on the post-completion assessment are as follows:

Assuming the 2025 tax rates of 10.762% for tax class 4 and 12.500% for tax class 2, the projected tax liabilities for July 1, 2026 – June 30, 2027 will be as follows:

Commercial Tax Liability without ICAP	
Assessed Value	\$836,220
Commercial Tax Liability	\$89,994
Commercial Tax Liability with ICAP	
Assessed Value	\$836,220
Tax Liability	\$89,994
ICAP Abatement Amount	-\$83,873
Total Commercial Tax Liability	\$6,121
Residential Tax Liability	
Assessed Value	\$1,227,400
Tax Liability	\$153,425

Although the aforesaid estimate of actual assessed valuation is a good faith estimate, it is not possible to estimate the same with any degree of certainty. Assessed valuations, when actually made, may be lesser or greater based on interpretation of the administrative code and the applicable rules and regulations

of the City of New York. The estimates are not intended, and should not be construed as warranties as to future assessed valuations of the Property. In no event will the consultant, the Sponsor, the Sponsor's counsel or any other person be liable if the assessed valuation, when actually made, is lesser or greater than that predicted above or if the administrative code and the applicable rules and regulations of the City of New York are in the future changed or if the facts as represented, prove to be untrue. In the event actual real estate taxes differ than from the estimates provided herein, Purchasers will not be offered rescission.

With respect to the Non-Residential Units, Sponsor has applied for the ICAP program, which has replaced the Industrial and Commercial Incentive Program (ICIP) in New York City. The Industrial and Commercial Abatement Program

(ICAP) reduces a portion of the increase in real property taxes due to new construction, modernization or rehabilitation of industrial/commercial buildings, by providing up to a maximum of 25-year property tax abatements for qualified projects.

2025/26	Retail Unit
RE Taxes without ICAP Benefit	\$401,000
Less ICAP Abatement	(\$279,600)
Estimated Taxes after ICAP	\$121,400

Since ICAP benefits run prospectively from the tax year based on the first January 5th taxable status date following the anticipated completion of construction (i.e., the 2025/26 tax year), there will be no abatement benefits for the first 6 months of the first year of condominium operation running from January 1, 2025, through December 31, 2025. It is estimated at the completion of construction the real estate taxes for the fiscal year for the Non-Residential portion will be as follows:

As of the date of this letter, a Final Application for ICAP benefits has not been filed with the New York City Department of Finance; construction is in progress; and ICAP benefits have not been approved. No representations or warranties are made herein regarding the property's eligibility for ICAP tax abatement benefits, that the New York City Department of Finance will approve these benefits, or that these benefits will ultimately be realized or realized in the amounts set forth. Real estate tax estimates on the Schedule A do not include ICAP benefits as such benefits, if granted, would begin the 1st full year following completion of construction.

Although the aforesaid estimate of actual assessed valuation is a good faith estimate, it is not possible to estimate the same with any degree of certainty. Assessed valuations, when actually made, may be lesser or greater based on interpretation of the administrative code and the applicable rules and regulations of the City of New York. The estimates are not intended, and should not be

construed as warranties as to future assessed valuations of the Property. In no event will the consultant, the Sponsor, the Sponsor's counsel or any other person be liable if the assessed valuation, when actually made, is lesser or greater than that predicted above or if the administrative code and the applicable rules and regulations of the City of New York are in the future changed or if the facts as represented, prove to be untrue. In the event actual real estate taxes differ than from the estimates provided herein, Purchasers will not be offered rescission.

After the Condominium is divided into individual tax lots, each Unit will be taxed as a separate tax lot for real estate tax purposes and the Unit Owner will not be responsible for the payment of, nor will the Unit be subject to, any lien arising from the non-payment of taxes on other Units. In addition, pursuant to the provisions of the Internal Revenue Code of 1986 and the Tax Cuts and Jobs Act of 2017, the real estate taxes payable by a Residential Unit Owner, which are assessed against their Residential Unit by any governmental taxing authority, up to a maximum of \$10,000 (inclusive of local and state tax deductions), are a proper deduction in connection with Federal and State Income Taxes payable by such Residential Unit Owner.

Projected tax deductions (where applicable) may vary in future years due to changes in the interest rate on the Residential Unit Owner's mortgage (if any) or from changes in the allocation of constant debt service payments to interest and principal, or due to changes in real property taxes, or from changes in the assessed value, the tax rate or the method of assessing real property.

6. The Sponsor is not offering and has not procured mortgage financing. As a result, the projected monthly carrying charges for financing have not been included in Schedule A. In the event a Purchaser obtains a mortgage, the Purchaser's monthly carrying charges will increase by the amount of the mortgage payment. Any Purchaser who applies for a mortgage from a lending institution should check with that institution as to the monthly mortgage costs as well as any Closing Costs that the Purchaser will be obligated to pay the lending institution. The total monthly carry charges combined with real estate taxes re included in Schedule A.

Purchasers are encouraged to review the projected real estate taxes with counsel and/or a real estate tax professional.

See Section XXI for a full discussion of the real estate taxes applicable to the Units.

FOOTNOTES TO SCHEDULE B

(1) TOTAL PROJECTED INCOME

The estimated Common Charges to be collected from Unit Owners during the First Year of Condominium Operation are based upon the assumption that the first year of Condominium operation will be the twelve months commencing July 1, 2026. The actual first year of operation may be earlier or later.

In the event the projected First Year of Condominium Operation is to be delayed more than six (6) months from the projected commencement of the First Year of Condominium Operation, the Plan will be amended to include a revised budget. ("Revised Budget Amendment").

If the aggregate of the revised budget projections exceeds the aggregate of the original budget projections by 25% or more, Sponsor will offer all purchasers the right, for a period of fifteen (15) days from the presentation date of the revised budget amendment, to rescind their Purchase Agreements and have their deposits, together with any interest earned thereon refunded.

There is no Special Allocation of Common Expenses in this Condominium.

(2) LABOR

The Condominium will not employ any labor. Refer to Note 7 for a discussion relating to the maintenance and upkeep of the Common Areas of the Condominium.

(3) GAS

There shall be no gas service.

(4) ELECTRICITY

For electric service to the Common Elements which will cover the cost of lighting and other electrical items as well as common area heating, based on the opinion of HPL Engineering P.C., dated March 24, 2026, Common Areas will require approximately 39,601 KWH per year at a cost of approximately \$0.26/KWH for a total annual cost of \$10,284.56. This figure may rise or fall depending on usage and energy source prices. Units are individually metered for electric consumption within each Unit. Projections are based on industry standards. See Schedule B-1 for estimates of individual Unit electric costs.

(5) WATER & SEWER

Water and sewer service to the individual units, based on the opinion of HPL Engineering PC, dated March 24, 2026 is based on the estimated water and sewer rate of \$13.07 per hundred cubic feet multiplied by the estimated annual usage of 820 HCF and \$30 for the common charge, for a total annual cost of \$16,481.27. This figure may rise or fall

depending on usage and water source prices. Projections are based on industry standards.

(6) REPAIRS, MAINTENANCE AND SUPPLIES

This item covers cleaning supplies and equipment as well as minor repairs to the common areas that will not be covered by the janitorial services discussed below. It is anticipated that such services will be performed by independent contractors on an “as needed” basis.

(7) SERVICE CONTRACTS

This item will cover the cost of any service contracts including the following:

- a. Fire Alarm \$1,200.00 per year.
- b. Backflow/Sprinkler Inspection/Gas Inspection \$1,500.00 per year.
- c. Telephone/Internet \$1,800.00 per year for Fire Alarm system.
- d. Janitorial services – Sponsor anticipates that the cost of janitorial services to clean and maintain the Condominium common areas will be approximately \$425.00 per month (\$5,100.00 for the year) and that such service will be performed by an independent contractor.
- e. Elevator maintenance \$4,400.00 per year.

Each Unit Owner will be responsible for his own refuse removal and keeping the common areas clear of personal items and debris. Additional part time help may be supplied on an “ad hoc” basis as determined by the Board of Managers. The Sponsor does not anticipate that any other service contracts will be required at the building. Unit Owners will pay monthly service fees for cable, phone and internet that will service each Unit individually. The figures set forth herein are based on industry standards.

(8) INSURANCE

This figure is based on an estimate received from Oakmont Insurance Services LLC, dated July 21, 2025 for an all-risk replacement cost property insurance policy with the following coverages the annual premium will be \$20,000.00:

- Building Limit: \$7,500,000
- Deductible: \$25,000
- General Liability: \$1,000,000/\$2,000,000

State that coverage for the following items are not included in the budget and may be available at extra cost: rent insurance; water damage; elevator collision; boiler and machinery; auto liability; fidelity bond; and garage keeper's liability. 13 NYCRR 20.3(4)(viii)(d).

In the opinion of Oakmont Insurance Services, LLC, the foregoing coverage is sufficient to replace the Buildings in the event of a total or partial loss so that the insured shall not be a co-insurer during the First Year of Operations.

The insurance policy provides: that each owner is an additional insured party, there will be no cancellation of the policy without notice to the Board of Managers, a waiver of subrogation, a waiver of invalidity because of the acts of the insured and unit owners, a waiver of pro-rata reduction if unit owners obtain additional coverage. In the event of a partial or total loss, this policy will cover the replacement of the building without causing the Condominium to become a co-insurer. The insurance coverage does meet the requirements of most lenders including the requirement of Sponsor's lender. This quote does not include Fidelity bond, rent insurance and excess but all may be purchased for an additional premium.

Purchasers should note that it is desirable to obtain additional insurance at their own cost to cover such risks as, fire and casualty losses to unit contents, replacements, additions, fixtures and improvements, and liability coverage for occurrences within the unit or, where applicable, on limited common elements. The consequence of not having such additional insurance is that in the event of any uncovered claim or damage the Board may need to assess a special assessment to the unit owners to be able to pay for the claim and or damage. In the event that additional insurance coverage is required by the Federal Housing Administration in order for it to insure or guarantee a mortgage on a Unit, the Sponsor shall obtain such additional insurance so as to comply with any such requirements.

(9) MANAGEMENT FEES

The Managing Agent, Good Win Realty, having its principal office at 817 60th Street, Brooklyn, NY 11220, will manage the Condominium and will be responsible for the collection of Common Charges, payment of Common Expenses and maintaining the common areas of the Building. The fee of this management company is \$800.00 per month (\$9,600.00 annually) with additional cost for court appearances at \$200.00 each case.

(10) OFFICE EXPENSES

To provide office supplies, photocopying, postage and other miscellaneous office expenses.

(11) LEGAL FEES AND AUDIT FEES

Pursuant to the proposal provided by L & Z Accounting Services Inc., 201 46th Street, Brooklyn, NY 11220. Annual tax returns dated August 4th, 2025, the fee to provide the annual corporate tax returns and financial statements for the Condominium is estimated to be \$3,000.00. While the Sponsor controls the Board of Managers, financial statements must be audited. The Sponsor's budget expert estimates an amount of \$500.00 for legal fees for contract review, common charge collection requirements and other miscellaneous legal services. The attorney for the condominium will be determined at a later date when legal services are required. This estimate does not include the cost of litigation, if any, that might arise during this initial period.

(12) CONTINGENCY

This amount will be placed on deposit in order to provide for any unanticipated expenses or increases in the projected expenses of the Condominium.

(13) RESERVE FUND

Since the Building will be newly constructed it has no operating history upon which to project future costs of repairs and maintenance. No major capital repairs are included in the First Year's Budget since all major construction and mechanical systems will be new.

A reserve fund is being established for the Condominium for major capital expenditures such as the renewal or replacement of building components or systems or the remedy of major building defects (the "Reserve Fund"). The Board of Managers, in its discretion, and subject to certain restrictions contained in the By-Laws, may, in its discretion, decide in future years to increase or decrease the Reserve Fund line item in the Condominium's annual budget. No representation is made that Reserve Fund line item will be adequate for future expenses including repairs or replacements of Common Elements during the first five (5) years of the Condominium. If additional funds are required over and above said funds, it may be necessary to increase the Common Charges payable by the Unit Owners, collect a Special Assessment from each Unit Owner or borrow money.

The typical amount budgeted is approximately ten percent (10%) of the expenses budgeted for the entire year in order to conform to the requirements and guidelines of both the Federal Housing Administration ("FHA") and Fannie Mae. This expense has been allocated by Common Interest.

No representation is made as to the actual or anticipated cost, or timing or nature of any such capital work or the adequacy of any such reserve.

(14) TOTAL PROJECTED EXPENSES

In the opinion of Good Win Realty, the projected income is adequate to meet the estimated expenses for the First Year of Condominium Operation, assuming such first year to be the 12-month period commencing July 1, 2026. The budget, however, is not intended and should not be taken as a guarantee or warranty by anyone that the annual common charges or common expenses for the first or any subsequent year of operation of the property by the Condominium Board will be as set forth in the budget. In fact, it is likely that the actual income and expenses for the First Year of Condominium Operation will vary from the amounts shown in the budget based on factors including without limitation, changes in the economy and unforeseen factors.

Although the Sponsor is under an obligation to provide accurate information to prospective Purchasers, factors beyond its control may substantially affect the cost of electricity after the purchase of a Residential Unit or in subsequent years. Sponsor represents however, that it has followed the plans and specifications provided by the manufacturer of the appliances together with the recommendation of the manufacturer and other experts to enable these items of equipment to operate at an optimum efficiency at the lowest cost.

Re: **The 132-51 41st Road Condominium**

Gentlepeople:

The Sponsor of the Condominium Offering Plan for the captioned property has retained this office to review the percentage of Common Interest applied to the Units contained in Schedule A of the Offering Plan. Our experience includes the preparation of numerous of Condominium Offering Plans and legal representation of several Condominium Boards of Managers in the State of New York.

In reviewing said Schedule A, the percentage of Common Interest for each Unit in the overall Condominium as contained therein has been determined based upon floor space, subject to the location of such space and the additional factors of relative value to other space in the Condominium, the uniqueness of the unit, the availability of common elements for exclusive or shared use, and the overall dimensions of the particular Unit. Said method of determining the percentage of Common Interest in a Condominium complies with and is pursuant to Section 339-i(1)(iv) of the Real Property Law of the State of New York.

I hereby authorize inclusion of this opinion in the Offering Plan for The 132-51 41st Road Condominium to be filed with the Department of Law.

Very truly yours,
MORITT HOCK & HAMROFF LLP

IX. NON-RESIDENTIAL UNITS

The Condominium will initially contain three (3) Community Facility Units, sometimes referred to collectively as the “Non-Residential Units”, subject to the rights of the Non-Residential Unit Owners to subdivide and merge same. The Non-Residential Units may be used for any lawful purposes permitted under the local zoning code and by the city of New York, including, without limitation, for medical or health related purposes.

The Sponsor and/or Owner(s) of a Non-Residential Unit will have the right, without the consent of the Board, other Unit Owners or the holders of mortgages on Units, whether before or after the recording of the Declaration of Condominium, to (a) make alterations, additions or improvements, structural and non-structural, interior and exterior, ordinary and extraordinary into and upon their Units; or (b) alter or improve any Limited Common Elements applicable to their Unit; provided, however, that in each instance the Non-Residential Unit Owner shall comply with all laws, ordinances and regulations of all governmental authorities having jurisdiction and shall agree to hold the Board and all other Unit Owners harmless from any liability arising therefrom. The aforementioned right is not provided to Residential Unit Owners; however, this will not have a material adverse impact upon the Condominium.

Except to the extent prohibited by law, the Sponsor, its successor, assignee or designee and the Non-Residential Unit Owner(s) shall have the right, without the vote or consent of the Board to: (a) make alterations, additions or improvements, whether structural or nonstructural, interior or exterior, ordinary or extraordinary, in, to and upon the Non-Residential Unit(s); (b) change the layout of, or number of rooms in the Non-Residential Unit(s) from time to time; (c) change the size and/or number by subdividing one or more Non-Residential Units into two or more separate Non-Residential Units, combining separate Non-Residential Units (including those resulting from such subdivision or otherwise) into one or more Non-Residential Units, altering the boundary walls between any Non-Residential Units, or otherwise; (d) if appropriate, reapportion among the Non-Residential Unit(s) affected by such change in size or number pursuant to the preceding clause their percentages of interest in the Common Elements; provided, however, that the percentage of interest in the Common Elements of any other Non-Residential Units shall not be changed by reason thereof unless the owners of such Non-Residential Units shall consent thereto and, provided further, that the Declarant, its successor, assignee or designee and the Non-Residential Unit Owner(s) shall comply with all laws, ordinances and regulations of all governmental authorities having jurisdiction and shall agree to hold the Board and all other Non-Residential Unit Owner(s) harmless from any liability arising therefrom.

Nothing contained in the Declaration shall prohibit the division or consolidation of any Non-Residential Unit(s) and Common Interest appurtenant thereto, including but not limited to a change in the number of rooms. In no case, however, may such division or consolidation result in a different percentage of Common Interest for the total of the new Non-Residential Unit(s) than existed for the total of the original Non-Residential Units(s) before division or consolidation.

The Owner(s) of a Non-Residential Unit will have easements for (i) the installation, maintenance, repair and replacement of signs, flues, vents, air-conditioning, heating, ventilating, water and other mechanical lines and fixtures and equipment on the exterior walls, the roof and through the General Common Elements of the Condominium, and in, through, under and over any Non-Residential Unit; (ii) through the Common Elements and Residential Units Limited Common Elements of the Condominium for access to any part of the Condominium for the purpose of installing, repairing, maintaining and replacing any fixtures and equipment now or hereafter located in or on the Condominium servicing the applicable Non-Residential Unit, provided, however, that except in the case of an emergency, the right of access may be exercised only after prior notice to the Board; and (iii) for access to any equipment that services the Non-Residential Units and which are located in the Residential Area of the Condominium or the Residential Units Limited Common Elements.

The Non-Residential Unit(s) will also be subject to easements in favor of any other Unit(s) for the installation, maintenance, repair and replacement of all utility pipes, lines, conduits, ducts, etc., including gas, electricity, heating, air-conditioning, ventilating and water and other mechanical lines and fixtures and equipment serving the Non-Residential Unit(s). The Owner(s) and tenants of the Non-Residential Unit(s) will have the right, at their sole expense, to install separate heating systems for the Non-Residential Unit(s) and an easement is granted in, over, under and through the any part of the Condominium for the installation, maintenance, repair and replacement of the heating systems and all necessary pipes, lines, conduits, ducts, water lines and flues in connection therewith if such right is exercised.

Each Non-Residential Unit and/or their tenants will have an easement to erect, maintain and replace one (1) or more signs on the property as permitted by law for the purpose of advertising the operation of any business conducted therein. Any such signs shall be in compliance with the requirements of the City of New York.

At the request of a Non-Residential Unit Owner, the Board will execute any application or other document required to be filed with any governmental agency having or asserting jurisdiction in connection with any addition, alteration, improvement, or repair of a Non-Residential Unit or the operation thereof. The Non-Residential Unit Owner(s) shall indemnify and hold the Board and the Unit Owners harmless from any liability resulting therefrom.

A Non-Residential Unit Owner shall have the right, without the payment of any fees or charges to the Board, to sell or lease the Non-Residential Unit without the Board having any right of first refusal to sell or lease, or to procure a third party to sell or lease, the same, and all sale or rental proceeds shall belong solely to the applicable Non-Residential Unit Owner.

The Owner(s) of a Non-Residential Unit shall be responsible for payment of the Common Charges to the Condominium allocated to the applicable Non-Residential Unit and all real estate taxes allocated against, and interest and amortization on all mortgages

affecting said Non-Residential Unit and the entire cost of maintaining, repairing and replacing the Limited Common Elements applicable to their Non-Residential Unit. No bond or other security will be posted for this obligation and the Non-Residential Unit Owner's ability to perform will depend upon its financial condition at the time it may be called upon. If the Non-Residential Unit Owner fails to pay the Common Charges and Common Expenses, allocated against their Non-Residential Unit, the Board will have the same rights and remedies against it as against any other defaulting Unit Owner. In addition, the Owner(s) of the Non-Residential Unit(s) shall be responsible for their share of the Common Expenses of the Condominium. Pursuant to the opinion of Sponsor's expert contained in the Certification of Adequacy of the Common Charges of the Non-Residential Unit(s) contained in Part II of the Plan, the Common Charges payable by the Non-Residential Unit Owner(s) are sufficient to cover the expenses fairly attributable to such Non-Residential Unit(s).

The Board will not have any right to restrict or limit the method of operation, use or appearance of any Non-Residential Unit, which are permitted by law. No rules affecting the operation of the Non-Residential Units may be adopted or modified by the Board without the consent of the respective Non-Residential Unit Owners. All or any part of a Non-Residential Unit may be leased or subleased by the Non-Residential Unit Owner. The Residential Unit Owners will have no interest in the rents, profits or revenues from the rental or use of any of the Non-Residential Units. Notwithstanding the foregoing, no Non-Residential Unit shall be used for any illegal uses or for the following uses: pornography stores, drug treatment facilities or homeless shelters.

No representation is made with respect to the continued ownership by the Sponsor of all or any portion of the Non-Residential Units or as to who the tenants or occupants of any portion of the Non-Residential Units may be, at any time, or as to the uses to which any portion of the Non-Residential Units may be put at any time and no assurance is given that such tenants, occupants or uses will not be objectionable to other Unit Owners or other parties.

The Owner(s) of a Non-Residential Unit shall be responsible for payment of the Common Charges to the Condominium allocated to the applicable Non-Residential Unit and all real estate taxes allocated against, and interest and amortization on all mortgages affecting said Non-Residential Unit and the entire cost of maintaining, repairing and replacing the Restricted Common Elements applicable to their Non-Residential Unit. No bond or other security will be posted for this obligation and the Non-Residential Unit Owner's ability to perform will depend upon its financial condition at the time it may be called upon. If the Non-Residential Unit Owner fails to pay the Common Charges and Common Expenses, allocated against their Non-Residential Unit, the Condominium Board will have the same rights and remedies against it as against any other defaulting Unit Owner. In addition, the Owner(s) of the Non-Residential Unit(s) shall be responsible for their share of the General Common Expenses of the Condominium. However, the Board may also make allocations and assessments of Common Charges to the Common Expenses in accordance with sub metering, contract allocations and usage (both projected and actual) so long as such allocations are reasonable under the circumstances

and are based on special or exclusive use or availability or exclusive control of particular Units or Common Elements by particular Unit Owners. In addition, pursuant to Section 339-bb of the Real Property Law a larger portion of the insurance costs may be applied to a Non-Residential Unit.

The Residential Unit Owners shall have an easement through the Non-Residential Unit(s) and Non-Residential Units Limited Common Elements for access, installation, maintenance, repair and replacement of any flues, vents, air-conditioning, gas, heating, ventilating, water and other mechanical lines and fixtures and any other machinery, pipes, wires, conduits, equipment or meters servicing the General Residential Units' Limited Common Elements, Individual Residential Unit Limited Common Elements, the Residential Units and/or the entire Building.

In the event of any dispute relating to the expenses to be borne by the Non-Residential Unit Owners such dispute shall be submitted to arbitration in accordance with the provisions contained in Article XII of the By-Laws.

X. CHANGES IN PRICE AND UNITS

The prices for these Condominium Units may be changed from those set forth in this Offering Plan so that Purchasers may pay different prices for similar interests. No such change will be made other than pursuant to a duly filed amendment, except that the Sponsor reserves the right to decrease the sales prices below the Offering Plan prices without filing an amendment to the Plan at any time during the offering where a reduction in sales prices does not constitute a general offering but is rather the result of an individually negotiated Unit purchase. All changes in prices which are an across-the-board increase or decrease affecting one or more lines of Units or models, or is to be advertised or is a price increase for an individual Purchaser will be done by a duly filed amendment to the Offering Plan.

The Sponsor further reserves the right, but not the obligation, to negotiate with a Purchaser on an individual basis in connection with all aspects of the purchase price, including but not limited to: upgrades to the Unit or the fixtures or equipment contained therein or credits or allowances therefore; treatment of reduced and/or split down payment; financing contingency; extension of period to secure financing; payment of all or part of a Purchaser's acquisition or financing costs such as, but not limited to: origination fees and commitment fees; any and all other costs relating to the cost of acquiring title to the Unit. As a result, a Purchaser may receive different terms than a prior or subsequent Purchaser for a similar Unit. Furthermore, the Sponsor reserves the right to amend the Plan from time to time to add and/or delete negotiable terms or at its sole option to expand the applicability of such negotiable terms to some or all Purchasers pursuant to Section 352-e of the General Business Law.

No change will be made in the size or number of Residential Units and/or their respective percentages of Common Interest, and no material change will be made in the size or quality of Common Elements, except by amendment to the Offering Plan and, when applicable, to the Declaration of Condominium.

Unless an affected Purchaser consents, no material change will be made in Residential Unit size, layout, or percentage of Common Interest if a Purchase Agreement has been executed and delivered to the Sponsor for that Residential Unit and the Purchaser is not in default.

Unless all Purchasers consent, no material change will be made in the size and no material adverse change will be made in the quality of Common Elements.

Purchasers should note that there is a rebuttable presumption that a variation of 5% or less in the estimated square footage of the Units shall not be considered a material adverse change that would trigger a right of rescission. Notwithstanding the foregoing, a decrease of less than five (5%) percent could be material and may require consent of any affected purchaser under contract.

XI. INTERIM LEASES

The Sponsor will not enter into interim leases with Purchasers for Residential Units prior to closing. In no event shall Purchaser take possession of the Residential Unit prior to the time of the delivery of the deed, nor shall Purchaser enter the Residential Unit or have his or her contractors or agents enter the Residential Unit to perform work prior to closing without the written authorization of the Sponsor. Should the Purchaser violate this provision, Sponsor will have the right to remove Purchaser from the Residential Unit as a squatter and intruder by summary proceedings. Upon the Purchaser's unauthorized possession, the Purchaser shall be deemed in default of the Purchase Agreement and Sponsor may retain the funds being held in escrow to a maximum of ten (10%) percent of the sales price plus the cost of extras ordered, as liquidated damages. Purchasers should refer to Paragraph 22 of the Purchase Agreement.

The Sponsor may, at any time, enter into leases for Non-Residential Units in the Condominium.

XII. PROCEDURE TO PURCHASE

The Sponsor hereby offers for sale the Units under construction in the Condominium for mixed use occupancy in accordance with applicable municipal zoning regulations. Occupancy of the Units, or portion of a Unit, by a lessee or lessees of the Unit Owner, for the purposes set forth in this paragraph conform with the zoning regulations permitting construction of this Condominium.

Sponsor will endeavor in good faith to market and sell the Residential Units in the Condominium, however, Sponsor is retaining the unconditional right to rent rather than sell the Units (with respect to the Residential Units after consummation of the Offering Plan). Because Sponsor is retaining the unconditional right to rent rather than sell the Residential Units, this plan may result in the creation of a condominium in which a majority of the Residential Units are not owned by owner-occupants or investors who are unrelated to the Sponsor. Due to the fact Sponsor is not limiting the conditions under which it will rent rather than sell the Residential Units, there is no commitment to sell more Residential Units than the fifteen (15%) percent necessary to declare the plan effective (three (3) Residential Units) and owner-occupants may never gain effective control and management of the Condominium.

The sales prices at which the Residential Units are being offered are shown in detail in Schedule A. The Sponsor reserves the right to lower the sales prices and to negotiate other terms on an individual basis. All changes in prices which (i) are an across-the-board increase or decrease affecting one or more lines of Units are to be advertised or (ii) is a price increase for an individual Unit, will be done by a duly filed amendment to the Offering Plan. See Section X of the Offering Plan. Any such change will not affect the Common Interest of the Unit; however, some Purchasers may pay less or more for the same Unit type or receive different terms.

Any person may accept Sponsor's offer to sell the Unit by entering into a Purchase Agreement with the Sponsor. The Agreement provides that the Purchaser will purchase from the Sponsor a designated Unit in the Condominium as described in the Declaration creating such Condominium. A Purchaser will be afforded a minimum of three (3) business days to review the Offering Plan and all filed amendments prior to executing a Purchase Agreement. If a Purchaser has not received the Plan and all amendments thereto at least three (3) business days prior to Purchaser's signing a Purchase agreement, Purchaser shall have the right to rescind the Purchase Agreement within seven (7) days from the date the Purchase Agreement is executed. Any conflict between the Offering Plan and the Purchase Agreement shall be resolved in favor of the Offering Plan.

Upon signing the Purchase Agreement, the Purchaser shall make a down payment of ten (10%) percent of the purchase price of a Unit plus the cost of any special work ordered by the Purchaser. Upon full payment of the balance of the purchase price and the balance of the cost of any special work ordered, in cash or by mortgage at the Closing, Purchaser will receive a bargain and sale deed with covenant against grantor's acts and

containing the provisions set forth in Section 13 Subdivision 5 of the Lien Law, which will convey good and marketable title to the ownership of fee ownership in the Unit and such percentage of Common Interest in the Common Elements as is set forth on Schedule A, free and clear of all liens and encumbrances other than those set forth in Section XV of the Offering Plan. Sponsor must either return a fully executed Purchase Agreement within twenty (20) days to the Purchaser or reject the Purchase Agreement and refund the deposit monies. In the event the Sponsor does not act within said twenty (20) day period the Purchase Agreement will be deemed accepted by the Sponsor so long as the Purchase Agreement has not been modified by the Purchaser or Purchaser's attorney.

Sponsor will not discriminate against any person because of his or her race, creed, sex, sexual orientation, color, disability, marital status, national origin or ancestry or any other grounds prohibited by law in the sale of Residential Units under this Plan.

The Power of Attorney attached to the Purchase Agreement must be executed by Purchaser at the Closing of Title. Failure to execute the Power of Attorney will result in a default under the Purchase Agreement.

It is anticipated that the Closing to the first Unit will occur on or about July 1, 2026. In the event said date is delayed by twelve (12) months or more, Purchasers will be offered a right of rescission.

After the Offering Plan is declared effective, the Sponsor will give each Purchaser who enters into a Purchase Agreement not less than thirty (30) days prior written notice of the date, time and place for the Closing of Title to the Unit unless a Purchaser waives such thirty (30) day notice. A form for such waiver is contained as Schedule D-2 to the Offering Plan.

The Purchase Agreement may not be assigned, marketed or advertised for sale by Purchaser without the written consent of Sponsor, which consent may be withheld in Sponsor's sole discretion.

The risk of loss or damage to the Unit by fire or any other cause until the delivery of the deed to the Purchaser is assumed by the Sponsor. Any Purchaser who takes possession of a Unit prior to closing assumes the risk of losses not covered by insurance. A person in possession who is not an Owner, cannot ensure the Unit since he or she has no ownership interest, and the Unit cannot be doubly insured.

The Purchase Agreement may not contain, or be modified to contain, a provision waiving Purchaser's rights or abrogating Sponsor's obligations under the Offering Plan or under Article 23-A of the General Business Law. Any conflict between the Purchase Agreement and the Plan will be resolved in favor of the Plan. The Purchase Agreement and Plan comply with Section 71.a (3) of the New York Lien Law. Said statute provides that the initial advance of the Purchase Agreement be deposited in an escrow account in a bank, trust company, savings bank, state or federal savings and loan association,

located in New York State. The escrow and trust fund provisions disclosed below complies with said statute.

The Purchase Agreement is not conditioned upon a Purchaser securing satisfactory mortgage financing. Obtaining a mortgage shall be the sole responsibility of each Purchaser. In no event will the Sponsor be obligated to return a Purchaser's down payment in the event a Purchaser is unable to obtain a mortgage. In addition, the Purchase Agreement will remain in full force and effect and Purchaser will be obligated to pay the balance of the purchase price at Closing regardless of the availability of financing. In the event a Purchaser does not Close Title to the Residential Unit as a result of their inability to obtain a mortgage, the down payment plus the cost of any custom work ordered, will be retained by Sponsor as liquidated damages. **The obligations of a purchaser under the Purchase Agreement are not condition on obtaining financing. Any prospective purchaser who executes a Purchase Agreement and does not obtain financing may lose his or her deposit if he or she is unable to otherwise raise the monies for the balance of the purchase price. Prospective purchasers who require financing are advised to consult with a lending institution before execution of a Purchase Agreement. No representation is made by the sponsor as to the availability or cost of such financing.**

Purchasers should note, that if a Purchaser fails to appear and close title in accordance with the Purchase Agreement on the date and at the time and place stated in Sponsor's notice for closing, or if Purchaser fails to observe or perform any other thing to be observed or performed by Purchaser under the Purchase Agreement, Sponsor may send Purchaser a written notice of default giving Purchaser thirty (30) days from the date of such notice to cure any such default, **time being of the essence. Time of the essence** indicates that failure to cure the default by a certain date will constitute and incurable default under the Purchase Agreement. Upon Purchaser's failure to cure such default within such thirty (30) day period, the Purchase Agreement shall, at Sponsor's option, be deemed canceled and Sponsor shall have the right to retain, as and for liquidated damages, all sums paid by Purchaser to Sponsor on account of the purchase price plus all additional sums paid and/or payable by Purchaser for all extras ordered by Purchaser, together with all interest credited thereon, if any, which total amount Purchaser acknowledges to be fair and reasonable. Sponsor must make a written demand for payment after default at least 30 days before forfeiture of the deposit may be declared.

Rescission shall not be afforded where proof satisfactory to the Attorney General is submitted establishing that the Deposit was timely placed in the Escrow Account in accordance with the New York State Department of Law's regulations concerning Deposits and requisite notice was timely mailed to the Purchaser.

Release of Funds:

All Deposits, except for advances made for upgrades, extras, or custom work received in connection with the Purchase Agreement, are and shall continue to be the Purchaser's money, and may not be comingled with any other money or pledged or hypothecated by Sponsor, as per GBL § 352-h.

Under no circumstances shall Sponsor seek or accept release of the Deposit of a defaulting Purchaser until after consummation of the Plan, as evidenced by the acceptance of a post-closing amendment by the New York State Department of Law. Consummation of the Plan does not relieve the Sponsor of its obligations pursuant to GBL §§ 352-e(2-b) and 352-h.

The Escrow Agent shall release the Deposit if so directed:

- (a) pursuant to terms and conditions set forth in the Purchase Agreement upon closing of title to the Unit; or
- (b) in a subsequent writing signed by both Sponsor and Purchaser; or
- (c) by a final, non-appealable order or judgment of a court.

If the Escrow Agent is not directed to release the Deposit pursuant to paragraphs (a) through (c) above, and the Escrow Agent receives a request by either party to release the Deposit, then the Escrow Agent must give both the Purchaser and Sponsor prior written notice of not fewer than thirty (30) days before releasing the Deposit. If the Escrow Agent has not received notice of objection to the release of the Deposit prior to the expiration of the thirty (30) day period, the Deposit shall be released and the Escrow Agent shall provide further written notice to both parties informing them of said release. If the Escrow Agent receives a written notice from either party objecting to the release of the Deposit within said thirty (30) day period, the Escrow Agent shall continue to hold the Deposit until otherwise directed pursuant to paragraphs (a) through (c) above. Notwithstanding the foregoing, the Escrow Agent shall have the right at any time to

deposit the Deposit contained in the Escrow Account with the clerk of the county where the [unit/building] is located and shall give written notice to both parties of such deposit.

The Sponsor shall not object to the release of the Deposit to:

(a) a Purchaser who timely rescinds in accordance with an offer of rescission contained in the Plan or an Amendment to the Plan; or

(b) all Purchasers after an Amendment abandoning the Plan is accepted for filing by the Department of Law.

The Department of Law may perform random reviews and audits of any records involving the Escrow Account to determine compliance with all applicable statutes and regulations.

Waiver Void:

Any provision in the Purchase Agreement or separate agreement, whether oral or in writing, by which a Purchaser purports to waive or indemnify any obligation of the Escrow Agent holding any Deposit in trust is absolutely void. The provisions of the Attorney General's regulations and GBL §§ 352-e(2-b) and 352-h concerning escrow trust funds shall prevail over any conflicting or inconsistent provisions in the Purchase Agreement, Plan, or any amendment thereto.

Purchasers should note as a special risk that although all funds received by Sponsor for upgrades or extras to a Residential Unit will initially be placed in the Escrow account, such funds may be released from the Escrow Account without the requirements outlined below as long as the Sponsor uses the funds for such upgrade or extra. As a result, in the event a Purchaser is entitled to rescission, the Purchaser will not receive a refund of any funds paid to the Sponsor for upgrades or extras to the extent expended. Notwithstanding the foregoing, in the event Sponsor abandons the Offering Plan, Sponsor will be obligated to return any funds paid for upgrades or extras.

Should Purchaser bring an action against Seller in any court of proper jurisdiction (including small claims court), the Purchase Agreement contains a clause requiring that disputes regarding the disposition of deposits, down payments, or advances received by Sponsor be submitted to arbitration. The arbitration forum shall be the American Arbitration Association. Purchasers shall be required to bear the costs of any arbitration, including compensation of the arbitrator(s), if Sponsor is the prevailing party. Additional details, if any, concerning the arbitration clause, may be found in the Procedure To Purchase Section of the Plan and Purchase Agreement.

Purchaser and Seller hereby waive trial by jury in any action, proceeding or counterclaim arising out of this Purchase Agreement, provided such waiver is not prohibited by any laws of the State of New York. Any action or proceeding brought by

either party hereto against the other, directly or indirectly, arising out of this Purchase Agreement, shall be instituted in a court in New York County and all motions in any such action shall be made in New York County. If arbitration is used to resolve a dispute herein, the arbitrator will be an independent third party not related to any party in the dispute.

Disputes regarding the disposition of deposits, down payments, or advances received by Sponsor shall be submitted to arbitration. The Purchase Agreement requires arbitration of disputes concerning the disposition of escrowed funds. Purchaser should be advised of the following:

- 1) the arbitrator will be neutral and independent of the Sponsor and its principal(s);
- 2) the arbitration forum shall be the American Arbitration Association and the arbitrator selected shall be agreed upon by the parties;
- 3) the arbitration will take place in the County of New York, State of New York;
- 4) the parties to the Purchase Agreement are giving up the right to bring suit in court, including the right to a trial by jury, concerning disputes over the disposition of escrowed funds, except as provided by the rules of the arbitration forum in which a claim is filed;
- 5) arbitration awards are generally final and binding, and that a party's ability to have a court reverse or modify an arbitration award is very limited, see New York Civil Practice Law and Rules § 7511;
- 6) the ability of the parties to obtain documents, witness statements and other discovery may be more limited in arbitration than in court proceedings;
- 7) the arbitrators may not have to explain the reason(s) for their award;
- 8) the rules of some arbitration forums may impose time limits for bringing a claim in arbitration;
- 9) New York law does not authorize the filing of a notice of pendency based on ongoing arbitration proceedings, unlike litigation;
- 10) the rules of the American Arbitration Association may be found at: www.adr.org/Rules;
- 11) Purchasers shall be required to bear the costs of any arbitration, including compensation of the arbitrator(s), if Sponsor is the prevailing party. Additional details, if any, concerning the arbitration clause, may be found in the procedure to purchase section of the plan and Purchase Agreement; and

- 12) that the deposit shall not be released from escrow until at least 90 days has elapsed from the issuance of a final arbitration award (see CPLR § 7511). If the purchaser brings a proceeding pursuant to CPLR § 7511 to vacate the award, the funds must remain in escrow until that proceeding is finally adjudicated.

As of February 28, 2026 the FinCEN's residential real estate Geographic Targeting Orders ("GTO") has expired, however, pursuant to a recent court decision, the FinCEN reporting is expected to be renewed. The Corporate Transparency Act ("CTA") and its implementing regulations issued by the Financial Crime Enforcement Network impose certain beneficial ownership reporting requirements on entities. The scope, interpretation, and enforcement of the CTA are currently subject to ongoing legal proceedings and regulatory development and may be modified. However, since March 1, 2026, a new permanent nationwide Residential Real Estate Rule (RRE Rule) mandates that specialized legal entities and trusts report to FinCEN on non-financed, cash residential real estate transfers. Due to the above, it is recommended that Purchasers inquire as to any update in the reporting requirements prior to purchasing. See Section XI of the Offering Plan.

In compliance with Local Law 147 and pursuant to Article 17 of the New York City Administrative Code, the Sponsor has adopted the following smoking policy (the "Smoking Policy") for the Building:

Smoking is PROHIBITED (i) in all commons areas of the Building, including, but not limited to, the lobby, entryways, vestibules, ante rooms, mail rooms, storage rooms, bike rooms, common rooms, amenity rooms, gym, roof decks, garbage chute rooms, compactor rooms, basement, corridors, hallways, stairwells, elevators, playroom, garage, garage ramp, walkways, ; and (ii) within twenty-ten (25) feet of any outside entrance to the Building or within twenty-five (25) feet of any outdoor air intake or operable window opening onto Common Elements or Units.

For the purposes of this Smoking Policy, the term "smoking" includes, but is not limited to, inhaling, exhaling, burning or carrying any lighted cigar, cigarette, pipe or any other form of lighted object or device which contains tobacco, including the use of electronic cigarettes or any similar device that delivers vapor for inhalation (including any refill, cartridge or other component of an electronic cigarette or similar device), or another items or materials that may be smoked, whether such substance is a legal substance or an illegal substance. This Smoking Policy applies to all unit owners, tenants, subtenants, occupants and residents of the Building, and to any guests, agents, licensees and invitees of a Unit Owner. It is the Unit Owner's responsibility to ensure that its tenants, subtenants, occupants, residents, guests, agents, licensees and invitees comply with this Smoking Policy.

Smoking is PROHIBITED within individual apartments and on the terraces, balconies, patios and yards attached to individual apartments (except within twenty-five (25) feet of any outside entrance to the Building or within twenty-five (25) feet of any

outdoor air intake or operable window opening onto Common Elements or Units). However, if there are reported and substantiated incidents of infiltration of smoke/smoke odors into common areas of the Building (including, but not limited to, hallways) and/or other apartments in the Building, it will be the offending Unit Owner's responsibility, at its sole cost and expense, to abate the nuisance.

Any Unit Owner who sells, leases, or subleases its apartment must include a copy of this Smoking Policy in the contract of sale, lease or sublease.

In the event of a violation of this Smoking Policy, in addition to and not in diminution of, all other remedies available to the Condominium, as provided in its Declaration of Condominium and By-Laws, or at law or in equity, with regard to a default by the Unit Owner, the Board shall have the right to impose an administrative fee in the amount of Two Hundred Fifty (\$250.00) Dollars on the Unit Owner for each such violation of this Smoking Policy. A continuing violation shall be considered a new violation.

This Smoking Policy shall become effective immediately. The Board will advise Unit Owners of any changes to the Smoking Policy.

A complete copy of the Purchase Agreement is contained in Part II of the Plan.

XIII. FINANCING FOR QUALIFIED PURCHASERS

THIS PLAN DOES NOT CONTAIN ANY FINANCING ARRANGEMENTS FOR PURCHASERS. PROSPECTIVE PURCHASERS WHO ARE INTERESTED IN SUCH FINANCING SHOULD CONTACT LENDING INSTITUTIONS, SUCH AS MUTUAL SAVINGS BANKS AND COMMERCIAL BANKS, MANY OF WHICH HAVE ADVERTISED THAT THEY OFFER FINANCING TO PURCHASERS OF CONDOMINIUM UNITS.

Any applications for such financing with lending institutions must be done on an individual basis by prospective Purchasers and will involve negotiations exclusively between the lending institution and the applicant. The Sponsor should not be construed hereunder as offering any such financing or representing the availability or terms of such financing.

The Purchase Agreement is not conditioned upon a Purchaser securing satisfactory mortgage financing. Obtaining a mortgage shall be the sole responsibility of each Purchaser. In no event will the Sponsor be obligated to return a Purchaser's down payment in the event a Purchaser is unable to obtain a mortgage. In addition, the Purchase Agreement will remain in full force and effect and Purchaser will be obligated to pay the balance of the purchase price at Closing regardless of the availability of financing. In the event a Purchaser does not Close Title to the Unit as a result of their inability to obtain a mortgage, the down payment plus the cost of any custom work ordered, will be retained as liquidated damages.

NO REPRESENTATION IS MADE BY THE SPONSOR AS TO WHETHER ANY PURCHASER WILL QUALIFY FOR FINANCING OR AS TO THE TERMS, COST OR AVAILABILITY OF SUCH FINANCING. THE SPONSOR SHALL HAVE NO LIABILITY OR RESPONSIBILITY TO ANY APPLICANT IF THEIR APPLICATION FOR FINANCING IS NOT ACCEPTED.

The Closing of Title to a Unit where the Purchaser has obtained financing will take place simultaneously with the closing of the mortgage loan and the proceeds will be applied towards the then balance of the purchase price.

XIV. EFFECTIVE DATE OF THE PLAN

Sponsor's offer to sell the Units is contingent upon the Plan being declared effective and no Closing to a Unit will be held until the Plan is declared effective. This Offering Plan will not become effective until bona fide purchasers, have executed Purchase Agreements which have been accepted by Sponsor for at least fifteen (15%) percent in number of the Residential Units offered for sale under the Plan ($14 \times 15\% = 3$ Residential Units).

The Plan may be declared effective by personal service of notice on every Purchaser, or by commencement of service by mail in the manner required by 13 NYCRR §20.1(d), stating that the Plan is declared effective and Sponsor will, within five (5) business days of said notice, submit for filing an amendment to the Plan to the Department of Law confirming that the Plan was declared effective on a specified date. The Sponsor will not Close Title to the first Unit until the Amendment disclosing the effectiveness of the Condominium has been accepted for filing by the Attorney General.

The Plan will not be declared effective based on Purchase Agreements:

- (i) signed by Purchasers who have been granted a right of rescission that has not yet expired or been waived; or
- (ii) where the Purchaser has not had at least three (3) business days to review the Offering Plan and all filed amendments; or
- (iii) with any Purchaser who is the Sponsor, any Selling Agent, or any Managing Agent or is a Principal of the Sponsor, any Selling Agent or any Managing Agent or is related to the Sponsor, any Selling Agent or any Managing Agent or to any Principal of the Sponsor or any Selling Agent or any Managing Agent by blood, marriage or adoption or as a business associate, an employee, a shareholder or a limited partner; except that such a purchaser other than the Sponsor or a Principal of the Sponsor may be included if the Sponsor has submitted proof satisfactory to the Department of Law establishing that the purchaser is bonafide.

Further, the Sponsor has the option not to Close Title to the Units and to abandon the Plan at any time if less than eighty (80%) percent in number of the Residential Units offered hereby are sold and title to any Unit has not been conveyed. In the event Sponsor exercises such option, it shall forthwith return to the Purchaser all monies paid with interest, if any, within five (5) days of the abandonment of the Plan. When Purchase Agreements for eighty (80%) percent of the Residential Units have been entered into the Sponsor must declare the Plan effective ($14 \times 80\% = 12$ Residential Units).

Once the Plan has been declared effective, it may not be abandoned except for (i) a defect in title which cannot be cured for less than $\frac{1}{2}\%$ of the total amount of the offering; (ii) substantial damage or destruction of the Building by fire or other casualty which cannot

be cured for less than ½% of the total offering; or (iii) the taking of any material portion of the property by condemnation or eminent domain. Any stated dollar amount relied upon as basis for abandonment after effectiveness will exclude all attorneys' fees as well as any such title defects or determinations of any authority or regulatory association which exist on the date of presentation of the Plan and are either known to the Sponsor or are a matter of public record. In the event Sponsor abandons the Plan, it shall do so by means of a filed amendment to the Plan. All monies advanced by Purchasers will be returned to them within five (5) days of the abandonment of the Plan. If Sponsor decides to abandon the Plan before declaring the Plan effective, Sponsor will file an amendment disclosing such abandonment and file a RS-3 Form with the Department of Law.

If payments under purchase agreements have been received, the amount of such funds and the manner and time when these funds will be returned to purchasers must be disclosed. Said funds must be returned within five (5) days after the amendment abandoning the plan has been accepted for filing. If there are no outstanding purchase agreements the Sponsor need not submit an amendment but shall submit a form RS-3 to the Office of the Attorney General which shall be served simultaneously by the Sponsor on all commercial or professional tenants, if any, in the manner specified by Section 20.1(d)(1) of Part 20 of Title 13 NYCRR.

Pursuant to the terms of this Plan, the Sponsor may declare the Plan effective by selling a minimum of fifteen (15%) percent three (3) of the Residential Units being offered for sale. Notwithstanding the fact that not all Purchasers used for purposes of declaring the Plan effective may actually close, Sponsor must re-declare the Plan effective in order to consummate the Offering Plan. In plain terms, even if the buyers whose contracts were used to make the plan effective don't actually go through with closing on their units, the Sponsor must re declare the plan effective before completing the offering process. In addition, in the event all purchase agreements entered into are either rescinded or terminated prior to the date of first unit closing, regardless of whether the condominium declaration has been recorded, Sponsor must re-declare the Offering Plan effective. Purchasers should further note that in the current real estate market, banks and other lenders are imposing various restrictions on purchase financing. Such restrictions include requiring that a certain percentage of Residential Units in a building or group of buildings be under contract before a lender will consider making a loan. Thus, it may be possible for a purchaser to experience difficulty obtaining a loan in a building or group of buildings where the Sponsor has not sold a substantial percentage of the Residential Units in the building or group of buildings, which in some cases may be as high as 70%. Moreover, some lenders will not provide financing in a building or group of buildings where an investor, other than the original Sponsor has an ownership interest of 10% or more. It also may be difficult for a purchaser to resell a Residential Unit if prospective buyers are unable to obtain a loan due to the same minimum sales and investor ownership restrictions.

XV. TERMS OF SALE

After the Plan has been declared effective the Sponsor will fix a date for the Closing of Title to all Units for which Purchase Agreements have been executed by serving notice on each Purchaser stating the date of the first Closing and setting such Purchaser's Closing Date. Notice will be sent to all Purchasers who have executed and delivered Purchase Agreements to the Sponsor and whose Purchase Agreements are then in effect by (i) personal delivery or (ii) mailing by regular mail or registered or certified mail with or without return receipt requested, addressed to the Purchasers at the last known residence of such Purchaser or, if the Purchaser has provided written information of an alternative address for notices, addressed to the Purchaser at the alternative address. If Sponsor has no information of the last known residence address, but has written information of the place of business or employment of such Purchaser, the mailing shall be addressed to such last business or employment address. Said notice will also include notice of the obligation to pay the balance of the purchase price.

Such notice will be served no less than thirty (30) days before the date set for the Closing of the Units for Purchasers. Sponsor may permit Purchasers to waive the thirty (30) day provision by a written waiver. A form for such waiver of the thirty (30) day notice is contained as Schedule D-2 to the Offering Plan.

On the Closing Date fee title to the Unit will be conveyed to the Purchaser together with the Units and undivided interest in the Common Elements. The Closing of Title to the first Unit is expected to commence on or about July 1, 2026. Such Closing, however, will only take place after or simultaneously with the happening of the following events:

1. The delivery to the Unit Owner of a Bargain and Sale Deed with covenants against grantor's acts. A copy of the Deed is set forth as Schedule F in Part II of the Plan.
2. The Sponsor's repair of any damage from a casualty or other cause that occurs before the closing of Purchaser's Residential Unit. In the event a Home is damaged by casualty or other cause prior to the closing of Purchaser's Home, through no fault of Purchaser, Sponsor shall repair the Home to meet the specifications set forth in the architects and/or engineers property description report(s) contained herein prior to closing of title to such Home. In the event Sponsor cannot complete such repair within the anticipated delivery timeframe set forth in the Offering Plan or Purchase Agreement, Purchaser shall be afforded a right of rescission.
3. The issuance of a final or temporary Certificate of Occupancy to the Residential Unit or Building in which the Residential Unit is located and any other necessary permits.
4. Title to each Unit and its appurtenant interest in the Common Elements will be conveyed at the closing free and clear of all liens, encumbrances and

title exceptions other than those described in the Offering Plan and the proposed Unit Deed.

5. If applicable, prior to closing, the sponsor will procure the real property transfer gains tax tentative assessment and return (or statement of no tax due) and will, at closing, pay all real property transfer gains tax and all other transfer taxes due and comply with the requirements of the New York State Department of Taxation and Finance.
6. If so requested by the Purchaser, Excelsior Land Service, Inc. ("Excelsior") a title company authorized to do business in the State of New York, 98 Cuttermill Road, Suite 262, Great Neck, NY 11021, shall agree to insure that such Purchaser has good and marketable fee title in the Unit, free and clear of all liens, encumbrances and title exceptions, except those set forth below, the Deed, and subject to the provisions of the Declaration and By-Laws and any mortgage executed by the Purchaser and that the Condominium was validly formed pursuant to Article 9-B of the Real Property Law. Purchasers are free to obtain title insurance from any title company authorized to do business in the State of New York without incurring any additional fees or penalty from Sponsor.
7. All articles of personal property, fixtures and equipment as set forth in the Offering Plan for the Residential Unit being purchased are to be included in the sale of such Residential Unit.
8. The Declaration, By-Laws, floor plans and engineers and tax authority certification required by Section 339-p of Article 9-B of the Real Property Law of the State of New York shall be recorded or filed as required by law in the New York City Registers Office, New York County. The recording of the referenced documents will occur prior to conveyance of title to a Unit.
9. The Unit and its undivided interest in the Common Elements shall not be subject to the lien of any mortgage at the time of closing except any mortgage requested by the Purchaser at the time of closing representing a purchase money mortgage or mortgages taken by the Purchaser.
10. The Sponsor will give each Purchaser who has entered into a Purchase Agreement not less than thirty (30) days' prior written notice of the date, time and place for the transfer of title to their Unit unless a Purchaser waives such thirty (30) days' notices. A form of such waiver is contained as Schedule D-2 to the Plan.
11. The filing of an amendment to the Offering Plan disclosing that the Plan has been declared effective and that the terms of this Section will be met, that the Residential Units to be closed have been constructed in accordance

with the plans filed with the Building Department of the City of New York and that the Sponsor has complied with the requirements of this Section.

12. Purchaser shall receive any manufacturers' warranty certificates with respect to equipment and appliances installed in the Residential Unit and Sponsor shall assign any warranties with respect to equipment and appliances installed in Common Elements to the Board of Managers.
13. The Purchaser shall execute an instrument in the form annexed to the Purchase Agreement designating the Board of Managers as the Purchaser's attorneys-in-fact, coupled with an interest for the sole purpose of managing, selling, mortgaging, leasing, subleasing, voting or otherwise dealing with any Units acquired by the Board of Managers in accordance with any of the provisions of the By-Laws and designating the Sponsor as their attorney-in-fact to file an amendment to the Declaration of Condominium permitting the certification by a registered architect or professional engineer, certifying that the floor plans filed as part of an amended Declaration are an accurate copy of portions of the plans of the building and fully and fairly depict the layout, location, designation and approximate dimensions of the Residential Units as built or amending such Declaration to create any utility easements or to carry out any of the provisions of the Offering Plan of such Condominium as described in Article Tenth, Section (c) of the Declaration of Condominium.

Title to the Unit and its appurtenant interest in the Common Elements will be conveyed at the closing free and clear of all liens, encumbrances and title exceptions other than those permitted below and/or described in the proposed Unit deed. Title to the Units will be subject to the following:

1. The state of facts shown on a stated survey and any additional state of facts a subsequent survey would show, provided that such additional state of facts does not render title unmarketable.
2. Any sewer, water, gas, electric, drainage, telephone, cable television or utility easements granted or to be granted hereafter.
3. All of the terms, covenants and conditions of the Declaration, the By-Laws of the Condominium and the Building Plans, as they are subsequently filed or recorded, the Offering Plan and any amendment thereto.
4. All easements set forth in the By-Laws and Declaration of the Condominium as they are subsequently recorded in the Offering Plan and Purchase Agreement, including:
 - (a) Easements in favor of the Owners of other Units to use the pipes, wires, conduits, cable television, and public utility lines located in the

Common Elements or in the Unit itself servicing such other Units and/or the Common Elements.

- (b) Easements in favor of the Board of Managers, its agents, contractors or employees to have a right of access to any Unit and to the Common Elements to inspect, maintain or repair or to make repairs to any Unit to prevent damage to the Common Elements or any other Units, to make repairs to the Common Elements, to any wires, pipes, conduits or cable television system servicing any of the Units or to make repairs to any other Unit, regardless of the nature of the Common Element.
 - (c) Easements in favor of those Residential Units having restricted use to portions of the Common Elements.
 - (d) Easements in favor of the Residential Unit Owners for access through any other part of a Building for the purpose of access, installation, maintenance, repair and replacement of any flues, vents, gas, air-conditioning, heating, ventilation, water and other mechanical lines and fixtures and any other machinery, pipes, wires, conduits, equipment or meters servicing an individual Residential Unit.
 - (e) Easements for the continuance of encroachments on any Unit and on the Common Elements by other Units or portions of the Common Elements, now existing by reason of the construction of the Units, or hereafter occurring by reason of the settling or shifting of the Units, or by reason of the repair and/or restoration by the Board of Managers of the Units or such other Units or such Common Elements, after damage by fire or other casualty or after taking in condemnation or eminent domain proceedings, or by reason of an alteration to the Common Elements made by the Board of Managers, so that any such encroachments may remain as long as the Units stand.
 - (f) Easement in favor of the Sponsor, its agents and employees for access through any part of a Building for the purpose of access, installation, maintenance, repair and replacement to of any portion of the Building, including but not limited to the installation of solar energy panels on the roof.
5. Any additional declarations, covenants, restrictions, exceptions, easements and agreements which have been recorded, or appear in recorded documents, or are yet to be recorded, provided they do not prevent use of a Residential Unit as a one (1) family residence.

If existing mortgages or construction loans will not be satisfied at or prior to the closing of the first Unit, at the time of conveyance of the first Unit, each mortgagee will either: (i) consent to the formation of a Condominium and acknowledge that its lien will be limited to unsold condominium units; (ii) subordinate the lien of its mortgage to the declaration of condominium; or (iii) release its lien on the Condominium unit being conveyed and its interest in the Common Elements.

The Sponsor has been advised by its counsel that in counsel's opinion, none of the exceptions to title herein above set forth are contrary to the terms of the Purchase Agreement nor will they interfere with the quiet use or enjoyment of the Purchaser's Unit.

All personal property located within the Unit on the date the Purchase Agreement is signed or located within the Common Elements on the date the Declaration is filed, that is owned by the Sponsor or the Owner of the property, is included in the conveyance unless specifically accepted in the Offering Plan.

XVI. CLOSING COSTS AND ADJUSTMENTS

The estimated closing costs and expenses to be borne by each Purchaser are as follows:

1. Excelsior Land Service, Inc. ("Excelsior") a title company authorized to do business in the State of New York, 98 Cuttermill Road, Suite 262, Great Neck, NY 11021 (516) 331-5775, at the estimated rates of \$5.81 per thousand for the first \$50,000 of fee title insurance, approximately \$4.74 for each additional \$1,000 of insurance up to \$100,000 and approximately \$3.80 per thousand for each additional \$1,000 up to \$500,000 plus six (6%) percent.

Each Purchaser will be free to obtain title insurance from a title insurance company of their own choosing without incurring a penalty from Sponsor.

2. Mortgage title insurance at the estimated rates of \$4.84 per thousand for the first \$50,000 of mortgage title insurance, approximately \$3.95 for each additional \$1,000 of mortgage title insurance up to \$100,000 and approximately \$3.17 per thousand for each additional \$1,000 up to \$500,000 plus six (6%) percent.

In the event a Purchaser obtains both mortgage and fee title insurance at closing, the Mortgage Policy shall be issued at a reduced rate known as the Simultaneous Mortgage Rate. The fee title insurance policy will be based on the full fee rate and the Simultaneous Mortgage Policy is based on thirty (30%) percent of the applicable mortgage rate up to the amount of the Mortgage Policy. Any excess is based on the full mortgage rates.

Each Purchaser will be free to obtain title insurance from a title insurance company other than Federal Standard without incurring a penalty from Sponsor. Sponsor makes no representation or warranty as to cost, terms or availability of such other title insurance.

3. Fees for the recording of the deed, power of attorney and any affidavit required in connection with the mortgage tax credit available under RPL §339-ee which are approximately \$235, \$100 and \$50 for each document.
4. In the event the Purchaser shall obtain a purchase money first mortgage, Purchaser shall pay recording fees for the mortgage of approximately \$100. For first mortgages in an amount less than \$500,000, Purchaser shall pay mortgage tax of 2.05% of the amount of the mortgage less \$25 and for first mortgages in an amount in excess of \$500,000, Purchaser shall pay mortgage tax of 2.175% of the amount of the mortgage less \$25. In addition, the Purchaser will be required to pay the lending institution's attorney's fees, any mortgage origination fees, bank credit an appraisal fee

and other expenses that the lending institution may charge incident to the making of the permanent loan. If applicable, a portion of the mortgage recording tax set forth above will be computed in accordance with Section 339-ee subsection 2, of the New York Condominium Act, and shall be paid to the Sponsor in reimbursement of mortgage recording taxes which the Sponsor may have previously paid in connection with existing mortgage on the Condominium. There will be no mortgage closing costs pursuant to this paragraph 4 on Residential Units which are not covered by mortgages.

5. Sponsor is transferring its statutory obligation to pay New York State Transfer Tax ("NYSTT") of 0.4% of the Purchase Price where the consideration is less than \$3,000,000 and 0.65% of the Purchase Price where the consideration is \$3,000,000 or greater; New York City Real Property Transfer Taxes ("NYCRPTT") of one (1%) percent of the Purchase Price where the consideration is less than \$500,000 and 1.425% where the consideration is \$500,000 or greater. For purposes of calculating the NYCRPTT, as the Purchaser shall be responsible for paying the NYCRPTT, the tax due New York City will be based on the Purchase Price plus the amount of both the NYCRPTT and NYSTT due, which equates to a "grossed up" Purchase Price for calculation of the NYCRPTT. For purposes of calculating the NYSTT, as the Purchaser shall be responsible for paying the NYSTT, the tax due New York State will be based on the Purchase Price plus the amount of the NYCRPTT only. In addition, the Purchaser will be responsible for New York State Mansion Tax pursuant to Section 1402-a of the Tax Law of one (1%) percent of the Purchase Price for any Residential Unit which has a combined sales price of \$1,000,000 or more.

The Tax Law Amendment eliminates the requirement to "gross-up" the consideration payable by a Purchaser for a Unit pursuant to a Purchase Agreement that requires the Purchaser to pay the New York State Real Estate Transfer Tax at the closing of title to the Unit. Pursuant to the Tax Law Amendment, a Purchaser will no longer pay the portion of the New York State Real Estate Transfer Tax based on grossed-up consideration.

The steps to compute the tax are:

- (a) Multiply the purchase price by the State Tax Rate to compute the tentative NYSTT.
- (b) Multiply the purchase price by the New York City Tax Rate to compute the tentative NYCRPTT.
- (c) For NYSTT purposes, add the NYCRPTT to the purchase price (item "b")

- (d) For NYC RPTT purposes, add both the NYSTT and NYC RPTT to the purchase price (items “a” and “b”).
- (e) Multiply the total of “c” above by the NYS tax rate for the NYSTT due.
- (f) Multiply the total of “d” above by the NYC Tax Rate for the NYC RPTT due.

*TRANSFER TAX EXAMPLE: Purchase Price = \$654,000

- (a) $\$654,000 \times .004 = \$2,616$ = tentative NYSTT
- (b) $\$654,000 \times .01425 = \$9,320$ = tentative NYC RPTT
- (c) $\$654,000 + \$9,320 = \$663,320$ = Purchase Price for NYSTT
- (d) $\$654,000 + \$2,616 + \$9,320 = \$665,936$ = Purchaser Price for NYC RPTT
- (e) $\$665,936 \times .004 = \$2,664$ = amount due for NYSTT
- (f) $\$665,936 \times .01425 = \$8,324$ = amount due for NYC RPTT

*Note – transfer taxes may be higher or lower based on actual selling price.

6. Working capital in the amount of two (2) months Common Charges to be paid to the Condominium. While Sponsor is in control of the Board of Managers, the working capital fund will not be used to reduce the Common Charges of the Condominium. If any portion of the working capital fund is used during this period to pay for items in the budget set forth, such amounts will be repaid to such fund out of Common Charges collected.
7. The Mansion Tax is required to be paid by the Purchaser; however, the Tax Law was amended to provide that when the Purchaser fails to pay the tax, the seller is required to pay. When the seller is required to pay the additional tax because the Purchaser failed to pay, the additional tax becomes the joint and several liability of the seller and the Purchaser.

The Tax Law was amended to provide for an addition to the base tax (additional base tax) in the amount of \$1.25 for each \$500, or fractional part, of the consideration for certain conveyances of real property located in New York City. The tax applies to:

- The conveyance of residential real property where the consideration for the entire conveyance is \$3 million or more.
- The conveyance of real property other than residential real property where the consideration for the entire conveyance is \$2 million or more.

The seller is required to pay the additional base tax, but here Sponsor is transferring its statutory obligation to the Purchaser. If the seller fails to pay the tax or is exempt from the tax, the Purchaser is required to pay the tax.

When the Purchaser is required to pay the tax because the seller has failed to pay, the additional base tax becomes the joint and several liability of the seller and the Purchaser. For purposes of the additional base tax, all mixed-use real property is considered residential real property. Therefore, if the consideration for the conveyance of mixed-use real property is \$3 million or more, the entire consideration is subject to the additional base tax.

Residential real property includes any premises that is or may be used in whole or in part as a personal residence, and includes a one-, two- or three-family house, an individual condominium unit or a cooperative apartment unit. Mixed-use real property is real property that is used for both residential and other than residential (for example, Commercial) purposes.

The Tax Law was also amended to add a supplemental tax on the conveyance of residential real property located in New York City where the consideration for the conveyance is \$2 million or more. The supplemental tax differs depending on the amount of the consideration for the entire conveyance. For example: entire conveyance amount of at least \$ 2 million but less than \$ 3 million = Supplemental tax rate of one-quarter of one percent (.25%), and entire conveyance amount of at least \$ 3 million but less than \$ 5 million = Supplemental tax rate of one-half of one percent (.5%). The Purchaser is required to pay the supplemental tax. If the Purchaser fails to pay the tax or is exempt, the seller is required to pay the tax. When the seller is required to pay the tax because the Purchaser has failed to pay, the supplemental tax becomes the joint and several liability of the seller and the Purchaser. The supplemental tax is due on the conveyance of mixed-use real property when the consideration for the entire property is \$2 million or more. Tax is computed only on the consideration attributed to the residential portion of the property.

8. Each Purchaser shall pay \$2,500 to Sponsor's counsel, representing a fee for services in connection with preparing the Unit Deed, the Unit Owner's Power of Attorney and for coordinating and attending the closing. Such fee shall be payable at or prior to the closing by Purchaser's unendorsed, personal check made payable directly to the order of Sponsor's attorney.
9. Any mortgage tax credit received pursuant to Section 339-ee of the Real Property Law will inure to the benefit of Sponsor.
10. A pro-rata portion of the estimated first year condominium insurance based on the percentage of Common Interest of the Unit being purchased.
11. After Closing of title to each Residential Unit the Purchaser thereof must comply with the procedures established by the Managing Agent or the Board of Managers regarding such Purchaser's move into the Residential Unit. This will include "move in" fees, which will be refunded to the

Purchaser unless the Purchaser or the Purchaser's agents cause damage (harm that reduces value or usefulness) to the Building during the move in. In such an event the move in fees will be used to repair said damage. In the event the move in fees are less than any damage caused, the Purchaser will be responsible for the additional amount. In the event the move in fees are greater than the damage caused, the Purchaser will be refunded the excess amount. At this time the Board of Managers will be collecting move in fees from Purchasers in the initial amount of \$1,000. In addition, Purchasers will be required to utilize licensed professional movers when moving in and out of the Building. Said movers must carry all-risk general liability insurance in a minimum amount of \$1,000,000 per occurrence and name the Board of Managers of the Condominium as additional insured. A copy of said policy must be tendered to the Board a minimum of three (3) business days prior to the scheduled move date.

As an example, a Purchaser of a Residential Unit in which the purchase price is \$654,000 and who procures a first mortgage in the amount of \$523,200 will pay the following approximated closing costs:

Fee Title Insurance:	\$ 2,528
Mortgage Insurance:	\$ 624
Deed Recording Fee:	\$ 235
Power of Attorney Recording Fee:	\$ 100
Mortgage Recording Fees:	\$ 225
\$339-ee Affidavit Recording Fee:	\$ 50
New York State Transfer Tax:	\$ 2,616
New York City Transfer Tax:	\$ 9,320
State Mansion Tax:	\$ 0
Supplemental Mansion Tax:	\$ 0
Mortgage Tax:	\$10,042
Condominium Working Capital:	\$ 732
Pro-Rata Insurance	\$ 1,006
Move In Fees:	\$ 1,000
Sponsor Attorney Fees for Preparation of Deed, Power of Attorney and other Closing Documents:	<u>\$ 2,500</u>
TOTAL	\$30,978

In addition, if a closing takes place, at the request of Purchaser, at any location other than the office of Sponsor's attorney, Purchaser shall pay to Sponsor's attorney a travel fee in the sum of \$250.

In addition, in the event the Sponsor's Attorney is required to prepare the New York City "ACRIS" transfer documents Purchaser shall be required to pay Sponsor's attorney an additional fee of \$250. In the event the title company prepares the ACRIS, Purchaser

shall pay the applicable fee of the title company. In the event a closing is adjourned with Sponsor's consent, at the request of Purchaser or Purchaser's attorney within forty-eight (48) hours of the scheduled time of Closing, Purchaser shall also pay Sponsor's attorney an adjournment fee in the sum of \$500.

In the unlikely event the Units have not been separately assessed for real estate tax purposes prior to the closing of title to the first Unit, Sponsor may place in escrow, in the name of the Board of Managers, an amount equal to the unpaid real estate taxes which will be levied against said Unit for the six (6) month period following the first closing. This is a determination made by the taxing authority and not in control of the Sponsor. Said amount is to be paid by Purchaser. Alternatively, the Sponsor may place in escrow, in the name of Board of Managers, an amount equal to the real estate taxes attributable to the unsold Units for such six (6) month period and may collect at each closing the estimated amount of taxes attributable to such Unit for the balance of the six (6) month period. The Board of Managers will pay the real estate taxes from the Escrow Account when taxes are due and payable and either the Sponsor or the Board of Managers will be entitled to reimbursement from Unit owners to the extent of the actual assessment. Until the Units are separately assessed, all post-closing amendments will disclose the amount of the funds deposited in escrow for the payment of the real estate taxes.

If through no fault of Sponsor, Purchaser fails for any reason to close title within seven (7) days after the date originally scheduled in Sponsor's Notice of Closing or such later date (if applicable) to which Sponsor in a subsequent Notice for Closing adjourned the Closing, all of the aforementioned apportionments shall be made as of midnight of the day preceding (i) the date originally scheduled for Closing or (ii) Sponsor's adjourned Closing date (as the case may be). In addition, Purchaser shall pay to Sponsor at or prior to the actual Closing an amount equal to .0438% (which equals an annual rate of 16%) of the purchase price for the Unit(s) and for each day beyond such originally scheduled or Sponsor adjourned Closing date, to and including the date of actual Closing, for reimbursement and defrayal of Sponsor's carrying costs and other charges.

The fee title policy premiums and the recording charges set forth above are estimates based on the rates in effect as of the date of this Offering Plan. If said premiums, charges or rates are subsequently revised by the title company, the State, or Municipality, each Purchaser shall be required to pay the title policy premiums, recording charges and closing costs in effect as of the date of the closing of title to their Residential Unit.

The Sponsor anticipates that the only items which will be apportioned at the closing of title to the Units will be real estate taxes and sewer charges, if any, and Common Charges, if they have been declared by the Board of Managers. The adjustments will be made as of 11:59 P.M. on the day preceding the closing date. In the event there are any other items which are to be apportioned at closing, said items will be adjusted at the closing. The Sponsor will advise the Purchaser of the closing date by giving him written notice at least thirty (30) days prior to the closing date.

XVII. RIGHTS AND OBLIGATIONS OF THE SPONSOR

No bond or other security has been furnished to secure performance of the following obligations. All obligations pertaining to the Common Elements shall be enforceable only by the Board of Managers on behalf of the Unit Owners and not by the individual Unit Owners. During the time the principals of the Sponsor control the Board, it is within their sole power to enforce the obligations of the Sponsor pertaining to the Common Elements. If there are non-Sponsor members of the Board, and there is a vote on whether to sue the Sponsor, the Sponsor's Board representatives cannot lawfully vote on that issue. Sponsor must enforce its obligations under the Plan, as those obligations are described in the Plan; Sponsor and its principals owes a fiduciary duty to the Condominium to do so. Sponsor will endeavor in good faith to market and sell the Residential Units in the Condominium, however, Sponsor is retaining the unconditional right to rent rather than sell the Units (with respect to the Residential Units after consummation of the Offering Plan). Because Sponsor is retaining the unconditional right to rent rather than sell the Residential Units, this plan may result in the creation of a condominium in which a majority of the Residential Units are not owned by owner-occupants or investors who are unrelated to the Sponsor. Due to the fact Sponsor is not limiting the conditions under which it will rent rather than sell the Residential Units, there is no commitment to sell more Residential Units than the fifteen (15%) percent necessary to declare the plan effective (three (3) Residential Units) and owner-occupants may never gain effective control and management of the Condominium. The following shall pertain to the Sponsor:

1. The Sponsor shall be obligated to defend any suit or proceeding arising out of Sponsor's acts or omissions and shall indemnify the Board of Managers and the Unit Owners for same.
2. All representations under the Offering Plan, all obligations pursuant to the General Business Law, and such additional obligations under the Offering Plan which are to be performed subsequent to the closing date will survive delivery of the deed.
3. Until title to a Unit is passed to a Purchaser, the Sponsor will pay such Common Charges, special assessments and real estate taxes, as are assessed by the Board of Managers of the Condominium and the City of New York on the Units to which title has not passed. Once title is passed to a Purchaser the Purchaser shall be solely responsible for all Common Charges, special assessments, real estate taxes and all other costs applicable to the Unit, as are assessed by the Board of Managers of the Condominium and the City of New York. No bond or other security has been posted to secure such obligations. Sponsor will fund its financial obligations to the Condominium from the income derived from the sale of the Units and Sponsor's assets. Sponsor currently has the resources necessary to meet its obligations under the Offering Plan.

4. The Sponsor's repair of any damage from a casualty or other cause that occurs before the closing of Purchaser's Residential Unit. In the event a Unit is damaged by casualty or other cause prior to the closing of Purchaser's Home, through no fault of Purchaser, Sponsor shall repair the Unit to meet the specifications set forth in the architects and/or engineers property description report(s) contained herein prior to closing of title to such Unit. In the event Sponsor cannot complete such repair within the anticipated delivery timeframe set forth in the Offering Plan or Purchase Agreement, Purchaser shall be afforded a right of rescission.
5. Sponsor will initially procure fire and casualty insurance for the Condominium on the terms set forth in the budget, which shall be pursuant to an agreed upon amount for replacement value or in an amount sufficient to avoid coinsurance, and, in the event, Sponsor has prepaid the first-year insurance premium, will collect a pro-rata share of said insurance from a Purchaser at each closing based on the Unit's percentage of common interest. Notwithstanding, in the event the amount of insurance increases or additional funds are required to pay for such insurance, Sponsor will have the option to lend the Condominium such funds and Sponsor will be repaid out of subsequent Common Charges collected. No Board or Unit Owner approval is required to make such loan.
6. In the event of the dissolution or liquidation of the Sponsor or the transfer of twenty (20%) percent or more of the total number of Residential Units in the Condominium, the Principals of the Sponsor will provide financially responsible entities or individuals who will assume the status and all the obligations of the Sponsor for those Residential Units under the Offering Plan, applicable laws or regulations.
7. Sponsor has obtained financing (the "Construction Loan") from S III Capital Partners LLC, ("Lender"), having an office at 535 Madison Avenue, 19th Floor, New York, NY 10022, which has enabled Sponsor to construct the Development. After the recording of the Declaration and before the closing of title to the first Unit, any Building Loan mortgage will be satisfied or released, such that the lender will set a release price for Unit so that Sponsor can pay-off such amount of the underlying mortgage with the sale of the Unit. In addition, before the closing of title to the first Unit, all liens and mortgages affecting the Condominium shall be paid and satisfied or the Unit being conveyed and its appurtenant Common Interest shall be released therefrom by partial release duly recorded. In order to obtain partial releases, the Lender will require that the Sponsor pay a release price on the sale of each Unit, until the loan is repaid in full. Lender has not placed any other restrictions on the marketing, selling, or renting of Units. Such minimum release price shall be determined prior to the closing of a Unit and be based on the total outstanding loan at that time. This portion of the loan will not be added to the Purchase price, but rather Sponsor may use the

proceeds from such sale to pay towards the underlying mortgage. Therefore, there will be no resulting costs from Sponsor's Building Loan added to Purchaser's individual mortgage, and no delay to the closing of title to a Unit due to the underlying mortgage.

Purchaser shall not be obligated to pay any adjournment fee as a result of a delay caused by any assignment/consolidation of Sponsor's construction loan. The terms of the Construction Loan contemplate the project as a "for-sale" condominium project. Sponsor may declare the Plan effective by selling a minimum of fifteen (15%) percent of the Residential Units (three (3) Residential Units) being offered for sale.

At the time of conveyance of the first Unit, each mortgagee will either:

- (i) consent to the formation of a condominium and acknowledge that its lien will be limited to unsold condominium units;
- (ii) subordinate the lien of its mortgage to the declaration of condominium; or
- (iii) release its lien on the condominium unit being conveyed and its interest in the common elements.

There will be no steps needed to be undertaken by Purchaser; Sponsor will work directly with lender and pay a release price, which price shall not affect purchaser or Purchaser's financing, if any. Any fees imposed by a Purchaser's lender shall be at the sole cost and expense of Sponsor. If there is any possibility that Purchaser or a Purchaser's mortgage commitment could be adversely affected by a request for an assignment, then Sponsor shall have not the right to make such request.

Purchasers should note, in the event Sponsor seeks an assignment of a portion of the Building Loan (or any Sponsor obtained financing) to Purchaser's mortgage lender, in order to get the benefit of any available mortgage tax savings, such severance and assignment would not result in any additional risk or cost to the Purchaser. Sponsor will initiate any severance and assignment transaction only after financing has been procured by Purchaser.

8. The Sponsor will diligently, expeditiously and at its own cost, complete construction of the Condominium in accordance with the plans and specifications described in the architects and/or engineers property description report(s) contained herein and will diligently perform all of its obligations set forth in this Offering Plan and will deliver to the Board of Managers a copy of the "as built" plans filed with the recording of the Declaration or any amendment thereto and in addition will provide the Board with a full set of building plans filed with the local Municipality together with any "field changes" made during the course of construction. Purchasers

should note that there is a rebuttable presumption that a variation of five (5%) percent or less in the estimated square footage of the Units shall not be considered a material adverse change that would trigger a right of rescission. Notwithstanding the foregoing, a decrease of less than five (5%) percent could be material and may require consent of any affected purchaser under contract. Furthermore, Sponsor reserves the right to select the ultimate location of the kitchen and bathroom cabinets, counters and drawers, as same may differ from the locations set forth on the floorplans. Although the Sponsor intends to use the materials, fixtures, appliances and equipment described herein and in the building plans, the Sponsor reserves the right to substitute materials, fixtures, appliances and equipment of Equal or Better quality or design for any of those set forth. The substitution of materials, fixtures, appliances and equipment will be disclosed in an amendment to the Offering Plan.

Sponsor may not change the size, location of buildings or Units other improvements or common elements if such changes affect the percentage of common interests or adversely affect the value of any Unit to which title has closed or for which a Purchase Agreement has been executed and is in effect unless all affected Unit Owners and contract vendees' consent in writing to such change. Sponsor further reserves the right to determine the ultimate Residential Unit type mix to be constructed at a Building; determine the location of electric, gas and water meters, electric transformers, air conditioning compressors, speed bumps, mailboxes; and make any other changes required by the City of New York. Any such changes may not adversely affect the value of any Unit to which title has closed or for which a purchase agreement has been executed unless all Unit Owners or contract vendees, who are not in default, have consented.

Sponsor has a right to substitute equipment or materials and make modifications of layout or design, provided however, that Sponsor may not substitute equipment or materials of lesser quality or design. In the event an affected Unit is under contract, Sponsor shall first obtain consent from the Purchaser of said Unit. Sponsor is obligated to construct the premises in accordance with building plans and specifications. If Sponsor alters layouts and/or floor plans, Sponsor must receive approval from all applicable governmental agencies.

Sponsor's obligation is to build and complete the Condominium in accordance with the building plans and specifications identified in the Plan. Any modification to or variation therefrom will be first disclosed in an amendment to the Offering Plan. In the event the Offering Plan is abandoned, the Sponsor will return all funds received for upgrades or extras.

9. At the closing of title of the Unit, the Sponsor must assign any

manufacturer's warranties with respect to equipment and appliances installed in the Unit to the Unit Owner and assign any warranties with respect to equipment and appliances installed in the Common Elements to the Board of Managers.

At the closing of title, the Sponsor will deliver the certificates and warranties delivered to it and transferable to Purchaser. Sponsor's liability pursuant to any manufacturers' warranties covering heating, appliances, electricity, plumbing and roofing are limited solely to the extent that such warranties are delivered to Sponsor, transferable to the Purchaser or to the Board of Managers and then only as against such manufacturer.

10. The building has an anticipated completion of December 2026.

Purchasers are advised that in New York City, newly constructed and newly renovated buildings are sometimes offered as condominium projects without a permanent certificate of occupancy ("PCO") covering the entire building but with only a temporary certificate of occupancy ("TCO"), and sometimes with several successive temporary certificates of occupancy. Certificates of occupancy are generally governed by Section 301 of the New York Multiple Dwelling Law and local building codes and rules. Both TCOs and PCOs are issued by the New York City Department of Buildings ("DOB"). A TCO is intended to indicate that the property conforms substantially to the DOB approved plans and specifications, and to the requirements of all applicable laws, rules, and regulations for the uses and occupancies specified in the TCO. No change of use or occupancy shall be made unless a new certificate of occupancy is issued. All TCOs have an expiration date. A TCO typically expires 90 days after the date of issuance. When a TCO expires and is not renewed, it may be difficult or impossible to buy insurance, refinance, or sell units. In New York City, it is common for sponsors to commence unit closings when some or all units are covered by a TCO rather than a PCO. Sponsor anticipates this scenario may occur. Sponsor and its principals will undertake the responsibility for extending each TCO received prior to expiration thereof, and ultimately for obtaining a PCO covering the entire building. However, Sponsor and its principals make no representation or guarantee that DOB will issue the PCO within two years, which is the timeframe anticipated by the Multiple Dwelling Law for issuance of a PCO. NOTWITHSTANDING THE FOREGOING, SPONSOR AND ITS PRINCIPALS ARE OBLIGATED TO PROCURE THE PERMANENT CERTIFICATE OF OCCUPANCY FOR THE ENTIRE BUILDING, AND SHALL EXERCISE BEST EFFORTS TO OBTAIN THE PCO WITHIN SUCH TWO-YEAR PERIOD WHILE KEEPING THE TCO CURRENT. Unit Owners and the Board of Managers shall be obligated to cooperate with and refrain from obstructing Sponsor in these undertakings.

Furthermore, because Sponsor and the By-Laws of the Condominium may

permit Unit Owners to undertake renovations to individual Units prior to the procurement of a PCO, such renovations may cause additional delays in the issuance thereof. Notwithstanding the foregoing, Sponsor and its principals are obligated to procure the PCO.

Buyers are advised to visit the DOB website for further recommendations when purchasing a unit in a building that does not have a PCO. A Factsheet on Certificates of Occupancy is available on the DOB website at:

http://www.nyc.gov/html/dob/downloads/pdf/co_factsheet.pdf

In the event Sponsor obtains a TCO for the Building, a tenant protection plan will be put in place prior to any occupancy of the Building.

If the first closing takes place prior to the issuance of a PCO for the property:

- (i) Sponsor is required to maintain all deposits and funds in any special escrow account required by General Business Law, section 352-e(2-b) unless the sponsor's engineer, architect or other qualified expert certifies that a lesser amount will be reasonably necessary to complete the work needed to obtain a PCO, in which case the sum exceeding the amount so certified by the sponsor's engineer, architect or other qualified expert may be released from any special escrow account. Alternatively, sponsor must deposit with an escrow agent an unconditional, irrevocable letter of credit, post a surety bond in the amount so certified, or provide other collateral acceptable to the Department of Law.
- (ii) Notwithstanding subparagraph (i) of this paragraph, if the offering plan is subject to the provisions of General Business law, section 352-ee, sponsor is required to maintain all deposits and funds in any special escrow account required by General Business Law, section 352-e(2-b) unless the sponsor's engineer or architect certifies that a lesser amount will be reasonably necessary to complete all alterations and improvements to the public portions and common areas of the building. In such case the sum exceeding the amount so certified by the sponsor's engineer or architect may be released from any special escrow account. Alternatively, sponsor must deposit with an escrow agent an unconditional, irrevocable letter of credit, post a surety bond in the amount so certified, or provide other collateral acceptable to the Department of Law.

11. The Purchaser of a Residential Unit will inspect such Residential Unit prior to the Closing Date and will execute at such time an inspection statement acknowledging Purchaser's acceptance of the Residential Unit in good

condition and in accordance with the terms of the Plan, provided that if Purchaser finds that Sponsor's improvements have not been completed as described in the Plan then Sponsor and the Purchaser in question will agree to include on the inspection statement a list of incomplete work of a material nature to be completed in the Residential Unit by Sponsor as provided in the Purchase Agreement. Sponsor will have no obligation to complete any work, which is not specifically designated by the Purchaser on the inspection statement. Notwithstanding the foregoing, Sponsor's obligation is to construct the premises in accordance with all applicable codes and filed plans and specifications and Sponsor will complete any work that does not meet such obligations. A Purchaser will receive prior notice that a Residential Unit is available for inspection pursuant to this Paragraph, as more particularly set forth in the Purchase Agreement in Part II of the Plan. A Purchaser who fails to inspect such Residential Unit will be deemed to have accepted the Residential Unit in good condition and in accordance with the terms of the Plan. After Closing of title to each Residential Unit the Purchaser thereof must comply with the procedures established by the Managing Agent or the Board of Managers regarding such Purchaser's move into the Residential Unit. This will include "move in" fees, which will be refunded to the Purchaser unless the Purchaser or the Purchaser's agents cause damage (harm that reduces value or usefulness) to the Building during the move in. In such an event the move in fees will be used to repair said damage. In the event the move in fees are less than any damage caused, the Purchaser will be responsible for the additional amount. In the event the move in fees are greater than the damage caused, the Purchaser will be refunded the excess amount. At this time the Board of Managers will be collecting move in fees from Purchasers in the initial amount of \$1,000. In addition, Purchasers will be required to utilize licensed professional movers when moving in and out of the Building. Said movers must carry all-risk general liability insurance in a minimum amount of \$1,000,000 per occurrence and name the Board of Managers of the Condominium as additional insured. A copy of said policy must be tendered to the Board a minimum of three (3) business days prior to the scheduled move date.

12. In view of the fact the Condominium will consist of a Building containing more than five (5) stories the Housing Merchant Implied Warranty Law contained in Article 36-B of the General Business Law is not applicable. Notwithstanding said fact, the Sponsor will correct any materially adverse condition in the construction of the Residential Unit or in the installation or operation of any mechanical equipment therein due to materials or improper workmanship substantially at variance with the plans and specifications set forth in the architects and/or engineers property description report(s), as may have been changed by Sponsor from time to time provided that it is notified of such materially adverse construction condition in writing by certified mail within one (1) year from the date of Closing of Title to the

Residential Unit in which the alleged materially adverse condition exists ("Limited Warranty"). If a materially adverse construction condition occurs in an item, which is covered by this warranty, the Sponsor or Sponsor's contractors will (a) repair or (b) replace the item. The choice between repair or replacement is strictly the Sponsors. **Sponsor's obligation, regardless of any limitations in the warranty or in this Offering Plan, is to construct the premises in accordance with all applicable codes and filed plans and specifications, and that any conflict between the disclaimers and the Sponsor's obligation to construct the premises in accordance with all applicable codes and filed plans and specifications shall be resolved in favor of the latter.**

Purchaser should note that:

- (a) No steps taken by Sponsor or Sponsor's contractors to correct a materially adverse construction condition shall act to extend the warranty period.
- (b) Sponsor accepts no responsibility for any warranty obligation for incidental or consequential damage caused by any materially adverse construction condition.
- (c) The Limited Warranty is extended to Purchaser and is not extended to any subsequent purchaser, tenant, or mortgage lender who takes possession of a Residential Unit.
- (d) The Limited Warranty shall be void if Purchaser, tenant or occupant, misuses, abuses or otherwise interferes with or changes Sponsor's original construction or installations, or if Purchaser, tenant or occupant hires any outside contractor to do any work during the warranty period.
- (e) Sponsor is not responsible for any work or material ordered directly by Purchasers from outside suppliers and contractors.

Regarding the Common Elements of the Condominium the Sponsor will correct any materially adverse condition in the construction of the Common Elements, or in the installation or operation of any mechanical equipment therein, due to improper workmanship or material materially at variance with this Offering Plan as may be changed by Sponsor from time to time provided and on condition that Sponsor is notified of or becomes aware of such material adverse construction condition(s) within twelve (12) months from the Date of the Closing of the first Residential Unit. In no event will Sponsor be liable for consequential damages (whether based on negligence, breach of contract, warranty, or otherwise), it being intended that Sponsor's sole obligations under the Plan will be to repair or, at Sponsor's option, replace

(or cause to be repaired or replaced) any materially adverse condition of construction (whether arising as a result of defects in material or improper workmanship or material materially at variance with the plans and specifications contained within the architects and/or engineers property description report(s)), subject to the terms and conditions (and within the time limits) set forth in this paragraph. The quality of construction shall be comparable to local standards customary in the particular trade and in accordance with the plans and specifications contained within the architects and/or engineers property description report(s).

In no event will Sponsor be responsible for any condition in the Residential Unit or the Common Elements resulting from (i) normal wear and tear or natural deterioration or from the normal movement, settlement and/or shrinkage of the Building and/or building materials; (ii) construction issues or adverse construction condition of an immaterial nature, such as, without limitation, partial or total loss of any trees, shrubs, bushes or other landscape improvements that may abut the Building, nail pops, protruding dry wall fastenings, ridging on gypsum board, lumber shrinkage, door or window sticking, door warpage including, without limitation, warpage of the main entrance door within reasonable tolerances of doors of similar size and weight, scratches in plastic laminate, vitreous china, natural stone, wood, stainless steel or porcelain surfaces; bathroom finish grouting; adjustment of doors; walls not square; electrical plates not straight; discoloration or shrinkage; slight separation between base and floors; (iii) normal settlement and deflection or any consequential damage resulting therefrom including, without limitation, cracks in roof ballast, or concrete cracks which do not reduce the structural integrity of the Building; (iv) deviations in the level of ceilings, and imperfections in ceiling finishes; (v) imperfections in painting finishes; (vi) deviations in the level of a floor or failure of finished floors and walls to be straight or on plane or at less than 90° from each other; (vii) alignment of bathroom finishes and variation in grouting thickness; (viii) air infiltration and water infiltration from windows in accordance with customary practice and professional standards; (ix) noise from normal plumbing and the HVAC system; (x) normal floor noises and creaking; (xi) carpet or floor discoloring or stretching; (xii) scratches and imperfections or variations in width, length, thickness, finish or color range of wood floor strips or other flooring or floor finishes, also, normal shrinkage or expansion of wood flooring due to changes in moisture content of wood; (xiii) repair of chips, scratches, mars, breaks, dents, cracks or other defects in: exterior stone; windows, window glass, frames and hardware; insulation attached to the curtain wall; sliding glass doors, frames, door glass and hardware; louvers; shower doors; lighting fixtures, lenses, baffles and globes; all painted surfaces; all sinks, tubs, basins, water closets; kitchen cabinets, back splashes and countertops; vanity tops and cabinets; all tile or natural stone floors and walls; saddles; all appliances (except if appliances are dented or chipped due to improper installation); woodwork, millwork and doors;

mirrors and after the Residential Unit Closing, paint touch-ups, repair of dented appliances, or replacement of light bulbs; (xiv) cracks or variations in tone or color of natural stone or variations in tone or color of vanity tops or variations in veining of any natural stone surfaces; (xv) leaching or color variation in color mortar and colored brick, and dimensional variations in brick joints, and mortar droppings on bricks; (xvi) ponding and/or controlled drainage on the roof surface; (xvii) cracks in pressure-treated lumber used or intended for use outside the Building; (xviii) cracks or discoloration in concrete and/or paving; (xix) discoloration to hardware and plumbing finishes; (xx) stains, runs, lumps, shags or imperfections in weave in fabric panels; (xxi) scratched, dirty or cracked lenses in light fixtures; or (xxii) terrace tiles not laid flat, or color variation in tiles or mortar, or stained tiles; (xxiii) subsequent to the Residential Unit Closing, paint touch-ups, repairs of dented appliances or replacement of fluorescent light ballasts, or (xxiv) salting or color variation in exterior colored mortar and deep colored brick; (xxv) remove mold from the Building or any Unit therein, which was not a result of construction or Sponsor's actions or failure to act, or (xxvi) normal water penetration in frameless shower doors. Sponsor will be obligated to repair only abnormally chipped stone, formica and porcelain surfaces, which repair will be made by filling the stone or formica or refinishing the porcelain, but Sponsor will not be obligated to replace such stone, formica or porcelain surfaces. THE ITEMS AND CONDITIONS DESCRIBED IN THIS PARAGRAPH ARE NOT DEFECTS OR MATERIALLY ADVERSE CONSTRUCTION CONDITIONS AND MAY BE FOUND IN ANY NEWLY CONSTRUCTED BUILDING OR RESIDENTIAL UNIT. PURCHASERS WHO PURCHASE A RESIDENTIAL UNIT IN THE BUILDING OR IN ANY OTHER NEWLY CONSTRUCTED BUILDING MAY EXPERIENCE SOME OR ALL OF THESE ITEMS AND CONDITIONS IN THEIR RESIDENTIAL UNIT, THE COMMON ELEMENTS OR ELSEWHERE IN THE BUILDING OR RESIDENTIAL UNIT. SPONSOR HAS NO OBLIGATION TO CORRECT OR REPAIR ANY OF THESE ITEMS AND CONDITIONS AND WILL NOT BE LIABLE TO ANY PURCHASER OR THE BOARD THEREOF. IF PURCHASERS OR ANY BOARD DESIRES TO CORRECT OR REPAIR ANY OF THESE ITEMS OR CONDITIONS, TO THE EXTENT THEY CAN BE CORRECTED OR REPAIRED, THEY WILL HAVE TO PROCEED AT THEIR SOLE COST AND EXPENSE BY THEMSELVES AND/OR UNDER ANY WARRANTIES OR UNDERTAKINGS ASSIGNED TO THEM BY SPONSOR.

The Sponsor has no obligation to make any repair to the Common Elements except as expressly set forth in the Offering Plan and under all applicable laws.

Sponsor will not be obligated to correct and will not be liable to any Purchaser as a result of (i) any immaterial variations from the Plans and specifications contained within the architects and/or engineers' property

description report(s) or the description of any portion of the Building or a Residential Unit set forth in the Plan or (ii) immaterial variations from the Plans and specifications contained within the architects and/or engineers property description report(s) or the description of any portion of the Building or a Residential Unit set forth in the Plan which are neither in violation of applicable building codes, nor require the approval of any governmental authority having jurisdiction, provided such immaterial variations are of Equal or Better Quality than as set forth in the plans and specifications contained within the architects and/or engineers property description report(s) or description in this Plan as solely determined by Sponsor's architect. There is a rebuttable presumption that a decrease in a unit's area of 5% or less will not affect a Purchaser's obligations unless such decrease is determined to be a material change. There is a rebuttable presumption that an area that is diminished by 5% or less is not material. Any such variation affecting the Property, which is material will be disclosed in a duly filed amendment to the Plan. Furthermore, Sponsor reserves the right to select the ultimate location of the kitchen and bathroom cabinets, counters and drawers, as same may differ from the locations set forth on the floor plans, however, Sponsor may not do so for any Unit under contract without written consent of the Purchaser. Notwithstanding anything to the contrary set forth herein, Sponsor has the obligation to construct the premises in accordance with all applicable codes and filed plans and specifications, and that any conflict between the disclaimers and the Sponsor's obligation to construct the premises in accordance with all applicable codes and filed plans and specifications shall be resolved in favor of the latter.

Sponsor shall specifically list items that are present in the Units or Common Elements which will not be included in the conveyance. As such, Sponsor specifically excludes all personal property located within the Units or within the Common Elements, which have been, or are being utilized in connection with the construction of the Building (such as building supplies, tools and equipment) and any furnishings, material and/or electronics utilized in connection with the sale of Units and marketing of the Condominium.

13. At the closing of title of the Unit, the Sponsor must assign any manufacturer's warranties with respect to equipment and appliances installed in the Unit to the Unit Owner and assign any warranties with respect to equipment and appliances installed in the Common Elements to the Board of Managers.
14. Sponsor agrees to pay for the authorized and proper work involved in the construction and establishment and sale of the Condominium that Sponsor is obligated to complete under the Plan and will cause all mechanics liens with respect to such construction to be promptly discharged or bonded.

The Sponsor will pay all expenses incurred prior to the establishment of the Condominium and will bear and pay all costs and expenses incurred in connection with the creation of the Condominium whenever such costs or expenses are incurred or in connection with the sale of all of the Residential Units held or owned by the Sponsor and will pay all selling expenses including, but not limited to, advertising and printing costs, architect fees, and costs of filing this Offering Plan and amendments thereto.

15. No bond or other security has been posted to secure Sponsor's obligations.
16. The Sponsor reserves the easements, licenses, rights and privileges of a right-of-way in, through, over, under and across the Common Elements of the Condominium for the purpose of completing its construction and sale of the Units and facilities in the Condominium and, towards this end, reserves the right to grant and reserve easements and rights-of-way in, through, under, over and across the Common Elements for the installation, maintenance and inspection of lines and appurtenances for public or private water, sewer, drainage, cable television, and other utilities and for any other materials or services necessary for the completion of the work. Sponsor also reserves the right to connect with and make use of the utility lines, wires, pipes, conduits, cable television, sewers and drainage lines which may from time to time be in or along the Common Elements. Sponsor will be obligated to pay for the cost of any utilities it uses as a result of its use of the easements, licenses, rights and privileges of a right-of-way. Finally, the Sponsor reserves the right to continue to use the Common Elements and any facilities, sales offices, model units and signs located on the Common Elements, in its efforts to market the Units in the Condominium. Sponsor will be obligated to repair any damage to the Common Elements and Units caused as a result of its use of the easements, licenses, rights and privileges of a right-of-way to complete the construction of the Condominium. Sponsor's use of the easements, licenses, rights and privileges of a right-of-way to complete the Condominium will not preclude a Unit Owner from using its Unit as a single-family residence. Sponsor's right to use of the Common Elements, as described herein, will terminate when the Sponsor ceases to own any Units in the Condominium.
17. Pursuant to Section 352-e (9) of the General Business Law, copies of all documents mentioned in this Offering Plan, including without limitation the following, are and will be kept on file at the office of Sponsor set forth on the cover page of this Offering Plan for six (6) years from the date the Declaration is recorded for examination by any person who has purchased a condominium interest offered by this Plan or otherwise has participated in this offering: This Offering Plan; the proposed Declaration and By-Laws of the Condominium; public liability, fire and casualty policy, and Exhibits submitted to the Department of Law in conjunction with this Plan. A copy

of the form of Residential Unit Owner's Purchase Agreement is submitted with this Offering Plan as Schedule D in Part II of the Offering Plan.

18. In accordance with Section 339-p of the Real Property Law, a registered architect or licensed professional engineer shall certify within reasonable tolerances that the floor plans filed with the recording of the declaration are an accurate copy of portions of the plans of the buildings as filed with and approved by the municipal or other governmental subdivision having jurisdiction over the issuance of permits for the construction of buildings.
19. As noted in Section XI, Sponsor will not enter into interim leases with Purchaser for Residential Units prior to closing.
20. A Unit Owner is required to pay monthly Common Charges assessed by the Board of Managers for the operation and maintenance of the Condominium pursuant to Sections 339(i) and (m) of the New York Condominium Act. Monthly Common Charges may commence with the Closing of Title to the first Unit, however, see Section XX as to the right of the first Board of Managers to commence the collection of Common Charges at a subsequent date. Until title to a Unit has passed to a Purchaser, the Sponsor will pay such Common Charges and Special Assessments as are assessed by the Board of Managers on Units, to which title has not passed. Once title has passed to a Purchaser, the Purchaser will be responsible for all costs, including all Common Charges associated with the Unit. As long as the Sponsor retains a majority of the Board of Managers, the Board of Managers may commence the collection of Common Charges upon the Closing of Title to the first Unit or at any subsequent date as in its sole discretion it may determine. Prior to the commencement of the collection of Common Charges, Sponsor shall be obligated to provide all the services disclosed in the first-year budget at its sole expense. See Article VI of Schedule I in Part II of the Plan.

Sponsor and/or the Board of Managers shall have the right to waive Unit Owner obligations to pay Common Charges from and after the first Unit closing for a period to be determined by the Sponsor or the Board of Managers ("Waiver Period") provided the basic operating costs of the Condominium, including without limitation any insurance premiums and reserves by lenders (collectively, "Operating Costs") are paid by either (i) Sponsor ("Sponsor Paid Waiver Period") or (ii) all Unit Owners, including without limitation Sponsor with respect to Unsold Units, according to the allocation of Common Expenses, or any Special Allocation of Common Expenses, set forth in the Offering Plan ("Unit Owners Paid Waiver Period"). If the Sponsor or Board of Managers elects to waive payment of Common Charges, Sponsor shall disclose such waiver in a post-closing amendment to the Plan, which shall include (i) the expiration date of the Waiver Period, (ii) whether the Waiver Period shall be a Sponsor Paid Waiver Period or a

Unit Owners Paid Waiver Period and Sponsor shall remain obligated to update the certified budget and provide audited/certified financial statements. Purchasers are advised that the Operating Costs during the Waiver Period will likely vary from month to month and that certain seasons or periods may give rise to more or different costs than other seasons or periods (e.g., seasonal increases in heating and/or cooling costs, costs in the event of a needed repair to a Common Element, etc.). Depending on the occupancy level in the Building it is anticipated that the Operating Costs will increase as the occupancy level of the Building increases. In the event the Sponsor or the Board of Managers thereafter elects to extend the Waiver Period, Sponsor shall (a) notify Unit Owners of such extension at least thirty (30) days prior to the previously disclosed expiration date of the Waiver Period and (b) amend the Plan to disclose the new expiration date of the Waiver Period. Sponsor shall additionally notify Unit Owners of the expiration of the Waiver Period at least thirty (30) days prior to such expiration. Upon commencement of collection of Common Charges from all Unit Owners, there will not be a Special Assessment for any expense set forth in the approved budget for which Common Charges were not collected during the Waiver Period. The Board of Managers shall remain obligated to update the budget in accordance with the terms of the Plan. Purchasers should note that, during any Waiver Period (regardless whether the Sponsor Paid Waiver Period or the Unit Owners Paid Waiver Period), Unit Owners will remain responsible for (in addition to their proportionate share of Operating Costs, if applicable) all individual Unit expenses, including without limitation (as applicable) real estate taxes on the Unit, mortgage payments under a loan obtained to finance the purchase of the Unit, the cost of electricity supplied to the Unit which will be separately metered and payable either directly to the utility company or to the Board of Managers for payment to the utility company, the cost of any insurance which the Unit Owner obtains for the Unit and the cost of interior repairs and decorations to the Unit.

Disclaimers or limitations of liability on the part of the sponsor or its principals for failure to perform any obligation imposed by applicable statute or regulation is not permitted.

Sponsor shall deliver a set of "as-built" plans to the Board of Managers.

XVIII. CONTROL BY THE SPONSOR

The Sponsor shall have the right to appoint all of the Board of Managers of the Condominium until all of the Residential Units in the Condominium are sold ("Sponsor Control Period"). Thereafter, the Sponsor shall retain the right to designate a minority of the Board of Managers until such time as Sponsor no longer owns a Non-Residential Unit. Notwithstanding said fact, Sponsor has the right to voluntarily relinquish a majority of the Members of the Board of Managers at any time. The By-Laws do not require a majority of the Board to be owner-occupants or members of an owner-occupant's household who are unrelated to the Sponsor and its principals. If there are non-Sponsor members of the Board, and there is a vote on whether to sue the Sponsor, the Sponsor's Board representatives cannot lawfully vote on that issue. Further, the Sponsor must enforce its obligations under the plan, as those obligations are described in the plan, and owes a duty to the condominium to do so. Owner-occupants and non-resident owners, including Sponsor, may have inherent conflicts on how the Condominium should be managed as a result of their different reasons for purchasing, i.e., purchasing a Residential Unit to live in as opposed to purchasing as an investment. Provisions which give the Sponsor control of the enforcement of the Sponsor's obligations are not lawful. The Board of Managers, whether or not controlled by the Sponsor, assumes a fiduciary duty to act in the best interests of the Condominium and its Unit Owners.

The initial Board of Managers will consist of three (3) Sponsor appointees. In the event the Sponsor no longer owns a Unit in the Condominium, the Sponsor shall no longer be permitted to designate or appoint Members to the Board of Manager. A meeting will be held to elect new Board Members unrelated to Sponsor within thirty (30) days of the expiration of the Sponsor Control Period.

The Sponsor will also, during Sponsor Control Period, have control of maintenance, facilities and services to be provided and will determine the Common Expenses to be paid by all Unit Owners, including Sponsor and the enforcement of the Sponsor's obligations through the Board of Managers. Purchasers individually or as a group may take legal or administrative action to enforce the Sponsor's obligations to the Condominium. However, they will be unable to do so in the name of the Condominium. In addition, funds utilized for such actions will either have to be obtained by a special assessment of all Unit Owners excluding Sponsor, or obtained through independent funds of the Unit Owners. In the event the Unit Owners are unsuccessful in an action against Sponsor, Sponsor has the right to request that the court or administrative department hearing the action grant Sponsor reimbursement of legal fees, which would be payable by the Unit Owners, excluding the Sponsor. Any provisions that give the Sponsor control over the enforcement of the Sponsor's obligations are not lawful.

The Sponsor shall retain the right to substitute other persons in the place of the above-named individuals until the resignation of the first Board as set forth below. The first Board of Managers will call for the first Annual Meeting of the Residential Unit Owners

to elect and designate a new Board within one (1) year of the closing of the first Residential Unit; wherein Sponsor will designate two (2) Board Members and Unit Owners will elect one (1) Board Member until the end of the Sponsor Control Period.

Sponsor will continue to hold annual meetings during the period it controls the Board of Managers. Upon the election and designation of the new Board, the Members of the first Board will resign. Members of the Board of Managers shall not be compensated for their services. Members of the Board of Managers may be removed for cause by an affirmative vote of a majority of the Residential Unit Owners. Officers of the Condominium may be removed with or without cause, at any time, by the affirmative vote of a majority of the whole Board of Managers.

For a period ending not more than five (5) years after the Closing of Title to the first Unit or whenever the unsold Units constitute less than twenty-five (25%) percent of the Common Interest, whichever is sooner, the Board of Managers may not, without the Sponsor's prior written consent, (i) make any additions, alterations or improvements to the Common Elements or to any Unit costing cumulatively more than \$25,000, the foregoing not to include necessary repairs and maintenance work; or (ii) assess any Common Charges for the creation of, addition to or replacement of all or part of a reserve, contingency or surplus fund in excess of the reserve for contingencies provided in Schedule B; (iii) enter into any contracts not in existence on the date of the first Closing of Title to a Unit; or (iv) borrow money on behalf of the Condominium; or (v) reduce the services or maintenance set forth in Schedule B; (vi) charge any Special Assessment for a non-budgeted item unless required by law, municipal agency, emergency or for the health and safety of the condominium; or (vii) increase the Common Charges of the Condominium more than ten (10%) from the prior year's budget, unless documentation is provided to the Sponsor in the nature of a financial statement, bids from contractors or verified increases in utility rates evidencing the need for an increase greater than ten (10%) percent; or (viii) utilize Condominium funds or assess the Sponsor in order to commence a lawsuit against the Sponsor or any of its principals.

The members of the Board of Managers will work in the best interest of the Condominium and its Unit Owners. The Sponsor and/or its principals will not engage in "sweetheart" deals. At no time may Sponsor exercise veto power over expenses described in Schedule B or over expenses required to (i) comply with applicable laws or regulations, (ii) to remedy any notice of violation, (iii) to remedy any work order by an insurer, or (iv) remedy a matter regarding the health and safety of the occupants of the Building.

As noted above, the Sponsor has the right to retain control over certain expenditures and fiscal actions of the Board of Managers. Notwithstanding said fact, Sponsor may not exercise veto power over expenses described in Schedule B (the proposed first year budget), or over expenses required:

- (i) to comply with applicable laws or regulations; or
- (ii) to remedy any notice of violation; or

- (iii) to remedy any work order by an insurer; or
- (iv) to remedy any condition which affects the health and/or safety of the occupants.

The above provisions provide that during said period, significant financial decisions of the Board of Managers will be decided by the Sponsor. Examples of such decisions are, in part, the ability to borrow money, as provided in The Condominium Act (Article 9-B of the Real Property Law, §339-jj), for a capital improvement all Residential Unit Owners are in favor of, or the ability to enter into a contract with a lawyer and fund legal fees if the Sponsor fails to comply with provisions in the offering.

The detailed provisions for the management of the Condominium are set forth in the By Laws which are contained in Part II of the Offering Plan in Schedule J. The By Laws contain provisions, among others, dealing with the election of the Board of Managers, and Condominium officers, powers of the Board of Managers, voting rights of Residential Unit Owners, assessment of Common Charges, foreclosure of liens for non-payment of Common Charges, management of the Condominium and the use of the Residential Units. The By Laws provide that the Condominium shall be governed by the Board of Managers, but that the Board of Managers shall have the right to designate Committees or a managing agent to carry out such function.

XIX. BOARD OF MANAGERS

The form of the By-Laws and the Declaration of Condominium referred to in the Plan appear in Part II as Schedules I and J.

The following is a summary of certain provisions of the By-Laws and Declaration.

Board of Managers

The affairs of the Condominium shall be governed by a Board of Managers. The first Board of Managers shall consist of three (3) Members designated by the Sponsor who shall hold office and exercise all powers of the Board of Managers until the first annual meeting of the Unit Owners. Until succeeded by the Members elected at the first annual meeting of Unit Owners, Members need not be Unit Owners; thereafter, all Members, other than designees or nominees of the Sponsor, shall be Unit Owners. The Members shall be elected or designated at the annual meeting of the Unit Owners.

The initial Board of Managers will have only three (3) Sponsor appointed Members. Thereafter, the first annual meeting of Unit Owners called pursuant to Section 9 of Article II of the By-Laws, a total of three (3) Members shall be elected or designated. One (1) of the three (3) Members shall be elected by the Non-Residential Unit Owners and two (2) of the Members shall be elected by the Residential Unit Owners. All Members, other than those designated by the Sponsor and/or the Non-Residential Unit Owners, shall be elected by the Residential Unit Owners. The term of office of the one (1) Non-Residential Unit Member shall be fixed for three (3) years, the term of office of one (1) of the

Residential Members shall be fixed at three (3) years, the term of office of one (1) of the Residential Unit Members shall be fixed for two (2) years. Separate ballots shall be conducted for each of the three terms of office. Each Residential Unit Owner (including the Sponsor and the Board of Managers, if the Sponsor or the Board of Managers shall then own or hold title to one or more Units) shall be entitled to cast one vote for each .01% (rounded off to the nearest .01%) of Common Interest attributable to its Unit or Units, for each Board Member to be elected, in proportion to the Common Interest of all Units unless otherwise mandated by law or expressly provided for in the Declaration. The Non-Residential Unit Owners (including the Sponsor and the Board of Managers, if the Sponsor or the Board of Managers shall then own or hold title to one or more Units) shall be entitled to cast one vote for each .01% (rounded off to the nearest .01%) of Common Interest attributable to its Unit or Units, for the Non-Residential Board Members to be elected, in proportion to the Common Interest of all Units unless otherwise mandated by law or expressly provided for in the Declaration, if not appointed. Each Non-Residential Unit Owner shall vote based upon their Non-Residential Percentage of Common Interest as set forth in Schedule A. The one nominee(s) on each of the ballots, as the case may be, receiving the highest number of votes on their ballot shall constitute the duly elected Board of Managers. At the expiration of the initial term of office of each respective Member, the Member's successor shall be elected to serve a term of three (3) years. The Members shall hold office until their successors have been elected and hold their first meeting. Notwithstanding the foregoing, the Sponsor will have voting control and may designate a majority of the Board of Managers until all of the Residential Units in the Condominium are sold. Thereafter, Sponsor shall have the right to designate and/or appoint the Non-Residential Unit Members to the Board of Managers. In the event the Sponsor no longer owns a Unit in the Condominium, the Sponsor shall no longer be permitted to designate or appoint Members to the Board of Manager.

Any provisions that give the Sponsor control of the enforcement of the Sponsor's obligations are not lawful. If there are non-Sponsor members of the Board, and there is a vote on whether to sue the Sponsor, the Sponsor's board representatives cannot lawfully vote on that issue. The By-Laws do not include a provision that a majority of the Board of Managers must be Owner-occupants or members of an Owner-occupant's household who are unrelated to the Sponsor and its principals, after the end of an initial Sponsor control period.

The first Board of Managers of the Condominium will consist of Kuoching Hsu, Hanjun Bai (both of whom are principals of the Sponsor) and Linzhong Zhuo, a business associate of the Sponsor.

The first annual meeting of the Board of Managers of the Condominium will take place within one (1) year of the closing of the first Residential Unit in the Condominium. Thereafter, annual meetings shall be held on the anniversary date of each succeeding year, unless such date is changed by the Board of Managers.

It shall be the duty of the President to call a special meeting of the Condominium, if so, directed by the Board of Managers, or upon the presentation to the Secretary of a

petition signed by a majority of the Residential Unit Owners. The secretary shall cause a notice of such special meeting stating the time, place and object thereof and the officer or other person or persons by whom the meeting is called, to be delivered personally or mailed to each Residential Unit Owner of the Condominium entitled to vote at such meeting not less than ten (10) nor more than thirty (30) days before such meeting. The date of the special meeting shall be determined by the Board of Managers and shall be held no later than sixty (60) days from receipt of any written request unless a later date is agreed to in writing by the Residential Unit Owners of the Condominium or the Board of Managers, requesting such meeting. No business other than that stated in such notice shall be transacted at such special meeting unless all Residential Unit Owners of the Condominium are present in person or by proxy. See Article II, Section 10 of the By-Laws of the Condominium.

Officers and Members of the Board of Managers shall not be entitled to compensation for serving on the Board.

Removal of Members of the Board of Managers

Residential Unit Members of the Board of Managers may be removed for cause by an affirmative vote of a majority of the respective Residential Unit Owners. No representative of the Board of Managers, other than a member of the first Board of Managers or Sponsor's designees or nominees, shall continue to serve on the Board if, during their term of office, the Member shall cease to be a Residential Unit Owner.

Powers and Duties of Board of Managers

The property and business of the Condominium shall be managed by its Board of Managers. The powers of the Board of Managers include, but are not limited to, the following items:

1. To determine and levy monthly assessments ("Common Charges") to cover the cost of Common Expenses, payable in advance. The Board of Managers may increase the monthly assessments or vote a special assessment in excess of annual Common Charges, if required, to meet any additional necessary expenses, but said increases can only be assessed among all the Unit Owners pro-rata according to their respective percentage of Common Interest.
2. To collect, use, and expend the Common Charges collected to maintain, care for and preserve the Units, the Building, and other Common Elements;
3. To open bank accounts on behalf of the Condominium and to designate the signatories to such bank accounts;
4. To make repairs, restore or alter any Unit or the Common Elements after damage or destruction by fire or other casualty or as a result of

condemnation or eminent domain proceedings;

5. To enter into and upon the Units when necessary and at as little inconvenience to the Unit Owners as possible in connection with the maintenance, care and preservation of the property. No notice is required to gain access for repairs. Any repairs required as the result of negligence of the Unit Owner will be at the expense of the Unit Owner;
6. To insure and keep insured the General Common Elements, Limited Common Elements and the Units. A Unit Owner may secure supplemental coverage for the Unit and its contents and the liability coverage for the Unit;
7. To collect delinquent Common Charges and special Common Charge assessments by suit or otherwise, to abate nuisances and to enjoin or seek damages from the Unit Owners of the property for violations of the house rules or rules and regulations herein referred to;
8. To make reasonable rules and regulations applicable to the Common Elements of Units and Unit Owners and to amend the same from time to time, and such rules and regulations and amendments shall be binding upon the Unit Owners when the Board has approved them in writing. A copy of such rules and all amendments shall be delivered to each Residential Unit;
9. To employ and terminate the employment of employees and independent contractors and to purchase supplies and equipment, to enter into contracts, and generally to have the powers of a manager in connection with the matters hereinabove set forth;
10. To bring and defend actions by or against more than one Residential Unit Owner and pertinent to the operation of the Condominium and to levy special Common Charge assessments to pay for the cost of such litigation;
11. To acquire a Unit in foreclosure or as a result of abandonment and to take any or all steps necessary to repair or renovate any Unit so acquired and to vote as a Residential Unit Owner, offer such Unit for sale or lease or take any other steps regarding such Unit as shall be deemed proper by the Board of Managers;
12. To make additions, alternations, or improvements to the General Common Elements of the Condominium and those portions of the Condominium which are included in the description of an individual Unit but which service two (2) or more Units in the Condominium;
13. To borrow money on behalf of the Condominium when required in connection with the operation, care upkeep and maintenance of the General

Common Elements, provided, however, that no lien to secure repayment of any sum borrowed may be created on any Unit or its appurtenant interest in the Common Elements without the written consent of the Owners of said Unit.

14. Pursuant to Section 339-y (4) of the New York Real Property Law, the Board of Managers may (but is not obligated to) act as an agent for one or more Unit Owners who have given their written authorization to file a single complaint and bring a special proceeding on behalf of Unit Owners who wish to contest the real estate tax assessments of their Units. In such event, the Board could retain counsel on behalf of such Unit Owners and charge each Unit Owner for whom it is acting a pro rata share of expenses, disbursements and legal fees, the payment for which would be secured by a lien on each Unit;
15. To grant utility or other easements over or to the Common Elements as may, at any time, be required for the benefit of the Condominium and the Unit Owners without the necessity of the consent thereto, or joinder therein, by the Unit Owners or any mortgagee (except that if the granting of such easement impairs the ability of one (1) or more Unit Owners who have the right to use such Common Elements to the exclusion of any other Unit Owners, the consent of all such affected Unit Owners shall be required in writing before such easement shall be granted); and
16. To impose reasonable fines upon Unit Owners for violating the rules and regulations of the Community, as contained in these By-Laws or as promulgated by the By-Laws.

There are no restrictions on who may purchase a Residential Unit in the Condominium except that this offer is made only to persons over eighteen (18) years of age. Each Residential Unit Owner can sell their Residential Unit to whomever they desire. Residential Unit Owners may lease their Residential Units subject to the conditions contained in Section XVIII of the Offering Plan. The Board of Managers does not have the right to approve or disapprove Purchasers.

Any Residential Unit Owner who wishes to enter into a lease for their Residential Unit shall be required to provide the Board of Managers with a copy of the proposed lease prior to its execution. Any lease entered into must contain a provision that the Lessee is subject to the Declaration, By-Laws and Rules and Regulations of the Condominium, the provisions of Article XI, Section 2 of the Condominium By-Laws and the Deed to the Residential Unit. Failure to comply with the above shall be deemed an automatic violation of the By Laws of the Condominium. Rental of a Residential Unit in the Condominium is not currently subject to any local or state rent regulation and is not subject to a right of first refusal by the Board of Managers.

Liability of Board of Managers and Residential Unit Owners

In order to limit the liability of the Unit Owners, any contract, agreement or commitment made by the Board of Managers or Officers of the Condominium shall state that it is made by the Board of Managers as agent for the Unit Owners as a group only and that no Member of the Board of Managers or Officers of the Condominium nor individual Unit Owner shall be liable for such contract, agreement or commitment except that every Unit Owner shall be liable to the extent that their proportionate interest in the Common Elements bears to the total liability under such commitment. The Board of Managers and Officers of the Condominium shall have no liability to the Unit Owners in the management of the Community except for willful misconduct or bad faith and the Unit Owners shall severally indemnify all Members of the Board of Managers against any liabilities or claims arising from acts taken by a Member of the Board of Managers in accordance with their duties except acts of willful misconduct or acts made in bad faith. Such several liability of the Unit Owners shall, however, be limited to the extent that their proportionate interest in the Common Elements bears to the total liability of the Member of the Board of Managers.

Indemnification of Board of Managers

The Unit Owners of the Condominium shall indemnify and hold harmless each of the Members of the Board of Managers against all contractual liability to others arising out of contracts made by the Board of Managers on behalf of the Condominium unless any such contract shall have been made in bad faith or contrary to the provision of the Declaration or of the By-Laws. It is intended that the Members of the Board of Managers shall have no personal liability with respect to any contract made by them on behalf of the Condominium (except as Unit Owners). In the event a Member of the Board of Managers acts in bad faith or contrary to the provisions of the Declaration or By-Laws, the individual Member may be personally liable.

Officers

The officers of the Condominium shall be chosen by the Board of Managers and shall be a president, a vice president, a secretary and a treasurer. The Board of Managers may also choose one (1) or more assistant secretaries and assistant treasurers and such other officers as in their judgment may be necessary. Officers do not need to be Residential Unit Owners. Two (2) or more offices may be held by the same person, except for the President whom can only hold the office of the President.

The President shall be the chief executive officer of the Condominium, shall preside at all meetings, shall have general and active management of the business of the Condominium and shall see that all orders and resolutions of the Board are carried into effect.

The Vice President shall take the place of the President and perform the duties of the President whenever the President is unable to do so.

The Secretary shall record all votes and the minutes of all proceedings in a book.

The Treasurer shall have the custody of the Condominium funds and securities and shall keep full and accurate chronological accounts of receipts and disbursements in books belonging to the Condominium including the vouchers for such disbursements, and shall deposit all monies and other valuable effects in the name and to the credit of the Condominium in such depositories as may be designated by the Board of Managers.

The Treasurer shall disburse the funds of the Condominium.

The Treasurer shall keep detailed financial records and books of account of the Condominium, including a separate account for each Residential Unit which, among other things, shall contain the amount of each assessment of Common Charges against such Residential Unit, the date when due, the amounts paid thereon and the balance remaining unpaid.

Repairs, Alterations and Improvements to Common Elements

All maintenance, repairs and replacements to the General Common Elements including but not limited to exterior walls of a Building, windows, roof and roof members, as well as all maintenance, repairs and replacements to any pipes, wires, conduits and public utility lines, any portion of which is located outside the Unit shall be made by the Board of Managers and the cost thereof shall be a Common Charge payable by all Unit Owners. The Board of Managers shall repair all plumbing stoppages and electrical repairs occurring in the General Common Elements. All maintenance, repairs and replacements within and to the Residential Units, whether structural or nonstructural, Ordinary or Extraordinary, will be made by the respective Residential Unit Owners at their expense.

All general maintenance and repairs to Limited Common Elements, including cleaning, snow removal and all repairs not structural in nature, shall be the responsibility of the Residential Unit Owner whose Limited Common Element it is. All repairs, maintenance and any replacement of any heating, cooling or other mechanical system servicing an individual Residential Unit that is located in or on the Common Elements and/or all apparatus, installations, systems equipment and facilities in the Common Elements (including pipes, wire, ducts, vents, cables, conduits and lines) which serve or benefit a Residential Unit exclusively shall be the responsibility of the Residential Unit Owner. All repairs to the exterior of any door, building, open area or other generally visible portion of the Condominium must be in conformation with the style and colors initially installed by the Sponsor.

The Condominium shall be responsible for the maintenance, repairs and replacements to all elements of the building which service two (2) or more Residential Units and which are located in the space between the exterior face of the sheetrock wall enclosing the interior of a Residential Unit and the exterior face of the exterior masonry wall. As such, any Common Elements located within a Residential Unit shall not be

considered a part of such Unit.

The Board of Managers and their agents, employees and contractors shall have the right of access to any Unit for the purpose of making any repairs or replacements to any of the General Common Elements and Limited Common Elements contained therein or elsewhere in the Condominium or to remedy any condition which would result in damage to any other Unit or the General Common Elements or Limited Common Elements, or which would violate the provisions of any mortgage covering another Unit or for the purpose of complying with any laws, orders, rules or regulations of any governmental body having jurisdiction thereof or for the purpose of carrying out any of its obligations under this Offering Plan, the By-Laws or the Declaration of the Condominium. Such right of access shall be exercised in such manner as will not unreasonably interfere with the use of the Units but no prior notice shall be required in the event the Board of Managers shall determine that action is immediately necessary for the preservation or safety of the Condominium or its property, or the Units, or for the safety of Condominium residents or other persons, or required to avoid the suspension of any necessary service to the Condominium.

Restoration or Reconstruction After Fire or Other Casualty

In the event of damage to or destruction of a Building as a result of fire or other casualty, the Board of Managers shall arrange for the prompt repair and restoration of a Building and the Board of Managers or the Insurance Trustee shall disburse the proceeds of all insurance policies to the contractors engaged in such repair and restoration in appropriate progress payments. Any cost of such repair and restoration in excess of the insurance proceeds shall constitute a Common Expense and the Board of Managers may assess all the Unit Owners for such deficit as part of the Common Charges.

If seventy-five (75%) percent or more of the Residential Units are destroyed or substantially damaged and seventy-five (75%) percent or more of the Residential Unit Owners do not resolve to proceed with repair or restoration, the Property shall be subject to an action for partition at the suit of any Unit Owner or lienor, as if owned in common in which event the net proceeds of sale, together with the net proceeds of insurance policies shall be divided by the Board of Managers or the Insurance Trustee, as the case may be, among all the Unit Owners in proportion to their respective Common Interests, after first paying out of the share of each Unit Owner the amount of any unpaid liens on the Unit, in the order of the priority of such liens.

Insurance

The Board of Managers shall obtain and maintain, to the extent obtainable, fire insurance with extended coverage, water damage, vandalism and malicious mischief endorsements insuring a Building, including all of the Units and the bathroom, kitchen and laundry equipment initially installed therein by the Sponsor, together with all heating, air conditioning equipment and other service machinery contained therein, covering the interest of the Condominium, the Board of Managers and all Unit Owners and their mortgagees, as their interest may appear, in an amount equal to the full replacement

value of a Building. Each of such policies shall contain a New York Standard Mortgagee clause in favor of each mortgagee of a Unit which shall be payable to such mortgagee as its interest may appear, subject, however, to the loss payment provisions in favor of the Board of Managers and the Insurance Trustee hereinafter set forth; and such other insurance as the Board of Managers may determine.

Reports to Residential Unit Owners

All Residential Unit Owners will receive within four (4) months of the end of each fiscal year, copies of an annual report of the Condominium including a balance sheet and profit and loss statement prepared by an independent public accountant, a statement regarding any taxable income attributable to the Residential Unit Owners, and a notice of the holding of the annual Residential Unit Owners meeting. All Residential Unit Owners shall be entitled to examine the books and records of the Condominium on reasonable notice to the Board but not more often than once a month. During such time as the Sponsor retains a majority of the Board of Managers, the Board shall provide a certified annual statement at the cost of the Condominium.

Amendments

The Declaration may be amended upon a vote of at least sixty-six and two-thirds (66 $\frac{2}{3}$ %) percent of the Residential Unit Owners in number held at a duly called meeting of the Residential Unit Owners, provided however, that:

- (i) No amendment shall change any Condominium parcel, nor a Unit Owner's proportionate share of the Common Charges, nor the voting rights appurtenant to any Residential Unit, unless all of the record owner(s) in number and Common Interest thereof and the first mortgagees, if any, of each of these same Units agree to such revocation by recorded instrument.
- (ii) No amendment shall be passed which shall affect, impair or prejudice the validity, interest, rights and priorities of mortgagees or the Sponsor.
- (iii) No amendment to the Declaration shall affect the Limited Common Elements appurtenant to a specific Residential Unit without the written consent of the specific Residential Unit Owner affected thereby unless required for the health and safety of the Condominium.
- (iv) No Amendment to the Declaration shall adversely affect the Non-Residential Unit Owner without the written consent of the Non-Residential Unit Owner, unless required for health and safety of the Condominium.

The By-Laws may be amended at any duly called Residential Unit Owners meeting provided:

- (i) That the notice of the meeting shall contain a full statement of the proposed

amendment;

- (ii) That the amendment shall be approved by at least sixty-six and two-thirds (66 $\frac{2}{3}$ %) percent of the Residential Unit Owners in number and Common Interest; and
- (iii) Said amendment shall be set forth in a duly recorded amendment to the Declaration.

No amendment to the Declaration or By-Laws shall be passed which would affect or impair the validity or priority of the Residential Unit Owners' interest and the interests of holders of a mortgage encumbering a Residential Unit or Residential Units. No amendment to the Declaration or By-Laws shall be passed which would impair or prejudice the rights and priorities of mortgages or the Sponsor.

Units Acquired by the Board of Managers

All Units which are acquired by the Board of Managers, or its designee as a result of foreclosure of a lien for non-payment of Common Charges, shall be held by the Board on behalf of all Unit Owners. The percentage of Common Interest acquired by the Board shall remain as originally designated in Schedule A of the Offering Plan and the Declaration of Condominium and the Board shall be responsible for paying all Common Charges appurtenant to said Unit. The Board shall be entitled to cast all votes that are appurtenant to said Units at any Unit Owners meeting for all purposes except for the election of Members to the Board of Managers.

Termination of Condominium

This property shall not be withdrawn from the provisions of Article 9-B of the Real Property Law unless at least eighty (80%) percent of the Residential Unit Owners in number and in Common Interest and the first mortgagees, if any, of these same Residential Units agree to the withdrawal of this property from the provisions of such Article. The Sponsor or its nominee will not cast any of its votes for withdrawal, unless eighty (80%) percent of Residential Unit Owners other than Sponsor so vote.

Covenant Against Partition of Common Elements

The Common Elements are not subject to partition nor are they severable from the Residential Units except in accordance with the Real Property Law.

XXI. RIGHTS AND OBLIGATIONS OF RESIDENTIAL UNIT OWNERS AND

THE BOARD

Sale or Lease of Units

Units can be sold or leased by a Unit Owner provided that the Unit Owner is not in arrears on the payment of Common Charges (except where the payment of such unpaid Common Charges is paid by the Grantee or provided for out of the proceeds of the sale).

Any Residential Unit Owner who wishes to enter into a lease for their Residential Unit shall be required to provide the Board of Managers with a copy of the proposed lease prior to its execution. Any lease entered into must contain a provision that the Lessee is subject to the Declaration, By-Laws and Rules and Regulations of the Condominium, the provisions of Article XI, Section 2 of the Condominium By-Laws and the Deed to the Residential Unit. Failure to comply with the above shall be deemed an automatic violation of the By-Laws of the Condominium. Rental of a Residential Unit in the Condominium is not currently subject to any local or state rent regulation. The Board shall have a right of first refusal on any Residential Unit sale.

A Residential Unit Owner is free to make a gift of the Residential Unit Owner's Unit to anyone during the Residential Unit Owner's lifetime or to devise the Residential Unit by will, or to have it pass by intestacy without any restriction. The restrictions regarding the sale or lease of a Residential Unit shall not pertain to the Sponsor.

The Board of Managers may not discriminate against any person on the basis of race, creed, color, national origin, sex, sexual orientation, age, disability, marital status or other grounds prohibited by law, in its sale or lease of any Residential Unit which it acquires.

The terms on leases of Residential Units are not currently subject to any state or local laws.

Each Unit Owner, on the closing of title to his or her Unit shall be required to execute a Power of Attorney in the form contained in Part II of this Plan as Exhibit E, as same may be amended from time to time as required by applicable law, constituting the fact, coupled with an interest, for the purpose of selling, conveying, mortgaging, leasing, subleasing (but not voting the votes of) or otherwise dealing with Units acquired by the Board of Managers or their designee, on behalf of all Unit Owners, and otherwise acting in accordance with the Condominium's Declaration and By-Laws designating the Sponsor as Purchaser's attorney-in-fact to file an amendment to the Declaration of Condominium permitting the certification by a registered architect or professional engineer certifying that the floor plans filed as part of an amended Declaration are an accurate copy of portions of the plans of a Building and fully and fairly depict the layout, location, designation and approximate dimensions of the Units as built or amending such Declaration to create any utility easements or to carry out any of the provisions of the Offering Plan of such

Condominium as described in Article Tenth, Section (c) of the Declaration of Condominium.

No Unit can be sold without a simultaneous sale of the undivided interest in the Common Elements.

Real Property Law Section 339-kk

Pursuant to the provisions of Section 339-kk of the Real Property Law of the State of New York any non-occupying owner who rents a Residential Unit in the Condominium to a rental tenant and then fails to make payments due for Common Charges, assessments or late fees for such Residential Unit within sixty (60) days of the expiration of any grace period after they are due is subject to the following: Upon notice in accordance with the statute, all rental payments from the tenants shall thereafter be directly payable to the condominium association. A complete copy of Section 339-kk of the Real Property Law is contained in Part II of the Plan as Schedule M.

Restrictions on Occupancy and Use

Occupancy of a Residential Unit may only be for residential purposes in accordance with the applicable zoning regulations of the municipality having jurisdiction over the Condominium.

The Non-Residential Units may be used for any lawful purposes permitted under the local zoning code and by the city of New York, including, without limitation, for medical or health related purposes.

The By-Laws of the Condominium contain the following use restrictions: No immoral, improper, offensive or unlawful use shall be made of the Condominium nor any part thereof and all valid laws, zoning ordinances and regulations of all governmental bodies having jurisdiction thereof shall be observed. Unit Owners, their families, employees, guests and any permitted pets shall not use or permit the use of the Units and Common Elements in any manner that would be illegal, disturbing or a nuisance to other Unit Owners. No Unit Owner shall put any advertisement, poster, or signs, including for-sale signs of any kind in or on the Condominium without the consent of the Board of Managers. It is prohibited to hang any item (including but not limited to, garments, rugs, etc.) from the windows or from a Building or to string clothes lines on or over the Common Elements or to use any of the Common Elements for storage unless designated for such use. No Residential Unit Owner shall paint the exterior surfaces of the windows, walls or doors opening out of their Residential Unit. All Residential Unit Owners must maintain their thermostat at a minimum of sixty (60°) degrees Fahrenheit to avoid pipes from freezing. Any Unit Owner failing to adhere to this provision shall be responsible for any and all damage to the Condominium or any other Unit as a result thereof. See Schedule J, Article VIII for complete details.

Restrictions on Pets

No animals shall be kept or harbored in the Condominium or any Residential Unit except for the following: one (1) dog weighing sixty (60) pounds or less; one (1) household cat; one (1) domestic bird and domestic fish. Fish tanks and/or aquariums shall not exceed one-hundred (100) gallons. No exceptions will be permitted unless the same in each instance be expressly permitted in writing by the Board of Managers of the Condominium. The Board of Managers may require the permanent removal of any animal kept in a Residential Unit that is not in compliance with the above as well as any animal causing or creating a nuisance or unreasonable disturbance or noise upon three (3) days written notice from the Board of Managers.

In no event shall any pet be permitted in any of the public corridors or lobbies of the Condominium unless carried or on leash. All Unit Owners shall be responsible for picking up and disposing of their pets' waste and for any damage caused by their pets to any Common Elements of the Condominium and shall comply with the local and municipal rules and regulations regarding pets. In no event may any Unit Owner maintain a "pit-bull" or other potentially dangerous dog or other dangerous animal in any Unit or within the Condominium. No pigeons or other birds or animals shall be fed from the window sills, balconies, terraces or other public portions of the Building or on the sidewalk or street adjacent to the Building. Each Unit Owner who keeps any type of pet in such Unit Owner's Unit may be required to enter into an agreement with the Board setting forth such other rules regarding pets as the Board shall deem suitable and indemnifying and holding harmless the Condominium, all Unit Owners and the managing agent from all claims and expenses resulting from acts of such pet.

Mortgage of Residential Units by Residential Unit Owners

A Unit Owner may mortgage the Unit Owner's Unit at any time after the Unit Owner acquires title to the Unit in whatever amount and under whatever terms the Unit Owner can obtain provided the Unit Owner first notifies the Board of Managers. Any Unit Owner may, upon the resale of their Unit, grant a purchase money mortgage to a purchaser of their Unit. A Unit Owner may mortgage their Unit only if all arrears for Common Charges, if any, are provided for at the closing of the mortgage.

Common Charges Assessment and Collection

The Board of Managers will prepare and furnish its budget to the Residential Unit Owners and their mortgagees annually. Based upon such budget and any modification thereof approved by the Board of Managers, all the Unit Owners will be charged for the cost of the Common Expenses for operation of the Condominium in accordance with their interest in the Common Elements.

The charges assessed by the Board of Managers ("Common Charges"), in addition to the cost of repairing and maintaining the Common Elements, assessments and other normal operational costs, may include, in the discretion of the Board of Managers,

reserves, working capital and other sums necessary to carry on the affairs of the Condominium. In addition, Common Charges may have to be increased as a result of Residential Unit Owners not paying their Common Charges.

The estimate of Condominium expenditures in Schedules A and B were made by the Sponsor and passed upon by Good Win Realty, having its office at 817 60th Street, Brooklyn, NY 11220. Although the Sponsor is of the opinion that such estimates are accurate and reasonable, they are not intended and cannot be construed as an assurance of the actual expenses and are merely based upon information available at this time. Actual costs may be lesser or greater than as set forth herein.

It is presently anticipated that the Common Charges are to be used primarily to pay for fire and other casualty insurance on the Building and the Common Elements, public liability and property damage insurance, legal and accounting expenses, supplies, a contingency reserve and other Common Expenses of the Building as set forth in Schedule B. The Common Charges do not include maintenance, repairs or decoration of interior of the Residential Units or portions thereof, payments required pursuant to the terms of Unit Owners' mortgages or real estate taxes covering the individual Residential Units.

The Common Charges which may be collected monthly by the Board of Managers and other costs of maintenance of the Units are set forth on Schedule A. See Schedule B-1 for estimated electrical, heating and other utility costs for the Residential Units. However, additional services which the Residential Unit Owners may desire or other factors can increase these charges.

The initial Board of Managers may commence the collection of Common Charges upon the closing of title to the first Residential Unit or at any subsequent date as in its sole discretion it may determine. Prior to the collection of Common Charges, Sponsor shall be obligated to provide all the services disclosed in the first-year budget at its sole expense. In the event Sponsor elects to delay the collection of Common Charges, Sponsor shall disclose such fact in the closing notice, or statement to Purchaser's. Thereafter, Sponsor shall also disclose such fact in the post-closing Amendment to the Offering Plan as a benefit to subsequent Purchasers. The Board's collection of Common Charges will be in an amount necessary to carry out the duties of the Board of Managers as is set forth in this Offering Plan and such Common Charges shall be paid by the Unit Owners and the Sponsor as Owner of the unsold Units in accordance with the Common Interest set forth herein. The Common Charges will initially be placed in an account in the name of the Board of Managers in a bank authorized to do business in the State of New York.

Sponsor and/or the Board of Managers shall have the right to waive Unit Owner obligations to pay Common Charges from and after the first Unit closing for a period to be determined by the Sponsor or the Board of Managers ("Waiver Period") provided the basic operating costs of the Condominium, including without limitation any insurance

premiums and reserves by lenders (collectively, "Operating Costs") are paid by either (i) Sponsor ("Sponsor Paid Waiver Period") or (ii) all Unit Owners, including without limitation Sponsor with respect to Unsold Units, according to the allocation of Common Expenses, or any Special Allocation of Common Expenses, set forth in the Offering Plan ("Unit Owners Paid Waiver Period"). If the Sponsor or Board of Managers elects to waive payment of Common Charges, Sponsor shall disclose such waiver in a post-closing amendment to the Plan, which shall include (i) the expiration date of the Waiver Period, (ii) whether the Waiver Period shall be a Sponsor Paid Waiver Period or a Unit Owners Paid Waiver Period and Sponsor shall remain obligated to update the certified budget and provide audited/certified financial statements. Purchasers are advised that the Operating Costs during the Waiver Period will likely vary from month to month and that certain seasons or periods may give rise to more or different costs than other seasons or periods (e.g., seasonal increases in heating and/or cooling costs, costs in the event of a needed repair to a Common Element, etc.). Depending on the occupancy level in the Building it is anticipated that the Operating Costs will increase as the occupancy level of the Building increases. In the event the Sponsor or the Board of Managers thereafter elects to extend the Waiver Period, Sponsor shall (a) notify Unit Owners of such extension at least thirty (30) days prior to the previously disclosed expiration date of the Waiver Period and (b) amend the Plan to disclose the new expiration date of the Waiver Period. Sponsor shall additionally notify Unit Owners of the expiration of the Waiver Period at least thirty (30) days prior to such expiration. Upon commencement of collection of Common Charges from all Unit Owners, there will not be a Special Assessment for any expense set forth in the approved budget for which Common Charges were not collected during the Waiver Period. The Board of Managers shall remain obligated to update the budget in accordance with the terms of the Plan. Purchasers should note that, during any Waiver Period (regardless whether the Sponsor Paid Waiver Period or the Unit Owners Paid Waiver Period), Unit Owners will remain responsible for (in addition to their proportionate share of Operating Costs, if applicable) all individual Unit expenses, including without limitation (as applicable) real estate taxes on the Unit, mortgage payments under a loan obtained to finance the purchase of the Unit, the cost of electricity supplied to the Unit which will be separately metered and payable either directly to the utility company or to the Board of Managers for payment to the utility company, the cost of any insurance which the Unit Owner obtains for the Unit and the cost of interior repairs and decorations to the Unit.

In the event a Unit is damaged by casualty and the proceeds of insurance are not sufficient to cover the repair of the damage, the amount necessary to restore the Unit over and above the proceeds from any fire insurance on the Units will be a Common Charge to all Unit Owners. In order to protect the Unit Owner against the possibility of such Common Charges, the Board of Managers determines the amount of blanket casualty insurance covering all Units (the cost of such insurance is part of the Common Charges) and reviews the amount of such coverage annually.

The Sponsor shall be liable for the Common Charges, special Common Charge assessments, real estate taxes and individual utility costs of all Residential Units to which title has not been transferred to a Purchaser commencing when Common Charges are

first collected by the Board of Managers. Once title has passed to a Purchaser, the Purchaser shall be solely responsible for all costs associated with the Residential Unit including but not limited to Common Charges, any special Common Charge assessments, real estate taxes and all individual utility costs.

Liens for the Non-Payment of Common Charges

Under Section 339-z of the Real Property Law of the State of New York, the Board of Managers shall have a lien against each Unit for its unpaid Common Charges and legal interest thereon prior to all other liens except liens for the payment of taxes and all sums unpaid on a first mortgage of record. The lien shall continue in force even after resale of a Unit except that the Board shall, in accordance with the Declaration, release the lien and right to collect unpaid Common Charges against any purchaser of a Unit where such purchase arises out of a foreclosure of a first institutional mortgage when the Board of Managers has been made a party to the foreclosure action.

The Board of Managers may foreclose the lien in the same manner as a mortgage on real property or being a separate action to collect the unpaid Common Charges and in doing so shall be entitled to recover all costs incurred including reasonable attorney's fees. The liability of each Unit Owner for the payment of Common Charges thereafter assessed against the Unit Owner's Unit shall terminate upon a sale, transfer or conveyance of such Unit in accordance with the provisions of the Condominium Declaration and By-Laws. Further, any Unit Owner may convey their Unit to the Board of Managers or its nominee, on behalf of all other Unit Owners, without any compensation and in accordance with the Declaration and By-Laws, and in such event the Unit Owner shall be exempt from any Common Charges thereafter assessed, but not relieved of their obligation to pay the Unit Owner's mortgage. However, a Unit Owner may not be exempt from liability for the Unit Owner's Common Charges by waiver of the use or enjoyment of any of the Common Elements or by abandonment of the Unit Owner's Unit.

Upon a resale, the Purchaser of a Unit shall be liable for the payment of unpaid Common Charges assessed against such Unit prior to the acquisition of such Unit by the Purchaser, except that a first mortgagee who acquires title to a Unit or a Purchaser at a foreclosure sale shall not be liable and the Unit shall not be subject to a lien for the payment of Common Charges assessed prior to the acquisition of title to such Unit by the first mortgagee or purchaser at a foreclosure sale. In such event and in the event of a foreclosure by the Board of Managers of its lien on any Unit for unpaid Common Charges where the proceeds of the foreclosure sale are not sufficient for the payment of such unpaid Common Charges, the unpaid balance shall be charged to all Unit Owners as a Common Expense.

During the period of time the Sponsor retains a majority of the seats of the Board of Managers, the Sponsor will cause the Board of Managers to file a lien as provided for in Section 339-aa of the Real Property Law on Units in which Sponsor is more than thirty (30) days in arrears of Common Charges.

Repairs, Alterations and Improvements to the Units

No Residential Unit Owner shall make any addition, alteration or improvement (of either a temporary or permanent nature) of a structural nature in or to the Residential Unit Owner's Residential Unit, any Limited Common Element or any portion of the Condominium which affects two (2) or more Residential Units, without the prior written approval of the Board of Managers. Furthermore, no Residential Unit Owner may alter or remove any interior wall without the prior written approval of the Board of Managers. The Board of Managers shall have the obligation to answer any written request by a Residential Unit Owner for approval of a proposed structural addition, alteration or improvement in such Residential Unit Owner's Residential Unit within forty-five (45) days after such request is received, and failure to do so within the stipulated time shall constitute a denial by the Board of Managers of the proposed addition, alteration or improvement. No Residential Unit Owner will make any addition, alteration or improvement of a structural nature in or to any Residential Unit, any Limited Common Element or any portion of the Condominium which affects two (2) or more Residential Units, without first (1) obtaining and maintaining during the course of such work such insurance as the Board of Managers may reasonably prescribe and providing the Board with a certificate of insurance prior to the commencement of the work, (2) executing and delivering to the Board of Managers an agreement, in form and substance reasonably satisfactory to the Board, setting forth the reasonable terms and conditions under which such alteration, addition or improvement may be made, including, without limitation, the days and hours during which any such work may be done, (3) executing and delivering to the Board of Managers an agreement indemnifying and holding harmless the Board, its members and officers, and all Residential Unit Owners from and against any liability, cost or expense arising out of or connected to such work and (4) obtaining all approvals, as necessary, from the City of New York or any other governmental agency. In the event the Board of Managers chooses to have the proposed addition, alteration or improvement reviewed by an independent architect or engineer, the Residential Unit Owner shall pay the charges of such architect or engineer. The Residential Unit Owner shall also bear the cost of any increased taxes or insurance premiums resulting from their alterations, additions or improvements to their Residential Unit.

Any application to any department of The City of New York or any other governmental authority for a permit to make an addition, alteration or improvement in or to any Residential Unit shall be completed by the Residential Unit Owner and executed by the Board of Managers only, without however, incurring any liability on the part of the Board of Managers or any of them to any contractor, subcontractor or material man on account of such addition, alteration or improvement, or to any person having any claim for injury to person or damage to property arising therefrom. The above provisions regarding changes to a Residential Unit shall not apply to Residential Units owned by the Sponsor or its designee until such Residential Units shall have been initially conveyed to a bona fide purchaser by the Sponsor or such designee.

All maintenance (including electrical repairs and plumbing stoppages in the Units, interior painting and decorating of the Units), repairs and replacements to the interior of

the Units including repairs to the heating/air conditioning system servicing said Unit whether inside or outside the Unit, all appliances located therein, pipes, wires and conduits servicing a single Unit other than as may be set forth in the Condominium By-Laws shall be made by the respective Unit Owner at the Unit Owner's sole cost and expense. All maintenance and repair to the interior portion of the window area and doors which open from a Unit are the responsibility of the Unit Owner at the Unit Owner's sole cost and expense. All maintenance, repair and replacement to the external portion of the window area, the actual window and external portion of the doors which open from a Unit will be the responsibility of the Condominium, unless the maintenance, repair or replacement of the external portion of the window, the actual window and external portion of the doors which open from a Unit are caused as a direct result of the negligence or act of a Unit Owner. In such an event it shall be the Unit Owners responsibility to repair or replace the external portion of the window, the window or the external portion of the doors which open from a Unit.

All general maintenance and repairs to the balconies or terraces that are Limited Common Elements, including cleaning, snow removal and all repairs not structural in nature, (including maintenance or replacement of the surface of the balconies or terraces), shall be the responsibility of the Residential Unit Owner whose balcony or terrace is appurtenant to their Residential Unit and is a Limited Common Element of their Residential Unit. Although the cost of repairs and replacements of the Limited Common Elements shall be borne by the Residential Units Owners, the Board of Managers shall be charged with performing all such repairs and replacements at the Residential Unit Owners sole cost and expense.

In the event that the Residential Unit Owner fails to make any repair or creates any condition which affects a Building, the General Common Elements, the Limited Common Elements, or any other Residential Unit, the Board of Managers, may, upon notice given in accordance with the provisions of the By-Laws, make such repair or correct such condition and charge the Residential Unit for the cost of such service.

In the event it becomes necessary for the Board of Managers to bring any lawsuit or other proceeding to enforce its right to make such repair or correct such condition or to collect any sum due on account thereof, the Board of Managers shall also be entitled to collect reasonable attorney's fees in connection with such suit or proceeding.

Prospective Purchasers should refer to Section XVII of the Offering Plan for repairs, alterations and improvements to the General and Limited Common Elements.

Insurance

The Board of Managers shall obtain and maintain, to the extent obtainable, fire insurance with extended coverage, water damage, vandalism and malicious mischief endorsements insuring a Building, including all of the Units and the bathroom, kitchen and laundry equipment initially installed therein by the Sponsor, together with all heating, any air conditioning equipment and other service machinery contained therein, covering

the interest of the Condominium, the Board of Managers and all Unit Owners and their mortgagees, as their interest may appear, in an amount equal to the full replacement value of a Building. Each of such policies shall contain a New York Standard Mortgagee clause in favor of each mortgagee of a Unit which shall provide that the loss, if any, thereunder shall be payable to such mortgagee as its interest may appear, subject, however, to the loss payment provisions in favor of the Board of Managers and the Insurance Trustee hereinafter set forth; and such other insurance as the Board of Managers may determine.

The Board is not required to obtain or maintain any insurance with respect to any property contained in any Unit or any liability with respect to occurrences in or about each Unit or the Common Elements, if any, exclusive and/or appurtenant thereto. Consequently, all Unit Owners are required to obtain and maintain (i) a personal liability policy if such Unit Owner is an individual, or (ii) commercial general liability insurance if such Unit Owner is a corporate entity, against claims for personal injury, death or property damage occurring in, on or about such Unit Owner's Unit and the Common Elements, if any, exclusive and/or appurtenant to his or her Unit affording protection of at least \$1,000,000 per occurrence, plus at least \$1,000,000 umbrella liability coverage. Further requirements with respect to such insurance are more particularly set forth in the Condominium By-Laws. In addition, all Unit Owners are urged to obtain property and casualty insurance with respect to the fixtures, furniture, improvements, furnishings and other personal property located within their respective Units. Purchasers are also advised that the insurance policies to be maintained by or on behalf of the Board will be on a "replacement cost" basis and will not cover losses to the extent that "market value" of a Unit may exceed its insured replacement cost. All insurance policies required to be maintained by the Board will be on a "replacement cost" and will not cover losses to the extent that market value may exceed such replacement cost.

All insurance policies required or permitted to be maintained by Unit Owners hereunder shall be primary with respect to the risks insured thereunder and shall contain waivers of subrogation, if available, and further provide that the liability of the carriers issuing insurance obtained by the Unit Owner shall not be affected or diminished by reason of any such additional insurance carried by any Unit Owner. Further, as a result of current fluctuations in the insurance market, the Board will not be required to obtain or maintain terrorism or mold coverage but may do so, and in such event, the cost thereof shall be a Common Expense as described in the Condominium By-Laws.

The proceeds of all policies of physical damage insurance carried by the Board shall be payable to the Insurance Trustee if the loss shall amount to more than \$40,000 to be applied for the purpose of repairing, restoring or rebuilding a Building unless otherwise determined by the Residential Unit Owners, as hereinafter set forth.

All policies of physical damage insurance shall contain waivers of subrogation and of any reduction of pro-rata liability of the insurer as a result of any insurance carried by the Residential Unit Owners or of the invalidity arising from any acts of the insured or any Residential Unit Owners and shall provide that such policies may not be canceled or

substantially modified without at least ten (10) days prior written notice to all of the insured, including all mortgagees of Units. Duplicate originals of all policies of physical damage insurance and of all renewals thereof, together with proof of payment of premiums shall be delivered to all mortgagees of Units at least ten (10) days prior to expiration of the then current policies.

The amount of fire insurance to be maintained on the entire Building upon the transfer of title to the first Residential Unit and until the first meeting of the Board of Managers following the first annual meeting of the Unit Owners will be in the amount reflected in the footnotes to Schedule B, the budget for the first year of operation of the Condominium. The Board of Managers shall review the amount of fire insurance annually.

A New York Bank or Trust Company shall be the Insurance Trustee unless or until replaced by a bank or trust company in the State of New York, designated by the Board of Managers. In the event that the Insurance Trustee shall resign or not qualify, the new Insurance Trustee shall also be a bank or trust company in the State of New York designated by the Board of Managers. The Insurance Trustee shall hold all proceeds of insurance policies in accordance with Section 254.4 of the Real Property Law.

The cost of all such insurance and the fees and expenses of the Insurance Trustee shall be paid by the Board of Managers and shall constitute a General Common Expense. The Board of Managers shall also obtain and maintain, to the extent obtainable: (1) fidelity insurance covering all employees of the Condominium who handle Condominium funds; (2) Worker's Compensation insurance; and (3) in order to limit the liability of Unit Owners for personal injury and tort, public liability insurance covering each Member of the Board of Managers and each Unit Owner, in such limits as the Board of Managers may deem proper. The Board of Managers shall review such limits once each year.

The public liability insurance policy to be maintained until the first meeting of the Board of Managers following the first annual meeting of the Unit Owners will be a limit of \$1,000,000 per occurrence covering all claims for bodily injury and for property damage arising out of any one (1) occurrence in the Common Elements.

Residential Unit Owners shall not be prohibited from carrying other insurance for their own benefit provided such policies contain waivers of subrogation and further provided that the liability of the carriers issuing insurance procured by the Board of Managers shall not be affected or diminished by reason of any Residential Unit Owner's other insurance.

THE CONDOMINIUM INSURANCE COVERAGE DOES NOT COVER FIRE AND LIABILITY INSURANCE FOR THE PURCHASER'S PERSONAL EFFECTS AND INTERIOR OF THE RESIDENTIAL UNIT. PURCHASERS ARE ADVISED TO SECURE SUCH COVERAGE.

The insurance the Sponsor will initially procure for the Condominium will contain officers and director's liability or fidelity bond insurance.

The Board will arrange for repair of the Units in the event of casualty loss. In the event the insurance proceeds are not sufficient to cover the cost of repairs to the Units, the balance of the cost of such repairs will be assessed against all Unit Owners. For further provisions regarding repair or reconstruction of Units, after fire or casualty and condemnation provisions see Article VII and XII of the By-Laws. In the event of a casualty loss, the Unit Owners will continue to pay the Common Charges on his or her Unit.

Although there is no requirement for annual appraisals to ascertain whether the insurance coverage is adequate, such appraisals are required prior to renewal of any fire policy. See Schedule B for the estimated insurance costs of the Condominium.

Access by Board of Managers

The Board of Managers and its agents, employees and contractors shall have a right of access to any Unit and to all portions of the Common Elements for the purpose of carrying out any of its obligations under the Declaration and By-Laws. Such right of access shall be exercised in such manner as will not unreasonably interfere with the use of the Units but no prior notice shall be required in the event the Board of Managers shall determine that action is immediately necessary for the preservation or safety of the Condominium or its property, or the Units, or for the safety of Condominium residents or other persons, or required to avoid the suspension of any necessary service to the Condominium.

By-Laws and Rules and Regulations

Ownership of a Unit in the Condominium subjects the Unit Owner to compliance with the provisions of the Declaration and By-Laws as well as any rules and regulations contained in the Declaration or By-Laws or established by the Condominium in accordance therewith. The rules and regulations set forth in the Declaration and By-Laws can be found in Part II of the Plan in Schedule I, Article Seventeenth and Schedule J, Article VIII. The Board of Managers cannot bring any litigation without the approval of 75% of the Unit Owners, except to enforce compliance with the provisions of the Declaration and By-Laws as well as the rules and regulations established therewith.

The provisions of the By-Laws which requires Members of the Board of Managers to be Residential Unit Owners will not apply to the first Board of Managers or any Sponsor designees to the Board of Managers.

Easements

Each Unit Owner will have an easement in common with all other Unit Owners for the use, maintenance and repair of all pipes, wires, conduits and public utility lines located in the Common Elements or located in other Units and servicing the Unit Owner's Unit.

Further, each Unit Owner will have an easement for the continuance of any encroachment by their Unit on any adjoining Unit or Common Element now existing or which may come into existence hereafter as a result of the settling of the Units or repair or alteration of the Unit by the Board of Managers, after damage by fire or other casualty or as a result of condemnation or eminent domain proceedings, or by reason of an alteration made by the Board to the Common Elements so that any such encroachment may remain undisturbed so long as the Unit stands. Each Unit will be subject to such encroachments and easements in favor of all other Units.

Each Residential Unit Owner will have, in common with all other Residential Unit Owners and each Residential Unit will be subject to, an easement for the use of a Residential Unit's Limited Common Elements and any facilities located therein, including but not limited to, such easement as will be necessary to operate, maintain, repair, rebuild, restore and replace, as necessary, such Residential Unit Owner's Residential Unit and an easement to connect to existing utilities including, but not limited to, utilities for gas, electricity, water and ventilation.

Each Unit will have an easement of support from all structural members (including, but not limited to, columns, footings, bracings, foundations, slabs, and exterior walls) supporting or serving the Building and any replacements thereof and additions thereto and an easement of necessity, and each Unit will be subject to an easement of support and necessity in favor of all other Units and the Common Elements. Each Unit will have an easement for lateral and vertical support among all adjoining Units and Common Elements.

The Board of Managers, its agents and employees shall have a right of access to the Units and to the Common Elements (irrespective of the restricted nature of such Common Element) to inspect, maintain or repair the Common Elements or any pipe, wire, or conduit therein or to make repairs to the Unit to prevent damage to the Common Elements or any other Unit.

Allocation of Common Interest

The Common Interest of the Condominium establishes the Unit Owners percentage of ownership in the Common Elements of the Condominium and percentage of liability for the payment of General Common Charges. Each Unit Owner has the percentage of Common Interest in the Condominium set forth on Schedule A.

The Common Interest of each Unit has been based upon floor space, subject to the location of such space and the additional factors of relative value to other space in the Condominium, the uniqueness of the Unit, the availability of Common Elements for exclusive or shared use, and the overall dimensions of the particular Unit. Said method of determining the percentage of Common Interest in a condominium complies with and is pursuant to Section 339-i (1) (iv) of the Real Property Law of the State of New York.

The percentage of the undivided interest in the Common Elements shall not be changed except with the consent of all Unit Owners affected expressed in a duly recorded amendment to the Declaration. Copies of both the Declaration and By-Laws are contained in Part II of the Offering Plan.

XXII. REAL ESTATE TAXES

In accordance with the New York State Condominium Act, real estate taxes applicable to each Unit will be separately assessed and taxed as a separate Lot and the Unit Owner will not be responsible for payment of or subject to any lien arising from nonpayment of taxes for another Unit. The estimated monthly costs and charges to be incurred by the Owner of each Unit in the first year in which the Property will be fully subject to real estate taxes together with estimated insurance costs for the fire and liability insurance on each Unit and other carrying costs are set forth on Schedule A. The projected real estate taxes for the first year of operation contained in Schedule A are based on a post completion projected assessed value of the building.

Based on an opinion letter from Metropolitan Realty Exemptions (“Metropolitan”), 349 Keap Street, Brooklyn, NY 11211, dated September 11, 2025, for the post construction tax year the DOF will set the Total Assessed Value for the building at approximately \$2,063,620.

Assuming the 2025 tax rates of 10.762% for tax class 4 and 12.500% for tax class 2, the projected tax liabilities will be as follows:

Residential Tax liability	
Assessed Value	\$1,227,400
Tax liabilities	\$153,425

Commercial Assessed Value and Tax liability with ICAP	
Assessed Value	\$836,220
Tax liabilities	\$89,994
ICAP Abatement Amount	-\$83,873
Total Commercial Tax Liability	\$6,121

Commercial Assessed Value and Tax liability without ICAP	
Assessed Value	\$836,220
Tax liabilities	\$89,994

Although the aforesaid estimate of actual assessed valuation is a good faith estimate, it is not possible to estimate the same with any degree of certainty. Assessed valuations, when actually made, may be lesser or greater based on interpretation of the administrative code and the applicable rules and regulations of the City of New York. The estimates are not intended, and should not be construed as warranties as to future assessed valuations of the Property. In no event will the consultant, the Sponsor, the Sponsor's counsel or any other person be liable if the assessed valuation, when actually made, is lesser or greater than that predicted above or if the administrative code and the applicable rules and regulations of the City of New York are in the future changed or if the facts as represented, prove to be untrue. In the event actual real estate taxes differ than from the estimates provided herein, Purchasers will not be offered rescission.

After the condominium is divided into individual tax lots, each Unit will be taxed as a separate tax lot for real estate tax purposes and the Unit Owner will not be responsible for the payment of, nor will the Unit be subject to, any lien arising from the non-payment of taxes on other Units. In addition, pursuant to the provisions of the Internal Revenue Code of 1986 and the Tax Cuts and Jobs Act of 2017, the real estate taxes payable by a Residential Unit Owner, which are assessed against their Residential Unit by any governmental taxing authority, up to a maximum of \$10,000 (inclusive of local and state tax deductions), are a proper deduction in connection with Federal and State Income Taxes payable by such Residential Unit Owner.

Projected tax deductions (where applicable) may vary in future years due to changes in the interest rate on the Residential Unit Owner's mortgage (if any) or from changes in the allocation of constant debt service payments to interest and principal, or due to changes in real property taxes, or from changes in the assessed value, the tax rate or the method of assessing real property.

Purchasers are encouraged to review the projected real estate taxes with counsel and/or a real estate tax professional.

Each Unit will be given a separate block and lot designation.

The estimate of real estate taxes for each Unit for the first year of Condominium operation further assumes that the amount of real estate taxes payable with respect to each Unit will be calculated by dividing the total tax liability among the Units in proportion to their percentage of Common Interest as indicated in Schedule A. There is no assurance that the City of New York will allocate taxes between Units in proportion to their percentage of Common Interest. If they do not, Owners of Units with the same Offering Price will pay different amounts of real estate taxes.

Although in the Sponsor's opinion this method of calculating the real estate taxes applicable to each Unit is reasonable, there can be no assurance that the final exemptions applied for will be granted or that this method of calculation of real estate taxes applicable to each Unit will be the final method used by the New York City taxing authorities in establishing the real estate tax assessment for each Unit. If for any reason a different

method of calculation is used or a different assessment is placed upon any of the Units by such authorities, real estate taxes may increase or decrease, depending upon the final decision of such taxing authorities.

In the event the Units have not been separately assessed for real estate tax purposes prior to the Closing of Title to the first Unit, Sponsor may place in escrow, in the name of the Board, an amount equal to the unpaid real estate taxes which will be levied against the Units in the Condominium for the six (6) month period following the first Closing. Thereafter, at each closing during said period, each Purchaser will reimburse the Sponsor for the pro-rata amount paid on behalf of said Unit. In the event the actual assessment is greater than the amount adjusted, Purchaser agrees to reimburse Sponsor after the Closing to the extent of the actual assessment. In the event the actual assessment is less than the amount adjusted, Sponsor agrees to reimburse the Purchaser after the Closing to the extent of the actual assessment.

Alternatively, Sponsor may place in escrow, in the name of Board of Managers, an amount equal to the real estate taxes attributable to the Unsold Units for such six (6) month period and may collect at each Closing the estimated amount of taxes attributable to such Unit for the balance of the six (6) month period. The Board will pay the real estate taxes from the Escrow Account when taxes are due and payable and the funder of the Escrow Account will be entitled to reimbursement from Unit Owners to the extent of the actual assessment.

If prior to consummation of the Offering Plan, as evidenced by the acceptance of a post-closing amendment to the Plan, Sponsor rents any Residential Unit (or portion thereof) to any person other than an interim lessee, the Sponsor will be obligated to abandon the Plan in accordance with the provisions of 13 NYCRR 20.1(1)(2) and 20.5(g). Unit Owners will not be responsible for or subject to any lien arising from the non-payment of real estate taxes on any other Unit.

There are no tax certiorari proceedings currently pending for the property. The Board may act as an agent for one (1) or more Residential Unit Owners to file a single complaint and bring a special proceeding on behalf of Unit Owners who wish to contest the real estate tax assessments of their Residential Unit pursuant to Section 339-y (4) of the New York Real Property Law. In such event, the Board may retain counsel on behalf of such Residential Unit Owners and charge each Residential Unit Owner for whom it is acting a pro-rata share of expenses, disbursements and legal fees, the payment for which would be secured by a lien on each Unit. The Board is not obligated to perform such services and it is necessary to obtain the written authorization of the Residential Unit Owners it will perform such service for.

The Board may commence, pursue, compromise or settle certiorari proceedings to obtain reduced real estate tax assessments, or in connection with any real estate taxes exemption or abatement, with respect to any or all of the Non-Residential Units for the benefit and on behalf of the respective Unit Owners thereof; but only to the extent requested and authorized to do so in writing by the respective Non-Residential Unit

Owners thereof and provided such Non-Residential Unit Owners indemnify the Board and all other Unit Owners from and against all claims, liabilities, losses, damages, costs and expenses (including, without limitation, reasonable attorneys' fees and disbursements) (collectively, "Costs") resulting from or incurred in connection with such proceedings.

Upon Closing of Title to the first Unit in the Condominium, Sponsor will make all tax benefit documents available to the Board of Managers for inspection and copying, for the life of the benefits. Furthermore, Sponsor will file all tax benefit applications and timely comply with all procedures required to properly process and maintain the tax benefits.

The Industrial and Commercial Abatement Program (ICAP) reduces some of the increase in real estate taxes caused by new construction, modernization, or rehabilitation of industrial or commercial buildings by offering up to 25 years of property tax abatements for eligible projects. Sponsor has filed for ICAP benefits which is an abatement is granted on that part of a property's assessed value known as the abatement base. ICAP benefits are only granted after the first tax year (beginning July 1 of any year) following the completion of construction. Construction is considered complete once a Final Certificate of Occupancy has been issued.

The Sponsor anticipates that the real estate tax rate will vary in future years rather than remain constant. The estimates of projected real estate taxes in this Offering Plan have been prepared by the Sponsor and cannot be construed as an assurance of the final tax costs, but are merely estimates based upon information available to the Sponsor at this time. In no event will the Sponsor or Sponsor's counsel be liable to any Purchaser under this Plan, nor will any Purchaser have the right to rescind their Purchase Agreement, in the event the amount of the taxes differ from those projected.

XXIII. INCOME TAX DEDUCTIONS TO RESIDENTIAL UNIT OWNERS AND TAX STATUS OF THE CONDOMINIUM

MORITT HOCK HAMROFF, LLP IS COUNSEL TO THE SPONSOR AND NOT TO ANY PURCHASER UNDER THE OFFERING PLAN. EACH PURCHASER SHOULD CONSULT WITH HIS OR HER OWN TAX COUNSEL, ACCOUNTANT OR OTHER FINANCIAL ADVISOR AS TO THE CONSEQUENCES OF THE OWNERSHIP OF A RESIDENTIAL UNIT.

The Sponsor has been advised by its counsel, Moritt Hock & Hamroff LLP, that each Residential Unit Owner will be entitled under present law to a deduction for Federal and New York State income tax purposes for the real estate taxes paid by him covering his Residential Unit, up to a maximum of \$10,000 per year, inclusive of state and local taxes, and, provided the Residential Unit is used as the Residential Unit Owner's primary residence or one (1) other residence that the Residential Unit Owner selects pursuant to Section 163(h) of the Internal Revenue code of 1986 and the Tax Cuts and Jobs Act of 2017, for the interest paid by the Residential Unit Owner on any mortgage covering the Residential Unit Owner's Unit, up to a maximum loan amount of \$750,000. Purchasers should note that the \$10,000 per year tax deduction is for the combined New York State income taxes, New York City (or local) income taxes and real estate taxes. Accordingly, in the event the Unit Owner's combined New York State income taxes, New York City (or local) income taxes and real estate taxes exceed the \$10,000 threshold, a Unit Owner may not be able to realize a deduction for amounts over the \$10,000 threshold. See the Opinion of Counsel in Section XXIII of the Offering Plan. Similarly, the Sponsor has been advised by counsel that certain Residential Unit Owners who are veterans of the United States Armed Forces may be entitled to deductions covering part of the real estate taxes applicable to their respective Residential Units.

In 2025, Prospective Purchasers are advised that federal income tax laws affecting the ownership of residential real estate have recently been amended pursuant to legislation commonly referred to as the "Big Beautiful Bill Act" (the "Act"). The Act modifies prior limitations on the deductibility of certain state and local taxes ("SALT"), including real property taxes, and may revise or extend existing limitations on the deductibility of home mortgage interest and other itemized deductions. The extent to which real estate taxes, common charges allocable to real estate taxes, mortgage interest, and other ownership expenses may be deductible will depend upon applicable law in effect at the time of filing and each Purchaser's individual income level, filing status, and overall tax circumstances. Certain provisions of the Act may be temporary and subject to expiration or further legislative change. Accordingly, Purchasers should not assume that such expenses will be fully deductible for federal income tax purposes. The Sponsor makes no representation as to the availability or continued availability of any federal, state, or local tax deduction or benefit, and each prospective Purchaser is strongly urged to consult his or her own independent tax advisor regarding the tax consequences of purchasing and owning a Unit. See Section XXII of the Plan.

The Sponsor has been advised by its counsel that the Condominium will be taxed on any excess of income over expenses from unrelated sources. Examples of unrelated source income include interest earned on reserve and other invested funds, income from concessions and income from dues or fees received from persons other than the Residential Unit Owners. If the Condominium is required to pay taxes, the amount thereof will be levied as an additional Common Charge.

Sponsor has also been advised that pursuant to Section 528 of the Internal Revenue Code, certain Condominiums, substantially all of whose Residential Units are used for residences, are afforded the opportunity to elect to be treated as tax exempt organizations, as it relates to income derived from Common Charges. In order to qualify, sixty (60%) percent or more of the gross income of each must consist of amounts received as membership dues, fees or assessments from the Residential Unit Owners and ninety (90%) percent or more of the expenditures of each must be for the acquisition, construction, management, maintenance and care of the Condominium Properties, which properties, as defined in Section 528 of said Code, include property held by the Condominium, property commonly held by the members of the Condominium, or property within the Condominium held by the members of the Condominium. This Condominium has been structured so that it will meet the requirements of Section 528 of the Internal Revenue Code and as a result the Condominium will be eligible to be treated as a tax-exempt organization under Section 528 of the Internal Revenue Code. Purchasers should refer to the Opinion of Counsel in Section XXI of the Offering Plan.

Re: The 132-51 41st Road Condominium

Gentlepeople:

We note that the Offering Plan for the above-captioned Condominium states that it is believed that the monthly payments of interest on any mortgage up to a maximum loan amount of \$750,000 in the aggregate, which becomes a lien on a Condominium Residential Unit and real estate taxes payable by a Residential Unit Owner, up to a maximum of \$10,000 per year (inclusive of state and local taxes), which are assessed against their Residential Unit by any governmental taxing authority, are a proper deduction in connection with Federal and New York State Income Taxes payable by the owner of such Condominium Residential Unit. Purchasers should note that the \$10,000 per year tax deduction is for the combined New York State income taxes, New York City (or local) income taxes and real estate taxes. Accordingly, in the event the Residential Unit Owner's combined New York State income taxes, New York City (or local) income taxes and real estate taxes exceed the \$10,000 threshold, a Residential Unit Owner may not be able to realize a deduction for amounts over the \$10,000 threshold.

We have given this matter careful study, and it is our opinion that, pursuant to the provisions of the Internal Revenue Code of 1986 (the "Code") (See Revenue Ruling 64-31, C.B. 1964-300) and the corresponding provision of the New York State Law (See Section 615 of the Tax Law) and the Tax Cuts and Jobs Act of 2017, such interest payments and the aforesaid real estate payments are proper deductions by the home owner of a Condominium Residential Unit, in connection with their Federal and New York State income taxes. Similarly, we are of the opinion that each Condominium Residential Unit Owner whose Residential Unit is either their principal residence or the one other residence they select pursuant to Section 163 (h) (5) (A) (i) (II) of the Code will be entitled, under Section 216 (a) (2) of the Code and Section 615 (a) of the State Law, and the Tax Cuts and Jobs Act of 2017, to deduct interest paid or accrued by them on any mortgage which becomes a lien on their Condominium Residential Unit, up to a maximum amount of \$750,000.

The Residential Unit may be so selected if the Residential Unit Owner either uses it as a residence within the meaning of Code Section 280A (d) (1) (i.e., they use it for personal purposes for a number of days which exceed the greater of fourteen (14) days, or ten (10%) percent of the number of days during the year for which the Residential Unit is rented at a fair rental), or neither rents nor uses the Residential Unit at any time during the year.

In addition, certain Residential Unit Owners who are veterans of the United State Armed Forces may be entitled to deductions covering part of the real estate taxes applicable to their Residential Unit.

In adding a new Section 528 to the Code, the Tax Reform Act of 1976 affords certain Condominiums and Associations, substantially all of whose Residential Units are used for residences, the opportunity to elect to be treated as tax exempt organizations. In order to qualify, sixty (60%) percent or more of the gross income of each must consist of amounts received as membership dues, fees or assessments from the Residential Unit Owners and ninety (90%) percent or more of the expenditures of each must be for the acquisition, construction, management, maintenance and care of the Condominium or Association properties, which properties, as defined in Section 528 of the Code, include property held by the Condominium or Association, or property within the Condominium or Association. Based upon our examination of the Offering Plan and subject to the Condominium or Association, if one is formed, actually satisfying the minimum percentage income and expenditure criteria set forth above, which is likely, it is our opinion that the Condominium or Association will be eligible to be treated as a tax-exempt organization under Section 528 of the Code.

Such an election will exempt from Federal and New York State Income Taxation all amounts received by the Condominium from the Residential Unit Owners as membership dues, fees or assessments. The Condominium will be taxed, however, on any excess of income over expenses from unrelated sources. Examples of unrelated sources of income include interest earned on reserve funds, income from concessions and income from dues or fees received from persons other than the Residential Unit Owners. In the event either the Condominium or the Association fails to qualify for and elect Section 528 taxation status in any year, it may, to the extent it has any income from accumulated revenues received by virtue of dues, fees and assessments received from Residential Unit Owners and unrelated sources of income, not expended in any taxable year, be subject to Federal and New York State Income Taxation (see Rev. Ruling 74-99, 1974-1 C.B. 131).

We have considered the relevant cases and rulings on the tax status of the Condominium including Revenue Rulings 74-17, 74-99, 75-370 and 75-371. These rulings, under certain circumstances, permit assessments for capital replacements and new or replacement equipment to be excluded from the Condominium's income and be treated for tax purposes as additional capital contributions. In such case each Residential Unit Owner's assessment for such purposes would add to their tax basis.

Although the Condominium described in the Plan may be deemed a taxable entity under such Rulings, assuming that all expenses are designated and accounted for, and that certain other special purpose assessments are properly treated as trust funds, the Condominium should not realize any significant amount of taxable income, other than with respect to incidental investment income, such as interest earned on reserve funds deposited in bank accounts.

We have examined the exceptions to title set forth in Section XIII of the Offering Plan, and we are of the opinion that none of such exceptions of title are contrary to the terms of the Purchase Agreement nor do they interfere with the quiet use or enjoyment of the Purchaser's Unit as set forth in the Offering Plan.

We have examined the Declaration and By-Laws pertaining to the proposed Condominium. It is our opinion that the Declaration and By-Laws, when recorded, will validly create a Condominium in accordance with Article 9-B of the Real Property Law of the State of New York.

In addition, we note that the percentage of Common Interest for each Residential Unit as contained in Schedule A has been determined based upon floor space, subject to the location of such space and the additional factors of relative value to other space in the Condominium, the uniqueness of the unit, the availability of Common Elements for exclusive or shared use, and the overall dimensions of the particular unit. In our opinion, this is a proper method of determining the percentage of Common Interest in a Condominium and complies with Section 339-i (1)(iv) of the Real Property Law.

In our opinion, the Condominium will be eligible for tax exempt status, if it so elects, and Residential Unit Owners will be entitled to the above-mentioned income tax deductions. However, this opinion is not a guarantee; it is based on existing rules of law applied to the given facts and documents referred to above Owners not to be or to cease to be entitled to the benefits or the level or duration of benefits described above.

No assurances can be given that the tax laws upon which counsel base this opinion will not change. In no event will the Sponsor, the Sponsor's counsel, the Board of Managers of the Condominium, the selling agent or any other person be liable if there are changes in the facts on which counsel relied in issuing this opinion or if there are changes in the applicable statutes, regulations, decisional law or Internal Revenue Service rulings on which counsel relied which cause the Condominium to cease to meet the requirements of section 528 of the Internal Revenue Code of 1986, as amended, or the New York State Tax Law, as amended, and cause the Unit Owners not to be entitled to income tax deductions (or which cause Unit

It is our understanding that this letter will be made a part of the Offering Plan of The 132-51 41st Road Condominium and we consent to its inclusion therein.

Very truly yours,

RE: 132-51 41 Road
Queens, NY
Block & Lot: 5039 - 40

Letter of Opinion on ICAP Real Estate Tax Exemption Benefits and Tax Liabilities

Project Details: 14 residential condominium units and three community facility units.

To Whom It May Concern,

You requested our opinion regarding the eligibility of the above property to receive partial real estate tax abatement benefits under Section 489-aaaaaa of the New York State Real Property Tax Law and the rules and regulations adopted by the New York City Department of Finance, as amended (collectively, the "ICAP Program"). Additionally, this letter will offer an estimate of the property's real tax liabilities both with and without the program and its benefits.

Project Details

To prepare this letter and the opinion provided herein, you have given us the following information upon which we have relied:

1. The subject property is located at 132-51 41 Road, Queens, NY, and is identified as Block: 5039, Lot 40 with the New York City Department of Finance ("DOF").
2. Prior to commencement of construction, the Building Classification was a 2-family house, which is a Tax Class 1 property with the DOF.

METROPOLITAN Realty Exemptions, Inc.

3. Prior to the commencement of construction, the property was classified as a Tax Class 1 with the DOF.
4. This application proposes a new mixed-use building, which will include 14 residential condominium units and three community facility units.
5. The building will have a total of 12,274 gross square feet for residential units, while the community facility space will cover 7,602 gross square feet.
6. Separate condominium tax lots will be filed with the DOF for each residential and commercial unit.
7. According to assessment guidelines, the DOF Surveyor's Office will classify the commercial unit and the parking area as tax class four (4) and apply an assessed value ("AV") at a rate of 45% of the market value.
8. The residential units will be classified as a tax class two (2) and will therefore apply an assessed value at a 45% rate of the market value.

ICAP Real Estate Tax Benefits

An abatement is granted on that part of a property's assessed value known as the abatement base. The Industrial and Commercial Abatement Program (ICAP) reduces some of the increase in real estate taxes caused by new construction, modernization, or rehabilitation of industrial or commercial buildings by offering up to 25 years of property tax abatements for eligible projects.

Eligible ICAP applicants receive a tax abatement equal to a percentage of the "Abatement Base." The "Abatement Base" is calculated as the "Post-completion Tax" minus 115% of the "Initial Tax." The "Post-completion Tax" is the taxable assessed value (the lesser of the actual or transitional assessed values) shown on the assessment roll with a taxable status date immediately following either the completion of construction (issuance of a Final Certificate of Occupancy) or four years from the date of the project's first building permit, multiplied by the "Initial Tax Rate." The "Initial Tax Rate" is the tax rate applied to the assessment roll with a taxable status date immediately before the issuance of the first building permit.

The "Initial Tax" is the taxable assessed value listed on the assessment roll with a taxable status date immediately before the issuance of the first building permit, multiplied by the "Initial Tax Rate." Neither the post-completion tax nor the Initial Tax includes the assessed value of the property's land, and the ICAP abatement does not apply to reduce the real estate tax related to the land.

Based on the above calculation, if there is no significant construction in the first four years after the initial permit, then the ICAP will not provide any benefit.

Commercial retail projects receive the abatement described above for 11 years based on the increase in assessed value attributable to improvements. This is followed by a 4-year phase-out period during which the benefit is reduced by 20% each year. Commercial projects that do not include retail space in designated special exemption areas are eligible for the same exemption for 16 years. Afterward, the exemption decreases by 10 percent each year for the subsequent 9 years. Additionally, during years 2-13 of the abatement period, if the increase in tax liability over

METROPOLITAN Realty Exemptions, Inc.

the previous year exceeds 5 percent, that excess will be added to the abatement base. However, in any year from 2 to 13, if the taxable AV increases due to a physical change that results in a tax increase of more than 5%, then none of that increase is included in the abatement base. When more than 10% of the building is used for retail, only the non-retail parts and up to 10% of the retail area qualify for the 25-year benefit. The remaining retail space will be eligible for benefits based on the 15-year schedule. The subject project is located within the designated special abatement area.

It is important to note that ICAP benefits are only granted after the first tax year (beginning July 1 of any year) following the completion of construction. Construction is considered complete once a Final Certificate of Occupancy has been issued.

Eligibility Requirements

A preliminary application must be submitted before the issuance of the first building permit or, if no permit is needed, before construction begins. Projects will NOT qualify for benefits if a building permit is issued before the preliminary application is filed.

The final application must be submitted within one year of the issuance of the building permit, or if no permit is required, within one year from the start of construction. It can also be submitted no later than one year after the initial permit is issued or construction begins. The 1-year rule only applies to applications where the ICAP preliminary application was filed before 3/10/2017.

Time Limit for Construction

There is a 5-year deadline to finish construction. If not completed within this period, inflation protection will be terminated, if applicable.

Minimum Required Expenditure (MRE)

The minimum required expenditure for commercial construction is 30% of the property's assessed value in the tax year with a taxable status date immediately before the issuance of the project's first building permit. For additional industrial construction abatement, the minimum required expenditure increases to 40%. Applicants have four years from the date the first building permit is issued to meet the full MRE.

MWBE Requirement

As required by applicable rules and regulations, properties applying for the Industrial and Commercial Abatement Program (ICAP) with hard costs of \$750,000 or more must include City-certified Minority- and/or Women-Owned Business Enterprises (M/WBE) in construction. Applicants are required to solicit bids from at least three (3) certified M/WBE firms for each subcontracted scope of work.

Department of Labor Service

If a project costs \$2,500,000 or more in construction, you must file a Construction Services Report and get approval from the Department of Labor Services (DLS). This must be done before starting construction to qualify for ICAP benefits. Not obtaining the necessary approval from the DLS will lead to your ICAP application being denied.

ICAP Eligibility

METROPOLITAN Realty Exemptions, Inc.

Based on the information you and your architect provided, and assuming you complete the work on time and file all required documentation under the ICAP Program of the Real Property Tax Law and applicable rules and regulations, and if the current ICAP provisions remain in effect, it is our opinion that:

- Once construction is finished, the premises will qualify for the ICAP partial real estate tax exemption under Section 36-12 (ICAP Abatement Schedules) of the Rules of the City of New York, for up to 25 years, including the Inflation Protection Benefits mentioned above.
- All ICAP partial real estate tax benefits can be revoked or reduced if the application omits or misstates a material fact, if real estate taxes are not paid in full or are underpaid, or for other specified reasons. Additionally, benefits may be revoked for certain business or labor law violations.

DOF Assessment Guidelines

The New York City Department of Finance evaluates the values of all residential and commercial properties in the city every year. Based on the assessor's assessment as of the taxable status date, January 5th, the Department releases preliminary property values in January and final assessments in May, before each tax year begins. Assessments in New York City are calculated on a fiscal year that starts on July 1st and ends on June 30th of the following year.

The property tax assessment process begins when the city's assessors determine the market value of the property. Property tax is only imposed on a portion of that value, called the assessed value. For 1-3 family homes and condominiums with no more than three stories that were previously classified as class one, the assessed value is 6% of the market value. For all other properties, taxes are based on 45% of the market value.

The annual property tax is calculated by applying the set tax rates each year by the City Council to these property values. The current 2025 tax rates are 10.762% for tax class 4 and 12.500% for tax class 2.

Proposed Real Estate Tax Liabilities

Our opinion is based on several factors: (a) the property's recent tax assessment history; (b) new and/or renovated comparable projects in the neighborhood; (c) overall market conditions in the area; (d) estimated construction costs; and (e) the total usable floor area calculation.

Assessments in New York City are based on a fiscal year that begins on July 1st and ends on June 30th of the following year. The assessment for each fiscal year is determined by the building's status on January 5th of that year.

Real Property Tax Law Section 1805 creates a transition assessment system in New York City. This system spreads out the usual increase in a property's assessed value from one year to the next over five years equally. The five-year phase-in does not apply to new construction or other physical improvements. Such increases are fully added to the following year's assessment. According to Real Property Tax Law Section 1805, the taxable assessment is the lower amount between the actual assessed valuation and the transition assessed valuation.

METROPOLITAN Realty Exemptions, Inc.

We expect a significant increase in value for the 2026/27 and/or 2027/28 tax years because of new construction, and this increase will likely be reflected immediately in the assessment roll. However, in subsequent years, any further market value increases will probably cause the taxable assessment to be based on a phased-in transition assessment, as described above.

Condo or Non-Action Condo Requirement

According to The Rules & Regulations, a Condo or a Non-Action Condo Declaration must be filed with the Attorney General's office to subdivide the commercial space from the residential space into two separate tax lots. Once the condo Declaration is implemented and in effect, so that the commercial space has its tax lot, the NYC Department of Finance will apply the ICAP tax exemption benefits to the commercial space only. As per Rules and Regulations, the ICAP benefits cannot be granted before the subdivision and the implementation of the non-action Condo.

Post-Completion Projected Assessed Value and Tax Liability

Considering the factors mentioned above, we estimate that for the post-construction tax year, the DOF will set the Total Assessed Value at approximately \$2,063,620.

Assuming the 2025 tax rates of 10.762% for tax class 4 and 12.500% for tax class 2, the projected tax liabilities will be as follows:

Commercial Tax Liability without ICAP	
Assessed Value	\$836,220
Commercial Tax Liability	\$89,994
Commercial Tax Liability with ICAP	
Assessed Value	\$836,220
Tax Liability	\$89,994
ICAP Abatement Amount	-\$83,873
Total Commercial Tax Liability	\$6,121

Residential Tax Liability	
Assessed Value	\$1,227,400
Tax Liability	\$153,425

Assessment and Taxation of Individual Condominium Units

In determining the assessed values of individual units, the NYC Department of Finance may use the common interest percentages outlined in the condominium declaration, as long as these percentages are rationally and fairly calculated.

Note: The assessed values of individual units may be allocated using a method that differs from the allocation of common interests.

METROPOLITAN Realty Exemptions, Inc.

According to Section 339-y of the New York Real Property Law, each condominium unit—along with its allocated percentage of common interest—is to be assessed and taxed individually as a separate tax lot.

This means that:

1. Each condominium unit owner is responsible only for their unit's property taxes, not for any other units in the condominium.
2. The nonpayment of taxes by one unit owner **does not create a lien** on any other unit within the condominium.
3. The NYC Department of Finance must treat each unit as an independent parcel for assessment and taxation purposes.

This provision safeguards individual unit owners from liability for their neighbors' unpaid taxes, reinforcing the legal and financial independence of each condominium unit.

Important! Biennial ICAP Renewal

Please note: All ICAP benefit recipients must complete a CCU (Certificate of Continuing Use) to renew the abatement every two years, concerning specific business operation data related to the recipient's economic impact and outcomes. This report should include information such as tenancy data, details about employment creation and job retention, and any other information the department considers relevant.

Disclaimer

Although the aforesaid estimate of the Actual Assessed Valuation is a good-faith estimate, it is not possible to estimate the same with any degree of certainty. Assessed valuations, when made, may be lesser or greater based on the interpretation of the administrative code and the applicable rules and regulations of the City of New York.

Though we believe our opinions are well-founded, they are not intended, and should not be construed as warranties or guaranties or representations as to future assessed valuations of the property under discussion, and we accept no responsibility or liability in the event that the figures or projections set forth herein are incorrect or inaccurate. In no event will this firm, the Sponsor, the Sponsor's counsel or any other person be liable if the assessed valuation, when actually made, is lesser or greater than that estimated above, or if the administrative code and the applicable rules and regulations of the City of New York are changed in the future, or if the facts as represented prove to be untrue.

Sincerely yours,

Martin Joseph

XXV. RESERVE FUND

The Condominium budget includes an annual Reserve Fund in the amount reflected in Schedule B. Such sum will be deposited into a separate reserve fund account. Prospective Purchasers should refer to Schedule B for a more detailed explanation of the Reserve Fund. The creation of the Reserve Fund is authorized pursuant to Article VI of the By-Laws.

No representation is made that Reserve Fund line item will be adequate for future expenses including repairs or replacements of Common Elements during the first five (5) years of the Condominium. If additional funds are required over and above said funds, it may be necessary to increase the Common Charges payable by the Unit Owners, collect a Special Assessment from each Unit Owner or borrow money.

During the period Sponsor is in control of the Board of Managers, the Reserve Fund line item will not be used to reduce the estimated Common Charges.

Neither the Department of Law nor any other Governmental Agency has passed upon the adequacy of the Reserve Fund line item.

XXVI. WORKING CAPITAL FUND

At each Closing of a Residential Unit the Sponsor will collect as amount equal to two (2) months Common Charges from each Residential Unit Purchaser to be paid to the Board as initial working capital. While Sponsor is in control of the Board, the working capital funds will not be used to reduce the Common Charges. The working capital fund may be utilized to reimburse Sponsor for prepaid expenses of the Condominium. The only budgetary item that might require a substantial credit to the Sponsor would be the insurance disclosed in Schedule B. If any portion of the working capital fund is used during this period to pay for prepaid expenses, such amounts will be repaid to such fund out of future Common Charges collected. At such time as the Sponsor relinquishes control of the Board, the working capital fund will be turned over to the Board.

At each Closing of a Non-Residential Unit the Sponsor will collect as amount equal to two (2) months Common Charges from each Non-Residential Unit Purchaser to be paid to the Board as initial working capital. While Sponsor is in control of the Board, the working capital funds will not be used to reduce the Common Charges. The working capital fund may be utilized to reimburse Sponsor for prepaid expenses of the Condominium. The only budgetary item that might require a substantial credit to the Sponsor would be the insurance disclosed in Schedule B. If any portion of the working capital fund is used during this period to pay for prepaid expenses, such amounts will be repaid to such fund out of future Common Charges collected. At such time as the Sponsor relinquishes control of the Board, the working capital fund will be turned over to the Board.

Neither the Department of Law nor any other governmental agency has passed upon the adequacy of such funds.

The Board shall be obligated to reimburse the Managing agent for expenses it incurs and it shall indemnify the agent against liability for acts properly performed by it pursuant to the Management Agreement. An assignment of the Management Agreement by the Agent, would need to be agreed upon by the Board of Managers or, in the alternative, the Management Agreement could be cancelled. 5) CLOSING DATE; ADJOURNMENTS; CONSTRUCTION DELAYS BY SELLER -

The act of transferring ownership of the Unit in return for payment in full of the Purchase Price and all other sums due from Purchaser under this Purchase Agreement is known as the "Closing". In the event that the closing of title to the first Residential Unit in the Condominium has not occurred within twelve (12) months of the anticipated date of first closing set forth in the Offering Plan, as same may be amended, Purchasers will be afforded a right of rescission.

If Purchaser is not in default under this Purchase Agreement and the Closing has not taken place within twelve (12) months after the Anticipated Closing Date set forth on the first page of this Purchase Agreement, either Seller or Purchaser may cancel this Purchase Agreement by forwarding written notice of cancellation to the other no later than ten (10) days after expiration of such twelve (12) month period whereupon Seller shall

refund to Purchaser, subject to the escrow provisions as disclosed in Section XII of the Plan, all payments, other than Funds used towards upgrades, options or extras, made by Purchaser to Seller on account of the Purchase Price and neither party shall thereafter have any further liability or obligation to the other in connection with this Purchase Agreement or transaction. Purchaser shall be obligated to notify Seller in writing of its intent to exercise said option no later than ten (10) days after the twelve (12) month period. Failure to so notify Seller shall be deemed a waiver of this provision, and Purchaser shall continue to be bound by the terms of the Purchase Agreement. In the event Seller shall be unable to convey title to the Residential Unit within twenty-four (24) months of the proposed date of delivery through no fault of the Purchaser, the Purchase Agreement shall be deemed null and void and Seller shall return all monies being held in escrow within thirty (30) days thereafter.

- (k) a pro-rata portion of the Condominium's estimated first year insurance, based on the Unit's percentage of Common Interest; and
- (l) \$2,500 to Seller's attorney for the preparation of the closing documents.

Purchaser shall also apportion with Seller as of the end of the day prior to Closing, and pay to Seller at Closing, the apportioned amount due for taxes, condominium Common Charges, sewer use, water use, fuel oil (if any) and any other utility costs. Purchaser shall also pay the deposits required by the Lender to establish the estimated or escrow fund for future payments of taxes, condominium Common Charges, sewer use and insurance premiums (if applicable). In addition, in the event Seller's attorney prepares the New York City "ACRIS" transfer documents, Purchaser shall be required to pay Seller's attorney an additional fee of \$250. In the event the title company prepares the ACRIS, Purchaser shall pay the applicable fee of the title company. If through no fault of Seller, Purchaser fails for any reason to close title on the date originally scheduled in Seller's Notice for Closing, or such later date (if applicable) to which Seller in a subsequent Notice for Closing adjourned the Closing, all of the aforementioned apportionments shall be made as of the end of the day preceding (i) the date originally scheduled for Closing or (ii) Seller's adjourned closing date (as the case may be).

Purchaser shall pay to Seller at or prior to the date of the actual adjourned Closing, an amount equal to .0438% per diem (which equals an annual rate of 16%) of the Purchase Price for the Unit for each day beyond such originally scheduled or Seller adjourned Closing Date, to and including the date of actual Closing, for reimbursement and defrayal of Seller's carrying costs and other charges, which amount Purchaser acknowledges to be reasonable and proper.

Any errors or omissions in computing apportionments or any other sums payable under this Paragraph which are communicated to the other party within six (6) months after Closing shall be corrected and payment made to the proper party promptly after such communication. This Paragraph shall survive Closing and delivery of the deed.

7) **CONSTRUCTION LOAN MORTGAGE** - This Purchase Agreement is subject and subordinate without the necessity of Purchaser signing or delivering any documents or papers, to the lien of any existing or future construction loan mortgage and all payments or expenses already made or incurred or which may hereafter be made or incurred in connection with such construction loan mortgage. This subordination shall apply whether such advances are voluntary or involuntary and whether made in accordance with the construction loan schedule of payments or accelerated thereunder by virtue of the construction lender's right to make advances before they become due in accordance with the schedule of payments. The Unit and its/their appurtenant percentage of Common Interest in the Common Elements (as such term is defined in the Plan), shall be released from the lien of such construction loan mortgage upon Closing, except where such mortgage is converted to Purchaser's individual mortgage on the Unit. In such case, the Unit shall remain subject to the lien of such construction loan mortgage and Purchaser shall reimburse to Seller at Closing, in addition to all other sums to be reimbursed by Purchaser to Seller under this Purchase Agreement, an amount equal to the mortgage tax paid by Seller on such construction loan mortgage. In all other cases, any mortgage tax credit available under Real Property Law Section 339-ee shall inure exclusively to the benefit of Seller.

8) **DEED AND ENCUMBRANCES UPON OWNERSHIP** - The deed to be given by Seller to Purchaser at Closing shall be a Bargain and Sale with Covenant against

Grantor's Acts deed, but subject, nevertheless, to the matters set forth in sub-paragraphs (a) through (f) below which need not be recited in the deed given at Closing but shall survive Closing, and Seller's covenant in the deed against encumbrances shall be deemed modified accordingly. The deed shall be duly executed and acknowledged by Seller in proper statutory form for recording (except for payment of the New York State and City transfer tax which is the obligation of Purchaser) so as to convey to Purchaser fee simple title to the Unit, free and clear of all liens and encumbrances, except as herein stated. The deed shall also contain the covenant required by subdivision 5 of Section 13 of the Lien Law. Purchaser shall accept such title and deed description of the Unit subject to the liens, encumbrances and other matters set forth in this Purchase Agreement, as Metropolitan Abstract, LLC, ("Cornerstone"), a title company authorized to do business in the State of New York, 100 Jericho Quadrangle Suite 134, Jericho, NY 11753 (516) 741-5474 is willing to approve and insure without additional premium. Purchaser may obtain title insurance from any title insurance company or abstract company, or Purchaser may decline to obtain any title insurance at all, however Seller recommends that Purchaser utilize Cornerstone Land Abstract, LLC. In the event of a claimed breach of any covenant of the grantor contained in the deed, Purchaser must first seek recovery against the title insurance company which insured Purchaser's title to the Unit before proceeding against Sponsor, it being agreed that the liability of Sponsor will be limited to any loss of damage not covered by such title insurance company. In the event that Purchaser elects not to purchase title insurance, then the liability of Sponsor shall be limited to any loss or damage which would have been covered by the title insurance that was available to Purchaser at the time of closing of title.

Purchaser shall be responsible for payment to the title company of the entire premium for Purchaser's title insurance, and shall also pay the applicable New York State and City transfer tax and mansion tax, if applicable.

The sale and transfer of ownership of the Unit to Purchaser shall, even though not stated in the deed, be subject to:

- (a) Ordinances, rules, regulations, requirements and approvals of applicable governmental authorities, provided not violated by the Unit to be constructed.
- (b) Rights for installation, use and/or maintenance of easements and rights of way for utilities, sewer, cable television, drainage, scenic purposes, screening and planting which have already been granted or may be granted after this Purchase Agreement is signed or after Closing, provided they do not prevent use of the Unit for their intended purposes.
- (c) Declarations, covenants, restrictions, reservations, exceptions, easements and agreements which have been recorded, or appear in recorded documents, or are yet to be recorded, provided they do not prevent use of the Unit for their intended purposes.
- (d) Unpaid taxes and liens, provided the title insurance company shall insure against collection of same out of the Unit.

- (e) The filed Condominium Map and all matters reflected thereon.
- (f) The Declaration and By-Laws of the Condominium and any amendments or supplements thereto.

Purchaser shall deliver to Seller's attorney at least ten (10) days prior to Closing, a written notice setting forth each objection to title, if any (other than those specifically set forth herein subject to which the Property are being sold), and a copy of Purchaser's title report. Seller shall have the right to a reasonable adjournment of Closing, not to exceed sixty (60) days, for the purpose of curing any title defect; however, no such action taken by Seller shall be deemed an admission by Seller that such defect is one that would entitle Purchaser to cancel this Purchase Agreement. However, if such defect in title existed at least ten (10) days prior to the closing of title and Purchaser failed to send Sponsor's attorney written notice of such defect in title at least ten (10) days prior to the closing of title, then Purchaser shall be deemed at fault for not having sent timely notice, and the closing adjournment to allow Sponsor to correct or remove such title defect shall be considered at the request of Purchaser.

9) **PERSONAL PROPERTY INCLUDED IN SALE** - All articles of personal property, fixtures and equipment for the Unit which are included in this sale will be delivered free and clear of all liens and encumbrances, except as stated in Paragraph 9 herein, if applicable.

10) **POWER OF ATTORNEY** - At closing, Purchaser shall execute, acknowledge and deliver to Seller in recordable form, a power of attorney in the form set forth as Schedule E, as same may be amended from time to time to comply with applicable law, to the Plan (the "Power of Attorney"), in favor of the Board of Managers of the Condominium relative to leasing and purchasing of Units in the Condominium under certain circumstances and to foreclose upon Units in the Condominium for which the payment of Common Charges is delinquent, and in favor of Seller relative to amending the Condominium documents to the extent provided for in the Plan. In the event the form Power of Attorney set forth in the Plan is deemed to be insufficient, in Seller's sole discretion, due to statutory changes to the New York State short form power of attorney, Purchaser shall execute an amended power of attorney to effectuate the powers granted in the Power of Attorney set forth in the Plan. This paragraph shall survive delivery of the deed.

11) **ENCUMBRANCES/LIENS EXISTING AT CLOSING** - The existence of anything affecting the sale at Closing, including unpaid taxes or liens of any kind, shall not constitute an objection to title provided Certified, or another title or abstract company selected by Purchaser, is willing to insure Purchaser's title clear of the matter or is willing to insure against enforcement or collection out of the Unit upon Seller's doing whatever acts as may be required by said company and/or the depositing of money. The parties agree that the Seller may pay and discharge any liens and encumbrances upon the Unit, not provided for in this Purchase Agreement, out of the monies to be paid by the Purchaser at the time of Closing.

12) **EXTRA WORK AND EXTRA ITEMS ORDERED BY PURCHASER** - Any work or items ordered from Seller by Purchaser which are not included in the plans or standard

model of the Unit shall, except as may otherwise be provided in this Purchase Agreement or in a writing signed by Seller, be paid for in full by Purchaser at the time they are ordered. The failure of Seller to perform or supply and install such work or items shall not entitle Purchaser to cancel this Purchase Agreement even if Purchaser has already paid for such work or items. Purchaser's only right, in the event of Seller's failure to perform such extra work or supply and install such extra items, is to receive a refund or credit at Closing equal to the total payments made to Seller for such extra work or extra items. All extras must be ordered prior to commencement of construction and must not delay construction. In the event Purchaser orders upgraded or optional items or finishes other than the standard provided by Seller, Seller or Seller's contractors shall not be responsible or liable for any defects in quality of materials or workmanship in installation. Failure to make any payments due in accordance with the payment schedule of Seller, Seller's contractors or subcontractors, as applicable, shall constitute a breach in accordance with Paragraph 22 herein. As noted as a Special Risk in the Plan, in the event a Purchaser is entitled to rescission, the Purchaser will not receive a refund of any funds paid for Extras. Seller shall have no responsibility for any work, fixtures, appliances, equipment or materials not ordered directly from Seller by Purchaser. For the purposes of this provision, any orders which Purchaser places directly with Seller's contractors or suppliers shall not be deemed to have been ordered directly from Seller.

13) **OPTIONS AND COLOR SELECTIONS** -Any choices given by Seller to Purchaser in colors, products, materials, design, features and similar matters shall be made by Purchaser in writing at Seller's office or model site, within ten (10) days after notification to Purchaser to make such choices. If there is anything as to which Purchaser has a choice, and Purchaser fails to inform Seller of Purchaser's choice within such ten (10) day time period, then Seller may make the choice on Purchaser's behalf and Purchaser shall accept such choice so made by Seller as if originally made by Purchaser. No claim or objection to Closing shall be made by Purchaser because of any choice made by Seller in any case where Purchaser failed to give Seller timely notice of Purchaser's choice.

14) **NO INSPECTIONS DURING CONSTRUCTION** - Purchaser acknowledges that unsupervised visits to the Property (the "Construction Site") present a dangerous circumstance and could incur liability to Seller. **Unless specifically agreed to by Seller in writing, Purchaser shall not visit the Unit or any other portion of the Construction Site, and shall only have the right to visit the Seller's sales office (the "Sales Office"). Any unauthorized visits to the Construction Site by Purchaser are subject to a charge by Seller of \$500 per visit, which Purchaser agrees to pay Seller within ten (10) days of billing thereof.** Purchaser hereby releases and indemnifies, defends and holds Seller harmless for all claims and liabilities incurred by Seller resulting from the presence of Purchaser or Purchaser's family members or invitees on the Property prior to Closing. Purchaser further agrees to execute the Express Assumption of Risk Form, in the form set forth as Schedule D-3 to the Plan.

15) **PURCHASERS' INTERFERENCE** - Purchaser acknowledges that it may not interfere with Seller's ability to construct the Unit or other unit(s) or facilities, including interference with work performed on site by Seller's staff in connection with the construction of the Unit or any other units, attempts to hire any of Seller's staff or contractors, and/or attempts to bring contractors, materialman, subcontractors or workers

onto the site for work on the Unit prior to Closing, unless otherwise agreed to in writing by Seller.

16) PURCHASER MAY NOT TAKE POSSESSION OF THE UNIT PRIOR TO CLOSING - Neither Purchaser nor anyone acting on Purchaser's behalf may enter or take possession of any part of the Unit nor have any work performed or materials supplied or installed at the Unit prior to Closing without the prior written consent of Seller.

Purchaser acknowledges and agrees that Seller will accept no liability whatsoever for any property belonging to the Purchaser, their agents, employees, family, or belonging to any party other than Seller which is placed on the Property and/or in the Unit prior to Closing. No act of the Seller, whatever its nature, shall constitute a waiver of this Paragraph.

17) CHANGES BY SELLER - In building the Unit and performing any other work on the Property, Seller reserves the right to: (a) make changes or substitutions of materials or construction from those shown in the model units or building plans, provided any such changes or substitutions are of Equal or Better Quality; (b) determine the exterior color and design of the Building; (c) change the location and type of the Units to be constructed in the Condominium; however, any material change to the location and type of Unit will require consent of Purchaser; (d) fix the location and setbacks of the Building; (e) determine whether existing trees, shrubs and other plant life on the Property are to be moved or removed, (f) add or remove retaining walls on the Property where required by grade conditions; (g) determine the location of electric, gas and water meters, electric transformers, air conditioning compressors, mailboxes; (h) change appliances as long as they are equal to or better than originally offered; (i) change the location of kitchen and bathroom cabinets, counters and drawers; (j) make changes to the Unit, which result in variations of up to five (5%) percent of the Unit square footage listed in Schedule A to the Offering Plan; and (k) make any other changes required by the City of New York. Any material change to the location and type of Unit will require consent of the Purchaser.

Seller shall notify Purchaser of any major changes, specifications, deviations, additions or deletions, which are beyond the scope of those set forth above ("Extraordinary Changes"). If Seller notifies Purchaser in writing of any Extraordinary Changes, Purchaser shall be deemed to have approved of same, unless Seller receives Purchaser's written disapproval thereof within ten (10) days from date of the notice by Seller. Upon receipt of Purchaser's disapproval, Seller may, within thirty (30) days thereafter, give Purchaser written notice withdrawing its proposed Extraordinary Changes, in which case Seller shall thereafter continue with its development activities without the Extraordinary Changes. If Seller fails to give Purchaser notice of withdrawal within such thirty (30) day period, Purchaser may declare this Purchase Agreement null and void by so notifying Seller in writing delivered to Seller no later than forty-five (45) days after having delivered Seller the original notice of disapproval, whereupon Seller shall promptly return to Purchaser all monies paid by Purchaser to Seller, except Funds used towards upgrades, options or extras, on account of the purchase price and thereafter neither party shall have any further liability or obligation to the other in connection with this Purchase Agreement or transaction.

18) **COMPLETION OF CONSTRUCTION; PURCHASER'S INSPECTION** - Purchaser shall accept title (without abatement in or credit against the Purchase Price or provision for escrow) notwithstanding that construction of (a) minor details of the Unit or the building in which it is located, or (b) other units in the Condominium, or (c) the landscaped areas of the Property, or (d) parking spaces or driveway or garage, or (e) other portions of the Common Areas have not been completed. Purchaser will inspect the Unit with a representative of the Seller during normal business hours approximately three (3) days prior to Closing and will sign and deliver to Seller on or before Closing, a Pre-Title Inspection Statement supplied by Seller, acknowledging the condition of the Unit. Receipt of the executed Pre-Title Inspection Statement shall be a condition precedent to closing. Purchaser agrees to accept the Pre-Title Inspection Statement wherein the Seller shall agree to complete all unfinished items within six (6) months from the date of Closing, weather and other circumstances permitting. Any such incomplete items shall not constitute an objection to closing provided Seller executes and delivers to Purchaser, a letter agreement in accordance with the foregoing. Purchaser shall allow Seller, its agents, servants and/or employees the right to enter the Unit and shall provide reasonable access thereto subsequent to Closing to complete any incomplete items.

In the event Seller is required to make any repair or complete any item of work to be performed by Seller after Closing, the limit of Seller's liability shall be to make said repair and/or to complete such item. This Paragraph shall survive Closing and delivery of the deed.

19) **CERTIFICATE OF OCCUPANCY** - At Closing, Seller shall deliver to Purchaser a temporary or permanent Certificate of Occupancy for the Unit (or building in which it is located) and, if available, a New York Board of Fire Underwriter's Certificate for the Unit.

20) **UNIT PART OF DEVELOPMENT** - Purchaser acknowledges that they may be living in an active construction site after Closing on the Unit. During the period of construction, there may be dirt and debris and construction material on the Property, construction vehicular traffic, construction noises, unfinished areas of the Condominium and other inconveniences, which are normal in a community undergoing construction. Purchaser further acknowledges that other units and infrastructure are presently being constructed at the Property and that Seller anticipates that such construction shall continue until the Condominium project is completed in accordance with the Plan. Accordingly, Purchaser agrees that such continuing construction shall not be deemed a nuisance nor an interference with Purchaser's quiet enjoyment of the Unit after Closing. This Paragraph shall survive Closing and the delivery of the deed.

21) **PURCHASER'S DEFAULT** - If Purchaser fails to appear and close title in accordance with this Purchase Agreement on the date and at the time and place stated in Seller's Notice for Closing, or if Purchaser fails to observe or perform any other thing to be observed or performed by Purchaser under this Purchase Agreement, Seller may send Purchaser a written notice of default giving Purchaser thirty (30) days from the date of such notice to cure any such default. Upon Purchaser's failure to cure such default within such thirty (30) day period, this Purchase Agreement shall, at Seller's option, be deemed canceled and Seller shall have the right to retain as and for liquidated damages, all sums paid by Purchaser to Seller on account of the Purchase Price plus all additional

sums paid and/or payable by Purchaser for all Extras ordered by Purchaser, together with all interest credited thereon, if any, which total amount Purchaser acknowledges to be fair and reasonable.

The notice of default shall be deemed notice to the Purchaser by the Escrow Agent of the Escrow Agent's intent to release the funds being held in escrow on behalf of the Purchaser pursuant to the dispute resolution provisions of the Attorney General's escrow regulations as described in Section X of the Offering Plan.

TIME IS OF THE ESSENCE FOR PURCHASER TO CURE SUCH DEFAULT WITHIN SUCH THIRTY (30) DAY PERIOD.

Upon cancellation of this Purchase Agreement for Purchaser's failure to timely cure any such default, Seller shall be released and discharged of all further liability and obligations to Purchaser under this Purchase Agreement. Thereafter the Unit may be sold or disposed of as though this Purchase Agreement had never existed and without any accounting to Purchaser for the proceeds of any subsequent sale. The foregoing remedy shall be in addition to any and all other remedies available to Seller under this Purchase Agreement or at law for any default by Purchaser under this Purchase Agreement.

22) **SELLER'S RIGHT TO CANCEL** - Seller may cancel this Purchase Agreement by forwarding a full refund of the Downpayment to Purchaser together with written notice of cancellation in the event of the occurrence of any of the following:

- (a) any governmental authority imposes a ban on the construction or completion of residential dwellings or imposes restrictions on the manufacture, sale, distribution and/or use of materials from Seller's regular suppliers or from using same in the construction and/or completion of the Unit; or
- (b) Seller is unable to obtain materials from its usual sources due to labor troubles, lockouts, war, military operations and requirements, civil unrest, act of God or national emergencies; or
- (c) the installation of public utilities is restricted or curtailed; or
- (d) should zoning and/or building restrictions and regulations, imposed by any governmental body having jurisdiction over the construction of residential housing and appurtenances, either presently in effect or as enacted or promulgated in the future, create or impose requirements upon the Seller which are not presently contemplated; or
- (e) the Plan is abandoned, withdrawn or not consummated for any reason.

Upon such cancellation and refund, this Purchase Agreement shall be terminated and neither party shall have any further rights, obligations or liability to or against the other

and the parties shall be released and discharged from all obligations and liability under this Purchase Agreement and the Offering Plan.

23) **INABILITY OF SELLER TO TRANSFER OWNERSHIP** - Except for Seller's willful default, if Seller is unable to transfer ownership of the Unit in accordance with this Purchase Agreement, Seller shall only be liable to Purchaser for the return to Purchaser of the down payment. Thereafter, this Purchase Agreement shall be deemed canceled and neither party shall have any further liability to the other in connection with this Purchase Agreement or transaction. Seller shall not be required to commence any action or proceeding or incur any expense in order to remove the condition, which prevents Seller from transferring ownership of the Unit in accordance with this Purchase Agreement.

24) **PROHIBITION AGAINST ASSIGNMENT OR RECORDING OF PURCHASE AGREEMENT** - Neither this Purchase Agreement nor Purchaser's interest hereunder may be assigned by Purchaser without the written consent of Seller. In addition, neither shall this Purchase Agreement nor any memorandum thereof be recorded in the office of any county clerk or the Queens County Register's Office by Purchaser or anyone on Purchaser's behalf. Should Purchaser violate the provisions of the foregoing sentence, this Purchase Agreement, at Seller's option, shall become null and void, whereupon all rights of the Purchaser shall cease and terminate and Seller shall have the right to retain the Downpayment and all amounts paid by Purchaser for Extras, as and for liquidated damages on account of such default by Purchaser pursuant to the provisions of Paragraph 22 hereunder.

25) **PROHIBITION AGAINST SIGNS ON UNIT** - Purchaser shall not place any sign anywhere on the Unit or Property at any time.

26) **PROHIBITION AGAINST ADVERTISING OF UNIT FOR SALE** - From and after the date hereof, Purchaser shall not place an advertisement for the sale of the Unit in any newspaper or other publication or media, or list the Unit with any real estate broker prior to Closing. Such action will constitute a material breach of this Purchase Agreement entitling Seller to retain monies paid on account of the Purchase Agreement plus the cost of Extras as liquidated damages.

27) **NO BROKER CONSULTED BY PURCHASER** - Purchaser represents that no broker other than Seller's broker (the "Broker") brought about this sale, and Purchaser agrees to indemnify Seller against any claim brought by any other broker for brokerage commission based upon Purchaser's acts. Seller shall pay the Broker pursuant to separate agreement. In the event Purchaser is represented or has consulted with an outside broker (other than the Broker), Purchaser shall be responsible for all costs and commissions associated therewith, and Seller shall not be responsible for any co-broker commission. This Paragraph shall survive Closing and delivery of the deed.

28) **TRUST FUNDS** - The law firm of Moritt Hock & Hamroff LLP. with an address at 1407 Broadway, 39th Floor, New York, New York 10018, telephone number (212) 239-2000, shall serve as escrow agent ("Escrow Agent") for Sponsor and Purchaser. The Escrow Account is federally insured by the FDIC at the maximum amount of \$250,000 per deposit. Any deposit in excess of \$250,000 will not be insured, unless Escrow Agent has established multiple accounts on behalf of Purchaser at various institutions.

All Deposits received from Purchaser shall be in the form of [checks, money orders, wire transfers, or other instruments], and shall be made payable to or endorsed by the Purchaser to the order of Moritt Hock & Hamroff LLP, as Escrow Agent.

The interest rate for all Deposits made into the Escrow Account shall be the prevailing rate for such accounts. Interest shall begin to accrue upon placing the Deposit into the Escrow Account. All interest earned thereon shall be paid to or credited to the Purchaser at closing. No fees of any kind may be deducted from the Escrow Account, and the Sponsor shall bear all costs associated with the maintenance of the Escrow Account.

All instruments shall be made payable to or endorsed to the order of Moritt Hock & Hamroff LLP, as Escrow Agent and shall be accepted subject to collection.

The Purchase Agreement is included herein as Schedule D in Part II of the Plan. The relevant escrow trust fund provisions are included in Paragraph 29 of the Purchase Agreement, which must be executed by the Escrow Agent.

Within five (5) business days after the Purchase Agreement has been tendered to Escrow Agent along with the Deposit, the Escrow Agent shall sign the Purchase Agreement and place the Deposit into the Escrow Account. Within 10 business days after the escrow agreement is signed by all necessary parties, Escrow Agent shall provide written notice to Purchaser and Sponsor, conforming the Deposit. The notice shall provide the account number and the initial interest rate to be earned on the Deposit. Any Deposits made for upgrades, extras, or custom work shall be initially deposited into the Escrow

Account, and released in accordance to the terms of a written agreement between Purchaser and Sponsor.

The Escrow Agent is obligated to send notice to the Purchaser once the Deposit is placed in the Escrow Account. If the Purchaser does not receive notice of such deposit within fifteen (15) business days after tender of the Deposit, he or she may cancel the Purchase Agreement within ninety (90) days after tender of the Purchase Agreement and Deposit to Escrow Agent. Complaints concerning the failure to honor such cancellation requests may be referred to the New York State Department of Law, Real Estate Finance Bureau, 28 Liberty Street, New York, NY 10005. Rescission shall not be afforded where proof satisfactory to the Attorney General is submitted establishing that the Deposit was timely placed in the Escrow Account in accordance with the New York State Department of Law's regulations concerning Deposits and requisite notice was timely mailed to the Purchaser.

Purchasers should note that the deposit of a Purchaser's down payment into the Escrow Account shall not be deemed acceptance by the Sponsor of the Purchase Agreement. The Purchase Agreement shall be deemed accepted by the Sponsor only when countersigned by the Sponsor.

The Escrow Agent will hold funds in escrow until otherwise directed in:

- (i) a writing signed by both Sponsor and Purchaser. Sponsor and/or the Escrow Agent may require a Purchaser to execute a writing authorizing release of the funds by the Escrow Agent as a condition of closing. Authorization of the release of funds at closing in the Purchase Agreement will be deemed such a writing; or
- (ii) in a subsequent writing signed by both Sponsor and Purchaser; or
- (iii) a final, non-appealable judgment or order of a court of competent jurisdiction.

If the Escrow Agent is not directed to release the Deposit pursuant to paragraphs (i) through (iii) above, and the Escrow Agent receives a request by either party to release the Deposit, then the Escrow Agent must give both the Purchaser and Sponsor prior written notice of not fewer than thirty (30) days before releasing the Deposit. If the Escrow Agent has not received notice of objection to the release of the Deposit prior to the expiration of the thirty (30) day period, the Deposit shall be released and the Escrow Agent shall provide further written notice to both parties informing them of said release. If the Escrow Agent receives a written notice from either party objecting to the release of the Deposit within said thirty (30) day period, the Escrow Agent shall continue to hold the Deposit until otherwise directed pursuant to paragraphs (i) through (iii) above. Notwithstanding the foregoing, the Escrow Agent shall have the right at any time to deposit the Deposit contained in the Escrow Account with the clerk of the county where the Building is located and shall give written notice to both parties of such deposit.

The Escrow Agent will also be permitted to release the escrow funds if:

- (ii) pursuant to terms and conditions set forth in the Purchase Agreement upon closing of title to the Unit; or
- (iii) in a subsequent writing signed by both Sponsor and Purchaser; or
- (iv) by a final, non-appealable order or judgment of a court.

The Sponsor will not object to the release of the escrowed funds to:

- (i) a Purchaser who timely rescinds in accordance with an offer or rescission contained in the Plan or an Amendment to the Plan;
- (ii) all Purchasers after an Amendment abandoning the Plan is accepted for filing by the Department of Law.

Any provision of any Purchase Agreement or separate agreement, whether oral or in writing, by which a Purchaser purports to waive or indemnify any obligation of the Escrow Agent holding any Deposit in trust is absolutely void. The provisions of the Attorney General's regulations and General Business Law Sections 352-e(2-b) and 352-h concerning escrow trust funds shall prevail over any conflicting or inconsistent provisions in the Purchase Agreement, Plan, or any amendment thereto.

Nothing contained herein shall diminish or impair the sponsor's statutory obligation to each purchaser pursuant to GBL section 352-h to hold in trust all deposits, advances or payments made in connection with the offer until consummation of the transaction with such purchaser. Consummation of the plan does not relieve sponsor of its obligations pursuant to GBL section 352-h. Funds from the escrow account remain the property of the purchaser until employed in connection with the consummation of the transaction. Such funds shall not be a part of the estate of the sponsor or the escrow agent upon any bankruptcy, incapacity or death.

Under no circumstances shall Sponsor apply for release of the escrowed funds of a defaulting Purchaser until after consummation of the Plan, as evidenced by the acceptance of a post-closing amendment by the New York State Department of law. Consummation of the Plan does not relieve the Sponsor of its obligations pursuant to General Business Law Sections 352-3(2-b) and 352-h.

Purchasers should note that it shall be an express condition of closing of title that the Purchaser sign the form contained in Part II which will enable the Escrow Agent to release the escrow funds, if not previously released as provided above.

The Department of Law may perform random reviews and audits of any records involving escrow accounts to determine compliance with statute and regulation.

Sponsor must make a written demand for payment after a default at least thirty (30) days before forfeiture of the deposit may be declared.

A copy of the Escrow Agreement between the Sponsor and the Escrow Agent which incorporates the terms of the Attorney General's regulations is contained in Part II of the Plan as Schedule L. The Escrow Agent shall maintain all records concerning the escrow account for seven (7) years after release of the funds. Upon the dissolution of the law firm which was the escrow agent, the former partners or members of the firm shall make appropriate arrangements for the maintenance of the Escrow Account records by one of them or by the successor firm and shall notify the Department of Law of such transfer.

Before escrow funds are transferred to a new escrow account, or if the Escrow Agent is replaced, the Plan shall be amended to provide the same full disclosure with respect to the new escrow account, the new Escrow Agent and Escrow Agreement, as was originally provided.

Prior to release of the Deposit, Escrow Agent's fees and disbursements shall neither be paid by Sponsor from the Deposit nor deducted from the Deposit by any financial institution under any circumstance.

Sponsor agrees to defend, indemnify and hold Escrow Agent harmless from and against all costs, claims, expenses and damages incurred in connection with or arising out of Escrow Agent's responsibilities arising in connection with this Purchase Agreement or the performance or non-performance of Escrow Agent's duties under this Purchase Agreement, except with respect to actions or omissions taken or suffered by Escrow Agent in bad faith or in willful disregard of the obligations set forth in this Purchase Agreement or involving gross negligence of Escrow Agent. This indemnity includes, without limitation, disbursements and attorneys' fees either paid to retain attorneys or representing the hourly billing rates with respect to legal services rendered by Escrow Agent to itself.

Escrow Agent shall only be discharged from Escrow Agent's obligations when escrow funds have been released pursuant to the above stated Escrow regulations. Escrow Agent may represent the Sponsor in a lawsuit. Sponsor shall not compensate the depository bank. There is no provision for payments by the Sponsor under an indemnity in favor of the Escrow Agent. Sponsor may compensate the Escrow Agent for acting as such.

If through no fault of Sponsor, Purchaser fails for any reason to close title after the date originally scheduled in Sponsor's Notice of Closing or such later date (if applicable) to which Sponsor in a subsequent Notice for Closing adjourned the Closing, all of the apportionments shall be made as of midnight of the day preceding (i) the date originally scheduled for Closing or (ii) Sponsor's adjourned Closing Date (as the case may be).

In addition, Purchaser shall pay to Sponsor at or prior to the actual closing an amount equal to .0438% per day (which equals an annual rate of 16%) of the purchase price for the Unit for each day beyond such originally scheduled or Sponsor adjourned Closing Date, to and including the date of actual Closing, for reimbursement and defrayal of Sponsor's carrying costs and other charges. In no event shall the interest charge

exceed the maximum allowable under New York law and shall not surpass the legal limit under applicable law. See Section XIV of the Offering Plan.

Purchasers should note that if a Purchaser fails to appear and close title in accordance with this Purchase Agreement on the date and at the time and place stated in Seller's Notice for Closing, or if Purchaser fails to observe or perform any other thing to be observed or performed by Purchaser under this Purchase Agreement, Seller may send Purchaser a written notice of default giving Purchaser thirty (30) days from the date of such notice to cure any such default, time being of the essence. Time of the essence indicates that failure to cure the default by a certain date will constitute and incurable default under the Purchase Agreement and Sponsor shall be entitled to cancel the Purchase Agreement and retain a Purchaser's downpayment as liquidated damages. See Paragraph 22 of the Purchase Agreement in Part II of the Offering Plan.

Sponsor retains the risk of loss on the Unit until Purchaser either closes title or takes possession of the Unit. Purchasers should note that any person who takes possession of a Unit prior to closing assumes the risk of losses not covered by Condominium insurance.

29) **NOTICES** - Any notices, statements, certificates, requests or demand required or permitted to be given or delivered under this Purchase Agreement shall be in writing and may be sent by mail, overnight courier or personal delivery, addressed to Purchaser or to Seller, as the case may be, at their respective addresses shown at the beginning of this Purchase Agreement, or to such other address as Purchaser or Seller may designate in the manner herein provided, or to their respective attorneys. Such notice, statement, certificate, request or demand shall be deemed to have been given

- (a) when delivered to an overnight courier service, if sent by overnight courier,
- (b) upon personal delivery actually being made, and
- (c) upon receipt or first refusal of delivery or inability of delivery after delivery to the United States Post Office with proper postage prepaid, if sent by regular mail, registered or certified mail return receipt requested.

Notwithstanding the foregoing, any notice of default must be delivered only by overnight courier service, personal delivery, or certified mail return receipt requested.

30) **PURCHASER GENERAL REPRESENTATIONS** - Purchaser represents that Purchaser has not relied upon any architect's plans, sales plans, selling brochures, advertisements, representations, warranties, statements or estimates, written or oral, of any nature whatsoever, made by Sponsor, or otherwise, including but not limited to, any of the above relating to the description or physical condition of a Condominium building or the Unit or the Property, the size or the dimensions of the Unit or the rooms therein contained or any physical characteristics thereof, the services offered by the Condominium, the estimated Common Charges for the Unit, the estimated real estate taxes on the Unit, the right to any income tax deduction for any real estate taxes or mortgage interest paid by Purchaser, the right to any income tax credit with respect to the

Purchase of the Unit, the potential for future profit with respect to the Unit, any future appreciation in value of the Property, the Condominium building or the Unit, any rental income potential, depreciation or investment potential with respect to the Property, the Condominium building or the Unit, any monetary or financial advantage with respect to the Property, the Condominium building or the Unit, or any other data, the environmental and/or flood plan conditions affecting the Condominium building, the availability of liability, casualty and flood insurance or the cost thereof, the costs of ongoing maintenance and repair of the Condominium building or any other matter or estimate not set forth herein and in the Plan. Purchaser further represents that Purchaser has not relied on any verbal or written representations made by the Broker or any other agent of Seller. No person has been authorized to make any representation on behalf of Sponsor except as herein or in the plans specifically set forth. Purchaser further acknowledges having had full opportunity to examine all documents and investigate all facts referred to and stated herein and in the Plan. Purchaser has relied solely on his own judgment and investigation in deciding to enter into this Purchase Agreement and purchase of the Unit. No oral representations or statements shall be considered a part of this Purchase Agreement, and any current or prior oral statements are void and have no effect. Sponsor makes no representation or warranty as to the work, materials, appliances, equipment or fixtures in the Unit, the Common Elements or any other part of the Property other than as set forth herein or in the Plan. Purchaser agrees that the Seller shall have no liability or responsibility to Purchaser and that Purchaser will not be relieved from his or her obligations hereunder, by reason of any inaccuracy or error in the layout or dimensions of the Unit or any part thereof, or of the Common Elements, and (2) any immaterial or insubstantial accuracy or error. Purchaser agrees that a change in the square foot area and dimensions of the Unit due to the failed conditions, construction variances and tolerances, which do not increase or decrease the square foot area of the Unit by more than 5% (excluding interior partitions), shall not be deemed a material or adverse change the provisions of this paragraph shall survive the closing of title or the termination of this Purchase Agreement. Purchaser understands and acknowledges that the Seller cannot guarantee a firm completion and availability date for the Unit and agrees that the Seller shall not be obligated to make, provide or compensate for any accommodations or costs to Purchaser as a result of construction delays nor shall such delays serve to cancel, amend or diminish any of Purchaser's obligations hereunder.

31) **ACKNOWLEDGMENT THAT THERE ARE NO OTHER UNDERSTANDINGS** -All prior understandings and agreements are hereby superseded and merged into this Purchase Agreement, which alone contains the final and entire understanding and agreement between Seller and Purchaser. Neither Seller nor Purchaser shall be bound by any terms, conditions, statements, or representations, oral or written, not set forth in this Purchase Agreement or in the Offering Plan. Purchaser acknowledges that Purchaser is buying a Unit in a condominium development which may not yet have been formed at the time this Purchase Agreement is signed, and that, except as stated in this Purchase Agreement, the Declarations, By-Laws, Exhibits, Schedules and Plan, Purchaser has not relied on any representations or other statements of any kind or nature made by Seller or anyone else except as set forth in the Plan or any amendment thereto and this Purchase Agreement, including but not limited to, the description, size or dimensions of the Unit or rooms therein, or the estimated common charges, or other expenses relative thereto.

Purchaser also acknowledges that none of Seller's representatives has the authority to modify this Purchase Agreement or to make any oral promise, agreement or representation inconsistent or contrary to the terms of this Purchase Agreement. This Purchase Agreement may be changed only by a written document signed by both Purchaser and Seller's Authorized Agent. The invalidity or unenforceability of any particular provision of this Purchase Agreement will not affect the other provisions, and this Purchase Agreement will be interpreted in all respects as if such unenforceable provisions were omitted.

32) **RISK OF LOSS** - The risk of loss or damage to the Unit by fire or any other cause until delivery of the deed is assumed by Seller. In the event a substantial portion of the Unit or Condominium shall be destroyed or damaged prior to Closing, Seller shall be entitled to cancel this Purchase Agreement by written notice to Purchaser, together with a check in the amount of the Downpayment paid by Purchaser, with interest, if any; however, Purchaser will not receive a refund of any funds paid for Extras. The parties shall thereafter be released from any further liability hereunder.

If any part of the Unit is damaged or destroyed by any casualty prior to Closing, Seller will have the option to restore the Unit to its previous condition as soon as reasonably possible. In the event Seller elects to restore the Unit, then the Closing Date and any other applicable date or deadline will be extended in a reasonable manner by Seller. Seller agrees to notify Purchaser of Seller's decision within ten (10) business days of the date of such casualty. In the event Seller elects not to restore the Unit, then this Purchase Agreement will terminate and Purchaser will receive a full refund of all monies paid to Seller. The parties shall thereafter be released from any further liability hereunder.

33) **DAMAGE TO PUBLIC IMPROVEMENTS, AMENITIES AND COMMON ELEMENTS** - Purchaser shall repair and/or restore to their original condition and standards any public improvement, amenity or Common Elements on the Property damaged by Purchaser or Purchaser's agents, employees, contractors or licensees. Upon failure of Purchaser to complete such repair and/or restoration work within thirty (30) days after written notice from Seller, then and in that event, Seller may complete same at the expense of Purchaser who shall reimburse Seller for the cost thereof immediately upon demand. This Paragraph shall survive Closing and delivery of the deed.

34) **STRICT COMPLIANCE; SEVERABILITY; WAIVER OF TRIAL BY JURY** - Any failure by Seller to insist upon strict performance by Purchaser of any of Purchaser's obligations under this Purchase Agreement shall not be deemed a waiver of such obligations, and Seller may at any time insist upon strict performance by Purchaser of any and all obligations to be performed by Purchaser under this Purchase Agreement irrespective of the number of times Purchaser failed to strictly comply with such obligations in the past. If any part of this Purchase Agreement or the Plan is invalid or unenforceable with respect to a particular individual or circumstance, the remainder of this Purchase Agreement or the Plan and the applicability to other individuals or circumstances shall not be affected thereby but shall continue in full force and effect. Purchaser waives all rights to trial by jury in any action, proceeding or counterclaim in any way arising out of or relating to this Purchase Agreement or the Plan. Purchaser agrees

to pay all court fees, including reasonable attorney fees, should Purchaser bring an action against Seller in any court of proper jurisdiction (including small claims court) and be unsuccessful. Further Purchaser agrees to waive the right to file a Lis Pendens if not filed within sixty (60) days of the cancellation of this Purchase Agreement.

Purchaser and Seller hereby waive trial by jury in any action, proceeding or counterclaim arising out of this Purchase Agreement, provided such waiver is not prohibited by any laws of the State of New York. Any action or proceeding brought by either party hereto against the other, directly or indirectly, arising out of this Purchase Agreement, shall be instituted in a court in Queens County and all motions in any such action shall be made in Queens County.

This Paragraph shall survive Closing and delivery of the Deed.

35) **LIEN OF DEPOSIT** - All sums paid on account of this Purchase Agreement are hereby made liens upon the Unit, but such liens shall not continue after default by the Purchaser under this Purchase Agreement.

36) **MISCELLANEOUS:**

- (a) The start of any activity by Seller in connection with the Unit is not to be deemed a waiver of any of Seller's rights under this Purchase Agreement.
- (b) The personal property referred to in this Purchase Agreement shall be deemed conveyed by the deed, and no part of the Purchase Price shall be deemed allocated to such personal property.
- (c) The attorneys representing the Seller or any Lender represent such parties only and not the Purchaser. The Purchaser may retain independent counsel at Purchaser's own expense in order to protect Purchaser's own interest.
- (d) The delivery of the deed for the Unit to Purchaser or Purchaser's representative at Closing shall be deemed to mean that all things required to be done by Seller under this Purchase Agreement have been done and that Purchaser shall not claim otherwise except as to those things, if any, which are specifically stated in this Purchase Agreement or in a separate writing signed by Seller or Seller's attorney on Seller's behalf, to survive or continue beyond Closing or delivery of the deed.
- (e) The paragraph headings set forth in this Purchase Agreement are inserted solely for convenience of reference and in no way deemed to affect, amend, define, describe or limit the scope or intent of the provisions set forth in this Purchase Agreement.
- (f) No provision of this Purchase Agreement may be changed, waived, discharged, or terminated orally, by telephone, or by any other means, except an instrument in writing signed by the party against whom

enforcement of such change, waiver, discharge, or termination is sought and then only to the extent set forth in such instrument.

- (g) Any singular word or term herein shall also be read as in the plural whenever the sense of this Purchase Agreement may require it. The use of the masculine gender shall be deemed to refer to the feminine gender, or neuter, whenever the context so requires.
- (h) If two (2) or more persons are named as Purchaser in this Purchase Agreement, (i) each person shall be jointly and severally liable for payment, observance and performance of all obligations under this Purchase Agreement and (ii) anyone of them is hereby made agent for the other in all matters of any and every kind or nature with respect to the Unit and/or this Purchase Agreement. The act, assent, election or approval by one shall conclusively constitute the act, assent, election and approval by all.
- (i) The provisions of this Purchase Agreement shall bind and inure to the benefit of Purchaser and Purchaser's heirs, legal representatives, successors and permitted assigns and shall bind and inure to the benefit of Seller and its successors and assigns.
- (j) This Purchase Agreement shall not be binding or effective until fully executed and delivered by Seller and Purchaser.
- (k) Seller represents that its Federal Employer Identification Number is _____; and Purchaser represents that his/her/their social security number(s) is _____ and _____.
- (l) In the event any portion of this Purchase Agreement shall be declared by any court of competent jurisdiction to be invalid, illegal or unenforceable, such portion shall be deemed severed from this Purchase Agreement and the remaining parts hereof shall remain in full force and effect, as fully as though such invalid, illegal or unenforceable portion had never been part of this Purchase Agreement.
- (m) The parties agree that this Purchase Agreement shall be governed by, and construed in accordance with the laws of the State of New York.

37) CONSTRUCTION - While the Housing Merchant Warranty Law is inapplicable, the Sponsor nonetheless has an obligation to construct the premises in accordance with all applicable codes and filed plans and specifications, and any conflict between the disclaimers and the Sponsor's obligation to construct the premises in accordance with all applicable codes and filed plans and specifications shall be resolved in favor of the latter.

Notwithstanding said fact, the Sponsor will correct any materially adverse condition in the construction of the Residential Unit or in the installation or operation of any mechanical equipment therein due to materials or improper workmanship materially at variance with the plans and specifications set forth in the architects and/or engineers property description report(s), as may have been changed by Sponsor from time to time provided that it is notified

of such materially adverse construction condition in writing by certified mail: a) for patent defects within the Unit, or patent defects in the Common Elements affecting the Unit, 6 months from the date of closing; b) for latent defects within the Unit, or latent defects in the Common Elements affecting the Unit, one year from date of closing; c) for general Common Element defects, one year from the later of issuance of the Certificate of Occupancy or completion of that portion of the Common Elements which is claimed to be defective ("Limited Warranty").

38) **SMOKING POLICY** - In compliance with Local Law 147 and pursuant to Article 17 of the New York City Administrative Code, the Sponsor has adopted the following smoking policy for the Building (the "Smoking Policy"):

Smoking is PROHIBITED (i) in all commons areas of the Building, including, but not limited to, the lobby, entryways, vestibules, ante rooms, mail rooms, storage rooms, bike rooms, common rooms, amenity rooms, gym, roof decks, garbage chute rooms, compactor rooms, basement, corridors, hallways, stairwells, elevators, playroom, garage, garage ramp, walkways, and (ii) within twenty-ten (25) feet of any outside entrance to the Building or within twenty-five (25) feet of any outdoor air intake or operable window opening onto Common Elements or Units.

For the purposes of this Smoking Policy, the term "smoking" includes, but is not limited to, inhaling, exhaling, burning or carrying any lighted cigar, cigarette, pipe or any other form of lighted object or device which contains tobacco, including the use of electronic cigarettes or any similar device that delivers vapor for inhalation (including any refill, cartridge or other component of an electronic cigarette or similar device), or any other items or materials that may be smoked, whether such substance is a legal substance or an illegal substance. This Smoking Policy applies to all Unit Owners, tenants, subtenants, occupants and residents of the Building, and to any guests, agents, licensees and invitees of a Unit Owner. It is the Unit Owner's responsibility to ensure that its tenants, subtenants, occupants, residents, guests, agents, licensees and invitees comply with this Smoking Policy.

Smoking is PROHIBITED within individual Units and on the terraces, balconies, patios and yards attached to individual Units.

Any Unit Owner who sells, leases, or subleases its Unit must include a copy of this Smoking Policy in the contract of sale, lease or sublease.

In the event of a violation of this Smoking Policy, in addition to and not in diminution of, all other remedies available to the Condominium, as provided in its Declaration of Condominium and By-Laws, or at law or in equity, with regard to a default by the Unit Owner, the Board shall have the right to impose an administrative fee in the amount of

Two Hundred Fifty (\$250.00) Dollars on the Unit Owner for each such violation of this Smoking Policy. A continuing violation shall be considered a new violation.

Any Unit Owner who sells, leases, or subleases its apartment must include a copy of this Smoking Policy in the contract of sale, lease or sublease.

39) NOTICES TO PURCHASER - WHEN SIGNED BY SELLER AND PURCHASER (OR PURCHASER'S AUTHORIZED AGENT), THIS PURCHASE AGREEMENT WILL BECOME A LEGALLY BINDING AGREEMENT. PURCHASER SHOULD MAKE SURE THAT ALL PROVISIONS ARE READ AND UNDERSTOOD BEFORE SIGNING. IF PURCHASER DOES NOT UNDERSTAND ANY PROVISION, PURCHASER SHOULD SEEK LEGAL ADVICE.

PURCHASER MUST BE GIVEN A COPY OF THE PLAN PRIOR TO THE SIGNING OF THIS PURCHASE AGREEMENT. BY SIGNING THIS PURCHASE AGREEMENT, PURCHASER ACKNOWLEDGES RECEIPT OF THE OFFERING PLAN AND THAT PURCHASER HAS HAD AN OPPORTUNITY TO READ THE OFFERING PLAN AT LEAST THREE (3) BUSINESS DAYS PRIOR TO SIGNING THIS PURCHASE AGREEMENT.

IN WITNESS WHEREOF, the parties hereto have executed this Purchase Agreement as of the date first above written.

POWER OF ATTORNEY

CAUTION TO THE PRINCIPAL: Your Power of Attorney is an important document. As the "principal," you give the person whom you choose (your "agent") authority to spend your money and sell or dispose of your property during your lifetime without telling you. You do not lose your authority to act even though you have given your agent similar authority.

When your agent exercises this authority, he or she must act according to any instructions you have provided or, where there are no specific instructions, in your best interest. "Important Information for the Agent" at the end of this document describes your agent's responsibilities.

Your agent can act on your behalf only after signing the Power of Attorney before a notary public.

You can request information from your agent at any time. If you are revoking a prior Power of Attorney by executing this Power of Attorney, you should provide written notice of the revocation to your prior agent(s) and to the financial institutions where your accounts are located.

You can revoke or terminate your Power of Attorney at any time for any reason as long as you are of sound mind. If you are no longer of sound mind, a court can remove an agent for acting improperly.

Your agent cannot make health care decisions for you. You may execute a "Health Care Proxy" to do this.

The law governing Powers of Attorney is contained in the New York General Obligations Law, Article 5, Title 15. This law is available at a law library, or online through the New York State Senate or Assembly websites, www.senate.state.ny.us or www.assembly.state.ny.us.

If there is anything about this document that you do not understand, you should ask a lawyer of your own choosing to explain it to you.

This document does not revoke any power of attorney I/we have previously executed. In order to revoke a prior power of attorney, I/we will execute a revocation specifically referring to the power to be revoked.

Notwithstanding anything set forth herein to the contrary, this power of attorney is irrevocable and shall not be revoked by any subsequent power of attorney I/we may execute.

Two borings (B-1 and B-2) were conducted to depths of 57' and 102' below grade, respectively. The generalized soil profile consists of approximately 6 feet of miscellaneous fill comprising sands, gravel, asphalt, and concrete fragments, classified as NYC Class 7, generally in a loose condition. Below the fill, glacial sands extending to the maximum boring depths were encountered, predominantly coarse to medium-fine sands with traces of gravel and silt, classified as SP/SM under the Unified Soil Classification System and matching NYC Class 3a and 3b. Some localized loose sand strata, identified as Class 6, were noted.

Groundwater was encountered in both borings at approximately 20 feet below the existing grade. The groundwater level is known to fluctuate seasonally, tidally, and with climatic conditions.

There is no indication of land subsidence, expansive soils, hazardous materials, or environmental restrictions on the property. The proposed 6-story residential building, with one below-grade cellar level, is recommended to be supported by spread footings founded on natural glacial sands of NYC Class 3b or better, with an allowable bearing capacity of up to 3 tons per square foot (tsf). The perimeter foundation walls are recommended to be reinforced concrete, designed to resist lateral earth pressures based on long-term conditions. The site is not in a FEMA flood hazard zone, and no groundwater infiltration or moisture was reported beneath the site during investigation. Construction dewatering is generally not expected unless excavation approaches or extends below the groundwater level. 2. The Common Elements are not subject to partition nor are they severable from the Units except in accordance with the Real Property Law.
3. The percentage of the undivided interest in the Common Elements established herein shall not be changed except with the consent of all of the Unit Owners affected expressed in a duly recorded amendment to this Declaration.
4. The undivided interest in the Common Elements shall not be separated from the Units to which it appertains and shall be deemed conveyed or

encumbered with the Units even though such interest is not expressly mentioned or described in the conveyance or other instrument.

SIXTH: EASEMENTS. All pipes and maintained wires, conduits and public utility lines located within each Unit shall be owned and maintained by such Unit Owner. Any portion of such pipes, wires, conduits and public utility lines located in the Common Elements and servicing two or more Units, will be owned in common by the Unit Owners. Every Unit Owner shall have an easement in common with the owners of other Units to maintain and use all pipes, wires, conduits and public utility lines located in other Units and servicing such Unit Owner's Unit. Each Unit shall be subject to an easement in favor of the Unit Owners of other Units to maintain and use the pipes, wires, conduits and public utility lines servicing such other Units and located in such Unit. The Board of Managers shall have a right of access to each Unit for maintenance, repair or improvements to any pipes, wires, conduits and public utility lines located in any Unit and servicing any other Unit or causing damage to any other Unit. The cost of such repairs shall be a Common Expense. In the event any portion of such pipes, wires, conduits and public utility lines is located in any of the Limited Common Elements, the cost of any repairs to such pipes, wires, conduits and public utility lines shall be the sole responsibility of the respective Unit Owner(s) for whom the Limited Common Element is limited in use. The Board of Managers shall have a right of access to all Common Elements for maintenance, repair or improvement whether such Common Elements are restricted or not.

The Board of Managers shall have the right to grant such additional electric, gas, steam or other utility easements or relocate any existing utility easement in any portion of the Condominium as the Board of Managers shall deem necessary or desirable for the proper operation and maintenance of the Condominium, or any portion thereof, provided that such additional utilities or the relocation of existing utilities will not prevent or unreasonably interfere with the use of any Unit for its permitted purposes. Any utility company and its employees and agents shall have the right of access to or upon any Unit or the Common Elements in furtherance of such easements, provided such right of access shall be exercised in such a manner as shall not unreasonably interfere with the use of any Unit for its permitted purposes by its owner, tenants or occupants.

The Declarant, its successors, assigns, and purchasers of undeveloped or unsold Units, reserves the easements, licenses, rights and privileges of a right-of-way in, through, over, under and across the Common Elements of the Condominium for the purpose of completing construction and sale of the Units and facilities in the Condominium and towards this end, reserves the right to grant and reserve easements and rights-of-way in, through, under, over and across the Common Elements for the installation, maintenance and inspection of mechanical systems, lines and appurtenances for public or private water, sewer, drainage, cable television, solar energy panels and other utilities and for any other materials or services necessary for the completion of the work. The Declarant, its successors, assigns, and purchasers of undeveloped or unsold Units, also reserve the right to connect with and make use of the utility lines, wires, pipes, conduits, cable television, sewers and drainage lines which may from time to time be in or along the streets and roads or other areas of the Common Elements. The Declarant, its successors and assigns, and purchasers of undeveloped or unsold Units, shall have an easement to erect and maintain general sales, leasing, business or administration offices and/or model Units, to erect, maintain, repair and replace from time to time one or more

free-standing and other selling, directional and informational signs in/or on the Condominium as it deems necessary for the purposes of advertising the sale or lease of Units, and for the purpose of showing the Property to prospective Purchasers or lessees and for access to Units and Common Elements consistent with the purposes of the Declaration, as the same may be amended, and Declarant's rights and obligations thereunder, including, without limitation the right to develop, renovate, maintain, repair, refurbish, offer, sell and lease Units, together with their interest in the Common Elements. Finally, the Declarant, its successors, assigns and purchasers reserve the right to continue to use the Common Elements and any facilities, sales offices, model Units, signs located on the Common Elements, in its efforts to market or lease Units constructed in the Condominium and to complete construction of the Condominium. This paragraph shall not be amended without the consent of the Declarant.

Each Unit Owner hereby grants a right of access to and through their Unit to Declarant or its designee, and any contractors, subcontractors, agents, and employees of the foregoing for the purposes of the repair and completion of any installation, construction, modification, alteration, renovation, maintenance, repair, restoration, replacement, or change being performed or to be performed by or on behalf of Declarant with respect to the Common Elements and/or the Units.

The Board of Managers will have and each Unit will be subject to, an easement (a) to install, utilize, operate, maintain, repair, alter, rebuild, restore and replace the General Common Elements located in, over, under, through or upon any Unit, or any other Common Elements or elsewhere in the Condominium and (b) to maintain any encroachment on any Unit or Common Elements resulting from the repair, alteration, rebuilding, restoration or replacement of the General Common Elements.

The Board of Managers shall have an easement through the Units for access, installation, maintenance, repair and replacement of any flues, vents, air-conditioning, gas, heating, ventilating, water and other mechanical lines and fixtures and any other machinery, pipes, wires, conduits, equipment or meters servicing any portion of the Building.

Each Unit will have an easement of support from all structural members (including, but not limited to, columns, footings, bracings, foundations, slabs, and exterior walls) supporting or serving the Building and any replacement thereof and additions thereto and an easement of necessity, and each Unit will be subject to an easement of support and necessity in favor of all other Units and the Common Elements.

Each Unit will have an easement for lateral and vertical support among all adjoining Units and Common Elements.

Any easements granted to Declarant, the Board of Managers, any Unit or any Unit Owner under this Declaration and the By-Laws may be exercised by such Declarant's, Board of Managers or Unit Owner's employees, agents, contractors, suppliers, customers, guests, invitees, licensees, servants, visitors, tenants, subtenants, tenants and/or tenant-shareholders, as the case may be, to the extent necessary to effectuate the purpose for the easement or as otherwise authorized by the Declarant, the Unit Owner or Board of Managers.

Each Unit Owner will have a right and easement to use its Unit and the Limited Common Elements appurtenant to such Unit, and the General Common Elements, subject to and in accordance with the terms and conditions of this Declaration and By-Laws.

All emergency vehicles and personnel, including, but not limited to, police, fire and medical shall be granted an easement of ingress and egress over, upon and through any access areas in The 132-51 41st Road Condominium. This Paragraph may not be amended by the Unit Owners in the Condominium.

SEVENTH: SERVICE OF PROCESS: Service of process on the Unit Owners in any action with relation to the Common Elements shall be made upon the Secretary of State as the agent of the Board of Managers of the Condominium. The post office address to which the Secretary of State shall mail a copy of any process against this Condominium served upon him as agent for service of this Condominium during the period the Declarant controls the Board of Managers is: WTS41 LLC, a New York limited liability company, with an address of 140-15 Holly Avenue, Apt.1C Flushing, NY 11355. Once the Declarant no longer controls the Board of Managers, the Board of Managers must notify the Secretary of State that the post office address to which the Secretary of State shall mail a copy of any process against this Condominium served upon them as agent of this Condominium is: Board of Managers, The 132-51 41st Road Condominium, 132-51 41st Road, Flushing, New York 11355, or such other address as the Board of Managers of the Condominium selects.

EIGHTH: COMMON INTEREST. Each Unit Owner shall have such percentage of interest in the Common Elements as is set forth in Schedule B (to be inserted prior to recordation). Each Residential Unit Owner shall have such percentage of interest in the Residential Area of the Condominium as is set forth in Schedule B-1 herein and shall bear such percentage of any special allocation of Common Expenses of the Condominium attributable to the Residential Area as reflected therein. Each Non-Residential Unit Owner shall have such percentage of interest in the Non-Residential Area of the Condominium as is set forth in Schedule B-1 herein and shall bear such percentage of any special allocation of Common Expenses of the Condominium attributable to the Non-Residential Area as reflected therein. The percentage of interest of each Unit in the Common Elements has been based upon floor space, subject to the location of such space and the additional factors of relative value to other space in the Condominium, the uniqueness of the Unit, the availability of Common Elements for exclusive or shared use, and the overall dimensions of the particular unit. Said method of determining the percentage of Common Interest in a condominium complies with and is pursuant to Section 339-i (1) (iv) of the Real Property Law of the State of New York.

NINTH: ADMINISTRATION. The administration of the Condominium, and parcel of land described herein shall be in accordance with the provisions of this Declaration and with the provisions of the By-Laws which are made a part of this Declaration and are attached hereto as Exhibit "B".

TENTH: AMENDMENTS AND WITHDRAWAL.

A. The dedication of the property to Condominium ownership herein shall not be revoked or the property withdrawn from Condominium ownership unless eighty (80%) percent of the Unit Owners in number and in Common Interest and the first mortgagees, if any, of each of these same Units agree to such revocation or removal of the property from the Plan by duly recorded instruments.

B. The provisions of this Declaration may be modified or amended by an instrument executed by the Board of Managers upon a vote of sixty-six and two-thirds ($66\frac{2}{3}\%$) percent of the Unit Owners in number held at a duly-called meeting of the Unit Owners, provided however, that:

1. No amendment shall change any condominium parcel, nor a Unit Owner's proportionate share of the Common Charges, nor the voting rights appurtenant to any Unit, unless all of record owner(s) in number and Common Interest thereof and the first mortgagees, if any, of each of these same Units agree to such revocation by recorded instrument.
2. No amendment shall be passed which shall: (i) be of a material adverse nature to mortgagees, or (ii) impair or prejudice the validity, interest, rights and priorities of mortgagees; unless 51% of mortgagees vote in favor thereto.
3. Notwithstanding any provision contained herein to the contrary, no amendment, modification, addition or deletion of, to or from this Declaration, the By-Laws or any rules and regulations shall be effective in any way against the Non-Residential Units unless the affected Non-Residential Unit Owner licensee has given its prior written consent thereto.
4. Notwithstanding any provision contained herein to the contrary, no amendment, modification, addition or deletion of, to or from this Declaration, the By-Laws or any rules and regulations shall be effective in any way against Declarant or its designee or any Unsold Unit, as long as the Declarant owns an Unsold Unit in the Condominium unless the Declarant has given its prior written consent thereto. This provision is not subject to amendment.

There shall be a presumption for a period of sixty (60) days subsequent to the recording of the amendment that the vote of the Unit Owners was made at a duly called meeting and that the requisite voting percentage was obtained. After the sixty (60) day period such presumption will be deemed conclusive.

In the event a mortgagee fails to submit a response to any written proposal for an amendment within 60 days after proper notice of the same was delivered by certified or registered mail, with a return receipt requested, said mortgagees' consent to such amendment will be implied.

C. The Declarant, its successors, assigns and purchasers of undeveloped or unsold Units shall have the right without vote or consent of the Unit Owners, the Board of Managers or the holders of Unit mortgages to execute or (on its request) to require the

Board of Managers to execute and record in the Office of the Register of the City of New York, Queens County and elsewhere, if required by law, an amendment or amendments to this Declaration (together with such other documents, plan and maps as may be required to effectuate the same) to reflect (i) the certification by a registered architect or professional engineer, certifying that the floor plans filed as part of an amended Declaration are an accurate copy of portions of the plans of the Building and fully and fairly depict the layout, location, designation and approximate dimensions of the Units as built, or (ii) utility easements, or (iii) technical corrections to the Declaration to conform to other documents including but not limited to the Offering Plan or as-built plans (iv) to amend Schedule B and/or B-1 of this Declaration to conform the model type, square footage and type and number of rooms and any other required information for a specified Unit, so long as the appurtenant percentage of Common Interest does not change for said Unit, or (v) to amend Schedule B and/or B-1 of this Declaration to consolidate Units subject to all necessary approvals by the City of New York, to revise the square footage and type and number of rooms and any other required information for a specified Unit and to change the appurtenant percentage of Common Interest so long as the new percentage of Common Interest equals the combined percentage of Common Interest of the Units that were combined, or (vi) to effectuate permissible changes in unsold Units or (vii) to amend Schedule B and/or B-1 to make technical corrections to said Schedule including, but not limited to, square footage of Units, assign or revise Limited Common Elements appurtenant to a Unit or to revise the number and description of rooms contained in a Unit or (viii) the carrying out of other provisions of the Offering Plan of The 132-51 41st Road Condominium, as same may be amended from time to time.

D. Any amendment to this Declaration shall not take effect until it is recorded in the Office of the Register of the City of Flushing, Queens County.

Regardless of any other provision of this Declaration, no action for partition or division of the Common Elements shall be brought nor shall this plan of condominium ownership be terminated where such partition, division or termination will result in a violation of the then existing local zoning and building laws and codes.

ELEVENTH: SUBJECT TO DECLARATION, BY-LAWS, ETC. All present or future Unit Owners, tenants, future tenants, or any other person that might use the facilities of the Condominium in any manner, are subject to the provisions of this Declaration, the By-Laws and Rules and Regulations of the Condominium and the mere acquisition or rental of any of the Units of the Condominium or the mere act of use or occupancy of any of said Units shall signify that the provisions of this Declaration and the By-Laws and Rules and Regulations of the Condominium are accepted and ratified and all of such provisions shall be deemed and taken to be covenants running with the land and shall bind any person having at any time any interest or estate in such Unit, as though such provisions were recited and stipulated at length in each and every deed, conveyance or lease thereof.

TWELFTH: COMMON CHARGES. All sums assessed as Common Charges by the Board of Managers of the Condominium but unpaid together with the maximum interest permitted in New York thereon, chargeable to any Unit Owner shall constitute a lien on his or her Unit prior to all other liens except: (a) tax or assessment liens on the

Unit by the taxing subdivisions of any governmental authority, including but not limited to State, County, City, and School District taxing agencies; and (b) all sums unpaid on any first mortgage of record encumbering any Unit. Such lien may be foreclosed when past due in accordance with the laws of the State of New York, by the Condominium, in like manner as a mortgage on real property, and the Condominium shall also have the right to recover all costs incurred including reasonable attorneys' fees and costs of collection (but such right shall not be a lien against the Unit). In the event the proceeds of the foreclosure sale are not sufficient to pay such unpaid Common Charges, the unpaid balance shall be charged to all Unit Owners as a Common Expense. However, where the holder of an institutional mortgage of record, or other purchaser of a Unit at a foreclosure sale of an institutional mortgage, obtains title to the Unit as a result of foreclosure, or the institutional mortgage holder obtains title by conveyance in lieu of foreclosure, such acquirer of title, his successors or assigns, shall not be liable and the Unit shall not be subject to a lien for the payment of Common Charges chargeable to such Unit which were assessed and became due prior to the acquisition of title to such Unit by such acquirer. In such event, the unpaid balance of Common Charges will be charged to all other Unit Owners as a Common Expense. The term "institutional mortgage" herein used shall mean a first mortgage granted by a bank, savings and loan association, life insurance company, pension fund, trust company or other institutional lender or a mortgage granted by the Declarant to a purchaser of a Unit or in which the Declarant participates with one of the above.

In addition to the Board's right to bring an action to foreclose a lien on a Unit Owner's Unit, the Board (on behalf of the Unit Owners) shall have the right to bring suit to recover a money judgment for unpaid Common Charges at the option of the Board, without foreclosing or waiving the lien securing such charges. In such an event, the Condominium shall be entitled to recover all cost of suit including reasonable attorneys' fees.

Every Unit Owner shall pay the Common Charges assessed against the Unit Owner when due as determined by the Board of Managers and no Unit Owner may be exempt from liability for the payment of the Common Charges assessed against the Unit Owner by waiver of the use or enjoyment of any of the Common Elements or by the abandonment of a Unit. However, no Unit Owner shall be liable for the payment of any Common Charges accruing subsequent to a sale, transfer or other conveyance by the Unit Owner of such Unit made in accordance with Section 339-x of the Real Property Law or in accordance with the provisions of this Declaration and the By-Laws.

Initially, Common Charges shall be assessed to all Unit Owners based upon their percentage of Common Interest, as set forth on Schedule B, annexed hereto. However, pursuant to Section 339-m of the New York State Real Property Law, the Condominium is authorized to establish a special allocation of Common Charges for the Condominium. Notwithstanding the foregoing, while the Declarant still retains ownership of a Unit in the Condominium, no special allocation of Common Charges shall be made without Declarant's prior written consent. This paragraph may not be amended without the express prior written consent of Declarant.

THIRTEENTH: UNITS ACQUIRED BY THE BOARD. In the event any Unit Owner shall convey their Unit to the Board of Managers in accordance with Section 339-x

of the Real Property Law or in the event the Board of Managers shall purchase any Unit at a foreclosure sale in accordance with Article IX of the By-Laws, title to such or the rights to the lease of such Unit shall be held by the Board of Managers or its designee on behalf of all of the other Unit Owners.

FOURTEENTH: POWER OF ATTORNEY. In order to carry out the provisions of Article Thirteenth of the Declaration and Article XI of the By-Laws, each Unit Owner shall, upon becoming such, grant an irrevocable power of attorney, coupled with an interest to the Board of Managers and their successors to acquire title or lease any such Unit acquired by the Board of Managers under whatever terms the Board may in its sole discretion deem proper and to sell, lease, sublease, mortgage, vote or otherwise deal with such Unit under such terms as the Board in its sole discretion shall deem proper. Each Unit Owner shall upon becoming a Unit Owner further grant an irrevocable power of attorney, coupled with an interest to the Board of Managers to nominate, designate, constitute and appoint the members of the Board of Managers of the Condominium and their successors, jointly, their true and lawful attorneys-in-fact, coupled with an interest, with power of substitution, in their name and on their behalf, the right to act in their behalf to take any and all action necessary against any tenant(s) that may be residing in a Unit Owner's Condominium Unit including but not limited to, the right to seek an eviction in a court of law for failure to adhere to any of the provisions of the Declaration of Condominium, By-Laws and/or Rules and Regulations of the Condominium.

FIFTEENTH: ENCROACHMENTS. The Unit Owners agree that if any portion of a Unit or the Common Elements (whether restricted in use to an individual Unit Owner or not) encroaches upon another or shall hereinafter encroach upon another as a result of original construction or settling of the Building, a valid easement for the encroachment and the maintenance of the same, so long as it stands, shall and does exist. In the event the Building is partially or totally destroyed as a result of fire or other casualty or as a result of condemnation or eminent domain proceedings and is rebuilt, the Unit Owners agree that encroachments of any portion of the Unit or the Common Elements as aforescribed due to construction, shall be permitted, and that a valid easement for said encroachment and the maintenance thereof shall exist so long as the Building or reconstructed Building shall stand.

SIXTEENTH: UNIT OWNERSHIP. Upon the closing of title to a Unit, a purchaser shall automatically become a Unit Owner in the Condominium and shall remain such until such time as the Unit Owner ceases to own the Unit for any reason. Occupancy of the Units shall be restricted to residential occupancy in accordance with the applicable zoning regulations of the municipality having jurisdiction over the Condominium.

SEVENTEENTH: USE OF UNITS. Occupancy and Use of the Units shall be restricted to in accordance with the applicable zoning regulations of the municipality having jurisdiction over the Community.

EIGHTEENTH: CONVEYANCE OF A UNIT. In any conveyance of a Unit, either by voluntary instrument, operation of law or judicial proceeding in accordance with this Declaration or the By-Laws, the Grantee of the Unit shall be jointly and severally liable with the Grantor for any unpaid Common Charges against the latter assessed and due up to the time of the grant or conveyance without prejudice to the Grantee's right to

recover from the Grantor the amounts paid by the Grantee therefor. Any such Grantee shall be entitled to a statement from the Board of Managers setting forth the amount of the unpaid Common Charge against the Grantor and such Grantee shall not be liable for, nor shall the Unit conveyed be subject to a lien for any unpaid Common Charge against the Grantor in excess of the amount set forth in such statement. Grantee as used herein shall not include either the holder of an institutional mortgage of record or other purchaser of a Unit at a foreclosure sale of an institutional mortgage.

NINETEENTH: COVENANT OF FURTHER ASSURANCES. Any party subject to the terms of this Declaration, whether such party is a Unit Owner, a lessee or sublessee of a Unit Owner, or the occupant of a portion of a Unit, a Member of the Board of Managers, an officer of the Condominium, or otherwise, shall, at the expense of any such other party requesting the same, execute, acknowledge and deliver to such other party such instruments, in addition to those specifically provided for herein, and take such other action, as such other party may reasonably request to effectuate the provisions of this Declaration or of any transaction contemplated herein or to confirm or perfect any right to be created or transferred hereunder or pursuant to any such transaction.

If any Unit Owner or any other party subject to the terms of this Declaration fails to execute, acknowledge or deliver any instrument, or fails or refuses, within ten (10) days after request thereof, to take any action which the Unit Owner or such other party is required to take pursuant to this Declaration, then the Board of Managers is hereby authorized as attorney-in-fact for such Unit Owner or other party, coupled with an interest, to execute, acknowledge and deliver such instrument, or to take such action, in the name of such Unit Owner, or other party and such document or action shall be binding on such Unit Owner or other party.

If any Unit Owner or the Board of Managers or any other party who is subject to the terms of this Declaration fails or refuses to execute, acknowledge or deliver any instrument, or fails or refuses within ten (10) days after request therefor, to take any action that the Board of Managers, any Unit Owner, or other party is required to take pursuant to this Declaration at the request of Declarant or Declarant's designee, then Declarant or Declarant's designee, as the case may be, is hereby authorized as attorney-in-fact for the Board of Managers, such Unit Owner, or other party, which power shall be deemed to be coupled with an interest, to execute, acknowledge and deliver such instrument, or to take such action, in the name of the Board of Managers, such Unit Owner, or other party, and such document or action shall be binding on the Board of Managers, such Unit Owner, or other party, as the case may be.

Each Unit Owner will have the affirmative duty to maintain its respective Unit in such a manner so as to reasonably prevent and avoid inflicting harm to other Units, the Limited Common Elements, however described, the General Common Elements or the Building. In the event any Unit Owner causes or permits any condition, or fails to take any action to prevent a condition, that has a deleterious effect on another Unit, any Limited Common Element, the General Common Elements or the Building, the Condominium Board will give written notice to such Unit Owner including a request that the Unit Owner take specific steps to ameliorate such a condition ("Remedy Notice"). If the Unit Owner fails to remedy the condition within seven (7) days of the receipt of the Remedy Notice, or, if the condition is such that it cannot be remedied within seven (7) days, fails to

commence appropriate remedies, the Condominium Board may, upon ten (10) business days additional notice to the Unit Owner, enter into the Unit and effect a reasonable remedy, at the Unit Owner's sole cost and expense. In the event a Unit Owner reasonably believes another Unit Owner has caused, permitted, or failed to prevent a condition that has a deleterious effect on its Unit, the first Unit Owner may request that the Board of Managers send a Remedy Notice. If the Board of Managers fails or otherwise determines not to send the Remedy Notice, the Unit Owner will have all rights to enjoin, abate or remedy by appropriate legal proceedings against the other Unit Owner or the Board of Managers, either at law or in equity, the continuance of any such condition or breach and to seek reimbursement for any costs or expenses incurred in connection therewith.

The Board of Managers will not promulgate and/or enforce any rules or regulations, or otherwise act, in a discriminatory manner.

TWENTIETH: COVENANTS AND RESTRICTIONS. The use of the Unit by the Unit Owner or other occupant shall be subject to the rules, regulations and provisions of this Declaration, the By-Laws and Rules and Regulations of the Board of Managers and the following covenants and restrictions:

- (a) The Unit and area restricted to the Unit Owner's use shall be maintained in good repair and overall appearance.
- (b) No alteration, addition, decoration or change to any part of the Common Elements may be made and no structure or other improvement may be built or placed on any portion of the Common Elements or Limited Common Elements or any portion of the Condominium which affects two (2) or more Units, without the written consent of the Board of Managers. The provisions of this paragraph shall not apply to Declarant.
- (c) No Unit Owner shall make any structural addition, alteration or improvement (of either a temporary or permanent nature) in or to their Unit, any Limited Common Element or any portion of the Condominium which affects two (2) or more Units, without the prior written approval of the Board of Managers. In addition, no Residential Unit Owner may alter or remove any interior wall without written approval of the Board of Managers. The Board of Managers shall have the obligation to answer any written request by a Unit Owner for approval of a proposed structural addition, alteration or improvement in such Unit Owner's Unit within forty-five (45) days after such request is received, and failure to do so within the stipulated time shall constitute a denial by the Board of Managers of the proposed structural addition, alteration or improvement. No Unit Owner shall make any structural addition, alteration or improvement in or to any Unit or any Limited Common Element without first: (1) obtaining and maintaining during the course of such work such insurance as the Board of Managers may reasonably prescribe and providing the Board with a certificate of insurance prior to the commencement of the work, (2) executing and delivering to the Board of Managers an agreement, in form and substance reasonably satisfactory to the Board, setting forth the reasonable terms and conditions under which such alteration, addition or improvement may

be made, including, without limitation, the days and hours during which any such work may be done, (3) executing and delivering to the Board of Managers an agreement indemnifying and holding harmless the Board, its members and officers, and all Unit Owners of the Condominium from and against any liability, cost or expense arising out of or connected to such work and (4) obtaining all approvals, as necessary, from the City of New York or any other governmental agency. In the event the Board of Managers chooses to have the proposed structural addition, alteration or improvement reviewed by an independent architect or engineer, the Unit Owner shall pay the charges of such architect or engineer. The Unit Owner shall also bear the cost of any increased taxes or insurance premiums resulting from the structural alterations, additions or improvements.

Any application to any department of the City of New York or any other governmental authority for a permit to make a structural addition, alteration or improvement in or to any Unit or Limited Common Element shall be completed by Unit Owner and executed by the Board of Managers only, without however, incurring any liability on the part of the Board of Managers or any of them to any contractor, subcontractor or materialmen on account of such structural addition, alteration or improvement or to any person having any claim for injury to person or damage to property arising therefrom.

In the event a Unit Owner violates this provision of the Declaration, the Board of Managers, in addition to all remedies it may have under this Declaration and the By-Laws, may institute legal action against the Unit Owner for the enforcement of this provision. In such an event the Unit Owner shall be responsible for the payment of reasonable attorney's fees of the Condominium, plus interest and costs of suit, as well as all costs associated with remedying the violation.

These provisions shall not apply to Units owned by the Declarant or its designee until such Units shall have been initially conveyed by the Declarant or such designee to an unrelated, third party.

- (d) A Non-Residential Unit Owner shall be permitted to make a non-structural addition, alteration or improvement (of either a temporary or permanent nature) in or to their Non-Residential Unit, or any Limited Common Element for their exclusive use, without the prior approval of the Board of Managers. The Non-Residential Unit Owner must obtain all approvals, as necessary, from the City of New York or any other relevant governmental agency. The Non-Residential Unit Owner shall also bear the cost of any increased taxes or insurance premiums resulting from the structural alterations, additions or improvements. No Unit Owner shall make any structural addition, alteration or improvement (of either a temporary or permanent nature) in or to their Unit, any Limited Common Element or any portion of the Condominium without the prior written approval of the Board of Managers, as set forth in paragraph (c) above.

Any application to any department of the City of New York or any other governmental authority for a permit to make a non-structural addition, alteration or improvement in or to any Non-Residential Unit or Limited Common Element for its exclusive use shall be completed by the Non-Residential Unit Owner and executed by the Non-Residential Unit Owner or the Board of Managers as necessary, without however, incurring any liability on the part of the Board of Managers or any of them to any contractor, subcontractor or materialmen on account of such non-structural addition, alteration or improvement or to any person having any claim for injury to person or damage to property arising therefrom.

At the request of the Non-Residential Unit Owner, the Board of Managers will timely execute any application or other document required to be filed with any governmental agency having or asserting jurisdiction in connection with any addition, alteration, improvement, or repair of the Non-Residential Unit or the operation thereof. The Non-Residential Unit Owner shall indemnify and hold the Board and the Unit Owners harmless from any liability resulting therefrom.

The Board of Managers will not have any right to restrict or limit the method of operation, use or appearance of any Non-Residential Unit which are permitted by law. No rules affecting the operation of the Non-Residential Unit maybe adopted or modified by the Board of Managers or Board of Managers without the consent of the Non-Residential Unit Owner.

Notwithstanding the foregoing, all Non-Residential Unit Owners, other than the Declarant, its successors, assignees and/or designees, shall be required to comply with any Condominium construction and/or improvement guidelines promulgated by the Board of Managers.

(b) Other Provisions for First Lien Holders. To the extent permitted under applicable law, the following protections for the benefit of first mortgage holders will be legally binding with respect to the Condominium:

- (1) Any restoration or repair of the Condominium after a partial condemnation or damage due to an insurable hazard shall be

substantially in accordance with the Declaration and the original plans and specifications unless the approval of the eligible holders of first mortgages on Units to which at least fifty-one (51%) percent of the votes of Units subject to mortgages held by such eligible holders are allocated, is obtained;

- (2) Any election to terminate the Condominium regime after substantial destruction or a substantial taking in condemnation of the Condominium property must require the approval of the eligible holders of first mortgages on Units to which at least fifty-one (51%) percent of the votes of Units subject to mortgages held by such eligible holders are allocated; and
- (3) Unless the formula for reallocation of interests in the Common Elements after a partial condemnation or partial destruction of the Condominium project is fixed in advance by the Declaration or by applicable law, no reallocation of interests in the Common Elements resulting from a partial condemnation or partial destruction of the Condominium project may be effected without the approval of the eligible holders of first mortgages on Units to which at least eighty (80%) percent of the votes of Units subject to mortgages held by such eligible holders are allocated.

As used in this section, the term "eligible holder, insurer or guarantor" shall mean a holder, insurer or guarantor of a first mortgage on a Unit in a Condominium which is entitled to notice in accordance with the provisions of (a) above.

In the event a mortgagee fails to submit a response to any written proposal for an amendment within 60 days after proper notice of the same was delivered by certified or registered mail, with a return receipt requested, said mortgagees' consent to such amendment will be implied.

TWENTY-SECOND: SPECIAL RIGHTS OF DECLARANT.

BY-LAWS
OF
THE 132-51 41ST ROAD CONDOMINIUM

ARTICLE I. PLAN OF CONDOMINIUM OWNERSHIP

Section 1. Condominium Unit Ownership. The property located at 132-51 41st Road, Flushing, Queens County, City and State of New York as specifically set forth in the Declaration and more commonly known as The 132-51 41st Road Condominium has been submitted to the provisions of Article 9-B of the Real Property Law of the State of New York.

Section 2. By-Laws Applicability. The provisions of these By-Laws are applicable to the Condominium. The term "Condominium" as used herein shall include the land and the Building and improvements thereon including the Condominium Units (hereinafter referred to as "Units"), and the Common Elements and the use and occupancy thereof, the term "Building" as hereinafter used shall be as defined in the Declaration of Condominium.

Section 3. Personal Application. All present or future Unit Owners, mortgagees and lessees, or their employees, guests or any other person that might use the facilities of the Condominium in any manner are subject to these By-Laws, the Declaration and any Rules and Regulations established by the Board of Managers. The mere acquisition or rental of any of the Units or the mere act of use or occupancy of any of said Units will signify that these By-Laws, the Declaration and the Rules and Regulations are accepted, ratified, and will be complied with.

Section 4. Definitions. The definitions contained in the Declaration of Condominium shall be applicable to these By-Laws unless otherwise indicated.

ARTICLE II. CONDOMINIUM, VOTING, QUORUM, PROXIES AND WAIVERS

Section 1. Condominium. The Condominium shall be limited to Unit Owners.

Section 2. Voting. Each Residential Unit Owner (including the Sponsor and the Board of Managers, if the Sponsor or the Board of Managers shall then own or hold title to one or more Units) shall be entitled to cast one vote for each .01% (rounded off to the nearest .01%) of Common Interest attributable to its Unit or Units, for each Board Member to be elected, in proportion to the Common Interest of all Units unless otherwise mandated by law or expressly provided for in the Declaration of Condominium, if not appointed. The Non-Residential Unit Owners (including the Sponsor and the Board of Managers, if the Sponsor or the Board of Managers shall then own or hold title to one or more Units) shall be entitled to cast one vote for each .01% (rounded off to the nearest .01%) of Common Interest attributable to its Unit or Units, for the Non-Residential Board Members to be elected, in proportion to the

Common Interest of all Units unless otherwise mandated by law or expressly provided for in the Declaration of Condominium, if not appointed.

Section 3. Quorum. So many Unit Owners as shall represent at least fifty-one (51%) percent of the total authorized votes of all Unit Owners present in person or represented by written proxy shall constitute a quorum at all meetings of the Unit Owners for the transaction of business, except as otherwise provided by Statute, by the Declaration, or by these By-Laws. If, however, such quorum shall not be present or represented at any meeting of the Unit Owners, the Unit Owners entitled to vote thereat, present in person or represented by written proxy, shall have the power to adjourn the meeting from time to time, without notice other than announcement at the meeting. At such adjourned meeting so many Unit Owners as shall represent at least thirty-three and one-third (33 $\frac{1}{3}$ %) percent of the total authorized votes of all Unit Owners shall constitute a quorum. At such adjourned meeting any business may be transacted which might have been transacted at the meeting originally called. If, however, such quorum shall not be present or represented at any meeting of the Unit Owners, the Unit Owners entitled to vote thereat, present in person or represented by written proxy, shall have power to adjourn the meeting from time to time, without notice other than announcement at the meeting. At such adjourned meeting so many Unit Owners as shall represent at least twenty-five (25%) percent of the total authorized votes of all Unit Owners shall constitute a quorum. Any business may be transacted which might have been transacted at the meeting originally called.

Section 4. Vote Required to Transact Business. When a quorum is present at any meeting, the vote of a majority of the Unit Owners present in person or represented by written proxy shall decide any question brought before such meeting and such vote shall be binding upon all Unit Owners, unless the question is one upon which, by express provisions of the Declaration, Statute, or of these By-Laws, a different vote is required, in which case such express provisions shall govern and control the decision of such question.

Section 5. Right to Vote. At any meeting of Unit Owners, every Unit Owner having the right to vote shall be entitled to vote in person, or by proxy. Such proxy shall only be valid for such meeting or subsequent adjourned meetings thereof.

Section 6. Proxies. All proxies shall be in writing and shall be filed with the Secretary prior to the meeting at which the same are to be used. A notation of such proxies shall be made in the minutes of the meeting.

Section 7. Waiver and Consent. Whenever the vote of Unit Owners at a meeting is required or permitted by any provision of the Declaration, Statutes or of these By-Laws to be taken in connection with any action of the Condominium, the meeting and vote of Unit Owners may be dispensed with if all Unit Owners who would have been entitled to vote upon the action if such meeting were held, shall consent in writing to such action being taken.

Section 8. Place of Meetings. Meetings shall be held at such suitable place convenient to the Unit Owners as may be designated by the Board of Managers.

Section 9. Annual Meetings Control of Board of Managers by Sponsor. The Sponsor has the right to maintain a majority of the Board of Managers of the Condominium until all of the Residential Units in the Condominium are sold. Thereafter, the first annual meeting of Unit Owners called pursuant to Section 9 of Article II of the By-Laws, a total of five (5) Members shall be elected or designated. Two (2) of the five (5) Members shall be elected by the Non-Residential Unit Owners. All Members, other than those designated by the Sponsor and/or the Non-Residential Unit Owners, shall be elected by the Residential Unit Owners. The term of office of the two (2) Non-Residential Unit Members shall be fixed for three (3) years, the term of office of one (1) of the Residential Members shall be fixed at three (3) years, the term of office of one (1) of the Residential Unit Members shall be fixed for two (2) years and the term of office of one (1) of the Residential Members shall be fixed at one (1) year. Separate ballots shall be conducted for each of the three terms of office. Each Residential Unit Owner (including the Sponsor and the Board of Managers, if the Sponsor or the Board of Managers shall then own or hold title to one or more Units) shall be entitled to cast one vote for each .01% (rounded off to the nearest .01%) of Common Interest attributable to its Unit or Units, for each Board Member to be elected, in proportion to the Common Interest of all Units unless otherwise mandated by law or expressly provided for in the Declaration of Condominium, unless appointed. The Non-Residential Unit Owners (including the Sponsor and the Board of Managers, if the Sponsor or the Board of Managers shall then own or hold title to one or more Units) shall be entitled to cast one vote for each .01% (rounded off to the nearest .01%) of Common Interest attributable to its Unit or Units, for the Non-Residential Board Members to be elected, in proportion to the Common Interest of all Units unless otherwise mandated by law or expressly provided for in the Declaration of Condominium, if not appointed. The one nominee(s) on each of the ballots, as the case may be, receiving the highest number of votes on their ballot shall constitute the duly elected Board of Managers. At the expiration of the initial term of office of each respective Member, the Member's successor shall be elected to serve a term of three (3) years. The Members shall hold office until their successors have been elected and hold their first meeting. Notwithstanding the foregoing, the Sponsor will have voting control and may designate a majority of the Board of Managers until all of the Residential Units in the Condominium are sold. Thereafter, Sponsor shall have the right to designate and/or appoint the Non-Residential Unit Members to the Board of Managers. In the event the Sponsor no longer owns a Unit in the Condominium, the Sponsor shall no longer be permitted to designate or appoint Members to the Board of Manager.

Section 10. Special Meetings. It shall be the duty of the President to call a special meeting of the Condominium, if so, directed by the Board of Managers, or upon the presentation to the Secretary of a petition signed by a majority of the Unit Owners. The secretary shall cause a notice of such special meeting stating the time, place and object thereof and the officer or other person or persons by whom the meeting is called, to be delivered personally or mailed as provided in Section 11 of this Article to each Unit

Owner of the Condominium entitled to vote at such meeting not less than ten (10) nor more than thirty (30) days before such meeting. The date of the special meeting shall be determined by the Board of Managers and shall be held no later than sixty (60) days from receipt of any written request pursuant to this Section 10 unless a later date is agreed to in writing by the Unit Owners of the Condominium or the Board of Managers, requesting such meeting. No business other than that stated in such notice shall be transacted at such special meeting unless all Unit Owners of the Condominium are present in person or by proxy. Any or all of the Board of Managers of the Condominium, other than those designated by the Declarant may be removed without cause by vote of the Members at a special meeting called pursuant to this section if the meeting is called for such purpose.

Section 11. Notice of Meetings. It shall be the duty of the Secretary to mail a notice of each annual or special meeting, stating the purpose thereof as well as the time and place where it is to be held, to each Unit Owner of record, at least ten (10) but not more than thirty (30) days prior to such meeting. The mailing of a notice in the manner provided in these By-Laws shall be considered notice served.

Section 12. Order of Business. The order of business at all meetings shall be as follows:

- (a) Roll Call
- (b) Proof of notice of meeting or waiver of notice
- (c) Reading of minutes of preceding meeting
- (d) Report of officers

- (h) Unfinished business
- (i) New business

ARTICLE III. BOARD OF MANAGERS

Section 1. Number and Term. The affairs of the Condominium shall be governed by a Board of Managers. The first Board of Managers shall consist of three (3) Members designated by the Sponsor who shall hold office and exercise all powers of the Board of Managers until the first annual meeting of the Unit Owners. Until succeeded by the Members elected at the first annual meeting of Unit Owners, Members need not be Unit Owners; thereafter, all Members, other than designees or nominees of the Sponsor, shall be Unit Owners. The Members shall be elected or designated at the annual meeting of the Unit Owners.

At the first annual meeting of Unit Owners called pursuant to Section 9 of Article II of the By-Laws a total of five (5) Members shall be elected or designated. Thereafter, the first annual meeting of Unit Owners called pursuant to Section 9 of Article II of the

By-Laws, a total of five (5) Members shall be elected or designated. Two (2) of the five (5) Members shall be elected by the Non-Residential Unit Owners. All Members, other than those designated by the Sponsor and/or the Non-Residential Unit Owners, shall be elected by the Residential Unit Owners. The term of office of the two (2) Non-Residential Unit Members shall be fixed for three (3) years, the term of office of one (1) of the Residential Members shall be fixed at three (3) years, the term of office of one (1) of the Residential Unit Members shall be fixed for two (2) years and the term of office of one (1) of the Residential Members shall be fixed at one (1) year. Separate ballots shall be conducted for each of the three terms of office. Each Residential Unit Owner (including the Sponsor and the Board of Managers, if the Sponsor or the Board of Managers shall then own or hold title to one or more Units) shall be entitled to cast one vote for each .01% (rounded off to the nearest .01%) of Common Interest attributable to its Unit or Units, for each Board Member to be elected, in proportion to the Common Interest of all Units unless otherwise mandated by law or expressly provided for in the Declaration of Condominium. The Non-Residential Unit Owners (including the Sponsor and the Board of Managers, if the Sponsor or the Board of Managers shall then own or hold title to one or more Units) shall be entitled to cast one vote for each .01% (rounded off to the nearest .01%) of Common Interest attributable to its Unit or Units, for the Non-Residential Board Members to be elected, in proportion to the Common Interest of all Units unless otherwise mandated by law or expressly provided for in the Declaration of Condominium, if not appointed. The one nominee(s) on each of the ballots, as the case may be, receiving the highest number of votes on their ballot shall constitute the duly elected Board of Managers. At the expiration of the initial term of office of each respective Member, the Member's successor shall be elected to serve a term of three (3) years. The Members shall hold office until their successors have been elected and hold their first meeting. Notwithstanding the foregoing, the Sponsor will have voting control and may designate a majority of the Board of Managers until all of the Residential Units in the Condominium are sold. Thereafter, Sponsor shall have the right to designate and/or appoint the Non-Residential Unit Members to the Board of Managers. In the event the Sponsor no longer owns a Unit in the Condominium, the Sponsor shall no longer be permitted to designate or appoint Members to the Board of Manager.

This Section may not be amended without the written consent of Sponsor.

Section 2. Vacancy and Replacement. If the office of any Member or Members becomes vacant by reasons of death, resignation, retirements, disqualification, removal from office or otherwise, a majority of the remaining Members, though less than a quorum, at a special meeting of Members duly called for this purpose, shall choose a successor or successors, who shall hold office for the unexpired term in respect to which such vacancy occurred. The Board of Managers shall also have the right to call for a special meeting in accordance with Article II, Section 10 to elect the Member's successor to fill the unexpired portion of the term of office. In the event of the failure to hold any election of the Board of Managers at the time designated for the annual election of the Board of Managers or in the event that the Board of Managers shall not have filled any such vacancy, a special meeting of the Unit

Owners to elect a new Board of Managers or to fill such vacancy or vacancies may be called in the manner generally provided for the calling of special meetings of the Unit Owners. If the vacancy occurs with respect to any Member of the first Board of Managers (see Section 4 of this Article III) or any other Member who has been designated by the Sponsor and the Sponsor still retains ownership of at least one (1) Unit, the Sponsor shall have the sole right to choose such Member's successor to fill the unexpired portion of the term.

Section 3. Removal. Members may be removed for cause by an affirmative vote of a majority of the Unit Owners. No Member, other than a Member of the first Board of Managers or a designee of the Sponsor or the Non-Residential Unit Owner, shall continue to serve on the Board if, during their term of office, they shall cease to be a Unit Owner. In the event a Sponsor designee is removed for cause and the Sponsor still retains ownership of at least one (1) Unit, the Sponsor shall have the sole right to designate a replacement. In the event a Non-Residential Unit Owner designee is removed for cause and the Non-Residential Unit Owner shall have the sole right to designate a replacement.

Section 4. Resignation. Any Member may resign at any time by written notice delivered in person or sent by certified registered mail to the President or Secretary of the Condominium. Such resignation shall take effect at the time specified therein. Acceptance of such resignation shall not be necessary to make it effective.

Section 5. First Board of Managers. The first Board of Managers of the Condominium will consist of Kuoching Hsu, Hanjun Bai (both of whom are principals of the Sponsor) and Linzhong Zhuo, a business associate of the Sponsor. The first Board of Managers shall hold office and exercise all powers of the Board of Managers until the first annual meeting of Unit Owners. The Sponsor has the right to substitute or change any or all of said representatives of the first Board of Managers. Any or all of said Members shall be subject to replacement in the event of resignation or death in the manner set forth in Section 2 of this Article.

Section 6. Powers.

(a) The property and business of the Condominium shall be managed by its Board of Managers, which may exercise all such powers of the Condominium and do all such lawful acts and things as are not by Statute or by the Declaration or by these By-Laws, directed or required to be exercised or done by the Unit Owners personally. These powers shall specifically include, but not be limited to, the following items:

1. To determine and levy monthly assessments ("Common Charges") to cover the cost of Common Expenses, payable in advance. The Board of Managers may increase the monthly assessments or vote a special assessment in excess of annual Common Charges, if required, to meet any additional necessary expenses, but said increases can only be

assessed among all the Unit Owners pro-rata according to their respective percentage of Common Interest.

2. To collect, use, and expend the Common Charges collected to maintain, care for and preserve the Units, the Building, and other Common Elements;
3. To open bank accounts on behalf of the Condominium and to designate the signatories to such bank accounts;
4. To make repairs, restore or alter any Unit or the Common Elements after damage or destruction by fire or other casualty or as a result of condemnation or eminent domain proceedings;
5. To enter into and upon the Units when necessary and at as little inconvenience to the Unit Owners as possible in connection with the maintenance, care and preservation of the property. No notice is required to gain access for repairs. Any repairs required as the result of negligence of the Unit Owner will be at the expense of the Unit Owner;
6. To insure and keep insured the General Common Elements, Limited Common Elements and the Units. A Unit Owner may secure supplemental coverage for the Unit and its contents and the liability coverage for the Unit;
7. To collect delinquent Common Charges and special Common Charge assessments by suit or otherwise, to abate nuisances and to enjoin or seek damages from the Unit Owners of the property for violations of the house rules or rules and regulations herein referred to;
8. To make reasonable rules and regulations applicable to the Common Elements of Units and Unit Owners and to amend the same from time to time, and such rules and regulations and amendments shall be binding upon the Unit Owners when the Board has approved them in writing. A copy of such rules and all amendments shall be delivered to each Unit;
9. To employ and terminate the employment of employees and independent contractors and to purchase supplies and equipment, to enter into contracts, and generally to have the powers of a manager in connection with the matters hereinabove set forth;
10. To bring and defend actions by or against more than one Unit Owner and pertinent to the operation of the Condominium and to levy special Common Charge assessments to pay for the cost of such litigation;

11. To acquire a Unit in foreclosure or as a result of abandonment and to take any or all steps necessary to repair or renovate any Unit so acquired and to vote as a Unit Owner, offer such Unit for sale or lease or take any other steps regarding such Unit as shall be deemed proper by the Board of Managers;
12. To make additions, alternations, or improvements to the General Common Elements of the Condominium and those portions of the Condominium which are included in the description of an individual Unit but which service two (2) or more Units in the Condominium;
13. To borrow money on behalf of the Condominium when required in connection with the operation, care upkeep and maintenance of the General Common Elements, provided, however, that no lien to secure repayment of any sum borrowed may be created on any Unit or its appurtenant interest in the Common Elements without the written consent of the Owners of said Unit.
14. Pursuant to Section 339-y (4) of the New York Real Property Law, the Board of Managers may (but is not obligated to) act as an agent for one or more Unit Owners who have given their written authorization to file a single complaint and bring a special proceeding on behalf of Unit Owners who wish to contest the real estate tax assessments of their Units. In such event, the Board could retain counsel on behalf of such Unit Owners and charge each Unit Owner for whom it is acting a pro rata share of expenses, disbursements and legal fees, the payment for which would be secured by a lien on each Unit;
15. To make payment for the real estate taxes assessed to the Building until the Units are separately assessed for taxes and to collect a reasonable adjustment for same from the individual Unit Owners.
16. To grant utility or other easements over or to the Common Elements as may, at any time, be required for the benefit of the Condominium and the Unit Owners without the necessity of the consent thereto, or joinder therein, by the Unit Owners or any mortgagee (except that if the granting of such easement impairs the ability of one (1) or more Unit Owners who have the right to use such Common Elements to the exclusion of any other Unit Owners, the consent of all such affected Unit Owners shall be required in writing before such easement shall be granted); and
17. To impose reasonable fines upon Unit Owners for violating the rules and regulations of the Community, as contained in these By-Laws or as promulgated by the By-Laws.

(b) The Board of Managers may, by resolution or resolutions passed by a majority of the whole Board, designate one or more committees, each of such committees to include at least one (1) Member which, to the extent provided in said resolution or resolutions, shall have and may exercise the powers of the Board of Managers in the management of the business affairs of the Condominium and may have power to sign all papers which may be required, provided the said resolutions shall specifically so provide. Such committee or committees shall have such name or names as may be determined from time to time by resolution adopted by the Board of Managers. Committees established by resolution of the Board of Managers shall keep regular minutes of their proceedings and shall report the same to the Board as required.

(c) Notwithstanding anything to the contrary contained in these By-Laws, for a period ending not more than five (5) years after the closing of title to the first Unit or whenever the unsold Units constitute less than twenty-five (25%) percent of the Common Interest, whichever is sooner, the Board of Managers, may not, without the Sponsor's prior written consent: (i) make an addition, alteration or improvement to the Common Elements or to any Unit, costing cumulatively more than \$25,000, the foregoing not to include necessary repairs and maintenance work, or (ii) assess any Common Charges for the creation of, addition to, or replacement of all or part of a reserve, contingency or surplus fund, in excess of the reserve for contingencies contained in the Condominium budget for the first year of operation, (iii) hire any employee in addition to the employees referred to in the Plan of Condominium ownership, or (iv) enter into any service or maintenance contract for work not covered by contracts in existence on the date of closing of the first Unit, or (v) borrow money on behalf of the Condominium, (vi) reduce the services or maintenance set forth in the Condominium budget for the first year of operation, or (vii) charge any special Common Charge assessment for a non-budgeted item unless required by law, municipal agency, emergency or for the health and safety of the Condominium; or (viii) increase the Common Charges of the Condominium more than ten (10%) percent from the prior year's budget, unless documentation is provided to the Sponsor in the nature of a financial statement, bids from contractors or verified increases in utility rates, evidencing the need for an increase greater than ten (10%) percent, or (ix) utilize Condominium funds or assess the Sponsor in order to commence a lawsuit against the Sponsor or any of its principals.

(d) Notwithstanding Article III, Section 6(c) of these By-Laws Sponsor may not exercise veto power over expenses described in the proposed first year budget, as described in the Offering Plan, or over expenses required:

- (i) to comply with applicable laws or regulations; or
- (ii) to remedy any notice of violation; or
- (iii) to remedy any matter regarding the health and safety of the occupants of the Building; or
- (iv) to remedy any work order by an insurer.

(e) Sponsor may exercise veto power over expenses, other than those described in Article III, Sections 6(c) and (d) of the By-Laws, for a period ending not more than five (5) years after the closing of the first Unit or whenever the unsold Units constitute less than twenty-five (25%) percent of the common interest, whichever is sooner.

The provisions of this paragraph may not be amended without the written consent of Sponsor.

Section 7. Repairs and Maintenance. All maintenance, repairs and replacements to the Common Elements including, but not limited to, exterior walls of the Building, windows, roof and roof members, as well as all maintenance, repairs and replacements to any pipes, wires, conduits and public utility lines, any portion of which is located in one Unit and services another Unit or more than one (1) Unit or so much of any pipes (including sewer and water pipes), wires, conduits and public utility lines as are located in the Common Elements but serve one or more Units shall be made by the Board of Managers and the cost thereof shall be a Common Charge payable by all Unit Owners. The Board of Managers shall repair all plumbing stoppages and electrical repairs occurring in the Common Elements.

All maintenance (including electrical and plumbing repairs in the Units and painting and decorating of the inside of the Units), repairs and replacements to the Units including windows (including all glass breakage), doors, windows and doors which open from a Unit (except painting and maintenance of the exterior surface which is performed by the Board of Managers on behalf of the Condominium), and repairs to any heating (boiler)/air conditioning/hot water system servicing a Unit, pipes, wires and conduits located within or without the same Unit other than as set forth above shall be made by the respective Unit Owners at their own expense.

All general maintenance, repairs and replacements of the balconies and terraces that are Limited Common Elements, including cleaning, snow removal and all repairs not structural in nature (including the repair of leaks and the repair or replacement of the surface of the balconies or terraces), shall be the responsibility of the Residential Unit Owner whose balcony or terrace is a Limited Common Element of their Residential Unit. Although the cost of repairs and replacements to Limited Common Elements shall be borne by the Residential Unit Owners, the Board of Managers shall be charged with performing all repairs and replacements at the Residential Unit Owners sole cost and expense. No Unit Owner shall make any addition, alteration or improvement (of either a temporary or permanent nature) of a structural nature in or to any Limited Common Element, without the prior written approval of the Board of Managers. Any repair or replacement to any Limited Common Element by a Unit Owner, if permitted, shall conform to the requirements contained in Article Eighteenth (2) of the Declaration of Condominium. The balconies and terraces are not permitted to be used for storage and are not permitted to be enclosed. All repairs, maintenance and any replacement of any heating, cooling or other mechanical system servicing an individual Unit that is located

in or on the Common Elements and/or all apparatus, installations, systems equipment and facilities in the Common Elements (including pipes, wire, ducts, vents, cables, conduits and lines) which serve or benefit a Unit exclusively shall be the responsibility of the Unit Owner. All repairs to the exterior of any door, building, open area or other generally visible portion of the Condominium must be in conformation with the style and colors initially installed by the Sponsor.

All maintenance, repairs and replacements to the exterior entryways, doors and glass storefront window systems appurtenant to the Non-Residential Units will be the responsibility of the Non-Residential Unit Owner, at its sole cost and expense. In the event the Board of Managers elects to maintain, repair or replace any of these items, the cost of any such maintenance, repair and/or replacement, shall be allocated to the Non-Residential Unit Owner.

All maintenance, repairs and replacements to the General Common Elements, other than as set forth herein, will be made by the Board of Managers and the cost thereof will be a Common Expense payable by all Unit Owners.

All maintenance, repairs and replacements to the Residential Restricted Common Elements, other than as set forth herein, will be made by the Board of Managers and the cost thereof will be a Common Expense payable by all Residential Unit Owners.

The Board of Managers on behalf of the Condominium shall repair and replace any public utility lines located underground or overhead of any Limited Common Element except where such repair or replacement is necessitated because of the negligence or misuse or neglect of the Unit Owner to which the Common Element is restricted in use, in which event such Unit Owner shall make such repairs or replacements at their own expense.

The Board of Managers and their agents, employees and contractors shall have the right of access to any Unit for the purpose of making any repairs or replacements to any of the General Common Elements and Limited Common Elements contained therein or elsewhere in the Condominium or to remedy any condition which would result in damage to any other Unit or the General Common Elements or Limited Common Elements, or which would violate the provisions of any mortgage covering another Unit or for the purpose of complying with any laws, orders, rules or regulations of any governmental body having jurisdiction thereof or for the purpose of carrying out any of its obligations under the By-Laws or the Declaration of the Condominium. Such right of access shall be exercised in such manner as will not unreasonably interfere with the use of the Units but no prior notice shall be required in the event the Board of Managers shall determine that action is immediately necessary for the preservation or safety of the Condominium or its property, or the Units, or for the safety of Condominium residents or other persons, or required to avoid the suspension of any necessary service to the Condominium.

All replacements, repairs, painting or maintenance, whether made by the Unit Owner or by the Board of Managers to the doors, windows, or the exterior surface of a Unit, including roofs, or to any generally visible portion of the Common Elements shall be carried out in such a manner so as to conform to the materials, style and color initially provided by the Sponsor and shall comply with the requirements of Article Twentieth (c) of the Declaration of Condominium.

In the event that a Unit Owner fails to perform any maintenance or repair which maintenance or repair is necessary to protect any of the Common Elements or any other Unit, the Board of Managers shall have the right to make such maintenance or repair (after the failure of the Unit Owner to do so after ten (10) days written notice, or written or oral notice of a shorter duration in the event of any emergency situation) and to charge the Unit Owner for the cost of all such repairs and/or maintenance. In the event that the Board of Managers charges a Unit Owner for repairs or maintenance to Unit Owner's Unit or for repairs to any Common Element restricted in use to such Unit Owner, and the Unit Owner fails to make prompt payment, the Board of Managers shall be entitled to bring suit thereon and, in such event, the Unit Owner shall be liable for the reasonable Attorneys' fees and costs of such suit or proceeding together with interest on all sums due.

Section 8. Compensation. Members and officers, as such, shall receive no compensation for their services.

Section 9. Meetings.

- (a) The first meeting of each Board newly elected by the Unit Owners shall be held immediately upon adjournment of the meeting at which they were elected, provided a quorum shall then be present, or as soon thereafter as may be practicable. The annual meeting of the Board of Managers shall be held at the same place as the Unit Owners meetings, and immediately after the adjournment of same, at which time the dates, places and times of regularly scheduled meetings of the Board shall take place.
- (b) Regularly scheduled meetings of the Board may be held without special notice.
- (c) Special meetings of the Board may be called by the President on two (2) days' notices to each Member either personally or by mail or telegram. Special meetings shall be called by the President or Secretary in a like manner and on like notice on the written request of at least two (2) Members.
- (d) At all meetings of the Board, a majority of the Members shall be necessary and sufficient to constitute a quorum for the transaction of business, and an act of the majority of the Members present at any meeting at which there is a quorum shall be the act of the Board of Managers, except as

may be otherwise specifically provided by statute or by the Declaration or by these By-Laws. If a quorum shall not be present at any meetings of Members, the Members present thereat may adjourn the meeting from time to time, without notice other than announcement at the meeting, until a quorum shall be present.

- (e) Before or at any meeting of the Board of Managers, any Member may, in writing, waive notice of such meeting and such waiver shall be deemed equivalent to the giving of such notice. Attendance by a Member at any meeting of the Board shall be a waiver of notice by him of the time and place thereof. If all the Members are present at any meeting of the Board, no notice shall be required and any business may be transacted at such meeting.
- (f) Members of the Board may participate in a meeting by means of a conference telephone call or similar communications equipment by means of which all persons participating in such meeting can hear each other and such participation shall constitute presence at such meeting.

Section 10. Annual Statement. The Board of Managers shall furnish to all Unit Owners and their mortgagees and shall present annually (at the annual meeting, but in no event later than four (4) months after the close of the fiscal year) and when called for by a vote of the Unit Owners at any special meeting of the Unit Owners, a full and clear statement of the business conditions and affairs of the Condominium, including a balance sheet and profit and loss statement verified by an independent public accountant and a statement regarding any taxable income attributable to the Unit Owner and a notice of the holding of the annual Unit Owners meeting.

Section 11. Fidelity Bonds. The Board of Managers shall require that all officers and employees of the Condominium handling or responsible for Condominium funds shall furnish adequate fidelity bonds. The premiums on such bonds shall be a common expense.

Section 12. Management Agent. The Board of Managers may employ for the Condominium a management agent under a term contract or otherwise at a compensation established by the Board, to perform such duties and services as the Board shall authorize, including, but not limited to, all of the delegable duties of the Board listed in this Article.

Section 13. Liability of the Board of Managers, Officers and Unit Owners. No Member of the Board of Managers or officer of the Condominium shall have any personal liability to the Condominium or to any Unit Owner for damages for any breach of duty in his or her capacity as a Member of the Board or officer, provided that this provision does not eliminate or limit the liability of a Member of the Board or officer if a judgment or other final adjudication adverse to him or her establishes (a) that his or her acts or omissions were in bad faith or involved intentional misconduct or a knowing

violation of law, or (b) that he or she personally gained in fact a financial profit or other advantage to which he or she was not legally entitled.

The Condominium, through the Unit Owners, shall indemnify to the fullest extent permitted by law any person made, or threatened to be made, a party to an action or proceeding, whether civil or criminal, including an action by or in the right of the Condominium to procure a judgment in its favor or an action other than one by or in the right of the Condominium and including an action by or in the right of any corporation of any type or kind, domestic or foreign, or any partnership, joint venture, trust, employee benefit plan or other enterprise, which any Member of the Board or officer of the Condominium served in any capacity at the request of the Condominium, by reason of the fact that he, his testator or intestate, was a Member of the Board or officer of the joint venture, trust, employee benefit plan or other enterprise in any capacity; provided that no indemnification may be made to or on behalf of any Member of the Board or officer if a judgment establishes that his or her acts were committed in bad faith or were the result of active and deliberate dishonesty and were material to the cause of action so adjudicated, or that he or she personally gained in fact a financial profit or the advantage to which he or she was not legally entitled.

The Unit Owners shall indemnify and hold harmless each of the Members of the Board of Managers against all contractual liability to others arising out of contracts made by the Board of Managers on behalf of the Condominium unless any such contract shall have been made in bad faith or contrary to the provision of the Declaration or of these By-Laws. It is intended that the Members of the Board of Managers shall have no personal liability with respect to any contract made by them on behalf of the Condominium (except as Unit Owners). It is understood and permissible for the original Board of Managers, who may be members of or be employed by the Sponsor, to contract with the Sponsor and affiliated corporations and entities without incurring any liability for self-dealing. It is also intended that the liability of any Unit Owner arising out of any contract made by the Board of Managers or out of the aforesaid indemnity in favor of the Member of the Board of Managers shall be limited to such proportion of the total liability thereunder as his or her interest in the Common Elements bears to the interest of all the Unit Owners in the Common Elements. Every agreement made by the Board of Managers or by the managing agent or by the manager on behalf of the Condominium shall provide that the Members of the Board of Managers, or the managing agent, or the manager, as the case may be, are acting only as agent for the Unit Owners and shall have no personal liability thereunder (except as Unit Owners).

Each Unit Owner's liability pursuant to this Section shall be limited to such proportion of the total liability thereunder as his or her interest in the Common Elements bears to the interest of all Unit Owners in the Common Elements.

ARTICLE IV. OFFICERS

Section 1. Elective Officers. The officers of the Condominium shall be chosen by the Board of Managers and shall be a President, a Vice President, a Secretary and a Treasurer. The Board of Managers may also choose one (1) or more Assistant Secretaries and Assistant Treasurers and such other officers as in their judgment may be necessary. All officers must be Unit Owners, Members of the first Board of Managers or designated Members of the Board of Managers of the Sponsor. Two (2) or more offices may be held by the same person, except that the President may only hold the office of President.

Section 2. Election. The Board of Managers at its first meeting after each annual Unit Owners Meeting shall elect a President, a Vice-President, a Secretary and a Treasurer. Only the President must be a member of the Board.

Section 3. Appointive Officers. The Board may appoint such other officers and agents as it shall deem necessary who shall hold their offices for such terms and shall exercise such powers and perform such duties as shall be determined from time to time by the Board.

Section 4. Term. The officers shall hold office until their successors are chosen and qualify in their stead. Any officer elected or appointed by the Board of Managers may be removed with or without cause, at any time, by the affirmative vote of a majority of the whole Board of Managers. If the office of any officer becomes vacant for any reason, the vacancy shall be filled by the Board of Managers.

Section 5. The President. The President shall be the chief executive officer of the Condominium; the President shall preside at all meetings of the Unit Owners and Members, the President shall be an ex-officio member of all standing committees, shall have general and active management of the business of the Condominium, shall see that all orders and resolutions of the Board are carried into effect and shall have such other powers and duties as are usually vested in the office of President of a stock corporation organized under the Business Corporation of the State of New York.

Section 6. The Vice-President. The Vice President shall take the place of the President and perform the President's duties whenever the President shall be absent or unable to act and shall have such other powers and duties as are usually vested in the office of Vice President of a stock corporation organized under the Business Corporation Law of the State of New York.

Section 7. The Secretary. The Secretary and/or Assistant Secretary shall attend all sessions of the Board and all Unit Owners meetings and record all votes and the minutes of all proceedings in a book to be kept for that purpose and shall perform like duties for the standing committees when required. The Secretary shall give, or cause to be given, notice of all Unit Owners meetings and special meetings of the Board

of Managers, and shall perform such other duties as may be prescribed by the Board of Managers or by the President, under whose supervision the Secretary shall be.

Section 8. The Treasurer. The Treasurer shall have the custody of the Condominium funds and securities and shall keep full and accurate chronological accounts of receipts and disbursements in books belonging to the Condominium including the vouchers for such disbursements, and shall deposit all monies and other valuable effects in the name and to the credit of the Condominium in such depositories as may be designated by the Board of Managers.

The Treasurer shall disburse the funds of the Condominium as may be ordered by the Board, making proper vouchers for such disbursements and shall render to the President and Members, at the regular meeting of the Board or whenever they may require it, an account of all transactions as Treasurer and of the financial condition of the Condominium.

The Treasurer shall keep detailed financial records and books of account of the Condominium, including a separate account for each Unit which, among other things, shall contain the amount of each assessment of Common Charges against such Unit, the date when due, the amounts paid thereon and the balance remaining unpaid.

Section 9. Agreements, etc. All agreements and other instruments shall be executed by the President or such other person as may be designated by the Board of Managers.

ARTICLE V. NOTICES

Section 1. Definition. Whenever under the provisions of the Declaration or of these By-Laws, notice is required to be given to the Board of Managers, any Member or Unit Owner, it shall not be construed to mean personal notice; but such notice may be given in writing, by mail, by depositing the same in a post office or letter box in a postpaid sealed wrapper, addressed to the Board of Managers, such Member or Unit Owner at such address as appears on the books of the Condominium.

Section 2. Service of Notice-Waiver. Whenever any notice is required to be given under the provisions of the Declaration, or of these By-Laws, a waiver thereof, in writing, signed by the person or persons entitled to such notice, whether before or after the time stated therein, shall be deemed the equivalent thereof.

ARTICLE VI. FINANCES

Section 1. Checks. All checks or demands for money and notes of the Condominium shall be signed by the President and Treasurer, or by such other officer or officers or such other person or persons as the Board of Managers may from time to time designate.

Section 2. Assessments. The Board of Managers shall, from time to time, but at least annually, fix and determine the budget representing the sum or sums necessary and adequate for the continued operation of the Condominium and shall send a copy of the budget and supplement to the budget to every Unit Owner and mortgagee. They shall determine the total amount required, including the operational items such as insurance, repairs, reserves, betterments, maintenance of the Common Elements and other operating expenses as well as charges to cover any deficits from prior years.

The total annual requirements shall be assessed as a single sum against all Units and prorated against each of said Units according to the respective Common Interest appurtenant to such Units or according to a special allocation of Common Expenses as permitted pursuant to Section 339-m of the New York State Real Property Law.

Said assessments shall be payable monthly or such other manner as ordered by the Board of Managers and shall be referred to as Common Charges. Special Common Charge assessments, should such be required, shall be levied and paid in the same manner as herein above provided for regular assessments.

The Unit Owner agrees to pay promptly when due the monthly Common Charges and all special Common Charge assessments assessed against the Unit Owner's own Unit. In the event any Unit Owner fails to make payment of the Unit Owner's Common Charge payment, the Unit Owner who owns such Unit shall be obligated to pay (a) a "late charge" of \$.15 for each \$1.00 of such amounts which remain unpaid for more than ten (10) days from their due date (although nothing herein shall be deemed to extend the period within which such amounts are to be paid) and (b) interest at the rate of two (2%) percent per month (but in no event in excess of the maximum rate theretofore collected on such amounts) computed from the due date thereof, and (c) all expenses, including, without limitation, attorneys' fees paid or incurred by the Board or by any managing agent in any proceeding brought to collect such unpaid Common Charges or in an action to foreclose the lien on such Unit Owner's Unit arising from said unpaid Common Charges in the manner permitted by applicable law. All such "late charges," interest and expenses shall be added to and shall constitute Common Charges payable by such Unit Owner.

In addition, in the event of a default in payment of Common Charge assessments by any Unit Owner, the Board, at its sole option, may declare the Common Charge assessment on said Unit Owner's Unit for the balance of the fiscal year immediately due and payable. Prior to making any such declaration following a default the Board shall send notice to the delinquent Unit Owner and the mortgagee, if any, of such Unit giving the Unit Owner a five (5) day grace period in which to make the late payment.

The Board may take action to collect any Common Charges due from any Unit Owner which remains unpaid ninety (90) days from its due date by way of foreclosure of the lien on such Unit in accordance with Section 339 of the Real Property Law or otherwise. During the period of time the Sponsor retains a majority of the seats of the

Board of Managers, the Sponsor will cause the Board of Managers to file a lien as provided for in Section 339-aa of the Real Property Law on Units in which Sponsor is more than thirty (30) days in arrears of Common Charges.

No Unit Owner shall be liable for any Common Charges, which accrue against the Unit Owner's Unit subsequent to a sale, transfer or other conveyance of the Unit by the Unit Owner in accordance with these By-Laws and the Declaration. A purchaser of a Unit shall be liable for the payment of all future Common Charges assessed against the Unit as well as unpaid Common Charges assessed against the Unit at the time of the purchase. However, where a holder of an institutional mortgage of record, or other purchaser of a Unit at a foreclosure sale of an institutional mortgage, obtains title to the Unit as a result of foreclosure, or the institutional mortgage holder obtains title by conveyance in lieu of foreclosure, such acquirer of title, its successors or assigns, shall not be liable and the Unit shall not be subject to a lien for the payment of Common Charges chargeable to such Unit which were assessed and became due prior to the acquisition of title to such Unit by such acquirer. In such event, the unpaid balance of Common Charges will be charged to all other Unit Owners as a Common Expense. The term "institutional mortgage" herein used shall mean a first mortgage granted by a bank, savings and loan association, life insurance company, pension fund, trust company or another institutional lender or a mortgage granted by the Declarant to a purchaser of a Unit or in which the Declarant participates with one of the above.

Section 3. Purpose of Common Charges. The Common Charges shall be used to pay for the Common Expenses of the Condominium including but not limited to repair and maintenance of the General Common Elements, including all sewer and drainage pipes for the Building; insurance; common utilities; labor; common water and sewer charges; legal and accounting; services and supplies; management fees; contingencies; reserve fund and any other expenses that are Common Expenses of the Condominium.

Section 4. Foreclosures of Liens for Unpaid Common Charges. The Board shall have the power to purchase any Unit at a foreclosure sale resulting from any action brought by the Board to foreclose a lien on the Unit because of unpaid Common Charges. In the event of such purchase, the Board shall have the power to hold, lease, mortgage, vote, sell or otherwise deal with the Unit. A suit to recover a money judgment for unpaid Common Charges shall also be obtainable separately without waiving the lien on the Unit. In either event the Unit Owner shall be liable for all costs of suit, including reasonable attorneys' fees.

Section 5. Statement of Common Charges. Upon the written request of any Unit Owner or their mortgagee, the Board shall promptly furnish such Unit Owner or their mortgagee with a written statement of the unpaid Common Charges due from such Unit Owner.

Section 6. Liability for Utilities. Any utility, including gas and electricity, consumed and individually metered in a Unit shall be an expense of each individual Unit Owner.

Section 7. Operating Account. There shall be established and maintained a cash deposit account to be known as the "Operating Account," into which shall be deposited the operating portion of all monthly and special assessments as fixed and determined for all Units. Disbursements from said account shall be for the general need of the operation including, but not limited to, wages, repairs, betterments, maintenance and other operating expenses of the Common Elements and for the purchase, lease, sale or other expenses resulting from the purchase or lease of Units.

Section 8. Other Accounts. The Board shall maintain any other accounts it shall deem necessary to carry out its purpose.

Section 9. Determination of Common Expenses and Fixing of Common Charges. The Board of Managers shall from time to time, and at least annually, prepare a budget for the operation of the General Common Elements and Common Expenses of the Condominium, determine the amount of the Common Charges payable by the Unit Owners to meet the Common Expenses of the General Common Elements and other expenses for, and allocate and assess Common Charges and Common Expenses among the Unit Owners according to each Unit's percentage of Common Interest, as set forth on Schedule B to the Declaration. However, pursuant to Section 339-m of the New York State Real Property Law, the Condominium is authorized to establish a special allocation of Common Charges for the Condominium. Notwithstanding the foregoing, while the Declarant still retains ownership of a Unit in the Condominium, no special allocation of Common Charges shall be made without Declarant's prior written consent. This paragraph may not be amended without the express prior written consent of Declarant.

In the event a special allocation of Common Charges is implemented, Common Expenses will be further allocated to the individual Residential Units based upon their percentage of Residential Common Interest, as set forth in Schedule B-1 to the Declaration. The Common Expenses specially allocated to the Non-Residential Units will be individually allocated based upon their percentage of Non-Residential Common Interest, as set forth in Schedule B-1 to the Declaration.

The Common Expenses of the Condominium shall include, among other things, the cost of all insurance premiums on all policies of insurance required to be or which have been obtained by the Board of Managers pursuant to the provisions of Article VIII and the fees and disbursements of the Insurance Trustee. The Common Expenses may also include such amounts as the Board of Managers may deem proper for the operation and maintenance of the General Common Elements including, without limitation, an amount for working capital of the Condominium, for a general operating reserve, for a reserve fund for replacements, and to make up any deficit in the Common Expenses for any prior year. The Common Expenses may also include such amounts

as may be required for the purchase or lease by the Board of Managers or its designee, corporate or otherwise, on behalf of all Unit Owners, of any Unit whose Owner has elected to sell or lease such Unit or of any Unit which is to be sold at a foreclosure or other judicial sale.

The Board of Managers shall advise all Unit Owners promptly, in writing, of the number of Common Charges and Expenses payable by each of them, respectively, as determined by the Board of Managers, as aforesaid, and shall furnish copies of each budget on which such Common Charges and expenses are based, to all Unit Owners pursuant to the provisions of Article III, Section 10 of these By-Laws.

The Sponsor or its designee shall be responsible for the Common Charges assessed against each Unit owned by it until such Unit is sold to a bona fide purchaser.

ARTICLE VII. INSURANCE AND INSURANCE TRUSTEE

Section 1. Insurance to be Carried by the Board. The Board of Managers shall be required to obtain and maintain, to the extent obtainable from generally acceptable insurance carriers, the following insurance: blanket property insurance, liability insurance as provided below, flood insurance (if applicable), fidelity bond coverage and worker's compensation, insuring all of the Common Elements, Limited Common Elements and the Units in the Building in the Condominium (except land, foundations, excavation and other items normally excluded from coverage) including fixtures, to the extent they are part of the Common Elements of the Condominium, building service equipment and supplies, and other common personal property belonging to the Condominium. In addition, any fixtures, equipment or other property within the Units which are to be financed by a mortgage (regardless of whether or not such property is part of the Common Elements, but not including wall, ceiling or floor decoration, furniture, furnishings or other personal property supplied or installed by the Unit Owners), contained therein, covering the interest of the Condominium, the Board of Managers and all Unit Owners and their mortgagees, as their interest may appear, in an amount equal to the full replacement value of the Building, exclusive of land, foundation, excavation and other items normally excluded from coverage. Each of such policies shall be in favor of the Condominium, and shall contain a New York standard mortgagee clause in favor of each mortgagee of a Unit which shall provide that the loss, if any, thereunder shall be payable to such mortgagee as its interest may appear, subject, however, to the loss payment provisions in favor of the Board of Managers and the Insurance Trustee as defined below, hereinafter set forth; and such other insurance as the Board of Managers may determine. All such policies shall provide that adjustment of loss shall be made by the Board of Managers with the approval of the Insurance Trustee as defined below, and that the net proceeds thereof, if \$40,000 or less, shall be payable to the Board of Managers, and if more than \$40,000 shall be payable to the Insurance Trustee. Each Unit Owner and each Unit Owner's mortgagee, if any, shall be beneficiaries of the policy in the percentage of common ownership applicable to said Unit.

The fire insurance will commence with the Closing of Title to the first Unit in an amount as required by the mortgagee of such Unit and such amount will be increased upon the Closing of Title to all Units. Until the first meeting of the Board of Managers following the first Unit Owners meeting, such amount shall be at least in the sum as provided for in the estimated first year budget contained in the Offering Plan upon completion of the Building.

All policies of physical damage insurance shall contain waivers of subrogation and of any reduction of pro rata liability of the insurer as a result of any insurance carried by Unit Owners or of the invalidity arising from any acts of the insured or any Unit Owners, and shall provide that such policies may not be canceled or substantially modified without at least ten (10) days prior written notice to all of the insured, including all mortgagees of a Unit. Duplicate originals of all policies of physical damage insurance and of all renewals thereof together with proof of payment of premiums, shall be delivered to all mortgagees of a Unit at least ten (10) days prior to expiration of then current policies. Prior to obtaining any policy of fire insurance or any renewal thereof, the Board of Managers shall obtain an appraisal from a fire insurance company or otherwise of the full replacement value of the Building, including all of the Common Elements appurtenant thereto for the purpose of determining the amount of fire insurance to be affected pursuant to this Section.

All policies must also provide for the following: recognition of any, Insurance Trust Agreement; a waiver of the right of subrogation against Unit Owners individually; that the insurance is not prejudiced by any act or neglect of individual Unit Owners which is not in the control of such Unit Owners collectively; and that the policy is primary in the event the Unit Owner has other insurance covering the same loss. All policies shall include the standard form of a "Special Condominium Endorsement" or its equivalent. All policies shall include an "Agreed Amount Endorsement" and, if available, an "Inflation Guard Endorsement".

The Board of Managers is not required to obtain or maintain any insurance with respect to any personal property contained in a Unit or any liability with respect to occurrences within or about a Unit or the Common Elements, if any, exclusive and/or appurtenant thereto. Consequently, all Unit Owners are required to obtain and maintain comprehensive general public liability insurance against claims for personal injury, death or property damage occurring in, on or about such Unit Owner's Unit or the Common Elements, if any, exclusive to his or her Unit, affording protection of at least \$1,000,000 per occurrence plus at least \$1,000,000 umbrella liability coverage which shall be issued by an insurance company qualified to do business in the State of New York and approved by the Board of Managers, acting reasonably; and the Board of Managers, the Managing Agent and Sponsor shall be named as additional insureds on such insurance policies. Subject to the requirements herein, Unit Owners shall not be prohibited from carrying other insurance for their own benefit, at their own expense and the Board of Managers shall not be prohibited from carrying additional insurance; provided, however, all policies of insurance obtained by any Unit Owner with respect to occurrences within or about a Unit or the Common Elements appurtenant thereto shall

contain a waiver of the insurer's rights of subrogation against the Board of Managers. The liability of the carriers issuing insurance obtained by the Board of Managers shall not be affected or diminished by reason of any such additional insurance carried by any Unit Owner. To the extent any party is insured, or required to be insured for loss or damage to property hereunder, each party will look to its own insurance policies for recovery.

All policies obtained by any Unit Owner shall be primary with respect to the risks insured thereunder and shall contain waivers of subrogation, if available, and shall further provide that the liability of the carriers issuing insurance obtained by the Board of Managers shall not be affected or diminished by reason of any additional insurance carried by any other Unit Owner and shall, to the extent obtainable, contain a waiver of the insurer's right of subrogation against the Board of Managers. On or prior to the date upon which any given Unit Owner acquires title to its Unit, each such party shall deliver to the Board of Managers certificates evidencing the insurance required to be maintained by such Unit Owner hereunder. Evidence of each renewal or replacement of a policy shall be delivered by Unit Owner to the Board of Managers at least ten (10) days prior to the expiration of such policy.

In addition to the above, blanket fidelity bonds shall be required to be maintained by the Condominium for all officers, directors and employees of the Condominium and all other persons handling or responsible for, funds of or administered by the Condominium. In the event a management agent has the responsibility for handling or administering funds of the Condominium, the management agent shall be required to maintain fidelity bond coverage for its officers, employees and agents handling or responsible for funds of, or administered on behalf of the Condominium. Such fidelity bonds shall name the Condominium as an obligee and shall not be less than the estimated maximum of funds, including reserve funds, in the custody of the Condominium or the management agent, as the case may be, at any given time during the term of each bond. In no event may the aggregate amount of such bonds be less than a sum equal to three (3) months aggregate assessments on all units plus reserve funds. The bonds shall contain waivers by the issuers of the bonds of all defenses based upon the exclusion of persons serving without compensation from the definition of "employees", or similar terms or expressions. The premiums on all bonds required herein, except those maintained by the management agent, shall be paid by the Condominium as a Common Expense. The bonds shall provide that they may not be cancelled or substantially modified (including cancellation for non-payment of premium) without at least ten (10) days' prior written notice to the Condominium or Insurance Trustee. Such bonds shall also provide that, if applicable, the Federal National Mortgage Association ("FNMA") and servicers on behalf of FNMA, shall also receive such notice of cancellation or modification.

Unit Owners shall be required to carry separate Condominium Unit insurance for their own benefit. Such policies must contain waivers of subrogation and further provide that the liability of the carriers issuing insurance procured by the Board of Managers

shall not be affected or diminished by reason of any such additional insurance carried by any Unit Owner.

Section 2. The Insurance Trustee. The Board of Managers on behalf of the Condominium, shall name an authorized representative, including any trustee with whom the Condominium may enter into any Insurance Trust Agreement or any successor to such trustee (each of whom shall be referred to herein as the "Insurance Trustee") who shall have exclusive authority to negotiate losses under any policy providing such property or liability insurance and to perform such other functions as are necessary to accomplish this purpose subject to the adjustment of loss provision contained in the first paragraph of this Section 1 of Article VII. The Insurance Trustee shall be a bank or trust company located in the State of New York, designated by the Board of Managers and costs associated with the Insurance Trustee shall constitute a Common Expense of the Condominium. In the event the Insurance Trustee resigns or fails to qualify, the Board of Managers shall designate a new Insurance Trustee which shall be a bank or trust company located in the State of New York. The Insurance Trustee shall have a capital, surplus and undivided profits of \$50,000 or more.

Section 3. Restoration or Reconstruction After Fire or Other Casualty. In the event of damage to or destruction of the Building as a result of fire or other casualty (unless seventy-five (75%) percent or more of the Units are destroyed or substantially damaged and seventy-five (75%) percent or more of the Unit Owners do not duly and promptly resolve to proceed with repair or restoration), the Board of Managers shall arrange for the prompt repair and restoration of the Buildings (including any damaged Units, and any kitchen or bathroom fixtures initially installed therein by the Sponsor, any heating, air conditioning or other service machinery which is covered by insurance but not including any wall, ceiling or door decorations or coverings or other furniture, furnishings, fixtures or equipment installed by Unit Owners in the Units), and the Board of Managers or the Insurance Trustee, as the case may be, shall disburse the proceeds of all insurance policies to the contractors engaged in such repair and restoration in appropriate progress payments. Any cost of such repair and restoration in excess of the insurance proceeds shall constitute a Common Expense and the Board of Managers may assess all the Unit Owners for such deficit as part of the Common Charges.

If seventy-five (75%) percent or more of the Units are destroyed or substantially damaged and seventy-five (75%) percent or more of the Unit Owners do not duly and promptly resolve to proceed with repair or restoration, the Property shall be subject to an action for partition at the suit of any Unit Owner or lienor, as if owned in common in which event the net proceeds of sale, together with the net proceed of insurance policies (or if there shall have been a repair or restoration pursuant to the first paragraph of this Section 3, and the amount of insurance proceeds shall have exceeded the cost of such repair or restoration then the excess of such insurance proceeds) shall be divided by the Board of Managers or the Insurance Trustee, as the case may be, among all the Unit Owners in proportion to their respective Common Interests, after first paying

out of the share of each Unit Owner the amount of any unpaid liens on his Unit, in the order of the priority of such liens.

Board of Managers or any of them to any contractor, subcontractor or materialmen on account of such non-structural addition, alteration or improvement or to any person having any claim for injury to person or damage to property arising therefrom.

At the request of the Non-Residential Unit Owner, the Board of Managers will timely execute any application or other document required to be filed with any governmental agency having or asserting jurisdiction in connection with any addition, alteration, improvement, or repair of the Non-Residential Unit or the operation thereof. - (n) The Non-Residential Unit Owner and/or their tenants shall have an easement to erect, maintain and replace one (1) or more signs on the property permitted by law for the purpose of advertising the operation of any business conducted therein. - (o) The Non-Residential Unit Owner shall have the right, without the payment of any fees or charges to the Board, to sell or lease the Non-Residential Unit without interference by the Board of Managers. All sale or rental proceeds shall belong solely to the applicable Non-Residential Unit Owner.

These Rules and Regulations applicable to the Non-Residential Units shall not apply to Units owned by the Declarant, its successors, assigns and/or designees, and may not be amended, modified, added to, or repealed without the written consent of a majority of the then Non-Residential Unit Owners, unless required by law.

Section 5. Violations of Rules and Regulations.

- (a) Upon receipt, by the President of the Board of Managers or by the managing agent, of a signed written complaint alleging violation of any of the House Rules or other provisions of the By-Laws as herein established or hereafter established or adopted by the Board of Managers, the President of the Board, or in the President's absence, the Vice President together with a minimum of two (2) other Members of the Board, without a formal meeting of the Board, shall make a determination as to the validity of the complaint. Any Unit Owner accused of a violation of the House Rules or other provisions of the By-Laws shall be entitled to receive written notice by registered mail of such accusation. The written notice shall contain the following statements:
 - i) A copy of the rule or regulation the Unit Owner has violated and a description of the manner in which the Unit Owner violated the rule or regulation.
 - ii) A time and place at which the Unit Owner shall be given the opportunity to present a defense before final action is taken.
- (b) If, after said notice and hearing it is determined that the complaint is valid and justified the managing agent shall be directed to send written notice to the violator. If the violation is not corrected or eliminated within a period of

three (3) days from the date of receipt of such notice, another notice will be sent levying a fine of up to five hundred (\$500) dollars upon the violator; such fine is to be considered as an additional Common Charge to the account of the violator and shall be treated as such regarding late penalties and a lien upon the property as elsewhere provided for in the Declaration of Condominium or By-Laws. If after imposition of a fine the violation is not corrected or eliminated, the Board of Managers may assess additional fines of up to five hundred (\$500) dollars each after serving written notice upon the violator as provided for above. If the violation results in loss of or damage to property classified as a Common Element, the Board of Managers shall itself or direct the managing agent, if employed, to have said loss or damage repaired or replaced and the actual cost of said repair or replacement shall be assessed to the violator as an additional Common Charge.

Section 6. Costs. Any costs incurred by the Board of Managers to remedy or cure any violation of these By-Laws, the Rules and Regulations as herein or hereafter established, shall be an additional Common Charge charged to the violator in addition to the five hundred (\$500) dollar fine(s) levied upon the violator. Fines may be levied against a Unit Owner's tenant, and the Unit Owner shall be jointly and severally liable with his tenant for the payment of same.

Section 7. Board of Managers Right to Change Rules and Regulations. The Board of Managers reserves the right to rescind, alter, waive or add, as to one or more or all occupants, any rule or regulation at any time prescribed for the Condominium when, in the reasonable judgment of the Board of Managers, the Board of Managers deems it necessary or desirable for the reputation, safety, character, security, care, appearance or interests of the Condominium, or the preservation of good order therein, or for the operation or maintenance of the Condominium or the equipment thereof, or the comfort of Unit Owners, occupants or others in the Condominium. No rescission, alteration, waiver or addition of any rule or regulation in respect of one Unit Owner or other occupant will operate as a rescission, alteration or waiver in respect of any other Unit Owner or other occupant.

Section 8. Sponsor. The above provisions shall not apply to the Sponsor unless required: (a) to comply with applicable laws or regulations, or (b) to remedy any notice of violation.

Section 9. Smoking Policy. In compliance with Local Law 147 and pursuant to Article 17 of the New York City Administrative Code, the following smoking policy has adopted for the Building (the "Smoking Policy"):

Smoking is PROHIBITED (i) in all commons areas of the Building, including, but not limited to, the lobby, entryways, vestibules, ante rooms, mail rooms, storage rooms, bike rooms, common rooms, amenity rooms, gym, roof decks, garbage chute rooms, compactor rooms, basement, corridors, hallways, stairwells, elevators, playroom, garage, garage ramp, walkways; and (ii) within twenty-five (25) feet of any outside entrance to the Building or within twenty-five (25) feet of any outdoor air intake or operable window opening onto Common Elements or Units.

For the purposes of this Smoking Policy, the term "smoking" includes, but is not limited to, inhaling, exhaling, burning or carrying any lighted cigar, cigarette, pipe or any other form of lighted object or device which contains tobacco, including the use of electronic cigarettes or any similar device that delivers vapor for inhalation (including any refill, cartridge or other component of an electronic cigarette or similar device), or any other items or materials that may be smoked, whether such substance is a legal substance or an illegal substance. This Smoking Policy applies to all unit owners, tenants, subtenants, occupants and residents of the Building, and to any guests, agents, licensees and invitees of a Unit Owner. It is the Unit Owner's responsibility to ensure that its tenants, subtenants, occupants, residents, guests, agents, licensees and invitees comply with this Smoking Policy.

Smoking is PROHIBITED within individual apartments and on the terraces, balconies, patios and yards attached to individual apartments (except within twenty-five (25) feet of any outside entrance to the Building or within twenty-five (25) feet of any outdoor air intake or operable window opening onto Common Elements or Units). However, if there are reported and substantiated incidents of infiltration of smoke/smoke odors into common areas of the Building (including, but not limited to, hallways) and/or other apartments in the Building, it will be the offending Unit Owner's responsibility, at its sole cost and expense, to abate the nuisance.

Any Unit Owner who sells, leases, or subleases its apartment must include a copy of this Smoking Policy in the contract of sale, lease or sublease.

In the event of a violation of this Smoking Policy, in addition to and not in diminution of, all other remedies available to the Condominium, as provided in its Declaration of Condominium and By-Laws, or at law or in equity, with regard to a default by the Unit Owner, the Board shall have the right to impose an administrative fee in the amount of Two Hundred Fifty (\$250.00) Dollars on the Unit Owner for each such violation of this Smoking Policy. A continuing violation shall be considered a new violation. This fine shall be in addition to any other violation fine permitted in these By-Laws. The Board will advise Unit Owners of any changes to the Smoking Policy.

ARTICLE IX. DEFAULT

In the event a Unit Owner does not pay any sums, charges or assessments required to be paid when due, as determined by the Board of Managers, the Board of Managers, acting in behalf of the Board shall notify the Unit Owner and the mortgagee, if any, of such Unit. If such sum, charge or assessment shall remain unpaid for ninety (90) days after the giving of such notice, the Board may foreclose the lien encumbering the Unit as a result of the non-payment of the required monies as set forth in the Declaration (subject to the lien of any first mortgage), in the same manner as the foreclosure of a mortgage. In the event the owner of a Unit does not pay the Common Charge assessment required to be paid by him on its due date, the Board of Managers may collect said fees and take such action as is provided in Article VI, Section 2 of these By-Laws and said Unit Owner shall be liable for the Condominium's reasonable costs and a reasonable attorney's fee incurred by it incident to the collection or enforcement of such lien.

In addition to the Board's right to bring an action to foreclose a lien on a Unit Owner's Unit, the Board (on behalf of the Unit Owners) shall have the right to bring suit to recover a money judgment for unpaid Common Charges at the option of the Board, without foreclosing or waiving the lien securing such charges. In such an event the Unit Owner shall be liable for the reasonable costs and reasonable attorney's fee incurred by it incident to the collection of the delinquent Common Charges

ARTICLE X. AMENDMENTS

These By-Laws may be altered, amended or added to at any duly called Unit Owners meeting; provided: (1) that the notice of the meeting shall contain a full statement of the proposed amendment; (2) that the amendment shall be approved by sixty-six and two-thirds (66⅔%) percent of the Unit Owners in number and Common Interest and (3) said amendment shall be set forth in a duly recorded amendment to the Declaration. However, no amendment will affect or impair the validity or priority of the Unit Owners' interest and/or the validity, interest, rights and priorities of holders of a mortgage encumbering a Unit or Units.

Notwithstanding any provision contained herein to the contrary an Amendment to the By-Laws, which affects the Non-Residential Unit, may not be adopted without the written consent of the affected Non-Residential Unit Owner.

Notwithstanding any provision contained herein to the contrary, no amendment, modification, addition or deletion of, to or from the By-Laws or any rules and regulations shall be effective in any way against Sponsor or its designee or any Unsold Unit, as long as the Sponsor owns an Unsold Unit in the Condominium, unless Sponsor has given its prior written consent thereto. This provision is not subject to amendment.

ARTICLE XI. SELLING, MORTGAGING AND LEASING UNITS

Section 1. Selling and Leasing Units. Any Unit may be conveyed or leased, subject to the leasing requirements contained in Section 2, subject to local zoning ordinances, by its Unit Owner free of any restrictions except that no Unit Owner shall convey, mortgage, pledge, hypothecate, sell or lease their Unit unless and until all unpaid Common Charges assessed against the Unit Owner's Unit shall have been paid to the Board of Managers of the Condominium. However, such unpaid Common Charges can be paid out of the proceeds of the sale of a Unit, or by the Grantee. Notwithstanding the above any Unit Owner who wishes to enter into a lease for the Unit Owner's Unit shall be required to provide the Board of Managers of the Condominium with a copy of the lease prior to its execution. All leases for Units must comply with all the requirements contained in Section 2 below. Failure to comply will be deemed an automatic violation of the By-Laws of the Condominium. Further, a Unit Owner may convey the Unit Owner's Unit and Common Interest appurtenant thereto, to the Board of Managers on behalf of all Unit Owners free of any cost to the Board or the Unit Owners and upon such conveyance such Unit Owner shall not be liable for any Common Charges thereafter accruing against such Unit. In order to carry out the provisions of this Article XI and pursuant to the provisions of Article Fourteenth of the Declaration of Condominium each Unit Owner shall upon becoming a Unit Owner grant or be deemed to have granted an irrevocable power of attorney, to nominate, designate, constitute and appoint the Members of the Board of Managers of the Condominium and their successors, jointly, their true and lawful attorneys-in-fact, coupled with an interest, with power of substitution, in their name and on their behalf, the right to act in their behalf to take any and all action necessary against any tenant(s) that may be residing in a Unit Owner's Condominium Unit including but not limited to, the right to seek an eviction in a court of law for failure to adhere to any of the provisions of the Declaration of Condominium, By-Laws and/or Rules and Regulations of the Condominium. The remedy provided by this subsection is not exclusive and is in addition to any other remedy or remedies available to the Board of Managers of the Condominium. If permitted by present or future law, the Condominium may recover all of its costs, including court costs and reasonable attorney's fees, and these costs shall be a continuing lien on the Unit that shall bind the Unit in the hands of the then Unit Owner and the Unit Owner's successors and assigns. The Board of Managers of the Condominium shall give the tenant and the Unit Owner written notice of the nature of the violation of the rules, and thirty (30) days from the mailing of the notice in which to cure the violation before the Board of Managers of the Condominium may file for eviction.

The leasing provisions of this Section 2 shall not apply to the Declarant, a Non-Residential Unit Owner or any mortgagee acquiring title to a Unit, in a foreclosure sale or otherwise.

Section 3. Tenant Bound by Declaration. By becoming a tenant, each tenant agrees to be bound by the Declaration, By-Laws and the other rules and regulations of the Condominium and recognizes and accepts the right and the power of the Board of Managers of the Condominium to evict the tenant for any violation by the tenant of the above, and the other rules and regulations of the Condominium.

Any subsequent purchaser from the first mortgage lender is subject to all the terms of Article XI.

Section 5. Sponsor. The terms of Sections 2, 3 and 4 of this Article XI shall not be applicable to the Sponsor, its successors or assigns.

Section 6. Waiver of Partition Rights. The Unit Owners waive all of their voting rights concerning partition respecting any Unit acquired by the Board of Managers in accordance with this Article.

Section 7. Real Property Law Section 339-kk. Pursuant to the provisions of Section 339-kk of the Real Property Law of the State of New York, any non-occupying Unit Owner who rents any Unit in the Condominium to a rental tenant and then fails to make payments due for Common Charges, assessments or late fees for such Unit within sixty (60) days of the expiration of any grace period after they are due is subject to the following: Upon notice in accordance with the statute, all rental payments from the tenants shall thereafter be directly payable to the condominium association. The provisions of Section 339-kk of the Real Property Law shall control any dispute pursuant to this provision of the By-Laws.

The Real Property Law is amended by adding a new Section 339-kk to read as follows:

“§ 339-kk. Rents. (a) For the purposes of this section, “non-occupying owner” shall mean a unit owner in a condominium association who does not occupy the dwelling unit.

(b) If a non-occupying owner rents any dwelling unit to a rental tenant and then fails to make payments due for common charges, assessments or late fees for such unit within sixty days of the expiration of any grace period after they are due, upon notice in accordance with subdivision (c) of this section, all rental payments from the tenant shall be directly payable to the condominium association.

(c) If the common charges, assessments or late fees due for any unit have not been paid in full, within sixty days after the expiration of any grace period of the earliest due date, the board of managers shall provide written notice to the tenant and the non-occupying owner providing that, commencing immediately and until such time as all payments for common charges, assessments or late fees are made current, all rental payments due subsequent to the issuance of such notice are to be made payable to the condominium association at the address listed on the notice. Where a majority of the board of managers has been elected by and from among the unit owners who are in occupancy, the board may elect not to require that rental payments be made payable to the condominium association. At such time as payments for common charges, assessments and late fees from the non-occupying owner are once again current, notice of such fact shall be given within three business days to the rental tenant and non-occupying owner. Thereafter all rental payments shall be made payable to the non-occupying owner or a designated agent. A non-occupying owner who disputes the association’s claim to rental payments pursuant to this section shall be entitled to present facts supporting such owner’s position at the next scheduled meeting of the board of managers, which must be held within thirty days of the date that such board receives notice that such owner seeks to dispute such claim.

(d) Nothing in this section shall limit any rights of unit owners or of the board of managers existing under any other law or agreement.

(e) Payment by a rental tenant to the condominium association made in connection with this section shall relieve that rental tenant from the obligation to pay such rent to the non-occupying owner and shall be an absolute defense in any non-payment proceeding commenced by such non-occupying owner against such tenant for such rent.”

This act may be enforced by any party by means of a special proceeding brought pursuant to Article 4 of the Civil Practice Law and Rules.
