THIS DATE UNLESS EXTENDED BY A DULY FILED AMENDMENT.

SEE PAGE 2 FOR SPECIAL RISKS TO PURCHASERS.

THIS OFFERING PLAN IS THE ENTIRE OFFER TO SELL THESE CONDOMINIUM UNITS. NEW YORK LAW REQUIRES THE SPONSOR TO DISCLOSE ALL MATERIAL INFORMATION IN THIS PLAN AND TO FILE THIS PLAN WITH THE NEW YORK STATE DEPARTMENT OF LAW PRIOR TO SELLING OR OFFERING TO SELL ANY CONDOMINIUM UNIT. FILING WITH THE DEPARTMENT OF LAW DOES NOT MEAN THAT THE DEPARTMENT OF LAW OR ANY OTHER GOVERNMENTAL AGENCY HAS APPROVED THIS OFFERING.

BECAUSE SPONSOR IS RETAINING THE UNCONDITIONAL RIGHT TO RENT RATHER THAN SELL UNITS AFTER CONSUMMATION OF THE PLAN, THIS PLAN MAY RESULT IN THE CREATION OF A CONDOMINIUM IN WHICH A MAJORITY OF THE UNITS ARE NOT OWNED BY OWNER-OCCUPANTS OR INVESTORS UNRELATED TO THE SPONSOR (SEE SPECIAL RISKS SECTION OF THE PLAN).

PURCHASERS FOR THEIR OWN OCCUPANCY MAY NEVER GAIN CONTROL OF THE BOARD OF MANAGERS UNDER THE TERMS OF THIS PLAN (SEE SPECIAL RISKS SECTION OF THE PLAN).

A. SPECIAL RISKS

The following is a summary of certain special risk considerations in connection with the Plan. It is not intended to summarize all major features of the Plan. Prospective Purchasers are urged to read the following special risk factors in conjunction with the Plan for a discussion of these and other important aspects of this condominium offering.

(A) Sponsor is reserving the unconditional right to rent rather than sell Units after consummation of the Plan. There is no commitment by Sponsor to sell more than 15%, or four (4) Units, which is necessary to declare the Plan effective. Purchasers should note that owner-occupants may never gain effective control of the Condominium. Notwithstanding the fact that not all Purchasers used for purposes of declaring the Plan effective may actually close, in the event all of the Purchasers counted toward effectiveness rescind or terminate their Purchase Agreements prior to the First Closing, the Plan will be declared effective again regardless of whether the Declaration has been recorded.

There is a loan on the project with Broadview Capital LLC, 98 Cuttermill Rd, Ste 249, Great Neck, NY 11021. The lender has placed no restrictions on the rentals, sales or marketing of the Units. If the loan is not satisfied at or prior to the First Closing, the mortgagee will either (a) consent to the formation of a condominium and acknowledge that its lien will be limited to Unsold Units; (b) subordinate the lien of its mortgage to the Declaration of Condominium; or (c) release its lien on the Condominium Unit being conveyed and its interest in the Common Elements. See “Introduction” and “Rights and Obligations of Sponsor.”

(B) Purchasers should note that in the current real estate market, banks and other lenders are imposing various restrictions on purchase financing. Such restrictions include requiring that a certain percentage of the units in a building be sold before the lender will consider making a loan. Thus, it may be possible for a purchaser to experience difficulty obtaining a loan in a building where the sponsor has not sold a substantial percentage of the apartments in the building which in some cases may be as high as 70%. Moreover, some lenders will not provide financing in a building where an investor other than the original sponsor has an ownership interest of 10% or more. Even once a building undergoes conversion, lenders may still impose minimum sales requirements before granting a loan. It then may be difficult for a purchaser to resell an apartment if prospective buyers are unable to obtain a loan due to such minimum sales requirements. See Section entitled “Introduction” for further details.

(C) Since the Board does not have the right to approve or disapprove Purchasers, there is no limit on the number of Unit Owners who may purchase for investment rather than for personal occupancy. Accordingly, there may always be a substantial percentage of Unit Owners who are non-residents and Purchasers should note that owner-occupants may never gain voting control of the Condominium. Owners for investment and owner-occupants have inherent conflicts of how to operate the Condominium and how to manage the Board due to the inherent differences in their ownership and occupancy. In addition, since Sponsor is obligated to sell only 15%, or four (4) Units, in this building, there may be a substantial number of residents who are non-owners. See Section “Introduction”.

(D) Sponsor anticipates the First Closing to occur by October 1, 2026. Purchasers will be offered a right of rescission if: (i) the actual date of the First Closing; or (ii) the projected date of the First Closing occurs later than September 30, 2027, which is twelve months after the currently projected date for the First Closing. If the Plan is amended to provide for a later projected date for the First Closing, Purchasers will be entitled to an offer of rescission if the First Closing occurs more than 12 months beyond that amended, later date.

However, Purchasers should note that even if the First Closing occurs on or before October 1, 2026, (or such other date projected as the date of commencement of the operation at the time the Purchase Agreement was entered into) or within the twelve-month period thereafter, Sponsor may schedule the Closings of Title to other Units significantly later than such date. Unless your Purchase Agreement contains an outside Closing date, the Sponsor is not obligated to schedule your Closing within any specified time frame or to ensure that Closing of your Unit will occur by any date certain. PROSPECTIVE PURCHASERS SHOULD THEREFORE CAREFULLY CONSIDER THE POSSIBILITY OF SUCH DELAYS IN THEIR DETERMINATION AS TO WHETHER TO PURCHASE A UNIT. See “Procedure to Purchase.”

(E) The Purchase Agreement and Interim Lease have various Time of the Essence provisions. Time of the Essence shall mean that Purchaser must satisfy the condition by the date indicated or else forfeit his Down Payment. Time is of the Essence to cure all defaults under the Purchase Agreement. In addition, Time is of the Essence to close on the date listed in the Notice of Closing, which will be provided thirty (30) days in advance of Closing. Time is of the Essence for an Interim Lessee to vacate a Unit if there is an uncured default under the Purchase Agreement. Sponsor must make a written demand for payment after default under the Purchase Agreement at least 30 days before forfeiture of the deposit may be declared. See Purchase Agreement, Section “Procedure to Purchase,” “Interim Leases” and “Definitions”.

(F) In the event the Purchaser does not close on the date set forth in the Notice of Closing and Sponsor elects not to cancel the Purchase Agreement, or if Sponsor approves Purchaser's request to adjourn the Closing of his Unit, interest shall accrue on the unpaid amount of the purchase price from the Closing date or adjourned Closing date until such amount is paid. The interest rate shall be 10% per annum, in effect for as long as there are any unpaid amounts owing towards the full purchase price. In the event 10% per annum exceeds NYS usury or other applicable laws, the amount of interest charged will be the maximum amount allowable under law. See "Procedure to Purchase" for details.

(G) Purchasers are advised that in New York City, newly constructed and newly renovated buildings are sometimes offered as condominium projects without a final certificate of occupancy (“FCO”) covering the entire building but with only a temporary certificate of occupancy (“TCO”) and sometimes with several successive TCOs. Certificates of occupancy are generally governed by Section 301 of the New York Multiple Dwelling Law and local building codes and rules. Both TCOs and FCOs are issued by the New York City Department of Buildings (“DOB”). A TCO is intended to indicate that the property conforms substantially to the DOB approved plans and specifications and to the requirements of all applicable laws, rules and regulations for the uses and occupancies

specified in the TCO. No change of use or occupancy shall be made unless a new certificate of occupancy is issued.

All TCOs have an expiration date. A TCO typically expires 90 days after the date of issuance. When a TCO expires and is not renewed, it may be difficult or impossible to buy insurance, refinance, or sell units. In New York City, it is common for sponsors to commence Closings when some or all units are covered by a TCO rather than a FCO. Sponsor anticipates this scenario may occur.

Sponsor and its principals will undertake the responsibility for extending each TCO received prior to expiration thereof and ultimately for obtaining a FCO covering the entire building. However, Sponsor and its principals make no representation or guarantee that DOB will issue the FCO within two years which is the timeframe anticipated by the Multiple Dwelling Law for issuance of a FCO. **NOTWITHSTANDING THE FOREGOING, SPONSOR AND ITS PRINCIPALS ARE OBLIGATED TO PROCURE THE FCO FOR THE ENTIRE BUILDING, AND SHALL EXERCISE BEST EFFORTS TO OBTAIN THE FCO WITHIN SUCH TWO-YEAR PERIOD WHILE KEEPING THE TCO CURRENT.** Unit owners and the Board shall be obligated to cooperate with and refrain from obstructing sponsor in these undertakings. Purchasers are advised to visit the DOB website for further recommendations when purchasing a unit in a building that does not have a FCO. See “Rights and Obligations of Sponsor” for further information.

(H) Purchaser is responsible for the following costs at Closing, in addition to the purchase price and other Closing costs and adjustments listed in Section “Unit Closing Costs and Adjustments”:

(i) **Transfer Tax. Transfer taxes are statutorily a seller expense, however the terms of this Offering Plan transfer the obligation to pay the transfer taxes to the Purchaser.** New York City transfer taxes are in the amount of 1.425% of the purchase price for residential Units over \$500,000.00 and 1% of the purchase price for residential Units under \$500,000.00. New York State Documentary Stamp Taxes are in the amount of \$2.00 per \$500.00. For any residential conveyance in which consideration is at least \$3,000,000.00, there is an additional base tax of \$1.25 per \$500.00. For commercial Units, the transfer tax is in the amount of 2.625% of the purchase price for NYC and \$2.00 per \$500.00 plus an additional .25% of the purchase price for commercial Units of \$2,000,000.00 or more in New York State. Additionally, there is a mansion tax of 1% of the purchase price for conveyances in the amount of \$1,000,000 or more and a supplemental tax on the conveyance of residential real property in the amount of 0.25% for transfers of \$2,000,001-\$2,999,999; and 0.5% for transfers of \$3,000,000 to \$4,999,999, which are both imposed on Purchaser. For purposes of calculating NYC taxable consideration, NYC and NYS taxes are added to the Purchase Price and the taxes are calculated on that sum. For purposes of calculating NYS taxable consideration, only NYC transfer taxes are added to the purchase price and tax is calculated on that sum and consideration is not grossed up by the NYS transfer tax paid by Purchaser. See “Unit Closing Costs and Adjustments”.

(ii) **Sponsor’s Legal Fee.** Purchaser shall pay a fee of \$3,500.00 to Sponsor’s attorney, Jeffrey Zwick and Associates, P.C., 2329 Nostrand Avenue, Suite 400, Brooklyn, New York 11210,

for services rendered in connection with preparing documents for Closing. Should Sponsor's counsel be required to attend a Closing outside their office at the request of Purchaser or its representatives, Purchaser will be responsible for paying an attendance fee of \$500.00. In addition, there shall be a fee of \$200.00 per hour if the duration of the in person Closing exceeds two (2) hours due to the fault of Purchaser or its representatives; \$450.00 if Purchaser applies for a mortgage and a fee of \$300.00 if Purchaser requests a remote closing. See "Unit Closing Costs and Adjustments".

(iii) Initial Capital Payment. Purchaser will be required to deposit with the Board an amount equal to two (2) months' Common Charges for his Unit. See Section "Unit Closing Costs and Adjustments".

(iv) Insurance Adjustment. At Closing, Sponsor will collect each Purchaser's pro-rated share in the first year's insurance premium from the Closing date until the end of the first year of operation. This amount will be calculated in proportion to each Purchaser's percentage of Common Interest and will be used to reimburse Sponsor for payment of the first year's premium. Purchasers will also pay the second year's premium in proportion to their Common Interest as part of monthly Common Charges. The Board and the Sponsor will not adjust for insurance. See "Unit Closing Costs and Adjustments".

(v) Defrayment of Sponsor Expenses. Each Purchaser shall pay an additional \$1,750.00 at Closing to defray Sponsor's costs, e.g, architectural costs, filing fees, legal fees and other costs incurred in creating the Condominium. See Sections "Schedule A" and "Unit Closing Costs and Adjustments".

(I) Each Unit Owner is responsible for the payment of electricity and gas of the individual Unit. See Schedules B and B-1.

(J) The obligations of a Purchaser under a Purchase Agreement are not conditioned on obtaining financing. Any Purchaser who executes a Purchase Agreement and does not obtain financing may lose his entire Down Payment if unable to otherwise raise the funds for the Balance. Sponsor makes no representation as to the availability or cost of such financing. Prospective purchasers who will need financing to purchase are advised to consult with a lending institution before execution of a Purchase Agreement to ascertain the likelihood of obtaining financing.

However, Purchaser may request a mortgage contingency from Sponsor prior to signing the Purchase Agreement if Purchaser produces a pre-qualification letter from any Institutional Lender and Sponsor may, in its sole discretion, consent to permit a mortgage contingency by executing the Exhibit B to the Purchase Agreement. If Sponsor consents to permit a mortgage contingency, Purchaser shall make an application to any Institutional Lender for a mortgage within two (2) weeks of receipt of the fully executed Purchase Agreement for a loan in an amount not more than 80% of the Residential Unit purchase price or such other amount as to which the parties may agree, following which Purchaser must perform all requirements set forth in Section "Procedure to Purchase", subsection "Secured Loan Condition Rider". Upon Purchaser's request, Sponsor may, in its sole discretion, extend the Mortgage Contingency Expiration Date. Pursuant to said section, in

the event the commitment is not issued within the prescribed time frame, Purchaser must provide notice of termination not later than five (5) business days after the expiration of the aforementioned period. In such event, if Seller has reasonably determined there is a high probability that Purchaser will be approved for a mortgage commitment with terms of equal or better quality than those applied for under the original commitment, the Seller may, at its option within fifteen (15) days after receipt of the notice of rejection or expiration of the contingency period, whichever the case may be, cause Purchaser to submit an application together with the required fees to another Institutional Lender of Sponsors choice and Purchaser shall be required to accept the commitment under the same terms and conditions as stated above. The terms of such commitment will be equal to or better than the terms originally sought by the Purchaser.

Note that under New York law, when a mortgage commitment is not fulfilled through no fault of a Purchaser, performance is excused. Therefore, if the Purchaser acts in good faith and the lender revokes the loan commitment after the contingency period expires, performance is excused and the Sponsor must grant to such Purchaser a right of rescission and a reasonable period of time to exercise such right. In the event Purchaser is entitled to receipt of the Down Payment pursuant to the mortgage contingency, the Down Payment shall be returned within ten (10) business days. See said section for details.

(K) Purchaser is giving up the right to sue, including the right to a trial by jury. In accordance with Article 10 of the Bylaws, in order to resolve any dispute, controversy, claim or question arising with respect to the Condominium or the Purchase Agreement, including the disposition of Down Payments or advances received by Sponsor, shall seek to be settled by arbitration. The parties shall submit such dispute or question to arbitration through the American Arbitration Association who will assign a neutral arbitrator. The fees, costs and expenses of the arbitrators shall be shared equally by the disputants. Each disputant shall also bear the fees and expenses of his or her own counsel and expert witnesses. Any decision rendered shall be final and conclusive and enforceable in a court of competent jurisdiction. A party's ability to have a court reverse or modify an arbitration award is very limited. See "Procedure to Purchase," and the Purchase Agreement for details.

(L) The risk of loss from fire and other casualty remains with Sponsor until Purchaser is conveyed legal title or occupies the Unit. A non-owner in possession of the Unit, however, cannot obtain insurance since there is no ownership interest and a Unit cannot be doubly insured. As such, in the event such Purchaser becomes a tenant pursuant to an Interim Lease and the Unit is damaged, unless the cause thereof originated outside the Unit and did not result from the acts of the Purchaser or other occupants of the Unit or Purchaser's guests, invitees, or workmen, Purchaser shall assume the risk of loss and the obligation to repair the damage in excess of insurance proceeds available to the Sponsor prior to the First Closing and the Board thereafter. It is recommended that an Interim Lessee confer with an insurance advisor prior to entering into an Interim Lease. See "Interim Leases".

(M) After Closing, if a Unit is damaged by casualty and the insurance proceeds are insufficient to cover the repair of the Unit, the amount necessary to restore the Unit exceeding the insurance proceeds will be the individual Unit Owner's expense. In addition, this coverage does not include

claims for personal injury or property damage occurring within a Unit. Unit Owners must obtain at his own cost: (a) additional fire insurance coverage above and beyond the coverage maintained by the Board; and (b) additional insurance cost covering the contents of the Unit, personal property, and liability for personal injury as a result of occurrences in the Unit. See sections "Footnotes to Schedule B" and "Rights and Obligations of Unit Owners and Board of Managers" for details.

(N) All Unit Owners shall severally indemnify each member of the Board against any liability or claim, contractual or otherwise, except those arising out of the bad faith, willful misconduct or gross negligence of such member or that are contrary to law or the terms of the Declaration or the By-Laws. However, the liability of any Unit Owner on account of the indemnification of the Board will be limited to such proportionate share thereof as the Common Interests of such Unit Owner bear to the aggregate Common Interests of all Unit Owners. See "Board of Managers".

(O) The Escrow Account in which Down Payments or advances made by Purchasers will be placed is covered by federal bank deposit insurance to \$250,000.00 per individual deposit. Any deposit in excess of \$250,000.00 will not be insured in excess of \$250,000.00. If Purchaser has other accounts at the bank or branches, the assets in all of Purchaser's accounts will be aggregated together with the escrow deposit accounts for the purpose of determining whether the maximum FDIC insured amount is achieved. See Section "Procedure to Purchase" for further details.

(P) All funds received by Sponsor for upgrades or extras must initially be placed in the Escrow Account. However, Purchasers should note that such funds may be released from the Escrow Account by the Escrow Agent as long as Sponsor uses the funds for such upgrades or extras. As a result, in the event a Purchaser is entitled to rescission, Purchaser will not receive a refund of any funds actually used for upgrades or extras, unless the Plan is abandoned. See Section "Procedure to Purchase" for details.

(Q) No representation is made that the initial working capital fund will be adequate to cover current or future expenses, including repairs or replacements, and if additional funds are required, the Board may increase Common Charges or impose a special assessment. See Section "Working Capital Fund" for details.

(R) There will be a reserve fund to provide for major capital repairs or improvements in an amount equal to at least 10% of the Common Expenses. 10% of each monthly Common Charge payment shall be deposited into the separate Reserve Fund bank account. As such, the Reserve Fund will not be fully funded until after the first year of operation. In addition to the monthly contributions, the reserve fund shall also be supplemented by 10% of the Initial Capital Payment which is collected from all initial Purchasers at Closing. Because of this supplement, the actual amount of the Reserve Fund at the end of the first full year of Condominium operations may be greater than the amount projected in Schedule B. If the amount in the reserve fund is inadequate to cover major capital improvements needed, there may be an increase in Common Charges or special assessment imposed. Inasmuch as this is a new construction, there are no capital replacements expected within the five (5) years after the First Closing. See "Reserve Fund."

(S) As provided in the Bylaws, Sponsor will retain control of the Board until five (5) years from the date of the First Closing or until Sponsor owns no Residential or Commercial Units, whichever is sooner (“Initial Control Period”). After the Initial Control Period, there is no provision in the Bylaws that a Majority of Board members must be owner-occupants or members of an owner-occupant’s household who are unrelated to Sponsor and its principals. Owner-occupants may never gain effective control of the Condominium. Owners for investment and owner-occupants may have inherent conflicts on how to operate the Condominium due to inherent differences between owner occupancy and investment. See Section “Control by Sponsor”.

(T) Since Sponsor is retaining the unconditional right to rent Units after the consummation of the Plan and there is no obligation to sell more than 15%, or four (4) Units, required to declare the Plan effective, Sponsor may retain ownership of Majority of the Units in this Plan. Thus, it is possible the Sponsor will retain voting control of decisions which require a vote of Unit Owners. See “Board of Managers.”

(U) Until the earlier of five (5) years after the First Closing or until Sponsor owns less than 25% of the units, the Declaration, By-Laws and Rules and Regulations may not be amended or modified so as to adversely affect Sponsor or its designee without the prior written consent of every Unit Owner affected by such amendment, including Sponsor or its designee. See Section “Control by Sponsor” for details.

(V) Sponsor reserves the right, in its sole discretion, to modify, renew and replace existing service, maintenance, employment, concessionaire and other agreements and insurance policies, and to enter into new agreements and policies that will be binding on the Board on the First Closing. Services must remain comparable to what is in the budget. Any such new agreement which has the effect of materially increasing common charges or is binding on the Board will be disclosed by a duly filed amendment to this Plan. If Common Expenses increase more than 25% from the previously disclosed Common Expenses, Purchasers will be offered a right of rescission. See “Notes to Schedule B”.

(W) Unit Owners must notify the Managing Agent or Board in writing when a child or children under the age of eleven (11) years lives or resides (even temporarily) in the Unit. Each Unit Owner shall install, at the Unit Owner’s expense, the required window guards in all windows of the Unit and shall not remove them until permitted by the law and, in any event, without the full knowledge of the Managing Agent. See “Rights and Obligations of Unit Owners and Board of Managers”.

(X) Sponsor currently has sufficient funds to fulfill its obligations under this Plan. No bond or other security has been posted to secure Sponsor's obligations. Should Sponsor fail in its obligation to pay all Common Charges, special assessments and real estate taxes with respect to Unsold Units, the Board may file a lien against the Unsold Units in accordance with law and Purchasers under contract will be offered rescission. See “Rights and Obligations of Sponsor”.

(Y) The Housing Merchant Implied Warranty does not apply to this offer because the completed Building has more than five stories. Sponsor’s obligation, regardless of any limitations in the

Offering Plan, cannot go below the duty to construct the Premises in accordance with all applicable codes, filed Plans and Specifications, and locally accepted building practices for items which are not covered by codes. Any conflict between the disclaimers and the Sponsor's obligation to construct the Premises in accordance with all applicable codes and filed Plans and Specifications shall be resolved in favor of the latter. See Section "Rights and Obligations of Sponsor".

(Z) There is a cross-default provision under the Purchase Agreement and Interim Lease. Under this provision, an uncured default by the Purchaser under one instrument will automatically constitute a default under the other and Purchaser shall have only the grace period stated under the Purchase Agreement to cure the default under both instruments. If the default is not timely remedied and the Purchase Agreement is cancelled, the Interim Lease shall simultaneously be cancelled. However, before Sponsor may utilize a default under the Interim Lease to declare a default under the Purchase Agreement, the Sponsor must either obtain an order of eviction or other judgment or order from a court or agency of competent jurisdiction against the Interim Lessee, unless the Interim Lessee has vacated the Unit. See "Interim Leases".

(AA) Purchaser will disclose to Sponsor all real estate brokers that he or she has dealt with in connection with the acquisition of his or her Unit and will indemnify Sponsor for claims of any commissions by any other broker or sales agent within the scope of its work representing Purchaser or of Purchaser's representatives, if such broker is not disclosed to Sponsor at the time of the Purchase Agreement. See "Procedure to Purchase."

(AB) Failure to execute a power of attorney at Closing will constitute a default under the Purchase Agreement. See Purchase Agreement and Procedure to Purchase.

(AC) Sponsor may, in its sole discretion, delay the collection of Common Charges and elect to pay the expenses of the building instead. During any such delay, Sponsor will timely pay all expenses of the Condominium, including but not limited to, insurance premiums and any reserve fund payments. Such expenses will not include individual Unit Owner expenses such as real estate taxes or utility charges. Upon commencement of collection of Common Charges, there will not be any assessment for any item in the approved budget for the Condominium. Sponsor shall remain obligated to update the budget for the Condominium and provide financial statements as required by governing regulations. In the event Sponsor elects to delay the collection of Common Charges, Sponsor shall disclose such fact in the Notice of Closing and in the post-closing amendment to the Offering Plan. Such amendment shall also disclose the anticipated period of delay. Sponsor will notify all Unit Owners in writing of the expiration of the delay period at least thirty (30) days prior to the commencement of collection of Common Charges and will disclose such fact in the following amendment to the Offering Plan. During any such period of delay, Sponsor will have financial statements prepared in accordance with the Bylaws. See "Notes to Schedule B," "Rights and Obligations of Sponsor," and "Rights and Obligations of Unit Owners and Board of Managers."

(AD) The Financial Crimes Enforcement Network ("FinCEN") has issued a Geographic Targeting Order ("GTO"), last updated in October 2025, which requires US title insurance companies to report

the personal identity of purchasers in certain residential real estate transactions in all NYC boroughs which meet the following criteria: (a) purchaser is a legal entity as defined in the GTO; (b) total purchase price is in excess of \$300,000.00; (c) purchase is made without a bank loan or other similar form of external financing; and (d) the purchase is made, at least in part, using currency or a cashier's check, a certified check, a traveler's check, a personal check, a business check, a money order in any form, virtual currency or a funds transfer. As long as the GTO remains in effect, its reporting requirements apply to all residential real property Closings meeting the above criteria. Additional information can be found on the website at: <https://www.fincen.gov/news/news-releases/fincen-renews-residential-real-estate-geographic-targeting-orders-0>. See "Procedure to Purchase."

(AE) Smoking and/or use of electronic cigarettes is prohibited in all locations on the property. This policy is in compliance with the NYC Smoke Free Air Act ("SFAA") and shall apply to all Unit Owners and tenants and their respective invitees as well as other persons on the Property. See "Rights and Obligations of Unit Owners and Board of Managers."

(AF) Excluded from the Property are that portion of the unused floor area development rights, if any, that are now owned, subsequently acquired or that may become available under the New York City Zoning Resolution, which shall be retained by the Sponsor and which may be sold, transferred or hypothecated to any other entity for the sole purpose of being merged into a zoning lot pursuant to a zoning lot development agreement ("ZLDA") or similar agreement. Said rights, if any, may not be used to add space or floors to the subject Property however, when sold, may be used to add space or floors to adjacent buildings. See "Reservation of Air and Development Rights."

(AG) For five (5) years after the First Closing or until the Unsold Units constitute less than twenty-five percent (25%) of the total Units, whichever is sooner, the Board must obtain Sponsor's prior written approval to: (a) raise Common Charges or levy a special assessment to (1) make an alteration to the Common Elements; (2) create an additional reserve fund for repairs, alterations, unanticipated expenses and/or contingencies which exceed 5% of the projected common expenses for the budget year; (3) increase, decrease, eliminate or otherwise change the number, type, classification or working hours of the building's service staff (if any), or to hire additional service staff; (4) increase, decrease, or eliminate building services; (5) increase, decrease, eliminate or otherwise change the amounts or types of insurance coverage from the coverages existing on the date of the First Closing; or (b) borrow money on behalf of the Condominium Association. Sponsor may not exercise veto power over expenses described in Schedule B, or over expenses required: (i) to comply with applicable laws or regulations; (ii) to remedy any notice of violation; (iii) to remedy any work order by an insurer; or (iv) to remedy any immediately hazardous condition which affects the health and/or safety of the occupants. See "Control by Sponsor."

(AH) The budget does not include a contingency fund, which is typically a line item in a condominium budget for unanticipated expenses. In the event there are any such expenses, Common Charges may increase or an assessment may be imposed. See "Notes to Schedule B."

(AI) Sponsor at its option may request any Purchaser who is obtaining a mortgage to have his lender accept an assignment of a portion of Sponsor's existing mortgage. In such event, Purchaser

shall pay to the Sponsor such amount that the Purchaser is saving with respect to the mortgage that the Purchaser would have paid if there was no assignment of mortgage. The severance and assignment of the portion of the mortgage on the Property as contemplated herein would not result in any additional cost to the Purchaser and will be initiated only after Purchaser has procured financing. Should the Purchaser's lender refuse to accept the assignment, Sponsor may require Purchaser to continue with the transaction without the assignment or may refund the Purchaser's Down Payment and terminate the Purchase Agreement. Accordingly, Purchaser may apply for a mortgage with a lending institution that will accept an assignment of mortgage. Because this transaction would require additional coordination between the parties, it may potentially delay the Closing. In the event Sponsor exercises such option, mortgage tax credit will be inapplicable, and the Purchaser will not be required to make any payments to the Sponsor in respect to the mortgage tax credit. See "Unit Closing Costs and Adjustments."

(AJ) Under the terms of the Purchase Agreement for this plan, Sponsor shall be excused from performing any obligation or undertaking provided for in the Purchase Agreement for so long as such performance is prevented, delayed or hindered by an act of God, fire, flood, explosion, war, riot, sabotage, inability to procure or general shortage of energy, labor, equipment, facilities, materials, or supplies in the open market, failure of transportation, strike, lock-out, action of labor unions or any other cause (whether similar or dissimilar to the foregoing) not within the reasonable control of Sponsor. Sponsor's time to perform such obligation or undertaking shall be tolled for the length of the period during which such performance was excused. Purchaser's time to perform its obligations under this Agreement may be tolled as well pursuant to applicable laws. Sponsor cannot limit any rights which Purchaser may have pursuant to Art. 23A of the GBL, NYCRR regulations as may be specified in the Plan, except as determined in a final decision or order by a court of competent jurisdiction or any governmental agency or by executive order.

Purchasers are advised that executing a Purchase Agreement that includes the foregoing provisions may impact the Purchaser's ability to close on her/his unit in the time frame originally contemplated in the Purchase Agreement and may limit the Purchaser's remedies for any such delay in the closing date. **The Attorney General strongly recommends that Purchasers consult with their attorneys regarding any risks associated with executing a Purchase Agreement containing the foregoing provision prior to executing the Purchase Agreement.** See "Procedure to Purchase."

(AK) There are 4 Commercial Units and 2 Community Facilities within the Building. The proposed use of said spaces is not currently known. The Units may be used for any purpose in compliance with zoning ordinances, which includes, but is not limited to, day nursery for units CC, C1, C2 and CF1 and business and service uses for Units C3 and CF2. The Non-Residential Unit Owners reserve the right to change the use of the Unit or any part thereof to any use permitted by the New York City Building Code, except for restaurant use and other standard limitations unless approved by the Board (both during and after Initial Control Period) in writing, and to subdivide or merge previously subdivided units without limitation, and without notice to or consent from the Board (both during and after Initial Control Period), other Unit Owners, or any other party. The Board will have no right to restrict or limit any uses of the Unit or any part thereof which are

permitted by law and the New York City Zoning Resolution. The relevant provision in the Bylaws may be changed only with unanimous consent of all Unit Owners. See “Non-residential Units.”

(AL) Sponsor intends to apply for a tax abatement pursuant to the Industrial and Commercial Abatement Program (ICAP) which benefits the four Commercial Units and the two Community Facility Units and has no effect on the taxes or assessments for the Residential Units. The program is administered by the NYC Department of Finance and is explained in more particularity in the opinion letter included in this Plan hereafter. Briefly stated, the program reduces a portion of the increase in the real property taxes due to the new construction, modernization or rehabilitation of commercial or industrial buildings for 25 years, applying 100% for the 16 years following completion of construction and phasing out over the following 9 years. The benefits impose no ongoing restrictions or requirements for the Building or the Residential Units. **NO WARRANTY IS MADE THAT THE TAX BENEFITS BEING APPLIED FOR BY THE SPONSOR WILL BE OBTAINED. IN THE EVENT THAT TAX BENEFITS ARE NOT OBTAINED, OR IN THE EVENT THAT THERE ARE INCREASES IN THE TAX RATE OR THE PROPERTY’S ASSESSED VALUATION OR IN THE STATUTES GOVERNING THE TAX BENEFITS, REAL ESTATE TAXES MAY BE HIGHER THAN SET FORTH HEREIN FOR THE FIRST YEAR OF OPERATION AND IN FUTURE YEARS AND ACCORDINGLY INDIVIDUAL CARRYING COSTS FOR THE UNITS WOULD ALSO BE HIGHER.** No Purchaser shall be entitled to any savings, credit, reduction in price or offer of rescission whether the benefits are granted or not. See Section “Real Estate Taxes.”

(AM) Federal income tax is paid on exempt function income at corporate rates on the amount by which the Condominium’s non-exempt function income exceeds the amount of allowable deductions which are directly connected with the production of such income. Pursuant to Section 528 of the Internal Revenue Code, the Board may, if qualified, elect to exclude from income the Common Charges payable by Unit Owners, making the Condominium exempt from the tax. It is our opinion that the Condominium will NOT meet the requirements for election of Section 528 during its first year of operation since the Commercial Unit is larger than 15% of the total area and thus, may be subject to taxation on its income. However, since the requirements for election under Section 528 are applied annually it cannot now be determined whether the Condominium may elect Section 528 treatment in any subsequent tax year. See Counsel’s Income Tax Opinion for a more detailed discussion.

(AN) The Board reserves the right to allocate certain items between the Residential Units and Non-Residential Units on a special basis which reflects actual benefit and/or use associated with that particular item of expense or exclusive control of the particular Common Elements, pursuant to N.Y. Real Property Law (RPL) Section 339-m. This is because the Non-Residential Units may not share in the benefit of all Common Elements that the Residential Units do, or do not utilize the Common Expense to the same extent of Residential Units. Because of this, Residential Units may pay a higher proportion of expenses which are not allocated to the Non-Residential Units, or which are allocated in a percentage different than PCI. The applicable provision can be found in Article 6 of the Bylaws which requires unanimous consent to amend. The current projected Common Charges are included in Schedule A. See “Notes to Schedule B.”

(AO) Sponsor/Selling Agent. Neither Sponsor/Selling Agent nor its affiliates have had any prior offerings, nor any prior experience as a selling agent. Principal. Principals have not been a principal in any prior offering plans which were initially offered during the preceding five (5) years. See “Identity of Parties.”

(AP) Principal of the Sponsor is currently unemployed and does not have an income stream other than this project. See “Identity of Parties.”

(AQ) The Architect’s Report included in Part II of the plan includes certain disclosures which Purchasers should note as a special risk. The report should be reviewed in full by Purchasers and their experts.

1. Below Grade space, including the cellar, is uninhabitable as it contains less light and air than ordinary living space and is more susceptible to dampness. This space may not be used for any habitable purpose such as sleeping or dining and may not be rented independently. Doing so may result in a building code violation. Storage rooms are located in the cellar. See “Schedule A.”
2. The building contains 17 storage closets in the cellar which will be given to the first 17 Units that close via License Agreement for no additional fee. The storage closets may only be used to store personal belongings of residents of the Unit and may not be used to store any food, perishables, flammable or hazardous materials. A storage closet is uninhabitable space and may not be used for any habitable purpose such as sleeping or dining. Because the storage closets are located in the cellar, they are more susceptible to dampness. Purchasers should take reasonable precautions to protect personal belongings from damage that could be caused by moisture. Unit Owners will be storing items at their own risk and indemnify the Sponsor, its agents and employees, and Condominium Board against any loss or damage including power outages, temperature fluctuations or moisture.
3. Sponsor is providing as part of the purchase price in each Unit a refrigerator, range and hookups for a 27” washer and vented gas dryer which can be side by side in Unit 1 and stacked in Units 3C, 4A, 4C, 5A, 5C, 6C and 6A. There are no laundry hookups provided by Sponsor for B and D line Units on floors 3-6 or any 7th floor Units. Purchasers may apply to install same in accordance with the procedures laid out in the Bylaws Article 5 which includes presenting the approved plans to the Board for approval, installing same by a licensed professional with insurance; and indemnifying the Board and other Unit Owners for the work. Sponsor is not providing blinds or shades to the Units. It will be the responsibility of the Unit Owners to provide them at his or her own cost.
4. The floor area of each Unit calculates the square footage from the exterior of the exterior walls to the centerline of the partitions separating one Unit from another Unit or Common Element. Accordingly, they include the area of the interior walls of the Unit, and the approximate actual livable area of the Unit is significantly less than as set forth in Schedule

A. Vertically, the Unit consists of the area measured from the top of the concrete floor slab to the underside of the ceiling. All areas and dimensions are approximate within reasonable tolerances and are subject to immaterial construction variances and tolerances. A decrease in a Unit's area of 5% or less may not affect a Purchaser's obligations unless such decrease is determined to be a material change. There is a rebuttable presumption that a decrease in area of 5% or less is not material.

5. There are three recreation rooms and a co-working space located on the 7th floor as well as two outdoor common recreation spaces. These spaces are available for use by residents and supervised guests. They will be unfurnished by Sponsor.
6. There are Lot Line Windows in the rear of the Building for Units C3 and 1A (3 each) and Unit CF2 (1 window). These windows are protected by dedicated sprinkler heads and are not used for required light and air. These Lot Line Windows comply with Building Code regulations applicable to Class 1B Construction Group buildings. The windows may be blocked in the future if a building is constructed on the adjacent lot to the lot line. In such case, the Unit Owners will be responsible for filling in these windows with a 2 hour fire rated wall assembly. The estimated cost of infilling these windows is approximately \$5,000.00 which Unit Owners may request to be paid by the neighbor.
7. In accordance with Local Law 11/98 the building is subject to regular façade inspections. These inspections must be performed every 5 years by a Qualified Exterior Wall Inspector who must file the report with DOB. The next inspection and report must be filed between February 21, 2025 and February 21, 2027. During the inspection, the movable scaffolding must be used at least at one location of the building façade. The movable scaffolding must be operated by a licensed rigger, certified by NYC DOB. The Board shall be responsible to manage the FISP compliance and inspections, and the cost thereof shall be a Common Expense. See Architect's Description of Property in Part II.
8. Limited Common Element roof terraces allocated to Units as shown on the Schedule A will not be finished for daily foot traffic. Unit Owners shall be required to install a proper walking surface over their own roof terrace, such as pavers or decking. The approximate cost thereof is \$30.00 per square foot.
9. Unit 1A shall provide a right of access across its terrace to the Unit Owner of Unit CF2 on at least two days' notice, except in the case of Emergency, for purposes of inspecting, maintaining, and repairing the skylight servicing Unit CF2 which is accessible from the terrace of Unit 1A.
10. The roof terraces allocated to Units 7A and 7D are accessed from a common corridor and not directly from the Unit.
11. Sponsor is not providing any heating or cooling equipment for the Commercial Units or Community Facilities. Purchase and installation of same shall be the responsibility of the respective Unit Owner.

12. The building is a “covered building” pursuant to Local Law 97, which establishes greenhouse gas emission limits for buildings exceeding 25,000 gross square feet. The law requires annual reporting to the New York City Department of Buildings to demonstrate compliance with applicable emissions limits. The applicable emissions limits are established for compliance periods, including an initial period through 2029 and more stringent limits beginning in 2030. Compliance with such requirements, including the preparation and submission of required reports, shall be the responsibility of the Board. Based on current plans and specifications, the building is anticipated to comply with the applicable emissions limits; however, future compliance is subject to factors including building operation, energy usage, and regulatory requirements. Penalties for non-compliance may be imposed in accordance with the law, including monetary penalties based on emissions exceeding permitted limits.

B. INTRODUCTION

1. Purpose of the Offering Plan

This Offering Plan sets forth all the material terms of the offer to sell these apartments as Condominium Units. The Plan may be amended from time to time to reflect changes which materially affect the offering. All amendments will be filed with the New York State Department of Law and will thereafter be served upon Purchasers who have executed and delivered Purchase Agreements to Sponsor, Unit Owners, and any other person entitled to service pursuant to 13 N.Y.C.R.R. § 20.1(d).

This Offering Plan including Part I and Part II, all schedules and Parts A, B, C and D of the exhibits constitute the entire offer of Sponsor and contain all of the detailed terms and additional supporting documentation. All of these are available for inspection without charge to prospective Purchasers and their attorneys at the office of Sponsor's attorneys during regular business hours. There will be a charge of forty cents (\$0.40) per page for copying. The Plan and exhibits are also available by appointment for inspection at no charge and for copying (at a current charge of \$0.25 per page) at the Department of Law, 28 Liberty Street, 21st Floor, New York, New York 10005.

THE PURCHASE OF A CONDOMINIUM UNIT HAS MANY SIGNIFICANT LEGAL AND FINANCIAL CONSEQUENCES. THE ATTORNEY GENERAL STRONGLY URGES YOU TO READ THIS OFFERING PLAN CAREFULLY AND TO CONSULT WITH AN ATTORNEY BEFORE SIGNING A PURCHASE AGREEMENT.

2. The Offer

Sponsor presents this Offering Plan for the establishment of Condominium ownership of the Property pursuant to and in compliance with Article 9-B of the Real Property Law of the State of New York, as amended (the "Condominium Act"). The Condominium shall be known as The 170 Williamsburg Street Condominium.

The Offering Plan encompasses the land, the structure, and all appurtenances thereto at 170 Williamsburg Street East, Brooklyn, New York 11211 (the "Building"). Sponsor is 100 Lee Development LLC, a New York limited liability company with an address at 199 Lee Avenue #751, Brooklyn, New York 11211. Sponsor acquired the property on March 27, 2024 at which time there was an existing commercial building on the Property with a retail shop. Sponsor demolished the existing structure and is constructing a new Building which is anticipated to be completed in February 2026 under plans filed with and approved by the Department of Buildings of the City of New York. When completed, it will consist of a cellar and 7 stories and will contain twenty (20) Residential Units, four (4) commercial Units and two (2) community facilities. The use of the Commercial Units, including the Community Facilities, is not currently known. Permissible uses include, but are not limited to, day nursery for units CC, C1, C2 and CF1 and business and service uses for Units C3 and CF2. Sponsor makes no representation as to what the space may be used for except that such spaces may not be used as a restaurant and for other standard restricted uses unless

consented to in writing by the Board. Units may contain additional space reserved for exclusive use which is known as a Limited Common Element and further described herein. Common Elements which serve or benefit only the Residential Units shall be known as Residential Limited Common Elements. Common Elements which serve or benefit only the Non-Residential Units shall be known as Non-Residential Limited Common Elements. The cost of maintenance and repair to such Limited Common Elements shall be borne by those Units to which they are appurtenant.

There will be a residential elevator serving all floors as well as a commercial elevator serving floors cellar – 2nd. The roof will be a Common Element available for recreation by residents and supervised guests. There are 3 indoor recreation rooms and 1 community workspace located on the 7th floor available for residents and their supervised guests. These spaces will be unfurnished by Sponsor. There will also be two common roof terraces on the 7th floor and a common rooftop. There is also a bike room on the 7th floor available for residents daily on a first come-first serve basis.

The Building contains 17 storage closets in the cellar which will be provided to the first 17 Units that close via License Agreement for no additional fee. The storage closets may only be used to store personal belongings of residents of the Unit and may not be used to store any food, perishables, flammable or hazardous materials. A storage closet is uninhabitable space and may not be used for any habitable purpose such as sleeping or dining. Because the storage closets are located in the cellar, they are more susceptible to dampness. Purchasers should take reasonable precautions to protect personal belongings from damage that could be caused by moisture. Unit Owners will be storing items at their own risk and indemnify the Sponsor, its agents and employees, and Condominium Board against any loss or damage including power outages, temperature fluctuations or moisture.

The Building and land are hereinafter collectively referred to as the “Property”. As of the date the Plan has been submitted for filing, no Purchase Agreements have been entered into and no Down Payments or advances have been received. All of the Units offered under the Plan are vacant and shall remain vacant until consummation of the Plan unless sooner occupied pursuant to an Interim Lease.

The Sponsor hereby offers twenty (20) Residential Units four (4) Commercial Units and two (2) Community Facilities for sale under the Plan. The purchase prices and estimated Common Charges for each Unit are listed in “Schedule A -- Offering Prices and Related Information.” THE PRICES CONTAINED IN THE PLAN HAVE BEEN SET BY SPONSOR WITHOUT ARMS LENGTH NEGOTIATION AND ARE NOT SUBJECT TO APPROVAL BY THE DEPARTMENT OF LAW OR ANY GOVERNMENTAL AGENCY.

Sponsor is reserving the unconditional right to rent rather than sell Units after consummation of the Plan. Accordingly, there is no commitment by Sponsor to endeavor in good faith to sell more than 15%, or four (4) Units, which is necessary to declare the Plan effective. Notwithstanding the fact that not all Purchasers used for purposes of declaring the Plan effective may actually close, in the event all of the Purchasers counted toward effectiveness rescind or terminate their Purchase

Agreements prior to the First Closing, the Plan will be declared effective again, regardless of whether the Declaration has been recorded.

There is a loan on the project with Broadview Capital LLC, 98 Cuttermill Rd, Ste 249, Great Neck, NY 11021. The lender has placed no restrictions on the rentals, sales or marketing of the Units. If the loan is not satisfied at or prior to the First Closing, the mortgagee will either (a) consent to the formation of a condominium and acknowledge that its lien will be limited to Unsold Units; (b) subordinate the lien of its mortgage to the Declaration of Condominium; or (c) release its lien on the Condominium Unit being conveyed and its interest in the Common Elements.

Purchasers should note that in the current real estate market, banks and other lenders are imposing various restrictions on purchase financing. Such restrictions include requiring that a certain percentage of the units in a building be sold before the lender will consider making a loan. Thus, it may be possible for a purchaser to experience difficulty obtaining a loan in a building where the sponsor has not sold a substantial percentage of the apartments in the building which in some cases may be as high as 70%. Moreover, some lenders will not provide financing in a building where an investor other than the original sponsor has an ownership interest of 10% or more. Even once a building undergoes conversion, lenders may still impose minimum sales requirements before granting a loan. It then may be difficult for a purchaser to resell an apartment if prospective buyers are unable to obtain a loan due to such minimum sales requirements.

Excluded from the Property are that portion of the unused floor area development rights, if any, that are now owned, subsequently acquired or that may become available under the New York City Zoning Resolution, which shall be retained by the Sponsor and which may be sold, transferred or hypothecated to any other entity for the sole purpose of being merged into a zoning lot pursuant to a zoning lot development agreement ("ZLDA") or similar agreement. Said rights, if any, may not be used to add space or floors to the subject Property however, when sold, may be used to add space or floors to adjacent buildings. At this time, there are no substantial useable development rights available.

A bulk sale is defined as a simultaneous sale of ten (10) or more Units or the sale of more than one Unit constituting twenty percent (20%) or more of the residential Units, whichever is less, to one Purchaser who will not use the Units for personal occupancy. In the event of a bulk sale by Sponsor of all or some of its Unsold Units, the Sponsor or its principals will provide financially responsible entities or individuals who will assume the status and all of the obligations of the Sponsor. The successor sponsor will be bound by Sponsor's representations regarding unit sales. In this project, selling 2 or more Units to one buyer who will not use the Units for personal occupancy would constitute a bulk sale.

3. Basic Aspects of Condominium Ownership

The ownership of a Condominium Unit is similar in many respects to the ownership of a private home. Each Unit Owner owns his Unit outright in fee simple absolute and is entitled to exclusive possession of his Unit together with an interest in and right to use the Common Elements and the Limited Common Elements, if any. The Common Elements consist of all parts of the Property other than the Units themselves that are owned by all of the Unit Owners as tenants in common, each

having an undivided interest therein. The Common Elements include, generally, but without limitation, the Condominium Property including the portions on which the Building are erected.

A. Limited Common Elements. Limited Common Elements are those Common Elements which service or are reserved for use and enjoyment by one or more (but not all) Units. Unit Owners are entitled to exclusive right to use Limited Common Elements appurtenant to their Unit. The repair and maintenance of the Limited Common Elements is the responsibility of the Unit Owner to whose Unit the Limited Common Elements are allocated. Notwithstanding the foregoing, structural repairs and replacements to a Limited Common Element shall be performed by the Board but at the sole cost and expense of the affected Unit Owner. The Limited Common Element areas allocated to specific Units are shown in the Architect's Report and on the Floor Plans and in the Schedule A. See Schedule A for details regarding the composition of each Unit and the Architect's Report included in Part II. Common and Limited Common Elements are not subject to partition nor are they severable from the Units except in accordance with the Condominium Act.

B. Common Charges. Each Unit Owner must pay Common Charges in accordance with the Condominium Act, Sections 339-i and 339-m. These charges are payable on a monthly basis. Common Charges have been estimated by Sponsor and include fire insurance for the Units, liability insurance for the Common Elements, and maintenance and operation of the Common Elements. For more information on Common Charges and how they are assessed, see Article VI of the By-Laws attached hereto as Document No. 7. Any License Fee and/or Special Assessment due hereunder or imposed by the Condominium Board in the future, shall constitute "additional Common Charges" under the terms of the Condominium Documents. Licensee's failure to pay the License Fee and/or Special Assessment due hereunder or imposed by the Condominium Board in the future shall constitute a material default under the terms of the Condominium Documents. Notwithstanding any provision to the contrary, the collection of the License Fees shall be subject to the same means of enforcement of collection as Common Charges.

C. Ownership/Leasing of Units. Other than as set forth herein, there is no restriction upon ownership of a Unit. Any Unit Owner may sell or lease his or her Unit to anyone, without restriction or limitation, subject only to civil rights laws. No Unit Owner may convey or mortgage title to his Unit without including therein the Appurtenant Interest, general or Limited Common Elements.

No Unit Owner is permitted to convey, mortgage, pledge, hypothecate, sell or lease his Unit unless and until he has paid in full to the Board all unpaid Common Charges and License Fees previously assessed by the Board against his Unit, and until he shall have satisfied all unpaid liens against the Unit, except permitted mortgages.

D. Powers and Duties of the Board of Managers. The Board and its officers have a fiduciary duty to act in the best interest of the Condominium. The Board has the power and responsibility for the operation of the Condominium, which include, among other things, the care, upkeep and maintenance of the Common Elements; collection of Common Charges from Unit Owners; employment of personnel; adoption and amendment of Rules and Regulations; maintenance of bank accounts; obtaining insurance; making repairs, additions, improvements or

alterations to the Common Elements; repair, reconstruction and restoration of damage by fire or other casualty; and such other functions as may be required in connection with the operation and maintenance of the Property. The Board will elect a President, a Secretary and a Treasurer. Neither Board members nor any officer will receive any compensation for acting in such capacity. The Board may engage a Managing Agent to perform any of its delegable duties as provided in the By-Laws and may pay such Managing Agent such compensation as the Board deems desirable.

E. Voting. Unit Owners are entitled to one (1) vote for each Unit owned in matters that require a vote of Unit Owners, including Board elections. If two (2) or more Persons own a Unit, they shall designate in a writing to the Board one person amongst them to vote on behalf of their Unit and the vote of such designee shall be binding upon all Unit Owners. If a Unit is owned by an entity, such entity shall appoint a fiduciary to vote. In either case, failing such a designation, it will be presumed that all Unit Owners consented to the vote if any one of them (or member thereof) purports to exercise such vote without protest being contemporaneously made to the individual presiding over the meeting at which such vote is taken. If protest is made, the vote appurtenant to such Unit shall be counted solely for the purpose of determining whether the required attendance is present to establish a quorum. Except where the Condominium Act, Declaration, or By-Laws provide otherwise, all matters to be decided by vote of Unit Owners will be decided by a Majority vote thereof. In accordance with the Bylaws, any deadlock in voting shall seek to be settled by Arbitration.

F. Real Estate Taxes and Mortgages. Each Unit will be separately taxed for real estate tax purposes. No Unit Owner is liable for the payment of real estate taxes on any Unit other than his own. No Unit is subject to the lien of a mortgage on any other Unit and each Unit may be mortgaged separately.

G. Insurance. Fire and liability insurance covering the entire Condominium are included with other items as part of the Common Charges, but fire and liability insurance for individual Unit Owners' personal effects inside each Unit, including, but not limited to decorations, painting, furniture or improvements made by the Unit Owner, must be obtained by the individual Unit Owner. Each Unit Owner desiring such coverage on his personal effects must purchase his own policy at his own cost and expense. Any policy purchased by Unit Owners must contain a waiver of subrogation and provisions to the effect that the liability of the carriers issuing insurance procured by the Board shall not be affected or diminished by reason of the policy or policies carried by Unit Owners.

H. Painting/Decoration of Common Elements and Units. All painting and decorating of exterior portions of the Building and Common Elements and repairs and replacements to Common Elements shall be made by the Board through its officers or Managing Agent. No further approval of Unit Owners is required for the foregoing, unless such cost exceeds \$15,000.00. Such costs will be charged to Unit Owners as Common Charges, except to the extent same may be charged to a single Unit Owner if such costs are necessitated by his negligence or misuse.

Unit Owners may decorate the interior of his Unit in any manner so desired, subject to compliance with the By-Laws and the Rules and Regulations promulgated pursuant thereto, and will

be solely responsible for the cost and expense of maintaining, repairing, painting and maintaining casualty and liability insurance on his or her Unit.

I. Appliances. Sponsor is providing as part of the purchase price in each Unit a refrigerator, range. There will also be provided hookups for 27" washer and vented gas dryer which can be side by side in Unit 1 and stacked in Units 3C, 4A, 4C, 5A, 5C, 6C and 6A. There are no laundry hookups provided by Sponsor for B and D line Units on floors 3-6 or any 7th floor Units. Purchasers may apply to install same in accordance with the procedures laid out in the Bylaws Article 5 which includes presenting the approved plans to the Board for approval, installing same by a licensed professional with insurance; and indemnifying the Board and other Unit Owners for the work. The estimated cost is approximately \$15,000 per unit. Sponsor is not providing blinds or shades to the Units. It will be the responsibility of the Unit Owners to provide them at his or her own cost.

J. Carbon Monoxide/Smoke Detectors. Sponsor is providing combination carbon monoxide/smoke detectors in each Unit at each level in accordance with the Administrative Code of the City of New York. The maintenance of the detectors shall be the Unit Owner's responsibility for those located within the Unit and the Board's responsibility for those located in Common Elements. See Part II, "Description of Property" for further details.

K. Purchasers for Occupancy or Investment. Since the Board does not have the right to approve or disapprove Purchasers, there is no limit on the number of Persons who may purchase for investment rather than personal occupancy and, accordingly, there may always be a substantial percentage of Unit Owners who are non-residents. Owners for investment and owner-occupants have inherent conflicts of how to operate the Condominium and how to manage the Board due to the inherent differences in their ownership and occupancy. Purchasers should note that under this Plan, owner-occupants may never gain effective control of the Condominium.

L. Limitations on Purchase of Units. There are no restrictions on who may purchase a Unit. However, Sponsor hereby reserves the right at any time for any reason whatsoever to refuse to approve and execute (i) a Purchase Agreement for any Unit and/or (ii) a Purchase Agreement or Purchase Agreements, as the case may be, for more than one (1) Unit to any one Person; provided, however, that neither the Sponsor nor the Selling Agent will discriminate in the sale or lease of Units on the basis of race, creed, sex, color, disability, marital status, sexual orientation, or national origin, or any other grounds prohibited by law.

4. Contents of Part II

Part II of the Offering Plan contains the forms of documents to be used in the occupancy, sale and transfer of Units, as well as operation of the Condominium in general. A list of the documents provided in Part II can be found in the Table of Contents and certain items are summarized below.

A. Purchase Agreement. The agreement to purchase a Unit is called a "Purchase Agreement," the general form of which is set forth in Part II as Document No. 2. The terms of sale of Units, as well as the procedure to purchase the same, are also summarized in Section "Procedure to Purchase" of the Offering Plan.

B. Unit Owner's Power of Attorney. The form of Unit Owner's Power of Attorney that each Unit Owner will be required to give to the Board and to Sponsor pursuant to the Declaration is set forth as Document No. 4 in Part II of the Plan. The Power of Attorney (1) gives the Board the power to acquire a Unit when offered for sale by a Unit Owner or pursuant to foreclosure and (2) permits the Board to file amendments to the Condominium Documents, or other instruments affecting the Condominium with respect to compliance with laws, zoning, easements, etc.

C. The form of deed that Sponsor will issue to Purchasers is set forth as Document No. 5 and the form License for the storage spaces are set forth as Document No. 5A in Part II.

D. A detailed description of the physical condition of the Property is set forth in Part II as Document No. 1, entitled "Description of Property", which includes an architect's report describing the property and the floor plans for each Unit, and should be reviewed carefully by prospective purchasers.

E. The salient provisions of the Declaration of the Condominium ("Declaration"), which is the document that establishes condominium ownership of the Property, and By-Laws of the Condominium ("By-Laws"), which govern the operation of the Condominium and to which are annexed the Rules and Regulations of the Condominium ("Rules and Regulations"), are partially summarized in Section "Rights and Obligations of Unit Owners and Board of Managers" and are reproduced in full in Part II as Documents Number 6 and 7, respectively. Each Unit Owner is obligated to comply with the Declaration, the By-laws, the Rules and Regulations and any other requirement of the Board.

D. DESCRIPTION OF PROPERTY AND IMPROVEMENTS

1. General. This description of the Property and improvements is intended to provide a general outline of the Land, Building and Units, but shall not be interpreted as enlarging in any manner, directly or by reference, the obligations or liability of the Sponsor as set forth in this Plan. The Architect's Report is a more detailed description of the Building and Property compiled by Sponsor's Architect and which includes the layouts for each Unit and the Building in general and is set forth as Document No. 1 in Part II of the Plan.

2. Site. The Land is known by street address as 170 Williamsburg Street East, Brooklyn, New York 11211. The parcel is located in the Williamsburg neighborhood of Brooklyn on tax Lot Number 22 of tax block 2199. The site is zoned as R6 with a C1-3 overlay, which permits residential use as a matter of right and also permits commercial use. The site previously had commercial real estate (a retail shop) which has been demolished. There are no known environmental issues affecting the Property. The building is a "covered building" pursuant to Local Law 97, which establishes greenhouse gas emission limits for buildings exceeding 25,000 gross square feet. The law requires annual reporting to the New York City Department of Buildings to demonstrate compliance with applicable emissions limits. The applicable emissions limits are established for compliance periods, including an initial period through 2029 and more stringent limits beginning in 2030. Compliance with such requirements, including the preparation and submission of required reports, shall be the responsibility of the Board. Based on current plans and specifications, the building is anticipated to comply with the applicable emissions limits; however, future compliance is subject to factors including building operation, energy usage, and regulatory requirements. Penalties for non-compliance may be imposed in accordance with the law, including monetary penalties based on emissions exceeding permitted limits.

Sponsor is constructing one (1) new Building on the site that will consist of seven (7) stories plus a cellar and will contain twenty (20) Residential Units, four (4) commercial Units and two (2) community facilities. The use of the Non-Residential Units are not currently known. Sponsor makes no representation as to what the spaces may be used for, but such spaces are not permitted to be used for any of the following uses without written consent of the Board (both during and after Initial Control Period): (1) an establishment which displays, sells, rents or offers for sale or rent any pornographic material; adult bookstore, (2) any establishment which stocks, displays, sells or rents any drug-related paraphernalia or merchandise, (3) any so-called gentleman's club featuring topless waitresses, nude or semi-nude dancing or private "one-on-one" booths or rooms, (4) illicit non-therapeutic massage parlor, (5) off-track betting parlor or other gambling facility, (6) pawn shop, (7) any business practicing satanic or cult ritualistic activities including so-called "devil worship," black magic or rites of passage involving self-mutilation or degradation or (8) restaurant including food service or cooking establishment. Units may contain additional space reserved for exclusive use which is known as a Limited Common Element and further described herein. See "Schedule A -

Offering Prices and Related Information” and the Architect’s Report and Floor Plans in Part II of the Plan for more information.

There will be a residential elevator serving all floors as well as a commercial elevator serving floors cellar – 2nd. The roof will be a Common Element available for recreation by residents and supervised guests. There are 3 indoor recreation rooms and 1 community workspace located on the 7th floor available for residents and their supervised guests as well as two roof terraces on this level. These spaces will be unfurnished by Sponsor. There is also a bike room on the 7th floor available for residents daily on a first come-first serve basis. Common Elements which serve or benefit only the Residential Units shall be known as Residential Limited Common Elements. Common Elements which serve or benefit only the Non-Residential Units shall be known as Non-Residential Limited Common Elements. The cost of maintenance and repair to such Limited Common Elements shall be borne by those Units to which they are appurtenant.

The Building contains 17 storage closets in the cellar which will be provided to the first 17 Units that close via License Agreement for no additional fee. The storage closets may only be used to store personal belongings of residents of the Unit and may not be used to store any food, perishables, flammable or hazardous materials. A storage closet is uninhabitable space and may not be used for any habitable purpose such as sleeping or dining. Because the storage closets are located in the cellar, they are more susceptible to dampness. Purchasers should take reasonable precautions to protect personal belongings from damage that could be caused by moisture. Unit Owners will be storing items at their own risk and indemnify the Sponsor, its agents and employees, and Condominium Board against any loss or damage including power outages, temperature fluctuations or moisture.

There are Lot Line Windows in the rear of the Building for Units C3 and 1A (3 each) and Unit CF2 (1 window). These windows are protected by dedicated sprinkler heads and are not used for required light and air. These Lot Line Windows comply with Building Code regulations applicable to Class 1B Construction Group buildings. The windows may be blocked in the future if a building is constructed on the adjacent lot to the lot line. In such case, the Unit Owners will be responsible for filling in these windows with a 2 hour fire rated wall assembly. The estimated cost of infilling these windows is approximately \$5,000.00 which will be the responsibility of Unit Owners. If the cause of infilling is due to the neighbor’s construction, Unit Owners may request the fee to be paid by the neighbor.

Limited Common Element roof terraces allocated to Units as shown on the Schedule A will not be finished for daily foot traffic. Unit Owners shall be required to install a proper walking surface over their own roof terrace, such as pavers or decking. The approximate cost thereof is \$30.00 per square foot.

The proposed project is governed by New York City zoning laws and the Building Code. The Property is being improved and the Units and Common Elements are being constructed in accordance with this Plan, with the filed Plans and Specifications as the same may be amended and with all applicable zoning and building laws, regulations, codes, and other government requirements.

The Units will comply with all applicable rules, regulations, laws and other requirements of all governmental authorities having jurisdiction thereof, including those governing zoning and construction. The Plans and Specifications will be available for inspection at the Sponsor's office on the Property.

Neither Sponsor nor its principal has any development projects within the surrounding areas. If this should change while sales are continuing, the information will be updated within thirty (30) days in a duly filed amendment to the Plan.

3. Statement of Dimensions. The floor area of each Unit calculates the square footage from the exterior of the exterior walls to the centerline of the partitions separating one Unit from another Unit or Common Element. Accordingly, they include the area of the interior walls of the Unit, and the approximate actual livable area of the Unit is significantly less than as set forth in Schedule A. Vertically, the Unit consists of the area measured from the top of the concrete floor slab to the underside of the ceiling. All areas and dimensions are approximate within reasonable tolerances and are subject to immaterial construction variances and tolerances. A decrease in a Unit's area of 5% or less may not affect a Purchaser's obligations unless such decrease is determined to be a material change. There is a rebuttable presumption that a decrease in area of 5% or less is not material.

4. Utilities.

A. Water. Water is provided by the City of New York and the Units will be billed together for water consumption as a Common Charge. Storm water is carried into the New York sewer system as is the entire sanitary waste from the Building.

B. Gas. Gas service is provided for cooking, clothes dryers and hot water. Each Unit is metered and billed separately.

C. Telephone. Telephone service is provided on an individual basis to each Unit by the local phone company who will bill each Unit Owner directly.

D. Electricity. Electricity is provided by the Consolidated Edison Company. Each Unit is metered and billed separately. There will also be a separate meter for the Common Elements, for which the electrical services shall be paid by all Unit Owners as a Common Charge.

5. Appliances. Sponsor is providing as part of the purchase price in each Unit a refrigerator, range and hookups for 27" washer and vented gas dryer which can be side by side in Unit 1 and stacked in Units 3C, 4A, 4C, 5A, 5C, 6C and 6A. There are no laundry hookups provided by Sponsor for B and D line Units on floors 3-6 or any 7th floor Units. Purchasers may apply to install same in accordance with the procedures laid out in the Bylaws Article 5 which includes presenting the approved plans to the Board for approval, installing same by a licensed professional with insurance; and indemnifying the Board and other Unit Owners for the work. The estimated cost of the work is \$15,000. Sponsor is not providing blinds or shades to the Units. It will be the responsibility of the Unit Owners to provide them at his or her own cost.

Note A: At closing, each purchaser shall deposit an initial capital payment in an amount equal to two months' estimated common charges for the Unit, pay transfer taxes, \$1750 to defray Sponsor's costs of forming the condominium, and sponsor's attorney fee. See Unit Closing Costs and Adjustments.

G. NOTES TO SCHEDULE A
"OFFERING PRICES AND RELATED INFORMATION"
FOR EACH UNIT

(1) Any floor plan or sketch shown to a prospective Purchaser is only an approximation of the dimensions and layout of a Unit, within reasonable tolerances. Accordingly, each Unit should be inspected prior to purchase to determine its actual dimensions, layout and physical condition. The number of bedrooms in each Unit is computed in accordance with the standards established by the New York City Building Code. The floor area of each Unit calculates the square footage from the exterior of the exterior walls to the centerline of the partitions separating one Unit from another Unit or Common Element. Accordingly, they include the area of the interior walls of the Unit, and the approximate actual livable area of the Unit is significantly less than as set forth in Schedule A. Vertically, the Unit consists of the area measured from the top of the concrete floor slab to the underside of the ceiling. All areas and dimensions are approximate within reasonable tolerances and are subject to immaterial construction variances and tolerances. A decrease in a Unit's area of 5% or less may not affect a Purchaser's obligations unless such decrease is determined to be a material change. There is a rebuttable presumption that a decrease in area of 5% or less is not material. See the Architect's Report in Part II for a more detailed description of the Units and the rooms, including floor plans.

(2) Prices are negotiable. Sponsor reserves the right to change the offering prices set forth in Schedule A. These offering prices, however, may only be changed by a duly filed amendment to this Plan when the change in price is an across the board increase or decrease affecting one or more lines of Units or is to be advertised or is a price increase for an individual Purchaser. However, the prices for the Units are negotiable and Sponsor may enter into an agreement with a Purchaser to sell one or more Units at prices lower from those set forth in Schedule A. The results of negotiation for one Unit are independent of other negotiations and will not affect other negotiations. See Sections "Changes in Prices and Units" and "Unit Closing Costs and Adjustments" which discloses and explains the closing costs and adjustments that a Purchaser must pay.

Sponsor reserves the right to negotiate with Purchasers all aspects of the purchase price, including but not limited to: renovations or improvements to the Units, fixtures or equipment contained therein or credits or allowances therefor; amount of Down Payment; terms of financing contingency in the event Sponsor agrees to permit same including extension of period to secure financing and amount of financing to be obtained; default clause; application of the Interim Lease rental payment towards the purchase price; payment of all or part of purchaser's closing or financing costs such as closing costs, attorneys' fees, origination fees, commitment fees and waiver or reduction of the attorney's fees set forth in the Offering Plan; and any and all other costs relating to the cost of acquiring title to the Unit. Further, Sponsor will amend the Plan from time to time in order to add and/or delete negotiable terms.

- (3) In accordance with Section 339-i(1)(iv) of the Condominium Act, the Common Interests of each of the Units have been allocated based upon floor space, subject to the location of such space and the additional factors of relative value to other space in the Condominium, the uniqueness of the Unit, the availability of Common Elements for exclusive or shared use, and the overall dimensions of the particular Unit..
- (4) Common Charges have been estimated by Sponsor and include fire insurance for Units and liability insurance for Common Elements, and maintenance and operation of the Common Elements. Common Charges do not include decoration, maintenance or repair to the inside of the Units, electricity, air conditioning or heating for each Unit or insurance for personal effects. Common Charges have been estimated by Sponsor based on the estimated operating budget annexed as Schedule B and certified by Complete Condo Service Inc. See Schedule B-1 for individual electricity and gas expenses for the Units.
- (5) The real estate tax estimates set forth in Schedule A are based on a letter included in section "Real Estate Taxes" from Sponsor's expert, Metropolitan Realty Exemptions, 349 Keap Street, Brooklyn, NY 11211 dated November 7, 2025. Sponsor's expert has been involved in the review of property tax assessments in the metropolitan New York City area for over two (2) years and has filed applications and petitions for reductions in such tax assessments in New York City.

The construction is projected to be completed by February 2026 and the first year of operations is projected to begin on October 1, 2026. The projected real estate taxes for the first year of operation contained in Schedule A are based on an assessment of the Building after construction is complete. The assessed valuation is projected to be approximately \$4,181,455, resulting in total taxes of approximately \$486,357 without ICAP tax benefits and \$273,337 with ICAP tax benefits. The residential assessed valuation is estimated to be \$2,091,423 resulting in taxes of approximately \$261,428 based on a tax rate of 12.5% per One Hundred Dollars of assessed valuation for Residential Units. The Non-Residential assessed valuation is estimated to be \$2,090,032 resulting in taxes of approximately \$224,929 without ICAP benefits and \$11,909 with ICAP benefits based on a tax rate of 12.5% per One Hundred Dollars of assessed valuation for Residential Units.

Estimated real estate tax assessments are determined using various factors including sales price, square footage, location of the Unit, availability of Limited Common Elements and/or access to Common Elements. No assurances can be given that the taxing authorities will assess the Building and allocate assessments in the same manner and the actual assessments may not be in the same proportion as the Common Interests set forth in Schedule A.

After separate tax lots are apportioned, each unit will be taxed as a separate lot for real estate tax purposes and the Unit Owner will not be responsible for the payment of, nor will the Unit

be subject to, any lien arising from the non-payment of taxes on other Units. See section "Real Estate Taxes" for further details.

As per rules and regulations set by the Department of Finance, a four-story dwelling would be categorized as a tax class 2C, which includes rental buildings and some new construction condominiums, with a tax rate of 12.500% for the 2025/2026 tax year. However, it is not possible to accurately determine what the assessed valuation will be and it is equally impossible to predict any future increases in real estate tax rates which may affect the amount of tax due on the Property.

Since no mortgage financing is offered by Sponsor, the only deductible item is real estate taxes. The "One Big Beautiful Bill Act" (OBBBA), enacted in July 2025, temporarily raised the cap to \$40,000 (\$20,000 for married filing separately) beginning in tax year 2025. This increased cap is set to rise 1% annually through 2029 before reverting to \$10,000 in 2030 for state and local taxes, including property tax. If a Purchaser obtains a mortgage loan, interest on such loan is deductible under current law. The Internal Revenue Code of 1986, as amended, limits the deductions of mortgage interest to mortgages incurred in acquiring, constructing or substantially improving the first and second residences of a taxpayer. The deduction is also limited to interest paid on acquisition indebtedness not to exceed \$750,000. The projected amount deductible may vary in future years due to changes in the assessed value, the tax rate or in the method of assessing real property which results in a change in real property taxes, or due to changes in interest rates or in the allocation of constant debt service payments to interest and principal, or such other changes as may reasonably be expected to affect deductions.

THE ABOVE IS NOT INTENDED TO BE A COMPLETE DISCUSSION OF ALL LIMITATIONS IMPOSED BY THE CODE, PARTICULARLY FOR INVESTORS. ALL PURCHASERS ARE ADVISED TO SEEK ADVICE FROM THEIR TAX CONSULTANTS CONCERNING TAX CONSEQUENCES OF PURCHASE OF A UNIT IN A CONDOMINIUM.

- (6) All projected total carrying charges are for the projected first year of operation beginning October 1, 2026. NOTE: Sponsor has not obtained, nor is it offering, financing commitments to purchasers. Therefore, if a purchaser obtains financing, debt service on such financing will be a monthly expense additional to the total charge listed. In addition, prospective Purchasers will be required to pay at closing, among other things: (i) two (2) months' Common Charges; (ii) New York City and State transfer taxes because Sponsor is transferring its statutory obligation to pay these taxes onto the Purchaser; (iii) \$1,750.00 to defray Sponsor's costs of creating the Condominium and (iv) Sponsor's attorney fee. See section entitled "Closing Costs and Adjustments" below.

If the First Closing actually occurs or is revised by amendment to the Plan to be projected to occur, six (6) months or more from the stated anticipated date of the First Closing, Sponsor will amend the Plan to include a revised budget disclosing updated projections. If such amended projections exceed the previously disclosed projections by 25% or more, Sponsor will offer all Purchasers the right to rescind their offer to purchase and to have their Down Payments refunded. If such right to rescind is exercised within fifteen (15) days after presentation of the amendment, the Down Payment and unexpended sums for special work ordered will be refunded within ten (10) days of Sponsor's receipt of the notice of rescission. Sponsor may not declare the plan effective where there are any material changes to the budget which have not been disclosed by a duly filed amendment to the Offering Plan.

H1. NOTES TO SCHEDULE B

All amounts listed in the budget are projections for the first twelve (12) months of Condominium operation, which shall commence with the First Closing, anticipated to be October 1, 2026 under this plan. The actual first year of condominium operation may begin earlier or later.

Sponsor reserves the right to modify, renew and replace existing service, maintenance, employment concessionaire and other agreements and insurance policies, and to enter into new agreements and policies that will be binding on the Board on the closing date. Services must remain comparable to what is in the budget. Any such new agreement which has the effect of materially increasing Common Charges or is binding on the Board of Managers will be disclosed by a duly filed amendment to this Plan and Purchaser will be entitled to rescission if there are any material and adverse changes.

In the opinion of Complete Condo Service Inc., 610 Broadway, Brooklyn, NY 11206, a real estate management company, the projected receipts are adequate to meet the estimated expenses for the Condominium's first year of operation. The foregoing schedule, however, is not intended and should not be taken as a guarantee by anyone that the annual Common Charges or expenses for the first year of operation or any subsequent year of operation will be as set forth in said schedule. It is likely that the actual annual Common Charges or expenses will vary from the amounts shown in the schedule.

Income

1. Common Charges. Based upon the budget, the board shall allocate and assess amongst Unit Owners, pro-rata, in accordance with their respective Common Interests, an annual Common Charge payment, payable in monthly installments (unless otherwise instructed by the Board). The current projected Common Charges are included in Schedule A. The Board reserves the right to allocate certain items between the Residential Units and Non-Residential Units on a special basis which reflects actual benefit and/or use associated with that particular item of expense or exclusive control of the particular Common Elements, pursuant to N.Y. Real Property Law (RPL) Section 339-m. This is because the Non-Residential Units may not share in the benefit of all Common Elements that the Residential Units do, or do not utilize the Common Expense to the same extent of Residential Units. Because of this, Residential Units may pay a higher proportion of expenses which are not allocated to the Non-Residential Units, or which are allocated in a percentage different than PCI. The applicable provision can be found in Article 6 of the Bylaws which requires unanimous consent to amend. The budget indicates how expenses are shared and Common Charges based on that allocation is included in Schedule A.

While Sponsor owns Unsold Units, Sponsor may, in its sole discretion, delay the collection of Common Charges and pay the expenses of the Building instead. During any such delay, Sponsor will timely pay all expenses of the Condominium, including but not limited to, insurance premiums and any reserve fund payments. Such expenses will not include individual Unit Owner expenses such as real estate taxes or utility charges. Upon commencement of collection of Common Charges, there will not be any assessment for any item in the approved budget for the Condominium. Sponsor

shall remain obligated to update the budget for the Condominium and (if Sponsor is in control of the Board at the close of the fiscal year) to provide financial statements as required by governing regulations. In the event Sponsor elects to delay the collection of Common Charges, Sponsor shall disclose such fact in the Notice of Closing and in the post-closing amendment to the Offering Plan. Such amendment shall also disclose the anticipated period of delay. Sponsor will notify all Unit Owners in writing of the expiration of the delay period at least thirty (30) days prior to the commencement of collection of Common Charges and will disclose such fact in the following amendment to the Offering Plan.

Expenses

2. Labor. The Condominium is not expected to have any employees. It is anticipated that any necessary labor will be contracted for through service contracts.

3. Service Contracts. Sponsor or the Managing Agent will enter into agreements for specific services to the Building on or before the First Closing. Amounts indicated below are estimates made by Complete Condo Service Inc., a qualified management expert with an address at 610 Broadway, Brooklyn, NY 11206 based upon their experience of managing similar properties and certain written proposals set forth below. No maintenance or service contracts have been entered into as of the filing date of the Plan.

- A. Management. On or about the First Closing, the Board shall enter into an agreement to manage the property with a third party agent, Top Quality Management, 199 Lee Avenue, Ste 286, Brooklyn, New York 11211 (“Managing Agent”) to manage the Condominium. The Managing Agent has no affiliation with the Sponsor. The Managing Agent’s duties will include, among other things: collecting Common Charges; writing checks; paying bills such as water and sewer charges or insurance premiums; and making arrangements for repairs to the Common Elements, garbage disposal, snow removal, etc. The Managing Agent shall bear the responsibility to assure that all assessments have been paid, that each Unit Owner adheres to the Rules and Regulations of the Declaration & By-Laws and to collect any amounts payable to the Condominium. For further discussion, see the By-Laws and the Addendum to By-Laws in Part II of the offering Plan and the section entitled “Contracts.” The annual fee for the Managing Agent will be at prevailing rates, totaling \$28,500.00. The Board shall be obligated to reimburse the Managing Agent for expenses incurred and to indemnify the Managing Agent against liability for acts properly performed by it pursuant to the agreement. The agreement will automatically renew each year unless cancelled within sixty (60) days of the expiration of the term. The agreement may be canceled by either party after default on ten (10) days’ prior notice. The agreement may be assigned by the Managing Agent to another competent Managing Agent.

The Board shall be obligated to reimburse the Managing Agent for disbursements and other expenses incurred on behalf of the Building and to indemnify the Managing Agent against

liability for acts properly performed by it pursuant to the agreement. The agreement may be canceled by either party after default on ten (10) days' prior notice.

The Managing Agent may charge individual Unit Owners or the Board separate fees for additional work requested of Managing Agent by the Unit Owner or Board, as the case may be. See "Contracts" for more information.

- B. Fire Alarm System – For both the fire alarm system equipment maintenance and fire alarm system monitoring, including the required phone lines, a combined and consolidated contract will be at a charge of \$4,000 per year.
- C. Sprinkler System – The sprinkler system must be inspected once per month by a Licensed Master Fire Suppression Contractor. Written records of these monthly inspections must also be kept at the Building. Fire Sprinkler monthly inspections and one annual inspection at the Building will cost roughly \$4,000 per year.
- D. Exterminator - Extermination treatments will be provided to the Building on a monthly basis. The projected cost of this will be \$2,000 annually.
- E. Elevator System - Under New York City law, it is required that an elevator service contract be maintained. The budgeted amount of \$5,500 includes monthly inspections, general maintenance, and one annual CAT 1 & CAT 5 inspection.
- F. Janitor and cleaning services: The Managing Agent shall arrange for one janitor to be on site three (3) days a week for four (4) hours per day and shall provide for janitorial services to be available on a twenty-four hour basis in accordance with §27-2053 of New York City Administrative Code and all applicable housing and labor laws. The janitor and porters will be responsible for general upkeep of the Common Elements, including the garbage chute, cleaning, making of minor repairs, snow removal and refuse removal. The total fee for this is \$16,500.00.

The amount budgeted for this item is inclusive of all taxes. The level of staffing set forth above complies with housing and labor and minimum wage laws presently applicable to the Property and meets prevailing wage standards. If, however, any of these laws are changed in the future to require additional Building staff or higher wages, the amount allocated for the first year of operation will be greater than that shown above. It is not possible to predict whether any such laws will be changed, or to anticipate the amount of any increase in expense.

- 4. Gas. The cost of gas to the Units is separately metered and the charges therefor will be paid directly to the utility company by Unit Owners. A projection is set forth in Schedule B-1, inclusive of consumption, rates, sales tax and a reasonable anticipated increase due to inflation.

5. Electricity. This item includes the cost of electricity servicing the Common Elements only, which includes common stairways, elevator, hallways, mechanical room lights, common air conditioning pumps and common heating. The amount set forth below is based upon a survey and estimate by Complete Condo Service Inc., a qualified management expert with an address at 610 Broadway, Brooklyn, NY 11206, based on their experience managing buildings of similar size and condition and includes a 10% increase to provide for inflation:

Estimated usage in KWH:	60,606
Cost per KWH:	<u>\$0.30</u>
Estimated total annual cost:	\$19,999.98

The cost of electricity to the Units is separately metered and the charges therefor will be paid directly to the utility company by Unit Owners. A projection is set forth in Schedule B-1, inclusive of consumption, rates, sales tax and a reasonable anticipated increase due to inflation.

6. Water and Sewer. The Building will be metered for water and sewer usage by the City of New York Department of Environmental Protection in accordance with current law. The budgeted amount constitutes a projection of the water charges and sewer rents that will be payable with respect to the Units and the Common Elements, based on buildings of similar size and nature by Complete Condo Service Inc., a qualified management expert with an address at 610 Broadway, Brooklyn, NY 11206. This estimate includes a 10% increase to provide for inflation:

Estimated daily usage = 476.40 cubic feet
 Estimated annual usage = 173,886 cubic feet
 Convert to hundred cubic feet (HCF) = 1,738.60 HCF
 Combined Water and Sewer Rate: \$13.07 per HCF

Usage	Rate per HCF	Cost
1,738.60 HCF	x \$13.07/HCF	= \$ 24,999.59

7. Repairs and Maintenance; Services and Supplies. This item represents the estimated cost for ordinary maintenance and repairs of the Common Elements, including normal repairs to the interior of the Building, the exterior of the Building (including walls, foundations, windows, doors, and locks), common heating, plumbing and electrical systems, common equipment, and includes various supplies (such as cleaning supplies and materials, lubricants, bulbs, public fixtures, general and hardware supplies), equipment for snow removal (shovels and salt), painting of common areas and administrative expenses and supplies, such as postage, tips, and paper. The projected amount does not include repairs, painting, maintenance, or supplies for the interior of the Units or Limited Common Elements, all of which are the responsibility of the individual Unit Owners. Inasmuch as this is a new construction, repairs and maintenance should be minimal. However, the Sponsor does not warrant that this will be the case and no funds are being provided for future capital improvements. The following is a breakdown of the repairs and maintenance based on the

experience of Complete Condo Service Inc., a qualified management expert with an address at 610 Broadway, Brooklyn, NY 11206, managing buildings of similar size and condition:

Backflow Prevention Testing	\$ 1,000
Supplies	\$ 2,500
Administrative Expense	\$ 750
General Repair and Maintenance	\$ 3,500
Window Washing	\$9,000
Garbage Chute and Sewer Cleaning	<u>\$ 3,750</u>
TOTAL:	\$20,500

8. Insurance. The insurance premium is based on the letter dated October 30, 2025 by HML Brokerage LLC, a licensed insurance broker with an address at 31 Spencer Street, Brooklyn, New York 11205 setting forth the following coverages:

Items Covered	Coverage Limits
Building Coverage, Replacement Cost	
Special Form All-Risk	\$17,500,000
Comprehensive General Liability	\$1,000,000 per occurrence/ \$2,000,000 aggregate
Directors and Officers	\$1,000,000
Deductible:	\$10,000
Total Premium	\$27,400

The total projected premiums for these various coverages are based upon the current replacement cost for the Building (excluding excavation and foundation) estimated by the insurance broker, which, in its opinion, is adequate so that the insured will not be a co-insurer. The insurance coverage will meet the requirements of Sponsor or any mortgage lender procured by Sponsor. The total projected premiums for these various coverages are subject to underwriting review and consideration at the time of placement.

The fire, casualty and general liability insurance will be on terms that provide: (1) that each Unit Owner is an insured party; (2) that there will be no cancellation without notice to the Board and the Unit Owners; (3) a waiver of subrogation; (4) a waiver of invalidity because of the acts of the insured and Unit Owners; and (5) a waiver of pro rata reduction if Unit Owners obtain additional coverage. The Condominium will have public liability insurance at the First Closing. In the event of a loss, the claim is made payable to the named insured (the Board).

In order to safeguard the investment of its Unit Owners in the event of a substantial or total destruction of the Building, the Board should periodically review the amount of casualty insurance for the Building to ensure that the amount of coverage equals the Building's then replacement cost.

The coverage provided under the master policy listed above will cover the structure of the Building, the fixtures and furnishings in Common Element areas and any other personal property owned by the Condominium. The following coverages are not included in the premium and may be available at extra cost: construction and demolition; rent insurance in an amount equal to the Common Charges for one (1) year; workers' compensation and New York State disability benefits insurance (should the Board hire employees); hazard insurance; elevator collision.

This coverage does not include claims for damage to interior of Units. As such, Residential Unit Owners must obtain an HO6 insurance policy, effective as of the date of Closing, to cover fire or casualty losses to the interior of his or her Unit. The coverage under the master policy further excludes personal injury or property damage resulting from occurrences in a Unit, and coverage of the furniture or personal property of Unit Owners. Therefore, each Unit Owner shall also consider the desirability to obtain additional insurance at his or her own cost covering among other items: (i) any replacements, additions, upgraded fixtures and improvements within their Unit; (ii) personal property; and (iii) liability for personal injury as a result of occurrences in the individual Unit. The Non-Residential Unit Owners shall maintain and require their tenants to maintain coverages in commercially reasonable amounts.

9. Professional Fees.

A. Accounting Fees. A portion (\$1,400) of the budgeted item will be used for auditing fees in connection with the preparation of the Condominium's first year's audited financial statements and its Franchise tax returns, and its Federal, State and City income tax returns. The estimate for accounting fees is based on a letter from Mozes Guttman, 2 Skillman Street #217, Brooklyn, New York 11205.

B. Legal Fees. An allowance (\$2,000.00) is provided for miscellaneous (but not major) legal services, in the event the Board decides to engage an attorney for services which might include counseling on Board rights or overseeing unit owners' meetings. There is no attorney on retainer, and the Board may choose an attorney when needed.

10. Franchise Taxes. The budgeted item is for annual New York State franchise taxes payable by the Condominium pursuant to section 209.1 of the Tax Law. This figure includes the minimum franchise taxes payable by the Condominium Association to both New York City and New York State taking into account any possible tax increases. The Condominium Association must file annual franchise tax reports for all taxable years that it is subject to tax under Article 9-A. Inasmuch as there is no income expected to exceed expenses there is not anticipated to be any tax due.

11. Reserve Fund for Major Repairs. This item is to provide for major capital expenses, which is the maintenance, improvement or replacement of any aspect of the property that will either enhance the overall value of the property, adapt it to new uses, or increase its useful life. Examples of a major repair or major capital expense are replacement of the roof or the windows, etc. The basis of the figure projected for this item is greater than fifteen percent (15%) of the Common Charges. At this time, Sponsor has no knowledge of any capital improvements that may have to be made during the first five years of Condominium operation. In the event there is a need for major capital expenditure in excess of the funds available from the reserve fund, the Condominium Board will assess a charge to each Unit Owner in accordance with its percentage of Common Interest. The Reserve Fund for Major Repairs may not be used to reduce projected Common Charges.

The Reserve Fund will be funded by monthly Common Charge payments made by Unit Owners including Sponsor so long as Sponsor still owns Units. Of each Common Charge payment, 10% of said payment shall be deposited into the Reserve Fund bank account. As such, the Reserve Fund will not be fully funded until after the first year of operation.

In addition to the monthly contributions, the reserve fund shall also be supplemented by 15% of the Initial Capital Payment to the working capital fund which is collected from all initial Purchasers at Closing. Because of this supplement, the actual amount of the Reserve Fund at the end of the first full year of Condominium operations will be greater than the amount projected in Schedule B.

The budget does not include a contingency line item to account for unanticipated expenses. In the event additional funds are needed for such items, there may be an assessment or increase in Common Charges.

Sponsor expects the First Closing to occur by October 1, 2026. Purchasers will be offered a right of rescission if: (i) the actual date of the First Closing; or (ii) the projected date of the First Closing occurs later than September 30, 2027, which is twelve months after the currently projected date for the First Closing. If the Plan is amended to provide for a later projected date for the First Closing, Purchasers will be entitled to an offer of rescission if the First Closing occurs more than 12 months beyond that amended, later date.

However, even if the First Closing occurs before October 1, 2026 (or such other date as may be projected at the time the Purchase Agreement is entered into), or within the twelve months thereafter, the Sponsor may schedule the Closings to other units significantly later than such date. Unless your Purchase Agreement contains an outside Closing date, the Sponsor is not obligated to schedule your Closing within any specified time frame or to ensure that Closing to your Unit will occur by any date certain. PROSPECTIVE PURCHASERS SHOULD THEREFORE CAREFULLY CONSIDER THE POSSIBILITY OF SUCH DELAYS IN THEIR DETERMINATION AS TO WHETHER TO PURCHASE A UNIT

- Each Unit Owner will be responsible for the cost of electricity service supplied to his Unit. The Building contains electric meters for each of the Units. There is gas service to the Units in connection with hot water, clothes dryers and cooking.
- The above information is based upon a survey and estimate provided by Complete Condo Service Inc., a qualified management expert with an address at 610 Broadway, Brooklyn, NY 11206, based on experience with buildings of similar size and nature. Electricity costs are based on size of the Units. The yearly electricity costs for Unit 5A, for example, are estimated based on current Con Edison rates of \$0.30 per KWH and projected usage of 13,677 KWH per year, for approximately \$4,513.00, including taxes and a 10% increase. The other Units have been calculated accordingly. This assumes thermostat settings of 70 degrees for 16 hours (day) and 60 degrees for 8 hours (night). Gas usage is estimated at 1226 therms at \$1.56 per therm based on current rates for an estimate of \$2,104.00 per year. The other units are calculated accordingly.
- The estimated costs are subject to change based on changes in Con Ed and National Grid delivery rates.

ALTHOUGH SPONSOR BELIEVES THAT THE FOREGOING IS ACCURATE, NO WARRANTY OR GUARANTY IS BEING MADE BY SPONSOR, MANAGING AGENT, OR ANY OTHER PERSON OR ENTITY AS TO WHAT THE SEPARATELY METERED ELECTRICITY AND GAS COSTS MAY BE.

J. COMPLIANCE WITH REAL PROPERTY LAW § 339-i

November 11, 2025

Re: 170 Williamsburg Street East, Brooklyn, New York
Compliance with Real Property Law § 339-i

To Whom It May Concern:

I am the attorney representing the Sponsor of this Offering Plan. I am not the Selling Agent or Managing Agent for this Property and have no beneficial interest in the project. I have been involved in the initial phases of development and in the preparation of many condominium offering plans in New York City. I have advised developers and sponsors as to the allocation of common interests of condominiums as it relates to the value of such units. This opinion is based on other factual determinations, including consultation with a real estate broker.

The method selected for calculating the percentage of Common Interests in the Condominium pursuant to Real Property Law Section 339-i(1) is subparagraph (iv), which provides:

the allocation to be made based upon floor space, subject to the location of such space and the additional factors of relative value to other space in the Condominium, the uniqueness of the Unit, the availability of Common Elements for exclusive or shared use, and the overall dimensions of the particular Unit.

The percentages of interest in the Common Elements in this Condominium have been allocated to the Units in accordance with the above factors in compliance with Real Property Law Section 339-i(1)(iv). They were allocated in this manner as each Unit unique based on its location in the building.

Very truly yours,
Jeffrey Zwick & Associates, PC

J1. NON-RESIDENTIAL UNITS

The Building contains four (4) Commercial Units and two (2) Community Facilities located on the cellar, 1st floor and 2nd floor. The Units may be used for any purpose in compliance with zoning ordinances, which includes, but is not limited to retail, daycare, school or office space, except such spaces are not permitted to be used for any of the following uses without written consent of the Board ((both during and after Initial Control Period): (1) an establishment which displays, sells, rents or offers for sale or rent any pornographic material; adult bookstore, (2) any establishment which stocks, displays, sells or rents any drug-related paraphernalia or merchandise, (3) any so-called gentleman's club featuring topless waitresses, nude or semi-nude dancing or private "one-on-one" booths or rooms, (4) illicit non-therapeutic massage parlor, (5) off-track betting parlor or other gambling facility, (6) pawn shop, (7) any business practicing satanic or cult ritualistic activities including so-called "devil worship," black magic or rites of passage involving self-mutilation or degradation; or (8) restaurant including all food service and cooking establishments. The Non-Residential Unit Owners have certain rights and obligations that differ from the Residential Unit Owners including the right to change the use of the Unit to any use permitted by the New York City Building Code, the right to make alterations and certain allocation of the budgeted items. The Non-Residential Unit Owners shall have the right, without the consent of the Board, Managing Agent or any other Unit Owner, to make alterations and repairs to the Non-Residential Units, including subdivision or merger of the spaces within the Unit. The Board will have no right to restrict or limit any uses of the Unit which is permitted by law and the New York City Zoning Resolution.

The Non-Residential Unit Owners will be entitled to elect amongst themselves a member to the Board. In the event of a subdivision of and Non-Residential Unit, any rights inferred upon the original Unit Owner shall be shared by the resulting Units.

In the event any assessment is imposed or Common Charges are increased in order to maintain, repair or upgrade any Common Element which services only a specific class of Units (such as only Residential Units) or in the event any additional personnel is hired to manage or maintain the Condominium, the cost thereof shall be shared proportionately between the affected Unit Owners only.

Residential Unit Owners will not have any interest in the rents, profits or revenues from the rental use of any space in the Non-Residential Units. Sponsor does not currently know what the space will be used for and makes no representation regarding its continued ownership of such space.

Any amendment to the Bylaws which materially adversely affects the Non-Residential Units requires the consent of the Non-Residential Unit Owners.

In accordance with Article 10 of the Bylaws, in order to resolve any dispute, controversy, claim or question arising with respect to the Condominium or the Purchase Agreement, including the disposition of Down Payments, disputes between Unit Owners and the Board or to break any deadlock in voting, the dispute or question shall be submitted to arbitration through the American Arbitration Association (“AAA”), which will give any party the rights he is entitled to under New York law. The arbitration proceeding will follow the rules of the AAA. The arbitrator will be neutral and independent of Sponsor and its principal and will be designated by the AAA. The hearing will take place in the county where the building is located.

K. CHANGES IN PRICES AND UNITS

1. Changes in Offering Price

The offering prices set forth in Schedule A may be changed by Sponsor from time to time, in Sponsor's sole discretion subject to this Section. The offering prices: may be changed both prior and subsequent to the date of the First Closing; may be increased or decreased; may be changed on one Unit or on a line of Units.

The offering prices set forth in Schedule A must be changed by a duly filed amendment to the Plan when the change in price is: (i) an across-the-board increase or decrease affecting one (1) or more lines of Units; (ii) is to be advertised; or (iii) is a price increase for an individual Purchaser. In all other cases, the prices for the Units are negotiable and Sponsor may enter into an agreement with a Purchaser to sell one or more Units at prices lower from those set forth in Schedule A without filing an amendment. Sponsor and its principals and the Managing Agent and its principals will not discriminate against any person in negotiating the terms of the Purchase Agreement, including incentives to buy the Units, on the basis of race, creed, color, national origin, sex, age, disability, marital status or other grounds that are prohibited by law.

If the purchase price for a Unit is changed, the purchaser of one Unit may pay or may have paid more or less than other purchasers of comparable Units having the same Common Interest. However, such change shall not affect the Common Charges or Common Interest of any Unit (including Units whose purchase prices have changed), nor affect the purchase price stated in any Purchase Agreement then in effect.

2. Offering Prices and Price-Related Terms are Negotiable

Offering Prices and price related terms are negotiable on an individual basis, except Sponsor may not change the escrow provisions of the Purchase Agreement or any other provision in violation of Article 23-A of the General Business Law or Part 20 of the regulations issued by the Department of Law. In addition, Sponsor may not modify a Purchase Agreement to waive Sponsor's obligations or representations in the Plan or to reduce or abridge any rights Purchasers may have under Article 23-A.

The results of negotiation for one Unit are independent of other negotiations and will not affect other negotiations. Sponsor reserves the right to negotiate with Purchasers all aspects of the purchase price, including but not limited to: renovations or improvements to the Units or the fixtures or equipment contained therein or credits or allowances therefor; amount of Down Payment; terms of financing contingency in the event Sponsor agrees to permit same; extension of period to secure financing; default clause; application of the Interim Lease rental payment towards the purchase price; payment of all or part of Purchaser's closing costs such as the waiver or reduction of the attorney's fees set forth in the offering plan; and any and all other fees relating to the cost of

acquiring title to the Unit within Sponsor's control. Further, Sponsor reserves the right to amend the Plan from time to time to add and/or delete negotiable terms.

3. Changes in Size, Layout and Number of Units

A. In order to meet the possible varying demands for number and type of Units, or to meet the particular needs of prospective Purchasers, or for any other reason, Sponsor reserves the right from time to time, both before and after the First Closing to make the following changes to Units:

- (i) to subdivide the Unit and establish new boundary walls separating the new Units established;
- (ii) to combine all or portions of the or more Units and to incorporate walls, floors, ceilings, and/or other portions of the Common Elements or to establish new boundary walls, floors, ceiling and/or other portions of the Common Elements;
- (iii) to raze, move and relocate the boundary walls, floors and/or ceilings of the Unit to incorporate a portion of the Common Elements;
- (iv) to alter the Unit including changing the number of rooms and bathrooms or the layout and configuration of the Unit;
- (v) to change the description of portions of the Unit and the affected Common Elements involved in a Unit change so that such applicable portions of the Common Elements become part of the Unit and/or portions of the Unit become Common Elements.

B. All Unit changes listed above may be made by Sponsor from time to time, both before and after the First Closing, and without the consent or approval of the Selling Agent, Managing Agent, Board, any Unit Owner, or any mortgagee, so long as such changes do not compromise the structural integrity of the Building. However, Sponsor shall first obtain the approval of all governmental authorities having jurisdiction thereof whose approval is required by law. All Unit changes made by Sponsor must comply with all of the following:

- (i) No change will be made in the size or number of Units and/or their respective percentages of Common Interest, and no material change will be made in the size or quality of Common Elements, except by amendment to the Plan, and, when applicable, to the Declaration. As more particularly provided in the Declaration, Sponsor or its designee, as the owner of Unsold Units, will have the right itself to so amend the Declaration to effectuate any such change to the Unsold Units without the Board, the other Unit Owners, or any mortgagee consenting to, or executing, such amendment

provided that all required consents, if applicable, as described in clauses (ii) and (iii) below, and elsewhere in the Plan, have first been obtained..

- (ii) Unless an affected Purchaser consents, no material change will be made in Unit size, layout, or percentage of Common Interest if a Purchase Agreement has been executed and delivered to Sponsor for that Unit and the Purchaser is not in default.
- (iii) Unless all Purchasers consent, no material change will be made in the size and no material adverse change will be made in the quality of Common Elements.

L. INTERIM LEASES TO PURCHASERS

1. Sponsor's Option to Rent to Purchaser. Sponsor has the exclusive option to enter into a lease with the Purchaser of a Unit to allow the Purchaser to occupy the Unit for the interim period between the Purchase Agreement signing and the Closing of Title to that Unit both before and after consummation of the offering. In the absence of such Interim Lease, no purchaser shall have the right to occupy, use, decorate, alter or store belongings in the Unit purchased by him prior to the Closing.
2. No Rent Laws Applicable. These Units are not subject to rent stabilization or rent protection laws. As a result, if an Interim Lease for a Unit is signed, the rent will not be subject to any rent limitations or laws regulating rents and shall be a free-market, unregulated use and occupancy fee as determined by Sponsor in its sole discretion. Sponsor and its agents shall not discriminate against any person on the basis of race, creed, color, national origin, sex, age, disability, marital status, or any other grounds prohibited by law.
3. Lease Form. The Interim Lease shall be prepared substantially in accordance with the form set forth as Document No. 8 in Part II of the Plan, which is applicable to Units not under any rental protection laws. The term of such Interim Lease shall be subject to negotiation. In the event of any inconsistencies between the Interim Lease and the Plan, the Plan shall govern. If Sponsor elects to lease a Unit pursuant to this section, the Interim Lease will be for such rent and other terms as may be mutually agreed upon. Any dispute under the lease shall seek to be settled by arbitration in accordance with article 10 of the Bylaws.
4. Rent Security Deposit. Interim Lessee's unapplied rent security deposit, if any, will be refunded to Interim Lessee, together with any interest earned thereon, within thirty (30) days following the Closing, provided Interim Lessee is not in default under lease or tenancy obligations. Sponsor will have the right to deduct from any Interim Lessee's security deposit the amount of any rent arrearage owing to Sponsor and to bring an action against the Interim Lessee to the extent such rent security is insufficient.
5. Cross-Default Provisions. Such Interim Lease will provide that an uncured default by the Interim Lessee under his Purchase Agreement will automatically constitute a default under the Interim Lease and Interim Lessee shall have only the grace period stated under the Purchase Agreement to cure the default under both instruments. Sponsor must make a written demand to cure after default at least 30 days before forfeiture of the Down Payment may be declared. If the default under the Purchase Agreement is not timely remedied and the Purchase Agreement is cancelled, the Interim Lease shall simultaneously be cancelled.

The Purchase Agreement contains a similar cross-default provision entitling the Sponsor to cancel the Purchase Agreement in the event the Purchaser fails to cure a default under his Interim Lease

within the applicable grace period (if any). Before Sponsor may utilize the default under the Interim Lease to declare a default under the Purchase Agreement, Sponsor must either obtain an order of eviction or other judgment or order from a court or agency of competent jurisdiction against the Interim Lessee unless the Interim Lessee has vacated the Unit. Effective on the date such order of eviction is issued or the Unit is vacated (as applicable), the Purchase Agreement will be cancelled and Sponsor shall be entitled to receive and retain Purchaser's Down Payment and any earned interest thereon (if any) without giving the Interim Lessee/Purchaser any further grace period to cure the default under the Purchase Agreement.

6. 30 Days to Vacate. If the Purchase Agreement is cancelled based on an uncured default of Interim Lessee; Sponsor's election to abandon the Plan; or the exercise of a right of rescission under the Purchase Agreement, the Plan, or an amendment, the Interim Lessee will have thirty (30) days to vacate and surrender vacant possession of the Unit, free of all occupants, furniture, furnishings, household items and personal belongings, broom clean and in the same condition as existed at the start of the Interim Lease (reasonable wear and tear expected). Said 30-day period shall begin to run on the date of the cancellation or rescission of the Purchase Agreement. Time is of the Essence to surrender vacant possession of the Unit within the 30-day period. Failure to surrender vacant possession by the deadline shall result in Interim Lessee's liability for all costs and expenses incurred by Sponsor for the delay and to recover vacant possession including, but not limited to, reasonable legal fees (if Sponsor is the prevailing party) and disbursements; court costs and litigation expenses; carrying costs of the Unit; per diem interest on the Unit's purchase price at the rate of 10% per annum. The amount of interest charged will not exceed NYS usury or other applicable laws. Sponsor reserves the right to retain said fees, if applicable, from the Down Payment.

7. Risk of Loss. Sponsor assumes the risk of loss from fire or other casualty until the Purchaser assumes such risk by taking possession of the Unit. If the Purchaser becomes the tenant or actually occupies the unit before the closing of title thereto, he cannot insure the Unit since there is no ownership interest. ACCORDINGLY, IF THE PURCHASER BECOMES THE TENANT OR ACTUALLY OCCUPIES THE UNIT BEFORE THE CLOSING OF TITLE THERETO AND, BEFORE SUCH CLOSING, THE UNIT IS DAMAGED BY CASUALTY OR OTHERWISE, SUCH PURCHASER SHALL ASSUME THE RISK OF LOSS AND THE OBLIGATION TO REPAIR THE DAMAGE IN EXCESS OF INSURANCE PROCEEDS AVAILABLE TO THE SPONSOR PRIOR TO THE FIRST CLOSING, AND TO THE BOARD THEREAFTER, UNLESS THE CAUSE THEREOF ORIGINATED OUTSIDE OF THE UNIT AND DID NOT RESULT FROM THE ACTS OF SUCH PURCHASER OR OTHER OCCUPANTS OF THE UNIT OR SUCH PURCHASER'S GUESTS, INVITEES, OR WORKMEN. Interim Lessee should consult with an insurance adviser regarding insurance for the Unit.

In addition, Interim Lessee shall be solely responsible for any damage to, or loss or other condition in the Unit not covered by insurance resulting from Interim Lessee's use or occupancy,

and Sponsor shall not be obligated to make any repairs to the Unit or its installations. However, until closing, Sponsor will remain responsible to make those repairs required of it as a landlord.

8. Smoking Policy. Smoking and/or use of electronic cigarettes is prohibited in all locations on the property. This policy is in compliance with the NYC Smoke Free Air Act (“SFAA”) and shall apply to all Unit Owners and tenants and their respective invitees as well as other persons on the Property.

M. PROCEDURE TO PURCHASE

This section describes the procedure to purchase a Unit and the essential terms of the Purchase Agreement, which is reproduced in full as Document Number 2 in Part II of the Plan. The Purchase Agreement contains the terms and conditions upon which the Unit will be sold and should be read carefully by the prospective Purchaser and his or her legal or financial representative before being executed.

1. Procedure to Purchase. Purchasers shall have at least three (3) business days to review the Plan and all duly filed amendments prior to executing a Purchase Agreement.

A. Purchase Documents. A person desiring to purchase a Unit will be required to execute a Purchase Agreement in the form set forth as Document 2 in Part II of the Plan including the riders for a storage room if a license is also being acquired for the exclusive use of such space. All of the above documents must be sent email or via overnight delivery with tracking services to Sponsor's attorney's office. Purchasers should note that the Unit Deed and other closing documents must match exactly the name or names of the purchaser as signed on the purchase agreement. If legal ownership is to be in the name of two (2) individuals (e.g., husband and wife), both must sign the Purchase Agreement.

B. Down Payment. Together with the above documents, Purchasers must pay a sum equal to 10% of the purchase price, subject to negotiation. Said funds should be payable to "Jeffrey Zwick & Associates, P.C. Attorney Trust Account IOLA" and can be sent via overnight delivery with tracking services to Sponsor's attorney's office. The Down Payment can also be wired to the Sponsor's attorney upon request.

C. Countersigned Purchase Agreement. A Purchase Agreement submitted by any prospective Purchaser will not be binding on Sponsor until a fully executed duplicate of such Purchase Agreement is returned to such prospective Purchaser. Within five (5) business days after Purchaser delivers an executed Purchase Agreement together with the required Down Payment, Sponsor will either accept the Purchase Agreement and return a fully executed counterpart to the Purchaser, or if not returned within such time, the Purchase Agreement will be deemed rejected and all monies submitted with such Purchase Agreement will be returned to such prospective Purchaser, with interest, if any within ten (10) business days thereafter. Sponsor may reject any Purchase Agreement without cause or explanation so long as such rejection is not based upon race, creed, color, national origin, ancestry, sex, or any other ground prohibited by law.

All representations set forth in the Offering Plan, all obligations pursuant to the GBL, and such additional obligations under the Offering Plan which are to be performed subsequent to the Closing date shall survive delivery of the deed. However, no provisions of the Purchase Agreement shall survive the delivery of the deed, except those obligations expressly stated therein or to be performed subsequent to the Closing or set forth under all applicable laws.

In the event a Purchase Agreement is cancelled, both Sponsor and Purchaser shall be relieved of all further obligations and liabilities thereunder and under the Plan, and Sponsor shall be free to sell the Unit to another as though such Purchase Agreement had never been made and without accounting to the Purchaser for the proceeds received on such sale. The parties may be required to sign a general release to this effect.

D. Notice of Closing. Each Purchaser will receive written notice of the date of the Closing, containing the time and place (in The City of New York) for the transfer of title to such Unit after the last of the following events to occur: (a) plan is declared effective; (b) Declaration is recorded; (c) temporary or final certificate of occupancy is issued. The Notice of Closing will be served in compliance with the Purchase Agreement no less than thirty (30) days before the date set for the Closing of the Unit. Time is of the Essence to close on said date. Time of the Essence shall mean that Purchaser must close by the date indicated on the Notice of Closing or else forfeit his Down Payment. Purchaser, at his option, may waive the thirty (30) day notice provision as provided in the Purchase Agreement.

E. Title Closing. At Closing, Purchaser shall pay the Balance stated in the Purchase Agreement by official cashier's check drawn on a New York bank, a member of the New York Clearing House Association. Purchaser will also be responsible for payment of other fees and costs described in detail in Section "Unit Closing Costs and Adjustments." A Purchaser seeking financing will be responsible for all fees and costs imposed by the lender, including (but not limited to) appraisal and origination fees (if any). It is possible that a Purchaser's financing commitment may expire prior to the Closing and Purchaser will incur additional fees and costs.

The Financial Crimes Enforcement Network ("FinCEN") has issued a Geographic Targeting Order ("GTO") most recently updated in October 2025, which requires US title insurance companies to report the personal identity of purchasers in certain residential real estate transactions in all NYC boroughs which meet the following criteria: (a) purchaser is a legal entity as defined in the GTO; (b) total purchase price is in excess of \$300,000.00; (c) purchase is made without a bank loan or other similar form of external financing; and (d) the purchase is made, at least in part, using currency or a cashier's check, a certified check, a traveler's check, a personal check, a business check, a money order in any form, virtual currency or a funds transfer. As long as the GTO remains in effect, its reporting requirements apply to all residential real property closings meeting the above criteria.

In addition, at Closing, Purchaser shall execute a Unit Owner's Power of Attorney. This document allows the Board to acquire a Unit from an individual Unit Owner if such Unit Owner sells the Unit to the Board, or in a foreclosure sale, and enables the Board to sign documents and act on the Unit Owners' behalf in connection with the maintenance and operation of the Condominium and Common Elements, including the filing of amendments to the Condominium Documents. Every Purchaser is required to sign a Power of Attorney to the Board of Managers at the Closing. Failure to sign a Unit Owner's Power of Attorney at Closing will result in immediate

cancellation of the Purchase Agreement and forfeiture of the Purchaser's Down Payment. Purchaser will obtain title via a bargain and sale deed with covenants against grantors act. See Document 5 in Part II of this Offering Plan for the form deed to be issued. If Purchaser is also obtaining a storage room, a License must also be executed to evidence the transfer of the space. The form License is included in Part II of the Plan as Document 5A.

F. Estimate of Commencement. Sponsor anticipates the First Closing to occur by approximately October 1, 2026. Purchasers will be offered a right of rescission if: (i) the actual date of the First Closing; or (ii) the projected date of the First Closing occurs later September 30, 2027, which is twelve months after the currently projected date for the First Closing. If the Plan is amended to provide for a later projected date for the First Closing, Purchasers will be entitled to an offer of rescission if the First Closing occurs more than 12 months beyond that amended, later date.

However, Purchasers should note that even if the First Closing occurs on or before October 1, 2026, (or such other date projected as the date of commencement of the operation at the time the Purchase Agreement was entered into) or within the twelve-month period thereafter, Sponsor may schedule the Closings of Title to other Units significantly later than such date. Unless your Purchase Agreement contains an outside Closing date, the Sponsor is not obligated to schedule your Closing within any specified time frame or to ensure that Closing of Title to your Unit will occur by any date certain. PROSPECTIVE PURCHASERS SHOULD THEREFORE CAREFULLY CONSIDER THE POSSIBILITY OF SUCH DELAYS IN THEIR DETERMINATION AS TO WHETHER TO PURCHASE A UNIT.

If the First Closing actually occurs or is revised by amendment to the Plan to be projected to occur six (6) months or more from the stated anticipated date of the First Closing, Sponsor will amend the Plan to include a revised budget disclosing current projections. If such amended projections exceed the previously disclosed projections by 25% or more, Sponsor will offer all Purchasers the right to rescind their offer to purchase and to have their Down Payments refunded. If such right to rescind is exercised within fifteen (15) days after presentation of the amendment, the Down Payment and unexpended sums for special work ordered will be refunded within ten (10) days of Sponsor's receipt of the notice of rescission. Sponsor may not declare the Plan effective where there are material changes to the budget which have not been disclosed by a duly filed amendment to the Offering Plan.

Purchasers are advised that the force majeure provision included in the Purchase Agreement may impact the Purchaser's ability to close on her/his unit in the time frame originally contemplated in the Purchase Agreement and may limit the Purchaser's remedies for any such delay in the Closing date. Purchasers are advised to consult with their attorneys regarding any risks associated with executing a Purchase Agreement containing such provision prior to executing the Purchase Agreement.

2. Terms of Purchase Agreement. The following is a summary of certain material provisions of the Purchase Agreement but is not intended as a complete statement of these or other important provisions of the same. Reference should be made to the form of Purchase Agreement set forth as Document No. 2 of the Plan for the complete terms of these and other material provisions.

All representations set forth in the Offering Plan, all obligations pursuant to the GBL, and such additional obligations under the Offering Plan which are to be performed subsequent to the Closing Date shall survive delivery of the deed. However, no provisions of the Purchase Agreement shall survive the delivery of the deed, except those obligations expressly stated therein or to be performed subsequent to the Closing.

In the event a Purchase Agreement is cancelled, both Sponsor and Purchaser shall be relieved of all further obligations and liabilities thereunder and under the Plan, and Sponsor shall be free to sell the Unit to another as though such Purchase Agreement had never been made and without accounting to the Purchaser for the proceeds received on such sale. The parties may be required to sign a general release to this effect.

A. Incorporation of the Plan. The Plan (including without limitation the Condominium Documents contained in Part II of the Plan) and any amendments thereto duly filed by Sponsor are incorporated into each Purchase Agreement by reference. The execution and submission of a Purchase Agreement constitutes Purchaser's acceptance of the Plan (Parts I and II) and his agreement to abide and be bound by the terms of same, as well as all amendments to the Plan duly filed by Sponsor. No such duly filed amendment will excuse a Purchaser from performing his obligations under a Purchase Agreement or entitle such Purchaser to any credit or offset against the purchase price set forth therein.

However, if an amendment is submitted after a Purchase Agreement has been executed, Purchaser may be entitled to consent rights for material changes contained therein. In addition, if the amendment materially adversely affects the rights or status of then-existing Purchasers, Purchasers will be given the right to rescind their Purchase Agreements by notifying Sponsor within not less than fifteen (15) days of the presentation of such amendment and will receive a refund of their Down Payment and unexpended sums for special work ordered, with interest, if any, within ten (10) business days after Sponsor's receipt of Purchaser's election to rescind. Upon cancellation of this Agreement and making such refund to Purchaser (if any), Purchaser, Sponsor and Selling Agent will be released and discharged of all further liability and obligations hereunder and under the Plan. The parties may be required to sign a general release to that effect. Notwithstanding the foregoing, Sponsor may not declare the plan effective where there are material changes to the budget which have not been disclosed in a duly filed amendment to the Offering Plan.

B. Funds. All funds received from prospective Purchasers by Sponsor will be handled in accordance with the provisions of Sections 352-h and 352-e(2)(b) of the GBL and Section 71-

a(3)(a) of the Lien Law and shall be used by Sponsor only in connection with the consummation of the Plan. Section 71-a(3) of the Lien Law requires, at Purchaser's option, that the Down Payment be placed in an escrow account in a bank trust company, savings bank, or state or federal savings and loan association located in New York State. Said monies must be deposited by Escrow Agent within five (5) business days of receipt. Escrow Agent must advise Purchaser in writing within ten (10) business days after the deposit has been made of the name of the depository where the funds have been placed. Funds may be released (a) pursuant to the terms and conditions set forth in the Purchase Agreement upon Closing of Title to the Unit; or (b) in a subsequent writing signed by both Sponsor and Purchaser; or (c) by a final, non-appealable order or judgment of a court. Sponsor must make a written demand for payment after default under the Purchase Agreement at least 30 days before forfeiture of the deposit may be declared.

All funds received by Sponsor for upgrades or extras must initially be placed in the Escrow Account. However, Purchasers should note that such funds may be released from the Escrow Account by the Escrow Agent as long as Sponsor uses the funds for such upgrades or extras. As a result, in the event a Purchaser is entitled to rescission, the Purchaser will not receive a refund of any funds used for upgrades or extras unless Sponsor abandons the Plan, in which case Purchaser will receive a refund of the entire Down Payment.

If the First Closing takes place prior to the issuance of a FCO for the Building, Sponsor will maintain all deposits in the special escrow account required by GBL Section 352-e(2)(b) unless Sponsor's engineer, architect or other expert certifies that a lesser amount will be reasonably necessary to complete the work needed to obtain a FCO, in which case the sum exceeding the amount so certified may be released from the special escrow account. Alternatively, the Sponsor must deposit with an Escrow Agent an unconditional, irrevocable letter of credit or post a surety bond in the amount so certified after application to the DOL to obtain permission to use alternate forms of security in lieu of escrowed funds.

C The obligations of a Purchaser under a Purchase Agreement are not conditioned on obtaining financing. Any Purchaser who executes a Purchase Agreement and does not obtain financing may lose his entire Down Payment if unable to otherwise raise the funds for the Balance. Sponsor makes no representation as to the availability or cost of such financing. Prospective purchasers who will need financing to purchase are advised to consult with a lending institution before execution of a Purchase Agreement to ascertain the likelihood of obtaining financing.

However, Purchaser may request a mortgage contingency from Sponsor prior to signing the Purchase Agreement if Purchaser produces a pre-qualification letter from any Institutional Lender and Sponsor may, in its sole discretion, consent to permit a mortgage contingency by executing the Exhibit B to the Purchase Agreement. If Sponsor consents to permit a mortgage contingency, Purchaser shall make an application to any Institutional Lender for a mortgage within two (2) weeks of receipt of the fully executed Purchase Agreement for a loan in an amount not more than 80% of the purchase price for the residential Unit or such other amount as to which the

parties may agree, following which Purchaser must perform all requirements set forth in Section “Procedure to Purchase”, subsection “Secured Loan Condition Rider”. Upon Purchaser’s request, Sponsor may, in its sole discretion, extend the Mortgage Contingency Expiration Date. Pursuant to said section, in the event the commitment is not issued within the prescribed time frame, Purchaser must provide notice of termination not later than five (5) business days after the expiration of the aforementioned period. In such event, if Seller has reasonably determined there is a high probability that Purchaser will be approved for a mortgage commitment with terms of equal or better quality than those applied for under the original commitment, the Seller may, at its option within fifteen (15) days after receipt of the notice of rejection or expiration of the contingency period, whichever the case may be, cause Purchaser to submit an application together with the required fees to another Institutional Lender of Sponsor’s choice and Purchaser shall be required to accept the commitment under the same terms and conditions as stated above. The terms of such commitment will be equal to or better than the terms originally sought by the Purchaser.

(i) Contingency Period and Terms of Loan. The obligations of Purchaser hereunder are conditioned upon issuance on a date which is on or before forty-five (45) days from date the Purchaser receives an executed Purchase Agreement (“Mortgage Contingency Expiration Date”), of a written commitment from any Institutional Lender (which shall include a mortgage banker and broker) pursuant to which such Institutional Lender agrees to make a first mortgage loan to Purchaser, at Purchaser’s sole cost and expense, of an amount equal to 80% of the Residential Unit purchase price or such lesser sum as Purchaser shall be willing to accept, or such other sum as to which the parties may agree, at prevailing interest rates for a term of at least thirty (30) years and on other customary commitment terms, whether or not conditional upon any factors.

(ii) Application Procedure. Within two (2) weeks of receipt of the fully executed Purchase Agreement, Purchaser must make a mortgage application. Within seven (7) business days thereafter, Purchaser must provide Seller and/or Seller’s attorney with the name and address of the bank or mortgage broker to which application has been made. Purchaser shall authorize the mortgage broker or lending institution to talk directly to Seller’s attorney regarding the status of the mortgage application. Failure to send such notice, after receiving written notice from the Seller, will be considered to be a waiver of the mortgage contingency.

(iii) Purchaser’s Responsibilities. Upon making an application pursuant to this section, Purchaser shall: (1) furnish accurate and complete information regarding Purchaser and Purchaser’s Family Members, as required, (2) pay all fees, points and charges required in connection with such application and loan, which may include the appraisal, credit checks, and origination fees, (3) pursue such application with diligence, and (4) cooperate in good faith with such Institutional Lender to obtain such commitment. Purchaser shall comply with all requirements of such commitment (or of any other commitment accepted by Purchaser) and shall furnish Seller with a copy thereof promptly after receipt.

(iv) Failure to Obtain Commitment. The Purchaser will have the right to terminate the Purchase Agreement and be refunded all monies deposited thereunder, without interest, and unexpended sums for special work ordered in the event:

(a) an institutional lender fails, through no fault of the purchaser, to issue its commitment on the terms described above by the Mortgage Contingency Expiration Date, provided the purchaser gives notice of termination not later than five (5) business days after the expiration of the aforementioned period. In such event, if Seller has reasonably determined there is a high probability that Purchaser will be approved for a mortgage commitment with equal or better terms than those applied for under the original commitment, the Seller may, at its option within fifteen (15) days after receipt of the notice of rejection or expiration of the contingency period, whichever the case may be, cause Purchaser to submit an application together with the required fees to another Institutional Lender chosen by Sponsor and Purchaser shall be required to accept the commitment under the same terms and conditions as stated above. The terms of such commitment will be Equal to or Better than the terms originally sought by the Purchaser. If Seller elects to return the Down Payment, it will be returned within ten (10) days of Purchaser's notice; or

(b) the commitment issued by the lender is not funded by the Closing through no fault of the Purchaser, provided the Purchaser acts in good faith and gives notice of termination no later than ten (10) days before the scheduled Closing unless Purchaser did not receive sufficient notice and is therefore unable to give notice to Sponsor within ten days of Closing. This is because under New York law, when a mortgage commitment is not fulfilled through no fault of a Purchaser, performance is excused. Therefore, if the Purchaser acts in good faith and the lender revokes the loan commitment after the contingency period expires, performance is excused and the Sponsor must grant to such Purchaser a right of rescission and a reasonable period of time to exercise such right.

(v) Failure to Notify. If Purchaser fails to give timely notice of cancellation in accordance with paragraph (iv), then Purchaser shall be deemed to have waived the right to cancel the Purchase Agreement and to receive a refund of the Down Payment and unexpended sums for special work ordered by reason of the contingency. The Purchase Agreement will remain in full force and effect and the mortgage contingency will no longer apply. In addition, Sponsor may, at its option, cancel the Purchase Agreement and thereafter neither party shall have any further rights against or obligations or liabilities to, the other by reason of this Purchase Agreement, and upon cancellation the Down Payment and unexpended sums for special work ordered shall be promptly refunded to Purchaser.

D. Escrow and Trust Fund Requirements. This Plan shall be in compliance with the provisions of the Attorney General's regulations and GBL §§ 352-e(2-b) and 352-h concerning escrow trust funds. All Down Payments shall be held in compliance with the foregoing regulations. Details regarding the escrow requirements are as follows:

(i) The Escrow Agent: The law firm of Jeffrey Zwick & Associates, P.C., 2329 Nostrand Avenue, Suite 400, Brooklyn, New York 11210, telephone number 718-513-2050, shall serve as escrow agent ("Escrow Agent") for Sponsor and Purchaser. Escrow Agent has designated Jeffrey Zwick and Daniel Cohen to serve as signatories. All designated signatories are admitted to practice law in the State of New York. Neither Escrow Agent nor any authorized signatories on the account are Sponsor, Selling Agent, Managing Agent, or any principal thereof, or have any beneficial interest in any of the foregoing.

(ii) The Escrow Account: Escrow Agent has established an escrow account at Dime Community Bank at its branch located at 898 Veterans Memorial Highway, Hauppauge, NY 11788 ("Bank") which is authorized to do business in the State of New York. The escrow account is entitled "Jeffrey Zwick & Associates, P.C. Attorney Trust Account IOLA" ("Escrow Account"). The Escrow Account is federally insured by the FDIC at the maximum amount of \$250,000 per deposit. Any deposit in excess of \$250,000 will not be insured. If Purchaser has other accounts at the bank or branches, the assets in all of Purchaser's accounts will be aggregated together with the escrow deposit accounts for the purpose of determining whether the maximum FDIC insured amount is achieved.

All Down Payments shall be in the form of checks or wire transfers and shall be made payable to or endorsed by the Purchaser to the order of "Jeffrey Zwick & Associates, P.C. Attorney Trust Account IOLA" as Escrow Agent. Any deposits made for upgrades, extras, or custom work shall be initially deposited into the Escrow Account and released in accordance to the terms of the Purchase Agreement.

The account is a duly filed Interest on Lawyer Account "IOLA" which is an unsegregated interest bearing account for funds that are determined to be too small in amount or held for too short a time to generate net interest. Any interest earned on funds held in the IOLA account will benefit the IOLA Fund. Purchasers will therefore not receive any interest on their deposits. No fees of any kind may be deducted from the Escrow Account, and the Sponsor shall bear all costs associated with the maintenance of the Escrow Account.

(iii) The Purchase Agreement: The Purchase Agreement is attached hereto as Document Number 2 in Part II of the Plan. The relevant escrow trust fund provisions are included in Paragraph 5 of the Purchase Agreement, which must be executed by Escrow Agent.

(iv) Notification to Purchaser: Within five (5) business days after the fully executed Purchase Agreement has been tendered to Sponsor along with the Down Payment, Sponsor shall either sign the Purchase Agreement and place the Down Payment into the Escrow Account or return any Down Payment tendered by Purchaser. Within ten (10) business

days of the fully executed Purchase Agreement, Escrow Agent shall provide written notice to Sponsor and Purchaser confirming the deposit. The notice shall provide the account name and account number. Any deposits made for upgrades, extras, or custom work shall be initially deposited into the Escrow Account and released in accordance with the terms of the Purchase Agreement.

Escrow Agent is obligated to send notice to Purchaser once the Down Payment is placed in the Escrow Account. If the Purchaser does not receive notice of such deposit within fifteen (15) business days after tender of the Down Payment, he or she may cancel the Purchase Agreement within ninety (90) days after tender of the Purchase Agreement and Down Payment to Sponsor or Escrow Agent. Complaints concerning the failure to honor such cancellation requests may be referred to the New York State Department of Law, Real Estate Finance Bureau, 28 Liberty Street, 21st Floor, New York, New York 10005. Rescission shall not be afforded where proof satisfactory to the Attorney General is submitted establishing that the Down Payment was timely placed in the Escrow Account in accordance with the New York State Department of Law's regulations concerning Down Payments and requisite notice was timely mailed to Purchaser.

(v) Escrow revisions. Before funds are transferred to any new Escrow Account, or if the Escrow Agent is replaced, the Plan must be amended to provide the same full disclosure with respect to the any new account, the Escrow Agent and the escrow agreement as was originally provided. A bond, letter of credit or other security may be substituted for the Escrow Account only after the Department of Law approves in writing the use of such alternate form of security, pursuant to the provisions of paragraph (iv) of this subdivision.

(vi) Release of Funds: All deposits, except for advances made for upgrades, extras, or custom work received in connection with the Purchase Agreement, are and shall continue to be the Purchaser's money, and may not be comingled with any other money or pledged or hypothecated by Sponsor, as per GBL § 352-h.

Under no circumstances shall Sponsor seek or accept release of the Down Payment of a defaulting Purchaser until after consummation of the Plan, as evidenced by the acceptance of a post-closing amendment by the New York State Department of Law. Consummation of the Plan does not relieve the Sponsor of its obligations pursuant to GBL §§ 352-e(2-b) and 352-h. The Escrow Agent shall release the Down Payment if so directed:

- (a) pursuant to the terms and conditions set forth in the Purchase Agreement upon closing of title to the Unit; or
- (b) in a subsequent writing signed by both Sponsor and Purchaser; or
- (c) by a final, non-appealable order or judgment of a court.

If Escrow Agent is not directed to release the Down Payment pursuant to paragraphs (a) through (c) above, and Escrow Agent receives a request by either party to release the Down Payment, then Escrow Agent must give both Purchaser and Sponsor prior written notice of not fewer than thirty (30) days before releasing the Down Payment. If Escrow Agent has not received notice of objection to the release of the Down Payment prior to the expiration of the thirty (30) day period, the Down Payment shall be released and Escrow Agent shall provide further written notice to both parties informing them of said release. If Escrow Agent receives a written notice from either party objecting to the release of the Down Payment within said thirty (30) day period, Escrow Agent shall continue to hold the Down Payment until otherwise directed pursuant to paragraphs (a) through (c) above. Notwithstanding the foregoing, Escrow Agent shall have the right at any time to deposit the Down Payment contained in the Escrow Account with the clerk of the county where the unit is located and shall give written notice to both parties of such deposit.

Sponsor shall not object to the release of the Down Payment to:

- (a) a Purchaser who timely rescinds in accordance with an offer of rescission contained in the Plan or an Amendment to the Plan; or
- (b) all Purchasers after an Amendment abandoning the Plan is accepted for filing by the Department of Law.

The Department of Law may perform random reviews and audits of any records involving the Escrow Account to determine compliance with all applicable statutes and regulations.

(vii) **Waiver Void:** Any provision of any Purchase Agreement or separate agreement, whether oral or in writing, by which a Purchaser purports to waive or indemnify any obligation of the Escrow Agent holding any Down Payment in trust is absolutely void. The provisions of the Attorney General's regulations and GBL §§ 352-e(2-b) and 352-h concerning escrow trust funds shall prevail over any conflicting or inconsistent provisions in the Purchase Agreement, Plan, or any amendment thereto.

(viii) Sponsor agrees to defend, indemnify and hold Escrow Agent harmless from and against all costs, claims, expenses and damages incurred in connection with or arising out of Escrow Agent's responsibilities arising in connection with this Purchase Agreement or the performance or non-performance of Escrow Agent's duties under this Purchase Agreement, except with respect to actions or omissions taken or suffered by Escrow Agent in bad faith or in willful disregard of the obligations set forth in this Purchase Agreement or involving gross negligence of Escrow Agent. This indemnity includes, without limitation, disbursements and attorneys' fees either paid to retain attorneys or representing the hourly billing rates with respect to legal services rendered by Escrow Agent to itself.

(ix) Records on file. The Escrow Agent shall maintain all records concerning the Escrow Account for seven years after release of the funds. Upon the dissolution of any law firm which was the Escrow Agent, the former partners or members of the firm shall make appropriate arrangements for the maintenance of these records by one of them or by the successor firm and shall notify the Department of Law of such transfer

(x) Trust obligation of Sponsor. Nothing contained herein shall diminish or impair the Sponsor's statutory obligation to each Purchaser pursuant to GBL section 352-h to hold in trust all Down Payments, advances or payments made in connection with the offer until consummation of the transaction with such Purchaser. Consummation of the Plan does not relieve Sponsor of its obligations pursuant to GBL section 352-h. Funds from the Escrow Account remain the property of the Purchaser until employed in connection with the consummation of the transaction. Such funds shall not be a part of the estate of the Sponsor or the Escrow Agent upon any bankruptcy, incapacity or death.

E. Events of Default. Time is of the Essence to cure defaults. If Purchaser (i) defaults in paying the Balance on the date scheduled by Sponsor for Closing; or (ii) defaults in performing some other obligation under the Purchase Agreement and fails to cure such default within thirty (30) days after Sponsor sends written notice to Purchaser specifying the nature of the default, Sponsor's sole remedy is to cancel the Purchase Agreement by sending thirty (30) days' written notice to such Purchaser and, if Purchaser fails to cure such default within said period, to retain, as and for liquidated damages the amount of the Down Payment except that the actual cost incurred by Sponsor for any special work ordered by Purchaser may also be retained as liquidated damages. Any payments received by Sponsor in excess of the Down Payment plus actual cost incurred by Sponsor for any special work ordered by Purchaser, together with any interest earned on such excess payments, if any, shall be refunded to Purchaser with reasonable promptness. Sponsor may not seek specific performance of the Purchase Agreement.

F. Interim Lease. If a Purchaser is or becomes a tenant or occupant of the Building pursuant to an Interim Lease and fails to pay rent or otherwise to comply with his lease obligations, or vacates or abandons the Unit, then Sponsor may cancel his Purchase Agreement as set forth above whether or not Purchaser is evicted by reason thereof. However, before the Sponsor may utilize the default under the Interim Lease to declare a default under the Purchase Agreement, Sponsor must either obtain an order of eviction or other judgment or order from a court or agency of competent jurisdiction against the Interim Lessee unless the Interim Lessee has vacated the Unit. The Interim Lessee will have thirty (30) days to vacate the Unit after a default under the Purchase Agreement or in the event the Interim Lessee defaults on the Purchase Agreement. However, if such Purchaser is not evicted from the Building by reason of such default, by vacating or abandonment, Sponsor shall return to such Purchaser all monies deposited under the Purchase Agreement, together with the interest earned thereon, if any.

The Purchaser may not occupy the Unit or perform any work in the Unit prior to Closing without the prior written consent of Sponsor. If Purchaser occupies the Unit or performs any work in the Unit prior to Closing without the prior written consent of Sponsor, such event shall constitute a default under the Purchase Agreement.

G. Fixtures and Appliances. Sponsor is providing as part of the purchase price in each Unit a refrigerator, range and hookups for 27" washer and vented gas dryer which can be side by side in Unit 1 and stacked in Units 3C, 4A, 4C, 5A, 5C, 6C and 6A. There are no laundry hookups provided by Sponsor for B and D line Units on floors 3-6 or any 7th floor Units. Purchasers may apply to install same in accordance with the procedures laid out in the Bylaws Article 5 which includes presenting the approved plans to the Board for approval, installing same by a licensed professional with insurance; and indemnifying the Board and other Unit Owners for the work. Sponsor is not providing blinds or shades to the Units. It will be the responsibility of the Unit Owners to provide them at his or her own cost. Furniture, wall coverings, furnishings, decorations and the like in or about any model are not included in the sale. There will be no modifications or extras unless agreed to in writing by the parties.

H. Fee to Sponsor's Counsel. Purchaser shall pay a fee of \$3,500.00 to Jeffrey Zwick and Associates, P.C., 2329 Nostrand Avenue, Suite 400, Brooklyn, New York 11210 for services rendered in connection with preparing documents. Should Sponsor's counsel be required to attend a Closing outside their office at the request of Purchaser or its representatives, Purchaser will be responsible for paying an attendance fee of \$500.00. In addition, there shall be a fee of \$200.00 per hour if the duration of the in person closing exceeds two (2) hours due to the fault of Purchaser or its representatives; \$450.00 if Purchaser applies for a mortgage and a fee of \$300.00 if Purchaser requests a remote closing.

I. Closing of Title. The Closing of title to each Unit will be held at Sponsor's attorney's office on such date and at such hour as Sponsor shall designate to Purchaser on not less than thirty (30) days' prior written notice. Purchaser may waive this notice provision. Sponsor has the right to postpone the Closing Date and to fix a new Closing Date within a reasonable time period. In such event, Sponsor shall give Purchaser not less than ten (10) days' notice of the new date and time of Closing. In the event Purchaser does not close on the date set forth in the Notice of Closing and Sponsor elects not to cancel the Purchase Agreement, or if Sponsor approves Purchaser's request to adjourn the Closing of his Unit, interest shall accrue on the unpaid amount of the purchase price from the Closing date or adjourned Closing date until such amount is paid. The interest rate shall be 10% per annum, in effect for as long as there are any unpaid amounts owing towards the full purchase price. In the event 10% per annum exceeds NYS usury or other applicable laws, the amount of interest charged will be the maximum amount allowable under law.

The First Closing shall take place only after or concurrently with the following events: (a) Plan is declared effective; (b) Declaration is recorded (c) temporary or final certificate of occupancy is issued. Purchasers desiring to arrange for the Closing to take place at another location in New

York City should promptly notify Sponsor's attorney of that address and, in addition, will be responsible for the payment of an attendance fee.

The foregoing shall not affect Sponsor's right to abandon the Plan as set forth in section "Effectiveness". In the event the Plan is abandoned, the Purchase Agreement will be deemed cancelled and the Down Payment paid by Purchaser thereunder, together with interest earned, if any, and all funds received for upgrades or extras shall be disbursed as discussed in the subsection entitled "Funds" of the Purchase Agreement and Plan. After the funds are so disbursed, neither Purchaser nor Sponsor shall have any claims against each other or against the Selling Agent in connection with the Purchase Agreement or the Plan, and all of the same shall be released and discharged from all liabilities under the Purchase Agreement and the Plan. The parties may be required to sign a general release to this effect.

J. Broker. Purchaser will disclose all relationships with brokers in connection with the acquisition of his or her Unit and will indemnify Sponsor against the claims of any other broker in connection with its scope of work in its representation of Purchaser, if such broker is not disclosed to Sponsor at the time of the Purchase Agreement.

K. No Lien. Neither the Purchase Agreement nor any monies deposited thereunder shall constitute a lien against the Property, including the Unit.

M. Damage to Units. The risk of loss from fire and other casualty remains with the Sponsor until the Purchaser closes title or takes possession of the unit. However, a non-owner occupant cannot insure the Unit since there is no ownership interest and the Unit cannot be doubly insured. Thus, If the Purchaser becomes the tenant of the Unit pursuant to an Interim Lease and, before the Closing, the Unit is damaged by casualty or otherwise, such Purchaser shall assume the risk of loss and the obligation to repair the damage in excess of insurance proceeds available to the Sponsor prior to the First Closing, and to the Board thereafter, unless the cause thereof originated outside of the Unit and did not result from the acts of the Purchaser or other occupants of the Unit, or such Purchaser's guests, invitees, or workmen. No Purchaser shall have the right to occupy a Unit purchased by him prior to Closing unless Sponsor agrees to permit such occupancy under an Interim Lease. See "Interim Leases" for further discussion.

Except as set forth above, all other risk of loss or damage in excess of insurance proceeds prior to Closing is assumed by Sponsor, but Sponsor shall not be obligated or liable to repair the damage. Sponsor shall be notified by the Board of damages within fifteen (15) days of the occurrence of the damage and will make a determination whether or not to repair the damage within fifteen (15) days of receipt of said notice at which time it will notify Purchaser of its decision. If Sponsor or (in the event the Declaration is filed) the Unit Owners do not elect to repair the damage, the Purchase Agreement will be cancelled and be of no further force or effect. Within ten (10) days thereafter, the Purchaser will be refunded all purchase monies paid to Sponsor with interest earned thereon, if any.

If Sponsor elects to repair or replace the loss or damage, the Purchase Agreement shall continue in full force and effect; Purchaser shall not have the right to reject title to the Unit or to receive a credit against, or abatement in, the purchase price; Sponsor shall be entitled to a reasonable period of time to complete such repairs or replacement; and purchaser shall not be required to pay the Balance unless and until (i) the Unit has been repaired in compliance with the Offering Plan and the repairs result in a condition that is Equal or Better Quality than immediately prior to the casualty, (ii) essential services (such as gas, electricity, and heat) and a reasonable means of ingress and egress to the street have been restored and (iii) any condition in the Unit for which a violation (if any) is noted or issued has been corrected, other than those that are the obligations of the tenant to cure or that are caused by the act or omission of the tenant. Sponsor will remove subsequent to Closing all violations of record which it is obligated to correct within ninety (90) days of the violation posting. Additionally, if Sponsor elects to repair or replace the loss or damage and the Purchase Agreement is contingent on the purchaser obtaining financing, if, after making a good faith effort to extend the term of the commitment to enable Sponsor to repair the damage, an extension is not obtained, the Purchaser will be afforded a right of rescission.

N. Purchaser's Remedy. Sponsor may abandon the Offering Plan any time before it is declared effective. After the Plan is declared effective, if Sponsor shall be unable to convey and deliver the Units in accordance with the terms of the Purchase Agreement, (except for any failure to perform any obligation imposed by applicable statute or regulation, or a failure to perform his obligations under the Offering Plan) and Sponsor is unable to cure the defects because of : (a) a defect in title which cannot be cured without litigation or cannot be cured for less than one-half of one percent of the total offering, or (b) substantial damage or destruction of the Building by fire or other casualty which cannot be cured for less than one-half of one percent of the total offering, or (c) the taking of any material portion of the Property in condemnation proceedings or by eminent domain, Sponsor may abandon the Plan and the sole remedy of Purchaser shall be to rescind the Purchase Agreement and be refunded the entire Down Payment with interest, if any, plus all sums provided for special work ordered. These are the only three reasons Sponsor may abandon the Plan after it is declared effective. In the event Sponsor shall be unable to convey and deliver the Units in accordance with the terms of the Purchase Agreement, for any reason other than the three bases referenced herein above, Sponsor must cure such defects within a reasonable time. See Section "Effectiveness" for further details.

O. Conflict Between Governing Documents. To the extent there are any inconsistencies between the terms of the Purchase Agreement and the Plan, the terms of the Plan shall govern. If there is any conflict between the Plan and the Purchase Agreement, it will be resolved in favor of the Plan (except for negotiable terms). The Purchase Agreement does not contain nor will it be modified to contain a provision waiving a Purchaser's right or abrogating Sponsor's obligations under the Offering Plan or under Article 23-A of the General Business Law.

P. Arbitration. In order to resolve any dispute, controversy, claim or question arising with respect to the Condominium or the Purchase Agreement including the disposition of Down Payments the dispute or question shall be submitted to arbitration through the American Arbitration Association (“AAA”), which will give any party the rights he is entitled to under New York law. The arbitration proceeding will follow the rules of the AAA. The arbitrator will be neutral and independent of Sponsor and its principal and will be designated by the AAA. The hearing will take place in the county where the building is located.

The parties are giving up the right to bring suit in court, including the right to a trial by jury, concerning disputes over the disposition of escrowed funds, except as provided by the rules of the arbitration forum in which a claim is filed. The decision of the arbitrators so chosen shall be given within thirty (30) days after their selection or appointment and said decision shall be final and binding. A party’s ability to have a court reverse or modify an arbitration award is very limited. The ability of the parties to obtain documents, witness statements and other discovery may be more limited in arbitration than in court proceedings. The arbitrators may not have to explain the reason for their award. Unlike litigation, New York law does not authorize the filing of a notice of pendency based on ongoing arbitration proceedings. There may be time limits within which to bring a claim to arbitration.

The fees, costs and expenses of the arbitrators shall be shared equally by the disputants. Each disputant shall also bear the fees and expenses of his or her own counsel and expert witnesses. The rules and fees of the AAA can be found on their website: <http://www.adr.org>. Nothing contained in this paragraph shall be construed to preclude any purchaser’s rights under Article 23-A of the GBL. The Board shall follow the directions of the Arbitrators. The panel will have the authority to file their decision with the Court under the New York Arbitration Law and Article 75 of the CPLR. Any decision rendered shall be final and conclusive upon the parties and a judgment thereon may be entered in a court of competent jurisdiction. The decision shall be enforceable in a court of competent jurisdiction. If the arbitration proceeding concerns an escrow dispute under the purchase agreement, the Down Payment shall not be released from escrow until at least 90 days has elapsed from the issuance of a final arbitration award. If the purchaser brings a proceeding pursuant to CPLR §7511 to vacate the award, the funds must remain in escrow until that proceeding is finally adjudicated.

N. ASSIGNMENT OF PURCHASE AGREEMENT

The Purchase Agreement is not assignable without the consent of the Sponsor. Any request for assignment shall be submitted to Sponsor's attorney in writing at least fifteen (15) days prior to the scheduled Closing. Sponsor may, in its sole and absolute discretion, permit the Purchase Agreement to be assigned to allow Purchaser to add, delete or substitute the name of a Purchaser's Family Member or to take title in the name of an entity controlled by Purchaser. If Sponsor consents to an assignment, Purchaser must provide an executed assignment and assumption agreement prepared by Sponsor's attorney pursuant to which Purchaser assigns the Purchase Agreement and Down Payment to the new party named as Purchaser, who shall assume all of Purchaser's obligations thereunder at least five (5) days prior to the scheduled Closing. In no event will Purchaser be entitled to delay or postpone the Closing of Title to effectuate such name change or assignment. Sponsor, Managing Agent, Selling Agent or any principal thereof will not discriminate against any person on the basis of race, creed, color, national origin, sex, age, disability, marital status or other grounds prohibited by law. There is no additional fee for an assignment agreed to by Sponsor.

O. EFFECTIVENESS

The offer to sell the Units under this Plan is contingent upon the Plan being declared effective in accordance with the provisions set forth below.

1. Minimum Effectiveness Requirements. The Plan may not be declared effective unless *bona fide* Purchasers, including Purchasers for investment, have signed Purchase Agreements for at least fifteen percent (15%), or four (4) Units, offered under the Plan. Notwithstanding the fact that not all Purchasers used for purposes of declaring the Plan effective may actually close, in the event all of the Purchasers counted toward effectiveness rescind or terminate their Purchase Agreements prior to the First Closing, the Plan will be declared effective again, regardless of whether the Declaration has been recorded.

The Plan will not be declared effective based on Purchase Agreements:

- (a) signed by Purchasers who have been granted a right of rescission that has not yet expired or been waived; or
- (b) where the Purchaser did not have three (3) business days to review the Offering Plan and all duly filed amendments prior to executing a Purchase Agreement; or
- (c) with any Purchaser who is the Sponsor, the Selling Agent, or the Managing Agent, or is a principal of Sponsor, the Selling Agent, or the Managing Agent, or is related to Sponsor, the Selling Agent or the Managing Agent or any principal of Sponsor, the Selling Agent or the Managing Agent by blood, marriage or adoption or as a business associate, an employee, a shareholder or a limited partner; except that such a Purchaser, other than a Sponsor or a principal of Sponsor, may be included in the count if Sponsor has submitted proof satisfactory to the Department of Law establishing that such Purchaser is bona fide.

2. Mandatory Effectiveness. The Plan must be declared effective when Purchase Agreements have been accepted by Sponsor for 80% of the residential Units under the Plan. In this offering, Sponsor must declare effective by accepting Purchase Agreements for twenty one (21) Units, which satisfies the eighty percent threshold.

3. Procedure to Declare Effective. The Plan may be declared effective by (a) an amendment to the Plan or (b) in accordance with section 20.1(d) of this Part, personal service of notice on every Purchaser or by commencement of service by mail, addressed to the offeree at the last known residence of such offeree, stating that the Plan is declared effective and submitting an amendment to the Department of Law within five (5) days confirming that the Plan was declared effective on a

specified date. No Closing shall occur until the Plan is declared effective and the effectiveness amendment is accepted for filing by the Department of Law.

4. Abandonment. Sponsor may, at its option, declare the Plan abandoned for any reason whatsoever before it is declared effective. If Sponsor has accepted any Purchase Agreements at that point, Sponsor shall promptly file an amendment together with a notice of abandonment on form RS-3. All monies paid by Purchasers shall be refunded to them in full, with interest earned, if any, within five (5) days after the amendment abandoning the Plan has been accepted for filing. If there are no outstanding Purchase Agreements, Sponsor shall submit a form RS-3 only.

Sponsor may not abandon the Plan after effectiveness for any reason other than (a) a defect in title which cannot be cured without litigation or cannot be cured for less than one-half of one percent of the total offering, or (b) substantial damage or destruction of the Building by fire or other casualty which cannot be cured for less than one-half of one percent of the total offering, or (c) the taking of any material portion of the Property in condemnation proceedings or by eminent domain. Any amount relied upon as a basis for abandonment after effectiveness excludes attorney fees or any such title defects or determinations of any authority or regulatory association which exist on the date of presentation of the Plan and are either known to Sponsor or are a matter of public record. Sponsor cannot abandon the Plan for any judgments or liens against the property resulting from acts of Sponsor or any of its principals or which are known to Sponsor or any of its principals on the date of the Plan. Subsequent to the First Closing, this Plan may not be abandoned but may be terminated with the vote of at least eighty percent (80%) of the residential Unit Owners.

P. TERMS OF SALE

1. Deed and State of Title. Upon delivery to Sponsor of: (i) the Balance, (ii) a Unit Owner's Power of Attorney in favor of the Board and Sponsor (iii) license, if a licensed space will be acquired, (iv) countersigned license agreement and (v) a transferee affidavit or a transfer tax return in the form required to be filed with The City of New York, each of which must be executed and acknowledged by the Purchaser, Sponsor will execute, acknowledge and deliver to the Purchaser a Bargain and Sale Deed with covenant against grantor's acts substantially in the form set forth as Document Number 5 in Part II of the Plan, conveying title to such Unit to Purchaser subject only to the title exceptions reproduced in this section and in Exhibit A to the Purchase Agreement.

2. Title Exceptions. Title to each Unit and its Appurtenant Interest in the Common Elements will be conveyed at the Closing free and clear of all liens, encumbrances and title exceptions other than permitted encumbrances which are reproduced below and repeated in the Purchase Agreement Exhibit A. Title exceptions include the state of facts shown on a stated survey and any additional state of facts a subsequent survey would show, provided that such additional state of facts does not render title unmarketable. The title company will affirmatively insure that none of the same affect the use of the premises as a Condominium, if so requested by Purchaser in writing to the Title Company and Sponsor's attorney at least ten (10) days prior to the Closing of Title, by the issuance of a title insurance binder insuring fee title to the Unit in the Purchaser, at Purchaser's expense, subject only to the encumbrances set forth in Purchaser's Purchase Agreement (all other liens will be removed or insured against enforcement or collection by Purchaser's title company prior to or at Closing), which binder will also insure that a valid condominium has been created pursuant to the terms of the Condominium Act. (See Section "Unit Closing Costs and Adjustments" for an estimate of the cost to the Purchaser to obtain title insurance). Such permitted encumbrances include:

A. Building restrictions and zoning laws and other regulations, resolutions and ordinances and any amendments thereto now or hereafter adopted by any governmental or quasi-governmental authority having jurisdiction.

B. State of facts which an accurate survey or personal inspection of the Land would show, provided such facts would not prevent the use of the Unit for dwelling purposes nor render title unmarketable.

C. The terms, burdens, covenants, restrictions, conditions, easements, and rules and regulations, all set forth in the Declaration, the By-Laws (and the Rules and Regulations made thereunder), the Power of Attorney from Purchaser to the Board and Selling Sponsor and the Floor Plans, all as may be amended from time to time.

D. Consents by Seller or any former owner of the Land for the erection of any structure or structures on, under or above any street or street on which the Land may abut.

E. Any easement or right of use in favor of handicapped persons or any easement or right of use in favor of any utility company for electricity, steam, gas, telephone, water, or other service, and the right to construct, use, maintain, repair, and replace all utility lines, wires, terminal boxes, mains, pipes, cables, conduits, poles, connections and other equipment and facilities on, under and across the Land and Building.

F. Revocability of licenses for vault space, if any, under the sidewalks and streets and the lien of any unpaid vault tax (which is to be paid by the Condominium Board).

G. Encroachments of shrubbery, stoops, areas, steps, doors, ledges, window sills, trim, copings, retaining walls, bay windows, balconies, sidewalk elevators, fences, fire escapes, cornices, foundations, footings, chutes, fuel oil lines, drainage and stand pipes, sewerage pipes, air-conditioning units, canopies, ramps, and similar projections, if any, on, over, or under the Property or the streets or sidewalks or property abutting the Property and the rights of governmental authorities and adjoining property owners to require the removal of any such projections and variations between record lines of the Property and retaining walls and the like, if any.

H. Leases and service, maintenance, employment, concessionaire and license agreements, if any, of other Units or portions of the Common Elements.

I. The lien of any unpaid Common Charge, real estate tax, water charge or sewer rent, provided the same are adjusted at the closing of title.

J. The lien of any unpaid assessment payable in installments (other than assessments levied by the Board), except that Selling Sponsor shall pay all such assessments due prior to the Closing Date and Purchaser shall pay all assessments due from and after such date (however, the then current installment shall be adjusted at closing).

K. Any encumbrance as to which the title insurance company which insures Purchaser's title to the Unit would be willing, in a fee policy issued by it to Purchaser, to insure Purchaser that such encumbrance (a) will not be collected out of the Unit if it is a lien and (b) will not prevent the use of the Unit for dwelling purposes.

L. Any lease covering the Unit.

M. Certificate of Occupancy.

N. Any violations against the Property (other than the Unit) which are the obligation of the Board or another Unit Owner to correct, provided the same does not affect the health or safety of the unit owner.

O. Standard exceptions contained in the form of fee title insurance policy then issued by the title insurance company insuring the Purchaser's title to the Unit.

P. Any matters of record which do not prohibit the use of the premises.

3. Certificate Of Occupancy. The Closing to a residential Unit will take place only after or concurrently with the issuance of a final or temporary certificate of occupancy for the Building. Sponsor and its principals will provide all items necessary to procure a certificate of occupancy. Sponsor and its principals have the obligation to procure the permanent certificate of occupancy and keep the temporary certificates of occupancy current until such time as the permanent certificate of occupancy is procured..

4. Condominium Documents. The Declaration, By-Laws, and Floor Plans for the Condominium and such other documents as required by law will be recorded or filed by Sponsor, at its expense, prior to the First Closing in accordance with the Condominium Act or applicable state and local law in the Register's Office.

5. Warranties. Sponsor shall assign any manufacturers' warranties with respect to equipment and appliances in the Unit or Limited Common Elements to the Unit Owner and with respect to the equipment and appliances in the Common Elements, to the Board. Any personal property located in the Unit on the day the Purchase Agreement is signed or in the Common Elements on the date the Declaration is filed that is owned by the Sponsor is not included in the conveyance unless specifically stated in the Purchase Agreement. Sponsor will remove any such personal property located in a Unit prior to the Closing for that Unit and located in the Common Elements within ninety (90) days of the First Closing.

6. Existing Mortgages. There is a loan on the project with Broadview Capital LLC, 98 Cuttermill Rd, Ste 249, Great Neck, NY 11021. The lender has placed no restrictions on the rentals, sales or marketing of the Units. If the loan is not satisfied at or prior to the First Closing, the mortgagee will either (a) consent to the formation of a condominium and acknowledge that its lien will be limited to Unsold Units; (b) subordinate the lien of its mortgage to the Declaration of Condominium; or (c) release its lien on the Condominium Unit being conveyed and its interest in the Common Elements

7. Risk of Loss. Sponsor shall assume the risk of loss until Purchaser is conveyed legal title or occupies the Unit. However, an occupant cannot insure the Unit since there is no ownership interest and the Unit cannot be doubly insured. Thus, if Purchaser is or becomes the tenant or the occupant of the Unit before the Closing of Title thereto pursuant to an Interim Lease and, before the Closing of Title to the Unit, the Unit is damaged by casualty or otherwise, such Purchaser shall assume the risk of loss and the obligation to repair the damage in excess of the Condominium's insurance proceeds available to Sponsor prior to the First Closing and to the Board thereafter, and the full risk of loss to repair damage to his/her personal belongings and any other property not covered by the insurance for the Condominium, unless the cause thereof originated outside of the Unit and did not

result from the acts of such Purchaser or other occupants of the Unit or such Purchaser's guests, invitees, or workmen. A prospective Purchaser should carefully consider the aforementioned risk of loss before occupying a Unit prior to the Closing. Such risk of loss may also affect the Purchaser's ability to close the loan under any financing commitment.

Except as set forth in the preceding paragraph, all other risk of loss or damage prior to Closing is assumed by Sponsor, but Sponsor shall have no obligation or liability to repair or restore the same. The By-laws include a provision that in the event Sponsor has relinquished control of the Board, the Board will notify Sponsor of any damage to Unsold Units. Sponsor shall be notified by the Board of damages within fifteen (15) days of the occurrence of the damage and will make a determination whether or not to repair the damage within fifteen (15) days of receipt of said notice at which time it will notify the Purchaser. If Sponsor or (in the event the Declaration is filed) the Board does not elect to repair the damage, the Purchase Agreement will be cancelled and be of no further force or effect. Within ten (10) days thereafter, the Purchaser will be refunded all purchase monies paid to Sponsor, including sums paid for special work, with any interest earned thereon.

If Sponsor elects to repair or replace the loss or damage, the Purchase Agreement shall continue in full force and effect; Purchaser shall not have the right to reject title to the Unit or to receive a credit against, or abatement in, the purchase price; Sponsor shall be entitled to a reasonable period of time to complete such repairs or replacement; and Purchaser shall not be required to pay the Balance unless and until (i) the Unit has been repaired in compliance with the Offering Plan and the repair is in Equal or Better condition than immediately prior to the casualty, (ii) its essential services (such as gas, electricity, and heat) and a reasonable means of ingress and egress to the street have been restored and (iii) any condition in the Unit for which a violation (if any) is noted or issued has been corrected, other than those that are the obligations of the Interim Lessee to cure or that are caused by the act or omission of the Interim Lessee. Sponsor will remove subsequent to Closing all violations of record it is obligated to correct within 90 days of the violation posting. Additionally, if Sponsor elects to repair or replace the loss or damage, and the Purchase Agreement is contingent on the Purchaser obtaining financing, if, after making a good faith effort to extend the term of the commitment to enable Sponsor to repair the damage, an extension is not obtained, the Purchaser will be offered a right of rescission. See section "Procedure to Purchase" for further details.

8. Tentative Tax Assessment. Transfer tax is typically a seller's expense, however, the terms of this Offering Plan transfer the statutory obligation to pay the New York City transfer taxes and New York State Documentary Stamp Taxes from the seller to the Purchaser, so that the cost of such taxes represent an additional closing cost, and an additional item of consideration on which transfer taxes must be paid. Both the Purchaser and Seller shall comply with the requirements of the New York State Department of Taxation and Finance.

Q. UNIT CLOSING COSTS AND ADJUSTMENTS

1. Closing Adjustments. At the Closing of Title to each Unit, Sponsor and Purchaser shall apportion, as of midnight of the day preceding the Closing: (i) real estate taxes (including all prepaid real estate taxes) and assessments, if any, on the basis of the New York fiscal year beginning July 1 of the year for which assessed, including water charges and sewer rents (if separately assessed) and escrows for real estate taxes, if any; and (ii) rent and other charges, if any, pursuant to an Interim Lease for, or tenancy of, such Unit.

There will be no adjustments between the Board and Sponsor. The insurance figures for the first year's premium will be adjusted between the Purchaser and Sponsor at Closing. This provision shall only apply to Units which close within the first year of Condominium operations.

2. Closing Costs. At closing, each Purchaser will pay certain closing costs in addition to the amount of any net credit in favor of Sponsor resulting from the closing apportionments described above. Such closing costs will include the following, the amounts of which are based on rates in effect on the date of the Plan.

A. Title Insurance. If such Purchaser elects to obtain fee title insurance, he will pay a premium therefor to the title insurance company which will vary depending upon the amount of insurance requested. **Purchaser is free to use a title company of his or her choosing without incurring a penalty.** The premium for fee title insurance should be \$774.00 for the first \$100,000.00 of fee insurance plus \$4.36 for each \$1,000.00 or fraction thereof of additional fee insurance up to \$500,000.00 and \$3.98 for each \$1,000.00 or fraction thereof of additional fee insurance over \$500,000.00. The premium for mortgage title insurance should be \$654.00 for the first \$100,000.00 of insurance plus \$3.64 for each \$1,000.00 or fraction thereof of additional insurance up to \$500,000.00 and \$3.31 for each \$1,000.00 or fraction thereof of additional insurance over \$500,000.00. TS Agency, 21 Robert Pitt Drive, Ste 206, Monsey, NY 10952 has been retained by Sponsor to clear any title issues affecting the Property, and to record the Condominium Declaration and any other documents requiring recording with respect to this Offering Plan. A copy of the title report may be furnished to the Purchaser upon request.

B. Recording Fees. A fee for recording the deed and Unit Owner's Power of Attorney of \$32.00 for each instrument plus \$5.00 per page, together with a service charge to the title company for such recording for a total of approximately \$350.00;

C. Mortgage Fees. If Purchaser obtains a mortgage loan, Purchaser will pay:

(i) a fee and service charge for recording the mortgage of approximately \$250.00;

(ii) mortgage recording tax in the amount provided for by law, currently 2.05% (1.8% paid by the purchaser, 0.25% paid by the Lending Bank) of the face amount

of the mortgage for mortgages under \$500,000.00 and 2.175% (1.925% paid by the purchaser, 0.25% paid by the Lending Bank) for mortgages over \$500,000.00);

(iii) Purchasers will pay a premium through the title company for the mortgage title insurance policy. In addition, such Purchaser shall pay Sponsor a sum equal to the partial mortgage tax credit to which Purchaser is entitled under Section 339-ee (2) of the Condominium Act. All such payments shall be made upon execution of the loan documents;

(iv) Sponsor at its option may request any Purchaser who is obtaining a mortgage to have his lender accept an assignment of a portion of Sponsor's existing mortgage. In such event, Purchaser shall pay to the Sponsor such amount that the Purchaser is saving with respect to the mortgage that the Purchaser would have paid if there was no assignment of mortgage. The severance and assignment of the portion of the mortgage on the Property as contemplated herein would not result in any additional cost to the Purchaser and will be initiated only after Purchaser has procured financing. Should the Purchaser's lender refuse to accept the assignment, Sponsor may require Purchaser to continue with the transaction without the assignment or may refund the Purchaser's Down Payment and terminate the Purchase Agreement. Accordingly, Purchaser may apply for a mortgage with a lending institution that will accept an assignment of mortgage. Because this transaction would require additional coordination between the parties, it may potentially delay the Closing. In the event Sponsor exercises such option, the above paragraph regarding the mortgage tax credit will be inapplicable and the Purchaser will not be required to make any payments to the Sponsor in respect to the mortgage tax credit.

(v) all costs and expenses in connection with such loan in amounts determined by the lender, *i.e.*, application, points, credit report, survey, appraisal, bank's attorney's fees, Residential and Condominium Endorsements (title insurance forms required by banks) and any other fees required by lender. Sponsor makes no representation or warranty as to such closing costs or expenses or as to the availability of such financing.

D. **Transfer Taxes. Transfer taxes are typically a seller expense, however the terms of this Offering Plan transfer the statutory obligation to pay the transfer taxes to the Purchaser.** New York City transfer taxes are in the amount of 1.425% of the purchase price for residential Units over \$500,000.00 and 1% of the purchase price for residential Units under \$500,000.00. New York State Documentary Stamp Taxes are in the amount of \$2.00 per \$500.00. For any residential conveyance in which consideration is at least \$3,000,000.00, there is an additional base tax of \$1.25 per \$500.00. For commercial Units, the transfer tax is in the amount of 2.625% of the purchase price for NYC and \$2.00 per \$500.00 plus an additional .25% of the purchase price for commercial Units of \$2,000,000.00 or more in New York State. Additionally,

there is a mansion tax of 1% of the purchase price for conveyances in the amount of \$1,000,000 or more and a supplemental tax on the conveyance of residential real property in the amount of 0.25% for transfers of \$2,000,001-\$2,999,999; and 0.5% for transfers of \$3,000,000 to \$4,999,999, which are both imposed on Purchaser. For purposes of calculating NYC taxable consideration, NYC and NYS taxes are added to the Purchase Price and the taxes are calculated on that sum. For purposes of calculating NYS taxable consideration, only NYC transfer taxes are added to the purchase price and tax is calculated on that sum and consideration is not grossed up by the NYS transfer tax paid by Purchaser.

E. Initial Capital Payment. Purchaser will be required to deposit with the Board two (2) months' estimated monthly Common Charges for his unit.

F. Sponsor's Attorney Fees. Purchaser shall pay a fee of \$3,500.00 to Jeffrey Zwick and Associates, P.C., 2329 Nostrand Avenue, Suite 400, Brooklyn, New York 11210 for services rendered in connection with preparing documents. Should Sponsor's counsel be required to attend a Closing outside their office at the request of Purchaser or its representatives, Purchaser will be responsible for paying an attendance fee of \$500.00. In addition, there shall be a fee of \$200.00 per hour if the duration of the in person Closing exceeds two (2) hours due to the fault of Purchaser or its representatives; \$450.00 if Purchaser applies for a mortgage and a fee of \$300.00 if Purchaser requests a remote closing.

G. Defrayment of Sponsor Expenses. Each Purchaser shall pay an additional \$1,750.00 at Closing to defray Sponsor's costs, e.g, architectural costs, filing fees, legal fees and other costs incurred in creating the Condominium.

3. Closing Cost Example. All fees are cumulative to the extent applicable to an individual Purchaser. If, for example, a Unit has a purchase price and a mortgage shown below and title insurance, the following closing costs are estimated:

Purchase Price:	\$	1,400,000.00
Mortgage Amount:	\$	1,120,000.00
Owner's policy:	\$	5,645.00
Loan Policy:	\$	1,170.21
Residential Endorsement:	\$	25.00
Condominium Endorsement:	\$	25.00
NY State transfer tax:	\$	5,678.00
NYC Real Property transfer tax:	\$	20,514.00
Mansion Tax:	\$	17,994.00
Mortgage tax:	\$	14,196.00
Legal fee to Sponsor's Attorney:	\$	3,500.00
Deed Recording:	\$	350.00

Mortgage Recording:	\$	250.00
Municipal searches:	\$	250.00
2 months est. Common Charges	\$	752.31
Defrayment Fee	\$	1,750.00
TOTAL:	\$	72,099.52

* This is an optional modification to the title policy available for residential property which provides additional coverage to ensure that no violations or restrictions will result in a reversion of title or otherwise affect the mortgage lien.

4. Real Estate Tax Apportionment.

A. After Assessment. Once units are separately assessed by the NYC Department of Finance, each Unit Owner will be responsible for the real estate taxes, assessments, fines and other fees for his or her own Unit.

B. Prior to assessment. In the event units have not been separately assessed for real estate tax purposes at the time of the First Closing, Sponsor shall place in escrow, in the name of the Board, an amount equal to the unpaid real estate taxes which will be levied against the Property for the six (6) month period following the First Closing. The amount placed in escrow will be disclosed in the initial post -closing amendment to the Plan.

When the real estate taxes are next due, the Board will pay the real estate taxes from the escrow account. Sponsor, as funder of the escrow account, will be entitled to reimbursement from Unit Owners to the extent of the actual assessment. As such, at each Unit Closing, Sponsor will collect the estimated amount of taxes attributable to such Unit based on the Unit's pro rata share (in proportion to its Common Interest) of the then current real estate taxes assessed against the Property. In the event the lots have not been apportioned for the following tax bill, the Board shall collect from each Unit Owner its proportionate share of the tax bill levied against the Property, and the Board shall make such payment.

R. RIGHTS AND OBLIGATIONS OF SPONSOR

In addition to Sponsor's obligations to pay Common Charges and to perform other duties as a Unit Owner with respect to any Unsold Units and to comply with all applicable laws and regulations, the remainder of this Section sets forth certain other rights and obligations of Sponsor applicable while Sponsor still owns Unsold Units under this Plan. Some rights and obligations listed below may be repeated in other sections of the Offering Plan, and some other sections of the Offering Plan may contain additional rights and obligations of Sponsor. Nothing contained herein shall be deemed to limit the rights of Purchasers relative to their Units under their respective Purchase Agreements.

Obligations of Sponsor under this section with respect to the Condominium, the Common Elements or the Limited Common Elements shall be enforceable only by the Board on behalf of all Unit Owners. In no event shall any obligations of Sponsor to the Condominium be enforceable by individual Unit Owners unless: (1) the alleged construction defect relates to one (1) Unit only and is not a common defect affecting two (2) or more Units; or (2) if the Board has not commenced any action within (a) ninety (90) days after notice or (b) within thirty (30) days or less of the expiration of the statute of limitations, whichever occurs earlier.

The Board has a fiduciary duty to act in the best interest of the Condominium, even during the Initial Control Period when Sponsor will be in control of the Board. Any provision that gives Sponsor control of the enforcement of Sponsor's obligations is not lawful. If there are non-sponsor-controlled Board members and there is a vote on whether to sue the Sponsor, Sponsor's Board representatives cannot vote on that issue. Because Sponsor might not enforce the obligations of Sponsor under the Plan or as otherwise required by law during the Initial Control Period, (as a result of the Sponsor's control thereof), the Unit Owners may have to undertake enforcement of the obligations of Sponsor. This may be funded with the line item from the budget to cover attorney fees, or the Board may impose an assessment. The Board agrees that it will enforce such obligations pursuant to a resolution passed by a majority of the Unit Owners, excluding Sponsor, at a special meeting called for such purpose. Any dispute between the Board and the Unit Owners will be resolved through arbitration in accordance with article 10 of the Bylaws.

1. Rights of Sponsor. The following are additional rights of Sponsor with regard to the Units:

A. Sponsor is reserving the unconditional right to rent rather than sell Units after consummation of the Plan. Accordingly, there is no commitment by Sponsor to sell more than 15%, or four (4), of the Units, which is necessary to declare the Plan effective and Sponsor will not endeavor in good faith to sell all Units in a timely manner. However, in the event all of the Purchasers counted toward effectiveness rescind or terminate their Purchase Agreements prior to the First Closing, the effectiveness will become invalidated, and the Offering Plan will be declared effective again regardless of whether the Declaration has been recorded. In addition, the By-laws do not contain a provision that, after the Initial Control Period, a majority of the Board must be owner-occupants or members of an

owner-occupant's household who are unrelated to Sponsor and its principal(s). Purchasers should note that owner-occupants may never gain voting control of the Condominium.

B. So long as Sponsor owns Unsold Units, Sponsor may, without obtaining the consent of the Board or the other Unit Owners, use any one or more of such Units as model units and sales and/or promotion offices in connection with the sale of the Unsold Units or for any other purpose, subject only to compliance with current laws, statutes or regulations.

C. Sponsor reserves the right to amend or modify from time to time the Plans and Specifications (including, without limitation, changes in layouts and designs or changes affecting the materials, appliances, equipment, fixtures and other construction details) and to substitute materials, appliances, equipment and fixtures in place of those described in the Plans and Specifications or the Architect's Report, provided such substitutions are of Equal or Better Quality and design. Notwithstanding the foregoing, Sponsor may not change the size, location of Buildings or Units or other improvements or Common Elements if such changes affect the Percentage of Common Interest or adversely affects the value of and Unit to which title has closed, or for which a Purchase Agreement has been executed and is in effect, unless all affected Unit Owners and Purchasers consent in writing to the change.

D. Any change to Unsold Units not under contract may be made by Sponsor without prior notice to or authorization from the Board or any other party. Should any Unit Change be required to be disclosed in an amendment to the Declaration and/or Floor Plans, Sponsor or its designee, as the Owner of Unsold Units, will have the right itself to so amend the Declaration to effectuate any such change to the Unsold Units without the Board, the other Unit Owners, or any mortgagee consenting to, or executing, such amendment.

E. Except as provided under applicable law, Sponsor will not be obligated to correct and will not be liable to any Unit Purchaser as a result of a variation that is deemed immaterial from: (i) the Plans and Specification or the Architect's Report contained in Part II of the Offering Plan; or (ii) Plans and Specifications or the Architect's Report set forth in the Plan which are neither in violation of applicable building codes nor require the approval of any governmental authority having jurisdiction or which are necessitated by site conditions or job requirements, or (iii) the dimensions or arrangement of rooms, walls or other areas within Units, provided (A) such variations are of Equal or Better Quality and Design than that originally set forth in the Plans and Specifications, and (B) such changes do not affect the Common Interests or adversely affect the value of any Unit to which title has Closed or for which a Purchase Agreement has been executed and is in effect, unless all Unit Owners affected by such change consent in writing to such change. A decrease in a Unit's area of 5% or less will not affect a Purchaser's obligations unless such decrease is determined to be a material change. There is a rebuttable presumption that a decrease in area of 5% or less is not material. The foregoing shall not affect Sponsor's obligations to complete construction of the Building, including the Units, with materials of Equal or Better Quality and design than those set forth in the Plan.

F. Subsequent to the date a Unit Owner is given possession of, or Closes Title to, his Unit, Sponsor shall not be responsible for immaterial repairs such as paint touch-ups, repair of dented appliances, porcelain or formica chips and scratches, marks, breaks, or other blemishes in the following: windows, sliding glass doors, screens, electric fixtures, painted surfaces, sinks, tubs, basins, kitchen cabinets and countertops, vanity tops and cabinets, medicine cabinets, saddles, wood flooring, appliances, woodwork and doors. The Purchaser will have the right to inspect the Unit for any defects within the ten (10) days prior to Closing. Pursuant to the Purchase Agreement, Purchaser may note certain items which are unfinished ("Punchlist Items"). Notwithstanding the creation of a Punchlist, Purchaser shall be obligated to close on the date set by Sponsor for Closing. Failure of Purchaser either to arrange such appointment or to inspect the Unit within ten (10) days of receipt of said notice or to produce a Punch List, shall not excuse Purchaser from paying the Balance when due and shall constitute Purchaser's full acceptance of the Unit. Sponsor will use reasonable efforts to complete Punchlist Items specified on a signed document by Sponsor and prior to Closing or within sixty (60) days, subject to availability of labor and material, following the Closing, weather permitting, subject to force majeure delays and subject also to availability of material and labor and Purchaser's provision of access to the Unit. Sponsor will not place any funds in escrow to ensure completion of these items. Sponsor shall deliver the Units in broom swept condition containing the appliances listed in this Plan, the Unit and appliances in new condition, normal wear and tear excepted.

G. Except as set forth in this section and/or as required by applicable law or regulation, Sponsor makes no undertaking or warranty and shall not be obligated to correct or repair any immaterial conditions in the Building, including (without limitation) the Units, the Common Elements and the Building systems, appliances and all other installations, apparatus, fixtures and appurtenances. Notwithstanding the foregoing, Sponsor shall remain obligated to correct or repair all material conditions in the Building.

H. Sponsor's sole obligation hereunder shall be to repair or replace (at Sponsor's option) any defective item of construction (whether arising as a result of defects in material or improper workmanship or material materially at variance with the Plans and Specifications), subject to the terms and conditions (and within the time limits) set forth in this section and elsewhere herein.

I. Sponsor is reserving the right to delay the collection of Common Charges for an indeterminate period. During any such delay, Sponsor will timely pay all expenses of the Condominium, including but not limited to, insurance premiums and any reserve fund payments. Such expenses will not include individual Unit Owner expenses such as real estate taxes or utility charges. During such delay in the collection of Common Charges, Sponsor shall remain obligated to update the Condominium budget, and, if Sponsor controls the Board, to provide certified financial statements for the Condominium, as required by the regulations promulgated by the Department of Law. Sponsor shall provide written notice of the expiration of the delay period to all Unit Owners and Purchasers in contract at least 30 days prior to the commencement of the collection of Common Charges. Upon commencement of collection of Common Charges, there will not be any assessment for any item in the certified budget for the Condominium. In the event Sponsor elects to delay the collection of Common Charges, Sponsor shall disclose the anticipated period of delay in the collection of common charges in

the initial post-closing amendment to the Plan. Sponsor shall provide written notice of the expiration of the delay period at least thirty (30) days prior to the commencement of collection of Common Charges. Thereafter, Sponsor shall disclose the expiration of the delay period in the next substantive amendment to the Plan and include a copy of the notice and an affidavit of service with the submission of the amendment. During any such period of delay, Sponsor will have financial statements prepared in accordance with the Bylaws.

2. Construction Obligations. Sponsor has undertaken the obligations listed below in connection with the offering of Units pursuant to schedule A and the construction of the Building. All references in this Plan to Plans and Specifications shall mean the plans and specifications for the Building filed with the Department of Buildings and other appropriate governmental authorities, as the same may be amended or changed from time to time. Unless otherwise stated in this section and/or required by applicable law or regulation, the construction obligations of Sponsor under this subsection shall survive the delivery of the deed to the Unit Owners.

A. Sponsor is obligated to build and complete the Condominium in accordance with the Plans and Specifications and will, at its sole cost and expense and with reasonable diligence, perform or cause to be performed such work, and will supply or cause to be supplied all materials necessary to complete the Building and its appurtenances in accordance with the Plans and Specifications and with a quality of construction comparable to currently prevailing local standards. Units will be delivered in new condition, normal wear and tear excepted. Sponsor may make modifications of layout or design, provided, however, that Sponsor may not (i) substitute equipment or materials of lesser quality or design or (ii) change the size, location of buildings or units or Common Elements if such changes affect the percentage of Common Interests or adversely affect the value of any Unit to which title has closed or for which a Purchase Agreement has been executed and is in effect unless all affected Unit Owners and contract vendees consent in writing to such change.

B. Prior to the First Closing, Sponsor shall obtain a temporary (TCO) or final (FCO) certificate of occupancy for the Building. Certificates of occupancy are generally governed by Section 301 of the New York Multiple Dwelling Law and local building codes and rules. Both TCOs and FCOs are issued by the New York City Department of Buildings (“DOB”).

A TCO is intended to indicate that the property conforms substantially to the DOB approved Plans and Specifications, and to the requirements of all applicable laws, rules, and regulations for the uses and occupancies specified in the TCO. No change of use or occupancy shall be made unless a new certificate of occupancy is issued. TCOs have an expiration date, typically 90 days after the date of issuance. When a TCO expires and is not renewed, it may be difficult or impossible to buy insurance, refinance, or sell units. In New York City, it is common for sponsors to commence closings when some or all units are covered by a TCO rather than a FCO. Sponsor anticipates this scenario may occur. Sponsor and its principals will undertake the responsibility for extending each TCO received prior to expiration thereof, and ultimately for obtaining a FCO covering the entire building. However, Sponsor and its principals make no representation or guarantee that DOB will issue the FCO within two years, which is the timeframe anticipated by the Multiple Dwelling Law for issuance of a FCO.

NOTWITHSTANDING THE FOREGOING, SPONSOR AND ITS PRINCIPALS ARE OBLIGATED TO PROCURE THE FCO FOR THE ENTIRE BUILDING AND SHALL EXERCISE ITS BEST EFFORTS TO OBTAIN IT WITHIN SUCH TWO YEAR PERIOD WHILE KEEPING THE TCO CURRENT. Unit owners and the Board shall be obligated to cooperate with and refrain from obstructing sponsor in these undertakings. The TCO may lapse for reasons outside the sponsor's control. In the absence of a FCO or TCO it is unlawful to reside in or rent a unit and will be difficult for purchasers to obtain financing or pass clear title. Buyers are advised to visit the DOB website for further recommendations when purchasing a unit in a building that does not have a FCO.

C. If the First Closing takes place prior to the issuance of a FCO for the Building, Sponsor will maintain all deposits and funds in the special escrow account required by GBL Section 352-e(2)(b) unless Sponsor's engineer, architect or other expert certifies that a lesser amount will be reasonably necessary to complete the work needed to obtain a FCO, in which case the sum exceeding the amount so certified by Sponsor's engineer or architect may be released from the special escrow account. Alternatively, the Sponsor must deposit with an Escrow Agent an unconditional, irrevocable letter of credit or post a surety bond in the amount so certified after application to the DOL to obtain permission to use alternate forms of security in lieu of escrowed funds.

D. Prior to Closing, Sponsor will assign any manufacturer's warranties with respect to equipment or appliances installed in the Unit to the Unit Owner and any warranties with respect to equipment and appliances installed in the Common Elements to the Board.

E. Sponsor agrees to pay for the authorized and proper work involved in the construction, establishment and sale of the Condominium that Sponsor is obligated to complete under the Plan and shall cause all mechanic's liens with respect to such construction to be promptly discharged or bonded.

F. The Sponsor will deliver a set of "as-built" floor plans to the Board.

G. Sponsor expects the common areas and public portions of the Building will be completed before the First Closing. Sponsor and its contractors, subcontractors, agents and employees will have a right of reasonable access to each Unit and its appurtenant Limited Common Elements and to all of the Common Elements for purposes of completing construction of the Building or performing certain alterations and repairs in or about Unsold Units and in fulfilling Sponsor's obligations under the Plan, provided (i) Sponsor repairs any resulting damage to the Unit and restores it to the condition it was in prior to Sponsor's entry and (ii) Sponsor provides at least 2 business days' prior notice to the Owner of the Unit to which access is required of at least two (2) business days, except in the case of Emergency.

H. Housing Merchant Implied Warranty: Notwithstanding any other provision of the Offering Plan the Housing Merchant Implied Warranty is not applicable to this Offering because it has more than five stories. Sponsor's obligation, regardless of any limitations in the warranty or in this offering plan, is to construct the premises in accordance with all applicable codes, filed plans and

specifications and locally accepted building practices for items which are not covered by codes. Any conflict between the disclaimers and Sponsor's obligation to construct the premises in accordance with all applicable codes and filed plans and specifications shall be resolved in favor of the latter.

3. Other Obligations.

A. Sponsor shall be liable for and obligated to defend any suits or proceedings arising out of the acts or omissions of Sponsor, representations made by Sponsor in this Plan, or any obligations imposed by statutes and/or regulations. With respect to such suits and proceedings, Sponsor shall indemnify the Board of Managers and the Unit Owners and shall defend such proceedings on their behalf.

B. All representations under the Offering Plan, all obligations pursuant to the General Business Law, and such additional obligations under the Offering Plan which are to be performed subsequent to the closing date will survive delivery of the deed.

C. Sponsor agrees to pay all Common Charges, special assessments and real estate taxes with respect to Unsold Units. Sponsor represents that it has the financial resources to meet its obligations with respect to Unsold Units. Such obligations shall be funded through the sales of Unsold Units and from other funds of the Sponsor. No bond or other security has been posted to secure Sponsor's obligations. Should Sponsor fail in its obligation to pay all Common Charges, special assessments and real estate taxes with respect to Unsold Units, the Board may file a lien against the Unsold Units in accordance with law and Purchasers under contract will be offered rescission.

D. Sponsor will cause the Board to maintain the Property in substantially the same condition and manner as on the date of First Closing until expiration of the Initial Control Period as opposed to letting the Board neglect the property during the period in which Sponsor is in control.

E. If Purchaser is or becomes the tenant or the occupant of the Unit before the Closing of title thereto pursuant to an Interim Lease and, before such Closing, the Unit is damaged by casualty or otherwise, such Purchaser shall assume the risk of loss and the obligation to repair the damage to his/her personal belongings and any other property not covered by the insurance for the Condominium, unless the cause thereof originated outside of the Unit and did not result from the acts of such Purchaser or other occupants of the Unit or such Purchaser's guests, invitees, or workmen. Except as set forth in the preceding sentence, all other risk of loss or damage prior to Closing is assumed by Sponsor, but Sponsor shall have no obligation or liability to repair or restore the same.

The Sponsor shall be notified by the Board of damages within fifteen (15) days of the damage and will make a determination whether or not to repair the damage within fifteen (15) days thereafter, at which point it will notify Purchaser. If Sponsor or (in the event the Declaration is filed) the Board does not elect to repair the damage, the Purchase Agreement will be cancelled and be of no further force or effect. Within ten (10) days thereafter, the Purchaser will be refunded all purchase monies paid to Sponsor with any interest earned thereon.

If Sponsor elects to repair or replace the loss or damage, the Purchase Agreement shall continue in full force and effect; Purchaser shall not have the right to reject title to the Unit or to receive a credit against, or abatement in, the purchase price; Sponsor shall be entitled to a reasonable period of time to complete such repairs or replacement; and purchaser shall not be required to pay the Balance unless and until (i) the Unit has been repaired in compliance with the offering plan and the repairs done with equal quality or in better condition than immediately prior to the casualty, (ii) its essential services (such as gas, electricity, and heat) and a reasonable means of ingress and egress to the street have been restored and (iii) any condition in the Unit for which a violation (if any) is noted or issued has been corrected, other than those that are the obligations of the tenant to cure or that are caused by the act or omission of the tenant. Sponsor will remove subsequent to closing all violations of record it is obligated to correct within ninety (90) days of the violation posting. Additionally, if Sponsor elects to repair or replace the loss or damage, and the Purchase Agreement is contingent on the Purchaser obtaining financing, if, after making a good faith effort to extend the term of the commitment to enable Sponsor to repair the damage, an extension is not obtained, the Purchaser will be offered a right of rescission. Any work required to be completed in order to repair the damage or otherwise complete construction on the Building shall as best as possible not interfere with the Purchasers' or Unit Owners' use and shall, whenever practicable, be performed during workday hours.

F. Sponsor shall procure fire and casualty insurance in an amount sufficient to avoid co-insurance and for the replacement value of the Building, as reflected in Schedule B.

G. In the event of dissolution or liquidation of the Sponsor or a bulk sale, which is defined as the transfer of ten or more Units or the sale of more than one Unit constituting twenty percent (20%) or more of the total number of Units in the Condominium, whichever is less, to one Purchaser who will not use the Units for personal occupancy, the Principals of the Sponsor will provide financially responsible entities or individuals who will assume the status and all of the obligations of the Sponsor for those units under the Offering Plan, applicable laws or regulations. In this project, selling two or more Units to one buyer who will not use the units for personal occupancy would constitute a bulk sale.

S. CONTROL BY SPONSOR

1. Voting Control.

A. Initial Control Period. Sponsor will have voting control over the Board of Managers for five (5) years after the First Closing or until Sponsor owns no Units, whichever is sooner (“Initial Control Period”). During this period, there shall be three board members designated by Sponsor.

B. Expiration of Initial Control Period. Within one month of the expiration of the Initial Control Period, Sponsor shall call a meeting to appoint a new Board consisting of five (5) members. At such time, Sponsor may appoint one (1) member so long as Sponsor owns an Unsold Unit. In addition, the Non-Residential Unit Owners may elect amongst themselves one member to the Board. Each Unit Owner, including Sponsor, so long as Sponsor still owns Unsold Units, and Non-Residential Unit Owners, may vote for the remaining three Board Members. Sponsor may relinquish control at any time prior to the expiration of the Initial Control Period by calling a special meeting of Unit Owners to elect a new Board. The By-laws do not include a provision requiring a majority of the Board be owner occupants or members of an owner-occupant’s household who are unrelated to Sponsor and its principals after the Initial Control Period. Purchasers for their own occupancy may never gain effective control of the Board of Managers. Owner occupants and non-resident owners may have inherent conflicts on the management of the condominium.

C. Since Sponsor is retaining the unconditional right to rent Units after the consummation of the Plan and there is no obligation to sell more than the 15%, or four (4) Units, required to declare the Plan effective, Sponsor may retain ownership of Majority of the Units in this Plan. Thus, it is possible the Sponsor will retain voting control of decisions which require a vote of Unit Owners.

2. Veto Control.

A. Right to Veto. For five (5) years after the First Closing or until the Unsold Units constitute less than twenty-five percent (25%) of the total Units, whichever is sooner, the Board must obtain Sponsor’s prior written approval with regard to the below items. During this time, Sponsor may veto these actions.

- (i) Raise Common Charges or levy a special assessment to:
 - a. make an alteration to the Common Elements;
 - b. create an additional reserve fund for repairs, alterations, unanticipated expenses and/or contingencies which exceed 5% of the projected common expenses for the budget year;
 - c. increase, decrease, eliminate or otherwise change the number, type, classification or working hours of the building’s service staff (if any), or to hire additional service staff.
 - d. increase, decrease, or eliminate building services;

- e. increase, decrease, eliminate or otherwise change the amounts or types of insurance coverage from the coverages existing on the date of the First Closing.
- (ii) Borrow money on behalf of the Condominium Association.

B. Limitations on Veto Control. Sponsor may not exercise veto power over expenses described in Schedule B, or over expenses required: (i) to comply with applicable laws or regulations; (ii) to remedy any notice of violation; (iii) to remedy any work order by an insurer; or (iv) to remedy any immediately hazardous condition which affects the health and/or safety of the occupants.

3. Document Control. For five (5) years after the First Closing or until the Unsold Units constitute less than twenty-five percent (25%) of the total Units, whichever is sooner, the Declaration, By-Laws and Rules and Regulations may not be amended or modified so as to adversely affect Sponsor or its designee without the prior written consent of every Unit Owner affected by such amendment, including Sponsor or its designee.

4. Control Limitation. Any provision that gives Sponsor control of the enforcement of Sponsor's obligations is not lawful. If there are non-sponsor-controlled Board Members and there is a vote on whether to sue the Sponsor, Sponsor's Board representatives cannot vote on that issue.

T. BOARD OF MANAGERS

This section describes how the affairs of the Condominium will be governed and restates certain portions of the By-Laws and Declaration, included in full as Documents 6 and 7 in Part II of the Plan. Purchasers should review said documents carefully.

1. Composition and Eligibility of Board Members. The affairs of the Condominium will be governed by the Condominium Board which shall be comprised of five (5) members, each having one (1) vote. Notwithstanding the foregoing, there shall be three members during the Initial Control Period. The first three board members are, anticipated to be the Principal of Sponsor, David Goldstein and two business associates who are not members of the sponsor entity but have a contract as construction managers: Yosef Beer and Max Salamon. The By-laws do not include a provision requiring that Majority of Board members be owner-occupants or members of an owner-occupant's household who are unrelated to Sponsor and its principals. There shall be no limit on the number of terms of office, successive or otherwise, that a member of the Board may serve. Any person over 18 may serve on the Board. No member of the Board shall be compensated for acting as such.

2. Board's Fiduciary Responsibility. The Board has a fiduciary duty to act in the best interest of the Condominium, even during the Initial Control Period when the Sponsor is in control of the Board. During this time in capacity as the Board of Managers, Sponsor and its principals will act in the best interests of the Condominium and will not engage in sweetheart deals. Any provision that gives Sponsor control of the enforcement of Sponsor's obligations is not lawful. If there are non-sponsor controlled Board members and there is a vote on whether to sue the Sponsor, Sponsor's Board representatives cannot vote on that issue. Because Sponsor might not enforce the obligations of Sponsor under the Plan or as otherwise required by law during the Initial Control Period, (as a result of the Sponsor's control thereof), the Unit Owners may have to undertake enforcement of the obligations of Sponsor. The Board agrees that it will enforce such obligations pursuant to a resolution passed by a Majority of the Unit Owners, excluding Sponsor, at a special meeting called for such purpose. Any dispute between the Board and the Unit Owners will be resolved through arbitration in accordance with article 10 of the Bylaws.

3. Meetings. As stated in the By-Laws, Board members shall be appointed by Unit Owners.

A. First Meeting. The first meeting to elect Board members will be held within thirty days of the expiration of the Initial Control Period. At this meeting, Unit Owners shall designate Board members. The term of office of each elected member of the Board shall continue until the unit is sold or a new designation is made.

B. Annual Meetings. Unit Owners shall hold annual meetings on or about the anniversary of the first meeting and every anniversary thereafter. At each annual meeting, the Unit Owners shall conduct such business as may properly be conducted. When desirable, meetings (including the first meeting) may be held via teleconference upon consent of all unit owners.

C. Special Meetings. Pursuant to section 2.6(C)(3) of the Bylaws, special meetings of Unit Owners may be held from time to time whenever necessary for the affairs of the Condominium. The Board shall call a special meeting of the Unit Owners whenever so directed by a duly adopted resolution of the Board or upon receipt of a petition calling for such a meeting signed by a Unit Owner. Each such resolution or petition shall set forth, in reasonable detail, the purposes for calling such a meeting, and no business shall be transacted at such special meeting except business reasonably related to such stated purposes as set forth in section.

D. Quorum. Pursuant to section 4 of the Bylaws, the presence, in person or by proxy, of Majority of all Unit Owners shall constitute a quorum at all meetings of Unit Owners, and unless otherwise provided, the decision of a Majority of Unit Owners at a meeting at which a quorum shall be present shall be binding upon all of the Unit Owners.

E. Voting. When votes of the Unit Owners are required, each Unit Owner (including Sponsor or its designee, for so long as Sponsor or such designee shall own at least one (1) Unit) shall be entitled to cast one (1) vote for each Unit owned. If two (2) or more Persons own a Unit, or if a Unit is owned by an entity, they shall designate one Person amongst them (or a fiduciary, as the case may be) to vote on behalf of their Unit in a writing given to the Board, and the vote of such designee shall be binding upon all of such Persons. Failing such a designation, the concurrence of all Persons shall be conclusively presumed if any one of them purports to exercise such vote without protest being contemporaneously made to the individual presiding over the meeting at which such vote is taken. If protest is made, the vote appurtenant to such Unit shall be counted solely for the purpose of determining whether the required attendance is present to establish a quorum.

F. Board Member Meetings. Board meetings shall be held at least annually on or about the anniversary of the date of the first unit owners meeting, and as often as necessary to govern the affairs of the Condominium. After the first board meeting, board meetings may be in person or via teleconference. Any member of the Board may call a special meeting of the Board whenever he or she deems the same to be necessary or desirable. A quorum for Board meetings is Majority of the Board members. All decisions or acts requiring a vote, resolution, approval, agreement or consent of the Board of Managers must be made by the affirmative vote, approval, resolution, agreement, or consent of a majority of the Board Members at which a quorum is present. Deadlocks in voting shall be submitted to arbitration in accordance with the Bylaws.

4. Removal and Vacancy of Board Members.

A. Removal. At any regular or special meeting of Unit Owners, any one or more of the members of the Board may be removed with or without cause by a majority of the Unit Owners and a successor may then and there or thereafter be elected to fill the vacancy thus created, provided notice of such proposed removal was given to the Board member and was specified in the notice of the meeting. Any member of the Board whose removal has been proposed shall be given an opportunity to be heard at the meeting. Regardless of whether an appointed member is removed by the Sponsor, its designee or the other unit owners or board members, only the Unit Owner who made the appointment or its designee shall have the right to designate a replacement for such appointee.

B. Withdrawal. Any board member may voluntarily withdraw his or her position as board member by sending written notice to the other board members. In said case, the withdrawal will be effective immediately and the withdrawing member may appoint someone to serve in his or her place. In the event the withdrawing member does not appoint anyone within five (5) business days by a writing to the board, the other board members may elect amongst themselves someone to fill the vacancy. Notwithstanding the foregoing, if an appointed board member withdraws, only the Unit Owner who made the appointment or its designee shall have the right to designate a replacement for such appointee.

5. Officers of the Condominium. Officers shall consist of President, Vice President/Secretary and Treasurer, all of whom shall be elected by the Board. Officers shall serve without compensation from the Condominium. All officers must be members of the Board. Any officer may be removed, without cause, by vote of a Majority of the Board at a meeting called for such purpose.

6. Liability of the Condominium Board and the Unit Owners. The Board has a fiduciary duty to act in the best interests of the Condominium. The Board members will have no liability to Unit Owners for errors of judgment, negligence, or otherwise, except that individual members will be liable for their own bad faith, willful misconduct or gross negligence. Every contract made by the Board, by any Condominium officer, or any superintendent or Managing Agent of the Building, shall state (if obtainable) that (a) it is made only as agent for all Unit Owners, and the members of the Board or such officer, superintendent, or Managing Agent shall have no personal liability thereon (except in their capacities as Unit Owners), and (b) the liability of any Unit Owner with respect to such contract shall be limited to (i) such proportionate share of the total liability thereunder as the Common Interest of such Unit Owner bears to the aggregate Common Interests of all Unit Owners, and (ii) such Unit Owner's interest in his or her Unit and its Appurtenant Interest, unless otherwise provided by law.

All Unit Owners shall severally indemnify each Board Member against any liability or claim, contractual or otherwise, except those arising out of the bad faith or willful misconduct of such member or that are contrary to law or the terms of the Declaration or the By-Laws. However, the liability of any Unit Owner on account of the indemnification of the Board will be limited to such proportionate share thereof as the Common Interests of such Unit Owner bear to the aggregate Common Interests of all Unit Owners.

7. Powers and Duties of the Board. The Board shall have the powers and duties necessary for administration of the affairs of the Condominium (subject to the limitations set forth in the By-Laws), including, without limitation, the following:

A. Common Elements: to operate, maintain, repair, restore, add to, improve, lease, license, alter and replace the Common Elements, including, without limitation, as the Board shall deem necessary or proper in connection therewith: (a) the purchase and leasing of supplies, equipment and material and (b) the employment, compensation and dismissal of personnel;

B. Acquisition of Property: to acquire, in the name of the Board or its designee, corporate or other, and on behalf of the Unit Owners, all rights, titles and interests in real and personal property deemed necessary or proper by the Board for use in connection with the ownership and operation of the Property as a residential Condominium;

C. Financial Records: to maintain records with respect to the finances and the operation of the Condominium, including, without limitation: (a) detailed accounts of receipts and expenditures affecting the Property; (b) other financial records, as well as other books of account of the Condominium, as may be required to be kept pursuant to the terms of these By-Laws; and (c) minutes and other records of all meetings held pursuant to the terms of these By-Laws;

D. Budget: to prepare and adopt a budget for the Condominium for each fiscal year thereof, setting forth, without limitation: (a) a detailed accounting of the anticipated Common Expenses for the ensuing fiscal year and (b) a detailed projection of all sources and amounts of income necessary to discharge the same;

E. Common Charges: to determine amounts and establish the means and methods of payment of, and to collect, Common Charges and special assessments from Unit Owners, and to use the Common Charges and special assessments collected from Unit Owners, as well as all other funds held by the Board or received in connection with the operation of the Property, for the administration of the Condominium, including, without limitation: (a) the payment of Common Expenses and (b) the making of restorations, additions, alterations and improvements to the Common Elements;

F. Loans: to borrow money on behalf of the Condominium when required in connection with the operation, maintenance, repair, restoration, improvement, alteration and replacement of the Common Elements, provided, however, that: (a) with respect to the borrowing of any sum in excess of \$25,000.00 in any one fiscal year (regardless of the balance of any loans outstanding from previous fiscal years) in addition to the affirmative consent of a majority of the members of the Board, the affirmative consent of a majority of all Unit Owners (including Sponsor if Sponsor owns at least one unit) at a duly constituted Unit Owners meeting shall be required and if approved, the Board may, in its discretion, assess each Unit Owner the pro rata share of the cost of the additions, alterations, or improvements according to the Common Interest, as part of Common Charges.; (b) no lien to secure repayment of any sum borrowed may be created on any Unit or its Appurtenant Interests without the consent of the owner of such Unit; and (c) the documentation executed in connection with any such borrowing shall provide that, if any sum borrowed by the Board pursuant to this subparagraph (vi) shall not be repaid by the Board, any Unit Owner who pays to the creditor thereunder such proportion of the then outstanding indebtedness represented or secured thereby as such Unit Owner's Common Interest bears to the aggregate Common Interest of all Unit Owners shall be entitled to obtain from the creditor a release of any judgment or other lien that the said creditor shall have filed, or shall have the right to file, against such Unit Owner's Unit;

G. Bank Accounts: to open and maintain bank accounts on behalf of the Condominium and to designate the required signatories;

H. Insurance: to obtain insurance for the Property, including the Units, pursuant to the terms of the By-laws;

I. Claims: to adjust and settle claims under insurance policies obtained pursuant to the terms of the bylaws, and to execute and deliver releases upon such adjustment and settlement on behalf of: (a) all Unit Owners; (b) all holders of mortgages and other liens on Units; and (c) all holders of any other interest in the Property;

J. Contracts: to make, or contract with others for the making of, repairs, maintenance, additions and improvements to, and alterations, restorations and replacements of, the Property after damage or destruction by fire or other casualty, or as a result of condemnation or eminent domain proceedings, in accordance with By-Laws;

K. L. Sell Units: to sell, lease, mortgage and otherwise deal with Units acquired by, and to sublease Units leased by, the Board or its designee, corporate or otherwise, on behalf of all Unit Owners, provided, however, that the Condominium Board or its designees shall in no event be entitled to exercise the votes appurtenant to any such Unit;

M. Rules and Regulations: to adopt and amend the Rules and Regulations and to levy and collect fines against Unit Owners for violations of the same;

N. Enforce Condominium Documents: to enforce by legal means the terms, covenants and conditions contained in the Condominium Documents and to bring or defend against any proceedings that may be instituted on behalf of, or against, the Unit Owners;

O. Incorporation: to incorporate, to the extent and in the manner provided in the Condominium Act, provided, however, that: (a) the certificate of incorporation and by-laws of any such resulting corporation shall conform as closely as practicable to the terms of the Declaration and these By-Laws and (b) the terms of the Declaration and these By-Laws shall prevail in the event of any inconsistency or conflict between the terms thereof and the terms of such certificate of incorporation and by-laws;

P. Create Entities: to organize corporations to act as the designees of the Board in acquiring title to, or leasing of, Units and in acquiring rights, titles and interests in real and personal property for use in connection with the ownership and operation of the Property as a residential condominium;

S. All Other Duties: to carry out any other duties imposed upon the Board pursuant to the Declaration and the By-Laws.

T. Amendments to the Condominium Documents. Unless otherwise noted in the Condominium Documents, any provision of the Declaration or the By-Laws, may be amended, modified, added to or deleted by the vote of 66 2/3 Units in number and Common Interest, taken in accordance with Article 4 of the By-Laws subject to certain exceptions and provided that any required consent of the Mortgage Representatives is obtained. However, this section may only be amended with unanimous consent of all Unit Owners. The Board shall have the right to amend, modify, add to or delete any of the Rules and Regulations from time to time, provided, however, that any such amendment, modification, addition, or deletion may be overruled by the vote of 75% of the Unit Owners.

Until the earlier of five (5) years after the First Closing or until Sponsor owns no Units, the Declaration, By-Laws and Rules and Regulations may not be amended or modified so as to adversely affect Sponsor or its designee without the prior written consent of every Unit Owner affected by such amendment, including Sponsor or its designee.

Notwithstanding the foregoing, any amendment which affects only Unsold Units, is needed to correct scrivener's errors or to transfer development rights reserved to Sponsor may be made by Sponsor, without the consent or approval of the Board or any other Unit Owner, subject to section K of this Plan. In such event, Sponsor may sign any required document in connection therewith on behalf of the Board.

Any amendment which affects only the Commercial Unit may be made by the Commercial Unit Owner, without the consent or approval of the Board or any other Unit Owner. In such event, the Commercial Unit Owner's board representative may sign any required documents in connection therewith on behalf of the Board.

Any amendment which affects only the Residential Units and does not adversely affect the Commercial Unit may be made upon the affirmative vote of 66 2/3 of the Residential Units in number and Common Interest, taken in accordance with Article 4 of the By-Laws and provided that any required consent of the Permitted Mortgagees is obtained.

U. RIGHTS AND OBLIGATIONS OF UNIT OWNERS & BOARD OF MANAGERS

1. Sales and Leases of Units

A. No Discrimination. Each Unit Owner may sell or lease his or her Unit without limitation except that no Unit Owner may discriminate against any Person on the basis of race, creed, color, national origin, sex, age, disability, marital status or any other grounds prohibited by law. Any lease terms, including rent, shall be subject to state and local law.

B. No Severance of Ownership. Each conveyance of a Unit shall include, as part of the property to be conveyed, such Unit Owner's (i) Common Interest; (ii) undivided interest in any Unit or Units acquired by the Board from Unit Owners (or the proceeds received at a foreclosure or other judicial sale of a Unit); and (iii) an undivided interest in any other assets of the Condominium.

C. No Arrears. Title to a Unit may not be conveyed unless all unpaid Common Charges and liens against the Unit, except Permitted Mortgages, are paid and satisfied at or prior to Closing. At the time of acquisition of a Unit and as a condition thereof, the new Unit Owner shall be required to execute, acknowledge and deliver a Unit Owner's Power of Attorney in favor of the Board and Sponsor, in accordance with the Declaration.

D. Sale Voidable. Any purported sale or lease consummated in default of the applicable terms hereof shall be voidable at the sole election of the Board.

E. No Right of First Refusal. The Board does not have a right of first refusal with respect to any sale or lease.

2. Mortgages of Units

A. Restriction on Mortgages. Each Unit Owner has the right to mortgage his or her Unit, provided that, with respect to Units other than the Unsold Units, the conditions set forth in Article 8 of the By-Laws are first complied with. As more fully set forth in said Article 8, these conditions include the requirements that:

(i) no Unit Owner shall be permitted to mortgage, pledge or hypothecate his Unit unless and until he shall have paid in full to the Board all unpaid Common Charges and special assessments theretofore assessed against such Unit and shall have satisfied all unpaid liens;

(ii) no Unit Owner shall execute any mortgage or other document mortgaging, pledging or hypothecating title to his Unit without including therein its Appurtenant Interests, it being the intention to prevent any severance of such combined ownership. Any mortgage or other instrument purporting to affect one or more of such interests without including all such interests shall be deemed and taken to include the interest or interests so omitted, even though the latter shall not be expressly mentioned or described therein so that at all times, all of the Units interests in the Condominium shall remain and shall not be severed;

(iii) any mortgage covering a Unit shall be substantially in the form of the New York statutory form of mortgage, except for such changes or additions as may be required to permit a lender to make the loan;

(iv) the Board is notified in writing of the making of such mortgage and is given a copy thereof.

B. Special Rights. Sponsor or its designee, as the owner of Unsold Units, as well as the Non-Residential Unit Owners shall have the right to mortgage the Unsold Units or Non-Residential Units, as the case may be, subject only to provision (ii) above, and subject to all other applicable law and regulations.

C. Mortgagee Rights.

(i) Whenever requested in writing by a Permitted Mortgagee, the Board shall promptly report to such Permitted Mortgagee any default by his mortgagor(s) in the payment of Common Charges or Special Assessments or in the observance or performance of any of the provisions of the Condominium Documents as to which the Board has knowledge then exists.

(ii) Mortgagee shall be permitted to pay any sum of money due from the mortgagor and the Board shall be obligated to accept such payment.

(iii) Mortgagee shall have the right to inspect the books and records of the Condominium.

(iv) Mortgagee shall receive notice:

i. In the event the Building, Common Elements or any part thereof is taken in condemnation or by eminent domain;

ii. Whenever mortgagor defaults in performing any act or making any payment which is that party's responsibility hereunder, including common charges and or special assessments, for a period of sixty (60) days after the obligation to pay, and said default is not cured within fifteen (15) days of written notice of said default;

iii. If any insurance policies insuring the Building and all service machinery contained therein covering the interest of the Condominium, the Condominium Board, all of the Unit Owners and all Permitted Mortgagees, as their interests may appear may are to be either cancelled, or be allowed to lapse, or substantially modified, at least 10 days in advance;

- iv. If the Declaration and the By-Laws are to be amended and such amendment would materially interfere with any right or interest of any mortgagee or if there is any proposed action which requires the consent of a specified percentage of mortgagees.

(v) Permitted First Mortgagee acquiring title to a mortgaged Unit or a purchaser at a mortgage foreclosure sale held with respect to a Permitted First Mortgage shall not be liable, and such mortgaged Unit shall not be subject to a lien, for the payment of any Common Charges and special assessments assessed subsequent to the recording of such Permitted First Mortgage and prior to the acquisition of title to such Unit by the Permitted First Mortgagee or such Purchaser. In the event of a foreclosure of a Permitted First Mortgage, the defaulting Unit Owner shall remain fully liable for the payment of all unpaid Common Charges and Special Assessments that accrued prior to such foreclosure. Any unpaid sums that are not collected from such defaulting Unit Owner shall be deemed a Common Expense, collectible from all those who are Unit Owners at the time that the same is levied (including the new Unit Owner of the subject Unit).

3. Common Charges: Assessment, Collection and Lien for Non-Payment

A. Commencement of Collection.

- (i) The Board will commence collection of Common Charges upon the Closing of Title to the first Unit provided the Sponsor has not exercised its option to pay all expenses of operation of the Property in lieu of collecting Common Charges.
- (ii) Sponsor may, in its sole discretion, elect to pay the expenses of the Building in lieu of collecting Common Charges. During any such delay, Sponsor will timely pay all expenses of the Condominium, including but not limited to, insurance premiums and any reserve fund payments. Such expenses shall not include individual Unit Owner's expenses such as real estate taxes or utility charges. Upon commencement of collection of Common Charges, there will not be any assessment for any item in the approved budget for the Condominium. Sponsor shall remain obligated to update the budget for the Condominium and provide financial statements for the condominium as required by governing regulations. In the event Sponsor elects to delay the collection of Common Charges, Sponsor shall disclose such fact in the Notice of Closing to Purchasers and in the post-closing amendment to the Offering Plan. Such amendment shall also disclose the anticipated period of delay. Sponsor will notify all unit owners in writing of the expiration of the delay period at least thirty (30) days prior to the commencement of collection of common charges and will disclose such fact in the following amendment to the Offering Plan. During any such period of delay, Sponsor will have financial statements prepared in accordance with the Bylaws.

B. Budget. The Board will prepare and distribute to all Unit Owners, at least annually, a budget setting forth its projection of the Common Expenses for the upcoming fiscal year of the Condominium. Sponsor shall remain obligated to provide the financial statement prepared by a certified accountant or public accountant so long as Sponsor is in control of the Board.

(i) Such Common Expenses will include, among other things:

(a) all costs and expenses in connection with the repair, maintenance, replacement, restoration and operation of, and any required alteration, to the Common Elements;

(b) water charges and sewer rents in connection with the Building (unless the same are separately assessed to individual Units);

(c) and assessments levied with respect to the Property (until the same are separately assessed to individual Units); and

(d) amounts for such other items as the Board may deem proper (such as amounts for reserves, to make up deficits for prior years, to prepay indebtedness of the Condominium, or to purchase or lease Units).

(ii) Determination of Common Charges. Based upon such budget, the Board will promptly determine and advise each Unit Owner of the Common Charges payable by such Unit Owner during the ensuing fiscal year, which Common Charges shall represent a portion of the projected Common Expenses of the Condominium assessed to such Unit Owner pro-rated according to the Common Interest of his or her Unit. Notwithstanding the foregoing, the Board has the right to allocate certain budgeted items on a special basis which reflects actual benefit and/or use associated with that particular item of expense or exclusive control of the particular Common Elements, pursuant to N.Y. Real Property Law (RPL) Section 339-m. Where the allocation of Common Expenses is not based on Common Interest, the budget and budget notes so indicate.

(iii) Revision of Budget. Pursuant to the terms of Article 6 of the By-Laws, the Board has the right to revise its projection of the Common Expenses at any time and from time to time during any fiscal year of the Condominium. Any such revision may result in an increase or decrease in the amount of Common Charges payable by Unit Owners during such fiscal year. However, no such revision shall have a retroactive effect on the amount of Common Charges payable by Unit Owners prior to the date of such new determination.

C. Payable in Monthly Installments. Unless otherwise determined by the Board, Common Charges will be payable in monthly installments, in advance, on the first day of each month. No Unit Owner will be relieved from liability for the payment of his or her Common Charges by waiving the use of any of the Common Elements or by abandonment of his Unit. No Unit Owner will be liable for

the payment of any part of the Common Charges assessed against his or her Unit subsequent to a permissible sale and transfer, or other conveyance by him or her of such Unit.

D. Exemption from Accrue ment of Common Charges. Any Unit Owner may, by conveying his or her Unit, without consideration, to the Board and complying with certain conditions set forth in the By-Laws in connection therewith, exempt himself or herself from Common Charges thereafter accruing. Such conditions include the payment of all Common Charges and assessments then due and payable with respect to his or her Unit and such Unit being free and clear of all liens and encumbrances other than any statutory lien for unpaid Common Charges. However, in no event shall Sponsor or its designee be permitted to convey any Unsold Unit to the Board and thereby exempt itself from Common Charges attributable to such Unit thereafter accruing, unless:

- (i) the aggregate Common Interests of the Unsold Units constitutes fifteen (15%) percent or less of the total Common Interests appertaining to all Units;
- (ii) at least five (5) years have elapsed since the First Closing; and
- (iii) at the time of conveyance, Sponsor shall pay the Board a sum equal to the product of the then current aggregate monthly Common Charges for the Unsold Units being conveyed multiplied by 24.

E. Common Charges due on Resale. On a resale of any Unit, the Purchaser of such Unit shall be required to pay unpaid Common Charges assessed against such Unit prior to his acquisition, except that a mortgagee acquiring title to a mortgaged Unit or a purchaser at a mortgage foreclosure sale shall not be liable, and such mortgaged Unit shall not be subject to, a lien for the payment of any Common Charges assessed subsequent to the recording of such mortgage and prior to the acquisition of title to such Unit by the mortgagee or a purchaser at a mortgage foreclosure sale and such assessments shall be the liability of the owner of the Unit at the time of the assessments. In the event that the Board forecloses its statutory lien on any Unit for unpaid Common Charges and the net proceeds of the foreclosure sale shall not be sufficient to pay such unpaid Common Charges, or if such Unit is acquired by a mortgagee or purchaser at a mortgage foreclosure sale, then, in either event, the defaulting Unit Owner shall remain personally liable for the balance of such unpaid Common Charges. The Board shall have the right to assess such unpaid balance amongst all those who are Unit Owners at the time that the same is levied.

F. Assessments. In addition to the foregoing duty to determine the amount of and assess Common Charges, the Board shall have the right, subject, in all respects, to the strictures contained in Section 2.4 of the bylaws, to levy special assessments to meet the Common Expenses. All special assessments may be payable either in one lump sum or in installments, as the Board shall determine, provided, however that the Board shall give each Unit Owner not less than thirty (30) days' notice prior to the date upon which such special assessment, or the first installment thereof, shall be due and payable, which notice shall set forth, in reasonable detail, the nature and purpose thereof. The Board shall have all rights and remedies for the collection of special assessments as are provided herein for the collection of Common Charges. The Board has the right to allocate certain assessments on a special basis which reflects actual benefit and/or use associated with that particular item of expense or exclusive control of the particular Common Elements, pursuant to N.Y. Real Property Law (RPL) Section 339-m. Special

assessments shall be levied against all Unit Owners in proportion to their respective Common Interests as follows:

- (i) assessment or increase in Common Charges to repair or maintain the Common Elements shall be levied against all Units proportionately in accordance with the percentage of Common Interest;
- (ii) assessment or increase in Common Charges to repair, maintain or improve the Common Elements which only benefit specific Units, class of Units or Licensees shall be levied against the Units (or Licensees, as the case may be) so benefitting proportionately in accordance with the percentage of Common Interest.

G. Board's Lien for Unpaid Common Charges.

- (i) Lien for Unpaid Common Charges. Under the provision of Section 339-z of the Real Property Law, and Article 6 of the By-Laws, the Board will have a lien, on behalf of all Unit Owners, on each Unit for unpaid Common Charges and expenses assessed against such Unit together with interest and costs thereon. All such liens, however, will be subordinate, to the extent required by applicable law, to any liens for real estate taxes and assessments on such Unit.
- (ii) Effectiveness of Lien. Any lien for unpaid Common Charges and expenses against a Unit will be effective from and after filing of a verified notice thereof in the Register's Office and until all sums secured thereby, with interest and costs accrued thereon, shall have been fully paid, or until six (6) years from the date of filing (unless foreclosure of such lien is started within such six-year period), whichever is sooner. Such liens may be foreclosed by a suit brought in the name of the Board (acting on behalf of all Unit Owners) in like manner as the foreclosure of a mortgage on real property, or an action may be brought by the Board to recover unpaid Common Charges without foreclosing the lien.
- (iii) Lien during Initial Control Period. In accordance with Section 339-aa of the Real Property Law, while Sponsor is in control of the Board, Sponsor will cause the Board to file a lien on Units in which Sponsor is more than thirty (30) days in arrears of Common Charges.

H. Failure by Non-Occupying Owner to Make Payments on its Unit. Section 339-kk of the Real Property Law of the State of New York (the "Condominium Act") applies to all condominium plans in existence after July 22, 1998. It is intended to provide financial protection for a condominium association if a non-occupying owner fails to make monthly payments for its units. The terms of Section 339-kk are as follows:

- (i) For purposes of this section, "non-occupying owner" means a Condominium Unit Owner who does not occupy the dwelling unit.

(ii) If a non-occupying owner rents any dwelling Unit to a rental tenant and then fails to make payments due for Common Charges, assessments or late fees for such Unit within 60 days of the expiration of any grace period after they are due, the Board shall provide written notice to the tenant and the non-occupying owner that rental payments from the tenant shall be paid directly to the Board.

(iii) Such notice shall provide that commencing immediately and until such time as all such payments are made current, all rental payments due subsequent to the issuance of such notice are to be made to the Condominium Association at the address listed on the notice. However, where a majority of the Board has been elected by Unit Owners who are in occupancy, the Board may elect not to require that rental payments be made payable to the Board.

(iv) When such payments from the non-occupying owner are once again current, written notice of this fact shall be given within 3 business days to the rental tenant and non-occupying owner; thereafter, all rental payments shall be made payable to the non-occupying owner or a designated agent.

(v) A non-occupying owner who disputes the Board's claim to rental payments pursuant to Section 339-kk shall be entitled to present facts supporting such position at the next scheduled meeting of the Board of Managers, which must be held within 30 days of the date that such Board receives notice that such owner seeks to dispute such claim.

(vi) Nothing in Section 339-kk shall limit any rights of Unit Owners or of the Board existing under any other law or agreement.

(vii) Payment by a rental tenant to the Board made in connection with Section 339-kk shall relieve that rental tenant from the obligation to pay such rent to the non-occupying owner and shall be an absolute defense in any non-payment proceeding commenced by such non-occupying owner against such tenant for such rent.

I. Reports to Unit Owners. All Unit Owners will receive copies of an annual report of the Condominium including a balance sheet and profit and loss statement certified by a certified public accountant (as long as Sponsor is in control of the Board), a statement regarding any taxable income attributable to the Unit Owners and a notice of the holding of the Annual Unit Owners' meeting. In addition, it is the obligation of the Board to give all Unit Owners annually a copy of the proposed annual budget of the condominium at least ten (10) days prior to the date set for the adoption of such budget.

4. Capital Reserves. The Board has the power to accumulate reserve funds for capital replacements or other purposes to meet the needs of the Condominium in accordance with the Declaration and By-Laws. There are no restrictions on these powers.

5. Repair and Maintenance Of Units and Common Elements

A. Maintenance.

(i) First Class Condition. Each Unit and all portions of the Common Elements shall be kept in first-class (same as new, excepting normal wear and tear) condition, order and

repair (and free of snow, ice and accumulation of water with respect to any terrace, patio, roof or other part of the Property exposes to the elements) by the Unit Owner or the Board, whichever is responsible for the maintenance thereof, and such Unit Owner or the Board, as the case may be, shall promptly make or perform, or cause to be made or performed, all maintenance work that is necessary in connection therewith. In the event that any Unit Owner fails to keep his or her Unit in such condition, the Board may, at the expense of such Unit Owner, enter his or her Unit to perform such acts as are necessary to cure such default.

- (ii) Responsibility for Maintenance and Repairs. Generally, all painting, decorating, maintenance, repairs and replacements, whether structural or non-structural, ordinary or extraordinary: (a) in or to any Unit or Limited Common Element (including, but not limited to, the interior walls, ceilings and floors in the Unit, kitchen and bathroom fixtures and appliances, windows and their frames, sills and sashes, all doors (entrance and terrace or patio, if any) and their frames and saddles, plumbing, gas and heating fixtures) shall be performed by the Owner of such Unit at his sole cost and expense; and (b) in or to the Common Elements which are not covered in subsection (a) shall be performed by the Board as a Common Expense. Notwithstanding the foregoing, however, all maintenance, repairs and replacements to the Common Elements, whether structural or non-structural, ordinary or non-extraordinary, necessitated by the negligence, misuse, or abuse of a Unit Owner, will be made by such Unit Owner at his or her sole cost and expense.

B. Repair or Restoration After Fire or Other Casualty. Except as set forth in the next paragraph, in the event that the Building or any Common Elements is damaged or destroyed by fire or other casualty, the Board will arrange for the prompt repair and restoration thereof.

- (i) Insufficient Insurance Proceeds for Building or Common Element Repair. If the insurance proceeds are insufficient to cover the cost of repairs or restorations of the Building or any Common Elements thereof, the Board may assess all Unit Owners for such deficit as a Common Expense. Any surplus insurance proceeds shall be paid to all Unit Owners in proportion to their respective Common Interests, except that no payment shall be made to a Unit Owner until there has first been paid, out of his share of such funds, such amounts as may be necessary to reduce unpaid liens on his Unit (other than mortgages that are not Permitted Mortgages) in the order of priority of such liens.
- (ii) Insufficient Insurance Proceeds for Unit Repair. If a Unit is damaged by casualty and the proceeds of insurance obtained by the Board are not sufficient to cover the repair of the Unit, the amount necessary to restore the Unit over and above the proceeds from any fire insurance on the Building will be an expense of the individual Unit Owner. In order to protect himself against the possibility of such an expense, the Unit Owner should obtain additional fire insurance coverage above and beyond that coverage maintained by the Board.

- (iii) **Substantial Damage.** If seventy-five (75%) percent or more of the Building is destroyed or substantially damaged and if all Unit Owners do not promptly resolve to proceed with the repair or restoration thereof, the Building will not be repaired and shall be subject to an action for partition instituted by any Unit Owner or lienor, as if owned in common, in which case the net proceeds of the resulting sale, together with the net proceeds of insurance policies, shall be divided among all Unit Owners in accordance with the factors set out in the Condominium Act Section 339-i(1)(iv), which is based on equal percentages between the Units. In the event of any dispute, the issue shall be presented for arbitration in accordance with Article 10 of the By-Laws. No payment shall be made to a Unit Owner until there has first been paid, out of his or her share of such funds, such amounts as may be necessary to discharge all unpaid liens on his or her Unit (other than mortgages that are not Permitted Mortgages) in the order of the priority of such liens. If Sponsor or its designee is then a Unit Owner, it will have the right to vote at any meeting of Unit Owners called for the purpose of deciding whether or not to proceed with the restoration or repair of the Building.

6. Alterations and Improvements

A. Units.

- (i) **Unit Owner's Rights.** Each Unit Owner shall have the right to:
 - (a) make alterations, additions, or improvements in the interior of his Unit, including subdivision thereof or combination of two adjacent Units;
 - (b) make alterations, additions, or improvements to any part of the Property allocated to his Unit; and/or
 - (c) change the layout of his Unit;
- (ii) **Limitation of Unit Owner's Rights.** With respect to any such alteration, addition, improvement or change in, to, of or upon a Unit listed above:
 - (a) no physical modification shall be made to any other Unit, and the Common Interest or interior dimensions of any other Unit shall not be changed by reason thereof, unless the owner of such other affected Unit shall consent thereto;
 - (b) the Unit Owner shall agree to hold the Board and all other Unit Owners harmless from any liability arising therefrom; and
 - (c) such alteration, addition, improvement or change shall not jeopardize the soundness or structural integrity of any part of the Building or the safety of any tenant or other persons at the Property.
 - (d) such alteration, addition, improvement or change shall not commence until the final certificate of occupancy is procured.
- (iii) **Procedure.** In the event that any Unit Owner other than Sponsor wishes to make any modifications to its Unit or Limited Common Elements allocated to its Unit in accordance with the forgoing, such Unit Owner shall apply to the Board for approval. The Board must respond within fifteen (15) days of receiving notice from the Unit

Owner. The Board's failure to timely respond shall be deemed a waiver of its right to reject the proposed modifications. In connection therewith, the Board, on behalf of the Unit Owner, shall execute any applications to any departments or to any governmental agencies having jurisdiction thereof, for any and all permits required in connection the making of alterations, additions, improvements, or repairs in or to a Unit. Notwithstanding the foregoing, no Board approval shall be required for work that is cosmetic in nature and for which no permit is required (painting, changing floors, changing appliances, removing non-load bearing walls with no mechanical or plumbing fixtures contained therein, etc.).

(iv) Result of Subdivision or Merger. In the event that any Unit is subdivided, the resultant Units shall jointly exercise and share the vote allocated to the original Unit. The percentage of Common Interest allocated to the original Unit shall be divided proportionately between the resultant Units. In the event any Units are merged, the resultant Unit shall enjoy the number of votes originally allocated to the original Units. The percentage of Common Interest allocated to the original Units shall be aggregated and assigned to the resultant Unit.

(v) Sponsor's Rights. Sponsor or its designee as respective Unit Owners shall have the right, without the approval of the Board, the Selling Agent, the Managing Agent, other Unit Owners, or representatives of holders of mortgages on Units to (a) make alterations, additions, improvements, or repairs in or to any Unsold Unit(s) or Limited Common Elements allocated thereto, whether structural or non-structural, interior or exterior, ordinary or extraordinary; and (b) to subdivide, combine and change the boundary walls of Unsold Units.

(a) Limitation on Sponsor's Rights. No change will be made in the size or number of Units and/or their respective percentages of Common Interest except by amendment to the Plan and, when applicable, the Declaration. In addition, substitutions of equipment or materials must be of Equal or Better quality and design. Material changes to a Unit's size, layout, or percentage of Common Interest must be consented to by affected Purchasers who are not in default.

(b) Board's Obligation to Execute. At the request of Sponsor, its designee or the Unit Owner, the Board will execute any application or other documents required to be filed with any governmental authority having or asserting jurisdiction in connection with any addition, alteration, improvement, or repair proposed to be made by Sponsor or Unit Owner, at which time Sponsor or Unit Owner shall execute an agreement to indemnify and hold harmless the Board and the Unit Owners from any expense or liability by virtue of the execution of the application or such other documents.

(vi) Notwithstanding Section 6(A) above, the Non-Residential Unit Owners have the right to perform in accordance with law any alterations, additions, or improvements to their respective Unit whether, interior or exterior, ordinary or; and or to subdivide or merge subdivided units, without the consent of the Board or other Unit Owners or

representatives of holders of mortgages on Units to. Notwithstanding the foregoing, no alteration shall jeopardize the structural integrity of the Building and the Non-Residential Unit Owners shall indemnify the Board and other Unit Owners in connection with the work. At the request of the Non-Residential Unit Owner, the Board will execute any application or other documents required to be filed with any governmental authority having or asserting jurisdiction in connection with any addition, alteration, improvement, or repair proposed to be made by the Unit Owner.

- B. Common Elements. Generally, all alterations, additions, or improvements in or to the Common Elements will be made by the Board and the cost and expense thereof will be charged to Unit Owners as a Common Expense. Except as otherwise provided in the By-Laws, no Unit Owner may make any alteration, addition, improvement, or repair in or to the Common Elements. No material change will be made by Sponsor in the size or quality of Common Elements, except by amendment to the Plan and, when applicable, the Declaration. Unless all Purchasers consent, Sponsor may not make any material change in the size nor any material adverse change in the quality of Common Elements.

7. Insurance Coverage

A. Coverage Provided.

- (i) Property/Fire Insurance. The Board shall maintain fire insurance policies insuring the Building (including all Units, kitchen and bathroom fixtures installed therein on the date of recording the Declaration and all service machinery contained therein, but not including appliances or any furniture, furnishings, or other personal property supplied or installed by the Unit Owners or tenants of Unit Owners), and covering the interests of the Condominium, the Board, the Unit Owners and the holders of all Permitted Mortgages, as their replacement value of the Building (exclusive of excavation and foundations), without deduction for depreciation.
- (ii) Public Liability. Until the first meeting of the Board elected by Unit Owners, the public liability insurance will be \$1,000,000.00 per occurrence or \$2,000,000.00 aggregate covering all claims for personal injury or property damage in respect of any one occurrence, and the fire insurance will be at least in the amount set forth in Schedule B which should be referred back to for the details of the proposed coverage. The Board shall review such limits annually. Such public liability insurance will also cover cross-liability claims of one insurer against another, and liability claims for personal and advertising injury and products/completed operations. However, such insurance will not cover individual liability of a Unit Owner arising from any occurrence within the Unit.
- (iii) Form of Insurance. Each of such policies shall contain a New York Standard Mortgagee clause in favor of each Permitted Mortgagee, which shall provide that the loss proceeds, if any, thereunder shall be payable to such Permitted Mortgagee as its interest may appear; subject, however, to the loss payment provisions in favor of the Board and the Insurance Trustee as set forth below. The cost of all such insurance shall be paid by the Board and shall be borne by the Unit Owners as part of the Common Charges. All

policies of physical damage insurance shall contain waivers of subrogation and of any defense based on co-insurance or on invalidity arising from any acts of the insured and of pro rata reduction of liability, and shall provide that such policies may not be cancelled or substantially modified without at least ten (10) days' written notice to all of the insured, including Unit Owners, the Board of Managers and Permitted Mortgagees. Each Unit Owner shall be named as an additional insured on all such policies. Duplicate originals of all policies of physical damage insurance and of all renewals thereof, together with proof of payment of premiums, shall be delivered to all Permitted Mortgagees ten (10) days prior to expiration of the then current policies, and Unit Owner shall receive a certificate of such insurance.

B. Proceeds. The proceeds of all such policies of physical damage insurance shall be payable to the Board or Insurance Trustee, if one is so appointed. Such proceeds shall be applied for the purpose of repairing, restoring or rebuilding the Building, unless otherwise determined by Unit Owners. In no event shall such proceeds be paid to the holder of any mortgage placed by a Unit Owner on his or her Unit unless, in accordance with the By-Laws, there shall be a determination not to rebuild the Building.

C. Additional Condominium Insurance Available. The following coverages are not included in the premium and may be available at extra cost: directors and officer liability, rent insurance in an amount equal to the Common Charges for one (1) year; workers' compensation and New York State disability benefits insurance, in the event the Board hires any employees; elevator liability and collision insurance (if an elevator is present); hazard insurance; boiler and machinery; excess liability; auto liability. In order to safeguard the investment of its Unit Owners in the event of a substantial or total destruction of the Building, the Board should periodically review the amount of casualty insurance for the Building to insure that the amount of coverage equals the Building's then replacement cost. Any insurance maintained by the Board may provide for such deductible amounts as the Board may determine. The cost of all such insurance shall be paid by the Board and shall be borne by all Unit Owners as part of the Common Charges.

D. Additional Unit Owner Insurance. This coverage does not include claims for personal injury or property damage resulting from occurrences in a Unit, nor does it include coverage of the furniture or personal property of Unit Owners. Therefore, each Unit Owner should consider the desirability of obtaining additional insurance at his or her own cost covering among other items: (i) fire or casualty losses to the contents of his or her Unit and any replacements, additions, upgraded fixtures and improvements therein; (ii) personal property; and (iii) liability for personal injury as a result of occurrences in the individual Unit. In the event of a loss, the claim is made payable to the named insured (the Board). Unit Owners shall not be prohibited from carrying other insurance for their own benefit, provided such policies contain waivers of subrogation and provided, further, that the liability of the carriers issuing insurance procured by the Board shall not be affected or diminished by reason of any Unit Owner's other insurance.

E. The Non-Residential Unit Owners shall maintain its own coverage in commercially reasonable amounts and ensure tenants have their own insurance policies in commercially reasonable amounts naming the Condominium as additional insured.

8. Restrictions on the Use of Units. As more fully set forth in the Declaration and By-Laws, each Unit may be used in accordance with local law and zoning regulations and the Certificate of Occupancy. Sponsor may have certain rights as Sponsor and owner of Unsold Units, however, any such right shall only apply so long as Sponsor owns at least one Unit.

Unit Owners must notify the Managing Agent or Board in writing when a child or children under the age of eleven (11) years lives or resides (even temporarily) in the Unit. Each Unit Owner shall install, at the Unit Owner's expense, the required window guards in all windows of the Unit and shall not remove them until permitted by the law and, in any event, without the full knowledge of the Managing Agent.

The Non-Residential Units may be used for any purpose in accordance with law except as follows: (1) an establishment which displays, sells, rents or offers for sale or rent any pornographic material; adult bookstore, (2) any establishment which stocks, displays, sells or rents any drug-related paraphernalia or merchandise, (3) any so-called gentleman's club featuring topless waitresses, nude or semi-nude dancing or private "one-on-one" booths or rooms, (4) illicit non-therapeutic massage parlor, (5) off-track betting parlor or other gambling facility, (6) pawn shop, (7) any business practicing satanic or cult ritualistic activities including so-called "devil worship," black magic or rites of passage involving self-mutilation or degradation; or (8) restaurant including all food service and cooking establishments.

As there are no restrictions in the Bylaws with regard to leasing of Units, there are not specific occupancy limitations in place for Units owned by a corporation, partnership or fiduciary. Guests of occupants must be accompanied at all times by the occupant of the Unit.

In no event shall any bird, reptile, or animal be permitted in any public area of the Building or in any of the public portions of the Building, unless carried or on leash. No pigeons or other birds or animals shall be fed from the windowsills, patios, terraces, or other public portions of the Building, or on the sidewalk or street adjacent to the Building. There are no aesthetic controls in the Building. The Units and Common Elements are limited to residential use and no business or professional use may be carried on in the Units except partially as a home office. Such limitations are more restrictive than those applicable to the Sponsor. So long as Sponsor owns at least one Unsold Unit, Sponsor may, without obtaining the consent of the Board or other Unit Owners, use any one or more of such Units as model units and sales and/or promotion offices in connection with the sale of the Unsold Units or for any other purpose, subject only to compliance with current laws, statutes or regulations.

Nothing shall be done or kept in any Unit or in any of the Common Elements that would increase the rate of insurance for the Property, except upon the prior written consent of the Board. No Unit Owner shall permit anything to be done or kept in a Unit or in the Common Elements that will result in the cancellation of insurance on the Property or the contents thereof, or that would be in violation of any law. No waste shall be committed in the Common Elements.

No nuisance, or immoral, improper, offensive, or unlawful use, as determined by a reasonable person standard, shall be allowed in the Building or any portion thereof. Any question as to whether a use is a nuisance, immoral, improper, offensive, or unlawful shall be determined by the Board in its sole discretion. All valid laws, zoning ordinances and regulations of governmental bodies having

jurisdiction thereof, relating to any portion of the Property, shall be complied with at the sole expense of the respective Unit Owners or the Board, whomever shall have the obligation to maintain or repair such portion of the Property. The Rules and Regulations of the Condominium, which govern the use of all of the Units, may be amended from time to time by the Board, provided that copies of such amendments are furnished to each Unit Owner at least thirty (30) days prior to the time that they become effective. For further discussion, see the "Addendum to the Bylaws - Rules and Regulations" attached as part of Document No. 7 in Part II of the Plan.

Smoking and/or use of electronic cigarettes is prohibited in all locations on the property. This policy is in compliance with the NYC Smoke Free Air Act ("SFAA") and shall apply to all Unit Owners and tenants and their respective invitees as well as other persons on the Property.

Nothing shall be done in any Unit or in, on or to the Common Elements that will impair the structural integrity of the Property or that will structurally change the Building. In no event shall interior partitions contributing to the support of any Unit or the Common Elements be altered or removed except in accordance with the Bylaws.

9. Rights of Access. As more fully set forth in the By-Laws, the Board, and the Managing Agent, superintendent and other persons authorized by the Board, will have a right of access to any Unit for the purposes, among others, of making inspection of, or removing violations of governmental laws or regulations against any part of the Property, curing defaults committed by the owner of such Unit under the Condominium Documents, or correcting conditions originating in any Unit and threatening another Unit or any Common Element. In addition, Sponsor and its contractors, subcontractors, agents and employees will have a right of access to each Unit and to all of the Common Elements for purposes of performing certain alterations and repairs in or about Unsold Units and in fulfilling Sponsor's obligations under the Plan. The right of access is subject to the rights of existing tenants and other occupants of Unsold Units, on not less than two day's prior notice to the Owner of the Unit to which access is required, except in cases of Emergency when such rights of access may be exercised immediately, without advance notice and whether or not the Unit Owner is present.

10. Self-Help. In the event that any Unit Owner fails to maintain or repair parts of the Building required to be maintained or repaired by such Unit Owner, or in the event of any breach of the Condominium Documents, then, as set forth in Article 9 of the By-Laws, the Board shall have certain rights, subject to all applicable laws and regulations, to perform such maintenance or repairs, or to cure such breach, at such Unit Owner's expense.

11. Mechanic's Liens. Under the provisions of the Condominium Act, no lien of any nature may arise or be created against the Common Elements except with the unanimous consent of all Unit Owners. Liens may arise or be created against only the several Units and their respective Common Interests. A lien for labor performed in or materials supplied to a Unit may be filed against the Unit of an owner who has expressly requested or consented to the performance of such work or the supplying of such materials, but may not be filed against the Unit of any other owner who has not expressly requested or consented to the same, except in the case of Emergency repairs. No labor performed in, or materials furnished to, the Common Elements shall be the basis for a lien thereon, but all Common Charges received by the Board shall constitute Trust Funds for the purpose of paying the cost of labor performed or materials furnished at the request or with the consent of the Board or Managing Agent.

12. Compliance with the Terms of the Declaration, By-laws and the Rules and Regulations. Each Unit Owner must strictly comply with the provisions of the Condominium Documents, including, but not limited to the Declaration, By-Laws, or any other rules, regulations or requirements promulgated by the Board, and as the same may be amended, modified, deleted, or added to from time to time pursuant to the terms thereof. Failure to strictly comply is grounds for an action for damages, including but not limited to attorney's fees (in the event the Board is the prevailing party), late charges and interest at the highest legal rate allowable, or injunctive relief, or both.

13. Arbitration. In order to resolve any dispute, controversy, claim or question arising with respect to the Condominium or the Purchase Agreement, the dispute or question shall be submitted to arbitration through the American Arbitration Association ("AAA"), which will give any party the rights he is entitled to under New York law. The arbitration proceeding will follow the rules of the AAA. The arbitrator will be neutral and independent of Sponsor and its principal and will be designated by the AAA. The hearing will take place in the county where the Building is located. The parties are giving up the right to bring suit in court, including the right to a trial by jury, concerning disputes over the disposition of escrowed funds, except as provided by the rules of the arbitration forum in which a claim is filed. The decision of the arbitrators so chosen shall be given within thirty (30) days after their selection or appointment and said decision shall be final and binding. A party's ability to have a court reverse or modify an arbitration award is very limited. The ability of the parties to obtain documents, witness statements and other discovery may be more limited in arbitration than in court proceedings. The arbitrators may not have to explain the reason for their award. Unlike litigation, New York law does not authorize the filing of a notice of pendency based on ongoing arbitration proceedings. There may be time limits within which to bring a claim to arbitration. The fees, costs and expenses of the arbitrators shall be shared equally by the disputants. Each disputant shall also bear the fees and expenses of his or her own counsel and expert witnesses. The rules and fees of the AAA can be found on their website: <http://www.adr.org>. Nothing contained in this paragraph shall be construed to preclude any purchaser's rights under Article 23-A of the GBL. The Board shall follow the directions of the Arbitrators. The panel will have the authority to file their decision with the Court under the New York Arbitration Law and Article 75 of the CPLR. Any decision rendered shall be final and conclusive upon the parties and a judgment thereon may be entered in a court of competent jurisdiction. The decision shall be enforceable in a court of competent jurisdiction.

14. Termination of Condominium; Partition of Common Elements: The Condominium shall continue (unless terminated by casualty loss, condemnation, or eminent domain as provided by the By-Laws) until such time as the Property shall be withdrawn from the provisions of the Condominium Act as a result of the vote to do so by at least eighty percent (80%) of the vote, taken in accordance with the By-Laws. In addition, written consent of Mortgage Representatives, if any, shall be required before such vote is effective. In the event of withdrawal, the Property shall be subject to an action for partition by any Unit Owner or any lienor as if owned in common, in which event the net proceeds of the sale resulting therefrom shall be divided among all Unit Owners in accordance with the value of each of the Units. If there is a dispute, the issue shall be presented for arbitration in accordance with the By-Laws. Before paying any of the proceeds to a Unit Owner, the shares of such proceeds payable to such Unit Owner shall first be applied to the payment of any liens on his or her Unit, in the order of priority of such liens.

V. REAL ESTATE TAXES

1. Separate Assessments. After tax lots are apportioned and the Units are separately assessed, each Unit will be taxed as a separate tax lot for real estate tax purposes and the Unit Owner will not be responsible for the payment or non-payment of taxes on any other Units, nor will his or her Unit be subjected to any lien arising from same.

2. No Separate Assessment before the First Closing. In the event that the Units are not separately assessed at the time of the Closing, the following procedure will be applicable:

A. Sponsor shall place in escrow in the name of the Board an amount equal to the real estate taxes which will be levied against the Property for the six (6) month period following the First Closing. Sponsor will collect at each Unit Closing the estimated amount of taxes attributable to such Unit for that period and authorize reimbursement from the Escrow Agent for said amount. The amount in the Escrow Account will be disclosed in the post-closing amendment. The Board will pay the taxes from the Escrow Account when taxes are due and payable and the funder of the Escrow Account will be entitled to reimbursement from Unit Owners to the extent of the actual assessment.

B. To the extent that the taxes have been paid by the Condominium for the initial period, there will be an adjustment made at the time of the Closing in the amount of prepaid taxes with respect to this Unit, which will be based on the percentage Common Interest allocated to the Unit.

C. The Unit Owner will be required to pay the entire amount of tax allocated to his Unit at the time that the Board is required to make its real estate tax payment to the City of New York. The allocation for taxes will be based on the Unit's percentage of Common Interest.

3. The real estate tax estimates set forth in Schedule A are based on a letter included in section "Real Estate Taxes" from Sponsor's expert, Metropolitan Realty Exemptions, 349 Keap Street, Brooklyn, NY 11211 dated November 7, 2025. Sponsor's expert has been involved in the review of property tax assessments in the metropolitan New York City area for over two (2) years and has filed applications and petitions for reductions in such tax assessments in New York City.

The construction is projected to be completed by February 2026 and the first year of operations is projected to begin on October 1, 2026. The projected real estate taxes for the first year of operation contained in Schedule A are based on an assessment of the Building after construction is complete. The assessed valuation is projected to be approximately \$4,181,455, resulting in total taxes of approximately \$486,357 without ICAP tax benefits and \$273,337 with ICAP tax benefits. The residential assessed valuation is estimated to be \$2,091,423 resulting in taxes of approximately \$261,428 based on a tax rate of 12.5% per One Hundred Dollars of assessed valuation for Residential Units. The Non-Residential assessed valuation is estimated to be \$2,090,032 resulting in taxes of approximately \$224,929 without ICAP benefits and \$11,909 with ICAP benefits based on a tax rate of 12.5% per One Hundred Dollars of assessed valuation for Residential Units.

Estimated real estate tax assessments are determined using various factors including sales price, square footage, location of the Unit, availability of Limited Common Elements and/or access to Common Elements. No assurances can be given that the taxing authorities will assess the Building and allocate assessments in the same manner and the actual assessments may not be in the same proportion as the Common Interests set forth in Schedule A.

After separate tax lots are apportioned, each unit will be taxed as a separate lot for real estate tax purposes and the Unit Owner will not be responsible for the payment of, nor will the Unit be subject to, any lien arising from the non-payment of taxes on other Units.

As per rules and regulations set by the Department of Finance, this Building would be categorized as a tax class 2C, which includes residential condominiums with four or more dwelling units. The tax rate is not yet published but estimates are made based on the current year tax rate of 12.5%. However, it is not possible to accurately determine what the assessed valuation will be and it is equally impossible to predict any future increases in real estate tax rates which may affect the amount of tax due on the Property.

See Schedule A for the estimated real estate taxes for the units for the first year of condominium operation. Since actual figures are not currently available, the figures set forth in Schedule A are based on estimated data. THERE IS NO ASSURANCE THAT THE TAXING AUTHORITY WILL ASSESS THE MINIMUM TAX PAYABLE WITH RESPECT TO THE UNITS, IF ANY, IN PROPORTION TO EACH UNIT’S COMMON INTEREST (AND IF NOT SO ASSESSED, UNITS HAVING THE SAME COMMON INTEREST MAY PAY DIFFERENT REAL ESTATE TAXES).

4. Property Tax Benefits_ Sponsor intends to apply for Real Estate Tax exemption benefits pursuant to the Industrial Commercial and Abatement Program (“ICAP”). The benefits provided under this section are stated in more particularity in the opinion letter included in this Plan from Metropolitan Realty Exemptions, Inc. Briefly stated, the program reduces a portion of the increase in the real property taxes due to the new construction, modernization or rehabilitation of commercial or industrial buildings for up to 25 years. As such, the abatement would reduce the taxes attributable to the commercial unit for 15 years following completion of construction and would phase out over the following 10 years at as follows:

Year	Exemption Amount
1-15	100%
16	90%
17	80%
18	70%
19	60%
20	50%
21	40%
22	30%
23	20%
24	10%
25	0%

In order to qualify, preliminary applications must be filed prior to the issuance of the first building permit and the final application must be filed within one year from the date of the issuance of the building permit. There is a 5 year time limit within which to complete construction. The abatement will be issued on the assessment roll following (1) the issuance of the final certificate of occupancy or (2) 4 years after the first building permit is issued, whichever is sooner. If necessary, Sponsor will amend the plan regarding updates to the projected timetable in which Sponsor has to obtain the ICAP benefits. Sponsor submitted the preliminary ICAP application on 6/10/2020 and expects to complete the construction within the 5 year time limit.

Sponsor will keep all records required by HPD and will make them available to HPD whenever requested to do so. HPD routinely conducts audits, which can result in the reduction or revocation of benefits if the proper documentation is not provided. Upon closing, it will make all tax benefit documents available to the Board for inspection and copying for the life of the benefits. Sponsor will file all application and timely comply with all procedures required to properly process and maintain the tax benefits.

Sponsor will pursue this application at its sole cost and expense without reimbursement from purchasers and will use its best efforts to obtain the benefits. However, no warranty is made that the tax benefits being applied for will be obtained. In the event that the tax exemption is not obtained, or in the event that there are increases in the tax rate or the property's assessed valuation or in the statutes governing the tax exemption, real estate taxes may be higher than set forth herein for the first year of operation and in future years and accordingly individual carrying costs for the units would also be higher. Purchasers will not be entitled to rescission if the tax exemption is not obtained.

Sponsor does not expect receipt of the benefits to subject any rentals in the building to rent regulation laws, by reason of the Condominium status, provided the condominium is properly consummated in accordance with applicable law prior to any such rentals. There is no governmental assistance for this project. Sponsor will keep all records required by HPD and will make them available to HPD whenever requested to do so. HPD routinely conducts audits, which can result in the reduction or revocation of benefits if the proper documentation is not provided. Upon closing, it will make all tax benefit documents available to the board for inspection and copying for the life of the benefits. Sponsor will file all application and timely comply with all procedures required to properly process and maintain the tax benefits. Sponsor will amend the plan to disclose the status of the application and receipt of benefits.

The explanation and projection prepared by Sponsor's tax abatement expert is expressly adopted by the Sponsor and included as part of this Plan. The projections of taxes due for the first year of operation are based on the figures and estimates in the accompanying expert's opinion as to real estate tax benefits. However, it is not possible to accurately determine what the increase in actual assessed valuation will be. Moreover, it is equally impossible to predict any future increases in real estate taxes which may affect the amount of tax due on the property.

NO WARRANTY IS MADE THAT THE TAX BENEFITS BEING APPLIED FOR BY THE SPONSOR WILL BE OBTAINED. IN THE EVENT THAT TAX BENEFITS ARE NOT OBTAINED, OR IN THE EVENT THAT THERE ARE INCREASES IN THE TAX RATE OR THE PROPERTY'S ASSESSED VALUATION OR IN THE STATUTES GOVERNING THE TAX BENEFITS, REAL ESTATE TAXES MAY BE HIGHER THAN SET FORTH HEREIN

**FOR THE FIRST YEAR OF OPERATION AND IN FUTURE YEARS AND ACCORDINGLY
INDIVIDUAL CARRYING COSTS FOR THE UNITS WOULD ALSO BE HIGHER.**

5. Determination of Real Estate Taxes. Estimated real estate tax assessments are determined using various factors including sales price, square footage, location of the Unit, availability of Limited Common Elements and/or access to Common Elements. No assurances can be given that the taxing authorities will assess the Building and allocate the assessments in the same manner and the actual assessments may not be in the same proportion as the Common Interests set forth in Schedule A. As of the date of submission, no tax certiorari proceedings are pending on the Property.

6. Review of Real Estate Assessments. In accordance with Section 5.11 of the Bylaws, the Board will be responsible for reviewing, appealing and filing any documents necessary for obtaining a reduction in the tax assessment and will file such documents on behalf of all of the Unit Owners for such time as the lots are not apportioned. Such Unit Owners shall execute any documents required for such filing. After the Units have been separately assessed, tax review for each Unit will be the responsibility of the Unit Owner.

Letter of Opinion on ICAP Real Estate Tax Exemption Benefits and Tax Liabilities

Project Details: 20 residential condominiums, two community facility units, and four commercial units.

To Whom It May Concern,

You requested our opinion regarding whether the property above qualifies for partial real estate tax abatement benefits under Section 489-aaaaaa of the New York State Real Property Tax Law and the rules adopted by the New York City Department of Finance, as amended (collectively, the "ICAP Program"). Additionally, this letter provides an estimate of the property's real estate tax liabilities both with and without the program and its benefits.

Project Details

To prepare this letter and the opinion provided herein, you have given us the following information upon which we have relied:

METROPOLITAN Realty Exemptions, Inc.

1. The subject property is located at 170 Williamsburg Street East, Brooklyn, NY, and is identified as Block: 2199, Lot 222 with the New York City Department of Finance ("DOF").
2. Before the commencement of construction, the property was classified as a Tax Class 4 with the DOF.
3. This application proposes a new mixed-use building, which will include 20 residential condominiums, two community facility units, and four commercial units.
4. The building will have a total of 51,501.90 gross square feet, including 6,358.70 square feet for daycare in the cellar, 1,534.80 square feet for residential use in the cellar, 6,797.10 square feet for commercial space above grade, 7,072.90 square feet for community facilities above grade, and 29,738.40 square feet for residential space above grade.
5. Separate condominium tax lots will be filed with the DOF for each residential and commercial unit.
6. According to assessment guidelines, the DOF Surveyor's Office will classify the commercial unit and the parking area as tax class four (4) and apply an assessed value ("AV") at a rate of 45% of the market value.
7. The residential units will be classified as a tax class two (2) and will therefore apply an assessed value at a 45% rate of the market value.

ICAP Real Estate Tax Benefits

The Industrial and Commercial Abatement Program (ICAP) provides property tax abatements for eligible industrial and commercial projects. The Industrial and Commercial Abatement Program (ICAP) reduces some of the increase in real estate taxes caused by new construction, modernization, or rehabilitation of industrial or commercial buildings by offering up to 25 years of property tax abatements for eligible projects.

Eligible ICAP applicants receive a tax abatement equal to a percentage of the "Abatement Base." The "Abatement Base" is calculated as the "Post-completion Tax" minus 115% of the "Initial Tax." The "Post-completion Tax" is the taxable assessed value (the lesser of the actual or transitional assessed values) shown on the assessment roll with a taxable status date immediately following either the completion of construction (issuance of a Final Certificate of Occupancy) or four years from the date of the project's first building permit, multiplied by the "Initial Tax Rate." The "Initial Tax Rate" is the tax rate applied to the assessment roll with a taxable status date immediately before the issuance of the first building permit.

The "Initial Tax" is the taxable assessed value listed on the assessment roll with a taxable status date immediately before the issuance of the first building permit, multiplied by the "Initial Tax Rate." Neither the post-completion tax nor the Initial Tax includes the assessed value of the property's land, and the ICAP abatement does not apply to reduce the real estate tax related to the land.

Based on the above calculation, if there is no significant construction in the first four years after the initial permit, then the ICAP will not provide any benefit.

Commercial retail projects receive the abatement described above for 11 years based on the increase in assessed value attributable to improvements. This is followed by a 4-year phase-out period during which the benefit is reduced by 20% each year. Commercial projects that do not include retail space in designated special exemption areas are eligible for the same exemption for 16 years. Afterward, the exemption decreases by 10 percent each year for the subsequent 9 years. Additionally, during years 2-13 of the abatement period, if the increase in tax liability over the previous year exceeds 5 percent, that excess will be added to the abatement base. However, in any year from 2 to 13, if the taxable AV increases due to a physical change that results in a tax increase of more than 5%, then none of that increase is included in the abatement base. When more than 10% of the building is used for retail, only the non-retail parts and up to 10% of the retail area qualify for the 25-year benefit. The remaining retail space will be eligible for benefits based on the 15-year schedule. The subject project is located within the designated special abatement area.

It is important to note that ICAP benefits are only granted after the first tax year (beginning July 1 of any year) following the completion of construction. Construction is considered complete once a Final Certificate of Occupancy has been issued.

Eligibility Requirements

A preliminary application must be submitted before the issuance of the first building permit or, if no permit is needed, before construction begins. Projects will NOT qualify for benefits if a building permit is issued before the preliminary application is filed.

The final application must be submitted within one year of the issuance of the building permit, or if no permit is required, within one year from the start of construction. It can also be submitted no later than one year after the initial permit is issued or construction begins. The 1-year rule only applies to applications where the ICAP preliminary application was filed before March 10, 2017.

Time Limit for Construction

There is a 5-year deadline to finish construction. If not completed within this period, inflation protection will be terminated, if applicable.

Minimum Required Expenditure (MRE)

The minimum required expenditure for commercial construction is 30% of the property's assessed value in the tax year with a taxable status date immediately before the issuance of the project's first building permit. For additional industrial construction abatement, the minimum required expenditure increases to 40%. Applicants have four years from the date the first building permit is issued to meet the full MRE.

MWBE Requirement

As required by applicable rules and regulations, properties applying for the Industrial and Commercial Abatement Program (ICAP) with hard costs of \$750,000 or more must include City-certified Minority- and/or Women-Owned Business Enterprises (M/WBE) in construction. Applicants are required to solicit bids from at least three (3) certified M/WBE firms for each subcontracted scope of work.

Department of Labor Service

If a project costs \$2,500,000 or more in construction, you must file a Construction Services Report and get approval from the Department of Labor Services (DLS). This must be done before starting construction to qualify for ICAP benefits. Not obtaining the necessary approval from the DLS will lead to your ICAP application being denied.

ICAP Eligibility

Based on the information you and your architect provided, and assuming you complete the work on time and file all required documentation under the ICAP Program of the Real Property Tax Law and applicable rules and regulations, and if the current ICAP provisions remain in effect, it is our opinion that:

- Once construction is finished, the premises will qualify for the ICAP partial real estate tax exemption under Section 36-12 (ICAP Abatement Schedules) of the Rules of the City of New York, for up to 25 years, including the Inflation Protection Benefits mentioned above.
- All ICAP partial real estate tax benefits can be revoked or reduced if the application omits or misstates a material fact, if real estate taxes are not paid in full or are underpaid, or for other specified reasons. Additionally, benefits may be revoked for certain business or labor law violations.

DOF Assessment Guidelines

The New York City Department of Finance evaluates the values of all residential and commercial properties in the city every year. Based on the assessor's assessment as of the taxable status date, January 5th, the Department releases preliminary property values in January and final assessments in May, before each tax year begins. Assessments in New York City are calculated on a fiscal year that starts on July 1st and ends on June 30th of the following year.

The property tax assessment process begins when the city's assessors determine the market value of the property. Property tax is only imposed on a portion of that value, called the assessed value. For 1-3 family homes and condominiums with no more than three stories that were previously classified as class one, the assessed value is 6% of the market value. For all other properties, taxes are based on 45% of the market value.

The annual property tax is calculated by applying the set tax rates each year by the City Council to these property values. The current 2025 tax rates are 10.762% for tax class 4 and 12.500% for tax class 2.

Proposed Real Estate Tax Liabilities

Our opinion is based on several factors: (a) the property's recent tax assessment history; (b) new and/or renovated comparable projects in the neighborhood; (c) overall market conditions in the area; (d) estimated construction costs; and (e) the total usable floor area calculation.

Assessments in New York City are based on a fiscal year that begins on July 1st and ends on June 30th of the following year. The assessment for each fiscal year is determined by the building's status on January 5th of that year.

METROPOLITAN Realty Exemptions, Inc.

Real Property Tax Law Section 1805 establishes a transition assessment system in New York City. This system distributes the typical increase in a property's assessed value over five years equally, instead of all at once. The five-year phase-in does not apply to new construction or other physical improvements, which are fully added to the assessment the following year. According to Real Property Tax Law Section 1805, the taxable assessment is the lower of the actual assessed value and the transition assessed value.

We anticipate a significant rise in value for the 2026/27 and/or 2027/28 tax years due to new construction, and this increase will likely be reflected immediately in the assessment roll. However, in later years, any additional market value increases will probably lead to the taxable assessment being based on a phased-in transition assessment, as described earlier.

Condo or Non-Action Condo Requirement

According to The Rules & Regulations, a Condo or a Non-Action Condo Declaration must be filed with the Attorney General's office to subdivide the commercial space from the residential space into two separate tax lots. Once the condo Declaration is implemented and in effect, so that the commercial space has its own tax lot, the NYC Department of Finance will apply the ICAP tax exemption benefits to the commercial space only. As per the Rules and Regulations, the ICAP benefits cannot be granted before the subdivision and the implementation of the non-action Condo.

Post-Completion Projected Assessed Value and Tax Liability

Considering the factors mentioned above, we estimate that for the post-construction tax year, the DOF will set the Total Assessed Value at approximately \$4,181,455.

Assuming the 2025 tax rates of 10.762% for tax class 4 and 12.500% for tax class 2, the projected tax liabilities will be as follows:

Commercial Tax Liability without ICAP	
Assessed Value	\$2,090,032
Tax Liability	\$224,929
Commercial Tax Liability with ICAP	
Assessed Value	\$2,090,032
Tax Liability	\$224,929
ICAP Abatement Amount	-\$213,020
Commercial Tax Liability	\$11,909

Residential Tax Liability	
Assessed Value	\$2,091,423
Tax Liability	\$261,428

Assessment and Taxation of Individual Condominium Units

In determining the assessed values of individual units, the NYC Department of Finance may use the common interest percentages outlined in the condominium declaration, as long as these percentages are rationally and fairly calculated.

METROPOLITAN Realty Exemptions, Inc.

Note: The assessed values of individual units may be allocated using a method that differs from the allocation of common interests.

According to Section 339-y of the New York Real Property Law, each condominium unit—along with its allocated percentage of common interest—is to be assessed and taxed individually as a separate tax lot.

This means that:

1. Each condominium unit owner is responsible only for their unit's property taxes, not for any other units in the condominium.
2. The nonpayment of taxes by one unit owner **does not create a lien** on any other unit within the condominium.
3. The NYC Department of Finance must treat each unit as an independent parcel for assessment and taxation purposes.

This provision safeguards individual unit owners from liability for their neighbors' unpaid taxes, reinforcing the legal and financial independence of each condominium unit.

Important! Biennial ICAP Renewal

Please note: All ICAP benefit recipients must complete a CCU (Certificate of Continuing Use) to renew the abatement every two years, concerning specific business operation data related to the recipient's economic impact and outcomes. This report should include information such as tenancy data, details about employment creation and job retention, and any other information the department considers relevant.

Disclaimer

Although the aforesaid estimate of the Actual Assessed Valuation is a good-faith estimate, it is not possible to estimate the same with any degree of certainty. Assessed valuations, when made, may be lesser or greater based on the interpretation of the administrative code and the applicable rules and regulations of the City of New York.

Though we believe our opinions are well-founded, they are not intended, and should not be construed as warranties or guaranties or representations as to future assessed valuations of the property under discussion, and we accept no responsibility or liability in the event that the figures or projections set forth herein are incorrect or inaccurate. In no event will this firm, the Sponsor, the Sponsor's counsel or any other person be liable if the assessed valuation, when actually made, is lesser or greater than that estimated above, or if the administrative code and the applicable rules and regulations of the City of New York are changed in the future, or if the facts as represented prove to be untrue.

Sincerely yours,

Martin Joseph

To Whom It May Concern:

Pursuant to your request, we have reviewed the Condominium Offering Plan (the “Plan”) for The 170 Williamsburg Street Condominium (the “Condominium”), including the opinion letter dated November 7, 2025 from Metropolitan Realty Exemptions, Inc.

You have requested our opinion, based on our review of the foregoing and assuming that the Plan is consummated in accordance with its terms, as to whether, under present laws and regulations, the four Commercial Units and two Commercial Facility Units in the Condominium will be eligible upon their completion for partial real estate tax exemption under the ICAP program.

W. COUNSEL'S INCOME TAX OPINION

October 27, 2025

Re: Offering Plan ("Plan") for the Condominium Ownership
of the Premises known as 170 Williamsburg Street East, Brooklyn, NY
(the "Property")

To Whom It May Concern:

You have requested our opinion with regard to certain Federal, New York State and New York City income tax matters relating to a person ("Unit Owner") who purchases a Condominium Unit under the Plan.

In connection with this opinion, we have reviewed the Plan including the exhibits thereto and such other documents as we considered necessary for the purposes of this opinion.

The opinion expressed herein is based upon the assumptions that the Plan becomes effective and is consummated in accordance with its terms and condominium ownership of the Property is validly established. All terms not otherwise defined herein shall have the same meanings ascribed to them in the Plan.

The method selected for calculating the percentage of Common Interests in the Condominium pursuant to Real Property Law Section 339-i(1) is subparagraph (iv), which provides for the allocation to be made based upon floor space, subject to the location of such space and the additional factors of relative value to other space in the Condominium, the uniqueness of the Unit, the availability of Common Elements for exclusive or shared use, and the overall dimensions of the particular Unit.

The percentages of Interest in the Common Elements in this Condominium have been allocated to the Units in accordance with the above factors in compliance with Real Property Law Section 339-i(1)(iv). They were allocated in this manner as the Units are unique.

I. Tax Deductions for Unit Owners Under the Plan:

(1) a Unit Owner will receive legal title in fee simple to the Unit coupled with ownership of an individual interest in the Land and appurtenances and all other parts of the Building held in common with other Units Owners in its Building (the "Common Elements");

(2) each Unit will be a separate tax lot for the purposes of The New York City real estate tax, and the Unit Owner will be directly liable to

The City for the real estate tax assessment with respect to his Unit, but not with respect to any other Unit;

(3) subject to certain restrictions as to form, a Unit Owner may mortgage his Unit as he wishes, and will be individually liable for payment of principal and interest (and/or finance charges) on such mortgage but the Unit will not be subject to the lien of any mortgage placed on other Units; and

(4) a Unit Owner may separately transfer his Unit subject, with certain exceptions, to certain rights of the Board of his Building.

Accordingly, it is our opinion that a Unit Owner who itemizes deductions will be entitled to deduct, for Federal income tax purposes, real estate taxes assessed against his Unit as well as interest on any mortgage indebtedness secured by his Unit.¹ See Sections 163 (interest) and 164 (taxes) of the Internal Revenue Code of 1986, as amended (the "Code"); Revenue Ruling 64-31, 1964-1 (Part I) Cum. Bull. 300.² These expenses will be deductible when paid or accrued in accordance with the Unit Owner's method of accounting. Under the Tax Cuts and Jobs Act of 2017, the amount of the all state and local taxes able to be deducted, including property tax, was limited to \$10,000.00 and the mortgage interest deduction is limited to the interest on a mortgage up to \$750,000.00 in principal. The "One

¹ However, the Internal Revenue Code of 1986, as amended, provides that if the Unit Owner has more than two (2) residences, he/she will not be able to deduct his/her interest of his/her condominium unit loan. See section "Taxes: Deductions to Unit Owners and Tax Status of the Condominium."

² The New York State and City tax laws incorporate by reference Federal itemized deductions in regard to resident individuals (see N.Y. Tax Law Section 615; N.Y.C. Admin. Code Section T42-115.0) and for corporations (see N.Y. Tax Law Section 208.9; N.Y.C. Admin. Code R42-2.0.8). Hence, all Federal authorities hereinafter referred to should, for the most part, apply under the New York State and/or City income tax statutes and to the extent that deductions are permitted for Federal tax purposes, they will be permitted for New York State and New York City tax purposes. It should be noted, however, that (i) for New York State and New York City income tax purposes, the interest and real estate tax deductions discussed herein may be reduced for a taxpayer who has certain specified items of tax preference (see N.Y. Tax Law Section 622; N.Y.C. Admin. Code Section T42-122.0); and (ii) for Federal income tax purposes, a Unit Owner may be liable for an alternative minimum tax based upon certain deductions taken (including interest on mortgages) (see Section 55 of the Internal Revenue Code). New York State also imposes a minimum tax based on certain Federal tax preference items including adjusted itemized deductions. See N.Y. Tax Law Sections 601-A and 622.

Big Beautiful Bill Act" (OBCCA), enacted in July 2025, temporarily raised the cap to \$40,000 (\$20,000 for married filing separately) beginning in tax year 2025. This increased cap is set to rise 1% annually through 2029 before reverting to \$10,000 in 2030. In addition to the interest and real estate tax deductions discussed above, a Unit Owner who uses all or part of his Unit in the conduct of his trade or business or for the production of income may deduct a portion of Common Charges allocable to such use. Each such Unit Owner will be entitled to deduct cost recovery on his Unit (similar to depreciation), computed separately and based upon the cost of his Unit (see Code Section 1012). Such deduction may be determined under Code Section 168 by using the straight-line method or under ACRS tables which approximate the use of 175% declining balance method, switching to straight-line recovery in later years. The excess of accelerated cost recovery deductions over deductions computed using the straight-line method is an item of tax preference and may result in Unit Owners incurring alternative minimum tax. The amount of permitted deductions has been modified by the Internal Revenue Code 1986. The deduction of Common Charges is limited to that portion which does not exceed the Unit Owners' share of expenses paid or incurred through the Condominium and which would constitute trade or business expenses under Code Section 162 or would constitute expenses for the production of income under Code Section 212, if they were paid directly by the Unit Owner. Common Charges may exceed the deductible amount to the extent that Common Charges are used by the Board to finance capital expenditures or reserves. The amount used to fund capital expenditures or reserves are not deductible and must be capitalized by Unit Owners, increasing the basis in the Unit and thus the cost recovery deduction available for that Unit.

II. Tax Treatment of Condominium and Board of Managers

Under the Plan, each Condominium, via the Board, will determine, assess to, and collect from, its Unit Owners, in proportion to their respective Common Interests, the Common Charges to pay the costs and expenses of operating, repairing and maintaining the Common Elements of that Building.

The tax status of the Board is uncertain and turns upon whether the Condominium Board is treated as a mere conduit for Unit Owners or as an association taxable as a corporation.

If the Board is deemed to be the conduit for the Unit Owners, all income of the Condominium, such as investment income earned on interim investments or rent on any Unit it acquires, less the applicable expenses of earning such income, will be deemed income to the Unit Owners and taxable to them. However, Common Charges will not be considered income to the Condominium Board.

The Service, however, may take the position that the Unit Owners, acting through the Condominium Board, constitute an association taxable as a corporation (an "Association")³ because of, e.g.:

(1) the Board's centralized management powers over the Building;

(2) the attempt to limit contractual liability of Unit Owners, for the contracts entered into by the Condominium, to the Unit Owners' proportionate share of such liability in accordance with their common interest in the entire Condominium; and

(3) the possibility of perpetual life. (See Treas. Reg. 301.7701-2, and discussion in Shapiro, Commercial Condominiums: Tax Considerations for Unit Purchasers and the Association, 41 J. TAXATION 204, 206-08 (Oct. 1984) and Wolitzer, Condominium -- Organization, Taxes and Accounting, XL N.Y.C.P.A. 893, 899-900 (Nov. 1970).)

If the Condominium were treated as an association taxable as a corporation it would be subject to Federal income tax on the excess of the portion of its receipts including Common Charges and laundry concession income which is deemed to constitute gross income over any deductible expenses.

To the extent that any portion of the Common Charge receipts is segregated and used to finance specified capital expenditures or reserves, said portion may be excluded from gross income of the Association. (See Rev. Rul. 74-563, 1974-2 Cum. Bull. 38; L.R.B. 1974-47.6; and *Lake Petersburg Ass'n v. Commissioner*, 33 CCH Tax Ct. Mem. 259 (1974)). In such event, the Unit Owners might be required to pay further Common Charges to fund the Federal income tax liability of the Association. Any such Common Charges would probably be deemed to constitute additional gross income to the Association -- upon which further Federal tax would be owed. See *Old Colony Trust Co. v. Commissioner*, 279 U.S. 716 (1929), and cf. Rev. Rul. 74-75, 1974-1 Cum. Bull. 19.

In an effort to resolve the above uncertainty, Section 528 was added to the Code, pursuant to which the Board may, if qualified, elect to exclude from income the Common Charges payable by Unit Owners. (New York State and New York City have not adopted a similar statute.) This exemption is available to the Board only if:

(i) 60% or more of the gross income for the taxable year is received as fees or assessments from owners of Units ("Exempt Function Income");

³

If such an association were found to exist, it is our view that it would not constitute a tax exempt organization under Section 501(c) as an organization operated exclusively for the promotion of social welfare (cf. Rev. Rul. 74-99, 1974-1 Cum. Bull. 131).

(ii) 90% or more of the expenditures for the taxable year are for management, acquisition, maintenance and care of Common Elements;

(iii) 85% or more of the total square footage of all Units within the Condominium must be used by individuals for residential purposes;

(iv) No part of the net earnings may inure to the benefit of any private individual except through the rebate of excess assessments or indirectly through the acquisition, management and maintenance of association property.

A Condominium meeting the requirements of Section 528 of the Code and electing to be exempt from federal income tax on exempt function income would be taxable at corporate rates, with some minor modifications, on the amount by which its non-exempt function income exceeds the amount of allowable deductions which are directly connected with the production of such income.

It is our opinion that the Condominium will not meet the requirements for election of Section 528 during its first year of operation. Thus, the Condominium may not make such election during the first year if it is advantageous. However, since the requirements for election under Section 528 are applied annually it cannot now be determined whether the Condominium may elect Section 528 treatment in any subsequent tax year.

We express no views as to any Federal, New York State and/or New York City tax consequences or as to any aspects of the Plan other than those explicitly discussed in this opinion. Nor do we express any view as to the tax status and tax consequences of the Plan under the laws of any other U.S. or foreign jurisdictions. This opinion does not deal with tax consequences which may result to a foreign Unit Owner by reason of his foreign status. This opinion also does not deal with the tax consequences which may arise if Units are acquired and/or leased by the Board or with respect to whether a Unit Owner may be deemed a resident of New York City due to ownership of a Unit. We therefore strongly advise each person contemplating the purchase of a Unit to consult his own tax advisor as to all such tax matters (including the tax matters discussed in this opinion).

We make no warranty that the Internal Revenue Service, the New York State Department of Taxation and Finance or the Finance Administration of The City of New York will accept any or all of the views stated above. Moreover, the Federal, State and City tax laws and regulations (and the rulings and decisions thereunder) may change and thereby affect, in whole or in part, the views stated above.

IN OUR OPINION, EACH UNIT OWNER WILL NOT BE ENTITLED TO INCOME TAX DEDUCTIONS AS DESCRIBED ABOVE. HOWEVER, THIS OPINION IS NOT A GUARANTEE; IT IS BASED UPON EXISTING RULES OF LAW APPLIED TO THE FACTS AND DOCUMENTS REFERRED TO ABOVE. NO ASSURANCES CAN BE GIVEN THAT THE TAX LAWS UPON WHICH COUNSEL BASE THIS OPINION WILL NOT CHANGE. IN NO EVENT WILL THE SPONSOR, THE SPONSOR'S

COUNSEL, THE CONDOMINIUM BOARD, COUNSEL TO THE CONDOMINIUM BOARD, THE SELLING AGENT OR ANY OTHER PERSON BE LIABLE IF THERE ARE CHANGES IN THE FACTS ON WHICH COUNSEL RELIED IN ISSUING THIS OPINION, OR IF THERE ARE CHANGES IN THE APPLICABLE STATUTES, REGULATIONS, DECISIONAL LAW OR INTERNAL REVENUE SERVICE RULINGS ON WHICH COUNSEL RELIED WHICH CAUSE THE CONDOMINIUM TO CEASE TO MEET THE REQUIREMENTS OF THE INTERNAL REVENUE CODE OF 1986, AS AMENDED, OR THE NEW YORK STATE TAX LAW, AS AMENDED. IN SUCH CASE, THIS LETTER MAY NOT BE RELIED UPON AND SHOULD BE UPDATED TO REFLECT THE THEN-CURRENT LAW AND FACTS.

PURCHASERS ARE ADVISED TO CONSULT WITH THEIR OWN PRIVATE COUNSEL OR EXPERT REGARDING THE TAX CONSEQUENCES OF PURCHASING A CONDOMINIUM UNIT.

We consent to the incorporation of this opinion in the Plan.

Very truly yours
Jeffrey Zwick & Associates, P.C.

X. RESERVE FUND

The budget and section 2.4(A)(xxv) of the bylaws provides for a reserve fund to provide for major capital expenses, which is the maintenance, improvement or replacement of any aspect of the property that will either enhance the overall value of the property, adapt it to new uses, or increase its useful life. Examples of a major repair or major capital expense are replacement of the roof or the windows. The basis of the figure projected for this item must be at least fifteen percent (15%) of the Common Charges. It is intended that the Board, at all times, maintain the reserve fund in an amount equal to 15% of Common Charges.

The Reserve Fund will be funded from part of the monthly Common Charge payments made by Unit Owners including Sponsor so long as Sponsor still owns Units. Of each Common Charge payment, 15% of said payment shall be deposited into the separate Reserve Fund bank account. As such, the Reserve Fund will not be fully funded until after the first year of operation.

In addition to the monthly contributions, the reserve fund shall also be supplemented by 15% of the Initial Capital Payment which is collected from all initial Purchasers at Closing. Because of this supplement, the actual amount of the Reserve Fund at the end of the first full year of Condominium operations will be greater than the amount projected in Schedule B.

At this time, Sponsor has no knowledge of any capital improvements that may have to be made during the first five years of Condominium operation. If the amount in the reserve fund is inadequate to cover major capital improvements needed, there may be an increase in Common Charges or the Board may impose a special assessment. The reserve fund may not be used to reduce projected Common Charges in the Plan.

NEITHER THE DEPARTMENT OF LAW NOR ANY OTHER GOVERNMENT AGENCY HAS PASSED UPON THE ADEQUACY OF THE RESERVE FUND.

Y. WORKING CAPITAL FUND

Sponsor, as agent of the Board, will collect from each original Purchaser at the time of the Closing an Initial Capital Payment equal to two (2) months' estimated Common Charges for the Unit. Since Sponsor is not a Purchaser, Sponsor does not contribute to this account. The Sponsor will deliver the funds so collected to the Board. 15% of this contribution shall be deposited into the separate Reserve Fund bank account. The remaining 85% of these funds will provide the necessary working capital for the Condominium, which amount shall be deposited into a bank account and may be used for certain prepaid items, organizational costs, and for such other purposes as the Board of Managers may determine and may be replenished as the Board sees fit.

While the Sponsor is in control of the Board, the working capital fund shall not be used to reduce estimated Common Charges. There will be no adjustments at Closing between the Board and the Sponsor.

NO REPRESENTATION IS MADE THAT THE INITIAL WORKING CAPITAL FUND WILL BE ADEQUATE TO COVER CURRENT OR FUTURE EXPENSES, INCLUDING REPAIRS OR REPLACEMENTS, AND IF ADDITIONAL FUNDS ARE REQUIRED OVER AND ABOVE THE INITIAL CAPITAL FUND, IT MAY BE NECESSARY FOR THE BOARD OF MANAGERS TO INCREASE THE COMMON CHARGES OR IMPOSE AN ASSESSMENT ON UNIT OWNERS. NEITHER THE DEPARTMENT OF LAW NOR ANY OTHER GOVERNMENT AGENCY HAS PASSED UPON THE ADEQUACY OF THE WORKING CAPITAL FUND.

Z. CONTRACTS

Management Agreement

On or about the First Closing, the Board shall enter into an agreement to manage the property with a third party agent, Top Quality Management, 199 Lee Avenue, Ste 286, Brooklyn, New York 11211 (“Managing Agent”) to manage the Condominium. The agreement will automatically renew each year unless cancelled within sixty (60) days of the expiration of the term. The agreement may be canceled by either party after default on ten (10) days’ prior notice or within the sixty (60) days prior to the expiration of the term. The Board of Managers may cancel the agreement without cause. The agreement may be assigned by the Managing Agent. During the Initial Control Period, the Sponsor controlled Board will determine whether the management agreement will be cancelled or renewed.

The Managing Agent’s main duties, among others, will be: to bill and collect Common Charges and other charges; bookkeeping; to maintain the Building as advised by the Board, to contract for necessary services, supplies, etc.; and to supervise, hire and discharge employees. The Board shall be obligated to reimburse the Managing Agent for expenses incurred and to indemnify the Managing Agent against liability for acts properly performed by it pursuant to the agreement.

There are no other agreements in place that will be binding on the Condominium at this time. If Sponsor enters into agreements that will affect Unit Owners, the Offering Plan will be amended to disclose all pertinent information.

Said rights, if any, may not be used to add space or floors to the subject Property however, when sold, may be used to add space or floors to adjacent buildings. The number of floors that may be added to adjacent buildings is not known at this time as there are no substantial usable development rights available.

AD. DOCUMENTS ON FILE

Offering Plan and Exhibits. There will be a charge of forty cents (\$0.40) per page for copying any documents. All deeds conveying, and all mortgages covering, individual Units will also be recorded in such office.

AE. GENERAL

1. No Claims. There are no lawsuits, administrative proceedings, or other proceedings, the outcome of which may materially affect this offering, the Purchasers of Units, the Property, Sponsor's capacity to perform all of their obligations under the Plan, the Condominium, or the operation thereof, except as may be further herein expressly set forth.
2. No Prior Public Offerings. This Property has not been the subject of any prior public offerings. No Purchase Agreement have been entered into and no deposits or advances of funds accepted as of the date the Plan is accepted for filing.
3. No Occupants. None of the Units in the Building which is the subject of this Offering Plan are occupied by residential or commercial tenants as of the date of submission of the Plan to the Department of Law. The units will remain vacant until consummation of the Plan, unless sooner occupied pursuant to an Interim Lease.
4. No Discrimination. In accordance with the provisions of the laws of the State and City of New York, neither Sponsor, Selling Agent or Managing Agent engaged by Sponsor nor any principal thereof will discriminate against any Person because of sex, sexual orientation, race, creed, color, national origin, ancestry, or other ground prescribed by law in the sale of the Units offered by the Sponsor pursuant to the Plan or in the leasing of any such Units or any other portion of the Building.
5. Sponsor's Right to Revise the Offer. Sponsor reserves the right to revise, from time to time, the terms and conditions upon which the Units are to be sold and to otherwise revise the Plan, including revisions affecting the rights, obligations, and liabilities of Sponsor, Purchasers, or prospective Purchasers, without obtaining the consent of Purchasers or others. However, Sponsor may neither unilaterally cancel an outstanding Purchase Agreement, except as therein provided (such as in the case of an uncured default), nor unilaterally change the purchase price, the payment terms or change the material terms contained in such a Purchase Agreement. All substantive or material revisions will be contained in a duly filed amendment to the Plan. Notwithstanding the foregoing, unless an affected Purchaser consents in writing, no material change will be made in Unit size, layout or percentage of Common Interest if a Purchase Agreement has been executed and delivered to Sponsor for that Unit and the Purchaser is not in default. Unless all Purchasers consent, no material change will be made in the size and no material adverse change will be made in the quality of Common Elements.
6. Purchasers Right of Rescission. Purchasers have a right to rescind Purchase Agreements following material adverse amendments to the Offering Plan. Material adverse amendment is any amendment which discloses a material revision adversely affecting the rights, obligations or liabilities of then existing Purchasers or reducing the undertakings or obligations of Sponsor. The purchaser shall have a right to rescind by sending written notice to the Sponsor not less than fifteen (15) days after being presented with a copy of the amendment. Sponsor will return any Down Payment with interest earned thereon, if any, to Purchasers who rescind within ten (10) days of the receipt of written notice of rescission. No Down Payment shall be returned to Interim Lessees prior to their vacating of the apartment. See Section "Interim Leases." Upon cancellation of this Agreement and making such refund to Purchaser (if any), Purchaser, Sponsor and Selling Agent will be released and discharged of

all further liability and obligations hereunder and under the Plan. The parties may be required to sign a general release to that effect.

7. No Omissions or Misstatements. This Plan contains all material terms of the offer and does not knowingly omit any material fact or knowingly contain any untrue statement of a material fact. This Plan does not contain a full summary of all the provisions of the various documents referred to herein. 2. Offering Plan and Amendments.

A. Offering Plan. The Offering Plan contains the complete terms of the offer of this unit in the Building. Purchaser acknowledges having received and read the Plan at least three (3) full business

days prior to Purchaser's signing this Purchase Agreement. Purchaser hereby adopts, accepts and approves the Plan (including, without limitation, the proposed Condominium Documents contained in Part II of the Plan) and agrees to abide and be bound by the terms and conditions thereof. The Plan is hereby incorporated in this Agreement with the same force and effect as if set forth at length. To the extent there is any inconsistency or conflict between the provisions of this Agreement and those contained in the Plan, the provisions of the Plan shall govern and be binding. Purchaser acknowledges having had full opportunity to examine all documents, and investigate all statements, made herein and in the Plan.

B. Amendments. Purchaser acknowledges that the Offering Plan may be amended from time to time. Purchaser hereby agrees to abide and be bound by the terms and conditions of any amendments which have been duly filed with the Attorney General's Office (including, without limitation, amendments involving any changes, modifications, or updating of the estimated Common Charges, the estimated real estate taxes to be paid by Purchaser, or the "Schedule B--Budget for First Year of Condominium Operation" of The 170 Williamsburg Street Condominium) at the time this contract is entered into. No such duly filed amendment will excuse a Purchaser from performing his obligations under a Purchase Agreement or entitle such Purchaser to any credit or offset against the purchase price set forth therein.

However, if an amendment is submitted after the contract is signed, Purchaser may be entitled to consent rights if there is a material change that is disclosed. In addition, if said amendment materially adversely affects the rights, obligations, or liabilities of then-existing Purchasers, Purchasers will be given the right to rescind their Purchase Agreements by notifying Sponsor within not less than fifteen (15) days of the presentation of such amendment and will receive a refund of their Down Payment and unexpended sums for special work ordered, with interest, if any, within ten (10) business days after Sponsor's receipt of Purchaser's election to rescind. Upon cancellation of this Agreement and making such refund to Purchaser (if any), Purchaser, Sponsor and Selling Agent will be released and discharged of all further liability and obligations hereunder and under the Plan. The parties may be required to sign a general release to that effect. Notwithstanding the foregoing, Sponsor may not declare the plan effective where there are material changes to the Budget which have not been disclosed in a duly filed amendment to the offering plan.

3. Agreement to Purchase and Sell. Purchaser agrees to purchase from Sponsor, and Sponsor agrees to sell to Purchaser, the unit designated in the Declaration, together with its undivided interest (hereinafter called the "Common Interest") in the Common Elements, on and subject to, the terms and conditions set forth herein.

4. Purchase Price

A. The purchase price for the Unit (exclusive of closing adjustments and costs referred to in Paragraphs 13 and 14 below) is listed on page 1 of the Purchase Agreement, which Purchaser agrees to pay to the Sponsor, as follows:

(i) The Down Payment is due on Purchaser's signing and submitting of this Agreement and is to be paid by Purchaser's personal check, receipt of which (subject to collection) is hereby acknowledged by Sponsor;

(ii) The Balance of the Purchase Price, is due on the delivery to Purchaser of the deed to the Unit, and must be paid by Purchaser's personal certified check or official cashier's check, in either event drawn on a bank that is a member of the New York Clearing House Association or by wired funds.

B. Purchaser is not required to pay the Balance or accept title to the Unit unless concurrently with or prior to closing, all the prerequisites set forth under "Terms of Sale" in Part I of the Plan are met.

C. Funds. All funds received from prospective Purchasers by Sponsor will be handled in accordance with the provisions of Sections 352-h and 352-e(2)(b) of the GBL and Section 71-a(3)(a) of the Lien Law and shall be used by Sponsor only in connection with the consummation of the Plan. Section 71-a(3) of the Lien Law requires, at Purchaser's option, that the Down Payment be placed in an escrow account in a bank trust company, savings bank, or state or federal savings and loan association located in New York State. Funds may be released (a) pursuant to the terms and conditions set forth in the Purchase Agreement upon Closing of title to the Unit; or (b) in a subsequent writing signed by both Sponsor and Purchaser; or (c) by a final, non-appealable order or judgment of a court. All funds received by Sponsor for upgrades or extras must initially be placed in the Escrow Account. However, Purchasers should note that such funds may be released from the Escrow Account by the Escrow Agent as long as Sponsor uses the funds for such upgrades or extras. As a result, in the event a Purchaser is entitled to rescission, the Purchaser will not receive a refund of any funds used for upgrades or extras unless Sponsor abandons the Plan, in which case Purchaser will receive a refund of the entire Down Payment.

THIS PURCHASE AGREEMENT IS NOT CONDITIONED UPON A PURCHASER SECURING SATISFACTORY FINANCING. ANY PROSPECTIVE PURCHASER WHO EXECUTES A PURCHASE AGREEMENT AND DOES NOT OBTAIN FINANCING MAY LOSE HIS DEPOSIT IF HE IS UNABLE TO OTHERWISE RAISE THE MONIES FOR THE BALANCE OF THE PURCHASE PRICE. PROSPECTIVE PURCHASERS WHO WILL NEED FINANCING ARE ADVISED TO CONSULT WITH A LENDING INSTITUTION BEFORE EXECUTION OF A PURCHASE AGREEMENT. NO REPRESENTATION IS MADE BY SPONSOR AS TO THE

AVAILABILITY OR COST OF SUCH FINANCING. THE SPONSOR MAY, AT ITS OPTION, CONDITION THE CONTRACT UPON FINANCING, PROVIDED THAT PURCHASER AND SPONSOR BOTH PROPERLY COMPLETE AND INITIAL A SECURED LOAN CONDITION RIDER, THE FORM OF WHICH IS ANNEXED HERETO AS EXHIBIT "B".

5. Purchase Monies Held in Trust

A. The law firm of Jeffrey Zwick & Associates, PC, with an address at 2329 Nostrand Avenue, Suite 400, Brooklyn, New York 11210, telephone number 718-513-2050, shall serve as escrow agent ("Escrow Agent") for Sponsor and Purchaser. Escrow Agent has designated the following attorneys to serve as signatories: Jeffrey Zwick and Daniel Cohen. All designated signatories are admitted to practice law in the State of New York. Neither the Escrow Agent nor any authorized signatories on the account are the Sponsor, Selling Agent, Managing Agent, or any principal thereof, or have any beneficial interest in any of the foregoing.

B. Escrow Agent and all authorized signatories hereby submit to the jurisdiction of the State of New York and its Courts for any cause of action arising out of the Purchase Agreement or otherwise concerning the maintenance of release of the Deposit from escrow.

C. Escrow Account: Escrow Agent has established an escrow account at Dime Community Bank at its branch located at 898 Veterans Memorial Highway, Hauppauge, NY 11788 ("Bank") which is authorized to do business in the State of New York. The escrow account is entitled "Jeffrey Zwick & Associates, P.C. Attorney Trust Account IOLA" ("Escrow Account"). The Escrow Account is federally insured by the FDIC at the maximum amount of \$250,000 per deposit. If Purchaser has other accounts at the bank or branches, the assets in all of Purchaser's accounts will be aggregated together with the escrow deposit accounts for the purpose of determining whether the maximum FDIC insured amount is achieved.

D. All Deposits received by Purchaser shall be in the form of checks or wire transfers, and shall be made payable to or endorsed by the Purchaser to the order of "Jeffrey Zwick & Associates, P.C. Attorney Trust Account IOLA", as Escrow Agent.

E. The account is a duly filed Interest on Lawyer Account "IOLA" which is an unsegregated interest bearing account for funds that are determined to be too small in amount or held for too short a time to generate net interest. Any interest earned on funds held in the IOLA account will benefit the IOLA Fund. Purchasers will therefore not receive any interest on their deposits. No fees of any kind may be deducted from the Escrow Account, and the Sponsor shall bear all costs associated with the maintenance of the Escrow Account

F. Within five (5) business days after the fully executed Purchase Agreement has been tendered to Escrow Agent along with the Deposit, the Escrow Agent shall sign the Purchase

Agreement and place the Deposit into the Escrow Account. Within ten (10) business days of the fully executed purchase agreement, Escrow Agent shall provide written notice to Purchaser and Sponsor, conforming the Deposit. The notice shall provide the account name and account number. Any Deposits made for upgrades, extras, or custom work shall be initially deposited into the Escrow Account, and released in accordance to the terms of the purchase agreement.

G. The Escrow Agent is obligated to send notice to the Purchaser once the Deposit is placed in the Escrow Account. If the Purchaser does not receive notice of such deposit within fifteen (15) business days after tender of the Deposit, he or she may cancel the Purchase Agreement within ninety (90) days after tender of the Purchase Agreement and Deposit to Escrow Agent. Complaints concerning the failure to honor such cancellation requests may be referred to the New York State Department of Law, Real Estate Finance Bureau, 28 Liberty Street, New York, NY 10005. Rescission shall not be afforded where proof satisfactory to the Attorney General is submitted establishing that the Deposit was timely placed in the Escrow Account in accordance with the New York State Department of Law's regulations concerning Deposits and requisite notice was timely mailed to the Purchaser.

H. All Deposits, except for advances made for upgrades, extras, or custom work received in connection with the Purchase Agreement, are and shall continue to be the Purchaser's money, and may not be comingled with any other money or pledged or hypothecated by Sponsor, as per GBL § 352-h.

I Under no circumstances shall Sponsor seek or accept release of the Deposit of a defaulting Purchaser until after consummation of the Plan, as evidenced by the acceptance of a post-closing amendment by the New York State Department of Law. Consummation of the Plan does not relieve the Sponsor of its obligations pursuant to GBL §§ 352-e(2-b) and 352-h.

J. The Escrow Agent shall release the Deposit if so directed:

- (1) pursuant to terms and conditions set forth in the Purchase Agreement in upon closing of title to the Unit; or
- (2) in a subsequent writing signed by both Sponsor and Purchaser; or
- (3) by a final, non-appealable order or judgment of a court.

If the Escrow Agent is not directed to release the Deposit pursuant to paragraphs (1) through (3) above, and the Escrow Agent receives a request by either party to release the Deposit, then the Escrow Agent must give both the Purchaser and Sponsor prior written notice of not fewer than thirty (30) days before releasing the Deposit. If the Escrow Agent has not received notice of objection to the release of the Deposit prior to the expiration of the thirty (30) day period, the Deposit shall be released and the Escrow Agent shall provide further written notice to both parties informing them of said release. If the Escrow Agent receives a written notice from either party

objecting to the release of the Deposit within said thirty (30) day period, the Escrow Agent shall continue to hold the Deposit until otherwise directed pursuant to paragraphs (1) through (3) above. Notwithstanding the foregoing, the Escrow Agent shall have the right at any time to deposit the Deposit contained in the Escrow Account with the clerk of the county where the unit is located and shall give written notice to both parties of such deposit.

The Sponsor shall not object to the release of the Deposit to:

(a) a Purchaser who timely rescinds in accordance with an offer of rescission contained in the Plan or an Amendment to the Plan; or

(b) all Purchasers after an Amendment abandoning the Plan is accepted for filing by the Department of Law.

The Department of Law may perform random reviews and audits of any records involving the Escrow Account to determine compliance with all applicable statutes and regulations.

K. Any provision of any Purchase Agreement or separate agreement, whether oral or in writing, by which a Purchaser purports to waive or indemnify any obligation of the Escrow Agent holding any Deposit in trust is absolutely void. The provisions of the Attorney General's regulations and GBL §§ 352-e(2-b) and 352-h concerning escrow trust funds shall prevail over any conflicting or inconsistent provisions in the Purchase Agreement, Plan, or any amendment thereto.

L. Escrow Agent shall maintain the Escrow Account under its direct supervision and control.

M. A fiduciary relationship shall exist between Escrow Agent, and Purchaser, and Escrow Agent acknowledges its fiduciary and statutory obligations pursuant to GBL §§ 352e(2-b) and 352(h).

N. Escrow Agent may rely upon any paper or document which may be submitted to it in connection with its duties under this Purchase Agreement and which is believed by Escrow Agent to be genuine and to have been signed or presented by the proper party or parties and shall have no liability or responsibility with respect to the form, execution or validity thereof.

O. Sponsor agrees that Sponsor and its agents, including any selling agents, shall deliver the Deposit received by them prior to closing of the unit to a designated attorney who is a member of or employed by Escrow Agent, within two (2) business days of tender of Deposit by Purchaser.

P. Sponsor agrees that it shall not interfere with Escrow Agent's performance of its fiduciary duties and statutory obligations as set forth in GBL §§ 352-(e)(2-b) and 352-(h) and the New York State Department of Law's regulations.

Q. Sponsor shall obtain or cause the selling agent under the Plan to obtain a completed and signed Form W-9 or W-8, as applicable, from Purchaser and deliver such form to Escrow Agent together with the Deposit and this Purchase Agreement.

R. Prior to release of the Deposit, Escrow Agent's and disbursements shall neither be paid by Sponsor from the Deposit nor deducted from the Deposit by any financial institution under any circumstance.

S. Sponsor agrees to defend, indemnify and hold Escrow Agent harmless from and against all costs, claims, expenses and damages incurred in connection with or arising out of Escrow Agent's responsibilities arising in connection with this Purchase Agreement or the performance or non-performance of Escrow Agent's duties under this Purchase Agreement, except with respect to actions or omissions taken or suffered by Escrow Agent in bad faith or in willful disregard of the obligations set forth in this Purchase Agreement or involving gross negligence of Escrow Agent. This indemnity includes, without limitation, disbursements and attorneys' fees either paid to retain attorneys or representing the hourly billing rates with respect to legal services rendered by Escrow Agent to itself.

6. Closing Contingent on Plan Being Declared Effective. The respective obligations of Purchaser and Sponsor hereunder are contingent upon the Plan being declared effective. The Plan shall not be declared effective except in accordance with the prerequisites set forth in the Plan, as same may be amended from time to time. Purchaser understands and agrees that the Sponsor shall have the right to abandon the Plan at any time prior to its being declared effective or thereafter, in certain limited cases set forth in the Plan (see the section in the Plan entitled "Effectiveness" for full details). The Plan will be abandoned or deemed abandoned if it has not been declared effective within the time limits prescribed in the Plan, if any. Sponsor shall notify Purchaser, in writing or by a duly filed Amendment to the Plan, when the Plan becomes effective or is abandoned.

7. Closing Date and Place. Sponsor anticipates the First Closing to occur on the date projected in the Plan. Purchasers will be offered a right of rescission if: (i) the actual date of the First Closing; or (ii) the projected date of the First Closing occurs later than twelve months after the currently projected date for the First Closing. If the Plan is amended to provide for a later projected date for the First Closing, Purchasers will be entitled to an offer of rescission if the First Closing occurs more than 12 months beyond that amended, later date.

The closing of title shall occur on the date and at the time and place in The City and State of New York as Sponsor shall designate to Purchaser on not less than thirty (30) days' prior written notice. Sponsor shall have the right, from time to time, to adjourn such date and time for closing on written notice to Purchaser. If adjourned, Sponsor shall fix a new date and time for title closing and shall

give Purchaser not less than ten (10) business days' prior written notice of the new scheduled date and time for closing. Purchaser may waive this thirty (30) day provision by initialing below.

I hereby waive the provision requiring thirty (30) days Notice of
Closing _____

8. The Deed. At closing, Sponsor shall deliver to Purchaser a Bargain and Sale Deed with covenant against grantor's acts transferring to Purchaser full ownership (fee simple title) to the Unit. The deed shall be substantially in the form reproduced as Document Number 5 in Part II of the Plan and shall be executed and acknowledged by Sponsor in form for recording. Such executed deed shall be delivered immediately to the representative of the title company insuring Purchaser's title (or, if no such representative is present, to Purchaser or Purchaser's attorney).

9. State of Title. Legal ownership to the Unit shall be transferred to Purchaser at closing subject only to the liens, encumbrances and title conditions (hereinafter called the "Permitted Encumbrances") enumerated in Exhibit A to this Agreement. Any other liens, encumbrances, or conditions shall not be an objection to title if: (i) the instrument required to remove it from the record is delivered to said representative of Purchaser's title insurance company (or, if none, to Sponsor's attorney) for recording in the proper office, together with the requisite recording or filing fees; or (ii) Purchaser's title insurance company will insure Purchaser against its collection or enforcement out of the Unit.

10. Title Company Approval. Sponsor shall give marketable title in any form that any member of the New York Board of Title Underwriters will approve and insure. The Permitted Encumbrances in the title shall be the liens, encumbrances and conditions affecting title. Sponsor shall not be obligated to satisfy exceptions to title raised by any title insurance company except for the purchaser's title company insuring this deal.

The Financial Crimes Enforcement Network ("FinCEN") has issued a Geographic Targeting Order ("GTO"), last updated in October 2025, which requires US title insurance companies to report the personal identity of purchasers in certain residential real estate transactions in all NYC boroughs which meet the following criteria: (a) purchaser is a legal entity as defined in the GTO; (b) total purchase price is in excess of \$300,000.00; (c) purchase is made without a bank loan or other similar form of external financing; and (d) the purchase is made, at least in part, using currency or a cashier's check, a certified check, a traveler's check, a personal check, a business check, a money order in any form, virtual currency or a funds transfer. As long as the GTO remains in effect, its reporting requirements apply to all residential real property Closings meeting the above criteria.

11. Sponsor's Inability to Convey Title. After the Plan is declared effective, if Sponsor is unable to deliver title to Purchaser in accordance with the provisions of this Agreement, Sponsor will not be obligated to bring any action or proceeding or otherwise incur any cost or expense of any nature whatsoever in excess of half of one percent (½%) of the total offering price to render title marketable or to remove, cure or comply with any violations of record issued prior to the First Closing, and in such case, Sponsor may abandon the Plan. In no event shall Sponsor be obligated to cure violations of record which are the obligations of tenants to cure or which result from the acts or omissions of tenants, or violations noted with respect to radio or television antennae. Prior to declaring the Plan effective, Sponsor may abandon the plan at any time and for any reason.

12. Purchaser's Remedies. In the event that the Sponsor shall for any reason (except for willful default) be unable to convey and deliver the apartments in accordance with the terms of the Purchase Agreement, (except for any failure to perform any obligation imposed by applicable statute or regulation, or a failure to perform Sponsor's obligations under the Offering Plan) the sole remedy of the purchaser shall be to rescind the Purchase Agreement and be refunded the entire down payment with interest. In such case, Purchaser may be required to execute a general release attesting to the cancellation of all rights and obligations under the plan and the purchase agreement. If the plan is abandoned, Purchaser shall also be refunded any funds given for upgrades or extras. Said deposit shall be returned to Purchaser within ten (10) business days of the notice of cancellation.

To the extent there are any inconsistencies between the terms of the Purchase Agreement and the Plan, the terms of the Plan shall govern. If there is any conflict between the Plan and the Purchase Agreement, it will be resolved in favor of the Plan (except for negotiable terms). Nothing contained in the Purchase Agreement or in the Plan shall be construed to waive a purchaser's rights or abrogate Sponsor's obligations under Article 23-A of the GBL.

13. Closing Adjustments.

A. At closing, Sponsor and Purchaser shall apportion, as of midnight of the day preceding the closing:

- (i) real estate taxes (including all prepaid real estate taxes) and assessments, if any, on the basis of the fiscal or calendar year for which assessed, including water charges and sewer rents (if separately assessed) and any escrows for real estate taxes;
- (ii) Common Charges for the month in which title closes; and
- (iii) rent and other charges, if any, pursuant to an Interim Lease or other written agreement for tenancy of the Unit.

(iv) insurance apportioned to unit for the year of closing (if Sponsor paid the premium).

B. In the event the Unit has not been separately assessed for the then current fiscal tax year at the time of title closing, the apportionment of real estate taxes shall be based on the Unit's pro-rata share (in proportion to its Common Interest) of the then current real estate taxes assessed against the Property. If the Unit has been separately assessed but the closing occurs before the tax rate is fixed, then the apportionment of real estate taxes shall be based upon the latest tax rate applied to the most recent assessed valuation.

C. Any errors or omissions in computing apportionments at closing shall be corrected and payment made to the proper party promptly after discovery. This provision shall survive the closing for one year.

D. Installments for tax assessments due after the delivery of the deed, if any, shall be paid by the Purchaser and shall not be considered a defect in title.

14. Purchaser's Closing Costs. At the time of title closing, each Purchaser of a Unit will pay certain closing costs in addition to the legal fees of such Purchaser's counsel and the amount of any net credit in favor of Sponsor resulting from the closing apportionments described above. Unless otherwise notes on page 1 of this Agreement, such closing costs will include the following, the amounts of which are based on rates in effect on the date of the Plan and are subject to change without prior notice or amendment:

A. Title Fees. If such Purchaser elects to obtain fee title insurance, he will pay a premium therefor to the title insurance company which will vary depending upon the amount of insurance requested. Purchaser is free to use a title company of his or her choosing without incurring a penalty. The premium for fee title insurance should be \$774.00 for the first \$100,000.00 of fee insurance plus \$4.36 for each \$1,000.00 or fraction thereof of additional fee insurance up to \$500,000.00 and \$3.98 for each \$1,000.00 or fraction thereof of additional fee insurance over \$500,000.00. The premium for mortgage title insurance should be \$654.00 for the first \$100,000.00 of insurance plus \$3.64 for each \$1,000.00 or fraction thereof of additional insurance up to \$500,000.00 and \$3.31 for each \$1,000.00 or fraction thereof of additional insurance over \$500,000.00. TS Agency, 21 Robert Pitt Drive, Ste 206, Monsey, NY 10952 has been retained by Sponsor to clear any title issues affecting the premises, and to record the condominium declaration and any other documents requiring recording with respect to this offering plan. A copy of the title report may be furnished to the purchaser.

B. Recording Fees. A fee for recording the deed and Unit Owner's Power of Attorney of \$32.00 for each instrument plus \$5.00 per page, together with a service charge to the title company for such recording for a total of approximately \$350.00;

C. Mortgage Fees. If Purchaser obtains a mortgage loan, Purchaser will pay:

- (i) a fee and service charge for recording the mortgage of approximately \$250.00;
- (ii) mortgage recording tax in the amount provided for by law (at the date of the Plan, the tax to the purchaser is 1.8% of the face amount of the mortgage for mortgages under \$500,000.00 and 1.925% of the face amount of the mortgage for mortgages over \$500,000.00). (Note: The Lending Bank pays an additional 0.25%);
- (iii) (a) Purchasers will pay a premium through the title insurance company for the mortgage title insurance policy. In addition, such Purchaser shall pay Sponsor a sum equal to the partial mortgage tax credit to which Purchaser is entitled under Section 339-ee (2) of the Condominium Act. All such payments shall be made upon execution of the loan documents.

(b) Sponsor at its option may request any purchaser who is obtaining a mortgage to have his lender accept an assignment of a portion of Sponsor's existing mortgage. In such event, Purchaser shall pay to the Sponsor such amount that the Purchaser is saving with respect to the mortgage tax that the Purchaser would have paid if there was no assignment of mortgage. The severance and assignment of the portion of the mortgage on the Property as contemplated herein would not result in any additional cost to the Purchaser and will be initiated only after Purchaser has procured financing. Should the Purchaser's lender refuse to accept the assignment, Sponsor may require Purchaser to continue with the transaction without the assignment or may refund the Purchaser's deposit and terminate the purchase agreement. Accordingly, Purchaser may apply for a mortgage with a lending institution that will accept an assignment of mortgage. Because this transaction would require additional coordination between the parties, it may potentially delay the closing. In the event Sponsor exercises such option, the above paragraph regarding the mortgage tax credit will be inapplicable and the Purchaser will not be required to make any payments to the Sponsor in respect to the mortgage tax credit.
- (iv) all costs and expenses in connection with such loan in amounts determined by the lender, *i.e.*, application, points, credit report, survey, appraisal, bank's attorney's fees, Residential and Condominium Endorsements (title insurance forms required by banks) and any other fees required by lender.

Sponsor makes no representation or warranty as to such closing costs or expenses or as to the availability of such financing.

- D. **Transfer Tax.** Transfer taxes are typically a seller expense, and shall not be payable, either directly or indirectly by the Purchaser unless explicitly provided for under the Purchase Agreement. The terms of this Offering Plan and Purchase Agreement transfer the statutory obligation to pay the transfer taxes to the Purchaser. New York City transfer taxes are in the amount of 1.425% of the purchase price for residential Units over \$500,000.00 and 1% of the purchase price for residential Units under \$500,000.00. New York State Documentary Stamp Taxes are in the amount of \$2.00 per \$500.00. For any residential conveyance in which consideration is at least \$3,000,000.00, there is an additional base tax of \$1.25 per \$500.00. For commercial Units, the transfer tax is in the amount of 2.625% of the purchase price for NYC and \$2.00 per \$500.00 plus an additional .25% of the purchase price for commercial Units of \$2,000,000.00 or more in New York State. Additionally, there is a mansion tax of 1% of the purchase price for conveyances in the amount of \$1,000,000 or more and a supplemental tax on the conveyance of residential real property in the amount of 0.25% for transfers of \$2,000,001-\$2,999,999; and 0.5% for transfers of \$3,000,000 to \$4,999,999, which are both imposed on Purchaser. For purposes of calculating NYS taxable consideration, NYC transfer taxes paid by the buyer are added to the purchase price; for purposes of calculating NYC taxable consideration, NYC and NYS transfer taxes paid by the buyer are added to the purchase price.
- E. **Initial Capital Payment.** Purchaser will be required to deposit with the Board of Managers two (2) months' estimated monthly common charges for his unit.
- F. **Sponsor's Attorney Fees.** Purchaser shall be obligated to pay the following fees to sponsor's attorney: (i) \$3,500.00 for services rendered in connection with the preparation of closing documents and conducting the closing; (ii) \$500.00 if the closing is held at any location other than sponsor's attorney's office at the request of purchaser or its representatives; (iii) \$200.00 per hour if the duration of the in person closing exceeds two (2) hours due to the fault of purchaser or its representatives; (iv) fee of \$450.00 if Purchaser applies for a mortgage; and (v) a fee of \$300.00 if Purchaser requests a remote closing.
- G. **Defrayment of Sponsor Costs.** Purchaser shall pay an additional \$1,750.00 at closing to defray Sponsor's costs, e.g, architectural costs, filing fees, legal fees and other costs incurred in creating the condominium.

All fees are cumulative to the extent applicable to an individual Purchaser.

15. **Rent Security Deposit.** If Purchaser is or hereafter becomes a tenant of the Unit pursuant to an Interim Lease or other written agreement, Purchaser's unapplied rent security deposit, if any,

will be refunded to Purchaser, together with any interest earned thereon, within thirty (30) days following the closing, provided Purchaser is not in default under Purchaser's lease or tenancy obligations. If the Unit is occupied by someone other than Purchaser, then the unapplied security deposit (if any) of the tenant or occupant will be transferred at closing to Purchaser, who will, upon receipt, sign and deliver to Sponsor an agreement acknowledging the amount received, indemnifying Sponsor from all liability in connection therewith and agreeing to hold such security deposit in trust and to deposit same in an interest bearing bank account pursuant to the provisions of Section 7-103 of the New York General Obligations Law (such agreement to be in form and substance satisfactory to Sponsor). In either event, Sponsor will have the right to deduct from any tenant's security deposit the amount of any rent arrearage owing to Sponsor and to bring an action against the tenant to the extent such rent security is insufficient.

The Purchaser may not occupy the Unit or perform any work in the Unit prior to closing without the prior consent of the Sponsor. In the event the Purchaser occupies the Unit or performs any work in the Unit prior to closing without the prior consent of the Sponsor, such event shall constitute a default under Section 18 of this Agreement.

16. Power of Attorney to Board of Managers and Sponsor. At closing, Purchaser shall execute, acknowledge and deliver to the representative of the title insurance company insuring Purchaser's title to the Unit (or if no representative is present, then to Sponsor's attorney) for recording in the New York City Register's office of the County of Kings, State of New York, a power of attorney in favor of the Board of Managers relative to purchasing or leasing of Units and in favor of Sponsor relative to amending the Condominium Documents to the extent permitted in the power of attorney. The power of attorney shall be substantially in the form set forth in Document Number 4 in Part II of the Plan. After being recorded, the power of attorney shall be sent to the Condominium Board. Failure to execute a Power of Attorney at closing shall constitute a default under this Purchase Agreement.

17. Transfer Tax Return. At closing, Sponsor and Purchaser shall each duly complete and sign before a Notary Public the transfer tax return required to be filed with The City and State of New York. The transfer tax return shall be delivered at closing to the representative of Purchaser's title insurance company (or, if none, to Sponsor's attorney) for filing with the proper governmental officer. The terms of this offering transfer the statutory obligation to pay said tax from Sponsor to Purchaser, who shall be responsible for said payment, unless otherwise noted.

18. Events of Default

A. The following shall constitute "Events of Default" hereunder:

- (i) Purchaser's failure to pay the Balance on the Closing Date designated by Sponsor pursuant to paragraph 4 herein;

(ii) Purchaser's failure to duly sign, notarize and deliver at closing the power of attorney pursuant to paragraph 16 above or the New York City transfer tax return pursuant to Paragraph 17 above; or any other document reasonably requested at closing by the managing agent;

(iii) If Purchaser is or becomes a tenant of the Building, Purchaser's failure to pay rent or to otherwise comply with Purchaser's lease or tenancy obligations, which results in Purchaser's eviction from Purchaser's Unit (either by voluntary removal or by court order); or

(iv) If Purchaser occupies the unit or performs any work in the unit prior to closing without the prior consent of the Sponsor;

(v) The failure to pay, perform or observe any of the Purchaser's other obligations hereunder, which is not cured within fifteen (15) days after the mailing of written notice specifying the nature of such default.

B. Upon the occurrence of an Event of Default, the Sponsor's sole remedy shall be to cancel the Purchase Agreement by sending Purchaser thirty (30) days' prior written notice of its intention to do so. If Sponsor elects to cancel, Purchaser shall have thirty (30) days from the giving of the cancellation notice within which time Purchaser must cure the specified default. If the default is not timely cured, then Sponsor shall have the right to retain, as and for liquidated damages, the Down Payment (but in no event to exceed ten percent (10%) of the Purchase Price of the it) plus the cost of any special work in the Unit ordered by Purchaser, and any sums in excess thereof (together with any interest earned thereon) shall be returned to Purchaser promptly thereafter. Upon cancellation of this Agreement and making such refund to Purchaser (if any), Purchaser, Sponsor and Selling Agent will be released and discharged of all further liability and obligations hereunder and under the Plan. The parties may be required to sign a general release to that effect.

Upon cancellation of this Agreement and making such refund to Purchaser (if any), Purchaser, Sponsor and Selling Agent will be released and discharged of all further liability and obligations hereunder and under the Plan. Thereafter, the Unit may be sold to another as though this Agreement had never been made, and without accounting to Purchaser for the proceeds of such sale.

C. In the event a purchaser does not close on the Closing Date set forth in the Notice of Closing, and Sponsor elects not to cancel the Purchase Agreement, or if the Sponsor approves the Purchaser's request to adjourn the closing, interest shall accrue on the unpaid amount of the purchase price from the Closing Date until such amount is paid. The interest rate shall be 10% per annum. This rate shall be in effect for as long as there are any unpaid amounts owing towards the full purchase price.

D. Notwithstanding the occurrence of an Event of Default Sponsor may, in its sole discretion, keep this Agreement in effect and proceed to close title without prejudicing Sponsor's right to recover from Purchaser's damages, losses, costs, expenses and all other lawful sums to which Sponsor is entitled (including, but not limited to, legal fees and costs of collection).

E. If Purchaser is or becomes a tenant of the Building pursuant to an Interim Lease or other written agreement and Purchaser fails to pay rent or otherwise comply with Purchaser's lease or tenancy obligations, or if Purchaser vacates or abandons the leased premises, then such failure, vacating or abandonment (as the case may be) shall constitute a default hereunder entitling Sponsor, at its sole option, to cancel this Agreement, even though Purchaser is not evicted from the leased premises as a result thereof. However, before the Sponsor may utilize the default under the Interim Lease to declare a default under the Purchase Agreement, Sponsor must either obtain an order of eviction or other judgment or order from a court or agency of competent jurisdiction against the Interim Lessee unless the Interim Lessee has vacated the Unit. The Interim Lessee will have thirty (30) days to vacate the Unit after a default under the Purchase Agreement or in the event the Interim Lessee defaults on the Purchase Agreement. However, if such Purchaser is not evicted from the Building by reason of such default, by vacating or abandonment, Sponsor shall return to such Purchaser all monies deposited under the Purchase Agreement, together with the interest earned thereon, if any. However, in no event shall Purchaser be released or excused from paying and performing Purchaser's lease or tenancy obligations.

19. Appliances and Equipment

A. The Unit is being sold unfurnished, without window blinds or shades and will contain only the appliances and equipment described above and in the Plan. Furniture, wall coverings, furnishings, decorations, and the like in or about any model Unit are for display purposes only and are not included in this sale. Any floor plans or sketches shown to Purchaser (including those contained in the Plan) are only approximations of the Unit's dimensions and arrangement, and Purchaser should not rely thereon. Sponsor shall not be liable for immaterial variations from any floor plans or sketches.

B. There will be no modifications or extras unless agreed to in writing by the parties. All modifications and alterations must be approved by Sponsor in writing and, if approved, shall be performed by Sponsor at Purchaser's expenses (payable in the manner to be set forth in an addendum to this Agreement or separate agreement).

20. Construction.

A. The construction of the Building and the Unit, including the materials, equipment and fixtures to be installed therein, shall be in accordance with the Plan and the architectural "plans and specifications" (defined in the Plan), subject to the right reserved by Sponsor to modify and amend the Plan and the "plans and specifications" in order to substitute materials, equipment or

fixtures of Equal or Better Quality and design, provided only that the approval of any governmental authorities having jurisdiction thereover and the construction lender are first obtained (if required). Nothing herein contained shall excuse Sponsor from its obligations to correct any defects in construction in accordance with the conditions set forth in the Plan in the section entitled "Rights and Obligations of the Sponsor" within a reasonable time.

B. The construction of the Building and the Unit and the correction of any defects in construction to the extent required under the Plan are the sole responsibility of the Sponsor. Purchaser acknowledges and agrees that Sponsor will not be liable for, and will have no obligation to correct, certain immaterial variations from the Plan and "plans and specifications" as indicated in the Plan in subparagraph 2(g) of "Rights and Obligations of Sponsor--Construction Obligations" and will only be responsible to correct any construction defects to the extent, and on the terms and conditions, set forth in subparagraph 2 of "Rights and Obligations of Sponsor: Construction Obligations."

21. Inspection of Units.

The Purchaser will have the right to inspect the Unit for any defects within the ten (10) days prior to Closing. Purchaser may note certain items which require attention ("Punchlist Items"). Notwithstanding the creation of a Punchlist, Purchaser shall be obligated to close on the date set by Sponsor for Closing. Failure of Purchaser either to arrange such appointment or to inspect the Unit within ten (10) days of receipt of said notice or to produce a Punch List, shall not excuse Purchaser from paying the Balance when due and shall constitute Purchaser's full acceptance of the Unit. Sponsor will use reasonable efforts to complete Punchlist Items specified on an inspection statement signed by Sponsor and Purchaser prior to Closing or within a reasonable period of time following the Closing, weather permitting, subject to force majeure delays and subject to Purchaser's provision of access to the Unit to Sponsor and/or Sponsor's contractors and/or agents. Sponsor will not place any funds in escrow to ensure completion of these items. Nothing herein shall relieve Sponsor of its obligations as set forth in the "Rights and Obligations of Sponsor -- Construction Obligations" as set forth in the offering plan.

22. Possession; Risk of Loss

A. Purchaser shall not be entitled to occupy the Unit until the deed is delivered to Purchaser at closing. Sponsor may, in its discretion, grant Purchaser possession of the Unit prior to the closing under an Interim Lease.

B. Smoking and/or use of electronic cigarettes is prohibited in all locations on the property. This policy is in compliance with the NYC Smoke Free Air Act ("SFAA") and shall apply to all Unit Owners and tenants and their respective invitees as well as other persons on the Property.

C. A person in possession who is not an owner cannot insure the building since he or she has no ownership interest, and the unit cannot be doubly insured. As such, if Purchaser is given

possession of the Unit prior to Closing under an Interim Lease or otherwise, the Purchaser shall be solely responsible for any damage to, or loss or other condition in the Unit not covered by insurance resulting from Purchaser's use or occupancy, and Sponsor shall not be obligated to make any repairs to the Unit or its installations. However, until closing Sponsor will remain responsible to make those repairs required of it as a landlord under any existing or interim lease and, after closing, the Condominium Board will be responsible to make those repairs required of it under the Condominium Documents.

D. If, during Purchaser's occupancy, the Unit is damaged by casualty or otherwise, the Purchaser shall assume the risk of loss and the obligation to repair the damage in excess of insurance proceeds available to the Sponsor prior to the First Closing and to the Board thereafter, unless the cause thereof originated outside the Unit and did not result from the acts of Purchaser or other occupants of the Unit or Purchaser's guests, invitees or workmen. If Purchaser is obligated to repair the damage, then Purchaser's failure to make such repair shall not excuse Purchaser from paying the Balance and accepting delivery of the deed.

E. Except as provided in the preceding subparagraph, all other risk of loss prior to closing in excess of insurance proceeds has been assumed by Sponsor, but without any obligation or liability of Sponsor to repair the damage or restore the Unit. If Sponsor or (in the event the Declaration is filed) the Unit Owners elect to repair or replace the loss or damage, this agreement shall continue in full force and effect, Purchaser shall not have the right to reject title to the Unit or to receive a credit against, or abatement in, the Purchase Price, and Sponsor shall be entitled to a reasonable period of time to complete or to permit the Board to complete such repairs or replacements. Purchaser shall not be required to pay the Balance unless and until (i) the Unit has been repaired to as near as reasonably possible to its condition immediately prior to the casualty and (ii) its essential services (such as gas, electricity, and heat) and a reasonable means of ingress and egress to the street have been restored. Any proceeds received from insurance or in satisfaction of any claim or action in connection with such loss, shall belong entirely to Sponsor (subject to the rights, if any, of the Board or other Unit Owners) and if such proceeds are paid to Purchaser, Purchaser shall promptly upon receipt turn them over to Sponsor. The provisions of the preceding sentence shall survive the closing. Sponsor will remove subsequent to Closing all violations of record which it is obligated to correct within ninety (90) days of the violation posting. Additionally, if Sponsor elects to repair or replace the loss or damage and the Purchase Agreement is contingent on the Purchaser obtaining financing, if, after making a good faith effort to extend the term of the commitment to enable Sponsor to repair the damage, an extension is not obtained, the Purchaser will be afforded a right of rescission

F. In the event Sponsor notifies Purchaser that it does not elect to repair or restore the Unit or if the Unit Owners do not resolve to make such repairs or restoration pursuant to the Condominium's By-Laws, this Agreement shall be deemed cancelled and of no further force or effect and Sponsor shall return to Purchaser all sums deposited hereunder, without interest (unless

interest is earned), whereupon the parties shall be released and discharged from all obligations and liability hereunder and under the Plan, except that if Purchaser is then in default hereunder (beyond the applicable grace period, if any), Sponsor shall retain the Down Payment plus other advances made for upgrades or extras pursuant to Paragraph 18 above.

23. No Representation. Purchaser acknowledges that Purchaser has not relied upon any architect's plans, sales plans, selling brochures, advertisements, representations, warranties, statements or estimates of any nature whatsoever, whether written or oral, made by Sponsor, Selling Agent or others, including, but not limited to, any relating to the description or physical condition of the Property, the Building or the Unit, or the size or the dimensions of the Unit or the rooms therein contained or any other physical characteristics thereof, the services to be provided to Unit Owners or the estimated Common Charges and estimated real estate taxes for the Unit, the right to any income tax deduction for any real estate taxes or mortgage interest paid by Purchaser, or any other data, except as may be specifically represented herein or in the Plan and Purchaser, having relied on Purchaser's own examination and investigation thereof. No person has been authorized to make any representations on behalf of Sponsor. No oral representations or statements shall be considered a part of this Agreement. Purchaser agrees (a) to purchase the Unit without offset or any claim against, or liability of, Sponsor, whether or not any layout or dimension of the Unit or any part thereof, or of the Common Elements, as shown on the Floor Plans, is accurate or correct, provided the layouts and dimensions conform substantially to such Floor Plans and (b) that Purchaser shall not be relieved of any obligations hereunder by reason of any immaterial inaccuracy or error. The provisions of this Paragraph shall survive the closing of title.

24. Notices. All notices, elections, consents, demands and communications (collectively called "notices" or individually called "notice") shall be delivered personally or given in writing by registered or certified mail, return receipt requested, postage prepaid, and, if sent to Purchaser, addressed to Purchaser at Purchaser's address given in the preamble to this Agreement and, if sent to Sponsor, addressed to the Sponsor.

Notice to Purchaser shall also be satisfied by email transmission to Purchaser or Purchaser's attorney. Seller's attorney may send all notices to Purchaser's attorney and/or Purchaser via email at the email address listed on the first page of this Agreement. An email confirmation printout by Seller's attorney showing transmission was complete is sufficient evidence that the email has been transmitted and the notice has been served.

25. Broker. Purchaser and Seller each represents to the other that he or she has disclosed all brokers or sales agents with whom Purchaser has dealt in connection with this transaction, which are listed on page 1 of the Purchase Agreement. Sponsor agrees to pay the commission due the listed brokers pursuant to separate agreement. The parties agree that should any claim be made against Sponsor for commissions by any other broker or sales agent in connection with the broker's scope of work representing the Purchaser, Purchaser will indemnify and hold Sponsor free and

harmless from any and all liabilities and expenses in connection therewith, including (without limitation) reasonable legal fees and disbursements if Sponsor is the prevailing party. The provisions of this Paragraph 25 shall survive the closing.

26. No Lien; Agreement Subject to Mortgage

A. No lien or encumbrance shall arise against the Property or the Unit as a result of this Agreement or any monies deposited hereunder. This Agreement shall not be recorded and any purported recordation hereof by Purchaser shall constitute an Event of Default.

B. In furtherance and not in limitation of the provisions of the preceding paragraph A, Purchaser agrees that the provisions of this Agreement are and shall be subject and subordinate to the lien of any mortgages heretofore or hereafter made and any payments or expenses already made or incurred or which hereafter may be made or incurred, pursuant to the terms thereof, or incidental thereto, or to protect the security thereof, to the full extent without the execution of any further legal documents by Purchaser. Sponsor shall, at its option, either satisfy such mortgages or obtain a release of the Unit and its undivided interest in the Common Elements from the lien of such mortgages on or prior to the Closing Date unless Purchaser assumes such mortgages. The existence of any mortgage or mortgages encumbering the Property, or portions thereof, other than the Unit and its undivided interest in the Common Elements, shall not constitute an objection to title or excuse Purchaser from completing payment of the Purchase Price or performing all of Purchaser's other obligations hereunder or be the basis of any claim against, or liability of, Sponsor, provided that any such mortgage is subordinated to the Declaration and the Unit is released from the lien of such mortgage at closing.

27. Entire Agreement. This Purchase Agreement, together with the Plan, as the Plan may be amended from time to time, constitutes the entire agreement between the parties as to the subject matter hereof and supersedes all prior understandings and agreements.

28. Joint Purchasers. The term "Purchaser" shall be read as "Purchasers" if more than one person are purchasers, in which case their obligations shall be joint and several.

29. Liability of Sponsor. Sponsor shall be excused from performing any obligation or undertaking provided for in this Agreement for so long as such performance is prevented, delayed or hindered by an act of God, fire, flood, explosion, war, riot, sabotage, inability to procure or general shortage of energy, labor, equipment, facilities, materials, or supplies in the open market, failure of transportation, strike, lock-out, action of labor unions or any other cause (whether similar or dissimilar to the foregoing) not within the reasonable control of Sponsor. Sponsor's time to perform such obligation or undertaking shall be tolled for the length of the period during which such performance was excused. Purchaser's time to perform its obligations under this Purchase Agreement also may be tolled pursuant to applicable laws. Sponsor cannot limit any rights which Purchaser may have pursuant to Art. 23A of the GBL, NYCRR regulations as may be specified in

the Plan, except as determined in a final decision or order by a court of competent jurisdiction or any governmental agency or by executive order.

30. Further Assurances. Either party shall execute, acknowledge and deliver to the other party such instruments and take such other actions, in addition to the instruments and actions specifically provided for herein, as such other party may reasonably request in order to effectuate the provisions of this Agreement or of any transaction contemplated herein or to confirm or perfect any right to be created or transferred hereunder or pursuant to any such transaction.

31. Severability. If any provision of this Agreement or the Plan is invalid or unenforceable as against person or under certain circumstances, the remainder of this Agreement or the Plan and the applicability of such provision to other persons or circumstances shall not be affected thereby. Each provision of this Agreement or the Plan, except as otherwise herein or therein provided, shall be valid and enforced to the fullest extent permitted by law.

32. Strict Compliance. Any failure by Sponsor to insist upon strict performance by Purchaser of any of the provisions of this Agreement shall not be deemed a waiver of any of the provisions hereof, irrespective of the number of violations or breaches which may occur, and Sponsor, notwithstanding any failure, shall have the right thereafter to insist upon strict performance by Purchaser of any and all of the provisions of this Agreement to be performed by Purchaser.

33. Governing Law. The provisions of this Agreement shall be governed by, and construed and enforced in accordance with, the Laws of the State of New York.

34. Arbitration. In order to resolve any dispute, controversy, claim or question arising with respect to the Condominium or the Purchase Agreement, or to break any deadlock in voting, the parties shall submit such dispute or question to arbitration through the American Arbitration Association (“AAA”), which will give any party the rights he is entitled to under New York law. The arbitration proceeding will follow the rules of the AAA, who will designate an arbitrator who will be neutral and independent of the Sponsor and its principal. The hearing will take place in the county where the building is located. The parties to the purchase agreement are giving up the right to bring suit in court, including the right to a trial by jury, concerning disputes over the disposition of escrowed funds, except as provided by the rules of the arbitration forum in which a claim is filed. The decision of the arbitrators so chosen shall be given within thirty (30) days after their selection or appointment, and said decision shall be final and binding. A party’s ability to have a court reverse or modify an arbitration award is very limited. The ability of the parties to obtain documents, witness statements and other discovery may be more limited in arbitration than in court proceedings. The arbitrators may not have to explain the reason for their award. Unlike litigation, New York law does not authorize the filing of a notice of pendency based on ongoing arbitration proceedings. The fees, costs and expenses of the arbitrators shall be shared equally by the

disputants. Each disputant shall also bear the fees and expenses of his or her own counsel and expert witnesses. The rules and fees of the AAA can be found on their website: <http://www.adr.org>. Nothing contained in this paragraph shall be construed to preclude any purchaser's rights under Article 23-A of the GBL.

The Board shall follow the directions of the Arbitrators. The panel will have the authority to file their decision with the Court under the New York Arbitration Law and Article 75 of the CPLR. Any decision rendered shall be final and conclusive upon the parties and a judgment thereon may be entered in a court of competent jurisdiction. The decision shall be enforceable in a court of competent jurisdiction. If the arbitration proceeding concerns an escrow dispute under the purchase agreement, the deposit shall not be released from escrow until at least 90 days has elapsed from the issuance of a final arbitration award. If the purchaser brings a proceeding pursuant to CPLR §7511 to vacate the award, the funds must remain in escrow until that proceeding is finally adjudicated.

35. Gender. A reference in this Agreement to any one gender, masculine, feminine or neuter, includes the other two, and the singular includes the plural, and vice versa, unless the context otherwise requires.

36. Certain References. The term "herein", "hereof" or "hereunder" or similar terms used in this Agreement refer to this entire Agreement and not to the particular provision in which the term is used. Unless otherwise stated, all references herein to Paragraphs, subparagraphs or other provisions are references to Paragraph, subparagraphs or other provisions of this Agreement.

37. Captions. The captions in this Agreement are for convenience and reference only and in no way define, limit or describe the scope of this Agreement or the intent of any provisions hereof.

38. Successors and Assigns. The provisions of this Agreement shall bind and inure to the benefit of Purchaser and Purchaser's heirs, legal representatives, successors and permitted assigns and shall bind and inure to the benefit of Sponsor and its successors and assigns.

39. No Oral Changes. This Agreement cannot be changed nor any provision waived orally. ANY CHANGES OR ADDITIONAL PROVISIONS OR WAIVERS MUST BE SET FORTH IN A RIDER ATTACHED HERETO OR IN A SEPARATE WRITTEN AGREEMENT SIGNED BY THE PARTIES.

40. Acceptance of Purchase Agreement

The submission of this Purchase Agreement by Purchaser does not constitute a binding obligation on either Purchaser or Sponsor. No such binding obligation shall arise until duplicates of this Purchase Agreement are executed by, and delivered to, both Purchaser and Sponsor (or Sponsor's

duly authorized agent). If, within five (5) days after the Selling Agent receives this Purchase Agreement signed by Purchaser, a duplicate of this Agreement signed by Sponsor or its authorized agent is not sent or delivered to Purchaser, then it shall be deemed rejected and of no force or effect, and all monies paid by Purchaser shall be refunded within ten (10) business days thereafter, with interest. Upon such refund being made, neither party shall have any further rights, obligations or liabilities hereunder with respect to the other. Sponsor has the right, without incurring any liability, to reject this Agreement without cause or explanation to Purchaser. This Agreement may not be rejected due to Purchaser's sex, race, creed, color, national origin, ancestry, disability, marital status or other ground proscribed by law.

41. Purchase Agreement Not Conditioned on Financing. Unless Exhibit B to this Agreement is fully executed by all Parties, Purchaser may partially finance the purchase of this unit by obtaining a mortgage loan for the purchase price but the obligations of purchaser under this Purchase Agreement are not conditional on the purchaser's obtaining financing. Any prospective purchaser who executes a Purchase Agreement without the Rider in Exhibit B and does not obtain financing may lose his or her deposit if he or she is unable to otherwise raise the monies for the balance of the purchase price. Prospective purchasers who require financing are advised to consult with a lending institution before execution of a Purchase Agreement. No representation is made by Sponsor as to the availability or cost of such financing.

42. Agreement Not Assignable; Binding Effect. The Purchase Agreement is not assignable without the consent of the Sponsor. Any request for assignment shall be submitted to Sponsor's attorney in writing at least fifteen (15) days prior to the scheduled closing. Sponsor may, in its sole and absolute discretion, permit the Contract to be assigned to allow Purchaser to add, delete or substitute the name of a Purchaser's Family Member or to take title in the name of an entity related to or controlled by Purchaser. If Sponsor consents to an assignment, Purchaser must provide an executed assignment and assumption agreement prepared by Sponsor's attorney pursuant to which Purchaser assigns the Contract and Deposit to the new party named as Purchaser, who shall assume all of Purchaser's obligations thereunder, along with a new IRS W-8 or W-9 form (as applicable) for the new Purchaser at least five (5) days prior to the scheduled closing. In no event will Purchaser be entitled to delay or postpone the closing of title to effectuate such name change or assignment. Sponsor, Managing Agent, Selling Agent and the principals of the foregoing entities will not discriminate on any ground prohibited by law. There is no additional fee for an assignment agreed to by Sponsor.

This Purchase Agreement shall bind and apply to Purchaser and Purchaser's executors, administrators, legal representatives, heirs, successors and permitted assigns.

IN WITNESS WHEREOF, the parties have executed this Agreement as of the date first above written.

EXHIBIT A
Permitted Encumbrances

1. Building restrictions and zoning laws and other regulations, resolutions and ordinances and any amendments thereto now or hereafter adopted by any governmental or quasi-governmental authority having jurisdiction.
2. State of facts which an accurate survey or personal inspection of the Land would show, provided such facts would not prevent the use of the Unit for dwelling purposes nor render title unmarketable.
3. The terms, burdens, covenants, restrictions, conditions, easements, and rules and regulations, all set forth in the Declaration, the By-Laws (and the Rules and Regulations made thereunder), the Power of Attorney from Purchaser to the Condominium Board and Sponsor and the Floor Plans, all as may be amended from time to time.
4. Consents by Seller or any former owner of the Land for the erection of any structure or structures on, under or above any street or street on which the Land may abut.
5. Any easement or right of use in favor of handicapped persons or any easement or right of use in favor of any utility company for electricity, steam, gas, telephone, water, or other service, and the right to construct, use, maintain, repair, and replace all utility lines, wires, terminal boxes, mains, pipes, cables, conduits, poles, connections and other equipment and facilities on, under and across the Land and Building.
6. Revocability of licenses for vault space, if any, under the sidewalks and streets and the lien of any unpaid vault tax (which is to be paid by the Condominium Board).
7. Encroachments of shrubbery, stoops, areas, steps, doors, ledges, window sills, trim, copings, retaining walls, bay windows, balconies, sidewalk elevators, fences, fire escapes, cornices, foundations, footings, chutes, fuel oil lines, drainage and stand pipes, sewerage pipes, air-conditioning units, canopies, ramps, and similar projections, if any, on, over, or under the Property or the streets or sidewalks or property abutting the Property and the rights of governmental authorities and adjoining property owners to require the removal of any such projections and variations between record lines of the Property and retaining walls and the like, if any.
8. Leases and service, maintenance, employment, concessionaire and license agreements, if any, of other Units or portions of the Common Elements.

9. The lien of any unpaid Common Charge, real estate tax, water charge or sewer rent, provided the same are adjusted at the closing of title.
10. The lien of any unpaid assessment payable in installments (other than assessments levied by the Condominium Board), except that Sponsor shall pay all such assessments due prior to the Closing Date and Purchaser shall pay all assessments due from and after such date (however, the then current installment shall be adjusted at closing).
11. Any encumbrance as to which the title insurance company which insures Purchaser's title to the Unit would be willing, in a fee policy issued by it to Purchaser, to insure Purchaser that such encumbrance (a) will not be collected out of the Unit if it is a lien and (b) will not prevent the use of the Unit for dwelling purposes.
12. Any lease covering the Unit.
13. Any violations against the Property (other than the Unit) which are the obligation of the Condominium Board or another Unit Owner to correct, provided the same does not affect the health or safety of the unit owner.
14. Standard exceptions contained in the form of fee title insurance policy then issued by the title insurance company insuring the Purchaser's title to the Unit.
15. The Certificate of Occupancy.
16. Any matters of record which do not prohibit the use of the premises.

EXHIBIT B
TERMS OF SECURED LOAN CONDITION RIDER

THE TERMS SET FORTH IN THIS SECURED LOAN CONDITION RIDER SHALL APPLY, AT SELLER'S SOLE OPTION, ONLY IF AGREED TO BY THE SPONSOR IN THE SPACE PROVIDED BELOW. PURCHASER'S SIGNATURE ALONE DOES NOT EFFECTUATE THIS SECURED LOAN CONDITION RIDER.

A. Contingency Period and Terms of Loan. The obligations of Purchaser hereunder are conditioned upon issuance on a date which is on or before forty-five (45) days from date the Purchaser receives an executed Purchase Agreement ("Mortgage Contingency Expiration Date"), of a written commitment from any Institutional Lender (which shall include a mortgage banker and broker) pursuant to which such Institutional Lender agrees to make a first mortgage loan to Purchaser, at Purchaser's sole cost and expense, of an amount equal to 80% of the purchase price of the Residential Unit or such lesser sum as Purchaser shall be willing to accept, or such other sum as to which the parties may agree, at prevailing interest rates for a term of at least thirty (30) years and on other customary commitment terms, whether or not conditional upon any factors.

B. Application Procedure. Within two (2) weeks of receipt of the fully executed Purchase Agreement, Purchaser must make a mortgage application. Within seven (7) business days thereafter, Purchaser must provide Seller and/or Seller's attorney with the name and address of the bank or mortgage broker to which application has been made. Purchaser shall authorize the mortgage broker or lending institution to talk directly to Seller's attorney regarding the status of the mortgage application. Failure to send such notice, after receiving written notice from the Seller, will be considered to be a waiver of the mortgage contingency.

C. Purchaser's Responsibilities. Upon making an application pursuant to this section, Purchaser shall: (1) furnish accurate and complete information regarding Purchaser and members of Purchaser's family, as required, (2) pay all fees, points and charges required in connection with such application and loan, which may include the appraisal, credit checks, and origination fees, (3) pursue such application with diligence, and (4) cooperate in good faith with such Institutional Lender to obtain such commitment. Purchaser shall comply with all requirements of such commitment (or of any other commitment accepted by Purchaser) and shall furnish Seller with a copy thereof promptly after receipt.

D. Failure to Obtain Commitment. The Purchaser will have the right to terminate the Purchase Agreement and be refunded all monies deposited thereunder, without interest, and unexpended sums for special work ordered in the event:

- (a) an institutional lender fails, through no fault of the Purchaser, to issue its commitment on the terms described above by the Mortgage Contingency Expiration Date,

provided the Purchaser gives notice of termination not later than five (5) business days after the expiration of the aforementioned period. In such event, if Seller has reasonably determined there is a high probability that Purchaser will be approved for a mortgage commitment with equal or better terms than those applied for under the original commitment, the Seller may, at its option within fifteen (15) days after receipt of the notice of rejection or expiration of the contingency period, whichever the case may be, cause Purchaser to submit an application together with the required fees to another Institutional Lender and Purchaser shall be required to accept the commitment under the same terms and conditions as stated above. The terms of such commitment will be Equal to or Better than the terms originally sought by the Purchaser; or

(b) the commitment issued by the lender is not funded by the Closing through no fault of the Purchaser, provided the Purchaser acts in good faith and gives notice of termination no later than ten (10) days before the scheduled Closing unless Purchaser did not receive sufficient notice and is therefore unable to give notice to Sponsor within ten days of Closing. This is because under New York law, when a mortgage commitment is not fulfilled through no fault of a Purchaser, performance is excused. Therefore, if the Purchaser acts in good faith and the lender revokes the loan commitment after the contingency period expires, performance is excused and the Sponsor must grant to such Purchaser a right of rescission and a reasonable period of time to exercise such right.

E. Failure to Notify. If Purchaser fails to give timely notice of cancellation in accordance with paragraph D, then Purchaser shall be deemed to have waived the right to cancel the contract and to receive a refund of the Deposit and unexpended sums for special work ordered by reason of the contingency contained in this Rider. The contract will remain in full force and effect and the mortgage contingency will no longer apply. In addition, Seller may, at its option, cancel the contract and thereafter neither party shall have any further rights against or obligations or liabilities to, the other by reason of this contract, and upon cancellation the down payment and unexpended sums for special work ordered shall be promptly refunded to Purchaser.

Exhibit C

Storage License Rider

1. At Closing, Purchaser shall sign a License, the form of which is set forth in Part II of the Plan, for Purchaser's use of the specific storage space designated by Sponsor and noted on page 1 of this Agreement. Sponsor reserves the right at or prior to Closing to designate a different space in lieu of the space set forth on page 1, provided the new space is equal to or greater in size.

2. If there is a fire or other casualty to the storage space and Sponsor does not elect to repair or restore such area following such fire or casualty, then the Purchase Agreement shall be deemed modified to provide for the Closing of Title with respect to the Unit only.

3. Sponsor reserves the right to withdraw the offering of the licensed space. Such withdrawal will be disclosed by Sponsor in an amendment to the Plan and Purchaser shall only be relieved of Purchaser's obligation to purchase the withdrawn area, but shall remain obligated to purchase the Unit and any non-withdrawn area to which this Exhibit applies.

4. Purchaser shall be obligated to close title to the Unit regardless of whether the Licensed space is completed or able to be used. In the event the space is not accessible or usable at the time of Closing.

(NYC Administrative Code Section 11-2102(e)) **Attach a copy of the prospectus to Form NYC-RPT and write "REIT Transfer" on the top of the first page of Form NYC-RPT.** If you are filing Form NYC-RPT reporting a REIT Transfer that qualifies as a mere change in identity or form of ownership or organization, you must also complete Schedule M.

General Information**REIT TRANSFER**

A REIT Transfer is any deed or other instrument or transaction conveying or transferring real property or an economic interest in real property to a Real Estate Investment Trust as defined in Section 856 of the Internal Revenue Code (a "REIT"), or to a partnership or corporation in which a REIT owns a controlling interest immediately following the transaction and any issuance or transfer of an interest in a REIT or in such a partnership or corporation in connection with such a transaction, provided either:

1. the transaction occurs on or after June 9, 1994 in connection with the initial formation of the REIT and conditions 1(a), 2 and 3 below are met, or
2. the transaction occurs on or after July 13, 1996 and before September 1, 2002 (or after August 30, 2002 if the transfer is made pursuant to a binding written contract entered into before September 1, 2002, with a REIT or a partnership or corporation in which the REIT owns a controlling interest, and the date of execution of that contract is confirmed by independent evidence satisfactory to the Department), and conditions 1 (b) and 2 below are met.

For a definition of "controlling interest", see General Information for Form NYC-RPT, "Imposition of Tax."

CONDITIONS

- 1a. The value of the ownership interests in the REIT or in the partnership or corporation controlled by the REIT received by the grantor as consideration for the transaction must be equal to 40 percent or more of the excess of the value of the total consideration received over the amount of mortgages and other liens and encumbrances on the property or on the grantor's economic interest in the property, other than mortgages and other liens and encumbrances created in contemplation of the formation of the REIT.
- b. This condition is the same as Condition 1(a), except that the value of the ownership interests received as consideration must be equal to at least 50 percent rather than 40 percent of

the excess of the total consideration received over mortgages and other liens and encumbrances on the property or economic interest transferred excluding mortgages and other liens or encumbrances created in contemplation of the transaction reported on this Schedule R.

Use the worksheet on the following page of this Schedule to make this determination.

2. The interests in the REIT or in the partnership or corporation controlled by the REIT may not be transferred by the grantor or owners of the grantor within two years following the date of the transaction other than transfers within the two-year period resulting from the death of an individual grantor or owner of a grantor.
3. At least 75 percent of the cash proceeds of the initial public offering of REIT shares must be used for the following:
 - a. payments on loans secured by an interest in the real property or an economic interest therein owned directly or indirectly by the REIT, or payments into reserves therefor;
 - b. capital improvements to real property owned directly or indirectly by the REIT, or payments into reserves therefor;
 - c. brokerage fees and commissions, professional fees and payments to or on behalf of a tenant as an inducement to enter into a lease or sublease of real property owned directly or indirectly by the REIT, or payments into reserves therefor; or
 - d. payments to acquire real property or an economic interest therein other than an acquisition that would qualify as a REIT Transfer without regard to this condition 3.

SEE INSTRUCTIONS TO DETERMINE WHICH TAX RATE APPLIES

Instructions for Completing Worksheet**LINE 1**

Where the value of the underlying property transferred or interest therein is used in determining the consideration for a REIT Transfer, you may, but are not required to, report as the value of the real property or interest therein (Form NYC-RPT, Schedule 1, line 7), the estimated market value as determined by the Department of Finance as reflected on the most recent Notice of Assessment issued by the Department. (*See Statements of Audit Procedure 93-2-GCT/RPTT, 3/1/93 and 95-1-GCT/RPTT, 7/28/95*) Add to the amount reported on line 1 the amount of any mortgages and other liens and encumbrances created in contemplation of the formation of the REIT in the case of condition 1(a) or in contemplation of the transaction reported on this Schedule R in the case of condition 1(b).

LINE 2

If the grantor received REIT shares as consideration for the transfer, enter on line 2a the number of REIT shares received. If the grantor received interests in a partnership or corporation controlled by the REIT that may be converted into REIT shares, enter on line 2b the maximum number of REIT shares into which such interests may be converted and attach an explanation of the terms of the conversion. If the grantor received interests that may be converted into REIT shares but you believe that the offering price for the REIT shares into which such interests may be converted is not a proper measurement of the value of the interests received, do not complete line 2b. Instead, attach an explanation of the terms of the conversion and enter on line 2f the fair market value of the interests received. If the grantor received interests in a partnership or corporation controlled by the REIT that cannot be converted into REIT shares at any time, enter on line 2f the fair market value of the interests received. If you enter an amount on line 2f, attach an explanation of the method used for determining the value of the interests received.

Certification

I swear or affirm under penalties of perjury that the grantor has no present intention to transfer or convey the REIT shares or interests in a partnership or corporation controlled by the REIT received by the grantor as consideration in the transaction reported on this Schedule R within two years of the date of the transfer, other than a distribution of such shares or interests to the partners or shareholders of the grantor, and that, to the best of my knowledge, condition 3 above regarding the use of the cash proceeds of the REIT offering will be satisfied, if applicable. I further swear or affirm that I will file an amended Form NYC-RPT and pay any additional tax due if any such transfer or conveyance occurs within such two-year period or if condition 3 above, if applicable, ceases to be met.

The acceptance of a deed or conveyance, the entering into a lease, or the entering into occupancy of any Unit shall constitute an agreement that the provisions of this Declaration, the By-Laws and the Rules and Regulations, as they may be amended from time to time, are accepted and ratified by such owner, tenant, or occupant, and all of such provisions shall be deemed and taken to be covenants running with the Land and shall bind any person having at any time, any interest or estate in such Unit, as though such provisions were recited and stipulated at length in each and every deed, conveyance, or lease.

This Declaration of Condominium is subject also to such other liens, covenants, easements, restrictions, consents, agreements, and other matters of record and any agreements as pertain to the Units, the Land and/or the Building.

B. If any provision of this Declaration or of the By-Laws is invalid under, or would cause this Declaration and the By-Laws to be insufficient to submit the Property to, the provisions of the Condominium Act, such provision shall be deemed deleted from this Declaration or the By-Laws, as the case may be, for the purpose of submitting the Property to the provisions of the Condominium Act, but shall nevertheless be valid and binding upon, and shall inure to the benefit of, the owners of the Property and their heirs, executors, administrators, legal representatives, successors and assigns, as covenants running with the Land and with every part thereof and interest therein under other applicable Law to the extent permitted under such applicable Law with the same force and effect as if, immediately after the recording of this Declaration and the By-Laws, all Unit Owners had signed and recorded an instrument agreeing to each such provision as a covenant running with the Land. If any provision that is necessary to cause this Declaration and the By-Laws to be sufficient to submit the Property to the provisions of the Condominium Act is missing from this Declaration or the By-Laws, then such provision shall be deemed included as part of this Declaration or the By-Laws, as the case may be for the purposes of submitting the Property to the provisions of the Condominium Act.

C. Subject to the terms of paragraph (b) of this Article 17, if this Declaration and the By-laws are insufficient to submit the Property to the provisions of the Condominium Act, the provisions of this Declaration and the By-Laws shall nevertheless be valid and binding upon, and shall inure to the benefit of, the owners of the Property and their heirs, executors, administrators, legal representatives, successors and assigns, as covenants running with the Land and with every part thereof and interest therein under other applicable Law to the extent permitted under such

applicable law with the same force and effect as if, immediately after the recording of this Declaration and the By-Laws, all Unit Owners had signed and recorded an instrument agreeing to each such provision as a covenant running with the Land.

A. Unless otherwise stated, any provision of this Declaration, including the Bylaws, may be amended, modified, added to, or deleted by the vote of 66 2/3 Units in number and Common Interest, taken in accordance with the provisions of the By-Laws, provided, however, that no amendment shall be made which limits or affects the rights of the mortgagee against the mortgagor. No such amendment, modification, addition, or deletion shall be effective until recorded in the Kings County Register's Office. Subject to the provisions contained herein or in the By-Laws with respect to amendments, modifications, additions, or deletions affecting Sponsor or its designee or any Unsold Units, any such amendment, modification, addition, or deletion may be executed either (i) by the Condominium Board as attorney-in-fact for the Unit Owners, which power shall be deemed to be coupled with an interest as provided for in Article 14 hereof; or (ii) by the Unit Owner or Unit Owners whose Unit or Units are affected by such amendment, modification, addition or deletion.

B. If the amendment requires the approval of a specified percentage of Unit Owners pursuant to the terms of this Declaration or the By-Laws, then there shall be attached to such amendment an original executed Secretary's Certification, certifying that the requisite number and percentage of Unit Owners approved the amendment at a duly constituted meeting or (when permitted in this Declaration or the By-Laws) in writing without a meeting, in which Certification shall be described the number and percentage of Unit Owners so consenting and (if voted upon at a meeting) the date and time of the meeting.

In such event, Sponsor may sign any required document in connection therewith on behalf of the Board.

(B) The Board shall be responsible for carrying out the duties imposed upon it under the Condominium Documents regardless of whether a Unit is vacant or occupied by the owner thereof or by a permitted lessee or other permitted occupant.

Section 2.5. Exercise and Delegation of Powers and Duties.

(A) Any act within the power of the Board to perform, and deemed necessary or desirable to be performed by the Board, shall be performed by the Board or shall be performed on its behalf and at its direction by the agents, employees, or designees of the Board.

(B) The Board may appoint an Executive Committee by duly adopted resolution, which Executive Committee shall have, and may exercise, all of the powers of the Board, subject to both the exceptions and limitations contained in paragraph (D) of this Section and such additional exceptions and limitations as the Board may from time to time deem appropriate, during the intervals between the meetings of the Board. In addition, the Board may from time to time appoint, by duly adopted resolutions, such other committees as the Board may deem appropriate to perform such duties and services as the Board shall direct, each of which committees shall have, and may exercise, all of the powers delegated to it in its enabling resolution, subject, however, to the exceptions and limitations contained in paragraph (D) of this Section.

(C) The Board may employ a Managing Agent to serve at a compensation to be established by the Board and to perform such duties and services as the Board shall direct. Subject to the exceptions and limitations contained in paragraph (D) of this Section, the Board may delegate to the Managing Agent any of the powers granted to the Board in these By-Laws.

(D) Notwithstanding anything to the contrary contained in this Section, the Executive Committee and the Managing Agent shall neither have nor be entitled to exercise, and the board shall not delegate to either of them or to any other committee, the powers or duties described in subparagraphs (ii), (iv), (v), (vi), (vii), (x), (xiii), (xiv), (xv), (xvi), (xvii), (xviii), (xix) and (xx) of paragraph (A) of Section 2.4 hereof. In addition, neither the Managing Agent nor any of the committees described in Subsection (B) of this Section shall have, or be entitled to exercise, any of the powers of the Board, except to the extent permitted by Law.

Section 2.6. Number, Election and Qualification of Members.

(A) Qualifications of Board Members. After the Initial Control Period, the affairs of the Condominium will be governed by the Condominium Board of three (3) members, each having one (1) vote. After the Initial Control Period, there is no requirement that Board

Members must be owner-occupants or members of an owner-occupant's household who are unrelated to Sponsor and its principals. There shall be no limit on the number of terms of office, successive or otherwise, that a member of the Board may serve. Any person over 18 may serve on the board. No member of the board shall be compensated for acting as such.

(B) Number of Board Members.

- (i) Initial Control Period. Sponsor will have voting control over the Board of Managers for five (5) years after the First Closing or until Sponsor owns no Units, whichever is sooner ("Initial Control Period"). During this period, there shall be three board members designated by Sponsor.
- (ii) Expiration of Initial Control Period. Within one month of the expiration of the Initial Control Period, Sponsor shall call a meeting to appoint a new Board consisting of five (5) members. At such time, Sponsor may appoint one (1) member so long as Sponsor owns an Unsold Unit. In addition, the Non-Residential Unit Owners may elect amongst themselves one member to the Board. Each Unit Owner, including Sponsor, so long as Sponsor still owns Unsold Units, and Non-Residential Unit Owners, may vote for the remaining three Board Members. Sponsor may relinquish control at any time prior to the expiration of the Initial Control Period by calling a special meeting of Unit Owners to elect a new Board. The By-laws do not include a provision requiring a majority of the Board be owner occupants or members of an owner-occupant's household who are unrelated to Sponsor and its principals after the Initial Control Period. Purchasers for their own occupancy may never gain effective control of the Board of Managers. Owner occupants and non-resident owners may have inherent conflicts on the management of the condominium.

(C) Election of Board Members.

- (i) First Meeting. The first meeting to elect new Board Members will be held within thirty days after the expiration of the Initial Control Period.
- (ii) Annual Meetings. Unit Owners shall hold annual meetings on or about the anniversary of the first meeting and every anniversary thereafter, unless such date shall occur on a legal holiday, in which event the meeting shall be held on the succeeding business day. At each annual meeting, the Unit Owners shall conduct such business as may properly be conducted. When desirable, meetings (including the first meeting) may be held via teleconference upon consent of all unit owners.
- (iii) Special Meetings. The Board shall call a special meeting of the Unit Owners whenever so directed by a duly adopted resolution of the Board

or upon receipt of a petition calling for such a meeting signed by a Unit Owner. Each such resolution or petition shall set forth, in reasonable detail, the purposes for calling such a meeting, and no business shall be transacted at such special meeting except business reasonably related to such stated purposes.

- (iv) Quorum. The presence, in person or by proxy, of Majority of all Unit Owners shall constitute a quorum at all meetings of Unit Owners, and unless otherwise provided, the decision of a Majority of Unit Owners at a meeting at which a quorum shall be present shall be binding upon all of the Unit Owners.
- (v) Voting. When votes of the Unit Owners are required, each Unit Owner (including Sponsor or its designee, for so long as Sponsor or such designee shall own at least one (1) Unit) shall be entitled to cast one (1) vote for each Residential unit owned. If two (2) or more Persons own a Unit, or if a Unit is owned by an entity, they shall designate one Person amongst them (or a fiduciary, as the case may be) to vote on behalf of their Unit in a writing given to the Board, and the vote of such designee shall be binding upon all of such Persons. Failing such a designation, all of such Persons shall mutually exercise the vote appurtenant to such unit under one ballot without division, and the concurrence of all Persons shall be conclusively presumed if any one of them purports to exercise such vote without protest being contemporaneously made to the individual presiding over the meeting at which such vote is taken. If protest is made, the vote appurtenant to such Unit shall be counted solely for the purpose of determining whether the required attendance is present to establish a quorum. Any deadlock in voting shall be settled by arbitration.

Section 2.7. Term of Office of Members.

The term of office of each member of the Board shall continue for one (1) year with elections held annually. There shall be no limit on the number of terms of office, successive or otherwise, that a member of the Board may serve.

Section 2.8. Vacancies.

(A) Removal. At any regular or special meeting of Unit Owners, any one or more of the members of the Board may be removed with or without cause by a majority of the Unit Owners and a successor may then and there or thereafter be elected to fill the vacancy thus created, provided notice of such proposed removal was given to the Board Member and was specified in the notice of the meeting. Regardless of whether an appointed member is removed by the Sponsor, its designee or the other unit owners or board members, only the Unit Owner who made the appointment or its designee shall have the right to designate a replacement for such appointee.

(B) Resignation. Any Board Member may voluntarily withdraw his or her position as Board Member by sending written notice to the other Board Members. In said case, the withdrawal will be effective immediately and the withdrawing member may appoint someone to serve in his or her place. In the event the withdrawing member does not appoint anyone within five (5) business days by a writing to the board, the other Board Members may elect amongst themselves someone to fill the vacancy. Notwithstanding the foregoing, if an appointed board member withdraws, only the Unit Owner who made the appointment or its designee shall have the right to designate a replacement for such appointee.

Section 2.9. Meetings.

Board meetings shall be held at least annually on or about the date of the first unit owners meeting, and as often as necessary to govern the affairs of the condominium. Board meetings may be in person or via teleconference. Any member of the Board may call a special meeting of the Board whenever he or she deems the same to be necessary or desirable.

Section 2.10. Notice of Meetings.

(A) Notice of regular and special Board meetings shall be sent by regular mail, posting in the lobby of the subject building, or by email to the Board Members at least five (5) days prior to the meeting.

(B) Any member of the Board may, at any time, waive notice of any meeting thereof in writing, and such waiver shall be deemed equivalent to the giving of notice. Attendance by a member of the Board at any meeting thereof shall constitute a waiver by him or her of notice of the time and place thereof.

Section 2.11. Quorum of the Board.

For purposes of all meetings of the Board, the attendance of Majority of all Board Members shall be required for the transaction of business. In connection therewith, one or more members of the Condominium Board may participate in any meeting thereof by means of telephone or similar communications equipment permitting all individuals participating in the meeting to hear each other at the same time, and such participation shall constitute presence at such a meeting for all purposes.

Section 2.12. Conduct of Meetings.

The minutes of the meetings of the Board shall be faithfully recorded, which minutes shall include the full text of all resolutions duly adopted by the Board and a record of all transactions and proceedings occurring thereat. The then current edition of Robert's Rules of Order shall govern the conduct of meetings of the Board unless the same shall be in conflict with the terms of the Declaration, By-Laws or the Condominium Act.

Section 2.13. Decision by the Board.

Except as otherwise expressly provided in the Declaration or these By-Laws, the affirmative vote of a majority of the Board Members shall constitute the decision of the Board. Alternatively, any decision that is required or permitted to be made by the Board may be made without a meeting thereof if all members of the Board shall individually or

collectively consent in writing to such decision, and all such written consents shall be duly filed by the Condominium in the minutes of the Board. In the event of a deadlock in voting, such deadlock shall be submitted to an arbitration board in accordance with Article 10, "Arbitration".

Section 2.14. Compensation of Members.

No member of the Board shall receive any compensation from the Condominium for acting as such.

Section 2.16. Common or Interested Members of the Board.

Each member of the Board shall perform his or her duties, and shall exercise his or her powers, in good faith and with a view to the interests of the Condominium. To the extent permitted by law, no contract or other transaction between the Board and either (i) any of its members or (ii) any corporation, partnership, fiduciary, firm, association, or other entity in which any of the members of the Board are officers, directors, employees, partners, fiduciaries, beneficiaries, or principals, or are otherwise interested, pecuniary or otherwise, shall be deemed either void or voidable because either (a) any such member of the Board was present at the meeting or meetings of the Board during which such contract or transaction was discussed, authorized, approved, or ratified, or (b) the vote of any such member was counted for such purpose, provided, however, that either (a) the fact thereof is disclosed to, or known by, the Board or noted in the minutes thereof, and the Board shall authorize, approve, or ratify such contract or transaction in good faith by vote of the Board; (b) the fact thereof is disclosed to, or known by the Unit Owners, and the Unit Owners authorize, approve, or ratify such contract or transaction; or (c) the contract or transaction is commercially reasonable to the Board at the time that the same is authorized, approved, ratified, executed, or otherwise consummated. Any such member of the Board may be counted in determining the requisite attendance of any meeting of the Board that authorizes, approves, or ratifies any such contract or transaction.

Section 2.17. Liability of the Condominium Board.

(A) The Board has a fiduciary duty to act in the best interest of the Condominium. The Board Members shall have no liability to the Unit Owners for errors of judgment, negligence, or otherwise, except that each member of the Condominium Board shall be liable thereto for his or her own bad faith or willful misconduct.

(B) Every contract made, and other document executed, by or on behalf of the Board, any committee thereof, or the Managing Agent shall expressly state (if obtainable and in addition to the limitation of liability of condominium officers and Unit Owners pursuant to the terms of Sections 3.10 and 4.12 hereof, respectively) that same is made or executed by or on behalf of the Board, such committee, or the Managing Agent solely as agent for the Unit Owners and that the Board Members or such committee or Managing Agent shall have no liability thereon, except to the extent of their liability, if any, as Unit Owners pursuant to the terms of Section 4.12 hereof.

(C) Neither the Board nor any member thereof shall be liable for either:

(i) any failure or interruption of any utility or other services to be obtained by, or on behalf of, the Condominium Board or to be paid for as a Common Expense; or

(D) Unit Owners shall severally indemnify and hold each member of the Board harmless from and against any claim or liability to others arising from his or her acts or omissions as, or by reason of the fact that such individual is or was, a Board Member, except, however, to the extent that such claim or liability shall be due to, or arise out of, the bad faith or willful misconduct of such member and, to the extent permissible by law, that such liability will be proportionate to, and not exceed, the total liability and the Unit Owner's percentage of common interest.

Any Unit Owner may designate an address for the giving of notice other than such Unit Owner's address at the Property by giving written notice thereof to the Board not less than ten (10) days prior to the giving of notice of the applicable meeting. In addition, neither the Board nor any designee thereof shall be entitled to the vote appurtenant to any Unit owned by the Board or such designee. (ii) in or to the Common Elements not covered by subsection (i) shall be performed by the Board as a Common Expense.

If any work is necessitated by any condition or occurrence in the individual unit, such Unit Owner shall be liable for such costs which are not paid by the insurance carrier. Promptly upon obtaining knowledge thereof, each Unit Owner shall report to the Board or Managing Agent any defect for which the Board is responsible pursuant to the terms thereof. All painting, decorating, maintenance, repairs and replacements performed hereunder or otherwise, whether by or at the behest of a Unit Owner or the Board, shall be performed in such a manner as shall not unreasonably disturb or interfere with any Unit Owners or the tenants and occupants of any Units.

The Board must respond within fifteen (15) days from receiving notice from the Unit Owner. The Board's failure to timely respond shall be deemed a waiver of its right to reject the proposed modifications. Notwithstanding the foregoing, no Board approval shall be required for work that is cosmetic in nature and for which no permit is required (painting, changing floors, changing appliances, etc.).

Prior to, and as a condition of, the granting of any such approval, the Board may, at its sole option, require the Unit Owner to procure and agree to maintain during the course of such work such insurance as the Board may reasonably prescribe and to execute an agreement, in form and substance satisfactory to the Board, setting forth the terms and

conditions under which such alteration, addition, improvement, or repair may be made, including, without limitation, the indemnity referred to in paragraph (C) hereof and the days and hours during which any such work may be done. Notwithstanding the foregoing provisions, Sponsor may perform work to any unsold units without notice to or authorization from the board, managing agent, or any other person, subject only to the provisions in the offering plan.

In the event that any unit is subdivided, the subdivided units shall jointly exercise and share the vote allocated to the original unit. The percentage of common interest allocated to the original unit shall be divided proportionately between the resultant units. In the event any Units are merged, the resultant Unit shall enjoy the number of votes originally allocated to the original Units. The percentage of Common Interest allocated to the original Units shall be aggregated and assigned to the resultant Unit.

(B) All alterations, additions, and improvements by Unit Owners shall be made in compliance with all applicable laws. In connection therewith, the Board shall execute applications to any departments of the City of New York, or to any other governmental agencies having jurisdiction thereof, for any and all permits required in connection with the making of alterations, additions, improvements, or repairs in or to a Unit, provided that, with respect to all such work of a structural nature, the same was approved by the Board pursuant to the terms of paragraph (A) hereof.

(C) Neither the Board nor any Unit Owner (other than the Unit Owner(s) making any alterations, improvements, additions, or repairs, or causing any of the same to be made, in or to his, her or their Unit(s)) shall incur any liability, cost, or expense either (i) in connection with the preparation, execution, or submission of the applications referred to in paragraph (C) hereof; (ii) to any contractor, subcontractor, materialman, architect, or engineer on account of any alterations, improvements, additions, or repairs made or asserting any claim for personal injury or property damage arising therefrom. Any Unit Owner making any alterations, improvements, additions, or repairs, or causing any of the same to be made, in or to his, her or their Unit(s) shall agree (in a writing executed and delivered to the Board, if the Board shall so request), and shall be deemed to agree (in the absence of such writing), to indemnify and hold the Condominium Board, the members of the Board, the officers of the Condominium, and the Managing Agent and all other Unit Owners harmless from and against any such liability, cost and expense.

(D) Sponsor's Rights. Sponsor or its designee shall have the right, without the approval of the Board, the Selling Agent, the Managing Agent, other Unit Owners, or representatives of holders of mortgages on Units to (a) make alterations, additions, improvements, or repairs in or to any Unsold Unit or Units, whether structural or non-structural, interior or exterior, ordinary or extraordinary, and to any Limited Common Elements allocated thereto; and to common areas; and (b) to subdivide, combine and change the boundary walls of Unsold Units or Units or Limited Common Elements.

(i) Limitation on Sponsor's Rights. No change will be made in the size or number of units and/or their respective percentages of common interest, and no material

change will be made in the size or quality of common elements, except by amendment to the Plan and, when applicable, the declaration. No material change will be made to size and no material adverse change will be made in the quality of common elements unless all then-existing purchasers consent thereto in writing. In addition, no material change will be made in Unit size, layout or percentage of common interest if the Unit has closed or a purchase agreement has been executed and delivered to Sponsor for that Unit and the Purchaser is not in default, unless all affected purchasers consent in writing to such change.

(ii) Board's Obligation to Execute. At the request of Sponsor, its designee or the Unit Owner, the Board will execute any application or other documents required to be filed with any governmental authority having or asserting jurisdiction in connection with any addition, alteration, improvement, or repair proposed to be made by Sponsor or Unit Owner, at which time Sponsor or Unit Owner shall execute an agreement to indemnify and hold harmless the Board and the Unit Owners from any expense or liability by virtue of the execution of the application or such other documents. Notwithstanding the foregoing, any amendment which affects only unsold units may be made by Sponsor, without the consent or approval of the board or any other unit owner. In such event, Sponsor may sign any required document in connection therewith on behalf of the board.

(E) Notwithstanding the above, the Non-Residential Unit Owners have the right to perform, in accordance with law, any alterations, additions, or improvements to their Unit whether interior or exterior, ordinary or extraordinary; and or to subdivide or merge subdivided units, without the consent of the Board or other Unit Owners or representatives of holders of mortgages of the Residential Units. At the request of the Non-Residential Unit Owners, the Board will execute any application or other documents required to be filed with any governmental authority having or asserting jurisdiction in connection with any addition, alteration, improvement, or repair proposed to be made by the Unit Owner. If the Board fails to act promptly, the Non-Residential Unit Owners Board representative may execute any such documents itself. In connection with any work undertaken, the Non-Residential Unit Owners shall execute an indemnification of the Board and other Unit Owners. No work shall jeopardize the structural integrity of the Building.

(F) Limited Common Element roof terraces allocated to Units as shown on the Schedule A will not be finished for daily foot traffic. Unit Owners shall be required to install a proper walking surface over their own roof terrace, such as pavers or decking.

Section 5.3. Alterations, Additions, or Improvements to the Common Elements.

Except as covered in section 5.2 or otherwise provided in the Declaration or in these By-Laws, all necessary or desirable alterations, additions, or improvements in or to any of the Common Elements shall be made by the Board, and the cost and expense thereof shall constitute a Common Expense. Notwithstanding the foregoing, however, whenever the cost and expense of any such alterations, additions, or improvements would, in the judgment of the Board, exceed \$15,000.00 in the aggregate in any calendar year, such

proposed alterations, additions, or improvements shall not be made unless first approved by the Unit Owners at a duly constituted meeting of the Unit Owners and by the Mortgage Representatives, if any. Except as otherwise provided in the Declaration and in these By-Laws, all such alterations, additions, or improvements costing \$15,000.00 or less in the aggregate in any calendar year may be made as aforesaid without the approval of either the Unit Owners or any Mortgage Representatives. No material adverse change will be made to quality of common elements unless all then-existing purchasers consent thereto in writing.

Section 5.4. Insurance.

(A) If same shall be obtainable, the Board shall obtain, and shall maintain in full force and effect, fire insurance policies with all risk extended coverage, vandalism and malicious mischief endorsements, insuring the Building (including all Units and the bathroom and kitchen fixtures installed therein by Sponsor or improvements done by unit owners existing by prior construction on the date of recording the Declaration and all service machinery contained therein, and any other property usual to the servicing and general occupancy, but not including appliances or any furniture, furnishings, decorations, belongings, or other personal property supplied or installed by Unit Owners or the tenants of Unit Owners) and covering the interest of the Condominium, the Condominium Board, all of the Unit Owners and all Permitted Mortgagees, as their interests may appear, and comprehensive general liability insurance, covering all claims for personal injury or property damage arising out of any occurrence on the Property and listing as co-insureds (a) the Board and each member thereof, (b) the Managing Agent or manager (if any), (c) each officer and employee of the Condominium and (d) each Unit Owner (except, however, that such insurance shall not cover any liability of a Unit Owner arising from occurrences within his or her own Unit). Each of the said policies shall contain:

- (i) waivers of (a) subrogation, (b) any defense based upon co-insurance or other insurance, (c) invalidity arising out of any acts of the insured, and (d) pro-rata reduction of liability;
- (ii) a provision that any adjustment of loss will be made by the Board and that all proceeds thereof shall be paid to either the Board or the Insurance Trustee, as provided in Section 5.5 hereof;
- (iii) a New York standard mortgagee clause in favor of each Permitted Mortgagee, which shall provide that the proceeds thereof shall be paid to such Permitted Mortgagee as its interest may appear, subject, however, to the loss payment provisions in favor of the Board and the Insurance Trustee set forth in subparagraph (ii) above and in Section 5.5 hereof; and
- (iv) a provision that such policy may not be either cancelled or substantially modified except upon at least ten days' prior written notice to all of the insureds, including all Permitted Mortgagees.

Duplicate originals or certificates of all such policies and of all renewals thereof, together with proof of payment of premiums, shall be sent to all Unit Owners and Permitted Mortgagees at least ten days prior to the expiration of the then current policies.

(B) The Condominium Board may also obtain and maintain, to the extent practicable:

- (i) rent insurance (if applicable);
- (ii) workmen's compensation and New York State disability benefits insurance;
- (iii) boiler and machinery insurance; and
- (iv) such other insurance as the Board shall from time to time determine.

Each of the aforementioned policies of insurance shall also cover cross-liability claims of one insured against another.

(C) All policies of insurance to be maintained by the Board shall contain such limits as the Board shall from time to time determine, provided, however, that:

(i) with respect to insurance policies maintained by the Board pursuant to paragraph (A) hereof, the coverage shall be in an amount equal to not less than eighty percent of the full replacement cost of the Building, exclusive of excavation and foundations, without deduction for depreciation, as approved by a fire insurance company, a qualified insurance broker, or another qualified source;

(ii) with respect to insurance policies maintained by the Board pursuant to subparagraph (i) of paragraph (B) hereof, such policies shall contain single limits of not less than \$500,000.00 in the aggregate until the first regular meeting of the first Board elected by the Unit Owners; and

(iii) with respect to insurance policies maintained by the Board pursuant to subparagraph (ii) of paragraph (B) hereof, the coverage shall be in an amount least equal to the aggregate of all of the Unit Owners' Common Charges for one year.

Any insurance policies maintained by the Board may also provide for such deductible amounts as the Board shall determine. The Board shall review the limits of each insurance policy, as well as the amount of any deductible sum thereunder, at least once each year.

(D) The cost of all insurance maintained by the Board pursuant to this Section 5.4, together with the fees and disbursements of any Insurance Trustee appointed by the Board pursuant to the terms of these By-Laws, shall be borne by the Board as a Common Expense.

(E) Unit Owners shall not be prohibited from carrying other insurance for their own benefit, provided that all such policies shall contain waivers of subrogation and further

provided that the liability of the carriers issuing the insurance maintained by the Board shall not be affected or diminished by reason of any such, additional insurance carried by any Unit Owner. Non-Residential Unit Owners must obtain and require their tenants to maintain property and liability insurance in commercially reasonable amounts.

Section 5.5. Casualty or Condemnation.

(A) In the event that either (i) the Building or any part thereof is damaged or destroyed by fire or other casualty (hereinafter referred to as a "Casualty Loss") or (ii) the Common Elements or any part thereof is taken in condemnation or by eminent domain (hereinafter referred to as a "Taking"), the net insurance proceeds payable under the insurance policies maintained by the Board pursuant to the terms of Section 5.4 hereof by reason of such Casualty Loss or the net condemnation awards receivable by reason of such Taking, as the case may be, shall be payable to the Board. In either instance, all such monies actually received (hereinafter referred to as the "Trust Funds") shall be held in trust for the benefit of all Unit Owners and their Permitted Mortgagees and shall be disbursed pursuant to the terms of this Section. Notwithstanding anything to the contrary contained either in this paragraph (A) or elsewhere in this Section, however, no Unit Owner whose Unit, or any portion thereof, is taken in condemnation or by eminent domain (whether or not all or a part of the Common Elements are contemporaneously taken) shall be deemed to have waived whatever rights that he or she may have to pursue a separate claim against the condemning authority by reason thereof.

After Sponsor has relinquished control of the Board, the Board shall notify the Sponsor of any damage or destruction by fire or other casualty sustained by the Unsold Units within ten (10) days of such damage.

(B) Subject to the terms of paragraph (D) hereof, the Board shall arrange for the prompt repair or restoration (hereinafter referred to as the "Work" of: (i) in the event of a Casualty Loss, the portion(s) of the Building (including all Units and the bathroom and kitchen fixtures installed therein on the date of recording the Declaration and all service machinery contained therein, but not including appliances or any furniture, furnishings, decorations, belongings, or other personal property supplied or installed by either Unit Owners or the tenants of Unit Owners) affected by such Casualty Loss or (ii) in the event of a Taking, the portion(s) of the Common Elements affected by such Taking. If, pursuant to the immediately preceding sentence, work is to be performed in or to Units, Common Elements that service or enclose Units and other Common Elements, or any combination of the foregoing, the work shall be performed, to the extent practicable, first in or to the Units, next in or to the Common Elements that service or enclose Units and then in or to the balance of the Common Elements. In addition, each Unit Owner whose Unit, or any portion thereof, shall be the subject of all or part of any Work shall have the right, subject to the terms of Section 5.2 hereof, to supervise any redecorating of his or her Unit.

(C) In the event that Work shall be performed pursuant to the terms of paragraphs (B) and (D) of this Section, the Board or the Insurance Trustee, as the case may be, shall disburse the Trust Funds to the contractors engaged in the Work in appropriate progress payments. If the Trust Funds shall be less than sufficient to discharge the cost and expense

of performing the Work, the Board shall levy a Special Assessment against all Unit Owners for the amount of such deficiency in proportion to their respective Common Interests, and all proceeds of such Special Assessment shall become part of the Trust Funds. However, if the insurance proceeds are not sufficient to discharge the cost and expense of performing any work attributable to any part of the building which is not a "Common Element", such cost and expense must be paid by the owner or owners of the Units or Limited Common Elements which were damaged and no special assessment may be levied against the Unit Owners. If, conversely, the Trust Funds shall prove to be more than sufficient to discharge the cost and expense of performing the Work, such excess shall be paid to the Unit Owner of the damaged unit, except that no payment shall be made to a Unit Owner until there has first been paid, out of said excess, such amounts as may be necessary to reduce unpaid liens on the Unit Owner's Unit (other than mortgages that are not Permitted Mortgages) in the order of priority of such liens. Notwithstanding the foregoing, however, in the event that the Unit Owners are assessed pursuant to the terms of the second sentence of this paragraph (C) for any projected deficiency in the amount of the Trust Funds available to the Board and, after the payment of all costs and expenses incurred in connection with the Work, any portion of the Trust Funds remains unspent, such excess Trust Funds shall, to the extent of such Special Assessment, be deemed to be, and shall constitute, an unspent Special Assessment and shall be paid to the Unit Owners so assessed in proportion to their respective Common Interests, free of any claim of any lienor (including, without limitation, any Permitted Mortgagee).

If the damage is caused to both a Unit and Common Elements, the Board shall retain the services of an insurance adjuster to determine the amount of damages caused separately by the Unit and Common Element and all the underpayments and overpayments shall be subject to provisions in this paragraph (C).

(D) If either 75% or more of a Building is destroyed or substantially damaged by fire or other casualty or 75% or more of the Common Elements are taken in a Taking, the Work shall not be performed unless 75% or more of the Unit Owners of the Building shall promptly resolve to proceed with the same. In the event that a sufficient number of Unit Owners shall so resolve, the Work shall be performed pursuant to the terms of paragraphs (B) and (C) hereof.

Conversely, in the event that a sufficient number of Unit Owners shall either fail or refuse to so resolve, the Work shall not be performed and the Property shall be subject to an action for partition by any Unit Owner or lienor, as if owned in common, in which event the net proceeds of the resulting sale, together with any Trust Funds, shall be paid to all Unit Owners in proportion to their respective Common Interests, except that no payment shall be made to a Unit Owner until there first has been paid, out of such Unit Owner's share of such funds, such amounts as may be necessary to reduce unpaid liens on the Unit Owner's Unit (other than mortgages that are not Permitted Mortgages) in the order of priority of such liens.

(E) If (i) a portion of any Unit shall be taken in condemnation or by eminent domain and (ii) the Condominium shall not be terminated by reason of a simultaneous Taking

pursuant to the terms of paragraph (D) hereof, the Common Interest appurtenant to such Unit shall be adjusted in the proportion that the total floor area of such Unit after such Taking bears to the total floor area of such Unit prior to such Taking. The Board shall promptly prepare and record an amendment to the Declaration reflecting the new Common Interest appurtenant to such Unit, which amendment shall be acknowledged by the owner of such Unit together with the holders of record of any liens thereon (or, in lieu of acknowledgement by such Unit Owner and lienors, the same may execute a consent to such amendment in recordable form). In either event, the Common Interests of the other or remaining Units shall be adjusted accordingly and reflected in an amendment to the Declaration duly executed and acknowledged by the Board and the owners of, together with the holders of record of all liens upon, all of the other or remaining Units.

(F) As used in this Section 5.5, the terms:

- (i) "prompt repair or restoration" shall mean that the Work is to be commenced not more than sixty (60) days after the date on which the Board has received the Trust Funds, whether or not the same are sufficient to discharge the cost and expense of the Work; and
- (ii) "promptly resolve" shall mean a resolution shall be duly made not more than sixty days after the date on which the Board notifies the Unit Owners that it has received the Trust Funds and that the same are or are not sufficient to discharged the estimated cost and expense of the Work, as the case may be.

(G) Any dispute that may arise under this Section between Unit Owners or between Unit Owner(s) and the Board shall be resolved by arbitration pursuant to the terms of Article 10.

Section 5.6. Use of The Property and Common Elements.

(A) No nuisance shall be allowed on the Property, nor shall any use or practice be allowed that either is a source of annoyance to its residents or interferes with the peaceful possession or proper use of the Property by its residents or occupants. No immoral, improper, offensive, or unlawful use, as determined by the board in its sole discretion, shall be made of the Property or any portion thereof, and all valid Laws relating to any portion of the Property shall be complied with at the full cost and expense of the respective Unit Owners or the Board, whoever shall have the obligation to maintain or repair such part of the Property.

(B) Nothing shall be done or kept in any Unit or in any of the Common Elements that would increase the rate of insurance for the Property, except upon the prior written consent of the Board. No Unit Owner shall permit anything to be done or kept in a Unit or in the Common Elements that will result in the cancellation of insurance on the Property or the contents thereof, or that would be in violation of any law. No waste shall be committed in the Common Elements.

(C) Nothing shall be done in any Unit or in, on or to the Common Elements that will impair the structural integrity of the Property or that will structurally change the Building, except as is otherwise provided in the Declaration or in these By-Laws. In no event shall interior partitions contributing to the support of any Unit or the Common Elements be altered or removed.

(D) All valid laws, zoning ordinances and regulations of governmental bodies having jurisdiction thereof, relating to any portion of the Property, shall be complied with at the sole expense of the respective Unit Owners or the Board, whomever shall have the obligation to maintain or repair such portion of the Property.

(E) The Common Elements (including, without limitation, the electrical, heating, gas, plumbing and other mechanical systems and equipment of the Building and the Facilities) may be used only for the furnishing of the services and facilities, and for the other uses, for which they are reasonably suited and capable. The lobbies, vestibules, public halls, and stairways shall be used only for normal passage through them. Accordingly, all Unit Owners shall require their tradesmen to utilize exclusively the entrance designated by the Board, if any, for transporting packages, merchandise, or other objects.

(F) Guests of occupants must be accompanied at all times while on the Property.

(G) The storage closets may only be used to store personal belongings of residents of the Unit and may not be used to store any food, perishables, flammable or hazardous materials. A storage closet is uninhabitable space and may not be used for any habitable purpose such as sleeping or dining. Because the storage closets are located in the cellar, they are more susceptible to dampness. Purchasers should take reasonable precautions to protect personal belongings from damage that could be caused by moisture. Unit Owners will be storing items at their own risk and indemnify the Sponsor, its agents and employees, and Condominium Board against any loss or damage including power outages, temperature fluctuations or moisture. A storage Licensee may transfer, for no consideration, any storage space back to the Board at any time by terminating the License agreement. In the event the Unit is sold, the License shall be assigned to the new Unit Owner for no additional cost.

(H) Common Elements which serve or benefit only the Residential Units shall be known as Residential Limited Common Elements. Common Elements which serve or benefit only the Non-Residential Units shall be known as Non-Residential Limited Common Elements. The cost of maintenance and repair to such Limited Common Elements shall be borne by those Units to which they are appurtenant.

Section 5.7. Use of the Units.

(A) In order to provide for congenial occupancy of the Property and for the protection of the values of the Units, the use of Units (including any Limited Common Area appurtenant thereto) shall be restricted to, and shall be in accordance with, the terms contained in the balance of this Section. Each Unit may be used in accordance with the use permitted by

local law and zoning regulations and the Certificate of Occupancy. Any Unit may be partially used as a professional office by the owner of such unit only.

(B) All valid laws, zoning ordinances and regulations of governmental bodies having jurisdiction thereof, relating to any portion of the Property, shall be complied with at the sole expense of the respective Unit Owners or the Board, whomever shall have the obligation to maintain or repair such portion of the Property.

(C) Notwithstanding the foregoing, Sponsor may, without obtaining the consent of the Board, Managing Agent or the other Unit Owners, use any one or more of such Units as model units and sales and/or promotion offices in connection with the sale of the Unsold Units or for any other purpose, subject only to compliance with current laws, statutes or regulations.

(D) Unit Owners must notify the Managing Agent or Board in writing when a child or children under the age of eleven (11) years lives or resides (even temporarily) in the Unit. Each Unit Owner shall install, at the Unit Owner's expense, the required window guards in all windows of the Unit and shall not remove them until permitted by the law and, in any event, without the full knowledge of the Managing Agent.

(E) The Non-Residential Units may be used for any purpose in accordance with law, and has the right, at its sole cost and expense, to change the permitted use of the Unit as reflected on the Certificate of Occupancy, except, in all cases, if the use of the Non-Residential Unit causes the rate of insurance for the Building to increase, the Non-Residential Unit Owner shall be responsible for the increase. Notwithstanding anything to the contrary, the Non-Residential Unit may not be used for the following purposes without Board consent (both during and after Initial Control Period): (1) an establishment which displays, sells, rents or offers for sale or rent any pornographic material; adult bookstore, (2) any establishment which stocks, displays, sells or rents any drug-related paraphernalia or merchandise, (3) any so-called gentleman's club featuring topless waitresses, nude or semi-nude dancing or private "one-on-one" booths or rooms, (4) illicit non-therapeutic massage parlor, (5) off-track betting parlor or other gambling facility, (6) pawn shop, (7) any business practicing satanic or cult ritualistic activities including so-called "devil worship," black magic or rites of passage involving self-mutilation or degradation; or (8) restaurant including all food service and cooking establishments.

Section 5.8. Rights of Access.

(A) Subject to the rights of existing tenants and other occupants of Unsold Units, Unit Owners shall grant to the Sponsor, Board, Managing Agent or manager (if any), superintendent and/or to any other Person authorized by any of the foregoing a right of access to their Unit for the purposes of:

(i) making inspections of, or removing violations noted or issued by any governmental authority against, the Common Elements or any other part of the Property;

(ii) curing defaults hereunder or under the Declaration or violations of the Rules and Regulations committed by such Unit Owner, or correcting any conditions originating in their Unit which threaten another Unit or all or a portion of the Common Elements;

(iii) performing maintenance, installations, alterations, repairs, or replacements to the mechanical or electrical services, or other portions of the Common Elements located within his or her Unit or elsewhere in the Building;

(iv) reading, maintaining, or replacing utility meters relating to the Common Elements, to his Unit, or to any other Unit; or

(v) correcting any condition that violates the provisions of any Permitted Mortgage encumbering another Unit.

Except in cases of Emergency, the foregoing rights of access shall be exercised only upon not less than two day's advance notice and only in such a manner as will not unreasonably interfere with the use of the Units for their permitted purposes. In cases of Emergency, however, such rights of access may be exercised immediately, without advance notice and whether or not the Unit Owner is present.

(B) For purposes of paragraph (A), each Unit Owner shall grant to the Board a right of access to his or her Unit and the Board shall grant rights of access to the Common Elements, provided that access thereto shall not be exercised with respect to any Unit in such a manner as will unreasonably interfere with the use of such Unit for its permitted purposes.

(C) A right of access is hereby granted to the Sponsor, unit owners, their successors, heirs and assigns, for the purpose of gaining access to the following areas: common areas; mechanical areas of the building, including but not limited to the boiler room, storage room, meter room or any other facility to which each such unit owner has a right of use; or to any area of the property that such Unit Owner has a right to use as part of his Unit or as a Common Element. This right of access may be exercised by the Sponsor on no notice and without limitation. However, the right shall only be exercised in a reasonable manner.

Section 5.9. Modification of the Rules and Regulations.

The Board shall have the right to amend, modify, add to or delete any of the Rules and Regulations from time to time, provided, however, that copies of such amendments are furnished to each Unit Owner at least thirty (30) days prior to the time that they become effective. Any such amendment, modification, addition, or deletion may be overruled by the vote of 75% of the Unit Owners. However, this section may only be amended with unanimous consent of all Unit Owners. Copies of the text of any amendments, modifications, additions, or deletions to the Rules and Regulations shall be furnished to all Unit Owners not less than thirty days prior to the effective date thereof. Notwithstanding the foregoing, for five (5) years after the First Closing, or until there are no unsold units, whichever is sooner, the Rules and Regulations may not be amended or modified so as to

adversely affect Sponsor or its designee without the prior written consent of every Unit Owner affected by such amendment, including Sponsor or its designee.

Section 5.10. Real Estate Taxes, Water Charges and Sewer Rents.

Water for the Building shall be supplied by the City of New York. Unless and until real estate taxes, water charges and sewer rents are billed directly to Unit Owners by the City Collector, the Board shall promptly pay such taxes, charges and rents as a Common Expense. However, the Board shall have the right, exercisable in its sole discretion to require the installation of submeters to determine the consumption of water by each Unit as a common expense. In the event of a proposed sale of any Unit, the Board (for so long as the Board is still paying such real estate taxes, water charges and sewer rents) shall, upon the written request of the selling Unit Owner, execute and deliver to the purchaser of such Unit or to such purchaser's title company, a letter agreeing to promptly pay all such taxes, charges and rents affecting such owner's Unit to the date of the closing of title to such Unit. The Board will be responsible for reviewing, appealing and filing any documents necessary for obtaining a reduction in the tax assessment and will file such documents on behalf of all of the Unit Owners. Such Unit Owners shall execute any documents required for such filing. After the Units have been separately assessed, tax review for each Unit will be the responsibility of the Unit Owner.

Section 5.11. Real Estate Tax Escrow.

If the tax lots are not apportioned at the time of the First Closing, Sponsor shall place in escrow in the name of the Board an amount equal to the real estate taxes which will be levied against the property for the six (6) month period following the First Closing and will collect at each unit closing the estimated amount of taxes for that period attributable to such unit for reimbursement. The amount in the escrow account will be disclosed in the initial post closing amendment. The Board will pay the real estate taxes from the escrow account when taxes are due and payable and the funder of the escrow account will be entitled to reimbursement from unit owners to the extent of the actual assessment.

Section 5.12. Gas and Electricity.

Gas and Electricity shall be supplied to each Unit through a separate meter for such Unit, and each Unit Owner shall be required to pay all charges for gas and electricity consumed or used in his Unit directly to the utility company servicing the Building as and when billed therefor. The Board shall have the right, exercisable in its sole discretion, to require that gas and electricity be supplied to the Condominium through one or more common meters. In such event, the cost of installation shall be borne by all Unit Owners as a common expense. The cost of gas and electricity shall be borne by each Unit Owner based upon the consumption or usage of gas and electricity in his Unit, as determined by submetering, survey, or any other reasonable method prescribed by the Board and permitted by Law, and shall be payable either to the Board or to the utility company servicing the Building, as directed by the Board.

The Board must deliver to each tenant and prospective tenant of the Building, and must post in a common area of the Building, a notice regarding the procedures that should be followed when a gas leak is suspected.

Section 5.13. Utilities Serving the Common Elements.

The cost and expense of water, steam, electricity and gas serving or benefiting any Common Element shall be (i) considered part of the expense of maintaining such Common Elements, (ii) determined by the Board and (iii) charged to the Unit Owners as a Common Expense.

Section 5.14. Vault Charges.

All license fees, and all periodic taxes and charges, for vaults or other protrusions beyond the building line shall be paid by the Board as a Common Expense.

Section 5.15. Records and Audits.

(A) The Board or Managing Agent, if any, shall keep full, detailed and accurate records with respect to the financial affairs of the Condominium, which records and books of account shall include, without limitation, (i) a listing of all receipts of and expenditures by the Board and the Managing Agent and (ii) a separate listing for each Unit, setting forth, among other things, the amount of each assessment of Common Charges and Special Assessments levied against such Unit, the date when due, the amounts paid thereon and the balance, if any, remaining unpaid.

(B) Within (4) four months after the end of each fiscal year of the Condominium, the Board shall submit to each Unit Owner, and, if so requested, to any Permitted Mortgagee, an annual report of the receipts and expenditures of the Condominium prepared by an independent accountant. The cost of preparing and distributing each such report shall be borne by the Unit Owners as a Common Expense.

ARTICLE 6 - COMMON CHARGES

Section 6.1. Determination of Common Expenses and Fixing of Common Charges.

E. Commencement of Collection.

- (iii) The Board will commence collection of common charges upon the closing of title to the first Unit provided the Sponsor has not exercised its option to pay all expenses of operation of the Property in lieu of Common Charges.
- (iv) Sponsor may, in its sole discretion, delay the collection of common charges and elect to pay the expenses of the building instead. During any such delay, Sponsor will timely pay all expenses of the Condominium, including but not limited to, insurance premiums and any reserve fund payments. Such expenses shall not include individual unit owner's expenses such as real estate taxes and utility charges. Upon commencement of collection of common charges, there will not be any assessment for any item in the approved budget for the condominium. Sponsor shall remain obligated to update the budget for the Condominium and provide financial statements (if still in control of the Board at the end of the fiscal year) as required by governing regulations. In the event Sponsor elects to delay the collection of common charges, Sponsor shall

disclose such fact in the closing notice to Purchasers and in the post-closing amendment to the Offering Plan. Such amendment shall also disclose the anticipated period of delay. Sponsor will notify all unit owners in writing of the expiration of the delay period at least thirty (30) days prior to the commencement of collection of common charges and will disclose such fact in the following amendment to the Offering Plan. During any such period of delay, Sponsor will have financial statements prepared in accordance with the Bylaws.

(B) Budget. From time to time, but not less frequently than annually, the Board shall: (i) prepare and adopt a budget for the Condominium, subject, in all respects, to the strictures set forth in Section 2.4 hereof; (ii) determine the aggregate amount of Common Charges necessary to be charged to the Unit Owners in order to meet the Common Expenses; and (iii) allocate and assess such Common Charges amongst the Unit Owners pro-rata, in accordance with their respective Common Interests (except as otherwise provided in the Declaration or in these By-Laws). The Board shall advise all Unit Owners promptly thereafter in writing of the amount of Common Charges payable by each of them and, not later than ten days next preceding the date upon which the first installment of newly determined Common Charges is due, shall furnish copies of the budget (in a reasonably itemized form) upon which such Common Charges are based to all Unit Owners and to their respective Permitted Mortgagees.

(i) Revisions. The Board may, at its sole discretion, from time to time increase or decrease the amount of Common Charges allocated to the Units and payable by the Unit Owners and may modify its prior determination of the Common Expenses for any fiscal year so as to increase or decrease the amount of Common Charges payable for such fiscal year or portion thereof; however, no such revised determination of Common Expenses shall have a retroactive effect on the amount of Common Charges payable by Unit Owners for any period prior to the date of such new determination.

(ii) Sponsor's Right to Veto. For five (5) years after the First Closing or until unsold units constitute less than 25% of the common interests, whichever is sooner, the Board must obtain Sponsor's prior written approval with regard to the below items. During this time, Sponsor may veto these actions.

(iii) Raise common charges or levy a special assessment to:

- a. make an alteration to the common elements;
- b. create an additional reserve fund for repairs, alterations, unanticipated expenses and/or contingencies which exceed 5% of the projected common expenses for the budget year;
- c. increase, decrease, eliminate or otherwise change the number, type, classification or working hours of the building's service staff (if any), or to hire additional service staff.
- d. increase, decrease, or eliminate building services;
- e. increase, decrease, eliminate or otherwise change the amounts or types of insurance coverage from the coverages existing on the date of the First Closing.

(iv) Borrow money on behalf of the Condominium Association.

Notwithstanding the foregoing, Sponsor may not exercise veto power over expenses described in Schedule B, or over expenses required: (i) to comply with applicable laws or regulations; (ii) to remedy any notice of violation; (iii) to remedy any work order by an insurer; or (iv) to remedy any immediately hazardous condition which affects the health and/or safety of the occupants.

(C) The failure or delay of the Board to prepare or adopt a budget or to determine the Common Expenses for any fiscal year or portion thereof shall not be deemed a waiver or modification in any respect of the covenants and provisions hereof or a release of any Unit Owner from the obligation to pay Common Charges. In such event, the Common Charges that were computed on the basis of the Common Expenses last determined for any fiscal year or portion thereof shall continue thereafter to be the Common Charges payable by the Unit Owners until a new determination of the Common Expenses shall be made.

(D) The Board has the right to allocate certain budgeted items on a special basis which reflects actual benefit and/or use associated with that particular item of expense or exclusive control of the particular Common Elements, pursuant to N.Y. Real Property Law (RPL) Section 339-m. Where the allocation of Common Expenses is not based on Common Interest, the budget and budget notes so indicate.

(E) In addition to the foregoing duty to determine the amount of and assess Common Charges, the Board shall have the right, subject, in all respects, to the strictures contained in Section 2.4 hereof, to levy Special Assessments to meet the Common Expenses or to fund additional projects. All Special Assessments may be payable either in one lump sum or in installments, as the Board shall determine, provided, however that the Board shall give each Unit Owner not less than thirty (30) days' notice prior to the date upon which such Special Assessment, or the first installment thereof, shall be due and payable, which notice shall set forth, in reasonable detail, the nature and purpose thereof. The Board shall have all rights and remedies for the collection of Special Assessments as are provided herein for the collection of Common Charges (including, without limitation, the provisions of Section 6.4 hereof). The Board has the right to allocate certain items on a special basis which reflects actual benefit and/or use associated with that particular item of expense or exclusive control of the particular Common Elements, pursuant to N.Y. Real Property Law (RPL) Section 339-m. Special Assessments shall be levied against all Unit Owners in proportion to their respective Common Interests as follows:

(i) assessment or increase in common charges to repair or maintain the Common Elements shall be levied against all units proportionately in accordance with the percentage of Common Interest;

(ii) assessment or increase in common charges (a) to improve the Common Elements which only benefit specific Units, class of Units, or Licensees or (b) to satisfy a condition in a specific Unit or LCE, such as a building code violation as a result of a condition in a specific unit, shall be levied against the

Units so benefitting, or which is the subject of the condition to be remedied, as the case may be, proportionately in accordance with the percentage of Common Interest.

(F) The Common Charges payable by the Units will be offset by the income derived from the License fees, if any. The License Fees may be increased or decreased by the Board as it sees fit in accordance with the Bylaws. Any License Fee and/or Special Assessment due hereunder or imposed by the Condominium Board in the future, shall constitute “additional Common Charges” under the terms of the Condominium Documents. Licensee’s failure to pay the License Fee and/or Special Assessment due hereunder or imposed by the Condominium Board in the future shall constitute a material default under the terms of the Condominium Documents. Notwithstanding any provision to the contrary, the collection of the License Fees shall be subject to the same means of enforcement of collection as Common Charges.

(G) The excess of all rents, profits and revenues derived from the rental or use of any space forming a part of, or included in, any Common Element remaining after deduction of all expenses incurred in connection with generating the same shall constitute income of the Unit Owners, and shall be collected on behalf of the Unit Owners by the Board and applied against the Common Expenses for the year in which collected. In the event that such net rents, profits and revenues, together with the Common Charges and any Special Assessments collected from the Unit Owners, for any year of operation shall exceed the Common Expenses for such year, then such excess shall be applied by the Board against the Common Expenses for the next succeeding year(s) of operation, and no Unit Owner shall be entitled to a distribution of any portion of such excess unless the Board shall determine to distribute all or part of such excess to all Unit Owners pro-rata, in proportion to their respective Common Interests. Notwithstanding any provision contained in these By-Laws or in the Declaration to the contrary, however, in no event shall any rent, profit, or revenue derived from the rental or use of any space in the Building be deemed to be derived from the rental or use of any floor slabs, ceilings, or walls delineating or enclosing such space or the incidental use of any portion of any Common Elements appurtenant to such space.

(H) Any fine, penalty, increase in cost or other fee attributable to the actions of a specific Unit Owner shall be levied against only that Unit.

Section 6.2. Payment of Common Charges.

(A) All Unit Owners shall be obligated to pay Common Charges, License Fees and Special Assessments assessed by the Board pursuant to the terms of Section 6.1 hereof at such time or times (but not less than annually) as the Board shall determine. Unless otherwise determined by the Board, Common Charges shall be payable in installments on the first day of every month in advance. To the extent permitted by Law, the Board shall have a lien on each Unit, on behalf of all Unit Owners, for unpaid Common Charges and Special Assessments assessed against such Unit. Such lien, however, shall be subordinate, to the extent required by Law, to any liens for real estate taxes assessed against such Unit.

(B) No Unit Owner shall be liable for the payment of any part of Common Charges or any Special Assessments assessed against his Unit subsequent to a sale, transfer, or other conveyance by him of such Unit, together with its Appurtenant Interests. A purchaser or other successor-in-title to the owner of a Unit shall be liable for the payment of all Common Charges and any Special Assessments accrued and unpaid against such Unit prior to his acquisition thereof, except that, to the extent permitted by Law, a Permitted First Mortgagee acquiring title to a mortgaged Unit or a purchaser at a mortgage foreclosure sale held with respect to a Permitted First Mortgage shall not be liable, and such mortgaged Unit shall not be subject to a lien, for the payment of any Common Charges and Special Assessments assessed subsequent to the recording of such Permitted First Mortgage and prior to the acquisition of title to such Unit by the Permitted First Mortgagee or such purchaser. In the event of a foreclosure of a Permitted First Mortgage (whether by sale, deed in lieu of foreclosure, or otherwise), the defaulting Unit Owner shall remain fully liable for the payment of all unpaid Common Charges and Special Assessments that accrued prior to such foreclosure. Any unpaid Common Charges and Special Assessments that are not collected from such defaulting Unit Owner shall be deemed a Common Expense, collectible from all those who are Unit Owners at the time that the same is levied, including the new Unit Owner of the subject Unit.

(C) Subject to the terms and conditions contained in these By-Laws, any Unit Owner may convey his or her Unit, together with its Appurtenant Interests, to the Board or to its designee, corporate or otherwise, on behalf of all Unit Owners, without being compensated therefor, and, in such event, be exempt from the payment of Common Charges and Special Assessments thereafter accruing, provided, however that: (i) all Common Charges and any Special Assessments then due and payable with respect to such Unit have been paid; (ii) such Unit is free and clear of all liens and encumbrances other than a Permitted First Mortgage and the statutory lien for unpaid Common Charges and Special Assessments; and (iii) no violation of any provision of the Condominium Documents then exists with respect to such Unit.

(D) No Unit Owner shall be exempted from liability for the payment of Common Charges or Special Assessments by waiving the use or enjoyment of any or all of the Common Elements or by abandoning his or her Unit (except with respect to a conveyance of the same to the Board, without compensation, pursuant to the terms of paragraph (C) hereof.) Except as expressly provided to the contrary in paragraph (E) of Section 5.5 hereof, no Unit Owner shall be entitled to a diminution or abatement in the Common Charges or Special Assessments payable thereby for any inconvenience or discomfort arising from: (i) the failure or interruption of any utility or other services; (ii) the making of repairs or improvements to the Common Elements or any Unit (including, without limitation, such Unit Owner's Unit) pursuant to the terms of Sections 5.1, 5.2 or 5.3 hereof; or (iii) any action taken by the Board to comply with Law.

Section 6.3. Statement of Common Charges.

The Board shall promptly provide a written statement of all unpaid Common Charges due from any Unit Owner upon its receipt of a written request therefor from such Unit Owner. In addition, each Unit Owner shall be permitted to examine the books of account of the

Condominium at reasonable times on ten (10) business days' notice, but not more frequently than once a month.

Section 6.4. Default In Payment of Common Charges.

(A) In the event that any party defaults in performing any act or making any payment which is that party's responsibility hereunder and said default is not cured within fifteen (15) days of written notice of said default, then the Board shall take prompt action to collect any Common Charges due to the Board that remains unpaid for more than thirty days after the due date for the payment thereof. Any lien for unpaid Common Charges and expenses against a Unit will be effective from and after filing of a verified notice thereof in the Register's Office and until all sums secured thereby, with interest and costs accrued thereon, shall have been fully paid, or until six (6) years from the date of filing (unless foreclosure of such lien is started within such six-year period), whichever shall be sooner. In accordance with Section 339-aa of the Real Property Law, while Sponsor is in control of the Board, Sponsor will cause the Board to file a lien on units in which Sponsor is more than thirty (30) days in arrears of common charges. Such liens may be foreclosed by a suit brought in the name of the Board (acting on behalf of all Unit Owners) in like manner as the foreclosure of a mortgage on real property, or an action may be brought by the Board to recover unpaid Common Charges without foreclosing the lien. In connection therewith, the Board shall, at its discretion or upon instruction by sponsor if sponsor is in control of the board, have the right and obligation to cause liens for all sums due and owing to the Board to be filed in the Register's Office pursuant to the terms of Section 339-z of the Condominium Act, to cause such liens to be foreclosed in the manner provided in Section 339-aa of the Condominium Act and/or to institute all other proceedings deemed necessary or desirable by the Board to recover all such unpaid Common Charges, together with all additional sums of money collectable by the Board by reason of such nonpayment pursuant to the terms of paragraph (B) hereof. A suit to recover a money judgment for unpaid Common Charges, however, shall be maintainable without foreclosing or waiving the lien securing such charges. Notwithstanding any provision to the contrary, the collection of the License Fees shall be subject to the same means of enforcement of collection as Common Charges.

(B) In the event that any Unit Owner shall fail to make prompt payment of Common Charges, such Unit Owner shall be obligated to pay a penalty charge equal to 10% of the outstanding charge, together with all costs and expenses paid or incurred by the Board, the Managing Agent, or the manager (if any) in connection with collecting such aforementioned lien, including, without limitation, reasonable attorneys' fees and disbursements and court costs. In addition, if the Board shall bring an action to foreclose the aforementioned lien, the defaulting Unit Owner shall be required to pay a reasonable rental for the use of his Unit, and the plaintiff in such foreclosure action shall be entitled to the appointment of a receiver to collect the same. All such interest, costs and expenses and rentals shall be added to and shall constitute Common Charges payable by such Unit Owner.

(C) In any action brought by the Board to foreclose a lien on a Unit because of unpaid Common Charges, the Board shall have, on behalf of all Unit Owners, the power to

purchase such Unit at the foreclosure sale thereof and to acquire, hold, lease, mortgage, convey, or otherwise deal with such Unit (but not to vote the votes appurtenant to the same). In the event that the net proceeds received on such foreclosure (after deduction of all legal fees and disbursements, advertising costs, brokerage commissions, court costs and other costs and expenses paid or incurred in connection therewith) shall be insufficient to satisfy the defaulting Unit Owner's obligations to the Condominium, such Unit Owner shall remain liable for the deficit. Any surplus on such foreclosure sale in excess of the amount of common charges owed shall be paid to the defaulting Unit Owner after first paying all liens on such Unit Owner's Unit in the order of priority of such liens.

(D) Section 339-kk of the Real Property Law of the State of New York (the "Condominium Act") applies to all condominium plans in existence after July 22, 1998. It is intended to provide financial protection for a condominium association if a non-occupying owner fails to make monthly payments for its units. The terms of Section 339-kk are as follows:

(viii) For purposes of this section, "non-occupying owner" means a unit owner who does not occupy the dwelling unit.

(ix) If a non-occupying owner rents any unit to a rental tenant and then fails to make payments due for common charges, assessments or late fees for such unit within 60 days of the expiration of any grace period after they are due, the Board shall provide written notice to the tenant and the non-occupying owner that rental payments from the tenant shall be paid directly to the Board.

(x) Such notice shall provide that commencing immediately and until such time as all such payments are made current, all rental payments due subsequent to the issuance of such notice are to be made to the Condominium Association at the address listed on the notice. However, where a majority of the Board has been elected by Unit Owners who are in occupancy, the Board may elect not to require that rental payments be made payable to the Board.

(xi) When such payments from the non-occupying owner are once again current, written notice of this fact shall be given within 3 business days to the rental tenant and non-occupying owner; thereafter, all rental payments shall be made payable to the non-occupying owner or a designated agent.

(xii) A non-occupying owner who disputes the Board's claim to rental payments pursuant to Section 339-kk shall be entitled to present facts supporting such position at the next scheduled meeting of the Board, which must be held within 30 days of the date that such Board receives notice that such owner seeks to dispute such claim.

(xiii) Nothing in Section 339-kk shall limit any rights of Unit Owners or of the Board existing under any other law or agreement.

- (xiv) Payment by a rental tenant to the Board made in connection with Section 339-kk shall relieve that rental tenant from the obligation to pay such rent to the non-occupying owner and shall be an absolute defense in any non-payment proceeding commenced by such non-occupying owner against such tenant for such rent.

ARTICLE 7 - SELLING AND LEASING OF UNITS

Section 7.1. General.

Each owner of a Unit may sell or lease his or her Unit without limitation except that no unit owner may discriminate against any person on the basis of race, creed, color, national origin, sex, age, disability, marital status or any other grounds prohibited by law. The Board does not have a right of first refusal. Any purported sale or lease consummated in default of the applicable terms hereof shall be voidable at the sole election of the Board, and, if the Board shall so elect, the selling or leasing Unit Owner shall be deemed to have authorized and empowered the Board to institute legal proceedings to eject the purported purchaser (in the event of an unauthorized sale) or to evict the purported tenant (in the event of an unauthorized leasing) in the name of said Unit Owner as the owner or landlord, as the case may be. The said Unit Owner shall reimburse the Board for all costs and expenses paid or incurred in connection with such proceedings, including, without limitation, reasonable attorneys' fees and disbursements and court costs.

Section 7.2. No Severance of Ownership.

No Unit Owner shall execute any deed or other instrument conveying title to their Unit without including therein its Appurtenant Interests, it being the intention to prevent any severance of such combined ownership. Any deed or other instrument purporting to affect one or more such interests shall be taken to include the interest or interests so omitted, even though the latter shall not be expressly mentioned or described therein. No part of the Appurtenant Interests of any Unit may be sold, conveyed, or otherwise disposed of, except as part of a sale, conveyance, or other disposition of the Unit to which such interests are appurtenant or as part of a sale, conveyance, or other disposition of such part of the Appurtenant Interests of all Units. Nothing contained in this Section, however, shall prohibit the lease of any Unit without the simultaneous lease of its Appurtenant Interests.

Section 7.3. Payment of Common Charges.

No Unit Owner shall be permitted to convey or lease his Unit unless he shall have paid in full to the Board all unpaid Common Charges and Special Assessments theretofore assessed against such Unit and shall have satisfied all unpaid liens, other than that of Permitted Mortgages, levied against such Unit.

Section 7.4. Power of Attorney.

At the time of acquiring title to a Unit and as a condition thereof, the new Unit Owner shall duly execute, acknowledge and deliver to the representative of his title insurance company (or, if no such representative is present, to the Board) for recording in the Register's Office, the Unit Owner's Power of Attorney required in Article 14 of the Declaration, in the form set forth in Part II of the Offering Plan.

Section 7.5 Right of First Refusal.

There is no right of first refusal in this Condominium.

ARTICLE 8 - MORTGAGING OF UNITS**Section 8.1. General.**

Each Unit Owner shall have the right to mortgage his Unit, subject only to the terms and conditions contained in Section 8.2 hereof. Any Unit Owner who mortgages his Unit, or the holder of such mortgage, shall supply the Board with the name and address of his mortgagee and shall file a confirmed copy of the note and mortgage with the Board. Any Unit Owner who satisfies a mortgage covering his Unit shall so notify the Board and shall file a conformed copy of the satisfaction of mortgage with the Board. The Secretary of the Condominium shall maintain such information in a book entitled "Mortgages of Units".

Section 8.2. Restrictions on Mortgaging.

(A) No Unit Owner shall be permitted to mortgage, pledge, or hypothecate his or her Unit unless and until he or she shall have paid in full to the Board all unpaid Common Charges and special assessments theretofore assessed against such Unit and shall have satisfied all unpaid liens, except the liens of Permitted Mortgages levied against such Unit.

(B) No Unit Owner shall execute any mortgage or other document mortgaging, pledging, or hypothecating title to his or her Unit without including therein its Appurtenant Interests, it being the intention to prevent any severance of such combined ownership. Any mortgage or other instrument purporting to affect one or more of such interests without including all such interests shall be deemed and taken to include the interest or interests so omitted, even though the latter shall not be expressly mentioned or described therein.

(C) Any mortgage covering a Unit shall be substantially in the form of the New York statutory form of mortgage, except for such changes or additions thereto as may be required in order to permit a particular bank, trust company, insurance company, savings and loan association, or other institutional or non- institutional lender to make the mortgage loan or take an assignment thereof.

Section 8.3. Notice of Unpaid Common Charges and Default.

Whenever requested in writing by a Permitted Mortgagee, the Board shall promptly report to such Permitted Mortgagee any default by his mortgagor(s) in the payment of Common Charges or Special Assessments or in the observance or performance of any of the provisions of the Condominium Documents as to which the Board has knowledge then exists. The Board shall, when giving notice to a Unit Owner of any such default, also send a copy of such notice to his or her Permitted Mortgagee, if so requested. However, the Board shall have no liability for any failure, through oversight or negligence, in notifying a Permitted Mortgagee of any default by his or her mortgagor under the Condominium Documents, provided that (i) the Board shall advise such Permitted Mortgagee of the default promptly after discovering such failure and (ii) if the Board shall foreclose a lien on such mortgagor's Unit pursuant to the terms of Section 6.4 hereof by reason of such default, the Board shall pay to such Permitted Mortgagee the net proceeds of any

foreclosure sale of such Unit (after retaining all sums due and owing to the Board pursuant to the Condominium Documents) or such lesser sum as shall be due and owing to such Permitted Mortgagee. Any excess proceeds shall be paid to the defaulting Unit Owner.

Section 8.4. Performance by Permitted Mortgagees.

Any sum of money to be paid or any act to be performed by a Unit Owner pursuant to the terms of the Condominium Documents may be paid or performed by his or her Permitted Mortgagee, and the Board shall accept such Permitted Mortgagee's payment or performance with the same force and effect as if the same were paid or performed by such Unit Owner.

Section 8.5. Examination of Books.

Each Permitted Mortgagee shall be permitted to examine the books of account of the Condominium at reasonable times on ten (10) business days' notice, but not more frequently than once a month.

Section 8.6 Additional Rights of Mortgagee:

(A) If the Declaration and the By-Laws are to be terminated or amended and such amendment would materially interfere with any right or interest of any mortgagee, such amendment may only be filed upon approval of 51% of all Permitted Mortgagees.

(B) In addition to any other notices provided for in the Declaration and By-Laws, Notices will be sent to any Permitted Mortgagee by certified or registered mail return receipt requested, pursuant to the terms of this section.

i) Notice shall be sent in the event that either (a) the Building or any part thereof is damaged or destroyed by fire or other casualty (hereinafter referred to as a "Casualty Loss") or (b) the Common Elements or any part thereof is taken in condemnation or by eminent domain (hereinafter referred to as a "Taking") in accordance with section 5.5 of the By-Laws. In addition, when applicable, no termination of condominium shall occur without 51% mortgagee approval.

ii) Notice shall be sent in the event that any party whose unit or interest is mortgaged to a mortgagee defaults in performing any act or making any payment which is that party's responsibility hereunder, including common charges and or special assessments, for a period of sixty (60) days after the obligation to pay, and said default is not cured within fifteen (15) days of written notice of said default.

iii) At least ten days' prior written notice to all of the insureds, including all Permitted Mortgagees shall be sent if any insurance policies insuring the Building and all service machinery contained therein covering the interest of the Condominium, the Condominium Board, all of the Unit Owners and all Permitted Mortgagees, as their interests are to be either cancelled, or be allowed to lapse, or substantially modified.

iv) If the Declaration and the By-Laws are to be amended and such amendment would materially interfere with any right or interest of any mortgagee.

v) In addition, the mortgagee and guarantor of the mortgage on any unit in the condominium project has the right to timely written notice of a) delinquency in the payment of assessments or charges owed by the owner of any unit on which it holds the mortgage, which is in excess of 60 days and b) any proposed action that requires the consent of a specified percentage of mortgagees.

C. Notwithstanding the foregoing provisions in the event a mortgagee fails to respond to written notice within 60 days of said written notice, provided notice was delivered by certified or registered mail return receipt requested said silence shall be construed as an implied approval by an mortgagee.

ARTICLE 9 - CERTAIN REMEDIES

Section 9.1. Self Help.

If any Unit Owner shall violate or breach any of the provisions of the Condominium Documents required to be observed or performed by him, including, without limitation, any breach of his obligation to paint, decorate, maintain, repair, or replace his Unit, and shall fail to cure such violation or breach within five days after receipt of written notice of the same from the Board, the Managing Agent, or any manager (or, with respect to any violation or breach of the same not reasonably susceptible to cure within such period, to commence such cure within such five day period and, thereafter, to prosecute such cure with due diligence to completion), the Board shall have the right, subject to applicable laws and regulations relating to self-help, if any, to enter such Unit Owner's Unit and summarily abate, remove, or cure such violation or breach without thereby being deemed guilty or liable in any manner of trespass. In addition, in the event the Board shall determine that the abatement, removal, or cure of any such violation or breach is immediately necessary for the preservation or safety of the Building or for the safety of the occupants of the Building or other individuals or is required to avoid the suspension of any necessary service in the Building, the Board may take such action immediately, without prior notice and without allowing said Unit Owner any period of time within which to cure or to commence to cure such violation or breach.

Section 9.2. Abatement and Enjoinment.

In the event any Unit Owner shall violate or breach any of the provisions of the Condominium Documents to be observed or performed, the Board shall have the right to enjoin, abate, or remedy the continuance or repetition of any such violation or breach by appropriate proceedings brought at law or in equity.

Section 9.3. Remedies Cumulative.

The remedies specifically granted to the Board in this Article or elsewhere in the Condominium Documents shall be cumulative, shall be in addition to all other remedies obtainable at law or in equity and may be exercised at one time or at different times, concurrently or in any order, in the sole discretion of the Board. The exercise of any remedy shall not operate as a waiver, or preclude the exercise, of any other remedy.

Section 9.4. Costs and Expenses.

All sums of money expended, and all costs and expenses incurred, by the Board in connection with the abatement, injunction, removal, or cure of any violation, breach, or default committed by a Unit Owner pursuant to the terms of Section 9.1 or Section 9.2 hereof shall be immediately payable by such Unit Owner to the Board, which amount shall be paid within ten (10) days of receiving notice. In the event it is not paid within ten (10) days of receiving notice, a penalty charge equal to 10% of the outstanding charge shall be payable. All sums payable by a Unit Owner to the Board pursuant to the terms of this Section shall, for all purposes hereunder, constitute Common Charges payable by such Unit Owner.

ARTICLE 10 - ARBITRATION**Section 10.1. Procedure.**

In order to resolve any dispute, controversy, claim or question arising with respect to the Condominium the Interim Lease or the Purchase Agreement, or to break any deadlock in voting, the parties shall submit such dispute or question to arbitration through the American Arbitration Association ("AAA"), which will give any party the rights he is entitled to under New York law. The arbitration proceeding will follow the rules of the AAA. The arbitrator will be neutral and independent of Sponsor and its principal and will be appointed by the AAA. The hearing will take place in the county where the building is located. The parties to the purchase agreement are giving up the right to bring suit in court, including the right to a trial by jury, concerning disputes over the disposition of escrowed funds, except as provided by the rules of the arbitration forum in which a claim is filed. The decision of the arbitrators so chosen shall be given within thirty (30) days after their selection or appointment.

Section 10.2. Variation by Agreement.

The parties to any dispute required or permitted to be resolved by arbitration pursuant to the terms of the Condominium Documents may, by written agreement, vary any of the terms of Section 10.1 hereof with respect to the arbitration of such dispute or may agree to resolve their dispute in any manner, including, without limitation, the manner set forth in Section 3031 of the New York Civil Practice Law and Rules and known as "New York Simplified Procedure for Court Determination of Disputes".

Section 10.3. Binding Effect.

The decision/award rendered in any arbitration proceeding shall be binding upon all of the parties thereto and may be entered in any court of appropriate jurisdiction under the New York Arbitration Law and Article 75 of the CPLR. The Board shall follow the directions of the Arbitrators. Any decision shall be final and conclusive upon the parties and a judgment thereon may be entered in a court of competent jurisdiction. The decision shall be enforceable in a court of competent jurisdiction. Notwithstanding the foregoing, however, any arbitration held pursuant to the terms of the Condominium Documents with respect to a matter that arose prior to the first annual meeting of all Unit Owners held pursuant to the terms of Section 4.1 hereof shall be non-binding.

Section 10.4. Costs and Expenses.

The fees, costs and expenses of the arbitrators shall be borne equally by the disputants. Each disputant shall also bear the fees and expenses of his or her counsel and expert witnesses. All costs and expenses paid or incurred by the Board in connection with any arbitration held hereunder, including, without limitation, the fees and expenses of counsel and expert witnesses, shall constitute Common Expenses.

ARTICLE 11 - NOTICES**Section 11.1. General.**

All notices required or desired to be given hereunder by mail shall be sent by registered or certified mail, return receipt requested, postage prepaid and addressed:

- (i) if to the Board, to the Board at its principal office as set forth in Section 1.5 hereof, with a photocopy sent to the Managing Agent (if any) at its principal office address as aforesaid;
- (ii) if to a Unit Owner, to such Owner at his or her address at the Property; and,
- (iii) if to a Permitted Mortgagee, to such Permitted Mortgagee at its latest address designated in writing to the Condominium Board.

Any of the foregoing parties may change the address to which notices are to be sent, or may designate additional addresses for the giving of notice, by sending written notice to the other parties as aforesaid. All notices sent pursuant to the terms of this Section shall be deemed given when deposited in a United States Postal Service depository located in the State of New York enclosed in a sealed, postage paid wrapper, provided, however, that notices of change of address, designating additional addresses and those deposited in a United State Postal Service depository located outside of the State of New York shall be deemed to have been given when received.

Section 11.2. Waiver of Service of Notice.

Whenever any notice is required to be given by Law or pursuant to the terms of the Condominium Documents, a waiver thereof in writing, signed by the Person or Persons entitled to such notice, whether before or after the time stated therein, shall be deemed the equivalent thereof. Wherever provided for in these bylaws, notice may also be given by telephone, email, or other transmission.

ARTICLE 12 - AMENDMENTS TO BY-LAWS

Article 18 of the Declaration is incorporated in its entirety to these Bylaws.

ARTICLE 13 - FURTHER ASSURANCES

Section 13.1. General.

Any Person that is subject to the terms of these By-laws, whether such Person is a Unit Owner, a lessee or sublessee of a Unit Owner, an occupant of a Unit, a member of the Board, an officer of the Condominium, or otherwise, shall, at the expense of any other Person requesting the same, execute, acknowledge and deliver to such other Person such instruments, in addition to those specifically provided for therein, and take such other action as such other Person may reasonable request in order either to effectuate the provisions of these By-Laws or any transaction contemplated herein or to confirm or perfect any right to be created or transferred hereunder or pursuant to any such transaction.

Section 13.2. Failure to Deliver or Act.

If any Unit Owner or other Person that is subject to the terms of these By-Laws fails to execute, acknowledge, or deliver any instrument, or fails or refuses, within ten days after request therefor, to take any action that such Unit Owner or Person is required to execute, acknowledge and deliver or to take pursuant to these By-Laws, then the Board or its Managing Agent, is hereby authorized, as attorney-in-fact for such Unit Owner or other Person, coupled with an interest, to execute, acknowledge and deliver such instrument, or to take such action, in the name of such Unit Owner or other Person, and such document or action shall be binding on such Unit Owner or other Person.

ARTICLE 14 - MISCELLANEOUS

Section 14.1. Inspection of Documents.

RULES AND REGULATIONS

1. The sidewalks, entrances, passages, public halls, vestibules, corridors and stairways of or appurtenant to the Building shall not be obstructed or used in any manner to impede the ingress and egress to the units.
2. No article (including, but not limited to, garbage cans, bottles or mats) shall be placed or stored in any of the halls or on any of the staircases or fire tower landings of the Building, nor shall any fire exit thereof be obstructed in any manner.
3. Nothing shall be hung or shaken from any doors, window, or open terraces or patios, or placed upon the window sills, of the Building, and no Unit Owner shall sweep or throw, or permit to be swept or thrown, any dirt, debris or other substance therefrom.
4. There shall be no playing or lounging in the entrances, passages, public halls, vestibules, corridors, stairways, or fire towers of the Building, except in recreational areas or other areas designated as such in the Declaration or by the Condominium Board.
5. The Board or the Managing Agent may, from time to time, curtail or relocate any portion of the Common Elements devoted to storage, recreation, or service purposes in the Building.
6. Nothing shall be done or be kept in any Unit or in the Common Elements that will increase the rate of insurance of the Building, or the contents thereof, without the prior written consent of the Board. No Unit Owner shall permit anything to be done or kept in his Unit or in the Common Elements that will result in the cancellation of insurance on the Building, or the contents thereof, or that would be in violation of any Law. No Unit Owner or any of his Family Members, agents, servants, employees, licensees, or visitors shall, at any time, bring into or keep in his Unit any inflammable, combustible, or explosive fluid, material, chemical, or substance, except as shall be necessary and appropriate for the permitted uses of such Unit.
7. There shall be no barbecuing in the Units, or in the Limited or General Common Elements, except for those areas (if any) specifically designated for barbecuing by the Board.
8. No Unit Owner shall make, cause, or permit any unusual, disturbing, or objectionable noises or odors to be produced upon or to emanate from his Unit or permit anything to be done therein that will interfere with the rights, comforts, or conveniences of the other Unit Owners. No Unit Owner shall play upon or suffer to be played upon any musical instrument, practice any vocal or instrumental music, or shall operate or permit to be operated a phonograph, radio, television set, or other loudspeaker in such Unit Owner's

Unit between midnight and the following 8:00 AM, if same shall disturb or annoy other occupants of the Building.

9. No construction, repair work, or other installation involving noise shall be conducted in any Unit except on weekdays (not including legal holidays) and only between the hours of 8:00 A.M. and 5:00 P.M., unless such construction or repair work is necessitated by an emergency.

10. In no event shall any bird, reptile, or animal be permitted in any public area of the Building or in any of the public portions of the building, unless carried or on leash. No pigeons or other birds or animals shall be fed from the window sills, patios, terraces, or other public portions of the building, or on the sidewalk or street adjacent to the Building.

11. All radio, television, or other electrical equipment of any kind or nature installed or used in each Unit shall fully comply with all rules, regulations, requirements, or recommendations of the New York Board of Fire Underwriters and the public authorities having jurisdiction, and the Unit Owner alone shall be liable for any damage or injury caused by any radio, television, or other electrical equipment.

12. Water-closets and other water apparatus in the Building shall not be used for any purpose other than those for which they were designed, and no sweepings, rubbish, rags or any other article shall be thrown into the same. Any damage resulting from misuse of any water-closets or other apparatus in a Unit shall be repaired and paid for by the owner of such Unit.

13. Each Unit Owner shall keep his or her Unit in a good state of preservation, condition, repair and cleanliness in accordance with the terms of the By-Laws.

14. The agents of the Sponsor, Board or the Managing Agent and any contractor or workman authorized by the Board or the Managing Agent, may enter any room or Unit at any reasonable hour of the day, on at least one day's prior notice to the Unit Owner, for the purpose of inspecting such Unit for the presence of any vermin, insects, or other pests and for the purpose of taking such measures as may be necessary to control or exterminate any such vermin, insects or other pests; however, such entry, inspection and extermination shall be done in a reasonable manner so as not to unreasonably interfere with the use of such Unit for its permitted purposes.

15. The Sponsor, Board or the Managing Agent may retain a pass-key to each Unit. If any lock is altered or a new lock is installed, the Board or the Managing Agent shall be provided with a key thereto immediately upon such alteration or installation. If the Unit Owner is not personally present to open and permit an entry to his or her Unit at any time when an entry there is necessary or permissible under these Rules and Regulations or under the By-Laws, and has not furnished a key to the Board or the Managing Agent, then the Board or Managing Agent or their agents (but, except in an emergency, only when specifically authorized by an officer of the Condominium or an officer of the Managing

Agent) may forcibly enter such Unit without liability for damages or trespass by reason thereof (if, during such entry, reasonable care is given to such Unit Owner's property).

16. If any key or keys are entrusted by a Unit Owner, by any Family Member thereof, or by his or her agent, servant, employee, licensee, or visitor to an employee of the Condominium or of the Managing Agent, whether for such Unit Owner's Unit or an automobile, trunk, or other item of personal property, the acceptance of the key shall be at the sole risk of such Unit Owner, and neither the Board nor the Managing Agent shall (except as otherwise provided herein) be liable for injury, loss or damage of any nature whatsoever, directly or indirectly resulting therefrom or connected therewith.

17. Unit Owners and their respective Family Members, guests, servants, employees, agents, visitors, or licensees shall not at any time or for any reason whatsoever enter upon, or attempt to enter upon, the roof of the Building not designated as a Limited Common Element.

18. No occupant of the Building shall send any employee of the Condominium or of the Managing Agent out of the Building on any private business.

19. Any consent or approval given under these Rules and Regulations may be amended, modified, added to, or repealed at any time by resolution of the Board. Further, any such consent or approval may, in the discretion of the Board or the Managing Agent, be conditional in nature.

20. Complaints regarding the service of the Condominium shall be made in writing to the Condominium Board or to the Managing Agent.

21. Smoking and/or use of electronic cigarettes is prohibited in all locations on the property. This policy is in compliance with the NYC Smoke Free Air Act ("SFAA") and shall apply to all Unit Owners and tenants and their respective invitees as well as other persons on the Property.

GENERAL BUSINESS LAW
Article 36-B
WARRANTIES ON SALES OF NEW HOMES

§ 777. Definitions

As used in this article, the following terms shall have the following meanings:

1. "Builder" means any person, corporation, partnership or other entity contracting with an owner for the construction or sale of a new home.
2. "Building code" means the uniform fire prevention and building code promulgated under section three hundred seventy-seven of the executive law, local building code standards approved by the uniform fire prevention and building code council under section three hundred seventy-nine of the executive law, and the building code of the city of New York, as defined in title twenty-seven of the administrative code of the city of New York.
3. "Constructed in a skillful manner" means that workmanship and materials meet or exceed the specific standards of the applicable building code. When the applicable building code does not provide a relevant specific standard, such term means that workmanship and materials meet or exceed the standards of locally accepted building practices.
4. "Material defect" means actual physical damage to the following load-bearing portions of the home caused by failure of such load-bearing portions which affects their load-bearing functions to the extent that the home becomes unsafe, unsanitary or otherwise unliveable: foundation systems and footings, beams, girders, lintels, columns, walls and partitions, floor systems, and roof framing systems.
5. "New home" or "home" means any single family house or for-sale unit in a multi-unit residential structure of five stories or less in which title to the individual units is transferred to owners under a condominium or cooperative regime. Such terms do not include dwellings constructed solely for lease, mobile homes as defined in section seven hundred twenty-one of this chapter, or any house or unit in which the builder has resided or leased continuously for three years or more following the date of completion of construction, as evidenced by a certificate of occupancy.
6. "Owner" means the first person to whom the home is sold and, during the unexpired portion of the warranty period, each successor in title to the home and any mortgagee in possession. Owner does not include the builder of the home or any firm under common control of the builder.
7. "Plumbing, electrical, heating, cooling and ventilation systems" shall mean:
 - a. in the case of plumbing systems: gas supply lines and fittings; water supply, waste and vent pipes and their fittings; septic tanks and their drain fields; water, gas and sewer service piping, and their extensions to the tie-in of a public utility connection, or on-site well and sewage disposal system;
 - b. in the case of electrical systems: all wiring, electrical boxes, switches, outlets and connections up to the public utility connection; and
 - c. in the case of heating, cooling and ventilation systems: all duct work, steam, water and refrigerant lines, registers, convectors, radiation elements and dampers.
8. "Warranty date" means the date of the passing of title to the first owner for occupancy by such owner or such owner's family as a residence, or the date of first occupancy of the home as a residence, whichever first occurs.

§ 777-a. Housing merchant implied warranty

1. Notwithstanding the provisions of section two hundred fifty-one of the real property law, a housing merchant implied warranty is implied in the contract or agreement for the sale of a new home and shall survive the passing of title. A housing merchant implied warranty shall mean that:

- a. one year from and after the warranty date the home will be free from defects due to a failure to have been constructed in a skillful manner;
- b. two years from and after the warranty date the plumbing, electrical, heating, cooling and ventilation systems of the home will be free from defects due to a failure by the builder to have installed such systems in a skillful manner; and
- c. six years from and after the warranty date the home will be free from material defects.

2. Unless the contract or agreement by its terms clearly evidences a different intention of the seller, a housing merchant implied warranty does not extend to:

- a. any defect that does not constitute (i) defective workmanship by the builder or by an agent, employee or subcontractor of the builder, (ii) defective materials supplied by the builder or by an agent, employee or subcontractor of the builder, or (iii) defective design provided by a design professional retained exclusively by the builder; or
- b. any patent defect which an examination ought in the circumstances to have revealed, when the buyer before taking title or accepting construction as complete has examined the home as fully as the buyer desired, or has refused to examine the home.

3. In the case of goods sold incidentally with or included in the sale of the new home, such as stoves, refrigerators, freezers, room air conditioners, dishwashers, clothes washers and dryers, a housing merchant implied warranty shall mean that such goods shall be free from defects due to failure by the builder or any agent, employee or subcontractor of the builder to have installed such systems in a skillful manner. Merchantability, fitness and all other implied warranties with respect to goods shall be governed by part three of article two of the uniform commercial code and other applicable statutes.

4. a. Written notice of a warranty claim for breach of a housing merchant implied warranty must be received by the builder prior to the commencement of any action under paragraph b of this subdivision and no later than thirty days after the expiration of the applicable warranty period, as described in subdivision one of this section. The owner and occupant of the home shall afford the builder reasonable opportunity to inspect, test and repair the portion of the home to which the warranty claim relates.

b. An action for damages or other relief caused by the breach of a housing merchant implied warranty may be commenced prior to the expiration of one year after the applicable warranty period, as described in subdivision one of this section, or within four years after the warranty date, whichever is later. In addition to the foregoing, if the builder makes repairs in response to a warranty claim under paragraph a of this subdivision, an action with respect to such claim may be commenced within one year after the last date on which such repairs are performed. The measure of damages shall be the reasonable cost of repair or replacement and property damage to the home proximately caused by the breach of warranty, not to exceed the replacement cost of the home exclusive of the value of the land, unless the court finds that, under the circumstances, the diminution in value of the home caused by the defect is a more equitable measure of damages.

c. In addition to any other period for the commencement of an action permitted by law, an action for contribution or indemnification may be commenced at any time prior to the expiration of one year after the entry of judgment in an action for damages under paragraph b of this subdivision.

5. Except as otherwise provided in section seven hundred seventy-seven-b of this article, any provision of a contract or agreement for the sale of a new home which excludes or modifies a housing merchant implied warranty shall be void as contrary to public policy.

6. Except as otherwise provided in section seven hundred seventy-seven-b of this article, other implied warranties may arise from the terms of the contract or agreement or from course of dealing or usage of trade.

§ 777-b. Exclusion or modification of warranties

1. Except in the case of a housing merchant implied warranty, the builder or seller of a new home may exclude or modify all warranties by any clear and conspicuous terms contained in the written contract or agreement of sale which call the buyer's attention to the exclusion or modification of warranties and make the exclusion or modification plain.

2. Except in the case of a housing merchant implied warranty, the builder or seller of a new home may exclude or modify warranties with respect to particular defects by any clear and conspicuous terms contained in the written contract or agreement of sale which identify such defects, call the buyer's attention to the exclusion or modification of warranties and make the exclusion or modification plain.

3. A housing merchant implied warranty may be excluded or modified by the builder or seller of a new home only if the buyer is offered a limited warranty in accordance with the provisions of this subdivision.

a. A copy of the express terms of the limited warranty shall be provided in writing to the buyer for examination prior to the time of the buyer's execution of the contract or agreement to purchase the home.

b. A copy of the express terms of the limited warranty shall be included in, or annexed to and incorporated in, the contract or agreement.

c. The language of the contract or agreement for sale of the home must conspicuously mention the housing merchant implied warranty and provide that the limited warranty excludes or modifies the implied warranty. Language to exclude all implied warranties is sufficient if it states, for example, that "There are no warranties which extend beyond the face hereof."

d. The limited warranty shall meet or exceed the standards provided in subdivisions four and five of this section.

4. A limited warranty sufficient to exclude or modify a housing merchant implied warranty must be written in plain English and must clearly disclose:

a. that the warranty is a limited warranty which limits implied warranties on the sale of the home; the words "limited warranty" must be clearly and conspicuously captioned at the beginning of the warranty document;

b. the identification of the names and addresses of all warrantors;

c. the identification of the party or parties to whom the warranty is extended and whether it is extended to subsequent owners; the limited warranty must be extended to the first owner of the home and survive the passing of title but may exclude any or all subsequent owners;

d. a statement of the products or parts covered by the limited warranty;

e. the clear and conspicuous identification of any parts or portions of the home or premises that are excepted or excluded from warranty coverage, and the standards that will be used to determine whether a defect has occurred; provided, however, that:

i. any exception, exclusion or standard which does not meet or exceed a relevant specific standard of the applicable building code, or in the absence of such relevant specific standard a locally accepted building practice, shall be void as contrary to public policy and shall be deemed to establish the applicable building code standard or locally accepted building practice as the warranty standard; and

ii. any exception, exclusion or standard that fails to ensure that the home is habitable, by permitting conditions to exist which render the home unsafe, shall be void as contrary to public policy.

f. what the builder and any other warrantor will do when a defect covered by the warranty does arise, and the time within which the builder and any other warrantor will act;

g. the term of the warranty coverage and when the term begins, provided, however, that such term shall be equal to or exceed the warranty periods of a housing merchant implied warranty, as defined in subdivision one of section seven hundred seventy-seven-a of this article;

h. step-by-step claims procedures required to be undertaken by the owner, if any, including directions for notification of the builder and any other warrantor; an owner shall not be required to submit to binding arbitration or to pay any fee or charge for participation in nonbinding arbitration or any mediation process;

i. any limitations on or exclusions of consequential or incidental damages, and any limitations on the builder's and other warrantor's total liability, conspicuously expressed on the first page of the warranty. Notwithstanding the foregoing, a limited warranty shall not be construed to permit any limitation on or exclusion of property damage to the home proximately caused by a breach of the limited warranty, where the court finds that such limitation or exclusion would cause the limited warranty to fail of its essential purpose, except that such property damage may be limited by an express limitation on the builder's or other warrantor's total liability in accordance with the provisions of this paragraph.

5. a. This article shall not be construed to authorize or validate any covenant, promise, agreement or understanding which is void and unenforceable under section 5-322.1 of the general obligations law.

b. This article shall preempt any local law inconsistent with the provisions of this article. This article shall not preempt any builder subject to its provisions from complying with any local law with respect to the regulation of home builders except as expressly provided herein.

c. Nothing in this article shall be construed to repeal, invalidate, supersede or restrict any right, liability or remedy provided by any other statute of the state, except where such construction would, as a matter of law, be unreasonable.

Document No. 9
Form of Interim Lease

INTERIM LEASE

AGREEMENT made this day of , 20 ,
between, (hereafter SPONSOR) and
, (hereinafter Interim Lessee);

WITNESSETH:

WHEREAS, SPONSOR is the Sponsor of a condominium conversion
of premises located at , New York; and,

WHEREAS, Interim Lessee has executed a Purchase Agreement for
Unit _____ at said premises; and,

WHEREAS, Interim Lessee wishes to occupy said Unit prior to
the closing of the transaction;

NOW, THEREFORE, in conformity with the terms and conditions
of the Offering Plan filed with the Attorney General of the
State of New York, the parties agree as follows:

- 1) Commencing on _____, and terminating as
hereinafter specified, Interim Lessee shall have the right to
use and occupy the aforementioned Unit.
- 2) Interim Lessee shall pay a fee for use and occupancy of
the Unit of \$_____per month. It is understood that this
use and occupancy fee is not rent, and that no landlord-
tenant relationship has been created between the parties, and
that this agreement is not governed or subject to any rent
regulatory laws.
- 3) The use and occupancy fee for the month in which closing
occurs shall be adjusted at closing. No portion of the use
and occupancy fee will be applied to the purchase price of
the Unit.
- 4) The terms of the Offering Plan, and all related documents
in effect as of the date hereof are incorporated in and made
a part of this agreement.
- 5) A person in possession who is not an owner cannot insure
the unit since he or she has no ownership interest, and the
unit cannot be doubly insured. If during occupancy the Unit
is damaged by casualty or otherwise, the Interim Lessee shall
assume the risk of loss and the obligation to repair the

Certifications

damage in excess of insurance proceeds, unless the cause thereof originated outside the Unit and did not result from the acts of Interim Lessee or other occupants of the Unit or guests, invitees or workmen. If Interim Lessee is obligated to repair the damage, then Interim Lessee's failure to make such repair shall not excuse Interim Lessee from paying the Balance and accepting delivery of the deed.

Except as provided in the preceding paragraph, all other risk of loss prior to closing in excess of insurance proceeds has been assumed by Sponsor, but without any obligation or liability of Sponsor to repair the damage or restore the Unit. If Sponsor or (in the event the Declaration is filed) the Unit Owners elect to repair or replace the loss or damage, this agreement shall continue in full force and effect, Interim Lessee shall not have the right to reject title to the Unit or to receive a credit against, or abatement in, the Purchase Price, and Sponsor shall be entitled to a reasonable period of time to complete or to permit the Board to complete such repairs or replacements. Interim Lessee shall not be required to pay the Balance unless and until (i) the Unit has been repaired to as near as reasonably possible to its condition immediately prior to the casualty and (ii) its essential services (such as gas, electricity, and heat) and a reasonable means of ingress and egress to the street have been restored. Any proceeds received from insurance or in satisfaction of any claim or action in connection with such loss, shall belong entirely to Sponsor (subject to the rights, if any, of the Board or other Unit Owners) and if such proceeds are paid to Interim Lessee, Interim Lessee shall promptly upon receipt turn them over to Sponsor. The provisions of the preceding sentence shall survive the closing.

E. In the event Sponsor notifies Interim Lessee that it does not elect to repair or restore the Unit or if the Unit Owners do not resolve to make such repairs or restoration pursuant to the Condominium's By-Laws, this Agreement and the Contract shall be deemed cancelled and of no further force or effect and Sponsor shall return to Interim Lessee all sums deposited

under the Purchase Agreement, without interest (unless interest is earned), whereupon the parties shall be released and discharged from all obligations and liability hereunder and under the Plan, except that if Interim Lessee is then in default hereunder (beyond the applicable grace period, if any), Sponsor shall retain the Liquidated Sum as defined in the Purchase Agreement.

6) Interim Lessee shall pay all utility costs and make any repairs to the Unit for which he would be obligated as owner. SPONSOR will not be responsible for ordinary wear and tear to the Unit during the Interim Lessee's occupancy.

7) Interim Lessee may not make any alterations to the Unit without SPONSOR'S written consent.

8) This lease will terminate on the happening of the earliest of the following:

- a- Closing
- b- Rescission of the Purchase Agreement (by Interim Lessee)
- c- Default by Interim Lessee

9) Upon a default by Interim Lessee or Rescission of the Contract by Interim Lessee, which is not cured within 15 days after notice thereof, Interim Lessee'S right to occupy the Unit will terminate, and Interim Lessee must vacate the Unit within thirty (30) days after mailing of Notice to Vacate by the SPONSOR. Such notice must be by certified mail, return receipt requested, to the Unit. Interim Lessee agrees to pay SPONSOR \$250.00 per day for each day he remains in possession beyond the 30th day following mailing of the Notice to Vacate in conformity with this section. Nothing contained herein shall be construed so as to limit SPONSOR's ability to have Interim Lessee evicted from the premises and to pursue any other legal remedy available to SPONSOR; nor shall anything herein be construed as a waiver by the SPONSOR of his right to retain, as liquidated damages, the down payment deposited upon execution of the Purchase Agreement.

10) Any uncured default under this lease agreement will be a default under the Purchase Agreement, and any uncured default under the Purchase Agreement will be a default under this lease agreement. Any such default will terminate Interim

Lessee's right to use and occupancy, and will also terminate Interim Lessee's right to purchase the Unit, and may result in loss of the down-payment. Before SPONSOR may utilize the default under the lease to declare a default under the purchase agreement, SPONSOR will obtain an order of eviction or other judgment or order from a court or other agency of competent jurisdiction against lessee unless lessee has vacated the Unit.

11) This agreement may not be assigned, and may not be changed, except by signed, written instrument. This agreement is the entire agreement between the parties as regards use and occupancy of the Unit pending closing.

12) As of the date hereof Interim Lessee confirms that all work required to be done in or about the subject Unit has been completed; and that in all respects Interim Lessee agrees to accept the Unit in "as is" condition; subject to the "punch list", if any, attached hereto.

13) Smoking and/or use of electronic cigarettes is prohibited in all locations on the property. This policy is in compliance with the NYC Smoke Free Air Act ("SFAA") and shall apply to all Unit Owners and tenants and their respective invitees as well as other persons on the Property.

14) If any term of this agreement differs from the Offering Plan as accepted for filing by the Attorney General of the State of New York, the offering plan shall be controlling.

IN WITNESS WHEREOF, the parties hereunto set their hands this
day of _____, 20.

5. Does not contain any fraud, deception, concealment, or suppression;
6. Does not contain any promise or representation as to the future which is beyond reasonable expectation or unwarranted by existing circumstances;
7. Does not contain any representation or statement which is false where we:
 - a. Knew the truth;

- b. With reasonable effort, could have known the truth;
- c. Made no reasonable effort to ascertain the truth; or,
- d. Did not have the knowledge concerning the representations or statements made.

We further certify that we are not owned or controlled by the Sponsor. We understand that a copy of this certification is intended to be incorporated into the offering plan. This statement is not intended as a guarantee or warranty of the income and expense for the first year of condominium operation. CERTIFICATION BY EXPERT ON ADEQUACY OF COMMON CHARGES PAYABLE BY THE COMMERCIAL UNIT OWNER PURSUANT TO SECTION 20 OF THE REGULATIONS ISSUED PURSUANT TO GENERAL BUSINESS LAW, ARTICLE 23-A, AS AMENDED

RE: 170 Williamsburg Street East, Brooklyn, New York

The Sponsor of the condominium Offering Plan for the above captioned property retained me to review SCHEDULE B, which includes projections of common charges payable by owners of commercial units. Our experience in the field includes being a licensed Real Estate Broker for over 6 years; and been involved in the management of approximately ten condominium buildings; and the sale of numerous condominium and rental properties. We are familiar with prices, practices, and procedures in the area of this condominium.

We understand that we are responsible for complying with Article 23-A of the General Business Law and the regulations promulgated by the Attorney General, Part 20 thereof, insofar as they are applicable to the commercial units listed in SCHEDULE B. We have reviewed the SCHEDULE as it impacts upon commercial units and investigated the facts set forth in the SCHEDULE, and the facts underlying it with due diligence in order to form a basis for this certification. We have also relied on our experience in managing residential buildings.

We certify that the projections in SCHEDULE B for common charges payable by the owners of commercial units appear reasonable and adequate under existing circumstances to meet the anticipated operating expenses fairly attributable to such commercial units for the projected first year of condominium operation, and that the allocation of common charges attributable to the commercial units also reflect special or exclusive use or availability, or exclusive control of, particular common areas.

We certify that the estimates in SCHEDULE B for common charges payable by the owners of commercial units do:

1. Set forth in detail the projected common charges for the commercial unit for the first year of condominium operation;
2. Afford potential investors, purchasers and participants an adequate basis upon which to found their judgment concerning the common charges payable by owners of the commercial unit;
3. Not omit any material fact;
4. Not contain any untrue statement of a material fact;

5. Not contain any fraud, deception, concealment, or suppression;
6. Does not contain any promise or representation as to the future which is beyond reasonable expectation or unwarranted by existing circumstances;
7. Not contain any representation or statement which is false where we:
 - a) Knew the truth;
 - b) With reasonable effort, could have known the truth;
 - c) Made no reasonable effort to ascertain the truth; or,
 - d) Did not have knowledge concerning the representations or statements made.

We further certify that we are not owned or controlled by the Sponsor. We understand that a copy of this certification is intended to be incorporated into the Offering Plan. This statement is not intended as a guarantee or warranty of the common charges fairly attributable to the commercial units for the first year of condominium operation. This certification is made under the penalty of perjury for the benefit of all persons to whom this offering is made. We understand that violations are subject to the civil and criminal penalties of the General Business Law and Penal Law.

I affirm this 4 day of May, **2026**, under the penalties of perjury under the laws of New York, which may include a fine or imprisonment, that the foregoing is true, and I understand that this document may be filed in an action or proceeding
